President's Message

Hare Krishna!

I present to you the Annual Report of 2013-14.

This was a very eventful year, during which some major strategic governance and management decisions were made.

Srila Prabhupada, our beloved Founder and Acharya, had established ISKCON in 1966. While incorporating the society in New York, he drew up seven purposes for it. Every one of the various ISKCON societies which were registered in various states, later made these seven purposes part of their incorporation documents. These seven purposes have been so sacrosanct that they have defined the path taken by ISKCON over the years. All initiatives of ISKCON stem from the seven purposes as listed in the initial incorporation documents of our Krishna consciousness movement. It is these goals which have guided ISKCON in its journey for close to five decades since inception. It would not be an exaggeration to say that ISKCON is the only organization dedicated to spread Krishna consciousness with a global foot print, and this was made possible only due to the all-encompassing vision of Srila Prabhupada.

ISKCON Bangalore has strived to fulfil the vision of Srila Prabhupada - we still have a long way to go in fulfilling many of his wishes. We are trying our best to bring to fruition many of his transcendental dreams. Establishing the temple on Hare Krishna Hill was a tiny step, though an important one, in moving towards fulfilling Prabhupada's vision for his Krishna consciousness movement in the state of Karnataka. Keeping in mind the purposes which Srila Prabhupada had for his movement as a whole and to focus deeper on the fulfilment of Prabhupada's vision, we have set out this year, to formally define important objectives for ISKCON Bangalore. We have defined eleven objectives for ISKCON Bangalore, which range from distributing

the holy names of Lord Krishna to establishing new centres in Bangalore.

I wish to share with you, these core objectives (see page 36), of ISKCON Bangalore group of temples. A Strategy Council has been formed, comprising the President, Senior Vice President and five Vice Presidents, to work as a team towards fulfilment of these objectives. Each of these core objectives has been assigned to one or more members of the Strategy Council, under whose leadership all the above initiatives will be taken up. We pray to Srila Prabhupada and Lord Krishna to give us the spiritual strength to fulfil the objectives and purposes in their transcendental service.

In our previous annual reports as well as in this year's report, we have tried to broadly capture various important quantitative figures related to progress made under our various initiatives. In future annual reports, we shall capture our progress in a more structured manner, grouped in relation to these eleven core objectives.

This year we had His Holiness the 14th Dalai Lama of Tibet visiting the temple. He was our honoured guest and was very happy to receive the blessings of Sri Sri Radha Krishnachandra. He specifically sought the blessings of Srila Prabhupada. During his talk to students on Hare Krishna Hill, he stressed the need for spiritual education. He glorified Srila Prabhupada, saying, "Srila Prabhupada is truly a great ambassador of ancient Indian heritage."

We shall always strive to spread Krishna consciousness in its pure form as presented by Srila Prabhupada. We look forward to your continued support in our humble services to the Lord and His pure devotee, in Karnataka.

May Lord Krishna bless us all.

Madhu Pandit Dasa,
President.

Srila Prabhupada

His Divine Grace A. C. Bhaktivedanta Swami Prabhupada, the Founder-Acharya of ISKCON, who is popularly known as Srila Prabhupada, stands out distinctly among great personalities for connecting souls world wide to the Supreme Personality of Godhead Krishna in *bhakti*.

In 1932, Srila Prabhupada became a formally initiated disciple of Bhaktisiddhanta Sarasvati Thakura of the Gaudiya Vaishnava *sampradaya*. Bhaktisiddhanta Sarasvati Thakura instructed Srila Prabhupada to preach the message of Lord Krishna to all: “You try to preach whatever you have learned from me to the English speaking people of the world. That will be good for you and for the people to whom you preach. That is my instruction to you.”

Taking this instruction as his life and soul, Srila Prabhupada started translation of Vedic literatures like *Srimad Bhagavad-gita* and *Srimad-Bhagavatam* to English. Although he had no funds or any immediate support for this endeavour, Srila Prabhupada continued to render these translations meticulously. He started the publication of a monthly magazine called *Back to Godhead* in English in 1944. Despite setbacks in his effort to spread the mission of his spiritual master in India, he went ahead to carry out his work in the West. In 1965, Srila Prabhupada sailed to America in a cargo ship having just forty rupees in hand and a few of his works in print, with the objective to preach to the English-speaking people, the Absolute Truth.

What followed is the unfathomable growth of Vaishnavism and Lord Krishna worship in the West. Srila Prabhupada, the 32nd bonafide spiritual master in the line of Brahma-Madhva-Gaudiya Vaishnavism, translated and wrote purports to 8,172 verses of *Srimad-Bhagavatam*, 700 verses of *Bhagavad-gita* and 11,555

verses of *Chaitanya-charitamrita*. He started a monthly magazine *Back to Godhead* which crossed at one point a distribution of more than one million copies a month. This magazine is now translated and printed in over thirty languages and distributed in different parts of the world. The Bhaktivedanta Book Trust was established in 1972 to publish the works of His Divine Grace and soon became the world’s largest publisher of books in the field of Indian religion and philosophy. He published a total of 160 books.

In the last few years of his presence in this material world, he lived in Vrindavan and engaged in deep devotional contemplation and in 1977 he left his material body but he still exists in his books and instructions, guiding his disciples and taking them back to Godhead.

In short, Srila Prabhupada built a house in which the whole world can live together and develop inquisitiveness towards the real purpose of life. By his mercy, this blinded, fast-paced material world got vision and direction.

This movement has given an opportunity to everyone to take up the chanting of the Holy Names of Lord Krishna, which is the recommended process for spiritual liberation in this age. Lord Chaitanya said, “All over the world, in every town and village, this Harinam *sankirtana* will spread.” And that is being achieved by Srila Prabhupada’s mission. Srila Prabhupada is truly a great ambassador of India’s heritage and has fulfilled the prophecy of Lord Chaitanya.

In all of Srila Prabhupada’s writings and talks, the outpouring of a pure devotee for the love of his Lord Krishna is evident. It is this pure love for God expressed by him that has touched thousands of souls and inspired them to look beyond mere material existence, to a life of higher consciousness.

Dr. Sri Sivakumara Swamiji - Siddaganga Math, Tumkur

I am very happy to learn that the temple cultural complex is publishing its Annual Report for the year 2013-14, documenting the various services rendered by ISKCON Bangalore to the society.

It is with pleasure I recall my visit to the temple, which is truly a cultural hub of the city, attracting thousands of devotees from all over the world.

Through its many spiritual, educational and cultural activities, ISKCON Bangalore has reached out to all age groups in the society. The flagship programme of ISKCON Bangalore, Akshaya Patra, which is feeding nearly 1.5 million children every day in nineteen locations in nine states in India, tops the humanitarian activities of ISKCON Bangalore.

I wish ISKCON Bangalore greater heights in its services to humanity.

With best wishes,
Dr. Sri Sivakumara Swamiji

Distribution of the Holy Name: Harinam

Chanting the Holy Names of the Lord is the *yuga dharma* for this age as recommended by the scriptures. Sri Chaitanya Mahaprabhu, the Yuga *avatara*, appeared in the fifteenth century to propagate the chanting of Holy Names as the religion of this age, irrespective of age, caste, creed or community. Srila Prabhupada the Founder-Acharya of ISKCON imbibed the spirit of spreading the chanting of Holy Names from his predecessors in Lord Chaitanya's lineage.

ISKCON Bangalore has been trying to implement the instruction of Srila Prabhupada to spread chanting of the Holy Names through its various outreach programmes for students, youth and elders. Thousands of people have been inspired to chant the *maha-mantra* - Hare Krishna Hare Krishna, Krishna Krishna Hare Hare, Hare Rama Hare Rama, Rama Rama Hare Hare regularly. It will be very difficult to tabulate the total number of people who have been impacted to chant year on year. But it suffices to say that no programme of ISKCON Bangalore is complete without inspiring people to hear and chant the Holy Names of Krishna on a regular basis. The temple houses a Harinam Mantap which has 108 steps. Many pilgrims who visit the temple also go through this Harinam Mantap and chant the Hare Krishna *maha-mantra* on every step.

Distribution Of Transcendental Literature

Srila Prabhupada stressed that book distribution is one of the most important activities of ISKCON Centers. He inspired his disciples to look for innovative methods to distribute transcendental literature. Srila Prabhupada's books have transformed the lives of thousands of people from different walks of life. Srila Prabhupada called these books as *brihat mridanga*- greater *mridanga*.

In ISKCON Bangalore, Srila Prabhupada's books are distributed through various book counters in the temple, through Brihat Mridanga vans, volunteers, devotees and a host of other creative means. Every year during the Gita Jayanthi month (December) ISKCON centers launch a Book Marathon to distribute these transcendental literatures.

ISKCON Bangalore has been conducting various spiritual educational programmes for the youth. These programmes are conducted under the banner of FOLK - Friends of Lord Krishna. The students participate in educative sessions ranging from weekend retreats at the ISKCON premises to on-campus sessions. My father is a general physician, who runs his own nursing home in Mysore. I got introduced to ISKCON's Youth programmes while I was studying for my B.Tech in Computer Science from RVCE Bangalore. I got introduced to the sublime teachings of Srila Prabhupada, which has lifted me from a sense of purposelessness and has enabled me to always keep sight of the bigger picture in life. The Krishna conscious viewpoint has helped me to be more discerning and level-headed, while making choices. With time and experience, I am able to increasingly appreciate and translate my learnings at ISKCON to actionable intelligence. I strongly believe that a deep-rooted value system with a reasonable philosophical underpinning can help me handle trying situations in life with temperance. My interactions with the ISKCON youth programme counsellors has given me the opportunity to seek clarity and understand the principles of spirituality in a practical

manner. I am grateful to ISKCON for giving me this priceless gift.

I stayed for close to two years in ISKCON's Youth hostel, which has helped me in peer learning and in moulding my lifestyle - to imbibe good qualities and habits. More and more youngsters are realizing the futility and the short-sightedness of the conventional world view, it is imperative that they take to spirituality to achieve contentment in life.

**- Alok B, Post Graduate student,

I have been associated with Youth programmes at ISKCON since the year 2010 when I was pursuing my engineering 3rd year from MSRIT, Bangalore. I have been volunteering for various services in ISKCON Bangalore. Recently I had volunteered for the youth related programme "Vedic Science Fest." The Vedic Science Fest was an engineering inter collegiate fest, in which students from top twenty five engineering colleges of the state had participated. I participated as a volunteer for serving the great mission of the ISKCON organization in its efforts to imbibe the modern youth with the great values, which can grant principles of happiness, of our great culture. Serving in the event has left me with a lot of memorable experiences. Giving this knowledge gave me intense satisfaction. I was somehow blessed to be part of a sublime endeavour and a real welfare activity for the society.

The current world is so distractive with the development of unnecessary necessities that can pull us away easily from our actual goal of life. Unless we train our minds, our desires will drag us into troubles. ISKCON youth

programmes have helped me to develop right desires which can avoid all the unwanted troubles in my life. They have been useful in identifying my defects and transforming them into my strengths to face many of the difficult situations in my life. I have easily switched my diet from non-vegetarian to pure vegetarian food. I have easily been able to stop taking intoxicants. The quality of satisfaction in the work has improved and I am conscious of planning my daily activities. I am able to understand my true existence on the strength of the foundation built with clear answers for all the basic questions about life. I have been a true beneficiary of the authentic Vedic culture being taught for the modern society by ISKCON. Along with the effective solutions for material problems it has given a deeper spiritual satisfaction in my life.

When I visited the temple for the first time, I appreciated the cleanliness, the spiritual vibration and the wonderful prasadam. I had the opportunity to attend the Yoga Retreat and soon found myself registering for a pilgrimage trip to Vrindavan conducted by ISKCON, Bangalore. This was in 2002. In the next two years, I visited the temple regularly and started attending the classes conducted on Bhagavad-gita. It helped me a lot in my professional growth and personal development.

Over 4 crore meals were served in government and corporation schools of Bangalore city in the year 2013-14. Akshaya Patra works in partnership with the respective State and Central Governments.

Sarita, a student of Government High School, Makali, Bangalore North District has been a beneficiary of the Akshaya Patra mid-day meal programme from the time she was in Class I. She says, "I love the Akshaya Patra meal. It is just like home-made food since it is fresh, tasty and steaming hot. I have been a beneficiary of Akshaya Patra meal since I was a little girl and still love to eat it every day. Like many of my friends and classmates, I too depend on this meal to get through the day."

-Sarita, Class X

Uma all of 11 participated in a District Level Science Festival held at a school in Kumta. She conducted a science experiment representing her school at the festival. Her Science teacher Kanyakumari says, "There has been a remarkable improvement in Uma's health since Akshaya Patra started providing mid-day meal here in 2007. Earlier, she had difficulty in expressing herself. Today, her confidence and concentration in class have improved significantly."

-Uma, Class VI

Uma's parents work in a farm some 20 kms from the house and hence leave home in the wee hours of morning every day. Uma assumes the responsibility of taking care of her two younger siblings while her parents are away, readying them for school and taking them with her. Almost always, there is no food at home when Uma and her siblings return and the little ones remain hungry till the parents return late in the night. Uma understands the difference the mid-day meal has made to her performance in school and is very grateful for that. Science is my favourite subject since it has a lot of experiments. I want to become a teacher and help students understand the subjects," she says.

It was Srila Prabhupada's compassion upon all children of God that inspired ISKCON Bangalore to serve mid-day meals to underprivileged children in various government schools. Akshaya Patra feeds 13,96,129 children studying in 10,912 Government schools in 22 locations across 10 States of India. The Foundation implements the mid-day meal programme by operating the centralised kitchen model in 20 locations and the decentralised kitchen model in 2 locations.

Fund Raising Initiatives

It is a well acknowledged fact that the tradition of giving, in India, goes back to almost the undated history of the world. The Puranic and Vedic histories talk vividly about great saintly kings who were charitably disposed towards the needy. The recent histories of great kings of the dynasties of Vijayanagara, Kakatiya, Chola, Chalukya, Marathas, etc., indicate a great giving culture in India. Indeed the temple being the center of society for cultural, charitable, educational and spiritual reasons, has received great patronage from the wealthy kings and merchants. Temples as an institution have played a key role in reducing the gap between the 'haves' and 'have-nots,' both from the perspective of hunger and knowledge.

With the changed modern times, the country has witnessed modern entrepreneurs becoming rich and the burgeoning middle class. The old traditions have come to help organizations like ours. With the benevolent support of Bangaloreans, we are able to consistently continue our activities without any major cause for worry.

In our organization we have a patron/donor base of more than 50,000. So it is a fact that the public are most interested to maintain our activities. Our Acharya His Divine Grace A.C. Bhaktivedanta Swami Prabhupada, used to say that we need to be an organization that reaches the maximum number of people for its programmes. In a letter dated 16th Sep 1971 to one of his disciples, he says:

"Our policy should be for maintenance to take from many persons. Big donations should go to the building and book funds. Our policy is "madhukari" or the profession of the bumblebee. The bumblebee does not eat all the honey in one flower. It goes from flower to flower and takes a little. The purpose is that saintly persons, Vaishnavas, if they take something from many men, everyone is benefitted. We should not follow the policy that one man gives us everything and we become idle."

So we are following this principle year on year and it is a fact that our largest contribution from a donor for the year is much less than 1% of the total donations collected during the year. However we would like to acknowledge the support of the top 20 donors of the temple whose names are given alongside.

Support from other trusts to ISKCON temple at Hare Krishna Hill

**the
Higher Taste™**

The Higher Taste promotes the sattvic lifestyle by popularising *sattvic* food in the temple premises at H.K.Hill. A sattvic meal (from *sattva*, the Sanskrit word for 'pure') is a pure, wholesome meal cooked according to certain Vedic injunctions. It is prepared without the use of ingredients such as garlic, onion, eggs, caffeine and is never over-spiced.

At the Hare Krishna temple, the Higher Taste caters to the requirements of pilgrims through two restaurants and a few food stalls. Srila Prabhupada, the founder Acharya of ISKCON had stressed that no visiting pilgrim should leave the temple without honouring *prasadam*. Hence we have *prasadam* being distributed profusely both in terms of quantity and variety.

The Higher Taste is owned by ISKCON Charities, an independent public charitable trust supporting the cause of ISKCON Bangalore. ISKCON Charities had carried out its activities of providing *sattvic* food in the temple at H.K.Hill till June 2013 and later these were outsourced to Touchstone Foundation.

A related brand, Dakshinakriti, distributes photoframes, deities & art forms made of marble, wood, brass, etc., along with divine incense and perfumes. This brand is owned by Sankirtan Seva Trust which also sells the literature of Srila Prabhupada in the form of books, CDs, etc. The activities were carried out by Sankirtan Seva Trust till August 2013 and later these were outsourced to Touchstone Foundation-Bangalore. Particulars	(Rs. In Lakhs)		
	2013-14	2012-13	(Decrease)/Increase

During the year under consideration, the Society had distributed free *Khichdi prasadam* of 40.91 lakhs leaf cups (*donnas*) as against 38.80 lakhs leaf cups of previous year. In addition to this, the Society also distributes free full meal *prasadam* to participants/*seva karthas* who participate in various programmes of the temple. There is increase in cost of distribution of food due to increase in number of *donnas* distributed and marginal increase in food prices.

As compared to the previous year, one can witness a marginal reduction in amount spent towards distribution of books. The temple distributes books for 3 specific types. We distribute books to Pushpanjali Seva and Nitya Seva *karthas*, magazines for interested well-wishers/patrons/devotees of the temple and books to those who participate in our various children and youth programmes. This year there was a reduction in number of Pushpanjali Sevas conducted from 40,617 to 29,946, hence there was less distribution of books in this segment. In the magazines category, the Society has started encouraging well-wishers/patrons/devotees to choose e-magazines, so that we can be more environment friendly, this also had evinced some interest and thereby reducing our costs.

The Society spends on children's cultural educational programmes and scholarship programmes. During the year under consideration the Society has spent Rs.18.42 lakhs as against Rs.20.23L in the previous year. However owing to change in the structure of cultural education programmes, this year we have seen less participation in a few of our programmes. For instance in Heritage Fest we have 13,749 participants as against 19,543 of last year.

The Society also further donates to programmes like Akshaya Patra which have core focus on education. During the year under consideration, the amount donated is Rs.32.43lakhs as against Rs.37.04 lakhs for the previous year.

In order to maintain the cultural complex at HK Hill and other centers of the Society and to run its various programmes the Society spends on cultural complex maintenance, staff costs, utilities, services and other programme costs. During the year under consideration the Society had spent Rs. 2,132.58 lakhs under this category. This expenditure can be further analyzed as follows:

Particulars	2013-14	2012-13	(Rs. In Lakhs)
			(Decrease)/Increase
Salaries & Wages and related contributions	741.02	714.50	26.52
Staff Welfare, Training, Medical Relief etc.	8.86	11.56	(2.70)
Contract Staff, Labour Charges, Professional Charges	254.44	164.28	90.15
Honorarium to volunteers, missionary maintenance	117.12	129.97	(12.85)
Power, Lighting, Water and other utilities	111.30	92.85	18.45
Cultural Complex, Guest House, Goshala maintenance, Security and House Keeping	372.44	332.14	40.29
Printing & Communication Expenses	93.38	89.25	4.12
Conveyance and Travel	54.77	59.51	(4.74)
Rental-buildings, equipment, vehicles etc.	78.96	56.23	22.73
Rates & Taxes, Agricultural Expenses, Finance Charges	82.86	74.29	8.57
Vehicle Fuel and Maintenance	47.46	39.38	8.08
Equipment Maintenance	23.78	19.42	4.36
Compensation Paid	61.61	--	61.61
Deity Worship Expenses	20.22	--	20.22
Other Expenses	64.36	59.86	4.51
Total	2,132.58	1,843.24	207.51

During the year the organization had restructured some of the existing contracts and consultancies. The organization has spent more on legal charges (owing to pending litigations at various courts including Supreme Court) and labour charges during the year as compared to the previous year. In the case of “Cultural Complex, Guest house, Goshala maintenance, Security and House Keeping” there is an increase in spend to the extent of Rs. 40.29 lakhs, this is largely owing to annual increment in house keeping and repairs and maintenance costs. The increase in rental - buildings, equipment, vehicles etc” is due to rent related to *grihastha* missionaries accounted separately in this year, which was included in honorarium in the previous year and a building taken on rent for Whitefield branch. The increase in “Rates & Taxes, Agricultural Expenses, Finance charges” is largely due to increase in agriculture expenses.

During the year the Society had paid compensation of Rs.61.61lakhs to residents for loss incurred on account of collapse of compound wall at Vaikuntha Hill, Vasanthapura on their residences, due to heavy rain fall.

ACTIVITYWISE EXPENSES

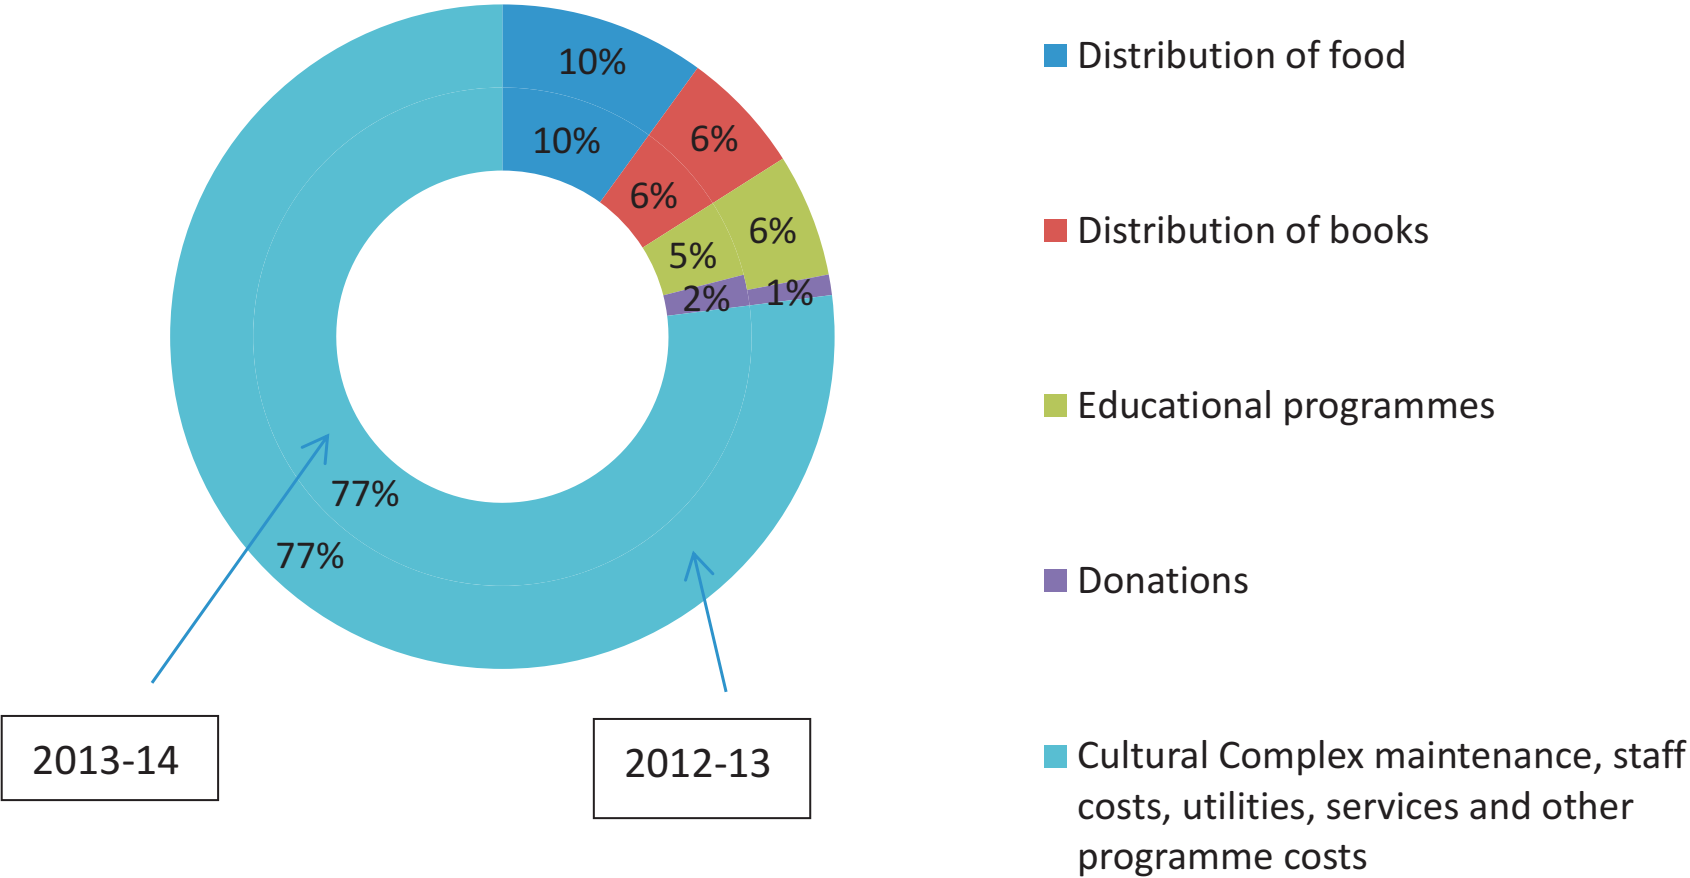

In our annual report we have extensively covered about various activities of our cultural complex at HK Hill. If we were to review major activities of this center, we can note that Rs. 140.74 lakhs was spent in youth initiatives, Rs.111.62 lakhs towards value education to children, Rs. 67.36 lakhs towards cultural education programmes, Rs. 157.60 lakhs towards distribution of *prasadam*, Rs. 459.04 lakhs towards maintenance of the cultural complex etc.

DEITY WORSHIP EXPENSES

We acknowledge the services towards the Deity *puja* expenses for Hare Krishna Hill temple at Bangalore by way of generous donations in kind like flowers, fruits, *vastras* and *abharanas* (imitation jewellery) from five independent trusts, namely, Sri Radha Gopinatha Seva Trust, Sri Krishna Balarama Seva Trust, Sri Gaura Nitai Seva Trust, Sri Srinivasa Govinda Seva Trust and Sri Narasimha Seva Trust.

The following chart further illustrates the composition of Revenue Expenditure.

Composition of Revenue Expenditure

CAPITAL EXPENDITURE

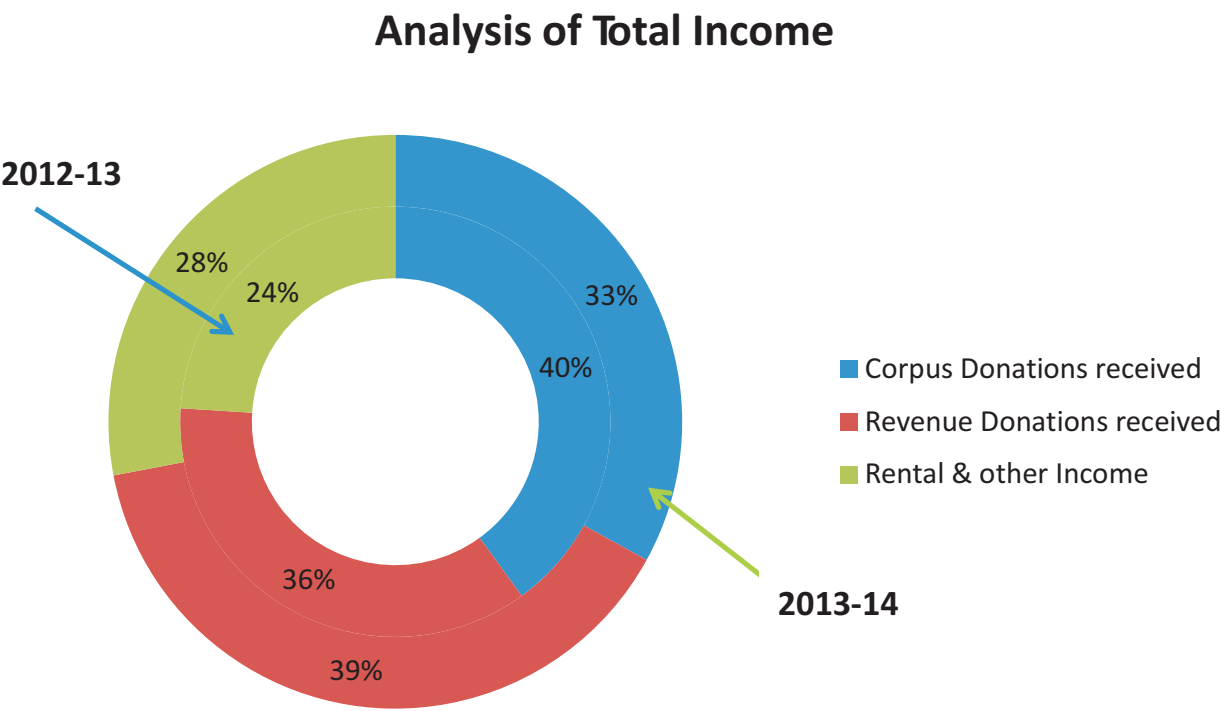

The Society has spent Rs.881.67 lakhs towards capital expenditure, of which a substantial portion i.e., Rs.470.86 lakhs is towards the building of cultural complex at Vaikuntha Hill, Rs.89.30 lakhs is towards golden altar *kavacha* at HK Hill & Rs.135.56 lakhs is towards building of cultural complex at Hubli.

RECEIPTS

To meet the above expenditures the Society raised revenues in the following manner:

Particulars	2013-14	2012-13	(Decrease)/Increase
Corpus Donations received	1,129.88	1,389.39	(259.51)
Revenue Donations received	1,358.73	1,277.32	81.41
Rental & Other Income	957.23	827.32	129.91
Total	3,445.84	3,494.03	(48.19)

In the year under comparison it can be noted that the Society was able to raise corpus donations of Rs.1,129.88 lakhs as against Rs.1,389.39 lakhs in the previous year. II. Notes to Accounts :

- a) Regrouping and segregation of income and expenditure :

The society had obtained injunction against ISKCON, Mumbai and others from interfering with its affairs, upheld by the Honourable High Court of Karnataka, in April 2002. The Honourable Supreme Court in the year 2002 while accepting the verdict of the Honourable High Court had laid restrictions on alienation or creation of third party rights on the immovable property at Hare Krishna Hill and certain movable properties listed in Schedule A & Schedule B, referred to in Honourable High Court Order. (Hereinafter called Suit Schedule Property)

Accordingly, the society's income and expenditure during the previous years also had been regrouped and segregated to clearly reflect the income and expenditure pertaining to suit schedule property and other than suit schedule property.

The suit OS 7934/01 has been decreed by the City Civil Court in favour of this Society on 17th April 2009, declaring the suit schedule property belonging to this Society. ISKCON Mumbai had appealed against this order before the High Court of Karnataka. Recently the appeal was allowed by the High Court against which the Society has appealed before the Supreme Court. In the light of appeal pending, the management has decided to continue the above bifurcation of income and expenditure as being done since the financial year 2003-2004.

The details of bifurcation is enclosed as per Annexure A.
