Please accept my humble obeisance at your lotus feet. All glories to Srila Prabhupada on this auspicious occasion of Vyasapuja offering day. As I sit down to write about how your teachings gained through your disciples have affected the inner self and helped in the self-realization of the rightful duty of a human soul, I tend to fall short of words. I got to understand most about you and your life along-with purpose of existence of human life form through dear most ISKCON society. I feel very fortunate that I have got a chance to sail through this materialistic ocean world in your ship of bhakti-yoga under your rightful guidance. As we progress in our journey towards the final destination of Lord Krishna's lotus feet, I am sure that your teachings and unconditional love will help each of us in thrashing away all the hardships that may obstruct our path to enlightenment. You have taught us how to be a sincere servant of Lord Krishna, how to feel the magnanimous nature of his glories, how to understand the deep message of Lord Krishna lying unfolded in each shlokas of Bhagwad-Gita and how to spread this message of Krishna consciousness throughout the world.

I feel enchanted to be a part of this great journey and bow down to you for your blessings.

Respected Spiritual Master, Please accept humble obesciences, With due respect I beg to say that , you are the great personality who taught us Spiritual Science . You have done a great yajna , you have sacrificed your whole life so that the whole world can accept this great and a very nice Krishna Consciousness Movement . Because of this movement I have learnt The chanting of the holy name of the lord which a very precious gift for me from your side . But I am so fallen and degraded that I have no attachment in chanting of holy name . And for that I am very sorry . I have done so many offenses in your lotus feet but then also you are so mercy full unto me . so at last I will try , I will try my best to follow your instructions and will chant 16 rounds daily.

Dear Srila Prabhupada,

Please accept my humble obeisances to your lotus feet. I don't know what is Bhakti but I try to follow four regulative principles doing Japa. I feel happy and confident after completing my schedule. Chanting, reading books eating prasadam is very necessary for Bhakti but some time i am not able to do actively. Already I wasted lots of time in my life some time I feel cheater as you used in your books. Prabhupada please give me shelter on your feet. I required your blessings and mercy to improve my Bhakti.

Dear Srila Prabhupada, Hare Krishna!

*“om ajnyaana-timira-andhasya jnyaana-jann.jana-shaalaakayaa |

Please accept my impious obeisance into the cooling dust of your lotus feet.

First of all, I don't possess any qualification to write this holy "vyas puja offering letter". I am a betrayer who, despite having all favorable means for spiritual growth, has chosen the path dominated by maya. It was almost four years back I was made to be in touch with your eminent representatives. Early days were too hard to accept the realities: continuous (absurd and futile) arguments with devotees, telling lies to refuse their invitations and many more such actions in a trial to make my ego win.

But gradually they started nurturing and fostering me like a newly born baby.

Changes have started reflecting. Even I started developing inclinations towards the new paradigm, association and celebrations. Days were passing. Slowly-slowly I started thinking myself different from others. I was quite convinced with your teachings and philosophy. Till now, I have shifted my thought process into the manner you wanted us to think. Everything was running quite good. Ups and Downs came but were pacified by sadhusanga. Something has forbidden the animal within me to not come out. Now came the time when all my spiritual credentials were to be judged. Sorry to disappoint but I failed the examination.

For now I am running on a path which leads my life more into darkness. I have lost all the schedules: no discipline or regulation in life. Spiritual activities have almost come to end. Anyhow, after struggling a lot I am maintaining my chanting to few rounds. Now the situation is I am so guilt stricken that I couldn't gather courage even to talk

pure devotee of yours. Every time I breathe I can sense a fear cultivating within, which is totally against the nature of vaishnav- "abhaya". I am badly affected by the four defects of this body. My every decision proves to be fatal for me.

Every time when I see young men and women dancing and singing, a voice comes: "how fortunate I was to dance and sing everyday in more enthusiastic and joyful way";

Every time when I see people gathered around food vendors on street, a voice comes: "They haven't yet tasted Prasadam that's why they are dying for this nonsense";

Every time when I see someone preaching his own concoction for religion and god, a voice comes "I would be also talking like him if I wouldn't have been in sadhusanga";

Every time when I see someone complaining god for the difficulties in his life, a voice comes "I would also be complaining if devotees had not revealed me the actual problem of this life";

Every time when I see myself in mirror I remember the vaishnav tilak which once used to be marked on my forehead, though seldom.

Prabhupada, I am totally confused. My every action pulls me deeper in world of anxiety and dilemma. I am compelled to do all those absurd that vaishnav etiquette never permits. Every day I am burning in pain. People are thinking I am nicely enjoying my independence but the fact is I am more and more strangled by the knots of guilt and complexes. Every time I want to come out of all these but I am going deeper into it.

Prabhupada, I have almost left reading your books. Every time when I take your book to read, a false call of mind comes saying "you are yet not stable. First make your career stable than whole life you can read". I am not even able to maintain basic cleanliness.

I have no words to describe how much I have fallen from your prescribed standards.

Prabhupada, I have left your finger but please you don't leave me. Please give me courage and desire to serve your lotus feet.

Prabhupada, please take me out of this life and provide me your shelter. Perpetually crying for your mercy:

Insignificantly yours,

Bhakta Saket

Dear Srila Prabhupada,

"I offer my respectful obeisance unto my Spiritual Master who has opened my eyes, blinded by the darkness of ignorance, with the torchlight of knowledge" You opened my eyes to the wonders of the Absolute Truth- Lord Krishna, the Supreme Personality of Godhead. You open my ears to the infinite mercy and unlimited ocean of bliss contained in the Mahamantra. You opened my mind to the transcendental knowledge of Bhagavad-Gita, Srimad-Bhagavatam and many more....and most of all you opened my heart and filled it with love, compassion and hope. Srila Prabhupada, you saved me from a life misery and ignorance. You gave me hope. By your mercy the seed of bhakti was planted in my heart and from that moment there was no turning back. I continue to stumble and succumb to the illusory energy but by your grace I have never lost faith and hope and every day of my life I am feeling so much gratitude and appreciation for being delivered by you into the light of Krishna consciousness. Please

accept my tears of loving gratitude at your lotus feet which are my only shelter. You are my eternal saviour, protector, teacher. please allow me to serve you life after life.

All Glories to Srila Prabhupada!

Dear Srila Prabhupada, Please accept my humble obeisances unto your lotus feet. I know that I am not yet qualified to call myself your disciple but I am trying from my side to follow the path which you laid down for us. I was living in this material world which is full of suffering and ignorance, I had absolutely no idea of good or bad, It was in the year of 2014 first time I came and touch with your Hare Krishna Movement, from that day onward I am continuously enjoying the spiritual life. Then I associated with activities of Temple. Biggest gift, that you have given me that, 'association of devotees'. By participating different activities of temple and celebrating festivals, that is purifying me to become your disciple.

Hare Krishna, Jai SrilaPrabhupada,

I offer my respectful obeisances unto your Lotus feet. Dear Srilaprabhupada, Please pardon me for not writing to you for few last years, I had gotten deviated from the path of devotion due to mental selfly anticipation or perhaps material contamination, yet surely the mercy of the god & devotees made me to understand the glory and importance of holy name, connection with the Lord & association of devotees. I am thankful for guidance and support received from your disciples that I came in connection again to the devotional path which is the only need to the people of this age looking for ultimate peace, satisfaction & happiness, & which make me to be always in association with it. I feel little remorse that perhaps I lost the opportunity that could provide the opportunity to get 'Krishna consciousness' to the people of my connection. Srila prabhupada I pray to your grace that everything may go well & I could be able to attain the highest goal of life.

Thank you very much for your blessings. All glories to you, your devotees, holy name & Lord Krishna. Hare Krishna, Jai SrilaPrabhupada

My dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet.

All glories to Srila Prabhupada. I feel very much grateful that you accept me as your servant. Actually I am not much qualified to become your servant as my senses are imperfect, knowledge is poor and having limited vision. In this age (kali yuga) servanthship of lord is very much difficult but you made it easily available for most fallen souls like me. Without your mercy I would be lost in the darkness of this material world. Only by receiving your mercy it is possible to develop the eligibility to engage in devotional service. Gurudev, you provide the hari nama to us and showed us how to live happily in this material world. You provide your mercy by your books, lectures and teach us the proper way of chanting and everything else. Please bless me that I will remain your servant forever.

Dear Srila Prabhupada,

please accept my humble obeisance's to your lotus feet ,all glories to your divine grace, I had the great fortune of coming in contact with the devotees, inspired by their enthusiasm and cordality. You taught me the philosophy, "we are not the body ,we are spirit soul" to lead a meaningful life. By reading through your books one can easily understand about who is god. for eg.god is seated in all our hearts. I realised the real meaning of happiness and purpose of our life,for eg.when I enjoy the kirtan and dancing with devotees,it brings peace in my mind . By your personal example you showed us how to stay out of clutches of the maya by always staying in the spiritual touch with the spiritual master. you have taught us how to establish spiritual connection with the lord krishna ,through constant meditation on chanting holy name of supreme lord.Your great teaching has inspired me in many ways, right from learning about the gloriousness of krishna to purpose of our life As always told by you,I am regularly chanting Hare krishna maha mantra from past 2 years and feel relaxed and bring concentration towards my studies. Thank you my spiritual master

Dear Prabhupada ,

I am a very affected disciple of yours. Your teaching for making us prepare to go back to Krishna has taught me a lot due to your teaching , I find my self as a devotee of Krishna and I also find myself as a detached person from this material world. The Maya of this material world always attracts me a lot to join wrong things and get entangled with this material world. I am very happy to that I got a human being 's life and I am more happy to say that I born in a family where pure devotees of Krishna are present who taught the real knowledge by bringing me to you. I never got caught of maya because your instructions and 4 principles of life always protected me by working as a shield . Prabhupada , now I am 13 and and a teenage student and due to your lectures and the way you taught us to go to Krishna , I feel that Krishna is always near me, he is eating with me , studying with me , going to school with me etc.etc . Your teachings for living life has mad me separate from other students in my school or who are not attracted to Krishna in the right way . Whenever I am free in school I try to teach students about Krishna consciousness and I invited many of them to temple and I think they are really attracted to Krishna and soon they will become good devotees of Krishna .

I went many ISCON and specially those which you have established such as in Mayapur , Vrindawan etc. I saw many evidences and things related to your life and I got inspired a lot with them and I think due to your teachings and evidences about your life I stepped ahead towards Krishna consciousness . My aim is to become an IAS officer. It is my aim because I not only wanted to civilize people but also make lots of devotees of Krishna through your words spoken by me and to help people. Who got entangled with this material world. I want to circulate Krishna consciousness as much as possible . Because this job has lot a administrative power . I will of course establish many temples and specially in those areas whose people are willing to come but cannot come because of the far distances . Anyway I want you to help me to achieve my goal with best facilities so that I can do the following things and also give me devotion so that I can go to Krishna and stay with him forever in this birth only .

Your Devotee,

Bhakta Sridhar Prasad Pandey

Dear Srila Prabhupada

Please accept my humble obeisances at your lotus feet . All glories to your Your Divine Grace. I am very much grateful to you, only because of your causeless mercy, we are getting krishna prasadam across the world so that we could lead a Krishna conscious life. You have given us abundant spiritual knowledge through your books and gave me hope and faith by associating with so many your pure disciples and devotees of Lord Krishna to elevate my life. You taught us what is the soul, what is the super soul and how to connect the soul with the super soul by doing Hare Krishna mahamantra there by how to go back to Godhead through your books. Your instructions are only guided and your glories and glories of Lord Krishna are expanded through many of your elevated disciples who have taken your instructions as their life.

On this auspicious occasion of yours vyasapuja, I offer my respectable obeisance at your lotus feet, I beg forgiveness for all my offenses and seek your blessings for my spiritual growth and I thank you so much for everything that you have given to me and rest of the world.

Dear spiritual master Srila Prabhupada,

Please accept my respectful obeisances unto your Lotus feet. Having come in contact with your disciples is certainly a divine arrangement in as much as I used to search answer to the question " who am I " in Google from the very first meeting I started getting the glimpse of who am i and what is the purpose of life .It took a while to realize that the supreme personality of godhead is Krishna and he is the God and rest are demigods . Prabhupada, you have brought out the clear distinction between The Spiritual life and the material life, distinction between the supreme soul and the fallen soul , you have ignited the strong desire desire towards attainment of Krishna and self realization I wish in times to come I will be told how to become friend of Krishna then just being his servant. You have shown the path towards Golok Vrindavan to be with Krishna himself and achieve the constitutional position . You taught me that the basic nature of soul is bliss and happiness and merely due to coming in contact of soul with the matter i.e body that the suffering begins due to the imperfect senses. I am able to keep my focus and attention in discipline quite effortlessly now as I now knows that the Parmatma lives in the inside my heart I have stopped to equate myself with Krishna anymore. I am profoundly taken aback by your achievements and un-match able contribution towards the highest cause "Krishna consciousness". I wish I had teaching available to me since my childhood nonetheless I want to make the most of whatever time I have in this material life so as to engage myself in the devotional service by chanting Hare Krishna Hare Krishna Krishna Krishna Hare Hare Hare Ram Hare Ram Ram Ram Hare Hare.

All Glories to Srila Prabhupada

Dear Prabhupada,

When I was young I was feeling that I was blessed as I was very obedient and virtuous. But when I came in contact with your organization I found that people here are much more generous, virtuous and having good fortune. Under your guidance and in your organization I have developed myself spiritually. Here I gathered much more fortune and reciprocation with the disciples. Here under your shelter I found such a lovely environment and personalities who are so much loving and caring for each others' for all the sadhana purpose which really helped me elevate spiritually. Dear Prabhupad I know that I am not surrendered unto you the extent I should be. Meanwhile the circumstances which are nothing but created by my own desire are not good. Sometimes when problems come I feel very low, sad and depressed. Dear Prabhu sometimes I feel very distant from you. As the standard set by you I sometimes not able to walk. But Prabhu I know you won't leave me. If Jagai Madhai could be delivered I can also be... Kindly give me the strength so that I could grow spiritually.

Hare Krishna,

Dear Srila Prabhupada,

August 2014 was the time when I came to know about you through your entourage. It was from this very moment that my life began to turn around. I came to know about Krishna Consciousness Movement through your books. It is because of your blessings that I am able to remember Krishna every now and then. Because of your flawless philosophy and unmatched views on material world, I am thoroughly convinced that this world is nothing but 'dukhalayam ashasvatam' (a place full of miseries) and we are all indeed suffering, even though we have not fully realised it yet. You have wonderfully explained the Science of God through your Purports on each and every sloka of renowned Vedic literatures and for this, I feel myself to be extremely lucky to be able to have read some of them in this lifetime. I hope that you allow me to go through all of your exceptional works in the coming time so that I may have somewhat rough idea of Krishna's lotus feet and thus make myself eligible to return to Godhead. I would also like to pay my humble obeisances to your confidential servants because of whom I was able to know about you in the first place.

Your books are and always will be a source of inspiration and enlightenment for coming generations.

All glories to Shri Guru and Gauranga!

Dear Srila Prabhupada,

Hare krishna!

I am really fortunate to come close to Lord Krishna and know the difference between materialistic and spiritual world, and this is all because of you. I am really grateful that I got associated with the movement started by you and came across many true souls attached with the movement. You provided me a better environment with Positive

Vibes, Positive Energy, which somehow left a great impact on me and helped me to become Krishna Conscious and Soul Conscious. I know this materialistic world tries to pull you every time towards itself, in many forms, like Intense tension, workload pressure, taste etc and etc, which makes us tongue conscious and body conscious. Still your teachings gave me strength to differentiate the right and the wrong and I know my Krishna is always with me. I really want to Thank You for creating such a peaceful environment where one can get lost in the spiritual activity and could give their services to Lord Krishna. I would like to learn more and get deeply associated with the True Services. I would also like to Apologise for certain things I did in my life which i immensely regret, I know Lord Krishna will forgive me and will guide me throughout my life and will be there by my side always. I wish to follow you and walk on the path shown by you and I know Krishna is there to help us.

Last but not the least, Your teachings, The things I learned, The time I spent and will spend in Krishna Consciousness, are the things in my life which i feel positive about and have meaning in my life. These are the things I have done positive, which made me a better person and makes me feel good about myself and provides me huge amount of Happiness & Satisfaction. Dear srila prabhupada,

Please accept my humble obeisances unto your lotus feet. Please forgive me for all the offences committed by me till now. This whole year of 2017 had brought a lot of changes in my life. It was a year of many ups and downs for me. But , because of your mercy , I was able to manage and settle my problems . This year , I had a very Divine and miraculous experience of visiting vrindavan during my winter vacations. It made me realize that krishna, may he be everywhere in the world, but his presence is most felt at vrindavan dham only . It seems that he is surrounding

us everywhere with his divinity. I never wanted to end this enchanting trip . It was you who obliged me by providing krishna bhakti so easily. Because of you, without having any previous qualification , I came to know about krishna. I came to know about his teachings. About bhagvad gita , the essence of human life and it's goal . If your mercy is there with me , I would even progress I krishna bhakti , so please prabhupad , always bestow your blessings upon me .

Dear Srila Prabhupada,

Please accept my humble obeisance...I could learn krisna bhakti through your Hare Krishna Movement... God cannot be realized without love and longing. Unless one has learnt to love God, one cannot realize Him. It is very good to look on God as the Master and oneself as His servant. People speak of the waves as belonging to the Ganges; but no one says that the Ganges belongs to the waves. The feeling, 'I am He', is not wholesome. As you repeatedly said, In kaliyuga only the chanting of krishnas names can liberate us from the cycles of life and death. Bhakti is like moving a fan to make a breeze. One needs the fan to make the breeze. Similarly, one practises japa, austerity, and fasting, in order to acquire love of God. But the fan is set aside when the southern breeze blows of itself. Such actions as japa and austerity drop away when one spontaneously feels love and attachment for God. The image that falls on a photographic plate covered with black film (Silver nitrate.) is retained. On the other hand, thousands of images may be reflected on a bare piece of glass, but not one of them is retained. As the object moves away, the glass becomes the same as it was before. One cannot assimilate spiritual instruction unless one has already developed love of God through Bonafide spiritual master...

I am fortunate enough to have the exposure to this altogether new world of krisna consciousness through your divine teachings...I know this is just a begining.....but I am happy that the journey has begun ...on the right path.....and by the grace of your divine grace and lord krishna himself..... One day It will take me to krishna.

Keep blessing me in my spiritual journey...Thank you..

Yours faithfully,

Dear Gurudev Srila Prabhupada,

Please accept my humble obeisance's at your lotus feet.

As the sri guru pranama mantra says: you are the one who opened my eyes, which were blind by the darkness of ignorance. I got the torch of knowledge of spirituality from the teachings in the books you gave to this world about the fact that we are not this body but he soul and soul is immortal. Earlier i used to worry for every small and silly matters thinking that what will happen next? But by coming under your shelter and knowing the knowledge you spread through Bhagavad-gita and Srimad Bhagavatam and other books. Though not very deeply that there is no use of unnecessary worrying for anything, its all in the hands of the supreme personality of godhead Krishna.

Thus i am very thankful to you for leading me to a spiritual and meaningful life which was leading in a unknown roads, and making me to lead life where i can give some service. and i dont think of my future and next life as i handover everything to you and Krishna.

Thanking you once again Oh! Spiritual Master.

By your divine association only I got to know who is God , who am I , and the authorized source of spiritual knowledge where all these facts are mentioned. Srila Prabhupada, I was just wondering in this material world to gratify and fulfill the demands of the body only but now by your Grace I realized that I am not this body , I do not belong to this temporary and miserable place and I belong to Spiritual world, I am part and parcel of Lord Sri Krishna. Lord Sri Krishna is my real father , my actual home is Goloka Vrindavana. Srila Prabhupada , please bless me so that I will not come back again to this miserable place. I am chanting Hare Krishna Maha Mantra everyday and by influence of this Maha Mantra I am remembering Lord Sri Krishna even while driving car and restraining myself from unethical thoughts.

Thanks Srila Prabhupada to tell me what is the actual goal of life and turn me right path from wrong path. By your Divine Grace only I got to know that our goal is to get out from the cycle of birth and death. All those things were not possible for me if I could not have met you. Dear srila prabhupada,

It's on going through the divine Bhagavad Gita translated by Swami prabhupada ji that I have been able to acquire bit of wisdom in my every day daily life. I make an effort by reading it to understand that human life is meant for subduing the modes of passion and Desires and advance towards the mode of goodness. I kneel and bow down before you to express my gratitude towards the spiritual soul of yours who has enabled me to understand that human life is bestowed upon the conditioned Soul to achieve spiritual success and the easiest way to attain this goal is to chant the holy name of Lord Krishna. By reading your books and listening to your lectures, I have got to realise that humility is a natural symptom of those who love god. Beginning of entire knowledge originates from humility. your teachings has given me an insight to understand that a devotee should always aspire to live in the association of Advanced devotees and engage in the service of almighty Krishna. My purpose of writing this few lines in your honour is to extend my heartfelt thanks to your divine advices, words and constant encouragement. Your great teaching have inspired me in varied aspects of my practical life. your teachings have given me the reason to live simple and pure life, understanding that nothing in our life is good or bad. Accept the way the things come to you in the form of Krishna blessing. As always preached by you, for the last couple of year I have been chanting hare Krishna Maha mantra. chanting energises me and comfort me.

I only wish in the years to come with your blessings to be completely absorbed in Krishna consciousness. Once again I make obeisances to you, my spiritual Guru for the guidance you have showered upon me.

आदरणीय प्रभुपाद ,

आपके चरण कमलों में मेरा कोटि-कोटि प्रणाम । आज मेरे लिए यह बहुत सौभाग्य की बात है कि आप मेरे इस जीवन में मुझे मिले और मुझे जीवन को सही दिशा दिखाए। प्रभुपाद आप इतने कृपालु हैं कि आपने मुझे जैसे साधारण मनुष्य को अपनी शिक्षा के द्वारा भगवान तक पहुँचने का सही मार्ग दिखाया। आज आपके कारण मुझे इस धरती पर जन्म लेने का सही उद्देश्य समझ में आ आया। आप की कृपा के कारण मुझे भगवान के साथ अपने संबंध को स्थापित करने का अवसर प्राप्त हुआ। अगर आप मेरे जीवन में न आते तो शायद भगवान को समझना बिल्कुल असम्भव होता। आपकी पुस्तकों की शिक्षा ने मेरे जीवन को नया रूप दिया। आप की कृपा से हमें भगवान नाम जप का महत्व न केवल समझ में आया बल्कि इसका प्रभाव भी हमने महसूस किया। अगर आप न होते तो आज हम भी समाज के दूसरे मनुष्यों की तरह दिशाहीन होते और अपना समय व्यर्थ की चीजों में बिता के आनन्द की प्राप्ति के लिए इधर-उधर भटकते रहते। भगवान के नाम एवं उनकी सेवा से आज हमारा जीवन बहुत उत्साहवर्धक हो गया है और जीवन की किसी भी परिस्थिति एवं मुश्किल में हम निराश नहीं होते। प्रभुपाद जी ,आपने हम जैसे पापी एवं तुच्छ प्राणी को अपनाकर हमें कीचड़ एवं दलदल में गिरने से बचा लिया।आप हमारे ऊपर इसी तरह हमेशा अपनी दयादृष्टि एवं कृपादृष्टि बनाए रखिएगा ताकि हम भगवान की भक्ति में निरंतर बढ़ते जाएँ और इसी जन्म में बैकुण्ठ लोक पहुँच पाएँ।

जय प्रभुपाद ।

हरे कृष्ण

आदरनीय श्री प्रभुपाद जी के चरण कमल में दण्डवत् प्रणाम!

भगवान की भक्ति भगवान के प्रति श्रद्धा भाव मुझे आपके आश्रय लेने से मिली। आपके आश्रय लेने से पहले मैं इधर उधर भटक रही थी जो कोई मतलब का नहीं थी। उससे मुझे ज्ञान और न ही भक्ति में आगे बढ़ने के लिए मार्ग दर्शन मिल रही थी। जब से मेरे जीवन में आपका आश्रय मिली है तब से मेरे जीवन जीने की शैली ,जीवन का लक्ष्य ये सब अपने आप बदल गयी है।आपके बताए मार्ग पर चल कर भगवान के नाम का प्रचार करती हूँ और अपने दिव्य अनुभव को दुसरो को बतलाती हूँ ।गुरु की महिमा कृष्ण और श्रीमति राधा रानी की कृपा के द्वारा ही संभव हो रही है बौर जो आनन्द मिल रही है ।वह भौतिक जगत की किसी वस्तु से नहीं मिलती है। आगे भी इसी प्रकार मेरी भक्ति और वैष्णव जन के प्रति श्रद्धा हमेशा बढ़ती रहें। इसी आशा के साथ श्री कृष्ण और श्रीमति राधा रानी का आशीर्वाद मिलती रहे।

पूज्य प्रभुपाद

सादर प्रणाम ,

जब मेरे जीवन में दुःख और कठिनाइयों के क्षण थे ,तब ”हरे कृष्ण मंत्र“ और ‘श्रीमद्भगवद्गीता’ के पठन ने मुझे दुःख और निराशा से उबारने की शक्ति दी , और जीवन के प्रति मेरे दृष्टिकोण में चमत्कारिक परिवर्तन हुआ ।

जहाँ मंत्र के नियमतः जप से अंतःकरण की शुद्धि प्रक्रिया शुरू हुई , श्री गीता के पठन से जीवन कैसे जीना चाहिए ये शिक्षा मिली । बहुत से ऐसे प्रश्न जो हमें भ्रमित और परेशान करते हैं ,उनके युक्ति संगत मिलते उत्तर मिलते गए इससे हमारी सोच और जीवन जीने का

” श्रीमद्भगवद्गीता “ हमें जीने की कला सिखाती है और हरे कृष्ण मंत्र हमें इस पथ पर चलने की शक्ति देता है ।

Bhakta Aman Nahar

Please accept my humble obeisance all glories to Prabhupada.

I am most fortunate to have found shelter at the lotus feet of a bonafide spiritual master. I do not even know why you love me so much. I still sometimes cannot believe that such unconditioned love is possible. However, the more I think of it, the more I want to somehow try to reciprocate with it.

My life seems to be full of the most complicated difficulties. However, you make everything so very simple. You just say that I should chant Hare Krishna and be happy, serve Krishna with love and always remember how wonderful Krishna is and be happy. The more I try to do that the more wonderful becomes my life.

I feel so very, very happy that I am your eternal property. And whenever I am able to remember and realize that, I do not want to be anything else. I know that I cannot be in any way useful to you, still I beg you to please keep me always with you.

श्रील प्रभुपाद जी

कृपा कर मेरा प्रणाम स्वीकार करे।

आज आपके जन्म दिवस के पावन अवसर पर आपके शोभा में बोहोत कुछ कहना तो चाहता हु पर मजबूर हु क्योंकि समझ नहीं आता कि मैं किन शब्दों से प्रारंभ करूँ और अपनी बात को पूरी तरह आपके चरणों में समर्पित कर सकूँ।

आज जब कभी मेरे जीवन में कोई व्यक्ति यह कहता है कि इस जीवन में ऐसा कौनसा दिन है जिसके होने से आपकी पूरी जिंदगी बदल गयी तो आज भी मैं यही कहता हूँ और हमेशा कहता रहूँगा कि वह दिन जिस दिन मुझे श्रील प्रभुपाद जी का परिचय हुआ था,

बचपन से लेकर बड़े होने तक मेरी माता श्री की हृदय से इच्छा थी कि मैं जैसा आज आपकी कृपा से हु, जो भी हु वैसा ही बनूँ तो इसके लिए मेरी माता श्री और मैं उन सारे संगठन ने गए जहाँ मैं आज जैसा बनना चाहता था और ऐसा कोई संगठन नहीं होगा जहाँ जाकर भगवान के बारे में समझने का प्रयास नहीं किया होगा लेकिन कहीं पर भी हमें संतुष्टि नहीं मिल पाती थी, क्योंकि हमें कभी हमारे प्रश्नों के सही उत्तर नहीं मिले।

लेकिन जैसे ही आपके चरणों की शरण प्राप्त हुई तो पूरा जीवन बदल गया।

आप ही के कारण आज कुछ उद्देश्य है जीवन का भगवान की सेवा में रत रहना है चाहे जैसे भी हो जिस भी परिस्थिति में हो बस आपकी और आदि भगवान श्री कृष्ण की सेवा करनी है और इसी सब में अपना जीवन समर्पित करना है।

प्रभुपाद जी आपके लिए मैं इस बार भी कुछ अच्छे से लिखना चाहता था लेकिन नहीं लिख पाया उसके लिए आपसे क्षमा चाहता हु और सही कहूँ तो

औकाद नहीं की आपके इतिहास को इबारतों में कसू

मेरी बिसात ही क्या की आपके लिए लफ्जों को चुनूँ - 2

जब आप होते महसूस हो, आपकी आवाज होती है हरतरफ;

आपकी आवाज आने भर से बाँछे खिलखिला कर कहती है मुझे की चुपचाप बैठूँ, पहले मन को चुप करु और आपको चुपचाप सुनु ॥

आप ही ने कहा है कि फकीरों का हो करम तो मुझ जैसे मूर्ख भी कुछ तो बुद्बुदिया जाते है - 2

फकीरों के करम से हम सारे जहाँ भर में सुने भी जाते है

और थोड़े बोहोत समझे भी जाते है

सिर्फ आप ही कि नजरो का करिश्मा है

या आपके पैरों की धूल का ये नगमा है

अगर एक बार छीटा भी गिर जाए किसी काफिर पर

तो हम जैसे - अरे हम जैसे भी कुछ फ़क़ीर बन जाते है

अरे हम जैसे हम जैसे भी फ़क़ीर कहलाते है,

न तो अंदाज है फकीरों सा और ना ही अदब।

फिर भी आपके करम से हम,

खुदा के साथ जिये खुदा के लिए जिये

ये ख्वाहिस लिए बस चलते जाते है - चलते जाते है

मेरे पास बोहोत कुछ है आपके लिए बोलने को

पर औकाद नहीं की एक मुकम्मल इबारत लिख सकूँ"

बस यही दुआ है की आपके करम से

आपके ही हर्फ़ में मेरी जिंदगी का मकसद हो

और जब खत्म हो ये जिंदगी तो सिर्फ़

आपके लफ्जों को पूरा करने के लिए मेरी सारी विलादत हो

श्रील प्रभुपाद जी,

मुझ जैसा व्यक्ति आपसे सिर्फ़ इतनी सी प्रार्थना कर सकता है कि आप केवल अपनी कृपा से मुझे अपनी धोती से बांध के रखो ताकि आखरी सांस तक भी आपके लिए लड़ सकूँ।

मैं बस आपसे यही विनती करूँगा की आपकी पुस्तकों में मुझे बोहोत रुचि है इस रुचि को आप इतना गाढ़ा करके बढ़ा दे कि मैं सदैव-सदैव आपका सानिध्य को और आपको प्राप्त कर सकूँ।

आपका और अपने सभी गुरु भाइयों का छोटा सा दास

Please accept my humble obeisance, Srila Prabhupada ki jay,

Your unending mercy allowed me in your Krishna Conscious society. I am very thankful for that. I do not have any abilities to stay in your Krishna Consciousness society. You are great and kind to all. If you have not given this shelter, where would this sinner would have stayed? I did not know that what I would do at this time, It is due to your mercy that I get to know who is God. Who is Chaitanya Mahaprabhu? How to love them? How to worship them? It happened just because of your causeless mercy. You are a pure devotee of lord; you came here to retrieve all creatures. You have given the embassy of the transcendental world in this material world so that every people could know that Krishna is the supreme personality of Godhead. Srila Prabhupada please has your mercy so that I could stay in your lotus feet forever.

गुरु महाराज ए.सी. भक्तिवेदान्त स्वामी श्रील प्रभुपाद को मेरा दण्डवत् प्रणाम।

तीन वर्ष पहले जब मैं पहली बार हरे कृष्ण भीलवाड़ा मन्दिर गया। तो वहाँ एक माला जप किया, तब मैंने आपके जीवन के बारे में उस समय आपके बारे में सुनकर मुझे अच्छा लगा। और मैं हर सप्ताह लैक्चर अटैण्ड करने लगा।

धीरे-धीरे मुझमें आपके बारे में जानने की जिज्ञासा बढ़ी और वहाँ प्रभु के पास बैठकर आपके बारे में जाना तब मैं हर रोज संध्या आरती को जाने लगा। नित्य माला करने लगा, धीरे-धीरे जब मैंने प्रभुपाद का भागवतम् सुना तो मेरे अन्दर भगवान् श्रीकृष्ण सुप्रीम पर्सनलिटी ऑफ गौड़हैड के प्रति भक्ति जाग्रित हुई। और मेरे मन में जो गलत धारणा थी, वह दूर हुई। फिर मैंने आत्म-साक्षात्कार का विज्ञान पुस्तक लीं और रोज पढ़ना शुरू किया। तब मुझे ज्ञात हुआ जीवन का परम् लक्ष्य गोलोक वृन्दावन हैं। प्रभुपादजी आपके मार्गदर्शन से ही मैं अपने आप को कृष्णभावनामृत से जोड़ पाया। आपकी पुस्तक पढ़ने पर समझ आया कि कृष्णभावनामृत एक विज्ञान हैं, धर्म नहीं। इसके बाद मुझमें सकारात्मक सोच का विकास हुआ, आपके द्वारा दी गई संजीवनी अर्थात् हरे कृष्ण जप मेरे लिए नया जीवन साबित हुआ। अब कभी भी मैं किसी चिन्ता या असाध में होता हूँ तो माला जपने से दूर हो जाता है। हालांकि ये बात

अलग हैं कि मैं रोजाना हरे कृष्णा माला जप नहीं करता हूँ, लेकिन जब भी मैं जप करता हूँ तब अपने आपको सुखद महसूस करता हूँ।

मेरी आपसे यही प्रार्थना है कि मुझे कृष्णभावनामृत में आगे बढ़ने के लिए आशिर्वाद प्रदान करें।

प्रभुपाद सच्चा गुरु वही होता है। जो सत्य को बतलाएँ और जीवन का परम उद्देश्य क्या है। मानव का जन्म क्यों तथा किस उद्देश्य की पूर्ति हेतु हुआ है यह बतलाने वाले सर्वश्रेष्ठ गुरु हैं। आपके लिए शब्दों की सीमा तय नहीं की जा सकती। फिर भी मुझ अकिंचन दास की विनती स्वीकार करें। मैं जितना आपको मानता हूँ तथा आप से जितना सीखा हूँ। वह जाहिर नहीं कर पाऊंगा फिर भी एक कोशिश करता हूँ। प्रभुपाद आप ही हैं। जिसने मुझे इन बातों को समझाया। वरना मैं अभाग्य

इस माया ने खूब मुझे छला है कैसे समझता मानव मस्तिष्क उलझने को भला नहीं समझता,

कि यह जन्म मृत्यु जरा व्याधि क्या बला, ना जाने किस दुनिया में पल्ला व्यक्ति विज्ञान से कैसे फिरा टला- टला भौतिकवाद की दावा अग्नि में जला-जला,

न जाने कहां और किधर मैं चला-चला

लेकिन प्रभुपाद आपने मुझे इन सभी बातों का सटिक और उदाहरण पूर्ण जिस प्रकार समझाया उस बारे में सोचता हूँ। कि कैसे अंतिम समय तक इसे अपनाता रहूँ यह विचार करता हूँ।

कैसे बंधनों के जाल से मुक्ति हो पाऊं यह विचार करता हूँ।

कैसे मिथ्या सांसारिक मोह को तोड़ पाऊं यह विचार करता हूँ।

क्या अस्तित्व रहा मेरा कौन कैसे हूँ यह विचार करता हूँ। तामसिक संसार में रह कैसे सात्विक बनू यह विचार करता हूँ।

हे श्रील प्रभुपाद

आप धन्य हो जो कली कलमक्षष नाश दिखाते हैं मुझे पति के तारणहार हैं मस्तिष्क की उलझनों के हल दिखते हैं मेरे आत्म चिंतन के जनक दिखते हैं भक्त भक्ति के सिरमौर दिखते हैं कली में भी उस गुरु सर्वश्रेष्ठ दिखते हैं इसलिए हे गुरुदेव मैं आपसे निवेदन करता हूँ कि मुझ पति दास पर अपना आशीष बनाए रखें तथा इस जन्म मृत्यु के भवसागर से मुक्ति दे भगवत धाम की ओर उन्मुख करें।

श्रील प्रभुपाद के चरणों में उनके दास का नमन

श्रील प्रभुपाद जब से मैं आपके इस आंदोलन से जुड़ा हूँ। तब से मुझे मालूम पड़ा कि असल अपना इस जीवन में क्या उद्देश्य है। अपने ही शरीर और आत्मा के भेद के बारे में बताया है। प्रभुपाद इस आंदोलन के प्रभाव में आने से पहले इस माया रूपी भौतिक संसार में एक अज्ञानी बालक की तरह घूम रहा था और इस संसार को वास्तविक मान रहा था ना ही मुझे पता था कि भगवान असली में है कौन !! इस संसार में हर व्यक्ति अपने लाभ के लिए किसी न किसी देवी देवता की पूजा करता है। पर आपने ही बताया वास्तविक भगवान कौन है। तथा हमें आध्यात्मिक लाभ के लिए भगवान की सेवा करनी चाहिए। आप ने ही मुझे जैसे अज्ञानी को भगवान की सेवा करने के लिए सही रास्ता बताया। तथा "हरे कृष्ण हरे कृष्ण कृष्ण कृष्ण हरे हरे हरे राम हरे राम राम राम हरे हरे" मंत्र दिया इस मंत्र द्वारा हम कहीं भी किसी स्थान पर मंत्र जप कर भगवान की सेवा कर सकते हैं। और श्रील ा प्रभुपाद आप की प्रसिद्धि की व्याख्या करने के लिए कागज और पैन कम है। अथार्थ आपके प्रसिद्धि की कोई सीमा नहीं है। "अथार्थ शरीर और आत्मा में भेद बतलाएं वही सच्चा गुरु कहलाए।" जय श्री प्रभुपाद

This was the inconceivable mercy of you Srila Prabhupada.

We are worshipping Sri Sri Navneet Krishna and Gaur Nitai and getting delicious prasadam by your grace, I learnt that how to communicate to devotee or non-devotees.

Dear Srila Prabhupada I want only to engage in the service of the lord always, serve the Vaishnava's and to join your divine movement. Kindly bless me.

प्रिय प्रभुपाद जी,

गुरुवर उस एक दिन जब पहली बार आपका नाम सुना उस एक दिन से मेरी सभी मान्यताएं, विश्वास, विचार सभी बदल गए हैं। या यूँ कहूँ की विचारों के द्वन्द में आप मुझे पराजित करते गए और मैं आपकी बातों को स्वीकार करता गया।

इस आंदोलन से जुड़कर मुझे बहुत कुछ सीखने, समझने को मिला। बहुत से बदलाव में स्वयं में लाया हूँ और अधिक मुझे लाने हैं।

आपके बताये राह पर चलकर मैं कई सन्यासियों, भक्तों, प्रबुद्ध जनो से मिला उनसे भक्ति में आगे बढ़नेकी प्रेरणा मिली। यह सब मेरे सामान्य तुच्छ जीवन और तुच्छ लोगो से जुडी तुच्छ संगत में संभव न था यह था तो केवल आपके बनाये संस्थान में।

किन्तु मैं अभी भी तुच्छ हूँ, तुच्छ लोगों में रहता हूँ, तुच्छ काम ही करता हूँ। आपके विचारों को जानकार भी आगे नहीं जा पाया। कृपया मेरी सहायता करे। मैं आपकी सेवा करना चाहता हूँ।

जय गुरु एवं गौरांग। जय श्रील प्रभुपाद।

Dear Srila Prabhupada,

Your grace, embracing devotion in my heart please accept the humble obeisance's from your menial servant. I am highly obliged and thankful to you for bringing such fallen conditioned souls like me in touch with Krishna Consciousness movement.

We know that even if a drop is sprinkled upon us from your ocean of mercy, then our life will be successful. Without your mercy, the fallen souls of this age would never have got any chance to come out misery of Birth and Death cycle.

Today, when I look back into my past I feel dumbstruck that how a person like me living in sewer would have got the chance even to know Krishna for real. Surely, it is due to your mercy that my life has some meaning just like a person finding an oasis in the vast desert or person finding a boat while drowning in the ocean. It is because of you that the materially affected souls could taste a little amount of nectar of devotion by worshipping Krishna.

Before coming to this movement, the persons like me were just searching for happiness here and there and working very hard to secure our future. But we were trying to secure such future that had no meaning. Coming in touch with this movement, we came to know reality that such future is dark with temporary and illusory happiness without Krishna. Thus, this movement is like a boon for us that have shown us the light by which we can come out of the darkness of ignorance and receive the eternal bliss and knowledge. This movement has made me feel 'sat-cit-

anada vigraha' too. The factor of faith, which was missing from the life of people of this age, it is due to you that it has now been revived. In this material world due to the effect of illusion, people are faithless for anything. But due to your mercy the path propelling towards Krishna has been illuminated. And by your golden formula of completing daily sadhana and devotional service, the firm faith towards Krishna has naturally been developed by the fallen conditioned souls. It is like we have been hypnotised towards Krishna.

So lastly, on this auspicious occasion, I just want to pray from you kindly keep showering your mercy upon me and other fallen souls. Even a fraction of drop is sprinkled then our life will be successful. Jai Srila Prabhupada!

Your Servant,

Dear Prabhupada,

You have given me such a nice remembrance of KRSNA while taking prasadam, I was ignorant of This Fact till today. Thank You Prabhupada for your Unlimited & Unparalleled Mercy.

Poem Dedicated to you.

O Prabhupada!

You are like an angel,

Who changed my life's Angle.

I was in deep & dark thoughts of impersonalism,

You delivered me by your magic of Personal KRSNAism.

You provided me the prasadam of KRSNA,

Jisse me kabhi keh na paunga "NAA".

O Prabhupada!

You are like a magician,

Who swiped out my all speculation.

I was wandering here & there in search of absolute truth to all those bogus person,

But You have provided me the right vision.

You told me that you are Krsna's servant,

I was unknown to that valuable fact.

We all were in the mire of illusion,

You clarified our vision.

We all were going hither & tither,

You said to us chalo Krsna ke idhar.

We were living like Animals in darkness,

You given us knowledge of god in lightness.

You have done all contribution despite much old age,

We are inspired now to break maya's mirage.

You came like a booster rocket,

Which removed all pillars of impersonalism & voidism in a short attack.

Your Books are like Krsna lila reservoir,

We were benefitted by them like a path finder.

We were all in the darkness of maya's head,

You showed us the path to go back to godhead.

You delivered us by your transcendental knowledge arrow,

Which have cut dark path of maya in form narrow.

You made us Krsna's devotee,

Which was a great attack on maya's knee.

You have never manufacture the spiritual knowledge,

But presented from authorities just like a crystal clear image.

I have no limit of words to your contribution, Because you were like such a great person.

आदरणीय परम पूज्य गुरुदेव प्रभुपाद को मेरा कोटि-कोटि प्रणाम। प्रभुपाद! मैं हरे कृष्णा मूवमेंट से जुड़कर बहुत खुश हूँ, और आपके द्वारा बताए हुए हरे कृष्ण महामंत्र का जप करके, कीर्तन करके एवं चार नियमों का पालन करके मैं बहुत खुश था। लेकिन मैं अभी इस स्थिति से गिर गया हूँ। और मेरा जप माला कीर्तन सब छूट गया हैं। आप मुझ पर कृपा करें जिससे मैं रोज भगवान् श्री कृष्ण का जप, कीर्तन कर सकूँ। और आपके द्वारा बताये गये भक्ति मार्ग पर चल सकूँ। आपका पतित सेवक,

श्रवण प्रजापत

Bhakta Sumesh

जगत गुरु श्रील प्रभु पाद के चरणों में सेवक का प्रणाम,
प्रभुपद आपने हम जैसे पतित लोगो को अपने चरणों में स्थान दिया
इसके लिए प्रभुपाद हम कितने ही जनम ले लेवे लेकिन इसका अहसान
हम नहीं चूका सकते . हम कितने ही जनम ले लेवे हमें कृष्णा भक्ति तो
शायद मिल भी जावे लेकिन हमें आप जैसा ध्यान रखने वाला वाला गुरु
हमें ढूढने पर भी नहीं मिल सकता ।

कृष्णा आज भी यदि मुझसे कुछ भी गलत हो जाता है अगले ही दिन
उसका फल मुझे किसी न किसी प्रकार से दिला कर मुझे पाप मुक्त कर
देते है वाह वाह ।

आज भी प्रभुपद जब काम से दिमाग थक जाता है और भक्ति में किसी

भी प्रकार के संसय होता है तो आपकी किताबे एक योद्धा के तलवार की तरह सारे संसय को काट देती है प्रभुपाद आपकी किताबों में एक गजब की शक्ति है जो पढ़ने और उसका अनुसरण करने वाला आसानी से जीवन की हर बाधा को काट सकता है ।

आपके द्वारा लिखी गयी भगवद गीता के तात्पर्य मात्र को पढ़ने मात्र से ऐसा प्रतीत होता है मानो सर का कोई भारी बोझ हल्का हो गया हो । वास्तव में प्रभु पाद जी केवल आप की ही कृपा से जीवन बड़ा सुखमय बित रहा है ।

बस यही आप से निवेदन है की जो भक्ति कृष्णा के लिए आज हृदय में है अंत समय तक ये वैसी ही बनी रहे मैं आपको समर्पित हु । प्रभुपाद जी मेरे साथ जो भी अच्छा या बुरा होगा मैं उसे भगवान और आपका आशीर्वाद समाज कर प्रसन्नता पूर्वक ग्रहण कर लूँगा । जय प्रभुपाद ।
आपका शिष्य,

Respected Srila Prabhupada,

Please accept my humble obeisance. All glories to Your Divine Grace.

Your pastime on the planet has been a series of divine lessons that guide us in every step of our Krishna conscious journey.

One of these glories that have touched me deeply in recent years, is your compassionate concern for all jivas who are suffering in the darkness of ignorance. I look back to what would have been the destiny of millions of jivas, including me, rotting in this world, if you had not shown your loving compassion to humanity at large.

Although you were relishing the transcendental joy of pure Krishna bhakti every moment while in the holy dhama, you did not settle down to enjoy this spiritual wealth for yourself. You saw everyone as part and parcel of Krishna, and therefore deserving of being liberated from the misery of ignorance. It is the transcendental fruit of your great spiritual sacrifice alone that has manifested this mission on earth to share Krishna consciousness with the whole world. Millions today are beneficiaries of your labor of love and self-sacrifice.

In the matter of compassion towards humanity, your character resembles the character of one of the great Mahajanas – Prahlada Maharaja

परम आदरणीय गुरु श्रील प्रभुपाद को मेरा सादर प्रणाम।

आपका सानिध्य मुझे सन् 2014 से प्राप्त हुआ, जब मेरा एक मित्र गोपाल मुझे आपके एक हरे कृष्णा हॉस्टल में लेकर आया। तथा मुझे वहाँ पर डेढ़ वर्ष तक रहने का सौभाग्य प्राप्त हुआ। इस दौरान मैंने पूरी साधना की दिनचर्या को अपनाना सीखा, तथा अनेक धार्मिक स्थलों की यात्रा की। उस समय तक मैं पूरी 16 माला करता था। परन्तु जब मेरी पढ़ाई उदयपुर से पूरी हो गई और मैं घर आ गया। इसके बाद मेरी साधना धीरे-धीरे कमी आती गई।

आज मैं बहुत कम मालाएँ कर रहा हूँ, मुझे आपके आशिर्वाद की बहुत आवश्यकता है मैं इस भौतिक जगत में बहुत अन्दर चला गया हूँ। आपका सानिध्य मुझ पर बना रहे इस हेतु मैं कंठी माला हमेशा धारण करता हूँ। जिससे आपसे मेरा संपर्क कभी टूटे नहीं।

मैं सुबह आपका नाम लेकर दिन की शुरूआत करता हूँ और माला करता हूँ। उसके बाद संध्या को भी माला करता हूँ। इस प्रकार साधना मेरे जीवन में जुड़ी हुई परन्तु महाप्रसाद एवं मंगला आरती का लाभ नहीं मिल पा रहा है जिस हेतु मैं प्रयासरत हूँ।

श्रील प्रभुपाद जी आपके चरण कमलों में मेरा कोटि-कोटि प्रणाम। जय हो आपकी जो मुझे आप एक सच्चे गुरु के रूप में मिले। और आपके द्वारा दी गई भक्ति मिली। एक सच्चा आध्यात्मिक गुरु द्वारा छेड़ा गया यह हरे कृष्णा आन्दोलन जिसमें इस मूर्ख को सम्मिलित होना का मौका मिला, साथ ही आपका शिष्य बनने का सौभाग्य प्राप्त हुआ। न जाने मैं क्यों इन षणिक सुख की पीछे इस वासनाओं के चक्कर में आकर स्वयं का ही पतन कर रहा हूँ। आपका शिष्य होने के बावजूद भी न जाने मैं क्यों भटक रहा हूँ। हे प्रभुपाद! यह अनावश्यक मजबूरियाँ मेरे ऊपर हावी होकर मुझे भक्ति मार्ग के रास्ते से दिशाहीन कर रही हैं। मैं कैसा इंसान हूँ अपने ही गुरु और भगवान् से दूर होता जा रहा हूँ। क्या मेरे पास कुछ नहीं है, लौटाने के लिए, हे प्रभुपाद! मुझ जैसे अधम प्राणी पर दया करना, तांकि मैं आपके निर्देशों का पालन करता रहूँ। और भगवान् नाम का प्रचार करता रहूँ। न जाने इस संसार में कितने लोग झूठे गुरुओं (मायावादी) द्वारा पथ भ्रष्ट अर्थात् गुमराह किये जा रहे हैं। अतः मैं निवेदन करता हूँ हे प्रभुपाद! हम सबको बचा लीजिए पथ भ्रष्ट होने से हम पर दया करो गुरुदेव। दया करो। अटूट है आपका प्रेम। आपके निर्देश ही भगवान् का दर्शन है। हे प्रभुपाद! मैं आपको भूल नहीं। आपका शिष्य, विनोद कुमार सैनी

आदरणीय परम पूज्य गुरुदेव प्रभुपाद को मेरा कोटि-कोटि प्रणाम।

मैं कृष्ण का भक्त हूँ और भीलवाड़ा स्थित हरे कृष्ण मूवमेंट में आता हूँ। यहाँ आने पर मैंने अपनी बुरी आदतों को छोड़ दिया है। यहाँ माला करके मुझे आनन्द मिलता है और मैं आपकी सेवा के लिए तैयार हूँ। और मैं प्रभुपाद के द्वारा बताए गये निर्देशों का पालन करने के लिए भी तैयार हूँ। मैं माला करना कभी नहीं छोड़ूँगा।

आपका दास,

आदरणीय परम पूज्य गुरुदेव प्रभुपाद को मेरा कोटि-कोटि प्रणाम।

हे प्रभुपाद! मैं इस लायक तो नहीं आपका शिष्य बन सकूँ तथा मुझे कृष्ण भक्ति मिले, लेकिन आपकी कृपा से मुझे आप जैसे सद्गुरु मिलें। तथा साथ मैं भगवान् श्री कृष्ण की भक्ति मिली।

हे गुरुदेव! आपके आशिर्वाद से मुझे भगवान् श्री कृष्ण की सेवा करने का मौका मिला। लेकिन अब मुझे ऐसा लग रहा है कि मैं उसे खोता जा रहा हूँ। क्योंकि इस समय मैं भगवान् के भक्तों का साथ नहीं हूँ और मैं बाहर की दुनिया में निवास कर रहा हूँ। जिसके कारण मेरे ऊपर माया का प्रभाव बढ़ता जा रहा है। और इसी कारण मैं आपके बताए नियमों का पालन नहीं कर पा रहा हूँ।

हरे प्रभुपाद! मेरे दिल से ही यही इच्छा है कि मैं जब तक इस भौतिक संसार में रहूँ तब तक मुझे आप जैसे गुरु मिले। तथा भगवान् श्री कृष्ण की भक्ति मिलती रही। जिसके कारण मेरा मनुष्य जीवन सफल हो जाए।

हे गुरुदेव! इस समय मुझे बहुत सारी सांसारिक समस्याओं का सामना करना पड़ रहा है। जिस कारण मैं आपके द्वारा नियमों का पालन नहीं कर पा रहा हूँ। इसलिए मेरी विनती है कि आप मेरे लिए भगवान् श्री कृष्ण से प्रार्थना करें, कि मेरी परेशानियाँ दूर हो जाएँ। जिससे कि मेरा मन विचलित ना होकर भगवान् कृष्ण की सेवा में लग जाँएँ।

चाहती हु। आपने हमे जीवन को समझने की समझ प्रदान कि है। आज

आपके प्रयासो से अर्त्तर्णीय कृष्ण भावनामृत आंदोलन सम्पूर्ण संसार

उपयोग करना है । भक्ति योग किसी भौतिक लोक प्राप्त करने लिए नहीं

होता है अपितु कृष्णा का प्रेम प्राप्त करने के लिए होता है ।

हे प्रभु पाद मुझ पर आपकी बहुत कृपा है परन्तु कभी-कभी संसार कृष्णा से दूर खींचने का प्रयास करता है अतः आपसे निवेदन है की आप मुझे कृष्णा से जोड़े रखना।

हमेशा आपके ज्ञान और भक्ति की जीत हुवी है मेरे भी इस विसवास की जीत करवा देना। गुरु देव आपका हृदय से धन्यवाद ।

Dear Srila Prabhupada,

Kindly accept my humble obeisance unto your lotus feet. In this world of duplicity & cheating, having surrendered to many ideas of living and then baffled, still I have not come out of the tendency of hit & trial and set aside your soothing shelter not understanding the importance of these lotus feet. A Vaishnava Acharya is incomparable in his compassion towards suffering living entities.

I personally feel that I was not so good at convincing & relating with others. But then how now within 3 or 4 months a person becomes interested in KC Philosophy & starts even rendering menial services for this movement. This is certainly your divine grace is acting through books and this movement. Your Divine grace has given me full armor to fight with nonsensical ideas of living. Only thing I have to do is carry out your instructions with purity and free from sense gratification. Again this same conviction becomes still stronger when I see people becoming serious in KC just by reading your books.

Srila Prabhupada, your boldness in presenting KC to people is incomparable. This firm conviction is the property of pure devotees because they are the one who actually know the realities of Spiritual World. Whereas a conditioned soul like me cannot go thinking beyond satisfying the senses, name, fame & chalking out plans to secure body. This is your merciful revelation to conditioned souls about the real world first time in the whole world. So many living entities are now becoming interested to go Back to Godhead.

By your mercy at least we have got the idea that this material world is horrible but this wrongly habituated body still demands third class enjoyments. Prabhupada, kindly help me to develop love to your divine grace and Lord Krishna so I need not to struggle to avoid these temptations.

Srila Prabhupada, many times I became slackened in my faith due to lack of devotee association & irregularities in practicing KC process and then preaching becomes actually difficult until I do practice nicely. Kindly help me to always seek ways & means to strengthen my practice of KC.

Begging for your kind & purifying glance and caring shelter.

Yours aspiring to become a servant,

Dear Srila Prabhupada,

Hare Krishna.

Please accept my humble, respectful obeisance.

I thank you for your divine blessings on me, which has given me the strength and a clarity to Start my journey closely with you as such being in asram.

Throughout my life, I was touching some sense of spirituality. but Krishna was bringing me to differently and slowly . That I realized when I decided to join but not yet practically. so my deep request to you his divine grace bless me to be realize or act it practically . and bless me to make my chanting strong.

No problem to take more baby steps but as always support of your divine grace is required without your blessings and under your Peerless guidance it can't possible for me.

Prabhupada please ask for a bit mercy of everyone's loving transcendental brothers Krishna-Balaram. so my attraction remain constant for their service only. Becoz Attraction to asat makes me away to you. As my spiritual father, no doubt you only drags me to back to Krishna. But this attraction is biggest drawback which makes me stuck in spiritual path.

So please bless growing intelligence to your ignorant son to make me in satsanga (association of eternal things) like your holy name which is only eternal thing on this earth .

Aspiring to remain always in the association and service of your sincere servants.

Trying to be your servant, Vamshimohan dasa

Dear Prabhupada,

Please accept my humble obeisances unto your lotus feet. I am thankful to you because previously I used to think that we live our life simply to enjoy it and the enjoyment was considered to drinking wines, eating non veg food etc.

The best thing is that after joining Krishna consciousness my thinking has been fully changed. I am very thankful of you for this.

आपके पावन चरणों में मेरा सादर प्रणाम स्वीकार करें वैसे तो मैं बचपन से ही आध्यात्मिक प्रवृत्ति का रहा हूँ मैं रोज मंदिर जाया करता था आरती आदि में भाग लिया करता था किंतु पिछले कुछ समय से मैं प्रभु भक्ति में समय नहीं दे पा रहा था किंतु जब मैं आपके किए गए कार्यों से अवगत हुआ हूँ तो मैं भी चाहता हूँ कि अपना कुछ समय इन कार्यों और भक्ति आदि में योगदान स्वरूप दे सकूँ ऐसा करके मैं बहुत ही अच्छा महसूस करूँगा और यह मेरे लिए सम्मान की बात होगी साथ ही मैं यह भी वर्णित करना चाहूँगा कि आपके द्वारा किए गए कार्य अतुलनीय हैं और आप सत्य और पूर्ण रूप से एक महापुरुष आपने जो हम सबके मलिन और दूषित विचारों को शुद्ध करने हेतु जो भी योगदान किया है उसकी प्रशंसा और सराहना करने हेतु मेरे पास शब्द नहीं हैं मैं चाहूँगा कि एक बार पुनः ईश्वर मुझे ऐसा अवसर देने की कृपा करें कि मैं फिर से वही सब आरंभ कर सकूँ और आत्मा शांति को प्राप्त करके अपने जीवन को सुगम बना सकूँ

प्रिय प्रभुपाद जी,

मैं आपकी कृपा से हमारी कॉलेज में आर्ट ऑफ माइंड कंट्रोल सेशन के तहत कुछ आध्यात्मिक जगत के बारे में समझा। इसके बाद नरहरि प्रभु जी के संपर्क में रहकर मैंने जप करना सीखा। तथा मैं प्रत्येक दिन में आरती में प्रभु जी के पास आता था तथा राधा कृष्ण प्राण मोरा जुगलकिशोर...इस आरती को प्रत्येक दिन करता था मेरे को इस बात की खुशी है कि मैं भगवान की आरती के माध्यम से हरे कृष्णा मूवमेंट से जुड़ा।

इसके बाद मैं 4 महीने तक हॉस्टल में रहा। इन 4 महीनों में मैंने जयपुर वृंदावन मथुरा आदि पवित्र स्थानों में जाकर भगवान के दर्शन किए तथा करौली मदन मोहन जी जयपुर गोविंद देव जी आदि पवित्र स्थानों के दर्शन करने का सौभाग्य प्राप्त हुआ। वृंदावन

में राधा रमण मंदिर में दर्शन किए तथा जहां प्रभुपाद जी का निवास स्थान था वहां पर भी गया तथा शाम को वहां पर प्रभुपाद की शिष्य ने माला दी।

मैं प्रभुपाद जी की कृपा से प्रत्येक दिन जप करता हूं। एकादशी के उपवास को समझा। प्रकृति के तीन गुण सतो गुण रजोगुण तमोगुण के बारे में समझा। प्रभुपाद जी की कृपा से मैं अपने आप को जानने लगा इन 4 महीनों में मैं जहां तक मैंने समझा है कि वह यह है कि प्रभुपाद जी के सिद्धांतों के अनुसार चलने पर भगवान को प्राप्त कर सकते हैं और भगवत गीता में जो लिखा है कि गुण और कर्म के अनुसार मनुष्य को विभक्त किया गया है जो कि ब्राह्मण वैश्य क्षत्रिय और शूद्र आदि तथा प्रभुपाद जी के सिद्धांतों का पालन करते हुए हम भी एक वैष्णव बन सकते हैं तथा भगवान की भक्ति कर सकते हैं।

मैं हरे कृष्ण मूवमेंट के FOLK हॉस्टल में रहकर इस मनुष्य जीवन को समझा जो कि 8400000 योनियों में एक बार मिलता है तथा भगवान के धाम गोलोक वृंदावन धाम जाने के लिए केवल और केवल मनुष्य योनि में ही जा सकते हैं जिसके लिए माध्यम है प्रभुपाद जी के द्वारा बताए गए सिद्धांतों के अनुसार भगवान की भक्ति करना।

प्रभु जी के सानिध्य में रहकर मैंने प्रभुपाद जी को समझा और भगवान कृष्ण को समझने का प्रयास किया। मैं इसका बहुत-बहुत आभारी हूं।

प्रिय प्रभुपाद,

जो हमारी प्राचीन संस्कृति रही वह बहुत संस्कारी और आध्यात्मिक ज्ञान से परिपूर्ण थी परंतु आज वर्तमान समय में यह स्थिति बिगड़ रही है और सब लोग अपने जीवन के लक्ष्य को भूलकर पाश्चात्य सभ्यता को अपना रहे हैं। जो आगे चलकर और भी भयानक होने वाला है। इस के चलते एक दिव्य ज्योति ने भारत भूमि पर जन्म लिया और आज उन्हें हम श्रील प्रभुपाद के नाम से जानते हैं। इन्होंने अपने जीवन के अंतिम समय में जो उग्र विश्राम की होती है उस उग्र में कृष्ण अमृत रूपी प्रसाद का पूरे जगत में प्रचार किया। पहले आपने भारत में ही लोगों को समझाने की कोशिश की परंतु वे लोग समझे नहीं तो आपने इसका प्रचार विदेशों में किया और और आप अपने उग्र के अंतिम पड़ाव में बहुत ही संघर्षशील रहे और मानव कल्याण हेतु बहुत कार्य किया।

यदि मैं अपने जीवन में इन के प्रभाव का वर्णन करूं यह मेरे जीवन में भगवान के द्वारा दिया गया सबसे कीमती उपहार है। और जब से मैं आपकी संस्था से जुड़ा हूं मैं अनुशासन में रहने लगा हूं अपने जीवन के महत्वपूर्ण लक्ष्य को समझ पाया हूं और मेरा दुनिया को देखने का दृष्टिकोण बदल गया है।

आपका दास, लक्ष्मण राम

ऐसे है प्रभुपाद जिन्होंने बदल दिया दुनिया का चेहरा ।
मुक्त किया उस आत्मा को जो बनी थी माया का मोहरा ॥

फिर हुई निशा
और आया फिर सवेरा ॥

ऐसे है प्रभुपाद जिन्होंने बदल दिया दुनिया का चेहरा ।

इस घोर कलयुग में
रोज बढ़ता अंधेरा ।
अब ना जाने किस और होगा
माया का सुलभ पहरा ॥

ऐसे है प्रभुपाद जिन्होंने बदल दिया दुनिया का चेहरा ।

काले बादल की तरह
छाए रहते पाप ।
अब और कैसा होगा
अपराध का नया चेहरा ॥

ऐसे है प्रभुपाद जिन्होंने बदल दिया दुनिया का चेहरा ।

निज घटते जानवर
और बढ़ता मांसाहारियों का डेरा ।
किसी को किसी से कोई ना मतलब
सबको प्यारी अपनी पगड़ी और अपना सेहरा ॥

ऐसे है प्रभुपाद जिन्होंने बदल दिया दुनिया का चेहरा ।

ऐसे नाजुक जगत में हुआ

श्रील प्रभुपाद का बसेरा ।

जिस जगह पर मंडरा रहा था

दीर्घ अज्ञानता का घेरा ॥

ऐसे है प्रभुपाद जिन्होंने बदल दिया दुनिया का चेहरा ।

फिर कुछ सोए लोग जागे

और उनका हुआ नया सवेरा ।

जिसमें अज्ञान से जुड़े थे सब

अतः कोई था गूंगा तो कोई था बहरा ॥

ऐसे है प्रभुपाद जिन्होंने बदल दिया दुनिया का चेहरा ।

जब भगवत प्रेम को फैलाया उन्होंने

और वह भक्ति का असर गहरा ।

तो सबके चित में हुई रोशनी

और अंधकार भी कहीं नहीं ठहरा ॥

ऐसे है प्रभुपाद जिन्होंने बदल दिया दुनिया का चेहरा ।

अब यही कोशिश करूं गुरुदेव

आपका एक अच्छा शिष्य बनने की

और अधिक से अधिक भगवत्प्रेम

फैलाने का ही लक्ष्य हो मेरा ॥

ऐसे है प्रभुपाद जिन्होंने बदल दिया दुनिया का चेहरा ।

ऐसे है प्रभुपाद जिन्होंने बदल दिया दुनिया का चेहरा ।

Dear prabhupada

First I pay very **humble obeisance** unto your lotus feet which is got by great fortune.

I am nitesh kumar, your foolish servant. I feel very same to say that I am now **not following any promise** which I did to you in 2015. It is because I am preparing for the govt job for that not getting time, it is not the main reason. **Main reason is poor willingness and devotee association.**

When I left the FOLK I thought that I would do what I promise. But when time goes and I leave the devotee association and left all. Now I am doing only **Ekadashi fasting and sometimes book reading.**

But I **promise I will resume** all when I get any Govt job.

Please prabhupada give me your humble shade of your lotus feet and be my savior.

Your useless servant,

Dear Srila prabhupad.

Please accept my humble offerings.

I m not deeper in the field of spirtual science because came in touch with this just 1 year ago.

But i have gone through some books , and session which is conducted by your disciples regularly, that has mad me to see something new in me.

Your teachings explains real meaning of life. Spirtual science act as a glasses through which we can see world from different perspectives.I got to know ,that success is not all about accumulating money but all about mutual sharing.

It has made us realize how much it is important to be a reason of happiness in the life of others.

Spiritual education + human being = peace

Dear Srila Prabhupada,

Please accept my humble obeisance unto your Lotus feet.

Oh my spiritual master I am very thankful for your mercy unto me. I am very happy that you give me an opportunity for practicing Krishna consciousness although I was very sinful person. O master only you know that 6 months before what was my consciousness and now how it has changed. You gave me the right direction. You gave me the permanent happiness. You gave me the knowledge about Param Purushottam Bhagwan Shri Krishna.

O pure devotee of Krishna, no one can do whatever you have done, it is actually divine. You went to so many countries for preaching at the age of 70 with only 40 rupees in hand. In 12 years you encircled the whole globe 14 times. You translated all the scriptures in English. You gave the right understanding about God and the way to devote to him. You built 108 temples in the world. You established ISKCON society.

Thanks for your causeless mercy even though I don't deserve it. I request you to give me a benediction that I can chant 16 rounds lifetime and can read your books, can do preaching and have only prasadam and be in association of devotees and be blessed always by Lord Krishna.

Your servant,

My Dear Srila Prabhupada,

Please accept my humble obeisances to your feet.

First of all I would like to thank you for starting the Krishna consciousness Movement.

Please give me strength to be devoted for Krishna Prema. when I first met Prabhu then I was not able to wake up early and couldn't chant regularly but now I can get up early and chant also. I find that now I am free from stress and laziness. I am very happy to associate with Prabhu now.

Dear Srila Prabhupada,

My spiritual master please accept my humble obeisance unto your lotus feet.

Master thank you for your causeless mercy, in-spite of no qualification I have your love is no less with us. I was lost in the world of misers and ignorance and you are the 'light' who have shown the true path in dark misty forest. You made me more close to Krishna, became the helping hand in this age of Kaliyuga where everyone wants to enjoy ignorantly while doing so many sins.

We are lost in the dark forest and you are emanating light and showing correct path of true knowledge, love and made us to set right goals.

Prabhupada I am so sorry. I have disrespected and disobeyed you in-spite of this your love and mercy is no less on me. O master my mind keeps on flickering, keep on agitating and full of lust. Please help me to come out of this and always keep at your shelter so that I can advance in Krishna consciousness.

Prabhupada please keep me away from every situation where I can avoid Vaishnava aparadha.

Trying to be your servant,

Vishwajeet Kumar Singh

Respected Prabhupada,

With your blessings I came in contact with the devotees of ISKCON Temple in Bikaner. I would like to appreciate your work for Lord Krishna in spreading his teaching Shrimad Bhagavad Gita. It is not an easy task to make the people understand and motivate towards spiritual activities.

People living in folk are having a well maintained and regular routine which help them in better life. I am in contact with devotees since last 6 months. I have learnt how to chant the holy names of Lord Krishna, his holy works and his teachings. I am thankful of the Spiritual master Prabhupada for his good work for mankind.

Dear Srila Prabhupada

Please accept my humble obeisances at your lotus feet.

vāṣchā-kalpatarubhyas' ca kripā-sindhubhya eva ca patitānām pāvanebhyo vaiśnavebhyo namo namah

“Vaisnava is the ocean of mercy. There is no end. As you cannot, I mean to say, draw all the waters from the ocean, it is not possible. Similarly, a Vaisnava, a devotee... ocean of mercy. You can draw from it as much mercy as you like, still, it is full.” (Srila Prabhupada Lecture, Boston, May 1, 1969)

You are so merciful that you have you given up the most coveted position of residence in Vrindavan during advanced age, and travelled all over the world just to deliver the fallen and conditioned souls.

As you toured around the world, delivering the people you met at that time, you also painstakingly ensured that your mercy was made available to future generations through your books. While this is glorious, what makes it of direct impact to me is the extent to which most advanced philosophical concepts have been distilled into easy to understand language, this making then accessible to spiritually dull persons like me. Your transcendental Bhaktivedanta purports are at once simultaneously simplest and most advanced while remaining most relevant to the questions I have in my mind while reading them.

“...It emanated from the lips of Śrī Śukadeva Gosvāmī. Therefore this fruit has become even more tasteful, although its nectarean juice was already relishable for all, including liberated souls.” — Srimad Bhagavatam 1.1.3 Translation: The verses of Srimad Bhagavatam may be relishable to those who have developed the necessary qualifications. But your transcendental purports to the verses of Srimad Bhagavatam and Bhagavad Gita are relishable even to those who have no qualifications.

Dear Srila Prabhupada, the glories of your transcendental purports are such that they appear in various places, always answering to the perplexities that I am facing at the time. Sometimes as calendar quotes, sometimes as Whatsapp forwards, sometimes as purports to the verses that are referenced in other verses, sometimes even as situations.

Dear Srila Prabhupada, you have given us instructions that will last generations. To those who may consider that some of your instructions cannot be taken at face value because of your advanced age and fragile health condition, you have provided the following clarification:

“...but Lord Śrī Kṛṣṇa wanted to prove that His pure devotees are always sound in body and mind by dint of spiritual enlightenment, and thus in any circumstances, a devotee of the Lord is in perfect order to speak of the right way of life.” — SB 1.9.25 purport.

Thus there is no doubt that your every instruction that you have provided is perfect and leads us to the desired success, which is Krishna Prema. All glories to your transcendental Bhaktivedanta purports!

Your humble servant

On the auspicious occasion of Vyasa Puja the appearance day of Your divine grace, please accept my prostrated obeisance at the dust of my Your lotus feet.

*tvaṁ naḥ sandarśito dhātrā
dustaraṁ nistitīṣatām
kalimṁ sattva-haraṁ puṁsām*

We think that we have met Your Goodness by the will of providence, just so that we may accept you as captain of the ship for those who desire to cross the difficult ocean of Kali, which deteriorates all the good qualities of a human being. (SB 1.1.22)

It is said that this mercy of the spiritual master is given to only those who have a background of pious life. When I look at my life neither was I pious nor was I very inclined to devotional service but somehow or other I have been blessed with the greatest fortune of bhakti-lata-bija. It is just my good fortune that I have received it without any pre-qualification or being deserving of this special mercy. It is just out of the causeless mercy of Srila Prabhupada and Sri Krishna that I have this received this greatest benediction which is not available in the entire universe.

Prabhupada please bless me by always keeping me under the shade of my lotus feet so that I can be protected from the strong waves of Maya & easily cross over this ocean of nescience and material miseries and finally attain Love of Godhead. O Guru dev! Please give me enough intelligence, strength, knowledge, and faith so that I can pass this stringent test of Maya, get myself firmly fixed in bhakti and be able to render loving devotional service. Please help me Prabhupada because it is impossible for me by my insincere feeble endeavor to come out of this cloudy consciousness.

I am eternally indebted to Your Divine Grace Srila Prabhupada for having blessed me with the greatest thing in the three worlds, not seeing my disqualifications and undeserving nature.

Seeking Your Blessings and causeless Mercy forever.

Your Unqualified Fallen Servant,

Dear Srila Prabhupada

Please accept my humble obeisances at your lotus feet.

“So, take care of these children. If you can make one child Krishna conscious, it is a great service. Krishna will be very pleased. So, so many children will come.”

(Srila Prabhupada Lecture, New Vrindaban, June 22, 1969)

“Gurukula is our most important project. If the children are given a Krishna Conscious education from early childhood then there is a great hope for the future of the world.” (Srila Prabhupada Letter, January 27, 1973)

In all the schools, colleges and universities, and at home, all children and youths should be taught to hear about the Supreme Personality of Godhead. In other words, they should be taught to hear the instructions of Bhagavad-gītā, to put them into practice in their lives, and thus to become strong in devotional service, free from fear of being degraded to animal life. SB 7.6.1 purport

With your blessings, today, July 22, 2018, we started Gopal Kids school in the Boston area. I hope I am able to serve you in this opportunity well. I want to be able to train other budding Mataji's and be able to spread Gopal Kids to various other areas. It was such an amazing feeling to teach children the Hare Krishna Mahamantra. I am so amazed that you have so mercifully given opportunities to fallen souls to spread the holy name and touch lives of so many human beings

Time and again you have helped and guided me through your devotees in everyday matters throughout the year. I feel and see your helping hand and guidance every day. I feel the protection of a loving and affectionate father.

I pray at your lotus feet that I can continue to serve in your mission with sincerity and dedication. I pray that I may become more patient and humbled to serve you well. I pray that I don't lose faith and confidence in executing in your mission, Srila Prabhupada when I am shaken for any material reasons.

Sincerely Your servant, Palini Devi Dasi

Dear Srila Prabhupada,

Please accept my humble obeisances,

All glories to Your Divine Grace.

pr̥thivīte āche yata nagarādi grāma

sarvatra pracāra haibe mora nāma

[Chaitanya Bhagavata Antya Khanda 4.126]

Lord Chaitanya predicted as many as towns and villages are on the surface of the globe, everywhere people will know My name. Lord Chaitanya predicted that an empowered devotee would take sankirtana process everywhere and later Srila Bhaktivinoda Thakura prophesied for the day when the fortunate American, English, French, Russian and German people will come together taking Kartals, mrdanga and doing kirtans through their streets and towns.

Krsna sakti vina nahe krsna name pracara:

‘Without Krsna’s special power of attorney, nobody can preach His name’

His Divine A.C.Bhaktivedanta Swami Srila Prabhupada was that specially empowered sena-pati (commander-in-chief) who fulfilled these two predictions by establishing various temples and spreading the process of congregational chanting of Krishna’s names throughout the world. All glories unto you Srila Prabhupada.

As I travel the streets of New York, I remember the following lines from your poem marking bhagavata dharma: **rajas tamogupe erā sabāi ācchanna bāsudeb-kathā ruci nahe se prasanna** and the great humility that you demonstrated by saying that it is only by the mercy of Supreme Lord that the transcendental message of Vasudeva can be known to the population covered with the modes of passion and ignorance. But as mentioned in Bhagavad Gita 3.29 purport, a devotee of the Lord is more merciful than the Lord, and you personally demonstrated this by staying in Bowery, in a small storefront and taking all risks to engage the ignorant and passionate men of the world in the activities of Krishna Consciousness. All glories unto you Srila Prabhupada.

As stated in Srimad Bhagavatam 1.13.10 - My lord, devotees like your good self are verily holy places personified. Because you carry the Personality of Godhead within your heart, **you turn all places into places of pilgrimage.**

Your divine presence and talks at the prestigious universities of Boston have definitely purified these places of materialistic education. It is by your divine mercy that today a small group of students at these universities are taking up to the philosophy of Lord Chaitanya and engaging in Sankirtana. At prestigious Massachusetts Institute

of Technology (MIT), we are organizing weekly discussions on Krishna consciousness philosophy and celebrated the festivals like Sri Narasimha Chaturdashi and Panihati Chidadahi Mahotsav.. In this regard, we hope to further expand the activities to all the universities across the world and we pray for your blessings and guidance to glorify you and the holy name.

All glories unto you Srila Prabhupada for traveling extensively and turning dark places into places of pilgrimage.

You emphasized that cooperation is the essence of the movement and explained that even Lord Chaitanya wanted our cooperation and only by that we can do very big thing. I humbly pray at your lotus feet so that I may always cooperate in your mission to spread the names of Lord Gauranga. "As stated by Bhaktivinoda Thakura **“He reasons ill who tells that Vaisnavas die When thou art living still in sound! The Vaisnavas die to live, and living try To spread the holy name around!”**. There is no difference between the spiritual master's instructions and the spiritual master himself.” (Chaitanya-charitamrta (Adi 1.35, Purport). Although you live in your instructions, I repeatedly fail to understand the gravity of your instructions and repeatedly fail in executing them. I see I have no qualification or strength to be a good servant, however, I hope by your mercy may I get an opportunity to serve the servants of the servant and aspire to render some service unto you one day. I pray to remain humble, tolerant, respectful and always seek shelter at your divine lotus feet.

Your aspiring servant, Panduranga Gopala Dasa

Sadananda Dasa

Dear Śrīla Prabhupāda,

Please accept our most humbles obeisances. All glories to Your Divine Grace!

On this most glorious occasion of your Vyāsa-pūjā celebration, we contemplate the numerous blessings you have bestowed upon us. First of all, let me express my deepest gratitude at your lotus feet for admitting me in your transcendental movement and allowing me to serve you even though I'm the most inept at it. Throughout the years we have always felt your presence and guidance. We have not always been successful in accomplishing what you require from us, but we are making an earnest attempt.

We are facing so many obstacles, headed by lack of money and manpower, but we aren't complaining. We accept this challenge because we know you will be pleased. This is enough for us. Moreover, if we don't accept such spiritual challenges, we will fall prey to the allurements of the external energy. This challenge is actually our protection and your mercy upon us.

As it's mentioned in Srimad Bhagavatam

etad eva hi sac-chiṣyaiḥ kartavyaṁ guru-niṣkṛtam

yad vai viśuddha-bhāvena sarvārthātmārpaṇaṁ gurau

“In order to repay the debt to the divine master (guru), the only thing a sincere disciple should do is offer everything he has, including his very being, favorably in the eternal service of his guru.” (SB 10.80.41)

On this most auspicious day of your divine appearance, I only ask for your mercy

Śrīla Bhaktivinoda Ṭhākura has written in Gurudeva! Kṛpā-bindu-diyā that the disciple begs to have even one drop of the rain of the spiritual master's mercy, as follows: “Give me all help. Give me strength... When will such mercy fall to one who is as weak and devoid of intelligence as I? Allow me to be with you. If you examine me, you will find no good qualities. Your mercy is all that I am made of. If you are not merciful to me, I can only weep and will not be able to maintain my life.”

While reading Srimad Bhagavatam this statement from your transcendental purport really struck a chord “The blessings of the spiritual master are more powerful than one’s personal endeavor for such advancement.” (SB 8.15.28)

Hence o my dear spiritual master, please look down upon this tiny servant. Grant me the wisdom to deal with the challenges of the day. Give me the desire to study your books and apply them in my daily life. Bestow upon me the hankering to hear my early morning japa with real attention. I want to help others; let me actually help them rather than simply becoming a burden to them. The service of management I am doing now is the most difficult I have ever undertaken. Keep me from ruining everything because of my false ego. I want to grow in Kṛṣṇa consciousness despite my own fears and bad habits. And I want to see others progress in Kṛṣṇa consciousness. Let me gain the vision to rearrange things to be conducive for others. Help me find fresh challenges for them. Help me appreciate and nurture them. Please give me the strength to deal with the fatigue of constant counseling. The fatigue of endless problems and obstacles. The material world is made of these. What should I expect? Let me become a source of inspiration. What can I say? I have no real talents or qualities that are of any use. Let me be a tool in your hands.

Like a child who asks his father for a small amount money to purchase a very simple but love-soaked gift on the father’s birthday, similarly, on your Vyāsa-pūjā day we beg your mercy to be able to offer you a small but very beautiful temple that will be dedicated to worship Śrī Śrī Rādhā-Kṛṣṇa for centuries to come.

Your insignificant servant

Sadananda Dasa

Bhakta Arvind Naidu Thatikonda

All Glories to my spiritual master, A.C Bhaktivedanta Swami Srila Prabhupada.

I pay my humble obeisances unto your lotus feet.

Prabhupada by coming into the association of your humble devotees my humble spiritual life journey has begun. I am eternally indebted to you for showing your mercy on this poor servant of the servants.

Your teaching and lectures have helped tremendously to understand the importance of spiritual life. Without the association of your sincere devotees, I would have been rotting somewhere entangled in this material world. You have shown us the importance of service to the devotees. You have shown us the right direction in our life to sail this boat in the rough sea. A seed of devotional service has been sown we are hoping that we continue to get your merci eternally.

You had taken many risks at a very old age to come to the US and spread the Krishna Consciousness movement. That decision today is helping the sleeping soul like us to open our eyes and understand the supreme lord presence everywhere.

I am fully convinced that the consciousness of trying to be your simple order carrier servant, is the only the qualification that is required to receive the mercy of the lord.

Thank you, Prabhupada you have taught how to be transcendently happy in the loving service to Krishna. How service to the lord can help overcome the daily endless chaos of life, how to overcome the lust for sense gratification. Only after coming to our association we could understand the importance of this human life. Otherwise, we were lost in this ocean of unlimited material desires.

You encouraged us to take this most precious devotional service and remain faithful to lord throughout the turbulence in the life. You have thought us the importance of chanting the Hare Krishna Maha Mantra and be happy forever.

Your association and your teaching are helping to constantly engage in the service of the lord and encouraging us to take up all possible service which is pleasing to the Lord. By constantly hearing about devotional service from your sincere devotee one can easily check the force of anger, control our senses. I was totally lost in this forest fire of endless sufferings.

You had repeated the same instructions on many occasions, many places so we could understand what you wanted. At times, you may find us clumsy servant not even able to grasp and understand your teachings.

You created so many ways to engage people in Krishna consciousness which are unprecedented all of them to get fallen souls like us into the net of Lord Krishna.

Fortunately, I came into Krishna consciousness two years back and I pray that I should not leave the shelter of Lord Chaitanya's movement and continue my services unto your lotus feet eternally. On this auspicious day of your divine appearance, I beg forgiveness for the unaccountable offenses committed in many lifetime and this life. I beg to request you to give me the strength to put end to my offenses.

Always seeking your blessing and spiritual strength to offer my services and to chant the holy name of Lord Krishna, the Hare Krishna manta.

Your eternally insignificant servant

Arvind Naidu Thatikonda.

Respected Divine Grace Srila Prabhupada:

Please accept my most sincere obeisance and heartfelt love on your pious lotus feet.

I am fortunate that you gave me space in your lotus feet and helped me to initiate my journey on the path of Krishna consciousness. It is said that only by the mercy of the spiritual master one can receive the benediction of Krsna, without it one cannot make any advancement in spiritual life. So, I am very grateful to you for showing me the path of Krsna consciousness through your devotees in IHF, Boston.

After going through your lectures and documentaries available through media, I sometimes feel unfortunate about not being able to experience your physical presence. I feel as if sharing the same space and time with you would have given a chance of instant purification of my bewildered material senses. Nonetheless, in this short time by hearing your magnificent stories and glories from your devotees has influenced my spiritual life. Day by day, through learning your teachings I evolve in the path of Krsna consciousness and realize the true meaning of human life.

Particularly, your simple instructions to attain Krsna consciousness in this Kali-yuga fascinates me the most. Simple steps of performing japa, singing Kirtans, reading books written by you, partaking prasadam and serving Krsna are really a good start in the path of attaining Krsna consciousness.

I feel fortunate that I landed up among your true devotees in IHF, Boston who are extremely knowledgeable and are instrumental in helping all of us to maintain a balanced work and spiritual life.

I am humbly grateful for your mercy as you continue to change my perspective of life. Please do shower your grace in future so that I can continue my Krsna conscious journey through the holy association of your true devotees. As it is said that serving the true devotees and having an association with them are equal to serving the lord.

On the journey to becoming your humble servant,

Bhakta Ayan

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet. All glories to your divine grace on this most auspicious day of your Vyasa puja. On this day of your divine appearance, let me take the opportunity to make an offering of gratitude to you for your causeless mercy on this most fallen soul. It is only by your mercy that I have come to the position of living like a true human being. You have graced countless living entities like me in this world. Fortunately for all of us, you are still continuing to shower your mercy through some mystical potency and your divine books.

You have blessed us with the Lord's Holy Names. On this most auspicious day, I beg your mercy to enable me to concentrate fully on the sound vibration of the mahamantra. Help me hear each word distinctly and clearly during japa. Please help me remember that, while chanting, I am connecting directly with Lord Krishna. Please give me strength and awareness so that I am very careful, cautious and respectful while chanting the Holy Name. Please help me remember always that there is no difference between Lord Krishna and His Holy Names. Please help me chant the Holy Names with respect and attention.

The Supreme Personality of Godhead Lord Sri Krishna is very compassionate unto the suffering souls of this world, He personally descends to deliver them and also sends His confidential servants like Your Divine Grace to deliver suffering souls. You have descended from the spiritual world simply to deliver all the suffering souls, your contribution to the world is most exemplary. You presented the highest and sublime truth, the love of Godhead, in such a simple and practical way. On this auspicious day of your appearance I beg you to give me strength to follow your instructions and forgive me for all the offences that I have committed at your lotus feet and make me a small instrument in service of your sincere devotees.

Your humble Servant,

Bhargava Raju Pendeti

Bhakta Krishna Kadiyam

Dear Srila Prabhupada,

All glories to your Divine Grace! Please accept my humble obeisance unto your Feet.

I am so fortunate to offer my thankful reverence to you on this auspicious occasion of your divine appearance in this material world to transport the conditioned souls like me. It is stated in the Vedic literature that a spiritual master is considered to be as good as God. You are representative of Supreme Lord and you came here to deliver the message of Godhead. It is very difficult for me to glorify your Divine Grace as your glories are unlimited and I am so fallen, nevertheless I am trying to glorify you with my little knowledge, please pardon me if I have committed any offense unto your lotus feet.

I would like to thank your divine grace in relation to accepting me as a full-time soldier to your glorious sankirtana movement. You did the best welfare to the human society by spreading the message of Lord Chaitanya all over the world. To execute the order of your spiritual master you have taken so many risks in your life. You just acted like a tool in the hand of Krishna to spread this message all over the world. Despite so much trouble you did not stop writing which is the best gift to the human society. You have written numerous books, which are filled with transcendental knowledge through which this Krishna Consciousness message can be spread all over the world.

After getting all these knowledge, still, I am so unfortunate that I am not taking your instructions critically which is very much required to advance in spiritual life.

O Prabhupada, the spiritual master of three worlds please bless me so that I can follow your instructions by chanting the holy name attentively, following regulative principles strictly, can be an instrument in your hand and try to become your sincere disciple of Godhead.

Pursuing your mercy,

Your servant's servant,

Your glories are inconceivable, and I am not able to describe them. Prabhupada I beg you for your mercy so that I will never stop making efforts in devotional service to your lotus feet, despite all our material problems and impurities.

I always want to engage in various devotional services. That gives me more satisfaction and I never felt like enough or tired. I wanted more and more and even more services. I don't know where I get so much energy and time. But it always happens. Each day, as I progress on the path of Bhakti. You have made it easy to come to Krishna Consciousness. Prabhupada please pull me towards you and closer to you.

I am trying my best to understand Bhagavad-Gita As It Is Teachings.

Dear Srila Prabhupada,

I offer my humble obeisances unto you. You are very great. You have even proven your greatness by traveling around the world fourteen times in just twelve years. You also fulfilled your horoscope of crossing the Atlantic Ocean and opening 108 temples all over the world.

I thank you with all my heart for being born in a devotee family.

I see your greatness and mercy in many, many ways. One way is that you help me increase my japa rounds every year on my birthday. When anything good or pleasant happens to me, I never consider it as luck but as your mercy. Although I am insignificant, I do my best in your mission of opening more and more temples.

Also, I've always wanted to play the *mrdanga* during the Harinam Festival in ISKCON Bangalore but, unfortunately, I never got the chance. And during late August 2017, My family and I moved to the United States where we helped the IHF Boston mission to open a new temple. I have also read your biography called "ACHARYA" by Bhaktisiddhanta Das and towards the end of the book, you say that you would like more and more temples to build. You also say that have given great ideas on where and how to build the temples in your book. I will use my skills: Making origami and music, in Krishna's service throughout my life

I always want to be in your spiritual family and serve you with all my heart.

Your humble servant,

Bhakta Mukund Balaji

Dear Srila Prabhupada,

Kindly accept my obeisances at the dust of your feet.

I am very fortunate to know about your glories in this life. I am very pleased to know about you and your work is done for the sake of people in this Kali Yuga

Your movement has awakened my consciousness towards Krishna. It's been more than a year in association with devotees on regular basis, and what a blissful hour spending in the gods name every week learning Gita and Bhagavatham and many essential teachings from Sadananda Dasa Prabhu.

After a prolonged interaction with devotees, I learned that happiness comes from consistent association with the supreme lord. I try to chant every day to keep this relation alive with god and my thanks to devotees for motivating me every day.

I feel blessed and blissful when I surrender my self to the lotus feet of Krishna.

I praise you for all you have done to this world and showing us a path for devotional life. You taught us how to praise the lord and make him happy at the same time making ourselves better humans every day.

I was inspired by your solo journey to the west to make a change at the age where no one can dare to do. That shows your determination in following your Gurus instructions and respecting them to a great extent.

I sincerely offer my self at your feet and pleads for your kind blessings.

Bhakta Phaneendra D

“By the mercy of the spiritual master one receives the benediction of Krsna. Without the grace of the spiritual master, one cannot make any advancement”.

It's very difficult for me to think as to what my life would have been without your teachings and instructions, for my life was aimless. My perspective of life as to what my real identity is has been completely changed after coming in contact with Krsna Consciousness. Your divine grace has very nicely articulated the message of the supreme lord and given us the most valuable gifts like Bhagavad Gita and Srimad Bhagavatam.

I beg your forgiveness for numerous offenses that I have committed. I also request you to please keep me at the dust of your lotus feet and always guide me with your divine grace.

Your aspiring servant

Dear Srila Prabhupada,

Please accept my humble namaskar at your lotus feet. Prabhu, I truly admire your efforts in spreading the divine knowledge amongst the individuals who are aimlessly suffering in this Kali-yuga. It is because of your efforts, today students like me are understanding the true purpose of life.

It was because of your mercy, I attended the Janmashtami festival on the very first day I landed in Boston. I was fortunate to get darshan of Lord Krishan and Lord Balaram, on the very first day of my life in the United States.

I consider myself very fortunate to be born in a family of one of your disciples. My uncle Sridham Krishna Dasa has guided me immensely into offering service to the lord and it was from him I started my journey of chanting the Hare Krishna Maha Mantra. Likewise, in Boston, Sadananda Prabhu, Balram Prabhu, Hari Gopal Prabhu and Pandurang Prabhu have been supporting me immensely to be in acquaintance with the spiritual conscience. I pay my humblest namaskar to all of them because without them my journey in spiritual life was very difficult.

Srila Prabhupada, without your mercy, I would never have come in contact with all your disciples. Therefore, I beg you to forgive me of all the offenses I have committed and keep me blessed in this spiritual journey under your watch.

Aspiring to be your servant

Dear Śrīla Prabhupāda,
Hare Krishna!

This is my first letter/offering to you, and I would like to do so with the utmost honesty, sincerity and the limited knowledge of spirituality that I possess. I have been a wanderer in the path of spirituality, starting early at home, being a Brahmin and then being a curious explorer of the different facets. At times, an agnostic; sometimes, an atheist; then now, somebody who has a firm belief in the Lord. In all these years, what started as an introduction to 'Hare Krishna' chanting has stayed along.

To be honest, I have been an experimentalist there as well, checking the influence of the chant in my work by stopping it or being erratic, but then there was He who pulled me into His embrace every single time. It is like 'home' to me and I have stayed along. At home, during the prayer, we had this shloka which always fascinated me, and later finding it in the Bhagavad Gita, this became an instant favorite, helping me to surrender before Him,

*kārpaṇya-doṣopahata-svabhāvaḥ
prcchāmi tvāṁ dharma-sammūḍha-cetāḥ
yac chreyaḥ syān niścitaṁ brūhi tan me
śiṣyas te 'haṁ sādhi mām tvāṁ prapannam*

Life got me across the oriental and occidental, and now, being in Boston, listening to your start in the West from Boston, it is more of a motivation. I am honored to start here. Prabhupada, at times, hearing about your experiences of organizing Rath Yatra or starting in the US, from devotees here is as mesmerizing as hearing about the past-times of Krishna in Vrindavan. Pardon me, if I have made a sacrilege!

This year, within a month of my arrival, I helped in the making of the Rath for the first Rath Yatra of Cambridge temple and carried the lords to the venue. This privilege was a God-send, and I could not be more than happy to be associated with all devotees and Prabhu at the temple.

Prabhupada, I am committed to the service of the Lord but afraid of committing to the organization, lest I should not be able to give my best or falter in the days ahead. I understand that the association of devotees makes me stronger but I am afraid of being one and then not being able to give my best. I am afraid of losing my independence, although I write so, I am unsure of what that means and if it is just a thought of mine.

Prabhupada, please forgive me if I have mistaken somewhere. Give me the strength to commit and serve the Lord in the best possible way!

Dear Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet. All glories to you my spiritual master on the auspicious day of your divine appearance.

Guru deva, this is my second literary offering in Krishna Conscious journey. With your blessings, I have been able to make progress in my journey for one more year. I attending /attentively hearing the Bhagavad-Gita classes with the devotees have given me the intelligence to visualize life from a totally spiritual perspective and perseverance to face the material struggles.

The self-purification path you taught about Chanting the Mahamantra, following 4 regulatory principles, performing devotional service, reading/distributing your books and association of the devotees is extraordinary. Only a pure devotee as you can understand this path and it is your mercy that helps disciples learn this practice.

I started my journey completely from the negative side in all fronts mentioned above. I have made progress to bring myself with your grace towards neutral in some and made a leap onto Positive in others. However, I am continuously working on reducing my offenses.

With your mercy, I was able to sustain the minimum of 16 rounds per day. Completely stopped meat eating and started to sacrifice items that have eggs. Completely stopped consumption and manufacture of alcoholic beverages and am working on giving up consuming products that have caffeine. I literally stopped contemplating sex and I substituted that contemplation into better ways of performing devotional service. I was able to offer my services in celebrating festivals and participate in sankirtan.

I realized the importance of your books and started reading them. I am doing my part in distributing books written by you and importantly was able to convey your message in discussion with others. I started fasting on Ekadashi this year and need to extend that to other Vaishnava auspicious days.

As I am participating and attending BG lectures and reading your books on spiritual knowledge, I am starting to get clarity on the purpose of life and the path you laid out very mercifully for the disciples. The verse mentioned in CC Madhya 9.265 “*Sarva-dharman parityajaya mam ekam saranam vraja aham tvam sarva-papebhyo moksaisyami ma sucah*” struck a nerve with me and felt like a wakeup call for an ignorant soul like me.

Srila Prabhupada, O my spiritual master, by the causeless mercy you have left behind a great treasure and legacy of your instructions to follow and feel your presence. On this day, I beg for your blessings to give me strength and perseverance to sustain the drive and follow your instructions, control the fickle mind to tame the beast “Lust” and sense enjoyment.

Praying for your infinite grace and compassion in my journey to please you,

Your insignificant Servant

Spiritual Master Srila Prabhupada

On the auspicious appearance day of your divine grace pl accept my humble obeisances. All glories to you.

One more year has passed to follow the path towards Krishna consciousness and feel lucky to be associated with Prabhuji's at Heritage foundation Boston having the online class on various books written by Srila Prabhupada and sankirtan on Saturdays with devotees certainly it is transforming my life to understand that I am not a body but

soul. I have to indulge in the purification of the soul by connecting to the Supreme Lord Krishna. Chanting Hare Krishna Mantra is making me stronger and confident. It is also felt that I am under the shelter of Lord Krishna.

I could feel instructions/books/philosophy of Srila Prabhupada is influencing me in the right direction and there is causeless mercy on me of Lord Krishna, maybe my process of connecting is imperfect.

It is in continuation of mercy I could visit Vrindavan Krishna's transcendental abode and the trip to Kedarnath and Badrinath along with devotees.

There is a great mercy on me being contaminated and putting efforts in engaging in devotional service and trying to be away from material entanglements. I pray at your lotus feet to kindly bless me with more understanding of KC Philosophy which is described in your books.

Once again I offer my sincere obeisances.

My Dear Spiritual Master Srila Prabhupada,

You already know what is in my heart, you also know what I desire to say. But please help me to put it in words so I could realize how thankful I should be to you and how miserable my condition is. Please also make me humble and submissive, so I could appreciate you fully in all the circumstances.

I read Bhagavad Gita for the first time many years ago and I liked it just like an ordinary book. However, it was not "Bhagavad Gita As it is". 5 years later, by your mercy, I found the path to pure knowledge, that was waiting all along for me. Now I am able to appreciate the transcendental knowledge a little only because of your purity, and your compassion to all living beings. Only your words were able to penetrate my walls of ignorance and helped me surrender to the Supreme Lord and inspired me from all directions.

Firstly, I couldn't appreciate it and I couldn't understand anything. I thought to myself, that I don't need anyone's help and I can approach Krishna just like that, directly". But even demigods can't approach Him, what to speak of an insignificant soul like me,

But associating with Devotees I came to understand, how dear they are to Krishna, and how dear You are to Him and to them. I thought, that out of love for Krishna I had to please someone He loves, even if I didn't realize my love to you yet...

After I decided this, I started to pray to you in the way that was accessible to me, and immediately you bestowed on me your mercy. You made me understand how much You love all the living beings, how much efforts you have put into saving the conditioned souls from the miseries of life. No one can dare to accomplish what you did. While listening to pastimes about your life's journey I saw how all the doors open for you, by Krishna Himself because you are the sincerest and the purest devotee. Even if one is eternally conditioned and not receptive, you can MAKE one understand the supreme transcendental knowledge. This is due to the divine fire of determination and compassion which is burning inside you.

O Deliverer of all the conditioned souls, you can award liberation to everyone who approaches you sincerely, but I couldn't offer you anything in return. O spiritual master, I'm not sincere yet and remain a sinner even after listening to so many of your instructions and reading books. So I beg to you: Please help me to devote you all my life and develop the attraction to the Supreme Absolute Truth, that only You can awaken inside of me.

Please feel my heart with transcendental knowledge and make me qualified to serve Your mission. Bhaktin Katia

Dear Srila Prabhupada

Please accept my obeisance on your lotus feet.

As I pen down my inner gratitude for you today I realize how wonderfully in past few months you have shown your mercy in my life. I and my husband, Ayan, started visiting the Boston temple from the beginning of this year and in just a few months' time, we can feel how beautifully you have oriented our lives to Krishna consciousness.

Every Friday we attend the Gita classes at the IHF, Boston. The whole week through I eagerly wait to attend the classes just like a little child watching the clock to strike her playtime. After spending all our energy and focus in the Karma battle of each day at the workplace, this class feels like a mirage in the desert, more like water for the thirsty soul. The teachings of the book 'Bhagavad Gita as it is' written by you helps us to understand how to live our daily life by surrendering all our karma to the lotus feet of Krsna, without getting influenced by their results and by remaining detached from this material world. Miraculously, the teachings have influenced my life and thoughts, and I feel very relieved and happy even in the difficult situations of life as I realize that Krsna has a better plan for me and will take care of me as a father would protect his own child. I feel that by your mercy we are now more apt in dealing with tough situations in life than we were before.

I also understand that these are just the baby steps I have started to take in this spiritual journey and by your mercy, hopefully, I will be able to evolve in the path of Krishna consciousness in coming years. I would like to take this opportunity to ask for your grace so that I am able to follow the steps in the path of Krsna consciousness without any deterrent. I realize though the instructions given by you to follow the satvik life of Krsna consciousness may seem very simple, but it's really hard to perform them as we get prey to the material world of Maya. But, deep in my heart I also know that with your grace this entanglement of Maya surrounding my soul could vanish in moments. I humbly request you to strengthen my determination and devotion so that I can fulfill this human life and at the end of this life, my soul reaches its final blissful destination.

Your humble loving servant,,

Dear Srila Prabhupada,

Please accept my humble and respectful obeisances at your lotus feet.

Srila Prabhupada, I am very thankful to you that you have provided me with such a knowledge and way to practice devotional service. Am so much indebted to you. Because of your causeless mercy, am able to do service, participate in the programs conducted by the devotees, keertans, prasadam, which gives immense joy in this material world. Sometimes there are ups and downs in life, but, only because of the strength you gave me, being able to handle most of the disturbances in life. Without your mercy, it is not at all possible. I beg you to please continue your causeless mercy on me and my family so that we will get the strength to continuously practice Krishna Consciousness without any obstacles and get out this material world which is dukhalayam ashashvatam ...

I am begging you to deliver us from desires and detach from the clutches of the material world

Charu Govinda Dasa

Dear Srila Prabhupada,

I offer my humble obeisances unto your lotus feet. Your feet are the reservoir of mercy of all fallen souls like myself where I can bathe in the cool and soothing ocean and devotion and extinguishes the burning holocaust of material sense gratification. Srila Prabhupada, you have stirred up within our covered heart a desire to relish service at your lotus feet with magnanimous Hare Krishna Movement. Your love for me is beyond any reason. I always get flabbergasted whenever I think how can you love me so much even though I am not so qualified.

Dear Srila Prabhupada, I have found life. Life is simply my heart beating by your words, for your words, a new taste, a new world and a new friendship with your divine grace. Anything which negates your word is dead. I am very much far away from the ocean, but through your words I have developed faith that it exists. Reality has become your words for me. Even though I am not qualified to be in the association of beloved disciple because of my own anarthas still you have made to be always near with your words and divine lotus feet.

As it is stated in the CC 20.117:

*kṛṣṇa bhuli' sei jīva anādi-bahirmukha
ataeva māyā tāre deya saṁsāra-duḥkha*

Forgetting Kṛṣṇa, the living entity has been attracted by the external feature fromtime immemorial. Therefore, the illusory energy [māyā] gives him all kinds of misery in his material existence.

How is it possible for me to discern between spirit and matter? Whatever intelligence I have got about this subject matter, it's all your intelligence Prabhupada. Gurudeva, only by the causeless mercy of your divine grace I may come out of the never-ending maze of this material existence. Now I am confident that just by following your order I can get rid of the Maya's influence as you have stated in so many places that whoever follows all the rules and regulation prescribed by you, then you will personally kick the Maya and she will never come back.

By your mercy the world which is full of quarrel, hypocrisy and strife, is drowned in the nectarean Hare Kṛṣṇa Mahamantra. Through you, Lord Caitanya's desire is being fulfilled as the holy name is being spread to every town, village and city in the world. As the touchstone transforms base iron to gold, your divine grace love for Kṛṣṇa is transforming this godless society to spiritualized society the *Kṛṣṇa conscious society*. With perfectly realized knowledge you pry maya from hearts. Therefore, I beg at your divine lotus feet to make me receptive to your causeless mercy.

As a small baby is always in need of a mother or nurse, so I am always in need of your mercy. I am barely standing above the horrible mire of illusion as a young baby tries to stand on his weak and unsupportive limbs. Dear Srila Prabhupada, I need your support. I have been always asking something from you, as the flagrant child is always asking from his father. I have nothing to give; I can only bow at your lotus feet.

My worthless words flutter as unintelligible sounds below the sublime vibrations that emanates from your lotus like mouth. Dear Srila Prabhupada, you know that I can only speak by your mercy. Please let me bow down at your lotus feet.

Aspiring to be Your Servant,

Charu Govinda Dasa

Dhruva Maharaja Dasa

My dear beloved Prabhupada,

All glories unto you and Sri Gauranga.

I do not really know when I first have had your association, i.e. eternally, in prior lives... Don't know. But in this life, I remember having come in touch with your voice chanting 'Hare Krishna', when I stepped over 108 steps in ISKCON Bangalore, during my childhood. Since then, I believe that the broken relationship has awakened partially.

Let me submit myself with what I have experienced in my past for you to consider, where you can position me, in Lord Chaitanya Mahaprabhu's mission of delivering every fallen conditioned living being in the whole of the material creation.

I have had a very strong desire of always helping those in need, beginning from my childhood. However, when I grew up, I was influenced by trigunas and developed so much contamination in my mind. I can sense that my heart where I reside along with Paramatma, contains tons of impurities and I am experiencing something very much bizarre which makes me feel broken-hearted.

When I have been madly hankering after material pleasures, Krishna had shown me what illusion is all about, in different degrees, throughout my life. I am made to traverse through the path of karma yoga, jnana yoga and ashtanga yoga by the Lord's will. Now that I wish to begin my journey in Bhakti Yoga, as a completely surrendered soul at your lotus feet, I see my mind bothering me at every step of my surrender. The intelligence guides me to look into situations through the eyes of sastras, guru and sadhus. However, I am afraid that my intelligence may be stolen any moment because of the influence of Krishna's bewildering Maya-shakti.

You want each one of your disciples to become a pure devotee of the Lord and engage in loving devotional service unto the lotus feet Sri Sri Radha Krishna and their servitors. I believed in your words, "Krishna is all-attractive" and have realized the same when you have given me shelter at lotus feet of Hari-nama in the form of "Hare Krishna" maha-mantra.

Looking forward to practice Krishna Consciousness, I see quiet interesting, promising challenges that Krishna wishes me to take up, not only in the external world but also within the home you have built (ISKCON, Hare Krishna Movement).

My sincere request unto you is that, "I beg you to purify my existence completely without further delays and bestow mercy upon me, so that I can render unalloyed loving devotional service".

In the process of cleansing my heart, I whole-heartedly accept you to use me as instrument in any ways you wish to utilize/engage me. Hence, I request you to give me the humility like that of a grass, tolerance like that of a banyan tree, unexpected motive only to serve like that of the gopis...

Your aspiring eternal servant, Dhruva Maharaja Dasa

Mukund Madhav Dasa

Dear Srila Prabhupada.

Please accept my humble obeisances. All glories to Your Divine Grace.

I am blessed to be able to write another vyasa puja offering. This is a time to remember and contemplate on all the struggles and austerities you went through to establish this most wonderful organization of the world wide Hare Krishna Movement. As Kali strengtens it tentacles more and more on the hapless inhabitants of this earthly planet, only the oasis like Hare Krishna centres offers hope, happiness, and security. Just a couple of centuries ago, people in this country were leading a simple village life, cultivating crops and spending rest of the time hearing Ramayana

and Mahabharata. In the last 200 years, complex urban cities have sprung up to act as a workforce for huge factories which have polluted food, water and even air. Always harrassed by diseases, taxes, anxiety and emotional turbulence the bewildered popultion of the age of Kali have no hope or solace other than your ambrosial message.

samsāra-dāvānala-līḍha-loka-trāṇāya kārūṇya-ghanāghanatvam

Your mercy has fallen upon us like the rain falls on a forest with blazing fire. You have provided us with the Hare Krishna Maha mantra, prasadam, and easy access to vedic knowledge. Above all you have cretaed this organization which distributes these three things for the suffering people of the current age. To ensure all these, you worked very very hard with severe health problems. Tolerating excruciating physical pain, you tirelessly endeavored with the single minded determination of spreading Krishna consciounsess. And desipte doing all this, you always put Krishna's name in the limelight, having no personal desire at all. You taught by your personal example that one should be absorbed in the thoughts of Krishna even in the most difficult circumstances. I sometimes just wonder what would have happened had you not descended and taken that ardous journey to the USA to fulfill Mahaprabhu's prediction.

Anticipating the day when I would become prepared to act as an instrument in your hands withtout any trace of false ego. Kindly inject the transcendental knowledge into my self so as to become free from material consciousness.

Your incapable servant, Mukunda Madhava Dasa, HKM Chennai.

Muralidhara Krishna Dasa

Dear Srila Prabhupada.,

Hare Krishna.

Please Accept my Humble Obeisances at your lotus feet on this most auspicious day of your divine and magnanimous appearance in this world to bestow the mercy of Lord Chaitanya upon the suffering conditional souls, All Glories to you Srila Prabhupada.

Srila Prabhupada, you are a Nitya-siddha devotee of Lord Krishna, the Supreme Personality of Godhead in Goloka Vrindavana and being compassionate, you appeared as His representative in this material world to teach how to become a pure devotee and deliver one from the clutches of Maya. I offer my humble obeisance unto your lotus feet for your this most magnanimous appearance.

Srila Prabhupada, you appeared as the devotee commander in chief, senapati-bhakta of Lord Chaitanya -the most munificent incarnation of Lord Krishna, who appeared for widely distributing pure love of Krishna (pure devotional service to Lord Krishna by congregational chanting of Hare Krishna mantra, nama-sankirtana), the panacea for the suffering conditional souls from the miseries of material existence since time immemorial due to forgetfulness of Krishna. I offer my humble obeisance unto your lotus feet for your this most magnanimous appearance.

Srila Prabhupada, you appeared as the descendant of six gosvamis (the leading disciples of Lord Chaitanya), 'who is just like the ocean of love of God, and they are popular both with the gentle and with the ruffians, because they are not envious of anyone'. I offer my humble obeisances unto your lotus feet for your this most magnanimous appearance.

Srila Prabhupada, you appeared as the successor of Srila Bhaktivinoda Thakura and fulfilling his transcendental desire; "Very soon the unparalleled path of Hari-nama-sankirtana will be propagated all over the world.. Oh, for that day when the fortunate English, French, Russian, German, and American people will take up banners, mridangas, and karatalas and raise kirtana through their streets and towns." I offer my humble obeisances unto your lotus feet for your this most magnanimous appearance.

Srila Prabhupada, you appeared as the dear most disciple of Śrīla Bhaktisiddhānta Sarasvatī Thakura and made it happen his divine prediction, that; "one of my disciples will cross the ocean, and that devotee will bring back the whole world". And also carried out his order of pushing Hare Krishna Movement in English. I offer my humble obeisances unto your lotus feet for your this most magnanimous appearance.

Srila Prabhupada, simply by your appearance the entire world is purified. You are so compassionate and magnanimous. You are purifying the entire world by distributing the mercy of the two Lords, Nitai-Gaurachandra, who are very merciful and are the essence of all incarnations.

But, Srila Prabhupada, even though you are so magnanimous, I am so much so unfortunate that I am entrapped by sense gratification and If you examine me, you will find no qualities, I am weak and devoid of intelligence. Your mercy is all that I am made of in chanting Hare Krishna mantra and render devotional service in the association of devotees if you are not merciful unto me, then no one can save me.

O, my eternal spiritual master, Srila Prabhupada, please be merciful unto me, shower your compassion on me and deliver this most fallen soul. Please keep me always under your shelter and bless me to engage in serving your mission in the association of your sincere disciples in all my births.

Your most fallen unworthy Servant

Muralidhara Krishna Dasa

Nareshvara Krishna Dasa

Dear Srila Prabhupada,

All glories unto you, I offer my respectful obeisances unto dust of your lotus feet which are shelter for this most fallen soul.

It's been a year by your grace I am engaged in your divine mission, so I feel very much indebted towards you. In your divine mission I am having devotees association, darshan of nice deities in temple, able to honor prasadam, could share lord Chaitanya's messages to people in general, could absorb mind in reading your divine grace's transcendental literature, could visit lord Krishna's pastimes places, could observe festivals. Especially your Divine grace's books which presents realized knowledge and not simply philosophy or theory that make me understand the whole subject matter so easily that otherwise it is very difficult to understand transcendental subject matter. So I am really blessed to have such an exalted spiritual master.

These Krishna consciousness centers are like oasis in desert of material existence, where one can pursue real happiness, when I observe outside world it is easily realized, how powerful is the force of Maya, indeed it is due to your Krishna consciousness institution only I am able engage in your divine mission, I see practically how everyone is bewildered by illusory energy of lord, even though they want to get out of clutches of Maya, they are so much entangled in materialistic life then can't think of Krishna even for one moment. One-time I came across one person, I said, "do you know who you are?" And he replied, "I don't want to know myself, it is not so important", so simply living like animals, without goal in life. People in general those who are atheistic are very proud as they don't believe in God, which is just based on personal emotions. You always emphasized the truth has to be based on Guru-sadhu-shastra, thus I can understand the truth at least intellectually at this stage. So I feel always grateful towards your Divine grace.

I am always endeavoring to please your Divine grace through following your instructions, executing service as per authority system your Divine grace has set up, reading your books, sharing this knowledge to others and distributing books. As Vishwanath Chakravarti Thakur mentions in prayers to spiritual master as follows:

"yasya prasada bhagavat-prasado yasyaprasadan na gatih kuto 'pi"

So there is no possibility to please Supreme Lord unless one pleases the spiritual master. So I am always endeavoring to please your divine grace, but so many times I am failing in my attempt, I am expecting mercy of Supreme Lord who can award me the strength so that I will be able to please your divine grace.

Since an year I am facing so many challenges and obstructions on path of spiritual journey, so I am always expecting your Divine grace's causeless mercy. Srila Prabhupada, please bless this fool, so that I will become faithful servant of your Divine grace. I earnestly request at lotus feet let me be engaged in your Divine grace's service, although I am unworthy of it.

Dear Srila Prabhupada please accept my humble obeisances. All glories unto you.

Dear Srila Prabhupada, by your causeless mercy I have joined the Hare Krishna movement, Chennai in march 2016 and able to render service to my capacity. Srila Prabhupada you are very kind to me. When I was hopelessly struggling in this material world, without peace and happiness, your books have shown me the light to live an obedient and godly life. Srila Prabhupada by your grace I am able to perceive the existence of the Supreme Lord Krishna and able to understand Him gradually. Srila Prabhupada your teachings are very authoritative, whoever follows it with faith, they can get the love of Godhead, without any doubt.

Srila Prabhupada whoever renders service unto you sincerely, you give special protection from Maya, which can't be given by any other so called gurus. Srila Prabhupada you are very dear to the Supreme Lord Krishna, if you are pleased with any devotee, Krishna is also pleased with him and that devotee is assured of getting all protection from Krishna.

Srila Prabhupada your compassion for the fallen conditioned souls is very deep, whoever associates with you by vapu or vani, they also get the compassion to deliver them from this material existence.

Srila Prabhupada your appearance in this material world, have shown light to many fallen souls like me, who have forgotten the transcendental loving service to the Supreme Lord and are suffering under the clutches of Maya.

Srila Prabhupada on this auspicious occasion, I beg at your lotus feet to bless me with detachment from bodily pains and pleasures and always be situated in serving your lotus feet.

All glories unto You.

Hare Krishna All Glories to Srila Prabhupada.

Dear Srila Prabhupada, please accept my humble obeisance's at your Lotus Feet.

Please accept my homage for the 122nd Vyasa puja 2018.

Though I am not eligible to speak of your wonderful qualities, only by your mercy I am attempting to glorify one of the quality that you possess is "Truthfulness"

Prabhupada, you were always true to yourself, true to Lord Krsna, true to Lord Chaitanya's mission of spreading Krishna Consciousness in every town and village all over the world, which is unimaginable for a common man to conceive but you made it happen true, by your tireless continuous efforts, as you are a Pure Devotee of Lord Sri Krishna.

You have taught us that Truthfulness means that the facts should be presented as they are for the benefit of others and it should not be misinterpreted; though sometimes the truth is unpalatable one should not refrain from speaking it. We can very well see this in the transcendental literature you have presented to the entire world. That's why you named it as "Bhagavad-Gita As It Is" the truth is presented as it is without any misinterpretations. We are really blessed and fortunate to have your association through the eternal literature you have given us. Not only for us for the whole mankind generations after generations. Thank you for such a precious gift Prabhupada.

And in one instance you defined honesty as, if one drinks a glass of water without knowing to whom it belongs then he is a thief, so we must remember Krsna," Oh Krsna this is your creation, so kindly allow me to drink". Therefore a devotee always thinks of Krsna in all the activities. This is honesty. In this instance I understood the importance of honesty and truthfulness. Prabhupada you live by the example and thank you for teaching us by such minute details that strikes and impacts our mind deep.

You are a true teacher a best guide in our spiritual journey.

I am also benefited immensely by every day reading your letters that you have written to various disciples; it gives me your personal association. Thank you for all the wonderful letters Prabhupada. If I miss reading your letters for a day I feel I missed or lost something huge

Prabhupada, I thank you from my heart for all the transcendental teachings that you have given to us.

Please bless us to become a sincere and humble devotee, to please Your grace and to please Lord Krsna.

Please forgive us for all the offenses we have committed at your Lotus Feet. Jai Srila Prabhupada!

Dear Srila Prabhupada,

All glories unto you! Please accept my humble obeisances at your lotus feet.

By the mercy of the Lord I came in contact with a pure devotee. Such a fortune is very rarely achieved. I am so fortunate to have taken shelter at your lotus feet. Great jnanis and yogis also do not get such fortune. As Lord Krishna says in Bhagavad-gita – "Bahunaam janmanaam ante jnanavan maam prapadyate". Such jnanis after many many births they surrender to Krishna but only if they receive the dust of the lotus feet of a pure devotee.

Srila Prabhupada , the whole world has been blessed because of your appearance in this world. The whole world is in ignorance and it is only by your causeless mercy that they will be delivered from the entanglement of this material existence. Great souls like your good self traverse this globe only for the deliverance of the fallen souls.

I consider it my great fortune to not only have taken shelter at your lotus feet but also to have joined your movement especially to deliver the fallen conditioned souls of this world back to home back to Godhead.

Please bless me to be strong in Krishna Consciousness and never be overcome by Maya.

Your eternal servant, Sadachara Dasa

Dear Srila Prabupada,

I offer my humble obeisance's at your lotus feet again and again, All glories unto you. Your lotus feet is the shelter of millions of fallen souls, with so much of causeless mercy you have accepted me also under your shelter last year. Thank you so much for this great mercy you bestowed upon me even though I am not all having any qualification to attain this great mercy.

Shukadeva Goswami says in Srimad Bhagavatam,

*kirāta-hūṇāndhra-pulinda-pulkaśā, ābhīra-śumbhāyavanāḥ khasādayaḥ
ye 'nye ca pāpā yad-apāśrayāśrayāḥ, śudhyanti tasmai prabhaviṣṇave namaḥ*

Members of the all this lower class races and even others addicted to sinful acts can be purified by taking shelter of the devotees of the Lord. Prabupada by reading this verse I understood how fortunate we are, to attain the shelter of your merciful lotus feet.

Dear Prabupada I have read in your lilaamritha that, in 1967, when you were in New York, you had your 3rd heart attack, that time you have told all your disciples to pray to Lord Narashima Deva and Lord Krishna that my spiritual master has not completed his work and please save him. All your disciples in New York and San Francisco where chanting all night continuously without sleep with so much of love and affection on you. When I shifted my house near to the Krishna Balaram Temple I had the opportunity to see directly that how my god brothers are serving you with so much of love on you with complete dedication, Prabupada when that day will come so I will also serve you with such love and dedication like them.

In Srimad Bhagavatam 11.20.17 it is said that,

The human body, which can award all benefit in life, is automatically obtained by the laws of nature, although it is a very rare achievement. This human body can be compared to a perfectly constructed boat having the spiritual master as the captain and the instructions of the Personality of Godhead as favourable winds impelling it on its course. Considering all these advantages, a human being who does not utilize his human life to cross the ocean of material existence must be considered the killer of his own soul.

Dear Prabupada by your cause less mercy we have got you as our captain, My humble request to you on this auspicious day is that, kindly please bestow your shelter to all the jivas in this material world who are suffering without the mercy of pure devotee like you. Let your Glories be spread to the entire creation and drown all the jivas in the love of Radha and Krishna. Please bless all of us with the opportunity of attaining the position of “Gopi-bhartur pada-kamalayor dasa-dasa-dasanudasah”.

Please bless all of us to become a strong soldiers for serving this mission of ‘Chaitanya Mahaprabu’ and carry forward your message to all the fallen souls.

Finally I beg to forgive all the offences I committed knowingly and unknowingly at your lotus feet.

Thanking you,

Your Servants servant,

Saranga Thakura Dasa.

Shravana Mangala Dasa

Dear Srila Prabhupada,

You are always trying to give Krishna to every one of us in this world, in the form of Holy name, Books, Prasadam and Lectures. You are concerned about our life beyond material happiness. Your Divine Grace is having the parampara understanding of Absolute Truth and has given us the true essence of Vedic Knowledge that people hardly know about it. O merciful one, you have practically taught us how to perform loving devotional service unto the Supreme Personality of Godhead Sri Krishna, and after that return back home, back to Godhead.

You are the only personality in this age empowered to preach the philosophy of Lord Sri Chaitanya Mahaprabhu even to the people whose mind is absorbed in western style of life. You are distributing the mercy of Lord Chaitanya to everyone and try making us to become a sincere devotee of Krishna.

O master, I pray to be faithful to you and sincerely follow all your teachings and instructions life after life.

Jai Srila Prabhupada!

Your Servant,

Dear Srila Prabhupada, please accept my humble obeisances at your Lotus Feet.

All Glories to Srila Prabhupada.

Please accept my homage for the 122nd Vyasa puja 2018.

Recently I was reading one of your translation in which you described the definition of pure devotional service. "One should render transcendental loving service to the Supreme Lord Kṛṣṇa favorably and without desire for material profit or gain through fruitive activities or philosophical speculation. That is called pure devotional service. (CC Madhya 19.167)"

This translation struck me very hard. I was introspecting myself I realized that most of the time , I am not doing pure devotional service. Further I was recollecting your quotes on "humility" in which you mentioned that "Humility means that one should not be anxious to have the satisfaction of being honored by others".

This quote changed my way of thinking about devotional service based on your instruction, I was trying to practice on humility i.e not to expect honor or recognition for the service which I carry out. Result is amazing. I feel inner satisfaction and my progress in bhakti and development of my Krishna Consciousness is very fast. Thank you very much for the divine instruction which changed my overall spiritual personality altogether.

Also, I started realizing that I have lot of anarthas in my heart in the forms of Kama, krodha, lobha, moha, mada and matsarya i.e lust, anger, greed, illusion, pride and envy which is very difficult to overcome. I humbly request you, kindly help me to clean my heart from these anartha so that I give best cleaned place to Krishna in my heart.

Daily we pray to you *guru-mukha-padma-vakya chittete koriya aikya ar na koriho mane asha sri-guru-charane rati ei se uttama-gati je prasade pure sarve asha*. Translation: My only wish is to have my consciousness purified by the words emanating from his lotus mouth. Attachment to his lotus feet is the perfection that fulfills all desires

Though I have been in this movement for more than 13 years and chanted this prayer numerous times, I started realizing the gravity of this prayer recently. There are many instruction of you touched my heart and changed my conscious entirely. Thank you very much for your mercy and compassion to have made me realize that I have lot of anartha's in my heart.

I am very happy the way my progress in Krishna Consciousness year on year in terms of my sadhana, devotional service, book distribution and preaching through HKM Chennai which includes my family members.

Please bless me to become a sincere and humble devotee, to please your grace and Lord Krishna. Please forgive us for all the offenses we have committed at your Lotus Feet.

Dear Srila Prabhupada,

Thank you for everything you have given to me. I am really not a deserving candidate for all that you have given. You are really kind enough to engage all sorts of people in service of Krishna without seeing their shortcomings. I am one such beneficiaries of your causeless mercy. You have set up the perfect system. Let me give myself 100% to this system.

Prabhupada thank you. Thanks a ton. You gave a direction to endeavour. You gave a meaning to this precious human life. You gave me the fortune to perceive devotional service. In spite of all these I lack determination, the clear goal, the preaching spirit that you want your disciples to imbibe. Prabhupada that although I am full of shortcomings, although I am not fit to be claiming myself as your disciple, one faith is there that if I patiently stick on to this movement I will eventually get rid of all my shortcomings and you make me fit to be offered to Krishna. Prabhupada I sometimes feel I am not fully engaged, so Maya is kicking me left and right. Please help me to be engaged mentally and physically. My mind at this stage is my enemy. I beg you to bless me to make it a friend to execute more and more devotional service. Help me to increase the quality of the service. Prabhupada help me to develop the sastras cakshu, by which I can perceive things as it is, not getting bewildered by 5 paisa material enjoyment. Srila Prabhupada, the main back bone of our sadhana is chanting. My conviction to chant attentively is very weak, please inspire and bless me to chant attentively, hearing each nama. Prabhupada you wanted your disciples to engage in reading, I again fall back in this category also. Please give me taste to read and assimilate the subject matter of sastras. Prabhupada I am not following any standard that your disciple should have. Sorry. There are so many things to mention, but I am shameful to mention. But I am sure; I cannot hide anything from you and from paramatma. I am confident that you have devised a suitable medication for all my problems and that I will be free from all these junk.

Bless me; keep me always in this mission, where I will be moulded.

Thank you for everything that you have given although I am undeserving.

Aspiring to be your sincere servant,

Shyama Kripa Dasa.

Sudama Vipra Dasa

Dear Srila Prabhupada

Please accept my humble obeisances.

Thank you for keeping me in your shelter and helping me stay afloat without drowning in the ocean of maya. If there is any reason why I have not succumbed to the three gates leading to hell – lust, anger and greed, it is because of your rope of compassion in the form of your books, prasadam, and devotee association. I pray to you that you always keep me in your association and help me cut off my strong material attachments to engage in the service of your mission.

While you have given me an opportunity to serve your mission as a full time missionary, thus giving me the opportunity to be Krishna conscious always, I have not been able to take full advantage of this opportunity. This is because of my material attachments. You once said, “Unless one has taken the business of Krishna, he cannot think of Krishna.” It is true that I am in Krishna’s organisation, but I am still unable to think of Krishna always because I am busy doing my business rather than Krishna’s business. I am always seeking pleasure for my senses and mind rather than take pleasure in Krishna’s pleasure.

In the course of my services, I am able to appreciate how you were able to see everything in relation with Krishna and thus execute any service, whether it were preaching, cooking, singing, travelling, washing pots, book keeping, temple construction, planning, organising, administration or fighting legal battles, so perfectly and with utmost attention, enthusiasm and dedication. This was because you were only interested in Krishna’s pleasure and not your likes and dislikes. Your life was a perfect demonstration of Krishna consciousness –

anasaktasya visayan yatharham upayunjatah, nirbandah Krishna sambandhe yukta vairagyam ucyate

prapanchikataya budhya hari sambandi vastunaha mumukshubih parityago phalgu vairagyam ucyate

I pray that you bless me with similar equanimity and dedication in serving your mission setting aside all my likes and dislikes.

While Vyasadeva compiled the Srimad Bhagavatam for the swan like paramahamsas, you have done an even more astounding task of attracting crows like me who are attracted to garbage, to be attracted to the purest philosophy meant for the paramahamsas – by your simple and clear explanation in your books, emphatic arguments, expert arrangement of sadhana (spiritual practices) and wonderful prasadam, kirtans and devotee association by which even crows can become paramahamsas by just staying in this and following your instructions.

I only pray that you keep me eternally engaged in your service life after life despite all my disqualifications. Jogyata vicare kichu nahi payi tomara karuna sara....

Dear Beloved Srila Prabhupada,

Please accept my humble obeisances in the dust of your lotus feet. All glories to You.

Prabhupada today is your divine appearance day. Prabhupada you have appeared on this auspicious day of Nandotsava. Prabhupada you have come from spiritual to material world, just to fulfill the mission of Krishna the Supreme Personality of Godhead. Prabhupad you have taken great struggle and pain to fulfill your spiritual master’s desire. Prabhupada you have sacrificed everything for spreading this movement. Prabhupada you have setup this institution for everyone irrespective of colour, creed, caste, religion, boundaries, gender and age, Prabhupada I have heard from authorities that books written by Srila Bhaktisiddhanta Sarasvati Thakura, is impossible to understand and books written by six gosvamis is in Sanskrit that is also very difficult to understand. Prabhupada only by your mercy and compassion for the all fallen soul, you have translated all the books in simple English so that every one us spiritually benefitted. Prabhupada only few people are aware of Caitanya Mahaprabhu and Nithyananda prabhu. Prabhupada only by your grace entire world came to know about Chaitanya Mahaprabhu and Nityanand Prabhu who distributed pure love of Godhead, Krishna prema to the masses through the simple and sublime process of chanting the Hare Krishna Maha mantra, Prabhupada you boldly preached this Krishna consciousness thus delivering from the voidism and impersonalism. Which had filled the entire world, Prabhupada you have thus

presented the original knowledge with full parampara explanation in order to establish the Krishna consciousness movement more soundly and progressively. Prabhupada the Krishna consciousness movement is genuine, historically authorised, natural and transcendental due to its being based on Bhagavad gita and Srimad Bhagavatam. Prabhupada by mercy of you this Krishna consciousness movement is spreading throughout the entire world. Prabhupada today society is misguided by scholars, politicians, philosophers, swamis without perfect knowledge of Krishna, they are misleading the real spiritual path, Prabhupada you are still present in your books to guide us in spiritual life. Prabhupada kindly bless me in progress in Krishna consciousness. Prabhupada, engage me in your service always.

Thank you very much, Srila Prabhupadaa. All glories to your divine lotus feet.

Please bless me with spirit of devotional service on this Auspicious day of your appearance day. It's great pleasure to have you as my spiritual master and helping me to practice devotional service under your divine shelter without which would be difficult for me to do. I have been practicing Krishna Consciousness for the last three and half years as a full-time devotee, but still there could be many shortcomings on the part of rendering devotional service, so please forgive me and I will try sincerely to overcome these mistakes.

And by the system you set up and by your institution being part of it, I am getting inspiration from the dedication and sincere service of other devotees and learning the mood of serving the Mission of Chaitnya Mahaprabhu. You have given the most sublime method of always connecting the Supreme Lord through Chanting Hare Krishna mahamantra. Thank you for being my best well-wisher and spiritual guide. Please kindle the spirit of devotion to The Lord, You and Sadhus or Pure Vaishnavas. You are my Guru and pure devotee of Lord Krishna, just by worshiping you properly, one can achieve loving service to Krishna. Kindly bestow your mercy to serve you adherently.

Thank you Srila Prabhupada.

Krishna instructs to Arjuna that a person who claims to be the devotee of My devotee is actually My devotee. It has so happened from the last few years of practicing Krishna conscious, I developed certain type of dependency on you and Krishna, that drives me more enthusiastic in devotional services even though it lacks some time and by your mercy, all the devotees will act as a synergy to extend the glories of Chaitanya's mission.

Dear Srila Prabhupada,

Please accept my humble obeisances onto Your lotus feet. All glories to his divine grace

Srila Prabhupada, I came across the essence of Krishna Consciousness by chance on a Sunday morning when a group of devotees (Rannajayelu prabhu) came to my room for book distribution. I was saddened by the affairs and happenings in my life. The book written by Your divine grace "Bhagvata Gita as it is" gave me an instant strength of spiritual energy and motivation.

It has been since last 3.5 years, I am associated by Your spiritual movement of ISKCON where I came across the word "self-realization" and started questioning about the real problems of life such as why am i suffering ? I received some overwhelming satisfying answers from great devotees at HKM Chennai center such as his grace Stoka Krishna dasa (temple president) and Mukunda Madhav Prabhu. I have tried to inculcate the habit of chanting and participating in sankirtana movement regularly and motivated my family members to do so.

At many times, I use to lose my temper and become depressed. I sincerely and gratefully request His Divine Grace to give me the power to overcome all such fluctuations in life and only concentrate on Krishna Consciousness. Please guide me and teach me in some manner about how to offer the results of my actions only to the supreme personality of Godhead "Sri Krishna". I am fed up of this material happiness and it seems to give only miseries. The actions that we undertook for happiness becomes the source of suffering. Please help me to undertook the sankirtana movement very very seriously.

You are my beloved guru dear Srila Prabhupada and my love for You is manifold. Please guide me to chant daily 16 rounds and surrender onto the supreme personality of godhead. Your written books are a blessing for the human civilization in this modern era and I always feel fresh and energized even after reading the same chapter over and over again.

Again, please accept my pranam and humble obeisances on to Your lotus feet.

All glories to His divine grace AC Bhaktivedanta Srila Prabhupada.

Bhaktha Abhishek Gupta.

Dear Srila Prabhupada,

Please accept my humble obeisances.

Srila Prabhupada, I can still very clearly remember the time you saved me by using my elder brother as an instrument to get in touch with Krishna Consciousness. All that search for truth with my own mental speculation ended when I started reading your books. I can never be more grateful to you for what you did for me and to countless other devotees.

Srila Prabhupada, I'm a useless soul. Caught within the grips of Maya ever more deeply. Sri Chaitanya Mahaprabhu has prayed to the Lord " O my Lord, out of Your kindness You enable us to easily approach You by chanting Your Holy Names, but I am so unfortunate that I have no attraction for Them." Although I am able to grasp the philosophy of Krishna Consciousness intellectually by your mercy, still I am quite far from actual realization of the truth. As Chaitanya Mahaprabhu prayed on our behalf, I still pray for the same.

Srila Prabhupada, I have little or no attraction for Lord Krishna, his holy name, his pastimes, his form and everything about him. I only pray for your mercy that let me be attracted to the Lord and his holy name. I beg for your mercy

Srila Prabhupada. Being a pure devotee of the Lord, only you can make me obtain the mercy of Krishna, if I'm qualified for it, which I'm not.

jahara prasade bhai, e bhava toriya jai, krishna-prapti hoy jaha ha'te

I have little desire to serve you, but please me merciful unto me so that I can have desire to serve you. You have been so merciful to your disciples that even if they have fallen down and left you, you still gave them your remembrance at the time of death. I'm not at all qualified to receive your mercy. I'm so fallen. I pray to you to give me your remembrance especially at the time of death, which could happen at any time. Srila Prabhupada, please keep me under your shelter like your child.

A fallen person who hopes to become your servant one day,

Bhakta Anand.

Please bless me that I should follow the principles of Krishna consciousness without any obstacles on its way. Please bless me that I should never lose taste in chanting the holy names of the Lord. I should never give up the association of the devotees by your mercy.

Hare Krishna Jai Gurudev.

My Gurumaharaj is so special to me and everyone, he showed us being an example as how to be a Vaishnava should be there in this dangerous material world happily, by providing everlasting mahamanthra “Hare Krishna Hare Krishna Krishna Krishna Hare Hare, Hare Rama Hare Rama Rama Rama Hare Hare”

I was not aware of what is yoga, Gurudev taught us what is that and different types and among those which is best, I could realize then he must be descendent from spiritual world because of that his words filled with full of knowledge.

Every time my Gurumaharaj remind us to be very careful with material world as it is full of miseries, but by the association of devotees he showed us how to make this world into spiritual world. I always thankful to my Gurudev, he taught us how to be humble, tolerant, bold and serving mood by his own living examples.

I kindly beg blessings from my Gurudev, help me to continue and practice Krishna consciousness without any deviation and obstacles.

Thank You. Bhaktha Mahender Boddula

Dear Srila Prabhupada,

I offer my most humble and respectful obeisances to my beloved spiritual master, thank you Srila Prabhupada for giving me the great opportunity to continue in ISKCON for several years. Last some 8 months, I am managing spiritual, professional & personal life. As I feel personally attending morning mangala arathi, following regulative principles and chanting 16 rounds helping is me a lot.

I am very much lagging this year reading books, I need improvement on this matter. I need to improve my preaching skills at least by this year. All my spiritual progress going good because of your mercy. I feel very much fortunate that I have come in touch with an Acharya like you; please keep blessing me throughout my entire life time to continue in Krishna consciousness.

Bhakta Saran Kumar Anna

Dear Srila Prabhupada,

Please accept my most respectful obeisance's unto Your lotus feet.

The matchless gift You have given to us is Your organization (Hare Krishna Movement). Many people are getting benefited from Your organizations. I am the one.

There are many temples in India where no preaching is happened because of that most of the people doesn't have any idea about God. In Your temples only, the devotees are awakening the people with their eternal relationship with God.

As You told in many lectures that there is no organization to teach about God and Soul except ISKCON.

I benefited personally from Your organization in so many ways.

- 1.Chanting the holy name of the Lord.
- 2.Taking only Krishna prasadam (because of that so many diseases got cured).
- 3.Visting holy places (i never think that i can visit these places in my life time).
- 4.An opportunity to render service to the Lord in his deity form.
- 5.The most important thing is Your books. The special thing about Your books is to understand the philosophy very clear and easy and there are so many.

I am requesting that give me Your shelter so that i can practice Krishna consciousness more enthusiastically.

Your Servant, Bhaktha Saran

Bhakta Vishal

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet. Today is your 122nd Appearance Day. I consider myself very fortunate as I know about this day, as it is the most extraordinary day in the history of suffering mankind as yourself personally appeared to relieve the conditioned souls from this ocean of material suffering permanently. You are a Pure Devotee of Supreme Lord Sri Krishna, you came in this world to carry forward the message of Lord

Sri Chaitanya Mahaprabhu and spread this Virus of Krishna Consciousness all throughout the world. This Virus of Krishna Consciousness was brought by Lord Chaitanya himself from Goloka Dham and was preserved, protected and nurtured by the great acharyas and waiting for your arrival to spread its effect all throughout the world. Generally, a Virus in material world is something which is deadly in nature, but this Virus which Lord Chaitanya brought was from the spiritual world itself and hence it had characteristics opposite to that of matter i.e. instead of being deadly it was all lively and lovely and imparted new life to the suffering souls by spreading the topmost love of Godhead.

Prabhupada, This Year's Vyasa Puja offering is very special because this year you blessed me to become a part of your personal movement as a full time missionary. In 2012, when I first came to HKM Chennai where your bonafide mission was going on, the probability of stepping into your bonafide centres on this planet was 1 in 1 billion. Such an improbable event is only possible by your "Causeless Mercy". Your "Causeless Mercy" is completely opposite from materialistic so called "Luck Factor for getting something special" which is the Karma, the endeavor of the person and impersonal sanction of the Supersoul he gets that thing.

But, in my case, I never actually endeavored or had any idea about this Matchless gift of Krishna Consciousness, but it was because of your mercy that I got introduced to it and was able to gradually take it up as full time in 2017. In your books which is a source of transcendental realised knowledge, In the purport in SB-1.15.8 you have stated the following "The process is that by the grace of the devotee the mercy of the Lord is obtained and by mercy of the Lord a chance to serve the Lord's devotee is obtained".

Prabhupada, you are the Jagatguru , the spiritual master of the whole universe and you are the only transparent via medium through which we conditioned souls can approach the Supreme Lord, just like the defective eyes can see clearly through the medium of spectacles. Anyone who tries to take your position is basically like being water droplets on the spectacles.

When water droplets (whether transparent or non-transparent) sits on spectacles, it only behaves like an obstacle to clear vision and still whatever one is able to see is just because of the spectacles and not the water droplets. But these water droplets are just temporary and with time it will either be evaporated or fall down as it cannot remain on the glass surface due to its nature.

Prabhupada, every year you give me newer and newer realisations and in last few months when I started rendering Practical devotional service the frequency increased. One such nice realisation I had was how I can become free by just depending on Lord Krishna and by following the authority system which you have personally set up in this movement rather than trying to become independent. This is completely inline to your teachings in your valuable books where you state that the constitutional position of living entity is that he is completely dependent on Supreme Lord, and that can only make him happy and satisfied. Prabhupada, on this auspicious day I would like to beg forgiveness for all the offense which I have committed knowingly or unknowingly to you and your devotees. Please bless me that this fallen soul can render some service to you sincerely and seriously.

Yours Aspiring Servant

Bhaktin Nandhini

Dear Srila Prabhupada

Please accept my humble obeisance on this auspicious appearance day of your Divine Grace.

I first of all thank you for giving me the opportunity for having darshana of you and Their Lordships every day for past 2 years. This has happened only because of your mercy bestowed upon me. Since before 2 years when our family had decided to shift our home near the temple, I had some confusions going on in my mind. I was not strong

enough in that decision. But having only faith upon your lotus feet I made up my mind to shift our home near the temple and I thought that this is also the desire of Lord Krishna so that our family can be engaged in more devotional service. And yes this has made a drastic change in my life. I started to attend Gurupuja everyday regularly in the morning, now this has b turned a habit. I cannot miss it even a single day, even If I am somewhere else sharply at 7.30 my mind automatically starts thinking about the temple.

I have realized that I have become so much attached to the deities and I couldn't start the day without praying to you dear Prabhupada. It is a chance for me to share all my difficulties in my chanting and slowly you are removing it day by day. This same old place which I knew from my childhood days has changed so spiritually it has happened only because of you; sometimes I feel this place to be Vrindavana even though some problems arises it does not affect me. This made me to accept that devotional service by practice can also increases one's stages in bhakthi and that is true in my condition.

Dear Prabhupada, in my career I have seen students even after getting distinction in the graduation they can't able to define their success, but the fact is that just after reading your Bhagavat Gita As It IS I was able to define my success, what is the process for that and how to implement that in my life and even in others life also. In engineering there are lot of techniques and mechanisms we study for past several years but at last of particular chapter they mention that this techniques or mechanisms does not exists. Hence whatever we have studied is either impractical or imaginary. But the principles and the books which you have given to this world are not impractical or imaginary, and yes, I have complete faith that this is surely going to take me to another level of human life.

Dear Prabhupada, last year I had the opportunity reading the book NECTAR OF DEVOTION I really thank you for making me to understand the teachings in that book it is a complete manual for humans how to make loving relationship with God as a person. Dear Prabhupada, there was a one same question which was in my mind, in every history class, in my childhood days. The question was that what were Indians doing while explorers from other part of world are exploring the earth and other parts of universes, even though there were lot of learned peoples and lots of scriptures were there in India. I got the answers only after coming in touch with KRISHNA CONSCIOUSNESS that is, they were all reading SRIMAD BHAGAVATAM which describes entire cosmic manifestation, and the hidden secret is that, just by only reading SRIMAD BHAGAVATAM written by you, we can actually able to travel to higher planets because your SRIMAD BHAGAVATAM only contains the three spiritual words "SRI CHAITANYA MAHAPRABHU", "DEVOTIONAL SERVICE" AND "16 ROUNDS CHANTING OF MAHAMANTRA".

Prabhupada, on this auspicious day of your appearance on this planet, I beg for your mercy & Blessings. We really thank you Srila Prabhupada for giving us a wonderful Spiritual school where we are learning everything to please Lord Sri Sri Radha Krishna. What to say Srila Prabhupada, you taught us cooking, deity worship, chanting the holy name in beautiful tunes, how to do Hare Krishna Japa, playing mrthanga, playing dramas, coordinating wonderful festivals, book distribution, building beautiful big temples and manage them, cultivating new devotees and preaching and so on, everything for the pleasure Lord Sri Sri Radha Krishna. Just a word THANKS is not all enough for what you have given us.

With your mercy & blessing, let me not offend any vaisnavas, Let us develop all the good qualities of vaisnavas like compassion, humbleness and tolerance etc., let us live a nice Krishna Conscious Grihasta Life and serve the lord and the vaisnavas.

Srila Prabhupada! Please give us your blessing to do quality chanting, to get the taste of the holy name, to follow your instructions without deviation and to follow the regulative principles strictly. Let me obey all the senior vaisnavas guidance without any false ego. Let me respect all the elderly people and get all their blessings always.

Srila Prabhupada, this year is very challenging for us. We moved back to India from Singapore after 14 years, left all the devotees association there and started associating with a new set of devotees here at Coimbatore. Please bless us to advance in Spiritual life by taking all the devotees association. This year is also very great to us, Lord Sri Sri Jagannath, Baladev and Subadramai in big size have come to bless us and kindly have accepted our little service. With your mercy and blessings, Let us serve them nicely trough out our life. Another challenge is to start a cow farm and organic farming. With zero experience on both cow farm and agriculture, we have bought 5.5 acres land and developing it for cow farm. We really beg your mercy and guidance to successfully start the cow farm and maintain it nicely to set an example for all the farmers and preach them for cow protection.

Srila Prabhupada! please give us your mercy & dust of your lotus feet to advance in Krishna Consciousness nicely and to get Krishna bhakthi. Without your mercy we cannot approach Sri Krishna, so please give us shelter at your lotus feet always and guide us to get pure Krishna Bhakti.

Guru Chaitanya Dasa

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet. All glories to your divine words that have been recorded in books, letters, lectures, and conversations.

If not for these words that are available to us via the technological medium, those of us who have not seen you physically, would not have had any opportunity to hear or know you today.

It is amazing to see that westerners flocked in thousands towards you about 50 years ago like iron pieces were attracted towards a magnet. They readily gave their youth, life and everything to you. The reason was you were a pure devotee who was in love with Krishna. Your compelling presence combined with your pure devotion and love for Krishna and hence for his part and parcel conditioned souls, was the inspiration.

You were able to reciprocate and care for your western disciples to such an extent that the most incredible event of Harinama spreading around the world happened through them while their minds were filled with you. More than Krishna consciousness, there was certainly Prabhupada consciousness in the minds of your western disciples and that was enough.

The crux of Krishna consciousness is about being connected to a pure devotee by following his instructions. Until 1977, anything that came from you or recommended or acknowledged by you was absolute for the devotees. It was not much about it being Indian or western. It was about your views and approval on anything.

Having seen the current western civilization, I am continuing to remain amazed at how one person could influence the lives of thousands of westerners so much that they chose the path of searching after The Supreme Absolute Truth, Sri Krishna while having no trace of any connection towards anything spiritual for generations. I realize that it was simply the influence of your pure unadulterated love for Krishna.

On this day, I pray to you and all your sincere followers that I may develop the strength to give up hypocrisy and weaknesses in my mind and be able to follow and fulfill your instructions. I pray that I may not suddenly realise that I have lost a golden opportunity while being just a few moments away from death and instead aim to utilise my everyday in trying to keep up to your directions

I was born in the darkest ignorance, and my spiritual master opened my eyes with the torch of knowledge. I offer my respectful obeisances unto him.

Dear Srila Prabhupada, thank you very much for always being with me. This year has been better than earlier year, because my sadhana has increased way up. Though I am hunted with a lots of matreal problems I am able to stick to my sadhana most of the time. And it has always been a surprise for me. I could clearly see my inner strength is gradually increasing to face ups and downs in my life. Through your devotees here you have forced me to increase my service and has given a wonderful opportunity to visit the holy dhamas.

Prabhupada this year is also one of my best years in ISKCON. Reason being, I got the wonderful opportunity of my life time to distribute your books to my community people. It was a long lasting desire for years to distribute your

book at my place. And this year the dream became a reality by your grace and my sister's effort .We were able to distribute hundreds of books in a week's festival at my town.

Srila Prabhupada, you clearly know how fallen I am. I have no hope other than you. Even though its not from my heart, please make the holy names as my life and soul. Please make me remember Krishna at all circumstances.

Thank you Srila Prabhupada.

Dear Srila Prabhupad,

Please accept my pranams.

I am conveying my respects to you for making the wisdom to maintain a holistic well balanced life travelling together with the awareness of the Lord Krishna accessible to the most of the individuals in this world. Most importantly, My gratitude to Karuna Keshava Das Prabhu, who acted as a lighthouse indicating me the dimension of a meaningful life from the teachings of his master.

To my life connected to the teaching of Bhaktivedanta Swami Srila Prabhupada, the seeking for a meaningful purpose in my life begun at the age of 17 (in 2014). I was enquiring within myself, tormenting with questions, which further led me getting much more confused, taking me away from contentment. Years passed, with complications arising in my mental and physical well being.

Something gave me the inner strength to absorb and observe all these phenomena, a feeling that everything will be alright. That was the time I met certain wonderful people, who sprinkled the knowledge of the scriptures, who understood the proper perspective of the verses, indicating me that the solution is in these masterpieces. These great people displayed the beauty of Bhakti yoga, the power of the Hare Krishna maha mantra.

Now (in 2018) with their association, my life is meaningful, content, connected to the Lord above. I am happy.

Thanks a bunch to every soul at ISKCON.

Hare Krishna!

Yours sincerely,

Bhaktha Abhijit

Dear Srila Prabhupada,

I feel very happy and proud to write a message to you. First, I bow down to seek blessings from Lord Krishna, for accepting me to come into ISKCON movement Bangalore..

A devotee to me explained what spirituality is and what is life. He also explained chanting of "HARE KRISHNA" mantra which made me fresh and energetic for the whole day. Thank You for your visit to Sri Rama Krishna Mission Vidyalaya spending your valuable time and making valuable thoughts as to how a person can have a positive thought in him from a negative thought.

Visiting ISKCON and meeting great people like you is a blessing to me where I can feel the positivity in me.

And Prabhupada, you are the father of all the devotees at ISKCON. Thank you very much for accepting and giving me the Hare Krishna Maha mantra through your disciples. All glories to you!!

My request is to start an ISKCON movement in Nilgiri district (Ooty) which is very much needed to the people in Nilgiris. My service will always be there for ISKCON.

Yours sincerely,

Bhakta Dharma Vignesh

Bhakta Elavarasan

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to you.

By your mercy, ISKCON is very beneficial to me because I could get a bonafide Bhagavad-gita. I finished my studies while staying at one of ISKCON hostels in Chennai. I could get a chance to hear your lectures and those were very inspiring to me. Even in Coimbatore, I could help the devotees to whatever extent possible by me. This gives me immense pleasure. But what worries me is I am not able to chant 16 rounds daily and attend Sunday classes. I am not able to attend any festivals because of my untimely work. Please help me to chant 16 rounds and attend all the festivals for doing service. I want to go to all ISKCON centers which are built by you. I also want to go to Jagannath Puri Ratha yatra and Mayapur also. This is possible only by your mercy. Please help me to stick onto Krishna Consciousness.

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to you.

My inspirations from your life and learnings:

1. You are hard working and taught us how to achieve success in the life.
2. Chanting the Lord's name to achieve peace and reach Him.
3. Strictly following the order of the master to reach a particular goal.
4. Not losing the courage even if we fail in doing the work.
5. Always thinking positively about anything.
6. Helping children to study efficiently by providing them a healthy food(Akshaya patra).

7. Keeping concentration on one work and completing it.
8. Leadership qualities.
9. Solving the problems of people by telling them the simple solution (Hare Krishna Maha mantra).

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet.

I am very happy to practice Krishna consciousness. It is because of your mercy and my last life punya that I was bestowed with this Krishna consciousness. I am leading my life without fear about the future and leading a healthy life as well with vegetarian diet. All this is because of the chanting which you have given me. My wonderful moment in my life, which I will never forget is that the darshan of the Lord which I got on last Vaikuntha Ekadashi at ISKCON Bangalore. And I never forget when I had Jagannatha mahaprasadam on Jagannath Ratha Yatra at Hare Krishna center in Coimbatore. It was so tasty and I was offered unforgettable varieties of prasadam. The book distribution service which I did in the temple was awesome. Oh my spiritual master! please give me strength to detach myself from the material pleasures and get attached to Krishna's service. Currently I am chanting only two rounds. Please help me to chant 16 rounds as you desired, soon.

Your aspiring servant,

Jegannathan. B.

Bhakta Karthikeyan

Dear Srila Prabhupadh,

Whenever the temple devotees ask us to write a letter for this auspicious day (Vyasa Pooja), I use to postpone on it. But the moment when I sat for this, I felt I should communicate to You very frequently about my progress.

Even though every day we sing "Guru Mukha Padma vakya", still am doubting myself whether am really qualified to be Your disciple. Please bless me at least to hold Your dhoti.

But one thing, whenever am under some kind of family or work stress, I use to feel that this distress may be the cause because am not doing any rituals or demigod worship activities. But the very next moment some devotees will send a quote from Your words that "Just chant 16 rounds of Hare Krishna Maha mantra, nobody in the three words can conquer You". This is one of the example.

Sometimes when we are puffed up by our mundane activities, You cried for ourselves and instructing us that we are nothing in front of Krishna. But in front of Your glories we are nothing and please help us in spreading Your glories. That is the only salvation for us to come out of the illusory life.

Every day by day, when follow Your words am peaceful and I have the feeling that You have special mercy upon us, else we will no more in this movement particularly under Your guidance. Kindly bless me to do my sadhana Bhakthi regularly to be strong enough in Krishna Bhakthi.

I beg You on this very auspicious day, please forgive me for the offensives which I made to Your surrendered souls and give me an opportunity to take their words in the right way to execute my sadhana Bhakthi.

Yes, I know Your words never bring me down at any situation. But please put me in a situation to follow Your words on daily basis and serve Your sincere disciples by heart and soul. We know from You only that just by pleasing You alone we can cross over the material sufferings and attain the mercy of Krishna.

Please forgive me for the all the things and bless me to practice the Krishna Bhakthi in the coming days without any offensiveness. Kindly remove my ignorance, ego and enlighten me to progress and serve more.

Jai Srila Prabhupada.

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet.

I always had a question which confused me too much about the intelligence aspect of human life. What made man different from animals? The answer is said to be 'intellect', but what exactly it means. It was when I read the book IQ EQ SQ by BASICS that I understood clearly. In that book, your good self, Founder-Acharya of International Society for Krishna Consciousness comments, "Man is a rational animal is not a perfect definition. Man is a spiritual animal." Yes! SQ is the most fundamental aspect of man's intelligence making him the spiritual animal. Your books gave me so much information and insight about SQ. Your teachings are adaptful and made me realize that my life is not only meant for eating, sleeping, mating and defending but something more than this. This is what makes man's life different from animal's life. I very clearly understand that a man can search after God but an animal cannot. Then comes Bhagavad Gita through which I realized the greater things of human birth and his relationship with God. I thank you Prabhupad for reaching me through your teachings and showered upon me the divine knowledge. I pray to you with all my heart that I shouldn't forget about my nature of being human and I should progress in my journey of Krishna Consciousness.

Your aspiring beloved disciple,

Kinger Yash.

I learnt lot of things from your teachings. Chanting has made me focused in my life and also helped in my job too. I am chanting my 16 rounds daily now as you said. Please help me to chant my 16 rounds everyday and also read your books throughout my life. I had offended Vaishnavas sometimes. Please forgive me from those offenses and bestow your mercy upon me throughout my life.

Dear Pujya Gurudeva Srila Prabhupada,

Please accept my humble obeisances at Your lotus feet. All Glories to You and Sri Krishna.

I have been very fortunate of my association with Your spiritual establishment (ISKCON) since 2008. Over the years my spiritual consciousness and services have developed leaps and bounds by my own measurement yardstick. I am very thankful for the guidance received through Your teachings (lectures/videos/audios) and opportunities/mentorship from Your able devotees in Hyderabad and Coimbatore who have ensured I stayed in the right path/direction and spiritually engaged every now and then. This year has been an eventful year in my life

journey as I had just stepped in to Grihastha phase which involves additional responsibilities and commitments. I am very fortunate to have a spouse who is equally spiritual oriented and am confident of her continued support. As I go through this transition, I pray to You and the Lord to bless me to deepen my spiritual consciousness and enhance my service for greater welfare.

Thank You,

Hare Krishna..!

All glories to His Divine Grace A C Bhaktivedanta Swami Srila Prabhupada !

There are no words to thank You Prabhupada for whatever facilities You've given for progressing towards Krishna consciousness.

To name a few: The Hare Krishna movement, temples, method of worship, disciples, the way of living etc.

In a short span of Your lifetime, You propagated the sankirtana movement to benefit the lower class of men all over the world through chanting, dancing and eating prasadam. You even advised the mass of people how to live in this material world and perform Your prescribed duties, but at the same time engage Your activities in service of Lord Krishna.

I could feel Your presence and Your messages in each and every step of life from the moment I got in touch with ISKCON and its disciples.

Your books made a lot of changes in me positively and I would like to receive Your blessings throughout our life.

Bless our little Krishnavi also with Your immense blessings to serve Krishna always.

At the Lotus Feet of Krishna and Srila Prabhupada,

Dear Srila Prabhupada,

Please accept my most humble obeisances, and kindly forgive my offenses. On this most blessed event; Sri Vyasa-Puja, I am filled with a sense of gratitude and wonder.

“On this day I have come with this offering just to worship You, remembering Your lotus feet.”

Our journey toward Krishna it would be so very helpful if, while we live, study, work and interact with others in sunday classes, we bring more of who we really are spiritually into our human life. Love on You make us to chant holy name, associate and service more in sunday classes and in other spiritual events.

The fact that You have always resided in my heart, and have been my most constant friend and ever well-wisher, even without Your physical presence, proves our eternal relationship with You. So many friends and family have come and gone, but You Srila Prabhupada, have remained in my life as the one constant.

You are present still in Your pictures and murti's. You live in the hearts of Your sincere devotees. You have touched us all so deeply; we cannot help but remember You.

Srila Prabhupada is my life

Srila Prabhupada's book "Krsna" made me come to Krishna consciousness with devotion and helped me develop utmost respect to our our esteemed Guru Srila Prabhupada.

Prabhupada taught the best way to reach Krishna even to simple people who are not knowledgeable.

Srila Prabhupada taught that Krishna is the only object of surrender without any expectation.

Srila Prabhupada is a irreplaceable saint who knows all the Vedas and Puranas.

Even for those who do not have Vedic knowledge, Prabhupada paves way through bhakthi yoga and makes the devotees surrender Krishna through love, service, devotion. My strong faith is that Srila Prabhupada should be worshiped as good as Lord Krishna.

I will worship Srila Prabhupada first and then get the blessings of Lord Krishna because Prabhupada is the one who immersed me in to Krishna consciousness.

And also, all this happened by the grace of Lord Krishna.

Thank you,

My Dear Gurudeva,

Please accept my humble obeisance. All glories to You.

I remember one fine auspicious day Thursday around 10.30am I went to flower market to buy flower on that day. My mood was very bad. Somewhat very upset I almost felt frustrated about life & I even scolded God also. So at that time I met Your disciple or devotee. I think now its fortunately made by You. Because I was searching for real happiness.

Then I attended kirtans, bhajans, lectures and chanting. Some of the things I observed was cleanliness and orderliness in the temple. Then devotees' face are filled with peace. Then after doing kirtans, bhajans it created a great sense of freedom and joy that I never felt in last 5 yrs. Basically I like music and dance since my childhood. But I forgot to experience that. I thank You for giving me that experience in Krishna consciousness.

Then, after chanting continuously for 1 week I realized that something is there in this mantra meditation because I noted changes in my body and mind as well. Then started reading pages of Bhagavad Gita. It created much more curiosity to see Krishna. I am still practicing mantra meditation.

Next one is prasadam. I feel some software program is tuned in it. On having that I actually feel really good sense of well-being. While hearing Vedic scriptures, historical happenings we come to situation that our life difficulties are very infinitesimal when compared. It raises gratitude and attitude. But as we are human in this world, ego character is still dominating. So, I request Supreme Lord Krishna through You even though I forget You, please forgive me, bless me, always with me and guide me. Thanks forever.

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet.

I still remember being a seeker of truth reading copious books on philosophy and metaphysics which never seemed to satisfy my soul, it was at this juncture that I remember googling "what is the purpose of life" and for some unknown reason I clicked on an audio file and it played your Thompkins square Hare Krishna kirtan starting with "Vande Ham Sri Guru", and after a while when you started chanting Maha mantra I immediately realised that this sound seems very familiar as if it was a long lost friend and I found my eyes were almost with tears. I immediately searched name and downloaded all your books in my incredibly sluggish deli up modem. I was simply amazed relieved and excited at the absolute conception of truth being a person it was like a huge burden being lifted off of my chest.

It's incredible how you have brought me closer to your consciousness through your books, it is my sincere wish that someone somewhere in some remote corner of the world who is longing for the absolute truth may somehow mystically by your divine grace be the recipient of your books and may that soul experience the sublime summit of satisfaction which everyone is deeply hankering for.

Your sacrifice determination surrender and beauty is unparalleled in the history of this world, may you lead the path back to Godhead.

I may not be competent enough to go back to Godhead but may you bestow me the mercy of holding on to your dhoti as tightly as possible.

In your service,

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to You.

I have been with the Hare Krishna Group for more than 8 months, let me give a short introduction on how I got into touch with the Hare Krishna group first. It was Nov 1 - 2017, that I got to meet a man in my terrace, in Bangalore on the auspicious day - Tulsi festival, which comes after 13 days of Deepavali. I met a man who walked up my terrace with a mala in his hand, and he was chanting the mantra, and the holy name of the Lord Sri Krishna. Then he asked me to walk into ISKCON in Bangalore, which is around 2 kms from my place where I was staying. Thereafter I walked into ISKCON on a cheerful Sunday morning. I was just walking through the Gita counter in the main temple hall in ISKCON. A Monk noticing my taste towards Krishna, with a cheerful and smiling face walked at me and he took me to his cabin, who later on became my FOLK guide was none other than Aniruddha Balaram prabhu. He gave me some very good advise, the teachings of Your good self, which made me realize that there is a lot of things that I need to learn, more than our day to day activities. Thereafter it became a habit for me to attend and learn the daily kirtans, and I was actively participating in every day activities at ISKCON Bangalore. I was getting a sense of relief after chanting the holy name of the Lord. With the mercy of Srila Prabhupada, I did attend two functions one in Mandya - the kite flying festival on Sankranti - January 15 & the holi celebrations in the month of March at a resort in Bangalore. Again these two functions will always be in my mind forever.

Later on I was a quite nervous. One fine day I got to know that I was supposed to move to COIMBATORE on my professional visit, which was unavoidable from my end. I was a bit scary, sad since I will be missing my most cherished days which I had spent in Bangalore. But my folk guide, Aniruddha Balaram prabhu introduced me to another Monk - by name Karuna Keshava Prabhu who is taking care of the COIMBATORE - ISKCON, this is how I happened to meet Karuna Keshava prabhu, and in this way I also attended various functions in Coimbatore under the FOLK guidance of Karuna Keshava prabhu. With the mercy of Your good self, Srila Prabhupad, I got to meet these always smiling, cheerful and helpful prabhhus. So all thanks to You for giving me a new dimension in my life. Thanks for all the prabhhus, for being so kind and making my life so much organized and cheerful.

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to your lotus feet.

I thank you very much for giving me the Hare Krishna Maha mantra. Yogasana and going to gym may improve the body but you are the one who gave the mantra for strengthening the soul. I have realized this. When I went to Vrindavan last year, I started chanting my 16 rounds. I thought only money is life. But after going to Vrindavan, I saw how people there are very happy. I didn't see money there but the chanting bags in their hands and was amazed. They lead a simple life but with high thinking. I saw that they are very happy still just by chanting Krishna's names. If we chant Hare Krishna Maha mantra, surely we will come to know why we came here to this earth. Human life is very short but just by chanting Hare Krishna mantra one can successfully finish this human life. Thank you very much Prabhupada for giving me this opportunity by bestowing millions of blessings upon me.

Dear Srila Prabhupada

Please accept my humble obeisance's at your lotus feet. All glories to you.

sri-guru-carana-padma, kevala-bhakati-sadma,

Your lotus feet are the abode of pure devotional service. I bow down to your lotus feet with great awe and reverence.

First of all, I thank you very much for giving me this opportunity. Since I am not qualified to write anything about you, please give me the strength to glorify you.

After reading your books, I got know that your preaching mood was very strong. You showed us that there is no limit to Krishna Conscious activities. When your disciples would inform you about book distribution results, you would be very pleased and would say "Double it!" Next time when the devotees reported doubled scores again you would say "Double it!" This instruction gives me inspiration to do more service, even when I reach my bodily strength and capabilities up to the full. Similarly many instructions have inspired me to practice Krishna Consciousness seriously.

I have rarely paid heed to ponder about importance of human life and accepting a spiritual master. By your mercy this point struck me when I was speaking to one of your initiated folk disciple. I asked him what made him take initiation and he told that getting a spiritual master is such a fortunate thing and we must be hankering to take. But, instead of that, devotees have to push us to take initiation. This obvious fact struck me that day. I am also trying to follow four regulative principles strictly, which I was not doing before. Idea of going back to Godhead is slowly rising above in my consciousness. But I know that I cannot follow all of them strictly, especially illicit sex.

Dear Srila Prabhupada, I have been hesitant in discussing my inability in following four regulative principles with devotees and seeking a solution. I had neither posed the problem in front of you and Lord Krishna, falsely thinking that I can handle it myself. But as you know I have badly failed. This is going to be a stumbling block in advancing in Krishna consciousness. I beg you to give me strength to overcome the temptations. I know that my prayer is not pure, but in the same way as you have recognized my small desires to advance in Krishna Consciousness in my life so far and kindled them to grow big, please consider my prayer this time also, if it is genuine in my heart.

One of your unlimited pastimes that took me by awe and gratitude was this –You were very sick and weak one time. One priest who knew about you came to meet you to tell something very important. When the priest met you, the priest told that your deity was installed in Vrindavan ISKCON temple and people were touching the feet of the deity and taking blessings. "If a guru's deity is installed when the guru is still living, then all the suffering of the people has to be suffered by the guru", He said. The priest did not know that this was no new information to you. You calmly said "I have come to take the suffering of all the people". Priest was speechless after hearing this. It really pained me and I felt guilty when I heard this, because I would have put you to immense suffering because I have committed many sinful activities even after coming to Krishna consciousness.

You are such a boundlessly compassionate spiritual master, I have never heard before.

You have kindly reciprocated to all my prayers. But I have been foolish not to accept many of those matchless gifts. This year, permitting me to stay in hostel (center), you have given immense opportunities to develop my service attitude. I can practically see the change in me. I have experienced couple of times that whenever I get a little desire of enjoying/sense gratification, you always remind me to be away from that also whenever I get a little desire of discussing Krishna Consciousness with people in my office, you have always arranged circumstances wherein I could preach to some sincere souls.

I thank you Srila Prabhupada for all the mercy that you have showered onto me and my family. Please forgive me for all the offenses I have done knowingly or unknowingly against you, the devotees and the holy name.

Kindly keep me always at your lotus feet.

Dear Srila Prabhupada,

Hare Krishna.

I don't know how to thank our great Acharya. After going to Puri Dham only I became a devotee of our Supreme Lord. But till now I have a guilty feeling about my late entering to Krishna Consciousness. So I wish to engage my children in this movement from their childhood. Without our spiritual master's blessing we can't overcome all the material sufferings. I am always thankful to Him for blessing me to overcome my difficulties in this material world. I pray Him to show mercy on me to render my service to the Lord.

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to You.

The lotus feet of my spiritual master are the only way we can attain pure devotional service. I bow to his lotus feet with great awe and reverence. By his grace one can cross the ocean of material suffering and obtain the mercy of Krishna.

And yes indeed, I'm being blessed by the Lord and it was Your grace who opened my eyes to Him, which were tied by the wrath of Maya. You're such a high divine person who showed me my purpose of life. You've been fighting a spiritual war with the materialistic people to help them. Such is Your mercy. Oh Divine Grace, because of You I won't be suffering the same as these atheistic and immature people are suffering from.

Thank you very much!!

My Dear Guru Srila Prabhupada,

Hare Krsna ! My humble obeisances to You.

“Religion means to know God and to love Him.”

The above lines were from your teachings. According to me religion is Krishna.

I am still not a staunch follower of your teachings, but i have been through and faced alot. I cannot compare what others have gone through but yes, I have faced my portion of lessons. There is just one thing that is keeping me

sane and in track with spirituality when ever i lose hope - To believe in You as my Guru and in the supreme Lord is my mother.

As i quote from your teachings --- “Such deluded persons, symptomatically, dwell in dualities of dishonor and honor, misery and happiness, woman and man, good and bad, pleasure and pain, etc., thinking, "This is my wife; this is my house; I am the master of this house; I am the husband of this wife." These are the dualities of delusion. Those who are so deluded by dualities are completely foolish and therefore cannot understand the Supreme Personality of Godhead.”

I have been a fool and been misguided thinking this is how the world works and i have met and seen such delusional people who have no realization of what is there beyond this world. People are so obsessed with their own life that they ignore to see beyond. May it be a love to an animal or to a human, if our teaching at home has a strong basement we would not fool ourselves by saying "It is fine to be stupid and do sinful things"

I may not be a staunch spiritual person, but my guidance that i keep receiving from my mother has helped me through to be a better human, a compassionate human which is the foremost quality required to be a follower of the Lord. I am sure Oh Prabhupada that these teaching and guidance my mother has given me has evolved from Your teachings, lectures and books which she followed and also taught me every time i was about to give up and fall, you made her stand as my pillar.

All i would pray to You is help me follow Your footsteps better if not today, but someday soon. Because, when i leave this world i should have done good deeds, spread happiness and make people understand better that the enlightenment we all seek is within us and it is necessary for us to realize that. Help me serve and be a bigger pillar to my mother.

Oh Guru, Forgive me for all the sins I have made so far. Be merciful unto me. Help be fulfill my duties properly. Guide me, support me and stand beside me to help me fight in this cruel world to survive and reach the Lord's feet which is my final destination.

Thank You .

Dear Srila Prabhupada,

Kindly accept my humble obeisance. All glories to Your Divine Grace. I feel very happy to offer my heartfelt thanks to You for Your UNCOUNTABLE blessings onto me and my family.

Only with Your blessings, we welcomed and started worshiping the Lordships Sri Nitai Gauranga at our home from last year. From then the positive energy flow in everyone in the family could be felt.

The Hare Krishna maha-mantra is a great healer for me. The mantra heals everything that needs to be. The mantra crashes down my ego which I wanted to get rid of in many situations. I was often recovered from my loneliness by the maha-mantra. It's because of You we all are moving away from ignorance towards the brighter side of the life. A Thank You is simply not enough for the wonders happening among us.

My prayers are to shower Your blessings onto us to spend more time to chant, read & hear more on Krishna Consciousness, get involved in Spiritual activities and live a more conscious life. I beg You to bless me to have

association with devotees more than now so that the quality of the living gets more inclined towards the Krishna Conscious life.

Dear Srila Prabhupad,

Please accept my pranams.

At the outset I am extremely grateful to the Lord for bringing me here today. I would also like to thank the devotees here who have been instrumental in inculcating the Krishna consciousness within me. I recall the day when he invited me for the movie on the life of Bhaktivedanta Swami Prabhupada. I was very keen on watching the movie as I wanted to know more about this great Swami, your good self, who single handedly created a global awakening of Krishna consciousness. Resorting to Krishna, is the only solution for the problems of the suffering of all humanity. The movie was touching, inspiring, a great eye-opener which instilled a very strong faith in the faith that you had in Krishna. It was so strongly embedded in you that did not deter from his goal even in the worst circumstances. You created consciousness which became a centre to satisfy hunger. Gradually his teachings affection and compassion lured the Bhaktha into "inner engineering".

" At some time a man grows dissatisfied with life and not content with what he has, seeks the satisfaction of his desires through prayer to God, more to obtain His grace than to satisfy worldly desires, then God's grace begins to manifest. He takes the form of a Guru and appears to the devotee, teaches him the truth and moreover purifies his mind by association with him. The devotees mind thus gains strength and then is able to turn inward. By meditation it is further purified. A call is experienced and the force of light extinguishes the force of Darkness. Swami conveyed exactly this. Your efforts in creating Krishna consciousness were full of love, Bhakthi and Shraddha. Your conviction was, is, and will be eternal.!!! YES, KRISHNA is the ONLY reality.

You wanted more and more people to experience the grace of Krishna.

Truly, for me EVERY moment is so inspiring, elevating and such a beautiful experience.

Yours Sincerely,

Bhaktin Hema Ramesh

Hare Krishna,

My humble obeisance to His Divine Grace A.C Bhakthivedanta Swami Srila Prabhupada.

I would like to express my heartfelt gratitude to my Guru, My father, Srila Prabhupada on this special day of Vyasa Puja. He always extends His helping hand in all desperate situations and protects me from miseries. I thank 'the Saviour' for having given us the precious Hare Krishna Maha-mantra, a shelter for everyone in this age of Kali yuga. The Maha-mantra gives me great strength to handle hardships in life and imbibes courage in me to overcome the problems.

Many times, when I was in distress, I have taken shelter under the lotus feet of Srila Prabhupada and chanted Maha-mantra wholeheartedly to come out of darkness.

Dear Srila Prabhupada, I was in heart brokenness when my beloved mother was in intensive care, you gave me strength to chant Hare Krishna Maha-mantra with positive attitude towards her recovery and made me to realize the immense power of Maha-mantra. Thank you Guru! For enlightening us with Krishna Consciousness.

Kindly bless me to have ever lasting association with devotees who are all my eternal strength to progress in spiritual life. I beg your blessings for my family members and generations, chant Maha-mantra happily and enjoy in Krishna Consciousness. Srila Prabhupada , Your presence remained and expanded, sustaining our lives.

I was born in the darkest ignorance, and my spiritual master opened my eyes with the torch of knowledge. I offer my respectful obeisances unto him.

Srila Prabhupada, I am thankful for your guidance in every step of my life, through your writings and speech, which supports me to stand firm on chanting even in the midst of so many hurdles. Sometimes, I try to sort out my problem on my own and feel frustrated with life, though I know its always the best to follow your instructions. Its only because of your mercy, that you direct me back on chanting and service just as a father guides his child. From the last few months, I was blessed to have the darshana of Lord Narasimha everyday which helped me to focus on chanting more intensely. I thankyou Prabhupada for standing besides me in all phases of life and giving me the inner strength to fight the material issues and get closer to you and Lord Krishna. Being an insignificant fool, and I know I cannot repay my debts to you but on the other hand I am sure that you will never give up on me. So I humbly request you to give me the strength to follow your orders of chanting 16 rounds of Hare Krishna Maha-mantra attentively and regularly and also strictly follow the four regulative principles.

Thank you Srila Prabhupada.

Hare Krishna!

All glories to Srila Prabhupada!

It gives me immense pleasure to write about gratitude and glorification of Srila Prabhupada.

Even though I know I cannot glorify the spiritual master just by such writings I take this opportunity to at-least think about the greatest work he did around the world.

On 14th July 2018 I was attending Jagannatha ratha yatra at Antwerp(a place in belgium, europe), I was astonished to see how the foreigners where celebrating ratha yatra. I see them shouting and dancing with love for Krishna, and not just only that, beyond which I saw they are sweeping the roads before the ratha through out the yatra. It was just unbelievable moment for me. I have never seen/did such service in any of the ratha yatra that has happened in the south part of India.

Then I really understood the love for God which Srila Prabhupada thought to these people who don't even know who Krishna is before Srila Prabhupada taught them. Its not that easy to do such service to God other than you my guru Srila Prabhupada. Thanks for making me realize and do such a service to God.

As Prabhupada said, the words spoken by Lord Krishna in Gita are called apauruseya (means they are not delivered by any mundane person), now I also think the spreading of Krishna Consciousness through out the world is also apauruseya (cannot be done by a normal person) because in our daily life we practically see the difficulty of chanting just 2 rounds by convincing each of family members like mother, father, wife, husband, children etc., Prabhupada not only did chanting for himself he also made crores of people to chant through out the world, not just by convincing them but by making them realize and understand the importance of aathma (soul) . What else can I quote here to show the glorification of guru.

So on this special occasion of Vyasa pooja I am praying unto you to give me at-least a little drop of devotion and love you had towards Krishna which will make me realize our service towards Krishna. As Prabhupada said the real feature of devotee is forgiveness, I humbly request devotees to forgive me in case of any mistakes in writings.

Always liking to be a devotee of devotees,

Dearest Prabhupad,

My humble and respectful obeisances to YOU!

On this day of Vyasa Puja I have a lot of say.

First of all, please accept my heartfelt gratitude. I am ever thankful that You have come into my life and have been my guiding force and my greatest inspiration. This is more so after I watched the movie of Your great endeavors and achievements.

How much pain You endured and what courage and determination You bore to take on the unknown world of ignorant people. You accomplished great feats all because of Your Guru's commands and request. I fathom the magnitude of love You have for all of us. You have embraced the whole world without discrimination. Dear Guru, can I even match a shadow of that???

Never-the-less I am trying hard to keep reading and learning from Your words and Your books, lines and phrases that I need each and every day to push me towards my Krishna conscious goals.

I am just a speck of dirt fallen at Your Lotus feet, Kindly guide me and stay with me forever and ever, My dearest Guru.

Please accept my folded palms of gratitude and humility; my begging hands asking for more grace and mercy to pick me from this fallen position to elevate myself to be worthy of You. I beg and pray for better health and a clear mind to serve You and the Lord better and better and to stay forever and ever in the abode of Krishna consciousness.

This is also by the mercy of Krishna and my Acharya Srila Prabhupada. Dear Srila Prabhupada,

Please accept my humble obiesance. All glories to your Divine Grace.

It is so easy to go with the flow of this material world. Every nook and corner gives encouragement to pursue material goals. However, by your mercy, I have realised even to perfect simple things such as rolling round chapatis takes a lifetime.

Achieving material goals is hard and useless since we forget everything when we are born again. If not for spiritual life gifted to us by your mercy, life would have been a vacant collection of successive events that works like a template for every generation of human beings. There is nothing new in this world. How strange to even think of it. Everything is recycled. As you rightly said 'chewing the chewed.

Srila Prabhupada, you have mercifully instituted everyday Srimad Bhagavatam class at every temple. When I hear about Prthu Maharaj and queen Arci's departure from this material world every day of the week from different devotees, I appreciate your grace immensely for facilitating this great knowledge to us.

Your faith in the holy name is the ocean from which I beg to get a drop to save my life. I am not very knowledgeable nor am I a person of great determination. But by Krishna's mercy I have rightly put all my faith and endeavours into realising your words. You are not an ordinary person from this world.

Srila Prabhupada, your life was not a part of a template. You are the answer to break the template of birth, school, college, marriage, work, children, disease, old age and death.

Srila Prabhupada, I pray that I may be able to use this lifetime in realising your instructions and serve you by distributing this knowledge to more souls.

Dear Divine Grace,

I bow down to offer my humble obeisance's at Your lotus feet who is the true representative of Sri Krishna

A journey of one year passed at the shelter of the lotus feet of his Divine Grace. By chanting the Hare Krishna mantra, I learned to control the mind, and has bestowed me with peace of mind removing anxieties, worries and unnecessary wavering. I always had a misconception that the ultimate goal of life is to achieve liberation by getting out of this material nature and I did not have any idea about the spiritual destination. I had a deep faith that I would find my spiritual master and he would let me know what that goal was and how to enter there.

By the blessings of Krishna, I found my spiritual guru- His divine grace A C Bhaktivedanta Srila Prabhupada.

Forever grateful to Srila Prabhupada for enlightening my mind to involve fully in Krishna Consciousness and highlighting the importance of self realization through the highest path of devotional service. His divine grace has made me realize and given me the push and encouragement to remain forever in

the process of Krishna Consciousness through chanting, reading Srila Prabhupada's books, participating in study courses and following the regulative principles. Understanding about God became so clear, actually for the first time I realized that God is a person, He is Krishna (THE SUPREME PERSONALITY OF GODHEAD).

Everything Srila Prabhupada said through his discourses became so clear and made so much sense and now I have a firm belief that chanting the maha mantra is the highest form of meditation and yoga in this present age of Kali Yuga for all the fallen souls. My desire in this life is to constantly engage in the devotional service of Lord Krishna, learn to control my mind, follow the teachings of His Divine Grace and put them into practise and ultimately wish my soul to reach the abode of Shree Krishna- VAIKUNTALOKA (My original home).

I deeply want to remain connected with Hare Krishna Movement till the last breath of my life.

Forever In the Service of Lord Krishna,

Dear Srila Prabhupada,

Please accept my humble obeisance at Your lotus feet!

Today is the celebration of Your appearance within this world ,and it is a time of great rejoicing!! We are grateful to Lord Krishna for sending an empowered representative like Your good self.

It is Your causeless mercy upon me that You have planted the bhakti bheeja..but please help me to grow that seed into a great big tree my lord. Last year the same day I took shelter under You...but I very honestly accept that I didn't follow it strictly and regularly. But this year You made me to realize by punishing me in a delicate manner to Your daughter, but at present I am blank and have a great question mark of my future (Yourself You know my Lord) and You taught me a lesson which is very essential to make spiritual progress and be in Krishna consciousness.

If I look back in my life ,I can clearly see how significantly Yourself and Krishna have made and implemented various plans and miraculously guided me in my life. Now the times I wonder "why things didn't work as per my plan?". At times I was disappointed thinking "why Krishna is not helping me?" But I slowly got maturity by Your grace my lord that it was all for a reason of molding me as per Your divine plan.

At this auspicious day I pray my Lord please help me to chant regularly without even missing a single day and give me the strength in accepting what so ever occurs in my life a massive failure or a great success it may be.

Please accept my heartfelt apologize to You my dear father for not following the regulation of chanting regularly, reading Your books. At times You made me to understand the universal fact that Whatsoever only You and lots Krishna would be always there ever existing with same love and affection .Thank You for making me to realize that my Lord.

At last please engage me in more and more Krishna's services and chant the holy names always and serve Your sincere disciples.

How did i even miss on something which is must and the need?! Krishna has always been my go-to person and will be for life.

Jai Srila Prabhupada!

om ajnana-timirandhasya jnananjana-salakaya, cakshur unmilitam yena tasmai sri-gurave namah

Please accept my most humble obeisance on this auspicious occasion of your appearance day. Prabhupada, there cannot certainly be any amount of gratitude that could match even a tiny fraction of the mercy that you have shown to me. Where in this world could have I found a pure devotee spiritual master like you!

On February 5th 2018 , while I was sitting in front of your alter anticipating what spiritual name would I be given , I was continuously wondering if I could be given a name which was connected to you , and thus I was given the name – “Abhay Narayan Dasa” (Servant of Lord Narayana who gives shelter at his lotus feet and thus provides liberation). I also see this name as a servant at your lotus Prabhupada, as the very first name Abhay suggests your name and the last name suggests that I am your servant.

Prabhupada, Of late I had been facing some tribulations of the mind and I acknowledged how you mysteriously make yourself accessible to help your devotees. This time it was while hearing a Bhagavatam lecture by Madhu Pandit Prabhu when I understood where was I going wrong in facing those mental tribulations. In the lecture prabhu mentioned that it is just because of having associated and fed our situational/false/ghost personalities that they keep showing up time and again and the only way out is to know that “I am not that personality” my real identity is that of a servant at the lotus feet of Krishna and my Spiritual master .The more I act as my original personality the easier it becomes to handle the false personalities .This helped me realise that if I just meditate on the name that I have received I shall then realise who I actually am and that would lead me to do things I am supposed to do and keep me away from things am not supposed to do and this would keep me away from all unwanted things.

Prabhupada I know that only by your mercy can I cultivate my real self, please help me do this; please keep me always attached to your lotus feet.

Prabhupada please keep me under your protection always and keep me always engaged in your service. I am so much indebted to have such amazing personality like you in my life. I am more indebted to have the presence of your sincere devotees in my life in the form of my authorities. Please help me fulfil the orders of my authorities and develop the sense of servitude more and more, please purify me so that I could serve you and your devotees better. Let there never be any moment when I am not engaged in your service.

Dear Srila Prabhupada,

I offer my respectful obeisances unto your lotus feet on this auspicious day of vyasa puja.

Srila Prabhupada, I am very glad that I have got an opportunity to express my love towards your lotus feet. All alone you have faced so many difficulties and obstacles to manifest Krishna consciousness movement on this earth. Oh my spiritual master, when I read your biography, I felt like to be with you in your difficult situation and serve you. But now by Krishna's grace, I have come in contact with you and I have got an opportunity to serve you. As lord Sri Ramachandra accepted the service of the squirrel while constructing the bridge for Lanka, similarly Gurudeva accept me as your servant and give me the eligibility and strength to serve your mission and Supreme Personality of Godhead Sri Krishna. Oh my master, always engage me in your service. Humbly begging to remain always at the service of your lotus feet.

Your insignificant servant, Bhakta Abhinandan P.R.

Dear Srila Prabhupada,

All glories to Your Divine Grace!

Prabhupada, You are very very merciful. It is through this Hare Krishna Mantra that you built this International Society for Krishna Consciousness, created association of devotees and gave opportunity for rendering wonderful services. Your mercy is not any ordinary mercy like others. You directly showered the highest mercy which is love of godhead, and to attain that it is very very rare even for Lord Brahma, so what to speak of ordinary living entities like us, who don't even know what is true love only, forget about love of godhead. Please protect us from not committing any mistakes at your lotus feet. Jai Sri Sri Krishna Balaram. Jai Srila Prabhupada.

Hare Krishna,

Please accept my humble obeisance in the lotus feet of the Lord.

Chanting the mantra and the holy name of lord Krishna has changed me as a person. Made me a person who has hope, strength to face challenges in life. Makes me feel l that the lord has always my back. Truly speaking i didn't deserve to receive the Gold medal in my post-graduation, it was given to me by Lord Krishna, he made sure i didn't have to wait for any opportunity since then. Lord has been kind to me.

Lord has provided me with enormous strength to leave out the bad in me, habits of smoking, drinking and most of all anger and frustration.

Chanting the holy mantra gives me the inner peace and serenity along with a chance to thank the almighty every day for providing me with all the good in life. Hare Krishna

Dear Srila Prabhupada,

Let your lotus feet be the goal of my life, the sight of my vision and a treasure of unlimited happiness.

It is very difficult to get out of Maya because Maya being Krishna's energy is as strong as Krishna, I have experienced it so many times. Only out of compassion towards fallen soul like me you mercifully come to deliver me from Maya or illusion.

Recently I got a realization Prabhupada that anything other than devotional service and Guru Seva is waste of time, energy and life itself is a big waste. it is a big loss.

If at all there is anything profit in our life is following your orders, what is your order gurumaharaj?, You primary order is to chant 16 rounds which I'm unable to do.

Chanting is such a great profit that I can't even imagine and a person who is giving the process of chanting free of cost is far far greater than my imagination. I can't say you as great Prabhupada because you are great, greater and greatest.... person. What can I say about you Prabhupada , how many dandavats shall I pay for your infinite mercy , I think you would be happy moreover I would be happy if I shall follow at least one of you order -chant 16 rounds, please give me energy to chant 16 rounds Gurumaharaj it is only possible if you bless me with complete faith in holy name, your Mercy and energy because I have fallen many times and I don't want to fall again. please help me Prabhupada, I shall chant 16 rounds from now only.

Jai Srila Prabhupada.

Dear Srila Prabhupada,

On this auspicious day of your divine appearance, I hereby say that with every passing year I am able to realize a little more of your mercy. Although it is impossible to know the vastness and depth of your compassion, still even a drop of realization will make a person bewildered about your real personality and mission.

Please bless me with your auspicious mercy again and again, to fulfill your further desires and make me strong and faithful.

I beg Your Divine Grace to forgive me for all the offenses that I have committed and to keep me always in your service. I would like to apologise for the mistakes and harm caused by me to others and seek forgiveness for same.

Dear Srila Prabhupada,

Please accept my respectful obeisances unto your lotus feet.

On this auspicious occasion of Vyasa Puja, I would like to express my heartfelt gratitude to you for blessing me with your causeless mercy by bringing me in contact with the movement of Krishna Consciousness. I would like to thank you for blessing us with the Hare Krishna Maha-mantra, enlightening us with its meaning, and also giving us the initial taste for chanting, so that we could embark on our journey in Krishna consciousness. In my limited journey on this path, I have certainly realized one thing, that the understanding and taste for such spiritual knowledge cannot be achieved by any amount of material efforts, unless one has the mercy of the spiritual master. I would like to thank you for blessing us with the opportunities to render practical devotional services for the pleasure of the Lord, even though we are not at all qualified for it. By your relentless efforts, your vision into the future and your causeless mercy upon the conditioned souls, you envisioned and started the movement of Krishna Consciousness, which is deeply impacting the lives of millions of living beings and helping us understand the true purpose of human form of life - "To attain love of Godhead". Even though you are not physically present with us in this material world, your instructions in the form of books and lectures make us feel your presence every moment and inspire us to advance in our spiritual lives. Please continue to shower your blessings and causeless mercy upon this conditioned fallen soul, for there is nothing other than the shelter of your lotus feet that can help us stay focused and disciplined in our spiritual life. Words are not enough for us to express the gratitude and reverence for your mercy upon us.

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet.

I wish to beg your forgiveness for my offences.

I want to contribute to your beloved movement by being able to play a role in the construction of our upcoming Vrindavan Chandrodaya Mandir. Please bless me so that I may be able to do this seva.

Now we have a foundation “Great India Talent Foundation” for providing comprehensive quality education to children. I want to render significant service in this field of educating children. Please guide me for being able to do so.

I had an ardent desire that devotees should travel to the places of your pastimes in the western world. By your causeless mercy, I got a small role to play in our USA yatra in the month of June this year. The moment the flight from Delhi to New York took off was a moment of fulfillment of my heart’s desire. I am grateful to you for allowing this yatra to happen. I pray to you for your continued mercy on me so that I can help in arranging many more such yatra to dhams of your earthly lilas.

I am tormented by threefold miseries in this world. I pray to you and our beloved Lordships Sri-Sri Krishna-Balaram and Sri-Sri Radha-Vrindavanchandra for bestowing me with Krsna Prema soon, like Dhruva Maharaja achieved the audience of the Lord in just six months.

I can’t thank you enough for keeping me one more year in this wonderful movement of yours. It is your causelessly merciful nature only that an offender like me has been given such an amazing service opportunity.

I need special blessings from you for my further purification. I want to please my authorities and be a nice servant to the Vaishnavas in whose association you have put me.

May my attachment ever increase unto your lotus feet with every passing day.

Dear Beloved Spiritual Master Srila Prabhupada,

Please accept my humble obeisances at the dust of your lotus feet. All glories to Your Divine Grace.

Thank you Prabhupada for coming to this world to save fallen soul like me. You faced many difficult and obstacles depending only on the mercy of the Supreme Lord Shree Krishna.

Prabhupada, every year I try to find some words within my heart that may properly glorify you. I have come to a realisation that I don't have a heart worthy of your glorification as my heart is harder than a rock and full of dirty things. But, by your mercy I am trying to make a pitiful offering.

You are the supreme savior, freely disturbing your causeless mercy upon unqualified, ungrateful souls of this Kali-yuga, I am amongst the most fallen of living entities and yet by your unlimited compassion, you have glanced in my direction and now I am trying to serve your mission.

In this age of Kaliyuga we can feel the strength of Mayadevi, and to release ourselves from her grasp is impossible. Yet Prabhupada you show by example that it is possible. And how so? It is by sharanagati – surrender to a pure devotee and engage in his mission with full heart

Prabhupada only you know my inner demons. This year I can see your causeless compassion upon me after doing so many offenses by not following your instructions still you are keeping me in your house.

As you know Prabhupada I have no qualifications of a Vaishnava, I am simply an aspiring Vaishnava Therefore I am begging you, Srila Prabhupada, to please continue to cast your merciful glance upon me so that in some lifetime this aspiring bhakta may take proper advantage of the treasure house of good fortune you have conferred. Until then, I will continue to pray for the day when I am free from envy, lust, and all other anarthas that have blocked my path.

At last Prabhupada forgive me for all my offenses and bestow your mercy more and more that I may serve your mission until my last breath.

Dear Srila Prabhupada, My most merciful Spiritual Master

By your Divine Grace, like always, You recently gave me a first-hand experience of Your causeless mercy on fallen conditioned souls like me.

I had literally given up any hopes that I would ever be able to render services once again unto Your Lotus feet. I had somehow woefully disqualified myself, once again. But yet again You proved that You are the saviour of Your disciples despite their shortcomings - however severe they are.

Thank You for all the favours, mercy and blessings. Thank You for becoming our Spiritual Master and accepting us as Your disciples.

Thank You for manifesting in our lives and engaging us in Your services. Thank You for giving us a residence in the holy *dham* of Sri Vrindavan.

Kindly by Your causeless mercy bless us and make us pure devotees of Your Lordships and Please bless us that we become Your sincere disciples and that we render transcendental loving devotional services unto you all. Please give us eternal residence in Vrindavan.

Please destroy all our *anarthas* and forgive our offenses, sins and mistakes. Please bless us that we do not harbour any *anarthas* eternally and that we do not commit any offenses, sins or mistakes eternally.

All Glories to You Srila Prabhupada

All Glories to You, O saviour of the whole Universe.

Dear Srila Prabhupada

Please accept my humble obeisances at your lotus feet.

I am thankful to you for your unlimited blessings that you have showered upon me – chanting, books, Vaishnava association, preaching service and lot more. I am most benefited by the association of devotees, which I feel very fortunate to be a part of.

I see many transformations in my life in the last five years of practicing devotional service as a full-time devotee under your shelter. Last year, I encountered a few situations to which I used to react negatively in the past. But by your mercy, I was able to face those very tests positively.

I was a very weak candidate for joining. When I left my home to join your mission, almost everyone in my family was weeping and it continued for some time. Now, I see things have settled and they are very happy in their own life. Thank you Srila Prabhupada for resolving my home problem.

Once you said – “Your love for me will be shown by how you all cooperate with each other.” This statement inspires me a lot and I try my best to follow it.

I have no personal strength to collect any money from people as part of my service. I am completely dependent upon you for executing my services. I pray for your mercy so that I can engage myself more and more in devotional service.

While taking care of deity department in Gurugram, I got a nice realization that it is very easy to criticize others' services, but when it comes to us it is not as easy as it looks from outside.

I am blessed to be a part of bhakti shastri course where I got an opportunity to read your books in detail in association of devotees. Please bless me to follow four regulative principles very strictly, chant Hare Krishna mantra very attentively and follow all your instructions

Please bless me to always remain in a mood of a servant and may I never forget the very purpose for which I have joined your mission.

I am eternally indebted to you for the mercy that you have shown upon me, Please forgive me for all the offenses that I have committed against you and my Godbrothers.

Aspiring to continue to serve you as a full-time devotee till last breath of my life.

Please accept my humble obeisances. All glories to you, who is my eternal guide & refuge.

It's unbelievable that another year has passed under your shelter. Time has passed, as if, it's blinking of eyelids. Due to your causeless Grace we can't feel how time moves. In fact, time flies in your Hare Krishna Movement. We're blessed to be part of your Movement. Your program of sadhana & devotional service is quiet absorbing. It's neither a dull, boring & repetetive process. When I follow your instructions, I can perceive your merciful reciprocation.

As I sit & ponder, trying to put a pen in the paper (to write your glories), I feel as if, I'm a fool on the beach, trying to fathom an ocean from its shores. I'm not exaggerating your glories. If there's someone who's vilifying you, it's just because of the disease of mind known as "Familiarity Breeds Contempt". I know I'm also a slave of all these material contaminations. On this auspicious day, I beg you to give me the strength to break these different cheap tricks of Maya. Your Mercy is my only hope & shelter or else this King of fools is doomed.

One unique incident I want to mention & describe is my father passing away from this world.

On 14th of April 2018, I receive a call from my brother in my native. He asked me, for the 1st time in my 18 year ashram life, to come home, to be with my father as he was ailing. My brother had to travel outside as he'd auditing work of bank.

He wanted me to be there for a week or so, while he's traveling for audit work.

On 15th April morning, my father slipped & had a fall. The same evening, I reached my home town in Kerala. Next day, I took my father to a doctor. The doctor did a check up & he seemed fine.

Because of the fall, he was bed ridden. Next 3 days we'd to carry him to a toilet, give a bath etc.

On 18th April afternoon, my father had a light lunch & was lying down. He never woke up after that.

Half an hour, before he left his body, I was chanting next to him. I was attending a call when my mother came & told me that he wasn't responding /reacting.

We immediately called an ambulance to rush him to the hospital & suddenly there were heavy rains till we reached the hospital. The rain was strange, because it never ever rained during my stay in native, except for this moment. I stayed back for almost a month. I felt, probably the Vishnudutas had come to carry my father's soul.

One great confirmation, I perceived was when we were rushing my father to the hospital in an ambulance.

As soon as the ambulance hit the main road, suddenly a big bus overtook us. I could clearly see Hare Krishna written behind the bus in big letters. It was another big indication of Krishna's grace. This bus escorted the ambulance, till we took a deviation to hospital.

When we reached the hospital, doctor's confirmed that he'd already passed away. He'd a cardiac arrest.

My father's passing away again demonstrates the glory of devotional service. Just because the son did some insignificant devotional service, it delivers the whole family. Not just in death but even while living in this world. (I'd mentioned this in my previous Vyasa puja offerings).

In hindsight when I see, I wonder if my father was bedridden, he would have suffered more. But I'm sure, it was by the power of devotional service, he just suffered a token quota.

Dear Srila Prabhupada, I've no words to thank you, for all that you are doing to protect my devotional service. (My devotional service is inclusive of my parents, my spouse, kid & all near & dear ones).

At times, I wonder if you hadn't appeared in my life, what would have been my plight? Unimaginable. You sacrificed all your comfort & happiness, so that world could experience Krishna Consciousness. Now being your disciple I humbly beg you to make me an insignificant instrument in your Great Mission.

To conclude, I beg you to forgive my multitude of offenses & engage me in your glorious service.

Your foolish servant, Nitya Tripta Dasa.

Priyavrata Dasa

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet.

There are no words to describe your unlimited glories, still you have given this opportunity to your disciples to write a Vyasa Puja offering.

This year I had the great fortune of visiting your temples at 26, 2nd Avenue-New York, Brooklyn-New York, New Jersey, Alchua - Florida, New Vrindavan-West Virginia, and Potomac-Washington DC, USA. In all these temples, I met some of your senior disciples. By seeing their fixed-up devotional service and humble attitude to serve your mission since 50 years, I was greatly inspired to serve your mission more sincerely. You personally once said that these disciples were your Jewels. It has given me a great boost in my devotional service.

The Vrindavan Chandrodaya Mandir Project is facing many different challenges like health of a senior devotee, financial stress, Governmental oversight, Management etc. These challenges are teaching us that Krishna is the controller of everything.

I am trying to read your books but unable to concentrate well and understand nicely. Please help me to overcome my problems and intensely focus my mind on your books.

I have no ability to serve your mission, still you have given me one more year in your service. Please keep me eternally at your lotus feet.

Your Servant, Priyavrata Dasa.

Dear Prabhupada, we all are grateful and very thankful to Your Divine Grace for giving us the most precious jewels of inconceivable power. These are in the form of your teachings which have such great power that they even changed most fallen souls like me.

Srila Prabhupada! Your glories are vast, they have no end. Please bless me that I should follow the principles of Krishna consciousness transcending all obstacles on the way. Please bless me that I may never lose taste in chanting the holy names of the Lord, that I may never give up the association of devotees and that I may improve myself in Krishna Consciousness which You have shown as a bright light amidst a very dark cave.

Thank you very much Srila Prabhupada! Please forgive this insignificant soul for any offenses committed knowingly or unknowingly unto Your Divine Grace's lotus feet.

I feel proud to have a spiritual master like you who has given shelter such an adhama like me. In reality I have performed not even a tinge of pious activity and so I wonder how I got a spiritual master like you.

O master! Please bless me that I may render devotional service in your mission throughout my life and strictly follow the regulative principles. Jaya Srila Prabhupada!

Dearest beloved Srila Prabhupada,

Please accept my humble obeisances.

I am very thankful to you that you have given me one more year in your service and to write this Vyasa Puja offering at your Lotus feet.

Prabhupada , as you know I am your unworthy disciple full of all material contamination and always committing mistakes , still it is your causeless mercy that you are engaging me in your service. As you know Prabhupada, I am a fool, but when I am trying to serve you and your movement, the results, which you are bestowing, are beyond my efforts and imagination. Several times my mind is telling “you did this”, but seeing these results ,even I do not dare accept this.

This year there were several ups and down, but I thank you very much for giving me the right directions through devotees to take right decisions at the right times.

I beg you to continue bestowing this mercy upon this foolish soul, so that I may eternally engage in your service.

Srila Prabhupada , we started construction of VCM in 2014 but now VCM needs your special mercy and favor . I am a fool and shackled by my anarthas , so I am unable to render service to the extent VCM needs. But, your mercy is not limited by such conditions, so I sincerely beg at your lotus feet to purify me and bestow your causeless mercy to render service to VCM.

Prabhupada, now none of us has faith in our personal strength and capabilities to complete the VCM project. We are completely dependant on your mercy to empower all of us to become your instruments in completing this project.

Prabhupada by your grace we are now able to meet good people supportive of our movement, but I seek your mercy and guidance to bring them closer to you and the Krishna Consciousness philosophy so that they may become sincere followers of yours.

Prabhupada, for anyone to advance in Krishna Consciousness , it is required for that person to take the instructions and desires of the Spiritual Master as LIFE and SOUL. So I humbly submit to your Lotus feet and request you to bestow your mercy on me to carry out your instructions and desires in the core of my heart and by your mercy become convinced about this secret. Make me an instrument in convincing other sincere souls in this as well.

You explained that this material world is the kingdom of Maya, and one has to constantly struggle to choose your instructions over Maya. So please give me protection constantly and engage me in preaching activities.

Your most unworthy disciple,

Ramtirtha Dasa

Sadanandini Devi Dasi

Dear Srila Prabhupada

“Thank You” – These two words are small and can never be sufficient to express my gratitude.

Thank you, for your Divine Grace - you lifted the sinking ship, despite ‘N’ number of holes in the ship. Our life which had sunk deep down in the ocean of suffering, in the darkness of ignorance, helplessly looking for mercy, was saved by “Your Causeless mercy”

Your Divine Grace, you showed light in that absolute darkness, lifting me and my family up, giving a new life – actual life – real identity.

Your Divine Grace, you are the epitome of mercy and compassion. You are strict like a father, but soft, loving and forgiving like a mother. The Super specialist Spiritual doctor who is constantly diagnosing various illnesses in me and also curing those material diseases, Thank you for being that teacher who showed me the goal of life and helping me pursue it.

Everytime I felt this is the end, no hope left, you always made me feel your mercy and showed me that it is just a bend and not THE END.

It is only your constant mercy and support, that gives me strength to keep going on in all circumstances and situations. Thank you Srila Prabhupada for managing this roller coaster life of mine.

Srila Prabhupada, I humbly beg you to please bless us “to become what YOU want us to become and do what YOU want us to do”, as, this new life given by you is meant for YOU. Please help me to be obedient and sincere to Your Divine Grace and your sincere disciples, and always be engaged in the pure and loving devotional services of your worshipable Lordships

Begging your mercy to serve you eternally

Your fallen servant,

SADANANDINI DEVI DASI (Dr Sarvamangala Jagadeesh), Vrindavan

Sitapati Shivarama Dasa

Dear Srila Prabhupada!

I am so grateful to you for providing this divine shelter where I am getting daily devotee association, Mahaprasadam, Lord's Darshan, regular spiritual Yatras and festivals.

With your divine mercy alone am I continuing devotional service unto their Lordships without any personal qualification.

With lot of personal motivation I am continuing this journey. Anger, Lust, Greed, False ego, sense gratification attitude are forcing to divert the sincere desire of the soul to serve their Lordships.

My only request is to please show your mercy upon me so that I may follow your divine instructions, regulative principles and daily sadhana without fail.

Your unqualified and most fallen servant,

Sitapati Shivaram Dasa.

Vishnu Bhakta Dasa

Dear most Srila Prabhupada,

Please accept my Dandvat Pranaam unto your Divine Lotus Feet on the most auspicious celebration of Your 122nd Vyasa Puja Maha Mahotsav.

By Your Divine Grace, I am trying to serve your movement from the last fourteen years. Every year is a great inspiration for me in your presence. You are always guiding, directing and teaching us through various ways. You are always guarding us against Maya, who is also agent of KRISHNA, She always tests whether one has come to Krishna Consciousness to disturb KRISHNA or one is actually serious. You have given us education about the importance of precious time, "AVYARTHA KALATVAM" as advised by Rupa Goswami. We should count every moment, and assess whether we have wasted it or utilized it.

Srila Prabhupada, You have given us the association of Vaishnavas and always protecting by not letting us loose to give up this wonderful Sadhu Sanga despite problems or disagreements. You have given us Harinaam Sankirtan and Chanting which is:

1. The most valuable source of spiritual realisation.
2. You wrote, "If you have got some time, the best thing would be chant Hare Krishna more and more. Because our life is very short and we have to finish our Krishna Consciousness very quickly. We don't know when we shall meet our next death, our next existence from this platform. We may try to finish our Krishna Consciousness, that is our main business."

Letter to Jayapataka- Seattle, 6 October, 1968

3. An assured and guaranteed path of success.
4. You said, "As much as possible you Chant, then everything will be revealed and you will be able to do something. I started this movement simply by Chanting."

Srila Prabhupada Conversation - Vrindavan

Srila Prabhupada- please help me distinctly Chant and sharply hear at least 16 rounds of Hare Krishna Maha Mantra everyday.

With your Divine Grace, we have got a very special piece of land on Golf Course Road , Gurugram for which we applied just two days before the closure of applications. It is prime land, in the heart of the city, which we won against 60 applicants from various spiritual organisations. Here we are making a unique and very attractive temple. We have named it “SRI RADHA RAMAN MANDIIR”, which will create a big preaching platform for us to connect people of Delhi NCR with Krishna Consciousness. The temple will help us make them devotees and bring them to Vrindavan Dham for Braj Yatras. With Your mercy, we are planning to build this temple in a period of 2 years. Please make us competent to face the challenges and accomplish your skyscraper dream project, “SRI VRINDAVAN CHANDRODAYA MANDIR”.

Srila Prabhupada, recently for the past one year we have begun conducting pilgrimages to encourage our congregation and donors to become more serious in devotional service. We started our first yatra from:

- 1 Mayapur and Jagannath Puri, then
- 2 Vrindavan,
- 3 Dwarkadheesh temple in Gujarat,
- 4 Rameshwaram, Srirangam, Iskcon Bangalore
- 5 Kedarnath and Badrinath
- 6 And recently US East Coast Yatra.

In the US Yatra, we had a wonderful experience of visiting various iSKCON temples established by Your Divine Grace. We joined the Rath Yatra in New York, participated in the 50 hours Sankirtan in New Vrindavan and visited Tomkins Square Park, where Your Divine Grace used to perform 3 hours Sankirtan continuously in the 1960's.

Srila Prabhupada, I have realized in the trip that you single-handedly created a Krishna Conscious Empire throughout America from a barren land of hippie culture with no money in your pocket and no external support from anywhere else. Only an Acharya like You with infinite purity can do this marvelous work, which is next to impossible.

Please make me assimilate your books by reading them regularly and make me a sincere straightforward servant of yours without duplicity. Enable me to serve and expand your mission of preaching and purification of heart more and more.

Your most fallen servant,

Vishnu Bhakta Dasa, Vrindavan Chandrodaya Mandir.

ॐ अज्ञानतिमिरान्धस्य ज्ञानाञ्जनशालाकया, चक्षुरुन्मीलितं येन तस्मै श्रीगुरवे नमः

श्री भगवान श्री कृष्ण को प्रणाम करता हूँ, जिन्होंने कृपा कर मुझे मनुष्य योनि में जन्म दिया जहाँ से मुक्ति के द्वार खुलते हैं।

अपने पूर्वज महाराज श्री केशवदेवजी एवं अन्य समस्त पूर्वजों को प्रणाम करता हूँ, जिनके आशीर्वादों और पुण्यों के फल भोग रहा हूँ। अपने माता पिता को प्रणाम करता हूँ, जिनके घर मुझे जन्म और शिक्षा मिली।

अपनी अर्धांगिनी, पूज्य मनोरमा देवी को प्रणाम करता हूँ जिस आत्मा ने सदा मेरा साथ दिया और मुझे तीन सुशील संतान दीं। अपनी तीनों संतानों को कृतज्ञता व्यक्त करता हूँ जिन्होंने मुझे ईश्वर की ओर जाने के लिए प्रोत्साहित किया।

जन्म 1949 में मिला। प्रारंभिक एवं उच्च शिक्षा तथा नौकरी पाश्चात्य रही। 1990 तथा 2000 के दशक स्वर्णिम रहे - प्रभुपादजी की गीतोपनिषद्, पतंजली के योगसूत्र, वेदव्यासजी के ब्रम्हसूत्र, आदि शंकराचार्यजी के वेदांत सार संग्रह अध्ययन किये। वेदों, पुराणों एवं उपनिषदों को अध्ययन करने प्रबलता हुई। देश के प्रमुख ऋषियों का साहित्य भी मिला एवं आशीर्वाद भी प्राप्त हुए। करीब चार वर्ष प्राणायाम और योग सौभाग्य हुआ। 2011 से भारतीय नस्ल, श्रीभगवान की गऊ-माताओं की गऊशाला चलाने का भाग्य प्राप्त है।

किंतु मन और बुद्धि असमंजस से घिरे रहे और आत्मा कुछ विचित्र सी तड़पन से अशांत रही। ऐसी स्थिति में अचानक आदर्शपूर्ण विष्णुभक्त दास जी ने बारम्बार भगवान श्री कृष्ण की शरण में आने का आमंत्रण देना शुरू किया। मुझे बार बार बुलाना कुछ ज़्यादा अच्छा नहीं लगता था। किंतु प्रभुजी की persistence के आगे मुझे झुकना पड़ा और एक दिन 23-01-2018 को मंदिर जा पहुँचा। पूज्य युधिष्ठिर प्रभु श्रीमद् भागवतम् का पाठ पढ़ा रहे थे। वातावरण श्रीकृष्णमय था। मैं भी विद्यार्थियों की तरह बैठ गया और यहां से मेरी यात्रा का शुभारंभ श्री भगवान की ओर हो गया। विष्णु प्रभु के आग्रह पर आने वाली फरवरी माह की श्रीद्वारका धाम को अपनी पत्नी सहित जाने का संकल्प किया।

यात्रा के अंतरगत युधिष्ठिर प्रभु, अनुपम दास प्रभु एवं हरिनाम दास प्रभु के साथ हम पति-पत्नी घुल गये। यात्रा के मध्य में ही प्रतिदिन सोलह माला जप करने का संकल्प लिया। आजकल हर दिवस बीस माला होती हैं। हर रविवार को मंदिर में श्रीमद् भगवद्गीता का पाठ हम दोनों पढ़ते हैं। नियमित मंदिर आना माला करते हुए न जाने कब आत्मा की भ्रांतियों का विनाश होने लगा, मालूम ही नहीं हुआ। ईश्वर कौन हैं? मैं कौन हूँ जानने की उत्सुकता हो गयी। मैं तो अज्ञानी, हाड़-मांस के बने हुए नेवास-स्थान में रहने वाला आत्मा हूँ, और एक लंबी यात्रा का यात्री हूँ।

आज जीवन ने अपने अंतिम पड़ाव में करवट बदल दी और श्रीभगवान कृष्ण की गली का प्रवासी बन गया हूँ। श्रीभगवान के प्रसाद के सिवाय हम दोनों कुछ और ग्रहण नहीं करते। दिन में दो चार घंटे टी. वी. पाँच या दस मिनट में सिमट गये। दोनों ने प्राणायाम पुनः शुरू किया है। हर रोज़ योग के अंतरगत अपना शरीर यहीं मृत्यु लोक में छोड़ कर भगवद् धाम की यात्रा करता हूँ। श्रीभगवान से भक्ति का प्रसाद पाता हूँ। श्रीमद् भगवद्गीता एवं श्रीमद् भागवतम् का अध्ययन करता हूँ। कुछ न कुछ लिखता हूँ। अंदाज़े से हर रोज़ चार से छह घंटे श्रीभगवान की सेवा करता हूँ।

जैसे श्रीरामायण में है-

सन्मुख होई जीव जबीह जन्म कोटि अद्य नासीह तबहिं।

जब जीव परमात्मा के सम्मुख होता है तो उसकी सभी आशंकाएं और भ्रांतियाँ समाप्त हो जाती हैं।

बस अब एक ही कार्य है, श्रीभगवान की सेवा।

हरे कृष्ण हरे कृष्ण कृष्ण कृष्ण हरे हरे।

हरे राम हरे राम राम राम हरे हरे॥

Dear Srila Prabhupada

Understanding what the statement, "Attribute everything to Krishna, surrender to Krishna, acknowledge Him in all your ways and He will guide you at each step." really means has become possible only because of you. Thank you for showing me the path of devotion. I wish to make continual spiritual progress which won't be possible without your guidance.

Please bestow your richest love and blessings upon me.

Jai Srila Prabhupad,

Obeisances unto your lotus feet.

Gurudeva, due to your mercy, we are blessed with association of your disciples who are helping us navigate through this difficult route of illusion and maya. It has been more than nine years now, since we are following path of Krishna consciousness. You have constantly guided us in understanding the real purpose and mission of life. We relish the association of your disciples and fellow devotees. You have given us an excellent translation of Bhagavad-gita. After reading the Bhagavad-gita written by you, there is huge change in our perspective towards life and by your grace we try to apply to the same in our daily life and dealings with people.

Gurudev, you have shown us an easy path of spirituality through devotional service, which we are able to follow without abandoning our routine life. Regular chanting, bhoga offering to Lord, aarti and sadhana has really changed the environment of our house. Children are also learning Krishna consciousness through weekend sankirtana program and participation in festivals celebrated in temples setup by you and your disciples.

We once again pay obeisances unto your lotus feet and pray for your mercy and blessing so that we can progress fast on the path of Krishna consciousness.

I have no words to thank you enough for the wonderful transformation that you have brought in my life, Srila Prabhupada. Because you know we the wretched souls of Kali-yuga cannot perform severe austerities, you have given us a very simple process to achieve the supreme perfection of life: simply chant the Hare Krishna maha-mantra 16 rounds on beads daily and follow the 4 regulative principles. Thank you for your compassion on us, Srila Prabhupada!

On this auspicious day, please give me the strength to follow the instructions in a strict manner.

Whenever I feel difficulties in my life, I always take help of your divine books and lectures. Your books and lectures have answered all my questions. Thank you for bringing clarity in my life, Srila Prabhupada!

Lord, Krishna has been very kind to me and has always protected me and further has showered his blessings upon me just like a mother would upon her child.

I have started understanding that the two ways of connecting with Lord Krishna is through chanting and love. Please help me remember this always that while chanting I am connecting with Lord Krishna and you. I am among the most fallen souls but by your compassion you have shown me the correct path. Please take charge of my life and accept me as your child.

Thank you Srila Prabhupada for your mercy on me, I came to know a little bit about how to love Krishna, how to glorify Krishna, and I feel the love of Krishna by your mercy. Please bless me for more opportunity to serve Krishna, and help me to continue the chanting of Hare Krishna Maha Mantra more effectively.

You are very merciful towards the most fallen souls. So kindly engage me in the service of Sri Sri Radha and Krishna.

Thank you for bestowing your causeless mercy on this unqualified and most fallen soul.

Please bless me so that I don't lose taste in chanting and can follow the principles of Krishna Consciousness without any obstacles. Please forgive me for any offenses I may have committed knowingly or unknowingly.

प्रिय श्रील प्रभुपादजी,

आदर्णीय,

चरण स्पर्श श्रील प्रभुपादजी। आपकी अत्यंत कृपा है जो वृंदावन चंद्रोदय मंदिर से जुड़ सका वर्ना मेरे जैसे पापी की तो इतनी भी हैसियत नहीं जो कि ठाकुर जी (कृष्ण जी) का नाम भी ले सकूँ। प्रभुपाद जी आपके द्वारा गुरु परम्परा के भक्तों की मैंने संगत पाई और अपने जीवन में एक अच्छा आध्यात्मिक बदलाव पाया। प्रभुपाद जी मेरी कुछ मज़बूरियाँ हैं जो मैं इस संस्था में ठाकुर जी की ठीक प्रकार से सेवा नहीं कर पा रहा हूँ। आप ही की संस्था के एक भक्त, उन्होंने सपना देखा है कि दुनिया का सबसे ऊँचा मंदिर ठाकुर जी का हो। मैं ठाकुर जी के इस मंदिर के निर्माण में अपने योगदान देना चाहता हूँ।

लोग अपने व्यापार को दुनिया का सबसे बड़ा व्यापार बनाना चाहते हैं, आपनी औलाद को सबसे अच्छी औलाद बनाना चाहते हैं। मैं चाहता हूँ की दुनिया का सबसे सुंदर, बड़ा और ऊँचा मंदिर ठाकुर जी का हो।

प्रभुपाद जी मुझ पर कृपा कीजिये और मेरी समस्या को खत्म कीजिये ताकि मैं खुल कर मेरे ठाकुर कृष्ण जी की सेवा में अपना जीवन समर्पित कर सकूँ। मुझे जैसे पापी पर इतनी कृपा करी वह भी बहुत है। मैं अपने आप को बहुत भाग्यवान समझता हूँ जो मैं आपकी कृपा से बनाई गई संस्था में आ कर अपने ठाकुर की भक्ति कर पाता हूँ। मुझे मौका دیجिये कि मैं दुनिया के सबसे बड़े मंदिर का हिस्सा बन सकूँ। मुझे कृपा दीजिये कि मैं ठाकुरजी को अपना जीवन समर्पित कर सकूँ। कर दो थोड़ी सी कृपा प्रभुपादजी, यह पापी भी तर जाएगा। परंतु इतना भी बहुत है कि आपने यहाँ बुला लिया और संतों के साथ प्रसाद ग्रहण करा दिया, संतों के साथ कीर्तन करा दिया, संतों के साथ कीर्तन में नचा दिया। यह जन्म तो धन्य हो गया। इतनी कृपा और कर दीजिये कि मैं अपना जीवन ठाकुर जी की सेवा में समर्पित कर दूँ।

Dear Shrila Prabhupada,

Please accept my humble obeisances unto your divine lotus feet. All glories to your divine grace.

It has been 2 years now that we took shelter "Ashraya" of your mercy under the esteemed guidance of Iskcon Bangalore group of devotees. During this period we have got the privilege to associate with some of the devotees. These devotees have constantly guided us to understand the real purpose of life.

Material world keeps us engaged in myriads of things and life goes on in a circle. Whether it is pursuit of happiness or designation in society or maintaining relationships. We have experienced that we come back to the same point where we start from over and over again. Such experiences should give even the least intelligent person an idea of the falsity of these pursuits. But the revelations do not simply occur unless one is blessed to receive the mercy of Guru and Krishna. And today we feel infinitely blessed to receive your causeless mercy and love through the association of your devotees.

Maya is very strong and there is no hope to come out of its clutches by one's own endeavor. We seek your blessing to keep us engaged in the path of devotional service. We seek your blessing to keep us in most humble mood to serve devotees. We do not even know that we qualify for that. We draw strength from the stories of your life's journey, and the hardships you observed to establish Krishna consciousness in the whole world. We wonder what would have happened if you did not come and established this institutions. You are the savior. Your books act as a lighthouse in this ocean of material darkness.

Every single moment we thank you and Lord Chaitanya for showing us this path and giving the gift of Bhakti Yoga to this world.

We pray to you to keep us engaged in your service and in the service of devotees.

With great happiness and much gratitude

'I am offering my respectful obeisance unto the spiritual master by whose mercy a dumb man can become a great speaker and a lame man can cross over a mountain, and whose thus delivers all fallen souls.'

Dear Srila Prabhupada!

I was born in darkness, but you have given me the way to come to light. Prabhupada I was speechless, but you made me speak on Krishna. I was thinking that I was enjoying in this world is the ultimate joy, but you had made me realize that this is only illusion.

Srila Prabhupada! You are very great. I was roaming in this material world in different bodies helplessly, but you gave me the teaching of how to come out of this material world. I am an insignificant soul in the tight grasp of Maya, but you gave me the chance to serve you and Lord Krishna.

By your causeless mercy I learnt kartal and Mridanga and am trying to learn harmonium. You sent me to live in Vrindavan, which is a very auspicious place to practice devotional service. By your causeless mercy, I came in contact with Krishna Consciousness from birth and am living in the temple of Sri Sri Radha Vrindavanchandra. Thank you Srila Prabhupada for showing your causeless mercy to me. Thank you Srila Prabhupada for making me a devotee in the Krishna consciousness movement.

Please keep me away from Maya. Please give me enthusiasm to chant the holy name and read your books, which are the only means of going back to godhead. Please give me more enthusiasm in brahmacharya and in serving Krishna.

Please accept my insignificant offering onto your lotus feet. Last but not the least, thank you for bestowing this causeless mercy on me.

Dear Srila Prabupada,

Please accept my humble obeisance and prostration to Your lotus feet. With great gratitude I write this Vyasa Puja offering and seek your guidance so that the right words come to glorify You and Your teachings on this wonderful occasion.

It has been three years for me in Krishna Consciousness and I owe all the transformation that has happened within me, to You and Your teachings. The biggest learning for me in these years has been that 'I am not this body, but I am the spirit soul'. This profound knowledge has helped me to lay the basic foundation to the way I live my life and the way that I deal with others in daily life. Even though I am far-off from realizing this fully, I understand that if I follow the rules and regulations that you have laid out it would happen in due course. Kindly give your blessings for realizing the same so that I get away from material bondages which is giving so much of miseries & preventing me from realising my true constitutional position – which is that I am a tiny part and parcel of Krishna and I am an eternal servant of Him.

What can I tell about the causeless mercy of Yours, that fallen souls like me have an understanding of the repeated cycle of birth and death and that this material world is a dukhalayam! It is Your far-sightedness that You have left behind a goldmine of information in terms of Your writings and Your lectures, so that ignorant souls like me can refer to, get clarity and advance in KC. Am thoroughly indebted to Your disciples, who selflessly help fallen and ignorant souls like me to come out of this material hell through their wonderful association. Bless me Prabhupada, that one day in this life, I will also be evolve to a position wherein I can also participate to propagate Your teachings and love of Krishna to other souls.

It is only by Your grace and magnanimity, that You could revive Bhakti in my heart and also help me do devotional service to the wonderful Lord. Kindly bless me, so that I reach a stage where everything else should be secondary for me. I cry and sincerely hope, that You would remove all the anarthas that I have within me and fill me with complete surrender to You and the Lord!

May Your glories expand exponentially every day and pray for Your mercy that lot many souls be touched by Your causeless mercy & come into the path of Krishna Consciousness.

It's the blessing of Prabhupad that fallen soul like me the most fallen of the being is able chant the Holy name of the Lord. It's because of Prabhupad that we know that Lord is present in its sound vibration form and that we can we can personally serve him by chanting and dancing.

I am very happy since I am getting the opportunity of writing a letter every year to you. Since I came to know about the Krishna conscious movement at the age of 3 it has been a very pleasant life where I learn good things every day in this Kali yuga which is full of miseries and bad things. By your grace I have learnt more about the Supreme Lord Krishna who helps everyone. Now I read a lot of books of Krishna written by you like the Bhagavad-gita etc., By this I get to know about my existence in this world. I also hear lectures given by your disciples. Thank you for helping the whole world and me in learning about the Lord's mercy and how merciful and friendly He is.

ॐ अज्ञान तिमिरान्धस्य ज्ञानाञ्जनशलाकया । चक्षुरुन्मीलितं येन तस्मै श्रीगुरुवे नमः ॥

हे मेरे गुरु श्रील प्रभुपाद!

कृपया अपने चरणों में मेरा सादर प्रणाम स्वीकार करें ।

सारी महिमा आपके दिव्य कृपा की है। आपने अत्यंत कम समय में सम्पूर्ण विश्व में कृष्ण भावनामृत का प्रचार किया।

श्री चैतन्य चरितामृत में कहा गया है – कृष्ण शक्ति विना नाहे तारे प्रवर्तन (चै० च० ७.११)। अर्थात् कृष्ण द्वारा सशक्त हुए बिना कोई संकीर्तन आंदोलन का प्रचार नहीं कर सकता। अतः आप निःसंदेह साक्षात् कृष्ण की शक्ति से सशक्त थे जो इस सम्पूर्ण विश्व में हरिनाम संकीर्तन का प्रचार किया ।

श्रील भक्तिसिद्धांत सरस्वती ठाकुर ने कहा था की "यदि कोई हरे कृष्ण महामंत्र की ६४ माला नहीं कर पता तो वह मनुष्य नहीं हैं" परन्तु आप हम जैसे पतित आत्माओं पर अत्यंत दयालु हैं। आप जानते थे कि जैसे जैसे कलियुग में समय व्यतीत होता जाएगा मनुष्य अधमता की शिखरता तक पहुंचता जायगा। अपनी इन्द्रियों को संतुष्ट करने के लिए और दो वक्त कि रोटी के लिए इतना व्यस्त हो जाएगा कि वह ६४ माला हरिनाम का जाप करने में सक्षम नहीं हो पाएगा अतः आपने १६ माला के जाप का नियम बना दिया।

आपने अपनी दिव्य वाणी से सम्पूर्ण विश्व को यह तथ्य का विश्वास दिला दिया कि श्री कृष्ण ही पूर्ण परमेश्वर भगवान हैं। आप दिव्य दृष्टा थे आप जानते कि भविष्य में युवा पीढ़ी ज्यादा से ज्यादा समय अन्तरराष्ट्रीय कम्प्यूटर तन्त्र, इंटरनेट और समाज द्वारा संचालित माध्यम जैसे फेसबुक, ट्विटर आदि में समय व्यतीत करेगी इसलिए आपने अपनी वाणी, अपने प्रत्येक प्रवचन को रिकॉर्ड करवाया।

आपने शून्यवादियों और मायावादियों को अपने दिव्य तार्किक बुद्धि से परास्त किया है। वस्तुतः आज भी कई मायावादी और शून्यवादी जो भगवान के अव्यक्त रूप पर ध्यान करते थे अथवा शून्य पर ध्यान केंद्रित करते थे, आपकी वाणी को सुन कर अथवा पढ़ कर पूर्ण पुरुषोत्तम भगवान कृष्ण की प्रेमाभक्ति में लग गए हैं। मैं स्वयं ऐसे कई लोगों से परिचित हूँ ।

चैतन्य चरितामृत में कहा गया है कि,

भारत-भूमिते हैला मनुष्य-जन्म यारा

जन्म सार्थक करि पर उपकारा (चै० च० ९.४१)

अर्थात् जिसने भी इस भारत भूमि पर मनुष्य रूप में जन्म लिया है उसे अपना जीवन सफल बनाना चाहिए और दूसरों के लाभ के लिए कार्य करना चाहिए।

आपने पतित आत्माओं का उद्धार करने के लिए जन्म लिया और चैतन्य महाप्रभु के वचन को सत्य किया। न केवल भारतियों को अपितु विदेशी भूमि के युवा वर्ग को जो मद्य पान, मांस भक्षण और अवैध सम्बन्ध जैसे पाप कार्यों में अत्यंत निपुण थे, कृष्ण भक्त बना दिया। यह कार्य कितना कठिन है! आपकी इस महिमा का अनुभव मैंने तब किया जब आपके वचनों से प्रभावित हो कर मैंने भी दो चार व्यक्तियों में कृष्ण भक्ति का प्रचार करने का प्रयत्न किया और अनुभव किया कि एक व्यक्ति को भी इस बात का विश्वास दिलाना कितना कठिन है कि कृष्ण ही पूर्ण पुरुषोत्तम भगवान हैं तथा उन्हें मद्य पान, मांस भक्षण जैसी बुराइयों से छुड़ा पाना कितना कठिन है।

इंटरनेट पर आपकी वाणी सुन कर और उनसे प्रभावित हो कर मैंने मन ही मन आपको अपना गुरु स्वीकार किया, आपके कहने से मैंने १६ माला हरे कृष्ण महामंत्र का जाप शुरू किया। जप की विधि मैंने YouTube पर आपका वीडियो देख कर सीखी और अपना आध्यात्मिक जीवन प्रारंभ किया।

हे मेरे प्रभु! आपकी महिमा को मैं अपने शब्दों में व्यक्त करने में असमर्थ हूँ। मैं जितना भी लिखूँ वह कम है। आज मुझे आप पर आपकी वाणी पर किसी से भी ज्यादा विश्वास है। हे मेरे जन्म जन्मांतर के प्रभु! आज आपके जन्म दिवस के अवसर पर मेरी विनती है आपसे कि यदि मैं फिर जन्म पाऊँ तो मुझे वैष्णवों का दासनुदास बनने का आशीर्वाद देना।

श्रील प्रभुपाद, आपकी कृपा से मैं गौर-निताई की सेवा कर पा रही हूँ और आपकी ही कृपा से कभी-कभी मैं उनका श्रृंगार कर पाती हूँ। गुरुदेव आपकी कृपा से मैं वृन्दावन धाम में भगवन श्री कृष्ण के मंदिरों के दर्शन कर पा रही हूँ। आप मेरे ऊपर ऐसी ही कृपा बनाते रहना।

Dear Shrila Prabhupada,

Please accept my humble obeisances in your divine lotus feet. All glories to your divine grace Srila Prabhupada.

Today I would like to thank you for everything you have given to our generation. A path to attain peace in this life and understand the actual meaning of this human existence. It has been almost two years since I took your shelter and after that, my whole perspective towards life has changed. Earlier I was running in the rat race of achieving more and more out of this material world. But you showed me the right path and now I could understand the truth

like this material life is full of miseries, dualities and here everything is temporary. In this world every relationship, every designation, every possession will end one day but what persists is the pure soul of a Krishna devotee. This understanding has helped me to deal with so many problems of my life. Now the goal of my life has changed is to do more and more service to Krishna and his devotees. To do more and more chanting and Kirtan and to become a blissful soul.

Due to your mercy Praphupada, I was also blessed that I went to the spiritual yatra to Rameswaram, Mayapur, Jagannathan Puri Dham. It was dream come true for me. It was a divine experience to visit these places in the association of senior devotees. Hearing past times of the Lord by senior devotees about the places we visited like Jagannath ji temple in Puri, Birth place of Lord Chaitanya in Mayapur, Leela of Lord Rama and Hanuman about two Shivrings in Rameswaram makes me realize the transcendental importance of these Dham. Kirtans and chanting throughout the yatra created an experience which nothing else could have created. These trips have left lifetime unforgettable memories imprints on my mind and soul.

Prabhupada this year your young Devotee Navya has also started chanting one round on beads. She has also started reciting Narsimha dev aarti and learning Tulsi Arti. Please give me strength to take my whole family a step ahead on the path shown by you.

We pray to you to keep us engaged in your service and service of devotees.

With great happiness and much gratitude

SRILA PRABHUPADA - *My Guiding Beacon*

Dear Srila Prabhupada,

Kindly accept my humble obeisances unto your lotus feet. All glories unto you, my Gurudeva, on the auspicious occasion of Vyasa puja!

*sri-guru-charana-padma, kevala-bhakati-sadma, bando mui savadhana mate
jahara prasade bhai, e bhava toriya jai, krishna-prapti hoy jaha haite*

The lotus feet of our spiritual master are the abode of pure devotional service. I bow down to his lotus feet with great care and attention. My dear brothers! It is through the grace of our spiritual master that we can cross over this material existence and attain Krishna. (Verse 1, *Prema-bhakti-candrika*).

Our scriptures reveal that one who has the fortune to surrender unto a bonafide spiritual master like your Divine Grace, would certainly be completely purified. Such a pure soul would then be able to perform actual devotional service to the Supreme Lord Sri Krishna. For such a display of compassion, we remain eternally indebted to you, Srila Prabhupada. You are an ocean of mercy for the fallen souls like me.

You have selflessly served Lord Chaitanya's mission of spreading the holy name throughout the world. You have labored arduously forsaking sleep, family, health and everything else and wrote those wonderful books that are guiding beacons for conditioned souls like me, caught up in the dark ocean of nescience.

You may have physically departed from this world, but your divine presence can be felt and invaluable instructions heard through your books, lectures and the association of your disciples. Mere words are just not enough to express my gratitude towards you, Oh my Spiritual Master!

I pray to Your Divine Grace, to bless me with the ability to execute the sadhana with sincerity and determination. I understand that I can please you not by mere flowery language, but by following your instructions earnestly. Please use me as an instrument of service in executing your blessed mission, Srila Prabhupada!

It is said in Shastra that Guru kripa and Krishna kripa goes parallel and because of Krishna's mercy I found you and due to your causeless mercy I am able to chant my rounds, though I miss them sometimes. Please be merciful to me always and make me intelligent enough to control my senses so that I can progress in Bhakti and don't do himsa to other Bhaktas.

To my kind and forgiving spiritual father, Srila Prabhupada

Please accept my humble obeisances and heartfelt prayers. I am thankful to you for giving me this opportunity to make an offering of words at your lotus feet. These words come from a jivatma full of faults and without qualification. Like a pebble on the street, I continue to be kicked repeatedly by the forces of Maya. The tribulations in the life of a householder (like me) bring waves of suffering. I make efforts to swim to the islands of happiness, which are far and between in this sea of misery. Material happiness is temporary and brings me little relief. My efforts are puny, my devotion is diluted but I can assure you Srila Prabhupad that my desire to serve you and Lord Krishna stems from the purest part of my heart. I thank you for your mercy and beg your forgiveness for my incompetencies. Allow me to engage in Chaitanya Mahaprabhu's mission and contribute my grain of sand to the coast of devotion, where the fatigued jivatmas sweep ashore. My eyes cry ceaselessly for they could not see you in person, my ears crave for the sound of your voice, my tongue longs for the prasadam you made with your hands, my nose searches for the fragrance of flowers that adorned your neck and my head is bowed in anticipation of touching the dust at your lotus feet. To bring me respite, you have showered me with unlimited mercy in the form of association with your books, your disciples and an oceanic treasure of wisdom through your lectures, conversations and letters that nourish my parched soul.

By the grace of Krishna, I found you, Srila Prabhupada. And by your benevolence and guidance, I found Krishna. Your instructions led me to the bliss of Krishna consciousness, which sprouted Krishnaprema in my heart. This material body was tired of serving Maya. By accepting me as a 'sevak', you have taught me the art of 'seva' and have directed me towards my rightful 'seva', Lord Krishna. With my limited fund of knowledge and experience, I try to share Krishna consciousness with my family and friends in an attempt to assure them that this path will lead us to the Supreme Personality of Godhead. When I feel the grip of Maya through the three gunas, I listen to your lectures and watch your videos. Your voice unconditionally calms my battered senses and elevates my consciousness to the transcendental platform of bhakti. You have the potency to light up the darkest corners of my heart and give me the strength to survive in this 'dukhalayam ashashvatam'. I take shelter of your lotus feet and pray to Krishna with all my heart.

I don't know what good deeds I would have done in my previous life to get an opportunity to learn about Krishna consciousness, the association of devotees and the prasadam which will purify our consciousness and take us back to home go back to Godhead. Gurudev! Thanks for your causeless mercy.

Dear Prabhupada, as you said according to scriptures spiritual master is as good as the Lord and you have stepped into my life and made my path clear to reach God's abode. Dear Srila Prabhupada,

First of all I want to thank you for giving me the opportunity to glorify your Divine Grace. I am very much obliged to you Srila Prabhupada that I have passed 4 years in your movement in association of your devotees. Srila Prabhupada you are the ocean of mercy of love of Krishna which is very much required for a fallen soul affected by

threefold sufferings of this material world. Srila Prabhupada please-be merciful unto me so that I can always remain in the association of devotees and do my devotional service. It state in the sastras that association of devotees is very rare in this word and if one has got it can make his life successful. By your mercy Srila Prabhupada many people has been delivered and are delivered now also. Before coming to your shelter I was unaware of the purpose of my life and after coming at the shelter I have realized that it is very difficult to come out unless one has the support of a pure devotee like you.

I have many anarthas and I really don't know how to come out of them but I have faith that by your mercy I can come out of them. Srila Prabhupada, give me strength so that I can perform my sadhana nicely so that I can perform my devotional service nicely and serve the mission of Mahaprabhu.

Srila Prabhupada, please bless me so that I can engage more and more souls in the service of your lotus feet and guide them towards the path shown by you which goes to Lord Sri Krishna.

My dear Spiritual Master, Srila Prabhupada,

I offer my humble and respectful obeisance unto your fearless Lotus feet.

As Lord Krishna speaks in Srimad Bhagwatam 10.84.11

na hy am-mayāni tīrthāni na devā mṛc-chilā-mayāḥ

te punanty uru-kālena darśanād eva sādhanavah

"Mere bodies of water are not the real sacred places of pilgrimage, nor are mere images of earth and stone the true worship-able deities. These purify one only after a long time, but saintly sages purify one immediately upon being seen."

Srila Prabhupada, You are the embodiment of this statement of Krishna. Your very purpose of traversing the surface of this planet is to give a chance to the fallen, rotten conditioned souls to see you and associate with you so that they can come out of their struggle for existence and become the most fortunate and eligible to see the real object of love and service Lord Krishna face to face. Gurudeva, please give this servant just one drop of mercy. I am lower than a blade of grass. Give me all help. Give me strength. Let me be as you are, without desires or aspirations. I offer you all respects, for thus I may have the energy to know you correctly. Then, by chanting the holy name in great ecstasy, all my offenses will cease. O Lord and Master of my life! When will such mercy fall to this one who is weak and devoid of intelligence? Allow me to be with you. If you examine me, you will find no qualities. Your mercy is all that I am made of. If you are not merciful unto me, I can only weep, and I will not be able to maintain my life.

O my spiritual master, please bless me with guidance, knowledge and potency to become an instrument in your mission and execute your desires by following your instructions As It Is, by observing all regulative principles very strictly with great enthusiasm, patience and determination as a soul completely surrendered un to your fearless Lotus feet.

Dear Srila Prabhupada,

*om ajnana-timirandhasyajnananjana-salakaya
cakshurunmilitamyenatasmaisri-guravenamah*

Please accept my humble obeisance's, O' my Spiritual Master. Speaking about you in a gist is very difficult; one can go on and on. Just do not know where to start and where to end.

You have given so much to us, have showered such bountiful mercy on us that other than gratitude, honor and thanks, we cannot repay in lieu of it. Most importantly, the way you have accepted me, this fallen soul who have not yet come up to your expectation, who have not complied completely with the rules and regulation set by you, such worthless soul I am. But you are so merciful that you have accepted me as your disciple, who has received a new birth in the spiritual world of yours. You have included me in your close family members and have committed to take us back to God-head. I am so indebted and grateful for this wonderful opportunity that you have bestowed on me. But yes, I promise you that this worthless soul will one day become worthy. I pray to you O' Almighty to give me enough strength and will power so that I can fulfill the responsibility entrusted to me by the temple authorities and in return can fulfill your desires and aspiration. I myself feel very happy and contented when I am being able to contribute a minutest of service for your great mission and be a part of it.

Remember, in the last guru Puja, I prayed to you and asked for your mercy to help me completing 16 rounds daily. Yes, by your divine mercy, as well by the guidance of Temple Prabhus, I am being able to complete my 16 rounds today and I am so thankful to you. But as you know human beings are not satiable, I still have few more desires. I pray to you to kindly help me to chant attentively and in a qualitative manner, so that I do not commit any offence.

During the past 1 year, have undergone many hurdles as well as achieved a lot too by your Divine Grace. But in all ups and down you are always there with me. I can always feel your presence. You are in my mind and soul. You have always held me, guided me and shown me the right path.

Now when you have accepted me as your disciple, my dear Spiritual Master, I am ready to follow your given foot-steps. Before that please help me to read the holy books "Bhagawad Gita As It Is" and "Srimad Bhagawatam", the two most significant books which you have contributed for the well-being of the whole world. You are always present in the books, scriptures, and we feel your presence amongst us everywhere. Whenever we are in need, and as we remember you, you have helped us and made any impossible task possible. With this, our belief towards you has even become stronger.

You have been a Divine Master for all and anyone who have surrendered unto you irrespective of any religions, caste, creed, educated or a Layman, rich or poor. You have opened your arms and accepted anyone who have come to your door step and followed your simple instruction led by you. In this Kali Yuga, You have simply asked us to follow and Chant Hare Krishna Mantra and free ourselves from the material bondage. And you have spread the glories of Lord Krishna along with this Maha Mantra to almost all countries across the world and have been a savior to the Mankind.

I hope and wish that your glories and teachings may spread to each and every corner of the world and more and more people are benefitted from it, and I lastly pray to you my Dear Master to make me your instrument in fulfilling your divine mission.

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet.

Srila Prabhupada today is the most auspicious day to celebrate your divine appearance in this mortal world to eradicate the Mayavada and Sunyavada and deliver all these conditioned souls. So our prayers always start at you.

My dear Prabhupada, you are so kind on this conditioned soul given shelter at your cool lotus feet for these many years. I am so fortunate for this your causeless mercy because I was saved from the clutches of Mayavada and Sunyavada. On this auspicious day it is our duty to convey our gratitude towards you.

Sometimes when I sit and think about what's the position of a devotee who is in your mission by following your instructions taking forward the movement with your guidance it reminds your instructions which are mentioned in Sri Chaitanya Charitamrita Madhya Leela, Conversation between Sri Chaitanya Mahaprabhu and Sri Ramananda Raya.

On one occasion the Lord inquired, "Of all types of education, which is the most important?" Ramananda Raya replied, "No education is important other than the transcendental devotional service of Krishna."

Sri Chaitanya Mahaprabhu then asked Ramananda Raya, "Out of all glorious activities, which is the most glorious?" Ramananda Raya replied, "That person who is reputed to be a devotee of Lord Krishna enjoys the utmost fame and glory."

"The greatest reputation a living being can have is to be a devotee of Krishna and to act in Krishna consciousness.....One may become famous as a brahma-jnani, an impersonalist scholar, or one may become a materially opulent person. In either case, such reputations are inferior to the reputation of Krishna 's devotee.....The qualities of one engaged in the service of Lord Sri Chaitanya Mahaprabhu-such as reputation, austerities, penances and knowledge-are not to be compared to the good qualities of others. Such is the perfection of a devotee always engaged in the service of SriChaitanya Mahaprabhu."

(CC Madhya 8.245&246)

I would like to read the above reference from Chaitanya Charitamrita again and again because it shows your status where you stand. Your reputation, austerity, penance and knowledge cannot be compared with anybody. Being the disciple of such great spiritual master trying to learn what you teach through your personal example. Following your instructions, we are in the path of showcasing your work in the north east part of our country. With your blessings, your sincere disciples are getting opportunities slowly to distribute your causeless mercy to these conditioned souls at this part of the country. Without your mercy and blessings we cannot implement or advance a tinge in the glorification of Lord Krishna. Please continue to bless for the glorification of Lord Krishna and expansion of your movement and Chaitanya Mahaprabhu's mission. Please use me an instrument the way you want for your mission. Please forgive the offenses committed at your lotus feet knowingly or mistakenly. Please accept my humble obeisance at your lotus feet.

Dear Srila Prabhupad

I am present in this movement because of your causeless mercy. I had committed so many mistakes still you protecting me. In Guwahati I am engaged in youth preaching service and I got some success because of your mercy. Here lot of opportunity for youth preaching and by your mercy so many big project is coming in north Guwahati. Please bless me such a way so I can preach this movement to NIT Agartala, NIT Silchar and IIT Guwahati students and at least 20 conditioned souls will surrender unto your lotus feet at every year. Please engage me in your service with submissive mood and don't neglect me.

*śrī-guru karuṇā-sindhuadhama janāra bandu
lokanāth lokera jīvan hā hā prabhu koro doyā
deho more pada-chāyā ebe jaś ghuṣuk tribhuvana*

“Our spiritual master is the ocean of mercy, the friend of the poor and the lord and master of the devotees. O, master! Be merciful unto me. Give me the shade of your lotus feet. Your fame is spread all over the three worlds.”

I know that Spiritual master is strength greater than my weakness. Please be compassionate to me. I do not deserve anything from you but still I am begging like beggar. But I have faith on Lord Krishna and Srila Prabhupad because Krishna says in Bhagawad Gita 9.22,

*ananyāś cintayanto mām ye janāḥ paryupāsate
teṣāṁ nityābhiyuktānāṁ yoga-kṣemaṁ vahāmy aham*

“But those who worship Me with devotion, meditating on My transcendental form-to them I carry what they lack and preserve what they have.”

Please empower me I can do folk preaching without false ego. Krishna says in Bhagawad Gita 18.58,

*mac-cittaḥ sarva-durgāṇi mat-prasādāt tariṣyasi
atha cet tvam ahaṅkārān na śroṣyasi vinaṅkṣyasi*

“If you become conscious of Me, you will pass over all the obstacles of conditional life by My grace. If, however, you do not work in such consciousness but act through false ego, not hearing Me, you will be lost.”

I am already lost because of false ego. Please help me to come out from this conditional life. A bona fide spiritual master is by nature very kind toward the disciple. Therefore when he sees the genuine desire of the disciple, he automatically blesses the disciple with genuine spiritual understanding.

Dear Śrīla Prabhupāda,

Please accept my most humble obeisance's on to your lotus feet again and again.

Today is the most auspicious day, Your Vyāsa-pūjā. I want to glorify you not only today, but every day of my life. Because you are the most special, extraordinary, greatest personality but my words are not enough to glorify you. The rays of your purity and power are still shining on Hare Krishna Movement. That is why your movement is still

growing with more temples, devotees, book distribution, prasada distribution, huge festivals, outreach, and worship to Radha and Krishna all over the globe.

We are fortunate to be part of your movement, part of your Hare Krishna Movement tree. We caught your boat to cross over this material world. Your austerity and hard work has paid off. Hare Krishna Movement is flourishing. Your childhood pastime, Rathayātrā, has become a global event. Lord Chaitanya Mahāprabhu said Krishna's name would be sung in every town and village and it is happening, and the credit goes to you, Śrīla Prabhupāda. No one could do what you did! Thank you for accepting me at your lotus feet this year by giving me Hari naam Diksha.

I appreciate more and more the sacrifice you made and the deep compassion you have. Only a truly loving person with unflinching faith in Lord Krishna and the spiritual master could even attempt the things you did and could be empowered as you are. Again, I want to thank you for giving me a place in the Hare Krishna movement, in spite of my many disqualifications. Again, I'm praying to be an instrument of your compassion and to develop a drop of it within myself. Please let your words enter my heart and transform my desires.

Praying to become and remain your humble servant eternally.

My dear Srila Prabhupada,

Please accept my humble obeisance in the most merciful dust of your lotus feet on this your 122nd appearance anniversary day. All glories to Your Divine Grace.

I have started writing this homage on the Sri Jagannath's Return Ratha Yatra day, and since morning I have been hearing musical bands parading the streets of Guwahati city, commemorating the historical event of Lord Jagannath's return journey. On the last week, I went to Puri to see and pull Lord Jagannath's chariot, which was a great moment in my life. And, for me, this was possible only because of your causeless mercy due to which I came to Krishna consciousness and could relish such great moment.

Just before this year's Ratha Yatra event, on the 8th July 2018, I had been initiated by you formally, although, I never deserved that, but you accepted me mercifully as your disciple. I began to understand how important your instructions are, which are so much needed to help restore myself and also the suffering humanity around me to its sane position. So, by following your instructions and by your grace, I started distributing your original unedited books since past few years. I need your kind blessings to continue serving. Please help reveal the different aspects of your mission to me and also to more and more devotees, for there is an urgent need to spread your mission all over the world.

I often hear a lecture by Your Divine Grace. I always look forward to hearing your classes, for they are full of wit and wisdom. You are always so spontaneous in your dealings with your disciples, so simple in your explanations, and so natural in expressing your sentiments. You show no artificiality or formality in dealing with whomever you meet. Because of such spontaneous dealings, all based on your purity of heart and without any trace of duplicity, you conquered the hearts of so many conditioned souls, myself included. I see that you continue to win over thousands upon thousands of conditioned souls even today through your teachings. In this way you remain fully present in your VANI, and the whole world is benefited by your divine presence.

My humble request is that you kindly keep me engaged in your service life after life. Kindly forgive my many shortcomings and mistakes. Kindly allow me to keep the good association of your sincere followers.

Dear Gurudev Srila Prabhupad,

First of all I would like to offer my respectful obeisance unto the lotus feet of my spiritual master the deliverer of fallen souls.

Dear Gurudev, I don't have any words to express my gratitude. Your association totally changed my life. I am very much fortunate that I am associated with such an organization which is directly associated and blessed by a pure soul like you Prabhupad.

Many a times it makes me think that how I came in touch with you and your devotees though I am not at all eligible in any manner it's only your AHAITUKI KRIPA Prabhupad that I got associated with Hare Krishna Movement.

Srila Gurudev every year whenever I write VYASA PUJA offering I cannot but keep thanking you for the mercy you shower on me, but this year is the most auspicious, the year in which I got my 1st INITIATION.

Today when I look back I feel I have wasted so much time not listening to you, my life is so better now, I am much happier and peaceful. It took me so long to understand though devotees kept repeating this, had they not patiently preached and cared for me. I would be completely lost. My fortunate is boundless to have your grace.

I can never forget the first service I received from temple, I took it very lightly and thought it to be a burden, but today I think I was the most fortunate to get it, it's your mercy Prabhupad. Thank you so much, thanks once again.

At last only one request Prabhupad, please bless me that I will remain your menial servant. Once again thank you.

My Dear Srila Prabhupad,

Please accept my humble obeisance's at your divine lotus feet. All glories to Your Divine Grace on this, the 122nd anniversary of your sacred appearance day.

Srila Prabhupāda, your appearance on this planet is most auspicious in this age because this Kali-yuga is most inauspicious and people are losing faith in real dharma (sanatana-dharma). You are always present, guiding all to the right place. You are the ever well-wisher of everyone, like the Supreme Lord, Sri Krishna. You are doing everything for us.

You brought the holy name to each and every one of us. You gave us Lord Krishna, the divine cowherd boy. You gave us Deity worship. You gave us this beautiful temple. You show us the way to Bhakti. You gave us Krishna Prasadam. You gave us the Bhaktivedanta purports and the Bhagawatam, the Bhagawad Gita As it is, and the Chaitanya Charitamrita. You gave us Japa sixteen rounds every day. You gave us the opportunity for book distribution. You gave us the Sunday Feast.

Prabhupad, Far beyond a simple offering of words on this auspicious day, we need to consider what really pleases you. What can we do to satisfy you? Each of us, small or big, old or young, rich or poor, initiated or not, needs to think, “What can I do for Srila Prabhupada?” We need to understand your desires for us and to assist you in your mission. Please forgive my offenses, knowingly or unknowingly committed at your lotus feet. Srila Prabhupada, it is our fervent hope that you will continue to allow us to be of service to you and to Their Lordships.

We thank you, Srila Prabhupada, for giving us back our lives, for showing us the proper use of our will, and for allowing us to serve you, though we are so unqualified to do so.

Dear Srila Prabhupada

Please accept my most humble obeisance again & again at your glorious lotus feet that never touch this material world. All glories to your worldwide mission to save the fallen souls.

Srila Prabhupada, you are the sun of our lives, and despite the darkness all around us, how fortunate we are to have you with us still in the form of your Vani and your books. Crossing the Atlantic, enduring heart attacks, you sacrificed everything to bring us Krishna Conscious knowledge. I am eternally indebted to you for the grace you have bestowed upon me. Thank You for giving us Bhagawad Gita As It Is and all your books to free us from lamentation, fear and illusion. Thank you for saving us from the hands of the Yamadutas. Thank you for giving us intelligence to chant Hare Krishna Maha Mantra, do devotional service, to develop love for Krishna and love for your service.

Please give us the courage, strength and determination to follow your instructions and to help others also become inspired to serve your lotus feet. I was born in the darkest ignorance and you opened my eyes with the torch light of knowledge. Thank you for shining the light on the path back to Godhead, for giving the holy name. Thank you for not leaving me both in the good and the not - so - good moments of my life.

Thank you millions and billions of times, from the core of my heart, for all your mercy and compassion upon this most fallen degraded fool. Thank you for saving me from this prison house of the material world. Thank you for accepting me at your lotus feet this year by giving the Hari Naam Diksha.

O Prabhupada, I Pray you to please help me someday be able to offer you one leaf of sincerity, one flower of devotion, one fruit of pure goodness and one tear of love. Please forgive my offenses and please purify me. It is your blessings that you have provided devotees association by establishing temples. In this special day of your appearance day I promise you that I will continue to live my life in such a way that one day I may be a fit candidate for your blessings. Please accept my heartfelt gratitude and prayers for never leaving your shelter. I beg to remain your humble servant eternally through my last breath of my life. Begging for your mercy. Millions of dandavats at your lotus feet.

Dear Srila Prabhupada,

Please accept my humble obeisance at your divine lotus feet.

On this auspicious day I beg forgiveness for the offenses committed unto your Lotus feet. Thank you so much Prabhupada for allowing a fallen soul like me to serve another year of devotional service to your Mission. Four years back I didn't know even who Prabhupada is. But in this four years great changes happened in my life. Last Janmashtami you showed me your extra-ordinary mercy by providing me Nitai-Gaur Deity and we got an opportunity to serve Them. You have not stopped showering your mercy. Although I am not qualified, you have selected me as your disciple by formal initiation of Harinaam Diksha. Sometime a thought comes in my mind that how you have selected an unworthy soul like me for your mission.

Srila Prabhupada you have told that our real preaching is distributing books. Although book distribution service is the most attractive service for me, I could not fully involve due to my day today work pressure. But when someone

purchases your book or subscribe for “Vaikuntha Darshan” then I feel really very happy. I have recognized my inability to glorify sufficiently your Divine Grace. But I realized the statement of Lord Chaitanya

Sadhu sanga, sadhu sanga sarva sastra kaya

Lava matra sadhu sanga sarva siddi haya

(CC Madhya 22.54)

“Even by a moment’s association with a pure devotee one can achieve all perfection.” Associating with your each and every wonderful words one can achieve highest perfection of life. Now the only *Saarathi* of my journey of life is your transcendental *Vani* and Bhagavatam Class. Srila Prabhupada I really want to come out of all mundane material desires & stay at the platform where I am naturally the servant of the servant of your divine grace. I pray to you to continue showering your causeless mercy onto me, so that I can keep away from clutches of *Maya*. Thank you for accepting me under your lotus feet and empowered me by your spiritual instruction. I will remain forever indebted to you for the precious gift you have given us.

Jai Srila Prabhupad! Please accept my obeisance at your feet on this very auspicious day of your appearance on this planet. With this offering I have completed my 10 years of ashram life with your guidance. All glories to your Powerful **Movement** which clears the cloud of material enjoyment around the soul and shows the bright SUN of KRISHNA which casts me the shadow of Spiritual Bliss.

This ashram life gives me realization of your Krishna Conscious philosophy while interaction with other Vaishnava devotees every time and while hearing Srimad Bhagavatam class which is always fresh new every day for me! Also this **Bhagavatam class** expands my consciousness and helps me to comprehend my existence day by day.

Prabhupad! Thank you so much for your Krishna Consciousness philosophy in my life which purifies my MIND. MIND is such a wonderful entity which producing 70,000 thought/day even material scientist confirms! The power of mind can't be utilized unless its organized, Then I feel possible to fathom Krishna Consciousness philosophy with this powerful mind which among the senses represents Krishna. So please continue your blessings by showing mercy on me to control and organize my mind and serve your mission better.

All glories to your **institutional** way of preaching Krishna Consciousness in society which really distributes large quantity of Krishna Prasadam everyday through **Akshaya Patra Foundation**, And Large quantity of Books by devotees from every temple. And also distributes Holy Names of Krishna throughout the World through Sankirtan and during festivals! which create the auspicious atmosphere and which helps the People who are distressed looking for solution to their problems.

Prabhupad! I can able to feel your **vibrational presence** through my senior Vaishnavas who are carrying your preaching zeal and engaging souls in devotional service to Krishna by various initiatives like TAPF, AIKYA and Theme parks etc. Unless you are sitting in their heart and gives inspiration this would have not been happening successfully.

Dear Srila Prabhupad! Save me from struggle I face some times which gives suffocation in my search for truth!!! the struggle is "I can't live and I can't die". Why because by deliberation I can come to conclusion about worldly things which are temporary, Substance less and hence useless. So I want to die, but that also not possible it seems,

as Spirit Soul is eternal which existed yesterday and existing today and hence tomorrow also going to exist forever. So please bless by showing mercy on me to come out of this painful situation which I am facing.

Prabhupad! Nowadays while **chanting** I can't stop thinking of the meaning of Hare Krishna Maha Mantra (that Krishna is the Supreme Being and is the supreme enjoyer & controller from whom the entire world is come into existence). This thought is the seed from where sprouts the sequence of other thoughts and keep growing the branches of thoughts after thoughts. Is this (contemplating effect of this mantra is) what you mean watering which helps growing Bhakthi latha bija?

Dear Srila Prabhupad! From Gita, I can think of doing Karma Yoga without attachment to result BUT its very painful doing Japa Yoga without **realization**. So please show mercy on me to come out of inertial forces in me which block to perform pure devotional service on to you and Krishna. Please incarnate in my heart to cut the anarthas which leads to realize Krishna the absolute Truth.

Requesting you to Keep me as servant in your mission and give shelter at your lotus feet forever

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet. All glories to you.

This is my first writing on this Vyasa Puja day, the divine appearance of yours, since my initiation a few days back in July 2018.

I have been connected to you for the last four years. Initially, it was impossible for me to chant 16 rounds of Hare Krishna japa daily and follow four regulative principles strictly. It was only through your blessings that my life has changed completely. I have calmed down and feel at peace with myself.

I feel I received your association a bit late but this short association has made me to know a little about Krishna and Krishna Consciousness. I can feel the presence of Krishna around me. Nevertheless, I feel happy that it is never too late and I have a long time to offer my service to the Supreme Lord.

Please bestow your mercy upon me to continue my devotional service to Lord Krishna, you and your mission. Please forgive any offenses committed at your lotus feet.

My Dear Prabhupada,

I offer my humble and respectful Obeisance unto your lotus feet. I feel so blessed, so fortunate, so grateful to have a spiritual Master, a mentor, a guide like you. When I look back the day when a prabhu ji from temple wanted to meet me and I was so determined not to meet him because I always felt that all Swamiji's I saw were all the same but I was so wrong. Because of your causeless mercy he met me and slowly he was the one who persuaded me to come to the temple and I began my journey to the temple, so morose. Looking back I smile and today feel blessed.

Prabhupad, your devotees always say about the association with the devotees, its so very true because the moment there is any difficulty they are there for us, help us and things become easy because of you and your causeless mercy I have come to know the reality and the truth of life, if it wasn't you I would have been in ignorance. I pray and I wish that everybody should join the movement to get the knowledge the way we have.

I know I am not fit for whatever the authority have entrusted me with I also feel that I am not at all up to the mark, I sincerely thank senior temple devotees to give so many opportunities and the kind of sevas that have been given to me. Thank you Prabhupad for giving everything. Your movement is so full of activities that you look north, south, east, west and we can fit into any kind of activity we want it is so nice all Glories To You. Thank you Prabhupad for taking so much pain for translating the greatest and the most valuable literatures. Thank you Prabhupad for making things so easy for us.

Thank you Prabhupad to give us this wonderful movement. Thank you Prabhupad to teach us who the Supreme Personality of Godhead is and to tell us the truth without any manipulation. Thank you for whatever you have done for us. I will always be indebted and grateful to you.

Dear Srila Prabhupada,

Please accept my most respectful and humble obeisance on this most auspicious appearance day of Your Divine Grace.

For those of us who wish to know the purpose of life, the creator and maintainer of the world, and our own identity, a spiritual matter is absolutely necessary, because what we can understand of such crucial questions using only our mind and logic is limited. We can logically assume that the order and complexity of creation points strongly to the existence of an intelligent creator. With logic, we can also conclude that that creator must ultimately be one, not many. Further than such conclusions, however, our human thought and science cannot reach.

To know details of the personality of the creator, and what is that creator's desire and intention, we need to access the creator directly. Because one's such reciprocation results in the creator reaching out to one with knowledge of Himself and of how to attain Him. We can say it is our reaching out to Him which prompts His reciprocal grasping of our hand. As Srila Prabhupada put it, "Reciprocal. If you love Krishna, then Krishna will love [you] more than you [love Him]. (Class on Bhagavad-gita 7.15–18, New York, 9 October 1966).

The difficulty is that a soul covered by the modes of material nature finds Lord Krishna's communication "imperceptible" indeed. Therefore, Krishna reaches out through a devotee, the guru, the spiritual master, who acts as the link between us and Him.

You explain that Spiritual master is not that a particular man is spiritual master. Spiritual master is a truth. So, what is that truth? The truth is "samsara-davanala-lidha-loka-tranayakarunya-ghanaghanatvam". The whole world is in the blaze of material pangs, threefold miseries, and a person who is authorized to deliver people from that material pangs, he is called spiritual master. [Vyasa puja lecture, Hamburg, 5 September 1969].

Srila Prabhupada in our case you are the one who epitomizes guru for us, it is through you we know and understand Vyasa. Gurudev accept my reverence and gratitude because then only my offering would become real Vyasa puja because as you aptly explain that Vyasa puja is about reverence and gratitude for the fundamental principle of guru.

Srila Prabhupada you gave harinama initiation and Gayatri Diksha to the thousands of disciples. Your mercy has touched an undeserving candidate like me also whereby I have been blessed with Harinama Initiation bestowing upon me the initiated name "Vijay Gopala Das".

Srila Prabhupada all the above compilation has been sourced from the writings of devotees who have significantly progressed in the path of Krishna Consciousness and compiling them gives me a realisation that It is You who is

the best well wisher of your disciples and a true “Vyasa” and the only refuge for us to offer our “Puja” on to Your Lotus Feet.

A true puja would be to carry your mission forward and we devotees at Guwahati are blessed because there is so much lined for all of us in the form of building our new temple, our new Akshaya patra Kitchens at various locations, establishing new Great India Talent Foundation Schools, holding Grand Public Functions to spread Krishna Consciousness, distributing Prasadam involving people from all walks of life. The list is endless and it is only up to one as to how much one can apply oneself.

Please bless me to serve in your mission for the spreading of the movement. Please forgive me for the offenses committed at your lotus feet.

Dear Srila Prabhupada,

Om ajñāna-timirāndhsya jñānāñjana-śalākayā

Cakṣurunmīlitaṁ yena tasmai śrī-gurave namaḥ

I was born in the darkest ignorance, and my spiritual master opened my eyes with the torch of knowledge. I offer my respectful obeisance unto him.

In Indian culture the relationship between Guru and disciple is very great and depth. It is inconceivable for a common human being. We have learnt from the past that how deep and meaningful it used to be the love between guru and disciple. They show the light of knowledge for the benefit of this the material world and various such examples we see in our disciplic succession. The purest form of this relationship is what leading the material world towards the knowledge of Krishna Consciousness. The position of spiritual master is grater then the material father, mother and even demigods. Srila Prabhupada you are such a spiritual master who breaks all my material bondage and directs me to Krishna Consciousness.

We have many relations like mother-father, friends-relative but the relation with spiritual master is the purest one and it's eternal. There is nothing in this world which can be compared to this relationship. Because of such a spiritual master like Srila Prabhupada, my life is beautiful. Without Srila Prabhupada there is no goal and my entire endeavour in life is useless labour “Srama eva hi kevalam”. The mercy of spiritual master is bigger than, anything else in the three worlds. Spiritual master is the address of the supreme Lord Sri Krishna.

Srila Prabhupada you have created and been creating millions of disciple and bestowing them knowledge of absolute truth. If you desire anything becomes possible which is impossible for others. You can illuminate the whole world with vast Vedic knowledge. You're as good as Lord Brahma who creates this material manifest therefore I worship you as “*Guruh Brahmaya Namah*”. Srila Prabhupada you teach me by Vedic instructions or give guidance through senior Vaishnavas, to make me a pure hearted, qualified, good disciple. Srila Prabhupada you constantly helped me to maintain my spiritual life like supreme Lord Vishnu, who maintains this world. Therefore I worship you as “*Guruh Vishnuve Namah*”. Srila Prabhupada you're like Lord Shiva who does devastation. Similarly you destroy which is not auspicious for my spiritual life and protect me and make my life auspicious all the time. Therefore I worship you as “*Guruh Maheshvaraye Namah*”.

Dear Srila Prabhupada, I humbly beg from core of my heart at your lotus feet somehow or other always put me in a situation where I can just follow your instructions and make this life perfect. And keep my consciousness pure. Thank you so much for keeping at your lotus feet to serve your mission.

Please accept my most humble obeisance's at the dust of your lotus feet on the auspicious occasion of your 122th divine appearance.

First of all I want to say you thank you very much for becoming merciful to allow me to join this Krishna consciousness movement. Finally you accept my prayers and the day of 14th June 2017 you have given me shelter. I want this shelter eternally and I want to serve you always.

Prabhupad please bless me for enough spiritual strength to follow all your instructions. I'm so weak spiritually and I have no strength to do devotional service because of my past deeds. I have committed too many sins because of my uncontrolled mind and senses in the last 10 years because my mind is so much flickering. Due to my uncontrolled mind I was not able to take any decision of my life. I don't know what was good and bad for me. So Prabhupad, I pray to your divine lotus feet whatever good for me, please sanction that.

Prabhupad please always keep me under your shelter and be merciful on me and give me much strength to be able to continue devotional service and become a nice servant of your lotus feet and become a nice servant of all your devotees.

I thank you millions of times for showing me the path of devotional service. You made my life meaningful and made it easy for me. You are the eternal associate and most confidential servant of the Supreme Lord. Indeed true to your position, it is difficult to gauge your pastime and the purpose behind them. Because of your mercy, millions of people irrespective of caste, creed, religion, language or nationality are chanting Hare Krishna maha mantra.

Srila Prabhupada, I beg your mercy to give me enough strength to act as a good instrument in the hands of Lord Chaitanya, whose teachings can dissipate the darkness of this material world. So please give me sufficient spiritual strength and knowledge to take your instructions as life and soul to overcome the obstacles which interrupt your mission which is to preach the message of Lord Chaitanya Mahaprabhu to each and everyone.

Please accept my pranam and humble obeisance unto your lotus feet.

Srila Prabhupada, forgetting Krishna I have fallen into this material world and going on with my mundane works in this maya's world. Because of your mercy still somewhere I am in touch with your movement through your devotees. Though I am not qualified for your service you are providing me the greatest service of transcendental knowledge distribution in some way or other. Prabhupada, we are learning from you that we are part and parcel of Krishna, we should serve Krishna. Serving Krishna means serving the Whole which means serving to all. This is true in both in transcendental world as well as in the material world. I come to know from you that if somebody come and touch with your movement and obey four Regulative principle i.e. no meat eating, no intoxication, no illicit sex, no Gambling, Chant sixteen round of Hare Krishna Maha mantra, reading your books and taking Krishna prasadam he can develop his Krishna Consciousness.

Today in the name of family responsibility and social obligation we are serving first I (not real I?) and Mine, Krishna is Secondary! I don't want it but I am forced to do it. My foolishness! *Prabhupada*, please allow me to serve your preaching movement in whatever small way possible from my side. Always allow me to chant Hare Krishna Maha

Jai Srila Prabhupada. Hare Krishna.

First of all I offer my sincere and heartfelt obeisance to His Divine Grace A. C. Bhaktivedanta Swami Prabhupada, founder-Acharya of Worldwide Hare Krishna Movement on this auspicious appearance day.

Srila Prabhupada, it is because of your initiation in establishing the International Society for Krishna Consciousness I have been able to associate myself with your worldwide movement of Krishna Consciousness which is spread in more than 100 countries around the entire globe with your untiring efforts.

Today, I feel very happy having been associated with such a large organization which has taught me the Krishna Consciousness, the way back to Godhead. By virtue of your mercy and blessings, I have been given the opportunity to engage myself in spiritual life and rendering devotional services to Lord Sri Krishna. Understanding the Krishna Consciousness is the only medicine prescribed by you to keep ourselves away from the repeated cycle of birth and death.

Prabhupada, your great personality has inspired me to chant 16 rounds of Hare Krishna Hare Krishna Krishna Krishna Hare Hare Hare Rama Hare Rama Rama Rama Hare Hare. This regular chanting has really benefitted me keeping away from unwanted desires and thoughts leading to a simpler life. Please shower your blessings on to me so that I can keep chanting at least 16 rounds everyday without any interruption thereby making further progress in Krishna Consciousness.

Prabhupada, you have given the opportunity to understand the philosophy and real goal of our life and make it happy associating ourselves with the devotees, reading your books and engaging in the distribution of books. Your guidance and blessings will always help us in carrying forward the Krishna Consciousness movement initiated by you. Hare Krishna.

Prabhupada you are my most respectable spiritual master and by your mercy today I am able to chant Hare Krishna Maha Mantra 16 rounds or more daily very easily and with your mercy I am able to read the books like Sri Krishna, Beyond Birth & Death, Science of Self Realization and Sri Namamrit.

Srila Prabhupada, from your books it is clearly understood that a person who chants the holy name of Lord Krishna are far advanced in spiritual life even if he born in families of dog-eaters. Such chanters have undoubtedly performed all kinds of austerities and sacrifices, bathed in all sacred rivers and finished all spiritual studies.

Prabhupada you are not just a spiritual master, you are an authorized representative of Supreme Personality of Godhead. Therefore you alone can conquer the world by giving Krishna Prema with very simple method. Thanks to you Prabhupada once again that by your mercy I regularly worship Sri Gaura Nitai and Sri Jagannath, offering Bhoga, chanting 16 rounds of Hare Krishna Maha Mantra, reading your books. Prabhupada, by your mercy today I have understood that Lord Sri Krishna is all in all, He is our master, we are His eternal servant. Therefore I always try to give best service to Lord Krishna.

Prabhupada I promise you that whatever I understood from your teaching I will serve Lord Krishna for His pleasure through the rest of my life. Please forgive me for the offenses at your lotus feet knowingly or unknowingly and accept me as a disciple at your lotus feet.

Jagat-Guru Srila Prabhupada Ki Jai,

Please accept my humble obeisance.

Prabhupada, you have been a constant inspiration for me to take up the spiritual practices. You have been directly or indirectly inspiring me through your books, lectures, instructions, etc. As it has been said, “*yadi prabhupada na hoito tabe ki hoito, jivan bahito kise*”, cannot imagine what life I would have been living if you were not shown your causeless mercy on this conditioned soul.

Also as written by His Divine Grace Bhaktivinoda Thakura, “*jogyata-vicare, kichu nahi pai, tomara karuna—sara*”, don't have qualifications of my own and it's all the mercy of you, Prabhupada, that I am able to do a little service to Krishna.

I pray at your lotus feet humbly to make me a part of your mission in any way I can contribute, to serve Lord Krishna because it is possible only by your mercy. And make me servant of the servant of your servant. I thank you for accepting me as a tool for your mission.

Dear Srila Prabhupada,

Please accept my humble obeisance's at your lotus feet. This is the great opportunity to glorify the spiritual master on the occasion of his appearance day. Again I got this opportunity to glorify you. I don't have such words to glorify you but I am trying in my broken language. Because of your causeless mercy you accepted me as your disciple at 7th June 2017 in spite of having no qualification. It is your causeless mercy that through your disciple you inspired me to join this great movement. I thought I will join and fulfill my promise to your disciple and after joining will go back again. It was due to Lust, greed, anger and too much attachment to words my family. But after joining this movement because of your causeless mercy I have realized the importance of association of devotees and this movement. This movement does not require me but I required this movement for my treatment.

Actually this movement is a spiritual hospital that treats the patient those are suffering from the disease of lust, greed, anger, moha, matsarya etc, because of these one have to be in cycle of birth, death, old age and disease. This spiritual hospital is based on your teachings. You explained about spiritual world there is no birth, no death, no old age and no disease, that world is full of enjoyment and we can go there, such a great thing it is. You explained who

is God? What is His name? Where He lives? How we can associate with Him? Simply by following four regulative principles and chanting 16 rounds of Hare Krishna mantra and doing devotional service to Lord Krishna we can go back to home back to godhead. Prabhupad I am too much indebted to you, I don't have any qualification to do anything but I want to serve you. I don't know how I can serve you. Please use this fallen soul in your service as you like. I request you to please give me strength so that I will be able to chant attentively, follow four regulative principles sincerely and able to do devotional service concisely. Please give me strength so that I am able to follow my authority in any condition.

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to you on this auspicious day of Vyasa Puja.

I am so fortunate to have your grace as my spiritual master. Because of your causeless mercy I came to this path of love and devotion to make my life successful by achieving KRISHNA PREMA. Your Grace help me to understand that the real goal of life which is to become Krishna conscious.

By your Grace I have given up many material things and bad habits and still struggling for many. It is very painful for me to become free from material things (maya) but I know by your Grace only I can defeat maya. I am trying to follow your instructions. Please grant me mercy to do the same in better way and become a good devotee of my Lord KRISHNA.

Wishing to remain forever in your service,

Your sincere servant,

Bhakta Nirmal Kumar

Bhakta Sanskar

My dear loving and beloved Spiritual Master, please accept my humble obeisance at your lotus feet.

Prabhupad, it is your causeless mercy that I have been associated with your movement for around 6 years. Every year, I read out my homage to you on this auspicious occasion. Going through my previous homage's, I realize that how I used to experience in the initial stage of my association with temple, and how I am feeling now, obviously now it is better. Over the years, I have got more and more service opportunities to do, which has boosted my faith on your mercy. And that's the only reason that I was able to give full service to temple even before two days before my 12th board examination, and secure good marks.

Your mercy has always been there upon me in difficult times. You give us every opportunity to excel in spiritual life. But we only always see our enjoyment and work accordingly. But Prabhupad, chanting everyday somehow helps me to remember Krishna and retain my faith on him. It is my fortune that I got associated with you. Please keep me always in your shelter, give me all service opportunities here in Kolkata, and keep me associated with the movement.

Hare Krishna. All Glories to Srila Prabhupad!

Hare Krishna. Jai Srila Prabhupada.

First of all I pay my humble obeisance unto my Gurudev Srila Prabhupada.

Till the time I hadn't joined the Hare Krishna movement, I was drowning in the ocean of darkness and ignorance. After that I got the opportunity to read Prabhupada's books. I have started to chant the Hare Krishna maha mantra through your disciples which is your causeless mercy and started to devour the maha prasadam. My knowledge of the spiritual domain was very limited but Prabhupada's books brought about some noticeable changes in my life. What is religion? Who is Krishna? Who am I? Why do we need a spiritual master? I was able to know the answers to all these questions by the mercy of your divine grace Srila Prabhupada.

By the grace of Prabhupada, I got the opportunity to serve the devotees. On top of that, the regular seva of the temple, Bhajan-Kirtan etc was possible only by your mercy. You have reflected the true direction to a fallen soul like me. It wouldn't have been possible without your grace.

I hope my future days too are spent in your nectarian service. Please forgive me any offenses committed at your lotus feet.

Dear Srila Prabhupad,

Please accept my humble obeisance. On this most sacred occasion of your Vyasa Puja I bow down at the dust of your lotus feet to grant me the ability to glorify your divine and magnanimous character.

Srila Prabhupad I don't know where to start from and I really fall short of words when it comes to describing what profound change you have got in the life of this sinful soul who was just a mere slave of his innumerable desires constantly scouting for sense enjoyment. On this day I would like to express my deepest gratitude to you for it is only by your association I learnt the most basic knowledge about the cycle of birth and death or else like other unfortunate souls I would have also died in ignorance with no knowledge of the self and wandered in the 21 hellish planets life after life. It is only by your teachings I have come to some understanding that perfection of life is in constantly remembering Krishna by chanting his holy name, by serving the spiritual master and the Vaishnavas who have dedicated their life to the service of the Lord.

I had the fabulous opportunity to visit the western world on a spiritual tour with the devotees where you started this glorious Hare Krishna revolution, it was real pleasure learning about your beautiful pastimes from your own disciples, it felt as if I was transferred to that same world and was experiencing it with your divine grace. It was overwhelming to know the kind of hardships you faced to establish the movement on a foreign soil completely immersed in the ocean of ignorance. It is only a pure devotee who has this compassion for the suffering humanity and to such a liberated soul the Lord empowers to do great miracles like fulfilling Lord Chaitanya's mission of spreading the holy name all across the globe in this age of darkness. Today by your divine intervention Hare Krishna temples are there in each and every country, even in materialistic states like China and Japan we can find devotees doing sankirtan on the streets which is something unimaginable.

Lord Krishna himself has spoken about you in the Bhagawad Gita in the following verses:

ya idam paramam guhyam mad-bhakteshv abhidhasyati

bhaktim mayi param krtva mam evaisyaty asamsayah

"For one who explains this supreme secret to the devotees, pure devotional service is guaranteed, and at the end he will come to Me."

*na ca tasman manusyesu kascin me priya-krttamah
bhavati na ca me tasmad anyah priyataro bhuvi*

"There is no servant in this world more dear to Me than he, nor will there ever be one more dear." BG 18.69

Srila Prabhupad though you might not be physically present with us today but you live in your teachings and I have felt your loving reciprocation every time I sought your mercy and called out for you, I have experienced your instructions to me whenever I needed them and you have always helped me come out of difficult situations arising in my life due to the influence of maya. Please continue to bless me and always keep in the association of your pure Vaishnavas for only they can keep this fallen soul in your constant remembrance and someday make me a worthy servant of yours.

Gurudev in spite of all my shortcomings you have been so merciful on to me, please inspire me to take up reading your books seriously on a regular basis for further progress in my journey back home and keep me at your lotus feet always as you are my only shelter and refuge.

Yours humble servant,

Hare Krishna, I offer my humble obeisance's to His Divine Grace A.C. Bhaktivedanta Swami Prabhupada. I offer my humble obeisance's to Sri Chaitanya Mahaprabhu and all the Vaishnava devotees. I offer my loving obeisances to Lord Krishna and Sri Radha Rani. Firstly, I thank Srila Prabhupada ji for showering his mercy on this aimless soul. I thank all devotees of Hare Krishna Movement Guwahati who are directly and indirectly responsible for little spiritual inclination in me. And I thank Krishna for showing so much love and care towards this insignificant and a bad person. I thank Krishna for a million times for transforming me continuously at each and every level. I thank Krishna for billion times for allowing me into his love perfumed and devotion resonating Vrindavan dhama. I thank Prabhupada and Krishna for introducing me into devotion and love to Krishna. I thank for giving me beautiful kirtans, joyful dances and loving devotees.

I wanted to thanks Srila Prabhupada for giving me such a vast literature which includes Srimad Bhagawatam, Bhagawad Gita and many more books. My journey in spirituality has been taken to another level after more than couple of years with the mercy of Srila Prabhupada. This happened on June 18th 2015 when I attended Ratha Yatra festival near our college. I remember that on that day I was unhealthy and very tired due to lack of energy and heavy sunlight and wanted to go to room in the middle. However, Krishna has other plans for me. As my friend was adamant to witness the Ratha Yatra and gave me a choice to go to room. At that point of time, due to divine intervention, I just walked and thought let me go and reach the endpoint of Ratha Yatra near Dol Govinda temple. At Dol Govind temple, one of temple devotees came near us and took our mobile numbers and names which are followed by Saturday classes. This incident which resumed my spiritual journey has happened only because of the mercy of Srila Prabhupada ji and my beloved Krishna. Without Krishna's ocean of love, I wouldn't have been continuing spirituality. I thank and have deepest respects towards each and every one who helped making my life more beautiful by engaging me in loving, thinking and in service to Krishna. Srila Prabhupada, please be merciful on me and give the unlimited blessings to continue my devotional service to your movement. Please forgive me for the offenses committed at your feet.

Yours servant,

Dear Beloved Srila Prabhupada,

I offer my humble obeisance unto to your Lotus Feet. It's the fifth time I am writing my Vyasa Puja Offering.

Each year I have seen change in my life and I am following the four regulative principals more strictly and I am chanting sixteen rounds of Maha mantra without missing and my time is passing by the grace of Gurudev and Krishna.

Participating in temple program is becoming more and more interesting. I never feel lazy while chanting. I have really no words to express what change came in my life after joining the Hare Krishna Movement. It's all by the Grace of Srila Prabhupada.

Slowly and steadily as I am progressing spiritually with your guidance, my bonding with Krishna is becoming stronger and stronger. My life has become more meaningful after joining the movement. I am able to get true services to the Lord because of my association with the movement. Attending Managla Aarti is one of its kind of experience and chanting sixteen rounds of the Maha mantra i.e. HARE KRISHNA HARE KRISHNA KRISHNA KRISHNA HARE HARE HARE RAMA HARE RAMA RAMA RAMA HARE HARE gives me immense peace and I am very thankful to Srila Prabhupada for having such a nice movement in Guwahati and I pray to you bless us always for a long time.

Hare Krishna!

My dear Srila Prabhupada, Please accept my humble obeisance unto your lotus feet. All glories to you and your Divine Grace.

This year has been a blessing for me and my family by your divine mercy as we got a rare chance to visit the "East coast Parikrama, USA" with a group of devotees who are completely submissive to you and your philosophy. It was wonderful and so inspiring to see how you have managed to plant the seed of this *naam sankirtan* movement across the world in a short time, most miraculously and specially to these westerners who does not even understand the basic abc of this religion and not only that at some point I felt ashamed of ourselves seeing how dedicated they are to you and your teachings. In spite of living in the land that is surrounded by irreligion, where the essence of culture is almost dead, these devotees never miss a chance to glorify you, and are so dedicated to the service of Krishna.

All your temples are simply wonders on earth, their beauty is a treat to the eyes, their aura is so peace giving and the continuous positive Vibrations are unmatched by any other therapy in world.

We happened to meet one of your disciples in new Vrindavan and hearing directly from him as how the new Vrindavan was created and how the "Palace of Gold" just happened without any planning is simply an Architectural marvel. The atmosphere be it at Alachua, New Vrindavan, New York, Washington etc., were just breathtaking and it's purely your and Lord Krishna blessing that has made this trip happen with our 3 year old (which was always a concern travelling so far) and I so sincerely thank you for this rare chance to us which was in one way an eye opener for us to experience your wide vision, hard work and dedication which until then was just known through books and articles and conversations and this has definitely helped us to be more closer to you.

Dear Prabhupada, you are really a treasure house of knowledge and inspiration. Well all said and done, at the end what matters that how are we going to take this inspiration forward? It so happens that every time we see or hear

something about you or some Vedic Gyan through Bhagawatam lessons or a Krishna katha etc., It remains with us but only momentarily. We are so busy in our own small world that we keep ourselves confined to that limit only. So this is a perfect opportunity to rethink and write in words that I pledge to take this Inspiration forward firstly by sincerely chanting the most precious holy name which is the prime requisite to become your servant, serving you and your mission in whatever best way possible, through services small or big, to the capacity I have in terms of my calibre or my strength for which I am thankful to the Lord, and also accept new challenges seeking your blessings so that in my small ways I please you and I hope that these small steps will enlighten me to be a part of some bigger projects and make a difference in this world.

Dear Prabhupada, please accept a sincere loving note from my daughter Manjari (Meera) who is growing older each day remembering you, offers deep respect unto your lotus feet and by your divine mercy on her, I see a rare spark in her in the way she displays her Sanskrit skills, the interest in reading Bhagawad Gita, the continuous humming of Vaishnava song while playing etc., and her acceptance of Krishna as her best friend. Please continue to bless her so that she is un-deviated from this spiritual platform by any material attractions and always be happy reciting and chanting the glories of the holy name as she steps into this world of miseries from the cocooned shelter of home and temple. Please guide us and enlighten us so that we as parents always remember our core responsibility to continue raising her under the umbrella of Krishna consciousness.

Dear Srila Prabhupada,

Please accept my humble obeisance's at your divine lotus feet. Srila Prabhupada! I want to thank you for giving me the great opportunity to come to your Hare Krishna movement, which you started single handed. We can never repay your kindness and causeless mercy upon us for giving us the chance without discrimination, regardless of race, religion, gender or colour, to take to Krishna Consciousness and become devotees. You were always thinking of many ways to expand your movement and engage the conditioned souls in devotional service. You opened so many temples all over the world for this purpose, giving people the opportunity to visit and associate with devotees, hear about Krishna, chant His holy name, and take *prasada*, read your books, and join your movement. You painstakingly translated so many transcendental literatures that have come down to us unchanged, from the line of disciple succession for our eternal spiritual benefit.

Srila Prabhupada you have told us repeatedly that this human life is very rare and short, but perfect for God realization. Only in the human form does one have intelligence to inquire who am I? Who is God? What's the purpose of this world? We have been suffering in this material world since time immemorial, transmigrating through innumerable species in our vain quest to become masters of the material world, and big enjoyers of the senses. As a result we have only suffered, become degraded and forgetful of our loving relationship with Krishna, as His eternal servants. We have been through so many material creations and annihilations, afterwards remaining unconscious within the body of Maha Vishnu for millions of years, waiting until another material manifestation. As Krishna and Lord Chaitanya appear only rarely, once in a day of Brahma, so it is also rare to meet a pure, unalloyed devotee of the Supreme Lord like Srila Prabhupada. We are indeed most fortunate, as it's only by serving His lotus feet, taking initiation from Him and pleasing him can the seed of devotional service be sown within our hearts.

Without the mercy of the spiritual master there is no hope of making any advancement in spiritual life, it doesn't matter how learned, beautiful, wealthy or aristocratic we may be, if we don't have the mercy of the pure unalloyed devotee, we can't attain Krishna. *Yasya prasada bhagavat-prasada*, "By the mercy of the spiritual master one receives the benediction of Krishna. Without the grace of the spiritual master one cannot make any advancement. Therefore I should remember and praise the spiritual master at least three times a day.

All glories to Srila Prabhupada!

O my dear beloved spiritual father Prabhupada, please keep me under the shades of your merciful lotus feet always as I don't have charm to chant the Hari Naam, holy name of Radha-Krishna. Please engage me in chanting of Maha-Mantra always 24x7.

Samsaara daavaanalalida loka tranaya karunya ghanaaghanatvam

The spiritual master is receiving benediction from the ocean of mercy just as a cloud pours water on the forest fire to extinguish it so the spiritual master delivers the materially afflicted world by extinguishing the blazing fire of material existence. I offer my respectful obeisance's unto the lotus feet of such a spiritual master who is an ocean of auspicious qualities.

O Prabhupada, please don't keep me in forgetfulness of Lord Krishna and His holy name. We consider ourselves very blessed because we came in touch with you by Holy Names, by your golden holy books. Please be more merciful by making us chant more and more without any offense.

Dear Srila Prabhupada,

I offer my humble obeisance unto your lotus feet. O Prabhupada, thank you for giving us the knowledge about the 'Supreme Truth'. For this knowledge, today we are able to differentiate between right and wrong. For your mercy, people across the whole world are known to the 'Yuga Dharma', which is chanting of the holy name, Hare Krishna, Hare Krishna, Krishna Krishna, Hare Hare, Hare Rama, Hare Rama, Rama Rama, Hare Hare, which means, O Srimati Radharani (the divine energy of the Lord Krishna), O all-attractive reservoir of pleasure, Lord Sri Krishna, please engage me in Your loving devotional service. Thank you Prabhupada for holding unto us and leading us into right path. Lastly, I would like to say that Prabhupada, you are my spiritual master and so please guide me towards 'Krishna Prema'.

Dear Srila Prabhupada,

I offer my humble obeisance unto you. I thank you whole heartedly for showing the right way to reach back to Godhead. You have always shown your mercy on me. You have always helped to revive whenever I was ill . I request you to give me enough strength so that I can follow your direction. You had taught us how to do sevas at home. I like doing sevas like offering Tulasi leaves at Deities lotus feet, offering bhoga to the Lord, doing sandhya aarati, Making Deities sleep at night. And especially like to help my parents to do Abhishekam of Lord Nitai Gauranga on Saturdays. Please continue giving me directions so that I can do my sevas more and more and please Krishna and you.

Dear Srila Prabhupad,

Please accept my humble and obeisance's unto your lotus feet. I got the fourth opportunity to glorify you on the auspicious day of your appearance day. Prabhupad, it is your compassion that our family came in your contact four years ago and progressing in the path of Krishna Consciousness

I am drowning into the ocean of maya Prabhupad, I beg you to please save me from this material illusion. I am a very fallen soul who is trapped into the covering of false ego and trying to run faster in the rat race. These material thoughts occupy my mind more often than remembering Krishna and your instructions.

You are the one who leads us into the realm of spirit, and delivers us to the lotus feet of Krsna. My only prayer to you is that I may continue to practice Krishna Consciousness without any hindrance throughout my life and follow the four regulative principles strictly.

I am in a much degraded and most condemned state because I am not even able to chant fixed number of rounds. Please Srila Prabhupada show mercy on me, bestow blessings and give me strength to practice Krishna Consciousness strictly. Give me the strength to control my senses. There is no spiritual life without spiritual master's blessings. So I beg for your blessings. Please remove all the seeds of sinful desires from the core of my heart and let me never forget your Lotus Feet

Dear Srila Prabhupad,

Dandavat Pranam at your lotus feet.

I have no words to describe your glories; I am a fallen soul and was even more fallen before I got in touch with you. You have bestowed your causeless mercy on this worthless soul and got me in the platform of chanting the holy name which has changed mine and millions of other life's in the whole world.

Gurudev despite of so much love and affection from you, still I haven't proven myself as a good devotee of Krishna and a worthy servant of your divine grace. I feel immense pleasure in serving the deities of Sri Nitai Gaurasundar and every time I do it I feel so thankful to you for making me a part of this Hare Krishna Movement.

Please keep me under the guidance and association of your pure vaishnava's always and grant me service at your lotus feet.

Dear Srila Prabhupad,

HARE KRISHNA! Please accept my humble obeisance's onto your lotus feet. Thank you will be a very small world to express my gratitude.

It's nearly 5years now me being associated with Hare Krishna Movement. Every day I wake up with a smile and a mission to do Lords service. I am so fortunate to get the responsibility for SAATVIK FOOD DISTRIBUTION from the temple. First time in my life I got my personal visiting card from Temple. You gave me an identity Prabhupad and this fills my heart with all joy and happiness.

Prabhupad I talk to you often in my prayers and I have noticed you always took care and have solutions to everything. For example I had to go for Prasadam distribution and it was raining heavily in the morning, I requested you to ask Lord to stop the rain and believe me during service rain stopped. This cannot be coincidence as it's happened many times. You make the day pleasant for people to come and relish the Prasadam. All glories to you Prabhupad. My list of gratitude is endless. You picked me up from dirty puddle of mud and changed my life completely. Association with the devotees is very important as without them we are lost. Here I learnt the importance of my life. Thank you again for everything.

To top up I really enjoy Ekadasi, attending Mangala Aarti, Bhagawatam class, Prasadam, kirtan, Rath Yatra, AKSHAYAPATRA.

People know me as HARE KRISHNA WALI MADAM. Prabhupad please bless me your mercy unlimitedly to continue my fullest service for the pleasure of Lord Krishna.

With all regards

ನಿಮ್ಮ ಈ 122ನೇ ವರ್ಷದ ಹುಟ್ಟು ಹಬ್ಬದ ಕೊಡುಗೆಯಾಗಿ ನನ್ನನ್ನು ನಿಮ್ಮ ಚರಣ ಕಮಲದಲ್ಲಿ ಪೂರ್ಣವಾಗಿ ಸಮರ್ಪಿಸಿಕೊಳ್ಳುತ್ತೇನೆ. ನಿಮ್ಮ ಸೇವೆಯ ನನ್ನ ಜೀವನದ ಧೈಯ, ನಿಮ್ಮ ಆನಂದವೇ ನನ್ನ ಆನಂದ, ನಿಮ್ಮ ಆಶಿರ್ವಾದದಿಂದ ನನ್ನ ಜೀವನದಲ್ಲಿ ದಿನ ದಿನ ಪರಿವರ್ತನೆಯಾಗುತ್ತಿದೆ. ಅದರ ಪರಿಣಾಮವಾಗಿ ನಾನು ಹಿಂದಿನ ದಿನಗಳಲ್ಲಿ ಆದ ಆಧ್ಯಾತ್ಮಿಕ ಉನ್ನತಿ ನೆನಸಿಕೊಂಡರೆ ನನ್ನಲ್ಲಿ ಈಗ ಬಹಳಷ್ಟು ಬದಲಾವಣೆ! ನಿಮ್ಮ ಅಸ್ತಿಮ ಕೃಪೆಯಿಂದ ಆಗಿದೆ.

ಶ್ರೀಲ ಪ್ರಭುಪಾದ ನನ್ನನ್ನು ನಾನು ನಿಮ್ಮ ಕೃಷ್ಣ ಪ್ರಜ್ಞೆಯನ್ನು ಜನರಲ್ಲಿ ಹಂಚುವ ಕಾರ್ಯವನ್ನು ಮಾಡಬೇಕೆಂಬ ಹಂಬಲವನ್ನು ನಿಮ್ಮಲ್ಲಿ ಕಳೆದ ವರ್ಷ ತೋಡಿಕೊಂಡಿದ್ದೆ. ಆದರೆ ನನ್ನಲ್ಲಿರುವ ನ್ಯೂನತೆಗಳು ನನ್ನನ್ನು ಆ ಕೆಲಸವನ್ನು ಮಾಡುವದಕ್ಕೆ ಸಹಕಾರಿಯಾಗಲಿಲ್ಲ. ಆದರೆ ಈಗ ಬದಲಾವಣೆಯಾಗಿದೆ. ನಾನು ಈಗ ಪೂರ್ಣವಿಶ್ವಾಸದಿಂದ ಪ್ರಚಾರ ಕಾರ್ಯದಲ್ಲಿ ತೊಡಗಿಕೊಂಡಿದ್ದೇನೆ ಮತ್ತು ಎಲ್ಲವೂ ನಿಮ್ಮ ಕೃಪೆಯಿಂದ ಸುಗಮವಾಗಿ ನಡೆಯುತ್ತಿದೆ. ಅದಕ್ಕಾಗಿ ನಾನು ನಿಮಗೆ ಕೋಟಿ ಕೋಟಿ ಧನ್ಯವಾದಗಳನ್ನು ಕೋರುತ್ತೇನೆ.

ನನ್ನಲ್ಲಿ ಆಗಿರುವ ಬದಲಾವಣೆಗೆ ನಿಮಗೆ ಧನ್ಯವಾದಗಳನ್ನು ಅರ್ಪಿಸುತ್ತಾ, ನಿಮ್ಮ ಪ್ರೀತಿ ಪಾತ್ರನಾಗುವುದಕ್ಕೆ ಏನೆಲ್ಲಾ ಮಾಡಬೇಕೋ ಅದನ್ನೆಲ್ಲಾ ಪಡೆಯಲು ನನ್ನ ಜೀವನವನ್ನು ಮುಡಿಪಾಗಿಡುತ್ತೇನೆ ಎಂದು ನಾನು ಪ್ರತಿಜ್ಞೆ ಮಾಡುತ್ತೇನೆ.

ನನ್ನ ಶಾರೀರಿಕ ಶ್ರಮ, ಮಾನಸಿಕ ಹಾಗೂ ಧನವನ್ನೆಲ್ಲವನ್ನೂ ನಿಮ್ಮ ಸೇವೆಯಲ್ಲಿ ತೊಡಗಿಸುವ ಬುದ್ಧಿಯನ್ನು ಕೊಡಿ. ಹಾಗೂ ನನಗೆ ಮರೆವು ಹೆಚ್ಚಾಗಿದ್ದರಿಂದ ಜ್ಞಾಪಕ ಶಕ್ತಿಯನ್ನು ಕೊಡಿ ಅದರಿಂದಾಗಿ ನಾನು ಶ್ಲೋಕಗಳನ್ನು ಮತ್ತು ನಿಮ್ಮ ನಿರ್ದೇಶನಗಳನ್ನು ನೆನಪಿನಲ್ಲಿಡಲು ಸಾಧ್ಯವಾಗುತ್ತದೆ.

ನಿಮ್ಮನ್ನು ಎಷ್ಟು ಹೊಗಳಿದರು ಸಾಲದು. ನಿಮ್ಮ ಈ ಶುಭದಿನದಂದು ನನ್ನ ಜೀವನದ ಶ್ರೇಷ್ಠ ಭಾಗವನ್ನು ನಿಮ್ಮ ಸೇವೆಯಲ್ಲಿ ಕಳೆಯುತ್ತೇನೆಂದು ಹಾಗೂ ನಾನು ನೀವು ಹಾಕಿದ ಮಾರ್ಗದಲ್ಲಿ ನಡೆಯುತ್ತೇನೆಂದು ಹೇಳುತ್ತೇನೆ. ನನಗೆ ನಿಮ್ಮನ್ನು ಕುರಿತು ಬರೆಯುವ ಯೋಗ್ಯತೆ ಇಲ್ಲದಿದ್ದರೂ, ದುಸ್ಸಾಹಸದಿಂದ ಬರೆದಿದ್ದೇನೆ. ತಪ್ಪಿದಲ್ಲಿ ದಯವಿಟ್ಟು ಕ್ಷಮಿಸಿ, ಇದನ್ನು ಸ್ವೀಕರಿಸುತ್ತೀರೇಂದು ನಂಬಿದ್ದೇನೆ.

ಶ್ರೀಲ ಪ್ರಭುಪಾದರಿಗೆ ನುಡಿನಮನಗಳು,

ನನ್ನ ಜೀವನದಲ್ಲಿ ಶ್ರೀಲ ಪ್ರಭುಪಾದರು ಒಂದು ದೃಷ್ಟಿಯಲ್ಲಿ ಗುರುಗಳು ಹೌದು ಮತ್ತು ತಂದೆಯು ಹೌದು, ಏಕೆಂದರೆ ನನ್ನ ಜೀವನದಲ್ಲಿ ಬೇಕಾದಷ್ಟು ಬದಲಾವಣೆಗಳು ಆಗಿವೆ. ಅವೇನೆಂದರೆ ನಾನು ಬಹಳ ಶಾಸ್ತ್ರ ಗ್ರಂಥಗಳನ್ನು ನೋಡಿದ್ದೇನೆ, ಆದರೆ ಈ ರೀತಿ ಯಥಾರೂಪ, ನೈಜ ಸತ್ಯ ಎಲ್ಲಿಯೂ ಸಿಗಲಿಲ್ಲ. ಪರಮ ಸತ್ಯವನ್ನು ಸರಿಯಾಗಿ ನೋಡುವುದು ಹೇಗೆ ಮತ್ತು ಪರಮ ಸತ್ಯವೆಂದರೆ ಯಾರು, ಅವನು ಆಕಾರವೇ ಅಥವಾ ನಿರಾಕಾರವೇ ಎಂಬ ಗೊಂದಲ ಇದ್ದು ನನಗೆ, ಅಧಿಕೃತ ಪರಂಪರೆಯಲ್ಲಿ ಬಂದ ಶ್ರೀಲ ಪ್ರಭುಪಾದರ ಕೃತಿಗಳಾದ ಭಗವದ್ಗೀತೆ ಹಾಗೂ ಶ್ರೀಮದ್ ಭಾಗವತಗಳ ಸಹಾಯದಿಂದ ಅರಿಯಲು ಸಾಧ್ಯವಾಯಿತು. ಅವರ ಗ್ರಂಥ ಮುಖೇನ ಸೃಷ್ಟಿ, ಸ್ಥಿತಿ ಹಾಗೂ ಲಯಗಳನ್ನು ತಿಳಿದುಕೊಂಡಿದ್ದೇನೆ.

ಗುರುದೇವ,

ನಿಮ್ಮ ಜೀವನದ ಕ್ಷಣಕ್ಷಣವು ಕೃಷ್ಣನ ಸೇವೆಯಲ್ಲಿ ತೊಡಗಿಸಿ, ನಿಮ್ಮ ಆಚಾರ-ವಿಚಾರಗಳನ್ನು ಬದ್ಧ ಜೀವಿಗಳಿಗೆ ಮನವರಿಕೆಯಾಗುವಂತೆ ಬಿಟ್ಟು ಹೋಗಿರುವಿರಿ. ಸ್ವತಃ ಶ್ರೀಕೃಷ್ಣನೇ ಶ್ರೀ ಚೈತನ್ಯ ಮಹಾಪ್ರಭುಗಳ ರೂಪದಲ್ಲಿ ಪಶ್ಚಿಮ ಬಂಗಾಳದ ಮಾಯಾಪುರದಲ್ಲಿ ಜನಿಸಿ ಭಗವಂತನ ಪವಿತ್ರ ನಾಮಸ್ಮರಣೆ - ಹರೇ ಕೃಷ್ಣ ಮಹಾಮಂತ್ರವು ಭಾರತದ ಸಮುದ್ರ ತಟವನ್ನು ದಾಟಿ ಪ್ರಪಂಚದಾದ್ಯಂತ ಪ್ರತಿಯೊಂದು ನಗರ ಮತ್ತು ಹಳ್ಳಿಗಳಲ್ಲಿ ಹರಡುತ್ತದೆಂಬ ಭವಿಷ್ಯವಾಣಿಯನ್ನು ನುಡಿದಿದ್ದರು. ಅವರ ಭವಿಷ್ಯವಾಣಿಯು ನಿಮ್ಮಿಂದ ಸತ್ಯವಾಗಿಸಿ ಇಂದು ಜಗತ್ತಿನ ತುಂಬ ಹರೇ ಕೃಷ್ಣ ಮಂತ್ರದ ಸೊಬಗು ಮೂಲೆ ಮೂಲೆಗಳಲ್ಲಿ ಹರಡುತ್ತಿದೆ. ಈ ದಿಶೆಯಲ್ಲಿ ನೀವು ಎದುರಿಸಿದ ಕಷ್ಟ-ಕಾರ್ಪಣ್ಯಗಳು ಯಾರ ಹೃದಯದ ಸ್ತಂಬನವನ್ನು ಕೂಡ ಕೆಲವು ಕ್ಷಣಗಳ ಕಾಲ ನಿಲ್ಲಿಸದೆ ಇರಲಾರದು. ನೀವು ಮೊದಲ ಸಲ ಬಾರತದಿಂದ ನ್ಯೂಯಾರ್ಕ್ ನಗರದತ್ತ ಒಂದು ಸಾಮಾನ್ಯ ಸರಕು-ಸಾಮಗ್ರಿಗಳನ್ನು ಸಾಗಿಸುವ ಹಡಗಿನಲ್ಲಿ ಪರಿಚಯಸ್ತರ ಮೂಲಕ ಪ್ರಯಾಣಿಸುವಾಗ ನಿಮಗೆ ಹೃದಯಾಘಾತವಾದರೂ, ಆ ವೇಳೆ ಹಡಗಿನಲ್ಲಿ ಯಾವುದೇ ಔಷದೋಪಚಾರಗಳು ಲಭ್ಯವಿಲ್ಲದಿದ್ದರೂ, ನೀವು ಎನೂ ಧೃತಿಗಡದೇ ಮುನ್ನಡೆದಿರಿ. ಆದರೆ, ಅದೇ ದಿನ ರಾತ್ರಿ ಕನಸಿನಲ್ಲಿ ಪರಮ ಪುರುಷ ಶ್ರೀ ಕೃಷ್ಣನು ದೋಣಿಗೆ ಹುಟ್ಟು ಹಾಕುತ್ತ ನಿಮ್ಮ ಬಳಿ ಬಂದು, ಅಂಜದೇ ಮುಂದೆ ಸಾಗಬೇಕೆಂದು ಹೇಳಿದ. ಇದರಿಂದ ನಿಮ್ಮಲ್ಲಿ ಅಪಾರವಾದ ಧೈರ್ಯ ಹೆಚ್ಚಿತು, ಮತ್ತು ನಿಮ್ಮ ಧೈರ್ಯವನ್ನು ಮುಂದುವರಿಸಲು ಸಾಗಿದಿರಿ. ಈ ರೀತಿಯಾಗಿ ಶ್ರೀಕೃಷ್ಣನು ನಿಮ್ಮ ಜೊತೆಗಿದ್ದನೆಂದು ಭಾವಿಸಿ ಮುನ್ನಡೆದಿರಿ. 37 ದಿನಗಳ ನಂತರ ನ್ಯೂಯಾರ್ಕ್ ನಗರವನ್ನು ತಲುಪಿ, ಅಪರಿಚಿತರ ಊರಿನಲ್ಲು, ಕೇವಲ 40 ರೂ ಗಳೊಂದಿಗೆ, ಒಂದು ಪುಸ್ತಕದ ಪೆಟ್ಟಿಗೆ, ಒಂದು ಕೊಡ, ತಿನ್ನಲು ಧಾನ್ಯಗಳಿಂದ ಮಾಡಿದ ಹಿಟ್ಟಿನೊಂದಿಗೆ ಅಮೇರಿಕಾ ದೇಶ ತಲುಪಿದಿರಿ. ಆದರೆ ಒಬ್ಬ ಏಕಾಂಗಿ ಮನುಷ್ಯ ಯಾವ ಸಹಾಯ ಸಹಕಾರವಿಲ್ಲದ, ಯಾವ ಕೃಷ್ಣ-ಬೋಧನೆಯನ್ನೂ ಕೇಳಿರಿಯದ, ಕಂಡಿರಿಯದ ಬೃಹತ್ ಅಮೇರಿಕದಂತಹ ದೇಶದಲ್ಲಿ ಯಶಸ್ಸನ್ನು ಕೃಷ್ಣನ ಸಹಕಾರವಿಲ್ಲದೇ ಪಡೆಯಲು ಸಾಧ್ಯವೇ?

ಗುರುದೇವ ನೀವು ಅಲ್ಪಾವಧಿಯಲ್ಲಿ ಪ್ರಪಂಚದ ಪ್ರಮುಖ ನಗರಗಳಲ್ಲಿ ಕೃಷ್ಣ ಪ್ರಜ್ಞೆಯನ್ನು ಸರಾಗವಾಗಿ ಹರಡುವಂತೆ ಮಾಡಿದಿರಿ. ಹೀಗೆ ಜಗತ್ತಿನ ಮನೆ-ಮನೆಯಲ್ಲೂ, ಮನಸ್ಸಿನಲ್ಲೂ ಹರೇ ಕೃಷ್ಣ ನಾಮ ಜಪವನ್ನು ತುಂಬುವದರ ಮೂಲಕ ಶ್ರೀ ಚೈತನ್ಯ ಮಹಾಪ್ರಭುಗಳು 500 ಚರ್ಷಗಳ ಹಿಂದೆ ನುಡಿದ ಭವಿಷ್ಯವಾಣಿಯನ್ನು ಸತ್ಯವಾಗಿಸಿದಿರಿ. ನಿಮ್ಮ ಕೃಪಾಕಟಾಕ್ಷವಿಲ್ಲದೇ ಆಧ್ಯಾತ್ಮದಲ್ಲಿ ಪ್ರಗತಿ ಸಾಧಿಸುವದು ಕನಸಿನ ಮಾತು. ಈ ದಿಶೆಯಲ್ಲಿ, ನಾನು ನಿಮ್ಮ ಚರಣಾರವಿಂದಗಳಲ್ಲಿ ಕಳಕಳಿಯಿಂದ ವಿನಂತಿಸಿಕೊಳ್ಳುವುದೇನೆಂದರೆ, ಈ ಪವಿತ್ರ ಸ್ಥಳದಲ್ಲಿ ಉದಯೋನ್ಮುಖವಾಗುವಂತಹ ಪರಮಾತ್ಮನ ಸನ್ನಿಧಾನವು, ಆದಷ್ಟು ತೀವ್ರವಾಗಿ ಉದಯವಾಗಿ, ನಮ್ಮೆಲ್ಲ ಭಕ್ತರ ಕಣ್ಮಣಿಗಳನ್ನು ತಣಿಸಿ ಶಾಂತಿಯನ್ನೂ ದಯಪಾಲಿಸಲೆಂದು ಪ್ರಾರ್ಥಿಸುವ,

ನಿಮ್ಮ ಶಿಷ್ಯ

Dear Srila Prabhupada.

Please accept my humble obeisance's. All glories to Your divine grace.

I am sincerely thankful to You for keeping me near Your lotus feet, being in the association of Your devotees in the ashram. I feel more safe and more gratitude towards You. Srila Prabhupada, because of Your causeless mercy today I could able to get the most valuable thing, that is Krishna Consciousness. We heard from You that:

*brahmāṇḍa bhramite kona bhāgyavān jīva
guru-kṛṣṇa-prasāde pāya bhakti-latā-bīja*

Out of many universes very few fortunate souls will get the seed of Bhaktilata from the spiritual master and Krishna. I feel very much gratitude for what I have got from my spiritual master which cannot be comparable, which came from spiritual world, which came in my life and a source of life as an essence of my life and the reason to lead my life.

And Srila Prabhupada, I thank You again and again for glancing upon me. You are just like touch stone, whomever You meet, You make him a devotee. You are very very special and Your position is always glorious. By austerity, penance and by own efforts no one can achieve pure devotional service to lord, but only by Your mercy, one can get pure devotional service, only by Your mercy, Krishna will be pleased.

*“yasya prasaadaad bhagavat –prasaado
Yasya aa prasaadaan na gatih kuto pi “*

So, I always beg Your mercy and please engage me in the service of Your lotus feet. Thank You Srila Prabhupada for all what You gave me.

Always aspiring to become Your servant,

My dear Srila Prabhupada,

Unless one is under the shelter of a realized spiritual master, his understanding of the supreme is simply foolishness
– TLC Chapter 18

I pray my repeated respectful obeisances unto Your lotus feet for the causeless mercy You have showered unto me for the last so many years. All glories to You on this special appearance day of Your Divine Grace.

First of all, I would like to thank Your Divine Grace accepting me as a full time soldier to Your glories sankirtana movement. You have been merciful in my life in engaging in Your service although I am not qualified to do so.

Please forgive me for all the offenses committed unto You and other vaishnavas. After getting all the knowledge, still I am so unfortunate that I am not taking Your instructions seriously, which is very much required to advance in spiritual life.

Prabhupada, please bless me so that I can follow Your instructions seriously by chanting the holy names attentively. Following regulative principles strictly, be in Your mission for lifetime and can be an instrument in Your hand and try to become Your sincere disciple.

My dear spiritual master please give me the strength to fight with both internal and external enemies without attaching to success or failure. Seeking Your causeless mercy,

Your servant,

Jai Srila Prabhupada!!!

Dear Srila Prabhupada, Hare Krishna!!!

Please accept my most humble dandavat pranams at the dust of Your Divine Lotus feet.

On this most auspicious 122nd Vyas puja of Your Divine Grace I wish to offer my homage for Your pleasure and all Prabhupada anugas. I remain eternally indebted to You Srila Prabhupada for Your causeless mercy showered upon me. Year after year I am beginning to appreciate and relish Your divine instructions. I am indeed so very fortunate to have Your association and that of Your dedicated followers in ISKCON.

It's not easy to keep a flame burning in turbulent winds. It is tougher still to light more lamps in the process. While all links in the guru parampara are praise worthy those who operate in turbulent anti-spiritual times to create a blazing spiritual movement are extra special. You are one such great personality, who has struggled hard all alone to re-establish the Hare Krishna Movement inaugurated by Lord Chaitanya. But for You we would have been lost in this material whirl pool.

SUPREME PERSONALITY OF SERVITOR GODHEAD.

In a lecture You declared the King and the Spiritual master should be given respect as much as God. Why do they deserve this? Because they represent the Supreme Personality of Godhead, and therefore the spiritual master is the Supreme personality of servitor Godhead.

Lord Shiva tells Parvathi devi

aradhananam sarvesham, Vishnur aradhana param,

tasmat parataram devi, tadiyanam samarchanam.

Of all kinds of worship Vishnu worship is the top most, but still greater is the worship of His devotees.

Guru mukha padma vakya, cittete koriya aikya, ar na koriho mane asha.

Bless me to align all my desires with Your desires so that I may dedicate whatever I have, in Your service without false prestige, preach Your message as it is without adulteration or compromise and thus become dear to You, to all the vaishnavas, Lord Chaitanya and Lord Krishna – B. Gita 18.68 and 69.

Sri guru charane rati, ei se uttama gati.

Please bless me so that I may one day become totally attached to Your Lotus feet, (Your instructions, Your sincere followers and this wonderful society ISKCON) like the way You are attached to the Lotus feet of Your spiritual master Srila Bhaktisiddhanta Sarasvati Thakura. Empower me to bring more and more souls to take shelter of Your lotus feet by getting them duly initiated.

Je prasade pure sarva asha.

You once said, bees licking the outsides of the bottle cannot taste the honey, similarly the nectar of devotional service cannot be tasted unless the spiritual master opens the bottle. I beg You Srila Prabhupada, kindly open the bottle to enable me to taste the nectar of devotional service so that I may forget all material pleasures.

As Yamunacharya says –

yad avadhi mama cetah Krishna padarvinde, nava nava rasa dhamanya udyatam rantum asit;

tad avadhi bata nari sangame smaryamane, bhavati mukha vikarah susthu nishtivanam ca.

“Since I’ve been engaged in rendering more and more service to Krishna and getting spiritual pleasure, as soon as I think of sex life with a woman my face at once turns from it and I immediately spit at the thought”.

Shakti buddhi hina, ami ati dina, koro more atma satha.

Like a loving grandfather excuses the offenses of his grandchild, similarly Srila Prabhupada kindly excuse my offenses due to my weaknesses / lack of knowledge and bless me eternally to realize Your teaching and make advancement on the path back home, BACK TO GODHEAD.

My initials are M L D – which means Most Lazy Dog. Kindly tolerate my in-actions and continue to engage me in the services of all Your servants, one thousand times removed.

Jai Srila Prabhupada.

My dear Srila Prabhupada,

Please accept my humble obeisances unto Your lotus feet. All glories to Srila Prabhupada.

First of all I thank the supreme Lord for giving me the real spiritual father, Srila Prabhupada. He is the real spiritual father of all mankind. Srila Prabhupada is the dear most messenger, pure devotee of Lord Sri Krishna and Lord Sri Chaitanya Mahaprabhu.

Srila Prabhupada, You are giving every living entity the causeless mercy to understand the real position, real truth of this life and that the goal of human life is to attain love of Godhead, Krishna prema. Today we see how millions of people suffering in this material world by birth, death, old age and decease also with threefold miseries. And Srila Prabhupada, by Your mercy through spiritual books that You have written, millions of living entities lives has

changed. This is how six years ago I got Your mercy by reading Your Krishna book, and now I have dedicated my life and accepted You as my spiritual father.

Before six years I was not having any knowledge about spiritual life, spiritual world and about me or God, but by Your mercy I got chance to serve the mission, to serve You and to serve Lord Krishna.

On this auspicious occasion of “Vyasa Puja”, I pray to You, my loving spiritual father, Srila Prabhupada to keep me always engaged in Your service, Lord Krishna’s service, as well in the service of Your servants. Please give me more and more opportunity to do more and more services.

Srila Prabhupada, You gave the real benediction to the world, that is Krishna Consciousness. You are the real well-wisher of the whole world.

All glories to Your Divine Grace

You are the only person to whom I must surrender. I thank You for everything simply wonder full that has been given

Śravanam kīrtanam Viṣṇu smaranam padasevanam archanam

Vandanam dasyam sakhyam atmanivedanam SB-7.5.23-24

Everything wonderful and perfect can be achieved though this nine processes of devotional service

Who else is more expert than Your Divine Grace in so mercifully giving this navalakshana bhakti to one and all, without any consideration of fallen conditional soul.

The ears are constantly purified and are only worthwhile because of the inundation of the holy names that You brought upon this world. Śhravana and Kīrtana automatically bring about the sweet remembrance of lord

These eyes have become worthwhile only because they have been able to take darshan of the most beautiful Deities, whom You have so mercifully installed

The temples You have established continue to inspire Viṣṇu smaranam

You engage us in all these activities so that we may be able to render service to lotus feet of the deities (padasevanam) and worship them (archanam) with the choicest prayers from shastra and our purvacharyas (vandanam) which You have so compassionately and powerfully translated for us

In this way You call upon us to serve uttama sloka Sri Krishna (dasyam) make friendship with him (sakhyam) and understand the need to surrender only to him (atmanivedanam)

It has thus been possible to carry out with life only because of the strength of Krishna Consciousness that You have given us

Thank You Srila Prabhupada for everything. We cannot ever repay unending wealth of serving the lord

We are such downtrodden fools that we are able to only express some shadow of real gratitude with our faulty writing

I am bereft of all good qualities and yet humbly pray to You, to mercifully accept this offering on this most auspicious occasion of Sri Vyasa Puja.

Your most fallen servant

Srila Prabhupada,

Please accept the humble obeisances of this most fallen conditioned soul.

All Glories to You Srila Prabhupada, all glories to the institution established by You to spread the message of Lord Chaitanya, all glories to the teachings You have given us through Your books, all glories to all of Your disciples by whose association, fallen conditioned souls like me are able to get relief from blazing material existence and have a glimpse of what real happiness is all about.

“After bathing in the waters of the sacred Ganges many times, one becomes purified, but just by the sight of You, the fallen souls are purified. This is Your great power.”

Verses like the above one written by our previous acharyas, have given me great relief, when I read and hear it again and again. Now, I am fully convinced of the fact that on my own I will never be able to follow even the simple rules and regulations and instructions given by You, by my own physical, mental, intellectual and even spiritual capacities. Your mercy is the only hope for me to maintain the desire of becoming a good devotee. Hence, somehow or other let me try to just be in touch with You, and become purified. This complete purification may or may not happen for me even if I bathe in the Ganges for many times, as the stock of anarthas in me is mountainous, and the hidden desire to maintain those anarthas is mighty.

Srila Prabhupada, by reading Your books, listening to Your lectures and associating with devotees, some good sense has dawned upon me, I am able to discern to some extent the real good from bad, but repeatedly I have failed to stand on that platform. On this auspicious occasion of Your divine appearance on this planet, which has made millions of souls like me fortunate, I take the opportunity to humbly beg from You to provide me the required ability to just remain with You and serve You, and sincerely serve Your servants.

No poor and wretched beggar, asking for alms, goes empty handed after approaching a rich magnanimous person. Srila Prabhupada, all the scriptures declare that You are identical with the Supreme Personality of Godhead (sakshat haritvena samasta shastrair) who is patita pavana (purifier of the most fallen) and dina bandhu (friend of the poor). Please do not ignore or neglect me looking at the list of offenses what I have committed to You and Your disciples in the past, or looking at my obstinate offensive mentality. Please hold my hand and take me through whatever path You want me to go through, and help me become purified and eligible to be in association of Your disciples and serve You faithfully.

Your Fallen Servant,

Offering my respects to Jagadguru Srila Prabhupada, may he kindly accept my dandavat pranam.

Today, I am grateful to be amongst Krishna devotees and thank Lord Krishna for giving me an opportunity to speak in front of You people.

My life was inhuman and in complete darkness before Srila Prabhupad's teachings touched my life. It's because of my good doings in the past life that I got a chance to be among Krishna devotees and blessed to read the scriptures of Srila Prabhupada. Even my whole lifetime is also not enough to learn from scriptures like Bhagavatam, Bhagavad Gita and Chaitanya Charitamrita.

After joining ISKCON, chanting "Hare Krishna mantra", singing kirtana's and praying to Lord Krishna has brought peace into my life. It is my Guru's blessings that I have got "Deeksha", and this has increased my faith and conviction that only by chanting the Hare Krishna mahamantra, I will get away from the pullings' of this materialistic life and devote all my life in worshipping Lord Krishna.

Lastly, I would humbly request for Your blessings and good wishes to continue all my life in Bhakti yoga and spread it to other people.

Srila Prabhupada ki Jai,

Dear Srila Prabhupada, in this auspicious occasion I am very happy to write Your glories.

I am very proud that I am a part of Your glories organization. You have given us so many gifts in which one is ISKCON Temples, to which people are now slowly knowing and appreciating about its culture, heritage etc. This Krishna consciousness movement is not an ordinary movement. It is the greatest movement.

One can get bhakti very easily, to become a pure devotee is very difficult. But it can be made easy by following Your instructions. It becomes very easy by Your causeless mercy. Once I met a person who was an atheist, godless, but somehow I gave Your lectures and he heard few of them and slowly he developed belief in God and now he is also member of the temple. It is possible only by Your causeless mercy which enables a conditioned living entity to become purified.

I beg You Srila Prabhupada, please be merciful upon me by giving me intelligence, strength to do more and more services to the supreme Lord Sri Krishna. And bless me to become Your life time servant.

Your insignificant and most fallen servant,

Shantanu Dasa

Suhrita Govinda Dasa

Dear Srila Prabhupada,

Please accept my respectful obeisance unto Your lotus feet.

Srila Prabhupada, inspite of lots of ups and downs in last two years, due to Your causeless mercy, I was somehow able to continue my journey in Krishna consciousness. But I must admit that I am far from the expected standard of Your disciple. I beg Your forgiveness for my mistakes. The lack of devotee association and morning sadhana was clearly visible in my consciousness.

Just when it appeared as if I have to wait for at least 1 more year to get back to devotee association and render service, by Your divine intervention, my job location got shifted to Hubli, where, by the guidance and support of Your disciples, I got the rare opportunity of staying in Bhakta Nivas within the temple premises. I do not know how to thank You for all the mercy You have showered upon a fallen soul like me.

You have given me a rare opportunity to stay in the abode their lordships Sri Sri Krishna Balarama, Sri Sri Nitai Gauranga and Sri Sri Lakshmi Narasimha, amidst Your sincere disciples, and render whatever little service I can. Let me always remember this as the lila of You and their lordships Sri Sri Krsna Balarama. And let me be always grateful to You and Your mission, and let me always be aware that I am Your disciple, and Your property, and except to serve You and Your mission, I have no other responsibility.

Srila Prabhupada, I am neither eligible nor do I have the ability to serve Your mission, so I beg You to please bless me and use me as an instrument in Your mission. Please bless me and give me enough strength to follow Your instructions strictly. Oh Srila Prabhupada, my eternal well-wisher, You are an ocean of all auspicious qualities, I may not be able to sufficiently glorify You. Finally, I would end by recalling the following verse from Guru puja, which describes Your merciful nature.

sri-guru karuna-sindhu, adhama janara bandhu

lokanath lokera jivana

ha ha prabhu kora doya, deho more pada chaya

ebe jasa ghusuk tribhuvana

O spiritual master, ocean of mercy, and friend of the fallen souls, You are the teacher of everyone and the life of all people. O master! Be merciful unto me, and give me the shade of Your lotus feet. May Your glories now be proclaimed throughout the three worlds.

Aspiring to be servant of Your servants,, Suhrdh Govinda Dasa

Sumangala Devi Dasi

Respected Srila Prabhupada,

Please accept my humble obeisance. All glories to Your Divine Grace.

Gurudeva few years back I was attacked by a serious disease which made me physically disabled. I was very depressed; I had lost interest in life. But by Lord Krishna's mercy one of my friend guided me to Bhagavad Gita class. His discourses changed my mood and got connected with ISKCON. Then I read Your books like 'Beyond birth and death', 'Perfection of yoga', these books changed my perspective of life. By reading Your books I came to know who am I, I realized that I am not this body but I am soul, part and parcel of Lord Krishna and the aim of the human life is to serve The Supreme Personality of Godhead Lord Krishna and go back home, back to his abode.

Gurdeva my intelligence is very limited. I have taken Your shelter and beg Your mercy for spiritual elevation. Hare Krishna.

Dear Srila Prabhupada, please accept my most humble obeisance's at the dust of Your divine lotus feet. All glories to Your divine grace.

Your historic voyage to America was only to please Your guru and Krishna. Liberated so many souls and made them realize that You are an angle from the spiritual world come to deliver them.

Devotees would cry at Your glance to show their gratitude and love for Your grace, when I will be able to cry truly and genuinely only to please You and Krishna. You gave the world Chaitanya Mahaprabhu's philosophy –

*tṛṇād api sunīcena taror api sahiṣṇunā
amāninā mānadena kīrtanīyaḥ sadā hariḥ*

One should be more humblers than the blade of grass, more tolerant than the tree, giving respect to all and not expecting any respect for himself such persons can always chant the holy names of Hari.

All the great seers have proclaimed Your magnanimity giving the secret of Hari nama to the fallen souls of kali yuga as recommended by the shastras irrespective of caste creed and religion.

Even Lord Chaitanya Mahaprabhu predicted that His name would be known in every town and village of the world. When asked who would accomplish this task and fulfill Your predictions? The Lord said that His Sena pati will appear in this world and spread His teaching throughout the whole world. Srila Prabhupada You are the sena pati of Lord Chaitanya.

ISKCON is very dear to You and Your eternal home, anyone connected with ISKCON should be very grateful to You and should serve with tan man dhan.

Dear Srila Prabhupada,

Kindly accept my humble obeisance's unto Your lotus feet.

Though I am nowhere qualified and also, though I do not have the capacity to be able to glorify Your good self, yet I am making an attempt to do so because You are just like an ever loving father who appreciates even a small effort done by his child.

Prabhupada it is only because of You that so many fallen and wretched souls like myself could get this wonderful opportunity to revive our 'true' nature in the form of Krishna consciousness. You truly have built a house wherein the entire world can live happily forever. This is not because we all deserved it, it has been made possible only due to Your CAUSELESS mercy, which is the topmost quality of a true Vaishnava.

There is no end to Your divine qualities as 'ALL' Your words and actions are always remindful of Krishna. And that is the utmost perfection of life.

Now that You have freely distributed us the opportunity of a lifetime, You kindly also provide us the required spiritual strength and enthusiasm with which we can make the best use of this 'Matchless' gift of Krishna consciousness.

Otherwise there is no other hope for wretched souls like myself. Kindly never take Your merciful eyes away from us.

Aspiring to be a servant of Your servants,

Yours sincerely,

Bhakta Amit

I pay my respectful obeisance to Your lotus feet. By Your causeless mercy only I have got Krishna Consciousness, I was a very fallen conditioned soul and I ran after material enjoyment before coming in touch with You.

Even though I had very small spiritual desire, and having so many chances to be misled, because in these days so many spiritual leaders are misguiding people about who the supreme lord is, You guided me in the right path of spiritual life.

I don't know what qualities I have to have to understand Krishna. But You chose me as Your servant even though I was not following Your instructions properly. Initially I don't have capability to dedicate my life to the service of lord and Your mission. But You made that also so easy. I was having so many ANARTAS(fault's), but I desire to follow Your instructions by that I can perfect my life.

In future also I want to serve You and Chaitanya Mahaprabhu's mission without any expectation. If any mistake I did please forgive me. If there is desire of doing for name, fame and sense gratification, You only guide me in the right way to attain pure Bhakti .

I again and again pay obeisance to Your lotus feet

Dear Srila Prabhupada,

Requesting You to accept my respectful obeisance at Your lotus feet.

Srila Prabhupada, You are the only one who gave us this spiritual knowledge i.e. Krishna consciousness in this material world. Because of Your effort and diligence today we are benefited. Your books are distributed in almost all parts of the world. Your messages are spreading like a wild fire in this material world and in turn we are following Your four regulative principles because of Your divine grace we are connected to Lord Krishna.

You have been a bridge or a mediator in this regard. Today I got a chance to be regular to temple and associate with Your disciples and take association with them. Your books have given me a lot of true information for my questions. We got the Importance of Chanting Hare Krishna Mahamantra and its meaning. And also the Importance of service to the spiritual master and to the Supreme Lord.

Your Servant, Bhakta Arul Raj

ಗುರು ಬ್ರಹ್ಮ ಗುರುರ್ ವಿಷ್ಣು ಗುರುರ್ ದೇವೋ ಮಹೇಶ್ವರ:

ಗುರು ಸಾಕ್ಷಾತ್ ಪರಬ್ರಹ್ಮ: ತಸ್ಮೈಶ್ರೀ ಗುರವೇ ನಮ:

ಭರತ ವರ್ಷದಲ್ಲಿ ಈ ಭೂಮಂಡಲದಲ್ಲಿ ಅದರಲ್ಲೂ ವಿಶೇಷವಾಗಿ ಭಾರತದಲ್ಲಿ ಮಹಾನ್ ಸಾಧುಸಂತರು, ಸೂಫಿಗಳು, ಶರಣರು, ಧರ್ಮದಾರ್ಶನಿಕರು, ತತ್ವಜ್ಞಾನಿಗಳು ತಮ್ಮ ಭಕ್ತಿರಸದ ಸ್ವಾದವನ್ನು ಜನರಿಗೆ ಉಣಬಡಿಸಿದ್ದಾರೆ.

ಅಂತರದಲ್ಲಿ ಶ್ರೀಲ ಪ್ರಭುಪಾದರು ತುಂಬಾ ಪ್ರಮುಖರು. ಅವರು ತಮ್ಮ ಇಳಿ ವಯಸ್ಸಿನಲ್ಲಿ ವಿದೇಶಗಳಿಗೆ ಹೋಗಿ ಪಾಶ್ಚಿಮಾತ್ಯರಿಗೆ ಆಂಗ್ಲಭಾಷೆಯಲ್ಲಿ ಭಗವದ್ಗೀತೆಯ ಸಂದೇಶ, ಶ್ರೀಮದ್ ಭಾಗವತದ ಸಂದೇಶವನ್ನು ಪ್ರವಚನಗಳ ಮೂಲಕ, ಪುಸ್ತಕಗಳ ಮೂಲಕ ನೀಡಿ ಜನರಲ್ಲಿ ಶ್ರೀಕೃಷ್ಣ ಪ್ರಜ್ಞೆಯನ್ನು ಬೆಳೆಸಿ ಭಕ್ತಿರಸದ ಜ್ಞಾನವನ್ನು ತಮ್ಮ ಮುಕ್ತಮನಸ್ಸಿನಿಂದ ತಿಳಿಸಿದ್ದಾರೆ.

ತಮ್ಮ ಇಳಿವಯಸ್ಸಿನಲ್ಲಿ, 69ನೇಯ ವಯಸ್ಸಿನಲ್ಲಿ, ತಮ್ಮ ಅನಾರೋಗ್ಯವನ್ನು ಲೆಕ್ಕಿಸದೇ ಹದಿನಾಲ್ಕು ಬಾರಿ ಜಗತ್ತಿನ ವಿವಿಧ ದೇಶಗಳಿಗೆ ಭೇಟಿ ನೀಡಿ, ಒಂದು ನೂರಾ ಎಂಟು ಇಸ್ಕಾನ್ ದೇವಸ್ಥಾನಗಳನ್ನು ಸ್ಥಾಪಿಸಿ ಧರ್ಮಪ್ರಚಾರವನ್ನು ಮಾಡಿದರು. ಇಂತಹ ಒಂದು ಬೃಹತ್ತಾದ ಕೆಲಸವನ್ನು ಒಬ್ಬ ಸಾಮಾನ್ಯ ವ್ಯಕ್ತಿಯಿಂದ ಮಾಡಲಿಕ್ಕೆ ಸಾಧ್ಯವೇ ಇಲ್ಲ, ಹೀಗಾಗಿ ಶ್ರೀಲ ಪ್ರಭುಪಾದರು ಒಬ್ಬ ದೇವಾಂಶ ಸಂಭೂತರು, ದೇವಧೂತರಾಗಿದ್ದಾರೆ. ಅವರು ಜಗತ್ತಿನಾದ್ಯಂತ ಹರೇ ಕೃಷ್ಣ ಮಂತ್ರವನ್ನು ಪರಿಸಲು ಪ್ರೇರಣೆ ನೀಡಿದ್ದಾರೆ.

ಇವತ್ತು ಜಗತ್ತಿನಲ್ಲಿ ಈ ಕಲಹದ ಕಲಿಯುಗದಲ್ಲಿ ಸರ್ವಪಾಪ ಪರಿಹಾರಕಾರಕ ಮಹಾಮಂತ್ರ "ಹರೇ ಕೃಷ್ಣ ಹರೇ ಕೃಷ್ಣ ಕೃಷ್ಣ ಕೃಷ್ಣ ಹರೇ ಹರೇ, ಹರೇ ರಾಮ ಹರೇ ರಾಮ ರಾಮ ರಾಮ ಹರೇ ಹರೇ" ಎಂದು ಉಚ್ಚರಿಸುವದು, ಪರಿಸುವದು, ಸರ್ವಸಾಮಾನ್ಯವಾಗಿದೆ. ಅದಕ್ಕೆ ಮೂಲ ಕಾರಣ ಶ್ರೀಲ ಪ್ರಭುಪಾದರು. ಅವರಿಗೆ ನನ್ನ ಅನಂತ ನಮನಗಳು.

Dear Srila Prabhupada,

Please accept my respectful obeisance at your lotus feet.

In sanskrit, Guru means the one who dispels the darkness and take towards light, Guru is considered as divine guiding energy. Guru is direct representative of supreme god. Without the grace of spiritual master, it is not possible to directly meet Krishna for conditioned souls. Even in this age of kali, as a conditioned soul I am so fortune that I got an opportunity to at least connect myself to Krishna consciousness by the grace of Srila Prabhupada, Lord Krishna and devotees.

As we all know about His Divine Grace Bhaktivedanta Srila Prabhupada's spiritual revolution all over the globe to spread Krishna consciousness at his old age, writing hundreds of books, constructing hundreds of ISKCON temples to nourish conditioned souls all over the world. Since Srila Prabhupada comes in direct disciplic succession of gaudiya vaishnavism from Lord Krishna, as he is the direct representative of God has given us the absolute spiritual knowledge which is most essential for people in the age of kali to become god consciousness and lift themselves towards liberation from material world, the home of death and miseries.

Dear Srila Prabhupada,

Kindly accept my humble obeisance. I am deeply indebted to You. It is a debt I shall never be able to repay but I can at least show some gratitude by joining with his movement and other followers in fulfilling Your inner most desire

I had never known the goal of life until I came to touch with Your vani, Your intimate words make me awaken Krishna bhakti. So through Your sadhana schedule I'm able to advance in Krishna consciousness.

Over the years many people have expressed their appreciation for You Srila Prabhupada "words fail me to describe the height of scholarship and devotional manifest in Srila Prabhupada's vast writing. Our further future generation will definitely find better world to live in, through the effort of Srila Prabhupada"

I take pleasure and an opportunity to understand His Divine Grace A.C BHAKTI VEDANTA SWAMI SRILA PRABHUPADA'S words, he lives forever in his book, and he shall never die as he said before disappearing from this world. I am always looking for his mercy.

Thank You Prabhupada, All glories to You, All glories to Your devotees, All glories to Hare Krishna Mantra

Jai Srila Prabhupada

My Dearest Srila Prabhupada,

Accept My Respectful Obeisance at Your Lotus feet from this sinful soul.

As I am very very sinful soul that I cannot glorify You because I have merged into the Ocean of Ignorance and don't know how to come out from this. Actually I don't have the qualification to become Krishna Conscious. It is You Srila Prabhupada, by Your Causeless mercy upon the fallen souls can come out from this ignorance and misery.

By only Your mercy the sinful and fallen souls like me can become Krishna Conscious other than that there is no other way to go back to Godhead.

How can I glorify You with my little knowledge and very little thinking? Dear Srila Prabhupada You are above all glories. No one can glorify You, just I am trying to glorify how much I can, because Your glories are unlimited like the ocean and skies.

You have made thousands of fallen souls to become a devotee of lord Krishna and taught them what is the aim of life. How we can achieve the eternal happiness. You have given us the real happiness of kirtan, chanting, dancing & doing service in Devotion.

You never took rest working day and night. Sleeping only 2 hours for night and continuously working for the fallen souls to go back to Godhead. Thank You so much Srila Prabhupada for the great work which You have done for us. It is priceless precious gift for entire living entities. It is not only benefit for human being it is benefit for animals also which hear the glorification of the name of lord on the street.

By reading Your book I came to know the truth about real knowledge. Who is God? Who are demigods? How powerful God is? Before Reading Your Books I never knew the real Spiritual world. But now by reading Your books I have assurance that by following Your Instruction and the way You have taught us of chanting, we can go back to Godhead easily.

Be merciful upon the fallen soul and especially on me, make me blessed and accept me as a servant of Your lotus feet.

Hare Krishna, All glories to Srila Prabhupada, All Glories to Guru and Gauranga, All Glories to Radha Krishna, All Glories to Vaishnavas

ಶ್ರೀಲ ಪ್ರಭುಪಾದರು ಕೃಷ್ಣಪ್ರಜ್ಞೆಯನ್ನು ನಮಗೆಲ್ಲ ತಿಳಿಸಲು ಪಟ್ಟ ಶ್ರಮ ಅಷ್ಟಿಷ್ಟಲ್ಲ. ಅವರು ಕಷ್ಟಪಟ್ಟು, ಶ್ರಮವಹಿಸಿ ಪಾಶ್ಚಾತ್ಯ ದೇಶಕ್ಕೆ ತೆರಳಿ ಅಲ್ಲಿ ಪ್ರಚಾರಮಾಡಿದರು. ಅವರು ಬರೆದ ಕೃಷ್ಣಪ್ರಜ್ಞೆಯ ಅನೇಕ ಪುಸ್ತಕಗಳು ನಮಗೆ ಇಂದು ದಾರಿದೀಪಗಳಾಗಿವೆ. ಕೈ ಹಿಡಿದು ಮಗುವನ್ನು ನಡೆಸುವಂತೆ, ನಮಗೆಲ್ಲ ಸಹಾಯಮಾಡಿ ನಮ್ಮನ್ನೆಲ್ಲ ಭಕ್ತಿಸೇವೆಯಲ್ಲಿ ತೊಡಗುವಂತೆ ಮಾಡಿದ ಅವರಿಗೆ ನಾವು ಎಷ್ಟು ಕೃತಜ್ಞತೆ ಹೇಳಿದರೂ ಕಡಿಮೆ.

ಅವರ ಅನುಯಾಯಿಗಳಿಂದ ಅವರ ಸಂದೇಶ ತಿಳಿದುಕೊಂಡು, ಸುಧಾರಿಸಿಕೊಂಡು ಜಪ ಮಾಡಲು ಕಲಿತುಕೊಂಡೆವು. ಅದರ ಫಲ ಎನೆಂದು ತಿಳಿದುಕೊಂಡೆವು. ಅವರು ಹಾಕಿಕೊಟ್ಟ ಎಲ್ಲ ನಿಯಮಗಳನ್ನು ಪಾಲಿಸಿಕೊಂಡು ಹೋದರೆ ನಮ್ಮ ಜೀವನ ಪಾವನ ಅಗುವುದರಲ್ಲಿ ಸಂದೇಹವಿಲ್ಲ ಎಂದು ಹೇಳಿ ನನ್ನ ತುಂಬು ಹೃದಯದಿಂದ ಅವರ ಕಮಲದಂತಹ ಪಾದಗಳಿಗೆ ನಮಿಸಿ, ನನ್ನ ಬರವಣಿಗೆಯ ಮೂಲಕ ಅವರಿಗೆ ನನ್ನ ಅಲ್ಪ ಕೃತಜ್ಞತೆಯನ್ನು ತಿಳಿಸುತ್ತೇನೆ.

I offer humble respect to my spiritual master, Srila Prabhupada, the one who opened my darkened eyes. And one who showed the way of life and the one who gave the shelter under his feet. And for the many other fallen conditioned souls.

To fulfill the desire of Your spiritual master Bhakti Siddhantha Saraswati Thakur, and to preach the Krishna consciousness movement to the whole world, after many other struggles, You fulfilled Your spiritual master's desire. So on this occasion, even I would like to ask Your mercy upon me to spread the Krishna consciousness movement to all over the world and to take back all the fallen conditioned souls to the home back to godhead by Your mercy.

O master be merciful unto me and give me the shade of Your lotus feet, Your name is spread all over the three worlds.

Srila Prabhupada,

Please accept my humble obeisances, all glories to You Srila Prabhupada!

Today I am here and writing a homage letter to You on this auspicious day of Your appearance day. I came in touch with ISKCON by Prahlada Sunday school and cultural camp. And by Your mercy I developed my Bhakti, day by day through chanting, by reading authorized books and Mahaprasada. It's my first letter to You Srila Prabhupada and Your appearance day is September 4th 2018 and my birthday falls on the same day, I am happy to say this. I promise You that I will follow Your instructions and try to become a pure devotee.

Hare Krishna,

Jai Srila Prabhupad,

I thank You from the bottom of my heart for delivering me Krishna Bhakti.

“Unless one is favored by a pure devotee, one cannot attain the platform of devotional service. To say nothing of Krishna-bhakti, one cannot even be relieved from the bondage of material existence.”

Thank You for bringing Krishna in my life. I neither have much knowledge nor qualification to do deity worship. Still by Your causeless mercy I am doing under the guidance of the devotees.

I am chanting 16 rounds daily from past 6 years. The quality of my chanting was not proper and it is getting better after attending the Japa seminar sessions by HG Madhupandit Prabhu. I am reading Your books regularly. In my last letter I mentioned that I was about to finish Madhyalila of Sri Chaitanya Charitamrita, now I am very happy to say that I finished the complete Chaitanya Charitamrita by Your mercy. I am very enthusiastic in learning the pastimes of Krishna.

apanaayogyadekshimone hoy kshobha

“I become disturbed when I see how unqualified I am, but still I am eager to experience Your attributes.”

I also read a book ‘Krishnanika-kaumudi by Kavikarnapura. I am trying to get English version of Gita-govinda translated by Your devotees. I beg Your mercy in understanding these transcendental literatures which are beyond my understanding capacity. You are the only gateway to Krishna.

Since one cannot visually experience the presence of the Supersoul, He appears before us as a liberated devotee. Such a spiritual master is none other than Kṛṣṇa Himself.

In spite of being told by You I am attached to material things, I am doing sense enjoyment. I am very much ashamed for not controlling my material desires. I am trying to reduce them. I am very much in need of Your mercy because I myself cannot overcome such wicked desires.

Nor do I possess the mystic power of a Vaisnava, knowledge or pious activities. Nor do I belong to a very high caste family. On the whole, I do not possess anything. Still, O beloved of the gopis, because You bestow Your mercy on the most fallen, I have an unbreakable hope that is constantly in my heart. That hope is always giving me pain.’

Dear Srila Prabhupada

Please accept my humble obeisance

I am very grateful to have You Srila Prabhupada in my life. Before coming to Krishna consciousness, I was totally an atheist and had no belief in God, and always doubted the existence of god, I was egoistic person and used to perform all the activities which are not in favor of god but later as I came to Krishna consciousness, greatest benefit I got was - peace of mind by chanting Hare Krishna mantra, I committed my life to serve the lord and I'm trying to be the perfect instrument in the hands of lord. Now I believe that whatever happens in my life is because of God's grace and elders' blessings. I totally enjoy the session in the temple with devotees and chanting kirtans, my life would never be so wonder full without this. I am grateful to have You as my spiritual master in my life

My Dear Srila Prabhupada,

Please accept my humble obeisance unto Your Divine lotus feet,

Thank You dear Srila Prabhupada for giving me an opportunity to glorify You, even though I can't. How can this ignorant person understand Your most auspicious glorious position?

Fortunately, this year by Your mercy we are expanding Folk Hostels, right now totally 43 students have registered and they agreed to stay in an extension of Your divine home. I don't know how this neophyte will take care of them, though it's my service assigned by You to take care of them nicely. I am sure if they start associating with this divine Krishna consciousness movement definitely they will come to their senses.

As One of the Upanishad States,

Tad-vijñānārthaṁ sa gurum eva abhigacchet [MU 1.2.12].

Translation: One must approach a superior person who is called guru.

You said "We, in this material world, we are confused, step by step. This is our position. Step by step. Every step, Padaṁ padaṁ vipadāṁ. Padaṁ padaṁ means every step; vipadāṁ, danger. It is such a nice place, this material world, that every step there is danger. And as soon as there is danger, we are confused. So... And as soon as we are confused: "How to solve?" Tad-vijñānārthaṁ sa gurum eva abhigacchet. Therefore, the Vedic instruction is "Because You are confused, because You do not know which path to follow, therefore You must approach a guru." Tad-vijñānārthaṁ sa gurum eva abhigacchet [MU 1.2.12]. This word abhigacchet is used when there is compulsory, "You must." You cannot say that "Without going to guru, I shall chalk out my own path." No, that is not possible. Therefore, this very word is used, gacchet."

After hearing this I understood how important it is to approach You, just by causeless mercy of You & Your great perfect disciples arranged an opportunity for me to glorify You. After coming in touch with Your peaceful home (ISKCON) I could able to realize understand the drop of Your ocean of transcendental pastimes & glories.

You have given me an opportunity to take care of Your upcoming disciples, I don't know whether I am qualified to do that or not. I will try to serve my level best, please empower me to do that task. If You just shower particle of Your mercy many wonders will happen, so please be merciful on this fallen soul.

Prabhupada! Please engage me in Your transcendental service birth after birth. Let me try to engage myself to spread the glories of Your eternally wonderful personality. Please continue to bless me so that I may become attached to serving Your mission under the safe shelter of Your divine lotus feet.

Even though I stumble and fall down many times, Your teachings, Your disciples lend me the helping hand and enlighten me.

Gurudev, I heartily thank You for showering causeless mercy upon me. It's only by Your mercy that I am able to understand the real cause of human life, please bless me and empower me to serve You in the best way possible.

JAI SRILA PRABHUPADA

Dear Prabhupada,

First I want to offer my Dandavatpranam to You Prabhupada, I have very good experience with ISKCON and devotees since past five years Hare Krishna mahamantra chanting made me a good Devotee by Your Grace Prabhupada, chanting mahamantra gives me a peaceful life. When I face some difficulties in my life, whatever the situations, I used to take suggestions from devotees.

Prabhupada now I am chanting 16 rounds daily by Your grace and I understand from Bhagavad-Gita as it is about lord, life, soul, behavior, devotional life etc, moreover I came to know about how to live life with Krishna consciousness. So, I am thankful to You Prabhupada. As of now I'm reading Bhagavad-Gita second time and I am considering devotion & Krishna Consciousness is part of my day to day life, that is by Your grace.

Prabhupada Your instructions teach us how to become renounced from this material world and to reach 'KRISHNA'. I don't have enough words to glorify You.

Please give me Your blessings PRABHUPADA

Sometimes I fully stopped everything again starting suddenly. My Spiritual Master Prabhupada! Please give me strength to control my mind and for continuous growth in spiritual life. By knowing or unknowing I am doing so many mistakes in my life. Help me minimize these mistakes as much as I can.

Srila Prabhupada, please make me follow continuously all regulative principles You have mentioned, never ever let me out of this, and make me devoted to the supreme Lord in my heart.

Dear Srila Prabhupada,

Please accept my humble obeisance's to your lotus feet.

It is only because of your causeless mercy upon me, I am able to know the purpose of human life. I consider myself very fortunate to receive the knowledge of the supreme personality of Godhead as it is from a pure devotee.

Although this fallen soul is constantly reminded of the glories of the holy name and the purpose of human life, because of ignorance and conditioning, I am unable to render service to the lord without offending. I am misusing my free will.

Therefore, I humbly request you to take away my free will and make me a servant at your lotus feet or at the lotus feet of your disciples.

Your most fallen and unqualified aspiring servant.

Bhakta Sadanand

Dear Śrila Prabhupāda,

Please Accept my humble Obeisance unto Your Lotus Feet.

I am writing this letter to show You my deep Gratitude. I always carry Your instructions that have changed my perspective of Goals in Life.

Never had been a thought in my life till September 2011, the year this dreaded soul leaped into a beautiful truth through Your Bhagavat Gita As it Is Book. The journey of Spiritual transformation had been so thrilling with activities as Book Distribution, Pass distribution, Prasadam distribution, BG evening class, Kirtans and the most important of all the Folk Yatras, giving us an energy towards accepting Hare Krishna Mantra in our day to day life in such a beautiful way that kept us waked nights together to continue in Your service.

In the period of just 4 years of association at Your grace's home at Srila Prabhupadas ISKCON Dharwad, I got the opportunity to change the vision of my life to a completely spiritual transformational one. Through association with Your sincere students, I got to Aim high and work on the process of purification of life.

Since the time I accepted the higher vision of Spiritual purification, the time has always taken a toll on me, with series of incidents that have crushed my heart and mind so disturbed, that the Vision I set forth before has broken into pieces. Recent times have been worst.

I therefore again and again shamelessly seek Your mercy, only by which I can uphold the beautiful truth and my vision towards Spiritual Purification process.

Thank You for Your unconditional love towards all the conditioned souls of this age, and many more thankful for being merciful towards this soul.

I beg for forgiveness for all the inconveniences the devotees have faced due to my negligent acts.

May Your glories be spread across the three worlds.

Srila Prabhupada,

Please accept my humble obeisances to Your lotus feet.

Hare Krishna, last year was a most confusing time period in my life, I was restless for something I didn't understand for what, I heard in one of Your lecture, in which You told "bring everyone to Krishna" it pierced depth of my heart & gave relief for my confusion. I understood, yes I was in confusion for my life's mission, now that my Gururji's instruction "bring everyone to Krishna" is my mission. I started working for that mission but every time I asked myself, questions, how? How can I bring? Why people listen to me? In all the measurements & dimensions today I am far away from that mission.

But in October 2017 one day I got idea of business & again I asked myself why I want to be a businessman? Anywhere in my thinking, even at the traces amount also I didn't have earning money, name, fame, etc. because from 2014 itself I decided my destiny, it is Your lotus feet. Then why I want to be businessman? I know, purpose is more important than profit. I decided, before starting any preparations I must set the principles to reach my mission & then I started preparations. Materially I didn't have anything, still I don't have but I know my purpose & every second I remind myself that purpose & mission "bring everyone to Krishna". In January 2018 I named 1 company & 2 NGOs. Now I am registering a patent & company... Except that mission I don't know anything, I don't know whether I succeed or fail in my mission but my only request is empowering me to work for You always, if You have lit that fire in my heart then please guide me towards that Agni, use me in the way You like to.

In the meantime, from last 7-8 months I am literally away from my spiritual practices & I know in many instances You have protected me.

Please keep me at Your lotus feet always, I am like a child playing away from home but in the evening child again comes home to sleep at the mother's lap... Please empower me to complete that play as soon as possible (my mission), I want to come back to home, to Your lap.

Always Yours' & at Your lotus feet,

Dear Srila Prabhupada,

Please accept my humble obeisances at Your lotus feet.

It is one of the auspicious day for the whole world. You appeared on this day to deliver fallen conditioned souls like me.

I came in touch with this Krishna Consciousness because of Your mercy. Since, from that day onward my life gradually changed. This Hare Krishna Movement transformed me from animal life to human life, this movement exactly thought me, Who am I? Why Did I come to this world? where I belongs to? Who is God? What is my relationship with him? What is my eternal constitutional position and my duty?

As days passed, Your teachings gave me answer for all the above questions. Your life history told me that any person who surrenders to Krishna can do highest achievement in his life.

Before coming in touch with Your movement, I was also struggling in so many ways, Your teachings not only given the easy ways to come out of all this miseries and struggling but also You have given me an opportunity to be in the movement, stay along with devotees, opportunity to learn more about spiritual knowledge. Therefore, my humble request at Your lotus feet is that, kindly show Your mercy on me, so that I can participate in this movement enthusiastically and do the services at Your lotus feet every minute.

Your sincere servant,

Bhakta Shreekanth

ಜಗದ್ಗುರು ಶ್ರೀಲ ಪ್ರಭುಪಾದರಿಗೆ ಜಯವಾಗಲಿ,

ಪರಮ ಪೂಜ್ಯ ಗುರುಗಳು ಮತ್ತು ಆಚಾರ್ಯರಾದ ಶ್ರೀಲ ಪ್ರಭುಪಾದರಿಗೆ ಕೋಟಿ ಕೋಟಿ ನಮಸ್ಕಾರಗಳು.

ಶ್ರೀಲ ಪ್ರಭುಪಾದರೆ, ನಾನು ನೀವು ಬರೆದಿರುವ ಆಧ್ಯಾತ್ಮಿಕ ಪುಸ್ತಕಗಳಿಂದ ಭಗವಂತ ಮತ್ತು ಭಗವಂತನ ಗುಣ, ಕಾರ್ಯ ಮತ್ತು ಅವನ ಲೀಲೆಗಳನ್ನು ಅರಿತೆ. ಇಸ್ಕಾನ್ ದೇವಸ್ಥಾನದಿಂದ ನನಗೆ ಬೆಲೆ ಕಟ್ಟಲು ಸಾಧ್ಯವೇ ಇಲ್ಲದ ಒಂದು ವರ ಸಿಕ್ಕಿದೆ. ಅದುವೇ ಕಲಿಯುಗದಲ್ಲಿ ಆತ್ಮ ಸಾಕ್ಷಾತ್ಕಾರಕ್ಕೆ ಸೂಕ್ತವಾದ ಹರೇ ಕೃಷ್ಣ ಮಹಾ ಮಂತ್ರ. ನಿಮ್ಮ ಕರುಣೆಯಿಂದ ನಾನು ಪ್ರತಿದಿನ ಹದಿನಾರು ಮಾಲೆ ಜಪ ಮಾಡಲು ಸಾಧ್ಯವಾಗಿದೆ. ಇದು ನನ್ನ ಜನ್ಮದಲ್ಲಿ ಸಿಕ್ಕಂತಹ ಅತ್ಯಂತ ಶ್ರೇಷ್ಠ ವರ. ಹರೇ ಕೃಷ್ಣ ಮಹಾಮಂತ್ರದಿಂದ ನನಗೆ ಪ್ರಾಪಂಚಿಕ ವಿಷಯ, ದುಃಖಗಳಿಂದ ಮತ್ತು ಸುಖಗಳಿಂದ ಯಾವಾಗಲೂ ಮನಸ್ಸನ್ನು ಶ್ರೀಕೃಷ್ಣನ ಕಡೆಗೆ ಇಡಲು ಸಾಧ್ಯವಾಯಿತು. ಇದೇ ರೀತಿಯಾಗಿ ಪ್ರತಿದಿನ ಜಪಿಸಿ ಭಗವಂತನಿಗೆ ಪ್ರೀತಿ ಪಾತ್ರನಾಗಲು ಬಯಸುತ್ತೇನೆ.

ಸಾಮಾನ್ಯವಾಗಿ ನನಗೆ ದೇವರು ದೊಡ್ಡವನೆಂದು ತಿಳಿದಿತ್ತು. ಆದರೆ ಯಾವರೀತಿ ಆತನು ದೊಡ್ಡವನು ಎಂದು ತಿಳಿದಿದ್ದಿಲ್ಲ. ನಿಮ್ಮ ಅವ್ಯಾಜ್ಯ ಕರುಣೆಯಿಂದ ಭಗವಂತನ ಬಗ್ಗೆ ತಿಳಿಯಲು ನೀವು ಅನುವಾದಿಸಿರುವ ಭಗವದ್ಗೀತೆಯಿಂದ ತಿಳಿಯಿತು. ಭಗವಂತನ ಸೇವೆಮಾಡಲು, ದರ್ಶನ ಮಾಡಲು, ಭಕ್ತರ ಸೇವೆಮಾಡಲು ನಿಮ್ಮ ಕೃಪಾಶೀರ್ವಾದದಿಂದ ಸಾಧ್ಯವಾಯಿತು. ಮತ್ತೊಮ್ಮೆ ನಿಮ್ಮ ಪಾದಗಳಿಗೆ ಭಕ್ತಿಯ ಶಿರ ಸಾಷ್ಟಾಂಗ ನಮಸ್ಕಾರಗಳು.

ನಿಮ್ಮ ಸೇವಾಕಾಂಕ್ಷಿ,

ಭಕ್ತ ಸಿದ್ಧೇಶಕುಮಾರ

Bhakta Subhash Madivalar

ಶ್ರೀಲ ಪ್ರಭುಪಾದರಿಗೆ ನಮಸ್ಕಾರಗಳು,

ಹರೇ ಕೃಷ್ಣ, ಮೊದಲಿಗೆ ಮನುಷ್ಯ ಜೀವನದ ಅತ್ಯುನ್ನತ ಗುರಿಗೆ ನನ್ನನ್ನು ಪ್ರೇರೇಪಿಸಿದ್ದಕ್ಕೆ ನಿಮಗೆ ಧನ್ಯವಾದಗಳು. ನೀವು ನನಗೆ ಭಗವಂತನ ನಿಜವಾದ ಸ್ವರೂಪವನ್ನು ತಿಳಿಸಿಕೊಟ್ಟಿದ್ದೀರಿ. ನನ್ನ ಮತ್ತು ಭಗವಂತನ ಅಸ್ತಿತ್ವವನ್ನು ಅನುಭೂತಿ ಮಾಡಿಕೊಳ್ಳುವ ಸುಲಭ ಸರಳ ವಿಧಾನಗಳನ್ನು ನಿಮ್ಮಿಂದ ತಿಳಿದುಕೊಂಡೆ. ಕಟ್ಟು ಚಟುವಟಿಕೆಗಳಿಂದ ನಾನು ಹಂತ ಹಂತವಾಗಿ ದೂರವಾಗಿ ಒಳ್ಳೆಯ, ಶ್ರೇಷ್ಠ, ಆಧ್ಯಾತ್ಮಿಕ ಚಟುವಟಿಕೆಗಳನ್ನು ಜೀವನದಲ್ಲಿ ಅಳವಡಿಸಿಕೊಂಡಿದ್ದೇನೆ.

ನನ್ನ ಮತ್ತು ಭಗವಂತನ, ಪ್ರಕೃತಿಯ, ಕರ್ಮಗಳ ಬಗ್ಗೆ ಮುಂಚೆ ಇದ್ದ ಅನೇಕ ಸಂದೇಹಗಳಿಗೆ ವೈಜ್ಞಾನಿಕ, ಉತ್ತಮ ಪರಿಹಾರ ನನಗೆ ದೊರಕಿದೆ. ಪ್ರತಿವಾರ ಭಗವದ್ಗೀತೆಯ ಪ್ರವಚನಗಳಿಂದ ಇದೆಲ್ಲವನ್ನು ಕೇಳಿ ತಿಳಿದುಕೊಳ್ಳುತ್ತಿದ್ದೇನೆ. ಪ್ರತಿಯೊಬ್ಬರು ಭಗವದ್ಗೀತೆಯನ್ನು ಓದಿ, ಅರ್ಥೈಸಿಕೊಂಡು, ಜೀವನದಲ್ಲಿ ಅಳವಡಿಸಿಕೊಂಡು ಆಧ್ಯಾತ್ಮಿಕ ಜೀವನವನ್ನು ನಡೆಸಬೇಕು. ಈ ನಿಟ್ಟಿನಲ್ಲಿ ಪ್ರಚಾರಮಾಡ ಬಯಸುವ ನನಗೂ ಸಹಾಯ ಮಾಡಿ.

ಈ ಭೌತಿಕ ಲೋಕದಿಂದ ಮುಕ್ತಿಪಡೆಯುವ ಹಂಬಲ ನನಗಿದೆ, ಮರು ಜನ್ಮ ಪಡೆದು ಬರಬಾರದು ಎಂಬ ಸಂಕಲ್ಪ ಇದೆ. ಓಂದು ವೇಳೆ ಬಂದರೆ ಭಕ್ತರ ಕುಟುಂಬದಲ್ಲಿ ಹುಟ್ಟಿ ಚಿಕ್ಕವನಿಂದಲೇ ತಿಳಿದುಕೊಂಡು ಸಂಪೂರ್ಣ ಜೀವನ ಭಕ್ತಿಸೇವೆ ಮಾಡಿ ಭಗವಂತನನ್ನು ಸೇರುವಂತೆ ನನಗೆ ಆಶೀರ್ವಾದಿಸಿ, ಕೃಪೆ ತೋರಿಸಿ.

ಇಸ್ಕಾನ್ ದೇವಸ್ಥಾನದಿಂದ ನನಗೆ ಆಧ್ಯಾತ್ಮಿಕ ಆಶ್ರಯ, ಸಾತ್ವಿಕ ಆಹಾರ, ಭಕ್ತಿಸೇವೆ ಮಾಡಲು ಪ್ರೇರಣೆ, ಭಕ್ತರ ಸಹಯೋಗ ಸಿಕ್ಕಿದೆ. ಅನೇಕ ಭಕ್ತರ, ಸಾಧು ಸಂತರ, ಮಹಾನ್ ವ್ಯಕ್ತಿಗಳ ಜೊತೆ ಸೇರಿ ಭಕ್ತಿಸೇವೆ ಮಾಡಲು ಸಹಾಯವಾಗಿದೆ. ಇದಕ್ಕೆ ನಿಮಗೆ ಅನಂತ ಧನ್ಯವಾದಗಳು. ಇಂತಿ ನಿಮ್ಮ ಸೇವಕ

All glories to Srila Prabhupada,

Kindly accept my humble obeisances to Your lotus feet, You are the servitor of the Supreme Lord Shri Krishna, You have bestowed Your causeless mercy upon the unqualified and fallen souls, I am lucky enough to be one amongst them, I sincerely thank You for Your causeless mercy upon me by accepting me in the Krishna Consciousness movement.

By the grace of Lord Krishna, You have started this Krishna consciousness movement in the Western countries to fulfill the desires of Your Spiritual Master Srila Bhakti Siddhanta Saraswati Thakur Prabhupad. You took a challenge to spread the Krishna Consciousness all over the world, at the old age of 67, without sufficient money and man power, only with determination traveled to New York in a cargo ship inspite of the health problems for more than a month. It was an impossible task, but for Your determination and mercy of Lord Krishna You have succeeded in establishing International Society of Krishna Consciousness. You have converted Hippies to Happy devotees of Lord Krishna. Thus Your holy birth has blessed the mankind with transcendental and spiritual knowledge. You are always present with us in Your books, I have the great pleasure in reading Your books, Your straightforward expressions and comments have touched my heart which inspired me to read Your books regularly. They helped me in advancing in the spiritual path. I am very much grateful to You for the huge knowledge imparted through Your books to the entire world, which has recognized and honored You as the "Jagadguru".

I surrender unto Your lotus feet as my Spiritual Master who is blessing me with transcendental knowledge and wisdom with mercy, I am ever grateful to You Prabhupad.

ಪ್ರಿಯ ಶ್ರೀಲ ಪ್ರಭುಪಾದರಿಗೆ ನನ್ನ ನಮಸ್ಕಾರಗಳು,

ಇದನ್ನು ಬರೆಯುವ ಮೊದಲು, ನಾನು ನಿಮ್ಮನ್ನು ಹೊಗಳುವಷ್ಟು ಅರ್ಹತೆ ಹೊಂದಿಲ್ಲ, ನಾನು ಒಂದು ಅರ್ಹತೆಯನ್ನು ಪಡೆಯುವ ತನಕ ಬರೆಯಬಾರದೆಂದು ಅಂದುಕೊಂಡಿದ್ದೆ. ಆದರೇ ಭಕ್ತರು ಬರೆಯಲೇಬೇಕೆಂದು ತಿಳಿಸಿದರು.

ಮೊದಲಿಗೆ ನಾನು ಇಲ್ಲಿಗೆ ಬಂದದ್ದು ಆಕಸ್ಮಿಕವಾಗಿ. ಒಬ್ಬರು ನಿಮ್ಮ ಶಿಷ್ಯರಿಂದ ನಿಮ್ಮ ಬಗ್ಗೆ ಹಾಗೂ ಕೃಷ್ಣನ ಅವತಾರಗಳ ಬಗ್ಗೆ ನಿಧಾನವಾಗಿ ತಿಳಿಸುತ್ತಾ ಹೋದರು. ಕಾಲ ಕಳೆದಂತೆ ನಾನು ನಿಮ್ಮ ಬಗ್ಗೆ ತಿಳಿದುಕೊಳ್ಳುತ್ತಾ ಹೊರಟಿದ್ದೇನೆ.

ಈ ಭೌತಿಕ ಜಗತ್ತು, ಆ ಆಧ್ಯಾತ್ಮಿಕ ಜಗತ್ತಿಗಿಂತ ಬಹಳ ಭಿನ್ನವಾಗಿದೆ. ನಾವು ಮರಳಿ ಅಲ್ಲಿಗೆ ಹೋಗಬೇಕಾಗಿದೆ. ಅಲ್ಲಿಗೆ ಹೋಗಲು ಗುರುಗಳ ನಿಮ್ಮ ಅನುಮತಿ ನಮಗೆ ಬೇಕಾಗಿದೆ. ನೀವು ಹೇಳಿದ ನುಡಿಯಂತೆ ನಾವು ನಡೆದು ನಾವು ಕೂಡಾ ಶ್ರೀಕೃಷ್ಣನ ಸಾನಿಧ್ಯಕ್ಕೆ ನಿಮ್ಮ ಮೂಲಕ ಹೋಗಲು ಬಯಸುತ್ತೇನೆ.

ಶ್ರೀಕೃಷ್ಣನ ಸಾನಿಧ್ಯಕ್ಕೆ ಹೋಗಲು ಏನೇನು ಬೇಕೋ ಆ ಎಲ್ಲ ಅರ್ಹತೆಗಳನ್ನು ನಿಮ್ಮ ಮೂಲಕ ನಾನು ತಿಳಿದುಕೊಂಡು
ಭಗವಂತ ಶ್ರೀಕೃಷ್ಣನ ಹತ್ತಿರ ಸೇರುತ್ತೇನೆ.

ಧನ್ಯವಾದಗಳೊಂದಿಗೆ,

ನಿಮ್ಮ ಪ್ರಿಯ ಶಿಷ್ಯ,

Hare Krishna Movement – Hyderabad, Telangana

Abhirama Gopala Dasa

Dear Srila Prabhupada, Please accept my humble obeisances thousands of times to the personalities who praise the dust of Your lotus feet,

*Om ajnyana timirandhasya jnyananjana salakaya,
Chakshur urmilitam yena tasma Shri Gurave Namah.*

I once again offer my respectful obeisances thousands of times to the Disciple of Om Vishnupada Bhaktisiddhanta Thakur, who has spread the glories of Lord Shri Krishna and GauraSundara in the western world, having taken shelter at Lord Krishna's Lotus feet.

At least from the last year whatever guidance I am getting from within my heart towards the service of Your mission, by Your grace, I am able to follow it. Please let this happen forever. I was successfully able to give up my day job and take more care of my spiritual life and others who have been given to me by Your movement.

I was practising music for the last 2 years, which has finally begun to take shape. As of today 28th Jul 2018, the song for Lord Shri Krishna is not even half done, but yes ideas are circling in my mind, out of Your grace. Just in the recent days, Your lordship has really guided me how to keep Maya out of my mind and body system, even while touching it. I deeply beg that I able to dovetail the most important element of the creation which is "Sound", in Krishna's service. I see so much of nescience in this world because of Your causeless mercy. I have somehow understood by Your grace, how sweet is Lord Krishna and Gaurasundara, and if through my music if the world can understand this, I will consider my life mission to be successful. My instructing spiritual masters also want this service and I take this to be Your causeless mercy.

In the coming times, please guide this fool to render more and more service to Krishna. But I also have a complaint, How much ever service we do to Lord Krishna, it does not satisfy the heart, but yet it satisfies. Please let me feel the satisfaction of my service to Lord Krishna, I want to feel it.

Please keep guiding my mind, so that Your instructions come out of my mouth for the benefit of FOLK boys who come to me for spiritual growth.

I also deeply beg the blessings of His Grace Aindra Prabhu through You. If he blesses me I will be successful in my harmonium kirtans and modern songs. Sometimes I think what all can I do, but other times I feel, what is not possible by Your potency!

Your Fallen Servant,

Abhirama Gopala Dasa.

Anandamaya Dasa

Dear Srila Prabhupada,

Please accept my humble obeisances on to the dust of Your lotus feet.

To remember and glorify a pure devotee such as You on this most auspicious day of Your divine appearance is our privilege.

We were born in the darkness of ignorance and You so kindly opened our eyes with the torchlight of pure knowledge. We offer our most respectful obeisances unto You.

*Acharyam mam vijaniyat navamanyeta karhichit.
Na martabuddhyayaseta sarvadeva mayo guruh.*

"One should understand the Spiritual Master to be as good as I am," said the Blessed Lord. "Nobody should be jealous of the Spiritual Master or think of Him as an ordinary man because the Spiritual Master is the sum total of all demigods."

Your teaching and examples are all trying to show us how to transcend our behaviors and bad natures to be devotees of the Lord. You have accepted me as Your disciple and that is nothing less than a miracle.

I want to take this opportunity to beg You to please somehow keep me under Your shelter of Your lotus feet, to bless me to become more and more pure also offense less.

Among all the festivals in ISKCON throughout the year, we adore and cherish Your appearance day the most. As You always quote that Vyāsa Pūjā celebration is the festival for disciples. On this day we take the pride to glorify You, Oh master with the words from the depth of our hearts.

I thank millions and millions of time for engaging me in the service without which would have been sleeping in the lap of Maya-devi.

Lastly please forgive me for all my offences and please bless me so that I can always serve Your lotus feet.

Your eternal servant,

Anandamaya Dasa

Jai Srila Prabhupada

All glories to your divine grace, Please accept my humble obeisances dear srila prabhupada, prabhupada

*yeṣāṁ tv anta-gataṁ pāpaṁ
janānāṁ puṇya-karmaṇām
te dvandva-moha-nirmuktā
bhajante mām dṛḍha-vratāḥ (bg 7.28)*

"Persons who have acted piously in previous lives and in this life and whose sinful actions are completely eradicated are freed from the dualities of delusion, and they engage themselves in My service with determination."

When I read this verse, I immediately remember your divine "GRACE" ...because there was no punya karma in this life itself of me...which can lead to the highest perfection of life that is getting devotional service for Supreme Personality of Godhead or to His representative like your divine grace.

As you mentioned in one of the first canto bhagavatam purports that our life runs as per our karma and it takes turn only due to the intervention of a pure devotee...

"One may argue that since the Lord is bound to award the reactionary results of our own actions, the example of a player cannot be applied. But it is not so. We must always remember that the Lord is the supreme will, and He is not bound by any law. Generally, the law of karma is that one is awarded the result of one's own actions, but in special cases, by the will of the Lord, such resultant actions are changed also. But this change can be affected by the will of the Lord only, and no other. Therefore, the example of the player cited in this verse is quite appropriate, for the Supreme Will is absolutely free to do whatever He likes, and because He is all-perfect, there is no mistake in any of His actions or reactions. These changes of resultant actions are especially rendered by the Lord when a pure devotee is involved. It is assured in the Bhagavad-gītā(9.30-31) that the Lord saves a pure devotee who has

surrendered unto Him without reservation from all sorts of reactions of sins, and there is no doubt about this”....purport of SB(1.13.43)...

This very chance of rendering pure devotional service to Lord given to me is undoubtedly your divine grace mercy. And by your divine grace mercy I could learn some basic skills of Krishna consciousness in last few years by which you can use this servant as you like, thank you so much srila prabhupada for giving me good opportunities to learn some key things required for a temple. There were fluctuations in ashram life also. But again I'm expressing that I'm unknown of your plan with me and you gave me strength to sustain all those turbulences of this devotional life and outside sensual world.

By your divine grace mercy my material family members also picked up chanting and doing well and I beg deep within to shower your mercy upon them also to get more and more devotional service in coming days for them.... many of my well-wishers who paved this way for me (as per your plan and cause less mercy), into this divine and precious movement of Lord Chaitanya, who acted as an instruments(varthama pradarshaka gurus) in your divine grace hands are also struggling a lot with dangerous and serious bites of Maya, I sincerely beg wholeheartedly to shower your mercy on them also prabhupada such that they may get out of the dangerous pangs of Maya and serve this supreme mission happily.

*yasya prasādād bhagavat-prasādo
yasyāprasādān na gatiḥ kuto 'pi*

I beg sincerely to give me lot of patience and enthusiasm to serve your divine grace movement as per your desire

guru-mukha-padma-vākya, cittete koribo aikya, ār nā koriho mane āśā

“My only wish is to have my consciousness purified by the words emanating from his lotus mouth. Attachment to his lotus feet is the perfection that fulfills all desires.”

And please give me strength to attend your divine grace morning program strictly and there by having good sadhana which makes me eligible to preach your message or the science of most absolute confidential transcendental knowledge, to this very polluted soul(myself) first and to others next. Please make me remember the value of service and good intentions for serving your divine grace every moment so that I can commit myself to the services with enthusiasm.

I beg forgiveness for all those offences and any other hurts that I have made knowingly or unknowingly by me towards lotus feet of your divine grace and my well-wishing god brothers.

Yours aspiring fallen servant, Balagopala dasa.

Bhagyavathi Devi Dasi

Dear Srila Prabhupada,

Please accept my humble obeisances at Your lotus feet. All glories to Srila Prabhupada on this most auspicious day of Your Vyasa Puja.

My dear spiritual master, without Your mercy I would have not come in touch with Your movement and I would have not given an opportunity to serve You, in this lifetime. Thank You for being so merciful on this insignificant soul.

There is lot of distractions in this material world which could drag me away from Your service but still, You are so compassionate that You keep giving me a strong desire and strength to serve You. Without Your mercy, it is not at all possible for me to keep growing in this spiritual path. Kindly bless me to become Your obedient servant. You had made wonderful translations of our Vedic literatures, all through Your life, for the sake of most fallen souls like me. Your translations and illustrations are so lucid which could benefit infinite souls and kindle the spark within.

Please accept my apologies for whatever mistakes that I have committed knowingly or unknowingly. Please be merciful unto me and keep me engaged in Your service always, wherever and whatever way that You wish.

O spiritual master, You are the light of my life, kindly drag me out of this dark material ocean and keep me as Your servant as You wish.

Your humble indebted Servant,

Bhagyavathi Devi Dasi.

Bhanu Nitai Das

Dear Srila Prabhupada,

Please accept my humble obeisance. This fallen soul begs your mercy at all times at your lotus feet. It's because of the good association of your Krishna conscious devotees that I was able to get the Spiritual Initiation last year Vamana Jayanthi day and today I am named as "Bhanu Nitai Dasa". Though today I am under your shelter still I am unable to give my 100% in following regulative principles. Oh Vaishnava Thakura, please bestow mercy upon this fallen soul and bring the right consciousness in me in understanding the real aspects of life with full determination and join the Mission as a Full time devotee.

Dear Prabhupada, You and your Devotees found the talent in me and gave me the opportunity in doing the online book distribution, though I didn't know that I could do so well and good. Thanks for devotees concern and their kind help and guidance that brought me to this platform of serving the mission dedicatedly. My mind still shows the attachment and abstaining it from thinking all prajalpas was not so easy without the association of Hare Krishna Devotees.

Please always make me to be under their guidance and never take me out of your organisation. Lastly a song dedicated to you My Ever well Wisher Srila Prabhupada

Jab koi baat bigadjaye, Jab koi muskil padjaye, Tum dena Saath Mera, O Prabhupada Na koi tha na koi hai, Jindagi me tumhare Siva, Tum dena Saath Mera, O Prabhupada O Prabhupada....

Yours sincerely

Bhanu Nitai Das

Brasa Bandhu Dasa

Dear Srila Prabhupada,

Please accept my Humble Obeisances at your Lotus Feet. All Glories to your Lotus Feet. Even though I'm not eligible to be part of this Movement, you have accepted me as your disciple and also given me second Initiation. By your mercy We are somehow engaged to some extent in Krishna Consciousness through Chanting, Reading, Kirtans, Deity Worship, Preaching Services etc. It's been 3.5 years that I have joined Ashram and I'm able to live in Devotee's Association. Now I'm part of IIT Folk Preaching since Nov 2016. By your mercy, I'm able to learn the Dynamics of Preaching and Management of Time, People and Resources. In the Last Year, by your mercy IIT Preaching has picked up a lot. We have introduced Lots of Festivals, activities etc. to attract the boys, based on the inputs from the senior devotees. By your mercy We have now got FOLK Hostel facility to cultivate boys, good ambience in TAPF to conduct Weekend Programs Gorgeously. Due to recent Inauguration of TAPF, many IIT Faculties and Staff are visiting TAPF and this will help us boost our preaching activities when IIT students can take up research work in collaboration with TAPF.

You have given us the New “Hare Krishna Golden Temple” and their Lordships Sri Sri Radha Govinda have become the Centre of our Lives. You have given us this temple to attract more souls to Krishna Consciousness and give more opportunities for us to engage IIT Boys in Weekend Services, Temple Festivals etc.

In the Bhagavad Gita (18.68), Lord Krishna mentions

ya idam paramam guhyam, mad-bhaktesv abhidhāsyati

bhaktim mayi parām kṛtvā, mām evaiśyaty asaṁśayaḥ

For one who explains the supreme secret to the devotees, devotional service is guaranteed, and at the end he will come back to Me. Srila Prabhupada, by your mercy we are able to preach the Transcendental message of Lord Krishna, Lord Chaitanya to some extent, even though we are not capable and thus able to purify ourselves. I humbly pray at your Lotus Feet to keep me engaged in Transcendental Devotional Service at your Lotus Feet birth after birth, moment after moment and thus be able to preach the Glories of Lord Krishna, Lord Chaitanya.

ஒரு நாய் தெருவை மட்டுமே அறியும் அடுத்த தெருவில் இருந்து வந்த நாய்கள் விரட்டி அடிக்கும் அதுபோன்ற நாயாக என் நாட்டை மட்டுமே அறிந்து வாழ்ந்து கொண்டிருந்த என்னை ஒரு மனிதனாக மாற்றி உள்ளாய் “பண்டித சமதர்ஷிதா” என்று வாழ கற்றுக் கொடுத்த எனது அருமை குருவே உன் திருவடி சரணம். என் போன்றவர்கள் எதுவும் செய்ய வில்லை நீங்கள் சொல்லித்தந்த கிருஷ்ண உணர்வு எங்களை வைகுண்டத்துக்கு கொண்டு போகும் இதில் எனது முழு நம்பிக்கை உள்ளது. ஆனால் மாயா அடிக்கடி வந்து எண்ணெய் பாடப்படுகிறது அதில் இருந்து மீண்டு வர உங்கள் ஆசீர்வாதம் எனக்கு வேண்டும். உங்கள் பெயரை சொல்லும் போது எனர்ஜி கிடைக்கிறது.

இரவு பகல் தூங்காமல் எங்களுக்காக எழுதிய புத்தகம் எண்ணிலடங்கா அதை படிக்கும் உங்களின் அருள் வேண்டும். உங்களை மாதிரி குரு கிடைக்க நாங்க எல்லோரும் என்ன தவம் செய்து செய்தோமோ தெரியவில்லை. உங்களின் புகழை இன்னும் எங்களின் முடிந்த அளவு பரப்புவதற்கு உங்கள் ஆசீர்வாதம் தேவை.

உங்களின் புத்தகம் படிக்கும் போது என் அருகில் இருந்து பேசுவது போல் இருக்கிறது.

மகள் அப்பாவிடம் கேட்டால் செய்வாங்க நீங்களும் என் அப்பாவை விட பலமடங்கு என் மீது அன்பு உடையவர் அது எல்லாம் புரிந்து கொள்ள முடிகிறது. என் பிள்ளைகளை (கிருஷ்ணா பிரசாதம் ஆகிய) உன் திருவடிக்கு சமர்ப்பணம் செய்கிறேன் அவர்களை கிருஷ்ண பக்தர்கள் ஆக மாற்றி அருள் வேண்டுகிறேன். என்னுடைய முழு வாழ்வையும் உனது சேவையில் அர்ப்பணம் செய்ய எடுத்து உதவி செய்யும் மற்றும் உனது திருவடியை வேண்டி கொள்கிறேன்.

இப்படிக்கு

Dhananjaya Dasa

Dear Srila Prabhupada,

Please accept my humble obeisances at Your lotus feet.

All glories to Your Divine Grace. At the outset, I am eternally indebted to You for bestowing Your causeless mercy on this unworthy soul, by keeping me at Your lotus feet and keeping me connected to Your Movement. Last year has been another year of exciting services. When I felt that some of these services are stretched and beyond my means, the only major source of inspiration was Your pastimes where in You had taken unimaginable struggles, to serve Your spiritual master. Of course, the struggles of Your missionary disciples at HKM Hyderabad are no less inspirational. From being a pampered child, You became penniless! What a renunciation You exhibited Srila Prabhupada.

When everyone around You was asleep, You awoke to give shape to Your master's words! What a sacrifice You exemplified! Failure after failure could not force You to quit, rejection after rejection could not touch Your strong resolve Oh master, what a determination You exhibited! The only weapon You used was the Holy name ! The only compass You had was Your master's instructions! The only asset You possessed was the faith in Your master and Lord! What You had were not ordinary and what You have achieved with them was extraordinary! Oh master! You are bestowing me with many service opportunities of my interest, but I am unable to take them up with full commitment.

Srila Prabhupada, I beg from bottom my heart that kindly let Your pastimes and Your mood of service, always remain in my heart & mind and inspire me incessantly to take up these challenging services. I beg for Your mercy for making me more attached to Your lotus feet by improving my chanting quality, studying and understanding Your books with more realizations, following the regulative principles with more rigor, rendering services with more commitment and humility. I plead that Your Divine Grace always keeps me at Your lotus feet, irrespective of where my mind might want to wander. I beg Your Divine Grace to bestow sufficient strength and intelligence for me to engage my family members, my mentees at various GIFTS centers, in serving Your mission. As a father forgives the child, I request Your Divine Grace, the most compassionate father, to forgive me for the offences committed and for my actions that might have pained You. Desiring to be at Your lotus feet and desiring to be a

servant of Your sincere disciples at Hare Krishna Movement. I take this opportunity to convey my heartfelt thanks to the devotees and authorities at HKM-Hyderabad for keeping me in their association and for their constant support & guidance.

All glories to You Srila Prabhupada! Hare Krishna!!

Your Servant, Dhananjaya Dasa

Gandharvi Radhika Devi Dasi

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet. All glories and glories to you and your Hare Krishna Movement. First of all I would like to thank you and HKM Hyderabad for giving this opportunity for this unworthy soul to glorify your unlimited glories. Everything related to you is transcendental. Your appearance day itself is such a wonderful thing. It had been predicted by Srila Bhaktivinoda Thakura Maharaj and Lord Shri Chaitanya Mahaprabhu. I would like to recall your conversation in that regard. Devotee: Prabhupada, they said that if Chaitanya Mahaprabhu wanted Krishna Consciousness in the Western Countries, Why didn't he go there Himself?? That's what they told us. Prabhupada: So He left the credit for me.

You are such a great personality that Lord Himself choose you as His commander for spreading the holy name. When I heard your pastimes relating to your qualities like merciful, truthful, No ego, Equal to everyone, fixed, grave, Respectful, clean, Peaceful, mild, poetic, great cook and faultless and many more. I just wonder that is it possible for an ordinary person???.. You are an extraordinary person, Prabhupada. When you were small you grew up like a rich and pampered kid, but when you were in vanaprastha ashram and stayed at Gaudiya mutt for some time, then you wrote a letter to take permission to buy one dhoti, because you did not have even a proper clothes to wear. I can't even imagine the pain that you have taken to deliver all of us. You never lost faith in Lord and your Spiritual Master even for a moment. What a determination and what a service attitude. Is it possible for anyone else??? How much obedient you were, to implement your Spiritual Master words how extreme steps you have taken Prabhupada. It would not be possible for anyone, but for you.

When I heard that a person became a devotee just by seeing the way you drank water with grace and gratitude. It is possible only for you Prabhupada. You lived in Krishna Consciousness in each and every moment and you showed us how to live. How can we thank Lord, for giving us such a wonderful Acharya to deliver us but I am the most fallen soul unable to utilize this golden opportunity fully. We are associated with HKM Hyderabad for few years and doing a tiny services with the help of devotees and by your mercy. Please show more mercy to chant quality rounds, to be more determined to do your services and to preach your words and glories to others. cakṣu-dān dilo jei, janme janme prabhu sei, I pray to the Lord to keep me in service of your servants , and at your lotus feet birth after birth and in each and every moment of my life. I don't have any other desire.

When I heard that you will fall sick only because of your disciples accumulating bad karma by their actions, I know that I am the person who is causing you more and more pain. I beg at your lotus feet to forgive me and give me the strength to become stronger in my devotional path. I am indebted to you and I cannot repay it by any means. I would have committed lot of offenses at your lotus feet and at all vaishnavas. Please forgive me as a merciful father forgives his ignorant child.

All glories to your lotus feet..

Your's insignificant servant,

Gandharvi Radhika Devi Dasi

Gokulesh Dasa

Dear Srila Prabhupada,

I was in deep dark well trying to find a ray of hope to get me out but the well was so engaging that I was trying to adjust thinking this is life and it should go on. But this is You who came and offered help. You gave me the sign that this well will be cause of more suffering. You extended the helping hand and caught me tightly to bring out of deep dark well. When I came out, I realised what big mistake I did leaving Krishna and choosing this place where padam padam yad vipda na tesham. I know, Prabhupada, how much difficult it is was for me to leave tight grip of Maya but no surprise through Your devotees You made me leave those attachments and take Your divine shelter. Last year Nityananda Trayodashi was the day when i chose to pursue a celebrate life and decided to live life like a monk but it was You, Prabhupada, who gave me chance to come and embrace awesome Ashram life. The time spent from then to now, is the best part of my life. i learned many things in devotional service and got love from senior and all the devotees. IN this tenure You used me in different rolls and reciprocated in surprising manor. The recent reciprocation i cannot write her but i'm so obliged, Prabhupada

How a Jiva gets caught by maya is very interesting to know as explained by You. Tamala Krishna Dasa: Once, Prabhupada told a story about an Indian train. Local trains in India are packed. In any third world country, You learn what the word “packed” means. So, You have a nice seat on a train and a skinny guy comes to sit next to You. You try to ignore him but You know he wants to sit down. There is no room, but he smiles at You, then plops down and wiggles around between You and the next person. You make some room. Suddenly he calls his little kid and gets his kid in, and You're moving towards the edge of the seat. Then he brings another kid and he gets three kids next to You. Next his fat wife comes and then You give up Your seat. It all started because You had a little sympathy and let this guy sit down. In this way, Prabhupada said, if You allow maya even an inch to enter, she knows how to take over everything.

It is shown how maya attacks but if someone has father, well-wisher, spiritual master like You that Jeeva will come out victorious if not today tomorrow because of Your Mercy which alone is able to give relief to Jeeva crying in deep dark well. Thank You for being my ever well wisher, Prabhupada. I pray to take me under Your guidance birth after birth. There is no other desires than 2 embrace Your words to my heart. Thank You for taking my life in Your divine hands and guiding me step by step O Prabhupada. Begging to remain in Your lotus feet birth after birth,

The most fallen and insignificant soul,

Gokulesh Dasa

Hari Medhasa Dasa

Dear Srila Prabhupada,

Om ajnana timirandhasya jnananjana salakhaya,

caksur unmilitam yena tasmai Sri gurave namaha

I can't even dare to think how my life would be without having come in touch with Your divine grace. By Your causeless mercy, You've planted a seed of pure devotional service in my heart. I thank Your divine grace for initiating this sinful soul & giving me an opportunity to stay in ashram in the association of devotees. I thank Your divine grace for giving me Brahmana diksa to help me purify myself by engaging in Deity services. Being a full time missionary in Your mission, people may judge You by seeing my behaviour. You remain a pure devotee irrespective of my behaviour. But the pressure is on me.

In this connection, one quote of Yours has struck me and keeps me thinking & contemplating i.e, Letter to Hrdayananda -- Bombay 31 October, 1974. “Show Yourself as an ideal Vaisnava, then You are my representative in

fullness. We are not after titles and designations. Lord Caitanya made it a principle that we must teach by personal example. This is what I have tried to do. So if all of You my disciples do this, then the future of our movement will be glorious.”

I'm way far away from the standards of ideal vaisnava. But I'm confident that by following Your instructions & continue bring in vaishnava association, I can improve myself. Another quote of Your goes this way. “Transcendental writing one must be an authorized Vaisnava and should write to purify oneself, not for credit. It may or may not be published, but one who is actually sincere in writing, all his ambitions will be fulfilled.” (Letter, 14 October 1973, Bombay). You say "by writing, all our ambitions will be fulfilled". My ambition is to become Your representative in fullness. I know it is as difficult as writing daily. Please give me strength to avoid wasting time in things out of my assigned service, so that I can do my daily sadhana & reading regularly.

Your Fallen servant,

Hari Medhasa Dasa

Kalanidhi Shayama Dasa

Hare Krishna Dear Srila Prabhupada,

Please accept my humble Obeisances. All Glories unto Your Lotus Feet. Though this year it was very down for me in terms of serving You in more planned way, somehow I took long time to standardize my sadhana and keep my routine. It's Yours mercy through devotee to keep me going in Your organization. More I try to know about You the more I am getting closer to You. Every day for me is new insight in Spiritual Journey. It's so exciting but most of the time maya takes over the excitement. I know its my inability to hold You strongly. Kindly keep me at Your disciples Lotus feet always.

Some time I think should I concentrate on my family to help them or not. There is no reason to leave them unattended because they are going good. I am miserably failing to keep up my sons material requirement. I am not getting any clue how to overcome it. Kindly guide this fallen soul and bless him to be Your servant's servant. It's very difficult to get going with devotees in service and personal interaction but I am able to overcome it through Your instruction, these conditions are bringing my anarthas out to purify or get rid of it.

Thanks for giving us this opportunity to stay near Swayambhu Sri Lakshmi Narasimha Swamy Temple and giving constant association of devotees.

Fallen Conditioned Soul,

Kalanidhi Shayama Dasa

Kalavathi Radha Devi

Dear beloved Srila Prabhupada, Please accept my humble obeisances at Your lotus feet. Writing an offering to You is always such a difficult endeavor. How is it possible to put into words the effect Your teachings had on us conditioned souls? You have shown us the path to spirituality through Your teachings. Thank You for coming to this world to save us in spite of the tremendous difficulties and obstacles which You had to face alone, depending solely on the mercy of the supreme lord Krishna and Your eternal spiritual master, Srila Bhaktisiddhanta Sarasvati Thakura. You are the supreme servitor of Supreme Personality of Godhead, freely bestowing Your causeless mercy upon the unqualified and heal the rifts between us and to come together as a family at Your lotus feet.

There is no much service to be done in executing Your blessed mission of delivering the conditioned souls in this world and therefore we need to work together in a spirit of love and cooperation to be truly effective in the way that You desired. But without Your blessings, it will never come to pass. So, I humbly pray at Your lotus feet that You will so kindly enter our hearts and inspire us to find the ways and means of fulfilling Your beautiful transcendental

vision of a happy and unified world movement under Your leadership and direction. Kindly help us to please You in this way. Thank You very much, Srila Prabhupada. You have helped me to have peace, happiness and an attitude of Bhakti towards all. All glories to Your divine lotus feet.

Your servant,

Kalavathi Radha Devi

Karuna Krishna Dasa

My Dear Srila Prabhupada

My heartiest humble obeisance unto Your worthwhile lotus feet with happiness, tears and always eagerly waiting for Your blessing with sweet light smile which will forget the whole universe's worries who well know about You. My lovely Prabhupada, what should I tell about Your glories. If I want to say about Your glories, I want millions of mouths. It's just because a normal human being will lie on bed at his old age. But what You have achieved at the advanced age. A big scientist or a great player is also not able to do even if they are in regular practice also. While reading Your books and listening to Your lectures, automatically tears fill in our eyes just because of Your countless devotion in Krishna. We clearly estimate that You are not a common man, as in the material world very great achievers have also not attained the position You have reached in every devotee's heart. You are a real, obedient messenger of Lord Sri Krishna.

When You came into my life, just like Bhakta Prahlada has told very easiest way just a calf foot print filled water how we crossed the material world also simple in my life, in any situation I know why we are suffering, This is only after following Your valuable instructions. Moreover many years I lived in forests as I'm a military man. Even though You always guided me to go the way of spiritual world. At the same time my parents guided me for material education. But every step You teach to overall world for always enjoying. I read Your biography and I would like to live only fulfilling Your worthwhile valuable desire. Please my dear Srila Prabhupada, please help me and keep a little bit place in Your lotus feet. I'm always expecting a dust from Your lotus feet. You are a real guru in people's heart who are know Your miracles. Chanting, reading Your books strongly oppose inability. But practicing the same is a great mahaprasadam to all living entities. Sri Chaitanya Mahaprabhu's and Your guru's blessings were always with You, thus a miracle happened in the material world and this world is now changed the same as a spiritual world. So keep blessing me always as my Guru, so that i can fulfill Your desires.

Yours fallen servant,

Kaunteya Dasa

Dear Srila Prabhupada,

Please accept my most humble and respectful obeisance. All glories to Your Divine Grace.

By your special mercy, many wonderful projects are coming up in Telangana & Andhra Pradesh.

When in 2013 some demons had attacked the temple at Banjara Hills, some devotees argued that why should we fight for the temple. They were of the opinion that we should leave this temple and build some other temple, somewhere else, "peacefully". But, senior devotees of our movement said that Srila Prabhupada & Lakshmi Narasimha Swamy have given us this responsibility and we should not leave it incomplete. Today a beautiful Golden temple has manifested & we have the most attractive Swayambhu Lakshmi Narasimha Swamy & Sri Sri Radha Govinda giving darshan every day.

This could happen only by your special mercy. In every step, you were involved and guiding. Since the devotees built the temple with a lot of struggle, devotees attachment to temple and Deities is also more.

Srila Prabhupada, by your special blessing, even the prasadam distribution programs are expanding very rapidly in Telangana & Andhra Pradesh. At one point in time, we had lost hopes of getting the “Anna Canteen” project. But, all of a sudden we got a call from the officials in Andhra Pradesh & they invited us to execute the project. What hard work did we do for this? It was a just pure mercy that we got this massive project by which we will be able to serve lakhs of people with Prasadam. We also got a very good relationship with govt, the presence of our kitchens in many cities etc because of this project.

Even while we sat for planning we were in no good financial position, nor did we have a big team. But somehow, one by one everything happened. Today if I look back and see our situation when we began and where we are now, it is unbelievable that we could pull this off in such a short time. Frankly, the things happened in a much smoother way than I had thought off. The response was also far more than I had expected. Even the Chief Minister appreciated very much. And now even the Telangana Govt has asked us to expand the “Annapoorna Canteens” across the state. Again, what hard work did we do for this? It is simply your special mercy.

I pray to you that a beautiful project comes up quickly in Narsingi also.

Srila Prabhupada, my eldest brother Vishal left his body on 25th July 2018. But, I don't have regrets. He was wearing Tulasi Kanti mala & Narasimha Kavacham when he left. My mother had chanted 16 rounds in hospital on the day he left. Vishal had also chanted a few times in the same day morning. Devotee did kirtans in hospital. I and my brother Ravi also chanted near his body. Many devotees in Hyderabad also chanted for him. Even during the last rites in his house and when his body was consumed in flames, kirtans were going on. All his last rites were performed in a Vaishnava way remembering Lord Vishnu. He had visited several temples in Haridwar, Rajahstan, Varanasi etc in the last few months, even though he was very very weak and sick. Lord gave strength to my mother also to take him in all these places.

Even though he lived like any other Karmi, in the last he has received your very very special mercy. I pray to you to keep him under your shelter and shower your mercy so that he can become a sincere devotee & disciple of yours & you can take him back home back to Godhead.

Srila Prabhupada, I pray to you to shower your special mercy on me so that I can become a sincere disciple of yours. Please eternally keep me under your shelter. Protect my devotional service. Never put me out of your seva.

Your aspiring servant, Kaunteya Dasa

Krishna Nama Dasa Adhikari

Dear Srila Prabhupada,

Thank You for Your kind contribution of books, which are windows to the spiritual world, to the fallen souls of the world. Anything that I understand is because of Your mercy. As You have mentioned in Bhagavad Gita, one should at least work for Krishna. I wholeheartedly thank You for providing me an engagement in Your Movement. Please bless me that I can put my best efforts in serving the movement and also come out of my many lifetime habit of fault finding.

Please also bless me with spiritual strength so that I can follow Your instructions very rigidly, in the matter of chanting and hearing, reading Your books, following principles, giving up offenses, etc. Aspiring to be Your sincere servant one day in this life time, so that I do not keep asking You but simply render service unto Your lotus feet.

Dear Srila Prabhupada,

Please accept my humble obeisances at Your lotus feet.

The scriptures says about guru.

*om ajnana-timirandhasya jnananjana-salakaya
caksur unmilitam yena tasmai sri-gurave namah*

I was born in the darkest ignorance, and my spiritual master opened my eyes with the torch of knowledge. I offer my respectful obeisances unto him. The duty of a disciple is to spread the glories of his Spiritual master, but my mind shows interest only in material activities. When will my mind surrender at Your lotus feet, when will I spread Your glories.

Because of Your Divine Grace I am able understand, this body is only made with flush, urine, blood, mucus and stool and we are spirit soul beyond this body. But my mind is telling to enjoy with this body. When will my mind surrender at Your lotus feet, when will I realize Your teachings? By Your teachings You have explained importance of Holy Name and stressed chanting and hearing is the only way for self realization in Kaliyuga. But mind is not interested to hear. When will my mind surrender at Your lotus feet, when will I understand essence of these words? All scriptures says, this material world is full of miseries and temporary. But my mind wants to settle in this material world eternally. When will my mind surrender at Your lotus feet, when will transcendental knowledge reveal in my heart?

The words emanating from the lotus mouth of spiritual is as good as Vedas and it is medicine for material disease. Presently my mind is not taking interest in Your words. When will my mind surrender at Your lotus feet, when will I relish Your vani? In conclusion mind is origin of all speculations. My mind is not yet surrendered at Your lotus feet, When will my mind surrender at Your lotus feet, When will my mind surrender at Your lotus feet, When will my mind surrender at Your lotus feet?

Your Fallen Servent, Krishna Prema Dasa

Krishna Priya Devi Dasi

My dear Srila Prabhupada,

Please accept my humble obeisances and kindly forgive my offences. On this most blessed event, Sri Vyasa Puja, the appearance day of my beloved Spiritual master, I am filled with a sense of gratitude and wonder. I cannot even imagine where my Life Would Be today if You have not appeared and blessed us with Your divine benediction. The fact is that You have always resided in my heart, and have been my most constant friend and even well wisher. Even without Your physical presence our eternal relationship is proved with You. But You, Srila Prabhupada, have remained in my life as constant whom I could always turn to. You are present in Your vani, Your books and Your instructions. You are still present in Your pictures and murti, You live in the heart of Your sincere devotees, You have touched us so deeply.

I am completely unworthy and most fallen, therefore by showing me Your mercy my life is most successful for You are patit pavan. You are the savior of the fallen souls and who is more often fallen than me? I have no good qualities, born in low-birth, without good intelligence, without beauty or wealth. I am a fallen soul desiring only Your causeless mercy to be best bestowed upon me. Begging to remain forever in Your divine service.

Your eternal servant,

Dear Srila Prabhupada,

Please accept my humble obeisance at the dust of Your lotus feet. On this glorious occasion of Your appearance day. I just want to glorify Your unlimited grace limitlessly but have no words. I'm actually speechless Your compassion on the wretched conditioned souls of Kaliyuga is beyond all. Even though a devotee falls from path (Even though the path is very simple just four regulative principles and 16 rounds of chanting). Your never ever leave Your devotees and disciples .

Once in Your physical presence an initiated disciples fell from the path and went into meat eating and left the temple and association of devotees and started a materialistic life and then once when You visited to that country on Your arrival that devotee also came and was standing somewhere in the corner and started looking at Him at that point other devotees said that he has left the association and he has also started meat eating and so on. Then You simply said no problem and asked that devotee "Will You cook for me". Seeing such a great mercy that devotee cooked for You and then never fall from the path of Krishna Consciousness. It is said that spiritual master never leaves His disciple even upto taking birth life after life with the disciple until he goes back to Godhead. Please keep me at Your lotus feet and bestow me with pure devotion at Your lotus feet.

Thank You Prabhupada

Your fallen servant,

Dear Srila Prabhupada,

Thanks for being determined to spread Krishna Consciousness. We are chanting, dancing, reading and able to understand how dangerous this world is. This is all because of Your preaching and devotee's association. I am so dull that it took 18 years to strike me that janma mrtyu jara vyadhi dukkha dosanu darshanam. I read this many times but understanding it now. You are the sunlight through which I can see things as it is. Otherwise this material world is full of illusion.

I pray at Your lotus feet that bless me that I can chant and read Your books scrutinizing and realise them.

Dear Srila Prabhupada,

I am the most fallen downtrodden person, but by Your Grace and Your pure devotee's mercy, I stand in Krishna consciousness.

Although I am very Neophyte devotee, with a lot of enthusiasm I am following and practising Your pure disciple's path. Those Devotees are strictly executing and following Your instructions meticulously.

Gurudev without Your mercy I could not become Krishna conscious person. By Your grace and also Your devotees I am able to attend Mangala-arati, listening to Bhagavad-Gita / Bhagavatam, chanting 16 malas and also eating prasadam daily.

I didn't know four regulative principles which one must avoid 1. Meat eating 2.Alcohol drinking. 3.Illicit sex 4.Gambling of various Varieties. These four are the most sinful activities. I am lucky to know and follow regulative principles to live in Krishna consciousness. This is all by Your Grace.

I did not know three-fold miseries, where billionaires to beggars- all have to suffer without exception. Now by Your Grace and by Your lectures and also by reading Your Bhagavad-gita and Bhagavatam, I know thoroughly Tapatrayas and to mitigate or surpass them.

Jai Gurudev. This is all Your mercy that I am changed from animal living to spiritual conscious living. This made my life to understand that I am a part and parcel of the Supreme Lord and must serve Him as an eternal Servant. The real goal of life is to serve Lord Krishna as the servant of servants.

I am fortunate that my wife Smt Shoba an initiated disciple of Chinna Jiyar Swamy Sri-sampradaya is also facilitating me in Krishna conscious living. Added to this that my both children daughter and Son are strictly following four regulative principles and chanting 16 malas of Hare Krishna maha-mantra.

Now I am fortunate to have the most advanced devotees' association in Swayambhu Sri Lakshmi Narasimha Swamy temple in Banjara Hills. I am always moving with them in serving Your Lotus feet.

With sincere and humble dandavat pranams,

Your menial Servant of servants.

My Dear Srila Prabhupada,

I Offer my humble obeisances at Your lotus feet & all glories to Your divine grace.

“My Dear Srila Prabhupada seeing a person like you is a perfection of eyesight, touching Your lotus feet is the perfection of a sense of touch, glorifying Your good qualities is the tongues real activity because it is very difficult to find a pure devotee in this Material World“.

O Prabhupada You said Out of all the incarnations of Krishna Sri Chaitanya Maha Prabhu is the most merciful (Parama Karuna) incarnation in this age of KALI, but Prabhupada Your appearance is even more merciful than Sri Chaitanya Maha Prabhu because Maha Prabhu delivered only sinful people like JAGAI & MADAI but prabhupada out of Your causeless mercy only You have accepted a person like me who is most unfortunate, most unqualified & worst than jagai & madai that is by only Your causeless mercy prabhupad nothing else.

I recognize that being a kali-yuga product coming in touch with You is not ordinary but I am not able to recognize due to ignorance , covering of maya. Srila Prabhupada please remove this ignorance let me serve You without any deviation .

“SPECIAL MERCY “ : Srila Prabhupada mercifully You have saved me till now & this year also at every movement by engaging me more & more in devotional service particularly Miracle Narasimhas Temple construction service it was very very special interesting amazing journey while doing temple construction services All the Devotees faced many DIFFICULTIES but by Chaitanya Mahaprabhu’s Harinama sankirtan yagnas mercy & Your ever special causeless mercy all Your sincere devotees worked very very very hard day & night just to please & offer this “MIRACLE NARASIMHA’S GOLDEN TEMPLE“ to You from this I understood how Your ocean of causeless mercy works miraculously.

Prabhupada whenever I hear this sentence “Never forget Krishna & Always remember Krishna“ I use to think let me try to “Never forget Prabhupad & Always remember Prabhupada “ than it is very very easy & guaranteed to remember Krishna always by Your causeless mercy.

Sri Prabhupada, You have given me whatever is required for rendering devotional service to Krishna like sankirtan, devotees association, Krishna prasadam, deity worship, wonderful Temple etc,.. but I am not utilising efficiently all the above opportunities the way u wanted & the way u desired, so pls kindly give me the strength to work hard for Your sankirtan movement

Prabhupada I have committed many offences knowingly or unknowingly towards my godbrothers, my authorities & all vaishnavas so please kindly forgive me, please kindly engage me always in your sankirtan movement under the expert guidance of Your sincere dedicated hard working devotees . “Your Glories are endless All glories unto you”. Srila Prabhupada again & again begging for your causeless mercy on this auspicious day of Your divine appearance.

Dear Srila Prabhupada!

All Glories on to You!

Please accept my respectful obeisances unto Your Lotus Feet!

I recall from Your talk about first class, second class and third class intelligent people in the society. You wanted us to be first class intelligent people, but I have realized it is a long way to go for me. But I can definitely tell that I want to please Your good self by practicing Krishna Conscious the way You have instructed!

On this auspicious occasion of Your divine appearance on this planet, I would like to tell that, it feels most fortunate to have You as my Spiritual master, though I am unqualified.

I feel comfort and great satisfaction to be at Your shelter. Your mercy, magnanimity are inconceivable like the supreme Lord Sri Krishna! Some realizations of this world were becoming tough But definitely a big learning which I look forward as a stepping stone in the coming years to go on firmly in Krishna Consciousness.

And Yet another surprise with Your mercy on transcendental Book Marathon services which is a great encouragement to many more!

Thank You for all that You gave and Thank You very much for giving us an opportunity in the construction of the Grand Golden Temple of Sri Lakshmi Narasimha swami and most beautiful Sri Radha Govinda whom I long to love and serve eternally!

Thanks a lot for the association of devotees with out which the momentum would have been way lost. Please bless me to develop my attraction towards the holy names of the wonderful all attractive Lordships, The Hare Krishna Maha Mantra!

Always begging for Your mercy and praying to keep me eternally at Your Lotus Feet!

Yours most fallen aspiring servant

By your causeless mercy I am continuing as your servant. Actually I don't have qualification to serve you even though you are giving serving opportunity to this fallen soul. I was born in the darkest ignorance, and my spiritual master opened my eyes with torch of knowledge. I offer my respectful obeisances unto him.

Prabhupada, You hold my hand to remove my darkest ignorance.

I am very much thankful to You. Because of Your causeless mercy. You accepted me as Your disciple and gave shelter at Your lotus feet. After my initiation You become so personal to me and have given opportunity to serve You. It's fact that always by serving guru the disciple is situated in transcendental bliss.

All Your instructions and conversations gave a meaning to my meaningless life. I understood what is the purpose of life, it's not meant to earn money, not for sense enjoyment etc . It's meant for going back to godhead by serving Krishna with love and devotion and by surrendering unto him.

Because of Your mercy I have tasted the real happiness by chanting Hare Krishna Mahamantra, by serving Lordships personally at our home as Nitai-Gauranga and by taking part in many transcendental festivals, devotional trips like Puri Dham, Vrindavan Dham, Mayapur etc.

Had you not entered my life, I would remain in deep darkness. With Your causeless mercy You saved me from material entanglement. Thanks for Your support in all the corners and kindly keep supporting me to strengthen my devotional service by following Your instructions.

Please keep me always at Your lotus feet, which are only my shelter.

Your eternal servant,

Dear Srila Prabhupada,

I offer my respectful obeisance unto His Divine Grace A. C. Bhaktivedanta Swami Prabhupada, who is very dear to Lord Krishna, having taken shelter at His lotus feet. Our respectful obeisance are unto You, Oh Spiritual master!, the servant of Bhaktisiddhanta Saraswati Goswami. You are kindly preaching the message of Lord Chaitanya Mahaprabhu and delivering all the countries, which are filled with impersonalism and voidism.

Vyasadeva compiled this Vedic literature [Srimad-Bhagavatam], which is in relation to the Supreme Truth. Srila Prabhupada, You are more merciful than any other acharya, for You brought this linking process of Krishna-bhakti into the lives of so many people in Kali-yuga. Lord Caitanya Mahaprabhu was so merciful to You that He kept this task of preaching in the West for You to accomplish in the future. Srila Prabhupada, Your position is so special that You were hand-picked by Lord Krishna to spread the teachings of Srimad Bhagavad-gita and Srimad-Bhagavatam throughout the whole planet. This is being done through Your books which are Your most important and lasting contribution. The Bhaktivedanta purports are Your "emotional ecstasies," and just by reading them one can understand Your special position. Certainly the message of the Gita and Bhagavatam is difficult for our tiny brains

to digest, but by the mercy of Your timeless, classic Bhaktivedanta purports one can understand everything completely, without any doubt. Devotees should read and re-read Your Bhagavad-gita and Srimad Bhāgavatam, for in Your Bhaktivedanta purports one will find new insights every time. Your purports are so amazing that they can transform the lives of anyone who reads them receptively. You are a true carrier of the mercy of all the previous acharyas, and You are the foremost of all of them. It was truly said during Your Centennial celebrations that there was never an acharya like You in the past and there will never be an ācārya like You in the future. There is not the slightest doubt regarding this.

By Your mercy very nice beautiful Lord Narasimha and Sri Radha Govinda Temple was constructed in Hyderabad, we want to celebrate this special year in honor of all those special moments by offering our new temple to our dearest Deities and to Your good self this year.

Srila Prabhupāda, please empower us so that we can make this temple a sankirtana sanctuary, with lots of book distribution and preaching. Our true offering to You will be when we can study, understand, follow, and distribute Your books and share with others what has been bestowed upon us.

Sincerely in Your service. Please pour Your mercy upon me to grow in my spiritual life, my mind should always be attracted towards Lord's Lotus Feet and spiritual master's lotus feet nothing else I need in my life.

Thanking You Prabhupada.

Yours faithfully,

Nityananda Balaram dasa

My dear Spiritual Master,

Please Accept My Humble obeisances,

All Glories unto You,

On this great occasion of this Vyasa Puja, I would like to express my heartfelt gratitude by humbly paying my respects at Your lotus feet. I'm very much thankful to You for presenting me this Krishna conscious philosophy which is dormant, I'm very much indebted to You. Although I'm deeply ignorant about Krishna and Krishna consciousness, You have mercifully bestowed me the opportunity of Krishna Conscious life or the life of Devotional service unto Sri Radha Krishna and Nitai Gauranga.

I'm trying my best, to follow Your instructions in preaching Krishna consciousness to the students and others, by encouraging them to chant Hare Krishna mantra, Distributing Prasadam, slowly making them understand the Krishna conscious philosophy by presenting Your books. Also I'm trying my best to become servant of the servant in assisting the vaishnavas in the preaching mission.

On this auspicious day of Vyasa Puja, as You are our beloved Spiritual Master, I beg Your mercy and strength, firstly in practicing the principles of sadhana and secondly in executing Your instructions through the authoritative system in the path of my devotional service. Without Your merciful guidance I cannot be able to attain the stage of pure chanting of Hare Krishna Mantra, practical devotional service and the love of Krishna. Any offenses I may have unknowingly committed in performing devotional service to You or to the vaishnavas, please forgive me and help me progress in Krishna consciousness.

Your humble servant,

Pavanasuta Dasa

Dear Srila Prabhupada,

Please accept my humble obeisances at Your lotus feet.

I am very happy to write my Vyasa Puja offerings after many years. I am very blessed that You engaged me in Krishna's service & guiding me in Krishna consciousness. As we are in a war of Maya & You are an empowered personality of Krishna. I always seek Your attention to rendering service to Krishna & his devotees. I feel I can contribute to Your movement but some things I am lacking. Please give me the strength to do my Sadhana. So that I can follow Your instructions strictly.

In the last thank, You so much to tolerate me & so patience to trend me in Krishna consciousness.

Your internal disciple,

Dear Srila Prabhupada!

Please accept my humble obeisance.

All glories to You. I took dust from your lotus feet and you have accepted me as Your disciple which is enough for me in this life.

When I prayed You to grant me start worshipping the deity in last Vyasa puja offering requesting that I want to become a pujari in Your movement, You suddenly gave me the opportunity to worship Lord Jagannath in Narsingi. That was the miracle in my life. Through You, I worshipped almost one year personally taking care of the deities.

Oh, Prabhupada! You showered Your causeless mercy upon me that I one day I got a call from our devotee to take the Diksha/Initiation and I got one more opportunity to serve Lord Narasimha, Sri Sri Radha Krishna and Nitai Gauranga Kitchen, taking care as an assistant of deity kitchen head. These all things happened with Your Blessings only otherwise where I am-where You are. You are in the Highest position to show the devotional path for us.

Oh, Prabhupada! I am begging You please don't leave this soul until I go back to Godhead. You are in my heart always to push me to serve the Lord/engage in the Lord's service. I am waiting for 2d initiation to completely involve in deity service.

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to Srila Prabhupada. All glories to you on this auspicious day of your Vyasa Puja.

For the benefit of the all the fallen condition souls in this world, you have in your purports very clearly explained in a very understandable way the original teachings directly spoken by the supreme personality of God himself. I do not find words to thank you for all the struggle you have faced in your life at an age we generally think about retiring to go to the west and keep the promise you have given to your guru to spread Krishna consciousness, by starting this movement to save this world. You have single-handedly taken this movement to such heights and all that was possible because you are the pure direct representative of Krishna himself.

I feel very fortunate to have come across your books and to realise the true purpose of my life is to be able to develop an unflinching love for Krishna and to render devotional service to Krishna. Dear Srila Prabhupada, I would like to thank you for giving me this opportunity as a preacher to spread the message of Krishna. I know that I do not deserve this as I am still a very fallen soul in this material world and that looks a big task for me trying to maintain a balance between these requirements for the material world and at the same time growing spiritually. As you have rightly said a devotee is a “para duhka dhuki”... the material world is full of fallen souls and it lies on our shoulders to help the society from falling further. But unfortunately, I beg your pardon for not being able to do much. In spite

of some small things, I hope the Saturday classes by your grace will go on successfully in spreading Krishna consciousness. At the moment I am spending most of the Saturdays preparing for the Saturday class preaching, but I still find that I am not able to make my classes to my satisfaction. I sometimes forget and skip a lot of things and also maybe the classes are very dull without any fun?? I hope that with your grace I am able to make the classes more interesting for the devotees and spread Krishna's message as it is and also, first of all, implement the learning myself. Your books are clear on the qualities of the devotees...and it is essential that devotees like me acquire those qualities. I hope instead of just pointing to other on the bad qualities, I first look at myself and improve on them. We had a challenge that we had to move our GIFTS centre to a different temple, so it is a sort of a new start as a lot of devotees who used to come earlier are now not able to come. I hope by your grace we are able to spread Krishna consciousness in this new temple and increase the strength in the coming days. I am also looking forward to the opportunities in NIT Warangal to spread your message, in whatever small way and role I can play in that due to my frequent visits to Warangal.

I humbly beg you to continue to shower your blessings on me to make me an instrument in serving your mission. I beg you to give me the inner strength to take all austerities in serving your mission. Please forgive my offences and give me the intelligence to carry out your orders under the protection of your divine movement in the association of your sincere devotees.

Hare Krishna,

My Dear Spiritual Father Srila Prabhupada,

Please accept my humble obeisances unto the dust of your Lotus feet.

I sincerely thank you for allowing me to complete one more year in Krishna Consciousness. I feel so nice to tread one step ahead with every year completing. Please allow me complete year by year and complete my whole life in Krishna Consciousness

It is your causeless mercy only that I am continuing in this mission and I beg more and more of your love, affection and mercy in all throughout my journey for without which I am sure to be swayed away by the winds of my unbridled desires, uncontrolled ambitions and undesirable emotions of my mind.

As I tread on this beautiful journey called “ Krishna Consciousness “ I am to understand how you like an expert captain deftly guide my path and help me overcome my frailties & weaknesses by dexterously engaging me, my intelligence, mind, senses, & energies in the service of Sri Krishna. I have overcome some of my longstanding weaknesses & challenges by simply doing my assigned services under the directions of your able and adept Senior devotees.

I sincerely once again thank you for considering to use me to accomplish your dreams of spreading Krishna Consciousness in Telangana & AP. Also, I take this auspicious opportunity to pay my obeisance to Your sincere senior disciples Sri Madhu Pandit Prabhu, Sri Chanchalapathi Prabhu & Sri Satya Gaura Chandra Prabhu for presenting us with a splendid example of how a sincere follower of Srila Prabhupada would be!

Also Srila Prabhupada, I humbly request you to please cast special attention on this most fallen soul and bestow some extra mercy without which I am sure to be flushed away by Maya.

By your blessings and guidance only we have achieved a significant milestone of inaugurating and dedicating the Swayambhu Sri Lakshmi Narasimha Swamy Temple – The First Golden Temple of Telangana for your pleasure, this

has been a vindication for me that you are very much guiding us and personally taking us ahead. Also, you have blessed the Telangana & AP public by feeding them sumptuously through Your Transcendental Prasadam Distribution programs. As we tend to expand & grow big, many challenges & confronting situations are coming up not only in outer life but also in my inner life, it is here I beg again for your flow of mercy to be steady so as to keep me sailing in the ship of Krishna Consciousness.

I take this opportunity and beg forgiveness for all the offenses that I have been committing towards your Lotus Feet and your beloved disciples and pray to give me spiritual strength, sincerity of purpose, determination and above all utmost faith in the instructions given by Your Divine Grace and aspire to keep writing Vyasa Puja offerings year after year till the end of my life.

Lastly, Srila Prabhupada please do whatever with me but always keep me in Your Movement & Service.

Aspiring to be at the dust of your Lotus Feet,

Yours most fallen servant,

Dear Srila Prabhupada,

Please accept my humble obeisances at Your divine lotus feet.

All glories to You on this most auspicious appearance day of Your divine grace.

Prabhupada by Your merciful glance this insignificant soul has got a chance to begin its spiritual life and everyday experiencing new realization in spirituality. In this six years of my Krishna Consciousness life, I have achieved a lot in spiritual growth with Your mercy. The most important one in my life so far is taking initiation from You. All the auspicious moment what has come to my life it has come by Your causeless mercy.

Any person who seriously desires to achieve real happiness must seek out a bona fide spiritual master and take shelter of him by initiation. [SB 5.14.41 Purport]

Simply by reading or hearing even one line of Your purport, any person can experience a change of heart. He begins to traverse the path back home back to Godhead.

You are the ideal acharya because You teach us everything about spiritual life by Your personal example. Even though You have been empowered by Lord Chaitanya to spread the holy name of Krishna throughout the world, You perform Your devotional service strictly following the instructions of Your spiritual master. By Your personal example. You teach us to accept all austerities to carry out the order of the spiritual master. By Your tapasya You have given the wonderful gift of this Krishna consciousness/Hare Krishna movement to the whole world.

On this most auspicious day I humbly beg You to continue to shower Your blessings on me to make me an instrument in serving Your mission. I beg You to give me the inner strength to take all austerities in serving Your mission. Please forgive my offenses and give me the intelligence to carry out Your orders under the protection of Your divine movement in the association of Your sincere devotees.

Begging to remain under the shelter of Your lotus feet at all times and aspiring to be Your humble servant.

Your humble servant,

Sachi Kumara Gauranga Dasa

Dear Srila Prabhupada,

Please accept my humble obeisances at your Lotus Feet. I beg forgiveness from you for all the offenses committed at Your Lotus Feet due to my past habits.

I am greatly delighted today as it is appearance day of most magnanimous and merciful, pure devotee of Lord Sri Krishna. Only due to Your Causeless Mercy, I have been able to relish the transcendental message of Lord Sri Krishna for past few years. Your mercy is comparable to those dense clouds which showers torrents of rain over everyone without any discrimination. Just by Your intense desire to propagate the mission of Lord Caitanya, You are constantly showering ocean of mercy upon everyone. This alone can extinguish the burning fire of material existence for common mass of people.

The people of Kali Yuga are constantly struggling under the influence of three modes of material nature, forgetting the importance of human life which is rarely obtained after many births. It was only through your books, that a worthless jiva like me among the countless misled beings got the opportunity to know the purpose of creation, who am I, who and what is God and our relationship with Him. Sometimes I am amazed by the thought, "How much troublesome and chaotic would have been my life, had it not been the intervention of Your Divine Mercy which I have received through the association of your sincere devotees". In spite of all my misgivings and shortcomings of past life, somehow or other you have saved me from the turbulent waves of material existence by bringing me under the shelter of Your Lotus Feet.

By allowing me to be part of full time missionary, You have given me a new home where I can peacefully cooperate with other sincere disciples of Yours. Now I am part of this community for past 4 ½ years, I am trying to serve your mission to the best of my ability. Sometimes I do slacken in my sadhana due to my physical limitations. Hence I humbly request you to please give me necessary strength and intelligence to overcome my weaknesses.

Therefore, today I feel extremely fortunate and blessed to be part of your mission and serve as a menial servant. Please bestow your mercy upon me, so that I may be able to render service in a manner that pleases you.

Dear Srila Prabhupada,

Please accept my humble obeisance unto your lotus feet

You are the first person to start public Harinam Sankirtanas in the foreign lands. The Tompkins square park sankirtana is historical. The fallen condition souls of western countries started listening to the Holy name of Lord Krishna for the first time in the history of the western world and their lives.

Your books are the guiding lighthouse for the entire world who are struggling in the Bhava Sagara.

Your love towards devotees has bounded them all together in spite of any challenges in their lives

Oh, Srila Prabhupada with your inspiration and guidance I started and executing my humble Krishna consciousness.

By your mercy, I got the opportunity to do one of the main aspects of preaching i.e., Youth preaching service. I am very much thankful to you for this.

By your mercy now there is some little success. A good number of devotees are joining the ashram. We also want to preach to youth in big number carefully keeping quality preaching in place. We want to start more centres for

youth preaching. Also, we want to start more yoga residencies, which will give an opportunity for more youth to come in touch with Krishna consciousness. Please give me guidance and strength to preach Krishna Consciousness and make more devotees join ashram as by your mercy anything is possible

*mūkaṁ karoti vācālaṁ, paṅguṁ laṅghayate girim
yat-kṛpā tam ahaṁ vande, paramānanda-mādhavam*

"By the mercy of the guru, even a dumb man can be the greatest orator, and even a lame man can cross mountains." (Cc Madhya 17.80)

On the occasion of this Vyasapuja ceremony, I want to pray You for my spiritual growth

Oh, Srila Prabhupada.... Please make me realize the fact that I am not the controller and savior of anybody, it's only you, you and only you.

Oh, Srila Prabhupada.... Please bless me that my attraction to Radha Krishna, flow like the river ganga unto ocean, without any deviation.

Oh, Srila Prabhupada.... Please bless me that my pure love unto Radha Krishna, grow gradually like the way Lord Vamana grows in size.

Oh, Srila Prabhupada.... Please bless me that I will get rid of all mental concoctions and feelings that sometimes come in mind.

Oh, Srila Prabhupada.... Please bless that all the lusty desires are removed from the core of my heart.

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet. I am very much fortunate to offer the words of praise unto your lotus feet once again. By your causeless mercy, you are engaging me in your transcendental service.

Yasya prasada bhagavat prasado...Yasya aprasadan na gatih kuto pi... By the mercy of the spiritual master, one receives the benediction of Krishna. Without the grace of the spiritual master, one cannot make any advancement. I realized it. Because of your causeless mercy, I am advancing in Krishna Consciousness.

Last year book marathon I sold many books Prabhupada, because of your causeless mercy. In that time I can explain about my spiritual master and his determination, enthusiasm, faith. It was a nice experience for me.

Prabhupada like me there are many ignorant people in this world, so I want to preach to those people who are struggling in this material world to bring them back to the God consciousness. Prabhupada please give me power and knowledge to preach the Krishna Consciousness.

I will always remember one line as You said, to keep GURU ANG KRISHNA at centre in my life. This instruction I will never forget in my life.

Prabhupada as Your wish, we inaugurated Sri Swayambhu Lakshmi Narasimha Swami temple. Because of your mercy and all devotees' determination and enthusiasm it happened. Now we got the opportunity to serve Lordships Sri Sri Radha Govinda. I got more opportunity now to serve You and Krishna.

Whenever I hear the vibration of Your voice and preaching sound, it gives me more energy to do service to Lord Krishna.

Always I should be a humble and meek devotee.

Srila Prabhupada my last prayer to Your lotus feet is that please keep me at your lotus feet and please keep me in your mission until my last breath.

All Glories to HDG Srila Prabhupadaji

Dear Prabhupadaji,

Please accept my humble obeisances

On this special occasion of “Vyasa Puja”, I would like to thank you for accepting me as your disciple. I always felt your spiritual grace and divine presence has been guiding me through every walk of my life, bringing me closer to Lord Sri Krishna and providing me holy association of the Hare Krishna devotees.

Thanking you from the bottom of my heart,

I was born in the darkest ignorance, and my spiritual master opened my eyes with the torch of knowledge. I offer my respectful obeisances unto him.

Respected dear Srila Prabhupada,

Please accept my humble obeisances. All glories onto You on this auspicious day of Your appearance, Vyasa Puja. Words fall short in expressing heartfelt gratitude unto You, Srila Prabhupada. You have been most merciful, kind, compassionate, ever inspiring and guiding at every moment.

The one thought which always helps me each day is to remember the sacrifices You had to make in delivering us from the clutches of this material world. You have given us so many weapons, the most powerful one being Hare Krishna Maha-mantra that has been most munificently distributed by Lord Chaitanya. Following in the footsteps of the previous acharyas, You have instructed us, guiding us in engaging sincerely in Your service.

You have given us treasure of books which are nectarean. Reading them by associating with You, listening to Your lectures empowers us, it's ever increasing pleasure and discussing them with the devotees brings bliss. As Lord Krishna says in

Bhagavad Gita, 10.9

mac-citta mad-gata-prana bodhayantah parasparam

kathayantas ca mam nityam tusyanti ca ramanti ca

(The thoughts of My pure devotees dwell in Me, their lives are surrendered to Me, and they derive great satisfaction and bliss enlightening one another and conversing about Me.)

Engaging ourselves in serving You, being a miniscule part of spreading this mission, connecting people with this mission, I have grown and evolved, learnt many skills in this process which otherwise I wouldn't have learnt. Only

thought or emotion that drives me is that it gives You the pleasure and the love for Yourself. This thought empowers us by Your instructions. Various services like Book Marathon, six weeks of this transcendental service engaged me, my staff at home who helped in sorting, arranging and packing books for each day of book distribution, my driver who never might have read the book of Yours but Your mercy and Your endearing nature attracts and makes them to serve You. The whole experience in the association of devotees was a delight as we could connect to so many souls through distributing these literature of Yours.

Being part of dravya Yagna, yet another humbling experience. You have given opportunity to us and many to take part in this service, being part of the construction of Swayambhu Lakshmi Narasimha swamy and Sri Radha Govinda temple, once in a lifetime opportunity..

Like this so many services and yatras though I'm not qualified, but with Your kindness upon me, You have bestowed. Thank You Hare Krishna movement - Hyderabad for giving us the opportunities.

One service which I was longing to take up for Your pleasure has been kirtana service. This was my strong desire and I was never confident but yet again with Your mercy, even the impossible is possible, as You said there is no such word in the dictionary, impossible. It turned out to be true when I got the opportunity of taking part in the kirtans by leading the kirtan with the encouragement of senior devotee Namamruta Prabhu. This was really a dream come true for me which happened only with Your kind reciprocation.

Please give us the strength that we follow Your instructions sincerely, chant Hare Krishna maha mantra without any offenses and serve Your mission in the association of devotees cooperating with each other

Would like to express my sincere gratitude to You divine grace...

Without Your mercy upon us, the most fallen We were aimless in our lives, lost in this mirage of haven Krishna 's mercy that he sent us to You as a beacon of light In this dark well of material miseries and plight. Your nectarean words draw us from the cean of nescience We feel safe and secure under Your shelter with Your guidance. Oh beloved spiritual master, I offer my obeisances unto You and pray at Your lotus feet that be our saviour life after life.

Srila Prabhupada, please accept my humble obeisances unto Your lotus feet. By Your unlimited blessings I am able to offer my prayers again this year on the most auspicious appearance day of yours.

As the rising sun immediately dissipates the darkness and fear and brings hope to continue life, similarly Your divine grace always brings a ray of hope for practicing spiritual life in this dangerous material world. In innumerable ways You are trying to bring the condition souls to the shelter of lotus feet of Lord Krishna, our eternal father, but how ignorant am I for not taking the full advantage of it.

The very remembrance of Your supreme glories in the service of Guru and Krishna gives me deep confidence to continue the devotional service. Let a drop of Your unflinching faith in Your guru maharaj be the source of inspiration in my life. Whenever I see Lord Jagannath Ratha Yatra, it immediately triggers the fact that how You conquered the entire world by unfolding the very ancient Chariot Festival to all the continents and bringing joy and great fortune in the lives of misfortune souls! You are expert in giving Krishna to one and all.

Glorious are Your deeds for enabling us to inaugurate the temple amidst many odds. Your presence in Hyderabad is more prominent now. Earlier You have given us Sri Sri Nitai Gauranga and Sri Lakshmi Narasimha to serve, now Sri Sri Radha Govinda. Your mercy is incredible. Your Divine Grace alone can save me from the influence of three modes and thus enable me to serve Their Lordships and Vaishnavas continuously and offenselessly.

So mercifully You have showed us the right path and means to continue on this path. Now let me hold on Your hand and walk on this path to cross over the hurdles of maya. On this auspicious occasion I seek Your guidance, protection and shelter in my spiritual life and also for others serving Your mission sincerely. Life after life I beg this opportunity of serving Your lotus feet by serving Your instructions carefully.

Please accept my humble obeisances!

Your divine blessings I am in the shelter of lotus feet of Lord Sri Krishna and I am an insignificant part in the mission of Sri Chaitanya Mahaprabhu. I can never repay to You. With Your blessings only daily I am able to attend Mangala Aarathi, devotee's association, Krishna prasadam, Lord's beautiful form as Darshan and other Aaratis, nice Kirtans and dance through an unlimited ocean of Krishna consciousness.

Thank You is a very insignificant word for Your causeless mercy. You are accepting my little service to their Lordship and Lord Krishna. Your mercy only I am trying to understand the knowledge of Krishna through Bhagavad-Gita and Srimad Bhagavatam and many other literatures so that I can come out of ignorance because You are the only saviour. You can pick me up from this ocean of material world in which continuously birth and death are taking place.

Your divine contribution of great literatures like Bhagavad-Gita and Srimad Bhagavatam and many other literatures You extend your help to people like me to come out of ignorance and take up Krishna Consciousness seriously. You are the real example of following the instructions of the Spiritual master as life and soul and You showed us that every time through Your life that we have to think about the instructions of Spiritual master but somehow or other I am not able to follow the instructions like following 4 regulative principles strictly but I have full confidence that You only can make me follow the 4 regulative principles. Kindly bless me with the offense-less chanting (suddha nama) daily. You specifically mentioned that these two things are the source of all of Your great translations and purport.

I can't imagine Your causeless mercy that even though I am failing to do suddhanama and follow the 4 regulative principles, still You are giving me service through disciples and organisational structure. Kindly keep me under the mission of Lord Chaitanya and cut the hard knot of family affection and lusty desires or material fall-down which is possible only through Your causeless. I will try to do suddha nama and follow the 4 regulative principles, please guide through my life.

Your aspiring servant,

Sita Natha Dasa

Sivarama Dasa

My Dear Krishna,

Please accept my humble obeisances on this auspicious day. By your mercy, I got the association of pure devotee, who is empowered incarnation of You, who is a sincere servant of Srila Bhaktisiddhanta Saraswati Goswami Maharaj, who is the present messenger of distributing the love of Godhead in this universe, who is very dear to you and Radharani, who is a follower of Rupanuga, He is His Divine Grace Jai Om Visnupada Paramahansa Parivrajakacharya Abhaya Charanaravinda Bhaktivedanta Swami Prabhupada. My dear Krishna, on this auspicious day, please bless me to glorify my Guru Maharaj.

My dear Prabhupada, six years back I was loitering here and there in this world. By your Grace, you brought me here through your disciples. From that day onwards, you are guiding me in the process of self-realization. And my dear Prabhupada, you are guiding me how to come out of this material entanglement.

My dear master, You are guiding me on how to deal with this material world, with the Vaishnavas and Krishna. My dear master, You are guiding me on how to give due respect to every living entity. My dear master, actually I don't have any problem except keeping myself fully in Krishna Consciousness. My dear master, you are guiding me to realize my eternity, knowledge and blissful nature.

My dear master, You are guiding me to realize. Except for my own material mind, nobody is an enemy nor anybody harms me. My dear master, like this you are guiding your disciples all over the world. My dear master, I am such a fool and rascal and I was in a conditioned state, I cannot follow or abide by your instructions fully.

My dear master, by your causeless mercy you brought me here with some purpose. In order to execute that purpose and fulfil that purpose, please use me as you wish.

My dear Krishna, on this auspicious day, please bless me with sufficient spiritual strength and purity in order to fulfil the desires of your pure devotee A.C. Bhaktivedanta Swami Prabhupada.

Thank You,

Fallen soul, Sivarama Dasa

Sri Lalitha Devi Dasi

My respectful Obeisances to A. C. Bhaktivedanta Swami Prabhupada,

I was born in the darkest ignorance and my spiritual master Srila Prabhupada opened my eyes with the torch of knowledge I offer my respectful obeisances unto him.

Since four and half years I am in Krishna consciousness by the mercy of you, Gurudeva, by reading your books by following your instruction, by chanting, by eating prasadam, by distributing your books slowly my soul is getting purified. My temple preachers are also encouraging to read your books and conducting quizzes so that we can read your books more thoroughly to attain some spiritual knowledge. By reading your biography I can understand as a pure devotee you worked hard to fulfill the desire of your spiritual master and your very compassionate towards fallen soul. By this motivation, I am trying to convince the friends and relatives about the importance of Krishna consciousness by sending messages and inviting them to the temple for participating in Krishna consciousness activities. Please give me the patience and knowledge to improve myself to do more services in Krishna consciousness.

Jai Srila Prabhupada

Your servant, Sri Lalitha Devi Dasi

Sri Radha Vallabha Dasa

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to Your Divine Grace,

On this most auspicious day of Your Divine Grace appearance first I thank You from the depth of my heart for accepting me as Your disciple and thus giving a definite path and proper direction to my life.

You're so merciful Prabhupada that You started this world wide Hare Krishna Movement to distributed krsna prema, You make a big revolution. Today I am here because of Your grace otherwise I don't know where would be. I know You protected me so many times. Sometimes I think You are there with me and You coming with me wherever I am going, I know that You always protect Your disciples.

I am very thankful to You. You gave Your mercy to serve a lot of Vaishnavas. Upto the end of this life I want to serve Your mission and all Vaishnavas. If You really think that I can fulfill Your desire, please direct me Prabhupada. You gave us Hare Krishna Maha Mantra, and to get knowledge You gave Your books, You told that You are in Your books, that is also Your mercy to associate with You regularly.

Without fail I am trying to follow Your instructions, and I am trying to chant sincerely, and I am trying to increase the taste in chanting,

Prabhupada You allowed me into Brahmachari life, I will not miss utilize this opportunity. I am begging You for only one thing, up to end of this life I should never deviate from Brahmachari life. If in case, I deviate that should be my death.

I want to follow very strictly without fail which will be possible by Your grace. I am tiny in front of Maya, but that Maya is very very tiny in front You, so You can only protect me and please make me more humble and tolerant in serving Chaitanya Mahaprabhu's mission.

Please bless me with Your auspicious mercy again and again, to fulfill Your further desires and make me strong and faithful by Your grace.

I beg Your Divine Grace to forgive me for all the offenses that I have committed at Your lotus feet and to keep me always in Your service.

Your fallen servant,

Sri Radha Vallabha Dasa

Sridhamasakha Dasa

Dear Srila Prabhupada,

Please accept my humble obeisance at the dust of your lotus feet.

I would like to thank you for keeping me always at the shelter of your lotus feet. Even though I have not qualified and did so many mistakes, still you have kindly accepted me. It has been 6 years I joined your mission. What I learnt is nothing. Still anarthas are haunting us like a beautiful wife attract her husband. I beg for your causeless mercy to come out of it. You are an expert doctor you can easily diagnose my diseases and help me to come out of it.

I was reading Prahlad Maharaj instructions, in that Prahlad Maharaj was telling to his demoniac schoolmates. My dear friends I learnt this Transcendental knowledge about the Supreme Lord from my spiritual master Narada muni when I was in the womb of my mother. And I have strong faith in the words of my spiritual master. Similarly, if you

have the same faith in my words then you will also become self-realized without delay. Here the stress is given about the faith in the words of bonafide spiritual master coming in disciplic succession. You are such a bonafide spiritual master came only for the benefit of all of us. Anyone keeps faith on you and your instructions definitely their life becomes successful. There is no doubt in that. Please give me the strength to follow your instructions and develop faith more and more as we progress in my spiritual life.

Prahlad Maharaj also tells that “How can I give up the service of my Spiritual master”. Similarly, I don’t want to give up your service. The Supreme Personality of Godhead is very dear to the devotees who act according to the instructions of His pure devotee. So, my Lord let me act according the instructions of Srila Prabhupada who is Your pure devotee. Whether I commit mistakes knowingly or unknowingly without becoming depressed about the mistake let me focus on satisfying you by engaging in the devotional service, and at the same time to come out of the disease to commit the mistakes. Devotional service is such a wonderful gift for the entire world. Whoever practice it immediately their path to going Back to Godhead will be cleared.

You know what is better for me. I will simply accept it through the authorities’ system. Sometimes thought may come I can do that service, I can do this service. But I heard in the senior devotee's lectures that the service which comes from authority will purify us more than what service we chose. So that time onwards I stopped asking what I want. Simply I want to execute that. The way you shower your mercy on me, only I can know. Because the mind is restless and thinks so many crazy things, but you saved me to strict to devotional service in any condition of existence.

As the wife does not meet her husband for long days, eagerly waiting for the association with her husband knowing that he is going to come in a short time,

As the hungry man waiting for the food to come and have to fill his stomach and satisfy his hunger,

As the farmer waiting for the monsoon to come after keeping the seeds in the land,

Similarly, this soul is waiting for your causeless mercy more and more to purify my existence and execute your order perfectly for your satisfaction.

What else can I ask Prabhupada?

Your Fallen Servant Sridhamasakha Dasa

Srivasa Pandit Dasa

Dear Srila Prabhupada,

Dandavats Pranam.

Please accept my humble obeisances.

All Glories to You.

I now see that You have showered Your blessings on this fallen soul. Yes, without throwing out this—waste, incapable, jealous, lusty, greedy, materially contaminated soul—You have still kept me in Your mission. You have showered Your blessings—though me an unworthy recipient of it.

Your compassion on the fallen souls has no limits—You are the SAVIOR of the fallen souls for this age. Though my contributions were non-traceable, still I am proud to just be part of Your ARMY.

You have been tolerantly & treating the material disease of this patient over past 11 years and Your PERSEVERANCE as a SPIRITUAL Doctor is applauded. Yes, if the patient is following the instructions of the doctor it’s easy to give treatment. There is little credit for such a doctor. Here, though You give simple curing steps—I still

disobey & don't follow them. Your tools & skills combined with the motherly love-patience & COMPASSION; from the depths of Your heart—again and again, take up the task of curing the souls. This is Your untiring & unflinching DETERMINATION.

This is a very insignificant glorification of Your Divine Soul—who have saved such thousands and thousands of egotistical arrogant souls—with a wonderful combination of Your BRILLIANT WITNESS and loving compassion. Such a miracle, only an Acharya like You—who is sent by Lord on the transcendental mission—could establish.

Not just ending the show with thousands—You have devised Your Brahmastra—BRIHAD MRIDANGA—to pass on this Lila to millions. Just writing these transcendental books itself requires blessings from Vyasadeva himself, but here doing all the things required to establish a worldwide organization in a very short given amount of time—You have in parallel written these books. Hence You are glorified as the *SENAPATI BHAKTA* - Commander in Chief of the Spiritual Army of Sri Chaitanya Mahaprabhu's mission.

Working through the day—in establishing the movement; writing letters, review of preaching across centers, Varnashram Darma, Farming Projects, Temples, Gurukulas, Goshala, Deity worship, Interviews, Guest lectures at colleges, Recording of Srimad Bhagavatam, Morning Walks, Initiations, devotee counselling, travelling countries, health conditions, on top of all these training the devotees in KC principles who are completely neophytes to Sanatana Culture.

Doing all this—during the DAY, one will lay down tired forgetting everything around in sound sleep. Only You, pinched by the loving pain of compassion towards saving fallen souls sacrificed even Your personal bodily comforts of sleep and started the second session - writing those transcendental books; which lay the FOUNDATION of preaching for next 10,000 years of Sri Chaitanya Mahaprabhu's mission. You established—BOOKS ARE THE BASIS.

Now, living in these books You have miraculously extended Your pastimes of delivering the suffering souls. I take pride to be a recipient of this causeless mercy.

Dear Prabhupada, I wanted to serve You. Yes, following Your simple instructions itself is a great service; but being allured by external energy and immemorably victimized by her weapons of illusion, am not able to serve Your Divine Grace. I know, You are carrying the magic wand—"Holy Name", the avatar of Kali-Yuga—which only can help us wade through the ocean of material existence. Kindly shower that blessings of taste towards this—Holy Name; on which I can gain strength to overcome the illusion and serve Your Divine Grace's mission.

Yes, it's soul's desire—backed with Krishna's Will—which can drive us to a destination. Today—on this most auspicious day, I again & again strongly desire to reach the safe destination of being the dust at Your Lotus Feet. I knew, Lord Krishna surely favours His Will over this desire and thus enabling the success of my goal—eternal servant at Your Lotus Feet.

All Glories to You, dear Srila Prabhupada.

Your aspiring servant, Srivasa Pandit Dasa

Sudarshan Narasimha Dasa

ohe! vaisnaba thākura, doyāra sāgara, e dāse korun ā kori' diyā pada-chāyā, śodho he āmāya, tomāra caran a dhorī

Dear Srila Prabhupada,

Please accept my humble obeisances.

All glories to Your Divine Grace.

Let me thank Your Divine Grace first of all for picking me up from this material entanglement and transforming my life from Dharma Artha Kama Moksha to Dharmasya hy āpavargyasya (SB 1.2.9).

Vande Guroh Sri Charanaravindam! Transcendental Varaha incarnation of the Lord came from Vaikunta to uplift the mother earth. Your Divine Grace has come from Goloka to uplift this material boar (hog). How compassionate and magnanimous you are! Tasmai Sri Gurave Namah!!

Realizations bestowed upon me by Your Grace for the spiritual year 2017-18:

❖ How spiritual progress hampers by offending Vaishnavas. Sometimes I wonder how Lord is so sensitive to consider minute offenses committed to His dear devotees. Whenever I commit any offense either knowingly or unknowingly Lord reciprocates to rectify those offenses.

But surprisingly the so-called Guru's made the greatest offense by trying to occupy your position artificially. I don't know how Lord will reciprocate to them for doing that biggest blunder.

❖ Name and fame can't satisfy the Jiva. Only pure devotional service to the Lord gives complete satisfaction.

❖ Many times we want to get free from the pains/clutches of modes of material nature but by Your Divine Grace, I understood that it is also a subtle sense gratification in the line of devotional service.

❖ I realized that pure devotional service can be rendered only in Your movement and it is not possible anywhere in outside.

ācāryaṁ māṁ vijānīyān navamanyeta karhicit na martya-buddhyāsūyeta sarva-deva-mayo guruḥ (SB 11.17.27)

Translation: One should know the ācārya to be myself and never disrespect him in any way. One should not envy him, thinking him an ordinary man, for he is the representative of all the demigods. I am able to see your transcendental position of an acharya more and more compared to the last year.

❖ Krishna says in Bhagavad-Gita "I am the ability in man". We are simply instruments in your hands & Krishna's hands. If that is the case where is the question of jealousy toward other Vaishnavas. Jealous deludes the person who thinks that he is the cause for his so-called success actions/activities. In this way, each and every durguna hampers the spiritual progress of the devotee who dedicated to serving your transcendental mission.

❖ Initially, I was thinking that if I am not purified what is the problem to the society? I am the only person who will sink into the material world. But later by Your Divine Grace's mercy understood that if I am not taking steps to purify myself that indirectly affects your mission to spread KC in this world. So I don't have any other option of delaying my purification. I am bound to purify myself to reach your goal. (Generally, people have a tendency to postpone the things. But in your mission's case that option is also wiped out)

govindam adi-purusham tam aham bhajami.

Many times in Srimad Bhagavatam we come across the various names of the Lord. One among them is Govinda-who gives pleasure to His devotees. I know that I can't call myself a devotee (absolutely there is no doubt on that). But my dearest Lord Sri Swayambhu Sri Lakshmi Narasimha has given so much pleasure to me even though I am unfit for that. His mercy is boundless. I don't have words to call him and glorify him. Many times I feel morose that I couldn't render a tinge of service to Their Lordships. The cause for Their Lordships loving reciprocation is your Divine Grace's kindness. *yat-kripa tam aham vande sri-gurum dina-taranam*

Humble request for bestowing below realizations for the year of 2018-19:

1) Chanting without offenses and want to come at least to Nama-abhasa stage.

2) Few months ago I got a very wonderful dream and in that, I am requesting your grace to give more services. I request you to engage more and more in your mission by blessing with sufficient buddhi and realization. You say

that “ It’s a shame for a king if he dies at home. Similarly, it’s shame for a preacher to die in the ashram”. Bless me to die outside the ashram while preaching.

kṛsna se tomāra, kṛ s n a dīte pāro, tomāra śakati āche

āmi to' kāṅgāla, 'kṛ s n a' 'kṛ s n a' boli', dhāi tava pāche pāche

3) Also, I want to understand and realize the Srimad Bhagavatam and Supreme Personality of Godhead Sri Krishna with full extent, but I am unable to understand properly even a single verse. This is causing me a severe pain in my heart. Please bestow your divine mercy to get more realizations on Bhagavatam and render pure devotional service to Guru and Gauranga.

chaya bega domi', chaya dos a śodhi', chaya gun a deho' dāse chaya sat-saṅga, deho' he āmāre, bosechi saṅgera āśe

4) Many times I feel bad about myself. People associate with devotees to get inspiration to serve the Lord. Because my heart is filled with full of lust (Hrudayam kama rogam), anger, jealous etc. I am actually exchanging my durgunas with them than pure bhakti. I request your grace to make my heart pure so that I can bring many souls to your lotus feet.

5) Please give me the purity and strength to do it. How can I do that if I pray to Maya. You have decided to make 108 temples (of your temples) under the leadership of H.G. MPP. Make me a squirrel to bring some good souls to that mission.

Finally thank You very much for giving an opportunity to serve your grace along with various swans like devotees, festivals, events, holy names, deities and Srimad Bhagavatam under the direction of Your 1st class servant H.G. SGCP.

Your fallen servant,

Sudarshana Narasimha Dasa

Suguna Radha Devi Dasi

Dear Srila Prabhupada.

Please accept my humble obeisance.

All glories to Srila Prabhupada. All glories to you on this auspicious day of your Vyasa-puja.

My dearest Spiritual father Srila Prabhupada, Please accept my humble obeisances at your lotus feet.

You have been so merciful on this most abominable soul. Even though it is 2 years since you gave me diksha, still I am struggling to do my sadhana properly. In one of your letter to a women a disciple, who told you that her life is filled with lots of hurdles you replied back saying her that you hold on to me with one kick I can remove all the hurdles on your path. I pray to you in the same way please give me strength to remember you especially during the toughest times so that I just remember your lotus feet. I know as my father you are always ready to lift me and save me from all my sinful actions but I am such a worst daughter that I never listen to you Prabhupada. I prayed to you to give me the service of distributing unlimited books so that I feel exhausted to pack and give the books and you fulfilled my desire. You gave me the service opportunity to buy lot of things for your office room and many times I wonder why Prabhupada personally choose this abominable soul to give your personal service. It's all because of your unlimited mercy and love towards me and my family Prabhupada.

This year was very special that you came to my house in your murti form and you brought Sri Sri Radha Krishna Chandra to our home. Thank you for all your love Prabhupada. Please kindly empower me to do my sadhana regularly with lot more faith and love at your lotus feet.

Please bless me to distribute more and more of your books Prabhupada.

Begging to remain under the shelter of your lotus feet at all times and aspiring to be your humble servant.

Your most disobedient daughter and the most abominable creature in the entire universe,

My dear Spiritual master Srila Prabhupada,

Please accept my humble obeisances unto Your lotus feet.

All glories unto You.

janame janame sab pitā-mātā pāya,

kṛṣṇa-guru nāhi mile bhaja ei bhāi

In every birth, one can get father and mother, but to get the spiritual master and Kṛishṇa, that is not possible in every birth. That is only possible in this human form.

I was born in the darkest ignorance, and my spiritual master opened my eyes with the torch of knowledge. When I joined your Hare Krishna Movement I didn't have this much enthusiasm but when I got your mercy I lost my habits. I am fully engaged in your devotional service, You gave all spiritual knowledge to us through the books but I am unable to read this books. Please give me strength. You spent day and night your time for writing books but I am unfortunate soul, by your mercy I continue Ashram life last three years. Because of your causeless mercy, I am in Krishna Consciousness otherwise I am a worthless person. I am begging to you to please make continue this life in Krishna Consciousness more and more and engage me in Your Krishna service. I have done so many mistakes in front of you. Please guide me towards the right path. I am very happy when I got this opportunity to serve the mission.

In Sri Sri Sri Gurv-astaka Srila Visvanatha Chkravarthi Thakur says

*sakshad-dharitvena samasta-shastrair, uktas tatha bhavyata eva sadbhihi
kintu prabhor yah priya eva tasya, vande guroh sri-charanaravindam*

The spiritual master is to be honoured as much as the Supreme Lord because he is the most confidential servitor of the Lord. This is acknowledged in all revealed scriptures and followed by all authorities. Therefore I offer my respectful obeisances unto the lotus feet of such a spiritual master, who is a bonafide representative of Sri Hari [Krishna].

*yasya prasada bhagavat-prasado, yasyaprasadan na gatih kuto 'pi
dhyayan stuvams tasya yashas trisandhyam, vande guroh sri-charanaravindam*

By the mercy of the spiritual master, one receives the benediction of Krishna. Without the grace of the spiritual master, one cannot make any advancement. Therefore, I should always remember and praise the spiritual master. At least three times a day I should offer my respectful obeisances unto the lotus feet of my spiritual master.

You gave everything but I am incapable to praise You. I am a fallen soul please bless me.

Dear Srila Prabhupada!

Please Accept My Humble obeisances on this auspicious occasion.

It's our Pleasure to glorify You on Your Appearance day.

You have been to the west to please Your spiritual master and glorify lord in the Holy name but you never glorified yourself as an Acharya.

Lord Krishna is not disclosed to atheists but easily obtained to the devotees but your presence in the west made even atheists got transformed to theists.

Now it's a great fortune for us to glorify Your unlimited glories which we have not done from millions of our previous life.

It's a great asset to be in the Guru Parampara and to receive the instructions from Lord Krishna.

Thank you Srila Prabhupada for giving us this wonderful prasadam which is enjoyed by Lord.

Thank you Srila Prabhupada for giving us this gorgeous deity worship

Thank you Srila Prabhupada for giving us this sweet Sankirtan as ordained by Lord Chaitanya.

Finally, I thank you for allowing me to stay in your community with no qualification in me.

Trying to be Your servant,

Syamakunda Dasa

Vaikunthanatha Dasa

O my beloved spiritual master Srila Prabhupada, only through Your causeless mercy, I am attending daily Mangala arati, Guru puja, Bhagavatam class, Narasimha yajna, Ekadasi parayanam and festival services regularly.

I could understand the philosophy of guru tattva by hearing Your lectures about guru parampara and various pastimes of our previous gurus.

As per this philosophy my understanding is that the guru need not be a living guru but he who influences our spiritual endeavours wherever he is and whose teachings have changed the world from Mayavadi philosophy is the actual guru.

With this I understood that Srila Prabhupada, You are only my spiritual master not only in this century but for ten thousand years as declared by You and life after life.

By reading Srila Prabhupada Lilamrita, I could learn many pastimes out of which I want to share my thoughts, when Srila Prabhupada first met his spiritual master with the help of his friend he felt that he has met a real Guru for his spiritual growth.

He left for USA as per the wish of His spiritual master. One devotee asked him to perform kirtan for recording. Srila Prabhupada was so enthusiastic to accept his first recording of kirtan by Allen in New York. Mrs Allen observed that Prabhupada was energetic and ambitious. His voice was so sweet. Because of that recordings we are able to hear VANDEHAM SRI GURU SRIYUTA PADAKAMALM and many more by Mr Allen of New York city.

As soon as Srila Prabhupada finished his recording, he danced in ecstasy which resembled the dancing of Chaitanya mahaprabhu

Slowly I am trying to inculcate these qualities viz

- 1) enthusiasm
- 2) energetic nature
- 3) ambitious
- 4) sweet voice
- 5) dancing in ecstasy
- 6) to progress in spiritual journey

When ever I pray in dandavat position in front of Srila Prabhupada for help in the progress of my spiritual journey I feel that Srila Prabhupada is guiding me always.

Today I beg at Your lotus feet, Srila Prabhupada to guide me in my spiritual endeavour

to spread Hare Krishna Movement by distributing Your books and offering Krishna prasadam to the people I meet in my spiritual journey and always in all circumstances please enable me to continue daily practice of minimum sixteen rounds of japa yajna without aparadha, strictly following the regulative principles, daily reading of scriptures, hearing Bhagavatam in the association of pure devotees and to follow the instructions of my siksha guru.

I don't know how to thank you for coming to this material world even though this world is meant for prisoners and not for nitya-siddha like you who is fully Krishna Conscious, always aware this world is just padañ padañ yad

vipadām. But you came just to pick this fallen soul who is fully under Maya foolishly thinking and running after, that there is enjoyment here at every step which is nothing but dense forest fire. Still you descended here taking so much suffering for insignificant soul like me who deserve to live eternally at darkest region of this material world and showered mercy of Krishna upon me.

Now one year has passed since I joined your mission to fulfill desire of Lord Chaitanya and your spiritual master but doesn't feel so, years are passing like movement with full adventure, joy, learning which soul killing education system couldn't provide, new, new realization that you are there with us as our eternal father, with association of your devotees, your books, prasadam and so much you have given to me. You have blessed me so much that even greatest danger became adventure and fun and you brought me back to you, I again don't know how to thank to you.

You accepted this most fallen soul as your disciple even though I don't have qualification to understand ABCD of spiritual life. Through your arrangement you sent your devotees and blessed me with your food remnant, your transcendental books in which you live for the benefit of us. You made yourself very easily available to me even though great demigods don't have that opportunity, I again don't know how to thank to you.

To purify myself, fearful Maya is blessing me with ups and downs but I don't worry because I know I have captain in ship who is so expert that by his expertise this ocean of the material world will be like the water contained in a calf's hoof-print. I beg to you if possible please bless this insignificant creature's aspiration to become servant of your servant, if sometime breath ends, let it end in your spiritually authorized organization.

Your eternal servant, aspiring to be always at your lotus feet.

First time when I heard the story of Srila Prabhupada I was shocked how a common man can do such a big activity. Jai Jai Jai Srila Prabhupada! Srila Prabhupada by your mercy & glance I started my spiritual life. It's been a weak following Krishna consciousness in my life. All the things you said is due to your causeless Mercy. I am feeling bad that I wasted lot of time in my life and I would like to spend more time to spread Krishna consciousness.

Begging to remain under the shelter of your Lotus feet at all times and aspiring to be your humble servant.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories and glories unto You on the most auspicious day of vyasa puja 2018.

A bonafide spiritual master is said to be as good as god and even we worship Him in the way we worship the lord. That genuine Guru is none other than You. You have come all the way from Goloka Vrindavana for delivering the

conditioned souls and engage them in Krishna's service in which this tiny, insignificant, unworthy, ignorant soul has been a part due to Your causeless mercy that has been bestowed unto me.

Your ocean of mercy has always been flowing in which I can be successful even if I attempt to take a single drop. The kind of services You have been engaging me in for my purification, practice, learning, improvisation have always seemed as a load on me which I am unable to manage with and realize its importance. Please make this tiny soul understand about the importance of Your mission and Krishna's service.

Your Association is Awesome.

Your Book is a Blowing Bomb.

Your temple is tranquil.

Your guidance is a gunshot.

Your presence is peaceness.

Your disciples are dedicated.

Your lecture is a life.

Your comment is compassion.

Your quotes are query less.

Finally the most I feel the importance of Krishna Consciousness is through Your books. Please bless me in reading Srimad Bhagavatam and even other literatures.

When Maya as illusory energy hangs us unto a hook, Your ocean of mercy drags us to Krishna through Your books.

Dear Srila Prabhupada,

Please accept my humble obeisances, I devoted my valuable life for Krishna Consciousness after knowing my inner real intention about Krishna. And the following Your path, I have now initiated my new holy life with full of enjoyment and enthusiasm. My fore-father used to tell me about Krishna. By his story when I was a child, from

that time I knew, everything of our life needed His touch. After becoming devotee in Your lotus feet I really understood that. And please take my gratitude and grace me life after life that I can go a small step towards Krishna's feet from this material world.

When I read Your books specially 'beyond Birth and Death', I realised that one cannot go to his ultimate goal without Your thoughts, without Holy chants. We are really grateful to You that You gave us by these books. I accepted Your thoughts that I want to spend my whole life into Your lotus feet. Thank You

Please accept my humble obeisance. All glories to Srila Prabhupada. All glories to You on this auspicious day of Your Vyasa Puja. I am in thanking debt to You since You introduced me to Krishna Consciousness. The only way to clear my debt in order to thank You is carry Your mission of spreading Harinam.

I started my sadhana with 1 round daily and finally I reached to 16 rounds but I am sorry to tell that I diverted from the sadhana and still in Maya. I promise You that I will make a great come back again. I am facing lot of challenges since I lack association of devotees. I will take care of it from now on. I will have a check on Your orders in Krishna consciousness.

Srila Prabhupada,

I Thank Lord for sending You here on this great occasion. I Thank Lord for sending His Love, Knowledge and Wisdom through Your Divine Grace A. C. Bhaktivedanta Prabhupada. Please Accept my Respects.

You are one of the greatest souls to be remembered even after Your time on earth. I still remember, I saw copies of 'Bhagwad Gita As It Is' in my Childhood and I am confident that this book has sufficient knowledge to cross all the sorrows, pain and this material world. You existed beyond any country and religion, and taught us the message of living beyond limitations under the grace of Lord. Your Name in Itself describes Your great personality and character. A C stands for Your birth name given by Parents: Abhay Charan means "one who is fearless, having taken shelter at Lord Krishna's feet". BhaktiVedanta is the Title given to You by Gaudiya Vaishnava Society, means "one who has realised that devotional service to the Supreme Lord is the end of all knowledge". And The name by which

You are mostly known today: Prabhupada means "he who has taken the shelter of the lotus feet of the Lord". Your Life have been perfect explanation of Your Name. You are Fearless since You surrendered everything to the Lord, which is why You could Travel to America on a Ship while You faced two heart attacks and established ISKCON, an International movement all alone by the grace of Supreme Lord Krishna.

You always spread the message of Lord. You said Bitter Truths about the Bitter aspect of Humanity and never feared the reaction from the wicked. And the Message inside Your name Bhaktivedanta is truly the end of all knowledge according to my instinct, common sense and research. You have spread this divine message of Lord among many people. You have changed and inspired many lives towards the way to Krishna. Your Greatness can't be described or equated as its the dear gift from Lord.

You truly do live under the lotus feet of Krishna.

We Beg to You to excuse our silly mistakes and welcome us to the spiritual world.

Eager to Learn, Eager to Serve.

Dear Srila Prabhupada.

Please accept my humble obeisance.

All glories to Srila Prabhupada. All glories to you on this auspicious day of your Vyasa-puja.

After joining the Hare Krishna Movement I have started to have more control over my life-time management ability, seeing things in a different way than as I used to see them before. I gradually became more conscious of myself and my surroundings. I started attending various programmes conducted by Vedic Science Club. I never used to read Bhagavad Gita before but after I read it, I am seeing advancement in the understanding of teachings of Lord Krishna. Every day activity became less stressful and smoother when I did some level of service and engaged in Krishna consciousness.

I chant four rounds of Hare Krishna Mahamantra daily. Though every day doing it becomes difficult but I will try to make it regular. I thank the devotees who introduced me this beautiful process of living and made me grow in the path shown by Lord Krishna in whatever way I got all the love from the devotees and they were all supportive in doing the services. I attended the various festivals like Janmashtami, Rama Navami and it was really blissful and I got change in myself after that.

I am trying to read and understand Bhagavad Gita and apply in my daily life as much as possible and in whatever way possible. Chanting has a significant effect on my concentrating ability and has a grade over self control ability. I got to know the Gaudiya Vaishnava Parampara and its teachings in very transcendental way. All glories to our spiritual master His divine Grace A.C. Bhaktivedanta Swami Srila Prabhupada who established a strong foundation for the society. He established 108 temples to preach the Krishna consciousness all over the world. I really thank His Divine Grace.

Begging to remain under the shelter of your Lotus feet at all times and aspiring to be your humble servant

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to Srila Prabhupada. All glories to you on this auspicious day of your Vyasa Puja.

Thanks for keeping me in your shelter (FOLK) for one more year although I'm not all worthy of and providing association of pure devotees (Srila Prabhupada once said that all his disciples were pure devotees).

"The verdict of all revealed scriptures is that by even a moment's association with a pure devotee, one can attain all success." (CC 2.22.54). What to speak of providing an opportunity to associate and stay with devotees who are interested in practicing Krishna consciousness and associate with them? "By associating with a devotee, one awakens his faith in devotional service to Krsna. Because of devotional service, one's dormant love for Krsna awakens, and this one's material, conditioned existence comes to an end (CC 2.22.49)". You gave us an opportunity in putting an end to dangerous material existence which is full of anxieties and miseries. "The value of a moment's association with the devotee of the Lord cannot even be compared to the attainment of heavenly planets or liberation from matter, and what to speak of worldly benedictions in the form of material prosperity, which are for those who are meant for death. (SB 4.30.34)". Thanks for providing this kind of glorious association and giving chance to chant Hare Krishna, worship the Lord, share prasadam, read and discuss the Vedic scriptures, share with one another our efforts to practice spiritual life, and perhaps plan how we can help spread Krishna consciousness.

Among the serious followers of Vedic culture, the majority are mostly interested in materialistic activities, only a few being progressive enough to inquire into the purpose of human life. Out of many millions of such sincere individuals, one may attain salvation. Out of millions of these liberated souls, a pure devotee of the Supreme Personality of Godhead is a very rare to find. You built a largest institution in freely giving this rare sadhu sanga of pure devotees, that is why you are representative of most munificent Sri Chaitanya Mahaprabhu and much more than him.

"And even more unfortunate are the members of the Yadu dynasty because they could not identify Lord Hari as the Personality of Godhead, any more than the fish could identify the moon." (SB 3.2.8). We are so fortunate that we got a lucky chance in understanding that Hari is supreme personality of godhead right from beginning though your Nectarian purports and hear the glories of the Lord from a liberated pure devotee. "Simply by giving aural reception to this Vedic literature, the feeling for loving devotional service to Lord Krishna, the Supreme Personality of Godhead, sprouts up at once to extinguish the fire of lamentation, illusion and fearfulness." (SB 1.7.7). Thanks for giving this Immense Treasure House, Srimad Bhagavatam is Explanation of All Vedic Literature and Supreme among all which is spotless. Each and every word is so meaningful that even if we study throughout your whole life, still we'll find refreshed and relish the transcendental messages. Please give me the strength in continuing to read and assimilate the knowledge in it. You are establishing the real peace in the society by making us hear the subject matter of Srimad-Bhagavatam so that false complexity of materialism is removed and bringing about a

revolution in the impious lives of this world's misdirected civilization. By your grace I got the opportunity of performing devotional service in holy dhams.

Thanks for sending your disciples to guide us and mentor our spiritual lives although I am not able to completely execute the instructions which you are giving through them. Forgive me for all offenses towards devotees and you because of my vicious weeds of rebellious attitude that remain which is the root cause of suffering and leaving Krishna. Though I'm in deep fallen state, Please provide me the strength to fully surrender onto your lotus feet and smash the anarthas and give me the opportunity to serve your movement.

Dear Srila Prabhupada,

Please accept my humble obeisances unto Your lotus feet.All glories to You prabhupada

On this auspicious occasion I would like to thank You for Your causeless mercy showered upon me. This year I have gone through many difficulties. I lost my job but never disappointed and decided to serve the movement by working for Krishna. But all of a sudden I got my job back. Those were very hard times for me. I was in a dilemma to opt the path. but because of my false ego and social gratification I have chosen to work outside which might not be pleasing to You.

Sometimes I feel like that I have cheated You, but the situations demanded me to do so.I hope You understand the situations and You are the only hope for me to get me out of these difficulties. Please continue your causeless mercy on me and give me enough strength to practice Krishna Consciousness nicely even I am entangled in these material

activities. I really don't know how my life is going to be but what I know is to follow Your instructions sincerely and that can be possible only by the mercy of Your divine grace. Thank You very much.

Your most fallen disciple,

Bhakta Bharadwaj

Bhakta Bharat Kumar A

Dear Srila Prabhupada,

My name is A. Bharat Kumar. I am working as a security guard in Next Big Thing company. Before coming to the HKM, I did many foolish things such as when I was in home I used to steal money in home. I don't know because of the influence of Maya I have fallen down. Then I realized my stupid mistake and thought what a fool I was. I was the most unhappy person in the world. I started crying like a child after realising what kind of sin I have committed. I was very unhappy then I came to know about Hare Krishna Movement. I started coming to Sunday classes. First I thought what they are saying is rubbish but after coming to many Sunday classes I came to know that these people are very kind hearted persons unlike material people. These people are good persons who care about fallen souls like me who did stupid things in life and are destroying their God given life. After coming to my senses I came to know there is no happiness in this so called material hell.

I used to eat non-veg every Sunday but after coming to Hare Krishna Movement, I stopped eating non-veg. I realized how harmless animals are suffering because of us. So I stopped eating chicken and other non veg items because I attended Sunday class where I saw the presentations which were given by the Prabhu on screen with my eyes that moved my heart. Then I came to know killing animals without any reason is a sin. So even though my parents forced me to eat meat I flatly refused it and became a vegetarian. I was a meat addictive even then also by the mercy of Srila Prabhupada, I stopped eating non-veg. By attending Sunday classes I came to know about Krishna, the supreme personality of Godhead. I started reading Prabhupada books and slowly my life has changed for the better. My life is filled with happiness after coming to classes. I came to know how can a person be really happy. The only happiness in this world is Krishna consciousness. I did many stupid things in my life. Because of my stupidity many bad people have taken control of me. They used me because of the company of bad people. I became a bad person. I realised by coming to Hare Krishna Movement that I am simply killing myself. If I don't stop the activities I was doing, I will suffer the reaction of my sins. So I stopped doing all those things by the teachings of Hare Krishna Movement classes. I was able to become a good person. Even now it is not too late. I want to dance in temples but due to the legs' pains I am unable to dance. I am doing the chanting. I want to save my soul. I have read the books of 'Nectar of the Holy Name', 'Lord chaitanya-His life teachings' and came to know the value and importance of the human life. Under Your guidance I want to become a better person. Please give me a chance.

Hare Krishna!

Your fallen servant,

Bhakta Chinmay

Dear Srila Prabhupada, I am very pleased and blessed to have your book 'Bhagavad Gita-As It Is'. This book I got first from my father in my childhood when I was in class 8th. In my family we have a tradition to read Vedic scriptures like 'Ramayan', 'Mahabharat', but I found something very special about the book 'Bhagavad Gita-As It Is'. In that book the introduction written by Prabhupada raised certain questions in my mind about the mystery of my origin and me. I read very often Vedic scriptures but those never take my soul but Bhagavad Gita did this. First time I feel the essence of philosophy that 'who am I', 'where from I am coming' and 'what is the purpose of my life'.

In the daily schedule of my life. I forgot about all this things but after long time When I was a master student in Physics I came to know about the mysteries of the universe, those questions again raised up. Still I did not get any answer, but philosopher Kalli Sela properly explained all these Asian descriptors in his books and these books have shown some light in the darkness of my life. In my boyhood and small mind may be I am unable to express all my feeling about Prabhupada and His work, But I feel that knowing this writings changed the concept of living and I found some hope of light about my existence and eternity and feel very blessed for that. Finally I express my humble obeisance to all Krishna devotees and Vaishnavas.

On this most blessed event Sri Vyasa Puja, the appearance day of my beloved spiritual master, I am filled with a sense of gratitude and wonder. I cannot even imagine where my life would be today, If You had not appeared and blessed us all with Your divine benediction. "On this auspicious day I have come with this offering just to worship You, remembering Your lotus feet."

The fact that You have always resided in my heart, and have been my most constant friend and ever well-wisher, even without Your physical presence, proves our eternal relationship with You. So many friends and family have come and gone, but You Srila Prabhupada, have remained in my life as the one constant I could always turn to.

You are present in Your vani: Your books and instructions. You are present still in Your pictures and murti"s. You live in the hearts of Your sincere devotees. You have touched us all so deeply: we cannot help but remember You. Srila Prabhupada, I am most unworthy to have received Your mercy, and because of knowing my insignificance, it has caused me to be even more grateful and appreciative of Your blessings.

In Your Divine Service,

To, The Holy Spirit Srila Prabhupada,

To be humble, I don't know about Lord Krishna and Srila Prabhupada. After joining in the Folk Nivas KPHB I came to know more about Lord Krishna where my spirituality developed. I took the practice of chanting, With this my mind accepted to not to think bad and always reminding me to serve the needies. I have great experience with the Folk teammates. I have been trying to gain knowledge. I thank You Prabhupada for providing me the holy books. I am very grateful to You for giving such a good nutritious prasadam. When Your great spiritual person address me humbly, lovingly and they share their devotional mood with me, I feel that the Lord Krishna is always with me and in my works.

I am very much thankful to my Lord. I am always thinking divine aspect would not leave me and let be the particles for my success in each and every step. My family is very great that they placed me here. I convey that You have enlightened my mind, heart, soul and my body. Feeling very greatly thankful to You,

Your servant and devotee,

Dear Srila Prabhupada,

First of all I thank You for giving me the opportunity to write to You and to write about You.

You have started a great movement ISKCON which is enlightening the world about the Supreme Personality Krishna. Through this moment I also came to know that the supreme personality is Krishna. Previously I had doubt in me about who is the supreme personality. In this way many people like me also getting their doubts clarified. Through this movement people are advancing both in spiritual life and personal life.

You have started this movement at the age of 70 which is not at all possible to the person in this material world. You made impossible as possible. While travelling to America You got two heart-attacks in consecutive days still You haven't given up Your thought by having faith in god. Your faith is just beyond the words. Through Your moment only Akshaya Patra has been aroused which is now feeding many people a healthy meal. Thank You for everything You have done to the humankind like translating Bhagavad Gita and many other scriptures into common language and writing many books which can direct towards spirituality.

I would like to pray to help in development of my faith in God and also in helping others. Please help me in reduce my anger, ego and increase forgiveness quality. Please bless all the world to be happy by practising spirituality.

Dear Srila Prabhupada,

You are the ultimate soul who is guiding us the right path to the divine. by Your grace, I am able to realize that divine is helping me throughout my life. My dear Srila Prabhupada,

Firstly I submit my heartiest humble obeisance unto Your lotus feet.

Srila Prabhupada You are a very hard worker and always work for others' benefits. You went to America to satisfy Your Guru's needs, not Your personal need. You also wanted to spread Krishna Consciousness all over the world, as desired by Your Guru. It was not possible to spread Krishna Consciousness easily, but You made many Krishna devotees to spread Krishna Consciousness. It was amazing that despite you being an old man when people get bone pains and other problems, lying on bed and take rest You made so many Krishna devotees to build 108 temples.

Today we are rich or poor but can not build a single temple even now. We are very fortunate that today we have got a good Guru like You. After entering into our life Prabhupada, we came to know how to chant Hare Krishna Mahamantra. If we are not able to build a temple or not able to spread Krishna Consciousness to others please at least we should go to the temple, that is also great in the Kaliyuga for spiritual advancement & day by day by mercy of Guru one becomes a devotee of Supreme Lord Krishna.

I will be always Your disciple Prabhupada. I would be always in Your lotus feet and please keep me always as a dust or a footwear on Your lotus feet. I remain Your humble servant with tears in eyes.

Your fallen servant, Bhakta K. Devasree

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to Srila Prabhupada. All glories to You on this auspicious day of Your Vyasa Puja.

Prabhupada after touch with You, I have got to know the real purpose and goal of my life. In this duration of Krishna Consciousness life, I have gained a lot of knowledge because of Your causeless mercy. With Your touch even the hippies are transformed into devotees and also they are spreading the Krishna consciousness movement with Hari Nama Sankirtana Yajna.

Because of Your causeless mercy, most of fallen souls have got an opportunity to take Krishna consciousness and You are helping them to deliver from the most miserable condition of material life. Simply by following Your instructions one can go back to Godhead. By Your personal life, You have showed and set an example to the whole world how to follow the Guru's order even with the great difficulties. By Your causeless mercy, austerity and tapasya the whole world got most valuable gift of Krishna Consciousness.

On this very auspicious day I am begging to continue Your causeless mercy on me and make me an instrument in Your mission. My only desire is that I should not be deviated from Krishna consciousness because of maya. Please forgive my offences and provide me shelter under Your lotus feet.

Your humble servant, Bhakta Ganesh. C H

Hare Krishna,

Oh Dear Srila Prabhupada, A tremendous change came in life because of your association by Grace of Krishna.

Oh, What change in life; it became very peaceful by chanting Hare Krishna Maha-mantra. The mantra meditation became a part of my life. I have decreased about worrying about material things.

I am simply happy all day, all the time, every day with new thoughts and mind has become strong and peaceful.

Dear Srila Prabhupada.

Please accept my humble obeisance. All glories to Srila Prabhupada. All glories to You on this 122th auspicious day of Your Vyasa Puja.

I would like to Offer my humble obeisance to my eternal Spiritual master on His appearance day. Please accept my humble obeisances unto Your lotus feet. My dear Master, I am the most fallen of the fallen souls and yet it's Your causeless mercy that is making me write this offering unto You. I have no words to describe Your mercy Oh lord!

Despite of all the sins that I have knowingly committed, by Your mercy I have got another opportunity to read Your books and understand bit by bit that I am not this body and my constitutional position is to serve the Supreme Lord. I know I am not very sincere. I have committed many offenses knowingly and unknowingly. I beg You to forgive me for all the offensive and sinful actions. I beg You to give me strength so that I don't repeat them in the future. Please always keep me under Your shelter and in the association of Your devotees.

"I offer my respectful obeisances unto His Divine Grace A. C. Bhaktivedanta Swami Prabhupada, who is very dear to Lord Krishna, having taken shelter at His lotus feet. Our respectful obeisances are unto You, O spiritual master, servant of Bhaktisiddhanta Sarasvati Gosvami".

Dear Srila Prabhupada,

O Senapati of Lord Chaitanya Mahaprabhu!!

Please accept my most respectful and humble obeisance unto the lotus feet of You. You are most confidential servitor of the Lord. You stand forever in the glory of pure devotional service to Krishna. Your radiance washes away the darkness and illumines in my path. You came here to deliver me and all the fallen souls. I need Your causeless mercy.

As the sun rises in the east and sets at west. But You are the sun who rose from the west of the world. Your divine Lila especially started when the United States got purified by the dust of Your lotus feet. Since this sun rose from the west, it can never set. So Your presence is immortal. The great British empire once declared with its false pride, "Sun doesn't set in the British empire." But the false pride of the emperor was shattered by the Kala rupa of the Lord. Actually You are the real sun of the world who never sets. Just like the Sun, You are also everywhere. This Sun never set in our great kingdom called "Hare Krishna movement".

Finally, Dear Srila Prabhupada I'm Your most unqualified servant, and today I'm pleading you to accept this fallen soul with all lots of ego and bad qualities. Although I'm always failing to follow all your instructions but still You're so mercifully engaging me in Your service. Please do not abandon me for all my nonsense as I do not know anyone than Yourself, dear father. I solely depend on Your lotus feet, kindly do not kick me out and kindly allow this unqualified soul to serve You and Your mission.

All glories to Sri Sri Radha Govinda!! All glories to Sri Sri Nitai gauranga!!

All glories to Sri Sri Krishna Balaram!! All glories to Srila prabhupada!!

Your most unqualified servant, Bhakta Gowtham

Jai Srila Prabhupada,

Please accept my humble obeisance. All Glories unto Your lotus feet.

I am happy to tell You that I have started chanting 16 rounds without fail from last Krishna Janmashtami. As You have told many times in Your books that Krishna Consciousness can bring down the material suffering and can bring peace and harmony within ourselves and within the Society. I have followed Your instructions and could realize that material sufferings are decreasing everyday and there is fewer disturbances from my mind and others.

I am able to honor only prasadam, chant 16 rounds, follow 4 regulative principles and associate with devotees only because of Your causeless mercy.

Even though I had made a plan, thinking that relatives (so called well wishers) will help me, to practice Krishna Consciousness by staying outside of FOLK hostel, You have mercifully smashed the plan and gave me an opportunity to stay in FOLK hostel again. I am so grateful for Your reciprocation, my faith in You and Krishna has increased so much. Currently I am enjoying early morning chanting, association, prasadam and all other aspects of spiritual life. You have given me all the facilities which I couldn't even think of so that I can progress in Krishna Consciousness. I humbly request You to keep me in this association and I will never intentionally misuse this opportunity to progress in Krishna Consciousness. I also thank You for giving me an opportunity to learn Mridangam and Kartal. I will put my heart and soul to learn the same.

Give me enough strength to overcome anarthas like greed, lust, and pride. Give me more mindfulness, intelligence so that I can serve Krishna in better way if You so desire. I have an understanding that I am taking so much energy from KC and I am involved in serving my unending desires, office, friends, and relatives instead of serving Krishna. I beg You to give me an opportunity to serve only Krishna all the time, instead of others.

I have read Your pastimes in books 'Lilamrta' and 'Miracle on Second Avenue'. It brings me so much joy when I read them. If I get an opportunity I would wish to become Your personal servant in my next life, provided I do not have any anarthas, as I do not want to disturb You rather than serving.

I am very happy in Your association and Your representatives association. I am very thankful to You for giving me Krishna Consciousness.

Your Servant,

Bhakta Gurunath Reddy

Dear Srila Prabhupada. Please accept my humble obeisance. All glories to Srila Prabhupada. All glories to you on this auspicious day of your Vyasa-puja.

Every person undergoes an operation or surgery, he gets healed but slowly forgets what he has gone through and carries out his usual activities.

I gave the analogy because Your teachings have impacted my life in every aspect of my life even though I may not perceive something (I got operated) but whenever we hear or read His books, again we get revived and process goes on. We feel lucky to associate with Srila Prabhupada through Vedic Science Club. First thing I noticed is our friends circle has changed. We associate with devotee friends. Second thing is I stopped eating meat easily and the best part is involving and observing in Kirtan, even though I have to still improve the attraction for chanting.

In terms of reciprocation with God in my life I felt the hand of God in many places that is all due to Srila Prabhupada though I did not properly reciprocate with proper address as instructions given to reciprocate with God. Whatever festival activities that are conducted by Hare Krishna movement are the vision of Srila Prabhupada and is properly carried by the present devotees. Vedic Science Club, Hyderabad and FOLK are product of HKM by which thousands of people are getting benefited.

I request and pray to Srila Prabhupada to bless me to properly follow his instruction to better serve His mission and Society.

Begging to remain under the shelter of your Lotus feet at all times and aspiring to be your humble servant.

Dear Srila Prabhupada

All glories to You. Please accept my humble obeisances.

By Your grace this most fallen soul is able to continue his services under You and Your sincere disciples. Guru maharaja, please forgive this fallen soul for committing so many offences at Your lotus feet. Especially I have violated one of the regulative principles. But still it is Your mercy that I'm able to come back again to higher taste i.e Your devotional Service.

I never understand the relation between the Guru and disciple. But by seeing Your constant care & guidance sometimes I'm unable to stop my tears. Even though Your mercy & love on me is like an ocean but I'm able to perceive a drop. I cannot understand Your intention but I'm sure, I'm unfit. I beg You to utilise this mentally and physically limited person to constantly engage in Your service.

I beg Your pardon please don't be angry on me due to my offences and my offensive mentality. shower Your mercy continuously on me to do chanting purely. Executing the services efficiently & with proper consciousness. Please bless me so that in the future I can do something that will make You much more proud of The Hare Krishna Movement. Thank You very much for love & for showing me the path back to Godhead.

Thank You very much,

Paying my humble obeisance on His lotus feet of my dear Spiritual Master Bhakti Vedanta Srila Prabhupada and their Lordships Sri RadhaKrishna Chandra.

I came to know about this Krishna Consciousness Movement (ISKCON) when I was pursuing my BCA in 2007 in Berhampur, Odisha by one of my colleague whose name is Krishna Achary in a institution where we both teaches 5th-10th standard students. At that time I was very new to this movement and after attending every Sunday Satsang Classes in temple and honoring delicious prasadam, my interest was gradually developing to know more about it and it was gradually going on very nicely.

By listening and reading Srimad Bhagavat Gita As It Is rigorously, I realized the effect of the 4 principles of human life and then left all these bad habits - gambling, meat eating, drinking alcohol, smoking and illicit sex which was happened by my insensitiveness, uncontrolled mind and senses what I did for few years and I was no aware of the consequences of them before.

Since last 1 year not eating onion-garlic foods. By Guru and Lord Krishna mercy, I'm preparing myself prasadam and honoring it daily. By Srila Prabhupada's mercifulness and blessings, from the last 5 years I'm practicing the Krishna Consciousness by chanting the holy name "Hare Krishna Maha Mantra" and reading srimad Bhagavad Gita As it is and Bhagavatam regularly, strictly and make progressing in Bhakti path to seek the mercy of my dear Guru and Gauranga as well Sri RadhaKrishna Chandra and blessings of all other Vaishnava Devotees till the last breath of life.

Without the mercy and blessings of Spiritual Master, His guidance and instructions as in His sacred books, I can not able to attain this stage of my life surely there is no doubt of it. Today what I'm is quite different as compare to past 5 years back what I was. These all happened by only the mercy of Guru and Lord.

My humble obeisances to my dear Spiritual Master Srila Prabhupada.

I am most fortunate to write this offering to You as record of the devotee practical knowledge. I feel that because of Your endeavour only this Hare Krishna Movement is getting success.

I am the person who didn't have any Vedic knowledge. After joining the classes of ISKCON I got to know what is the actual Dharma or responsibility as a human being. By the mercy of Srila Prabhupada I got to know Vedic Tradition of India. I am the person who was suffering from this material congested world, You picked me up and gave this knowledge of Vedic tradition of India. I am the person who didn't have any knowledge about the Hare Krishna Mahamantra, You gave me this mantra. Srila Prabhupada You are my spiritual master and father for this Sanatana Dharma. I pay my humble obeisances to my spiritual master again and again.

Dear Srila Prabhupada,

The word 'Krishna' has lots of energy. the name itself is enough to give one courage from the deep end threads, to make one happy from within and outside independent of the situation that is created by the materialistic world, to

make one relieve from the Solitude coming among this 8400000 species to teach one what is life and how to lead life, to develop ahead for one's future.

Dear Srila Prabhupada, thank you for introducing a friend Lord Krishna to me who is everything, for the moments of joy and for the glory of the mantra “Hare Krishna Hare Krishna Krishna Krishna Hare Hare Hare Rama Hare Rama Rama Rama Hare Hare”. This program will make one's life in existence purified.

Bhakta Jivish

Dear Srila Prabhupada,

Please accept the humble obeisances of a most fallen soul.

I can't imagine what would have been my situation if I would not be following Your divine instructions? Leave me aside, how would have been the world without this transcendental knowledge? Who else would have distributed the unlimited mercy of Lord Nityananda and Lord Gauranga all over the world? It was the divine arrangement of Lord that You descended to this world in order to retrace the fallen conditioned souls to their constituent position. As it is stated, 'Jivera Swarup hoye Nityera Krishna Dasa'; and if I would not have been the servant of Your Divine Grace, then definitely I would have been serving the external potency of Krishna, 'Maya' in the most advanced manner. Now when I turn back into my life, I see that the way I got connected to You through Your FOLK Pune three years back is not an ordinary thing. It is stated in the Chaitanya Charitamrita:

brahmāṇḍa bhramite kona bhāgyavān jīva

guru-kṛṣṇa-prasāde pāya bhakti-latā-bīja

A jiva travels all over the world, transmigrates throughout 84 lakh species, and just by the mercy of a bonafide guru he gets the bhakti-lata beej. First of all, it is very rare to get a human form of a body, that too in Bharat Bhumi is even more rare. After that, even more rare thing is to come in touch with a bonafide spiritual master and above all getting associated with His true organisation is even more rare. It can be just understood as there is a turtle somewhere in the ocean and a log of wood with a small hole somewhere in the ocean. The ocean is very vast, there is no possibility if the turtle's head going inside the wooden log. A jiva accepting spiritual life in today's contaminated age is just like turtle's head going inside that wooden log. It was only and only Your mercy that got recruited in Your army. Just like Bhaktivinoda Ṭhākura sings Marobi rakhobi, jo iccha tohara. "Now I have surrendered. If You want, You can kill me. And if You want, You can keep me. That depends on Your free will because You are completely independent". Srila Prabhupada, I have never thought of leaving my family members, I was very much affectionate towards them. But it was Your mercy only that I could realise that my real family consists of Lord and his devotees. I took birth in some particular family, was a part of them for some time, they are very much attached to me. Please guide them Srila Prabhupada to surrender to the Lotus feet of Krishna and please make them understand that whatever I am doing is the best of the best thing. Even the heavenly king Indra doesn't get an opportunity to serve a pure devotee of the Lord, but by Your mercy, I got this opportunity to serve You. In Your army, I am getting ample opportunity to do my Sadhana, to read Your Books, to do little service, Prasadam, Devotee association & Health maintenance. If someone is getting these 6 things, nothing else is required for his happiness. This is real happiness. Please help me Srila Prabhupada, I want to remain happy until the last breath of my life. My only desire is that my dead body should only go out of Your army. Please keep on guiding me always dear Srila Prabhupada.

Dear Srila Prabhupada,

Please accept my humble obeisances, All glories to Srila Prabhupada. All glories to You on this auspicious day of Your Vyasa Puja.

Guruji I'm unfortunate fallen soul because I have got no idea how powerful and merciful the God and His devotees are. I'm most ignorant and arrogant soul, just I've come in touch with Your merciful Hare Krishna Movement which was originally started by most sweetful and merciful avatara of Lord Krishna, Chaitanya Mahaprabhu with his eternal blissful consorts in this most chaotic Kali Yuga to spread the love of GodHead. Thus by the taste of ocean of mercy, I've become so peaceful and happy with a new perception of life where there is no false-ego of mine, it's all God's, Ishavasyam Idam Sarvam.

This Divine Knowledge of Your's made me turn entirely to a new life where I see the wonders of Lord every where, I don't know how vainly I'm living my life until there is realization possible by your vaani with books You authored like Isopanishad, Bhagavad Gita, etc. Unless I surrender to Your and Lord Krishna's Lotus Feet, I cannot live sanely in this world, this Divine Knowledge is acting like fire with which all the ignorance (which previously I thought as knowledge) has put to ashes, I hope I persevere the path of chanting holy names of Lord Hari/Krishna/Gauranga with full devotion as this is the sanatana dharma of the living entity.

By bestowing Your 'Bhakti-Vedanta' knowledge, my life has become successful, thank You so so so much! Shata sahasra vandanam Guruji! Any infinite number of thanks cannot be made equivalent to Your sweet will of sharing Lord's all attractive name Sri Radha Krishna! I'm eternally grateful to you !

Hare Krishna Hare Krishna, Krishna Krishna Hare Hare

Hare Rama Hare Rama, Rama Rama Hare Hare

Begging to remain under the shelter of your Lotus feet at all times and aspiring to be your humble servant.

Your's Loving Servant,

Dear Srila Prabhupada,

Gurudev, I am very fortunate to be a member of Krishna's family by Your path. If You are not there I am incomplete and my life may not have any value, its just because this society is divided by demons and the knowledge is not available to all. Because of You, I receive the right knowledge and in single line I say “my life would be incomplete if I did not have come in touch with ISKCON” which is Your image on earth. I am very happy to be here and You taught me what to eat how to live a good life. Thank You..

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to Srila Prabhupada. All glories to you on this auspicious day of your Vyasa-puja.

I joined Vedic Science Club at IIT-Hyd after coming to the “Sri Krishna Janmashtami Festival” organized by VSC, ODF in 2016. After that festival I started coming weekly to Vedic Science Club.

I Thank You for making me a part of Krishna Consciousness and making my life worthful. I am very grateful to You for giving the Hare Krishna Maha Mantra. I used to forget all my problems i.e. related to assignments, projects, course work after coming to the VSC where my mind used to feel very peaceful.

I am very thankful to You Srila Prabhupada to show us the real knowledge. All the Vedic Scriptures are in Sanskrit or Devanagari language, Prabhupada you have given opportunity to whole world by translating these Vedic Scriptures to many languages which can be easily read & understood. I am very thankful to “Hare Krishna Movement” for feeding the hungry, needy people and providing them delicious & Healthy Krishna Prasadam.

Please bless me to progress in Krishna Consciousness services.

Dear Srila Prabhupada,

Please accept my humble obeisances unto Your lotus feet.

Thank You very much to put torch of spiritual enlightenment on this mad and dirty mind. For awaken this dirty soul You have suffered a lot and I am nothing without You. You taught the real meaning of life otherwise I may go on wasting time and suffer life after life. You are the person who make me aware about my supreme father, friend Krishna. Really i am indebted to You a lot. You are the perfect well wisher of this whole human society. If You don't support us we may spoil our life by hankering for wealth and sense gratification. You taught real happiness which is many times greater than this material pleasure as Yamunacharya said. The kind of love and mercy You show on

these fallen souls really incomparable to anything. Thank You very much for giving chance to touch Your lotus feet. Please bless me to reach Krishna in this life with dirt of Your lotus feet.

Please forgive this soul if I commit any mistake unto You unknowingly.

Dear most Srila Prabhupada,

I don't know from how many years I am in the cycle of birth and death in this material world, You are the one who came to save me and many other souls. Even though I was out of Folk hostel, only by Your unlimited mercy I am able to continue my sadhana and able to have prasadam at least once in a week. You have given the whole world, knowledge of the absolute, eternal happiness and hope. You have bestowed upon us the most valuable treasure, Krishna consciousness. The entire world can lead a happy life under the roof You constructed with Krishna prema. Oh master please give me a chance to serve You and Your disciples through out my life.

Dear Srila Prabhupada,

Please accept my humble obeisances,

All glories to Srila Prabhupada. All glories to Your divine grace".

In this age of Kali, Cultivating spiritual life is the process of fighting against *māyā*. All the *jīvas* including me entangled in this material world by clutches of *māyā*. To deliver such conditioned souls, You made Your divine presence on this auspicious day in this material world as the representative of Lord Krishna to return all fallen souls to supreme abode through Your divine teachings "The love of God".

Dear Prabhupada, Most of cases, I am inspired by Your divine instructions through Your books where incomparable knowledge is being transferred to generations. One of the teachings from Lord Chaitanya Mahaprabhu in Chaitanya Charimrtha Madhyalila Verse 2.108

"jīvera svarūpa haya-kṛṣṇera nitya-dāsa kṛṣṇera taṭasthā-śakti bhedābheda-prakāśa

It is the living entity's constitutional position to be an eternal servant of Krishna because he is the marginal energy of Krishna and a manifestation of simultaneously one and different from the lord."

You self-realized this absolute truth and understood the condition of living entities in this abominable material world. You set up a system by establishing Hare Krishna Movement to transcend themselves to real quality "eternal servant of Lord Krishna." I am one of these *jīvas* on whom showered the ocean of Your mercy to comprehend this truth.

Dear SrilaPrabhupada, Your pastimes are amazing and significant learnings to me. Recently I read one of Your pastime with western devotee "Srila Prabhupada was in New Dwaraka in the spring of 1973. Hearing His Divine Grace ring his bell, I immediately went to his room and offered my obeisances. Pointing to the floor near my legs, he looked at me with wide eyes and great concern. "Do You see that bug?" he asked. Looking around for a few moments, I finally spotted a small insect. I nodded. In a serious voice Srila Prabhupada said, "I have been watching

that bug for some time now and he has not moved. I think he is hungry. Get a prasadam flower and take him outside. Put him on a plant so he can get some nourishment.” It is one of great and indiscriminate quality of Yours showing mercy upon all living souls without any racism. Likewise You are so compassionate on me also, though I am unqualified and insincere in following path led by You. You provided me all facilities to practise Sadhana-bhakti. This is unpaid help ever to me. Only thing what I can do is

vande guroh sri-charanaravindam

I offer my respectful obeisances at Your lotus feet. What I can do is ‘ follow Sadhana-Bhakti which is instructed by You to purify my heart.’

Srila Prabhupada, You are so magnanimous. Being in ignorance I committed many offenses knowingly and unknowingly. Please forgive me and please do not deviate Your attention from me.

Thank You Prabhupada for giving this opportunity.

Jai Srila Prabhupada !!!

Dear Srila Prabhupada,

Please accept my most humble obeisances at Your lotus feet. My self Mahesh Kumar. Actually I don't know the trends and tradition of our Indian culture even though I'm an indian. I Know the regional trends and traditions like festivals, events which are celebrated in our area. I don't know how to perform a puja to god. I belong to vishwakarma family my father is a teacher, some of the incidents has made my father to lose faith on god in his life. My father used to say how to lead a good life, he used to say "do your karma's perfectly everything will be ok". God has given an opportunity to serve the children on this Earth. Teach them good things. Apart from this after getting married I came to know about ISKCON. My wife is a Krishna devotee. After journey of 2 years experience I conclude that this is the perfect way of life to live on this Earth but as I'm growing as a devotee there are so many services to do for God. I am accepting Prabhupada as my spiritual Guru. Hence I'm praying to Prabhupada to please guide me to do the service of Lord krishna. If there are any mistakes please forgive me Gururji.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to You on this auspicious day of Your Vyas Pooja.

First of all one person can't build 108 temples without money, but there comes Srila Prabhupada who built 108 temples all over the world and every person takes rest minimum for 6 hours min. but it was You only who would sleep for around 2 to 3 hours in a day. Human beings cannot control over themselves but Srila Prabhupada controlled Himself and made lots of achievements in very less time.

I don't know about ISKCON but through Prabhupada's lectures and his books I heard about ISKCON. We all think about the material world, But never bothered about the it. Your Akshaya Patra is one of the most liked thing in ISKCON, If we have lots of money then also we cannot do this kind of thing. In my home also I cannot get prasadam like what I am getting here now. I have never eaten such sort of Prasadam in my whole life. By reading Your book

in silent manner, my communication skills increased. I am feeling very happy to stay in Folk hostel. After starting my chanting I almost half controlled my thoughts and sexual desires.

Dear Srila Prabhupada,

The appearance day of Srila Prabhupada is very special day for all ISKCON devotees. Srila Prabhupada appeared on Nandotsav, the day when Nand Maharaja had a big festival to celebrate the birth of Lord Sri Krishna. This day is known as Vyasa Puja because the Vaishnav spiritual master is representative of Vyasadeva, who is the author of Srimad Bhagavatam. the seat of Vyas called the vilasam is where the speaker sets when he is giving the class for the day. Reading the previous year Vyasa Puja offerings made by senior devotees and other devotees gave me some ideas of how to express myself. It's all happening by your Mercy that I came in touch to a devotee, my Folk Preacher. Thank you very much prabhupada for blessings.

Please accept my humble obeisances. All glories to Srila Prabhupada. All glories to You on this auspicious day of Your Vyas Pooja.

By Your merciful last this insignificant soul has got a chance to begin it's spiritual life. You are my spiritual master. By Your grace I came in touch with Krishna consciousness from last 14 months. By listening to Your lectures I realised myself that Krishna is Supreme Personality of Godhead. By Your causeless Mercy I am very attracted to the Hare Krishna Maha Mantra. In this Hare Krishna Movement I am very much interested in Kirtans, dancing, lectures, prasadam and everything. Please provide me shelter under Your Lotus feet. By Your Mercy I got the opportunity to serve the Supreme Personality of Godhead Sri Krishna. I realised the Hare Krishna Maha Mantra chanting value in practical.

I want to serve Krishna more and more. Kindly give me strength to practice Krishna consciousness nicely and also to do services to the moment of Sri Chaitanya Mahaprabhu, The Supreme Personality of Godhead. I am aspiring to become a servant of You so kindly bless me.

Dear Srila Prabhupada.

Please accept my humble obeisance. All glories to Srila Prabhupada. All glories to You on this auspicious day of Your Vyasa-puja.

I am Mehar Babu ravula got introduced to ISKCON in the year 2009 with my friend and college mate in B.Tech. I like the prasadam that he gave me regularly. One day he gifted me Bhagavad Gita As It Is. I like the kirtans and bhajans at Iskcon temple. I used to go to Abids Iskcon Temple. Again in IIT Hyderabad at ODF, I attended Vedic Science Club classes and use to have delicious prasadam. Then Lord Krishna had show special grace on me by starting the Cedec Science Club at Kandi too.

I am visiting Vedic Science Club almost everyday afternoon and night and I am also honouring prasadam there during my working days and this is a great help for me as I am bachelor and staying alone. For me Vedic Science Club prasadam is a great gift by which I could focus and reduce all kinds of bad habits at my place. I observed something that one day after having prasadam at Vedic Science Club the thoughts and the mindset, the desires turned to positive and easily I could chant the Hare Krishna Maha Mantra and something has become very easy and my chanting quality has been improved. This is because of Lord Krishna's Mercy and Krishna prasadam.

Thanks a million times to Lord Krishna and Hare Krishna Movement devotees.

Dear Srila Prabhupada,

It's by the grace of the spiritual master, we can realize God. Kindly accept my humble obeisances.....

I've been to Krishna consciousness from past few months. I've realized this truth long back that we are the part and parcel of supreme. We are the spark of that supreme energy. When a man takes to Krishna consciousness, he tastes the eternal bliss.

There are four important paths to reach God. Karma yoga, bhakti yoga, jnana yoga & Raja yoga. Among these, bhakti yoga is the most important & easiest way to awaken our inner self and realise the absolute. The word 'Bhakti' came from a Sanskrit root word meaning 'to love'. A Bhakti yogi is the one who uses his emotions to reach God. I love the Supreme personality of godhead, Sri Krishna. I love his name, form, teachings, pastimes, opulences and everything. I'm very much connected to Krishna from childhood. Probably that's the reason that pulled me into ISKCON. At every moment, I remember Krishna. Today I'm all this because of His mercy. He is my most intimate friend. Since I'm a yoga trainer, being in this yogic path, I always be, eat & act in the mode of goodness. I always strive for perfection within. May the Supreme Lord bless me with all success.

Every soul living within urges for freedom. A deep desire for liberation. May the Your grace & lord's mercy.. I attain it.

Your humble servant,

Bhakta Meher Kushul

Dear Srila Prabhupada,

Please accept my humble obeisance at the dust of Your Lotus feet.

I would like to thank You for many favors You have done to me. You have taken the soul wasting time in frivolous and abominable activities and showed him what real activity and engagement is. You have showered Your mercy in the form of prasadam on this sinful soul which was only eating agham-papam. You have placed this soul which was hankering for enjoyment and happiness in a right position where they are available in abundance. You have revealed to us the supreme dependable father, who is the father of all fathers and mothers. By doing all the above and Your causeless mercy, You have kicked this soul going haywire in the unstoppable Ferry's wheel of birth and death into a Roller Coaster to the ultimate destination. If I have to get off this roller coaster in between, it is death only that I will face, for although there is no death to soul, it is as good as dead if it cannot progress towards the ultimate destination. I offer my heartfelt deep humble obeisance and wants to offer more for all that You have done to place me and many other souls in right path. I am truly amazed by the force and momentum in the movement You have started. I beg You to give proper understanding, strength, courage and all that is needed for this degraded soul to serve You and Krishna to its full capacity, and guide me throughout my life. I beg You not to give me any time to think of anything that might deviate me from this path towards Krishna.

I once again thank You for catching my hair and dragging me from getting lost in the oblivion of material creation and illusion.

Your fallen aspiring Servant,

Bhakta Mohan Krishna

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to You!

Last year at around this time, I was in Goa committing one of the 4 sinful activities, drinking alcohol and pondering if I should indulge in other illicit activities. I did them hoping that I can find happiness. When I look at myself today, I wonder what would have been my situation had You not given the shelter of Your lotus feet.

I read a sloka which says:

*mukam karoti vachalam, pangum langhayate girim,
yat-kripa tam aham vande, shri-gurum dina-taranam*

Oh my Guru maharaja, You are patita-pavana, deliverer of the most fallen. By Your grace, dumb can speak and lame can cross mountains.

Today, I'm chanting Harinaam and reading some verses of Bhagavad Gita and Srimad Bhagavatam. I'm also probably doing a little service (saying little is over exaggerating) to Your Grace. You gave me an understanding of who is God and what is the purpose of human life. You made countless blind people like me see the reality. You have given me this wonderful opportunity. Just like making a worthless mouse, a tiger.

I don't know what great pious activities I amassed in my previous life(s), that I have been rescued from such an abominable condition. Probably my understanding is wrong. It is not my pious activities that brought me here. But it is Your causeless mercy. I never clearly understood the meaning of causeless mercy but probably this is a clear example of it. I read in many places that You have delivered the utmost fallen conditioned souls from paschachtya

desas. All they had to do was catch Your dhoti. I'm worse than all of them. I don't even want to be delivered. I'm not even following Your instructions sincerely. But out of Your compassion kindly deliver me too!!

Dear Srila Prabhupada,

Before coming in touch with ISKCON culture, my life is normally leading without any hearty love for God. Just visit the temple and pray and that is for simple wishes and thus did not find any truth about God. After attachment with ISKCON and start chanting the powerful, valuable, auspicious Mantra that is 'Hare Krishna Hare Krishna Krishna Krishna Hare Hare Hare Ram Hare Ram Ram Ram Hare Hare'. I don't know what is there in the mantra but I love the mantra and my love towards it increases when I chant with group. And after that I saw photo of Prabhupada in so many ISKCON temples and after knowing what he has done he seems to be real true devotee of Krishna.

What he thought for the future to open Akshaya Patra is really impressing and I heartily touch the lotus feet of Prabhupada. So many people say that one man can not bring any change to the society. But Prabhupada proved that one man with your heart can bring any change and make the impossible event to be possible. I believe that it is great contribution from Prabhupada not only towards God but poor and needy people and he increased the the frame of our country India by spreading Krishna consciousness across world and with the help of ISKCON I found that many youth people are following.

Dear Srila Prabhupada,

Please accept my humble obeisance.

It's indeed my pleasure to write this letter to extend my heartfelt gratitude to You on this auspicious day. I'm truly indebted to You for making me understand the life's ultimate purpose and furthermore demonstrating it through Your very own life. Your life is an exemplary example of how one should lead life. You are my spiritual inspiration. As You say, I could now perceive that Your books are literary forms of Your transcendental ecstasy. I streamlined my book reading during sadhana and have taken book reading as a serious activity. Your purports make the most difficult philosophy easy to understand even for the common man. The transcendental activities You performed during Your physical presence (as stated in Prabhupada book) had made me understand the true meaning of dhira. You are never disturbed, even the cause of disturbance is there.

There is a sense of belongingness prevails in the society You created—It is a true relationship in which people get connected with Krishna through Guru. Your inspiration flows in the entire community. I thank You for establishing such a wonderful organization which is providing an opportunity to people like me to learn life's intricacies. I swear I will work on following Your instructions more sincerely in the coming days. I'm facing physical challenges in following the austerities on which I need to work more focused. I beg You to provide me internal potency to follow Your instructions more sincerely.

Oh Dear Mercy incarnation of the lord! I'm despite fallen; aspiring to follow Your divine instructions.

Begging for Your mercy...

పూజ్యులైన శ్రీల ప్రభుపాదులవారికి,

నేను K.V.R.Naga ganesh వీరాయునది. నేను రాస్తున్న మొట్టమొదటి వ్యాస పూజ లేక. నాకు మీ గురించి లేఖ వీరాయమని చెప్పారు. కానీ మీ గురించి నేను ఎంత చెప్పినా, ఎంత వీరాసినా అది తక్కువ అని నా అభిప్రాయం. మీరు సుమారు 50 సంవత్సరముల క్రితం western country కి వెళ్లి అక్కడ భగవద్గీతను, శ్రీకృష్ణ తత్వాన్ని ప్రచారం చేశారు. అసలు ఈ country లో మన భగవద్గీత శ్రీకృష్ణుడు మొదలగు విషయాలు అసలు తెలియదు, అలాంటి విదేశంలో అక్కడ నివసిస్తున్న ప్రజలకు మీ బోధనల ద్వారా అక్కడ భగవద్గీత, హరి నామమును, జగన్నాథ, బల దేవ, సుభద్ర రథయాత్ర ను మొదలుపెట్టారు అంటే అంత సులువు కాదు.

నేను కీర్తన ద్వారా ఈ మూవ్ మెంట్ కు పరిచయమయ్యాను. ఆ కీర్తన ద్వారా నాకు చాలా సంతోషంగా ఉంది. దీనిలో వీలున్నంత. వరకూ అన్ని పండుగలకు వస్తున్నాను. నేను దీనికి హరేకృష్ణ మూవ్ మెంట్ కు కి వచ్చిన తర్వాత నాకు కొన్ని చెడు అలవాట్లు తగ్గించుకున్నాను. ప్రసాదం తినడం ద్వారా చాలా కొత్తగా మరియు నేను కొత్త కృష్ణ యొక్క తత్వాన్ని, శ్రీల ప్రభుపాద ద్వారా తెలుసుకున్నాను. భగవద్గీత అంటే వినడం అంతే అనుకునేవాడిని, ఇక్కడికి వచ్చిన తరువాత భగవద్గీత శ్రీకృష్ణుడు అర్జునునికి బోధించినది, సుమారు ఇప్పుడు అందరికీ ఏదో ఒక విషయంలో వివరణ ఉంటుంది.

నగర సంకీర్తన చేయడము మంచిదని తెలుసు కానీ, నగర సంకీర్తన ద్వారా మనకే కాకుండా పాడిన వారికి, విన్న వారికి, చూసిన వారికి, కూడా పుణ్యం కలుగుతుందని ఇక్కడే తెలిసింది. హరినామం పలకడం ద్వారా మనం అంటే, ఆత్మ శుద్ధి జరుగుతుంది అని ఇక్కడ తెలిసింది. మనిషి మరియు ఆత్మ అలాగే ఆత్మ & పరమాత్మ (soul & super soul) నీ ఎలా, ఏ విధంగా ఈ సాధన ప్రక్రియ ద్వారా శ్రీకృష్ణుని చేరుకోవచ్చును, అది ప్రభుపాదుల వారు చాలా చక్కగా భగవద్గీత ద్వారా తెలిపినారు

నాకు శ్రీకృష్ణ తత్వమే కాకుండా ఒక మంచి association తో స్నేహ సంబంధం, మరిచిపోలేని అనుభూతి. కలియుగంలో నామ రూపంలో ముక్తిని పొందడం అనేది చాలా చక్కగా శ్రీల ప్రభుపాదులు వివరించారు. శ్రీకృష్ణ ఆశీస్సులు మరియు మీ యొక్క ఆశీస్సులు దీవెనలు నాపై ఎప్పుడు ఉండాలని., ఆ దీవెనలు ఎప్పుడూ తగ్గకుండా, ఇంకా నామీద మీ అనుగ్రహం ఉండాలని అనుకుంటున్నాను.

Dear Srila Prabhupada,

I am very thankful to You because whatever You have done is not at all easy. You have travelled all over the world in different countries giving the knowledge of Bhagavad Gita. At the age of 70 You left our country in order to praise Krishna consciousness. He was sleeping only for 2 hours in a day it's not at all easy for any person of Kalyuga. I am very much proud that I am Your follower I will also try to work more and more and do good bhakti. Thank you so much Srila Prabhupada. Dear Prabhupada,

Please accept my respectful obeisances on Your lotus feet. Out of so many bodies the human body is valuable to reach the reality to know that we are not the body, we are the spirit soul. To know this reality one need the shelter of lotus feet of Guru, one can show the lighting to approach God.

So who is Guru..Na guror adhikam, na guror adhikam, na guror adhikam, na guror edi

Shiva shaasanatah. Beyond the Guru there is nothing. Beyond the Guru there is nothing. Beyond the Guru there is nothing. This is Shiva shaasanatah. Dear Prabhupada You taken the place of Guru by the mercy of Your Guru and Lord Radhakrishnan, and I got the opportunity to glorify You by the name of Vyasa Deva on the occasion of Your appearance day. The Birth given by parents, But to over come from life cycles of Birth and death. Opportunity can be given by only one great personality i.e.. "Guru". By listening the nectar of the great philosophy to know about God.

As per yuga Dharma every, in this present material world, the self realisation one can obtain by simply following Guru's instruction about God.

Dear Srila Prabhupada,

Please accept my most humble obeisances at Your lotus feet.

Although I am not eligible to serve You, this year with Your causeless mercy You allowed me to join the organization which is been taken care by the devotees as per Your instructions. I am eternally indebted to You for this wonderful chance.

I can never perceive the unconditional affection You showered on me. Wherever I am blessed with the association of devotees. You have given us the simplest process of chanting, reading, dancing and honouring maha prasadam.

Your instruction always guide me in all the tough situation. You are the reason for where I am standing today. I am nothing without You. Be it be a happy or distress moment I always accept as Your mercy.

పరమ పూజ్యులు శ్రీల ప్రభుపాదుల వారికి వీరాయనది,

మీరు అంతర్జాతీయ కృష్ణచైతన్య ఉద్యమాన్ని స్థాపించి సంస్థాపకాచార్యులుగా స్థిరపడి మాకు ఏ.సీ. భక్తివేదాంతస్వామి ప్రభుపాదుల వారిగా పరిచయమయ్యారు. మీకు నా హృదయపూర్వక అభినందనలు.

ప్రభుపాదా, మీరు ఇచ్చిన నాలుగు నియమాలు అనగా మాంస నిషేధము అత్యాచారం లేదా వ్యభిచారం, మాదకద్రవ్యాల నిషేధం, తప్పు డు పద్ధతులు ద్వారా ధనార్జన నన్ను చాలా ప్రభావితం చేశాయి. కేవలం అందువల్ల మాత్రమే నాకు నా చైతన్యం లో మార్పు వచ్చింది. మీరు ఇచ్చిన సందేశం వల్ల నాకు జీవితం లో సంతోషం అనేది ఎల్లప్పుడూ దొరక గలదు. సంతోషానికి కృష్ణ చైతన్యం వల్ల అనేకం అని మీ వల్లే తెలిసింది. నిజమైన సంతోషం మరియు నిజమైన సుఖము అంటే ఏమిటో మీ వల్లే నాకు తెలిసింది. ప్రభుపాద! మీ యొక్క సూచనలు నా జీవితాన్నే ప్రభావితం చేశాయి. నా జీవితమే కాదు ప్రభుపాద, మీయొక్క సూచనల్లో ఒక్క సూచనని పాటించినా ప్రపంచమే మారగలదు అనడానికి "మంగళహారతి" యే ఉదాహరణ. ఇందు సందర్భముగా, మీ యొక్క పాదపద్మములలో నాకు చోటు ఇవ్వమని కోరుకుంటున్నాను.

ప్రభుపాద మీయొక్క దయవల్ల కృష్ణచైతన్య ఉద్యమంలో ఎవరైతే పాల్గొంటున్నారో వారు ఎన్నో లాభాలు పొందుతున్నారు. అంతేగాక మానవుని యొక్క లక్ష్యం అంటే ఏమిటో తెలియజేసి, మానవజన్మ యొక్క ఉనికి కేవలం ఆ పరమాత్ముడైన టువంటి శ్రీకృష్ణ భగవానుల పాదపద్మములకే అంకితం చేయమని మీరు సందేశమిచ్చారు. మానవ జన్మ యొక్క ఉపయోగం తెలియక చాలా సమయం వృధా చేశాను. ఇప్పటికీ చేస్తూనే ఉన్నాను కానీ ఎంతోకొంత నా జీవితంలో కొంత సమయం కృష్ణ చైతన్యానికి వినియోగిస్తున్నాను. కానీ నా జీవితం మొత్తం కేవలం కృష్ణ చైతన్యానికి మాత్రమే అంకితం కావాలి. అందుకే మీ యొక్క ఆశీస్సులు నాకు ఎల్లప్పుడూ ఉండాలి.

ఓ ప్రభుపాద మిమ్మల్ని కీర్తించని నా యొక్క. ఈ జన్మ వ్యర్థము. మీ కీర్తిని గ్రహించక నేను చేసే కృష్ణ చైతన్యానికి కూడా విలువ ఉండదు. మీ యొక్క వపు సేవ చేసుకోవడానికి భాగ్యుడినిగాక గాక ఈ జన్మ గడుపుతూ ఉన్నాను. కనీసం మీ యొక్క వాణి సేవైన అయినా చేసుకుని మిమ్మల్ని కీర్తించి మరియు నా యొక్క జీవితాన్ని కృష్ణచైతన్యానికి మాత్రమే వినియోగించడం కోసం నాకు శక్తిని ఇవ్వండి.

ఓ గురువర్యా!, మీ శిష్యుడైన నాకు మీ ఆశీస్సులు ఇవ్వండి. కృష్ణ చైతన్యంలో ఎల్లప్పుడూ చాలా ఉత్తేజంతో, ఉత్సాహంతో, పొంగిపోవాలని, అందుకు గల సహాయం ఏ రూపంలోనైనా అందించండి,

పేరియమైన ప్రభుపాదులవారికి,

నేను కృష్ణ చైతన్యం, ఇస్కాన్ తెలియకముందు, నేను

1.మద్యం తీరాగే వాడిని, నాన్ వెజ్ తినేవాడిని.

2.అహంకారం కోపం ఇతరులతో ఉండేవాడిని.

ఇస్కాన్ పరిచయమైన తరువాత నాన్ వెజ్ మరియు మద్యంకు దూరంగా ఉన్నాను. మిగిలిన సమయంలో ప్రభుపాదుల వారి బుక్స్ చదువుతూ ఉండటం. నా లక్ష్యం భగవద్గీత మరియు భాగవతం ప్రతిరోజు 15మినిట్స్ చదవడం. దీని వలన నేను ఎవరు, నాకు భగవంతుడికి సంబంధం ఏమిటి అని తెలుసుకోగలిగాను. చివరకు మనం అందరం భగవంతుని దామం కృష్ణ లోకం అయిన గోలోక బృందావనం కు చేరడం మన లక్ష్యం. దానికి ప్రతిరోజూ శ్రీల ప్రభుపాదులు వారు నాలుగు నియమాలు ప్రవేశపెట్టారు. మద్యం, జూదం. ఆనియన్ .మాంసం. వెల్లుల్లి. వ్యభిచారం చేయకూడదని చెప్పారు. ఇందులో మద్యం మాంసం వ్యభిచారం చేయకుండా ఉంటున్నాను. ముందు ముందు నేను కూడా తినను.

ఇంకా ప్రభుపాదుల వారి బుక్ చదవడం వలన దేవ దేవుడు శ్రీకృష్ణభగవానుడు. మనం చివరికి ప్రభుపాదుల వారి బుక్స్ మరియు అతని ఉపన్యాసాలు, ప్రవచనాలు, సూచనలను పాటించాలి అని అనుకుంటున్నాను. సాధారణంగా జీవించడం, ఉన్నతంగా ఆలోచించడం, దేవాది దేవుని తిరిగి చేరడం. 24 hours కృష్ణుని గురించి ఆలోచించడం, బుక్స్ చదవడం., ప్రవచనాలు వినడం, హరేకృష్ణ మహా మంత్రం చెప్పడం.

Dear Srila Prabhupada,

We are very much thankful to you because You showed the way to reach Sri Krishna. You are like a bridge to reach this destination.

The chanting is 'smaranam shraavanam' in two forms from of navavidha bhakti marg from Puranas. The prasadam distribution is an ultimate thing in all yuga as it helps to attain the body and help in sustenance. Akshay Patra which is helping so many needy and hungry people by feeding. Whatever You did is only by one thing that is 'Maha Mantra'; apart from this You did not have any other thing, but you proved that this is enough to defeat the bad and poverty and the sins.

Dear Srila Prabhupada.

Please accept my humble obeisance. All glories to Srila Prabhupada. All glories to you on this auspicious day of your Vyasa-puja.

I am happy to be here in Hare Krishna movement. In Hare Krishna teachings especially the Vedic Science Club classes, I have learnt many things which are not taught by any other people. I like the prasadam. It is having something special and even 5 rupees meals program. It is wonderful and even good human restaurant food is not compatible with the prasadam. Every festival is giving me something special and my spiritual awareness and Krishna consciousness is increasing. After coming to Hare Krishna movement my thoughts, activities and association are changing Hare Krishna movement is giving the spiritual knowledge to people who don't know about Lord Krishna is wonderful. The school children are going without empty stomach because of the wonderful program of Akshaya Patra. They are giving spiritual food which is very healthy and it is prasadam. Oh God Krishna please give me strength to chant Your holy name every time.

Oh God please give me strength to remember Your name. Oh God please give more patience to read Your great spiritual Vedic literature. Please give me the knowledge about vedic literature. Please give me remembrance power to always remember Your holy name.

Dear Prabhupada,

Please Accept My Humble Obeisances

Before coming into touch with Your grace, this poor wretched soul is wandering in streets trying to find the sources to squeeze the temporary, ill-pleasing material happiness out of artificial arrangement. I have set goals to become opulent, popular and what not? and in fact started working foolishly and made plans to settle in this ever tossing waves of material miseries.

You have appeared like a sun in deepest darkness and bestowed me the best of knowledge and real path of happiness for me cling to. You have dispelled the mask of misguided ideology that I planned to follow at every step of my life.

Somehow, out of Your causeless mercy, You have touched me and let me take full advantage of this opportunity and follow Your instructions with faith and conviction. I am eternally indebted to You as You have selflessly strived day and night to write transcendental books to teach sense of real knowledge to us. Those books contain the perfect knowledge and everything needed for mankind to live in peace and harmony, cooperate with each other and to be self-content and finally go back to godhead.

You have delivered thousands of lectures relentlessly to deep root all evil and atheistic philosophies and anti-God elements in the society, thus reviving dormant KC in everyone.

Just through Your compassion people of all races, religion, caste, creed, nationality have realized their ultimate purpose of life and started to dovetail their desires, passions to KC this benefiting society and nation.

You have given us everything needed - how to handle material affairs, how to protect and advance in spiritual life, what is a priority and what is not, what is worthy to be lamentable and what is not, what remains eternal, where we should aim and how we should plan. You have led an exemplary life of an acharya.

But, I am so unfortunate and adamant that I do not completely heed to Your life saving & nectarian words and pushing myself into stool like material affairs. I sincerely pray at Your lotus feet to shower Your blessing upon me and give me enough intelligence, will power to practice Your instructions to my best capacity. I humbly request You not to abandon this un-sincere, ignorant and most unfortunate soul. I promise You that I will follow 4 regulative principles till the end of life and I have prayed to clear out all hindrances in material life to serve Your Grace and their Lordships better.

With Your all merciful glance kindly take care of this fallen soul.

Most undeserving & unqualified soul,

శ్రీల ప్రభుపాదుల వారికి వీరాయునది ఏమనగా,

శ్రీల ప్రభుపాదుల వారి వల్ల నేను నేర్చుకుంది, మనం చేసే భక్తి పరమ పూర్వకంగా ఉండాలి కానీ, నటించినట్లు ఉండకూడదు అనేది నేర్చుకున్నాను. ఆంగ్లంలో అనువాదం చేసి తెలుగులో మార్చి ఉంచారు అది మాకు చాలా ఉపయోగపడుతుంది.

మంత్రరాన్ని ఇచ్చి కలియుగంలో కల్మషాలు తొలగిపోతాయి అని ప్రభుపాదుల వారు, Hare krishna మంత్రం ప్రపంచమంతా తెలిసేలాగా చేసినందుకు, అందరూ మంచి మార్గాన్ని ఎంచుకున్నాను .

కానీ ప్రభుపాదుల వారి యొక్క మార్గాన్ని తెలుసుకోవాలని ఉంటుంది.

కానీ నాకు సరిగ్గా చదవటం రాదు, వీరాయటం కూడా రాదు. అందువల్ల నా యొక్క భక్తి వెనుకబడుతుంది. చాలా తెలుసుకోవాలని ఉంది., కానీ గుర్తు ఉండదు. ప్రభుపాదుల వారు నాకు కొంచెం చదువు మరియు జ్ఞాపకశక్తి ని నాకు అందచేయాలని కోరుకుంటున్నాను.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to You on this is auspicious day of Your Vyasa Pooja.

Before I was a very lazy person. Everyday I would skip my work and feel it is easy work. I used to sleep 10 hours everyday, eating Tamoguna food. I never used to have any time table and I used to feel very much comfortable. I used to make my schedule everyday but not able to follow. Every Saturday I started going to temple of Lord Venkateswara. I thought it is real way of God Consciousness. But when I met the Hare Krishna Movement, I came to know what is real Consciousness. By daily chanting of Hare Krishna Mantra 'the pave has been changed to proper roads'.

It's my personal experience after I just started chanting one round daily. It was very hard to chant. My faith gradually increased in Krishna. Within one month I got a real opportunity to work in Vrindavanam as a Folk executive. There I met lots of senior devotees. That day I came to know that devotees have lots of faith in Krishna. I have been wondering without taking one rupee also how they are working. After eating prasadam my life is changing. I offer food to Krishna and eat only Krishna prasadam and I'm not having any health problems. I went to Vrindavan ISKCON. You have really made another planet on Earth. It's all just because of You.

All glories to Srila Prabhupada!

My Dear Srila Prabhupada,

All glories to You on this auspicious day of Your Vyasapuja". Please accept my humble obeisance".

I see You as my grandfather, who has taught many stories about God in my childhood at the time of sleep, who waited all his life to reach God head and left the world in peace. Thereby, I neglected thinking about God in my teens and Younger age, as no one is there to guide me. When I discovered that this life is non-permanent and materialistic, You came into my life to guide me i.e. what is purpose of the human life and how to lead rest of my

life. I couldn't imagine how miserably, my life would have ended without Your mercy and love. My grandfather. tears roll down in love, when I see and feel You anytime. I have earned trillion dollars of knowledge in this life unlike fools, who are happy with materialistic assets thinking they are Supreme Personalities and couldn't recognise KRISHNA and my Dear Spiritual Master and grandfather.

Have mercy on this adorable grandchild, to glorify You in service of Your Lotus feet, give me mental support and wisdom to spread Krishna Consciousness for rest of my life.

"By the mercy of the guru, Even a dumb man can become the greatest orator and even a lame man can cross mountains. So, one should remember this sastric injunction if one desires success in his life."

O Krishna Prestaya, I am feeling very much fortunate to get in touch with You. It is a very rare opportunity to get in touch with a Pure devotee of Lord Krishna in this iron age of kaliyuga.

O Vishnupada, I had very good time in the association of devotees such as Holy dham yatra, Spiritual trips, Maha prasadam feasts and association with like minded people in the community. This is all because of Your ocean of Mercy.

O Bhaktivedanta, Before coming in touch with You, I don't have any goal of life, but now by Your causeless compassion unto me, I have understood the summum bonum of my life. You made Your Vani and Books readily available to everyone at their fingertips. Many of Your excerpt lectures are eye-opening and mind boggling this has helped in improving my chanting quality, inspires me to chant daily and serious practice towards Krishna consciousness philosophy.

I have understood who am I?, Who is God? what is the relationship? how to reach? when to reach? some information regarding spiritual world and various topics. Thank You so much Srila Prabhupada for enlightening me.

O Gurudeva, I beg You to bestow Your benediction unto this insignificant soul and recommend to Lord Krishna and Srimati Radharani to engage me in direct loving devotional service at the end of this life. I beg You the strength to remember Krishna at the time of death.

You are the spiritual master who has established 108 Krishna temples across the globe. You made the Rath Yatra(cart) festival to be known across the world. It is Your dream and inspiration which started in the form of 'Akshaya Patra' which is providing unlimited food to school going children. It is You who made the people to think of Lord Krishna and brought the common man to know about the spiritual world.

Very glad that I have been bestowed with such an opportunity to express my heartfelt love for You. I was in the spiritual pursuit with whatever little service I could do but always had a craving for a Guru who could guide me in every step, although we can feel God himself as a guru. I would be ever grateful to You for whatever You have done to me.

Your Bhagavatam and other books are very helpful for people like me. Thanks for accepting me although I am sinful. I break promises very frequently but even then I promise You that I will take up Krishna Consciousness seriously. I don't think it would be very hard with Your grace. I request You to bring me back whenever I take a wrong path.

Thanks for taking me by hand and making me feel the love of Lord Krishna.

Dear Srila Prabhupada,

There are many contribution done by You. Sky's the limit to describe Your contributions but here I am describing some of them. At the age of 70 years You sacrificed Your life to devotion. You are the first person who has translated Bhagavad Gita in English with its actual meaning. You sacrificed Your desires and Your life to love Krishna. You have written many books and spread the message across the world. We have received many of Your contributions like books and Bhagavad Gita from English. Many poor people are receiving food because of Your contribution. Because of You we have known Bhagavad Gita. I am sincerely praying to God to be a real human being. I like Bhagavad Gita reading and want to be like good human being.

Hare Krishna Prabhu, as when I decided to learn about SRILA PRABHUPADA AND HARE KRISHNA MOVEMENT there were so many thoughts going on but once I stepped in with the guidance of Mukunda Charana Dasa my thoughts became real and pushed me and my family near to KRISHNA and now our day starts with Hare Krishna Mahamantra. Not only us even our kids started chanting by their own.

One thing is very sure that when we started accepting SUPREME LORD as our everything not only we are blessed but we are TOP OF WORLD. Hare Krishna.....

Dear Srila Prabhupada,

We are thankful to You, You gave us direction to reach God. It is very simple way to chant the Holy Name of Mahamantra in Kali Yuga and also giving good lecture of Bhagavad Gita and Mahabharata. How to surrender to God in this Yuga. You give to us best Pooja and Aarti direction. How devotees do Pooja and Aarti and rules and regulations. Once again thanks to You. You told us how to take prasadam like Sathwik. As per Your instruction HKM started Akshaya Patra foundation for poor people. You wrote some good books and gave lectures to many devotees and built 108 temples across the world. You also provided good prasadam for devotees who teaches us best Gyan and nice Kirtan. I want always to be in Krishna consciousness for all my life. Thank You,

Dear Srila Prabhupada.

Please accept my humble obeisance. All glories to Srila Prabhupada. All glories to You on this auspicious day of Your Vyasa-puja.

Initially I never knew the efforts You made towards Krishna consciousness. It is wonderful during my graduation that I met my roommate who was chanting Hare Krishna Maha Mantra and he was never educated about this during that time.

However when I came for my higher studies accidentally I went to Vedic Science Club which was established by Your great blessings. Then I got attracted towards Krishna and Your precious words.

I am always thinking about my career and futuristic plans I have. I came to know many principles of Bhagavad Gita because of You. Your impact during Your entire tenure of Your physical presence and Hare Krishna Movement establishment and Your achievements made me to think about why can't I question?

After hearing Your classes and principles I felt very comfortable and I am able to think bigger and so hard to Lord Krishna and humanity. Recently I was in group of Vedic Science Club devotees and we were talking about spreading Krishna consciousness and suddenly I got wonderful idea that Hare Krishna buses and cabs for spreading Your glory and Krishna consciousness to different parts of the world

I want to know about You that how it is possible to do such immense activities across the world single handedly for Loka Kalyanam and good people of the society.

I am completely changing towards perfection and sometimes I think about my destiny I was in dilemma and confusion because of Your efforts You put in glorifying and purifying the world which made me to think about who am I.

Thanks to Mukunda Prabhu, Braja Bandhu Prabhu and other devotees for helping in carrying out Krishna consciousness

Hare Krishna! Begging to remain under the shelter of Your Lotus feet at all times and aspiring to be Your humble servant.

Please accept my humble obeisances at Your Divine lotus feet.

Dear Prabhupada, You are the only reason if I am able to practice devotional service in this life. Whenever there is an obstacle on my way towards Krishna's service Your books and lectures are slapping and helping me out, I sincerely say I am Chanting my 16 rounds every day blindly with no excuse!! and it's all Your mercy.

As You said in one of the lecture "Never Give up Chanting" May be that is the only string which is keeping me still in touch with the devotees. I am going through so many tribulations from last few months but I don't loose hope and I am sure I'll be back and do my best service at least as a small squirrel in Your Movement. I'm able to see the importance of this human life and I am able to correct myself only because of You. I pray that always be kind and show Your mercy and use me in the best way for Your mission. I request You to give me the strength and courage to become a qualified soldier in Your Gaurasena!!

Let this life of mine have a meaning and no regret at the end of it. Finally, if this fallen soul is able to chant Lord Hari's Name and take part in any devotional service in this life that all credit goes to You and I am indebted to You for this mercy!!

The only thing this fool can say is "Thank You Prabhupada" for showing a path in this world of Darkness !!

Dear Srila Prabhupada,

There were many contribution made by You. You are the founder of ISKCON and have built 108 temples all over the world. You sacrificed your entire life in Krishna's devotion. At the age of 62 years You took Sanyas and You wrote so many books and spread the Vedic knowledge all over the world.

Your servant,

Bhakta Ravi Boyapati

Dear Prabhupada,

Please accept my most humble obeisance and forgive my offences. You are the one who created 'house', Krishna consciousness moment where the whole world can live. With Krishna's and Your mercy I got the opportunity to live in this house where Krishna prasadam, blissful kirtans, chanting the holy names and worship of Radha Govinda are taking place. With this, drastic changes happened in my life like non veg eating, bad habits, bad thinking process left naturally. Because of Your mercy I got association of initiated devotees who surrendered their lives to Krishna, with which I got high level understanding of Bhagavad Gita and I realised the 'power of association of devotees' with which I am easily getting out from the clutches of material pangs (Maya) and quick progress in spirituality.

Dear Prabhupada I request with a humble state of mind that please help me

- 1 To acquire knowledge of Gita and Bhagavatam,
- 2 To gain capability to play Kartal and mridanga to glorify Krishna and spread the holy name,
- 3 To get more and more opportunities to serve the lord.

Thanking you,

Your Servant, Bhakta Ravi Boyapati.

Before you have come into my life, the life of mine was completely different in which I used to follow spiritual injunctions, without much knowledge. Now I can sincerely follow all the spiritual instructions effectively and efficiently. Things got easier and safer after you have come in my life, as I became more dependant on Krishna, as per the instruction of Guru.

I simply surrender myself (soul and body) to the lotus feet of Krishna and Srila Prabhupada. I beg him for more surrender and chance to serve pure Vaishnavas in every possible way.

Thank you Srila Prabhupada and Krishna and My spiritual preacher Abhirama Prabhu and Sahadev Prabhu for their valuable suggestions and guidance to make my life eternal and devoted to Krishna.

When I came to the hostel It was very neat and peaceful. All my roommates are very close and friendly with me. I will daily wake up at 7:00 and till eight o'clock I will finish bathing also. After I go to the temple to do chanting for 10 minutes. Then I read Bhagavad Gita for 15 minutes. After that I take prasadam and go to my work. It's very different hostel I have ever seen in Hyderabad. Chanting is very helpful to me to control my anger and my wrong things also. Daily prasadam is also very delicious and healthy. Please accept my humble obeisances in the dust of Your lotus feet. All glories to Your Divine Grace.

"I offer my respectful obeisances unto His Divine Grace A C Bhaktivedanta Swami Prabhupada, who is very dear to Lord Krishna on this earth, having taken shelter of His lotus feet." "By satisfaction of the spiritual master, the Supreme Personality of Godhead becomes satisfied. And by not satisfying the spiritual master, there is no chance of being promoted to the plane of Kṛṣṇa consciousness. I should, therefore, meditate and pray for his mercy three times a day, and offer my respectful obeisances unto him, my spiritual master." "For one who explains this supreme secret to the devotees, pure devotional service is guaranteed, and at the end he will come to Me."

"There is no servant in this world more dear to Me than he, nor will there ever be one more dear" By Your grace, Srila Prabhupada, thousands upon thousands of lowborn mlecchas and yavanas have been transformed into Vaishnava devotees of the Supreme Personality of Godhead, Lord Sri Kṛṣṇa. By Your grace, Srila Prabhupada, so many persons once attached to grossly sinful activities such as meat-eating, intoxication, gambling and illicit sex life are now blissfully following the rules and regulations of vaidhi-bhakti under Your expert guidance.

By Your grace, Srila Prabhupada, devotees everywhere are now bathing and dressing the Supreme Personality of Godhead in His arca-vigraha form, which is non different from Sri Kṛṣṇa Himself. By Your grace, Srila Prabhupada, devotees from all over the world are regularly traveling to the holy places such as Mayapur, Vrindavan and Mathura, although previously hardly anyone had ever heard of those sacred places. And by Your grace, they are also visiting Sri Radha-Kunda, whose glories are unlimited and which is unobtainable even by great devotees such as Narada and Sanaka.

By Your grace, Srila Prabhupada, scores of atheists and agnostics are now beginning to understand who is God and who is not God. And by Your grace, they are now serving and praying to Him instead of denying and defaming Him. By Your grace, Srila Prabhupada, so many previously lost souls are now going back home, back to Godhead, the eternal abode of the Supreme Lord.

Before I came into contact with KC I was very unhappy, very confused and I was frightened. I didn't understand why there was so much suffering in the world. Everywhere I turned I saw cruelty and pain, misery and hopelessness. Nothing made sense to me. Nothing seemed to have any meaning. I had no idea what my life was meant for. Like everyone around me I tried to find some satisfaction in sense enjoyment but my feeble attempts were always met

with frustration. I constantly felt like something was missing. Then one day I came in touch with KC through book Distribution. Then I purchased Bhagavad gita and Krishna book, attending secret of success workshops and yoga for happiness workshop. then my life was changed. I gave up unwanted habits and associations. Then I joined FOLK nivas and started chanting of Hare Krishna mantra 16 rounds daily and following regulative principles, Attending Temple Programs, doing services, associating with devotees, Reading books for 2 years. Then I realized to render full time service to Lord Chaitanya Maha Prabhu Sankirtana movement. Then I joined as a full devotee.

This is the wonderful year in my entire life, Although I am not qualified but because of Your causeless mercy, I joined a full time missionary in Lord Chaitanya Mahaprabhu Sankirtan movement.

Hare Krsna! Jai Jagannath Baladev Subhadra!

I offer my respectful obeisances to Sri Krishna and Radha Maa and spiritual master Srila Prabhupada. My journey with Krsna consciousness begin in a peculiar way. One day I was watching the temple program and happened to come to Krsna consciousness in a short time. From then many things changed in my life. I felt I was put in the the hands of Krishna and felt protected always from all directions of life.

I really admire His Divine Grace Srila Prabhupada for His selfless service to mankind in bringing us to Krsna consciousness and providing a means to access so publicly that even a layman can acquire the most confidential knowledge that relieves us from material entanglement through Krsna-Prema.

The very first book I read “Perfect Questions and Perfect Answers” and “The Science of Self Realisation” which had a huge impact on me as they showed me different path into spiritual understanding through scientific principles from ‘Bhagavad Gita” and “Srimad Bhagavatam”. Currently, I am reading “The Nectar of Devotion” where Krsna is guiding me through Srila Prabhupada’s books. Finally, I take this opportunity to thank Srila Prabhupada and all his sincere brahmachari devotees whom I came across and who are teaching the message of Lord Krishna.

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to srila prabhupada. All glories to You on this auspicious occasion day of Your Vyasa Puja.”

As representative of Lord Krishna, You have taken this with Your ecstatic devotion where no one could compete with Your love for Krishna bracing translations of Bhagavad Gita and Srimad-bhagavatam made spoon feed to understand the philosophical level of Vedanta. Its Unfortunate that today’s world is missing Your presence and Your essence. Once on hearing of Your lectures regarding soul and supersoul concept of Dead human which still tickles my mind how far we are in this world to attain the spiritual world.

Single handedly being “SUNYASI” in this spiritual society went on preaching to western world and with a very short span of time, construction of 108 temples tells that the soul definitely belongs to Krishna. A round of Hare Krishna maha-mantra chanted in Your Acharya-peetham will make Your presence feel never less.

Being a part of Hare Krishna Movement and a movie an iconic past-times is what with Your devotees abroad is what we miss today. Definitely with Your vision and spiritual path we vow to take and complete our business going back to godhead under Your presence where key is in Your hands only we need to do is to open the lock and follow the path of spiritual line.

You are true acharya who bring who lead with Your own examples by following ethics where we see a today's corrupted Acharya’s who mislead the society with who pretend them as spiritual leaders for transformation of this society any person who is on the verge of death will surely feel at point to have sense gratification or certain fear of nearing to death but ur death video again explain purports of “Geetha” which symbolizes that how much deep understanding between You and Krishna love had made to an extent.

If given a chance to speak words will never stop on the auspicious Vyasa Puja Day taking shelter under Your lotus feet rise high to be Your humble servant.

You are just like father to this ISKCON temple society. You have written many nice books which are very interesting. The Akshaya Patra is giving benefit to all middle class and poor family and 5 rupees meals to all the poor people. Your story always inspires others and it helps growing the Hare Krishna Movement. The prasadam here is wonderful. I am chanting daily 8 rounds and every Sunday 16 rounds. This Hare Krishna Maha Mantra is very energetic and my stress gets released that's why I chant Hare Krishna Mahamantra. By doing devotional services my heart is also getting cleared.

Dear Srila Prabhupada,

Please accept my humble obeisance,

All glories to Srila Prabhupada,

All glories to You on this auspicious day of Your Vyasa-puja.

Spiritual master Srila Prabhupada is playing very important role in my life. It is difficult to tell in words but I want to share some important experiences.

Changes in my life: I started coming to Vedic Science Club in first week of June 2017 still coming continuously. Initially I used to come for prasadam but after some days I started to look into Srila Prabhupada book which are well written and elaborated. I found correct explanations which satisfies my mind as well as intelligence. I stopped non-veg eating completely now. It is entirely one year, I did not touch any non-vegetarian food. I am feeling peace and happiness and it's all because of the prasadam and weekend interaction with devotees

Book reading and chanting: I usually follow Bhagavad Gita for initial routine in which I am continued with Bhakti-yoga and other things before reading Bhagavad Gita. I went through beyond birth and death which excellently explains why we are not this body but we're spirit soul I am trying to complete 4 rounds of chanting Hare Krishna Maha Mantra daily

*Hare Krishna Hare Krishna, Krishna Krishna Hare Hare

O follower of Prabhupada! O personification of Prema! I offer my obeisances to You, the embodiment of mercy, who shower pure bhakti to spread the order of Lord Caitanya

Dear Srila Prabhupada!

Please accept my humble obeisances!

I have realized that my only duty in this life is to somehow increase Your pleasure potency and in turn the pleasure potency of Lord Sri Krishna. By following Your instructions sincerely I am serving Your mission and increasing Your pleasure potency to a very minuscule degree. By Your mercy, I will be able to contribute to a small degree to fulfil Your mission of spreading Krishna consciousness in the town I am residing by distributing Srila Prabhupada's books profusely. Thank You from the bottom of my heart for bestowing Your causeless mercy upon this fallen soul. Even if I give my life away to serve Your mission is nothing compared to what You have given me. I am eternally indebted to You. Please forgive me for all my foolishness and ignorance and offences.

By the grace of Lord Krishna, I was able to render some services on Lord Gouranga's and Lord Sri Krishna's appearance day and on other festivals in our beloved temples. It was very ecstatic to be in association with the other devotees at those times. If it is the will of the Lord again I may be able to do the same in Vrindavan, Mayapur or in any other auspicious –spiritual places. Please bestow Your mercy upon this shameless beggar, who is poor at heart, to always be engaged in Your devotional service and fulfil Your mission.

The spiritual master is to be honoured as much as the Supreme Lord because he is the most confidential servitor of the Lord. This is acknowledged in all revealed scriptures and followed by all authorities. Therefore I offer my respectful obeisances unto the lotus feet of such a spiritual master, who is a bona fide representative of Śrī Hari [Kṛṣṇa].

*“yasya prasadaḥ bhagavat-prasado, yasya prasadan na gatiḥ kuto 'pi
dhyāyan stuvam's tasya yasas tri-sandhyam, vande guroḥ śrī-caranaravindam ”*

By the mercy of the spiritual master, one receives the benediction of Kṛṣṇa. Without the grace of the spiritual master, one cannot make any advancement. Therefore, I should always remember and praise the spiritual master. At least three times a day I should offer my respectful obeisances unto the lotus feet of my spiritual master." Dear Srila Prabhupada.

Please accept my humble obeisance. All glories to Srila Prabhupada. All glories to You on this auspicious day of Your Vyasa-puja.

Dear beloved Spiritual Master, All glories to His Divine Grace Sri A. C. Bhaktivedanta Swami Srila Prabhupada on the auspicious occasion of His transcendental appearance day. Kindly accept my humble obeisances at Your divine lotus feet.

I am very much indebted to You making me as Your disciple and still keeping me in the most righteous path of any Yuga i.e. Krishna Consciousness. Through the Hare Krishna Movement, I have been enjoying my life with lots of

bliss and ecstasy by participating in the devotional trips, festivals, Sankirtana, dances, devotional service and finally in 'serving and honouring the delicious prasadam'. Also I am very grateful to You for giving me chance to stay in Folk Nivas so that I can practice Krishna consciousness regularly in the devotees association and honour Sri Krishna prasadam daily. I am very thankful to You for giving our family an opportunity to worship Nitai-Gauranga deities at our home.

I pray to You to increase my effective chanting, to make me read more and more books written by You so that I can preach Krishna consciousness confidently to more and more fortunate souls. I take this opportunity to thank our beloved shiksha gurus HG Sri Satya Gaura Prabhu, HG Sri Bindu Madhava prabhu, HG Sri Mukunda Charana Prabhu, HG Sri Pradyumna Krishna Prabhu and HG Sri Braja Bandhu Prabhu for their continuous encouragement and preaching Krishna consciousness by creating "Vedic Science Club" in our institute.

Dear Srila Prabhupada,

Please accept my humble obeisance, All glories to Srila Prabhupada, All glories to You on this auspicious day of Your Vyasa-puja.

Srila Prabhupada, I thank You for all the knowledge which You have given to us through Your books and lectures. Please bestow Your mercy upon me so that I can utilize them and become perfect in Krishna consciousness. It all happened a day when I went to Bangalore for a city ride. That day is the day which changed my life style, unknowingly I met my Guru Srila Prabhupada, @ISKCON Bangalore. I felt full of bliss while chanting and entering into the temple once after entering the main temple tears started from my eyes. I stood still by looking at the Deities of the Supreme Lord Kṛṣṇa and Radha matha and I observed so many people were wearing a bag and chanting Hare Kṛṣṇa.

I enquired about it and met a Prabhu and he initiated me with chanting beads and told the process of chanting with some regulative principles. Since then I have never stopped rendering my transcendental services to my Guru Srila Prabhupada. Who has changed my spiritual path. I completed reading Bhagavad Gita and continuing to read again and again. The purports given by His Divine Grace Prabhupada have changed my day to day life. I am blessed by Your merciful glance. Please forgive my offences and protect me always.

Srila Prabhupada, always keep me in the shelter of Your lotus feet, make me chant the holy name attentively, make me follow Your instructions, keep me in the association of devotees and make me engaged in devotional service to Lord Krishna. Seeking Your mercy,

Hare Krishna Hare Krishna, Krishna Krishna Hare Hare

Hare Rama Hare Rama, Rama Rama Hare Hare

Begging to remain under the shelter of Your Lotus feet at all times and aspiring to be Your humble servant.

Jai Gurudev! Srila Prabupada,

Gurur Brahma Gurur Vshinuh, Gururdevo Maheshwarah
Gurur Sakshath Parabrahma, Thasmey sri Guravey namah

Gurudev, it is really difficult to express how fortunate I am. Because of You only I have come to know the real meaning of human life. As it is said in Bagavad Gita, I used to practice Astanga yoga but soon I realized that it is really difficult to continue any more. With the help of His Divine Grace Sridamasakha Prabhu, I started practicing Krishna Consciousness since 2015. Now, I feel that I am fortunate enough to know about so many things (spiritual life and how to reach the supreme personality of Godhead). Chanting of Hare Krishna Maha mantra has made so many changes in me specially the way of thinking or the perception of my mind in day to day life. I am so much happy because I feel that lord Krishna is with me all the times. My sincere thanks to HKM, Banjara Hills for their valuable suggestions, time, patience and knowledge. Gurudev! Your hard work is really invaluable. Your lectures, words, books and the process that You have forwarded to every common man is fortunate and priceless.

Gurudev! Please consider and accept my obeisances onto Your lotus feet. His divine Grace, the Guru, Srila Prabhupada ki Jai,

Yours sincerely,

My dear Srila Prabhupada,

Please accept my humble officers at Your Lotus feet. All glorious to You beloved devotees.

I pay obeisance to Srila Prabhupada with the gratitude on the services done by Him by sacrificing His entire life in the service of Lord Sri Krishna and purpose of mantra and kali yuga to relieve all sins, greedy, and moving our consciousness towards Lord Sri Krishna by chanting Hari Naam Sankirtan. Seeing a disciplinary lifestyle in the way to overcome the stress free with His regulative principles in daily routine life in cooperating them will change mood, behaviour and humility towards the society of any one. Regarding food, it is very delicious and tasty where it is offered to God and then served with the cause to free from hunger with the affordable price to everyone who wants it. I oftenly visited FOLK Niwas for the classes of Bhagavad Gita and their after shifted to FOLK Nivas where there is cool atmosphere with neighbours, food and environment. Where the food which was making us hunger free and to concentrate on rest of work, no looking back to run for work for food like any other. Yatra and trips are enjoyable and are lifelong experiences. Where now I am able to feel much more healthy and doing my work and rest of life activities with much alertness and concentration with moral to new lifestyle. Here once again with the greed free gratitude towards A.C. Bhaktivedanta Swami Prabhupada. Days are going on leading best in everything and leading much more improvement in all routine activities where they bring completeness in life which leads to reach a distressful lifestyle. Thank You,

Your obedient,

Dear Srila Prabhupada,

Please accept my humble obeisance, All glories to Srila Prabhupada, All glories to You on this auspicious day of Your Vyasa-puja.

Before coming to Krishna Consciousness I had so many unanswered questions in my mind, Why I am here? What is Happening? Some unseen force is acting on me? Which I can't control?! Sometimes I felt very direction-less like I am completely dejected with my position. I was eagerly waiting for someone's help in this world. Nothing is happening in my way even though they are trying to help me. Once I met a FOLK Devotee in Hyderabad and he was always saying one class is happening on "How to Control Mind based on Bhagavad-Gita Teachings", so immediately reached there and started attending the class.

Then I started feeling very good inside and got answers for all my questions. Then onwards I started depending on Lord. All these happened because of Hare Krishna Movement started by His Divine Grace A.C Bhaktivedanta Swami Srila Prabhupada. Still I am learning so many things like controlling and tolerating the stress in my life, handling

tough situations without becoming panicky with the guidance of Srila Prabhupada's disciples. Trying to remember Krishna always. With Srila Prabhupada's blessings I am confident of successfully completing this Life.

Begging to remain under the shelter of Your Lotus feet at all times and aspiring to be Your humble servant.

Dear Srila Prabhupada,

In simple words before I met ISKCON, I just know the name of Bhagavad Gita but now I am understanding and very much interesting to Bhagavad Gita and its slokas etc. and I would like to share my all these experiences to my rural villages and I hope they also enjoy a lot. I would like to start Educational Institutes in that at least 30 minute to 45 minute per day. I will educate principles and slokas of Bhagavad Gita. After attached to ISKCON I knew many good things. Thank you Guruji Srila Prabhupada.

Hare Krishna!! Dear Guru deva,

Please accept my sincere obeisance and respect to Your lotus feet even though I am not eligible to do. I am very thankful to You and showing gratitude towards Your causeless mercy in spreading Krishna consciousness throughout the world with Your disciples. You elevated many souls to higher platform from contaminated condition. I have been trying to follow Your four regulative principles but somehow forgetting them sometimes. I am trying to understand the philosophy given by You in all Your books about Lord Krishna and purpose of human life.

I have been doing 16 rounds chanting with failures sometimes. I need Your blessing to chant 16 rounds by overcoming the obstacles. Your brief explanations of teaching of Krishna to Arjuna made us to understand clearly the highest philosophy given by Lord. I am dumb soul and forgetting the philosophy given by Lord Krishna to Arjuna everytime. I need Your mercy to remember it and apply it in my regular life to enhance my qualities and to reach peace of life. I am a sinful person and need Your blessings to serve You, Hare Krishna Movement and Supreme Lord.

All glories unto You, A.C. Bhaktivedanta Srila Prabhupada

Dear Srila Prabhupada,

Please accept my humble obeisances unto Your lotus feet. Firstly I want to thank You for Your mercy in becoming Krishna Conscious. Without it I would not have been. I met Hare Krishna Movement in Hyderabad and then started practicing activities like harinam chanting, reading Prabhupada books etc. Your books show light in this darkness era that will transform from a caterpillar to a spiritually uplifted butterfly. With Your blessings, I have grown spiritually. Chanting has taught me on how to control my mind, engage myself in devotion etc. If I don't chant in the morning, I don't get motivation for the day. And I feel that by doing so my sixth sense has become stronger. Please bless me so that I will be able to do devotional activities till my last.

Dear Srila Prabhupada,

Ever since I was introduced to Krishna Consciousness by a spiritual master coming from the Parampara of you the “pure devotee” of Krishna; I have established a tradition for myself in co-organizing Bhagavad Gita classes at my college in addition to distribution of your books on one of the weekend days. I have also been doing my Sadhana of Chanting the Hare Krishna Maha Mantra regularly. I celebrate important Krishna festivals like Janmashtami, Karthik month, Rath Yatra etc. with great enthusiasm. I have tried to abide by the regulative principles as taught by you, in pursuit of following the four pillars of Dharma namely: mercy, truthfulness, austerity and cleanliness. Of late I have developed a burning desire to go in depth and read the Slokas belonging to certain Adhayayas from your book Bhagavad-gita As It Is. I know it will take several years to gain the knowledge of all your works. I will associate in the company of rest of devotees in order to progress in Krishna consciousness. Bless me with more intelligence for rest of this lifetime in this materialistic world. Also, provide me opportunities to visit Mayapur and Vrindavan as many times as possible.

Dear most Srila Prabhupada,

Please accept my humble obeisances at Your Lotus feet.

All glories to Your Divine Grace on this most auspicious day of Your Vyas Pooja. I had the great fortune of coming in contact with the devotees in 2016. Inspired by Your enthusiasm and cordiality, I visited Your temple in Hyderabad Abids. I found some devotees chanting Hare Krishna Maha Mantra and we saw Bhagavad Gita class going on. After few minutes we took a chanting by grandmother and we started chanting Hare Krishna Maha Mantra 'Hare Krishna Hare Krishna Krishna Krishna Hare Hare Hare Ram Hare Ram Ram Ram Hare Hare'. I chanted one round and felt so happy then slowly I started chanting 4 to 6 rounds. Now I started chanting 16 rounds since last 1 year. Then I joined the Swami Lakshmi Narasimha first Golden temple of Telangana in 2016. My family also joined in Your temple and by Your blessings, my family is also chanting 16 rounds the holy name of Hare Krishna Maha Mantra. Now we attend Your Sunday Bhagwat class, Nagar Sankirtan and yearly we go to some tips in temple. I attended the Chida Dahi festival, Karthik Masa Vanabhojanalu and so many festivals and we take part in Book Distribution and Mahaprasadam cooking, Shri Krishna Janmashtami house program, 6 hours Keertan, Jagannath Rath Yatra and so many other festivals. Also now me and my family is living good. Please show the proper bless me and my family to be happy.

Thank You Srila Prabhupada. I love You. Please let me know if there is any way I can be of service to You,

Dea Srila Prabhupada,

Please accept my humble obeisances, I don't know what I want to write because I am not purified that much but one thing I want to tell that because of chanting I felt that I am getting purified too much because my profession is too dangerous and in some worst times I felt to go and die because sometimes I am getting very big opportunities.

I felt very happy those times but suddenly they replaced with my role. I was very depressed and felt to finish this life. Chanting has given very big support to me, and I am getting very tasty Prasadam. This type of Prasadam I didn't get at anywhere. I am getting daily tasty Prasadam.

My dear Srila Prabhupada, I don't know when I will be here. Sometimes I'm going to shoot, there I am facing too much pressure from my team. They do not believe in God. When I am chanting during shooting, they all disturb me. And this thing is giving me pressure to stop chanting. So please change my team's heart and make them also chant with me. This will make me very happy.

Dear Srila Prabhupada...

I feel immense pleasure to write about our Spiritual Master Sri A.C. Bhaktivedanta Srila Prabhupada on this divine occasion of Vyasa Puja Day. All Glories to Srila Prabhupada.

On this auspicious day. I have come with this offering just to worship You, remembering Your lotus feet.

“Ajnana TimirAndhasya JnanaAnjanaShalaakaaya

Chakshurunmilitam Yena Tasmai Sri Gurave Namaha”

The beginner in devotional service has no ability to solve the dilemma, but You are a maha-bhagavata, You have given us direction.

You give me chance to associate with Krishna’s devotee. You give me chance to serve His devotees. And also You make my life successful by serving directly Krishna only by chanting of Mahamanthra.

“HARE KRISHNA HARE KRISHNA KRISHNA KRISHNA HARE HARE

HARE RAMA HARE RAMA RAMA RAMA HARE HARE”

To see a sense enjoyer is just like drinking poison, but You, O my master, go far and near, even abroad, to give them Your darsana. Mlecchas and Yavanas are forbidden to enter the Hindu temples, but You my Lord, make them chairmen and make them sit in the assembly of devotees.

Hindus are not allowed to cross the ocean, but You send Your devotees overseas to preach. In the cities of Kali-yuga, the instructions of the bona fide spiritual preceptors are forbidden. Still You remain here in any way possible. Whenever there is an increase in population, there in that place preaching is to be found. In London You want a student hostel. You explain that it must be first-class.

In the land of barbarians a student hostel for preaching Hari-Katha! Who can understand the significance of these things? But simply a festival of flowers and fruits does not constitute worship. The one who serves the message of the guru really worships him.

The Vaisnavas are famous as “para dukha dukhi” This fame will increase as the preaching increases. My spiritual master is best of the Vaishnavas, para dukha dukhi. He knows that there is no real happiness in gratifying the senses. The mercy of the Vaisnavas is scientific and authorized, without their mercy this world is simply insurmountable maya. Today my brother devotees get to this task. Save the battered souls by Your preaching. I’m extremely fortunate to come in contact with Krishna Conscious Movement. This has brought about a great change in my life. Although I’m so fallen but Your causeless mercy that I’m in Your movement. Please forgive me for all offenses knowingly and unknowingly that I’ve committed at Your lotus feet by not sincerely following Your instructions. Please forgive me for my countless offenses and give me the strength of not committing same at Your Lotus feet. Please guide me and accept me to the service of "holy-name ".

Srila Prabhupada, please be merciful towards me. Please show compassion and bless me with Your divine blessings to lead this bhava sagara. Hare Krishna.

Dear Srila Prabhupada, My humble obeisances unto you,

This is my third year in Krishna CONsciousness and lots of changes are coming day to day in me because of FOLK hostel. I am following little austerities, waking up in the morning, attending Mangala Arati with full heart, attending Bhagwatam class on daily basis. In this way I am getting very much attached to Krishna. Before coming to FOLK my life was completely different. I have got some knowledge in philosophy and presently I am doing everything with full heart. In day to day activities, I am able to remember Krishna maximum, either in office or in hostel. The real Krishna Consciousness I feel is to become strong in philosophically in mentaliy & physical. All these things You have given to me & Krishna has blessed thus I could go in this path. Thank You for giving me this opportunity to be within Krishna Consciousness.

Dear Srila Prabhupada,

Please accept my humble obeisances at Your lotus feet. All glories to You Srila Prabhupada. All glories to You on this auspicious day of Your Vyasapuja.

Prabhupada, You risked Your life for saving the whole mankind on this earth who are in complete ignorance. I was also one amongst them before I came in touch with Your teachings. Once I started taking Your instructions seriously

I have never looked back again and am trying to follow as much as I can and am still endeavoring to follow to perfection. There was never a day in my last 1 year where I missed reading Your instructions through various channels.

Prabhupada, no one could be ever able to preach the whole world the way You did it. You were so merciful and have showered Your causeless mercy upon all the living entities just like cloud which rains even in desert. I couldn't have ever imagined my life without You Srila Prabhupada. You have given us complete instructions on how to surrender to the supreme Lord Krishna and make our lives more sublime. I would be forever indebted to You Srila Prabhupada.

Even one line in Your books is so potent that it can change the heart of demonic person, just like the way You did it to change the west from Hippies to Happies. Your every Lila is transcendental and we Your servants are always relishing it just like nectar. As Krishna says in Bhagavad-Gita, whenever there is decline in religious practices he descends himself to reclaim the souls. In the same way You have also come to reclaim us who are getting washed away in the waves of material nature.

You have created such a community where people can come and purify themselves to get the real understanding of the Self and thus head back to the Supreme destination. I also take pleasure in having association with pure devotees where You are glorified as the spiritual master and make gradual progress. Whenever there were any challenges, I simply pray to lotus feet, for they can drive away any challenges that comes as a blocker on the path of devotion.

I have committed to You that I will chant 16 rounds daily and read Your books which I am able to carry out only because of Your causeless mercy You have been showering on us constantly. I have also been trying to take austerities as much as I can and I will try to raise the standard of the austerities.

On this auspicious day I beg at Your lotus feet which are leading the fallen souls back to godhead to always keep me always under Your supervision. Just Your glance on us can do wonders in our life and we would be able to follow Your instructions with utmost care and attention. And also, I beg You to please forgive my offences that I have committed out of ignorance. I will make sure to be very cautious and conscious that I don't do them again.

Begging again to please consider me to stay under the shelter of Your lotus feet by which I can remain pure and execute Your orders with utmost care.

Thank You for being our ever well-wisher Srila Prabhupada!

Always aspiring to be Your humble servant,

Dear Srila Prabhupada,

Please accept my humble obeisance, All glories to Srila Prabhupada, All glories to You on this auspicious day of Your Vyasa-puja.

After coming to Vedic science club the main thing which I learnt is the importance of Hare Krishna Maha Mantra chanting. It is very nice way of improving concentration since all of our senses are engaged in a single activity that chanting the holy names of the Lord. Also I learnt so many concepts about our life those are mentioned in Bhagavad Gita.

This is first time in my life that I understood Bhagavad Gita very nicely. Earlier also I learnt some concepts in my home but after coming here all my doubts vanished but still there are lot many things to learn. I really appreciate the job done by Srila Prabhupada to feed so many people and spread the real knowledge.

Hare Krishna Hare Krishna, Krishna Krishna Hare Hare

Hare Rama Hare Rama, Rama Rama Hare Hare

Begging to remain under the shelter of Your Lotus feet at all times and aspiring to be Your humble servant.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to Srila Prabhupada. All glories to You on this auspicious day of Your Vyas Pooja. In everyday life I always chant Hare Krishna Mantra, I hear the Bhagavatam classes on YouTube. These videos help me to divert my mind on Lord Ramachandra and Krishna consciousness. I started to come to ISKCON every Sunday at Abids in Hyderabad. There one prabhu taught Bhagavad Gita classes. I really appreciate these classes. I started following the rules and regulations which prabhu used to tell in class. After the class gets over I used to take prasadam. I was really very happy because the prasadam was wonderful. I really enjoyed ISKCON food because it's very good and pure quality and discipline also know there how to behaviour with others. When I come to attending class my lifestyle changes day by day.

I am also one of the member in this corner and Hare Krishna movement. I am really very happy because of Hare Krishna Movement providing free rooms, food and whole day stay in Hare Krishna provided rooms .

Dear Srila Prabhupada,

Please accept my humble obeisances at Your divine lotus feet. All glories to You on this most auspicious appearance day of Your divine grace.

In this current age of chaos and confusion, Your literary works was like a light touch which guided me towards the right path, in the midst of other paths which was dark and clueless. Me being more curious in the scientific aspect, as a gold standard reference, Your way of living, actions, mercy towards people, and Your works were apt meretriciously for the human conscious to develop and helps in directing towards the ultimate purpose of life .

I thank You for this.

"Simple living and High thinking" and the regulative principles has a lot of meaning deeply and well-made scientifically which actually attracted me to this journey. Without these principles, I might be suffering even not known that I am suffering in the ocean of desires and attachments. In this lifetime, I am blessed to have Your association and hope I will do my best to attain my life goal, with Your blessings. Always in Your Service,

Bhakta Sree Hari Seenivasan

Dear Srila Prabhupada,

You established an eternal path to Godhead with eminent Parampara and provided a trouble-free vehicle in the form of the Hare Krishna Maha Mantra with unlimited seating capacity for uni-directional journey from Bhu-loka to Go-loka. You also provided an excellent shelter for practicing devotion in ISKCON without geographical or religious boundaries. Please bless me to reach spiritual destination.

Dear Spiritual master, His Divine Grace Srila Prabhupada,

How I came in touch with You, master? On 2005 July, Guru Purnima day my friend took me to have darshan of Lord Jagannath Swamy at Abids ISKCON temple. There we purchased a Tulsi Kanthi Mala. Casually I used to wear it on my neck, at that time one devotee told me that if You want to wear kanthi mala You should follow four regulative principles given by spiritual master: (1) No meat eating (2) No intoxication (3) No gambling (4) No Illicit sex.

From that day I am following Srila Prabhupada's rules. By Your grace, I am knowing how to progress in Krishna Consciousness. By Your disciples, I am improving my chanting. Presently, I am doing 16 rounds chanting by Your blessings. In the future I'll improve my book reading & attend the classes by following Your disciples. In the future, by Your Divine Grace, I want to become a disciple by Your initiation in Krishna Consciousness. So please help me to promote more and more Krishna devotees. Hare Krishna! Thanking You...

Your Disciple, Bhakta Ch. Sridhar

Bhakta Sriharsha

My Dear Srila Prabhupada, O Humble one, O Ocean of Mercy, a piece of this Vyasa Puja offering cannot explain my gratitude, relationship with your Divine Grace still, I am writing this letter to just Express my love towards Your Divine Grace.

O Srila Prabhupada, Your Divine Grace's Confidence, Determination in Krishna and Bhakti, even when there was not even a penny in your hand made me deeply introspect within myself on where do I stand in the path of Bhakti. Your Divine Grace's compassion towards all living beings made us stand today as a Vibrant devotee community. Your Divine Grace's Humility made us understand how to develop our behaviour as a Vaishnava. Your Divine Grace's Intellectual Thinking taught us how to preach to the suffering souls. Your Divine Grace's tolerance in difficulty gave us an example on how to tackle difficulties. If I go on describing transcendental qualities of Your Divine Grace, there will be no end to it.

Srila Prabhupada, losing my father at age 10, left me with no one guiding me when I was growing up. In the Midst of this material civilisation, people like me who were brought up by receiving western education couldn't differentiate between sin and a normal act, nor do we learnt about our true self. Our Modern education only taught us how to live a life like animals. How to earn four necessities of life. But it couldn't answer our constitutional position in this vast universe.

As I was bound by all things opposite to regulative principles in search of happiness, I really didn't find happiness. While in search of my true self, I explored various subjects of spirituality. But none gave me answer, Srila

Prabhupada. As I was completely drowning in ocean of Maya, with your books as a rope, Your Divine Grace lifted me up from this ocean of illusion and resuscitated me. Only after an association with your Divine Grace through books, I found all the answers I was searching for and that had my consciousness shaken.

Now, I have Srila Prabhupada as my father guiding me through his books, giving me his divine instructions on how to lead a regulated and happy life at all times by practicing Bhakti Yoga.

Srila Prabhupada, Please shower me Your causeless mercy on me so, so that I can render more service to Your Divine Grace and Hare Krishna movement.

Thank you. Hare Krishna.

Your Servant, Bhakta Dr. Sriharsha.

Dear Srila Prabhupada,

I offer my respectful obeisances to Your Lotus feet. I have no words to show my gratitude towards You. I came to Krishna consciousness in 2016. I completed successfully 2 years in KC. I improved a lot in KC. Daily I am chanting, attending Mangala Aarti, staying in FOLK hostel. and I am so lucky to do service in our Akshaya Patra Foundation which is giving unlimited food for education. After coming to Krishna consciousness my life has been entirely changed because of our Spiritual master Srila Prabhupada. Daily watching profiles videos and reading books which are written by Prabhupada and chanting regularly without fail is very excellent because it changes our life and it teaches our ultimate goal of our life. I introduced some of my friends in Krishna consciousness. They are very happy after coming in touch with Krishna consciousness. They are inspired by our Prabhupada lectures.

It is happening all by Your Mercy that I came in touch to a devotee preacher. Thank You very much Prabhupada for Your blessings.

By the mercy of the spiritual master, one receives the benediction of Krishna. Without the grace of the spiritual master, one cannot make any advancement. Hare Krishna Dear Guru Dev,

On this most auspicious occasion, Please accept my respectful obeisance at Your lotus feet. All glories to Srila Prabhupada. All glories to You on this auspicious day of Your Vyasapuja.

caksur unmilitam yena tasmai sri-gurave namah

I offer my respectful obeisances unto my spiritual master, who has opened my eyes, which were blinded by the darkness of ignorance, with the light of knowledge.

I offer my respectful obeisances unto His Divine Grace A. C. Bhaktivedanta Swami Prabhupada, who is very dear to Lord Krishna, having taken shelter at His lotus feet. I would like to start saying thanks to Dhananjay Prabhu, Gayatri Mataji, Laxmipathi Prabhu, Sheshi Prahu because of whom I am associated with Krishna Consciousness and Gifts Srinagar Team for giving this opportunity. I am not at all qualified to serve Lord Krishna but, because of Krishna's mercy, Prabhupada's blessing. I have got this opportunity through Dhananjay Prabhu. (thank you very much prabhu).

Last year during Vaikunta Ekadasi Gifts Srinagar planned some devotional service at Sri Venkateswara Swamy temple, during which I met with an accident and I fractured clavicle bone because of which I was very much disappointed as I am not in a position to participate in the devotional Service on Vaikunta ekadasi. Not only on that day I was away from all regular devotional activities for about 3 months during this period I had pressure at home to keep away from Krishna consciousness and devotional service.

By the mercy of Lord Krishna, blessing of Prabhupada and prayers of Gifts Srinagar colony well-wisher, I recovered early and am back in the devotional service with more responsible and more dedication to my ability.

I am very fortunate to be associated with Gifts Srinagar Colony. At the same time I feel Gifts Srinagar colony is also greatly blessed because we have Preachers like Dhananjay Prabhu and Gayatri mataji.

I am chanting regularly, but not upto mark trying to improve daily

I am following and listening to lectures and kirtan on weekdays

I am attending the Bhagavad-Gita class in the temple every Saturday

Trying to read the Bhagavad-Gita every day

Sincerely trying to follow the instructions of Dhananjay Prabhu and Gayatri mataji

Thank You so much for giving me this opportunity and looking forward to do more devotional services.

I also request Prabhu to shower his blessings on the entire devotees of Gifts Srinagar colony. Hari Bol....Hare Krishna.....

Dear Srila Prabhupada,

Please accept my humble obeisances at the dust of Your lotus feet.

Thank You very very much for what You had given us & It is only because of Your causeless mercy that You came to this material world and saved us from drowning in the ocean of material miseries. It is only because of Your devotees that I was able to get in touch with Krishna Consciousness which really changed my fate and my life. I really have no words to explain about the mercy You showed up on us. You had given us a proper goal for life and a perfect knowledge to lead the life and come out of our material miseries. Each and every day we spend is only because of Your unlimited causeless mercy, We are fortunate enough to get in contact with a devotee like You.

Even if we take another millions and millions of births and continuously serve You on all those births, we will not be able to repay the mercy You had shown up on us, Even if we are not able to repay You at least 0.0001% for what You had given to us, even though we were are not able to live as You instructed. You are our breath, You are our pulse, and You are our heart beat, we are no more without You. We are currently not able to reciprocate towards the love and compassion You had shown up on us because of the materialistic situations, but still from the bottom of our hearts, we truly feel that we are no more without Your mercy.

If You were not compassionate towards us and not came to this material world, we cannot even imagine what might be the dangerous situation of the world. We will continue to strive to follow in Your disciple succession and make our lives perfect

Dearest Srila Prabhupada,

Please accept humble obeisances from this Dasanudasa at your divine lotus feet. All glories to our most loving and caring Spiritual Master on His divine appearance day "Vyasa Puja". You have appeared on this auspicious day as Sri Vyasa Avatara, the literary incarnation of Lord in this Kali yuga, age of quarrel. Thank you very much for shedding light on path of spiritual and self realization for the fallen conditioned soul.

You have spread the mission and message of Chaitanya Mahaprabhu and Your Guru at the earliest in the universe. You have demonstrated Ratha Yatra in the whole world, wherein Lord Jagannath, Balabhadra, Subhadra devi and Sudarsana are enthroned in a grand Ratha (Cart) for bestowing their mercy to the most fallen souls in the world. By your unprecedented benediction, we are able to chant Mahamantra. However, everyone of us trying to chant the Suddha Nama of the Holy-name. Please shower your mercy and benediction for achieving this. As you have comprehended that, you will be available in your transcendental books, we, fallen servants are trying to distribute Your Books for mankind. By your causeless mercy, you have admonished the instructions of Sastra as it is to the society. Whoever follows your words without any taint, will retain his/her original identity without fail.

This material world has been described in Bhagavad-gita as dukhalayam asasvatam (BG 8.15) -- temporary and miserable. However, you have sent millions of representatives of yours in the form of Shiksha-Guru to save us from

this BhavaSagara. You have enunciated the significance and importance of Maha-mantra in the age of Kali. It is the nature of the Hare Krsna Maha-mantra that anyone who chants it immediately develops his/her loving ecstasy for the supreme personality of Godhead, Krishna. This will create a platform to know our constitutional position and make a smooth pathway to eternal abode, Goloka Vrindavana.

We beg at your lotus feet to shower your blessings to all the fallen servants to proliferate the messages of Their Lordship. Jaya-nitya-lila-pravista om Vishnupada paramahansa parivrajaka acharya ashtottara-shata Shri Srimad His Divine Grace Srila A. C. Bhaktivedanta Swami Maharaja Prabhupada ki jaya. Thank you very much.

Begging to remain under the shelter of your Lotus feet at all times and aspiring to be your humble servant.

I offer my respectful obeisances unto my spiritual master, who has opened my eyes, which were blinded by the darkness of ignorance, with the torchlight of knowledge.

Dear Srila Prabhupada, Please accept my respectful obeisances.

It's time again to honour You the best we can. Although we try we can never really glorify You enough. You are the most important person to come into our lives and the life of devotees for 10,000 years to come. Your divine appearance in this world ushered in the Golden Age of Lord Chaitanya for us who were lost and confused about the goal of life. You stayed up most of the nights writing Your books which show us how to attain the goal of life, love of God. Your books are the law books of spiritual life and will continue to save souls at least throughout this Golden Age of Lord Chaitanya.

In these 3 years of my spiritual journey is full of miracles and loaded with blissful memories it's all because of Your causeless mercy upon me and blessings all Vaishnavas. You are always with for guiding me in every situation, sometimes I have ignored Your instructions, I'm really sorry for that but most of the time I have tried my best to follow Your divine instructions.

I'm so fortunate that I am having You in my life, if Your divine presence is not there in my life, I would be somewhere in the clutches of Maya, only because of Your causeless mercy now am able to chant and being in association of devotees.

Your books are everything to You and everything to us. They are the truth, the way, the light and the love. You were Krishna's instrument writing every chance You got day and night in Your busy schedule. You were always either writing about Krsna or speaking about Krsna to Your devotees and guests. You gave us purpose. You gave us Your 'Matchless Gifts.'

Everyone who reads Your books pleases You and those who follow You and Your books are the most fortunate souls in the world.

Now we are without Your physical presence but You always said associating with You spiritually is most important. Physical presence is nice but temporary, whereas Your spiritual presence is eternal. Please bestow Your causeless mercy upon me and keep me as Your eternal servant. Without You, life would be intolerable, with You, life is the best it can be. Our perfection in life is to please You. Thank You Srila Prabhupada . Thank You for the love of God. Your causeless mercy upon this unfortunate soul.

Dear Srila Prabhupada

Please accept my humble obeisances unto your lotus feet

It's my honor to address some spiritual information earned due to Sri A.C. Bhaktivedanta Prabhupada. Here I am briefly describing the knowledge gained from his lectures and his great scriptures.

Firstly, from the time I heard his name, came to know much information about Krishna and His leelas happened on this planet. Then the real time existence of his disciples such as Sri Krishna Chaitanya etc. The way how these personalities carry on the concern activities to share the knowledge of Krishna consciousness. Then the foundation for ISKCON and the services provided through these organizations. In addition to this, the real life activities how there will be relation to the consequences, not only in this life but also in the next birth. Most importantly, the services are extended through helping common and poor people, especially the school children by installing some foundations. Namely AKSHAYA PATRA doing services in providing mid-day meals through which around 16 lakh people are feeding everyday across our country.

Secondly, the scriptures are educating in the many contests to improvise our practical knowledge. Especially the books namely Bhagavatam and Bhagavad Gita energized our young blooded thoughts. The way how Krishna taught lessons to Arjuna in all contests were excellent. We have been learning and can grasp lot of knowledge from those circumstances.

Nevertheless, his services are providing good route map for a person to reach safest destiny in future that suggested by supreme lord who is unique personality in this universe.

Dear Acharya(Srila Prabhupada),

Please accept my humble obeisances unto Your Lotus feet.

*om ajnana-timirandhasya jnananjana-salakaya
cakshur unmilitam yena tasmai sri-gurave namah*

I offer my respectful obeisances unto my spiritual master, who has opened my eyes, which were blinded by the darkness of ignorance, with the torchlight of knowledge.

Thank You for giving opportunity to serve in Your Movement. This year I joined as Bhakta to practice Bhakti-yoga through Your instructions.

Srila Prabhupada only by Your disciples and Your books I am here in this Hare Krishna Movement. Your Books are giving association with You my dear Acharya. My spiritual life was started with Your blessings and causeless mercy of Krishna. By Your Incredible potential You reclaimed and inspired so many fallen souls to perform devotional service. I am still struggling to render devotional service, I beg to You give strength to render service.

Hare Krishna movement started by Chaitanya Mahaprabhu before 500 years back, but this moment really continue by You, even in the late 70 years You preached all over the world by establishing ISKCON.

Bhagavad Gita and Bhagavatam purports make me to inspire and realise the importance of life. Some questions like 'what is the aim of life?', 'who is the supreme Lord?' 'how can You please Lord?' are answered by You, my dear Srila Prabhupada.

By Your unconditional mercy this fallen soul realised and practicing Bhakti-Yoga. Our aim of life is to know about the Absolute Truth. By Senior devotees' association one comes to know about You and my dear Lord Krishna. Real happiness is to enjoy the spiritual life and serve the Vaishnavas. By following Your orders we are preaching Chaitanya Mahaprabhu cult throughout villages and cities.

Thank You for giving Your shelter and to render devotional service. I am so fortunate to hear and read Bhagavatam and Bhagavad Gita purports. Real happiness is to serve KRISHNA. After so many lives, I am getting this opportunity to surrender to Supreme Personality of Godhead because of You only. I am so inspired by hearing inspirational pastimes of You especially Jaladuta journey, Hippies transformed to devotees by Your preaching, struggle for books printing, spent each penny for Lord Krishna. These all inspired me to join Krishna Consciousness Movement.

A Humble offering to my Spiritual Master Om Vishnupad Paramahamsa.

His Divine Grace Abhay Charanaravinda Bhaktivedanta Swami Prabhupada

Dear Srila Prabhupada, Please Accept My Humble Obeisances,

I've got no idea about how would I thank You for all You've done for me. The number of things You've changed, the way You've improved me, the way You've moulded me into a new person is totally different and I've got no words and nor am I worthy to praise You the way You are supposed to. Even the Vedas sing Your glories. Your so great, munificent and merciful that You've picked up a so deeply fallen soul, in the deepest trench of maya like me and put into the glorious Hare Krishna Movement

My lord I remember and acknowledge from the deepest core of my heart the way You've moulded me from my childhood to be a part of the movement. It's no astonishment that even when I didn't knew who You are, Your and Krishna's hand were already working in my life. Such is Your divine mercy which cannot be perceived by mundane people. May be I had the great fortune to be Your disciple in some of my early lifetimes too and You being very merciful unto me gave me another wonderful chance.

The main phase started when my brother started going to the ISKCON temple at Abids established by Your Divine Grace and started liking the Hare Krishna Mantra and recommending it to everyone. I was so foolish that I didn't recognise Your hand in this activity and would always ignore You and even get undesirable thoughts about You but as it is always said by the devotees and Sastra that You've got some special different eyes unlike people of the mundane world, You didn't see my ignorance and blessed me with Your causeless mercy when I asked You for

bhakti even when I didn't have any idea about what it was, but prayed You for it on account of being forced by my brother.

The way You brought me to the Krishna Consciousness Movement when I was reluctant to come was something out of the world which no one can imagine too.

I was quiet good and sincere (materially) but suddenly got into wrong association and then soon got a girlfriend. I chased her for one year and used to cry like a mentally retarded person day and night just for some 'body' which is made up of blood, stool and urine (I am totally ashamed of myself for all nonsense I've done in the past). But later on bringing me slowly to 16 rounds of chanting You gave me the mercy of detachment (of course I am not fully detached till today but yet I left her). I still remember the day when I was at my friend's house and then got a different view of the scene and according to me it was all Your mercy upon me bringing me to the movement indirectly and saving me from ocean of dangers.

You are in reality the cloud which pours mercy everywhere even on the hardest rock like useless fellow(me) too!

The worst of the tornados would hit me and go,

But each of them, in front of You had to bow.

You've saved me from the darkest of dangers,

Coz You are the Krishna's army's best ranger.

You've done so much for me,

I am ready to do anything at Your plea.

My dear Spiritual Master Its not possible for me to imagine my world without You,

Because the only goal I have today is to satisfy You.

The whole world is burning at stake,

You are the only one who can make them awake.

You are the best warrior,

The one who is universal saviour.

At last my master I've got a single plea,

Kindly hold my hand and please be by the side of me

Please hold it very tight

And help me fight

And never let our relation go

Never let it go

Please never let it go

Your Divine Grace You know everything what is going with me/ I do also know that You can read this letter much before it had come to my mind too. But my Lord I cannot stop from mentioning my problems to You, as You know my Lord when I got into wrong association, I also inculcated few wrong habits and as usual I've got no strength and intelligence to come out of it, my Lord You know what the problem and difficulty is please help me get free of it if You so desire.

Also I've got a desire to have a FOLK building in Kachiguda or Musheerabad which would accommodate 200-300 people and at least a FOLK hostel in Kachiguda.

I am confused a bit regarding my getting into the movement completely (whether it should be now or later)

I am very eager to be initiated by Your Divine Grace, if You could bless me...

Please give me proper intelligence and strength to fulfil such desires matching Your will my lord if You so desire.

Your fallen servant,

Bhakta Surya, FOLK Musheerabad, Hare Krishna Movement, Banjara Hills, Hyderabad.

Dear Srila Prabhupada,

Please accept my humble obeisance, All glories to Srila Prabhupada, All glories to You on this auspicious day of Your Vyasa-puja.

First of all I would like to express my gratitude for transforming me into a better person since last one year. After 4 years of B.Tech I almost forgot to visit temple to seek blessings of God. The faith and Belief in God that was till school time was vanished but after coming to Vedic Science Club where coincidentally I first time came on the day of Shri Krishna Janmashtami festival that feeling of Lord Krishna existence revived in me. After that I try to come for every weekend program which helps me in strengthening my belief in Krishna consciousness also in my day-to-day life. It did have a positive impact when I visit home. I discuss the FOLK lectures with my grandmother who used to tell me stories about Lord Krishna throughout my childhood and also learn to attain inner happiness and way to lead a peaceful life.

The whole event of me coming and associating with Vedic science Club and other devotees would not be possible without Your desire and mercy for which I am forever thankful.

Begging to remain under the shelter of Your Lotus feet at all times and aspiring to be Your humble servant.

My Spiritual master Jagadguru Srila Prabhupada, Dear Guruji,

This letter is being written by a devotee who is being taught the transcendental knowledge explained in the books written by You. Oh saviour of the world! words are not enough to describe the service You have rendered to the mankind which is beyond the scope of goodness and charity. You are the form of Mercy and affection to the mankind shown by Lord Krishna.

The literature which You have gifted to the mankind in form of books and Your lectures have transformed the life of crores of people both spiritually and materially. You have carried out a Revolution in spirituality in the 20th century just like Adi Shankaracharya has done earlier. My master! You have delivered sinful souls to the state of Krishna consciousness and absolve them of sinful reactions. I am Your servant and begging You to give me the desire to serve the Krishna devotees, You and the supreme Lord. Please ask the Lord Krishna to take me back to his world and give me the position whatever he likes in this life itself. Also I beg You to give me enough mindfulness and knowledge to follow spiritual path and make my consciousness purified.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to Srila Prabhupada. All glories to You on this auspicious day of Your Vyasa Pooja.

We all need Krishna Consciousness now-a-days. I am thankful to You for Your great work. actually I came to know about ISKCON and great teachings by my friend N Rajesh. He really explained me about ISKCON and You in a wonderful Manner and made me understand about Lord Sri Krishna in a very easy way. Before joining in ISKCON I was not confident person and afraid of everything but after joining in ISKCON my life has totally change. I am very lucky and blessed by Lord. It's all just because of You. My life has become better. Thanks a lot. At the starting when I heard about Hare Krishna Movement I took it light and I did not use to chant everyday and used to feel anxiety. But when I started chanting Hare Krishna Mahamantra, I observed the change in my behaviour and life. And I have got a lot of confidence upon me to do anything in life. Now I have no fear of anything. God is always with me. Now I realised everything is done for our good. But frequently I have overthinking and anxiety about my future. but when I read Bhagavad Gita and spiritual books I overcome all the negativity from my life. I am Very thankful to You Srila Prabhupada and Lord Krishna.

Dear Srila prabhupada, Please accept my humble obeisances.

2013 is the Year when I first learned about ISKCON, First Time my visit to the temple had happened without any plan. By the time I was in the temple in the evening some Bhajans were going on with very attractive sounds of some instruments and voice of some prabhu. That made me to stay in the temple premises for a longer time. I was completely separated from the present world happenings. How could a whole song be with simple KRISHNA and RAMA names, only these words are the lyrics of the whole long song and I am listening to it without any distortion on myself. I never had such a trance in my life the tune and song occupied my head for almost four days. It made me to visit ISKCON again and again.

In the beginning, I was thinking ISKCON as a chain of temples and restaurants where they preach about KRISHNA and his biography, GITA etc. I never know how much hard work, pain and sacrifice made by You to establish such a spiritual foundation starting in abroad nations and making it world famous and helping the people to realize the importance of the KRISHNA and his consciousness in their lives for their well being. Whenever I learn about Your dedication to KRISHNA consciousness through various snippets the feeling is very fresh and happy. It never bored me inspite it drags me to explore a lit bit more even after I know about KRISHNA consciousness and its importance. I feel myself a little far away from the path may be due to my present life style which is with full of anxiety and curiosity about my

further life I mean future days. All my life, I had a haphazard lifestyle that is costing me now. I know that with god's consciousness I can overcome this hurdle. I am spending my time and energy to this. I just want KRISHNA and his help always with me and Your blessings to move ahead in my life. I feel if I had been in KRISHNA consciousness very early in my life, I would be enjoying a different way of life, anyways better late than never, at least know i could know HARE KRISHNA.

Thank You Prabhu

with great love and affinity,

Dear Srila Prabhupada,

Please accept my humble obeisance, All Glories to Srila Prabhuada. All glories to You on this auspicious day of Your Vyasa Puja.

By Your teachings, I am reading Bhagavatam, which really has given me more inspiration towards Krishna Consciousness. Attending Sankirtan Program at Temple & having Prasadam is really wonderful.

My personal belief is that it is better to remember and do worship Guru's Lotus Feet. This is because of the fact that, God's greatness cannot be glorified if we don't have Guru. So, I prefer to worship the holy feet of Guru, who elevates me from this material world. Even God would be happy, because it's said that,

Gurur Brahma Gurur Vishnu, Gurur Devo Maheshwarah,

Guru Sakshatparabrahma, tasmai Sri Guravenamah.

I want to control my mind and want to engage always in Your and Krishna service every time. I do commitment to chant "Hare Krishna Mahamantra" but I don't follow most of the time. Please give me Your mercy so that I can do some service for Lord Krishna. I will try to be in association with devotees and I will start reading spiritual books. I am very thankful to You and Lord Krishna for whatever has happened to me and whatever I have in my life.

Thank You very much for bringing me in association with devotees and in mercy of Lord Krishna.

Please keep always Your blessings unto me and guide me.

Your Humble Servant,

Dear Srila Prabhupada,

Hare Krishna movement has shown a good path to people to live who are getting or got indulged in unnecessary luxury life. Apart from God consciousness, I liked the preaching of how a human should live a life by having happiness i.e. living simple life is the main goal of life. which was told strongly in Bhagavad Gita and Bhagavatam. You have brought the knowledge to get out of bad habits like drinking alcohol and get habituated to maintain healthy body which is very important to live a healthy life. The great teachings of You are enough for a person for following those things benefit a person and these instructions given by You are blessings to person and no other personal blessings are necessary.

Om Namo Bhagavate Vasudevaya, Dear Srila Prabhupada,

Firstly I would like to thank You heartily for accepting me as your devotee.

You might have faced many obstacles and many problems while spreading this bliss of Krishna consciousness all over the world, but because of Your dedication to spread the name of Krishna over the world all your hard work has got its credit. I thank You for your hard work to make common people like us, to keep them in track of way to reaching Moksha. Your Mercy towards us made us to reach Krishna very easily.

Gurudev You have proved me many times that You have your eye on me by helping me take Diksha in Haridwar and helped me start my spiritual life from then. I haven't asked You for anything, instead You gave me everything, I need in particular segments. You have showed me the happiness, gave me the problems to improve and built up myself, relationship to the time being and shown up who and how people will be and finally dragged me out of the circle of some distractions.

Thank You Prabhupada. Hope You will have your Mercy towards me and track me on the way so that I can continue with same dedication and hard work to make my life full of Glory, so that I can serve You with my full strength without any troubles.

Thank You Gurudev,

All this is possible because of You, Thank You Prabhupada for Your causeless mercy upon us, I hope Your teachings will spread this universe and give the understanding of the purpose of individual soul in this material creation. Bless us all, O Prabhupada.

Thank You Srila Prabhupada, You already know that by Your Causeless mercy this year 2018, I have joined in Your Mission On Gaura Purnima. I could strongly believe that whoever touches Your glance his life is saved and it happened in my life too..the way You guided in my life is Wonderful ...like from the Day 1 chanting from 1 round to 16 rounds and trying to follow the regulative principles and encourages to engage in practical devotional service is unforgettable things. It is all happened only because of Your causeless mercy.

Thank You, Prabhupada for giving me the wonderful opportunity in serving in your mission. Please make me continue this throughout my life and use me the way You want. Please accept my humble obeisances!

All glories to Srila Prabhupada!

Dear universal spiritual master Srila Prabhupada,

Please accept my humble obeisance unto Your lotus feet only through which Krishna is attainable, It was only through Your Divine Grace that my life has changed. Earlier my life was full of useless glitter and short-lived momentary glee and now it's full of enchanted music emanating from divine lips of Krishna: The Supreme Personality of Godhead. Thus changing my life from unorganised to organised, chaos to peace and a shift from desire towards worldly pleasures to desire towards transcendental everlasting pleasure. A simple thanks wouldn't suffice to express my gratitude to You: O Divine Grace, for elevating my life to a higher platform and for introducing me into this exemplary path of krishna consciousness.

Your life and Your ability to relate anything and everything with krishna has been and will always be a great inspiration to me. O Spiritual master, It's You whom i always look upon. Hare krishna.

Dear Srila Prabhupada,

I was so happy to become part of Krishna Consciousness and all this is happening because of Your Mercy. But after joining in association with devotees I came to know

what I have done and currently doing is wrong and started slowly practicing Krishna consciousness. So, I request You to give me the required energy to be part without any deviation. All throughout My Life. Today I am in Krishna consciousness and reading books means this is all Your Grace and Mercy. My humble thanks to You,

Dear Prabhupada Ji,

I offer my respectful obeisances to Your Lotus feet. I have no words to show my gratitude towards You. Before coming to Krishna consciousness I was deeply frustrated with life and I have been facing lots of failures in my life. My parents also suffered because of me for what I am doing and I was under the influence of Maya Devi, love, watching movies and social networking.

But after coming to Krishna consciousness it has changed my total behaviour. And now I became a devotee of Lord Krishna. I stopped taking non vegetarian foods, stopped watching movies and controlled social networking.

After coming to Krishna consciousness I started chanting Hare Krishna Maha Mantra. It is very powerful Mantra. Now I chat 5 rounds daily my goal is 16 rounds this year. I started reading books written by You, 'Bhagavad Gita as it is'. It reach from Your mind to spirit and it is good to everyone. Thank You very much for Your blessings,

Dear Srila Prabhupada,

Please accept my humble obeisances.

The quality of feeling inner silence, peace, meditation and introspection all these require one to possess certain inner qualification. It's the qualification for gaining full and effective reception of divine grace. Even with all the qualification of ideal seeker of truth, one has to wait with humility and patience to be blessed with the unique pathway. The perfect knowledge of that unique pathway, "the pathway of devotion", "The pathway of liberation", and the way of finding the truth, being in truth and living with truth forever is only known to the Guru. There are many spiritually transformative experiences in our life for which there are no words of gratitude for our divine spiritual master Srila Prabhupada. Thy grace has always helped us to cultivate a powerful and positive thinking not only spiritually but also in dealing with real life situations. In every halted situation we have got aspirations and inspirations from Him. We are blessed that we have a Guru to show us the light of existence. With our humble obeisance we thank Srila Prabhupada, for His holistic approaches towards the development of spirituality.

గౌరవనీయులైన ప్రభుపాద పాదపద్మములకు నమస్కారములు,

మేము 15 సం॥ క్రితము బెంగళూరు ఇస్కాన్ దేవస్థానం వెళ్ళాం. అక్కడ ప్రభువు గారు నాకు మాల ఇచ్చి హరేకృష్ణ మహా మంత్రం గురించి చెప్పారు. ప్రభుపాద గురువుగారి గురించి చెప్పారు కానీ నేను పది రోజులు రోజు ఒక మాల చెప్పి తరువాత మానేశాను. కానీ ఒకరోజు శ్రీనివాస ప్రభువు మా ఇంటికి వచ్చి మరల నాకు గుర్తు చేసి రోజు మాల చేయాలి అని చెప్పారు ఇది ప్రభుపాద కృప అని నేను నమ్ముతాను. రోజు నేను ప్రభుపాద గురువుగారి నన్ను కృష్ణచైతన్య మార్గంలో ముందుకు నడిపించాలని అడుగుతాను. ఇప్పుడు 12 మాలలు చేస్తున్నాను 16 మాలలు చేయాలని గురువుగారిని ముందుకు నడిపించాలని అడుగుతున్నాను. నాకు ఈ మాత్రము అవకాశము ప్రభుపాద, రాధా గోవిందుని దయవలన కలిగింది. కృష్ణచైతన్య మార్గమున ముందుకు నడిపించమని ప్రభుపాద వారి పాద పద్మములకు నమస్కరించి వేడుకొనుచున్నాను తెలిసి కానీ తెలియక కానీ తప్పు రాసి ఉంటే క్షమించగలరు

My dear Srila Prabhupada,

Firstly I submit my heartiest humble obeisance unto Your lotus feet.

Srila Prabhupada You are a very hard worker and always You work for others benefits. You went to America to satisfy Your Guru's desire, not Your personal need. You wanted to spread Krishna Consciousness all over the world, as desired by Your Guru. It was not easy to spread Krishna Consciousness, but You made many Krishna devotees to spread Krishna Consciousness. It was amazing that You were an old man and in the old age all will be getting bone pain and other problems, lying on bed and take rest. Even after the old age You made so many Krishna devotees to build 108 temples.

Today we may be rich or poor but we are not be able to build a single temple even though we are very Young, efficient and enthusiastic also. We are very fortunate that today we have got a good Guru like You. After You have entered into our life Prabhupada, we are knowing and chanting Hare Krishna Mahamantra. If we are not able to build a temple or not able to spread Krishna Consciousness to others. Please at least bless us so that we can go to the temple, that is also great in the Kaliyuga for spiritual advancement. By mercy of Guru only one becomes a devotee of Supreme lord Krishna. I will be always Your disciple Prabhupada. I would be always in Your lotus feet and please keep me always as a dust or a footwear on Your lotus feet. I will remain Your humble servant with tearing eyes.

Your fallen servant,

Jai Karunanidhan Srila Prabhupada, Dear Srila Prabhupada,

You are the ocean of mercy and the friend of the poor and the Lord and master of the devotees. Because of Your mercy, I an insignificant soul, have at least understood that there is something beyond this body. Please be merciful towards me so that I can chant and come out of my limited understandings. You have opened my darkened eyes

filled with ignorance. O master I pray for the shelter of Your lotus feet. May Your glories be spread throughout the three worlds.

Your smiling face is my energy..

Your divine words r my life...

Your the ocean of auspicious qualities...

Your the bonafide servant of supreme Lord..

I am not qualified. I am a low person, fool, moodha, etc because of only Your mercy I am able to understand this world. Please give me shade of dust of Your lotus feet.

శ్రీల ప్రభుపాద వారి పాదపద్మములకు సాష్టాంగనమస్కారములు,

ప్రభువు మీ హరేకృష్ణ మంత్రముతో నేను చాలా ఆనందం పొందాను. ఆ మంత్రమును స్మరణం జపం చేయుట ద్వారా నాకు చాలా మనశ్శాంతి కలుగుతుంది. నాకు ఈ మలి వయసులో మీ మంత్రము అందినను ఎంతో శ్రద్ధతో 16 సార్లు జపించి చున్నాను. మీరు వీరాసిన భగవద్గీతను యథాతథమును పఠించుట ద్వారా కొంత జ్ఞానమును పొందగలిగాను. ఇవి రెండు చేయుటవలన నేను భగవంతుని చేరే మార్గము తెలుసుకోగలిగాను. మీ శిష్యులు కూడా మాకెంతో జ్ఞానమును ప్రసాదించుట వలన ఆధ్యాత్మికమార్గంలో ముందంజ వేయగలుగుతున్నాను. మీరు విదేశాలకు కూడా వెళ్లి అచట వారిని ఆధ్యాత్మిక మార్గంలో నడిపించి ఎన్నో దేవాలయములను నిర్మింపజేసి మన భారతదేశ కీర్తిని ఆధ్యాత్మికతను ప్రపంచమునకు చాటినారు. విదేశీయులకు మన కృష్ణనామం తెలిపి వారినెందరినో భక్తి మార్గం లోనికి వెళ్లే విధంగా చేశారు. ప్రభు .మీకునా కృతజ్ఞతలను ఏ విధంగా తెలుపగలను. నాతోటి వారిని కూడా కృష్ణ మార్గంలో నిలిపి., వారికి కూడా మీ ప్రతిభను చాటి చెప్పాలని నా ఆశ. ఇది నెరవేర్చుటకు మీ ఆశీస్సులు కోరుతున్నాను.

Dear Srila Prabhupada,

Please accept my humble obeisances at your most holy lotus feet. At this point I am going to explain my journey with you Prabhupada. In my childhood, I didn't know your importance as I saw your photo, statues at ISKCON temple many times but at that time I didn't know who exactly you are? Why your statues are placed near to Krishna? Are you god or guru? So many questions raised in my mind after I came back to my home. I simply forgot about you and my life continued. But now I am realizing about who you are. I got second shock when I realised how great you are and I am so sad that how late I am knowing about your importance. Daily one new thing I am knowing, I am really very thankful to you Prabhupada, at least your grace(love) is on me. I know your importance and priority of preaching Hare Krishna Mahamantra. Chanting of Hare Krishna Mahamantra will save us from the attacks of Maya. You gave us several types of resources to satisfy all our queries. And I am slowly following your instructions, studying your books, analysing it and trying to follow them. Prabhupada, your grace is on me that is why I got this opportunity and I became one of your servant. Every Saturday I am going to bhajana and I am also a part of Sankirtan. And now I am addicted to Sankirtan and I am getting the chance in singing and practicing the songs daily with matajis and prabhuji's. The time when I am in bhajan, I can't express my happiness. By hearing about you, reading your books, sankirtan, everything makes me a complete successful happy person in the world. But I am disappointed as I feel that your grace is not complete on me, because I am trying to increase the level of my chanting, but don't know due to my problems or anything I am not following the the continuous process of chanting Hare Krishna Mahamantra daily. Even I am trying to chant, but my mind is diverting through my problems and I am not able to concentrate properly, thus I am stopping sometimes. I feel that the Sankirtan classes on Saturday should be between 2 to 3 hours, in that time I may get more confidence and I will become more strong by hearing about you. This makes me more strong, confident. I always wish to follow your way, at least 1% and I know that all will be possible only by chanting hare Krishna Mahamantra.

In my class, I have seen so many children coming having age less than 10 are chanting, listening, dancing and I always think that how lucky they are, as they got the chance to praise Lord Krishna, Srila Prabhupada and I repent

that why I didn't get this opportunity. Even though I am happy as now at least I started my journey with your guidance Prabhupada. Compared to 2017, in 2018 I feel that I am more attached to you, knowing several points about you, I visit the Hare Krishna Temple several times and have taken several delicious food from there. At the time of Golden Temple opening, I participated as a volunteer. Srila Prabhupada, you are the founder & acharya of the International Society for Krishna Consciousness and the Bhaktivedanta Book Trust. I beg to thank you very much Prabhupada. Thank you so much for giving me this golden opportunity.

My Pranam to Srila Prabhupada,

I am in touch with ISKCON for the past 10 years. As I was working in an office and busy I was not attending classes but I am practising Hare Krishna Maha mantra all the time throughout the day as far as possible. Krishna will be in my lips and heart. Now I am attending Bhagavath Gita classes at Kondapur.

I am very grateful to Guru Srila Prabhupada who gave all this knowledge of Krishna Chaitanya to the world and to me. By reading his books we are very much benefited and we also giving the other people whatever we gained by ISKCON in my life. I personally thank Guru Prabhupada very much with pranamas and great love.

Dear Srila Prabhupada,

Please accept my humble obeisances unto Your lotus feet. Firstly I want to thank You for Your mercy in becoming Krishna Conscious. Without it I would not have been. I met Hare Krishna Movement in Hyderabad and then

started practicing activities like harinam chanting, reading Prabhupada books etc. Your books show light in this darkness era that will transform from a caterpillar to a spiritually uplifted butterfly. With Your blessings, I have grown spiritually. Chanting has taught me on how to control my mind, engage myself in devotion etc. If I don't chant in the morning, I don't get motivation for the day. And I feel that by doing so my sixth sense has become stronger. Please bless me so that I will be able to do devotional activities till my last.

Dear Srila Prabhupada,

please accept my humble obeisances. All glories to Srila Prabhupada. All glories to You on this auspicious day of Your Vyasa Puja". Oh mercy Guru, You are the merciful representative of the Lord. I am the most fallen of living entities and yet, by Your unlimited compassion, You have glanced in my direction and my life became successful. Who can properly describe the glories of Your divine grace? I want to make at-least one Krishna Conscious child, it is a great service to please Krishna. Many children are coming and I am trying to fulfill Your words by school preaching. "If You read Srimad bhagavatam, then immediately You will realize the God (SB 2.3.2)". I got spiritual taste (ripen fruit eaten by Shukadev goswami) because of Your words, You showed me the Supreme Lord as it is in Your words while reading Srimad Bhagavatam. I am filled with ecstasy. Thank You Prabhupada.

You told us, "Take Krishna as Your Supreme protector and Krishna will help You in all respects. Nobody can do anything provided we take shelter of Krishna very tightly (Srila Prabhupada letter, Bombay 30 April, 1974)". You gave me confidence like this, so I Habituated to chant Hare Krishna mantra in difficulty times. Whenever I required spiritual information or got to clarify some doubts, thinking about Your presence and by praying to You , I got answers from different sources. That time I felt You are with me. Many times I think, if You are alive, there will be solution of my questions and problems. I strongly desire to direct my family in Your path. Please give us shelter under Your lotus feet.

You told us, “Don’t expect smooth sailing in this world”, meant that being devotees of Krishna they are not protected from rough seas. Arjuna certainly didn’t enjoy smooth sailing as he fought against friends and family in the battle of Kurukshetra. Krishna’s only promise was that he had already accomplished what he wanted Arjuna to do, Arjuna should act as his instrument, and Krishna would stand before him on the chariot. I will always remember these words. Although I have no qualifications whatsoever, today I came before You with a humble prayer in my heart. Please help us to heal the rifts between us and to come together as a family at Your lotus feet. So I humbly pray at Your lotus feet that You so kindly enter our hearts and inspire us to find the ways and means of fulfilling Your transcendental vision. Kindly help us to please You in this way.

Thank You so much, Gurudev. All glories to Your divine lotus feet.

Dear Srila Prabhupada,

Please accept my humble obeisances at your most magnanimous merciful lotus feet. On this most auspicious day of your Vyasa Puja I deeply miss your Physical presence. Nobody can replace the love and care you showed to your disciples. You are the only hope and only shelter for my existence. As you say that you eternally live through your books, your books and tapes are only hope for me. None of the best of the words from this material world are enough to glorify your grace. Your glories are beyond this material sky. Thus I wish if for this one day I belong to the spiritual world to glorify you with the choicest of spiritual words. Dear Prabhupada, seeing the compassion you showed towards all the living entities puts me in uncontrollable tears. You have taken so many struggles at an old age to save all the souls. Please consider me too and please make me a puppet in your hands.

Without you my life would never exist. You are the reason for making me chant. You are the reason for the Vaishnava association I am getting. You are the reason for the Prasadam I am honoring. You are the reason for the sankirtan I am listening to. You are the reason for the books I am reading. You are reason for making me dance for their lordships. You are the reason for the service opportunities I am getting. You are the very reason of my existence. Life after life I am eternally indebted to you. Dear Gurudev, being fallen in the ocean of material suffering I lost the energy to withstand with the terrific waves of the horrible ocean. All the relationships turned out poisonous and non-cooperative to spiritual advancement. I am stuck in the middle of shouting fault finders. I am like a lost child in middle of demoniac people. When i have to see the real faces and found that I am in a wrong place and no way to escape you are the only ray of hope to me. I begged and you cried for your help “Prabhupada... Please save me” and then your mercy saved me. Not even a moment I can forget you. You are my savior and you are my very reason of life.

Dear Prabhupada, my only wish is to fall at your feet and serve you in your mission and render service. Without being your disciple this life will be useless. I beg you again and again to please accept me as your disciple and make me utilize this human form of life in your service. I don’t have enough qualification or good qualities to be your disciple but I know that with your unperceivable mercy you can make dumb to sing and deaf to hear. Please take me under the shade of your feet. Dear Prabhupada, whatever the situation it may be, your gentle smile appears in the heart and cleanses all the impurities. Your words, your voice, your kirtan, your walk, your dance, your presence makes the entire world most auspicious. Millions of thanks for appearing in the golden era of Iron age to save all of us and take us back with you.

Abhay Hari Dasa

Dear Srila Prabhupada,

Please accept humble obeisance's unto your lotus feet.

Prabhupada, since from last four months I was tightly griped in Maya's yank. After that I was doing offences towards devotees, breaking regulative principles, offensive chanting etc. Because of some health issue I was lacking in my sadhana, due to this I was speculating things in a wrong way and I entered in Maya's dark well which has long depth. As a father loves his son even after knowing that he will keep getting spoilt. Similarly, Prabhupada you keep reciprocating your love towards me. This is the way you reciprocate your love for every disciple of yours. But I am so fallen that I cannot do anything for you. It is your mercy that in spite of doing offensive chanting, neglecting your instructions & breaking regulative principles, you have kept me in your shelter. Please forgive me & give me 'Sad Buddhi' so that I may advance in 'Bhakti'.

Your Aspiring disciple, Abhay Hari Dasa

Abhinandan Nitai Dasa

*om ajñāna-timirāndhasya jñānāñjana-śalākayā

Dear Srila Prabhupada,

Please accept my humble obeisances at Your Lotus Feet

Vyasa Puja offering is the homage by the disciple to the spiritual master on His birthday. I do not know why I am writing this letter to Your Divine Grace. Disciple means one who is disciplined in accordance with Your Divine Instructions. But, repeatedly I am violating the rules and regulations. Therefore, I am not Your Disciple. I am much surprised to see myself still in the ashram. The only possible reason I can think of is Your Divine Grace causeless mercy upon me. Prabhupada, You alone have delivered millions of fallen souls and are continuing to do so. So great is Your mercy that You give unlimited chances to Your disciples even though we commit uncountable mistakes over & over again, You oversee them & encourage us to continue to perform devotional service so that we can advance in Krishna Consciousness.

I see no hope of recovering from my weakness, but I strongly believe that by Your mercy You can turn the things around. I see a ray of hope whenever I see Your beautiful smiling face. I get the courage to keep on going and do whatever menial service I can do. I know that I must become serious in following to Your instructions before it's too late. From Your lectures and books we understand that this human form of life is very short, hence we must utilize it very carefully. Now it is time for me to work very diligently and patiently, without letting my mind get diverted from the actual goal of my life, which is to obtain pure love for Your Divine instructions and thereby obtain pure love for Krishna. Therefore, Prabhupada on this auspicious occasion on Vyasa Puja, I submit this prayer unto Your lotus feet, that I may always be eager and excited to hear Your invaluable instructions without lethargy and have the same attraction for them as I have now for materialistic things and when this will happen by Your mercy, I know for certain that my taste for the material desires will come to an end.

Your most fallen aspiring-to-be-disciple,

Abhinandan Nitai Das

Acharya Nistha Dasa

Dear Srila Prabhupada,

On this most auspicious Day of Your divine appearance, I offer my humble obeisance at Your divine lotus feet. I would like to say few things, I am unable to find words to glorify you, as I am not very intelligent enough to glorify you in selected words even my words are not good enough therefore I speak from bottom of heart by your divine causeless mercy, I am able to do my sadhana regularly according to your direction, I feel satisfaction to same extent.

Srila Prabhupada in Vrindavan once you commented about the atmosphere and the birds and when you heard the aarti ceremony you said: "The highest service that a human being can perform is to be a pujari because, although the pujari has a material body, the pujari serves the Supreme Personality of Godhead. The pujari wakes the Lord up, bathes, dresses and feeds Him. These are activities of the spiritual world, but the pujari does them in this world. This is the perfection of human life. There is nothing higher than being a pujari. On the absolute platform, the highest service is to serve Krishna eternally and being a pujari is a way to do that. If you are a pujari, you have attained your constitutional position even within samsara". Prabhupada said, "This person is liberated." (Excerpts from Memories anecdotes of a modern day saint volume 3 by siddhanta dasa)

By your grace, I got this opportunity to serve Sri Sri Krishna Balarama, Jagannath Baladeva Subhadra Maiya, and Gaura Nitai. Please Prabhupada give me a spiritual strength so I can server Lord (KB, GN, JBS) my whole life without fail. Prabhupada during Guru Aarti time my body Limbs is shivering when I am reciting Guru Mukha Padma Vakya Chitte Te koriya ekya sometime I feel that I'm not qualified to follow your vakayas, But by your divine treasure knowledge, I revive my lost qualification. By your divine knowledge involves gradual rising of living entity to spiritual platform and highest spiritual realization is knowledge that Personality of Godhead is a reservoir of all spiritual taste or rasa. Srila Prabhupada, We are getting inspiration to practice Krishna consciousness by seeing your tremendous achievement in propagation Krishna consciousness all over the world even in your advanced age. Prabhupada, earlier in my very severe mentally disturbed condition you always with me as my spiritual authorities.

I am not very serious in devotional service at present and not a devotee as well. I am struggling to cross over all materials problems. I am very weak in both mental as well, emotional .I am getting disturbed, disappointed and even agitated for frivolous things in this condition. How can I preach to others? Unless I become very strong mentally and emotionally, I will not able to preach others. So I beg You to bestow Your causeless mercy to cross over these problems and become very strong in Krishna consciousness and strictly follow devotees who are following you and I may not have any independent desires other than serving your mission Srila Prabhupada, I beg your pardon for having committed offences either knowingly or unknowingly against you and any of Your disciples and I wish that I may not commit any offences against any devotee in future. Jai Prabhupada.

Your fallen servant, Acharya Nistha Dasa

Ajit Krishna Dasa

Dear Srila Prabhupada,

Please accept my humble obeisance unto your lotus feet. All glories to you Srila Prabhupada. You have been constantly inspiring hundreds and thousands of living entities around the world to take shelter of the Supreme Lord Sri Krishna. Without your divine presence, we would have been lost in this ocean of material existence. You are a 'Saktyavesa avatar' of the Supreme Lord, came to bestow your mercy upon the fallen souls like me. I remain ever indebted to you for giving me this opportunity to become your disciple and serve the divine movement of Lord Sri Chaitanya Mahaprabhu.

Dear Srila Prabhupada you have given us the message of Krishna, as it is, the clear understanding of spiritual subject matters and the ultimate message and the essence of all Vedic knowledge. I realize it when I come across people from all walks of life and discuss the spiritual subject matters with saintly persons, karmis, our donors and scholars of Sanskrit. I rarely find anyone having clear understanding of these subject matters.

yasya deve para bhaktir yatha deve tatha gurau

tasyaite kathita hy arthah prakasante mahatmanah

"Only unto those great souls who have implicit faith in both the Lord and the spiritual master are all the imports of Vedic knowledge automatically revealed." (Svetasvatara Upanishad 6.38)

You mentioned in one of the purports that one who is unflinchingly devoted to the Supreme Personality of Godhead, Vishnu, and similarly devoted to the spiritual master, with no ulterior motive, becomes a master of all knowledge. In the heart of such a devotee, the real essence of the Vedic knowledge becomes manifested. This essence is nothing but surrender unto the supreme Personality of Godhead. As long as there is ulterior motive, one is not actually fully surrendered in devotion and consequently Vedic knowledge remains hidden.

Srila Prabhupada, I have full faith that you will remove my all-ulterior motives caused by material tendencies and bless me to situate on the right platform of devotional life.

I humbly request you to kindly empower me to preach vigorously and become a very good and useful instrument in your hands.

Your fallen servant,

Ajit Krishna Dasa

om ajśāna timirāndhasya jśānanjana shalākṣyā, cakshurunmīlitam yenatasmai sri gurave namah.

Dear Srila Prabhupada, All Glories unto your Lotus Feet.

Due to your causeless mercy, I passed one more year in your ashram serving Your Divine Grace and Sri Sri Krishna Balaram. In these years, I always had your personal association and you helped me a lot whenever I was weak in devotional service. You kept me always guiding through your books, quotes, lectures and from within. I am eternally grateful for whatever you have given me although I am unable to appreciate it properly.

I remember once I was sick and my consciousness was very much down. I tried a lot but nothing helped, everything was negative to me. However, as soon as I got your association through your book I felt happy. Shastra's also say the same thing

“Sādhu saṣga sādhu saṣga sarva shāshtra koye, lava mātra sādhu saṣga sarva siddhi haya”

I am fortunate that you have bestowed me mercy not just for lava but for eternity it's only my fault that I don't take it.

Although my contaminated mind and intelligence don't allow, I always desire to serve your Lotus Feet. I desire to be the fine instrument which you can use to accomplish your mission. I need all your mercy and grace so that I can make myself qualified for your divine service.

Fallen but ever hopeful,

Your servant.

Akhileshwara Krishna Dasa

Akinchan Bhakta Dasa

Dear Śrīla Prabhupāda,

Please accept my worthless obeisances at your lotus feet. On this auspicious day, I beg for the Vaiṣṇavas' mercy that I may be able to describe an insignificant drop of your uncommon glories.

Lord Caitanya, travelling through the jungle of Jhārikhaṇḍa, engaged the wild animals of the forest in chanting the holy name of the Lord and dancing in ecstasy. You are fulfilling the dreams of Śrīla Bhaktivinoda Ṭhākura and Śrīla Bhaktisiddhānta Sarasvatī by spreading Lord Caitanya's mercy and compassion amongst the bewildered and degraded living entities all around the world.

Lord Śrī Caitanya Mahāprabhu says in the Caitanya-caritāmṛta that "the living entities are wandering throughout the universe; some are being elevated to the upper planets and some are going down in the lower planetary systems. Out of many millions of wandering living entities, one who is very fortunate gets an opportunity to associate with a bona fide spiritual master by the grace or Kṛṣṇa."

"brahmāṇḍa bhramite kona bhāgyavān jīva guru-kṛṣṇa-prasāde pāya bhakti-latā-bīja"

So how fortunate I am to have become your disciple. Prior to meeting you, I was wandering in the dark forest of illusion, not knowing the important mission of this human form of life. Now you have very kindly explained the mission, and it is my responsibility as your disciple, to rigidly follow your instructions for the rest of my life.

People in this age, Kali-yuga, are so fallen that they cannot appreciate the ācārayadeva, or universal teacher who delivers the message of the absolute world, the transcendental abode of the Supreme Person. The atheists do not believe in God or the next life. But the devotees of the Kṛṣṇa consciousness movement know the real situation of the spiritual master, from their personal realization and as confirmed in the Vedic scriptures. Kṛṣṇa conscious knowledge, as taught by the spiritual master, is not sectarian religious faith.

How to thank you enough for what you are doing for us? To be humble, you have explained to us, one must be humble. But the example is your example: "I cannot be God, for I truly am small, but He kindly allows me to serve Him, that's all."

Śrīla Prabhupāda, by Your Divine Grace, we, who were certainly lowborn creatures, are now distributing your mercy in the form of your books to the learned philosophers, scholars, professors and theologians. The fact that we are able to do this work with the help of your books only, and it is only further evidence of your expertise.

I am your eternal servant. If I may ask for something I beg to be able to remember your instructions wherever I am. You are the personified glory of the Lord's lotus feet. Now I am begging that you fix me and fasten me as an atom at your lotus feet.

Please continue to engage me in your service,

Your Fallen servant, Akinchan Bhakta Dasa

Anadi Govinda Dasa

Dearest Srila Prabhupada,

Please accept my humble gratitude and obeisance unto your divine lotus feet on this special occasion

Your appearance day is the most historic event in the history of man.

This VyasPuja is first offered rather nervously at the lotus feet of my eternal lord and master, the founder-ācārya of the International Society for Krishna Consciousness, His Divine Grace Om Viṣṇupāda Paramahansa Aṣṭottara-śata Śrī Śrīmad A.C. Bhaktivedanta Swami Prabhupāda. Śrīla Prabhupāda, please accept this humble offering from the

worst of your servants. I know that you are not interested in your own glorification. You want Kṛṣṇa glorified always and everywhere. But Śrīla Prabhupāda, you are so wonderful. How can we not glorify you? How can “The Significance of Śrīla Prabhupāda” be rendered in one or two pages? Even if we could write millions of pages?

In the material world everyone takes birth to enjoy with lust, desire, and anger. Everyone wants to become Kṛṣṇa. Everyone is born envious of Kṛṣṇa. But your appearance is just to glorify Kṛṣṇa, as Lord Caitanya did.

pātrāpātra-vicāra nāhi, nāhi sthānāsthāna

yei yānhā pāya, tānhā kare prema-dāna

“In distributing love of Godhead, Caitanya Mahāprabhu and His associates did not consider who was a fit candidate and who was not, nor where such distribution should or should not take place. They made no conditions. Wherever they got the opportunity, the members of the Pañca-tattva distributed love of Godhead.

All Glories to Your Saving Grace, Golden Commander of Caitanya’s race,

Freeing us all from materialistic pain defeating rascals with a poet’s pen

I remember the prayer of Śrīla Narottama dāsa Ṭhākura:

kabe lokanātha more saṅge lañā jābe, śrī-rūpa pāda-padme more samarpibe?

“When will Śrīla Lokanātha Gosvāmī (the spiritual master of Narottama dāsa) take me with him and submit me at the lotus feet of Rūpa-maṅjarī?”

So Likewise Prabhupada I Pray to you “ When will Śrīla Prabhupāda take me with him and submit me in the service of the servants of the servants of servants of the gopīs ? I know that I am not qualified now to ask for such a benediction because my mind is fully compacted with unwanted material desire, lust, pride and envy. Even I am not serving you as nicely as I could. I am ashamed, but not as much as I should be. As I grope on—dull, stupid, and punch-drunk by māyā so I ask you to please grant this boon to me whenever I am ready to receive it . Therefore I am simply asking this request with you and awaiting your causeless, undeserved mercy? I pray, “Prabhupāda, you are a paramahansa, one who can extract milk from a mixture of milk and water. So please extract that which is good from my mixed service and rectify my discrepancies.”

For you have given me thoughts of a spiritual fky full of fruits, trees and flowers, where nobody dies,

And amongst this is dancing a small boy of blue; this is Lord Kṛṣṇa, emanating through you

O Prabhupada I don’t know “What to Follow or What not to Follow” – Regarding this subject matter I remember one of the following conversation with your disciple.

Devotee: How will I know what to follow?

Śrīla Prabhupāda: You learn. You come to me. I’ll teach you and beat you with shoes and teach you. Come to me. Why am I here? You come! I shall beat you with shoes and teach you. Then you’ll learn. You require some beating with shoes. You are a bad student. So I’ll do that. “Come on.” Yes, I keep always my shoes for my bad students (Conversation, 25 January 1977)

Śrīla Prabhupāda, I don’t want to be a bad student. I want you to think of me as a good student. But in this present scenario I am not qualified for that. But even if you accept me as your bad student, that will be a great benediction for me, unlimitedly better than not being accepted by you at all, and with the added special benediction of being beaten by your shoes! Śrīla Prabhupāda, I am always being beaten by my mind. Now please beat me with your shoes and purify me.

You are Our Well-Wisher.

Not only I am worthless person, I am also an offender at your lotus feet in so many ways. Still, my solace is the hope that I will receive your causeless mercy. Compassionate people generally forgive the offences and you are the most celebrated as the most merciful (dayaro sagar) personalities over the three worlds.

I may disappoint Śrīla Prabhupāda, but he will never disappoint. This is confirmed in the following excerpt from the letters.

I am praying always to Krishna that my disciples will not fall away from the path of Krishna consciousness. (Letter, December 1974)

I have already replied Jadurany's letter. Regarding her offenses, I do not remember when she committed offenses, and even though she might have done so, I excuse her 100 times, without any hesitation. So she has nothing to bother about it. (Letter, 19 March 1969)

Just see how much you love your disciples' .O Prabhupada You are the reservoir of compassion and so I fully surrender at your lotus feet. Please bestow your mercy upon me. Because of your causeless mercy I have completed my one year in your home even though I am not qualified for that, instead you permitted me. Thank you very much Prabhupada for having given me this delightful, magnificent matchless gift in my life, Krishna Consciousness. Though you have given me the highest thing ever which I didn't think in my dreams also still I am hesitant to take it seriously.

You are my saviour. From now onwards (On this abundant celebrated day) I Promise you that all of my endeavour will be directed towards satisfying you, if you are satisfied then automatically Krishna will be satisfied (Yasya Prasada Bhagwat prasado) Please come and have a chair in the my heart as proprietor of my life O Prabhupada , I don't want any separate identity. Now, I only belong to you. You are the owner of my life.

O Śrīla Prabhupāda! My heart breaks apart! Help me to serve you and with Māyā to apart.

This Vipramukhya weeps in the dust of your feet, but with serving you I will never retreat.

I am trying to collect the following excerpt from your one of the biography which describe about the potency of a Pure Devotee.

A pure devotee is satya-saṅkalpa:

Whatever he desires is fulfilled by the grace of Kṛṣṇa. He does not desire anything for his material benefit. If he desires anything, he simply desires to serve the Supreme Lord. That desire is fulfilled by the Lord's grace. (SB 5.4.5 Purport (from Chāndogya Upaniṣad))

So regarding this context the writer descried "No one asked Śrīla Prabhupāda to come to America to preach. Indeed when he first came no one was very interested. But by Prabhupāda's desire ISKCON came into being. ISKCON is a manifestation of Prabhupāda's desire that every living being in the universe be Kṛṣṇa conscious. ISKCON exists for this reason only. As Mahā-Viṣṇu's dream manifests as the material world, so Śrīla Prabhupāda dreamt of a worldwide society of devotees, and Kṛṣṇa made his dream a reality:"

So Prabhupada that inconceivable potency of yours, you revealed in following conversation.

"Śrīla Prabhupāda: I am simply dreaming, and you are actually on the field.

Tamāla Kṛṣṇa: Yes, but that's because we're in your dreams. If you weren't dreaming like this, we would be on the material field.

Jayādvaita: It's like Mahā-Viṣṇu is lying down. The whole material world is being expanded by His dreaming. So you're lying down here, and the whole ISKCON activities are being expanded by your dreaming"(Conversation, 3 November 1977).

ISKCON exist for this reason only, because of your desire to engage every living entities in the service of the Krishna.

Last but not the least, I would like to thank you for bringing me to your shelter at ISKCON BANGALORE group of temples. By the mercy of your senior disciples here I got wonderful opportunity to serve you Srila Prabhupada. Now I got the crystal clarity on the “Guru Tattva Philosophy” by your mercy when many in ISKCON are yet to get.

Dear Srila Prabhupada, you have saved us of so much confusion about the guru issue and you have given us such a wonderful platform to practise Krishna consciousness.

Therefore, my only desire is to preach about YOU Because “Preaching About YOU brings Success” This statement, you revealed in following excerpt of letter.

“I could not understand the language. But one thing I observed in that article, there is publication of my name, Swami A.C. Bhaktivedanta. So this indicates that your tour in Europe is going to be very successful.”(Letter, 24 August 1968)

Thank you Srila Prabhupada for having given the wonderful gifts like Chanting Hare Krishna, Books, Lectures, Prasadam, Kirtan, Deity Worship

I came across this wonderful memory where you emphasize the importance of Spiritual Master and how faithful should be a Disciple. Hari Sauri Prabhu shares his memory in his dairy. You Said “the disciple should serve the spiritual master in the way of Faithfulness. If the disciple cannot remain faithful to his spiritual master, he is less than a dog.”

I beg you to give the required strength to serve you in this regards. To be an ideal disciple just as you always desire. Pleasing you is the prime motive of my life and nothing else. If I can just become the disciple you always wanted me to become that’s the success of my life. Give me enough maturity to handle situation in my service

On this auspicious day, I Offer my crying praying at your lotus feet “please, make me more humble and tolerant please make me more humble and tolerant, please, make me more humble and tolerant.

Glorification of Śrila Prabhupāda is unlimited and it there cannot be an end.

Your Eternal Servant , aspiring to be always at lotus feet

Anadi Govinda Dasa

Anantha Sesha Dasa

Dear Srila Prabhupada,

Please accept my most humble and respectful obeisances unto your divine lotus feet on this particular occasion. Yet another year passed, but I find myself in the same place where I was a year back or may be little lower. Every year, I promise to you to follow all the rules and regulations very rigidly but I fall apart most of the time from my promises. Still, you are bestowing unlimited blessings unto this fallen soul, and always there to help & guide me in right direction. I am very much oblige to you for keeping me in your divine shelter even though I do not deserve at all. You are the only hope, please bestow me with spiritual strength so that I can purify my thoughts and actions.

I absolutely have no qualification for your mercy save being a fallen soul. When I think how low I am, my heart grows heavy, but when I remember Your Divine Grace, I have great hope for myself and all the fallen souls. For surely it is of no quality of my own that you are lifting me, but your own causeless love and mercy. As I get to know more and more about you either through yours books or yours lectures or senior vaishnavas etc, My faith in you becomes more and more fixed up. Your compassion for all humanity is unparalleled, you tried to preached the glories of Chaitanya Mahaprabhu unhesitatingly specifically in beginning with practically no support from anyone. This inspires me very much, and I pray to your divine grace to bestow required faith and mercy so that I may

become an instrument in your mission to spreading Krishna Consciousness. Surely, without Your Grace there is no meaning to our lives. By your unlimited mercy our stone like hearts are growing soft, and we are becoming stronger in spreading Lord Chaitanya's wonderful sankirtana movement. We must always strive to taste the dust of your divine lotus feet, our only shelter. The struggle to serve your lotus feet is the straight path that leads to Krishna.

"We think that we have met your goodness by the will of providence just to accept you as captain of the ship which desires to cross over the difficult ocean of Kali which deteriorates all the good qualities of a human being." (Srimad-Bhāgavatam, 7.1.22) You have given us life, Srila Prabhupāda. By Your mercy alone can we advance in Krishna consciousness. Please help us so that we may use every moment fully in Your loving service.

In Jaipur, devotees are trying hard to spread your glories through either temple construction or spreading holy name or preaching to young boys and families or cow protection or prasadam distribution etc. This could only be possible by your causeless mercy and blessings. Please keep bestowing the same forever so that we could become an instrument in your divine hand to fulfil the desire of Caitanya Mahaprabhu.

On this auspicious occasion, I sincerely pray unto your divine lotus feet to bestow mercy on me so that I could develop required purity in the heart to move on devotional path. Thank you very much Srila Prabhupada for everything, which you have provided to all of us.

Your fallen servant,

Dear Srila Prabhupada & My Beloved Spiritual Master

Please accept my most humble obeisance at the dust of your Divine lotus feet which is the only shelter for all your disciples. All Glories unto you on this most auspicious appearance day of your Divine Grace.

Thank you for one more Blissful Year in Krishna Consciousness which was filled with Vaishnava Association, Spiritually Rejuvenating Tours, Service opportunities, Deity Services, Prasadam Distribution & Sankirtana Programs.

As Representative of Lord Krishna You Know Everything about Your Disciple's Spiritual Life. In My Case You Know About My Struggle due to Eternal Strife of Material Mind and Spirit Soul due to long association with material modes. Most of the times I forget the purpose of my existence in your divine mission due to materialistic mind & senses and get conditioned with old habits of material enjoyment & sometimes committed offenses unto your lotus Feet. However, your grace always very consciously helped your disciples just like a mother always conscious in looking after her baby.

Even after such wonderful Mercy & Compassion I am unable to execute the principles given by your divine grace. I always ended as a failure after making all my attempts to execute the principles; it's only due to my inattentiveness in chanting the holy name & indiscipline's toward your divine mission. It is said that a disciple of Srila Prabhupada must perform following three things which implants Krishna Consciousness in the living entity.

By Making People Chant Hare Krishna MahaMantra. By distribution of Srila Prabhupada's Transcendental Books. By Prasadam Distribution.

It gives following results in disciple's Krishna Conscious life. Chanting will become Attentive. The mission of spiritual master always remains in the mind. Becomes absorbed in remembering Krishna always.

Srila Prabhupada my only wish is to make me your humble servant and always enthused to do your service & make me come out of emotional, sentimental bewilderments and focus on Sadhana & Service till my last breath. Thank you very much for always helping me in all ways for my spiritual advancement. I am the most fallen student of your

divine grace unable to execute the orders & principles & always disobeyed your divine instruction due to my various inabilities. Please forgive my all offences I have committed and help me not to repeat them & always keep me under your protective Mercy Umbrella.

Your most degraded disciple,

Balabhadra Dasa

Baladeva Govinda Dāsa

Dear Srila Prabhupāda,

Please accept my most humble obeisance's at your lotus feet.

In the first verse of his Prayers Glorifying the Spiritual Master, Śrīla Viśvanāth Cakravārtī Ṭhākura prays that the spiritual master is like a rain-pour of mercy. The rain is merciful because it alone can extinguish the blazing forest fire. That forest fire is compared to the burning heart of the man in material existence. He is trying to enjoy, but his heart is burning with anxieties: the pleasure of the senses is incomplete and temporary, the course of the mind is uncontrollable and sometimes beset with misery; and to take refuge in philosophic speculations or art and novels is finally too dry and tedious to be completely satisfying by itself.

The atmosphere in which we live—the very conditions of existence on any planet in the universe—makes it impossible to relax, be peaceful or attain happiness. Because, although no one desires it, old age devours youth, diseases stop one and all from the pleasures of continual good health and everyone's duration is at last cut off by the axe of death. Rebirth, old age, disease and death break out suddenly like fires, and no one is needed to start them. Just as in the city no one wants so many fires or accidents, and yet the ambulance or fire engine is always wandering in the street. Everywhere there are miseries!

Yet we learn from Bhagavad Gita that each and every living entity is factually aloof from all these miseries. The real person, the actual self who is eternal spirit-soul, is not subject to old age or death or any other disadvantage of the material world. Lord Krishna, the Personality of Godhead, declares that the real person is His part and parcel and is, as God Himself is, always blissful, eternal and full of knowledge. Our only mistake is to fall into illusion and forget our original position as eternal servitor of the Supreme. The retaining of the position of eternal blissful knowledge remains only theoretical for those souls who continue to wander, birth after birth, through the millions of species of life, as described by Caitanya Mahāprabhu in Teachings of Lord Chaitanya.

It is only by the mercy of a bona fide spiritual master who is coming in disciplic succession from Krishna that one can receive the realized knowledge by which he can cut the knot of ignorance which binds him to continue in his repeated sufferings. By the realized knowledge of the spiritual master, one can himself become self-realized (Gita, 4/34) and at once end his illusory struggle to be happy without God-consciousness. It is only by the mercy of the spiritual master that we can gain the goal of God-consciousness.

We therefore offer our respectful obeisance's to you, who as our only real and permanent father, has kindly kindled in us the desire to serve eternally in the position of a transcendental worker in the Hare Krishna movement of Lord Chaitanya. The spiritual master descends like a stout rope down into the dark and filthy well where we are loitering; by Krishna's Grace we can catch hold of that rope and be easily lifted into the invigorating and bright atmosphere of Krishna Consciousness.

Begging to remain your humble servant,

Baladeva Govinda Dāsa

My Dear Srila Prabhupada,

Please accept my respectful and humble obeisance at your feet on this most auspicious appearance day of your Divine Grace.

Srila Prabhupada I realize your mercy at every moment of my life because of your mercy most fallen soul like me can serve in better way although I do not have any serving quality.

mūkaṁ karoti vācālaṁ, paṅguṁ laṅghayate girim yat-kṛpā tam ahaṁ vande, śrī-guruṁ dīna-tāraṇam

By the mercy of the guru, even a dumb man can become the greatest orator, and even a lame man can cross the mountain.

My Guru deva I don't have any basic quality to sustain in this movement but because of your causeless mercy only I am sustaining, and every moment I realize that you motivate me in different way to serve the personality of Godhead Sri Krishna.

Srila Prabhupada you are the most merciful father in this creation because every time we make mistakes you forgive us as a little child and you give us plenty of powers to move forward in this Krishna consciousness movement.

We cannot guess the infinite mercy of you because if we had not received your causeless mercy we were rotting like a gutter bug in this material world born again and again, doing the same sense enjoyment.

Oh my spiritual father please give me full strength and knowledge that I can please my authorities which is assigned by His Grace and that's the only direct way to serve His Grace. I am grateful to my kind authorities for engaging me in services that are more responsible although I do not have any quality and knowledge for that.

Oh My Spiritual Master, my humble request is to always be kind upon me

Your Most fallen soul

Dear srila Prabhupada,

Please accept my humble obeisances at your lotus feet another one year has passed in service of your lotus feet. Srila Prabhupada, thank you for giving me continuous opportunity to render service onto you without any difficulties. As lord Krishna told akrura that saintly persons or devotees simply bestows their mercy to everyone without any considerations and demigods also bestows, if they are worshipped properly. it is said

Sadhu sanga sadhu sanga sarva sastre kaya Lava matra sadhu sange sarva sidhdhi haya

Prabhupada I am your most fallen servant . So please always forgive me for my offences. I have no intelligence to follow your instructions. so I beg from you spiritual strength to remain in your transcendental service. Thank you Prabhupada for providing me krishna balram's transcendental service .when I think about your causeless mercy and sacrifice for these fallen souls then I become astonished that how somebody can be so much merciful. i claim myself your disciple but I don't have any devotion and strength to follow your instructions. so I beg special favour from you because I am most weak. I am begging, srila Prabhupada may that you never stop engaging us in the service of the lord and that you permit that even despite of our constant offences, you kindly go on purifying us in the service of your lotus feet.

Your most fallen servant, Danveer Nitai Dasa

Deen Bandhu Krishna Dasa

I offer my respectful obeisances unto His Divine Grace A.C. Bhaktivedanta Swami Prabhupāda, who is very dear to Lord Krishna on this earth, having taken shelter at His lotus feet. who is servant of Sarasvatī Gosvāmī. You are kindly preaching the message of Lord Chaitanyadeva and delivering the Western countries, which are filled with impersonalism and voidism.

O my beloved spiritual master Srila Prabhupada, Please accept my humble obeisances at your lotus feet, As the day passed by In your movement I Realized what is your compassionate feelings for the fallen souls, you're the Satyavesha Avtar of Krishna's Merciful quality, I remembered some of the beginning days incident of ISCKON society , how you have tolerated the habits and behaviour of the neophytes, and converted them as Vaishnava. Once you made one statement that Lord Nityananda delivered Jagai and Madai and by mercy of Lord Nityananda I am delivering millions of jagai and madai, what I understood you are the more merciful then Lord Nityananda. Like lord Nityananda you also Started Namhatta the market of holly name in the form of Hare Krishna Movement and only pay is Shraddha Faith.

You are a Mahabhagavata like Prahalad Maharaj , he Says O my Lord I don't care for my own liberation , I am worried about all the living entitly those who are suffering in this material world , let the all these living entity transfer to your aboard , I may suffer for all there sins, you are also doing the same thing and out of great compassion you are delivering condition souls though I am not worthy of your mercy you have accepted me as your disciple, the darkness of my heart is so deep, that I don't know when my consciousness get nullify completely. My only desire is that as long as the supreme force kala the supreme time allows me in this particular body , I would serve your mission in the association of vaishnavas. Please don't keep me away from your Lotus feet.

Your menial servant. Deen Bandhu Krishna Dasa, Hkm Jaipur

Hare Krishna ,

All glories to Srila Prabhupada,

My dear Gurudev , I am very thankful to your Divine grace for accepting me as one of your insignificant servants . Jiva comes to this world seeking to enjoy independent of Krishna but on the contrary suffers the pangs of material miseries , because he does not know that he can be truly happy only under the shelter of the lotus feet of Lord Sri Krishna. Therefore Maya seeking this opportunity of the jiva trying to go away from Krishna grabs him and puts him under illusion, forgetfulness.

Krsna bhuliya jiv bhoga vancha Kare Nikatasthe Maya tare jhapotiya dhare.

Your Divine grace feels compassion for such a suffering soul and delivers him from this material world .It is you who cause the real bhakti to be awakened in the heart of the jiva and takes the charge of delivering him .There are no words in any literature of this material world which can completely describe your glories but since this is our duty to glorify our spiritual master therefore I m trying to do so.

A person from the divine kingdom .

Magnanimous was He.

As the world could see.

You are the words of your guru personified .

By preaching Krishna bhakti you made him satisfied.

The pure potent message from the disciplic succession.

You delivered to the people without adulteration.

Your glory is not bounded by words.

Your fame is spread across three worlds.

He could preach by his glance .

For Maya there was no chance .

I offer my respectful obeisances unto thee .

O merciful spiritual master please save me.

By pleasing your Divine grace we can achieve the mercy of Krishna. If not for you there is no other way for us to get out of this material world. My lord I may have committed so many offences or mistakes in my spiritual life I beg pardon of all those offences. My master bless me with the proper service attitude and surrender to lord Sri Krishna. Master please chastise me in any way u like but let me remain clinging to your lotus feet.

Your eternal fallen servant Devaki Tanya Dasa

Dear Srila Prabhupada,

Please accept my humble obeisance unto your lotus feet. Once again I am having opportunities to glorify you on 122nd appearance day of your divine grace on this earthly planet.

This period of two years that I had completed in your divine grace's shelter is just the mercy of Vaishnava's who constantly guided me in each and every step of my spiritual journey.

Oh! Prabhupada by your mercy I am getting second initiation although I am unqualified and less intelligent servant disciple of yours, hereby begging your mercy.

As it is mentioned in CC Adi lila 1.45;

“guru kṛṣṇa-rūpa hana sāstrera pramāṇe guru-rūpe kṛṣṇa kṛpā kareṇa bhakta-gaṇe”

According to the deliberate opinion of all revealed scriptures, the spiritual master is non different from Kṛṣṇa. Lord Kṛṣṇa in the form of the spiritual master delivers His devotees.

Oh! Prabhupada you live in your instruction as you are confirming in one of the SB lecture 1.1.1 Recorded on February 21, 1975 in Caracas “Just like if I am taken as the origin of this Kṛṣṇa consciousness movement, that means I know everything directly and indirectly of all this movement. If I do not know directly or indirectly everything of this movement, then I cannot be called the founder-ācārya and as soon as the origin becomes a knower, he is life. So therefore dull matter cannot be the knower of everything.”

Oh ! Prabhupada I am low born always breaking regulative principles but you are so merciful giving me chance to get up again and again. There is no hope for conditioned soul like me except your shelter to achieve the perfection in human life.

Oh ! Prabhupada Please keep me under your shelter and bless me with your personal service.

An unworthy and insignificant trying to become your servant,

Dharma Raj Dasa

Dear Srila Prabhupada,

Guror anugrahenaiwa pumaan purnah prashantaye

“Simply by the grace of spiritual master a person can fulfill life’s purpose and attain eternal peace” (Srimad-Bhagavatam 10.80.43). Please accept my humble obeisance’s at the dust of your lotus feet. Your causeless mercy is the only hope. The more I realize that fast, the more I become fixed up in spiritual goal. Here in Jaipur known as Gupt Vrindavan, in front of Sri Krishna Balaram, attempting to praise you. I am convinced that just as Lord Krishna saved the residents of Braja from Indra’s wrath by his lifting govardhana and inviting Brjavasis to take shelter under it, similarly you have saved the tormented denizens of Kali-Yuga from the storm of horrors by erecting the shelter of WONDERFUL GIFTS.

We have that wonderful gift ---- Krishna BOOKS you have left us. You told that if we want to know you we should read your books that your books are better than you, they are the law books for thousands of years to come and that while anyone can translate but your purports contain your devotional ecstasies. You often said that your only credit was that you did not change the teachings of the Lord. You not only took the supreme transcendental knowledge unchanged to all the peoples of the world.

We have that wonderful gift----- Krishna BHAKTI Srila Prabhupada, you gave us the message of Bhakti in its pure form. Unlike others who claimed to teach Bhakti, you explained that the path of Bhakti is not just devotion but devotional service. You trained us to pray to Krishna by calling his holy name, requesting fervently to be engaged by his eternal potency in Krishna’s devotional service. This is the KEY!

We have that wonderful gift ----Krishna PREMA you taught us to act selflessly, always serving others, in a humble mood, entirely for the satisfaction of Krishna. What is called LOVE in this material world is invariably trained for other purposes. You taught us that any other purpose than serving Krishna striving to increase his pleasure will bring our downfall, inviting illusion and bewilderment and its accompanying sufferings. Who else in the history of the world has ever melted so many stone-like hearts, in so many countries of the world, while giving the most Valuable gift of the love of God in charity? No one can equal such inconceivable compassion and expertise. By the grace of the Lord, only his dear most devotee can.

We have that wonderful gift -----Krishna NAMA you taught us that everything is contained within the name, that name and Krishna are one and the same. You have given Krishna to the world. You Srila Prabhupada are the real mercy incarnation of the Lord; to see the holy names spread to every JIVA on the planet is a very exciting thought and task. You taught us that, the constant chanting and hearing of the holy names of the Lord is the doubtless and fearless way of success for all.

We have that wonderful gift ----Krishna SHUDHA BHAKTA you have shown the perfect example of how a devotee should be determined when faced with great difficulties. Whenever in trouble, I think of your austerities and then immediately I understand how small are mine compared with yours. This realization gives me a lot of courage to continue my duty. . By the grace of the Lord, his dear most devotee can accomplish even more than the Lord can. Srila Prabhupada, the Lord no doubt wants your name to be glorified in every town and village of the world. Similarly, it’s already decided that Your Divine Grace is the only way back to Godhead. Your mercy is exhibited in your instructions, which are just the right dose for critically ill patients like us.

We have that wonderful gift -----Krishna SHAKTI you have kindly engaged us in the preaching mission of Lord Chaitanya. Please bless us so that we may be able to fulfill your desire “Preaching Is the Essence”(both to ourselves and others). Our lives are an utter waste if we do not preach this divine message all around the world to the best of our ability, both by our deeds and our words. I need your blessings so I may receive Krishna’s empowerment in this endeavor. Krishna Shakti flows to the disciple through the channel of the guru, who is you, “the acharya of this

age". How can we hope to attain that Shakti without you and your pure representative? We all endeavor us to our last breath for your mercy in the form of your instructions.

We have that wonderful gift ----- Krishna HOUSE You have built a house in which the whole world could live. This HARE KRISHNA MOVEMENT, this house is not bound by the physical walls of ordinary buildings. It only requires that one has some faith in you as the Lord's pure representative can take shelter in your house, no matter where he/ she is or what his/her superficial condition. The Lord is supremely personal and he reciprocates with each of us perfectly as we surrender to him.

At present I am concentrating on Kids and their parent's program through what's app groups hoping to continue with this program as much as possible and take advantage of the world's present technology to distribute your priceless gift to so many as quick as possible. There are good signs of Women waking up little by little. As you said "Every improvement in this Kali Yuga is coming from spreading Sankirtana Movement I have no devotion and no knowledge, but have firm faith in my GURU MAHARAJ 's instructions" so dear Prabhupada please let me also a little drop of your pure faith in Guru and Krishna then success is there. Thanks for this engagement and all others you have given me, and for the association of your dedicated devotees. Srila Prabhupada I pray for the mercy that I can please you unlimitedly, for I have to go to try to repay the debt for the unlimited mercy you are giving me in spite of my hopeless nonsense disqualification. I am sorry I have not been much use in your mission, but by your mercy I am a part of it although very small and insignificant part. Prabhupada please guide me on the way of purification. Forgive me for being lazy, foolish, and offensive. I pray that you raise me by your mercy from this aimless, confused situation and convert me into obedient, humble servant with only one desire to please Krishna by any means, in other words, to serve you and your divine mission until the movement of my death.

Your menial servant

Hari Kirtana Dasa

All glories Our loving dearmost spiritual master Srila Prabhupada ki Jay.

What a beautiful Lila it is Srila Prabhupada. The entire world is doomed to ignorance., flowing in the influence of Kali, and suddenly., a magical Divine and pure spiritual Personality appeared. You just came to this planet. What sort of pious activities have this planet earth had performed, it had an opportunity to be selected by Krishna, to send His so pure, confidential, intimate and loving devotee. , You are that touch stone available to the modern world. Only by your mercy jivas can rise above the material platform and take up Krishna consciousness. The Vedic wisdom you gave us causelessly is the only hope for suffering soul. But the ill-luck is that I haven't yet developed attachment to that. There are 84 lakhs of species, you placed me amongst the top most species, your disciples, but ill-luck is I haven't yet developed value for it. I've been taking things for granted, not developing any gratitude.

Firstly I want to thank you with all my heart, for helping me find my chanting beads. I can never forget that incident in my life. I'm sorry Prabhupada for being so foolish.

sri guru karuna sindhu, adhama janara bandhu lokanath lokera jivana.

Prabhupada, you very compassionately saved me from hellish, rotting material life. As a Yugacharya, you very systematically set all the things required for our spiritual growth, still I'm busy being so much attached to sense gratificatory thoughts and activities. I feel pity on myself, that I'm not having enough intelligence to realize it's importance. Therefore Your mercy is of utmost important to me now, so that I may not lose Krishna Consciousness, which is rarely obtained. Prabhupada, Your God brother once asked, about the medicine you take for being always so blissful in Krishna Consciousness. This happened when you prepared a formula for medicine for improving

concentration of brain, and tried it on his son, which worked. Your Divine Grace replied, I don't take any medicine. You then paused a little and spoke, "the medicine is.

trnad api sunicena, taror api sahishnuna amanina mana dena, kirtaniya sada harih."

The medicine is Humility. Today I beg you the same humility, because this can be developed only by the mercy of a pure devotee like you. Just as Srila Bhaktivinoda Thakur Prabhupada says. By a drop of your mercy, make this servant of yours humbler than a blade of grass. Giving me strength to bear all trials and troubles, make me devoid of all desires for personal honor. Prabhupada, in the hostel which I'm taking care of now, there are quite good boys. I'm trying so that they may take up this Krishna consciousness seriously. New boys are also coming in touch. I'm very much interested in bringing more and more souls under Your shelter. Prabhupada! I want to improve in following the principles of Krishna Consciousness, I want to be more sincere, serious and attentive in my spiritual life. Kindly guide me Prabhupada, for I never want to leave in my whole life the boon I've got by Your causeless mercy,. Let my mind be fixed at Your lotus feet., and always work for guror hitam. Let me surrender myself completely and follow Your instructions. For You are my savoir. For you are my master Birth after birth.

At last I want to pray one last thing. I agree to chant at-least 16 rounds of Hare Krishna maha mantra, throughout my whole life, and follow four regulative principles, namely illicit sex, intoxication, meat-eating and gambling. Kindly give me eternal shelter under Your Lotus Feet. Only You can take us 'Back to Godhead' Kindly forgive me for my offences at Your lotus feet.

Your rascal and foolish servant,

Hari Kirtana Dasa

Hari Sharan Dasa

Dear Srila Prabhupada,

Please accept my humble obeisance unto your cooling auspicious lotus feet. Prabhupada I was in the world filled with evil intoxication and crime, But suddenly you held my hand and stood by my side, I hope you'll be forever in my sight, because still I'm puffed up with false ego and pride. During my college days with your powerful words you wiped away all my tears, You taught me how to face the world without any fear. From the clutches of maya you have saved me every time, Without you I don't think I could ever be fine. I was confused and lost, I really don't what to do, But I found answer of all my question in your transcendental book. You have made my life a happy thing, Thank you thank you for everything. From maha maya to yoga maya I've been shift, You have given me this extra lift, Thanks for giving me this transcendental gift. At the age of 70, pain you took for me was immense, Your words are always true in every sense.

Miraculously you taught me all that I should learn, What I can give you in return, Thank you for providing me sadhu sanga. You spread Hare Krishna movement around the globe and spread the holy name too and for all that you did for me, I just want to say thank you. You are the only source of my inspiration. Thanks for giving me your books, letter and conversation. Sooner or later my cruel death is sure. But your heart is so much pure. And if I'll follow you, my path of back to godhead is sure. Maya will always force. To contract that purity is the force. Now this Hare Krishna Mantra is the only source. Mangla Aarti, Bhagavatam Class, Harinam Sankirtan this is divine engagement. I can clearly see you causeless mercy upon me as great empowerment. In this quarrel or hypocrisy age. You have given me devotional service as great eternal privilege. Thank you for all that you have done. In my darkest days, you have been my sun. I did not recognize that you was always there to lend your hand. In my miserable condition, you supported me just like a magical wand. Thank you for your inconceivable mercy and greatness. You are the only saviour of condition souls who gave Krishna consciousness. I have no sufficient intelligence to glorify your divine grace Actually it's my great fortune to have come in touch with your divine grace,

Please bless me little more with your auspicious, infinite mercy oh divine grace. Please protect me from any Vaishnava or Holy name offence, Always provide me sufficient guidance, So I may not commit again any nonsense. I am having so much to say. I was lazy, but you have made my life in a disciple way. I felt like a lost child, who finally found the bhagavatas way. You brightened up my life and made it from night to day. Ohh ! What you did for me is something, I can pay on this auspicious day, I beg for your blessing to fully engage in your divine mission. Let my enthusiasm, determination, & patience not wane. Please make me humble, faithful and discipline.

Your Unworthy Servant,

Hari Sharan Dasa

Jamuna Jeevan Krishna Dasa

Dear most Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet. All glories to you on this most auspicious occasion of your 122nd divine appearance on this planet.

Srila Prabhupada's gifts to the world were filled with tremendous spiritual value. He gave us a wonderful philosophy to live by, knowledge of our true spiritual identities, beautiful Deities of Radha-Krishna to worship, the all-auspicious holy name of Krishna and delicious Krishna-prasadam. Srila Prabhupada also gave us the spiritually enlivening association of devotees and the chance to attain love of Krishna and return to a life of eternity, bliss and knowledge in the spiritual world. In return for all these blessings, Srila Prabhupada asked nothing for himself. He simply asked that we refrain from sinful activities, chant Hare Krishna and give Krishna consciousness to others. In this way, selflessly giving of himself at every step, Srila Prabhupada perfectly exhibited the magnanimous nature of a pure devotee of Lord Krishna.

Lord Sri Chaitanya and Lord Nityānanda, who are like the sun and moon. They have arisen simultaneously on the horizon of Guru to dissipate the darkness of ignorance and thus wonderfully bestow benediction upon all. It is predicted that as the sun and moon gradually move west, the movement They began five hundred years ago will come to the Western civilisations by Their mercy. Srila Prabhupada, You are the one who brought the movement of Lord Caitanya to western world. In *Srimad Bhagavatam* 10.31.9 it is stated: "Oh, Lord Krishna, the nectar of your words and the descriptions of Your activities are the life and soul of those who are always aggrieved in this material world. These narrations are transmitted by exalted personalities, and they eradicate all sinful reactions. Whoever hears these narrations attains all good fortune. These narrations are broadcast all over the world and are filled with spiritual power. Those who spread the message of Godhead are certainly the most munificent welfare workers." (Bhāg. 10.31.9)

Srila Prabhupada , You are broadcasting the message of Lord Krishna all over the world without any consideration of cast ,creed ,nation or religion. We can just imagine how munificent You are "in this age of Kali, in present times , the perfectional stage of devotional service or the paramahansa stage of life cannot be attained without being blessed by the dust of the feet of Srila Prabhupada. It is never attained by tapasya (austerity), the Vedic worshipping process, acceptance of renounced order of life, the discharge of the duties of household life, the chanting of Vedic hymns, or the performance of penances in the hot sun, within cold water or before the blazing fire."

Therefore I very earnestly take shelter of the Lotus feet of His Divine Grace A.C. Bhaktivedanta Swami Srila Prabhupada by following His instructions completely. I pray to Your Divine Grace for spiritual strength to follow His instructions.

Your Most fallen servant,

Hare Krishna

Dear Srila Prabhupada,

Kindly accept my humble obeisance unto your lotus feet. Prabhupada this is 7th year I GOT this chance write homage for you. in all these years you are constantly giving direction to advance in Krishna con. As a disciple I never did my duties honestly but Prabhupada you never tired in your effort. there is a nice story in this connection. one day a sadhu went to the river to bathe. There he noticed scorpion struggling in the water. Scorpions cannot swim and the sadhu knew that if he did not save the scorpion, it would drown, therefore carefully picking up the scorpion, the sadhu rescued it from drowning and was just about to set it down gently on land when the scorpion stung his finger. In pain the sadhu instinctively flung his hand and the scorpion went flying back into the river. As soon as the sadhu regained his composure from the sting he again lifted the scorpion out of the water. Again before he could set the scorpion safely on land, the creature stung him. This drama went on several minutes. A hunter watched as the saint carefully and gingerly lifted the creature out of the water, only to fling it back in as he convulsed in pain from each fresh sting.

Finally, the hunter said to the sadhu, "Forgive me for my frankness, but it is clear that the scorpion going to continue to sting you each and every time you carry it to safety. Why don't you give up and just let it drown?" The sadhu replied, "My dear child the its scorpion's nature to sting. He doesn't realize that I am carrying him to safety. But just as it is the scorpion's nature to sting. So it is my nature to save. Just as he is not leaving his nature, why should I leave my nature? My dharma is to help any creature of any kind-human.

In same way I always give lot of pain to you by not making any sincerely effort to advance in Krishna Conciousness but you never left . Prabhupada you are helping innumerable living entities so they can regain their original con Krishna con. And you are not considered even once your personal comforts .Any one can realize this very easily if he look at once your activates . Prabhupada once again forgive me for all my offence's unto you .

Aspiring to become your servant, Kalanidhi Shayma Dasa

Kunjavihari Krishna Dasa

Dear Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet. Srila Prabhupada you lifted me from most fallen condition of life & blessed me with a wonderful temple life. Temple , a place where one is given the opportunity to render direct devotional service to supreme Lord Sri Krishna. Many places you advised that If one simply regularly chants & follow the rules and regulative principles , all questions of philosophy will be answered by Krishna from within & all doubt will be cleared. So my request to you that please make me serious in chanting & following regulative principles. In some places you also told that All the devotees connected with this Krishna conscious movement must read all the books that have been translated otherwise after sometime they will simply eat,sleep and fall down from their position. Prabhupada I don't want to miss the opportunity to attain an eternal blissful life of transcendental pleasure. Please bless me Prabhupada so that I can develop taste for chanting and reading your books and make me a eternal servant of your Lotus feet.

Yours fallen servant,

Kunjavihari Krishna Dasa

Kuntiputra Dasa

Dearest Srila Prabhupada,

Please accept my most humble obeisances at your lotus feet.

Thank you Prabhupada for giving me one more opportunity for writing this homage. Last year while writing this offering I was contemplating that I should write this more often as it gives me a chance to look upon your immense compassion for me. Actually it is the duty of a disciple to glorify his spiritual master in choicest words. Here I have tried my bit to do the same. Please accept this humble offering.

Whatever we read in the SB about pure devotional service we can see it practically manifesting in your character. In fact Your Divine Grace is the personification of all the vaisnava qualities. Your pastimes are a constant source of inspiration & enthusiasm for me. Here I have mentioned some of your qualities which will melt the heart of even a stone-hearted person.

1. Para duhkha-duhkhi

Although you were very comfortably situated in Vrindavan without having any anxiety whatsoever, still you took great trouble to go across the ocean only because you were very much concerned about the suffering souls. You were not having any distress of your own but you were simply disturbed by seeing the suffering of others. Just as Prahalad Maharaja has prayed (Sb 7.9.43)

naivodvije para duratyaya-vaitaranyās tvad-vīrya-gāyana-mahāmṛta-magna-cittāḥ

śoce tato vimukha-cetasa indriyārtha- māyā-sukhāya bharam udvahato vimūdhān

This is your exalted position.

2. Surrendered to Kṛṣṇa

Your divine grace superficially struggled for more than 30 years in India and when you were going to New York on the way you got 2 heart attacks, still you were praying 'boro-kṛpā koile Kṛṣṇa adhamer prati'. 'My dear Lord Kṛṣṇa, you are so kind upon this useless soul'. This illustrates the advanced consciousness of a pure devotee.

3. Always duty conscious

When Your Divine Grace was there in Vrindavan in 1974, you were attacked by malaria and temperature raised to 104°C . In such a weak state when you were barely able to move, at that time you personally attended the governor of UP who came to the temple for visit, hoping that it would be beneficial for the temple. Your Divine Grace is always concerned with the pleasure of the Lord neglecting your own comforts.

4. Boundless compassion

In your last days of physical presence Your Divine Grace became extremely weak and stopped taking food even but still you were translating SB so that your disciples may read it and advance in KC.

5. Humility

At the present moment so many people knew ISKCON but very few of them knows about Your Divine Grace because Your Divine Grace never advertised yourself as a very big person. You always gave credit to your Spiritual Master and Krsna. This is your humbleness.

There is no end to your auspicious qualities as Your Divine Grace is an ocean of all the godly qualities. So on this auspicious day I pray to your lotus feet to benedict me by always allowing me to remain under your shelter. My only prayer is that

“ vinoder nivedana vaisnava-carane krpa kori sange laha ei akincane ”

Please be merciful and take this worthless person into your association.

Your unworthy servant

Kuntiputra Dasa

Madhav Charan Dasa

You glorify your Guru Maharaj. You glorified the entire Gaudiya Smpradya. You glorify Krishna always.

You never take credit, but give credit, to every single individual who assists you in propagating the divine mission of Lord Caitanya Mahaprabhu. Although, You are personally guided by The Supreme Personality Of Godhead. – Lord SRI KRISHNA.

You are fully Krishna Conscious, in any circumstance or situation, you never forget Krishna.

You know the art – Always remember Krishna, never forget Krishna. During last moments of your physical pastimes, you were translating the books even in the midst of so many bodily and mental discomforts.

You are lover of Krishna. How can one write so much about God! When it comes to explain or describe ‘GOD’. It is a big mystery for everyone! You explained God in your Bhaktivedant Purports, you explained God in your multi voluminous books. I would recall the glorious collection of your transcendental Vani through which the whole world is hearing today, about Krishna – THE GODHEAD.

8172 Slokas of Srimat Bhagwatam – Reading one verse with purport daily would take the reader 22.38 yrs to complete!

700 Sloka of Bhagwat Gita – Reading one verse with purport daily would take the reader approximately 2 yrs to complete!

11555 verses or 2170 pages / 17 volumes of Chaitanya Caritamrita – Reading one verse with purport daily would take reader 31.6 yrs to complete.

You started Monthly magazine ‘Back to Godhead’ in 1944, at one point it was distributed in excess of one million copies per month.

You wrote more than 70 books.

6341 personal letters to your disciples.

1989 lectures (Srimad Bhagwatam, Nector of instruction , Nector of devotion, Bhagwat Gita, Brahma Samhita, Ishopanishad and many more scriptural texts)

In just 12 yrs of your advanced age, you travelled across the globe 14 times on lecture tours.

You established 108 Krishna temples across the world.

You initiated 10,000 disciples

You began the scientific academy [The Bhaktivedant Institute]

You opened Gurukuls to educate children from the very beginning about the science of God.

You have unlimited qualities. My words and memory are not enough to comprehend your personality in limited words.

I would recall one of the conversation happened in between you and a reporter.

Reporter: What will happen to the movement in the United States when you die?

Prabhupāda: I will never die.

Devotees: Jaya! Hari bol! (laughter)

Prabhupāda: I shall live for my books, and you will utilize.

Śrīla Bhaktivinod Thakur says – “He reasons ill who says that Vaiṣṇavas die,

When thou art living still in sound!

The Vaiṣṇavas die to live, and living try

To spread the holy name around.”

Ohe! vaisnaba thakura, doyara sagara e dase koruna kori |

diya pada-chaya, sodho he Amaya tomara carana dhorī ||

“O Vaisnava Thakura! O ocean of mercy. Please be merciful to your servant. Keep me sheltered under your lotus feet and purify my heart. With both hands, I firmly grasp your lotus feet.

kṛṣṇa se tomara, kṛṣṇa dite paro, tomara shakati ache |

ami to kangala, kṛṣṇa kṛṣṇa boli, dhai tava pache pache ||

Krishna is yours. And you have the power to give Krishna to me. I am just a poor beggar running behind you chanting, “Krishna Krishna.”

Śrīla Bhaktivinoda Ṭhākura has therefore recommended vaiṣṇava ṭhākura, tomāra kukkura, bhuliyā janaha more, kṛṣṇa se tomāra kṛṣṇa dite pāra. One should desire to become like a dog in strictly following a devotee. Kṛṣṇa is in the hand of a devotee. Adurlabham ātma-bhaktāu. Thus without the favor of a devotee, one cannot directly approach Kṛṣṇa, what to speak of engaging in His service. Narottama dāsa Ṭhākura therefore sings, chāḍiyā vaiṣṇava-sevā nistāra pāyeche kebā: unless one becomes a servant of a pure devotee, one cannot be delivered from the material condition of life. In our Gauḍīya Vaiṣṇava society, following in the footsteps of Rūpa Gosvāmī, our first business is to seek shelter of a bona fide spiritual master (āḍau gurv-āśrayaḥ).

Thank you Srila Prabhupada for giving me this beautiful Krishna Conscious journey. This is really, as you said, simply wonderful.

Give me strength and intelligence to fight with anarthas and vaishnava aparadha.

Seeking for your eternal association. Trying to become your humble servant.

Maha Kurma Dasa

To dear most spiritual master Srila Prabhupada.

Please accept my most respectful obeisances at your lotus feet. All glories to your Divine Grace.

The glories of your divine grace's devotional service to Lord Caitanya are unparelled. Lord Caitanya's mission has spread all over the world, because of your tireless effort. You planted the seed of the sankirtana movement, all across the world in a very short time most miraculously.

In sri caitanya caritamrita, it is said Krishna sakti vina nahe tara pravartana Unless empowered by Krishna one cannot propagate the sankirtana movement. Thus your divine grace was directly empowered by Krishna to preach the nama sankirtana all over the world. As you quote in one of the lectures from prema vivarta Janme janme sabe pita mata paya Krishna guru nahi mile bhaja hari ei. In the transmigration of the soul through different bodies, everyone, in every form of the life-be it human, animal, tree or demigod-get s father and mother. This is not very difficult. The difficulty is to obtain a bonafide spiritual master and Krishna. There fore the duty of a human being is to capture the opportunity to come in touch with Krishna's representative, the bonafide spiritual master. Under the guidance of the spiritual master, the spiritual father, one can return home back to Godhead.

Just as darkness cannot stand in front of light anyone who takes shelter of your lotus feet will not remain in Darkness. Just by worshipping your lotus feet, one can achieve the perfection of human life.

Srila narottama dasa Thakur sings " tadera carana sei, bhakta sane vasa Janame janame hoye, ei abhilasa " One must worship the lotus feet of the acarya and live within the society of devotees. Then one's endeavour to cross over nescience will surely be successful. In sri caitanya caritamrita Madhya 20.123

shastra-guru-atma-rupe apanare janana krishna mora prabhu, trata-jivera haya jnana

Translation: The forgetful conditional soul is educated by Krishna through the vedic literatures, the realized spiritual master and the super soul. Throught these he can understand the supreme personality f godhead as he is, and hecan understand that Lord Krishna is his eternal master and deliverer from the clutches of maya. In this way one can acquire real knowledge of his conditioned life and can come to understand how to attain liberation.

yāvan nṛ-kāya-ratham ātma-vaśopakalpaṁ dhatte gariṣṭha-caraṇārcanayā niśātām

jñānāsim acyuta-balo dadhad asta-śatruḥ svānanda-tuṣṭa upaśānta idaṁ vijayāt

As long as one has to accept a material body, with its different parts and paraphernalia, which are not fully under one's control, one must have the lotus feet of his superiors, namely his spiritual master and the spiritual master's predecessors. By their mercy, one can sharpen the sword of knowledge, and with the power of the Supreme Personality of Godhead's mercy one must then conquer the enemies mentioned above. In this way, the devotee should be able to merge into his own transcendental bliss, and then he may give up his body and resume his spiritual identity. SB 7.15.45

As Krishna is worshipped as Gopala, the protector of cows, Srila Prabhupada by your mercy we have got the opportunity to serve thousands of cows in our Hingonia goshala. We have also spread our preaching in various colleges in Rajasthan, Punjab, Kharagpur, etc. We conducted a six months course for our congregation devotees,

who were eligible to take initiation from your divine grace. We are awaiting for their Lordships Sri Sri Radha Krishna to manifest in their diety form and bless all of us with their service.

Reviving devotional service of lord sri Krishna is only possible when taking shelter of spiritual master, I've been very fortunate that you have given me the shelter at your lotus feet and allowing me to continue serving their lordship sri sri Krishna Balaram, Jagannath Baladev Subhadra, Gaur Nitai and all the vaishnavas.

Please forgive me for all the offenses which I've committed at your lotus feet and unto all the vaishnavas and bless me to continue serving this movement of Lord Caitanya until the last breath of my life.

-Srila Prabhupada, You give us spritiual way of life or sadhana bhakti process, By which following seriously one can come out from bodily concept of life and realize his real savarupa that eternal servent of Krishna."Aṣaṅgo hy ayaṁ puruṣaḥ". I have nothing to do with this material world.I belong to spritiual world,spritiual society,Acarya's family,Krishna's family.

-In Srimad-Bhagavatam(10.14.58)

“For those who have accepted the boat of the lotus feet of the Lord, who is the shelter of the cosmic manifestation and is famous as Murāri, the enemy of the Mura demon, the ocean of the material world is like the water contained in a calf's hoof-print. This material world is “saṁsāra-dāvānala-līḍha-loka” but only by your grace it become “vatsa-padam”. -This Bhagavat philosophy meant for “paramahamsānām

Nikhileshwara Krishna Dasa

My beloved Spiritual Master Srila Prabupada,

Please accept my Humble Obeisance at Your Lotus Feet. This Journey of Self realization that You have blessed me with is wonderful and with many ups and downs like a roller coaster. And I pray you to remain my only shelter and Savior in this Journey life after life. For a disciple, the first and foremost duty is to understand the importance of his spiritual master in his life. He has to realize and live with the understanding that without his spiritual master he has no existence. The spiritual master is not an ordinary person and He is sakshad Hari. His instructions are the life and soul of the disciple. One cannot act independently and whimsically and do whatever he wants. He has to realize and understand his position in reality that he's an insignificant and a tiny soul who is completely on the mercy of his spiritual master. Without the mercy, he has no 'gati' either in this world or in the next. Yasya prasada Bhagwat prasado yasya aprasada na gatiḥ kuto api. If one tries to live and act independently it means that he is living in an illusion that he is omnipotent and can do anything that he wants. So it is extremely important to live in the domain of the spiritual instructions given by Your Divine Grace.

Your best blessing to all of us is that You are always with us through Your Vani and what else do we need. The only blessing that we need is to have inclination and taste in associating with You through Your Vani. Guru mukha padma vakya citte koriya ekya aur na koriho mane asha. We should not expect more than this in this wonderful society otherwise soon we'll again fall back into the trap of material understanding. With this minimum expectation, we can go on successfully in Your shelter life after life. In this way, the life is very simple and otherwise, it remains complicated. Srila Prabhupada on this auspicious day I pray You to bless me to advance more and more in the understanding of Guru-Tattva to realize Your Divine position. As the more I'll understand You the more I'll be surrendered unto You and become a worthy disciple.

Seeking eternal shelter unto Your Lotus Feet,

Nikhileshwara Krishna Dasa

Nilambara Krishna Dasa

My Dearest Srila Prabhupada,

Please accept my most humble and respectful obeisances at your lotus feet. All glories to your divine appearance!

Lord Siva declared that the highest object of worship is Lord Vishnu, but that higher still is the worship of Lord Vishnu's servant, the Vaishnava. Therefore, worship of you, Srila Prabhupāda, is the highest form of pūjā. I know that the illusory energy of the Lord is always testing me and try to dissuade me from the main mission of my life. I feel that I am incomplete and not satisfied due to my poor quality of sadhana, chanting and reading. I am not finding any taste when I chant, hear or read due to my material disease. I am extremely unqualified. I am totally unable to do anything by myself, and on top of that my heart is so full of false ego. I am indeed hopeless. But I have a very strong desire to follow your order of preaching Krishna consciousness to the people in general. But before that, I would like to make my life perfect by practicing Krishna consciousness very seriously, especially by doing strong sadhana. I am not very serious in devotional service and in sadhana at present. I am struggling to cross over all these problems. I am very weak in both mental and emotional. I am getting disturbed, disappointed and agitated for very small small things. In this stage of mind, how can I preach to others?

But I have strong faith in your words that by following your instructions strictly I will be able to cross over these problems. A letter you wrote to Krishna dasa in 1972 has been a steady beacon of inspiration for me. You wrote "You mentioned that your pathway has become filled with stumbling blocks, but there are no stumbling blocks. I can kick out all those stumbling blocks immediately, provided you accept my guidance. With one stroke of my kick I can kick out all stumbling blocks. Srila Prabhupada, somehow or other, due to my inconceivable good fortune, I have offered myself to you; therefore please reclaim what really belongs to you. Please use me in whichever way you want. Please destroy all the resistance and reluctance that may stem from the anarthas that I have accumulated since time immemorial. Please, never ever allow me to forget that I am sold out to you and I do not have any independence anymore. I went to follow your guidance but I required your causeless mercy to cross over these stumbling blocks. And become very strong in Krishna consciousness and strictly follow authorities who are following you and I may not have any independent desire other than serving your mission.

Therefore, on this auspicious day, I, your unworthy servant, pray for forgiveness for my many failures and shortcomings. I pray again and again that I always remember you and your instructions and never deviate from the auspicious path that you have given. I pray that I may always remember you and serve your order. I pray that I may always remain a part of your spiritual family. I pray that I may not waste this opportunity. From the bottom of my heart I thank you again and again, Srila Prabhupāda. May your fame be spread all over the three worlds.

Your son who is in desperate need of your mercy,

Nilambara Krishna Dasa

Prana Vallabha Dasa

Dear Srila Prabhupada.

Humble obeisances unto your Lotus Feet. Vyasa Puja an important occasion for devotees .Vyasa Puja is day to remember your pastimes. We may not be able to glorify you properly, but SP will accept it,bcoz being conditioned soul wants to glorify himself & we find problem in glorifying others.For a disciple today's day is more important than Janmastmi. As said in Bhagavad Gita 8th chapter,

"According to Vedic opinion, there are two ways of passing from this world — one in light and one in darkness. When one passes in light, he does not come back; but when one passes in darkness, he returns."

"Although the devotees know these two paths, O Arjuna, they are never bewildered. Therefore be always fixed in devotion."

Kṛiṣṇa is here advising Arjuna that he should not be disturbed by the different paths the soul can take when leaving the material world. A devotee of the Supreme Lord should not worry whether he will depart by arrangement or by accident. The devotee should be firmly established in Kṛiṣṇa consciousness and chant Hare Kṛiṣṇa. He should know that concern over either of these two paths is troublesome. The best way to be absorbed in Kṛiṣṇa consciousness is to be always dovetailed in His service, and this will make one's path to the spiritual kingdom safe, certain and direct. By the above statements of the Bhagavad Gita one need not be fear of death. So you have given us benediction to be fearless, as one your name ABHAYA also means the same. So you have made your name as purposeful. Outside people are in full anxiety at every moment about their career, future, their lives. But by your mercy all these all anxieties do not touch us. Also stated in Srimad Bhagvatam:

nārāyaṇa-parāḥ sarve na kutaścana bibhyati svargāpavarga-narakeṣv api tulyārtha-darśinaḥ

"Devotees solely engaged in the devotional service of the Supreme Personality of Godhead, Nārāyaṇa, never fear any condition of life. For them the heavenly planets, liberation and the hellish planets are all the same, for such devotees are interested only in the service of the Lord." This verse explains that devotees are nārāyaṇa-para, simply dependent on Nārāyaṇa. They do not mind reverses in life because in the service of Nārāyaṇa they have learned to tolerate whatever hardships there may be. They do not care whether they are in heaven or in hell: they simply engage in the service of the Lord. This is their excellence. So I would like to thank you for making my life fearless & request you to give me benediction that I always remain fearless in all reversals of my life.

All Glories to Srila Prabhupada,

O my beloved Spiritual master here in front of you is your most fallen disciple of yours, unparallel is your mercy and kind heartedness as even though after falling so many times in following simple instruction given by you , still you cared for me and gave me shelter at your divine lotus Feet just like as a mother cares for her new born child. You always fulfilled my desires those which helped me to grow in Spiritual life, not just spiritual but even those desired which were on material plan. But very wisely you revealed from within that none of the material thing can ever give us happiness even if we cover them with the garb of service. Which itself is a proof that the relation between Spiritual Master and Disciple is not just on bodily ground but it is on a Parmatomic plane.

Ocean of realization are your Bhaktivedanta Purports which acts as an instant medicine for some chronic disease , as recently when I was too anxious regarding my service I came across a very beautiful purport of Srimad Bhagavatam 3.9.30 where Lord says to Bhramaji that “ The mercy of Lord bestows upon a particular person engaged in executing the responsible work entrusted unto him is beyond imagination. But his mercy is received due to our penance and perseverance in executing devotional service”. These very lines helped me to understand that success in spiritual life not just depends upon paddling of our hands and legs but majorly it depends upon our seriousness in executing our Devotional service.

This time I have tried to write a short poem/song for you, please forgive if there are any mistakes

O Dear Spiritual Master, Thank you for saving me from biggest disaster. As I was on the path of committing spiritual suicide, But fortunately you came on my side. You holded my hand and took me off the darkness, By your kindness and mercy we got the path of goodness. You are so kind, You have changed a devils mind. O Dear Srila Prabhupada, I pray from core of my heart, That you never keep me apart, From your family of which now I am a part.

Dear Srila Prabhupada,

Please accept my humble obeisance unto your lotus feet's. Thank you srila Prabhupada for giving me opportunity to write vyasa Pooja offering on the occasion of your divine appearance day. As we are daily singing these line during Guru Pooja

śrī-guru karuṇā-sindhu, adhama janāra bandhu, lokanātha lokera jīvana.

Our spiritual master is the ocean of mercy, the friend of the poor, and the lord and master of the devotees. Srila Prabhupada you mercy fully created spiritual hospital there a condition soul can get opportunity to take medicine of HOLY NAME, ASSOCIATION OF DEVOTEES, KRISHNA PRASADAM, YOUR TRANCENDENTAL VANI (books & recorded lecture) and come out from material disease. But I am such foolish person that I am getting familiarly towards all these medicine and knowingly committing spiritual suicide's. my lord please save me from these diseases

*śrīla viśvanātha cakravartī ṭhākura write in śrī śrī gurv-aṣṭaka
yasya prasādād bhagavat-prasādo yasyāprasādān na gatiḥ kuto 'pi*

By the mercy of the spiritual master one receives the benediction of Krishna. Without the grace of the spiritual master, one cannot make any advancement. The simplest way to receive grace of spiritual master is to follow instruction strictly perform devotional services to his lotus feet. And always hanker for association of pure devotee as Dhruva maharaja prays Dhruva Maharaja continued O Unlimited Lord, kindly bless me so that I may associate with great devotees who engage in Your transcendental loving service constantly, as the waves of a river constantly flow. Such transcendental devotees are completely situated in an uncontaminated state of life. By the process of devotional service, I shall surely be able to cross the nescient ocean of material existence, which is filled with the waves of blazing, fire like dangers. It will be very easy for me, for I am becoming mad to hear about Your transcendental qualities and pastimes, which are eternally existent. (sb-4.9.11) Srila Prabhupada I am begging from you please engage me in your devotional service and always keep me in your association

Dear Srila Prabhupada,

Please accept my humble obeisance unto your lotus feet.

One more year passed under your caring shelter and because of your causeless mercy that I was able to stick to your lotus feet. Even though I'm not capable still you are allowing me to render service in your movement and thank you for making me an instrument in the progress of your glorious movement. Prabhupada, your Bhakti Vedanta Purports are like glowing lamp in the darkness of nescience and it is helping me to understand the spiritual subject matter in a right perspective. If not your purports the confidential pastimes of the supreme lord are sure to be misunderstood by common people. I'm greatly benefited by enlightenment which comes from your books. Please bless me to develop attachment for your transcendental books and instructions.

Prabhupada you know everything about me and it is your kind mercy that still I'm able to remain in the movement even after repeated mistakes. Please give more taste in sadhana and service. It is a very well-known fact that wood cannot be burned properly if it is ignited on one side and pour water from the other side and similar is my condition and it'll not be possible to come out of this stage without your guidance. Please hold my hand and guide me towards Krishna prema and never ever neglect me because if I hold your hand I may leave yours under the influence of maya but I'm sure you won't leave my hand. I'm indebted to your divine grace life after life and I cannot repay the debt to you. O merciful spiritual master please be kind upon me and give me shelter under your lotus feet.

Your most fallen disciple,

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to Srila Prabhupada. All glories to you on this auspicious day of your Vyasapuja.

This is your blessing on me that I am before you to write an offering on this auspicious day. My Dear Prabhupada last year was really very challenging with good fight with material people and senses desire, it's you, your teaching and your institutions have bonded me for the service of KRISHNA for which KRISHNA has given this human life. It is you only which is making me to do the service without any conflict otherwise who am I, to give satisfactions to the people around me, it is your teaching which are making to understand the things surrounding to me.

Prabhupada you who have engage me in your Prasadam distribution program for making the people Krishna consciousness and making them benefited by getting the Lord Krishna mercy through Prasad. I am doing my best to distribute this Prasadam to go to many peoples keep on blessing me in this service so that at all moment I remember YOU and KRISHNA only then it will be possible for me otherwise this path of doing the service with lot of challenges and allurements around will not let me to give my best.

Prabhupada somewhere I am not following your instruction for the daily program due to circumstance around and at that moment my mind cheat me and force me to do things which suits the MIND kindly bless me enough so that I can control my mind and follow the daily program without fail and memorise your instruction with your understanding because this will be strength for me to Serve the mission of Chaitanya Mahaprabhu to spread the message of KRISHNA THE SUPREME PERSONALITY OF GODHEAD. Please forgive my offences and begging to remain under the shelter of your lotus feet and in your divine movement in the association of your sincere devotees.

Your Humble Servant

Raghupati Dasa, Jaipur

Raghvanand Dasa

Dear Srila Prabhupada,

Please accept my most respectful obeisance at your lotus feet. All glories to Your Divine Grace.

By your causeless mercy, I am continuing my eternal journey in Krishna consciousness. In one of your lectures on Prahlada Maharaja's prayers, you logically explained that One may be having demonic mentality or born in a low grade family but by offering prayers to the Lord or his representative, one can purify himself and thus connect with the Lord. Although not qualified, but still trying to glorify single drop out of unlimited ocean of your causeless mercy.

Few months back, I read your biography including few recorded conversations, it was really inspiring and each word from your tongue was directing us toward Krishna consciousness, i.e. a transcendental vibration that can awake the sleeping soul. From the biography, your transcendental preaching of the Holy Name in Western countries. In a morning walk conversation on January 4, 1976 in Nellore, devotees asked you a question:

Devotee (2): Prabhupada, they said that if Chaitanya Mahaprabhu wanted Krishna consciousness in the Western countries, why didn't He go there Himself? That's what they told us.

Prabhupada: So He left the credit for me. (laughter)

Devotees: Jaya! Haribol!"

In one more conversation Once a reporter asked, you were inviting everyone to Krishna consciousness does that include all the hippies and you replied humbly yes everyone including you and anybody else he or she what is called a hippie or acid head or something else but once he is accepted for training he becomes something else for what he had been before and I felt it in my journey of Krishna consciousness still much of my sincerity (lolyam) is required to receive your causeless mercy you have accepted everyone in this movement regardless of sex caste position or whatever everyone is invited to come and chant Hari Krishna this is your Liberty and your causeless Mercy you never considered changing your message. Even in one of the conversations you boldly said "I can't change the philosophy to please the Americans". Seeking your blessing, to identify the weeds in my tender tiny bhakti lata, and make me strong to wipe out all weeds. Srila Prabhupada, we can never repay our debt to you for mercifully giving us the precious Holy Name. Apart from feeling of gratitude for saving me from ignorance, I have only intellectual and philosophical appreciation for you as my eternal spiritual master. I am so young and foolish to actually understand your causeless mercy. However the scriptures reveal that unless one has the same faith and love for Guru as much as he has for Krishna, the secrets of all Vedas are not revealed:

yasya deve para bhaktir yatha deve tatha gurau tasyaite kathita hy arthah prakasante mahatmanah

The real import of the scriptures is revealed to one who has unflinching faith in both the Supreme Personality of Godhead and the spiritual master. Srila Prabhupada, when will I have that implicit faith and love for you, required under this prescription from the Śvetāśvatara Upaniṣad-6.23, to call myself your true disciple? I am greedy for more of your merciful glance upon me to remain forever in the transcendental plane of eternal service to your eternal mission of eternally liberating the conditioned souls from this world.

I beg to remain the servant of your servants,

Raghvanand Dasa

Sanat Kumar Dasa

All Glories To Srila Prabhupada

Dear Srila Prabhupada,

Kindly accept my humble obeisances unto your lotus feet. On this most auspicious day of your Divine Grace appearance first I thank you from the depth of my heart for accepting me as Your disciple and thus giving a definite path and proper direction to my life. I would like to say few words. The symptoms of the bonafide spiritual master are stated in Srimad-Bhāgavatam (11.3.21):

tasmād gurum prapadyeta jijñāsuḥ śreya uttamam śābde pare ca niṣṇātaṁ brahmaṇy upaśamāśrayam

"Any person who is seriously desirous of achieving real happiness must seek out a bonafide spiritual master and take shelter of him by initiation. The qualification of a spiritual master is that he must have

realized the conclusion of the scriptures by deliberation and arguments and thus be able to convince others of these conclusions. Such great personalities, who have taken complete shelter of the Supreme

Godhead, leaving aside all material considerations, are to be understood as bonafide spiritual masters."

Srila Prabhupada.....Please bestow mercy upon me and make me a best soldier of of your army and placed me as best devotee in the service of Krishna. Generally, I find myself safe in shelter of your lotus feet but still I required your mercy in my whole life without any gap and keep me as a dust at your lotus feet. I am ever indebted to you. I cannot fully express my gratitude to you. Please bless me so I may help you in your movement for the rest of my life. I am able to practice my sadhana to some extent by your mercy but the quality of my sadhana is not satisfaction. Last Five years, I am doing LLP preaching and some other services. So please blessed me that I can do nicely and aloof from other bad thing.

Our temple at Jaipur increased many things like book distribution, congregation preaching, folk preaching, school preaching, LLP program, Akshaya patra, Gaushala and Akshaya Amrita. And apart this Sri Sri Krishna Balaram Temple is being constructed in Jaipur. So we need your grace to keep all programs running smoothly. May you bless me to get from all material desires, lust, greed and false ego.

Please Prabhupada be always merciful unto me. Give me the shade of your lotus feet.

My Beloved Spiritual Master Srila Prabhupada,

On this auspicious day of Your appearance let me pay my heartfelt gratitude to the dust of your Lotus Feet, which has protected me so far in the course of devotional service

The glories of the dust of your Lotus feet is such that even millions of Vyasdeva couldn't describe it in millions of Bhagavatam

Its one synopsis is mentioned in our Scriptures, (Ref --- Srimad Bhagvatam 1.1.22)

“tvam nah sandarsito dhatra dustaram nistitirsatam kalim sattva-haram pumsam karna-dhara ivarnavam”

Oceanic Time Waves drench my Soul's Beach

To fill it with garbage of sinful impeach

You can only grow Devotional trees on its Bank screen

Only Your mercy O Master could make it Serene

Having a Spiritual Master like you is a Privilege

& a Fortune of many-many lifetimes

Hearing about You develops SAMBANDH with Your Pastime

Only by Your mercy one can shift his paradigm

Smokes of Past Attachments blackens my Heart

Fire of False Ego burns me apart

When A devotee in his life-course may doomed in the Black Sea

Only a Spiritual Master like you protects him by his mercy

When no one comes to give me Support

When no one understands my Life's Purport

One may at times go through Situational Agitation

O! Master you come to play a role by giving your Association

One who understands the Deepest Desires of his Servant

One who make things favourable to fulfil by being Fervent

The constant accompaniment in your disciple's Achievement

The Mercy of Dust of your Lotus Feet is quite Abundant

When the Shine of your Lotus Feet Reflects

To shine back unto one's Heart to connect

One can overcome one's limiting Aspect

Just Introspect one's Heart to see the Effect

Dust of Your Lotus Feet Fall unto one Fortunate

Who puts your Desire & Mission in one Coordinate

Then he is provided by resource of Infinite
& is Blessed to be his Subordinate in his Cabinet
To fulfil your Desires one who has a Craving

A smile on your face brings to him an Auspicious Inning
When one glorifies the Dust of Your Lotus Feet
Glorifier is Glorified as Mirror when Reflected Complete
When one Sacrifice one's interest for Your Interest's Feat
Soothing rays of your Moon like feet bathes him to mitigate his Heat
The Unfavourable winds of the Dark Ocean
Turbulent Life Boat breaks my Absorption
You sit next to me & gives me Courage
To bear it with Knowledge & Devotion
Day & Night engagement in Service is required
To protect one from Onslaught of Maya's Conspire
Only you can give engagement to one who Enquire
But, One has to Beg for your mercy to Transpire
Now when the time has come to Preach
To Glorify Krishna & His Name Oversees
I seek your Blessings & Empowerment
To make my Speech suitable enough to Teach
Looking forward for your Kripa
In the Journey to become a servant of your Servant
Looking forward for a Life-Long Shelter
In the Dust of your Lotus Feet

I offer my respectful obeisances unto His Divine Grace A.C. Bhaktivedanta Swami Prabhupada, who is very dear to Lord Krishna, having taken shelter at His lotus feet. My respectful obeisances are unto you, O spiritual master, servant of Bhaktisiddhanta Saraswati Goswami. You are kindly preaching the message of Lord Chaitanyadeva and delivering the Western countries, which are filled with impersonalism and voidism.

Most respected Srila Prabhupada,

I have been fortunate to become your disciple and get your guidance for the ultimate goal of our life. I am grateful to Lord Krishna for sending an empowered representative. I am grateful and indebted to you Srila Prabhupada, for creating and showing me the path to reach the ultimate goal by devoting our life in the service of Lord Krishna, The Supreme Personality of Godhead. Srila Prabhupada last 2 years were very bad for me, I made very big mistakes in my spiritual life and left the ashram, I broke your trust on me, Srila Prabhupada I beg you to please forgive me for all my mistakes and please give me spiritual strength to follow all your instructions. Gurudeva I am trying to improve my behaviour and serve you. I beg you to always keep me in your service under your shelter. I am your notorious child, please forgive me. Thanking you Srila Prabhupada for everything.

Your notorious servant,

Dear Srila Prabhupada,

dhyana moolam guru murti puja moolam gurur padam, mantra moolam gurur vakyam, moksha moolam guru kripa

Guru Gita - Skanda Purana Conversation between Lord Shiva and Parvati mataji

Translation: The Guru's form is the best to meditate upon; the Guru's feet are the best for worship; the Guru's word is the mantra; the Guru's Grace is the root of liberation.

In the neophyte stage, in the intermediate stage, or in the fully advanced perfected stage, one can make the function of the head perfect by bowing down before the Lord or His representative. Similarly, he can perfect the function of the eyes by seeing the Lord and His representative. In this way, everyone can elevate the functions of the different parts of his body to the highest perfectional stage simply by engaging them in the service of the Lord or His representative. If one is able to do nothing more, he can simply bow down before the Lord and His representative and drink the caranamrta, the water which has washed the lotus feet of the Lord or His devotee."

(Krishna Book, Chapter 80)

I bow to lotus feet of such a pure devotee you Srila Prabhupada with great awe and reverence.

In Srimad-Bhagavatam (3.28.32) Lord Kapiladeva says:

A devotee should meditate on the most benevolent smile of the Lord, a smile which, for those who bow to Him, dries away the ocean of tears caused by intense grief. I pray that I can bow lower and lower to you, Srila Prabhupada, life after life. Your benevolent smile, just like the Lord's, is miraculously drying up my ocean of tears brought about by lifetimes of sin. I had no hope for deliverance, and certainly did not deserve it, but you suddenly and causelessly saved me up from my misery and showered all good fortune upon me.

Your joyful association has proven contagious, because for the first time since I came to this material world I am learning what it actually means to smile, and there is certainly no boon greater than this. You are uncovering your devotees' eternally blissful nature. You have set us free to chant and dance in transcendental happiness all over the planet. In fact, you are setting the entire planet free by your ecstatic sankirtana of the holy names. All glories to you, Srila Prabhupada! May your smile forever light up the world!

For this lowly self, the war takes place not only on the outside but also within my own contaminated consciousness, and that is even harder for me to reckon with than any external impediment I might face. But taking shelter of your words has time and time again saved me from being defeated by my insidious false ego.

The mind is like an impetuous horse that even persons who have regulated their senses and breath cannot control. Those in this world who tries to tame the uncontrolled mind, but who abandon the feet of their spiritual master,

encounter hundreds of obstacles in their cultivation of various distressful practices. O unborn Lord, they are like merchants on a boat in the ocean who have failed to employ a helmsman. - SB 10.87.33

The Kāṭha Upaniṣad (2.9) declares,

naiṣā tarkeṇa matir āpaneyā proktānyenaiva su-jñānāya preṣṭha

"This realization, my dear boy, cannot be acquired by logic. It must be spoken by an exceptionally qualified spiritual master to a knowledgeable disciple."

It has been accepted among the body of Vaisnavas that you have accomplished in this world what only a sakti-avesa avatara could accomplish. Indeed, millions of people know of your unparalleled preaching and writing, and even those who are not kṛṣṇa-bhaktas are appreciating all that you have done. However, when your followers meditate on your glories, it is often not these great accomplishments that come to mind, but your simple lovable qualities and intimate pastimes that most fascinate and endear us to you.

Śrīla Śrīdhara Svāmī prays,

*yadā parānanda-guro bhavat-pade padam mano me bhagaval labheta
tadā nirastākhila-sādhana-śramaḥ śrayeya saukhyaṁ bhavataḥ kṛpātaḥ*

"O transcendently blissful guru, when my mind finally achieves a place at your lotus feet, all the tiresome labor of my spiritual practices will be finished, and by your mercy I will experience the greatest happiness." Seeking Eternally Shelter at your Divine Lotus feet.

Sudheera Sampad Dasa

Respected Srila Prabhupada,

please accept my humble obsequies.

I recollect Prabhupada, when I was in darkest ignorance of my life. Not knowing the purpose of my life, making big-big plans for material achievements. Due to your mercy, I came in touch of your movement where I can boldly say that you are my spiritual master, not got deluded by bogus gurus. In course of my services, I went so much up and down and many times, I reached the corners. But due to your grace, each time I saved myself. Request you Prabhupada, kindly empower me to do devotional service, unconditionally and help me to widen my path, to go back to godhead.

your eternal servant,

"Some behave very well but do not preach the cult of Krishna consciousness, whereas others preach but do not behave properly. You simultaneously perform both duties, in relation to the holy name by your personal behaviour and by your preaching. Therefore you are the spiritual master of the entire world, for you are the most advanced devotee in the world." (Cc. Antya 4.102-3)

Dear Srila Prabhupada,

Please accept our prostrated obeisance at your lotus feet. These above statements by Srila Sanatan Gosvami about Haridas Thakura apply most suitably to Your Divine Grace. By your personal example you have revealed to us the

high standard of devotional service that we, your disciple. Offerings of flowers and poetic eulogies on this most auspicious day certainly in the line of Vaisnava etiquette, the real mode of worship for all of us is to engage in following your instructions. In the sastras it is said that the spiritual master always remains with those disciples who strictly follow his orders. Srila Prabhupada, you gave us the real life, which is the science of self-realization and Krishna-Prema. Actually, we are insignificant disciple. Whatever service we may perform is also very little, but we try to please you by our little efforts. Although we are unqualified neophyte devotees, we are sure that by Your Divine Grace, we will come to know you. This we will accomplish by serving your disciples who are nicely carrying out your order.

You're most unworthy servant,

Dear Prabhupada,

Please accept my humble obeisance unto your lotus feet. Your Divine Grace’s personal presence at every moment of my life is making me to continue being Krishna Conscious, which is the rarest thing in the whole creation. On the most auspicious occasion of Your Divine Grace’s appearance day in this mortal world, I would like to offer my sincere gratitude, although it is not possible to repay for what His Divine Grace has brought in my life.

Dear Prabhupada, I am always feeling that I am not able to follow the standards but how compassionately Your divine Grace is helping me to stay back and progress in devotional service under the guidance of our Elder Vaisnavas is something which makes me feel how magnanimous your heart is. Prabhupada, kindly help me in Chanting attentively, following Sadhana and carrying out the services with enthusiasm, determination and patience. Your Divine Grace’s causeless mercy is the only hope for my successful journey.

Always in need of becoming your servant, Vijaya Sarathi Dasa

Dear Srila Prabhupada,

Please accept my humble obeisance unto your lotus feet. With your blessings and causeless mercy, you have formally accepted and initiated a fallen soul like me unto your lotus feet. It has been 10 years since I have come to this movement and still feel like I have just began my Krishna conscious journey. Your teaching are so vast that it feels like a lifetime is not enough to understand what you have written in your books. Just like the sun dispels the darkness of night, you have just come in our life and are dispelling the darkness of ignorance through your books and lectures. I pray to you that please help me always from this darkness of ignorance and always guide me through your instructions via your books and lectures. Srila Prabhupada kindly help me in following your teaching and spread this movement to the fullest of my ability. Please help me to always be in yours service,

Your servant,

Dear Srila Prabhupada.

Please accept my humble obeisances. All glories to you.

Recently I completed bhakti shastri, nectar of devotion part. The last conclusive day, I was told the authenticity of our Krishna conscious process. That ,how Rupa goswami compiled this book to a sincere practitioner, each item has reference from vedic literature. Some times Babaji in vrindavan, criticize iskcon devotee, not being austere but they themselves do not follow properly, even smoke bidi and sometime involve into illicit affairs, that is their audacity . But your Divine Grace, made this institute and whole 24 hours program, in such a way that we effortlessly follow all regulations of vaidhi bhakti. This gave me goose bumps, when I heard that, you are amazing Prabhupada. By your Divine intervention, I am able to see myself an embodiment of Anarthas. You do educate and alarm me, timely rightly and precisely, not to go off track from devotional service. I am grateful for that Prabhupada. I have no devotion , no attachment to serve Krishna and your Divine instructions, please do some magic, bestow some Causeless Mercy of your self. In these days this teaching of yours, striking me a lot.

Mukham karoti vacalam Pangum laghyate girim Yat kripa Tam Aham vande.

Rather depending upon you and stressing upon purification this rascal mind wants more skills and talents. Help me to become your instrument Prabhupada. It is said if someone is free from material desires, can be a effective preacher. As you know, I was given responsibility of panjab and Himachal state to make youngster Krishna conscious. Let me apply these two basics of your instructions. Hoping for betterment in Krishna Consciousness.

Your fallen servant,

Vrajraj Dasa

Dear Srila Prabhupada,

Please accept my humble obeisance. Today is the most glorious day of your divine appearance on this planet. I feel blessed when I recollect all the important turns in my life brought by your mercy.

It is said that Lord can easily offer liberation, but He rarely agrees to offer a soul devotional service because by devotional service the Lord Himself become purchased by the devotee. In the tantra-śāstra, where Lord Śiva says to

Satī, "My dear Satī, if one is a very fine philosopher, analyzing the different processes of knowledge; he can achieve liberation from the material entanglement. By performance of the ritualistic sacrifices recommended in the Vedas one can be elevated to the platform of pious activities and thereby enjoy the material comforts of life fully. But all such endeavors can hardly offer anyone devotional service to the Lord, not even if one tries for it by such processes for many, many thousands of births." Similarly, in the Nectar of Devotion Śrīla Rūpa Gosvāmī says that if one multiplies brahmānanda, or the happiness of becoming one with the Supreme, trillionfold, it still cannot compare to an atomic fraction of the happiness derived from the ocean of devotional service.

These statements shows how devotional service is rare in this world and difficult to achieve. In addition, this platform cannot be achieved by any amount of material qualification but by only mercy of a pure devotee. It is said that those who are not aware of position of Krishna are unfortunate but more unfortunate were the family members of the Lord, the members of the Yadu dynasty, who were always in company with the Lord but were unable to recognize Him as the Supreme Personality of Godhead. Similarly, Srila Prabhupada we have received this rare mercy from you and you are present with us in the form of books, deities, lectures. Still I am not able to render my services properly and with full dedication. Please bless me Srila Prabhupada I can understand your position and always remember your instructions. Please show your mercy so that I can develop taste for reading your books, chanting holy name, worship of deities and devotional service. Begging to remain under your shelter at all times.

Please give me the strength that I may stay forever to serve you sincerely day after day. "O devotee of the Lord, the purpose of the visual sense is fulfilled simply by seeing you, and to touch your body is the fulfillment of bodily touch. The tongue is meant for glorifying your qualities because in this world a pure devotee of the Lord is very difficult to find."

"I am offering my respectful obeisance's unto the spiritual master by whose mercy a dumb man can become a great Speaker and a lay man can cross over a mountain, and whose thus delivers all fallen souls."

O Prabhupada

Dear Srila Prabhupada,

Your grace, embracing devotion in my heart please accept the humble obeisances from your menial servant. By your causeless mercy, I have received sadhu sanga, which I always desire to have it in my life. You have spread this Hare Krishna Movement all over the world, by that I have received Hare Krishna Mahamantra and Nice Deities. You was ordered by your guru maharaja to spread this Hare Krishna Movement and you nicely obeyed it by making 108+ temples around the globe. This is really appreciable and wonderful work done by you. I offer my humble obeisance to you again and again. Please bless me with devotional services.

Dear Srila Prabhupada,

I want to offer my humble obeisances to You by the following verse:

mūkaṁ karoti vācālaṁ paṅguṁ laṅghayate girim yat-kṛpā tam ahaṁ vande śrī-gurum dīna-tāraṇam

According to this verse a disciple can advance very quickly in his spiritual life if he gets the mercy of his spiritual master. Therefore, I also want to beg Your unlimited mercy and blessings on this auspicious occasion of Vyas Puja Day.

I want to give You lot of thanks for tolerating a wretched soul like me for one year in Your movement. I struggled very hard with my crazy and mischievous mind whole the year, but still I remained in Your movement due to Your causeless and miraculous mercy.

I also want to give You thanks for providing me the association of a great number of devotees in this centre with wonderful prasadam and sadhna program, and whenever I think about these great facilities, I feel again and again for offering my gratitude to You.

In the material world there is no happiness, it is simply a mistake to think that there is happiness, because this place is full of nothing but miserable conditions. Any person who is seriously desirous of achieving REAL HAPPINESS

must seek out a bona-fide spiritual master and take shelter of him by initiation. [NOD 7], Therefore I pray to You that please give me Your shelter forever.

I also want to pray from You that please give me sufficient strength to give up my own selfish desires and thoughts, so that I can serve and love You without any reservation.

Bhakta Abhinav

Dear Srila Prabhupada

Please accept my humble obeisances at your divine lotus feet.

Your auspicious advent has changed a lot of things in my life. Through your books you have left a legacy of knowledge that is unparalleled. You alone could take such a challenging task of educating the world about higher subject matters relating to spirit soul when world was heading to a materialistic way of life. You have brought the light of spiritual knowledge as it is to this world. Without this knowledge, the world would be a horrible place to live in.

By your grace, we are able to get true understanding of Bhagavad Gita and Srimad Bhagavatam. In the present age, God is being considered as a myth and even discussion about God is considered non-scientific and superstitious. Many man-made religions have confused the masses about true understanding of God. The society established by you is the only hope for reviving the scientific understanding about God. The knowledge presented by you is pure

and sublime because it is presented as it is. You have taken compassion on the miserable condition of people in this world. Without your efforts, there would be no hope for us except to follow the materialistic way of life. You have revived the living force in many of us who were otherwise living a dead life.

You set a very high standard by following the principles of Srimad Bhagvatam as it is. You created a system that is very easy to follow in this age of industrialization. You invested everything in service of Krishna. Taking no account of your own comfort, you travelled around the world to preach Krishna Consciousness. You strongly stressed on the practice of four regulative principles and chanting a fixed number of rounds. When there were many editions of Bhagavad Gita based on personally motivated interpretations, you firmly established the true essence of Bhagavad Gita by presenting Bhagavad Gita as it is.

You never restricted anyone from taking Krishna Consciousness. You made no difference in an Indian, American or anyone else. You never took credit of your own work but always said that you have act as a humble servant of Krishna by presenting everything as it is. You were very strict in dealing with people who offended Krishna or his representatives. You established the right meaning of varnashrama by accepting disciples all over the world. You openly distributed the science of Krishna Consciousness to everyone. You always took special care of distributing prasadam to everyone. You tried to induce people to a natural way of life that has Krishna in center.

You continued the teachings of your spiritual master by propagating yukta-vairagya. You opposed the principle of dry renunciation in favor of true renunciation. You established devotional service as the epitome of knowledge. You delivered many karmis and yogis engaged in severe austerities and many jnanis engaged in severe mental speculative process by giving them a simple process of chanting Hare Krishna. You faced many oppositions about the authenticity of process, but you were able to prove that Krishna Consciousness is an authentic process by referring to shastras and authorities. You never spoke anything without referring to shastras.

You represent the character of an ideal Vaishnava. Throughout your life, you acted as a servant of Krishna. By your grace, even those who were indulged in intoxication, woman hunting, meat eating, and gambling became fully purified and took to a Vaishnava way of life. You have the strength to deliver the lowest of humans because you are the confidential servant of Krishna. You are always absorbed in the transcendental joy of service to Krishna. Even at a very advanced age which is full of troubles, you were full of bliss and organizing and participating in rath-yatras in different parts of world. You were very fond of rath-yatra right from your childhood. You made the science of Krishna Consciousness easy and interesting.

Today, when I stand and look around, I find that without your intervention, there is no other way by which I can understand about my position and the Supreme Lord. It may take science many centuries to even understand the existence of God. By your causeless mercy, I have been blessed with this knowledge many years in advance. I would have suffered endlessly birth after birth. But by your mercy, my spiritual journey has not only begun but it is advancing day by day. Please continue to guide me on the path to perfection so that I can meet Krishna and you one day.

Your fallen servant

om ajnana-timirandhasya jnananjan salakaya caksur unmilitam yena tasmai sri-gurave namah

I offer my respectful obeisances unto my spiritual master, the deliverer of the fallen souls. His mercy turns dumb into eloquent speakers and enables the lame to cross mountains.

vancha-kalpa-tarubhyash cha kripa-sindhubhya eva cha patitanam pavanebhyo vaishnavebhyo namo namaha

I offer my respectful obeisances unto all the Vaishnava devotees of the Lord. They are just like desire trees who can fulfill the desire of everyone. They are oceans of mercy and are the purifiers of the fallen souls.

Srila Prabhupada you are the ever-expanding ocean of mercy. Anyone, irrespective of his background, can achieve the highest transcendental position just by your mercy.

Srila Prabhupada you gave us all the Love of Krishna, a rare eternal gift, that cannot be obtained even by practicing austerities or offering sacrifices,

1. Chanting Hare Krishna

The simplest process of chanting Hare Krishna completely purify ourselves.

2. Books

Srila Prabhupada gave us so many books to understand every aspect of spiritual life. In his books, he has given an answer to every question and there is no question that is unanswered.

3. Lectures

If we hear Srila Prabhupada with rapt attention then from the very beginning we can surely see Lord Krishna in the pages of the Bhagavatam.

4. Prasadam

Every person gets attracted to prasadam very easily. If someone tastes the leftover food of a diseased person, he is sure to get infected by that disease; in the same way, if we eat food that has been tasted by Krishna (meaning prasadam) then we get infected by Krishna consciousness. This happens effortlessly.

5. Kirtan

Participating in kirtan is something that even a child can do and anyone doing so will feel such a transcendental bliss that he won't feel like stopping. If there are kirtan and prasadam distribution going on in any place then that place becomes a temple.

6. Deity Worship

The easiest method to forget the material attraction is to see the beautiful forms of the Deities. The beauty of Their Lordships Sri Sri Krishna Balram is so enchanting that it can defeat the beauty of millions of Cupids.

7. Service

Srila Prabhupada has given us abundant services to keep ourselves engaged in Krishna's service twenty-four hours a day.

Through these wonderful gifts, we can easily obtain the ultimate goal in life – love of Godhead.

Prabhupada, my position is that I am completely unworthy, and most fallen, therefore by showing me Your mercy, Your mercy is most successful. You are patita-pavana, the savior of the fallen souls, and who is more fallen than me? I have no good qualities; born of low birth, without good intelligence, without beauty, or wealth, I am a fallen soul, desiring only Your causeless mercy to be bestowed upon me. Although I have no qualifications whatsoever, today I come before You with a humble prayer in my heart. Please help us to heal the rifts between us and to come together as a family once again at Your lotus feet.

Prabhupada you have changed my whole by coming in my life and giving principles of life, as I am in school I see many different students attracted towards other gender and after that they have matchups, and breakups but you saved my life from these material affairs.

Prabhupada, you taught what is the real goal of life, you gave us the real happiness, as I see other colleagues they are frustrated as they are in material affairs and when I preach them about Krishna that time they are influenced and after that Maya covers them. When they got the opposite gender so they forgot about everything, what is a sin, what are the principles of and everything?

So Prabhupada please give me the power to preach to my colleagues and make them Krishna conciseness.

So many friends and family people have come and gone, but You Srila Prabhupada, have remained in my life as the one constant I could always turn to. You are the Acharya who suffer for others suffering. Many people came into my life but You came by Your divine instructions and these instructions touched my heart very effectively.

Your humble servant,

Dear Srila Prabhupada,

Thank you for accepting me as your devotee. Your presence had a life changing impact on me and I wish to continue to be inspired by your teachings.

My life had a significant upliftment after I was introduced to Krishna consciousness in 2017 in Manipal University Jaipur. As the days passed by, my value for each day, person I meet and the things I see has become significantly more important and I have grown to respect them more.

The Hare Krishna Mahamantra has brought a certain kind of stability to my way of living life. It has made me a calm and much more focused human being than I was before. This peaceful state of mind that I have achieved through chanting & this has made me realize how small my stature is compared to the lord who created this world. It has taught me that helping and giving others irrespective of my own state will take me a step closer to God himself.

I would like to thank you for your teachings and the life changing experience through Krishna Consciousness.

Your faithful Devotee

Dear Srila Prabhupada,

My head bows down infinite times unto your lotus feet and seeks your causeless mercy till eternity.

Your countless glories have been proclaimed by your disciples all over the world and its nearly impossible for a fallen soul like me to add to your glories. I can just beg for your mercy to make me also an insignificant part of your all-glorious Hare Krishna Movement which has inundated the globe with the love of Krishna and giving us all a chance to get out of pool of nescience.

I have got no qualifications, skills, knowledge or any pious credits, still I had a chance to come in touch with the path shown by you. But treading on this path of Krishna Consciousness seems to a formidable task for an unqualified aspiring servant of yours like me. I beg before you to empower me to follow your instructions and develop attachment for your lotus feet which is the only refuge in this world of material suffering.

I am so unfortunate that even after knowing so much philosophy, I have no attraction for Krishna and indulge in sense gratification. You are the only hope for this undeserving soul. Whatever knowledge and strength I have acquired by your mercy, I have tried reading your books and following in the footsteps of devotees who have been a great guiding force for the misguided souls like me in this current age.

With the constant association of devotees, my understanding regarding the subject matter has gradually improved and now I am much more inclined for Krishna Consciousness than before. If you wish, I can continue practising spirituality and make this rare human life of mine a bit meaningful, which I have hitherto wasted for sense gratification only. There is certainly no other hope.

I beg pardon for the mistakes I have committed knowingly or unknowingly. All glories to His Divine Grace.

Dear Srila Prabhupada,

I offer my respectful obsequies at your divine lotus feet.

Today, on this auspicious event of Vyasa Puja Offerings to our spiritual master Swami Prabhupada, I would like to request you only a few things. The only thing I want from our spiritual master is his Divine Grace. I would like to only serve the lotus feet of his adorable Shri Shri Krishna Balram and Srimati Radha Rani who is the closest to the supreme personality of Godhead.

I am thankful and petitioned to him to introduce us with such an effective movement. I have realized how changed myself after getting the association of the devotees. At the movement and in the temple, I have maintained a distance

from all the misconceptions of the material world. Now I am chanting four rounds daily and honoring the delicious prasadam at the temple.

I attend Srimad Bhagavatam Lecture everyday, read the books based upon the spiritual knowledge. Now I have known who is God, Who am I and what is the way to go back to Godhead and how it will be possible. I have realized about a change in my life. Also, now I have got rid of my physical weakness and diseases. And further, the only thing I request from you is the forever association of devotees and the association with the Hare Krishna Movement.

Dearest Srila Prabhupada,

Please accept my humble obeisance at your lotus feet. All glories to your divine grace.

I'm grateful. You showered me with your mercy and brought me in this Krishna Consciousness Movement.

Because of you I know the very fundamental thing about us and that is "We are not this body. We are Spirit soul. Part and parcel of Krsna." In this age of Kali-yuga, most people don't know what they don't know. They have no concept of soul, and the cycle of birth – death. People are just living like a hog and so was I. But only because of your blessings, this fallen soul became Krishna Conscious.

You established ISKCON through which you're still making insignificant soul like us Krishna Conscious. You guide us personally through the books you have written. You're at every step with us guiding us back to Krishna.

I want to make a confession that I don't chant 16 rounds as per your instructions but you already know that. Still you bless me with your mercy everyday. An insignificant soul like me is really very fortunate to receive this mercy.

I hope that you'll guide me in following Krishna Consciousness properly.

Your insignificant servant

Please accept my most humble obeisances at the dust of your divine lotus feet

Dear Srila Prabhupada, it would be a futile attempt for me to glorify you, as your unlimited transcendental qualities are beyond the horizon of my material mind. Even if I try to do so, it will be just like showing torch to sun.

Today is the most auspicious day because it was on this day that you came down from the spiritual world to deliver so many fallen souls like me. On this most auspicious day of your Vyasa-Puja, guru maharaja, once again, have the opportunity for all of us to glorify you and worship you.

Always in your service,

प्रिय श्रीला प्रभुपाद,

हरे कृष्णा हरे कृष्णा कृष्णा कृष्णा हरे हरे। हरे रामा हरे रामा रामा रामा हरे हरे॥

मैं आज बहुत खुश हूँ की मुझे आज जगत गुरु श्रील प्रभुपाद जी का गुणगान करने का मौका मिला।

आज से कुछ वर्ष पूर्व मैं इस भौतिक जगत में बिना अपनेआप को जाने अपना अमूल्य जीवन व्यर्थ कर रहा था।

फिर मुझे अपने मित्रों के सहयोग से जगतगुरु के बारे में जानने का मौका मिला, तब से लेकर आजतक मैंने अपने जीवन में काफी बदलाव देखे। मैंने जब धीरे-धीरे कृष्णाकृपा मूर्ति के द्वारा रचित पुस्तकों का अध्ययन किया तो मेरे सोचने का तरीका का ही बदल गया। पहले मैं किसी भी काम को भोज समझ कर करता था। आज मैं अपने काम को यह सोच कर करता हूँ की मैं अपने गुरु महाराज की इच्छा के लिए कार्य कर रहा हूँ।

मैं अपने गुरु महाराज से इसलिए जुड़ा क्योंकि उन्होंने इस मायावी संसार के बारे में जानकारी देकर मेरे जैसे अनेक नादानों को जीवन का सत्य मार्ग बताया।

धन्यवाद !भक्त अहलकार सिंह पंवार

Please accept my humble Obeisance at Your Lotus Feet.

Prabhupada, You are the Pure Devotee of Lord Shri Krishna who is coming in disciplic Succession of Lord Bramha, Great Sage Shri Narad Muni, Vyasdeva, Lord Chaitanya and all Goswamis. I'm very fortunate to meet you and I'm very grateful to you for accepting me as your disciple. Although I'm not eligible but this is your causeless mercy.

Dear Srila Prabhupada, by your grace I came in touch with Akshaya Patra Devotees and understood the real Purpose and real Problems of human life with its Remedy. With the Blessings of All Vaishnavas Specially, Temple Devotees and Folk Devotee Friends I'm able to follow in some extent, Your Divine instructions of Chanting 16 rounds, 4 Regulative Principles, Book Reading, Service etc. Please, Bless me to follow all instructions more seriously in all situations.

Dear Srila Prabhupada,

Please accept my most respectful and humble prostrated obeisance at your divine lotus feet on this 122nd anniversary of your most auspicious appearance day.

Although every moment is meant for your glorification, today is a special day to express my sincere gratitude to you by remembering what I have received from you.

Out of your causeless mercy you tolerated so many difficult situations, but at the same time you showed human society at large that Krishna consciousness is the practical means for solving all problems.

I have been in touch with this great movement since last 10 years and also knowing the fact that Krishna Consciousness is the only way to fight out all the obstacles in life whether it is personal or professional. But the fact is that I have been deviating from the essence and objects of this movement since couple of years. Sitting and working in the same temple premises I should keep my mind and body to be more engaged in Spiritual Services.

I should positively use and take advantage of the spiritual atmosphere around me but somewhere I am lacking in it.

Dear Prabhupada, I will constantly and gradually engage my mind and body for Krishna's Divine services. I seek your divine blessing which will provide me strength to keep me engaged in Krishna's Service without any deviation.

Dear Srila Prabhupada, please bless me so that sincerely I can follow your instructions concerning intense chanting of the holy name.

Your Eternal Servant

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet. All glories to you on this auspicious day of your Vyasa Puja. My Dear Srila Prabhupada, you are an ocean of mercy, and I do not have sufficient words, to express my gratitude for all what you have done for this stonehearted fallen soul. No one can measure the level of compassion you have got for the fallen souls like me, although you are not a personality of this material world, still, out of your limitless mercy, you advent in this material world just to deliver the conditioned souls who are burning in the devastating fire of material existence .

It was you, who single handily took this great mission of Sri Chaitanya Mahaprabhu, across the length and breadth of the globe, wiping out all kinds of misconceptions people have regarding spirituality. Your unlimited greatness cannot be expressed by my limited words, and no matter whatever I do for you, I can never repay the debt I owe to you, for the love and compassion, you bestowed upon this fallen soul, who deserved nothing, but to rot in hell. You, by your causeless mercy opened my darkened eyes, and made me aware of the purpose my life is meant for.

My Dear Srila Prabhupada, I would like to tell you that I have read some of your transcendental books, and I feel, that just by associating with your transcendental words I have started to realize the importance of each second of my life ,and that I should utilize each second of my life to complete my Krishna consciousness in this very life , I have also realised that I'm so severely fallen, that only and only by your causeless mercy, can I attain Krishna Prema. Therefore, I beg to you, to please bestow upon this unworthy servant, your causeless mercy, and engage me in your personal services eternally.

I am the most fallen (of whoever have even seen you once, what to say about devotees) to write this for you, but I am sure you will read this.

You have given me an opportunity to stay at your birth city Kolkata, on my prayer you have given me opportunity so that I can visit Mayapur whenever I want, please accept my thanks for that. Dear Prabhupada I don't know why you considered me for giving shelter in your lotus feet, I am so fallen, but I feel so different after getting the Ashraya from you.

I always remember your pastimes and teachings, Prabhupada I am following 4 regulatory principles, Pls give me strength to improve quality of following them for my life time and chant 16 rounds always. Prabhupada Pls choose a right date for me to get initiated and take Sanyas so that I can full time spend time as your soldier.

Oh Prabhupada you have given so much to this world, Pls give some power so that I can understand your teachings & can grow in spiritual life.I would like to tell you, I get my answers through your letters and lectures whenever there is some confusion in my life.I pray such confusions always be there in my life.

Dear Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet.

All glories to you on this most auspicious appearance day of your divine grace.

Prabhupada first I would like to apologize you as I am new to Hare Krishna Movement and hence will make some mistake in glorifying your grace. The most important thing which I learned in movement was to accept my destiny and follow Krishna's teaching to glorify life given to me by the lord. After following movement my life changed as all the negative emotions can be controlled and reduced by chanting the name of lord Krishna.

Chanting is source of personal time of me with my God, Lord, and Family, Friend, everything and all mighty lord Krishna. It is a blessing I can glorify his name through chanting. Lord helps me keeping my emotions in check and keeping my mind sharp. Begging to remain under the shelter of your lotus feet at all times.

Please accept my most humble obeisance's at your lotus feet. This is the very auspicious day of vyasa puja. Prabhupada by your merciful glance on this insignificant soul has chance to begin my spiritual life and every day I am having new realization in Krishna Consciousness.

The most important decision I have made that is coming temple and to pray to Sri Sri Krishna & Balarama. Moreover, be a part time servant there. It has come truly by your blessings. I am following Krishna Conscious Life from last 2 months and it was very auspicious for me, Here I got peace and happiness. My only wish to serve your lotus feet, and to praise holy name of Sri Krishna.

My only desire is that no forces in the world should shake my determination and take me away from serving you.

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet. All Glories to Srila Prabhupada who is very dear to Lord Krishna, having taken shelter at His lotus feet.

3 years back that was my first day I went to Akshaya Patra Jaipur and I felt something different that I didn't feel earlier. it was actually because of this holy mantra

hare krishna hare krishna, krishna krishna hare hare hare ram hare ram, ram ram hare hare

and from that day only thoughts were coming in my mind that something going to be change in my life, I shared those feelings with my friend Mr. Rahul and we decided to stay in Folk hostel and its God's Mercy he allowed to us for staying in Folk hostel. During the period we learnt so many good habits like before taking Prasadam we used to speak "Prasadam Mantra" and not to waste food i.e. very necessary to survive , self-maintenance and we used to do Daily Kirtan & Holy book reading i.e. needed to understand the How Praphupada made efforts to spread Krishna bhakti to all over world and taught the chapter of Real Spirituality and started "Hare Krishna Movement" that we do not know and wasting our meaningful life in useless things while here is good opportunity is knocking door in every person's life through Devotees who is ready to deliver Krishna Consciousness in a common man.

Respected Srila Prabhupada,

Please accept my humble obeisances in the dust of your lotus feet. All glories to Your Divine Grace.

The glories of Your Divine Grace's devotional service to Guru and Gauranga are unparalleled. You have given name of Hari freely to the whole world.

In Sri Chaitanya-Charitamrta, it is said: krsna-sakti vina nahe tara pravartana

Unless empowered by Krishna, one cannot propagate the sankirtana movement => (C.C Antya 7.11) You are the commander chief of the Lord Chaitanya's army as said by Caitanya maha prabhu himself. Thus Your Divine Grace was directly empowered by Krishna to preach Nama all over the world.

Prabhupada, I have personally experienced that what disciple does for his spiritual master, spiritual master does more than thousands times for his disciple . You are the only and only and only can make me chant. Its only because of your mercy that I chant krishna's name. One can not give krishna unless he is pure vaishnava. You have power to give us krishna. " kṛṣṇa se tomāra, kṛṣṇa dīte pāro, tomāra śakati āche "

Thank you Prabhupada to give me krishna in his naama form. Which has all power as krishna has "namnam akari bahudha nija-sarva-shaktis". Prabhupada you have also revealed secrets in naam, the science of naam. Which is really very difficult to understand. Even after taking so many births reading all scripture thousands of times one can not understand the science of naam. while you have distributed this science whole over the world in this way that any one approach.

You revealed the precious truth that the Supreme Lord is pleased when we chant His Names – that He is more pleased when we chant and hear His Names – that He is most pleased when we chant, hear and also remember His Names. You revealed that the precious truth that the Supreme Lord is non-different from His Holy Name and hence present before us when we chant.

You revealed that just by chanting we can associate with Krishna directly. You have taught us importance of prasada, body decoration. You are the real Jagatguru. Where ever I go I get association of devotees. You have given us weapons to conquer the evil effects of Kali. Without you I can not imagine my life Prabhupada. In last several years I have already tasted the sweetness of your merciful glance upon this undeserving soul specially last year.

But due to lack of sincerity I made so many mistakes. Now I am greedy for more of your merciful glance upon me to overcome all anarthas and then I can come to you and become your servant. I am eternally indebted to Your Divine Grace. I beg to remain as your personal servant.

Prabhupada please keep continue to kick me, scold me, guide me. Because I do not have any other single person except you who can help me to progress in spiritual life. Prabhupada please accept me as your personal servant.

Thank you

Jai Jai Shrila Prabhupada

Yours

Dear Srila Prabhupada,

Please accept my most humble obeisances at the dust of your divine Lotus feet on this most auspicious occasion of your Sri Vyasa-Puja.

You lived a simple life in Srila Jiva Goswami's Radha-Damodara temple and by residing close to the samadhi and bhajan kutir of Srila Rupa Goswami, you prayed that Rupa Goswami would empower you to propagate "Gaura Vani" worldwide in the English language. In those days you were translating Srimad Bhagavatam and also publishing Back to Godhead. Although Vrndavana is your home, on a regular basis you had to take the third class train to Delhi, to get Srimad Bhagavatam printed. Then you would go into the streets of Delhi and personally distribute them.

You were reminded of what Bhaktisiddhanta Saraswati Thakur had mandated you at Radha-kunda, "If you get money, print books". You did not have much money, but with the little you had, you stoically followed that instruction. So it was here in Vrndavana that you lived for six full years further solidifying your preaching strategy and preparing yourself for the mission. So when you were finally prepared, the key question arose: How would you travel to the West? There were hurdles, humiliation and hours of waiting at Srimati Sumati Moraraji's office, but Sri Caitanya Mahaprabhu was not going to let His senapati-bhakta down and arranged your voyage on the "Jaladuta" to America. Srila Prabhupada you were devaduta, the messenger of God, preparing to travel on the Jaladuta.

Then, in the middle of the vast Atlantic ocean, on board the Jaladuta, you experienced sea sickness and suffered heart attacks, but Krsna took care of His devaduta by taking charge of the boat. You celebrated Janmastami in the company of the ship's crew. Beginning with just that one Janmastami in 1965, fifty years later, Janmastami is celebrated by your ISKCON in one hundred and fifty countries worldwide. All glories to you Srila Prabhupada!

On the 13 July 1966, merely ten months after you arrived in New York, The International Society for Krishna Consciousness was officially founded there, with you Srila Prabhupada naturally, as its Founder-Acarya. And with that the execution of your Guru Maharaja's instructions and the propagation of Krishna consciousness began.

Srila Prabhupada, in the eleven years that followed, you travelled the globe 14 times. You not only established 108 temples, but breathed life into farm communities, goshalas and Gurukuls.

Srila Prabhupada, the world has been benefitted immensely from all that you did and we are all indebted. I am truly indebted. In fact, the whole world is completely indebted to you.

Please enable us Srila Prabhupada, and empower us to do as you did.

Your eternal servant,

Dear Srila Prabhupada,

Please accept my humble obeisances unto Your divine lotus feet on the occasion of Your divine appearance.

First of all I am very grateful to You for allowing me to live in vaisanava community and saving me from the blazing fire of this material world. The morning sadhna program that You have given is so wonderful that anyone at once can feel the spiritual bliss. Whenever I was not properly situated simply only praying before You all the equations of problems solved. You are guiding everyone by Your vani and by Your sincere disciples.

You have brought light to this darkened place

You have brought smiles to Your disciple's face

You alone are saving the human race

We bow most humbly again and again to the dust of Your lotus feet,

O Srila Prabhupāda. O Your Divine Grace!!

Please forgive this poor fallen condition soul for the offenses which I have done by not following Your commands and this is Your greatness still You have kept me in Your shelter.

Don't reject me for my incapability's.

Please give Your mercy to this one who is weak and devoid of intelligence.

Allow me be with You.

Let me as You are without desires and aspiration

Bless me so I can fixed up in my sadhana properly.

Follow all rules and regulation rigidly.

Not envy to anyone.

Always want to live in temple with a lot of vaisnavas.

Always remind me my constitutional position and insignificance.

Give me all help. Give me all strength.

Trying to be Your insignificant disciple,

Dear Srila Prabhupada,

Please accept humble obeisances at your divine lotus feet.

I am very grateful to you because you are guiding every moment of my life. Before coming to touch with your movement I had many desires but you gave me the vision to see the things as they are. You gave us so many things like Hare Krishna maha mantra, kirtan, beautiful deities to have darshan of the Lord and big big temples to preach the Krishna consciousness all over the world.

I lack of serving attitude and I am breaking again and again regulative principles. So please bestow your mercy so I will do some service at your lotus feet. I am sincerely praying to you on this auspicious day of your divine appearance that please bestows causeless mercy upon me so that I shall sincerely follow these things. Chant Holy Name of the Lord with sincerity.

Devoid of any kind of sex desire. Devoid of any kind of sense gratification. And I want serve Chaitanya Mahaprabhu's mission and this can't happen without your mercy. So Srila Prabhupada please keep me in your constant touch so I shall be free from impurities like lust, anger, false ego, greed.

Dear Srila Prabhupada,

Please accept my humble obeisance unto the dust of your lotus feet.

You mentioned that we don't have to change the whole world, but even if one percent of them become pure followers then the whole world can be influenced with Krishna consciousness. I'm very inspired by this statement of yours.

I felt very thankful, even the thankful word is too small that I get to know from your teachings, I got the new way of seeing life in Krishna Consciousness and working on environment in which I am ...to be in that one percent.

Please bless me so that I can overcome all my shortcomings and be sincerely engaged in Krishna Consciousness .

Thank you, Srila Prabhupada.

हरे कृष्ण मूवमेंट से मैं लगभग 5 वर्षों से जुड़ा हुआ हूँ आपकी संस्था से जुड़ने और आश्रय लेने के बाद मैंने भगवन्नाम का जप करना, नियामक सिद्धान्तों का पालन करना, एकादशी व्रत, आपकी लिखी हुई पुस्तकों का अध्ययन, मंगला आरती तथा केवल भगवान का प्रसाद ही ग्रहण करना आदि सब बातें सीखी तथा उनका महत्व जाना, ये सब केवल आपकी कृपा से ही सम्भव हो सका है, प्रभुपाद मैं इसी प्रकार कृष्णभावनामृत में लिप्त रहकर आपकी सेवा करने के योग्य बन सकूँ मुझ अधम पर इतना आशीर्वाद बनायें रखे.

Dear Srila Prabhupada.

Please accept my humble obeisance. All glories to Srila Prabhupada. All glories to you on this auspicious day of your Vyas Puja". When I came to study in MNIT Jaipur, I had many expectations from the college that I will get a nice and good environment, nice people and many other aspirations to enjoy freedom as one wishes to do in college. Then, My roommate advised me to attend the spiritual workshop to be held in Akshaya Patra Jaipur, I agreed as it would utilise my weekend and I will also get a certificate. When I started attending the workshop, I came to know about the actual meaning of GOD. I came to learn about your life and your teachings. At first, being a highly materialistic person, it was difficult for me to digest your instructions and teachings. But, still I started chanting hare Krishna Mahamantra, one round on daily basis. At first, my reason for doing that was to get material benefits from it, Gradually ,time went and I started to indulge in more material activities ,thus forgetting the knowledge given by you to the whole world, I stopped meeting devotees and my seniors who motivated me to follow your teachings but still I didn't give up chanting. Then, a phase came in my life after 6 months of college where I was in depression and I had no one to talk about my miseries. So, I thought ,let as ask god why this happened to me...I started chanting more rounds...but for the same material purposes. when I was home for the summer holidays, I gave up a try in reading SSR and when I started reading it..I came to know about the various mistakes I had done in the past year, I chanted more and more and had many realisations that why these things happened to me. As time went, I started associating with the devotees and started reading Bhagvad-gita and gradually, I started having mental peace, I had very less things to worry about and I started living happily in my life. So, I thank you Prabhupada for always being there with me and having your mercy upon me even when I had no interest in following you.

Now, I have shifted to the FOLK hostel and here, the environment is very positive and I have the wonderful association of devotees and FOLK Boys and I do have the opportunity of eating the Mahaprasadam. I have developed many qualities that differentiate me from other college friends. Now, I have actual interests in life which will always help me become a better human being in this life and also inspire others. So, Thankyou Prabhupada for letting me

know what is actual happiness in this world. Currently, I am studying in order to qualify an exam which will give me a respected post in the Indian Government but the reason for doing that is now changed. Now, I want to be successful only in order to motivate other people to follow Krishna consciousness and spread your teachings because the world likes to listen from a successful person. So, Thank you Prabhupada for giving me the actual motivation of following my dreams which were previously only for sense gratification. I will always try to improve in following your teachings, I will always try to improve my Sadhna and I will try my best to preach other people about Krishna Consciousness and to serve your devotees.

Begging to remain under the shelter of your lotus feet and aspiring to be the servant of your servants.

Dear Srila Prabhupada,

Benevolently acknowledge my humble obeisances, as I am most fallen of every one of Your sincere followers.

Your lessons have been a light toward the finish of a deep rooted passage of ignorance, hatred, undue sense satisfaction and unlawful childishness and unlimited wants occurring with any living entity taking birth in this time of kali, in this topsy turvy universe of unending hatred on people's parts.

I'm not and never will be, in the situation of either mulling over or devising a technique to Your commitment to the Supreme personality of Godhead, Lord Krishna, and even at my best, all I can do is spread Your lessons on total, unduplicitous surrender, to our Lord to those other uninformed spirits like me, so that I may make a grain like commitment to Your main goal of spreading Krishna Consciousness in this period of kali, to each village, city, to each spirit taking birth in this age and place where there is troubles, and wish to illuminate them all with this learning of revering and surrendering to the supreme soul, Lord Krishna, and accomplish the most elevated objective of our unworthy lives, reaching that pinnacle of joy, that dwelling place satisfaction, where the ruler lives with all his merry and magnanimously cherishing associates.

Dear Gurudev, Srila Prabhupada, it will be just and just by Your grace, that I'll ever, if at all, be ready to benevolently give myself to the lord, abandon all material desires, and look for only the propitious sand of Your lotus feet, that have gone the world over, anxious to soothe the trouble of numerous fallen spirits like me. I wish some time or another I'll have the capacity to do that, and will then comprehend what it resembles to have a most merciful, compassionate & loving spiritual father like You!

!! Jai Srila Prabhpada !!

Please accept my humble obeisance at Your lotus feet.

Today is very Special day. As without You My spiritual life could not start. Due to only Your guidance and light of knowledge I learn purpose or object of life & be in Krishna consciousness which is real motive of birth in human form. As after association I learn main objective of this human form is to back to God ahead & free from old age, birth, death.

When I read books and listen lecture I feel You are directly instructing. My only desire on Your lotus feet to become Your servant eternal & in all situation birth after birth.

My mind should be in Krishna consciousness always. In this material world it is very difficult to fight with material things but You had teach us how to cross the material miseries & be focused on Krishna's lotus feet.

I pray please be merciful and give me strength to continue my spiritual journey without any obstacle & give me guidance to do follow pure devotional service because I am not having mind/intelligence & also pray to protect me from attack of maya. Prabhupada You are an ocean of mercy

My wish to always be Your servant birth after birth and You always be my Guru. !!Hare Krishna!!

Dear Srila Prabhupada, I am very much grateful to you that you have kindly engaged me in this such a wonderful movement where I have not only learned spiritual things but material things as well.

For instance earlier if any one would assigned me some work then me myself used to do it with hard labour but here I have learned how to do smart work and engage other jiva also in your transcendental service.

Prabhupada I really feel a sence of incompleteness in my life without therefore please be with me throughout my life. There are many things Prabhupada which I only share with you and not with others so for that please forgive me

Whenever I think of sharing or revealing my mind I feel that prabhu may not have time or prabhu has many more important other engagements so I couldn't share Staying in the temple will be the best memories and part of my life I wish I could always be a folk boy and get engaged in your service in this way

I know Prabhupada I have done lots of mistakes for which I am not qualified to get your mercy but it's your kindness and causeless mercy that you have still kept me in touch with you and i really want please be with me through out my life .

आध्यात्मिक जीवन की कल्पना करना आपके व्यक्तित्व के बिना असम्भव हैं। मेरे जीवन में आध्यात्म की पहचान आपकी दैवीय कृपा का ही परिणाम है। यदि कोई व्यक्ति आध्यात्म को पूर्ण रूप से जानना चाहता है तो उसे कृष्णकृपामूर्ति श्री श्रीमद् अभयचरणारविन्द भक्तिवेदान्त स्वामी प्रभुपाद के संपर्क में आना चाहिए।

आपके द्वारा दी हुई पुस्तके पृथ्वी पर मनुष्य जाति के उत्थान के लिए अमर वरदान है। आपकी पुस्तकों तथा आपके भक्तों के माध्यम से मैंने यह सीखा है, कि हमें जो मनुष्य जीवन मिला है। उसका हमें किस प्रकार उपयोग करना है। तथा उसे किस प्रकार सफल बना सकते हैं। मैं परम सौभाग्यशाली हूँ कि मुझे आपके कृष्णभावनामृत आन्दोलन से जुड़ने का मौका मिला। तथा इस आन्दोलन से जुड़ने के बाद मेरा जीवन बहुत अच्छे से चल रहा है।

आज इस सर्वाधिक पुनीत अवसर पर मैं अपने सनातन गुरु महाराज के दिव्य चरणाश्रय की जन्मजन्मांतर तक कृपा याचना करता हूँ, जिससे की मेरे मनुष्य जीवन की सार्थकता सिद्ध हो सके।

Dear Srila Prabhupada,

Please accept my humble obeisance 'so at the dust of your Lotus feet.

Krishna is not ungrateful but rather he sees all our efforts and appreciate our sincere service. Krishna is interested in how we engage our energies in his service. How is this possible, so this is possible when we always remember to abide by the laws of Krishna as described by his Bona fide representative. And he is explained as:

Ajnana TimirAndhasya JnanaAnjanaShalaakaaya: He who removes darkness of ignorance of the blinded (un-enlightened) by applying the ointment(medicine) of (Spiritual) knowledge

chakshurunmilitam yena tasmai sri gurave namaha: he who opens the eyes, salutations unto that holy guru

मेरी स्थिति जब मैं प्रभुपादजी को नहीं जानता था –

मैं भौतिक जगत् का तुच्छ प्राणी दर-दर भटकता रहता और खुद को कोसता रहता, जब आई समस्याएँ ज्यादा तो प्रभुपादजी ने हाथ थामा और महसूस करवाया —

नदियों के डगर बदल दूँ वायु का मुँह फेर दूँ ग्रहों का मार्ग बदल दूँ।

अग्नि से कहूँ कि वो आप के चूल्हे में जले पर आपके घर में ना लगे।

फिर प्रभुपादजी की डमतबल हुई मुझ पर बारम्बार —

प्रभुपादजी की डमतबल हुई मुझ पर।

धीरे-धीरे उतर गया बोझ जो था मुझ पर।

प्रभुपादजी की डमतबल से ज्ञतपीद की डमतबल हो रही मुझ पर।

भूतप छँउए ज्ञतपीद कथा, महाप्रसादम् की बार-बार बमबारी होती मुझ पर।

फिर जान सका गीता का ज्ञान प्रभुपादजी की पुस्तकों से।

फिर जानने लगा भगवान, आत्मा और प्रकृति में भेद।

रेंज नीउइसम तमुनमेज जव च्त्तंईनचंकंए

मैं प्रभुपादजी की चप्पलों के रबर का एक डवसमबनसम बन जाऊँ,

जिसे पद-पद पर कृष्णा ब्दबपवनेदमे की दया मिल जाएँ।

मैं प्रभुपादजी को वामित किए हुए रसगुल्ले का एक दाना बन जाँऊँ,

जिसे कृष्णा ब्दबपवनेदमे की चासनी में डूबने का मौका मिल जाएँ।

पूजनीय

श्रीला प्रभुपाद के चरणों में मेरा शत् शत् नमन।

मैं बहुत ही पतित आला होने के बावजूद आपके चरण कमलों में श्रद्धा डालने जा रहा हूँ। प्रभु जी आपने पूरे विष्व को जो दिया है उसके लिये हम सभी आभारी हैं। आपने वह चमत्कार कर दिखाया जिसे कभी किसी ने सोचा भी नहीं होगा।

जब से मैं आपके कृष्ण भावनामृत मूवमेंट से जुड़ा हूँ तब से मुझे इस जीवन के वास्तविक लक्ष्य का पता चला। जीवन में फैला हुआ अंधकार दूर हुआ है। हमें कृष्ण भावनामृत रूपी वास्तविक ज्ञान प्राप्त हुआ है जो शायद हमें और कहीं से प्राप्त नहीं हो सकता था। यह संसार एक दुखालय है और जन्म मृत्यु के चक्कर में पडने की बजाय हम कृष्ण भक्ति के द्वारा अपना उद्धार कर सकते हैं। ऐसा ज्ञान व भक्ति करने की भावना आपकी कृपा से ही प्राप्त हुई है। आप इस पतित पर हमेशा अपनी कृपा बनाये रखे, हमें रास्ता दिखाते रहे और इतनी शक्ति प्रदान करें ताकि हम इस कृष्ण भावनामृत मूवमेंट से जुड़े रहे, आपके बताये गये मार्ग व चारों निर्देशों की पालना करते रहे और हमें सेवा का मौका मिलता रहे।

हरे कृष्णा प्रभु पाद जी,

आप के आशीर्वाद से हम सभी मंगल में हैं। आप हमारे गुरु हैं हम ने चार माला का आश्रय ले रखा है। हम आप की कृपा से रोजाना माला करते हैं लेकिन कभी-कभी माला करना भूल जाता हूँ। माला करने में मुझे कुछ समस्या आती है (जैसे की मन इधर उधर जाता रहता है)। ऑकिस और घर के सभी काम याद आते रहते हैं। और आलस्य भी आता है।

अक्षय पात्र में मुझे काम करते हुए 1.5 साल हो गया और मुझे इस काम को मैं पुरे मन से करता हूँ। अक्षय पात्र में काम करने का जो आप ने मुझे अर्सर कदया। उससे मैं बहुत खुश और खुश होकर काम करता हूँ। मेरे पररर्ार ़ाले भी अक्षय पात्र को जानने लगे और हँ दुसरे को भी इस सस्था के बारे में बताते हैं। इस काम को मैं आप के आशीर्वाद से ही कर पा रहा हूँ। आप की हम पर दया होनी चाहए और हम अपने काम को पूरी इमानदारी और संस्था के हहत में काम करते रहहगे। इस सस्था में काम करने से मुझे अपने जीर्न में बहुत हसखने को हमला और हमलता रहेगा।

गुरु की कृपा से हमे अपनी सिलता को प्राप्त होगी।

परम पूज्य आचार्य श्री जगद्गुरु अभयचरणारविन्द भक्ति वेदान्त स्वामी श्रील प्रभुपाद जी के कमल रूपी चरणों में इस संसार के महामूर्ख का कोटि.कोटि नमन।

अ मेरे जगद्गुरु महाराज मैं आपको कैसे धन्यवाद करूँ इस के लिए मेरे पास शब्द बहुत कम हैं। आपका बखान में सात जन्मों में भी करूँ वो भी कम हैं।

अ मैं संसार का सबसे बड़ा टट्टू जो आपके बारे में कुछ भी नहीं जानता था जब मैंने आपके बारे में जाना तब मुझे मालूम हुआ कि ये जो मनुष्य देह मिली हैं इसका इस जीवन में क्या महत्व हैं मैं तो इस संसार में मनुष्य होते हुए भी पशुओं की तरह विचरण कर रहा था मैं भी जो पशु चार कार्य करते हैं सोनाए खानाए संभोग करनाए आत्मरक्षा करना।

अ इन कार्य को करते हुए मैं इस नाषवान संसार से चला जाता लेकिन आपकी असीम अनुकम्पमयी कृपा से टट्टू से मुझे आपने अपने भक्तों के भक्तों के भक्तों के

भक्तों का दास बनाने की कृपा की।

अ आपकी कृपा से मुझे आपके 'हरे कृष्णा मूवमेन्ट' में और अनन्तषेप दास प्रभुजीए महाकौरमा प्रभुजी एवं समस्त आध्यात्मिक भक्त परिवार की वजह से मुझे यहाँ आश्रय मिला है।

अ मैं एक बात सोचता हूँ कि सभी भक्त विद्यार्थी को इतना प्यार करते हैं। कि आप को कोई करता नहीं होगा। आपसे पूछेंगे कि प्रसादम् लिया है या नहीं? अगर तबियत खराब हो जाएगी तो दूध लिया है या नहीं। दूध तो वरना तबियत खराब हो जायेगी। इस संसार के लोग जहर दे कर मारते हैं।

अ भक्त प्रेमरूपी प्रसाद खिला-खिलाकर कृष्णा के पास प्रभुपाद जी के नजदीक करते रहते हैं। अगर हमें भक्त इतना प्रेम करते हैं तो समय प्रभुपाद जी कितना प्रेम करते होंगे। भक्तों को प्रभुपादजी के हाथों से बना हुआ प्रसादम् ग्रहण करते थे और जो उनकी भक्ति में रहते थे वो बहुत ही भाग्यशाली होंगे।

अ मेरी आपसे यही प्रार्थना है कि मैं आप की ओर आपके भक्तों की सेवा में हमेशा लगा रहूँ और हमेशा आपकी सेवा मुझें मिलती रहे।

पूज्य गुरुदेव आपको कोटि कोटि प्रणाम,

गुरुवर, आप से विनम्र निवेदन करते हुए आप से कहता हूँ कि जब से आपका तथा आपके भक्तों का साथ मिला है तब से जीवन में आमूल चूल परिवर्तन आया है, भगवन से प्रार्थना कैसे की जाय, तथा मन्दिर में किस तरह का आचरण किया जाय, तथा सबसे महत्वपूर्ण बात यह कि अपने आपको पहचानना, मैं कौन हूँ और मेरा इस धरा पर जन्म किस लिए हुआ, अर्थात् हमें इस जीवन में क्या करना है, क्या इस जीवन को यों ही हस्ते खेलते हुए इसी तरह से व्यतीत करना है. नहीं, गुरुवर आप के द्वारा लिखित किताबों में प्रहलाद महाराज का एक उदाहरण आता है प्रहलाद जब पांच साल के थे तब उन्होंने अपने साथ के बालकों से कहा था की यह जीवन अनमोल है लेकिन यह कब छीन जाय इसका पता नहीं इसलिए अपने मन को भगवान् के लीलाओं में लगाओ उनके भजन पूजन में लगाओ उनको बार बार याद करो जिससे आपका मन भगवन में लग जाय और आप भगवान की पूजा अर्चना कर सको, लेकिन हम सब मंद बुद्धि जन इस भौतिक संसार में अपने जीवन को खपा कर आनन्द प्राप्त करना चाहते हैं, लेकिन हमने आपकी शिक्षाओं से सीखा है की भौतिक जगत में आनन्द कहाँ, असली आनन्द तो भगवान के धाम गोलोक में है उसी को प्राप्त करना हमारा परम लक्ष्य है भगवान् श्री कृष्ण गीता जी के अध्याय २ के १४वें श्लोक में कहते हैं कि इस नश्वर जीवन में सुख और दुःख का आना और जाना ठीक उसी प्रकार है जिस प्रकार ऋतुओं के अनुसार शर्दी तथा गर्मी का आना तथा जाना, इसके कारन मनुष्य को बिचलित नहीं होना चाहिए, ये सब तो इंद्रि बोध के कारण मालूम होते हैं अर्थात् सांसारिक जनो को अपने मन को हर क्षण भगवान् में लगाये रखना चाहिए. इसी लिए कहा जाता है कि आखिरी स्वीकृति तो भगवान् वासुदेव ही है जो संसारी लोग इसे नहीं जानते हैं, इसलिए वे मूढ़ या धूर्त कहलाते हैं वे नहीं जानते की वे जो कुछ कर रहे हैं वह कितना भी उत्तम क्यों न हो यदि वह ईश्वर को स्वीकार्य नहीं तो व्यर्थ होगा, दूसरी ओर भक्त यह जानता रहता है कि मेरे पास जितनी बुद्धि है उससे मैं सुखी बनाने का प्रयत्न भले ही करूँ, किन्तु भगवान् कृष्ण कि स्वीकृति के बिना मैं सुखी नहीं रह सकता. इसलिए हे संसार को सही मार्गदर्शन देने वाले गुरुवर आप मुझे इतनी शक्ति या सामर्थ्य प्रदान करें, जिससे हम सब दुखी जन भगवद धाम का मार्ग अपना सके और उनके धाम वापस जा सके.

आपका दास

Dear Srila Prabhupada,

Please accept my humble obeisance.

Although I have no qualifications so that I can glorify you but I know its by your grace only that I have been able to offer these lines at your lotus feet.

Through your causeless mercy you have delivered many fallen souls all over the world. You have distributed the nectar of holy name all over the world without any distinction. You have given us the lotus feet of chaitanya and nityananda, although we are not at all eligible for that.

Through your causeless mercy only that we have been able to relish the topics of Bhagavatam , although we have no intelligence of our own. Simply by your association our sins have cleansed and we have understood the importance of human life.

Although there are many servants of yours who have completely surrendered to you there life and soul. Thus by serving your lotus feet they have become eligible to understand the absolute.

But I am so fallen that I am not even equivalent to the dust of the lotus feet of your humble servants. The only thing which is my ultimate refuge is your causeless mercy. You are the unlimited treasure of prema bhakti. Without consideration of the qualification you can freely distribute few jewels even to the most abominable soul .

Please bestow your mercy upon me. Make me capable so that I may serve you. Give me the intelligence so that I may be able to understand your teachings. Give me the strength so that I may overcome all the worldly attachments. Give me attachment to your lotus feet which like a boat carries the surrendered souls, across the ocean of death.

Grant me service of your most confidential servants.

Your lotus feet are my ultimate refuge.

First time I see your Deity at a temple in Kanpur. I thought it is real a person sitting in front of Krishna.

When I joined my college in first year and started taking classes of hare Krishna movement I introduced with you. I am from an orthodox Brahmin family and follow all spiritual activities but very confused about who is superior in all gods. When I started taking classes regularly all doubts are clear day by day. Due to your mercy I will left all doubts and started chanting hare Krishna Mahamantra. It was totally your mercy that I received personal guidance of Krishna pad Prabhu, Akhileshwar Prabhu they taught me about your instructions and it advanced me in Krishna consciousness.

Thanks a lot for your mercy

उनको प्रणाम,

मैं पहले प्रभुपाद जी के बारे में कुछ नहीं जनता था लेकिन जब मैं अक्षय पात्र में आया था उस समय जो मैंने देखा की जैसे ही मैंने गेट में प्रवेश किया और उस समय जो धुन मुझे सुनने को मिली उस समय ही मैंने सोच लिया था की यहाँ पर किसी भी तरह का कार्य मिले उसको करना ही है और मैं करता गया साथ ही मुझे भक्ति करने का सही मार्ग मिला जैसा की जप किस प्रकार से करते है और भगवन की किस प्रकार से प्रणाम या दंडवत करते है और मैं जब भी प्रभुपाद जी के द्वारा जो आरती की जाती है उस समय मानो हम भागवान के समीप होते है और मुझे बहुत खुशी महसूस होती की प्रभुपाद जी विदेश जाकर भारतीय संस्कृति के अनुसार कृष्ण भक्ति का प्रचार किया और विदेश में कृष्ण भक्त बनाये और उनका जो मिशन था की कृष्ण भक्ति और प्रसाद एव बुक वितरण लगातार

होता रहे जो उनकी कृपा से बहुत अच्छा हो रहा है और मैंने अपने जीवन में देखा है की प्रभुपाद जी के द्वारा लिखी हुई भागवतम गीता बहुत से लोग अपने घर और ऑफिस में रखते है और उसका अध्ययन भी करते है और उनको अपने जीवन में उतरने की कौशिश करते है

जब मैं जप करता हूँ तब मुझे अहसास होता की जप करने से मन कितना शांत और प्रसन्न होता है और इस जप करने की विधि भी बहुत सरल है आप कभी भी कैसे भी कर सकते है मैं प्रभुपाद जी को अपनी अंतरात्मा से प्रणाम करता हूँ की मेरे ऊपर प्रभुपाद जी की कृपा बनी रहे

आप अपने उपदेश में कहते हैं कि भक्तों के बीच साझा प्रेम को सुविधाजनक बनाने के लिए यह आंदोलन शुरू किया गया था। वह प्यार वह है जो हर कोई वास्तव में चाहता है, और जब ईमानदार साधक स्वयं को इसके द्वारा पारित वातावरण में पाते हैं, तो वे इसके लिए लालची बन जाते हैं और अधिक बार फिर से आते हैं। यही इस्कॉन है जिसके लिए आपने सबकुछ दिया और हमें आश्रय दिया। यह जीवनकाल, पृथ्वी पर आध्यात्मिक दुनिया का उपहार है, और इस अंधेरे युग की अकेला, अलौकिक, बेकार आत्माओं की एकमात्र

आशा है। आपने इसे सब कुछ दिया और ऐसा करना जारी रखा क्योंकि आपकी पारस्परिक शक्ति अमृत नदी की तरह बहती है, जैसा कि भविष्यवाणी की गई है, इस दुनिया के हर शहर और गांव में वृद्धि जारी रहेगी।

Respected Spiritual Master Prabhupada Ji,

Please accept my humble obeisance's unto Your lotus feet.

You are the one who gave us the transcendental knowledge which cannot be known without Your mercy and blessings upon us.

I am very thankful that Supreme God Krishna gives me human life and by Your blessing I have taken Aashray from You and accept You my Spiritual Master so by chanting of Hare Krishna Mahamantra, I feel change in my life and start my first step of my spiritual journey and hope will go back to Bhagvad dham with Your mercy and blessings.

I visited Vrindavan first time with my family in the association with Akshaypatra and devotees and feel there that Lord Krishna is doing the leela. The trip was completely spiritual that made us feel like we are in the Bhagvat dham with Krishna.

I always feel few unanswered questions in my mind that my name is Basant but who am I actually? From where I came? What is the propose of my life? Where shall I go after my death? etc. But after join the Geeta Vigyaan, Yoga For Happiness classes, Vedik Gyan and continues visit at Akshay Patra (Krishna Balram Mandir) and reading Srila Prabhupada books (Srimad Bhagvad Geeta –Yatharup, Janma Mrutyu Se Pare, Purna Prashna Purna Uttar, Hare Krishna Chunauti, Hare Krishna Yug (Pocket Size), Krishna Ki Aur, Raja Vidya, Gita Saar and Atma Ka Pravas) I found answers of all my questions and still want more spiritual knowledge to make my life perfect in Bhakti.

Apart from that, I have joined the Sharanagati course at the Akshaypatra temple and learned the real knowledge about the spiritual life and how to do actual Bhakti in the various form like how to offering prasadam to Krishna, how to do worship of Krishna, how to do Kirtan and Chanting, Vaishnav Shishtachar, Cleanliness attitude etc.

I would always love to do services for Srila Prabhupada, Akshay Patra (Krishna Balram Mandir) and the Supreme God Krishna. May Supreme God Krishna will pure my soul and with the service and blessing of Srila Prabhupada hopefully I will be able to go back Bhagvad dham.

Yours Obediently Servant,

Abhay Charanaravinda Bhaktivedanta Swami Srila Prabhupada Ki Jay..!

Please accept my humble obeisances.

Prabhupada ! The teachings of your supreme soul diverted my spiritual soul towards the lotus feet of KRISHNA , which was the real goal of our lives. I knew the voice of a powerful spiritual master.

I really mean to say that, if there was no HARE KRISHNA MOVEMENT, I wouldn't have gotten a chance to know what is the real meaning of this life. Firstly, when I get in touch with your prayers, teachings of life, which are changing my life slowly. I am very much pleased with your special powerful 'Hare Krishna Maha Mantra'. The chanting of Hare Krishna mantra helps to keep me out from material problems, bondage. Before in touch with your teachings I only knew that the world is simple and happiness and sadness repeat continuously. I am very much bored of these and I don't know what is permanent happiness.

Prabhupada ! I am very fortunate to be under the shelter of your blessings to reach the lotus feet of KRISHNA. And I am very happy that I came to know the value of Krishna Prasadam. And please give me the power to chant and to serve the lotus feet of KRISHNA forever.

I am very much honored to receive the nectar of spiritual knowledge from your books. So my master, on this auspicious day please bless me to develop the spiritual knowledge to succeed in life. Ignoring these material bondages I shall try to be your humble servant.

Your servant.

Dear Srila Prabhupada,

I offer my respectfully obeisance on to your lotus feet.

For me Akshaya Patra is very special for me there is something different from other temples, I traveled many countries and traveled all over India but I have not seen a temple and environment like this, I learned lot of things from this temple and devotees such as human ethics and Krishna presents in our life.

One of the best thing I have ever seen is that positive environment and i always feel, because when me thrown in the second year of engineering, I was depressed, confused towards my life and I am finding something peaceful place and mentors in my life, where I can share my problems with Krishna and Srila Prabhupada and mentors and I finally found in Akshaya Patra temple, I am very thankful to Krishna and Prabhupada for giving me this wonderful life.

Aspire to be your servant,

परम आदरणीय श्रील प्रभुपाद जी,

अपनी साधारण बुद्धि से आपकी महिमा का गुणगान करना सूर्य को दीपक दिखाने जैसा है। इस धृष्टता के लिए क्षमाप्रार्थी हूँ। जबसे जीवन में आपकी अहैतुकी कृपा हुई है तभी से जीवन का जीवन का वास्तविक उद्देश समझ आया है। आपने सिखाया कि मनुष्य और जानवर में चार समानताएँ आहार, निद्रा, भय तथा मैथुन होती हैं और असमानता में प्रमुखता से ब्रह्म जिज्ञासा है। आपने सिखाया किस प्रकार ब्रह्म जिज्ञासा के द्वारा हम हमारा कल्याण कर सकते हैं। आपने बताया कि मानव जीवन की सफलता क्या है तथा असफलता क्या है? आपने सिखाया कि हमारा असली दुःख तो जन्म, मृत्यु, जरा और व्याधि है। जबकि हम तो क्षणिक सांसारिक दुखों को ही वास्तविक दुःख समझ रहे थे। आपने ही शास्त्रों में वर्णित चार नियामक सिद्धान्तों द्वारा भवसागर से पार पाने का तरीका बतलाया। आपने बताया कि मानव जीवन का वास्तविक उद्देश क्या होना चाहिये। हम जिसे हमारा उद्देश समझ कर विकास मान रहे थे, वह तो मात्र एक अन्धकूप का मार्ग था। आपने बताया कि हमारी मौलिक चेतना तो कृष्णभावनामृत ही है। आपने समझाया कि सत्य और सौन्दर्य क्या है, आत्म साक्षात्कार क्या है, विवेकपूर्ण जिज्ञासाएँ क्या होती हैं? आपने हम पर कृपा करके जीवन का उद्देश बहुत ही सुन्दर और सरल शब्दों में बतलाया। इसके लिये हम और कलियुग की मानव जाती सदैव आपकी अभारी रहेगी।

आपने जो ज्ञान दिया उसे मेरे द्वारा शब्दों में वर्णन करना संभव नहीं है परन्तु उसकी जो अनुभूति है वह एक अनुपम अनुभूति है उसे सिर्फ महसूस कर सकता हूँ यद्यपि मैं आपके बतलाये मार्ग पर चलने का प्रयत्न कर रहा हूँ। परन्तु जन्मों - जन्मों के संचित कल्मषों के कारण समय समय पर माया द्वारा मोहित कर लिया जाता हूँ। तथापि आपकी अहैतुकी कृपा सदैव मुझे माया के पाश से बचायेगी, ऐसा मेरा पूर्ण विश्वास है।

आपके दासों का तुच्छ दास, भक्ता भवानी शंकर शर्मा

Bhakta Bhoma Ram Meena

Dear Prabhupada,

Please accept my humble obeisance at Your lotus feet on auspicious day of Your divine grace appearance on the earth. I wish to describe my gratitude as follows.

By Your causeless mercy I have been attached this temple since June 2014 when I went to vrindavan on holy tour with Your devotees. This was a really a turning point in my life and I created faith in Krishna consciousness and sought the shelter of (Guru Maharaj). I could know that our mission of life is not material existence but to go to Goloka Vridavan by the boat of lotus feet of spiritual master.

Thereafter for devotional service (1) I accepted Sril Prabhupada as bonafide spiritual master (2) and accepted initiation from him (3) and also surrendered and served him (4) received instructions from his books and followed his directions. To addition this for development of Krishna consciousness there are certain rules regulations to be followed (1) Chanting of Hare Krishna Mantra (2) Four regulative principles and offering food to deity. (4) Fast on Ekadashi and other festivals. (5) Reading of books and attending lectures. (6) To attend all festivals and functions of the temple and also offering services on all occasions. By the mercy (Guru Maharaj) I became freed from all unwanted habits and become fixed in devotional service. Apart from this I also began to attend Mangala Aarti daily by the mercy of (Guru Maharaj) and I take it all auspicious to have darshan of all Vighrahas and devotees attached to temple in the early morning. I also know that only by the grace of spiritual master one receives the benediction of Krishna and advancement in spiritual perfection. I offer my respectful obeisance unto his lordship who has opened my eyes which were blinded by darkness of ignorance with torch light of knowledge.

हरे कृष्णा,

प्रिय श्रील प्रभुपाद,

आदणीय एवं परम् पूजनीय अभयचरणारविन्द भक्तिवेदान्त स्वामी श्रील प्रभुपाद के चरण कमलों में दण्डवत् प्रणाम। नमः । अज्ञानतिमिरन्धस्य ज्ञानान्जन श्लाकया। चक्षुरून्मीलितं येन तस्मै श्री गुरवेः नमः।। सबसे पहले गुरुदेव श्रील प्रभुपाद व वैष्णवों को सादर प्रणाम करता हूँ। जिनके आर्षिर्वाद से मैं कृष्णभावनामृत संघ से जुड़ा, यह मेरे लिए सौभाग्य की बात है।

हम अज्ञान के घोर अंधकार में उत्पन्न हुये ज्ञान रूपी प्रकाश से श्रील प्रभुपाद ने हमारी आँखें खोल दी। ये उनकी करुणा व दया है, कि उनका आश्रय हमें प्राप्त हुआ। उनसे मिलने से पहले हम को पता ही नहीं था कि हम भौतिक संसार (काम, मोह, भय, निद्रा, आहार) इन सब में उलझे हुये हैं। तथा जन्म-मृत्यु के चक्कर में पड़े हुए हैं। हम तो इस शरीर जो आठ तत्वों से मिलकर बना है - आग, पृथ्वी, जल, वायु, आकाश, अहंकार, बुद्धि और मन को ही अन्तिम स्त्रोत मान कर जीवन का आनन्द ले रहे थे। कई पाप व अपराध कर रहे थे। वास्तविकता से अन्जान थें। फिर जीवन में नई सुबह आई और सूर्य की पहली किरण के रूप में श्रील प्रभुपाद सामने आये। जीवन को नई मंजिल मिली। जीने का उद्देश्य मिला। उन्होंने मुझ तुच्छ जीव पर करुणा कि ऐसी दया, करुणा, विनम्रता, सहज, सरल व शुद्धता की और कोई में नहीं केवल ईश्वर के प्रतिनिधि में ही हो सकती है। जो श्रील प्रभुपाद के व्यक्तित्व से पता चलता है। श्रील प्रभुपाद के चरणों में आने से मेरा जीवन धन्य हो गया। आपसे नम्र निवेदन व विनती करता हूँ कि इस तुच्छ व मंदबुद्धि जीव पर अपनी कृपा व आर्षिर्वाद बनाये रखना जिससे हमेशा परम्पिता परमेश्वर श्री-श्री राधा कृष्ण की सेवा में लगे रहे।

कुछ पंक्तियाँ प्रस्तुत करने का प्रयास कर रहा हूँ श्रील प्रभुपाद के चरणों में। हम थे घोर अंधकार में, माया के जन-जाल में। समस्याओं से घिरे हुए, निराशा और परेषानियों से जकड़े हुये।

हर कदम-कदम की विपदा, ना कोई मंजिल ना कोई रास्ता। भटक रहा था, जीवन का उद्देश्य नहीं था कोई। भूल गये हम वह संस्कृति जिसका वेदों में है उल्लेख। भक्ति का अभाव, धर्म का हास। अज्ञान का प्रभाव, ईश्वर का चमत्कार हुआ। अभय चरणारविन्द भक्तिवेदान्त स्वामी श्रील प्रभुपाद का जन्म हुआ। भक्ति की उम्मीद जगी, जीवन को नई राह मिली, प्रभुपाद के आने से निर्विषेय, शून्यवाद और पाष्चात्य देशों का उद्धार हुआ।

श्रील प्रभुपाद के चरणों में सादर नमन्।

आपका दास भक्ता बृजदीप

Dear master of all conditioned souls,

Please accept my humble obeisance's unto Your divine lotus feet like an umbrella for the surrendered disciples.

mūkaṁ karoti vācālaṁ paṅguṁ laṅghayate girim yat-kṛpā tam ahaṁ vande śrī-gurum dīna-tāraṇam

Sometimes I introspects within and remember my previous days then my heart so grateful to Srila Prabhupada because I born as sudra and having demonic qualities, even I don't know what is my goal exactly. Even though I am living pathetic and precarious life and start to become more abominable due to association of my brother and friends. But at the same time O my beloved master You showered Your mercy upon this degraded soul and created such wonderful arrangement for me to touch with Your divine movement.

I don't know what You have seen in me then You selected me as the instrument of the Lord Caitanaya's army. But I am so unfortunate not taking Your divine instruction seriously. You are so merciful upon me that guiding me at every moment wherever I committed mistake and vanquished all my doubt in the morning SB lecture but people say You are not present but You are guiding me, how it can be possible?

For me You are more worship-able than Lord Krishna due to Your divine mercy. I am able to know about Krishna some extent. Otherwise I am simply wasting my valuable time life after life engaging in sense gratification, so called family member become favorable to join Your divine movement only by Your divine grace and by association of divine literature and devotees my faith increase in Your divine movement.

Only by Your causeless mercy a seed of devotional service developed in my dirty heart for serving Your divine lotus feet. According to Caitanaya Caritamrita

ei rūpe brahmāṇḍa kono bhāgyavān jīva, guru-kṛṣṇa-kṛpāya pāya bhakti-latā-bīja

Yet another year gone under Your divine shelter but I committed so many mistakes that's why I am begging Your mercy.

I beg pardon for the offenses committed again and again by me unto You, Your divine movement because of immaturity and ignorance nature. I also beg pardon unto feet of all vaishnavas whom I may have offended in the course of my services although I may not have intended anything negative towards them at heart. This is again Your causeless mercy, that I keep my heart light and quickly change my attitude towards all.

Your unworthy servants of servants begging Your causeless mercy for being engaged in Your divine service and divine movement(HKM) and in service of vaishnavas.

Jai Srila Prabhupada.

Your unworthy servant of servants,

Dear Srila Prabhupada

Please accept my most humble obeisances at your divine lotus feet.

Thanks Prabhupada for your mercy to help me in realizing the importance of serving to Lord Krishna. Initial use to come with a devotee to take prasadam and chant one or two round. After some time I stop coming to folk hostel. Then I realized that chanting Hare Krishna mantra was helping me to concentrating on my studies and maintaining peace in mind.

So by your mercy Srila Prabhupada again I have started chanting and serving to Krishna. By your mercy, I have also taken the lecture of senior devotee's and understand about the world. It was good to listen about the past time of devotee's and how Krishna help them to realization of life."

परम पूज्य गुरुदेव "शील प्रभुपाद जी"

आपके चरणों में मेरा कोटि कोटि प्रणाम !

मेरे जीवन में आध्यात्मिक गुरु के रूप में आपका अदुतीय स्थान है! भगवान की भक्ति मैं बचपन से ही करता आ रहा हूँ लेकिन मुझे यह नहीं पता था की मैं भक्ति क्यों कर रहा हूँ और इसका उद्देश्य क्या है !

परन्तु जब से मैंने आपका आश्रय लिया है और प्रभु जी से आध्यात्मिक ज्ञान की प्राप्ति हुई है उसके बाद से ही मुझे भक्ति का सही उद्देश्य मिला है और भक्ति में आनंद आने लगा है! मंदिर में आरती करने और माला जप करने से मुझे आध्यात्मिक खुशी मिलती है !

अतः हे गुरुदेव मेरा आपसे सविनय अनुरोध है की आप मेरे पे सदा अपनी कृपा बनाये रखे और भक्ति मार्ग पर आगे बढ़ने का आशीर्वाद प्रदान करे !

I am eternally grateful to you for showing me the right way of bhakti. परम पूजनीय श्रील प्रभुपाद जी के चरणों में मेरा कोटि- कोटि दंडवत प्रणाम।

हे प्रभुपाद जी

कुछ सालों पहले मैं हरे कृष्ण मूवमेंट के द्वारा होने वाली वृंदावन यात्रा से मेरी आपके भक्तों से भेंट हुई इस दौरान मैंने मेरे जीवन के वास्तविक उद्देश्य को जाना। आपकी शरण में आने के बाद से मेरे जीवन में बहुत से बदलाव आए हैं। जैसे प्रतिदिन जल्दी उठना, माला जप करना, प्रतिदिन मंदिर आना, आपके दिये निर्देशों का पालन करना। आपकी शरणागति से परम परमेश्वर की भक्ति मेरे जीवन का उद्देश्य बन गया है। लेकिन इस दौरान मुझसे कुछ अपराध हुए हैं जिससे मैंने आपको दुख पहुँचाया है। हे प्रभुपाद जी आप बहुत ही दयालु हैं, जो मुझ जैसे पतित को क्षमा करके अपनी शरण प्रदान की। मैं आपकी कृपा से कृष्णभावनामृत संघ से जुड़ा हूँ। ये कृपा मुझ पर बनाये रखना। मैं आपके सामने ये प्रण लेता हूँ। मैं कभी भी कृष्णभावनामृत संघ को छोड़कर नहीं जाऊँगा। आप मुझ पर अपनी कृपा ऐसे ही बनाये रखें और मुझे जप व तप करने की एकाग्र शक्ति प्रदान करें।

Dear Srila Prabhupada

Please accept my humble obeisance unto your lotus feet.

Although your causeless mercy in my life cannot be explained through some words but still I am trying to write a few words as an offering for you. Whenever and wherever there was a need of guidance in my life, you were present there always through your daily quotes, lectures, books or through the words of devotees or through your smiling face....somehow or other you have helped me in facing any problem or difficulty in my life...You have taught me how to develop the dormant love for Krishna simply by chanting the hare Krishna mahamantra...But I am the most fallen fellow, even after hearing many instructions of devotional service still I am hankering after sense enjoyment in this material world...and posing myself as a very learned scholar of vedic scriptures..But I know that someday all these anarthas will be removed by gradual process of hearing...Recently I have lost my material father but I know that you will always be there with me as my spiritual father birth after birth..It is your mercy only with the help of which I am able to handle such a situation in my life..because you have given me Shastra chakshu ..and I believe strongly in the words of Krishna that we are not these material bodies..we are soul..part and parcel of Krishna...for this time I have only this much to say to you Prabhupada although your qualities cannot be glorified by limited words..

Hare Krishna..Jai Prabhupada

प्रभुपाद जी के चरणों में तुच्छ शिष्य का सादर प्रणाम।

गुरु की महिमा का वर्णन कबीर दास जी के दोहो से बताने का प्रयास करना चाहूँगा। सब धरती कागज करूँ, लेखनी सब वन राज। सात समुद्र की मसी करूँ, गुरु लिखा ना जाएँ॥ नाही मेरे विचारों में इतना सामर्थ्य है, ना ही मेरे शब्दों में कि मैं गुरु की महिमा का वर्णन कर सकता हूँ। मैं कुण्ठों से भरा एक जहरीला व्यक्ति था। जो केवल अपने लिए जीता था, ना तो कुछ दिशा थी, ना कोई भौतिक योग्यता थी। आध्यात्मिकता का प्रश्न ही नहीं उठता ऐसे समय मैं प्रभुपाद जी ने अपने शब्दों के माध्यम से मेरे जीवन में अवतरित हुए। और आज मेरी भौतिक और आध्यात्मिक उन्नति प्रभुपाद जी के कारण ही हैं।

मुझे प्रभुपाद के जीवन से प्रेरणा मिलती है कि निःस्वार्थ सेवा क्या होती है। और कैसी की जाती है, ये मुझे ज्ञात हुआ। प्रभुपाद जी की जीवनी लीलामृत का अध्ययन करने पर कि कैसे प्रभुपाद जी ने मानव समाज के लिए आजीवन कष्ट उठाया ना कि अपनी भौतिक इच्छाओं के लिए। उन्होंने भारत में रहते हुए संघर्ष किया एवं जल यात्रा के दौरान दो बार हृदयघात हुआ। परन्तु उन्होंने अपनी गुरु की आज्ञा का पालन किया। प्रभुपाद जी मैं आपको कोटि-कोटि धन्यवाद देता हूँ। आपके कारण मेरी भौतिक इच्छाओं की समाप्ति हुई, कृष्ण और मेरे बारे में ज्ञात हुआ और पशु जीवन का नाश हुआ। एक खास बात जो मैंने महसूस की है यदि आप एक बार प्रभुपाद जी और कृष्ण का हाथ पकड़ लेते हैं तो भले ही आप उन्हें भूल जाएँ किन्तु वह आपका साथ कभी नहीं छोड़ते हैं। अन्ततः मेरी विनती है आप भले ही मुझे दण्ड दे या क्षमा करें। किन्तु आपके चरणों में स्थान अवश्य प्रदान करें।

आपका दास, भक्त दीपक

Dear Srila Prabhupada,

Please accept my humble obeisance in the dust of Your Lotus feet.

All glories to Your Divine Grace.

Around 4.5 years have passed since the day I was blessed with Your divine association through devotees of HKM Jaipur. Somehow or the other You allowed me to join Your happy Krishna conscious family of loving devotees which has changed my life forever. Before this, we were just wasting life and life was aimless and just a futile struggle for sense gratification race only. Now, we have come to know that the real and ultimate purpose of life is to reestablish our relationship with God. Prabhupada, I am insignificant and unqualified to say anything about You. You are close associate of Supreme Personality of Godhead, Sri. Krsna. Please forgive me for all my offenses in writing this offering.

Over the past 4.5 years , which are the best years of my life, I have realized You as windows to spiritual world. The purports of Your literature can very easily deliver the fallen souls and free the humanity from the clutches of Maya.

Prabhupada, till now journey was very nice like cakewalk. But, I have seen a lot of challenging situations and ups & downs and sometimes it seems difficult to continue & manage all processes of Saadhana Bhakti , but by Your mercy and under guidance of temple devotees, a strong faith in You & Krishna , every time You help me to cross over all the adverse situations and keep us on path of Krsna Consciousness.

As I grow, I realize that things are not easy because of my countless sins done in past. But, I have surrendered to You. Although, I am amongst the most fallen souls and yet, by Your unlimited compassion, I have reached to the level of initiation which was once an impossible dream for me.

Prabhupada, if You so desire, please give me strength to continue practice Krsna Consciousness with more determination and devotion under Your shelter. Prabhupada, I humbly pray at Your Lotus feet, please strengthen me serving You and following Your instructions seriously throughout my last breath.

Please bless my wife Parveen Bala my daughters Namya and Vaishnavi who are sacrificing a lot for my Krishna Consciousness practice and also serving Lord Jagannath, Baldeva, Subhadra deities and Gaur Nitai Deities at home and practicing Krsna Consciousness. Please continue bless all of us to contribute our best for this preaching movement of Chaitanya Mahaprabhu. Please hold our hands forever.

Your very very insignificant Servants,

O Srila Prabhupada!

You appeared, for miscreants like me, Dragging us back, to where we belong. There is no value of the life we try to lead, If your shelter won't be along. O Srila Prabhupada! By your vani did my eyes opened, And I woke up for time being. Stone hearted is what I am, My rascal mind is always disagreeing. O Srila Prabhupada! In this struggle for existence, I always pray to associate with your disciples. Only the knowledge given by you, Can help us cross all the birth-death cycles.

O Srila Prabhupada! All glories unto you, the disciple of the Lion Guru. You have changes the lives of millions around the world, You are the only Jagat Guru.

O Srila Prabhupada! Breaking all the myths, You always wear a beautiful smile. I can't Thank You more, for making my life worthwhile.

पूज्य गुरुदेव

मनुष्य जीवन का उद्देश्य कृष्ण प्राप्ति ही है। इस बात को यथार्थ रूप से मैंने आप से ही जाना। मैं तो एक साधारण विद्यार्थी हूँ। आपके अगाध ज्ञान सागर को समझ पाना अत्यंत कठिन है। फलस्वरूप आपकी कृपा से, “हरे कृष्ण हरेकृष्ण कृष्ण कृष्ण हरे हरे हरे राम हरे राम राम राम हरे हरे” इस महामंत्र का जप यज्ञ ही सर्वज्ञान सार है। इस बात को समझ पाया। जो भी शिष्य आप की शरण में आता है उनका समग्र जीवन कृष्णमई बन जाता है। सुना है कि शिष्य को गुरु की खोज करने जाना नहीं पड़ता गुरु स्वयं ही शिष्य को खोज लेते हैं अतः आपने मुझको अपने शिष्य के रूप में खोजा इसलिए मैं आप के प्रति अत्यंत कृतज्ञता प्रकट करता हूँ।

जय श्रील प्रभुपाद , आपके चरण कमल को कोटि-कोटि वंदन !

मैं अपनी छोटी सी बुद्धि से आपके बारे में कुछ शब्द लिख रहा हूं। गुरु के बारे में लिखने के लिए बहुत कम शब्द हैं। आपके काम बहुत बड़े हैं उनको शब्दों में बयां नहीं किया जा सकता। फिर भी मैं लिखता हूं जो मेरा दिल कह रहा है।

जब से मैं इस आंदोलन हरे कृष्ण मूवमेंट से जुड़ा हूं मेरी जिंदगी पूरी तरह बदल चुकी है। आपके द्वारा दिया हुआ यह उपरोक्त महामंत्र जब कभी मेरे कानों में पड़ता है, पूरी दुनिया भूल कर के सिर्फ आपकी और कृष्ण की सेवा करने के लिए मन आतूर हो जाता है। मन करता है दिन भर इसी महा मंत्र का जप करता रहूं और कृष्ण की सेवा करता रहूं। आपने हमें गोलोक धाम जाने के लिए और इस भौतिकवाद से छुटकारा पाने के लिए यह जो महामंत्र दिया है

इसके लिए आपको दिल से कोटि कोटि धन्यवाद।

आपके द्वारा बताए गए रास्ते पर चलकर कोई भी व्यक्ति अपने जीवन को धन्य बना सकता है। इस हरे कृष्ण महामंत्र का जाप करके कोई भी जीव मोक्ष की प्राप्ति कर सकता है। 18400000 योनि में भटकने के बाद मनुष्य का अंतिम लक्ष्य सिर्फ गोलोक धाम जाना होता है, जो कि आपके द्वारा दिए गए महामंत्र से ही प्राप्त किया जा सकता है ! इस महामंत्र से भगवतशरण प्राप्त की जा सकती है। आपने हमें इस भौतिकवाद में रह कर के भगवान की भक्ति करने का सही रास्ता दिखाया है।

गुरुदेव श्रील प्रभुपाद हरे कृष्ण मूवमेंट से जुड़े हुए मुझे अभी ज्यादा समय नहीं हुआ परंतु फिर भी इतना समय मैंने यहां पर सेवा में दिया है वह समय मेरी जिंदगी का सबसे अनमोल और यादगार समय है। और किसी काम में चाहे मन लगे या ना लगे लेकिन फिर भी कृष्ण की सेवा में बहुत मन लगता है। और इच्छा होती है कि बस यह करते जाएं, करते जाएं, करते जाएं ! मैं आशा करता हूं

जो मेरे दिल में था मैंने वही कहा है। और मुझे जिंदगी भर कृष्ण की और आपकी सेवा का मौका मिलता रहे बस यही चाहता हूं। मैं चाहता हूं मेरी पूरी जिंदगी में आपका दास बनकर रहूं और कभी भी आप के श्री चरण कमल से और भगवान श्री कृष्ण के चरण कमल से दूर ना रहूं।

दास भाव की अभिलाषा लिए आपका दास

प्रभु जी जब से मैं आपकी शरण में आया तब से मेरी दिनचर्या ही बदल सी गयी। अब जाकर मुझे मालूम हुआ है की मैं कौन हूँ, किस लिए यहाँ पर आया, मेरा कर्तव्य क्या है, और अंत में मुझे कहा जाना है। यह सब आपकी कृपा से हुआ ! और जब मैं आपके कि रचित पुस्तके पढ़ता हूँ। तो आँखे खुल जाती है, इसलिए जीवन में एक सच्चे गुरु का होना अत्यन्त जरूरी है। ताकि अज्ञान रूपी अंधकार से छुटकारा पाया जा सके यह तभी सम्भव है जबकि आप जैसा सच्चा, शुद्ध गुरु मिल जाय। प्रभु आप अपनी कृपा दृष्टि सदैव बनाये रखिएगा ताकि मैं कृष्णभावनामृत में जीवन को सार्थक बना सकूँ। गुरु के बिना गोविन्द कौन है नहीं पता चलता है।

Hare Krishna

On the auspicious day of Vyasa puja, I offer my humble obeisance unto the lotus feet of guru dev Shrila Prabhupada who has opened my eyes, which were blinded by the darkness of ignorance, with the light of spiritual knowledge.

From the last four years, I am devoting my time in Bhakti and stage by stage attending various classes, programs in temple and close association of devotees. I rectify the defective senses and material desires with the transparent medium of guru dev's instructions and strictly following regulative principles. Also at the same time regularly attending Mangla Arti and glorifying the activities which are conveyed through the Guru dev to Lord Krishna.

Present days diksha process is under progress accordingly reading books and lectures delivered by You I feel Your presence. This provide me guideline which help me to follow Krishna consciousness more rigidly also awakening the transcendental knowledge and vanquish all reactions caused by sinful activity.

Kindly provide Your blessing and show me the path of perfection so that I will remain attached with Your lotus feet to fulfill all spiritual desires and also thanks to the vaishnavas

Bhakta Ganesh Tanpure

All glories to Srila Prabhupada.

Dear Prabhupada,

It has been another year wherein I have realized Your mercy onto us in form of spiritual guidance You have been giving. I vaguely remember the day when I first visited the temple, first time I read Your books and heard lecture. I was not aware of what was coming next. It has completely changed my perspectives of about the life and thereafter.

I am sure that I am not the only person whose eyes were wide opened by the vision of reality given by You. It's Your kindness that You have lifted so many souls from the filth of material world.

I am yet to qualify in true sense to become Your disciple and it's Your mercy only which would help me be one. I have moved into different role in family and I am hopeful to bring our entire family into the devotional services at Your lotus feet.

It's not been very smooth journey for the last one year but definitely it's been a lot of learning. I would soon be again shortening the geographical distance from the temple, and it is also possible only due to Your mercy. I am sure it's all mercy to help me realize the problems of material world and accelerate efforts towards coming out of it. I look forward to again picking up from where I had deviated and engage in Your services.

Please accept my most humble obeisances at your divine lotus feet.

“Thank you Prabhupada for your mercy and grace that I could come in Folk Hostel and join the Hare Krsna Movement and learn the importance of serving to Lord Krsna. Initially I used to come with Mukesh prabhu to take prasadam and chant one or two rounds. But after some time I started to come to Folk Hostel regularly and came in contact with more and more devotees and could hear their lectures and their experiences and stories full of knowledge and divinity about you and Lord Krsna and how many times when devotees would face problems, how your mercy would fall on them and they get path to follow to achieve their materialistic goals. Then I realized and started chanting more and services allotted to me in hostel. I also started to read books. It eventually helped me more composure and calmness in difficult situations.”

परमश्रद्धेय, प्रातः स्मरणीय पूज्य गुरुदेवश्री कृष्णा कृपा मुर्ति श्री श्रीमद् अभय चरणाविंद भक्ति वैदान्त स्वामी प्रभुपाद को मेरा साष्टांग प्रणाम।

मैं जब सन् 2012 से हरे कृष्ण मुवमेंट (अक्षयपात्र) से जुड़ा तब तक मुझे आध्यात्मिक ज्ञान का उद्देश्य ज्यादा कुछ मालुम नहीं था और इस संस्था (हरे कृष्ण मुवमेंट) से जुड़ने के बाद धीरे-धीरे मुझे आध्यात्मिक ज्ञान के बारे में मालुम हुआ। हर इन्सान इस भौतिक जगत में जन्म, मृत्यु, जरा, व्याधी से पीडीत है और केवल आहार, निद्रा, भय, मैथुन के लिए कार्य करता है। परन्तु इस भौतिक जगत के अलावा भी एक और जगत है। जिसे हम आध्यात्मिक जगत या गौलोक वृन्दावन के नाम से जानते हैं। परन्तु हमें आध्यात्मिक ज्ञान के लिए एक सच्चे गुरु की आवश्यकता होती है। और मैंने गुरु के रूप में आपको स्वीकार कर लिया और सन् 2012 से मैंने आपका आश्रय स्वीकार करके महामंत्र का जब शुरू किया और अब मैंने 16 माला हरे कृष्ण मंत्र का आश्रय लिया है। यह सब गुरुदेव आपकी ही कृपा से ही संभव हो सका है। आज मैं नित्य प्रतिदिन 16 माला हरे कृष्ण महामंत्र का जब करता हूँ। नित्य घर पर मंगला आरती करता हूँ तथा नित्य भगवान कृष्ण को भोग लगाकर प्रसाद ग्रहण करता हूँ नित्य आपकी पुस्तकों का अध्ययन आपके द्वारा दिये गये प्रवचन सुनता हूँ। यह सभी मैं जनवरी से नियमित रूप से कर रहा हूँ और गुरुदेव की कृपा से इसमें एक दिन की भी रुकावट नहीं आयी। 16 माला को पिछले चार वर्ष से कर रहा हूँ।

प्रभुपाद जी अपने साहित्यों में यह कई बार वर्णित किया है कि जिस प्रकार यदि कोई व्यक्ति आध्यात्मिक ज्ञान की खोज में है तो उसे एक सद् (वास्तविक) गुरु के समक्ष जाना चाहिये और विनम्र होकर ज्ञान अर्जित करना चाहिये साथ ही आप बताते हैं कि जिस प्रकार आध्यात्मिक ज्ञान के लिये सद् गुरु की आवश्यकता होती है उसी प्रकार ज्ञान अर्जित करने वाले

को भी एक वास्तविक शिष्य बनने की आवश्यकता है जो अपने तन, मन तथा वाणी से समर्पित हो। यदि दोनों में से एक की भी कमी रही तो ज्ञान का आदान प्रदान संभव नहीं है। आप भगवत् गीता में बताते हैं कि यदि किसी को इस शास्त्र का ज्ञान चाहिये तो उसे अर्जुन की तरह शिष्यवत् आचरण करने की आवश्यकता है न कि अपने मनमाने तरीके से।

मुझे यह पूर्ण विश्वास है कि जिस प्रकार देवर्षि नारद जी ने एक अधम शिकारी और भगवान् चैतन्म महाप्रभु ने नराधम जगाई और भदाई का आत्महन्न् होने से बचाया था और उन्हें अपना सतत् सानिध्य पदान किया था ठीक उसी प्रकार आप भी मुझे अमरत्व प्रदान करेंगे और मुझे वह सब प्रदान करेंगे जिससे मैं सतत् आपके चरण कमलो की सेवा में लगा रहूँ।

आप मुझे यह वरदान दीजिए जिससे मेरी सारी इच्छाएँ आपके अधीन होकर आपकी इच्छाओं में परिवर्तित हो जाएँ और मेरे जीवन की कार्यशाला के हर एक कार्यकेवल आपकी इच्छाओं की पूर्ति में किया जाए। अन्यथा केवल दण्डवत् शिष्य बने रहने से जीवन का उद्देश्य पूर्ण नहीं होगा।

अतः मेरी भावनाओं को कृष्ण भावना भावित करे और अपनी शरण प्रदान करते रहे।

आपका नित्यदास बनने का अभिलाषी

परम पूज्य गुरुदेव के चरणों में प्रणाम

प्रभू पाद आप की शरण

मैं आकर जो आनंद और शान्ति मन को मिली उसे शब्दों में कह पाना संभव नहीं है। दक्ष एव प्रमाणिक गुरु इस नौका के कप्तान हैं / और इस अथाह सागर को पार करने के लिए साधन पर्याप्त है क्योंकि आप ने कृष्ण प्रेम और भक्ति का मार्ग दर्शन कराया है। यह सच्चे गुरु से ही मिलता है। प्रभू पाद के द्वारा भगवद्गीता का प्रचार एवं आप के द्वारा लिखित पुस्तकें मानव जीवन को कृष्णा भक्ति का मार्ग दर्शन कराया है।

प्रभु पाद के निर्देशों के अनुसार 16 माला हरे कृष्णा महा मंत्र का आसान तरीका भक्ति में आगे बढ़ने का रास्ता दिखाया।

प्रभु पाद आप ने जो चमत्कार किया है कौवे की तरह जीवन यापन कर रहे लोगों को हंस बना दिया है। अब वो लोग श्रीकृष्ण के चरित्र रूपी मोतियों को ग्रहण करते हैं यह सब आप के आशीर्वाद से सम्भव है।

प्रभु पाद हम पर भी कृपा करें ताकि 16 माला एवं आप की पुस्तकें का अच्छे से अध्ययन कर सकूँ

Please accept my utmost and humble obeisances at your lotus feet.

I was a fallen soul and had no chance of liberation and finding love for the Supreme Personality of Godhead if it hadn't been for your mercy. You bestowed your divine mercy upon me even when I didn't deserve it. Amid this endless lusts of material essence you guided me about my true nature as a servant of the Supreme Personality of Godhead.

Although I am the most fallen and have no qualities however by your mercy I want to offer my selfless service prescribed in scriptures and your books. Please bestow your mercy upon me so that my suffering in this material bondage ends.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to You.

You are very very merciful. Merciful even than Lord Chaitanya. Because Lord delivered only two jagai-madhai but You are still delivering thousands of jagai-madhai.

You are preaching the cult of Chaitanya Mahaprabhu through Your ISKCON body. Krishnadas kaviraj goswami says 'Krishna Shakti Vina tara nahi pravartana'.

Unless somebody is empowered by Krishna himself nobody can preach the Glories of Holy Name. So as being empowered personality You are distributing freely Love of Godhead. This is Greatest BOON for me that I got from You this HARE KRISHNA MANTRA . Koti koti Naman. Because only for HARE KRISHNA You created International Society, Association of Devotees, Wonderful services, Valuable Books.

O Master, please be more merciful upon me and give me THE SHADE of Your LOTUS FEET. Your Fame May Spread ALL OVER THE THREE WORLDS. I take shelter of Your Lotus Feet.

My dear Spiritual Master Srila Prabhupada

Please accept my respectful and humble obeisances at your lotus feet.

My dear Spiritual Master Srila Prabhupada, you are so kind, you have given me the opportunity to take shelter at your lotus feet. You are the ocean of mercy. I was greatly absorbed in ignorance. I am so sinful and great offender, only your causeless mercy can save me. As you have given me the opportunity of chanting the most powerful Mahamantra, the holy name of the Lord Shri Krishna, The Supreme Personality of Godhead. “ Hare Krishna Hare Krishna, Krishna Krishna Hare Hare, Hare Rama Hare Rama, Rama Rama Hare Hare”, which can save a conditioned soul like me from this material world, so that I can always remain in the association of great devotees of Lord Shri Krishna.

Please bless me with your mercy, so that I can always chant Hare Krishna Mahamantra nicely, read spiritual books written by you, participate in Kirtana, and attend all festivals of Lord Krishna. As I don't know have much Vedic knowledge. But I want to take this whole Vedic knowledge so that I can also preach Lord Chaitanya Mahaprabhu's message to the conditioned souls like me in this material world. Please bless me and my family with your mercy so that we can properly engage in devotional service of Lord Krishna. I want to always live in the association of devotees of Lord Krishna so that no material entanglement be able to take me away from my dear Lord Shri Krishna. Please bless me with transcendental knowledge of Vedic scriptures so that I can very nicely do devotional service to Lord Krishna and nicely chant the holy name without doing any offenses. I again offer my humble obeisances at your lotus feet.

आदरणीय गुरुदेव,

हे प्रभुपाद महाराज, आप भक्तिसिद्धान्त सरस्वती गोस्वामी के सबसे प्रिय शिष्य हैं। आपने अपने गुरु के आदेश पर अपना जीवन अंग्रेजी भाषा के माध्यम से वैदिक ज्ञान के प्रचार के लिए समर्पित कर दिया और पूरे जगत का कल्याण किया। आपने अपनी वृद्धावस्था की चिंता ना करते हुए आप मालवाहक जलयान द्वारा पहली बार जब न्यूयॉर्क नगर गये तो तुमारे पास कुछ पैसा और कुछ पुस्तकें थी। आपने लगभग एक साल कठिन परिश्रम करके जुलाई 1966 में अंतर्राष्ट्रीय कृष्णभावनामृत संघ की स्थापना की। आपने 12 वर्षों में पूरे विश्व का 14 बार भ्रमण किया गया और वैदिक ज्ञान के द्वारा पूरे विश्व का कल्याण किया। आपने श्रीमद्भगवद्गीताको यथारूप में प्रस्तुत किया। आपने वैदिक ज्ञान पर इतनी पुस्तकें लिखीं की एक जीवन में पढ़ पाना असंभव है। आपने श्री राधा दामोदर मंदिर में अठारह हजार श्लोक संख्या वाले श्रीमद्भागवतम पुराण का अनेक खण्डों में अंग्रेजी में अनुवाद और व्याख्या की जो एक साधारण मनुष्य को कर पाना असंभव है। आपने पूरे विश्व में सौ से अधिक आश्रमों, विद्यालयों, मंदिरों की स्थापना और बहुत सारे भक्ति बनाये। आपके द्वारा लिखे गए ग्रंथ विद्वानों द्वारा अपनी प्रमाणिकता और गंभीरता के कारण अत्यन्त मान्य हैं। हे प्रभुपाद महाराज आप कोई साधारण मनुष्य नहीं थे। आप तो भगवान के बहुत बड़े शुद्ध भक्त थे। हे प्रभुपाद महाराज आपने पूरे विश्व को कृष्ण भावनामृत बनाया और हरे कृष्ण महामंत्र के द्वारा भक्ति को सरल बनाया। आपने करोड़ों लोगों के जीवन को नरक में जाने से बचाया और कृष्ण भावनामृत में रह कर जीवन जीना सिखाया। हे प्रभुपाद महाराज अब मुझ पर कृपा करो और अपने दास का दास ----- सब दसों का दास बनाने की कृपा करो तो आपकी अति कृपा होगी। हरीकेश गुर्जर

धन्यवाद।

Dear Srila Prabhupada

Please accept my humble obeisances at your divine lotus feet. I don't know what would have happened if your causeless mercy was not bestowed upon me.

You are the one who preached the sankirtana movement of Chaitanya mahaprabhu all over the world. You enlightened the right path for utilizing this human form of life. I was completely ignorant and indulged in all kinds of sinful activities before you came in my life.

Even though sometimes we commit mistakes and fall down but are so merciful that you never left us alone and keep on instructing us on the path of bhakti yoga. Thank you Prabhupada for giving us your transcendental books through which you are instructing us although you are not physically present.

Thank you Prabhupada for giving us this blissful life and opportunity to serve you and Krishna. You show us the path to break the cycle of birth and death in which we were entrapped for millions of lives.

I beg your mercy so that I can always serve you and Krishna sincerely

जय श्री कृष्ण चैतन्य प्रभु नित्यानंद,

श्री अद्वैत गदाधर श्रीवासादि गौर भक्तवृन्द ।

परम् श्रद्धेय श्रील प्रभुपाद,

आपके चरण कमलों में कोटि-कोटि नमन ।

मैं आपका आभारी हूँ प्रभुपाद की आपने मुझे फिर से आपके अर्विभाव दिवस के शुभ दिन पे कुछ बोलने का मौका दिया जैसा कि आपके साहित्यों एवं प्रवचनों से जानने को मिला है, की यह कलयुग दोषों की निधि है। जहाँ हर तरफ बुराई, असत्य, हिंसा, धोखा आदि जैसे अनेकों पाप हो रहे हैं। इसमें सतगुरु का मिलना ही दुर्लभ है, परन्तु आपके शिष्यों माधवचरण दास एवं सिद्धस्वरूप दास प्रभु की कृपा से मुझे आपका सानिध्य मिला है। जो कि बहुत ही दुर्लभ था। परन्तु हे! प्रभु जैसा कि आपके शास्त्रों के माध्यम से जानने को मिला है कि यह संसार अज्ञान एवं अन्धकार से युक्त है। आप फिर भी हम बद्ध जीवों के लिए इस धरा पर अवतरित होते हैं। एक शिष्य के लिए सत्गुरु का आर्विभाव दिवस बहुत ही महत्वपूर्ण होता है। क्योंकि इस दिन आपकी महिमा हमारे शब्दों से परे और कल्पना काफी दूर है। एक ऐसे महान् व्यक्तित्व का प्राकट्य इस मृत्यु लोक में होता है। जो दूसरे बद्ध जीवों को अमरता प्रदान करके उन्हें भगवद् धाम भेजने का बेड़ा उठाते हैं।

हे! गुरुदेव मैं आपकी प्रशंसा में जो कुछ भी बोल रहा हूँ। वह तो दिपकी भौति है जो सूर्य के सामने अपनी रोशनी बिखेरने की कोशिश करता है, तो फिर मैं आपकी क्या प्रशंसा कर सकता हूँ। यह तो शास्त्रों में वर्णित है एक माध्यम जिसके द्वारा शिष्य के हृदय का शुद्धिकरण होता है। प्रभुपाद यह संकटों से भरा भौतिक जगत् है जो कि अस्थायी है। भगवान् की अन्तरंगा शक्ति के वशीभूत हाके यह स्थायी एवं बड़ी ही मनोरंजक जगह प्रतीत होती है। और बद्ध जीव इसमें पूरी तरह रम जाता है। इन सब सत्यताओं के भाव का आप जैसे गुरु का अवतरण कितना महत्वपूर्ण है। इस बात का पता लगता है। वैसे व्यक्ति यह जानता है कि यह भवसागर है। यहाँ से निकलना और इसे पार करना असंभव ही है। किन्तु जब तक आपका सानिध्य न मिले तब तक व इस मनोरंजक जगह को समझ नहीं पाता है। और यही अपने तरीके से आराम की जिन्दगी जीने की कोशिश में कई जन्म व्यतीत कर देता है। प्रभुपाद मैं आपका पुनः आभार प्रकट करता हूँ। कि आपने मुझे कृष्णभावनाभावित से प्रकाशित किया। मैं आपसे सविनय नम्र निवेदन करता हूँ कि आप मेरे ऊपर आपकी असीम कृपा बनाये रखें। अपने घर में कोई भी जगह देते रहे। मेरा जीवन आध्यात्मिक पथ पर बना रहें। मैं एक बद्ध जीव हूँ भौतिक बुराईयों मेरे भीतर इस तरह भरी है। कि ना जाने कितने जन्मों के बाद अनर्थों को पूरी तरह छोड़कर निर्मल होऊँगा।

अतः मैं पुनः आग्रह करता हूँ प्रभुपाद कि आप मुझे मनशक्ति प्रदान करें। कि मैं हर जन्म आपकी सेवा भाव से करूँ न कि किसी बंधन में होकर, उत्साह एवं धैर्य के साथ सच्चे मन से करूँ। फिर भी मेरी इच्छा इन्द्रियतृप्ति से है। ये बद्ध जीव

आपके सभी निर्देशों और आपके आदेशों को भी नहीं समझ पाता है। और फलस्वरूप स्वयं की इच्छा की पूर्ति हेतु आपके द्वारा बनाये गये सिद्धांतों की अवहेलना कर बैठता हूँ। रजोगुण एवं तमोगुण मुझ पर इस प्रकार हावी हैं। कि मैं अपने वास्तविक स्वार्थ को नहीं समझ पा रहा हूँ। और नित्य प्रतिदिन अनगिनत अपराध अपने गुरु भाईयों के समक्ष कर रहा हूँ। मेरे आध्यात्मिक पतन में मेरी रक्षा करें प्रभुपाद, आप तो पतित पावन है। आपके नित्यदास बने रहने की अभिलाषा में।

आपका दास **भक्त** हर्षित शर्मा

Jai Srila Prabhupada,

I'm an engineering student and I started my engineering in 2017. In the first semester, I was introduced to the organisation Akshay Patra for the first time when Prabhu started visiting us in our college regularly. Then, I came to know about Srila Prabhupada who started the whole organisation and the Akshay Patra moment. I was influenced in a great manner how Srila Prabhupada with all the struggle started this moment at such an old age. This was the first time I was introduced to a very different and new philosophy about Krishna. It was such an impactful course that led to a variety of change in the mindset. These sessions are the reason for the improvement in physical, mental state and spiritual state. The duty of Prabhupada towards lord is remarkable. In the end, I would like to thank Akshay Patra for their services to help students like us in getting realization towards the real aim of life.

Dear Srila Prabhupada

Please accept my humble obeisance unto your lotus feet.

Prabhupada you are the bestower of bliss and remover of all darkness and vices from this world. You are the soul who is taking pain for us and for living beings. You made many reflections of yours who are trying to save me and others. But Prabhupada I am that person who is full of attachment, lust, greed and seeking for enjoyment in this material world, fully degraded. Prabhupada even I am not qualified to glorify you but your reflection in the form of devotees gave me the chance and allowed me. Prabhupada I am a materialistic beggar and worker who is serving all others except you.

Please Prabhupada keep your shade upon me, please keep my collar's rope in your hand I am uncontrolled animal.

आपके कमल रूपी चरणों में मेरा कोटि कोटि सादर प्रणाम!

कहने को तो इस भौतिक संसार में अनेक आध्यात्मिक संस्थाएं हैं लेकिन अफसोस है कि इन संस्थाओं में अनेक अनैतिक गतिविधियों के कारण इन पर से विश्वास ही उठता जा रहा है

ऐसी परिस्थितियों में एक सच्चे गुरु को प्राप्त करना बहुत ही मुश्किल है परंतु हम बहुत ही भाग्यशाली हैं कि आपकी कृपा से आपके अनुयायियों की कड़ी मेहनत व सच्ची लगन से हम आप का सानिध्य प्राप्त कर सकें.

मैं पिछले 4 साल से अधिक समय से हरे कृष्णा मूवमेंट जयपुर से जुड़ा हुआ हूं इस दौरान हमने पाया कि आपकी संस्था स माज के प्रत्येक वर्ग के जीवन को आध्यात्मिक ज्ञान प्रदान करने के लिए सतत प्रयत्नशील है इससे हम बहुत ही प्रभावित हुए और आपकी संस्था द्वारा आयोजित विभिन्न कार्यक्रम की संख्या में से एक कार्यक्रम “गुरु आश्रय कार्यक्रम” में आपकी कृपा से हमें सेवा का मौका मिला और

Hare Krishna Hare Krishna, Krishna Krishna Hare Hare Hare Ram Hare Ram, Ram Ram Hare Hare

I am Ishwar Singh r/o 202 Brij Vihar Jagatpura, Jaipur. The Krishna Balaram Mandir at Jagatpura is near to my residence. I used to visit the temple occasionally. Last year I attended classes for YFH and Vedic Classes and Sarnagati Level I in the year 2018. Last year I had some tension with regard to construction of my house, but after joining temple on regular basis, I got a lot of relief. Construction of my house completed peacefully. Being Sevek I used to do 4 Japamala daily. Once Respected Das Prabhuji visited my house and directed me as how to offer prayers to Lord Krishna as well as Srila Prabhupada and other deities. After that I used to do Japamala as and when I feel some trouble. Now everything is going on very good by the grace of Srila Prabhupada.

So I would like to thanks to Srila Prabhupada and other Prabhuji who are showing right path to everyone not only in India but abroad also.

Dear Srila Prabhupada

om ajnana-timirandhasya jnananjana-salakayac

cakshur unmilitam yena tasmai sri-gurave namah

I came in touch with Krishna Consciousness in 2011 for the first time when Hare Krishna Movement, Jaipur organized a spiritual program at the auditorium of Mahatma Gandhi Medical College, Sitapura on the very auspicious occasion of Krishna Janmashtami. The volunteers had approached our college to tell the students about the program and distribute the passes of the program. I and one of my friends, Gaurav Sharma managed two passes for the program.

The program was started with kirtan of Hare Krishna Mahamantra and that was so enthralling that I cannot express it in words. It really touched my heart and I felt some connection with Krishna. Even I became a bit of emotional while listening to and doing Kirtan. After Kirtan was over, Gaurav said that he was very impressed and pleased with my enthusiasm in the kirtan.

After that a small dialogue session took place between audience and the devotees, relating to spirituality and Krishna. A small movie titled Little Krishna was also the part of the program. I got to know many things about Krishna and his pastimes from that session.

Then Lord Krishna's birthday was celebrated in grand style. There was Mahaabbishekam of the Lord, Srinagar and Mahabhogam. We also relished the Prasadam. A book namely, Krishna, on pastimes of Krishna, was also distributed to the audience.

The impact of the Janmashtami program and reading of the book Krishna attracted me towards Krishna, as His name indicates and He began to come in thoughts on regular basis... means His magic took over me. Actually it was His mercy on me, a fallen soul. After a year i brought Bal Gopal at my home and started worshipping Him. That is how I came to Krishna Consciousness. For about two years I was busy with my preparation for competitive exams and in 2015 I got a job. During this period, I was only serving my Little Krishna at home.

Then once I went to Krishna Balram Temple, Jagatpura to have darshan of lord on some occasion i am not recalling. There I came to know about classes on Secrets of Success. I joined the classes out of my curiosity. In the classes I was suggested some books written by Srila Prabhupada on Krishna Consciousness. Through SOS and books I came to know very basic things Krishna Consciousness like our real identity, who Krishna is, what our relationship is with Him, what our duties are towards Him, what the aim of our life is, complexities of life, how to deal with them and many more things...

And in knowing these things, teachings of Srila Prabhupada helped me a lot. He is the one who showed the fallen souls like me the path of devotional loving service to lord, which is the perfection of life... His teachings changed my perception and approach towards life. Earlier I used to be anxious about future but now I have no anxiety as I have come to know that Krishna is my maintainer and protector.

To spread the Krishna Consciousness among masses all over the world, Srila Prabhupada took a lot of pain in his old age, the age at which most of people take rest in the bed, implementing the orders of his spiritual master, Srila

Bhaktisiddhant Saraswati Thakur and showed us the path of God. His efforts have brought people from different countries, so called religion, color, languages under the umbrella of Krishna. Now we can see his mission flourishing throughout the world.

Thankyou Srila Prabhupada

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to Srila Prabhupada. All glories to you on this auspicious day of your vyasapuja.

By your merciful glance this insignificant soul has got a chance to begin its spiritual life and everyday experiencing new realization in spirituality.

I am able to realize how it's not at all necessary to do idol worship and how beautiful the concept of "Feel the GOD inside you" is. I hope people become more open-minded by following your teachings and stop shoving, a set mentality which they consider to be superior or better than the others, down someone's mind. I have realized how liberation from following a certain set of norms, just to call yourself a religious person, is the biggest life changing thing that can happen to a person in his/her life.

Always in your service,

All glories to my spiritual master, A.C Bhaktivedanta Swami Srila Prabhupada.

I offer my humble obeisances unto your lotus golden feet.

Prabhupada By your helpful glance this insignificant material body has got a chance to begin in touch with a spiritual life and everyday experiencing new realization in spirituality. From the past years of my Krishna Consciousness life, I have achieved what I desire. All the great moment and stories that I had with you is unforgettable till the last breath of my material life. What till now has come to my life it has come by your unpredictable and causeless helping hand over me.

Truly my decision of joining Hare Krishna Movement makes me much more powerful not only to realize me i.e. Who am I but also learn the cause of all causes that is happening around me, which all has come true by your blessing only.

Probably , I was one of the human being who was in touch with spirituality from my childhood but never able to notify the reason of getting into spirituality but after being member with Hare Krishna Movement from past few years, I know what's the purpose of having Spirituality, Unfortunately If I was not able to figure out the purpose then I might be struggling to know spirituality in my upcoming soul that I might be having but Right-now I can figure-out myself and my journey's Goal, that was only because of my spiritual master and the spiritual guidance's that I got from this movement.

Now, my only desire is that no forces in this world should shake my determination & take me away from serving you.

I just take a pledge that I always going to follow your principles and knowledge that you provide to all material body and promise to render all the services in welfare to the society by keeping "Krishna Consciousness" at the center.

Begging to remain under the shelter of your lotus feet at all times.

Dear Srila Prabhupada ,

I still can't reconcile that how I came to this wonderful movement of Shri Chaitanya Mahaprabhu. Whenever I introspect I find my self thousand times useless and incapable with regards to the movement. My faith waivers up and down. I know that I am uselessly wandering in this material world, even after understanding so many instructions. In Hope of futile happiness I have broken your trust many times. Kindly forgive me for my unableness to serve you. At the end I only pray for your mercy so that I get the strength to practice what you have asked and help propogate this Mission of Shri Chaitanya Mahaprabhu... kindly empower me to feel your presence in my life. I lack determination, and only you can bless me with it. Please Prabhupada bless me with the determination to serve you and Krishna. That's all I can ask for. Rest you understand my heart!!

Dear Prabhupada by your merciful I came to know the real meaning of life. Actually earlier I was not knowing anything about spirituality and I was in doubt that god exist or not? Is our soul connected with god or not? likewise there were many doubt in mind but due to your blessing my all doubt has been cleared although I came in touch with many saint in my life but none of them gave the perfect answer of my doubts.

Here I got the chances of sharing my problem easily with anyone of your devotees. Due to which my lifestyle has been started to change. I followed your advice, started chanting and book reading. Please accept my most humble obeisance and Vyāsa-pūjā offering unto your divine lotus feet. You have given us Krishna-Bhakti and purpose of human life. We are living in material world there are so many allurements, which can bewilder and mislead us from spiritual path, but only by your grace, devotional service can be continued.

You fully embody all twenty-six qualifications of a devotee. Srila Prabhupada I don't have any qualification to become your servant because of temple devotees and your Causeless Mercy we are following your instruction gradually doing little bit Sadhana-Bhakti. Please give me your shelter and guidance, so it will advance steadily on the pathway of devotional service.

Despite my innumerable disqualifications you connected to Krishna Consciousness Movement. No one can advance in spiritual life by his own endeavour. If one receives the mercy of the pure Guru like you, one can immediately progress in spiritual life.

You are – You are only my spiritual master birth after birth, I can't pay your debtor. Give me strength to preach your message and Please help me become very much obedient and to strictly follow the instructions.

आदरणीय प्रिय श्री स्वामी प्रभुपादजी,

आपके व्यासपूजा के कल्याणकारी एवं दैवीय प्रादुर्भाव के इस पावन दिवस पर समस्त यष एवं कीर्ति आपके चरणों में सादर अर्पित है।

आप भगवान श्री कृष्ण से चली आ रही अविच्छिन्न गुरु शिष्य परम्परा का प्रतिनिधित्व करते हैं। मैं आपके चरणों में अपना सिर झुका कर आपको नमन करता हूँ।

-हे प्रभुपाद! आपकी दयादृष्टि से इस तुच्छ आत्मा को अपना आध्यात्मिक जीवन प्रारम्भ करने एवं प्रतिदिन आध्यात्म का नवीन बोध होने का सौभाग्य प्राप्त हुआ।

-मेरे इस कृष्ण चेतना वाले जीवन से मैंने बहुत कुछ प्राप्त किया है। मेरे जीवन के वे सभी सुखद पल जिनका मुझे अनुभव हुआ है, सभी आपकी अनिमित्त कृपा का परिणाम है।

-संभवतः मैं ये कभी नहीं जान पाऊंगा कि किस प्रकार एक आध्यात्मिक गुरु अपने सच्चे शिष्य पर कृपा करता है, परन्तु मैं अपने जीवन पर आपके प्रभाव को स्पष्ट अनुभव करता हूँ, जिसने मुझे एक बेहतर इंसान बनाया एवं जिसके कारण मैंने अपने जीवन के चरम लक्ष्य की प्राप्ति हेतु अपनी यात्रा प्रारंभ की।

-हे प्रभुपाद! अब मेरी यही इच्छा है कि दुनिया की कोई भी शक्ति मेरे इस दृढ़ निश्चय को हिला ना सके एवं मुझे आपकी सेवा से दूर ना कर सके।

-हे प्रभुपाद!

-आपकी दयादृष्टि हमारे लिये उपहार है।

-आपकी विशेष कृपा से हमारा जीवन सुधर गया है जैसे मानो किसी वर्षों से सोई हुई आत्मा को इसका चरम लक्ष्य प्राप्त हो गया हो।

-आपकी कृपा से हमारा अंधकारमय जीवन प्रकाशवान हो रहा है।

-आप ही हमारे भविष्यज्ञाता, हमारे सच्चे संरक्षक एवं सच्चे हितैषी हो।

-जब से मैं आपकी शरण में आया हूँ तब से मैं अपने आप में नई अनुभूति, नया अहसास एवं एक नया आत्मविश्वास महसूस कर रहा हूँ। पहले मैं अपने अनुसार समाज को बदलने की कोशिश कर रहा था लेकिन जब से मैं आपकी शरण में आया हूँ तब से मैं अपने आप को बदलने की कोशिश कर रहा हूँ।

-यदि जिन्दगी में कुछ पाना हो तो तरीके बदलने चाहिये इरादे नहीं। प्रेम करने के लिये समर्पण एवं विश्वास के लिये निष्ठा आवश्यक है। यह सब मैं आपकी शरण में आने के पश्चात ही जान पाया हूँ। -श्रीकृष्ण से प्यार एवं भक्ति करना आवश्यक है क्योंकि इस जिन्दगी की जो सांस चलती है वो श्रीकृष्ण की देन है। श्री प्रभु की इच्छानुसार जीवन में कार्य करने चाहिये। युवावस्था से भौतिक संसाधनों को एकत्रित करने हेतु अब तक का मेरा सारा जीवन व्यर्थ गया लेकिन वास्तविक सुख एवं शांति की प्राप्ति नहीं हुई -हे प्रभुपाद! -जब से मैं आपकी शरण में आया हूँ मेरे मन में किसी जीव-जन्तु, मनुष्य आदि के प्रति गलत विचार नहीं आते। यदि जब कभी भी ऐसा होता है तो तुरन्त प्रभाव से श्रीकृष्ण महामंत्र:-

हरे कृष्णा हरे कृष्णा, कृष्णा कृष्णा हरे हरे ।।

हरे राम हरे राम, राम राम हरे हरे ।।

का जाप प्रारम्भ कर देता हूँ जिससे मेरे मन को बहुत ही आत्मिक शान्ति मिलती है। -जब से मैंने उक्त श्रीकृष्ण महामंत्र की माला का जाप प्रारंभ किया है मैं अपने स्वभाव में आश्चर्यजनक परिवर्तन महसूस कर रहा हूँ। पहले मुझे बात-बात पर क्रोध आ जाता था वह अब नहीं आता, साथ ही मेरे दिल में सबके लिये सहयोग एवं प्रेम की भावना का विकास हो रहा है। -अब मुझे यह अहसास होता

आदरणीय गुरुदेव,

हे प्रभुपाद महाराज, आप भक्ति सिद्धान्त सरस्वती गोस्वामी के शिष्य और प्रिय शिष्य हैं। आपने अपने गुरु के आदेश पर अपना जीवन अंग्रेजी भाषा के माध्यम से वैदिक ज्ञान के प्रचार के लिए समर्पित कर दिया और पूरे जगत का कल्याण किया। आपने अपनी वृद्धावस्था की चिंता ना करते हुए आप मालवाहक जलयान द्वारा पहली बार जब न्यूयार्क नगर गये तो तुम्हारे पास कुछ पैसे और कुछ पुस्तकें थी। आपने लगभग एक वर्ष कठिन परिश्रम करके जुलाई 1966 में अन्तरराष्ट्रीय कृष्णभावनामृत संघ की स्थापना की। आपने 12 वर्षों में पूरे विश्व का 14 बार पूरे विश्व का भ्रमण किया और वैदिक ज्ञान के द्वारा पूरे विश्व का कल्याण किया, आपने श्रीमत् भगवत् गीता को यथारूप में प्रस्तुत किया। आपने वैदिक ज्ञान पर इतनी पुस्तकें लिखी, एक जीवन में पढ़ पाना मुश्किल है। आपने श्री राधा दामोदर मन्दिर में 18000 श्लोक संख्या वाले श्रीमत् भागवतम् पुराण का अंग्रेजी में अनेक खण्डों में अनुवाद किया और व्याख्या की जो कि एक साधारण मनुष्य का करना असंभव है। आपने पूरे विश्व में 100 से अधिक मन्दिरों, विद्यालयों और आश्रमों की स्थापना की और बहुत सारे भक्त बनाये। हे प्रभुपाद महाराज, आप कोई साधारण मनुष्य नहीं हो, आप तो भगवान के बहुत बड़े शुद्ध भक्त हो। हे प्रभुपाद महाराज, आपने पूरे विश्व को कृष्ण भावनामृत बनाया और हरे कृष्ण महामन्त्र के द्वारा भक्ति को सरल बनाया। आपने करोड़ों लोगों के जीवन को नरक में जाने से रोका और कृष्ण भावनामृत में रहकर जीवन जीना सिखाया है। हे प्रभुपाद महाराज, आप मुझ पर कृपा करें और मेरे को अपने चरणों की सेवा का अवसर दे तो आपकी अति कृपा होगी।

धन्यवाद।

आपका चरण इच्छुक दास

Please accept humble obeisances unto your lotus feet, I offer my respectful obeisances unto my spiritual master, the deliverer of the fallen souls. His mercy turns the dumb into eloquent speakers and enables the lame to cross mountains. By the grace of all Vaishnavas I am able to do little service. Prabhupada I pray at your lotus feet with tears

in my eyes that I am very puffed up and sometime start to think myself as a devotee but you know my condition very well. How big rascal I am. My rascaldom is so big and your mercy is unlimited. I know you are more merciful than Lord Himself. I request you to look after me since you can do anything you want, Kindly engage me in your service.

I

am doing many Vaishnava offence. I have deep lust in my heart. I have deep attachment to this material world. My first and last wish unto your lotus feet to keep in your service.

Dear Srila Prabhupada,

Please accept my humble obeisance unto Your lotus feet thousands of time. Today is the day when a person descended on this earth to deliver all the fallen souls, who are suffering due to material contamination and that very personality is none other than “HIS DIVINE GRACE A.C. BHAKTIVEDANTA SWAMI SRILA PRABHUPADA”.

You are sakshat Hari, but still more merciful than Hari, because You are ready to deliver anybody and everybody, even the lowest among mankind, however Lord Hari first demands full surrender for deliverance. You are 100% Krishna conscious always. You are the real Acharya. There is cent percent similarity between Your words and Your actions. You are confidential servitor of Lord Krishna. You are real sadhu, You are “para dukhe dukhi”. For the deliverance of all conditioned souls You have taken so much hardships at the age of 69 when generally people think to retire from all duties and simply rest.

This is the miracle of Your mercy that those people who were earlier holding wine bottles and cigarettes in hands are now holding chanting beads, performing harinam sankirtana holding mridanga and kartalas. One more example of Your mercy is that, You have accepted an unqualified soul like me in Your mission. Although I have no qualification but I have firm faith in vedic statement that “Mūkham karoti vācāṁ paṅguṁ laṅghayate girim”

By the spiritual master's mercy, one who cannot speak. He becomes a great lecturer or speaker and one who is lame, who cannot walk, he can cross over the mountains.

To maintain something is more difficult than to achieve that. By Your mercy I have got this bhakti lata bija but there are so many dangers in this path of Bhakti. I pray unto You to please save my Bhakti from every dangers. Srila Prabhupada please bestow Your mercy on me so that I can become a sincere devotee and attain the Krishna Prem in this very life. Presently I am having so many anarthas, please help me, give me more and more service desire.

Please accept obeisance's again and again unto Your lotus feet. Spiritual master like You, is very difficult to obtain. I have not selected You but You have causelessly accepted me.

Trying to become Your humble servant,

Bhaktha Mohit

Bhakta Mrigank Singh

Dear Shrila Prabhupada,

Please accept my humble obeisance unto you lotus feet. You appear in my life like knight with sword of knowledge to kill the enemy of self realization which is lust, anger, greed and dissipates my ignorance.

Majestic books written by you help me a lot in advancing on path of devotion and various analogy given by you help condition soul like me understand the science Krishna consciousness, Whenever I read your book and listen to your lecture I felt your presence.

Your words give me inner strength to follow the path of Bhakti, the path which lead me back home back to godhead. You made realize how to serve Lord Krishna by your personal example. It's by your mercy only that I am relishing the true taste of devotional service by chanting of HARE KRISHNA MAHAMANTRA.

Oh spiritual master you are the epitome of devotion and humility please bless me and help so that I can follow your instructions with more determination and faith. You are pure devotee of lord Krishna please bless me so the I can serve lord Krishna with whatever skills I may have and make my life successful.

भगवान् श्रीकृष्ण के अनन्य भक्त और हमारे आध्यात्मिक गुरु श्रील प्रभुपाद के चरण कमलों में सादर कोटि-कोटि नमन॥

प्रिय गुरुजी, न जानें कबसे ही भटक रहा था मैं इस संसार के दुष्कर मार्गों पर, और ढूँढ़ रहा था कोई विकल्प जो मुझे दिला सकता चिर अवकाश अंतहीन मानवीय प्रयासों से; ऐसे प्रयासों से जिनका लक्ष्य केवल नितांत भौतिक और निराशाजनक था। मुझे समझ में नहीं आता था कि यह दौड़ता-भागता हुआ सा मानव अंततः क्या प्राप्त करना चाहता है, इसकी यात्रा का परम लक्ष्य क्या है? मानव का जीवन क्या केवल नियमित कार्यों के निष्पादन के लिए ही है? इसमें कोई विविधता नहीं है जो जीवन में वास्तविक रस उत्पन्न कर सके। छल, प्रपंच, ईर्ष्या, राजनीति आदि के अतिरिक्त माया के और भी बहुत से रूप। कभी-कभी क्षणिक और छद्म प्राकृतिक सुखानुभूतियों को ही जीवन समझ लेना स्वयं को धोखा देने के सामान था। किन्तु इस भव-सागर में मैं ऐसे डूबना नहीं चाहता था, परन्तु मेरे सभी प्रयास निरर्थक सिद्ध होते जा रहे थे गुरुजी। आत्मिक सुख होता है, इस तथ्य का मुझे भान था; पर राह नहीं पता थी। कभी मैंने मानसिक-चिंतन द्वारा, कभी कुछ साहित्य-पठन के माध्यम से, कभी तथा-कथित आध्यात्मिक गुरुओं की प्रणालियों के अनुसरण से तथा अन्य विधियों के द्वारा स्वयं की आत्मा को तृप्त करने का प्रयास किया; परन्तु हर-बार मैं अपने आपको झूठी संतुष्टि नहीं दे सकता था। भौतिकतावाद मुझे अत्यंत नीरस सा लग रहा था। मैं घोर निराशा के दौर से गुजर रहा था तथा सुख की भौतिक परिभाषाओं में ही सुख की खोज करने लगा था। आत्मा अन्दर से अत्यंत ही विचलित थी। एक रिक्तता सदैव ही मेरे हृदय में वास करती थी, और इस उन्नत समाज की कोई भी वस्तु उस रिक्तता को नहीं भर पा रही थी।

यह गुरुजी आपकी और परम-पिता भगवान् श्रीकृष्ण की असीम कृपा थी कि इस बद्ध-पतित जीव को उस मार्ग की प्राप्ति हुयी जो शुद्ध रूप से आध्यात्मिक है। इतनी विशेष कृपा कि आपने हमारे हाथों में हरिनाम जप की माला पकड़ा दी है, एक अमूल्य निधि। हरे-कृष्ण का संकीर्तन, भगवान् का प्रसाद, भगवान् की अर्चना, क्या कुछ नहीं है इस कृष्ण-भावनामृत की परिपाटी में। वास्तविक, और रसपूर्ण विविधता। हाँ गुरुजी, यही कृष्ण-भावनामृत ही तो है जिसकी खोज में मैं था। आपका अति-धन्यवाद गुरुजी।

मैं नहीं समझता था कि इस विशुद्ध भक्ति मार्ग पर मेरी यात्रा का आरम्भ होगा, पर गुरुजी आपकी और भगवान् की कृपा से यह संभव हो चुका है, परन्तु मैं भयभीत तथा शंकाग्रस्त हूँ कि कहीं माया की प्रबल तरंगों मुझे अपने प्रभाव में न ले लें। फिर भी मेरा आपमें विश्वास है कि गुरुजी कि जब आप इस निकृष्ट जीव को इस मार्ग पर ला सकते हैं तो आगे भी आप

मेरा मार्गदर्शन करते रहेंगे। आपसे विनम्र निवेदन करता हूँ गुरुजी कि आप मुझे आगे भी ऐसे ही निर्देशित करते रहें और यदि कोई भूल हो तो उसे क्षमा करें। मुझे बल प्रदान करें।

श्री गुरुदेव श्रीला प्रभुपाद के चरणों में कोटी-कोटी ढण्डवत प्रणाम

श्री चैतन्य महाप्रभु कहते हैं कि जो भाग्यशाली है वे ही कृष्ण भावनामृत को गृहण करते हैं। हमें इस बात पर यकिन नहीं होता है कि हम भी भाग्यशाली हैं क्योंकि इस जन्म का जहा तक संबंध है हमने ऐसे तो कोई कार्य नहीं किए कि हम

भाग्यशाली हो गए लेकिन महाप्रभु ने कहा है तो या विश्वास करना ही होगा ना जाने कितने जन्मों के कर्मों का साथ चलता है।

श्री गुरुदेव के चरणों से जुड़ने से पहले हम नारकिय जीवन जी रहे थे। जिसका हमें आज अहसास होता है कि हम पशुवत योनी से ज्यादा कुछ नहीं थे। लेकिन हमारे जीवन में श्रीला प्रभुपाद के एक शिष्य का आगमन होता है और धीरे-धीरे जीवन का मूल्य ही बदल जाता है नारकीय जीवन से एकदम मनुष्य जीवन कब बदल जाता है ये अहसास किया जा सकता है। हम श्रीला प्रभुपाद जी से यही प्रार्थना करते हैं कि हमारे ऊपर अपनी कृपा बनाये रखे तथा हमें शक्ति प्रदान करे ताकि हम गुरुदेव द्वारा निर्धारित चार नियम दृढ़ता ढ़्ढतासे पालन करते रहे तथा भगवान कृष्ण को कभी भी न भूले। जन्म जन्मांतर तक भगवान श्रीकृष्ण के द्वारा के भी दास जाकर उनकी सेवा करते रहे। भगवान श्री कृष्ण को खुश करने का एकमात्र तरीका ये ही है कि किसी पशुयोनी जी रहे व्यक्ति को उनके चरणों में स्थापित कर दिया जावे इस से ब

Dear Srila Prabhupada,

My humble obeisances to my beloved spiritual master Srila Prabhupada. This Vyas Puja Offering-2018 is highly special to me. I had a special realization within last year that even when someone losses direct touch with temple & temple devotees, you have take care him by providing devotee association & Prasadam somehow or other. A disciple can forget a Guru in worst case but a Guru never forgets his disciple in any case.

Now my biggest challenge is to resume my 16 rounds chanting again & reading Bhagavatam atleast one hour daily. For winning above two challenges, I have to rise up early every morning which becomes very difficult some time. O Spiritual Master! Please give me strength so I can chant Holy Name & can become fully Krishna Conscious in this life itself.

Thanks to all Vaishnava's for giving this beautiful opportunity for writing my Vyas Puja Offering-2018.

Jai Prabhupada!

जय-जय श्रील प्रभुपाद !

मैं आप को दंडवत प्रणाम करता हूं। कृपया मेरे विनम्र प्रणाम को स्वीकार करें। आपका मेरे जीवन में आना तथा मुझ पर कृपा करना ही मेरे जीवन की एकमात्र पूंजी है। आपके द्वारा दिए गए इतने निर्देशों और चेतावनियों के बावजूद भी मैं sincere नहीं बन पा रहा हूं और Material

attatchments को increase कर रहा हूं। अब तो मेरे पास यह excuse भी नहीं है कि मैं यदि आध्यात्मिक गतिविधियों में संलग्न रहूंगा तो अपना कैरियर कैसे बना पाऊंगा/अपनी आजीविका का साधन कैसे set कर पाऊंगा, क्योंकि आप ही की कृपा से मुझे अक्षय पात्र फाउंडेशन में job मिली है। यह जॉब मुझे ऐसी स्थिति में मिली जब मेरे पास कोई रोजगार नहीं था और दूर-

दूर तक कोई रोजगार मिलने की गुंजाइश भी नहीं थी, परंतु आपके द्वारा हुई इस कृपा से मैं अपनी आजीविका को लेकर निश्चित हो पाया। हे प्रभुपाद ! मैं ग्रहस्थ बनने की योग्यता नहीं रखता हूं, फिर भी भगवान् श्रीनाथजी की इच्छा से मेरा विवाह हो गया। वर्तमान में

भौतिक जीवन में हर प्रकार की स्थिरता होते हुए भी मैं भगवन्नाम के जप में अपना चित्त नहीं लगा पा रहा हूँ ना ही regulative principles को follow कर पा रहा हूँ। अतएव मैं आपसे याचना करता हूँ कि आप मुझ दीन पर अपनी कृपा दृष्टि डालें ताकि मुझे भक्तों का संग और आप के निर्देशों को अक्षरशः पालन करने की शक्ति मिल सके।

दासानुदास।

मैं सर्वप्रथम अभय चरणारविन्द भक्तिवेदांत स्वामी श्रील प्रभुपाद [अंतर्राष्ट्रीय कृष्णभावनामृत संघ के संस्थापकाचार्य] को सादर प्रणाम करता हूँ। अब मैं बताना चाहता हूँ कि हरे कृष्णा मूवमेंट के संपर्क में आने से मेरे जीवन किस प्रकार परिवर्तित हुआ। हरे कृष्णा मूवमेंट के संपर्क में आने से पहले मैं उस वास्तविक सत्य को नहीं जानता था जो मुझे अ श्री कृष्ण भगवान् की कृपा से स्वामी श्रील प्रभुपाद के माध्यम से ज्ञात हुआ है। श्रील प्रभुपाद ने लोगो में सोयी हुई भक्ति भावना को जाग्रत किया। उन्होंने भारत ही नहीं बल्कि दुसरे अनेक देशों में भी झा पर लोग भोगी और दुराचारी होते हैं। शराब, मांस, जुआ, अवेद्ध सम्बन्ध जैसे सभी महापाप करते हैं। उन्हें भी श्रील प्रभुपाद ने कृष्ण-भक्त बना दिया। और इतना नहीं श्रील प्रभुपाद जी ने श्रीमद् भगवद् गीता का हिंदी से अंग्रेजी में रूपांतरण भी किया ताकि विदेशों में भी जंहा पर लोग केवल अंग्रेजी ही जानते ह वे भी भगवद्गीता को पढ़ सके और कृष्ण भक्त बन सके और ये उन्ही की कृपा ह की आज हरे कृष्णा मूवमेंट के माध्यम से कृष्ण भक्ति को बढ़ावा मिल रहा है। मैं कभी कभी ये सोचता हूँ की मेने पूर्व जन्मो में इसे कोनसे कर्म किये जिस कारन मुझे स्वामी श्रील प्रभुपाद जी का आश्रय मिला। यदि मैं हरे कृष्णा आन्दोलन से नहीं जुड़ता तो मेरा जीवन इस प्रकार परिवर्तित नहीं होता। मैं संसार की मोह माया से बंधा रहकर इस मोक्स के अवसर को गवा देता और ८४ लाख योनियों के चक्र में फिर से फस जाता लेकिन अब कृष्ण कृपा और वैष्णवों की कृपा से अब मेरा मन कृष्ण-भक्ति में लगा हुआ है। और मैं इस वास्तविक सत्य को जान पाया हूँ की मैं एक आत्मा हूँ। और यह शरीर और संसार की सभी वस्तुएँ विनाशी हैं केवल श्री कृष्ण भगवान् ही अविनाशी हैं। इसलिए हमें केवल श्री कृष्ण भगवान् का ही स्मरण हमेशा करते रहना चाहिए।

इसीलिए मैं स्वामी श्रील प्रभुपाद जी को कोटि-कोटि प्रणाम करता हूँ और धन्यवाद देता हूँ।

है प्रभु में आपके लिए जितना अच्छा बोलू वो भी कम है। आपने मुझे बहुत सी मुसीबतों से बचाया है मेने जब कॉलेज में दाखिला लिया तो वो कॉलेज गवर्नमेंट का था और वहा दूर दूर तक न तो कोई मंदिर था और न ही कुछ था बस कॉलेज ही था मैं दुखी रहता था कि यहां तो मंदिर भी नहीं है अब मैं भगवान के मंदिर कैसे जाऊंगा एक दिन मैं सोच रहा था तो इतने

में मेरे कॉलेज के कुछ बच्चे बोलते हैं की तेरे काम की चीज़ मिल गई मेने उनसे पूछा ऐसा क्या मिल गया तो वो बोलते हैं की तेरे लिए मंदिर मिल गया यही थोड़ी दूर एक बहुत अच्छा मंदिर है तू जाकर देख लेना किसका है मेने जैसे ही सुना मैं बहुत खुश हुआ और स्याम को ही मंदिर पहुंच गया ओर वहा जाकर देखा तो मैं बहुत खुश हुआ क्योंकि सामने जो नज़ारा देखा सामने मेने अपने श्री कृष्ण और प्रभुपाद जी को देखा जब मैंने उन्हें देखा तो देखता ही रह गया जब मैंने दर्शन किये और दर्शन करके वापस कॉलेज पहुंचना था और वहाँ से आने का मन तो नई था लेकिन दूसरे दिन कॉलेज था ओर फिर कॉलेज गोवर्नमेंट था तो ज्यादा लेट एंट्री नई देते थे फिर मुझे एक प्रभु मिले मेने उनसे बात की तो उन्होंने मुझे प्रभुपाद जी के बारे में ओर श्री कृष्ण के बारे में बताया और जो प्रभुपाद जी के द्वारा जो मंत्र दिया गया है " हरे कृष्णा हरे कृष्णा कृष्णा कृष्णा हरे हरे!! हरे राम हरे राम राम राम हरे ।। इसके बारे में बताया तो मुझे अच्छा लगा फिर मैं वापस आ गया और फिर मेरी रोज मंदिर जाने की इच्छा होती थी लेकिन मैं सोचता था कि किसके साथ जाऊ फिर मे प्रभु से बोलता ओर प्रभु की कृपा से कोई भी तैयार हो जाता था धीरे धीरे मैं वहाँ जाने लगा और प्रभु की कृपा मुझ पर होती गई प्रभु से मिलने के बाद मेरा वो दुखी जीवन मौजमस्ती में बदल गया किसी भी चीज़ की टेंशन नही होती थी गोवर्नमेंट कॉलेज था तो वहाँ खाना पीना सही नही मिलता था मैं बहुत सी बार भूखा ही सो जाता था लेकिन मेने जब प्रभु से प्रार्थना की है प्रभु कुछ तो करो मैं कैसे रहूंगा यहाँ ओर मुझे पता ही नही चला प्रभु की कृपा ऐसी हुई मुझे खाने कोई परेशानी नही आई और मैं बहुत खुश रहने लगा और मेरे साथ रहने वाले लड़के नॉनवेज,सिगरेट दारू सब चीज़े खाया पिया करते थे और मैं परेशान रहता था वो मुझे भी बहुत परेशान करते थे मैं उन्हें समझाता भी लेकिन नही समझते थे लेकिन मेरा एक ही काम था कुछ भी परेशानी आती तो मैं प्रभु से कहता था ओर प्रभु मेरी हर परेशानी को दूर कर देते थे और मुझे पता ही नही चला कि कब प्रभु की कृपा हुई और उन लोगो ने अपने आप ही कमरा बदल लिया मुझे समझ ही नही आया कि ये क्या हो रहा ओर मैं बहुत खुश रहने लगा मुझे कोई परेशानी नई होती थी और मेरे जीवन मे प्रभु के आने के बाद जो मुसीबतो को दूर किया उन्हें मैं कभी नई भूल सकता है प्रभुपाद जी मुझ से कोई भी गलती हुई हो तो अपने भक्त को क्षमा करना

Hare Krishna,

The teachings of Prabhupada is priceless. It looks very simple but when followed gives me tremendous energy. Why we are here ? What is the purpose of life ? How we differ from animals ? What is this environment? These were the very basic questions which I never thought. The answers to these questions by Prabhupada really changes your whole life.

Dear Srila Prabhupada.

Please accept my humble obeisance. All glories to Srila Prabhupada. All glories to you on this auspicious day of your vyasapuja.

I was a confused soul before coming to Krishna Consciousness. But a glance of your on me changed my life, and introduced Krishna in my life. Srila Prabhupada, you are the one who taught me how to love god without any reason. By your books, I got a broader perspective to understand exactly who god is..?

Srila Prabhupada, by your teachings, I started seeing situations with a spiritual perspective and it became very easy for me to work on myself in terms of spirituality, self and god realisation, confidence and humility. I feel very

fortunate because I got Association of your disciples. Association of devotees helped me a lot to become more humble and to learn so many different aspects of Krishna Consciousness.

By your mercy I got to know about chanting of the holy names of the lord. It became an important part of my daily life. It's very effective and helping me a lot to advance in spiritual life. Dear Srila Prabhupada, I am begging to remain in your Lotus feet so that I'll be able to live my spiritual life in perfection.

Dear Srila Prabhupada,

I pay my respectful obeisances unto your divine lotus feet and to all my senior God Brothers from whom I have obtained the spiritual knowledge I have.

Before coming in association of ISKCON; I did not know how my life was going on. I was unable to justify what is right and what is wrong and what goals should I target for. I was suffering from a lot of problems and bad habits before coming in contact with the Hare Krishna Movement. And all that I got was just because of bad association and because of that my life was not going well. But one day, all this changed. I got a chance to associate with the movement by the mercy of Shri Shri Krishna Balram. And now, just because of the Hare Krishna movement, I got rid of most of my bad habits like Intoxication, meat eating and gambling etc. I have realised who is God, who am I and what my relation with God is and what my relation is with Devotees. After joining the movement, i have realised about a change in my life. And all this is just because of my association with the devotees. Now, I have started to chant a fix number of rounds, taking the Srimad Bhagvatam Lecture everyday, waking up early morning. Now my only desire is to serve my spiritual master A.C. Bhaktivedanta Swami Srila Prabupad and the Hare Krishna Movement. The only thing I want in my life is the association of devotees forever.

Dear Srila Prabhupada!

Please accept my humble obesiences at your lotus feet. All glories to your divine grace.

I am extremely insignificant to write about your glories, which are beyond my abilities to comprehend but still I must make some meagre attempt to glorify you. It has been approximately 6 months I am in Krishna consciousness. Every time when one dedicates his life to Krishna consciousness the materialistic people are shocked. For them it is almost suicide. They think so because for them life means enjoyment to fullest extent with earning name & fame in their own capacities. Any life devoid of this is a dead life.

I was also one of the scapegoats of such society. But your divine teachings have changed these perceptions. Even though we have seen that who so ever has run for materialistic pleasures have only ended up with frustration. But your divine grace boldly preached the fallacy of material civilization & opened my eyes. I has also been inspired by your pastimes.

May I become sincere, hardworking & not to waste time in any activity that is not associated with Krishna. Please give me enough strength, intelligence & determination to qualify as your disciple. You have given me all facilities to serve your wonderful mission & to make a peaceful living, but I am so fallen that I am sitting on all the comforts & not offering my sincere service to you. Now it is my humble request that Prabhupada you always keep me under

your shelter & give me necessary strength to overcome all the weakness of my heart & remain servant of your servant.

Trying to become servant of your servant

Hare Krishna Prabhupada,

Dandvat

Actually speaking as now days I am living in a hell as I am not doing my chanting properly, not reading your books, not even hearing your lectures also, as totally money minded. I have opened a new office near by my house as I don't know that it is auspicious or not as I am earning little bit but still I am not satisfied with anything, previously I was fan of temple now I visit temple twice in a week. I don't know what I will do in the future but in my heart there is little bit desire to serve you as full time missionary but as slowly I am getting too much attached with so called material things. I am really happy that my first Krishna conscious friend has joined the temple, I am really happy for him as I don't want that he should come back again to Jaipur till he got the saffron, so please guide him for this Prabhupada as Krishna is so strong but as well as maya is also strong so better to escape maya not to fight against her that is the biggest mistake which I have committed, I am regretting for that till now.

Now please show me the right path, as I know that I don't want to see but still I want to go in right path but again the problem is that I want detachment but I don't want the complete detachment from this material world as I know that after marriage the life becomes too hellish so please be merciful unto me, as the outside jiva is fallen but I am the most fallen fallen fallen soul so help me and guide me for this, that how I can escape this big trouble or clutches of maya as I am totally swept by maya devi, so guide me as I have planned outside that I will leave this all in some limited time period, I will not disclose that but yes I will do just because, I can't live without devotee.

Always I think, that when the day come that I will join the ashram, but I am not getting a ray of hope from here where I am standing, please give me strength to attend mangla aarti and darshna aarti. Please give me the strength for doing the chanting 16 rounds and reading your books, might be I will come back to you, otherwise hell is always there for me as of now also I am living in hell but I can't tell to anyone just because I have that proving tendency to prove each and every person that I can do something in my life, last but not the least as my prayer to you that I want my friend pranjal prabhu will also come back to temple as he is so much innocent how he will live outside in the so called happy and family life, as it is totally artificial life, I don't like this type of life in any way ultimately please Prabhupada make each and every person a devotee, especially my family as my mother is doing chanting now but I am not doing.

Please guide me for this as I am not satisfied in this life , In this artificial life. Prabhupada sometimes I get some questions in my mind that the taste which you have given me, I was not worthy for that but still you give me that is your kindness and mercy but now you tell me as I am little bit addicted to that as I don't like any association other than devotee association, that is the main reason as I want to join your movement of Chaitanya mahaprabhu one day I will come to temple but I don't know about the day and date.

Please bestow your mercy on this fallen soul.

Dear Srila Prabhupada,

Please accept my humble obeisance's at your lotus feet.

My only aim of life is to become your devotee; I want to surrender you fully but I am not able to follow the sadhana, which you has defined. I often get comments by the devotees on my bad attitude towards them. It is happening because of my uncontrolled dirty mind. I know that I'm not in eligibility criteria to become a devotee, but if you will give a chance I assure you that I'll try to serve you and Krishna at best of my capacity, Please Prabhupada bless me with right understanding so that I can sustain in Vaishnava community in order to serve you. I totally fade up with this material world; I do not want to remain here in this material miserable world so please take me to goloka. Help me to come out from my two challenges sleeping and anger which is totally in the ignorance.

Thanks a lot Gurudev for giving me such a nice family; here one devotee is acting as father, one as a mother, one as a friend, one as a brother. It is a complete family. However, I am not having that much value for them please correct me. One after one my every demands has been fulfilled by your lovable disciples. I have committed n no of offense to them, still you all have kept me in world's best home along with Sri Sri Krishna and Balarama. Please forgive me.

Prabhupada now I am having firm faith in your books and lectures that is the only solution to come out from all problems of life. Still my mind is stopping me to read them out. I want to conquer my mind, have desire to serve you. Please bless me this is my begging from bottom of my heart.

Jab mai es dunia me aaya,mera na koi sahara tha.

Lakh Chaurasi ke chakkar me na jane kitne dhokhe khaya tha.

Na Jivan ka artha pata tha,na jivan ka lakshya pata tha.

Dear Prabhupada

First I pay very humble obeisance unto your lotus feet which is got by great fortune.

I am nitesh kumar, your foolish servant. I feel very same to say that I am now not following any promise which I did to you in 2015. It is because I am preparing for the govt job for that not getting time, it is not the main reason. Main reason is poor willingness and devotee association. When I left the FOLK I thought that I would do what I promise. But when time goes and I leave the devotee association and left all. Now I am doing only Ekadashi fasting and sometimes book reading. But I promise I will resumes all when I get any Government job. Please Prabhupada give me your humble shade of your lotus feet and be my savoir.

Dear Srila Prabhupada,

Please accept my humble obeisance in the dust of your Lotus feet. All glories to your Divine Grace.

Around 4.5 years have passed since the day I was blessed with your divine association through devotees of HKM Jaipur. Somehow or the other you allowed me to join your happy Krishna conscious family of loving devotees which has changed my life forever. Before this, we were just wasting life and life was aimless and just a futile struggle for sense gratification race only. Now, we have come to know that the real and ultimate purpose of life is to reestablish our relationship with God. Prabhupada, I am insignificant and unqualified to say anything about you. You are close associate of Supreme Personality of Godhead, Sri. Krsna. Please forgive me for all my offences in writing this offering.

Over the past 4.5 years , which are the best years of my life, I have realized you as windows to spiritual world. The purports of your literature can very easily deliver the fallen souls and free the humanity from the clutches of Maya. Prabhupada, till now journey was very nice like cakewalk. But, I have seen a lot of challenging situations and ups & downs and sometimes it seems difficult to continue & manage all processes of Sadhana Bhakti , but by your mercy and under guidance of temple devotees, a strong faith in You & Krishna , every time you help me to cross over all the adverse situations and keep us on path of Krishna Consciousness. As I grow, I realize that things are not easy because of my countless sins done in past. But, I have surrendered you. Although, I am amongst the most fallen souls and yet, by your unlimited compassion, I have reached to the level of initiation which was once an impossible dream for me. Prabhupada, if you so desire, please give me strength to continue practice Krsna Consciousness with more determination and devotion under your shelter. Prabhupada, I humbly prey at your Lotus feet, please strengthen me serving you and following your instructions seriously throughout my last breath. Please bless my wife Parveen Bala, my daughters Namya and Vaishnavi who are sacrificing a lot for my Krishna Consciousness practice and also serving Lord Jagannath, Baldeva, Subhadra deities and Gaur Nitai Deities at home and practising Krishna Consciousness. Please continue bless all of us to contribute our best for this preaching movement of Chaitanya Mahaprabhu. Please hold our hands forever.

To Our Respectful Srila Prabhupada,

Fortunately, By the mercy of god, we got a spiritual master like you. You gave the way of living. You were the only one who made the way to spiritual world (far from material world) for millions of SOULS. Prabhu you were the only one who helped us (as we were confused souls) to find the ULTIMATE GOAL of our life. You are our “spiritual master” the bridge whose second end is tied to “LOTUS FEET OF LORD KRISHNA”. In this “kal-yuga” our mind gets filled with thousands of impurities which pushes us down the slope but chanting

"hare krishna hare krishna krishna krishna hare hare hare rama hare rama rama rama hare hare"

helped us to climb the inclined way to Krishna. Prabhu, how a soul like me can pay the price of what you have done for us. After being physically ended, you will always be here around us in our soul.

Thank you, very much Prabhu for your effort towards Humanity.

Dear Krishna's Beloved Srila Prabhupada!!

I pay my humble genuflection to Krishna and you! The Hare Krishna movement started by you is guiding the people throughout the world. The Bhagavad-Gita (Ocean of knowledge and Manual for Life), its lessons are helping the fallen soul from the adobe of Lord Krishna to know about their lost relationship with Krishna. Teachings and the knowledge which you spread across the globe is guiding the people to move from the land of darkness (materialistic world) to the enlightening knowledge of spirituality.

anta-kale ca mam eva smaran muktva kalevaram yah prayati sa mad-bhavam yati nasy atra samsayah

Translation- Whoever, at the time of death, quits his body, remembering me alone, at once attains my nature. Of this there is no doubt.

You must be glad to see that people are following your instructions and there are many more devotees are joining the movement to support your noble movement. This movement was a seed and now it has taken a huge form with multiple branches (social welfare activities) like, Akshaypatra. The endless effort put up by you has a crystal clear result which everyone is witnessing. Most of the difficult work has been already done by you by providing the path to follow and teaching lessons provided by you.

The Hare Krishna movement will grow more than ever and you will be remembered forever.

man-mana bhava mad-bhakto mad-yaji mam namaskuru mam evaisyasi satyam te pratijane priyo 'si me

Translation:- Always think of Me and become My devotee. Worship me and offer your homage unto me. Thus you will come to me without fail. I promise you this because you are my very dear friend.

Hare Krishna!!

Dear Srila Prabhupada,

Please accept my humble obeisances in your lotus feet.

Three years ago I was shifted to Jaipur and by the grace of God it was arranged a residence near Shri shri Krishna Balram temple. I am most fallen soul don't have any inclination towards spiritual growth, I believe that it is the mercy of Shrila Prabhupada so I come in contact with the HKM Jaipur. At HKM Jaipur I attended several classes and temple devotees explained Krishna Consciousness in such a simple way that developed my interest towards Krishna consciousness.

It is very simple and powerful method to purify soul but I am not able to perform these simple things without fail time and again I do mistakes. I am not fully satisfied with my chanting and bhakti, the natural taste of bhakti does

not felt by me. Please provide shelter in your lotus feet and protect from MAYA. Give strength for 16 rounds of undisturbed chanting, daily book reading and service in lotus feet.

Your humble servant

Hare Krishna,

I happened to visit Krishna Balarama temple in Jaipur. I happened to participate in chanting and associate with devotees. The environment was helpful for my sadhana as a seeker. Experientially I felt peaceful in chanting and dancing.

As an organisation, I felt great full that Prabhu Srila Prabhupada has brought up such an environment for seekers of all level of intensity right from a householder to a renunciate. The various activities of foundation touching various sectors of society in mass scale is an appreciable effort.

Hare Krishna, Bhakta Prakash E

Dear Srila Prabhupada,

Please accept my humble obeisance unto your lotus feet .all glories to your divine grace...Although my words are tiny to glorify your holiness. you Prabhupada came in this world of nascence to pick up the condisoned soul to get their original constitutional position. By the mercy of the spiritual master one is benidicted by the mercy of krsna . Without the grace of the spiritual master, one cannot make any advancement. A deciple should never be hypocrite or be unfaithful to his spiritual master. Even a slight deviation from this understanding can create dister in the deciples vedic studies and austerities.

Prabhupada , you wrote a deep heart touchable poem in your diary when you are on the western mission in jalduta . And by this poem you shown the extreme humility and your unflitching faith in krsna. A few of them are as follows:-

My dear lord krishna . you are so kind upon this useless soul, but I do not know why you have brought me here. Now you can do whatever you like with me.

O lord , I am just like a puppet in your hands. So if you have brought me here to dance then make me dance ,make me dance oh lord , make me dance. I have no devotion. Nor do I have any knowledge , but I have strong faith in the holy name of krishna. I have been designated as bhaktivedanta. And now if you like you can fulfill the real purport of bhaktivedanta .

This poem gives a glimpse of you divinity and your humbleness Prabhupada. Anyone who is chanting hare Krishna is being touched by this most merciful incarnation of lord krishna. And thus gets access to all the pure spiritual energies needed to get librated from this illusory world. By your causeless mercy only thousand and lakhs of people on this planet taking advantages of holy name. now it looks that the mission of lord chaitanya mahaprabhu of spreading holy name to each town is becoming successful , this all possible because of your presence only.

you wrote many books to make us aware of spiritual world and krsna , supreme personality of godhead. and Now theses books are guiding your deciples to make progress in spiritual life after 51 years of your physical disappearance. It is not possible without your meccy to make any progress. At last I offer my loud crying prayer that never keep away this poor fallen soul from the dust of your lotus feet.

Your eternal servant of servants,

Bhakta Pranay Sharma

Dear Srila Prabhupada,

Please accept my most respectful obeisance's at your lotus feet and heart full gratitude unto you.

mukam karoti vachalam pangum langhayate girim yat-kripa tam aham vande shri-gurum dina-taranam

"I offer my respectful obeisances unto my spiritual master, the deliverer of the fallen souls. His mercy turns the dumb into eloquent speakers and enables the lame to cross mountains."

In this Kali yuga peoples are suffering each and every moment and I was also one of them, before I came in touch with you. So, I am able to fight against by maya. From last one year, I am getting your instructions through reading your books and listening lectures without failure every day. This year my experience is wonderful, because, I leant very small-small this to Krishna consciousness by attending Sarnagati, Initiation classes, services and devotees association.

My beloved spiritual master, please forgive me because last year, I spent less time to do book distribution. Kindly give direction, intelligence and energy. So, this year I am able to distribute more and more your books. I am serving your mission as an employee, Please give me direction, strength and intelligence. So, I am able to serve your mission my best abilities.

I come to know little bit, How to love Krishna and glorify Krishna. I feel that love of Krishna comes from your divine mercy. Please bless me for more to serve Krishna, and help me to continue the chanting of Hare Krishna Maha Mantra more attentively and follow four regulative principles.

I am giving Krishna consciousness to my daughter also. Please bless her. So she will also become Krishna consciousness. On this most blessed event; Sri Vyasa-Puja, the appearance day of my beloved spiritual master, I am filled with a sense of gratitude and wonder. I cannot even imagine where my life would be today, if you had not appeared and blessed us all with your divine benediction.

Your servant,

Bhakta Pranay

Bhakta Pranjal

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet. All glories to your divine grace !!

I am not worthy to speak a word about you but because you are only my well wisher please allow me to ask for forgiveness and help. It has been 5 years for me in this movement and the last year was may be the worst of my life as it was the beginning of loosing bhakti and now I am just like any other materialistic person. I regret that in those 4 years I didn't learnt how to be strong and dependent over you and krishna which has cost me a lot. Thinking someone other than you and krishna to be the only object of dependency gave me a defeat and eventually I took the shelter of maya. Now I realise bhakti is like walking on the sharp edge of a blade.

Now, I miss you and your movement and still have the desire to be a part of it , just don't have the courage. I have this misconception that bhakti can be achieved without the association of devotees and just by following guru and krishna. Which is not possible. But I am hurt and do not have the courage to start it again. The incidences in my bhakti hurted me and created misconception in my mind which has made me crazy.

I am not humble, I am an offender to you and your devotees but I never did anything on purpose. I just have the desire to join your movement again which is dying with the time I am spending in this world. Considering me the most fallen living entity. Forgive me and save me dear Srila Prabhupada.

Your grateful although unworthy servant.

Please accept my humble obeisance unto your lotus feet, which is abode of pure devotional service. Prabhupada today is very special day known as Guru purnima and on this auspicious day due to your mercy I got opportunity to glorify you. You go to western world by Jalduta, for the benefit of fallen soul, this show how merciful you are. The poem written by you on the Jalduta shows how much faith you have in the Holy name and Lord. This poem also shows how much Simple you are.

Your residential place in the Vrindavan dham, where you live, that two small room narrate the story of a heroic saint, who accept the words of his spiritual master as life and soul and preach the message of Mahaprabhu in entire world.

“Prabhupada I really say that, if there is no Prabhupada, there is no pure devotion in this world.”

Since last year I found no progress in spiritual path, the reason you know that. I know that I am not serious follower but I wish to follow your given instruction because this is beneficial for me only. Please guide me always so I serve you and your mission because you are my savior and maintainer.

Hare Krishna,

Dear Srila Prabhupada, by your grace I'm reading your books. After taking participation in singing, chanting, dancing and maha prasadam at akshaya patra. I realized what Krsna Consciousness is. This is the good source of controlling body and mind. I am nicely progressing in my life by devotee association. Every day I am chanting one round of Hare Krsna Mahamantra. This is very important for human life.

Most humbly and respectfully I beg to state that this is 4th Vyas puja offering on to your lotus feet and I think am very much thankful to have your divine mercy as you spread mercy onto most fallen, most degradable fool no 1 person like me.

This year is more tougher then last one in Krishna Bhakti as you already know everything more than me but by your divine mercy to this fallen fellow I am able to follow your instruction of 16 round chanting, book reading, Shrimad Bhagavatam listening but I am not able to follow in full flash, I am just maintaining the quantity so request to show me the way so that I can improve as I thank I have no qualification, no knowledge but I have firm faith in your lotus feet and your instruction as I have seen your mercy many times so kindly bestowed mercy always upon this fallible soul and kindly hold me tightly and don't let me go as you are always showed you mercy by giving divine knowledge to your devotees in their hearts.

Prabhupada I have got so much desire to full your divine mission and sometime buy the infection of Maya I become lazy but somehow or other am not able to execute devotional service so kindly please guide on this path and spread your mercy on me as I know that you have done always right thing for me and request you to never leave me alone as you have always helped me and without your mercy I am nothing. Also by divine mercy one more son came to this material world so kindly bless me by providing knowledge so that I am able to teach my both sons the spiritual path and then he will become your disciple as it is one of my desires and engage to your divine service.as you know everything what happen to me last year as I have lost my father, blessed by baby son and sister marriage also some more material responsibility and so on come upon me I request you to kindly bless him so that I complete all these responsibility and request you to kindly bless my father and show him the way to go back to godhead Moreover my sister marriage happened this year and by your divine mercy I am able to complete the task and also request you to kindly bless my sister and his husband so that she will able to follow you divine grace and in this way always show your so the I can solve the problem of the and being full focus on your divine mission.

Guru Maharaj by your divine mercy last year I with Vipin Prabhu and Inder Prabhu able to distribute some of your divine books during the book marathon and as you always say that to double it so this year by your divine mercy we will try to do so but we don't know it will happen or not.

I have done so much more mistakes in my devotional life due to this I think I am unqualified and very lower sinful person to do the devotional service but I know you only hold my hands so request you to show me the path in the devotional service.

There are so much to say but I am expressing this much only kindly hold my hands and forgive me for my mistakes if possible and provide your mercy in spreading your mission because this is the only the aim of my life If somehow or other I deviated from this path so kindly pull me back on the right path.

Finally I regret for my mistakes what I have done during my devotional service and if somehow or other if I fall into the false ego so kindly help me in breaking my ego and also this before Vyas puja I get a chance to get initiation from you this year so request bless me so that I will be able to follow your instruction stringently, very tightly and never let me go hold me by your instruction.

Dear Srila Prabhupada,

we are most fortunate to get you as our Spiritual master, due to your guidance

we come to know what is brahma, Parmatma and Bhagavan.

From my childhood, I was searching for the origin of universe. In 2014 I googled for Srimad Bhagavad Gita and that was Bhagavad Gita as it is, I started studying and I was unaware of you. But on 8th Oct 2017 I came in contact with the devotee of Lord. O spiritual master I'm not able to describe your causeless mercy that is bestowed upon me.

My life gets changed and now I am very happy with my life.

Without your causeless mercy and Lord Sri Krishna causeless mercy, no one can know lord as it is. Really you are ocean of mercy whose depth can't be calculated.

There are many things, but your glories can't be bind by words. Although if I try then even if there are page equivalent to the sand found in the whole universe. I will still unable to describe your glories and Lord glories.

O spiritual master, please give me strength, be merciful to this fool having no good qualities and having no pious credits. So that I will never forgot you and Lord Sri Krishna even in my dream and able to carry your words or Lord Sri Krishna words. Be always merciful to your son, so that your lotus feet reside in my heart and I able to chant Hare Krishna Mahamantra even in my dream, my activities should be moulded so that I will remember Lord Sri Radha Krishna 24*7 and if you wish then my life and activities would be dedicated only for you, Lord Gaur Nitai and Lord Sri Krishna who is my real mother and father.

I want only association of devotees of Lord and topmost Bhakti for Lord Gaur Nitai and Lord Sri Radha madhav in my every life after life. Please be merciful on me so that this wish gets fulfilled.

All glories to Spiritual Master

All glories to Vaishnavas. All glories to Lord Gaur Nitai

Dear Srila Prabhupada,

Please accept my humble obeisances at the dust of Your lotus feet.

Thank You very much for being compassionate on this fallen soul.

O my master You have picked me from darkness of ignorance and open my eyes with torch of knowledge. You are always present in Your books and guiding us at every step. You are teaching practically how to progress in spiritual life.

Although I am unqualified still You are so merciful on this fallen soul. When I was not in Krsna consciousness I don't know what is beneficial for me and what is ultimate goal of life. But by Your mercy now I am able to understand goal of this human form of life. In BG 4.34 it is stated

tad viddhi pranipaatena pariprasnena sevaya upadeksyanti te jnanam jnaninas tattva-darsinah

Just try to learn truth by approaching a spiritual master. Inquire from him submissively and render service unto him. The self-realized soul can impart knowledge unto You because he has seen the truth.

Please give me blessing so that I can follow rules and regulation and serve Your mission nicely.

श्री श्री कृष्ण बलराम की जय,

आपके चरण कमलों में मेरा दण्डवत् प्रणाम। परम पूज्य गुरुदेव आपके शिष्यों के संपर्क में आने से पूर्व में एक सामान्य जीवन व्यतीत कर रहा था। मुझे अपने जीवन का वास्तविक उद्देश्य का ज्ञान नहीं था एवं प्रारंभ में हरे कृष्ण महामंत्र का जप करने पर मुझे कृष्णभावनामृत के वास्तविक आनंद की प्राप्ति हुई। यह सभी आपकी ही कृपा का परिणाम था तथा आपके भक्तों के सान्निध्य में रह कर मैं कृष्णभावनामृत में उन्नति का प्रयास कर रहा हूँ।

अतः परम् पूज्य गुरुदेव आपके चरणों में मेरा यही निवेदन है कि मुझे अपनी इन भौतिक इन्द्रियों पर नियंत्रण करने की शक्ति प्रदान करें तथा अपनी अहेतुकी कृपा अपने इस तुच्छ सेवक पर बनाये रखें तथा आजीवन कृष्ण भक्ति में बनाये रखने की कृपा प्रदान करें।

Dear srila Prabhupada,

I offer my humble respectable obeisances unto your lotus feet.

Srila Prabhupada received a benediction from the ocean of mercy by the Sri Krishna. By the grace of srila Prabhupada one can achieve the perfection of life and can go to back to Krishna.

Now a days no one knows the perfection of life and they don't know the meaning of Bhagavad-Gita and our real life goal. By your grace i received a great mercy from your disciples and by from your Bhagavatam classes. By your mercy I came to know the real life goal, to go back Krishna, perfection of human form of life. Now we came to know Krishna, as the creator of the universes and master of demigods.

The purpose of human life is go to back to god head. The duty of human beings is to chant HARE KRISHNA MAHA MANTRAM. By reading your books i can understand the greatness of Sri Krishna. By your mercy i can understand that no one is permanent in this world. Our real permanent place is kingdom of Sri Krishna. By reading your books i can understand the mercy of Sri Krishna. Now i know the importance of the spiritual master in our life.

O my spiritual master please be merciful unto me and please bless me to chant hare Krishna.

Please accept my humble obeisance.

All glories to Srila Prabhupada. All glories to you on this auspicious day of your Vyas Puja”.

This is equally acceptable as an opening to your offering.

I write this year vyasa puja offering appreciating srila Prabhupada’s life, teaching and example and his contribution in rejuvenating the Krishna consciousness movement in India and introducing it to the western world.

Words are not enough to express my gratitude and thankfulness towards the work done by srila Prabhupada, He by himself not only put so many conditioned soul, who were drowning in this ocean of material world towards the path of liberation but also had so much patience and perseverance for fallen souls, qualities only a true guru can possess.

I thank srila Prabhupada for introducing the world to “prasadam” which pleases not only our sense of taste but also the soul, I thank srila Prabhupada for his teachings and literatures which enlighten my mind and offers the great knowledge which cannot be provided in any universities and schools of the world and helps to make one a better person, I thank srila Prabhupada for the schedule of morning sadhna, which helped me in improving my daily routine and assisted me to associate with god I thank srila Prabhupada for many more things.

I will run out of pages if I thank you, srila Prabhupada, for all the positive impacts in my life. All I could ever hope and request for is taking inspiration from your excerpts and teachings and have my own realization to share with the world, so that everyone can have a drop of the greatest mercy one can wish for that is Krishna consciousness.

Dear Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet. All glories to you on this auspicious day of your vyasapuja. Srila Prabhupada before following this Krishna consciousness, I don't know what I am, but after entering into this great mission Krishna consciousness I came to know who I am, where I have come from and I came to know why I have fallen in this material world and what is mean by karma and our is our eternal father and with your teachings I benefited a lot. Before following this Krishna consciousness I don't know who is the supreme personality of godhead, but with your teachings, I came to know the supreme personality of godhead. You have appeared in this material world as representative of Krishna to save us from the cycle of birth and death. You have given us Hare Krishna maha mantra.

By chanting this mantra I am really feeling very good and also I am able to control my mind by chanting this Hare Krishna maha mantra, before that i am to controly mind regarding some issues, but when I started chanting this maha mantra, I am able able to control my mind with that issues, Prabhupada now I am staying in your folk hostel, when I am daily attending Mangal Arti I am feeling very happy, and peaceful. Before entering into this Krishna consciousness, I thought that I am perfect, but after listening your teachings, that I came to know no one is perfect on this material world. Dear Guru-maharaj,

Please accept my humble obeisance. All glories to you. All glories to you on this auspicious day of your Vyaspuja.

In my B.tech, I came to transcendental touch of you from your causeless mercy through ISKCON devotees. I have spent my life in ignorance mode and having lowest possible consciousness of God. Now I can feel my darkness has dispelled with torchlight of knowledge and guiding the devotional service unto the Supreme Lord making my soul utmost happy.

I was bereft of all the Vedic wisdom and my relationship with God. You have given me chance to associate with these devotees and connect with my Lord through Dancing and Yuga Dharma-Chanting which is approved by Lord Chaitanya as best method in this present age. From association of these intellectual devotees, its making my heart clear and thus purifying my actions.

As per your transcendental mercy I am able attract my attention on chanting, hearing Bhagwat Katha, remembering Hari, praying unto Lord and taking darshan of the Lord. Now I am in need of surrendering soul unto you. Please be merciful unto me for making my life spiritually-successful.

Hare Krishna, Saadar Charan Sparsh Guru Srila Prabhupada,

When I came to know about Vyaas Puja and writing letter to my Spiritual Guru I was not sure about what to write but when I sit and started writing I found lot of things to tell, This is really amazing and surprising that a Guru can teach you Goal of Life and how to live without Physically present. I am associated with Akshyapatra from last one year and found that now I reach the right Train in journey of my Life, as me and my family entered in this train we feel the real difference and this difference is not of ambience, This difference is of selfless learning and teachings of you (Guru Shrila Prabhu Pada) to spread and become Krishna Conscious. These learning are through Books and Brahmcharies who make sure that we get the right knowledge .They make sure that we are getting right things like Chanting regularly and reading your books.

In initial days we find it difficult to follow all rules and Chanting one or two rounds but by continuous follow-ups of Temple people by guiding and preaching, now the situation is that we always try to read your Books and Chant more and more. Now we always try to involve Lord Krishna in all our activities, and try to involve other people also to get this real knowledge. This is a turning Phase of my Life, although I am facing many materialistic problems in this period and if In case I have not got your blessing I may be Down and shattered BUT because of your blessing I got the true knowledge of giving PURNA SAMARPAN TO LORD KRISHNA.I can say I am the luckiest person in this world to get your blessing. My only request is to give me full SAMARPAN BHAV to serve LORD KRISHNA.

Again thank you very much for considering as your small servant.Hare Krishna.

Dear Srila Prabhupada,

Please accept my most humble and respectful obeisance at your divine lotus feet.

Srila Prabhupada ,as we all know you have given the opportunity of Krishna Conciousness to all of us. The "Hare Krishna Movement " has been not so easy to bring this level from Zero. You worked very hard day & night with passion to bring "Hare Krishna Movement" at this stage in all over the world. As you made possible this impossible mission to the whole world you are our inspiration now.

Thank you Prabhu pada

At the very beginning in this birth i was good in bhakti as well as human being & had felt the God with me every time till class 9th. After that there only remaining part of human being & the spiritual part had vanished. In the middle i has been feeling there is still spiritual part somewhere inside me but i was little confused. Now i has been living in touch of devotees since past two months by the mercy of Lord Krishna & Srila Prabhupada. So i'm getting my confidence slowly-slowly back in spiritual world & i feel this confidence more powerful then before. Srila Prabhupada these all things that are happening with me only because of yours mercy. So thank you Prabhupada for the opportunity that you gave to this stupid & idiot person that is me to become what is real me.

In this journey many people helped me so much these are as follow my friend Kalu, Shree Purna Chandra Prabhu,Shree Krishna Pada Prabhu. So i thank you to all with core of my heart.

At the last i want to thank you Srila Prabhupada & Lord Krishna that you gave us this opportunity. Please help us forever like this that we will not be able to distract from our way of Bhakti & Human Being .

Thank You

Respected Guru Srila Prabhupada, Please accept my humble obeisance

It might have been my previous life's good deeds that got a chance to know about you and your divine work for the human kind and showing the right path to people through your valuable guidance to achieve our supreme goal of life and getting the most of the chance given to us by being born as human.

It is just like yesterday that when one of my friend suggested me to join a demo class on spirituality by Akshyapatra and just like any normal human with all selfish thoughts did came for the class and that was change over day of my life, when i came for the class i had many doubts and questions in mind which were never been replied by any so called Gurus but here i not only got replies to my questions but a very divine association of respected devotees , it is was here i got your divine introduction and the struggles you undertook on your divine path in spreading awareness and teachings of our beloved God "Krishna" and was also told that the devotees are just following and teaching what you had taught to your followers without any change , it was in this association i got interested in reading the great books written by you and got deeply influenced.

Chanting the divine maha mantra "Hare krishna hare krishna , krishan Krishna hare hare, hare rama hare rama rama rama hare hare" really made a huge change in me and my life. I feel honoured by taking your divine ASHRAYA .

It is really a great feeling being part of your heavenly movement of spreading the word of our beloved God Krishna and let people around us feel and get real happiness .

All glories to Jagat Guru Srila Prabhupada, Thank you for accepting me as your servant and student

Jagadguru Srila Prabhupada Ki Jai

We offer our most respectful and humble dandavat pranams at the dust of your lotus feet. All glories to Jagad-guru, Srila Prabhupada and all glories to your loving divine grace.

We wish you a very happy vyas-puja and pray to srimati radharani for many happy returns of this auspicious day. Guru maharaj, this past year has been full of realization and new spiritual experiences by your blessings. Keeping you at the centre of my life, each day I can feel how your causeless mercy flows unconditionally in the unkeep of my devotional service . Although it has been 5 years since lord Krishna mercifully sent you as my master and savior, that first darshan of your divine grace is still afresh to my vision.

Srila Prabhupada you have made all arrangements not only for me but for humanity at large through your many innovative ways of getting your association through your lectures, live internet broadcasts, activity of yours, you never fail to strengthen our commitment and conviction to srila Prabhupada and his hkm.

Dear srila Prabhupada, you spread lord caitanya's mission all over the world because of your tireless efforts. You planted the seed of nam sankirtan all over the world in a short time.

Thus your divine grace was directly empowered by Krishna to preach nama all over the world.

Dear srila Prabhupada please give me strength that I may preach more and more people in my city and everywhere and I may also be sincere so that I may do devotional service whole life.

Prabhupada , please give me strength that I may distribute more and more books written by you.

I beg to remain the servant of your servants,

Your humble servant,

My respected Guru maharaj Srila Prabhupada.

Please accept my humble obeisances unto your lotus feet. All glories to you my Guru maharaj. My search for God started at an early age of 14 years, when a question arose in my mind that who I am and why I always remain with myself. I got instructions of Upanishads but still remained unsatisfied until you entered into my life with the torch of pure love for Krishna through your disciple Vishnu murti prabhu. He gave me a book of science of self realisation, which I read in 24 hours at a stretch and got all my answers that I am a spirit soul and most importantly part and parcel of Krishna which was not mentioned in the Upanishads, that I am an individual soul so when I am present in the office I am not there at home and finally by Constitution I must serve Krishna. Tears were rolling down my cheeks with joy to find all my answers. Yours words are simple to understand yet powerful as a dynamite which can explode Krishna's love in everyones heart. Yours eyes are filled with so much of intense love for Krishna which I could perceive from your videos. I wished I had 80 eyes, 80 ears and 80 mouth so that I could read all yours books at the same time. Few days back I bothered you to give me darshan in my dreams and stopped chanting for almost

20 days until you fulfilled my wish. I know I had committed rascaldom but you know it was only out of sheer love for you my Guru maharaj. No words can describe my feelings and love for you neither I want anyone to know what you are for me. Oh my great Guru maharaj you are my father, my mother, my best friend, even more merciful than Chaitanya maha prabhu and my spiritual master. All I request you to keep me engaged in your loving service.

Thanking you. Your most fallen son and servant,

Dear Srila Prabhupada,

Please accept my humble obeisance's at your lotus feet.

What I want to express could not be expressed in words and even if I end up the whole ink thanking you for the mercy you bestowed on me, the ink will fall short. It is all your mercy that such a priceless gift of "Krishna Consciousness", is freely distributed at the age and time had you not been here, A fool like me would never have known that "life should have purpose", "we should inquire for the absolute" etc. Forget about getting the answer of this question. I could never have imagined of asking this question.

It is all because of your effort that a fool, ignorant and a person in darkness of illusion who was very much attached with from conviction of what he believed to be true and without. Being very open to understand the higher truth like me is able to understand a very small part of the higher truth because by your mercy and the arrangement you made through your discipals or other devotees who presented me your wisdom in a manner that even my foolish and rebellious mind was able to understand. Prabhupada I can go on and on thanking but it would never end that is your mercy on me. Even if I think of repaying your debts, It would be a great offence, that is the height of your mercy on me, I am an insignificant beggar you can always beg you and I am still begging you something, Please dear Prabhupada remove my doubts, give me proper intelligence to understand you in the way you wanted us to understand you and the Vedic scriptures. Please Dear Prabhupada either give me proper arrangements so that I can properly understand you and all my doubts get cleared. Prabhupada I being a third class chandal, a cheater, lazy and with so many faults am completely depended on your mercy and the mercy of Krishna otherwise I am hopeless so please be merciful to this beggar and also remove my rebellious tendencies and make me your humble servant. I hope that one day I will become qualified to be the servant of your servant.

Dear Srila Prabhupada

I offer my respectful obeisances unto my spiritual master, who has opened my eyes, blinded by the darkness of ignorance, with the torch light of knowledge.

His Divine Grace A.C. Bhaktivedanta Swami Prabhupada appeared in this world in 1896 in Calcutta, India. He established International Krishna Conciousness Society in July, 1966. Before he departed Back to Godhead on November 14, 1977, he had guided the society and seen it grow to a worldwide confederation of more than one hundred asramas, schools, temples, institutes, and farm communities.

This Hare Krishna Movement organised by Srila Prabhupada was very effective and continues on...People of Western Countries that was fallen into darkness of ignorance whom Prbhupada teaches how to live and enlightened themselves by giving Hare Krsna Mahamantra. I am very thankful for my big brother who took to me into Prabhupada's lotus feet. I get to know what is the real bhakti by coming in the shelter of Prabhupada. I just want to be a good devotee. But without the mercy of God i am not unable to do so. Please Gurudeva save me from falling down... I request humbly to Gurudeva Srila Prabhupada that he had his mercy on to me.

Dear Prabhupada

Please accept my humble at your divine lotus feet.

I got opportunity to write an offering to you after 2 years. After living in devotee association till approx. 4 years of wonderful kc association, I finally came back in material world and living here at home from previous more than one year.

After passing wonderful years of my life in devotee association, enjoying, learning many good qualities with many good memories, with strong relationship with my devotee friends, I came back in material world. living here, alone, without any devotee association, struggled greatly, faced many challenges in animal society, where everyone is greatly demoniac, mad after sex, money and power.

Prabhupada, once situation was like that it was completely impossible to live at my home and I faced great challenges.

Prabhupada, slowly I started to do some preaching for protecting my bhakti, getting devotee association, and getting some help to fight against demoniac people;

Prabhupada, I pray to protect my bhakti from the very strong influence of maya while I am living alone in material world with so many opposing greatly demoniac people and give me ability to be more and, more pure. Give me ability to develop more strongly all vaisnava qualities. Protect me from various strong entanglements of this material world. I pray very strongly to give me always opportunity to offer unconditional pure devotional service with my full of strength. Give me strong association of devotees for learning, developing, all good qualities, emotions, relationships. Please provide me strong servitor ship attitude for you & your devotees.

Dear Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet.

All glories to you on this most auspicious appearance day of your divine grace.

Prabhupada by your mercy I was able to know about Krishna and who we are. Without you I would have been running after money and career without even thinking twice that we have been given this human form of life for something greater. By your mercy only I was able to come to folk, take Krishna prasadam, attend mangla aarti , and get the association of devotees. Even though I was not worthy enough you kept me in your shelter .

After coming to Krishna consciousness also I was not able to attend mangla aarti regularly and even I left chanting for sometime. But you never left me alone, you always bestowed your mercy upon me. For this I would always be grateful to you. Please Prabhupada always keep your mercy unto me so that I can follow Krishna consciousness more seriously.

Begging to remain under the shelter of your Lotus feet at all times and Aspiring to be your humble servant,

I came in touch with this movement some five years ago ,before that i was not conscious about who is god , who I am , who are demigod, and what about Bhagavad Gita I know only name of it what is in it I do not know , then in lectures I slowly know about philosophy , a little knowledge of devotee and Krishna , I also started chanting not fix round but 2 rounds mostly , we are realising why we are suffering and Prasadam is the force that attract a neophyte like us to any program , and at last whatever spiritual knowledge we have is due to your mercy and we are in mode of darkness please take out of it oh Prabhupada.

Dear Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet.

All glories to you on this most auspicious appearance day of your divine grace.

At the age of 70, you went to Western Countries and started a Revolutionary Preaching Movement to save the people from material darkness. I am one of the person, who by your causeless mercy got an opportunity to follow K.C. and to know about aim and value of human life. Although My faith on Krishna is very feeble but under your protection I am experiencing different realizations which makes me dependent more and more on you and Krishna. Whatever I have achieved in my life is because of your causeless mercy only. Your vani and books are very powerful that it motivates me to follow K.C. strictly and what to speak of Sankirtana and Krishna Prasad it's like a daily dose of tablet which keeps me protected from material miseries.

Prabhupada, I am trying to preach in MNIT with other folk devotees. Actually, preaching students K.C so that they can understand real aim of life is possible only by your mercy.

It is stated in ([CC Madhya 17.80](#))

Mūkham karoti vācāṁ paṅguṁ laṅghayate girim yat kṛpā tam ahaṁ vande śrī guruṁ dīna-tāraṇam

I offer my respectful obeisances unto spiritual master, by whose mercy even a lame man can cross over a mountain and a dumb man can recite vedic literatures.

Please Prabhupada shower some mercy on this unqualified soul so that I can preach nicely. I am an unqualified person to serve you and sometimes I disobeyed your instructions but you are very merciful that you still allows me practice K.C. sincerely.

Thank you Prabhupada.

Always seeking for shelter under you divine lotus feet.

हरे कृष्णा,

परम् पूजनीय प्रभुपाद जी आपके चरण कमलो में मेरा कोटि-कोटि दंडवत प्रणाम !

मैं स्वयं को बहुत ही भाग्य-शाली समझता हूँ की मैं आपके द्वारा चलाए गये मूवमेंट के संपर्क में आया। उपरोक्त वाक्य के पीछे निहित मेरे मनोभाव को मैं अपने शब्दों में व्यक्त नहीं कर सकता बल्कि सिर्फ इतना कह सकता हूँ की ये वाक्य मेरे जीवन का सबसे महत्वपूर्ण वाक्य है क्योंकि आपका मेरे जीवन में आगमन मेरे लिये वरदान की तरह है।

हे! प्रभुपाद मेरे जीवन में आपके योगदान कि व्याख्या मैं अपने शब्दों में नहीं कर सकता, लेकिन इतना जरूर कहूँगा.....

ॐ अज्ञान-तिमिरान्धस्य ज्ञानाञ्जन-शलाकया।

चक्षुर् उन्मीलितं येन तस्मै श्री-गुरवे नमः॥

मैं घोर अज्ञान के अन्धकार में उत्पन्न हुआ था और प्रभुपाद आपने अपने ज्ञान रूपी प्रकाश से मेरी आँखें खोल दीं। मैं आपको सादर प्रणाम करता हूँ। आपके सम्पर्क में आने से पहले मैं अपने जीवन के वास्तविक लक्ष्य को नहीं जानता था और जो मुझे मनुष्य जीवन मिला है, उसका कर्तव्य क्या है ये मुझ जैसे अज्ञानी को मालूम नहीं था, लेकिन आपके संपर्क में आने से मुझे यह ज्ञात हुआ की अब बचे हुए जीवन को कैसे भगवन की भक्ति में लगाया जाए। मैं आपके द्वारा बताए गए चार नियमों का नियमित रूप से पालन करता हूँ येही मेरे जीवन का सबसे बड़ा बदलाव है। साथ ही साथ सुबह जल्दी उठाना, मंगला आरती करना, 16 माला जप करना और भगवान का प्रसाद ही खाना, ये सब बदलाव आपका मेरे जीवन में आने से हुए है। इस दौरान मुझसे जाने अनजाने में कुछ अपराध भी हुऐ होंगे जिससे आपको दुख पहुंचा होगा, लेकिन हे! प्रभुपाद आप बहुत ही दयालु है जो मुझ जैसे पतित को क्षमा करते हुऐ अपनी शरण प्रदान की। मैं आपकी कृपा और आशीर्वाद से कृष्ण भावनामृत संघ से जुड़ा हूँ यह कृपा आप सदैव मुझ पर बनाये रखना में आपके सामने यह प्रण लेता हूँ की मैं कभी कृष्ण भावनामृत संघ को छोड़कर नहीं जाऊँगा। प्रभुपाद आप मुझे इतनी शक्ति प्रदान करे की मैं अपने जप और तप में निरंतर एकाग्र होता रहूँ।

पंचतत्त्व प्रणाम मंत्र

जय श्री कृष्ण चैतन्य प्रभु नित्यानंद,

श्री अद्वैत गदाधर श्रीवासादि गौर भक्तवृन्द।

इस हरे कृष्णा मूवमेंट आंदोलन में सर्वप्रथम मुझे कीर्तन या हरेनाम संकीर्तन युगधर्म ने मुझे बहुत प्रभावित किया। जिसमें साथ में नृत्य भी शामिल हैं। आज इस घोर कलियुग में जिसमें चारों तरफ मिथ्या पाखंड छल दिखाया। तत्रवाह व्यभिचार ने चारों ओर अपना साम्राज्य फैला रखा है, उसमें केवल और केवल आषा की अंतिम किरण के रूप में मुझे केवल हरेनाम संकीर्तन ही दिखाई दिया।

संकीर्तन महिमा - जिसमें स्वयं भगवान् चैतन्य महाप्रभुजी का सरल भोला निष्कल सुंदर व्यक्तित्व एवं इसी समान उनके माला के साथ हरे कृष्णा तरंगों को कानों द्वारा सुनने से मानसिक शांति मिलती है। एकाग्रता, धैर्य व याददास्त बढ़ती हैं। जो ध्यान योग से 2 साल में नहीं हो पाया मात्र उससे भी बड़ी अनुभूति मात्र 15 दिन में हो गई। यह मेरा व्यक्तित्व अनुभव है। इसमें मेरी निकट परिस्थितियों में पूर्ण सहायता की मंगला आरती के बाद माला करने से दिव्य अनुभव व पूरा दिन शांत रहता है।

प्रसाद की महिमा - भगवान् के महाप्रसाद के स्वाद व इससे मिलने वाले लाभ व इन्द्रिय नियंत्रण में मिली सहायता का वर्णन में अपने शब्दों में नहीं कर सकता। भगवान् का उच्छिष्ट प्रसाद पाने से मानसिक व शारीरिक दुर्बलता दूर होकर शांति तृप्ति से एकाग्रता व धैर्य की प्राप्ति होकर आध्यात्मिक मार्ग में आगे बढ़ने में सहायता मिलती है।

गुरु की महिमा - भगवान् कृष्ण ने गीता में अर्जुन से कहा है कि इस दिव्य ज्ञान को प्राप्त करने के लिए तुम उन शुद्धचित महापुरुषों के पास जाओ जो पूर्ण विनम्र निष्कल व ज्ञानी हैं। यह ज्ञान तुम्हें विनम्र बनकर उनकी सेवा भक्ति करने वंदना करने व निष्कल भाव से उन्हें प्रण पूछने से प्राप्त होगा। जिन्होंने आत्म-साक्षात्कार किया उन्होंने मिथ्या, दिखावा, छल त्याग कर दिया है।

इसी प्रकार के शुद्ध भक्तों में से एक शुद्ध भक्त श्रील प्रभुपाद जी है। जिनमें उपरोक्त सभी विशेषताओं को देखा जा सकता है। जो हमेशा बिना किसी बदले की भावना के अपने शिष्यों के उद्धार के लिए तैयार व चिन्तित रहते हैं।

गुरु परम्परा में ज्ञान की प्राप्ति:- इस प्रकार का दिव्य ज्ञान गुरु परम्परा में उपस्थित गुरु वैष्णवों द्वारा प्राप्त किया जाना चाहिए। जो तथ्यों की व्याख्या उसी प्रकार करते हैं। जैसा वे उन्हें परम्परा विरासत में प्राप्त हुए हैं। वे अपनी मनमानी अनुसार नाम व प्रसिद्धि प्राप्ति के लिए तथ्यों की मनमानी व्याख्या नहीं करते। वे आज के मायावादियों भौतिक वैज्ञानिकों की तरह मनमाने व परिवर्तनशील तथ्य पेश नहीं करते हैं।

वैष्णव संग से लाभ - वैष्णव संग से सबसे बड़ा लाभ भक्त वृन्द में रहते हुए माया से बचना व शुद्ध भक्ति प्राप्त करना है।

प्राचीन धार्मिक तीर्थस्थलों की यात्रा - भक्तों के साथ प्राचीन धार्मिक तीर्थ स्थलों की यात्रा करने से उस रठाल जुड़े हुए वैष्णव व भगवान् के प्रति जानने की जिज्ञासा उत्पन्न होती है। दिव्य अनुभव होता है। भगवान् व वैष्णवों के चरण कमलों से पवित्र हुए स्थलों के दर्शन करने से व साथ ही भक्ति-सेवा करने से मन आध्यात्मिक रूप से पूर्ण व तृप्त बनता है। “हरे कृष्णा”

धन्यवाद

Dear Srila Prabhupada, Please accept my humble obeisance at your lotus feet. All glories to you.

Srila Prabhupada on this special occasion of your Vyaspuja, I'm thanking you for everything that you gave to me otherwise it seems to be very difficult for this insignificant soul to make any advancement in spiritual life. The word saviour perfectly suites on you because you saves me when I was rotting into the gutter of this material existence and showed me the path of eternal blissful life.

Actually I was trying to leave some bad habits like meat eating but the only thing I met is failure. But your compassionate behaviour made it possible in just 2 months. Although you are not physically present but don't know how it is happening that I noticed whenever I leave chanting or break any of the regulative principles u guide me through your quotes and conservations which Ur followers uploaded on social media and sometimes on your lilamrit app. It is very difficult to practice Krishna Consciousness at home with non-devotee parents, Friends and siblings. But it's you oh Srila Prabhupada who supports me every time when I Break-off with all these, by your supper guiding books and conversation with your disciple. Your each and every word has a deep and book long meaning. Thanks for all that you done for me Srila Prabhupada.

Srila Prabhupada because I am so rotten fallen, so sinful and most selfish, but somehow or other u engage me in the service of Sri Sri Radha and Krishna, but my selfish and that 'what for me' nature always reminds me to my promotion to spiritual world, that even after having your causeless mercy. I still aspire a lot of things and amendments in my spiritual life i.e to improve the quality of my committed rounds of the mantra. However I'm chanting my prescribed rounds. But very inattentively, offensively and have no attraction towards harinam. Another thing is my anger and the last one is my materials desires. Because I have a very bad habit of making adjustments in material world, instead of surrendering to the supreme lord and work according to his plans. Prabhupada, kindly fulfil my all these desires if u want and make me the instrument of your will. I'm in very dangerous condition fighting with my mind to stop making all the adjustments in this wicked material world but I find myself always helpless. O master, you are ocean of mercy you are desire tree and I'm very helpless beggar and have nothing instead of begging for your mercy. Kindly make me the puppet of your hands, kindly make me the instruments of your will.

And a lots of thing I have to share with you and to glorify you. And such a personality you are that I can't stop glorifying you. So here are some points I gonna mention in the glorification of your Divine grace. You are like mother Ganges and these points are like offering two palm full of water back to Ganges.

*By your mercy - we know who is god.

*By your mercy - we know the value of this human life.

*By your mercy - we know spirituality scientifically.

*By your mercy - we know that God is Krishna.

*By your mercy - we have most precious Bhagwat Gita.

*By your mercy - we taste the nector of Shrimad Bhagwatam.

*By your mercy - we have got so many temples of the lord.

*By your mercy - we are honouring Krishna maha-prasadam.

*By your mercy - we know how to escape birth, death, old-age and diseases.

*By your mercy - we have Tulsi and Krishna's lotus feet on our foreheads.

*By your mercy - we know the power of Krishna's holy name.

*By your mercy - we have got Hare Krishna mahamantra.

*By your mercy - we are worshiping lord Krishna.

*By your mercy - we have got great sankirtan movement. And

*By your mercy - All our bad qualities were being killed.

Thank you for all the supports u gave to me - THANK YOU Srila Prabhupada.

Your fallen Servant,

Siddharth.

भक्ति क्या होती है और वास्तव में भगवान् क्या होते हैं यह सब मुझे मंदिर में आकर और आप के द्वारा लिखी पुस्तकों से ज्ञान प्राप्त करके पता चला ! विगत वर्ष मैंने मंदिर में क्लासेज के 3 लेवल सम्पूर्ण किये और धीरे धीरे हम कुछ ज्ञान प्राप्त कर सके ! कृष्ण भक्तों के साथ वृन्दावन और लोकल ट्रिप करके बड़ा आनंद प्राप्त किया ! कार्तिक माह का महत्त्व तथा दीपोत्सव की विशेषता भी हमें ज्ञात हुई ! नए आनंद मई इस जीवन में हमें भगवान और मंदिर की जहाँ सेवा करने का मोका मिला वह समय हमने निकालने का प्रयास किया और आपने भी परिस्थितियों को उस अनुसार तैयार किया की हम वह सेवा कर सकें ! किन्तु आप की विशेष कृपा तब हुई जब आपने अपने चरणों में आश्रय देकर मुझे आप की विशेष सेवा में लगा लिया ! मैं वास्तव में कृतार्थ हूँ जो आपने मुझे अपने चरणों में स्थान दिया और मुझे आप की सेवा करने का मोका दिया ! मैं आज आत्मिय तोर पर शांत एवं संतुष्ट हूँ ! आप से अनुरोध है इसी प्रकार कृष्ण की भक्ति और सेवा में मुझे आगे बढ़ाते रहे और मेरे सामने से अज्ञान का पर्दा हटा मुझे सदेव आप की छत्र छाया में रखें ! और भक्ति तथा ज्ञान प्रदान करें की मैं धीरे धीरे इस पथ पर आगे और आगे अग्रसर होता रहूँ ! यदि मेरे पैर कभी भी डगमगाए इस पथ पर तो तुरंत मुझे संभाल लेना की मैं इस पथ से विमुख ना हो जाऊँ ! सुना है जब इस पथ पर आगे अग्रसर होते हैं तो माया जकड लेती है अतः मुझे अपनी छाँव प्रदान करे की माया दूर दूर तक मुझे छु ना पाए और मैं सदेव आप की कृपा प्राप्त कर भक्ति के इस मार्ग पर बिना रुके चल सकूँ !

Dear Srila Prabhupada,

Please accept my humble obeisance unto your lotus feet at the most auspicious day of your appearance.

I am a student of Manipal University Jaipur, practicing Krishna consciousness for past two years which made me spiritual and also made me more enthusiastic to know about lord Krishna and his lilas. In each class of Krishna consciousness, it made me to realize what eternal life is and how it can be attained (by chanting Hare Krishna Mahamantra). The maha prasadam in each class not only kept me healthy, but also purified my soul from my sins.

I have read your book 'LIFE COMES FROM LIFE'. From that book, I came to realize that spirituality is beyond science.

Srila Prabhupada, I request you to balance me from normal life to spiritual life.

Your humble servant,

Bhakta Sohith

Bhakta Sonu Saini

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to Your Divine Grace.

I thank you for your mission of one God, Sri Krishna; one scripture, Bhagavad-gita; and one mantra, Hare Krishna. It is authoritative statement in the Gita Mahatma Skanda Purana

Thank you again and again for books and give us great enthusiasm to distribute to it. Now, try to double this enthusiasm. Anyone who even touches one of our books gets such great benefit

Thanks to give us natural tendency for rejecting sense-gratification is considered to be advanced or liberated in spiritual life. Your appreciation of Maya as false and Krishna as the only reality is a great asset. Nobody has ever

gained anything by becoming a tool in the hands of Maya, but everyone has become eternally happy by serving Krishna

Thanks for your great mission to provide meal / Prasad to poor student.and thanks once again for folk hostels(modern gurukuls) where we can build our career under shelter of KRISHNA

Dear Srila Prabhupada,

You have given me such a nice remembrance of KRSNA while taking prasadam, I was ignorant of this fact till today. Thank You Prabhupada for your Unlimited & Unparalleled mercy.

O Prabhupada

You are like an angel

Who changed my life's Angle

I was in deep & dark thoughts of impersonalism

You delivered me by your magic of Personal Krsnaism

You provided me The prasadam of KRSNA

Jisse me kabhi keh na paunga "NAA"

O Prabhupada!

You are like a magician

Who wiped out my all Speculation

I was wandering here & there in search of absolute truth to all those bogus person

But You have provided me the right vision

You told me that you are Krsna's Servant

I was unknown to that valuable Fact

We all were in the mire of illusion

You clarified our Vision

We all were going hither & tither

You said to us Chalo Krishna ke idhar

We were living like Animals in darkness

You given us knowledge of God in Lightness

You have done all contribution despite much old age

We are inspired now to break Maya's Mirage

You came like a Booster Rocket

Which removed all pillars of Impersonalism & voidism in a short attack

Your Books are like Krsna Lila Reservoir

We were benefitted by them like a path finder

We were all in the darkness of Maya's head

You showed us the path to go Back to Godhead

You delivered us by your transcendental knowledge arrow

Which have cut dark path of maya in the form of narrow

You made us Krsna's Devotee

Which was a great attack on maya's Knee

You have never manufactured the spiritual knowledge

But presented from authorities just like a crystal Clear image

I have no limit of words to your contribution

Because you were like such a great Person.....

Dear Srila Prabhupada,

Please accept my humble obeisance at your divine lotus feet. All Glories to you on this most auspicious appearance day of your divine grace. You are the ideal Acharya because you taught us everything about spiritual life by your personal example. Even though you have been empowered by Lord Chaitanya to spread the holy name of Krishna throughout the world, you perform your devotional service by strictly following the instructions of your spiritual master. By your personal example you taught us to accept all austerities to carry out the order of the spiritual master. By your austerities you have given the wonderful gift of this Krishna consciousness movement to the whole world. I am sharing somethings about my changes which I have observed in my nature.

Now I am more spiritual and calm and I always try to increase my holy things & Helping others. On this most auspicious day I humbly beg you to continue to shower your blessings on me to make me an instrument in serving your mission. I beg you to give me the inner strength to take all austerities in serving your mission. Please forgive my offenses and give me the intelligence to carry out your orders under the protection of your divine movement in the association of your sincere devotees. Begging to remain under the shelter of your lotus feet at all times and aspiring to be your humble servant.

प्रभुपाद !

आपके चरणों में साक्षात् दण्डवत प्रणाम !

मेरे लिए यह अत्यंत हर्ष का विषय है कि मैं आपके चरणों में अपना निवेदन प्रस्तुत कर पा रहा हूँ।

आपकी कृपा द्वारा ही यह संभव हो सका है कि विगत कुछ वर्षों से मैं जयपुर हरे कृष्णा मूवमेंट के सानिध्य में कृष्णभावनामृत का अभ्यास कर रहा हूँ। यह आपकी विशेष कृपा ही है जिससे मुझ जैसा जीव भी आध्यात्मिक जीवन की ओर आने के बारे में सोच सकता है।

सर्वप्रथम मैं इस अवसर पर संस्थान के सभी पूर्णकालिक वैष्णवों का साधुवाद एवं साभार प्रकट करना चाहता हूँ जिन्होंने आपके आन्दोलन को अपना जीवन का एक मात्र लक्ष्य मानते हुए इस वर्ष भी संस्थान को नयी ऊँचाई प्रदान की है, और अधिक से अधिक लोगों को भक्ति में आगे बढ़ने की प्रेरणा दी है।

आपकी कृपा से इस वर्ष मैं आपके द्वारा दिए गए निर्देशों का पालन कर सका हूँ, परन्तु अनर्थ निर्वृत्ति न हो पाने के कारण भक्ति में आगे बढ़ने में असफल भी रहा हूँ।

परन्तु मुझे विश्वास है कि आपकी अहैतुकि कृपा जो कि मुझे अबतक प्राप्त हो रही है, आगे भी ऐसे ही प्राप्त होगी और आध्यात्मिक उन्नति में सहायक होगी, जिससे मैं निश्चित रूप से आगे बढ़ सकूँगा।

मेरा आपसे निवेदन है कि आप अपना आशीर्वाद प्रदान करें जिससे कि मैं आपके आन्दोलन में यथासंभव सहयोग करते हुए, अपने भीतर आवश्यक गुणों का विकास करते हुए इस मार्ग पर स्थित रह पाऊँ क्योंकि भगवान की माया अत्यंत प्रबल है जिसका मुकाबला एक शुद्ध भक्त की कृपा द्वारा प्रदान साधुसंग से ही किया जा सकता है।

जय श्रील प्रभुपाद,

श्रील प्रभुपादजी आपको कोटि-कोटि प्रणाम् आपने मानव जाति पर अनन्त कृपा की है।

मैं बाह्मण परिवार मैं जन्म लिया महा शुद्र हूँ। परन्तु आपने आपकी करूणा करके आपकी शरण का जो मार्ग प्रस्तुत किया है। उसके लिए अनन्त कोटि आपको नमन है। आपको तो ज्ञात ही है आप मेरे जीवन में निर्जला एकादशी (13.06.2013) को आपकी पुस्तक के रूप में आए। मैं पुस्तक के रूप में आपको प्राप्त करके अध्ययन अर्थात् सेवा में अकेला महसूस करता हूँ। तब सोचा कि आपकी कृपा से कोई संयोगी मिले तो यात्रा गोलोक के लिए सरलता से निकलें। मुझे अकेलापन और परिवार के विरूद्ध जाने में ज्यादा कष्टों का सामना ना करना पड़े। सच मैं ये बात सत्य है कि जब आप सच्चे मन से अर्थात्

अपने आपको पढ़कर अपने स्वयं को समझकर कि मैं कैसा हूँ, मेरे विचार कैसे हैं, मेरी कैसी प्रकृति है। इससे जब भगवान् को पुकारते हैं तब भगवान् सत्य के मार्ग में गुरु को अपने जीवन में लाता है।

प्रभुपादजी धन्यवाद मुझ पर असीम कृपा करने के लिए। परम्परा में मुझे साधु संग मिला है आज मेरे सामने बस यही स्थिति बनी है कि जितना हो सकें। साधु, शास्त्र, गुरु के वाक्यों में श्रद्धा बनी रहे। चार विकारों एवं वैष्णव अपराधों से बचे रहे, प्रभुपाद में अतिमंद मति ज्यादा तो अपने विचारों को शब्दों में नहीं ला पा रहा हूँ। किन्तु आप अनन्त, आपके गुण अनन्त, आपकी कृपा अनन्त है। सब धरती कागज करूँ, लेखती सब अनुराग। सात समुद्र कि मसी करूँ, गुरु गुण लिखा ना जाएँ॥ यह तन विष की बेलरी, गुरु अमृत की खान। शीश दिए गुरु मिले, फिर भी सस्ता ज्ञान॥ गुरु गोविन्द दोऊँ खड़े, काके लागूँ पाएँ। बलिहारी गुरु आपके, गोविन्द दियो बताएँ॥ प्रभुपाद जी अभी तक और आगे भी आप अपनी शुद्धता से मुझ बद्ध जीव को ज्ञान प्रदान करते रहें। और मानसिक विकारों को दूर रखें।

Thank You Srila Prabhupada for giving me opportunity to serve Your mission. On this most auspicious day Please give me the strength to follow Your instruction sincerely. Please help me and guide me to become a good and humble servant in Your movement.

I do not have any qualification to serve You and I'm very fallen but I know that it is possible only by Your causeless mercy. In the Caitanya-caritāmṛta it is stated.

mūkaṁ karoti vācālaṁ paṅguṁ laṅghayate girim yat-kṛpā tam ahaṁ vande śrī-guruṁ dīna-tāraṇam

It is possible by the mercy of the Guru, even a dumb man can become the greatest speaker, and even a lame man can cross mountains. As advised by Guru, one should remember this śāstric injunction if one desires success in his life.

Please help me to balance my sādhana with my daily duties so that I can attend important tasks and yet keep my chanting and reading in place. This attitude that I can make advancement in Krishna consciousness without proper sādhana is a wrong attitude. Keep me always stay fresh with an attitude of trying to make today better than yesterday. So please be merciful unto me and give me strength so that I can serve You and Your mission.

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet.

Mere words in any language are not enough to extol Srila Prabhupada's work. The literatures on vedic wisdom by Prabhupada is the culmination of life where a glorious death awaits you. The fate of shimmering water droplets on leaves is uncertain though light reflected by the droplets breathes life into them. Though at any moment that water droplet may fall. The similar situation is experienced in human life where the end is an object of fear. Unlike the common beliefs of life, Prabhupada gave us such a platform on which we enjoy life to its fullest without a tinge of fear. Prabhupada's greatness is equivalent to vast blue sky reminding of its presence of every now and then. Prabhupada's heart is a true dwelling. Once you realize the nature of this true dwelling, you will find your way home. Such is the role of Prabhupada in my life as a constant companion. Prabhupada association speak volumes about wisdom and humility. Prabhupada's system is perfect which make us a human everyday. Though I am fallen more than ever but holding Prabhupada's finger is the only hope. I express my heartfelt gratitude and pray to him for my spiritual advancement and unmatched growth of the movement.

Dear Prabhupada ,

I offer my respectful obeisances unto your lotus feet for seeking the mercy of yours, who taught me the real aim and purpose of life, for what we are here. It's almost 12 months being in touch with the "krishna consciousness " movement. I heard the "hare Krishna " Maha mantra for the first time during my intermediate course. My heart felt very peaceful when i did it for the first time .it is a very fantastic situation when around 1500-2000 vocal chords are chanting the holy name of the lord . From that moment i have done chanting for few days then due to the surrounding environment the chanting was reduced and stopped . After my completion of intermediate course ,I have joined in Jaipur . During the course of time again I came in Contact with "hare Krishna movement" in Jaipur . I felt very happy. Then I joined in folk hostel for the next year with few of my friends. After coming into the folk my life was going in a systematic way than before. I am very glad to be here with the certain spiritual activities and associating with the devotees in the temple.

Prabhupada ,you showed us the way to achieve the supreme by holding a light lamp along a dark way . I hope and wishing to come on that way to get and know about the life .please, show mercy on me and the two who gave birth to me ,although the krishna was the seed giving father , my parents, sister &my love who gives me lot of support . Please show the way by giving mercy , unto us. Thank you Prabhupada.

Dear Srila Prabhupada,

When the whole world is in crisis, the Hindu dharma and the knowledge of Srimad Bhagwad Gita was fading away from all of us. You came as a messenger of god, who not only conveys the message of god to every citizen but also teaches the right path to impaired one. Today the whole world is glorifying you because you have given them a simple way of living, chant and be happy. It's not a easy task, in the age when everyone was busy in themselves and their family. You take the initiative on the order of your guru and begin the journey of a new era to change the world with your teachings on the basis of Srimad Bhagvad Gita. Many have changed their life and they became your follower and you bind them all with single thread International Society for Krishna Consciousness (ISKCON). You have written many books in different languages and now these books are the way to good life. You have given the concept of prasadam a healthy and simple food which is offered to lord. Today we all are blessed being the part of

this society. Thankyou is a very small gratitude. But then also I want to thank you for giving us your valuable teachings and blessing us with your incarnation.

Dear Srila Prabhupada,

Please accept my most humble obeisance. All glories to Srila Prabhupada. All glories to you on the auspicious day of your Vyasa puja. I have no any qualities to stand in front of you because I'm the most fallen souls (Patita-Pavana) in the world but you have shown your causeless mercy onto me. You have given us wonderful life, lectures, books, prasadam, kirtan, chanting of Harinam and many more to understand ourselves and God. These are the instruments that I got and touch with you. In this material world everyone is fallen souls. But you came in my life and bought it from darkness to light. You have taught me the lesson of humanity, religion, culture etc. It is impossible for me to describe your glories and mercy in this material world. You have given us chance to make future bright and understand the knowledge, philosophy and go to home back to God head. This is your causeless mercy that I never forget you and your mission (Lord Chaitanya Mission) which is to be spread all over the world. Thank you very much, Srila Prabhupada. All glories to your divine lotus feet.

Dear Srila Prabhupada,

Please accept my humble obeisance unto your lotus feet. Srila Prabhupada i am connected since last three years with krishna consciousness movement but this is the first time ever that I have written vyas Pooja offerings and this is possible due to your mercy . I have no qualification to be called a servant of you, but this is the mercy of you and

krishna that I stands here as a fallen servant of you. The reason behind this my laziness. due to laziness I can't follow the sadhna properly on regular basis. Today I pray from you and krishna that helps me in removing the laziness word from my life and kept me in your shelter because I can't imagine my life without you and krishna. Now a days I chant four rounds and I pray to srila Prabhupada that he gave me strength to practice the sadhna properly without fail. All glories to srila Prabhupada. Jai srila Prabhupada

Dear, Spiritual Master Srila Prabhupada,

O lover of RadhaKrishnachandra

O great disciple of His Divine Grace Bhaktisiddhanta Sarasvati Thakur

O ocean of mercy

I am most abominable, useless and sinful being in the entire universe. But You brought me here to improve consciousness but I am so dull that I have not yet improved my consciousness I wasted all my time in joking on others never think about Your sacrifices to preach Krishna consciousness I never give too much respect to You and Your assets I never served You and Krishna I served my senses only, not following rules and regulation of ashram very rigidly

Even after so much trouble I have given to You, still You have not thrown me out this shows that You are ocean of mercy, ocean of auspicious quality

But I know You are Krishna's pure devotee if You are determined then no one in this entire creation can disturb Your determination {is to take fallen soul like me to Godhead}

This is my faith Prabhupada that You can easily take to me to back to home back to Godhead.

I may easily loss the battle against Maya but You are so powerful that a glance on me I can easily win

In This Material World Nobody Gives What He Likes

But You Are Giving What You Like The Most

Dear Srila Prabhupada

Kindly accept my respectful humble obeisances unto Your Lotus Feet repeatedly.

My Lord, devotees like Your good self are verily holy places personified. Because You carry the Personality of Godhead within Your heart, You turn all places into places of pilgrimage.

Even persons of lowest grade, addicted to sinful acts can be purified by taking shelter of the devotees of the Lord, due to the Lord being the supreme power and since Your self is the most confidential servant of Krishna, You are purifying everyone.

You have opened the original dimension of living through Your life & teachings. By Your reasonable explanations & remarkable behavior You are gradually training me towards the loving service of Godhead. Simply by having firm faith on Your words & executing Your instructions even myself can very easily enter into that sublime dimension. I'm eternally indebted to You, so kindly bless me to serve Your Lotus Feet very humbly.

Under Your personal care & guidance and in the association of Your devotees the path of sadhana bhakti is very easy to go on. The influence of material modes also gradually fades away through Your service and purification of the deeply contaminated heart takes place by the words emanating from Your Lotus Mouth. So please causelessly bless me to always to serve You and remain in the association of Your devotees.

I wish to realize & remember always that i'm simply made up of Your mercy and to become fixed up in the mood of loving friendship with Your Devine Grace. All glories unto Your Lotus Feet.

Aspiring servant of Your devotees

Dear Prabhupada,

Our beloved spiritual master.

I offer my respectful obeisances unto your lotus feet. The spiritual master is the one who let his devotees know what is life, what our life is meant for, who we are actually, what is the purpose of our birth. Dear Prabhupada you made us know all these aspects and what my birth and life are meant for. I came in contact with Krishna consciousness from one year. Till that I don't know the real purpose of my life and what it is meant for . I found the happiness in sadness, happiness in suffering, happiness in worries, happiness in enjoyment, but I don't know the real happiness that I was feeling in Krishna consciousness. The real happiness is Krishna, enjoyment is Krishna, enthusiasm is Krishna, life is Krishna. More than this I didn't get real happiness in anything upto 23 years of my life. In my suffering, in my sadness, Krishna consciousness had given me relief.

I really wondered and astonished of you master. In the age of 70, you went singly to a place where people don't know who is god, what is their purpose of birth, why they are living, enjoyment, lust and illicit enjoyment. With

the stepping of your lotus feet and your hard work and your kindness, love and affection made the people in that material world had brought a drastic change and was engaged to Krishna consciousness. Within a little span of time period ISKCON was established to a wide range. Oh Prabhupada, I am offering my respectful obeisances to your lotus feet. With your mercy I am engaged in Krishna consciousness, having nice, tasty, delicious prasadam, having a good association with devotees, I am engaged in Krishna service, my life became peaceful. Most important thing is I got the most auspicious opportunity to chant hare Krishna maha mantra.

hare krishna hare krishna krishna krishna hare hare hare rama hare rama rama rama hare hare

Chanting the holy name brings a fine, pleasant and spiritual feeling in me that I was with Krishna. Till I get in contact with hare Krishna movement, I thought that the material world is only the place where I can be very very happy. But after engaging in Krishna consciousness I got to know that the real happiness and enjoyment is in ISKCON engaging in Krishna consciousness. Oh master, please bless me that I won't leave Krishna consciousness till my last breath. Oh master, please show your love and mercy on me and make me to follow krishna consciousness more and more. Thanking you Prabhupada

Our most humble obeisance's unto your lotus feet.

On the blessed day we pray to Lord Sri Krishna for continued guidance from you. We are most fallen, have no qualifications to glorify your divine qualities. You reach to the unworthy person to give your most sublime mercy, although we do not deserve it. Dear spiritual master, please continue your mercy, so that one day we can become perfect. We are like little children full of faults, your guide is our only hope in this material world. Please show us the way to the ultimate goal of life.

Dear Sirla Prabhupada,

I offer my respectful obeisances unto you and also I am so fortunate that I got a chance to write to you.

You showed the right direction to the world by following your spiritual master Srila Bhaktivedanta SaraswatiGosvami instruction. Your shown path is only real path to be followed in human form of life. I am one who also trying to walk on that path because I know only this path can give me God(Krishna) realization and much more. Before coming in touch of HKM I always think about God but my thoughts are only some prediction basis which may be right or wrong because we are imperfect. After reading your books I get some real points about god till now I have many confusions but I know after reading your books I will surely get my answer fully. Your books are most precious in today world it can provide real knowledge. You are a pure scientist who knows everything very well and also you are very good master because your books and words till now give real teaching to us. I do not know at what extend I will elevate in Krishna Consciousness but I will do my best. So please give me lots of blessing and strength to chase real goal of life. Hare Krishna

Dear Srila Prabhupada,

Well, everything was going as usual in my life 3 years ago. Suddenly, there was a sharp turn that put me in an awful situation making me anxious, tensed and upset. Though I could stabilise myself with the help of some mundane philosophy for sometime, but after few months I developed a desire to know as to why I am here in this world. I still have no idea why this thought came had struck my mind. After listening to the lectures of many philosophers about spirituality, I came to know about his divine grace A.C.Bhaktivedanta Srila Prabhupada. After I met Prabhu Sudheer Sampad Das, my quest for desire to know life turned stronger. The first book compiled by Srila Prabhupada that I picked up was 'Bhagavad Gita: As It Is.' After reading the first two chapters, I had a feeling to go back in heaven to offer services to Srila Prabhupada. It touched my heart so much that I felt that if he had not compiled Bhagavad Gita for us, I would not have had this much of attraction toward Lord Krishna. 'Cuz everyone knows that there have so many mundane commentaries about Bhagavad Gita.

Another fact about me that I want to tell you is I used to eat meat almost everyday before I was touched by him. Today, I am a pure vegetarian and I abhor from any sort of meat products. I am strictly adhering to the rule: 1. Not to eat any meat products 2. No intoxication 3. No gambling. 4. No Illicit Sex. This huge change has happened within me only because of His Divine Grace Srila Prabhupada. When I again went to Vrindavan and took part in offering services on Krishna Janmashtami, I bought few other books compiled by him. These days, I am a devotee of Lord Krishna and chant the 'Hare Krishna Mahamantra' everyday. To completely devote myself to Krishna will always be my goal, till the end of the time. अहम् ब्रह्मास्मि। हरे कृष्णा।

Respected Gururji Srila Prabhupada,

I owe you my gratitude, for accepting me as your disciple; in the form of Sewak bringing me 2 steps closer to you.

Please help me by supporting me in my life, so that I may not deviate from my path towards Shri. Krishna's true Bhakti by chanting Maha Mantras and participating in Akshaya Patra Mandir Kirtan. Please bestow me with your divine support, so that I may always follow your instructions, to be acceptable by you in my life's journey.

I am reading your books constantly, which are full of Krishna Consciousness.

Please always be by my side, so that I may achieve my ultimate goal of Krishna Bhakti & Krishna Consciousness.

Dear Srila Prabhupada,

All glories unto your lotus feet!

All glories unto the lotus feet of Srila Bhaktisiddhanta Saraswati Goswami Prabhupada, your beloved & most worshipable guru maharaja, who lovingly empowered you to do the most confidential & appreciated service to his mission, to all of mankind.

The Vedas enjoin that only unto the one who has implicit faith in the words of the revealed scriptures & the spiritual master, is the whole import of Vedic knowledge revealed. Woe be unto this poor, unfortunate soul, who has no qualifications to understand the highly confidential purports of vedic knowledge, & is fallen since time immemorial.

O most merciful master, truly the only qualification I possess is that I have made your words my life & soul, & have a rock-bound faith in the sweet nectar that pours out from your lips & which you have translated into life-giving words in your books, the only beacon of light for the human race for the upcoming 10,000 years. If it wasn't for you O my compassionate Spiritual father, we would still have been rotting in the dark pit of material nature, covered with the nescience of material illusion, lamentation, fear & anxiety.

Thank you Srila Prabhupada, for rescuing me & hundreds of thousands of other fallen souls from the greatest fear in material nature. Your guidance & support is much needed in this blind race of hellish civilization, & this is but my small, miniscule attempt at eternal gratitude to your lotus feet, my only shelter in this transient, dangerous wave of ignorance that is the material world.

मैं अपने गुरु जी श्रील प्रभुपाद जी को धन्यवाद देना चाहती हूँ, कि उन्होंने मुझे भक्ति का सही मार्ग दिखाया। इससे पहले मैं भक्ति के सही मार्ग से अज्ञान थी मुझे वास्तविक ज्ञान नहीं था। मैं केवल कर्म कांड में ही विश्वास रखती थी और उसी के द्वारा भगवान को प्रसन्न करना जानती थी, परंतु आपके मार्गदर्शन से मुझे पता चला कि वह मार्ग अपूर्ण था भगवान तक पहुंचने के लिए पर। आपने हमें बताया कि भगवान तक पहुंचने के लिए हमें भगवान के नाम का जप करना व 4 नियमों का पालन करना चाहिए। आप की लिखी हुई पुस्तको से हमें जीवन जीने का सही मार्गदर्शन मिला और भगवान कृष्ण की कही गई बातों को सही समझने और जानने का सौभाग्य मिला। मनुष्य जीवन की सच्चाई पता चली हम इतने समय से व्यर्थ ही समय को खराब कर रहे थे। आपने हमें सही राह दिखा कर भक्ति में आगे बढ़ाया। आपकी कृपा से हम कृष्ण भावना भावित हो गए हैं। अब हम नियम से जप करते हैं और आपके द्वारा लिखी पुस्तक को पढ़ते हैं और उनसे और ज्यादा ज्ञान प्राप्त करने की कोशिश करते हैं। ताकि हम भक्ति में और आगे बढ़ सके और भगवान कृष्ण जी के और समीप जा सके।

मैं आपकी बहुत आभारी हूँ, आपका धन्यवाद। मुझसे कोई भूल हो तो उसे क्षमा कीजिएगा और मुझे भक्ति में आगे बढ़ने के लिए आशीर्वाद प्रदान करें।

श्रीला प्रभुपाद के चरणों में मेरा शत् शत् नमन।

मैं बहुत ही पतित आला होने के बावजूद आपके चरण कमलों में श्रद्धा डालने जा रहा हूँ। प्रभु जी आपने पूरे विश्व को जो दिया है उसके लिये हम सभी आभारी हैं। आपने वह चमत्कार कर दिखाया जिसे कभी किसी ने सोचा भी नहीं होगा। जब से मैं आपके कृष्ण भावनामृत मूवमेंट से जुड़ा हूँ तब से मुझे इस जीवन के वास्तविक लक्ष्य का पता चला। हमें कृष्ण भावनामृत रूपी वास्तविक ज्ञान प्राप्त हुआ है जो शायद हमें और कहीं से प्राप्त नहीं हो सकता था। यह संसार एक दुखालय है और जन्म मृत्यु के चक्कर में पड़ने की बजाय हम कृष्ण भक्ति के द्वारा अपना उद्धार कर सकते हैं। ऐसा ज्ञान व भक्ति करने की भावना आपकी कृपा से ही प्राप्त हुई है। आप इस पतित पर हमेशा अपनी कृपा बनाये रखे, हमें रास्ता दिखाते रहे ताकि हम इस कृष्ण भावनामृत मूवमेंट से जुड़े रहे, आपके बताये गये मार्ग व चारों निर्देशों की पालना करते रहे और हमें सेवा का मौका मिलता रहे।

प्रभुपाद जी का जीवन परिचय—

प्रभुपाद जी 70 वर्ष के थे, जब वे जहाज में अमेरिका के लिए निकले थे, और वह एक पर्यटक के रूप में नहीं अपितु विश्व में आध्यात्मिक व सांस्कृतिक क्रान्ति लाने हेतु निकल पड़े।

वे अपने साथ श्रीमद् भगवद् गीता से भरा एक सन्दूक, टाईप राईटर, एक छाता और 40 रुपये लेकर निकले हैं। उनके गुरु का आदेश उनके लिए प्रेरणा है। उनके गुरु ने उनसे कहा की श्री चैतन्य महाप्रभु के सन्देश का प्रचार करो। उन्होंने कई महिनों तक बहुत कीर्तन किया फिर कई महिनों की कड़ी मेहनत के पश्चात् अमरिकी लोग इनकी इस अमूल्य भक्ति की तरफ आकर्षित होने लगे।

इन्होंने करीब एक वर्ष में एक अन्तर्राष्ट्रीय आध्यात्मिक भावनामृत कृष्ण संघ की स्थापना की। वे 12 वर्षों में सम्पूर्ण पृथ्वी का चौदह बार भ्रमण करते हुए लगभग सभी प्रमुख देशों में अपने संस्था के केन्द्र स्थापित करते हैं।

उन्होंने साथ ही साथ 60 से अधिक ग्रन्थों का अनुवाद करके अपनी संस्था को एक सशक्त आधार देते हैं।

उन्होंने बताया नशापान मांसाहार, व्याभिचार और जुआ जैसे जीवन को नष्ट करने वाली आदतों से युक्त लोग इनके सम्पर्क में आने से अर्थात् भक्ति करने से उन सभी बुरी आदतों को पूरी तरह से त्यागने लगे। और सभी लोग भगवान को केन्द्र मानकर निस्वार्थ भक्ति करने लगे।

उन्होंने 5000 से अधिक शिष्यों को शिक्षा दी और सभी कार्य करने में उन्हें केवल 12 वर्ष लगे। अन्तर्राष्ट्रीय “श्रीकृष्ण भावनामृत के संस्थापक आचार्य कृष्ण कृपा मूर्ति श्री श्रीमद् ए.सी. भक्तिवेदान्त स्वामी प्रभुपाद” जिस भक्ति की लहर को उन्होंने शुरू किया था, अब ये उनके अनुयायी आगे बढ़ा रहे हैं।

प्रभुपाद जी की वजह से आज हम भी भक्ति में आगे बढ़े हैं। और उनकी पुस्तकें पढ़ने के पश्चात् हमने जाना की श्रीकृष्ण ही भगवान हैं।

मैं परम पूजनीय एवं आदरणीय गुरु जी के चरणों में दण्डवत प्रणाम करती हूँ।

I offer my respectful obeisances unto His Divine Grace A. C. Bhaktivedanta Swami Srila Prabhupada. Firstly I apologize before you, because I didn't take this opportunity to write vyasa puja offering by my own will, but upon being asked by some other devotee for writing the same. My intention was not that I will not write but simply I ignored it, and now I am ashamed for this guilt. Dear Prabhupada please forgive me for this, this will not happen now onwards.

Prabhupada this year I got married and since then my chanting and spiritual life is getting distracted, even though I am trying to get it on track but sometimes again it get distracted because of more responsibility. Prabhupada before marriage I was begging for your mercy unto me and my husband so that we together can practice Krishna consciousness and yes your mercy is being granted and now we have set up altar at our home and we do puja daily and my husband cooperates me in that by heart. Prabhupada please be more merciful unto us that we could give more time to our spiritual life, I want both of us to grow simultaneously on spiritual path.

Prabhupada reading is my hobby and I have so many of your books and whenever I read I feel so good but I don't find time for reading in routine and I really want to go through your literature. Please be more and more merciful unto me that I could as well as I may become able to preach your teachings. Although you have open many ways for me since I started practicing Krishna consciousness, please be with us always like this.

om ajanama timrandhasya jnanjan shalakya, caksur unmilitam yena tasmai sri- guruve namah

Prabhupada ji, I offer my respectful obeisance unto your transcendental lotus feet and I am grateful to you for the mercy and compassion delivered by you upon all the fallen souls including me being on the top of it. Prabhupada ji, you are the ocean of transcendental love and knowledge and I wish to get a drop of it in order to be worthy of doing devotional service of Lord Krishna.

It's been some time that you have bestowed upon your mercy upon me and since then I am trying ...and just trying to follow your instructions but because of poor time management and lack of strong determination I am not being able to serve your lotus feet the way I am supposed to do. I am focusing more onto my sense enjoyment like giving importance to job related duties or pursuing my hobbies which unnecessarily consuming my time, which is precious than anything else. Although Prabhupada ji now-a-days I am consciously trying to attach most of my mundane and other activities with Krishna but I guess somewhere heart of hearts I am satisfying my own inherent desires

and to be very frank Prabhupada ji actually I very strongly detest myself for this subtle adulteration in my aspirations.

So, oh , my dearmost master as I know that you and only you can solve my problem because you are the most merciful so if I can get your attention in the form of tiniest fraction of mercy of yours, upon me, I will definitely come out of the darkness of my ignorance and from those habits of mine which are the main obstacle in the path of devotion.

I am trying my level best to purify my soul in order to control my senses and desires of my mind and heart by following the path shown by you , by reading books written by you, by doing nama japa(as much as Possible), depending upon my health and work pressure etc.) and by clearing the doubts by discussing them with temple devotees and temple authorities as and when I need their expertiseat this point of junction I would like to tell you Prabhupada ji that all the devotees of this place have been very kind and supportive in this matter. There is a very strong ray of hope in me that with the association of the devotees of Hare Krishna Movement I will definately be able to speed up my spiritual journey .

In the end Prabhupada ji, may I request you from the bottom of my heart that please..please..please..i beg you to help me out from the clutches of maya by diluting the effect of my Prarabhdas so that I can serve you, Radharani and their lordships Krishna& Balaram. I sincerely ask for your apologies for the mistakes I have done if any in any way against your disciples and devotees or any Krishna Conscious heart for that matter, and I further request you to Kindly empower me 1. not to repeat my all past mistakes , 2.Give me a helping hand to make my desires pure and determination and will power strong & follow your instructions more seriously and 3. make me able to spread Krishna Conscious movement of yours, as Prabhupada ji preaching brings me closer to you and Lord Krishna.

In this birth and all my coming births in human form I will always be grateful to you for reviving Krishna Consciousness in me and all others too, and showing the real purpose of human life, that is to how to glorify our beloved Lord Krishna, the supreme personality of Godhead.

Prabhupada ji,your gracious self is the epitome of kindness , therefore I request you to kindly accept my offerings .

A servant of yours' and the most insignificant soul,

“हरे कृष्णा”

गुरुदेव प्रभुपाद के चरणों में शत् शत् दण्डवत प्रणाम।

आपकी कृपा के बारे में हम जितना भी लिखे बहुत कम लगता है क्योंकि आप इतने दयालु हैं कि आपने हम बद्ध जीव को अपनी कृपा से भक्ति से लगाया। हमें अज्ञानता भरे जीवन को जीने से बचाया है और इस कृष्णा भावनामृत से जोड़कर हमें भक्ति करनी सिखाई व हमको ये बताया कि हम कौन हैं? भगवान कौन हैं और भगवान से हमारा सम्बन्ध क्या है? अतः हमें हमारे जीवन का वास्तविक लक्ष्य बताया जो कि भगवान के धाम जाना है। वहाँ हमारा परमपुरुषोत्तम भगवान इंतजार कर रहे हैं जो हमारे वास्तविक पिता हैं। और भौतिक आवरण में रहते हुये भगवान को समझ पाना गुरुदेव की कृपा व भक्तों के संग के बिना असम्भव था। यू तो मनुष्य जीवन एक नौका की भौति होता है लेकिन आपकी पुस्तकों को पढ़ने से मेरे जीवन में स्थिरता आयी।

यू तो हम मार्ग में पड़े तिनके के समान थे आपने अपनी करुणा भरी दृष्टि डालकर हम पतित जीवों को कृष्ण भावनामृत बना दिया। वैसे तो भगवान को समझना बहुत कठिन है या यूँ कहें कि असम्भव है परन्तु आपने कृष्ण भावनामृतके रूप में एक ऐसी विधि प्रदान की जिसके जरिये भगवान को समझा जा सकता है। हरे कृष्ण महामंत्र का जप करते कीर्तन में नृत्य करते करते पता ही नहीं चला कि कब हम कृष्ण भावनामृत बन गये। अब हमारा यह कर्तव्य है कि आपके बताये नियमों व निर्देशकों का पालन दृढ़ता से करें व हमेशा भक्ति के प्रति उत्साहित रहे और जो सेवा मिले भगवान के श्रीचरणों में उसे करने के लिये अपनी इच्छा से ललायित रहे।

गुरुदेव से प्रार्थना है कि वह हम पर हमेशा आशीर्वाद व दया बनाये रखे ताकि हम लोभ, मोह, अहंकार से मुक्त हो और हमेशा भक्ति करने के लिये तत्पर रहे।

हे प्रभुपाद जी ! आपकी शरण में आने से पहले मेरे मनुष्य जीवन का कोई वास्तविक उद्देश्य नहीं था। मैंने आपकी शरण में आकर जाना की मैंने मेरे जीवन का अमूल्य समय यूँही बेकार किया है। मुझे मेरा ये समय भगवान की सेवा में लगाना था आपकी शरण में आने के बाद मुझे ये आभास हुआ। आपकी शरणागति से मुझ में कई बदलाव आए प्रत्येक दिन जप करना, भगवान को भोग लगाना, आपके दिये निदेशों को पालन करना, मंदिर आना। मैंने मेरे जीवन के वास्तविक उद्देश्य को जाना है और भगवान की सेवा से प्राप्त खुशी को जाना है। लेकिन इस दौरान मुझसे कुछ अपराध भी हुए हैं जिससे मैंने आपको दुख पहुँचाया है, हे प्रभुपाद ! जी आप बहुत ही दयालु हैं आपने मुझ जैसे पतित को माफ करके मुझे अपनी शरण प्रदान की। मैं आपकी कृपा से कृष्णभावनामृत संघ से जुड़ी हूँ। आप हमेशा मुझ पर अपना आशीर्वाद युँही बनाये रखना। मैं आपके सामने ये प्रण लेती हूँ कि मैं कृष्णभावनामृत संघ को कभी छोड़ कर नहीं जाऊँगी मुझे जप और तप को एकाग्र करने की शक्ति प्रदान करें।

I offer my respectful obeisances unto His Divine Grace A.C. Bhaktivedanta Swami Prabhupada, who is very dear to Lord Krishna on this earth, having taken shelter at His lotus feet.

Our respectful obeisances are unto you, O spiritual master, servant of Sarasvati Gosvami. You are kindly preaching the message of Lord Chaitanyadeva and delivering the Western countries, which are filled with impersonalism and voidism.

Dear beloved Prabhupada

My saviour

Please accept my humble obeisances again & again .All glories to your lotus feet.

On this occasion of your Appearance day in this world . I fall in the dust of your lotus feet & beg for the ability to properly glorify your divine & magnanimous character.

In cc(antya - lila 7.12 purport) you state the following “ The true Acarya the spiritual master of the entire world must be considered an incarnation of Krishna’s mercy.

By your grace Prabhupada , you made such an incredible sacrifice of traveling by steamship at the age of 70. Suffering from two heartattacks in process. With seven dollars and a few books with the desire to serve mission of your Spiritual Master.

By your grace Prabhupada many lakhs of peoples are now chanting the Holy Name and are no more attached by grossly sinful activities such as Meat eating , intoxication , Gambling and illicit sex .

Prabhupada, you have saved me from a life of misery and ignorance. Earlier i was living my life like cats and dogs & simply doing sense gratification and wasting this human form of life which is very rarely achieved after many millions of births. But when i came in contact with you i came to know what is the goal of human life? Who i am? Who is God? & so many things.

My 1 year is passed in KC only by your grace. Prabhupada you know very well I’m little upset about my future life that how will i continue my krishna consciousness after my marriage what will happen in future but as you always say “Just Depend on Krishna”. Surrender yourself completely to krishna as krishna says in BG - “Arjuna declare it boldly that my devotees never perishes “ So i have surrendered myself to you and krishna i know by your

and krishna's grace some magic will happen soon. Please bless me for my good future i want to go back home back to godhead in this very life only.

Prabhupada, I do not have enough words to thank you as “Thankyou” is very insignificant word your kind efforts is bringing us closer to the lotus feet of Sri Krishna. I am begging you to always use me in your service in any way you desire And let me never leave your lotus feet, because you are my only shelter and refuge My Eternal Father My Dearest Srila Prabhupada.

आदरणीय श्रील प्रभुपाद जी सादर दण्डवत प्रणाम,

मैं करीब ५ साल से हरे कृष्णा मूवमेंट जयपुर के सम्पर्क में आई हूँ। और इन ५ सालों में मेरी ज़िन्दगी व सोच में काफ़ी परिवर्तन आया है। पहले में ज़रा-ज़रा सी बात में टेन्शन में आ जाती थी व मन भी विचलित हो जाता था पर आपके आश्रय में आने के बाद काफ़ी हद तक कसी भी परिस्थिति में सामान्य रहने लगी हूँ व प्रायः आपके बताए सभी निर्देशों का पालन कर रही हूँ। मैंने 16 माना का आश्रय ले लिया है पर किसी कारण वश अन्तिम पेपर नहीं दे पाई हूँ इसलिए दीक्षा आगे के लिए स्थागित कर दी है अब जब आपकी कृपा होगी तब पूरी कर लूँगी।

आपसे मेरा एक ही निवेदन है कि आप मुझे इसी जन्म में गोलोक वृन्दावन धाम ले चले व इस भवसागर से बाहर निकाल दें। आपके अलावा ओर कोई ऐसा नहीं कर सकता। मेरे कर्म तो ऐसे नहीं हैं पर आप पर पूरा विश्वास है कि आप ऐसा करसकते हैं। आभार व्यक्त करने के लिए मुझे शब्द ही नहीं मिल रहे हैं। अंत में आपका बहुत धन्यवाद।

Respected Guru Ji, Hare Krishna!!

Please accept my humble obeisances unto your lotus feet. Once my husband joined the Geeta class, I heard about the Guru Parampara. He always talks about Srila Prabhupada and Lord Krishna. I have started to visit Akshaypatra temple and joined yoga for happiness class and get more knowledge about Srila Prabhupada and Lord Krishna. After that I have continued in Vedic Gyan and Sharanagati Class level-1 and learned the real knowledge about the spiritual life and Bhakti Shishtachar.

I visited Vrindavan first time with my family in the association with Akshaypatra and devotees. The trip was completely spiritual that made us very happy and increased my knowledge in the devotional services. I have taken Aashray with your blessings and mercy. You are the one who gave us direction and in your guidance, I would like to do progress in the Bhakti Marg and want to go away from this bhawsagara. Also, I have started reading books that are having spiritual knowledge. By reading books and chanting of hare Krishna maha mantra I feel very peaceful in the mind. I Pray Srila Prabhupada to help me to go out from this mrityulok and attain Lord Krishna's place at the end of my life. Hare Krishna!!

हम लगभग 4 वर्ष पूर्व हरे कृष्णा मूवमेंट जयपुर के संपर्क में आए। यहां के भक्तों ने हमें आध्यात्मिकता के बारे में, “सच्चा गुरु कौन है”, एवं “कृष्ण कौन है” के बारे में बताया। आपके अनुयायियों की लगन एवं कठिनपरिश्रम से हमें आप का सानिध्य प्राप्त हो सका एवं हम आपके बारे में जान सकें और साथ ही कृष्णा भावनामृत संघ से जुड़ सकें।

हमने आप का आश्रय प्राप्त किया और इस प्रकार जीवन को एक नई राह मिली, भक्ति की राह। भोग लगाना, जप करना, आरती करना यह सब हमारे जीवन का एक हिस्सा बन गया है। मानव जीवन का अंतिम उद्देश्य क्या है यह हम आप की कृपा से जान पाए।

All Glories to His Divine Grace AC Bhaktivedanta Srila Prabhupada Dear Gurudev,

Please accept my humble obeisances. I have been associated with Akshaya Patra since last 6-7 years but it has been just 6 months that I took up Krishna Consciousness seriously by your Mercy.Now I visit the Temple regularly and try to attend Mangala Arti as well.I realized very late about the Ashraya and filled up the form immediately and prepared hard for the interviewThis Ashraya changed my life completely and I suddenly felt very very close and connected with You.Immediately after the Ashraya I became more serious in reading books and hearing lectures.... I became very curious to know and understand more and more about Krishna . I could not believe that I started memorizing few Shlokas from BhagvadGita and other Vedic scriptures This miracle happened in my life only and only by your mercy. Dear Gurudev.....I have developed very special feelings for you after the Ashraya and I really want to attain perfection in Krishna Consciousness and go back to my original Home.....My life has changed completely ... Everything now revolves around Krishna and I hope I attain more perfection and follow all the regulative principles with full care and devotion.

And all this would not have been possible without the unending support and understanding of All the devotees of Akshaya Patra who helped me selflessly and thanklessly on this spiritual path. My only prayer to Gurudev is to have mercy on my family members and bring them into Krishna Consciousness very very soon. I pay my humble obeisances unto the Lotus feet of my Spiritual Master. Dear Srila Prabhupada,

Please accept my humble obeisance at your divine lotus feet.

I am very fortunate to get this opportunity to write a personal letter to you, due to your divine grace and your blessings I am able to understand the real meaning of this life, the Guru- Shishya parampara started by you in the whole world to make people progressive and successful in their spiritual life is truly amazing and has changed the lives of people all over the world.

My dear spiritual guru all glories to you, I request you to always make my mind conscious in lord's service and this is all because of your divine mercifulness that I get in contact with hare Krishna movement and gradually able to increase my spiritual knowledge.

Please always keep your blessings on me so that I can never deviate from the path of spiritual knowledge. After getting shelter in your divine lotus feet and because of your teachings my mind has become more stable and humble.

With my all due respect I request you to please be merciful to me to make me more successful in lord's service and more humble and always regular in following the rules.

My dear Srila Prabhupada ji your each and every lecture I have seen has deeply impacted my soul and the best answer given by you to the devotee in London that "when you came to India you took everything but not our culture and spiritual knowledge, so I came here to teach you that" was one thing that really amazed me that how pure soul my guru is with no fear and a pure heart.

All glories to Gurudev I would like to thank you for all the mercy you have shown on me to make my mind and heart more pure in terms of spiritual growth.

Thank you for providing us the lessons, rules and regulations in order to please and worship Shri Shri Krishna Balaram ji.

Always wants to be in your service.

My Dear Srila Prabhupada,

Please accept my humble obeisance unto the dust of your lotus feet from this insignificant disciple like me. Today is the day of Vyasa Pooja which means a disciple has the opportunity to glorify the unlimited Spiritual Master with their limited words. Although I am not worthy to glorify you, still you are so merciful that you gave me this auspicious opportunity to glorify you. Srila Prabhupada we are more fortunate than those devotees who were involved in your glaring divine pastimes because you are every time with us through your lectures, books, kirtans in your melodious voice and many other things which can be used by us anywhere anytime because being physically present you cannot be available everywhere at the same time. So thanks a lot for everything which perhaps I don't deserve. Once a devotee asked to Srila Prabhupada, the spiritual master remains in the material universe until all of His disciples are transferred to the spiritual sky. Then Dear Gurudev replied yes, this is the rule. Therefore, every student should be very much careful not to commit any offence which will be detrimental to this promotion to the spiritual kingdom and thereby the spiritual master has to reincarnate again to deliver His disciples. (SP Letter to: Jayapataka Los Angeles 11 July, 1969)

Yadi Prabhupada na haita tabe ki haita e jivana bahita kise?

If Srila Prabhupada had not come, what would have happened? How could we have passed our lives? Now my situation is like that Prabhupada I cannot imagine my life without Your Divine Grace.

Prabhupada being very well known to this fact that nectar of bhakti, association of devotees is everything still I am not availing that properly and engaged in other sinful activities. One thing I ever require from you Srila Prabhupada is that please keep me under the shade of your lotus feet by neglecting my mistakes and in the association of devotees so that I can sustain my bhakti. Dear Srila Prabhupada I am the greatest sinner unto You, Krishna and your devotees, please help me to get out of all those activities which makes me an offender and please help me to increase the quality of my sadhana. O all merciful spiritual master, please free me from all kinds of wrong desires and negative thoughts and fault finding in others so that I can serve you eternally. Dear Guru Shrila Prabhupada,

My highly obeisance in your lotus feet. Prabhupada as I am one of the fortunate person because I got you “Guru”. I am a heading towards to initiation and still I am learning and practicing to make myself one of the your disciple. Even though I know that I am not an appropriate person for the initiation but Prabhupada still I am going on.

Prabhupada once I have asked to a Temple devotee that how do we engage our children in the devotional and spiritual activities then he said “If you are following the Krishna consciousness then your children will automatically engage in such devotional and spiritual activities.” But Prabhupada here I am lacking and I truly need your help.

Due to some family responsibilities I am not properly engaged in the devotional services at the temple. Please Prabhupada help me and guide me to manage my schedule and give me strength for completing such opportunities.

Some of time I feel that instead of taking initiation I should start from the Level-1 (Shradhawan). I am still a beginner and facing lots of problems to continue the devotional service. Please Prabhupada keep your kind grace upon me. Help me Prabhupada! In last I am very thankful to you for giving us unconditional and unlimited sea of Krishna Consciousness.

भगवान् श्रीकृष्ण के अनन्य भक्त और हमारे आध्यात्मिक गुरु श्रील प्रभुपाद के चरण कमलों में सादर कोटि-कोटि नमन॥

इस पावन अवसर पर मैं अपनी अनुभूतियों को एक कविता के माध्यम से आपको अर्पित कर रही हूँ-

सत्तर की आयु में किया आपने जो कार्य, वो नहीं था कोई आसान कार्य। जहाँ घर के अन्दर बैठे होते हैं बुजुर्ग इस उम्र में, वहीं आप थे जलदूत में। आया दो बार हृदयाघात, लेकिन नहीं डगमगाया आप का आत्म-विश्वास। था आपको भरोसा कि रक्षा करेंगे भगवान्, यही था सबसे बड़ा आपका विश्वास। जहाँ आज का मनुष्य थोड़ी सी समस्या से विचलित हो उठता है, और सब छोड़-छाड़ कर अपने इस शरीर को देखता है, वहीं आपने यह मिशाल कायम की कि मैं यह शरीर नहीं आत्मा हूँ, और आत्मा को संतुष्टि तो भगवद्भक्ति से मिलती है। इस नश्वर शरीर की तुष्टि भौतिक चीजों से होती है, लेकिन आत्मा की तुष्टि तो भगवान् के प्रेम से होती है। हे प्रभुपाद! मैंने ली है आपसे दीक्षा, बस दे दीजिये आप मुझे एक भिक्षा कि कर सकूँ सफल मैं आपकी शिक्षा, नहीं है इसके अतिरिक्त मेरी कोई इच्छा।

पूजनीय श्रील प्रभुपाद जी,

आपके चरण कमलों में सादर प्रणाम,

आपकी यह दासी भक्ति का कखग भी नहीं जानती तीन साल पहले मंदिर के पास रहने का अवसर मिला, बचपन से सीखा था कि कृष्ण भगवान विष्णु के अवतार हैं तो दर्शन करने के लिए मंदिर आती थी फिर प्रभुजी ने कहा कि भगवान के नाम का जप

करें तो करने लगी। यहां मंदिर के भक्त कक्षाओं के माध्यम से कृष्ण भावनामृत के बारे में बहुत सहज भाव से बताते हैं

कि हम इसको अपनाने के लिए आतुर हो जाते

हैं। धीरे धीरे सोपान चढ़ते हुए हम गुरुदेव प्रभुपाद के बताए नियमों का पालन बिना किसी कठिनाई के कर सकते हैं। लेकिन पूर्व जन्म के संस्कारों तथा गृहस्थी की उलझनों के कारण पूर्ण एकाग्रता तथा संतुष्टि के साथ आपके आदेश, नियम पालन नहीं हो पाते। आप के चरण कमलों में निवेदन है

कि आप मुझे इतनी सामर्थ्य दें कि आपके बताए नियमों का पालन कर सकूँ फिर भक्ति तो आपके कृपा प्रसाद रूप में प्राप्त हो जाएगी ऐसा मेरा विश्वास है।

Dear Srila Prabhupada,

Please accept my innumerable obeisances unto your lotus feet. All glories to Your Divine Grace.

The most auspicious day of your appearance on this planet gives the conditioned souls like me a great opportunity and fortune to glorify Your

Divine Grace and also glorify the mercy bestowed on us by Supreme Lord Sri Krishna that He sent you for our deliverance.

Many times you mentioned in your enlightening lectures that appearance days of different incarnations of the Supreme Lord provide us a great chance for associating with Him and thereby purifying ourselves.

Similarly it's a matter of great jubilation and purification to celebrate Your Divine Appearance Day. Also, it is said by a great Vaishanava acharya and poet Srila Narottama Das Thakur that "One becomes purified by sacred Ganges river only after taking bath in it but a pure devotee of Lord like your goodself is so potent and magnanimous that he purifies simply by giving his darshan "

You bestowed your causeless mercy by purifying innumerable living entities during your physical presence on this planet and you still continue to purify hundreds and thousands of souls through your transcendental vani form.

And, as your disciple I'm meant to dedicate my full energy to spread your transcendental vani to other suffering souls engaged in material affairs so that they also become fortunate by receiving your causeless mercy. Though I have a strong desire to act in this way as mentioned in last year's Vyasa Puja offering but somehow or other I am not able to act in this direction. I know that wholly and solely I am only responsible for this. It may be because of my lack of sincerity and seriousness. Yet, I have a great hope that soon by your divine arrangement I will be able to fully engage my mind, words and body in preaching your divine mission.

Srila Prabhupad, here, I sincerely want to extend my gratitude towards you that because of your mercy only we are getting the priceless and valuable association of senior Vaishnavas who are your ardent followers. I strongly feel that simply by associating with such great 'Guru dasas' or 'Guru bhaktas' my life will become successful beyond any doubts.

Therefore, my only prayer to you is that please always keep me in the association of such advanced Vaishnavas and bless me with a drop of your mercy by making me meek and humble so that I sincerely follow the instructions of my senior God-brothers.

Dear Srila Prabhupada,

Please accept my humble obeisances unto your divine feet.

Prabhupada, sometime I wonder after seeing your tremendous faith, unprecedented love for Krishna. And amazing was to see you doing such a hard work for spreading mission of Sri Chaitnya Mahaprabhu. Your Divine Grace actually proved that simply if somebody dedicate his life for the service of Krishna (ye tu sarvani karmani, mayi sannasya mat-parah) then his life is perfect or his life will become perfect. Seeing all these qualities I remember one of your pastime which is as follows:

Devotee: You must be higher than the paramhansa stage, Prabhupada.

Prabhupada: I am lower than you. I am lower than you.

Devotee: You are so beautiful. You are paramhansa, but still, you are preaching to us.

Prabhupada: No, I am lower than you. I am lowest of the all creatures. I am simply trying to execute the order of my spiritual master. That's all. That should be the business of everyone. Try best. Try your best to execute the higher order. That is the safest way of progressing. One may be in the lowest stage, but if he tries to execute the duty entrusted upon him, he is perfect. He may be in lowest stage, but because he is trying to execute the duty entrusted to him, then he is perfect. That is the consideration. (Lecture SB 6.1.34-39-Surat, Dec 19, 1970).

Here you have told that by following instructions of guru, disciple can become perfect. Again & again I pay my dandwats to you. You have taught everything by a live example. Still I see myself not able to follow your divine instructions. Please award a particle of mercy so that I can follow your instructions strictly.

Time is counting its days, nights, months & years, anarthas looks still like unshaken hill. Even though it's very difficult to curb down the anarthas, but by the dint of your mercy somewhere few anarthas are reduced till some extent. It's great reciprocation of yourself & Krishna.

By your mercy somewhere land allotment procedure for temple is started. It's a great opportunity given by senior devotees to us by which we can think of doing such heavy looking sevas. We need your constant guidance & mercy. This thing looked like stuck for a long time. This is one of the most important seva allotted by them. Please bestow you mercy so that our team can please the vaisnavas by getting this land allotted this year only somehow. At other land also work has to be started. Please make me able to something good at that place. I understand that I'm really not that much capable, but for the pleasure of yourself, all vaisnavas & Krishna please allow me to do so.

(Gurudev Kripa bindu diya koro ei dase trnapekha ati hina).

Please make me puppet in your hand. Life may be going through any turmoil, but I shouldn't forget your mercy & ever try to keep pace with your divine instruction. I should keep trying to expand your divine movement for helping the suffering souls. You can understand all my feelings. Please make me stronger, attached to Krishna, attached to the Holy Name, and real servant of Vaisnavas. I again beg your mercy.

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet.

Prabhupada your book, lecture, letter, and conversation with devotee is always Inspiration for me.

Your letters and, conversations with devotee is always helpful to me to understand the importance of Krishna consciousness,

Whenever I get difficulties in preaching, I start to read your letters and conversations and it shows me the way how to deal with this situation, and it gives me enough enthusiasm.

Prabhupada your compassion, humanity, wisdom, humour, knowledge, determination, and love for Krishna is unparalleled.

I want to mention one instance which shows your love for Krishna.

Indradyumna Swami: we come down when Prabhupada was paying his kartals and singing

"Jaya Radha Madhav kunja Bihari, Gopi Jana Vallabha Girivara Dhari" Hearing Prabhupada sing about spiritual world Radha and Krishna, Gopi Goverdhana, Yamuna, everything about us stopped. We were mesmerized we entered the spiritual world through Prabhupada sound vibration. Prabhupada was looking at Radha parisisvara and suddenly he started shivering "Oh, No, Prabhupada sick, something happening !!" Kunja Bihari..... and Prabhupada stopped singing. I was sitting in front of Srila Prabhupada Vyasasna and noticed Prabhupada's eyes welled up and then overflowed with tears. We hear Lord Chaitanya Mahaprabhu's prayer. "O Govinda feeling your separation, I am considering a movement to be like twelve years or more tear are flowing from my eyes like torrent of Rain." in the same way Prabhupada.

Tears were flowing, thought here I am in material world and Prabhupada in spiritual world and by his causeless mercy I am getting what it's like to be in Vrindavan to have love for Radha and Krishna.

Prabhupada please forgive me for my offences which I committed knowingly and unknowingly.

And give me your mercy so I continue my spiritual journey.

Dear Srila Prabhupada,

Please accept my respectful obeisance at your lotus feet.

Srila Prabhupada you are very merciful to this conditioned soul. You are engaging me in the service of your Transcendental Movement, although I am not qualified or I don't have the qualities of a devotee. You are only my hope who can give me all the intelligence to serve Krishna. By your causeless mercy I came to know that I am part and parcel of Krishna, my only duty is to always serve Krishna and think about Krishna.

Srila Prabhupada once you said that if the heart is pure you will guide the disciple within the heart. Please give me that purity of heart so that I may always be guided by you as you like. At present my heart is filled with lots of material desires for sense gratification. By your causeless mercy all the desires can be purified, And there should be only one desire to Serve Krishna, nothing else.

On this auspicious occasion I request you Srila Prabhupada please save me from maya and give me eternal shelter at your Lotus Feet .

Dear Śrīla Prabhupāda,

Please accept my most humble obeisance at your divine lotus feet. All glories to Your Divine Grace!

Five years have passed in Krishna consciousness under your lotus feet, by your mercy last year you have accepted me formally as your disciple and now I'm enjoying serving you more responsibly and trying to improve in serving. Your teachings and your pastimes are always the source of inspiration for me in my devotional service. The struggle that you underwent to form the Krishna consciousness movement in the West and in all parts of the World is always the inspiring force for me in all of my activities

Srila Prabhupada, the system that you have created is always helping me for my spiritual advancement. The system of authority is so powerful that it keeps me away from all kinds of anxiety and trouble in devotional service. Please help me become more sincere towards my authorities and superiors.

Srila Prabhupada, I am not eligible to render devotional service to you and Their Lordships, yet by your mercy I am getting opportunity to render service and rectify my mistakes again and again. This sadhana bhakti process is so powerful that it is helping me to clear all my anarthas by your grace. Please give me strength so that I can rigidly follow all your instruction and rules and regulations as a sadhaka. Whenever challenges or struggle comes in my spiritual life, I always remember you and your instructions. A thought of you during service and other activity is so powerful even that alone gives boost to my enthusiasm. Also your teachings and instructions are so potent and are helping me in every step of my spiritual life to serve you more consciously.

Srila Prabhupada, serving you eternally is my aspiration. Please give me sufficient strength to render service under the guidance of my authorities and superiors so that I do not deviate from the path that you have set up and do not work whimsically and always satisfy and please them as well as you.

And at last Prabhupada, please keep me under shelter of your lotus feet and always bestow your mercy on me so that I can follow your instructions more sincerely such as attending the morning program more cautiously, attentively chanting, scrutinizingly and systematic reading of your books and also help me develop full concentration, right mood and systematic approach towards my fund raising service and preaching the message of Krishna consciousness to the people.

Srila Prabhupada, concluding my words, please help me to remember you in my every activity such that I can become your sincere and humble servant eternally.

om ajñāna-timirāndhasya jñānāñjana-śalākayā cakṣur unmīlitaṁ yena tasmai śrī-gurave namaḥ

Dear Srila Prabhupada,

Today is the most unique day in the whole calendar as you appeared on the earth just before 122 years back as predicted by Lord Chaitanya Mahaprabhu 500 years ago that my chief Commander will come and he will inundate the whole world by Harinam. Just as Lord Indra shower rains of water which is practically very soothing when showered in burning summer similarly you showered the Harinam mercy rain which you brought from the ocean of mercy {Lord Chaitanya} on the conditioned souls like us who were burning in this fiery world without even knowing that we are burning. The clouds of Lord Indra do not have surety of rain at every place, but your clouds of Harinam showered mercy rain in every town & village. Your Raining started when you were just 5 year old in the form of Ratha Yatra & Prasadam distribution and continue even today. It is said in the Srimad Bhagavatam 1.19.34

sānnidhyāt te mahā-yogin pātakāni mahānty api sadyo naśyanti vai puṁsām viṣṇor iva suretarāḥ

Just as the atheist cannot remain in the presence of the Personality of Godhead, so also the invulnerable sins of a man are immediately vanquished in the presence of saintly personalities.

The rainy water is having the qualities of washing the external dirt of something but your rain will surely wash everyone's external & internal dirt of sinful propensities. If someone wants to enjoy a bath in the rainy water he has to come out in an open space where there is no coverings of walls & roof similarly if somebody wants to enjoy your rain of spiritual bliss he has to surrender completely to the system of authority created by you, he has to come out of the thick walls of sense gratification, furtive mentality & mental speculation.

Recently I understood theoretically that spiritual life is totally in the hands of spiritual master & Krishna. We may have big big plans for doing something but until the Lord sanctions, nothing can happen, so we should be completely depend on the Lord, continuing with our full efforts.

Srila Prabhupad, Even though I am trying to work hard to execute the service allotted by you to me, also sometimes when I am away from your instructions maya gives me heavy kick of sense gratification which injures me a lot and then it takes 3-4 days for me to heal it. It is really very painful & demotivating to me. Sometimes it looks like I just can't do anything. I start thinking that I myself is not a good player but you have given me the job of a coach. Srila Bhaktivinod Thakur in one of his song says:

ekākī āmāra, nāhi pāya bala, hari-nāma-saṅkīrtane tumi kṛpā kori', śraddhā-bindu diyā, deho' kṛṣṇa-nāma-dhane

Very rightly applied on me that I do not find the strength to carry on alone the saṅkīrtana of the holy name of Hari. Please bless me by giving me just one drop of faith with which to obtain the great treasure of the holy name of Kṛṣṇa.

kṛṣṇa se tomāra, kṛṣṇa dite pāro, tomāra śakati āche

Kṛṣṇa is yours; you have the power to give Him to me.

My dear Prabhupad, You have already revealed us the easiest way to attain the goal of life. Now I just want to keep every step according to your guidance. As you took the instructions of your master as your life & soul bless us to become that much serious so we can also take your instructions as our life & soul. Give me the necessary strength & determination to remain a part of your Brahmachari ashram & to keep good dealings with all the Vaishnavas. Thank you so much.

Bhakta Aayush

Being curious and skeptical by nature, I always wondered in my head why something happened and how it has happened.

This 'why and how' has led me to "Krishna Consciousness" and the precious Hare Krishna Movement and the devotees involved therein.

I had this friend named: Antima Todi, she is a pure and dedicated devotee of Lord KRISHNA.

On the other hand, I, being born in Jain Family had different god & demigods.. Mahaveer Swami being superior.

She used to share with me her experiences and the level of devotion she is putting like waking up 3:30 AM and going meera temple on daily basis and attending every single moment to earn the credit of KRISHNA'S mercy.

We used to debate and argue over silly illogical happenings and so called miracles happened mostly with antima herself.

I never accepted anything until and unless my common sense and left brain supported with right one attached with memory full of required knowledge, accepts it. We fought, we argued and the time passes.. one day dated 15 December, 2017, I, being tired with my books decided to look for some entertainment and logged in to BookMyShow.

I saw a movie named: "Hare Krishna, The Mantra, The Movement and The swami who started it all". I went for it at the theatre and guess who I found there?

The blessed, glorious and shining devotees of Iskcon burning their energy with pure intention of devotion and service by chanting, dancing and acting everything for lord krishna and fulfilling the dream of Srila Prabhupada.

Prima Facie, I again ignored such activity and the people gathered there.

But then being music lover I just went little closer to listen and see the pattern of the music played by them.

There Soumya Narsimha Prabhu Ji with his spiritual rattling and penetration in his eyes attracted me and asked to join. I, feeling surprised and amused held hands and started with the flow. Hare Krishna Hare Krishna Krishna Krishna Hare Hare Hare Ram Hare Ram Ram Ram Hare Hare.

I didn't even knew what they including me were doing and why.

I then, reached ticket counter and found all tickets taken up by the people gathered outside i.e. All devotees and servants of KRISHNA.

I approached one of them to give me one and yes without a shadow of a doubt, they let me in.

Movie goes well and now the journey of my KRISHNA Consciousness begins.

After 2 hours I met with prabhu dressed up in saffron and head being bald with a little pony at the centre.

He impressed me by giving me instant answers to my queries and asked me to show up at the premises of the holy place.

I went and enquired, enquired and enquired.

He (Soumya Narsimha Prabhu Ji) answered, answered and answered.

This way I, with KRISHNA's mercy came up to join ISKCON and the wonderful IQ level people servicing LORD KRISHNA possessing high quality unwavering focus and presence of mind.

Their knowledge and precision regarding life and its purpose is accurate enough to impress and make any ignorant a sensible humane i.e. a servant of ultimate creator Lord Krishna and master in the eyes of material world.

I wish every blessed reader to join and contribute.

Dear Srila Prabhupada,

Please accept my humble obeisance unto your lotus feet.

I'm very fortunate to come here in contact with you in this very life. I'm not eligible person to practice Krishna Consciousness, I keep falling down in this process, yet you're merciful. Your teachings and books have become an integral part of my life today. As I read your books and hear your lectures, videos again and again new insights are unfolding and I can feel my spiritual growth. There is pure ecstasy to hear more and more about the pastimes of the Supreme Lord, without your blessings and teachings this would have never happened to me. I consciously try to serve you Prabhupada but my sub-conscious mind and body is not pure and they are still working for my material will and wish. I mindfully try to remember you as you are my spiritual master and you only can take back to our eternal and original father Krishna. Your guidance is mandatory and you arrange it gracefully which come to all your followers through your lectures, books and devotees association.

In Caitanya-caritāmṛta , the instructions given by Śrī Caitanya Mahāprabhu to Śrīla Rūpa Gosvāmī - brahmāṇḍa bhramite kona bhāgyavān jīva guru-kṛṣṇa-prasāde pāya bhakti-latā-bīja The living entity wanders throughout different planets in different forms and bodies, but if by chance he comes in contact with a bona fide spiritual master, by the grace of the spiritual master he receives Lord Kṛṣṇa's shelter, and his devotional life begins.

Lord Chaitanya Mahaprabhu, who is none other than Krishna Himself, made animals to sing and dance for the holy name of Krishna. You being a Pure Devotee of the Supreme Lord, made people who were living a life worst than animals, to utter the holy name of the Lord and accept the path of pure devotion.

Although I am Your most unqualified candidate for performing devotional service. Since your glories are unlimited, I'll attempt to describe one of Your glories on this memorable day. One day a lady raised her hand after Prabhupada had finished Bhagavad-Gita class. She had a question. She asked "In the Bhagavad Gita it is said if one thinks of Krishna at the time of death, one will go to Krishna. Now my question is what if I think of You at the time of death? Will it have the same effect? Prabhupada didn't answer right away. He closed his eyes for two or three seconds and then smiled and said, "That is very nice." He said, "yes, it will have the same effect."

Prabhupada, it's really my great fortune that I came in touch with you and your spiritual movement. On this auspicious day of your divine appearance, I humbly pray to continue to shower your mercy upon this fallen soul to progress in Krishna Consciousness and empower me to serve your divine mission to the best of my extent possible. Please bless me Prabhupada so that I may never get neutralised by any material opulence. I'm sorry for all offenses committed by me. I highly regret for everything. Bless me Your Divine Grace that in whichever state of life I enter I may never forget Krishna at any point of time and always keep myself engaged in the service of the Lord.

With a desire of serving Lord throughout the life in every possible way I just bow down to your Lotus Feet. Please allow me to remain your humble servant.

Always aspiring to be in your service,

Bhakta Aditya

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet,

All glories to you Srila Prabhupada

On this auspicious occasion of vyasa puja offering every attempt of describing your causeless mercy on to suffering living entities like me will be incomplete. Because Prabhupada you have given a wonderful process of Krishna consciousness which is full of eternity, bliss and knowledge. I was suffering greatly and was butchered by the illusory energy before you casted your merciful glance and changed my complete life.

'My only wish is to have my consciousness purified by the words emanating from your lotus mouth', this we say every morning and I know that there is nothing better than this for me. So Prabhupada please bestow some mercy so that I may not go even an inch away from your instructions.

Prabhupada, I am full of faults and that is why I find faults in other devotees and it give me pleasure also and I feel so much satisfaction when someone glorifies me but I foolishly forget that this very life is given by you and nothing belongs to me. So Prabhupada please be merciful upon me so that I can get rid of this anartha of fault finding and being independent from you and Krishna.

Prabhupada please be merciful upon me so that I can develop great faith in the holy name of Krishna and chant my rounds attentively, become respectful to each and every living entity and never be proud and always be a humble servant of yours.

This whole world is suffering greatly because of the lack of Krishna Consciousness, please give me sufficient strength so that I can develop a wonderful preaching spirit and be sincere and connect sincere souls to this wonderful mission so that they can experience the great pleasure of association of wonderful Lord and his wonderful devotees.

Thank you Srila Prabhupada

Yours most insignificant and fallen servant,

All glories to Srila Prabhupada,

I am paying very humble obeisance unto you and begging your mercy, so that, at whichever place I may live, in any situation, I can follow your instructions and principles.

There are so many things which I couldn't follow fully in my life but you are so merciful my master, you always gave me strength to follow four regulative principles.

I had broken all regulative principles before coming to your shelter. I have done so many mistakes but you never kicked me out from your shelter. It was a great misfortune and my cowardice that I didn't accept your offer .

Oh my spiritual master please be merciful upon me and forgive me, for all faults I have committed .

Please give me desire to serve you and Krishna at my best level and give sincerity in devotional service.

Your most fallen servant

Dear Srila Prabhupada,

Please accept my humble and worthless obeisances,

Gurudeva, you are a liberated soul and I am a conditioned soul how could I, glorify you, your glories don't have limits because you are devotee of, unlimited, lord Krsna, still on the most auspicious occasion of Vyas Puja or yours Appearance day, I'll try to glorify you by yours mercy only

mūkaṁ karoti vācālaṁ paṅguṁ laṅghayate girim

yat-kṛpā tam ahaṁ vande śrī-guruṁ dīna-tāraṇam

You are transparent via medium to absolute truth, the, Supreme Personality of God- Head 'KRSNA'. And by your limitless, causeless mercy this fool with imperfect senses and deluded mind became able to see via you, oh! Merciful Srila Gurudeva, what is truth, what aim of human form of life is and what is illusion. By yours mercy only now I am theoretically little bit convinced about my constitutional position,

jīvera 'svarupa' haya kṛṣṇera 'nitya-dāsa'

By rendering service to your lotus feet , following your orders whole heartedly ,reading yours books daily which are nothing but your personal association I know one day I will be practically also convinced .

Just like Sri Chaitanya Mahaprabhu, made the wild Tigers, Monkeys, Deers and other animal dance and chant KRSNA'S holy name, non- different from Krishna ,ecstatically by touch of his toe only , similarly, oh! Gurudeva your books which are dictated directly by Krishna made this unlimitedly ignorant soul Krishna conscious. Oh! Master you are touchstone of Krsna Prema, Otherwise No seventy year old man with 40 rupees and some books simply by chanting or doing kirtana on little drum in unknown country and by his association can change the most ignorant souls, malecchas to very nice devotee of Krishna .

You translated oh! Gurudeva the voluminous Srimad Bhagvatam and Chaitanya Charitamrita and gave very living purports, one line of your books can change a fool into a devotee of lord.

māyā mugdha jīver nāhi svataḥ kṛṣṇa-jñāna jīvera kṛpāya kailā kṛṣṇa veda-purāṇa

(Cc. Madhya 20.122)

The forgetful living entities or conditioned souls have forgotten their relationship with the Supreme Lord, and they are engrossed in thinking of material activities. Just to transfer their thinking power to the spiritual sky, Kṛṣṇa has given a great number of Vedic literatures.

But we are so fallen that without actual translation and bonafide commentary, as you did, cannot understand the essence of Vedic scriptures. Your books are so powerful that if any one read one line of any book then very quickly he becomes free from maya and his life becomes successful. This is because your books are as good as Krsna as you yourself said

“Taking shelter of these books means taking shelter of Krsna.”

Letter to Bhavananda -- Bombay 28 October, 1970:

It is stated in the Bhagavad-gita that Maya is very strong, unsurmountable, but one who surrenders to Krsna—Maya does not touch him. So, all our books are as good as Krsna because we deal in the books about Krsna only. Therefore, taking shelter of these books means taking shelter of Krsna—there is no doubt about it and if you stick to this principle there will be no attack from Maya.

Oh! Gurudeva you are nitya-siddha parikara, eternal associate of lord sri krsna in golaka vrindavana and still you comes here in this material world to save fallen souls like me by preaching about Krsna and Srimati RadhaRani ,without your boundless mercy how I would be able to understand the power of Hare Krsna mahamantra (nāmnām akāri bahudhā nija-sarva-śaktis) and know that Chaitanya mahaprabhu is Krsna Himself and Nityanada prabhu is Lord Baladeva the first personal expansion of Kṛṣṇa, Himself and without the mercy of sad goswamis ,acharyas and panchtattva we cannot expect KrsnaPrema.

I am fully conditioned highly baffled, bewildered soul, you have shown little mercy on me, still I am in tight clutches of illusionary energy of lord, Maya, and have no interest in holy name which is non- different from Krsna (kali-kāle nāma-rūpe kṛṣṇa-avatāra) nor I have keen interest in your books , no love for Chaitanya – Nitai is developed in my heart .I am mentally loose also , this is not disqualification but with the mental state I am having now I won't be able to distribute books and preach which you desired the most . Please bestow some more mercy.

So oh! Master have mercy on this ignorant soul, save me from strong clutches of Maya , develop my interest in holy name ,in your books ,develop my attraction towards your lotus feet ,sadgoswamis , develop my love for Chaitanya-Nitai and for Lord Krsna and Radharani along with His associates in my heart . Without your mercy all this is impossible .O! Master be merciful, without your mercy I can't make advancement in krsna consciousness.

Yours eternal servant,

Dear Srila Prabhupada,

Please accept my humble obeisance's at your most holy lotus feet. All glories to Srila Prabhupad.

jai sri-krishna-chaitanya prabhu-nityananda sri-advaita gadadhara srivasadi-gaura-bhakta-vrinda

"Hare Krishna Hare Krishna, Krishna Krishna Hare Hare, Hare Ram Hare Ram, Ram Ram Hare Hare"

On this occasion of celebration on the birth day of srilla Prabhupad, I therefore humbly pray at your lotus feet again and again to please give me the courage, strength, and protection (internal and external both)

The symptoms of a sadhu are that he is tolerant, merciful and friendly to all living entities. He has no enemies. He is peaceful, he abides by the scriptures, and all his characteristics are sublime. (SB 3.25.21)

I am very happy and peaceful, and it seemed like Bhagavad devotion touched me, because, Krishna is with me all the time.

Hence I humbly pray to Your Divine Grace to bless me and permit me to move forward in the direction that you desired us to practice Krsna consciousness. Our attempts and projects will boldly glorify you, and you alone, we wish to dedicate all our life, action and activities to Your Divine Grace only.

By reading Srimad Bhagwatam and many more books, which is written by Prabhupad and try again and again to my best for achieving Bhagavad Bhakti in association with bhakta mandali and satsang also.

जय श्रीला प्रभुपाद "हरे कृष्णा"

हरे कृष्णा मूवमेंट से जुड़ने से पहले मुझे आध्यात्मिक संसार का इतना ज्ञान नहीं था कि भगवान एक हैं केवल कृष्णा बाकी सब कृष्णा के अंश है और इस कलयुग में भी ऐसी आध्यात्मिकता यहां हरे कृष्णा मूवमेंट में देखने को मिली मैं पहले भगवान और देवताओं को एक ही मानता था लेकिन यहां आके मुझे यह पता चला कि भगवान तो एक हैं कृष्णा बाकी सभी उसके अंश है और शिव उनके सबसे बड़े वैष्णव भक्त हैं और मुझे यह भी ज्ञात हुआ कि मैं एक आत्मा हूं जो कभी भी नहीं मरती मैं यहां भौतिक जीवन में कष्ट भोग रहा हूं वास्तविक खुशी तो कृष्ण की भक्ति में है और श्रीला प्रभुपाद के लेक्चर से मुझे बहुत कुछ सीखने को मिला भगवत गीता की क्लास अटेंड करता हूं माला भी करता हूं और बुक रीडिंग भी करता हूं जिससे मुझे शांति का अनुभव होता है और यह मैं जीवन भर उतारना चाहता हूं मेरी जो भी परेशानी थी भोतीक ओर आध्यात्मिक अब वे ठीक हो गई जयश्रीला प्रभुपाद

I am very thankful to Srila Prabhupada because of your inspiration and guidance; I came to know Krishna as supreme

personality of Godhead

Please forgive me that I did so many sins knowingly and unknowingly. Please give me spiritual strength so that I will not fall down to any material desire.

My dear spiritual master, please guide me and please help me in progressing in Krishna consciousness,

Hey Prabhupada please show me the direction that should not miss any day chanting 16 round and reading your transcendental books

Dear Srila Prabhupada,

On this auspicious day please accept my humble obeisances unto your lotus feet and bless me to achieve perfection in spiritual life.

Nowadays my spiritual life is not going well. Without association of devotees I have become totally blind. I am not able to chant properly and hearing Bhagwatam, book reading become almost obsolete from my life. It is not that I have become very busy but in reality it is all due to my laziness. And the most interesting thing is that I am not able to realize my mistake.

I remember, earlier days I was hankering for perfection in spiritual life and now what to speak for perfection I am struggling just to follow the basic principles of spiritual life. I came back to square one.

Now in this wretched and helpless condition, I sincerely beg to your lotus feet please give me strength and will to follow spiritual life and force me to preach about glories of Lord Krishna and drag me from bad association and habits.

All glories to Srila Prabhupada

Yours sincerely

Jai Srila Prabhupada,

Please accept my humble obeisance unto your lotus feet. On this auspicious day I have come with this offering just to worship you, remembering your lotus feet and to glorify you.

I'm very grateful to you Prabhupada of this sincere effort this preaching movement has been started specially aiming for younger generation and fortunately by your mercy. I come into touch of Hare Krishna Movement.

In future I want to become an officer and then I want to help in this movement, by my skills, money and intelligence. It is only possible by your mercy.

Now I'm enjoying every moment like in kirtan, chanting, dancing and wonderful prasadam which is offered to Krishna. I have seen so many deities because of this movement. Again I want to thank you Prabhupada for selecting me from so many living entities in this world and always giving blessings for my spiritual advancement.

Thank You Srila Prabhupada

Dear Srila Prabhupada,

Please accept my humble obeisance, all glories unto You. Your presence is the most important facet of my life. Even a single thought which doesn't carry Your guidance compromises all other facets and their value. Although I am very unfortunate, You gave me the most important fortune by Your causeless mercy. Your presence sows the seed of devotional service in the heart of conditioned jivas everywhere.

As of so many other devotees You also gave me opportunity to progress in spiritual life by hearing and chanting Hare Kṛṣṇa, Hare Kṛṣṇa, Kṛṣṇa Kṛṣṇa, Hare Hare/ Hare Rāma, Hare Rāma, Rāma Rāma, Hare Hare and not only that only because of You that seed is still there in my heart from all these years as only You are protecting and nurturing it, I'm thus forever indebted to You.

Prabhupada You have always taught for material opportunist there is no Krishna Consciousness. Without Your blessings it is impossible for me to continuously seek spiritual opportunities of devotional service and thus progress in spiritual life. Please always keep me under Your shelter.

I beg Your forgiveness for all offenses I have done please keep my life meaningful and bless me with required enthusiasm and determination to follow Your instructions forever in the association of devotees.

परम पूज्य प्रभुपाद ,

सादर हरे कृष्णा !

भगवान श्री कृष्ण के चरण कमलों में दंडवत प्रणाम ,

परम पूजनीय श्री चैतन्य महाप्रभु एवं उनकी शिष्य मंडली को दंडवत प्रणाम और करुणा कृपामूर्ति श्रील प्रभुपाद के चरणों में बारंबार प्रणाम !

एक वर्ष बाद पुनः व्यास पूजा के लिए लिखने का सौभाग्य प्राप्त हो रहा है। यह श्री कृष्ण और प्रभुपाद की कृपा है। भगवान की कृपा के बिना साधु संग और भक्ति पथ पर लगातार बने रहना संभव नहीं है क्योंकि संसार में माया का जाल बड़ा खतरनाक है। यह मोह माया का पाश बड़ा दुर्गम है। बार-बार हम सत्पुरुषों, सद्गुरुओं द्वारा बतलाये गए मार्ग से च्युत हो जाते हैं। भगवद कृपा से ही हम पुनः पुनः भगवान की भक्ति के करीब आ सकते हैं ऐसा मैंने अनुभव किया है। मैं बचपन से ही भागवत सगुण वैष्णव धर्म का अनुयायी रहा हूँ। मुझे वो ही सगुणवादी परम्परावादी शास्त्र उपदेश व लोक मानस की धारा सुहाती है। इसी संदर्भ में मैं श्री बंधुदास जी प्रभु जो श्री कृष्णभावानामृत से जुड़े हैं, से मिला त्यों ही श्री कृष्ण श्री चैतन्य महाप्रभु की प्रभुपाद की धारा से एकाएक आत्मसात हो गया। ज्यों-ज्यों मैंने प्रभुपाद के साहित्य को पढ़ा, उसमें भक्ति विषय से सम्बंधित सत्य का दर्शन होता गया। आज उन्हीं की कृपा से नित्य माला, नित्य स्वाध्याय, नित्य संकीर्तन का शुभ अवसर मुझे ही नहीं पूरे परिवार व आस-पास के वातावरण को भी प्राप्त हो रहा है। इसके लिए हम श्रील प्रभुपाद के ऋणी हैं। आप से सविनय प्रार्थना है कि हमारी भक्ति स्वरूपी बेल निरन्तर आपकी कृपा व पथ प्रदर्शन से पल्लवित व पुष्पित होती रहे।

आपके चरणों में बार-बार नमन् ,

Dear Shrila Prabhupada ji,

I offer my respectful obeisance unto your lotus feet .

I had no knowledge about God & whatever I knew about God that was fully wrong but Prabhupada you opened my eyes with the torch of transcendental knowledge. Only by your grace I am doing chanting, attending mangla aarti, taking prasadam otherwise I never can attain spiritual path.

Prabhupada is so kind that he fulfills all spiritual desires even I did not know the aim of life, only by the grace of Prabhupada, I came to know. Most important part of my life is association of devotees and whenever I get time for association, I don't miss the chance and get it and it happens only by your grace.

Prabhupada is so merciful that I am nothing and have no value still he selected me in this transcendental mission. So Prabhupada is the only saviour and I want to serve Prabhupada with my full potency.

Once again I offer my respectful obeisance unto your lotus feet.

Dear Shrila Prabhupada,

I offer my humble obeisances unto your Lotus feet. When I came to this folk hostel, I didn't want to practice this Bhakti process. Even I was not interested in a single activity except chanting Because I had some problem to concentrate upon my studies. During chanting I couldn't concentrate upon even a single bead. Whenever I want to concentrate upon the mahamantra a huge amount of thoughts came and Disturbed me From chanting. During my first semester I struggled very hard to chant even a single Mala. Gradually after bit by bit I come to the stage that I can chant at least 2 or 3 rounds effectively. But I want to chant 16 rounds effectively and qualitatively. So please give me the shade of your Lotus feet and give me the strength and motivation that I can struggle hard and defeat Maya. O master my only wish is to have my consciousness purified by this process. O master I have no taste of Krishna bhakti and without your Mercy I can't get that taste. So please keep me in remembrance so that I can always remember Krishna

All glories to Srila Prabhupada.

Dear Srila Prabhupada,

All Glories to Srila Prabhupada!

Please accept my humble obeisance's at Your divine lotus feet.

Since my childhood, I had an attraction towards Krishna but due to lack of spiritual knowledge and materialistic engagements I could not take shelter unto Your lotus feet. But since last few years and because of Your mercy, I came in touch with the Akshya Patra and Hare Krishna Movement at Jodhpur and found the shelter unto Your lotus feet and then can go back to Godhead.

Dear Prabhupada it is said that a spiritual master takes away all our sins and makes way for us to reach the Supreme Personality of Godhead which is Sri Krishna Himself.

O my spiritual master, please liberate me from this material bondage and show me that way and bless me so that I can follow Your footprints and reach my final destination which is the Krishnaloka and that is my desire.

I never knew what the extract of Gita and the Bhagvatam was, until by Your grace, I read Your holy books and attended HKM satsang. You are the messenger of Krishna who came here to deliver us all from our sins. May Your mercy and be upon all of us and may this Hare Krishna Movement give each and every human, Krishna Consciousness so that everyone of us may go back to Godhead.

Therefore, I take refuge unto Your lotus feet and unto the lotus feet of Krishna. All glories to Srila Prabhupada.

Jai srila prabhupada

Please accept my humble obeisances at your lotus feet.

Prabhupada ji.. you know the real situation of my spiritual life and what is happening in my day to day life. Thats why I want to start this letter by begging ur mercy. I want to recite your pastime here. Once an initiated devotee left your movement. When you went to that particular center.. he was not very much inclined to talk to you. Still u call him and after some conversation you asked him to cook prasadam for you. Because you wanted to engage him in your service. This is your causeless mercy. Prabhupada ji I need this kind of special favour from you because I myself don't have even a single bit of determination. My position can be shown by the line of famous Vaisnava song GURUDEV... yogya vichare kuch nahi pai.. tomar karuna sar. I don't have even a single quality to follow Krishna Consciousness. It is your mercy only what I am made of. So please overcome my freewill and the flickering tendency of my mind.

Prabhupada ji. please create a sense of gratitude in my mind for this HARE KRISHNA MOVEMENT because I knew it is preaching the teachings of Lord Chaitanya and I must have attachment for this.

Prabhupada ji.. please help me in realizing the teachings of Bhagvad-gita. I want to have strong faith in verses like ananyas chintyanto mam ye jana parupaste.. tesam nityabhiuktanam yogksam vhamyam..

Prabhupada ji... many times I have committed Vaisnava offense. Please excuse me for this. Because as you have taught us this Vaisnava offense is like a mad elephant which can destroy the fencing of bhakti lata bija.

Prabhupada ji.. this year I have read KRISHNA BOOK. It is the most wonderful book I have ever read. Thank u Srila Prabhupada to give us this wonderful book.

Prabhupada ji.. I dont know whether it is right or wrong but I have a great desire to spent my long span of life in Vrindavan. Thank u Srila Prabhupada for creating this kind of mindset.

At last I want to offer my gratitude for giving me the holy name which give me peace and motivation in any kind of situation.

जय प्रभुपाद!

यह मेरा सौभाग्य है कि हाल ही में मुझे आपके द्वारा संस्थापित संगठन से जुड़े लोगों के साथ रहने का अवसर मिला। जोधपुर स्थित इस हॉस्टल में रहकर मेरे मन को बहुत शांति मिली। यहां पर हमेशा जप करने से मुझे अपना ध्यान एकाग्रत करने में सहायता मिली। मुझे यहां का माहौल बहुत ही अच्छा लगा। यहां रह कर मैंने सीखा कि एक सच्चा गुरु ही हमें भगवान की प्राप्ति करवा सकता है। अतः आप मुझे आशीर्वाद प्रदान करें कि मेरा ध्यान इस भौतिक जगत की ओर ना जाए बल्कि मैं कृष्णभावनामृत मार्ग में और आगे बढ़े।

Bhakta Nagesh Rao A

1. Jai Srila Prabhupada, I belong to a lower middle class family with three sisters and one brother. My father was a Cl-IV employee of Bhilai Steel Plant. Since my childhood on wards I was inquisitive about different Gods worship in our society. There was always a great confusion about who is the Supreme God. I started reading various books about meditation, yoga, devotion, motivation and books of different society i.e Brahma kumari, Shri Arbindo ashram, Swami Vivekananda books and many more. After reading and visiting the ashrams and society still a clear understanding of God and His importance in our lives been not cleared.

2. I came in contact with the books of Prabhupada while travelling back from my military training from Goa to Bhilai. I met one of the devotee of ISKCON pune who was preaching in my sleeper compartment. After paying obeisance I requested him for books in english language, due to my schooling in english medium. During my leave I read "Gita", "Travelling to other planet" and two more books written by Prabhupada. This was the first time that an Author bring out the Spiritual literature in a very simple and sublime manner. Many of my doubts got cleared and many started developing after reading. Since that time onwards I was a regular reader and visitor to the ISKCON and Akshya Patra temples across India due my profession as a soldier.

3. By reading, visiting and associating with the devotees my life has completely changed both Spiritually and professionally. My outlook towards the world, living entities and the influence of three modes improved considerably by the unconditional mercy of Prabhupada and devotees. I feel at present that the Gyana aspect has been covered by me but the Service aspect is lacking due to lack of selfless service towards the mission of Shri Chaitanya Mahaprabhu and Prabhupada. Due to lack of service I am not self realized. I pray unto both Guru and Krishna to engage me in there service so as to utilise this material body to its best usage.

4. I have a desire similar to Shrila Prabhupada to organise and celebrate the grand Lord Jagannath Rath Yatra festival. Whatever I desired till now about the progress in Krishna consciousness has been fulfilled by Guru and Krishna. I am sure that the Lord will engage me in his service with best of my abilities.

5. On the forth coming annual event of Vyasa Puja offering to my Gurumaharaj I offer my sincerest and most humbly respect to Gurudeva Prabhupada. Also I request to Guru and Krishna from the deepest core of my heart to engage me as servant and always be in Krishna Consciousness.

प्रिय प्रभुपाद

सर्वप्रथम आपके कमल चरणों में मेरा प्रणाम करता हूँ। आपकी इस संस्था में आकर जीवन जीने का तरीका पूर्ण रूप से बदल गया। आपके बताए हुए पदचिन्हों पर चलकर ही इस भौतिक संसार से मुक्ति संभव है। आपकी कृपा से इस भौतिक जीवन के सभी कठिनाइयों से निजात मिला है। आपकी प्रेरणा से हमें इस भौतिकता के जगत में भगवान की सेवा तथा भक्ति करने का सौभाग्य प्राप्त हुआ।

आपकी कृपा से हमें पता चला की हमारा जीवन इस संसार में क्यों और किस लक्ष्य से हुआ। मुझे इतनी भक्ति देना कि मैं इस आध्यात्मिक पथ की ओर अग्रसर हो सकूँ। शुरुआत में मुझे यह सब अजीब प्रतीत होता था लेकिन जब से मैंने आप की पुस्तकों का अध्ययन शुरू किया तब से इस आध्यात्मिक जीवन को अच्छे से जानने में मदद मिली तथा और अच्छे से जानने के लिए उत्सुकता बढ़ी जिससे आप की पुस्तकों का अध्ययन निरंतर बढ़ता चला गया। आपकी सहायता से हमें भगवान की भक्ति करने का अवसर मिला जिससे हमारे भौतिक संसार के कुछ पापों को भी कम करने का अवसर मिला।

आपका दासानुदास,

भक्त नितिन

Dear Srila Prabhupada you have shown your causeless mercy upon this ignorant rotten soul. You have guided me through your agency to reach the lotus feet of Lord Krishna. Again and again you have been kind upon me whenever I have deviated from the path. I beg for your lotus feet as my eternal resting place.

First of all, I pay my obeisance to our acharya Prabhupada. Prabhupada gave us second life which is better than the previous one where we didn't know the purpose of life, we were wandering like stray dogs in search of happiness without knowing the root cause of happiness, but from great mercy of our acharya Srila Prabhupada we are now partly able to taste that transcendental knowledge which contains the real happiness, peace and purpose of life. By mercy of Prabhupada my queries about existence and life are now getting cleared. Prabhupada taught us about Krishna Consciousness which is the highest knowledge one can get, and I hardly pay my obeisance for that to Srila Prabhupada. Prabhupada always show the right path to us by his books, his lectures, his quotes or by any little incidents. He is truly there for us whenever we need him and I thank him and pay my obeisance for that.

Dear Srila Prabhupada,

Please accept my humble obeisance unto your divine lotus feet.

Srila Prabhupada now it's been 2 years I have completed in this Krishna Consciousness Movement with you and Lord Sri Krishna and this is a very great opportunity I had got by your grace. Within this 2 years of my spiritual journey I came to know so many spiritual truths and I also enjoyed it so much.

My master it's only your mercy that I'm also getting the mercy of Krishna. But Prabhupada it's just my beginning that I'm following this Krishna Consciousness with daily 8 rounds of chanting, coming to temple once in a week and having the association of devotees. Prabhupada my desire is just to serve you and Krishna to the best of my capacity but I'm not able to do it just because of sinful activities. I am not so much sincere in my bhakti life, and sometimes also I do so many vaishnava aprada which is not even good.

Prabhupada there is a very nice prayer by Srila Narottama Dasa Thakura in which he describes:

*śrī-guru-caraṇa-padma, kevala-bhakati-sadma, bando mui sāvadhāna mate
jāhāra prasāde bhāi, e bhava toriyā jāi, kṛṣṇa-prapti hoy jaha ha'te*

So, I request you my master to please be merciful unto me so that I can sincerely follow Krishna Consciousness with the chanting of Hare Krishna Maha Mantra, by reading more and more books of yours, to serve you and Krishna with love and devotion, not to do any vaishnava aprada and please give me more and more association of devotees.

At the end I just want to thank to you, Krishna and all the other devotees for giving me proper guidance to the spiritual path.

Jagat-guru Srila Prabhupada ki jai.

Your fallen servant,

You teach me how to remain in mode of goodness. Its only by your mercy that I am able to understand the confidential knowledge of Bhagvad gita

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet.

Prabhupada ji,

I don't know what should I write in this letter because I am in Krishna consciousness movement from past two years but I could not follow this in better way. Many causes for this like, sense enjoyment , Maya, materialistic association etc. But today, I felt that Many times I offended devotee , I spoke lie from devotees. Many times I broke four regulative principle when I was in Krishna consciousness.

Please Prabhupad ji, forgive me for these offenses and give me your Mercy so that I can advance in Krishna consciousness and follow Krishna consciousness in better way as well as I will be able to preach people.

Dear Srila Prabhupada, please accept my humble obesiences at your lotus feet.

All glories to Guru and Gauranga!!

Dear Prabhupada as a guru you know all the odds and evens of your disciples. Nothing is hidden from you. My consciousness, my progress, my attitude, my desire for service, what I desire and my all inner goods and bads are as like a open book for you. You know what I want and what I desire. You know very well that I am strayed away from my consciousness. Past two years I am continuesly struggling too hard to make my life stable so that I can fulfill my real desire to serve at your lotus feet unhesitantly. I was also partially disconnected from temple and active festival services. In these two years I experienced some realizations which made me more strong and firm to serve in your mission. I knew the importance of devotee association and temple services.

My dear Prabhupada You always help your weak disciples ; so I beg some mercy from you. Please shower your mercy upon me (your unworthy servant) so that I can regain my consciousness and attitude and become more serious to fulfill the real goal of life. I pray to you. Consider my prayers. I pray to you to make me chant with more seriousness and respect. Please Prabhupada make me to mold my life in such a way so that I can participate in temple activities, mangla darshan , and join spiritual trips with devotees. And this is possible only from your causeless mercy.

Please accept my humble obeisances unto your lotus feet on this auspicious 122 appearance day.

Prabhupada please show mercy on me so that I can do 16 rounds chanting, follow 4 regulative principals and be able to read your books, you told us to do that and showed right path but I fall in dark well of material pool and unable to do it.

My mind is filled with lusty desires, I want to follow your instructions but the illusionary energy of Lord is so powerful that somehow I am getting attracting to it and only thing I am doing is mechanical chanting. Please give me strength so that I can follow your instructions and manage my schedule properly. You are the only saviour for us and without your mercy we cannot cross ocean of material world.

Not withstanding all my ethical acts and irregularities you didn't leave me and made me to chant Hare Krishna.

Please forgive me for all offences that I have committed at your lotus feet and to keep me always in your service.

Please accept our humble obeisances at your divine lotus feet, which are like an oasis providing shelter and solace to conditioned souls like us, who are suffering in the blazing heat of the desert like material world. All glories to the blessed Vyāsa-pūjā mahotsava, the appearance day of Your Divine Grace.

Just reading your name Abhay Charanaravinda Bhaktivedanta Swami Srila Prabhupada gives immense pleasure. I think it's the magic of your mercy on me that I got in touch with Hare Krishna Movement. With just following your guidelines, I am making advancement in my spiritual life.

A lot of time YOU reciprocated with me this year. But, I sometime feel I haven't advanced much in spiritual life this year.

Prabhupada please bless me more so that I can advance much faster. A lot of times, I was getting distracted to material enjoyment, your books helped me to get on the real path. YOU did very hard work to make our lives better. My entire life will be less to thank YOU enough for your mercy on me. I always desire to be in touch with YOU throughout life, so that I can also glorify YOU and Krishna.

All glories to srila Prabhupada

It is your mercy that today I am a part of this all time auspicious " HARE KRSNA" movement. One can only achieve Krishna, sanga of devotees by recieving your mercy.

In year 2016, November, I Came in contact with the movement. Since then I started to follow the process..which gave me peace & pleasure ..but this year has been full of uncertainties for my spiritual journey...as you know all very well even more than me..now the gap between me and Krishna consciousness has becoming wider ...which I know is wrong..but I am feeling that I am unable to take action for bridging that gap..perhaps due to lack of your mercy..

So O my great guru Maharaj, please bestow more mercy on me..and forgive me for all my wrongdoings and offences...make me a good Krishna conscious person and your sincere disciple so that this helpless fallen soul can come near to you, near to Krishna and become able to render service at your lotus feet.

Dear Srila Prabhupada

Please accept my humble obeisance unto your lotus feet on the auspicious day of your Divine appearance. This is my fourth offering by mercy of Krishna who bestowed great benediction upon me by making your disciple. To

receive your shelter is my great fortune and I am very thankful to your Divine grace again and again for guiding me through progress in my spiritual journey.

You have explained the most difficult Vedanta philosophy in a very easily understandable way. Your books are really marvelous with clear philosophy. Before coming in touch with your books, I could never understand the meaning of self realization which you have told in so easy way, just realize that I am not this body, I am part and parcel of Krishna, the absolute truth and Supreme Personality of Godhead, and there is connection with him in some relationship. You have proven that Krishna is all attractive, by attracting all class of people to Krishna. And this gives me great motivation to distribute your books. Being an obstetrician, I am distributing your books to pregnant women and asking them to chant mahamantra so that child in womb itself gets purified senses and will become future devotees.

By your causeless mercy upon me, my heartfelt desire has been fulfilled by mercy of Shri Radha Vrindavanchandra. I am so fortunate for getting this priceless gift from you, enlightening my path of spiritual advancement. Lots of thanks to you.

Prabhupada, I am in great dilemma that whether I should dedicate my life by renouncing from medical profession or should continue it with offering the results to Krishna. Please guide me and bless me for taking decision as You only can enlighten my path .

I also request you to bless me for improvement of my chanting which is soul of spiritual advancement. There is a hope in your causeless mercy, like a father blesses his child out of causeless affection, you also blessed me like this.

Please make my life an instrument in serving your mission and day by day increase my attachment to you, Nitai Gauranga and ultimately love to the lotus feet of Shri Radha Krishna.

I beg you for purity- purity is the force, may I become more and more humble and please bless me with your auspicious mercy again and again.

Please forgive me for all offenses that I have committed at your lotus feet and keep me always in your service

परम आदर्शिय श्रील प्रभुपाद जी

सादर चरण स्पर्श

ॐ अज्ञान तिमिरांधस्य ज्ञानादन शलाकया । चक्षुरून्मीलितं येन तस्मै श्री गुरुवे नमः॥

प्रभुपाद जी इस्कोन/अक्षयपात्र से पिछले तीन सालों से जुडी हूँ। मुझे वहाँ जाने के बाद बड़ा सकून मिलता है , घोर अन्धकार में भटक रही थी, प्रभुपाद जी के बताये मार्ग पर चलने से कुछ भक्ति में आगे आयी हूँ। श्रील प्रभुपाद जी द्वारा कृष्णभावनामृत आन्दोलन, श्रील रूप गोस्वामी की अध्यक्षता में संचालित होता है , गौडिय वैष्णव , श्री चैतन्य महाप्रभु के अनुयायी है जिनमें वृन्दावन के षडगोस्वामी प्रत्यक्ष शिष्य है। समस्त आध्यात्मिक कार्यों में मनुष्य का पहला कर्तव्य है अपने मन व इन्द्रियों को वश में करना । जो कृष्ण का पूर्ण भक्त बनना चाहता है उसे गोस्वामी बनना चाहिए। गो का अर्थ है इन्द्रियाँ तथा स्वामी का अर्थ है प्रभु , पहले गोस्वामी बाद में भगवान का शुद्ध भक्त । प्रभु जी गुरु तत्व की फिलोसफी क्या है मन में कई सवाल आते है और आपके ही पुस्तक से पढ़ा जो निम्न प्रकार है - गुरु परम्परा से होने चाहिए और उनमें इतनी शक्ति होनी चाहिए कि वह हमें -

१ - भव सागर से पार करदें।

२ - गुरू भगवान के प्रतिनिधि है।

३ - गुरू आध्यात्मिक जगत में भेजते है।

४ - गुरू भगवान नहीं है साक्षात हरि तत्व है यानी की हरि से साक्षात कार होना ,दूर दृष्टि होना

५ - जीवेर स्वरूप होय नित्य कृष्ण दास, परमात्मा चाहते है हमें आदेश दें ओर हम पालन करें ओर गुरू भगवान के प्रतिनिधि है। और भगवान के आदेश हम तक पहुचाते है।

प्रभु हमें निराकरण करने में मदद करते है । गुरू आध्यात्मिक जगत के राजदूत है वह वीजा मान्यता अधिकारी है अधीन जगत मंदिर में आध्यात्मिक गगन गुरू होता है। प्रभुपाद जी दीक्षा देने वाले गुरू है । शिष्य के पाप पुण्य के खाते में आपका रिकार्ड क्या है आपका उद्देश्य क्या है। जबतक गुरू समाधान नहीं कर लेते भक्ति मार्ग पर अग्रसर नहीं हो सकते। वह अपने भक्तों द्वारा चैक करते है आप भक्ति के नियमों पालन करते है या नहीं । दीक्षा हो गयी 16 माला 4 नियम शिष्य पालन करता है या नहीं । आध्यात्मिक गुरू जानते है हमारे हृदय में प्रमाणिकता है या नहीं हमारा उद्देश्य क्या है । आध्यात्मिक गुरू ही आशिर्वाद से हमारा गोलोक धाम जाने की अनुमति मिलती है। इसी आशीर्वाद के रूप मुझे हमारे प्रभुपाद जी पहले मेगजीन बेकटूगोडहेड लिखकर उसक प्रचार प्रसार करते थे और भगवान की प्रेरणा से उन्होंने हमारे लिए कितनी पुस्तक लिखीं।

गुरु तीन प्रकार के होते है

1 दीक्षा गुरू 2 शिक्षा गुरू 3 पथ प्रदर्शक गुरू

शिष्य के कर्मों को पचाने की शक्ति केवल दीक्षा गुरू के पास होती है । दीक्षा का मतलब दी - दिव्य ज्ञानम् ईक्षा - दर्शन यानी दिव्य ज्ञान द्वारा स्वतत्व को देख पाना। शिक्षा गुरू - 1 मार्गदर्शन करते है 2 सुविद्या प्रदान करते है 3 ओर प्रेरणा देते है।

वेदिक संस्कृति के अनुसार वयक्ति को यह समझ लेना चाहिए कि मैं ब्रह्म हूँ यह शरीर नहीं हूँ। प्रभुपाद जी कहते है मैं भारतीय हूँ अमेकिन हूँ हिन्दु हूँ मुसलमान हूँ यह सब शारीरिक उपाधियाँ है। जब शिष्य आध्यात्मिक स्तर पर आता है तब वह समझ जाता है अहम् ब्रह्मास्मि । आध्यात्मिक स्वरूप का ज्ञान प्राप्त करलेना ही धर्म कहलाता है। कृष्ण भगवद् गीता में कहते है सर्वधर्मान् परित्यज्य मामेकम् सरणम् वृज इसी संदेश का प्रचार करना कृष्ण भवनामृत का उद्देश्य है। पूर्ण पुरूषोत्तम भगवान का आदेश है यही भगवत धर्म है । अनेक अनुयायियों ने भी कृष्णस्तु भगवान स्वयं स्वीकारा है । राधारानी जी के पद चिन्हों पर उनके मार्ग दर्शन पर चलने से ही पूर्णता प्राप्त हो सकती है तभी भक्ति सेवा में आगे जा सकते है प्रगति कर सकते है । कहते जो दिव्य आत्माएँ है वह दैविक प्रकृति के संरक्षण में है राधारानी भगवान कृष्ण की आंतरंगिक शक्ति है जो भगवान की भक्ति में शुद्धभक्त है उन्हें राधारानी जी का आशिर्वाद प्राप्त होता है और कृष्ण स्वयं उन भक्तों पर अपनी विशेष कृपा देते है।

प्रभुपाद जी ने ही कृष्णभावनामृत के जरिये हमें सिखाया कि कठोरता से नियमों का पालन करें ।

अपने व्यक्तितगत जीवन में हम क्या पा सकते है परिवर्तन भगवान जैसा चाहेंगे वैसा ही आएगा । बस चाहते है प्रभु की भक्ति में यह जीवन व्यतीत हो हम दासानुदास रहें । गुरू शास्त्र साधू इन तीनों का संग हो गुरू का पूरा आशिर्वाद व मार्गदर्शन मिले, कठोरता से नियमों का पालन करें शास्त्रों का नियमित रूप से पाठ करें । प्रभुपाद जी ने साधू संग व हरिनाम कीर्तन पर बल दिया है नियमित 16 माला करने का मेरा निश्चय है। भगवान तथा प्रभुपाद से प्रार्थना है भक्ति मार्ग पर उन्नति होती जाय।

I'm praying and hoping to stay with you till the my end of life, because only you showed me to go out of the darkness and remain in the light. My another prayer is no matter how many births I take or what is my next birth going to be like, you will always be my spiritual master.

Dear Srila Prabhupada,

You have simply promoted the love of God. There are so many ways to glorify you. For instance, through your books and instructions, the philosophy that you have given us, the teachings that you have taught and many more. By your pure teachings, I understand how important it is for an individual to chant the holy name. I am keeping up myself in Krishna Consciousness by chanting the holy names, associating with devotees, doing some service to the Lord and worshipping them. I have so many things to look into this movement and applied it to my daily life. I would consider myself as a beginner where I should study and learn more from your teachings. Please kindly accept my prayers and engage me in your service.

I beg to remain in your service,

Dear Srila Prabhupāda,

Please accept my humble obeisances from your most fallen servant on your glorious appearance day.

Out of your causeless mercy you opened many eyes including mine.

But....I'm still blind to see and cherish your mercy. Please forgive my ignorance.

I didn't use my 1st chance sincerely and properly. Even though I received a lot of mercy and guidance . No seriousness I guess. After that I left the movement.

I guess after 15 years again I'm given a 2nd chance to practice and serve in our movement. I want to use it properly.

Kindly give me strength and guidance to overcome obstacle and serve more in Krsna Consciousness.

Your most fallen humble servant,

Dear Srila Prabhupada,

First of all, I would like to pay my humble obeisances to jagat guru Srila Prabhupada. You are our beloved spiritual master. You are the savior of the fallen souls in this material world.

Without your kindness, we would never have known our real goal of life as human beings, nor would we ever have known that the Supreme Personality of Godhead is Sri Krishna. Thank you, Srila Prabhupada for living forever in your books. Your books are supremely powerful and are nondifferent from you. They are able to deliver all the fallen souls for the next ten thousand years. All glories to Your Divine Grace! I also feel that enough Maya is everywhere but still the Lord's Holy Name can undoubtedly protect a jiva at once from any calamity or danger no matter what your holy name has an extraordinary potency which is beyond understanding. You are the best physician who came to deliver the suffering of the conditioned souls. O master of mercy and friend of the poor, O Srila Prabhupada who is the most beloved disciple of His Divine Grace Srila Bhaktisiddhatnta Saraswati Thakura Prabhupada and also one who is dear most to Krishna. I am sending this offering to you from my heart. Please accept me at the dust of your lotus feet. When I go home ,Back to Godhead,its just because of your mercy that I will go. I will get Krishna Consciousness in my life just because of loving and serving you. On this auspicious appearance day, Vyasa-Puja, I humbly pray to you to shower me your causeless mercy so that I will not forget you and Krishna in any form of life.

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet.

I beg your pardon to submit these insignificant words at the late moments. You are the embodiment of all the divine qualities and my glorification is just like an impossible attempt of a small sparrow to empty the ocean. I get very much moved by your immovable determination to fulfill the order of your beloved spiritual master even at the cost of your life. I also aspire for this quality although being worthless. Sometimes I wonder how could a person accomplish so much in such a short span of time and then start appreciating your real position - "a Nitya Siddha devotee and an empowered preacher." Your every gesture is a teaching and every word from your lotus mouth is preaching.

There's no doubt about your complete presence in your books, teachings, institution, the deity and your obedient servants.

O all-merciful spiritual master, the representative of the Supreme Personality of Godhead, kindly purify this fallen soul and empower to become a useful instrument in your hands to serve this great mission of Lord Sri Caitanya Mahaprabhu.

Aspiring to become the servant of your servants,

Brajendra Nandana Dasa

Gaurasundar Dasa

O spiritual master, the ocean of mercy Glorious are your deeds, full of magnanimity.

By Your Divine Grace, one more year is passed under your shelter and today I am enlivened with overwhelming joy because I am celebrating your divine appearance day (Vyas puja) with your beloved disciples.

O my dear spiritual master, this Vyas puja is very-very special for me because this year I got initiated by your divine grace through ritvik system incorporated by Your Divine Grace in July 9, 1977 letter, where you have written very clearly that His Divine Grace A. C. Bhaktivedanta Swami Prabhupada will be the only spiritual master and all the 11 people will act as ritvik, representative of Your Divine Grace. But unfortunately big catastrophe happened in your Divine movement and all the 11 ritviks became Guru and started accepting Guru puja & all that. But later on when one by one they started falling down very disgracefully, they were coming up with new-new resolutions that Guru may fall down or there are two kinds of Guru - one is small Guru and one is big Guru & etc. and all these things are never taught by you.

Now today if any newcomer comes in their contact, slowly-slowly they will preach him that from whom you are going to take Diksha he must be a living Guru. And if, after Diksha your Guru leaves his body then that is not an issue. So, they say that we cannot take Diksha from Srila Prabhupada because now he is not physically present.

But here point to be noted that, Your Divine Grace only preached the whole world very extensively that we are spirit soul, we never die, we are always existing. Even in one of your interviews with reporters, one reporter asked from Your Divine Grace that what will happen to your movement when you will die. You said I will never die. Even once

Jay pataka swami asked in a letter, is it true that the spiritual master remains in the material universe until all of his disciples are transferred to the spiritual sky. And your answer was 'yes'. Then you that this is a rule. So it's by Your Divine Grace only that I am living in the safest place in the whole universe. Please always keep me under your shelter as a Brahmachari, because you only say that it's a sublime life and 75% for going Back to Godhead is guaranteed if anybody practices brahmacharya.

Alone I find I have no strength to chant the Holy Name of Lord Hari, I beg you therefore please be merciful, and with a particle of faith give me the great treasure of the Holy Name of Krishna. Because Krishna is your property.

An embodiment of perfect execution of gyan, bala, kriya is Your Divine Grace

Please shower a drop of these executions upon this wretched soul Gaurasundar das, Your Divine Grace

Aspiring to become a servant of your servants

Bhakta Akhil Tambi

Dear Srila Prabhupada,

Please accept my humble obeisance unto your lotus feet

Hare Krishna. Hari Bol..these are the words that I frequently speak now, not only with devotees or with the family members but to even the other people living in this material world. Before coming in touch with your movement I was also engaged in this material world and making arrangements even to engage myself more here in this dukhalayam.

Now also I am engaged here but at least I now know the actual meaning of human life for which we have taken birth. It is because of you that now I desire to cross the ocean of material suffering and go back to godhead. I recently went to the holy places "Mayapur" and "Jagannath puri" where I even realised many things and I enriched my faith in you and Krishna.

I wholeheartedly request you to grant me strength so that I can even preach and make people aware of your movement and the actual goal of our lives.

I know that you and Krishna are always with your devotees guiding them and keeping them stand still to fight against maya I am also going to start my college journey now in VMMC Delhi where I will meet with all the kinds of people who are also not aware of the goal of human life and live in the darkest sphere of the life and even trying to enjoy this dark life.

May I find at least few people with whom I can discuss the intelligent questions of human life and I can relish their association in kirtan, Krishna katha and in preaching other fellows about your mission and also the real meaning of their lives so that they also can cross the ocean of material sufferings by your mercy.

Please provide all your associates the power to fight against Krishna's energy of maya. You are the one who can deliver us.

Hari Hari Bol

Thank you Srila Prabhupada for your causeless mercy unto your fallen servant.

Dear Srila Prabhupada,

Please accept my humble obeisances.

It is practically very impossible to Glorify A Pure Devotee by a person situated on the platform of materialism in the true sense and somewhere or the other it is your Causeless Mercy that an undeserving being is even getting the opportunity for Your Transcendental Service. A Pure Devotee like You is the Real Well Wisher of every living entity. It is also affirmed by Vedic scriptures that there is No one more Fortunate than one who has the Transcendental Grace of Krishna and A Pure devotee as Spiritual Master. Prabhupada, you are enlightening me to the extent to which I would never ever be able to reach by my mundane endeavors. You are Genuinely raising me from the darkest region of ignorance. Krishna is Yours. By Your Devine Grace, one can get Krishna. It is an impotent prayer to You that please make me Your true Servant.

Although a pure devotee like you possess many transcendental qualities yet a quality of being Meek & Humble. You always used to say 'Thank you very much' after giving the lectures. you knew that you are delivering to them the most confidential knowledge yet never showed a drop of False Pride and remained Meek & Humble.

There are many instances when I got into Deep Troubles and that time you as my Eternal Father Directed me. When I was surrounded by many subtle & gross troubles. You, My Master directed me through your Quote, Book, Teaching or Lecture or all together at the same time.

Oh, Vaishnava Thakur aspiring for becoming Your Sincere Disciple and Serve you with All Heartedly.

Dear Srila Prabhupada,

Please accept my humble obeisance into your lotus feet. All glories to your divine

Srila Prabhupada, I thank you from the deepest level of my heart to transform me. You have guided me at the time when I have lost my faith on life. My conditional mind was not even able to understand the reality of life then you just came into my life in the form of your book, in the form of your potent voice, in the form of a pure devotee, in the form of your follower and give me the courage that I can also serve god and know the god by following the spiritual principle. In this age of kali you have made this process so simple for the fallen soul like us that by only chanting one can become spiritual advance

I am very sorry that for the mistakes I made again and again but by your mercy I am trying continuously. Thank you very much Prabhupada to come in my life. Please be merciful unto me that I can follow your instruction nicely and serve you. My heart always wants to bow down again and again in your lotus feet.

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet.

Being bewildered by the false ego of a so-called 'student of science', it was impossible for me to put faith in the words of Lord Krishna. Yet, by your causeless mercy, I came into Krishna consciousness and discovered a whole new world that completely changed my perception of life.

I was afraid in the beginning that I would be totally alone on this unknown journey and rendering any devotional service unto you would be an uphill task. Recently, I was blessed with the opportunity to distribute some of your transcendental books for the first time in my life but I was extremely nervous about it.

However, to my amazement, people seemed more eager to buy books from me than I was eager to sell them. By the end of the day, I performed quite well and it felt as if the loving father is holding onto his son's bicycle while the son rides on it jubilantly for the first time. O Prabhupada, I am really indebted to you for dispelling my fears from time to time like a true friend and father.

Please keep me safe from the clutches of Maya as I endeavor to perfect my human birth under your transcendental guidance.

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet clinging to which is just enough to deliver the lower of the lowest from this material world.

Prabhupada I remember a story told many times where an acharya when speaks initiating mantra to a dead body and impregnates it with spark of life, Similarly Prabhupada words from your lotus mouth have put back life in thousands of bodies which were dead spiritually.

It is the potency of a pure spiritual master who can put back life in a dead body and be being such a glorious persona you possess all the qualities one can find in a pure devotee.

It is said a fortunate soul in this universe gets the mercy of guru and Krishna but you are evenly distributing your mercy on every unfortunate being even in your physical absence through your faithful and praiseworthy disciples. I have been once such fortunate rascal who received your unconditional mercy even though I was not willing to receive it.

Srila Prabhupada your literature, all the lectures and all other mediums to understand bhakti are a boon to mankind of this era on the least it doesn't just teach a person how to progress on *bhakti marga* but simply following your guidance and regulations provided by you can make life happy and joyful in this age of *Kali Yuga* where quarrel and anxiety are inevitable.

You came from spiritual world knowing the troubles of material world just to help deliver all the beings from clutches of maya who could be more compassionate other than a spiritual master to give the highest spiritual credit for receiving the smallest of service from his disciples.

Prabhupada you are the commander in chief of mahaprabhu's army and I am just an aspiring soldier afraid to take up arms, Prabhupada I deeply want to be your sincere disciple but I lack sincerity. I request you to shower your mercy on me and give me the strength to follow regulative principles and help me become your sincere disciple. Prabhupada please answer my sincere prayers and give me shelter of your lotus feet please accept one more jagai-madai in your army.

An aspiring servant.

Please accept my humble obeisances at your divine lotus feet.

All glories to you on this most auspicious appearance day of your divine grace.

Only by your grace can the darkness of ignorance can be illuminated by the torch of divine knowledge, by which can a person perfect his life. As you have always maintained that preaching is the essence of the movement and books are the basis. I will try to follow in your footsteps and remain an instrument to preach the glories. All glories to you Prabhupada

Please try to make me an instrument and always protect me by showing me right direction as you have always said that a disciple can never be separated from his spiritual master as long as the disciple strictly follows the instructions of the spiritual master. I pray for your mercy and guidance throughout Srila Prabhupada

Dear Srila Prabhupada,

I wasted more than 40 years of my life looking for happiness in material things but you have mercifully brought me on the right path. By your mercy, I also managed to convince my son about the importance of practicing Krishna consciousness.

I offer my respectful obeisances unto your divine lotus feet which gives assurance and fearlessness to your followers.

You are the most powerful commander of Sri Gauranga Mahaprabhu. You are the expansion of the mercy of Sri Nityananda Prabhu. You are the eternal associate of Sri Krishna. Once a disciple saw you laughing and rolling on the floor in your room. After a while, when the devotee asked you as to why were you rolling on the ground, you excitedly replied "I was wrestling with Balaram".

Such magnanimous a personality you are. Yet you are also the personification of humility and surrender to Sri Krishna. After surviving a hard, horrible sea journey at an advanced age and after going through two consecutive heart attacks, you reached Boston, an unknown land far from your beloved Vrindavan Dham. Yet, instead of praying to Krishna to make your mission successful, you simply prayed for Him to make you dance as He wishes. You said " If you brought me here to just make me dance like a puppet, then make me dance my lord, make me dance as you wish. Make me dance."

Such extreme of surrender can be seen only in you.

You are the only lion like a spiritual master who guaranteed " If you chant sixteen rounds and follow the regulative principals, I guarantee that you will go back home, back to Godhead." Who else but you could give such a guarantee?

Everyone saw, still seeing and will always see that you are the savior of the universe. My plead is that please keep me at the shadow of your most merciful lotus feet. If at all I am fortunate enough to go back to Krishnaloka in this life, I don't wish to dance in Mahaprabhu's sankirtan or dance among the cowherds with Sri Krishna. I simply wish to listen to your thunder like lecture which ends with a sweet "Thank you very much."

As I know that if I catch hold of your lotus feet, then Sri Gauranga Mahaprabhu is obliged to accept me because you are his own beloved commander.

Srila Prabhupada, please always remain in my thoughts and deeds. All glories to you!

I offer my respectful obeisance to my most respectful guru none other than Srila Prabhupada who has opened my eyes with the torch of knowledge. My dear Guru, thank you for accepting this illiterate soul who sincerely regard myself hopeless and not worthy of receiving your mercy. How fortunate I am for have been chosen to lead a truthful path in practicing Krishna conscious. I lost in the mundane world, practically enjoying the wordly desires unknowing the truth behind the closed doors. Until I truly find the actual bliss in practicing Krishna conscious I thought how fortunate I am to be accepting in the real homw of the almighty. Without guru's mercy I would have been a fallen soul still wondering what is life, and life after death.

May this world be blessed with love and mercy and hope every living things, sings and glorify the Nama Sankirtan. Thanks again to our most dearest Guru maharaj.

Dear Srila Prabhupada and my beloved Spiritual master,

Please accept my most humble obeisances at the dust of your divine lotus feet. On this most auspicious day of your 122nd appearance day in this material world to reclaim the fallen souls like me, I got an opportunity to describe a few drops of your glories out of ocean of your glories.

kali-kālera dharma – kṛṣṇa-nama-saṅkīrtana kṛṣṇa-śakti vinā nahi tāra pravartana

(Cc. Antya 7.11-12)

The fundamental religious system in this kali yuga is congregational chanting of holy name and without Krishna Shakti nobody can spread this chanting of holy name. Your divine grace has spread this auspicious dharma across the globe. It is evident from this your grace is empowered by all powerful Supreme personality of godhead Sri Krishna and Bhaktivedanta purports are most auspicious subject matter to hear and still delivering most down trodden souls like me. Without reading your books nobody can make any tangible progress rather nobody can maintain his spiritual consciousness and his enemies like uncontrolled mind, false ego, anger, independent nature etc. will disturb him and eventually leading to fall down.

This year I have learnt a lot that your divine grace and our sweet lordship Sri Sri -Krishna-Balaram are active in the life of each and every devotee to put him on right path. It is evident from various pastimes of Lord Krishna and chaitnya mahaparabhu that lord never likes ego in his devotee and he rectifies it by all means. Krishna likes very much namantah eva meek and humble devotee. So my heart felt prayer is that you please snatch my free will and make me meek and humble.

With the mercy of your divine grace our dear lordship we have resumed this year college preaching in Kota and keep on empowering us with the ways and means, skills and opportunities so that we continue to serve your lotus feet.

Dear Srila Prabhupada, Please give me strength so that I can follow all the rules and regulations and can advance in spiritual life swiftly without disturbed by above mentioned enemies. In the last few words I beg forgiveness of all the offences that I have committed knowingly and unknowingly at your lotus feet.

Dear Śrīla Prabhupāda,

Please accept my most humble obeisance at your divine lotus feet. All glories to Your Divine Grace! Five years have passed in Krishna consciousness under your lotus feet, by your mercy last year you have accepted me formally as your disciple and now I'm enjoying serving you more responsibly and trying to improve in serving. Your teachings and your pastimes are always the source of inspiration for me in my devotional service. The struggle that you underwent to form the Krishna consciousness movement in the West and in all parts of the World is always the inspiring force for me in all of my activities. Srila Prabhupada, the system that you have created is always helping me for my spiritual advancement. The system of authority is so powerful that it keeps me away from all kinds of anxiety and trouble in devotional service. Please help me become more sincere towards my authorities and superiors.

Srila Prabhupada, I am not eligible to render devotional service to you and Their Lordships, yet by your mercy I am getting opportunity to render service and rectify my mistakes again and again. This sadhan bhakti process is so powerful that it is helping me to clear all my ananthas by your grace. Please give me strength so that I can rigidly follow all your instruction and rules and regulations as a sadhaka. Whenever challenges or struggle comes in my spiritual life, I always remember you and your instructions. A thought of you during service and other activity is so powerful even that alone gives boost to my enthusiasm. Also your teachings and instructions are so potent and are helping me in every step of my spiritual life to serve you more consciously. Srila Prabhupada, serving you eternally is my aspiration. Please give me sufficient strength to render service under the guidance of my authorities and superiors so that I do not deviate from the path that you have set up and do not work whimsically and always satisfy and please them as well as you.

And at last Prabhupada, please keep me under shelter of your lotus feet and always bestow your mercy on me so that I can follow your instructions more sincerely such as attending the morning program more cautiously, attentively chanting, scrutinizingly and systematically reading of your books and also help me develop full concentration, right mood and systematic approach towards my fund raising service and preaching the message of Krishna consciousness to the people. Srila prabhupada concludingly please help me to remember you in my every activity such that I can become your sincere and humble servant eternally.

Your most fallen servant.

Dear Srila Prabhupada,

Please accept my humble obsecnes. One more time, I am getting a chance to glorify my beloved spiritual master His Divine Grace Om Vishnu pada param hamsa parijakacharya astotar sat sri srimad Abhaya caranarvinda bhaktivedanta swami prabhupada. With the passage of time in this movement, I am realising as fortunate as being the part of this great movement and I am feeling greatly indebted to it. Although the debt of spiritual master can't be repayed but we can show our hearty gratitude and thanks him for whatever he has given to us and can try to glorify some of his unlimited glories. In the kingdom of maya devi where everyone is envious of Krishna and are trying to become happy in this world, forgetting completely their own spiritual identity and their relationship with Krishna, certainly it is very difficult to uproot their everlasting desire of sense enjoyment and make them servant of Krishna. But by your power and blessing this movement is trying to impart true spiritual knowledge among people and people are accepting also. As you alone had imparted spiritual thrust even among people who were considered as the most fallen acc. to many spiritualist, so similarly we also need your blessing and strength so that we may also remain pure and enthusiastic in fulfilling the goal of life of our self and others also.

Prabhupada, last few months have given me many realisation. Remembering one of your lectures point that "Spiritual life is like walking on the sharp edge of razor blade". It's fact and I am realising it also. We are fighting

against maya so any body may have injury. So we must be always be cautious and alert. In this material world we are tightly bound by the ropes of action and reactions and only a liberated person like you can free us. Therefore I pray for my spiritual well being and asking strength to follow your's instructions. you are my only hope and shelter.

I offer my respectful obeisance's unto my spiritual master, who has opened my eyes, which were blinded by the darkness of ignorance, with the torchlight of knowledge."

In the Eleventh Canto of Śrīmad-Bhāgavatam, Prabuddha tells Mahārāja Nimi, "My dear King, please know for certain that in the material world there is no happiness. It is simply a mistake to think that there is happiness here, because this place is full of nothing but miserable conditions. Any person who is seriously desirous of achieving real happiness must seek out a bona fide spiritual master and take shelter of him by initiation.

Here peoples are simply engage struggle for existence in material world to become happy but could not get it. By your causeless divine mercy you initiate fallen soul like me.

Regarding accepting initiation from the spiritual master, in the Eleventh Canto of Śrīmad-Bhāgavatam, it is stated by Lord Kṛṣṇa, "My dear Uddhava, the spiritual master must be accepted not only as my representative, but as my very self. He must never be considered on the same level with an ordinary human being. One should never be envious of the spiritual master, as one may be envious of an ordinary man. The spiritual master should always be seen as the representative of the Supreme Personality of Godhead, and by serving the spiritual master one is able to serve all the demigods."

This consciousness leads one to always remain meek and humble before spiritual master.

The scripture known as Brahma-yāmala states as follows: "If someone wants to pose himself as a great devotee without following the authorities of the revealed scriptures, then his activities will never help him to make progress in devotional service. Instead, he will simply create disturbances for the sincere students of devotional service.

Because being condition soul my mind always after name, fame, adoration which destroy the bhakti.

By your causeless mercy you give us opportunity to spread Krishna consciousness, the highest welfare work for human society. So that they can understand about the miseries of material world and trying to back home back to godhead.

Please be merciful on this fallen soul and give me special strength so that a grand temple can build in siksha nagri. And forgive me for my sinful deeds.

Dear Srila Prabhupada,

Kindly accept my humble obesiences onto your lotus feet. All glories to your divine grace.

Srila Prabhupada by your causeless mercy I am still in Hare Krishna Movement, and once again I take this opportunity to glorify your divine grace. You are the only hope to save conditioned living entities from dark existance of material world, which is continuously burning from the desire of sense enjoyment. I am one of them to whom so mercifully you have picked up from this nescience and kept under shelter of your lotus feet. But my tendencies of independent desire for sense gratification is not letting me to serve this great transcendental Movement

of Lord Chaitanya Mahaprabhu wholeheartedly. I beg your causeless mercy to come out from this ignorance due to madness.

This whole universe is very very fortunate to have continuous association of your divine grace. Now we are able to see that you are available all over the world through this Hare Krishna Movement. Kindly bless me to follow your instructions as it is- Chanting 16 round Hare Krishna Mahamantra attentively, Four regulative principles, Mangala arti, Book reading etc... May I continue to serve you through my life and after life under the guidance/association of Vaishnavas. kindly pardon me for my all the offences.

This year I would like to offer my determination to chant 16 round attentively, atleast I will struggle for this. It can be successful only by blessings of your divine grace and Vaishnavas. Please also provide me strength to come out from bodily concept of life. I am just continuing in movement in hope that one day your divine grace will bestow mercy and thus my anarthas will be removed. So I can develop little bit taste in devotional service to act in great enthusiasm to broadcast glories of your divine grace. Prabhupada I am very grateful to you for your compassion onto me. At last I again beg your mercy to develop all vaishnava qualities by which I can continue to be in association of your devotees/disciples unconditionally. May I play my insignificant role in this preaching movement with sincerity & enthusiasm.

My dear spiritual master Srila Prabhupada,

Please accept my humble obeisance at your divine lotus feet on this most auspicious occasion of your divine appearance.

It is very difficult for us to understand your divine transcendental personality because you are pure devotee of lord Sri Krishna. Empowered directly by Lord Gauranga you appeared to propagate His sankirtana movement. Earlier Srila Vyasdeva had written all the vedic literatures like the different vedas, Mahabharat, Srimad bhagvatam...etc. and as a true and genuine representative of Vyasdeva you explained these scriptures in such a lucid and simple way so that we conditioned souls can understand it.. simultaneously you have never compromised with the essence and the purpose behind these literatures which is to understand lord Sri Krishna –The Supreme Personality of Godhead. This is evident from the fact that anyone who reads your books certainly develops attachment towards lord Krishna and gets motivated to do devotional service.

This Hare Krishna Movement created by you is just like the “Lotus Flower” in the dirty mud of this Kaliyuga , Devotees are the different “Petals” Of this flower , Your Divine Grace is center part of this flower & this flower always desires to attain the Divine Lotus Feet of Sri- Sri Radha Govinda.

Dear Srila Prabhupada , due to my illusion and ignorance I am not able to recognize your causeless mercy upon me and I think the day I will be able to wholeheartedly appreciate your mercy on me that day my real devotion will begun.

Srila prabhupada as you know I have promised something to you and your devotees so please give me strength and ability so that I succeed in that.

Prabhupada you are the commander in chief (**SENAPATI BHAKT**) of this glorious Hare Krishna Movement of lord Sri Chaitanya Mahaprabhu. Being an expert **SENAPATI** of this army you know very well that which Soldier (Devotee) has to be kept on which strategic point. which service has to be executed by that soldier for the benefit of the entire Krishna Consciousness Movement & for simultaneous purification of that particular soldier so that he can go to the eternal abode of lord Sri Krishna in Goloka Vrindavan Dham. The example of **George Harrison** of the Beatles and **Jayananda Prabhu** (Lord Jagannath's chariot making devotee) is very relevant in this context.

Thus, Srila Prabhupada from the deep core of my heart I request you to please place me at a particular position so that from where I can be best utilized for this transcendental mission of lord Sri Chaitanya Mahaprabhu.

I also pray with my folded hands unto your lotus feet again and again to bestow me with clear vision and understanding for that particular seva so that till my last breath I never look back in my life and think nothing other than that even for a second.

Aspiring to be an instrument in your hand

Hare Krishna Prabhupada,

Please accept my humblest obeisances unto your lotus feet!

I was nobody when you were not there in my life. Since when you came, around 5 years ago, I feel a little bit enlightened. It all happened due to you Prabhupada. I was so engrossed and today too I somehow get involved in some material activities and violate some principles mistakenly. But, the difference between a person I was 5 years ago and now is, I attach everything to you and Lord Krishna. Be it cracking an exam or during traveling from one place to another. Yes Prabhupada, this is the change I've incorporated in me. It happened due to your mercy and teaching and the lectures taken by Rasollasa Prabhu in Folk hostel at Kota.

Every now and then problems came like a hurricane in my life as well as family's life. But Lord Narasimha protected us. I was unaware of even Lord Narasimha 5 years ago. He protected then too and he is protecting now too. How unlucky I was that Lord is protecting us and we're not even aware! We came to know about Lord due to you only Prabhupada.

For entire life, we can't repay you in any way Prabhupada for what you have done for us. We are infinitely blessed by you Prabhupada. We all are unfortunate beggars who will keep begging for entire life Prabhupada. You know our family is devastated now, both financially and mentally. Please bless us Prabhupada by giving shelter us unto your lotus feet. Please bless us so that we can approach Lord Narasimha. Please give us a lot of strength to fight this Maya. Please give us a lot of strength so that we can move ahead on this path of Krishna Consciousness very nicely. We are unto your lotus feet Prabhupada. My family and I are nothing without you. Please accept our humblest obeisances. Please save us!

All glories to Shri Shri Krishna-Balarama. All glories to you Srila Prabhupada.

Yours sincerely,

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to Srila Prabhupada. All glories to you on this auspicious day of Your vyasapuja” We need to glorify the role that the spiritual master is playing in our life as well as express our indebtedness to him. As the representative of Srila Vyasadeva you have lucidly explained the original teachings of Srila Vyasadeva in your Bhaktivedanta purports for the benefit of all conditioned souls. Your purports make the most difficult philosophy easy to understand even for the common man. The Srimad Bhagavatam explains that there are two classes of men in this world –the crow class and the swan class. The crow class of men is attracted to the rubbish literatures which are filled with topics of material sense enjoyment. The swan class of men takes interest in the nectarine spiritual literature which contains the glories of the Supreme Lord and His pure devotees. Unfortunately the world is filled with the crow class men who are badly entangled in sense gratification and are destined to suffer perpetually with no hope of liberation. You have very kindly appeared to deliver all such suffering souls. Your Krishna consciousness movement is meant to convert the crow class men into swan class. Simply by reading or hearing even one line of your purport any person can experience a change of heart. He begins to traverse the path back home back to Godhead. You are the ideal acharya because you teach us everything about spiritual life by your personal example. Even though you have been empowered by Lord Chaitanya to spread the holy name of Krishna throughout the world, you perform your devotional service strictly following the instructions of your spiritual master. By your personal example you teach us to accept all austerities to carry out the order of the spiritual master. By your tapasya you have given the wonderful gift of this Krishna consciousness movement to the whole world. On this most auspicious day I humbly beg you to continue to shower your blessings on me to make me an instrument in serving your mission. I beg you to give me the inner strength to take all austerities in serving your mission. Please forgive my offences and give me the intelligence to carry out your orders under the protection of your divine movement in the association of your sincere devotees. Begging to remain under the shelter of your lotus feet at all times and aspiring to be your humble Servant.

Dear Srila Prabhupada

Please accept my humble obeisances at your lotus feet. All glories to Srila Prabhupada. All glories to you on this auspicious day of your Vyasa Puja.

One more year is passed and again I got chance to write Vyas puja offering unto you for your great work for the benefit of all suffering living entities. I will be always thankful to you for giving this beautiful gift of Krishna Consciousness which is the aim of every form of life. In college time, the three years were best time of my life, which I have spent in folk hostel and got the association of devotees like Rasollas Prabhu and folk boys, who always encouraged me in Krishna consciousness. Every day began with rising early in the morning, attending mangala arti with darshan of Krishna, Radharani and you. I enjoyed this activity most. After that japa and srimad bhagvatam lectures are also very nice activities. By regular lectures of you and other devotees, I philosophically understand the importance of Krishna Consciousness and Hare Krishna Mahamantra. Weekend classes, dance in kirtan, and Maha prasadam are very blissful activities.

I will be always thankful to you for engaging me in mission of lord Chaitanya. Your book distribution program is one way to serve lord Chaitanya. By your mercy I have understood about Krishna consciousness and to serve Krishna whole life as the aim of life. So please bless me that I can move on this path whole life.

Now I am living outside of the folk hostel and and unable to get association of devotees and facing difficulties in following Krishna Consciousness. So please bless me that I will always practice Krishna Consciousness wherever I will be. Please always provide me your guidance, so that I will always follow right path and never get bewildered from anything.

I will be always thankful to you and can never pay your debt for giving us this wonderful massage of Krishna and lord Chaitanya. In the age of 65 years, you left everything for distributing the science of Krishna and to deliver the fallen souls like me who are continuously suffering in this material world. You have taken so much trouble for us, faced so much difficulties for us. Millions of time thanks is nothing in compare to your endeavours.

Oh Prabhupada please keep me under the shelter of your lotus feet and never kick me away from you for my mistakes. Please forgive me for all my past deeds and always keep me in service of you and Krishna.

Begging your eternal association and aspiring to be your humble servant,

Dear Srila Prabhupada, Please accept my most humble obeisance on this most auspicious day of your divine appearance. All glories to Your Divine Grace. Srila Prabhupada, I thank you for your causeless mercy on this insignificant fallen soul, which is wandering throughout the entire material world, because you have given the seed of the creeper of devotional service, which is very very rare. As it is stated in sastras, that human life is meant for understanding the Absolute Truth. Only in the human form of life one can understand the Absolute Truth because it has got developed consciousness. And if one has understood the Absolute Truth, Lord Krishna, in truth then his life is successful. But in Mundaka Upanishad and many other vedic literatures it is stated that "In order to learn the transcendental science, one must approach the bonafide spiritual master in disciplic succession, who is fixed in the Absolute Truth". Therefore, O Srila Prabhupada, I pray at your lotus feet that please give me the strength to follow your instructions sincerely as many as possible and please accept me as your most insignificant servant birth after birth.

Please accept my humble obeisances in the dust of your lotus feet. All glories to Your Divine Grace

forgive my offences. On this most blessed event; Sri Vyasa-Puja, the appearance day of my beloved spiritual master, I am filled with a sense of gratitude and wonder. The fact that you have always resided in my heart, and have been my most constant friend and ever well-wisher, even without your physical presence, proves our eternal relationship with you. So many friends and family have come and gone, but you Srila Prabhupada, have remained in my life as the one constant I could always turn to. You are present in your vani; your books and instructions You are present in your pictures and murti's. You live in the heart of your sincere devotees Srila Prabhupada,

I am most unworthy to have received your mercy, and because of knowing my insignificance, it has caused me to be more grateful and appreciative of your blessings. I am completely unworthy, and most fallen, therefore by showing me your mercy, your mercy is most successful. For you are patita-pavana, the savior of the fallen souls, and who is more fallen than me? I have no good qualities; born of low birth, without good intelligence, without beauty, or wealth,

I am a fallen soul, desiring only your causeless mercy to be bestowed upon me. But since I have come to touch with shrila prabhupada and hare krishna movement Since then my anger and anxiety has decreased and And also got some spiritual knowledge So thank you very much for all of these and Thank you very much for RSKD prabhu which I came to touch with the hare krishna movement O dear prabhupada. In this two year of my Krishna consciousness life , I have achieved a lot . All the Auspicious moment that has come to my life it has come by your causeless mercy. You are the ideal Acharya because you teach us everything about spiritual life by your personal example. Even though you have been empowered by Lord Chaitanya to spread the holy name of Krishna throughout the world .You perform your devotional service strictly

following the instructions of your spiritual master. By your Tapasya you have given the wonderful gift of this Krishna consciousness movement to the whole world.

On this most auspicious day I humbly beg you to continue to shower your blessing on me to make me an instrument in serving your mission. Dear Srila Prabhupada

Please accept my humble obeisance unto the dust of your lotus feet. All glories to you. From last five years I am connected with the Hare Krishna Movement and I take mercy of you and Krishna. But this year I commit a mistake that I make distance from the Hare Krishna Movement for just enjoying the false material life. This is my biggest mistake that I do. One day my mentor told me that if you take shelter in the lotus feet of Srila Prabhupada once, than after whatever condition you can forgot Krishna and Prabhupada but Prabhupada never forgot you and to remember Krishna he sends his disciples again and again until you remember your goal of life that is go home back to Godhead. Just like a father he was always care his child and hold his hand so he cannot go to do some wrong path. Whenever the child wants to leave his hand to do something wrong then the father not leaves his hand. Similarly, if Srila Prabhupada gives shelter to anyone of his disciple and he wants to leave his shelter and go to enjoying the material life then the Srila Prabhupada does not leave his hand.

Every disciples glorifying you by his spiritual progress and by his devotion to you but how can I glorify you because I am such a bad student of yours. Srila Prabhupada, serving you eternally is my aspiration. Please keep me under shelter of your lotus feet and always give your mercy on me so that I can follow your instructions nicely and satisfy my superiors so that I can be a good tool in their hand help them to fulfill your mission and Lord Chaitanya Mahaprabhu's mission for propagation of Krishna Consciousness all over the world.

Dear spritual master srila prabhupada,

please accept my humble obiesances unto your lotus feet. Today,many people are here to glorify you and I am so lucky being one of them. Prabhupada this is your mercy only that you are giving me fourth chance to glorify you. Dear prabhupada because of your mercy I had been living in FOLK hostel for three years. Now, because of my faulty nature and tendecy to act freely I am unable to follow krishna consciouness and your instructions still you are so mercyful that you made me to be in touch with you and our krishna conscious family.

Dear prabhupada please bestow your mercy upon me and give me spiritual strength so that I can follow your instructions and krishna consciousness properly and can become servant of your lotus feet life after life.

Your humble servant, Bhakta Dhananjay

Dear srila prabhupada,

I offer my respectful obeisance unto your lotus feet. please srila prabhupad I am asking to give me power so that I will follow your four regulative principles and doing the hare Krishna chanting because I need it very much (spiritual Purity).I lose in Krishna consciousness these days. I never done even single round of chanting of Hare Krishna mahamantra. I think because of my desire to enjoy this material world very high. I go away from the Krishna consciousness. I lived 2.5 years in folk hostel where I learned very much about Krishna about god , about spiritual service, chaitanya mahaprabhu and how to serve servant of servant of Krishna but now it become simple a knowledge. So I beg to give your mercy on me so that I again do my best performance in Hare Krishna movement.

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet. All glories to you on this most auspicious day of your Vyasa puja. I am in touch with Hare Krishna Movement from last one year. At first I chant only 4 rounds but by regular practising of Krishna Consciousness , by attending Bhagvad Gita classes & meditation I was able to increase my no. of rounds. The philosophy that I understand by your mercy is very clear & it is beyond our material imagination. The purport of “Bhagvad Gita as it is” is very simple & very knowledgeable. The books that I was reading are most valuable in my life. But because of some of my family problems, Maya will heavy over me & my book reading stops & the no. of rounds of chanting decreases. Please be merciful over me so that I can follow Krishna consciousness, chanting of Hare Krishna and to be in the spiritual atmosphere. From this Vyasa Puja, I will increase my chanting rounds up to 12 & reading daily your book. I will follow Krishna consciousness in my college life & try to stay in FOLK hostel in the city in which I study and I want to do more service to you & Krishna. So please be merciful on me.

My dear spiritual master and father Srila Prabhupada,

Please accept my humble and respectful obeisance unto the dust of your lotus feet. Although you have nothing to do with this material world and nor you require to take birth in this material world than also you come to material world out of the compassion to the fallen condition soul like me just to deliver them from this material world thank you very much prabhupada for picking me from the gutter and taking to Krishna consciousness which is full of sat-cit-ananda. Prabhupada you are very merciful to me and take me to Krishna Consciousness. then also I have no desire to follow rules and regulation given by you. I again and again attracted to material things and again and again you guide me through your books, lecture and quote then also I have no taste in all this spiritual things nor I am ready to take all this things.

Oh! Prabhupada you are so merciful unto me so that you provide me a nice folk hostel to leave nice prasadam to eat and chant hare Krishna Mahamantra and association of the devote which is very rare in this material word which is full of miseries. I am living in folk hostel since two year because of your mercy. Please prabhupada be merciful unto so that I can to live in folk hostel. Thank you very much prabhupada for gave me a asrya(upasak). Because of your mercy only I am able to attain mangala arti do chanting reading your books. Prabhupada because of you only I am able to follow little devotional life then also I have no love for you. I don't think so that I am able to pay your debt. If I am taking thousands of birth then also I don't think that I will be able to pay your debt. I am so dull headed prabhupada that before writing Vyasa offering I have no thought that how I write where from I start. I am so unfortunate that I am not able to glorify you.

Due to the vaisnava offences my progress in spiritual life is very slow. I am not able to do attentive chanting avoiding ten kind of vaisnava offences. I am also not able to do book reading regularly and properly. Please prabhupada provide me strength so that I can able to do all this thing very nicely and properly. Prabhupada please be merciful unto me so that I can serve you and all the senior vaisnavas very nicely and also follow your instruction and rules and regulation properly . Prabhupada be merciful unto me in future also so that I can able to do my sadhna nicely. Please Prabhupada never ever leave me always give me the shade of your lotus feet. Prabhupada bless me so that I can continue my spiritual journey and advance in Krishna consciousness. Srila Prabhupada I have desire to serve your mission till my last breath. I am a beggar Srila prabhupada and you are the giver. I have no word to glorify you and your work. Hare Krishna!

Dear Srila Prabhupada,

Please accept my humble Obeisance at your divine lotus feet. By your mercy Srila Prabhupada ,I will become Krishna Conscious in correct age of my life. When I become Krishna Conscious in meditation class (Krishna's pastime) then idea comes to Join Bhagvad Gita class & when I joining the class then I realised that what is going on this material world. Initially I have many doubts but by your mercy, devotees guidance and your books my doubts got cleared.I become advanced day by day & my chanting rounds increased from 2 rounds to 8 rounds and in Damodar Month when I gone to Vrindavan with devotees then I forgot everything only Krishna & you were in my remembrance. When I came from Vrindavan then my chanting rounds became 16. In Vrindavan I was praying to you and Radharani that from today onwards I will do 16 rounds chanting daily and in Vrindavan I will attend Mangla Aarti in Akshaya Patra & ISKCON . When I lived in association of devotes I was able to chant 16 rounds but after few months when association was not there my chanting rounds decreased.

When I attended the class then I was active in Krishna Consciousness but when association was not there then chanting and Book reading decreased day by day and finally stopped. So, Srila Prabhupad make me advanced in Krishna consciousness and give me mercy of your lotus feet and make me advance in Krishna consciousness at every time. Guru Maharaj please accept my humble Obeisance at your lotus feet.

Hare Krishna.

Dear Father Srila Prabhupada,

What to write of your greatness, no words in all dictionaries of this world and not even infinite volumes of books written on your glories can actually define your personality and your contribution to the society to uplift it from the lowest levels by spreading KRISHNA CONSCIOUSNESS. I always considered myself to be a great warrior amidst all the problems that I faced but after learning about your glories I realized that I am not even equal to the dust particles of your lotus feet. What better story of courage then yours can we tell to someone that you left for America at the age when people start thinking of leaving their body as they get tired of fulfilling their duties and responsibilities? Even after suffering 2 heart attacks you continued your journey to gospel the words of Lord Krishna. You had a very little money, very few clothes and few books when you landed in America. I get immense strength and motivation when I imagine the scene when you must have stepped out of the cargo ship (JALDUTA) in which you travelled to America when you stood tall without any fears or plans but only with firm determination of spreading Krishna Consciousness, to help the society to get free from the sinful activities like drug addiction, illicit sex, gambling & meat eating and step towards learning about Lord Krishna and humanity, to save morals and imbibe human values that were long forgotten.

In India before you left you had everything - Flourishing business, happy family, fame, fortune and good health that every common person dream of still you were dissatisfied as you wanted to fulfill your Guru/Master 'orders to go to West and hold the society from falling down further and take them back to Godhead. Today when we have so much comforts we get tired and frustration develops in our mind as we are running only after material things, we have developed habit of collecting useless things which are of no use and nothing is permanent that will go with us when we leave this body. Everybody is running around every time like mad only to gather material opulence but although you got millions of dollar in donation you never took even a single penny to spend on yourself rather you used everything you had or received to construct Temples and charitable organizations. You had everything and

you left everything without giving it a second thought. You shoved off all the riches of this material world as you removed the dust from your clothes.

Today I don't have the courage not to run after wealth, prosperity and fame, I request you to either brainwash me to realize what is temporary and what is permanent, give me the wisdom to understand what is Mithya and what is Param Satya & give me so much wealth, powers and knowledge that one day I renounce everything and utilize it in the service of the needy and your devotees. Even while you were about to leave your body you were aware that someone has poisoned you were filled with compassion and faith, you never cursed anybody neither you were frightened nor complaining that why somebody poisoned you when you were constantly striving and working for uplifting the society. This world needs you... Please come back my Lord and save the world. Please give me the time and energy to do 16 maala of Hare Krishna Mahamantra daily which I frequently falter at. Prabhu take me in your shelter and save from all sinful activities and thou

ghts. Please hold my fingers like your son and take me along as you teach me how to walk and at the same time keep telling me about right way to conduct my duties and how to behave and lead my life in a rightful manner to become a pure devotee and reach the path of perfection and ultimately Go Back To Godhead.

Utmost regards,

Your's Servant of the servants of Lord Krishna and your failure son,

Bhakta Gaurav Mathur Kota.

Dear srila Prabhupada,

Please accept my humble obeisance at your divine lotus feet. All glories to you on this most auspicious day of your vyasa puja. Hare Krishna prabhu,

Before the Krishna consciousness I lived a material life and I don't know much about Krishna's pastimes. When I joined Jupiter institute Vinod sir guided me on Krishna consciousness and he explained me about chanting and "Bhagavad Gita". I follow Sir's instruction and I do chanting and attend Bhagavad Gita class regularly. Before the Krishna consciousness I was covered by maya deeply but after doing chanting and reading Bhagavad Gita. I am in Krishna consciousness from last 4 months and I can't defend myself with maya. So please Prabhupad, give me strength for complete detachment from maya and give me power/strength to spread Hare Krishna movement fairly across the world.

Dear Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet. All glories to you on this most auspicious day of your divine grace.

A great miracle has been made by you in the age of 70 year by organising great movement in the world i.e. -

Hare Krishna Hare Krishna Krishna Krishna Hare Hare Hare Rama Hare Rama Rama Rama Hare Hare.

By chanting of this Mahamantra and reading of the books i.e. Bhagavatam & Bhagavat Gita, in the running age of Kaliyuga at least we can make our path and not to come again in this world. We both have divided to serve in your

lotus feet and enlarge this movement to all the people as done by our great Mahaprabhu Lord Chaitanya 500 year ago. If I can do this, then it is my humble and glorious service to Srila Prabhupada ji, in his lotus feet.

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet and bless me with devotional service so that my life is not wasted in sheer material nonsense.

Yet again this year I got a opportunity to write this Vyasa puja offering unto your lotus feet for which I feel blessed. Through the passed years, your support through various channels have always guided me to follow devotional service much more efficiently. I always feel so much indebted to you that you have blessed me with Krishna Consciousness. This movement started by Sri Caitanya Mahaprabhu has always liberated so many souls but your divine grace has picked a wretched soul like me and somehow or other has made me understand the importance of spiritual life.

I am such a great demon that after understanding so many instructions I sometimes act on my own against spiritual principles. In the past months I have been through a very hard time but by your divine grace there were many spiritual realizations which have exposed the harsh reality of the material life. Although your blessings and teachings have always guided me so that I can become more and more Krishna consciousness. Please dear Srila Prabhupada bless me so that I can completely surrender unto your lotus feet.

I in my present condition does not feel that I am even eligible for spiritual life but by your mercy only this dumb fool can perfect his life and engage it the mission of your divine grace.

आपके चरणों में सादर दंडवत प्रणाम स्वीकार करें। हरे कृष्णा मूवमेंट से मैं पिछले 3 वर्षों से संपर्क में हूँ। आपके द्वारा कहे गए प्रवचन भक्तों द्वारा मैंने सुने जिनसे मेरे जीवन में बहुत परिवर्तन आया है। कृष्णा तथा भगवान को जानने तथा आद्यात्मिक ज्ञान मुझे आपके कहे वचनों से मिला है। आज से पहले पता नहीं कितने पाप किये परन्तु फिर भी पता नहीं कौन सा पुण्य कर्म से आप जैसे आध्यात्मिक गुरु मिले जो मुझे कृष्णा से मिलाने में मदद कर रहे हैं। इन तीन वर्षों में कृष्णा की कृपा मिली है जो जो मुझे कृष्णा के धाम वृन्दावन ,मथुरा , द्वारका, जाने का अवसर प्राप्त हुआ। मैं गुरुदेव को जितना धन्यवाद दू उतना कम है। मैं प्रभुपाद जी आपसे प्रार्थना करता हूँ की आपकी व भक्तों की कृपा मुझ पर बनी रहे ताकि मैं कृष्णा भक्ति पा सकू तथा कृष्णा सेवा कर सकू।

Hare krishna, Jay prabhpada,

Please accept my humble obicienc unto your lotus feet.

My name is Kailash and with the blessings of Prabhupada and Krishna I associated with the hare Krishna Movement. I am very fortunate that I got devotion. Through my elder brother, I came to touch with the hare Krishna movement. The first time when I was in class 12, I came to know about the hare Krishna movement. Then I used to chant once and with the influence of that I got near my college folk hostel. This was the blessing of Lord Krishna and spritual master . In the beginning, there were 4 rounds. After a few days, we started making 16 rounds. Devotion has changed a lot in my life. I have been in the folk hostel for two years. There, I got to learn a lot. I went home after college for two years. After a few days, I started preparing for the job. I used to study with Mala round. I got a failure in the first examination. I have thought this is the wish of God. A few days later the second was to prepare for the exam. It has got success. This is the blessing of our spritual master. The blessing of the Guru gives us devotion. And they make our lives changeable.

Dear Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet. All glories to you on this most auspicious appearance day of your divine grace. His divine grace A.C. Bhaktivedant Swami Srila Prabhupada, you are merciful on all of us which were fully materialistic persons before we came in contact with the infinite knowledge in your books. With the help of spiritual books you written and translated, an impure soul can be fully changed to a Krishna Conscious soul. All your teachings are so powerful that if anyone properly follows them, one can get liberated. We impure souls cannot see the Supreme Lord so he sent you for spreading Krishna Consciousness and you spread it all over world. Thanks a lot Prabhupada. On this most auspicious day of Vyasa Puja I humbly beg you to continue to shower your blessings on me and help me in serving the Supreme Personality of Godhead. Due to my impure senses and effect of external potency Maya Devi, I missed the service of Lord since last two years even after knowing the real truth. Be merciful on me such that I can never live without chanting and reading. Help me in maintaining chanting. Please forgive me for any type of offences which I made. Always want to be in your lotus feet. Hare Krishna.

Dear Srila Prabhupada.

Please accept my humble obeisance. All glories to Srila Prabhupada. All glories to you on this auspicious day of your vyasapuja.

I am very glad that by following the instruction that is given in scriptures and vedas as "bahagvatgita as it is" and bhagvatam. Instructs by you in books and lectures by srila prabhupada. That helps to understand god it not just like thing he is supreme personality of godhead Sri krishna. He has nothing wanted from his devotee but only lovely devotional service. As stated in Bhagavad-Gita "patram puspum falam toyama.... Krishna will be satisfied. In this material world all people become Lord it over each other. But by study Bhagavad-Gita as it is it is nicely explained by srila prabhupad with described purport that everyone become excited to gain the most confidential knowledge as it is given krishna upto the discipilic succession. That knowledge clear our heart from dust of lust and desire and teaches us a right path. Most of devotional services are their but I like most reading books of srila prabhupada and chanting the holy names. It is pleasure for me. By this books most confidential knowledge can be understood by me and help me to follow the rules that makes my life full joy and happiness.

As person who has benediction of spiritual master and krishna who is enlighten by great knowledge. It teaches to do best devotional service to Lord. I also visites folk and love Kirtan and maha prashadam very much and enjoy very much. It boosted for do nicely devotional service to Lord. And I also participate in book distribution and gained much better experience. In last srila prabhupada mission to make all krishnites I give my best service. Haribol

Due to divine mercy of Radha and Krishna I got opportunity to read and understand spiritual literature through you but still I am so fool that still I am indulging myself in non-spiritual behaviour. but I know you are great you will forgive my offences giving me shelter as spiritual father. O Gurudev you know I am very weak to follow regulative principles and even fail to chant holy name. From deep of my heart I really want to follow but circumstances around me make these difficult for me. I rarely able to surpass them. Guidance of Rasollasa prabhu and Bhaskar prabhu help me heartly I am thankful to both of them for their spotting and helping me during these disturbances. They are really my friend , member, well wisher everything to me. I am indebted to them. Inspite of having such a mercy from you i am not following respectively.

Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet on this most auspicious day of your divine appearance.

Words fail to me today, to glorify your presence because it is already glorified by Krishna all around the world. My words are so small to praise you today. You came to this material world to teach us the real aim of human life and removed dark curtains from the eyes and showed the path of real happiness. You taught us about self and illuminates our darken souls with the light of real knowledge. Your presence made the effect of maya null and gives us the taste of bliss.

Survival in this material word is like punishment but everyday your presence as energy around me make me feel this punishment as blissful journey, with each step towards Krishna and discovering the self. Before three years, I was fluttering like fallen leaf without any platform in the air. I used to see myself alone in the ocean of dirt, mist, fog where it was hard to me to step my legs. My eyes were blind to see any vision. At that same moment you came to my life and hold hand of this fallen soul to remove me from this watery desert where water seems every where but if you drink that water you will die. Thank to Krishna that he sent you to save me from that condition.

I request you to hold my hand always in every condition and every situation and make me qualify to become the servant of servant of devotees of the lord. I do not want good to me, I want only your and Krishna remembrance in each of my good as well as bad time. Please prabhupada give me the ability to serve this great mission in any mean and give me strength to spread it much and wider. I want the mercy of your's to give me knowledge to understand your words, so that this fallen soul can develop real love for his spiritual master as well as the lotus feet of Krishna.

Please give me small space unto your lotus feet and make me engage in the service of your and lord.

Your mercy took me to the blissful life today, I want that it will remain over me to show me the path which was followed by great acharyas of successions and to follow it. Bless me with the regards to chant more and more every day and may one day it will become 24*7. Keep your hand over my pity full head and give me direction to purify my mind as well as my soul so that the day will come and both will together chant-

HARE KRISHNA HARE KRISHNA KRISHNA KRISHNA HARE HARE HARE RAMA HARE RAMA RAMA RAMA HARE HARE

I thank you for being with me and guiding me in every step of my life. As you keep mercy of yours over me same as keep it to all over the human so that they can also taste the real nector.

Yours fallen servent..unto your lotus feets

परम पूज्य श्रीला प्रभुपाद ,

मैं आपके चरणों में दंडवत प्रणाम करता हूँ। मैं आपके मिशन से जुड़ा हूँ जिससे मैं बहुत खुस हूँ। मैं आपकी कृपा से कृष्णाभावनामृत समाज पाया हूँ और आपकी कृपा से मेरा मन पहले से शांत है। पहले से मेरा मन पढ़ाई में अच्छा लग रह है। आपकी सरनागति के बाद मुझमे कई बदलाव आये जैसे सुबह जल्दी उठना , भगवन की सेवा करना और भगवान को भोग लगाकर प्रसादम ग्रहण करना , आदि। मैंने आपकी कुछ पुस्तके पढ़ी जैसे श्री कृष्ण की ओर, पूर्ण प्रश्न पूर्ण उत्तर , भगवद गीता , प्रह्लाद महाराज के दिव्य उपदेश , आदि। प्रह्लाद महाराज पांच वर्ष के थे जब उन्होंने अपने साथ पढ़ने वाले बच्चों को कृष्णभावनामृत सिखाया। मैं अभी 8 माला जप करता हूँ , कृपया मुझे धीरे धीरे 16 माला जप करने की सकती प्रदान करें।

जय प्रभुपाद , हरे कृष्णा।

Bhakta Neeraj Kumar Lodha

प्रिय श्रील प्रभुपाद।

कृपया आपके चरण कमलो में मेरा प्रणाम स्वीकार करें। आपके शुभ आविर्भाव दिवस पर आपकी जय हो। मैं रोज़ाना एक माला जप करता हूँ। मैंने पहले बार हरे कृष्ण ग्रुप को वृन्दावन यात्रा पर ज्वाइन किया। जब मुझे यह पता चला की हमें गुरु बिना ज्ञान नहीं मिल सकता। अतः आपको मैंने गुरु के रूप में स्वीकार किया। मुझे यहाँ की संगत बहुत अच्छी लगी। इसमें मुझे भगवन से धार्मिक जुड़ाव मिला। इसमें रोज़ाना नयी नयी चीज़ें भगवान के बारे में बताई जाती हैं। जो मुझे कभी सुनने को नहीं मिली। यहाँ आने से मुझे पता चला की हम घर पर तो भगवान को भूल जाते हैं, क्योंकि अपने काम में बिजी रहते हैं। परमाला जपने की वजह से हम याद कर लेते हैं। मेरे लिए यह बहुत आनंद का ग्रुप है। मुझे यहाँ प्रवचन सुनने में आनंद आता है और मेरा आत्मविश्वास भी बढ़ जाता है की मैं भी लाइफ में कुछ अच्छा कर सकता हूँ। मेरे लिए यह बहुत खुसी की बात है। मैं बहुत बहुत धन्यवाद आभार व्यक्त करता हूँ। हरे कृष्ण।

आपका दास,

Dear Srila Prabhupada,

Please accept my humble obeisance's unto your lotus feet. Words are not enough to thank you for all the support and energy that you have given me last year. Thank you for giving me all the guidance and support in my rough times. One thing I like about misery is that I tend to rely more on Krishna at such times and I continuously remembered Krishna throughout those days. However, I must learn to keep Krishna in my consciousness in my good times as well. By your blessing, I have got a job now, please bless me so that I can work with full dedication and zeal and prosper in my career. I have been doing 2 rounds of chanting throughout the year and I did book reading on some days as well. I need your blessings, so that I can do book reading along with chanting on the daily basis.

प्रिय श्रील प्रभुपाद सबसे पहले मैं आपको दंडवत प्रणाम करता हूँ।

कृष्णभावनामृत मेरे जीवन में पिछले साल आयी तब से मैं मैडिटेशन क्लासेज जाने लगा और थोड़े दिनों बाद भगवद गीता पढ़ना भी सुरु कर दिया। मैंने 2 माला जप करना शुरू किया था और अब कम से कम 8 माला प्रतिदिन करता हूँ और हफ्ते में 1-2 बार आपकी किताबें भी पढ़ता हूँ। मुझे कृष्णभावनामृत संघ से जुड़ कर बहुत बढ़िया लगा और भगवन को धन्यवाद बोलता हूँ की उन्होंने इतनी कम उम्र में इतने सुद्ध गुरु (श्रील प्रभुपाद) का संग हमे करवाया और ज़िन्दगी की सबसे बढ़िया चीज़ हमे दी। मैं भगवान से यही कहता हूँ की भगवान पूरी ज़िन्दगी में कभी भी आपके प्रति प्रेम कम मत करना चाहे कैसी भी परिस्थिति आ जाये और आगे भी आने वाली ज़िन्दगी में आपकी सेवा करने का बहुत मन है इंतज़ाम ऐसे बनाना भगवान की आपकी सेवा अच्छे से हो। और किसी को भक्ति के बारे में बताऊ तो अच्छे से समझा पाऊ। अपने घर वालो को भी अचे से समझा सकू ताकि मैं बाद में मंदिर से जुड़ सकू और आपकी सेवा और अच्छे से कर सकू।

जय श्रील प्रभुपाद

My Dear Spiritual Master My Dear Srila Prabhupada,

On this auspicious day of Vyasa –Puja the divine day of your appearance please consider my respectful obeisance. Srila Prabhupada through your teachings, I learned that the whole world is running of the pleasure of the senses, Pleasure of the mind and intellect. And the most important the pleasure of the relations. People are wasting the energy of their thinking, feeling and willing in different person, object and situations. I am thankful to you Prabhupada for giving us the Holy Name. I am thankful to you Prabhupada for giving me whatever I beg to you. Thanking you. Hare Krishna.

Dear Spiritual master Srila Prabhupada,

Please accept my humble obeisance unto your lotus feet. All glories to Srila Prabhupada. You are the pure devotee of Krishna and more merciful because you are the pure devotee of merciful lord chaitanya mahaprabhu so you are even more merciful than Chaitanya Mahaprabhu. And by following you one can easily attain the love of Godhead as you promise "hold the corner of my dhoti tightly I will take you back to godhead". I am very obligatory to you who give me chance to serve Krishna and practice devotional services. Prabhupada I cannot pay your debt even can't think to pay back. Because of some anartha like ego, lording over tendency most of the time I bewilder from this path. Previous year after left the folk hostel I had faced so many problem to do 16 round chanting and very rigorously seeking for Krishna prashadam. Before few month of my exam during that period I was fully frightened and thinking how I will follow next year and then by praying at your lotus feet you make a marvelous arrangement after this personal incident I am fully sure that you take care of your disciple personally and not only this incident even more incident like that and after I had felt same.

Prabhupada a incident which was happened last few month before that make me too much disturb which hampered my sadhana, many night I did not used to sleep and I was cried whole day and night may be because of some affection or attachment to my preacher or maybe I don't want any disturbance in your movement so spiritual master on this auspicious occasion I specially want to pray for my preacher he is a very good devotee and serves you in very good manner. Prabhupada I don't want any bifurcation or any dispute in your movement. I am not eligible to comment on this subject matter but as per my understanding I think maybe this is the teaching. I just want to everything should be well and fine again and on this occasion I have nothing to want anything from you but the only thing please take care of my preacher. It's my prayer from the bottom of my heart.

Gurudeva, you are also Omni present your individual feature by which everyone feels a individual relation with you and take the direction from you and you take care of your disciple individually and I realizing that you taking care of me also I am very thankful to you for your personal protection. And don't let me go from your mission please engage me in your transcendental devotional service. Thank you prabhupada for be in my life and showering plethora of mercy on me and unlimited bliss and strengthen me so that I will able to hold your dhoti tightly.

आदरणीय, पूजनीय श्रील प्रभुपाद के चरण कमलो में मेरा दंडवत प्रणाम।

जब मेरे पास प्रभु का फ़ोन आया और मुझे आपके व्यास पूजा के लिए आपको पत्र लिखने के बारे में मुझे बताया और जब मैंने प्रभु से पत्र के बारे में पूछा तो उन्होंने मुझे बताया की आप जब प्रभुपाद जी के आश्रय में गए उसके बाद आपके जीवन में क्या क्या बदलाव

आये इसके बारे में प्रभुपाद जी को बताना है। तो मैं अपनी बात किसी को बताना चाह रहा था और यह अवसर मुझे आपसे प्राप्त हो गया। आपके कृपा से मुझे अमूल्य जीवन को समझने की शक्ति और सामर्थ्य मिला और इस जीवन का लक्ष्य भी प्राप्त हुआ। आश्रय में आने के बाद मेरे साथ कुछ भी अच्छा नहीं हो रहा था फिर भी कृष्णभावनामृत के संपर्क में आया और मेरा जीवन बदल गया और एक दिन जब मैं श्री श्री कृष्णा बलराम मंदिर में आया और जब मैंने प्रसादम लिया और मेरे मित्र ने बताया की मेरी जॉब लग गयी तो मेरी खुशी का ठिकाना नहीं रहा और यह सब कृष्णा भगवान की कृपा से हुआ। मैंने आपके आश्रय में आने के बाद यह समझा की मेरे जीवन का लक्ष्य क्या है और मैं आपकी पुस्तके पढ़ने लगा और मैं अपने सभी मित्रों को भी आपकी पुस्तके पढ़ने के लिए प्रेरित करता हूँ ताकि उनका जीवन भी आनंद से परिपूर्ण हो जाए। समय कम होने के कारन मैं 1 माला ही जप करता हूँ। अंत में मैं ये कहना चाहता हूँ की आपकी और कृष्ण भगवान की कृपा मुझपे बनी रहे।

हरे कृष्णा श्रीला प्रभुपाद आपके चरण कमलो को सादर प्रणाम।

जब मैं कृष्णभावनामृत के बारे में नहीं जानता था पर फिर कृष्ण की कृपा हुई और मामराज प्रभु ने समझाया की महामंत्र का जप करो -

हरे कृष्णा हरे कृष्णा कृष्णा कृष्णा हरे हरे, हरे राम हरे राम राम राम हरे हरे

और फिर 1 माला करता था और अब 4 करता हूँ। फिर जबसे मैंने आपकी पुस्तके पढ़ी तब से मेरे जीवन में काफी सुधार आया है और अब मैं आपके बताये चार नियम भी पालन करता हूँ।

१) नशा नहीं करना

२) अवैध सम्बन्ध नहीं रखना

३) मांस नहीं खाना

४) किसी के साथ धोका नहीं करना

अब मैं ज्यादा भक्तों की संगत में रहता हूँ। जब मैं हरे कृष्णा की धुन सुनता हूँ तो उत्साहित हो जाता हूँ। अब मैं कृष्णा के बारे में दूसरों को समझाता हूँ की आप भी हरे कृष्णा हरे कृष्णा कृष्णा कृष्णा हरे हरे हरे राम हरे राम राम राम हरे हरे का जप करो।

मैं अब कृष्णाभावनामृत में आगे बढ़ने की कोशिश करूँगा श्रील प्रभुपाद मैं आपके चरण कमलों में दंडवत प्रणाम करता हूँ।

Dear Srila Prabhupada,

I offer my respectful obeisance's unto my spiritual master, who has opened my eyes, which were blinded by the darkness of ignorance, with the torchlight of knowledge." "I offer my respectful obeisance's unto His Divine Grace A.C. Bhaktivedanta Swami Prabhupada, who is very dear to Lord Kṛṣṇa, having taken shelter at His lotus feet." "Our respectful obeisance's are unto you, O spiritual master, servant of Sarasvati Gosvami, You are kindly preaching the message of Lord Caitanyadeva and delivering the Western countries, which are filled with impersonalism and voidism." Thank you Srila Prabhupada for giving me opportunity to serve your mission. On this most auspicious day please give me the strength to follow your instruction sincerely. Please help me and guide me to become a good and humble servant in your movement. I do not have any qualification to serve you and I'm very fallen but I know that it is possible only by your causeless mercy. In the Caitanya-caritāmṛta it is stated. mūkaṁ karoti vācālaṁ paṅguṁ laṅghayate girim yat-kṛpā tam ahaṁ vande śrī-guruṁ dīna-tāraṇam

It is possible by the mercy of the guru, even a dumb man can become the greatest speaker, and even a lame man can cross mountains. As advised by Guru, one should remember this śāstric injunction if one desires success in his life. Please help me to balance my sādhana with my daily duties so that I can attend important tasks and yet keep my chanting and reading in place. This attitude that I can make advancement in Krishna consciousness without proper sādhana is a wrong attitude. Keep me always stay fresh with an attitude of trying to make today better than yesterday. So please be merciful unto me and give me strength so that I can serve you and your mission.

Thank Srila Prabhupada.

In this near about two months of my Krishna Consciousness life , I have achieved a lot. All the auspicious moment what has come to my life it has come by your causeless mercy.

The most important one is my decision of joining TSF A part of akshya patra foundation Service of lord shri shri krishna balram temple and radha Krishna temple and all ur pure devotee which has come true by your blessing. My dear Srila Prabhupad

O ocean of mercy , o saviour of the world ,o my loving spiritual master please accept my humble obeisance unto your lotus feet .On the occasion of your Vyaspuja I am trying to show my gratitude towards you.

I have done so many offences earlier which lead me to the path of material enjoyment & individual sense gratification and even I was not hoping to be a part of such a movement which is working for world's welfare.Unless

your causeless mercy was dripping on me on Sept. 5, 2015. From that moment it has been more than two years. I was in touch with Chaitanya Mahaprabhu's mission (HKM).

I have been in folk hostel (Kota) from that moment you raining your mercy on me. In these 3 years, I have read more than 25 spiritual books and doing 16 rounds chanting daily.

Recently I have taken diksha of Upasak level & promised to follow certain rules and regulations but after some time I came across a situation which bewildered me a lot and due to some bad association, it made me a belief that each and every spiritual organization was wrong. But because of your right guidance, I overcome that situation.

Thank you Prabhupad for helping me in that situation otherwise I may commit so offences which cannot nullify with bhakti also. I know that I am too weak in Krishna consciousness that is the only reason because of which I got bewildered.

But I promise you Prabhupad that I become so strong in Krishna consciousness that never ever such kind of situations will affect me. Only because of your mercy now I am on right path and promise you to always be on it.

Hoping that you always be merciful on me as you were earlier.

Your most fallen servant

Dear Spiritual master,

His Divine Grace A.C. Bhaktivedanta Shрила prabhu pada,

Accept my humble obessiances. You are always an ocean of mercy for the disciples. It is a great fortune that I am given the chance to serve the mission of the Lord without any qualification. It is only because of u I am connected with the holy name the supreme bliss. This mantra is not only cleaning my heart as well as also developing my love for the god. I am really observing lot of changes in myself. Without you I don't think I would have ever chanted this Hare Krishna mantra. Really a disciple can never repay even a little of the love which you have given. I pray unto your lotus feet O spiritual master always keep me as your servant, never ever let me detach from yourself so that I can work for the pleasure of krishna. Your most fallen disciple begs mercy from you, O master always keep myself in your service.

Thus, I sincerely pray to guide me through right path to understand the spiritual truth not just by intellectual conviction. Prabhupada, as you always taught us there is no use of dry intellect. Srila Prabhupad- your name which bought significant changes in my life not only mine but also many. Before you come into my life, I led a goalless , reckless and how silly that I don't know to have a goal in life. I have so many doubts running in my mind since my childhood and didn't concentrate much on clearing them up but one day I heard your magical voice which made me rethink about myself and rose my doubts which were there from a long time but this time I got an urge to clarify them as your teachings exactly matches with my doubts. To say it

straightforward my life had taken a U-turn which I never expected before and all I can say is it's just because of you Prabhupada. It is from you who I take inspiration in doing things as you started your journey for Krishna even with so many obstacles keeping Krishna in mind, soul and actions. I am very weak and struggling to fight with maya as I am fed up being always defeated in that fight where I remember during my college days when I used to be so dedicated to devotional service, now it's becoming so difficult Prabhupada as there are much more distractions to keep my mind away from, my only hope is you and it will be you. I want you to be with me in this path and guide me as you always do, please do forgive me for any offenses that I have committed towards you, I am here begging your mercy to give me all the strength to overcome fear and hesitation in doing anything in Krishna's service. I would expect only one thing from you as your servant that to provide shelter under your lotus feet life after life on this auspicious occasion of your appearance.

Hare Krishna,

Respected

Srila Prabhupada. Please accept my humble obeisance. All glories to Srila Prabhupada. All glories to you on this auspicious day of your vyasapuja.

With due respect , I am sharing experience and entry of Srila Prabhupada in my life.

In 2008 I had appeared for Gate exam , however my exam score was not good , so decided to prepare for next Gate exam in year 2009 , after last result I was disappointed with my performance and for the change of restless mind , I decided to go to my village Rajani in sangali district (maharashtra) for vacation . One day I alone had decided to watch movie in theater at tehsil place (kavethe mahankal) so i went there and watched the same. After that for return to my village I went to bus station to pickup bus , however as per enquiry from help desk , i got to know that one bus would be available for return after one hour. So in this leisure i was wandering around the bus station , mean while my eyesight turned towards the one book shop & then I thought to go there to see magazine or newspaper . Somehow I saw one book of title as " Bhagavad Gita as it is " By A.C. Bhaktivedanta Swami Prabhupada , since childhood I have been very much passionate and inquisitive towards Krishna & Ram related stories off course any thing like TV serials Mahabharat & Ramayana ,so as usual I took that book in hand and trying to check inside pages , by seeing it seemed nice book to read and I was too interested to read Bhagavad Gita since along as it's belong to Krishna. Then I saw author of book as name "A.C. Bhaktivedanta Swami Prabhupada"

& signatures at Sydney Australia , so i surprised that why could any one from India went Australia to write Bhagavad Gita I mean to say why it was in other country instead of India. Finally I purchased that book and came to home (This is the first knocking door by Prabhupada in my life). During vacation I tried to read Bhagavad-Gita and somehow completed in due course with little bit understanding.

After one year I got good score in Gate exam 2009 and finally got admission for M tech course in NIT calicut Kerala , first semester session was difficult for me due to change of place, food , environment & language. All students of college stayed in hostel that was also my first experience in life to stay away from home.

Somehow I successfully completed the first semester . One day my friend mr. sharad and mr. sunil told about Iskcon temple near to collage , where on sunday Bhagavad-Gita lecturer by prabhu ji from Mangalore Iskcon was arranged , till that time I was not knowing about what is Iskcon ?

One day I went there along with them in temple then Karuna sagar prabhu was delivering lecture on Bhagavad-Gita and after this " Sankirtan " was done , during this time I was seeing Prabhupada photo on wall and surprised who was that person , which I saw on Bhagavad-Gita book one year back (This is the actual entry by Prabhupada in my life and that remain till today) , after enquiry I got to know about Prabhupada as he had founded Iskcon which spread across the world .

Then i used to attend sunday program in temple and participate in volunteer activities & chanting , gradually I got know that more about Prabhupada and what type of work done by him and what is the need of the same for human society , it is really uncomparable and memorable.

How it is possible for any man at the age 70's to go other countries to preach Bhagavad-Gita as instructed by his Guru maharaj , how any anybody could have such patience , dedication & strong believe on God (i.e. Supreme personality of Godhead "Krishna").

Prabhupada told who is god krishna , how krishna is supreme , how to love krishna, how to please god Krishna, how to go back to Godhead (krishnalok).

I really impressed and passionate of Prabhupada and strongly considered as my Guru Maharaj from soul for my journey towards back to Godhead and strongly believe on him and on his instructions.

I used to read Prabhupada books, hear lectures & watch past videos of Prabhupada & chanting Hare Krishna within the compass of my normal daily activities.

What precious gift (i.e. key) given to me by Prabhupada is "Hare Krishna" Mahamantra and what is the road is nothing but the chanting rounds and association with devotees and finally after reaching at destination (i.e. back to god head) open the door of krishna lok by secret key i.e. Hare Krishna.

"Thank you very much my ever well wisher Prabhupada."

Please continue your kindness on your humble servant of servants

Most respected and divine Srila Prabhupada ji

Please accept my humble obeisances at your divine lotus feet.!

All glories to you on this most auspicious occasion.

It is Srila Prabhupada who in the modern times revolutionized the Bhakti movement and more importantly the view with which the world looked at the Bhaktas and the Bhakti movement. Due to you Prabhupada ji I was drawn more towards Lord Krishna right from my school days itself. It was due to the clear guidelines of how a Hari Bhakta should live given in the Bhakti Rasamrita Sindhu or several other books of ISKCON that I got a perfect idea of how my services to the Supreme Lord Sri Krishna should be rendered daily as well as on special occasions.

Due to your insistence to rely only upon Lord Krishna and upon the Maha mantra only for one's true emancipation inspired me to apply his teaching in my real life. Truly in my real life Srila Prabhupada your teachings and commentaries have been of ultimate value O Swami Srila Prabhupada ji I have no words to express my limitless

thanks to you, to your teachings, your books and the vast legacy of saints that you have left behind in order to teach us how to reach Lord Krishna in this life itself. I offer you unlimited Pranams, O Srila Prabhupada! Hare Krishna.

On this very auspicious occasion of Vyasa pooja O Srila Prabhupada I hereby fall and prostrate before your feet and ask for forgiveness and also request you earnestly to lead me to Lord Krishna. I know in my present state of life I am more like a "crow" and not like a "swan" mentioned in your books. Hope I get a chance to realize the supreme in this life itself by your unlimited grace O guru Srila Prabhupada.

You have been a living force in my life. Through your grace I have been lucky to be associated with great Swamis of ISKCON like Swami Sanandana Dasa. I can't amply thank you as my powers are very limited compared to the unlimited spiritual benefit that you have bestowed upon me. Still I venture to thank you O Prabhupada!... Thank you Prabhupada

JaiPrabhupadad

The world is filled with so many cheaters in every field of activity and people in general are also attracted by such cheaters gladly due to ignorance. In such a pitiful condition, you have come to deliver the pure, transcendental and unadulterated message of Lord Krishna with the only intention of saving them from repeated birth and death, which is the cause of all sufferings. But unfortunately, people still do not appreciate your magnanimous contribution despite your hard labor in delivering the message in the simplest way. To make those unfortunate people fortunate to receive and understand the message of Lord, you have given so many ways to purify the sinful life to such unfortunate persons, which is obstructing one from advancing, through prasadam, temples, deity worship, chanting the holy names in the association of devotees etc. When one follows the process, which is elaborated by you in many of your books and through your instructions, one is sure to go back to Godhead in the very same life.

I have been searching for my happiness from millions of births, but being unsatisfied in every attempt, I've finally, in this human form got the fortune of your association through your instructions and your disciples. So, I wish to carry on this great fortune birth after birth and constantly engage in the Service you and their Lordships – Radha and Krishna. I sincerely thank you and grateful for all your contributions which are like oasis in the middle of a desert. I wish to express my gratitude by sincerely following your instructions and perfecting my life, for which I sincerely beg your kind wishes, which alone can give me spiritual strength.

Dear Srila Prabhupada;

Please accept my humble obeisances unto your lotus feet. Today is a very auspicious day for me to express my gratitude to you. This ceremony is coming once in a year, but I cannot completely glorify you even if I do so continuously for many years, because it is not possible to understand the mercy of a spiritual master. I am a fallen soul completely absorbed in materialistic life, always struggling for maintaining my false existence, always wanting some illusory material pleasure which is non-permanent and always desiring to be an illusion. In spite of having all this anarthas, how can I understand that this material world is actually not a place for me to live? But by the causeless mercy of Krishna somehow or other you have come in my life and have given me transcendental knowledge. This is your causeless mercy and nothing else. I can never pay you for your causeless mercy, I am eternally indebted to you. This is actually the second birth for me, actually, everybody is getting birth from his mother that is called first birth but if someone gets the mercy of a spiritual master, then it is called a second birth. Otherwise, there is no hope in this material world which is a continuous cycle of birth and death. Every living entity in this material world is subjected to die and then take birth again, so this is a cycle of birth and death. Only by the mercy of a spiritual master like you, one can realise that this material happiness is actually not happiness.

So my dear spiritual master Srila Prabhupada I request you sincerely to shower your mercy upon me eternally so I can follow your instructions nicely. Please give me spiritual strength so I can enthusiastically be an instrument in your divine mission. Maya is so strong, it can come in any form or in any way, so I want protection from your sides. Please give me the shade of your Lotus feet so I cannot be touched by Maya in any way.

Dear Srila Prabhupada,

Please accept my humble obeisance unto your lotus feet on the most auspicious occasion of your divine appearance.

Srila Prabhupada, you are the most confidential servant of Sri Krishna, you have spread Krishna consciousness throughout the world and have given the suffering souls an opportunity to come under your shelter. It is only by your causeless mercy only that one can have an inclination towards Krishna and His devotees. Srila Prabhupada you gave the whole world the Hare Krishna maha-mantra, transcendental book, maha prasadam, deity worship, gorgeous temple and devotee association which can make a human form of life successful very easily.

When you were registering the ISKCON society in 1966, at that time one person told you that it is better if society registered by the name of the international society for God consciousness, then you told if we know the name of the God then why I should not use the specific name of God, Krishna. This is your specific quality being the confidential servant of Krishna you are always attached to Krishna.

Srila Prabhupada, It is by your causeless mercy only that I have come to Krishna consciousness. I am grateful to you for giving me an opportunity to associate with Vaishnavas. I am having so many anarthas and am not able to follow your instruction sincerely and seriously. Please be merciful upon me so that I overcome the anarthas and serve your mission very nicely. Please bless me so that I may become a servant of your servant.

I offer my respectful obeisances unto His Divine Grace A.C. Bhaktivedanta Swami Prabhupāda, who is very dear to Lord Kṛṣṇa on this earth, having taken shelter at His lotus feet.

Our respectful obeisances are unto you, O spiritual master, servant of Sarasvatī Gosvāmī. You are kindly preaching the message of Lord Caitanyadeva and delivering the Western countries, which are filled with impersonalism and voidism.

Dear Srila Prabhupada,

I thank you for giving me an opportunity to serve your mission. In serving your mission I might have committed many mistakes, I request you to forgive me. You have given me such a nice platform to practice *bhakti*.

I thank you Srila Prabhupada for giving me your mercy in various ways such as Prasadam, preaching the philosophy of Krishna consciousness, practising *bhakti*, dancing in kirtan, morning *sadhana* program, book distribution program and your books.

When I read your books, I feel very satisfied. In this world to get the *bhakti* is very difficult, but by your mercy, I have got the attraction for it. I beg for your mercy.

Dear Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet. All glories to you on this auspicious day of your Vyasa Puja.

Probably I could never understand how spiritual master guides a sincere soul. But I can feel the transformation in me during this one year of my Krishna Consciousness life. Now I understand, it was your causeless mercy only that I could get a chance to start my spiritual life.

Srimad Bhagavad Gita explains that there are four kinds of pious men who render devotional service to the Supreme Lord: the distressed, the desirer of the wealth, the inquisitive, and he who is searching for the knowledge of the absolute. These persons come to the Supreme Lord for devotional service under different conditions. These are not pure devotees for they have some aspiration to fulfill in exchange for devotional service. But you have very kindly appeared to deliver all such conditioned souls. Your Krishna Consciousness movement is meant to convert these types of people to devotees.

By your causeless mercy, you opened my eyes with the torchlight of knowledge, which helped me to cross over the distress and ignorance. On this most auspicious day, I humbly beg you to continue to shower your causeless mercy on me so that I can serve your mission. Please forgive my offenses and I beg to remain under the protection of your divine lotus feet all the times.

Dear Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet.

Because of Hare Krishna Movement I came to know about such pure knowledge. Entire Hare Krishna Movement's story has remained as a guiding torch on how one should serve Lord with utmost devotion. Your blessings helped us to know about the Lord Sri Krishna and saved us from struggling through our sacred Sanskrit texts.

Yours sincerely, Bhaktha Atharva Sudheer Nijasure.

All glories to Srila Prabhupad. All glories to you on this auspicious day of your Vyasa Puja.

Srila Prabhupad, thank you very much for being part of my life as my spiritual master. Prabhupad its your causeless mercy only due to which I began to understand the path of spirituality. You gave the aim of life, that is, to achieve Love of Godhead. By your divine books, lectures, conversations, interviews you convinced the whole world that

Krishna is the supreme personality of Godhead. Srila Prabhupad your pastimes are very beautiful and heart touching. Due to you, Prabhupad, I have developed a giving tendency inside me. Due to you I have developed patience, humbleness, gratitude and many more identical things inside me. And its you who made us realize God and our relationship with Him.

Prabhupad, please forgive my offences and give me strength to follow your instructions as it is. Please bestow your mercy and give me a chance to serve you personally and keep me under your shelter, always.

Dear Sublime, Pure and Perfect Srila Prabhupada,

Your transcendental Vaishnava gift to the fallen souls of this planet is continuing in ways this fallen soul can not even comprehend. I may never ever serve Your Divine Grace in the correct way, I may never know fully the gift of pure devotional service which you generously offer to any and all souls who will forsake false ego and simply take full shelter of your lotus feet. But this I am vaguely aware of: Your Divine Grace somehow began picking up this lost, searching soul out of a painful existence 6 years ago when I first heard your teachings, first read a small book. Your Divine Grace lead me to Bhagavad-Gita As It Is, sent your disciples to feed me the Lord's Prasadam.

Your Divine Grace gave me a place to stay, taught me to rise early, to glorify with Japa, Tulasi Worship, Guru-puja, hearing Srimad-Bhagavatam, honoring Prasadam, Sankirtan, book reading, preparing offerings. But that must have been too pure and simple for this contaminated soul. You asked me to follow the four regulative principles and to chant 16 rounds and three Gayatri Mantras a day, indeed I vowed to Your Lotus Feet that I would do so, but I am not doing so. Your Divine Grace asked me to not find fault, but I found fault. Still, not a day goes by when I do not remember Your Lotus Feet, when I do not try to engage in some tiny bit of service to the propagation of your Sankirtan Movement, in the midst of a life not unlike the one I would have continued had Your mercy not picked me up.

Srila Prabhupada, to say I am sorry for leaving your service sounds lame and shallow. To ask you to forgive me, when I am not willing to become the disciple I promised to be, seems equally so, and hypocritical and stupid as well! But this fallen soul lacks all shame, so I do ask Your Divine Grace to forgive all my terrible faults. Please see only that pure soul, part and parcel of Krsna, who will one day revive the constitutional Krsna Consciousness, only by Your causeless mercy. This soul is forever in Your debt, lifetime after lifetime.

Your fallen disciple, mentally falling in tired prostration at Your lotus feet.

Dear Srila Prabhupada.

Please accept my humble obeisance. All glories to Srila Prabhupada. All glories to you on this auspicious day of your vyasapuja.

I still remember the day I came to meet one of your devotee asking him the meaning of life and why are we so much attracted towards the materialistic things. From that day till today I am thankful to him to teach me the purpose of human life. This made me realize how you had transformed millions of lives throughout the world. Thanking you would not be sufficient for the work you did for the human life and your preachings are still making people get away with the materialistic benefits and devoting their lives to serving and pleasing Krishna. One thing I can say

for sure that nothing can calm our mind better than the Hare Krishna mantra and you made people realized this that is unparallel. Accept me as your servant and please forgive me for my mistakes.

Always remain your devotee might not be by practice but from the heart.

Dear Srila Prabhupada,

All glories to you on this auspicious day of your appearance. Please accept my humble obeisance.

First of all I want to thank you, my spiritual master, for showering your mercy on this insignificant servant of yours. Thank you for showing me away in this dark world full of ignorance through your torch of spiritual knowledge. Before coming across your humble, faithful servants I was searching for the truth about this world in so many sources, always trying to find out the meaning of this life. I was being misguided by so many false gurus and so called spiritual leaders. But when I came across your devotees and your priceless Books, I knew I had found something much more valuable than 1000s of gold mines or even trillions of gold mines. I used to be like an atheist, not believing in God, but when you told me about him, I have developed a little love for him. I have many times felt your presence when you mystically solve my doubts through your books or any material thing even. Everybody who is not recognising God and becoming a servant to him is a criminal and that is why all of them are unhappy. Thank you for giving me the source of true happiness, true knowledge, true power and true eternity, this Mahamantra. I can never be relieved of your debts for all eternity, but my dear Guru Maharaj, my dear Srila Prabhupada, Please engage me in your service. I am a very very stupid person because at regular time intervals, I somehow begin to lose interest in spiritual activities, but please Srila Prabhupada, save me from myself.

Please make me your humble servant and say to Lord Krishna that I am sorry for not being able to surrender to him even though you have been telling me to do this for 3 years now. I am trying to surrender. I do 16 malas but sometimes I miss it due to my callous behavior or being affected by modes of material nature. I know missing chanting is an offense, for which I am sorry and I am looking for making this habit of chanting 16 rounds permanent.

Thank you for being with me all this time and I have full faith in you that you will help me till the end of this human life. Please take me Back to Godhead. I dont want to take birth again in this material world. Please give me the gift of Bhakti. I am very much arrogant sometimes because I do not follow your rules of Mangala arati and many others, please forgive me for that. I will follow these rules and regulations (Mangala arati, regular 16 rounds, daily SB hearing, regulative principles and devotee association) strictly from now onwards, I promise. Please forgive me if I fumble in start, but I am definitely going to make this a permanent habit within 1 month. If I fumble after 1 month, then you can punish me.

All glory to the messenger of Lord Krishna, Srila prabhupada ji

Please accept namaskar of your dear servant at your lotus feat.

I was wandering here and there for eternal peace inspite of having everything sufficient for a person to live happily.

It is only due to your devotees Pandav Sakha prabhu and vishnu prabhu who further imparted me and many of my fellows the transcidental knowledge of bhagwad-gita by which we came to realize true worship.

The chain of making people krsna-consciousneas started from srila prabhupada ji and its the eternal power of hare krishna that has transformed me and so many people around world to become krsna conscious.

It is due to you only that a true guidance is now available to people to become free from this material miseries.

In last only one thing I want to say,

Always keep you causeless mercy onto us ,always keep protecting us from going onto path of ignorance,always keep us away from sinful activities and keep blessing us that krna always keep loving us.

All glories to Srila Prabhupada. All glories to you on this auspicious day of your Vyasa puja.

I am very fortunate that I came into your disciple contact, I was totally ignorant about this very human life, before coming in touch with you Srila Prabhupada's. One of my friends told about Krishna consciousness bhakti. I had visited with him to know about this Krishna consciousness. I attended mangal arati and all morning program called sadhna bhakti in the temple itself. I was eager to know about this Krishna consciousness. Then I purchased some books of you Prabhupada. Thereafter I had known to Purpose of life, why we are here, how to perform our duty and how to serve Krishna and spiritual master while working in this material world.

I am showing gratitude towards you with writing some points...

Association of Prabhupada's /Prabhupada's disciples is very necessary for fighting maya elements. Service to Krishna is important not to Maya service. Because "A devotee may not be perfect at first, "but if he is engaged in service, once that service has begun he can be purified. Service is always there, in the material world or the spiritual." But service in the material world could not bring satisfaction to the self. Only bhakti, purified service, service rendered to Kṛṣṇa, could do that. And the best way to serve Kṛṣṇa was to serve the representative of Kṛṣṇa.

You gave me the opportunity to serve your mission.

All Glories To Srila Prabhupada,

Sometimes, we as a human being do not understand the value of the gifts or the possessions we have in our life. We try to take it for granted. And sometime back I realized I am also like everybody else. I had a such a wonderful gift from you Prabhupada and I took it for granted. A gift which no one can present me, which I cannot buy with any price and alas I wasted it. Even after reading books written by you, listening to your lectures, I kept on going into the marsh land of Maya. In beginning I was realizing what's happening, but slowly and gradually I started ignoring the symptoms and then finally stopped paying attention to my condition also. I started enjoying everything except the spiritual life. Prabhupada I am an offender and I have done sins, for which any teacher should have punished me. But then what Shashtra's say "śrī-guru karuṇā-sindhu, adhama janāra bandhu" always stands true.

It is because of your mercy, that your disciples extended their hands from saving me to drown in the vast ocean of Maya. I am thankful to you Prabhupada for showering your mercy me once again and repetitively arranging a mechanism to make me remind the real goal of life. And, even after multiple slippages right now, you are keeping me in your shelter somehow. I cannot repay for this Prabhupada, but what I can do is to pray with my folded hands to give me the strength to keep in serving you in one way or other. I sincerely pray to you to give me the strength to chant 16 rounds of "Maha-mantra", follow regulative principles, read your books and do every bit possible to follow the spiritual path laid by you.

All glories to the spiritual master, A.C. Bhaktivedanta Swami Srila Prabhupada,

I pay my humble obeisance unto your lotus feet. My earnest gratitude, for the showers of blessings that you bestow upon us.

Prabhupada by your benevolent grace, this wandering soul has found comfort and stability in your lotus feet. Prabhuji, you held my hand like a guide in a forest, who helps you reach your destination safely by avoiding wild animals and obstacles. In a similar way, you held my hand and walked me through all the difficulties in life, thereby giving me a direction. You taught us the meaning of karma and how important it is for us to diligently do our duties. You taught us the real meaning of bliss and how to achieve liberation.

You gave us the wonderful and holy Bhagavad Gita, which is a guide on how to live life. You broke down complex problems into simple examples so that even a layman can understand and imbibe what has been written. The conversation between Lord Krishna and Arjuna has taught me so many valuable lessons. The importance of faith, patience, actions, to name a few. You taught us, that materialistic knowledge will remain only for this life, but the knowledge of BG will remain is our soul forever. You help us in the path of liberation, which is simple and not complicated to follow.

We are blessed that you descended down on earth, and taught us how to be in oneness with the lord. May your merciful hand bless us devotees, so that we can always differentiate the right from wrong, treading the path of enlightenment.

I am falling short of words to express your glory. As your glories cannot have a full stop, but a comma to continue further.

Praise be to Lord Krishna! Jaya Prabhupada!!

Dear Srila Prabhupada.

All Kudos to you and your mission of Krishna Consciousness which has actually turned a lot of people into devotees of Lord Krishna.

I really feel very very happy when I see foreigners doing chanting, performing kirtan completely oblivious to the world in the pious city of Vrindavan. I am impressed because you went there at the age of seventy and spread the teachings of this mission and by your Grace, so many people were transformed into spiritual beings. Iskcon centers have been opened at many places all over the world where people give vent to their feelings and feel themselves nearer to God and consequently are driven away from the worldly vices. What an achievement Prabhupada Ji! To wean away people from the bad company which is itself a remarkable and a real service to the humanity. We wish that by the grace of Lord Krishna and your heavenly blessings, this movement, which has already taken deep roots, spreads further by taking more and more persons into its fold. Hari Bol!

All glories to you on this auspicious appearance day of your divine grace. Srila Prabhupada, I feel so indebted to you for your causeless mercy upon me. You worked hard day and night to write books to deliver fallen souls like us. You're an ocean of mercy as you gave me a chance to study transcendental knowledge even when I didn't have the slightest of qualification. Whatever I'm Srila Prabhupada, I'm because of you. I can't even imagine my position in this material world without Krishna Consciousness.

You're such a great teacher. You preached us through your own example. It feels like even reading about your life leads to our purification. I got in touch with Krishna Consciousness by one of your blessed devotees. It is your mercy that brought me to the right source of knowledge and blessed a

squandering and lost soul like mine. Thank you Srila Prabhupada for being so merciful. I feel I don't even have the qualification to write this Vyasapuja offering to you, still, you gave me a chance. I'm so fallen that even after you explain the knowledge so clearly and in a simple manner, I'm not able to understand the seriousness and urgency of it. I'm so foolish that I still can't give up my attachment to the things and people of this temporary world. I'm so fallen that even after knowing that it's wrong, I can't stop myself from committing sins. I'm in such a disgusted and fallen state, still you blessed me and gave me a chance to purify myself. Please give me the strength and intelligence to understand the seriousness of it and practice the path of devotional service. Please never abandon me for without your mercy, I'll not be able to come out of the clutches of Maya. I'm so fallen that Maya traps me at every step. Please give me the determination to overcome it and practice Krishna Consciousness sincerely.

Please forgive me for the sins that I commit every moment of my life at your lotus feet and bless me so that I develop attraction for the holy names of Lord. I promise you that I'll try to practice Krishna Consciousness more sincerely and would not let you down.

Please accept my humble obeisance.

All glories to you on this auspicious day of your vyaspuja”

This is equally acceptable as an opening to your offering.

By your blessing when I joined this movement to till now I felt so many changes in my heart. Many demonic have been removed. Now also many bad qualities I have. It's sure by your grace that will also be removed. All this happened due to devotion service (especially LLP service). Many times I felt your presence & association by codes & messages. In this way my faith has increased towards you. In my life LLP service played a big role. Because of this I realised that by the grace of Krishna everything is possible. Krishna is the only doer. In this service I learnt tolerance and patience. Whenever lust increases your instruction through authority or by your codes I overcome. By your grace I am getting many services like pujari which is direct service to Krishna. I feel more satvick. No doubt every service is equal.

Because of you I feel very close to you and Krishna. Whenever I feel challenges in my life you guide me. Always you are protecting me through instruction. So you are only my real father. So please Prabhupada always protect me from maya & guide me so that I can serve you & Krishna nicely. Please Prabhupada always reveal knowledge in my heart so that I can become a nice devotee of Krishna & disciple of you. Because I want to become a humble devotee. My only wish is to live under your shelter throughout the whole life. It's your mercy that you are accepting service from me even after committing so many offenses because you have real compassion and big heart towards your disciple. By serving you only I can get real happiness. So please Prabhupada don't leave me and always protect me. Without you my spiritual life is zero.

Dear Srila Prabhupada,

Please accept my respectful obeisance unto the dust of your lotus feet on this auspicious day and all glories to your Divine Grace.

I have no words to sufficiently glorify Your Divine Grace. Your Glories are unlimited like a sky and I am a miserable soul and really I am an insufficient & insignificant soul to describe Your glories. But still You are like a merciful father accepts the broken words of his child. Every year I struggle to glorify to Your Divine Grace and yet another year passed away.

I always think very fortunate to have such a great Spiritual Master and I never thought that I will get such a bonafide Spiritual Master and Bonafide Sampradaya and within ISKCON also we are very rightly situated by the guidance of Senior Leaders & their guidance. Just like Akshaya Patra children getting every day Sri Krishna Prasad without their knowledge and Krishna also blessing them in an unlimited way we are also blessed to take your shelter directly without any intermediate Guru.

You have mercifully written the great Vedic literature in English language and gave instruction to all your devotees without any discrimination and anybody anywhere in this world can receive your guidance and mercy if they stick on to Your instructions and also they feel Your Divine presence. In one of Your letter You said,

"The spiritual master is present wherever his sincere disciple is trying to serve his instructions. This is possible by the mercy of Krishna. In your attempts to serve me and in all your sincere devotional sentiments I am with you as my Guru Maharaja is with me. Remember this always." (Srila Prabhupada Letter, December 1, 1973).

But in spite of the presence of such a Nectar of ocean, my mind is always taking pleasure in sense gratification. (Visayi-Garbage) Knowingly again and again drinking the poison of sense gratification. Alas! My life is passing away and even though I have a great opportunity to taste the Nectar of Krishna Consciousness, I am interested in drinking the abominable poison of sense enjoyment.

On this auspicious day of Your Divine Vyasa Puja I am praying to Your Lotus Feet again and again make me strong internally so that I should follow your instructions very rigidly and very firmly. And also forgive my Vaishnava Aparadha to Your Divine Grace/Devotees/Deities knowingly / unknowingly committed.

At last once again Thank You Srila Prabhupada for giving this wonderful devotional service and please allow me to remain your servant eternally.

Your most fallen servant,

Nandana Acharya Dasa

Nikhilatma Dasa

Dear Srila Prabhupada

Please accept my humble obeisance.

All glories to Srila Prabhupada. All glories to you on this auspicious day of your Vyaspuja.

All glories to my dear Gurumaharaj. As Lord Krishna tells in Bhagavad Gita

"tad viddhi pranipātena paripraśnena sevayā upadekṣyanti te jñānam jñāninas tattva-darśinaḥ"

Just try to learn the truth by approaching a spiritual master. Inquire from him submissively and render service unto him. The self-realized soul can impart knowledge unto you because he has seen the truth."

Other than your Divine Self there is no other way to gain the right spiritual knowledge. You have so mercifully imparted the right knowledge of Krishna Consciousness on a fool like me. Your mercifully coming on this planet and pouring the pure transcendental knowledge on the conditioned souls is just like drowning man getting air to breathe or a man in desert finds an oasis. In this desert of material world your Grace has just come to spread the beautiful garden full of aromatic flowers of Krishna Consciousness.

My dear Lord by your mercy only I am able to practice Krishna Consciousness in spite of being in tough conditions. This fool is trying to practice Krishna Consciousness as per your instructions Srila Prabhupada. But not able to follow completely due to many challenges. Srila Prabhupada you have always very nicely cared for this worthless soul but I am so useless I cannot even reciprocate the love which you have shown to me. Thus I beg you to shower special causeless mercy on me.

In the dense darkness of material world
when the tamas has caught its cold
when the demons have got the world on its hold
and when the kali has fully rolled
There emerges an angel from the spiritual world
with the spiritual heat to melt off the dark cold
with the lightning strength to cast off demons who hold
to cut off the kali rolled
with a spiritual torch of knowledge
lighting up the conditioned souls who had been to Kalis college
making us understand who we are
that we are the soul not this material car
I pray to you my dear father
keep me in service of Sri Krishna and never further
even though I am a fool, rascal and unqualified
keep me in Krishna's Lotus Feet solidified
For you are my master birth after birth
for you have all the love and nothing dearth
for keeping me always close to your bosom
even though in all the demoniac species I may blossom
Begging to remain under the shelter of your Lotus feet life after life.

Dear Srila Prabhupada,

Please accept my obeisances at your lotus feet. All glories to your Divine Grace

It gives me immense pleasure to glorify you. Even though I am not qualified to glorify you, but just attempting to glorify pure devotee like you will please lord Krishna and it purifies me. So I am making an attempt to glorify you.

sakshad-dharitvena samasta-sastrair uktas tatha bhavyata eva sadbhih

*kintu prabhor yah priya eva tasya vande guroh sri-caranaravindam ***

"In the revealed scriptures it is declared that the spiritual master should be worshiped like the Supreme Personality of Godhead, and this injunction is obeyed by pure devotees of the Lord. The spiritual master is the most confidential servant of the Lord. Thus let us offer our respectful obeisances unto the lotus feet of our spiritual master."

In the Srimad-Bhagavatam (11.17.27) it is said:

*acaryam mam vijaniyan navamanyeta karhicit
na martya-buddhyasuyeta sarva-devamayo guruh*

"One should understand the spiritual master to be as good as I am," said the Blessed Lord. "Nobody should be jealous of the spiritual master or think of him as an ordinary man because the spiritual master is the sum total of all demigods." That is, the Acharya has been identified with God Himself. He has nothing to do with the affairs of this mundane world.

From the above verses, one can know the real position of Acharya i.e., Prabhupada. I am such a fool not able to understand your position and follow your instructions properly. So simply being conscious of your position one will be relieved of all miseries, and will be situated in the transcendental platform.

One of the heart touching past time about you to me, narrated by Satyabhama Mataji.

"This shawl is made of the wool from our own sheep. It is spun and woven here at Gita-nagari. It is the first piece we have made. While I was working on it I would always think of you, how I was supposedly making you a gift.

But actually, you are giving me the gift of engagement in devotional service. Srila Prabhupada, I always pray to Lord Nrsimhadeva to protect you and allow you to stay with us to finish your books.

But I think today the rain falling from the sky is actually the tears of the demigods, crying at the prospect of your departure. I am also crying. Even Krishna cried at the passing of Grandfather Bhishma. So I have a right to cry. I cannot be so philosophical to say that you are always present in your books and teachings, though I know these things are true. I will miss you so much, Srila Prabhupada, if you go. I beg that I may always remain your menial servant and devotee.

"Thank her," said Srila Prabhupada, and he reached for the shawl – "Made with our wool."

"So you'll take rest now, Srila Prabhupada?" suggested Tamala Krishna.

"Umhm," said Prabhupada. "This can be on the foot." And he gestured that the saffron-colored shawl be put as a blanket on his bed. Tears came from his eyes as he lay back."

So I am waiting for the day when I will be crying for you from your separation. It is said disciple should cry from the separation of his spiritual master.

So again and again, I thank dear Srila Prabhupada for bearing me one more year in your house.

On this auspicious day, I pray to you give me the strength to follow your instructions, respect devotees, not to commit any offenses at the feet of you and your disciples. Also do services to my best capacities. Also I beg you to make a part (like a squirrel in Lord Ramachandra's past time of building bridge) of building a wonderful temple in Mangalore chapter.

All Glories to Srila Prabhupada

My Worshipable Srila Prabhupada,

Please accept my respectful obeisance's at your lotus feet whose dust can deliver entire Universe.

Dear Srila Prabhupada,

I take this opportunity to convey my gratitude and thanks to you to choose me to become the part of your this glorious Hare Krishna Movement. Thank you for giving me the shelter at your lotus feet. Now I pray that I may not budge an inch from this although I may not be able to do it.

Greatest achievement in all the three planetary system will be to take shelter at your lotus feet. In every life one gets a father and a mother but it is only by great fortune that one can get a real genuine bonafide spiritual master like His Divine Grace A.C Bhaktivedanta Swami Prabhupada.

If at all I have done any punya karma, let the result of that be that I remain eternally engaged in your seva.

Sometimes I take great pride to be part of this great family whose members are like Brahma, Madhva, Lord Chaitany. Sometimes because of my rascal mind, I forget the value of what you have given and turn towards the materialistic way of sense gratification life. Please give me an iota of Bhakti of what you have towards your Spiritual master. So that I can also take the instruction of my Spiritual Master as my life and soul.

As you told spiritual life is like walking on the razor's edge, I am very fearful that I may not fall down back to the materialistic way of life. That's why I very ardently and repeatedly pray to you with my folded hands and prostrated obeisance's "O!, my Lord O!, my Father please force me to follow all your instruction. please force me to act in a

way which you think is good for me. Please arrest my free will and let it be surrendered unto your lotus feet. Please force me to follow the course given by you. Because O! Master, You only are my Father, you only are my Mother, You only are my Brother, You only are my Friend, You only are my Wealth, You only are my Knowledge. Actually You only is Everything for me. So please guide me. Let me become one of the atoms of the dust of your lotus feet so that I can always remain close to you.

Finally I beg forgiveness for all my offenses and for your eternal blessings to continue with this movement and engage myself eternally according to your instruction.

Trying to become your humble eternal servant,

Dear Srila Prabhupada,

Kindly accept my humble obeisance at your lotus feet.

On this auspicious occasion of your appearance day, I take an opportunity to thank you for blessing me with an opportunity to serve your glorious mission-a stadium in which we can practice the game of devotional service and you are the coach. It's a game because you presented Krishna consciousness in a very relishing perspective. Every book published would make you happy, every devotee joined temple would give immense joy to you, every center opened would enthrall you visit them like this every progress in KC would make you feel glad and in this way, you taught the standard of happiness to devotees. Even amidst challenges, infamy, troubles you would exhibit increased faith and dependency on the holy name for eg. When in Germany the ISKCON hit the headlines as "Hare Krishnas are bad" you changed the devotees paradigm by saying -at least in this way they have chanted HARE KRISHNA, and when you are becoming successful people become critical about you, don't worry, chant Hare Krishna. In this way, you left the prototype to encounter the challenging situations in KC life. You are the perfect coach in the play of samsara.

Srila Prabhupada, although you are training me perfectly I, am not taking the lessons taught by you impaired by my own ignorance starting from inattentiveness in chanting, I beg your mercy to chant with the rapt attention which will lead to all success as far as further progress in KC is concerned.

Srila Prabhupada my respectful obeisance unto your lotus feet.

Srila Prabhupada it is by our causeless mercy that I have got the chance to chant the holy name the Lord(Hare Krishna Hare Krishna Krishna Krishna Hare Hare Hare Rama Hare Rama Rama Rama Hare). Please give me the strength to continue the chanting process eternally. Give me proper intelligence so that I will never forget your lotus feet. Prabhupada I have entered Grhastha Asrama and by your mercy and Lord Krishna's mercy I have got a wife who support's my practicing of Krishna Consciousness. Please give this fool proper intelligence not to become a Grhamedhi. Gurudeva I am able to realize that by your ocean of mercy I am able to remain Krishna Conscious.

Prabhupada by your mercy I am getting my material needs of the body. By your mercy I am able to understand the value of human life which is meant for reviving dormant Krishna Consciousness. Otherwise I would have wasted this life in vain pursuit of sense gratification and glide down to hell and lower species of life. By your mercy I have been saved. By your causeless mercy only one can get detached from material attractions. I am very weak in spiritual life due to my inability to follow your instructions, please give me the strength to follow your instructions.

By your kindness I am able to receive the transcendental knowledge in the form of your lectures and books. Your books are the only hope for suffering fallen conditioned souls to get out of the material darkness and see the spiritual perspective of human life and become free from the forest fire of material existence.

Please give me an opportunity to render service to your Hare Krishna Movement. Please save me from falling into a dark well of material life. Please give me a chance to associate with your devotees. Please make me your humble servant. Please give me shelter at your lotus feet.

Dear Srila Prabhupada.

Please accept my humble obeisances at your divine lotus feet.

All glories to Srila Prabhupada. All glories to you on this auspicious day of your Vyasa Puja.

Prabhupada, I have no one apart from you, You are my father, my friend and my spiritual master, You are my life and soul, your words are my life and soul. This world is full of fake relationships and fake friends, who will be good so long you are good to them and will be bad (forgetting the good things that we have done) if you are bad to them, irrespective of circumstances. But it is only you Prabhupada, who despite me committing greatest offenses, still you are accepting me and engaging me in Krishna's service and giving everything, nice sumptuous Prasadam, nice devotee association, Dham Yattras, Golden opportunity to engage in Krishna's service each and every second, 24 hours a day. What else I want ? but I am so much fallen that I am unable to make complete use of it. Kindly look at my heinous condition and bestow your mercy, so that maya can be totally kicked off from my life and do only Krishna & Vaishnava Seva day and night.

Just like a poor person, though there are a million varieties of more relishable enjoyments available to him, he eats or enjoys only those things which he can afford for, because he has very less money. Similarly me, who is an insignificant beggar and do not have any spiritual currency cannot relish the transcendental pleasure of devotional service, unless a pure devotee like you, showers mercy upon me.

On this auspicious occasion of your appearance day, for your transcendental pleasure and for my spiritual progress, I would like to promise you that I will be chanting daily 16 rounds of Hare Krishna Japa, no matter what and follow 4 regulative principles, attend sadhana every day. But this is not possible without your mercy upon me. Like an insignificant beggar, I humbly beg at your lotus feet to bestow upon me your causeless mercy and accept me at your divine lotus feet.

Please Forgive this fallen soul for the offenses that I have committed at your Lotus feet and give me the Strength and Intelligence to practice and preach Krishna Consciousness constantly.

Your most Fallen Servant,

Bhakta Ajay Kumar.

Dear Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet.

Srila Prabhupada, your entry in my life is just like the entry of **Hero** in the movie. who changes everything in the movie. Same things happened with me. You change the whole scenario of my life, that today I know what is the real purpose of human life. Otherwise I was wasting my whole life in sense gratification which is specially made for the animal form of life.

At the age of 70, everyone preparing for **Retirement**, but at age of age 70 instead of going to **Retirement**, you go for **Retry**. Retry for fulfilling the Spiritual Master order. And because of this, Sri Chaitanya Mahaprabhu sankirtana movement spreading all over the world.

You take All this efforts & sacrifice your whole life for us only.

You gives your shelter to fallen soul like me.

Your personal presence in my life in the form of your Books & lectures all ways help in me materialy as well as spiritually.

Whatever you had done for us is priceless.

Thank you very much Srila Prabhupada.

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet.

Due to your causeless mercy I am here in this movement and able to understand the purpose of human life. I was living just like cats and dogs but you taught us how to live a prefect human life according to our scriptures. You are just like a perfect captain who can take us to the right destination.

I am just like a drop of water on the leaf of lotus flower that keep on moving and cannot stay steadily for a long time. Hence, I beg your mercy to execute devotional service steadily throughout my life.

I cannot pay back to you for what you have given us but still I will try my best to serve you. At last, I pray at your lotus feet to be merciful unto me so that I can follow your instructions rigidly.

Revered Srila Prabhupada,

Thousands of salutations at your lotus feet.

I joined Vijaya Bank in the year 1971 and had several transfers. Where ever, I was posted I was looking for a Guru., who could teach me Bhagavad Geetha. I looked out for a Guru, in the Himalayan ranges, Ganga and Yamuna Banks, Pushkarani lake, but I could not find a Guru.

I retired from the Bank in the year 2007, visited this Temple a few times, but could not understand the working methodology of the Temple. In the year 2012, Vishnupada Prabhu, caught hold of me and explained the systems of the Temple, and explained about the Guru.

Thereafter, I started visiting the Temple regularly and started reading Bhagavad Geeta, Bhagavatam, Chaitanya Charitamrutha, and The Nectar of Devotion.

All these books are treasure houses of Adhyatmika Knowledge. I also have read many more books written by You Srila Prabhupada. These books are worth donating to our friends and relatives.

The power of the Maha-mantra is really amazing if we recite 16 rounds daily it is equal to 2.76 crore times of Vishnu Sahasra nama. We accumulate tremendous quantum of Punya daily. The Prasad prepared by the Temple is the best in the world. Hence, the easiest, and the best way to get into the Bhakti path is to chant the Hare Krishna Mahamantra, and enjoy the Prasadam.

The sound vibration of Mantra, penetrates our Manassu, budhi chitha, falls ego and touches the Atma or soul., and it gets purified, when the Soul is purified, it controls the senses, then we can easily follow the four regulative principles, of no illicit sex, no meat eating, no alcohol, and no gambling.

I sincerely thank Srila Prabhupada, for teaching us this great human science and Bhakti Marga through Jnana Marga.

I appeal one and all to understand the Bhakti Marga and follow the teachings of the great Guru, Srila Prabhupada and get liberated.

Dear Srila Prabhupada,

Please accept my Humble Obeisances at your Lotus feet.

By your causeless mercy I got the opportunity to follow the Bhakti Yoga the highest level of yoga Practice in the easiest way by chanting the Holy name of the Lord. You have blessed me to taste the mercy of the Lord in the form of Prasada.

Kindly give the strength to follow the same process throughout my life.

Thank you for your kind mercy on this insignificant soul.

Your most insignificant begger,

Bhakta Ramakrishna

Dear Srila Prabhupada

Please accept my humble obeisance's. All glories to you. All glories to you on this day Vyasa Puja.

As per your instructions I get up early in the morning between 4.30 am to 5 am. After having a complete bath and wearing freshly washed clothes, I rush to the room where I do the chanting. These are the happiest moments of my life for that day. After chanting about eight rounds I proceed to our puja room and start cleaning the altar. Afterwards decorate the deities and the photos with flowers.

Again as per your instructions do dupa deepa and flower to you Holy statue form and other murthies and pictures of Shri Krishna, Lord Narashimha, Shad Gosamies and various Shri Krishna photos.

I feel very happy while singing Gurushtaka, Narashimha Pranama, Tulasi Pranama and kirtana, Guru Pada Padme, Nama Kirtana (I am especially fond of this) and finally Guruvandana.

After this we offer morning prasadam prepared with love by my wife Lakshmi. We try and eat Krishna prasadam only.

While offering sometimes but not very often I remember this Shloka from Shrimad Bhagavadgita:-

patram puspam phalam toyam yo me bhaktya prayacchati

tad aham bhakty-upahrtam asnami prayatatmanah

(If one offers to me with love and devotion a leaf, a flower, fruit or water I will accept it)

We also offer prasadam at noon.

Dear Prabhupada You have inspired me to read Shrimad Bhagavatam every day, presently, I am reading 3rd Canto, Ch 5. text 46. And also I read at least one shloka from Shrimad Bhagavad Gita just before I go to sleep.

All this has made me a better individual and I beg to make a better individual from here.

Although it is very tough to give up sense enjoyment, I beg you to lead me on a path to enjoyment only to Shri Krishna. I don't want to be a karmi who eats, drinks and be merry.

Please lead me to make my mission in life to reach Lord's abode, Vaikunta Loka. Please lead me to gain my constitutional position of remembering Shri Krishna always. I beg you to make an intelligent person and my final destination to gain your love.

To quote your noble words "If one develops unalloyed love to Lord liberation will follow the devotee as his maidservant" unquote.

Again quoting you" The fallen condition of the living entity is entirely due to forgetfulness of their relationship to God"

Dear Prabhupada I beseech you not let me forget my relationship with God, always.

In conclusion, as it is said in Shrimad Bhagvatam by the Demigods' Lord your Lotus feet are like an umbrella for the surrendered souls protecting from all miseries of material existence. All the sages under that shelter throw all material miseries. we therefore offer our respectful obeisance under Your lotus feet

I remain under the shelter of Your lotus feet always,

Your humble servant,

Bhakta Raturaj

Respected Srila Prabhupada.

Please accept my humble obeisance. All glories to Srila Prabhupada. All glories to you on this auspicious day of your Vyasa puja.

With due respect, I am sharing experience and entry of Prabhupada in my life.

In 2008 I had appeared for Gate exam, however my exam score was not good, so decided to prepare for the next Gate exam in the year 2009, after the last result I was disappointed with my performance and for the change of the restless mind, I decided to go to my village Rajani in sangali district (Maharashtra) for vacation . One day I alone had decided to watch a movie in a theater at tehsil place (kavethe mahankal) so I went there and watched the same. After that for a return to my village, I went to the bus station to pick up bus, however as per enquiry from the help desk, i got to know that one bus would be available for return after a one hour. So in this leisure, i was wandering around the bus station, meanwhile my eyesight turned towards the one bookshop & then I thought to go there to see magazine or newspaper. Somehow I saw one book of title as "Bhagavad Gita as it is" By A.C. Bhaktivedanta Swami Prabhupada, since childhood I have been very much passionate and inquisitive towards Krishna & Ram related stories off course anything like TV serials Mahabharat & Ramayana, so as usual I took that book in hand and trying to check inside pages, by seeing it seemed nice book to read and I was too interested to read Bhagavad Gita since long as it belongs to Krishna. Then I saw author of book as name "A.C. Bhaktivedanta Swami Prabhupada" & signatures at Sydney Australia, so I surprised that why could anyone from India went Australia to write Bhagavad Gita I mean to say why it was in another country instead of India. Finally I purchased that book and came home (This is the first knocking door by Prabhupada in my life). During vacation I tried to read Bhagavad-Gita and somehow completed in due course with a little bit understanding.

After one year I got a good score in Gate exam 2009 and finally got admission for M tech course in NIT Calicut Kerala, first-semester session was difficult for me due to change of place, food, environment & language. All students of college stayed in the hostel that was also my first experience in life to stay away from home. Somehow I successfully completed the first semester. One day my friend Bhakta Sharad and Bhakta Sunil told about Iskcon

temple near to college, where on Sunday Bhagavad-Gita lecturer by Prabhu ji from Mangalore Iskcon was arranged, till that time I was not knowing about what is Iskcon?

One day I went there along with them in temple them Karunya Sagar Prabhu was delivering lecture on Bhagavad-Gita and after this "Sankirtan" was done, during this time I was seeing His Divine Grace's photo on wall and surprised who was that person, which was on Bhagavad-Gita book one year back (This is the actual entry by You, in my life and that remains till today), after enquiry I got to know about Srila Prabhupada as he was founded Iskcon which spread across the world. Then I used to attend Sunday program in temple and participate in volunteer activities & chanting, gradually I got to know more about Srila Prabhupada and what type of work done by him and what is the need of the same for human society, it is really incomparable and memorable.

How it is possible for anyone at the age 70's to go other countries to preach Bhagavad-Gita as instructed by your Guru Maharaj, Srila Bhakti Siddhanta Thakura, how anybody could have such patience, dedication & strong believes on God (i.e. Supreme Personality of Godhead "Krishna").

Srila Prabhupada, You taught us, Who is god?, How Krishna is supreme?, How to love Krishna?, How to please Lord Krishna, How to go back to Godhead? (Krishna Loka). I really impressed and passionate of you, Srila Prabhupada and strongly considered His Divine Grace as my Guru Maharaj from the soul for my journey towards back to Godhead and strongly believe in you and on your instructions Prabhupada

I used to read your books, hear lectures & watch past videos of you, Srila Prabhupada & chanting Hare Krishna in within the compass of my normal daily activities.

What precious gift (i.e. key) given to me by you, Srila Prabhupada is "Hare Krishna" Maha-mantra and what is the road is nothing but the chanting rounds and association with devotees and finally after reaching at destination (i.e. back to Godhead) open the door of Krishna Loka by open secret key i.e. Hare Krishna.

Thank you very much for my ever well-wisher Prabhupada."

Please continue your kindness on your humble servant of servants

Dear Srila Prabhupada,

On this most auspicious occasion of Your appearance day and celebration of Sri Vyasa Puja please accept my respectful and humble obeisance. All glories to your Divine Grace.

Gurur brahma gurur Vishnu gurudevo maheshwara

Guru sakshat parambrmha tashmai sri gurave namah.

The above shloka is fully applicable to our Guru Srila Prabhu Pada who appeared 122 years before to guide us in spirituality and to give us insight about the higher purpose of our existence. His full name appears as Abhay Charanaravinda Bhaktivedanta Swami Prabhupada. He took Sannyas at the age of-1959 and started writing commentaries on Vaishnava scriptures which were very effective and far-reaching to the hearts of masses. He took up a journey at the age of 69 years to fulfill the desire of his Guru Bhaktisiddhanta Saraswati to spread the Krishna consciousness. His journey by Jaladuta, a cargo ship to America was not easy but he took this ordeal because it was God's call to create awareness about the purpose of life and living as well as achieving Moksha through Krishna. Later he traveled throughout the world and successfully communicated the message of Krishna through his influential communication and writings. He founded ISKCON in 1966.

I have been associated with ISKCON for more than twenty years and can say confidently with my experience that teaching and writings of Srila Prabhu Pada can bring a pious and positive change in our life if perceived carefully and properly. The writings are authentic and fully substantiated with the references from our various and valuable scriptures. To say a few *The Bhagavad Gita As it is*, *Srimad Bhagavatam* and *Krishna* are great to work which has given the real meaning of Bhagawan's message in a comprehensible manner. The teachings are conveyed in so much simple and practical way that any common person, who may not have a spiritual bent of mind, can understand it and apply in his life easily.

He has suggested the easiest way to enter in spiritual life which if followed leads to the toughest achievement of Bhakti. In fact, his way of understanding Bhakti suggests the simple process which if one follows, gets the bliss which will be unlimited and everlasting. Such a wonderful and simple process of achieving Moksha through Krishna consciousness is told by our Guru that the whole humanity will remain grateful to him forever. Starting with the Japa of maha-mantra... HARE KRISHNA HARE KRISHNA KRISHANA KRISHNA HARE HARE HARE RAMA HARE RAMA RAMA HARE HARE and getting deeper and deeper in Bhakti is only possible through teachings of Prabhu Pada.

A spiritual master is one who takes from darkness to light of spiritual knowledge. He opens our eyes and shows us the true path. Our spiritual Master is so kind to all that He Himself taken all kinds of troubles in old age to guide the mankind in general to Krishna Consciousness which is the highest goal of life. Generally, we are so fallen that we are unable to understand the very purposes of our life. We are simply living our life like animals and wasting this valuable human form of life in false enjoyment. If not guided by our spiritual master we are sure to continue in this cycle of birth and death. No chance to get out of it. It's due to you, O Srilanka Prabhupada, that at least we realise the purpose of our life. It's because of you only that we know what is Krishna Consciousness. It's because of you that today we are chanting the holy name of God. Nothing is possible without your mercy.

I offer my respectful obeisance's unto my eternal spiritual master, who has opened my eyes, which were blinded by the darkness of ignorance, with the torchlight of knowledge.

For me Srila Prabhupada is dearest spiritual master and loving father. My life was parched despite good education and profession. I wasn't deeply satisfied until I came across SCIENCE OF SELF REALISATION which completely changed my life.

Prabhupada your nectarian words are the only solace to my life. Each day and every moment I am inspired by your lectures and purports. Whatever state I am in as soon as I read your purports or listen to your lectures I am immediately comforted.

I have realized that I can't chant purely or become fully realized without your causeless mercy. I am fully dependent on you, kindly help me to fully surrender unto your lotus feet.

Dear Srila Prabhupada,

Please accept my humble obeisances

All glories to your divine grace on this auspicious day of your Vyasa puja.

Your divine grace is unparalleled, unprecedented which can easily clean the contamination present in the hearts of even most wicked, selfish and materialistic people of this internet age. I know how difficult it is to change the people's deep-rooted ideas to enjoy this material world but to the surprise of everyone, you transformed their same passionate plans onto rendering devotional service to Krishna by setting up the society of devotees all over the world and constructing beautiful temples for gorgeous deity worship which is next to impossible for any conditioned soul. Forget about believing in god, any sane man can even understand that there is a blissful life awaiting everyone to live eternally in the association of god, just by seeing the amazing change you brought out in the lives of so many fallen people like me. By your divine grace, I'm able to realize many things clearly which u have told on the authority of sastras. And now there is no need to even analyze with this speculative mind rather than to fall prostrate at your lotus feet and beg your shelter.

The stunning diamond of Krishna consciousness life which is the lost treasure of every jiva has now been reclaimed by the sadhana marga you gave to us as a counter to maya. How is it possible for anyone to measure your divine mercy in exchange for some menial service. Oh Srila Prabhupada! Your sight is sanctifying to my eyes! your chanting is undying in my ears! your compassion is out crying to my mind! your words are purifying my heart! your sankirtana is electrifying my nerves! your devotion is intensifying my body and your love is outpouring unconditionally unto me which is the only thing I long for. Please forgive me for all the offenses committed unto you and give me the required strength in progressing towards the ultimate goal of life to serve Krishna.

Begging to remain under the shelter of your lotus feet

My humble and respectful obeisances unto

His Devine Grace A.C. Bhaktivedanta Swami Prabhupada,

I have been in ISKCON since year 1993, International Society for Krishna Consciousness established by you as Founder Acharya in year 1966, propagating Hare Krishna Movement.

In the year 1986, when I had been to Bombay, I had an opportunity

to visit the Hare Krishna Temple and was very much impressed by the functions of Temple as per the guidelines laid down by you. Later in the year 2000, fortunately I could meet one of ISKCON Prabhus, who visited my house in Mangalore for preaching, He advised me to become Life Member of ISKCON which I did. Since then I started associating with ISKCON and visiting Temple regularly attending Sankirtana, Bhajans, Arathi, tasting Krishna Prasad, and participating in various festivals like Sri Krishna Janmashtami, Rath Yatra etc.

I am sure that by your Blessing I became a devotee of Sri Krishna. Sir, the system you established in ISKCON Temples is a unique one, giving an opportunity to all the devotees whoever visiting the Temple to participate in Sankirtana which one would rarely find in other Temples except may be in Panderapura. I consider myself very fortunate by getting this opportunity to participate in Sankirtana thus enhancing my spiritual life and be with Lord Sri Krishna in mind during Sankirtana and Bhajans.

Earlier I used to read Baghavath Githa occasionally, but later having started visiting ISKCON Temple, I am blessed to listening pravachanas on both Srimadh Bhagavatha and Sri Baghvath Githa regularly bringing solace and peace to my mind.

Seeking your kind Blessings for the enhancement of my spiritual life,

Bhakta Umesh Rao K

Dear Srila Prabhupada,

Please accept my humble obeisance at your divine lotus feet.

All glories to Srila Prabhupada.

Prabhupada, It is only by Your causeless mercy that a wandering soul like me came in touch with Krishna consciousness. Thank you Srila Prabhupada.

Though you have given me the direction for my life, I am so unfortunate that I am still not able to surrender unto you fully and follow your instructions. It is only by your help and blessings that all the material dirt in the form of desires present in my heart due to ignorance can be removed and develop attachment for Krishna's service. You are my real father who can save me from this meaningless material existence which is actually of no hope, full of anxiety and suffering. You are the most compassionate Acharya who has distributed Lord Chaitanya's mercy to all the fallen souls in the form of Krishna's holy name. Thank you Srila Prabhupada.

On this I most auspicious day I humbly beg you to bless me with the spiritual strength to follow your instructions and be a part in serving Lord Chaitanya's mission. Please forgive my offenses and give me the intelligence to use my free will to progress in spiritual life.

Begging to take your complete shelter and protection

In my life you are acting as a lighthouse in the Ocean of miseries and you have handpicked me and make me conscious about Krishna, gave me the opportunity to utilize my life for back to godhead for which I was not at all qualified. Your Divine Grace has given me Hare Krishna Mahamantra, I have no words which can express your blessing how it is acting on me personally, now I feel more confident energetic happy and can think of the higher sense of life and it keeps on increasing. Thank you Srila Prabhupada for all whatever you have done in my life.

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet.

All glories to you on this most auspicious appearance day of your divine grace.

Prabhupada, by your grace I have been chanting 16 rounds daily. I am also reading Bhagavad Gita As it is daily. From a long time I had the desire to serve in the temple. And recently by your blessings, I have got the opportunity to do so.

Prabhupada, I had recently watched the movie depicting how you had started the Krishna Consciousness movement, the struggles and various challenges you had to face. But still you didn't deter and went on to build 108 temples around the world. Thank you Prabhupada for doing so. Because my actual journey in the Krishna Consciousness began when I started going to the ISKCON temple. I got the opportunity to associate myself with the devotees and learn from them. I participated in the kirtan due to which my devotion and love for the Supreme Lord increased. I got to learn more about Krishna and Krishna Consciousness through Your divine Grace lectures. Thank you once again Prabhupada.

Please bless me so that I continue to chant 16 rounds and read Bhagavad Gita As it is daily without fail. Please bless me and my family so that we can continue to serve in the temple. Please bless me so that I continue to serve Krishna and ultimately reach his lotus feet.

I came into Krishna Consciousness rather late in my life, such a great loss. But, ever since then after coming into this movement I am fully conscious of changes in my life I have become calm and more patient

I love to prepare Krishna Prasaadam every morning and noon which we offer every day

And whenever I get an opportunity to do kitchen service at the temple, I am always eager to take it.

Even though I love to read books by Srila Prabhupada I am not able to do so because so much time is taken for running the household.

But I and Prabhu listen to class from Bangalore temple many times in the week.

All this made me a sober and happier person.

I beg Srila Prabhupada to bestow upon me His mercy all the time and take me under the shadow of His lotus feet forever

Dear Prabhupada,

You have opened my darkened eyes and enlightened me with the transcendental knowledge. It is only due to Your special mercy that I am today into Krishna Consciousness. It is because of Your mercy that I am able to chant Hare Krishna everyday. Without Your mercy, I would have not got an opportunity to serve Krishna. You have given beautiful deities, Holy names, temples, wonderful sankirtanas, association with devotees and the taste of Krishan Prasadam. Please forgive me for the offenses I have committed. Your books are so powerful that just by reading them one can become a devotee of Krishna and attain perfection.

So please accept my humble obeisances and please give me Your blessings so that I will remain fixed on the path of devotional service to Krishna.

ಭಗವಾನ್ ಶ್ರೀಕೃಷ್ಣನ ಚರಣ ಕಮಲರಾಗಿರುವ ಶ್ರೀಮದ್ ಭಕ್ತಿ ವೇದಾಂತ ಸ್ವಾಮಿ ಪ್ರಭುಪಾದರಿಗೆ ಗೌರವಪೂರ್ಣ ಪುಣಾಮಗಳನ್ನು ಅರ್ಪಿಸುತ್ತೇನೆ.

ಸ್ವಾಮಿ ಪ್ರಭುಪಾದರೇ ನಿಮ್ಮ ಮಹಿಮೆ ಯಶಸ್ಸು ಕೀರ್ತಿ ಗೌರವ ಅಪಾರ. ನೀವು ತುಂಬಾ ಸರಳರು, ಸಜ್ಜನರು, ಸಹನಶೀಲರು, ತ್ಯಾಗಮಯಿಗಳು ಹೃದಯಸ್ಪರ್ಶಿಗಳು, ಕರುಣಾಮಯಿಗಳು ಎಷ್ಟೋಮಂದಿ ಗುರುಗಳು, ಸಂನ್ಯಾಸಿಗಳಿಗಿಂತ ನೀವು ತುಂಬಾ ತುಂಬಾ ಶ್ರೇಷ್ಠರಾಗಿದ್ದೀರಿ.

ನಿಮ್ಮ ಕೃಪೆಯಿಂದ ನಾವು ಇವತ್ತು ಕೃಷ್ಣ ಪ್ರಜ್ಞೆಗೆ ಬಂದಿದ್ದೇವೆ. ನೀವು ಜಗತ್ತಿಗೆ ಅನೇಕ ಕೊಡುಗೆಗಳನ್ನು ನೀಡಿದ್ದೀರಿ. ಈ ಜಗತ್ತಿನ ಜನರ ಒಳಿತಿಗಾಗಿ, ಲೋಕ ಕಲ್ಯಾಣಕ್ಕಾಗಿ ತನ್ನ ಜೀವನವನ್ನೇ ತ್ಯಾಗ ಮಾಡಿದ್ದೀರಿ. ನಮ್ಮ ಜೀವನದಲ್ಲಿ ಅಜ್ಞಾನವೆಂಬ ಕತ್ತಲನ್ನು ಹೋಗಲಾಡಿಸಿ ಜ್ಞಾನವೆಂಬ ಬೆಳಕನ್ನು ನೀಡಿದ್ದೀರಿ. ಯಾವುದೋ ಕವಲೊಡೆದ ದಾರಿಯಲ್ಲಿ ಹೋಗಿ ಭಗವಂತನ ಸೇವೆಯನ್ನು ಮಾಡುವುದಕ್ಕಿಂತ ನೇರವಾಗಿ ಒಂದೇ ದಾರಿಯಲ್ಲಿ ಹೋಗಿ ಅದು ಕೃಷ್ಣನ ಸೇವೆಯನ್ನು ಮಾಡಲು ಕಲಿಸಿಕೊಟ್ಟ ನೀವು ನಮಗೆ ದಾರಿ ದೀಪವಾಗಿದ್ದೀರಿ. ನಿಮ್ಮ ಆಶೀರ್ವಾದದಿಂದ ನಾವು ಈಗ ದೇವರ ಆರ್ಚಮೂರ್ತಿ ಮನೆಯಲ್ಲಿ ಇಟ್ಟುಕೊಂಡು ಪೂಜೆ ಮಾಡುವುದು ಅವರಿಗೆ ಶೃಂಗಾರ ಮಾಡುವುದು, ನೈವೇದ್ಯ ಮಾಡುವುದು, ಅಭಿಷೇಕ ಮಾಡುವುದು, ದೇವಸ್ಥಾನದಲ್ಲಿ ಸೇವೆಯನ್ನು ಮಾಡುವುದು ಎಲ್ಲವನ್ನೂ ದಯಪಾಲಿಸಿದ್ದೀರಿ. ಜಾತಿಮತ ಭೇದವಿಲ್ಲದೆ, ಮೇಲುಕೀಳೆಂಬ ಭಾವನೆಯಿಲ್ಲದೆ, ಎಲ್ಲರಿಗೂ ಕೃಷ್ಣನ ಸೇವೆಯಲ್ಲಿ ತೊಡಗಿಸಿ ಭಕ್ತಿಯ ಮಾರ್ಗವನ್ನು ತೋರಿಸಿಕೊಟ್ಟಿದ್ದೀರಿ. ನಿಮಗೆ ಎಷ್ಟು ಧನ್ಯವಾದಗಳನ್ನು ಹೇಳಿದರೂ ಸಾಲದು.

ನೀವು ಪ್ರಚಾರ ಮಾಡಿದ ಹರೇಕೃಷ್ಣ ಮಂತ್ರವು ತುಂಬಾ ಪವಿತ್ರವಾದುದು. ಈ ಮಂತ್ರವೇ ನಮಗೆ ರಕ್ಷಣೆಯಾಗಿದೆ. ನಮ್ಮ ದಿನನಿತ್ಯದ ಕೆಲಸ ಸೇವೆಗಳನ್ನು ಮತ್ತು ಸಾಧನೆಗಳನ್ನು ಗಡಿಯಾರದ ಮುಳ್ಳು ಯಾವ ರೀತಿ ತಿರುತ್ತದೋ ಅದೇ ರೀತಿಯಾಗಿ ಮಾಡಬೇಕೆಂದು ನಮಗೆ ಆದೇಶವನ್ನು ನೀಡಿದ್ದೀರಿ, ನಿಜವಾಗಿಯೂ ಈಗ ನಾನು ನಿಮ್ಮ ಆಸೆಯಲ್ಲಿ ಇದ್ದುದರಿಂದ ಭಗವಂತನಿಗೆ ವಿವಿಧ ಬಗೆ ಬಗೆ ರೀತಿಯ ಭಕ್ತಿಗಳನ್ನು ಮಾಡಿ ನೈವೇದ್ಯಮಾಡುವುದಕ್ಕೆ ಕಲಿತುಕೊಂಡೆ.

ಇದರಿಂದ ಮನಸ್ಸಿಗೆ ತುಂಬಾ ಖುಷಿಯಾಗುತ್ತದೆ. ಎಷ್ಟು ಕಾಲದ ಪುಣ್ಯದ ಫಲದಿಂದ ನಿಮ್ಮನ್ನು ಗುರುಗಳಾಗಿ ಪಡೆದಿರುವಂತಹ ನಾವೆಲ್ಲರೂ ತುಂಬಾ ಧನ್ಯರು ಮತ್ತು ನಾವು ಅದಕ್ಕೆ ತುಂಬಾ ಅಭಾರಿಗಳಾಗಿದ್ದೇವೆ.

ಇನ್ನು ಮುಂದೆಯೂ ನಿಮ್ಮ ಆಶ್ರಯದಲ್ಲಿ ಇದ್ದುಕೊಂಡು ನಿಮ್ಮ ಪಾದದ ಧೂಳಿನ ಚಿಕ್ಕ ಕಣ ಎಂದು ಎನಿಸಿ ನಿಮ್ಮ ಹಾಗೂ ಭಗವಾನ್ ಶ್ರೀ ಕೃಷ್ಣನ ಸೇವೆಯನ್ನು ಹೆಚ್ಚಾಗಿ ಮಾಡಲು ಅವಕಾಶ ಅನುಗ್ರಹಿಸಬೇಕೆಂದು ನಿಮ್ಮಲ್ಲಿ ವಿನಮ್ರವಾಗಿ ಬೇಡಿಕೊಳ್ಳುತ್ತೇನೆ. ನನ್ನಿಂದ ಯಾವುದೇ ರೀತಿಯ ವೈಷ್ಣವ ಅಪರಾಧ ಆಗದಂತೆ ನನ್ನನ್ನು ಈ ಭಕ್ತಿಯ ಮಾರ್ಗದಲ್ಲಿ ಮುನ್ನಡೆಸಬೇಕೆಂದು ಕೇಳಿಕೊಳ್ಳುತ್ತೇನೆ.

ಇತೀ ನಿಮ್ಮ ಪಾದದ ಧೂಳಿನ ಸೇವಕಳು

My Dear Spiritual Master Srila Prabhupada,

Hare Krishna!

Loving Master, I beg of You to accept my humblest obeisances. All glories to Your divine grace and boundless mercy!

As I start to pen down my Vyasa puja offering to You, I find myself at a complete loss of words. Making an attempt to describe the uninterrupted flow of Your grace, is way beyond my limited capacity and ability to express.

Humbly beg and pray to You, that I may always be at the receiving end of Your unfathomable grace, as it is 'the' only solace for a lost soul like mine.

Beg and pray that I may never ever be forgetful of the countless opportunities You send my way, so as to be able to work on myself.

Beg and pray of You, to always guide me in conducting myself in the shadow of gratitude to You and to the innumerable messengers, who You so graciously send along just so that I may not stray away.

Thank You from the innermost core of my soul oh loving Master.

With a heart full of Your love,

Hare Krsna Dear Srila Prabhupada.

I pay my sincere obeisances unto you,

As you are the divine personality sent by Lord Sri Krsna to us.

Prabhupada, by your grace and blessings I am chanting 10 rounds. I hope to reach 16 rounds soon. I am also reading your books. By reading them I have understood a little better about Krishna and Krishna Consciousness. Thank you Prabhupada. Me and my family have also got the opportunity to serve in the temple. Please bless us so that we continue to do the same.

You are just like a precious pearl placed in the core of an oyster,

You are like a burning candle in the murkiness,

A gem, which is more valuable, more glinting than diamond.

You are like a star sparkling, twinkling in the dimness,

Which makes the sad, depressed faces smile.

You, My dear Srila Prabhupada, are a personality, a true spiritual master

Whose only aim in life was to remove the blindfold of material desire from the eyes of the people, who are unknown to the spiritual world.

You saved innumerable souls from entering into the material darkness.

You, stopped our horrifying journey, the unsafe, precarious route, to hell,

By instructing us to chant the Maha-mantra "HARE KRSNA HARE KRSNA

KRSNA KRSNA HARE HARE HARE RAMA HARE RAMA RAMA RAMA HARE HARE”.

I have always seen you, as a quintessence of Krishna’s devotee, a great preacher

And a perfect spiritual master.

I, request you my master, to bless me so that I follow your lotus footsteps,

And imbibe the principles, you asked us to do.

I honestly apologize for my mistakes which I may have committed knowingly or unknowingly.

Please accept me as your disciple.

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet.

All glories to you on this most auspicious appearance day of your divine grace.

Prabhupada by your grace and blessings I have been able to progress a little in Krishna Consciousness. I have been chanting 10 rounds and I am increasing 2 rounds every week.

And by your blessings, I hope to reach 16 rounds soon.

I am also trying to read Bhagavad Gita As it is daily, one or two slokas which have proved to be a boon in my life and my journey in Krishna consciousness. I can’t thank you enough for this because I have been able to understand Krishna and Krishna Consciousness a little and in a better way by reading the Bhagavad Gita and your divine purports.

I had been trying to read your books for a long time and for some reason I couldn’t. But now by your grace, I have started reading and I am eager to read more. I am able to understand Krishna and Krishna consciousness more and you have explained everything in a very simple and beautiful way. It is true that though you are not physically present here, you are still with us, guiding us towards Krishna Consciousness. I have experienced it. By your blessings I and my family have also got the opportunity to serve in the temple. Please bless us so that we continue to do the same.

Please bless me so that I can proceed further in Krishna consciousness, that is, to chant 16 rounds daily without fail and to read your books and try to understand Krishna and Krishna Consciousness in a better way. Please bless me and my family so that we remain on the Krishna Consciousness path, serve Krishna and fulfill this life’s purpose, that is, to reach the supreme lord’s abode.

Dear Srila Prabhupada

My Lord and most beloved Spiritual Master,

“I was born in the darkest ignorance, and my spiritual master His Divine Grace A.C Bhaktivedanta Swami Prabhupada opened my eyes with the torch of knowledge. I offer my respectful obeisances unto him. ”

“O all-merciful spiritual master, representative of the Supreme Personality of Godhead, when my mind will be completely surrendered unto your lotus feet, at that time, only by your mercy, I shall be able to get relief from all obstacles to spiritual life, and I shall be situated in blissful life.”

Every year, there is only one phenomenon that happens Prabhupada. I keep disclosing my weaknesses and Your Divine Grace keep bestowing your causeless mercy on this fallen and wretched soul.

Your Divine Grace keep giving and bestowing your causeless mercy on me and I am not able to repay in any possible way, although, I know this Prabhupada, that even if I try to do anything for Your Divine Grace, all Shakti has to come from Your Divine Grace only.

Therefore, I sincerely express my desire Prabhupada that I want to become a sincere disciple of Your Divine Grace and I wait for that day when I will be able to bring smile to Thy Lotus Face.

Aspiring to be your good disciple

Adinarayana Dasa

Dheer Gopal Dasa

Dear Srila Prabhupada,

Please accept my humble obeisances at the dust of your lotus feet!

Another year has passed that you have kept me under your shelter and engaged me in serving your mission. A year filled with new experiences and learnings. It is said that the conception of good and bad is simply a creation of this mind, still being conditioned and entrapped within the influence of the mind, I could recollect some “good times” when you made me experience the enthusiasm to serve Your Divine Grace and some “bad times” when I felt dull and dejected due to my own indolence and lack of Krishna consciousness, still you kept me going and made me learn important lessons.

The Supreme Lord Krishna appeared 5000 years ago and instructed to surrender unto Him. This is the only way one can get the mercy of Krishna and go back to Him. To practically teach how to engage in the devotional service of Krishna & surrender unto Him, Krishna Himself appeared again as Sri Krishna Chaitanya Mahaprabhu around 500 years ago! He demonstrated the easiest method to serve Krishna in this age and attain His love by widely propagating the Harinam Sankirtan.

To continue the legacy, as predicted by Sri Chaitanya Mahaprabhu Himself, you appeared as His commander-in-chief to spread the Holy name across every town and village of this world! You are the jagadguru, the saviour of the whole world! You are a goloka man but out of the Lord's sweet will, you so mercifully descended to this material world to uplift the fallen souls like me and make them the happy devotees of Krishna by spreading Krishna bhakti.

Thank you Srila Prabhupada for giving me this most sublime life filled with Krishna consciousness. You are the ocean of mercy from which one can derive as much as he desires sincerely. Thank you for engaging me in serving your mission in some way or the other, although I am unqualified to do so. You are most merciful and your forbearance has no bounds. Thank you Srila Prabhupada for keeping me in the association of your devotees. To practice Krishna consciousness is possible only in the association of Vaishnavas. Thank you for giving me the ability to chant the Holy name.

While I write this letter, I also feel to submit my plea and beg for your constant causeless mercy. In spite of having such a wonderful life, I do not value it the way I should! I also am not able to value and respect the Vaishnavas from the core of my heart! The fault-finding tendency and propensity to criticize is so strong in me that I sometimes get overwhelmed by it! Though I have heard the glories of chanting the Holy name, I make offenses in chanting. For the same reason, I most of the times act in mundane ways and do not remain Krishna consciousness.

I fervently pray at your lotus feet to kindly bless me with the right intelligence and ability to serve you and please Your Divine Grace. Only when you are pleased, Krishna is pleased. Bless me with the right mood to chant the Holy name. I beg you to bestow upon me the required tolerance and patience to be exercised during the process of my anartha-nivritti. I wish to get the blessing of the skill to please the Vaishnavas. Please always keep me under the shelter of your lotus feet Srila Prabhupada and engage me in your service of spreading your mission.

Your fallen servant

Dheer Gopal Das

Dhira Govinda Dasa

Our Dear most beloved Spiritual Master - Srila Prabhupada!

Please accept my many many thousands of prostrated humble obeisances unto your lotus feet,

All Glories to your Divine Grace!

Śrī-Guro paramānanda premānanda phala-prada vrajānanda-pradānanda-sevāyām mā niyojaya

Mukhaṁ karoti vācālaṁ paṅguṁ laṅghayate girim yat kṛpā tam ahaṁ vande Śrī-Gurum dīna-tāriṇam

Prātaḥ Śrīman-navadvīpe dvi-netraṁ dvi-bhujam Gurum varābhaya-pradam śāntam smaret tan-nāma-pūrvakam

Simply by paying obeisances unto the dust of your Lotus feet a Jiva can achieve perfection, that's because when we pay obeisances unto your lotus feet, your all merciful glance upon us purifies us and instils staunch faith on Krishna within our hearts. Srila Prabhupad your glories are like waves of vast ocean, which touches all continents over the planet, they are spread across the globe and they are constant, continuous and unlimited...

Anyone can easily realize that the most fallen Jiva (like me) has been given shelter at your lotus feet and still continuing to exist in your Movement, to be honest I'm the most fortunate and happiest person on the planet because, if a Jiva like me can be part of your ever expanding movement, then definitely jivas of the whole planet are qualified to become part of this Mission.

There were many Spiritual Masters, who gave shelter to fallen souls and who engaged them in Lord's Service, which includes prominent Acharya's like Srila Shankaracharya, Srila Ramanujacharya, Srila Vishnu Swami, Srila Madhvacharya, Srila Nimbarakacharya, Lord Jesus Christ etc. However, no one could imagine giving shelter to whole lot of baddha jivas of the entire planet.

Your compassion, Your tolerance, Your Mercy, Your unlimited second chances to us, Your follow up, Your way of enthusing us, Your chastisement, Your lotus feet to cry when required and yet you sometimes humbly request us to chant Hare Krishna. Prabhupad within these three worlds you are the most elevated, glorified ever-descended

Acharya from the Spiritual World, we are most fortunate to take birth in this Kaliyuga at this point of time to come in touch with you Prabhupad.

If given a chance to meet all demigods and Vaishnava Acharya's including the great Sage Srila Narada Muni.. If given a chance to meet our dear most Sri Krishna Balaram themselves face to face, I'll pay my humble obeisances unto their lordships and pray – “Dear Sri Sri Krishna Balaram, I'm really sorry for all the offences at the lotus feet of my Spiritual Master (that is you Srila Prabhupad) and at your most soothing lotus feet, please forgive me, please give me an opportunity, strength, intelligence, whatever is required to serve my Spiritual master better and better and better”.

Srila Prabhupad you have never let me down, let there never be a day or a moment where you abandon me or I leave your holy association. Let my existence whether here in this planet or even in the Hell or elsewhere, let my only longing be to spread your glories life after life.

Let me be there, where you are physically present or present through your instructions, let me be part of your movement as a humble servant of your servants eternally Prabhupad.

Let my all-demoniac tendencies vanish and let godly qualities - Vaishnava qualities flourish in me to serve my authorities better and better. If I can somehow or other please my holy authorities then I know I am pleasing you Prabhupad, Kindly bless me with this one perfection.

In the past many Yugas, many Kalpas, Big Yogis, Demigods, even Lord Brahma never had any clue that Krishna is The Supreme Personality of Godhead, and then what about his attributes, his paraphernalia, his expansions? What about his instructions Sri Bhagavad Gita, his Past times Srimad Bhagavatam? There was no chance that they could ever recognize that Krishna and his instructions, his pastimes, his holy names are non-different. This advaya jnana, that we can touch the Supreme absolute at any moment, any place, at any circumstances is the greatest boon whole of humanity can get, which was never available to anybody. We cannot just imagine the mercy of Lord Chaitanya & you Srila Prabhupad. The moment we chant Hare Krishna Maha Mantra, we are in touch with the Supreme absolute, what a great and rare opportunity. Realizing these devotees at Vrindavan and other Holy Dham constantly chant the Holy names without wasting their time, definitely they are the most elevated souls as they are residing there... But what about us who are blessed with the service to distribute this holy name – Sri Hare Krishna Maha Mantra, what qualification we have? but that's possible only because of you Prabhupada, thank you so much for making us instrumental in the distribution of this Jubilant, Cognizant, most Powerful - yet sweeter than the sweetest The Holy name – Hare Krishna Maha Mantra. Taking opportunity of this most beautiful and sanctified moment of your divine appearance, I beg the sweet Holy name – Sri Hare Krishna Maha Mantra to bless me to always dance on my tongue and make me dance in bliss, bless me with constant service and the proper serving attitude to serve you, your mission Prabhupada.

All glories to Hare Krishna Maha Mantra

Hare Krishna Hare Krishna Krishna Krishna Hare Hare Hare Rama Hare Rama Rama Rama Hare Hare

All glories to you Srila Prabhupada, All glories to Hare Krishna Movement

All glories to your sincere servants – my humble obeisances to all of them.

Aspiring to be sincere servant of your Servants,

Dhira Govinda Dasa

Gaurmandal Dasa

Dear Srila Prabhupada.

Please accept my humble obeisances at your divine lotus feet.

All glories to you on this most auspicious appearance day of Your Divine Grace.

vyavasayatmika buddhih ekeha kuru nandana(BG 2.41)

The instructions of a bona-fide spiritual master should be taken as the life and soul of a disciple.

These were the words that Your Divine Grace carried in your heart as you set out to accomplish an impossible mission of Srila Bhaktisiddhanta Saraswati Thakur. A mission to deliver an entire civilization more sinful than Jagai and Madhai. As Lord Krishna mentions in the Bhagavad Gita

*“yesam tv anta-gatam papam jananam punya-karmanam
te dvandva-moha-nirmukta bhajante mam drdha-vratah”*

Persons who have acted piously in previous lives and in this life, whose sinful actions are completely eradicated and who are freed from the duality of delusion, engage themselves in my service with determination. (BG 7.28)

One may wonder how could sinful people like me who were more fallen than mlechhas could pick up this wonderful gift of devotional service unto Lord Krishna, when it needs complete eradication of sinful activities and tremendous piety. I can only understand that all this is due to your causeless mercy. Yasya prasada bhagavad prasado... As you told one of your disciples that we were loitering in the drain and that Your Divine Grace created that piety in us.

Srila Prabhupada, I am very sinful, arrogant and proud, my mind is full of material desires and envy but, by your causeless mercy and association of your sincere servants, I have developed some inclination to render service unto your lotus feet. I know that you are very anxious to relieve the anxiety of Lord Chaitanya to give the gift of holy name to all the fallen conditioned souls in this world. As Your Divine Grace mentions that the power to preach the holy name across the world is given to the person who has no material desires and who feels that he is the most fallen person in the world.

On this auspicious appearance day of Your Divine Grace, I humbly and earnestly take the opportunity of falling a thousand times unto the dust of your lotus feet to purify myself of all the contaminations of the heart so that I can develop these qualities in my heart and thus become a servant of your glorious servants in this divine mission of preaching Lord Chaitanya's name every town and village, nagaradi - gram.

Your fallen servant, Gaurmandal Dasa

Gopala Gauranga Dasa

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories onto you!

We can never count the blessings, which you have bestowed upon me. Your mercy is limitless and unconditional. Although I am not at all qualified to render any amount of service to your lotus feet, but it is your causeless mercy upon this fallen soul that you have lifted me from dense darkness of ignorance, and have given me shelter under your lotus feet. It is your grace only that I am still in the movement and able to render some amount of devotional service at your lotus feet.

Whenever I compare myself with my past, I feel so blissful to be part of your family where practically there is no anxiety for anything. We are living in the best houses, we are eating best food, we are in the best consciousness, and we have the best hope. Everything best. Therefore, it simply shows that material happiness is nothing to a

Krishna consciousness person. There is no need of asking for it. Simply we have to be steady and ask Krishna, "Please engage me in your devotional service". Then our satisfaction automatically will come, we don't bother about material happiness. Krishna consciousness life is simply wonderful. Anyone can come and experience it and it would be possible only by your mercy. Therefore, on this auspicious day I pray for your mercy so that I always remain Krishna Consciousness and go on rendering pure devotional service at your lotus feet until my last breath..

The organization, which you have created, is so wonderful that everyone is working here selflessly. I feel blessed to work under your representatives who are always enthusiastic. They are always very much concerned about us by continuously guiding, coaching and monitoring us to become a better devotee. Apart from this, it has been about close to 6 months that I have been staying closely with one of my senior devotee and have been rendering various services together. It has been really a memorable experience. There happened to be some misunderstandings due to my immaturity since the day one, Prabhu always has been guiding me and most importantly, I could learn from his personal life as to how to be a better & obedient servant.

It is said that a devotee should always be joyful and if he is not then he should introspect and find out where he is going wrong. By default, the nature of the conditional soul is that he wants to become controller, he wants to become enjoyer and if his desires fail then he becomes distressed and tensioned. This happened with me most of times in the beginning but now it has been reduced by your mercy. Your books and your guidance through your disciples are really saviour for us. I heard in of the lecture that a devotee should introspect and should disassociate himself from such false ego desires. It has been helping me to control my anger, to come out from the feeling of jealous and then finally be situated in my original consciousness and become joyful every moment. It also brings a great enthusiasm and a new life to render more and more better devotional service, and take pleasure in doing that. All this could be possible only by your mercy dear Srila Prabhupada.

In one of your quote, you said that three things (namely enthusiasm, patience and tolerance) are very much essential for a devotee to advance in spiritual Life. This I could realize once I started taking care of various devotional services in Folk. There have been many instances where I wanted that everything should be perfect, everything should be under my control and everything should happen as per my expectation. That was not always practical. Therefore, I have been learning to become more tolerant; and become more and more dependent upon you. Moreover, your personal life example of your tolerance (which you showed us while dealing with hippies of your beginning days in western countries) are very much inspiring. These examples have taught us that a devotee should learn to become more humble, he should tolerate other weakness; and most importantly, he should have firm faith on the Holy name of the Lord. If they seriously take to Chanting Hare Krishna Mantra then gradually they will become purified and their dormant love for Krishna will be awakened.

It is said that without the mercy of spiritual master one cannot make any spiritual advancements. Therefore, on this very auspicious day of your appearance today I beg for your mercy that you please bless me to become more humble servant of servant of your servant, become more tolerant. Please bless me so that I can chant Hare Krishna Mantra more distinctly & attentively without committing any offences.

Please make my faith more strong on the Holy Name. Please make me more and more attached at your lotus feet, let me always be in the background and should not take any credit for any of our achievements. Please bless me so that I should always act only for your pleasure and satisfaction.

Please bless me to develop genuine love and care for other living entities. Please use me as an instrument and give me intelligence to bring these living entities to you and make them more and more attached to your lotus feet.

Your insignificant servant,

Gopala Gauranga Dasa

Indradyumna Dasa

Dear Srila Prabhupada,

Please accept my humble obeisance,

In how much I have satisfactorily lived in your shelter this year, so much so my soul have rejoiced in the spirit of preaching the word of God. Being blessed with the association of my fellow God brothers and such an innovative temple president, my days in the movement are filled with joy, great satisfaction, love and adventure.

A vessel in the sea cannot sail without a sailor and the sheep's are scattered without a shepherd, you are my sailor and shepherd. I know you are continuously aware of my deeds and what is there to hide from you!! For you have become the very essence of my life. I am very grateful to you for all what you have kindly bestowed upon this fallen soul be it success or failure. In every success, I thank you and in every failure, I learn!!! Being even stronger, I rise again to follow your divine instructions. I thank you again for your guidance and comforting.

Other than your directions and instructions everything else is simply vanity.

Guru-mukha-padma-vākya, cittete kariyā aikya, āra na koriya mane āśa.”

O my master! When will that auspicious day come when my words, mind and body be fully dedicated in your service. His Divine Grace, you are always, without an exception, engaged in pleasing Gauranga and Krishna. Please!! I beg you, kindly let this sinner be purified and enter into that realm of that Prema Bhakti. Only if I am fortunately be able to secure attachment toward Krishna-kama-seva, then only I'll be able to change the course of different inferior desire that has risen in me due to contamination of three modes.

The Caitanya Charitamrita have taught us that a true Guru teaches his disciple after his own behavior and practice, one can't be a preacher of Dharma if he doesn't perform it himself. He employs cent percent of his time in the service of Hari. O master! You are personification of these teachings. I wonder if one day I'll be able to discharge my devotional service on that level. Life is short and I know, we must not mis- spend even a moment, of what still remains, in attending our worldly affairs but instead utilize it in the service of Hari. Oh! Dear master I am unworthy though and my anarthas block my spiritual advancement, at this point all I need is just a little mercy of yours.

Also, please forgive my misdeeds I committed while trying to serve you in my humble capacity.

Yours fallen servant,

Indradyumna Dasa.

Purna Brahma Dasa

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet. All Glories unto you.

Now Srila Prabhupada, you accepted this fallen soul as your eternal disciple, If you examine me, you will find no qualities. Your mercy is all that I am made of. If you are not merciful unto me, I will not be able to maintain my life. You are the deliverer of all fallen souls. Kindly bestow your mercy upon this fallen soul also then only I will be able to follow your footsteps.

After getting human form of life, I was wasting the valuable time by engaging in sinful activities and sense gratification. As it's stated in Srimad- Bhagavatam-

“In the forest of material existence, the uncontrolled senses are like plunderers. The conditioned soul may earn some money for the advancement of Krsna consciousness, but unfortunately the uncontrolled senses plunder his money through sense gratification. The senses are plunderers because they make one spend his money unnecessarily

for seeing, smelling, tasting, touching, hearing, desiring and willing. In this way the conditioned soul is obliged to gratify his senses, and thus all his money is spent. This money is actually acquired for the execution of religious principles, but it is taken away by the plundering senses” SB 5.14.12

By your causeless mercy Srila Prabhupada, I got the transcendental seed. So please help me to nourish this transcendental seed and engage my senses in your service so that I can spend this valuable money for the advancement of Kṛṣṇa consciousness.

In the Padma Purāṇa, there is a nice statement praising the service of the Vaiṣṇavas or devotees. In that scripture Lord Śiva tells Pārvatī, “My dear Pārvatī there are different methods of worship and out of all such methods the worship of the Supreme Person is considered to be the highest. But even higher than the worship of the Lord is the worship of the Lord’s devotees -Nectar of Devotion

Srila Prabhupada, you are the direct representative of Kṛṣṇa. It is said that from the mind, Marīci appears. In other words, Marīci is an incarnation of the mind. Marīci has six sons: Kāma, Krodha, Lobha, Moha, Mada and Mātsarya (lust, anger, greed, illusion, madness and envy). So kindly bestow your mercy upon me to come out from the six sons of Marīci.

As it’s said that “Those who are on the path of salvation for going back home back to Godhead, are especially advised by all scriptural instruction to become free from such paraphernalia of material attraction. That is possible only by the association of the devotees of the Lord.” Without your association, I have no strength to execute devotional service. Never let me go away from your and all the Vaishnava’s association.

Srila Prabhupada, I request you to forgive me for all the offences that I have committed at your lotus feet and all the Vaishnava’s.

Desiring and Aspiring to be the servant of your servants,

Purna Brahma Dasa

Raghav Charan Das

Dear Srila Prabhupada,

I offer my humble obeisance’s unto your lotus feet,

I am full of faults still you have accepted me as your son and allowing me to stay as a member in your family (Hare Krishna Movement). Thank you, Your Divine Grace for pulling me out from the miseries of this material world and making me understand the value of human life. I pray from deep of my heart to please give me strength to follow all your instructions with utmost sincerity especially four regulative principles, chanting Hare Krishna with my full attention and never committing any offence to any vaishanava.

Trying to become your servant

Raghav Charan Dasa

Sreesha Govind Dasa

Dear Srila Prabhupada,

Please accept my humble obeisance unto your lotus feet. All glories to your Divine Grace.

This is my sixth Vyas puja offering and while writing this Vyas Puja offerings so many things are going on in my mind. I may not be able to give words to all my thoughts but still I will try.

Pure devotees like you descend in this material world to deliver fallen souls who are loitering in this material world without any knowledge of real purpose of life. Out of compassion you distribute this transcendental message to every one without any discrimination of cast, color or creed. Your glories are unlimited and no one can describe them.

By your mere presence you have completely changed the life of fallen souls. As you have mentioned in one of the purports of Srimad Bhagvatam: -

"Pure devotees are so absorbed in thought of Krishna that they have no other engagement; although they may seem to think or act otherwise, they are always thinking of Krishna. The smile of such a Krishna conscious person is so attractive that simply by smiling he wins so many admirers, disciples and followers." (Srimad-Bhagavatam 3.22.21, Purport)

You are more powerful than the water of mother Ganges. Water of Ganges will give benefit after prolong use but one can be sanctified at once by the mercy of your divine grace. You are an Acharya which means the one who teaches by his own example. Through your own life you have taught us how to become a pure devotee of Lord.

A person in ignorance only will think that you have disappeared and no longer with us but the fact is that you are still there with each and every disciple. You are guiding them from inside as Caitya Guru. You have a personal relationship with every disciple. This is not at all surprising when we remember a conversation, you had with a reporter:

Reporter: What will happen to the movement in United States when you die?

Srila Prabhupada: I will never die!

Devotees: Jaya! Haribol! (laughter)

Srila Prabhupada: I will live forever from my books and you will utilize.

(SP interview, Berkeley, 17/5/75)

Indian Lady: ...is that the spiritual master will be guiding after death?

Srila Prabhupada: Yes, yes. Just like Krishna is guiding us, similarly spiritual master will guide.

(SP Lecture 23/09/69)

My only request is that never let me go away from your lotus feet. Let me get absorbed in your service whatever it may be. Let me follow all your instructions with my full heart. Never ever a thought of disobedience come in my mind. Please guide me. Please forgive me for all my offence and please save me.

Your fallen Servant

Sreesha Govind Dasa

Suchandra Gaura Dasa

All Glories to Srila Prabhupada

Bright Urdhva Pundarik always mark your forehead and as Vaishnava poet sing and by mere observing You, sins flee away. Oh! Vaishnava Thakura Srila Prabhupada please accept my humble obeisance again and again unto You. Since 11-Jul-2016 I am rendering service at Hare Krishna Movement Mumbai, Your Office. Since 12-Dec-17, more than 1824 souls have been approached and followed up by your humble servant disciple for LLP service. Since 7-Jan-18, by Your grace I have taken ICVK sessions on every Sunday, imparting KC to school kids at GSIS. I was able to do all this because of Your Causeless mercy.

Srila Prabhupada I have lot of doubts and for that I have to improve my reading of Your books. Please keep me going in Your current Lila and achieve my original destination as You have chalked out for me - (following You in toto). Please make me go on and please constantly stay with me, I am weak and naked without You.

My ACL has improved and I am now able to jump and dance in front of You and unto Their Lordships Nitai Gauranga. Undoubtedly it is Your mercy and Sri Chaitanya Mahaprabhu mercy on this worthless, rotten soul, things have improved. As Srila Jagadananda by the mercy of the Lord Nityananda built a Ghat for the people of Nadia on the banks of Ganga, may me by Your mercy let me be instrumental in making more and more Jivas Krishna Conscious by taking You (the true representative of Nityananda Prabhu) to them by Your books, by Your festival, by Your Prasadam, by LLP calls and innumerable dynamic ways. By Your mercy we were able to celebrate Rathayatra this time at GSIS.

Please help me tame my restless mind and be a faithful dog at Your Lotus feet. Now I lack discipline, it is quite evident, I struggle to attend Mangal Arathi everyday. I struggle to remain clean externally and internally. Please drown me in the nectarean pastimes of Nitai Gauranga such that nothing could ever take me away from You and Them. If there is any sincerity in me please help me blossom it more and more.

Lord Nityananda forgave Srila Madhavananda when he asked forgiveness saying that “A father never takes offense of a child when he kicks his father”. The intensity of repentance of Srila Madhavananda was unparalleled. Though not intense like his repentance my Master, please forgive me of my offenses unto You and Your disciples committed knowingly and unknowingly.

Yours repentant disciple,

Suchandra Gaura Dasa

Urukrama Gauranga Dasa

My dear Srila Prabhupāda,

Please accept my most humble obeisances at your lotus feet.

On this most auspicious day of your Vyasa puja celebration 2018, your servant has completed 3 years in your mission. After many lifetimes of struggle and hardship, by some good fortune I have taken the shelter of Your Divine Grace, you are saving me from the onslaught of material energy, it is my great responsibility to live up to your expectations to preach vigorously and enthusiastically. Please bless me to preach and help people in their march back home, back to Godhead then my life will be successful.

It is only by your mercy I am just trying to spread your message of God head in Mumbai area, I have no qualification—except full faith in you and Lord Krishna. I am just trying to follow your instructions wholeheartedly, which will empower us to convince others to follow the path chalked out by you and our Brahma Gaudiya Vaishnava paramparā. Hare Krishna Movement, Mumbai is spreading widely at every moment, and no one can stop it. Many temples are being established, but we are all eagerly awaiting for your Radha Krishna temple for HKM Mumbai as soon as possible and if you so desire.

Last year December 2017, we have distributed prasadam profusely for the first time under HKM Mumbai. We are trying to preach youngster in Thane, Powai, Airoli and surrounding area. Your transcendental sound vibration—your recorded classes, conversations, interviews, festival lectures, bhajans, etc.—are always a source of inspiration to all your followers. More than 100 boys are chanting Hare Krishna mantra daily.

Thank you very much for giving me the opportunity to serve you and the Vaishnavas in HKM Mumbai, even in an insignificant way. Please bless me to increase my taste for chanting the holy name of Lord Krishna so that I can inspire others to chant offencelessly.

Please give me the taste for reading and studying your books so that I can effectively deliver their message to others with conviction, without duplicity, and in such a way as to convince them of the philosophy. Please give me the taste for hearing your recorded lectures so that I may be able to repeat them as they are for others' spiritual benefit.

And lastly, please forgive me for all my offenses, committed knowingly or unknowingly in the course of my trying to serve you and other Vaishnavas . Hare Krsna.

Your insignificant servant

Urukrama Gauranga Dasa

Bhakta Aditya Ahuja

Dearest Srila Prabhupada

Please accept my humble obeisances at your Divine Lotus Feet. All glories to you on this most auspicious appearance day of Your Divine Grace.

I cannot thank you enough for what all you have given me. You are so kind. You are always there to guide me through your lectures, books and devotees and still, I, being such a foolish person is driven by material desires all the time. You are so merciful that although I have desire to stay in this filthy place just like a pig, You come again and again daily to pick me out from this flowing current which is going against the goal of human form of life. I have applied all rocket science but I still don't understand how and why have you showered so much mercy on me by still keeping this totally unqualified soul in touch with You. I beg at Your Divine Lotus Feet to not leave me and keep showering your mercy again and again on this miser. Without your continuous mercy, it is certain that throughout this life I will only end up suffering.

Trying to be your most humble servant,

Dear Srila Prabhupada,

Please accept my respectful obeisance unto your lotus feet.

All Glories to you Prabhupada!

Dear Srila Prabhupada, by your mercy I am very fortunate to visit most wonderful holy places. I must admit today that for a couple of months, I haven't been doing much service. My daily sadhana and book distribution has practically stopped but yes, writing this offering I am getting renewed energy to do regular daily sadhana and more book distribution. I can feel being purified while writing this offering. I have read somewhere that writing for the pleasure of Guru and Krishna, one gets personal purification. Thank You very much for this opportunity to write on your Vyasa-Puja.

Dear Srila Prabhupada,

Please accept my humble obeisances at Your divine lotus feet. All glories to You on this most auspicious appearance day of Your Divine Grace.

Srila Vyasa Deva says in the Bhagavatam that Krishna is The Supreme Personality of Godhead but You have made it very simple for us to understand how Sri Krishna is The Supreme Lord. Your straightforward and absolute Bhaktivedanta purports have made us understand the true importance and meaning of scriptures. You are the ideal Acharya who accepts everyone and gives shelter at Your Lotus feet. You have given us the ripened fruit of Vedanta and your Krishna consciousness movement is showing us the easiest way to reach the supreme destination.

On this day most auspicious day, I pray at your Lotus feet to give me an opportunity to serve your mission with the apex guidance of your disciples.

I beg You to shower mercy and give us enough strength to have the determination to follow Your orders with unflinching faith.

I pray to Lord to always have a service attitude towards you, all other Vaishnavas and your mission. May Lord never put me in such a condition that I forget You and the Lord Himself. Whether in hell or heaven, in happiness or in distress or in any duality of life, I want to only serve you as my spiritual master and the Supreme Lord.

Your humble servant,

Bhakta Anish Mate

Dear Srila Prabhupada,

Please accept my obedience,

I am very fortunate that because of you I am able to understand real knowledge. Now I am following Krishna Consciousness, and slowly my life is transforming.

Now I wake up at 5'o clock in the morning, attend mangal aarti, chant 8 rounds, take Krishna Prasadam, etc.

Before coming to Krishna consciousness I used to wake up at 8'o clock in the morning.

Now I do Ekadashi fasting also. Because of you, I understood the value of fasting.

You have written 80+ books to make people understand about spiritual life, and make their life happy.

I am really thankful to you for taking all the efforts. Because of you only I am able to understand about spirituality, the value of the Vedas, the Supreme Personality of Godhead, etc.

Please accept me as your servant.

Dear Srila Prabhupada, Please accept my humble obeisances. All glories to Srila Prabhupada.

India has a treasure of great Vedic knowledge, but it is in the Sanskrit language, which is known to very few people. You translated this great Vedic knowledge and your experiences in mostly used English language So that a large number of people can understand it and participate in Hare Krishna Movement.

The morning sadhana program taught by you is so perfect that whole day we feel its influence on us. When our day starts with prayer everything throughout the day works well. We feel free from material anxieties and remain attached to Krishna and thinking about Krishna.

On this most auspicious day, I humbly beg you to please forgive my offences and continue to shower your blessings on me to make me an instrument in serving your mission. Give me the intelligence to follow your orders in the association of your sincere devotees. Give me the inner strength to do service for you and Lord Krishna.

Begging to remain under the shelter of your lotus feet at all times.

Your humble servant, Bhakta Bhmashankar Pawar

Dear Srila Prabhupada,

My humble respectful obeisances at your louts'feet.

I am Chandan Kumar. I am trying to follow your rules and regulation by your mercy.

You are the best speaker in this material world. Not like a motivational speaker. You are spiritually realized, person. You bestow your mercy to all fallen conditional soul in this kali yuga. By your mercy, you give us the opportunity to serve the god. You have built big ISKCON temples in this world. And you provide so many things in the temple like Prasadam. Prasadam is so nice that it attracts all the people. You have given us kirtan, Dance and all spiritual knowledge and good environment to practice Krishna Consciousness.

You directly associate with us through your books. You always guide me and solve all my problem either Spiritual or Material. Nowadays we have so many problems in this material world but we are not afraid because our Acharya Krishnadas Kaviraj Goswami has told us that Lord may give any condition good or bad in this material world but it doesn't matter, our constitutional position is only to serve the Lord.

Srila Prabhupada please bestow your mercy on me so that I can always follow your instruction.

Your Sincere bhakta, Bhakta Chandan Kumar

I offer my respectful obeisances unto my spiritual master, who has opened my eyes, which were blinded by the darkness of ignorance, with the torchlight of knowledge.

I have no qualification but by your causeless mercy, you saved me from this whirlpool of material nescience but I am so fallen that I still attracted to this filth. Still, I am not completely attached to your lotus feet. You are the ocean of mercy and master of all fallen souls, please provide me required jnana, balaa and kriya so that I will be forever attached to your lotus feet, be able to follow your instructions meticulously and my all the desires and activities should be for your pleasure and satisfaction.

yasya prasādād bhagavat-prasādo

Krishna is your property, it's on you give or not. by your mercy only one can get a love of Krishna otherwise there is no hope.

Please bestow your mercy so that I may be able not to offend any Vaishnava by mind, body or words. You are the only saviour of me.

Dear Srila Prabhupada.

Please accept my most humble obeisances at your lotus feet. All glories to Your Divine Grace.

Today is very auspicious day for us and we are very glad for your appearance tithi Vyasa Puja Festival. His Divine Grace A.C. Bhaktivedanta Swami Prabhupada, who successfully distributed the message of Lord Krishna throughout the world, was not an ordinary conditioned soul of this material nature.

With deep appreciation and humbled by your extraordinary example of spiritual quality, I don't have any words to express my gratitude for your loving encouragement.

I feel privileged to be connected with you and also ashamed of being a poor example and the useless servant I have become. Your words are not lost on me and I always remember you throughout my day and I pray to improve myself from my fallen condition and be able to assist and be a servant on your mission (The Worldwide Hare Krishna Movement) of glorying the name of the Lord.

I pray that you will not give up on me as I struggle to make progress in my spiritual life. I pray that you will continue to bless me with a desire to improve in all deeds and to continue chant the Holy Names of the Lord.

Although on this day, I should be offering you something I can only beg that you have mercy on me and make me adequate enough that I can serve and get a small place anywhere in your mission.

The only way to survive and go back to Godhead in this age of Kali is the chanting of the Mahamantra

Hare Krishna Hare Krishna Krishna Krishna Hare Hare, Hare Rama Hare Rama Rama Rama Hare Hare

I pray to remain your humble servant,

Bhakta Gaurav Chakraborty

Bhakta Girish

All glories to you Srila Prabhupada!!!

Please accept my humble obeisance at your lotus feet.

All glories to the most blessed event which is the appearance of Your Divine Grace. Yet another year has passed serving your divine mission. I feel greatly fortunate to serve your divine mission.

Thank you very much for giving me the chance to serve your divine mission after committing so many offences and breaking the regulative principle.

By the mercy of the spiritual master one receives the benediction of Krishna, without the grace of the spiritual master one cannot make any advancement, therefore this is your mercy only that I am an ordinary living being my intelligence is limited and I am always disturbed full of lust, greed, anger, like they are deeper than millions of oceans still you accept me as disciple give me chance to serve the Lord and his devotees.

The mind is the root cause of lust, greed, anger, pride. please engage my mind in the service of the Lord. You control me just like puppeteer control his dancing doll I wish that you may place your hand on my head.

Dear Srila Prabhupada, at last, I pray on this auspicious day that please close all the door which are created by the illusionary energy of the lord to take me away from your service

Your insignificant servant, Bhakta Girish

Dear Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet. And all glories to you on this most auspicious appearance day of your Divine Grace.

Definitely, I'm very much surprised from your hard work and dedication towards Supreme Lord Sri Krishna at this age. To go with very less money to the western countries where you knew nobody and still you spread very nicely Krishna consciousness and what is actual meaning of Bhagavad-Gita As It Is, and what is the purpose of human life.

Before I joined the HKM, definitely my life was full of miseries but after attending the regular classes and listening to your most invaluable Srimad Bhagavatam lectures and reading your books gives me relief and helps me in coming out of the material world. Definitely, it will help me much more.

And one thing I would like to say especially about morning mangal aarti and delicious Maha Prasadam. It will definitely guide us how to come under the shelter of God and how to offer the bhoga and then take the prasadam. It has happened just because of you. Any number of words will be very less in your glories.

I am really thankful to you for giving a nice shelter to me as a teacher. Under your guidance, I have become a good human being and a devotee.

I pray to you please give me your most invaluable blessings.

Jay Srila Prabhupada.....

Dear Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet. All glories to you on this most auspicious appearance day of Your Divine Grace.

As the representative of Srila Vyasadeva, you have lucidly explained the original teachings of Srila Vyasadeva in your Bhaktivedanta purports for the benefit of all conditioned souls. Your purports make the most difficult philosophy easy to understand even for the common man.

I thank You for giving me a chance to stay in FOLK Residency, which has such a nice environment filled with spirituality. Your lectures and books are a boon to me. The Krishna Prasadam that I get here is something I relish a lot. This kind of happiness is something which can never be found in the material world. I am chanting 4 rounds of Hare Krishna Mahamantra daily. Chanting has brought peace into my life. All of this wouldn't have been possible without The tireless efforts that You have taken for us. I thank You again and again for bringing real happiness to my life. Thank You so much!

Your humble servant,

Respected His Divine Grace Srila Prabhupada,

Please accept my humble obeisance in your lotus feet.

As you are the first spiritual master who took the pain at the age of 70 and went to the western counties to spread this most confidential knowledge with the grace of Krishna and your spiritual master. We are very lucky in all sense that, we got such a spiritual master who not only comes in the disciplic succession but most merciful as well. Because of you and Krishna, I got the opportunity to practice Krishna Consciousness and to understand the most confidential knowledge for which even demigods are thirsty. I was a very petty person before coming to your shelter. But now I am a changed person. I take Lord Krishna's name and follow four regulative principles and study your books. This was possible because of you and Prabhus such as HG Amitasana Dasa, HG Urukrama Guarana Dasa and HG Gopal Prabhu And HG Dhir Govind Prabhu who guided me, enlightened me about this knowledge and inspired me. I will always be indebted to you.

I want your mercy and guidance in my life. Please give me your lotus feet's shelter.

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to Srila Prabhupada.

Prabhupada, you are the Leader of God Conscious People. I believe this world should be ruled under your guidance. Only by your love all of humanity can go back to Godhead. I fully surrender myself unto you to serve you as your servant, and I wish to end my life serving you. All your teachings have magically brought me closer to Lord Krishna. I truly feel blessed. Prabhupada, please help me in advancing spiritually and in spreading Krishna Consciousness all around the World.

Dear Srila Prabhupada

Hare Krishna

Please accept my humble obeisances at your divine lotus feet.

Prabhupada, we have been a class of people who think great about ourselves; we fall, get up, then again walk, and again fall down. What we did not know that this falling and getting up was a temporary phenomenon; until such time that, we came in association with you and ISKCON. When I read the Bhagwad Gita, I feel that I have seen a movie on myself from the time I was thrown into the material world until today where I am getting up at 3.30 a.m., chanting 16 rounds, reading Bhagwad Gita, singing bhajans.

You have made the real man out of me, sorry real soul out of me. All I remember now is that "I am not GOD, I am the servant of the servant of GOD". Am trying to decipher, why would a person in an age where he has to rest and

live with his grandchildren, is actually reaching out to a place where Indian culture had no or very less value. Why would you suffer all hardships, take all bad which were thrown by the people and yet come out unscathed. The answer is instead of a few grandchildren you have had hordes and hordes of children in the form of devotees, I being one of them. When I see your photo, my eyes brim with tears and I remember my grandfather and you as that grandfather I never had.

This confidence of yours has also imbibed in me Prabhupada. I am not ashamed in saying that in my “material days” I was with wine, women, smoke, non-veg, garlic, onion and what not. I was also associated with ISKCON Chowpatty about 21 years ago but like a good child of MAYA, I lost my way. 21 years hence, Krishna, Chaitanya and you gave me the path again and in the space of 1 year (I remember the first visit to HKM Mumbai on 25th May’17) I have turned over; albeit not completely

Your books for me are a running commentary of the life we have led and what we should be learning. Prabhupada let me ask you a favour to bestow this same favour to all who would like to join Krishna consciousness

I remember your famous saying “To do good one must be good” and I would like you to shower me with all the blessings so that I don’t just do the chanting and kirtans, but have the strength to preach to other fellow beings and ask them to evolve themselves by identifying themselves with their souls

Please accept my obeisances and prayers to make our mind strong so that we are out of material and sense gratifications

Begging to be under our lotus feet

Your humble servant

Bhakta S Kesavan Iyer

Bhakta Keshav Parashar

Dear Prabhupada,

Please accept my humble obeisances.

I always think that how fortunate are those people who had your association, they were able to meet and talk with you any time. I wonder that how a 70-year-old man can be so enthusiastic about preaching. You are like a superhero to me. You are a source of inspiration for me. I wish I could have met such a pure devotee like you. I sincerely thank you for your contribution to enlightening the lives of countless people including me. Your best gift to us i.e. your books, that never let us feel your absence.

I cannot describe in words, the way my life has been changed by your mercy. Please give me the strength to become more and more rigid in Krishna Consciousness. I am sure, by your mercy I will progress in KC and I will meet you in Golok Dham under Krishna's and Radha rani's lotus feet.

Below are words from bottom of my heart for you:

My life was full of darkness

You came in it and filled the lightness

Your words are always full of wisdom

You are a star in Krishna's kingdom

Your devotees are so humble

Their association reduces life's fumble

Our prasadam is so tasty

For that, I always remain hasty

I beg for your unconditional mercy

That will make my life perfect per se

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet.

All glories to you on this most auspicious appearance day of Your Divine Grace.

O! Savior of the whole world Srila Prabhupada, you have saved my life. Earlier, I was in complete ignorance and darkness, but now, you have brought light to my life.

Earlier I didn't know the purpose of my life. I was simply engrossed in enjoyment and sense gratification but because of your books, I have understood the purpose of this human form of life. Your books have helped me a lot to understand 'Who am I' and also 'The Supreme Personality of Godhead'.

On this most auspicious day, I humbly beg for your mercy to please forgive my offences and please guide me throughout my life.

Your humble servant, Bhakta Lavkush

Bhakta Mohnish Kapil

Dear Srila Prabhupada

Please accept my humble obeisance at your divine lotus feet. All glories to you!

As a perfect representation of Vyasa deva and the Supreme Personality of Godhead Lord Krishna. You have selflessly spread their teachings to the conditioned souls on this planet. Your purport explanations and English translations are simple to read and are boon for common public. It's such that your presence is strongly felt through your books and instructions. You have kindly given the human society the address of their real identity. I offer my respectful obeisance unto you again and again.

Without your Krishna consciousness movement, this ignorant person can never know the real purpose of life. I am not qualified to receive this spiritual message and chanting Mahamantra. But because of your mercy, this is possible. You have kindly distributed this transcendental knowledge to everyone without discrimination.

On this auspicious day, I beg your mercy and strength to continue on the path which you have shown. Please forgive my offences. In your divine mission of spreading this transcendental knowledge. I beg your mercy to make me eligible to serve at your divine lotus feet.

Your aspiring servant, Bhakta Mohnish Kapil

Bhakta Monessh Ram Mansukhanii

Dear Srila Prabhupada,

Please accept my humble obeisances at Your divine lotus feet. All glories to You on this most auspicious appearance day of Your Divine Grace.

As the representative of Srila Vyasadeva, You have lucidly explained the original teachings of Srila Vyasadeva in Your Bhaktivedanta purports for the benefit of all conditioned souls. Your purports make the most difficult philosophy easy to understand even for the common man.

Various books written by You or knowledge given by Lord Krishna through Your books explains us that we must praise Lord Krishna in every instance of our lives and hence, one must be humble to every person he meets and must give him the honour and respect which is given to a master as Lord Krishna is present in every soul as Supersoul and hence, treat ourselves as a Dasa (servant) of Lord Krishna and must address everyone as Prabhu.

Earlier, I was a very authoritative person and hence would try to dominate every soul on this Earth, which would lead me to have bad relationships with everyone on this Earth, but, after coming under your guidance in Krishna Consciousness, I realized that whatever I'm doing is of no use to me as neither any material human being nor Lord Krishna appreciates such behaviour, as according to Him, we must treat ourselves as the Servant of Servant of Servant of Servant of Servant.

By your tapasya, you have given the wonderful gift of this Krishna consciousness movement to the whole world.

On this most auspicious day, I beg you to keep your divine grace on me and your other disciples so that we can follow the Krishna Consciousness Movement as well as preach the same to other souls of this material world who are suffering under the influence of Maya in this material world.

Begging to remain under the shelter of Your Lotus feet at all times.

Thanking you,

Your humble servant,

Bhakta Monessh Ram Mansukhanii

Bhakta Monicraj Nadar George

Dear Srila Prabhupad!

*“om ajnana timirandhasya jnananjana-salakaya
caksur unmilitam yena tasmai sri gurave namah”*

Please accept my obeisance unto your lotus feet.

Srila Prabhupada your contribution to the world is immeasurable, just your one word to feed everyone nearby the temple has turned into a huge foundation Akshaya Patra through which more than 1.5 million students are been fed everyday that's the potency of your word. Your mission to create a revolution against the godless society, this statement is constantly dwelling in our heart; you gave strength to the theist and mercy to the atheist. Chaitanya Mahaprabhu distributed Hare Krishna Mahamantra to the mankind which you gave us through your books and lectures.

Each time when I listen to your lecture, I realize my aim of life to serve the Supreme Personality of Godhead Sri Krishna. You gave us proper perspective to perceive this material world, because of you, I realized birth, death, old age, disease, temporary happiness and distress are actually problem of life. Without you, under the spell of material

energy I would have spent my whole life in sleeping, eating, mating and defending. O Jagad guru you taught us who is God? and how great is he. The scientific explanations and logics that you have stated in your teachings was so lucid that even scientists, doctors and so-called philosophers all surrendered unto you and accepted you as Guru. By turning hippies into devotees, you proved the immense potency of Mahamantra. Whenever maya impels us to act in impious manner, your teaching guided us to tolerate the imposing force.

Srila Prabhupad now the whole world is working for more and more sense gratification. The influence of Kali Yuga has become much stronger. Even small child is addicted to intoxication and sex; this is the condition on earth. I am pulled down to the state of anxiety whenever I contemplate on present situation. I beg you for tolerance so that I can tolerate the urges from māya. I beg you for composure so I be calm in midst of catastrophic situation. I beg you to bestow me with intelligence so that I can convey the message of Krishna lucidly. I beg you Prabhupada to give me chance to serve you. I do not know if it is possible or not to transform everyone into a devotee but I will try my best to act as an instrument in your hands and take the message of BHAGAVAD GITA to everyone.

Your Servant

Bhakta Monicraj Nadar George

Bhakta Muniraj

Dear Srila Prabhupada

Please accept my humble obeisances. All glories unto you.

After getting the fortunate opportunity of hearing Your and Your dear devotee's kind association I knew it very well that only the Bhakti Marg You had shown, is the only protective and safest Path in this present age of Kaliyuga. Srila Prabhupad now a days your beggar servant is unfortunately not following the path you have shown.

Dear Srila Prabhupad when I remember those fortunate moments I feel that those were the only moments in my life till date in which I learnt something substantial or valuable and now many times I realize that Your teachings are the only things which can save my life otherwise it is going to be vain.

O! Srila Prabhupada You very well know my real situation so I beg to You to forgive for repeatedly disobeying and committing many severe offences. I plead to Your Divine Lotus feet to please give me sufficient strength, mood and association to follow the divine path.

Your Foolish Servant, Bhakta Muniraj

Bhakta Nakul Jasrotia

Dearest Srila Prabhupada,

Please accept my humble obeisance.

All glories to you on this most auspicious appearance day of Your Divine Grace.

Please accept the written offering of this fallen conditioned soul. Though with my limited intelligence it is impossible for me to describe your transcendental glories, still as your menial servant. I am delighted to be given this opportunity of putting my feelings and thoughts for writing your glories.

It would not be possible for fallen conditioned souls like us to understand the purpose of our existence without your guidance and mercy which is to be eternal servant of the Lord. We are so fortunate to have been provided with your training and guidance. Without your mercy we would have been lost in this ocean of nescience, without your grace it would be impossible to obtain the mercy of Krsna.

You always continually associate with us through your books, lectures and kirtans. The transcendental sound vibration emanating from your lotus mouth is so potent and is filled with kṛṣṇa prema that even a casual listener gets liberated by hearing your words .

By your grace, Srila Prabhupada, Fallen persons like me once attached to grossly sinful activities are now following the rules and regulation and are advancing towards spiritual path. You have provided us with the fruit of Kṛṣṇa prema and bhakti through your compassionate teachings. Through your compassion, you have shown us the path of perfection so easily otherwise, which would take millions of birth for a conditioned soul to attain that perfection.

We are eternally indebted to you for offering us this opportunity of devotional service. Please accept our offerings and obeisance though so ever humble.

Your humble servant, Bhakta Nakul Jasrotia

Bhakta Omkar Bhopale

Dear Srila Prabhupada,

Please accept my humble obeisances at Your Holy Lotus Feet.

Empowered by Chaitanya Mahaprabhu, You accomplished His mission at an incredible pace, thus giving ultimate meaning to the words "pure devotion."

Most respected Guru Maharaja; unto You many disciples surrender their life. The power of Your words has slaughtered the ignorance. Through your transcendental vision of the spiritual sky, I can get a view of how it would be glittering like thousands of Suns. This is because of the luster of Lord Krishna's hue. Please keep me near You, for with my own eyes I wish to see Him shining.

I am so unworthy but I still get Your causeless love all the time. You are my actual and true father. Your compassion is like a great cloud above that refreshes the dried out souls erring hither and thither. By Your personal example, You teach us to accept all austerities to carry out the order of the Spiritual Master. By your tapasya you have given the wonderful gift of this Krishna consciousness movement to the whole world. Also, Thank You for freeing my mind. By this, I have learned to accept responsibility for making my own judgements and decisions. I am small and fallible filled with faults and sins. Without You, I would have been lost.

Thank you very much for everything Srila Prabhupada. All glories to Your Lotus Feet. Begging to remain under the shelter of Your Lotus Feet at all times.

Srila Prabhupada ki Jai !!

Your aspiring servant, Bhakta Omkar Bhopale

Bhakta Palash Gautam

Dear Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet.

All glories to you on this most auspicious appearance day of Your Divine Grace.

Srila Prabhupada, your words and books have unearthed the seeds of devotion which were buried deep inside my subconscious mind, the aim of the life is “Athāto brahma jijṣāsā” which was unknown to me and I started considering the Living entity as Brahma itself , it was your word which uprooted my ignorance and filled my life with devotion and bliss, I have never imagined that I will ever be able to see the true form of bhakti yoga which previously in my mind was just a belief.

Srila Prabhupad your words and books have not only enlightened me but they have provided a new way to my life. In this rate race of eating, sleeping, Mating and defending, where we all are in a dilemma to figure out our true nature, you have presented the divine Vedic knowledge as it is through which we are being able to protect us from the ongoing cheating in the name of religion and spirituality. Every now and then innocent people are being cheating by imposters who claim themselves as God.

Srila Prabhupad you have presented love of Krishna to us so that we can quench our thirst of endless mercy and Krishna's love. Your words are just like the first drop of rain, which touch the barren land to make it fertile with endless and enchanting vegetation. Srila Prabhupad I am the most illiterate and fallen soul who is trying to praise the Glories of a Paramahansa whose glories cannot be bounded in the words nor it can be expressed in words nor through any actions.

Srila Prabhupad I bow to your lotus feet with great owe and reverence, I have tried to glorify the endless mercy of yours, which I believe is not even possible for the Gandharvas.

Your humble servant,

Dear Prabhupad,

I offer my humble obeisances at your divine lotus feet. All glories to you and Krishna.

Prabhupada, you had to face many difficulties for this movement. But still you did not go back and at the order of your guru, you went abroad to spread the message of Lord Krishna at the age of 70. You faced many difficulties for us, so that we can live peacefully in this world. You are the true devotee of Lord Krishna. You went abroad and spread the message of Lord Krishna just as he had said. You have taught people about their relationship with God. To help people understand this Bhagwat message well, you wrote a variety of books so that people can understand this message easily.

You painstakingly wrote many books. You changed the hearts of millions of people. By giving simple example through your lectures, you have explained the true meaning of life. You gave the right knowledge of this world. You explained the true meaning of life. You came as Lord Krishna's true messenger and gave knowledge to the people. You told them that you can earn money without God but you will not get happiness in it. We are suffering so much in this world because we do not know our relation with God.

Prabhupada, you are the ocean of kindness. Since childhood, I had a desire to know about God. I went to many places to know about God, but I did not get satisfactory answers. However, by your grace, I had the opportunity to come to this movement. There has been a lot of change in my life. Earlier I used to be in tension, sometimes the problem of home was there and other times it was the problem of education after coming in contact with your movement, I am experiencing peace. Your books taught me a lot. After reading your books, I realized that all the things in the world have been explained in your books which made me feel very happy internally. A lot has changed in my life. I grew up believing in God. All this has been possible just because of you and your books. I pray to you that please always keep your divine grace on me.

Your eternal servant,

Dear Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet. All glories to you on this most auspicious appearance day of Your Divine Grace.

My master Srila Prabhupada ! O ocean of mercy!

My words are limited to describe your potency.

O bestower of Krishna prema! With the wealth of holy name

You left from Vrindavana, into dark ocean of material pain

O deliverer of fallen soul, what a mismatch is our combination

Like diamond, lie in coal mine, with great perturbation

O saviour of whole world! Saviour from forest fire

I do not have any qualification, still You are my servitor

Among the philosophy of impersonalism, full of dry speculation

O messenger of Krishna! Saviour from soul suicidal conception

What the cost can be paid! When the ocean of mercy is available

May Krishna bestow me, make me more favourable

As the gem in elephant, is very very rare

So is your association, very very valuable

Roaming across millions of life, wasted time uselessly

O my mind understand, take Krishna Consciousness seriously

O saviour of mankind ! Your presence is very rare

Still I don't utilize it, I am so inferior

Far top from spiritual world, you appeared as saviour

Impossible for me to comprehend, you are so glorious

Bereft of Krishna prema! Suffering in blazing fire

O mercy personified! bestow my soul desire

Despite of my ignorance, you are so much merciful

O destiny of my nature, kindly make me grateful

Although like a mad person, ignored spiritual instruction

O ocean of compassion! Give me your protection

O creator of my destiny! Have mercy on my plight

Bestow service unto Prabhupada, source of spiritual delight

Your undeserving and ungrateful disciple Bhakta Parth

Bhakta Pavan Dandagi

Hare Krishna Prabhupad,

Please accept my humble obeisances

I want to share an incident with you. One of my friends asked me about you, since he knew that I attend Gita life sessions conducted by ISKCON Bangalore group of devotees. I briefly explained about you. Later he started arguing that, it might be because of your Karma, You are successful in opening so many centres in abroad (during initial days). I put my point forward saying, if that were the case, you would have opened so many centres in India itself during initial days rather than going to western country and that too at the age of 70, having just Rs 40 in pocket. My friend later got convinced since he understood that apart from Karma, your sincere love towards serving Krishna without any material desires has made the Krishna Consciousness movement a great success. It's live example until date. If someone (non-devotee) asks proofs about the Gita Shlokas, we can say that your life is only proving most of the shlokas in Gita.

Dear Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet. All glories to you on this most auspicious appearance day of Your Divine Grace.

Prabhupada, you spread the inner feelings of Shri Caitanya Mahāprabhu under the divine order of your spiritual master, Bhaktisiddhānta Sarasvati Goswami Maharaj, by spreading Krishna consciousness all over the world through the International Society for Krishna Consciousness!

Because of our spiritual master, we are able to comprehend the knowledge of our scriptures in simple language and with most relevant examples.

Before coming to Krishna Consciousness, I have read the books of many great personalities. However, they could not teach me the real purpose of my life. Even after achieving material wealth, I was not happy.

Now after attending several sessions of Gita Life, I feel that, I am one of the luckiest souls who have started his journey towards the Supreme Personality of Godhead firstly by accepting the pamphlet and secondly by submissively following your teachings.

Now my happiness does not depend on any material things.

Thank you Prabhupad for giving us the real taste of Harinam. All glories to Srila Prabhupada!!!

Begging to remain under the shelter of your lotus feet at all times.

Your humble servant,

Bhaktin Prafulla Dalvi

Dear Srila Prabhupada

Please accept my obeisances all glories to His Divine Grace Srila Prabhupada.

Dear Srila Prabhupada first of all thank you so much for giving all us a very important message of life.

By listening about you from devotees and by your biography, I got to know that you did very hard work for all of us.

Dear Srila Prabhupada your books are very interesting you have given us everything, which is required to live a true life. You taught us how to practice spiritual life. Because of you only I have started following the spiritual path. By your mercy only we can attend the lecture of Srimad Bhagavad Gita, have nice prasadam and came to know real spirituality and our culture. Srila Prabhupada I am trying to follow your orders but somehow during chanting I am not able to be attentive. Please give me inner strength and your mercy so that I can chant more effectively and attentively. Srila Prabhupada by attending Srimad Bhagavad Gita classes, chanting and by following the rules and regulations I feel very good. Before coming to the Hare Krishna Movement, I have committed many mistakes but after getting the association of devotees, I have changed. Today also, I am not perfect but I am growing slowly because of you. I came to know what things we should do, what should be avoided. Sometimes I fail to follow your instructions but I promise you that I will strictly follow your orders.

Dear Srila Prabhupada in the beginning I did not take Krishna Consciousness very seriously but now because of association of devotees and your books I have become serious about it. I came to know various things and philosophy, which I was unaware. You have done so much for us Dear Srila Prabhupada.

While reading your books I feel like you are only giving information. You did so much for us but in return I am unable to do anything for you but today I promise you that I will practise Krishna Consciousness very strictly and with more conviction. Please bestow your mercy on me, so that I can progress in my spiritual life, which I am unable to do due to the influence of māya. By practising Krishna Consciousness, my life has changed gradually. I came to know the real meaning of life. Thank you so much Prabhupada.

Please give me inner strength to chant more effectively and to progress in Krishna Consciousness.

Begging to remain under the shelter of your lotus feet and yours instructions.

Dear Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet.

All glories to you on this most auspicious appearance day of Your Divine Grace.

Bhagvad Gita and other vedic literatures are explained by so many scholars. But it is not a subject of scholars. They only show their intellectual greatness. But you are concerned about the whole mankind. You said that finish your business and go back to Godhead. You are the chosen one. If God wants to say something you are the voice of God.

My material life was going very smoothly, but my spiritual growth was not going great for last 10 year. I know few things, but I was not able to include those in my daily schedule. At this junction of my life, Hare Krishna Movement started in Powai. Simple living, high thinking and intellectual humbleness of the devotees touched me. They always

give credit to Srila Prabhupad and his teachings. Because of the association of your devotees, I have taken up chanting and have a spiritual schedule included in my daily life.

In this age of Kali no one is ready to take responsibility for their loved ones. But out of pure mercy You have taken responsibility of your disciple. You accept us as we are and desire to take us all go back to Godhead.

I do not know I am capable of carrying Your orders and also do not know my competence to fulfil Your desire yet I will give my best to do so. Please bestow your mercy on me.

Begging to remain under the shelter of your lotus feet at all times.

Dear Srila Prabhupada

Please accept my honourable respects.

I am here to write a letter to greatest poet ever and I don't know where do I start?

His devotion towards Krishna or his knowledge on minutes to Mountains.

I travel millions of years to experience this awesomeness and before this I may have ignored everything, I may have prayed to fraud, I may have seen blood, I may have eaten flesh, I may have be cruel, I may have been lazy.

The world has seen kings who rule lands and dictators who washed minds but once they came to power, they took from the people, returned to the people but, his Divine Grace questioned me, helped me to get the answers, guides me when I am really in need and finally he awakened my soul which was dormant from millions of years.

After all this now I can say, as life exists on earth, his Divine Grace will eternally remain.

Dear Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet.

All glories to you on this most auspicious appearance day of your divine grace.

Srila Prabhupada, your purports in 'Bhagwad Gita As it is' make the most difficult philosophy easy to understand even for the common man. Thank you so much for changing our lives and showing us the path for going back to godhead. No material words can fully glorify you.

Prabhupada, by your mercy this insignificant soul has a chance to come in Krishna Consciousness and to follow the 4 regulative principles.

Please tolerate the wrongs that I may have done to you and bear with me as a father with his son, and give me the intelligence to carry out your orders, in the association of your sincere devotees.

Srila Prabhupada, please bless me so that I shall always remain under the shelter of your lotus feet at all times.

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to Your Divine Grace.

Indeed, by Krishna's grace, I got this human form of life after many births of which I have no idea, but I was in the darkest ignorance until the time your mercy was bestowed upon me which showed me the light to understand the aim of this human form of life.

'Krishna Consciousness' is the matchless gift that you have given to the human society through which we can attain love of Krishna and go back to our original home, back to godhead. Although we are not qualified to serve Krishna directly, we are extremely fortunate to have you as our spiritual master through which we can serve the lotus feet of Krishna. The force of maya is very strong and therefore, I request you to give us the spirit through which we can make constant endeavour in serving Krishna and save ourselves from falling back under the clutches of maya.

Though, you are physically not present but you will always be in our heart and we will continue to feel your presence in your instructions. I pray to bestow your mercy upon all of us so that people in mass embrace this 'Krishna Consciousness' process with love and devotion. With your mercy only, we can together make this Worldwide Hare Krishna Movement, a grand success. Kindly help us.

Hare Krishna!

I offer my respect to Srila Prabhupada who was responsible for spreading Krishna consciousness across the world. His aim was to take us to our father "Krishna" for which he descended to our planet to awaken Krishna consciousness amongst the people. He has been a role model for us who when remembered during tough time of our life encourages us realize the distress that we get when we try to exploit the material nature. He made us realize that the transcendental bliss has a superior taste than anything in this material nature.

He has directed many souls to attain liberation to attain Krishna for which he worked day and night for Krishna. He was simply a messenger of godhead to save the fallen souls!

Your Servant Bhakta Rudhran Mudaliyar

Bhakta Raturaj Manjrekar

Dear Srila Prabhupada,

Please accept my humble obeisance at your Lotus feet.

The worldwide movement started by you has in actual transformed everyone's life. In this Kali-Yuga which is full of quarrels and hypocrisy, it is by your austerities that we have been gifted with the simplest way of attaining liberation. However, more important thing that I personally felt is that I have started understanding things as they actually are. My life has transformed drastically. I have seen positive change in myself. I have gradually started respecting everyone's view point; I have stopped arguing for silly reasons. I always remain at peace because of the powerful mantra you have given to us.

You have always lived by what you said. Your way of answering philosophical doubts has impressed me a lot. You went against the normal current to preach in the western countries. I wish to be always enthusiastic in your mission by your mercy.

The morning systematic plan that you have established to serve Lord Krishna and not be attacked by Maya is so blissful and powerful. I have personally experienced this. It starts of your day very well. Previously, I read many books on starting your day in so and so manner to be successful. However, nothing proved good for me. It is by your sincere efforts that I had been able to start my day in an awesome way.

I carry out your orders by attending Gita Life sessions, reading your books, distributing pamphlets and books, chanting and by offering obeisance unto Lord Krishna and yourself.

I wish to get more time to stay in your association and senior devotees. On this auspicious day, I wish to get blessings from you to serve your mission and be elevated to a position where in I would be serving Lord Krishna and you 24*7. I beg you to Please forgive all my offenses and help me to be sincere in this process of chanting and serving your mission.

Your humble servant, Bhakta Raturaj Manjrekar.

Dear Srila Prabhupada,

Please accept my humble obeisances in the dust of your lotus feet. All glories to you, the saviour of the whole world.

Srila Prabhupada you are my desire tree. When my desires are pure, you arrange to fulfil my wishes. You taught us first to deserve then desire. A pure devotee is just like the Desire-Tree from whom we can have everything desirable on request. This is no myth or bluff but it is fact. A pure devotee like you can bestow us with the mercy of the God.

As I mentioned above Prabhupada you fulfil all my material and spiritual desires. Because of you only I got this spiritual knowledge. "The conclusion of all revealed scriptures is that one should awaken his dormant love of Godhead", because of you we got the ultimate goal of life and the conclusion of all vedic scriptures.

Srila Prabhupada, you fulfil all my desires. I have one more desire and my desire is "Always engage me in your service and also in loving devotional service to the Lord".

I beg that you keep me engaged in the same way as you were engaged in serving Lord Krishna to the very last breath of your life.

Please accept my prostrated obeisances again and again. Aspiring for your eternal service,

Respected Srila Prabhupada,

Please accept my humble obeisance at your divine lotus feet. All glories to You.

You are the only blessed spiritual master who could share the knowledge imparted by Lord to human being all across globe.

I am humbly indebted to you for providing the entire Srimad Bhagavatam translated in English. It would not have been possible for me to read and understand to the extent I have understood.

Your knowledge sharing through various recorded videos and books could inspire me to initiate chanting and continue at least 16 rounds of chanting daily.

Your blessings, well wishes for chanting the Lord's name has helped me improve our daily routine and remembering Lord all the time.

Begging your mercy to remain under the shelter of your lotus feet at all times.

Please accept my humble adoration at your divine lotus feet. All glories to you on this appearance day of your divine grace.

Because of your Krishna Consciousness Movement, I am improving every day. All vaishnavas teach good lessons related to spiritual life and help us to solve our routine material problems. We also get sumptuous prasadam.

With the help of Srimad Bhagwatam and your lectures, we learn many things. All sinful souls have very good opportunity to elevate themselves through your Krishna Consciousness Movement.

Prabhupada, by your grace everything seems easy.

Thank you for always being merciful upon me.

Dear Srila Prabhupada,

Please accept my most humble obeisances.

All glories to Your Divine Grace!

Prabhupada, I'm a fallen soul who has been wandering in this material universe, hankering after happiness since time immemorial. Alas all my endeavours to derive pleasure independent of Krishna have been unsuccessful. Only now, after coming under your shelter and receiving real knowledge from you, have I been able to understand the true meaning of happiness. You are a pure devotee of the Lord, Srila Prabhupada, and the knowledge that you provide is also pure, as it is directly coming from the Lord Himself. In the Bhagavad Gita, it is said that any person can take the shelter of the Lord and by doing so can return to Godhead. To take shelter of the lotus feet of the Lord means to take the shelter of the pure devotees. Anyone, who takes the shelter of the lotus feet of a pure devotee by accepting the pure devotee as his spiritual master can at once become purified. Prabhupada, only you can deliver fallen souls like me out of the material world. Such pure devotees are better known as Vice-Lord by the revealed scriptures.

The secret of success in spiritual life is in satisfying the spiritual master and thereby getting his sincere blessings. I offer my most respectful obeisances unto your divine lotus feet. Only by your grace and satisfaction can I please the Supreme Personality of Godhead.

Please bless me so that I can serve you and the Lord with utmost devotion. Keep me always under the shelter of your lotus feet and let my mind always be absorbed in the thoughts of the Lord. Please keep guiding me always and never let me be forgetful of you and Krishna.

Bhakta Shirish Sinha

Revered Swami Srila Prabhupada,

Please accept my obeisance at your sacred feet. The opportunity of writing this letter on the auspicious occasion of your divine appearance is very special. It feels like I have received your kind sanction to establish a direct connect with you.

Coming into contact with the HKM team in Powai, joining Bhagwad Gita course and participating in spiritual activities could not have happened for me without your approval. I can't stop expressing my gratitude for your blessings that has drawn me to Krishna consciousness. The Bhagwad Gita classes and Shrimad Bhagwatam lectures generate countless questions and thoughts about my existence as human entity and its purpose. As I read the purports or listen to your analysis and synthesis of Lord's teaching through the verses by senior devotees, clarifications begin to seamlessly descend and enter into my mind with considerable ease.

It has been close to two-and-a-half years of my intended spiritual journey and one sans any interruption in my everyday chanting, reading and listening to video lectures. I have felt a pull for attending the mangal aarti when prayers are sung to glorify the Supreme Lord, Smt. Radha Rani, Lord Narasimha, Tulsi Maharani and the revered Gaur-Nitai. All glories to you for infusing interest and urge within me to know about the magnanimous God, his arrangements of running the universe and the role of the spirit soul.

Books carrying your instructions to devotees and readers amply describe the constitutional position of human entity and his prime duty of serving God with love and devotion. References of highly exalted devotees like Prahlad Maharaj in your books stir the mind and instill faith in love for God. Reading about pastimes of the Lord gives deep philosophical insights into dimensions of pure love and bhakti by human entity for the supreme Lord. The books and lectures offer comprehensive explanation on the concept of body, soul and super soul and recommend the established process for one's transformation from ignorance to enlightenment. You have taught the mankind how essential it is to exercise control over wandering mind and demand of senses in order to make progress in the spiritual journey. Once again, all glories to your Divine Grace for imparting knowledge about the transcendental nature of spirit soul.

Extricating me from a materially-conditioned state, you have shown the route to real happiness that comes about through devotional service. I am striving to change and purify my consciousness through hearing and reading about the Lord, currently chanting 8 rounds and observing the Ekadashi fast. Thank you for the weekly Bhagwad Gita classes that motivates me to battle against constant attacks by maya.

With your blessings, I feel hugely enriched with the arrival of the deities of Shri Nityanand Prabhu and Shri Chaitanya Mahaprabhu at our home. The daily prayers, bhog and prasadam have been a truly rewarding experience of service and deep delight. It was with your mercy that I could travel to the holy land of Vrindavan in association with devotees and visit many temples and sites of significance that, in many ways, placed me in an aspirational proximity with the supreme Lord and His pastimes. Knowing about the six Goswamis and their loving, devotional service to the Lord was like unlocking the doors to real knowledge which, if acquired, would transform one into a kind, humble and eternally happy person because of his communion with God. Your discourses inspire us to be prudent to choose permanent spiritual benefits over the temporary material gains while they throw light on the difference between karma, vikarma and akarma and why activities resulting into akarma are beneficial to spiritual advancement.

Knowing you as the jagat guru and God-sent rescuer of us conditioned souls, I beg your forgiveness for my low intelligence, ignorance, mistakes and sins. As I continue on the aspirational journey of entering the God's abode, I pray that my steps be guided by your blessings, that I stay steady and that all my actions have your kind approval.

Always at your and Lord's service,

This has been a great experience for me that I have changed so much in just a span of a year, knowing and exploring all this that have been otherwise wouldn't be possible for me or anyone.

Please shower your blessing on us and have mercy on us, for I want to continue in this journey as long as possible.

Dear Srila Prabhupada,

My humble prostrations at your holy feet.

On the occasion of Vyasa Puja, I would like to glorify my spiritual master who had offered a ray of hope to the miserable souls who are immersed in the whirlpool of samsara under the influence of evanescent sense gratifications and worldly pleasures.

You had made us realize that true happiness doesn't exist in the ephemeral worldly pleasures. It can come only when we surrender ourselves to the holy feet of the Supreme Personality of Godhead – Lord Krishna.

You had made us realize that in this Kaliyuga, chanting the holy name can only help us in our spiritual elevation. You had made us realize the importance of Satsanga or holy company.

May the vibrations of the Maha Mantra fill our consciousness and help us in overcoming all bondages of the dualities of life, so that we can return back to the effulgent spiritual world of the Vaikunta Loka where we can serve the Supreme Personality of Godhead eternally.

Your faithful student,

Bhakta Sreejit

Bhakta Sumit

Dear Srila Prabhupada,

Please accept my humble obeisance unto the dust of your lotus feet. Thank you so much for fulfilling my long cherished desire. I was not at all worthy for this great gift which you have given me. I was going in opposite direction of Krsna Consciousness but you somehow pulled me and have brought me here.

Srila Prabhupad when I hear your pastimes I feel connected to you. I was moved by reading the difficulty you have faced to establish this institution and to fulfil the order of your spiritual master. In the early days you alone wrote, edited, printed and distributed back to godhead magazines. Then you started writing and translating Shrimad Bhagvatam typing each and every word on a small typewriter and then getting it printed by a great struggle.

Your books have practically transformed many lives and are continuing to enlighten and affect the lives of different people all over the world. You went to western countries where you transformed “Hippies into Happies” by giving them this wonderful Krsna consciousness. You have practically taken out people from the gutter and turned them into Vaiṣṇavas.

The chanting of the holy name of the lord is an ancient process followed and propagated in our country from Vedic times but it couldn't cross over the seas. You did the glorious task of taking this process to the western world fulfilling the prophecy of Lord Caitanya.

You have given this highest knowledge in the easiest form making it very easy to be understood by the common man. The analogies that you give enable us to correlate the spiritual matters with material world. Some of analogies which I like are Dr. Frog's philosophy, Comparison of Lord's energies with electricity, Maya as Police Department in a Government, All pervasiveness of Mr. Ford, Sun having its three features similar to Krsna.

You possess all the 26 qualities of a pure devotee. You saw everything from sastric point of view and never gave any value to knowledge perceived by blunt senses of the scientists. Once observing a person playing golf, tears came gliding through your eyes seeing his ignorant and suffering condition, on another occasion you named “surfers as sufferers” seeing their actual position.

You said that people are suffering in this world for want of Krsna Consciousness and therefore you preached vigorously. Sleeping only 2 hours a day you translated and wrote books and gave lectures while continuously travelling all over the world for 14 times in just 11 years. Wherever you went, you planted the seed of Krsna consciousness, which transformed into big beautiful trees and as a result, now there are more than 850 ISKCON centres all over the world.

The way you empowered some handful of young disciples is unparalleled. What they achieved is unbelievable, some of the examples are as follows:-

- 1) Only 6 devotees went to London to open a centre. They preached and in just one year “STARTLED LONDON”. There was wave of Hare Krsna which inundated the whole city. The Hare Krsna music album became famous and came in top 10 music albums in and around London.
- 2) Krsna Consciousness was established in Soviet Union. It happened practically through your mercy in the form of books. After a long struggle and many fights, ISKCON was legalised and now there are more than 80 centres in and around Russia.
- 3) The records of the book distribution, which your disciples achieved, are rarely possible. You gave them the strength to go out and distribute books and by your motivation, they could practically work for 14-16 hours a day distributing as many as 50,000 books a month.

One of very successful book distributors remembers:-

Tripurāri: My association with Srila Prabhupad was always more or less in separation and in the field. While many of the older devotees were trained personally by Prabhupad, I never got that training. I was trained by Srila Prabhupad more from within my own heart. I think that's the case with all of our book distributors. They have a very intimate sense of feeling for Prabhupad, but they never had much personal contact. Their intimacy and real sense of knowing Prabhupad very closely was because of that service which Prabhupad said was his life and soul-seeing that the books went out.

Oh my Master please empower me also to distribute books like them. Please have your causeless mercy upon me so that I can put my heart and soul together in your service. Let this body be worn out and finished in your divine service otherwise Maya will capture it and will make it her playground.

Srila Prabhupad today on this most auspicious occasion I beg from you the opportunity to preach vigorously and to be attached to your lotus feet. Please give me your eternal remembrance and always engage in me in your service. I was suffering so much in my materialistic life , being unable to follow rules and instructions given by you I have certainly offended you still you have given me your shelter for which I am eternally indebted to you. I humbly pray to you today to please keep me in your association and service for my whole life. I pray that my dead body only should go out from here.

Dear Srila Prabhupada,

Please accept my humble obeisance at your divine lotus feet. All glories to you on this most auspicious appearance day of Your Divine Grace.

As the representative of Srila Vyasadeva, You have lucidly explained the original teachings of Srila Vyasadeva in Your Bhaktivedanta purports for the benefit of all conditioned souls. Your teachings help us to improve our spiritual consciousness and your purports make the most difficult philosophy easy to understand even for a common man.

Thank you for the great skills and knowledge You've imparted to me. I greatly appreciate your contribution to my success. Because of You, it has become possible for us to understand Srimad Bhagavatam, which is the highest literature. Because of You, we have gained real understanding of the spiritual and material world.

At the age of 63, you took a step towards starting Krishna Consciousness Movement in the whole world for spreading the message of Supreme Personality of Godhead, and now, this movement has spread so much throughout the world, which is totally astonishing.

You have very kindly appeared to deliver all the suffering souls from this material world. Your Krishna consciousness movement is meant to convert the crow class men into swan class. You are the ideal acharya because You teach us everything about spiritual life by your personal example. Even though you have been empowered by Lord Chaitanya to spread the Holy Name of Krishna throughout the world, you perform your devotional service strictly following the instructions of your spiritual master. By your personal example you teach us to accept all austerities to carry out the order of the spiritual master. By your tapasya you have given the wonderful gift of this Krishna Consciousness to the whole world. On this most auspicious day I humbly beg you to continue to shower your blessings on me to make me an instrument in serving your mission. I beg you to give me the inner strength to take all austerities in serving your mission. Please forgive my offenses and give me the intelligence to carry out your orders under the protection of your divine movement in the association of your sincere devotees.

Srila Prabhupada, I request you to give us strength to get out of this material world and dedicate our life to Krishna. Thank you. Begging to remain under the shelter of your lotus feet at all times.

Dear Srila Prabhupada,

Please accept my respect and obeisances unto your lotus feet. All glories to you, my spiritual master, on this most auspicious appearance day of Your Divine Grace.

If human life's goal is to surrender unto lotus feet of Lord and serve him unconditionally, you set an unmatched example as spiritual master to fallen souls like me. You surrendered and reposed faith in Lord for it shows in your fearless preaching and unrelenting efforts to spread Krishna Consciousness. How else can one justify great heights that you achieved in service to Lord's mission.

Lord in true reciprocal relationship with his pure devotee, showed way, giving strength to spread Krishna Consciousness like fire in the forest. Else, touring globe 14 times over 10 years preaching Krishna Consciousness to devotees, opening 108 temples and writing volumes of books is inconceivable to an ordinary human being. And above all, the whole vedic culture transplanted in and outside India is not only standing strong but further spreading to touch fallen souls like us.

I am indebted to you for your mercy on me that we got introduced to Krishna Consciousness. While I am a beginner learning the ropes of spirituality, I strongly realize that I have found purpose to my life. It feels very secure to take shelter of your devotees, your books and chanting of holy names. Your books and teachings have such profound knowledge that all my doubts are put to rest. I didn't know the basics of paying respect and obeisances to the Supreme Lord, let alone trying to love Him selflessly. Only a forgiving and all merciful spiritual master can give shelter to such fallen and grossly contaminated souls like me.

I would beg for your mercy to keep me steadfast on this path of surrendering unto lotus feet of Supreme Lord. I would urge you to request Lord to direct my free will in his service

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet

Thank you for giving us a beautiful gift and a chance to change our life into such a spiritual and happy life. This will certainly help me lead a peaceful life.

I would also like to thank you for giving the misled modern generation real spiritual knowledge. Chanting daily makes me feel refreshed and my work becomes very easy. I feel very peaceful. I also read your books and quotes daily. They help me a lot and encourage me to serve you more. All these things inspire and motivate me every moment in my life to continuously strive for spiritual growth.

It is difficult for a common person to practise spiritual life in this modern age. But I am trying my level best to practise your prescribed rules and regulations against the flowing current of modern age. Thank you for giving us lessons and telling us the importance of Bhagavad Gita.

Thank you Srila Prabhupada. I will follow all the rules and guidelines given by you.

Your humble servant, Bhakta Yash Patil.

Dear Srila Prabhupada,

Please accept my most humble obeisances at your divine lotus feet, which are the abode of pure devotional service.

All glories to you, Srila Prabhupada, all glories to you!

As I sit down to write this letter to you, I realize how inept and unqualified I am to glorify you. I lack the proper words to show the veneration and adoration that I have for you, and yet I dare to write this letter to you. You are a personal associate of the Lord Himself, and it is inscrutable to understand the magnitude of your magnanimity! Because of your causeless mercy, you came down to this morbid material world to rescue the fallen souls over here from this ghastly prison house. If you had appeared in this material world, O Srila Prabhupada, then what would

have become of us? Who in this universe would have ever learned about the topmost limits of the loving mellows that comprise the glory of Sri Radha? Really, Prabhupada, you are indeed the most merciful personality to have ever walked on this planet. I pray to you thus,

“kabe heno krpa, labhiya e jana krtartha hoibe, natha! sakti buddhi-hina, ami ati dina koro’ more atma-satha”

“O lord and master! When will this devotee be blessed by obtaining your mercy? I am low and fallen, and devoid of all strength and intelligence. Please make me your beloved servant.”

When I examine myself, Srila Prabhupada, I find absolutely nothing of value. My heart is full of dirt and grime, which has accumulated over lifetimes spent in this quagmire of worldly existence. I keep falling into the perils of material illusion. My mind is crazy and does not care for any authority. It is always senseless and remains in the dark pit of worldly affairs. Yet, despite all these flaws in me, I have one request for you, Srila Prabhupada: Just like you went to the land of the untouchables to deliver them all, please do walk into my heart also and sow the seed of bhakti. As stated by Sri Caitanya Mahaprabhu, guru-krsna prasade paya bhakti lata bija (CC Madhya 19.151): By the mercy of Krishna and the guru, one can get the seed of devotional service. If one is a little intelligent, he can cultivate Krishna Consciousness, and be freed from the miserable conditions of material life. It is also stated,

“guru krsna-rupa hana sastrena pramane guru-rupe krsna krpa karena bhakta-gane”

“According to the opinion of all revealed scriptures, the spiritual master is non-different from Krishna. Lord Krishna in the form of the spiritual master, delivers His devotees.” (CC Adi 1.45)

You are the most confidential servitor of the Lord, O Srila Prabhupada, and thus you should be honored as much as the Supreme Lord. Also, as it is said,

“gangara parasa hoile pascate pavan darsane pavitra koro-ei tomara gun”

“After bathing in the waters of the sacred Ganges many times, one becomes purified, but just by the sight of you, the fallen souls are purified.”

Please be merciful onto me Srila Prabhupada! prati janme kori asa caranera dhuli– I desire the dust of your holy lotus feet in every birth I may take. Please keep me under your shelter always, and never let me wander away from the path to Krishna. My mind is a big rascal, and I pray that you please keep it always absorbed in the thoughts of Govinda.

Thank you so much for everything, O Srila Prabhupada! You have done so much for me and I pray that you keep showering your blessings upon my wretched self. After all, yadi Prabhupada na hoito, tabe ki hoito?

Your most fallen servant,

Dear Srila Prabhupada,

I offer my respectful obeisances unto your lotus feet.

Thank you for your mercy for we are now able to honor lip-smacking sattvik prasadam, build gigantic temples, hold Ratha-Yatras, acquire more knowledge, hear wondrous stories of the life of Lord Govinda and his amazing feats in his pastimes along with his friends.

*“omajnana-timirandhasyajnananjana-salakaya
cakshur unmilitam yena tasmai sri-gurave namah”*

“I offer my respectful obeisances onto my spiritual master, who has opened my eyes, which were blinded by the darkness of ignorance, with the torchlight of knowledge.”

Also, the best part about you is your amazing kirtans. They make me dance continuously. They motivate me to jump and run, jump and run, and jump and run! The best kirtan sung by you is the Hare Krishna kirtan, which is truly awesome! Also, your temples are wondrous. I have visited some of the temples, which were constructed by you, and among them, I like the Mayapur temple the most.

I pray to you, Srila Prabhupada, that you please be merciful onto me. Bless me lots and lots of love for you and Krishna. Let me always serve you and Krishna nicely.

Dear Srila Prabhupada

Please accept my humble obeisance. All glories to Krishna & his great devotee Srila Prabhupada.

I feel extremely insignificant writing to you as I have just started my journey towards getting to learn about your glories and teachings. Perhaps, there are many like me who are still exploring your teachings and getting to know you better and feel you through all the books, you have gifted us. In fact, your presence is felt forever through your books and you handhold us whenever we are uncertain about the path that is chosen for us.

You are the anchor for the likes of us who are drowning in ignorance and predominantly split between Tamas & Rajas virtue. We look upto to you to elevate us to a higher level of virtue through your teachings.

The one statement which has changed my outlook towards life, which has remained etched in my heart, “Our only business is to love God, not to ask God for our necessities.” You have given us a beautiful gift in the form of Krishna Consciousness and we shall be indebted to you forever. Vyasa Pooja this year has a very special significance for me as you have taken me in your shelter and I am convinced that you will bring me out of the miseries of this world. It gives me immense strength when I read about your journey and the struggles you have faced to bring Krishna Consciousness in the West. Your compassion towards the fallen souls speak a million words about your benevolence.

Prabhupada, need your blessings in my pursuit to follow Krishna Consciousness earnestly and with all my heart. I also want to take this opportunity to plead you to forgive my mistakes and accept my love.

Dear Srila Prabhupada,

Please accept my humble obeisance at your divine lotus feet. All glories to you on this most auspicious appearance day of Your Divine Grace.

Just one order of your guru you set off to enlighten and enrich so many souls that were lost in this materialistic world under the influence of Maya. While many like me were on our journey of quest on life, you through your

simple and understandable writings answered to all of them and passed on the essence of the writings of Srila Vyasadeva in a language that even the most downtrodden soul can understand. Through your vast writings you have been the torchbearer for the most difficult and dark aspects of our life.

Prabhupada, as per the first lecture that I heard of yours it was a clear indication for me that Sunyavadi is not life. Activity is life. Since then I always kept reminding myself of your teachings where you said “Don’t become zero, but be engaged always in chanting Hare Krishna Maha-mantra. Be very active, but not for sense gratification but for Krishna’s service “. I have been since then trying my bit and praying to you to show me a way to be able to follow this. It is indeed true that when we aspire to do something that our guru has instructed, the entire world helps us. In my case too, just because of your special blessings, I have been given an opportunity to serve Krishna in a small way and spread Caitanya Mahaprabhu’s message.

I, will always be indebted to you for having imbibed in me the faith in Vaishnavism and Caitanya Mahaprabhu’s message of “Kirtaniyah sada harih “Today, the chanting of Maha-mantra from one round to sixteen rounds has brought about a lot of difference in not just me but the entire family and to be more precise families in and around me. Also, in your endeavor to do something better for the society you have selflessly offered yourself and set an example for many of the generations to come as to what it means to be a real guru. “A child is a father of man” has been your teaching to us and hence to bring about your dreams to come true and to reach out to many more souls to lead a life in the real sense, I aspire to help children and through them their parents to be blessed with Krishna consciousness along with the help of senior devotees.

On this special occasion and auspicious day I humbly beg you to continue to shower your blessings on us and to make us (the entire family) an instrument in serving your mission. We beg you to give us a stable mind and inner strength to render our services in serving your mission without getting distracted. Please forgive our offenses and give us the intelligence to carry out your orders under the protection of your divine movement in the association of your sincere devotees.

Begging to remain under the shelter of your lotus feet at all times.

Respected Srila Prabhupada,

Kindly accept my Sat Sat Naman and obeisance at your divine lotus feet. All glories to Srila Prabhupada.

I am really blessed with the knowledge provided by you on Lord Shri Krishna.

As days passed by Prabhupada I tried to chant everyday 16 rounds at least, which I could accomplish in 4 month’s time with your blessings.

Every moment Maha Mantra Chant helps me to focus towards Lord and helps to think positive at every moment and place.

My sincere thanks to you for imparting instruction to chant Maha Mantra. Heartfelt gratitude for sharing the Vedic knowledge through translated version in English.

The methodology prescribed by you through hearing about Lord and kirtans helped me to remember Lord every moment.

Begging your mercy to remain under the shelter of your lotus feet at all times.

All glories to His Divine Grace AC Bhaktivedanta Srila Prabhupad,

Please accept my humble obeisance at you lotus feet

Prabhupad, it has been a little over a year since I started my spiritual journey in the true sense of the word. It is your causeless mercy that has been a guiding force, a beacon in this new phase of my life. Your purports which are glowing pieces of erudition have made the most difficult philosophy of Srimad Bhagwatam easily comprehensible to an ignorant being like me who, in spite of possessing a copy of the same, could never muster the courage to start reading it until sometime back.

From your purports in the first few chapters of Bhagwad Gita, I could understand that one gets a human form of life after going through the cycle of birth and death millions of times. This understanding helped me attach huge value to my human form of life and how I need to migrate from material to the spiritual platform through bhakti or devotional service. The purports show the mirror to our true self wasting time in sense gratification and a logical interpretation of these clearly bring out how disadvantaged we are in the absence of true knowledge about material and spiritual existence and benefits. Your constant reminders for chanting the Hare Krishna maha mantra and my adherence to this has created a very calming effects on me and I get a sense of confidence that I can overcome the forces of illusionary forces.

Through your purport I have come to understand the real meaning and purpose of my life in this world and how I can make it meaningful by engaging in devotional service of the Lord. My humble prayer to you is to continue showering your blessings on me and give me the mental and spiritual strength to move ahead steadily on the path shown by you and achieve my ultimate goal of soul consciousness and liberation.

Prabhupad, please forgive my offences and take me under your shelter for the rest of my life in this material world.

Respected Srila Prabhupada,

Please accept my heartfelt humble obeisance at your lotus feet. All glories to you on this auspicious occasion of your appearance day.

I am very fortunate to have connected with you through your disciples and having the privilege of visiting various tirthas in their knowledgeable presence. Understanding the importance of Lord Krishna's pastimes in great detail was inspiring.

With your merciful and compassionate discourses discussed and explained by true Vaishnavas; I have been enthused to chant more than 16 rounds of the Mahamantra daily for more than a year now. After my visit to the sanctifying premises of ISKCON Bangalore; spiritual vibes emanating from you I feel, have literally transformed my consciousness.

I feel peacefulness, self-control, a degree of purity, tolerance, honesty and religiousness.

On this auspicious day, I humbly beg you to continue to shower your blessings on me and my family.

I pray to you to give me the strength to continue to serve the global Krishna Consciousness movement and the message of Sri Chaitanya Mahaprabhu.

Begging to remain under the shelter of your lotus feet at all times.

On this auspicious day of your appearance I would like to express my gratitude to you for all that you have done for me. Life has become so much better after coming into Krishna Consciousness...I really can't imagine what would have happened if I wouldn't have come in touch with you! It feel so wonderful to serve the deities of Sri Sri Laddoo Gopal and Sri Sri Nitai Gauranga at home. To cook for the Lord every day feels amazing! In addition, to get the opportunity to serve the devotees of the Lord is extremely rare and I feel blessed whenever I get to do so. I pray to you that you please always keep giving the opportunity to serve the Lord and his devotees. Please also let me serve you with lots and lots of devotion. Always keep me under your shelter and let me always be conscious of the Lord.

Dear Srila Prabhupada,

Please accept my humble obeisance at your divine lotus feet. All glories to you on this most auspicious appearance day of Your Divine Grace.

In our life we were totally unaware of ourselves and our original constitutional position. We would have continued to live in ignorance and had never known the basic realities of the Universe. It is only with Lord's mercy and your books that we are learning to understand the mystery of various forms of life.

We are just the beginners in spiritual life. Your books have bestowed such great knowledge in such rightful language with perfect examples that we are feeling blessed and fortunate.

Today we have your books on several topics and our doubts on various aspects are getting cleared. However, we would never be able to empathize the efforts made by you and the hardships you have undergone to write these books. It is only because of the way you have translated the scriptures and explained the vedic knowledge for ignorant people like us, that we are able to dispel the darkness spread around us.

It is with your immense work, lectures, books, journeys and knowledge that we understand you and appreciate and respect the example set by you. Today we have started deriving pleasure in reading various pass-times of lord. Today we know the Maha-mantra and the importance of chanting. Now it is possible for us to understand the reason of our existence and our happiness as well as suffering. It has become possible to know the meaning of real happiness and differentiate the material pleasures. Now we are aware of our relationships with people and with nature.

The festivals have a new meaning now and we can celebrate and enjoy with better knowledge and understanding. We have started feeling the existence of Lord in every being and hence changing the lifestyle accordingly.

We will always be grateful to your teachings for bringing this huge positive change in our life.

I hope and wish that I am able to follow this path all my life.

With sincere Obeisance

Dear Srila Prabhupada

Please accept my humble obeisance at your lotus feet. All glories to You on this auspicious appearance day of Your Divine Grace.

You have been the most inspiring spiritual master world has seen. You travelled all the way to the west, without any inhibitions, only to spread Krishna Consciousness amongst those who needed the Lord the most. Your teachings are applicable in all spheres of life. You worked incessantly for our benefit and gave us the right message of Bhagavad Gita. You showed us the way how we can follow the principles and elevate our spiritual consciousness, and finally go back to Godhead. How merciful, thoughtful and loving you were, you thought of us even when we were so oblivious to you and Krishna Consciousness.

I found Your divine grace at a time when I was frantically looking for something to change my life. Krishna consciousness helped me rediscover myself, to know myself as a spirit soul helped me to get rid of heavy baggage of emotions I was carrying. I started chanting, which brought me closer to the Lord. Your mercy was bestowed upon me and I could see how it made me chant, which I had never ever done before and soon it was clear that I have been blessed and chosen, to start my spiritual journey. Whatever knowledge comes from you I try and apply it in all spheres of my life. Even if I fail, I just pray to you and the Lord for helping me through the mess of this world. I have experienced such positive changes around me, it would not have been possible if You were not guiding me through your books, lectures and your ever-inspiring stories.

I am still lying very low, still entrapped by Mayadevi. I pray and beg you to pull me up and help me in my journey to our original Home. To purify my soul, I pray to you humbly, to send in my way the opportunities for seva and let me be always in association of the pure devotees. Please guide me always, for I would be lost without you. Give me strength and courage to follow your teachings and grow spiritually.

Dear Srila Prabhupada,

Please accept my humble obeisance at your divine lotus feet. All glories to you on this auspicious appearance day of Your Divine Grace.

Today, I wish to express my deepest gratitude to you for your selfless service to mankind - the fruits of which continue to benefit millions of devotees across the globe.

‘Change is the only constant in life’...though a simple fact, it is one of the hardest to imbibe! In most of us, our perceptions of life are fickle and when these are backed by actions...it can have serious repercussions...especially if the actions are based on impulse!

In our journey of life, at some point, we are faced with some of the most fundamental existential questions like...Who am I? Why was I born? Is it by chance or was there a reason? What have I done to deserve this life? Does life have a purpose? Why has GOD placed me here? Why not in a greener pasture? Why so many struggles and suffering both, in my life and around me? Why doesn't GOD give me the little that I expect, easily? Why is happiness not a constant? Why do some 'pious' individuals (I know), suffer, whereas the 'not so pious' get the best of everything? What is Karma? Does it have anything to do with my past, present or future?

When we do not get satisfactory answers to these, our mind directs us to the next set of questions...Does GOD exist? Is he omnipresent and all-powerful? Do I need to worry about my actions? Isn't this life meant to be enjoyed? Is there a next life? Who knows?...and our faith on GOD begins to dwindle.

At this crucial juncture (make or break situation for the person) that your teachings, purport of the 'Bhagvad Geeta' have a magical impact. This knowledge satiates and controls the fickle thoughts and helps stabilize the mind. By helping us understand the difference between the 'mind', 'body', 'soul' and 'karma', their roles and significance, the existential questions are not just answered but put to rest. The free, enthused mind therefore, accepts the changes in life with positivity and bestows complete faith on the 'Big' picture of the Lord. The devotee remains in a stage of resolute and un-perturbed faith.

Through your divine teachings we have gained an understanding of the soul's journey towards its ultimate destination – merge with the 'Godhead'. Soul is eternal, human body (in this life) is only a 'means'/ carrier of the soul till it completes its journey. While it may take several lives for the soul to complete its journey, it is in the human form that the devotee can either accelerate or fall back in its soul's journey through his deeds.

It is because of your selfless service to the mankind (a journey which you began at an age when people decide to sit back and relax) that this 'Raj guhyam (topmost secret)' of the 'Raj Vidya' (topmost knowledge) is available to the devotees across the world. Your tireless efforts over 12 years to bring the vedic knowledge to the common man through your purports, books, discourses and programmes of ISKON continue to guide and transform every devotee who comes in association with them. Devotees experience the beauty and know the real purpose of human life as they gain an understanding of their major co-ordinates viz., Who am I? Why am I here? What am I supposed to do? How do I perform my duties? The simplicity with which you have translated the transcendental knowledge for the understanding of every devotee, is the real power of your efforts.

On this most auspicious day I humbly beg you to continue to shower your blessings on us to make us an instrument in serving your mission. Please forgive my offenses and give me the intelligence to carry out your orders under the protection of your divine movement in association of your sincere devotees.

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet.

Prabhupada, you are a person belonging to the transcendental world. But, you came into this material world to save people like us. Hence, You are as good as Krishna. How can I speak about a transcendental personality like Krishna? Still I am trying to say something. If I try to say something about you, it will be like showing a lamp to sun. If I compare you to sun then, you are more than sun, because sun is shining only day time but you are shining day and night always through your transcendental mission and books. Krishna is your property and you have power to give Krishna's mercy to anybody. You are an eternal associate of Lord Krishna and you know what Krishna is. Therefore you can speak about Krishna without any doubt. You are like Narada Muni always glorifying Lord Krishna. You are savior of the whole world, because you thought the whole world the real aim of life. Due to your mercy whole world is drinking the nectar of chanting the name of Krishna.

“Hare Krishna Hare Krishna Krishna Krishna Hare Hare

Hare Rama Hare Rama Rama Rama Hare Hare”

In present time, nobody is spiritual master like you, who is saying I will take my disciple back home back to godhead. If anybody is accepting you as spiritual master, is really fortunate in this material world. Your heart is like ocean, whoever may come to you, you can give Krishna prema because Krishna is your property. By your mercy Prabhupada, I am trying to serve your movement. You are my life and soul. You have saved me from so called Guru who do not know even meaning of Guru and consider himself as good as God. There are so many so called Gurus who came and gone, but after some time nobody will remember them. But your glories is increasing day by day. Whatever you have given to world within ten years, nobody has given and in future nobody can give. You have given me highest thing the shelter of Radha Krishna, Prasadam, Devotee association, Kirtan, Vedic knowledge and many more. Prabhupada in this age of kali no one like you has distributed the Krishna's love to whole world. You are real soldier of Chaitanya mahaprabhu. You are real disciple of Srila Bhaktisiddhanta Saraswathi Thakur Maharaja. The whole world is grateful for your causeless mercy.

In the Bhagavatam, Bharat Maharaj is saying to King Rahugana, unless one has opportunity to smear his entire body with the dust of the lotus feet of great devotees, one cannot realize the Absolute Truth. One cannot realize the absolute truth simply by observing celibacy, strictly following the rules and regulations of household life, leaving home as a vanaprastha, accepting sannyasa, or undergoing severe penances. There are many other processes to understand the Absolute Truth, but the Absolute Truth is only revealed to one who has attained the mercy of a great devotee like you.

Therefore, without the mercy of spiritual master nobody can attain Krishna bhakti. One has to approach a pure devotee: *anyābhilāṣitā-sūnyam jñāna-karmādy-anāvṛtam*. Please bless me Srila Prabhupada so that I can serve you wholeheartedly without any ulterior motive.

Prabhupada, I am trying to follow your instruction but I am still not able to do. Prabhupada please forgive me whatever I have done mistake and bless me so that I can able to follow the instruction and serve Radha Krishna.

Prabhupada, I will be always grateful to you.

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet.

Srila Prabhupada, you are most kindest personality in the entire creation. You are giving without any restriction an opportunity to attain pure unalloyed devotional service to God to any person, who shows little desire to serve Lord Krishna. If you had not bestowed mercy upon us, then we miserable conditioned souls with no qualification, would be wandering in the streets of material world. Prabhupada, you have simply given us this chance of rendering devotional service to Lord by your causelessly mercy.

It is said in the *Śrīmad-Bhāgavatam* (1.18.13) that even a moment's association with an exalted personality like yourself is beyond comparison to any other benediction in this world:

tulayāma lavenāpi na svargaṁ nāpunar-bhavam bhagavat-saṅgi-saṅgasya martyānām kim utāṣiṣaḥ

“The value of a moment’s association with a pure devotee of the Lord cannot even be compared to the attainment of heavenly planets or liberation from matter, and what to speak of worldly benedictions in the form of material prosperity, which is for those who are meant for death.”

There is no other way for conditioned living entities to get out of the material world but to take shelter of a mahā-bhāgavata; and you are not just a pure devotee, but you are the most beloved devotee of Lord Śrī Kṛṣṇa and Lord Caitanya. Śrī Caitanya Mahāprabhu Himself carried out His mission and delivered one Jagāi and Mādhāi. But He deputed you to spread His mission throughout the world and you are delivering thousands of Jagāis and Mādhāis.

Thank You for allowing and engaging me in the mission of Krishna Consciousness Movement with service guided by your Vaishnavas. There are no words to describe the quality of mercy, which is in you, which can be compared to any person in the entire three worlds.

In rendering my services, I have committed offenses to you and your disciples without proper understanding and have created troubles. Kindly forgive me Prabhupada.

O Jagad-guru, Śrīla Prabhupāda, please give to this servant just one drop of mercy. Let me be as you are, free from desires and aspirations materially. When will your mercy fall to such an unintelligent and weak disciple? In examining me, you will find no good qualities, as your mercy is all that I am made of. If you do not allow the dust of your lotus feet to fall upon me, I will not be able to maintain my wretched and unfortunate life and be in your movement.

Please allow me to be with you and in the association of your devotees till eternity.

Your servant,

Chaitanya Chandra Dasa

Dear Srila Prabhupada,

First of all accept my humble obeisances unto your lotus feet on this auspicious day of Vyasa Puja. All glories unto you.

Prabhupada, I have completely realised that you are the one and the only saviour of this world, especially for me. Srila Prabhupada, I do not have the capacity to ask your lotus feet to take me back to Godhead because I am very much indebted to your love & affection and also the care given by you for which I need to repay by sincerely serving your mission.

Srila Prabhupada, please bless me to continue to be in the service of Their Lordships Sri Sri Krishna Balaram in my future janmas also. Please keep me under your control & under you always. Your lotus feet is the only hope for all my extended relations. Everyday, I am enjoying the service thinking that this movement is your body (as you only had told) and feeling your presence in this sacred institution of ISKCON. Srila Prabhupada, Please help me to continue this feeling and connection with you forever.

Your Servant,

Gunarnava Dasa

Maha Purana Dasa

Jai Srila Prabhupada.

Dear Srila Prabhupada,

Please accept my respectful obeisances unto your lotus feet.

Srila Prabhupada, you are the greatest well-wisher to the entire universe. You are the only Guru to entire Jagat. You have the most intimate connection with the Supreme Lord Sri Krishna. You are one of the Krishna Presta's in the spiritual abode of Krishna. Because of that you have come to this Jagat to teach real bhakti to Krishna. And Your mercy displayed to entire Jagat is uncountable.

Just like when Lord Jagannath appeared in Jagannath Puri to giving out His merciful glances on the fallen souls, so that fallen souls will be getting their own original nature, in the same way Lord Jagannatha appeared as Lord Chaitanya to give highest thing to Jagat through teaching Sankirtan.

Srila Prabhupada, but you have taken both Lord Jagannatha and Lord Chaitanya to the entire Jagat to give highest and most valuable thing to the entire Jagat. So, who else can be more merciful person to entire Jagat than you? Srila Prabhupada.

Today, I am going to recollect or remember your divine instructions on getting transcendental strength of Krishna (acyuta bala) through disciplic succession (Parampara system) as you mentioned one of the Srimad Bhagavatam purport.

" A significant word here is *acyuta-balaḥ*. The spiritual master is certainly very merciful to his disciples, and consequently by satisfying him a devotee gets strength from the Supreme Personality of Godhead. Śrī Caitanya Mahāprabhu therefore says, *guru-kṛṣṇa-prasāde pāya bhakti-latā-bīja*: one must first please the spiritual master, and then one automatically pleases Kṛṣṇa and gets the strength with which to cross the ocean of nescience. If one seriously desires to return home, back to Godhead, one must therefore become strong enough by pleasing the spiritual master, for thus one gets the weapon with which to conquer the enemy, and one also gets the grace of Kṛṣṇa. Simply getting the weapon of *jñāna* is insufficient. One must sharpen the weapon by serving the spiritual master and adhering to his instructions. Then the candidate will get the mercy of the Supreme Personality of Godhead. In general warfare one must take help from his chariot and horses in order to conquer his enemy, and after conquering his enemies he may give up the chariot and its paraphernalia. Similarly, as long as one has a human body, one should fully use it to obtain the highest perfection of life, namely going back home, back to Godhead."

"The word *tattvataḥ*, meaning "in reality," is very important. *Tato mām tattvato jñātvā*. Unless one understands *Kṛṣṇa* in truth by the mercy of the spiritual master, one is not free to give up his material body".

"As stated by Śrī Caitanya Mahāprabhu, one must get in touch with a bona fide spiritual master coming in the *paramparā* of Kṛṣṇa consciousness, for by his mercy and instructions one is able to get strength from Kṛṣṇa".

"The sword of knowledge, is given by Kṛṣṇa, and when one serves the *guru* and Kṛṣṇa in order to hold the sword of Kṛṣṇa's instructions, Balarāma gives one strength. Balarāma is Nityānanda.

*Vrajendra-nandana yei, śacī-suta haila sei,
balarāma ha-ila nitāi.*

This *bala*-Balarāma-comes with Śrī Caitanya Mahāprabhu, and both of Them are so merciful that in this age of Kali one may very easily take shelter of Their lotus feet. They come especially to deliver the fallen souls of this age.

pāpī tāpī yata chila, hari-nāme uddhārila.

Their weapon is *saṅkīrtana*, *hari-nāma*. Thus one should accept the sword of knowledge from *Kṛṣṇa* and be strong with the mercy of Balarāma.

*Nāyam ātmā bala-hīnena labhyo na ca pramādāt tapaso vāpy alīṅgāt
etair upāyair yatate yas tu vidvāṁś tasyaiṣa ātmā viśate brahma-dhāma*

One cannot attain the goal of life without the mercy of Balarāma. Śrī Narottama dāsa Ṭhākura therefore says, *nitāiyera karuṇā habe, vraje rādhā-kṛṣṇa pābe*: when one receives the mercy of Balarāma, Nityānanda, one can attain the lotus feet of Rādhā and Kṛṣṇa very easily.

se sambandha nāhi yāra,

br̥thā janma gela tāra,

vidyā-kule hi karibe tāra

If one has no connection with Nitāi, Balarāma, then even though one is a very learned scholar or **jñānī** or has taken birth in a very respectable family, these assets will not help him. We must therefore conquer the enemies of *Kṛṣṇa* consciousness with the strength received from Balarāma".

Srila Prabhupada, in same way without connection with your divine Krishna consciousness movement, your divine instructions from your Bhaktivedanta purports, and those who are following the divine instruction and divine Krishna consciousness moment of yours, I will be conquered by the enemies of my own mind and senses. On this day of your Vyasa Puja, I am praying at your lotus feet to be merciful unto me so that I can get spiritual strength to follow your divine instructions.

Srila Prabhupada, please constantly engage me in your service since my mind is crazy and my intelligence is full of faults. Please instruct me, teach me, guide me, train me constantly and engage me in your service.

Srila Prabhupada, anticipating your mercy I beg you to forgive any offenses committed to you and your followers knowingly or unknowingly.

Aspiring to become servant of your servants,

Maha Purana Dasa

Mana Mohana Krishna Dasa

I offer my obeisances unto my Spiritual Master's lotus feet, who mercifully distributed the top most knowledge of Krishna Bhakti to this entire planet.

You've crossed villages, towns, continents, tributaries and seas spreading the holy name of Krishna. And there are none in this world who haven't heard the holy name of Lord Krishna. Only you could accomplish this divine mission because you are the eternal associate of Lord Chaitanya and Lord Nityananda; and the most confidential servant of Sri Krishna.

We may know your glories now but your appearance was predicted before hundreds of years by great Vaishnavas. You've blessed the inhabitants of this earth with your most infallible literature that was scientific, authoritative and sold more than half a billion books. You tirelessly worked day and night; and left your legacy of Krishna Prema in the form of ISKCON that will last forever. No impersonalist in all the three worlds could ever dare challenge your authority on the vedic conclusions.

You are the worshipable divine master as good as Lord Krishna and without your blessings no one can make progress in Krishna Consciousness. We all are on the devotional path not because of our endeavors or past life sukṛuti but because of your causeless mercy. This is the only truth to be realized.

You transformed millions of sudras into pure Krishna devotees all around the world in 11 years and still continue to change the hearts of many millions. All your activities are pure and perfect because you are Maha Bhagavata and you are in constant association with the all-powerful, all knowledgeable and all attractive Supreme being Sri Krishna.

Irrespective of sex, religion, caste or creed and without being partial to the sinful and a devotee, you wanted to promote everyone to the abode of the Supreme Personality of Godhead. We may not be able to associate with you in the physical form but we can always experience your presence in our hearts by worshipping your Vighraha, by hearing your lectures, by following your divine instructions, by serving the devotees and your mission.

I was very much blinded by the bondage of material relationships and therefore I suffered. However, by your benediction I could learn and realize the truth that material relationships are full of exploitation and duplicity. I'd only fallen prey wasting my time instead of employing my energy in your transcendental service.

Though I gained knowledge on how to act in Krishna Consciousness, my mind is still absorbed in worldly pleasures and anxieties. Neither I'm unable to apply your divine instructions nor could control my mind and senses. Yet you are so kind upon this insignificant and unqualified fool to accept as your disciple. In spite of my miserable condition in this material world, you causelessly continue to bless us, protect us and provide for all our needs. You've made us to realize the purpose of life and the purpose to live, which is to surrender at the Lotus feet of Sri Krishna.

O My Lord Prabhupada! let me not forget even for a moment that I'm not of this material body but a spirit soul, part and parcel of Lord Krishna. O My spiritual Master! Please engage my thinking, feeling and willing in serving Your Lotus Feet so that Manamohana Krishna Dasa can become your most humble servant. O Srila Prabhupada! I beg you to release this poor soul from the clutches of material existence. O Spiritual Father! Please make your rascal Manamohana Krishna Dasa capable of going back home, back to Godhead.

Your most fallen disciple,

Manamohana Krishna Dasa.

Narakesari Dasa

Today I am blessed to be a human being only because of your mercy, Srila Prabhupada. Even though I have taken initiation from you dear Srila Prabhupada, just to write a few lines of homage, I am so lazy. Please forgive me and bless me to be always in your divine service.

Srila Prabhupada, you have dedicated your full life just to uplift the downtrodden people like us and show us what is the true meaning of human life and what is our real goal of human life is. Still we do not want to either follow your golden instructions or interested in going back to Godhead. So unfortunate is our life.

Hearing your Srimad Bhagavatam lectures convinces anyone about the essence of Srimad Bhagavatam and inspires one to accept it in total. But still, due to the powerful influence of Maya soon after the hearing, we tend to neglect them. I always wonder on why we are acting so foolishly? We do hear everything so nicely and accept everything as truth without any doubt, but unable to follow them fully. Is it really that we do not want to take things to our heart what we hear or just that only our senses are hearing without, we, actively involving our consciousness in hearing the same.

Even though we understand in so many ways that we are far better than our other fellow beings, but still we are not endeavouring seriously to become fully perfect. Of course, when we hear in so many lectures, we feel we are much better than other karmis. At least karmis are seriously working in karmi style, but we are really lazy people, not taking spiritual life seriously.

The major drawback in our Krishna conscious life is that we do not listen lectures seriously, we do not chant seriously as prescribed in the sastras and we do not follow your instructions correctly. It's all because of the anartha of finding fault in others lives and not correct our own mistakes. I am one such fool falling under that category. Even after two decades of my so-called practice of Krishna consciousness, I have not been able to make tangible growth. It is all due to my own anarthas and mainly due to me being very lenient in the practice. Srila Prabhupada, it is only by your divine grace mercy one can overcome this setback and take up Krishna consciousness seriously.

On this auspicious day of your Vyasa Puja, I genuinely beg from the core of my heart to bless me to improve by chanting of Hare Krishna mantra and develop my consciousness as you really wanted to be as "Krishna conscious" being.

I find myself to be a totally useless and unworthy creature on this planet, please pick me up and put me back in my eternal abode so that I shall not be a burden to this material creation anymore. Please forgive me for the sinful reason of my cause of birth in this planet.

I know Lord will never forgive me for my sins, but You are so kind Or even more kind than any of the incarnations of the Lord so far. People say, Caitanya Mahaprabhu is most munificent incarnation on this planet. But in my opinion, you are more munificent than Mahaprabhu Himself in delivering the fallen souls of Kali yuga. Mahaprabhu could deliver one Jagai and Madai. But you Srila Prabhupada, has accepted so many fallen souls like me by giving your initiation and whoelse can be more merciful than you our dear Gurudev.

Once again I beg for your forgiveness for all my sinful acts in this life Srila Prabhupada and request you to show your causeless mercy on this muda to become your humble disciple.

Your eternal servant, Narakesari dasa

Pavithra Rupa Devi Dasi

Jai Srila Prabhupada,

Please accept my respectful obeisances unto your lotus feet.

Whenever I hear about you from your disciples, it is so nice to understand about how you dealt with them in their lives, guiding them, teaching them about Krishna.

Prabhupada, you teach us how to do devotional service, how to love Krishna.

Prabhupada, by your lecturers you make us understand Bhagavad-Gita and Srimad Bhagavatam in a very simple way that even a person like me can easily understand the subject.

Prabhupada, you have so much faith in the words of your Spiritual Master, which makes me understand that we should also take your words equally serious and follow in your footsteps.

Prabhupada, other than your mercy, I have no knowledge to serve you or Krishna Balaram. In every step of my life, I see how you guide me in every moment to render service to their Lordships and the Vaishnavas.

I am most fallen and have no knowledge about anything. Please forgive me for my mistakes and help me to serve the devotees and You Srila Prabhupada, and Their Lordships Krishna and Balaram.

My only request at your lotus feet is that please correct me and guide me at all stages in my life.

Your humble servant, Pavithra Rupa Devi Dasi

Pragosh Krishna Dasa

Most beloved Śrīla Prabhupāda,

Please accept my respectful and humble obeisances at the dust of your divine lotus feet.

You are dear to Lord Kṛṣṇa as you are always engaged in unalloyed devotional service to the Supreme Personality of Godhead by spreading His glories far and wide. Your Divine Grace is a direct manifestation of Śrī Caitanya Mahāprabhu and a genuine representative of Śrī Nityānanda Prabhu, and as such you are the greatest personality of all time. We have all come together today, by undeserved good fortune, welcoming this most sacred annual appointment to again add our voices and to sing the choir of the unlimited glories of Your Divine Grace. You are

the perfect spiritual master, our sublime eternal teacher. We all belong to you, and we earnestly desire to completely surrender our tiny independence at your command to continue to receive your mercy and thus to succeed in such a wonderful task of becoming purely Krishna conscious. That means always remembering and never forgetting Your Divine Grace. And that remembrance we wish to have not as a thought parked in the back of our mind while we do our services, but as an active powerful sound of your Acharya voice always instructing us, guiding us through our journey, and of course chastising us for our faults when our intentions or actions do not strictly comply with your instructions and spiritual standards. This is the best way to always remember and never forget Your Divine Grace. As a king protects his citizens through various regulations, your strong voice is the most secure and protective defense against Maya's most dangerous illusions.

Srila Prabhupada, in one of your lectures you said "A spiritual master has the right to chastise. Father, spiritual master, they are advised to chastise. Putram ca śiṣyaṁ ca tāḍayen na tu lālayet. So father and teacher is advised by Cāṇakya Paṇḍita that "You should always chastise your son and disciple. Chastise." Tāḍayet. Tāḍayet means "Simply chastise. Always find out mistake." Don't be angry, but it is the business of the teacher and the father simply to find out your mistakes, not to find out your good things. Tāḍayen na tu lālayet. Lālayet means patting: "Oh, my dear son, my dear boy, you are so nice. You have done..." Sometimes it is done, but it is the business of the teacher and the father to chastise. Never recognize the disciple's business or son's business as very good. Then they will spoil. That is the injunction of Cāṇakya Muni. Lālane bahavo doṣāḥ: "If you simply pat, then there will be so many faults." Lālane bahavo doṣāḥ. Doṣāḥ means faults. Tāḍane bahavo guṇāḥ: "And if you chastise, oh, they will be very much qualified." Tāḍane bahavo guṇāḥ, tasmāt: therefore, putram ca śiṣyaṁ ca tāḍayen na tu lālayet, "simply chastise. Don't pat." This is the injunction, moral injunction. So, so far we are concerned, when our spiritual master used to chastise, we took it as blessing. That was very nice."

As Lord Kṛṣṇa on being accepted as spiritual master by Arjuna, began to first chastise his disciple as a fool, Srila Prabhupada, it is your chastisements which stand out as the most rewarding instructions in many disciples' lives. Dear Śrīla Prabhupāda, we are totally aware that your chastisement is an action of love. To quote a few examples here, you said this in a discussion on the philosophy of Arthur Schopenhauer:

"You are . . . a whole society is carrying my order, not because I am superior person. There is love. Without love you cannot do so. You have got some bit of love for me, therefore you carry my order. Otherwise it is not possible. And I cannot also. You are foreigners, you are Americans, I came from another country, I have no account. I cannot also order you: "You must do it, otherwise I will chastise you." Because there is love. It is a connection of love. I can also become bold enough to chastise you, but you also, what, in whatever condition, you carry my order due to the basic principle is love. And our whole philosophy is love. We are just trying to learn how to love Kṛṣṇa, that's all. So without the basic principle of love, these things cannot be conceived."

Again, in a letter you wrote in April 1972: "So far my chastising you at Mayapur for your questions, it is simply out of love that I chastise any of my students. It is a father's duty to raise his son to be a strong, useful citizen, and sometimes he must reprimand him for some mistake in order to teach him. But this harshness is only for his son's benefit. Similarly, you are all my spiritual children, and my only concern is to see that you all become strong in your devotion to Lord Krishna, so sometimes scolding may be there, but you should always remember that it is done with love and it is only for your benefit. You are an intelligent boy, and I want to train you very nicely so that you will be able to preach this great Krishna Conscious philosophy with conviction, and help to deliver all the spiritually-starving souls in this age. Therefore, you should take this chastisement as an opportunity to advance in Krishna Consciousness and not in any other way. [Letter to Nirañjana, 12 April 1972]

Please, Śrīla Prabhupāda, continue to chastise us if we become distracted while chanting Hare Kṛṣṇa, Hare Kṛṣṇa, Kṛṣṇa Kṛṣṇa, Hare Hare/ Hare Rāma, Hare Rāma, Rāma Rāma, Hare Hare, or if we neglect to chant our prescribed number of rounds on the japa-mālā. Please, Śrīla Prabhupāda, always chastise us with your breathtaking "Sit properly!" on your japa tape. Please continue to chastise us if we do not pay proper attention during the class.

Please continue to chastise us if we do not regularly and attentively study your books. Please continue to chastise us if we do not act properly in front of the Deities or within a holy assembly of Vaiṣṇavas. Please continue to chastise us at the very threshold of the false sense of independence. Please continue to chastise us when we waste our precious allotted span of life by allowing our minds to become distracted with some non-Kṛṣṇa-conscious programs or become less determined in being servants of your servants. Dear Śrīla Prabhupāda, we beg you to bless us with the desire for your chastisement. In this way, by your chastisement, we'll become completely qualified to gain Your Divine Grace's mercy to be your humble servants eternally and be able to happily utter: "Our Guru Mahārāja, so strict . . . A little discrepancy, he would chastise like anything. But we liked it very much!" Hare Kṛṣṇa. Śrīla Prabhupāda kī jaya!

By the mercy of the guru, even a dumb man can become the greatest orator, and even a lame man can cross mountains. As advised by Lord Brahmā, one should remember this śāstric injunction if one desires success in his life.

Our Dear Srila Prabhupada, please accept my humble obeisances unto your lotus feet on this auspicious day of your appearance.

Prabhupada, your activities are glorious. It is said in the Bhakti Rasamrutha Sindhu that simply by hearing, remembering, glorifying, desiring, seeing the activities of a pure devotee, one becomes purified along with one's whole family. On this very auspicious day of your appearance, You have again give us a chance to remember your activities and I beg your mercy for the development of devotional service.

Although Arjuna was putting forward so many arguments based on knowledge of religion and moral codes, it appears that he was unable to solve his real problem without the help of the spiritual master Lord Sri Krishna. He could understand that his so called knowledge was useless in driving away his problems, which were drying up his whole existence and it was impossible for him to solve such perplexities without the help of a spiritual master like Lord Krishna. Academic knowledge, scholarship, high position etc are all useless in solving the problems of life. Help can be given only by a spiritual master like you. Therefore the conclusion is that a Spiritual master who is one hundred percent Krishna conscious is the bona fide spiritual master, for he can solve the problems of life. Lord Chaitanya said that one who is master in science of Krishna consciousness, regardless of his social position, is the spiritual master.

There is verse in the (SB 1.7.10). It describes the qualities of "MUNAYAHA", which means 1) Those who are thoughtful 2) Those who are grave and silent 3) ascetic 4) The persistent 5) Mendicants 6) Sages & saints. Srila Prabhupada, you are a true "Munayah" who stand to this word.

The problem of material existence birth, death, diseased & death cannot counteract by accumulation of wealth and economic development. In many parts of the world, there are states which are replete with all facilities of life which are full of wealth and economic development. Yet the problems of material existence are still present. They are seeking peace in different ways, but they can achieve real happiness only if they consult Krishna or Bhagavad gita & Srimad Bhagavatam which constitute the science of Krishna through the bona fide representative of Krishna, the man in Krishna consciousness.

Srila Prabhupada, by your grace and by your guidance only, I can preach this message and as you mentioned in so many places that you will be guiding your disciples through your books and through your instructions. I am personally experiencing that you are always guiding me when I go and meet people those who are attached to this material world.

Srila Prabhupada, you have given the association of devotees which always influences and motivates us to become more resolute in our purpose. Senior devotees life and their preaching inspires us and when we come across to see their non-partialness, who are brave in leading your mission, facing multitude of monumental difficulties and striving hard to serve you sincerely, we too get enthused to continue with our devotional life, tolerating all the challenges and fix ourselves firmly on achieving the highest goal ,which is attaining the abode of Lord Krishna.

I bow at your lotus feet and pray to you to please make me instrumental in your mission of saving the bewildered souls lost in this material world because of sense gratification.

All glories to you, Srila Prabhupāda, and your divine mission!

ಚಕ್ಷುರ್ ಉನ್ಮೀಲಿತಂ ಯೇನ್ ತಸ್ಯ ಶ್ರೀ ಗುರವೇ ನಮಃ

ಪರಮ ಪೂಜ್ಯ ಶರೀ ಕೃಷ್ಣನ ಪರಮ ಪ್ರಿಯರಾಧ ಪ್ರಭುಪಾದರಪಾದರವಿಂದಗಳಲ್ಲಿ ನನ್ನ ಕೋಟಿ ಕೋಟಿ ಸಾಷ್ಟಾಂಗ ನಮಸ್ಕಾರಗಳು

ಗೌರವಾನ್ವಿತರಾಧ ನಿಮ್ಮನ್ನು ಕಲಿಯುಗದಲ್ಲಿ ಸಗಮವಂತನು ಕಳಿಸಿ ನಮ್ಮೆಲ್ಲರಿಗೂ ಭಗವಂತನ ಬಗ್ಗೆ ಆಸಕ್ತಿ ಹೊಂದುವಂತೆ ಮಾಡಿರುವನು ಮತ್ತು ನಮ್ಮೆಲ್ಲರ ಪಾಪ ಪ್ರಜ್ಞೆ ಕಳೆಯುವಂತೆ ಮಾಡಿರುವನು.

ನಮ್ಮೆಲ್ಲರಿಗೂ ಭಗವಂತನ ಬಗ್ಗೆ ಆಸಕ್ತಿ ಹೊಂದುವಂತೆ ಮಾಡಿರುವನು ಮತ್ತು ನಮ್ಮೆಲ್ಲರ ಪಾಪ ಪ್ರಜ್ಞೆ ಕಳೆಯುವಂತೆ ಮಾಡಿರುವನು.

ಕೃಷ್ಣನ ಪ್ರತಿನಿಧಿಯಾದ ನೀವು ಭಗವಂತನ ವಿಚಾರವನ್ನು ಯಾರಲ್ಲಿ ಕೇಳಿತಿಳಿದುಕೊಳ್ಳಬೇಕು ಎಂಬುದನ್ನು ನಿಖರವಾಗಿ ತಿಳಿಸಿ ತಪ್ಪು ಮಾಹಿತಿಯಿಂದ ಆಗುವ ಅನಾಹುತ ಬಗ್ಗೆ ವಿವರಿಸಿ ನಮ್ಮ ಏಳಿಗೆಗೆ ಕಾರಣರಾಗಿದ್ದೀರಿ

ಭಗವಂತನ ವಿಷಯದಲ್ಲಿ ನಿರಾಸಕ್ತರಾದ ನಮ್ಮನ್ನು ನಮ್ಮ ತಿಳುವಳಿಕೆಗೆ ತಿಳಿಯುವಂತೆ ಅರ್ಥ ಮಾಡಿಸಿ ಭಗವಂತನ ವಿಷಯದಲ್ಲಿ ಆಸಕ್ತಿ ಬರುವಂತೆ ಮಾಡಿದ್ದೀರಿ ನಮ್ಮ ಈ ಜೀವನದ ಮುಖ್ಯ ಉದ್ದೇಶ ಏನೆಂದು ತೋರಿಸಿ ಅದರಂತೆ ನಡೆಯಲು ಮಾರ್ಗದರ್ಶನ ಮಾಡುತ್ತಿದ್ದೀರಿ ನಿತ್ಯ ಜೀವನದಲ್ಲಿ ಆಗುತ್ತಿರುವ ಬದಲಾವಣೆಗೆ ಕೃಷ್ಣ ಪ್ರಜ್ಞೆಯಲ್ಲಿ ಯಾವ ರೀತಿ ಇರಬೇಕು ಎಂಬುದನ್ನು ತೋರಿಸಿದ್ದೀರಿ.

ನಮ್ಮ ಪ್ರಿಯಗುರುಗಳಾದ ನಿಮ್ಮನ್ನು ಪಡೆದ ನಾವುಗಳು ಧನ್ಯರು ನೀವು ತೋರಿಸಿರುವ ಭಕ್ತಿ ಮಾರ್ಗವು ತುಂಬಾ ಸುಲಭವೆಂದು ತೋರುತ್ತದೆ. ಆದರೆ ಅದರಂತೆ ನಡೆಯಲು ಹೋದರೆ ಸಾಧ್ಯವೇ ಇಲ್ಲ ಎಂದು ಅನಿಸುತ್ತದೆ. ಆದರೆ ನಿಮ್ಮ ಅನುಗ್ರಹದಿಂದ ಮಾತ್ರ ಸಾಧ್ಯ ಎನ್ನುವ ಅರಿವು ದಿನ ನಿತ್ಯ ತಿಳಿಯುತ್ತದೆ.

ಜಾತಿ ಮತ ಬೇದವಿಲ್ಲದೆ ಭಗವಂತನನ್ನು ಪ್ರೀತಿಸುವುದನ್ನು ಕಲಿಸಿ ಭಿದ್ರ ಭಿದ್ರವಾಗಿರುವ ಮಾನವ ಸಮಾಜವನ್ನು ಒಂದಾಗಿಸಿ ನಾವೆಲ್ಲ ಭಗವಂತನ ಮಕ್ಕಳು ಎಂಬುದನ್ನು ತೋರಿಸಿ ನಮ್ಮೆಲ್ಲರ ಪಾಲಿಗೆ ತಂದೆಯಾಗಿ ತಾಯಿಯಾಗಿ ಗುರುವಾಗಿ ಸಲಹುತ್ತಿದ್ದೀರಿ.

ಇಂದಿನ ದಿನಗಳಲ್ಲಿ ನಾವು ನೋಡುತ್ತಿದ್ದೇವೆ ದೇವರಿಲ್ಲದ ಸಮಾಜವನ್ನು ಗುರಿಯಿಲ್ಲದ ಯುವ ಜನತೆಯನ್ನು ಆಚಾರ ವಿಚಾರವಿಲ್ಲದ ನಾಯಕರನ್ನು ಅಜ್ಞಾನಿಗಳಾದ ಜ್ಞಾನಿಗಳನ್ನು ವಿಚಾರವಿಲ್ಲದ ವಿಚಾರವಾದಿಗಳನ್ನು ಪವಿತ್ರವಾದ ಭಗವದ್ಗೀತೆಯ ವಿವರವನ್ನು ಎಲ್ಲಾವು ತಿಳಿದಿದೆ ಎಂದು ಹೇಳಿ ಕೊಳ್ಳುವ ಅಜ್ಞಾನಿಗಳನ್ನು ನೋಡುತ್ತಿದ್ದೇವೆ.

ಕೆಸರಿನಲ್ಲಿ ಕಮಲದಂತೆ ಕರುಣಾ ಸಾಗರಾದ ನಿಮ್ಮ ಆಶ್ರಯ ಪಡೆದು ನಿತ್ಯ ಆನಂದಮಯವಾದ ಜೀವನವನ್ನು ನಡೆಸುತ್ತಿರುವವರನ್ನು ನೋಡುತ್ತಿದ್ದೇವೆ. ಆದರೆ ಈ ಭೌತಿಕ ಜೀವನದಲ್ಲಿ ಬಿಡಲಾರದೆ ಒದ್ದಾಡುತ್ತಿರುವವರ ಬದುಕಿಗೆ ಆಸರೆಯಾಗಿ ನಿಂತ ಕೋಟಿ ಕೋಟಿ ವಂದನೆಗಳು.

ನೀತಿ ನಿಯಮಗಳಿಲ್ಲದ ಈ ಸಮಾಜವನ್ನು ತಿದ್ದಲು ನಿಮ್ಮ ಪುಸ್ತಕಗಳು ದಾರಿ ದೀಪವಾಗಿದೆ ಪರಿಪೂರ್ಣವಾದ ಜ್ಞಾನವನ್ನು ಪಡೆಯಲು ನಿಮ್ಮ ಆಸರೆ ಒಂದೇ ಆಶಾ ಕಿರಣ ಜ್ಞಾನ ಭಂಡಾರವನ್ನು ಈ ವಿಶ್ವಕ್ಕೆ ಕೊಟ್ಟಿರುವ ನೀವು ವಿಶ್ವ ಗುರುವಾಗಿ ಪ್ರಖ್ಯಾತ ಪಡೆದಿದ್ದೀರಿ.

ಈ ಶುಭ ದಿನದ ನಿಮ್ಮ 122ನೇ ಹುಟ್ಟು ಹಬ್ಬವನ್ನು ಸಂಭ್ರಮದಿಂದ ಇಸ್ಕಾನ್ ಸಂಸ್ಥೆ ವಿಶ್ವದೆಲ್ಲೆಡೆ ಆಚರಿಸುತ್ತಿರುವುದು ನಮ್ಮಗಳ ಸೌಭಾಗ್ಯವೇ ಸರಿ.

ನಿಮ್ಮ ಪ್ರೇರಣೆಯಿಂದ ಇಸ್ಕಾನ್ ಸಂಸ್ಥೆಯು ದಿನ ಒಂದಕ್ಕೆ 16ಲಕ್ಷ ಮಕ್ಕಳಿಗೆ ಪ್ರತಿ ದಿನ ಊಟದ ವ್ಯವಸ್ಥೆ ಮಾಡುತ್ತಿರುವುದು ವಿಶ್ವದಾದ್ಯಂತ ಆಗಿದೆ. ಎಂಬ ವಿಷಯ ನಂಬಲು ಆಸಾಧ್ಯವಾದರೂ ಸತ್ಯ ಮೈಸೂರು ಇಸ್ಕಾನ್ ಸಂಸ್ಥೆ ಒಂದರಲ್ಲೇ 18ಸಾವಿರ ಮಕ್ಕಳಿಗೆ ಊಟದ ವ್ಯವಸ್ಥೆ ಮಾಡುತ್ತಿರುವುದು ಸಂತೋಷದ ವಿಷಯವಾಗಿದೆ.

ಆನೆ ನಡೆದ್ದೆ ದಾರಿ ಎನ್ನುವಂತಿದ್ದು ನಮ್ಮ ಜೀವನವನ್ನು ನಿಮ್ಮದಾಗಿ ಬರುವಂತೆ ಮಾಡಿದ್ದೀರಿ. ಶ್ರದ್ಧಾ ಭಕ್ತಿಯಿಂದ ನೀವು ತೋರಿಸಿರುವ ಮಾರ್ಗದಲ್ಲಿ ನಡೆಯಲು ಮತ್ತು ಲಾಭ ಪೂಜ ಪ್ರತಿಷ್ಠೆಗಳಿಗೆ ಸಿಕ್ಕಿ ಹಾಕಿಕೊಳ್ಳದೆ ನಿಮಗೆ ಕೊಟ್ಟಿರುವ ಮಾತಿನಂತೆ ನಡೆಯಲು ಆಶೀರ್ವಾದಿಸಿರಿ.

ನಾನು ತಿಳಿದು ತಿಳಿಯದೆ ಮಾಡಿರುವ ಅಪರಾಧಗಳನ್ನು ಕ್ಷಮಿಸಿ ಎಂದು ನಿಮ್ಮಲ್ಲಿ ಪ್ರಾರ್ಥಿಸುತ್ತೇನೆ.

Rajani Radha Devi Dasi

Dear Srila Prabhupada,

Today on this most auspicious occasion of your Vyasa Puja celebrations, I offer my Respectful obeisances to your Lotus Feet.

There are no words to express, how my life has transformed by your blessing through accepting my as your Disciple this year.

After Practicing the Krishna Consciousness, now I am able to know the true meaning of life, i.e. to know The Supreme Personality of Godhead.

You are a great ambassador for the Krishna Consciousness movement, in the entire creation, who contributed to this world by spreading Krishna Consciousness which people in general, have forgotten.

Kindly Give me the strength to continue on this path of Krishna Consciousness.

Please guide me to the Spiritual World were Krishna reside eternally with his devotees.

Rajani Radha Devi Dasi

Rama Pathi Dasa

Dear Srila Prabhupada,

Please accept the humble obeisances on this auspicious occasion to your lotus feet from this most fallen soul. I am thankful to you to give an opportunity to glorify you on your birthday, though I am least qualified to do so.

Dear Prabhupada, just by your causeless mercy, I am still there in this Krishna Consciousness movement. My pranams to all other exalted vaisnavas. Though I am not qualified you have nicely taken care of my service by guiding me for the past 14 years. Recently, I am blessed to receive initiation from you. I pay my humble obeisances to you for making me commit to yourself and your movement in a little serious way. I am trying to follow what I have vowed to you, but you please protect me from the onslaught of maya.

Dear Srila Prabhupada, most of the people retire from their usual activities but you at the age of 70 years travelled by Jaladuta to America just carrying 40 rupees & few books to preach the Holy Name of Lord. You suffered a lot (2 heart attacks which on board) you established this for the welfare of the mlechas like me. By your repeated conduct, you proved that the blessing of guru is very important in one's spiritual progress. Within 11 years you have travelled around the globe 14 times and established 108 temples & converted lakhs of hippies to happies. You are the most compassionate person on the universe.

My humble request to you Srila Prabhupada, please guide me as well as give me spiritual strength to withstand the various situations & continue to do the service to your mission in the future lives also.

Thank you, thank you, thank you my guru maharaj.

Your most insignificant servant,

Rama Pathi Dasa

Sahtyavati Devi Dasi

I offer my respectful obeisances to my spiritual master Srila Prabhupada. This year 2018 will always be the most memorable moment of my life because by your causeless mercy you accepted me as your disciple and I got Harinam initiation.

O Srila Prabhupada! I fervently pray to you to bestow me with the strength to do more seva every single day to your Lotus feet and Lord Krishna's lotus feet. Please bless me with intelligence to understand your divine instructions so that I follow them to purify my existence. And bless me that I always perform devotional service and achieve Krishna bhakti in spite of all the odds in my life.

Material relationships are painful as they are temporary. When we are together we are happy and while separated we feel unhappy. But it is by your teachings that I could understand that my true relationship is with Srimati Radharani and Sri Krishna. And only this relationship is eternal.

I realized that I'm not a befitting disciple of yours due to the fact that I felt pain while severing the material relationship and never felt the same in separation with their Lordships. Srila Prabhupada, I beg you to make me your servant of the servant. Please show your causeless mercy in transforming my heart towards serving the lotus feet of Lord Krishna.

Prabhupada, please give me the remembrance of your divine instructions in all situations in my life so that I gradually progress in Krishna Consciousness and reach your lotus feet with love and devotion within this life.

Your Servant of the Servant, Sathyavati Devi Dasi.

Sankarshan Govinda Dasa

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet million and millions of times.

I am personally not qualified to make any kind of homage to you, since I am bereft of any good qualities. In fact, I am a good pretender of a devotee. Sometimes, you mention as a show bottle devotee who is of no use. However, I would humbly present this proposition before you in a most fallen state. Please mercifully listen to this case.

As Srila Lokanadas Thakur says

akrodha paramānanda nityānanda rāy

abhimāna śūnya nitāi nagare beḍāy

That the most merciful and noble Lord Sri Nityanada Prabhu who never gets angry, who is the personification of supreme transcendental bliss, devoid of false ego, wanders in towns and cities going from door to door to the house of most fallen soul and freely distributed the gift of harinama mahamantra. However, Srila Bhaktivinoda Thakur says that sradhavana janhe sradhavana janhe, although Sri Nityanada Prabhu has come on the order of Sri Chaitanya Mahaprabhu, still he is exclaiming people who have faith in Krishna should take up this chanting of Krishna holy name and only then they can purchase me. Further in the same line, Acharya Srila Bhaktivinod Thakur petitions a Vaishnava saying that :

ohe! vaiṣṇava ṭhākura, doyāra sāgara, e dāse koruṇā kori'

diyā pada-chāyā, śodho he āmāya, tomāra caraṇa dhori

O Vaisnava Thakura! Ocean of kindness, be merciful to this servant. Please be kind and give one drop of faith. Please bestow upon the priceless treasure of Krishna Nama, Krishna Is yours! you have the power to give Krishna.

I am nothing more than a beggar running behind you calling out Krishna Krishna!

ಶ್ರೀಲ ಪ್ರಭುಪಾದರಿಗೆ ನಮನ

ಇಸ್ಕಾನ್ ಸಂಸ್ಥೆಯ ಉದಯಕ್ಕೆ ಕಾರಣರಾದ ಪ್ರಭುಪಾದರು ಅತ್ಯಂತ ಪೂಜನೀಯರು, ಪ್ರಶಂಸಾರ್ಹರು ಮತ್ತು ಪ್ರಾತಃಸ್ಮರಣೀಯರು ಅವರ ನೆರಳಿನಲ್ಲಿ ನಮ್ಮನ್ನು ಈ ಪ್ರಪಂಚದ ತೊಂದರೆಗಳಿಂದ ರಕ್ಷಿಸಿ ಕೊಳ್ಳುತ್ತಿದ್ದೇವೆ. ಸುಡು ಬಿಸಿನಲ್ಲಿ ಮರದ ನೆರಳಿದ್ದಂತೆ ಪ್ರಭುಪಾದರು ನಮ್ಮನ್ನು ಈ ತಾಪತ್ರಯಗಳಿಂದ ರಕ್ಷಿಸಿಕೊಳ್ಳುವ ಮಾರ್ಗವನ್ನು ತೋರಿಸಿದ್ದಾರೆ.

ಉದಾಹರಣೆಗೆ ತಂದೆ ಕೆಲಸದಿಂದ ಸಂಜೆ ಮನೆಗೆ ಬಂದಾಗ ಮನೆಯ ಅಂಗಳದಲ್ಲ ಆಡಿಕೊಳ್ಳುತ್ತಿರುವ ಅವನ ಮಗು ಅಪ್ಪಾ ಎಂದು ತಂದೆಯ ಹತ್ತಿರ ಬರುತ್ತದೆ. ತಂದೆಗೆ ಮಗುವನ್ನು ಎತ್ತಿಮುದ್ದಾಡಬೇಕೆಂದು ಎನಿಸುತ್ತದೆ. ಆದರೆ ಮಗು ಮಣ್ಣಿನಲ್ಲಿ ಆಡಿ ಬಹಳ ಕೊಳಕಾಗಿದೆ ಮೈಯಲ್ಲಾ ಧೂಳು, ಕೊಳೆ, ಬಟ್ಟೆಯಲ್ಲಾ ಮಣ್ಣು ಮೆತ್ತಿಕೊಂಡಿದೆ. ಆಗ ತಂದೆ ಹೇಳುತ್ತಾನೆ ಇದೇನಿದು ವಿಷ್ಣು ಕೊಳಕಾಗಿದ್ದೀಯ ಹೋಗು ಅಮ್ಮನ ಹತ್ತಿರ ಹೋಗಿ ಚೆನ್ನಾಗಿ ಸ್ವಚ್ಛ ಮಾಡಿಕೊಂಡು ಬಾ ಅದರಂತೆಯೇ ತಾಯಿ ಮಗುವನ್ನು ಕರೆದುಕೊಂಡು ಹೋಗಿ ಮೈ ಕೈ ಎಲ್ಲಾ ಚೆನ್ನಾಗಿ ತೊಳೆಸಿ ತಲೆಬಾಚಿ ಬೇರೆ ಉಡುಪನ್ನು ಹಾಕಿ ಸ್ವಚ್ಛಮಾಡಿ ಅಪ್ಪನ ಹತ್ತಿರ ಕಳಿಸುತ್ತಾರೆ ಆಗ ಅಪ್ಪ ತನ್ನ ಮಗುವನ್ನು ಎತ್ತಿ ಮುದ್ದಾಡಿ ಸಂತೋಷಪಡುತ್ತಾನೆ. ಅದರಂತೆಯೇ ನಾವು ನಮ್ಮ ತಮೋಗುಣಗಳಿಂದ ತುಂಬಿಕೊಂಡು ಕೃಷ್ಣನ ಹತ್ತಿರ ಹೋದರೆ ಅವನಿಗೆ ಇಷ್ಟ ಆಗುವುದಿಲ್ಲ. ನಮ್ಮನ್ನು ಹತ್ತಿರ ಕರೆದುಕೊಳ್ಳಲು ಇಷ್ಟ ಅವನಿಗೆ ಆದರೆ ನಮ್ಮ ಸ್ಥಿತಿ ಬಹಳ ಕೊಳಕಾಗಿರುತ್ತದೆ. ಅಹಂಕಾರ ದರ್ಪ, ಅಧಿಕಾರದಾಹ, ಹಣದ ದುರಾಸೆ ಅಜ್ಞಾನ ಇಂತಹ ತಮೋಗುಣಗಳಿಂದ ಕೊಳಕಾಗಿರುತ್ತೇವೆ. ಅಂತೆಯೇ ಕೃಷ್ಣ ಗುರುವಿಗೆ ಆದೇಶ ನೀಡುತ್ತಾನೆ ಈ ಭಕ್ತನನ್ನು ಕರೆದುಕೊಂಡು ಹೋಗಿ,

ಸರಿಮಾಡಿ, ನನ್ನ ಹತ್ತಿರ ಕಳುಹಿಸು ಎಂದು ಅದರಂತೆ ಗುರುಗಳು ನಮ್ಮನ್ನು ತನ್ನ ಹತ್ತಿರ ಕರೆದು ನಮ್ಮಲ್ಲಿರುವ ಕೆಟ್ಟ ಗುಣಗಳನ್ನೆಲ್ಲಾ ತೊಳೆದು ಹಾಕಿ ಅರಿಷಡ್ವರ್ಗಗಳನ್ನು ಹೇಗೆ ಗೆಲ್ಲಬೇಕು ಎಂಬುದನ್ನಾ ತಿಳಿಸಿ ನಮ್ಮ ಅಹಂಕಾರ, ಜಂಭ, ಆಸೆ ಇವುಗಳನ್ನೆಲ್ಲಾ ತೊಡೆದು ಹಾಕಿ ನಮ್ಮನ್ನು ಸತ್ವ ಗುಣದ ನೆಲೆಗೆ ತಂದು ಕೃಷ್ಣನನ್ನು ಹೇಗೆ ಮೆಚ್ಚಿಸಬೇಕು ಎಂಬುದನ್ನು ತಿಳಿಸಿ ಕೊಟ್ಟು ನಮ್ಮನ್ನು ತಿದ್ದಿ, ಕೃಷ್ಣನಲ್ಲಿಗೆ ಕಳಿಸಿಕೊಡುತ್ತಾರೆ ಆಗ ಕೃಷ್ಣ ತನ್ನ ಭಕ್ತನನ್ನು ಹತ್ತಿರ ಸೇರಿಸಿಕೊಂಡು ನಮ್ಮ ಸೇವೆ ಸ್ವೀಕರಿಸುತ್ತಾನೆ.

ಹೀಗೆ ಪ್ರಭುಪಾದರು ನಮಗೆ ತಾಯಿಯಂತೆ ನಡೆ ನುಡಿಗಳನ್ನು ಕಲಿಸಿ ನಮ್ಮ ಕೈ ಹಿಡಿದು ಆಧ್ಯಾತ್ಮದ ಹಾದಿಯಲ್ಲಿ ಕರೆದುಕೊಂಡು ಹೋಗುತ್ತಾರೆ. ಭಕ್ತಿ ಎಂದರೇನು ಭಕ್ತನಾ ಹೇಗಿರ ಬೇಕು ಎಂಬುದನ್ನೆಲ್ಲಾ ಕೃಷ್ಣ ಭಗವದ್ಗೀತೆಯಲ್ಲಿ ಹೇಳಿದ್ದಾನೆ ಆದರೆ ಅದು ನಮ್ಮಂತಹ ಪಾಮರರಿಗೆ ಅರ್ಥವಾಗಬೇಕಲ್ಲಾ ಅದನ್ನೇ ಅವರಿಸಿ ಬಿಡಿಸಿ ಹೇಳಿ ನಮ್ಮ ಮನಸ್ಸಿಗೆ ನಾಟುವಂತೆ ಹೇಳಿ ನಮಗೆ ಮಾರ್ಗದರ್ಶನ ಮಾಡಿದ್ದಾರೆ ಪ್ರಭೂಪಾದರು.

ಅದಕ್ಕಂದೇ ಈ ಸಂಸ್ಥೆಯನ್ನು ಸ್ಥಾಪಿಸಿ 'ಹರೇಕೃಷ್ಣ' ಮಹಾಮಂತ್ರದ ಮಹತ್ವವನ್ನು ತಿಳಿಸಿ ಸದಾ ಸಾಧುಸಂಘದಲ್ಲಿ ಇರುವಂತೆ ನೋಡಿಕೊಂಡಿದ್ದಾರೆ ಇಂತಹ ಗುರುಗಳನ್ನು ಪಡೆದಿರುವ ನಾವೇ ಧನ್ಯರು.

ನಮಗೆ ಅವರು ಮಾರ್ಗದರ್ಶಕರು ಅಥವಾ ಶಿಕ್ಷಕರು ಅನ್ನಿಸುವುದೇ ಇಲ್ಲ ನಮ್ಮ ತಂದೆಯಂತೆ ನಮ್ಮನ್ನು ನೋಡಿಕೊಂಡಿದ್ದಾರೆ ನಮ್ಮ ಮುಂದಿನ ಪೀಳಿಗೆಗೂ ಅವರು ಉಪಾಯದಿಂದ ಸನ್ಮಾರ್ಗ ತೋರಿಸಿದ್ದಾರೆ ಪ್ರಭುಪಾದರ ಋಣ ಎಷ್ಟು ಜನ್ಮ ಎತ್ತಿದರು ತೀರಿಸಲು ಸಾಧ್ಯವಿಲ್ಲ ಇಂತಹ ಗುರುಗಳಿಗೆ ಮತ್ತೊಮ್ಮೆ ನಮಿಸಿ ನನ್ನ ಮಾತನ್ನು ಮುಗಿಸುತ್ತೇನೆ.

ಇಂತೀ ಸೇವಕಿ,

ಶಾಂತಲಕ್ಷ್ಮೀ ದೇವಿ ದಾಸಿ

Shata Rupa Devi Dasi

All glories to Srila Prabhupada,

I offer my humble obeisances unto your divine lotus feet.

Srila Prabhupada you are very merciful upon the fallen souls like me.

Prabhupada you manifest yourself in the form of your books.

O Gurudeva, you have given us a spiritual home to practice Krishna Consciousness through having darshan of the Lord, hearing Srimad Bhagavatam, the association of devotees and many more. There are no words to glorify you Gurudeva. Your association has made westerners into devotees who were completely indulging in sinful activities.

Forgive me for the offenses done to you knowingly or unknowingly.

Srila Prabhupada bless me. Kindly show compassion on me and help me not to deviate from the path you have taught. Help me to continue my Krishna Consciousness sincerely with determination.

Your significant servant,

Shatarupa Devi Dasi

Sowmya Rupa Krishna Dasa

Hare Krishna My Dear Srila Prabhupada,

Please accept my humble obeisances.

All Glories to you in this glorious 122nd Vyasa Puja Day.

Srila Prabhupada, it is has been almost ten years since you have sheltered me in your movement. When I look and reflect back on these ten years, one quality of yours that I adore a lot is that you never lost “HOPE” on your disciples in spite of all their frailties. You had “HOPE” that somehow if they hold on to Krishna Conscious practices and devotee association, their hearts will be transformed one day.

This “HOPE” is mutual, as much as you have “HOPE” on your disciples, they also have the same “HOPE” from you. In one of your Vyasa Puja offerings to your Spiritual Master His Divine Grace Bhaktisiddhanta Saraswathi Thakur, you have composed a beautiful poem.

*Forgotten Krsna We fallen souls,
Paying most heavy The illusion's toll.
Darkness around All untrace.
The only “HOPE” His Divine Grace*

Srila Rupa Goswami describes this type of “HOPE” as asha-bandha (“bound by hope”).

One thinks, “Because I’m trying my best to follow the routine principles of devotional service, some way or other I will be able to approach the Lord and will certainly receive His favor. Surely I will go back home, back to Godhead. It is only on this spiritual “HOPE”, that I am holding on to your movement all these years with the prayer “I have come to you. If there is any possibility, save me.”

Srila Prabhupada, It is said that it is first of all difficult to get people into Krishna Consciousness, it is more difficult to make people stay in Krishna Consciousness and most difficult to make people happy in Krishna Consciousness. Little did I realize that *“It is as good as to be sad, as to be happy as long you are Krishna Conscious”*. For, happiness and distress are just mental states, being Krishna Conscious is more important. Practicing Krishna Consciousness is transcendental to both mental states of happiness and distress. Srila Prabhupada, I pray that *“In all circumstances let me always be Krishna Conscious”*

Srila Prabhupada it is mentioned that Secret of success in spiritual life is to take the order of the spiritual masters as one’s life and soul. In following the orders of the Spiritual Master a disciples’ happiness, talents, abilities are not at all important, for along with the order of the Spiritual Master, also comes the empowerment to execute the order of the Spiritual Master. Following the order is more important, realizations will come later. Just like you said for dancing in Sankirtan. “Even if you don’t feel like dancing in Sankirtan, you dance. You will be happy. Such, a simple instruction, but when followed has a profound benefit. Srila Prabhupada, I pray that *“Let me sincerely follow your instructions in a way that will always give pleasure to you”*.

Srila Prabhupada, during the final days of your earthly pastimes in Vrindavan, you used to get daily updates about preaching activities from all over the world. Upon, hearing one such successful book distribution report from a disciple, you replied *“When I hear this report my chest swells up, being so proud of my disciples’ achievements”*. Srila Prabhupada, I pray that *“One day, use me as an instrument to do something that will make you feel proud.”*

Srila Prabhupada, the house preaching programs which were started during last Kartika Deepotsava month are turning out to be a huge success, providing a wonderful opportunity to introduce Krishna Consciousness to so

many new people. Srila Prabhupada, I pray that *“Let these house preaching program expand exponentially to make Mysuru a Krishna Conscious city.”*

Srila Prabhupada please forgive for all the offenses committed knowingly and unknowingly to you and other Vaishnavas and also the guidance not to repeat the same.

Your humble servant,

Saumya Rupa Krishna Dasa

Sulakshana Gopi Devi Dasi

All glories to Srila Prabhupada,

Please accept my humble and respectful obeisances unto your lotus feet.

I hope that this offering of mine is pleasing to you on this occasion of your birthday. Your mission of spreading Krishna consciousness has been heading the way you wanted and the institution has grown for over more than 50 years now. In spite of all the confusions among your devotees about you being the spiritual master forever, still the support of yours to both the followers has been the same from your side. Various pastimes of yours with your devotees make me feel that you were very kind, simple, affectionate and caring for the devotees. You never let them down nor let go anyone out of the movement. You forgave all their faults and always encouraged them to chant and do devotional service. As you said that you remain in your books forever, it is true to its reality. Whenever I read your books, I feel that I am hearing from you directly. Your lectures are simple and straight, reaching the heart directly. Thank you for all that you have given us.

With all this, I was pained before when I happened to know that I cannot become your follower. I thank you greatly Srila Prabhupada for accepting me as your disciple and relieving me of this pain. I thank you for all your kindness and compassion on this fallen soul.

Dear Prabhupada, as mentioned above, you have been very kind and compassionate and have given many opportunities to me to be in Krishna consciousness movement and to be serious about it, as your only goal was to deliver us from this most miserable material life. Kindly hold me strongly, not allowing me to go out of this movement at any adverse situation.

Srila Prabhupada, as you know very well that I am doing a job, just for the sake of my livelihood. I am teaching a subject which is completely material in nature and does not teach them the reality of life, So many times I feel dissatisfied with doing that. Srila Prabhupada, I have a great desire to be a puppet in your hands to spread the goal of your mission. But my only problem is I do not get sufficient time to read your books enough, and one more problem I face is I am unable to recollect things what I read. Srila Prabhupada please help me in remembering what I read from your books as well as what I hear from your lectures. Please give me the strength to fulfill your desires of spreading Krishna Consciousness.

Srila Prabhupada, thank you once again for giving me the opportunity to serve you and Krishna. Please keep me under your shelter always and never let me go away.

Your insignificant servant,

Sulakshana Gopi Devi Dasi

Veda Priya Devi Dasi

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet again and again. All glories to your Divine Grace.

Lord Krishna's mercy comes in the form of his pure devotees. I see in this temple because of Your Divine Grace's causeless mercy, magnanimous activities are taking place and even with great difficulty all the devotees who are dedicated to serving your mission have all set up for a huge task of building a magnificent temple for the pleasure of yours and Their Lordships. Please give me strength so that I am counted as one among this team.

I pray that I never forget the kindness Your Divine Grace has shown to me. To one so insignificant and fallen, who has no knowledge of spiritual life, Your Divine Grace has given the holy name. Your Divine Grace has given the most valuable service despite my innumerable disqualifications. This is your Divine Grace's causeless mercy and for this, I remain eternally indebted to your lotus feet.

Please forgive me for all the offenses that I might have committed knowingly or unknowingly to you and other Vaishnavas.

Your servant, Veda Priya Devi Dasi

Vilasini Devi Dasi

Dear Srila Prabhupada,

Please accept my humble obeisances unto your divine lotus feet.

The human form of life, though attained after many millions of births, does not become very sacred unless one takes birth into the practice of Krishna consciousness. In every birth, one can be blessed having a father and mother. But, it is only in the human life, one is awarded to get placed under the shelter of a bonafide spiritual master who takes charge in moulding such a surrendered soul to attain the lotus feet of Lord Krishna.

Srila Prabhupada, though unqualified in all respects, you have mercifully given me a new birth by kindly accepting me as your disciple. The day of the initiation ceremony was the day of achieving a lifetime award in my life. It is truly an expression of your divine love for giving this fallen soul an opportunity to serve your mission and remain under your guidance and shelter.

It is indeed because of your this kind-hearted gesture, you are allowing many souls to come under the umbrella of Krishna consciousness whereby one can really experience a life of real bliss. Your compassion to deliver the fallen souls is infinite. You have created a network of activities to remind the forgotten living entities of their true home and return to their original natural consciousness of being an eternal servant of Lord Krishna.

Prabhupada, this cult of Krishna Consciousness based on the nine principles of devotional service will never be stopped. It will go on without distinction of caste, creed, color, or country. I humbly beg you to bless me so that I may become qualified to become an instrument in your hands for the fulfillment of this prophecy.

On this occasion of your Vyāsa-pūjā, I would like to deeply thank you for bringing remarkable changes in my life mainly liberating me from so many bad habits and teaching me how to lead a Krishna conscious life with a divine attitude. Prabhupada, I beg you for your blessings to come out of material attachments and get attached to yours and Lord's lotus feet and serve your mission in the best way possible in this life.

Thank you very much once again for accepting this fallen soul as your disciple,

Your insignificant servant, Vilasini Devi Dasi

Vishnu Charan Dasa

Dear Srila Prabhupada,

As Lord Krishna says to Uddava, *ācāryam mām vijānīyān nāva-manyeta karhicit budhyasu na martya-buddhyāsūyeta sarva-deva-mayo guruḥ*. "All acaryas are myself, never to disregard them as ordinary men. Not to be envious".

Srila Prabhupada, you are most merciful, the compassionate manifestation of Lord came to this world to fulfill the prophecy of Lord Caitanya Mahaprabhu. Once one disciple asked your divine grace, if Sri Caitanya Mahaprabhu is God himself, why not he spread the holy name all over the world? Your divine grace said actually Sri Caitanya Mahaprabhu wanted to give credit to you.

Your divine grace is Acharya who brought the real Vedic understanding of God and made it available in all the languages so that even a common man can understand God.

Any person who can read your purports sincerely, seriously can easily become a devotee of God and easily awaken his original love for God. Once when one reporter asked your divine grace what would happen to your mission (movement) if you die. Your divine grace replied that "I will never die, I am eternally present in my books". Your way of presentation is very simple, understandable. Once when in the night your divine grace was writing purports on Bhagavatam, some devotee was making some sound to draw your attention, your divine grace called him and said "please don't disturb me, I am carefully selecting very important words. These words would guide the human society for another 10,000 years". Your divine grace has also told one that these purports are dictated by Lord himself when you are writing.

Your divine grace not only given such wonderful knowledge, your divine grace has made spiritual home to practice it. Your divine grace has created a home in which the whole world can practice as scripture point out the secret of Spiritual life is to take shelter of a bonafide guru. Spiritual life begins by approaching a Guru. Your divine grace is the true bonafide Guru.

We are so fortunate to come in touch with you. Unless one comes in contact with a pure devotee, one cannot understand spiritual life.

Thank you for making this most fallen poor soul part of your most pure mission of ISKCON. Please give me the strength to spread this movement as your wish.

Please forgive me for all the offenses that I have committed unto your lotus feet, Srila Prabhupada.

Please show your causeless mercy to this most abominable, insignificant contaminated soul.

Yours trying to be a humble servant,

Vishnu Charan Das

Vishva Bhavana Dasa

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet. All glories to your divine grace.

During school days and college times, I used to read a lot of material subjects. But, none of them gave true happiness to me. Later, I turned to read spiritual books. Before coming in touch with your movement, I used to read Bhagavad-Gita (some other version), but I was unable to understand. Now in the Krishna conscious movement, I am trying to understand properly and correctly the subjects of Bhagavad Gita As It Is, Srimad Bhagavatam and Chaitanya Charitamrutha by Your Divine Grace's mercy. Your way of lecturing and explaining teachings of Krishna

is so simple and easy to understand and all this is because . because you know the Absolute Truth and have immense devotion towards Him.

It is said in Bhagavad-Gita 4.34 verse:

*tad viddhi praṇipātena paripraśnena sevayā
upadekṣyanti te jñānam jñāninas tattva-darśinaḥ*

One has to surrender to a bonafide spiritual master, inquire from him submissively and render menial service unto him. Then only the spiritual master will reveal the transcendental knowledge unto him.

I am very grateful to you Srila Prabhupada, for having given shelter at your lotus feet and teaching me the sacred knowledge mentioned in the Vedic literature.

Whenever I go from Temple as asst. preacher or to visit the temples of the Lord etc., I wonder to see so many living entities are there which are uncountable. From the Chaitanya Charitamrutha, we can understand that living entities are unlimited. I think I am fortunate to come in contact with your movement. These all due to your compassion upon me. It is also said in Chaitanya Charitamrutha that only by the mercy of Guru and Krishna one gets the devotional seed. I pray to you on this appearance day of your divine grace, may you protect me from all my weakness so that I use this opportunity fully.

Whatever I understand from Your books, I am trying to implement in my day to day life. I am slowly realizing whatever sastra says as truth. You gave us the right knowledge without any interpretation. I am deeply indebted to you life after life.

On the auspicious day of your divine appearance, I beg at your lotus feet to please forgive me for any offenses committed to you while engaging in devotional services. Please engage me always in the service of the servant of your servants eternally.

Dear Srila Prabhupada,

Srila Prabhupada, you are the founder acharya of ISKCON, savior of the whole world. I offer my sincere obeisances unto you. You gave me the most powerful Maha Mantra: Hare Krishna Hare Krishna Krishna Krishna Hare Hare Hare Rama Hare Rama Rama Rama Hare This is the ticket to return to our real home, back to godhead.

Sometimes, when I am in school or other places, I think that the people around me are happy without Krishna Consciousness. At that time, I think I can also live like that. But when I come to ISKCON do chanting, participate in Kirtan, honour Prasadam, I feel the real happiness of my life. So, I want to continue to be in Krishna Consciousness and render service to the Lord till my last breath. I want to be Krishna Conscious not influenced by Maya. Prabhupada, kindly bless me to be the Dasa of Krishna forever.

Once again Srila Prabhupada, thank you so much for giving me such an opportunity to practice Krishna consciousness, which is the way, which leads us to the ultimate goal of my life, to serve Krishna and go back to home, back to Godhead.

Want to be your servant forever,

By your grace, I am practicing Krishna consciousness. You are so merciful. You are giving me a chance to become a good devotee. I am getting more knowledge about Krishna by reading your books. Dear Srila Prabhupada,

You are a spiritual leader of a worldwide movement of ISKCON. You eternally remain through this movement as Founder Acharya and guide many fallen souls to attain the shelter of Lord Krishna.

You have been blessed to take birth in a Vaishnava family on 1st Sept 1896. You became a devotee of Lord Krishna & Radha Rani from your young age. You were given a small Chariot (Ratha) by your father and you performed Ratha Yathra in your neighbour-hood with sisters and friends. When you grew up, this festival of Ratha Yathra became very dear to you and introduced this festival throughout the world.

You were very focused and excelled in school and college by scoring first class. You also studied Psychology and Economics in Scottish College, Calcutta. It was during this time you met your Guru and mentor, Srila Bhaktisiddhantha Saraswati Goswami Maharaj, who ordered you to go to western Countries to preach Krishna Consciousness. But, due to your family burden, you kept postponing it. Somehow, by the will of providence, many situations led you to depart from your family life to take up Vanaprasatha and finally Sannyasa. At an elderly age of 70, you went to America. It was not an easy task in a strange country among strangers. But with your kindness and heartwarming speeches, you could impress a large crowd. Everyone were 'Astounded' by your preaching. Many became wise and devoted their life to serve Lord Krishna.

You traveled around the globe for 14 times, set up 108 ISKCON centers, farm communities, schools, restaurants, printing press and many more. Today, we find more than 600 Temples and centers including 60 Farming Community, 50 Schools & more than 90 Restaurants in India and abroad. Your glorious activities are highly praiseworthy. Your preachings are still liberating millions to become God-fearing and to be come Krishna Conscious.

As far as my family is concerned, regular Hare Krishna prayers have helped us in solving many problems for which we are ever grateful to you.

Your servant,

Dear Srila Prabhupada,

Kindly accept my humble obeisances unto your divine lotus feet. All glories to you!!

Prabhupada, first of all, I would like to thank you from the bottom of my heart for giving a turning point in my life. Earlier I was addicted to so many bad things, just wasting my life. But now you, through your books and lectures, have given the absolute meaning and aim to my life.

Srila Prabhupada, the way you have led your life, practically teaching us how to take austerities and how to become a surrendered soul to Krishna, is an epitome of leading one's life. While reading the collection of the pastimes of your life, I am just taken aback by the difficulties you have faced and the struggle you have done to start and

maintaining 'BACK TO GODHEAD', 'LEAGUE OF DEVOTEES' and 'INTERNATIONAL SOCIETY FOR KRISHNA CONSCIOUSNESS'.

Prabhupada, I feel that I do not have required dedication, enthusiasm and love to serve Krishna. But it is you only, who has taken hold of the reigns of my life to make me serve Krishna.

Srila Prabhupada, although you cannot be glorified by mere use of a pen and a paper, still I have made a failure attempt in writing some words for you. Kindly accept them, if at all possible:

Holding me no qualifications,

To you, all commendations.

Don't know how I gave *Maya* a strong defeat,

Thanks Srila Prabhupada for giving me the shelter of your lotus feet. (1)

Thought I, the first meet with your devotees as '*accidental*',

Then you defined in my life a new word '*Transcendental*'

Not interested in this world, everybody wants to cheat,

Thanks Srila Prabhupada for giving me the shelter of your lotus feet. (2)

Called this place is, as '*Dukhalayam Ashashvatam*',

You came here to give us this memorandum.

Accepted you have, as our spiritual master's seat,

Thanks Srila Prabhupada for giving me the shelter of your lotus feet. (3)

Given you have us an endless literature,

Not able to understand it, this poor creature.

Nevertheless, allowed me you have, to enter your fleet,

Thanks Srila Prabhupada for giving me the shelter of your lotus feet. (4)

Flooded this planet with your books, lectures and morning walks,

Defeated you have so-called scientists with just small talks.

Established ISKCON to give bewildered souls a treat,

Thanks Srila Prabhupada for giving me the shelter of your lotus feet. (5)

Given us plenty opportunities for advancement and improvement,

Srila Prabhupada, kindly never let me go out of this movement.

This is the heartiest request unto your lotus feet,

From an insignificant servant, lower than a straw in street. (6)

Srila Prabhupada, thanks again for what I know that you have done in my life and for what I don't know that you have done in my life. Kindly bless me that I can imbibe your teachings into every drop of my blood and hence, can bring more bewildered souls to your lotus feet.

Your insignificant, unfaithful, offending, trying-to-be a servant soul,

Bhakta Himanshu

Bhakta Jaisimha

Dear Srila Prabhupada,

Please accept millions of our humble obeisances unto your lotus feet. All glories to you, Srila Prabhupada!

All glories to Krishna Balaram!

Today is the most auspicious day of your appearance, and for me it is a very holy and meaningful day. But for me to offer you something worthy is not possible, since I am the poorest and fallen of all your disciples and devotees.

You are the representative of Caitanya Mahaprabhu. Your appearance is a perfect example of Lord Caitanya's kindness and mercy on the fallen living entities. Lord Caitanya said,

pathivete āche yata nagarādi grāma

sarvatra pracāra haibe mora nāma

"In every town and village on this earth the glories of My name will be chanted". His divine prophecy was fulfilled by you. You are a Vaishnava Cintamani gem. You have not infused countless towns and villages with Kṛṣṇa-bhakti by your transcendental touch, but also the entire Western world today reverberates with the Hare Krishna chant because of you.

Srila Prabhupad, I am your insignificant spiritual son. Please bestow your blessings on me for my future spiritual life. I am carrying on with my religious life only by your saving grace.

As proof of how fallen I am, I have been completely entangled in this material world with all kind off miseries, sorrows, frustrations, irritations. But now the challenges or tests given by Maya have been intensified. Especially from past a year, it has been one test after another without a gap. Even chanting 16 rounds is getting into my nerves now. It is because of my time management and other distractions. Please guide me Gurudev. Although undeserving, I feel most fortunate to receive your blessings to associate with devotees and by your books.

Please forgive me for any offenses I committed during this struggle. I beg at your lotus feet, with straws between our teeth, to give me the spiritual wisdom to become more humble, austere, truthful, tolerant, and compassionate toward all living entities as I need to progress in the service of fulfilling your blessed mission.

I bow to your lotus feet and hope to also be obedient and follow your instructions, thus slowly begin to pray and understand your teachings to the best of my ability.

Thank you Prabhupad for your unlimited causeless mercy.

Your aspiring servant,

Bhakta Jaisimha

Hare Krishna

All Glories to Srila Prabhupada

For me, Lord Vishnu is special from childhood and even though I don't have resources (Spiritual education etc) to get nearer to GOD as a soul, I know HIM from the very beginning of my childhood. By Krishna's grace, I got in touch with Bhagavad-Gita at the age of 16 and I never lost connection with Krishna from then. I always used to think of Krishna and I got special respect towards HIS devotees.

We can see that Bhakta Prahlada, Hanuman, Dhruva, Arjuna, Uddhava, Annamacharya, Sri Ramanujan etc. are Mahatmas who shine with Vishnu Bhakti.

But, I thought we cant see such devotees in this so-called modern age and when I come to know about Prabhupada how he struggled to bring struggling souls nearer to GOD, tears rolled out from my eyes and from that day, I am very much fond of Prabhupada. From then, I started searching and watching Prabhupada's videos very interestingly. The more I am knowing about Prabhupada, the more devotion and respect for Krishna I am getting.

I decided to follow Prabhupada's instructions and within myself, I accepted Prabhupada as the sole guru. I developed a habit of gifting Prabhupada's books whenever and whatever the occasion is.

India has many religions and philosophies and similarly Arab countries have Islam, Some countries have Christianity etc, but for Americans, there is no religion primarily as such and I feel Prabhupada descended to this planet with boundless mercy for them.

My Guru, Srila Prabhupada is the Greatest Achiever, True Hero of this world and I love to follow his instructions. Guruor uktha vakye mano yasya lagnam (Let my mind be attached to words of my Guru).

I beg Krishna to bestow mercy upon me so that I can introduce to the world, specifically to **ignorant people** who are fans of Cinema heroes, Sports stars etc about the Real Hero Srila Prabhupada who changed millions of **people's** Heart towards Krishna and will continue till Eternity.

Jai Srila Prabhupada.

Our dearest Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet on this auspicious day of your Vyasa Puja.

Before coming in touch with you, I did not knew anything about importance of human life and it's ultimate goal. But, now through the association of your disciples, you have taught me many good things in life.

You did not taught us only about Krishna and the importance of having a Spiritual master, but you also taught us how to relate with one another with love and trust in a Krishna Conscious way in our dealings.

You taught us that there are two types of association with Spiritual Master. One is Vapuh and another is Vani. You have taught us that Vani is the more important type of association i.e. submissively hearing from the Spiritual Master and following his instructions faithfully. I am very grateful to you Srila Prabhupada, for having given us transcendental books and teachings through your lectures.

Personally in my life you have blessed me in many ways, so that I can remember Krishna always. Few services which I am very happy with are Sunday morning Kichadi preparation Service, serving in Sri Sri Lakshmi Narasimha temple and many more.

ThoPugh I may have a lot of personal problems and health issues, but still by your guidance, I am placed in a situation to be always in touch with Lord Krishna and engage in His devotional service which is making me to forget the material miseries.

I am always reminded of a prayer in the Teachings of Queen Kunti that : "My Lord, Your Lordship can easily be approached, buy only by those who are materially exhausted. One who is on the path of material progress, trying to improve himself with respectable parentage, great opulence, high education, and bodily beauty, cannot approach You with sincere feeling".

So, on this day of your Vyasa Puja, I humbly pray to you to bless me to remember the above prayer of Queen Kunti always so that I can become eligible to approach Krishna through you.

Please keep me always under your shelter Srila Prabhupada,

Your Servant,

Bhakta Madan Dodeja

Bhakta Manjunath Acharya

Dear Srila Prabhupada,,

Please accept my humble obeisances at your lotus feet.

By your mercy I came in touch with Krishna consciousness by birth .You have shown me the path to Godhead which is free from all miseries, anxiety, sorrow etc. Your books , lectures are boon to mankind.in this

material world. We all are trapped by MAYA ,which is illusion. You have shown the way through ISKCON, so that we can't be trapped by maya.

My dear spiritual master you have shown me the simple way to reach Krishna, through chanting the holy name i.e HARE KRISHNA MAHA MANTRA which is simple but powerful, it is the ticket to reach, our Eternal Destination Goloka. I got to know more about the supreme personality of godhead LORD KRISHNA by hearing your lectures, reading your books and mainly by association with your devotees, .by coming to ISKCON and rendering service in temple. This is easily possible only by your blessings. Though Krishna consciousness is the ultimate way to get over all the sinful reactions of the past karmas and purifying our self by through Chanting the Holy Name of the Lord. I once again pay my obeisance at your lotus feet for giving me the opportunity to this fallen soul to practice Krishna Consciousness.

Your obedient servant,

Bhakta Manjunath Acharya.

Hare Krishna,

Srila Prabhupada, please accept my humble obeisances.

In true sense, guru is not God. But messenger of God. And one should always worship the spiritual master who is very near and dear to God.

It is you, Srila Prabhupada, through whom we came to know Chaitanya Mahāprabhu and His activities. It was not so easy to spread the preachings of Lord Krishna. But you did it in a very simple way which was acceptable to all and not only in India but worldwide. Due to your hardships we are enjoying through sankirtans and associations.

You are a direct representative of the Supreme Lord, who appeared in this particular time and place to teach universal and eternal principles according to the time, place, circumstance and people.

You wrote in a very simple form so that everyone can understand the importance of Krishna Consciousness and made people to chant Harinama.

Your servant,

Jai Srila Prabhupada,

Please accept my most respectful obeisances unto your lotus feet. All glories to your Divine Grace.

You have been inspiration for everyone of us to take up Krishna Consciousness. I just wonder how horrible the world would have been for us if you had chosen not to appear and give us this opportunity. According to all deliberate opinion of all revealed scriptures, the spiritual master is non-different from Krishna. It is Lord Krishna in the form of Guru. The spiritual master should be considered to be directly the Supreme Lord Himself.

I would probably love to mention this.

“ONE DAY YOU HAD COME IN MY DREAM AND YOU TOLD ME DIRECTLY TO FOLLOW WHAT YOU HAVE SAID AND LEAVE THE REST TO ME.”

This is what keeps me inspiring. After that, I realised that you are the greatest guru and great vaishnava who has ever lived. You have given us everything. How can we repay such inconceivable mercy except by serving you with love and devotion.

Dear Gurudev, I commit to continue to learn and improve in my service to Lord Krishna every moment. Kindly keep me at your shelter and bless me.

Please forgive my offenses and engage me in your service.

Yours insignificant servant,

Bhakta Naveen T.

Bhakta Naveen Mittal

Jai Srila Prabhupada,

All Glories to you Srila Prabhupada, Kindly accept my humble obeisances unto your lotus feet.

I am thankful to your divine grace that you gave me this wonderful opportunity to glorify you on this auspicious vyasa puja day.

When I was in school I had heard one verse, which is as follows,

Guru Govind Dono khade kake lagu paay

So I bow to your lotus feet again and again.

Actually I was filled with ignorance and living in darkness of illusion. It is only by your mercy that you have dragged me out from that filthy condition and given me an opportunity to serve your lotus feet.

Serving pure devotee is perfection of life and your divine grace gave me this opportunity, who is an insignificant soul like .

Kindly allow me to serve your lotus feet birth after birth,.

Your insignificant servant, Bhakta Naveen Mittal.

Bhakta Niranjan

Dear Srila Prabhupada,

Please accept my humble obeisances unto you!

All the glories to you!

I feel very grateful Prabhupada that I got a wonderful Acharya like you, where the whole world can take shelter of your transcendental lotus feet. We are very safe under your lotus feet which only can give us protection. The most important element in Spiritual life requires spiritual strength by regularly attending sadhana program without fail. Without your blessings, I cannot practice sadhana successfully. I beg for your mercy upon this fallen soul to favour me with unlimited strength to successfully execute my sadhana and then render practical devotional service up to my level best.

You are my complete care taker and I submit myself to you. To gain my spiritual knowledge and become successful in Krishna Consciousness life, please guide me. I seek your forgiveness for all my mistakes. Please help me to improve in my devotional service. You are an ocean of mercy and the friend of the fallen souls. Let me take shelter of your lotus feet always.

Your fallen soul, Bhakta Niranjan

Bhakta Nitish Singh

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories unto your Divine Grace.

Please give me special strength to come out of my laziness, selfishness, shyness and sensualism so that I can reach your pure message and mercy to scores of souls who are suffering.

Please give me the strength and intelligence to glorify you in every forum as that is the only hope for all of us in all the three worlds - "May your glories be proclaimed throughout the three worlds".

May your omnipresence dawn on those who deride you as being absent in this world.

I am astounded by the extent of your causeless mercy for still engaging me in your service with all my most abominable frailties. In my life long pursuit for sense gratification, I have been oblivious to the very meaning of selfless service to spiritual master and Krishna. Please give me a sense of what it is to render devotional service.

Please do not allow me to shy away from the shelter of your lotus feet.

Your aspiring servant, Bhakta Nitish Singh M.

Bhakta Pavan Kishore

Dear Srila Prabhupada. Please accept my humble obeisances unto your lotus feet.

You are the true representative of Lord Sri Krishna because you do not expect any honour for yourself. You ask everyone to serve Krishna. You are the true selfless person. By your selfless service you are giving the blissful life of Krishna consciousness to everyone. You are the most munificent soul, carrying the mercy of Sri Chaitanya Mahaprabhu.

I was actually struggling in material concept of life. But I was not aware that I am struggling. You so have kindly picked me up from this miserable condition and have placed me in your shelter. Great scholars and philosophers of this time, even in line of vaishnava sampradayas are unaware of true purport of Vedic knowledge. But you being the representative of Krishna have given us the true purports of the Vedic literature. My aspirations were asuric – exactly matching the description given by Lord in Bhagavad Gita 16.7-18. Had you not preached transcendental knowledge, how could I have possibly understood that I am not this body, but a spirit soul – eternal servant of Krishna. As Narottam Das Thakur sings, janme janme prabhu sei – you are my spiritual master birth after birth and I can never repay you.

I thank you so much for accepting me into the association of devotees. You have so kindly reciprocated to my prayers. You have intervened in my karmic life and have steered my life at every moment so that I may decide to give up material ways and take up spiritual life as a dedicated disciple. Now please make me your obedient servant. Let me not ever become familiar with devotees and treat them like karmis. Let me not for ever quit the association of devotees. Please bestow me with humility to respect all duly – dedicated devotees, devotees practicing outside the temple and non-devotees. Please kindly rectify my faults which are oceanic.

You have mercifully and freely distributed knowledge of Krishna all over the world. But I am weak hearted and miserly that I shun away from preaching. Please bestow me with spiritual strength so that I may become a preacher. As Srila Bhaktisiddhanta Sarasvati Thakur says, "I have become a dead man without preaching". Please enliven me with the spirit of preaching.

Srila Prabhupada, now I am at your hands. Please make me a humble servant of the devotees.

Your aspiring servant, Bhakta Pavan Kishore M

Dear Srila Prabhupada,

No one disagrees that Greed, Immorality, Lust, Inhumanity, Cruelty, Addictions, Murder, Cheating, Extortion, Poverty, Racism; the list goes on, is common in place today. Be it in India, USA, UK, Europe, Africa, Baltic where ever, it is common in place and sadly accepted as inevitable. It is a great desperation for the sensitive Human being to get out of this. Escapes, if you please - the answer - stun the brain. Drugs, Alcohol and Sex. That's what the west and others followed including India. Just to mention **Hippie culture** as a standing example.

Hippies of the USA (They are specifically mentioned as it was prevalent when Srila Prabhupada landed in the USA. However, it has relevance to the entire world, in Kali Yuga.) have been a very interesting Human study. However they landed up with the self destruction "solution". They were completely desertified, so to say. And to this desert of Humanity came an Oasis with the sweetest of Himalayan spring water, abundant and unending quenching the soul thirst of Millions. Drugs and Alcohol and Sex became Passi. Krishna spun magic into their lives, no Drug no Alcohol, no Immoral Sex gave them the liberation like this oasis in the real life did, free of cost, forever, the oasis was You - Srila Prabhupada.

Being a Humble man from India, short, 69 years old, speaking Bengali accented English, US \$ 7/- in the pocket on a ship that landed you in New-York set forth on a mission. However, you were well read in Hindu Scriptures and Texts and was sent by your Guru, and most important of all - You had **Krishna** with you. The only tool you carried from India was a pair of Cymbals. ISKCON was born. The hopeless drifted by the Thousands to this one paradise where none of the macabre words existed. They could now understand Human birth and their role in the cosmos. The method of attaining this blissful state was so simple and easy, no complicated understanding, rituals, texts, memorizing, arduous practices, penance, not even meditation or exercises. A willing baby could do it. And they surrendered millions across all continents. They live liberated lives to this day!!

Indians adore imported goods. We now have Imported "Krishna" thanks only to you **Srila Prabhupada**.

Universal and Transcendental truth has a Lineage it seems.

Lord Krishna to Chaitanya Mahaprabhu to Srla Prabhupada. **Hare Krishna!**

Your Servant, Bhakta Pradeep Gour

Bhakta Prajwal L M

Dear Srila Prabhupada,

Every year, while I am writing a Vyasa puja offering to submit at your lotus feet, I feel a sense of satisfaction and belonging towards you and this esteemed organisation i.e. ISKCON. I hope to become a stronger Krishna consciousness practitioner every year so that I can strongly express my feelings towards you and all the devotees on this occasion of Vyasa puja. I cannot thank you enough for establishing an organisation and a process of this great magnitude to benefit the fallen and suffering souls like myself.

Everything you have preached, everything you wrote, spoke or taught have all been guidelines that have either ended my suffering or given me the courage to face things the difficulties in the way they come. I wonder how right your philosophy seems to me. I wish everyone in the world would become Krishna conscious and the world could be so much more a better place.

The simple yet profound process of "chant Hare Krishna and be happy" seems just perfect to me.

I want to admit to you quite frankly that I do not know what I am going to be doing in future or where I will be. But irrespective of my time, place and circumstances, I would like to be a staunch devotee of the lord and you, follow all the regulative principles and preach to as many people as possible in whatever way possible and in whatever magnitude possible.

I humbly pray at your lotus feet to give me shelter throughout my life though I have committed a lot of sins. I also pray to you to remove all obstacles that have led to negativity in my life and all the things that have made me unhappy or deviate from the path of devotional service. I hope and pray to you and the lord that I be in the best version of myself to be able to practice and preach Krishna consciousness in the best ways possible. Craving for the lord and guru's mercy.

Sincerely, Bhakta Prajwal L.M.

Bhakta Prakash

Dear Srila Prabhupada,

I was never truly a believer of God. With all the injustice that exists in today's world, I would look up & think "Is there really someone out there, beyond the sky, supposedly taking care of us & if so, what is He really doing?". So I was on a quest searching for answers for a long time & it eventually lead me to your books.

I still remember this time when I was reading your book Science of Self Realisation and I came across this quote of yours that said “Anyone who is not in Krishna’s Consciousness is a RASCAL”. I was so agitated that I did not continue reading that book for a few days, but eventually did complete it. Just one reading of your book made me realized that how much of a Rascal I really was and still I am.

Since I started reading your books, I am realizing day by day how beautiful God really is and He is not just some wish fulfilling machine as such the people in today’s society see Him. I thought that there is nothing nobler than sacrificing our life for the bodily or mental well being of people. But, today I realised that Bhakti transcends even that which works for the welfare of the soul and sacrificing one's life for this cause is the ultimate. Today, I am a complete theist, a believer in God and wants to serve God with all means. All the glories go to you.

The Journey has just started and with everyday passing I am making an effort to be less of a Rascal than I was the day before and growing my conviction to serve your movement and hopefully bring justice to the mountainous effort you have put to keep the Fire of Krishna Consciousness alive. I intend to, one day, take this fire and spread everywhere that it becomes a BEACON of Light for all the fallen conditioned souls to find their way back home and eradicate the darkness that exists at present for good.

I know my dream is BIG, but Hey! If a 70 year old man by the grace of his spiritual master can circle the globe 14 times and establish 108 temples in 12 years, I think with the grace of my Spiritual Master I should be able to do atleast a bit in supporting his mission.

So please accept this heartfelt gratitude of the most fallen existence and please shower me with an ocean of mercy so my endeavours towards fulfilling your dreams become successful.

Your eternal servant,

Bhakta Prakash

Dear Srila Prabhupada,

Please accept my most humble obeisances. All glories to Your Divine Grace.

As time is passing, the world is becoming even more materialistic and sinful. At the same time, however, your International Society for Krishna Consciousness is saving more and more conditioned souls from descending into hellish life.

Srila Prabhupada, with the passage of time, I am becoming more and more aware of your glories. I am reading your biography MAHAASAADAKA for second time. By that I realized that you are "A man from Vaikunta".

We are realizing that if we simply glorify Your Divine Grace and always keep you in the centre as the only Acharya of ISKCON, then all our endeavors will become meaningful and successful.

Srila Prabhupada, I am humbly trying to serve Your Divine Grace by knowing your instructions through your books and Srimad Bhagavatam lectures and by doing services in the association of devotees.

Srila Prabhupada, your Krishna consciousness movement is going to spread to every city, town, and village all over the world. Accomplishing this monumental task may require many generations of devotees. So training more young devotees is very very important.

Srila Prabhupada, you have taught us that devotees should always get very nice prasadam. Every Saturday our Mysuru boys are getting nice prasadam.

Recently we started FOLK hostel. By your causeless mercy more and more young boys are joining to your sublime youth movement - Friends Of Lord Krishna.

Dear Srila Prabhupada, also we did many personality development classes based on your teachings for hundreds of college students in last two years.

Dear Srila Prabhupada we would like to do more of your book distribution and serve you through Brihat Mridanga.

Thank you very much for your blessings dear Gurudev.

Trying to becoming servant of your servants, Bhakta Prashanth

Respected Srila Prabhupada,

I offer my sincere obeisances unto your lotus feet many millions of times.

You are the most merciful spiritual master. By your great causeless mercy, I came In touch with your most important ISKCON movement in 2001. Please kindly forgive all my sins, mistakes and offenses and please take me, kindly, immediately to Krishna loka Planet, so that I can play, eat, live, talk and dance with my most supreme beloved Lord Sri Krishna.

Respected Srila Prabhupada, I am not qualified to enter Spiritual world but by your causeless mercy it is possible.

Hence, I sincerely beg you and I appeal to you deeply to please accept me as your disciple & servant and please give me eternal shelter at your lotus feet.

Your sincere servant,

Bhakta Praveen

Dear Srila Prabhupada,

Kindly accept my most humble obeisances unto your lotus feet—my Eternal Master!

I accidentally visited ISKCON, by which today I own a priceless and matchless mercy of You and Lord Krishna Balaram.

I am the most worthless soul on this planet. I try everyday to overcome my laziness and at least constantly chant my rounds and to do some reading. I have been trying so hard to make it a part of my life to at least do some reading of your books. But haven't managed to fully succeed. But I hear to your many of your lectures through the social media.

Words fail to thank you, as "Thank you" is a most insignificant word for all your kind efforts in bringing us closer to Krishna Consciousness and Krishna as well, for which without coming to this movement I would never have appreciated what it means to love and serve God.

By your teachings, you taught us that the best way to serve you is by serving ISKCON. This wonderful institution is your divine arrangement for spreading Krishna consciousness all over the globe and it is through ISKCON that the Krishna Consciousness will continue to spread in every part of the world, fulfilling the prediction of Sri Chaitanya Mahaprabhu.

Oh Master, by the eternal mercy of you, I have understood the basics of Krishna Consciousness and practicing constantly as well, which has brought a tremendous and successively progress in my Life. I can never imagine a life without Krishna and His blessings.

Prabhupada, kindly direct us with your kind mercy to follow and practice Krishna Consciousness well so that, we may achieve the goal of this human life!. Also bless your little servant to be your eternal servant by serving you and Krishna Balaram constantly.

All glories unto your lotus feet, Jai Srila Prabhupada!

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet.

Srila Prabhupada, Thank you very much for the mercy and blessings you have always showed on me. Srila Prabhupada, I have entered a new phase of life by getting married. It's not so easy to handle material situations and progress in Bhakti, without your mercy and blessings. Please bless me so that I can continue the practice of Krishna consciousness throughout my life.

Srila Prabhupada, My heart always feel gratitude to you, for you have presented Krishna consciousness movement all over the world for the benefit of human society so that people like us can take advantage of this.

Srila Prabhupada, during all the days of the week, I will be always waiting when Sunday will come, as I get to render some service in the temple and thereby be satisfied and happy by engaging in devotional service. Srila Prabhupada, Only by your mercy I am getting this opportunity to render service.

Srila Prabhupada, it is known that to make progress in Krishna consciousness, it very important, not to offend any Vaishnava. Although I always make an effort to be cautious of this principle and try not offend any Vaishnava, if I have offended you or any of your followers knowingly or unknowingly, please forgive me.

Thank you Srila Prabhupada for giving me an opportunity to serve your mission.

Trying to become humble servant of your servants,

Bhakta Puneeth D.

Dear Srila Prabhupada,

I offer my humble obeisances unto your lotus feet. I would like to offer my sincere gratitude on the occasion of your divine appearance day.

It is rightly said that without the mercy of the spiritual master, one cannot attain Krishna and without the mercy of Krishna, one cannot come in contact with the spiritual master. In the cycle of life, human birth is very rare and is considered to be the topmost form of life. Only human beings are blessed with the opportunity to differentiate between material and spiritual existence. The general human population is busy eating, sleeping, mating and defending which is common in all forms of life. Had it not been ISKCON, I would have remained in the same rat race running after material goals.

I would like to thank you wholeheartedly for having brought such a beautiful transformation in my life. It has been 9 years since I first came in touch with your Hare Krishna movement in Chennai. Time has flown at such a rapid pace. But Srila Prabhupada, but you have remained the same all these years through your loving ISKCON community, kind devotees, invaluable books and instructions. Anybody who comes in touch with the temple ,certainly takes back an experience which one has been craving for all his life. The level of happiness, satisfaction and peace which a person feels while following your instructions is something out of this world.

Srila Prabhupada, I am eternally indebted to you for showing me the right path of Krishna Consciousness. You are truly a matchless gift from Lord Krishna for all of us. I pray unto your lotus feet to help me serve you to the best of my ability. All glories unto you!

Yours sincerely, Bhakta Rahul Kanted

Dear Srila Prabhupada,

Please accept my humble obeisances at your holy lotus feet.

All glories to your Divine Grace!

Your pastime on this planet has been a series of divine lessons that guide us in every step of our Krishna Conscious journey. One of these glories that have touched me deeply is your compassionate concern for all jivas who are trapped in the darkness of ignorance. I also wonder what the destiny of jivas would have been (including me) if you had not shown your loving compassion on humanity.

Although you were relishing the transcendental joy of pure Krishna Bhakti every moment, you did not settle to enjoy this spiritual wealth yourself. You saw everyone as part of Krishna and therefore deserving of being liberated from misery of ignorance. It is your transcendental sacrifice alone that has manifested this mission on earth to share Krishna consciousness with the whole world. Millions today are beneficiaries of your labour of love and self sacrifice.

In matter of compassion towards humanity, you exemplify the feelings of Sri Prahlad Maharaj. You were very much moved by others miserable conditions in world and so you are truly 'Para dukha dukhi'. You voluntarily decide to take the sinful Karma of your followers upon yourself. It is your genuine absolute compassion that attracted thousands of souls to surrender to you from all over the world. You are not like other 'sages of Kaliyuga' who go to forest for meditation, adopt 'Mauna Vrata', thus not preaching people about Krishna Consciousness.

I am very thankful to you for your sacrifice and for making me a soldier in your glorious army of 'Hare Krishna Movement' and also receive the flood of mercy of joy from spiritual world. I have no hope other than begging and getting more and more of your personal mercy. I am your fallen servant who aspires to be a proper disciple someday.

Dear Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet. All glories to you on this most auspicious appearance day of your divine grace.

I was always in doubt about my origin, meaning and cause of my existence in this material world. But after getting to know about Krishna consciousness, it is by your mercy that has helped me to realise my ultimate goal. I got to know the importance of chanting and have started it. Being a conditioned soul, I don't have ability to go through the process of spiritual life perfectly. This conditioned soul has realised atleast that the real purpose of life is to develop Krishna consciousness. This is possible only by you. I like to visit temple and attend aratis, but on the whole I like the prasadam served in the temple very much.

I once again bow to you for getting me connected and follow Krishna consciousness.

mukham karoti vācālaṁ, pangum laṅghayate girim

By the mercy of the guru, even a dumb man can become the greatest orator, and even a lame man can cross mountains. As advised by Lord Brahmā, one should remember this śāstric injunction if one desires success in his life.

Actually, to say in truth, I am not a capable person to glorify you Srila Prabhupada. Yet your causeless mercy brings me this opportunity to glorify you every year. Guru dev, you have been constantly showing your mercy upon millions of fallen souls as you have found that the souls are suffering due to disconnection from Lord Krishna. You have mercifully created a divine institution called ISKCON and gave fathomable opportunities for conditioned souls to engage in Lord Krishna's service and re-establish their lost connection with Krishna.

Being in contact with devotees and taking to practices of devotional life for 4 years, somehow I have developed familiarity with the process. As a result, I am constantly erring away from path of devotional service and trying to engage in material sense pleasure, which is disgusting, yet appearing attractive. But by your causeless mercy, you are constantly bringing me back to the path of devotional service by giving more service opportunity in the temple.

Please keep me under your shelter always Srila Prabhupada. It is only by your mercy, one can attain Krishna. I beg you to keep me attached to your lotus feet.

MY DEAR SRILA PRABHUPADA,

On this very auspicious day of your Appearance, you have given me a chance us to offer our worship to you, because you may bless us to make progress in KRSNA CONCIOUSNESS.

On this glorious day, your Appearance day, I beg you to please bestow your causeless mercy upon me through out my life.

I sincerely thank you for introducing me to KRSNA CONCIOUSNESS movement and I like temple very much and I like chanting and doing service in the temple.

Dear PRABHUPADA, here this soul has completed one year by serving your lotus feet, as usual as each year passes its getting wonderful, enchanting, and delightful to be in the service of your divine grace. People get bored as they do the same things repeatedly in the material world, but on the other side the more we do the sadhana with great care and attention the more we feel contented and everyday.

I am sincerely reading the BHAGVADGITA, I am feeling wonderful and getting to know great things about LORD KRSNA AND ARJUNA.

I started practicing four regulative principles from last 3 year and I am chanting 16 rounds from last 2 Years and I am reading your books for at least one hour a day and its a great thing to read your books and every point in that cannot distinguish by anybody and its great pleasure for me to read your valuable books about our life principles and about LORD KRSNA.

I am chanting hare krsna maha mantra and I am very happy,

HARE KRSNA HARE KRSNA KRSNA KRSNA HARE HARE

HARE RAMA HARE RAMA RAMA RAMA HARE HARE

PRABHUPADA you have the ocean of mercy and please be compassionate on me, even though I have committed so many mistakes you are still giving the chance to live in your shelter. That is possible only by our mercy.

I am begging you on this auspicious day of your Appearance that please forgive me for all the unlimited offenses made to you and I beg you to give me more faith and strength on your words and in my spiritual Life.

Your humble Servant, Bhakta Sharath H V

Bhakta Shashank Narayan

Dear Srila Prabhupāda,

Please accept my humble obeisances. All glories to Your Divine Grace! All glories to the shelter of your lotus feet!

Any time I think of you, I am overwhelmed by a pleasant feeling: “Yes, I possess a secure shelter in this world of disturbances, the shelter of devotional service, which gives us real life in this world and which is filled with spiritual joy. A shelter which gives us Sri Krishna’s holy names, which opens our eyes through transcendental knowledge. The eyes of millions, of billions!” I wish to be at this shelter every minute and I would like to offer this shelter to everyone I meet.

You had a vision for the Bhaktivedanta Institute, and you also envisioned that the knowledge about the Absolute Truth would be taught at colleges and universities all over the world. Moreover, you predicted ISKCON would have its own institutions of higher education, where ordinary people would come to study spiritual life for their hearts had become dried up like deserts. Unable to slake their spiritual thirst in the sphere of the material world, they would want to hear about Krishna and understand their real position, and they would wish to do all this through your books and your disciples.

You are that Acharya who has appeared in modern times to open the tightly shut prison doors of material life. Srila Prabhupāda, the more I understand these good tidings with the passage of time, the more enthusiastic I am to spread your message far and wide. Always begging for your mercy, please always keep me under the shelter and guidance of your devoted followers. With great humility and respect, I bow down a million times to this mission and all of your disciples and other sincere followers...

Your humble servant, Bhakta Shashank Narayan

ಪೂಜ್ಯ ಗುರುಗಳಾದ ಶ್ರೀಲ ಪ್ರಭುಪಾದರಿಗೆ ನಮನಗಳು,

ಅದು ನಾನು ಬಿಕಾಂ ಪದವಿ ಓದುತ್ತಿದ್ದ ದಿನಗಳು. ಅದೊಮ್ಮೆ ನನ್ನ ಸ್ನೇಹಿತನ ಜೊತೆ ಮಾತನಾಡುವಾಗ ವಿದ್ಯೆಯ ಬಗ್ಗೆ ಮಾತು ಬಂತು. ಇಷ್ಟೆಲ್ಲ ವರ್ಷಗಳು ಓದಿ ನಾವು ಏನು ಕಲಿತಿದ್ದೇವೆ? ಎಂಬ ಪ್ರಶ್ನೆ ನನಗೆ ಮತ್ತು ನನ್ನ ಸ್ನೇಹಿತನಿಗೆ ಇಬ್ಬರಿಗೂ ಬಂತು. ಹೀಗೆ ಮಾತನಾಡಿದ ಕೆಲವೇ ದಿನಗಳ ನಂತರ ಇಸ್ರಾನ್ ದೇವಸ್ಥಾನಕ್ಕೆ ನಾನು ಮತ್ತು ನನ್ನ ಸ್ನೇಹಿತ ಇಬ್ಬರೂ ಭೇಟಿ ನೀಡುವ ಸಂದರ್ಭ ಒದಗಿ ಬಂತು. ಆ ದಿನದಿಂದ ನನ್ನ ಜೀವನವೇ ಬದಲಾಗಿ ಹೋಯಿತು, ನಿಜವಾದ ವಿದ್ಯೆ ಯಾವುದು? ನಿಜವಾದ ವಿದ್ಯೆಯಿಂದ ನಮ್ಮ ವ್ಯಕ್ತಿತ್ವದಲ್ಲಿ ಎಂತಹ ಅಮೂಲಾಗ್ರ ಬದಲಾವಣೆ ಆಗುತ್ತದೆ ಎಂಬುದರ ಸಜೀವ ನಿದರ್ಶನ ನನ್ನೊಳಗೆ ಮುಂದಿನ ದಿನಗಳಲ್ಲಿ ಆಯಿತು. ಧರ್ಮದ ತಳಹದಿ ಇಲ್ಲದ ಶಿಕ್ಷಣ ಪರಿಪೂರ್ಣ ಮನುಷ್ಯನನ್ನು ರೂಪಿಸುವಲ್ಲಿ ವಿಫಲವಾಗುತ್ತದೆ ಅನ್ನೋದರಲ್ಲಿ ಎರಡು ಮಾತಿಲ್ಲ. ಪ್ರಸ್ತುತ ನಮಗೆ ದೊರೆಯುತ್ತಿರುವ ಶಿಕ್ಷಣ ಕೇವಲ ಉದ್ಯೋಗ ಪಡೆಯುವ ರಹದಾರಿಯಾಗಿದೆ ಅಷ್ಟೇ. ಬದುಕಿನ ಮೌಲ್ಯಗಳನ್ನು ದೊರಕಿಸುವ ಶಿಕ್ಷಣ ಧರ್ಮದ ಹಾದಿಯಲ್ಲಿ, ದೈವ ಪ್ರೇಮದ ಮೂಲದಲ್ಲಿ ಇದೆ ಎಂಬುದು ಪ್ರಭುಪಾದರ ಚಿಂತನೆಗಳು, ವಿಚಾರಗಳು ಹಾಗೂ ಪುಸ್ತಕಗಳ ನೆರವಿನಿಂದ ನನಗೆ ದಿನೇ ದಿನೇ ಅರಿವಾಯಿತು.

ಇಷ್ಟೆಲ್ಲ ವರ್ಷ ಸ್ಕೂಲು ಕಾಲೇಜಿನಲ್ಲಿ ನಾನು ಎಳ್ಳಷ್ಟು ಕಲಿಯದ ವಿದ್ಯೆಯ ಸಾರವನ್ನು ಇಸ್ರಾನ್ ದೇವಸ್ಥಾನ ನನಗೆ ಕಲಿಸುತ್ತಾ ಹೋಯಿತು. ಇದಕ್ಕೆ ಮೂಲ ಕಾರಣ ಶ್ರೀಲ ಪ್ರಭುಪಾದರು ಭಗವಂತನ ಭಾಗಗಳಾದ ಜೀವಗಳ ಮೇಲೆ ಇಟ್ಟಿರುವ ಅತಿಯಾದ ಕರುಣೆ. ಇಡೀ ಲೋಕಕ್ಕೆ ಭಕ್ತಿ ಭಾವ ತಿಳಿಸುವ, ಒಡೆದ ಮನಸ್ಸುಗಳನ್ನು ಬೆಸೆಯುವ ಮಾಧ್ಯಮವಾಗಿ ಪ್ರಭುಪಾದರ ರಚಿತ ಪುಸ್ತಕಗಳು ಪ್ರಭಾವ ಬೀರುತ್ತವೆ, ಅದೇ ರೀತಿಯ ಪ್ರಭಾವ ನನ್ನ ಮೇಲೂ ಆಯಿತು. ಪ್ರಭುಪಾದರು ಅಪರಿಚಿತ ಅಧ್ಯಾತ್ಮಿಕ ಲೋಕವನ್ನು ಜಗತ್ತಿಗೆ ಪರಿಚಯಿಸಿದವರು. ದ್ವಂದ್ವ, ಆತ್ಮ ಜಿಜ್ಞಾಸೆಗೊಳಗಾದ ಮನಸ್ಸುಗಳಿಗೆ ಅವರು ಪ್ರೇರಕ ಶಕ್ತಿ. ಇಸ್ರಾನ್ ದೇವಸ್ಥಾನದ ಒಡನಾಟದ ಫಲದಿಂದ ಪ್ರಭುಪಾದರ ಪರಿಚಯ ನನಗೆ ಆಗಿದ್ದು ನನ್ನ ಜೀವನದ ಅತಿ ಮುಖ್ಯ ಘಟನೆ.

ಯಾರ ಕೈಗೂ ನಿಲುಕದ ಪಾಶ್ಚಾತ್ಯ ಜಗತ್ತು ಮಹಾಯುದ್ಧಗಳಿಂದ ನಲುಗಿ, ಹತಾಶೆಯಲ್ಲಿದ್ದಾಗ ಅಲ್ಲಿ ಅವತಾರ ಪುರುಷನಂತೆ ಕಾಣಿಸಿಕೊಂಡ ಪ್ರಭುಪಾದರು ಪಾಪ ಜೀವನ ನಡೆಸುತ್ತಿದ್ದ ಹಿಪ್ಪಿಗಳನ್ನೇ ಕೃಷ್ಣಭಕ್ತರನ್ನಾಗಿಸಿದವರು. ಪ್ರಭುಪಾದರದು ನಿಜಕ್ಕೂ ಪವಾಡಸದೃಶ ಜೀವನ. ನನ್ನ ಜೀವನವೂ ಪ್ರಭುಪಾದರ ಪವಾಡ ಸದೃಶ ಕರುಣೆಯ ಪ್ರಭಾವದಿಂದಲೇ ಉತ್ತಮಗೊಂಡಿದ್ದು. ಪ್ರಭುಪಾದರ ಕಾರಣವಿಲ್ಲದ ಕರುಣೆಯಿಂದ ನಾನಿಂದು ಹರೇ ಕೃಷ್ಣ ಮಂತ್ರ ಜಪ ಮಾಡುತ್ತಿದ್ದೇನೆ. ಒಬ್ಬ ಅಪ್ರಬುದ್ಧನಲ್ಲಿ

Dear Srila Prabhupada, please accept my humble obeisance at your Lotus Feet..

God incarnates whenever adharm is filled in the universe. In kali yuga he decided to bring a great personality, your good self in order to purify this whole universe. In the western world Krishna consciousness is Spreading like fire. This is due to the great work of Srila Prabhupada. From the Spiritual world you have been sent to purify the Jiva's of this material world and guide them to the Spiritual world. You went to America, to make the westerners life fulfilled with Krishna consciousness . In my life You have played a very important role of transforming my life through Krishna consciousness. I thank you for enlightening me on the path of Krishna consciousness.

Your fallen soul,

Bhakta Shivashankar

Bhakta Shivkumar

Dear Srila Prabhupada,

Born in darkest ignorance, I underwent so many miseries not knowing the real goal of the human form of life. Hoping to be satisfied, I served the dictations of my senses. The irony is that rather being satisfied, it further increased my dissatisfaction. I followed so-called leaders not knowing they are blind and leading me to even more to the darkest regions. At this chaotic condition, a ray of hope came through your true messengers from Hare Krishna movement. I am very fortunate to come in touch with you at this relatively young age.

Srila Prabhupada you have given continuous activities in devotional service twenty-four hours daily and you have expertly filled every movement of time with Krishna consciousness activities.

In one of your lectures, you spoke about bhakti. You said "what you can offer to Krishna? Everything belongs to Krishna. What have you got? What is your value? What is the value of your things? It is nothing. The real thing is bhakti, your feeling. Krishna kindly take it, I am most rotten, fallen but I bought this thing for you please take it. This will be accepted. Don't be puffed up always be careful you are dealing with Krishna". You spoke these words with such a gravity. Remembering these words is making my devotional service better and better. Greed, born out of passion is the greatest enemy of a living entity but you are expertly guiding us to use this very greed to enhance one's Krishna consciousness and making this greed a great boon.

"Apani achari prabhu jivera shikshaya: - you taught us by behaving yourself even at advanced age telling example is better than precept. Successful execution of devotional service is possible only by your mercy and Krishna's mercy. The secret for advancing in the spiritual life is by satisfying you only Srila Prabhupada.

You enlightened us in a simple way like saying "spiritual life may be difficult but material life is impossible". You have given devotional service to Lord Krishna which is such a nice thing that you electrify your disciple through transcendental instruction to cross this ocean of nescience without difficulty.

Even though the instructions given by you are very simple but there are lacunas from my side to follow your instructions. Srila Prabhupada kindly forgive my shortcomings, offenses committed at your lotus feet and other Vaishnavas. Kindly purify me and make me eligible to attain pure love for Supreme Personality of Godhead Lord Krishna.

Your servant,

Bhakta Shivakumar

Dear Srila Prabhupada,

I would like to thank you for giving such a nice mantra to the world. It is only by you the western people started to know about GOD. Because of you, the whole world is safe. You have Created a House were the whole World can live.

I thank you for introducing Krishna Consciousness to me at this young age through chanting, dancing and singing. When I see devotees chanting your name Jay Prabhupada in Kirtan's, I like it.

O Guru Deva, please bless me. Through you, I can see Krishna. Only you can change my wrong things in my life.

Your humble servant,

Dear Prabhupada,

Please accept my humble obeisance in the dust of your lotus feet.

I am very fortunate as I am in touch with Krishna Consciousness from my birth and I am very proud to have you as my Guru and a role model.

Prabhupada, you come to this world to give us the knowledge of Krishna. Before you came to this world, most of the population were illiterate about Bhakti and we all were entangled in our karmas day by day. But when you gave us knowledge, we became literates and you taught us the importance of Krishna Consciousness.

Thank you very much Srila Prabhupada. All glories to your divine lotus feet.

Your servant,

Dear Srila Prabhupada,

Please accept my humble obeisances unto the dust of your lotus feet. All glories to your Divine Grace.

Thank you for coming to this world to save us. In spite of the tremendous difficulties and obstacles which you had to face alone, you solely depended on the mercy of the Supreme Lord Krishna and your eternal spiritual master, Srila Bhaktisiddhanta Saraswati Thakura. It is really amazing to see at such an age, you going to the west and preaching Krishna consciousness, without any personal motive but only to please your Guru.

You are the Spiritual Master of the entire world. If this movement was not begun by you, I do not know what would had been the situation of people in this world.

Thank you very much, Srila Prabhupada, for coming and saving us.

All glories to your divine lotus feet.

Srila Prabhupada, I would thank you for giving me an opportunity to understand my primary duty, which is to know that this human form of life which is meant to know God. It is only by your causeless mercy that you made me come in touch with iskcon or how is it possible or how is it possible for me as a unworthy soul who has fallen in this world to render a small bit of service.

Srila Prabhupada, you have taught how to engage oneself in devotional service. I beg to keep me at your lotus feet.

Dear Srila Prabhupada,

You are a pure devotee, but only for the sake of the conditioned soul's you left home, Vrindavan. Srila Prabhupada, you circled the whole globe 14 times in spite of your old age and ill health to preach the sankirtana movement. I am as so much self centered person that I can't even preach to my friends. The teachings of Chaitanya Mahaprabhu is most munificent incarnation he comes to deliver the degraded soul of kali yuga, but I'm so much materialistic that I'm not following your simple instructions, you know my condition, that I'm neither chanting seriously nor following regulative principle strictly nor I have test in your transcendental literature.

By your causeless mercy I am coming to folk class, I am understanding the mission of Sri Chaitanya Mahaprabhu elaborately by your mercy, my way of living, my life has changed totally for which I am indebted to all the Vaishnava's and especially to you Prabhupada.

Spiritual master is considered to be ocean of mercy, Dear Prabhupada please bestow upon me your causeless mercy for which I am thirsty eternally, please accept my humble obeisance's unto your lotus feet from the most degraded person. I have no qualification to glorify you Srila Prabhupada. But because you are so much merciful like Sri Chaitanya Mahaprabhu that you give me the chance, Thank you Srila Prabhupada.

Your Servant,

Dear Srila Prabhupada,

Please accept my most humble obeisances to the dust of your lotus feet.

All glories to Your Divine Grace!

Please forgive this fallen soul for I know not how to live in this material world and still cling to your feet with all my heart. I owe everything to my Guru. I cherish all the memories that I had and I still continue to have. I feel Lord

Krishna's presence in many ways. That only a Divine Guru alone can do. It is so wonderful that you have given everyone an understanding of God that all can relate to regardless of whether one is Christian, Muslim, Jewish or Buddhist. You have simply promoted the love of God.

You have shown us the path to spirituality through your teachings and example of dovetailing one's energy and talent in Krishna's service. How could we have ever arrived at such a conclusion without meeting your Divine Grace? Our personal endeavor has revealed to us the practicality and effectiveness of your instructions and it has become obvious that we are never the losers by following your instructions faithfully.

There are so many ways in which I can glorify you, so many ways that you have bathed me in the ecstasy of your mercy- Chanting the Holy Name and dancing, performing devotional service for the pleasure of Lord Krishna and His devotees, preparing nice foodstuff for the Lord and then honoring them. But most of all, you are glorious for your books in which you have revealed the whole spiritual world.

You have written about Srila Bhaktisiddhanta Sarasvati Thakur: "He lives forever by his divine instructions, and the follower lives with him." This also applies to you since you are permanently fixed at the lotus feet of your spiritual master. By your shining example, you show us how to be fixed in the service of guru, the pure representative of Lord Krishna, the Supreme Personality of Godhead.

I try to approach you for instruction by reading your books. You also show me how to accelerate my progress toward the supreme destination, the lotus feet of Sri Sri Radha and Krishna, by improving my chanting of the Holy Names:

"Hare Krishna Hare Krishna, Krishna Krishna Hare Hare, Hare Rama Hare Rama, Rama Rama Hare Hare"

By your pure teachings, I can understand that I am not this body made of material elements but eternal spiritual soul, eternal loving servant of God or Krishna and His devotees and the perfection of my life is to be cent percent engaged in the service of the Absolute Truth, Lord Sri Krishna, the Supreme Personality of Godhead.

When I came under your feet, I feel it has enriched my life in so many ways. At least now I can think of finding the truth of life which may set me free. I am trying to come out of ignorance, which is the cause of all suffering. I have understood the purpose of human life, to understand and love God Krishna.

My faith and dedication for you, Srila Prabhupada, is increasing day by day and I like to think that my conceptions have become clearer as a result. Thanks to you, Srila Prabhupada. We hope that one day by your mercy we return our real home of Lord Krishna and His devotees, and the experience of being in this material world will be a bad nightmare.

My simple prayer, dear Srila Prabhupada, is that I always be engaged as an instrument of Lord Krishna's mercy without desire for material benefit.

I beg to remain in your service eternally, Thank you, Srila Prabhupada.

You are everything to me. Please let me be your eternal servant.

Das of Krishna and You,

Bhakta Saurabh Sinha

Bhakta Susheel Kumar Raina

Jai Srila Prabhupada.

Koti Koti Charan Pranaam.

Dear Srila Prabhupada, today world perceives that you have been a real Guru who is born from time to time as a repository of spiritual force, which you have transmitted to future generations through successive links of Guru and Shishya (disciple) parampara. Men who have been truly wise have committed themselves to the mercy of your Guru kripa and are flowing in the stream of spiritual love. You have shown to the world how to be stripped of our vanities (excessive pride in admiration of one's own appearance or achievements) and to surrender ourselves completely to the guidance of your teachings through lectures, books etc.

Guru only knows what will lead us towards perfection. We have been quite blind to it. We did not know anything. You have been so merciful to us, the fallen souls that the sort of humility given by your mercy have opened the door of our heart for spiritual truths. Truth would have never come into our minds so long as there would have remained the faintest shadow of Ahankāra (egoism). With Your mercy, all of us have tried to root out this devil from our hearts. As you have taught us that complete self-surrender is the only way to spiritual illumination.

You are forceful in convincing time and again that the “Hare Krishna” mantra is the sublime method of self-purification and crying out for LORDS MERCY has done wonders in the Kali.

I am a fallen soul. Thank you for showing me and so many of us some way to go forward in this spiritual journey.

A humble servant,

Bhakta Susheel Kumar Raina

Bhakta Swaroop Krishna

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet.

Srila Prabhupada, the preaching activity in the Krishna consciousness movement gives more and more energy to me. The preaching what we do is not for some other person but for us to preach ourselves and bring in the real understanding of Krishna Consciousness. When I preach to the students and other people, I really feel that these are not my words, but your words – Srila Prabhupada. It also gives me great understanding to remind myself that so fallen I am that till date I have not understood that “I am not this body”. So this is the condition of this soul, Srila Prabhupada. This year since I have started reading about you in the book “Srila Prabhupada Lilamrita As It is”, I could understand how miraculously and compassionately you preached the whole world. You were never tired to preach anybody and everybody. The way your disciples used to manage in the initial days of ISKCON was really mind-blowing to learn. I could learn the following things which are very evident about you 1) your humble way to accept service from them 2) your pleasing way to teach the Deity worship 3) your magnanimous way to sing and teach kirtan to your disciples. Srila Prabhupada, in another conversation you spoke: “Now how can one become guru and representative of Krishna? Everyone will say, “I am representative of Krishna. I am a guru.” No. The real thing is enunciated by Sri Caitanya Mahaprabhu, who says: “You just become the guru on My order.” So guru means he who is carrying out the order of Sri Caitanya Mahaprabhu - not self-made guru.” It is so simple and evident to understand from your presentation, but there are many who don't understand this simple knowledge about you.

Srila Prabhupada, you explained in your books and letters that, one of the duties of the Spiritual master that to expose the faults of the disciples even if it's a slight fault. The qualified disciple considers himself bereft of the spiritual knowledge, always a fool before the spiritual master. He therefore, considers the spiritual master's criticism

as the mercy. I request you to please guide this fool who has surrendered to you so that I can do my devotional service under your guidance always. Please help me to always remain dependent on you and Krishna.

Your servant,

Bhakta Swaroop Krishna

Dear Srila Prabhupada,

Please accept my most humble obeisances unto your lotus feet. All glories to his Divine Grace.

On this auspicious day of your divine appearance, I being a conditioned soul try to glorify you with my limited knowledge. Prabhupada! Only by your causeless mercy this destitute soul is saved from the onslaught of materialistic people.

People are trying to fit where they don't belong, by your divine teachings you saved many sleepy souls and to know the importance of human life. Words are short to glorify you Srila Prabhupada.

Krishna is yours. You have the power to give him to me. I'm simply your servant running behind you shouting "Krsna! Krsna!" I don't even know how to glorify your unlimited glories because of my conditioned conscious. Let your glories spread all over the world more and more.

Oh Ocean of mercy, be merciful unto your servant. Give me the shade of your lotus feet and purify me to hold onto your lotus feet.

Your insignificant servant,

Hare Krishna,

My Dear Lordships Sri Sri Krishna Balaram, My Dear Jagadguru Srila Prabhupada & My Dear Ananta Koti Vaishnava Vrunda,

My Dear Jagadguru Sri Srila Prabhupada,

First of all I want to thank you for giving me an opportunity to glorify you on the auspicious occasion of Vyasa Puja. Even though I came in touch with you in the year 1988 and although it is my 30th year of Vyasa Puja offering to you, I am not able to chant finely & properly. So, I request you to give me more spiritual strength to chant nicely & effectively.

My dear Jagadguru Sri Srila Prabhupada,

I want to do something very big, unique service to their Lordships Sri Sri Krishna Balaram in Mysore. So, I request yourself to please guide me and help me to do this Maha Seva to Their Lordships Sri Sri Krishna Balaram in Mysore. Thanking you very much.

Yours in the service of Lord Krishna,

Bhakta Vaibhav N

Dear Srila Prabhupada,

All glories to you on this auspicious occasion. Firstly, I am grateful for all that you have bestowed on me. I know that I am not qualified yet to call myself your disciple, but I am trying to follow the path which you have laid down for us.

If I had not come across this movement, I would have never understood the meaning of loving service to God. It is only after I came in touch with ISKCON, I grew mentally and spiritually stronger.

Please keep me away from all the attraction of this material world and kindly bless me with the required courage, commitment and determination in leading a spiritually fulfilled life.

All glories to Srila Prabhupada!

Bhakta Vaibhav N.

Hare Krishna,

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet. All glories to your Divine Grace.

One more year has passed under your shelter. Though I do not have any qualification, out of causeless mercy, you accepted me as your servant and engaged me in your service. Thank you very much Gurujī. I bow down to your lotus feet with great reverence.

You opened my darkened eyes and filled my heart with transcendental knowledge. Prabhupada, I beg pardon from you for committing mistakes knowingly or unknowingly.

You are an ocean of mercy, the friend of the poor and the lord and the master of the devotees.

O master be merciful unto me. I beg your divine grace to keep me engaged in your service until the last extent of my life.

All glories to Srila Prabhupada.

Srila Prabhupada lived with the spirit of the Lord's compassion shining through his heart. Through his speeches, he showed how to live as a true well-wisher and friend of every living being.

The path and destination are very clearly defined by Prabhupada with the chanting of the holy names which is the most powerful method of self-realization in this kali Yuga. Especially chanting the following mantra

“Hare Krishna Hare Krishna Krishna Krishna Hare Hare

Hare Rama Hare Rama Rama Rama Hare Hare”

Srila Prabhupada gave the entire Vedic heritage to the whole world right from the deity worship, I would say that Prabhupada books can transform the hearts of the hardcore atheist and make them devotees and also his lectures spread God conscious through Bhagavatam all over the world. But Prabhupada never calls himself a God, he is a servant of God. Prabhupada gave meaning to many whose lives had become meaningless, in this generation we all have to read the books of Srila Prabhupada which gives mental strength and peace because this is a materialistic world and he showed the real path of spiritual happiness.

Prabhupada's wisdom of Krishna consciousness has changed so many people's lives. His message of peace and goodwill resonated with many young people and he explains the meaning of life, the purpose of existence, what is life all about. Really it's amazing Life has an extraordinarily deep meaning and purpose, it is amazingly fascinating when we understood. Many of us unaware of it, that is why we suffer in life instead of enjoying, life provides a platform for gathering experience for our consciousness,

Life means consciousness, each one of us has a particular consciousness, this driven by our inner intelligence. it gives us a sense of awareness about us and our surroundings. That's why Prabhupada says that Life is all about happiness; happiness is the meaning and purpose of life.

I also realized for the first time in my life I found something worth pursuing and the wonderful things is that the more I pursue Krishna, the more interesting and lovable Krishna becomes. Krishna is the source of all spiritual and material worlds. Everything emanates from him so believe in supreme God Krishna.

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet.

My life is filled with ignorance and passion. Please give me your strength to overcome these and help you by spreading the message of Lord Krishna by chanting Krishna consciousness Hare Krishna Maha mantra like Hare Krishna Hare Krishna Krishna Krishna Hare Hare, Hare Rama Hare Rama Rama Rama Hare Hare.

I am quite sure that I will exhibit my incompetence many more times in this life. Srila Prabhupada, I pray that you will continue to be merciful to me and allow me to serve you. Whether my situation appears favorable or not, if you kindly allow me to remain serving in your mission of distributing Lord Chaitanya's message, my life will be complete. I forever thank you for your kindness. Though I understand, I can never repay what you have done for me. I pray that my incompetent service will be the slightest sign of my gratitude.

Praying for your guidance and shelter,

Your humble servant,

Bhakta Vinay

Bhakta Vinay Raj

My dear Srila Gurudeva,

Please accept my humble obeisances. All glories to Srila Prabhupada.

It rains and snows here in Helsinki this evening. The sky looks like one huge heavy cloud that is hanging over the city where the people hurry here and there with their black umbrellas. I was there too but without an umbrella. Still, I felt very much protected from any inconvenience because I was there for serving You.

This way it was not aimless wandering but it was auspicious, purposeful activity because it was done for pleasing You who is my eternal spiritual father.

"Prabhupada, You had so much affection for your disciples and therefore the disciples had so much affection for you". This touches my heart. Your Love is so pure and selfless.

So on the most auspicious day of Your appearance, I beg that You please accept this offering as a humble attempt to reciprocate with Your causeless mercy. Furthermore, I beg that You kindly remove the black umbrella of ignorance that is presently covering me so that I can properly receive Your instruction and follow it.

Your servant,

Bhakta Vinay Raj M U

Bhakta Vinay Vasudev

Dear Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet. All glories to you, the savior of the whole world.

On this most sacred occasion of your appearance anniversary in this world, I fall at the dust of your lotus feet and beg for the ability to properly glorify your divine and magnanimous character. I am not even eligible to glorify you, but on this auspicious day, you have given an opportunity to a worthless soul like me to glorify you.

By your grace, Srila Prabhupada, you made such an incredible sacrifice of traveling by steamship across the Atlantic ocean for three weeks at the advanced age of 69 -- suffering two heart attacks in the process -- and arriving on the shores of America armed with a mere seven dollars' worth of rupees, a few books and an unshakable desire to serve the mission of your spiritual master, His Divine Grace Srila Bhaktisiddhanta Sarasvati Gosvami Maharaj Prabhupada. Despite the overwhelming odds against you, your arrival was clearly predicted by the great *acarya* in disciplic succession, Srila Bhaktivinoda Thakura a century ago, and thus your success was already guaranteed. Because of your completely selfless endeavor, the entire universe is now awakening from an age-old sleep of godless ignorance to the joyous and eternal sound of Lord Caitanya's *harer-nama sankirtana*.

Thank you for your books Srila Prabhupada. They have given me life. They have given me hope. They have given me a purpose. They are truly the gems of literature. Nothing else comes close. Each line of these divine books are filled with spiritual power, whenever I read your divine books I can literally feel the transformation that is happening in my consciousness before I started to read. I become more and more convinced when I see the world from the viewpoint of the sastras, that Krishna Consciousness in the topmost philosophy and Prabhupada you are the topmost scholar in the world.

I try every day to overcome my laziness and at least constantly chant my rounds and study your divine books for a fixed duration, but I have not been able to succeed in it completely. Each and every day of my life in this material world is filled with so much of anxiety and fear, without the help of the holy name and your books and lecture I would have completely gone mad. I am sane because of you Prabhupada. I humbly fall to your lotus feet to beg forgiveness to all my sins and ignorance.

I do not have enough words to thank you, as "thank you" is a very insignificant word for all your kind efforts in bringing us closer to Krishna, for without coming to this movement I would never have appreciated what it means to love and serve God.

I pray to Your Lordships Sri Krishna and Balarama to give me more strength to practice Krishna Consciousness more seriously and to become a better servant of Srila Prabhupada.

Your servant, Bhakta Vinay Vasudev

Dear Srila Prabhupada,

I offer my respectful obeisances unto your lotus feet on the occasion of *Vyasa-puja* seeking your mercy.

In this age of "Kali" besieged by bogus gurus, You stand out as a beacon of hope to conditioned souls as the most munificent *Acharya*, upholding *parampara* system and distributing *Krishna-Prema*.

In Your Book "Dharma: The Way of Transcendence" (Chapter 6, Defining the Absolute Truth), You have discussed the realization of Absolute Truth as impersonal *Brahman* (*Jnana-Yoga*), localized *Paramatma* (*Raja-Yoga*), and *Bhagavan* (*Bhakti-Yoga*) respectively using the interesting analogy of the sunshine, sun globe and sun-god.

In Your Book "The Path of Perfection" (Chapter 6, Perception of Supersoul), You outline the process of living in Krishna consciousness-how to see *Krishna* in everything and how to see everything in *Krishna*, and clarified on the associated misconceptions.

In Your Book "Life Comes From Life", You critically examine the erroneous conclusion reached by the scientific method regarding the origin of life in the light of Vedic knowledge and exposed the foolishness in investing time and money on the technology to travel to moon and Mars.

In the most memorable video clip on "How much time it takes to surrender to Krishna?", You gave an instant answer "One minute. That is Krishna consciousness movement. One minute."

I constantly remind myself of these quotes of Yours:

“You cannot be happy in a place meant for miseries”

“This material world is only a perverted reflection of the spiritual world”

“Don't be disappointed, don't be confused. Your life has value. You, in this life, you can realize your eternal life”

“In the material world there are always dangers at every step” Your Explanation through Vedic Scriptures, without interpretation, make me feel, yes I am at the right place with a person with no personal agenda, but with the right knowledge.

Kindly permit to be your humble servant.

Your servant,

Bhakta Vinay Venugopal

Dear Srila Prabhupada Gururji ,

Hare Krishna!

After coming into Krishna consciousness, we have come into enjoy HAPPINESS. Our existence has become more meaningful and sublime. You have opened our eyes to see basic material and spiritual issues which are so simple yet so profound; issues so basic yet not known to us and we were all the time wrongly thinking that we are highly educated specialists.

A new world opened by you has given us a new zeal in our lives for a new exciting path of spiritual knowledge and practice to make our lives more worthwhile.

Your knowledge of the material and the spiritual domain has an infinite depth. Practice of Krishna consciousness in our homes has been very effective and influential. It has brought tremendous changes in our lives making our day to day life very simple. Our children appear thrilled to know the issues enumerated by your goodselves in the Bhagavad-Gita. Now other spiritual routes appear so superficial and less practical when compared to the profound Krishna consciousness taught through your ISKCON movement.

We seek your blessings to increase our shraddha in our daily practice of Krishna consciousness. You continue to live in your ISKCON movement and your disciples are sincerely working so hard to give a meaning to our lives and our existence. ISKCON is synonymous with HAPPINESS!

Hare Krishna!

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet. All glories unto you

I had earlier mentioned in my offerings that your contribution to the world is unique and a matchless gift to the mankind. Now, I am able to see many videos of many great leaders of world praising you for your contribution to the mankind and also deriving inspiration from your life. These leaders also talk about how you changed their lives or how they have been influenced by this Hare Krishna Movement. This indeed make me feel proud that I am a part of such an institution or I am getting an opportunity to serve this institution by your mercy.

This also proves that your institution is spread worldwide and is still spreading like wildfire which makes us folk boys a bit more enthusiastic to be a part or take part in temple activities. We also see few senior devotees being declared as one of the top and best speakers of the country. Devotes getting international fame and awards are only by following your instructions and putting toward the meaning to people which you had given to them through your books. Let me always see your divine hand in whatever achievements myself or others possess.

Coming to my personal life, oh dear Srila Prabhupada, by your mercy I am able to chant, attend sankirthan, get association with devotees and relish delicious prasadam on regular basis. By your mercy, I also learned to play Mridanga for the pleasure of the lord and also teach it to others for the pleasure of the lord. I would like to request you to give me knowledge of playing mridanga in an even better way and also help me learn other instruments because sankirthan is the best thing for soul like me who is always disturbed by the material happiness. Other than this, I thank you Prabhupada for helping to take life as it comes by inducing me the knowledge of how karma works.

On this occasion of your Vyasa Puja, I would finally request you to please help me improve my quality of chanting and other sadhana and also mainly help me to follow the four regulative principles as strictly as possible.

Once again I thank you Dear Srila Prabhupada for everything.

Your aspiring servant,

Respected Srila Prabhupada,

Please accept this fallen soul's obeisances.

Whenever I hear your voice, I feel great respect towards you within my heart. I feel you are in-person with us when we hear your voice. We may be unlucky in one sense because you are not present with us physically, it's all right but you are guiding us within when we hear about you by your pastime. Whoever remembers your past time, your activities your loving service toward KRISHNA, reading your books, they will certainly come to a stage when there is no question of missing you. You are always personally there in your pure uncontaminated devotional books, FOREVER & EVER.

You had told that even one becomes a devotee of Krishna my mission is successful. In that sense you have completed your mission successfully. From here onwards it's our duty (Followers) to spread your mission to every nook & corner. I only hope you bless me in this regard. Your eyes tell us the material pain you underwent to preach Krishna consciousness to every continent. But as a devotee, I can see the love in your eye & compassion towards the fallen soul. Truly, you are a great example.

You taught us that how if you have unalloyed devotion towards Krishna, every material miseries can be mitigated & we can advance in spiritual path. Whenever I see the video of you crying by remembering your guru, it shows how humble you are and how respectful you are towards your Spiritual Master.

Please bestow with the same humbleness and the attitude of serving nature you have towards Krishna, your spiritual master, Vaishnavas and the conditioned souls.

At present moment, your pastimes of guiding the conditioned soul is going on in the other part of universe. Please, please as soon as possible please take all of us to you, so that we can participate in your LEELA. We want to be with you always in association with you Srila Prabhupada Forever.

JAI SRI KRISHNA Bhakta Vishwanath prasad

Bhakta Yatish Raj

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to Srila Prabhupada. All glories to you on this auspicious day of your *Vyasa puja*.

You appeared to inculcate the bhagavata dharma beyond the shores of India. You displayed an amazing variety of pastimes during your life. People are benefitted just by listening or reading your books (I am also one among them). Our lives are changing from material consciousness to Krishna consciousness and that credit goes to our beloved spiritual master. As your disciples glorify, you truly are the ocean of mercy, a friend of the poor and the lord and the master of the devotees. Please be merciful unto me, give me the shade of your lotus feet.

You gave us the definition of devotion and Krishna prema through sankirtan and knowledge. There are parents, relatives, siblings, wives, and sons but no one can save us at the time of death, when we are in bewilderment, we do not distinguish between what is religious and what is not religious, at that time there is a need of Guru. You showed us the path to escape from the samsara bhandana. You showed us such an easy path for liberation that we are in awe. But this simple process in itself is very tough to follow. So I humbly fall upon your divine lotus feet for protection from material contamination and to follow the path you showed us. I was once an atheist and was standing in darkness not knowing what to do. You as a father held my hands and brought light in my life. I would happily prefer death if I were to leave Krishna consciousness. If I am feeling some happiness in me at present that is all because of your mercy. You are revered as “patita pavana” who purifies the most fallen souls such as me.

I am wondering how to repay you for things you have done for us. If I were to have the whole universe in my possession and give it to you as a guru dakshina, I don't think I can cover even 1% of it. You showered an ocean of mercy upon us. I want to follow the teachings you have given in your books. So please guide in the path of devotion. I offer my obeisances again and again onto your lotus feet.

My qualification and words are not enough to explain your glories, so I beg your pardon.

Your servant, Bhakta Yathish Raj

Dear Srila Prabhupada,

I pay my respectful obeisances onto your holy feet.

After coming in contact with ISKCON, the movement started by you, we are able to attend so many festivals and because of the same my mother narrates the pastimes of the Lord and devotees. Truly by your influence, we are able to fast on Ekadashi and able to chant the Lord's name, every day without fail.

Now I am able to read the KRISHNA book written by you. Thank you Srila Prabhupada for bestowing your mercy upon me. I am reading Shrimad Bhagavatam and Srimad Bhagavad Gita. Thank you, for being my guiding force to succeed in the race of life and show me the light towards more spiritual path but still keeping me grounded to earth.

It gives me immense pleasure to dress Laddu Gopal at our place and to honor the Prasadam which is very tasty. Due to your mercy on our family, my father is also chanting the holy name. You are helping us to focus on the Lord and to lead a meaningful life. Thank you Srila Prabhupada,

Praying at your feet to seek your blessings,

Dear Srila Prabhupada,

You brought a new change in our life. You are the one who showed us the path to liberation. Srila Prabhupada, you were born on 1st September 1896 and left us and went to the abode of God on 14th November 1977. Sometimes I tell to myself “Oh! What great person, a single man! Only one! Who did a change for the entire world”? One for millions! I think Srila Prabhupada did the best thing.

You created a new temple that is not same to others. I notice that in all temples there is a sign that says “maintain silence, prayers are going on”. But in ISKCON I feel free to express my feelings. Sometimes people see movie stars and say “wow”. But what did they do to get that? They just act that is common, but Srila Prabhupada, you brought something new to this world. If I was him, I would not be worried if I died early because, I would be satisfied with job I did. If you did not bring in this change, no one would have known who Krishna is and would continue the journey towards ignorance. You had to go through so many troubles to spread the knowledge of Krishna. Yet you faced all the troubles to tell the truth. You are one of a million, You are the best, That is Sri Prabhupada. With my feelings,

Your servant,

“Guru krupa Krishna mile, Krishna krupa guru mile”

Above golden word applies to our family, your commitment towards your guru Srila Bhakti Siddantha Saraswathi Thakur is what inspired us, in spite of all difficulties and obstacles you landed in USA to preach Krishna consciousness on the instruction of your Guruji and stood firm by his words.

I still remember that in one of the Q/A Session a devotee asks how much time it takes to become Krishna consciousness and you answered in fraction of second **“Just by surrender to Krishna”**.

Dear Srila Prabhupada, your instruction of building ISKCON temples throughout the world is being followed by devotees and we have one in mysore “Krishna Balarama Temple” and it is coming up by in massive scale as "Nava Brindvana Dham".

One of the instruction you gave all devotees was “every devotee home should be a Temple” because of that we have Jagannath in our home by our Guru's Mercy - All glories Srila Prabhupada

Srila Prabhupada, I understand that you are very particular about punctuality and cleanliness. As your instruction of serving Krishna prasad to all devotees is very grateful and now the same is extended to many through “Akshaya

Patra". To give Krishna's mercy to all living beings, you made the practice of chanting and conducted Rathayatra festivals bringing the deities to door to door, by which all people can avail this opportunity and enjoy prasadam.

Please keep us under your shelter and help us progress in Krishna Consciousness.

Dear Srila Prabhupada,

Please accept my humble pranams to your lotus feet.

I am grateful to you for showing me the right path to serve Lord Krishna, the Supreme Lord. I am coming to ISKCON Temple and learning the purpose of life through your teachings.

By your mercy, I am going to temple, attending the classes, sankirtan and having the delicious prasadam. Please show mercy on me to lead right path. You have written many books in such a way that a child can also understand it by reading. I feel like you are talking to me and my questions are answered through it.

Thank you very much Guruji, my pranams to your lotus feet. Please accept it and also show mercy on all the souls like me who are in ignorance.

“I was born in the darkest ignorance, and my guru, my spiritual master, opened my eyes with the torch of knowledge. I offer my respectful obeisances unto him.”

Just like we go to school to learn and cultivate knowledge, we have teachers at school, to teach us how to read and write. In the same way without your teaching, Srila Prabhupada, we won't be able to know Krishna, The Supreme Personality of Godhead.

Without your dedication in spreading Krishna consciousness, Srila Prabhupada, we wouldn't have got the chance to hear about Krishna's beautiful teaching. Because of Krishna's mercy, we have you as our guru to guide us, shows us that we are all servant of Krishna, and we can go back to Godhead by chanting the holy name.

Dear Srila Prabhupada,

Please accept my humble obeisances in the cooling shade of your lotus feet on this most auspicious anniversary of your divine appearance in this world.

I had the great fortune of coming in contact with the devotees. My family and I were in ignorance, we were blind of what we were doing before, and suddenly you opened our eyes with the bright light and showed us the path of spirituality. We were so lucky to come in contact with you, who can deliver us from delusion. The books which you had given to us as a gift, the Maha Mantra which you gave us to go back to godhead - are the keys which you gave to everyone to come out of this material world and to go back to our real father Lord Krishna.

You took so much of struggle to preach all of us about Krishna consciousness. There are some problems in my life which I couldn't share with anyone except you and my lord. I have full faith in you. So I am not at all worried about these material problems. Only I need is to surrender unto you. You are the only spiritual master whom I cannot forget throughout my life. There are many things to tell about you which is impossible for me to express them in words. From this second onwards, I make a commitment to you that, I follow your principles. If I am misguided, please bring me to the real path again.

The struggle to complete your mission showered a divine compassion which paved a path of devotion showing our lives true MISSION.

Engrossed in the fantasy of world,
Mounted on the chariot of senses,
Seeking the mirage of happiness,
My mind is revolving again and again.

Struggling in the whirlpool of desires,
Sinking each and every moment,
My soul is searching for an anchor in desperate,
To escape from rings of waves!
You walked into my life
To dispel the deepest Ignorance
Alas! Puffed up with ego,
My heart has fragile faith.
Why are you so merciful My Lord
Despite I am ignorant and naive?
Why are you so compassionate My Lord
Despite I am evasive?
Why do you love so much My Lord
Despite my depraved heart is unqualified?
Your grace is magical,
This takes us to eternity!
Illuminate this servant's heart
With the lamp of your divine grace!
O Master! I'm your puppet
Now I'm in your hands,
Give me your divine shelter
Lead me to the path of devotion.
All glories and glories to Srila Prabhupada!

Dear Srila Prabhupada,

Kindly accept my humble obeisances at thy lotus feet.

I am incapable of glorifying your infinite mercy on your devotees across the world. Still I take this opportunity to glorify the mercy, which you have bestowed, not only upon me, throughout the whole world, through your books, discourses and association of devotees.

With many unanswered questions, confusions and in ignorance, right time I came in touch with your movement in a small house at Gokulam. A person invited me into the house, where I saw my beloved Lord Krishna being worshiped. The Sankirtan, Bhagavad-gita discourse, your humble devotees and Prasadam, have changed my vision toward my life.

By your mercy, by your books, you have made me understand the purpose of my life, the goal of my life, “The Absolute Truth, i.e. Krishna” and the path to reach that goal, “The Hari Nama Sankirtan” and many more.

Through your books, you have answered my questions and infused new energy into my life. Your mercy has made me feel, Krishna’s presence in every walk of my life. Irrespective of a person’s religion, cast, gender, nationality, social status, you have given everyone equal opportunities to serve the Lord through your Organization, which makes ISKCON a unique temple.

Oh my master, it is 15 years since I am in association with you and your disciples. Still I have not made tangible progress in my spiritual life as directed by you. Kindly strengthen me to keep up my sankalpas, which I break often. Give me strength to chant sincerely, attend Temple program’s and read your books regularly.

I thank for all the opportunities you have given me to serve your beloved lord and his devotees.

Your servant, Bhaktin Dr Jayashree R

Dear Srila Prabhupada,

After coming in touch with Krishna Consciousness, I changed a lot from having material inclinations to having spiritual inclinations by chanting Holy name and singing Kirtans. Srila Prabhupada, you gave us the awareness of Lord Krishna, I as your servant thank you for giving us this knowledge of Hare Krishna Mantra and following the teachings of Chaitanya Mahaprabhu.

Please help me in becoming a better devotee. Srila Prabhupada, I thank you once again for giving so many wonderful spiritual books, Kirtans and Prasadam. I come to temple every Sunday and participate in festivals also.

There are lots of devotees influenced by you. You started ISKCON with just 40 rupees and built a worldwide movement making people believe in Lord Krishna and accepting Him as Supreme Personality of Godhead.

By your little servant,

Sri Gurubhyo Namaha,

Srila Prabhupada, You have taught me many important qualities in my life. Some of them are:

- a) how to maintain my accounts (spiritual & material) well.
- b) how to be punctual in life.

I am really fortunate to be in association with ISKCON. It has taught me the Bhagavad-Gita and Bhagavatam. Because of your mercy, I am doing Aarti, Chanting and singing Kirtans. This has helped me overcome my anxiety and stress about my studies. Chanting the Maha Manta has helped me improve my concentration.

Jai Srila Prabhupada

Om Sri Guruve Namah,

All glories to Srila Prabhupada.

O Gurudeva, I always remain grateful to you for having showed me the right path of Krishna Consciousness. You have gifted to the world ISKCON University, which gives the degree of pure bhakti. This university has stepped into Mysuru city also. Please bless us that it should come up fast so that future generation will be fortunate.

Through ISKCON a great job of preserving our heritage culture is being done. I remain indebted to you for all your help. Please bless me so that I can follow your instructions more seriously. I am still a creeper, I need your support to grow on this path.

Please help me in kicking my laziness out. Kindly empower me so that I can give priority to chanting. Please guide me in every step of life and bless me not to deviate from spiritual path.

I pray and beg your mercy to hang on to the association of devotees in your movement and continue to make progress towards going back to Godhead.

From depth of my heart trying to remain always faithful to you.

Dear Srila Prabhupada,

Kindly accept my humble obeisances at your divine lotus feet on this most auspicious day.

Gurudeva, I am not eligible to write about a great personality like you. Your presence in my life has given a meaning to my life. As it is said that the human form of life is there to understand the Supreme Lord Sri Krishna. But without your mercy one cannot make a tangible advancement in spiritual life. I once again surrender unto your lotus feet.

Your servant, Bhaktin Mohaneshwari

Dearest Srila Prabhupada,

Please accept my humble obeisances.

Firstly I would like to thank you for creating ISKCON. The platform of linking myself with the Supreme personality of Godhead. ISKCON has entirely changed my life. From what I eat to what I think. Because of you, I realized the value of Prasadam and honestly now I can't have anything besides Prasadam. Because of you I realized what really matters in life. Because of you, I realized that true happiness doesn't lie in material things and it is with the moments you spent with your Lord. I realized that other than Krishna everything and everyone is temporary. Your books and you have thought me something that even most of the highly "educated" men are not aware of. Thank you so much dear Prabhupada. Without you in our lives, all of us would have been ignorant individuals who would not have a clue about Krishna, the Supreme Personality of Godhead.

I agree that at some point of time because of studies etc., I couldn't finish chanting. I got deviated from the divine path of Krishna consciousness, I couldn't attend festivals at the temple, and I totally got disconnected. But because of your mercy, now I can finish my chanting every day, you got me back towards the lord. Thank you so much. You have always been there to keep me in touch with the lord. That is your power and the power of Krishna consciousness.

And lastly, thank you so much for bestowing so much mercy on me so that I can serve you and Krishna, through making garlands and through cooking. I am always enthusiastic to cook or bake for Jagannath, Baladev and Subhadra and not to forget Laddoo Gopal in our house. Serving them makes me so happy.

Thank you so much dear Prabhupad! I don't have enough words to thank you. You being in my life has transformed me into a totally new and different me. You are not just a teacher, you are an awakener.

Hare Krishna,

Firstly to start with, I offer my respectful, humble obeisances unto the feet of my guru His Divine Grace A.C. Bhaktivedanta Swami Srila Prabhupada, who has given the knowledge of Krishna Consciousness to me.

Prabhupada, you are the founder acharya of ISKCON temple. You have travelled out of the country by ship when you were 69 years old. On your journey, you had many problems and you also had undergone two major heart attacks. Even though you had to face all these problems, you never got back in order to fulfil the words of your spiritual master Srila Bhaktisiddhanta Saraswati Thakur. Then when you reached foreign country, you had very less amount with you. But still, you managed to stay wherever you can and do sankirtana. You yourself cooked bhoga and offered it to Krishna and distributed it to the people who had gathered for Sankirtana. You used to give lectures all of which were recorded and I listen to them now. Your lectures have answers to many of my doubts. I feel very happy and blessed that by your grace, I am here today. If you had not blessed me with Krishna Consciousness, if you had not given this knowledge to me to understand Krishna and let me involve myself in the Krishna's service, what would have been my plight? May be that I would had lost in this material world thinking that this is the happiest place and enjoying it materially.

But, I am safe under your shelter because you have given me knowledge to know what is right and what is wrong, what should I do and what should I not do at this age. Finally to end with, the most important thing that we can learn from you is the strong determination in fulfilling the words of the guru. You have established 108 temples all around the world and enlightened many of poor souls like me and took them in a right path. You gave time for everyone, even for a child. I am very happy that I am under your shelter and I am always ready to serve you.

Most importantly, "Hare Krishna Hare Krishna Krishna Krishna Hare Hare, Hare Rama Hare Rama Rama Rama Hare Hare", you made us chant this Hare Krishna maha mantra which reduced our sins and took us in a right path.

Thank you Prabhupada, I would definitely use this occasion to express my gratitude and ask for your blessings.

Hare Krishna

My Dear Jagad Guru Srila Prabhupada,

On this auspicious occasion of Vyasa Puja, I bow down to you and offer my humble obeisances unto your lotus feet. All glories to Srila Prabhupada.

How many ever times we say this, it isn't enough for a Jagadguru like you who taught us the real goal of our life which is to go back to the abode of Lord Krishna, Goloka Vrindavan and the sincere Japa or chanting of Hare Krishna Maha Mantra on beads which is the ticket to Godhead.

Your words are my real strength. Dear Prabhupada, I am very very fortunate that a fallen soul like me has come under your shelter and guidance. Please forgive me for all my mistakes. Please show your mercy upon me and let me chant more rounds of Hare Krishna Maha Mantra more sincerely and read more of your books and let me not deviate from Krishna Consciousness life. Please give me Krishna Bhakti, determination and spiritual strength to come to you.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to your Divine Grace.

As I sat down to write this year's Vyasa Puja offering, I considered “What is the essence of what I am feeling? What do I really want to say?” I kept coming back to the same themes. Desiring to be succinct, so as to not lose focus, I started those themes in the form of four questions. I then thought, “Rather than responding to these questions with my own imperfect expressions, wouldn't it be sweeter and more valuable to quote from sastra and from our acharyas?” with the above as an explanation. Here are those 4 questions and answers.

IF YOU HAD NOT COME, WHAT WOULD HAVE BEEN THE DESTINY OF THIS WORLD?

“O King, religion, truthfulness, cleanliness, tolerance, mercy, duration of life, physical strength, and memory will all diminish day by day because of the powerful influence of the Age of Kali”. [Srimad Bhagavatam 12.2.1]

BEFORE MEETING YOU, WHAT WAS MY OWN CONDITION?

“I was born in a low family, and my associates are all low class men. I myself am fallen and am the lowest of men. Indeed, I have passed my whole life fallen in the well of sinful materialism.” [Caitanya Caritamrta Madhya 20.99]

“In this world there is not a single abominable deed I have not done thousands of times. Now that my sins are bearing fruit, and I have no place to turn, I come before you and cry out, ‘O Mukunda!’” [Sri Yamunacarya’s stotra – ratna, 23]

HAVING TAKEN SHELTER OF YOU, WHAT IS MY DUTY?

Lord Caitanya said, “I am the only gardener. If I do not distribute these fruits, what shall I do with them? How many fruits can I alone eat?” [Caitanya Caritamrta, Adi 9.37]

Lord Caitanya ordered, “Distribute this Krsna Consciousness movement all over the world. Let people eat these fruits and ultimately become free from old age and death.” [Caitanya Caritamrta, Adi 9.39]

HOW CAN I EXPRESS MY GRATITUDE FOR THE LIFE YOU HAVE GIVEN ME?

“My Dear Lord.... because of my association with material desires, one after another, I was gradually falling into a blind well full of snakes, following the general populace. But your servant Narada Muni kindly accepted me as his disciple and instructed me how to achieve this transcendental position. Therefore, my first duty is to serve him. How could I leave this service?” [Srimad Bhagavatam 7.9.29]

“The line of service As drawn by you Is pleasing and healthy Like morning dew. The oldest of all, But in new dress Miracle done, Your Divine Grace.” [Srila Prabhupada Vyasa Puja Offering, 1935]

CONCLUSION

Given the above questions and answers, how could I ever leave your service, Srila Prabhupada? Rather, let me always remember my incalculable good fortune and spend my remaining time learning the art of surrender and service from you.

Dear Srila Prabupada,

Please accept my humble obeisances unto your lotus feet. Somehow by your grace I am blessed to know about Krishna consciousness in a young age. No one could have made the highest gift of human life so easily attainable with your mercy. I started chanting, reading and attending temple programmes.

The initial days in Krishna consciousness were very pleasing. As days going on the test of Maya, now started. By this, maintaining to do japa and read books became a challenge to me.

Every time, Maya would influences me with some material nonsense. But somehow, now at the present, by your mercy I started **practicing** Krishna consciousness. I pray to you that, somehow give me some more concentration on Krishna consciousness whole heartedly. Once if someone comes under your shelter, they are ever protected and never again fall into this material world.

Srila Prabupada, Today I chant because I want to chant. Please forgive my wrong things done in Krishna consciousness. I pray to you Prabupada, that I want to come out of this Maya world and to become your devotee.

Dearest Srila Prabhupada,

It is indeed an honour to get an opportunity to convey my feelings for you.

Even a million thank you will be too less for what you have done to make this world a better place by introducing Krishna Consciousness to mass of people

The biggest gift Krishna could give us is you! You are like the rope that we hold so firmly to reach to the supreme and to come out of this dark well of illusion. My deepest gratitude to you for helping us get closer to Krishna through ISKCON.

Through your simple yet beautiful translations of Srimad Bhagavatam & Bhagavad-gita has transformed my life. It is through you, I have learnt the real meaning of life is to chant the holy names of the Lord and it is through you we learnt to feed all those who are terribly in need of food and more of the knowledge to know the Absolute Truth.

It is true that when we chant Hare Krishna, we feel so happy.

Thank you Srila Prabhupada.

To our dearest LIFE SAVER, Our spiritual master His Divine Grace Srila Prabhupada!

My heart full gratitude to you gurudeva, for helping us realize the 'REAL' goal of life "Sri Krishna". For now all the materialistic enjoyment have begun to feel 'rubbish' & a waste of time. Such is the transformation - which only you have brought to us!

Thank you for guiding and teaching us on how we can be closer to Krishna through the medium of chanting and kirtan. We can't get luckier as we have learnt our culture through ISKCON in its most authentic form rightly passed on by Chaitanya Mahaprabhu.

I still wonder and awestruck by your determination to write so many priceless books at an elderly age, with minimum sleep & rest! My humble obeisances to you gurudeva!

Your endless effort and love can never be thanked enough for, just hoping to seek your BLESSING by helping us chanting more effectively and please bless me to always have "Krishna" - the magician in my mind forever!

Immense LOVE & respect forever indebted to you.

Dear Srila Prabhupada,

You were the person who inspired me in spirituality. You were so daring and courageous. I am blessed to practice Krishna consciousness from the time I was a small kid. When I was a small girl ISKCON was just a place of worship for me where they gave tasty food, but when I heard Krishna's and your stories I was spell bound and astonished. Chanting was difficult and even putting a tilak on my forehead was difficult. You travelled to America at that old age to spread the name of Krishna, so I thought why I shouldn't chant atleast two rounds a day at this age and understand why I should put a tilak. I then realised how good I feel after chanting. Even in that cold winter in America, you preached to many people and never forgot to chant and spread the holy name of Krishna. This inspired me a lot when I saw the movie of yours.

You were so great. You prepared delicious Prasad with simple fruits in the beginning and now it has spread in the form of 'Akshaya Patra' filling most of the children's stomach with tasty food. Even my mouth waters when I eat the Kicchidi Prasad every week. You also taught us to love Krishna at any cost. You told us wonderful Krishna's stories which inspires me a lot. I love Krishna Janmashtami because you made it ceremonious and also the 'Ratha Yatra' where all devotees enjoy the most by singing Kirtans and dance out of joy.

Thank you so much for showing me the path of reality.

You are the light at the end of a tunnel where we wait to reach the spiritual abode of Krishna.

THANKYOU SRILA PRABHUPADA, THANKYOU MY SPIRITUAL MASTER!!

My Dear Srila Prabhupada,

What can I pen down to you? You can understand my sorrows happiness and all the emotions of this life, I am like an open book to you. Whenever life gives the twist and turns you have always helped me to derive happiness with the service to my Lord, whatever little possible by me. You always have made me think as to how best I can use new ways to serve the Lord. I have experienced it in my real life situation the unlimited happiness that has been derived from the materialistic sorrows is very high and very precious to me.

Though born into a family of traditional upbringing and considering the Almighty to be a part and parcel of my life, little did I know the happiness derived from serving the Lord. Initially, I had the privilege of serving little darling Laddoo Gopal. Then with the help of one devotee, I had the happiness of getting Lord Jagannath in my home. Now they are a part and parcel of our life. Little did I know before coming in contact with true devotees that they will all change my life.

When I was in a trauma having conflict in life with my so-called brother who discarded me like a tissue, you were so courteous to replace the right brother LORD JAGANNATH, BALDEV AND SUBHADRA MAYYAA in my life who healed me very quickly from the pain and showed me that He is the right protector and guided me throughout in great decision. As told by great devotees around me who have guided me in the right direction, that praying to Krishna should not be an emotional thought, but should understand him thoroughly and love him, is the only way and the right way to real happiness.

I have experienced great love from Jagannath, thank you Srila Prabhupada for the right path in leading a lost soul like me into the bright light. All under your able shelter. I would always like to rest my head under your feet so your graceful glance shall be bestowed upon me. You are very kind to have showered me with blessings to serve the Lord in giving me new challenges and helping me to serve him and to always make me remember that however I move or wander away I am sure you, as my Guru will always ensure that I take the right path.

I have no doubt Srila Prabhupada, as one great devotee in my life, whom I met only because of you has rightly said, that once you come under the shelter of Srila Prabhupada, he will ensure that he will never let you deviate from the right path. She has also told me that without my telling you, you understand every thought of mine, true as it is I can experience it by you helping a soul such as me. This year, due to so many materialistic problems I could not see Jagannath on Ratha during the Ratha Yatra festival, even when I was asked to join other devotees to go to the Ratha Yathra festival in Bangalore, you sent Brother LORD JAGANNATH, BALDEV AND SUBHADRA MAYYAA near my house, thank you Srila Prabhupada. My "thank you" list to you is very big and will never end. Whenever I try to see you anywhere at the temple or elsewhere, I always have the desire to do the garland for you. I am so happy for I am able to do it for you. I never thought in my wildest dreams that I would be able to touch the flowers that is offered to you.

Please help me to diligently serve Lord Krishna and always remain in your shade, for I know very well if I come out of your shade I am going to burn, like how a flower withers away by the heat of the flame.

Dear Guruji,

Thank you. It is because of your blessings, I am able to chant Hare Krishna Mahamantra regularly without fail. I am very grateful to you for showering your mercy on me to experience and taste the joy of Krishna consciousness.

There were times where I faced lot of sufferings. It is through your teachings, you made me understand that, "When there is suffering given by Krishna, a devotee does not take sufferings seriously. A devotee thinks, it is the favour of Krishna that He has put me into suffering". That is a devotee's vision.

Thank you for always keeping me motivated all through and help me understand to always depend on the mercy and favor of Lord Krishna, than depending on others. I request you to always keep enlightening me on the growth of my spiritual advancement. Hare Krishna.

Gurudev! Thanks for your causeless mercy.

Dear Prabhupada, as you said according to scriptures, the spiritual master is as good as the Lord and you have stepped into my life and made my path clear to reach God's abode. Dear Srila Prabhupada,

The appearance day of my spiritual master - Srila Prabhupada, the founder-*Acharya* of ISKCON is celebrated as Vyasa Puja. Srila Prabhupada, you were born in 1896 on the day of Nandotsava, next day of Sri Krishna Janmashtami.

Most of the devotees participating in this Vyasa Puja occasion get Kachoris to offer to Srila Prabhupada. A bonafide Spiritual Master coming in this line of succession descending from Vyasadeva is considered as representative of Vyasadeva.

Srila Prabhupada, you are the 32nd Acharya in the disciplic succession and your disciples observe your appearance day as Vyasa Puja and perform grand abhishekam and Prasadam is distributed.

Srila Prabhupada, by your mercy I am chanting, singing and dancing for Sankirtan.

Dear Srila Prabhupada,

I am very thankful to you for guiding us about the true essence of our life.

I am 48 years old and until the age of 45, Lord Krishna is the Supreme Personality of Godhead, the Ultimate Truth was unknown to me. I did not even know the difference between Bhagavad-Gita and Srimad Bhagavatam. It is after our association with you through ISKCON, that we have understood these Holy books.

We are very thankful to you for establishing ISKCON society which enables us to get the priceless association of devotees and visiting the temple for our family has become a personal practice.

The system of distribution of prasadam which is started by you is a wonderful way to attract the ignorant mass and make them Krishna Conscious.

You are the bridge to reach our ultimate goal – Krishna.

My respectful obeisances to Guru Srila Prabhupada who changed my life upright.

I have had a roller coaster ride this year and it has been possible to survive only with your blessings and teachings. Abiding to them has drastically made an impact on everything that I am today. My mother introduced me to the temple and you introduced me to the whole lot of exposure driving towards the spiritual life. You have created the impact that's inseparable from me now and for the days coming.

I can't be thankful enough for things that I have now for which I prayed to you all along the way. Thank you for always stressing one thing, chanting the holy name Hare Krishna Maha Mantra is a nectar to the soul and to the tongue. I'm grateful to you for showing the path to touch the lotus feet of the Lord. You have been the guide and the best mentor. Thanks is just another word, but I can't describe enough to thank you for everything. I'm blessed with life to hear your teachings and follow your instructions that paves way to reach the Lord.

I was born in the darkest ignorance, and my spiritual master opened my eyes with the torch of knowledge.

I offer my respectful obeisances unto him.

Dear Srila Prabhupada,

Thank you very much for always being with me. Though I lost my material father at an early age, you stood at the place of my father and directed me throughout my whole life. It was your books and lectures which brought me

close to you day by day. Moreover when I started adhering to chanting 16 rounds of Hare Krishna Maha Mantra everyday and strictly following the four regulative principles, I could personally feel your reciprocation in my life. And whenever I go to bed with a wish, I could see it fulfilling soon, like a father fulfilling his daughter's wishes. In the past, whenever I changed places and went away from your association, I could see you sending devotees to bring me back to you.

Prabhupada, the past one year has been one of my best years in ISKCON. Reasons being, I got a wonderful change to tie garlands for their Lordships for years because of which I began to appreciate the beauty of the lord more and more.

Secondly, I got the wonderful opportunity of my lifetime to distribute your books to my community people. It was a long lasting desire for years to distribute your books at my place. And this year, the dream became a reality and we were able to distribute hundreds of your books for a week's festival at my town.

Srila Prabhupada, I humbly request you to give me strength to overcome material affinities so that I can perform my services better and remember Krishna always.

Thank you Srila Prabhupada, Bhaktin Sugandi

Hare Krishna,

First of all my humble pranams to our spiritual master Srila Prabhupada.

It is my immense pleasure to express my gratitude to you on the occasion of your Vyasa Pura ceremony.

The great movement ISKCON started by you, Srila Prabhupada is an eye opener of the spiritual knowledge to the mankind. Following the four regulative principles of No Intoxication, No Meat eating, No Gambling, No illicit sex and Chanting the Hare Krishna was preached boldly by you. You stressed these to be followed by each and every person of this human society.

The Chanting of Hare Krishna Maha Mantra purifies our mind and it vanishes all the sinful reactions of the past. All the books written by you like “Bhagavatham”, “The Bhagavad Gita As It Is” also is a boon to this mankind. Please bless me so that I can read and hear lectures on this transcendental literature to purify myself soon and also become eligible to return back home, back to Godhead.

You taught us that following the instructions of Guru means, following the instructions of Lord Krishna only. Only by following your instructions sincerely, our life will be successful and achieve the goal of our life.

Today, I am also in the part of this movement by your causeless mercy Srila Prabhupada. All the benefits I am getting today is all because of you and the association of devotees. I once again thank you, Srila Prabhupada, for whatever you have given me and humbly pray to you to keep me always under your shelter.

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet.

Prabhupada, you introduced the chanting of holy name of Krishna which is religion for this Kali Yuga. This is the only process of self realisation which you gave for this age.

As you told, the other processes like meditation, big homa and building temples are not practical for this age. You told that one starts developing good qualities and that can seen in saintly person by chanting.

Prabhupada, I need your mercy always upon me. I want to be in Krishna Consciousness Please bless me.

Thank you Prabhupada,

Your servant, Bhaktin Vaishnavi K, 5th Std.

All glories to our Savior Who delivers the most precious Casket of treasure

Dear Prabhupad,

You heartfully uncovered to us a peaceful condition

A adorable lost relationship, with our beloved Lord Krishna.

You awakened the Real Ego in us,

And taught us that life is nothing more than a love story-Between us and our beloved Lord Krishna.

“All glories to our Savior Who delivers the most precious Casket of treasure.”

People in general live to impress their so-called Friends, Relatives,

Near and Dear ones. But, You are exceptional, Dear Prabhupad!!!

You lived a life to impress - The Creator

And not the Creation.

“All glories to our Savior Who delivers the most precious Casket of treasure.”

You took the risk at the age of Seventy, sat in Jaladhuta

Sailed afar to revive us all to eternal platform of Spiritual bliss.

Detached from material Sense gratification,

You brought about the original brightness of - Krishna Consciousness.

“All glories to our Savior Who delivers the most precious Casket of treasure.”

Krishna says: He dwells in everyone's Heart

But, I wonder it would have been ideal, if You too had seated in our hearts,
And while Krishna sanctioned our sinful acts at our own risk,
You could take charge and direct us back to- Path of Self-Realisation.
"All glories to our Savior Who delivers the most precious Casket of treasure."

We always misinterpret that serving according to our-
own whims and craves will give Krishna Pleasure.
But you never got fascinated with such notions
You unfailingly contented The Lord
enormously according to His propositions.
"All glories to our Savior Who delivers the most precious Casket of treasure."

Your service of translating the predominant Scriptures
The Bhagavad-Gita, Srimad Bhagavatam,
Writing books, publishing magazines, delivering lectures,
Propagating without compromising as your Spiritual master desired
All these has brought immense pleasure to Krishna.
"All glories to our Savior Who delivers the most precious Casket of treasure."

I have realised by studying your Books
That I have been foolish in choosing this material world
Evacuating behind our beloved Krishna.
Now I want to pacify Him
As best as I can and never leave Him again.
"All glories to our Savior Who delivers the most precious Casket of treasure."

He has proven Himself to be faithful
By appearing again and again
In this material world for our welfare.
But I have proven myself to be unloyal
Everytime I took birth here.
"All glories to our Savior Who delivers the most precious Casket of treasure."

But now that He has mercifully sent

A compassionate deliverer – Our Prabhupad

I want to hold on to You, I am the most fallen

I beseech your protection Prabhupad.

“All glories to our Savior Who delivers the most precious Casket of treasure.”

I am fully surrendered unto you, Prabhupad

Please let me be Puppet in your Hands

You take full charge of me and make me eligible

To go back Home Back to Godhead

In this very life.

“All glories to our Savior Who delivers the most precious Casket of treasure.”

Bhaktin Vijetha Srinivas

Dear Srila Prabhupada,

“Thank you” Srila Prabhupada for creating a spiritual world by name ISKCON in the midst of this material world. I happened to read a book and watched a documentary on how you have struggled to bring Krishna consciousness to the common people. All glories to you Srila Prabhupada for taking such a big risk, if it would not have been you and your sincere efforts and special mercy of the Lord, then I would not have been a part of ISKCON temple. You brought Krishna into my life meaningfully who gives me inner strength to face odds in my life.

Sometimes, I experience a big war happening between good and bad within me. I am perplexed and do not understand what should I be doing. When I see children who are differently abled and their caregivers, who are

profoundly suffering, I wonder the concept of karma. Is it true that the concept of karma exists? If it exists then how it operates and how to unbind ourselves from it and help others especially the ones who have the human form of life but it of no use for them. I am searching for answers to these questions. When I come to the temple and listen to Sankirtan, I get a feeling that all the accumulated impurities are getting slowly wiped off from my heart. Association of devotees helps me to know how I should not be leading my life. I feel at home and savor the solitude in the midst of devotees. I get the source of inspiration, a desire for a higher purpose of life and a motivation to face the challenges of life from you and your pure sincere disciples who have dedicated their lives to Lord Krishna. Hopefully, over a period of time, I overcome the unwanted qualities within me.

Recently, I had been to Ahobhila (Lord Narasimha's temple) with ISKCON Mysore devotees, it was a blissful spiritual trip to the core. When I was climbing Ugrastamba, I felt that someone within me is motivating me to climb up. One most important realization on the way I had deep in me was - it is not at all easy to understand God and reach HIM. I felt it is the toughest among all the processes of life. I would need very special mercy and blessings. I understand I have a long way to go and am still taking baby steps. Hope you would shower your special mercy Srila Prabhupada and help me to reach the Lord.

ALL GLORIES TO YOU PRABHUPAD! JAI SRILA PRABHUPADA,

Your humble servant,

Bhaktin Vijetha Srinivas.

My Dear Jagad Guru Srila Prabhupada,

Thank you very much for your love, care and guidance. Give me your special blessing and guidance throughout my life.

Dear Srila Prabhupada,

Please accept humble obeisance of this unworthy insignificant servant of your servants at your Lotus feet. I am very fortunate as your disciple as Krishna is cause of all causes, but your mercy is causeless and continuously flowing for this unfortunate soul. This material world is full of cause and effects but it's your mercy only which is causeless. Neither I have to search, nor have I to pay anything for that. I know you can deliver anyone but thank you for choosing me as a little servant at your lotus feet. Your Lotus feet are the only destination and shelter for the whole world. Please help me and give enough strength so that I can satisfy you as my only master and I can satisfy servant of your servants. You are my spiritual father and your mercy is my only strength to do any spiritual activity. After a long wait we finally get your blessing this year to be take shelter at your lotus feet which is cause less mercy of your devotees who feels us have little qualification to help a little in your mission. I know I am not that qualified, but you are so great to accept a fallen soul like me. I was always doubtful in all the past years when you will accept me as disciple, but I have a faith one day my master will be definitely shower his causeless mercy. This year is memorable, and this time is memorable as I got my real father and I got my real birth. I have no regret of my past life or birth which is uncountable, but I am looking forward and sure my father is holding my hand every time. Whatever past is gone and whatever is coming I wish to serve you and your mission with full attention. Please give me your blessing to help as a little servant. My heart is not clean which is full of pride and weakness for this material world. This body and mind is contaminated, and cleaning is impossible without your mercy.

Three years back I was no-where, lost in the material world, chanting few mala and without any reading and association. Then I get in touch with your soldiers in the west. They are the real hero of your mission and your mercy flow through them continuously for last three years on this unfortunate soul. That changed my life, slowly I can able to chant and get association and read your books daily. The direct mercy started flowing I got little strength to read Srimad Bhagavatam. I could help little in your mission but still more is there. Your mercy is required my master to do something more. Life has no interest except your mission. Please give me strength of your mercy and association of your devotees to serve your mission, serve Sri-Radha-Gopinatha. You can only empower, you can only make possible this impossible target. Please remove my material hankering and just punish me as my real father. My life is dark in past you gave me light now, you lead my future and help me walk behind you and follow your instruction. Waiting for your mercy to server you more and more and better in the coming days till I breathe last.

Yours Servant of your servant

Dear Srila Prabhupad,

Please Accept my humble Obeisances at your Lotus Feet

All glories to you dear Srila Prabhupada

It had been an incredible journey since an year dear Srila Prabhupad. The Whole year was filled with memorable experiences which I can relish throughout my life. The most important of those is that You accepted me as your disciple(Hari Nama Diksha) and then gave me Brahmana Diksha. This is The greatest event of my life. I had been waiting for nearly 8 years to get initiation and last November, it was fulfilled. Thank you Dear Srila Prabhupad for

showering your causeless mercy upon this insignificant soul, although I'm not at all qualified/eligible for it. Now I completely depend on you to give me more spiritual strength to maintain the standards, to strictly follow your instructions and never deviate from this path of Krishna Consciousness which is sudurlabha.

Dear Prabhupad, You gave us the most beautiful & adorable deities Sri Sri Radha Gopinath to worship. Gopinath is so intoxicating - his soft Lotus feet, his smile, his eyes, his beauty - he is so mesmerizing. In Chaitanya Charitamrita, Madhya Lila 13.50 - you mentioned - that "Krishna is known as Madana-mohana, the enchanter of Cupid". Now I understand what this means and also the meaning of Krishna i.e All Attractive. In the same purport, you continued - "but Srimati Radharani is the enchanter of Krishna. Consequently Srimati Radharani is called Madana-mohana-mohini, the enchanter of the enchanter of Cupid." Whenever I see this divine couple, all my anxieties subside and their divine darshan gives me peace & pleasure and also hope to overcome any bad situation. Materially, it's a great dream for common people just to see & meet the most beautiful/handsome celebrities around the world. Recently, I had seen People travel great distances to see/meet celebrities and they become crazy if they get a chance to shake hands with celebrities or if the celebrity sees them, which is however not guaranteed. But, What a great fortune you gave me dear Srila Prabhupad. You gave me the opportunity to see & meet the TRUE CELEBRITY of this Universe(Sri Sri Radha Gopinath) everyday, without travelling any great distances and a Guaranteed look from Gopinath on me. Furthermore, you bestowed upon me direct Diet service to the Lord. Everyday I get the chance to serve the most adorable divine couple. My happiness has no limits when I think of this boon that you bestowed upon this unqualified servant.

Dear Prabhupad, along with the Deity service, you also engaged me in 1. Cooking Rajbhog, Dinners & Breakfasts for their Lordships, 2. Conducting Festivals for their Lordships, 3. Conducting Krishna Ashraya Programs in houses, 4. Cooking for Sunday feast programs, 5. Performing Samskaras, and thereby engaging me all the time in Krishna's Service. Every service of yours is so enjoyable, satisfying and relishable.

Dear Srila Prabhupad, it is your causeless mercy that you had engaged me in your service, but I'm in an insignificant fool trying to serve you with so many inabilities, mistakes, imperfections, false ego and yet you gave me opportunities to serve you again & again.

Your mercy has transformed millions of people in this world who have accepted and followed your instructions strictly. However I'm lagging behind in accepting your mercy due to my lethargy, laziness and lack of spiritual strength. I beg at your lotus feet to give me more spiritual strength to overcome all weaknesses and be eligible to be called as your disciple.

I beg for forgiveness for all the Offenses that I committed knowingly or unknowingly in trying to serve you with my impurities & false ego.

Your Unworthy Servant

Baladeva Vidyabhushana Dasa

Gokulavasini Devi Dasi

Dear Srila Prabhupada,

Here comes the most auspicious day, O! My dear eternal father. Your appearance in this world is the most glorious event in the history of this universe. It is an extreme sentimental, emotional and proud moment for all your Children/ Disciples all over the world to write an offering unto your lotus feet.

Srila Prabhupada, I really am falling short of words this year while writing this offering. When your Divine grace came to West in 1965, you causelessly gave Krishna Bhakti and Krishna Prema to Mlecchas, Yavans, meat eaters, Drug addicts and most fallen people. Similarly, out of CAUSELESS MERCY you pulled me too from a deep well of

ignorance, guided me, supported me, and finally after many years of ups and downs your Divine Grace, you accepted me formally as your daughter/ disciple/ servant last year in November 2017.

Your Divine Grace, you gave me a Spiritual Name Gokula Vasini Devi Dasi. You gave me a new birth, my eternal birth. I genuinely believe that I have no qualification whatsoever to become a disciple of a Paramahamnsa Acharya like yourself. A mind may think otherwise and delude me that I am good enough to get initiated but in reality, there is no other reason but your CAUSELESS MERCY. I have thousands of flaws and still, you accepted me as your disciple.

You mercifully allowed me to touch Arch Vighra of Gopinath. Also, Srila Prabhupada, yourself are allowing me to speak about Krishna every day though I am totally unqualified. This following verse stands so true in my case.

mukam karoti vachalam pangum langhayate girim

yat-kripa tam aham vande sri-gurum dina-taranam

“I offer my respectful obeisance’s unto my spiritual master, the deliverer of the fallen souls. His mercy turns dumb into eloquent speakers and enables the lame to cross mountains.”

Even though I am dumb, you make me speak about your dear Lord every day. I can’t repay you my dear father even in billion lifetimes for giving me this opportunity.

I am extremely thankful my spiritual master for giving me an opportunity to serve Sri Radha Gopinath here in Edison in different ways: online and offline. Being a kind and considerate father and knowing each difficulty of this daughter in Spiritual life, you created so many ways for me so that I can serve Gopinath from anywhere. I feel extremely indebted to your divine grace for this and I have no means to repay your debt.

Please allow this dumb person to continually remain very close to your lotus feet so that I may continue serving you and your mission. Please bless me so that I do each and every service meticulously. Please take away the minutest possibility of mastership mentality from my mind. I own nothing: Knowledge, Skills, and Talent etc. Everything father you are supplying. So please bless me with a genuine mentality of servitorship. Make my mind “dasa-dasanu-dasa”. Srila Prabhupada, I want no “extra life” other than serving in your mission. I always idolize your dear daughter/disciple Yamuna Devi Dasi. Please bless me with the same level of surrender and love for yourself and your mission which Yamuna Mataji was bestowed with. I have balanced material and Spiritual life for a long time, pretending to be a materialist amongst Karmis but I have no desire and strength left now to continue doing that. I want only one life 24/7: Serving my Eternal Father and Lord Krishna. I want to look like a devotee always not only in the temple. I want to talk about Krishna always not only with specific people. I want to wear Tilaka always. I want to serve you in one way or other always. Srila Prabhupada, I want to dress Srimati Radharani and Gopinath every week.

I once read one quote of yours which says”

“If I want I can remove all your obstacles with my one kick”

Please remove all obstacles from my path of service and allow my entire family to serve you and your mission wholeheartedly. What life I will live if I am not able to serve my spiritual master and my Lord.

Srila Prabhupada, in our temple, many souls have taken up chanting Hare Krishna. Your mercy through your Vani is still flowing like an incessant river. We surely miss your physical presence but your powerful Vani, your instructions, guidance and unconditional love is still nurturing all of us as well as new devotees. Srila Prabhupada, please bless all the souls who have taken your shelter through Bhagavad Gita calls and other programs in our temple. We all are completely dependent on your mercy. Please be merciful towards all the core devotees in our temple who work very hard to please yourself and Gopinath.

Please bless my family to become Krishna Conscious and let them taste the nectar of Hari Bhakti.

Thank you once again Srila Prabhupada for accepting me as your disciple/ daughter. Allow me to eternally serve you and Sri Radha Gopinath.

Your Unworthy Servant,

Gokula Vasini Devi Dasi

Nitya Tarangini Devi Dasi

Dear Srila Prabhupāda,

Please accept my humble obeisances. I fall before you to beg that I may always be blessed to serve you.

The months and years go by much faster now. It has been more than thirty years since you physically left this material world. Still, by your grace, I wake every day and rededicate myself to try to serve you. Thank you for blessing us with the light of Krishna Consciousness.

If you would not have given us this wonderful opportunity to serve the supreme lord I would have missed the most important aspect of life.

Time and time again you have shown yourself to be the true messenger of Sri Caitanya. Despite my despair and my foolish thoughts and actions, you have continued to encourage me and give me hope. As Lord Caitanya is patita-pāvana, so are you, Srila Prabhupāda, for you are His perfectly qualified messenger.

The more I say thanks to you the less it seems to me Prabhupada as you are my guiding light. I pray for the mercy of Sri Guru, Gauranga and Gopinath on me always, may we never deviate from this holy path.

My Dear Guru Maharaja,

Dandavats Pranaam.

Please accept my humble Obeisances at your divine lotus feet.

My dearest Spiritual Master, Firstly I want to thank you for getting initiation last year. even I'm not eligible for the initiation.

I can see your causeless mercy upon me. Thank you Prabhupada.

With your mercy, I'm serving the most beautiful deities Sri Sri Radha Gopinath in Edison. While doing services if I do any apnarths please forgive me.

With your blessing I'm able to learn little bit Mirdanga last year.

Please give us the strength to follow Krishna Consciousness more seriously and sincerely. Please help us to understand Krishna and his Leelas. Please make us strong as well to follow this path without any deviation.

Please help us in engaging ourselves in the services of Krishna and to do it more honestly, faithfully keeping all the standards set by You. Please help us in following the 4 regulative principles throughout our life. Please help me in reading your wonderful books daily without any failure. Please give me strength and mercy to overcome my weakness.

It is my sincere request at your lotus feet Prabhupada, to give me the intelligence and strength to understand your

instructions more clearly and also remember those instructions every day so that I can follow these instructions at every step and at every single moment of my life.

Dear Prabhupada you are the representative of supreme lord, for me by pleasing you Krishna will be pleased automatically. you say to all “qualified or not” still I love you. This shows how much compassionate you are on all the falling condition souls like me.

Srila Prabhupada, O Spiritual Master please forgive my all offenses that I have committed at your lotus feet. Jai Om Visnupada Paramahansa Parivrajakachaarya Astothara Shata Srimat His Divine Grace Abhay Charnanaravinda Bhakti Vendanta Swami Prabhupada ki Jai !!

The most fallen Servant,

Satvata Smith Das , Nirmaya & Bhavya Kiriti

Shuddha Sattva Dasa

Dadavatts Pranam! Please accept my humble obeisances to your lotus feet which my abode.

Firstly I am deeply obliged having you have accepted me as your disciple keeping my qualification aside. I even though unqualified you have shown your mercy that how you are patitapavan avatar. I might not have seen your Lila physically t and showered your mercy on the fallen soul when you were personally present. I can experience it personally your compassion on fallen condition soal as you have accepted me as your disciple.

You have again shown your miracle by manifesting on the land of 7 Kilmer Court making yet another chapter of your Lila Amrita. You did not come alone but by you have also brought Radha Gopinath, the Supreme Personality of Godhead, the beloved of all the Gopies on this land. from the Goloka Vrindavan.

In Bhagavatam Yudhistar Maharaj says to Vidhura, when Vidhura returned to Hastinapur that the pure devotees or maha Bhagavatas are holy places and wherever they go they create holy places Because you carry the lord in the heart.

bhavad-vidhā bhāgavatās, tīrtha-bhūtāḥ svayaṁ vibho

tīrthī-kurvanti tīrthāni, svāntaḥ-sthena gadābhṛtā

You have created another maha-tirtha for all the fallen condition souls to get an opportunity to stop this cycle of birth & death and get a ticket to back to Godhead, Goloka Vrindavana. Just by your compassion, only the people in the western world are now taking the benefit of holy name & holy dhama to get purified.

We all know Lord is very merciful, he is very kind. Lord descends on earth perform Lila for the pleasure of his devotee and

Then we also know that Gauranga is more merciful than the lord. Krishna being more merciful came as Lord Chaitanya to show how to bhakti and teach the essence of the Sanatana Dharma to the common people in the society.

Now, We should also realise that you are even much more merciful than lord Chaitanya. You have even surpassed the all the mercy & compassion of previous acharyas even the lord. Your mercy is not limited to devotees or common people but even to the most lower grade of people and even to untouchables. The people who might have committed all kinds of sins possible in this world, you have shown compassion on them. You yourself being most compassionate approached all the shudra & chandala conscious people and made them Krishna conscious. Lord Gauranga & Nityananda have made Jagai & Maghai to a devotee. But you have made thousands of Jagai & Maghai conscious of people into a devotee.

Somehow or other I am trying to serve your mission. I am trying to preach by repeating words although I have not such a qualification. But by your mercy you can make anything happen.

I have a lot of weakness, inability please help me in overcoming all those things which are hurdle in the path to render akinchana Bhakti to you. The service to you is most important to fallible souls like me as you are the bodily manifestation of the Chaitya Guru, Krishna who has agreed take our service in this material world. By serving you we can purify our consciousness & soul.

I have never experienced the emotions & feelings before when I had entered the altar first time and saw Sri Sri Radha Gopinath Ji. That time I remember was the best thing ever happened to me in my life.

You have given me the name Shuddha Sattva Dasa, meaning the servant of the pure devotees who are above Sattva Guna. I have not come across other than you who is above Sattva Guna who has crossed the bodily conscious and determined to execute the order of your Spiritual Master. You have left many instructions for us. I sometimes think that will it be able to serve your any 1 instructions in such a way that I can make feel proud. I know this can only happen by your Kripa, I personally have no strength or shakti By your mercy you can make even fools & dumb to speak.

mukam karoti vachalam , pangum langhayate girim

yat-kripa tam aham vande, shri-gurum dina-taranam

Hence, I offer my respectful obeisances unto my spiritual master, the deliverer of the fallen souls. His mercy turns dumb into eloquent speakers and enables the lame to cross mountains. Your mercy has limitations.

Thank you Srila Prabhupada for giving your guidance & instructions. I might have committed a lot of offenses to your lotus feet & to my Senior & Junior God brother & Sister. Please forgive my offenses like a father to a helpless child. Please keep me in the shade of your lotus feet, I am begging for your mercy & compassion

Your fallen Servant, Shuddha Sattva Dasa

how merciful you are Prabhupada, because of your mercy only today we are in Krishna conscious otherwise we will be completely in maya hands, still we are some degree of under the maya only we need to get out from that but I don't know when it will happen,

My Dear Srila Prabhupada,

DandavatPranams at your divine lotus feet.

Jaya Nitai Gauranga!

On this auspicious day of your appearance, I request you to continue your mercy on fallen soul like us to overcome all obstacles in spiritual life, I know there will be so many challenges to overcome in spiritual life, but by your mercy, it is possible, You give us strength and determination to overcome all obstacles in Krishna consciousness. You definitely make it easy in Krishna Consciousness life.

My dear Prabhupada, You came to this world to become a humble and great representative of Lord Krishna, a perfect and true disciple of your Guru and father for so many people like us, you are taking such nice care of us through your valuable books, lectures and your disciples. From your example, we can learn that anyone who imbibes your mood and determination, even if they had little or no direct association with you, can do wonderful things in spreading Krishna consciousness all over the world. So I am begging for your blessings and mercy so that I can contribute my energy to serve in your mission and spread Krishna Consciousness.

My dear Prabhupada, thank you so much for your immense mercy and considering me for 2nd initiation and giving me chance to serve Sri Sri Radha Gopinath, deity worship is really a blissful movement. Thank you for writing many books with very nice purports and examples, these really help to understand the philosophy, Once again thanks a ton for providing us all these in the Krishna consciousness life.

I was born in the darkest ignorance, and my spiritual master opened my eyes with the torch of knowledge. I offer my respectful obeisance's unto him.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to you Srila Prabhupada.

Prabhupada, my dear spiritual father this vyasa puja offering is special for me, by your causeless mercy I got initiated. Still I don't believe that I have got initiated as your disciple. I don't have eligibility to get initiated but still by your causeless mercy I got initiated to serve your mission.

By your blessings we are able to open temple in Edison, NJ. Now we have most beautiful deities in USA. We are really fortunate enough to serve Radha Gopinath under the guidance of our temple president His Grace Bhaktha Vrindha Prabhu. Please bless us to get more funds & devotees to our temple to serve your mission so that we can open many temples.

Prabhupada, we are finding very difficult staying in Chicago without any devotees association. I'm trying my best to move to Edison, So far nothing working out due to Visa issues. Please show your causeless mercy so that we can quickly move to Edison to serve Radha Gopinath & your mission. Currently I'm travelling monthly once or during festival season to serve the temple.

As mentioned in the Srimad Bhagavatam 5.5.18

*gurur na sa syāt sva-jano na sa syāt, pitā na sa syāj jananī na sā syāt
daivaṁ na tat syān na patiś ca sa syān, na mocayed yaḥ samupeta-mṛtyum*

“One who cannot deliver his dependents from the path of repeated birth and death should never become a spiritual master, a father, a husband, a mother or a worshipable demigod”

These verse keep resonating in my thoughts whenever I see my family. By your causeless mercy you have blessed me with good family. As father & husband I should raise my family with Krishna Consciousness before that as you mentioned in many places in your purport father should be a good role model in the family being a good Vaishnava, strictly following rules & regulations.

Prabhupada, I'm trying my best at home following the deity worship, chanting, attending the calls regularly & reading your books but sometimes still falling back to the old habits (laziness, anger, greediness). Please show your mercy so that I should not fall into the trap of Maya at any time.

Prabhupada, Not sure how should I thank you for giving us shelter under your lotus feet. Please keep encourage & motivate us to serve your mission. Please use my family as your instrument to serve your mission.

Srila Prabhupada the famous Acharya or teacher who spread the teachings of Krishna all over the world. At first no Acharya really wanted to go to foreign countries mainly because they wanted to keep it in India, couldn't go to other countries, or wanted to protect their reputation.

However Srila Prabhupada, was courageous enough to travel to America knowing that his guru and Krishna would have his back.

He came to America after having a ticket being donated to him. He had two heart attacks on the way as he had seven dollars, a typewriter, and some books.

But eventually Krishna blessed his movement with millions of dollars and millions and millions of devotees.

He used to chant in parks alone and ended up with hundreds of people around him chanting and dancing. Since Srila Prabhupada many have come but weren't nearly as successful.

Dear Srila Prabhupada,

Dandavatts Pranam.

Your teachings about chanting have tremendously influenced my life for good; Chanting of Hare Krishna Maha Mantra has given practical benefits for my family and me both mentally and physically. Your books Bhagavad Gita as it is and Srimad Bhagavatam along with other books have given us superior knowledge than any other book I read in my entire life. Although I do not get the direct association with you, I see through his pure devotees. In addition, pulling chariots during Rath Yatra has given me and family immense joy. I have experienced ecstasy (Ananda) many times during Sankirtans and deity darshans mangal arati.

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet. All glories unto to you.

It is impossible to describe in words how much you have given me in this life.

In Chaitanya Charitamrita we read:

guru-kṛṣṇa-prasāde pāya bhakti-latā-bīja

“By the mercy of Kṛṣṇa and guru, one can get the seed of devotional service”

It is only by your causeless mercy only that I got the seed of devotional service. I cannot even imagine how fortunate I am now that I got greatest opportunity to serve full-time at the Radha Gopinath temple and become a part of your mission. Through your institution, you have given me all the facilities and the suitable environment for the seed of devotion to growing – chanting, association, prasadam, transcendental knowledge and a chance to have darshan of the Lord daily. Staying at the temple has made it easy for me to chant the holy name of the lord and purify myself. We recite in Siksastakam daily that this is the only process of purification by which one can get out of the material miseries and the repetitive process of birth and death - ceto-darpana-marjanam bhava-maha—davagni-nirvapanam. Also, you have given me the greatest opportunity to get purified by serving senior devotees who had taken your service as their life and soul. Prasadam was a critical component that I was missing before I was in the temple. By your mercy, it has become easy for me to get prasadam through your institution and wonderful devotees. The knowledge you have given through your books enables me to see everything clearly. Like a loving parent, you have instilled in me the greatest values through the philosophy of Krishna Consciousness so that I attain success in my life and go back home back to Godhead. By your mercy, I also got this opportunity to have darshan of the most beautiful Lord every day. Now, I hope to get initiated by you and take shelter of your lotus feet formally as your disciple officially.

You are the greatest acharya and you had single-handedly changed the hearts of millions through your teachings. You have made the most sinful beings into vaishnavas just by your association. It is by your causeless mercy that you came to a foreign land and faced so many obstacles just to save the conditioned souls. Your compassion knows no bounds. Just by following the process enunciated by you, a sincere soul can gradually advance and end all the sufferings of this material world. Although you had given me such a wonderful opportunity to practice this beautiful process of Bhakti, I had taken shelter of Maya many times and had deviated from your instructions. It is not possible

by my futile individual endeavors to get out of the clutches of Maya. Oh Gurudeva, please help me to get rid of my material weaknesses and help me get attached to the lotus feet of Krishna. Please give me strength and intelligence to fight against my weakness. There is no other way to escape the clutches of Maya than to take shelter of your lotus feet. Please forgive me for the countless offenses that I had committed at your lotus feet.

Dear Srila Prabhupada,

Please accept my Namaskar. I read your book "Beyond birth and death". I like your book as I learned 'one should not go behind material pleasure and only look for spiritual pleasure in a life. I want to follow your instruction 'the four pillars of spiritual life' 1. No meat eating 2. No gambling 3. No intoxication, 4. No illicit sex. I learn 10 Bhagavat Gita slokas and one Bhagavatam sloka and I am chanting sometimes. I chant hare Krishna Maha mantra when I am in trouble and all my problems go away. You have inspired me to be a devotee of Krishna because

īśvaraḥ paramaḥ kṛṣṇaḥ, sac-cid-ānanda-vigrahaḥ

anādir ādir govindaḥ, sarva-kāraṇa-kāraṇam

Krishna, the supreme personality of godhead has an eternal, blissful and spiritual body. He has no other origin and he is the cause of all causes.

Srila Prabhupada ki Jai,

Koti Koti Dandvats at the lotus feet of Jagad Guru His Divine Grace A.C. Bhaktivedanta Swami Srila Prabhupada. On this auspicious occasion of VyasPuja offerings, I submit my sincere prayers at your lotus feet.

As in material life, when a child grows from small boy to a young person, he realizes the value and importance of his parents in own life, he starts developing true love and feeling of gratitude towards parents. He now understands parent's sacrifice in growing him up with all necessities and right shelter.

Similarly, while progressing in Sadhana Bhakti, I realize value of your Divine hands in sheltering me from this burning fire of material existence. I realize the sacrifice you have made for this whole society of Kali Yuga people. In this age of Kali Yuga, it is not easy at all to get right association, inclination towards holy scriptures, develop true love for God. But you have made all these possible for me by your instructions on pages of Bhagwat Gita and Srimad Bhagwatam.

It must be the Guru Krupa and blessings of Guru in my past lives, that I have got a chance to associate with some of your true devotees, from whom I get this inspiration to read and contemplate on the verses written by your divine Grace. I feel my day empty if have not read few purports from your books. I hope and pray at your lotus feet that this enthusiasm continues in myself so that I can make further progress in Krishna conscious life.

On coming year resolution, I submit my sincere prayers at your lotus feet to bestow upon me your mercy in order to improve my chanting quality and to get my self-engaged in performing service at temple.

The way Krishna supplies all necessary items of living entities so that they can maintain their livelihood, similarly you have supplied all necessary items for one to perform navdha bhakti and keep one self engaged in service of Krishna.

I offer you my sincere prayers from Sri Guru Devastakam authored by His Divine Grace Visvanatha Cakravarti Thakura.

All Glories unto Your Lotus Feet Srila Prabhupada!

Prabhupada, it has been 4 years since I have been involved in HKM. The years have gone by so fast that I feel like I have not spent enough of that time doing spiritual activities especially reading your books. Many times I have heard you say in your lectures that how important your books are and that we should read them. I thank you for continuously motivating me and helping me not to take the wrong path through your books. At the moment I am planning to read Chaitanya Charitamritham and I promise you that I will try to regularly read or hear your devine nector.

Srila Prabhupada, I was always thinking if it was not for your unconditional mercy that today we are able to open your center in Edison. We are all like Vanaras with so many anarthas in our heart but you gave us an opportunity to clean them by making us serve to establish the temple and install Sri Radha Gopinath in Edison.

As the authorities of the temple are undergoing a lot of anxiety to maintain the temple, I really want your mercy on me to help them in whatever ways possible to make the temple activities run seamlessly. I beg you to give me strength and motivation to bring more devotees to temple and make them a part of your movement there by fulfilling Chaitanya Mahaprabhu's mission.

Prabhupada what else can I ask from you as you have shown me your affection by allowing me to dress you up every week. As it is said "Yasya Prasade Bhagavad Prasado" I simply want to please you by my menial services. In spite of my fallen character and bad manners you still have shown me your mercy by allowing me to serve you.

Prabhuapda I am really looking forward to serve you even more in all possible ways and wants to be a soldier in your mission. By your blessings we got Chetana Sri in to our home and I am really happy to see her grow under your aegis in the temple. I beg you to bless her so that she too becomes a nice Vaishnavi and be a part in your movement like Bhuvana and Deepthi.

Nevertheless Prabhupada you know my weaknesses and strengths. You quoted in Bhagavad Gita about Saranagathi bhava as "Anukulasya Sankalpaha Prathikulasya Varjanam" which I understood to desire things which only help us to progress in spiritual path to go back to Godhead and to discard all the activities which are acting as obstacles

in this endeavor. Prabhupada I sincerely request you to correct me in this journey and make me strong in maintaining my Sadhana and be a Dheera.

I am trying to attend Mangalarathi and was daily trying to hear your instructions which are like slaps on my face to correct myself and be a good devotee. Today when I look back I feel I have wasted so much time not listening to you the first time, my life is so better now, I am much happier and peaceful. It took me so long to understand though you kept repeating this, had you not patiently preached through your books and cared for me I would be completely lost. My fortune is boundless to have your grace.

So on the most auspicious day of Your appearance I beg that You please accept this offering as a humble attempt to somehow or other reciprocate with Your causeless mercy. Furthermore, I beg that You kindly remove the black umbrella of ignorance that is presently covering me so that I can properly receive and follow Your instruction and try and serve Your lotus feet with ever-increasing purity, love and devotion.

Please bless me always Srila Prabhupada and keep me near your lotus feet always.

Dear Srila Prabhupada

you are the most incredible person in this world. That is because he started worshipping Lord Krishna at an age of four. Also he was the first Acharya to go to America and spread Krishna Consciousness to the people. Most of those people are hippies.

Also he is incredible because he came to America with only \$7 in hand and just believed in the strength of his teacher's words and started his mission.

The very stunt of chanting in the Tompkins Square park and attracting a huge crowd to chant the holy name itself is so incredible.

Your Little Servant,

Abhay Charan Bhakthi Vedanta Swami commonly known as Srila Prabhupada founded the Hare Krishna movement.

He came with seven dollars and some books. But then he started lecturing hippies and Americans.

He made Americans believe in Krishna. Srila Prabhupada created a truly inspiring movement.

I am really surprised how an old swami from India could do such miraculous feats , but only could think of Krishna made it happen by supporting him.

Hare Krishna dear Srila Prabhupada jee !!

You are spiritual master, a social critic, a sanskrit scholar, India's cultural ambassador and a very dear devotee of the Lord Krishna.

My interactions with you happened only through his some books and few devotees whom i meet in Radha krishna temple Edison NJ. There teaching helped me to understand the importance of life. Because of his pure heart and his true teachings he could change life of many people including me.

I also try to do 1-2 rounds jaapa mentioned blow , which is recommended by him.

To Shrila Prabhpada,

Please accept my Greetings in your Holy lotus feet.

I am feeling blessed that I am getting chance to write a letter to you, I know you are present here.

Some time back one day I visited temple, something happened on that day. Usually I visits temple every month or in 15 days but on that auspicious day I got few drops of Nectar from Hari Nam river which you started.

I have one request please do mercy on me, i wants to do more and more chanting but due to other responsibilities of this materialistic world, I involves in some other works and don't give proper time that I should give in Krishna Bhajan. I don't want to distract from this path. I want to chant more and more.

I want to live in Krishna consciousness and I know without your blessing it's not possible.

This path is not easy but if you will be there definitely anyone can reach on their destination.

I have no hope other than begging and getting more and more of your personal mercy. Therefore, I beg you again and again to please give me your merciful glance.

Dear Srila Prabhupada,

On this auspicious occasion of your presence on this planet I have got privilege to offer written homage to whatever I feel about, since I came in touch with you and your teachings.

From the past 5 months I have been listening and reading Bhagvat Gita and it's totally a whole new world for me. I am slowly and gradually trying to be Krishna conscious, and want myself to completely dedicate my life towards Krishna.

Thank you my spiritual master for all your preachings and showing me the right direction where my life should lead.

All glories to you,

Your eternal servant,

Bhaktin Bhuvana

Dear Srila Prabhupada! As you know my name is Bhuvana and I am an ordinary 11 year old kid and I am nothing before you. I bow at your feet. Before leaving this world you stated that you completed the first half of your mission and Krishna Consciousness is spreading dramatically throughout the western world.

As I write this, when you boarded the Jaladuta and journeyed to America only Krishna knows how many years more he would give me to stay in this material world, considering the situation that I dedicated myself to this particular Hare Krishna movement because of you.

I want to see again your western mission growing rapidly, I want to again dream a rational dream that Krishna will transform the world within my life time.

Prabhupada you are eternally a liberated soul with nothing to gain or lose in this material world. You have written so many books to make us real devotees but not normal human. Still for your selfless pleasure, I pray that more than ever you empower all those eager ones who have dedicated their lives to this wonderful western mission.

Dear Srila Prabhupadaji!

Thank you for your dedication and determination to spread the vedic literature throughout the world. My family and I are very fortunate to get in touch with Krishna devotees. Your love and affection is carried out so gracefully by your devotes! I can clearly feel the love and compassion they have for the people around them. Even an iota of information that my family and I got on Bhagvadgeeta is all because of your teachings and books that is passed on. Thank you very much!

Best, Krishna devotee

Bhaktin Deepthi Sana

Dear Srila Prabhupada!

On this most auspicious day of your appearance I want to thank you for all the mercy you have showered on me and my family.

When I look back in to my life I realize that I have not utilized my time properly as there was no one to guide me, but you did paved me the path. I am not sure if I am a sincere devotee or not which I would like you to decide but as it is said that Krishna's mercy will be bestowed by making us associate with Vaishnava's.

I am sure it is through your recommendation that Krishna made me get associated to the Hare Krishna Movement. By devotees mercy I was given a chance to directly serve Krishna in making him garlands which is very rare. Although I am not much realized soul but I have taken this service to my heart and soul and I am really feeling sad to miss that service for 2 months because of my travel to India. I may not be perfect in making nice garlands but over the time I learnt to make some nice garlands with the help of other devotees and I will try to learn myself to get perfection in this service. The temple authorities under your direction has also given me a wonderful opportunity to cook for devotees which I deem it as a proud privilege for an insignificant soul like me. Also I got a chance by your mercy to cook for HG Madhu Pandit Prabhu who is your dear disciple and my happiness has no bounds when I got that opportunity. I cherish all the services assigned to me because I see you in them.

It is such a bliss to have these services which changed me to utilize my time and interest towards the Lord. I thank all the devotes for continuously supporting me and keeping faith in me in doing these services. Krishna has blessed us with our beautiful girl child last year and coincidentally devotees named her Chetana Sri which means Radha Rani Consciousness. Please bless Bhuvana and Chetana to grow up under your institution and become good vaishnavis there by serving you in your mission.

Srila Gurudev please bless me and my husband to give us enough strength to remain as your servants forever and serve your lotus feet.

Dear Srila Prabhupada,

My humble dandavat pranam at your lotus feet. All glories to Your Divine Grace!!

With your books and lectures, I have found happiness. Joining Gita lectures on the conference calls give me so much pleasure. I have a long way to go and I will try my best with your guidance.

Your Servant, Bhaktin Heena

Bhaktin Kanchan Mirchandani

My dear Srila Prabhupada,

Please accept my loving, humble obeisances and gratitude on this most auspicious day of the appearance of Your Divine Grace.

I consider myself most fortunate to be given this opportunity to express my gratitude to you in writing.

In May 2014, I came across a few lectures of Iskcon Bangalore online. In one of the lectures, Prabhuji was talking about your explanation of how Lord Krishna is non-different from His Name, that Krishna's name is no less powerful than Krishna Himself. It is by your mercy and grace alone that I thus learnt the Hare Krishna Mahamantra and the importance of fasting on Ekadashi.

On October 19 2014, I sincerely fasted for Rama Ekadashi. And on October 21st, 2014, like any other morning, I switched on the online Iskcon lectures on my tv, and while listening to them, I went on with my regular chores. I went to the laundromat in my apartment complex to wash clothes. As I put clothes in the washer, I sensed an abnormal odor in the laundry room. I apprised a maintenance official of the odor after I found him strolling outside in the parking lot. He took note of it and started trying to fix the problem. I found him gone when I came back to the laundry room to transfer my clothes from the washer to the dryer. I switched the dryer on and was about to exit the laundry room again, when I heard a loud explosion and found my pajamas on fire. The entire building blew up in this explosion and I was thrown outside on to the grass, wailing and writhing in pain, shouting for help, but there was no human in sight to seek help from. By this time, my entire legs were engulfed in fire from all sides and it was quickly spreading to my upper body. At that moment I realized that I was going to die. I stopped crying for help and instead chanted Hare Krishna Hare Krishna, Krishna Krishna Hare Hare, Hare Rama Hare Rama, Rama Rama Hare Hare. This was the first time I had actually chanted the Mahamantra. And I heard a voice from behind asking me to "roll on the ground". I rolled on the ground and the fire was put out. I was taken to the best hospital on Earth for burn injuries. There, the best surgeons available were not sure if I would be able to walk again as the burn injuries were third degree and fourth degree. They had also suggested that if the injuries got infected, they might have to amputate my legs.

I had just experienced the power of the Hare Krishna Mahamantra, and thus I had no fear of the doctors' suggestions. I only asked my sister to play the Mahamantra your voice on the Srila Prabhupada app. It played 24 hours a day for all 30 days of my Hospital stay, it played even during the vast and long surgeries. And my father and mother also chanted Hare Krishna mantra outside the operation theater.

It's been four years now, and here I am fully recovered with no pain at all and writing this testimony as a humble offering to you. It is only by your mercy, that I am alive today and have been given another chance to perfect myself.

It is only by your grace that I can walk and when my doctors see me they call me a 'walking miracle of God'. It is only by your mercy that I am able to stand on my feet for 12-13 hour work shifts with no breaks; and the patients at my pharmacy tell me that, "seeing me alive after this horrific fire incident, walking on my feet, restores their own Faith in God."

Today, I don't know of anything else to ask for except a prayer to you dear Srila Prabhupada, to please convey my gratitude for everything to Krishna. Hare Krishna.

Your humble servant,

Bhaktin Kanchan Mirchandani.

Bhaktin Kinjal

Dearest Srila Prabhupada

Hare Krishna,

It's been a few months only I have come in contacts with radha Gopinath Temple. But surprisingly the Bhagwat Gita and other books I was reading and following from long time it's all written by you. Before I was chanting different mantra now I started reciting Hare Krishna Mantra (Min 16 mala) and I do feel the big difference.

I really want to thank you so much for showing me right path in my spiritual life. I have brought up in devotional family. But after marriage my family members laugh at me sometimes and think I am going out of limits for serving the god and being spiritual. They don't stop me to do anything. But I can see they do not like it.

I have surrender myself totally to Lord Krishna long time back. I bow to you and surrendering you totally as well .please help in a path to meet the goal of this life (The Truth of the soul). Please help me in a path to meet my final destiny. Please help in a path to meet the Lord. Hare Krishna

Truly, Bhaktin kinjal

Bhaktin Lakshmi

Dear Beloved Srila Prabhupada,

Please accept my humble obeisance's in the dust of your lotus feet. All glories to Your Divine Grace.

There are so many ways in which I can glorify you, so many ways that you have bathed me in the ecstasy of your mercy:

- Chanting the Holy Name and dancing...
- Performing devotional service for the pleasure of Lord Krsna and His devotees...
- Preparing nice foodstuff for the Lord ... and then honoring them...

But most of all you are glorious for your books in which you have revealed the whole spiritual world.

You have written about Srila Bhaktisiddhanta Sarasvati Gosvami: "He lives forever by his divine instructions, and the follower lives with him." This also applies to you since you are permanently fixed at the lotus feet of your spiritual master. By your shining example, you show us how to be fixed in the service of *guru*, the pure representative of Lord Krsna, the Supreme Personality of Godhead.

Every day I approach you for instruction by reading your books.

Every day you show me how to accelerate my progress toward the supreme destination, the lotus feet of Sri Sri Radha and Krsna, by improving my chanting of the Holy Names:

Hare Krsna Hare Krsna Krsna Krsna Hare Hare Hare Rama Hare Rama Rama Rama Hare Hare

Thank you very much for everything, Srila Prabhupada. All glories to your lotus feet.

All glories unto your lotus feet. Srila Prabhupada ki Jai!

Bhaktin Lalitha

My dear Srila Prabhupada,

I'm so indebted to you for giving me this tremendous knowledge on spirituality through your works. When I look back now, I realized I wasted so much of my time on fulfilling my material desires. Now my lifetime is not enough to read and fully understand your scriptures. What would have happened to this ignorant soul without your guidance through books, and teaching devotees of Krishna consciousness ??

The way you attract souls for devotional service is very magical like gravity pulled by earth. Very natural yet very powerful!

There was never a day I didn't think about you , from the day you appeared in my life(you know this). I feel so blessed to know about Krishna Consciousness. Thank You for showing me a new meaning of life and staying with me so far .

My utmost humble and respectful obeisances at your lotus feet and supreme lord Krishna's lotus feet

Please accept my obeisances and shower your mercy on me and help me reach my eternal father. Hare Krishna

My Dear Srila Prabhupada,

DandavatPranams at your divine lotus feet. Jaya Nitai Gauranga!

On This Auspicious day of your appearance I wanted to thank you for the knowledge you gave us. Thank You for being my guru in your books I have learned thousands of new things I didn't know. Thank you for introducing Krishna consciousness to America. If you hadn't spread it in America i would not have been Krishna Consciousness. I like Krishna consciousness a lot I like the Sankirtans a lot.

I like Gurukul a lot when we listen to stories about Krishna or other Devotes. Also when we have quizzes in gurukul I like solving stuff related to Krishna or his Devotes. When we went to New Vrindavan I enjoyed a lot since we could go to the temple. We could go to religious places there. It was the most wonderful thing I had in my life.

When we went to distribute Bhagavad Gita and other books you made I was very happy to spread it to other people. Also I read your books for about 15-20 minutes. I have read the whole Bhagavad Gita, Science of self-realization, and easy journey to other planet. They are very interesting and they are so interesting that I want to keep on reading it over and over. I read them over to understand it more and more. You gave me so much more strength to do Krishna consciousness. You are a very great guru for me and you make it really easy for me. You are a very awesome guru.

Your truthful servant Bhaktin Likhith

Bhaktin Meghana

Dear Srila Prabhupada ,

Please accept my sashtang namaskar onto your divine lotus feet on this auspicious day of vyasa puja. I am very grateful to you that you accepted me to be your devotee and allowed me to follow the path that you have carefully and thoughtfully weaved for us, so we can easily attain Krishna.

You are like a wish fulling tree to attain the spiritual knowledge in the form of Shrimad Bhagvat.

You might not be present among us in your physical body, but you are there in our hearts and around us always guiding us to attain Krishna consciousness.

Please lift me to Krishna consciousness from this material world which keeps on troubling with Maya. Seeing all the people running around for material joy and are ignorant to Krishna consciousness help me to rise above and to be one with you.

Before I end this letter, I would like to wash your lotus feet with tears of joy that I felt while writing this letter to you. Please keep me under your guidance always.

Your humble servant,

Bhaktin Nabaneeta

Respected Guru Prabhupad Maharaj ji,

Here I pay the very humble respect to your feet. Sorry for being so late to write to you and thank you for this opportunity finally. I have been to Iskcon many times. But luckily it was here in New Jersey that I came in touch with the Gita path group where I learned how to be strictly doing Bhakti yoga. I get more inspired by seeing the westerners doing this so strictly even though we we have been exposed to this since childhood but did it lightly. Without your strong will and hardwork it would not have been possible in such a scale. I will always try to spread your message to whomever I can and should. I pray that I can follow the path you showed at the earliest. We need your blessings.

Forever grateful your daughter,

Bhakta Nabaneeta

You had showed us way of Krishna consciousness in a beautiful way. We came to know the real meaning of our life. The Bhagavat Gita 'As it is' book that you had written for us is a path to attain good spiritual way of our life. I didn't know the true meaning of each and every sloka until I listened to your book through Gita classes. Your sacrifice to bring the Krishna's moment was amazing and highly appreciated gift to all the mankind. I'm thankful for so many good changes that happened in my life after coming to 'Shri Radha Gopinath temple' , listening to the Bhagwat Gita calls, knowing more about you, your life and the struggles you went through to just spread Krishna consciousness in the western countries.

Chanting "Hare Krishna Mahamantra gives me immense peace of mind and happiness and I feel that Lord Krishna is always with me and he will save me from all the life's obstacles.

I have become more stronger now and I feel that chanting Hare Krishna Mahamantra has helped me to get rid of my fear, stress, anxiety and other problems.

Guru Srila Prabhupada, I would like to thank you from the bottom of my heart for giving me so many great things through 'Sri Radha Gopinath Temple' - like your association, Prasadam, Gurukul classes for kids, opportunity to serve the Lord at the temple etc.

Dear Srila Prabhupada,

Please accept my humble obeisance to your lotus feet and all glories to you!

Recently I took a flight while I was observing the roads, houses, vehicles I realized how small we are in the universe and yet we try to create so much chaos in others' lives and on this Earth. I came in association with Sri Radha Gopinath Mandir, Edison, NJ. With the teachings in the temples and attending to other devotees Bhagavad Gita classes realized and trying to understand the true meaning of life and truly we are souls. We are so grateful to get in association with all your preaching's and books and who travelled around the world to help the fallen souls to reach back to Vaikunta. Giving the true meaning of life and the importance of chanting.

I have come across ups and downs in the journey of spiritual and personal material life. With your mercy I am doing Chanting and reading Bhagavad Gita. Dear Prabhupada, please bless us and give us the strength and healthy life to do service.

Please bless me with your mercy.

Respected Srila Prabhupada,

Please accept my Humble obeisance in your Sri Charan.

I want to share my gratitude via this letter to you. My relationship with the Krishna Consciousness movement is one year old now, and within this year, I have been lucky to get in touch with my spiritual side which got lost somewhere while performing my materialistic duties. Being a working mother and wife in a foreign land of USA, my life had changed into a robotic one, and time was flying performing the worldly duties. My eternal bond with Sri Krishna was a very strong one since childhood, and I had read multiple versions of Srimad Bhagwat Geeta, but I was forgetting everything.

I think by the Lord of the universe's grace on me, and his kindness, I was touched with your books. I joined the Weekly Sunday Lectures given in my local temple, and also started to join the daily Bhagwat Geeta Conference calls for ladies. It made me realize, how much I was missing.

Even getting a chance to receive Sri Krishna Darshan once a week. The Bhagwat geeta classes, and Chanting groups are a great opportunity to progress spiritually, and all the devotees are able to help me grow spiritually and guide me.

I am still in the progress of learning, but want to take this opportunity to thank you for all your books, and the knowledge in them. Kabirdas ji has said:

Guru Gobind Dou Khade, Kakhe Lagu Paye;

Balihari Guru Aapne, Gobind diye Milaye

Thank you Srila Prabhupada ji for sharing your vast ocean of knowledge in your books, and helping the coming generations across the world take advantage of them, and become Krishna Conscious.

Respected Srila Prabhupada ji, All Glories to you, And All Thanks to you to help re-enliven the Hare Krishna Mahamantra across the world, the Harinam is spread across all corners of earth due to your hard work, and courage. Even after suffering two heart attacks on that ship, you did not bend down, and kept going. Even if it was a small shop front in New York, you just went forward. I salute your spirit and enthusiasm. Only due to your hard work, I and my kid are able to learn more about our own Vedic heritage in this foreign country. Thank you so much for your incomparable work in enlightening of this materialistic world with the spiritual world. Your Synonyms, translation and Purport for Shrimad Bhagwat Geeta and other vedic works are really beautiful and knowledgeable.

My sincere obeisances to you,

I want to take this opportunity on this auspicious day to thank you for dedicating your heart & soul to unite all the fallen souls back to The Supreme personality, Krishna. You have spent sleepless nights to translate the scriptures in different languages for the cause of spreading the mission of Krishna Consciousness all across the globe single handedly. One can never thank you enough. Sincere Gratitude!

Your simplest way of narrating our scriptures "As Is" has made me read your books more and more to gain wisdom and tranquility.

It gives me immense peace in my day to day life. I am happy and satisfied with whatever little things Lord Krishna has bestowed upon me today.

Please grant your blessings upon me dear Srila Prabhupada to help me progress on this spiritual journey to reach Back to The God Head and help me liberate from this cycle of birth & death.

Srila Prabhupada was one of the greatest devotees of Krishna. If you want to know why start reading the essay.

Prabhupada was known as Bhaktivedanta Swami and his original name was Abhay Charan Dey. Srila Prabhupada travelled across the ocean to USA on a ship and landed in America in September 1965 when it was a bad time in America.

When he went to New York he started singing Bhajans in the streets and Parks the hippies joined him and this he became very popular in America. As we can see Prabhupada has stern faith on Krishna which lead to his success we too can follow his path and believe in Krishna so that we can also be successful in life.

Your Little Servant, Bhaktin Tara.

My dear spiritual master, Srila Prabhupada, all glories to you.

Before writing this homage unto you I contemplated for a long time about what to write this time in your glories, I was completely blank, no idea what to write, although I know many of your pastimes and transcendental qualities. This is my position. Then I realized, for which I am very happy, that without your mercy and permission I cannot write, I cannot speak, actually, I cannot do anything good, because I'm your servant now. Whatever good things now I am doing is just by your causeless mercy. This reminds me of the following verse-

*mūkamkarotivācālam paṅgumlaṅghayategirim
yat-kṛpā tam ahaṁvande paramānanda-mādhavam*

“The Supreme Personality of Godhead has the form of sac-cid-ānanda-vigraha—transcendental bliss, knowledge and eternity. I offer my respectful obeisances unto Him, who turns the dumb into eloquent speakers and enables the lame to cross mountains. Such is the mercy of the Lord.”

So by your mercy, this is possible since you are the pure representative Lord Krishna.

Dear Srila Prabhupada, I beg for your mercy, please bless me to write something in your glorification. Because it's a duty of a disciple to glorify his spiritual master, which gives immense pleasure to me.

On this auspicious day of Vyasa Puja, I deeply thank you for all your blessings from the day I joined this Sankirtana movement, especially the last two years which were full of dynamism. I closely witnessed how you protect your disciple irrespective of the situation. As I was in the midst of my old sinful environment, because of my conditioned state I felt alone, although I was not, with a little hope of keeping my devotion towards you and Krishna, completely frustrated and continuously felt a kind of discomfort in my mind and heart. But in that state also you never stopped giving me realizations which strongly helped me in keeping my desire of complete dedication to serve your will to preach Krishna consciousness.

Now by your causeless mercy, I am again back to my devotional life, continuing to serve your mission. Thank you Srila Prabhupada for bringing me back and engaging me in your service. At this auspicious moment, I intensely pray to you, beg from you that Please always keep me under the shelter of your lotus feet. To be under your protection and me being called as your disciple, as your eternal servant is my pride, my self-respect, and my constitutional position.

Please bless me with this attitude that fulfilling your desires even if I have to face all kinds of odds, to become my life and soul. Please bless me to always remain humble and meek towards my immediate authorities and their instructions. Please bless me with this conviction that I should never leave the association of the all the devotees, no matter what.

And ultimately I pray for your causeless mercy so that I can follow the most important instruction given by you i.e. Chanting Hare Krishna Mahamantra 16 rounds at least attentively without any offense and following four regulative principles.

My dear lord, all this can happen only by your wish. Please bless me if you so desire.

Dear Srila Prabhupada,

Please, accept my humble obeisances. Thank you very much! Your sacrifice to help this world is so great that even a wretched fool like me can take up the process of devotional service and become attached to Lord Krishna. What would I be without Your Divine Grace?

yasya prasādād bhagavat-prasādo

yasyāprasādān na gatiḥ kuto 'pi

“By the mercy of the spiritual master one receives the benediction of Krishna. Without the grace of the spiritual master, one cannot make any advancement.”

This year Vyasa Puja, I have something interesting to share and reflect gratitude upon how I got your divine mercy.

It was summer of 2004, as dusk set forth into those cloudy skies, me and my classmate got into our day to day customs of sticking around as we do ordinarily after school, yet this time we took a stab at playing something different than what's expected i.e Hide and Seek. As one my companion kept looking for others we began disseminating all around pillars and cliffs of those houses; as I was running through wrecked destroyed block divider, I caught hold of an iron rod for support where electric current was directly flowing from high tension wire. As like magnets magnetize antithesis side, I was glued with that piece of metal and I was feeling like something is sucking the life out of me. Thanks, by the mercy of God, somebody heard my prayer and came to rescue me. It was quite a mournful situation at house and vicinity around, that time I recall everybody disclosing to me that “**No one can live even breath subsequent to getting such a high voltage electric stun, you're alive means you intended to do or accomplish something incredible!**”. I always wondered why I was given second chance? Why me?. I got an answer to supplications when I was loitering around the streets of New York, USA 2016. As I was leaping through the pages of newly bought book **Miracle on Second Avenue – Anecdotes of Srila Prabhupada Journey West**, a piece of me imagined that I have a place elsewhere in the midst of the tumult of life. As I was perusing and reminiscing those struggle of Srila Prabhupada Journey West, then I heard operator announcing for “This is a Grand Central-bound 4 Local Train. The Next & Last Stop is... Grand Central Terminal-42nd Street” as I prepared myself to deboard, I plugged in those earphones to ears and opened Spotify for arbitrary playlist; then I heard a piece of lyrics.

Some days I barely hold on

When life drags me down

I wanna let go

But when my spirit is weak

You come to my aid

And strengthen my soul

I'm lost without You

I'll never doubt You

Your grace is beyond compare

And though when it rains, it pours

You know all I have is Yours

You smile when You hear my prayer

You rescued me, and I believe

That God is love, and He is all I need.....

Again I got the same notion that **"I don't belong here; something needs to be different. What I need was Purpose & Belonging"**. That thought haunted me through entire excursion back till Toronto, Canada until I reached my apartment. As I was meditating on those words I felt that **"The whole existence of myself was meant to serve someone and something greater beyond me i.e Srila Prabhupada"**. I got the answer to my question which I asked 12 years before and rest was history.

As Henderson quote **"The True meaning of life is to plant trees, under whose shade you don't expect to sit"**. That's what I found here amidst the organization, what Srila Prabhupada created where the whole world can live together as a chain of brotherhood. We wake up so right off the bat in morning when entire world goes for rest and rest when entire world begins celebrating, outside we are taught to be independent whereas our first principle of surrender we learn here's be dependent upon Guru & Authority, outside we are taught to possess and achieve here we are taught to be minimalist and live simple, outside we are taught **"Dare to Dream"** here we are taught **"Dare to Fulfill Dream of Others"** to make world better place. Amazing isn't when life starts giving you a lemon. All I pray is Hold unto me and let me serve you in any way possible!. This year I beg of you if you desire please bless me with the strength to preach the message of Godhead to youth minds and give me sufficient tranquility to fathom and complete whole Srimad Bhagavatam series.

Srila Prabhupada, with folded hands and in all humility I beg you to please make me like bees who go to the lotus flower to take its honey and become drunk in its sweetness, never able to leave it. Finally, when the dusk comes, the lotus closes its petals, arresting the bee which is inside. Similarly, let me become this much attached to the transcendental sweetness of your lotus feet for eternity. And by the time the sun of our Krishna consciousness is setting and Maya starts showing us all its inconveniences and material fear, then at this time, please close the lotus petals of your lotus feet and trap me forever, so that until the point when my final gasp we live just for you.

So please cast your glance upon me continuously, so that I may continue executing the accomplishment of your divine mission, of your great and wonderful dream! So I would like to take the opportunity on this auspicious occasion of your appearance in this world to place my arrogant free will at your lotus feet, praying that it will be purified in the fire of devotional service to Lord Krishna, which is the manifestation of your mercy on me.

Your Most Fallen Servant,

Anandavardhana Dasa

Bhava Tarini Devi Dasi

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet on this auspicious occasion of 122nd Vyasa Puja.

omajñāna-timirāndhasyajñānāñjana-śalākayā

caḁṣurunmīlitaṁyenatasmaīśrī-guravenamaḥ

I was born in the darkest ignorance, and my spiritual master opened my eyes with the torch of knowledge. I offer my respectful obeisances unto him.

As we daily sing in mangalartik

yasyaprasādādbhagavat-prasādo, yasyāprasādānnagatiḥkuto 'pi

dhyāyanstuvanīstasyayaśas tri-sandhyam, vandeguroḥśrī-caraṇāravindam

By the mercy of the spiritual master, one receives the benediction of Kṛṣṇa. Without the grace of the spiritual master, one cannot make any advancement. Therefore, I should always remember and praise the spiritual master. At least three times a day I should offer my respectful obeisances unto the lotus feet of my spiritual master.

This year is a year of the special mercy of Srila Prabhupada on me because he has formally accepted me as his disciple by giving me first initiation and initiated me into the chanting of holy names.

In the third canto 25th chapter verse number 8 purport, Srila Prabhupada writes how is the relationship between a spiritual master and a disciple. Prabhupada writes-“The disciple or conditioned soul is put into this darkest region of ignorance and therefore is entangled in the material existence of sense gratification. It is very difficult to get out of this entanglement and attain freedom, but if one is fortunate enough to get the association of a spiritual master like Kapila Muni or His representative, then by his grace one can be delivered from the mire of ignorance. The spiritual master is therefore worshiped as one who delivers the disciple from the mire of ignorance with the light of the torch of knowledge. The word pāragam is very significant. pāragam refers to one who can take the disciple to the other side. This side is conditioned life; the other side is the life of freedom. The spiritual master takes the disciple to the other side by opening his eyes with knowledge. We are suffering simply because of ignorance. By the instruction of the spiritual master, the darkness of ignorance is removed, and thus the disciple is enabled to go to the side of freedom. It is stated in Bhagavad-gītā that after many, many births one surrenders to the Supreme Personality of Godhead. Similarly, if, after many, many births, one is able to find a bona fide spiritual master and surrender to such a bona fide representative of Kṛṣṇa, he can be taken to the side of light.”

As you have said here that after many, many births one is able to find a bona fide spiritual master, Prabhupada I know, I have no qualification to find a spiritual master but I know this is your causeless mercy that you have accepted a fallen soul like me as your disciple and giving me opportunity to serve your mission of spreading the message of Krishna Consciousness.

As we daily sing in the Guru vandana- *cakhu-dāndilojei, janme janme prabhusei*

Please, Srila Prabhupada be my Lord birth after birth and open my darkened eyes which are at present in full of ignorance, and never let me go away from the shelter of your lotus feet.

Please bestow your mercy on this fallen soul.

Your insignificant servant

Bhava Tarini Devi Dasi

Bhurijana Dasa

Dear Srila Prabhupada

Please accept my humble obeisance, All glories onto you.

This year I have got a formal initiation and got the name “BhurijanaDasa”, servant of the great devotees of Krishna. I am very thankful to you for accepting me as your disciple. Prabhupada I don't have any qualification to become a Brahmana what to speak about becoming a Vaishnava and get initiation from a pure devotee like you. It's all your causeless mercy which you have bestowed upon me. To get this transcendental knowledge and to understand it is not possible for an ordinary soul like me. This knowledge is “guhyatamam” the most confidential and “paramam” supreme knowledge, How it is possible for an ordinary soul like me to understand the topmost knowledge which is meant for pure devotees of the Lord. It's possible only by the mercy of your grace. This I have realized when I try to explain this knowledge to the people. How difficult for them to understand who we are?, Why we are suffering in this world? Why death, old age and miseries are imposed upon us. People are so ignorant that they even can't realize that they are suffering, they are happy with false enjoyments.

The illusory energy of the lord is so powerful and very difficult to overcome, even Krishna told in Bhgawadgitamam mayadhratyaya. It covers the true knowledge of the living entity and put him in such a deep slumber of ignorance that he even can't understand his pitiable condition of existence. Maya mugdhjiva suffering day and night, working hard like an ass in industries still he is feeling I am happy. Mam evaprapadyatemayamatamtarantite one who surrender to the lord only he can come out of maya, this understanding is very difficult to get and to understand this fact one requires the mercy of pure devotee like you.

Prabhupada how much pain you have taken for us to give this treasure of Krishna consciousness, I will never be able to repay you Prabhupada, neither I have the strength to fulfill your mission. I am the most fallen soul and have come to your lotus feet, kindly give me the shelter of your lotus feet, kindly allow me to be a servant of your sincere disciples birth after birth then there may be any hope for me to become your true disciple. I should be tolerant to all provoking situation and pride should never overpower me, this is my humble request at your lotus feet, kindly bestow me such a intelligence by which I should never commit any offence to any Vaishnava. My anarthas will force me to be offensive, my false ego will try to overpower me kindly help me by giving me strength. I want to become a true humble servant of the devotees of Krishna and to chant the holy name of the lord with full of love, this is my prayer to you Prabhupada, Kindly bestow your mercy upon me.

Your most fallen servant

Bhūrijana Dāsa

Hiranmaya Chaitanya Dasa

Dear Srila Prabhupada

I offer my respectful obeisances to the lotus feet of my Spiritual Master who has eternally serving Radha and Krishna and by his grace, only all the condition souls of this material world got the chance to come out from Darkened illusions of Bodily concept and taste the Nectar of Holy Name. I am thankful to you for giving me an opportunity to serve you for one more year, although I not fit for that. Neglecting all the shortcomings and tolerating my attitude, you had given me a chance again to rectify it, I am very thankful to you.

O! Prabhupada when will I be able to give up my false ego, which is so deeply engrossed in me and when I am able to truly understand the importance of your divine instructions. This material world's nature is to kick us again and again, but still, I am too attached to it. It is not possible to come out from this material conception without your mercy.

“vaisnavera avedane kṛṇsa dayamaya

e pamara prati habena sa-daya”

By the prayer of the Vaisnavas, the all-merciful Lord Sri Krishna will then become compassionate towards such a sinner as me. O! Prabhupada you are Ocean of mercy. You had given a chance to everyone to take this Krishna Consciousness.

This year was very challenging for me because of my health issues and then a sudden shift of service. But I am happy that you still have given me a chance to serve the mission of Lord Sri Chaitanya. Now as you had given me some higher responsibility, I am praying to you to give me Knowledge and Strength to do my service, keeping the high standards taught by you. As it is said by the mercy of a Spiritual master a dumb man turns into eloquent speakers and enables the lame to cross mountains. O! I have no strength and knowledge to preach Kṛṇsa's message but I have full confidence in you.

As we know Haridasa Prabhu came with the motive of stealing **Prabhupada** watch and later, he changed his mind. But he still had to steal propensity but because of Prabhupada mercy, he gives it up. Prabhupada gave us Higher taste to give-up lower taste.

Prabhupada you are an ocean of mercy and I have an ocean of shortcomings but please never keep me away from your shade of mercy.

Aspiring to become your humble Servant

Hiranmaya Chaitanya Dasa

Pandava Sakha Dasa

My Eternal Spiritual master Srila Prabhupada,

Please accept my humble obeisances an unlimited number of times on your Vyas Puja, 2018.

As it mentioned in Chaitanya Charitamrita:

*konabhāgyekārosāṁsārakṣayonmukhahaya
sādhū-saṅgetabekṛṣṇeratiupajaya*

By good fortune one becomes eligible to cross the ocean of nescience, and when one's term of material existence decreases, one may get an opportunity to associate with pure devotees. By such association, one's attraction to Kṛṣṇa is awakened.

*kṛṣṇayadikṛpākarekonabhāgyavāne
guru-antaryāmi-rūpeśikhāyaāpane*

Kṛṣṇais situated in everyone's heart as the caitya-guru, the spiritual master within. When He is kind to some fortunate conditioned soul, He personally gives him lessons so he can progress in devotional service, instructing the person as the Supersoul within and the spiritual master without.

*mahat-kṛpāvinākonakarme 'bhakti' naya
kṛṣṇa-bhaktidūrerahu, saṁsāraheṣaya*

Unless one is favored by a pure devotee, one cannot attain the platform of devotional service. To say nothing of kṛṣṇa-bhakti, one cannot even be relieved from the bondage of material existence.

If we ponder on these instructions we can understand that what a good fortune it is to get the favor of His Divine Grace A. C. Bhaktivedanta Swami Srila Prabhupada who is a pure devotee of the Lord.

But many times we take this mercy for granted.

“Following Krishna's orders means chanting daily 16 rounds, following the four rules and regulations, rising early, associating with devotees, like that. Unless these principles are followed, we cannot expect Krishna's protection.”

Letter to: Jayadeva-Paris, 23 July 1972

Many times you have stressed that “Purity is the Force.” To stay strong in Krishna Consciousness one has to simply follow your instructions. But I am the servant of Lust, anger, greed, enviousness, material name, fame etc., List is endless.

As mentioned in Bhakti-Rasamrita Sindhu:

*kāmādīnām katinakatidhāpālītādurnideśās
teṣāṁ jātām ayanakaruṇānātrapānopaśāntiḥ*

utsrjyaitānathayadu-pate sāmpratamlabdha-buddhis

tvāmāyātaḥsaraṇamabhayaṁmānniyuṅkṣvātma-dāsye

O, my Lord, there is no limit to the unwanted orders of lusty desires. Although I have rendered these desires so much service, they have not shown any mercy to me. I have not been ashamed to serve them, nor have I ever desired to give them up. O my Lord, O head of the Yadu dynasty, recently, however, my intelligence has been awakened, and now I am giving them up. Due to transcendental intelligence, I now refuse to obey the unwanted orders of these desires, and I now come to You to surrender myself at Your fearless lotus feet. Kindly engage me in Your personal service and save me.

So taking advantage of this auspicious occasion I am praying to your lotus feet Srila Prabhupada, to shower your blessings upon this useless soul. Please engage me in the transcendental loving service to the lotus feet of Sri SriRadhaVrindavana Chandra. Please engage me in broadcasting the glories of Sankirtana Movement of Sri Chaitanya Mahaprabhu and glories of your lotus feet.

My humble obeisance unto the lotus feet of my spiritual master, **HIS DIVINE GRACE, A.C. BHAKTIVEDANTA SWAMI SRILA PRABHUPADA**. And My humble obeisance unto the lotus feet of all the Vaishnavas.

My Dear Srila Prabhupada:

Please accept my humble obeisance unto your lotus feet.

By your Grace we are trying to revive our Krishna consciousness by following your process. While following, we are realizing that there are lot of wrong process recorded in our sub-consciousness that were followed during initial days or still following due to lack of knowledge/realization, my humble obeisance to you and to your dedicated devotees, who are guiding all of us to the path of Krishna consciousness that are laid/shown by you.

In this year, there were lot of obstacles, which prevented us to have devotee's association and book reading etc, only low quality chanting was going on. During this time, I realized that without book reading and devotee's association it is very difficult to walk on the path of Krishna Consciousness. This kind of obstacles are the mercy of you and Krishna, to make us realize.

Srila Prabhupada, please have your mercy on us. We need your blessing in putting ourselves in our mission. Give us all strength to serve your devotees, most of the times we fail in serving your mission. As I am still a neophyte, I require more strength in connecting more good souls to your mission. You have given us lot of opportunities to devote ourselves to serve Lord Krishna, only missing is, our dedication and sincerity in chanting. It's only by Your's and Lord Krishna's mercy we have that inspiration to Chant in more quality.

“The Disciple's Duty is to be ready always to service the spiritual Master, at any cost” Los Angeles, June 23 1972.

Srila Prabhupapa, please give us all strength to fulfil your dream, of building Skyscraper temple to Krishna, our Vrindavan Chandrodaya Mandir.

Your menial servant and menial servant of your servants,

Sevanishtha Dasa.

Shuklambhara Dasa

Dear Srila Prabhupada,

Please accept my humble Obeisances. All Glories to you, Srila Prabhupada.

There has been a rat race for usurping your position which has been degrading day by day with the so-called gurus talking about unity, morality, comedy and in word jugglery without touching upon the transcendental truths you have revealed. In contrast, your transcendental vani is so pleasing, so simple that even a person with little IQ can comprehend and completely relishable to one's heart's content. Your kind words uplift our consciousness from tamo guna to suddha sattva guna within a moment of attentive hearing. Due to the positive efforts of the ISKCON Bangalore group to follow your directions strictly, the ISKCON Mumbai group looks like they have taken up preaching seriously. Practically they have hostels outside all the premier institutes of India. We are just putting our tiny efforts to bring Your Divine Grace's transcendental books and preaching to many institutes allocated under VCM. It is very challenging to make devotees from these top institutes as they are resplendent with good karma and high material aspirations. Only if you so desire, we can expect some devotees from these premier institutes.

Your transcendental presence is felt even by simple devotees like us in our daily interactions with other devotees, your lectures, non-devotees and we constantly keep getting your guidance to improve our spiritual standing. Even with all these favorable situations of spiritual life with excellent senior devotees' guidance, Maya is very strong always trying to pull us down with all her tactics. We are not personally strong even to withstand a bit of her influence. We are standing on and moving on just because you have given shelter at your lotus feet.

VCM is a dream project to reinstate and make a remarkable statement for the entire mission and to showcase to the whole world Your transcendental glories and Your transcendental position of being the Spiritual Master of the entire world. Even though apparently many obstacles are in front, if you so desire and shower your mercy to all the simple disciples like me, we could do more intense services to please you. I do not wish to have any desire which is not pleasing to you and your senior disciples who are the inspiration for the entire movement.

As you have decided now to guide your disciples to gradually preach in the western countries, we see grihasthas in the US who have jobs outside and due to the strong faith and surrender to your kind self, they have been able to preach vigorously and build temples. I feel ashamed on not doing such intense bhakti and not utilizing my full potential in serving you have more time for engaging in services. All the devotees in all our temples are glowing in their personality as you have blessed them with the complete status of the highest liberation in this material world. There are unlimited facets of bhakti to be understood and realized every day.

I beg you to kindly continue to shower the same mercy unto me, my Godbrothers and to many more souls, you come in touch so that they become your disciples and dedicate their life for your mission and create an avalanche effect for our entire group in terms of devotees joining temple and congregation.

Your unqualified servant,

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet. All glories to His Divine Grace!

You appeared in the most terrible age, Kali-Yuga, in a civilization that is degrading day by day. We are experiencing human values, ethics, quality of life mortifying at every moment; nevertheless, we're technologically advancing but

falling down humanly qualities holistically. It is the most inauspicious time for spiritual practice. Everyone is too busy rushing for success and forget to ask what is real meaning of success.

In addition to, I was born in darkness and infatuated about all material success, that I was, some years ago not very different from others. Somehow or other I got opportunity to connect with ISKCON Bangalore devotees, where I followed process as prescribed, I was totally bewildered by knowledge in your books. It's complete package to get out of Illusion and understand one's constitutional position of self. Pure and lucid information of Krishna or GOD is manifested through commentaries and books. By your grace I could understand my real identity and perfect yoga as devotional service towards Lord. Your contribution to society is pure as gold and invaluable as diamond. As correctly said, by mercy of Krishna one gets Guru and by mercy of Guru one gets Krishna.

Therefore, I shall always be indebted for your contribution and guidance.

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet.

This is my first Vyasa Puja Offering on the most auspicious occasion of your appearance day. Your Divine Grace, you have mercifully given everything required for us to get the constant association of you in form of books, letters, conversations, lectures, devotees, temples and so many things.

Though I am going to complete 2 years in association with the Hare Krishna Movement, very later I have realized your hand in all twist and turns of my life.

You were always more than a teacher or Guru for your disciples. For them You are the perfect father, who guides and undertake the care of whom, they feel most secure. You are a perfect mother, who takes every suffering of the disciple like a mother do for her child. You are a perfect friend, to whom they can share anything and everything.

Not only your teachings give a deep impact on the fallen souls, but your character, humility, humbleness, love, tolerance, Karuna(mercy), are always soothing to the hearts of your disciples and increase their love and devotion towards you.

This fallen and wretched soul, although unworthy of your mercy, is begging. For fallen souls like us, there is no other way to get freed from clutches of Maya.

As mentioned in Srimad Bhagavatam by Bharat Maharaj:

*na cchandasā naiva jalāgni-sūryair

At another place, the same thing is told by Prahalad Maharaj:

*mahīyasām pāda-rajo-'bhiṣekam
niṣkiṣcanānām na vṛṇīta yāvat (SB 7.5.32)*

"Unless they smear upon their bodies the dust of the lotus feet of a Vaiṣṇava completely freed from material contamination, persons very much inclined toward materialistic life cannot be attached to the lotus feet of the Lord".

O Prabhupada, there are so many worms in the heap of dirt accumulated in the heart from past millions of years, biting me every moment, by not allowing to detach from the temptation of the temporary world. I am a very weak soldier of your army. Please give me dust of your lotus feet. I want to be your servant under the guidance of the devotees, who already serving your mission. Srila Prabhupada, Please accept my humble obeisances at your lotus feet.

I do not find myself deserving to write this Vyasa Puja Offering. It is certainly not for the likes of individuals amongst whom I am one.

Nonetheless, I thank Srila Prabhupada for acquainting me through his disciples and teachings with the aim that my life should have, for things that I have attained, for lessons that I have learned and for everything else. I believe that the material advancement I have made is a by-product of the little time I spend towards my spiritual enhancement.

When I reflect back spiritually, I can clearly see that I am no better an individual than I was about 4 years ago. Srila Prabhupada, through his mysterious ways, keeps on teaching me the lessons of spirituality: lessons that I come across, humbly accept to be true and then forget with time. I never have doubted the authenticity of the teachings or its ways but am unable to follow on a regular basis for reasons that are very innate to me.

I have always been a procrastinator. I leave off tasks until the last moment; tasks that are important to most. But, Krishna's mercy has been with me always and I have conquered all hurdles with least effort and no perseverance. Krishna Consciousness requires perseverance, something that I have never practiced in my entire life. I can follow the path laid out by Prabhupada for a week at the most and then I revert back to my non-perseverance self. It has been an On and Off process for me over the years; more on the Offside.

Nothing is impossible though and I hope that by Srila Prabhupada's mercy, I stumble upon a rock and fall so hard that the chemical composition of my brain gets messed up and points eternally in one direction: perseverance towards Krishna Consciousness.

Your Servant,

Bhakta Karan

Bhakta Krishna

I offer my respectful obeisances to Srila Prabhupada.

It took a while to understand the position of Srila Prabhupada. I did not know the value of guru or spiritual life but after reading and hearing from Srila Prabhupada my doubts were cleared. Everything becomes sublime through the Vani of the spiritual master. Just like in Bhagwatam, just by the fragrance of the lotus feet of Vishnu in Vaikuntha four Kumars become automatically attracted to the devotion services similar work was done by Srila Prabhupada in the west. When he entered the western country, just by his vani people who were considered mleccha by Indian standards become attracted to the Lord's service that is the glory of Srila Prabhupada. Although Vedic scripture is of Indian origin still people don't understand the true purpose of the Bhagavad Gita and Bhagwatam. It has become the means of entertainment or ancient myth. It tells that even Through scripture are there for 5000 year still guru is needed to bridges the gap between the god and man. So that true essence of scripture can be understood. That is why Srila Prabhupada is the real and authentic guru.

In my personal life, Prabhupada books and audio recording has played a very important role in understanding the spiritual science and develop some faith in God. I thank you Srila Prabhupada for your causeless mercy on me for bringing me close to devotees and your books.

I am always grateful to you.

The above shlokas, after coming to Krishna consciousness is now my Catchphrase before starting any action, which signifies obeisances unto the lotus feet of my spiritual master, His Divine Grace A.C. Bhaktivedanta Swami Prabhupada. Dear Srila Prabhupada. Please accept my humble obeisance.

From my childhood I had a great inquisitiveness about all the cosmological events, about how the creation began, what are these stars & planets, how come we are here, etc., the answers remained silent until I came in touch with your books Srila Prabhupada, which literally turned my world upside down. Its by your mercy Srila Prabhupada that i am now aware of the supreme personality of Godhead Sri Krishna, the cause of all these material manifestation.

Earlier I was living just like any normal person, who so remains busy with all his material responsibilities, thinking that's the only thing people of this planet suppose to take care of without even a hint of what this world is all about, but by your mercy the darkness with which I was living, with so confused state is now brightened by the torchlight of knowledge Srila Prabhupada.

You presented the knowledge of our great Vedic wisdom in so simple and easy way that a fool like me also understood the real purpose of this rare human life. The current civilization which claims to be advanced & allures people towards it, which earlier seemed so nice to my narrow darkened brain & eyes is now by the mercy of you is broadened & the thick blanket of fog which covered my eyes to view & perceive the true nature of this world has now disappeared.

By your mercy Srila Prabhupada i am now saved from being slave of my senses and doing all sinful activities. You taught me about the laws of nature which even a big Nobel laureate, big philosophers, scientists, scholar have no idea or even a little hint about it. It's by your Mercy Srila Prabhupada that I am now awake in the devotional service of supreme personality of Godhead Krishna, who earlier was sleeping in the lap of Maya.

Dear Srila Prabhupada you being empowered by the Lord himself has carried out the message of Lord Chaitanya with sheer grit & determination, even though sometimes your help doesn't support you. Its by your mercy now at every town and village the chanting of holy name is propagated by your disciples.

Even though I am the most fallen but by the dust of your lotus feet I can be uplifted immediately & rise to preach all other about the glories of Lord Krishna & his pure devotees like you Prabhupada.

Dear Srila Prabhupada, please bless this least of the least, most fallen one to be on the path of devotional service and to carry out your instructions properly.

Your eternal Servant,

Bhakta Kundan Kumar

Bhakta Mani Kant Kumar

Dear Srila Gurudeva,

I offer my humble obeisances to the dust of your lotus feet.

All glories to Srila Prabhupada.

I will be eternally grateful to you for showing us the correct path and saving me from impersonalism and showing me the right way of bhakti without your blessings I would be bewildered and for ever inspiring us to perform bhakti fearlessly in any circumstances and never leaving the side of truth.

I still can't express my feeling whenever I attend the Sankirtan, Bhagavatam, Aarti, It is just like bestest feeling ever. I feel very blessed whenever I got a smallest opportunity to put myself to serve you here by serving the community of wonderful devotees.

I feel so fortunate to read your books, listen the topic towards bhakti and your topics was ever Krishna and nothing else which is the sign of great devotee and pure devotee, although we speak lot of nonsense but you always spoke from the shastras. As shastras have said no one can understand the pure devotee similarly I cannot understand your activity unless you bless me.

Thank you very much, Srila Gurudeva,

Your unworthy servant,

Bhakta Mani Kant Kumar

Bhakta Mayank Naugaien

Dear Srila Prabhupada,

I am Mayank Nauagien, I lived the golden time of my life in ISKCON folk hostel ITPL Bangalore at that time I wrote a poem on Srila Prabhupada and sung it on MVT Hare Krishna Hill Bangalore in the occasion of Vyasa puja 2011. While I am not a poet but I am so much astonished by looking into the life of Srila Prabhupada that I wrote it and it is appreciated by all the devotees

Right now with the grace of GOD, I again got the association of Krishna Devotees and Krishna Prasadam for which I am hankering as I got a job in Noida ISKCON.

I pray from Srila Prabhupada and Krishna that always give me shelter of your lotus feet and the association of your devotee.

This year 2018 on 10th April I got new born baby named Jayanta (one of the Krishna names means one who conquer all his enemies) this name I have searched on the internet.

I have a DREAM one day an ISKCON temple in my village Kundeshawari Kashipur Uttrakhand will open. Whatever by the grace of Krishna I got, I want to use for Krishna's service. I hope that Krishna has a big plan for me and my son, Srila Prabhupada please bless my new born baby, may he will be a good devotee.

Right now I am feeling very happy, feeling that golden time again come back into my life. Srila Prabhupada always attach me to your lotus feet.

All glories to Srila Prabhupada!

Bhakta Mayank Naugaien.

Bhakta Naveen Mandolia

Dear Srila Prabhupada,

My words cannot describe the respect you and Krishna's devotees have in my mind. Being in Krishna consciousness taught me how to love or how to live a life, though for a moment. Though I am just a beginner, but knowing about God-consciousness has set my future on a different course. Initially, I was a mere speculator but now I try to see Krishna in everything. Your book teaches me how not to live in duality. But we are poor souls bound in this conditioned life. I am happy that I have now some semblance of hope in this vast cosmic universe where the only thing which makes sense is Krishna.

Your Servant Bhakta Naveen Mandolia

Bhakta Nishant Prakash

Dear Srila Prabhupada,

Please accept my humble obeisances.

All glories to you on this auspicious day of your Vyasa-puja.

Your transcendental books are the greatest gift to this suffering humanity. As you once told – "I will never die. I will live forever in my books and you can take advantage." and indeed, the whole world is taking their advantage. Any sincere reader of your books can feel your divine presence like a rising sun clearing the fog of doubts in the heart one after another mysteriously. Although the transcendental literatures are meant for "Swans" but just by touching your divine books even "Crows" transform to "Swans" and take pleasure in the stem of lotus like Krsna-Katha. By your causeless mercy, am one of those fortunate crows.

By Krsna's mercy, I have taken some hold of your lotus feet and have started little Vaniseva in the association of other devotees. Kindly provide me enough spiritual strength so that I could dedicate my life to serve you under the guidance of senior devotees.

Blessed are souls surrendered to His Divine Grace,
the stepping stone to Krsna's Embrace.
the ray of hope that brightens fallen face,
Blessed are souls surrendered to His Divine Grace,
His books are the shield against Maya's mace,
Opening our eyes to the world's rat race,
The only medicine that works in every case
Blessed are souls surrendered to His Divine Grace,

Your menial servant,

Dear Prabhupada,

All glories to SrilaPrabhupada!

Oh! Dear Srila Prabhupada: My spiritual master please, accept the realization of this most fallen soul.

Life was given to us millions of years ago. What we did with it? Nothing apart from eating, sleeping, mating and defending.

Everything is the same yet so different. Only engaged in the activity which never takes us to the other dimension of life which is eternal? The dimension full of happiness, completeness, creative creation and many more which is beyond the concept of the material world.

Is there a different world other than the world we are living in? If yes; then I wanna go to that eternal world. The thought of a different world struck my brain one day. The question of the different world kept on pondering into the neurons of my cerebellar cavity and I came out with the solution which was only questions and mysteries. The more I was getting into it the more complex it was becoming. It was like I was woven into the very fabric of cosmos: Time. But there was a quest of getting out of that world of the time dimension. I don't know what it was but it was something which gave me a powerful conception that there is a different world where red means love not destruction. (Red is the color of blood which is the sign of crime in this material world.)

So, my neurons departed from its secretion point and started circling with the thoughts like:-

The whole world has gone out. I'm left alone in my own world and I'm thinking slowly in my empty room that where should I find my happiness? Where should I find the spiritual world?

At the same time I was satisfying myself with the thoughts like- is it immaturity which is saying that I should search for the eternal world? Again questions after questions. The more I was getting into the thoughts of the different world the more I was getting woven into the web of questions.

Now, what should I do? Whom should I talk? Is there any living creature who can answer all of my questions and take me to the different world? It was like time was speechless, bond was destroyed and the field was also mismatched.

I wanted a spiritual existence who can solve all my mysteries. Who can take me to the different world? The world full of joy. The world full of people. The world of care. The world of happiness! The world where the search for all those questions is not a rocket science. But I didn't find any worthy creature who is worth answering all those questions of mine.

That's it. I was done with that. I started thinking that how a fool is the creator of the universe that even a teenager couldn't find the answers to his questions. Well, the application bell of the college rang and I left for my study to the west. I made myself busy with the material stuff and made a strong determination of never coming back to the east again.

But there were many things which were not under my control, which can change the destiny? I planned something else but destiny has something else to offer. I came back again for a few months. The place where I started living was a material world and at the same time, there were a group of people who were in the different world, the world of my spiritual master Srila Prabhupada. The world I always dreamed of. Slowly-slowly devotees of my spiritual master Srila Prabhupada with the divine blessings from Prabhupada answered all my questions which woven me once into its web. It wasn't any mystic power which solved it. It was just the disciple of that mystic power who answered all those questions. If a disciple can do such wonders then what about the direct teachings of Swami Prabhupada? It was like watering the root rather than watering the other parts of plants. Suddenly life came into my body and I started realizing the true purpose of being.

The Spiritual Master Prabhupada's philosophy gave me the true purpose of life. Then I realized that the creator is not a fool. He is more than what I thought of. I was just unaware of that realm of life practice. All those materialistic worlds are like a child's play for him.

For the very first time, I realized and felt that my mind was working with another mind. It was like a miracle for me as I was involved with electronic brains only and leading a dog's life. It was like everything in Prabhupada's world was genetically engineered. And that engineering was so much advanced that it pleased me that it can take me to the different world. The world of people. The world of joy. The world which is eternal. The moment when I

saw Prabhupada's lotus feet it was like nature stopped working. Time was still and my eyes were fixed at only one existence: The existence that wows!

The evergreen forest was unhealthy in front of Prabhupada. The waterfall was also not so amazing view than Prabhupada's picture. Even the rain didn't touch my soul the way he did. Even the moonlight was low in front of that. Even my imagination couldn't match that.

It just took my mind into another realm. All due to Prabhupada's blessing.

Now I was something else. All due to the blessings of Prabhupada. All because of the mercy of Krishna.

With everyone, I interact like a person who takes a trip on a vacation. It was like come with the moment come with the man. But with my spiritual master Prabhupada, I want to take a journey which I will never forget. "One who leaves a trail of glitter is never forgotten". It is eternal.

I want to experience things with him so extraordinary which can change me in real and unexpected ways from the inspired to the inspiring. From the humble to the truly humbling. From transfixing to the transcendent.

I don't know whether it's a matter of laughter or appreciation that I feel safe with him like my mom. I want to find the true crossroads of the cosmos in my spiritual master Prabhupada where I can learn, laugh, connect, bond and immerse myself in a gene, with millions of years of recommendations and connections. No matter what circumstances come into my life. When I see Prabhupada, touch his lotus feet and feel him which I never experience anywhere else. It's like time got its end and I'm floating deep into the thoughts of Krishna.

Similarly, I want to begin my journey in Krishna Consciousness neither worth forgetting nor worth surviving and also not worth living. I wanna start worth preparing towards spirituality. I wanna prepare under the shadow of Prabhupada in such a way that whatever situation comes I'm ready for that.

Oh! Dear Prabhupada I'm begging to remain under the shelter of your lotus feet at all times and inspiring to be your humble servant.

Bhakta Prince Abhimanyu

Bhakta Rakesh Bundhoo

Dear Srila Prabhupada,

Please accept the humble obedience of this fallen one unto your lotus feet.

Words cannot express my delight when I found out that there exists a way to cultivate the heart. Cultivation of the heart is considered the most blissful as it transcends that of body, mind, and soul and it is also considered mythical since it is not practiced by a lot of people as the method to practice this cultivation technique was not available to everyone. Chaitanya Mahaprabhu started the sharing of this knowledge with everyone and by the grace of Krishna, now you are continuing the sharing of this cultivation technique with everyone.

Normally the road of cultivation is long, perilous, lonely, in other words, it is very hard. However when one accepts you, Srila Prabhupada as a spiritual master, this dangerous journey becomes easy and full of bliss. You are here guiding those who have surrendered unto your lotus feet every step they make just like a father, holding the hand of his children when they first learn to walk. This road that was supposed to be lonely, tiresome and bitter, just by your grace is filled with millions of devotees of the Lord.

Srila Prabhupada you are present with each and every one of us as we walk down this road by simply following your instructions, by reading your books and by watching your videos. You guide us just like a mother feeds her newborn baby as everything you say or you have written is so easy to understand and comprehend. By your

mercy, those millions of devotees are busy interacting with each other as they take delight in sharing what makes them happy in serving the Lord.

Everybody is blissfully immersed in the devotional service of Krishna. Oh, merciful master, Srila Prabhupada, as far as these eyes of mine see on this road, there are only your footsteps. This road of devotional service has been embraced by you for millions of time and you will continue to embrace it as there is no greater road to walk in this world than the road known as Krishna Prema.

Please continue to shower your mercy on those who have surrendered to your lotus feet.

Your eternal servant, Bhakta Rakesh Bundhoo

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet.

My dear Prabhupada, I accepted you as my spiritual master four year ago. Because of your causeless mercy, I am trying to follow your orders. I am growing up in devotional life only because of your blessings. With the help of your books and lectures, I am able to know more and more about the Supreme Personality of Godhead Lord Krishna. Because of your mercy, this fallen soul is trying to become a servant of your lotus feet. This fallen soul wants to remain under the shelter of your lotus feet.

Please accept me as your humble servant.

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet.

Around 9 months ago, your mercy fell upon me as I got in touch with the Hare Krishna movement. Since the association, I have experienced a lot many things. The powerful maha-mantra helped calm and declutter my mind. My priorities seem clearer to me now than they were before. Life's problems seem less challenging as I continue to understand the philosophy of Krishna Consciousness. I feel more connected to Krishna, the Supreme Personality of Godhead. Through your mercy, I have been able to realize Krishna's presence in everything happening around me and the nature of every soul's relationship with him. In the past 9 months, I have come to know about Krishna, his pastimes and teachings in much more detail than ever. These pastimes have entertained as well as mesmerized me with the depth of teachings each one of them has to offer. My first visit to Vrindavan recently made me come closer to the mission and gave form to my understanding of Krishna and his manifestation.

Doubts about a lot of things keep deluding my mind but your blessings keep clearing my doubts away. As you said once, that we are all frogs in a well 3 feet deep and it is difficult for us and science to comprehend a thing as vast as an ocean, I believe I am still a frog desperately jumping to view the world as it is, as told by your enlightened understanding.

I am far from reaching a stage where I can call myself a devotee, but with your continuous help, I am sure I will be able to march forward. Keep blessing me as you have done in this past year.

Thank you Srila Prabhupada for coming to my life at this point of time.

Your humble servant, Bhakta Yash Ujjwal

Dear Srila Prabhupada,

Please accept my humble obeisance to your lotus feet. All glories to your Divine Grace.

While growing up, I kept on wondering what the purpose of life. I am fortunate enough to receive a copy of Bhagavad – Gita as it is and after reading, I understood that I needed to be trained under a bona fide spiritual master. You are the Founder – Acharya and Diksha Guru of our beloved ISKCON Institute. With your causeless mercy, many devotees are practicing Krishna conscious in their lives and are progressing. Once I realized your unique and exalted position, I started my spiritual training under your guidance.

Unfortunately, I have failed miserably so many times. I am so fallen that I cannot even follow your simple instructions properly. Srila Prabhupada, being like an ocean of mercy, did not lose faith in me. Slowly and surely I have a little progress on the path of Krishna Consciousness. You even showered special blessings on me this year, as I met and associated with so many of your dedicated disciples in Noida and Vrindavan.

Material life is like a hellish and miserable ocean but if one follows your instructions sincerely and read your books submissively, one can easily cross this ocean. O master, on this most auspicious day, I pray to you to make more humble and more tolerant. Please engage me in your service.

All Glories to Srila Prabhupada

Dearest Śrīla Prabhupāda,

Please accept my most respectful obeisances. Like a father, you have held our hand and taught us how to walk on the spiritual path of Kṛṣṇa consciousness. Whenever we trip, we only need to hold your hand and take shelter of your teachings to become steady. Like a loving mother, you have selflessly taken so much trouble to nourish our soul, mind and body. Like a true, ever well-wishing friend you have guided lost dark souls towards a path of eternal bliss. You are the eternal guru of the entire world. Out of your utmost respect for your spiritual master, unlimited devotion for Śrī Kṛṣṇa and causeless compassion for conditioned souls, you stepped out of the eternally blissful dhāma of Vṛndāvana, into the *duḥkhālayam aśāśvatam* world of māyā just to save us from rotting here for countless lifetimes. I have no realization and no devotion. Nor do I have any good quality whatsoever. Humility, tolerance, self-control are all unknown to me. But, I have faith in your words and your causeless mercy which makes me hope that one day even someone like me can hope to become fit to go back home, back to Godhead. You have worked day and night for us. I beg to you to make me qualified to render nitya sevā unto your lotus feet in complete surrender, humility, enthusiasm and to the fullest of my ability in whatever way you seem fit. If I get such good fortune, I will consider my life to be the most successful.

-Aspiring to be your nitya sevaka

Dear Srila Prabhupada,

My humble obeisance to your lotus feet!

As whole life peoples are aimlessly wandering to search for happiness, likely I was also looking someone who can solve life's mysteries, I tried so many ways and entreated family, friends and others unsolved questions can be asked, being a sentient I was looking for real affection from people, but realized nobody loves nobody with no reason in this material world. This is self-centric world, where everybody is busy in satisfying oneself. Due to your grace I could understand love we're seeking which can be satisfied by KRISHNA only. He is reservoir of love.

So, with your and Krishna mercy; I could use my emotions to serve Krishna nicely. I know it will be direct head to head battle with Maya, but somehow or other I'll cross over this ocean of nescience. I cannot be easily detached from material maya but with your divine grace I'll be successful one day.

Thank you Prabhupada to give the right direction to my life.

I am such a lowly servant of yours. Although You have blessed me with the seed of bhakti which is difficult to be gotten even by the greatest of demigods, I have taken it for granted and am not following Your instructions seriously. Dear Srila Prabhupada, Please give me intelligence to understand the greatness of Krishna Bhakti. please give me the realisation of how fortunate I am for having received your causeless mercy. Please give me strength to follow your instructions of chanting 16 rounds daily and following the four regulative principles. Please give me the intelligence and strength to serve your mission. My Dear Srila Gurudeva,

I offer my humble obeisances to the dust of your lotus feet.

All glories to Srila Prabhupada.

I will be eternally grateful to you for showing us the correct path and saving me from impersonalism and showing me the right way of bhakti without your blessings I would be bewildered and for ever inspiring us to perform bhakti fearlessly in any circumstances and never leaving the side of truth.

I still remember those days when I was not aware about the Krishna Consciousness and my belief was completely different and very much attached to the materialized things. Once I got an opportunity to come to Noida VCM temple I felt the power of bhakti and suddenly I saw the changes in myself towards remembering the Supreme

Power Lord Sri Krishna. Now a days I feel very blessed while attending the Sankirtan, Bhagavatam, Aarti, remembering the God. It won't be possible without the blessing of the Great/Pure Devotee of God.

My dear Gurudeva, please bless me that I will remain your menial servant forever and not leave you even for a moment.

Thank you very much, Srila Gurudeva, Hare Krishna.

Bhaktin Sayali

Dear Srila Prabhupada,

I am greatly indebted to Prabhupada. I came to Krishna Consciousness after my marriage. I love ISKCON events which are spiritually enlightening and they are not monotonous. Association with devotees in which they reveal different pastimes of lord Krishna are relishing.

I come from traditional Hindu family where we worship all demigods as Gods, but after associating with devotees I understood Krishna is Supreme Personality of Godhead. Prabhupada's teaching imbibes values which are very essential in this age of kali. These teachings helped me to stay strong in very difficult situations. I depend on Narsimha for major problems that I face.

When I was pregnant, there were severe complications but Narsimha prayers always gave me strength and I was gifted with my daughter URVI. By mercy of guru Prabhupada I am sure I will grow spiritually and understand teachings of Bhagwad Geeta.

Dear Srila Prabhupada,

Please accept our humble obeisances.

On this day of your Vyāsa-pūjā, we want to thank you for everything you have done in our lives. Although we never met you in person, you have given us your legacy and teachings. Thanks to you for choosing me for Krishna ashreya this time. We have had the great fortune to follow your teachings. Your books are marvelous. With each reading, we feel as if each word has entered our hearts and filled us with transcendental knowledge. Through your books, you have taught us the absolute truth. You taught us how to execute devotional service to Lord Krishna, and that this is the ultimate goal of our lives. Every time we perform devotional activities, we feel very happy. We feel your presence every time we perform services like book distribution, harināma sankirtan, and prasādam distribution. You are our main motivation for performing these activities, and because of you, our lives have meaning. Every time we chant the mahā-mantra, we do it with love and we remember you, because without you we would have never had the great fortune of listening to and chanting those sweet names. We are very grateful to you for transforming our lives. Please bless us so that we can continue to expand your movement and inspire more people to join it. In this way, more people will know about Krishna, and the suffering in the world will decrease. We promise you we will make our biggest effort to make the preaching and your movement to grow.

Dear Srila Prabhupada,

On this auspicious Vyasa puja day, I am thanking you for bringing a lot of goodness into many people's lives. After joining Krishna Consciousness, my life has changed so much. Dear Srila Prabhupada,

All Glories to your Vyasapuja!

I am very much excited to narrate this homage because it is all about glorifying your qualities. We as your children are so indebted to you due to the hard work you have done in this movement. Without your presence and guidelines we are nowhere in this movement. I feel so thankful that I am in this ISKCON movement to serve the Lord and the devotees. I pray to you that I should always engage myself in devotional service without any obstacles, getting the association with devotees and not to forget to do my rounds and read books. In spite of this busy life in this material world, I somehow or rather have to take part in my devotional service. Please do give me strength and always be my side. Thank you so much for everything you have done for us.

Dear Srila Prabhupada

I would like to THANK YOU for your causeless mercy which you are giving me in the form of books and association of devotees at Malaysia Hare Krishna Ashram.

It is only because of Your mercy, that I'm able to take remnant of Lord day after day which is giving me spiritual strength.

As a conditioned soul, I'm suffering in this material world. Please give me strength to remain in humble position, chant 16 rounds and read your books daily and also to follow four regulative principles .

“I offer our respectful obeisances unto His Divine Grace A.C. Bhaktivedanta Swami Prabhupada, who is very dear to Lord Krishna, having taken shelter at His lotus feet. Our respectful obeisances are unto you, O spiritual master, servant of Bhaktisiddhanta Saraswati Goswami. You are kindly preaching the message of Lord Chaitanyadeva and delivering the Western countries, which are filled with impersonalism and voidism.”

Dear Srila Prabhupada,

The time has come for me to once again write my offering on the occasion of the divine appearance anniversary of Your Divine Grace. Congregationally, we have shrunk with many devotees returning to India or planning to return shortly. Our programmes have had to be restructured and simplified to handle the manpower shortages. Yet we go on in our small but sure way with our tiny crew. I have also begun an online discussion group for Teachings of Lord Chaitanya. While the initial intent was to run it on a fortnightly basis, due to work commitments and other responsibilities, regularity has suffered. I seek your forgiveness for my inaptitude. I will keep trying my level best to maintain consistency in whatever way possible. We have also begun a presentation series on the significance of Sri Chaitanya Mahaprabhu's pastimes and teachings utilising material from the Sri Chaitanya Bhagavata and Sri Chaitanya Charitamrta. It is intended to be a long drawn out series. Please bless us that we may successfully run and complete it regardless of how long it may take.

On a personal note, the last few years have been especially challenging. Bodily ailments seem to be creeping up on me and my energy levels seem to be dipping. Time or the lack of it is strangling my sadhana and peace of mind. The work with which I have to physically sustain myself and my family seems increasingly mundane, boring, meaningless and wasteful. Yet, I do not see any clarity as to what I should do to break free of this multiple layers of entanglement. Such reality could either make me desolate which it has, or it can provide soberness to realize the futility of relying on the material body for happiness. At this time, I recollect how many challenges Your Divine Grace faced both in Your earlier years as a householder as well as in Your later days as a vanaprastha and sannyasi striving to fulfil Your spiritual master's desires seemingly without much support and encouragement. What is my difficulty compared to the multitude of massive challenges that Your Divine Grace faced? Yet, I cannot hide my frustration in not seeing any clear direction in moving ahead. In what direction should I go? How should I move and with what approach should I relate to my life? I feel very perplexed. But I am realizing that mere frustration or plan-making is not the solution to the challenges facing me which are primarily the result of my own prArabdha karma. I should take my spiritual practices more seriously and leave the rest to Sri Sri Radha Krishna's direction rather than resist in anger or slacken in self-pity. Being the very epitome of tolerance, Your Divine Grace is the only inspiration for trying to develop this mood of surrender. I offer my obeisances at Your lotus feet again and again for direction to remain helpless when it comes to my own intellect and ability but to be hopeful of the spiritual strength that You bring to this world being a transparent via medium of the Supreme Personality of Godhead.

Please accept my humble obeisances. All glories to you. One should chant the holy name of the Lord in a humble state of mind, thinking oneself lower than the straw in the street; one should be more tolerant than a tree, devoid of all sense of false prestige and should be ready to offer all respect to others. In such a state of mind one can chant the holy name of the Lord constantly.

My request is that let me be able to chant the holy name in a humble state of mind. In that way, I will always think of Lord Krishna and render devotional service unto him more effectively. My dear Spritual master, you are the most dearest person to the Lord, therefore I kindly seek your mercy so that I can always control my mind and engage in the devotional service of the Lord. The mind is like flickering water and even the most advanced devotee are unable to control the mind.

All glories to your Divine grace. I would like to convey my deepest gratitude and appreciation for your causeless mercy upon me. Your instruction and your invaluable knowledge have shed light in my devotional practice, though I am an ordinary fallen soul, by hearing your explanations of the vedic scriptures a glimmer of attraction to real philosophy has taken root in my heart.

Srila Prabhupada, on this auspicious day, I pray that you please continue to allow me the privilege of devotional service. Please allow me to continue serving your many sincere devotees and followers. You were always there and now, after all these years, it is amazing that I feel your presence more than ever. I offer my mind, body, and very life at your lotus feet and please give me the opportunity to serve you in the mission of Lord Sri Chaitanya had started. For like Lord Chaitanya, your compassion and kindness toward the conditioned souls has no limitations.

O Srila Prabhupada, by your causeless mercy, although I do not deserve anything, give me the strength and inspiration to continue my service to your lotus feet.

O spiritual master, O ocean of mercy and friend of the fallen! O universal teacher and life of all people! Be merciful unto us, O master, and give us the shade of your lotus feet. May your glories now be proclaimed throughout the three worlds.

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet

We Prostrate ourselves before Your Divine Grace, begging your mercy this time and times forever more. You are the savior of the fallen—without you there is no one. No one to give us direction on the progressive march back to home, back to Godhead. Filled with lust, anger and greed, we couldn't understand the purpose of human life. But your kindness knows no bounds. Patiently and even with inconveniences to your divine self you have taught our fallen selves how to redirect these three gates to hell in such a perfect way that now our lust is turning into love, our anger into joy, and our greed into detachment. The darkness which was all-pervasive has been removed by your effulgent character, and we now all stand in the sun of Krishna. Merely by the touch of the waves of the sacred Ganges one becomes liberated, even if he is the lowest of mankind; but by just seeing you, the same effect is also achieved. We also understand that to see you is to recall your instructions and act accordingly. Therefore we are all calling to you, "Give us the shade of your lotus feet and purify us!" Allow us to always follow your perfect instructions so that we may always please Your Divine Grace. This is our only wish, simply to do as you command.

Please accept my humble and respectful obeisances. All glories to Srila Prabhupada.

First of all, I would like to thank you from the bottom of my heart for giving me shelter and further continuously guiding me inspite of my repeated failures throughout my life.

Please kindly guide me in my spiritual life and engage me more in devotional service of Radha Gopinath. As I am going through this material life, I am being controlled by Maya (the nature controller). Kindly give me your causeless mercy and spiritual strength in order to liberate my soul and senses from being connected to Maya. I shall put more effort to engage my family in Krishna Conciousness.

My goal of my life is to serve my material knowledge and devotional service unto the lotus feet of Sri Sri Radha Gopinath in our advancing magnificent temple. Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to your Divine Grace. On this special day of your Vyasa Puja, I would like to take this opportunity to thank you for all the support and guidance you have given me throughout my devotional life as a full time dedicated member. You have given me your causeless mercy to serve Radha and Krishna unlimitedly. I pray that I will always continue my devotional service and thus increasing my love and affection towards the Lord.

My dear spiritual master, I would like to apologize if I had in any way offended or unrealisingly commit mistake unto your lotus feet. Please guide me and show me the right path of devotional life. Throughout my life, I have always experience happiness and distress. Whenever I am stressed, I will always turn to the Bhagavad Gita to find some comfort and the solution will always be there. I am still trying very hard to practice devotional service. Despite much responsibility, I somehow manage to finish 16 round of chanting every day and read some slokas from the Bhagavad Gita.

I pray to you that my children Sannjayan and Shyamarani will also render devotional service when they grow older. Please give us your shelter so that we will always be a humble servant of Radha Krsna. Once again, I thank you for giving me your mercy throughout these years.

Dear Srila Prabhupada,

Please accept my most humble obeisances on this most auspicious day of your divine appearance. All glories to your Divine Grace. With my limited intelligence and knowledge, I am trying to follow your instructions through the system set by you.

During your physical presence, out of your natural humility you distanced yourself from honour and glory for your personal self. But you more than deserve to get such honour for all your extraordinary preaching activities. Even though I have many deficiencies in the area of preaching, I must admit that my biggest deficiency in preaching is that I have not sufficiently glorified you. Although you were relishing the transcendental joy of pure Krishna Bhakti every moment while in the holy dhama, you did not settle down in this spiritual wealth for yourself. You saw everyone as part and parcel of Krishna, and therefore deserving of being liberated from the misery of ignorance. It is transcendental fruit of your great spiritual sacrifice alone that has manifested this mission on earth to share Krishna Consciousness with the whole world. Millions today are beneficiaries of your labour of love and self sacrifice.

On this most auspicious day of your divine appearance, I beg for your mercy so that I can serve your mission sincerely by giving up my false ego and lethargy. Though your mercy has already transformed millions of hearts, somehow I have lagged behind in accepting your mercy. I now pray that I may whole heartedly accept your mercy and actively work for spreading your Divine glories.

This is acknowledged in all revealed scriptures and followed by all authorities. Therefore I offer my respectful obeisances unto the lotus feet of such a spiritual master, who is a bona fide representative of Sri Hari [Kṛṣṇa].

I beg to remain your eternal servant and never become separated from you. After Kṛṣṇa, you are the second person that I ever felt the desire to completely serve and love. Kind request- days are passing like anything, please teach us to control our six passions; rectify our six faults, bestow upon us the six qualities, and offer unto us the six kinds of holy association. Please bless us by giving just one drop of faith with which to obtain the great treasure of the holy name of Kṛṣṇa. Please help us to surrender fully through six ways unto the lotus feet of the Lord. Please bless us to remain aloof from six types of

unwanted creepers. Please bless us to render service with love and devotion with body, mind, work, and words throughout the life without any hindrances and obstacles.

I pray to you to bless me to give up my selfishness. May I become an instrument in your glorious mission. Your mercy is very powerful for it can work in the depths of stonehearted people like me and make me give up my lethargy to work hard to distribute your mercy. Your mercy is my only hope. Being always dependent on your mercy, I remain, Your mercy on me to do devotional service and in constructing of a beautiful temple for the pleasure of Sri Sri Radha Krishna in Malaysia.

Srila Prabhupad my only one request unto your lotus feet, please engage me in your service enthusiastically & make me free from stream of desire ,which hinders me in your service & Krishna bhakti. Dear Father,

This is my first Vyasa-Puja offering. You are my ideal forever and ever in this life. Thus, please strengthen my bhakti in serving the lotus feet of Sri Sri Radha Gopinath because you have opened my spiritual eye.

I have been taught that a father is a person who instils the spiritual knowledge in a child's heart. I am very thankful that my father has lead me to this Krishna Conciousness path. I have learnt that spiritual knowledge is the nucleus of the entire world and it is incomparable to the material knowledge. I am being entangled in material relationships within my family. You saved me from being poisoned by pouring the nectar called 'Krishna Bhakti'. Please always keep me in your association and under the lotus feet of Sri Sri Radha Gopinath.

O Merciful Father, I am being loyal to you by changing your clothes every morning and engaging myself in Guru-Seva. In this material life, please guide me both materially and spiritually so that I can fulfil my fathers dream to study hard and become a successful person in future and my mothers dream to contribute my knowledge in Krishna-Seva.

I beg to remain the servant of your servants, Bhakta Ramanuja Dasan

Dear Srila Prabhupada,

Thank you very much for playing a very big role in my spiritual life. My journey with Krishna Consciousness began after I got married to my wife who was a devotee at that time. Your books and speeches have taught me and still teaching a lot about the essence of spritual life which is bhakti yoga. On this auspicious Vyasa Puja day, I am thanking you for guiding me in this spiritual path.

Please accept my humble obeisances. All Glories to Srila Prabhupada

Dear Srila Prabhupada, I'm remembering you with love and affection and a heart full of appreciation. When I was searching for meaning, for direction, and floundering on the brink of despair, your books especially Bhagavad-gita As it is, has opened new dimensions for me. Although the average man may not be able to properly understand the Gita, he can easily learn to comprehend Krishna's teachings through chanting the Hare Krishna maha-mantra and by receiving instructions from a bona fide spiritual master. Srila Prabhupada, Without your mercy, none of us would get an opportunity to Serve The Supreme Lord, the way we are able to do today. We would all have been enjoying a sinful life, and be believing that everything is fine. Jaya Srila Prabhupada! You have helped us to have peace, happiness and an attitude of bhakti and compassion towards all !!! May Lord Krishna sustain the devotees' efforts to spread Krishna Consciousness to the whole world. HARE KRISHNA

Dear Srila Prabhupada,

Your guidance came to me through Krishna Consciousness, when I was really in need for direction in my life.

You have introduced to me chanting of Hare Krishna Maha mantra through your sincere devotees which has, and have been helping me to overcome some difficult circumstances with confidence in my life path.

You have made me realized what we go through is due to our previous Karma and what is the purpose of this life via reading and listening your preaching about Bagavad Gita and Bhagavatam.

Before your guidance I have been attracted to Lord Sri Krishna through his beautiful portraits and after your guidance I accept Lord Sri Krishna as the Supreme and my creator. Its your guidance that made me feel the presence of Krishna in my life.

Thank you Prabhupad.

Dear most Srila Prabhupada,

Please accept my humble obeisances unto your divine lotus feet. Oh! savior of the fallen souls, All glories to you.

Dear Srila Prabhupada, you are humility and devotion personified by whose presence this world is gloried and inundated by Krishna Bhakti. Innumerable souls who came in touch with your books, teachings, institutions and disciples have immensely benefited towards their journey to ultimate destination. Anyone even with slightest sincerity and interest came to you have received the highest benediction of mercy but this one fallen soul. Therefore, I take shelter of your lotus feet by remembering below lines:

*Krsnaika ceta mada moha vinasa Karin Mad drsti gocara prabho prabhupada swamin,
Dosa nivritti para duhsita manda budhim Sanchintayami caranau tava bhakti hetoh.*

Dear Srila Prabhupada, there is nothing which is hidden from you about your disciples. You are quite well aware about my inabilities, insincerity and above all my wicked mind but still you are tolerating this useless soul and allowing me to stay under your shelter. I fervently pray to Your Divine Grace to be always merciful unto me like this and allow me to be counted as one among yours.

Dear Srila Prabhupada, presently I am engaged in youth preaching at BITS Pilani. By your blessings recently we conducted a residential program for BITS students. Challenges and difficulties are not unknown to you, I pray to Your Divine Grace to kindly bestow your blessings upon these sincere souls and empower us to establish your movement there. We want to broadcast your teachings and glories of your sublime character to one and all. I personally find myself very much insincere, incompetent, unskilled and above all completely impure. But your mercy knows no limit and I am quite confident that surely your instructions and teachings will penetrate into their hearts and bring them closer to Krishna. Let our only credit should be to repeat your words as it is without any deviation.

Entrapped I am in this illusory bodily cage

Kindly save me O Saviour! Your Divine Grace

Restless mind, wicked thoughts and impure desire

Kept me so long in this world completely despair

Most unfortunate among the most fortunate souls

Illusioned I am paying Maya's heavy tolls

Always offending Holy name and holy association

Who can save me apart from your causeless protection

Bless me to be dedicated for preaching your teachings

Masses are tricked by impersonal and voidism cheatings

You gave us Holy name, Krishna Katha and Maha Prasadam

Three Brahmastra weapons to conquer Maya's kingdom

My only desire must be to serve you till my last breath

Bestow devotee association, service attitude and devotion unshake

Dear Srila Prabhupada, we want to establish your swan like marvellous personality and unparalleled divine position which have falsely been taken away by some crow like imposters. Your teachings and instructions have voluntarily been adulterated by some unscrupulous people which are misguiding innocent students. Please bestow your mercy upon me to distribute your books, Prasadam and holy name profusely, which are only means to save these intellectual youths.

Dear Srila Prabhupada,

Please accept my humble obeisances.

Prabhupada, it has been a year now since I am practicing Krishna consciousness as a missionary. There are many realisations and glories of your Divine Grace, I'd like to share herewith.

As a part of preaching program running in Pilani (Rajasthan), I'm involved in shaping new ideas and using different strategies to bring many souls to your divine shelter. Very recently we have conducted one internship program called "FLIGHT". The program was all about training the interns with interpersonal skills and ultimately life skills. It is by your mercy Prabhupada, we could manage this one-month long internship so nicely and could touch 20 souls with the transcendental message of Lord Chaitanya.

Every other day, we are planning something new and using different latest technologies to touch to new aspirants. I wonder how your Divine Grace has preached at length this transcendental message so nicely without much of technology, resources and money. Where to get one boy chanting Hare Krishna mantra seems big for us, you have preached thousands of hippies. Where to run one center is a big challenge for us, your Grace has opened hundreds of them. Where every now and then we struggle with our health issues, you have set an example by preaching even at the cost of it. While everyone is looking forward to settling in this 'Ashashvatam' world, a missionary like you is always unsettled materially and settled eternally in transcendental loving service at the lotus feet of the supreme lord.

With devotees, every day is a great day, every step is a devotional service and every word of them is a great inspiration for me. Still sometimes due to my conditioning, I fall victim to my false ego and lust. Of course I am here in this world because of my lust only, still I pray at your lotus feet to help me coming out of these 'anarathas' to engage myself more in devotional service if you so desire.

Though I don't stand anywhere to the qualities of 'Vidura' but so named I'd try my best to be the servant of the devotees like 'Vidura'.

Your insignificant servant,

Hare Krishna,

I don't know how to write offerings to you. I don't know how to praise glories of our spiritual master Srila Prabhupada.

But I feel I should tell what is inside my heart.

I swear there was a time when I used to think to end my life. I used to feel worthless like I am not a right fit, I nearly tried every possible way to get peace of mind, self-respect and faith in me.

When there was no one beside me, One of My professors gave me a book written by A.C. Bhaktivedanta Swami Srila Prabhupada. It was the last hope of my life, If that wouldn't have worked I wasn't here too with any words of mine. It helped me realise how much blessed I am by God. It helped me find that I am not a spare part, I am a part of this big divine creation with some purpose. Now, I feel proud of myself.

I love myself being Me. yes, I am still fearful about many things but I am sure that I am not alone, The Almighty having all of his mercies on me, I am being on a way to the childlike pure heart.

This life is given by God to me but saved by My spiritual master.

All glories to Srila Prabhupada,

If a mortal has learnt anything from your infinite wisdom it was not his propensity but yours for you taught such.

A non-believer of spirituality before, a month after having the sweet taste of Krishna consciousness and your preachings through my involvement with Akshaya Patra I won't lie to say that I understand and accept it fully but yes, I surely have a fair perspective to keep me moving to learn and discover more. I have observed that it's a divine permission that an individual must get in order to understand spirituality no matter how good the preacher is because in my fair understanding spirituality is not shared by words but through intellect. I believe I had it to start on this long yet beautiful journey and I pray to grant me the same to continue and discover the true purpose of my life. Believing that a man is a master of his own actions facilitated by divine powers I pray to you to provide me the will to choose and see the right path so that I may never relent with the life that I would have lived.

I thank you for having appeared with your divinity on this earth and lay the foundation of an infinite powered movement which today is spreading love, happiness, content while eliminating several social evils.

Please accept my offerings and let your grace always be with me and my loved ones.

Please accept my humble obeisances unto your lotus feet. All glories to you. You have made the life of fallen souls like me a heaven where continuous bliss is flowing.

I have never experienced the beauty of life until I came in touch with Krishna consciousness. I was just a wandering child hoping for fortune and knowing nothing except sense gratification. Now I have learnt a little about that eternal happiness because of you. Initially when I knew about you I was so adamant that even after relishing Prasadam also I could not able to love you. It is your mercy that made me to realise my mistakes.

Now I am practicing Krishna consciousness since 6 months and to continue the same I require your mercy. Please bestow your mercy upon me such that I could never live without you and practice Krishna consciousness sincerely.

All glories to Abhay Charanaravinda Bhaktivedanta Swami Prabhupada, the founder Acharya of ISKCON and BBT. By his mercy, I feel despite all my frailties and inadequacies, I have got more hours of the day filled with life. Life, without anxiety, with the ecstasy of resonance of ideology and with the joy of sharing. There is no doubt that I would have led a completely different life, one involving mindless work and dissatisfaction and pursuit of happiness.

One of my friend argues that one should have variations. Through experience of association, I realize that I could not get more of anything in whichever form possible. Krishna, the first person is the cause of all causes. All glories unto him. He is the source through which we derive our qualities which He possesses in full. Prabhupada, to the disciples, is Krishna. Krishna, who answers them, tends to them, arranges for their sustenance. Prabhupada is the source of the joy that resonates and grows in our hearts.

A grateful person would be so humbled that he would not stop working to please Prabhupada. The fallen soul that I am takes things for granted most of the times and only very scarcely and very miserly, spends energy in the service of His divine grace. Causeless mercy is after all causeless. I hope I can be a stepping stone for Him to fulfill the desire of his Guru Maharaj, Srila Saraswati Goswami Maharaj and in the mission of Chaitanya Mahaprabhu. I wish to have my heart purified by the words emanating from his lotus mouth.

May I always be under the shelter of his lotus feet.

Jai Sri Krishna Chaitanya Prabhu Nityananda Sri Adwaita Gadadhara Srivasadi Gaura Bhakt Vrinda

Before coming to the temple there were a lot of thoughts and question were there regarding almighty, its existence, its form, is it just a concept? or it really exists? how is it? where is it? how to know more and more about the almighty? Then the questions related to our self like, what we are? what the purpose of this life? is there any life after death? where a person goes after death? what is the concept of heaven and hell? are these really exist? and so on. Thank you, Prabhupada Ji, for guiding me through the ultimate knowledge of Bhagwat Gita and elaborate the

answers to these questions. The moment I attached this moment is unforgettable. My wife was having a baby developing in the womb and same time we were offering the lamp to almighty in “Kartik” month, reading “Damodarasthaka” listening, learning the knowledge of Gita. We named him “Advait” and now at the age of about 19 months he is dancing on Hare Krishna mantra and chanting it in the parody voice. Please always keep your blessings on us.

Dear Srila Prabhupada,

Please accept my humble obeisance's at your divine lotus feet. All glories to you on the auspicious occasion of Vyasa puja.

It was by your mercy that I was introduced to the concept of spirituality. Before your introduction in my life, I was unaware that the real goal of human life is to be engaged in the service of Krishna and spiritual master; to purify the anger, lust, greed and ego inside by constant remembrance of Krishna and engaging oneself in his service with faith and finally return back real home goloka. The veil of material conditioning was such that I was unaware of the real purpose of human life. You have practically demonstrated by your lifestyle how any soul who aspires Krishna should lead his life. I have no eligibility to practice Krishna consciousness but you introduced to the movement and priceless philosophy which was your causeless mercy. Whatever little amount of spirituality I am able to practice in my life that is your mercy.

I beg you to always give me an opportunity to be a part of the movement and engage me in your service to my maximum strength. Always give me the strength and required knowledge to distinguish between the right and the wrong path. I desire to be a part of your and lord Gauranga's sankirtana movement. Please provide the required spiritual strength to carry out your orders in every condition of life and offencelessly chant the name of lord Krishna. Always keep me connected to you ,Krishna and devotees.

The charismatic Leader Abhay Charanaravinda Bhaktivedanta Swami Prabhupada, a Vedic spiritual master, who was the founder preceptor of the International Society for Krishna Consciousness (ISKCON). He was requested to spread the teachings of Chaitanya Mahaprabhu worldwide by his spiritual master, Bhaktisiddhanta Saravati in 1922. He's most significant contribution are books. He started to communicate the teaching of Chaitanya Mahaprabhu and introduced Bhakti yoga to an international audience.

I as the follower of his teachings mention that my life has become free of all anxieties by following his teachings of Bhakti Yoga which is so called Bhakti Marga. That is, a spiritual path that helps in generating a strong optimistic mind, which makes our mind free of all anxieties and full of healthy positive thoughts. I cannot put in words how I feel about his teachings when I talk about that. These intense feelings will never go away until I have his teachings in my life. Every day, I hope that his teachings will come into my life and tell me how I am going to control my mind in all the occurring situations, because what I feel for my life exists only inside my heart. His teachings are the only way that can help me in realising my potential. I give his teachings the key to unlock my weaknesses and negativity mind for the purification of my soul. Purification of the mind and soul can easily be achieved by Chanting the Hare Krishna Maha Mantra.

This is actually the step towards the Krishna Consciousness, that when we got some taste of rendering sublime loving service to the lord, no more do we have any taste for any other engagements, Srila Prabhupada.

My dear Srila Prabhupada,

Please accept my most humble obeisance's at the dust of your lotus feet. All glories to Your Divine Grace.

I'll be completely honest, if I'm going to do this. I'm not a spiritual person, I'm more of a science enthusiast. I first came into touch with spirituality at BITS, Pilani, when I met Raghuvendra Das Prabhu during a "SOS session". I realized that a lot of trivial questions can be answered by our Vedic Literatures and coming to spirituality. Although grasping these concepts and first time looking through the eyes of Vedic Literature instead of eyes of present so-called science, was indeed difficult. But my quest to understand this cosmic creation and its creator, GOD kept me going to explore more. Although our beloved his Divine Grace Srila Prabhupada, you are not physically present with us, but your books and teachings are quenching the thirst of absolute knowledge, thirst of realizing who we are, thirst of what we want with life and thirst of going beyond birth, disease, old age and death.

Not only the books but the whole movement started by you is filled with bliss. The Sankirtan, dancing and singing and not to mention the delicious Prasadam, everything filled with so much devotion and love that sometimes I feel like I'm so indebted to everyone here at HKM. This the legacy you left behind in this material world that every devotee has aura of you in them. Devotee may not accept this, but this the effect of his divine grace's spiritual presence that can be felt in everyone here at HKM. Although I'm very insignificant being wandering over an insignificant planet but his divine grace' books help simplifies things for insignificant beings such as myself. I hope I can keep moving forward in my journey to discover the true knowledge of this cosmic creation. I'll dare to hope against hope and stubbornly remain attached to serving you by chanting the holy name, following your instructions.

Writing an offering to you is always such a difficult endeavor. How is it possible to put into words the effect your teachings have had on us conditioned souls? You have shown us the path to spirituality through your teachings and example of dovetailing one's energy and talent in Krsna's service. How could we have ever arrived at such a conclusion without meeting your Divine Grace?

It's been years in your service but still having so many anarthas in me trying to come out of habitual nature and I know ur there for me as always you help me. I humbly and full of gratitude that you have accepted me as your disciple and pray that my service is pleasing to you in some way. Dear most,

Srila Prabhupada,

All glories to Your Divine Grace on this most auspicious day of Vyasa Puja. I had the great fortune of coming in contact with the devotees in Akshaya Patra temple Jaipur in 2017. I feel so lucky that I came under the shelter of the temple where I feel safe under the feet of Krishna.

Few months before, I started learning books, I read 2-3 books till now, I want to share my feelings about what I had learned from the books. My thinking has totally changed after reading books, now, I am able to connect and trying to connect every situation of life with Krishna's mercy, that makes me confident enough to face any problem. The examples that I read in the books are amazing, it is totally logically acceptable, that clear doubt very

easily and it increases understanding of the spiritual world, Krishna's mercy, Krishna's creations, the perfect source of everything.

In spite of all the inspiration you have bestowed upon me through your pure-hearted devotees, still I have for so long been shamefully aware of my unwillingness to wholeheartedly follow in their footsteps. Therefore I am begging you, Srila Prabhupada, to please continue to cast your merciful glance upon me. Until then, I will continue to pray for the day when I am free from the envy, lust that has blocked my path. On that glorious day, I will truly know what it means to have joined your Krsna consciousness movement.

Dear Srila Prabhupada,

All glories to my spiritual master, A.C Bhaktivedanta Swami Srila Prabhupada,

I pay my humble obeisance to your lotus feet.

To my beloved Srila Prabhupada, since the day your divine grace has fallen upon me, my life has taken a U-turn, which is inexplicable, and yet invigorating at the same time. The transformation in my thought process has left me stunned, this could not have happened without your great mercy on my soul. I am very sure that in your own divine way, you have decided to shower your blissful mercy on my severely depleted soul.

Since the day of joining the Hare Krishna Movement, automatic cleansing of my thought process has started taking place, chanting the mahamantra is a revelation in itself. Daily chanting has made me self-aware of the cosmic presence of Lord Krishna and has made me incline to hear the same words again and again. By reading Bhagwat Gita written by you, awareness of one's duties, from self and towards family and society as a whole has come to my mind.

Earlier whenever I encountered any difficulty I used to blame my luck and not look at my role in that situation. Now the perception has changed. I like to take the onus on to myself. An air of positivity is around me always

I would request you to keep your mercy always on my soul.

Do place me at your lotus feet and allow me to stay there forever.

Srila prabhupadji we feel your blessing through your literature. We are totally indebted to you for taking us from ghane aandhare to naram ujjale of bhakti. It brings peace and solace in my life.

I should also not forget thanking the Acharya who had chosen you for this great task. This just remind me of beautiful Guru Shishya parampara like raja Ram was chosen by his guru vishvamitar to kill the demons of ayodhya. Like wise you were chosen by your guru for uplifting human level and kill all root cause of their miseries. We listen to your voice and read your teachings. We are really lucky as we can feel your presence through your voice and your literature. You are always with us and we never feel alone.

At last prabhupad ji I want to say that I started my journey of spiritual life last year only and my eyes gets wet and my heart melts just thinking that were was I before that, what was I doing and why didn’t you call me before. I always pray to Radha and Krishna please stick me to your lotus feet. Hare Krishna movement is a miracle and Jadu ki japhi brings transformation of heart.

Truly and most humbly

All glories to His Divine Grace A.C.Bhaktivedanta Swami Srila Prabhupada

I offer my obeisances to the lotus feet of my Spiritual master which serves as a boat to help me in crossing the endless ocean of material existence. His lotus feet bestows Devotional service and Renunciation and it is the abode of transcendental Knowledge. His lotus feet open the flood gates of mercy which removes distresses and misfortune. Srila Prabhupada's lotus feet is endowed with special potency to make a dumb an eloquent speaker.

Pleasing Krishna is quite easy but pleasing servants of servants of Krishna is very difficult but it is of sure that when servants of servants of Krishna are satisfied automatically Krishna is very pleased. Srila Prabhupada, please kindly keep me always under the shelter of Your lotus feet. Your lotus feet are the safest place in the entire creation. To become a direct servant of Krishna or Radharani is very sensitive and risky, just like chotta haridas committed suicide but still it didn't move Chaitanya Mahaprabhu's heart even a bit but when one of your disciple imitated chotta haridas You were very unhappy You said "he should not have done this". This is one example; hundreds of examples can be given in this context. You are always ready to protect and forgive your disciples. You love all your disciples very much inspite of their offences. You are always eager to see devotees advancing in Krishna consciousness, this gives You more pleasure.

Srila Prabhupada You have given me a life where every moment is a thrill. Srila Prabhupada, kindly guide me how to serve Your Krishna. Please kindly remove all kinds of my desires born out of ignorance and help me to achieve Perfection. Srila Prabhupada Your instructions raise a devotee to the state of transcendental platform. Your Books, Your Bhaktivedanta purports are like effulgent sun which destroys the endless darkness of ignorance. Srila Prabhupada please help me to come out of pains of samsara. Srila Prabhupada please help me to develop discrimination, renunciation and transcendental knowledge. Please help me to come out of the shackles of material life, it is very painful. Srila Prabhupada, please help to worship Your Krishna without any expectation. Please help me to awaken my spiritual consciousness, become more and more attached to Krishna.

Srila Prabhupada, this is my only humble request at Your lotus feet-Please kindly keep me always under the shelter of Your lotus feet.

Please save me.

Trying to be Your servant's servant,

Dear Śrīla Prabhupāda,

Please accept my prostrated obeisances at your lotus feet. First, let me thank you for giving me one more opportunity to offer your glories.

Your causeless mercy is unlimited upon your sons especially upon me through your system. You know everything and how to engage your sons.

Dear Śrīla Prabhupāda, the greatest wonders in this world is not Taj Mahal or Egyptian pyramids etc they are all secondary and the first and primary greatest wonder is that you have accepted me as your disciple and patiently tolerated and trained me. Is it not the greatest wonder Prabhupāda? Yes it is greatest wonder of this world. How?

Let me prove how it is a greatest wonder?

By Nityānanda Prabhu's compassion Jagāi and Mādhāi were delivered and Nityānanda Prabhu's name and fame is glorified in entire creation. Similarly, if you can deliver this low-grade person by the grace of your all-merciful compassion, then truly and surely your name will be glorified trillions of times more than Nityānanda Prabhu.

Why, because, I am such a low-grade person and there is no creature in this creation to compare with my consciousness. If somebody happens to see my face, then their spiritual progress may be checked. A worm in a stool or a pig in dirty place and their consciousness is trillions of times far better than my consciousness. Therefore, practically I am learning tolerance, submissive, humble and Gravity principle, Ownership principle from my senior devotees.

Dear Śrīla Prabhupāda, from the last four years I am undergoing best part of my Kṛṣṇa Consciousness life. Kindly don't limit, please extend and give me more and more such best trainings eternally. So that I will be strong to serve your mission for the upliftment of myself and other conditioned souls.

Your training has levelled or subdued my false pride and you have recognized in the right time. You followed the same path of the lord for e.g. How Lord Krishna subdued Kaliya, Indra and Brahma etc. and how lord Balarama subdued Yamunā and Kuru dynasty; At first, you watch our mistakes or bad propensities within our core of heart and allow us commit mistakes and at the right time you give sufficient knowledge and guidance to correct our attitude; by this process we will become humble and submissive. I am eternally indebted for this best welfare work Śrīla Prabhupāda. By this I have developed strong faith on few statements are as follows:

ananyāś cintayanto mām..., kaunteya pratijānīhi na me bhaktaḥ praṇaśyati....., mattaḥ smṛtir jñānam apohanam ca). One cannot act without His sanction, for the Supersoul is updraṣṭā and anumantā, the witness and sanctioner, mac-cittaḥ sarva-durgāṇi... and dvā suparṇā sayujā sakhāyāḥ... Muṇḍaka Upaniṣad 3.1.1,

From BG 12.13 to 12.20 & Śrīmad-Bhāgavatam (1.2.17-21) are my one of the sets of favourite verses.

kṛṣṇa yadi kṛpā kare kona bhāgyavāne guru-antaryāmi-rūpe cikhāya āpane

Dear Śrīla Prabhupāda, I don't want to be servant or direct servant of Krishna but I want to be servant of servant of his servant. This is the safest method to safeguard my bhakti lata or devotional creeper. The obstruction in doing this is my not being submissiveness to your system. Recently I have gone through very nice quote highlighting the importance of submissiveness & is as follows:

"The whole devotional department is submissiveness. Because under the influence of māyā, everyone is falsely proud. "Oh, I am so intelligent. I can do everything." This is the disease, material. Everyone is falsely proud."

If you wish kindly give me intelligence, knowledge and strength to engage in your transcendental service with my sixteen senses, pañca-mahā-bhūta, intelligence, ahaṅkāra, false ego and finally soul.

Dear Srila prabhupada, I have only one desire i.e., to eternally become the maid servant of vaisnavas, guru and Krishna.

I have to improve a lot in my quality of chanting.

Śrīla Prabhupāda, kindly teach me how to remain eternally indebted to you and your system, so that I will become humble and submissive.

Your Servant,

Chinmaya Krishna Dasa

Deena Sharan Dasa

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet. I am the most fallen of all your servants. What I can express in front of you about myself, you know me better than me. But it is an opportunity for us to reveal our mind to you, admitting the mistakes thus becoming free from adi-atmika klesh.

O Prabhupada in this kaliyuga it is very difficult to follow four regulative principles but due to your mercy in the form of institution, it facilitates us to follow these principles but due to my own past habits/conditioning and anarthas it becomes difficult to follow. Sometimes spiritual master is softer than the softest like lotus petal and sometimes harder than the hardest like thunderbolt towards disciple for his welfare. As far as I am concerned you are always merciful upon me since you know I am not spiritually strong. You are known as Ocean of Mercy and Friend of the fallen. Please do not kick me away from the shelter of your lotus feet.

Now, with the days passing by in the movement, I am given more responsible services for which I am completely unqualified but with your blessings everything is possible. I promise you today that I will try my best to change myself. Please bless me required strength.

Your most fallen servant, Deena Sharan Dasa

My Most Dear Spiritual Master Srila Prabhupada,

Please accept my unlimited humble obeisances unto Your Lotus Feet. O master! I express my deep feelings of Gratitude with awe and reverence & Love and devotion unto Your Divine Grace's lotus Feet, as You have created Unlimited Transcendental fortune in my life, by giving me a great chance to be a part in Your Wonderful Hare Krishna Movement. Thank You very much O Srila Prabhupad. I am obliged unto You. Please order me, what I can do in Your Divine Grace's service. The glories of Our Hare Krishna Movement, Akshaya Patra Foundation are spreading rapidly all over the world by Your special causeless mercy. You have created wonderful preaching tools for us to spread this Krishna conscious movement so easily. Thank you very much O my dear most Spiritual master.

O my master, You have mercifully given me a chance to practice Sadhana Program in the association of Lord Krishna and His devotees. I am seeing Your special causeless mercy in the association of Your disciples, as they are always protecting me from the onslaughts of Maya. please bless all these vaishnavas and me with great spiritual strength and intelligence so that we will be eternally engaged in the unconditional and unmotivated Transcendental loving devotional Service unto the Lotus feet of Sri Sri Radha Krishna. Please help me to practice Sadhana program very very strictly and bless me to do all activities exclusively for Your pleasure and Krishna's pleasure. Till date You have mercifully used me as an instrument in Your Lotus hands to execute all the tasks successfully for the Pleasure of Krishna. O master, I don't have any personal qualification. All this has happened because of Your special causeless mercy. I beg You O my master! Please always favor me eternally with Your and Krishna's special causeless mercy.

You are always protecting me from all dangers. Thank You very much O my merciful master. Because of my highly contaminated conditioned nature, I am not able to perceive Your special causeless mercy. I have a strong desire to render any kind of service Unto Your Lotus feet and Radha Krishna's Lotus feet to please Your Divine Grace. O Srila Prabhupada, currently I don't have any taste towards devotional service because I am haunted by different ghosts like offensive nature, sense gratifying objects like Pooja, Laabha, Pratishtha, Kama, Krodha, Lobha, Moha, Madha and Maatsyarya. These things are heavily obstructing me to render Loving Devotional Service unto the Lotus Feet of Sri Sri Radha Krishna Chandra. O My Loving spiritual master, please mercifully always engage me in Favourable Krishna conscious services, so that I will be freed from all these dangerous ghosts. Only by Your special causeless mercy, I can have a strong attachment, great Enthusiasm to perform Krishna conscious rituals and spiritual attitude of Servitude towards Krishna and His Pure devotees and Ananta Koti Vaishnava Vrunda. I humbly beg You O Gurudev! Srila Prabhupada, please shower Your special causeless mercy on me and favor me with Krishna consciousness eternally. Please bless me with all spiritual qualities so that by Your special causeless mercy I will become eligible to go Back to Home, Back to Godhead Goloka Vrindavana within this life time. You have favored and rewarded me unlimitedly, even though I am not all deserved. I cannot repay You the debt, O my master, so please make me Your slave and engage me in Your service life after life. O my master! please favor me, so that I will make Hare Krishna Hare Krishna Krishna Krishna Hare Hare, Hare Rama Hare Rama Rama Rama Hare Hare - Maha Mantra as my life and soul. Please give me all qualifications to serve the Holy name offencelessly. I have a strong desire to serve Your pure disciples servants' servants' servants very very sincerely and seriously without having any ulterior motive. My desire is to Surrender Myself Unto You Fully. I surrender Unto You. Please accept me mercifully, give me transcendental realizations and guide me.

On this auspicious day I humbly beg You with awe and reverence to offer me 3 Benedictions:

1. Please bless all the devotees and me to chant 16 rounds of Hare Krishna Maha mantra every day without fail, by following the 4 regulative principles strictly. please give us lot of Enthusiasm to serve Krishna eternally with Love and Devotion.
2. Please remove all obstacles in directing all the devotees all over the world to accept Your Divine Grace as the sole Diksha Guru of Hare Krishna Movement.
3. Please Empower us to spread the glories of Chaitanya Mahaprabhu's teachings all over the world.

O merciful spiritual master, O Gurudev, O Srila Prabhupada, if you so desire please give me these benedictions and fulfill all my spiritual desires. Please help me to become an expert at playing all my role play Egos to Satisfy my Core Ego. Krishna is my Eternal master and I am His eternal servant and my duty is to only serve Him, not expecting anything in return. Trying to become a servant of the servant of the servant of the servant of the servant of Your servant., Jagannath Prasad Dasa.

Niranjana Bhakta Dasa

Dear Srila Prabhupada.

Please accept my humble obeisances onto your lotus feet.

I always feel great pleasure & enthusiasm when ever I read your glories. It is humanly impossible to set up worldwide organisation single handedly in such an advanced age. With no money in hand and with lot of hard struggles, Your divine grace always tried to serve the instructions of your spiritual master Bhakti Siddhanta Saraswati Maharaj and took his instructions as heart and soul. To give causeless mercy to all mlecchas & yavanas, you travelled to US in a cargo ship for 37 days and had 2 heart attacks on board. Krishna must be having some reason behind all these hardships so that you will be glorified more.

By your causeless mercy, you have founded this world-wide Hare Krishna Movement so that fallen conditioned souls like us will be benefited. Somehow by the mercy of guru & Krishna I am taking shelter in your institution. But I am not carrying the same spirit your divine grace carried for your spiritual master. I always committed lot of aparadhas to my senior vaishnavas who are guiding me. Due to which I am not carrying right spirit and realizations to serve vaishnavas. Rather I am becoming arrogant and dull in my spiritual life. I sincerely beg forgiveness to all vaishnavas and your divine grace for the mistakes I have committed unto their lotus feet. I humbly beg to your divine grace to be merciful unto me and bless me to progress in my spiritual life and serve all vaishnavas sincerely with humility.

Dear Srila Prabhupada,

Please Accept My Humble Obeisances.

All Glories to Srila Prabhupada.

I offer my humble pranaam unto your kind lotus feet for continuing to keep me in your shelter till date and I deeply seek and pray to be in your institution whole lifetime. I am quite aware that I do not deserve all this based on my earlier and current state of consciousness. Please bless me to count, value and appreciate the blessings I have got every day and getting going forward by being part of your institution. Although it's a causeless mercy to understand from the realisations of senior most Vaishnava and namamruta on its potencies and mercy by serving holy name, still I take it for granted and do not properly render service unto holy name on every single day. My guilt is just an emotion as I stand still where I am just like a rich man son does not value his opulence, so also I do not value this causeless mercy. Please give me remembrance to offer prayers consciously to holy name and Pancha tattva to forgive my offences while chanting the holy name, to control and regulate my mind to value and concentrate on the chanting.

Just like parasite plants survive by sucking the energy and minerals of fellow trees or other valuable plants, so also I am still a parasite surviving by sucking and utilising the blessings of your sincere disciples who is rendering tireless devotional services always. Rather I should be practically applying their realisations and blessings in my favour to quickly advance in Krishna consciousness and become worthy in spirit to be an instrumental inflow of your mercy and plan for developing preaching facilities in the holy Dham of Jagannath. Hence please bless me for availing such great mercy and value it by practising going forward.

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet.

All glories unto your Srila Prabhupada.

On this auspicious appearance day of Your Divine Grace, please accept my offering.

In this world of nescience, where people do not struggle to find the path to Absolute World of Knowledge, You have showered Your merciful glance upon me & showed the path of devotional service, which is practiced & perfected by Mahajanas, without any of my qualifications. That is definitely only due to Your Causeless mercy. But

I have no taste to practice devotional service seriously or sincerely. You have placed me under the safe protection of Your qualified soldiers to work under their guidance, which is non-different from Your's. I am trying to serve Your mission, but not to the fullest extent. My only desire unto Your lotus feet is to be fully engaged in devotional service without a moment wasted in the service of Maya. Even though this wish of mine may not be sincere but by Your will & by Krishna's sanction, it can become true.

Please forgive me for all the offences I have committed unto You and all the vaishnavas; I beg your mercy to guide me in not committing them again.

Trying to be Your servant,

Vasudeva Datta Dasa,

Vidyapati Dasa

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories unto you.

Srila Prabhupada, first time ever in our life we heard from you that we are not this body, but a spirit soul. And what society taught and guided was not for my real welfare. And then you pulled us from that rat race going under maya's umbrella and gave us prasadam, kirtan, dance, transcendental reading materials, inspiring lectures, shelter, association of devotees, many practical services. Story is going well in description but I am going in maya again and again which makes life troublesome like any karmi outside.

We were made to admire, honor higher positions, to worship the cheating and suffering celebrities (who fall under 4th category of varnasrama). That was our destiny, but by Your mercy it is changed, rather reversed and dovetailed in transcendental direction. I beg your mercy.

I am not able to follow the process of chanting, reading and hearing.

The anarthas of past deeds and past concoctions put lot of hurdles in devotional service.

“Brahmā lives one hundred of such "years" and then dies. These "hundred years" by earth calculations total to 311 trillion and 40 billion earth years. By these calculations the life of Brahmā seems fantastic and interminable, but from the viewpoint of eternity it is as brief as a lightning flash.”

“One's devotional service is spoiled when he becomes too entangled in the following six activities: (1) eating more than necessary or collecting more funds than required; (2) overendeavoring for mundane things that are very difficult to obtain; (3) talking unnecessarily about mundane subject matters; (4) Practicing the scriptural rules and regulations only for the sake of following them and not for the sake of spiritual advancement, or rejecting the rules and regulations of the scriptures and working independently or whimsically; (5) associating with worldly-minded persons who are not interested in Kṛṣṇa consciousness; and (6) being greedy for mundane achievements.”

“There are six principles favorable to the execution of pure devotional service: (1) being enthusiastic, (2) endeavoring with confidence, (3) being patient, (4) acting according to regulative principles [such as śravaṇaṁ kīrtanaṁ viṣṇoḥ smaraṇaṁ [SB 7.5.23]—hearing, chanting and remembering Kṛṣṇa], (5) abandoning the association of non-devotees, and (6) following in the footsteps of the previous ācāryas. These six principles undoubtedly assure the complete success of pure devotional service.”

Sometime it takes a good fall to really know where you stand. I was so puffed up but now realized my real standing. I cannot stand in devotional service on my own. I need combined mercy of Krishna, spiritual master and vaisnavas.

I am not qualified spiritually or materially but still got chance to engage and participate in this mission. Please be merciful and engage me in devotional service. I take shelter at the feet of authorities, vaisnavas and beg forgiveness for my offences and seek their mercy.

Your fallen servant

Bhakta Kunal

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet.

I am feeling blissful, writing to you my 5th offering. Thank you very much for giving me chance to write this once again.

I am feeling myself indebted to you because you have given me such a great thing. I am unable to pay you back in this life or any life. This Krishna consciousness is so valuable that millions of touchstones cannot make value equal to it. But it is your mercy that you have given me the topmost ornament from the wisdom of gems. Although I am not qualified for it, but you gave me this Krishna Consciousness, it is your mercy only.

Prabhupada you are deliverer of fallen souls, you are the only JAGAD GURU who preached this Chaitanya cult. All over the world, you are the only SAVIOUR of the whole world.

Prabhupada you are only the “EVER WELL WISHER” of the fallen souls. You are so compassionate to fallen condition souls that you went to foreign countries at the old age of 70 years, just to preach the suffering humanity. Generally a person takes retirement in such age, but you have given BHAGAVAD GITA, SRIMAD BHAGAVATAM etc., the vast literatures for our benefit, so that we can take advantage and make our life successful.

You gave us this Revolutionary Movement of Krishna Prema. Whoever and wherever one takes part in this movement, gets delivered from this material world and get the Krishna prema.

Like that I am also fool who has got chance to take part in your movement. Prabhupada I surrendered my life to you, which I have done on bodily platform. My mind is not yet surrendered to you; still it is running towards sense gratification. I am finding great difficulties in following your instructions and regulative principles. I am unable to control my mind; it can easily draw by senses.

Prabhupada, my mind and false ego became great impediment for my spiritual life, I have become like a show bottle devotee who externally looks like a devotee, but internally is a demon.

Prabhupada, please provide me solution of it through any mean, so that I can follow rules and regulations rigidly and make you satisfy. I don't have capacity to satisfy you but you please hold my hand and make me to do service for you and Krishna.

I am rascal and dull headed, but one thing I believe is that you are the only hope for me. So Prabhupada please engage me in your service by which I can make my life successful and attain my constitutional position.

Dear Prabhupada,

With deep respect and regards I want to say that I am feeling completely blessed that I got a golden opportunity to preach about my lord krishna under your guidance and to understand Bhagavad Gita. Gita is truly the essence of everything, one could ever imagine. Since I'm a beginner so I still need your blessings for my spiritual growth and I thank you again for your causeless mercy.

Bhakta Anish Kumar

Dear Srila Prabhupada,

The day I came in touch with Hare Krishna movement when Janmashtami was organised in our NIT rourkela campus. After coming in association with Hare Krishna devotees there has been a quite change in my life. I started reading Holy Bhagavad Gita, which opened my way to spiritual world. I attended "art of success" sessions which helped me to gain spiritual knowledge and way of living life. This Hare Krishna movement inculcated good habits in me. I'm very fortunate that I visited Mayapur and Jagannath Puri; it was a fabulous experience to be with so many holy souls.

The Hare Krishna Movement is doing a great job by spreading Krishna Consciousness across the globe.

I will always be thankful to Hare Krishna Movement. And I am very fortunate to get the blessings of our spiritual Guru Srila Prabhupada.

Hare Krishna Hare Krishna Krishna Krishna Hare Hare Hare Rama Hare Rama Rama Rama Hare.

Bhakta Anish kumar, NIT Rourkela.

Bhakta Balmiki Kumar

Dear Srila Prabhupada,

My Lord, you know I am having a very hard time at the moment-had always been so even before, nothing new in that-leading to a consequence when I am unable to repay for the life that you gave me. The air that Lord gave me to breath, the food that He gave me, and the everything that defines my existence, including the beautiful thing that happened to me in last few months. You have taken a great care of me, still my heart desires for more and more, but proportionally my attempts to not recognize you through my gestures have been outgrowing like a weed and have been masking my views to see you around me. I pray, to not commit inhuman acts every time, but every time I'm defeated by darkness, by my past and by my present, I have built myself upon my non-commitment, negligence and hopelessness. Lord, please don't leave me. Guide me, when now I'm shattered, away from you, through your words. Show me the real path, because I'm unable to find one. Please lord never leave me. I beg.

Yours servant always, Balmiki Kumar, NIT Rourkela.

Bhakta Basant Kumar Jangid

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet.

I came in touch with your movement in November 2017. I would like to share my experience.

I came in touch with your movement through my friend. He convinced me by saying that I shall get better food than hostel food. So I went but when I reached there, I felt good heartily and mentally. I felt fresh mentally when I did the chanting and kirtan during this session. After that I started regularly attending the sessions.

Few months later we went for MAYAPUR trip in January 2018. It was most important moment in my life. Through this trip I became more Krishna conscious. I can't forget any moment of this trip.

Another trip was there in March 2018 for Jagannath Puri. It was also most memorable moment in my life.

During this journey with your movement I became more Krishna Conscious. I shall continue this journey in future. I am deeply indebted for your causeless mercy on me. My only wish is that I want become more KRISHNA conscious in my future life.

At last I want to say that I learned very much during this period of nine months which cannot be expressed in words. Another thing I want to say is I will be regular in chanting and reading books.

Please forgive me for all the offences which I committed.

Yours Servant,

Bhakta Basant Kumar Jangid, NIT Rourkela

Jagat Guru Srila Prabhupada ki Jai!

O Srila Prabhupada! Your name when I remember, your 4 core teachings come to my mind and fill my heart, mind and soul with peace. The impact of chanting on my life is beyond the horizon and I am short of anything to explain it. The prayers which I have been taught by your disciples fill my mind with devotion for the lord all the while. Any problem which I have come across with, has a solution in your Bhagavad Gita. I have been observing Ekadasi ever since I have come in contact with your disciples. I am extremely grateful to you for all your teachings. I am really thankful to all the members of your organisation for their efforts to take me away from the world of darkness to sunshine of lotus feet of the Lord.

Words alone can't describe the role of your Lordship and devotees. Again, I am looking forward to remain in the association and serve you and Lord Shri Krishna. Jai guru and gauranga.

Bhakta Hrudai Roshan Mekala

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet. Prabhupada, recently I started chanting 16 rounds. Please help me in chanting hare Krishna mantra. My rounds are not consistent, Prabhupada. This time I fixed my mind that I have to chant at any cost. Prabhupada, I'm not able to follow four regulative principles. Please show me the way so that I could follow 4 regulative principles. I'm so happy that in November I'm going to Vrindavan, this is

the first time that I would be visiting Krishna's eternal abode. Like this, always engage me in trips, kirtan, prasadam, sankirtanam..... Recently when I went to Puri Ratha Yatra, one of your disciples asked me what did you pray to Jagannath, I said "I want to experience Krishna in deity form". But Prabhu told me to pray Jagannath "to engage in the service of Prabhupada then everything will automatically come". So please please engage me at your service.

Yours lovingly, Bhakta Hrudai Roshan Mekala, NIT Rourkela

Bhakta Kiran Kumar Nayak

Dear A C Bhaktivedanta swami Prabhupada,

First, I would like to Thank you for the gift which you have given me for my life. I am extremely grateful for the gift I have received in my life last 9-10 months through your disciples. If I tell honestly, I was not aware of any of the things which I came to know in last 9-10 months, which has helped me in a lot of ways. Thanks to one of my friends, through whom I came to know about your organization where I learnt all those things which are essential for a living soul. Your idea to preach the lessons of Bhagavad Gita in the western countries was more than imagination and I still can't think of the Struggle, difficulties you faced.

I was very lucky to be the part of "Mayapur Trip", and I can say that, the trip was a life changing thing for me. First time I saw and astonished to see the westerners were following our culture and I, being an indian was not following our culture the way they were following. So, the trip was the reason why I took spirituality seriously. I started chanting Hare Krishna Maha mantra after the Trip. It took time for me to realize the power of Hare Krishna Maha mantra, but I realized. It has helped me to develop several characters like patience, not to Expect, not to get angry, to behave politely to everyone, Ethics and many more. I had many wrong ideas about many things but all those misunderstandings were cleared by your disciples and I too started reading Bhagavad Gita because of the Association I got with your disciples. I am also very grateful to be the part of "Puri Trip". Being from Odisha, I even didn't know the history of appearance of lord Jagannath, Balabhadra and Subhadra, I came to know all these and many more things I explored in that trip through your disciples. I have now understood the purpose of my life, and I will follow it seriously. All these things wouldn't have happened without you, so I am very grateful to you and your service to the mankind.

Dear Srila Prabhupada,

Keeping my head over your feet I am writing this letter.

By the grace of Lord Krishna, I came into the path of Krishna Consciousness in 2015 and leading a happy and energetic life by chanting the holy name of Krishna and by having the Maha Prasad. My feelings and happiness can't be expressed and it can be felt only, and that much immense pleasure and happiness I am feeling.

Prabhupada, you worked very hard day and night for writing the holy books like Bhagavad Gita, Bhaagavat and many more. And by reading these books and chanting the holy name of Krishna, we can take the blessings of your lordship.

Servant,

O Spiritual Master!

Kindly accept my humble obeisances at your lotus feet.

You revealed my true identity. Owing to ignorance, we are under the false impression that we are just a material body; but in reality, we are not the body, but the soul. It means God Himself resides within us, and does all our actions. However, because of ignorance stemming from our ego, we feel that we are the ones who perform all the actions. Will we be able to do anything if our soul is separated from our body? Therefore, God Himself performs all our actions. He digests food. He makes blood. O Srila Prabhupada being a Spiritual Master, you make us aware of this reality. You had guided me and kept in association with Vaishnavas. I am very fortunate to have got you and become Krishna conscious since last two years. Please keep blessing; we will carry forward our life with this spiritualism.

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet. I came in touch with your movement in my M.Tech first semester through one of my seniors. Firstly, I came for good prasadam which is offered there. Since food in our college mess was not so good. But once I came there, I found more than what I came for. I saw that one of devotee giving a nice presentation on the art of mind control. Every week he gives a presentation on different topics related to Krishna consciousness. From these, I get a lot of knowledge about Krishna and spirituality. Before that, I was too confused about spirituality and my religion. After hearing these presentations, my all doubts got cleared. After this we do kirtan. At first, I feel very awkward to dancing with all, but later I enjoyed these things. The most important thing I learn here is chanting. This helps to control our mind & concentrate. I get too much benefit from it. When I do chanting before going to bed, it clears my mind from all bad thoughts and helps me to sleep well. After some time, I started reading some of your books. I also participated in some wonderful trips like Mayapur and Puri trip. Those trips were very much exciting where we visit temples and know the history. I recently attended rath yatra of Lord Jagannath. This was also very much interesting.

Overall I got a lot of good things by coming in touch with your movement which will be helpful to me for the rest of my life. This all happens only because of you. For all these, I am very thankful to you, and I pay my humble obeisances to greatest person and spiritual master Srila Prabhupada.

While I thank you again for your selfless service to your Lord, I seek your blessings for my spiritual growth.

Your Servant, Bhakta Manikant Prasad, NIT Rourkela.

Dear Srila Prabhupada,

Please accept my respectful obeisances to your lotus feet.

With your mercy, I am very thankful to be one among the devotees of lord Krishna. My journey with your movement started with Mayapur dham trip in January, 2018. It was a memorable trip in which I have learnt a lot. Also, it has opened a door for me to enter in Krishna consciousness. As I started attending classes, it created more interest in me to follow Krishna consciousness. After attending the morning classes and started listening to slokas of Bhagavad-Gita, I got answers to many questions that were in my mind for several days. Chanting HARE KRISHNA maha

mantra gives me a lot of self-confidence. Listening to your lectures really gives a good motivation to control my mind and to control my senses. Your life history is really an inspirational one to me. Involving in the kirtans of Krishna gives me a lot of pleasure. I would like to express my deep gratitude for preaching Krishna consciousness across the globe and providing a path for a lot of fallen souls to reach Krishna. My dear spiritual master, please forgive me for all my offences that I have committed knowingly or unknowingly. I am in dire need of your blessings to progress spiritually.

श्रील प्रभुपाद के चरणों में सादर प्रणाम.

मैं उस अर्जुन की तरह भाग्यवान हूँ जिसे कृष्णा का सान्निध्य मिला. प्रतिदिन आपको सुबह प्रसाद सेवा करने के बाद ऐसा लगता है कि आप मेरे सामने ही हो.

मैं पिछले ११ महीनों से आपकी आंदोलन

से जुड़ा हुआ हूँ और मुझमें जो परिवर्तन हुआ है उसे मैं अपने शब्दों में नहीं बता सकता। वैसे भी आप सब जानते हैं. कुछ बातें हैं जो मैं आपसे कहना चाहता हूँ, नहीं जानता कि इनको शब्दों में कैसे रखूँ। मैं आज भी अपने द्वारा किये गए प्रयासों को महत्व देता हूँ किन्तु कई बार ऐसे समय आता है जब मैं पूर्ण रूप से समर्पित रहता हूँ और अगले ही पल अपने को अलग समझने लगता हूँ. यहाँ छात्रावास में रहने के कारण पूरी तरह से शुद्ध नहीं रह पाता। इससे कैसे मैं ठीक करूँ। जाप कभी ८ माला और कभी ४ माला ही कर पाता हूँ. किन्तु जबसे एकादशी के व्रत की शुरुआत की है तब से एक अच्छी शांत वाली नींद आती है. पर अपने काम में कभी एकाग्र होता हूँ और कभी नहीं. मुझे कभी प्रोत्साहन और कभी प्रेरणा की कमी महसूस होती है. पर इस दौरान पहले कुछ नहीं कर पाता था पर अब साधकों से बात करलेता हूँ. और अच्छा भी महसूस करता हूँ.

मैंने अपने कमरे में तुलसी महारानी लगाया है, और अपने शोधकार्य को उसी से संबंधित रखता हूँ. रोज पूजा और भोग के बाद ये एहसास होता है कि एक छोटी जिम्मेदारी के साथ हम बड़ी जिम्मेदारी भी निभा सकते हैं.

मेरी आपसे सिर्फ इतनी ही विनती है कि मुझे आप सदा दिशानिर्देश देते रहे. कभी-कभी खो जाता हूँ. अपने चरणों में जगह दे, यही निवेदन करता हूँ.

और अंत में, आपसे कुछ भी कहने में थोड़ा डर भी लगता है पर फिर भी

आपका प्यारा शिष्य

Dear Srila Prabhupada,

I came to Krishna consciousness movement when I was studying B.Tech, but I got the complete understanding when I came in touch with your movement referred by one of my friends. I felt very fortunate for this opportunity to serve you spiritual master Prabhupada and Lord Krishna. I can truly say that I reduced most of my bad habits and turned them to good ones and trying to be in the mode of goodness through bhakti yoga. I plead you to make me serve the Lord.

Bhakta Raviteja Buddala

Dear guruji Srila Prabhupada,

Since childhood I always used to think “what is the main purpose my life?” Why I am here? (on this earth). From where are we coming and where are we going? I used to question my parents and other elders ‘what is the purpose of our life?’ They used to give answers what they feel which are not up to my satisfaction. So, as a child not knowing where to find the answers for these questions, I simply used to think within myself to find the answers to this questions. After many years, I came to know from one of the preachers that the goal of human life is to attain moksha. After two years of my Ph.D. life, I came to know about your organization which conducts bhagavad gita classes. This is how my spiritual journey started.

It is because of your blessings that school children are getting food and students like me who are in search of the absolute truth are getting help. By attending Bhagavad Gita classes only:

I realized that we are not this body and it is we who are staying temporarily in this body.

I became a vegetarian.

Came to know about the four regulative principles. I am following all the four principles.

Got a good clarity on karma.

Able to get association of your disciples at least once in a week.

I understood about Rath yatra & went to Jagannath Puri during Rath Yatra and pulled all the three rathas. I wish your blessings will be there upon me always and I would like to thank you for giving people like me, who are in search of the absolute truth in the dark, the light of knowledge through your books. I pay my humble obeisances to you.

Thankyou guru ji.

Dear Divine Grace Bhakti Vedanta Swami Srila Prabhupada,

As a student I was first initially introduced to Krishna Consciousness at the other camp, suggested by one of my friends. I began to understand the purpose of life gradually and it was my first step towards lord. But due to my laziness and material contamination, I stopped going to other camp. There is a saying that if we take one step towards lord, lord will reciprocate his love by coming 1000 steps towards us. This thing happened to me in my life when I got connected to your movement which helped me in developing real understanding of lord glories and way of life through Krishna and Srila Prabhupada’s mercy.

I really found many answers of life by myself when I followed loving devotional bhakti yoga with the help of listening and understanding the Sunday classes. I sincerely believe that Your method of chanting holy name, kirtan, taking prasadam, hearing of Bhagavatam and Bhagavad Gita is the purification process of our heart and it gives out immense happiness. I am very thankful to you my spiritual master who provided us this opportunity to serve Krishna. I felt fortunate to have ultimate joy after visiting PURI, MAYAPUR, RATHA YATRA. As a servant to lord Krishna and You, I beg to have His mercy on me to continue the service of Lord’s lotus feet. Presently, I am chanting 2 rounds of maha mantra and reading Bhagavad Gita every day. I sincerely request HIS DIVINE GRACE Srila

Prabhupada to keep me in Krishna Consciousness forever. Please forgive me for all the offenses done and I offer my sincere obeisances to you Srila Prabhupada and lotus feet of Lord Krishna.

Yours loving servant,

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet. I am the most fallen soul, still I have a great boon of hearing sweet words from your lotus mouth. By your merciful glance I am still sticking to your lotus feet and am in association with vaishnavas. I am very fortunate to come in touch you and deeply indebted for your causeless mercy on me. It is impossible for me to know about Krishna consciousness without you. Due to your mercy I am in this movement chanting 14 rounds, following four regulative principles. You are always with me and I realize this at every moment of my life.

Regularly I am chanting and reading Srimad Bhagavatam, Gita and also several books written by you.

O my gurudev Srila Prabhupada, please forgive me for all my offences which I committed.

Dear Prabhupada,

You changed the way world thought to live here including me who thought of enjoying a luxurious and honourable life is the only motive if humans.

I was introduced to Your movement by my friend in college 1st year. I used to go to Sunday classes for just for a change of environment but after those amazing “truth of life” classes changed my way of thinking and of course my company also got changed. I am thankful to you for giving such blessings, I associated with good and experienced seniors who guided me many times with my career. And Your disciples are truly experienced people with broader way of thinking who give simple & clear answers to big questions. And we also went on spiritual trips to Mayapur and Jagannath Puri which are really unforgettable.

As your devotee I thank you for starting a great movement that feeds millions of children who do not get basic needs. Everything is done by Lord Krishna.

Dear Prabhupada,

With the core of my heart I generate a deep love and respect to you. You really have taught what is necessary for the present generation, as no one cares about others. We are really moving in a backward direction. Our love and respect are declining as a result of our greedy needs. You seem to be a light in the darkness who have opened the doors for people like us to understand who is the real force for our existence and whom we have to serve. The bhagavad gita gives a very vivid description about the present scenario and give the best possible answers for our sufferings. You are always with us to guide in a proper direction. The chanting is really needed for everyone to remain calm and understand the real force behind all these. I am so grateful to have a teacher like you whose devotion to the supreme lord has set the Benchmark for the people like us. We will always remember you in our ups and downs and always be with us.

While I thank you again for your causeless mercy, I seek your blessings for my spiritual life.

My Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet. All Glories to Srila Prabhupada!

I offer my respectful obeisances unto His Divine Grace A.C. Bhaktivedanta Swami Prabhupada, who is very dear to Lord Kṛṣṇa, having taken shelter at His lotus feet.

yasya prasādād bhagavat-prasādo yasyāprasādān na gatiḥ kuto 'pi

"By the mercy of the spiritual master one is benedicted by the mercy of Kṛṣṇa. Without the grace of the spiritual master, one cannot make any advancement." A disciple should never be a hypocrite or be unfaithful to his spiritual master.

Thanks for your teachings. Only under your shelter I found the true value of human life. Let it be whatever service I do, I know it's you who gives me the ability to do it. You are the only strength, you are the only reason to gain energy to face tough situations. Your compassion and desire is the only boon in my life to join Krishna Consciousness. My dear Srila Gurudeva, the most auspicious moment of my life was taking initiation. I am most fortunate to have found shelter at the lotus feet of a bonafide spiritual master.

I do not know how my future is going to be. I do not know what circumstances I will be put into, but if I can know that you will be near me, I do not fear anything. I just want to get more understanding of what is service to the spiritual master and Krishna and become more selfless. Although, I am a pauper as well as, I know that any progress I make is solely the result of your causeless mercy and blessings.

Please never ever forget about me and keep me always at your Lotus feet, which are my only shelter.

Dear Srila Prabhupada,

You were born in Calcutta. You were born in a family of devotees. In your childhood, you told your father about your interest in Jagannatha Ratha yatra and asked if he can help you do it. Then your father gave you a small ratha and you performed the Ratha yatra so nicely.

Your guru Srila Bhaktisiddhanta Saraswati Thakura likes you very much. He said that you can do any activity with strong determination. He asked you to go to other countries and preach Krishna consciousness and make devotees of Krishna. Therefore you went to America and started Krishna Consciousness movement. You had 50 rupees when you went to America. Since the money wasn't sufficient for America travel, you asked Smt. Sumati Morarji for help. Even though she said that you will face lot of troubles, still you insisted that you must do it as it is the order of your guru. Then seeing your determination, she granted you the ticket for Jaladuta journey. While on journey you faced many problems and two heart attacks, still you remained strong and journeyed by depending on Krishna. You went to America and started ISKCON. You made crores of devotees throughout the world. Earlier, Krishna Janmashtami was known only to a few people. Now after ISKCON was started by you, all through the world there are many crores of people who became devotees.

You are not an ordinary man. You were born to be Krishna's messenger. Krishna sent you especially to preach about Krishna consciousness. After ISKCON was started, lot of social service activities like mid-day meals, hospital meals were being done. The real truth about Krishna was known to everyone after you had preached about it. What I would like to pray to you is to grant me bhakti, and engage me in Krishna's and your service. This is my desire. I also have eagerness to read your books. As I read your books, I hanker to read more. I love distributing your books to devotees and people in general. I want to distribute books to everyone and make them devotees.

Ever in your service,

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to you!

Gurudev!

*kripa-bindu diya, koro' ei dase, trinapekha ati hina
sakala sahane, bala diya koro', nija-mane spriha-hina*

On this glorious day of your appearance, I offer my most humble obeisances at your lotus feet again and again. As always, I find myself totally unqualified to glorify your unlimited transcendental qualities and achievements.

In Srimad-Bhagavatam (3.5.3) the great sage Vidura speaks the following verse:

*Janasya kṛṣṇād vimukhasya daivād adharmā-śīlasya suduḥkhitasya
Anugrahāyeha caranti nūnaṁ bhūtāni bhavyāni janārdanasya*

“O my lord, great philanthropic souls travel on the earth on behalf of the Supreme Personality of Godhead to show compassion to the fallen souls who are averse to the sense of subordination to the Lord.”

In the purport you state: Great unalloyed devotees of the Lord are compassionate towards the fallen, and therefore they travel all over the world with the mission of bringing souls back to Godhead, back to home. Such pure devotees of the Lord carry the message of Godhead in order to deliver the fallen souls. Srila Prabhupada, you are that merciful Vaishnava who left Vrindavana in your old age to execute your spiritual master's order. You are a Vaishnava of the highest order. Your every action was based on the teaching of the acharyas and shastras.

Even though I am born Indian, I have learnt more about Lord Krishna outside India i.e. Krishna Balarama Mandir, USA. Without Srila Prabhupada there would have been no Krishna Conscious society nor the wonderful translations of the Bhagavad-gita and the Srimad Bhagavatam. But as I chant my rounds, read your books, listen to your lectures, I am slowly cleansing my heart of accumulated clutter, and I am beginning to experience some joy and bliss. If you had not come, how would we ever have known about the highest goal of human life and the means to obtain it? Who would have informed us about the love to Krishna and his devotees? Who would have shown and instructed us how to perform the chanting of the holy names in such a way that the Lord feels attracted to appear in our hearts?

You are our eternal father and well wisher. Once again I want to beg you to give me the strength and intelligence to remain engaged in your service. I bow to your Lotus Feet and hope to also be obedient and follow your instructions, and pray to begin to understand your teachings to the best of my ability. Thank you Srila Prabhupada for your unlimited mercy.

Your's Servant,

Deepa Dhatri Devi Dasi

To my dearest spiritual father,

All glories to you! All glories to you! I do not know how to start thanking you, as you have done a lot to me. Just to mention a few among them:

Last year's Vyasa Puja offering, I had requested your mercy to develop the taste for distributing your books. Within no time, I developed the interest to be actively part of the Sankirtana movement.

Next, the most amazing thing was, during our visit to India this year, I met with an accident where I broke my shoulder bone, so I had to undergo surgery. It happened just two days before the pre-planned pilgrimage tour. I was eagerly waiting to visit these dhams for six months. This accident shut my dreams in a second, and I was in a moment of disappointment. I was weeping a lot not because of the accident, but because I was going to miss the yatra. By your grace, the doctors agreed that I can travel. So I just decided to move on, thinking that you will take care of everything. I was just dependent on you, my father. Every moment you were protecting me. You also gave me the chance to get very nice darshan of all the dhams. Especially in Puri during the crowded Ratha Yatra. Where lakhs of people would be fighting to pull Lord Jagannatha's chariot and to have his darshana. I was also able to do everything just like a fit ordinary person. Not even a single person could touch me. That is all just because of you. Many people were carried in the ambulance because of the stampede, while I was safely in your hands without a single scratch. Because of your mercy, I got a chance to witness the wonderful abhishekha for their Lordships Srinivasa Govinda in our Bangalore temple. I also got a chance to associate with the senior most devotees, which was my long unfulfilled desire.

Last, but not the least. Please! Please! I beg you to give me the same strength and capabilities to serve my Sri Krishna Balaram and Radha Manmohan as everyone is confusing me that I will not be able to do my regular activities normally. I don't want this to be an obstruction to serve your mission. Please! Take care of my weakness like you always have done.

Dear Srila Prabhupada,

Please accept my most humble obeisance unto your Divine lotus feet. I am very grateful to you for guiding me and my family through your teachings.

Srila Prabhupada, the last year had been a tough year with many challenges for me. You guided and helped me to come out of this situation. Let me be always focused towards performing my duties with full faith and help me increase my strength to surrender unto your lotus feet. Always keep me grounded so that I am able to serve your mission with a right attitude. I am so happy to have association of devotees by your mercy.

Srila Prabhupada, this year, quality of my chanting has gone down. Despite of me doing so many mistakes in following your instructions, you have been always very merciful in giving me more and more service. Please help me to get a deeper understanding of how Krishna is with me through his name while chanting.

Please shower your blessings on me so that I can follow the principles of Krishna consciousness laid by you without any obstacles. I know you are our eternal well-wisher and you are with me to give me strength to overcome all the hurdles which I face on a daily basis.

Dear Srila Prabhupada,

Please accept my humble obeisances at your Lotus feet, million thousand times again and again.

Though I am not qualified it is my fortunate moment and opportunity to glorify you on this most glorious occasion. Please accept my offerings in words.

Without you today, I am a very sinful soul and fallen, you picked me up and guided me with your causeless mercy all throughout my Krishna Conscious life. My heartfelt thanks to you with gratitude for what ever you have blessed me with. Gratitude, is one thing in my life which I realized after a long way in KC by your mercy. You are an empowered incarnation in this yuga for a fallen soul like me. I really fear what could have been my destiny without your mercy. You have become my spiritual father to guide me. Thank you for giving me such a nice association of your devotees in Krishna Balaram Mandir. Knowledge realizations which I got this year made me know exactly what I am in Krishna Conscious and what you want every devotee to be. I really had no attraction towards the Lord, it was just frutiv mentaliti which made me think all these years that I was a devotee. By the grace of Sri Madhupandit Prabhu, through his repeated lectures on improving chanting and by your divine grace I started touching the Holy name while chanting. Still I don't know what made you to pick me for giving such a boon for which I am feeling completeness in my life. I am now in comfort zone but use me in your mission making me as an instrument to preach Holynames glories. I want to serve you to please you, be it what ever you may wish. You know my abilities better than me. I am the most fallen soul but please consider my service and I beg you I want to be always in the association of devotees and help me to do right kind of chanting to please the Lord.

Dear Srila Prabhupada,

Please accept my respectful obeisances. All Glories to Your Divine Grace!

As the years in the calendar are passing behind I think I am able to gradually understand more and more, how thankful I should be unto you for providing me an opportunity to take up Krishna Consciousness. With your mercy, for the last few years I have been trying to practice Krishna Consciousness in one of your institutions called Sri Krishna Balaram Mandir and as you know I have a long long way to go but I can see myself how slowly and gradually I am evolving, how I am positively progressing and improving my standards in serving you. Please continue to guide me.

I always feel that I am very fortunate to be part of your movement and I will be eternally indebted to you because, for sure, its only because of your mercy that I have got this opportunity to practice Krishna Consciousness and that's an amazing gift I ever received and in fact every time I find myself in a state of awe and reverence by thinking how wonderfully you have attracted me and also fascinated many other thousands of souls. I guess it's inconceivable, as its beyond my comprehension. Without you and your books, world would be doomed and thus I sincerely pray to you that everyone should accept and appreciate your teachings as that is the only way which could bring peace and harmony on this entire chaotic planet.

As always on this auspicious appearance day of yours, I want to thank you immensely from my bottom of my heart for showering your mercy on to me and at the same time I also beg you to please give me more strength and proper intelligence so that I can give up all the desires for sense gratification and then I can at least progress towards attaining the real peace, as it is mentioned in the scriptures, Bg 2.17,

"A person who has given up all desires for sense gratification, who lives free from desires, who has given up all sense of proprietorship and is devoid of false ego—he alone can attain real peace."

Before I conclude here, I again want to thank you for everything as it is certainly the most rewarding journey for me so far and I am happily looking forward to the years to come to remain as one of your servants (of the servants).

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet.

I am very thankful to you that you admitted me in Chaitanya Mahaprabhu's army. By your mercy and compassion upon me I got the opportunity to be with vaishnavas and serve them personally.

I am deeply obliged to all your loving disciples in Jaipur temple, because of them I got the opportunities to serve your mission. These last six years in Jaipur temple were special boon for me. By staying in association of all vaishnavs I built strong base in devotional life. I beg forgiveness for all the offenses that I have committed towards your lotus feet throughout these years. Specially we got opportunities to serve the cows in Hingonia Goshala and by mercy of Sri Krishna Balaram we came out successfully, initially it was looking difficult for us but it became very simple by your mercy.

Dear Srila Prabhupada, I do not have pinch of determination in following your instructions, as you taught practically by following your spiritual master's instructions. Without your mercy, I will not be able to perform my sadhana at my capacity. I beg you to be merciful and use me as an instrument in your movement and Lord Chaitanya's army to spread the Glories of Holy Name.

Dear Srila Prabhupada, personally I have no hope for relishing the nectar in chanting the Hare Krishna Maha Mantra, due to the contamination and dust accumulated in many births. But I am confident that by following your instructions one day I will be relishing the nectar in chanting. Let me with all earnestness pray at you lotus feet to allow me to suffer for which I am destined due to my past misdoing and release from such misdoing so that I will get a chance to relish the taste of the Holy name of the Lord.

Nanda Kishore Dasa

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories all glories to you!

Your life is a glorious example of what all wonderful things Krishna will manifest if one becomes a loyal and humble instrument in our spiritual master's hands. And that is truly the real success for any disciple.

You said in purport to SB 4.28.51:

“When one becomes serious to follow the mission of the spiritual master, his resolution is tantamount to seeing the Supreme Personality of Godhead... The disciple must stick to whatever the spiritual master orders. Simply by following on that line, one sees the Supreme Personality of Godhead... In conclusion, if a disciple is very serious to execute the mission of the spiritual master, he immediately associates with the Supreme Personality of Godhead by vāṇī or vapuḥ. This is the only secret of success in seeing the Supreme Personality of Godhead.”

You understood the real intent of Srila Bhaktisiddhanta Sarasvati Thakura's. While other disciples settled for less and were entangled in conflicts, you focused your complete attention in fulfilling the orders of your spiritual master. It's a lesson for all of us how to focus with one-pointed attention on fulfilling your orders and instructions than getting caught up with petty and unimportant matters.

ohe! vaiṣṇava-ṭhākura, doyāra sāgara, e dāse koruṇā kori'

You are the most dear servant of Krishna and you are the ocean of mercy, please shower some mercy on this insignificant servant of yours.

Give me shelter at your lotus feet, cleanse my heart, I hold on to your lotus feet strongly.

Prompt me to always remember and hold on to your lotus feet.

By myself I don't have strength and enthusiasm to participate in this glorious harinama sankirtana mission. I need your extra ordinary mercy and a drop of faith so I can relish chanting the name of Krishna and engage in the harinama sankirtana movement with full energy and enthusiasm!

You are the pure devotee of Krishna, Krishna is yours, you can give Krishna to anyone as you want. I am just so poor in understanding and advancing in Krishna consciousness. I am just running behind you shouting Krishna Krishna so you can give me some taste and advancement in Krishna consciousness.

Please remain in my consciousness always and correct me, chastise me and guide me to make right choices, to keep good association, to be your pure instrument in your glorious mission and to remain energetic and enthusiastic.

How can such persons, who have rendered unlimited service by explaining the path of self-realization in relation to the Supreme Personality of Godhead, and whose explanations are given for our enlightenment with complete conviction and Vedic evidence, be repaid except by folded palms containing water for their satisfaction? Such great personalities can be satisfied only by their own activities, which are distributed amongst human society out of their unlimited mercy. (SB 4.22.47)

Dearest Srila Prabhupada,

Please accept the most humble obeisances of this most fallen soul.

mo sama patita prabhu nā pāibe āra

I cannot express my gratitude in any number of words for the causeless mercy you have been showering on me. As you said in the purport of Srimad Bhagavatam 4.22.47, you are my best friend and benefactor because you gifted me with the pure knowledge of Krishna. And, it is impossible to repay this great gift of Krishna Consciousness you blessed me with. All I can do is offer these prayers at your lotus feet: "Kindly use me as a humble instrument in your mission, your service and Krishna's service - use me in a way that pleases you and that is favorable to you!" That can be the only Guru dakshina I can offer to you.

Prabhupada,

O son of Maharaja Nanda, Kṛṣṇa, I am Your eternal servitor, yet somehow or other I have fallen into this ocean of birth and death. Please pick me up from this ocean of death and place me as one of the atoms at Your lotus feet.

A zillion dandavats for making me part of your merciful devotee family. With your kind blessings, this year you gave me the opportunity to associate with your sincere disciples like Madhu Pandit Prabhu, Vasudeva Keshav Prabhu, Amitasana Prabhu and many other senior Vaishnavas. You also made me eligible to have the divine darshan of Sri Radha Gopinatha at the auspicious temple inauguration in New Jersey. Thank you for blessing us all with the wonderful Japa Retreat by your disciple HH Madhu Pandit Prabhu. This was a great blessing from you to improve our Japa and learn more about the potencies of the Mahamantra. How can I express gratitude for all this mercy? Please continue to bless me to chant attentively and let me offer this great seva to please you and Krishna.

Yet another manifestation of your causeless mercy is - this year, you blessed our family by giving us the eligibility to enter the Holy Dham of Vrindavan and relish the bliss. Satakoti dandavat pranams for this shower of causeless mercy!

hā hā prabhu koro doyā, deho more pada-chāyā

Throughout this year, you continued to make me an instrument in your mission even though I do not have any eligibility. Thank you Prabhupada for holding my hand all the way and being with me always! Please let me prioritize your service and Krishna's service over everything and anything else. Please let me dovetail my freewill completely with your will and Krishna's Supreme Will. Please always keep me under the influence of the divine Yogamaya internal potency and not under Mahamaya.

“cakṣu-dān dilo jei, janme janme prabhu sei,

divya jṣān hṛde prokāśito”

Please bless me with more strength and perseverance to read your books consistently with eagerness and dedication. I have relished every word of whatever you blessed me to read so far and I have experienced your association and Krishna's presence in the pages of your Srimad Bhagavatam. If you so desire, please bless me to relish Srimad Bhagavatam completely as soon as possible.

On this most auspicious day of Your Divine Grace's appearance, I beg forgiveness for the countless offenses I committed birth after birth and for any Vaishnava aparadha I may have committed. Let me not have a lording-over nature but only an attitude of servitude towards you, Krishna, your devotees and everything in this world. I also beg at your lotus feet that you please continue to hold me tight and shower more and more mercy on me, although I do not deserve to receive such mercy. Without your mercy there is no other way to get rid of this material contamination and all my accumulated anarthas.

Please give this fallen soul an opportunity to continue serving you. With satakoti dandavat pranams,

Your most humble servant,

Padmakshi Devi Dasi

Dear Srila Prabhupada,

Please accept my Humble Obeisance! All glories to you Srila Prabhupada!! Thank you for the opportunity to submit my offerings to you.

You have been revealing many secrets based on where I am and how I am progressing in my spiritual journey. Last year the most revealing secret is “namnam akari bahudha nija-sarva-shaktis” – you revealed where all the energy is and why we need to concentrate on the Holy Name, many times when I am tiered you reminded me the energy is in the NAMA and I personally felt energized and was able to go beyond my limits after chanting few rounds.

Srila Prabhupada, you are an Expert in taking care of your devotees,

First, you gave me opportunity to associate with the senior devotees at regular basis, this opportunity to serve your mission is very rare and for a fallen soul like me this opportunity is the best ever gift, I am so very grateful for this rare opportunity.

You thought us how to treat Vaishnavas(Vaishnava Etiquette), and how to associate and serve with your NAMA then you gave us opportunity to visit the Holi Dhams to experience the Bhava and Prema the devotees show to you and to the Supreme Personality of God Head Sri Krishna. That very experience of how other Devotees in the Holy Dhams are treating you just crushed my ego and reminded me of how much of anartha are there in me and how much more progress to make.

I am sure You are expertly taking care of each and every devotee and helping them progress in their spiritual life, just like how you do to me.

I do not have words to express my gratitude for all that you have done and all that you are continuously doing for each devotee.

I pray at your Lotus Feet and at the Lotus Feet of the Supreme Lord Sri Krishna to please help me remove my anarthas and I beg for your mercy to correct me if I make any mistakes that will hinder my spiritual progress.

Parvati Devi Dasi

Dear Srila Prabhupada,

My heart and soul is chanting Hare Krishna. Because of many previous births' pious credit, I am able to get you as my spiritual master. Because of that my heartfelt gratitude to you. I got to know about your movement around 12 years back.

You met your spiritual master when you were 22 years old. You were in Grihasta ashrama at that time. At that time you expressed to your spiritual master that you could not serve him like your other God brothers who were full time missionaries. Now, not only you became a full time missionary but you have transformed lakhs of people to take Krishna consciousness. You followed the orders of your spiritual master. You didn't meet your spiritual master physically many times, but you served the order of your spiritual master, Srila Bhaktisiddhanta Saraswati Thakura, to preach Krishna consciousness in the western countries and thereby satisfied him. You did many businesses when you were in family life, but you got many setbacks financially, and your householders also could not support you in Krishna Consciousness. You took sannyasa at 63 years of age. And then you made sure that Vrindavan is known throughout the world. You stayed in Radha Damodar temple in Vrindavan and wrote many books. You are an extra

ordinary cook. You used to cook personally and offer to Sri Radha Krishna and personally serve the prasadam to devotees. You would keep the kitchen very clean. In the same way, all ISKCON temples follow similar offering procedure and keep the kitchens very clean. Your books are translated into many languages throughout the world. Your Bhagavad Gita purports give Krishna's instructions and intentions "as it is" and therefore the book is aptly titled "Bhagavad Gita As It Is". The training you gave whether it is being grave, or kirtana, lecture, prasadam etc are all being carried out as per your direction in your temples. You asked us to follow the 4 regulative principles of no meat eating, no intoxication, no gambling and no illicit sex. You asked us to chant at least 16 rounds of Hare Krishna mantra on tulasi beads. Since we are in Kali yuga and are in a fallen state, we were asked to simply chant 16 rounds of Hare Krishna maha mantra japa by chanting out loud with our mouth and hear it with our ears. Right now there is no one who does not know ISKCON. It has become famous for sumptuous and delicious prasadam. In many countries throughout the world you have gotten rid of many bad habits of the people there and made them civilized and spiritual beings. We are not bodies, we are spirit souls. What the spirit soul needs is the relation with Paramatma only.

I would like to request you that in as many births as I may take, I should be engaged in the service of Krishna. Please shower your mercy as such.

Always in your service,

Parvati Devi Dasi

Prananatha Gopala Dasa

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet. All Glories to your Divine Grace.

Many thanks for your indefatigable efforts in spreading the message of Bhagavad-gita all over the world.

In my early days of Krishna Consciousness, among many of your enlightening correspondences the one that struck me the most was the one with Lynne Ludwig, a Californian woman who complained about two of your young disciples who seemed to have a negative outlook towards the people they meet. When I first saw the letter my first instinct was that you would chastise your disciples for their apparent negative external behavior and you would make them apologize to the woman. Though this might seem to be the right thing to do as per the superficial materialistic social norm, you chose to address the inner feelings of each of the individuals. You requested the women to address the eagerness of the neophyte inexperienced devotees to protect themselves from maya and have a pessimistic towards materialistic happiness instead of finding faults in their external behaviour. It is in fact this letter and gesture of yours which inspired me to surrender unto you and trust in your spiritual leadership more and more. You seemed to take responsibility for behavior of your disciples, at the same time being sensitive to their emotional and intellectual state.

I recently had an opportunity to read about one of renowned Indian mathematician who died at an early age. I seemed to feel very sorry for his early demise. I reflected on my emotions. When I carefully examined I understood that I felt sorry because humanity had just lost a truth seeker, someone who raised the bar for what humanity could achieve materially. Any intelligent person always shares a bond with those who push the boundaries of humanity to newer possibilities. I feel something which we fail to realize many times in Krishna Consciousness movement is that devotees are no different from that mathematician. Our primary purpose is to seek the truth. We follow in the footsteps of your Divine Grace in this austere yet sublime path of Krishna Consciousness not because someone likes us when we do this, not because it feels good or relaxing, not even because it feels adventurous at times. It is simply because it is the path of truth. I beg for your mercy to help me realize this and inspire some young minds around me. Please help me realize and also communicate Krishna Consciousness not as a set of rules but a path of a dream, a spiritual dream which is non different from reality. Please protect me from the dangerous quicksand of familiarity

and help me lift myself above materialistic emotions and be steadfast in serving your Divine Grace's vani. For good or bad I am currently amidst nirvishesha vadis of west. Unfortunately, nirvishesha vada is the immediately predecessor of familiarity, the ultimate killer of spiritual life. I pray for your mercy and protection in this regard to save my devotional service.

Please continue to shower your mercy upon me and please give me more and more association of devotees who help me realize that Krishna Consciousness as a path to seek the truth. The supreme absolute truth is the transcendental personality of Sri Krishna.

PAMHO! AGTSP!.

Thank you so much for your causeless mercy on this sinful, ignorant and most fallen soul. When I look back my previous life I realize how you have transformed me from a beast to a Vaishnava.

Thanks for giving me so many realizations while preaching during Bhagavad-gita conference calls, Book distribution, Fund raising, youth preaching etc and help inspire people to take Krishna consciousness.

Thanks for your mercy to help us get permission to enter holy dhams such as Dwaraka, Mayapur, Navadvip and Puri. Only because of your grace, we were able to successfully complete our yatra recently inspite of challenging situations.

Recently after watching Jagannath ratha yatra videos from different parts of the world, especially in Pakistan Realized how your divine grace has inspired devotees to achieve impossible feats.

Please help me always be engaged in the loving service of my Gurudev, Sri Nitai Gauranga, Sri Radha Krishna and ananta koti Vaishnava vrinda. Please bestow Krishna prema bhakti on this fallen soul. Please empower me with a spark of your splendor to preach Krishna consciousness to people. Kindly help realize our dream temple at Milpitas at the earliest.

I was born in the darkest ignorance, and my spiritual master opened my eyes with the torch of knowledge. I offer my respectful obeisances unto him.

When will Srila Rupa Gosvami Prabhupada, who has established within this material world the mission to fulfill the desire of Lord Caitanya, give me shelter under his lotus feet?

Dear Srila Prabhupada,

Thank you for all your teachings. You have given us the most important knowledge and showed us the best path to get out of this material world. Your books, your lectures and your conversations give us all the answers we are

looking for. We are always indebted to you for all that you have given us. The process you have laid out to go back to Godhead is so clear and so simple, now it is just on us to take up your instructions seriously and steadily progress on our path back home. My prayer to you has always been to make me get the taste for chanting. With your causeless mercy I have come to a stage where I am giving more importance to Sadhana than service. I know that there is a lot more room for improvement but it's better late than never. You are constantly guiding me through your senior disciples. I feel so fortunate that I am amongst all these merciful Vaishnavas. I am sure it would have been impossible for me if this concept of sadhu sanga was not enforced by you. This Krishna Conscious family you created for us is so beautiful that no matter where you are, among devotees you always feel home. It is so amazing that everyone is working together for a single aim of spreading this Krishna Conscious knowledge that you have given us. I pray to you to also help me to serve you to spread this invaluable knowledge that you have given us.

Please Prabhupada, please also shower your mercy on our family and help our parents and our siblings get more serious in Krishna Consciousness. Please help our children to be always engaged in your service. We are forever indebted at your lotus feet.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to your Divine Grace!

I was wandering through out the universe and due to your causeless mercy got the opportunity to associate with you through your books and organization. Your books are the basis and foundation to understand the goal of life. Your books help fallen souls like me to be always connected with you and the Lord Krishna. Its difficult to imagine life without your books. As you mentioned in the verse SB 7.15.45 purport

*“nṛ-deham ādyaṁ sulabhaṁ sudurlabhaṁ plavaṁ sukalpaṁ guru-karṇadhāram
mayānukūlena nabhasvateritaṁ pumān bhavābधिṁ na taret sa ātma-hā*

This human form of body is a most valuable boat, and the spiritual master is the captain, guru-karṇadhāram, to guide the boat in plying across the ocean of nescience. The instruction of Kṛṣṇa is a favorable breeze. One must use all these facilities to cross over the ocean of nescience. Since the spiritual master is the captain, one must serve the spiritual master very sincerely so that by his mercy one will be able to get the mercy of the Supreme Lord.

A significant word here is acyuta-balaḥ. The spiritual master is certainly very merciful to his disciples, and consequently by satisfying him a devotee gets strength from the Supreme Personality of Godhead. Śrī Caitanya Mahāprabhu therefore says, guru-kṛṣṇa-prasāde pāyabhakti-latā-bīja: one must first please the spiritual master, and then one automatically pleases Kṛṣṇa and gets the strength with which to cross the ocean of nescience. If one seriously desires to return home, back to Godhead, one must therefore become strong enough by pleasing the spiritual master, for thus one gets the weapon with which to conquer the enemy, and one also gets the grace of Kṛṣṇa. Simply getting the weapon of jñāna is insufficient. One must sharpen the weapon by serving the spiritual master and adhering to his instructions. Then the candidate will get the mercy of the Supreme Personality of Godhead.”

You have built a BIG house of Krishna Consciousness movement (Organization) where everyone could live happily and peacefully without any difficulty. Wherever you go in this world, we could see your presence through your books and organizations.

You mentioned that Sravanam and Kirtanam are the most important activities that needs to be performed constantly (Satatam Kirtayanto mam) but I need your special mercy to improve my quality of chanting and improve my reading by relishing your purports.

Though I am the most fallen soul you are giving me an opportunity to serve your mission by preaching this science of Krishna consciousness through your books and temples. I sincerely beg for your mercy on this most auspicious day to shower your blessings on to push on this movement more and more and get an opportunity to serve your mission life after life.

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet. All glories unto you!

I cannot thank you enough for being so merciful unto me and my family to take us under the shelter of your lotus feet and constantly blessing us, protecting us from Maya and guiding us to make progress in Krishna consciousness gradually. Last year it has been very challenging both spiritually and materially for various reasons but it's only through your guidance, I was able to make some important decisions, which was very difficult otherwise. I really beg for your mercy for the upcoming year too to keep up my sadhana (chanting and reading) and sincerely pray you to guide me through any difficult situations that come along. I also hope that you will continue to bless me so I can constantly improve myself and get rid of my anarthaas, purify my heart, develop Bhakti and Prema.

I sincerely thank you from the bottom of my heart for showering your causeless mercy on my in- laws this year to take up Krishna consciousness. I am glad that they took up chanting although they do not have much understanding of our philosophy.

Lastly, I would like to thank you for blessing me and my family in serving the holy name and their Lordships Krishna and Balarama by being an instrument in your movement. I am eternally indebted to you and I beg to remain the servant of your servants. Please empower and make me an useful instrument, be ahaituki apratihata (Unmotivated and uninterrupted) in serving your divine mission!!!

Samardha Krishna Dasa

Dear Guru Maharaj, Srila Prabhupada,

On this glorious day of your appearance, I offer my most humble obeisance's at your lotus feet again and again. As always, I find myself totally unqualified to glorify your unlimited transcendental qualities and achievements.

By your mercy, I have been serving your mission happily for the past 12 years being a full time devotee in Krishna Consciousness. By reading your books, listening to your lectures and following your instructions, I feel blessed to be your disciple. I am encouraged daily to perform more service. With the association of pure devotees and Vaishnavas, I'm able to learn so much more about you and our merciful Lord Krishna Balaram.

From being a full time devotee, now I have just stepped into Grihastha ashram. I was lucky that through the association of devotees, I found a beautiful soul who has already been worshipping you for years. Please shower your blessing for us to keep worshipping you following all the rules and regulations of Grihastha ashram.

I want to thank you for spreading Krishna Consciousness all over the world. You risked your life for the benefit of everybody when you took the decision to travel to America in your old age. You have given the most precious gift of Hare Krishna Maha-mantra especially to the hippies and made them Vaishnavas. Please shower your blessing to us to keep spreading your instructions in Krishna Consciousness.

I am fortunately blessed to be still cooking for Lord Krishna Balaram all these years just like Radha Rani cooks varieties of sumptuous bhoga for Lord Krishna. Please retain your blessings for me to display my talent of cooking and serve Lord Krishna and all the Vaishnavas with delicious prasadam in the future.

Please forgive me for all my mistakes that I have done knowingly and unknowingly. I beg you Srila Prabhupada to bestow the mercy on me to completely get the essence of your teachings and follow your instructions as it is.

Your fallen soul,

Sanatana Dasa

My beloved eternal spiritual father Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet and I thank you very much for giving me one more opportunity to glorify you.

Before I start, let me confess my inability to glorify a Mahabhagvata like you by my childish and ignorant words so I devise a way to glorify you by using the words that emanated from your lotus mouth and what else can be the best way to glorify the Lord and his pure devotee than by the words of a pure devotee.

Recently I moved from Jaipur Temple(India) to Sunnyvale temple(US) as a part of your divine plan and I was reading the poem you wrote, on arriving in Boston(US) to your Lord “Markine Bhagvata-Dharma”. I am taking the same words as my humble offering and prayers unto your lotus feet on this auspicious day of your divine appearance :

Srila Prabhupada now you have brought me here being so kind upon this useless soul. now kindly engage me the way you want.

I know your only business is to please your Guru Maharaj and your Lord by spreading their message. Thank you for allowing me to be the part of your business Srila Prabhupada.

Srila Prabhupada I heard that how you went through lot of hardships and started your movement here and turned millions of hippies into devotees but now I actually realize that its not at all easy to transform even a single person, so deeply absorbed in ignorance.

But I know your causeless mercy can make everything possible and in fact now the world has seen the power of a pure devotee of the most expert mystic Krishna, it's no less in anyway.

Srila Prabhupada I beg your blessings to strengthen my faith in your words and then convince others about the message you are carrying.

Whole world is under illusion, you have given us the weapon to cut this knot of illusion now kindly engage me in distributing this weapon of holy name to all so that they also get released from the clutches of illusion.

Your divine grace is the only hope to get deliverance from this material nescience. Srila Prabhupada kindly make me an instrument to deliver your message to those whom you desire their deliverance.

Oh JagadGuru, whole world have seen your reality but you know my reality that I have no power, no intelligence, most unqualified, a tiny mortal but my only good fortune is that you have accepted this wretched soul as your disciple so I seek your benediction so that I can convince them, for its not at all possible by my own strength.

Srila Prabhupada kindly guide my path to reach out many many souls to whom I can speak about you. Now, O master, it is up to you to make me a success or failure you like.

O spiritual master of all the worlds! Give me the right intelligence so that I can simply repeat Your message, so if You like You can make my power of speaking suitable for their understanding.

Only by Your causeless mercy, Srila Prabhupada, will my words become pure. I am sure that when this transcendental message penetrates their hearts they will certainly feel englanded and thus become liberated from all unhappy conditions of life.

O Master, I want to be just like a puppet in Your hands. So, if You have brought me here to dance, then make me dance, make me dance, O Master, make me dance as You like by engaging me in the service of your divine lotus feet.

I have no devotion, nor do I have any knowledge, but I have strong faith in the holy name of Krsna. I have been designated as Bhaktivedanta, and now, if You like, you can fulfill the real purport of Bhaktivedanta.

Above are the expression of your Humility Srila Prabhupada but for me its all my Reality : No devotion, no knowledge ,no faith. I have been designated as devotee but I exhibit no quality of a true devotee.

Srila Prabhupada I long to be a good devotee of your Divine Grace by sincerely following all your instruction, by working hard for your mission and I will consider my life successful if I can render a tinge of seva you did to your Gurudeva and for this to happen Srila Prabhupada I need and beg your divine blessings and guidance to overcome my limitations at every step of my spiritual journey without which there is absolutely no chance for me to move ahead.

I beg forgiveness for the offenses I committed knowingly or unknowingly at your lotus feet in any way or to any of the Vaishnavas.

Begging to remain your most unworthy servants birth after birth after birth.

Sanatana Dasa, Krishna Balaram Temple Sunnyvale,US.

Satyabhama Devi Dasi

Dear Srila Prabhupada,

All glories unto you! Thanks for accepting me as your humble servant.

This year is full of transition for me. I moved to a new place and its a challenge to me as I don't have the association of devotees.

I simply beg for your mercy and depend on your instructions for my spiritual progress.

Recently I visited your room in Iskcon temple where your grace has personally stayed and translated books. It was really upsetting me to see modified version Bhagavad Gita As it is in your room.

Please guide me a way to get attached to your instructions and dedicate all my time, interests towards your mission. Please bestow mercy upon this fallen soul that I can chant holy names of Lord with proper care and attention.

Reading Bhagavatham is an eye-opener for me, I simply do not want to repeat the story of Puranjana. I do not want to be like Purvi, spending the entire life without inquiring about real self?

The verse below explains how merciful you are to the fallen soul. You gave this confidential knowledge to us and pulled out from the greatest dangers of this material world.

rājovāca
śrutam anvīkṣitaṁ brahman bhagavān yad abhāṣata
naitaj jānanty upādhyāyāḥ kiṁ na brūyur vidur yadi (SB:4.29.56)

TRANSLATION

The King replied: My dear brāhmaṇa, whatever you have said I have heard with great attention and, considering all of it, have come to the conclusion that the ācāryas [teachers] who engaged me in fruitive activity did not know this confidential knowledge. If they were aware of it, why did they not explain it to me?

This verse reveals your divine purpose to visit this material world to reclaim fallen souls

nārāyaṇa-parāḥ sarve na kutaścana bibhyati
svargāpavarga-narakeṣv api tulyārtha-darśinaḥ (SB:6.17.28)

TRANSLATION

Devotees solely engaged in the devotional service of the Supreme Personality of Godhead, Nārāyaṇa, never fear any condition of life. For them the heavenly planets, liberation and the hellish planets are all the same, for such devotees are interested only in the service of the Lord.

The below verse shows the importance of serving pure devotee

śuśrūṣoḥ śraddadhānasya vāsudeva-kathā-ruciḥ
syān mahat-sevayā viprāḥ puṇya-tīrtha-niṣevanāt (SB: 1.2.16)

TRANSLATION

O twice-born sages, by serving those devotees who are completely freed from all vice, great service is done. By such service, one gains affinity for hearing the messages of Vāsudeva. "O master! Be merciful unto me. Give me the shade of your lotus feet. Your fame is spread all over the three worlds."

I have realized serving your mission is the only way I can be purified.

Jai Srila Prabhupada!!

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet. All glories to your divine grace.

Thank you for coming to this world to save us in spite of the tremendous difficulties and obstacles which you had to face, depending solely on the mercy of the Supreme Lord Krishna and your eternal spiritual master, Srila

Bhaktisiddhanta Sarasvati Thakura. I cannot even imagine where my life would be today, if you had not come to this world and blessed us all with your divine benediction. Way back, after visiting the first Sunday feast at ISKCON Atlanta you have continuously guided me through your books, recorded classes, letters, lectures, conversations and through your disciples.

But for you Srila Prabhupada, I would have fallen into the deepest well of my false ego. You saved me from a life of misery and ignorance. By Your mercy the seed of bhakti was planted in my heart. I continue to stumble and face challenges every day but by your Grace I have never lost faith and hope. Thank you for giving me eternal shelter under your lotus feet.

Srila Prabhupada, without your causeless mercy I cannot do anything. Please bless me with intelligence to execute your mission properly and help me to follow your instructions sincerely, strictly and submissively. So on this holy day of Vyasa Puja I beg you to keep me eternally connected with you birth after birth.

Aspiring to be a servant of your servant, Shrihari Dasa

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet.

What a journey this has been so far and how grateful I have to be for the mercy you have bestowed upon me. I still remember the day when I first got introduced to Krsna Consciousness. I had never seen white people so committed to the Krsna conscious path. I was amazed with their dedication where they didn't hesitate to go in December cold for harinam sankirtan in playing the mridanga with bare hands. That created curiosity in me on what makes so many people surrender to you and wanted to know more about you. Even today my curiosity is to know more about you. In this situation, I want to quote this verse from caitanya carimrta Madhya 20.64

sanatana kahe, 'krsna ami nahi jani amara uddhara-hetu tomara krpa mani'

Sanatana said: "I do not know who Krsna is. As far as I am concerned, I have been released from prison only by Your mercy."

I can put myself rightly in Sanatana goswami's perspective and I can say that I don't know who is Krishna, I only know that for my delivery you are showing your mercy. Whenever I think of this, I wonder how can I repay the unlimited mercy you have shown upon me? I am not eligible to have your mercy yet you don't want to leave me. I know how much pain you undergo every time you see any of your devotee deviating from this path. You have gone extra miles to get them back to the path. Like a father protecting his son from all difficulties, you continue to protect me with your words.

yasya prasada bhagavat-prasado yasyaprasadan na gatih kuto 'pi

Only with your mercy I am serving Krishna. But deep in my heart I am only serving your instructions. Without your grace I don't remember how to make any progress.

Please continue to protect me like a tiger protecting cub. Maya can run away from me only when you hold me tight because you are a tiger. Please bless me to continue to serve your mission and I am trying my best to become your humble and obedient servant.

Your Servant,

Shrutadhara Dasa

Dear Srila Prabhupada,

Please accept my humble obeisances!

Each day I'm very grateful to you and Krishna for all the good things that are coming my way. My prayer is that you continue to keep me under your wings and protection so that I do not get caught up in too many material activities, as much as they are essential for the time being to set things in place. You are the one I talk to in good times to express my gratitude and in bad times to seek solace. I wish you keep me firmly at your Lotus feet at all times. Please always remind me that whatever material success we achieve will ultimately go towards your mission and servants of you and Krishna. It is my humble request that you give us the opportunity, means, and intelligence to serve you in your mission. Please help me strengthen my sadhana so that I'm able to connect more to your teachings and live a lifestyle that is conducive for spiritual growth.

Everything that I'm able to achieve is only by your blessings and Krishna's grace and I'm extremely thankful to you for that. The only feeling that can be greater than from knowing that this is all your doing is, when we actually use the results of those activities for you and Krishna. Please help us be engaged in your service with the material successes so that our lives become more meaningful and enriched.

As I chant my 16 rounds, read your books, listen to your lectures, I am slowly purifying my heart of accumulated clutter, and I am beginning to experience some joy and bliss.

We (I and my family) are grateful and indebted to you, Srila Prabhupada, for creating and showing us the path to reach the ultimate goal by devoting our life in the service of Lord Krishna, The Supreme personality of Godhead.

Dearest Srila Prabhupada,

Every day I am immersed in the sound of your voice, images of Your Divine Grace, letters that you touched, your words and instructions. I am so very grateful for the services you have given me and for letting me feel your presence in these ways.

My humble prayer to you today, Srila Prabhupada, is this:

- Please never let my enthusiasm wane, but daily let it be rekindled anew.
- Please never let my determination falter, but daily let me stay focused and committed.
- Please never let the flame of my devotion flicker, but daily please help it keep growing into a blazing fire that will burn to “practically nil” all my illusions, material attachments, and anarthas.
- Please help keep me from falling into Vaisnava aparadha.

Day by day I strive to be the change I wish to see in the world. I want to continue to read, understand, and preach your legacy so that the world will know you and give you the gratitude and glory you so much deserve. I want to

be an instrument in fulfilling your vision of a desperately suffering world transformed into Vaikunta. Dear Srila Prabhupada, please help us to build your temple on Vaikunta hill to spread the Holy name to the millions of people from this bay area, please empower us to take any kind of effort in achieving this milestone.

You made an immense sacrifice for us, taking responsibility for bringing us back to the spiritual world. Your books are the law books that guide our daily lives, and this association with you every day is the lifeline of our spiritual advancement. Even though you are an eternally liberated person, still, you came to us because you saw our sufferings. This is the highest order of love, as stated in Srimad Bhagavatham 8.7.44:

tapyante loka-tāpena sādhavah prāyaso janah
paramārāadhanam tad dhi purusasyākhilātmanah

“It is said that great personalities almost always accept voluntary suffering because of the suffering of people in general. This is considered the highest method of worshiping the Supreme Personality of Godhead, who is present in everyone’s heart.”

bharasā āmāra, ei mātra nātha! tumi to’ karunā-moy
tava doyā-pātra, nāhi mora sama, avaśya ghucābe bhoy

“You are my only hope, for you are full of compassion and mercy. There is no one who needs your mercy more than I. You will surely drive away all fear.” Srila Prabhupada, it is due only to your causeless mercy that we have come to Krishna Consciousness.

I have no other shelter than you. Please always keep me at your lotus feet.

Begging for your mercy,

Your Servant

Dear Srila Prabhupada,

Please accept my most respectful and humble obeisances at Your lotus feet. All glories to Your Divine Grace. Thank you very much for giving me the shelter at Your lotus feet eternally.

I used to struggle almost everyday to do the morning program and complete my 16 rounds. Now with Your mercy and grace, after I started following every single instruction from what I read, it is acting like a medicine to help reduce my struggle and help me to do chanting, morning program and Krishna Conscious activities in a better way.

Reading Your purports are like ocean of nectar and if one bathes in them every day their hearts will be purified. One can get Your association while reading Your purports. I am getting attached to Your lotus feet Srila Prabhupada. Kindly keep me at Your lotus feet eternally and engage me in Your mission life after life. Never let me go away.

I humbly beg You to allow me to meditate on Your Divine Grace every moment and even during my last breath of this body. I have all the weaknesses. Weakness of body, weakness of mind, weakness of Intelligence and my only strength is my dear most spiritual master that is You Srila Prabhupada. Somehow or other by Your causeless mercy I have taken shelter at Your lotus feet and that is the only hope for all my material miseries to go away.

Over the last few years I am now able to understand why the Lord gives lot of problems in life which actually helps the devotee to become stronger, sharper and closer to his spiritual master and Krishna. I was not comfortable about listening how Pandavas suffered and how Sudhama suffered. Now I understand that those incidents were not a suffering at all as they were always on the spiritual platform so material problems actually doesn't bother them and the Lord gives them the strength to handle them easily. In my life material problems in fact helped to keep me active and keep me grounded at all times increasing the desire to finish the business soon and go back to Godhead. If there are no problems at all the devotee becomes complacent and again many chances of staying in illusion which I have experienced sometimes and it is very scary to think of not going back to Godhead because of this. Hence I pray to You to always provide me Your guidance and Your mercy.

Recent situations in my life made me wonder the power of Krishna Consciousness and the power of pure devotees' association. I was able to feel Your presence and guidance always, feel confident, feel blessed and whatever I may come across, I am ready to lead a life serving Your mission eternally. Please bless me so that I can surrender 100% to You.

I humbly beg You to keep me in pure Krishna Consciousness along with other nice Vaishnava devotees, perform my devotional service and glorify the pastimes of Guru and Gauranga eternally!!! Please give me the strength, tolerance and patience to overcome my miseries in a Krishna conscious way which would please You!

The tree under which You stood in Tomkins square park, the dog which You fed, the person whom You touched, people who You personally initiated, people who are Rithvik initiated by You, people whom You glanced at, people whom You engaged for the service of the Lord, people who just called Your name, people who just followed You during the procession - are all glorious and their life is well settled in devotional service. Understanding Your divine grace, Your divine position, Your divine greatness, Your divine purity, Your divine shelter, is very important and please bless me to keep this in my memory eternally and serve You eternally.

Please bless me with a drop of Your mercy by which I can preach people to take up Krishna Consciousness if You so desire.

Dear Srila Prabhupada,

Please accept my most humble obeisances at your divine lotus feet. All glories to you.

On this auspicious day of your appearance, I would like to take the opportunity to once again thank you for everything you have given us. Actually you have given us the most valuable gift in this entire universe: your association. You are the pure devotee of Lord Krishna who came from the spiritual world to deliver the fallen souls. You carry Krishna in your heart and only you can give Krishna Bhakti. By your association, the suffering living entity rotting in this material existence from millions of lifetimes can at once gain freedom and regain their constitutional position of serving the Supreme Lord Krishna in eternity, knowledge and bliss. Though you have physically left us, you have made a wonderful transcendental arrangement through which you are actually more available and accessible to everyone. You made yourself easily available through your books so much so that you once stated "I will never die. I shall live from my books, and you will utilize." So, you are actually living in your books. Whoever reads your books are actually directly associating with you. Apart from your books you have also made yourself available through your innumerable articles, letters, lectures, conversations, kirtanas and videos. So,

the path for liberation has become very easy in this time and age. One just has to know this secret of how to get your association and then follow your instructions. And your compassion for the fallen souls is unparalleled by the fact that you had created a worldwide Krishna conscious institution through which every single person in this world can take advantage of your transcendental gifts and become eternally happy.

I personally feel very happy to be one of the beneficiary of your causeless mercy. You have kindly accepted me as your disciple and engaged me in your institution to serve Lord Krishna. There is really no way to repay you and I am eternally indebted to you. All I can do is to serve you to my best ability. You had only one request from all of your followers which is to take up the missionary spirit of spreading the knowledge which you have given us. And to be able to do that I need your blessings and constant guidance. So, I beg at your lotus feet to help me in serving you. Please guide me in taking the right decisions and doing the right things to serve you in the best possible way.

Your eternal servant,

My Dear Srila Gurudeva,

Please accept my humble obeisances at your lotus feet. All Glories to Srila Prabhupada! I was born in the darkest ignorance, and my spiritual master opened my eyes with the torch of knowledge. I offer my respectful obeisances unto him.

Prabhupada, I would see only one fortunate day in my life that is the day when I accepted you as my spiritual master. I don't think I have done any other good thing other than this. You taught me so many things. I would say I learnt how a human being life is supposed to be under your shelter. You taught me everything including eating and drinking. Reading your Lilamrita itself is enough for this life. You taught me tolerance, being brave and how to behave as a devotee of Krishna. You have shown us Krishna, the Supreme Personality of Godhead, easiest way to achieve the unconquerable. You alone can deliver this universe. There is nothing which is impossible to you. Still you lead a life of struggle and tolerance just to teach us.

Your mere glance is enough to purify. Please Prabhupada help me cross over or ignore material distress and keep all my attention on spiritual progress. Every time when I read your book it takes me closer to Krishna. Please Prabhupada please always engage me in your service. That is the boon I would ask at your lotus feet. Please don't deny me and my request. I feel so fortunate and blissful every time I think that you are my spiritual master.

That is the biggest happiness I ever had. Whenever I talk about you, I am so proud and lucky. Getting any life where I get the opportunity to serve You is happily accepted. Every struggle I undergo I have only one hope that you are with me. I know I am never alone because you told me.

Please accept my humble obeisances at your lotus feet.

I would like to thank you very much from the bottom of my heart for accepting this most fallen soul under your care and guidance as your disciple. Ever since I came to Krishna consciousness life has changed a lot and always feel blessed to be under your divine care. I have been able to visit holy dhams like Vrindavan, Jagannatha Puri and Mayapur. Recently I visited the matchless gift center where you started preaching all the American disciples. Also i

could visit New Vrindavan which has the complete potency of Vrindavan by your mercy. Hundred's and thousand's of American boys and girls joined your mission just by coming in touch with you. That is the power of a pure devotee. The Palace of Gold has been such a masterpiece of hard work and efforts by all the devotees dedicated to you as an offering. I also visited Radha Gopinath Mandir, our second temple in USA built by the hard work and dedication of our congregation members. I am really amazed by all this and feel so much small as I have not taken the big steps which can help me to please you.

Please help me to give my hundred percent in your service. My dull brain and lethargic body does not help me to serve you properly. Please help me to become a servant of the servant of the servant of the lotus feet of Lord Sri Krishna, the maintainer of gopis. Please give me the extra strength and energy which is lacking in me and bless me to keep walking towards you steadily so that one day I can finally be able to serve you in the desired ways by which I can please you.

Dear Srila Prabhupada,

Please accept my humble obeisances and dandavat pranams . All glories to Srila Prabhupada.

This year you have shown your presence in my life many times. Thank you for guiding and being there whenever I needed . We were fortunate enough to get the Darshan of your Matchless gift center where you started the mission. The day we went to visit the center was supposed to be close, our plan was to just take darshan from outside and get satisfied with that. But when we reached matchless gift center it was half open , we asked devotee who was inside and he allowed us to come in. I felt your presence, you were there when we wanted to meet you.

You have given a lot and your vani is helping me to stay focused. I do need your help to progress fast and not deviate from the mission. Give me more strength to help your mission and help me grow in my Sadhana. Maya is strong and I can feel her presence every moment need you handholding to overcome her.

Be with me the way you are and guide me to please Radha - Krishna .

“By the mercy of the spiritual master one is benedicted by the mercy of Krishna. Without the grace of the spiritual master, one cannot make any advancement.”

Dear Srila Prabhupada,

In spite of me being such a fallen and sinful soul, you have showered your causeless mercy upon me and have given me a chance to progress in the path of Krishna Consciousness. If at all I wouldn't have received your mercy, I would have wasted this valuable human life wandering in this material world for the search of happiness which is nothing but illusion.

You have given me such a nice spiritual family at Krishna Balarama Mandir who never let me down and are always there to motivate and help me to progress in this path.

During my stay in India this summer, I was fortunate to travel with devotees to various holy places. In every place we visited, the Hare Krishna devotees took care of us like own family members. I was remembering you a lot at that

time. Because of your single handed hard work, we are able to visit any place in the world safely and relish the past times of the Lord. Though this material world is a place of misery, you have blessed us to live in peace through Vaishnava association

Now, all I have to do is to carry Krishna in my heart and spread your mission throughout the world. Please give me that strength Srila Prabhupada!!!! Help me to chant my rounds with utmost sincerity and serve all the Vaishnavas - which is the only means to purify my existence.

My humble gratitude to all the senior devotees of Krishna Balaram Mandir who have helped me to understand the real meaning of a Guru. Without their help I wouldn't have understood the true position of a Spiritual Master. Please bless all the devotees of Krishna Balarama Mandir with good health and strength.

As we continue to face several challenges and obstacles in our new temple projects, please guide us so that we may be able cross all the huddles and continue to serve your mission. Help us to spread Krishna prema to the millions of people in and around Silicon Valley. Because of my anarthas, I end up doing services sometimes imperfectly. Help me to do the services with utmost sincerity and always keep me under your shelter.

The spiritual master should be considered to be directly the Supreme Lord because he gives transcendental knowledge for enlightenment. Consequently, for one who maintains the material conception that the spiritual master is an ordinary human being, everything is frustrated. His enlightenment and his Vedic studies and knowledge are like the bathing of an elephant. (SB 7.15.26)

Dear Srila Prabhupada,

It is not very surprising that even the devotees who started their spiritual journey recently, feel your presence and your influence in their lives.

You have been guiding and inspiring devotees through your divine instructions. This proves beyond doubt that you are living through your instructions and guiding all the devotees throughout their lives.

Even the biggest material miseries can at once be mitigated by your instructions. I beg your mercy to guide me so I can follow your instructions without deviation and contribute to your mission.

We have moved to a new location and there are, and will be a lot of challenges to continue devotional practice and to maintain enthusiasm. I beg you to show mercy so I can continue to do more book distribution, preaching and Sankirtan activities.

We have done our first book distribution in the Dallas area with a few Bhagavad-gita books and it was encouraging for us.

We are ever dependent on your guidance and inspiration to do more preaching and Sankirtan activities.

Likewise, I pray that our temple in Adavipalem flourishes and grows its community and faith. Please give us the energy and good health to serve you on the mission.

On personal platform, I pray that you help me improve my sadhana, chanting my rounds and concentrate on reading your books, listening to your lectures and most importantly, sharing this message with others through preaching.

Thank you, from the bottom of my heart, for everything you have given me. I am forever indebted to your lotus feet.

Dear Srila Prabhupada,

Please accept my most humble obeisances unto your lotus feet!! I was born in the darkness of ignorance and my spiritual master Srila Prabhupada opened my eyes with torch of knowledge. By the mercy of a spiritual master one receives the mercy of Krishna, without the grace of a spiritual master one cannot make any spiritual advancement. Srila Prabhupada you have given good chance to return back to Godhead. You are my spiritual master and dear most father since 2003. It is the duty of a disciple to follow strictly the orders of his spiritual master. The Vedas confirm this:

yasya deve parā bhaktir yathā deve tathā gurau tasyaite kathitā hy arthāḥ prakāśante mahātmanah

"To one who has staunch faith in the words of the spiritual master and the words of the Supreme Personality of Godhead, the secret of success in Vedic knowledge is revealed." -CC adi 12.8 purport.

Srila Prabhupada you have given following verses and purport from the BHAGAVAD GEETA to help the people to take Krishna consciousness and go back to godhead.

Be steadfast in yoga, O Arjuna. Perform your duty and abandon all attachment to success or failure. Such evenness of mind is called yoga- BG 2.48

Dhanañjaya, rid yourself of all fruitive activities by devotional service, and surrender fully to that consciousness. Those who want to enjoy the fruits of their work are misers- BG 2.49

Just try to learn the truth by approaching a spiritual master. Inquire from him submissively and render service unto him. The self-realized soul can impart knowledge unto you because he has seen the truth-BG 4.34

The person who is attached to Kṛiṣṇa and works for Him only is certainly a liberated person, and he is not anxious for fruitive rewards-BG 5.12 purport.

Every day I am trying to improve on 26 Vaishnava good qualities, but I sometimes fail. In this regard I request You, my spiritual master, to give me suitable guidance to improve all the Vaishnava qualities please.

Please Srila Prabhupada keep me at your lotus feet eternally.

Dear Srila Prabhupada,

My humble obeisance unto your lotus feet. I along with my family, surrenders to your lotus feet as we seek your supreme shelter. Your Krishna Prema is an inspiration for us to follow your foot steps in attaining devotional

services. I am such a fallen soul, yet you have given me all mercy. You have bestowed your unlimited blessings on me because of which I got the association of devotees and our adorable lordship of Krishna Balaram in Sunnyvale Temple. My affinity for you has grown multi-fold as I see you every evening and think of your supernatural deeds (spreading of Hari Katha) in the foreign soil. You are the savior of whole world and your guidance towards attaining lord Krishna is enchanting. My devotion towards you has increased when I thought about you and your struggle in New York to establish Krishna Prema in adverse situations. You have served the Lords mission to reclaim fallen souls like us who are never fit for redemption.

Dear Srila Prabhupada, only because of you, we have got a perfect home outside India. Your endeavor to establish first class ISKCON centers is incredible and example of the power of a true Maha-Vaishnav. Without your effort we would have never got the glimpse of Lord while away from home. When I went to have Darshan of Lord Jagannath today in Gundicha Temple (In Puri during Ratha Yatra), I thought of you and offered prayer to Lord Jagannath on your behalf. I prayed lord Jagannath to give me and whole Sunnyvale temple devotees strength, so that we could spread the message of Srila Prabhupada uninterruptedly and unlimitedly.

Dear Srila Prabhupada, everyday when I see you in the temple, my day's fatigue go away. I get inspiration to read Srimad Bhagavatam translated by you, when I see you in the evening. I often think, how you have created so vast scriptures which is beyond anybody's conception. This only shows that how Krishna empowered you as you are his eternal dearest servitor. With all submissions, folded hand, I pray at your lotus feet to provide me the required strength so that I can sincerely develop unflinching love towards Supreme Personality of Godhead Lord Ramachandra.

Dear Srila Prabhupada,

Thank you so much for preaching Krishna Consciousness to the West. You could have just given up on so many obstacles: Pennilessness, heart attacks, robberies, no one taking your Back To Godhead magazines, and even your ideas of preaching being neglected by your homeland itself!--Yet you were persistent through your many failures and eventually brought us the Hare Krishna Maha Mantra. I am so lucky to have you preached at the US, if you didn't, this whole human life would be wasted, and it would take thousands of lives to get a human life again. What to speak of Krishna conscious life?

Dear Srila Prabhupada, due to Your Divine Grace I have been able to play mridanga, kartala and bumpers while singing. Dear Srila Prabhupada, I offer my obeisances unto you. Jai Srila Prabhupada!

Your little servant,

Bhakta Dinesh

Bhakta Gandhar Dighe

Dear Srila Prabhupada,

Please accept my humble obeisances!

This is the second year of my chanting the maha mantra. I started with 5 rounds daily and now I am chanting 7 rounds. I am sorry that I didn't take the oath at the temple for chanting of 7 rounds. I just prayed to you at home

and started this practice. I had thought that increasing the rounds would mean that I would have to dedicate few more minutes and make a lot of extra effort to meet the rounds. However, it wasn't things seem to fall in place and I am able to complete 7 rounds daily. I am sorry that I am still unable to chant with complete concentration (I chant few rounds while driving and rest at home early mornings, at work and/or at night). I am hoping I can transit to more number of rounds in the mornings.

I have noticed that I feel good and the day goes on good when I chant at least one round as the very first thing in the morning (after the Guru prayers and Narasimha prayers). Somehow I started saying these two prayers when I wake up, it has become a practice now. I hope it was the guidance from you and I am very thankful for this.

I realize that my progression on the spiritual path is extremely slow. I will make some effort and do more, like reading your books. Please give me the required guidance for this. At this time I am unable to provide any physical service at the temple though I wish to do a lot. Please help with some favorable changes due to which I will be able to do some service at the temple.

And yes, about daily Prasadam offering - You know my intent to offer food to Lord Krishna via you and then have that as Prasadam. I am unable to offer what I really want to offer apart from the morning milk and sometimes fruits that I offer daily. Please let there be gradual and incremental changes that will make the morning offerings also possible. I am making an effort to let this happen, however, need some help from you (and Krishna).

I am happy that things are going good at work. At home and others in the family also are fine. Please shower your blessings on all of us.

Please guide me so that I can be a good Vaishnava! Jai Srila Prabhupada!

Please bless me and always keep me under your shelter.

Dear Srila Prabhupada,

Hare Krishna ! I offer my humble obeisances to you.

I love Krishna Balaram temple and goshala. I am not eating meat and eating vegetarian food. I visited Krishna and Venkateswara Swamy temples in India and offered my prayers during my summer vacation. Wherever I go I always remember you and what you said about Krishna. I also told my grandparents about Krishna. I told them to chant. I am telling everyone in our family to honor Krishna Prasadam.

Thank you so much Prabhupada for teaching us Krishna Consciousness.

Dear Srila Prabhupada,

It is my pleasure to keep in touch with your teaching through book reading, listening lectures from senior devotees and discussion with folks. My spiritual journey is gradually moving forward with slow steps. Looking back, I see myself in a different (higher) state than I expected. I thought just like a normal person I would end my life at the same state, No matter how many times I repeat this, I escaped a huge trap that many people fall into. I repeatedly keep saying this to myself to motivate. During irregular times I imitate your kirtans and end up answering my friends what am I up to. But still I have some laziness and procrastination which I'm trying my best to overcome. Though the work I do feels intense, I somehow keep enjoying what I do. Thank you for adding wonderful aroma to my life.

I pray and beg your mercy to continue what I do in your movement. Also I beg your mercy to gradually increase my steps in spiritual progress. I need your blessings to hold my momentum keep going. I thank you for all your teachings and spreading the spiritual knowledge from Krishna. Will strive my best to spread this mission as big as possible.

Dear Srila Prabhupada,

Please accept my humble and respectful obeisances unto your Lotus feet. I am so grateful and might have done some good karma in my previous life's to get in touch with you in the form of your books, teachings, naama sankirtana and the association of devotees who are your followers. With your kind blessings and mercy I am able to continue my chanting and service to His Lordships. I request you to bestow your mercy on me to continue my life in the path of dharma, love and service to our Krishna and never deviate from the path of devotion and continue to chant the holy names.

Dear Srila Prabhupada,

Please accept my humble obeisance at Your lotus feet. I want to take this moment to express my gratitude for your unconditional mercy you showed on me. Every moment you saved me when I am falling down into danger/darkness.

Every moment you guided me when I am lost. Every moment you are with me to pull me up from my ignorance.

You provided us a very easy way to go back to God head. Without your books, I cannot imagine how difficult it would have been to attain self-realization. This year when I saw the movie (Hare Krishna) I cried many times in the movie after seeing your struggle during initial days of your visit in USA. You put yourself in to lot of struggle just because you want to save us. I don't have words to express my gratitude to you.

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet. This letter is an attempt of my gratitude to you for your guidance, unconditional love for all fallen souls like me. I am still immensely grateful for your mercy.

A true guru is someone who gives extreme courage to his student in times of adversity. Your words always give me courage, happiness and strength in everything I do. Remembering Krishna and chanting his name always makes me humble, tolerant and kind towards everyone around and gives me great peace. Your love for Krishna is so pure that it rubs onto anyone who comes in contact with your books/audio. They find eternal peace and all their agitations are dispelled merely by listening/reading your books.

In this dark age of Kaliyuga, aged 69 years old, you came to the West to spread the philosophy of Krishna Consciousness as instructed by your spiritual master. This act of yours not only showcases your dedication towards your Guru but also the zeal to help people like me who are totally unaware of the real self identity and our relation with Krishna. Your books, audio/videos explain the Vedic scriptures with great simplicity and are easily understood by everyone. Just to inspire me to chant, you have dedicated so many years of your life, irrespective of your age to write books/letters, do translations, give talks etc. Thank you for all the hard work, efforts and on this special day, I humbly seek your blessings to have the association of devotees and to chant the Harekrishna Mahamantra.

Please accept my deep love and prayers and kindly bless me with your mercy.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories unto you.

I came to USA to visit my son and got introduced to your Hare Krishna Movement. With the mercy of their Lordships and yours, I started chanting the holy name of the lord.

I am chanting at least 2 rounds on weekends. I will try to make it everyday and continue to do so even when I am gone from this place. I will also start reading Bhagavad Gita.

Thank you once again and please bless me and my family.

Dear Srila Prabhupada,

I thank you very much from the bottom of my heart for all your powerful teachings and transmitting the spiritual knowledge from Bhagavad Gita "as it is". Please bless me to take up the spiritual path more seriously and sincerely. I want to reach Krishna in this life only at any cost. I want to choose the path of Sanyasa and reach Krishna in this life only. So I would like to request you from the bottom of the heart to shower your blessings on me to reach Krishna.

The Day I met Srila Prabhupada in the Form Of Book:

I was in a deep sorrow and diving into deep thoughts due to my friend passed away in the year of 2006. I was sitting alone in one temple in my village. I was not able to control unbearable pain coming from bottom of the heart. So many unanswerable questions striking in my mind. Who left the body? Who was with me? To whom I was talking before he passed away? Like so many questions were hitting my mind. What is the truth? What is my destination?

I was not able to eat food for days and not interested in any activity due to unanswered questions in my mind. Waking up in the morning and going to temple and was sitting there for hours and hours and thinking about same questions for answers. But I didn't find any answer for my questions.

Temple priest was observing me for so many days in the temple doing nothing and seeing into the sky with a blank mind. He came to me and said, "Don't worry my boy". I think you have got the time to understand the supreme personality of God and the truth behind the life. He gave me a Bhagavad Gita As It is, and told me to read the book and left me alone.

As soon as I have started reading that book, I felt that I can get all the answers to my questions if I finish the whole book. Then I just spent my whole time in understanding the book for almost 1 month. Finally, I have got an idea of life and understood the truth behind the life what I was seeing. Then I have associated with ISKCON and started chanting and reading Bhagavad Gita daily.

It transformed my life and started enjoying life by chanting Krishna's name and listening and singing His kirtans. All this has happened only because of You Srila Prabhupada.

So once again I am very much thankful to You Prabhupada.

Your obedient servant,

Bhakta Kiran Jayanthi

Bhakta Kishore Kumar

To my dearest Spiritual Master,

All glories to You! All glories to you! I do not know how to start thanking you, as you have done a lot to me. After I came into Krishna Consciousness, most of the material desires had just disappeared and I have spiritually progressed serving Krishna. The 4 years of my Engineering went away in just a blink of an eye. I used to visit Iskcon at Vaikuntha Hill regularly as it was just beside my college and meet all the devotees, learning from them about all the past times of the lord, attending the morning Aarti and listening to the chants as it echoed throughout the temple.

I never had difficulty in my studies, all thanks to you. I got the best job through campus placement which was very near to my home and in Bangalore, getting a job nearby is a very big deal.

The Pilgrimage trip to Dwaraka, Mayapur, Puri, etc was the best as it was the first time I ever travelled. I got to meet all the devotees who accompanied me and learn a lot from them about Chaitanya Mahaprabhu, Goswamis, Gurus, etc.

Finally the most important desire of mine is to come to Krishna Balaram Temple, Sunnyvale, stay with my uncle, aunt and their kids constantly serving Krishna and cooking for the devotees.

Dear Srila Prabhupada,

You are a great devotee of Krishna. You came to America at a very old age and suffered three heart attacks when you came. When you preached in America, you made thousands and thousands of devotees, even though America is a very materialistic place. If you would have never to America or anywhere else to preach this

Krishna Conscious movement, I and my family wouldn't be devotees. Thanks to you, I have lots of devotee association.

Currently, I chant eight rounds, read Bhagavad Gita every day, and eat Krishna-prasadam. When I grow up to be a preacher, I will preach the Hare Krishna philosophy to all my friends and to these completely materialistic people.

Dear Srila Prabhupada,

You were born on Sept 1, 1896. You were born in a devotee family. You met your guru Srila Bhaktisiddhanta Saraswati Thakura when you were 22 years old. You recounted how your spiritual master foretold about your

accomplishments when you told your spiritual master that you couldn't join the ashram as a full-time devotee. You wanted to spread the teachings of your guru, that is to spread the knowledge about worshipping Krishna. You spread Krishna's glories in all countries in spite of facing many financial difficulties, and overcoming heat and cold conditions. You wrote your books when you were 70 years old had your books distributed worldwide. By reading your books we can get inspiration about Krishna consciousness.

Attending your lectures, listening to your discussions and being present during your chanting has changed my life completely.

I have been concurrently doing Bhakti Yoga, Jnana Yoga and Karma Yoga. Bhakti Yoga in the form of taking part in kirtans, chanting, harinaam nagar sankirtans and spreading the name of Krishna; Jnana Yoga in reading Bhagavad gita almost regularly, and reading many other books by you; and Karma Yoga doing some service to the temple and having an opportunity to provide my services in spreading the name of Krishna.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to you!

Thank you Srila Prabhupada for bringing us devotees together to practice Krishna Consciousness.

A way to see beyond myself and thank Krishna for everything He has provided. I follow the regulative principles, offer bhoga with prayers and read slokas.

Though took vow for one round chanting most of the time I end up doing more. I enjoy chanting. At times when I feel down my mother asks me to chant. I start reluctantly but experience inner joy after.

Chanting uplifts my spirit.

Please bless me to grow in Krishna Consciousness.

Bhakta Sivalingam

Dear Srila Prabhupada,

A few years ago I was not living a divine life. After coming to ISKCON by the grace of You I realized about the Supreme Lord Krishna. By Your mercy I realized the truth that anyone could attain Krishna only by the spiritual

master. Only because You created the society I was able to go into this path. By Your preaching I was able to adopt spirituality. If we adopt Your path, our sinful life would be turned as spiritual by Your mercy. So I follow your direction to attain peaceful and eternal life. Thank you Lord Krishna for sending Prabhupada as our Guru.

Your servant,

Bhakta Sivalingam.

Bhakta Soham

Dear Srila Prabhupada,

My name is Soham, I am 6 years old.

Thank you, Prabhupada for showing the path of Krishna Consciousness. I chant 2 rounds daily and offer prasadam to our deities Nimai Nitai. I like to sing bhajan for Krishna e.g. Jaya Radha Madhav.

I follow Sravanam and Kirtanam from 9 processes of devotional service to love Srila Prabhupada and Krishna. This year I am learning Sri guru charana Padma kevala bhakti sadma' kirtan.

Srila Prabhupada ki Jai!

Your little servant, Bhakta Soham

Dear Srila Prabhupada.

I don't know where to start to describe your unlimited mercy. You live through your books and countless conversations/lectures all very well catalogued by your devotees and continue guiding me - a most fallen neophyte. I must have some piety to have come in contact with you through your devotees, welcomed into the temples with immense love and compassion and exposed to Krishna consciousness. Yet I 'm so unfortunate to not be able to develop the attraction that I see your devotees have for the holy name. I know I 'm not worthy of the mercy and love you have showered on me. My sincere desire is to be able to practice Krishna consciousness diligently, serve your devotees and thereby serve your lotus feet. O Srila Prabhupada, I don't know if what I ask for is right for me but I believe that whatever you (the Guru) and Gauranga decides is the best for me though it might not be immediately apparent. I pray that I always have your and the devotee's association wherever I am and I am devoid of ego, anger and arrogance so that I can progress from the sinful condition I 'm in and gain the mercy of the devotees, Guru and Gauranga. I pray for your chastisement to make me humbler than the straw on the street as in that condition I can realise your and Krishna's love continuously by chanting the holy name.

Your most fallen devotee of devotee of devotee,

You have so kindly given me the opportunity to engage in this bhakti-yoga process, which is the real success in life. By your grace, I am chanting 16 rounds now and increasing my consciousness towards Lord Krishna. Your kind words/quotes "Krishna accepts any little service because he is so merciful and please do it" always encourage me to do service.

I thank you from the bottom of my heart for all your powerful teachings and transmitting the spiritual knowledge from Krishna "as it is". Please bless me to take up the spiritual path more seriously and sincerely.

Hare Krishna Srila Prabhupada,

This is going to be my first thank you letter in my life, feeling so excited and lucky. I just started coming to temple and I am trying to understand the philosophy. I don't know much about you but I can see bliss in the faces of Krishna Balaram Mandir devotees irrespective of the work that they are doing like cleaning, cooking, serving Prasadam, singing kirtans, having Prasadam. Their dedication and devotion towards Krishna shows how powerful is this process which is taught by you. I feel so happy whenever I come to temple. Please bless me to progress in this path till my last breath without any obstacles. Thank you so much for considering me as a devotee even though I am not eligible and providing this opportunity to show gratitude.

Dear Srila Prabhupada,

Another year has gone by and I still haven't advanced even a hairline of difference in my spiritual progress. But with Your Mercy still incessantly flowing, I am able to keep my mind and heart devoted on Your Lotus Feet and Lotus Feet of Krishna and Balaram. That is Your causeless mercy that I am still in-touch with Your Vani with the start of my day. I pray to Your Lotus feet that every day my day starts with Your Vani-seva and ends with Your Vani-seva.

It's our great fortune that myself and my family are under the shelter of Your institution and Your Mercy.

I pray you to bless me and my family and keep us always engaged in your service and mission.

Dear Prabhupada,

Please accept my heartfelt gratitude for bringing the light of transcendental knowledge into my life.

Prabhupada, you are a motivational person to all of us. With your dedication and hard work, You have changed thousands of people as Sri Krishna Devotees.

I have undergone many problems in my personal life, but after started reading Bhagavad Gita as it is the book I understood the reason for birth,

death and distress. Now I am trying to surrender myself to Shri Krishna.

I wanted to become a real Krishna Devotee and want to lead life happily. Give me your blessings and strengthen me to chant Hare Krishna Maha Mantra regularly and provide knowledge to understand Bhagavad Gita, Srimad Bhagavatam.

Dear Srila Prabhupada,

My association with ISKCON (Krishna Consciousness) brought in below changes in my life. I have been waking up morning more consistently and the first thing I do is chanting, pooja or going through Srila Prabhupada books like Bhagavad Gita, Sri Krishna. This is helping me feel good for the day; it's like energy booster for the day. Regularly visit the temple on Sunday, hear Bhagavad Gita lectures, chant, take up the small part of temple clean-up services. Helping my kids read Sri Krishna book, getting them to know about Sri Krishna and his pastimes.

Thanks to you Srila Prabhupada for all Your effort in taking the movement to next level, You passed on to all the conditioned souls like us from Your Guru with great mercy.

Praying to You and Sri Krishna to give me the strength to continue and improve on these changes.

Please accept my humble obeisance at the dust of your lotus feet. All glories to Your Divine Grace! All glories to you on this auspicious day of your Vyasapuja. I am here yet again, on the last day to submit my Vyasa puja offering and scrambling through my lines. Such a hard head I am and I never learnt my lessons.

Special note – Please give me the tolerance to withstand people who don't even know to write your name in full while they write/type in English and they write "Srila Prabhupada" in place of "Srila Prabhupada" and all those countless shorthand notes/E-mails/letters with "PAMHO" (Please accept my humble obeisances) "AGTSP" (All Glories to Srila Prabhupada) "ACBSP" (AC Bhaktivedanta Swami Prabhupada) and many more – Last but not least – Those Non-Bengalis who sings "Ramo", Pretend to be one and ruin the entire kirtan. These really ticks me off in no time and only by your blessings I can develop the attitude of humility and deal with my anger issues. As a matter of duty, being in my position I try to inform the right people about these deviations with proper references but the result seems to be not so encouraging – Only Your Divine Grace can help it. On this auspicious day, I beg you to bless me to develop purity, compassion, and determination to follow your instructions. Please bless me so that I can remain a tiny instrument in spreading your mercy. I pray that I always remember your lotus feet and divine instructions.

Whenever I feel lonely and forlorn, whenever I think that everything goes wrong, I turn to you. Your voice, your glance, your very example in everything you do, encourage me to not give up, to hang on, to not let go of my desire to surrender to Lord Krishna. Whenever I feel that everything hurts, whenever I feel that I've had enough, whenever I feel like throwing my hands up in despair, I turn to you. You are my eternal well-wisher. Whenever I feel like I am losing my direction, whenever I feel tossed away by the waves of worldly longings, whenever I feel far away from my desired goal, I turn to you. Just by hearing your voice, the various distractions of the illusory energy of the Lord immediately begin to dissipate.

Whenever I face any trouble, I think about you—how much trouble Your Divine Grace went through to establish this movement. When I feel very much disturbed by different situations in my life and in this movement, I control myself by thinking of you, remembering how you tolerated everything—so many ups and downs—while steadily serving for Krishna's pleasure. The movement Your Divine Grace started has to be developed and spread to every person in every corner of the world. I feel my life will be successful if by your mercy I can stay in this movement and serve nicely.

Once, in Bombay, an Indian gentleman approached you and cried, “Swamiji, Swamiji, only you can save me. Only you can deliver me. Please be merciful. Please save me.” And you replied, “I cannot save you. You have to save yourself. But I can give you the process by which you can save yourself.” Following Gaura-Nitai, you brought Hari-nama with you to deliver the fallen souls. Yet although you offer it to us freely, still, we have to take it. You gave us detailed instructions on how to chant and achieve the ultimate goal of life, but we have to do our part. Another time in Bombay, a disciple said to you, “Please give me your mercy so that I can follow your instructions.” And you replied, “My mercy is that I have given you my instructions. Now you have to follow them.” And you gave the example that if someone has fallen in a well and a benefactor comes and hands down a rope, the person below cannot pray, “Please make my fingers curl around the rope.” The benefactor has sent down the rope, and he is prepared to pull you up, but you have to hold on to it. You said, “My mercy is that I have given you my instructions. Now you have to follow them.” You give mercy, but we have to take it. And the qualification for taking it is genuine humility. That is the meaning of Pranipata. If we are humble, we will bow down; we will surrender and submissively follow your instructions.

In the earlier days of the movement, in 1968, after a talk in Seattle, you asked for questions, and a young man remarked, “I feel that as beings we are all more or less equal. So I don’t feel that I have to bow down to anyone.” You replied, “You have diagnosed your own disease. That is the disease of materialism. Everyone is thinking, ‘I want to be a master. I don’t want to bow down.’” You continued: “You don’t want to bow down, but you are forced to bow down.” The man admitted that he was subordinate to his boss but maintained that he didn’t want to bow down to anyone spiritually. Your Divine Grace replied, “You are bowing down to everyone. You are bowing down to death, you are bowing down to disease, you are bowing down to old age. You are bowing down to so many things. You are forced.” Once we come to understand this, you explained, we can ask ourselves, “Where shall I be happy even by bowing down? . . . That is Krishna. Your bowing down will not be stopped, because you are meant for that. But if you bow down to Krishna and Krishna’s representative, you will be happy.” By bowing down to Krishna and Krishna’s representative, to Nityananda and His representative, to Your Divine Grace, we will be truly happy—if we truly bow down. We will gain eternal happiness

Srila Prabhupada, the following verse from the Hari-bhakti-sudhodaya (13.2) perfectly describes how I feel about you: “Oh devotee of the Lord, the purpose of the visual sense is fulfilled simply by seeing you, and to touch your body is the fulfilment of bodily touch. The tongue is meant for glorifying your qualities because in this world a pure devotee of the Lord is very difficult to find.”

Srila Prabhupada, This year is a turning point in my life, as I mentioned to you last year – this year I stepped into Grahastha Ashrama. Please give me the strength to handle this new and challenging phase of life and come out with flying colours by your causeless mercy if you so desire. Please allow me (now it should be “us” as Divya also joined our family) to become an insignificant instrument in your hands. Then, I know, our existence will find its true purpose and my life will become successful. On this most auspicious day, Srila Prabhupada, this is my only prayer at your lotus feet.

Although we can never repay our debt to you, if we have the mood of wanting to repay that debt, then we should follow your merciful example, as you wrote after your Vyasa- Puja one year: “If you at all feel indebted to me, then you should preach vigorously like me. That is the proper way to repay me. Of course, no one can repay the debt to the spiritual master, but the spiritual master is very much pleased by such an attitude by the disciple.” We should work together to spread Krishna consciousness, following in your footsteps, in the mood of Lord Nityananda—only by your mercy. But how can I preach when I don’t really practice? And how can I practice when I haven’t really surrendered? Here too I must pray for your mercy—your causeless mercy—my only hope.

Your puffed up servant who refuses to bow down,

Bhakta Vignesh

Bhakta Vishal Gupta

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to You and Vaishnavas!

Scriptures are full of evidence that there is no possibility of making any progress in spiritual life without the mercy glance of the spiritual master. In this age, when devotion to the Lord has become almost obsolete, you came and taught us with the example of your own life, what genuine spiritual life is and how it could be practiced even in this age. When impersonalism was prevalent in society at large, you systematically showed to the whole world that the devotion to the Supreme Lord is not for less intelligents, rather it is sublime. Nobody else could do it except You. Without Your mercy, we would have been lost in a life of sense gratification or impersonal conception of the absolute truth at best. All these 'anarthas' are so deep in our heart but your voice is able to pull us out of our ignorance.

There are no words to describe what you have done for us. I can only hope to pay a tiny fraction of this debt by dedicating my life in your service. Even without your physical presence, you live among us and guide us in the form of your books and lectures. You worked tirelessly and made countless sacrifices to give us this knowledge. It is only my indolence that I am still not able to follow your instructions properly. I don't have any qualifications but I still beg you to give me your blessing to become stronger in my faith and practices. You are the most compassionate that you specifically came to deliver the most fallen so I have faith that you will guide me also how to move forward even with all my limitations. Please accept this small offering at your lotus feet and keep me under your shelter always.

Your aspiring servant,

Bhakta Yuvaraj Dhananjaya

Dear Srila Prabhupada,

Please accept my most respectful, humble obeisance on to your lotus feet on this most auspicious appearance day of your Divine Grace.

On this auspicious day, I would like to share one of your instruction that strikes me a lot and realized while clarifying the doubts that “If one adopts the principles enunciated in Bhagavad-gita, he can make his life perfect and make a permanent solution to all the problems of life. This is the sum and substance of the entire Bhagavad-gita”.

Srila Prabhupada, you are a pure Vaishnava, who is a real representative of Lord Krishna. You are very compassionate upon all the living entities of this material universe who are suffering due to lack of association of Krishna. You are implanting the Bhakti-latha bija into the hearts of billions of souls, to reconnect them to Lord Krishna, to lead them to the ultimate destination of Goloka Vrindavan, which is the topmost among all the spiritual planets.

As stated in Brahma Samhita:

premanjana-cchurita-bhakti-vilocanena santa sadaiva hridayeshu vilokayanti

yam shyamasundaram acintya-guna-svarupam govindam adi-purusham tam aham bhajami

You showed us how to love Krishna by doing pure and unalloyed devotional service.

“Unless one is under the shelter of a realized spiritual master, his understanding of the Supreme is simply foolishness”

పేరియ శ్రీల ప్రభుపాదుల వారికి,

మొదట మీకు నా పాదాభివందనాలు.

నేను మా అబ్బాయిని చూడటానికి అమెరికా రావటం జరిగింది, అలాగే కృష్ణ బలరామ దర్శనము మరియు మీ దర్శన భాగ్యము లభించినది. నాకు ఇక్కడ చాలా విషయాలు నచ్చినయి. అందులో భజనలు చాలా పేరియమైనవి. మీ దయ వలన నేను హరినామ జపము చేయడముమొదలుపెట్టాను హరినామ జపముతో మనసుకు చాలా హాయిగా ఉంటుంది. సమయము దొరికినప్పుడల్లా వీలయినన్ని సార్లు చేస్తున్నాను. కనీసం ఆరు నించి ఎనిమిది మాలలు చేయగలుగుతున్నాను.

ఇక్కడినించి వెళ్ళిన తరువాత కూడా ఇలాగే ప్రతిరోజూ కొనసాగిస్తానని ఆశిస్తున్నాను.

చివరిగా, మీ కృప నా పైన మరియు మా కుటుంబ సభ్యుల పైనా ఎల్లప్పుడూ ఉండాలని కోరుకుంటున్నాను.
కోటి కోటి నమస్కారములు మరియు కృతజ్ఞతలతో

Please accept my most humble obeisances and shata koti pranam

There is no word to express your mercy and compassion upon all of us. It is only because of you that we could understand the true significance of Hari-nama. And it is also by your grace we are able to practice chanting it. I am full of ignorance and am a very very lowly being whose only chance at Krishna consciousness is because of your merciful glance. Please help my Bhakti lata seed grow by the shower of your mercy.

Koti koti dandavat,

Bhaktin Debashree

Bhaktin Deepa Anandraj

Dear Srila Prabhupada,

Please accept my humble obeisances. O my eternal father, only because of your mercy I came to Krishna consciousness. I can't pay back what you have done for us. I have fallen into this darkest material ocean, struggling very hard to come out. I am not able to do my sadana perfectly. Maya is pulling me down every millisecond. Please help me to remember your lotus feet all the time and pull me out of this material world. How many ever births I take, I request You to be my spiritual master.

Your servant,

Bhaktin Deepa Anandraj

Bhaktin Deepa Krishna

Dear Prabhupada,

Being tempted by Maya everyday, it is easy to give in and bring pain to Lord Krishna. Your books are my life source. When I feel lost I hold on to it. It helps me understand the reality distortion and sets me on the right path.

Your servant, Bhaktin Deepa Krishna

I love You Srila Prabhupada!

Bhaktin Divya Vignesh

Dearest Srila Prabhupada,

Kindly accept my humble obeisances onto the dust of your lotus feet!

Prabhupada firstly I would like to thank your divine grace by whose mercy I continued the journey of Krishna consciousness one more year. Without your divine mercy, it wouldn't have been possible.

Prabhupada as you know I got married and through Iskcon family I found my new family and I feel grateful to you. Though there are certain adjustments to be made adjustments are everywhere and these adjustments are far better than what I had to do staying in the non-devotee family. After the marriage, the roles and responsibilities increase drastically and to fit into the roles your divine grace mercy is required. The blueprint which you have set up to be followed as a "grahini" is my goal and this can only be possible when you are merciful and I am situated in the proper mood. I will try my best to not let you down.

With uncertainties of activities around, I become disturbed and knowing the fact that everything happens as per Krishna's plan I become tense and land myself into anxiety, which shows my faithlessness in Krishna.

I pray at your lotus feet that I may be able to execute the duties properly with a steady mind and devotion. I pray that my faith in Krishna increase and I be able to chant the rounds without fail.

Seeking your mercy at every step of my life.

Your fallen servant,

Bhaktin Divya Vignesh

Bhaktin Diya Annam

My dear Srila Prabhupada,

My name is Diya Annam, I am 7 years old. You are so nice that you told us Lord Krishna is the Supreme Personality of Godhead. Also, you told us who we really are (Krishna's kids) and where we really belong to (Goloka).

I am trying to do 2 rounds of Maha mantra chanting every day. Sometimes I miss, please help me to not to miss chanting. You wrote so many books, I want to read all of them, give me a lot of strength to read.

I love you a lot, thank you so much for teaching all good things for us!!

Your little servant,

Bhaktin Durga Kolli

Dear Srila Prabhupada,

Please accept my humble obeisances.

Thank you for spending so much of your day and nights in the very old age to introduce us to the true Bhakti of Krishna. Truly your books gives us the clear path on how to reach Krishna. They will clear off all of our misconceptions and misinterpretations in our mind.

This year, with your mercy i am able to balance my family as well as spiritual life. Please bestow your mercy on our family, that is the only train through which they can reach the supreme destination Lord Sri Krishna.

We are the most fallen souls, so i humbly beg for your mercy. Please engage us more and more in your service.

Please bless me to remember Krishna in all circumstances.

Desiring to serve you more

Hare Krishna My Dear Srila Prabhupada,

There are no words to express my gratitude. But with your grace I could submit my offerings at your lotus feet. I am in Krishna conscious because of your temples and your speech. I love your chanting and your Divine voice. When I feel down I get some snippets of your purport or quote or inspiration. With out your help I will be completely drowned in this material world.

I beg at your lotus feet kindly please purify me so I can chant properly and make My beloved Krishna and you happy so I can go back home. Only your lotus feet are my shelter. I thank you for everything you and Krishna have given me materially and spiritually.

Dear Srila Prabhupada,

I offer my respectful obeisances unto His Divine Grace A.C. Bhaktivedanta Swami Prabhupada, who is very dear to Lord Krishna, having taken shelter at His lotus feet.

It's been 20 years since I came in touch with your lotus feet, being a devotee, offering my obeisances to you and the merciful Lord Krishna. I feel blessed to be worshipping you since young, following your instructions, associating with you through books. Oh! Our bonafide spiritual master, you have been so merciful upon a degraded soul like me, given an opportunity to engage in the service of the Lord though I am unqualified.

After the demise of my father, my mind was in great turmoil. However, I moved on with the knowledge passed to me by him. This year, I'm placed in a totally new country and environment, new devotees association facing various challenges within me. I am thankful that through the association with devotees, I finally found my life partner,

being happily married to him and continue the tradition of serving you as a full-time devotee. I never knew what and how different it is to be a full-time devotee until I became one. At the moment, I am eagerly waiting to deliver a young soul as a servant of yours to this beautiful association with Lord Krishna.

O, my Master! I take this opportunity and beg for forgiveness for all the offences that I have committed towards your lotus feet and your beloved disciples and pray to give me spiritual strength sincerity of purpose, determination and above all give me faith in the instructions given. Lastly Srila Prabhupada I pray to you sincerely to please keep me in your movement and service always. Aspiring to be at the dust of your lotus feet.

Bhaktin Jayashree

Dearest Srila Prabhupada,

Please accept my humble namaskar at your lotus feet. I came to know about Krishna conscious thru one of my friend. Since that day, I started devoting myself to the movement. Still trying my best to become part of Krishna conscious movement. In this moment, I would like to share one of my experience. I have a bead bag with your picture on it. Everyday, when I start chanting, I get a feel that you are saying thanks (as an appreciation) to me for chanting. Few minutes after my chanting, I feel like crying and somehow I could feel the presence of lord Krishna.

Please give me more strength to continue in this spiritual path. I take this great opportunity to convey my thanks for giving me this life enhancing change.

My humble Namaskar,

Bhaktin Jayashree

Bhaktin Kavitha Gudipudi

Hare Krishna dear Srila Prabhupada,

Thank you Prabhupada for letting me understand and be in Krishna Consciousness. I feel so happy and content whenever I chant Hare Krishna Mahamantra. I wish and pray that more and more people will be able to hear and understand your teachings and follow Krishna Consciousness.

Thank you very much Srila Prabhupada.

Dear Prabhupada,

I haven't made much progress. I am continually stuck in the same cycle of questioning, guilt, and attempts at reaffirmation. The full beauty of Krishna consciousness still evades me. You have given me Kṛṣṇa personally yet I still look away in doubt. Please guide me Prabhupada, please help me realize the full potential of this philosophy through your work and movement.

Despite everything you've given me; a purpose, a family, and incomparable moments of joy, I have repeatedly disappointed you. Please forgive me. I am trying, but I know that I am not trying hard enough. Please give me the strength to try sincerely and dedicate myself completely.

And as always; I miss you and love you Prabhupada!

I was born in the darkest ignorance, and my spiritual master opened my eyes with the torch of knowledge. I offer my respectful obeisances unto you.

I offer my respectful obeisances unto you, who is very dear to Lord Krishna, having taken shelter at His lotus feet, O spiritual master, servant of Bhaktisiddhanta Sarasvati Goswami. You are kindly delivering the message of Lord Chaitanya all over the world. You came to the west by a cargo ship and with only seven dollars, and built many temples. This made me realize that money is not important in life and only devotional service with faith to Krishna can solve the real problems of life. This truly touched my heart. I humbly beg you to increase my faith and engage me in your mission.

Engaging in sense gratification can pull one down to the material pool once again, and the only method to get out of this puzzle of material existence is to become Krishna conscious. A person in Krishna consciousness knows how to use everything in the service of the Lord, therefore he does not become a victim of material consciousness.

This verse inspires me to dovetail my senses for the service of the Lord so that we can get liberated and not get entangled in the material world. I am chanting 10 rounds, please bless me to increase this without reducing any. Please shower your mercy upon me to improve my Krishna consciousness and sadhana.

Dear Srila Prabhupada, if you so desire please empower and guide me to become your able

Dear Srila Prabhupada,

You are a real Jagath guru who came to this world to save all the fallen souls and guide us to our original position back to God head. It's been more than 50 years that this Krishna Conscious movement has started, many devotees, temples, books, Ratha Yatra, festivals and so many things are multiplying day by day. This is all because you have laid a strong foundation and your teachings, books. Thank you Srila Prabhupada for bringing me into this family, I am really indebted to you.

In your very small age you have performed Ratha Yatra involving all your neighbours, that very small Yatra is now turned to so many Ratha Yatra's by your mercy. I feel so happy and proud to be part of this movement.

Not just today, but I thank you each and every day for bringing me in touch with your books and this movement itself.

I am somehow able to chant 16 rounds daily and started reading Srimad Bhagavatam.

Kindly shower your blessings on me so that I will be more stronger in my Sadhana. Also please bring my family into Krishna consciousness.

Hare Krishna Srila Prabhupada,

I vividly remember the first time I visited the temple sometime during the early month of October back in 2015.

I Would like to take this opportunity to Thank the spiritual master Srila Prabhupada on this auspicious occasion. I have been directly or indirectly benefited from the temple by the following

1. Gave me a platform to show case my creativity and an experience to teach young kids arts and crafts for Damodara Class and occasionally Madhava Class
2. I was able to meet new people and make good friends
3. Books, material, resources - Prabhu(s) lectures, Sunday meetings, chanting, discussions and events at the temple help us learn and understand more about our culture, values and the path of Spiritual growth and live by it in this materialistic world.
4. Plenty of opportunities to give back to the temple/community by doing various services like cleaning and help in the kitchen, Goshala, serving food, fundraising events, help the needy
5. For attaining inner peace by attending the bhajan and kirtans of Krishna and listening to His stories
6. Kids get to participate in various competitions, fancy dress, shloka recitals and singing.

Last but not the least sumptuous prasadam that is offered at the temple.

Hare Krishna,

Dear Srila Prabhupada,

Please accept my most humble obeisances at your divine lotus feet. All glories to your divine grace!

Your whole movement is remembering, glorifying, and worshipping you today as the dear most bonafide representative of Lord Krishna and the disciplic succession. It is that most special moment when all your sincere disciples and other followers re-dedicate themselves unto you and confirm their commitment to surrender themselves unto the Supreme Lord under your guidance. Attaining attachment to the sacred dust of your lotus feet is the goal of my life, for those lotus feet are a secure shelter for all fallen souls like myself. It is not possible to repay the debt of love we owe you. But we can try to please you with a humble service attitude, without any personal consideration or ambition.

I am following your instructions from last 7 years. Thank you so much for picking me up for devotional service. All this is only because of your mercy. From last few months, I am feeling that my sadhana and chanting is not going well. Now I have some more responsibilities as I am experiencing new parenting and doing all services mechanically so please be merciful so I can get again that taste in chanting and please bless my daughter so she can become a good devotee. I have no words to show my thanks to you.

Thank you so much for your association and blessings.

Dearest Srila Prabhupada,

Please accept my humble obeisance's. All glories to you, the savior of the whole world!

I can begin my offering to you by thanking you from the bottom of my heart, for all that I am today. You have given me a purpose in life. When in this age and time, everyone is cheating in the name of faith and religion, you came to get innumerable souls out of darkness. Dear Prabhupada, being grateful to you is not enough. I need to apologize for every moment that I waste, engaged in maya's service. The time I don't serve you and Krsna, and surrender my senses. I hope you can forgive me for my offences against you and other devotees, for I am so new and immature that I am unable to understand and follow your simple instructions. Every day I wake up, wishing to live the kind of life you gave a chance of. Every day I wonder when the time will come when I can serve you with every action. Prabhupada, however fallen I may be, I have sincerely tried to serve you. I believe you can see through me, as many devotees describe in their pastimes with you. So Prabhupada, you would know all that I am, and all that I am not. I have one desire, and that is to become a devotee, to become completely Krsna conscious. To understand Krishna Consciousness exactly in the way you wanted to teach. I have been looked down upon, criticized and questioned for some mistakes, but Prabhupada, whatever the situation, I have kept my faith in you and your instructions. I have tried to chant my 16 rounds, whether I wished to or not, because you have said we have to do it. I do not know anything beyond your words. May your instructions be my life and soul, so that my life becomes worthwhile. My dear spiritual master, please give me guidance, the strength to make the right decisions, kindly make me humble, may I serve you not just in this life, but ever after. May you make me Krsna conscious and a humble servant of your lotus feet. Kindly accept me for my faults, and just make me somewhat worthy of being called your servant. I read your pastimes and I just wish I had the same dedication to serve you, as the devotees had when they were fortunate enough to have your personal association. It seems like an era in itself. I don't know how some devotees are so fortunate that they are able to dedicate their lives to you, while others hanker for the same. Someone once said to me, that you fulfill every spiritual desire, the time is not certain but it ought to come true. I eagerly wait for that day, doing whatsoever little service I can until then. Dear Prabhupada, I am bereft of all association and guidance, and I do not know what I have done to be in such a situation, but I trust that you have a plan for me. Kindly take charge of my life, as it is yours. Kindly bestow your special mercy upon me, because without that there is no possibility of even a little advancement on this path. I am grateful that you have officially accepted me as your

disciple. May I ever remain engaged in your service. All my love and respect to you, my most merciful spiritual master and father.

Yours, and yours eternally,

Bhaktin Priya M

Dear Srila Prabhupada,

Dandavat Pranams!! Please accept my Humble Obeisance!!

With tears in my eyes, writing to you this. You know very well the reason behind it. You have been with me through out, whenever I needed you, even at times without me seeking you, the things were all done for me, I know am not worth for those things. Whatever currently the things that's going on in my life, I know I don't deserve those, but you have kindly given me. You have given me the intelligence to tackle many situations, saying just "Thank you" will not suffice. But O my dear Gurudev, why did you bring me here, left alone, far from you and all other association, missing so many things.

Taking in a positive note, you have taught me so so so many things both materially and spiritually by bringing me here.

When I used to hear your glories of going alone to US and was able to bring Englishmen to Krishna Consciousness, did not realize much the great deal it was, but after coming here, seeing the country around, meeting the people, U know, I have asked you many times, how did you do this wonder. Anyways everyone knows the answer, it was YOU "Prabhupada", so you can do any wonders! Am fortunate that I have come in touch with you by your and Krishna's mercy!

Prabhupada, on your appearance day, am praying to you sincerely that, at any situation of my life, let me not leave your lotus feet. Please give me this boon.

Thank you Srila Prabhupada! Hare Krishna!

Your's undeserving soul,

Dearest Spiritual master, our true well wisher and savior,

Our family offers our respectful obeisances to you with deep gratitude and love. What else can we offer you as we are so insignificant and impure. Bless your mercy upon us so we always remain until the last breadth of this life and beyond, at the service of your lotus feet and all the devoted vaisnavas who are working unconditionally for your mission!

This year we were so fortunate because you and Krishna showered mercy upon on our family by giving us various opportunities and resources for spreading the holy name in our community through home programs and sankeertan. Eventhough we may not deserve this, we beg you to purify us by always utilizing our body, mind, soul and opulence in the service of the Lord!

Your insignificant servants,

Bhaktin Rekha, Ranjith, Santosh, Supriya, Aryan and Dhir

Bhaktin Renuka C A

To my dearest spiritual master,

All glories to you! All glories to you! I do not know how to start thanking you, as you have done a lot to me. Just to mention a few among them:

To begin with, I was praying that my son would get a good job nearby. A negative feeling used to creep down my spine. The thought of him not getting a job would taunt me day and night. You saw that this was one of my difficult times and immediately fulfilled my desire. He got a fantastic job just 4 km away!

I was also scared that the yathra would be cancelled because of my sister-in-law's case. She met with a severe accident and broke her shoulder bone. I was praying constantly that this should not be the case to stop me from having darshan of the king of the cosmos and that she would recover fast. When she went to the doctor, the doctor said she could go, but had to be careful. I was filled with glee and delight. This was one of the best moments of my life. I went to jagannath puri and also pulled the ratha and had darshan of the lordships Jagannatha, Baladeva, and Subhadra.

After the pilgrimage tour was finished, Me and my son wanted to go to Tirupati along with my brother's family, but only six people could have the special darshan. I was praying constantly to your lotus feet. When it seemed all hopes were lost. My sister-in-law's sister called and said that me and my son could go, and that kids under 15 do not count. You fulfilled all my desires. You are my spiritual master birth after birth!

Dear Srila Prabhupada,

I consider it as my great fortune to have come in touch with your teachings through your books. Since I started reading it, and since I started to associate with devotees, my life has transformed. Dear Srila Prabhupada,

This is my fortune that I got a chance to write something about His Divine Grace Srila Prabhupada although it's like showing a small candle to the light of Sun. Words certainly fall short to describe your blessings and mercy but all I can say what you have done for the welfare of mankind is beyond words. You are truly the well-wisher of mankind as you have shown us the simplest way to get the love of Lord Krishna. You have introduced us the real goal of life which is going Back to Godhead and also introduced the simple methods to get this goal.

Till now we were unaware of our real self. Because Maya is so strong that all of us are in the mode of ignorance. And we are busy in serving only our senses and become the servant of our senses. You are the only one who told us that who we are - a servant of Lord Krishna i.e. our real introduction not the servant of senses.

Now, this is our turn to acknowledge all your teachings from the Holy books you have written. This is your another great mercy to write the Holy books as it is so that we can get the purest form of it and understand Lord Krishna's instructions for the life.

I want to offer my obeisances unto Lord Krishna and unto Your lotus feet and want to pray to you please give us more strength so that we can follow the knowledge you have given and may it reflect in our behavior..

Your servant,

Bhaktin Richa Gupta

Dear Srila Prabhupada,

I offer my respectful obeisances to you. Because of you, all of us are blissful and lucky by chanting the Hare Krishna maha mantra. I am also thankful and I wanted to say that you are a great teacher and a devotee. You have taught me the Srimad Bhagavatam, chanting of Hare Krishna, also how to treat the Lord, the absolute truth about Lord etc. Since you have showed me the Bhagavat Gita. I listen to it every night and go to sleep. I also listen to Hare Krishna maha mantra that you were reading to us. You taught me every thing that I have to learn. I want to say that I like

the things that you have taught me. You made me go in the right way. Without your help, It wasn't easy to do those things. You taught me every thing, thank you Srila Prabhupada!

Sincerely,

Bhaktin Ripun

Prabhupada, please bless me that I should follow the principles of Krishna consciousness without any obstacles on its way. Please bless me that I should never lose taste in chanting the holy names of the Lord. I should never give up the association of the devotees by Your mercy. I should improve myself in Krishna Consciousness process which You have shown us as a bright light amidst a very dark cave.

Thank you very much Srila Prabhupada! Please forgive this insignificant soul for any offenses knowingly or unknowingly committed unto Your Divine Grace's lotus feet.

Dear Srila Prabhupada,

By your causeless mercy, I got an opportunity to associate with devotees. This is the first time, I went on a Yatra to all holy places with devotees. I learnt more about Krishna and His past times. This holy trip changed my perceptive of life. I started chanting one round. Thank you for showing me the right path.

Bhaktin Rosy

Dear Srila Prabhupada,

I started my spiritual journey three years ago. I was spiritually ignorant in the beginning, but after I started coming to the weekly meetings of ISKCON, I have had an opportunity to learn in depth about our various scriptures from the spiritual masters and my peers. Reciting verses from Bhagavad Gita, chanting Hare Krishna mantra, and discussing philosophies from our scriptures have helped me expand my spiritual knowledge. After every session, I feel rejuvenated. I feel more connected to my inner self. This two-hour weekly session has continued to enhance my altruistic mentality, influenced my life decisions, and has helped me become more compassionate and loving individual. I feel I have evolved as a better person. Before, I had minimal time to devote myself to spiritual

contemplation, but now I have made a room for spirituality in my schedule by chanting Hare Krishna mantra regularly. And, will continue to chant.

I have just embarked on my spiritual journey. This journey is going to be long and difficult, but, hopefully with the help and guidance from You, this journey will be smooth and easy.

Your servant,

Bhaktin Rosy

Bhaktin Sahana

Please accept my respectful obeisances at your lotus feet.

Thank you for bringing Krishna Consciousness to fallen souls like us. You had to undergo so much pain but your unfaltering energy and determination have given undeserving people like me a chance to go back to Godhead. Recently, I had the opportunity to visit few of the ISKCON centers while traveling this past year. I realized that not only have you imparted your spiritual wisdom to us through your books and lectures but also given us an enormous family of devotees all over the world.

Srila Prabhupada, please help me, keep me close to your divine lotus feet and give me the opportunity to serve your mission in any little way that I can. All glories to Your Divine Grace!

Bhaktin Saraswathy Chandra Sekhar

Dear Srila Prabhupada,

I offer my humble respectful obeisances unto your lotus feet.

All glories to my beloved spiritual master on your divine appearance day.

Words certainly cannot express my heart to show gratitude. Like Lord Kapila and Chaitanya Mahaprabhu you had taken avatar on earth to deliver the fallen souls in this Yuga.

As conditioned souls everyone has an ocean of desires. I too have my desires all bottled up grew with me since childhood, a strong desire for spiritual knowledge.

Unfortunately, then did not have the appropriate circle. With your mercy and Sri Radha Krishna's came in touch with Krishna Conscious movement.

I derive immense pleasure in reading all your scriptures. You have affirmed many of my thoughts thru your books which became my guide and pleasure.

Each line I personally enjoy like nectar. You are a Maha-Bhagavata. The little fingers of yours dropped endless lines that change the fate of millions of fallen souls.

How am I going to serve you my Lord?

Long before coming with Krishna Consciousness, often wake up by 3 am, though aware it's an auspicious time had no idea how to engage in divine consciousness.

The Krishna Conscious movement taught the rituals of mangalarthi, tulasi Pooja and early brahmurtham chanting.

A time to be in a moment of absolute bliss and joy with the lord that fills heart entire day. Today the books and chanting beads are my greatest companion and pleasure. What to say about the Hare Krsna mahamantra.

Taking this opportunity to express heartfelt respect and gratitude to Chaitanya Mahaprabhu, Goswamis, Bakthi Siddantha Saraswathi Thakura, Srila Prabhupada, Vaishnava parampara and Sri Krishna Balaram Mandir. You have brought about changes in so many of our devotees live, opening the door to divinity.

Wishing KB mandir great success in their mission.

My beloved spiritual father, bless me to be always in Vaishnava association. And keep my family engage in Krishna's service.

May you bless the earth to be a Krishna Conscious land. Glories to your lotus feet!

God says that's mine because I was lifting you on my shoulder. I am sure you are lifting me on your shoulder during my bad times. That's why I am becoming stronger each day.

Thank you Prabhupada. Please engage me and my kids at your service always. Thank you,

Bhaktin Supriya Parvathareddy

Dear Srila Prabhupada

You were born on September 1, 1896. You founded the Hare Krishna movement. You are a very simple man. Because of your preaching many people became Krishna conscious. First you started preaching in the West because Indians tend to follow west. In every Hare Krishna temple I see your Deity. So first we should pray to you. You asked us to chant 16 rounds of Hare Krishna mantra everyday. By chanting 16 rounds and following 4 regulative principles we can go back to Krishna. I like ekadasi prasadam. You asked us to read many books about Krishna. By reading books we gain a lot about Krishna. I also got an opportunity to distribute many books in your temples. I also chant everyday. I pray to you so I can become a good devotee of Krishna.

Your servant,

Bhaktin Supriya Parvathareddy

Bhaktin Surekha K

Dear Srila Prabhupada,

I feel so fortunate to be associated with ISKCON even though I consider it as a bit late in my life. I will follow my spiritual journey sincerely from now on.

Before we teach our kids math, science, and other subjects, Bhagavad Gita should be introduced to them as there is nothing left out for the wellbeing of human beings.

Thank you very much.

Please accept my humble obeisances.

We as a family feel so fortunate Prabhupada, by your mercy we are into Krishna Consciousness and very pleased to get this opportunity. Thank you for all the pain you took to show us the right path of Krishna Consciousness.

With the help of your books and devotees association we realized,

> 'Krishna is the Supreme Personality of Godhead'.

> Without Guru's blessings there is no mercy of Govinda.

> Without the will of the Lord even a blade of grass won't move.

We are just enjoying the fruits of our past karmas. We beg for your mercy to do quality chanting become your instrument and render service overcoming our limitations.

Once again thank you and please accept my humble obeisances.

Bhaktin Swati Gupta

Dear Srila Prabhupada,

Please accept my humble obeisances.

I am the most insignificant person to write anything about you. You are the most pure person. You are so compassionate towards your disciples. You wrote so many books for giving us the pure knowledge. You told us about Krishna, what should be our relationship with Him. You did lots of things for us which I can not describe in words.

The process of Krishna consciousness which you have given us is very simple but unfortunately, I am not able to follow it. When I started hearing your lectures then I could understand the purpose of my life but I am most unfortunate because I always get entangled in the clutches of maya and forget my relationship with you.

Please give me some sense to strictly follow your instructions because that is the only way to please you and Krishna. Please accept me as a servant. I am indebted to your divine grace and your sincere devotees for all the mercy they have shown on me.

Dear Srila Prabhupada,

Without you coming into this world to guide us we would still be lost souls with no guidance. Thankfully you have come to be our savior and help us to go back to Godhead. You have gone through so much trouble to come from India to America, the first place was matchless gifts, where everything began. You preached and wrote books in that small shop, and managed to bring so many followers. This act of you coming to the west, has served us in the greatest way and also help so many people in the future, including me, and we couldn't be more grateful for what you've done. Please help me to be a nice devotee when I grow up and chant 16 rounds following all the regulative principles.

Dear Srila Prabhupada,

I feel its a great fortune to have come in touch with your books. Your books are the reason for me to know who is Krishna. I would have never understood who we are and our relationship with Krishna. Thank you for such wonderful teachings and lectures. You told us that forgetting our relationship with God is the ultimate reason for fear. That made me to chant and whenever I chant I feel Krishna is with me. Sometimes we forget our duty to chant and do our service, but with all your mercy, you send someone to help us get back to Krishna consciousness again. We feel so much grateful for showering your blessings upon us. Please continue to show mercy on all of us. You are always with us through your books. Thank you Prabhupada!

Jai Srila Prabhupada!

Jai Sri Krishna Balaram!!

Hare Krishna Swami Prabhupada,

Please accept my humble obeisances unto your lotus feet. I am the lowest and the most fallen devotee. Still, please pardon me of my mistakes and make me progress spiritually. It is only by your grace that I can appreciate and enjoy Krishna more and more.

Thank you for writing so many books to bring to us the ultimate knowledge. Whenever I read Krishna book, I can imagine the green pasturing grounds of Vrindavan (though I have not been there physically). I wonder how Krishna could have managed 900,000 cows each and every day! But when I think about then and now, I feel very helpless and can only cry to Krishna to please appear on this Earth again.

Cows that have passed reproduction age, bulls and cows that are sick or injured in accidents are being abandoned by their caretakers. Hence those poor holy animals end up in slaughter houses. All these cows must have been the great-great-grandchildren of the cows in Nanda Maharaj's courtyard. But now they are left orphaned and being killed for petty material pleasures of mankind. I am just crying while typing this letter to you Prabhupada.. Please please request Krishna to come to this Earth and save the cows, which are His most dear living-beings.

This is my humble request to you my dear Spiritual Master! Once again please pardon my mistakes and consider my request.

Your most fallen servant,

Bhaktin Varshini

Bhaktin Vidhi Kadakia

Dear Srila Prabhupada,

Hare Krishna!

My humble Obeisances to the Founder Acharya of ISKCON, AC Bhaktivedanta Srila Prabhupada. I consider myself fortunate to get this opportunity of writing a few words on Srila Prabhupada on the auspicious occasion of Vyasa Puja. What Srila Prabhupada has contributed to mankind is something very special. His vision, compassion, persistence and devotion is something very inspirational. At the age of 70, he had to take a rough journey in a ship to the West. When he found out that the people there were living a very sinful life, he didn't discard them. Instead he had the empathy to understand that they were not having the spiritual knowledge to put them in the right path. He himself took up the responsibility of showing them the spiritual way if living life.

When he started his initiatives, he was mocked and even bullied but he never gave up. He attracted people into the path of devotional service by making them chant the Holy Name of Krishna, through Maha-Sankirtan and tasty Satvik Prasadam. His initiative of starting ISKCON has now become a huge global family all united in spreading the love towards Krishna. I consider myself fortunate to have been in devotional association for the past few years and this is possible only because of the initiatives taken by Srila Prabhupada in spreading the word of Krishna. He has also made spiritual knowledge easy to access for today's mankind by giving the translation and purport of the Bhagavad Gita, the manual of life, in many different languages. Thank you Srila Prabhupada for being such an important and inspirational figure in my life.

All Glories to Jagadguru Srila Prabhupada!!!

Yours Sincerely,

Bhakta Anand Srikrishna.

Bhakta Chaitanya

Everyone in this world is going behind money, luxury, happiness etc., But they don't realize that all this happiness is just temporary. And there is some happiness which is not ordinary and temporary which was revealed to this world by a great soul, a great devotee and our dearest spiritual master Bhaktivedanta Swamy Prabhupada. That is finding happiness inside ourselves by chanting, reaching and preaching about the Supreme Personality of godhead, Krishna.

Without His Divine grace Bhaktivedanta Swamy Prabhupada, the foundation of ISKCON wouldn't have happened, preaching of Bhakti(which is declining in modern society) would have been difficult, wouldn't have known the ultimate knowledge i.e., Krishna. All of this has happened only because of our spiritual master.

I am one of the many devotees who is influenced by the Krishna consciousness movement. I am the one who made my life more meaningful by knowing about Krishna and practicing devotional service unto him. I am the one who got benefitted by reading several books written/translated by our dearest spiritual master namely Bhagavad-gita As-It-Is, Srimad Bhagavatam and so on. My life has changed a lot by bringing myself in association with devotees of Krishna.

For all the above things, I must thank my spiritual master His divine grace Bhaktivedanta Swamy Prabhupada who brought a revolutionary change in both western world and mother land India. I promise to continue my devotional service and also to preach this highest form of knowledge to as many people as I can.

Regards,

Bhakta Chaitanya.

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet. I am very much thankful to you for accepting me as your disciple and giving me initiation.

To make people Krishna conscious, you have faced so many troubles and hardships in foreign countries where people were completely immersed in material comforts.

After surpassing so many struggles, you have succeeded in building many temples for delivering us from this material world. In spite of having a nice temple with devotees, I am so unfortunate that I am unable to utilize the opportunity and render service to the full extent in spreading this Krishna consciousness. I request you to shower your blessings on me to render service in the temple to the best of my ability.

I am doing 16 rounds of chanting and following rule and regulations and kindly show your mercy upon me for doing attentive chanting. I am very poor in book reading and not able to read your books regularly. Please bestow your mercy upon me so that I can read your books nicely.

Dear Gurudeva, you stress so much on the importance of book distribution service and please give me strength and patience to do book distribution nicely.

I would have spent this human life in vain if I have not found you as my spiritual master. I request you to shower your mercy upon me to give me sincerity in doing chanting, patience in rendering service and courage to preach Krishna consciousness.

Please accept my humble obeisances on the occasion of 122nd vyasa puja ceremony.

I am your fallen disciple who came to know about Krishna consciousness from past 6 years .by the association of devotees i learnt how to be a human, a good person, a devotee of Lord Krishna, but I am not following it.

Prabhupada ! I came to Hyderabad for my higher education. I am managing to do 1 round of Hare Krishna Mantra japa daily ,but missing sometimes. Please show your mercy on me to do more rounds. I am not in association of devotees and not having prasadam. I known it is difficult to manage both the education and Krishna consciousness at a time but trying my level best to doing it .please show your mercy on me and pull me out of this dangerous ocean

Prabhupada I visited the temple 3 times after coming to Hyderabad. I try to visit more times because association of devotees is important to a person from not deviating from the right path. I hope i will do more japa and visit temple again and again please show your mercy on me.

120 వ వ్యాస పూజ మహోత్సవము సంధర్పమున నా హృదయపూర్వక ప్రణామములు స్వీకరించ వీరార్తన.

నేను మీరు వీరాసిన కొన్ని పుస్తకాలను చదివాను. ఆ పుస్తకాలలో మీరు స్థాపించిన ఇస్కాన్ సంస్థ అభివృద్ధి, మీరు విదేశాలు వెళ్ళి అక్కడ కృష్ణ భక్తిని వ్యాప్తి చేయుట, అతి తక్కువ సమయంలో చాలా ఎక్కువ మందిని భక్తులుగా మార్చుట, ఎక్కువ కృష్ణ మందిరాలను నిర్మించటం, ఎన్నో పుస్తకాలను వీరాసి ముద్దించుట వంటి ఎన్నోకార్యాలను అతి తక్కువ సమయంలో చేయడము నాకు చాలా ఆనందాన్ని కలిగించింది . మీరు అన్ని పనులు చేయడానికి కృష్ణుని యొక్క సహకారం ఉన్నదని, కృష్ణుడు నిజంగా ఉన్నాడని నేను నమ్ముతున్నాను.

4 సం. ల నుండి నేను కృష్ణ మందిరానికి పోవడం మొదలుపెట్టాను . ఒక సారి మా వారికి ఒక పెద్ద ప్రమాదం జరిగి మెదడు లోపల రక్తం గడ్డ కట్టిందని, ఆపరేషన్ చేయాలని చెప్పారు. ఆ ఆపరేషన్ చేసినాకూడా 80% నమ్మకంలేదు అని చెప్పారు. అప్పటికే ఒక కాలు ఒక చెయ్యి పని చేయడంలేదు. వెంటిలేటర్ పైన ఉన్నారు . ఏం కృష్ణయ్యా ఇలా జరిగింది అని అనుకున్నాను. నా 25 వ పెళ్లి రోజు కు నీ భజన కార్యక్రమం ఇంటిలో పెట్టుకోవాలి అని అనుకున్నాను. నేను ఏమి చేసేదయ్యా నీవే నాకు దిక్కు అని తలచినాను.

తరువాత ఒక వారము రోజులకు నోట్లో పెట్టిన వెంటిలేటరును తీసి గొంతు దగ్గరపెడుదామని డాక్టర్లు చెప్పారు. దానికి కావలసిన వస్తువులన్నీ తెప్పించి పెట్టారు. కానీ ఆ రోజు రాత్రి అందరూ నిద్రించే సమయములో స్త్రహ లేని మా వారు గట్టిగాకట్టిన చేతులను లాగేసుకొని నోట్లోని వెంటిలేటరును పీకెసుకొని హాయిగా నిద్రపోతున్నారు . కొంత సేపటికి నర్సులు చూసి డాక్టర్కి ఫోన్ చేశారు . డాక్టర్ గారు వచ్చి చూసి ఇతను బాగున్నారు ఇంకా వెంటిలేటరు అవసరము లేదు అని చెప్పారు . తరువాత పది రోజులకు పనిచేయని కుడి కాలు కుడి చేయి కూడా పని చేయుచున్నాయి. ఇప్పుడు మా వారు ఆరోగ్యవంతు లై తన పనులన్నీ తానే చేసుకుంటున్నారు.

నేను మా 25 వ పెళ్లి రోజున మా ఇంట్లో సంకీర్తనము జరిగినది. ఇదంతా చూసి శ్రీ కృష్ణుడు నిజముగా నా ముందు వున్నాడ ని నమ్ముతున్నాను . అప్పటి నుంచి రోజు జపము చేస్తూ నీతాయి గౌరంగా విగ్రహములను పూజించుచున్నాను. నన్ను చూచి మా పాప కూడా జపము చేయుచున్నది . B Tech అయిన నాలుగు నెలలకే ఎక్కడ కోచింగ్ తెసుకోకొండనే బ్యాంక్ జాబ్ వచ్చింది . నీతాయి గౌరంగా మా ఇంటికి వచ్చిన తరువాత మా మనసులు చాలా ఆనందముగా వున్నాయి. ఇప్పుడు నాకు ఏదైనా కష్టము వచ్చినప్పుడు నా తో కృష్ణుడు వున్నాడని ధైర్యముగా వున్నాను.

The value of a moment's association with the devotee of the Lord cannot even be compared to the attainment of heavenly planets or liberation from matter, and what to speak of worldly benedictions in the form of material prosperity, which are for those who are meant for death. Thanks Srila Prabhupada for giving me your valuable association. As you have written in this purport that Even a fraction of the duration of life wasted cannot be compensated by any amount of gold. Human life is simply awarded to a living entity (jīva) so that he can realize his spiritual identity and his permanent source of happiness. A living being, especially the human being, is seeking happiness because happiness is the natural situation of the living entity. But he is vainly seeking happiness in the material atmosphere. A living being is constitutionally a spiritual spark of the complete whole, and his happiness can be perfectly perceived in spiritual activities. The sun fails to rob the pure devotee of his duration of life, in as much as he is constantly busy in the devotional service of the Lord, purifying his existence.

As I understood that as time passes the intensity to do devotional service should increase. What I am finding today that I am not that much serious as you want from me. I am also doing some seva (“like a squirrel”) of preaching so the intelligent class of brains can appreciate this precious knowledge and adopt in their life. But I have faith that you can shower unlimited mercy upon me, as we have read.

mūkaṁ karoti vācālaṁ ,paṅguṁ laṅghayate girim

yat-kṛpā tam ahaṁ vande ,śrī-gurum dīna-tāraṇam

A dumb is a great orator. lame man is jumping over the mountain. "By the mercy of guru it is possible." Please accept me as dust of your lotus feet.

Let me offer my respectful obeisance unto you on your divine appearance day.

Prabhupada, first I would like to thank you from the core of my heart of being myself to be a part of your movement and getting the opportunity somewhere to serve you. By your grace gradually i am understanding the depth of Krishna consciousness. Srila Prabhupada, I like to hear you and your explanations. I can't really imagine now that how beautifully you summaries wholesome idea of Krishna consciousness in a very sweet and Short worlds. I can't really assimilate when I hear any of your lecture attentively, I feel that there were thousands of point which you covered in your just 30 minutes lecture. I can say that is the the power of a pure Devotee,he is a ocean of all knowledge and filled with the ecstasy of Krishna Prema.

When you speaks you can fully satisfy the heart of a submissive hearer. You are jagat guru and the associates of Chaitanya Mahaprabhu,Your position is so high but you came to this material world midst of us and making a request to general mass that please come to me,kindly come to me and take these diamonds is Krishna consciousness which I have brought for you. When you were physically present on this planet you really won the heart of everyone with your equal behavior. I Just remembered here one line of sad goswami ashtakam regarding the behaviour of a pure Devotee- dhiradhira-jana-priyau priya-karau nirmatsarau pujitau

"They are popular both with the gentle and with the ruffians, because they are not envious of anyone". Whatever they do, they are all-pleasing to everyone".

You also defeated all the big-big scholars at that time who were having all wrong and unorganised information about the absolute truth, but your divine grace who were carrying the divine massage of Lord Krishna which is the real essence of life and real need of a human being, enlightened them and showed them the real path,the path of Krishna consciousness and like that you went on changing the life of everyone who were completely forgetful of Krishna. You established 108 temples across the the world,wrote so many books,gave thousands of lecture,had so many conversions and that to in a very Short period of time in your old age.with your endeavour. You really wants to declare to this so called modern society, the so called well wishers of human being,and the leader of the country who are continuously trying to bring peace and prosperity in human society that without being Krishna conscious,without becoming dependent upon Krishna,no attempt for human welfare will be successful.

Your "Hare Krishna Movement " is really a great boon for the human society. I wish let this whole world should come and take the advantages of this great movement.

I again offer my humble respect to his Divine Grace who is my guru. On your divine appearance day I ask one benediction from you that kindly make one merciful glance upon me. Kindly bless me to elevate my consciousness above the three modes and bless me to serve your movement with that consciousness.

Dear srila prabhu pada,

Please accept my humble gratitude to your divine lotus feet.

As the representative of srila vyasaveda,you have lucidly explained the purport of bhagwatam for the benefit of all common souls. Your philosophy has made it understand in an easy way to any common people. You have explained in SRIMAD BHAGAVATAM that there are 2 classes of men- one crow & other swan. The first group of men people

are indulged in various kinds of nonsense activities, while the people from swan group are engaged in spiritual activities .

I as a member of Krishna consciousness have gained some of the spiritual knowledge from the ocean of Krishna consciousness after joining HARE KRISHNA MOVEMENT. You have opened our eyes, your contribution to world for Krishna preaching has made it common to citizens of every country. By starting this movement it's a great way to remember KRISHNA, by chanting HARE KRISHNA HARE KRISHNA, KRISHNA KRISHNA HARE HARE, HARE RAMA HARE RAMA, RAMA RAMA HARE HARE.

You are ideal acharya because you give spiritual knowledge by sharing your personal experiences. By sharing your personal experience you have shown us how to carry responsibility & order of spiritual master. By your tapasya you have given a wonderful gift to this world & KRISHNA consciousness movement. Currently my biggest challenge in the path of spiritual knowledge is that my brain gets distracted to nonsense activity sometimes. For improving my spirituality I will chant hare Krishna mantra regularly, will always serve lord, will always donate anything in cash or kind to the hare Krishna movement for the welfare of poor children & I will try to do as much as I can to impress lord KRISHNA.

Begging to remain under the shelter of your lotus feet I will always remain humble for your service.

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet.

Through Prabhupada's messages I know that chanting Hare Krishna Mahamantra in Kalyuga is the best way to approach towards Krishna. I am very thankful to him that I am also in connection with people who are connected to him. Today every person has problems like depression, anxiety, tension. We can prevent all these problems just by chanting Hare Krishna Maha-mantra given by you.

After joining the Hare Krishna Movement I started chanting regularly the Hare Krishna mantra. It keeps my mind fresh. You said "I am very much englanded to note that you are progressing so nicely in Krishna Consciousness by teaching others. That is the system. Learn yourself and teach others, then this Movement will grow progressively."

Srila Prabupada please give me strength to continue and improve the quality of my chanting so that I can practice Krishna Consciousness with confidence. Please help me to be more disciplined in my daily sadhana bhakti and guide this fallen soul to perfect myself in reviving my original consciousness.

Yours humble Servent,

प्रभु श्री श्रीला प्रभुपाद जी के चरणों में नमन

"जे दृढ राखे धर्म को, ताहि रखे करतार"

जो व्यक्ति अपने धर्म, अपने भगवान, अपने दृढ पर विश्वास रखता हो, उनकी रक्षा, सहायता, मनोकामना स्वयं भगवान करते हैं।

ये पंक्तिया श्री प्रभुपाद जी के चरणों में समर्पित....

आप 1965 में 70 वर्ष की आयु में अमेरिका जाने के लिये चल पड़े, आप पर्यटक के रूप में नहीं अपितु, देश में ही नहीं सम्पूर्ण विश्व में एक आद्यात्मिक सांस्कृतिक क्रांति की उमंग लेकर गये थे।

आपके पास केवल श्रीमद्भागवत से भरा एक सन्दूक, एक टाइपराइटर, एक छाता और 40 ₹ लेकर निकले थे।

आपने अमेरिका में, श्री कृष्ण के प्रति, धर्म के प्रति दृढ (विश्वास) रखकर एक वर्ष के संघर्ष के पश्चात वहाँ पर एक आद्यात्मिक आंदोलन अंतराष्ट्रीय कृष्णभवनामृत (ISKCON) की स्थापना की।

वर्तमान समय में ISKCON संस्था प्रचार-प्रसार कर रही है

अभी समय में आपके अनुयायियों ने 500 से अधिक मन्दिर व सैकड़ों प्रचार मन्दिर देश के कोने-कोने में स्थापित किये।

मैं भी आपके प्रचार मन्दिर श्री कृष्णा मूवमेंट्स उदयपुर (राजस्थान) से जुड़ने के बाद मेरे में जीवन में बहुत बदलाव आये, यह पर बहुत शिखने को मिला।

आपकी जीवनी ही हमारी शिक्षा है।

मैं हमेशा आपके मार्गदर्शन में रहूँगा और मेरे हृदय में आपको हमेशा जीवित रखूँगा।

Srila Prabhupada,

Please accept my most respectful obeisances unto your lotus feet All glories to your divine grace.

There is no difference between a spiritual guru and Lord Krishna, so we give you same respect as Lord. Your guidance and teachings helped me - to understand the reality of life, to understand the difference between material and spiritual, to understand deeply the concept that we are not this body we are soul (Which is immortal and everlasting) and to understand that what is the main purpose of this human life. In the month of February, 2018, I met one of your disciple while he was distributing your books. He invited me in FOLK udaipur on Saturday evening program , which is based on your teachings and guidelines. Since from that time I am regularly attending Saturday program . I have started book reading and chanting Hare Krishna Mantra regularly.

There are various changes came in my life - I experienced the real happiness by doing Kirtana and other sevas, there is a huge decrease in miseries of my life, Which were there at peak due to lack of spiritual knowledge.

There is only one challenge in my spiritual life is that - all the professions which I want to choose or all that field in which I want to make my career are against the format of spirituality (for ex.- Advocacy, Film industry, Civil services). Dear Srila Prabhupada please give me guidance that what career I should choose which is capable for my interest and skills and which does not affect my spiritual life.

Kindly give me mercy to overcome these challenges.

प्रिय श्रीला प्रभुपाद

कृपया मेरा विनयपूर्वक प्रणाम स्वीकार करें

आपके कमल जैसे चरणों में शत शत नमन

सारी कीर्ति आप को दी जाती है व्यास पूजा के जैसे पवित्र दिवस पर परम आनंद देने के लिए मेरा यह एक छोटा प्रयास।

मैं यहां कृष्णा और आपकी कृपा से कृष्ण जी द्वारा दिए उन अक्षरों को आपके चरणों में अर्पित करना चाहता हूं। प्रभु यह मेरे

द्वारा आपके लिए पहला पत्र है कृपया कुछ गलती होने पर क्षमा करें। यहां मैं अपनी प्रतिभा दिखाने के लिए नहीं आया हूं

क्योंकि यह सब अनंत नहीं है शाश्वत तो आत्मा है। इस ज्ञान ने मुझे जैसे अंधकार के कूप में डूबे हुए को आपके दिव्य ज्ञान से

दीपक की तरह रोशन किया। प्रभु मैं आपकी बहुत सारी चीजों से अचंभित हो जाता हूं और साथ ही साथ मुझे आनंद मिलता है

जैसे कि आपने इतनी उम्र में 1:00 बजे रात को बैठकर केवल 2 घंटे नींद ले कर उन सब किताबों का अनुवाद किया एवं उनके

तर्कों और ज्ञान से सब को रोशन किया जो कि असंभव ही लगता है। आपने अपने गुरुदेव की आज्ञा का पालन कर कृष्ण

भावनामृत को पूरे विश्व में हरियाली की तरफ फैला दिया।

आपने मायावादी, निर्विशेषवादी, शून्यवादियों को अपने तर्कों से हराकर उन्हें भी ज्ञान प्रदान किया। आपके तर्कों द्वारा

इस्कॉन संस्था की स्थापना करके बहुत सारी कूप में फंसी हुई आत्माओं को मोक्ष प्राप्ति का मार्ग दिखाया। इस सब का मैं बहुत

आभारी हूं।

गुरुदेव!

कृपा-बिंदु दिया, कोरो ए दासे,
त्रिपेखा अति हिना
सकल सहाने, बल दिया कोरो,
निज-मने स्पृहा-हिना
सकले सम्माना कोरिते सकति,
देहो नथा! जथाजथा
तबे तो गाइबो, हरि-नामा-सुखे,
अपराधा हा बे हता
कबे हेनो कृपा, लाभिया ए जाना,
कृतार्थ होइबे, नाथा!
शक्ति-बुद्धि-हिना, अमि अति दीना,
कोरो मोरे आत्मा-सथा
ज्योग्यता-विचारे, किछु नहीं पाई,
तोमर करुणा—सारा
करुणा ना होइले, कांडिया कांडिया,
प्राणा ना राखिबो आरा

प्रभु केवल इतनी कृपा करो जिससे मेरा उद्धार जीवन का उद्धार हो सकता है। भगवान कृष्ण के प्रति प्रेम आपने जगाया जो कि आप ही की कृपा थी। आपके दिए हुए ज्ञान जो कि आप की किताबों से अर्जित हुआ।

बस प्रभु मैं हर चीज से बचा हूँ किंतु काम के कुएं में गिर गया हूँ। बहुत सारी इच्छाएं और महत्वकांक्षा हैं इन सब से केवल आपकी कृपा ही बचा सकती है। प्रभु मुझ पर अपनी करुणा दृष्टि रखो। जिससे मैं अपने जब और अच्छे से करूँ और साधना को पूर्ण करूँ बस आपका आशीर्वाद चाहिए।

आपके इस दास को अपने चरणों की जो की कमल जैसे कोमल एवं खूबसूरत हैं उन चरणों की सेवा का मौका प्रदान करें एवं इस दास को अपनाएं।

हमेशा आपकी सेवा में तत्पर

परम पूजनीय श्रीला प्रभुपाद जी

आपके चरणों में मेरा नमन स्वीकार करें।

प्रभुपाद जी, आपकी कृपा से मेरी जिंदगी साधारण से spritual लाइफ में बदल गयी है। आपकी कृपा से मैं अब इस दुनिया में लोगो को अलग नजरिए से देखने लग गया हूँ। मुझे अपने जीवन एवं लक्ष्य के बारे में समझ में आ गया है।

पहले में बहुत खोया खोया , उदास सा टेंशन में रहता था, पर जब से मैं आपके संपर्क में आया हूँ, प्रोब्लम को समझने लगा हूँ, उन्हें देखने लगा हु, और उनका हल निकाल लेने में समर्थ हो रहा हूँ।

मुझे जिंदगी में कुछ बड़ा करना है, कुछ ऐसा करना था कि जिससे मेरा जीवन सफल हो जायें, लेकिन समझ नहीं आ रहा था कि ऐसा क्या करूँ। लेकिन अब मुझे मेरे जीवन का लक्ष्य समझ आ रहा है और साथ साथ ये भी पता चल रहा है कि जीवन में कौनसा काम करना चाहिये और कौनसा नहीं।

मैं अपनी लाइफ को दूसरों के लिये जीना चाहता हूँ, उनका ज्यादा से ज्यादा भला करना चाहता हूँ, उन्हें एक सही रास्ता

दिखाना चाहता हूँ लेकिन इन सब के लिए मैं ऐसा क्या करूँ ये समझ नहीं आ रहा था।

इसी बीच एक दिन मैं आपके किताब वितरण केन्द्र पर पहुँचा और saturday class में आना शुरू किया। भगवान की भक्ति करना मुझे सबसे अच्छा लगता है और वहाँ प्रभु जी भी इसी बारे में बता रहे थे साथ में ये भी की अपनी लाइफ को ultimate goal क्या है। और धीरे-धीरे मैं माला जप करने लगा, और कुछ समय बाद मैं आश्रम में आ गया। और मुझे भगवान और आपकी सेवा करना का मौका मिला। अब मैं 4 माला जप करता हूँ।

पहले मैं temporary goals के पीछे लगा रहता था, पर अब समझ आता है कि कोई भी कार्य करना है तो कृष्णभावनामृत रहकर करना है।

प्रभु जी, मैं चाहता हूँ की मैं हमेशा कृष्णभावनामृत में ही रहना चाहता हूँ। ताकि मैं अपने आप को और पहचान सकूँ, ये समझ सकूँ की मैं एक आत्मा हूँ ये शरीर नहीं, और जान सकूँ की भगवान कौन है और मेरा उनके साथ क्या संबंध है।

प्रभु जी, मैं आपकी सभी book पढ़ना चाहता हूँ लेकिन मैं पढ़ नहीं पा रहा हूँ, मुझ दीन पर अपनी कृपा करे, और मुझे शक्ति दो प्रभु जी। ताकी मैं ज्यादा से ज्यादा book पढ़कर ज्ञान अर्जित करूँ।

Please accept my humble obeisance.

All glories to Srila Prabhupada on the auspicious day of your vyaspuja. Thanks for providing such a great mercy for making me Krishna conscious. Through this HARE KRISHNA MOVEMENT you provided us this spiritual knowledge. When I have followed the Krishna consciousness my daily life routine has been changed and all the day I feel positive environments. The books and literature of Srila Prabhupada have been very useful for spiritual growth. These books and literature are wide and full of knowledge to understand the supreme lord Krishna and his importance in life.

After joining the HKM really I have understood the difference between the material world as well as the spiritual world. I have understood the aim of the human life and importance of four regulative principles in life. I followed the HKM last 4 months and I felt very happy. The Mangla Arti & Bhagvatam session every morning I am attending which is very joyful for me. It builds up the strong faith in Lord Krishna. I have been reading Srila Prabhupada books on a daily basis, which is helping to better understanding of Lord Krishna.

I felt so much happiness & enthusiasm after joining the HKM. I will continue this process in future till end of my life with chanting Hare Krishna Mahamantra 16 rounds on daily basis. The way of facing challenges of my life is totally changed after I have taken your shelter. Thanks for giving me such opportunity which makes my life grooming. वह कहते हैं कि गुरु से बड़ा कोई नहीं होता और अगर गुरु भी आप जैसा मिल जाए तो इस जीवन के उद्धार के लिए किसी और वस्तु की आवश्यकता नहीं होती आपने हमारे और आने वाली पीढ़ियों के लिए जो कुछ किया है उसके लिए बहुत-बहुत धन्यवाद आपने अनगिनत लोगों का मनुष्य जीवन सुधारा है 70 वर्ष की आयु में आप ₹40 लेकर अमेरिका गए और पाश्चात्य देशों के लोगों का जीवन सुधारा और उन्हें भगवत गीता से अवगत कराया आप 70 वर्ष की आयु में भी सिर्फ 2 घंटे सोते थे

और पूरी रात लिखते थे आपने 11- 12 साल के अंतराल में विश्व के सभी प्रमुख देशों में श्रीमद भगवत गीता से लोगों को अवगत कराया अपने भारत और विदेश में सैकड़ों मंदिर बनवाए और आप की बनाई हुई संस्था आज भी विदेशों में लोगों का जीवन सफल बना रही है। प्रभु आपके लिए तो जितना लिखूँ उतना कम है प्रभु जब से मैं अक्षय पात्र से जुड़ा हूँ तब से आध्यात्मिक चीजों की तरफ रूचि बढ़ी है शुरू से ही आध्यात्म की तरफ झुका हुआ था लेकिन जब मैं हरे कृष्णा मूवमेंट से जुड़ा उसके बाद मेरे जीवन में बहुत परिवर्तन हुआ। मेरा जीवन काफी अच्छे से बीत रहा है इससे जुड़ने से आपकी तरफ आकर्षित हो गया हूँ और आध्यात्मिक किताबें पढ़ने लगा हूँ। रोज जप भी करने लगा हूँ जिससे मुझे बहुत सारी शक्ति मिलती है इससे जुड़ने के बाद मुझे किसी भी प्रकार की बड़ी परेशानी का सामना नहीं करना पड़ता लेकिन छोटी मोटी बातें लोग बोलते रहते हैं एक व्यक्ति हाथ में सिगरेट लेकर खड़ा रहता है और मुझे कहता है कि कहां जा रहा है और आजकल किस के चक्कर में पड़ा हुआ है लेकिन उन्हें कौन समझाए कि कौन चक्कर में पड़ा हुआ है और कौन नहीं मेरा आपसे निवेदन है कि आप हमेशा मेरे ऊपर अपनी दया दृष्टि बनाए रखें और मेरे पास बुरी शक्तियाँ आने पर मेरा मनोबल बढ़ाएं और मेरा जीवन उद्धार करने में मेरी सहायता करें

Dear SRILA PRABHUPADA.

I am offering my obeisance to your lotus feet,

Please accept it and give me a direction to follow the path of krishna consciousness. In the BHAGAVAD GITA, the supreme personality of godhead. Krishna says to Arjuna:-

*tad viddhi praṇipātena, paripraśnena sevayā
upadekṣyanti te jṣānam, jṣāninas tattva-darśinaḥ*

Oh! My dear friend Arjuna if you want to really know about real truth, real knowledge you must go through a guru. You meet them and serve them and then act about real knowledge. This is the process by which you can know about me. So it indicates that how much guru is important. You must serve them by great devotion. So I really say thanks to my guru Prabhupada. he blessed me that's why i am in touch with Krishna consciousness. When I was living in the folk hostel. In beginning I didn't know about GURU, but when I spent time in FOLK hostel then I understood the value of a guru. If guru is not there than you can not serve Krishna as good as possible. So in my life nothing is important than you Prabhupada. By your mercy i got selected in Indian air force. Now i am giving donation how much possible for me and i will try to serve my best to Krishna. I will keep trying on this path. Jai guru Dev.

आपके चरणों में शत शत नमन

इस व्यास पूजा के अवसर पर मैं आप को दंडवत प्रणाम करता हूँ ।

प्रभुपाद मेरी माता जी के जाने के बाद मैंने जिंदगी को सही से समझा । कुछ ही समय बाद मेरी मुलाकात आप के शिष्य से हुई मैं पहले तो बहुत तनाव में रहता था और साथ ही एक लालची इंसान भी था ,लेकिन आपके और आपके भक्तों के संग में आने से मैंने अपनी लाइफ का उद्देश्य जाना ।उसी के बाद मेरा तनाव कम हुआ तथा मैं भी अभी एक अच्छा भक्त बनना चाहता हूँ।

कृष्ण भावनामृत अपनाने में मुझे कोई भी चैलेंज नहीं आया मेरी आपसे केवल एक ही विनती है कि आप मुझे अपने चरणों में जगह प्रदान करें।

Dearmost Srila Prabhupada ,

I was born in the darkest ignorance ,and my spiritual master opened my eyes with the torch of knowledge. I offer my most respectful obeisances unto you.All glories to you on this auspicious day of your vyasa puja offering!

I have no words to describe your glories...you are the sum and substance of the demigods,all acharyas and devotees. You are jagad guru...an inspiration for this whole world that despite such a old age you travelled to west to preach the cult of Caitanya Mahaprabhu.Your contribution of books on vedic wisdom is the greatest gift you gave to all of us.Your fame spread all over the three worlds.

I feel srila prabhupada that rendering service unto your lotus feet and pleasing you; by following your instructions is the greatest tool to advance in spiritual life.It's by your grace that I have come in touch with this movement.I am very fortunate to receive a bona fide spiritual process.

brahmanda bhramite kono bhagyawan jiva,

guru-krsna prasade paye bhakti-lata bija.

I have realized that simply by following the bhakti process given by you,(i.e. chanting,dancing,eating prasadam...)we can achieve real happiness.The teachings of Shikshashtakam are the whole and soul of bhakti-yoga in this age. The goal of this human life is to elevate our consciousness and go back to home,back to godhead and this can happen by your causeless mercy only.The blessings your lotus feet can help me cross this ocean of material sufferings very easily.

Please give me blessings that I can chant 16 rounds of Hare Krsna mantra and follow 4 regulative principles throughout my whole life.I am the most fallen soul that I didn't follow my commitment to you which I promised in the ashraya program.Please kindly forgive me for this.The most important blessing that I need is that I never do any sort of vaishnava offense...so that I can nicely follow this process.Please make me very sincere,serious,cautious and conscious in devotional service.Prabhupada,please guide me in all aspects of life and always keep me engaged in devotional service.

Please kindly forgive me if I have ever done any offense at your lotus feet and give me a special blessing that I can always please my authorities.I desire to become a dedicated servant of yours.I show my most humble gratitude to you.

All glories to His Devine Grace Srila Bhakti Vedanta Swami Prabhupada

I bow down to your lotus feet with core of my heart. Thank you very much for providing me the opportunity to write Vaysaa Pooja offering & glorify you on your appearance days one more year. I am hankering for material happiness but through your teachings only that one should engage their talent to the service of Krishna but sometimes due to forgetfulness I could not do so Kindly guide me to do so You have taught us that be humbler than the grass but I felt that during rendering service or dealing with non Vaisnava sometimes I forget due to false ego Kindly guide me to overcome on the correct path I recalled the day when I came in your contact and accepted you my spiritual master.

I remembered the day when I use to start deity worship in Folk hostel under the guidance of pure devotees & most of the time temple authority allotted me the cooking service I enjoyed lot that's the one reason that I have got an opportunity to execute your mission of Prasadam distribution program I enjoyed lot when I got an opportunity to glorify you specially the person who is unaware about you and lord Chaitanya Sankirtan Movement .

I am accepting that most of the time due to forgetfulness not following your instructions And getting deviated by the Maya. Most of the time even I missed out the chanting the Holi name of the lord as you prescribed the best medicine for the age of Kali. Still you are so merciful to keep me in your association to carry out the mission that No child in India Shall be deprived of education because of Hunger . Since last 02 years I have been serving in your organization The Akshaya Patra Foundation in the association of devotees as well as professional all are very sincere and dedicated souls all are executing their responsibilities I learnt lot under his direction and trying to execute our duty more effectively and conscious about our stake holder that they all satisfied with our duties and responsibilities

I am not qualified to become your servant but still you are so merciful that keeping me in your movement Due to Team work the Pan AkshyaPatra is spreading and we have also reached 25K more beneficiaries through your Nathdwara Centre. Please give me strength to chant Hare Krishna Mahamantra Daily and hear lecturer and to read books Please forgive my all misdeeds and keep me in your lotus feet for serving glorious movement

Thank you

मेरे प्रिय गुरुदेव,

आपके आविर्भाव दिवस पर आपके चरणों में मेरा प्रणाम।

आपके सानिध्य में जो भी आया उसका जीवन सफल हो गया। आपके जो भी भक्त हैं उनके सत्संग और उनके प्रवचन से और उनके संग से मेरे जीवन में, मेरी दिनचर्या में जो परिवर्तन आया वैसा मैंने कभी सपनों में भी नहीं सोचा था। इन गुरुओं (संतों) को बहुत सच्चे दिल से प्रणाम करता हूँ। मैं भक्ति वेदांत स्वामी प्रभुपाद एवं कृष्ण से प्रार्थना करता हूँ उनकी कृपा हमेशा भक्तों पर बनी रहे जिससे मेरे जैसे गिरे लोगों को सही मार्ग मिल सके।

प्रभुपाद से मैं प्रार्थना करता हूँ कि मुझ पर कृपा कर ऐसा आशीर्वाद दें मेरी दिन-प्रतिदिन कृष्ण के चरणों में प्रेम बढ़ता रहे और आपके जो भी भक्त हैं मैं प्रेम से उनकी सेवा कर सकूँ मेरे शरीर में जब तक प्राण हैं मेरी यह ऐसी भावना किसी भी दिन भूलूँ नहीं।

परम पूजनीय श्रील प्रभुपाद

आपके चरणों में शत शत नमन

हे कृष्णा, आपकी कृपा से मुझे श्री श्रीलप्रभुपाद का कृष्णा आंदोलन से जुड़ने का सौभाग्य प्राप्त हुआ। ऐसे महान आध्यात्मिक गुरु के चरणों में मेरा सहृदय प्रेम दण्डवत प्रणाम। हे प्रभुपाद आप ही हमारे आध्यात्मिक गुरु हैं। ऐसे भक्तिवेदांत स्वामी प्रभुपाद के सामने मेरा सहृदय प्रणाम और कोटि कोटि नमन, हे प्रभुपाद आप इसे स्वीकार करना। मेरे सारे कर्म सिर्फ और सिर्फ आप की ओर इस कृष्णा आंदोलन के लिए सदैव समर्पित है।

एक व्यक्ति के जीवन में गुरु की बहुत ही ज्यादा ज़रूरत है, क्योंकि बिना गुरु के यह जीवन सिर्फ और सिर्फ भौतिक बनकर और एक दिन नष्ट हो जाता है। लेकिन प्रभुपाद जी जब से मैं इस कृष्णा महा आंदोलन से जुड़ा हूँ तब से मेरी जिंदगी बहुत ही ज्यादा सकारात्मक चीजों का मैने अनुभव किया और आपके इस विशाल किताबों के संग्रह से जो बुक में पढ़ता हूँ वो हर बुक मेरी दिल की गहराई में समा जाती है, लेकिन मुझे इस बात की बहुत खुशी है कि आपकी दयादृष्टि से मुझे कृष्णा भगतों का संग प्राप्त हो रहा है और आगे भी आपकी कृपा से यह अवसर हर क्षण मिलते रहेंगे। हे प्रभु मेरा यह शरीर भौतिक है और इस भौतिक जगह में ही गुमराह हूँ। लेकिन जब से आपकी दयादृष्टि इस पर हुई है तब से मुझे एक नये जगत के बारे में पता चला कि इस मृत्यु के बाद भी एक और जीवन जहाँ न तो जरा है, व्याधि, मृत्यु, न ही किसी प्रकार का दुःख। हे प्रभुपाद आपकी कृपा से ही मैं यह जान पाया हूँ।

हे प्रभुपाद मैं आपको अपना गुरु मानता हूँ। हे प्रभु मेरा एक छोटा सा संकल्प है कि मैं भगवत गीता को लोगों के घर तक अधिक पहुँचाने का सहृदय प्रयास करना चाहता हूँ। और मुझे यह करना ही है। क्योंकि आप से यह आदेश हमें मिला है। हे प्रभुपाद मेरी एक विनती है कि मुझे आप इस माया में गिरने मत देना। ताकि मैं कृष्णा के बारे में हर रोज जान सकूँ क्योंकि कृष्णा ही सभी कारणों के कारण हैं। हे प्रभु इस भौतिक जगत में कुछ अवरोध ज़रूर आ रहे हैं, लेकिन आप जैसे महान आध्यात्मिक और परम भगवान कृष्णा की कृपा से जल्दी ही यह अंधकार भी दूर हो जाएगा। हे प्रभुपाद मैं जीवन आपके चरणों में समर्पित करता हूँ। ताकि मुझे कृष्णा के बारे में ज्यादा से ज्यादा जानने का अवसर आपसे और कृष्ण भक्तों से प्राप्त हों।

हे प्रभुपाद आप ही मेरे जीवन रूपी रथ के सारथी और मुझे पूरी उम्मीद है कि मेरे इस जीवन का उद्धार आपके आशिर्वाद से हमेशा आपके बताये हुए मार्ग का अग्रसर होता रहेगा। इस आशा के साथ कि मुझे इस भौतिक जगत के अवरोध कभी विचलित नहीं करेंगे।

जय कृष्णा एवं श्रील प्रभुपाद की जय हो

आपके इस जन्मदिन पर मेरा दण्डवत प्रणाम स्वीकार करे।

आपका शिष्य रमेश चन्द्र दवे।

Dear Srila Prabhupada,

HARE KRISHNA,

Please accept my humble obeisance at your divine lotus feet. Really, a search of 'GURU' i.e. 'PURE DEVOTEE OF KRISHNA' is completed at you. First of all I want to thank you for the source of learning; the detailed and 'as it is' explanation of the knowledge from scriptures in the form of books. Through these books I have got the ultimate aim of this rare human life. After practicing a little bit till today; I realized that this Krishna consciousness –a perfect yoga system is a real process of self realisation.

At the end I promise to practice this knowledge practically throughout the life and to make it my life style. Please, please, please take me away from this Maya (that which is not) towards Krishna (that which is) with you.

हे गुरुदेव आपके मुवमेंट से जुड़कर मेरा जीवन बदल गया है मेरे जीवन में बहुत बुरी संगति का असर हुआ था जो कि आपकी कृपा से और भक्तों के संग से बहुत कुछ बदल गया है। आपकी कृपा से मैं भगवान कृष्ण का जप कर पाता हूँ और मंदिर में कुछ सेवा करने का अवसर प्राप्त करता हूँ समय-समय पर भक्तों का संग भी मिल जाता है जिससे कि यह जीवन सार्थक बन सके और आत्मा का उद्धार हो सके। आप की शिक्षाएं मुझे जीवन को अच्छी तरह से जीना सिखाती हैं मैं अपने भौतिक जीवन में अच्छे कर्म कर पाता हूँ तथा भगवान को सुख दुख की परिस्थितियों में भी याद कर पाता हूँ

आप जैसा आध्यात्मिक गुरु तथा शुद्ध भक्त बड़े ही भाग्य से मिल पाता है। यह आप ही जिन आचार्य ने पाश्चात्य देश में

लोगों को कृष्ण भावनामृत का ज्ञान दिया और आप की महानता है कि आपने वहां के बहुत से लोग जो कि नशे जैसी बुराइयों में लिप्त थे उनको कृष्ण भक्त बना दिया इस शुभ अवसर पर जो कि आपका अवतरण दिवस है मैं बड़े ही विनम्र भाव से आपका आशीर्वाद दया की कामना करता हूं जिससे मैं कृष्णभावनामृत में और उन्नति कर सकूं और इस मनुष्य जीवन को सार्थक बना कर अंत समय में गोलोक वृंदावन धाम में जा सकूं ।

Dearest Srila Prabhupada,

Please accept my humble obsequies unto your lotus feet. All glories to you.

Queen Kunti prayed, "I wish that all those calamities would happen again and again so that we could see You again and again, for seeing You means that we will no longer see repeated births and deaths." (Srimad-Bhagavatam 1.8.25) I am not exalted enough to be seeking calamities in the course of my service, but when miseries do befall me I think of the intense struggles you faced as you preached and how you overcame them, and in this way I receive the strength to push on. O spiritual master, please shower your mercy unto me, so that I can chant 16 rounds with quality, book reading, temple service, daily srīmad bhagvatam lectures and yours most loving service- "Book distribution". Please bless me so that I must follow these principles with sincerity, dedication, devotion and determination. Prabhupada, you are eternally at the side of Nityananda Prabhu. You are His general who has conquered over every last obstacle of maya to become the most glorious preacher of modern times. And you are leading an army of dedicated followers who will never cease to struggle on your behalf. I am very proud to be an insignificant member of this army and pray that I can eternally march on in both victory and defeat, happiness and distress, pleasure and pain, honor and dishonor, by allowing myself to be sustained wholly and solely by the dust of your divine lotus feet.

It has been accepted among the body of Vaisnavas that you have accomplished in this world what only a sakty-avesa avatara could accomplish. Indeed, millions of people know of your unparalleled preaching and writing, and

even those who are not krsna-conscious are appreciating all that you have done. However, when your followers meditate on your glories, it is often not these great accomplishments that come to mind, but your simple lovable qualities and intimate pastimes that most fascinate and endeavour us to you.

Material entanglement is there but, by hearing from your lectures- that engage 24 hours in Krishna's service, than your life will be successful. By following your instructions sincerely, surely will develop a taste of Krishna's service!! Please forgive me for any offences against the Vaishnavas, Guru, sastra and unto you. Thank you srila Prabhupada for everything that you had given us. !!"Srila Prabhupada ki jaya"!!

First of all I will pay full obeisance in the lotus feet of "Lord Krishna" and "A.C. Bhaktivedanta Swami Prabhupada" and Whole "Guru Parampara". I am paying thanks to Lord Krishna and srila prabhupada that they have selected me as their servant and given me a big opportunity to understand the complete Whole and the knowledge behind the complete Whole. Thanks srila prabhupada for guiding me at each and every stage of my life in spiritual activities more and more.

After joining the HKM, Udaipur I found that there are so many Positive changes in my life Like this, I wakes up early in the morning and attending complete Sadhna. It Includes Morning Mangala Aarti, Tulsi Aarti, Guru Aarti, Lectures of Srimad bhagwatam and "Hare Krishna Maha Mantra" japa . By following all the 4 regulative principles and Sadhna I found positivity in me. Each and every situations what happens in my life either good or bad I am taking all of them in a positive manner.

Before joining FOLK, Udaipur sometimes I was feeling unhappy when some downs happened in my life but now I am enjoying the devotional services with material job. In the proper guidance of Srila Prabhupada and Devotees I am promising that I will follow all the regulative principles and increase japa from 6 rounds to 10 rounds. Simultaneously I promise that I will read half an hour regularly your books which you wrote painstakingly by sacrificing your sleep. I promise that each and every instructions given by Srila prabhupada and devotees, I will follow till my life.

Please shower your mercy on me so I can also attach with spiritual activities throughout the life and give me place in your Lotus Feet.

Dear Srila Prabhupada

Please accept my humble obeisances unto your lotus feet. All glories to you- „Srila Prabhupada" on this auspicious day of your Vyasapuja."

Hare Krishna! O true spiritual master. By your mercy I came to know that this human form of life is very rare and its purpose is to come out of this world of miseries and to go back to Godhead. Going back to Godhead is not so easy; this requires the mercy and the shelter of true spiritual master like you. This is your mercy and powerful lectures only that are guiding me to attain spiritual growth and to be spiritually advanced.

Life has got many challenges and without being depressed, I see them from spiritual point of view.

By your mercy and devotees' association, I am trying to follow four regulative principles strictly. Because of your shelter only, I am less indulged in sense gratification and trying to reduce the same. I could increase the number of rounds of my chanting, I have been reading your books on daily basis for last two months. I visit temple twice in a week and try to do some service. My eyes become filled with some tears whenever I listen your kirtans and it immediately makes me remember of **Supreme Lord Sri Krishna**".

You are the real „Acharya" who teaches us everything about spiritual life. Your greatness of living this life sets examples for us to follow the spiritual path. On this most auspicious appearance day of your divine grace, I humbly beg you to show your blessings and mercy on me to be more advanced in Krishna Consciousness. Please forgive my offenses and give me the strength to carry out your orders in the association of your sincere devotees. I request you to please keep blessing me more seriousness in Krishna Consciousness so that I can be engaged in the very rare service of the supreme personality of Godhead- **“Lord Sri Krishna in Goloka-Vrindavan (Bhagavad-Dham)”**.

“I offer my respectful obeisance unto His Divine Grace A. C. Bhaktivedanta Swami Prabhupada, who is very dear to Lord Krishna, having taken shelter at His lotus feet. Our respectful obeisance is unto you, O spirit-kindly preaching the message of Lord Caitanyadeva and delivering the whole bhu-mandal, which is filled with impersonalism and voidism.”

My Dear Srila Prabhupada,

I offer my respectful obeisances unto the bona-fide spiritual master, a fraction of whose mercy even a low-born person can become immortalized. Prabhupada, Please forgive this fallen soul for not knowing how to live in this material world, who is eager to learn every knowledge from you, who is clinging your feet and seeking your directions all the time with all heart & soul.

I'm always amazed how your Divine Grace's instructions continue to illuminate our dark hearts continuously, even so many long years after your physical departure from bhu-mandal, although you are always with us, around!

Queen Kunti prayed, “I wish that all those calamities would happen again and again so that we could see You again and again, for seeing You means that we will no longer see repeated births and deaths.” (Srimad-Bhagavatam 1.8.25)

I am not exalted enough to be seeking calamities in the course of my service, but when miseries do befall me I think of the intense struggles you faced as you preached and of how you overcame them, and in this way I receive the strength to push on. I remember you all the time, read books and listen to divine lectures you left behind. You are my Guru but I also connect with you just like a grandchild does. Wish I was born little more earlier on this earth; seeking direct instructions and guidance from you would be more divine part of this process! One thing is sure you are still watching & instructing me from Vaikuntha...and I promise to follow all the instructions by you and Krishna!

Srila Prabhupada, you have always taught us to strive to chant more and more Harinama with attentive quality. We are learning that there is nothing sweeter than the chanting of the holy names of Krishna!

On this day of your appearance day I beg for your mercy so we could become more humble, chant more, preach more, perform better sankirtan and spread your mission to the entire universe, so we may become suitable

instruments to help your divine grace deliver ourselves and others to this mission and Chaitanya Mahaprabhu, Guru Gauranga, Radharani, Balarama, and Truly transcendental Lord Krishna!

हे ! मेरे गुरुदेव परम पूज्य श्रील प्रभुपाद जी

आपके चरणों में मेरा बारम्बार नमन ।

हरे कृष्णा

गुरुवर, आपके उपकार की व्याख्या स्वयं वेद भी नहीं कर पाते तो मैं क्या समझ पाउँगा आपकी दया को ।

परन्तु हे गुरुवर, जितना प्रतीत होता है उस भावना को व्यक्त करता हूँ कि आपकी दया न होती तो इस मानव जीवन का हश्र अत्यंत बुरा होता । जीवन पूर्ण पापमय होता

यद्यपि अभी भी मैं साधुत्व से रियल वैष्णव से कोसो दूर हूँ तथापि बड़भागी हूँ कि हरि नाम के सानिध्य में हूँ

। गुरुवर आपकी इतनी दया के बावजूद मेरी धृष्टता कम नहीं होती । बार बार गलतियां होती है

परन्तु आपकी वो बात याद आती है कि आपको माला करने में रूल्स फॉलो करने में हो सकता है बिलकुल मजा नहीं

आएक्योंकि एक पीलिया पीड़ित को मिश्री में बिलकुल मिठास महसूस नहीं होती

पर यदि वो लगातार उसका सेवन करता रहे तो रोग का शमन होने से अवश्य ही उसे धीरे धीरे मिठास अनुभव होगी । ठीक उसी प्रकार माया के प्रभाव से आपको भगवद् रस महसूस हो या न हो प्रारम्भ में सिन्सियरली उसको निभाओ भगवद् कृपा जरूर होगी और धीरे धीरे माया का प्रभाव (आवरण) हटने लगेगा और वास्तविक अखंड आनंद की प्राप्ति होगी अनंत रस मिलेगा ।

हे प्रभुपाद जी ! आपका मैं क्या आभार चुका पाउँगा बस उल्टा प्रे करता हूँ गुरुवर आशीर्वाद बनाए रखना

सुना है आज भी आप पार्थना करने से आप भक्तों की सुनते हो । गुरुवर आप मेरी माया से बचने में मदद कीजियेगा ।

हरे कृष्णा पुनः आपके चरणों में वन्दन

Dear Srila Prabhupadji,

With due regards. Please accept my humble obeisance. All glories to your kindness on the auspicious occasion of your '_व्यास पूजा_' day.

With great respect to Gurudev Srila Prabhupadji. I am blessed by Srila Prabhupadji, since 2001, when I got _Bhagwad-Gita As It Is_ and since then, I'm in a continuous pursuit of reading its verses in reference to some or the other reference to context several times. But as the time passed and after reading _Bhagwad-Gita As It Is_ many times in the duration of fourteen years, both English and Hindi versions. But I never read in details about Srila Prabhupadji.

One fine day disciple of Srila Prabhupadji appeared at my house on 21st of January, 2015. He suggested me to change the style of Bhakti and even reading habit also and when he explained the glories and the golden value of Srila Prabhupadji, I was stunned to know about his wonderful work. Then, throughout Srila Prabhupadji's courtsey and through his majesty, I got the real brain to read _Bhagwad-Gita As It Is_. And before that after reading _Bhagwad-Gita As It Is_ in a vague way for several times, I was at that juncture, from where in all the directions..NSEW.., there was a great deepened valley.. and I was not knowing where to go...! Then, arrival of this devotee changed the walk of my life, by bringing me on the real path of disciplic succession. And then I started chanting _Hare Krishna Mahamantra_ and as per his directions, I started reading _Srimad-Bhagwatam_. Then, after an year with the blessings of Srila Prabhupadji, I opened a Whatsapp Spiritual Club, _कृष्ण-आश्रय_, where now there are two hundred fifty members now, who are gradually becoming spiritually involved in _Krishna Consciousness_. And, probably everyday, since then, I'm writing one English article from Srila Prabhupadji's books and one verse of _Srimad-Bhagwatam_ every day.

In this period of almost three and a half years, I met several devotees of Srila Prabhupadji. In 2017 I came in the spiritual touch with one more disciple of Srila Prabhupadaji and he initiated me for _मंगला-आरती_ and since then I'm feeling really spiritually contended and completely materially satisfied and getting great strength from Srila Prabhupadji to fight and surpass all the material stringencies and material desires. May Srila Prabhupadji's blessings shower on all the conditioned souls on this raw earth. हरे कृष्ण..!

Dear Srila Prabhupada,

Please accept my humble obeisance at your divine lotus feet. All glories to you on this most auspicious appearance day of your divine grace

I was born in the darkest ignorance, and my guru, my spiritual master, opened my eyes with the torch of knowledge. I offer my respectful obeisance unto him." As it is written in SRIMAD BHAGAVATAM The human body, which can award all benefit in life, is automatically obtained by the laws of nature, although it is a very rare achievement. This human body can be compared to a perfectly constructed boat having the spiritual master as the captain and the instructions of the Personality of Godhead as favorable winds impelling it on its course. Considering all these advantages, a human being who does not utilise his human life to cross the ocean of material existence must be considered the killer of his own soul.

Even though you have been empowered by Lord Chaitanya to spread the holy name of Krishna throughout the world, you perform your devotional service strictly following the instructions of your spiritual master. By your personal example you teach us to accept all austerities to carry out the order of the spiritual master. By your tapasya you have given the wonderful gift of this Krishna consciousness movement to the whole world.

Please Prabhupada shower your mercy so I can Choose my real goal. 1. Hear more and more about Krishna and guru 2. Chant hare Krishna mahamantra 16 round 3. Read your books perfectly 4. Preach your glory 5. Preach Krishna's glory 6. complete my sadhana perfectly

Respected srila Prabhupaada

Please accept my humble obeisances in your lotus feet I am very fortunate to write an offering letter to you as I am a low grade degenerated person who came under the shade of your kindness to get shelter and protection. I start my letter with a small story - Once from a tree a matured fruit fell down and it's seeds spread out every where over the ground.

With a strong blow of wind all the seeds moved around in all the directions. How ever one of the seeds stuck in the roots of a banyan tree and started to grow from the sand around it.The tree protected the young sapling in every way : during summers from hot sun light, during rainy season from heavy rains and storms. The young sapling was very happy as it was under protection of such a big tree and was assured of its safe and secured servival.And was determined that one day my strong green branches will touch the skies and deep strong roots will give him strength that no one can remove it easily. Prabhupad ji that big banyan tree is you and the disciples like me are like that sapling growing spiritually under your shelter and protection.

Thanks a lot Prabhupad ji for your causeless mercy upon us.

Jai prabhu pada.

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to your divine grace. I am indebted to you Srila Prabhupada to be a part of your Glorious Hare Krishna Movement. I do not have a trace of any Vaishnava quality and I am full of faults, weakness, and offenses. But, you still retain me in your services and continue to reciprocate mercifully with me. I do not know why? It is purely out of compassion, for this fallen conditioned soul.

On this auspicious day of your appearance, I beg you to guide me to be a small instrument, in the service of your sincere devotees. The instructions given by your disciples are suppose to be your personal instructions. Please help me to develop strong faith in your words, and to gain progress in my spiritual life. I am very fortunate that Krishna has sanctioned and allowed me to perform devotional services for him under your guidance. I request you to keep guiding me to be a pure devotee of Krishna.

Your divine appearance in this world, is such an oceanic mercy of Lord Krishna upon us, Please bless me with your divine mercy so that I can serve this movement till the end of my life by spreading your message to each and every soul possible.

Pranam!

Dear Srila Prabhupada

I am a fallen soul in the darkness of ignorance. Please enlighten my soul with the light of knowledge and devotion and let me offer my respectful obeisance and sincerest gratitude unto your lotus feets.

Thankful gratitude unto the dust of lotus feets of Sri Chaitanya Mahaprabhu that he showers mercy upon me by sending you to guide me.

3 years from now I prayed to Krsna to provide me a path of life which is full of kindness empathy, serving and morality and then after a month or two;through a preaching centre I met with you_ your thoughts , your ideas and Krsna's Philosophy. Slowly with yours and Krsna's mercy I approach some devotees and get SSR to read which gave my realization a strong foundation and develop a faith that whatever there will be;with krsna always in my heart ,you will also be there with me in my mind in the form of vani. Further by reading some books[perfect questions perfect answers, laws of nature and Srimad Bhagwat Geeta(but I m too idiot that I didn't read its purport)], chanting and following some principles I realize the power of concentration, controlling and devotion.

I am fortunate that I had got Krsna's mercy to assist you in the mission of Lord's glorification but I am so fallen that I even can't follow your instructions properly. Please enlighten my consciousness and guide my body, mind and soul to be always at lotus fetts of Radha and Krsna as you have said :

"The mind is not to be killed. Mind or desire cannot be stopped, but to develop a desire to function for spiritual realization, the quality of engagement by the mind has to be changed. The mind is the pivot of the active sense organs and as such if the quality of thinking , feeling and willing is changed, naturally the quality of actions by the instrumental senses will also change."

So please give me the strength that through whatever situations I will go through I will never lose my faith from Krsna and you and always remain under the shelter of your lotus feets.

Always in your serving

Dear Srila Prabhupada,

Please accept my humble obeisance unto your lotus feet.

Nama pracarak acarya Srila Prabhupada ki jai!

It will never be possible for me to glorify your ocean like causeless merciful contributions to the suffering conditioned souls. Still I will try to write few words which are like few drops in an ocean.

Going to America with 40 Rupees and 3 copies of SB 1st canto, starting an international society for Krishna consciousness, making thousands of Krishna devotee, and constructing hundreds of Krishna temple are your glorious acts. Out of that most glorious act is to give ENGLISH TRANSLATED VEDIC LITERATURE which is like torchlight for ignorant souls. During which; what and all austerity you had undergone is very astonishing to common eyes.

My dear spiritual master, I pray to you to give me strength to follow the principles given by you, and increase my faith in your words. I may always bow down at your lotus feet with awe and reverence.

Because the Lord himself has told in Srimad Bhagavatam -

ācāryam mām vijānīyān, nāvamanyeta karhicit namartya-buddhyāsūyeta sarva-deva-mayo guruḥ

“One should know the ācārya as Myself and never disrespect him in any way. One should not envy him, thinking him an ordinary man, for he is the representative of all the demigods. By pleasing you only, we can please Lord Krishna”.

It is said that any person irrespective of his position and background can achieve the highest transcendental position just by the grace of spiritual master.

Brahmāṇḍa bhramite konabhāgyavānjīva, guru-kṛṣṇa-prasādepāya bhakti-latā-bīja.

Out of many millions of wandering living entities, one who is very fortunate gets an opportunity to associate with a bona fide spiritual master by the grace of Krishna. By the mercy of both Krishna and the spiritual master, such a person receives the seed of the creeper of devotional service.

My dear spiritual master, Sometimes because of past habits I commit vaishnava offenses knowingly or unknowingly. Please forgive me all such offenses. Please give me the strength to fight with internal and external enemies without attachment of success and failure. O My dear master, this unqualified and unworthy servant will be eternally praying to you to become a helpful instrument in your and Lord Chaitanya's mission.

Your eternal servant,

All glories to Srila Prabhupada! Please accept my humble obeisance unto your lotus feet.

Srila prabhupada! I feel blessed under your shelter. You are the person who presented life of blissfulness, knowledge and eternity free from material abrasiveness in a very simple way. You are pure messenger of Godhead. You speak nothing other than devotion to Supreme lovable object Lord Krishna, as a faithful servant doesn't speak anything which is not related to his master or a faithful wife who doesn't think or speak anything other than her husband.

You came to this material world only to give love and devotion towards Godhead which in one sense includes everything what one needs. You are greatest of all preachers of spreading devotion to Lord Krishna. Being pure messenger of Lord Krishna, you are filled with wonderful personal qualities and characters which attract many conditioned souls like me. You have constant unflinching love and devotion to Lord Krishna and make your followers to move in that way.

All glories to your great personality who gives hope of everlasting blissful life to a conditioned soul which has been lost from time immemorial. Your personality gives courage to move forward for devotional life even though in the much fallen stage of consciousness. Although I am unable to follow many of your instructions at present, but your great personality has attracted me towards you to make determination to follow you in life. Your appearance either by voice or by photos etc is pleasing to the self and gives a hope of good life.

At last I only beg from thy great personality that I may be able to have faith on you and could follow you life after life. You be my eternal spiritual master and I feel happy by serving you. I may be able to develop a ting of devotion to Lord Krishna by grace of your personality. You are the hero for all who want to develop devotion towards Lord Krishna in modern era.

May I be able to preach something about your great personality to some people.

May your glories as a greatest Krishna conscious personality spread all over the three worlds.

Aspiring for your unconditional mercy and support.

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet on this most auspicious appearance day of Your Divine Grace.

Although I am unqualified, out of your unlimited causeless mercy, you have accepted me as your servant and guiding me towards the perfection of life - Krishna consciousness. I am an insignificant jiva struggling to become free from Maya's influence. Any advancement that I may have made is all due to your mercy. I am simply praying that I may continue to try to serve you as an instrument in your preaching mission. Although you have disappeared from our physical vision, you live forever in your instructions. Please give me the strength to follow all your instructions and continue to bless me so that I may become attached to serving your mission.

Dear SrilaPrabhupada,

Please Accept My Humble Obeisances, All Glories to your Divine Grace.

Om ajñāna-timirāndhasya; jñānāñjana-śalākayā;

cakṣurunmīlitaṁyena; tasmaiśrī-guravenamaḥ

I offer my respectful obeisances unto my spiritual master, who with the torchlight of knowledge has opened my eyes, which were blinded by the darkness of ignorance.

śrī-caitanya-mano-'bhīṣṭam; sthāpitaṁyenabhū-tale

svayaṁrūpaḥkadāmahyaṁ; dadātiśva-padāntikam

When will ŚrīlaRūpaGosvāmīPrabhupāda, who has established within this material world the mission to fulfil the desire of Lord Caitanya, give me shelter under his lotus feet?

These two years in my life are very special in my whole spiritual journey in achieving mile stonesbut my dependency on your lotus feet is slackened due to intrinsic nature of disobedience to your instructions and strong influence of Maya devi. I do not know whether I am in right direction or not as my sadhana slackened due to offenses at vaishnavas and unable to serve you as I used to do but I could see your constant mercy on me irrespective of my attitude towards your service.

I could understand that I am helplessly getting entangled until your Divine Grace showers unlimited mercy up on me without taking my offenses towards service and vaishnavas.

SrilaPrabhupada first year journey was miraculous and we have fed prasadam for 15 lakhs pilgrims during Krishna Pushkaralu (12th to 23rd August 2018) during those days I could see and realize the verse

mūkaṁkarotivācālaṁ; paṇḍuraṁghayategirim

yat-kṛpā tam ahaṁvande; śrī-gurum̐dina-tāraṇam

By the mercy of the guru, even a dumb man can become the greatest orator, and even a lame man can cross mountains. As advised by Lord Brahmā, one should remember this śāstric injunction if one desires success in his life.

śrī-guru-caraṇerati, ei se uttamagati, jeprasāde pure sarvāśā

Attachment to the lotus feet of the spiritual master is the best means of spiritual advancement. By his mercy all desires for spiritual perfection are fulfilled.

If you desire, irrespective of capacity of the disciples miraculously things fall in place. It was impossible task for us to set up a kitchen in just 18 days of around 1 lakh capacity of 8 Sambar Cauldrons and 10 Rice cauldrons with all other equipment including three steam boilers, RO Plant and so on with zero balance in account. I realized that we were just watching a movie run by you and Krishna, the project was fully under your control all the twists of the project were carried by you and we were acting like dolls in the hands of the doll show player, as you were aware of events nevertheless I would like to describe.

Our actual contract was to feed 75,000 staff with breakfast, lunch and dinner for 15 days and in 300 centres, which would have been an utter failure due to vast distribution points and unavailability of resources but you know our capacity as Spiritual Master knew disciples nature and accordingly just one week before you have changed whole plan as a wise director who knows which scene is best suited, as Paramathama inspires jivas, you inspired one of the Special IAS Officer, did not want to involve Akshaya Patra due to various reasons which was blessings in disguise.

I witnessed a great miracle in this, the day Honourable Chief Minister called us for a review meeting as our senior devotees present in that meeting, the concerned director IAS officer, who was strongly supporting Akshaya Patra to cook staff food for three times happened to go Delhi on an emergency just few minutes before our discussion started, then special officer convinced Chief Minister not to involve Akshaya Patra and CM took a decision that Akshaya Patra should focus on pilgrims feeding only, if that officer would have been there then we would have been assigned to cook at least for 25000 which was also impossible due to short of time, which was very disappointment for us as we had been preparing for three time staff food but later I realized that it would have been impossible to do that because kitchen was not ready by the time staff feeding day which was 8th of August 2016. Kitchen was operational just 2 hrs before pushkaralumuhurtham. This was your plan and you saved us, otherwise how these many favourable things happens simultaneously was your causeless mercy on disabled children like us. Not only this in every step you helped us personally including staff arrangement was really difficult, 200 people required to cook where from we can get that many in a short period of time that too it was a tradition in whole district none of the labour works during entire pushkaralu as they invite their relatives and it was a festivals of 12 days for all of the native people, we don't have money to give them advance but you made this happened by cancelling the order of other caterer who had 150 staff and those staff came as our saviours. Coming to water, government told us they would supply 1 lakh ltrs per day by direct pipeline which was our requirements but 4 days before cooking starts government told they cannot give as some technical issues, then within a day two to three bores and motors by government and we set up RO. All these thing generally does not happen which was told by one of the main manufacturer of cauldrons. In his whole life he had not seen any of his huge project without any accident at least small cut but entire project none of the staff manufactured got injured and this same person could not deliver idly cooker for 3 months then I asked him we did a such a massive job in front of that this is really nothing why were you taking huge time then he shared me his realization that those 15 days he was given a special strength which was another glory of your presence and control. Like this under many miraculous things feeding became grand success. One more miracle was there were three steam based 850 kgs diesel boilers. After three days First boiler started giving some trouble then I thought that might breakdown so we could depend on other two boilers for feeding but to my wonder two of the other boilers broke down and the one which was giving trouble became our saviour then I realized that was you protected us by not allowing third one to broke down and it was a record that the same day we fed 2.2 lakh pilgrims highest feeding of the entire program. It was not like we did not put any experienced boiler operators, we kept direct company agency they were SME's of diesel boilers. Like this you saved us from risks and made us withstand in this centre and Akshaya Patra was glorified after the program and we were glorified but core of my heart I knew how much incapable I was in executing. I am really unable to express my feelings in this letter SrilaPrabhupada and I am totally indebted to your unlimited mercy on us irrespective of our impurities you made us heroes. With zero balance and no people and no material we could complete 5.5 crore project was entirely your glory Prabhupada. On this Vyasa Puja I would like to offer the whole credit to you SrilaPrabhupada.

SrilaPrabhupada please make me your staunch follower like His Grace Madhu Pandit Prabhu and His Grace Chanchalapathi prabhu. Please give me determination to get fixed at your service life after life. Please forgive me from all offences committed towards your Divine self and at your sincere disciples and general public due to my intrinsic nature and guide me to perform perfect service to perfect master eternally.

Yours most fallen and unchaste devotee,

Dear Srila Prabhupada,

All glories to Your Divine Grace A.C Bhaktivedanta Swami Srila Prabhupada!

I feel very fortunate to get an opportunity to glorify you today on your 122nd divine appearance day.

he guro jñānada dīna bandho svānanda-dātaḥ karuṇaika-sindho

ṛṇdāvanāsīna hitāvatāra prasīda rādhā-praṇaya-pracāra

“O spiritual master, O giver of divine wisdom, O friend of the fallen, you are the giver of your own bliss, and you are the only ocean of mercy. Although dwelling in Ṛṇdāvana, you have descended for the welfare of fallen souls like myself, and you are preaching the divine love of Rādhā for Kṛṣṇa. Please be kind upon me.”

In the material world people give value to money and power. Because they think they can do everything with them. But we know the most valuable thing is “Spiritual Master’s mercy” which is more valuable than Krishna’s Mercy. Spiritual Master’s mercy can bring any success and fulfill any desire of his disciples. So, Please be merciful to me to be always in your footsteps.

Srila Prabhupada, this year also same miracle took place as like last year. Even though we didn’t have much material support but because of your mercy preaching is growing exponentially. And this time we got an opportunity to preach to entire college students in an University. When this opportunity came I was in complete shock and felt limited to preach this message with very less preachers. Prabhupada, please bestow mercy up on us to get more soldiers for our preaching army to reach your message everywhere. I feel demand for this message is more but our capacity to reach them is less. Please bless us to increase our strength to take your message nook and corner of this place.

Even though people gets attracted initially but making them to become hard core follower is a big challenge. Because of this sometimes I feel discouraged and disappointed. But when I see few sincere followers how their life changed after they came in touch with you, again I get enthusiasm and encouragement to preach your message.

Srila Prabhupada please be merciful upon me to improve on various aspects like

- To conquer lust, enviousness and appreciate other devotees qualities.
- Because of my fruitive mentality I am undergoing unnecessary anxiety which disturbing my sadana. Please bless me to improve on this.
- Please bestow me with more strength and intelligence to improve preaching activities and to accept more services to spread glories of Krishna.

Finally Thank you Srila Prabhupada for choosing me to be part of your mission.

Your eternal servant, Vilasa Vighraha Dasa

My dear Srila Prabhupada,

Please accept my humble obeisances.

In this 3 years of journey in Krishna consciousness I have some realizations, some reciprocation and also developed the depending attitude towards Krishna and You. It’s all because of Holy name and your causeless mercy, who had kindly accepted me as your disciple.

Thanks for giving me Holy name, deity worship and sadhu sanga. I thank you for the great transformations in me and one such transformation is my attitude of revealing my heart to the authorities and expressing my feelings to the other devotees. But still I am no better than a new bhakta, I don't know anything in spiritual life how I should act. I want to improve a lot and I am a small baby in Krishna consciousness.

It is said that spiritual master will be pleased when he sees his disciple is advancing in spiritual life. I need expert guidance, inspiration, love, care and affection. I beg you to show your special mercy and favor to get these things so that I can give my best service to the Hare Krishna Movement.

Please continue to bless me by engaging me in the glorious mission of Sri Chaitanya Mahaprabhu, I wholeheartedly praying you for this.

Thank You Srila Prabhupada.

Dear Srila Prabhupada,

First of all, I thank You, Srila Prabhupada, for showing me the actual path, real goal and made me servant of servant of Krishna.

Oh! Prabhupada any service which is given by higher authorities and temple devotees I consider that is given by you. In this way I gave my summer vacation for the service of Krishna. You gave me good association and darshan of Sri Jagannatha swami. Your kindness gave me many things. You gifted me many things like Japamala, Sri Krishna Book in the form of devotees and you have helped me to know the thief who stolen my heart. You have showed me the real GOD as Krishna through Bhagavad Gita. You have showed me the way to reach Him by Srimad Bhagavatham and gave so much pleasure by giving Krishna Book. Every time I read Krishna book which has 90 stories and pastimes which Lord Krishna has done on this planet that gives me direct connection with Krishna.

You are not only my Adhyathmika guru and you are also my Adhyathmika father. Thank you Prabhupada for giving me the shelter under your lotus feet.

Jai Prabhupada

Jai Nithai Gauranga

Jai Jagannath swami

Dear Srila Prabhupada,

All glories to You!

Please accept my humble obeisances.

Thanking you is a small word, for showering your causeless mercy on me. Because after traveling so many years in a dark road with no perfect light I got a guidance which leads to the ultimate goal of life "The Absolute Truth". After meeting you there came a radiant light removing all the darkness in my life.

All I need is your causeless mercy and please forgive my mistakes. Please give me your blessings to accomplish the short goals and finally reach the ultimate goal "The Absolute Truth" in life. Dear Srila Prabhupada !!

All Glories unto your divine lotus feet!!

My humble obeisances unto the embodiment of divinity, which reflects in the life of suffering living entities as ever fresh impactful and memorable in spite of their caste, religion species and place. I heard about the life of various devotees and changes in their life what had brought by your divine appearance in their life and on this planet too is simply adorable.

Another year don't know whether was meaningful, brought changes or not could make something pleasurable to you or not has passed and it can be figured out by you only my divine grace.

If I say anything which is most pleasing to you is simple but difficult process of sadhana and regulative principles. That brings newer enlightenment in understanding about life and soul. As in sloka 3.21 of Bhagavad Gita about the great personalities who sets example for people in general. And that role played by you as an ideal leader of society in all terms of manasa vaca and karmana. You showed to general populace about deep faith in your spiritual master and Krishna the Supreme and manifested as an embodiment of acarya, who can save the rotting creatures from this mortal world to ever existential.

Lord himself glorifies the pure devotees who come for his mission of dharma for different ages.

“ācāryam mām vijānīyān nāvamanyeta karhicit na martya-buddhyāsūyeta sarva-deva-mayo guru”

“One should know the ācārya as Myself and never disrespect him in any way. One should not envy him, thinking him an ordinary man, for he is the representative of all the demigods.” But my beloved spiritual master quite often I disrespect and do not obey your words, even though they are safest ship and equal to the words of Supreme(paramatma samahitaha).

Being a conditioned and speculative complex person I cannot recognize your revelations to me and changes what you have brought in me. Moreover the respect and recognition to me suppose to be negligible as been on path of perfection. Earlier I expected these things in phenomenal world and thought of dovetailing to you but resulted in failure always. Then I realized it's simply ignorance and lack of maturity which shows where we are in our journey of progressive path and submissive serious to your divine grace.

On the same day of your appearance of last year I prayed for the anxiety through which I was going through and it solved out without any fraction of effort. But commitment what I had given could not be done and worked out unto your divine grace, your representative and missionaries.

Quite often I interact with various people and their understanding about the absolute shelter which differentiate completely to you. Your upadeshas are like lotuses from filthy place, which seems to be mundane and enamoring to general populace without any change in them but gladden me by having great encyclopedia about realm of absoluteness in truth and authenticity.

So at last I wish to have an absolute faith in your shelter, words and the divine system what you have given to us for our perfection like a small child in his mother.

In seeking of dust of your lotus feet and trying to be a menial servant always,

Mahakratu Dasa

Bhakta Manoj Kumar M

Dear Srila Prabhupada,

Please accept my humble obeisances and thank you for showering your mercy unto me and giving me a process that solves the real problems of life i.e birth, dearth, old, age and disease.

As a student of science and technology I was in a constant search for the most innovative things in the world that make a human life happy. Then I found that the 108 chanting beads (japa mala) is the most innovative thing that makes a human life happier and meaningful if used, that was the moment I have accepted to chant 16 rounds every day.

I read many books and articles of science and other literature that adds to my knowledge. But after listening your teachings and reading your books, I came to conclusion that the ultimate knowledge that an individual must have is about the matter written in Srimad Bhagavat Gita to achieve success in one's life.

Many things transformed in my life with your association, some of them are: prasadam became my food. My service became work. Temple became my living place. I entertain by listening kirtans and reading the enchanting pastimes of Lord. Unlike other people I am using social media for taking darshan from various temples all over the world and sharing your philosophy. Thus my life became blissful.

The visit to the Vrindavan is the best pilgrimage that I have ever had. With your mercy I have gained many skills like communication, event management, public speaking apart from my technical knowledge. I will use these skills for serving your mission

I would thank you for selecting me for serving you in prasadam distribution service through the akshayapatra foundation. I will use all my skills and energy for serving your mission.

I want to explain a how things get arranged when we are in Krishna Consciousness, I got a job and my posting was to a new place where I don't know anyone in the locality. I was in search of accommodation, nobody accepted me as their tenant as I am a bachelor. I was in search with determination and finally I found a house nearby my office, but I had very less hopes on it. I dialed the owner's number and asked for the house for rent, she fixed an appointment to meet her on weekend. I met her on that weekend, I usually have a habit of carrying the chanting beads with me wherever I go, she recognized the chanting beads and understood that I am a devotee of Krishna then she enquired me whether I am a devotee. I said I have been chanting for two years. Without any further more discussion she accepted me to live in her house and offered a free maid for doing all my housekeeping work. I thanked her and I said I don't need a maid for housekeeping as I can do that work. She was very happy that I live in her house. Thus I got a nice room by the mercy of Prabhupada.

I want to thank you for showering mercy on me and directing me into a right direction to lead a meaningful and blissful life.

Yours sincerely,

Bhakta Manoj Kumar M.

Bhakta Nagendra

Dear Srila Prabhupada,

Please accept my respectable obeisance to your Lotus feet.

Being a technical student, I used to think GOD is just a concept created by humans themselves in order to keep society in harmony and disciplined. I used to believe that humans can have equal potencies as GOD (as a concept) has. I used to think God sometimes hates us. On top of everything, I was assuming that this life is just for sense gratification. Just enjoying with senses and prime motto of life should be working hard, earning money and enjoying. When I suffer (for material things), I used to console myself that these sufferings are temporary and I can enjoy after this sufferings. When I came across your teachings, I realized that real sufferings are Birth, Death, Disease and Old age. And I realized that these problems are crushing us since time immemorial.

Srila Prabhupada, your wonderful and practical teachings helped me to realize the purpose of life. And I realized the purpose of life is... "Solving the prime problems i.e., Birth, Death, Disease and Old age". You didn't stop just by telling the purpose of life and you continued to guide me how to achieve the purpose as well. One of your most influential writings is - "The science of Self-realization". It left no point that clears doubts of any neophyte devotee. Especially things such as problems with the bodily concept of life, how to evolve to the spiritual concept, the position of soul and Supersoul, the Absoluteness of Krishna and His Divine love.

Another influential book, and most practical reference to understand how humans are cheated by a class of so-called scientists is "Life come from Life". The way you challenges material society is most eye-opening. You ascertain science is Knowing things "as they are" but not "as we feel".

I'm feeling most fortunate for having an association of you and your disciples at the early age of my life. I seek for your blessings in order to make my life as a boat to reach The abode of Krishna. Hare Krishna.

A Servant of Lord Sri Krishna,

Bhakta Nagendra Y Y V

Bhakta Nitish Minnal

All glories to Srila Prabhupada ! Please accept my humble obeisances,

All glories to you on this auspicious day of your Vyasapuja.

Once I bought Bhagavad Gita, but I had no idea how to read it; because I was totally confused about myself, what is our aim of life, why we taken birth and suffer all these problems in life. One day, a devotee of Hare Krishna Movement came and explained about a course on Bhagavad Gita for youth. I joined there, which made me a strong soul in the society. Then your disciples taught about Krishna through your books and teachings.

I started my association with the devotees and I am realizing the difference between material life and spiritual world. Now I am following four regulative principles from your instructions. Now I am ready to face all challenges of life because of you Prabhupad. I realized my passion and my spiritual progress. Now I want to surrender onto Krishna's feet by your guidance. By your blessings only I am realizing Krishna. Now my life is filled with Krishna with spiritual joy.

I bow myself to you Srila Prabhupada, who linked my way on Krishna consciousness. Krishna is the ocean, you are lik sky, you are purifying the materially conditioned souls to pure souls by Krishna consciousness.

Thank you Prabhupada for connecting me to Krishna.

Your servant, Bhakta Nitish Minnal

Bhakta Pardhu Kotha

All glories to Srila Prabhupada!

Please accept my humble obeisances unto your lotus feet.

You are the central point to reestablish bhakti, faith on Krishna consciousness by your lectures. Vocabulary used in your lecture is best suitable for explaining every analogy. I really inspired by your words towards GOD. Now I am trying for attaining pure devotional service unto Lord Krishna.

Your servant, Bhakta Pardhu Kotha

Bhakta Pavan Kalyan Kothamasu

All glories to Srila Prabhupada,

I offer my humble obeisances to your lotus feet.

om ajñāna-timirāndhasyajñānāñjana-śalākayā cakṣurunmīlitamyena tasmaiśrī-guravenamah

“I offer my respectful obeisances unto my spiritual master, who has opened my eyes, blinded by the darkness of ignorance, with the torchlight of knowledge”.

On this auspicious occasion of the 122nd Vyasa puja (your divine appearance) I want to glorify you. By your mercy my ignorance has destroyed. I am very happy that I am celebrating your auspicious birthday 3rd time after coming to Krishna consciousness. Now I came to this Krishna consciousness only by your mercy. By following your instructions, I gained lot of spiritual knowledge. By reading your books I have understood that this life is not for the sense gratification and this life is only meant for achieving Krishna the Supreme Personality of Godhead. Prabhupad please give the potency to share the knowledge I acquired from you to lakhs of people. By your mercy now I am able do-little service to Krishna by spreading His holy name and explain few of the points learnt from your books to my friends and my juniors in my college. I will try my level best to spread your instruction “Chant Hare Krishna Be Happy” to the upcoming generations. I have understood that a business of a devotee is to glorify acharya, with that Krishna will be gloried obviously. Now I have understood how to slap my brain if it is going away from Krishna (i.e by following your footsteps). I may not construct a gorgeous temple to you or I may not do opulent worship but I can give a small gift to you i.e chanting 16 rounds regularly and with attention.

Now a days many of my friends are hankering for jobs and other material pleasures and they are not concentrating on Krishna. But they don’t know that if they hanker for Krishna they will automatically get the rest of the things by his mercy. I am very glad that I am not in that path but please give me the capacity to teach them about the Supreme Personality of Godhead. So that they will also chant and relish the holy name of the Lord.

SB 4.9.11 : Dhruva Maharaja continued: “O unlimited Lord, kindly bless me so that I may associate with great devotees who engage in Your transcendental loving service constantly, as the waves of a river constantly flow. Such transcendental devotees are completely situated in an uncontaminated state of life. By the process of devotional service, I shall surely be able to cross the nescient ocean of material existence, which is filled with the waves of blazing, fire like dangers. It will be very easy for me, for I am becoming mad to hear about Your transcendental qualities and pastimes, which are eternally existent”.

To my fortune I am under your shelter now. Prabhupad really, I beg you please keep me under your shelter until the end of my life if you so desire. I cannot do anything more rather than glorifying you and following your instructions.

Jai Srila Prabhupad,

Your eternal Servant, Bhakta Pavan Kalyan Kothamasu.

Dear Srila Prabhupada,

You have constructed a home where anyone can know about Supreme Lord Krishna, Lord Chaitanya and the disciplic succession. Whoever gets in touch with your books or your devotees will get knowledge about Krishna, his eternal relationship with Krishna and the ultimate purpose of life. You have given a system of practices through which one can get the original flavor of divine love towards Krishna and can remember and glorify Krishna always.

By your Mercy this movement is spread across the world and your devotees are spreading the message for welfare of everyone. I am fortunate to get in touch with your devotees. It is all because of your pure desire, hardship, love for Krishna that enabled the movement grow this far. By your Mercy and sanction I may practice and strengthen my spiritual life. You have given so many examples of different kinds of devotees who practice Krishna consciousness at different levels. You never discouraged anybody at any stage even though they are not perfect in devotional service. You always inspire, motivate and encourage the practitioners.

By your mercy and Association with your devotees I wish to give Krishna conscious to my family and give my children the real prosperity of divine knowledge and involve in devotional service with which we can lead a meaningful and purposeful life. I am grateful and owe to you and your devotees who dedicated their lives in service of Lord Krishna.

Thank you for giving me an opportunity to express my gratitude.

“I was born in the darkest ignorance and my spiritual master opened my eyes with torch of knowledge. I offer my respectful obeisances unto him.”

Dear Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet. All glories to you.

I feel very fortunate to write an offering to our beloved spiritual master on occasion ceremony of his 122th divine appearance day.

Thanks for giving me this opportunity to serve you and to serve vaishnava family. I am always indebted to you. I am most fallen soul but by your causeless mercy now I could chant the holy name of the Lord but without your mercy that is not possible.

Before I come in touch with you I did not know what spirituality is, and what is the aim of life. I was simply going on the race of materially achievement because I thought that material achievement is the only goal of life. But after reading some of your books and hearing senior devotee lectures based upon your teachings I realized that material achievement is not the goal of life. And I understood that we are not belonging to this material world and this material world is temporary. We belong to GOD's kingdom which also known as spiritual world where we exist eternally. We being part and parcel of Supreme Lord have same body of Lord as Sat-cit-ananda and to get that body is the aim of life.

Dear Prabhupada, you translated the philosophy in easy language, which everyone can understand even less intelligent like me. O savior of fallen souls you give the easiest way to engage in devotion service because in this age so much austerity is not possible. You created such a wonderful environment to progress in spiritual life like wonderful deity worship, devotee association and delicious prasadam.

O commander-chief of Lord Chaitanya's army thanks for make me part of this army. O master my only wish is to continuously serve you so please be merciful onto me and give opportunity to serve you undisturbed.

Your most fallen eternal servant

Bhakta Raghunath.

All glories to the lotus feet of my Guru Maharaj Srila Prabhupada!

Hare Krishna Movement, Vijayawada taught me how to chant Hare Krishna Maha mantra and I am practicing chanting daily. I started with two rounds a day and the sweetness of chanting mantra, encouragement from prabhujis of HKM Vijayawada made my japa reached to sixteen rounds. But please excuse me Guru Maharaj again I fell down to two rounds to respond to the general problems occurred in my daily life. But I am confident that with your blessings again my japa will be reaching to 16 rounds daily. Please give me that strength and fill my heart with Krishna consciousness. Only because of your grace now my heart responds with joy when I hear the holy names of Sri Nityananda and Sri Gauranga.

I feel that my lifetime achievement is to connect with my Guru Maharaj - Srila Prabhupada. So please accept my thousands of pranams and bless me. So that my way always towards Krishna consciousness.

Dear Srila Prabhupada,

I am from a village background, my father is a farmer and in childhood, I used to listen to Ramayana and Mahabharata from my grandfather. So from childhood I am a devotional person. Even though I joined engineering by the influence of my parents but now I have so many expectations and goals in my life.

One day after completion of college I met one devotee who told about the Hare Krishna Movement, which I felt very interesting. Later I attended sessions which are conducted at Benz circle temple. Then my life changed by following 4 regulative principles, controlling my mind and by these practices I have become spiritually strong and pure. Now chanting is a weapon for me. By chanting "Hare Krishna Hare Krishna Krishna Krishna Hare Hare Hare Rama Hare Rama Rama Rama Hare" my anger, ego, bad thoughts, movies, social media are controlled. Apart from these my communication skill also developed day by day.

After joining this movement I am so much inspired by you and now you are my hero. While reading your books I feel connected to you, accept your instructions and understand how to lead my life successfully. Srila Prabhupada, you mention perfectly about the soul (Atma), Paramatma difference between animals and human beings. Being inspired by your teachings now I am treating every animal as my brother and every woman is like my mother and others money is like sand.

I liked trips and temple cleaning and enjoyment with temple devotees. Thank you for everything.

Dear Prabhupada, I never forget my first interaction with you in my life and the day I reached you in the year 2016 November. From that day with your mercy I'm doing Krishna's service till now, this year you blessed my family with Sri Sri Nitai Gauranga installation through temple devotees. That was a wonderful moment in my life. My home has become Vrindavan with the presence of Sri Sri Krishna Balaram. For an ordinary person like me you have given an opportunity to do abhishekam to Sri Sri Nitai Gauranga deities. This is enough for my life and with this I'm satisfied of having come to human life.

This year I started reading Krishna Book, after this I would like to start Srimad Bhagavatam. I'm chanting as you mentioned, because of that I am enjoying the mercy of Krishna like a small kid who is having the richest Father in the entire creation that is Krishna. In the same way, I'm enjoying with my kid (Krishna) my Nandan to whom Krishna gave life. Bless him to come in your way, to serve Lord. And he is doing a lot of wonders at my home.

I am begging you Prabhupada please make me and my family to advance in Krishna consciousness and kindly permit me to read all your books and make me understand those by your mercy. Ultimately remove us from this cycle of birth and death. Don't leave me here. Please take me to Krishna.

Oh Srila Prabhupada, after reading your books and listening to your classes I realized the importance of spirituality in my life. By reading your books I understood how to do my work and how to remember Krishna while doing our work.

Oh Jagad Guru !!! The transformations that you brought in my life to serve Krishna, made me to learn balance my life in midst of happy and distress, pious and impious deeds. By reading your books my enthusiasm to serve Krishna increased. Chanting Maha Mantra and hearing to it has become part of my life. I am not only reading your books and also giving it to friends and relatives as gifts and encouraging them to read (as part of book distribution program).

Oh Prabhupada, through you I got my spiritual master and also understood how to select spiritual master. With your mercy I could able to participate in Chennai Ratha yatra, Puri yatra and heard pastimes of Jagannath Puri.

Your journey to Newyork that too at the age of 70 to spread Krishna consciousness inspired me a lot. Please make me completely observed in Krishna's service. By having you as my spiritual master I got a path and direction towards

reaching Lord Krishna. I am very happy to inform you that I got the mercy of Krishna in this young age in your form. And I feel I am blessed to have a Guru like you. Your teachings, books made me develop love, care and service attitude towards Lord Krishna.

Chanting, hearing your classes, Kirtana, Maha prasadam, temple cleaning and Nagara Sankirtana are all your blessings to me. While I accept all these completely in my life, I would also like to distribute these things to my family and relatives.

Please bestow mercy upon me so that I will be always available for your service.

Thank you, my guru dev Srila Prabhupada.

Dear Srila Prabhupada,

I started attending Bhagavad Gita classes from past one year. From these classes I learned so many things in spiritual life. After attending classes whole my lifestyle has changed, also developed my personality, self confidence, thinking and so many things in my character. After attending these classes I am also able to guide many of my friends and neighbor about how to worship Lord and could also explain the difference between Gods and Godhead ("KRISHNA"). Every day I am chanting "Hare Krishna" Maha Mantra and spend time for reading books written by you. While I am chanting I feel relaxed, happy and I enjoy rhythm of the sound. While I am reading books also I come across so many unknown facts about me as well as Lord. After attending classes I came to know "what is real happiness in this world" and "difference between the animals and human beings".

Along with Bhagavad Gita classes I also used attend Kirtans, Bhajans and do services like temple cleaning, prasadam serving. And this is the time I like most. At Kirtan time I feel like the Lord Krishna is also with us in kirtans and Bhajans and all around the temple is filled with the happiness. While cleaning temple I feel some different type of happiness, so I very much like to do this service.

By your mercy only I am able to learn so many things. I thank you Prabhupada and also thank all the devotees of Hare Krishna Movement who are guiding me through your teachings.

All glories to His Divine Grace A. C. Bhaktivedanta Swami Prabhupada !

By God grace I came to know the Hare Krishna Movement in Vijayawada in the month of July-2017. Since then I regularly visit temple and listen to their lectures every week. Their teachings which are based on your books are unique in nature and beneficial to the society. I personally experienced the change by following Hare Krishna Movement.

I used to read Bhagavad-Gita As it is every day; which was translated by you. My spirit gets ignited by reading this book. I chant Hare Krishna mantra every day. By doing so, I changed my way of life and perspective towards society.

Thank you Srila Prabhupada.

All glories to His Divine Grace A.C Bhaktivedanta Swamy Srila Prabhupada!

Please accept my humble obeisances.

I hope your blessings will never cease upon me. You and your disciples are the saviors of every human being in danger of materialism. People don't even know about the soul and its existence in their bodies. The mission of your Hare Krishna Movement made many of the people to understand the existence of soul in them via Krishna consciousness. A wonder that, the transcendental vibration of "Hare Krishna" maha mantra transformed hippies as well. The perpetual movement of you can describe your determination of saving human lives in danger.

Your offer to take every devotee to Goloka Vrindavan by just chanting 16 times of Hare Krishna maha mantra is wonderful. I am proud of having a great guru who has ultimate devotion upon Lord Chaitanya or Lord Krishna and taken utmost responsibility to transform every human. Your words are spiritual bullets which will inject as a catalyst to mind, which alerts the spirit soul in every human.

Before connecting to Krishna, one should connect to spiritual guru by listening to his words and by following strict regulations. The process of connecting to guru and following strict regulations will be difficult for beginners. But as we are practicing, the transformation will be for sure. My growth in spirituality is because of the Hare Krishna Movement. With your blessings, I hope that I will be setting up strong roots of spirituality and follow the purpose of life.

Dear Srila Prabhupada,

Before coming in touch with the Hare Krishna Movement I used to go to small temples near to my surroundings. From childhood I am somewhat a devotional person. One day I met a devotee from Hare Krishna Movement, fortunately from him, I attended some classes at Benz circle temple like FOCUS, TIME MANAGEMENT, VARNASRAMA DHARMA, REGULATIVE PRINCIPLES and so on. From 4 regulative principles my life is completely changed. Now I can control my anger easily which was not possible earlier. Actually my mind is also very much controlled nowadays. After doing Mangalagiri temple cleaning I lost my ego totally. This Hare Krishna movement changed my life totally.

Thank you Srila Prabhupada for doing all the arrangements in my life.

Bhakta Yudistira

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet.

In this age of darkness and ignorance, everyone has forgotten his real self and completely misguided by illusion of Maya by accepting himself as this material body. On account of accepting "asat", everyone is completely engrossed in material miseries and anxieties from time immemorial. Thus struggling hard for existence in this material world living entity is suffering life after life, getting more and more entangled in fulfilling desires of this body and others

related to it. Forgetting the real self, we are generating a soul killing Godless society. You being a pure devotee of Lord took compassion on all of us, and showed us the path of blissful life.

As Srimad Bhagavatam states and affirmed by Shri Chaitanya Mahaprabhu, “Most of the people of kaliyuga are fallen and there is no time to elevate them by the gradual process. The best course is that they remain in whatever condition they are in, but, engage themselves in hearing of the activities of the Supreme Lord as explained in Shrimad Bhagavad Gita and Shrimad Bhagavatam, from the lips of realized soul.” Knowing this you had mercifully written so many bonafied books and gave so many lectures. Whenever we feel demotivated, distressed and going astray, we can simply associate with you by sincerely reading your books and hearing your lectures, and that infuses a new motivation, enthusiasm and inspiration to engage in devotional service of Supreme Lord.

I am such a wicked person that I wouldn't have worked for my own benefit, if you wouldn't support me through your books, lectures and devotee association. I have understood the importance of continuously reading books and attending Bhagavatam class. Without proper reading all sort of negativity started residing in my mind, everything seemed faulty, devotional service became burden, pride and anger reached their epitome, resulted in vaishnava offenses and ultimately fallen down. So, I beg you to help and guide me in understanding your books to best of my capacity. Thank you for reciprocating with me when I needed you most. During book distribution service some people didn't allow me, but I felt very nice when same person after knowing about your struggle, ISKCON temple and Akashaya Patra program not only purchased something but enquire about your books such as Bhagavad Gita.

At last I would like to beg your causeless mercy on me and my family, so that all of us surrender unto your lotus feet and serve this mission according to your guidelines, thus making you happy. Kindly help me to become more sincere and serve you honestly with full heart, capacity and without lethargy, by adhering to your instructions. Bless me so that I can engage most of my time in associating with you and other devotees without going astray. Please be with me always and guide me in executing Krishna consciousness and devotional service as per your expectations, and mold me as you like. Please help me in understanding and appreciating this benediction you have bestowed upon me out of your causeless mercy. Thank you for being so caring.

Show your blessings upon me so that my life will be happy and engage me always in Krishna's service.

Every time I see you I feel you are still alive for me, you brought me here to Hare Krishna Movement and you gave opportunity do Krishna's service.

Thank you Srila Prabhupada for everything.

Srila Prabhupada, first and foremost please accept my thousand crores of obeisances unto your lotus feet.

Srila Prabhupada, For every living entity in every life gets material father and mother but getting you as my spiritual master who is in disciplic succession as well as a pure devotee of Lord is considered by me as my great fortune.

Due to ignorance we always accept the body as self, but after reading your book “Science of Self Realization” we understood that we are part and parcel of Krishna and our eternal spiritual nature. After reading “KRISHNA- The Supreme Personality of Godhead” we understood who is Godhead and for whom we have live our life. After reading “Bhagavad Gita” we understood how to live in this material world. After reading Srimad Bhagavatam we understood how to reach Supreme Lord. By reading Chaitanya Charitamruta we understood how Krishna Himself appeared as Chaitanya Mahaprabhu to develop devotion easy way and liberate conditioned souls.

In Bhagavad Gita, I heard woman considered as low birth, even Mahaprabhu after taking sannyasa used to maintain distance from woman. While giving Krishna prema Mahaprabhu is considered as most munificent but I feel you are more and more munificent. Why because now in the whole world woman got an opportunity to worship Sri Sri Radha Krishna only because of your mercy. So on behalf all woman in this world again I would like to offer thousand crore obeisances unto your lotus feet.

In the matter of initiation also you gave clarity about my doubt at Mayapur pushpa Samadhi. Now by giving the association with your sincere followers, you are giving guidance towards advancing in spiritual life.

Srila Prabhupada, You are not only my spiritual master but also a spiritual father. Even saying I am unlimitedly obligated to you, it looks like an insignificant word. I desire you always bestow mercy upon me like this.

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet. All glories to your Divine Grace Srila prabhupada.

Prabhupada while I was reading Srimad-Bhagavatam, I came across uddhava's childhood pastimes narasion ,which as follows

"From his very birth, Uddhava was a natural devotee of Lord Kṛṣṇa, or a nitya-siddha, a liberated soul. From natural instinct, he used to serve Lord Kṛṣṇa, even in his childhood. He used to play with dolls in the form of Kṛṣṇa. He would serve the dolls by dressing, feeding and be worshipping them, and thus he was constantly absorbed in the play of transcendental realization. These are the signs of an eternally liberated soul. An eternally liberated soul is a devotee of the Lord who never forgets Him.

We find similar instances in your life, which indicates that you are a nitya-siddha.

Another instance which similar instance to that of uddhava's s life , which as follows

Bhagavad-gītā (18.55) confirms this: bhaktyā mām abhijānāti yāvān yaś cāsmi tattvataḥ. "Only persons engaged in devotional service can factually know the transcendental position of the Lord." Uddhava was considered to be the best amongst all devotees of that time, and therefore he was directly instructed by the Lord's grace so that people might take advantage of Uddhava's knowledge after the disappearance of the Lord from the vision of the world. This is one of the

reasons why Uddhava was advised to go to Badarikāśrama, where the Lord is personally represented by the Nara-Nārāyaṇa Deity. One who is transcendently advanced can gain direct inspiration from the temple Deity, and thus a devotee of the Lord always takes shelter of a recognized temple of the Lord in order to make tangible advancement in transcendental knowledge by the grace of the Lord.

Just like Uddhava was nitya-Siddha by birth, he was selected by the lord has his representative for distributing his transcendental knowledge, similar Srila Bhaktisiddhanta sarasvati thakura could recognize your nitya-siddha position, At his 1st instance, meet and ordered your to distribute the transcendental knowledge of Lord Sri Krishna .

These two instance are self sufficient to prove your divine position. Like this, there are innumerable instances, which Brings out your Unique Position which can't be replaced by any ordinary person .

O Your Divine Grace! on this day of your appearance, I humbly ask from the Supreme Lord Śrī Kṛṣṇa the benediction of having enough intelligence to remain always under your care

Prabhupāda, please forgive me for the offences that I have committed at your lotus feet and those committed against your devotees.

My dear Spiritual father please accept my humble obeisance's unto your lotus feet. I am totally indebted to your causeless mercy though I am not able to practice devotional service with sincerity and seriousness you are still showering your endless mercy upon this wretched soul to be dvija.

From past two years we could able to see your mercy upon suffering souls has enormously increased through our food program like Subhojanam, Anna Canteen and many more high tech kitchens. I feel proud to be a son of such a spiritual father. Srila Prabhupada, on April 2017 we have launched a monthly magazine "Hare Krishna Vaani" and around 500 subscribers has enrolled from Visakhapatnam. The magazine distribution made me understand how much struggle and pain you might have underwent single handily used to write, print, distribute and collect money for "Back to Home Back to Godhead." I drew entire inspiration from you Prabhupada. Please bless me to distribute more and more magazines.

Now, I am completely dependent upon your mercy please make me progress in devotional path like a servant dog to serve Vaisnavas. Thank you very much for considering me as your son (disciple). Srila Prabhupada, thanking you very much for taking care of my family members. By your mercy I have practically seen how Lord Sri Krishna is maintaining every living entity. My ignorance shattered into pieces by your divine teachings of the absolute truth. Slowly, I am coming out from false bodily attractions. Subtle lusty desires are still haunting me. I need to follow strictly the rules and regulations to get free from false illusions. I am still entertaining my free will for the sense enjoyment. I am not able to attend mangala arati regularly, sometimes I am becoming lazy prabhupada but, the desire to render service unto your lotus feet and lord Krishna till my last breath I don't want to give it up. I beg your pardon not to forgive me for the committed mistakes. Let me face the consequences in this life time itself. Please bless me to face any odd situations.

With your kind blessings, I am able to meet many fortunate souls who are eagerly waiting for the mercy of the lord. It is my fortunate to have such a spiritual master like prabhupada who has descended to this mortal world (Earth Planet) to rescue the conditioned souls and to liberate the surrendered souls to back to home back to godhead.

Through the distribution of Hare Krishna Vaani magazine, I have come across many fortunate souls. Thank you for making me an instrument to render service to you, dear father. Through college preaching some of the sincere souls came in touch with our movement Prabhupada. One of the fortunate soul had a sincere desire to serve our movement and got surrendered. Like this there are many fortunate souls who are rendering service and want to surrender. Please shower your grace upon these fortunate souls. I sincerely beg all the Vaisnavas to pardon me for the offences committed at your lotus feet.

O my beloved spiritual master and eternal father, HDG Abhaya Charanaravinda Bhaktivedanta Swami Srila Prabhupada, Please accept my most humble obeisance on this most auspicious day of Your Divine appearance in this world. All glorious to Your Divine Grace.

O my master, first of all, I would like to express my gratitude to Your Divine Grace for giving this insignificant jiva for one more opportunity for glorifying Your Divine Grace in this Vyasa Puja day. Although I am incapable and don't know proper words to glorify Your Divine Grace still I am trying to put some few words to glorify Your Divine Grace for my own benefit. Because I realized that and also it is a conclusion of all Vedic literature that glorifying a

‘pure devotee’ like Your Divine Grace I can satisfy ‘Supreme Lordships Sri Krishna Chandra’ and also it is all-auspicious to glorifiers like me and the whole world.

Dear Srila Prabhupada, gradually I could see that how powerful are those words are emanated from your lotus mouth and how powerful they are it is like as good as Krishna Chandra's words in Bagavat Gita. I realized that if I simply repeat your words to people in general in satsanga programs or in preaching it penetrate their hearts and some time they come up to me and say that we are gradually transforming in our heart and practicing Krishna Consciousness at our homes and they are giving credit to speaker but they do not know that we are simply instruments in your divine grace hands and we are nothing but your insignificant dust particle in your divine grace lotus feet. Thank you Srila Prabhupada for giving highest knowledge for lowest people like us in this most dangerous age of Kali.

As it is told by our beloved lordships, Goura Sundar, Lord Sri Chaitanya Mahaprabhu, in Chaitanya Charitamruta, after wondering entire universe a Jiva by the grace of spiritual master and by the grace of Supreme Lordships he will get the Bhaktilata bija. If it is so then what qualification I would have possessed I do not know you gave us this Bhakti, it's all your divine grace showering blessings upon this lowly man. Although you showered the highest benediction upon this foolish insignificant lowest Jiva, still I am not able to take full advantage of it because of laziness, arrogance, foolishness, proudness, sense-gratification, etc. Please help me out of this Prabhupada. In one of the Bagavat- Gita purport, you said that, ‘by the grace of spiritual master one can easily practice and follow the regulated principle’ otherwise it is very difficult to overcome Maya. If it is so please show your mercy upon this insignificant Jiva like me as you're showing many millions of people in this world.

Srila Prabhupada, It is, last year, very satisfying year for all Vizag devotees, we started construction for new Akshaya Patra kitchen at our gambiram land to feed in around areas children and one another biggest hit programme in our journey of Hare Krishna movement, Anna Canteens. Although it is a government programme, we are distributing Sri Sri Nitai Gauranga's mercy to the poor people in general throughout Andhra Pradesh. In fact, it is your desire that ‘no one should go hungry within 10 miles of radius from our Hare Krishna temples’. Your wish is fulfilling through your sincere devotees and I saw practically how hard work they are taken up and sacrificing eating and timely sleep, it is my good fortune that serving under those devotees lotus feet. We are really very proud to serve their lotus feet. People, in general, glorifying so much our movement and giving high respect to us. This all due to your divine grace causeless mercy upon us.

But still, somehow it may be unfortunate of kali yuga people we are not able to get a piece of land for constructing a nice monument temple for our beloved Lordships Sri Sri Nitai- Gauranga. I could understand that they are happy with what we are in now but for the people in general for their benefit and increase our sevas or activities we required a nice temple. Please kindly help us Prabhupada in this regard, I know if you desire and your mercy alone can possible everything. In Kali-yuga it is said ‘seeing is believing’, although you have bestowed upon us highest transcendental knowledge people are so much engrossed with sense gratification we are not able to preach or make them realize the things as they are. Maximum people are living like animals and possessing all animalistic propensities. So if we could have a big temple, people will respect our words and take it with little seriousness. Therefore, I feel strongly we need a nice temple but we don't have an idea of that how to make it possible, and we don't know also your plan in this regard, if you think we are eligible to think like this please guide us with right direction for spreading your divine grace glories, it is by your grace everything is possible for our movement.

Srila Prabhupada, please pardon me this foolish man for committing any wrong or sinful things at Your Divine Grace Lotus Feet knowingly and unknowingly. Please give me the strength to practice sadhana and services with seriousness by following regulated principle. So that I can be part of your glorious movement which is spreading your Divine Grace glories. Thank you Srila Prabhupada. Jai Jagatguru Srila Prabhupada.

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to you.

Srila Prabhupada has distributed in the entire world Krishna consciousness. By the order of his guru maharaja in the western world those who were hippies, eating meat, taking alcohol were liberated from the cycle of birth and death. "Prithvete achi jate nagar-adi gram sarvatra prachar hoibe moro nama". By the mercy of guru we get Krishna and by the mercy of Krishna we get a guru. If Srila Prabhupada won't have distributed holy name of God we would not be delivered out of cycles of birth and death.

భక్తివేదాంత స్వామి శ్రీల ప్రభుపాదుల వారి పాదపద్మములకు నా శిరస్సు వంచి నమస్కరిస్తూ మీ శిష్యురాలు రాయునది,

స్వామి నేను ఒకప్పుడు కృష్ణ చైతన్యం లోనికి రాకముందు ఎలా ఉండే దాన్ని ఇప్పుడు ఎలా ఉన్నాను అన్నది ముందు మీకు తెలియచేయాలనుకుంటున్నాను.

ఒకప్పుడు నేను పొద్దున్నే లేచినప్పటినుంచి మరలా పడుకోవటానికి సమయం ఎప్పుడు దొరుకుతుందా అని చూసేదాన్ని. జీవితం అంటే తినడం, పడుకోవడం, డబ్బు సంపాదించడమే అనుకున్నాను. కానీ ఇప్పుడు నిజ జీవితం అంటే ఏమిటో తెలిసింది. ఉదయం లేచిన దగ్గర నుండి జపం, భగావత పఠనం, మందిర సేవలు అలా పూర్తిగా చేసుకోవాలని ఆలోచిస్తున్నాను.

ఒకప్పుడు ప్రతి వస్తువును నా ఇంద్రియ తృప్తికి ఎలా వాడుకోవాలో అని చూసేదాన్ని, కానీ ఇప్పుడు ప్రతి వస్తువు కనిపిస్తే అది భగవంతునికి ఎలా కనెక్ట్ చేయాలో ఆలోచిస్తున్నాను.

ఒకప్పుడు నా స్వార్థానికి కొంచెం పని చేసి అలసటగా ఉండేది, కానీ ఇప్పుడు భగవంతునికి ఎంత సేవ చేసినా ఎటువంటి ఇబ్బంది లేదు పైగా మనసుకి ఎంతో సంతృప్తిగా సంతోషంగా ఉంది. ఇంకా ఎక్కువ సేవ చేయాలని

ఉంటుంది నాలో ఈ మార్పుకి కారణం మీ దయ, మీ భక్తుల యొక్క సత్సంగం. ప్రభుపాద మీ కృపవలన భాగవతం పూర్తి చేయగలిగాను. ఈ సంవత్సరంలో చైతన్య చరితామృతం పూర్తి చేయగలిగే శక్తిని ప్రసాదించు స్వామి.

వారానికి ఒకరోజు పుస్తక వితరణకి వెళ్లాలనుకుంటున్నాను.

సంవత్సరానికి ఒకసారి బృందావనం వెళ్లాలని ఉంది. దానికి మీ ఆశీస్సులు, radha rani ఆజ్ఞ ఉంటే సాధ్యమవుతుంది. జపం చేసేటప్పుడు ప్రతి నామాన్ని వినే శక్తిని ప్రసాదించండి స్వామి. మనస్సు కుదురుగా భగవంతునిపై పూర్తిగా నిమగ్నం అయ్యేట్లు చూడండి స్వామి. స్వామి నేను నాలుగు నెలల నుండి సంకీర్తన నేర్చుకుంటున్నాను. ప్రభు మాకు ఎంతో భక్తిగా నేర్పిస్తున్నారు. కానీ నాకు సరిగ్గా రావడం లేదు అది కూడా నా మంచికే అనిపిస్తుంది. అందువలన ఎక్కువ సమయం సాధన చేయగలుగుతున్నాను. భగవంతుని నామాన్ని ఎక్కువసార్లు తలుచుకునే అవకాశాన్ని కల్పించారు. ప్రభుపాద, మా ఇంట్లో నిత్య గౌరాంగ ల సేవ చేసే అవకాశాన్ని కల్పించినందుకు సదా మీకు రుణపడి ఉంటాను.

Dear loving father Srila Prabhupada,

Please accept my prostrated humble obeisances unto your grace lotus feet. I am feeling very grateful for giving me this opportunity to praise your glories on this very awaiting and auspicious appearance day celebrations, which your disciples have been trying to spread all over the three worlds throughout their life.

No word from entire vocabulary of all languages in the world can be a synonym for your noble attitude. Being merciful to all conditioned souls like us in this material world, you yourself came from 'goloka Vrindavan', which was our lost home. In trying to elevate us, you have undergone lots of severe pains and austerities. Lord Sri Krishna Chaitanya Mahaprabhu made all the animals in Jharikanda forests to dance and hug each other upon hearing the holy names from his all-powerful mouth. Similarly, your grace being appointed as Mahaprabhu's bonafide representative by your guru maharaj, made many animals like less intelligent souls who got captured in dense forest of material life, to sing and dance like madmen with powerful congregational chanting of the holy names of the supreme lord.

Srila Prabhupada, I have been committing innumerable offenses towards holy name, services and vaishnavas repeatedly, even after taking your continuous instructions from your books and lectures. Such a dreadful tendency is not desirable even in a common man, what to speak about a full time missionary. Please give me strength to cut such ever growing weeds. I beg you to give me a helping hand in my spiritual life so that I can concentrate on my responsible services rather than simply eating and sleeping. Apart from Adyatmik klesas, there is a continuous haunt of adibautik klesas in the form of diseases and family implications. Please save me.

Finally, I want to thank you Prabhupada, for giving me a wonderful opportunity of feeding our lordships, Sri Sri Nitai Gauranga, in whatever level I am. I will improve myself to satisfy our lordships, your grace and all my visakhapatnam vaishanva brothers, with delicious prasadam.

Aspiring for your grace's drop of mercy,

Shyama Madhava Dasa

Respected Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet on the auspicious day of your appearance day.

I have been in touch with the Hare Krishna movement for almost 8 years. I am very grateful for your compassion in getting the initiation nearly three and a half years ago. Please be always merciful on your fallen servant for all Vaishnava aparadha of my greed and anger. Please give me the strength to progress in spirituality especially chanting the holy name attentively and daily routine Krishna Service.

Dear Srila Prabhupada,

I prostrate unto the dust of your lotus feet on this most auspicious day of your appearance.

Srila Prabhupad, it is been a tenth year that your continuously showering your mercy on me.

As the years go by, it is becoming more and more clear that you are one of the most merciful entities that has come into this world during this present age. Please allow me to thank you so much for your great compassion and especially for your wonderful disciples and allow me to submit formally this abbreviated offering.

Srila Prabhupada, Sri Chaitanya Mahaprabhu empowered you to achieve something that is greater even than His own achievement, for which He is glorified as “the most munificent.” That empowerment alone is the greatest proof of your inconceivable glory. Although I do not know how Krishna consciousness will literally spread to every town

and village, I do not have the slightest doubt about the eventual fulfilment of the Lord's prediction. I am convinced that that will be the way Krishna will make the entire world recognize your real greatness. I sincerely pray to Sri Chaitanya Mahaprabhu that I can become an insignificant instrument in executing that plan.

Srila Prabhupada, on this most important day, the anniversary of your divine appearance, please bless me so that I can always remain absorbed in planning how to execute your divine instructions under the guidance of my authorities.

Dear Srila Prabhupada,

Because of your unlimited causeless mercy on me I have been able to continue in devotional service though I am materially and spiritually Qualified.

All of my services, be it chanting, kirtan, fund raising, or book distribution etc., my goal or focus should be to please you. Krishna is pleased if you are satisfied and you will be pleased if I follow the instructions given by you for serving Krishna.

Thank you Srila Prabhupada for continuing to keep me engaged in your mission and for always inspiring and guiding me through your followers.

Srila Prabhupada please give me the strength to follow four regulative principles, chant Hare Krishna Mahamantra minimum 16 rounds, following my spiritual authorities. Also, bestow seriousness to read your books on a daily basis.

On this auspicious day, I beg you for purity. Please protect me from gross and subtle traps of Maya. Only by you're I can be situated in the internal energy of the lord.

Mukham karoti vācālam paṇḍitāṁ laṅghayate girim yat kṛpā tam aham vande śrī-gurum dīna-tāraṇam

"I am offering my respectful obeisance's unto the spiritual master by whose mercy a dumb man can become a great speaker and a lame man can cross over a mountain, and whose thus delivers all fallen souls."

Respected Srila Prabhupada,

Please accept my prostrated humble obeisance's unto your lotus feet on the occasion of your 122nd divine appearance day. Prabhupada kindly accepts the small offering of your fallen disciple on this auspicious day. 11 years passed in Krishna Consciousness Prabhupada. In this 11 years in your Movement so many times I felt that I am fortunate to be in your shelter. This is because of your causeless mercy I am into this movement Prabhupada. It is said in the Chaitanya Charitamrita:-

brahmāṇḍa bhramite kona bhāgyavān jīva guru-kṛṣṇa-prasāde pāya bhakti-latā-bija

"According to their karma, all living entities are wandering throughout the entire universe. Some of them are being elevated to the upper planetary systems, and some are going down into the lower planetary systems. Out of many millions of wandering living entities, one who is very fortunate gets an opportunity to associate with a bona fide

spiritual master by the grace of Krishna. By the mercy of both Krishna and the spiritual master, such a person receives the seed of the creeper of devotional service.”

Prabhupada whenever I hear this sloka I feel that I am also the fortunate soul, that is the reason why I came in touch with your Divine Grace 16 years back. It is a memorable moment in my life. Many times I felt like this Prabhupada. In my past before joining Krishna Consciousness I have been brought up spiritually like going to temples with my parents, having darshan of the Lord and taking prasadam. I used to have so many doubts regarding spirituality. But all my doubts were answered after coming in touch with your Divine Grace. The meaning to spirituality is totally changed after coming to Krishna Consciousness.

Being so fortunate by coming in touch with Krishna Consciousness I want to make the best use of this life to reach my ultimate goal that is to go back to Godhead. In order to reach my destination, there are certain do's and don't's given by you Prabhupada. Prabhupada I beg you to give me strength, energy to follow your instructions enthusiastically and do services to the best of my ability for the pleasure of their Lordships Sri Sri Nitai Gauranga.

Yasya prasada Bhagavat prasado yasya aprasada na gati kutopi.....

If you are pleased Prabhupada, Krishna is pleased, if you are not happy then Krishna is not happy. So Prabhupada I humbly request you to always please guide me in my services so that I can please you Prabhupada and by which Krishna is pleased.

Prabhupada one desire which was pending from many years is the temple for Hare Krishna Movement, Visakhapatnam. Devotees are struggling hard to get land to build an iconic temple in Visakhapatnam for the pleasure of their Lordships by your divine grace. But somehow, we couldn't able to get land. This year we are desperately looking for land and Prabhupada I humbly beg at your lotus feet on your divine appearance day to kindly bless the devotees of Hare Krishna Movement and sanction land for the construction of the temple.

Prabhupada finally makes me an instrument in this process of getting land and construction of the temple.

Thank you.

My Dear Spiritual Father,

Please accept my humble obeisance's unto your Lotus feet. All glories unto Your Divine Grace.

Thank you Srila Prabhupada for showering your mercy upon this most wretched living entity. If not for Your Divine Grace, I would simply be rotting in this material world life after life. On this most auspicious occasion, I pray to give me strength, for not forgetting Your Lotus feet under any condition or circumstances.

This entire material world is running on the wheels of sense gratification, mistaking false & transient sense enjoyment as the real and only happiness one can get. But, Your Divine Grace has shattered the ignorance of the Kali-Yuga fallen creatures and gave us a chance to know and taste what real happiness is. I am waiting for that day when my heart will be removed of this intense and deep attachment to sense gratification and be instead filled with strong desire to simply serve your Lotus feet. It is only possible by Your Divine mercy, Srila Prabhupada.

Your glories are unlimited, Srila Prabhupada and I simply wish my consciousness to be immersed in them. What is more magnificent, than the act of transforming the people who are completely immersed in sense gratification to ones who strictly follow the four regulative principles?? What is more wonder-striking than the act of making people go mad after God, who earlier in their lives never believed in God?? All of these miracles are simply made possible by your unlimited mercy, Srila Prabhupada. My aspiration is to simply fill my mind with the nectar of your transcendental pastimes, Srila Prabhupada.

I thank you very much Srila Prabhupada, for keeping me under the shelter of devotees, even though I have drifted away. But I feel intense desire to join your army and serve you within the association of devotees. If you desire so, please bestow me with that benediction.

Aspiring to be your faithful dog,

All glories to Divine Grace A.C. Bhaktivedanta Swami Srila Prabhupada, my spiritual master! I bow at your lotus feet. Please accept my pranams. I am an ignorant person trying to express my boundless gratitude towards you who has transformed my life to reality. Earlier, I do not have any knowledge of supreme God and totally caught up in this worldly affairs enjoying the unlimited sensual pleasures. With your most magnificent spark of vision, my destiny has changed and is now heading towards transcendental world. I feel myself so lucky that, I got an opportunity to seek your blessings and get connected to HKM, a divine store house full of true wisdom . As everyone knows, Lord Krishna is omnipresent, omniscient and is pervading in each living entity's heart, but I realized this after visiting to HKM. This is a place, which connects everyone to Lord Krishna. This whole glory goes to you for providing me such a nice shelter of ultimate joy. I experienced the power of chanting the Mahamantra and forgetting myself in sankeerthan. With my limited knowledge, I believe that participating in sankeerthan is the best way to remove all sinful, evil and painful thoughts from the mind in a fraction of time and feel blessed. I got wonderful opportunities to visit the holy places as a FOLK boy. The experience is amazing and limitless. It cannot be explained with words, but those are the best moments of my life. Another exciting part of my journey with Krishna is -- getting associated with his devotees, sharing their experiences, advices, discussions which are really enlightening. I read every day the quotations spoken or written by you and do chanting. And I think...This is my success and I feel so happy for this. I pray you to pour your blessings on me that I shall always stay under your shelter. I feel myself the luckiest, for connecting with the devotees who follows the path of Krishna consciousness (that is developed by you) . Once again I bow at your pious feet to give me such a wonderful life under Krishna's shelter without which my life has no meaning and is useless. All glories to you, Srila Prabhupada... Hare Krishna..

Dear Spiritual Master,

I Offer My Humble Obeisance's un to your lotus feet. Prabhupada i am Very fortunate that I am staying in your shelter from one year. It is really true that when a rain drop fell in Oyster it becomes pearl. Likewise many Changes came in my life. Your words erased confusions in my mind about faith on Supreme Personality of Godhead. By your grace I am habituated to very good habits. I came in to a peaceful world which taught difference between material works and devotional services. When a stone is carved by sculpture it becomes statue, when a creeper gets adorned it becomes a canopy. After realizing these truths I am using my heartfelt arts for the devotional service of Krishna, the ultimate. By your blessings, I learnt mridanga and kartaal and also many vaishnava kirtans, performed many skits based on your stories.

Please give strength to go forward in spirituality. Give some mercy to my family members of this life because they have to realize "Aham Brahmasmi." Please give blessings to achieve my material goals, good job in my field as I am completing my graduation. Prabhupada You are the ocean of mercy, please help me to reach my home town Goloka Vrindavan.

Please accept my plea flowers.

ఓం నమో భగవతే వాసుదేవాయ

హరే కృష్ణ ప్రభూ !

నేను 2 years నుండి వస్తున్నాను. హరేకృష్ణ మంత్ర జపం సదా చేస్తున్నాను. " భగవద్ గీత " పారాయణం చేస్తున్నాను. అపుడప్పుడు "గీతా " ప్రవచనం మా " యోగా " తరగతులలో శివాజీ పార్కులో చెబుచున్నాను. మా ఇంటి దగ్గర మా శ్రీమతి భానుమతి గారు కూడ జపమాలతో మంత్ర జపం చేస్తున్నారు.

ముఖ్యముగా నిరుద్యోగి అయిన మా అబ్బాయి చేత దీక్షగా ఉదయం, సాయంత్రం '2 ' పూటలా మంత్ర జపం చేయించాను. 38 వ రోజు ఒక అద్భుతం జరిగినది. అతనికి మంచి ఉద్యోగం వచ్చినది. ప్రభుపాదుల వారు మాకు భగవదానుగ్రహం (శ్రీ కృష్ణ అనుగ్రహం) కలిగించారు.

ప్రతీ ఆదివారము భగవత్ గీత ప్రవచనం శ్రద్ధగా వింటాను. శ్రీ కృష్ణ సేవా కార్యక్రమములలో పాల్గొంటాను. నా మిత్రులను కూడా శ్రీకృష్ణుని పట్ల భక్తి కలిగించి వారిని ఇక్కడకు వచ్చేటట్లు చేస్తుంటాను. ప్రభుపాదులవారికి ఇష్టమైన " పుస్తకవితరణ " ఒకసారి చేసి ప్రభువుల వారి ప్రసంశలు అందుకున్నాను. నా విస్వాసం ఏమంటే "ఆకాశము నందు వాయువు ఉత్పత్తి అయి సమస్త లోకాలునందు సంచరించి ఆకాశమునందే ఇమిడియున్నట్లు, ఈ సమస్త లోకాలు అతనినుండే ఉద్భవించి, అతనియందే సంచరించి, చివరకు అతనియందే లీనమవుతున్నాయన్న యదార్థాన్ని గ్రహించాను. కావున సమస్త లోకాలకు ఈశ్వరుడైన శ్రీకృష్ణ పాదారవిందములకు అందరు శరణాగతులు అయినట్లయితే ఆ పరందామము చేరి జనన మరణ చక్రమునుండి బయటపడి తిరిగి జన్మ లేనిలోకానికి చేరుకొంటాము." పునర్జన్మ న విద్యతే " .

Respected Srila Prabhupada Garu,

Hare Krishna,

It's a very good experience and I am thankful to the Hare Krishna movement, Vizag.

Every time when I attend the Sunday evening class, I feel that my thoughts have completely changed to positive side of life. First time, I came to HKM Vizag during Happiness Programme. From that time I came to know everything in our life what we searching is within our self. Stories and examples provided during Sunday evening class are very motivated and able to survive life without negative thoughts.

And also I have started chanting at least one time without fail. I feel very happy by chanting. After coming to Sunday evening class, I have started studying Bhagavad gita As it is, written by Srila prabhupada. Study and listening of Srila Prabhupada books and classes in YouTube are changing my life every day.

Thanks to this Hare Krishna movement, I am very proud to be the devotee of Krishna.

శ్రీల ప్రభుపాదులు వారి పాదపద్మములకు సాష్టాంగ ప్రణామము చేస్తూ బసవరాజు కృతజ్ఞతాపూర్వకంగా విన్నపము,

శ్రీల ప్రభుపాద, నేను గత ఆరు సంవత్సరముల నుండి మీ శిష్యులతో, మీ సంస్థతో అనుబంధము పెంచుకుని మీ అనుగ్రహంతో ఆధ్యాత్మికంగా చాలా ఎదిగాను. మీ సంస్థ చేస్తున్న అనేక ఆధ్యాత్మిక సేవా కార్యక్రమాలలో పాల్గొని సేవచేసే అదృష్టం నాకు కలుగుతుంది. గతజన్మలో చేసిన పుణ్యమో లేక ఈ జన్మలో మీరు చూపించిన జ్ఞానం మార్గమో తెలియదు కానీ నాలోని మానసిక దౌర్బల్యం, అసూయ పూర్తిగా నశించాలి అని అనుకుంటున్నాను. ఈ శరీరంలో ఆత్మ ఉన్నంతకాలం మీ శిష్యులకు, మీ సంస్థకు సేవ చేయాలని కోరుకుంటున్నాను ఎందుకంటే నా వయస్సు 69 సంవత్సరములు. ఈ వయసులో నేను దీక్ష తీసుకోలేనమో అని అనిపిస్తుంది. మీరు నిర్దేశించిన నాలుగు నియమాలు పాటిస్తూ క్రమం తప్పకుండా రోజూ 16 మాలలు హరేకృష్ణ మహా మంత్రం జపిస్తున్నాను. కానీ మంత్రం జపం చేస్తున్నప్పుడు నా మనసును కుదుటపరచుకులేకపోతున్నాను. ఆ ఏకాగ్రత మీరే ప్రసాదించాలని పేరాధిస్తున్నాను. గత కొన్ని నెలలుగా నేను మంగళహారతి, గురు వందనం, శ్రీమద్భాగవతం క్లాసులకు హాజరు అవుతున్నాను. నా కుటుంబీకులు అడ్డు పలికిన నేను మానలేకపోతున్నాను, ఎందుకంటే ఆత్మ ఈ శరీరాన్ని ఎప్పుడు వస్తుందో తెలియదు కదా. ఈ అవకాశం రేపు వస్తుందో రాదో మరి. ఏరోజైనా హాజరు కాకపోతే నాకు చాలా దిగులుగా ఉంటుంది.

ప్రభుపాద సంతానం మీద, బంధువుల మీద నాకు చాలా అసహ్యం కలుగుతుంది. వారి ప్రవర్తనలు అసలు నచ్చడం లేదు. అందరమూ ఎప్పుడో ఒకరోజు వీటన్నిటినీ వదిలేయాల్సిందే కదా. గతజన్మలో నేనెవరినో, నాకు ఏ దేహముందో తెలియదు. వచ్చే జన్మలో ఈ ఆత్మ ఈ శరీరాన్ని పొందుతుందో తెలియదు. భగవంతుడు ప్రసాదించిన ఈ శరీరాన్ని విలాస విందులకు బానిస కాకుండా మీ సేవలో ఉపయోగించుకోవాలని కోరుకుంటున్నాను.

శ్రీ గురుదేవ మీ పుస్తక రచనలు పదేపదే చాలా చదివాను. అవి ఎంతైనా ఆత్మజ్ఞానాన్ని మేల్కొలిపేట ఉంటాయి. మీ శిష్య బృందంతో శ్రీ బృందావన ధామం, మధుర శ్రీ ధామం తీర్థయాత్రలకు వెళుతుంటే ప్రతి మనిషిలో ఆధ్యాత్మిక పరివర్తన కలుగుతుంది. నా పరివర్తనకు ఇదే స్ఫూర్తి. ఆ మహిమాన్విత ప్రదేశాలలో ఎక్కడైనా ఉండి ఈ దేహాన్ని విడిచి పెట్టాలని కోరుకుంటున్నాను. భగవంతుడు నాకు మరల మానవజన్మ ప్రసాదిస్తే మీ శిష్య బృందంతో కలిసి ఎన్ని జన్మలైనా మీకు, మీ సంస్థకు సేవ చేయాలని కోరుకుంటున్నాను. ఎందుకంటే మీ శిష్యులు మీకు, ఆ భగవంతునికి అహర్నిశలు అన్ని సౌఖ్యాలను అనుబంధాలను అన్ని కోరికలను త్యాగం చేసి కేవలం భగవంతుని ప్రసాదాన్ని స్వీకరిస్తూ ఎంతో సేవ చేస్తున్నారు. ఇలాంటి మహాసేవ భాగ్యం మానవులలో కొద్దిమందికే దక్కుతుంది, అది కూడా మీ పరిపూర్ణ అనుగ్రహం ఉంటే తప్ప. అందుకే నేను వచ్చే అన్ని జన్మలు అలాంటి వారికి సేవ చేయాలని కోరుకుంటున్నాను. దానికి మీ అనుగ్రహం, భగవంతుని అనుగ్రహం ప్రసాదించమని కోరుకుంటున్నాను.

ఆరు నెలల క్రితం ఈ అక్షయపాత్ర కి వచ్చినప్పుడు నాకు ఏమీ తెలియదు నేను ఎవరిని అని ఆ తర్వాత శ్రీల ప్రభుపాదుల వారి ఆశీర్వాదంతో మరియు ఇక్కడ ఉండే భక్తుల దగ్గర నేను ఎవరిని అనే విషయాన్ని మరియు చాలా ఎక్కువ విషయాలను నేర్చుకున్నాను. మొదట్లో నాకు మానసిక ప్రశాంతత ఉండేది కాదు. ఎందుకంటే మంచి జాబ్ రాలేదని కానీ ఇక్కడికి వచ్చిన తర్వాత నాకు మానసిక ప్రశాంతత వచ్చింది. మరియు ప్రతి జీవితో ఉండే జీవాత్మ ఉంటుంది అన్న విషయాన్ని ఇక్కడ ఉండే భక్తుల ద్వారా తెలుసుకున్నాను. ఈ బాడీకి మరణం ఉంటుంది కానీ ఆత్మకి కాదు అన్న విషయాన్ని తెలుసుకున్నాను. కొన్ని డివోషన్ సర్వీసులో పాల్గొనడం వలన చాలా మానసిక ఆనందం ప్రశాంతత పొందాను.

ప్రతిరోజు కూడా ఒక రెండు మాల జపం చేస్తున్నాను చాలా ఆనందంగా ఉంది. ఇక్కడ ఉండే భక్తులు నాలో ఉండే అజ్ఞానాన్ని తొలగించి చాలా విషయాలు నాకు నేర్పారు. శ్రీవారి ఆశీర్వాదంతో నాలో చాలా మార్పు వచ్చింది. ఇలాగే శ్రీ కృష్ణ భగవానుడు మరియు శ్రీల ప్రభుపాద మరియు శుద్ధ భక్తులు ఆశీర్వాదం ఎప్పుడూ ఉండాలని కోరుకుంటున్నాను. ఇంకా ఎక్కువ డివోషన్ సర్వీస్లో మరియు టెంపుల్ సర్వీస్ చేయడానికి నాకు

శ్రీకృష్ణపరమాత్మ మరియు శ్రీల ప్రభుపాదులు వారు బలాన్ని మరియు జ్ఞానాన్ని ఇవ్వాలని అర్థిస్తున్నాను. ఈ జీవితాంతం ఎన్నటికీ కూడా శ్రీకృష్ణ పరమాత్ముని మరియు శ్రీల ప్రభుపాద వారిని ఎన్నటికీ మరవకుండా ఉండే బుద్ధుని ప్రసాదించమని కోరుకుంటున్నాను.

Dear Srila Prabhupada,

Please accept my humble obeisance unto your lotus feet.

Srila prabhupada, kindly bestow your causeless mercy on this wretched soul, so that I can become a worthy disciple. I was in the darkest ignorance and you have opened my eyes with the torch of your knowledge. By following four regulating principles, chanting HARE KRISHNA maha-mantra and reading your books I am able to lead a happy life. You gave me opportunity to serve Krishna by attending mangala arathi. You gave me FOLK hostel, by this we can do spiritual practice and honor nice prasadam, attend mangala arathi, chanting, etc.

Prabhupada please bless me to overcome the attractions of this material world.

Respected Gururji Prabhupada,

ISKCON, started by you is really a great organization, which turns the mind of all human beings. Association with Hare Krishna Movement will keep the balance of mind, and turns towards devotional concept. Your great books and literature there in, if read carefully, reveals the purpose of human life in its true spirit. Personal problems of all humans are very insignificant, when compared to the real purpose of human life. Your books of Bhagavatam and Bhagavatgita are very sacred and show the true path for human mind. If all human beings follow, there will not be any hatred in the society and all humans will act as wished by god. No human being will see god by himself and association with the devotional movement started by you, will have the path for god consciousness and ultimate realising god, in this birth or in the coming births. Your service to mankind are memorable. With all respects.

పీరియమైన గురువుగారికి నేను వీరాయునది ఏమనగా,

నేను మీ నుండి చాలా విషయాలు నేర్చుకున్నాను. ముందుగా చెప్పాలంటే ఛాంటింగ్ చేయడం చాలా మంచిది మరియు chanting చేయడం వలన మనము మెదడు నీ కంట్రోల్ చేసి కేవలం కృష్ణ వైపు దృష్టి పెట్టడం వలన మనం ఛాంటింగ్ చేసుకోగలుగుతాం. ఛాంటింగ్ అన్నది మన మెదడు ని కంట్రోల్ చేస్తుంది. అందువలన మనం ఛాంటింగ్ చేయాలి. ఈ మంత్రం వెరీ పవర్ఫుల్.

హరే కృష్ణ హరే కృష్ణ కృష్ణ కృష్ణ హరే హరే

హరే రామ హరే రామ రామ రామ హరే హరే.

మీరు చెప్పిన నాలుగు నియమాలు పాటిస్తే భక్తుడిగా మారుతారు. జపం చేయాలి. మాంసభక్షణ చేయకూడదు. జూదం ఆడకూడదు. తైంగిక సంబంధం పెట్టుకోకూడదు. ఈ నియమాలను పాటించాలి. నేను శాశ్వతం కాదు అని తెలుసుకున్నాను ఇక్కడ నేను అంటే శరీరం కాదు. ఆత్మ అని అంటే అహంబ్రహ్మాస్మి అని తెలుసుకున్నాను. నాకు ఇక్కడ బాగా ఆకర్షించింది నామసంకీర్తన, హరేకృష్ణ మహామంత్రం అండ్ శ్రీల ప్రభుపాద books. నాకు తెలిసిన విషయం ఏమిటంటే శ్రీల ప్రభుపాద బుక్ లో అద్భుతమైన జ్ఞానం ఉంది. నేను పదో తరగతి లో ఉన్నప్పుడు ఈ పుస్తకాన్ని కొన్నాను నన్ను ఇంతవరకు తెచ్చింది అని నేను అనుకుంటున్నాను ఇక్కడికి వచ్చిన తర్వాత బాగా వచ్చినవి హరినామ సంకీర్తన సాంగ్స్ శ్రీల ప్రభుపాద books సర్వీస్. Respected Srila Prabhupada,

Please accept my humble obedience unto your divine lotus feet.

It was only because of your causeless mercy i entered into a spiritual path. Without your mercy i would have rotten in this material world in a chase of maya. You are the one who showed me the light in to the spiritual path and gave me the energy to fight against maya and you are the one who made me to know about the powerful Hare Krishna maha mantra and you made me to chant the mantra which made my life completely changed.

Regarding this i had some personal experience two years back my father fell sick and joined in a hospital, i went to hospital to take care of him during the midnight doctor asked me to bring blood as it was emergency, i was new to that place. I don't know where the blood bank is and somehow i managed and reached the blood bank then i came to know i have to give replacement for blood and my age is not sufficient for that at last he agreed to take my blood and he took my blood and asked me to wait for ten minutes, after 30 minutes he came out and told that the microscope is not working and the new one is at store and it takes six hour to bring it and fix it i can't do anything, by that time it was around 1.30 am then I was in a hopeless situation i dont know what to do. Without knowingly i started to chant "hare krishna hare krishna krishna krishna hare hare" "hare rama hare rama rama hare hare" where I came to know this mantra by Hare krishna movement who are taking classes of bhagavadgita in my college. I chanted for two minutes he suddenly went inside and i continued to chant exactly after five minutes he came out and told me to wait and i continued chanting after ten minutes he came with a packet of blood and handed it to and said that i was lucky they had a old microscope which they are not using and he replaced the damaged part of present microscope from the old one without you i wouldn't came to know maha mantra by chanting this mantra i got confidence and by listening this mantra the blood bank person got wisdom. I know you are the person who made me to chant and you are the person who gave me spiritual energy only because of you i chanted that mahamantra, there from that moment many wonders happened on next three days by morning my father recovered and next day i have semester exam I didn't even prepared for that. Just i attended the exam and i got passed. Only because of you i faced the situation which made me much closer to krishna.

Thankyou prabhupada for showing me a path where there is no path. I humbly pray at your lotus feet to kindly show your mercy upon me and please remove all the false pride in me and make me humble. Please give me strength

to serve the holy name daily and please forgive me for all the offences that i do either knowingly or unknowingly unto your lotusfeet, Holynome and all the devotees.

Prabhupada please keep me under your shelter eternally...

పూజ్య శ్రీల ప్రభుపాదుల వారికి నా గౌరవపూర్వక ప్రణామములు తో జుగల్ కిషోర్ వరాయునది.

నేను హరేకృష్ణ మూవ్మెంట్ మందిరానికి వచ్చి ఐదు సంవత్సరములు అయినది, నాలుగు నియమాలు పాటిస్తూ 16 మాలలు చేస్తున్నాను. ఆదివారం రోజు సత్సంగానికి రావడం వల్ల నా మనసు సంతోషంగా ఉంటుంది. అనవసరమైన మాటలు తగ్గించుకున్నాను.

కుటుంబ బాధ్యతల వల్ల రోజు దృశ్యం హారతి కి రాలేకపోతున్నాను. నాకు చాలా బాధగా ఉంది. ప్రతిరోజు దర్శనానికి వచ్చే భాగ్యముకల్పించవలసిందిగా ప్రార్థించుచున్నాను.

ప్రస్తుతము భగవద్గీత చదువుచున్నాను. Dear Srila Prabhupada,

Please accept my humble obeisance unto your lotus feet. In my past one year ashram life, I got to learn so many things like kirtan, devotee association, ashram life, new realisations and handling difficulties in spiritual life. Still I am just a neophyte and trying to learn more and more regarding services, devotee association, following principles of devotional service.

In past one year, I have gone through many sufferings including adhyatmaik, adibhautik klesa's and I have loosed my faith in those times but still you have always saved me in those circumstances and gave me new realisations and learning's to handle such difficulties.

By your causeless mercy I am able to continue my devotional service in this movement and may your causeless mercy will continue to bestow over me. May I continue to do devotional service till my last breath. May I able to please you by rendering services in your movement. May I become your eternal servant. May I become Pure by following your instructions and never deviate even one inch in following them. May I get attached to your instructions and take them serious as my life and soul and become your sincere disciple.

My desire is to follow your instructions to the best possible extent but sometimes due to circumstances or due to bodily forces and due to my past misdeeds, I could not able to follow them, but I desire to follow them completely, so I pray unto you that may I able to follow your instructions completely. Please give me strength to follow them.

Sometimes, I got disturbed by some thoughts, which repeatedly comes into my mind and gives me extreme anxiety and pain. At that time I get bewildered and disturbed. Due to these sometimes my devotional service gets affected and many negative feelings come into my mind. So I pray unto you, that may I get shelter at your lotus feet and I get never loose faith and get disturbed in Krishna conscious by anything. May I become your sincere servant and pour devotee in this life itself.

I want to say my heartfelt thanks for everything that you have given to me including transcendental knowledge. Actually you have bestowed your causeless mercy over me by giving transcendental knowledge of Krishna, devotee association, allowing me to stay in your transcendental mission, and in many other ways. May I always remember your gratefulness toward me and never forget it in my life.

At last I want to request forgiveness for all my offences that I have committed knowingly or unknowingly towards you and your disciples. May your disciples also forgive me for my offences towards them.

Your insignificant servant Bhakta Kamal

Bhakta Karthikeya Raju Vysyaraju

My Dear Spiritual Master Srila Prabhupada,

Please accept my humble obeisance's. Prabhupada, you have created vast and glorious society.

As I chant Hare Krishna mantra, I realize that this was your gift to me. I have read your life history in one book. And the struggles you have faced and how you overcome and attained the Krishna conscious, I like the most and the way you have spread Krishna conscious through Hare Krishna Movement. I like the mid-day meal feeding program run by our devotees of Akshaya Patra Foundation. Because it is serving food to many people who are in need and deed, and you have taught me how to maintain discipline.

I like the Bhagavat Gita and the most delicious Prasadam. The distribution of prasadam to huge amount of people is a great idea and it is a difficult task. The hostels you provide taught me how to grow in life and I love the intention of developing many people by Krishna conscious and I can learn many things from you.

Thank you prabhupada.

Your servant,

Bhakta Karthikeya raju vysyaraju.

Bhakta Kasi

Dear Srila Prabhupada,

Thank you Prabhupad for coming to this world and made many people happy including me. First of all I am not eligible to write Vyasa puja Offering for you as I am the most fallen soul among your servants, but out of your causeless mercy you have given me everything to write Vyasa puja Offering to you. Thank you Prabhupad. Srila Prabhupad I was influenced in my life very much due to you. For example if I want know about anything which I don't know I would like to type in Google like "Srila Prabhupad on movies or like Srila Prabhupad on Sex" because you give the best answer. This is your influence on me Prabhupad. Whatever I am doing I used to took you as the reference for everything.

Whenever I used to ask a question to you, you are giving the answer. That is not different reciprocation which you give to everyone but the difference is that whenever I am asking a question you are giving me the greatest gift on the next day or very fast i.e entire Bhagavatam class is my answer. When I say it is entire it is entirely for me Prabhupada, every word is related to my question Prabhupad. In my first year of Krishna consciousness by seeing the boys in Abishekam service I thought this service is only for experts and I desired for that service. Out of your causeless mercy you have given me that service even though I am not at all qualified.

Many people are being influenced by your words and your activities. Some of the situations I faced regarding you I would like to explain to you Prabhupad now. Recently my friend has told me that He likes Srila Prabhupad. I got shocked because he don't know much about Krishna consciousness and that to he chant once in a blue moon. He likes Politics very much. I asked him why you like Srila Prabhupad. Then he told me that It is very difficult to do a good task in the society in this age and that too regarding a task to change the world. There will be so many disputes, quarrels and anti parties, but see Srila Prabhupad managed everything and every dispute and went to America and constructed 108 temples and changed many people throughout the world. That is why I like Srila Prabhupad he told. He represented you as a great politician Prabhupad not by comparing to today's politicians but by your great acts.

In other situation when I went to school to meet my friend's there I just preached 10 minutes to two of my friends about Krishna consciousness and after few days one person started chanting and doing service. Now recently other person from that meeting came and took chanting beads and started doing chanting, he is also making his family chanting. Then I thought about the power of repeating Srila Prabhupada words. It is entirely by your grace Srila Prabhupada.

But the issue which is pinching in my heart is about the questions being constantly asked by some people Prabhupada. At those moments I am struggling like anything and whenever I am asking you are some how or other making my questions clarified but after sometime if I am being asked with some other questions again on the same subject matter, I am not able to sit strong in that position. My thoughts are getting scattered and my faith on that issues is getting disturbed. In the last year also on this occasion I told you the same situation and this year also the the same Prabhupad. I pray at your lotus feet to make me strong over those and make me answer the questions without getting oscillated. Prabhupada I am committing the most abominable sinful activities almost all the time and not able to control those activities till now and I am also offending Vaishnavas mentally by commenting them. Even though I am committing these activities You are giving service all the time. That time I understood Prabhupada what the definition of causeless mercy is. Prabhupada during the time in Krishna consciousness about one thing I struggled a lot, i.e about GURU ISSUE and about the questions asked on this basis. I am being guided by you Prabhupada and getting convinced at that moment and upto some time, but after that if again anything happen I am getting disturbed Prabhupad. I think like me many people are there who are getting confused on this subject matter, on this divine occasion I would like to request you to please guide me and all of them to the correct path.

Recently we got a FOLK hostel near college which is set up for activities for bringing more people to Krishna consciousness. It is entirely by your mercy we got this.

On this divine occasion I would like to request you to please give strength,faith, intelligence to preach to the jivas for making them to connect to yourself. Prabhupad in these days I am deviating with many thoughts, please make my thoughts constant on to you, help to relish the happiness in Krishna consciousness and make use of me as a instrument to the best of my capability.

Hats off to you Prabhupada for everything you have given.

Hoping to be your eternal servant,

Bhakta Kasi

Dear Prabhupad Garu,

I have come to this movement when I met a devotee in Srikakulam and informed the instructions of yours through the Bhagvat gita and books written by you. Before came to this movement I was taking non veg but now I cannot bear the smell of it all. Now I am continuing the chanting of Hare Krishna Mantra 4 to 8 rounds every day without any break. But now I am promising you Prabhupada that I want to chant Hare Krishna mantra 16 rounds every day.

Before coming to this movement I was suffering with some difficulties but now it is reduced to some extent and I am following your steps of yours and please bless me to chant Hare Krishna Maha Mantra 16 rounds every day, so that I can get chance to touch your lotus feet.

Thanking you

Hare Krishna Prabhupada,

I am Manikanta Sinisetti, following Harikrishna movement since 4 years.

Now I am working in a IT Company and able to cope up with all the pressures and hurdles in professional and personal life because of chanting Hare Krishna Maha mantra. .

I am Just using what I have learnt through my journey with Harikrishna movement and able to deal with pressures. This is all because of you Prabhupada.

Prabhupada one best thing is, wherever I am in this world, I am getting Chance to do service, worship the Lord, association with devotees. All credit goes to you prabhupada.

Prabhupadh, Please bless me with more Devotion and love towards Krishna.

Your Servent,

Bhakta Manikyala Srinivas

Jai Gurudev,

Please Accept my Humble and respectful Obeisances. All glories to you and All glories to all Vaishnavas. All glories to the Movement established by Your Highness all over the world. All glories to the Transcendental shelter ISKCON established for Fallen Souls like me. All glories to all your Transcendental literature works for benefiting entire mankind. All Glories to the Saviour of whole mankind.

Just as Mother helps her baby when baby taking first steps. She guides and encourages the baby to take steps towards His/her father, as father also very eagerly and gracefully encourages the baby to come into his laps. Similarly, Prabhupada you act alike mother when someone reads your Books submissively and with complete faith/ Understanding. One can feel Lord is awaiting very anxiously to receive at the other end, just as baby's father does.

Dear Gurudev, there are 3 types of children any parents can have. First type: Very good natured, Very studious, honest, Highly disciplined. Second type: Every naughty and don't listen, they like to go out and play most of the time, then Parents out of love they go around with stick. With some slight beating they are dragged back to home. This type of Children most of the time they enjoy same benefits as First type children. Now Third type: They are just left by parents, as there is no use in correcting them even though they love them. First type is like Hare Krishna Devotees, they always live in home Vaikuntha even though they live in material world. Second type children are like me, by your grace and mercy automatically and fortunately dragged back to home. The third type children they want to stay from their Home always, like to forget their relationship with True parents. But you are so compassionate, you have given us Supreme Personality of god head Krishna's message AS IT IS, but these gentlemen don't want to take advantage.

Dear Gurudev, this world is full of dangers, every nook and corner there are wild cruel wolves are ready to attack from all sides. Our elders, parents and teachers are kept us in total darkness, they all insisted us to study hard, get decent job, have family, eat good food and enjoy. Due to various reasons, we are not taught how to solve our real problems, sorrows and useless hankerings. Everyone has their own agenda and constantly cheating us. It is the time When we submitted to your Transcendental works Such as Bhagavad Gits As it is, started understanding the truth and Purpose of Human life. I am Feeling your Transcendental Presence as I am reading repeatedly again and again. With your mercy, I am continuing Srimad Bhagavadam and reading submissively, so far completed 4th Canto, 8 th chapter 25th Sloka. In Purport, I can understand when the devotee is sincere and want to progress in Spiritual

understanding and Devotional life, Lord situated in every one's heart will send Spiritual master/ representative to that selected individual. In this present Situation LORD, as I honestly believe, LORD will send "Bhagavad Gita As it Is" first, before giving association of Hare Krishna Devotees.

Dear Gurudev, Please give me Strength, courage and intelligence to perform My Sadhana (16 rounds japa, BG and SB reading every day, practising 4 religious principles, Ekadashi fasting), Please Protect me from any kind of bad association.

Always in your service.

Your's humble servant of your servant's Servants.

All glories to Srila Prabhupada,

Respected Srila Prabhupada,

I offer my respectful obeisance's unto your lotus feet .

Please accept my humble obeisance's unto you. Prabhupada, I came to know about you by attending classes in Hare Krishna movement temple in vizag . First of all I would like to thank you Prabhupada because you accepted me and allowed me to attend the classes in your temple. You are very great Prabhupada because you travelled all over the world and constructed Krishna temples and make us aware of Krishna consciousness.

One thing I would like to tell you Prabhupada you had got 2 severe heart attacks while you are traveling in the ship when you are going to the boston, by the order of your spiritual master you did all that . I am very glad about that Prabhupada. You are very great prabhupada because you have revealed us the most confidential knowledge even though we are not qualified. Thank you Prabhupada for starting ISKCON temple and spreading it all over the world. Dear Prabhupada with your inspiration your disciples started AKSHAYA PATRA and successfully it is running now and It is feeding daily 24,000 children in vizag and feeding all of us. I am very glad to you because I am one in that folk hostel. After I came in touch with Krishna consciousness and association with your devotees I started chanting daily HARE KRISHNA Mahamantra and honouring prasadam only. Recently I visited Puri dham because of your mercy .

I can never even dream to be executing services to Krishna. It is by your mercy, Prabhupada, But Prabhupada, due to many problems, I could not execute my services properly or even chant properly. I'm somewhat afraid that this is my fourth year of engineering and, when this ends, I would have to leave Visakhapatnam. Although I might not be able to be in direct association with Hare Krishna Movement-Visakhapatnam, please shower your mercy upon me and grant me the association of any other temple through which I can get Your association through which I can serve Krishna.

Dear srila prabhupada,

*Om ajnāna-timirāndhasya jñānānjana-salākayā
caksur unmilitam yena tasmai sri-gurave namah*

I offer my humble obeisance's at your lotus feet. My dear spiritual master, I am very indebted to your causeless mercy which you are showering upon a fallen soul like me. I am very thankful for being attached to your Krishna consciousness movement.

It is because of you that I have come to know who Krishna and the purpose of this materialistic life is. But I believe I am the most foolish soul on this planet, because even though I am aware of our Krishna consciousness philosophies, I am not able to follow those. Due to my materialistic bodily disturbances, sometimes I even feel very bad about me. Because I am not able to render my service on to your lotus feet. I am unable to dance and enjoy during the kirtans. It's very hard for me to stay away from doing service at your lotus feet. This shows how much I am being controlled by maya. My dear Srila prabhupada, only with your causeless mercy, I can get out of the clutches of the maya.

Dear srila prabhupada, I beg unto your lotus feet to bestow me with your blessings and guide me towards the spiritual progress. Because without your help I would remain on this material world like a unconditioned fallen soul.

request you to fulfill the following wishes, Give me the power to chant 'HARE KRISHNA MAHA MANTRA' very attentively. Give me more strength to my body in order to do more services in the festivals and events that happens in our temple. Keep me detached from the bad association.

My dear A.C.Bhaktivedanta Swami Prabhupada, please help me to advance in Krishna consciousness and to remain as a beloved servant of Lord Sri Krishna. "Jai SrilaPrabhupad" "Jai Sree NitaiGauranga"

Dear Srila Prabhupada,

I offer my respectable obeisance's unto your lotus feet. Thank you srila prabhupada for showing your causeless mercy upon me. By your mercy I successfully completed my 3 years in the krishna consciousness movement. By engaging in the krishna consciousness movement and by association of devotees i am slowly getting out of the material world and getting out of the miseries and sense enjoyment. By reading your books i came to know that i am not this body, and what is the purpose of my life and why we came to this material world and Srila Prabhupada you are my spiritual master and you are showing the path how to get out of this suffering material world by your valuable teachings through your books and lectures. Even though I am engaging in the service to the Lord and doing chanting i am not able to get out of my family attachment. Srila prabhupada show me your mercy and blessings upon me and give me strength to get out of these attachments. Please forgive my offenses and mistakes what i had did knowingly or unknowingly in the service of the Lord. Thank you Srila Prabhupada.

Respected Srila Prabhupada,

I bow down to your lotus feet and writing this letter with love and devotion. Before coming to Hare Krishna movement I faced many problems. My wife was not feeling good, she lost the thinking capability and does not have an idea on which work she used to do and my daughter marriage life was not good at all.

After coming to Hare Krishna my life was now moving peacefully. My wife is treated and running the family good. My daughter gave birth to a baby and now she is leading a peaceful life. I am now waking up every day early at 4.30 and chanting 16 rounds. If any day i miss doing chanting in the morning I try to complete by the end of the day.

ఆధ్యాత్మిక జ్ఞానమే మన జీవితమునకు పరమావధి అని, నాలాంటి అజ్ఞాన అంధకారంలో ఉన్న వారికి సందేశం ఇవ్వడానికి వచ్చిన పరమ పూజ్యులైన శ్రీల ప్రభుపాదుల వారికి నా సాంస్థాంగ ప్రణామములు.

శరీరమే నేనుగా బ్రతుకుతున్న నాకు, మీ రచనలతో కలిగిన సత్సంగం నా ప్రతీ అలవాటును, నడవడికను ఎంతగానో మార్చివేసింది. అసలు నాకు ఈ భౌతిక ప్రపంచంలో ఏ కార్యక్రమమూ లేదని నాకు అర్థమైంది. నాకు ఉన్న ఒకే ఒక్క కర్తవ్యం " గోలోక వృందావనానికి తిరుగు ప్రయాణానికి సిద్ధంకావడమే". దానికి కావలసిన 'ఆత్మ శుద్ధి' అనే విధానాన్ని కూడా మీరు నాకు ప్రసాదించారు. ఒక మనిషి కనీసం మనిషిగా బ్రతకడానికి కూడా అవకాశములేని ఈ కలికాలంలో కలిదోషాన్ని నివారించే మహా మంత్రరాన్ని మరియు నియమ నిబంధనములను మీరు మాకు ఇచ్చినందుకు శతకోటి కృతజ్ఞతలు తెలియజేసుకొంటున్నాను.

మీరు నాకు అందించిన మహా మంత్రరాన్ని ప్రతిరోజూ 16మాలలు జపిస్తున్నాను. నితాయ్ గౌరంగ విగ్రహాలను మా ఇంటిలో కొలువుచేసి చక్కగా అభిషేకము చేసి వారిని అలంకరించి, ప్రసాదాన్ని అర్పించి ప్రతిరోజూ స్వీకరిస్తున్నాను. వారంలో కనీసం రెండు, మూడు సార్లు మీ ప్రవచనములు వింటూ, వారానికి ఒకసారి హరేకృష్ణ మూవే మెంట్ భక్తులతో సత్సంగంలో ఉంటున్నాను. ఈ భౌతిక ప్రపంచంలో బ్రతుకు సాగించటం కోసం నేను పడే శారీరక మరియు మానసిక ఆందోళనలు ఎన్ని ఉన్నా, మీతో సత్సంగం మరియు మీరు చూపించిన మార్గంలో నేను, నా కుటుంబం నడవడం నాకు ఎంతో ఆత్మసంతృప్తిని ఇస్తుంది.

శ్రీల ప్రభుపాద! నేను మిమ్మల్ని ప్రతిక్షణం

శ్రీ శ్రీ అభయ చరణారవింద భక్తివేదాంతస్వామి ప్రభుపాద వారికి, పాద నమస్కారాలుతో ఆర్ ఇ ప్రతాప్ రాయునది, గత నాలుగు సంవత్సరాలుగా 16 మాలలు హరికృష్ణ మహా మంత్రరాన్ని జపిస్తున్నాను. ప్రతిదినమున హరికృష్ణ మహా మంత్రమును జపించడం వలన నాకు ఉన్న ధనాశక్తి, అసూయ, ఇతరుల గురించి చెడుగా ఆలోచించడం కొంత వరకు తగ్గినవి.

ISKCON మందిరమునకు పది మైళ్ళు వారు ముఖ్యంగా పిల్లలు ఎవరు ఆకలితో ఉండకూడదని సంకల్పంతో తమరు ఆదేశించిన విధముగా ప్రపంచమంతా ఈరోజు అన్నదానము జరుగుతున్నది. ఈమధ్య ఆంధ్రప్రదేశ్ అంతటా అన్న కాంటీన్ కూడా పరారంభమైనవి. వాటి వలన ప్రజలందరికీ కృష్ణ ప్రసాదమును స్వీకరించే భాగ్యము కలుగుతుంది. ఇందువలన ప్రజలందరూ సత్వ గుణము కలిగి సుఖ సంతోషాలతో ఉండగలరు. కానీ వీటిని నిర్వహించడం చాలా కష్టమైన పని. అయితే అవి అన్నియు భగవంతుడు మీద భారం వేసి 16 మాలలు హరికృష్ణ మహామంత్రరాన్ని జపిస్తున్నాను, 4 నిమాలలు పాటిస్తున్నాను, మరియు కృష్ణ సంకీర్తనము చేయడం వలన మాత్రమే సాధ్యమవుతున్న అని ఇప్పుడు తెలుసుకున్నాను. ప్రపంచమంతటా ఈ విధంగా కృష్ణ ప్రసాదము స్వీకరిస్తూ, కృష్ణ సంకీర్తన చేస్తూ సుఖసంతోషాలతో ఉంటారని ఆశిస్తున్నాను. శ్రీల ప్రభుపాద నిజాయితీగా ప్రతిరోజు 16 మాలలు జపము చేస్తూ, 4 నియమాలు పాటిస్తూ వైష్ణవ అపరాధము, నామ అపరాధములు చెయ్యకుండా మంచి బుద్ధిని మనస్సును

ప్రసాదించమని కృష్ణ భక్తులను మరియు ఇంకా ఎక్కువగా కృష్ణుని సేవ చేయాలనే కోరికను శక్తిని ప్రసాదించమని మనసారా తమరిని వేడుకుంటున్నాను.

పూజ్యులైన శ్రీ శ్రీ అభయ చరణారవింద భక్తి వేదాంత స్వామి ప్రభుపాదుల చరణారవిందములకు,
ప్రభూ! చిన్నప్పటినుండి ఆధ్యాత్మిక కుటుంబములో పెరిగి, తల్లి తండ్రుల ద్వారాతరువాత ఏంతోమంది గురువులు, వారి ప్రవచనాలు ద్వారా ...అందరు దేవుళ్లను, దేవతలను పూజించేవాడిని. కానీ
రెండు సంవత్సరాలముందు " కృష్ణ చైతన్యము " గురించి తెలుసుకొని, మీ శిష్యుల ద్వారా కావలసిన నియమాలను తెలుసుకొని ..వాటిని పాటిస్తూ ...రోజుకు 8 మాలలకు తక్కువకాకుండా ప్రత్యేకదినములలో 16 మాలల వరకు హరే కృష్ణ మహామంత్రము జపిస్తున్నాను.
ఈ మధ్యనే "నితాయ్ గౌరంగ" విగ్రహాలను కూడ తీసుకొని ..ప్రతిరోజూ ఉదయము, సాయంకాలం హరతులిస్తూ మాకున్న శక్తి మేరకు ఆరాధిస్తున్నాము. దీని ద్వారా నేను ఏంతో సాత్విక స్వభావుడనై ఏంతో ఆనందాన్ని అనుభవిస్తున్నాను. దీనికంతటికీ కారణం ముఖ్యముగా ...మీరు వరసిన భగవద్గీతభాష్యం, కృష్ణుడు దేవాదిదేవుడు (భాగవతములో దశమ స్కంధం) మరియు చిన్న చిన్న పుస్తకాలు ఒక పదివరకు చదవడము వల్లనే జరిగింది.

ఇక నా వయస్సు ఇప్పుడు 67 ఏళ్లు. ఈ విషయములో ఏమి చేయగలను? ఎంతచేయగలను? అనుకొనేవాడిని. కానీ ప్రభూ! 'మీ జీవిత చరిత్ర' చదివిన తరువాత మీరు 65 ఏళ్ల తరువాత విదేశాలు వెళ్లి పన్నెండేళ్లలో మీరు సాధించిన అనితరసాధ్యమైన విజయాలు చదివి ఏంతో స్ఫూర్తి పొందాను.

విదేశాలలో ఎంతోమంది 'మైచ్చు' లను కృష్ణ భక్తులుగా మార్చిన మీరు ...నాలాంటివారిని మార్చడము గొప్ప విషయము కాదని ...మీ మీద నమ్మకంతో నిత్యం మీ ఆశీస్సులను కోరుకుంటూ...ఆ దేవాదిదేవుని కూడ ఒక ముచుకుండునిలా, ఒక అక్షరూరు నిలా నిత్యం పేరార్థిస్తూ ముందుకుసాగుతున్నాను.

మీ పుస్తకాలు చదువుతుంటే ...శుకదేవగోస్వామి ..పరీక్షిత్తు మహారాజుకి

Respected Srila Prabhupada,

Please accept my humble obeisance's at your holy Lotus feet.

I am fortunate to take shelter under your divine grace. I am scared that I should be careful about what I write to Srila Prabhu Pada. You are so merciful, guiding us to attain salvation. Your divine instructions and lectures are for

the welfare of people of this world, which are guidelines. It is possible only by reading your books and by chanting of Hare Krishna maha mantra, performing mangala arthi, attending Gita classes. Eating Krishna prasadam we are able to control ourselves. Wherever I go I chant 4 rounds of Hare Krishna maha mantra, study Krishna books and eat Krishna prasadam. I make sure to read one verse of Gita every day. Please bless me always to follow your instructions and religious path. Again my humble pranamas to Srila Prabhu pada Founder Acharya of ISKCON.

Dear Srila Prabhupada,

Please accept my humble obeisance's. All Glories to you. I am very happy that Lordship Nitai-Gauranga has been receiving services in my house also. It is really due to your mercy and temple devotee's mercy as I am unqualified to do direct service to Lord but we are doing very limited service to Lordship by doing daily two times Arathi, offering flower garlands, prasadam, kirtan (few minutes) and Abhisekham monthly twice. You have given us boon of Hare Krishna Movement message through your writings but I am very unfortunate person as like I could not follow path of perfection i.e. living like full time devotee in ashramam.

Any how I am in your organization as servant by mercy of Sri Nitai-Gauranga and Vizag temple management. Even I am practicing Krishna Bhakti from last 6 years, still my mind remains in material platform I could not find reason for not progressing in Krishna Bhakti. Very recently by mercy temple devotees I read an article (purport of SB 2.3.24) in which you mentioned as blocks of progress of devotional service are offense towards holy name, and not following Guru (Acharya) properly. Then, I was put into very distress for not followed authority instructions and fallen into maya life. But still I am having hopes on your words Prabhupada, someday or other my so called material responsibilities will be reduced by mercy of Lord Krishna then Lord will give me second chance to follow path of devotional life under guidance of Guru in this life only. Hence I am seeking your blessing for continue in KRISHNA BHAKTHI path.

Your humble servant,

Respected Srila Prabhupada,

Association with Lord SRI KRISHNA is the most beautiful thing that happened in my life. Untill now if I divide my life, there are two parts . Before coming to Krishna Consciousness and after coming to Krishna Consciousness. If i would have not come in touch with Krishna Consciousness movement, i would have drowned in the material world.

Prabhupada after coming to your association, I learned

Δ..what is jevathma?

Δ..who is paramathma?

Δ..The main purpose of human life.

Δ..How to reach LORD KRISHNA?

Δ..How to do service to the lord?

Δ.. what is mayaa?

Δ..How mayaa pulled us into this material world?

Δ..How our life style should be and how our life style is?

Δ.. What kind of food we should eat...and many more....

Slowly my life style,my way of thinking and my way of looking is changing. These all are due to you my dear master...

I am so much thankful to you PRABHUPADA.

Parama puja Shri A.C.Bhakti Vedanta Swami PrabhuPada

I offer my respectful obeisance unto your lotus feet.

With your kind blessings, I have been completed 8 years of my spiritual association with Hare Krishna movement. O resident of goloka your Lila in this material world to propagate the message of Lord Chaitanya to spread the love of holy name unconditionally is the only ray of hope towards the goal of life.,by your causeless mercy innumerable jivas are getting the way of back to Godhead and I being one of them feel greatly obliged to you.

By the grace of your kindness and blessings I had been to Mayapur, birth place of Lord Chaitanya. I got profound spiritual insight and invaluable information in detail about Supreme Lord Krishna through the devotees at that holy place. Moreover as a boon granted by Lord Krishna, could attend mangal arati in Radha Madhav Temple every day during my stay at that holy place and I felt it was eternal bliss, visuualizing as if it was Lord Krishnas Vrindavan. Respected Gurudev I humbly state that I am relentlessly imbibing in the minds of truth-seeking people that we can release from the cycle of birth,death, old age and disease in the physical universe by surrendering ourselves to the Lotus feet of Lord Krishna by realising his manifestation in our bodies and chanting holy names of the Lord as many times as possible.

Reverred Gurudev with your kind blessings and benevolence I have been doing 21 rounds of japa on the beads, besides reciting the sanctified slokas of Bhagavad gita, with God given creative energy I have been executing all assignments and services in the Temple as allocated by the devotees. I earnestly yearn to dedicate my energy and time unsparingly to do more and more services to strengthen our noble mission. I solicit your kind favour to provide me the opportunities for the purpose Puja Gurudev by your divine grace I have done Simhachalam Giri parikrama with enthusiasm and Akhanda Hari Nama Sankirtan along with big group of devotees.I feltvery happy after completing the parikrama. In conclusion, Respected Gurudev kindly bless me that I shall continue to devote myself along with my family members with unstinted dedication to serve Hare Krishna Movement under your guidance and I get totally involved and immersed in Krishna consciousness.

Respected Prabhupad Guruji,

Please accept my pranams.

Hare Krishna Movement has transformed my material life to spiritual life. The saying there is light at end of tunnel has applied to me by your blessings after getting associated with Hare Krishna Movement. My question Why Me? Has been answered. Once I always used to look forward for a weekend for material enjoyment. Now after getting associated with Hare Krishna Movement with your blessings I am looking forward for Sunday to participate in Sankirthan, BHAGVAD GITA and Bhagavatam classes. Earlier reading Bhagvad gita and Bhagavatam books was for retired people.

Now, I am enlightened with your blessings by reading Bhagvad gita as it is and also started reading Bhagvatam. I am again thanking you for all these transformations in my life and please bless me to further move forward. I again keep wondering how my life has changed since 1.5 years after getting associated with Hare Krishna Movement. My thinking, eating, behaviour and all other attitudes have changed. I wish with your blessings to be associated with HKM and next coming births.

Dear Srila Prabhupada.

Please accept my humble obeisance's unto your lotus feet on the auspicious day of your appearance day. Prabhupada I am writing this letter to you after nearly three years. Kindly excuse me.

Even though i was practicing all the principles and associated with the temple ,nearly lost touch due to my personal/ job commitments during the last three years. However i was in touch with the temple in my new place at Bangalore for initial two years but slowly the material maya engulfed. Even though self was in touch with the Temple every week , i was fighting inwardly and longing to be associated with the temple as in my earlier years at Vizag and do service as I was doing earlier in Vizag.

At last by your mercy, I got an opportunity to return to Vizag and resume my service with the new assignment. Grateful and thankful to be receiving all the mercy and blessings from you Prabhupada. Need your guidance and blessings to improve my KC and follow your footsteps to SEE THE LORD KRISHNA. I need to improve spiritually and determined to complete the reading of Srimad Bagavatham completely before this 2018 year ending. My Sincere prayers to you to Prabhupada, please guide me in this work. Happy to inform that my wife also started KC seriously and following your footsteps. Also request you to guide my other family members also in to Krishna Consciousness.

In a small way I am spreading the message of yours and Krishna consciousness to as many people I know and knowingly or unknowingly they started responding by saying Hare Krishna. Prabhupada I want to do more service and request you to give me an opportunity to serve and reach the LOTUS FEET OF SRI KRISHNA.

Dear Srila Prabhupada,

Please accept my humble obeisance's unto your lotus feet.

Due to association with spiritual and wonderful environment, I got transcendental knowledge.

When I came in touch with Hare Krishna movement, I started chanting. Earlier I was short tempered but now I can control my anger. It gives real happiness as I am following the four regulative principles that were given in the Vedic books. Jagat Guru Srila Prabhupada gave us a nice direction by establishing this movement and I started following them. I have read the book "The science of self-realization." Prasadam- A wonderful part of this movement, helps us and gives us positive energy that keeps away from the material attractions.

At last I thank you for transforming hearts of many youngsters. Thanking you,

Dear Srila Prabhupada,

Please accept my humble obeisance's. All glories to Your Divine Grace. Thank you Srila Prabhupada, for providing service to this unfortunate soul in the Golden temple of Lord Narasimha and Radha Govinda.

Thank you Srila Prabhupada, for allowing me to enter into the most auspicious place of Lord Krishna i.e., Pandaripur. And also letting me to touch the lotus feet of Lord Panduranga.

Thank you Srila Prabhupada, for allowing me to visit Mayapur, Udupi and Puri and also letting me to have the darshan of most beautiful deity Udupi Krishna and Lord Jagannath.

Thank you Srila Prabhupada, for giving me a chance to participate in Krishna Balaram Rath Yatra. Thank you Srila Prabhupada, for providing me a stay in Folk Nivas and also letting me to honour prasadam everyday.

By Your causeless mercy, daily I am able to complete 16 rounds of my chanting. Every sunday I am trying to attend Mangala Arathi at Golden Temple of Lord Narasimha and Radha Govinda. I am able to do kirtan in front of SRI SRI NITAI GAURANGA. If You desire so, please keep me under Your shelter and make me do as much as service to Lord Krishna.

Your unworthy aspiring servant,

Bhakta Sandeep

Bhakta Santan

Dear Srila Prabhupāda,

Please accept my humble and respectful obeisance at your lotus feet. All glories to you who is so merciful up on the fallen and conditioned soul like me. You have given us the very definition of a pure devotee by helping us understand the process of bakthi-loving devotional service and guiding us at every step of the way through your books and lectures

I always wondered what dose a spiritual master means to a disciple. Fortunately, I got a chance to understand this when some time back, I got an opportunity to hear the personal experience of two of your disciples and their unflinching faith on your words. And only by this faith and your causeless mercy one can really understand and realize the message of Sri Chaitanya Mahaprabhu

This year has been very different to me. I have realized many different things which are keeping me away from your service. I thought there were many external factors that influence a person from performing devotional service but I am coming to realize that it is me who has thrown myself into this pit of suffering and misunderstandings, even after repeated warnings from your disciples who are always guiding and are my well-wishers. I must have realized and understood that mahamaya is very powerful and have never taken it lightly, but due to my false ego and overconfidence I have done the same and suffering as a consequence of that. Please give me the strength and your blessings to overcome my unnecessary and insignificant attachments and join along with others who are serving you and your lordships Sri Sri Nitai Gauranga, with their heart and soul. I have realized that I am becoming lazy day by day and am not participating in the distribution of your holy books. Please give me intelligence and strength to distribute your transcendental books and help myself and others in understanding your message.

Dear Prabhupada, I feel completely depressed and helpless. It is only by your mercy I can start to understand and realize your instructions carefully and follow them. Prabhupāda I beg to you, to please give me a proper sense and sincerity to chant the Hare Krishna Mahamantra attentively and understand importance and glories of the holy name. Please give me the spiritual strength in understanding your philosophy and attachment to lotus feet of your lordships Sri Sri Gaura Nitai. Please provide me with some seriousness to perform your service.

It is by only your blessings that I can advance in Krishna consciousness. Please keep me detached from false prestige and bad association. Please give me strength to follow your teachings and not involve in sense gratification.

Trying to be Your servant

Dear srila prabhupada,

Please accept my humble obeisance's at your lotus feet. All glories to you Srila prabhupada.

I don't have words to express my gratitude to you Srila prabhupada. As a father, you are holding my hands and showing the way and guidance me in every step after I had spend lifetimes searching for truth and happiness your divine Grace finally provided me the true love for Supreme personality of godhead, Lord Sri Krishna.

For this, I am eternally indebted to your love for such a fallen soul. I beg your mercy in the form of association of pure vaishnavas. During my service if had committed any offence to you and other devotees I beg to forgive all the offences; I request you and all the vaishnavas to bless me to do my service nicely. I feel myself insignificant to glory you.

Thank you prabhupada,

Dear Srila Prabhupada,

I offer my respectable obeisance on to your lotus feet, all glories to you Srila Prabhupada.

I, first of all, thank you for showing your causeless mercy to me. It has been for one year taking part of your movement and I learned a lot from your movement. You are such an inspiration to everyone that Ever since I came to know about you I bewildered that how can a person single handedly establish such a vast empire and write so many books in a short period at that age and construct so many temples. Probably I have never seen a person who constructed these many temples with just an initial investment of 40 rupees.

You wrote Srimad Bhagavatam and Bhagavad Gita by sleeping only just 3 hours to liberate the condition souls. Yet, I am so rascal that I couldn't take advantage of your Books. With your mercy I am chanting 8 rounds at present; I am doing service to Krishna. I am daily taking Krishna prasadam and associating with devotees, attending mangala arati every day, gained a lot of Vedic knowledge which is a drop of water in ocean for you.

I learned so many things like Kartaal, singing, pujari service, concentration on studies and overcoming problems in life and time management and leadership qualities and knowledge from your movement.

Please give me Spiritual strength to do chant regularly and read your books regularly. Also, I have committed so many offenses in front of you please forgive me for that. And my present material desire is to crack GATE please bless me to crack it. Also you said that "Learn technology sincerely and use it to serve Krishna", I am also trying to learn it and I want to do small projects in service to Krishna. Please give me your blessings.

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet. All glories to you.

Recently I was undergoing lot of doubts in my mind, regarding what role spiritual masters plays in disciple's life? How a disciple should look towards the Spiritual Master? And who is actually spiritual master? Filled with such doubts I came across your Lilamrta by the mercy of vaishnavas and encountered some enlightening verses about you which filled my heart lot of respect, thanks and joy for you. 'Only out of immense compassion does personality of godhead reveal Himself as Spiritual master. Therefore in the dealings of Acharya there are no activities but those of transcendental loving service to the lord. He is the supreme personality of servitor godhead. It is worthwhile to take shelter of such a steady devotee who is called asraya-vigraha, or the manifestation or form of lord of whom one must take shelter '

It is explained by Vishvanath Chakravarti Thakur ji that "sakshad dharitvena....." "In the revealed scriptures it is declared that spiritual master should be worshipped like the Supreme Personality of Godhead, and this injunction is obeyed by pure devotees of lord . The spiritual master is most confidential servant of lord. Thus let us offer our respectful obeisance unto the lotus feet of our spiritual master"

Also you explained In bhagavad –gita lecture 6.1-4 New York September 2 , 1966. That " I am simply Instrument. Real speaker is the supreme personality of godhead who is without and within" Thus it gives us a great joy to meet you who is so dear to the Bhagavan shree krishna , therefore we must listen to you with great attention and we must surrender unto your instructions , you are worship able because you are his expansion and always absorbed in unalloyed devotion to lord which a mundane human being cannot do. Therefore I will just pray to you to give me strength to be surrendered unto you and humbly beg you to reveal your such glories to me which destroys envy in my heart.

Your fallen and insignificant servant,

Dear Srila Prabhupada ,

Please accept my humble and respectful obeisance's unto your lotus feet .

First of all I should be very much thankful to you prabhupada for giving this opportunity of writing a vyasapuja offering to you on your divine appearance day.

My dear spiritual master ! Your cause less mercy will be like when we take a blunt tool which is of no use can make the surfaces shine after all grinding done on it, likewise by your causeless mercy the most insignificant fallen soul can get the opportunity of serving the lotus feet of the Lord. Dear Prabhupada, all this year long I have got some experiences from which I understood the strength of Hare Krishna maha mantra a little bit. Every time you are giving me the opportunity of doing service or chanting properly but i hadn't utilized the opportunity of doing service and continue to do offensive chanting. Prabhupada your guidance is very nice, but the contamination that I accumulated made me to select a wrong path, that is joining in GATE coaching classes. At that time by your arrangement I was guided by your disciple and my Preacher Yaduraja Prabhu but I denied and accepted my mind due to which I have consequences and lost the opportunity of doing service every Sunday and I have lost association with the devotees many times but with the strength you have given and by your cause less mercy I balanced somehow and for that I should be very much thankful to you prabhupada .

Herein I mention one thing which made me realized how merciful you are Prabhupada!! During deepotsava last year when I was doing service in the temple hall suddenly my chaddar got burnt and I didn't sense it all then suddenly a devotee came and put off the fire and he explained the philosophy behind that my body whole should get injuries but out of your causeless mercy and Krishna's mercy made that karma reduced. Like wise all this year many uprisings and fallings happened, but the strength you gave helped me a lot to overcome the situation's which may cause agitation.

I don't have any qualification to render service to Lord Krishna, but by your causeless mercy only I got that opportunity Prabhupada. So prabhupada please keep me always engaged in full filling your desires rather than my desires and engage me always in the devotional service of the Lord and please give me strength of doing chanting attentively and increase my faith and make me to follow the four regulative principles. Aspiring to be your eternal servant,

From Most fallen and insignificant soul, Bhakta Surya

Bhakta Tarun

My dear spiritual master Srila prabhupada,

Please accept my humble obeisance's and prostrated respectable obeisance's unto your divine lotus feet, which is shelter for many millions of living entities in this darkest region of material creation.

As I chant Hare Krishna mantra, I realize that this is your gift to me. Daily I used to do 4 rounds of chanting. Srila prabhupada I could realize how you're helping me in difficult times. Gurudeva kindly, bless me with more maturity to understand the path of devotional service. Srila prabhupada, I have learnt many things from your bhagavatam classes. After entering your shelter, I have learned how to serve Krishna. In your shelter, I felt very happy by doing chanting, keerthan and serving lord. After entering into your shelter, I got very delicious Krishna prasadam and I felt very happy with this Krishna prasadam. After reaching your shelter my behavior is changed into good way. Prabhupada kindly please help me to progress more in the devotional service to Lord Krishna. Thank you,

Your servant, Bhakta Tarun

Dear Srila Prabhupada,

Please accept my humble obeisance's at the dust of your lotus feet. Today is the occasion of 122nd vyasa puja of your divine grace. All glories to your divine grace. Out of compassion who took an incarnation in between the fallen souls of this earthly planet as the 32nd acharya in the lineage of bramha madhva gaudya parampara. It passed almost eleven months from the date I took your shelter. Yours causeless mercy made me some how to start chanting in the first month under your shelter, followed very little minute amount of your service. From then you have some way or other arranged me favorable situations to such a rascal like me to chant which I utilized in very minute quantity, but even then you have showered on me your causeless mercy by giving nice Krishna prasadam. You helped me very much to stop eating meat. Prabhupada please help me in chanting Hare Krishna Mantra nicely and keeping myself away from some part of maya like mundane movies. I even think that I might be an animal who saw you in my previous life, so that you gave these favourable condition to follow Krishna consciousness. I also think that you will stop me from the cycle of janma, mrytyu, jara, vyadi.

hāhāprabhukorodoyā, deho more pada-chāyā

O master! Be merciful unto me. Give me the shade of your lotus feet. O! My spiritual father please bless me with your mercy, so that I can advance Krishna consciousness in serving the servant of the servant of the servant of your divine grace. As stated by Srila bhakthi siddantha sarasvathi goswami prabhupada "A bonafide spiritual master is non-different from supreme personality of godhead. If one cannot say that the spiritual master is personal manifestation of supreme personality of godhead, one will not be able to utter the holy of the lord." You are non-different from supreme personality of godhead you are the savior of this earthly planet.

Please give me the power to chant offencelessly. Please give some good association of your divine grace and of your servants so that I can always be engaged in Krishna conscious activities else will caught in the clutches of maya. Also please give me some spiritual strength by awarding some Krishna prasadam and by making me to read your divine writings.

Finally, please forgive me prabhupada for if any offenses committed. Please accept my humble obeisance's at the dust of the lotus feet of your divine grace.

Yours unworthful servant, Bhakta Tirupathi.

Dear Prabhupada,

First of all, Please take my humble obiecienecs on to your feet. I am S. Varun Sankar, your one of the disciples. I am very much grateful to write a letter to you, my Guru.

I would like to divide my life until now into two parts, one is before your association and other after your association. In the past few years I have learnt so many things which I want to learn since my childhood. My heart is getting Purified by your teachings, Bhagavadgita, your disciple association, Prasadam, Past times of Supreme Lord. I have become open minded and accepting people as they are. I had an opportunity to visit holy places like Vrindavan, Dwaraka, Puri except Mayapur. Please sanction me an opportunity to visit this holy place. I would love to thank you for these I got.

Also please help me to avoid sinful activities and to stand against the maya.

Respected Srila Prabhupada,

Please accept my humble obeisance's unto your lotus feet.

I first came across Iskcon in 2003 while I was travelling across Mumbai, we went to the Iskcon temple on Juhu Beach. I did a round of Hare Krishna Mantra and I felt a great sense of relief. My next confrontation with Iskcon was a year later during the 2004 Krishnastami celebrations. My daughter participated in a classical dance competition and won a prize in it, we came to collect the prize by the hands of a state minister. While waiting during the prize ceremony I came across some palmplates provided there and donated Rs. 1116/- for the sahadeva seva. After a week or two when I looked at the receipt and there was a “Bhagavadgita as it is” being given out for this donation. So, I went to the temple to collect this matchless gift. One devotee Murari Chaitanya Prabhu came to me and we started interacting and he convinced me to do some seva and as well donate Rs. 10,000/- towards Iskcon and he explained me the importance to join in Iskcon become a life member in my son's name. This is where my journey began in 2005 and ever since I have been continuing to do the Hare Krishna Mantra with strong blessings from my one and only guru A.C Bhakthivedanta Swami Prabhupada.

I have had an opportunity to go visit Mayapur along with a group of devotees from Iskcon Rajahmundry. To visit the birthplace of Srila Prabhupada and to see and experience the surroundings in which he made the preaching gave me goosebumps. I was so attracted to his teachings that I had a dream once of someone offering me a cup of tea and I was about to take it and suddenly Damodar Prabhu came into my dream and hit me on my hand as I was about to receive the cup of tea. This just tells me how much I was intoxicated by his preaching's that even in my dreams he wouldn't let me do the wrong thing. As said in his preaching's god is not another different entity, he is a part of us and every living particle in this universe. He helps us in different forms be it though the actions of other people or ourselves.

Once we give into his beliefs, he will protect us from any thoughts of ill and evil. I have another one experience of a similar kind. Again, this was a dream I was sitting somewhere to eat and someone had offered me a piece of meat, I said no, but on further force I was tempted to get the taste of the meat once again. As I was about to do so, I looked to my right and I saw Satya Gopinadh Das Prabhu walk past me. This is how, he comes into our thoughts and guide us in the right path.

Being part of this Iskcon family introduced me to many new experiences in life. I had never done any kind of drama acting or any other kind of art forms. But, when we went to Hyderabad during a Krishna Consciousness Rath Yatra, someone came to me and requested me to wear Lord Shiva's Costume. I was reluctant at first but Krishna took over me and I gave into him and I dressed as Lord Shiva and did all the dancing and singing along the path of the Rath Yatra. By doing this I got to experience a new kind of joy, met a lot of people, fear of stage freight was gone and to top it all off, my picture was printed in the newspaper the next morning. Just by trusting that I'm doing this for Krishna, I was rewarded in many ways.

Due to job requirements and various other reasons, I kept moving from Rajahmundry to Proddatur in Rayalaseema and Mothugudem and Donkarai in Telengana and Andhra regions. Therefore, I was slacking a bit on the temple visits. However, once after I came to Vizag and heard about this “Hare Krishna Movement” I thought of it as a wonderful opportunity to get back into this again. Although different from Iskcon being a separate organisation “Hare Krishna Movement” still follows the three main Principles laid out by A.C. Bhakthivedanta Swami Prabhupada which are, firstly “Preaching of Vedanta Literature” (Baghavatham), secondly Sankeerathana and spreading of “Hare Krishna Maha Mantra” and thirdly Distribution of Prasadam to the needy and school children through mid-day meal “Akshaya Patra Foundation”. After coming here, I have made an acquaintance with Sruti Sagara Dasa Prabhu who has come to become like a close family member, I feel a sense of camaraderie with him and feels awkward that

if I do not see or speak with him for a few days. By being a part of this “Hare Krishna Movement”, it has led me again into this refined path laid by Srila Prabhupada to gain Krishna Consciousness through his preaching’s.

I used to be an angry man in my younger ages, my father always used to tell me you’re too fast and way too confident of doing things and working all the time. Someday you need to slow down a little, and experience the other blessings of being a human. Little did I know, this is what he was talking about. We don’t know these things until and unless we experience it ourselves. Some things can be taught but in the end it is called learning, and what better way to learn something than to rather experience it ourselves. So, I urge you all present here who are still in doubt or haven’t gotten the experience of Krishna first hand to give into his belief and follow the footsteps laid by our guru Sri A.C. Bhakthivedanta Swami Prabhupada and preach the Hare Krishna Maha Mantra.

Hare Kṛṣṇa Hare Kṛṣṇa Kṛṣṇa Kṛṣṇa Hare Hare

Hare Rāma Hare Rāma Rāma Rāma Hare Hare

Yours Sincerely, Bhakta Venkateswara Rao Taninki

Bhakta Yeshashwi

Hare Krishna,

All Glories to You, Srila Prabhupada! I offer my prostrated obeisance’s unto Your lotus feet! Prabhupada, I feel eternally grateful to You who have brought Lord Caitanya and His mission into my life, the life of the most fallen person.

It is said in Caitanya Caritamrita that - “It is therefore the duty of every man—in every country, in every circumstance and at all times—to approach a bonafide spiritual master, question him about devotional service and listen to him explain the process”. As I am a very incompetent and very very ignorant person, I was not able to do the above duty properly. I’ve failed to utilize this human body properly until I met You. Instead of serving the Master of senses or at least knowing that I should serve Him, I was living in ignorance thinking that I was the master of my senses and this life is all in all. I’ve used all my senses to do the exact opposite - my legs to walk away from Krishna, my tongue to speak nonsense like a frog inviting death, my intelligence to contemplate utter nonsense, my eyes to view the utter disgusts of this material world, and what not! But You are so compassionate that while I was busy doing sheer disgusting things in the material world, You have come to me. You have introduced me to Krishna, my eternal Master, whom I most ignorantly forgot and neglected. You have taught me the only true science of the world - Krishna Consciousness. Needless to say, as the imperfect student I am, I am only able to understand little by little, which is also only possible due to Your grace and compassion.

In the same way You’ve given Krishna to me, You have been giving Krishna to many souls who are wandering in this material world transmigrating from one body to another without knowing their ultimate destination. Sripad Ramanujacharya is known as the ocean of mercy and Jagat Guru for having shouted out the Asthakshari Mantra from the roof of the Lord Visnu temple to the entire city and delivering the entire city’s populace and there after the entire country through out His journey. Now, I feel that, even Sripad Ramanujacharya must be amazed seeing Your Divine Grace, whose compassion is still reaching through out the nooks and corners of the entire planet delivering fallen conditioned souls.

I already very fortunate to have taken birth in this Kali-yuga, in which Lord Caitanya appeared - which happens only once in a day of Bramha. And I feel more and more fortunate that I’ve come to know of You, whose compassion knows no bounds. I’m still more very very fortunate that I’ve seen the commander in chief of Lord Caitanya’s Sankirtan Movement singing and dancing in ecstasy. I’m yet more very fortunate that I am able to talk to You and express my desires to You, who even fulfilled the desire of Bhakti devi - idam sthanam parityajya videsam gamyate

maya - and has taken her to the foreign land from Vrindavan. I'm still more fortunate that I experienced shelter under Your lotus feet for an entire day.

Yet, I'm still the most unfortunate to leave Your Divine shelter only to rot in this material world. I'm more unfortunate than the most unfortunate as I'm still engaging in gratifying my senses even after knowing that my senses are for Krishna's pleasure and gratification. I'm to be considered the most fallen than any abominable creature because most of the souls who are not practicing Krishna consciousness are not practicing it because they do not know of Krishna. On the other hand, I, even after hearing repeated instructions from Your Grace in this regard is still as foolish as ever and has still not rectified my faulty behavior. Instead, Prabhupada, I engage in sense gratification and fault finding and what not! It is no exaggeration that I am a personification of all qualities that hinder devotion. Yet, I pray at Your Lotus Feet that I be freed from all these qualities and remain steady in devotional service no matter what. In Padyavali, Srila Rupa Goswami states "Let the impeccable moralists accuse me of being illusioned, let the Vedic scholars repeatedly slander me as being misled and let my brothers, relatives and friends call me dull-witted and stop respecting me, let the worshipers of money label me as insane, let the learned say I am arrogant. Even so, my mind is not about to give up the intention to serve the lotus feet of Sri Govinda, though I am not able to do so." Although it is too much for an undetermined rascal like me to ask for, please bless me that the above verse holds true to me throughout my life. Please give me enough determination and humility to execute my devotional service properly without offense.

I also pray to You the relation between all the four vaishnava sampradayas may remain respectful and harmonious. Although the sadhana process followed by the four sampradayas and its branches is different, the sadhya is still the same which is Lord Visnu or Krsna. So, I would like to ask of You that all the traditions realise this and remain respectful to each other thereby realising the desire of Srila Bhakti Siddhantha Saraswati Thakur - Viswa Vaishnava Rajya Sabha.

Finally, I have utmost faith in Your words that even a person like me is able to realise Krishna in this lifetime if they are sincere. Although it is a herculean task, I will still try to put my sincere effort to realise Him by trying to please You. Please bless me so that I can overcome all my shortcomings and be sincerely engaged in Your mission and spread Your teachings As It Is.

Begging to be Your eternal servitor, Bhakta Yasaswi

Dear Srila prabhupada,

I offer my humble obeisance unto your lotus feet. I feel that I am very fortunate to be in HARE KRISHNA folk hostel. (SRI VENKATESWARA HOSTEL). Because as I came here to complete my B-Tech life and learn some technical skills, but fortunately I also became a member of Krishna consciousness and learned many spiritual lessons and learned what is human life and what we must do as humans. As I joined in this hostel, I got many opportunities to serve the Supreme god "LORD SRI KRISHNA" and engaged in many devotional services. I have also learned that how a man should behave in this materialistic society. By this, I have improved my communication skills and my character. This had all be done by only with the mercy shown by his divine grace A.C. BHAKTI VEDANTHA SWAMI SRILA PRABHUPADA on me, by giving shelter in folk hostel and honoring LORD KRISHNA'S MAHA PRASADAM. Daily I used to do 2 rounds of chanting and in my free time I try to complete 4 rounds of chanting.

HARE KRISHNA!

Yours Servant,

Bhakta Yeswanth Reddy. VLV

Respected Srila Prabhupada,

Firstly, i would like to thank my uncle (Ravi chinanna) and aunt (vasu pinni) who helped me when i needed help and showed me the path of krishna consciousness...the actual solution for all material problems. I would like to

thank "SRILA PRABHUPADA GURUJI" who gave us the solutions to the material problems in the form of Bhagvad gita and Srimad Bhagvatam and saying us by chanting Maha mantra and sankirtanas one could be successful in this material world and reach back to godhead and mainly I thank Lord Krishna who is guiding me in each and every minute by choosing right decisions and getting into right people at right point of time to reach the lotus feet of Supreme Personality of Godhead.

Now coming to the various changes that came in me after chanting

1. I became calm and telling to my mind that everything is happening for a cause whatever is happening is for my goodness.
2. My desire to materialistic things is little reduced and saying myself if i deserve Krishna will provide it.
3. Quarrel and arguments between me and my husband are little reduced
4. My daughter started chanting with me some times
5. I feel spending some time for chanting is like sparing some time for myself
6. If I am in confused state of mind i immediately start chanting or start reading self-realization book then my mind calms

down and tells me what to be done next.

7. After praying many demi gods i used to get a temporary solution but now i say i got the actual solution of "why am i born in this world?"

8. Krishna has become my priority

Lastly i would like to thank Srila Prabhupada Guruji who put lot of effort into translating the scripts for which helped common people like me when i was in need.

Jai Srila Prabhupada

My obeisance to Gurudev Srila Prabhupada,

In this phase of Kaliyuga, the spreading of Krishna Consciousness by Hare Krishna movement is like rescue operation in catastrophe. The life-saving hand is out there, it is just I have to stretch out and get saved. Prabhuji not only instruct me to follow the principles taught by you but also pursue me on the devotional path. Hence Gurudev please help to put my self in the service of LORD Sri Krishna.

Unlike the other spiritual leaders, your disciples never claim themselves as GOD. This quality is as unique as the Supreme Lord Himself. In Kaliyuga Harinam will not only take us back to Godhead but it is also an aid to survive in Kaliyuga. Hence the Hare Krishna Mantra and chanting you taught is the only solution for this ill-fated soul. But again to put myself in the continuous service of Lord, your mercy and guidance are most needed. I thank you for virtually bestowing your mercy and guidance on me through your dearest devotees.

Usually, if we go to the self-styled Godmen and surrender unto them they look for how they can benefited from us. But, when I asked Prabhuji if there is anything that I can do, he said chant 16 rounds. I was surprised, Gurudev Prabhupada, its because of all your teaching that the Prabhuji who is of renounced order, does not only want to go back to Godhead but, also want me to go. There is absolutely no selfishness and this stands as a testimony to renunciation and your teaching. The teachings usually either deviate or dilute over the time. But your teachings are still intact and are carried forward. I thank you, Gurudev for your mercy and guidance which I am getting through Prabhuji.

Please help this ill-fated soul to get detached from the material world and get attached to the lotus feet of the LORD Sri Krishna.

నేను మూడు సంవత్సరముల నుంచి సత్సంగమునకు వస్తున్నాను. అప్పటినుంచి నా మనస్సు చాలా సంతోషంతో నిండి ఉన్నది. కృష్ణలీలలు, భగవద్గీత గురించి వింటూ చాలా సంతోషంగా ఉన్నది. భగవంతునికి ఎంతో దగ్గర అవ్వాలని పిస్తుంది. భగవంతుని విషయములు అందరితో పంచుకోవడం వలన చాలా సంతోషముగా ఉంటున్నది. ఇంకా ఈ జన్మ మృత్యు జరా వ్యాధి గురించి ఆలోచించకుండా హరేకృష్ణ మహా మంత్రం ద్వారా ఎంతో ఆనందం పొందుచున్నాను. ఈ భౌతిక ప్రపంచంలో పడడం ద్వారా బంధాలు, అనుబంధాలను చూసుకుంటూ భగవంతుని సేవ చేసుకోవాలని ఉన్నది. అందుకు గురువుగారు మీ ఆశీస్సులు కావలెను. నేను కొద్దిరోజుల ముందు ఆరుమాలలు చేసేదాన్ని, ఇప్పుడు 9 మాలలు చేస్తున్నాను. కానీ 16 మాలలు చెయ్యాలని ఉంది. నిత్యం గౌరంగా విగ్రహములు తెచ్చుకోవాలని ఉంది, అందుకు మీ ఆశీస్సులు కావలెను. ఆచార్య నేను ఇంకా పట్టుదలతో సేవలు చేయాలని ఉంది ఎవరిమీద కోపం, అసూయ లేకుండా మంచి మనస్సు ఇవ్వమని ప్రార్థిస్తున్నాను. కృష్ణ భక్తిని ఇవ్వాలని, ఈ భౌతిక ప్రపంచంలో మరల పడకుండా ఉండాలని మిమ్మల్ని మనస్ఫూర్తిగా కోరుకుంటున్నాను. నా కుటుంబ సభ్యులకు కృష్ణభక్తి ప్రసాదించాలని కోరుకుంటున్నాను. తప్పులు ఉంటే క్షమించాలి.

Respected Srila Prabhupada,

All glories to Srila Prabhupada.

On this day of your auspicious appearance into this world, please accept my humble offering of thanks giving to "Lord Krishna" for the gift of your being. My dear Guru, in the light of your generous self giving so others would see the light of truth about God, I feel truly small and under serving. The only thing now that makes me see that, Truth lies in the science of Krishna consciousness is the fruit it bears. Being faithful to the chanting and the eating of Prasadam feel so powerful that I get through the day without irritation or anger which I have previously. Please bless us so that we can progress in this spiritual path and render little service to Srila Prabhupada's movement.

Hare Krishna,

Your small servant,

హరే కృష్ణ, పూజ్యనీయులైన శ్రీల ప్రభుపాదుల వారికి నేను నిరంతరం హరేకృష్ణ మంత్రం చెబుతున్నాను. పిల్లలతో ఉదయాన్నే చెప్పిస్తాను. దీనికి గల కారణం నా భర్త. ఎందుకనగా మా ఆయన గారు రోజు 16 మాలలు చెబుతారు,

4 నియమాలు పాటిస్తున్నారు. తనను చూసి మేము మారాము. ప్రతీ ఆదివారం హరేకృష్ణ మూవ్మెంట్ కి తీసుకువెళుతున్నారు. దీని ద్వారా హరేకృష్ణ మంత్రం యొక్క పవర్ అనేది తెలిసింది. ఈ మంత్రం చెబుతున్నప్పుడు మనసు ప్రశాంతంగా ఉంటుంది. కాని నేను 4 పాటించాలని నా కోరిక, ఎందుకనగా నేను 16 జపమాలలు పాటించ

టం లేదు. మా ఆయన గారు లాగనేను కూడా మారాలని నా కోరిక. ఇద్దరమూ కృష్ణునిని సేవలో మునిగి తరించబడాలి. తను రోజూ అదే చేస్తుంటారు. అది చూసి నేను చాలా ఆనందిస్తుంటాను. నా బాధ్యతలను తొందరగా వదిలి కృష్ణుని సేవలో నిరంతరం తరించాలి. అలాగే పిల్లలను కృష్ణుని భక్తులుగా తయారుచేస్తాను నేను, నా చుట్టూ ఉన్నవారిని కృష్ణ భక్తులుగా మార్చడమే నా కోరిక. ఎందుకనగా మనతో పాటు అందరూ ఆనందంగా ఉండాలని. ఇలా చేయడము వలన మా గురువుగారు అనగా ప్రభుపాదుల వారు చాలా ఆనందిస్తుంటారు. మీ కృప ఎల్లప్పుడూ మాపై ఉండాలి.

నేను ఈ కృష్ణ చైతన్య ఉద్యమములోనికి వచ్చిన తరువాత నా జీవితంలో వచ్చిన మార్పులు మీకు తెలియజేస్తాను.

2) మన ఆత్మ సచ్చిదానంద స్వరూపమని తెలుసుకున్నాను. కానీ భౌతిక ప్రపంచంలో అది కామ, క్రోధ, మోహ, లోభ, మాడ, మాత్సర్య లతో కప్పబడిందని తెలుసుకున్నాను. వాటినుండి బయట పడాలనే తాపత్రయం నాలో మొదలు అయింది.

3) అణువణువునా నిండి ఉన్న పరమాత్మను ఎలా ఫీల్ అవ్వచ్చో మీరు మాకు తెలియజేసిన ప్లెయిన్ నాకు నచ్చింది.

Dear Srila Prabhupada,

I am very happy to write a letter to you. Because I am able to pray to Krishna, Nitai Gauranga. At present I am chanting 2 rounds every day. I want to increase my chanting. I am studying 6th class now. Please help me in studying and also in serving Krishna. I am coming to temple from 5 years. I visited many temples and also participated in services. When I come to the temple I feel very happy.

My mother and father had taken Nitai Gauranga deities. Every day our whole family pray together. Every Ekadashi we do abishakam and change dress to the deities. My mother cooks prasadam and offer to Nitai Gauranga. After offering we take prasadam. Every year I am donating my pocket money to the temple. Please help me to collect more money. Thank you Prabhupada for giving us Krishna consciousness.

Dear Srila Prabhupada

Please accept my humble obeisances onto your lotus feet !!

On the way to my search for a Spiritual Master, I feel blessed to find you as my Spiritual Master. I have been into Krishna consciousness since 4 years and after coming into Krishna Consciousness my life has changed to a large extent. Though change is part and parcel of life, but the change which i see in myself after coming into Krishna consciousness is totally different. The way of my thinking and my response has totally changed. Initially i used to do one round of chanting and gradually increased to two rounds. I got an opportunity to do service (like Prasadam Distribution and Paduka Seva) during Janmashtami festival and other festivals in the temple . I also feel lucky to do Nagara Sankirtana along with other devotees.

After my marriage with your blessings , i am able to continue Krishna consciousness. After marriage we stay in Kolkata. I also got an opportunity to visit Mayapur and feel blessed to have darshan of Krishna and Smt Radha Rani. I also go to ISKCON temple Kolkata whenever possible. Thank you Prabhupada for showering your blessings onto me and guiding me throughout in Krishna Consciousness. I pray to you Prabhupada that you will please allow me to continue in your service and also help me in getting absorbed in the Hare Krishna chanting.

HARE KRISHNA !!

Your Humble Disciple,

Dear Srila Prabhupada,

I am very happy to write a letter to you. First of all I want to say thanks to you because my life style has fully changed i.e. Krishna consciousness. I have grown in a certain environment, where I don't know anything about Krishna, God, fasting, chanting etc. you made me to do all of them. I don't even know about Ekadashi before. Even though you have chosen me to be in the Krishna consciousness. Whenever I read about your life story I feel that, you are the man, you are the philosopher and you are everything to me. You have shown me right path and guided me in every difficult situation. Bhagavatgita the holy book, the precious book is like a manual book to me because of you. Seriously I don't know anything about Bhagavatgita. I have not even opened or touched the book before my marriage. But now I am able to say people about B.G. because of you.

I know Prabhupada, that you have taken my life into your hands, you decided me to take into Krishna Consciousness. This is why the reason, you make me marry to a right person, who will help me to progress in Krishna consciousness. Before three years back we have accepted Nitai Gauranga in our lives by taking them to our home. Me and my husband both do abhishakam to the deities on every Ekadasi. We change dresses to them which are stitched by me. I do flower garlands to them, cook Bhoga, chant 16 rounds. My humble request to you Prabhupada is that please, please make me chant with more concentration, do more service and also guide me every situation and face every challenge in my life with patience. I hope you make me pure through mind, body and soul.

Your Servant,

Bhaktin Shilpa .V.S

Respected A.C Bhaktivedanta Swami Prabhupada, Please accept my humble obeisance's on the occasion of your divine appearance day.

I'm just a seventeen years old girl .Like every other teenager I was always in rush to try new things in life. I remember those days when I never listened to anyone. And was marked as a naughty child.

Five years back from today I remember my mom used to face lot of troubles in life. That's when she came to this temple (Akshaya patra foundation).Our lives changed from then. She took me there after 2-3 weeks of her visit. I was so astonished by that place that when I stepped inside the hall vibrating with that one mantra (Hare Krishna Hare Krishna Krishna Krishna Hare Hare Hare Rama Hare Rama Rama Rama Hare Hare). I never knew that this one mantra would change my life so much. I felt like a heart – beat skipped and felt tears from my eyes. My whole life changed from that day. I saw that change in myself, from that indisciplined girl to a person whom everybody loves. From one round to four rounds of chanting and to be increased. I had lots of ups and downs in my life. I learned lots of lessons. When I was in 10th class my mother bought the Nitai – Gauranga deities house. I remember when Prabhu gave us the deities he said one thing your two brothers are coming to your house take care of them. From then onwards he really protected us in each and every step of our life's. That's when Krishna became the centre of my life. From then onwards whenever I had a problem I only used to recall one thing that Krishna is watching me. And whatever I'm facing right now is for a good sake of my life.

Because Krishna sees big picture of my life when I see the present now. I have a beautiful life now. Problems doesn't matter me anymore because I know that Krishna is with me, and I'm sure that he will help me in every step of my life. I just hope I'll get advanced in this and read more and more books of Krishna consciousness and gain more knowledge I would full heartedly like to thank Akshaya – Patra foundation (International society of Krishna consciousness) for changing my life and giving a purpose to it. Hare Krishna

Dear Srila Prabhupada,

I just want to share my views after getting into Hare Krishna Movement. Before this our family and I came to know
about Lord Krishna and there were changes like stopped eating non-veg and onion etc. once by a devotee I came to
know about Hare Krishna Movement. I started loving the Keerthans and I really enjoyed them. The four principles
made me and my mind peaceful. Mainly the trips to devotional places made my mind to chant 16 rounds of Hare
Krishna Maha Mantra during the trip. Recently I joined the Mayapur trip with Hare Krishna Movement. The culture
and the devotees made me shocked and then I realized that material world is completely a trash and in the trip I

enjoyed spiritual bliss. And every day I am doing 2 rounds of Japam and I know it is a least count. But sure I will try to increase the count by your mercy Srila Prabhupada.

Srila Prabhupada your teachings and books are incredible but unfortunately I am unable to read them. So I request you to bless me to completely get into your spiritual world. My parents and I took membership and also my parents took Nitai Gauranga Dieties and every morning and evening aarati and bhoga is offered to Lord Nitai Gauranga. Sometimes I will join the aarati. And also I will follow every Ekadasi by your blessings. Finally I just want to say that give me some more blessings so that I may get out this material world and start a new life in a Krishna Conscious way. Thank you Srila Prabhupada for letting me to know about this Krishna consciousness and hoping that my life may get much better than before.

2015 సం" లో మావారి ఆరోగ్య పరిస్థితి బాగులేదు. అందువలన మా వారు ఇంట్లోనే ఉంటూ ఉండేవారు. అప్పుడు నాకు ఒక ఆలోచన కలిగింది. అదేమిటంటే భగవత్ గీత చదివి వినిపిస్తే మంచిది, కాలం వృధా అవ్వకుండా ఉంటుంది అని. రోజు మావారికి భగవత్ గీత చదివి వినిపిస్తూ ఉండేదాన్ని. 18 వ అధ్యాయము ఆఖరిరోజు చదువుతున్నాను. చదువుతున్నంత కాలం నాకు చాలా సంతోషంగా ఉండేది. నేను ఆఖరి రోజున ఆ రోజుతో గీత చదవడం అయిపోతుంది, రేపటి నుండి మళ్ళీ చదవటం మొదలుపెడదాం అనుకున్నాను. సరిగ్గా చదవటం అయిపోయింది ఈ లోగా మా ఇంటికి ఇద్దరు ఇస్కాన్ నుండి పంచె కట్టుకొని, నామాలు పెట్టుకొని గీతాసారం బుక్కు పట్టుకొని వచ్చి గీతాసారం బుక్కు కొనమని వచ్చేరు. నాకు చాలా ఆశ్చర్యం వేసింది. వాళ్ళద్దరిని చూస్తుంటే నాకు వాళ్ళు శ్రీకృష్ణుడు, అర్జునుడు ఈ రూపములో వచ్చేరేమో అన్నంత సంతోషం కలిగింది. వెంటనే వాళ్ళ దగ్గర ఆ బుక్కు కొన్నాను. వాళ్ళ కాళ్ళకి దణ్ణం పెట్టుకున్నాను. వాళ్ళు వయస్సులో చాలా చిన్న వాళ్ళు. అయిన నాకు వాళ్ళ కాళ్ళకి దణ్ణం పెట్టుకోవాలి. అనిపించింది. వాళ్ళు నాకు ఇంకా రథంలో అర్జునుడు కూర్చుని శ్రీకృష్ణుడు రథం నడుపుతున్న కేలండర్ కూడా నాకు ఇచ్చారు. మా ఇంటికి వచ్చిన వాళ్ళద్దరు కృష్ణార్జునులే అని నా నమ్మకం. ఆ రోజునుండి నేను ఇస్కాన్ వాళ్ళు (ప్రభుపాదులవారు వీరాసిన గీతాసారం గ్రంథం రోజూ 10 శ్లోకాలు చదువుతున్నాను. అర్థంతో చదువుతున్నాను. గీతలో చెప్పినది అనుభవంలోకి తెచ్చుకొనడానికి ప్రయత్నిస్తున్నాను. అప్పటినుండి

Dear Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet.

All glories to you on this most auspicious appearance day of your divine grace.

I have no words to glorify your divine personality. I find myself dumb when I try to glorify your position because your glories are beyond my thinking and explaining capability. If I still make an attempt to do so it will be full of faults as I am in material conceptions and material contaminations.

The living entities are running after the illusory happiness in this material world but they only come across anxieties, distress, hankerings, and lamentations. But because of your compassion for them, you have made a house in which one can experience Vaikuntha atmosphere and engage in the devotional service of Supreme Personality of Godhead, Krishna.

There are innumerable blessings which you have bestowed upon this insignificant & lusty soul & this very fact proves that you have unlimited compassion for the fallen souls like me. You are so tolerant that in spite of my being not following your basic instructions you are allowing me to continue in the association of devotees.

Please give this weak disciple the required strength to follow your each & every instruction.

Begging to remain under the shelter of your lotus feet eternally & aspiring to be your genuine disciple.

Dear Srila Prabhupāda,

All glories unto your lotus feet, after getting initiation from you last year, my spiritual journey has all along being full of different adventures, experiences & challenges.

You have written in your books that devotee of the Lord is expert, but what that expert means I am able to understand little bit now by your grace:- A devotee is ready to render devotional service in any condition of life & by the divine grace of Supreme Lord Shri Krishna, he is able to receive all the necessary qualifications to do that service. By your grace even though unqualified both materially and spiritually, I was given the service of preaching in some of the premier institutes of our county. In the beginning, I was unable to understand the scenario of the colleges, but by constant endeavor & guidance of your senior disciples, I managed to do something there like book distribution, inaugural talk, etc.

Being inexperienced & neophyte in Krishna consciousness I could do only a little at your lotus feet, but I aspire to receive more and more your causeless mercy so that in future I can do more services for your pleasure. Moreover, I aspire to gain more self-confidence in spiritual life, & tread this path with more spiritual knowledge & dependence on you & Krishna, so that I can achieve the goal of my life. I. E. to go back home Back to Godhead-the spiritual kingdom of Supreme Personality Of Godhead KRISHNA.

I am only an ignorant fool who is trying to achieve something which is beyond my imagination & reach, please forgive me for all the mistakes I did knowingly & unknowingly & bestow upon me the taste of devotional service, which soul is hankering ever after.

Jai Srila Prabhupada,

Please accept my respectful Obeisances unto your most merciful lotus feet.

mukam karoti vachalam pangum langhayate girim yat-kripa tam aham vande shri-gurum dina-taranam

"I offer my respectful obeisances unto my spiritual master, the deliverer of the fallen souls. His mercy turns dumb into eloquent speakers and enables the lame to cross mountains."

As stated in above verse I am writing this offering by your mercy.

Srila Prabhupada, Sri Chaitanya Mahaprabhu is known a Maha Vadanyaya (most merciful) but the mercy which you are bestowing on me is causeless and unlimited I would like to address you on this auspicious Day of your divine appearance as Maha Maha Vadanyaya (most merciful).

Recently I was trying to share your teaching to some westerners but I found it very difficult. At that movement, I remembered you and realised that only a pure devotee like you can change the heart of the ignorant.

Srila Prabhupada you are 26 qualities personified personality your glories are unlimited and it's our duty to spread your teaching to the rest of the world

Srila PRABHUPAD if someone commits unknowingly mistakes can be forgiven but one who commits knowingly and repeatedly the same mistakes can't be forgiven but you are that person who is forgiving that person like me too. All glories to Srila Prabhupada, please do not allow me to take disadvantage of your merciful nature.

Srila Prabhupada one more year has passed and I only find degradation and no tinge of advancement. Please show your causeless mercy so that I can come out from this most fallen state to fallen state.

Jai Srila Prabhupada

Most fallen servant

Dear Srila Prabhupada,

Please Accept my Humble Obeisances. All Glories unto the Holy dust of your Lotus Feet.

Your Divine Grace once said "This is the business of the disciple, how to glorify the spiritual master, parampara. I glorify my spiritual master; you glorify your spiritual master. If we simply do that, glorify, then Krishna is glorified". As an Insignificant disciple of yours, I will try my best to glorify you and your glorious pastimes on this planet.

In the Bhagavad Gita 2.29, Krishna Tells to Arjuna,

Some look on the soul as amazing, some describe him as amazing, and some hear of him as amazing, while others, even after hearing about him, cannot understand him at all.

Similarly, Srila Prabhupada, Some look on your Personality as amazing, some describe you as amazing, and some hear of you as amazing, while others, even after hearing about you and your glories, cannot understand you at all.

Had you not appeared on this Planet, who would have saved us from the thralldom of Material Existence?

Had you not written Books, who would have made us traverse the trail our Previous Acharyas have passed?

Had you not built temples, who would have given us Devotees association?

Had you not initiated us, who would have qualified us to Chant Hare Krishna?

It is mentioned in the Srimad Bhagavatam 4.16.3 as follows:

*athāpy udāra-śravasah pṛthor hareḥ kalāvatārasya kathāmṛtādṛtāḥ
yathopadeśam munibhiḥ pracoditāḥ ślāghyāni karmāṇi vyaṁ vitanmahī*

Although we are unable to glorify you adequately, we nonetheless have a transcendental taste for glorifying your activities.

We shall try to glorify you according to the instructions received from authoritative sages and scholars. Whatever we speak, however, is always inadequate and very insignificant. Dear Srila Prabhupada, because you are a direct incarnation of the Supreme Personality of Godhead, all your activities are liberal and even laudable.

Also, Sri Yamunacharya, the Spiritual Master of Sri Ramanujacharya writes in his Famous Stotraratna,

*bhavantam evanucaran nirantrah prakanta-niahakeja-manorathantarāḥ
kadāham aikantika-nitya-kiaokarah praharajayajyami sa-natha-jaivitam*

By serving you constantly, one is freed from all material desires and is completely pacified. When shall we engage as your permanent eternal servants and always feel joyful to have such a perfect master? Just as Srila Rupa Goswami said that he needs millions of tongues and trillions of ears to relish the Holy name of Krishna, We need 1000's of mouths and hands to glorify you sufficiently. Yet, we will fall short of a mile to sufficiently glorify you.

It is only because of your Glorious Appearance on this Insignificant Planet that we all have a chance to elude ourselves from the inexorable birth, death, old age, and disease. For me, the Cynosure of Krishna Consciousness is Your Divine Grace, Srila Prabhupada. All Your Purports time and again testify that you have Eidetic Memory of all the pastimes of Sri Krishna in his abode Goloka.

Srila Vrindavan Dasa Thakura has sung that the devotees of Lord Caitanya are so powerful that each one of them can deliver a universe. Your powerful purports are capable enough to convert even a debauchee into a great devotee. You vouchsafed to us all the conclusions of Vedic Literature. Sometimes, my spiritual progress becomes a stalemate and at times, I am very sanguine about making further advancement. This is Bewildering to me. All your peripatetic preachers are trying their best putting all the efforts to further your Divine Mission and I aspire to be one of them if you desire.

Just as Lord Rama Chandra left his Opulent Kingdom to go to Forest on the order of his father and Just as Lord Chaitanya Mahaprabhu left his most beautiful wife and caring Mother to Propagate the Sankirtana Movement, You left the most Congenial Precincts of Vrindavan and went to Preach to the most insignificant Hippies and ultimately made them all Happies. If an Imbecile like me could get transformed by a drop of the nectarean ocean of your Purports, what can I speak of Intelligent People getting attracted to Your Movement?

Srila Prabhupada, you are truly the cloud or the agent of drying water from the ocean of mercy of Kṛṣṇa and turn it into a mercy cloud and pour water on the saṁsāra dāvānala, and then it is extinguished. Otherwise, we will fruitlessly try to extinguish this fire using fire Brigades and bucketfuls of water.

When I was reading your glorious Pastimes shared as Memories by your Pre 1977 Disciples, I came across this statement which made my hairs stand on edge.

Malati Devi Dasi: For me, Krishna Consciousness is the Process of Falling in Love with Srila Prabhupada! Actually, it is so! I often used to think about how someone can love a person to this extent that they are ready to give up their very life for that person.

Actually, I have come to Krishna Consciousness Movement after Becoming Prabhupada Conscious. Otherwise, I would have been rotting in the stygian Material World along with other hapless conditioned souls. The moment I bowed down my haughty head unto your Lotus Feet, my life no longer has any quelling problems and I was no longer in a scurry to satisfy my rudimentary senses. You delivered the transcendental knowledge with Gravity and wit, Roses and Thunderbolts and with maximum impact and precision and we are immensely fortunate to be on the receiving side of it.

Srila Prabhupada, I pray to you to kindly forgive me for all the offenses I committed knowingly or unknowingly at the feet of all Vaishnavas, who dedicated their lives for propagating the Holy name of the Lord. If you so Desire, please allow me to chant attentively the prescribed 16 rounds of Hare Krishna Maha Mantra.

Aspiring to be Your Sincere Disciple,

Karnamrta Krishna Dasa.

Madhavendra Puri Dasa

My Beloved Spiritual Master, Srila Prabhupada,

Please accept my most humble obeisances at the dust of your lotus feet. On this most auspicious occasion of your Vyasa puja, I sincerely beg forgiveness for all the offenses I have committed at your lotus feet and also at the lotus feet of all the Vaishnavas. O Gurudeva, please save me from committing any further offenses against the chanting of the Holy Names.

The Supreme Lord Sri Krishna has made his permanent residence in the heart of his most exalted pure devotees like your Divine Grace. Hence, all the places where you stayed and traveled across are actually the holiest places on earth. In fact, not only this planet but the whole universe is purified and glorified just by your auspicious appearance.

You came to freely distribute the transcendental science of God as revealed in the Srimad Bhagavatam. By boldly preaching the teachings of Lord Chaitanya Mahaprabhu that the real Purushartha or the ultimate achievable object in the human form of life is to awaken our dormant pure love for Krishna, you have mercifully delivered thousands of fallen souls from the snare of Maya or Illusion in the form of impersonalism and voidism.

Indeed, as was foretold by Srila Bhaktivinode Thakur, you are none other than the commander in chief of Lord Chaitanya's Sankirtana army.

People who are ignorant of the real self-declare that there are many man-made religions or so-called Dharmas passing in the name of Hinduism, Christianity, Sikhism, Islam, etc, each having different beliefs, which is the cause of all the problems in the world. Rejecting all these false notions you have firmly established that our one original and eternal Dharma is to render spontaneous loving devotional service unto the Supreme Personality of Godhead, Sri Krishna, the cause of all causes, being His inseparable parts and parcels eternally.

You have very kindly revealed that God is also known as “Adhokshaja” or “one who is beyond experimental knowledge” or “one who is beyond the perception of our material senses”. Therefore, all our attempts to approach and understand God with the help of our imperfect material senses through various imperfect modern scientific instruments will always be futile. Not knowing the perfect knowledge about God in truth, tattvatah, is the cause of all our miseries namely Adhyatmika, Adhidaivic, and Adhibhautik.

God, the Supreme Energetic or to say more precisely, the Absolute Truth, Summum Bonum, is known only when He Himself unveils His true nature to the fortunate soul, His internal energy, being pleased by His own causeless mercy. And the process which will help us to attract the causeless mercy of the Lord in this Iron Age is by chanting His sweet holy names, “Hare Krishna Hare Krishna Krishna Krishna Hare Hare / Hare Rama Hare Rama Rama Rama Hare Hare”. Having achieved the mercy of the Lord one feels completely happy and satisfied with himself. Then one’s only desire is to know and satisfy the desires of the Transcendental Lord.

Today, I feel very fortunate that you have most mercifully accepted this most wretched soul as one of your disciples. This shows your magnanimity and compassion to deliver the most fallen souls of this Kaliyuga, which you are continuing to do so in the form of your transcendental vani via books, audio lectures, etc, and also your transcendental institutional form.

But, at the same time, unable to calculate the good fortune of having the facility of your Divine Grace as my spiritual master, I feel that I haven’t been sincere enough in my endeavors to serve the Absolute Truth. O Gurudeva, my eternal father, I beg you to always somehow or other use me as an insignificant instrument in your own sincere service to your eternal father His Divine Grace 108 Sri Srimad Bhaktisiddhanta Saraswati Thakura Maharaja, my eternal grandfather.

“He reasons ill who tells that Vaisnavas die When thou art living still in sound! The Vaisnavas die to live, and living try To spread the holy name around!” – Srila Bhaktivinode Thakur.

Saviour of the whole world and the most loving spiritual master, Srila Prabhupada ki Jai!

Your most fortunate servant,

Dear Srila Prabhupada

Please accept my humble obeisance’s

Srila Prabhupada I am very blessed to be part of this most auspicious event of Vyasa-puja. Because of your causeless limitless mercy only I am able to write this offering.

Many times I heard your glorious pastimes, but my mind was obstinate to accept you has the Greatest acharya of the history which mankind has seen. How continuous flowing river which even softens the hard stone, same way association of your sincere Disciples and your Divine words brought a great transformation in me also. Such one pastime I would like to mention here, where your God brother glorifies your Divine Grace.

This was by Akincana Dasa Babaji Maharaj who was a disciple of Bhakti Siddhanta Saraswati Maharaj, He mentions as follows ‘There was never been acharya in history than who has performed miracles like A.C. Bhaktivedanta Swami, Prabhupada. Why do you know? Because in History there was never a greater servant of Sri Krishna's holy name than Srila Prabhupada Because he had so much absolute understanding of Sri Krishna's holy name and so much absolute faith that he personally carried through the length and breadth of the world.

Not only advanced Spiritualists like Akincana Dasa Babaji Maharaj recognized your divine position, even a three years old child like Kamala who was the Daughter of Sally Agarwal who has seen you for a very short time called you as SWAMY JESUS.

One time something happened to our little girl, Kamla who was only three years old. I used to take her to Sunday school, and she learned about Jesus in school, then when she would see Swamiji with his Robes on and everything, she called him Swami Jesus.

(Sally Agarwal, Back to Godhead magazine, 1978)

What would be more glorious for a disciple than understanding the glories of his Spiritual master? Under the influence of three modes and in the grip of lust and greed several times I have committed mistakes, offenses But whenever such things occur your divine instructions, divine pastimes saved me from the pangs of Maya.

Srila Prabhupada on this auspicious day, again and again, I am begging at your lotus feet, give me a strength and intelligence to execute your divine instructions sincerely forever.

Aspiring to become your sincere Disciple

Dear Śrīla Prabhupāda,

Please accept my humble obeisances at your lotus feet.

Past one year was a good learning chapter for me. No pain, no gain.

But, it is good that I learned the lesson irrespective of whether hard or soft way.

All the ways of teaching by the spiritual master are his mercy, so as a disciple anyone must accept them happily for his ultimate benefit.

But, due to being a neophyte I often miss to remember that. I become intolerant and impatient. Self-restraint is one of the most important qualities of a devotee.

Also, I could see how by not understanding and respecting the principles told by Krishna one becomes subjected to unnecessary suffering.

This entire creation being Krishna's, nothing can be taken for granted - other jivas, the material nature, the part of material nature given under our tiny control and the working laws. The moment one goes out of the way, the reactions start appearing. But, with the lording over tendency one crosses the limits and ends up with some disaster.

It is only my ignorance towards the value of your instructions and following them more intelligently, that is delaying my progress on the path of devotion.

It is so true, and I see myself still struggling with the same basic obstacles over and over again.

Your entire life is a perfect example of valuing and abiding with every instruction of Krishna.

I really wish to give up this casualness and become serious to read more from your teachings. The only hope to destroy this ignorant state of mine.

Your unworthy servant.

Srila Prabhupada, my eternal Spiritual father, please accept my humble obeisances at your divine lotus feet.

Your divine lotus feet are the only shelter for all conditioned souls in this universe. No one in this universe can estimate your transcendental qualities because you are an embodiment of transcendental qualities of the Supreme Lord Krishna. I'll make a small attempt to glorify your qualities with my limited and impure consciousness.

You appeared in this world just to deliver the fallen souls and take them back to Godhead. This we can see very clearly in your life. Any person who is interested in making spiritual progress try to avoid the influence of Maya and go to some secluded places like the Himalayas or forests. Whereas in your case, by the higher arrangements, you entered into the kingdom of Maya (this material world), and into the palace of Maya (Western World, New York), and into the personal room of Maya (2nd Avenue, Bowery Street) and preached ultimate goal human life to the personification of Maya (Hippies) and made them great Vaishnavas. Wherever you went, you drive away the influence of Kaliyuga and established epitome of spirituality, Krishna Prema. Who, in the entire universe can estimate your transcendental purity?

With your causeless mercy, I have completed 4 years in VCM as a Folk preacher. So patiently you have tolerated all my shortcomings and anrthas and kept encouraging me through your instructions & sincere disciples to do my best in devotional service. Still, through my service, I am not able to give any valuable result or reach the expectation of my authorities. I beg you to Keep showering your mercy upon me so that I can become a small pebble in your movement.

Dear Srila Prabhupada,

Please accept the most humble obeisance of your most unworthy and foolish disciple. I have not yet realized your true glory. But I have realized that I am really unworthy to be your disciple.

Your disciples are working hard day and night to expand your glories and urging people to come out of this material world, which is full of miseries, and to make a good use of this human body.

My spiritual master, it is you whose teachings have taught me the purpose of this body. You have lightened up my life which was full of darkness. Your teachings leave no doubt regarding the existence of God.

In spite of this, I am such a fool that I am still struggling to maintain my Krishna Consciousness. My intelligence is taken away by Maya and I have no control towards my mind, senses, and desires. Please be merciful to me at engaging them in your service. Keep me always in the association of devotees which I am lacking the most.

On this auspicious day, everyone is glorifying you but I am in need of your mercy and blessings, without which I see no hope to come out of my sinful activities.

Please forgive me for all my offenses which I have committed to being at your lotus feet by not sincerely following your instructions and bless me so that I can surrender my every breath in serving your divine instructions.

Begging your mercy again and again.

Your unworthy fallen servant,

Bhakta Aaditya Kumar.

All glories to Srila Prabhupada.

This is my gratitude toward you, for enlightenment saga.

Oh glorify the one who to Krsna is so dear,

Whose presence scatters the clouds of illusion clear,

Whose name is sweeter than the sweetest nectar,

And who brings the torch of knowledge near

Oh, most merciful master,

you are the only deliverer.

I need an attraction to Your lotus feet,

which are like fresh air in scorching heat.

Thy mercy is what I am made of,

you are my life and soul

You are the master, having everything under control.

Words coming from Your lotus mouth,

Purifies west, east, north, and south.

Your eternal transcendental instructions,

My only request in Your lotus feet,

Please give me a space to be fit.

Then I will dance and will chant,

As my illusioned heart will illuminate.

You care and love us all,

Let Your compassion and mercy befall.

You provide my soul with a path of purification,

All my sins and karma need a ratification.

My beloved spiritual master Srila Prabhupada.

Please accept my humble and respectful obeisance unto your lotus feet.

All glories to you on this auspicious day of your Vyasa-puja.

I never thought that I shall get the golden opportunity to express my gratitude towards you.

You plant the tree of Krishna Consciousness movement and the fallen souls like me are getting its fruits. I have lots of things to say and at the same time I am speechless, how can one express his feelings for his loved ones, you have not only shown us the truth of our lives but also given the strongest motivation to achieve our ultimate aim of life i.e. "Krishna Prema". Before coming to Vrindavan I used to think for a chance to come to Vrindavan, but as soon as I came in touch of your lotus feet I visited as many times that I can't even count on my fingers. You enlightened our miserable life as the sun enlightened the dark forest.

My beloved spiritual master this Maya is so strong that it keeps chasing me every moment, even if I get in control of it sometimes, but at the very edge you come and save me every time in one or the other form. Please, Prabhupada keep holding my finger like a father holds the finger of his son and I promise I will try my best to be like your ideal disciple.

For me guru is representative of God, please accept me as your student. It is only by your grace that I am able to get the real knowledge of bhakti yoga and association of various devotees. I am thankful to you for showing the spiritual path. Please give me strength, to engage myself in devotional service of Krishna. I may not be able to get Vedic knowledge but it is possible because of you, thanks for giving me the Maha-mantra "Hare Krishna Hare Krishna Krishna Krishna Hare Hare Hare Rama Rama Rama Rama Hare Hare".

Dear Prabhupada,

Please accept my humble obeisances.

All glories unto you on the occasion of your Vyasa-puja.

Your lotus words have shown me the path to the Absolute, through your books, lectures, interviews, letters, and talks, at the time when I was falling down in material consciousness. They ignited the latent spark in me to search for a higher realm of Truth by just coming into contact with them once. Have you had not spread the most confidential message of Shri Chaitanya Mahaprabhu to the English speaking world, through your divine society of ISKCON, how I and many other students who were influenced by the culture of the west, could come to know that Krishna is the Supreme Personality who should be worshipped?

You have given us the highest philosophy of all religion, which cannot be so easily perceived by anyone and everyone, not even the so-called learned professors of our college. It has so much potency that made me turn towards it immediately, leaving the other bogus philosophies of the impersonalists. With such an easy process of chanting the holy names of God and associating with devotees, I have started to gain a stronger understanding of spirituality.

Your very own Hare Krishna movement, of spreading the holy name of Krishna as a means to bring all auspiciousness in the society, has deeply inspired me, so much, that I wish to be a part of it for the lifetime.

Therefore, I beg you to show mercy upon me by accepting me as your servant, so that I may serve the mission with a pure heart.

Your humble servant,

To the lotus feet of my beloved Spiritual master Jaya Om Vishnu Pada-Paramahansa-Parivrajakacharya astottara-sata nitya-lila-pravistha Sri Srimad His Divine Grace A.C. Bhaktivedanta Swami Srila Prabhupada.

The only Acharya and Saviour of this material world for next ten thousand years, please accept my obeisances unto your Lotus Feet.

Writing an offering to you is a difficult task!! How is it easy/possible to put your teachings and glories into words?? You have shown me/us the path of Spirituality(Aim of Life). But somehow I'm trying to put something into words.

For taking shelter of your Lotus Feet, I was wandering here and there in this material nature, But finally, you gave me shelter of your Lotus Feet. I'm the most fallen soul of this material world who need "Dust of Your Lotus feet". You are the only Saviour of my life.

Only by your grace, I'm able to recite holy names of Kṛṣṇa (Supreme Personality of Godhead). I was not getting chance for Association of Vaishnavas, but dust of your Lotus Feet gave me this chance.

I remember, about 3yrs back, I was an atheist because I was suffering so much here and I didn't know the reason for my suffering. Even I didn't know the way to get out from that. But then I met Hare Krishna devotees and I visited Temple around 6months, them devotees gave me your books. I kept it in corner of my room and I was busy in my daily work of study. But my brother pressurized me to read your books and finally one day, I started reading books. Slowly I was getting attracted to your books. Your books made me know "who am I", why am I suffering here, so many doubts got cleared there. You gave me second birth (the real birth in Krishna conscious Society). I lost my previous life so many times when I used to think about suicide when I used to remain in depression. But this time you made me know, I'm not this body, I'm a spirit Soul.

You made me chant the holy name of Kṛṣṇa. You made me know the regulative Principles for human life, Even you made me know, the aim of this Human Life(most important).

On this day, I'm missing you deeply and remembering you with love and affection. I know you are always with me.

Srila Prabhupada, I can't deny of it that I'm not successful to apply your guidelines into my activities, But I have the courage to try.

I'm studying now, and I need your personal guidance and blessings so that I can progress in Spiritual life.

You are my spiritual master who was sent by Kṛṣṇa Himself, so I will try to please you at least little with simple fare.

Though my progress is laughable, if you give me special blessings, I can progress very fast. I try to preach this movement to others also but it needs your blessings.

I'm humble and full of gratitude that you accepted me as your Servant and gave me shelter of your Lotus Feet.

I'm eternally indebted to you for offering me this opportunity of Devotional service.

Your Servant,

Bhakta Akshay Kumar

Bhakta Aman Gupta

Dearest Srila Prabhupada,

All glories unto you, the empowered one, the commander-in-chief of Lord Chaitanya, whom he chose for propagating the glories of Harinam sankirtan worldwide. You are the most confidential servitor of Krishna. I pay my most respectful and humble obeisances unto your lotus feet again and again.

One may be able to find a touchstone or even a desire tree here in this world, but it is much rarer to find a mahabhagawata like you, and even rarer still is to have a spiritual master such as your divine grace.

You have been extremely kind on such a worthless conditioned soul like me.

You picked me from the material ocean of nescience where I was transmigrating and suffering in different bodies since ad infinitum. You gave me this matchless gift of Krishna Consciousness. You bestowed upon me your causeless mercy numerous times and you continue to do the same, in the form of sending out your representatives, for me to associate with, and many other things which I may not even comprehend.

All that you did for me, and still I'm such a miser, that I keep wasting this life like animals.

In spite of understanding the gospel of Krishna Consciousness, at least theoretically, I continue with the materialistic consciousness and do not pursue devotional service unto Krishna. What can be done of such a fallen soul, who knows everything, but still does nothing? Only you can save me dearest Srila Prabhupada.

This year was one of my worst years of Krishna Consciousness. I practiced negligible devotional service, as compared to what I once used to by your causeless mercy.

I was so entangled in material perplexities, that I had even forsaken the association of devotees.

It's your most important instruction to always chant 16 rounds and follow the 4 regulative principles under all circumstances, but I'm such a wretched soul that I couldn't even follow such an elementary instruction.

With utmost humility and earnestness, therefore, I beg to ask for more of your mercy Srila Prabhupada, so that I may be able to chant 16 rounds and follow the 4 regulative principles.

A little while ago, I resumed practicing a little regularly, but it is still far below the standards set by you. And I wouldn't be able to do anything without your mercy dear Prabhupada. My false pride was long broken which made me think I could practice unflinchingly even without any association.

That's why I, again and again, ask for your mercy Srila Prabhupada, as I firmly believe that by your mercy and your mercy alone, will I be able to practice perfect Krishna Consciousness and go back to home, back to Godhead.

Please give me the strength to serve your mission dear Srila Prabhupada. I have always had this desire, to be your favorite disciple, but presently I'm not even qualified to call myself your disciple. I have firm faith though, that if this crippled soul gets your mercy, he will definitely be able to cross over the huge mountains of Maya to distribute your books throughout the whole world.

Aspiring to be one of the atoms of the dust of your lotus feet,

Your servant's servant,

Bhakta Ankit Kumar

All glories to your Lotus Feet.

"Namo on Vishnu padaya Krishna pristhaya bhutaly
Sri maaty BhaktiVedanta Swami niti naminy".

On the sacred occasion of your appearance anniversary in this material world, I fall in the dust of your Lotus Feet and beg ability to glorify divine mercy of your lotus Feet.

In Chaitanya Chcaritamrta (Antya-Lila 7.12 purport) you state the following "The true Acharya the Spiritual master of the entire world must be considered as an incarnation of Kṛṣṇa's mercy."

You are my spiritual master, I considered myself as a very fortunate soul in the shelter of your lotus feet, and I'm very much grateful towards you that you accepted me as your Eternal servant and gave me pure devotion of Kṛṣṇa which is very very rare.

O Srila Prabhupada when you had not entered my life, it was just like the waves of the ocean which can't be peaceful in itself, I was always unsatisfied and I used to miss something but you gave me the missing link in my life and your books have made a great change in my life.

Your book gave me the breadth of outlook and gave me the purpose of my life which is back home, back to Godhead. And by knowing this, I'm so much satisfied and have become peaceful. I always need your personal guidance at every step of my spiritual growth. You have changed my life, so please bless me so that I always remain in your Lotus feet. The dust of your Lotus feet can deliver one from the cycle of birth and death.

I hope in a few years, your Mercy spreads all over the world, and everyone will be delivered from the painful situation of this material world.

Everyone needs your special blessings to get out of the clutches of Maya, especially me. I pray to you to give me shelter at your Lotus feet.

All glories to Srila Prabhupada. Jay Srila Prabhupada

Dear Srila Prabhupada,

Please accept my humble obeisances.

I feel so blessed to be surrounded by your work. You are a Godly person sent by Krishna and we all are so blessed to be in your service.

From the age of 5, I was deeply interested in spirituality and to know the truth of the life and from that time I started reading many books related to it but never found the true meaning, After struggling a lot in my life finally I found Krishna's teachings and truth associated with it. My heart is filled with joy for the service of Krishna. I realize the truth of life. Yes, there are many challenges in this path because of the survival, attachment and desires I am too bounded by now that bond has become less effective to me as I started chanting and reading your books daily.

Thank you so much for your mercy upon me.

Yours faithfully,

Dearest Srila Prabhupada,

Please accept my most humble and most respectful obeisances unto your lotus feet.

Thank you wholeheartedly for guiding me towards the real knowledge and sublime yet perfect life.

My thoughts and life are shaken and highly uplifted by your teachings.

I often get struck with wonder by your tremendous contribution to this world.

You have presented us the transcendental Vedic scriptures with utmost clarity and authenticity yet beautifully. Fallen people in this age of Kali can now learn and relish your example as a first-class devotee of the Supreme Personality of Godhead. Everyone is given a chance to know about the ultimate goal of human life and real happiness. Helpless souls can now learn about their real father and eternal best friend.

I am a rascal number one with a materially polluted mind, improper upbringing, and whimsical activities. Due to your causeless mercy, I am now able to sometimes seek for the mode of goodness and that is very wonderful.

Mayadevi keeps me trembling through perplexities of professional career, lustful thoughts, pride and mundane association.

I beg you for your mercy so that I can somehow be able to follow your instructions perfectly and contribute to your glorious movement.

Please give me a chance to serve your lotus feet, for this is my ultimate desire. All glories to Your Divine Grace!

Your aspiring servant,

Bhakta Ayush Goyal

Dear Srila Prabhupada,

The ocean of mercy, Please accept my humble obeisances unto your lotus feet.

Oh, my beloved master, you have shown me the path of devotional service, which is rarest even to the great sages and demigods, what to speak of me a most fallen and rotten soul on this planet who is eager to fulfill his materialistic desires... Oh, master, my heart is full of lust, greed, anger, jealousy, affection and you are showing causeless mercy on such conditioned soul... Please accept this sinful person as your humble servant and give me the opportunity to serve your lotus feet, Lord Krishna and your movement. Please engage me into the loving devotional service of Sri Sri Radha Vrindavan Chandra and treat me like an instrument of your will, so that, by serving you and Krishna I'll get freed from all sinful actions and sense gratification tendency. Only you can save me from drowning in this ocean of nescience. Oh master, be merciful unto me and engage me in your service and your movement... Hare Krishna...all glories to you may your glories spread in the entire three universes. Hare Krishna.

Dear Srila Prabhupada.

Please accept my humble obeisance.

All glories to Srila Prabhupada. All glories to you on this auspicious day of your Vyasa-puja.

This is your most unqualified servant. Somehow I became fortunate as you sow seeds of devotional service into me. But I found myself unable to get out of material attachments and being always agitated by lust, anger, and greed.

Please be merciful upon this conditioned soul and help me for spiritual progress.

This is the second year of my “engineering” and please help me to complete it successfully with spiritual progress. Please save me.

Your humble servant,

My dear Srila Prabhupada

Please accept my humble obeisance at your lotus feet.

Srila Prabhupada because of your Causeless mercy, I have come to Krishna consciousness, I don't wanna speak any lies to you in this open letter, however I believe you know everything, being an eternal soul, I remember that I chanted "Hare Krishna maha-mantra" for the first time when I was 13 years old, then I believed, if I chanted 108 rounds all my wishes will be granted. it is just for a period of time as I came to my puberty, I left the chanting of the mantra, and I again restarted during my intermediate dates occasionally, mostly during the exam times, as everyone does.

Later then I dropped one year for my JEE preparation, and my hostel is located just beside the Lord Venkateshwara temple in Hyderabad. It is by the mercy of the Lord I got admission in one of the prestigious institute in the nation. Just now I had got a thought strike overmind.

I left my home when, I was 12 year old and joined in a boarding school in Tirupati, a world renowned holy city. Still, I remember how I used to start my day by worshipping the holy hill Tirumala and Lord Venkateshwara. And thereafter, I moved towards to place called "Narasimha Konda" one of the holy places in Nellore, just below the foothill I passed my 2 years of High School Education, the Same got repeated even in my longterm and even now it got continued in my B.Tech in an unknown place and I had got a wonderful association of devotees.

From the moment I left my home, whenever I had gone so far, Lord Sri Krishna took care of me always under his protection. My Contact with the Lord has been continued till this moment and I want it to continue until my last breath. This is the only Wish I expect from you Prabhupada.

Please give me Enough patience, knowledge and Smartness to continue in the service of the Lord.

Yours faithfully,

Bhakta Gowtham V

I would beg you to please be merciful on this weak devotee and give me strength and knowledge to serve you and Lord Krishna with full love and devotion. Please always give me determination and energy to practice and carry out your great mission. Countless thanks for being my spiritual master.

Always aspiring to be under the shelter and serve you with full devotion.

Srila Prabhupada my eternal spiritual master, please accept the sastanga namaskara of your beloved at your lotus feet.

I want to take this opportunity of Vyasa Puja 2018 to thank you for your blessing on this stinking soul. A few months ago, Srila Prabhupada I was in the deep ocean of ignorance and, it is only by your blessing that I am trying to understand KRISHNA and trying to come out of this ocean. Now, I am under the care and shelter of Sri Radha Vrindavan Chandra and Chaitanya Mahaprabhu. Even though I was not in your association for many years, but still in heart, I knew that there is someone that stays me connected to Krishna. I am in a place where coming out of MAYA is like impossible; but with your association, it seems that such escape is possible. I am unable to serve you with full capacity due to my material attachments. Be merciful on me and give me pure devotion and knowledge to serve you and Lord Krishna with love and please always help me to grow more in KRISHNA CONSCIOUSNESS. I need strength to always be a part of this HARE KRISHNA MOVEMENT. It is not possible for me to be the same without your mercy. It is also not possible to pay the debts which I've received from you and Lord KRISHNA in this short duration of time, as I'm the most fallen soul, the most abdominal one. My prayer at your lotus feet is to accept

this most fallen soul as your disciple and give me a chance to serve you. Million thanks for being my Spiritual Master and please always be there to enlighten my mind and soul.

Thank you Prabhupada to be most kind to one and all and especially me, otherwise I am useless person doesn't have any strength to walk a step in the Spiritual path. O Spiritual father it's just like you holding a finger of a notorious child who doesn't listen to you and guides him to spiritual journey this shows your causeless mercy

Please forgive me for any lacking in your service and following your divine instructions and especially service to your disciples because that has made me possible to serve you and the mission of Lord Chaitanya.

Dear Srila Prabhupada,

Please accept my humble obeisance in your lotus feet.

I would like to thank you for coming into my life and teaching me Krishna consciousness.

I am very grateful for your causeless mercy. Due to your company and the company of devotees, I learnt how to live life in real life. The chanting of the holy name of God revealed to me the truth of life. I am facing the challenges very easily as I have been made conscious by your great effort which you did worldwide.

At last, I request you to keep your mercy in me so that I could reach the ultimate goal easily.

Your love and affection are very helpful to us. Please bless us. Thanking you,

Srila Prabhupada,

Please accept my humble obeisance at your divine lotus feet.

All glories to Srila Prabhupada. All glories to you on this auspicious day of your Vyaspūja.

I feel blessed that I am connected to Krishna Consciousness movement which is founded by you. After reading your books I feel that I am moving ahead in the right direction. The book named “Perfect Questions Perfect Answers” is very effective and has deeply influenced me which I cannot forget ever.

I am grateful to you and all the predecessor Acharyas of the Krishna Consciousness Movement for giving such guidance which is showing us the way back to Godhead.

At this most auspicious occasion, I humbly beg you to continue to shower your blessings upon us and be with us and guide us on the path of righteousness. I seek your blessings and beg you to make me strong enough so that I may rightfully discharge my duties. I beg forgiveness for my offenses.

Your humble servant Bhakta Mohit Singh

Bhakta Naresh

“My dear Srila Prabhupada, please accept my humble obeisance’s in the dust of your most sacred lotus feet. All glories to you on this auspicious day of your Vyasa-pūja.”

As I thought of writing this Vyas-pūja homage to you my spiritual master, I find myself unworthy of so. There is nothing in me to offer to you because I am a poor unworthy soul. Before writing this offering I want to remember my favorite lines from Guruvandana

śrī-guru-carāṇe rati, ei se uttama-gati, je prasāde pūre sarva āśā

“Attachment to your lotus feet is the perfection that fulfills all desires.”

Spiritual Growth: -

Actually, my Master, there is not much growth in my Spiritual Progress in the last year as you know well. But there is Progress for a certain period of time, but again it fades away when improper Sadhana happens. To be frank I am not able to do Focused Chanting Daily as Prescribed and also read books. It is by your causeless mercy now and then my Sadhana is happening in full swing that is what made me progress a bit.

My dear master, please forgive this servant as I did not fulfill my last resolutions as promised. As your mercy is always showering like an unstoppable rain on us, it is us we are not able to take advantage of your mercy and progress in spiritual life.

Without any expectations, my master I had landed in north India, even though I was not attached to your lotus feet you have mercifully fulfilled my desire to be a part of Vrindavan Chandrodaya Mandir and to serve their Lordships Sri Sri Radha Vrindavana Chandra. It is your vani which always keeps me to be in Krishna consciousness. Recently I have started reading your Grace's Lilamrita which made me to contemplate on my own actions lately that I'm not even at average of actually rendering a proper service to the Lord in proper Consciousness.

Oh, Gurudev! With your blessings and causeless mercy of Their Lordships “Sri Sri Radha Vrindavana Chandra” and “Sri Sri Nitai Gauranga” I have done few appreciable Services for authorities. Having darshan of Mayapur Dham and Jaipur temples made me to dedicate myself in service of Krishna. There is nothing comparable to Mayapur Dham on this planet as Krishna descended to this material world in that holy Dham as Prema Avatar(Gauranga). The glance of their Lordships Radha Govinda (Jaipur) and Srinathji(Nathdwara) is so merciful.

My Master this year also devotees are able to do the R3 Project successfully under your guidance. Please help me to just carry out your instructions as instructed I desire nothing else, my master. I know I am the most undeserving and the most unqualified, but yet, somehow or other, by your causeless mercy I'm still in touch with maha-mantra. My master kindly help me to do Proper bhajana-kriyā so that anartha-nivṛttiḥ happens. You have facilitated my spiritual Progress as far with the association of Devotees. I never dreamt that such a sublime life could be experienced anywhere within this miserable world. Now by your mercy, it has become a living reality in Sri Dham Vrindavan.

I bow forever at your lotus feet in humble gratitude, “your humble servant of a servant” Bhakta Naresh.

Dear Srila Prabhupada,

Please accept my humble obeisances at the dust of your lotus feet. All glories to your divine grace.

Every time I finish my rounds I wonder what would have been my life if you didn't take the pain of traveling to the west, preaching and writing books? And I realize that there wouldn't be any life in my existence without the efforts of you and your devotee army.

Today in this age of Kali, just by your effort millions of devotees are living a blissful life and are putting efforts to make this world a better place to live in.

By your unconditional mercy please correct and guide this insignificant soul to reach the lotus feet of Sri Sri Radha Vrindavan Chandra.

Your insignificant servant,

Bhakta Neeraj Alavelli

Bhakta Neeraj Kumar Singh

Dear Srila Prabhupada,

All glories to the Divine Grace. Please accept my humble obeisances at your revered lotus feet.

Out of endless mercy, you accepted me as your disciple and brought me nearer to the Lordships. For the last few years, I have been chanting the glories of God only due to your grace. Your books are real churn out of spiritualism and help in making the knowledge atmosphere very conducive to understanding real spirituality. The books written by You are my mirror now and I can look into them to seek answer to every question related to life and beyond.

The most important lesson learnt after being a part of the Krishna Consciousness movement of your's is that I have been able to visualize and appreciate the importance of having a real guru in one's life. The knowledge of oneself imparted through your teachings have shed aside the false and imperfect ideas which were deep-rooted inside me.

Even though I am in your association for many years, I am unable to practice Krishna Consciousness with full motivation due to my material attachments. Be merciful unto me and give me more strength and knowledge to never leave the association of devotees.

Always a seeker of your merciful glance.

Your most fallen servant,

Dear Srila Prabhupada, Please accept my humble and sincere obeisance.

Only because of you my spiritual master, Srila Prabhupada, that I am able to come in light of Krishna consciousness and understand that we are only for the Pleasure of Krishna and Krishna is the control of all. My spiritual growth is on increasing curve but there is long way to go. So, I ask for your help to guide me through this path and make my spirituality to increase exponentially. It is a road and as every road has up's and down's so I ask for your blessing to help me get through all the low's in life. As you have shown the path I am trying to follow it and at present my goal is to achieve the 4 regulatory principle and chant Maha mantra.

Begging to remain under your lotus feet at all time. Your most fallen servant.

Shrila Prabhupada

Please accept my humble obeisance unto your lotus feet. All glories to your Divine Grace !!

I was recently hearing one lecture, where a devotee was telling some pastimes when you were giving a lecture in the USA, and you confronted all the people there as the living life of hogs.. similarly, at an Indian family house, there was a four-hour discussion where you called that person as mudha...

The best part in both the cases is: they accepted it and fell down at your lotus feet.. begging your mercy.!!

So even by a little mercy of yours the mudhas, hogs get transformed.

This especially has enriched me so much of your divine grace.

Every year especially while preparing offerings.. there comes a deep thought that makes me bewildered, how you showered your causeless mercy upon such a fallen soul like me.. to become Krishna conscious and still I lack in every term of doing it.

Things went fine last year. There were many situations where I tried to be determined but couldn't come out of it perfectly. Your divine grace, for the upcoming scenarios kindly be merciful to me to go through it and come out nicely.

Finally, by your grace, I got to understand how tiny pleasures we were hankering for ignoring the ocean of happiness, and that we have only and only one responsibility, that is to serve Krishna. Rest all responsibility and these pleasures are just an illusion of Maya.

Thank you, Prabhupada, for giving me this first opportunity with the help of our YFH sessions to let others know it.

Sadhna along with daily Bhagavatam class have been much helpful for getting deeper into the subject.

Thank you, Prabhupada for giving us a chance again to go with the new initiatives we have taken at folk center. This time we do not want to try, we have to do it...

Trying to be your servant

My dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet,

All glories to Srila Prabhupada,

Srila Prabhupada, you are the ocean of mercy for all humankind in this age of Kaliyuga. Because of your causeless mercy, I and the whole world are able to chant the most magnificent holy name of Lord Krishna. These days, we are able to have darshan and pull the chariot of Lord Jagannatha, Lord Balarama and Subhadra Maiya all over the world. You played an important role to accomplish the mission of Lord Chaitanya Mahaprabhu. You put all your efforts to spread consciousness to each and every corner of the world.

Srila Prabhupada I was in the darkest region of ignorance, it is only by your mercy that I am trying to chant the holy name of Lord Krishna and reading Krishna conscious books to come out of this ignorance. But I am still in Maya and unable to serve you with full capacity due to my material attachments. Because of your grace, I am still in Krishna Consciousness and trying to do progress in my spiritual life even though I had gone through many ups and downs in my spiritual life. Be merciful unto me and give me more strength and knowledge to serve you and Lord Krishna with pure love.

My prayer at your lotus feet is to accept this most fallen soul as your disciple and give me a chance to serve you. Million thanks for being my Spiritual Master.

Your Eternal Servant

Bhakta Paras Soni

Bhakta Parikshit

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to your lotus feet.

With your mercy, I am capable of seeing the main aim of life. As you'd told, I am following the four regulative principles very strictly and I'm chanting at least 8 rounds in a day. By reading your books it becomes very easy to understand this Krishna Consciousness philosophy. Your books are the key source for getting knowledge and I am very fortunate that I got the chance to come in touch with your books and this philosophy. By practicing these things your grace I can feel the change in me day by day. Before coming to this movement, I was just wasting my time doing unnecessary things but after coming here I realize the goal of life, to carry out your orders and to serve Krishna only.

Your words carry so much power that just by reading your books and listening to your lectures one can easily develop love towards Radha and Krishna. Sometimes it becomes very challenging to stay away from the clutches of Maya but simply by chanting every day it becomes easier as you'd said: "Chanting is the solution to all our problems".

Srila Prabhupada, your only wish was to propagate this movement all over the world, and as a servant of yours, I am trying to deliver your message to my batch mates and various other students.

Thank you very much for everything, Srila Prabhupada. All glories to your lotus feet.

Bhakta Prasoon Gupta

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet. All glories to your Divine Grace.

There is your unconditional mercy on me that I've been exposed to Krishna Consciousness but at the same time I'm unfortunate enough that I've chosen Maya over Krishna. While I'm writing this offering to you, I'm sitting in Mumbai and pursuing material knowledge so-called MBA. Here, I'm sitting in the lap of Maya and directly exposed to all nonsense of this dark age. I've also lost track of chanting and not able to chant daily.

I've chosen Maya over Krishna and I've also dared to leave your shelter and following my mind. I don't know what is going to happen to my spiritual progress. I'm somehow maintaining four regulatory principles due to your grace.

Dear Srila Prabhupada, I don't know When shall I be able to come out of ignorance and darkness offered by Maya?! When shall I be able to follow your simple instructions?! When shall I be fortunate enough to accept your freely distributed mercy?! I've been just like the piece of cloud lost in the storm. O my master, I'm praying with folded hands please make me your puppet. Please help me out.

Trying to be Your worthless servant,

Dear Srila Prabhupada.

Please accept my humble obeisance. All glories to Srila Prabhupada

Dear Srila Prabhupada, I am very grateful and thankful to you. You have given this golden chance to become a human being by introducing this amazing Krishna consciousness movement. Before coming to this movement, I was living the life of an animal and there was no purpose, no goal in life. Now I am able to know how should I be utilizing this human form of life in Krishna's service and how I can be different from an animal. Dear Srila Prabhupada your books are like medicine for us by reading these books we are curing from this disease of material suffering. I am getting your unconditional mercy which I am realizing practically e.g. I am working in your organization and taking care of a very important department. By your mercy only I am getting this environment where I can perform devotional service.

Dear Srila Prabhupada till the end of my life I want to remain in your mission and always want to serve you so kindly bless me and please give your protection through your books and Devotees.

Your aspiring servant,

Dear Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet. All glories to you on this most auspicious appearance day of your divine grace.

Prabhupada it is because of your mercy that even the most fallen and insignificant souls like me get the chance to begin a spiritual journey. From its inception, your Hare Krishna movement is making people like us who were in ignorance to understand the real aim of this human life form. Your translations and purports are so easy to

understand and I will forever be indebted to you my spiritual master and pray to remain and serve at your lotus feet.

Even hearing or chanting the holy name of Shri Krishna one can feel the spiritual ecstasy, and it is because of you that all over the globe people are developing this higher taste. You showed the world to fight this illusory energy of Maya. You are so merciful my master that you propagated this movement despite all hardships you faced just for our liberation.

On this auspicious day of your appearance I pray to remain as your servant and to serve at your lotus feet and I am so much thankful and in your debt that you always keep guiding us through your books. For a neophyte like me who is always in Maya it is because of my master, sometimes I feel I am in Krishna consciousness.

I beg to remain your servant and serve you at your lotus feet.

Dear Srila Prabhupada,

Please accept my humble obeisance at Your lotus feet.

All glories to You.

It has now been almost 2 years that I am into Krishna Consciousness and taken shelter under Your guidance. I was drowning in this ocean of material world with full of lust, greed, jealousy, ego, etc. but 2 years back I got associations with the devotees and they introduced me to You. I was always attracted to spirituality but there was no one to guide me to the right path. After associating with You I came to know the true purpose of this material life.

With the help of your books, videos, lectures, etc. I came to know more and more about how to lead a happy and perfect life in this material world.

Always at Your service.

Your humble servant,

Dear Srila Prabhupada

Please accept my humble obeisances unto your lotus feet. All glories to Srila Prabhupada, All glories to you on this auspicious day of Vyasa-puja.

Hare Krishna! I am very very thankful to you because you pull me always to Vrindavan in some way.

I remember your verse that Krishna is never forgetful to devotee Which already seen practically Prabhu.

I also completed two years of job in a company but my chanting got never hampered, But still, a lot of things are needed to be improved.

Many devotees tell me to read Your Book and practices sadhana, Which am not doing Hence I pray to your lotus feet. Please make such arrangement to do that also. Whenever I hear your lecture or verse on Bhagavad-Gita and Bhagavatam, I use to write and also philosophically get cleared. e.g Recently heard a lecture in Vrindavan in which you clearly explained about dharma, Bhagavan, and Isvara.

Please, Direct my mind such that, I only do those things what you wanted to do for Back to God-Head or else arrange situation like that.

Hare Krishna Gurudev,

Gurudev Please accept my humble obeisances unto your lotus feet.

On this very auspicious day, I would like to thank Gurudeva for all the mercy

he has bestowed upon me by accepting me as his disciple, the association of devotees I have been able to understand the

science of self-realization. By listening to the lectures of Prabhupada, by the mercy of Srila Prabhupada, my life goal changed in a few months.

Your servant,

Bhakta Rupesh Pachori

Bhakta Sachin

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet.

Prior to coming in touch with your teaching, I had a different personality altogether. I was very unsatisfied with my life; I had a lot many complain about it.

I had held grudges against many in my mind and was never ready to forgive them. But, through your teachings, I learned to be compassionate. That has relieved me of the unnecessary pain that I suffered with.

I was full of regrets for things that I could never acquire. And it is because of you that now I feel gratitude for everything that I have. I always complained to God of not giving me something that I desperately desired. But now

I thank Krishna for giving me so many things even without asking. Most importantly, I could know the right God to thank because of you.

I had always been full of anxieties. And now I remain calm.

I was always bewildered, being unable to make correct decisions. And after you touched my life, I have proper directions to take any decision.

I had become hopeless as I had to face many failures in life. But, because of you now I have faith in the Supreme Lord.

My sleepless nights changed to early morning Mangala Aarti.

I regretted over some lost relationships. And you reminded me of my eternal relationship with Krishna.

Speaking in a material sense, by reading your books I have developed some common sense that generally is absent in materially engrossed person.

Just as Arjuna became full of awe after listening to the Opulence of Krishna (Bhagwad Gita, Chapter 10). And in the end, Krishna says “But what need is there, Arjuna, for all this detailed knowledge? With a single fragment of Myself, I pervade and support this entire universe.” Similarly, all that I mentioned is nothing but the byproducts of what you actually intend to deliver to the conditioned, fallen souls. You are giving the highest perfection of love of Krishna to us. And we are simply amazed to see the byproducts of what the actual gift is; and are unable to estimate the value of the actual gift.

Dear Srila Prabhupada, please, please bless me that I am attached to your lotus feet. I have fallen into the deepest pool of material life. Please give me the strength to follow your instructions and be attracted to loving service to Lord Krishna. Also, please bless me that I can chant Hare Krishna Maha-mantra offenseless with attachment every day.

Aspiring service of your servants,

All Glories to Bhaktivedanta Swami Srila Prabhupada. Please accept my humble obeisance to your lotus feet on this auspicious day of Vyasa Puja.

You have showered your blessings upon me and have been the lamp which has dispelled the darkness of ignorance from my life. I considered myself extremely lucky to come under your shelter and having you as a beacon in this materialistic world. Every day is a new challenge and a whole new struggle in this materialistic world, but having you as a guide has made the journey easier. It is due to your kindness that I have been able to embark on my spiritual journey. Oh my acharya and my spiritual master, please accept my humble obeisance to your lotus feet.

Only because of your causeless mercy I came to know the importance of chanting. Now I am chanting at least 4 rounds per day. Also, I want to increase my chanting rounds to lead a successful life.

Thanking you my most respectful spiritual master SRILA PRABHUPADA for this causeless mercy. Oh, my spiritual master!! Please keep your mercy on me always so that my education may properly be done and become successful and with your mercy, I may do service of lotus feet of Krishna.

In 2016, I came in touch with Krishna Consciousness by your grace. In the beginning this process was little difficult for me but now I like it. Before coming Krishna consciousness, I was so much attached to sense gratificatory objects but now I am losing taste for it.

Please empower me to follow strict celibacy, reading your books, chanting and hearing your glory.

Dear Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet. All glories to you on this most auspicious appearance day of your divine grace.

A person fallen in an ocean is tossing here and there in ocean waves, sky covered with dark clouds. Don't know the swimming, still, in egoism and illusion, he thinks he can swim and cross the ocean with his efforts. From all directions, waves slap him. With so many ups and downs. Not have the ability to bear the pressure, force, feels like broken internally, lost all hope to be saved.

A light of hope, a Ship approaches him, bright Sun clears the clouds of material thoughts (name, fame, wealth, hankerings, lamenting, fear...) began disappearing, atmosphere filled with beautiful fragrance, transcendental sound vibration Hare Krishna Hare Krishna Krishna Krishna Hare Hare Hare Ram Hare Ram Ram Ram Hare Hare.

In the condition where it was impossible to be saved You simply made it possible and He was saved. By the causeless mercy on that fallen soul, You had taken him under Your shelter and given him a new and meaningful life. To this fallen soul even after having so many impurities You have given chance to serve Krishna and his instructions.

The Vedic scriptures which were not understandable by us and neglected in Maya for material happiness, You gave that in such a simple and effective manner that it is transforming the lives of people. You taught us the real knowledge, the knowledge of the soul, Supersoul, and nature-material and spiritual. The Sankirtan movement inaugurated by Shri Chaitanya Mahaprabhu has spread all around the world by You and delivering people from hellish conditions of life simply by chanting Hare Krishna Mahamantra.

Once You were in Mayapur and one magic show were organized, there a famous magician showed many magic tricks and gained appraisal from spectators. After that You interacted with him and told You are the greatest magician than you because You can make four miseries of human life-birth, disease, old age, death vanish. Devotees are putting their all efforts, dedicating their lives to spread this magic everywhere under your guidance; I also wish to put my negligible efforts to spread this magic of Krishna Consciousness.

The reason I am able to serve Krishna, His instructions is only You Prabhupada. During the purification process, I am undergoing many miserable situations but Your presence in my life always saves me from the clutches of Maya. Please, always be with us we have no hope in our life other than You.

Prabhupada please give me your blessing so that each second of my existence is spend on remembering and serving the Lotus Feet of Radha Krishna and You.

Dear Srila Prabhupada,

Please accept my humble obeisances

It's been 4 years since I visited Vrindavan for the first time and started my Krishna Conscious journey of my life and by receiving your blessings I stepped on to this path. I came to know about spirituality, who is Krishna, why is our relation extremely important with him how to revive this relation all this has been possible only by your Mercy. In this four years, I came across many hurdles challenging situations some of the very hard time of my life but the impact of your Mercy has been so hard and tough that nothing could form my faith and understanding about Krishna and philosophy of Bhagavad Gita. By your books, I came to know that we may be doing any kind of work or business in our life for our sustenance but if the purpose of life is kept as Krishna consciousness then every business and work are good else it's just a life of an animal. All this has been possible only by your causeless Mercy.

I am not a good scholar or very intelligent to understand the Vedic scriptures but what I only know is the basic principles given by you that are chanting and following four regulative principles and as per your promise it's sufficient to go back to Godhead. It will only be possible by your causeless Mercy and I will keep begging for this Mercy all my life.

Dear Srila Prabhupada.

Please accept my humble obeisance unto your lotus feet. All glories to you on this auspicious day of your Vyasa-puja.

Writing to you and expressing my deepest gratitude is like a dream come true. No matter how much I write and try to express my sincere thanks to you I shall never be able to repay your debt.

I have been practicing Krishna Consciousness for about 8-9 years and it has changed my life for the ultimate good. It has made me spiritually advanced by experiencing self-realizations each day.

Chanting the holy name of the Lord sincerely gives me immense peace, happiness and adds meaning to my day.

For a year and a half, I have been facing tough times but Faith over Lord Krishna and you are undeterred and it is this unbreakable faith only which has kept me going despite all odds.

I can't even imagine what kind of life I would have had without your unconditional grace over this fallen soul.

No matter what happens in life I have this 'Avijayi' weapon bestowed by you of 'Hari Naam' which makes me fearless and ready to face all the challenges with utmost ease and calmness because I know even in lowest of my times, Lord is always guiding me and helping me.

You have given us the 'Higher taste' which makes all other worldly enjoyments tasteless.

Again a sincere Thanks to you.

Most fallen soul

Dear Srila Prabhupada,

Please accept my humble obeisance.

All glories to Srila Prabhupada on this auspicious day of Vyasa-puja.

On this auspicious day of Vyasa-puja, I would like to thank you for the knowledge that you have thrown on this ignorant soul. You have made me realize the higher level of existence than the material world. The mercy you have shown on this human race has initiated a spiritual change in me, just like millions of others. You have shown me the path to the eternal, Krishna. You gave me the chance of serving him.

My dear master, Please give me more intelligence and strength to be free from this material attachments and to realize Krishna. Please guide me on the right path to the eternal wisdom. Please give me the intelligence to follow your orders, rather than being blown away in the material world. Pull me into the association of the eternal lord, Krishna.

Dear Srila Prabhupada

Please accept my humble obeisance onto your divine lotus feet.

All glories to Srila Prabhupada. All glories to you on this auspicious day of your Vyasa-puja.

As you are the representative of Srila Vyasadeva and also I have accepted you as my spiritual master with all of my heart. So on the occasion of this Vyasa-puja, I am offering my humble obeisances unto your lotus feet.

You are the best Acharya as well as a guru because you teach us the most difficult philosophy in the easiest way through your Speaking & writings and that too with your personal example. You have performed your devotional services very strictly following the instructions of your spiritual master.

In this World except for your sincere and true devotees, who have devoted their lives to serve this KRISHNA CONCIOUSNESS MOVEMENT to spread your divine message everywhere, the majority of the people are interested in materialistic affairs and entangled in the sense enjoyment. Similar to this class of people but much above from them some of the conditioned souls who have taken to Krishna consciousness, accepted you as a spiritual master, started chanting but still struggling. I am one of them, my master.

You are very merciful, so I please beg you for your personal services, give me inner strength to take all austerities, and please forgive my offenses.

Your humble servant,

Dear Srila Prabhupada

Please accept my humble obeisance at your lotus feet. On this auspicious day of your Vyasa Puja, I want to thank you for the most beautiful thing that has happened to me due to your mercy. Two years ago, by your mercy, I came in touch with Krishna Consciousness Movement and that has completely changed my life. From then onwards I am more tolerant and I have a spiritual view of life. I remain happier than ever.

Now I am chanting 8 rounds a day and aspiring to do 16 rounds a day as soon as possible. Please bless me with your mercy and always keep me under the shelter of your lotus feet so that I can conquer over the vicious cycle of birth and death. Please always help me to associate with your devotees and to cross every hurdle that comes in my way of devotional service. Without your mercy, I cannot do anything but with it I can easily cross this material ocean.

Prabhupada please forgive me if I have done any offense at your lotus feet and I beg you to bless me with your mercy.

All glories to His Divine Grace Srila Prabhupada. Please accept the humble obeisance of a fallen soul on this auspicious day of your Vyasa-puja.

Srila Prabhupada, I am not able to imagine how my life would be if your divine grace was not showered on me. You converted me from a meat-eater to a pure vegetarian & I don't have words to thank you for that. Before coming in touch with you, I was unaware of the supreme controller. I used to think this world continues on its own. Due to this wrong perception, I was not able to handle even small challenges of my life. Now I see the challenges from a different angle. As you say that even a great distress is approved by Krishna, so why should I be afraid of it. Earlier I was studying to get a job so that by having a lot of money I can live a very happy life. Now also I am studying to get a job to earn money but to fulfill the basic necessities of my life on this planet. Because you only say that these are temporary happiness & to get eternal happiness we should surrender to Krishna. But your divine grace, I am not able to surrender myself completely to Bhagavan. I cannot ask you to provide me with anything because I don't know how much material as well as spiritual progress is allotted to me. I have completely forgotten my previous lives, my father Krishna and my mother Srimati Radharani. But Swami I am in dire need of something and that is nothing but you keep me in service of your lotus feet and remembering Lord Krishna and Chaitanya Mahaprabhu. Last but not the least, it is your grace that I have the opportunity to take prasadam directly offered to Sri Radha Vrindavan Chandra. Although I joined the movement due to my interest in auspicious prasadam, I promise you I will try to keep progressing in Krishna Consciousness till my final test arrives.

You appear like a bright sun to eradicate the darkness from my life Oh master without you our life was in dark and lost. By your mercy we know speciality scientifically, that our bad qualities are being killed As I remember you my heart fills with hope and gratitude, you asked us to simply

change the holy name of God and follow Krishna's teachings. In this lifetime all that really matters is how we please you.

Please forgive my offences and help me to carry out your orders. Please accept my sincerest obeisances and my life as a servant of your servants. The world will remember you always.

Dear Srila Prabhupada,

Please accept my humble obeisances.

A bonafide spiritual master is just as good as Krishna himself, your appearance in this world is a divine blessing for all the fallen souls of this world. You may not be physically present in this world anymore but you are present in your books and in your teachings and your will is being carried on by your disciples, of that, I have no doubt. Your books have always helped me in understanding the complex topics of the Vedic scriptures without your books either this knowledge would have been lost forever or completely mistranslated into something else. So, All glories unto you for all the hard work you did in order to carry out your spiritual master's order and to deliver the fallen souls of this world back to Godhead.

From last week I have been chanting 64 rounds every day and in a couple of weeks my new semester is about to begin, but I am determined to still chant 64 rounds every day, but that cannot happen without your blessings.

So, I humbly beg for your blessings so that I can execute my mission successfully. All glories unto you, the spiritual masters and all the Vaishnavas.

Always grateful to you

Dear Srila Prabhupada,

Thanks for making our life better. By your graciousness, we move forward to come out from mode of ignorance to mode of goodness. From the state of negativity to the state of positivity. From uncivilized to civilized and managed life.

Because of your divine mercy, we are making our lives better. Coming to Krsna Consciousness removes our problem. Before we are living our life like animals and indulge only in eating, sleeping, mating and defending only. But after coming to Krsna Consciousness we know about Lord Krsna and feels blessed by his almighty powers. By your benevolence we know are able to practice spirituality.

Dear Srila Prabhupada,

Please accept my most humble obeisance on this most auspicious day of your divine appearance. All glories to Your Divine Grace.

It is my privilege that I have been blessed with the opportunity to write about my feelings for you Srila Prabhupada. I offer my gratitude to you Srila Prabhupada for your mercy upon me. It was my one of the most life-changing point when I came in touch with Krishna consciousness. I came in touch with this 4 years ago through one of my senior but I did it only for formality. But after completing my college I tried to be in touch with you and by your mercy, I found one of the devotees and my whole life was changed from that point. I went for Haridwar-Hrishikesh trip with the folk Noida. On the first day of the trip, all chanting, dancing, kirtan was different for me. I was thinking how I will cope up with that environment but after understanding the importance of these things on the third day I was enjoying these things. And the trip was a turning point in my life. After coming from the trip I was chanting two rounds only but as the time goes this chanting gave me pleasure and I was continuously increasing my chanting rounds and now at this point, I am able to chant sixteen rounds.

Srila Prabhupada is the pre-eminent acharya of the Gaudiya Vaishnava sampradaya of our time. His voyage on the Jaladuta fifty years ago marked the beginning of a spiritual revival, and the twelve years after his arrival in America saw the Hare Krishna movement spread to major cities worldwide. For millennia, the Vedic tradition had been hidden behind the boundaries of India and within Sanskrit and the vernacular languages. To a world immersed in a materialistic ethos, Srila Prabhupada revealed the wisdom of this timeless philosophy.

The Vyasa-puja offering is a literary submission of praise and gratitude from the disciple unto the pure vaishnava spiritual master. Devotees express their affectionate glorification of Srila Prabhupada, in writing, and offer them on the auspicious occasion of his appearance day, celebrated as Vyasa-puja.
