

VYASA PUJA 2019

The Glorious
123rd Appearance Day
of our beloved Spiritual Master
His Divine Grace
Om Vishnupada Paramahansa
Parivrajakacharya Astottara-sata
SRI SRIMAD
A.C. BHAKTIVEDANTA
SWAMI PRABHUPADA
Founder-Acharya: ISKCON

The first Vyasapuja book was compiled 50 years ago. On this occasion of the 50th Vyasapuja book, we celebrate our dear Srila Prabhupada's transcendental love for his beloved Sri Radha and Sri Krishna. We have been fortunate that his divine outpourings have touched our hearts, hardened with sense gratification, in some way or the other, giving us hope for spiritual salvation.

śrī-rādhikā-mādhavayor apāra-mādhurya-līlā guṇa-rūpa-nāmnām
prati-kṣaṇāsvādana-lolupasya vande guroḥ śrī-caraṇāravindam

The spiritual master is always eager to hear and chant about the unlimited conjugal pastimes of Rādhikā and Mādhava, and Their qualities, names, and forms. The spiritual master aspires to relish these at every moment. I offer my respectful obeisances unto the lotus feet of such a spiritual master.

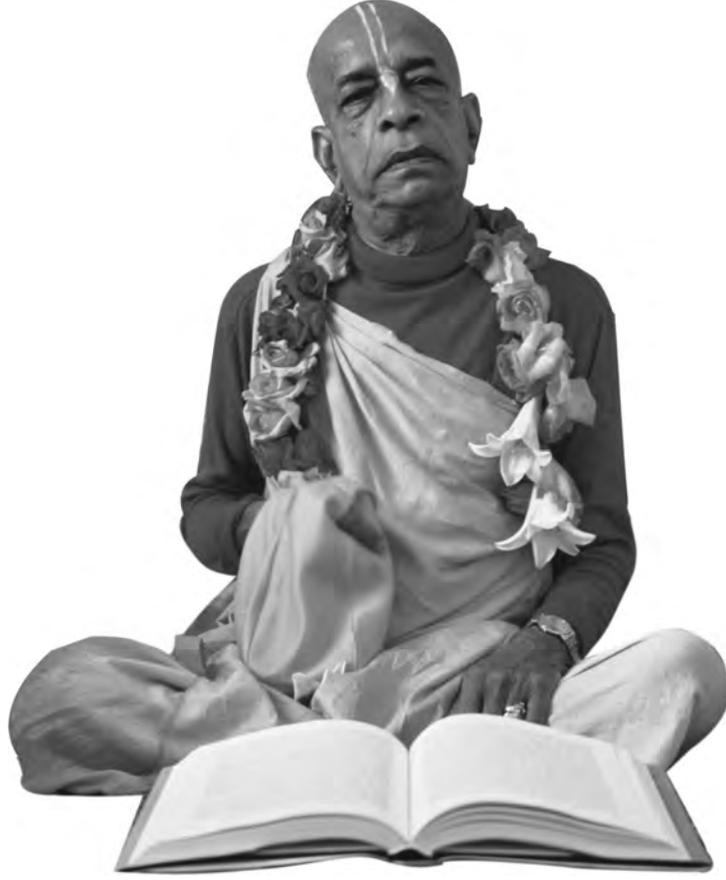

MEANING OF VYASA PUJA

The Spiritual Master is the representative of Vyasadeva. Vyasadeva is the original spiritual master because he compiled and disseminated the Vedic knowledge. Therefore, according to the Vedic system, on the birthday of the spiritual master the disciples conduct the ceremony called Vyasa Puja.

As part of the Vyasa Puja ceremony, the disciples and followers of Srila Prabhupada offer homage to him by writing about his glories. Hearing the glories of the bonafide spiritual master has the same effect as hearing the glories of Lord Krishna the hearer becomes purified and awakens his dormant Krishna consciousness.

This book is a compilation of the glorification of His Divine Grace A.C. Bhaktivendanta Swami Prabhupada by his devotees on the occasion of his 123rd Vyasa Puja.

PRAYERS TO OUR BELOVED SPIRITUAL MASTER SRILA PRABHUPADA

*nama om viṣṇu-pādāya kṛṣṇa-preṣṭhāya bhū-tale
śrīmate bhaktivedānta-svāmin iti nāmine*

I offer my respectful obeisances unto His Divine Grace A.C. Bhaktivedanta Swami Prabhupāda, who is very dear to Lord Kṛṣṇa on this earth, having taken shelter at His lotus feet.

*namas te sārāsvate deve gaura-vāṇī-pracāriṇe
nirviṣeṣa-sūnyavādi-pāścātya-deśa-tāriṇe*

Our respectful obeisances are unto you, O spiritual master, servant of Sarasvatī Gosvāmī. You are kindly preaching the message of Lord Caitanyadeva and delivering the Western countries, which are filled with impersonalism and voidism.

*om ajñāna-timirāndhasya jñānāñjana-śalākayā
cakṣur unmīlitaṁ yena tasmai śrī-gurave namaḥ*

I offer my respectful obeisances unto my spiritual master, who has opened my eyes, blinded by the darkness of ignorance, with the torchlight of knowledge.

Madhu Pandit Dasa

Dear Srila Prabhupada,

On this auspicious day of your glorious Vyasa Puja, I stand before you, a worthless servant and a shameless beggar. My only subsistence is the causeless mercy you continuously infuse in me, on the strength of which I am able to be still engaged in devotional service of the Lord. I am nothing without you.

It gives me immense joy to speak the glories of Your Divine Grace, which are as vast as the ocean. Even after decades, I am overjoyed when I uncover newer and newer glories of your transcendental position as the special confidential servant of the Lord. As the chosen Acharya, whom Krishna has specially empowered to save this world.

I recently read the memories of some sadhus in Vrindavan, who knew you in Vrindavan before leaving for the West. They have given us an opportunity to see that aspect of your divine personality as a simple sadhu while living in Radha Damodar Temple, doing intense bhajan and writing. One Vrajavasi Vaishnava, Sri Gopal Chandra Ghosh, in the line of Srinivas Acharya, revealed some confidential matters that he knew about this period of your life. Through these recollections, it is evident that you knew how you were getting empowered by Srila Bhaktisiddhanta Saraswati Thakur and the Gowamis, to write and preach all over the world. I have compiled some of these ecstatic pastimes to read today in glorification of your transcendental personality. I am sure that this will bring a lot of joy to all vaishnavas who hear them.

“There were several times I recall him telling me about his gurudeva. Once he had a fever and was sitting covered with a cloth and blanket, reading Śrīmad-Bhāgavatam. I bowed my head to his feet, and asked, ‘You are not feeling well?’ He said, ‘No, I have a cold, so this little medicinal cure will be helpful.’ The next day when I returned he was happy, healthy, and was writing, maybe a commentary, I did not see. I asked, ‘Today you are feeling better?’ He answered very mysteriously, ‘Oh, yes.’ I asked again and he said, ‘At night my Prabhupāda came in my dream. He encouraged me saying, “You do work like Narottama Ṭhākura, like Śrīnivāsa Ācārya and like Viśvanātha Cakravartī Ṭhākura.”’ Swami Mahārāja told me joyfully, ‘I have received mercy from my gurudeva. He blessed me and has given me power. I was too much anxious for the Bhāgavata commentary. He said, “You just write and all Six Goswāmīs will help you.”’ He also mentioned then that his gurudeva had come in front of him in sannyāsa dress two or three times when he had been sickly.

Sriman Gopal Chandra Ghosh reveals as follows:

“During these months when I would visit him in his rooms at Rādhā Dāmodara he occasionally told me some special things that I understood as secrets in his bhajana. Once I came early in the morning in wintertime. He was chanting hari-nāma very deeply and I saw tears coming from his eyes. When I inquired several times for him to tell me anything, he said that he had received a visit last night. In the courtyard by Śrīla Rūpa Goswāmī’s samādhi, he saw some very beautiful persons. One was wearing only kaupina and was chanting on large tulasī mala around his neck. His eyes were large like lotus flowers and he was extremely effulgent. There was also another personality, similarly dressed, but older and taller, very kindly to him. Behind them was a much younger

sādhū, whose beauty and sweetness were captivating. Swami Mahārāja told me they were Śrīla Rūpa Goswāmī, Śrīla Sanātana Goswāmī and their nephew, Śrīla Jīva Goswāmī. He said they spoke to him and gave him mercy and guidance for his writing and for his future preaching. I tried to ask more but this was all he would tell me.

“On another morning, we were speaking and he told me an amazing thing. He explained how he is often chanting in his room at midnight. He said, ‘I could hear some dogs barking. But sometimes I have also heard some very melodious flute sounds coming from near Sevā Kuṣja. I heard this two or three times. It was not any ordinary human being because I have never heard such a beautiful sound. I am thinking this may be Śrī Kṛṣṇa, no doubt.’ He said that it couldn’t have been a dream or imagination because he could also hear the dogs barking in the background as usual.

“I once heard him say to one person nearby, ‘Come here. Why have you not cleaned your worshipping pots? This is your duty. First of all you do these necessary things, Lord Kṛṣṇa’s service, not my service, not your godbrother’s service; this is Lord Kṛṣṇa’s service. You are living in His shelter so you perform His service.’

“I saw Prabhu going to Mathurā several times, although Keśava Mahārāja was usually in Navadvīpa. Śrīla Bhakti Saraṅga Goswāmī Mahārāja, his godbrother who was in charge of Imlī Talā, told me they had a good relationship and that Swami Mahārāja was a Nityānanda varṁśa. [Śrīlā Prabhupāda’s family was related to the Nityānanda varṁśa.]

“I was not there in Mathurā when he took sannyāsa initiation. He came one evening wearing saffron cloth. I said, ‘Mahārāja, today you have changed your dress!’ ‘Yes,’ he said very gravely, ‘today I have accepted the sannyāsa order from Śrīla Keśava Mahārāja.’

“Swami Mahārāja inaugurated his first canto of Śrīmad-Bhāgavatam at the Rādhā Dāmodara Temple. He organized a program that included the governor; Govinda dāsa Brahmācārī, a disciple of the senior Purī Mahārāja from the Gauḍīya Mission; and many other respectable persons. Swami Mahārāja organized the program by himself, and he requested me to help. He had collected money from some devotees in Delhi to put on the festival. Then he gave me some rupees and told me to preach all through Vṛndāvana’s streets on a loudspeaker. We rented a rickshaw with a few boys and announced, ‘Today this Janmāṣṭamī function will be going on. Our respected U.P. governor is coming and everyone is welcome. Śrīla Bhaktivedānta Swami will give a very nice lecture. All come to hear and see the small children dance.’ He told me in Bengali what to say and I translated and announced it in Hindi and in some English. Many people came.

“It was Janmāṣṭamī day. He served just fruit, drinking curd (yogurt), and mahāprasāda sweets. He encouraged me to take prasāda from his own hand. Some local girls danced svāgat-nṛtya. I asked him, ‘You are distributing the first canto of your book to so many people, so why I cannot get one?’ At that time my English was not so good, so he replied, ‘It is hard English. You cannot understand. Afterwards this will be translated into all other languages. Then I will give you this canto in Bengali or Hindi.’

“In his speech that day he explained how much illumination will come from these translations because many people, both Eastern and Western, will chant hari-nāma-saṅkīrtana and worship this hari-nāma with pūjā and sevā. He announced to all, ‘I want daily chanting of hari-nāma, daily chanting of the Śrīmad-Bhāgavatam and the

Goswāmīs books. My first canto is now published and other cantos will be published. Śrī Caitanya-caritāmṛta will also be translated gradually, and other books as well.’ He told me how he believed this would be a great work because his guru ordered him to preach all over the world. ‘I have no courage to do such a task,’ he said, ‘but now my gurudeva has shown me the light, so I am enlightened by him.’

“One day, when I visited him I was feeling very thirsty but I did not want to disturb him. We were chanting Śrīdhara Svāmī’s commentary in Bengali. Two or three old men were seated there on the veranda. He had only a small water pot and I was afraid to interrupt him in case he had to go search for water. He was a sādhu, a sannyāsī, and I was not a sannyāsī, so I didn’t say anything. Śrīlā Prabhupāda then spoke up, ‘Oh, you are feeling thirsty. I know this in my heart. First of all you take the water and then you listen to kṛṣṇa-kathā.’ He very lovingly gave me one glass of water there by his room. That is a special memory for me.

“Another incident occurred when I was walking by Keśī Ghāṭa one day in the heat of summer. There I saw him alone on one of the islands in the middle of the Yamunā. He had prepared the sand like a small hill and had stuck his sannyāsa-daṇḍa in the middle. Then he was circumambulating that hill chanting Hare Kṛṣṇa and Hari bol, joyfully like a child. I could see that he was absorbed in spiritual ecstasy. Another time I also saw him performing saṅkīrtana, chanting and dancing near that same place, along with three or four persons. When I called greetings to him, he said, ‘We are wandering in great happiness on the bank of the Yamunā.’

“He always told me, ‘Depend on Lord Kṛṣṇa. Love Lord Kṛṣṇa, your iṣṭadeva. Chant the mahā-mantra-kīrtana at all times. Even when you go to sleep, chant hari-nāma kīrtana, and when you arise you keep offering prayers. Take shelter of Nāma Prabhu, then all evil things will run away and you will get peace in your mind.’ Now since that time, when I take rest, the Hare Kṛṣṇa nāma is written in candana on a leaf under my pillow. I remember how he instructed me this way and Nāma Prabhu has always saved me.

“Once Śrīlā Prabhupāda recollected something of his childhood to me. ‘When I was busy in business life, I had very little extra time, but always I chanted kṛṣṇa-nāma. This was because my father was a great devotee of Lord Kṛṣṇa, Nityānanda Prabhu and Caitanya Mahāprabhu. In my childhood, he performed the Rathayātrā celebration and I would play the mṛdaṅga. Our home was set up with mṛdaṅga playing and bhajanas daily every evening. My father always told me to daily chant and perform kīrtana with the mṛdaṅga and then Mahāprabhu would surely bless me.’

“In 1960 or ‘61, Kṛṣṇa’s birth ceremony abhiṣekha was performed at the Rādhā Dāmodara Temple at midnight. The next day all temples celebrate Nandotsava, Nanda Bābās festival honoring Lord Kṛṣṇa’s birth. They throw rupees, offer fruits and wear new clothes in the temple. Curd and turmeric are mixed up and thrown on the visitors. They sing of how the son of Nanda appeared here in Gokula. This service is performed with kīrtana, dancing, and chanting of hari-nāma. Later, I learned that this was Śrīlā Prabhupāda’s own appearance anniversary day. At that time, I saw him very playfully dancing in the Rādhā Dāmodara Temple’s open courtyard. He was covered with this yellow-colored pauri, the prasāda from the Dieties. He was dancing in Braja style, singing Nanda ke ānanda bhāyo jai kanaiya lālā ki. I also saw him throwing some cīnī (sugar candies), annas and paisās to the local small boys.

“There was an old lady who daily came from the Yamunā after taking bath. She was very old and her walking stick was beaten and broken. Once Śrīlā Prabhupāda said to her, ‘Oh Guru Mā. You please take my stick and give me your stick.’ Śrīlā Prabhupāda used a nice cane, so he told her, ‘You take this one and give me your old one. I want your blessings.’ The old lady began to weep. ‘Oh, Bābā,’ she said, ‘you are joking with me. I am not able to take your cane. It will be stolen; someone will snatch it from me. You please keep it yourself.’ Śrīlā Prabhupāda then very affectionately gave her some rupees.

“Once one of his godbrothers expired in Navadvīpa, Māyāpura. I saw him sitting with misery, chanting on his mālā, and tears were coming down his face. He said, ‘Oh, one bhajanānandī mahātmā, one of my godbrothers, has left me. I am no longer able to touch his holy feet. He was a great scholar and disciple of our Śrīlā Prabhupāda. He was very nāma-premī. I feel such separation and cannot follow him.’ I saw so many tears on his cheeks. A few days later one local person came with some printed books by that godbrother and said, ‘Do you want this book, Mahārāja?’ And he said, ‘Oh, yes, yes!’

“One Bengali devotee, Kiran Bhalla devī, his godsister, lived in Vṛndāvana. She had been at Bagh Bazaar and Māyāpura and had sold all her ornaments and given all she owned for their gurudeva. She had been a widow for sixteen years and lived outside of the old Gopīnātha district in a small broken hut and begged on the steps of the Govindajī Temple. I noticed Śrīlā Prabhupāda would always give her some lakṣmī, fruits and grains. He would gently ask her, ‘You are quite well? Your bhajana is good?’ She would say, ‘Brother, you please bless me so I shall leave my body in Vṛndāvana.’ In May of 1978, we admitted her in the Ramkrishna Hospital and she expired, always chanting hari-nāma and not dependent on any rich persons.

“When Śrīlā Prabhupāda came back to Vṛndāvana in 1971, many disciples came with him. They had a big kīrtana procession around the town. First he gave a welcome address in Vṛndāvana town hall. The chairman was Ramesh Chandra, who, along with other famous people, welcomed and garlanded him. They asked him, ‘You have told us that we can get everything from chanting the Hare Kṛṣṇa mahā-mantra. Does that mean we do not need to worship and do pūjā-sevā?’ Śrīlā Prabhupāda told everyone, ‘These are needed, but hari-nāma is the seed. The flower gives the seeds, and then these seeds will make a big tree. By chanting hari-nāma-saṅkīrtana the heart will change. Just like the example of Hari dāsa Ṭhākura and the prostitute. Her heart changed, and she and offered everything to Hari dāsa Ṭhākura, becoming like a beggar, always chanting Hare Kṛṣṇa. So the divine Name can give all things.’

“He had already been garlanded in the Śrījī Mandira, the Nimbarka sampradāya’s temple, and at the Hari Nāma Press with the Bihar Vaiṣṇava Samāj. Then Śrīlā Prabhupāda went to the Rādhā Ramaṇa Temple and Vishvambhar Goswāmī and all the Goswāmīs and ācāryas garlanded him and gave prasāda. I noticed when he saw the samādhi of Gopāla Bhaṭṭa Goswāmī he was experiencing deep emotions and he began to chant with bhāva. He gave a lecture about Gopāla Bhaṭṭa’s life, then performed parikramā. The Goswāmīs distributed daliya-prasāda.

“During this time, he brought his disciples on hari-nāma through the streets. I saw him in a beautiful dancing pose while chanting, holding his daṇḍa in the air. He stood in front of the procession while the disciples were playing mṛdaṅgas. Sometimes he gave his daṇḍa to someone else to hold and he played the kartālas very

energetically. Banwari Lal Pathak, a famous person of Vṛndāvana, invited him and his students to his house for prasādam several times.

“That Kārtika month he daily chanted Jaya Rādhā Mādhava Kuṣjabihārī. His lectures were from Bhakti Rasāmṛta Sindhu (Nectar of Devotion). I complimented him that it was very nice, that which he was realizing and preaching. He responded, saying, ‘No, this is not my own thinking. This is Śrīla Rūpa Goswāmī’s kṛpā.’

“Mādhava Mahārāja along with some disciples met with him there at the Rādhā Dāmodara Temple and Śrīlā Prabhupāda was dancing in kīrtana with them. Also Lakshmi Narayan Bhattacharya was friendly with Śrīlā Prabhupāda. Lakshmi Narayan Bhattacharya was a very old man who was a disciple of Śrī Dinabandhu das Bābājī, who was a servant of Śrīla Gaura Kīśora dāsa Bābājī. Twice I saw them meet and talk very intimately in Bengali for a long time. They spoke about the servitorship of Śrīmatī Rādhārāṇī. I don’t know if it was taped. Śrī Bhattacharya discussed how our aim is rādhā-dāsyam, Rādhikās service and maṣjarī-sevā. Without Rādhās service we cannot get Lord Kṛṣṇacandra. I remember Śrīlā Prabhupāda laughed and said, ‘Yes, yes. All of you are Vrajavāsī. This is the way and the goal.’ I saw Śrīlā Prabhupāda seated on his āsana reading from many big books, but he would stand up from his seat and offer praṇāmas when any Vaiṣṇava guest arrived. I saw him always give great regard to all other Vaiṣṇavas. Particular persons criticized him, saying that his Western disciples were CIA, but he did not take offense and behaved with humility.

“When newcomers came, he advised them to go to all the temples and offer some bhoga there. ‘You can offer rupees, but don’t come empty-handed. Give respect to Vrajavāsīs and Vaiṣṇavas at these places and you can get the mercy of Śrīmatī Rādhārāṇī and Vṛndāvana Dhāma.’ He told them some history, how he had collected madhukārī from door to door. I had seen this and I had also given madhukārī to him then. He came to my house when he was living in the Brahma-kuṇḍa area on Gwalior Temple’s backside. In-between Varṁśī Gopāla and Rādhā Dāmodara he lived at Brahma kuṇḍa. Living alone, he went door-to-door, saying, ‘Jaya Rādhē, Rādhā Mādhava, Jaya Gaurahari,’ and some Vrajavāsīs gave him one rupee, capātīs, some sabjī. He collected madhukārī from door-to-door and then offered everything to his gurudeva and took prasāda.

“One time in the early 1970’s, some of the young Western chaps came here and began to snatch things from the sweetwallas (sweetshops). While riding rikshaws they grabbed sweetmeats. Some local people gathered and went to Vishvambhar Goswāmī.

‘Mahārāja, we are very poor persons and by selling we are maintaining our families. Please you tell Śrīla Swami Mahārāja in the Rādhā Dāmodara temple that they are snatching. If they want we will give them some sweets but they should not snatch.’ Vishvambhar Goswāmī said to Śrīlā Prabhupāda, ‘Mahārāja, you are performing a circus? You have brought with you some lions and left them in the market.’ Prabhupāda said, ‘Oh, you are joking?’ He said, ‘I am joking, but they are snatching from the locals hither and thither.’

“What happened I do not know, but in the evening in public he asked, ‘Who has taken these sweets and things from the market?’ So two or three persons admitted they did it, but said, ‘Lord Kṛṣṇa stole curd and butter.’ Śrīlā Prabhupāda said to them, ‘Lord Kṛṣṇa has lifted Giri Govardhana on His small finger, so can you do this? Are you a yogī? Are you Yogeśvara, with all mystical power? Then don’t do anything like this. If you need something

and have no paisā you can request them and they will give. The Vrajavāsīs are so kind they will give you things to eat; but better you should purchase it. Don't take it in your pockets like a looter.'

"I heard him say to his disciples, 'All of you, it seems the Vrajavāsīs may dislike you but you should offer them praṇāmas. Because they are Vaiṣṇava, if you do this you can get their mercy. If you want to get any of Rādhārāṇī or Lord Kṛṣṇa's mercy, then do sevā of the Vaiṣṇavas.'

"Several times he told me, 'You can come to my mission and preach in America and all over the world. I shall take you everywhere in India and while chanting saṅkīrtana you can take darśana.' But I answered, 'I respect you so much but I cannot leave my Śrīnivāsa Ācārya's paramparā. I believe in all the things you are doing, but although today you are present, perhaps after you leave your followers might beat me.' He said, 'No, no, they are not demoniac persons; they are Vaiṣṇavas. They will change.' But still considering what I had seen then, I was afraid. I said, 'I am sorry but my mind is not giving witness yet.'

"Śrīlā Prabhupāda was so soft and such a great person. In his final days he got Āyurvedic treatment from Banamali Kavirāja in Gopīnātha Bazaar. Śrī Kavirājajī told me, 'Śrīlā Prabhupāda is getting happiness from my medicines, and I do not even want to sell them to him.'

"He was always so kind. Small boys could talk with him and old men could talk with him. English persons and Indian persons; he did not differentiate between anyone. When he was at the Rādhā Dāmodara Temple, a few people knew that he was great, but not many people knew about him. Nowadays so many know of him. Even rickshawallas and beggars know his glories and all over Vṛndāvana the houses and shops have his photo. Even small children recognize his picture. He was the hero of our Vṛndāvana and will always remain so in so many of our hearts."

Dear Srila Prabhupada, I am in bliss, reading these sweet pastimes of your divine grace as a simple sadhu of Vrindavan, living off madhukari to do bhajan and write in Radha Damodar Mandir. These rare pastimes have a special sweetness, different from your nectarian pastimes as Founder-Acarya of the great worldwide spiritual movement. In every pastime you display graceful divinity through which we get a glimpse of the spiritual dimension.

I am eternally indebted to Your Divine Grace for planting in me a drop of that immense faith that you have in the holy name. You have proved to the world the purifying power of the holy name upon its chanters by all your achievements for your spiritual master. Your ambitions to give the holy name and Krishna consciousness to the world is unlimited. On this day I beg you to give me more and more service in the matter of fulfilling your transcendental ambitions to spread Krishna consciousness to every town and village on this earth. In this world of fast communications, what took decades during your times would only take months. Therefore, I beg and hope to be part of seeing this prediction being carried out by you through your servants in my very life time. There is nothing more ecstatic than that. Thank you Srila Prabhupada for your causeless mercy.

Your servant,

Madhu Pandit Dasa

President, ISKCON – Bangalore.

Chachalapathi Dasa

Dear Srila Prabhupada, please accept my prostrated obeisances. All glories to Youur Divine Grace. I wish to offer the following reflections for your kind acceptance and pleasure.

It is the characteristic of Sanskrit language that words have a latitude of meanings depending on the context. Srila Prabhupada explains this on a few occasions:

The word *ātmā* denotes body, mind and soul—depending upon different circumstances. (BG 6.5 purport).

There are various meanings of *ātmā*. *Ātmā* sometimes is meant indicating this body; *ātmā* is sometimes indicating this mind; *ātmā* is soul; and *ātmā*, Paramātmā, the Supreme Lord. (Srila Prabhupada class on Srimad Bhagavatam (2.1.2-5), Oct 23rd, 1968, Montreal).

We must appreciate and reflect on this feature of the Sanskrit language. The multiple and contextual meaning of Sanskrit words also naturally manifests in the culture, thinking, philosophical understanding, usage of language and social behaviour in the Vedic society.

Today's Hindu society in India is a feeble and diluted manifestation of the original and pure Vedic society. After almost one thousand years of political and cultural subjugation of foreign influences, the Vedic culture is still alive in India in multiple manifestations of social and religious practices is certainly an astonishing sociological and anthropological phenomenon.

Lack of understanding and appreciation of this feature of the Sanskrit language and it's myriad manifestations in the Hindu society (or the original pure Vedic society) is one of the reasons for the confusion in the ISKCON Guru system.

The words *guru* and *acharya* are used extensively in the Vedic literatures. These words carry shades of meanings and imports depending on the situation. These words also find their usage in common everyday conversations in the contemporary Indian society.

Srila Prabhupada being born and having grown up in India, was naturally and spontaneously acquainted with the Indian culture. In addition, he was also uniquely aware and perfectly realized in the Vedic philosophy in it's most pristine and mature form – the Gaudiya Vaishnava philosophy. Srila Prabhupada too naturally used words like *guru* and *Acharya* with differing shades of meaning in different contexts.

Anyone who teaches any branch of knowledge can be loosely called a *guru* or teacher. Hence in Indian society, a harmonium teacher or dance teacher is also respectfully referred to as a *guru*. It is not uncommon to find a family of school teachers in a certain small town in India having the family name or last name *Acharya*.

Anyone who teaches spiritual knowledge can also be called a spiritual master or *guru* or *acharya*. This is the practice in Vedic culture and in the contemporary Indian culture.

A guide in a holy place who teaches about the spiritual significance of the holy place is also respected as *tīrtha-guru*, commonly known as *paṇḍā*.

These *brāhmaṇa* priests in the places of pilgrimage are called *paṇḍā* or *paṇḍita*. This means that they were formerly very learned *brāhmaṇas* and used to guide the visitors in all details of the purpose of coming there, and thus both the visitors and the priests benefited by mutual cooperation.

(Krishna book, chapter 79)

Prabhupāda: ... *Tīrtha-guru*, the *paṇḍā* is accepted *tīrtha-guru*... he takes to Jagannātha temple and other holy places, gives him instruction about the holy places and so on, so on, shelter, food, in this way.

Tamāla Kṛṣṇa: Hm. There is such a thing?

Prabhupāda: Yes. Because I am unknown, so he helps me in every respect. So Vaiṣṇava accepts everyone as *guru*, *śikṣā-guru*, *dīkṣā-guru*, then *tīrtha-guru*. This is no harm.

(Conversation with Srila Prabhupada, April 25th, 1977, Bombay).

But there are different levels of spiritual knowledge in Vedic culture. A teacher who engages his students in the *karma-kanda* practice can also be called a *guru* of *karma-kanda* practice. There is some spiritual content and opportunity for spiritual advancement for the conditioned soul by that *karma-kanda* practice. But it is very minimal and not recommended in Kali Yuga according to the teachings of Bhagavad Gita and Srimad Bhagavatam.

In Krishna consciousness movement that Srila Prabhupada established (according to the teachings of Sri Chaitanya Mahaprabhu and previous *acharyas*), we are presenting the unparalleled pinnacle of spiritual advancement ever revealed to humanity - pure, spontaneous, intimate and sweet love of God or Krishna *prema*. And this is being offered to the most fallen souls of *kali-yuga* from all over the world. The fortunate soul who comes in contact with Srila Prabhupada's movement - from anywhere in the world with any kind of background - is offered this highest benediction of pure Krishna *prema*. The program presented by Srila Prabhupada to revive and blossom Krishna *prema* in the hearts of people involves a journey of progressive spiritual advancement, which if one is very sincere and strict, can complete in one lifetime. In this monumental journey that the fortunate soul embarks on there are many agents who help him (or her) in spiritual advancement at different stages of the journey. All of them can be regarded as the *guru* or spiritual master.

To begin with someone first introduces this path and presents convincingly the divine prospect to the fortunate soul. He too can be regarded as the *guru* or spiritual master, technically called *vartma-pradarśaka-guru*.

The spiritual master who first gives information about spiritual life is called the *vartma-pradarśaka-guru*.

(Chaitanya Charitamrita Madhya 8.128 purport)

Further, there are many persons who will help him (or her) in understanding the principles of Krishna consciousness and its application in practical life situations so that one can make further spiritual advancement. All those who help him (or her) in such a spiritual journey can be called *guru* or spiritual master.

But there is one *guru* or spiritual master who constantly instructs and takes responsibility for the completion of the spiritual journey of the soul. His directions are clear guiding light for spiritual seekers in different circumstances. His personal example is the greatest source of inspiration for these aspirants. He is uniquely

qualified by purity, surrender and pure devotion to Krishna. Such a pure devotee of Lord Sri Krishna literally holds the key to the doorway of love of Krishna. His recommendation to Lord Krishna is finally accepted by the Lord to reward the sincere soul with love of Krishna and deliver the soul from the material world. This calls for extraordinary qualifications of pure devotional service to perform this service. Such a *guru* or spiritual master is called *dīkṣā-guru*. In the Krishna consciousness movement that Srila Prabhupada established all over the world, that unique position and role is played by Srila Prabhupada himself for every devotee in his movement.

In this background, let us closely study the teachings of Srila Prabhupada in the matter of *guru* or spiritual master. Let us first examine the following quotes of Srila Prabhupada from his books and lectures:

Anyone can become a guru or spiritual master - No qualifications are needed.

1. *Suppose you are family member. So many living entities, your sons, your daughters, your daughter-in-law or children, you can become their guru. Exactly like this you can sit down in the evening and talk about the Bhagavad-gītā, yāre dekha tāre kaha kṛṣṇa-upadeśa [Cc Madhya 7.128]. You haven't got to manufacture something. The instruction is there; you simply repeat and let them hear—you become guru. It is not difficult at all. So that is our preaching. We do not want to become alone guru, but we want to preach in such a way that every..., the chief man, or any man, he can become guru in his surrounding. Anyone can do that. Even a coolie, he can also. He has got family, he has got friends, so even though he is illiterate, he can hear the instruction of Kṛṣṇa, and he can preach the same. This we want.*

(Srila Prabhupada's talk on Bhagavad Gita 7.1 on Dec 20th, 1975 in Bombay).

2. *Caitanya Mahāprabhu is also Kṛṣṇa, in the form of devotee. He said that "By My order, you become a spiritual master."*

"Oh, I have to become a spiritual master? What I have to do? Oh, I have no qualification."

"Oh, you don't require any qualification."

"Then what is to (do we) do?"

Yāre dekha tāre kaha 'kṛṣṇa'-upadeśa: "Whomever you meet, you just try to give him some instruction of Kṛṣṇa."

This is Kṛṣṇa consciousness.

(Srila Prabhupada's class, March 13th 1967, San Francisco)

3. *He's asking everyone to become a spiritual master. So how everyone can become spiritual master? A spiritual master must have sufficient knowledge, so many other qualifications. No. Even without any qualification one can become a spiritual master. How? Now the process is, Caitanya Mahāprabhu says, āmāra ājñāya: "On My order." That is the crucial point. One does not become spiritual master by his own whims. That is not spiritual master. He must be ordered by superior authority. Then he's spiritual master. Āmāra ājñāya.*

(Srla Prabhupada Bhagavad Gita 2.2 class, Aug 3rd, 1973, London)

4. *Either you are at home or outside home, it doesn't matter—you become a guru, everyone. "How shall I become guru? I have no qualification." Caitanya Mahāprabhu said, "You don't require any qualification. You simply require one qualification: that you repeat the instruction of Bhagavad-gītā. That's all." Yāre dekha tāre kaha kṛṣṇa-upadeśa [Cc Madhya 7.128]. That's all. You become a guru. Don't adulterate kṛṣṇa-upadeśa like a rascal or nonsense. Present it as it is, Bhagavad-gītā. Then you become a guru. You can become a guru in your family. You can guru your society, your nation, wherever you are. And if it is possible, you go outside and preach this mission of Bhagavad-gītā. Therefore our movement's name is Kṛṣṇa consciousness. Whatever Kṛṣṇa says, you accept and preach, you become guru.*

(Srla Prabhupada talk during Sannyasa and Harinama initiations, March 16th, 1976, Mayapur).

Now let us look at few more quotes of Srla Prabhupada from his books that describe the proposition that very exalted qualifications are needed to become a guru or a spiritual master.

Only a maha-bhagavata can occupy the post of a guru:

5. *When one has attained the topmost position of mahā-bhāgavata, he is to be accepted as a guru and worshiped exactly like Hari, the Personality of Godhead. Only such a person is eligible to occupy the post of a guru.*

(Chaitanya Charitamrita, Madhya 24.330 purport)

Let us examine another quote of Srla Prabhupada:

One should not become a spiritual master unless he has attained the platform of uttama-adhikārī:

6. *One should not become a spiritual master unless he has attained the platform of uttama-adhikārī. A neophyte Vaiṣṇava or a Vaiṣṇava situated on the intermediate platform can also accept disciples, but such disciples must be on the same platform, and it should be understood that they cannot advance very well toward the ultimate goal of life under his insufficient guidance. Therefore a disciple should be careful to accept an uttama-adhikārī as a spiritual master.*

(Nectar of Instructions, Verse 5 purport)

How do we understand the qualifications of the guru or spiritual master (most minimal or practically no qualifications) mentioned in the quotes 1 to 4 and those in quotes 5 and 6? Are they contradicting each other?

The *guru* or the spiritual master that is mentioned in the quotes 1 to 4 above, and that mentioned in quotes 5 and 6 are of a very different nature, although the same word *guru* or the spiritual master is used. The quotes 1 to 4 refer to the guru or teacher who introduces Krishna consciousness to an aspirant and teaches about spiritual life by repeating the words of the scripture. The quote 5 and 6 refers to a more exalted teacher or the *diksha guru* or initiating spiritual master who is regarded as good as Lord Hari. He takes responsibility to free his disciples from the cycle of birth and death.

Hence it is absurd to cite Srila Prabhupada's quotes 1 to 4 and similar ones and claim that Srila Prabhupada wanted all his disciples to become *diksha gurus* with minimum or no qualification! This is simply due to lack of familiarity of the Indian culture and appreciation and application of the shades of meaning of the Sanskrit words – the word *guru*, in this case - depending on the context.

A careful reading of this verse from Srimad Bhagavatam, quoted in Chaitanya Charitamrita, will help us understand the *guru* or *Acharya* who should be regarded as good as God:

*ācāryam mām vijānīyān nāvamanyeta karhicit
na martya-buddhyāsūyeta sarva-deva-mayo guruḥ*

“One should know the *āchārya* as Myself (*mām vijānīyān*) and never disrespect him in any way (*navamanyeta karhicit*). One should not envy him (*na asūyeta*), thinking him an ordinary man (*na martya-buddhya*), for he is the representative of all the demigods (*sarva-deva-mayo guruḥ*).”

(Srimad Bhagavatam 11.17.27 quoted in Chaitanya Charitamrita, Adi 1.46)

I offer my prayers at the lotus feet of Srila Prabhupada begging for sound and discerning intelligence to properly understand his instructions, his intent, his mood, his spirit, his mission and serve his institution to always please him. For if he is pleased, the Supreme Lord Sri Krishna is pleased.

Your humble servant,

Chanchalpathi Dasa

President, Hare Krishna Movement – Vrindavan, Sr. Vice President, ISKCON - Bangalore.

Jai Chaitanya Dasa

Dear Srila Prabhupada,

Please accept my humble obeisance on the occasion of your 123rd Vaysa Puja. All glories to Your Divine Grace.

Gurudev, you appeared in an unassuming family and had a simple, loving childhood. From your honourable father, you learned to hold the Lord deep within your heart. Never did Maya touch you as you learnt her cunning ways, for your guardian was preparing you for the part you were born to play. All because you ventured to walk among mere mortals to show them the way.

Gurudev, you appeared to have endured familial hardships, but it was just to taste the hardships of the merciless mundane world. As you worked on the antidote for everyone's suffering, you saw how the souls played tricks to dodge the Lord's mercy. Yet, you built a place where the meek could find real hope. All because you ventured to walk among mere mortals to show them the way.

Gurudev, in your later years, you had the chance of peace in your Lord's abode. Yet, you suffered the ordeal of an unsung trip across the world. You invested the patience and perseverance of a loyal servitor to please the Lord,

and dived into the abyss of this hellish world. You braved the fangs and claws with no support except faith in Guru and Krishna. All because you ventured to walk among mere mortals to show them the way.

Gurudev, you worked to create a perfect system in the midst of all material flaws, and you built a home where the world could find rest. On the strength of His assurance, not considering whether they would accept, you bravely spoke the uncompromising truth. You changed the lives of sincere seekers who were convinced to save themselves from the rot. All because you ventured to walk among mere mortals to show them the way.

Gurudev, although you led many giants along the path of truth, you left Pride and Fame unattended. Being empowered by the Lord, you established the new order for seekers and those who loved and believed you discovered the sublime life. All because you ventured to walk among mere mortals to show them the way.

Gurudev, the holy name of the Lord reverberates around the world today, by your endeavour. He shelters those who heed your words and sing your praise. Now all we need to do is chant His name and follow your instructions, to the safe and sweet destination. All because you ventured to walk among mere mortals to show them the way.

Your insignificant servitor,

Jai Chaitanya Dasa,

President, ISKCON - Mysore & Hare Krishna Movement – Chennai, Vice President, ISKCON – Bangalore.

Stoka Krishna Swami

Dear Srila Prabhupada,

Please accept my most humble obeisances at your divine lotus feet on this most auspicious day of your divine appearance. All glories to your divine grace.

Your appearance is your causeless mercy on the conditioned souls who are suffering in this world due to the dense darkness of this age of Kali. To dispell this darkness you have given us the holy name of the Supreme Lord Sri Krishna. Before landing in the United States of America, you have stated: “I have strong faith in the holy name of Kṛṣṇa.” Simply by receiving the holy name of Krishna from your divine grace, all fallen souls can be delivered. But the vast majority of them refuse to accept the holy name. To instill faith in such people, you have explained the science of devotional service beginning with the chanting of the holy name in your books.

The sublime knowledge of the science of devotional service was locked up in the Sanskrit and Bengali writings of the previous Acharyas. You have unlocked the treasure house of their writings by translating those books in simple and plain English language. While everyone else was sleeping in the night, you would get up at midnight and sit and prepare the translations and purports till early morning. In twelve short years, you have written over seventy volumes of translations and purports, while travelling fourteen times round the world for organising the worldwide preaching mission of the International society for Krishna consciousness. For the next ten thousand years your books will remain the transcendental torchlight for guiding humanity in this dark age of Kali.

Srila Vyasadeva’s most scholarly work is the Vedanta Sutra. Since the Vedas are a vast body of knowledge, Srila Vyasadeva has presented the conclusion of the Vedas in the Upanishads, also called as Vedanta. Thus Vedanta

may be considered as the cream of the Vedas. The Vedanta Sutra contains the distilled essence of the Vedanta. Therefore, the Vedanta Sutra is the cream of the cream of the Vedas. It is presented by Vyasadeva in the form of sutras or cryptic aphorisms. To help people decipher the actual meaning of the Vedanta Sutra, many Vaishnava Acharyas have written elaborate commentaries on the Vedanta Sutra. However, the people in general are neither able to understand the original Vedanta Sutra nor its commentaries. By presenting the Bhagavad Gita As It Is, you have made the people greatly fortunate, by lucidly explaining the summary of the Vedanta Sutra.

In the Bhagavad Gita (Bg 15.15), the Lord says: *“By all the Vedas am I to be known; indeed I am the compiler of Vedānta, and I am the knower of the Vedas.”* In the purport to this verse you have explained: *“The Vedas offer knowledge of the Supreme Personality of Godhead, Kṛṣṇa, and Kṛṣṇa in His incarnation as Vyāsadeva is the compiler of the Vedānta-sūtra. ... If one is serious to understand the Vedic knowledge, then Kṛṣṇa gives the required intelligence. Why does He present the Vedic knowledge for understanding? Because a living entity individually needs to understand Kṛṣṇa. ... In all Vedic literature, beginning from the four Vedas, Vedānta-sūtra and the Upaniṣads and Purāṇas, the glories of the Supreme Lord are celebrated. By performing Vedic rituals, discussing the Vedic philosophy and worshiping the Lord in devotional service, He is attained. Therefore, the purpose of the Vedas is to understand Kṛṣṇa.”*

In the very next verse (Bg 15.16) the Lord says: *“There are two classes of beings, the fallible and the infallible. In the material world every entity is fallible, and in the spiritual world every entity is called infallible.”* In the purport to this verse you have made a significant point: *“As already explained (in the previous verse), the Lord in His incarnation as Vyāsadeva compiled the Vedānta-sutra. Here the Lord is giving, in summary, the contents of the Vedānta-sūtra.”*

Therefore, the Bhagavad Gita itself contains the summary of the Vedanta Sutra. In a previous verse the Lord has made reference to the Vedanta Sutra (Bg 13.5): *“That knowledge of the field of activities and of the knower of activities is described by various sages in various Vedic writings -- especially in the Vedānta-sūtra -- and is presented with all reasoning as to cause and effect.”* Among the Vedic scholars who study Vedanta philosophy, there is the contentious issue of the duality and non-duality of the soul and Supersoul. You have resolved this controversy in the purport: *“Kṛṣṇa is explaining this most controversial point regarding the duality and non-duality of the soul and the Supersoul by referring to Scriptures, the Vedānta, which are accepted as authority. First, He says, this is according to different sages. As far as the sages are concerned, besides Himself, Vyāsadeva, the author of the Vedānta-sūtra, is a great sage, and in the Vedānta-sūtra duality is perfectly explained.”*

Lord Krishna Himself establishes the duality of the soul and the Supersoul in the later verses of the fifteenth chapter. The Lord says (in Bg 15.17 & 15.18): *“Besides these two, there is the greatest living personality, the Lord Himself, who has entered into these worlds and is maintaining them. Because I am transcendental, beyond both the fallible and the infallible, and because I am the greatest, I am celebrated both in the world and in the Vedas as that Supreme Person.”* Lord Krishna as the Supreme Person is beyond both the conditioned souls and the liberated souls. In this way duality is established in these four verses (Bg 15.15-18) of the Gita, which is giving the summary of the contents of the Vedanta sutra.

By presenting the Bhagavad Gita As It Is, you have enlightened the world with the sublime essence of the transcendental knowledge of the Vedanta Sutra. Therefore, your Bhagavad Gita is your greatest contribution to humanity. In the Preface of the Gita you have said: *“Everyone should know how God or Kṛṣṇa is great, and everyone*

should know the factual position of the living entities.” By proper knowledge of Krishna and the living entities, everyone can go back home, back to Godhead.

I have recently accepted sannyasa in order to rededicate myself for fully engaging in the service of your mission. You have clearly explained in the Gita (Bg 16.1): “Sannyāsī life is meant for distributing knowledge to the householders and others who have forgotten their real life of spiritual advancement. A sannyāsī is supposed to beg from door to door for his livelihood, but this does not mean that he is a beggar. Humility is also one of the qualifications of a transcendently situated person, and out of sheer humility the sannyāsī goes from door to door, not exactly for the purpose of begging, but to see the householders and awaken them to Kṛṣṇa consciousness. This is the duty of a sannyāsī.” Even though I have the desire to travel and preach, I lack the spiritual strength and determination for doing this duty. I am totally dependent on your blessings to get the necessary spiritual strength to travel and distribute this knowledge to all the suffering souls. On this most auspicious day, I pray for your blessings to cultivate and distribute the invaluable knowledge of the Bhagavad Gita As It Is.

Begging to remain always under the shelter of your lotus feet,

Your insignificant disciple,

Stoka Krishna Swami.

Amitasana Dasa

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet.

Today is the celebration of your appearance within this world, and it is a time of great rejoicing. Your appearance was the most significant day in the history of the human race.

I read in *Lilamrita As It is*:

Although I had immense opportunities to indulge in the four principles of sinful life because I was connected with a very aristocratic family, Kṛṣṇa always saved me, and throughout my whole life I do not know what is illicit sex, intoxication, meat-eating or gambling. So far my present life is concerned, I do not remember any part of my life when I was forgetful of Krishna.

REF. Letter to: Tamala Krishna – Los Angeles 21 June, 1970

Your words, “I do not remember any part of my life when I was forgetful of Krishna,” prove that you are perfectly Krishna conscious. Your actions, your words, your conversations etc are for Krishna and about Krishna. We are fortunate to have a spiritual master like you.

I used to always wonder why you so often use sharp words like “fools and rascals” in your books, lectures and conversations. You are a pure devotee with no desire for name and fame. Your only business is to communicate the message of Krishna – as it is, without flattery and compromise. You mentioned in *Perfection of Yoga* book:

Kṛiṣṇa speaks Bhagavad-gītā to Arjuna just to cut off his attachment to this material affection. Because Arjuna is attracted to things that are impeding the execution of his own duty, Kṛiṣṇa severs these things. To cut something, a sharp instrument is required; and to cut the mind from its attachments, sharp words are often required. The sādhu or teacher shows no mercy in using sharp words to sever the student's mind from material attractions. By speaking the truth uncompromisingly, he is able to sever the bondage. At the very beginning of Bhagavad-gītā Kṛiṣṇa speaks sharply to Arjuna by telling him that although he speaks like a learned man, he is actually fool number one. If we actually want detachment from this material world, we should be prepared to accept such cutting words from the spiritual master. Compromise and flattery have no effect where strong words are required.

REF. PoY 4: Yoga as Body and Mind Control

Srila Prabhupada, it is only because of purity of your words and your speaking the truth uncompromisingly that so many people all over the world have cut off their attachment to material affection and have got attracted to Krishna consciousness.

Your books are very special. You once mentioned to one of your disciples, *"Do you know that every day even I read my own books? Do you know why I read my books? I read my books every day because even I learn something new when I read my books. These are not my books. I do not write these books. Every morning, when I sit here to write my books, Krishna comes personally and dictates to me what to write. I simply take dictation from Krishna to write these books. Therefore, when I read them, even I learn something."*

Srila Prabhupada, how fortunate we are that we have these wonderful Bhaktivedanta purports from you, who is so very close to Krishna. We are so blessed to get genuine spiritual knowledge coming down in an authorized disciplic succession.

On chanting, once you mentioned to Trivikram Swami, *"Are you listening when you chant Hare Krishna?"* Then you mentioned to him, *"You have to listen very carefully when you chant. Chanting is the essence of our philosophy."* On this most auspicious day, I beg your mercy so that I can also chant and listen very carefully and attentively.

Thank you Srila Prabhupada, for the wonderful gift of devotional service that you have given me. Thank you for the giving us the gift of the Holy Name.

Please allow me to remain your servant eternally.

Your humble servant,

Dear Srila Prabhupada,

Please accept my respectful obeisance.

Srila Prabhupada, you are still living in your divine words. If we still want your guidance, you are still living in your books.

Reporter: “What will happen to the movement in the United States when you die?” **Śrīla Prabhupāda:** “I will never die.” **Devotees:** “Jaya! Haribol!” (Laughter.) **Śrīla Prabhupāda:** “I shall live for my books, and you will utilise.”

(Śrīla Prabhupāda Press Conference, 16/7/1975, San Francisco).

As a member of GBC, let me not forget that GBC has no other purpose but to execute your divine instructions.

“Resolved: The GBC (Governing Body Commissioned) has been established by His Divine Grace A.C. Bhaktivedanta Swami Prabhupāda to represent Him in carrying out the responsibility of managing the International Society for Krishna Consciousness of which He is the FounderĀcārya and supreme authority. The GBC accepts as its life and soul His divine instructions and recognizes that it is completely dependent on His mercy in all respects. The GBC has no other function or purpose other than to execute the instructions so kindly given by His Divine Grace and preserve and spread His Teachings to the world in their pure form.” (Definition of GBC, Resolution 1, GBC minutes 1975) “.

“The standards I have already given you, now try to maintain them at all times under standard procedure. Do not try to innovate or create anything or manufacture anything, that will ruin everything.” (Śrīla Prabhupāda Letter to Bali Mardana and Puṣṭa Kṛṣṇa, 18/9/1972)

“What will happen when I am not here, shall everything be spoiled by GBC?”

(Śrīla Prabhupāda Letter to Hansadutta, 11/4/1972)

“Now I have invested the GBC for maintaining the standard of our Kṛṣṇa Consciousness Society, so keep the GBC very vigilant. I have already given you full directions in my books.” (Śrīla Prabhupāda Letter to Satsvarūpa, 13/9/1970).

Srila Prabhupada, you have already given full directions in your books. If we simply stick to it and execute your orders, your divine will surely manifest through your sincere disciples.

Your lowly servant,

Dear Srila Prabhupada,

Please accept my humble obeisance unto the dust of your lotus feet and all glories to Your Divine Grace.

In this world, life is constantly tossed around by the waves of dualities. When these waves hit us, as practicing devotees, we will be affected and go through emotional and physical tribulations.

But, we have one fixed point to hold onto amidst these turbulent waves. We have a safe boat to cross over these dualistic situations. Just by remembering your instructions and endeavouring to follow them brings that fixedness or steadiness in life.

Shastras glorify the words or instructions of a spiritual master. One can meet the Supreme Personality of Godhead in the instructions of the spiritual master:

When one becomes serious to follow the mission of the spiritual master, his resolution is tantamount to seeing the Supreme Personality of Godhead. As explained before, this means meeting the Supreme Personality of Godhead in the instruction of the spiritual master. This is technically called *vāṇī-sevā*. Śrīla Viśvanātha Cakravartī Ṭhākura states in his Bhagavad-gītā commentary on the verse *vyavasāyātmikā buddhir ekeha kuru-nandana* (Bg. 2.41) that one should serve the words of the spiritual master. The disciple must stick to whatever the spiritual master orders. (SB 4.28.51, Purport)

We cannot take life for granted. Anytime, things can swing to any state of a condition. This is very scary for people. But, for the devotees, we have that sense of fixed shelter only because of your grace and mercy. Your instructions in your books, letters, etc. are the source of steady inspiration and protection.

When I went through a difficult phase of health, after temple inauguration, I wasn't sure whether I will be the same person again. There are internal dualities bombarding my consciousness with challenges that I haven't felt even in the midst of dangerous external situations. It's a different battle but your instructions remained my source of inspiration and protection:

You just remain fixed up in devotional service, and all impediments that may come will be vanquished by the unlimited potency of the Lord. We should have faith in His Power, His Grace, and His Causeless Mercy.

(680318 - Letter to Michael written from San Francisco)

Just by hanging on to this instruction which is a constant source of inspiration to go on, things cleared as Krishna's mercy rose like a sun. How can I ever understand this causeless mercy on me? It is not that I really understood the depth of this instruction but by resolving to follow this instruction has protected my consciousness.

In one place you gave an important instruction:

Keep your health in good condition and work very hard for Krishna. That is our motto of life. (Letter to Rayarama -- Hawaii 6 March, 1969)

I pray that I will be able to follow the above instruction to work hard for Krishna. Bless me that I will be able to keep my health in good condition to serve you and your mission.

In your last days of manifest Lila, you reiterated how to live:

Prabhupāda: *There are two things: life or death. So if I die, where is the wrong? And if there is death, that is natural.*

Jayapatāka: *For you, Śrīla Prabhupāda, to be alive or to die is no different because you are in the transcendental position, but for us, when you leave the body then we are bereft of your association. So for us it is very unfortunate.*

Prabhupāda: *You live by my words, by my training. Mm. (Room Conversation 1 -- November 10, 1977, Vrndavana*

On this auspicious day of your appearance, I pray that I be given the capacity to live by your words and training. I pray that you may be pleased to bless me with strength and empowerment to execute your desires. Bless me so that I can always remain sane and healthy in your service.

I beg Your Divine Grace to forgive me for all the offenses that I have committed at your lotus feet and to keep me always in your service. I also beg all my god-brothers to forgive me for any offenses that I have committed to them so that I can improve my services to you.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to your Divine Grace

I remember, when I was a student, just joined college, I had a certain goal in life. Like we all have. At that time, due to absence of Krishna consciousness, the goal was primarily towards a materialistic advancement in life. It was only when I came in touch with your divine grace through your temple and books that a new goal became visible. As I kept reading your books and associating with the devotees in the temple, this goal become more and more manifest and now after two decades of practicing Krishna consciousness, by your causeless mercy, the goal of even the highest materialistic achievement seems so trivial and insignificant when compared to the goal of attaining perfection in Krishna consciousness. You taught us that the human form of life is meant only for this goal – attaining perfection in Krishna consciousness.

You automatically attracted us towards this goal as the different meanings that you gave to this goal was so exciting. You said that attaining perfection in Krishna consciousness means constantly serving the perfect person Krishna; it means receiving instructions from Krishna directly from within the heart; it means seeing Krishna face to face; never forgetting Krishna even for a moment; always being absorbed in Krishna 24 hours a day; not being able to live for a moment without Krishna; keeping Krishna within the core of our heart; loving Krishna as

our life and soul; becoming mad after Krishna and many more such wonderful relationships with Krishna. This goal is truly sublime and nothing else can even start comparing to this wonderful goal.

It is all due to your divine grace's mercy and compassion that this wonderful goal is now known to so many hundreds of thousands of devotees all over the world. What you have given us is priceless. We can never ever repay you for giving us this wonderful goal to pursue.

It was by your grace that we realised that this goal can be obtained only in this human form of life. In no other forms of life can this goal be achieved. This human form of life is a very special gift, a very special blessing that we have received from Krishna and we must not spoil it in just material achievements. It is meant for spiritual enquiry and for attaining perfection in Krishna Consciousness.

In lecture on Bhagavad Gita given in New York you said :

"This (human) body is achieved after many, many, many, many births, after millions and trillions of years..... Don't think that all of a sudden, by accident, we have got this body. There are other bodies, cats, dogs and so many bodies. Why (we got) this civilized form of (human body). There must have been some process. So this is said in the Vedic literature, labdhva su-durlabham idam bahu-sambhavante, manusyam artha-dam: "This human form of life is achieved after many, many millions of other forms of birth."

Ref. VedaBase => Bhagavad-gita 10.4-5 -- New York, January 4, 1967, slightly edited for better reading)

Further in the Srimad bhagavatam you write:

"The less intelligent do not know the real value of the human form of life. The human form is a special gift of material nature It is a chance to achieve the highest boon of life, namely to get out of the entanglement of repeated birth and death. The intelligent take care of this important gift by strenuously endeavoring to get out of the entanglement."

Ref. VedaBase => SB 1.16.9

Herein you give us an important instruction Srila Prabhupada: that we need to 'strenuously endeavour' in this human form of life to be able to get out of material entanglement and attain the goal of perfection in Krishna consciousness.

Where and how do we strenuously endeavour? You explained that if we apply this strenuous endeavour in just one item of devotional service i.e, chanting the holy names of Krishna or the Hare Krishna Maha Mantra, hearing the sound vibration very attentively, then very easily the goal of Krishna Consciousness can be attained.

So while Krishna gave us this most important gift of human body, you gave us yet another very important gift; the gift of the holy name, the chanting of the Hare Krishna Maha Mantra. Just like Chaitanya Mahaprabhu freely distributed the holy name to everyone without seeing whether the person is qualified or not, you too freely distributed the holy name of Krishna throughout the entire world. In order to make us understand the importance of this gift of chanting you tirelessly spoke about it always, everywhere, to everyone, in your talks, lectures, morning walks, associations etc. You said the chanting of holy name is Chaitanya Mahaprabhu's gift. You said it is the munificent gift of LC, the most magnanimous gift of Lord Chaitanya; you further said that

chanting the holy name is a prime gift, a special gift, a transcendental gift, the highest gift, the greatest gift and a priceless gift. You said that this is the only gift for humanity at large. You said that simply by chanting the Hare Krishna Maha Mantra, one can attain all perfection in life.

In a lecture on Srimad Bhagavatam at Mumbai you said

“So our request to all of you is that take this movement of Krsna consciousness, chanting, very seriously. Don't neglect it. This is India's gift to the whole of the world. That is Caitanya Mahaprabhu's mission.

bharata-bhumite haila manusya-janma yara

janma sarthaka kari' kara para-upakara [Cc. Adi 9.41]

India's mission is para-upakara, not to exploit others but to do good to others.

Ref. VedaBase => Srimad-Bhagavatam 2.3.18-19 -- Bombay,

Srila Prabhupada, thank you for giving the whole world this very valuable and very rare gift of Krishna Consciousness. You are the true ambassador of spiritual knowledge to the whole world. My humble prayers at your lotus feet today is that please bestow this most precious gift of chanting the Hare Krishna Maha Mantra on this fallen soul so that I may attain the most valuable goal in life – attaining perfection in Krishna Consciousness in this very life.

Thank you,

Dear Srila Prabhupada,

Please accept my most humble and respectful obeisance. All glories to Your Divine Grace.

Prabhupada, you once said that the Allied Forces did not use the Howitzer guns to shoot mosquitoes, but the Germans. In other words, if an enemy force has to be fought, then firepower equivalent to the power of the enemy has to be used. Further, if someone is attacking us with great force, that shows that the enemy is considering us to be powerful. If we are weak (like the mosquito), the enemy will not bother to attack us, since they know that they can crush us at any point of time of their liking.

Similarly, your transcendental programs, Akshaya Patra and Vrindavan Chandrodaya Mandir, have been seeing heavy attacks from outside forces, desiring to stop them. From the above example, we can understand that your projects have become a dominant force in the society and hence the all-out attack by demonic forces. And the surprising thing is that with all the might at their disposal, their attack is having a disproportionately low effect and many people are solidly rallying behind us in countering the attack. Or maybe, it is not surprising – because they are up against Krishna, the Supreme Personality of Godhead, for whom Ravana and Hiranyakashipu were like play things, forget about the modern day demons, who are nowhere a match for the likes of Ravana or Hiranyakashipu.

By your unlimited kripa, I am able to still chant my 16 malas daily despite my speech disorder. I am deeply indebted to you, Prabhupada, for permitting me to continue my chanting. And my humble submission at your lotus feet is that you may kindly grant me the power to chant 16 malas of Hare Krishna mahamantra throughout this life, as well as in all my future lives as well without a break.

My Dearest Spiritual Master Srila Prabhupada,

Please accept my humble obeisances at your lotus feet on this most auspicious occasion.

Its your Vysa Puja celebrations, one of the biggest and most important days in the life of the disciple. I find myself so fortunate to be recipient of your causeless mercy as you have allowed me to be part of your glorious movement.

I wonder, if there is any other place in the world that can teach a person as many things as this community of devotees in your movement teaches each of the disciple. All this arrangement you have made to teach your disciples how to live happily in association of Krishna's devotees is wonderful. Krishna is not alone in Goloka Vrindavan, he is always surrounded by millions of devotees. If we are serious about going back to godhead, we need to understand and learn the art of living, sharing our life with other devotees. This is possible only when we live in the devotee community. It is easy to practice Bhakti alone at home, but to practice in the association of other vaishnavas is big challenge to - Our independent mind, and false ego.

Devotees all come from different regions, different backgrounds and different cultures yet hundreds of them stay together and practice bhakti, attend sadhana and render seva together. This is amazing given a fact that in the present world it is not possible for even close family members to stay together. As a result we find many broken, micro families around, depriving young generations of receiving care, affection, wisdom from elders in the family. In such situations, your organization provides all these to the wandering children, youth in the form of big devotee community.

How to receive the appreciations and criticisms in this world and to understand their temporary and flickering nature, is very easily realized in the association of devotees. And this only strengthens the devotee from within by making him not to become affected by either of them - All this most invaluable teachings becomes part of our learnings in the community. Srila Prabhupada, by making this community living part of the organization you are imparting life time lessons to your disciples.

Gurudeva!

*kṛpā-bindu diyā, koro' ei dāse, tṛṇāpekḥā ati hīna,
sakala-sahane, bolo diyā koro nija māne sprḥā-hīna*

Gurudeva! By a drop of your mercy, make this servant of yours humbler than a blade of grass. Giving me strength to bear all trials and troubles, make me devoid of all desires for personal honor.

As said by Srila Bhaktivinoda Thakura, I beg for your mercy to strengthen me to bear all trials and troubles.

Many criticize us for allowing youth to join our organization as full time missionaries. They claim that we are separating them from family and serving the parent. Actually they fail to understand that how, that devotee is becoming part of bigger family. A family where everyone shares common goal and strive to fulfill mission of our beloved spiritual master who is epitome of compassion, selfless, dedicated service to all the people of this world by giving them Krishna bhakti which will eventually make them experience the real happiness and complete satisfaction. These devotees also balance the human society which otherwise is filled with selfish, self centric population. Devotees save the world from becoming hellish. By making most fallen people join your organization, you are giving them opportunity to correct themselves which is very important for self purification.

Srila Prabhupada, this year was filled with many challenges for our Jaipur Yatra - With your mercy we were able to overcome them all. We opened new Askhaya Patra kitchens in Chittorgarh, Udaipur and Bikaner feeding thousands of children with Krishna Prasadam. Our temple construction has gained momentum. Kindly bless us to complete project soon.

jogyatā-vicāre, kichu nāhi pāi, tomāra karuṇā sāra

Upon examining my value, I find that I have none; your mercy is essential to me.

Srila Prabhupada, you have created this society and given innumerable fallen souls to live a regulated life and lifetime opportunity to correct themselves. Thank you very much for choosing me, though I am not eligible for that causeless mercy.

Your insignificant servant,

Ratnangada Govinda Dasa,

President, Hare Krishna Movement – Jaipur.

Achyutha Krishna Dasa

Dear Srila Prabhupada,

Please accept my humble obeisance unto your lotus feet. All glories unto you.

I am so grateful upon your kindness in allowing me to stay in Lord Jagannath's home.

There are many ardent devotees in Puri who don't start their work without having darshan of Lord Jagannath. Few of them go to the temple even three to four times a day. During special occasions like Karthik and Margasira months there are many devotees who take a dip in different sacred tanks of Puri. Even after these practices we see them indulging in eating fish and other intoxications. I was always confused until I read a letter of yours about residents of Puri. Although 90% of people in Odisha are non-vegetarians and eat fish, still Lord Jagannath has accepted their services. Krishna and His pure devotees are as powerful as the Sun which can purify a septic tank and still be unaffected.

In Puri, there are many ashrams and places of importance in connection to Lord Chaitanya's pastimes. These places are occupied by people who claim to be followers of Lord Chaitanya without even chanting Hare Krishna mantra properly. We have heard in your lectures that how such so-called followers were rejected by Lord Chaitanya's genuine followers. In few places, you have mentioned that they are better than the Mayavadis or atheists who do not believe in the Lord's existence.

There are many so-called sadhus dressed up as Vaishnavas, misleading innocent souls to take up karma, jnana and sense gratification processes. A pure devotee like you descend to earth to teach the Absolute Truth of going back to Krishna and reject any so-called religious propaganda in the name of devotion.

Pure devotees take risks to preach Krishna's message and pardon conditioned souls' mistakes. In one class, you gave the example of Jesus Christ who was crucified for no fault of his own except that he was preaching God's message. He wanted to pardon his aggressors by praying to God to forgive them for they did not know what they were doing. The greatness of a devotee is his quality of forgiveness. Arjuna was also very compassionate towards his relatives who caused so much pain and harassment to his family. Although the devotees are so merciful even to their so-called enemies, Krishna does not pardon someone who offends His devotee. Krishna personally decided to make the wives of Kauravas as widows since the Kauravas had offended Draupadi by dragging her to the assembly and insulting her.

Srila Prabhupada,

- I am very fearful to be an offender to Your Divine Grace and your sincere followers.
- I do not wish to disrespect or deal with any of your dear servants with my false ego and I wish to sincerely follow all the rules and regulations recommended for your disciples.
- I do not want to be appearing genuine only in dress, but would also want to be internally clean.

Please give me your mercy to respect all living entities and preach your message of Krishna in proper dosage. There are many pretenders dressed as Vaishnavas, even in devotee community. They bring bad names to institute and spiritual master by their improper behaviour to general populace. When people get victimized by the above class of devotees they blame the whole society. I am unable to justify and give moral support to those victims as representative of your institute.

Although we know a pure devotee can never be wrong, conditioned souls in sadhaka stage commit mistakes and dump them on the Acharya. You mentioned that people go to church on weekends for atonement and yet continue with their sinful business as if Jesus Christ has taken contract for their sins. This tendency of taking Acharya as a post for social status is useless until they understand the importance of an Acharya being a pure devotee of Krishna.

When residing in a dham we often face these issues and hence pray at your lotus feet to bless us to continue to serve Vaishnavas and dham in the spirit of your instructions.

Your servant,

Achyutha Krishna Dasa,

President, Hare Krishna Movement – Puri.

Dear Śrīla Prabhupāda,

Please accept my humble obeisance at your lotus feet.

You revealed to us the all merciful nature of the Supreme Lord Krishna. You have unveiled His wonderful transcendental qualities and mercifully connected us to Krishna through your Bhaktivedanta purports. Till we came across Your Divine Grace's teachings, we did not know who God is and what His qualities are. You opened our eyes to the fact that there exists the "Blessed Lord"- who is full in six opulences – who is thus known as Bhagavan. The person who possesses the six opulences of all riches, all strength, all fame, all beauty, all knowledge and all renunciation- Bhagavan or the Supreme Personality of Godhead Krishna was revealed to us through your divine teachings. You not only revealed that the Supreme Lord Krishna is Bhagavan- Blessed Lord, but you brought to us His most confidential aspects and qualities.

One such transcendental quality of the Lord is His unlimited compassion. This quality of the Lord's unlimited compassion can only be revealed by the most confidential servitor of the Lord. I realized this once when one of the devotees gave your book Teachings of Lord Chaitanya to a Sri Vaishnava scholar in South India. This scholar read this book and appreciated the depth of Your Divine Grace's understanding of the revealed scriptures, he also appreciated that your Gaudiya Vaishnava theology is based on very strong scriptural knowledge. But most of all he was touched by one verse of Ramayana which was quoted in the book.

sakṛd eva prapanno yas

tavāsmīti ca yācate

abhayaṁ sarvadā tasmai

dadāmy etad vrataṁ mama

"It is My vow that if one only once seriously surrenders unto Me, saying, 'My dear Lord, from this day I am Yours,' and prays to Me for fearlessness, I shall immediately award fearlessness to that person, and he will always remain safe from that time on." (Rāmāyaṇa, Yuddha-kāṇḍa 12.20)

This is a statement made by Lord Rama in the assembly when there is discussion with Sugriva, Hanuman and other commanders of His army, when Vibhishana comes to Lord Rama seeking His shelter. Many opinions float around on

whether to accept Vibhishana into Lord Rama's fold or not. Some of the commanders say Vibhishana cannot be trusted for after all he is born in a family of asuras. Some others are in a dilemma.

Hanuman vouches for Vibhishana by saying that Vibhishana is a true Vaishnava; even though he stayed in Lanka he worshipped Lord Vishnu and in the courtyard of his house Tulasi is planted and revered. He further said that Vibhishana worships the Supreme Lord Vishnu with all sincerity. Hanuman, during his visit to Lanka and subsequent burning of Lanka, visits Vibhishana's house and is astonished to see that someone is worshipping Vishnu in Lanka. When Hanuman questions Vibhishana as to how a Vaishnava like him is born in a family of demons like Ravana and Kumbakarna, Vibhishana replies, *"I am here in Lanka just as the tongue somehow survives even though stuck in between two powerful rows of teeth capable of crushing it any time."*

When Hanuman recollects the great qualities of Vibhishana, Lord Rama then utters the above verse. He accepts the devotion of Vibhishana and welcomes him to His fold and assures him of all protection.

In this verse, Lord Rama brings out His all-compassionate nature. He reiterates that anyone who surrenders to Him sakrd-only once saying, "I am yours," the Lord awards fearlessness to that person. This is possible only for a person possessing immense compassion at heart for all living entities. Such is the great quality of the Lord, that if someone even once surrenders to the Lord, he is protected forever! The background or the qualification of the person surrendering is not seen by the Lord. Just that one call for shelter is enough to make the Lord come forward and protect the living entity forever!

The scholar who read your Teachings of Lord Chaitanya said, "This particular confidential aspect of Lord Rama was revealed by your Srila Prabhupada. I can only appreciate that Prabhupada is indeed not only a great scholar but also a great devotee. This aspect of total surrender to Lord can only be revealed by someone who himself is a great devotee."

Srila Prabhupada, when I heard this experience from another devotee about the deep appreciation shown by the scholar about you, I read this verse again and again and felt very comforted that we are indeed worshipping the Supreme Lord who is not only full of all opulences and greatness, but also a person of immense unlimited magnanimity.

This verse has given me solace in my devotional service. It has helped me weather many a storm in my life. Srila Prabhupada, thank you for revealing that Lord as all-merciful, who protects everyone. Just this assurance is enough to keep us firmly fixed and rooted in the service of the Supreme Personality of Godhead. This revelation about the Lord gives one a great anchor by which he can stay firm in his devotional practices.

Dear Srila Prabhupada, on this auspicious day of your divine appearance, I pray to your lotus feet to give the strength to be steadfast in my devotional service to my all-merciful Supreme Lord Krishna, revealed so mercifully by you.

Your servant,

Bharatarshabha Dasa

Jaganmohan Krishna Dasa

Dear Srila Prabhupada,

Please accept my most humble obeisance at your lotus feet.

I am unqualified and unfit disciple for not able to perform the prescribed duties up to the expectations, hence I beg for your mercy so that I can render service which is pleasing to you. Please bless me that I can successfully discipline my thoughts, words, and deeds at all time, place, and circumstances so that I can engage more ably in your mission.

This year, it has been very turbulent with many issues in the temple management especially handling parents of the few devotees, who has gone all the way to attack the temple by police complaints, media trials and court cases. But these are the testing times where we realised how much you safeguarded us from all the odds and gave strength to face the situation. It was no surprise to see even the so-called spiritual leaders taking the opposite side. As the darkness of Kali yuga steadily spreads around, the glow worm-like speculators, with their fancy humanistic, socialistic, and democratic views, are becoming more and more prominent. With their high articulative words they are trying to cover the original meaning of the spiritual life, bringing forth their relative and anti-authoritative views. Considering simple and sublime to be primitive, they try to impress the ignorant public with their complicated speeches, which finally aim at the classical Mayavada ideals of impersonal oneness. And so, they are fascinated by social and economic concepts, but neglect the personal soul. Common people who are eager to hear what is spoken but not who is speaking, they consider a mere accumulation of words to be sufficient to prove the intellectual merit of the speaker. Puffed up with their academic education, they declare the simple and sublime nature of devotional service to be not adequate to satisfy their intricate mental needs. Bringing everything to the mundane level of their limited minds, they declare that there is nothing beyond that and that the requirement for devotional service is mental, physical, and of course economic satisfaction. So-called philanthropists are preaching, in the name of spirituality, that bodily needs are the highest goal. In this way Kali is whipping his victims to newer and newer heights of madness resulting from sensual stimulation or frustrated tyaga - ideals preached by the bogus leaders and so-called spiritualists. These so-called transcendentalists are not even able to follow the basic moral principles of human life.

Dear Srila Prabhupada, this darkness makes your sublime words shine all the more - words describing in an ingenious way the life of simple living and high thinking. You wonderfully distilled the essence of all knowledge and removed the darkness, not only by your words but also by your personal example. What potent ways you showed us, to discover reality by engaging us to do kirtana, by impressing upon us the absolute need of reading and distributing your books, and by saving the conditioned souls with the distribution of prasadam. You have given us so much, in spite of our inability to surrender completely. Your books fulfil all the desires of everyone, and your infinite compassion is manifest in every letter. You are like a wish-fulfilling desire tree and have descended specially to save the most fallen souls of this age. We pray that, despite our disqualifications, we may hang on to your lotus feet, and also that we may be able to do a little insignificant service for your pleasure. Apart from pleasing you, our life is a useless, meaningless and void.

Dear Srila Prabhupada, the modern world has never seen a spiritual master like you. You have single-handedly launched a powerful spiritual movement that is revolutionising the entire universe. There are no more fortunate persons than those who have dedicated their lives to assisting you in your mission. In spite of their conditioned state, the devotees, who received your special mercy, are able to transmit the parampara knowledge to one and all. In this ocean of Kali yuga madness, your kindness is daily being revealed more and more. It was you who taught us that life comes from life and that this life means preaching. The debt we owe you can never be repaid, but at least we can try by tolerating our conditioning

and dedicating our lives to your preaching mission. This mission is simple for the simple and complicated for the complicated. Chanting Hare Krishna and introducing people to your books and to prasadam is simple and sublime.

Thank you, Srila Prabhupada, for this simple, blissful and sublime life you gave us. Thank you for offering us the possibility of going back home, back to Godhead, and never returning to this material world. We want to show our gratitude for empowering many of your sincere disciples to continue your mission even after so much of chaos in the movement immediately after your physical departure. It is unfortunate that some of your initial disciples have deviated from your instructions. But by your mercy many youngsters are coming and taking up this mission. Wherever you are, Lord Krishna is also present, and wherever Lord Krishna is, there is certainly victory.

All glories to you, Srila Prabhupada, and all glories to your sincere disciples, whom you are engaging as your instruments in Lord Chaitanya's mission.

Your humble servant,

Jaganmohan Krishna Dasa

Dear Srila Prabhupada,

Please accept my humble obeisance unto your lotus feet. All glories to Your Divine Grace, the saviour of the whole world.

Srila Prabhupada, on the 123rd Divine Appearance Day, I would like to reminisce and try to share a few words in presenting the glories of Your Divine Grace; for me you are an emissary of the Supreme Personality of Godhead, Krishna. In the *Bhagavad-gita*, Lord Shri Krishna explains, *janma karma ca me divyam [BG 4.9]*. The Lord reveals Himself, reveals His divine lila into this world through the words and actions of those who live their lives cent percent dedicated in the loving service of the Lord. 'As Krishna is the Supreme Personality of Godhead, the spiritual master is the supreme personality of servitude Godhead.' Srila Prabhupada you have come to distribute the treasure of love of Godhead, and your lila is the same as the Supreme Truth; so I would say, one who understands the divine nature of the appearance, activities and disappearance of the great souls, they never have to take birth again in this material world.

On this day of your divine appearance Srila Prabhupada, we should know how we can become intimately associated with you. When we chant the Holy Names, with an attentive and sincere heart we should know that Srila Prabhupada you are with us, because when we serve your instruction, when we execute your order, we should know that this is the greatest and most intimate way that one can associate with Your Divine Grace. Also, if we can assist those who have taken Your Divine Grace's instruction as their life and soul, then we can consider ourselves intimately associated with yourself.

Once, a newspaper reporter asked Your Divine Grace, 'Are you perfect?' Then you, with great humility, from the core of your heart, said, 'I am not perfect. But I am simply repeating the words of my Guru Maharaja and those words are perfect. Why? because my Guru Maharaja is simply repeating the words of Krishna.' So our qualification should never be to become a big scholar or to be an advanced devotee. A bhakta never aspires to be an advanced devotee. A bhakta simply aspires for the position of being the peon, the menial servant delivering the message of his spiritual master. And to have no other purpose or motivation in life except that.

You never gave up on the words of your spiritual master, Srila Bhaktisidhanta Sarasvati Thakur Prabhupada. You have accepted a task that perhaps no man in the history of this world has ever accepted – such a responsibility, such an austerity, such a painstaking commitment, at the age of 70. And you never were tired, never lost hope, never lost heart. You agreed to live amongst the most fallen people and personally spoon fed them to give them God consciousness and changed their hearts. You built 108 beautiful temples across the globe in 10 years. It is only by your mercy that we have anything today. Simply we should strictly adhere to your instructions, live a pure and gentle life and give our life for the mission of glorifying the name of Guru and Krishna, and then we have achieved your intimate association.

Srila Prabhupada you came into this world, on Krishna's request, to teach us how to live a pure life of Krishna consciousness, and that includes how to finally pass away from this world to attain eternal life. Education in how to die is meant especially for the human being. An animal dies and a human being also dies; but a human being is supposed to understand the process of going back to the spiritual world at the time of death. Srila Prabhupada you have expertly taught us the process of quitting this body, by remaining always fixed and undisturbed in Krishna consciousness.

You have taught us how vani gives constant association; As long as the spiritual master is physically present, the disciple should serve the physical body of the spiritual master, and when the spiritual master is no longer physically existing, the disciples should serve the instructions of the spiritual master. Srila Prabhupada you have given us the greatest gift of all: service in separation. As your disciples, we know this principle of *service in separation*, known as *vipralambha-seva*, but to most of us it is a theoretical realization. Before one can feel intense loving separation from Krishna, one must first feel intense attraction to Him. But for us conditioned soul who have forgotten and abandoned Krishna and have come to the material world under the spell of Maya, "separation" from Krishna is based on complete ignorance and forgetfulness.

Srila Prabhupada you are still present amongst us through your instructions; service in separation for all of us is undoubtedly a fact, otherwise, now when we are without your personal presence, how are we all able to sustain ourselves in spiritual life? Your presence remains and expands, and sustains your devotees' lives. You remain still in charge. Today I make this prayer of allegiance and faithfulness to always ride your boat, which you have been so mercifully sailing to take us home back to Godhead; my mind wants to drag me everywhere. I beg for your mercy by which I don't leave you, so that I can count on my blessings and with this gratitude chant the holy name: *Hare Krishna Hare Krishna Krishna Krishna Hare Hare, Hare Rama Hare Rama Rama Rama Hare Hare*.

I must also take this opportunity to bring forth the contribution of your servant and our guide and mentor His Grace Sri Madhu Pandit Dasa, who has taken upon himself a humongous task of guiding us on how to do "*Soulful Japa*." This is such a thankless service being taken up by Sri Madhu Pandit Prabhu under your guidance to help us improve on our japa. This I see as a great blessings and causeless mercy bestowed by Your Divine Grace upon us, to help us associate with the yuga-dharma properly, so that we really get the benefit of the chanting of the holy name; and this mercy is routed to us through the medium of your ardent servant Sri Madhu Pandit Prabhu.

Today, on the Vyasa-puja day, I want to humbly submit a request to bestow mercy on this fallen soul so that I can follow your preliminary instructions of chanting 16 rounds attentively, follow the four regulative principles, take association of

devotees and regularly read your books. I beg for your mercy to always keep this fallen soul at your lotus Feet because I do not have any other shelter.

All Glories to Srila Prabhupada.

Your aspiring servant,

Janardhana Dasa,

President, Hare Krishna Movement - Guwahati

Karunya Sagar Dasa

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to Srila Prabhupada.

I am so glad to glorify you every year because that gives me the purpose of my spiritual life.

Just glorifying you gives me inspiration, enthusiasm and satisfaction in Krishna consciousness.

I remember in Chaitanya Charitamrita it is said that when Lord Chaitanya would glorify a devotee it seems that He had many mouths, meaning He was so eager to glorify devotees. Hence I thank you for giving this opportunity to glorify you with my heart's content.

When I think what would have transpired if you did not appear in this world after Srila Bhaktisiddhanta Maharaja, it causes fear, because the parampara would have ended. Fortunately, Srila Bhaktisiddhanta and Lord Krishna have given the world your good self to continue the parampara and free the world from the fear of the parampara ending. Now as told by you there is no fear for the next 10,000 years, as you would continue to guide all of us and lead us to Lord Krishna.

If you would not have appeared then, what would have happened to the yuga dharma of the chanting of the Hare Krishna mantra, who would have spread it? If you would not have appeared, what would have happened to the propagation of Srimad Bhagavatam, Lord Krishna, the Bhagavad-gita, Harinama sankirtana, teaching people about offering food, the ultimate goal of life which is devotional service to Lord Krishna ?

All of these would have been null and void and people would have continued to live in ignorance and lead a life simply fulfilling their temporary bodily demands.

The atheists, agnostics would have engulfed the world with their ulterior motives and plans and would have made the earth completely hellish and unfit for any human being to live. But by your kind appearance and your spiritual influence, you have created a host of devotees who would spread a pure atmosphere of Krishna consciousness to counter the inauspiciousness created by the atheists, agnostics etc. By introducing the Vaikuntha activities like transcendental sankirtana, chanting Hare Krishna mahamantra, honoring Krishan prasadam, distributing your transcendental literature and rendering devotional service, you have made this earth a place fit not only for human beings but even demigods, and in fact a fit place for Vaikuntha personalities also! Such is the glory of your appearance and the eternal benefit that the earth planet has received.

I remember one wonderful pastime about the effect of your divine appearance. The world must know this and hence I want to tell them who is Srila Prabhupada.

The story is like this: "Tamal Krishna Maharaj came in with the green card and said, "Prabhupada, America is waiting for you. Customs is ready; immigration is ready. Everything is cleared." You immediately began to cry. You said, "I am so indebted to America. America has given me so much. It's given me men, money. I am so indebted." You showed a perfect Vaishnava humility and feelings of gratitude. Tamal Krishna Maharaja said, "Prabhupada, once you said that you were like a cow and wherever your devotees led you, you would go there and give milk. But there's one thing I don't understand. Somehow or other you never dry up, you are always giving." You smiled and said, "Yes, that is because I am a surabhi cow."

Srila Prabhupada, how fortunate we are to have surabhi cow in this world and get all our spiritual desires fulfilled in the service of the Lord. You once said that if you go in front of surabhi cow and ask anything it will deliver anything you desire, not just milk and the supply and scope is unlimited.

In the Srimad Bhagavatam Canto 4 chapter 18 it is said how Prthu Maharaja and other great personalities following in his footsteps milked many desirable things from earth. Prthu Maharaja milked all the herbs and grains from the earth. Others, who were as intelligent as King Prthu, also took the essence out of the earthly planet. Indeed, everyone took this opportunity to follow in the footsteps of King Prthu and get whatever he desired from the planet earth. All the great milked all kinds of Vedic knowledge to purify words, mind and hearing. All the demigods milked the beverage soma, which is nectar. Thus they became very powerful in mental, bodily and sensual strength. The inhabitants of Gandharvaloka and Apsaroloka drew sweet musical art and beauty. The inhabitants of Siddhaloka milked out specific yogic mystic powers, beginning with aṇimā. The inhabitants of Vidyādhara-loka acquired the art of flying in the sky. The mountains milked a variety of minerals. The planet Earth supplied everyone his respective food.

Similarly, we are truly able to get from you all the four Vedas in essence, all nine forms of devotional service; we get six six forms of surrender from you, we get six favourable situations of devotional service from you, we are able to avoid six unfavourable things in devotional service, we are able to get 64 forms of devotional service, the three Deities needed from all devotees for making spiritual progress namely the sambandha deva, abhideya deva and prayojana deva Sri Radha Madam Mohan, Sri Radha Govinda and Sri Radha Gopinatha, we are able to have direct access to prasadam, holy names of Lord Krishna, the sacred Bhagavad-gita, Bhagavatam, Chaitanya Charitamrita, Deities, tilaka, kanthi mala, Vaishnavas and the list goes on. If not for you, is there anyone who can deliver such unending list of devotional paraphernalia to us, the earthly beings? No, it is only you who have delivered all these things to us. You are indeed the surabhi cow in this material world.

Further Yudhisthira Maharaj has very nicely portrayed the position of pure devotees like Vidura in the following verse in Srimad Bhagavatam 1.13.10 as follows:

*bhavad-vidhā bhāgavatās
tīrtha-bhūtāḥ svayaṁ vibho
tīrthī-kurvanti tīrthāni
svāntaḥ-sthena gadābhṛtā*

"My Lord, devotees like your good self are verily holy places personified. Because you carry the Personality of Godhead within your heart, you turn all places into places of pilgrimage."

This is certainly applicable for you. You are certainly a resident of Goloka Vrindavana. We get a glimpse of the true nature of the activities there in your actions, teachings and personality.

There are so many instances to prove about your existence in Goloka.

Tamala Krishna Maharaja recalls: "One time Prabhupada gave me a lugloo, a lugloo as Prabhupada called them. He asked me what my impression of it was, and when I tasted it, I couldn't believe the taste. I said, "It's not of this world." Prabhupada said, "You're right. This is the same recipe that Mother Yashoda cooks for Krishna when He goes out to tend the cows, and Krishna likes them so much that He keeps extra in His pockets so that He can eat them throughout the day." When Prabhupada was speaking, it was clear to me that it was Mother Yashoda's recipe and Prabhupada knew it very well.

Thank you Srila Prabhupada, to have taken your valuable time from the spiritual world and have come here to live with us, the conditioned souls and give us Krishna consciousness.

Thank you Srila Prabhupada, to have sacrificed your wonderful blissful life in Krishnaloka and come to this miserable world to live with us to deliver us.

Thank you Srila Prabhupada, for sacrificing personal service of Krishna to give us Krishna and to deliver us to Krishna.

Thank you for sacrificing the luxury life in Krishnaloka and accepting a humble facility in this world while establishing Krishna consciousness centers.

Thank you for sacrificing the association you had in the spiritual world to come here to give your association and inspire us to come there and have association of Vaikuntha personalities.

Thank you for even giving us the opportunity to connect to Lord Krishna, spiritual world, prasadam, Deities. Am I worth it, am I eligible? If I sincerely think about it, I am 100% sure that I am completely disqualified for any of them, but because of your causeless mercy, you have allowed me to access all of them.

How can I express my gratitude oh Prabhupada? I am unable to do so.

Let me eternally be indebted to you for this and engage in sincere devotional service.

Seeking your blessings and causeless mercy upon me, I also beg forgiveness for the offences committed against you and Vaishnavas. Please give me the strength to chant the holy names purely and perform devotional services without offences for the pleasure of guru and Gauranga.

Your insignificant servant,

Maha Vishnu Dasa

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet and all glories unto you.

It is the duty of every disciple to glorify the spiritual master, whose glories are unlimited. And this glorification should be coming from our heart, mind and words rather than artificial articulation of words.

Everywhere in Srimad Bhagavatam we see even the great devotees aspire to have the association of other great devotees. Because only in association one can get inspiration, protection and advance towards perfection in spiritual life. By hearing in the association of the devotees about the Lord, we will have an uncommon influence upon us and is the fastest way of

purification. I pray that I get attachment for the association of devotees who are full of all good qualities and get detached from all worldly diversions.

Prahlada Maharaja is recommending the following process to his friends:

“One must accept the bona fide spiritual master and render service unto him with great devotion and faith. Whatever one has in one's possession should be offered to the spiritual master, and in the association of saintly persons and devotees one should worship the Lord, hear the glories of the Lord with faith, glorify the transcendental qualities and activities of the Lord, always meditate on the Lord's lotus feet, and worship the Deity of the Lord strictly according to the injunctions of the śāstra and guru.”

(SB 7.7.30-31)

I pray to you to always give me the proper intelligence and guidance while doing my services and I do not become proud and I always remain your humble servant and of all the Vaishnavas.

Only request I have is that I develop taste for chanting Hare Krishna mantra (suddha name ruci) and always be able to remember the holy name of the Lord in all circumstances in life and become attached to Lord Krishna through you.

Your insignificant and most fallen servant,

Maha Vishnu Dasa

Vice President, Hare Krishna Movement – Hyderabad.

Niskinchana Bhakta Dasa

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to you.

I have a small experience to narrate which has brought lot of faith on your mercy and your potency on how you can empower a small unqualified and insignificant jiva like me to such works.

A year ago, Andhra Pradesh Govt gave us an opportunity to start Anna Canteens. I had to start feeding 70 canteens, run 5 kitchens and feed total of 50,000 meals per day, that too 3 times a day. We have experience of cooking and distributing food in Akshaya Patra. But this activity included serving food to people, maintenance and cleaning of each serving center. We were without any money, proper-trained staff and capable manager.

Being inspired by devotees and our authorities, I took up this challenge. But the challenge was very daunting. We had experience of running 2 kitchens. I thought that this itself was above my capacity. And now we had to additionally serve food at each center. And what about the finances? If we don't get money from Government, how we will run the program in long term? My mind was internally fighting on how it will be possible by me. Practically whole day I would be in anxiety of how it will happen. With great difficulty I was taking progressive steps each day. But my confidence was not enough. I was sulking in my own frog-like limited intelligence. As you had often narrated the story of Dr. Frog who was always thinking about his well as the greatest water body and could not reconcile that there would be a possibility of a greater water body available, I was caught up in my own limited thinking of my abilities and capacities. Never could I reconcile that I could go beyond the limit of my thinking and capacities.

During those days, every night I used to hear your divine lectures. And those lectures instilled lot of confidence and solace to my mind. With the power of those lectures, I could defeat the feeling of limited capacities. Your instructions that Lord

always protects His devotees and He gives what a devotee lacks, gave me the necessary faith to proceed on. And gradually day after day I could see the miraculous stretch of my capacity and intelligence. What was not possible for me even in my dream was getting accomplished. Just like a loving father who takes his reluctant child to school, who is only interested in playing, you have guided my playful mind to do some serious service to Lord Krishna. Just as an expert goldsmith beats and presses a piece of gold and stretches its length and breadth, you have stretched my limitations and capacities. Actually, we are all iron pieces even now. And if anyone presses or beats the iron piece, it will only break and become useless. But your mercy has expertly made this iron to develop malleable characteristics of gold and shine. Thank you Srila Prabhupada for your mercy and inspiration.

In terms of what is happening and achieved by every devotee in the movement, my contribution is very insignificant. But I am so fallen that this insignificant work was also very difficult and could not be achieved without your mercy. I pray to your lotus feet that I do not become proud of these and always remain as your servant. In one of the purports of Srimad Bhagavatam you have mentioned that, "The power and energy which were bestowed upon Arjuna were required for fulfilment of the mission of the Lord, but when His mission was fulfilled, the emergency powers were withdrawn from Arjuna because the astounding powers of Arjuna, which were astonishing even to the denizens of heaven, were no longer required, and they were not meant for going back home, back to Godhead. If endowment of powers and withdrawal of powers by the Lord are possible even for a great devotee like Arjuna, or even the demigods in heaven, then what to speak of the ordinary living beings who are but figs compared to such great souls. The lesson is, therefore, that no one should be puffed up for his powers borrowed from the Lord. The sane man should rather feel obliged to the Lord for such benefactions and must utilise such power for the service of the Lord. Such power can be withdrawn at any time by the Lord, so the best use of such power and opulence is to engage them in the service of the Lord." Let me always recognize your divine mercy and not fall into the trap of Maya by becoming proud.

Now, we have yet another phase of stretch. We have been given the project of starting Akshaya Patra all over the state, especially in urban areas. Specifically, I have been given the task of starting 15 kitchens and feed 15 lakh children in 4 districts of Andhra Pradesh. This time I will be facing this challenge with a much better consciousness, faith and confidence than a year ago. All this is due to your divine mercy.

Thank you, Srila Prabhupada, for your unconditional and causeless mercy on this useless soul. And I also thank all the Vaishnavas in the entire movement who have inspired me to continue to take your shelter and thus receive your mercy. And I beg their forgiveness for any offences I have committed to them.

Trying to be your servant,

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet. Your mercy has rained upon us and nourishing association of your sincere followers. It is that association that helps create the favourable atmosphere necessary for rendering pure devotional service as you have taught throughout your instructions. It is your benevolence that has engaged us in building a temple for Their Lordships. By your mercy, this temple will serve to distribute the sound of the Hare Krishna mahamantra to every individual soul. By these services to Sri Sri Radha Gopinath, we are daily feeling the satisfaction of Krishna consciousness in this present simple temple setting. Please bless us so that we will have the strength to carry on this divine mission of Lord Sri Chaitanya Mahaprabhu.

You are the spiritual master of the entire world. You perfectly fit in this description of the jagad-guru because of your entire life's work, which you have displayed the highest Vaishnava qualities. Your qualities, behaviour and personality which you have exhibited were manifestations of your inner purity, your absolute, unalloyed pure devotional service to Lord Krishna. A pure devotee like you is acting in this world on behalf of the Lord, thus you will naturally possess the divine qualities of Lord Krishna Himself and these qualities are all-attractive to the mundane people. Thus, everyone becomes attracted to you and therefore you will always remain as the one and only spiritual master.

This movement is yours. You are the Founder Acharya. You are the constant director and guide. You are the ever well-wisher. It is your pleasure that brings me pleasure. Therefore, I pray that my continuous effort to fulfil your desire will satisfy you always. By pleasing you it will surely be pleasing Lord Krishna – yasya prasada bhagavat-prasadau. Therefore, let me always remember and serve you continuously without any offense.

I thank you from the core of my heart and pray that I may always remember your lotus feet and remain fully surrendered to your divine instructions. You opened my eyes, which were blinded by the darkness of ignorance, with the torchlight of transcendental knowledge. You have clearly stated in your books that this material life is temporary and consists of birth, death, old age and disease. I should strive to achieve perfection by practicing Krishna consciousness and following your instructions. Whenever I meditate on you, Srila Prabhupada, faith is restored, confidence is gained and enthusiasm is increased. Let me pray that I will always remember you, Prabhupada. Let me honor you and serve you because you are the only hope in these troubled times. Jaya Srila Prabhupada.

Dear Srila Prabhupada,

Please accept my humble obeisance on this most auspicious day of your divine appearance.

You have descended in this material world just to save us all from perpetual suffering. You travelled all over the world and have shown the path of devotion to Krishna as the only remedial measure for all our problems of life. By your sincere efforts and intense love for Krishna, you have spread Krishna consciousness all over the world. Thousands of people are delivered by coming in touch with you. You are a paramahansa, a pure devotee of the Lord, who knows the techniques of engaging people of Kali yuga in Lord Krishna's service. Knowing that the Supreme Absolute Truth is a person is the most confidential aspect of spiritual science, which most of the transcendentalists are unaware of. You are the confidential representative of the Supreme Lord Krishna. You have appeared to present the highest aspects of spiritual science. You have stressed in your teachings clearly, that the Supreme Absolute Truth is a person and He is Lord Krishna. It is only after coming in touch with you, that millions of people in this world have received this most confidential knowledge, and knowing this theoretically itself makes us joyful. You have given us a most valuable gift in the form of your books. Each time we read your books, we get great satisfaction and enlightenment. You have shown us the importance of performing devotional services at all time, place and circumstances. You showed us that just by following the orders of our spiritual master and Krishna, everything would come automatically. You established 108 centers, gurukulas and farm communities. Thousands of people have taken shelter at your lotus feet and millions more will be taking your shelter through the organization that you set up.

You have exposed all the bogus gurus by uncompromisingly presenting the actual message of Vedic wisdom. You have carefully guided us to practice sadhana bhakti sincerely and seriously, and not to imitate the advanced devotees artificially in the neophyte stage. You have clearly chalked out a program for us to follow meticulously: attend mangalarati, chant Hare Krishna mahamantra minimum of 16 rounds daily, attend darshan arati, Guru Puja, Srimad Bhagavatam class, Harinama sankirtana, honoring prasadam with devotees, taking association from devotees and visiting places of pilgrimages like Mathura Vrindavan, Jagannatha Puri, Mayapur, Dvaraka etc.. You have instructed us to follow the four regulative principles and be free from all sins. In this way, you have given us crystal clear directions for purification of our hearts and lots of opportunities for practical devotional service throughout the day. We are all helplessly acting according the impulses born of the modes of material nature, but you know how to engage us in performing actions that liberate us. As Krishna says in Bhagavad-gita 3.9, yajñārthāt karmaṇo 'nyatra loko 'yaṁ karma-bandhanaḥ: “Work done as a sacrifice for Viṣṇu has to be performed, otherwise work binds one to this material world.” tad-arthaṁ karma kaunteya mukta-saṅgaḥ samācar: “Therefore, O son of Kuntī, perform your prescribed duties for His satisfaction, and in that way you will always remain unattached and free from bondage.”

Lord Krishna has also said in the Bhagavad-gita 4.34:

*tad viddhi praṇipātena paripraśnena sevayā
upadekṣyanti te jñānam jñāninas tattva-darśinaḥ*

“Just try to learn the truth by approaching a spiritual master. Inquire from him submissively and render service unto him. The self-realized soul can impart knowledge unto you because he has seen the truth.”

From the teachings of Lord Krishna we understand that one cannot know the truth without approaching a bona fide spiritual master. It is our great fortune that we have met you. It is the causeless mercy of Lord Krishna that He has chosen you to deliver us from this hellish material life.

By your causeless mercy, we the devotees at Hare Krishna Movement Lucknow are conducting preaching activities and it is gradually expanding. Sincere souls are coming and receiving your mercy. We are trying to distribute your books and prasadam to as many people as possible. We are also trying to reach out Krishna consciousness to as many people as possible. I humbly request you to bestow your mercy on us to spread the glories of the Lord more and more.

In spite of my shortcomings and anarthas you have given me service opportunities in your mission.

I beg to remain under the shelter of your lotus feet forever and go on serving your mission.

Your servant,

Shukadeva Dasa,

General Manager, Hare Krishna Movement - Lucknow.

Dear Srila Prabhupada,

Hare Krishna!

Please accept my humble obeisance. All glories unto you and your most merciful lotus feet!

Every year you are kindly giving us an opportunity to reflect on the blessings we received from you throughout the year, every day, every moment, so that we remain humble and grounded always and never think that we have now elevated spiritually sufficiently to receive honour from everyone and eventually invite our spiritual fall down.

This Vyasa Puja offering is a rare opportunity for souls like me to express my gratitude for all the royal comfort and facilities materially and spiritually provided to insignificant souls like me through your kind institution. It is really “Royal” in the sense that we cannot expect this kind of most spiritually comforting experiences even in the midst of uncertainties while dealing with all kinds of situations guided by guru, sadhu and shastra. The comfort is experienced everyday by the morning sadhana, good chanting, sadhu sanga, kirtans, absorbing service, visualizing and dreaming for better future of the institution you have created, etc. There is everything in this institution and nothing lacking for our spiritual development, along with whatever is required for our bodily demands, mental demands or intellectual demands too. The subconscious desires of all the devotees are eventually unknowingly satisfied while engaging of their services, if they are sincerely trying to follow the authority system you have created. Only our readiness to accept your instructions strictly and follow it in a disciplined manner is lacking, which is the complete responsibility of the individual practitioners like me.

The journey so far for me, as I recollect, is very enlivening, as it demands full surrender to you and Krishna to the situations and circumstances we are in, created by the spiritual process. Otherwise, we will never surrender nor understand what is full surrender, which only remains as a theoretical and philosophical concept in our lives, which may gradually fade off due to lack of realization and experience.

The specific quote which played an important and significant role in my life, which I keep hearing through senior devotees, is as mentioned below in one of your conversations:

Guru dāsa: *If there is a devotees who are not yet purified, if the devotee is not yet purified, why is the temple president a representative of you? If we are not at the purified stage, then why is the temple president a representative of yourself?*

Prabhupāda: *To carry his order. That is purification. If you create your own atmosphere, then you become impure. If you simply carry out the order of your spiritual master, then you will be benefited. If you do your own business, that is not good. You cannot do anything which is not ordered by your spiritual master. Of course, everyone should have sense. It is not that we are dull, stone. Unless it is moved, it cannot... You have got moving power. But the basic issue should be to carry out the orders of his spiritual master. That is your president. Otherwise you are not.*

Harikeśa: *Sometimes we have the experience of someone in authority who is obviously not following your instructions.*

Prabhupāda: *Hm?*

Harikeśa: *Sometimes we have the experience, someone in authority who is obviously not following your instructions.*

Prabhupāda: *That you have not to judge.*

Harikeśa: *Ah.*

Prabhupāda: *You are not to judge. You should be, you should know that this man is appointed, and he gets here by spiritual process. I must follow. You cannot judge him.*

Harikeśa: *Oh.*

Devotee: *(indistinct)*

Prabhupāda: *That is not your business, judging.*

Harikeśa: *Then we simply wait for further instructions from you and keep....*

Prabhupāda: *No further instructions.*

Harikeśa: *Ah.*

Prabhupāda: *So long he is president you must follow him. If he is wrong, that will be corrected by the spiritual master.*

Harikeśa: *Right.*

Prabhupāda: *You cannot correct him. Otherwise obedience is the first discipline. If you do not obey the representative, authority, then there cannot be any discipline. Then everything will be topsy-turvy.*

Harikeśa: *You would rather have us follow the temple president...*

Prabhupāda: *Huh? Yes.*

Harikeśa: *...than to...*

Prabhupāda: *If he is wrong, that cannot... He will come out.*

Harikeśa: *Ah.*

Prabhupāda: *So the steps will be taken by the spiritual master. You cannot, do not try to rectify.*

- *(Room Conversation -- March 16, 1974, Vrndavana)*

Sometimes it becomes difficult to analyse the challenges we face while we are handling our assigned services. This principle of line of authority/command in the temple structure you have created similar to any corporate, is super helpful to come out of any difficulty, if we simply follow it sincerely. It needs lot of patience and tolerance to follow this and to tackle our mind and also to bear with the pressures of the circumstances. The only strength I experience is the morning sadhana, which, if dutifully done with quality, all the so-called problems will vanish and be taken care by the Supreme Lord.

The greatest laudable and fortunate position in this Srila Prabhupada's ISKCON is the treasure of highly experienced, realized and mature devotees in the GBC who are worth to be seen as ideal leaders for the movement.

As you have desired, this insignificant soul has travelled all the way from Vrindavan to New Jersey, to serve your beautiful Lordships Sri Sri Radha Gopinathji. Even though personally I never expected of such a huge and drastic change in my service, this is only your causeless mercy that you have given me a massive responsible service, which I am not qualified for. By the guidance of senior devotees there has been ample training to handle pressure, and sail through some of the challenging situations which I used to fear that may lead to any offenses due to my mishandling it. I am continuously learning from all the devotees who are helping me recognize my faults and I beg your kind self to consider this fallen soul

for more and more services whichever you deem fit. Please bless me not to get carried away by name, fame and other weeds which may choke the progress of my spiritual life and keep me always under the shelter of your Divine Lotus Feet.

There is complete heartfelt appreciation of all the congregation devotees who have worked very hard in your service for this miraculous manifestation of Sri Radha Gopinath Mandir. As I am an incompetent devotee, I need your and your senior disciples' kind continuous guidance to bring the standards of the spiritual culture and the preaching activities to new heights for your pleasure and satisfaction.

By your mercy, you are kind enough to teach us to attach ourselves to any one designation as a DASA/SERVANT and all other designations are temporary and has its utility in the services to be rendered only if we are in the mood of a servant.

Your reciprocations are very sweet, like a kind mother and father caring for the small child trying to walk and mostly falling down, generally revealed in the form of spiritual guidance and quick realizations through the spiritual processes you have setup. You are living with all of us and that is our pleasure, that all your disciples are able to conceive of your transcendental reciprocations even today with you divine presence in the form of your VANI.

Dear Srila Prabhupada,

Please accept my humble obeisance at your divine lotus feet, on this most auspicious appearance day of Your Divine Grace.

I offer this prayer to you because you are the torchlight of knowledge, forcibly destroying the darkness of ignorance.

In the Śrīmad-Bhāgavatam: the sages of Naimisaranya address Suta Goswami:

tvaṁ naḥ sandarsito dhātrā

dustaraṁ nistitīṛṣatām

kalim sattva-haraṁ pumsām

karṇa-dhāra ivārṇavam

“We think that we have met Your Goodness by the will of providence, just so that we may accept you as captain of the ship for those who desire to cross the difficult ocean of Kali, which deteriorates all the good qualities of a human being.” (Śrīmad-Bhāgavatam 1.1.22)

By your grace, I have been given passage on this boat, and when I take shelter of you and your instructions I am truly safe, just as you gave us so many standards to come up to, now I must only desire to carry on your mission.

I pray that if you so desire, please keep me in your service always. Let me therefore associate with you through your Bhaktivedanta purports, your lectures and Vaishnavas.

In the Śrī Caitanya-caritāmṛta, Sri Chaitanya Mahaprabhu instructs Sanatana Goswami:

mahat-kṛpā vinā kona karme 'bhakti' naya

kṛṣṇa-bhakti dūre rahu, saṁsāra nahe kṣaya

“Unless one is favored by a pure devotee he cannot attain the platform of devotional service. To say nothing of *kṛṣṇa-bhakti*, one cannot even be relieved from the bondage of material existence.” (Śrī Caitanya-caritāmṛta Madhya Lila 22.51)

Therefore I humbly beg you to please be kind upon me and show your mercy.

If you so desire, please give me spiritual strength to follow morning programme strictly, follow four regulative principles and chant Hare Krishna maha mantra offenselessly, improving the quality day after day.

I beg Your Divine Grace to forgive me for all the offences that I have committed at your lotus feet. I also beg all my god brothers to forgive me for any offences that I have committed to them so that I can improve my services to you.

Trying to be your servant,

Sridham Krishna Dasa

Dear Srila Prabhupada,

*om ajnana-timirandhasya jnananjana-salakaya

Please accept my humble obeisance to your lotus feet. On this auspicious day of your appearance, I want to reiterate my allegiance to the service of Lord Sri Krishna, the Supreme Personality of Godhead. We, the fallen souls of this Kali- yuga, would have never recognized or appreciated Lord Chaitanya if your divine intervention had not happened in our life.

Therefore my allegiance is for you, Srila Prabhupada, who are a true Acharya and my beloved spiritual master, who has bestowed his causeless mercy upon us. A pure devotee like you gives assurance to everyone that there is nothing to fear in this world, although the scriptures are full of descriptions that this material world is a dangerous place to live. Even Lord Krishna has conferred the title *dukhalayam asasvatam*- miserable and temporary- about this material world and the existence here. But you have made this world *sukhalayam sasvatam* meaning that you have enlightened us by giving this transcendental knowledge of Krishna consciousness.

I would like to take this opportunity on the special day of yours to express my gratitude and thank you for engaging me in your service to serve Lord Kṛṣṇa. By your mercy, we have found a piece of land at Johor to construct a beautiful temple for Sri Sri Radha Krishnachandra. This temple will become the centre of preaching Krishna consciousness and to cultivate the chanting of the holy name to general people. It is only by your grace that everything was possibly achieved.

On your Vyasa Puja, please bestow your causeless mercy upon this fallen soul and I hope that I will always remain a humble servant of yours. My only purpose in life is to serve you with love and affection throughout my devotional life.

Your servant,

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet. All glories to Your Divine Grace.

Srila Prabhupada, you wrote to your disciples that ‘The art of management: to draw out spontaneous loving spirit of sacrificing some energy for Krishna.’ And in the same letter you said that you want to see a few sincere devotees and not many false devotees or pretenders. Kindly guide us to create this right atmosphere in our temple, so that everyone gets encouraged to serve your mission enthusiastically and at the same time sincerely without false pretensions.

Your letter in 1972 really guides us on how to do this. You wrote:

Each center remain independent...GBC and Sannyasis will travel and see the officers are doing this, and if they observe anything lowering of the standard, they must reform and advise, or if there is some discrepancy I shall remove it....do not be so much anxious to count up so many numbers of new devotees, if such devotees go away later being too early forced. I want to see a few sincere devotees, not many false devotees or pretenders....There is some symptom of missing the point.

The point is to be engaged in doing something for Krishna, never mind what is that job, but being so engaged in doing something very much satisfying to the devotee that he remains always enthusiastic. He will automatically follow the regulative principles because they are part of his occupational duty—by applying them practically as his occupational duty, he realizes the happy result of regulative principles....our leaders shall be careful not to kill the spirit of enthusiastic service, which is individual and spontaneous and voluntary. They should try always to generate some atmosphere of fresh challenge to the devotees, so that they will agree enthusiastically to rise and meet it.

That is the art of management: to draw out spontaneous loving spirit of sacrificing some energy for Krishna. But where are so many expert managers? All of us should become expert managers and preachers....Forget this centralizing and bureaucracy.

(Letter to: Karandhara – Bombay 22 December, 1972)

Srila Prabhupada, please guide us to find new and innovative ways to encourage sincere souls to be enthusiastically serving Their Lordships Sri Krishna Balarama. Please give us the strength to become sincere and steadfast in serving your mission.

Begging to be your eternal servant,

Vikram Krishna Dasa

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to you, Srila Prabhupada.

On this most auspicious occasion of your appearance day, it is my good fortune to remember your wonderful and exalted personality. Your life, which is filled with divine qualities, is an inspiration for me and to thousands of your followers to practise Krishna consciousness. Every time I think about your life, your activities and anything connected with your personality I just wonder, why would such a person as you need to enter this most obnoxious material world. You are

definitely not a person of this world. So I feel that there must have been some other divine reason for a person such as you to really have come here.

Especially In a world where everyone is just concerned with things for himself and his extended self, you came with no connection to your body or to your extended body. You were not attached to your country, or your kinsmen or rather anything of this world. The only attachment that you had was only for all things connected to Sri Krishna and His devotees.

This single-pointed unflinching devotion to Krishna and the holy name I suppose is the real reason that must have attracted me and everyone else to you. Just as you have mentioned in your books and teachings that Krishna is all attractive, Krishna is sarva akarshan, similarly I suppose you, being His pure devotee, is also sarva akarshan, which you practically demonstrated by attracting followers from all over the world by establishing the institution of Krishna consciousness movement to spread the chanting of the holy name. Sri Chaitanya Mahaprabhu Himself said:

*naham vipro na ca nara-patir napi vaisyo na sudro
naham varni na ca grha-patir no vana-stho yatir va
kintu prodyan nikhila-paramananda-purnamrtab- dher
gopi-bhartuh pada-kamalayor dasa-dasanudasah*

(CC Madhya 13.80; Padyavali 63)

["I am not a brahmana, I am not a ksatriya, I am not a vaishya or a shudra. Nor am I a brahmacari, a householder, a vanaprastha or a sannyasi. I identify Myself only as the servant of the servant of the servant of the lotus feet of Sri Krsna, the maintainer of the gopis."]

This sense of identification, which is a philosophical ideal, was practically accomplished by yourself and your life was a perfect example of this understanding. To give up our false identification with this material world is next to impossible. In my practise of Krishna consciousness I can see how difficult and impossible it is to give up this material association. Our material desires and hankerings are just impossible to give up. Knowingly or unknowingly, I'm constantly trapped by the force of various material desires. But Srila Prabhupada, it is your causeless mercy that through your divine knowledge and guidance both through your vani and also through your disciples and institution, you keep reminding this most fallen soul the real aim of life. No matter how many times I have fallen, you keep lifting me up and help me to continue walking. This extreme kindness and mercy that you possess let me just acknowledge again and again and be grateful to you always.

If I do a small task, I hanker for big praise and honor. A little bit of stress on daily tasks makes me so tired and fatigued, a little success and it makes me so arrogant and full of pride. A little bit of knowledge and understanding and I start thinking of myself as somebody special.

Whereas Srila Prabhupada, the kind of tasks and efforts, that you put in, the successes that you achieved, the knowledge that you possess, the abilities that you had, the power that you could exercise, the wealth that you possessed - were so incomparable and yet in spite of all that you had, you were still so simple, meek and humble. I just cannot say anything more than just offer my humble obeisance to your divine personality, Srila Prabhupada. I can only think and wonder about Krishna the reservoir of all qualities blessing you and showering you with all these divine qualities.

As you always said, a devotee does not strive to achieve any qualities independent of Krishna, rather when anyone becomes a devotee of Krishna, then automatically all qualities of Krishna manifest in him. This phenomenon is perfectly applicable

in your case and I pray that you please kindly bless me to rigidly follow in your and your disciples' footsteps, the path towards devotional service and I'm sure all good things will automatically follow.

Dear Srila Prabhupada, you never compromised on your principles. Even in the most unfavourable situations, you did not budge on the basic principles of Krishna consciousness. You always strived to maintain the purity and sincerity of our Krishna consciousness parampara in every place you set up your institution. I pray to you to kindly bestow a small drop of that courage and strength of yours in me, to practise the principles of Krishna consciousness as enumerated by you without any fear and weakness.

So on this most auspicious occasion of your appearance day, I once again just pray to you to continue to bestow your mercy, blessings, guidance and right understanding of your teachings on this most fallen soul, to do some little service unto your lotus feet and do something positive in expanding your preaching mission.

Your most fallen servant,

Dear Srila Prabhupada,

Please accept my humble obeisance at the dust of your lotus feet.

I feel that one more blessed and meaningful year has been accomplished in my journey of practice of Krishna conscious life in the association of your sincere disciples, by your unlimited showers of mercy.

In His Shikshashtaka prayers, Sri Chaitanya Mahaprabhu says -anandambudhi vardhanam prati padam purnamrta svadanam. Srila Prabhupada, you explain this in a lecture nicely -“In the material world we are simply chewing the chewed, throwing it away, picking it up and then chewing it again. Spiritual variety is not like this. Spiritual variety is anandambudhi-varadhanam : it is constantly increasing. It is even greater than the ocean, because the ocean does not increase. The shores of the ocean are set; they have certain limits. However, the ocean of bliss is constantly increasing. The more we enter into that spiritual bliss, the more we become joyful.” Srila Prabhupada, in the organization you have founded, there are ample opportunities for each us to engage wholeheartedly in varieties of services which we can render throughout our lives, and we will never feel hackneyed.

Your Grace has also instructed us that we should be always cautious that we always dovetail ourselves, acting in such a way that we always act according to the instructions of guru, sadhu and shastra and we don't make independent plan of action in our life. In one of the purports you mention-“No one is free to act freely and independently, and as such, one should always seek the permission of the Lord to act or eat or speak, and by the blessing of the Lord everything done by a devotee is beyond the principles of the four defects typical of the conditioned soul.” (SB 2.4.11).

Srila Prabhupada, you made this point even more clear in a correspondence-

"So far your thinking about things and making so many plans, that is all right, but our first business is Krishna's plan. That is the only plan, and no matter how many schemes we employ to adjust things in this material world, if they have no solid basis in Krishna's plan, they remain merely dreams of phantasmagoria. So in this Krishna Consciousness Movement, I am training boys and girls all over the world how to act nicely by practically serving Krishna in their everyday lives. That is

more important than trying for something which I may like to do but which will never happen. Just like Sudama Vipra, he did not want to offer something very small, but his wife insisted so he offered Krishna only a small bowl of flaked rice, and Krishna took it with great pleasure, and when Sudama vipra returned home to his poor hut, he found a huge palace made of jewels. So the point is to make use of what we already have. That is most important, and if Krishna sees that we are using is properly for pleasing Him in loving attitude of devotional service, then Krishna gives every facility in reciprocation of love. (Letter to: Mahatma Das — Sydney 10 April, 1972).

When we act in the way as mentioned above, we can be sure that our consciousness will be always absorbed in the nama, rupa, guna, lila & seva of Krishna and this is going to make us eligible to go back to Godhead after giving up this body. In a SB purport you mention-“The whole movement of Krishna Consciousness is to purify the consciousness. It doesn't matter what kind of brain one has because if he simply transfers his consciousness from matter to Krishna, his life becomes successful. It is confirmed by the Lord Himself in Bhagavad-gita that anyone who take up Krishna consciousness achieves the highest perfection of life, regardless of whatever abominable condition of like he may have fallen into. Specifically, anyone in Krishna consciousness goes back to Godhead, back to home, on leaving his present material body.” (SB 4.7.5)

Srila Bhaktivinoda Thakura in one of the kirtans expresses the mind of an advanced devotee. He says that pure devotees do not even bother about the destination in their next life. They are ready to accept any body, material or spiritual, as long as their service to the Lord is intact.

janmāobi more icchā yadi tora

bhakta-gr̥he jani janma ha-u mora

"My Lord, if You want me to take birth and accept a material body again, kindly do me this favor: allow me to take birth in the home of Your servant, Your devotee. I do not mind being born there even as an insignificant creature like an insect."

On this auspicious occasion of your appearance day, I pray to you, Srila Prabhupada, to –

- 1) Please keep me always in the constant guidance and directions from of all your sincere disciples who have dedicated their lives for serving your mission and bless me that I also develop the right service attitude in their association to serve your mission.
- 2) Please bless me to serve Nama Prabhu in the way you have instructed in your teachings.
- 3) Please give me the determination to do my full sadhana everyday with full earnestness and sincerity.
- 4) Please bless me to become more disciplined to study your books more systematically and carefully.
- 5) Please bless me to develop a strong desire to serve the Lord and this service desire should overpower all my other anarthas that keep surfacing up every now and then, which is distracting me from my focus to serve the Lord.
- 6) Please guide me how to handle the urges of lust and anger which are actually controlling my behaviour and I am ending up in embarrassing situations.

Dear Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet, which are like an oasis providing shelter and solace to conditional souls who are suffering in the blazing heat of the desert like material world. All glories to the blessed Vyasa-Puja mahotsava, the appearance day of Your Divine Grace.

Srila Prabhupada, as your disciple, I have full faith in your instructions. You are a direct manifestation of the mercy of Sri Chaitanya Mahaprabhu upon the fallen souls. Since 2015 I have been associated with Hare Krishna Movement and only by your mercy have I been able to practice Krishna consciousness.

I definitely feel that such rapid growth of Krishna consciousness is simply the fructification of the seed you planted with in me. It is only by your mercy that my all meager efforts are having some success. On this glorious Vyasa-puja day I re-commit myself to stay under the shelter of your divine lotus feet and carrying out your orders throughout my life with full honesty and conviction.

Dear Srila Prabhupada,

Please accept my humble obeisances in the dust of your lotus feet. All glories to you and your auspicious appearance day. All glories to Lord Chaitanya's Sankirtan movement.

On this auspicious day as we start meditating on your divine glories we fall short of words as our inability to express our gratitude towards you. Srila Prabhupada, you wrote a glorious chapter in the world history during the short twelve years as you travelled the world tirelessly. Your bestowing the matchless gift of Krishna prema upon degraded people like us is like a rich person giving a big palace to a beggar in the street. The inconceivable sacrifices and austerities you underwent to spread Krishna consciousness was unmatched in history. Every quality of you can bring tears to the eyes of even a stone hearted person. The herculean task of writing and publishing so many books is simply unimaginable and only a God realized empowered soul like your divine self can do it.

The spreading of Krishna consciousness all over the world was will of providence but it was under your leadership as The Commander-in- Chief of Lord Chaitanya's mission it was made possible. It spread like wild fire. Your wonderful qualities were the reason for the powerful force behind it. Even people who were not able to understand your teaching completely were ready to give up everything and follow you.

The matchless gifts you have given us cannot be repaid anytime. We pray that we can remain forever at the shelter of your lotus feet. Please continue to guide us and bless us so that we may grow stronger and stronger in Krishna consciousness and spread the holy name of Krishna as you wanted us to do.

Yours insignificant servant, Abhiram Chaitanya Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet. All glories to you on this auspicious day of your appearance!

Thank you so much to giving me an opportunity to glorify you and continue to engage me in your transcendental mission. There is nothing that compares with the wonderful gifts which you have given to us. The below is the verse which describes the invaluable gifts given by guru.

*nama-shreshtham manum api shachi-putram atra svarupam
rupam tasyagrajam uru-purim mathurim goshtavatim
radha-kundam giri-varam aho radhika-madhavasham
prapto yasya prathita-kripaya shri-gurum tam nato 'smi*

"I bow down to the beautiful lotus feet of my spiritual master, by whose causeless mercy I have obtained the supreme holy name, the divine mantra, the service of the son of Sachimata, the association of Srila Svarupa Damodara, Rupa Gosvami, and his older brother Sanatana Gosvami, the supreme abode of Mathura, the blissful abode of Vrindavana, the divine Radha Kunda and Govardhana Hill, and the desire within my heart for the loving service of Sri Radhika and Madhava in Vrindavana."

I am extremely indebted and fortunate to have these wonderful gifts given by you.

Just as a person who desires to improve his business, he will seek out to business experts and consultants, similarly if a person is interested in spiritual advancement then he has to associate constantly with you. There are 2 things which a struggling practitioner may conclude about his own spiritual life. One is Krishna consciousness is not so easy and it is not for me. He may compromise in following Krishna consciousness and his standards. The other person may conclude that Krishna consciousness is only for pure devotees and it will take time for us to reach that state. He may become more of callous or lazy in his practices. But the specialty of the transcendental message in your books and the scriptures is such that it gives no compromise in the principles to be followed. In the Kaṭha Upaniṣad (1.3.14) it is mentioned that:

*uttiṣṭhata jāgrata
prāpya varān nibodhata
kṣurasya dhārā niṣitā duratyayā
durgam pathas tat kavayo vadanti*

"Please wake up and try to understand the boon that you now have in this human form of life. The path of spiritual realization is very difficult; it is sharp like a razor's edge. That is the opinion of learned transcendental scholars."

In many places you have mentioned that how important are the spiritual practices and how strict we need to be in these practices. You often said that Krishna is not attained very easily, we will not attain spiritual perfection with ease, but by austerity of body, mind, and words. You taught us that the more difficult the battle with Māyā, the sweeter the victory. You often said that "spiritual life is like walking on a razor's edge. Little inattentive then we will be sliced".

Therefore if at all one has to develop one's full spiritual potential, there's nothing other than associating with you. Just like the seeds fructify and grow to big plants and trees in a fertile soil similarly if one has to grow spiritually then one has to develop eagerness to associate with you. Then the Bhakthi lata bija grows to big tree uninterruptedly and reach the spiritual world. At present things are very favorable, we have to just use the best of this wonderful opportunity given by you.

There was a wonderful pastime of yours which I heard by one devotee which was very instructive. Once you and your disciples were on a morning walk and there was one English man sleeping on the bench. For this devotee who was also

accompanying, he felt that the deliverer of the fallen is available to give his causeless mercy but this unfortunate soul was in ignorance. This always reminds this devotee that you who are the deliverer of the fallen souls is showing us the hand and if we are sleeping then it is the most unfortunate situation. Now also you are giving us the hand to escape this miserable material world but if we are unfortunate and sleeping to the indications given by you then it is the most pathetic situation.

The effect of having deep attachment to the guru is described by Srila Bhaktivinoda Thakura in Harinama Chintamani:

"If one stays near a pure devotee for some time, one can receive the bhakti (devotional energy) flowing from his body. If one can bind that energy within one's heart, after one develops strong faith bhakti will develop. Thus if one lives close to a pure devotee, devotion will soon appear within one's heart." This is the secret mentioned in the revealed scripture that the only hope for us is just take shelter of your lotus feet and follow the principles mentioned by you strictly. This is the only way by which we all can attain Love of Godhead.

On this most auspicious day of your divine appearance, I pray sincerely to you to always make me engaged in your mission eternally and thus always remember you.

Your most insignificant servant,

Adikeshava Dasa.

Advaita Chandra Dasa

Dear Srila Prabhupada,

Please accept my respectful obeisances. All glories to Your Divine Grace. On this most sacred anniversary of your appearance in this world, I fall at your lotus feet and beg for the ability to properly glorify your divine and magnanimous character. In Bhagavad-gītā 9.13 Lord Kṛṣṇa states, "O son of Pṛthā, those who are not deluded, the great souls, are under the protection of the divine nature. They are fully engaged in devotional service because they know Me as the Supreme Personality of Godhead." You made such an incredible sacrifice when you traveled by steamship across the Atlantic Ocean for three weeks at the advanced age of 69, suffering two heart attacks in the process, and arriving on the shores of America armed with 40 rupees, a few books, and an unshakable desire to serve the mission of your spiritual master. You did this for the sake of all the fallen souls, and by your grace so many souls are now going back home, back to Godhead, the eternal abode of the Supreme Lord. Thank you, Śrīla Prabhupāda, for all the instructions you have given us through your books, lectures, letters, and conversations, and the institution you established. You established so many temples around the world. Your temples are in every corner of the world are like oases in the desert of this material world, and we always feel secure and blissful when we are in a temple and among devotees.

yasya prasādād bhagavat-prasādo

yasyāprasādān na gatiḥ kuto 'pi

"By the mercy of the spiritual master one receives the benediction of Kṛṣṇa. Without the grace of the spiritual master, one cannot make any advancement"

Śrīla Prabhupāda, you are our eternal well-wisher. From the depths of my hearts I thank you for saving me and giving my lives to the real purpose. Please bless me so that i can remain somewhat useful to your mission and perform devotional services to the best of my abilities. Please bless me so that I can cultivate a healthy service attitude, and remain united to serve Their Lordships under your guidance.

परम पूज्य श्रील प्रभुपाद ,

व्यास पूजा के इस पावन अवसर पर आपके चरण कमलों में मेरा दण्डवत प्रणाम स्वीकार करें।

"प्रभुपाद ", इस नाम से न जाने

कितने जन्मों तक मैं अनजान था।

बात अगर सनातन धर्म की करें

तो पूरे विश्व मैं इन्होंने किया प्रचार।

अंतर्राष्ट्रीय कृष्णभावनामृत संघ बनाके

लाया आपने गोरे और कालों को एक छत के नीचे,

मुसलमानों ,इसाईयों को भी दिया कृष्ण का प्रेम अपार

बदल दिया अमेरिकी हिप्पीयों को देकर अपना नेक विचार।

आपने जीवन के मात्र दस वर्षों मैं किया चौदह बार विश्व भ्रमण

देकर पचहत्तर किताबें किया इन्होंने हमारा भगवत मिलन

आज भी पढ़कर लोग रह जाते हैं दंग ,

इसलिए तो कहते हैं इन्हें भक्तिवेदान्त के प्रसंग।

एक सौ आठ मंदिरों और दस हज़ार आत्मसमर्पित शिष्यों को संभालना

1960-70 के दशक में चिठियों का था ज़माना

सुनकर उनकी ज्ञान से परिपूर्ण बातों को अक्सर

बड़े -बड़े वैज्ञानिकों के बदल जाते थे तेवर।

जब भी मिलते किसी पादरी से तो करते सिर्फ़ एक ही सवाल,

क्यों काटकर मासुम जानवरों को मचा रहे हो बवाल

धर्म का रिवाज़ केवल रीती -रिवाज़ों का पालन करना ही नहीं ,

बल्कि सभी के हृदयों में भगवत प्रेम का संचार करना है।

बनकर आप हमारे जीवन के नाँव के कप्तान ,करते रहें सदा हमारा पथ प्रदर्शित ,

ताकी भगवत भक्ति की आत्म अनुभूतियों से होते रहें हम अर्चभित।

रखकर हमे साधुओं के संघ में ,भरा आपने हमारे जीवन में उल्लास

बस इसी तरह चैतन्य महाप्रभु के मूवमेंट में आप करते रहें विलास।

कली के इस अंधे युग में, दिखाया जिसने ज्ञान की तलवार का प्रकाश

ऐसे संत महामुनि "श्रील प्रभुपाद " को धन्यवाद, जिन्होंने दिखाया भागवत मार्ग का प्रकाश

इस संसार में लाने के लिए मेरे माता -पिता को आभार ,

पर इस काल रूपी चक्र से मुक्त कर किया "प्रभुपाद " ने मेरा उद्धार।

करता स्वयं को समर्पित आपके चरणों में फिर एक बार,

जन्मों - जन्मों तक इस अज्ञान रूपी अँधेरे से करें आप मेरा बेड़ा पार।

आपके चरणों का नित्य दास ,
जिसे आपके कृपा की आस
आपका अपना , अद्वैत सुत दास।

Dear Sirla Prabhupada,

All glories to the most compassionate and worshipable spiritual master Srila Prabhupada

Please accept my prostrated obeisances at the dust of your lotus feet, my only shelter from the blazing forest fire of material existence.

The causeless mercy of your divine grace is flowing like an ambrosial ocean, without any end. I'm blessed by you to always have association of devotees around me. At present if anyone wants to practice Bhakti, only place of survival for him is your temple, where you gave us all 64 items of bhakti like a mother gives medicine with sugar candy.

Simply by staying in temple we can practice bhakti with all of its principles, which is impossible to practice outside even though one has favorable circumstances. This is possible because of your kindness to us. Srimad Bhagavatam states,

“My dear King Rahugana, unless one has the opportunity to smear his entire body with the dust of the lotus feet of great devotees, one cannot realize the Absolute Truth. One cannot realize the Absolute Truth simply by observing celibacy (brahmacharya), strictly following the rules and regulations of householder life, leaving home as a vanaprastha, accepting sannyasa, or undergoing severe penances in winter by keeping oneself submerged in water or surrounding oneself in summer by fire and the scorching heat of the sun. There are many other processes to understand the Absolute Truth, but the Absolute Truth is only revealed to one who has attained the mercy of a great devotee.”

Please always keep me engaged in your service day and night. Let my body, mind, consciousness everything be engaged in your service. My dear spiritual master even though I have so many areas of improvements, by engaging in your service, I'm overall improving myself. O master please always keep me under your lotus feet and make me a servant of your servants.

I'm waiting for the day when all of my existence will be purified. As Srila Bhaktivinoda Thakura says

*dhana jana ara, kobita-sundari,
bolibo na cahi deho-sukha-kari
janme-janme dao, ohe gaurahari!
ahaituki bhakti carane tomar*

“When will I cry out that I have no longer any desire for wealth and followers, poetry and beautiful women, all of which are meant just for bodily pleasure? O Gaura Hari! Give me causeless devotional service (bhakti) to your lotus feet, birth after birth.”

My only desire is to serve your lotus feet birth after birth without any reservation.

Your unworthy servant,

Dear Śrīla Prabhupāda,
Please accept my humble obeisance.
All glories unto you, on your
Ceremonious and auspicious appearance.

In his celebrated book,
The Nectar of Devotion,
Srila Rupa humbly took,
To chant this invocation.

Don't consider yourself "preacher",
Be an instrumental creature.
Tread the path left by antiquity,
May do something for suffering humanity.
Thank you for yesteryear, my dear gurudev!
Your enigma makes one brave.

Essential preaching is done by you.
Indeed, what is my value?
Krsnas tu bhagavan svayam,
This is the Summum Bonum.

Of the previous acharyas,
You're the Summum Bonum.
You reformed many pamar to amar,
When they rendered some service unto you.

Thus making one deserve to serve,
The boy who is transcendently blue.
Kindly allow this servant,

To seek absolute shelter.
Amidst your sincere servants,
May this never falter.

To imbibe your mood,
Let me take this opportunity.

When you'd asked 'How shall I serve you?'
To Srila Bhaktisiddhanta Sarasvati.

May your glories be spread far and wide,
Allow me to be a part of this thrive.
I don't wish to have any other business,
Life after life...

All Glories to my Guru Maharaj,

Oṃ Viṣṇupāda Paramahāṃsa Parivrājak-ācārya Aṣṭottara-śata Śrī Śrīmad A.C. Bhaktivedanta Swami Prabhupāda.

I have seen your disciples enthusiastically glorifying you to spread your glories to everyone. Because if somehow or the other one comes in contact with you, his life will be completely changed. He can become happy in all respects. Since you are always in constant contact with Krishna, only you can revive one's forgotten relationship with Krishna. There is no need for you to take so many troubles to preach Krishna Consciousness. You are always satisfied by serving Krishna and Krishna is also satisfied by your service. But out of great compassion for suffering living entities you appear in this world without being affected by material contamination to show the path which leads to Krishna Loka.

With firm faith on holy name you promise the conditioned living entities that just chant 16 rounds and follow four regulative principles, I will take you back home, back to Godhead. No human being whether be a doctor or scientist can declare this, only a man from Vaikuntha can give this guarantee.

Your potency is so great that even after your physical departure you have never left us. You gave the transcendental books which contain Krishna's words that Krishna has personally dictated to you. These books are not ordinary books written by ordinary people but transcendental which directly touches spiritual world. Even though you have written for everyone but when one reads these books one will find 'Prabhupada is personally speaking to me'. Such great is your potency. How you guide a devotee is beyond the limit of this material world.

During this one year stay under your shelter you have guided me in so many ways through your books, lectures, quotes and vaishnavas etc. But mind is a great enemy which never listens to any good advice and always act in opposite direction. By my personal endeavor it is impossible to subdue the mind. Whatever little I am able to follow is by your causeless mercy only. I have no personal strength. By your divine grace only this mad mind can be subdued and engaged in your mission. By your divine grace only I could surrender this body. So this mind also will be surrendered by Your Grace Only. There is no doubt about it.

Please give me drop of your mercy so that I also can enthusiastically glorify you. I know you will never forget me but give me remembrance so that I may not forget you forever. Let my seeking of all other shelter be stopped except yours O my beloved spiritual master.

Yours eternal servant,
Amrita Gopala Dasa.

Anupama Govinda Dasa

Dear Srila Prabhupada,

Please accept my humble obeisance's at your lotus feet. One more enlightening and encouraging year has passed with much more realisations and revelations changing feeble faith into strong faith in Krishna consciousness by your causeless mercy

Recently when I had gone to one pilgrimage trip with devotees, for which I was very much excited. On the way I was thinking that I will have beautiful darshan of the Lord and see the opulence of the Dham. But the fact is that we see Dham with our mundane eyes. I was not able to appreciate the temple and worship of the Deities but instead started finding faults. No proper cleanliness, no proper arati, Deities not dressed well, pujaris not maintaining proper timing and standards of Deity worship and etc.

Then a thought came in my mind what if this were to be my 1st experience in Krishna consciousness? I would have never dedicated my life for Krishna. After this experience my gratitude for you has doubled Srila Prabhupada because my attraction for KC was beautiful Darshan and enchanting sankirtan.

I wonder what would have happened to me if you would have not blessed me with such beautiful forms of Radha and Krishna were Deities are decorated with different alankaras to attract our mind. What would have happened if there was no enchanting sankirtan and proper morning Sadhana program and varieties of Arti's and Vaishnava bhajans. What would have happened if there was not chanting and daily Bhagavatam hearing? What would have happened if there was no Vaishnavas association and delicious Maha prasadam? What would have happened to my life if there was no ISKCON or you Srila Prabhupada?

Surely I would be rotting in the deep ignorance of this material world. Thank you very much for everything Srila Prabhupada.

Aspiring to be servant of your servants,

Anupama Govinda Dasa.

प्रभुपाद आपके चरणों में नमन। आपकी कृपा से हमें जीवन का लक्ष्य मिला भगवान के साथ हमारा संबंध क्या है यह जानने का अवसर मिला। प्रभुपाद आपकी पुस्तकें पढ़कर हमें ज्ञान प्राप्त होता है और साथ ही साथ हमें यह जानने को मिलता है कि इस भौतिक जगत में रह कर भी हमें कृष्ण भावना अमृत में कैसे रहना है और हमें अपना जीवन कृष्ण को मध्य में रखकर कृष्ण चेतना में व्यतीत करना है।

प्रभुपाद पहले मुझे छोटी-छोटी बात पर बुरा लगता था और अपमान महसूस होता था लेकिन आप की पुस्तकें पढ़ने और हमारे मंदिर के वैष्णव भक्तों के द्वारा भगवत गीता और भागवतम के प्रवचन सुनने के बाद मुझमें बहुत परिवर्तन आया और अब यह एहसास होने लगा कि जो होगा सब भगवान और प्रभुपाद की कृपा से ही होगा।

प्रभुपाद आपकी कृपा से अब हमें आपकी छोटी-छोटी किताबों में आपने जो ज्ञान का भंडार भरा है उसे गहराई से जानने का अवसर मिलेगा और हमारे आध्यात्मिक जीवन में और प्रगति करने का मौका मिलेगा।

प्रभुपाद आप दया के सागर हो आपने हमारे मन से कल्मश को दूर करने के लिए हमें बहुत सेवा के मौके दिए और मंदिर में प्रत्येक उत्सव को कितने उत्साह के साथ मनाना चाहिए। यह जानने का सुअवसर प्राप्त हुआ।

प्रभुपाद आपकी कृपा से प्रत्येक उत्सव में हमें कुछ नया जानने को मिलता है और नई-नई सेवा का मौका मिलता है और इन उत्सवों में चाहे वे तिरोभाव दिवस हो या आविर्भाव दिवस सभी उत्सवों में मंदिर के वैष्णव भक्तों के द्वारा जो प्रवचन दिया जाता है उससे हमारा उत्साह बढ़ता है और जप करने में रुचि बढ़ती है जप कैसे ध्यान पूर्वक करना है उसके तरीके बताए जाते हैं। जिससे हमारा जप अच्छा हो सके क्योंकि अच्छे जप से ही कृष्ण प्रेम प्राप्त किया जा सकता है जैसा कि बृहन नारदीय पुराण में बताया गया है

हरेर्नाम हरेर्नाम हरेर्नामैव केवलं।

कलौ नास्त्यैव नास्त्यैव नास्त्यैव गतिरन्यथा।

प्रभुपाद भागवत गीता और भगवतम में जो आपके द्वारा सरल भाषा में जो तात्पर्य दिए गए हैं उससे हमें समझने में और अधिक आसानी हो जाती है। प्रभुपाद आपकी कृपा से अभी मंदिर में प्रश्नोत्तरी का क्लास पाठ प्रारंभ किया गया है जिससे हमारे आध्यात्मिक विषय के प्रति जो भी संदेह होंगे उन्हें अच्छे से समझने का मौका मिलेगा।

प्रभुपाद आप अपने पीछे पुस्तकों, पत्रों, प्रवचनों और रिकॉर्ड किए गए वार्तालाप की ऐसी विरासत छोड़कर गए हैं जो हमारा मार्गदर्शन करती है। और इन्हें पढ़कर या सुनकर ऐसा अनुभव होता है कि जैसे स्वयं आपके सम्मुख बैठकर प्रत्यक्ष आप के मुख से यह संदेश सुन रहे हैं यह आपकी बहुत बड़ी कृपा है जो हमारी अंध आंखों को ज्ञान का प्रकाश देती है। जिससे हृदय में ज्ञान प्रकाशित होता है।

Dear Srila Prabhupada

Please accept my humble obeisance All glories to you!

Srila Prabhupada, previous year was filled with lots of excitement, thrill, learning's & increased dependency on Krishna. All inspiration comes from one of your quote "Just gamble one life for Krishna". Sometimes I wonder, if I hadn't been in your movement; my life would have been so dry. The biggest struggle for me would have been "Where to eat & where to sleep".

Even though such big-big turmoil's came in my life; only by your grace I was unshaken. I found one interesting quote which mentions how a disciple gets intelligence to carry on his Krishna Conscious activities - "Agādha-dhiṣaṇam dvijam: the ācārya is a perfect brāhmaṇa and has unlimited intelligence in guiding the activities of his disciple. (SB.6.7.15)". Any disciple in ISKCON gets intelligence from you directly.

Bhagavad Gita 9.31 mentions:

*kṣipram bhavati dharmātmā śāśvac-chāntim nigacchati
kaunteya pratijānīhi na me bhaktaḥ praṇaśyati*

Anybody who has taken shelter of Krishna through you, will never be vanquished. Protection for a jiva is obvious, if he has accepted shelter of your lotus feet. Even if there are super giants as opponents of your foolish disciple, still just because a soul has accepted you & Krishna as everything, will be saved from all disturbance & come out peaceful (*mat-prasādāt tariṣyasi*).

I remember one of your correspondence which you write to your disciple Nityananda in New Orleans - "I thank all of you very much for accepting me as your spiritual master, and I promise that I will take you back to home, back to Godhead. I ask you all to promise me to always chant at least 16 rounds, follow the regulative principles, read our books and try to preach this Krishna Consciousness Movement all over the world"(11-12-1971, New Delhi). It simply means that I, as a disciple have to just do the above mentioned things and my life is through; and I can go back to Godhead and see Krishna face to face. If I ponder for a moment I can conclude that pursuits in material life requires lot of endeavor & hard work, also at the end the outcome is we become more and more sinful.. But there are quite less efforts required to advance in spiritual life & the journey is so simple, blissful, with lots of things to learn.

Thank you Srila Prabhupada for giving me strength to remain a devotee.

Aspiring to be in the shelter of your devotees forever

हे प्रभु आपने हमें अनमोल उपहार दिया है। आपने हमें कृष्ण दिया है। आपने हमें बताया कि वह एक भगवान है एवं उनकी स्तुति किस तरह करनी चाहिए या अभी आपने हमें बताया। आपने भक्ति योग का मार्ग बताया जो हमें बार-बार होने वाले जन्म और मृत्यु के चक्र से मुक्त कर सकता है। प्रभु आप इस अंधेरी दुनिया में प्रकाश बनकर आए हैं। आप हमारे शुभ चिंतक हैं। हे प्रभु मैं आपकी सेवा में निरंतर बने रहने की कामना करता हूँ।

Dear Guru Maharaja Srila Prabhupada,

Today is the most blessed day of my life, for by your transcendental appearance, I have become the most fortunate soul. What I was, what I would have turned out to be, everything changed and it will keep changing because by the will of providence you are rewriting my fate. I see a hope against hope that I will continue my spiritual journey no matter what

and will end up victorious in the battle against my karma, my inhibitions, my ambitions, my baggage, my shortcomings, my desires, etc. only because you are there for me all the time. Please convert this sraddha to nistha.

Whenever trouble comes in life, I just need to reflect in your life that how much struggle you went through. Being Jagadguru, the most glorious spiritual Master, Lord's dearest devotee, the most exalted personality, yet the hardships which you went through, gives me inspiration that what I am going through is actually not even a farthing of that. You have lead from the front and shown all the disciples how to serve Krishna despite all adversities and atrocities. Due to difficulties in our services, many we are haunted by despondency, thinking we can do it no longer. Yet your character speaks volumes of enthusiasm, patience, perseverance in service for Krishna's pleasure, come what may. Please help me cultivate your transcendental qualities, like father like son. In fact, all your hard work is a humble offering of your pure love for Krishna. That is the reason why you are glorified all over the three worlds. Prabhupada, Krishna is truly yours and you are an emblem of pure devotion to Krishna. Please bestow upon a wretched soul like me, the dust of your lotus feet. The dust of your lotus feet is my only ornament.

The past year has been a mad roller coaster ride, with all the experiences, Life is indeed uncertain - no guarantee of what may happen next moment. And with the TV issue, I was literally shaken up. Unprepared, immature, lack of experience, the way life jolted me, it is only by your blessings that I completed 4 years in the movement, May I continue in your divine movement till eternity with your blessings and the entire vaishnav parampara. Let all the Bhaktivedanta purports became reality, my faith on your words strengthened, all the words in your books now seem to be etched in gold. And along with the challenges, volcano of mercy also flowed. The whole movement stood up for me (as if I was so special), I am eternally indebted to you and the senior vaishnavas. Later, my dreams became reality when I got opportunity to cook for and dress, Sri Sri Radha Madhava, the noor (shining star) of our eyes. It is your causeless mercy that Sri Sri Radha Madhava agreed to descend here in HKM-Ahmedabad and only because of you, countless souls are able to render service unto Them. You are the true dinabandhu and I, your fallen disciple.

Gurudeva, O most lovable father, O crown jewel of all Vaishnavas, be extra merciful towards me. Your association is priceless, please always bless me with your constant association, guidance, blessings. For you are, the only hope. Please bless me with unfathomable spiritual strength to defeat my 'kaliyuga mind' so I can dovetail it in your service, till it becomes a Vaishnava. Let me be engaged in your service till I exist. I pay my humble obeisances unto your lotus feet, the personification of Lord's causeless mercy.

Aspiring to be your sincere and serious disciple,

Dinabandhu Krishna Dasa.

জয় শ্রীল প্রভুপাদ !

শ্রদ্ধেয় গুরুদেব,

আপনার চরণকমলে আমার শতকোটি প্রণাম। আপনার এই শুভ জন্মদিনে জানাই আন্তরিক প্রীতি ও শুভেচ্ছা।

সত্তর বার্তা বাহক হওয়া সত্ত্বেও যে একজন মানুষ তার বৈশিষ্ট্য ও ব্যক্তিত্ব বজায় রাখতে পারে, প্রভুপাদের জীবনী তার একটি অপূর্ব সুন্দর নিদর্শন। যে বয়সে অধিকাংশ মানুষ আরামকেদারায় গা এলিয়ে, তাদের সাফল্যের স্মৃতিচারণ করে, সে বয়সে শ্রীল প্রভুপাদ দুর্গম সমুদ্রপথে আমেরিকার উদ্দেশ্য পাড়ি দিয়েছেন।

হাজার হাজার শিক্ষকের মধ্যে একজন !

শ্রীল প্রভুপাদ বলেছিলেন যে মায়াপুর নগরীতে পূর্বতম আচার্যের স্বপ্ন বাস্তবায়িত হবে। তা পঞ্চাশ হাজার মানুষে পূর্ণ এক নগরীতে পরিণত হবে ও তা সারা পৃথিবীর পারমাণ্বিক রাজধানীতে পরিণত হবে। বিশাল মন্দিরকে কেন্দ্র করে ব্রাহ্মণ, ক্ষত্রিয়, বৈশ্য এবং শূদ্রের থাকবার জন্য আলাদা আলাদা বাসস্থান থাকবে। মায়াপুরের উন্নয়ন হবে সারা পৃথিবী ছুড়ে কৃষ্ণ ভাবনামৃত প্রচারের সূচনা। তার ফলে শ্রী চৈতন্য মহাপ্রভুর প্রভাব বিস্তার লাভ করবে।

প্রভুপাদ জানতেন যে এই কলিযুগ হল কলহের যুগ। এই যুগের মানুষ অল্প আয়ু, মন্দবুদ্ধি। তাই এই পতিত মানুষদের উদ্ধার হেতু, ১৯৬৬ খ্রিস্টাব্দে আমেরিকায় ইস্ককন নাম মন্দির স্থাপন করেন। যার ফলে মানুষ ধীরে ধীরে কৃষ্ণ ভাবনা হয়ে পারমার্থিক লাভ করে জীবন ধন্য করতে পাড়ে।

যাইহোক, আমিও একজন সাধারণ পরিবারের সন্তান। ভগবানের সমক্ষে কোন ধারণা আমার ছিল না। আজ আমি প্রভুপাদের কৃপায় ভগবানের সেবা করার সুযোগ পেয়েছি। তাই গুরুদেবের কাছে আমার বিনীত নিবেদন যে আমি যেন জন্মজন্মান্তর ভগবানের সেবা করতে পারি। অজ্ঞানতার কারণে কোন অপরাধ হয়ে থাকলে আমায় ক্ষমা করবেন।

Dear Srila Prabhupada.

Please accept my most humble obeisances at your lotus feet. On this auspicious day marking your divine appearance. I beg you to kindly allow me to become a speck of dust at your lotus feet.

Although I am totally unqualified still you have shown your causeless mercy upon us, So that we can deliver ourselves from this material entanglement.

Chaitanya mahaprabhu's message:-

Prthivite ache yata nagaradi grama

Sarvatra prachara hoibe mora naama.

"In every town and village on this earth, the glories of my name will be chanted." To fulfill the Lord's supreme will, you have taken your Guru's order to deliver fallen souls like us in this Kaliyuga. You dedicated your body, mind, and words without reservation to the propagation of Krishna consciousness through transcendental literature, evidenced by your tireless effort to dictate your Bhaktivedanta purports even until your very last breath. Lying on your bed in Vrindavan, hardly able to move your lips, you expounded the most lucid and penetrating Bhagavatam purports for the benefit of one and all. You did this because you knew that these words of yours, dictated to you by the original spiritual master Himself, had the power to change the life of anyone who heard with eagerness and sincerity. Consequently, you showed great concern when you detected a lack of interest in reading your books, knowing what the result would be:

I most appreciate this quality of yours, Srila Prabhupada this eagerness to recognize the service and efforts of your disciples. By your example we can see the meaning of amanina manadena, offering all respect to others and not being anxious to be respected oneself. I can only hope that one day, in the coming crores of births I may take, I can come to understand the true meaning of this quality. I hope that one day I may be worthy to call myself your disciple.

Praying to remain forever in the dust of your lotus feet,

Vaishnava dasanudasa,

Hiranyagarbha Dasa.

Dear Srila Prabhupada,

Please accept my humble and prostrate obeisances at your divine lotus feet!

I have passed three years in Nava Vidha bhakti while enjoying the divine treat.

ISKCON! What a transcendental organization you built to mitigate the material miseries and make the fear flee!

You cured our bodily conception of life and revealed to us who were we!

"A day would come, said Thakur Bhaktivinoda, when westerners will chant the names divine

With the blessings of your guru, in the western world you made Lord Krishna's name shine

Long yearning pail of your mercy descended upon all the conditioned souls suffering

By giving a chance to serve the supreme person Krishna and decrying Brahman merging

O Prabhupada! You went single handedly carrying Holy name

Where no one knew Krishna's holy name and fame

You exposed the nescience and futility of our material independent life in the tabernacle of happiness here!

Walking and talking you canvassed the spiritual bliss to all the Jivas didn't know happiness is where?

Enduring all along to find peace, serenity and harmony people wrongly took the path of ignorance and passion

Thank you Srila Prabhupada for giving the holy name and uniting everyone through your Voyage of Compassion!

Srila Prabhupada, please be merciful unto and have pity upon me.

Please bestow spiritual strength and grit to serve you wherever I be.

Materially may not I hanker and lament as the people do for elegance

Be I always at the shelter of your instruction following them with diligence

Fervently I pray to your lotus feet divine,

Sincerely I may serve you till the last breath of mine.

Your lotus feet are my only goal, they are my life and soul!

Your fallen Servant,

Hrishikesh Karunamaya Dasa.

Dear Srila Prabhupada

Please accept my humble obeisances at your lotus feet. All glories unto you on this auspicious day!

Writing this Vyasa Puja Offering to glorify you is just like offering a lamp to the Sun. Thank you Srila Prabhupada for saving me from the burning fire of this material world. I wonder if I would not have got shower of your mercy upon me I would be playing on the lap of maya, enjoying this material world and must be in the same cycle of life as the whole world is in. Please help me to be a puppet of yours, make me dance, make me dance, make me dance the way you want me to dance. You became very merciful to a rotten soul like me and made me your disciple. Though this desire to surrender to your lotus feet was there in my heart since the very beginning days of mine in Krishna Consciousness but somehow this desire was not getting fructified. I'm very fortunate to have my name in the list of Your disciples. I got a new birth the same fortune moment when I accepted you as the master of my life. Please help me Srila Prabhupada to serve you more and more by serving all the Vaishnavas. By Your mercy I am receiving very nice training by your senior disciples but I'm so foolish that I'm not able to take it seriously. Please help me to develop the same amount of faith and surrender to your lotus feet just as you have for your Guru Maharaj.

Your fallen servant,

Jagannatha Suta Dasa.

कोटि कोटि प्रणाम

गुरुदेव, आपने मुझे पर व मेरे परिवार पर असीम कृपा की है उसके लिए धन्यवाद करने के लिए मेरे पास शब्द नहीं हैं। सन 2015 में आपने मुझे अपनी शरण में लिया जिससे मुझे राधा माधव की सेवा करने का अवसर मिला। मेरी साधना में और सेवा में अगर कभी कोई त्रुटियां या कमी रह जाती हैं तो भी, आपकी कृपा से वह कार्य पूरा हो जाता है।

मुझे ज्यादा आध्यात्मिक ज्ञान नहीं है। आपके और वरिष्ठ प्रभु लोगों के प्रवचन सुनकर और मंदिर के भक्तिमय वातावरण में रहकर सेवा भाव बढ़ता जाता है। आप से यही प्रार्थना है कि आप अपनी कृपा दृष्टि सदा बनाए रखें, सदा राधा माधव की सेवा व भक्ति करते रहने की शक्ति दे तथा भौतिक गतिविधियों से मुझे दूर रखें।

आपकी कृपा अभिलाषी

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet.

The passage of another year gives me immense pleasure to share the joy of service in this glorious movement, led by expert Vaishnavas guided by Your Divine Grace. This year in service has brought a shift of paradigm in my understanding of the purpose of life.

Earlier, when I joined the movement, going back to Godhead was the only thought I had in mind. This thought was due to the sight of frustrating life in the material world. When I realised that the relations in this world are only on bodily platform and all kinds of relations in this world break, when people fail to satisfy each other. I used to think, I have come here to serve Krishna through you and go back home, back to Godhead. But now I know that your disciples in this movement play a very crucial role too. The selfless compassion you portrayed in this world is not to be found today. But I see the disciples who accept your presence today are carrying your compassion further.

The recent hearing of Srimad Bhagavatam made me conclude that one should not harbour any hidden agendas or personal motivation. This Krishna consciousness movement is all about making one's mind always conscious of Krishna and help others to reach the same conclusion.

When a child goes to school initially, he finds it difficult to be away from his beloved father and mother and cries to go back home. However, he doesn't understand that education is more important than spending time in playing games with his father and being comforted by the mother. Sometimes, his parents may take him back too seeing him cry and being uncomfortable in the school. But the parents internally desire their son to go to school and become a gentleman. That makes them more happy.

In the same way, we sometimes keep focusing on liberation from material miseries and get disturbed by problems in this world. Seeing which Krishna being a kind father may give us liberation and definitely take us back if we are following the instructions given by you. But that seems quite selfish now to me, I want to share the glory of my beloved Spiritual Master to every soul possible and help them become conscious of Krishna. In whichever way told by the authorities I want to serve you life after life in the vicinity of your lotus feet.

Your Servant,

Keshava Priya Dasa.

For those who had long dwelt in darkness, never knew what's life for, Lord Krishna's mercy incarnated- Srila Prabhupada, a beam of only hope to save fallen souls from burning in this material world. As Lord Jagannatha from His wide open eyes tries to capture each soul under His merciful glance, same way Srila Prabhupadayou reached out to people by going around the world teaching them sacred treasure left by Vyasa deva. You are such an expert, being ocean of compassion chalked plan for even those who were not ready to hear or chant, by planting desire trees on earth – Hare Krishna Movement, which fruits the rarest Krishna Prema.

Srila Prabhupada your superhuman acts of travelling all over the world and preaching to all kind of people is mesmerizing and makes us understand your deep desire and devotion towards Sri Chaitanya Deva. Your unparalleled contributions showcase your spiritual conquest, a great victory to Mahaprabhu's mission, Bhagavatam states only an empowered personality like you can perform this: "O my Lord, great philanthropic souls travel on the Earth on behalf of Supreme Personality of Godhead to show compassion to the fallen conditioned souls who are averse to the sense of subordination to the Lord". Only by Your grace and guidance which is indispensable we can be elevated. Srila Prabhupada you are not just conveyor of Krishna's mercy but you are gateway to Krishna. Yasya prasada bhagavat prasado yasya prasadan na gati kitopi, so potent is your mercy that if you are pleased, all great and glorious Acharyas in the parampara will be pleased and only then Krishna will be pleased.

Without you Srila Prabhupada life is meaningless, only by Your divine causeless mercy that so many souls are getting delivered, this shows how personally you are connected to us and living amidst us in your temples and driving the mission even today. Even a tinge of spiritual progress a devotee does is only the result of your mercy, for you are patita-pavana, all credit belongs to you Srila Prabhupada.

On this auspicious appearance day of your's, with sense of deep gratitude to you; i beg to kindly bless and help execute your will and dedicate completely unto Your mission, which is filled by glorious and paramahansa devotees of Lord Chaitanya.

Dear Srila Prabhupāda,

Please accept my prostrated humble obeisances at your lotus feet.

As a pilgrim worships the Ganges by offering her own water back to her, so every year on the occasion of your divine appearance, we try to worship you by offering to you everything we receive by your divine grace. Even the Supreme Personality of Godhead confirms the exalted position of an Acharya like you:

*ācāryam mām vijānīyān nāvamanyeta karhicit
na martya-buddhyāsūyeta sarva-deva-mayo guruḥ*

“One should know the ācārya as Myself and never disrespect him in any way. One should not envy him, thinking him an ordinary man, for he is the representative of all the demigods.” [SB 11.17.27]

*sādhavo hṛdayaṁ mahyaṁ sādḥūnām hṛdayaṁ tv aham
mad-anyat te na jānanti nāhaṁ tebhyo manāg api*

“The pure devotee is always within the core of My heart, and I am always in the heart of the pure devotee. My devotees do not know anything else but Me, and I do not know anyone else but them.” [SB 9.4.68]

For millions of births I had been a mlecca committing all kinds of sinful activities & suffering life after life. By your causeless mercy, you have pulled me out of this slumber of hellish life & have placed me under your divine shelter. O divine father, my only glimmer of hope is to be at your lotus feet, to hear the words emanating from your lotus like mouth, and to take your instructions as my life and soul. Srila Prabhupada, I pray to you to make your words, your books, your service & your smile—as the only source of my lifeline. You alone have rekindled my desire to live—not in this material world but in the eternal kingdom of Lord Krishna.

I came across a very inspiring statement from a book where you said,

“Krishna Consciousness is not static, it is “Ecstatic””.

Truly, you have filled my life with ecstasy. There is ecstasy in hearing your divine words, living with your disciples, serving Sri Sri Radha Madhava, performing kirtans, travelling long distance journeys & what not! I sincerely thank you for sheltering me in your extraordinary world of Krishna Consciousness.

I pray that I can deepen my relationship with you every day and that I can learn to serve you better every day.

Your Servant,

Krishna Kripa Dasa.

Kunjvihari Dasa

All Glories to His Divine Grace Vishnupad Paramahansa 108 Sri Srimad Abhaya Charanarvinda Bhaktivedanta Swami Srila Prabhupada.

*mukam karoti vachalaa, pangum langhayate girim
yat-krpa tamaham vande, sri gurum dina-taranam (CC Madhya 17.80)*

“By the mercy of the guru, even a dumb man can become the greatest orator, and even a lame man can cross mountains.”

Entire world is deaf and dumb spiritually, simply making meaningless noise like croaking toads which will invite dangerous snakes. Everybody is endeavoring hard, day and night, to surpass the material miseries, which are always behind like thieves waiting for opportunity to rob our happiness. Being ignorant, people are simply engaged in countless misdeeds in countless lives. The awaiting reactions are like huge mountains, which are impractical to be crossed by own effort, by spiritually lame people. No wonder, I was one among these people, wasting valuable life time.

But wondrous part of my life is that - I encountered your causeless mercy my dear Spiritual Master. This has provoked a dumb person like me to speak about Krishna, His name, pastimes and qualities. The mountains of reactions are no more impediment as they have melted to small pebbles by the current of your mercy. This fact is evident in Bhagavad-gita 7.28 -

*yesham tu antagatam papam, jananam punya karmana,
te dvandva moha nirmukat, bhajante mam drudha vratah*

“Persons who have acted piously in previous lives and in this life and whose sinful actions are completely eradicated are freed from the dualities of delusion, and they engage themselves in My service with determination.”

My life was completely in contrast to this statement, but whatever little determination I have obtained is solely by the touch of your mercy Prabhupada. Today on this auspicious occasion I pray at your lotus feet my dear Spiritual Father that the seed of determination towards service, sowed by you, may grow stronger till it reaches Krishna's Lotus feet.

Please bless me Prabhupada that desire to serve your Lotus feet alone may occupy my heart fully. As honey bees' only business is to collect honey from flowers and store in its hive, let my only business should be to collect mercy, simply by carrying your instructions and guidance. Let my life will become fully laden by your mercy. Let me learn to remain as humble servant. Thus my life will become successful.

Your hopeless disciple, yet aspirant,

Kunjavihari Dasa.

Mahaguna Devi Dasi

Dear Srila Prabhupada,

My humble obeisance to HDG Bhaktivedanta Swami Prabhupada.

Srila Prabhupada you are the real savior of our life. A boat without a captain moves without any control. In the same way without you being the captain of fallen souls like us, our life boats would have moved according to its own whims. The real meaning of our precious human life is realized by us only when we came in contact with your teachings.

My consciousness was just like Jagai and Madai - full of anarthas; but by accepting the path of Krishna Consciousness, your teachings, with your mercy my anarthas are reducing. Whenever I face some challenges or get demoralized in my spiritual path, your books and lectures are the only way I get a moral boost to advance in my spiritual path.

Prabhupada, you have many times said the importance of sadhusanga in your teachings. As rightly said, a person is influenced by the atmosphere he stays in and for such an atmosphere, you established (sadhusanga), ISKCON for all like minded people to come together and be inspiration for each other and by your mercy little by little we are advancing in our spiritual journey.

My previous understanding of life was to enjoy to the fullest. Now through your teachings I have understood that human life is meant to do tapasya, to serve Krishna and to find real happiness in Krishna consciousness.

As explained and instructed by you, Krishna consciousness is a science; it is not a blind faith. Your books, instructions and lectures act as a strong rooted tree on the support of which our bhakti creeper is growing. If we do something with sentiment it will not last. You have labored a lot for fallen souls like us by writing more than 80 books and by reading these books we are able to follow Krishna consciousness with firm faith and not by sentiment. Prabhupada, your purports with analogies and examples gives us a clear view by which we can understand what Krishna wants us to do.

A doctor gives treatment for a diseased person and by following his instructions accordingly the person is cured. In the same way you are the doctor for materially diseased persons like us and by following your instructions we will be cured and become spiritualized.

I thank Krishna who has shown His mercy upon me by giving a spiritual father like you and by holding your fingers in the form of your books and instructions I feel safe and fearless.

Jai Srila Prabhupada!

My dear Srila Prabhupada,

Please accept my humble obeisances. All glories to you, the savior of the fallen.

Recently I had a major health situation, during which I was very uncomfortable and in some difficulty. It gave me clear insights into the nature of my material body and my entanglement in this material world. The insights were clear, but not very nice. I have been caught up in this world for a long time, and I still have a long way to go to get out. I need your mercy.

You taught us that to properly represent Krishna we have to become pure. Only then will Krishna's mercy flow through us and enable us to accomplish anything on His behalf. In the course of time I have become aware that actual purity is synonymous with our surrender to you. Therefore, to properly represent Krishna I have to first become your representative and try to execute your mission without any personal agenda. As the perfect representative of your spiritual master, you showed us how to make the mission of the spiritual master one's life and soul. From the day you met your Guru Maharaja, you dedicated yourself completely to following his instructions and fulfilling his desires. You always carried him in your heart, and as a result you became the recipient of his mercy and helped fulfill Sri Caitanya Mahaprabhu's prediction that the Krishna consciousness movement would spread to every town and village.

I prayed to that give me the strength so that I can follow all your instructions nicely.

Your Eternal Servant,

Prabhupada, I thank you for the valuable, precious books. They are not just books, but its more to it. Book is you self Prabhupada. Every letter in the books by you, are guidance and direction, Prabhupada.

Prabhupada, this world is filled with duplicity, cheaters, cheaters and only cheaters. Only after associating with your books, I'm able to identify that I'm getting cheated in all subject matter. That clarity in thought and vision to discriminate and to self-guard, was mercifully received through your books, Prabhupada.

In one article it's beautifully said, "We all need friends who would be there for us when needed and who would understand us without being judgmental. And books can be our best friends for life, for all the right reasons. Good books enrich our mind and broaden our perspective towards life. What's more, one can never feel lonely in the company of books" and that friend is your books especially your master piece "Srimad Bhagavatam".

The right direction and maturity in approach towards a particular subject matter was mercifully received through your books.

Thanking you Prabhupada, for elaborate purports, which have given right clarity and right understanding towards a shloka. Your master piece Srimad Bhagavatam could not be understood as it is without elaborate purports. The greatness and supremacy of Krishna is nicely and clearly explained in purports. No one can be more supreme than Krishna and Krishna is the Supreme Person.

Thanking you Prabhupada for giving devotee association. Devotees are very rare and precious. By only your mercy, staying and associating with devotees is possible. Devotees are very merciful Prabhupada.

Respected His Divine Grace A .C. Bhaktivedanta Swami Prabhupada,

Hare Krishna Prabhupada,

Kindly accept my sincere obeisance unto your lotus feet.

With your blessing and spiritual guidance, I learned perfect bhakti yoga from you. I used to go every weekend to have Sri Sri Radha Madhav darshan. But now due to this body, mind, home circumstances, I unable to travel this much distance on weekends to have Lord's darshan in our temple. Even though you have given another opportunity to serve Sri Sri Nitai Gauranga at home. Not only that, I am also rendering service to Sri Srinivasa Peruman with Mother SriDevi and Bhudevi, Balaji temple near my home. All because of your causeless mercy, this soul had got diksha and became your disciple.

Till this day I am in this bhakti-yoga because of your blessings only. I must continue in this Krishna consciousness without any obstacle. This all will happen only with your blessing. Kindly give me the strength to continue in Krishna consciousness. It is my humble request to you to guide me to progress more on this spiritual path. Please forgive me for the mistakes which I did knowingly and unknowingly. Reading of Srimad Bhagavatam in Tamil version is going on.

Please give me more strength to continue in this spiritual activities to perform in any situation. Submitting my sincere thanks unto your lotus feet as a disciple.

Hare Krishna.

श्रील प्रभुपाद कृपया मेरा दण्डवत प्रणाम स्वीकार करें।

प्रत्येक वर्ष आपके आविर्भाव दिवस के दिन जिसे हम व्यास पूजा उत्सव के रूप में मनाते हैं, एक शिष्य होने के नाते उसका कर्तव्य है कि वह आपको एक पत्र के माध्यम से श्रद्धांजलि अर्पित करे। प्रतिदिन गुरु पूजा के समय आपको श्रद्धा सुमन अर्पित करता हूँ, और प्रतिदिन जीवन में आध्यात्मिक प्रगति के बारे में सोचता हूँ, परन्तु यह प्रगति कुछ घंटों पश्चात् समाप्त हो जाती है। आज मुझे इस पत्र के माध्यम से आपको श्रद्धांजलि अर्पित करनी है, लेकिन मैं ऐसा सोचता हूँ कि क्या मैं इसके योग्य हूँ, कि आपके बारे में एक शब्द भी लिख सकूँ। वैसे मैं इस योग्य नहीं हूँ कि आपके लिए मैं कुछ लिख सकूँ परन्तु आपकी अहैतुकी कृपा से ही मैं आपके बारे में लिख रहा हूँ।

आध्यात्मिक गुरु अर्थात् आध्यात्मिक पिता जिन्होंने मुझे जीवन का वास्तविक लक्ष्य दिखाया और प्रेरित किया भक्ति मार्ग पर अग्रसर होने के लिए, आज मैं आपसे इस पत्र के माध्यम से एक विचार साझा करना चाहता हूँ। हमारीवैष्णव परिपाटी के अनुसार गुरु को दक्षिणा देना शिष्य का कर्तव्य है। बहुत ही प्रारंभिक अवस्था में ऐसा लगता है कि हम अपनी मेहनत कि कमाई उन्हें देते है, फिर धीरे धीरे हम उनकी सेवा करके अपनी बुद्धि, मन या इन्द्रियाँ उन्हें समर्पित कर रहे है, परन्तु सच्ची गुरु दक्षिणा है, गुरु को अपना हृदय समर्पित करना। यदि आपने अपने आध्यात्मिक गुरु को अपना हृदय समर्पित कर दिया तो आपके जीवन का लक्ष्य पूर्ण हो जायेगा, श्रील प्रभुपाद मैं भी आपको मेराहृदय समर्पित करने की पूर्ण कोशिश कर रहा हूँ कृपया मेरा मार्गदर्शन करते रहे।

इस वर्ष श्री श्री नितार्ई गौरांग अर्चा विग्रह की नए रूप में सेवा करने का अवसर आपने दिया उसके लिए मैं हमेशा आपका आभारी रहूँगा, साथ ही

Dear Srila Prabhupada,

Please accept my obeisances at your lotus feet. All Glories to unto you Srila Prabhupada!

Dear Srila Prabhupada, thank you very much, you have opened my eyes and showed me the beauty of the Absolute Truth Sri Krishna - the Supreme Personality of Godhead. You opened my Ears to hear the Maha Mantra, Bhagavad-gita lectures and Srimad Bhagavatam lectures. You allowed my tongue to chant the holy name. You gave me the eyesight to see the Deities and to have the Darshan of Sri Sri Radha Madhav. Your voice is vibrating in my ears, your smile is shining in my eyes, your footsteps are walking in my heart. I feel your presence whenever I invite the people for spiritual events.

Please open my mind, heart and soul more and more, so that I can understand the transcendental knowledge. Oh! Srila Prabhupada! Thank you for showering your mercy continuously upon me. Whenever I hear your small talks with devotees, I relate them with me and learn many things from your conversations. You connect everything, every incident, every moment with Krishna Consciousness. I feel I am coming more and more closer to you. Please bless me and all the people connected with me. Please shower your causeless mercy on all of us. Thank you for holding my finger all the time and I know you are my father, protector, spiritual master. Please strengthen me to serve you life after life. This fallen soul is requesting you to keep me at your lotus feet in any situation of my life.

This year I took Harinam Diksha after attending Guru Puja every Sunday for two months. This miracle happened only and only due to your causeless mercy. We were connected since last nine years but this has happened only when you glanced upon us and blessed us, so I can progress in Krishna consciousness and motivate others also. I can't imagine my life without you, without Sri Krishna and without this wonderful Vaishnav sangha. After so many births I came to know about the real nectar. Please accept my Vyasa Puja offering to express my gratitude towards you.

Thank you. Thank you very much Srila Prabhupada.

Your humble servant,

Nama Sankirtana Devi Dasi.

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet. All glories unto you!

I am so happy to have come in touch with the Krishna Consciousness Movement introduced by you. It has been almost 10 years now and me and my family are so fortunate to be a part of this movement.

To mention a few personal changes, I am regularly chanting my rounds and reading Bhagavad-gita daily. A person like me who used to wake up at 8 am is now waking up between 5-6 am. I started attending the morning Darshan arati and Guru Puja regularly, after which I took Harinam Diksha this year. It was only and only possible due to your causeless mercy. I am really very much over whelmed and excited this year, since, after I took the Harinam Diksha I feel happy and joyful every moment. I have increased my chanting, reading, preaching etc. This year I started preaching in our satellite area and by your grace many souls have attended the Bhagavad-gita sessions, Temple festivals and so on.

By doing the sadhana, I get the power for the whole day to face challenges in day to day activities. I am a businessman, but now I have no fear of my future since Lord Krishna is with me. I have found the purpose of my life. Through this movement I have become very much sober, my greed and anger are gradually reducing. I have left tea, coffee etc forever. Now I am trying to study about Lord Krishna more and more. I try to dedicate all my actions to the Supreme Personality of Godhead, the Paramatma - Lord Sri Krishna. Whenever anything happens good or bad I try to understand that it is the Lord's wish or a result of my previous karma.

I have decided to contribute as much as possible towards Krishna Consciousness in this life. For the same purpose I shall continue doing the following: Whenever I meet a new customer as I finish the business talks, I talk about Lord Krishna, His pastimes, His glories, etc. I keep my japa bag with me always and chant whenever possible. Whenever I attend Sunday classes I try to recite the same to any person I meet. I also talk about our Akshaya Patra Movement, Krishna Consciousness Movement to others. Many of my relatives, friends, colleagues etc now know about this so they are also interested to attend classes, festivals etc.

Dear Srila Prabhupada, This is just a beginning, please help me and guide me more and more. My dream is to dedicate my life towards Krishna Consciousness Movement after the age of 50. So before that please help me and guide me in a manner

so that I can arrange for my family. The Supreme Lord takes care of all but as He has instructed we have to perform our duty and leave the results unto Him. My ultimate desire is to go back to Supreme Personality of Godhead. Kindly guide me and help me.

Dear Srila Prabhupada, my love for you is a lot more than I can express.

Your servant,

Dear Srila Prabhupada,

All Glories to Gurudev! On the occasion of your Vyasa Puja I would like to offer you my humble dandvat Pranams.

In the world of self-proclaimed Gods you have established the true position of Lord Krishna as The Supreme and the original Personality of Godhead. Jiva of contaminated consciousness considers himself to be the doer, proprietor and enjoyer of all that he survey and illusorily claims to be God or sometimes negates the personal aspect of Godhead. In either case one doesn't accept God and what to speak of surrendering unto Him. Because of this poisonous consciousness the Jiva is always lamenting, hankering and has perpetually drown into the ocean of illusory material existence of unnecessary accepting material bodies and experiencing repeated birth and death, without any hope and clue of liberation. Your appearance is the grace and mercy of the Supreme Lord Sri Krishna, who is ever eager to liberate jivas from contaminated consciousness of materialism and impersonalism.

Your Krishna consciousness movement is the only hope. You have carefully presented Gaur vani, the message of Godhead, yatha-roop, whose nectarine taste can quench the thirst of materially motivated karmis and Gyanis, who are hankering for eternity and bliss. I humbly pray unto your divine grace to mercifully bless me so that my consciousness also becomes free from the contamination of materialism and impersonalism. It is by your mercy only will I be able to revive my eternal relationship with Lord Sri Krishna and resume my loving devotional seva unto Him. Gurudeva! Please be merciful unto me and bless me so that I can overcome my shortcomings and become your bona-fide disciple and qualified servant of your servants.

May your glories be spread all the three worlds, I take shelter of your divine lotus feet.

Your humble disciple,

All glories to the founder of worldwide movement.

All glories to Commander-in-Chief of Lord Sri Chaitanya Mahaprabhu

All glories to His divine grace A.C. Bhaktivedanta Swami Srila Prabhupada unto whom I have taken shelter. In India there are many spiritual organisations, some are genuine, some are bogus but among genuine organisations I have observed that many of them don't have a zeal to preach the message of God. But Your Divine Grace took so much trouble to spread the message of Bhagavad-gita to the whole world. You had faced so many reversals in the path of preaching, like your first Bhagavad-gita manuscript was sold for money, you single handedly distributed Back To Godhead magazine, even though no one was showing interest. You had severe health problems while travelling to USA, you made many unsuccessful attempts in the path of preaching, but you never stopped. You never stopped because getting success was not your aim, your preaching was never driven by positive results rather your driving force was to follow your Guru's instructions. I remember in one of your lecture you said "My Guru Maharaja told me to preach this message to Western countries". "The

only credit that I have is, I followed my guru's instructions." Srila Prabhupada nothing is impossible for you. You can transform this entire world into Vaikuntha just by your divine glance but you performed this pastime to show us that in any circumstance a preacher should never get discouraged by seeing the unfavorable results. He should keep performing his service by keeping faith on the instructions of his spiritual master.

Preaching is the essence that keeps the movement alive. You wanted all of your disciples to seriously take up Krishna consciousness and spread the same. The only way to please you is to follow your instruction and become an instrument in your preaching movement. We tell new families or people that Krishna consciousness will make you happy and blissful, you can live anxiety free life. Yes, it is true but for a preacher, he should never be in the mood of seeking happiness or anxiety free Krishna consciousness, instead he should take all trouble, stress, anxiety for the satisfaction of guru.

Srila Prabhupada in this upcoming Vyasa puja I beg before you to please give me sufficient strength and intelligence to serve your divine instruction. Your instructions should always run in my mind during adverse situations.

Your aspiring servant,

Dear Srila Prabhupada,

Please accept my humble obeisance unto your divine lotus feet.

All glories to you Srila Prabhupada.

It's a proud opportunity for a disciple to glorify his Spiritual Master on the divine occasion of Vyasa Puja. But for me it's not only a proud moment but also an immense opportunity for me to safeguard myself from deluding traps of material energy (Maya) by glorifying you.

As a Spiritual Master is non-different from Lord Sri Krishna, glorifying him is also as same as glorifying the Supreme Personality of Godhead. I am very thankful to you Srila Prabhupada for giving me such an opportunity to glorify you and to share my feelings for you from bottom of my heart.

This year was a quite combination of sweet & sour experiences but nevertheless in Krishna Consciousness, everything happens sweet only because some way or other, all the experiences are sanctioned by their Lordships for the advancement of their upbringing devotees. I realized this fact throughout this year. And by your divine grace, I am able to analyze myself that which are the areas for me to improve and how much has to be improved. And at the end, I found myself as 4th class disciple.

Circumstantially, I had to take some steps which I myself don't approve but by your causeless mercy and protection, somehow, I am able to survive to fulfill my Krishna Consciousness commitments but that all is not enough. Right now, I am missing the full Krishna Consciousness and the preaching opportunity as a full time missionary in association with devotees. Since this step was sanctioned by Lord Krishna, I was benefited by your grace through practical realizations based on the authorized philosophy provided by you. During this era, I also learnt that how an advancing Vaishnava acts and show his compassion at each step at all levels for others progress in Krishna consciousness.

I humbly request you to kindly pardon me for the offenses & mistakes committed by me towards you, their Lordships & Vaishnavas. I beg from you for your causeless compassion and divine protection to engage me back in your service as servant of your servant of servant.

Please bless me sufficiently so that I can improve in my regular Sadhana, scriptural study, preaching and in development of attitude of servitude. Please give me your protection, so that I may not fall further prey to material energy.

Your most fallen Servant, Padmanabha Dasa.

Param Dhama Dasa

Dear Srila Prabhupada

Please accept my respectful obeisances unto your feet. All glories unto your causeless mercy.

I completed five years of journey in your movement. This journey transformed me to a remarkable extent, which is impossible to be conceived, achieved, this can be perceived only by another devotee. The transformation in me is the manifestation of your causeless mercy. The glorification in a few paragraphs or pages can never wholly describe your glories. Nonetheless, I attempt to say something for my purification.

Sripada Madhvacharya predicted: "The real knowledge of the difference between jiva and Sri Hari and the service of Sri Hari will spread all over the world very shortly." (Anu Madhva Vijaya - last chapter).

Sripada Ramanuja predicted: "The pure devotion to Sri Hari devoid of karma and jnana will grow and grow like a banyan tree covering the whole world, teaching everyone who takes shelter." (Prapannamrta tarpana, last chapter).

Nammalvar (3102 BC), one of the twelve great Vaisnava saints of the Sri Ramanuja Sampradaya proclaimed: "Victory! Victory! Victory! I behold something wonderful: all the inauspiciousness of the living entities is destroyed, no one is going to hell, Yamaraja has no more work to do, and the effects of Kali-yuga have ceased to exist. This is because all over the world an increasing number of Lord Visnu's devotees are singing His names while dancing and playing musical instruments." (Divya-prabandha, Tiruvaymoli 5.2.1)

Forty-six years before the beginning of Kali Yuga, Vishnuchitta, one of the twelve great Vaisnava saints of the Sri Ramanuja Sampradaya predicted: "There will come a race which will tread the Earth with raised hands and vertical tilaka on their foreheads, who will chant the names of Hari; this will destroy the influence of Kali." (Divya-prabandha 1.10).

Sri Chaitanya Mahaprabhu predicted: In every town and village, the chanting of My name will be heard. Taking the sharp sword of the congregational chanting of the Hare Krishna mantra, (nama-sankirtana) I will root out and destroy the demoniac mentality in the hearts of all the conditioned souls. If some sinful people escape and giving up religious principles go to far off countries, then my Senapati Bhakta will come at that time to give them Krishna consciousness.

Srila Bhaktivinoda Thakur predicted: A personality will soon appear to preach the teachings of Lord Caitanya and move unrestrictedly over the whole world with his message.

Similarly, we can find many future predictions regarding your transcendental activities. Srila Prabhupada, Krishna personally sent you to fulfill the desires of all acharyas and revealed your transcendental position. Your position is unique in universal history; no one can replace your exalted position as the commander-in-chief of Lord Chaitanya's army for you are going to conquer the globe to drive away kali-yuga. My lord, my only request is to shelter me in your divine mission birth after birth and accept me as your fallen servant. Srila Prabhupada you promised that all your disciples go back home back to Godhead. But, I am not very eager to reach Krishna's Supreme Planet, Goloka Vrindavan, my sincere desire is to serve your divine mission as much as you desire and I am ready to take birth again and again as much as you wish. It is impossible for me to liquidate my debt unto you even in a million life times.

For millions of lifetimes, I helplessly got tossed in various species suffering inexplicable miseries. It is your glory that you saved this fallen soul. Now, I am ready to take millions of lifetimes for serving your divine mission. As you explained in Chaitanya-Charitamrta, this sankirtana movement is going to spread not only in this teeny planet earth but also across the universe like waves start at the center of a waterbody reach its shore. This unfathomable mission of Lord Chaitanya Mahaprabhu is incredible to comprehend. Nonetheless, I am eager to serve for as many lifetimes as you want me to serve. Srila Prabhupada, whatever mistakes I would have committed knowingly or unknowingly kindly forgive me, and please always keep me engaged in your service eternally, this is my only prayer, I don't want anything else.

Your eternal servant, Param Dhama Dasa.

Dear Śrīlā Prabhupāda,

Please accept my humble obeisances unto your Lotus Feet.

All glories unto your divine grace.

By your mercy Śrīlā Prabhupāda while reading the introduction to Bhagavad-gītā As It Is, I came across a very striking point which is as follows:

Just as materialists engage their minds in reading newspapers, magazines and so many materialistic literatures, we must transfer our reading to these literatures which are given to us by Vyāsadeva; in that way, it will be possible for us to remember the Supreme Lord at the time of death. That is the only way suggested by the Lord, and He guarantees the result: "There is no doubt." (Bg. 8.7)

tasmāt sarveṣu kāleṣu mām anusmara yudhya ca

mayy arpita-mano-buddhir mām evaiśyasy asaṁśayaḥ

"Therefore, Arjuna, you should always think of Me, and at the same time you should continue your prescribed duty and fight. With your mind and activities always fixed on Me, and everything engaged in Me, you will attain to Me without any doubt."

This statement clearly dignifies your divine grace's stress on reading & distributing these transcendental literatures to as many as we can. Hence in this line, the Ahmedabad yatra had started Bhagavat arunodaya program in which we connect the family who significance of Śrīmad Bhāgavatam which is the literal incarnation of the Supreme Personality of Godhead Śrī Krishna. Not only has this helped the particular family, this program has also upgraded my understanding, importance & the glory of Śrīmad Bhāgavatam.

Absorbing our minds in the sankirtan of Lord Chaitanya is the remedy for liberating the soul from the clutches of illusion & your divine grace has shown the practical way of life to achieve this but unfortunately today's distractions of modern times are so alluring that it just engulfs the consciousness in to subject matter of material filth whether it be politics, sociology, technology or whatsoever. My humble prayer to you is to show your causeless mercy unto me so that I can be more firmly convinced about the holy names of the Lord, Śrīmad Bhāgavatam, the importance of being in the association of devotees & the many gifts that you have holistically offered in your movement.

Aspiring to be the servant of your servants,

परम आदरणीय,

सादर वंदनीय,

प्रातः स्मरणीय

श्री गुरु के चरणों में सादर प्रणाम।

आपकी कृपा से आपकी व्यास पूजा के अवसर पर यह छठी श्रद्धांजलि समर्पित करते हुए मैं उपयुक्त शब्दों के चयन में अपने आप को असमर्थ पा रही हूँ। आप हमारे गुरु हैं, यह हमारा परम सौभाग्य है। आपकी कृपा से मनुष्य जीवन का वास्तविक उद्देश्य, जो केवल भगवान श्री कृष्ण की सेवा है, हम समझ पाये हैं। आपकी अपार कृपा से ही हम ये समझ पाये हैं कि हम शरीर नहीं, बल्कि आत्मा हैं और आत्मा केवल भगवान श्री कृष्ण की सेवा के लिए बनाया गया है। अनंत कोटी जीवों में मेरी क्या गणना है? कुछ भी तो नहीं! आपकी दया से आपके द्वारा बताए गए मार्ग पर चलकर ही हम धीरे धीरे अपने लक्ष्य को, जो भगवान की सेवा है, पा सकते हैं। पिछले एक साल से मैं महसूस कर रही हूँ कि जो मेरे मन के अंदर जमा हुआ संस्कार है उसे आप निकाल रहे हैं। मैं अपने दोषों को साक्षी भाव से देख पाती हूँ, यह केवल आपकी कृपा से ही संभव हो पाया है।

जिस प्रकार भगवान वामन देव ने अपने तीन पग से समस्त ब्रह्मांड को आच्छादित किया, उसी प्रकार आपने सम्पूर्ण विश्व को अपने चरण कमलों से आच्छादित किया। आप जहाँ जहाँ गए, वहाँ वहाँ राधा माधव इस पृथ्वी पर प्रकट हो गए। आपकी कृपा से अनेक जीवों का उद्धार हुआ।

जब हम सुबह मंगल आरती में गुर्वाष्टक गाते हैं, तो बड़ी गहराई से यह महसूस होता है की यह संसार एक जंगल की आग के समान धधक रहा है, और आपकी कृपा के बादल की बरसात से ही इसका शमन संभव हो पाया है। आप हमेशा अपनी उपस्थिति का एहसास हमें कराते रहते हैं। जब मैं अपनी पूर्व स्थिति का स्मरण करती हूँ, जब हमने आपकी शरण ग्रहण नहीं की थी, तो यह समझ पाती हूँ कि मैं कितने अंधकार में थी, और हमारी स्थिति कितनी भयावह है, इसका हमें किंचित मात्र एहसास नहीं था।

किन्तु आपकी कृपा रूपी प्रकाश को पाकर यह समझ पायी हूँ कि यह मानव जन्म कितना दुर्लभ है और हम कितने मूढ़ थे जो इसे बेपरवाह होकर जीते हुए गवां रहे थे। यह आपकी अहैतुकी कृपा का ही परिणाम है कि आज मैं अपने पूरे परिवार के साथ आपकी शरण ग्रहण करके अनुगृहीत हुई हूँ।

इस पत्र को समाप्त करते हुए आपसे यही विनती करती हूँ कि अपने चरण कमलों की छाया हमारे ऊपर ऐसे ही अनवरत बनाए रखें।

आपकी तुच्छ सेविका

જય શ્રીલ પ્રભુપાદજી

પરમ આદરણીય ગુરુજીને મારા સાદર પ્રણામ. ગુરુની પાસે શું વર્તન કરાય અથવા તેમની સમક્ષ કેવી રીતે વાતચીત થાય એ સમજણ પણ મને નથી છતાં પ્રયત્ન કરું છું. કદાચ કોઈ ભૂલ થાય તો માફી આપજો.

આજથી ત્રણ વર્ષ પહેલા જ્યારે મેં હરિનામ દીક્ષા લીધી ત્યારે મુખ્ય બે નિયમોનું યુસ્ત રીતે પાલન કરવાની આપની સમક્ષ મેં વચન લીધેલ. એક તો યાર નિયમોનું પાલન તથા 16 માળા નિયમિત દરરોજ. નિયમિત રીતે 16 માળાતો કરું છું પરંતુ જે સાચી રીતે હરિનામ જપ થવા જોઈએ એટલેકે શુધ્ધ નામ જ પ કરી શકતી નથી. મન અનેક વિચારોમાં પરોવાઈ જાય છે. થોડા ઘણાં ભૌતિક હોય છે તો થોડા ઘણા આધ્યાત્મિક સાથે સાથે અપરાધ સહીત નામજપ થતાં હોય છે જેને કારણે મનનાં સર્વ દુષણો એમનાં એમ રહે છે. જેથી મને એવું લાગે છે કે જાણે મારી ભક્તિમાં કોઈ પ્રગતિ થઈ રહી નથી.

મારા ઘરે મહિનામાં એક વાર ચાલતા સત્સંગ પ્રોગ્રામ માટે હું કોઈને આમંત્રણ આપવા જાઉં છું, કે કોઈને મંત્ર જપ કરવા માટે કહું છું. ત્યારે એવું લાગે છે કે મારા શબ્દની કોઈ અસર સામે વાળા વ્યક્તિ પર થતી નથી. એનું કારણએજ છે કે મારા પોતાના વ્યક્તિત્વમાં જ એટલી બધી મલિનતા છે કે નથી મારા નામ જપ માં કોઈ શુધ્ધ તા.હું પોતે આપે દર્શાવેલ નિયમોનું પૂર્ણ પણે પાલન કરતિ નથી. આ બધા દુર્ગુણો સામે વાળાને નામ જપ કરવા આકર્ષાતાનથી.

આ સંસાર દાવાનળમાં ડૂબેલા મારા જેવા બધ્ધ જીવ માટે આપ પરમ તારણહાર છો. મને વિશ્વાસ છે કે આપની કૃપા થી હું જરૂર આ દાવાનળ માંથી ઉ ગરી જઈશ પરંતુ એ પહેલા મારે ગુરુ તરફ ફરજ અદા કરવાની જરૂર છે. આપના કૃષ્ણભાવનામય આંદોલનમાં જો હું પેલી ખિસકોલી જે રામ ભગવાનને સેતુ બાંધવામાં પોતાનો ફાળો પ્રદાન કર્યો હતો તેમ મારો પ્રયત્ન પણ એ ખિસકોલી ના જેવો જ છે. પરંતુ આપ જરૂર તેને સ્વીકારશો મેં આપનીશરણા ગતિ સ્વીકારેલ છે. આપની કૃપાથી હું જરૂર મારામાં પરિવર્તન લાવી શકીશ તથા કૃષ્ણ પ્રત્યેનો મારો ભગવદ પ્રેમ જરૂર વિકસાવી શકીશ.

એ જ લી આપની શિષ્યા પ્રીતિમયી રાધા દેવી દાસી

My humble obeisance at the lotus feet of my spiritual master

In blazing fire of material world the only shade is the feet of my spiritual master. Just like a blind man follows another blind man, I would have ended in deepest region of hell by following concocted religions. My spiritual master in form of torch of knowledge, has shown me the correct spiritual path. We are trying to be happy by different material means but it is only through knowledge given by you we come to know that we can never be happy eternally in this material world unless and until we serve the Supreme Lord and His pure devotees.

You have set up the place where we can practice serving the Supreme Lord by different ways and means in association of devotees. We consider your instructions as our life and soul and I try to follow the same. We never knew that simply by following the regulative principles and chanting specified number of rounds one would be eligible to go back home back to Godhead. It's only you who can give such an golden opportunity to fallen souls like us. I once again thank you for painstaking efforts you have taken without even considering your health issues you have set forth many things for devotional practice like Deity worship, books temples sankirtan dancing and prasadam. You have given us such a wonderful setup where we can practically do all devotional in our day to day life.

Your eternal servant,

Raghunandan Nitai Dasa.

Srila Viswanath Chakravarty Thakura prays that the spiritual master is like a rain-pour of mercy. Srila Prabhupada you are the samvartaka clouds to devastate the fire of great material existence, pouring incessantly in our lives. Although, I try to evade even such merciful pour of blissful life, you device plans to get us out of bunkers of ignorance. Why do you do this?

Why? MERCY AND COMPASSION. You are Akshaya Patra of mercy and compassion. Otherwise how can one even think of being even gentle in this age? It's you, whose transcendental measures make the impossible into possible, unbelievable into believable and lust into love.

As Lord Caitanya Himself explained to Prakaśananda Sarasvati:

*guru more mūrkhā dekhi' karila śāsana
mūrkhā tumi, tomāra nāhika vedāntādhikāra
'kṛṣṇa-mantra' japa sadā,—ei mantra-sāra*

“My spiritual master considered Me as a fool, and therefore he chastised Me. ‘You are a fool,’ he said. ‘You are not qualified to study Vedānta philosophy, and therefore You must always chant the holy name of Kṛṣṇa. This is the essence of all mantras or Vedic hymns.’” [Cc. Ādi 7.71]

When will I consider myself fool? When will I understand even ABCD of absolute truth? When will I be able to chant Hare Krishna Maha-mantra always?

It is said the secret to understanding Vedic knowledge is

*yasya deve parā bhaktir yathā deve tathā gurau
tasyaite kathitā hy arthāḥ prakāśante mahātmanaḥ*

“Only unto those great souls who have implicit faith in both the Lord and the spiritual master are all the tenets of the Vedic scriptures automatically revealed.” [ŚU 6.23] Your mercy is all I am made of, your mercy is what sustaining me and its your mercy that I will have implicit faith as mentioned above.

Keep me under your shelter eternally.

Your servant,

Rasa Parayana Dasa.

Dear Śrīla Prabhupāda,

Please accept my humble obeisances on the auspicious day of your divine appearance.

Today, during your Vyasa Puja, the Hare Krishna Community across the world would be remembering your divine qualities & glories. Your glories are transcendental, wonderful, ever relishing, and instructive, surcharge us with enthusiasm to render service unto you. Indeed, you are a Vaikunta Man, an eternal resident of Spiritual World come here only to teach us Bhakti, elicit our Surrender to the Supreme Personality of Godhead Krishna & Spread the sankirtana movement of Lord Chaitanya. You have always been a very special personality in our lives.

Few months back one of our well-wisher honored your commentary on Srimad Bhagavad Gita as an authentic & genuine attempt to establish the Supreme position of Lord Krishna & recognized that no one in recent past was able to present an authentic commentary on Bhagavad Gita. He said, “When I read Bhagavad Gita As It Is, I see that the Author in every page mentions that Krishna is the Supreme Personality of Godhead, which is not established in any of the editions of Bhagavad Gita that I have come across”. I was very jubilant while he was sharing this & he shared further that he received your mercy just at a time when he was looking for right source of knowledge & recognized you are indeed a bonafide Spiritual Master & your teachings are not different from that of Krishna. I recollect you saying elsewhere in your lectures that a genuine seeker of Krishna Consciousness will be guided by a bonafide Guru. Just like Dhruva Maharaj was guided by Narada Muni.

You are our mentor, father & our ever well-wisher. Your Purports are medium of our blissful association with you which are free from influence of material energy & invested with spiritual potency to dispel all illusions from our minds. You

would very carefully select each & every word while giving Bhaktivedanta Purports for it would be law books for next 10000 years & an eye opener for us who are accustomed to see this world only thru our mundane vision & great treasure of transcendental realization.

On this auspicious day, I fervently pray at your Lotus Feet again & again as a helpless child to bless me to realize the power of chanting Shudda Nama. Bless me to chant with undivided attention to absorb my mind in transcendental sound vibration & submit my sincere thanks to keep me engaged in your service tolerating my misgivings which is your magnanimous quality.

Dear Srila Prabhupada

Please accept my respectful and humble obeisance unto your lotus feet.

Srila Prabhupada you have extensively spoken on building strong faith on Guru and Krishna. I want to share my realization on this.

“Faith” is very essential for every disciple to conduct his life, but it has to be nurtured, cultivated and strengthened by a process of Krishna bhakti. For a materialist the faith becomes strong only when one sees the result, and to that one need to be patience and tolerant. So the point is, we have to become faithful beings and not just so called believers. The scriptures also gives us proper direction how to cultivate this faith.

It is said in Bhakti-rasāmṛta-sindhu (1.4.15-16),

ādaу śraddhā tatah sādhu-saᅅgo 'tha bhajana-kriyā tato 'nartha-nivṛttiᅅ syāt tato niᅅthā rucis tatah

Our faith, in the beginning is very tender (ādaу śraddhā) or “komal” like a small twig plant. Then when one associates with saintly people who are engaged in devotional service to Lord (sādhu-saᅅgo) we get the desire to follow them or follow the path guided by them (bhajana-kriyā). By doing this we come to the stage of getting free from the sinful tendencies (anartha-

nivṛttiḥ syāt) and slowly we move to the stage of building a strong faith (niṣṭhā) on Lord and continue our journey towards love of Godhead.

Srila Prabhupada, I haven't reached this stage of nistha, due to my anarthas which keep disturbing me. But I am sailing in your boat, of whose, you are the Commander-in-Chief and only by holding your words and instructions I can cross the ocean of material existence and reach where you want us to take. By your life example, you have shown us how to cultivate nishtha. I remember it from your initial days of travel to New York when, on the way, you had 2 major heart attacks, but you had full faith in Krishna that you are travelling for His mission so nothing can come in middle. You have written beautiful prayers to Lord Krishna during that time in the "Mārkinē Bhāgavata-dharma":

bhakti nāi beda nāi nāme khub daro

"bhaktivedānta" nām ebe sārthak kor

I have no devotion, nor do I have any knowledge, but I have strong faith in the holy name of Kṛṣṇa. I have been designated as Bhaktivedānta, and now, if You (Krishna) like, You can fulfill the real purport of Bhaktivedānta.

You have epitomized through your life that one should have strong faith in the holy name of Sri Krishna the Hare Krishna mantra which can do miracle in one's life.

Srila Prabhupada, one more realization I wish to share with you.

Once Indra, the King of heaven, was cursed by his spiritual master, Bṛihaspati, on account of his misbehavior, and he became a hog on this planet. After many days, when Brahmā wanted to recall him to his heavenly kingdom, Indra, in the form of a hog, forgot everything of his royal position in the heavenly kingdom, and he refused to go back. This is the spell of māyā.

You have taken the similar role for us, we have done some misbehavior with Supreme Lord and come to this world as human beings and now you are telling us that we are not this body and we are the spirit soul, part and parcel of Krishna, and by chanting Hare Krishna we can go back home back to Godhead, but we are refusing back. This is the spell of māyā.

When Indra got back his body of a demigod, he was shocked at his deplorable life as a hog and was relieved that he had been released from such an abominable condition of life.

Srila Prabhupada, you are so merciful that you have already revealed to us about our original body, but now it is we who have to endeavor to get it back by becoming more serious and sincere.

It is completely unique about, how you personally act in your disciple's life.

Thank you Srila Prabhupada for your blessings to this fallen conditioned soul. Kindly grant me shelter at your lotus feet.

Your aspiring servant,

Rohini Nandan Dasa.

Dear Srila Prabhupada,

Please accept my most humble obeisance at your lotus feet on this most auspicious appearance day

Anniversary of Your Divine Grace.

In the Padma Purāṇa Lord Śiva says

ārādhānānām sarveṣām viṣṇor ārādhānām param

tasmāt parataram devi tadīyānām samarcanam

Lord Śiva explains to his wife, Parvatī, the goddess Durgā, that the highest goal of life is to satisfy Lord Viṣṇu, who can be satisfied only when His servant is satisfied.

This verse clearly states that only by serving the servant of Lord we can satisfy the Lord. As my good fortune that I received the mercy of getting a bonafide guru like you in this contaminated kaliyuga who is cent percent conscious of Krishna always is my greatest achievement.

I am very thankful to you Srila Prabhupada for giving the essence of all vedas,Sastras in just a capsule format which is embedded in the practices that I practice being under the shelter of Your movement. Srila Rupa Gosvami explains in Nectar of Devotion that Devotional service can be practiced by concentrating primarily on one of the items (ekanga) or by concentrating equally on all the items (anekanga).By your causeless mercy today I am able to practice all the items being in the midst of vaishnavas in your movement.

As years passed by I am able to feel the power behind the vani of yourself. The same vani when repeatedly heard again and again gives the conviction that devotional service is the only way to reach our ultimate goal-Back to home, Back to Godhead within this lifetime.

When I look back in my life, I can see the drastic changes that you made in mine just by following the simple instructions of accepting you as my spiritual master and by serving you faithfully you bestowed the transcendental service of serving the Supreme personality of Godhead as Sri Sri Radha Madhav for all time. It's not easy to describe the glories of yourself. I always feel indebted to you forever. Please bestow your causeless mercy so that I can follow the instructions faithfully and stick to your movement forever and serve the movement faithfully with all my mind, intelligence and senses.

Your servant

Sachisuta Dasa.

Satyatma Krishna Dasa

Dear Srila Prabhupada,

Please accept my humble obeisance at your divine lotus feet.

It is your causeless mercy that an unqualified person like me is able to understand the science of God, and that this material world is dukhalayam ashashwatam. With your simplest yet authoritative explanation of Bhagavad-gita and Srimad Bhagavatam, you have driven away all the confusions that were in my mind. I am so fortunate to have you as my Spiritual Master!

I have been feeling your presence more and more off late. By your mercy I am seeing practically that if one is always trying to please you, then naturally you will reciprocate and extend your association. This is your power—that you can reciprocate with all who try sincerely to please you, to serve you. You are not an ordinary guru but an empowered Saktyavesha-Avatara.

The first qualification of a disciple is that one has to strictly follow your instructions. That is not a cheap thing. Without getting a higher taste, how will it be possible? You have given us golokera prema-dhana, harinama sankirtana. The chanting of the Hare Krishna maha-mantra is not a material thing; it is coming directly from the spiritual world, from Goloka Vrindavana. If we take it up seriously we will get a higher taste.

So everything is there in the kirtana of the name of Lord Hari. We simply have to take up the process seriously. You showed us by your example and precepts that chanting Hare Krishna is the only solution, the end and the means.

I humbly pray at your lotus feet that you give me more and more taste for chanting the Hare Krishna mantra. By your mercy even one as fallen and disqualified as I am can make his life's mission a success by being able to remember you at the moment of death.

This world is like a forest fire and the Spiritual Master is just like cloud in the sky. As the forest fire can be extinguished only by water from the clouds in the sky, one can be peaceful and elevated in Krishna Consciousness only by the mercy of a bona fide Spiritual Master. Now I feel the urgency to serve your mission more and more. Kindly grant me the opportunity so that I am able to serve your mission in a more meaningful way.

I humbly request you to keep showering your causeless mercy and give me opportunity to serve your mission with more humility and enthusiasm.

Your insignificant servant,

Satyatma Krishna Dasa.

Respected His Divine Grace A .C. Bhaktivedanta Swami Prabhupada,

Hare Krishna Prabhupada, Kindly accept my sincere obeisance unto your lotus feet.

This is my humble submission to you. This is the seventh year in the Krishna consciousness getting opportunity to express in writing to my spiritual master. Srila Prabhupada, after taking initiation, under your shelter. With the strong determination in this spiritual path, very odd time has passing away by myself.

My inner desire is to become a preacher. To preach your instructions in Hare Krishna Movement. It is going to happen very soon. At least to restart Gita pravachan at Gandhinagar. Gita Life Course and Gita Trainer course have given the knowledge which will help me improve on this spiritual path. Thanks to all the temple devotees whoever taught your messages. Please, guide me to have more strength for attentive chanting. While viewing and listening to your lectures, I am getting inspiration and new enthusiasm to go into the deeper understanding of the Krishna consciousness.

All obstacles and sufferings pass away in Krishna consciousness with your causeless mercy. Some gaps have to be filled up by me in my spiritual path. Hare Krishna Maha-mantra is the only the way of life, this I have understood very clearly.

Prabhupada, please guide me to serve you in better way. Still I am not satisfied with my service unto you as an initiated disciple. Kindly forgive my mistakes in my expression in writing, word, and phrase and in spiritual path. Thanks a lot for this moment.

Prabhupada ki jaya! My sincere Obeisance unto your lotus feet. Hare Krishna.

Yours Obedient Disciple,

Dear Srila Prabhupada,

My humble dandvat pranam at your lotus feet. All glories to your divine grace!

On this auspicious day I seek to praise and glorify our beloved Spiritual Master the cynosure of our humble lives, who is praised and glorified even by Krishna Himself.

In Bhagavad-gītā (9.13) Lord Kṛṣṇa states, “O son of Pṛthā, those who are not deluded, the great souls, are under the protection of the divine nature. They are fully engaged in devotional service because they know Me as the Supreme Personality of Godhead, original and inexhaustible.”

By establishing and spearheading this glorious Kṛṣṇa consciousness movement, you have given us the unique opportunity of detaching ourselves from the modes of material energy and witnessing this material world from the position of neutral observers. This is your unique gift to this world, and especially to your dedicated followers.

From our position as neutral observers, we are able to see how the unfortunate people of this world are constantly harassed by the Age of Kali. Victimized by the highway robbers of lust, greed, anger, pride, illusion, and envy, they are completely unaware of their real identity as spirit souls. Death is lurking nearby, but they can hardly see it, busy as they are trying to pursue their futile hopes of lording it over this world. Day by day, year by year, the situation of this world is going from bad to worse, but the people are blissfully unaware of their predicament because they are cheated by their so-called leaders into believing that their lives are getting better with technological advancement and new political ideologies. This makes accepting Kṛṣṇa consciousness more and more difficult.

As Lord Kṛṣṇa states at Śrīmad-Bhāgavatam 11.20.17:

*nṛ-deham ādyam su-labham su-durlabham
plavam su-kalpaṁ guru-karṇadhāram
mayānukūlena nabhasvateritam
pumān bhavābhim na taret sa ātma-hā*

Here is how you explain this verse in your purport to Śrīmad-Bhāgavatam 4.23.28:

When one wants to cross a large ocean, he requires a strong boat. It is said that this human form of life is a good boat by which one can cross the ocean of nescience. In the human form of life one can obtain the guidance of a good navigator, the spiritual master. One also gets a favorable wind by the mercy of Kṛṣṇa, and that wind is the instructions of Kṛṣṇa. The human body is the boat, the instructions of Lord Kṛṣṇa are the favorable winds, and the spiritual master is the navigator. The spiritual master knows well how to adjust the sails to catch the winds favorably and steer the boat to its destination. If, however, one does not take advantage of this opportunity, one wastes the human form of life. Wasting time and life in this way is the same as committing suicide.

Please continue to keep me in your service and give this useless soul a small space in your boat and help me to cross this ocean of nescience. Your grace and compassion, Śrīla Prabhupāda, are millions of times more valuable than anything money can buy. All I can do to show our gratitude is offer our deep obeisances to your lotus feet millions of times.

Jaya jagat-guru Śrīla Prabhupāda!

Dear Srila Prabhupada,

Please accept my humble obeisance at Your Lotus feet.

I consider this as my great fortune to be able to write my insignificant words in your praise. It is very rare gift of Krishna consciousness that you have so mercifully bestowed upon me making me realize the importance of association with a pure devotee like you. The purity you exhibit in your teachings is itself a testimony of your greatness. You had constantly guided those who seek shelter at your Lotus feet and given them the hope of coming out of this dark material existence.

You have perfectly set out the path of progress in spiritual life for everyone. Your service to Krishna is unparalleled and I wish I could get even a fraction of the quantum of faith that you exhibit while you preach the message of Krishna. Just like Devahuti experienced realization simply by serving Kardama Muni, I also beg for your mercy to continue serving Your Lotus feet to experience similar realization. Since you are in constant touch with Krishna, I wish to be similarly in constant touch with you so that one day I also develop a grain of devotion that you have exhibited. Your significance in the lives of devotees is surmountable and we cannot think of Krishna without seeing you as an interface. Your divine appearance and activities have provided immense opportunity to be blessed and anticipate a life of devotion for me.

As Lord Krishna had protected the residents of Vrindavan from the wrath of Indra, you also have mercifully appeared to protect everyone from the wrath of maya. It is your magnanimity to consider even the dark region of western world suitable for propagation of Krishna consciousness movement, the thought of which itself is frightening. As you have mercifully revealed, that remembering you will yield the same result as one remembers Krishna at the time of death, I find it far easier to remember you than Krishna. The compassion you have shown on all the fallen souls is unmatched and only sincerely following your instructions would be the price for it. Just as Lord Chaitanya blessed Jagai and Madhai, you have chosen to extend your kind service to the millions of such Jagais and Madhais.

Without your help, I doubt that I could walk even one step further in my spiritual life. I constantly beg for your mercy and countless blessings.

Your servant,

Shyam Charan Dasa.

Smita Krishna Dasa

My Dear Guru Maharaja Srila Prabhupada,

Please accept my humble obeisance,

Very long back, in my working days, I got an email content of moral story as follows...Man dreamed that he was walking along in the beach with God. He noticed two sets of footprints in the sand. One belonged to him and the other to God. He noticed that many times along the path of his life there was only one set of footprints in his saddest times. This really bothered him and he questioned God about it, "You said that you will be with me all the times. But I have noticed that during the most troublesome times in my life, there is only one set of footprints. I don't understand why when I needed you most you would leave me alone." God replied, "My precious man, I love you and I would never leave you. During your times of trial and suffering, when you see only one set of footprints, it was then that I carried you."

It was a best of the inspiring ever email in my life before going to join this Krishna consciousness movement. So I was thinking about those sand steps in my life and waiting for situation where I can perceive Krishna's help in my troublesome days.

But Krishna says: In the material world, padam padam yad vipadam. Every step there is danger. Whether we accept or not this world is full of miseries there is no time for happiness unless you realize about your identity as an eternal servant of

Krishna and this human life is meant for finishing all kinds of miseries of material existence. Reviving the lost consciousness of your eternal relation with the Supreme Truth, the Personality of Godhead Sri Krishna and the goal is go to param padam, Vaikuntha, the place where there are no material miseries, not the place where there is danger at every step.

It's purely causeless mercy of Srila Prabhupada on me, Krishna has manifested as my Guru Maharaja (The spiritual master is said "the external manifestation of God.") and lifted me from the danger of life in spite of my ignorance of miserable life which I am going through already and brought me to his movement and guiding me year after year, every step and literally every moment towards purifying my consciousness. I can understand now slowly that My Guru Maharaja is helping me in clearing all my utter ignorance or anarthas, making me ready to face the terrible exam of life at death and achieve the goal of this human life i.e., taking eternal shelter of Supreme Lord Sri Krishna.

Day by day I feel I am a very fortunate soul in this world without any previous pious credits; I was accepted by Guru Maharaja as his disciple, facilitated with in his movement under proper authorities' guidance and nice Krishna devotee's association. Narottama Dasa Thakura says, cakshu-dana dila yei, janme janme prabhu sei: "the guru gives spiritual insight to the disciple, and therefore the guru should be considered his master, life after life". I definitely try my level best to recognize my Guru Maharaja's protection at every moment to save me from the onslaught of maya and try to rectify my mistakes by just following my Guru Maharaja's instructions through the authority structure given by him. This useless passionate person is able to receive your compassion, Srila Prabhupada. I say proudly, loudly without hesitation and doubt that

Savior of whole world Jagad Guru Srila Prabhupada ki Jaya.

Your fortunate Servant,

Smita Krishna Dasa.

Srivilasini Devi Dasi

Dear Srila Prabhupada,

Please accept my most humble obeisances at your lotus feet. All glories unto Your Divine Grace!

It is that wonderful time of the year when the earnest disciples all over the world try to pen down the unfathomable glories of Your Divine Grace with great fervor and feeling and offer these humble homages at your lotus feet. I sincerely pray that a time shall come before long when I get a fraction of that attachment to your lotus feet and develop the eagerness to remember and glorify the incredible qualities and activities of Your Divine Grace and recall them day after day.

The glories of Your Divine Grace and the mission you established cannot be elucidated to one's satisfaction in a count of a few hundred words here. Dear Prabhupada, a few days back, I was recollecting to a devotee about my first visit to ISKCON during my college days. On a class outing one day, we chose to visit a nearby ISKCON and there we had darshan of Their Lordships Sri Jagannatha, Baladeva and Subhadra in the small temple. I was intrigued by that form of the Lord, which I saw for the first time in my life. I remember wondering if the temple was really a 'Hindu temple' and 'Jagannatha' was really a 'Hindu God'. I easily considered that the ISKCON mission must belong to some offshoot Hindu cult. After the very many visits to various of these magnificent temples, it was by the causeless mercy of Your Divine Grace, I reached the abode of ISKCON Bangalore. Ten years have passed, and now I am a 'part' of this very same 'ISKCON cult'! I have realized what wonderful gift we have received from Your Divine Grace – it is the gift of being an adherent of the "sanatana dharma" coming unblemished in the disciplic succession of the Brahma Madhva Gaudiya Sampradaya! Today, just by the mercy of Your Divine Grace, countless devotees, across the world have received the blessing of not only knowing about Lord Jagannatha but also serving Him by worshipping His deity form established in various temples and conducting grand Rathayatras. It is not an exaggeration to exclaim that the Holy dharmas and ancient temples therein have become prominent and well-known just by the earnest effort of Your Divine Grace of spreading this sanatana dharma! Thank you Srila Prabhupada!

As you explain in the Introduction to Bhagavad-gita As It Is, "The Supreme Lord is sanatana, His abode is sanatana dhama, the living entities who are His parts and parcel are sanatana and the only occupation of the living entities is the sanatana dharma. Sanatana refers to "that which has neither beginning nor end." That which has neither end nor beginning must not be sectarian, for it cannot be limited by any boundaries!" Oh! Srila Prabhupada, please pardon my imprudence in making an impulsive conclusion about ISKCON during those days. How could a frog inside the well know the vastness of the great ocean outside! It is only by your teachings have we all received this unparalleled transcendental knowledge and realized our sanatana identities!

In the same book you further explain, "To reclaim all these forgotten conditioned souls back to the sanatana-dhama, the Lord comes Himself by different incarnations, He sends His confidential servitor as sons or associates or acharyas." Dear Srila Prabhupada, what greater fortune could be blessed upon a living entity than to come in touch with Your Divine Grace, who is the confidential servitor of the Supreme Lord! On this auspicious day of appearance of Your Divine Grace, I express my sincere and heartfelt gratitude for being a recipient of this supreme fortune. I earnestly pray that I may always remain chaste to this mission and thereby never become hallucinated by the delusion of any kind of happiness or perfection in life being away from your mission outside the shelter of Your Divine Grace.

Dear Srila Prabhupada, you are compassionately blessing your devotees with opportunities to engage their intelligence, time, body and/or wealth in serving your mission of spreading this sanatana dharma and day by day this glorious mission is growing greater than ever with numerous temples, books, devotees, etc. An unworthy servant as I am, having no qualification to serve you in any way, I intently pray to be a recipient of your causeless mercy, for, there is no other way I shall get the benediction of service unto your lotus feet for at least a minuscule contribution in spreading this glorious mission of sanatana dharma.

Your unworthy servant,

Srivilasini Devi Dasi.

Suhrit Krishna Dasa

ALL glories to my most beloved spiritual master and savior of the whole world and who is very dear to Lord Krishna.

Oh my most beloved spiritual master please accept your insignificant servants most humble obeisances unto your boot.

My dear Srila Prabhupada I would be indebted to you eternally for the gift you have given to me and to the whole world. Srila Prabhupada your every single word is just like the sword for the people who are most fortunate to understand your instruction with all submissiveness. Your preaching work is inconceivable to tiny persons like me. If there is any sublime and unique things in the world, then it is your Krishna consciousness movement. My dear Srila Prabhupada in 2018 we had been to kumbha mela, there I observed the standards of sadhu. Such kind of thousands and lakhs of sadhus are not match with your sincere single disciple .such one disciple can liberate the whole world. When Krishna comes to this material world to do some lilas to attract the fallen souls he brought his eternal associates with him to do wonderful pastimes to attract conditioned soul. Similarly when you did your pastime of giving Krishna prema to innumerable souls, the people who assisted you to do this lila are all extraordinary souls.

My dear Srila Prabhupada, any of your disciple who is strictly following your footsteps, is already in the spiritual world. Srila Prabhupada when I think of your lecturing, joking, seriously instructing, walking, dancing, laughing, boldly defeating so called big persons and non-devotees is simply amazing, no one else can do this. I recently listening your morning walk conversation, there you are walking and preaching to your western disciples.so one of your disciple was asking question and you are very amazingly answering. There one disciple asked you, Srila Prabhupada non devotees are asking that everyone has to die whether devotee or non-devotee, then what is the use of becoming devotee. then you started giving him convincing answer that answer was aah well both devotees and non-devotees die. But the difference is devotees die to not to come to this material WORLD AGAIN THIS IS THEIR LAST BIRTH. They will not come back again. But non devotees

will be coming again and again to suffer here. So immediately your disciple asked then non-devotees ask how do we know that they will not come back again to this material world. THEN, YOU ANSWERED LIKE THIS, "THAT YOU ARE A RASCAL HOW DO YOU KNOW THAT, YOU HAVE TO COME TO MY FEET THEN YOU WILL KNOW." THEN A DISCIPLE ASKED WITH FULL BLISS, "PRABHUPAD HE HAS TO COME TO YOUR FEET OR TO YOUR BOOT." YOU LAUGHINGLY SAID, "PROVIDED THERE IS BOOT."

Such a bold and authentic spiritual master I am having, so long I am under your shelter already I am conquered birth, death, old age, disease. Nothing to bother. Srila Prabhupada please give me strength to follow your instruction and please use me in any insignificant service.

Your most fallen disciple,

Dear Srila Prabhupada,

Please accept my respectful obeisance unto your lotus feet.

Today is very fortunate day not only for me but for the whole humanity. The appearance of a Pure devotee is as special as Lord's personally descending.

sākṣād-dharitvena samasta-śāstrair

uktas tathā bhāvayata eva sadbhiḥ

The spiritual master is to be honored as much as the Supreme Lord, because he is the most confidential servitor of the Lord.

You are very merciful towards us. Because no one can identify a pure devotee and there is no chance to associate and serve him. No one can know a pure devotee unless other pure devotee or lord himself reveals. But in our case you are personally telling to everyone that you a pure devotee. We just have to follow your instructions and serve you. Sometimes I think that devotees who were present at your time are more fortunate. But I realized that we are more fortunate because now we are able to know about you more and can associate with you.

Sometimes instead of seeing my fortune and blessings I see faults and shortcomings. Its like how a bee goes after fragrance but a fly will look for dirt. Please help me so that I can become like bee and count my blessings even in the midst of difficulties and can rise above.

guru-mukha-padma-vākya, cittete koriyā aikya,

ār nā koriho mane āśā

śrī-guru-caraṇe rati, ei se uttama-gati,

je prasāde pūre sarva āśā

My only wish is to have my consciousness purified by the words emanating from his lotus mouth. Attachment to his lotus feet is the perfection that fulfills all desires.

Please always keep me in association of your devotees and engage me in your service. I am very thankful to you for all you have done in my life which I cant repay at anytime. I always want to be in the shelter of your lotus feet.

परम पूज्य श्रील प्रभुपाद ,

व्यास पूजा के पवित्र अवसर पर आपके चरण कमलों में मेरा दण्डवत प्रणाम स्वीकार करें।

व्यास पूजा लिखना मेरे लिए सदैव चुनौती भरा कार्य है। जब से आपका प्रवेश मेरे जीवन में हुआ है ,आपके मिशन की सेवा के अतिरिक्त बाकि अन्य सब कार्य तुच्छ प्रतीत होते हैं।

एक व्यक्ति हमेशा किसी नस किसी को अपना जीवन समर्पित करना चाहता है। हम सभी स्वभावतः सेवक हैं। अंतोगत्वा जीवन का मूल्यांकन इस तथ्य पर निर्भर करता है किहमने किसी और कैसे सेवा की, न कि हमने क्या किया।

अतीत की ओर झाँकते हुए मैं अपने जीवन को भाग्यशाली मानता हूँ कि यदि आपकी अहैतुकी कृपा नहीं मिलती तो सांसारिक व तुच्छ विचारों की सेवा में समय बर्बाद किया होता।कठिन परिश्रम ,तुच्छ उपलब्धियाँ एवं असफलताओं पर पश्च्यताप जीवन का अंग बनता परन्तु शून्य तो हमेशा शून्य ही होता है चाहे कितनी ही बार शून्य को गुणा या भाग या जोड़ या घटाकर प्रस्तुत किया जाय। मनुष्य जीवन की सार्थिकता ईश्वर के साथ अपने संबंध ज्ञान पर आधारित है। कलियुग के इस भयानक एवं बर्बर सभ्यता के अंधकारमय क्षितिज पर आपका प्रादुर्भाव एक दैवीय एवंचमत्कारिक घटना है। दुःख या अज्ञान कितना ही घेहरा क्यों न हो परन्तु आपने जो दिव्या ज्ञान समाज में करुणा एवं उदारतापूर्वक वितरित किया उसके समक्ष नगण्य है क्योंकि कुहरा या बादल का अंधकार सूर्य किरणों के सामने कहीं नहीं टिकते। आपकी पुस्तकों का अध्ययन करते समय ऐसा प्रतीत होता है कि आप आधुनिक युग के व्यासदेव के साक्षात् प्रतिनिधि हैं। गुरु एवं कृष्ण की कृपा से बद्ध जीव के हृदय में भक्ति लता के बीज अंकुरित एवं विकसित होते हैं जिस प्रकार एक नन्हें से पौधे को अस्तित्व में बने रहने के लिए सूर्य का प्रकाश एवं भूमि का आश्रय दोनों आवश्यक हैं। श्रील प्रभुपाद का जीवन आश्रय,आधार व पोषण भी है। आध्यात्मिक जीवन की यात्रा मे मैं अब और अधिक अनुभव करने लगा हूँ की गुरु की वाणी में अटूट श्रद्धा एवं उनके आदेशों को अपना जीवन समझना एक आध्यात्मिक ऐश्वर्य है। फिर भी मुझे ऐसा लगता है कि मैं अपने ही हितार्थ श्रील प्रभुपाद की करुणा नदी से बहुत दूर हूँ परन्तु निराश नहीं हूँ। आज संपूर्ण विश्व आपका ऋणी है जिसे गुरु ऋण कहा जाता है। कहा जाता है की गुरु ईश्वर की करुणा शक्ति का आवेश होता है। यह बात मैं अपने व्यक्तिगत जीवन में कई बार अनुभव कर चुका हूँ। श्रील ए.सी. भक्तिवेदान्त स्वामी के आविर्भाव तिथि पर मैं आपकी कृपा पाचनार्थ प्रार्थना करता हूँ।

आपका शिष्य,

Respected Srila Prabhupada,

I offer humble obeisances unto your lotus feet.

This day of your divine appearance is the most magnificent festival in this age of Kali because no other event has brought about such a spiritual revolution in this age. You descended from the spiritual world to challenge the power of Kali and liberate the masses from its clutches.

Kali-yuga is a very precarious age, dominated by all kinds of vices. People are blindly happy with their own concocted ideas. The whole world is marching towards stark materialism, and even the so-called religion is aimed towards it. People are living in a horrifyingly dangerous situation, just waiting to go to hell. And above that, they are utterly oblivious of their

destiny. The whole world has become so gross and blind. Today everything has become acceptable, socially, culturally, spiritually, and so on. A person enamored by Maya cannot understand what's wrong with the way the world is going on. But when one hears from Your Divine Grace the reality of this sinful world, one gets shaken up in his boots.

In such an era of utter chaos, you appeared as a shining ray of Godhead. You brought the pure message of our constitutional identity and our connection with the Lord. Those who were gliding down to hell are now escalating towards Goloka Vrindavan. This is the greatest revolution. Unless one has received your mercy, it is impossible for anyone to comprehend how rare and utterly important is your mission in this world. The world is indeed in crisis and you are the only hope.

Srila Prabhupada, you have brought the mercy of Lord Chaitanya Mahaprabhu and created a revolution in this world. As Srila Narada Muni says in the First Canto of Srimad Bhagavatam, you have brought about the same 'janatagha viplavah' - "a revolution in the impious lives of this world's misdirected civilization." You have brought the rope of Gaura Karuna and are pulling the living entities out from the drowning flood of hellish existence, and tossing them back directly to Goloka.

The greatest wonder is that even in your physical absence you are acting miraculously. After more than 40 years of your disappearance, your mission is spreading and people are becoming serious devotee of Krishna. This proves that you are indeed a 'Spiritual Master' acting on spiritual platform through your spiritual potencies, and not a 'physical master.' Those who have never met you or were not even born when you were present physically on this planet are becoming serious Prabhupadanugas. This mercy of yours is unique manifestation of 'the spiritual potency', and is a great blow on the face of those who cry for the physical presence of the spiritual master. As you have taught that the real potency of the spiritual master is in making his disciple Krishna lover, and the same we see happening even today with those who come to your shelter. This very fact is enough for one to understand that your physically being there or not being there, makes no difference because spiritual master is the principle and not the body.

You have taught us the real strength of spiritual life, which lies in its simplicity. The essence of that simplicity is to adhere to the instructions of the spiritual master. Just by following your words, we are winning over the influence of Kali. Spiritual life means firmly holding onto the mercy-rope that is coming down from Goloka. A person fallen in the well can be rescued if he tightly holds on to the rope sent from outside. He just needs to hold, and the person outside does the work of pulling him out. In the same way we just need to hold on to your instructions, which are very simple and sublime. And we will be able to see ourselves being uplifted from the dark well of material existence. "This is the secret of spiritual life." Only those who are blessed by Guru and Krishna can understand this and practice it diligently.

Srila Prabhupada, we being the fortunate recipients of this mercy are obliged to spread it far and wide. Please bestow that strength upon me. Please bless me that I become a sincere and humble instrument in your hands. Please bless me that with growing number of years in your mission, my determination, enthusiasm and patience also grow. I become humble in dealing with my God brothers. I become more diligent in my services. I do justice to the divine shelter you have given to me.

Dear Srila Prabhupada,

Please accept my humble obeisances unto your divine lotus feet.

More or less whole population of today's world, is feeling the heat of Kali-yuga. People are suffering severely, mentally as well as physically. Most of them are trying to counteract their suffering by futile material sense gratification. And among others who look for spiritual solutions, majority are misled by bogus philosophers who are flourishing by the blessings of Kali. In such a precarious condition only saving grace for the people of this age is contact with Your Divine Grace.

Just to bestow the causeless mercy upon the fallen souls Your Divine Grace has appeared on this earth. And out of your causeless mercy only you have continued your presence in this world through your books, disciples, temples and many other means. If it was not for you, people of this age would have had no hope for finding out the true purpose, meaning, goal and happiness in life. Your divine grace is picking up fallen souls from across the globe, without any discrimination or prior qualification, to give them the highest happiness by bringing them under the shelter of Krishna.

It is stated in Chaitanya Charitamrita Madhya Lila 19.151:

*brahmānda bhramite kona bhaagyavaan jiva
guru-krishna-prasaade paaya bhakti-lataa-bija*

“Out of many millions of wandering living entities, one who is very fortunate gets an opportunity to associate with a bona fide spiritual master by the grace of Krishna. By the mercy of both Krishna and the spiritual master, such a person receives the seed of the creeper of devotional service.”

It is nothing but your causeless mercy only which has made this most fallen soul, the most fortunate. Your Divine Grace has mercifully engaged me in the service of Krishna in his two transcendental forms: Holy Name and Archavighraha.

My humble prayer unto your lotus feet is: “Please keep me under your shelter birth after birth. Please do not let me move an inch away from your shelter.”

Your fallen servant,

Dear Srila Prabhupada,

Dandavat Pranaam!

It has been quite some time since I have been practising Krishna Consciousness.

I have been chanting daily, doing sankirtana, attending Mangala Aarti, reading your books and most importantly learning mridanga that too in the association of devotees. All this is because of your mercy. I thank you for giving me the strength that I could take part in festival celebrations this time despite so many hardships.

Prabhupada please bestow upon this fallen soul your causeless mercy. Even if I get l-i-t-t-l-e nectar from this ocean of devotion, I would be able to easily pass through maya and directly reach Vaikuntha, and not to come back to this dukhalayam asashvatam.

I seek your blessings for my future endeavors, so that I can easily chant, daily read your books, have devotee association, do sankirtana without losing even an inch of my Faith. I will also not forget Maha Prasadam especially sweet rice! Srila Prabhupada, I am grateful for all these blessings upon Me.

Jai Srila Prabhupada!

गुरुर ब्रम्हा गुरुर विष्णु गुरुर देवा महेश्वरा ।
गुरुर साक्षात् परम ब्रम्हा तस्मै श्री गुरुवे नमः ॥

माता - पिता, समाज, मित्रगण सभी से सुना की जीवन में गुरु की आवश्यकता होती है । लेकिन जब मैं तलाशने निकला एक अध्यात्मिक गुरु को तो बहोत सी तकलीफे और असंतुष्टता महसूस हुई । गुरु की व्याख्या क्या है इसका पता ही नहीं था । गुरु कैसे होना चाहिए ये ज्ञान ही नहीं था और जिसे परिवार ने बताया उसे गुरु बनाना चाहा लेकिन मन न माना । मैं हरे कृष्णा मंदिर आया तो करता था लेकिन बस सिर्फ आकर चला जाता था । एक दिन यहाँ के एक भक्त ने मेरी ये खोज को देखा और मंदिर के ही एक आचार्य के पास मुझे ले गए । वहाँ मैंने कई सारे प्रश्न पूछे ।

मैं ये जीवन क्यों जी रहा हु इसमें नया क्या है, ये भगवान कौन है और देवी देवता कौन है । हमें क्या करना चाहिए और क्या नहीं, किस से डरे किस्से नहीं, क्या खाना है क्या नहीं । क्या ये जीवन सिर्फ पैसे कमाने के लिए ही है या कुछ छोटी छोटी खुशियों को जीने के लिए, जो कुछ ही पल में चली जाती है । मैं क्या साबित करने और क्या पाने के लिए इस जीवन को जी रहा हूँ । उन आचार्य ने मुझे सही राह एक प्रामाणिक गुरु एवं भगवद गीता क माध्यम से बताई । क्योंकि मैं एक ब्राह्मण परिवार से हूँ तो बचपन से ही शिक्षा गुरु की बाटे सुनी थी किन्तु कोई अध्यात्मिक गुरु अब तक बना नहीं सका ।

आचार्य ने बताया की गुरु वो है जो :

- १ धर्म के नए मार्ग न बनाये
- २ जो शास्त्रों में निपूर्ण हो
- ३ जो भगवन का शुद्ध भक्त हो
- ४ जो आपने आचरण से ज्ञान दे
- ५ जो स्वयं को भगवन होने का दावा न करे
- ६ जो सभी को भगवन का भक्त बनाने का प्रयत्न करे
- ७ वो गुरु परंपरा में से होना चाहिए

मैंने हरे कृष्णा मूवमेंट को ज्वाइन किया और वहाँ चल रहे “गीता लाइफ कोर्स” से जुड़ा वहाँ मैंने गीता के सार का ज्ञान लिया और जीवन में बदलाव आया । मैंने श्रील प्रभुपाद, आपमें मैं एक आद्यात्मिक गुरु को पा लिया और आपकी शरण स्वीकार की । आज मैं आपके द्वारा बताए चार सिद्धांतों का पालन करता हु । जो प्रश्न दिमाग में थे उनका उत्तर गुरु क माध्यम से मिल गया और जीवन में शांति एवं खुशी आ गई । आपने बताया की भगवान तो सिर्फ श्री कृष्णा है और कैसे उनकी भक्ति में आगे बढ़े जिस से हम फिर से हमारे घर गोलोक तक पहुंच सके । आज मेरे गुरु की कृपा से ही मुझे ये मौका मिला की मैं भगवान को जान पाया जीवन जीने का मतलब जान पाया । जीवन में किसी भी परिस्थिति का सामना करना आसान हो जाता है यदि गुरु की कृपा हो । गुरु ने हमारे भोजन को भगवान का प्रसाद बनाते सिखाया जिस वजह से हम अपनी जिह्वा पर नियंत्रण रख सके । श्रील प्रभुपाद आप न होते तो शायद ये जीवन किसी जानवर की तरह हो जाता । आपने हमको जन्म मृत्यु जरा व्याधि से बहार निकलने का रास्ता बताया जिसका हम अभ्यास कर रहे है और आपकी कृपा मिलती रहे ये प्रयत्न करूँगा । आपको सात सात नमन आपने मुझे गुण और कर्म से भी ब्राह्मण बनाया ।

हरे कृष्ण,

जगद्गुरु श्रीला प्रभुपाद के हरे कृष्ण मूवमेंट में जुड़े हुए आज मुझे 2.5 साल हुआ है ।

गुरु महाराज के श्री चरण कमलो में मुझे भक्ति और ज्ञान की शिक्षा प्राप्त हुई है । जिसके बिना मनुष्य का जीवन व्यर्थ है । आज तक मैं अपना जीवन भौतिक वस्तुओं की प्राप्ति के लिए जीता था, परन्तु मेरे जीवन में गुरुजी के आने से जीवन का असली उद्देश्य पता चला है । और आज मैं इन 2.5 साल में 16 माला का आश्रय लेकर 16 माला कर रहा हूँ ।

यदि प्रभुपाद न होते तो यह जीवन होता कैसा! यह टाइटल मेरे लिए है क्योंकि गुरु महाराज के श्री चरण कमलो में आने से मैं आज एक मकान पर हूँ । जिसकी मैंने कभी कल्पना भी नहीं की है । यह गुरुदेव और भगवान श्री कृष्ण का आशीर्वाद है ।

गुरुदेव आज मेरे साथ नहीं हैं, किन्तु वो अपनी पुस्तकें और उनके प्रवचन के माध्यम से वो मेरे साथ ही हैं । आज उनके आशीर्वाद से मुझे इस धरती पर आने का सही मकसद क्या है, यह पता चला और मैं यह जन्म मृत्यु चक्र से निकलकर गोलोक वृन्दावन कैसे जाकर श्री कृष्ण की सेवा कर सकता हूँ ।

हे गुरुदेव! अपनी कृपा हमेशा इस दास पर बरसाए रखना यही विनती है।

Bhakta Akarsh Dixit

Respected Srila Prabhupada,

Please accept my humble obeisances.

Before I came in touch with Krishna Consciousness, there was some kind of depression filled with darkness which was consuming me and driving me more and more towards ignorance. But one thing I can say for sure, that if not for you, I would have gone to the deepest pit of hell. That would have been my final fate if I would have not come in touch with your movement. I am thankful for the guidance you gave me.

I am so entangled in the material world. I want to come out of it and want to be a good disciple of yours. I have learnt little from reading and want to improve it. So forgive me for not being attentive in your classes.

My life in FOLK has been very much enjoyable. I thank you for everything that has happened so far. I find it really impressive about the changes that have come inside me in the past half year. It was impossible without your movement. I have become a better person by your grace. Finally, I fervently request you to please tell me what is right and give me the strength to do what is right in all situations especially in my darkest times.

Thanking You.

Your servant, Bhakta Akarsh Dixit.

Bhakta Amiraj Vala

Dear Srila Prabhupada,

Hare Krishna. My life has certainly transformed and you been an inspiration for every vital activities, one should perform. I felt lazy to wake up in the morning before I came to know benefits of it and before coming in touch with your books and the association of your devotees at the Hare Krishna temple, Ahmedabad. Now I can wake up at 4:00 a.m. the same person who used to be up at 7 or 8 or maybe 9. Your life journey is seriously a booster motivation for many and especially for me. I came to know that there are ups and downs in life and one must not be afraid of it but fight against the odds and tackle the situation. The very principle of accepting the circumstances as it is and believing that whatever god is doing is for our long-term good.

Who am I? What is the purpose of my life? Why I have taken birth in a place full of struggle and miseries? These are very hot striking questions of which I could not get a satisfying answer, but after adding Krishna consciousness in my life I got to know what I am supposed to do and the role of spirituality and its concept. The actual thing which I understood is that why there are many Gods and Goddesses, and there is one who must be the supreme and others are His subordinates. I got the answer here that the Supreme Personality of Godhead is one - Krishna the master of all entities. I also like that you practice the principles and then advise others to follow which is not done by many; instead they advise others; but they don't follow.

Actually speaking I have recently come in touch with Krishna consciousness say just before 25 to 30 days and very little in college when we had sessions by the devotees from the temple but I have been focusing seriously after coming to this FLIGHT internship and this process is satisfying. I came to know many principles of absolute truth which I wasn't aware of and I think that is all possible because of Krishna and the pure devotees. From now, I'll continue to practice. Thank you Srila Prabhupada because it is you and the acharyas who made the process simple and easy and Chaitanya Mahaprabhu by being merciful showed us this path to the ultimate.

Your servant, Bhakta Amiraj Vala.

Dear Srila Prabhupada,

Please accept my humble and respected obeisances unto your lotus feet. All Glories to Guru Gauranga.

Srila Prabhupada, you have bestowed your causeless mercy upon this useless soul, though I am not worthy to receive it. Srila Prabhupada, you have showed us a way to live a life of "Simple Living and High Thinking". People are suffering and rotting in the streets not believing your words and the words of shastra. Because people have got accustomed to rotting in the streets they don't even realize they are suffering. God has given us intelligence and by using that intelligence we can go home - back to Godhead. But instead of trying to follow what Krishna asked us to do, we are using that very intelligence to deny the existence of Krishna (God) and are happy being in this material world thinking this to be the ultimate one. I was also like one of them rotting in the street but you have picked me from the gutter and made me understand that this is not my constitutional position; instead my constitutional position is to be a servant of Krishna.

Prabhupada you have come over here in this material world to shower your causeless mercy upon these fallen souls. Please Prabhupada, never ever leave me. And bestow your mercy so that I can be able to gamble one life for Krishna. Prabhupada I am begging you, please allow me to serve you, allow me to join Lord Chaitanya's movement and give this life for this movement. Jaya Srila Prabhupada.

Thank You.

O my dear Srila Prabhupada ,

Kindly accept my humble obeisances to you.

Thank you Srila Prabhupada, for giving the shelter of Krishna Conscious Devotees to a fool, ignorant person such as me who is always deluded by the trick of Maya and material attachment.

Dear Srila Prabhupada, just like a father gives shelter to his ignorant child, I am so fortunate to have your Divine Grace as my spiritual father. With immense feelings, I offer my humble obeisances to your lotus feet with great awe and reverence for the gift of Divine Shelter that you have given me. I would like to thank you for all the mercy that you have bestowed upon all the three worlds by distributing the holy name of Lord Sri Krishna and Radharani, for which you have personally descended from the Supreme Abode of Sri Krishna, 'Goloka-Vrindavan'. I am completely yours. I cannot imagine a life bereft of your godly shelter. I was totally drowned by Maya and was misidentified by the veil of illusory material energy. As a deluded soul I was roaming in this material world bereft of the ultimate goal of life and every moment being anxious about sense gratification. I was living such an animalistic and criminal life but through your causeless mercy you have enlightened my darkened heart with the nectarian Holy name of the Lord,

"Hare Krishna Hare Krishna Krishna Krishna Hare Hare

Hare Rama Hare Rama Rama Rama Hare Hare"

You have filled my heart with the aroma of the Holy name. Whenever I chant the Holy name of Lord Sri Krishna, through your mercy, my heart beats fast and darshan of the kind gentle smile on your face fills my heart with great ecstasy and enjoyment and it seems like the king of this three worlds is drowning all the devotees in unforgettable nectarine joy.

Only under the shelter of your lotus feet I can become more humble, sincere and can chant attentively and do devotional service with firm attitude, always remembering my position as your servant. Bestow upon me the association of your devotees, so that I can try to follow your divine footsteps.

I think the Vaikuntha of my life is to serve your lotus feet eternally.

Aspiring for service unto your lotus feet,

Bhakta Aniket Krishnakant Panchal.

Dear Jagat Guru Srila Prabhupada,

Please accept my most humble obeisance at your lotus feet, and kindly forgive my offences.

It is very rare when a truly great soul descends to this world to reclaim the fallen conditioned souls. That personality would need to be especially empowered by the Supreme Personality of Godhead. Srila Prabhupada, you are truly this amazing personality, empowered by the Supreme Lord Krishna, coming directly from the spiritual world Goloka Vrindavan. By your incredible potency, you reclaimed and inspired so many souls to perform devotional service. We appreciate your unique position in the modern world as its foremost savior.

As I was born in a typical Indian religious family we all are confused about the Supreme Personality of Godhead. Why we here in this material world etc., such questions are in my mind but I never get a satisfactory answer. With the Prabhupada mercy, only Prabhupada disciples approached me and like a touchstone, they changed my life.

As after stating the Nama Japa I started feeling that I am becoming spiritually stronger. Thus, I realized the importance of Nama Japa. As I was doing other spiritual activity like reading spiritual books i.e. Bhagavatam etc., but without Nama Japa

hence I do not have that power to implement that teaching in life and not a clear goal but after Association on Prabhupada and its disciples with Mercy of Bhagavat Nama. My firm spiritual journey started on a perfect path.

My all questioned answered, and realized that the purpose of life is to serve the Radha Madhav. With your mercy, I am trying to achieve the perfection of life.

With your causeless mercy only, one day I will become an Instrument of Spiritual Master.

Please forgive my constant offences and bless me that I may serve you completely.

Your unworthy aspiring servant,

हरे कृष्ण,

कृष्णकृपामूर्ति श्रीमद् ए सी भक्तिवेदांत स्वामी प्रभुपाद को मेरा कोटि कोटि नमन। व्यास पूजा के अवसर पर साल में एक बार जब यह मौका आता है, तब पता चलता है कि हम " मैं और गुरुजी" और करीब आ गए हैं। श्री राधा माधव मंदिर से जुड़े हुए 3 साल से अधिक समय हो गया है। प्रभुपाद श्री की कृपा से चल रहे हुए हरे कृष्ण मूवमेंट के जरिए जो भी आध्यात्मिक लाभ मुझे मिलता है वह समय के साथ बढ़ता ही रहता है। इस भौतिक जगत में प्रकृति के तीन गुणों के अधीन मैं जो भी संघर्ष करता हूं, उसका उपाय, मुझे लगता है, मंदिर की तरफ से जो कृष्ण भावना अमृत का ज्ञान मिलता है वही है। प्रभुपाद जी के बताए गए रास्ते में जो भक्ति कीर्तन सेवा और ज्ञान श्रवण से मैं लाभान्वित होता हूं, जो मुझे शास्त्रों के बारे में जानकारी लेने हेतु सहायता करता है। शास्त्रों के बारे में जानने के बाद भगवान श्री कृष्ण को जानना, उनके साथ हमारे संबंध को जानना और आसान हो गया है। कुछ भौतिक बंधनों की वजह से मैं हफ्ते में एक बार ही मंदिर आ पाता हूं। लेकिन अगर किसी कारणवश मंदिर ना आ सका तो guilty feel होती है और पूरा सप्ताह ऐसे ही जाता है। फिर भी प्रभुपाद जी की कृपा से उनकी लिखी पुस्तकें पढ़कर आध्यात्मिक उन्नति होती रहती है। गुरु जी हमें आशीर्वाद दीजिए कि हम निरंतर कृष्ण भक्ति में लगे रहे।

हरे कृष्ण हरे कृष्ण कृष्ण कृष्ण हरे हरे॥

Dear Srila Prabhupada,

Please accept my humble obeisance unto your lotus feet.

By your grace I came into folk this year and also I came in contact with Krishna consciousness. By reading your books the misconception which arises in my mind got cleared and I have got new perception. Doing services and listening kirtan and being a part of kirtan gives relaxation to my body and mind. By your humble, very polite and helpful disciples I have come to a neat and clean situation in my life. I seek your special mercy and guidance in upcoming days.

I beg you for giving me personal protection in the crucial situation in my life, so that I follow Krishna consciousness uninterruptedly throughout my life.

Thank you.

Your servant, Bhakta Anshul Gupta.

HDG Srila Prabhupada,

Please accept my humble obeisances,

It's been more than two years since I got associated with Hare Krishna Movement but still I find it hard to believe that I have been chosen for being bestowed the limitless mercy of the Supreme Lord in the form of Chaitanya Mahaprabhu & Srila Prabhupada.

As days pass by practicing Krishna consciousness, we realize & start experiencing the things that we read in Prabhupada's books, that material life is actually an illusion & falsehood, and only by connecting with the Supreme Lord in the form of chanting, in the form of reading his instruction from the B.G., in the form of hearing his glories from the Bhagavatam do we feel this illusion beginning to fade away and real picture beginning to take form.

It is a feeling difficult to express in words. But as I have started to experience this reality, there is an immense feeling of joy and my gratitude towards my spiritual master Srila Prabhupada has increased manifold.

For it is only due to Prabhupada's tireless efforts that this transcendental knowledge could be accessed by a fallen & undeserving soul like me.

I am indebted to Srila Prabhupada for life. It's impossible to repay what I have received, but at least I can resolve to follow Prabhupada's instructions with utmost sincerity all throughout my remaining life.

This is the least I can do to express my gratitude to my spiritual master.

Your Servant,

Bhakta Anurag Thakral.

Bhakta Arpit

Dear Srila Prabhupada,

All glories to your divine grace! When I was brought in contact to you, I was astonished of the fact that how could a person be so selfless and devoted to the Supreme! Then I started trying to follow your instructions. I was so much sure that I won't let this rare opportunity go away from me. But by the will of the Lord or my karma, I have got stuck in the whirlpool of Maya. I am degrading day by day. I am not able to get that eagerness to have darshan of lotus feet of the Lord nor to hear

about Him inquisitively. I am just being slackened tightly by Lord's external energy Maya Devi. Please Prabhupada, get me out of this. Whatever it may come, I don't want to be here anymore. Although having gained little knowledge of your teachings, I am just deprived of your association. Please bless me with your causeless mercy.

Yours servant, Bhaktha Arpit.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to Srila Prabhupada.

Life has never been better than it is today after taking the shelter in your house. Even though I am still young, in last few years before coming in touch with your movement, by your causeless mercy, I had the fortune to see, what dreadful turns the material life can take. After coming to your temple it's not as if the pains of material world have disappeared but it doesn't have much effect on my mind due to the transcendental knowledge given by you.

Once as I was reading your pastimes when I came across an article which was an interview with Sripad Hridayananda Babaji Maharaj, as follows

Sripada Hridayananda Babaji Maharaja was born in Radha Kunda and has been a pujari for 78 years. He lives next to the Radha Damodara Temple. At the beginning of the interview, upon being asked if he knew Srila Prabhupada, Babaji Maharaja began to cry, "Never have I seen anyone do sadhana like he did. I have lived all my life in Vraja and I have never seen anyone like him. Prabhupada did many arduous things, he worked very hard there at the Radha Damodara Temple. At that time it was austere, undeveloped, and very muddy and dirty with no facilities."

"Many years later, when I heard that it was actually he who had been chosen by Chaitanya Mahaprabhu to spread the Hare Krishna Maha-Mantra around the world, I was not surprised."

"Prabhupada spread this Krishna consciousness by the mercy of Rupa Goswami. Prabhupada used to pray to Rupa Goswami, "You please give me your mercy." And then he got that mercy. I know this because I saw some things he did at the Radha Damodara Temple. My room is still located in the same place as it was then, in 1964 or '65. Many times in the middle of the night, at midnight or 1 or 2 in the morning, I would hear a voice crying from inside the courtyard by Rupa Goswami's samadhi mandira. That voice was calling out and crying but I did not know what it was because I was trying to take rest. But one night, on the full moon, I heard that voice again, so I climbed up to the roof of our house and looked down into the Radha Damodara courtyard.

I saw something very amazing. Srila Prabhupada was sweeping the courtyard of Rupa Goswami's samadhi. He was bending down with a small broom and as he swept the ground by the samadhi, he was crying out, "He Rupa! He Sanatana! He Gurudeva! Please give me your mercy. Without your mercy I cannot do anything. Give me the mercy. Give me the strength that I may fulfill your orders." Then, I realized that it was he who almost every night was calling out as he was sweeping like this."

At the end of reading the above pastime, there was a voice in my heart, it felt

THIS IS IT, THIS IS IT He is the one....If there is ever a person whom I should serve, then it is you & only you Srila Prabhupada.

I realize that a person of my character is really unworthy of stepping in your house, but still you have given me shelter in your temple, which is more than what I could desire, an opportunity to the Holy Name, to be able to serve & be in association with Vaishnava's and serving you with whatever little services I could perform unto your lotus feet & to your mission. Thank you so much Srila Prabhupada. Srila Prabhupada Ki Jay!!!

Your unworthy servant, Bhakta Ashish Patel.

Dear Guru Maharaja,

Please accept my respectful obeisance. All Glories to Srila Prabhupada.

Technology certainly advanced. But still the answers to you purpose of life are not being solved by it. The only solution in the words of guru within the parampara who spends the absolute truth as he has heard it form in his guru. We looking to you to help us in our path towards Goloka Vrindavana in the midst of the turmoil of kali-yuga.

Your example and vision of Krishna consciousness is assisting so many people to look for ways to re-spiritualise this world. There are so many fake spiritual leaders taking people's money and freedom of mind, but if people are truly seeking spiritual life with its austerities they will find the purity and dedication of leaders like you.

What can a spiritually bankrupt person like myself offer you? Who have nothing, except the debt I can never repay to you guru Maharaja. Its my own fault that I have distanced Myself somewhat from your Beloved Krishna consciousness movement because of things that in my immaturity, I cant understands it's still the best thing going.

Please bless me that I am emerge form there doldrums with a strong wind of enthusiasm to blow me to kingdom come. By your grace alone can I rise above my material qualities and reemerge to sparkle as a spark of his splendor.

Your servant,

Bhakta Ashish Shrimali.

Dear Srila Prabhupada,

Please accept my humble obeisances.

There was a time when I was a materialistic person simply absorbed in sense gratification. Still I am the same but now I am living a materialistic life along with a lot of true knowledge which I gained from your teachings, books and most importantly through Krishna consciousness movement. This knowledge will definitely help me to progress in my spiritual as well as material life. Honestly speaking you are the reason for my new birth; you are the reason for my spiritual life.

When I was living in FOLK I came in contact with a lot of devotees, they taught me many new things and made me a completely different man - a man with good habits, a man with love in his heart for Lord Krishna and a man with true knowledge. The guidance of these devotees is always helpful for me. Their guidance is a source of motivation for me in my spiritual as well as material life. There are lots of ups and downs in my spiritual life but I promise you that I will follow the path that you have showed me and will give my best to progress in spiritual life.

I beg you to kindly forgive my offences and continue to bless me so that I can overcome all the obstacles which may come in my path. Jai Srila Prabhupada!

I was born in the darkest ignorance, and my spiritual master opened my eyes with the torch of knowledge. I offer my respectful obeisances unto him.

I do not know how to begin.....Oh Lord Nityananda, kindly be gracious to me, for I do not have the qualification to approach Srila Prabhupada's lotus feet. My lord and Master, Srila Prabhupada, is but a manifestation of Yours. By Your causeless mercy, Oh Lord, my Spiritual Master appeared in this world to relieve the suffering of all living entities. Who can be more fallen than me! In spite of understanding so many instructions on spiritual subject matters, I continue to enjoy this material world. I perform all offences while chanting the Hare Krishna Mahamantra and my deviant mind does not rest for a minute on the Lotus Feet of the Holy Names emanating from my mouth. I have no attraction for the Holy Names. What misfortune! I know very well that this is due to my not serving the lotus feet of my Spiritual Master and all Vaishnavas with utmost devotion. When will my stone-like heart melt upon hearing Your sweet names which are like nectar. Therefore, I humbly submit to Your Lotus Feet and request You to kindly provide me with required intelligence to glorify my Guru Maharaja on the auspicious day of his advent.

Oh Srila Prabhupada, you are the commander-in-Chief of Lord Chaitanya's army which is going to destroy all nescience and establish true love for Godhead in this Kali Yuga. You had mercifully advented on the auspicious day of Nandotsava. In the Caitanya-caritamrta the Lord Himself predicts "Prthivite ache yadi nagaradi grama, sarvatra pracara hoibe more nama" (translation: "My holy name will be chanted in every town and village"). Srila Prabhupada, you have fulfilled that prediction by your factual accomplishments. Great acaryas like Srila Bhaktivinoda Thakur Prabhupada had also predicted your arrival. What more can be said? Before your arrival, there were several places of pilgrimage restricted mostly to India but the imprints of your lotus feet sanctified the whole world where ever you went. It is said that places of pilgrimages sanctify the sinful persons visiting there but pure devotees such as yourself sanctify even the places of pilgrimage. It is actually a fact that wherever there is a pure devotee of the Lord, that place becomes a pilgrimage. Your glories are limitless and cannot be described by a fallen soul like me. I can only describe but a mere speck of dust of the Sumeru mountain-like glories of yours. You are carrying out the order of Lord Gauranga and Lord Nityananda and are very dear to their Lordships. Lord Nityananda holds the treasure-house of Love of Godhead and you are his manifestation and have now appeared with the key to openly distribute that love of Godhead.

I am most fallen. Your mercy has spread far and wide to all fallen living entities but why have you ignored me my Lord? What misdeeds have I done, to not have the shelter of your lotus feet? Only by your causeless mercy can a wretched soul like me be saved and ultimately get the dust of the lotus feet of Lord Nityananda and Lord Gauranga. I say this because I cannot even imagine how to develop love for my Lord Krishna. Since I am most fallen, my request is even more urgent, for you have come to execute the order of Lord Chaitanya which is to freely distribute love of Godhead without any consideration even to the most fallen. Just as Lord Nityananda had mercifully saved Jagai and Madhai, kindly bestow your mercy upon me so that someday I may obtain the shelter of Lord Krishna's holy names and shed incessant tears as I chant and get inundated into the ocean of Love of Godhead.

Respected dear Guru,

His Divine Grace A. C. Bhaktivedanta Swami Prabhupada

I offer my respectful obeisance unto all the vaishnava devotees of the Lord who can fulfill the desire of everyone, just like desire trees, and who are full of compassion for the fallen soul.

O my Guru you have given so nice opportunity to serve in your organization and pray Lord's lotus feet by chanting his holy name as great Maha-mantra

*hare krishna hare krishna krishna krishna hare hare
hare rama hare rama rama rama hare hare*

But we fallen souls can't understand this Rasa (रस) and thus try to find happiness in this material world. Please help us to understand this beautiful spiritual life, where Lord himself says, "I am there with you anytime, anywhere for everyone whenever the soul requires."

My humble request to you Gurudeva, "Please give shelter to this fallen soul who has lost his intelligence and forgot the most wonderful great life of spirituality."

Not more but at least please give blessings to be in touch with your lotus feet & serve your devotees.

Yours servant, Bhakta Bhagyavan J Shetty.

Dear Srila Prabhupada,

After coming in contact with Srila Prabhupada's Hare Krishna Movement and the devotees at Hare Krishna Temple, Bhadaj, lots of changes occurred in my life ;

I have started to offer prayer daily to Sri Sri Radha Madhav as a routine. This gives me peace of mind. In study my focus and concentration has improved significantly, and in turn my power of understanding the subject has increased.

My view and belief towards goal pertaining to my career have got a great positive boost. I am performing better day after day by the divine grace of Srila Prabhupada and Sri Sri Radha Madhav.

Being a servant of the Supreme Lord I experienced best result in my performance among the peer group. I am not consuming onion, garlic ,tea and coffee. I am keeping fast twice every month on the occasion of Ekadashi ...

I am performing prayer, aarti and offering all bhoga preparations to Sri Sri Radha Madhav prior to consuming it. I am enjoying Harinam sankirtan.

During last Dipawali we visited Vrindavan; on the occasion of Govardhan puja we did parikrama of Govardhan parvat by walk, without any problem. It is all due to the grace of Srila Prabhupada and Radha Madhav.

I am thankful to Srila Prabhupada for having such a wonderful arrangement in terms of Hare Krishna Movement, and the qualified disciples which helped me understand the purpose of life. The preaching helped me to set my goal, boost my confidence, and helped me understand that Karma has to be executed as per the defined path.

I shall be ever obliged to Srila for having such a wonderful arrangement which helped me to determine my carrier goal I am moving towards achieving goal with strong belief in Sri Radha Madhav support as well karma that is by studying ...

Dear Spiritual Father, Srila Prabhupada

Please accept my humble obeisance at the dust of your lotus feet. On this most auspicious day of Vyas Puja, let me pen down my thoughts & feelings for you.

Srila Prabhupada, I can recall the day when I came in touch with you, although that time I could not gauge the value of Krishna consciousness due to immaturity, today after spending several years in Krishna consciousness I feel very fortunate thinking what a priceless jewel of Krishna consciousness you have given me despite having no qualification. Before coming to Krishna consciousness I had affection for Krishna but I didn't know how great Krishna is? What is my relationship with him? But after coming in touch with Krishna conscious philosophy & reading your matchless books I got all the answers which I had been looking for.

Many times I come across people who argue that what is the need of Spiritual Master or a Guru between a living entity & Lord? And my stand for them is "Just as we can't cross the fierce river without the help of a boat or a bridge, similarly, we can't attain the Lord without the help of a spiritual master. Spiritual master acts as a bridge between jiva & Krishna.

Srila Prabhupada, when I remind myself of your journey to the West and the struggle you encountered to establish Krishna consciousness movement, It makes me think how merciful you are!! How affectionate you are!! Just like a caring father you are helping the condition souls to come out from the whirlpool of this material world.

Srila Prabhupada I would like to offer a small composition in your glorification.

"Meat eaters to Mridanga Players,

Gamblers to Gauranga Lovers.

Perfect drunkards to Perfect Chanters

& Hippies to Happy.

You transformed everyone from bottom to top

All thanks to my beloved Spiritual Master, Srila Prabhupada"

Your purity and graveness have attracted many millions of people towards Krishna and by your grace, all those could know the real goal of Life that is to go back to Godhead.

Srila Prabhupada, my only prayer to you is that please never make me aloof from devotees and yourself. As a conditioned soul, I get the drive away by the illusory energy of the lord but please always make me remind that I'm eternally Krishna's and my duty is to serve Krishna. Please shower your mercy on me so that I can make progress on the path of devotional service & can serve You, Sri Radha Madhav & all Vaishnava devotees.

Thank You Srila Prabhupada.

Dear HDG Guru Srila Prabhupada,

Please accept my most humble obeisances.

On this auspicious day of Vyasa Puja , I have come with this offering just to worship you, remembering your goodness, the appearance day of my beloved spiritual master, am filled with a sense of gratitude and very nostalgic. I cannot imagine

where my life would have been today, if you had not appeared and blessed me and my wife Radhika with your divine benediction.

The fact that you have always resided in my heart, since I have come in touch with ISKCON and HKM, and have been my most constant friend and guru, well-wisher, even without your physical presence, proves our eternal relationship with you. So many friends and family members have come and gone in my life, but you have remained in life, have touched us so deeply, to have received your mercy and it has caused me to be even more grateful and appreciative of your blessings for awakening a fallen soul like me.

You are present in your preaching, your books and instructions, few I studied, but lot to study and learn more as well. Though I have taken 2nd level ashraya and eager to move forward but due to my job and services, there are constraints in taking up higher levels of ashraya at this moment, but will strive for it. I have opted and invited Sri Nitai Gauranga to my house, where in the lordships came-in without any difficulties, leading me to do better in deity worships and concentrate in bhakti & serving the lordships, with whatever the possibilities that I can render.

Kindly forgive my offences if at all done knowingly or unknowingly.

Seeking to remain forever in Your Divine Service...

Your servant,

Dear Srila Prabhupada,

Please accept my humble and respectful obeisance unto your lotus feet.

I am very much thankful to you for showing your mercy and giving me the opportunity to follow Krishna consciousness. It is just by your causeless mercy that I have come in association with Hare Krishna Movement, your devotees, stayed in FOLK to practice sadhana and live saatvik life so as to drive my life along with a spiritual dimension.

O master! FOLK was the best phase of my life, during which I have practiced my sadhana to the best. With the growing pressure in my Job and PhD studies, I am literally struggling to chant Hare-Krishna mahamantra on a regular basis and to read your books. However, I strongly desire to chant and read your books when I get a breathing time in my schedule. By your blessing and with the unalloyed service of your devotees, I am still nicely associated with the temple, chanting, prasadam, festivals and ecstatic kirtans.

By Krishna's and your mercy, I got married this year and I am really blessed to have her Krishna conscious. O master, please give her a shelter of your lotus feet so that we can chant, practice Krishna Consciousness and grow spiritually together and follow the life of an ideal grhastha.

Once again, O master I am very thankful to you for giving me an opportunity to live a Krishna conscious life. With this short note and respectful obeisance, I end my homage offering. Hare Krishna!!

Yours sincerely,

Bhakta Brijesh.

Dear Srila Prabhupada,

I offer my humble obeisances unto you, my Spiritual Master.

I am thankful to you for starting this Krishna Consciousness Movement in this Age of Kali wherein, souls like me are misguided and looking for answers to where this life will lead us. I am grateful to you for accepting me in your shelter and guiding me through your books and recordings. I humbly request you to help me remember your teachings and instructions, and follow them in day-to-day life. I am grateful to you, for choosing me as your servant. Please help me by providing me the will to complete 16 rounds of chanting Hare Krishna Nama Prabhu daily. I thank you for enlightening me when I have fallen again and again in the trap of Maya and have gone astray from my duties. I have surrendered unto Lord Krishna and ask him daily to guide me in my life. I am very nervous of my life ahead and I request you to stay by my side for support so that I can fulfill my duties to the Lord.

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet. As I am writing this year's Vyasa Puja offering, I feel myself very blessed for this. Before coming to the temple I had lots of confusions about myself, my life and the whole world. But after coming to your lotus feet, I have realized that a lot of things are changing in my life. I have realized all the bad things that I have done and from now onwards I am not going to repeat the mistakes again. Here at the temple, I experience a superior happiness inside me and I believe that the best way to be happy in life is to lay down the whole life at your lotus feet. I feel very thankful for giving me this opportunity and I will continue to join all your holy activities. Please keep your blessings upon me and my family. I also wish to join all your activities and become a particle of dust in your lotus feet .

Dear Srila Prabhupada,

I offer my respectful obeisances unto your lotus feet.

Firstly, I want to thank you for accepting this fallen soul as your disciple, and giving me Krishna Consciousness. I am not qualified to chant the Holy names of Lord Krishna or know about the Supreme Personality of Godhead Lord Krishna. But it is only your causeless mercy, that this unqualified, fallen soul came to understand Krishna Consciousness. Oh my master, only a pure devotee of Lord like you can do such a magnanimous task.

Oh Prabhupada, you have made big family of Krishna's devotees all over the world and I am thankful to you for making me a part of it. Before coming to Krishna consciousness, I was a fallen soul from millions of births. But by your mercy, I have

become fortunate to come to the platform of Krishna Consciousness. I came in touch with your Hare Krishna Movement one and a half years before, by sincere devotees of Lord and earnest disciples of yours. When I came to know about you and your movement I was just amazed, that how one person can do such an impossible task. Oh master, thank you so much for spreading the message of Lord Krishna all over the world, in such a simple way, so that fallen souls of this age of Kali can understand it easily. Gradually I came to know about the transcendental knowledge of Krishna consciousness and it was an amazing experience. Only you can make me meet my eternal father Krishna. By your mercy currently I am chanting 16 rounds of Hare Krishna Mahamantra every day.

Every word spoken by you is a great transcendental vibration. Those who continually associate with you, by hearing your tapes and reading your books, throughout the day, are the most fortunate beings in the universe. I love to hear your powerful voice as you smash the rascal materialistic people in your lectures.

*shri-guru karuna-sindhu, adhama janara bandhu
lokanath lokera jivana
ha ha prabhu koro doya, deho more pada-chaya
ebe jasha ghushuk tribhuvana*

Oh Prabhupada, please fix me as one of the dust particles on your lotus feet. Only by your mercy I can understand the transcendental form of Sri Sri Radha Madhav. Oh Lord, please be merciful unto me, and bless me, so that I can progress more and more in Krishna Consciousness and I can attain pure divine love for Lord Sri Krishna.

Dear Srila Prabhupada

Please Accept My Obeisance and Respect.

You are the exceptional spiritual personality I have ever seen in my life. Still, whenever I visit mandir, I feel your real presence. Whenever I offer dandavat, it seems you have put your hand on my head and are showering blessing upon me. If we devotees want to study about your life, then we should read your books. We can understand You and Krishna by reading your books. Whatever I have written, I have seen in you. These books have always been an inspiration to me in my various situations of life.

Now talking about my journey. When I was about two years old, my grandparents used to take me to Krishna mandir every evening. The atmosphere at the temple like prasada, kirtan, every single beat of kartal and mridanga were so attractive that whenever my grandparents called me back to go home, I would not like to return. Many years later, I have started to attend the temple program and associate with devotees regularly; that's my turning point of life. Wherever you are there, and Your guidance is there for any ignorant person, his life will surely transform from animal to spiritual life. One can understand the value of life by your mercy alone. You took a lot of hardships for our sake, and because of it, today anyone can take advantage of your temples in any corner of the world.

Because of Your grace and blessing, I can chant 16 rounds daily; that is my real achievement of life (Krishna seva). It is by your wish that we get Gita in English and many different languages by which any common man can get your mercy and understand that you are the spiritual master of the entire world. Your mercy is equally available for everyone on earth, whether is it good or bad & rich or poor. You are so kind and caring for your children that are faithful towards you. That's Your blessing that you selflessly served the whole world and gave the message of Gita to the whole earth. That's your kindness and care for your children. We all are your children.

Your fearless attitude, complete surrender to Lord Krishna and going to an unknown country without any facilities at the age of 70 years, show that you are the reflection of Krishna, which came to guide us in this age of darkness. You came for the benefit of the wandering children that are attached to Maya. I am feeling unworthy to thank you because the gift which you gave to us is priceless.

The world knows Your Bhagavad-gita and Krishna because of You, which is real knowledge for the welfare of humanity. Rest all are fake knowledge, which is of no use in our life. You are the only true spiritual master for me always.

Thanks for making me capable of expressing my love & respect towards You.

Dear Srila Prabhupada,

Please accept my humble obeisances.

Before taking to Krishna consciousness, I was hooked onto some bad habits due to my bad association in the middle of my first year of college. Bad habits included smoking to which I was too much addicted continuously for 3 months. Then I came in touch with Krishna consciousness through one of your disciples who comes to preach in my college. At first it was normal, but then I felt from inside that I should give up my bad addictions. Then, in one of the sessions, it was mentioned that to get rid of the addictions, we should first chant Hare Krishna Mantra. So I started to chant one round of Hare Krishna Mahamantra every morning. In a few weeks, I began to feel that I should give up my addictions. Within a month, I lost the interest in that. Eventually I left all my addictions and it also helped me to form a morning ritual of chanting, which helps to boost up my day. In this way, Krishna consciousness rewarded me by getting rid of the effects of bad association and forming a good morning ritual.

Dear most Srila Prabhupada,

Please accept my respectful obeisances.

Thank you Prabhupada for giving me such a great opportunity to get connected with you and Krishna. Now I have completed more than one year in Krishna consciousness life. Because you have given me your causeless mercy I'm back again in FOLK. As you know Prabhupada, I was disconnected with Folk due to some family reason but now I'm here again with full confidence to preach your mission and to glorify your name.

Prabhupada, currently I'm reading "Beyond illusion and doubt" and it is very interesting and fascinating to me. Because this book has taught me that all the philosophers who have given their philosophy have done nothing but just a waste of time to them as well as to the reader.

Prabhupada, I have enjoyed all the amazing Krishna conscious moments just like kirtan in train, mangala aarti in beach, book distribution, interaction with so many people and giving your books to them.

Prabhupada, I never woke up early in the morning when I was at home but when I got connected with Krishna consciousness from that time I am trying to wake early in the morning and attend mangala arati this also helps me in studies.

Prabhupada, please give your blessing and mercy so that I will be able to advance in Krishna consciousness and never give up your mission till the end of my life.

Thank you Prabhupada for saving me as well as other folk members from the outside world.

I am always your servant,

Bhakta Gaurav Kale.

श्रील प्रभुपाद आविर्भाव दिवस की समस्त वैष्णववृन्द को हार्दिक बधाइ। आज हम सभी एक जगह एकत्रित होकर मधुर हरिनाम की सेवा कर पा रहे हैं, यह उन वैष्णव ठाकुर की महती कृपा का ही परिणाम है। राम चरित मानस में भारद्वाज ऋषि कहते हैं कि यह भगवान श्री राम चरण के दर्शन का फल है जो उन्हें शुद्ध भक्तों के शिरोमणि श्री भरत के दर्शन हुए। वास्तव में शुद्ध भक्त का दर्शन और संग भक्ति की सर्वोच्च विधि और भक्ति की सर्वश्रेष्ठ सिद्धि है। अब कहीं ऐसे शुद्ध भक्त परिव्राजक आचार्य बन जाएं तो क्या कहना?

जगत के कल्याण हेतु भगवान कृष्ण अपने भक्तों के चूड़ामणि श्रीपाद गुसाई, श्रील प्रभुपाद को कलियुग में भेजे यह हमारे असीम सौभाग्य का उदय है। जिस आंदोलन में हरिनाम के अनुमोदन मात्र से भक्ति का अवसर प्राप्त होता है, उस आंदोलन के आचार्य को हमने अपना स्वामी स्वीकार कर उनकी सेवा का अवसर प्राप्त किया है।

एई ब्रह्माण्ड भ्रमिते कोन भाग्यवान जीव, गुरु कृष्ण कृपाय पाय भक्तिलता बीज।

रात रात भर वद्धावस्था में जागकर भागवतम के श्लोकों की व्याख्या करने का उद्देश्य क्या है? भगवान वासुदेव की भक्ति में निर्गुण श्रद्धा रूपी भक्तिलता बीज को हमारे हृदय पटल पर स्थापित करना। कृष्णकृपा मूर्ति इसीको कहते हैं। सामान्य जीव में भक्ति के प्रति निर्गुण श्रद्धा की कमी होती है, इसको सुव्यवस्थित ढंग से पूरे विश्व में खुले मन से विस्तृत किया गया श्रील गुरुदेव के द्वारा। उदारता की पराकाष्ठा तो यही है।

This Krishna Consciousness movement is so sublime that even a Child Can take part, what to speak of child, even a dog can take part. Hence, Srila Prabhupada has made a home where the whole world can live in.

व्यवसायात्मिका बुद्धिः एकेह कुरुनन्दनः।

श्रील प्रभुपाद के आंदोलन में सभी भक्तों का केवल एक ही लक्ष्य है, श्रील प्रभुपाद की सेवा। यस्य प्रसादाद् भगवत् प्रसादः। इस आंदोलन में सहभागी बनना ही भक्ति है। हर भक्त अपनी कार्य कुशलता के अनुसार इसका एक भाग बन सकता है। अब यह हमारी ज़िम्मेदारी है कि हम चैतन्य महाप्रभु से निकली हर एक शाखा और उपशाखा को आदर से देखें।

उत्तम हय्या अपनाके माने तृणाधम।

यह विनम्रता हमें श्री चैतन्य महाप्रभु से सीखनी चाहिए। एक बार मायावादी सन्यासी प्रकाशानंद सरस्वती ने महाप्रभु की भर्त्सना यह कहाँ की कि आप भावुकों की भांति कीर्तन नृत्य करते हैं, वेदांत अध्ययन नहीं करते, इसका क्या कारण है? श्री चैतन्य महाप्रभु स्वयं पूर्ण पुरुषोत्तम भगवान् ब्रजेंद्रनंदन हैं जो एक भक्त की भूमिका में हमारे आचार्य हैं। उठने कहा कि "गुरु मोरे मूर्ख देखिया, करीला शासन गुरु ने मुझे महामूर्ख जानकर यह समझाया कि वेदांत अध्ययन पर तुम्हारा अधिकार नहीं है, तुम कृष्ण नाम का कीर्तन करो, यही पर्याप्त साधन है। इसपर सभी मायावादी, उत्तम व्यवहार के प्रभाव से भक्त बने। इस प्रकार की विनम्रता हम सबके लिए प्रचार के दृष्टिकोण से बहुत बड़ी सीख है, मायावादी लोग जैसे ही भक्तों से चिढ़े रहते हैं, अब अगर हमारा व्यवहार कठोर होगा तो उनको कभी भक्ति का मौका नहीं मिलेगा। यही विनम्रता हमें कृष्ण भावनामृत आंदोलन में छोटे बड़े सभी भक्तों के साथ अपनानी चाहिए।

त्रिणाद अपि सुनीचेन, तरोर अपि सहिष्णुना, अमानिन मानदेन, कीर्तनीय सदा हरी।

विनम्र और सहिष्णु होकर की गई सेवा स्थायी होगी और चैतन्य महाप्रभु को सख देगी। सेवा अगर किसी भीतिक व्यवधान से पूर्ण न भी हो तो भी उसे भगवत इच्छा समझ कर स्वेकार करना होगा। परंतु हमारा संकल्प अब यहां से सात्विक ही हो, साधन भक्ति श्रील प्रभुपाद की संतुष्टि ही हो और जीवन का लक्ष्य केवल श्रील प्रभुपाद के चरणों की शरण ही हो, ऐसी कामना है।

सभी वैष्णव जनों से निवेदन है कि हमारी धृष्टता को क्षमा करें और सदा हमारे दोषों के निवारण हेतु शुभ एवं मंगलकारी आदेश को प्रदान करें, जिससे शीघ्र ही परम पद की प्राप्ति हो सके, आप सभी की नित्य सेवाका अवसर प्राप्त हो सके।

Respected Prabhupad,

My sincere pranam unto your Lotus Feet.

I would like to thank you for choosing me and my family under your guidance for KC, considering us as one of the capable souls who can understand and follow the instruction of the Lord through your teachings and guidance.

I have started considering KC in all day to day works so that it is done only for Lord Krishna. I m trying to nourish my surrounding people with Lord Krishna's pass times and his glories so that everybody can know who is the Supreme Personality of God Head and at least begin thinking about the Lord.

I become aggressive while arguing with people on about not to eat non Vegetarian food, not to have Intoxications but I fail making them understand that it is a wrong way of living the life. I somehow become angry if anyone speaks against the Lord and his Gloris. But I trying to control my anger and be humble to all to avoid such mundane conversations. People are stubborn with their habits and are adamant in not living their meaningless activities but I m strong willed too that I will not get influenced by any other theory or habits and will not leave KC for any reason. I m injecting Lord Krishna's basic rules in my life so hard that, no one can even try to influence me against Krishna consciousness and Gurudev.

Please forgive me as I am not able to chant Mahamantra properly. Please help me or guide me O Gurudev, so that I can start chanting properly again and can get more and more knowledge to serve the Lord in best possible way.

Please guide me and my family Prabhupada, so that we can always be under your guidance and blessings to become a servant to serve Lord under his Lotus Feet.

Once Again Thank you for all the Opportunities, Teachings and Blessings O Jagadguru.

Dear Guruji,

A. C. Bhaktivedanta Swami Srila Prabhupada ji Pranam.

Today, I am going to write few words about experiences I had after joining the Hare Krishna Movement.

Before some time, I was in search of right track for my spiritual progress because there are many temples, many methods and many suggestions too, to achieve god and them blessings. Also I heard about many ways by which we can achieve the goals in this material world with spiritual way, by watching some television shows, some stories, some spoken words, etc.

But, when I visited the place, Hare Krishna Temple, where all the devotees are staying as family, actually a big family in today's life, I felt the power of spiritual environment.

After joining the Hare Krishna Movement, I feel some good changes in my life too.

The thing I like most is, all prabhujis from the temple guides us in proper way, actually in proper direction. They talk with people, understand them and try to solve the thing by spiritual way. They are like my friends, actually family now...

I am at the place, where I can feel happy and proud, It's the place of our Guruji, A. C. Bhaktivedanta Swami Srila Prabhupada's dream/wish; it is Hare Krishna Movement.

The ultimate expression of mercy is to freely afford everyone with the opportunity to develop pure love of Godhead. In the Bhagavad-gita, Lord Krishna states that He is the friend of all living beings. As the Lord's intimate associate, Srila Prabhupada also displayed this mood of friendship to all by dint of his constant engagement in spiritual welfare activities on His behalf.

Dear guruji, I thank you for Your Divine Grace.

Pranam. Hare Krishna.

Your servant,

Bhakta Hardik Joshi.

Bhakta Harish Trivedi

Dear Srila Prabhupada,

Please accept my humble obeisance.

I wish to utilize this opportunity to express my gratitude for your divine mercy, blessings and spiritual guidance. Out of ignorance, I kept on living a sub-standard human life without any clear goals and direction. Out of your compassionate mercy, somehow I got in contact with the devotees of your sublime institution – Hare Krishna Movement about a decade ago. Since then it has been a constant struggle to follow your instructions and cultivate the Krishna conscious life style.

While I feel it is almost impossible to come out of this ignorance, I am also hopeful that somehow or other you will keep me under your divine shelter.

Hey Prabhupada, please give me strength and unflinching faith and love for holy name. As without your mercy, there is no way I will ever be able to cross over this ignorance and attain the ultimate goal of human life "His Causeless Mercy".

Thank you Prabhupada!!

Your Humble Servant,

Bhakta Harish Trivedi.

Dear Srila Prabhupada,

Please accept my humble obeisances.

You taught me the most valuable thing of life which is Krishna Consciousness. Because of you, I came to know about Lord Krishna and how to go back to our real home (back to godhead). You have done so much welfare to the people that many are not even aware of. You know we are fallen souls and never wanted us to suffer in this material world. You are the most humble and ideal spiritual master. Thank you Prabhupada for choosing this fallen soul who is very sinful. You have made me eligible for the service of Krishna.

You have started the Akshaya Patra foundation and because of that so many children are getting prasadam everyday. Because of you I have understood the purpose of my life. Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet.

Writing an offering to you is such a difficult endeavor. How is it possible to put your limitless glories in words? You have shown the essence of spirituality by your teaching. I am so fortunate that by your causeless mercy, I came to Krishna consciousness. I can't believe how privileged I am to come in touch with You and Krishna. You picked me up from the dirt and engaged me in the service of Krishna.

Even after coming to Krishna consciousness I am unable follow the Sadhana properly. I am struggling so much to wake up for mangala arati, book reading, chanting but only because of your causeless mercy, even today, I am following the path of spirituality. I am trying really hard to please you and Krishna, I hope my little service may please you in some way. Without you my life has no meaning. I just pray that my entire life I always be connected with you and your mission. I am very thankful that you gave me an opportunity to do devotional service. Please accept my humble offering.

Your eternal servant,

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet.

Just like behind every successful person, there is always be a guidance from a superior personality, similarly behind whatever talent, skills & the happiness I got in my FOLK life, is because of you.

After every rainy season, the sun through its sunshine brings beautiful rainbow. Similarly, you as my sun and your causeless mercy as sunshine have enriched me with all the good qualities.

By the combination of primary colors, we can get entire beautiful color palates and can create any design, similarly by satisfying a bona fide spiritual master, Sri Sri Radha Madhav and our authorities in our life can mold our entire life towards a better future.

It is only you Srila Prabhupada, who has made me eligible for rendering service to Lord Krishna. Because of you I have felt the presence of Sri Sri Radha Madhav and got the real love of a grandfather which I was seeking in my childhood. Because of you, I got to know my real eternal parents.

I am so grateful that I got a grandfather like you, who taught me in each and every step in my Folk life. Like a mother feeding milk to her child with full care and attention, you made me drink the nectar of Krishna Conscious philosophy in very simple language that too with extreme care and attention.

Just like a mother warns her child to be away from bad habits and from strangers, you have always warned me about the dangers of this material world.

Oh! Prabhupada, thank you for everything. You have changed me for good. I think the time has come for me to become a very sincere disciple of yours. Please bless me so that I can continue rendering service unto your lotus feet. Please forgive me for all the offenses I may have committed knowingly or unknowingly. Thank you for blessing with such a beautiful life of Krishna consciousness. I aspire to become your eternal servant. Thanking you.

"O great sage, among many millions who are liberated and perfect in knowledge of liberation, one may be a devotee of Lord Nārāyaṇa, or Kṛiṣṇa. Such devotees, who are fully peaceful, are extremely rare."

This verse clearly explains that pure devotees are extremely rare even among millions of liberated and perfected beings. Is it the greatest fortune of this world, that a pure devotee like you came from the spiritual world just to deliver the fallen souls.

Thank you Prabhupad for accepting me as your servant. I have seen many people wasting their time in bad activities. I could have easily been one of those fallen conditioned soul but fortunately you guided me to the Krishna conscious path. Thank you Prabhupada for giving me this platform (FOLK) to get engaged in the service of Lord.

My prayer and my only wish is that you grant me the opportunity to always chant the holy names of the Lord and have the darshan of the Lord.

Dear Srila Prabhupada, Hare Krishna

I will win all life's battles if I keep the Lord's name as constant companion.

Actually, the Lord and His names are identical, for we see, in the Gita, that Arjuna with Krishna as his charioteer and companion won even when faced many obstacles in battle.

The nectar of Krishna's names give us the soul power as our need. And the eternal creeper of love of Godhead will grow in our heart if I use devout chanting of Krishna's Names to water its seed.

As I get attached to the Holy name, I will lose any taste for material distractions and for even name and fame. Please accept my humble obeisances. All glories to Srila Prabhupada.

Your Servant,

Respected Srila Prabhupada,

Firstly, I'd like to say that what Prabhupada ji has achieved is nothing less than a miracle. And that too starting his work when he was past 60, this is the time when most people retire and relax for their remaining life.

It's been almost a year since I have been connected with this temple. Previously, my spiritual advancement had somewhat stopped. But during this time I have gained much knowledge as well as underwent some change of habits. I used to eat egg but after coming into Krishna consciousness I have never ever touched an egg. I have restricted myself from drinking coffee and other caffeinated beverages. I am a die hard football fan and before being affiliated with this institution my first priority was to watch football match and many a times even cricket match. I would give up many important tasks just to see the match. But after coming under this movement now I avoid these matches because I have understood the real value of life. There is a latest example where I missed this India vs Pakistan world cup to attend the festival in temple, and I don't know how this positive change has happened in me. One of the biggest impact in my life is that I don't get much excited and don't care about some small silly things like I used to.

I have read a couple of books of Prabhupada ji and the Bhagavad-gita which has somewhat opened my eyes because before that, we were living in a very big illusion. At beginning, I felt uncomfortable to accept these, but later I understood the reality as it is and thus I am convinced. I would even like to apologize Prabhupada ji that even after promising him to chant, I failed to fulfill my promise and please give me strength to chant my prescribed 4 rounds.

Thank you Srila Prabhupada

હરે કૃષ્ણ

કૃષ્ણ કૃપામૂર્તિ સ્વામી શ્રીલ

શ્રીલ પ્રભુપાદ

સૌ પ્રથમ કૃષ્ણ કૃપામૂર્તિ સ્વામી શ્રીલ પ્રભુપાદ ને દંડવત નમન કરું છું. પ્રભુ તમારી શરણ મળી ત્યારથી પ્રભુ તમારા આશીર્વાદ થી મારું જીવન ધન્ય થઈ ગયું છે. સ્વામી ની શરણાગતિ પ્રાપ્ત કરી જીવન માં જીવન જીવવાનો સમ્રાજ મલી ગયો છે. પ્રભુ ને સમજવાનો એને જીવવાનું માર્ગ મળી ગયો છે. એ ન્ડ લક્ષ્ય મલી ગયું છે.

મારા જીવન આમ તો ઘણા મેન્ટલ અને ફિઝિકલ પરિવર્તનો થયા છે. પણ ગત બે વર્ષો માં મારા જીવનમાં થયેલા મોટા યેન્જો (પરિવર્તન) નો વર્ણન હું અહીંયા કરવા ઈચ્છું છું. મારા જીવન માં મેન્ટલી શાંતિ-

માટે ઘરમાં સુખ અનેઆનંદ નો અનુભવ થાય છે. લાગે છે. પ્રભુની કૃપા અને એના આશીર્વાદ થી પોજીટીવ એનર્જી મારા ઘરમાં સર્વસ નિવાસ કરે છે. એ વી આત્માનુભૂતિ મને થાય છે.

એના ઉપરાંત મારા જીવનમાં ફિઝિકલ એનર્જિસ પણ આયા છે. એનું પણ હું અહીંયા વર્ણન કરવા ઈચ્છું છું. મારા શ્રી-પ્રભુ અને શ્રી ગુરુ પ્રભુપાદ ના આશીર્વાદ થી મને અસંભવ લાગતું કાર્ય પણ સંભવ થઇ ગયું છે. જેમ કે મારીમસાલા (તમ્બાકુ) ની લત જે હું યાહી ને પણ છોડવામાં મુશ્કેલી આવતી હતી પણ પરમ ગુરુ ના કૃપાથી આ લત મારા જીવન માંથી એવી રીતે રહી જેમ મને ક્યારે આવિ હતી નહી. એવી મારા પ્રભુ ની મારા ઉપર સદ્ કૃપા થઇ છે. એના સિવાય પ્રભુ અને ગુરુ ની કૃપા થી મારા પાંચ વર્ષ જુના સાંધાના દુખાવાઓ થી મને પૂર્ણતઃ છુટકારો મળ્યો છે. અને મા નસિક વિકારો માં મારા અંદરથી પ્રભુ એ ક્રોધને બહાર કાઢી દીધો છે. એમ લાગે છે.

એવી રીતે પ્રભુ ની કૃપા મારા અને મારા પરિવાર પાર મેન્ટલી અને ફિઝીકલી થઇ છે. એ વાત નો હું જીવંત સાબિતી છું. એવી મારા પ્રભુ બધા ઉપર કૃપા વરસાવે મારા ઘર અને સ્વજનો ને સદ્માર્ગ બતાવે અને આંગળી પકડીનેયલાવે અને પ્રભુપાદ ગુરુનું હરે કૃષ્ણ મંદિર અને મહામંત્ર અને હરે કૃષ્ણ નામ નું રસ કૃપા અમારા ઉપર વરસતી રહે એવિ શુભેચ્છા હું સદા રાખું છું.

આમ તો પ્રભુ ની કૃપા મારા ઉપર એટલી થઇ છે કે લખવા માટે શબ્દો નહીં મળે પણ પ્રભુના ઈચ્છા થી મારા જીવન માં થયેલા મુખ્ય પરિવર્તનો હું અહીં અંકિત કરી આપ સર્વે થી ક્ષમા માંગુ છું.

ધન્યવાદ. હરે કૃષ્ણ, ઈશ્વર પરમાર.

पूज्य श्रील प्रभुपाद,

आपके चरण कमलों में मेरा सादर प्रणाम।

मैं आपका बहुत आभारी हूँ क्योंकि आपने मुझे अपने चरणों में आश्रय दिया। आप के आश्रय में आने के पश्चात हम भगवान को सही अर्थ में समझ पाए हैं और नियमानुसार भक्तिभाव पूर्ण जीवन जीने की प्रेरणा मिली है। आपकी कृपा से मुझे मेरे आध्यात्मिक जीवन का मार्ग श्री राधा माधव मंदिर से मिला। कृष्ण भक्तों का संग, कीर्तन, प्रवचन, हरिनाम महामन्त्र का जाप, आपकी पुस्तकें यह मेरे जीवन की सबसे अमूल्य भेट है।

आपकी कृपा से हमारे घर श्री श्री नितार्ई गौरांग आए हैं। हमारे घर का वातावरण आध्यात्मिक हो गया है। आपने अपनी पुस्तकें और हरीनाम संकीर्तन द्वारा हमारे जैसे कई भौतिक संसार में फँसे जीवों को उद्धार का मार्ग दिखाया है जिसके लिए हम सब आपके आभारी हैं। आज मैं अपनी कला को श्री श्री राधा माधव की सेवा में अर्पण कर सकता हूँ। इस बात की मुझे बेहद खुशी है और आपकी कृपा के बिना यह कभी संभव नहीं हो पाता।

हे गुरुदेव आशीर्वाद दीजिये कि मैं सदैव आप के बताए गए मार्ग पर चलूँ और हर संभव माध्यम से हरे कृष्णा मूवमेंट का प्रचार-प्रसार कर सकूँ।

Dear Srila Prabhupada

I still remember 12 and half months ago, my life was like others - just like a simple rock. But through the mercy of your divine grace, I was treated and finally I am now an odd one out of those rocks. Now I am shining like a precious stone - none other than a diamond. On this occasion, I would like to thank you - my spiritual master Srila Prabhupada. It was difficult for me to leave the onion and garlic etc. Through that treatment, I got pain but it is through that treatment I have turned like a diamond. I was like other stones but Prabhupada, you recognized me and helped me to realize how rare I was. This is the short story of my life. "Diamond – a piece of rock but worth a million."

श्री श्री राधा माधव आणि जगद्गुरु श्री प्रभुपाद यांना दंडवत.

प्रिय श्री प्रभुपाद ,

मी स्वता ला खूप भाग्यवान समजतो की मला आज आपली स्तुती करण्याची संधी मिळत आहे. आपल्या कृपेने मला राधा माधव यांची सेवा करण्याचं भाग्य मिळालं. यावर्षीच माझं अभियांत्रिकीच शिक्षण पूर्ण झालं. या महत्वाच्या टप्प्यामध्ये चांगला वातावरण आणि नीतीचे शिक्षण मिळणंही खूप महत्वाचं असतं. या दोन वर्षांमध्ये मला माझ्या शिक्षणाबरोबरच आपल्या वैदिक संस्कृतीच ज्ञान आणि आचरण अंगी बाणवण्याची संधी मिळाली. कदाचित एवढं आपल्या आशिर्वादाशिवाय शक्य नव्हतं. खूप गोष्टी शिकायला मिळाल्या . कदाचित शब्दांमध्ये व्यक्त करण्यापेक्षा त्या कर्मांमधून दाखवणे यातच त्याच खरं सार्थक असावं.

पण एवढं नक्की की या दोन वर्षांत माझ्या आयुष्यात खूप मोठा बदल झाला. कोणतीही गोष्ट कशा पद्धतीने हाताळायची आणि आपला मनुष्य जीवनाचा उद्देश्य काय आहे या गोष्टी स्पष्ट झाल्याने बऱ्याच गोष्टींकडे पाहण्याचा दृष्टिकोन बदलला आणि या सगळ्यामुळे मी आता सयंमी आणि शांत झालो आहे. नाम जपामुळे तर मन स्थिर झालेलं आहे. भागवत प्रवचनांमुळे दिवसेंदिवस ज्ञानामध्ये वृद्धी होत आहे. मी जे काही शिकतोय आणि अनुभव करतोय हे इतरांपर्यंत पोहचवण्याचा पूर्णपणे प्रयत्न करत आहे. हे व्यवस्थित लोकांपर्यंत पोहचवण्याची शक्ती मला मिळावी हीच आपल्या चरणांशी प्रार्थना. मी आपल्याकडे हीच नम्र विनंती करेन की आपली कृपा माझ्यावर नेहमी अशीच राहू दे आणि मला आपली सेवा करण्याची बुद्धी नेहमी मिळू दे आणि यातच माझ्या जीवनाचं खरं सार्थक असेल.

Dear Srila Prabhupada,

Please accept my humble obeisances.

I am living in temple from last 22 days and feeling very happy in the association of devotees and chanting Hare Krishna maha mantra. I could feel changes in my life. I used to get up late in the morning but after I have come here I am able to get up at 4 O'clock early in the morning and attend mangala arati. I have also become calm and focused. I heard about your struggle to spread Krishna Consciousness to the world, and I am very happy to see the success of your spreading Krishna conscious movement. Because of you and your struggle, I have got this opportunity in my life and I know staying in the temple with the association of devotees, these would be the best 30 days of my life. Though I am not even qualified to talk about you, you have given me this opportunity to express my gratitude for you. Thank you Srila Prabhupada!

Dear Srila Prabhupada,

Please accept my humble obeisances.

Your teachings are most powerful and helpful for us. You gave us the very easy method to do service to the Supreme soul (Krishna). You gave two easy methods: chanting Hare Krishna and hearing Krishna katha. Only by hearing, one can go to Vaikuntha. By hearing Krishna Katha my mind's negativity got destroyed. I feel relaxed, very peaceful and happy.

The loving affection that awakens in the heart during kirtan is amazing. By chanting the holy name of Krishna, I connect with the maha mantra. From your teachings, now I know about myself, my real goal and what to do in my life. I am very thankful to you.

Dear Srila Prabhupada,

Thank you so much for showing me the right way through devotees to serve the Supreme personality of Godhead Sri Krishna. O master, you have given us the truth of life showing us not to live like animals and living for Krishna giving away all bad desires of material life.

You gave us many books to read and understand the great philosophy. You changed our life for good, Thank you Srila Prabhupada.

Bhakta Jaykar Tanna

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet, all glories unto you!

Your merciful appearance is most prominent and important event in this age of kali. It is most auspicious day for all of us. You appeared on pruthvi loka with the purpose of waking up the souls who deeply sleep in the lap of illusory energy and giving them highest knowledge and taste of human life, which is only through chanting the holy name. Srila Prabhupada you taught us how to always strive for pure devotional service and also showed by your own example, what it means to be a pure devotee. You always said that your movement is a spiritual hospital where we should expect to see devotees who have disease of birth and death, and material consciousness. Srila Prabhupada without your mercy I would have been lost in this material consciousness. Srila Prabhupada I thank you each and every day for your care and spiritual advice and guidance through your books and by your lectures. Aspiring for your causeless mercy.

Your insignificant servant,

Bhakta Jaykar Tanna.

Bhakta Jitesh Khatri

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories unto you.

I am probably the most worthless soul on this planet. I try everyday to overcome my laziness and at least constantly chant my rounds so that I may do some reading. I have been trying so hard to make it a part of my life to at least do some reading of your books, but haven't managed to fully succeed.

I currently pray to the Deities(Sri Sri Radha Madhav, Sri Sri Nitay Gauranga) that I have been attached to through my journey in life and ask them to bless me and make me worthy of initiation. My sincere desire is to get initiated and serve the Lord as much as I can. Please Srila Prabhupada, you are so merciful please shower your mercy on me so that I may achieve this, and always keep me under the shade of your lotus feet so that I may never deviate from serving Krishna.

I sincerely await the day of my initiation when I will have been blessed by you and the Lordships and also provide me the knowledge so that I may make it a priority to read your books. Please direct me with your kind mercy so that I may achieve the goal of this human life!

On this most auspicious day of your appearance, I would like to thank you very much for everything you have done for this fallen soul.

Please forgive me for any offenses and inabilities.

Your servant,

Bhakta Jitesh Khatri.

Dear Srila Prabhupada,

Please accept my humble obeisances.

It is very amazing to hear what you have done for the humanity and mankind. Your struggles and your hard work have not gone in vain. Today, sitting in one of your temples, learning about Krishna consciousness, I am adapting to a new way of life. This is all your effort which has flowered and bloomed. It is you who feed 18,00,000 children every single day through Akshaya Patra.

I feel that your life is a message to those who have lost their ways. The chanting and dancing gives me immense pleasure. You taught people the real way of life. Your mercy has given a tinge of hope in this age of Kali. You are the inspiration for me.

Your servant,

Bhakta Jivanshu Vyas.

Jai Srila Prabhupada

I still remember the day, while I was roaming in the market area of my city with my close friend. We both were used to have Darshan of Shreenathji at Haveli maintained by the Pushti Marg or Nathdwara Trust. That was the only spiritual thing we used to follow unknowingly. Other than that, we spent our time here and there doing nothing or doing all rubbish things. But that day, we first time saw the Russian devotees chanting loudly and distributing Prabhupada Books on the road.

I asked my friend, “Should we buy the Bhagavad-gita at least or not?” My friend always emphasized me to take the decisions whether material or spiritual. I said, “No, they must have come here for making money. And I already have read the Bhagavad-gita of two different publications.” So, we ignored the idea and moved on. But, all of a sudden, I thought and shared with my friend, “They are all foreigners and they could have earned a lot in their country only. Why have they come to the developing country leaving their developed country? And, furthermore, they are selling not any material expensive product, but OUR scriptures and also they are in Dhoti and Kurta which we could not wear due to our shy (uncultured) nature.” So, I told him that we should buy at least one. So, we went back to buy, but we could not find them on the place where we saw them. We tried to find them in different streets and we heard them singing ‘Hare Krishna...’ from two or three streets away from them. We followed the sound and reached them and we bought the one. I asked my friend to read first, but he asked me to read first and he would rather read it if I liked it.

From the next day, I started reading the Bhagavad-gita without knowing about Srila Prabhupada or ISKCON. Already, I had read many spiritual (or SEMI spiritual as it did not describe the Absolute Truth) books, so I did not keep it aside. I started reading and reading and reading. After completing the three chapters I could understand easily that whoever is the writer of this book is undoubtedly the MOST GENIUS. I didn't know much about Srila Prabhupada. I don't know why after reading three chapters I started chanting Hare Krishna Maha-mantra. After chanting 1 or 2 rounds daily for 1 month, I asked one of my friends (other than that in the market) to read it. He did not like the idea, but he said this Bhagavad-gita is of ISKCON. He knew it because his brother lived in Mumbai and so he went there once or twice and visited ISKCON Juhu. Next week, one of the devotees from Mumbai came to Porbandar and that friend told me that that devotee needs some SEVA at Sudama Temple. (It was the Kartik Maas). I assisted that devotee in giving lamps to other to offer it to the Lord.

Gradually, that devotee helped me a lot in understanding the philosophy and act accordingly with balancing the Grihastha life also. First time, I visited Jagannath Rath Yatra in Sri Dwarka Dham and I was now caught to it. I loved to hear Hare Krishna Maha-mantra through different MP3s. I started seeing some changes in my life. Now, I avoided eating garlic and onion. I stopped eating eggs which I occasionally ate. I told my friend (who is in market with me) about this kind of hidden happiness in hearing the kirtans. So, once he came to my home and we heard 1 or 2 recorded kirtans and from that very day he also started chanting. Now, we both are chanting 16 rounds almost daily (except the days on which we are unhealthy or any serious matter in family).

So, this is how Srila Prabhupada you showered causeless mercy on us. There is no wonder that your grace alone can instill faith and convince entire populace who comes to you. But I wonder that in my case Your grace have come to me, through your power packed books and Thus I'm one among those fortunate who are Chanting Hare Krishna Mantra. Thank you Srila Prabhupada.

में आप को प्रणाम करता हूँ

प्रिय श्रील प्रभुपाद आपने जो कृष्ण भक्ति का संदेश पूरे संसार को दिया है, वह एक महान कार्य है। इससे हमारी आने वाली पीढ़ियों को एक सही रास्ता मिलेगा क्योंकि कृष्ण के बिना जीना इस संसार में वियर्थ है। पर आपके जैसे गुरु हमारे साथ है तो हम इस भवसागर से पार हो सकते हैं।

मैंने अभी अभी आप की कृपा से हरे कृष्ण महामंत्र और गीता पढ़ना शुरू किया है जिससे मेरी ज़िंदगी में बहेतर बदलाव आया है। अब मुझे जीवन में नयी दिशा मिली है ताकि उस परम पिता परमेश्वर भगवान श्री कृष्ण की शुद्ध भक्ति कर सकूँ और खुद को इस संसार की माया के बंधन से मुक्त करूँ। तथा इस चंचल मन को भगवान में लगा सकूँ और कृष्ण की कृपा प्राप्त करूँ। अब मैं अपनी वाणी को विराम देता हूँ।

Srila Prabhupada ki Jaya!

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet. On this day of Vyasa Puja, I am overwhelmed with feeling of gratitude for your divine grace.

Today many people appreciate me for following Krishna consciousness, for my inner transformations and I also observe the same in me. Many times I feel proud of myself by hearing those praises but Srila Prabhupada, you are the one who has transformed this rascal. Thank you for gifting such a valuable thing to this undeserving soul.

Srila Prabhupada, thank you for keeping me in Krishna consciousness. I beg you to please hold my hand always and keep showering your causeless mercy on this fallen soul. Srila Prabhupada, I am dancing in material world like a puppet as per the dictations of my mind. I beg you to please take this puppet in your lotus hands and make me dance the way you want.

Srila Prabhupada, in my services and in my conduct with your devotees, I have committed many offences. I beg you to please forgive me. Thank you for guiding me every time in my journey of Krishna consciousness. In spite of many faults and shortcomings Your Divine Grace has blessed me always. Please forgive me for not following your instructions seriously. I am the weakest person in Krishna consciousness. I beg you to please keep me under your shelter always.

Your fallen servant,

Bhakta Karun Balgotra.

Bhakta Kelvin

Dear Srila Prabhupada,

Please accept my obeisances at your lotus feet. I have passed 2 years in Krishna consciousness. This year is very special for me. By your and Krishna's causeless mercy, I did so many unique services. I visited dhams like Dwaraka and Vrindavan. I also got Pallaki seva and other amazing services. I am completely unqualified to do this but by your mercy I could do.

On the other hand, this year it is little bit difficult for me to keep in touch with your disciples and association. I literally left Krishna consciousness for some time. I left chanting for one month. I fell down. I want to tell you from the bottom of my heart that this was happening because of my feeble faith on you and Krishna. I committed a lot of offenses. Thank You for pardoning me.

*“divya-jnan hride prokashito
prema-bhakti jaha hoite, avidya vinasha jate
vede gay jahara charito”*

By your mercy I realized the truth and by your and your disciple's guidance I came out from Maya. I shall never forget your kindness. Thank you for picking me up at the right moment. “shri-guru karuna-sindhu, adhama janara bandhu”. You are ocean of mercy. I shall never forget your mercy.

“shri-guru-charane rati, ei se uttama-gati “

Please Prabhupada, give place at your lotus feet. I want to serve you always. I overcome Maya only by the process of serving. Please engage me in your and Krishna's service. I have faith on your words and words of your disciples and that's why I always remain in contact with Krishna consciousness.

Please keep your mercy on me always and keep me away from Maya.

Servant of your servant,

Bhakta Kelvin.

Bhakta Keval Makwana

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet.

One more year has passed away in serving you and this year went away in lightning speed. Before I got connected to Krishna consciousness, I was too attached to maya but since I regularly started going to temple, attending mangala-arati, rendering devotional service and attending the festivals, I realized that I am improving in spiritual life. Your books are also important for me to make spiritual advancement. Without your mercy, I would have never come to know what is the ultimate goal of life. I feel so lucky to be in your association and a part of Hare Krishna Movement

Your servant

Bhakta Keval Makwana.

Bhakta Komal Thakral

Respected Dear Prabhupada

Please accept my obeisances.

I am very lucky that I have found you. I was always in search of Lord where is Bhagavan? Where is bhagavan & I have only desire is to live with him. Like I am living here with everyone .

Prabhupada showed me that this is the Supreme Personality of Godhead- Bhagavan, through his GLC & books. When I saw darshan of Lord that was my first love of life. I had direct order from Parmatma that take “Harinam” & read Bhagavatam. I don't know who is Hari? & what is Harinam, whom name I have to take. I came to know by one of Prabhupada's disciple that Krishna is Shree Hari, & Hare Krishna Maha-Mantra is – Harinam.

Prabhupada searched me in this material world & gave me his shelter & clear instruction about Sri Hari & Harinam. I feel his presence & watch that He is guiding to proper path to needy people.

2nd thing I always had a question that for medical, engineering there are big big colleges & university for studying this subjects & there is nothing for this knowledge & dhyan. No one is there to give this knowledge. After coming to Hare Krishna Mandir I observed that perfect knowledge about Lord preaching is going on. Through Gita Life Course & Bhagavatam classes. It's a blessing for those who are seeking it & it is because of Prabhupada. There is no confusion about Supreme Personality of Godhead & Demigods. How the material world come into creation, why we are here & what is the ultimate goal of life. All this is because of Prabhupada's teachings.

I always ask that for cars & automobiles there are superior & upgraded higher models, but why for humans there are not? Each & every human has to pass through old age & diseases. Why not there is upgraded humans without these ageing & diseases & I came to know by Prabhupada's books – that we are possessing material bodies, in the material world- having four defects birth , death, ageing & diseases. We have to purify ourselves to the level that we got our original Spiritual bodies which has no such 4 defects. That is the goal of life, that we attain our original form in which form Lord is there & we talk to him, see him, face to face. Previously I had pain in my ears after hearing about business & money. I was not able to breath after hearing all this & after coming to Hare Krishna Mandir, I heard about Supreme Lord & his pastimes, it soothes my mind. All because of Prabhupada as he established such a centers, where people like me got association of Lord & his devotees.

Dear Srila Prabhupada,

Please accept my humble obeisances.

It is a very great moment for me to thank you for what you have done for me and other fallen souls just like me. Srila Prabhupada, once again please accept my respectful obeisances unto your divine lotus feet.

Srila Prabhupada, I am very thankful to you for establishing such a great institution for learning spiritual practices and also how to become better human beings in this precious human form of life. Prabhupada, you have taken so much pain and trouble due to which many devotees are living their life happily and making spiritual advancement without any trouble.

If now in this present time every teacher takes your shelter and performs spiritual practices then all the miseries and havoc will be vanished from human life.

Dear Srila Prabhupada you are a true inspiration for everybody in this world. Everybody is blindly following the western culture thinking it is very peaceful and advanced. You have opened the eyes of world and presented the teachings of Bhagavad-gita and taught everybody that god is one i.e KRISHNA.

Your achievements and glories cannot be presented with the limited words. It is my humble request to you to please help me in advancing in Krishna consciousness and bless me that I shall render more and more services to the Lord and to you.

Your eternal servant,

Bhakta Kunal Tyagi.

Bhakta Kundan Negi

Dear Spiritual Master Srila Prabhupada,

Glories to You, Glories to You

Please accept my humble obeisances,

Gurudev, you are such a humble master, who has accepted the fallen soul like me.

Despite my struggling for material desires you kept me intact in Krishna consciousness for all these years. Gurudev I am still struggling, whenever I take resolution to progress in Krishna consciousness, the next moment the material nature overpowers me and I again fall down. But it is your mercy only that you constantly kept sending your devotees to guide me through.

Gurudev as the kaala (time) is passing by and there is no sign of any progress, please shower your mercy upon me. I want to progress seriously; I have made my endeavor but there is no or little progress.

Gurudev, now you can only take me out of the clutches of maya.

Hey Gurudev! You are the ocean of mercy, I bow to your lotus feet, please be merciful unto me. With your grace only I will be able to cross the ocean of this material suffering and progress in devotional service.

You're most affectionate follower,

Bhakta Kundan Negi, Surat, Gujarat.

Bhakta Mahesh Patel

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet. Krishna says in the Bhagavad-gita that one should approach a spiritual master for becoming self-realized. After coming in touch with you I realised that I have found a real guru. By your mercy I am able to pick up Krishna consciousness and I have started living in Folk. Before living in folk, I was so much in ignorance and was unnecessary wasting my time for finding real happiness in the material world.

I was also committing sinful activities in my life because of insufficient knowledge. One day, I came to a session of a devotee and got impressed. I started one round of chanting. Now I chant sixteen rounds by your mercy Srila Prabhupada. I am so satisfied that I got Srila Prabhupada as my spiritual master. I am clear that everything is possible in life by the grace of a pure devotee. I would like to thank you infinite times. You have made the difficult process very simple and easy and showed the true path to Lord Krishna.

Your servant,

Bhakta Mahesh Patel.

Hare Krishna!

All Glories to Srila Prabhupada.

First of all, I would like to pay my dandvat pranama to Gurudev Srila Prabhupada, Sri Nitai Gauranga and Sri Sri Radha Madhav.

I am very grateful to you Srila Prabhupada for teaching me how to do 'anarth nivritti' in day to day life and live a spiritual life for the loving service to Lord Krishna in this material world. I am extremely thankful to you Srila Prabhupada for showing me Vrindavana dhama and Mayapur dhama which are Lord's spiritual abodes in this material world.

It is only and only because of your mercy that I am able to read your books namely Bhagavad-gita, Srimad Bhagvatam, Chaitanya-charitamrita & Prabhupada Lilamrita. Your books have changed my personal and professional life completely because it has made it crystal clear that all my personal and professional tasks must be for pleasing the Lord Sri Krishna.

Further, through your mercy I am able to get lot of Sadhu Sanga and Vaishnava Association which continuously help me to stay on right path of spiritual journey. Also, thank you very much for engaging me in your mission of book distribution and prasad distribution which is helping me to fight against my false ego.

Kindly bestow your more and more mercy on me. Srila Prabhupada ki jaya. Hare Krishna.

Your servant,

Bhakta Manan Thakker.

Bhakta Manesh Dani

Swami Prabhupada,

Hare Krishna from Shraddhavan devotee. I feel the urge of your guidance and blessings for elevating myself. Life is surrounded by various temptations, limitless ambitions, and endless desires.

I seek your divine force to protect my inner self, so that I can walk on the spiritual path.

To go extra mile on spiritual journey, cheerful mind and strong body is essential. I seek your blessings to make chatter-free mind and healthy body.

Many times I read & heard that I am the child of beloved Lord. However in humdrum of life, belief on the same is getting lost. Perhaps this is my characteristic weak link of faith and trust in the Lord. I seek your handheld support to strengthen the bonding with eternal supreme power

In quest. Yours sincere disciple,

Bhakta Manesh Dani.

Bhakta Mangaldeep Pannu

Our beloved spiritual master Srila Prabhupada,

Please accept my humble obeisances.

Being a conditioned soul, I may not be competent to glorify your Lordships but still try to make a humble attempt. You are the Commander-in-Chief of Lord Chaitanya's army empowered to spread the mercy of Lord Chaitanya all over the world. I beg for your mercy to accept me in Lord Chaitanya's army under your commandment. You took so much trouble to spread the message of Lord Gauranga all over the world. Now you have left this mission in your disciples' hands. But without your

mercy how one can serve you and Lord Chaitanya's mission. So, I beg for your mercy to let me always serve you and Lord Nitai-Gauranga. It is by your Grace that we are able to understand the transcendental knowledge of Srimad Bhagavatam.

By your mercy, we are trying to spread this mission in our college, but without your mercy we cannot continue it. So please provide us with sufficient strength so that we can continue to preach in our college. I beg for your mercy to let me be instrumental in book distribution and preaching. Please have your blessings to all our Folk boys. Knowingly and unknowingly I may have committed many offenses at your lotus feet and many other devotees. I beg my pardon for the same.

Please allow me to always be in your and your devotees' association. Allow me to always remember you and never forget you. Please always keep me under your shelter and continue to shower your blessings on this conditioned soul.

Your Humble Servant,

Bhakta Mangaldeep Pannu.

Bhakta Mani

Dear Srila Prabhupada,

I still remember crystal clear, that moment, when I first saw your deity in the London temple. I thought to myself: "What an exalted personality!" But then, after that, I didn't give much thought about you. You instantly knew, that coming from a non-devotee family, what was my biggest struggle in the material world: the grief I suffered at the loss of my father since my childhood. After that, I visited the temple every week day making it a vow to learn the Gaura Arati, I would sit in classes, not knowing what was being said, but, I felt some sort of a higher divine force which made me feel sure, that I was at the right place at the right time.

Before visiting the ISKCON temple, I went to my local temple and I was in a lot of suffering at that point in my life. I found your books at the back of the temple room on a dusty bookshelf. I started cleaning the books one by one as I felt they were neglected. I didn't have a clue it was you, my spiritual master, who wrote all those wonderful books. Not knowing how to read the Bhagavad-gita or in what mood I should read the Bhagavad-gita, I just turned to a random page and read the verse 18.64. That verse stuck with me for life and I still remember very clearly, seeing your picture in the Bhagavad-gita and feeling some connection with you even though I did not know anything about you. I then subsequently got a job near the London ISKCON temple, whereby I heard your name again. But to my ignorance I never pursued my curiosity, what a fool I was!

Dear Prabhupada, the moment I took up Krishna consciousness, you instantly eliminated that grief of not having a material father. You knew I came into this movement with this lump in my throat that I never had the courage to swallow. Through your doing and guidance, I learnt the proper way of living. You gave me the complete purpose of my life. There are times where I just cry thinking how many sacrifices you made for all of us; for which, no matter what we do, we can never repay you. There has not been a single time where you have not helped me or given me shelter, there have been many times where you have shown me the right path. There are times, when I have asked you to eliminate things or people who no longer serve me any good in my spiritual life, and I have had people walking away. I still remember how I had to hide the set of Srimad Bhagavatam from my mother because no one in my family believes in Krishna consciousness and how hard I struggled to save up for the set. I did everything in my power to persuade my mother. Hopefully, I prayed to you that very night, for you to do some magic that my mother lets me keep the set of Srimad Bhagavatam. And to my surprise she woke me up the next morning and said "beta you can keep them" and also she said "make sure they don't get dusty". After that, I knew for sure, that you will always be there with me. I know I have not done an overly great job to follow in your footsteps, but I know a father always forgives his children. Please forgive me for anything that I might have done or behaved in anyway to hurt you Srilā Prabhupada. I hope you will accept the Vyasa Puja offering from this fallen soul.

Your servant, Bhakta Mani.

Bhakta Manoj Bairwa

Dear Srila Prabhupada,

Please accept my humble obeisances unto your Lotus feet.

All glories to Srila Prabhupada! All glories to the auspicious appearance day of yours!

It's my privilege to have you as my spiritual master. I am very fortunate to have the opportunity to write to you on the auspicious day of your appearance. I am very fortunate first of all that you entered in my life and heart.

Your Vyasa Puja is such a wonderful event because it gives the opportunity to glorify a pure devotee. Even though I'm such a fallen soul, you gave me the chance to make spiritual advancement. I remember two years back after completing my college life, I decided to join your mission as full time. By your grace, I did it but unfortunately a few days later, I had to leave ashram life due to family issues. That was very mournful moment for me. At that time I promised that I would be coming back soon. I was very embarrassed that I couldn't fulfill my promise. It went up to the extreme that I even stopped talking to devotees and my Sadhna also got discontinued. I was depressed and bewildered. But some of my god brothers helped me to get out of this inferiority complex and advised me to associate with devotees.

Somehow or other by your grace, I started talking to devotees. My mentor Rasa Parayana Prabhu listened to my problem and guided me. He motivates me to chant 16 rounds. I'm still struggling for that, but as far as book reading is concerned, I read minimum one hour daily.

My mind is crazy and does not care for any authority. It is always senseless and has remained in the dark pit of worldly affairs. Today, Krishna has sent you to us. Out of unlimited compassion and mercy, you took this unfortunate soul under your shelter. I had no hope in developing good qualities, nor was there a chance in surrendering my false ego, but you saw something in me that can be engaged in Krishna Consciousness. You are the foremost expert in seeing my nature just like a doctor who can tell what disease a patient has and prescribes a suitable medicine accordingly.

"O all-merciful spiritual master, representative of the Supreme Personality of Godhead, when will my mind be completely surrendered unto your lotus feet? At that time, only by your mercy, I shall be able to get relief from all obstacles to spiritual life, and I shall be situated in blissful life."

Thank you Srila Prabhupada, for coming to deliver me. My only desire is that I may act according to your desires - unconditionally.

Your insignificant aspiring servant,

Bhakta Manoj Bairwa.

Bhakta Manooj Mishra

Hare Krishna,

After taking Srila Prabhupada Ashraya I experienced lot of change in my life. Since last 3 years I am praying to Supreme Lord Sri Sri Radha Madhav. I am dedicated and devoted to serve lotus feet of Lord Krishna.

Devotion and services to Supreme Lord gave a sense of sincerity, self- consciousness and discipline, which brought certain changes in my life. I began to wake up early in the morning, punctuality, and devotion towards Srila Prabhupada , Sri Sri Radha Madhav and the pure devotee like you who helped us to understand the mula-mantra of life by your preaching.

I have stopped consuming onion & garlic, tea & coffee. I am keeping fast on every month Ekadashi. I am enjoying chanting Hare Krishna Maha-mantra compulsorily 4 -8 rounds daily.

Lot of positive changes have been experienced at work place, which has contributed well to achieve desired goal. I got job of my satisfaction ... As I am in the job where certain monthly target has been assigned for revenue generation, by the grace

of Srila Prabhupada and Radha Madhav, it is getting achieved consistently even though it looks difficult to achieve. I strongly believe this is getting happening due to the blessing of Srila Prabhupada and Radharani.

After Srila Prabhupada Ashraya, I feel more confident than ever in the past.

My decision making power has boosted; now I take any crucial decision instantly by the strong feeling of presence of Radha Madhav and Srila Prabhupad behind me hence there are no chances of any error, and it has proven right.

We started daily practice of prayer, arati & offering bhoga to Sri Sri Radha Madhav prior to consuming it. It gives immense pleasure as we started consuming prasadam on daily basis. We learnt that there should be no wastage of food as its prasadam.

We started sankirtan, we used to participate in sankirtan, we used to visit Sri Krishna temple regularly, whenever we get free from office. Automatically from inner sense I preferred to chant maha mantra. We experienced the significant changes in life. We shall be ever obliged and thankful to Srila Prabhupada for having built such huge organization and holy movement and making us meet sincere devotees whose mentorship and preaching transformed our lives. with the goal to be perfect in Krishna bhakti and to achieve baikunth dham as a final destination.

Thanks Hare Krishna

Dear Srila Prabhupada,

Please accept my humble obeisances. These three weeks were the best days of my life till now. Because of Prabhupada, we are able to come to Krishna consciousness. The Hare Krishna Movement started by Prabhupada is helping all of us to know the reality of life and our existence in this material world.

The lectures of Srila Prabhupada are really logical and relatable. I am very thankful to you for giving all the knowledge which I won't have got if I wasn't here. The answers of the problems are very nice and logical. Although you are not present here personally still you are helping us to solve our problems and changing the full perspective towards Lord Krishna.

We are also strictly following Prabhupada's words and practicing the rules which are giving us a spiritual and peaceful environment in our Internship Programme. The technical knowledge with spiritual knowledge made this Internship better than all others.

Hare Krishna

I had joined Hare Krishna Mandir in 2017 and it has helped me in exploring my spiritual journey. I was in 12th when I joined and I attended every Sunday from morning everyone was saying that I should focus on my 12th studies but by the mercy of Prabhupada and Radha Madhav I got 96.25 percent.

In my spiritual life, Prabhupada's books gave me the knowledge to understand this precious life to devote to Krishna. Temple gave me golden opportunity to offer my service to Krishna. It is like charging the body for whole week and it gives me immense satisfaction to provide my services in pallaki and other temple services.

Support of Prabhuji helped me to improve in my spiritual life. Today I do 8 japa mala, do not eat onion and garlic and other conditions which is the mercy of Srila Prabhupada .

This not only to do religious activities but a lifestyle to be followed which provide you real joy. It has taught to me how to balance the material life and spiritual life instead they are one but for me balancing it has been challenge.

Thank you Prabhupada

All glories to guru and Govinda,

Dear Srila Prabhupada

Please accept my humble obeisances. I participated in the Flight 2019 Internship at the Akshaya Patra along with spiritual concepts passed further by you dear Prabhupada which includes Morning Arati. These types of programmes are very helpful. You have changed my way of thinking towards Lord Sri Krishna. I have also understood the concept of material world and Bhagavad Gita. The morning starts with the auspicious mangala arati which gives a positive start to the day and any time when my mind becomes fearful, the Hare Krishna Mantra is helping me a lot. I feel ecstatic in dancing on the tune of the Maha-mantra.

Thank you Srila Prabhupada to make us realise that we are not this body but spirit soul, eternal servant of Lord Krishna.

Your Servant,

Dear Srila Prabhupada,

Being your son, it's a great pleasure to me to have this opportunity to write you this homage offering.

It is only by following your teachings that I have enhanced my spiritual life. I'm trying my best to follow your teachings and chant 16 rounds of Hare Krishna Maha Mantra but unfortunately I'm not able to complete my 16 rounds because of my hectic studies and busy schedule.

I've accepted you as my spiritual master from the very first day I came in touch with you and it is a very humble request to you that you please accept me as your disciple & guide me from within in each and every aspect of my life. It is only through you that I have understood the meaning of spiritual life and want to advance more and more in it day by day. Along with the advancement in spiritual life I also want to serve as much as I can to "The Supreme Personality of Godhead - Lord Krishna." Please accept my humble request and help me for the same.

Thank you Srila Prabhupada for providing us with everything - ISKCON, your books, your teachings and much more. Please keep guiding me as always.

Yours sincerely,

Bhakta Milind Fudani.

Bhakta Narayanan A

Dear Srila Prabhupada,

Hare Krishna.

I offer my humble obeisances.

My spiritual journey is continuing under your benign guidance. I feel blessed that I am able to learn new things, see new places, and come into association with more and more Krishna devotees. I am now part of the Hare Krishna Movement congregation for the past four years, and this association has helped me lead a much more regulated life than before. These days, I feel that if I don't chant 16 rounds and read at least 5 slokas from Bhagwad Gita as it is, my day is wasted. I hope to start reading the Srimad Bhagwatam very soon. All is possible only through your divine blessings.

My recent trip to Jagannath Puri and Mayapur has helped me realize how fortunate I am to have the guidance of senior devotees. They took us to the important places associated with Lord Jagannath and Sri Chaitanya Mahaprabhu and explained the pastimes in a very simple manner.

Today, my life revolves around serving the Lord in whatever way possible, chanting the Hare Krishna Maha Mantra and trying to live my life according to the regulative principles.

I know that I have a long way ahead of me in my journey, but feel more confident that I can make good progress. With your blessings and the wisdom from your books as well as the guidance of the devotees at the mandir, everything seems possible.

All glories to you.

Your servant,

Bhakta Narayanan

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet. All glories to your divine grace.

Thank you Prabhupada for accepting me in your shelter. I was struggling in the hands of maya until you came in my life. Before coming to Folk I was being slaughtered by the hands of maya. I had no one in my life who could help me fight maya. By your mercy only, I am trying to come out of pangs of maya now. Prabhupada, it is because of your efforts and struggle only that today we are enjoying such a nice spiritual life.

By your grace one can obtain the mercy of Krishna. Prabhupada, please bestow your mercy upon this unworthy servant of yours so that I may serve you as much as I can. Prabhupada, if you had not preached the whole world and established ISKCON, then today I would have just been a puppet playing in the hands of maya and got slaughtered every day. It is due

to your mercy that today I am away from all the nonsensical activities which are performed by most of the people now-a-days. You have taught me how one can serve Krishna by any means. Prabhupada, you have created such a great institution that anybody, of any caste, of any race can come and serve the lotus feet of Lord by any means.

Please bestow your mercy upon this unworthy servant of yours so that I may always be in your shelter in my life. I again humbly offer obeisances at your lotus feet. Please give me strength to chant the holy name of Lord until the end of my life. Thank you Prabhupada for everything you have given to me.

Your unworthy servant of servant,

Bhaktha Neeladri Bose.

Dear Srila Prabhupada,

ALL GLORY TO SRI GURU

I offer my infinite dandavats at the feet of my eternal divine master Srila A.C. Bhaktivedanta Swami Prabhupada, who has most mercifully brought the Savior of the Kali-yuga Sri Chaitanya Mahaprabhu's glorious message to the entire world through his full surrender to the order of his Divine Master Srila Bhaktisiddhanta Saraswati Thakur.

On this holy and auspicious Appearance Day (Vyasa-Puja) of my Spiritual Master, His Divine Grace A.C. Bhaktivedanta Swami Prabhupada, Founder-Acarya of the International Society for Krishna Consciousness, I would like to express my heartfelt gratitude to my beloved Spiritual Master, His Divine Grace Srila Prabhupada, who literally saved my life by his mercy.

Dear Srila Prabhupada,

I was in deep darkness, but you kindly awakened me by the torchlight of knowledge. I do remember the day when I fortunately received Bhagavad-gita As It Is authored by Your Divine Grace, from my father and that turned my life. Your instruction is so sublime and powerful that it can ignite the spark of devotion for the Lord even to an atheist. After joining Hare Krishna Movement my life is totally change.

You have taught us that the only way to avoid the influence of ignorance is to always associate with Godhead by the sublime transcendental process of chanting:

"Hare Krsna Hare Krsna Krsna Krsna Hare Hare / Hare Rama Hare Rama Rama Hare Hare"

You are the great emissary of Lord Krsna the Supreme Personality of Godhead, who kindly broadcasted the message of Lord Krsna on every surface of the globe. In fact this is the prediction of Lord Chaitanya and conceptualized by His Divine Grace Bhakti Vinod Thakur and Bhaktisiddhanta Saraswati Goswami Srila Prabhupada, eventually executed by your Divine Grace on the order of your Spiritual Master, His Divine Grace Bhakti Siddhanta Saraswati Goswami Srila Prabhupada.

Your tremendous contribution to the human society cannot be repaid and particularly your books are eternal and specially preaching in western world is very difficult but by your grace their life is change and they have become Krishna conscious. You are the great spiritual ambassador to the human society who has a mission of uplifting the modern human society from degradation by bringing them nearer to God. You are really inspirational for today's modern youth. By your grace, Srila Prabhupada, thousands and thousands of people have been transformed into Vaishnava devotees of the Supreme Personality of Godhead, Lord Sri Krishna.

By your grace, Srila Prabhupada, thousands upon thousands of lowborn mlecchas and yavanas have been transformed into Vaishnava devotees of the Supreme Personality of Godhead, Lord Sri Krsna

By your grace, Srila Prabhupada, scores of atheists and agnostics are now beginning to understand who is God and who is not God. And by your grace, they are now serving and praying to Him instead of denying and defaming Him. By your grace devotee enjoy harinam sankirtan .

By your grace I am chant Hare Krishna mantra nicely thank you very much.

Kindly accept this piece of writing as Vyasa Puja offering from my side Hare Krishna Prabhupada ji.

Thank you very much for everything, Srila Prabhupada. All glories to your lotus feet.

Your servant,

Bhakta Nihal Shiroya.

Bhakta Nikunj

Dear Srila Prabhupada,

Please accept my most humble obeisances unto your lotus feet. All glories to you on the most auspicious day of your divine appearance.

Dear Srila Prabhupada, without your mercy how one can advance on the path of real goal and revive his Krishna consciousness in this cruel age of Kali.

Before your divine appearance which is the only hope against nescience, the world was full of ignorance and quarrel. Your divine appearance was like a soothing rainy cloud which extinguished the fire of this burning forest of the material world. You opened our eyes by the light of knowledge.

By your grace I came to know what real life is. What is one's real duty? You answered all the questions burning in my heart from a long time and it was a great satisfaction to my heart to hear from you.

Before coming in touch with you, I was living like a madman who had no idea about my own self, my activities, my real relationships, my real duty, etc. I don't even know from how many lifetimes I was wandering like this in this horrible place made for the sinful souls who are ungrateful to the mercy of Lord Sri Krishna. I keep on changing body after body, life after life, place after place, relations after relations in search of real satisfaction of the heart and finally the search ended at your divine lotus feet in this life.

Srila Prabhupada you're so merciful that you took all the risk and troubles to deliver Krishna to us. And what homage I can offer to you with my limited and materially contaminated mind! In the Bhagavad-gita Krishna says – Approach a bonafide spiritual master, render service unto him and inquire from him about real goal of life submissively. But in my case, I was so much in ignorance that I never tried to approach a Guru, nor was I submissive. But deep within my heart I was always dissatisfied and all the darkness of ignorance of the heart was immediately removed by your causeless mercy. I offer my all gratitude and respectful obeisance to His Divine Grace A.C. Bhaktivedanta Swami Srila Prabhupada which is very much dear to Lord Sri Krishna.

Dear Prabhupada, I am very foolish and ignorant. Please keep on guiding me on my spiritual path and always keep me engaged in following your instructions strictly.

Your most fallen servant,

Bhakta Nikunj.

Dear Srila Prabhupada,

Hare Krishna!

Please accept my humble obeisances to your Lotus feet!

You changed my life as I was full of anger. I didn't listen to any one. Whoever was making fun of me, I used to just hit them a hard punch. But now you have changed my life. I am now not hitting anyone and have controlled my anger by chanting the Hare Krishna Maha-mantra. I do little mala but I have more fun in kirtans. And I am trying to learn Mrudanga.

Your servant,

Dear Srila Prabhupada,

This is to express my gratitude towards your teachings shown by the Hare Krishna temple in their sessions. These teachings have somehow or other changed my perception on living life. The principles that I had initially followed before being exposed to your lectures have been strengthened. The major one principle is that of being a true gentleman in life. There has been an immense positive change in my life because of your teachings. This change is of giving up eating meat. Thank you very much for everything.

Yours servant,

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet. On this occasion of your appearance day I wish to thank you for the many gifts you have showered upon me and all your followers.

We are progressing in Krishna consciousness and more and more realizations are manifesting by your causeless mercy. We have to become conscious of the great gifts you have given to us in the form of holy name, devotional service, association of devotees, books, devotional dance, prasadam, festivals and so many things & should be eternally thankful to you.

“saksad-dharitvena samasta-sastrair.” All the sastras have declared that the spiritual master is as good as God. Prabhupada, only by your causeless mercy can I attain pure devotional service. I have no qualification to surrender unto you and Krishna. You are the medium by which we can see Krishna directly face to face.

Please give me your blessings so that I can spread your message because I have no qualification to preach alone. My prayer to you is to please give me a shelter at your lotus feet & protect me from any fall downs. My only desire is to give me a chance to serve your mission. I will try my best to serve your lotus feet till my last breath.

Your sincere eternal servant,

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet. All glories to Your Divine Grace.

I was born in the darkest ignorance and my spiritual master opened my eyes with the torch of knowledge, wisdom and love. In childhood, I often used to hear from my grandfather that if you have to choose between Guru and Supreme Lord, you should chose bona-fide Guru first because he is the only person who can show the path towards Supreme Lord although Lord is the original spiritual master, and the person in disciplic succession can only convey the message of the Lord as it is to his disciple. After meditating on this for years, when I came in touch with Krishna consciousness, I realized the meaning and dominance of that in my life and understood the significance of the same. It became cleared that we should choose only bona fide spiritual master and not any other bogus guru just to show one's interest in spirituality as a fashion. As it is stated in Bhagavad-gita by Krishna:

tad viddhi pranipatena pariprasnena sevaya

upadeksyanti te jnanam jnaninas tattva-darsinah

Just try to learn the truth by approaching a spiritual master. Inquire from him submissively and render service unto him. The self-realized soul can impart knowledge unto you because he has seen the truth.

Prabhupada further explains that both blind following and absurd inquiries are condemned. Not only should one hear submissively from the spiritual master, but one must also get a clear understanding from him in submission service and inquiries.

You have shown whole world the way to love Krishna and perform devotional service. It is very inspiring for me as how you have preached the whole world and gave this sublime method of chanting Hare Krishna, which does not require any primary qualification, and one can develop the love of Godhead automatically. You have presented Krishna Consciousness in such a way that even the lame man can adopt it and can derive greatest benefits by following Krishna consciousness. By Your Divine Grace, we have favorable conditions for preaching in Pune and no one knows your transcendental plans. We are like instruments in Lord's hands but unless you guide me from within, I'll be like a wandering kite in the storm. So, I humbly pray to you to empower me so that I can preach the new boys with determination and sincerity.

Although you are not present physically but one can perceive you through your instructions and your teaching in your books to increase our love towards the Supreme Lord. One who comes under the glance of Krishna, the ocean of material miseries become just like water in a calf's hoof print which can be crossed easily even by a child. You are the only one who can show us the path towards Krishna and without your causeless mercy it would be impossible for me to get firmly fixed up in devotional service. Therefore, I humbly pray to you to please empower me to overcome all obstacles in my spiritual life so that I can continue practicing Krishna consciousness and serve you and your mission throughout my life.

Your Servant, Bhakta Nitin Verma.

Bhakta Parth Pandya

Hare Krishna.

I offer my most humble obeisances up to Srila Prabhupada. I ask forgiveness before starting to say anything about Him.

As a fish cannot able to know how the ocean is vast as A disciple can't understand a greatness of his spiritual master. I'm always grateful to him instead of measuring His greatness.

In this age of even our parents are not teaching Krishna consciousness at that time by the causeless mercy of Srila Prabhupada, We can have the nectar of devotion.

I am expressing the deepest gratitude for making my life is worthy.

As daylight is nothing but gift of sun-god as harinam is mercy of Srila Prabhupada.

Bhakta Parth Pandya.

Bhakta Parthasarathy R

Dear Srila Prabhupada,

I just do not realise how time flies after coming in to the congregation of Hare Krishna Movement. It is just the same way I feel whenever I go to the temple. We spend hours there and when we are to go home, we realise that it has been at least four hours at the temple. This was not thought of even a few years back for me. At the most, going to the temple means a break from the routine and an hour 'visit'. Now nay, it is a serious business. What with the initiation in to the seva last year by my mentor at the temple. Initially I was feeling shy of doing certain sevas, truly I had never have stood for long soliciting people in a big crowd. It was a new experience for me. So the shyness and timidity. There was also this thought of being a poor salesperson not being able to achieve the target. Slowly but steadily I came to practice what Srila Prabhupada had said, "One should serve the spiritual master like a menial servant, without false prestige." Truly, I realise that, mental speculation, dry arguments are controlled, and even in office, I do not take offense in places where I had earlier.

It is indeed a great feeling to approach the spiritual master to receive the knowledge every Sunday. In addition, it is a wonderful feeling of surrender at the lotus feet of Krishna.

During the last year, I also was initiated to the "vāṇī group. I figured that Srila Prabhupada shares with us a present time that defies pre-conceptions that I had on many topics. In fact, on occasions the message seems to be for the day's work. Together, along with the other devotees at the temple it appears as if I am in a family where the fellowship is to recognize one another through the Supreme Lord. These realisations are of course through the edifice built by the Supreme spiritual master. He has won our intelligence by making us realise our total dependence on the Supreme—in every aspect.

Your Servant, Bhakta Parthasarathy R.

Pranam Srila Gurudeva,

Please accept my humble obeisances. All glories unto you Srila Prabhupada!

On this auspicious occasion of your appearance, I would like to submit my experience on the Power of Chanting and life with Chanting....

By your mercy, I started with 4 rounds of chanting and gradually moved to 6. In the process I have gained few and lost few. I gained (enhanced my life with) patience, simplicity, and contented living. I lost false ego, false pride and possessiveness.

A couple of months back I faced a situation where I was depressed but the same evening I heard a lecture of your devotee explaining balanced living. That very moment I upgraded myself to 8 rounds of Japa - chanting of the Holy names.

"Hare Krishna Hare Krishna Krishna Krishna Hare Hare

Hare Rama Hare Rama Rama Rama Hare Hare" ..

I see my life is now rather elevated. I now try to find sacredness in my suffering and make my desires more pure. This is giving me a different type of energy and am sure this will help me in finding the true definition of living.

Dear Srila Prabhupada, my message to all would be this - don't make chanting a daily ritual or formality. Chanting the holy mantra with pure devotion is a path of true wisdom and knowledge. Lead an extraordinary living, where, in true devotion there is security, and in materialistic joy there is insecurity.

Dear Srila Prabhupada,

I am very fortunate to understand about your divine glories. In the world, you played a very important role in delivering the knowledge of Lord Krishna. I want to thank you from the bottom of my heart. I offer all my respects unto you. You helped me to understand the real truth. You brought us from darkness to light. Because of you only can one believe in god and can reach back to godhead. You explained us to chant Hare Krishna Maha-mantra daily. You guided us to come out from all the illusions of this world. Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet. All glories unto you!

I feel very grateful to be your servant. It is because of your mercy that I have come to know, that the purpose of life is to be an eternal servant of guru and Krishna.

brahmanda bhramite kona bhagyavan jiva,

“Out of many millions of wandering living entities, one who is very fortunate gets an opportunity to associate with a bonafide spiritual master by the grace of Krishna. By the mercy of both Krishna and the spiritual master such a person receives the seed of the creeper of devotional service.”

You have showered mercy like the downpour of rain and it showers down continuously on a soul like me. You have given everything kirtan, prasadam, dance, books, holy name, association of devotees, and your teachings, but still a conditioned soul like me is not able to take benefit out of the same. It is because of you that realizations are being manifested to me at every step of my life. You are my guide always showing the right way and cleansing the heart from lusty and greedy desires possessed by me. I look down the years I had been aloof from you making my life miserable and now it has completely changed after coming in your shelter.

It is my deep desire to be engaged in your service 24 hours especially preaching and distributing books. It is because of your books conviction gets stronger day by day, spiritual desires are developed. I want you to give me strength to abide by your teachings. Please make me completely dependent on you and captain the voyage of my life and keep me engaged as your eternal servant. I request you to give me strength to chant the holy name attentively and continue to shower your mercy like you have always been. It is my great fortune that I have been able to express my gratitude towards you. Thank you Srila Prabhupada!

Your eternal servant,

Bhakta Raghav Bangar.

Dear Srila Prabhupada,

Hare Krishna, Please accept my humble obeisances at your lotus feet.

Now, it's been more than a year since I associated with this Hare Krishna Movement. Thanks Gurudev for accepting me as a part of your global family which is truly based on Krishna consciousness.

You are the one who taught us:

What is the aim of life!

How to serve supreme personality of godhead lord Krishna.

How we can purify by reading your books under devotees guidance, doing chanting, temple services and just following your instructions.

How one can live as a Vaishnava and follow four regulations, and become devotee of almighty God Krishna.

How to behave with devotees and Vaishnava and many more things.

With the help of your causeless mercy and association with devotees I got opportunity to visit Vrindavan in last October. Vrindavan trip was amazing and I think it brought me closer to God. Vrindavan and Mathura are the places where the whole atmosphere is Krishna conscious. I saw how people are engaged in devotion and living a happy life which excites me more. By observing lifestyle of them I have learned one thing for sure by your mercy...not to pray for greed or money or luxurious life. Only pray for always be with Krishna and Krishna always be with me.

Nowadays, I'm chanting 12+ rounds daily by your grace. But my reading is very negligible, so please Guruji help me to improve my reading and chanting.

Prabhupada! Please forgive me for all offences or any type of mistake done by me in the service of Lord Krishna and always be merciful to me and all Vaishnava devotees.

Your servant,

Bhakta Raghav Brahmbhatt.

Dear Srila Prabhupada,

Please accept my humble obeisances.

Another year has passed and it is one more opportunity for me to share my gratitude as an offering to you on this very occasion of Vyasa Puja. Dear master, there is no way I can thank you for what you have given to the whole human society. Because of your efforts and your compassion for the fallen souls like me, I am able to elevate myself in my spiritual life.

As per your teachings, I am able to associate with you with the help of your books. You have given everything in your books and anyone can advance by reading and following your instructions and thereby can easily go back to godhead. The only thing I can ask you for is your causeless mercy, so that I can practice sincerely. Thank You Srila Prabhupada for everything that I have received from you.

Your fallen servant,

Bhakta Rahul Kumar Chhabra.

Bhakta Rahul Shrimali

All Glories to Srila Prabhupada!

A Spiritual master - ultimate source of Causeless Mercy:

Yes, from the bottom of my heart and soul I would love to address you - Guru as an ultimate source of causeless mercy. Again New Year added to this incomplete spiritual journey with you and your teachings are always there, making it complete day by day on the journey towards Bhagavad-dham. How I can glorify you? I don't have the capacity to even express my sincere thanks and obeisance towards your spiritual support and constant association as a bona fide master.

After reading your books with quotes from various scriptures, it has been solely realised and strongly felt how the association of a great soul, like yourself, is very important for patit jivas of Kaliyuga like us. And how it is possible only through two types of associations, either 'vapu' or 'vani'. Associating with you through 'vapu' - physically is not possible but by association through "vani" - your words and so many instructions, I really became so Krishna conscious and eager to go back to Godhead. And that's why when I was reading:

*brahmāṇḍa bhramite kona bhāgyavan jiva |
guru-kṛṣṇa-prasāde paya bhakti-lāṭā-bijā||*

(Chaitanya Charitamrita, Madhya 19.151)

Here, Chaitanya Mahaprabhu clearly stated that, in this whole universe, the jiva is only and only lucky if he is capable to receive double mercy of both Lord Krishna and the Spiritual Master like you, such a person receives the seed of the creeper of devotional service. For me, Lord Chaitanya Mahaprabhu clearly mentioned your role and your significance in my life. Now it's high responsibility on my shoulder to develop capacity to receive this in multiples as I can.

Because of your teachings only, I came to know that being on the path of Krishna Consciousness, and if we try to know more about Lord Krishna, Lord Krishna always helps us by providing his representative of whom we must take full shelter and we will absolutely get Him. There is no doubt about it. It's my prime duty and sole responsibility to receive Lord Krishna's mercy; through His mercy He sends us a bona fide representative; and by that pure devotee's mercy we get Krishna. And hence, without the double mercy of guru and Krishna it is not possible to attain Krishna.

So, its my humble request to you, please give me more strength to chant Maha-mantra under your supervised spiritual shelter. Without it, I cannot go back to Lord Krishna's abode and avail association of Krishna and Mukta Jiva like you.

Jaya guru ! Jaya Gauranga ! Jaya Prabhupada — Patita Pavana !

Your most unworthy disciple

Bhakta Rajan Rawal

Dear Srila Prabhupada,

When I was going through the tough time of my life, I am thankful to Lord Krishna that I chose the spiritual path rather choosing the wrong one. I started visiting temple every Sunday and later I joined Gita Life Course. It was amazing, I mean I don't have enough words to express my feelings in words. I was really attracted to spiritual Krishna conscious life that I joined Gita life course one more time.

Prabhupada, it is your presence only in my life which has blessed me with my Krishna consciousness progress. I would be happy to say that I'm daily offering bath, lamp, scent, prayers, Tulasi leaf and a conch blow to Lord Radha Madhav. I'm also daily offering prayers, circumambulation and lamp to Tulasi Maharani. I've started offering Bhoga along with Tulasi leaves. I've also by hearted Prasadmantra. I'm trying to by heart Brahma Samhita, Please bless me that I can do it.

Dear Prabhupada, I may not be perfect. Sometimes I miss few offerings because of odd situation but I am daily working hard with a wish to become a pure devotee. You know I'm not perfect but I'm sure with your blessings, one day I'll be able to become a pure devotee.

Your Servant,

Bhakta Rajan Rawal, Ahmedabad.

My dearest beloved Gurudev Srila Prabhupada,

Please accept my most humble obeisances at your lotus feet. All glories to my Gurudev.

This is my humble offering to your divine grace on your appearance day. I'm so thankful that your divine grace has accepted a fallen soul like me as your disciple. It has been very difficult for me to come out of the clutches of Maya only because I am not seriously following the instructions of the path of Bhakti given by you. But I only have my strong Shradhha and service to offer at your lotus feet. I have done audit of my desire for sense gratification and have given up many material things and still working on others. It is not an easy task for me but I'm still trying to do my best.

Gurudev, Please bless me that I may serve your lotus feet with love and surrender and not be tainted by pride and desire for recognition. I pray unto you to bless me that I may become humble and chant Harinam more attentively with correct attitude.

Gurudev, I never got your physical association but we are so lucky that we are getting association of your dearest disciples who are always anxious to spread your movement. I'm also trying to be a part of your movement. It is only on your desire that it will be decided where shall I go from here, so please be merciful to guide me in my spiritual life.

Your servant,

Bhakta Rakesh Patel.

Bhakta Ramprakash Babu

Respected Srila Prabhupada,

Please accept my humble obeisances. You are that ray of light that dissipates the complete darkness of Maya. The light that you have dawned upon us is awe-striking. Your various teachings and lectures are the ones that guide many devotees across the world now. I could not imagine how the world would be without you. The change you brought about in a fallen down animal like society is immense and always commendable. In a world where almost everyone is ignorant, you have shown the torch of wisdom and have shown the path to the absolute truth. Huge respects for all your superhuman activities.

I have always been willing to follow your instructions. Although my faith and dedication has been questionable many times and haven't stayed fixed, I still try to follow your instructions. The influence of maya becomes predominant and I sometimes find it difficult to follow the instructions. But I am sure that I will come back and try my best to follow. Attachment to your lotus feet is the only means by which one can win the war against maya. Please keep us all under your shelter and help us practice Krishna Consciousness for the years to come.

Thanking you.

Your humble servant,

Bhakta Ramprakash Babu.

Bhakta Rohan Mandora

Respected Guru Srila Prabhupada,

Please accept my humble obeisances. All glories to Your Divine Grace!

As you mention in the Bhagavad-gita As It is "*One cannot reach the real point of factual knowledge without being helped by the right person who is already established in that knowledge.*" I am fortunate to have got your blessing and have come in contact with the Hare Krishna Movement at Shree Radha Madhav Mandir at Ahmedabad where I get the vital Vitamins ABCD of Krishna Bhakti. "A" being Association of Krishna devotees, "B" being reading Krishna's books, "C" being Chanting "Hare Krishna Mahamantra" and "D" being daily sadhana.

Material world keeps demanding more and more time leaving little space for bhakti and my efforts continue towards striving towards Krishna consciousness. It still seems to be a long journey in being able to reach an advanced stage of spiritual realization where I can equally tolerate the onslaughts of distress and happiness. However, with your blessings and under the guidance and association of the ardent devotees at the Hare Krishna Movement, I feel hopeful of being able to steadily spiritually uplift myself.

Please continue to bestow your mercy on this humble servant of yours.

Your eternal servant,

Bhakta Rohan Mandora.

Bhakta Rohit Chug

All Glories to you Prabhupada!!

Please accept my humble obeisances unto your Lotus Feet!

My dear Prabhupada, I see that through your teachings many lives are getting transformed. Your instructions are nectar for conditioned soul. If one adhere to your instructions he can attain the utmost peace and perfection in life and can go back to home back to Godhead.

Prabhupada, this year also I want to thank you for choosing me as your student. I don't have any qualifications to have your blessings as I always keep material desires alive in my heart. I try to chant but can't chant with pure heart and can't chant 16 rounds the number which you have prescribed. My mind is always disturbed by the difficulties of this material world and I keep trying to change the situation though I have no control on it.

Prabhupada, as you tell that we have got very short duration of life with very limited time and we should utilize this time to chant peacefully and understand Krishna by reading Bhagavad Gita and other prescribed books. I am very unfortunate, I know all of this but still I don't do this. I should be very proactive throughout my day and should plan in such a way that I takeout sometime to read the books which you have written for our upliftment.

Prabhupada, please give me strength to overcome my weaknesses and follow your instructions. I will read the books daily as much as possible. I will remain humble and will not get angry to bad situations and will always be peaceful as this only can help me in saving time for chanting and reading.

Prabhupada, please bless me with devotee association and bless me so that I always keep chanting Chaitanya Nitai! Radha Krishna!! And your glories.

I feel immense pleasure in spreading your glories. Prabhupada please bless me to become your sincere servant and of Radha Krishna's.

Jai Prabhupada! All Glories to you! Nitai Gaura haribol!

Bhakta Sahil Kurhekar

Dear Srila Prabhupada,

Please accept my humble obeisances.

Thank you Prabhupada for taking me out of material junk and showering Your Divine Grace upon me. Just because of your causeless mercy I have come to know the truth, the reality that material people ignore.

Before coming to Krishna Consciousness, I was an entangled soul, full of worries of different material problems. But by your divine and causeless mercy, I came to know that we are all children of Krishna and He loves us so much, but due to my fault I have been kept in this material world.

It is incredible to learn about the struggles you have been through just to help such degraded souls like us. There is no comparison for your determination, energy to serve Krishna and help us. A spiritual master is an ocean of mercy, and that mercy has made me understand that I don't need to worry about this life in material prospect. I just have to love Krishna and that is the ultimate goal of life and liberation is just a byproduct of loving Krishna.

But how to love Krishna? You came exactly for this purpose, to make so many degraded souls learn how to love the Supreme Personality of Godhead, Krishna. You taught us how to practically do bhakti, you have given us the knowledge of the Vedic scriptures and the teachings of Chaitanya Mahaprabhu.

You came to such a filthy material world from Goloka just to teach us that Krishna's name and His personality is non-different. You taught us to chant

*Hare Krishna Hare Krishna Krishna Krishna Hare Hare
Hare Rama Hare Rama Rama Rama Hare Hare*

Thank You. Your servant,

Bhakta Sahil Kurhekar.

Dear Srila Prabhupada,

Please accept my humble obeisances.

I am very thankful to you and Hare Krishna movement for giving me this wonderful opportunity to learn about Krishna consciousness and know about spiritual world. You are the spiritual master of this world. After knowing you and your teachings, the perception of my life has completely changed for good. After coming here, attending Arati and chanting has made my life peaceful and free from the miseries of this material world.

You are a pure devotee of Lord Krishna who has helped me a lot in my life. I will follow your path and do chanting every day.

Your servant, Bhakta Sarthak Farakiya.

Bhakta Sarthak Saxena

Dearest Srila Prabhupada,

Please accept my respectful obeisances. All glories to you Prabhupada.

Thank you Prabhupada for all the instructions that you gave by your lectures, books, letters and conversation.

Now it is more than one and half year in Krishna consciousness and now folk is like a big family for me and still every day I am learning new new things and everyday is like a new lesson for me, this is happening only by your mercy Prabhupada. Each and every trip brings in me new excitement and also it strengthens my relationship with you and Krishna. Now everytime when I go to my home I explore and try to realise things with spiritual point of view and it also helps me in advancing in Krishna consciousness. I still remember once when I was reading Krishna book and remembering Krishna I thought how beautifully you explain each and every detail of Krishna, how Krishna stands, how He dances with Gopis, unconditional devotion of Gopis towards Krishna. This can be done only by you Prabhupada. Only a genuine spiritual master could know each and every detail of Krishna's pastimes.

Prabhupada now this year my batch will be senior in folk so please give your blessings and mercy so that each and every folk boy will advance in Krishna consciousness and will become more mature and sincere in following Krishna consciousness and preach with confidence because "Preaching is the Essence".

Prabhupada you are like an Ocean, We are like drops,

You are a farm, We are crops.

Prabhupada, Folk is like an army ground,

Where small, shiny but precious gems are found.

So, Prabhupada on this sacred occasion I fall at your Lotus feet and I want your blessing so that Folk will be more prosperous and each boy will shine like a gem so that we can glorify your divine name.

Thank you Prabhupada for saving us from this outside material world because this material world is just like a slaughter house where everyday everyone is slaughtering themselves, I am eternally grateful to you.

Your servant

Bhakta Sarthak Saxena.

Bhakta Sarvesh Malewar

Dear Srila Prabhupada,

Please accept my humble and respectful obeisances unto your lotus feet. All glories to you on the auspicious day of your appearance. I bow unto you with great awe and reverence.

Fortunately, because of your causeless mercy I came in contact with Krishna consciousness four years ago and from that day, the magic started. Because of you and your disciples I got a very wonderful and rare opportunity to understand about myself, that I am not this body but a soul which is part and parcel of the Supersoul. I have also understood the importance of Vedic knowledge, Vedic culture, importance of spiritual master, devotional service unto Supreme Personality of Godhead Krishna and His devotees. Before coming in contact with Krishna consciousness, I had no idea about real happiness. I was just wandering from one bad habit to another in search of happiness but after coming to FOLK, I got the real definition of happiness and that is - to be constantly engaged in devotional service of the Lord, constantly meditating on the Lord, His pastimes, activities etc.

My dear Srila Prabhupada, by your grace I got good intelligence to serve Lord and His devotees and I want to serve them lifetime. I wish to serve you and your mission with whatever means I can. I beg you and Krishna to please accept me as your disciple and constantly engage me in devotional service. By your grace I got the knowledge that eventually we have to serve, either we will serve our mind, senses, family, society or we will serve Krishna.

I have committed many offenses, broke regulative principles, slackened in chanting, not done book reading and many more. Please forgive me for all these mistakes, if you so desire. I get distracted and stride along the wrong path due to my material desires. Please forgive me and protect me from falling from the glorious, wonderful and genuine platform of Krishna consciousness. Please give me right intelligence and let me always remember that this material world is full of miseries and our only aim is to serve Lord with love and devotion. Please make me a puppet in your hands if you so desire. I thank you for all the opportunities and causeless mercy which you have showered upon me. Please give me your blessings to be a good servant of you and Krishna if you so desire. I beg your intervention and guidance to achieve the ultimate goal. Thank you for letting a fool like me to serve your mission with whatever capability I possess.

Aspiring to be a faithful, enthusiastic and determined servant of yours.

Your most fallen servant,

Bhakta Sarvesh Malewar.

Bhakta Sayan Das

Dear Srila Prabhupada,

Please accept my humble obeisances.

You have changed my life after the incident which happened to me this year. From last one month, I am regularly chanting Hare Krishna mantra 16 rounds and also reading your books regularly. It is the best way to get positive energy and your blessings. I also hear your lectures and feel very encouraged to practice more and more. Thank you for everything you have given me.

Your servant,

Bhakta Sayan Das.

Bhakta Sharad Shukla

Hare Krishna,

Dear Srila Prabhupada

Obeisance to the lotus feet of Spiritual Master Srila Prabhupada.

I feel privileged and blessed to be amongst them who have smelled the faint aroma of the Other-Worldly incense of devotion. The congregational discourses and celebrations, the weekend lectures by the devotees and even cursory glancing through the plethora of books by your divine grace cement the resolve to steadfastly improve the quality and quantity of my chanting. Though there are many lapses on my part, I am committed to improve and implore to have your blessings always.

Master Prabhupada, I pay my homage to you to have enabled me to be a part of this transcendental bliss.

Your servant,

Bhakta Sharad Shukla.

Bhakta Shashank Bhattacharya

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet.

“śrī-guru-caraṇa-padma, kevala-bhakati-sadma”

The lotus feet of our spiritual master are the only way by which we can attain pure devotional service.

“hā hā prabhu koro doyā, deho more pada-chāyā”

O master! Please be merciful upon me and give me the shade of your lotus feet.

I am feeling myself very fortunate that I have got this opportunity of writing Vyasa Puja offering to you on your 123rd Appearance day. Before coming in contact with your mission, I was the most fallen soul simply chewing the chewed, having no knowledge about the real aim of life. But by your mercy, I was introduced to this movement by the sincere devotees of HKM temple and now I am writing my 2nd Vyasa Puja offering to you. You have given such simple four regulative principles and Harinam to easily elevate oneself and attain Lord's abode. Although I know the importance but sometimes maya is so powerful that I am being driven by it and not having association with devotees. Then slowly the quality of my chanting comes down and I start feeling like a goat ready to be butchered.

I know that only by the constant efforts of my beloved temple devotees, I have remained in touch with this movement. On this auspicious occasion of your appearance day, I want to promise you that I will try to follow four regulative principles as far as possible, will stick to my prescribed rounds and associate with temple devotees regularly. And by your causeless mercy, I hope to progress in Krishna consciousness.

Aspiring to be a servant of your servant,

Bhakta Shashank Bhattacharya

Bhakta Shashank Singh

Dear Srila Prabhupada

Please accept my humble obeisances unto your lotus feet.

It has been two years now that I am connected to Folk because of you and Krishna's mercy. Please guide my soul to the correct path of devotional service throughout my life just like you are guiding so many fallen souls. Thank you for allowing me to stay under your guidance in Folk and thank you for providing me the association of devotees without which practicing Krishna consciousness is very difficult.

Recently I went to Mumbai trip and I heard your past times that how much you worked hard for establishing temple there. I was flabbergasted by listening about the problems which came in front of you and how boldly you handled them. Thank you Krishna for letting me serve a pure devotee like Srila Prabhupada who came in this material world just to deliver us.

Here in Folk Pune, we are trying to guide the ignorant souls on the path of devotional service by your grace so Prabhupada please give us strength and knowledge to spread your mission as much as possible and bless us to have more new devotees in folk. By your mercy Prabhupada, although we are living in this age of Kaliyuga we can practice devotional service by following your instructions and reading your books and clear our path of back to godhead. I like to read your books Prabhupada, whenever I feel low in my bhakti I try to remember some statement or quote from your book which gives me strength to continue in Folk. Currently I am reading Bhagavad-gita and I pray to your lotus feet to guide me in completing it and all other books written by you.

When there is forest fire all the creatures get into trouble by miseries caused by fire resulting in their death. Prabhupada you are just like rainfall which extinguishes this material fire and rescue us from this cycle of birth and death.

Following verse tells us your importance in our lives,

*yasya prasada bhagavat-prasado
yasyaprasadan na gatih kuto 'pi
dhyayan stuvams tasya yashas trisandhyam
vande guroh sri-charanaravindam*

“By the mercy of the spiritual master one receives the benediction of Krishna. Without the grace of the spiritual master, one cannot make any advancement. Therefore, I should always remember and praise the spiritual master. At least three times a day I should offer my respectful obeisances unto the lotus feet of my spiritual master.”

Please bless me Srila Prabhupada to serve you throughout my life. Wherever I might be I should always remember Guru and Krishna and always be thankful to them. Your movement has changed me both internally and externally and now I am a different person who has got a little self realization about the goal of this human life.

In conclusion, Srila Prabhupada, your greatness is truly unlimited due to your absolute faith in Krishna and your Guru Maharaja. Out of your genuine and unlimited compassion, you flooded the world with Harinaam and your books. To the ordinary mind, all this is inconceivable. The world is experiencing Lord Caitanya's presence in this Kali-yuga because of teachings of your books. All glories, all glories to you.

Please bless us with a few drops of your unlimited compassion.

Your insignificant servant

My Dear Srila Prabhupada,

Please accept my humble and respectful obeisances at your lotus feet.

Before two years I used to hear many so called philosophers, jnanis and yogis in the pursuit of finding out real goal and a meaning of life. I was never satisfied even after hearing them for hours together. Even today I am overwhelmed to figure out how I came in touch with you Srila Prabhupada. It is totally a magical experience for me.

Whenever I hear this word - "Rascal" from mouth of your divine grace, I progress on my path back to Godhead because I strongly accept that; yes I am a rascal just because I have not completely surrendered to Supreme Lord Krishna. I can't even imagine how I might be leading my life today if I were not in touch with you.

Srila Prabhupada, anybody who submissively hears a pure devotee like you is sure to get enlightenment about the Science of self and Supreme Lord. This is my experience. I never felt your absence because of your invaluable guidance through the divine instructions and especially your books. "Guru-krishna kripa paye bhakti lata beej". By grace of Lord I got association of a pure devotee like you who have guided me through your books, temples and all the devotees. I seek shade of your lotus feet as I have already considered you as my spiritual master within the core of my heart.

Srila Prabhupada, in one word, you have provided me, "Handheld guidance" otherwise it was never possible for a fallen person like me to come to this level. There is no doubt that pure devotees of the Lord are even more merciful than Lord himself. I beg for your blessings so that I can continue to serve you by following your instructions perfectly and render ultimate service by becoming a servant of his servant.

Jai Srila Prabhupada.

Dear Srila Prabhupada,

Please accept my humble obeisances.

I had stopped believing in God to an extent that I didn't go to any temple for years together but the moment I was connected with FOLK, I started believing in God again. I started from chanting 1-2 rounds a day and slowly progressed. Every time I chanted, I felt peaceful, relaxed and alert. I gave up meat eating or else I would have been sinful of killing animals for taste. Because of you, we have such a nice place to stay. I am bit of a different person now because of your mercy. Thank you for everything Srila Prabhupada.

Your servant, Bhakta Shhravan Kumar.

परमपूज्य जय श्रीला प्रभूपाद...

भगवान राधा-

माधव आणि गुरू श्रीला प्रभूपाद यांच्या कमल चरणी सर्वप्रथम माझा दंडवत प्रणाम...माझा नमस्कार आपल्या कमल चरणी स्वीकार करावा...

जेव्हापासून मी श्रीला प्रभूपाद यांच्या आशीर्वादामुळे हरे कृष्ण मुव्हमेंट अहमदाबाद यांच्या राधा माधव मंदिराच्या संपर्कात आलो आहे तेव्हापासून माझे जीव न एकदम आनंदी आणि सुखदायी झाले आहे. मला 2वर्षांपासून भगवान राधा माधव यांची सेवा करण्याची संधी मिळत आहे आणि पुढे देखील मिळत राहो ह्यातच माझे खूप मोठे भाग्य आहे. मला ही संधी परमपूज्य श्रीला प्रभूपाद यांचे शिष्य व माझे गुरू परमधाम दासप्रभुमुळे मिळाली, त्यांनीच आम्हाला भागवत धामाचा रस्ता आणि आध्यात्माची गोडी लावली, त्यांनीच आम्हाला श्रीला प्रभूपाद यांच्या विचारांची व ज्ञानाची शिकवण दिली. त्याचबरोबर त्यांनी आम्हाला आमच्याजीवनातील करिअर, आध्यात्माची शिकवण आणि कॉलेज विषयीच्या ज्ञानामध्ये खूप मोलाची मदत केली.

फोल्क वर असताना दैनंदिनी मध्ये सकाळी मंगला आरती, जपमंत्र, प्रभूपाद लिखित पुस्तक वाचन, भागवतधाम लेक्चर, याचा मला माझ्या दैनंदिनी मध्ये खूप मोलाचा फायदा होतो त्यामुळे मी नियमित मनापासूनमंत्रजप, पुस्तक वाचन, लेक्चर ऐकतो. राधा माधव मंदिरातील सर्वच प्रभूच्या असोसिएशन मुळे आमच्या आध्यात्मिक विचारांमध्ये खूप बदल घडून आला आणि त्याचा फायदा आम्हाला आयुष्यभर होईलच. आमच्याधार्मिक ट्रिप वृन्दावन, द्वारका, डाकोर, नाथद्वारा, या कृष्ण लीला झालेल्या ठिकाणी गेल्यामुळे तेथील प्रत्यक्ष पाहण्यामुळे भगवान श्री कृष्ण यांच्या घडलेल्या लीला व आध्यात्मिक कथांचे विचार आम्हाला प्रत्यक्षपाहायला व शिकायला मिळाले. मंदिरातील सर्वच प्रभूंनी दिलेल्या भगवतगीतेमधील ज्ञानाचा फायदा मला कायमच पावलोपावली होत असतो व त्यामुळेच मी कृष्णभक्तीचा प्रचार करत असतो. मंदिरात मिळणाराप्रसाद हा खूपच स्वादिष्ट असतो त्यामुळे घरी त्या प्रसादाची आठवण होत असते. मला भगवान

प्रभुपाद ,

व्यास पूजा के इस पावन अवसर पर अपने हृदय के भावों को और आपकी कृपा की अनुमती को शब्दों के माध्यम से आपके चरणों में निवेदित कर रहा हूँ !

आपके आश्रय में निरंतर चल रही साधनाभक्ति के अपने प्रयासों को लेकर मैं बहुत बार चिन्तित हो जाता हूँ ! मुझे ऐसा लगता है कि चार कदम मैं आगे बढ़ता हूँ परन्तु फिर दो कदम पीछे आ जाता हूँ , कभी बहुत उत्साहित हो जाता हूँतो कभी बहुत निराश! कभी परिस्थितियाँ सेवा के बहुत अनुकूल होती है तो कभी बिल्कुल विपरीत! यह सब देखकर मुझे ऐसा लगने लगता है कि इतने समय के बाद भी मैं इन द्वंदों से बाहर क्यूं नहीं निकल पा रहा हूँ! मैं सोचता हूँ कियदी इसी तरह साधना भक्ति चलेगी तो कितना आगे बढ़ पाऊँगा और आपके प्रति समर्पण को कितना न्याय दे पाऊँगा ?

यह सत्य है कि संकल्प का मैं द्रढता से पालन नहीं कर पाता हूँ, इसमें मेरे पूर्व अनर्थ या अपने हृदय की दुर्बलता ही मुख्य कारण है! विपरीत परिस्थितियों में भी मैं भक्ति नियमों का संकल्प के साथ पालन करूँ यह मेरे प्रयासों से अधिक आपकी कृपा के अधीन है!

आपके सभी समर्पित शिष्यों की तरह मेरी भी यह आकांशा है कि श्री गौर सुंदर महाप्रभु के इस मिशन में योगदान देने का अधिक से अधिक प्रयास करूँ और आपके शिष्य होने के उद्देश्य को पूर्ण करूँ परन्तु जब तक मुझपर आपकीकृपा नहीं होगी और जब तक इस कार्य के लिये आप मुझे योग्यता प्रदान नहीं करेंगे तब तक मेरी यह आकांशा स्वप्न के सामान ही रहेगी!

प्रभुपाद यद्यपी प्रचार कार्य में मैं अपनी सेवा नहीं दे पा रहा हूँ , परन्तु अपनी व्यक्तिगत भक्ति में आपके बताये हुये सिद्धांतों एवं नियमों का पालन करने से ह मैं भगवान के प्रति निरंतर बढ़ती हुई आसक्ति का अनुभव होता है और यह अनुभव यह सिद्ध करता है कि आपके बनाये हुये सिद्धांत एवं नियम कितने प्रामाणिक है , और इसी आधार पर आपके आदेशों का पालन करने के प्रति हमारा उत्साह बढ़ता जाता है!

भगवान कृष्ण भगवद्गीता में कहते है कि -

"मन्मना मदभक्तो मद्याजी मां नमस्कुरु"

अर्थात् मुझमे मन लगाओ , मेरे भक्त बनो , मेरी पूजा करो और मुझे नमस्कार करो परन्तु यह सब कार्य किस विधि से करना है यह सब आपने सिखाया है और आपकी पद्धती इतनी आकर्षक और इतनी प्रामाणिक है कि कलीयुग के इस विषयासक्त एवं तामसिक वातावरण मे भी आप पर आश्रित हम शिष्यों की सच्चिदानंद भगवान कृष्ण के प्रति आसक्ति बढ़ रही है! यह आपके मार्गदर्शन के बिना संभव नहीं था!

एक आदर्श शिष्य का सौभाग्य मुझे भी प्राप्त हो इस भाव से आपकी कृपा का अभिलाषी मैं आपके चरणों में प्रणाम करता हुवा अपने शब्दों को विराम देता हूँ!

प्रभुपाद चरणाश्रित

Dear Srila Prabhupada,

Please accept the respectful obeisances of your insignificant servant.

In this fast running and full of duality miserable material life, you are the only source of enlightenment. By your teaching somehow it becomes easy to pass these days on a positive note. Though I am not so much in touch with Krishna consciousness society, but your words and love is there always with me.

I don't have many words to say but I just beg to you to bestow your mercy upon me and my family so that we can follow and fight against this material life which is full of sufferings. Thank you so much. I have highest regards for you as my guru and by your mercy life becomes happier. I will surely be connected to you through your most precious literatures.

Your mere Servant,

Dear Srila Prabhupada,

I'm so thankful to you, to bring me in the right direction of life. Earlier I was not at all interested in spiritual things . I was having no idea in whom I should believe.

It was you who told me who is the supreme Lord and whose part and parcel we are. Right now I am not serving Krishna as much I used to and I can, because I'm not in folk but still please keep me in the shadow of your lotus feet. But I always keep praying to Krishna, whatever it is; I always believe in Krishna. On my own, I don't have any strength, I pray Krishna to give me strength in everything.

Prabhupada, please bless me that being outside the folk I get opportunities to serve Krishna, your movement and follow the regulative principles. Wherever I am and I may be in future, please Prabhupada, give me the strength and blessings to remember Krishna, always believe in Krishna, never ever become forgetful of Krishna.

My dear spiritual master Srila Prabhupada,

Please accept my humble and respectful obeisances at your lotus feet.

I have no words to express my gratitude for your appearance in my life. I am very grateful to you that you provided me the chance to glorify you on this auspicious day of your appearance.

The fundamental religious system in this kali yuga is congregational chanting of holy name and without Krishna Shakti nobody can spread this chanting of holy name. Your divine grace has spread this auspicious dharma across the globe. It is evident from this, that your grace is empowered by the all powerful Supreme Personality of Godhead Sri Krishna.

Bhaktivedanta purports are the most auspicious subject matter to hear and still delivering most downtrodden souls like me. Without reading your books nobody can make any tangible progress rather nobody can maintain his spiritual consciousness and his enemies like uncontrolled mind, false ego, anger, independent nature etc. will disturb him and eventually lead to fall down. You are helping me in every step of my life.

Srila Prabhupada you are eternally my guide. By your causeless mercy, divine knowledge is revealed within the heart. Once one of the devotees asked you that after this life will you be going back to Krishna Loka? Then you replied that next life you want to go to the lower planets for delivering the conditioned souls. Your compassion is unlimited. Although I am not eligible for it, you have showered it upon me. Your every word and action draws the mind of devotees towards love of Krishna. You are so merciful that you distributed this most valuable knowledge and happiness freely. By your causeless mercy only so many people are turning into devotees of the Supreme Lord. Your glories are unlimited.

All glories unto you, Oh master! I am so fallen that I am not able to finish my chanting and not able to follow regulative principles. Please have your mercy on me so that I strictly and sincerely follow the four regulative principles and complete my chanting on daily basis. In spite of all these misgivings I am so proud of following this process, please make me humble.

Although the process provided by you is full of bliss and happiness but I am so much rotten and unfortunate that I'm not able to derive bliss and as such sometimes I even unnecessarily doubt this process. Please provide me strength to follow your instructions sincerely.

Please use this useless soul as an instrument in any way in spreading your glories.

Thank you for all the blessings.

Dear Srila Prabhupada,

Please accept my humble obeisances.

One of your disciple once gave me a situation to think. 'Suppose you want to buy a car, but you don't have sufficient money, what will you do?' The answer was that you'll go to the bank and ask for a loan and buy the car. Similarly, I had very little dedication towards devotional service. It is you, Srila Prabhupada, who has given me the gift of Krishna prema. By your causeless mercy, I am gradually progressing in Krishna Consciousness. By your mercy, I have been able to attend various festivals at temple and enjoy prasadam that instantly gives me strong spiritual energy.

My spiritual practices come across various disturbances. Please shower your mercy on me so that we can easily move toward our goal of performing pure devotional service.

Dear Srila Prabhupada,

Thank you for giving me an opportunity of being Krishna Conscious in this lifetime. Just by your mercy alone have I been able to get knowledge of the spiritual world which remains unknown to a lot of people. I will be indebted to you for all that you have given me in life.

Please give me strength to chant till my last breath.

A fallen soul,

Dear Srila Prabhupada,

Hare Krishna! Please accept my humble obeisances to your Lotus Feet!

All glories to your continued grace, infinite countless and causeless mercy on this fallen soul.

I have no words to express my gratitude to the transformations you have brought in my life as well as to my current family. Whenever I reflect on my past in this body without being in touch you, I think about all your favors in the form of getting over my anarthas and giving the blissful taste of Krishna Prema and Bhakti. By your arrangements, I have been supplied with devotees as colleagues in my current job as well.

Srila Prabhupada, sometimes I wonder about your patience and tolerance levels towards this fallen soul, as I see no qualification in me to have all your causeless mercy all the time.

I have only one sincere request to you Prabhupada: please let me catch hold of your dhoti somehow and let your causeless mercy be upon me.

Yours aspiring servant,

সূর্যের যেমন জন্ম মৃত্যু নেই, তেমন শ্রী ভগবান ও তার শুদ্ধ পর্ষদ ভক্তদের জন্ম মৃত্যু নেই। আবার রাত্রির অন্ধকার দূর করার জন্য সূর্য প্রতি প্রভাতে পূর্ব গগনে উদিত হয় ও দিগান্তে পশ্চিমে অন্তগামী হয়। ভগবানের শুদ্ধ ভক্তরা তেমন জগতে অজ্ঞানান্ধকার বিদূরিত করতে ভগবানের আদেশে আবির্ভূত হন। তাঁদের কাজ সমর্পন হলে এই জগৎ থেকে অপ্রকট হয়ে নিত্য ধামে ভগবানের কাছে ফিরে যান। সে যুগে আউল-বাউল নেড়া-নেড়ি প্রকৃতি বৈষ্ণব নাম ধরি কিছু অপসম্প্রদায় মহাপ্রভুর প্রচারিত শুদ্ধ বৈষ্ণব ধর্ম কে কলংকিত করছিলো। তাই শিক্ষিত সমাজে এই ধর্মের প্রতি আস্থা হারিয়ে নাস্তিক হয়ে উঠেছিল। পাশ্চাত্য জনজীবনের মোহিনী জাদুতে ভারতীয় যুবকরা প্রলুব্ধ হয়ে তাদের প্রাচীন বৈদিক দৃষ্টি বর্জন করে অন্ধের মতো পাশ্চাত্যের অনুকরণ করছিলো। আবার কেউ কেউ নির্বিশেষবাদ বা বিভিন্ন দ্রাস্ত দর্শনের দ্বারা প্রভাবিত হয়ে পড়েছিল। সে যুগে শ্রেষ্ঠ বৈষ্ণব আচার্য ছিলেন সচ্চিদানন্দ ভক্তিবিনোদ ঠাকুর। বৈষ্ণব ধর্ম কে গ্লানি কবলিত দেখে তিনি যে কত ব্যথিত ছিলেন। তা তার একটি লেখাতে ধরা পড়ে। অতিপূর্ণ এই রচনাটি যেন তাঁরই অশ্রুজলে বিধোত- যেদিন ইংল্যান্ড, ফ্রান্স, রাশিয়া, আমেরিকা, তদেশের ভাগ্যবন্ত পুরুষগণ নিজে নিজে নগরে শ্রী চৈতন্য মহাপ্রভুর নাম উল্লেখ পূর্বক হরিনাম কীর্তনের তরঙ্গ উঠাইবে, ভক্ত বৃন্দের সহিত আলিঙ্গন পূর্বক দ্রাস্তাভাব করিবেন, সে দিন কবে হইবে?

শুদ্ধ ভক্তের এই কাতরোক্তি ভগবানের অশ্রুত থাকে নি। এই

ভবিষ্যৎ বাণী সার্থক করার জন্য শ্রীল ভক্তিবিনোদ প্রভুপাদের আবির্ভূত হন। ১৮৯৬ সালে, ১লা সেপ্টেম্বর অভয় চরণ দে কলকাতায় আবির্ভূত হন। অভয় চরণের ১৫১ নং হ্যারিসন রোডের বাড়িটি ছিল উত্তর কলকাতায়। তাঁর পিতৃদেব শ্রীযুক্ত গৌড় মোহন দে সন্ন্যাস সুবর্ণ বণিক সমাজের একজন কাপড়ের ব্যবসায়ী ছিলেন। তাঁর মা রজনী দেবী অভয় চরণের জন্মের পরেই তাঁর পিতামাতা এইজন জ্যোতিষী কে দিয়ে শিশুপুত্রের ঠিকুজি করিয়েছিলেন। এই জ্যোতিষী একটি বিশেষ

ভবিষ্যৎ বাণী করেছিলেন- শিশুটির বয়স যখন ৭০ বছর হবে তখন তিনি সাগর পারি দিয়ে, বিদেশে যাবেন। এক বিখ্যাত ধর্ম প্রচারক স্বীকৃতি লাভ করবেন। ও ১০৮টি মন্দির প্রতিষ্ঠা করবেন। গৌড় মহান চেয়ে ছিলেন তার পুত্র যেন বৈষ্ণব হন। তিনি চেয়েছিলেন যে অভয় চরণ যেন রাধারাণীর সেবক হন।

ভগবৎ প্রচারক হয়। এবং মুদঙ্গ বাজাতে শেখে। অভয় চরণ ৭০ বছর বয়েসে একটি মালবাহী জাহাজে করে আমেরিকা গিয়েছিলেন। ১৯ তারিখে জাহাজ কলম্বো পৌঁছায়। ২০শে আগস্ট ছিল জন্মাষ্টমী। সেদিন তিনি নাবিকদের হরি কথা শুনিয়েছিলেন ও নিজে রান্না করা প্রসাদ তাদের মধ্যে বিতরণ করেছিলেন। ২৩ তারিখের মধ্যে জাহাজ লোহিত সাগর এসে পড়লো। সেখানে তাকে অনেক অসুবিধা ভোগ করতে হয়েছিল। তার বুকের ব্যথাটা এতই প্রবল হয় যে তার মনে হয় যেকোনো সময় মৃত্যু হতে পারে। দুদিনে তাঁর দুবার হার্টএটাক হয়। দ্বিতীয় রাতে প্রভুপাদ স্বপ্নে দেখেন যে ভগবান শ্রী কৃষ্ণ নৌকা বাইছেন। প্রভুপাদ উপলব্ধি করেছিল যে স্বয়ং শ্রী কৃষ্ণ তাকে রক্ষা করছেন। তারপর জাহাজটি প্রথমে বোস্টনে থামে। ১৭ই সেপ্টেম্বর, সেই দিনটিতে জড়বাদী পাশ্চাত্যের মাটিতে পা রেখে শ্রীল প্রভুপাদ বুঝেছিলেন এখানে ভগবৎধর্ম প্রচার সহজ হবে না। ১৯শে সেপ্টেম্বর জলদূত বোস্টন থেকে নিউ ইয়র্ক পৌঁছে, প্রভুপাদের জাহাজ বাস শেষ হয়। জাহাজ থেকে নেমে তিনি কোথায় যাবেন কি করবেন- সে সম্বন্ধে কোনো ধারণা ছিলোনা। তার সম্বল কেবল ৪০ টাকা। যা নিউ ইয়র্কের মাত্র কয়েক ঘণ্টার খরছ। তার পরণে ছিল ব্রজবাসীর বেশ। কপালে তিলক, পরনে একটি সুতির বহির্বাস ও গায়ে চাদর, গলায় কণ্ঠী মালা, হাতে জপ মালা। নিউ ইয়র্কের কেউ স্বপ্নেও এরকম বৈষ্ণব সন্ন্যাসী কে দেখার কল্পনা করেনি। প্রভুপাদ এভাবে ভারতবর্ষের মানুষের কাছে শ্রী চৈতন্য মহাপ্রভুর নাম প্রচার করেন।

"हरे कृष्ण" श्रील प्रभुपाद की जय,

मैं श्रील प्रभुपाद जी के शरण में कब आया और मुझे क्या लाभ मिला उसका विवरण :-

मैं एक दिन मोबाइल में फेसबुक देख रहा था, उसी समय मैं एक प्रभु को फ्रेंड रिक्वेस्ट भेज दिया, वो प्रभु मुझे पूछे, कौन हो तुम, मैं बोला मैं एक आत्मा! वो समझ गये, वो मुझे बोले, तुम्हारा नाम क्या है? मैं अपना नाम बोला तपन साहू, व प्रभु मुझे प्रभुपाद जी का लेक्चर व भजन भेजे! मुझे सूनने के लिए अच्छा लगा ! इस तरह कुछ दिन जाने के बाद, प्रभु मुझे मोबाइल सेसंपर्क किये और बोले "हरिबोल" तुम पहचान पा रहे हो? मैं बोला हा प्रभु! उसके बाद प्रभु मुझे प्रभुपाद जी के बारे में समझाकर बोले, तुम गीता पढ़ो और माला जप करो, गीता के बारे में समझ में आया लेकिन माला के बारे में समझ में नहीं आया, उसके बाद वे मुझे माला के बारे में समझाये ! तब से मैं 16 माला जप करना शुरू किया और गीता पढ़ा! हरे कृष्ण मंदिर जाना शुरू किया और मेरा बहुत परिवर्तन हुआ! मैं पहले बहुत गुस्सा करता था पर अब व सब देखने से घिन आता है, जो लोग ऐसे काम करते हैं उन्हें मैं मना करता हूँ ! मैं उन्हें बोलता हूँ तूम लोग भी प्रभुपाद जी की शरण में आ जाओ, गीता पढ़ो, माला जप करो!

हर एक चीज भगवान का शक्ति समझकर उसे उसी प्रकार उपयोग करना जिसे माया में मग्न जीव में मौलिक चेतना जाग्रत हो सकता!

Bhakta Tirth Hihoriya

Dear Srila Prabhupada,

Please accept my obeisances unto your lotus feet.

I am very grateful to hear the essence of Krishna consciousness through your preaching of Bhagavad-gita. At first I thought of you as a normal sadhu who knows just the knowledge of Bhagavad-gita but when I heard about your early day struggle and your dedication of spreading Krishna Consciousness, I was astonished that how a person can be so devotional. But then, I have now understood, that you are not an ordinary sadhu but someone beyond our capacity to understand. You are a great soul who came to this material world to take us with you to the spiritual world of Supreme Lord Krishna.

Thank you very much for all this knowledge of life through your great books which will eternally help me a lot in my life to attain spiritual knowledge and go back to the world of Krishna.

Your servant,

Bhakta Tirth Hihoriya.

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus Feet. All glorious to Your Divine Grace.

"Love" is what everyone in the world is longing for. Everyone including animals have that loving propensity. An ignorant Jiva foolishly puts relentless efforts to satisfy this loving propensity. But he cannot know what exactly the "True Love" is unless he comes to your divine shelter. It is your causeless mercy through which I could know, realise and feel what exactly "True Love" is.

As you have said, "In a water tank you throw one stone. It becomes a circle. And the circle expands, expands, and expands unless the circle comes to the shore. Similarly our loving affair begins from personal self to family, from family to society, community, nation, international. But still, it is imperfect unless the circle reaches to the lotus feet of God. Then it is satisfied." You have given us the society where people from different parts of the world are staying together and praying

together to Krishna without discrimination of caste, creed, wealth, or colour; and treating everyone equally. This is really a United Nations and here in the association of the devotees one can really experience the “True Love”.

Here in the temple not even a single of your disciples have met you or seen you personally they have just heard your instructions through your lectures and your books taking them to the heart and trying to follow each and every single word of them in the service of Krishna and his devotees. For me this the biggest example of “True Love”.

Dear Prabhupada, it has been more than 7 years for me in your divine movement during which I have been through so many ups and downs. Please bless me that I can follow your instructions more seriously in order to progress in bhakti.

Your Insignificant Servant,

Bhakta Vanrajsinh Tadvi.

Jai Srila Prabhupada

Please accept my humble obeisance

Prabhupada you given me a second life. This second life is to understand myself, to know what is good and what is wrong. I joined Hare Krishna movement in 2007. I remember, that time I was so excited and wanted to be always in spiritual mood. I always wanted to chant Hare Krishna Mantra, and was very excited to attend mangalaarati, darshna arati, bhagavatam classes, etc. One time also came when I wanted to join ashram.

But Maya is so strong, and in front of Maya I was became weak. From 2013 my spiritual activity came down. In 2014 I got married and started struggling to keep spiritual life active. In this situation I always remember your teachings, Prabhupada, you used to tell, “In any condition don’t give up Hare Krishna movement,” and I am following the same.

Now slowly situation is changing. I am getting spiritual environment at Hare Krishna Movement Ahmedabad. I started chanting again and trying to reach 16 rounds daily.

I realized so many changes came in my life. When I discontinued spiritual activity that time so often I was going in wrong direction but I was saved due to knowledge I got from your teachings. I realized Krishna is giving us what we required. Whatever hard work we do, if we are not doing that work for Krishna that is waste of time.

Please give me strength to continue my spiritual journey without any obstacle. Also please give knowledge to my family so they also can join Hare Krishna Movement, so I will get good association even at home.

Thank you so much Prabhupada for giving such a beautiful life, where I am always happy and involving in your services.

All glories to Srila Prabhupada. Hare Krishna.

Your Servant,

Bhakta Ved Prakash.

Dear Srila Prabhupada,

I want to show my gratitude to the Jagat Guru A.C. Bhaktivedanta Swami Srila Prabhupada for giving me knowledge of Vedic scriptures, especially of Bhagavad-gita through the Hare Krishna Movement. Just by reading Prabhupada’s books & listening to his lectures, I was able to easily understand Krishna conscious philosophy.

Being a college student, it helps me to grow both in spiritual as well as personal life. It teaches me importance of spirituality in student life & how I can live happy life just by following his words. By following Prabhupada's instructions, I'm chanting Hare Krishna Maha-mantra which gives me real happiness.

Prabhupada's words are also very important to solve many personal problems. I'm thankful to you for realizing the ultimate aim of this human life & how I can liberate myself from birth death cycle. I Feel so lucky that I got this chance to become a devotee of Prabhupada through Hare Krishna Movement & got the opportunity to understand Krishna consciousness knowledge through your books & lectures.

Your servant,

Bhakta Vikas Laxkar.

“Abandon all varieties of religion and just surrender unto Me. I shall deliver you from all sinful reactions. Do not fear.”

I am very much fortunate that you send your disciples to give me the above message. I am very blissful that I got the guidance of Prabhu Ji from Hare Krishna Movement, who is constantly guiding me on the path to go back to Godhead. I feel pleasure in chanting the Hare Krishna Maha-mantra – “Hare Krishna Hare Krishna Krishna Krishna Hare Hare, Hare Rama Hare Rama Rama Rama Hare Hare”, and performing devotional service to the Supreme Lord Sri Krishna. This year, I was not able to perform my devotional services but I was in constant association of devotees. I pray, please be merciful to me and help me tame my mind in a way that I can diligently perform the chanting of Hare Krishna Maha-mantra, perform devotional services, and have association of Krishna conscious devotees.

“I offer my respectful obeisances unto my spiritual master, the deliverer of all fallen souls, whose mercy turns dumb into eloquent speakers and enables the lame to cross mountains.”

Hare Krishna.

જય શ્રીલ પ્રભુપાદ

આપણી ભારતીય સંસ્કૃતિ માં ગુરુ - શિષ્ય પરંપરા અનેક યુગો થી ચાલતી આવતી જોવા મળે છે. જેમકે સતયુગ માં ભગવાન શ્રી રામ - વશિષ્ઠ ઋષિ , દ્વા પર યુગ માં ભગવાન શ્રી કૃષ્ણ - સંદીપની ઋષિ . તેમજ હાલના કળિયુગ માં પણ એજ રીતે બ્રહ્મ મધ્વ ગૌડીય પરંપરા માં શ્રી બ્રહ્મા થી નારદ થી . આ પરંપરા ના આચાર્ય શ્રીલ પ્રભુપાદ સુધીના ઉદાહરણો જોઈ શકીએ છીએ.

આ ભૌતિક સંસાર માં દરેક માતા પિતા તેમના સંતાનો ને સારું શિક્ષણ આપવા ઇચ્છે છે. તેના માટે સારી સ્કૂલ / કોલેજ શોધી તેમાં એડમિશન અપાવે છે. સારા શિક્ષક રોકી ટ્યુશન કે ક્લાસ પણ કરાવે છે . ખુબ ખર્ચો કરી (ઘણીવાર જોવા માં આવે છે કે લોન લઈ) ને પણ બાળકો ને ભણાવે છે. હવે દરેક સ્કૂલ કે કોલેજ માં લગભગ એક જ પ્રકાર નો અભ્યાસ ક્રમ ભણાવવા માં આવે છે. દરેક પુસ્તક માં લગભગ સમાન કોર્સ હોય છે તો મારો પ્રશ્ન છે કે આપણે બાળક ને પુસ્તક અપાવી દઈએ તો તે જાતે ભણી ના શકે? આટલો ખર્ચો કરી શિક્ષક કેમ રાખવો જોઈએ ? જો આ ભૌતિક દુનિયા ના વિજ્ઞાન, ગણિત ભણવા માટે શિક્ષક ની જરૂર પડતી હોય તો દિવ્ય જ્ઞાન જે ભગવતપ્રાપ્તિ નું વિજ્ઞાન છે તે સમજવા માટે ગુરુ ની જરૂર ના પડે ?

ગુરુ ની અવશ્ય જરૂર છે. ગુરુ ની કૃપા વગર કૃષ્ણ પ્રાપ્ત ના થઇ શકે. આ ભૌતિક મહાસાગર પાર કરવો અત્યંત કઠિન છે પણ સાચા ગુરુ ની કૃપા થી સરળતા થી આપણે ઓળંગી શકીએ છીએ.

આ ભૌતિક જગત માં મોટા ભાગ ના લોકો સવાર થી સાંજ સુધી ઉગ્ર કર્મ કર્યા કરે છે અને તેમની સાથે રહેનાર પણ તેના જેવો જ થઇ જાય

Dear Srila Prabhupada,

My entry in FOLK Hostel was purely by your mercy. Initially, during my stay, I had thought that I will not be able to stay in this hostel because God was something I never believed in. If you were not to guide from within, I would just have become a karmi, with only aim in my life to gratify my senses. But now, after couple of years have passed, it is only because of your mercy, I have realized that I was terribly wrong. Before coming in touch with Krishna Consciousness, I was a misguided soul who was an atheist and was clearly going in the wrong direction by mocking at people who were engaged in spiritual activities. But it is only by your mercy, that I am able to chant the holy name of the Lord 16 rounds a day. After coming in touch with your teachings, it has completely changed my perspective towards God and God consciousness.

Being a non-believer in God, it was difficult for me to do this but thanks to your patience with me that I was able to overcome that barrier. Also, after coming in touch with your lotus feet I am able to honor the delicious prasadam. After joining folk, I went to a trip to ISKCON Bangalore and Tirupati Balaji with my fellow Folk boys and the fun I had in that trip is the best I ever experienced in my life.

Also, during my trip to ISKCON Juhu, when I heard your pastime, I was able to understand the struggles and efforts taken by you for making this beautiful temple. I have a wonderful Folk guide as well as my fellow Folk boys who are very caring and helpful. They always help me in my studies and also clear my doubts regarding my spiritual life. Only by their association I am able to grow in my life.

Thank you Srila Prabhupada, for giving me this wonderful opportunity and bless me so that I can progress in my spiritual life.

Dear Srila Prabhupada,

I was in the life full of darkness wasting my valuable time with all possible sinful activities. I had no goal and purpose of life. I had been stuck in this material world that I considered, in four years, I will get this, I will achieve this and all that kind of things. But what after achieving that? I always thought after I get this thing, I'll be happy and satisfied but it was all temporary. I had no idea of life and my own existence, but one day, by Lord's Mercy, I happened to meet a devotee and suddenly, after spending time with him, I started attending the sessions and he was giving me the full knowledge taught by your divine grace A.C. Bhaktivedanta Swami Prabhupada. I started chanting the Hare Krishna maha mantra. After I came in the association of devotees, I became a totally different personality compared to what I used to be. I came to know that material life is unworthy of living and I understood all the reasons for our existence. I am now clear about the purpose and the goal of life. Thank you Srila Prabhupada for giving us such knowledge to have eternal and blissful life.

Your servant,

Bhakta Yanjish Gurung.

I want to write to let Srila Prabhupada know how much his spiritual mentor ship through Hare Krishna movement has meant to me. I am so thankful to Srila Prabhupada for showing me new depths of understanding, knowledge, and wisdom. You are always there in form of a verse or a quote or through your books to help me get through my difficult times.

You are a blessing and a light in my life and in the lives of so many others. I cannot thank you enough. I only hope that I'll be able to encourage others to take shelter of Krishna under your guidance.

Dear Srila Prabhupada,

I request you to accept my humble obeisances and salutations unto your lotus feet.

It is my humble request to you, to accept my apologies for the sins I have committed towards you, despite of my knowledge of your importance in my life.

I am one of the most fortunate beings for in-spite of my disobedience towards you, you have made me realize your presence, and saved me from committing sins any further. I am grateful to you for showering your blessings upon me, which changed me into a devotee from atheist. Every time the thought struck my mind to discontinue practicing Krishna Consciousness, it was you who dragged me back, since a sinful and fallen soul like me would never be able to get free.

I am one in thousands of the fortunate one, to receive your causeless mercy and got opportunity to find the super soul within. It is my humble prayer to you to bless me so that I can serve you and Krishna in every possible way. I pray to you

to always be with me and guide me in all the walks of my life and chastise me if I start walking on the wrong path and kindly drag me back to Krishna consciousness. I pray you to never forsake me.

I humbly pray that a day comes when I become eligible to offer my salutations as your sincere servant.

Respected, His Divine Grace A .C. Bhaktivedanta Swami Prabhupada,

Hare Krishna Prabhupada,

Kindly accept my sincere obeisance unto your lotus feet.

By doing service to Lord Sri Sri Nitai Gauranga, my routine life is going on smoothly. My last year of Bal Sanskriti (Children class) service has been stopped from last one month because of my studies of final year, but I will continue this service after 1 year and I also did not stop the service of Lord Venkateshvara near my home. That service will be continued by your blessing. If I face any type of problem, by grace of your mercy I am getting solution to solve the same.

Srila Prabhupada, give me a guidance and strength to improve my spiritual path. Please, forgive me if I make mistakes by word or phrase while writing this offering homage to you.

Your's Sincere and obedient child,

Bhaktin Abirami Selvakumar.

Dear Srila Prabhupada,

Please accept my humble obeisances to your Lotus Feet! All glories unto you.

It has been almost 3 to 4 years that I have been writing vyasa puja offering, each time with drastically different content.

Last few years my family and I weren't doing so well in bhakti because of the material disturbances. All this while Krishna Consciousness kept my mummy and papa afloat, though there were times when they got really tensed, frustrated, and sad but chanting actually helped in those situations. It was a difficult period but it is Krishna and your mercy which made my parents and me believe that those years were 'resting time' for my dad.

Actually as papa didn't go to work it gave him an opportunity to spend time with my grand mom who just passed away. Also I remember when she passed away everyone in our family were very sad but everyone kept reminding each other that the body is mortal and that the soul had to continue its journey. Though our relatives who had come couldn't really grasp any of it and at the thirteenth or fourteenth day of all the rituals we arranged a Krishna Katha and to my surprise our relatives were so interested to hear it!

Our Gaura Nitai deities are doing fine. We recently learned how to do Abhishekam. It has been a very long time that we have visited the place from where we got our Nitai Gauranga - Ahemdabad temple. I really want to go but it is not possible to miss school but will go.

My mom's bhakti is going good as it was from the past few years. She also has learned a lot of new things about what to or what not to cook in prasadam and many other such things. She is chanting 16 rounds though sometimes she sleeps without completing her rounds because either we go out and came late and tired or she was helping everyone else in the house and didn't get time but she completes. She sometimes gets really angry on Nimish (my younger brother) and me because of

some random reason like we didn't do our chores. That time papa helps us out by telling her how anger can harm her spiritual journey.

Your books have really helped us in many ways. Till the day we have learnt many new surprising things from your books .Your life also had many ups and downs which gives many devotees in weird situations a confidence and assurance that you are standing beside them in the worst situation in life. One of the most relatable things you have written in your books and purports is that the material world is like an ocean getting out of which is difficult. You have helped many people.

My family and I are delighted to be in touch with you and your movement .Thank you for descending on this world and doing all of this for us.

Please keep me at your lotus feet,

Your aspiring servant,

Bhaktin Adrika Singh.

गुरु मां-बाप थी પણ विशेष હોય છે, કારણકે ગુરુ આપણને જીવનમાં સાચો રસ્તો બતાવે છે અને સાચા-ખોટા નું જ્ઞાન આપે છે.

અમે બે વર્ષ પહેલા ભાડજ રાધા માધવ મંદિરના સંપર્કમાં આવ્યા, અને અમારા આધ્યાત્મિક જીવનની શરૂઆત ત્યાં પ્રભુજી પ્રવચન સાંભળવાથી થઇ. ત્યાંથી અમને જાણવા મળ્યું કે જીવનની પૂર્ણતા શામાં છે. આ બધું તમારીજ કૃપાથી સંભવ છે. આજ ના સમયમાં તમારા જેવા ગુરુ મળવા મુશ્કેલ છે.

અત્યારે લોકોના પૈસા લઈને ભાગી જનારા ગણાં બધા કપટી ગુરુઓ છે. એક સાચા ગુરુ મળવા ખુબજ મુશ્કેલ હોય છે. અમે સદ્ભાગી છીએ કે મંદિર તરફથી અમને તમારો આશ્રય લેવાની તક મળી.

સાચું જ્ઞાન સાચા ગુરુ પાસેથીજ મળી શકે છે. અમે આવું પરંપરાગત જ્ઞાન તમારા શિષ્યો પાસેથી મેળવી શકવા જેટલા ભાગ્યશાળી બન્યા એ ફક્ત તમારી જ અકારણ કૃપા દ્વારા સંભવ બન્યું છે.

અમે તમારી કૃપા ઇચ્છીએ છીએ કે જે કૃષ્ણભાવના તમે આપીછે એના પર આગળ વધીને અમે ભગવાન કૃષ્ણ ના ચરણ કમળની સેવા પામીને ગૌલોકવૃંદવાન સુધી ની અમારી યાત્રા પુરી કરી શકીએ।

આજે ગુરુપૂર્ણિમા.... પૂર્ણ ચંદ્ર અને પૂર્ણ પ્રેમના પ્રકાશનો દિવસ ! આજે ગુરુની સાથે કે સામે ના હોઈએ તો પણ, ગુરુના સ્નેહની ચાંદનીમાં ભીંજાવાનું સુખ !

ગુરુ આગ્રહ ના રાખે, ગુરુ અનુગ્રહે રાખે ! ગુરુનો ડર ના હોય, આદર હોય. ગુરુ ક્યારેક અધૂરા હોય નહિ. અધૂરા હોય એ ગુરુ નથી. એમનો ઉત્સવ પૂર્ણચંદ્રની સાથે જ હોઈ શકે.

ગુરુ કોઈ ચહેરો, શરીર કે નામ નથી, એક અસ્તિત્વ છે. જેના આ પૃથ્વીની આજુબાજુ "વાતાવરણ" એને જીવન જીવવા યોગ્ય બનાવે છે એમ ગુરુનું "વહાવાવરણ" આપણને જીવવા યોગ્ય રાખે છે. ગુરુ શીખવે નહિ, જીવે.... ગુરુ મેળવવા નહિ, પામવા માટે તૈયાર કરે.... ગુરુ આશીર્વાદ નહીં, અજવાળું આપે.... ગુરુ ઈશ્વર નથી, જ પણ ઈશ્વરને સમજવાની handbook manual છે.

ગુરુની પરીક્ષા નહિ, પ્રતીક્ષા કરાય-એ આપણને શિષ્ય તરીકે સ્વીકારશે એવી શ્રદ્ધા સાથે. ગુરુ એકવાર સ્વીકારે પછી ભીતર કોઈ મલિનતા રહેવા દે જ નહિ. કારણકે એમનો હિસ્સો બની ગયા પછી આપણું અસ્તિત્વ એમની, ઓળખ પણ છે. ગુરુને સવાલ પુછાય સમસ્યાની એને જાણ હોય એવા વિશ્વાસ સાથે. ગુરુ રુક્ષ નથી. ક્યારેક રુદ્ર હોઈ શકે. ગુરુ વૃક્ષ છે. એમના સુધી જઈ શકીએ તો છાંયો અને ફળ બેઉ મળે, ને ના પહોંચી એ તો જન્મો-જનમ ભટકવું પડે. પ્રભુપાદજીની છત્રછાયા અને તેમની કૃપા વગર ભવાટવી માંથી બહાર નીકળી ભગવદ ધામ પહોંચવું શક્ય જ નથી. હું સદ્ભાગી છું કે મારા ગુરુએ મારો સ્વીકાર કર્યો છે. મારા ગુરુના બતાવેલા માર્ગ પર હું પુરી પ્રામાણિકતાથી ચાલી શકું એવી કૃપા પણ પ્રભુપાદથી સતત વરસાવતા રહે. પ્રભુપાદજીના ચરણોમાં કોટી-કોટી વંદન.....

आप आज हमारे बिच न होकर भी हमारे साथ हैं वैदिक ज्ञान के माध्यम से। आपके दार्शनिक ज्ञान और भक्ति की महत्ता के कारण १९४७ ई. में आप भक्तिवेदांत की उपाधि से सम्मानित हुए। आपने धार्मिक ग्रंथों के प्रामाणिक अनुवाद, टीकाएँ एवं सक्षिप्त अध्ययन-सार के रूप में साठ से अधिक ग्रंथ रत्न प्रस्तुत किए। आपने जुलाई १९६६ ई में अंतर्राष्ट्रीय कृष्णभावनामृत संघ की स्थापना की। और संघ को विश्वभर में सौ से अधिक आश्रमों, विद्यालयों, मंदिरों, संस्थाओं और कृषि-समुदायों का बृहद संगठन बना दिया।

आपका सबसे बड़ा योगदान आपके ग्रंथ हे जो कि अत्यंत मान्य है। ५० से अधिक भाषाओ में अनुवादित हैं। आपकी एक अभिनव कृति बंगाली धार्मिक महाग्रंथ 'श्री चैतन्यचरितामृत' का नौ खंडों में अनुवाद और टिका है। आपकी रचनाएँ वैदिक दर्शन, धर्म, साहित्य और संस्कृति के एक यथार्थ पुस्तकालय का निर्माण करती है।

आपकी कृपा और संस्था के संपर्क में आनेसे हम स्वयं अपने जीवन को उन्नति की ओर अग्रसर कर रहे हैं। हरे कृष्ण महामंत्र की अविरल धरा से जीवन में

सुदृढ़ता आ गई है। कृष्णभावनामृत का पान करके जीवन की दिशा ही बदल गयी है। और इसी आध्यात्मिक तत्व को सार मानकर कृष्ण भक्ति में अनोखी निष्ठा आ गई है। जब तक हरे कृष्ण महामंत्र का जाप नहीं होता मन को चैन नहीं आता, कुछ अधुरा सा लगता है। और रोटी, कपड़ा और मकान के जैसे हरे कृष्ण मंत्र जीवन की ज़रूरत हो गई है। शेष शुभ।

Dear Srila Prabhupada,

First of all, I would like to pay my obeisance to Gurudev Srila Prabhupada ,Sri Sri Nitai Gauranga and Sri Sri Radha Madhav.

Srila Prabhupada, You have transformed my life totally by your grace. You made me understand what should be the actual goal of human life i.e. service to Lord Krishna only, wherever we are and however we are. By serving to your lotus feet and obeying your instructions, I can serve Krishna. And I am so lucky that I am going to take shelter of your lotus feet. So please accept me as your servant and guide me further in my life to serve you and Lord because I am not able to understand on my own.

You are so kind that you worked so hard for fallen souls like me and wrote so many books. But by your mercy I got a chance to read these books like Srimad Bhagvad-gita, Srimad Bhagavatam, Chaitanya-charitamrita, Prabhupada Lilamrita and Bhakti Rasamrita Sindhu. This is your mercy towards me to tell about the purpose of chanting and that is the only key to get out of all this cycle of birth and death. You are so intelligent that you gave a systematic footsteps for fallen souls like me, how to increase faith on God and finally attain Love for him. But I am so fallen that I don't have taste in harinam. So what to think of love for him?

My life has got a firm spiritual goal to achieve by studying Srila Prabhupada's books, association of devotees, chanting Hare Krishna Maha-mantra. This goal is very clear that I have to engage my each and every activity and senses in devotional service of Lord Krishna by remaining in my existing position and preach to others about the glories of lord Krishna. By having the shelter of your lotus feet, please help me out to fulfill the actual meaning of Hare Krishna Maha-mantra to engage me in Lord's devotional service by directing my all senses in right direction.

Begging your mercy more and more upon me! All glories to Srila Prabhupada. Hare Krishna.

Dear Srila Prabhupada,

I offer my respectful obeisances unto the lotus feet of my Gurudev, Srila Prabhupada who has opened my eyes from the darkness of ignorance with the torch of knowledge. I offer my respectful obeisances unto the feet of all Vaishnavas.

Dear Srila Prabhupada, I am thankful to you for bringing me to this 'Hare Krishna Movement' by sending a temple devotee to our home who encouraged us to join this movement 2 years ago. As I came to this temple, I joined the Bal Sanskriti classes for children where I got the real knowledge about God and the spiritual master.

Recently I have started chanting 16 rounds everyday. Even though it is difficult to take time out of my busy study schedule, somehow or the other, by your mercy, I am able to chant my rounds and offer service to the Lord. But sadly, I am unable to spend time reading the spiritual books. I have even quit eating non-prasadam. By your blessings, we had gone for the recent Dham Yatra from temple.

Dear Srila Prabhupada, your mercy has helped me to cross over all material problems. It is only by your blessings that I am able to gradually understand spiritual subject matters and also do satisfactory progress in my academics.

I thank you so much Srila Prabhupada, for the blessings that you have showered upon me and my family. Gurudev, I pray unto you to bless other people also, who haven't come in touch with the Hare Krishna Movement yet.

Srila Prabhupada, please bless me so that I gradually progress in Krishna consciousness and one day I can become a preacher and preach about this movement.

Once again I thank you so much Gurudev. You have showed me the way to the blissful spiritual life.

Your humble servant, Bhaktin Charmi Patel.

Bhaktin Dipali Samanta

Dear Srila Prabhupada,

I pay my most humble obeisances and tons of heartfelt gratitude unto your lotus feet.

Oh my beloved Spiritual Master, I really don't know what would have happened and how would I be if You would not be there for us. I am very unworthy insignificant soul to receive Your mercy.

You have always been in my heart showing me right path by giving Your divine instructions. Your divine voice makes me absorb more in Krishna's services. You always live in hearts of Your sincere devotees, Your books and in Your photos and deities.

I still remember the day when I was frustrated, scared, all alone in my life, all left me but You didn't leave my hands and Your divine words were giving me the light of life.

Thank You Swami Srila Prabhupada for being with me constantly and giving this insignificant soul an opportunity to serve Sri Radha Madhav and all exalted Vaishnavas in the temple. Thank You a ton for the Hare Krishna Movement. Thank You for choosing me as Your daughter although I am unworthy. Thank You Srila Prabhupada for showing us the path towards Goloka.

I beg sincerely to remain your servant eternally. All Glories to you Srila Prabhupada.

आदरणीय श्रील प्रभुपाद

आपके आने से मेरे जीवन में बहुत सारे परिवर्तन आये है। पहले सिर्फ मैं जीने के लिए जीती थी। मुझे लगता था की मेरे आस पास बहुत सारी समस्या है उसी वजहसे मैं बहुत परेशान भी रहती थी और खुश नहीं रह पाती थी। फिर जब मैं यहाँ मंदिर आने लगी तब से मुझे अच्छा लगने लगा। यहाँ पर प्रभुजी लोगो ने बताया की आप ने हमें कैसे जीना है वो सिखाया है। फिर मैंने आप की बुक पढ़ना शुरू किया ज़्यादा नहीं पर अभी तक २ बुक पढ़ी है। आपके बारे में मैंने जाना तब से आप ने जो सिखाया आप ने जो बोले है वो अनुसरण करने का प्रयास कर रही हूँ। आपके एक विडयो में मैंने सुना था की हमें परिश्रम करना है पर प्राणी की तरह नहीं बल्कि मनुष्य देह मिला है, तो परिश्रम सिर्फ कृष्ण की सेवा के लिए करो। सभी से सुना था कि अच्छा जीवन जीने के लिए एक गरू की जरूरत होती है। पर ऐसे ही किसी को गरू बनाने को मन नहीं मानता था। पर जब से आपके बारे में जाना तब से धीरे धीरे आपके बनाए नियमों पे चलने लगी। आपने हमें बताया कि हमें इस भौतिक संसार में रह कर भी कैसे कृष्णभावनामृत पा सकते हैं। आपका खूब खूब धन्यवाद।

पूज्य श्रीला प्रभुपाद,

आपके कमल चरणों में मेरा सादर प्रणाम ।

आपकी कृपा से 4 वर्ष पूर्व हम राधा माधव मंददर से जुड़े और मंदिर के द्वारा हमें भगवान् को सही अर्थ में समझने का मौका मिला और हमारा

आध्यात्मिक जीवन सही अर्थ में शुरू हुआ । इससे पहले भगवान् को देखने का हमारा नजरिया अलग था किन्तु मंदिर से जुड़ने के बाद अब हम सही अर्थ में भक्त बने हैं। आपकी पुस्तकें पढ़ने से और महामंत्र का जप करने से जीवन का सही मूल्य और उद्देश्य समझ में आया है ।

गुरुदेव आपकी कृपा के बिना यह कभी संभव नहीं हो पाता और हम अंधकार में ही रहते । खुद को शरीर समझ कर इंदिय तृप्ति में अपना जीवन व्यर्थ करते । आप की पुस्तकें पढ़कर भगवान् के साथ हमारा संपर्क पता चला और भगवान् कितने दयालु है वह मालूम हुआ । और आपकी ही कृपा से आज हमारे घर श्री श्री नितार्ई गौरांग आए हैं । मंदिर में भक्तों का संग, कीर्तन, प्रवचन, श्री श्री राधा माधव की सेवा का अनोखा आनंद यह सब हमें आप के आश्रय में आने से प्राप्त हुआ है ।

आपकी कृपा से हम हर वर्ष वृंदावन जाते हैं और कृष्ण की कृपा प्राप्त करते हैं । वृंदावन की महिमा और महत्त्व हमें मंदिर से ही जानने को मिला कि वह कोई साधारण स्थल नहीं है क्यूँकी भगवान् साक्षात् वहाँ हर कण कण में है। गुरुदेव आपकी पुस्तक 'आत्म साक्षात्कार का विज्ञान' में पढा की एक

यूरोपियन आपके बारे में कहते हैं कि "मैं स्वयं देखता था की इतने बड़े प्रतिभाशाली व्यक्तित्व कितने सरल हैं। एक छोटी सी जगह में अपने तीन चार भक्तों के साथ नीचे जमीन पर सो जाते हैं। वरना इतनी बड़ी व्यक्त को ऐसे रहने की क्या जरूरत है। इसी में समझ आता है कि आप कितने महान व्यक्तित्व है"।

हे गुरुदेव आपकी प्रशंसा करने के लिए मैं योग्य नहीं हूँ। बस एक छोटा सा प्रयास किया है। कृपया अपनी कृपा हम सब पर ऐसे ही बनाए रखें। यही आशा है।

आपकी भक्त,

इंदिरा भट्ट।

Dear Srila Prabhupada,

Please accept my humble obeisances to your Lotus Feet! All glories unto you.

You came in our life like a torrential rain, and changing it completely.

You're books and lectures are our eternal guide that have been illuminating our path in the darkest phase of our life. Because of your guidance in that phase we never lost faith in Krishna, nor did we deviate from the path of devotional service. By the grace of your mercy we are now able to continue our devotional service peacefully, without any interruption.

Chanting 16 rounds daily and little book reading are part of my routine.

By your causeless mercy we are now able to think more clearly on commonly questioned topics such as life after death and finding ourselves more answerable to questions raised by people in our congregation. Now doing Kirtan is more ecstatic and is a source of energy for us. Your mercy is causeless and we feel it in every step of our life. Now we are more focused, disciplined towards devotional service which we were definitely not previously. I am clear that this world is only illusion and at every step there is danger but now we are confident that you will deliver us from the ocean of birth and death as my spiritual master.

Your eternal servant,

Bhaktin Juhi Singh.

"om̐ aṣṭāna-timirāndhasyaṣṭānāṣṭāna-śalākayācakṣur unmīlitaṁ yenatasmai śrī-gurave namaḥ"

I am very blessed to have Srila Prabhupada, as my eternal spiritual master, as he has helped me make spiritual advancement through his priceless books and videos. It is by your mercy only, Srila Prabhupada that I got an opportunity to engage in service of devotees and Krishna.

After reading Bhagavad-gita as it is, I came to know about Lord Krishna that He is the Supreme Personality of Godhead and we have to try to achieve liberation and go back to Him, to our eternal father.

After reading your books, Srila Prabhupada, I got the understanding that this material existence is not meant for us and that we are servant of Krishna. Our duty to give to loving devotional service to Krishna.

Your Servant,

कहते हैं किसी भी शिष्य के सफलता के पीछे एक अच्छे गुरु की बहुत महत्वपूर्ण भूमिका होती है। यह हमारा सौभाग्य है कि हमारे गुरुजी श्रीला प्रभुपाद जी ने हमें भगवान श्री कृष्णा से जुड़ने का सही मार्ग प्रदान किया है। हमारे गुरुजी श्रीला प्रभुपाद जी के माध्यम से हमें इस भौतिक संसार से बहुत ही सरल और सहज तरीके से भगवान से जुड़ने का मौका मिला है। हम सन 2007 से इस्कॉन से जुड़े हैं और अब हमें भगवान की भक्ति में और गहराई से जुड़ना है। मैं हमारे गुरुदेव श्रीला प्रभुपाद का आभार प्रकट करती हूँ जिन्होंने इस्कॉन का निर्माण किया और हमारे जैसे कई भौतिक संसार यो को भगवान तक पहुंचने के लिए सही पथ प्रदान किया। मैं आशा करती हूँ कि मैं इसी तरह भगवान की भक्ति में लीन रहूँ और कभी इस मार्ग से भटको नहीं।

Dear Srila Prabhupada,

I offer my humble and sincere appreciation to Srila Prabhupada, who is very dear to Lord Krishna, having taken shelter at His lotus feet.

“Hey Gurudeva,

You have solved all the problems of this tiny souls' just by making us chant Hare Krishna.

You have converted home to Temple (Vrindavana.)

You have converted families into Vaishnavas.

You have made us a real human by giving Prasadam.”

All this has happened because of your mercy and Lord Krishna's blessings.

I am especially grateful to Srila Prabhupada for all his efforts and servitude to the Lord. If not for his mercy, I would not have come to know of the true and ultimate God whose name is so sweet and Attractive ...HARE KRISNA!!

All praise and glories unto him—the servant of the servant of the servant.

*Hare Krishna Hare Krishna Krishna Krishna Hare Hare

Dear Srila Prabhupada,

My spiritual association with the Hare Krishna Mandir began in September 2016. We began with attending the spiritual retreat classes, followed by the Bhagavad Gita classes (Gita Life course and Gita Trainer's Course). The Bhagavad Gita classes conducted by the devotees were so deep and intense that I started feeling the 'happiness' in recalling and practicing the essential messages conveyed by Srila Prabhupada. Not a day passes without thinking of the divine power with which Srila Prabhupada wrote so many divine books with messages that are apt for all situations and persons that makes him the Guru for all times.

There are a few changes in my life after I started listening to Sri Prabhupadas teachings. Though there is a long way to achieve the 'detached attachment', I can see for myself that I quickly recover from any disappointment or unhappiness. Importantly, I am trying to do my assigned duty perfectly to the extent possible with a prayer to Lord Krishna in my mind, with least expectation from my associates be it from my household or official responsibilities. Ofcourse, it is difficult, but when I actually repeat myself not to 'expect' any type of 'reward' from anyone for anything, I could see that I am less hurt.

Your teachings have a great influence in my daily life. I get up early in the morning and do the morning aarthi and other offering which gives me immense satisfaction and I could see that when I offer my morning prayers and chanting without any disturbances, I am a lot more peaceful with my self. Emphasising on eating the prasadam and satvik food have improved my health as well. As a working woman, when I frequently travel for my office related work, I try to look for the Krishna temples nearby and have a darshan in the morning. I also do not feel hesitant to tell my hosts or hotels that I require fruits or specific food on the Ekadashi day. I definitely need to go a long way in regularly spending more time in reading Srila Prabhupada's books, but reading atleast one shloka of Bhagavad Gita with the purport has now become a habit.

Jai Srila Prabhupada. Hare Krishna.

*“Om ajṣāna-timirāndhasya jṣānāṣjana-śalākayā

I feel blessed to be given a place at your lotus feet and receive your teachings.

My life is transformed after getting associated with the Hare Krishna Mandir, Bhadaj, for the past 4 years. With your blessings, I am finding more and more opportunities to do seva for Lord Krishna .I am participating enthusiastically in the activities of the temple. I am also doing whatever I can in spreading the message of Krishna consciousness and distributing your books among my friends and relatives.

I feel very happy that I am able to find time to chant 16 rounds and read your books every day. I am making good progress on reading the Bhagavad-gita As It Is and hope to finish it by the end of this year. I pray that I am given the strength to continue doing seva till my last breath.

Whenever I can, I chant the Hare Krishna Maha-mantra. This helps me remove negative thoughts from my mind and be more positive in my behavior – not swayed by gossip or other negative activities. This has given me a lot of inner peace

I pray that your blessings are always with me and will guide me on my spiritual journey

Pranaam. Hare Krishna.

आदरणीय गुरुजी प्रणाम

हम पहले कुछ भी नहीं जानते थे। सही मार्ग दिखाने वाले आप हैं। भगवद्ज्ञान का आपने जो प्रचार किया है उसके लिए आपको शत शत प्रणाम। हमें पहले आध्यात्मिक ज्ञान नहीं था, उस राह पर चलाने वाले आप हो। कहते हैं कि गुरु के बिना ज्ञान पाना संभव नहीं है। हम घर में पूजा करते थे, मंदिर भी जाते थे, लेकिन वहाँ सिर्फ दर्शन करके वापिस आ जाते थे। हमें कोई ज्ञान नहीं था लेकिन श्री राधा माधव मंदिर में आने का बाद बहुत अच्छा अनुभव हुआ और मन को शांति मिली। वहाँ गीता लाइफ कोर्स जॉइन करने के बाद भगवान् के बारे में जाना। भोग, प्रसादम, तिलक, जप और धर्म के बारे में जाना। वहाँ भक्त जनों के साथ आध्यात्मिक बातें जानने को मिली। वहाँ हो रहे उत्सवों और कार्यक्रमों से बहुत जानकारी मिली। आपका बहुत बहुत आभार।

Dear Srila Prabhupada

Please accept my most humble obeisances at your lotus feet. All glories to beloved Srila Prabhupada.

I am so fortunate to have your divine grace as my spiritual master. I want to surrender myself more and more to your lotus feet for my whole life. And I am so lucky that you have given me the very simple and easiest way to get maya away from me so I am chanting Hare Krishna Maha-Mantra regularly everyday. By your mercy now I know who am I and what I must do. Gurudev I surrender to your lotus feet. I have only my shraddha, determination to offer at your lotus feet so kindly accept it. When I do book distribution so many people ignore it or tell that I have at home; then I recall how your divine grace would have spread this mission throughout the world. So many difficulties came in your life, but you never said that “I can't do it”. Your only mission was to spread Krishna consciousness to the world as your guru told you. So then I realize

that I should follow in your footsteps and do preaching. So I have decided that I will distribute the books and spread Krishna consciousness to the people as much as possible and I will chant Hare Krishna Maha Mantra everyday. I am feeling so fortunate that I have got a guru like you, who can take us back to Goloka Vrindavan. I pray that I shall be able to always follow every instruction of your divine grace.

Dear Srila Prabhupada,

I offer my respectful obeisances unto your lotus feet. O Prabhupada, you are an ocean of mercy. We were born in the darkest ignorance and you opened our eyes with the torch of knowledge. I offer my respectful obeisances unto you again and again.

It has been six years since I started coming to temple. I consider myself very fortunate because I have got this opportunity to learn more and more about spiritual subject matters and most importantly about the Supreme Personality of Godhead Lord Sri Krishna. This is all because of your mercy and by your books which impart the transcendental knowledge.

Every Sunday I go to the temple and attend the Bal Sanskriti classes for children where I get to know about Lord Krishna, His name, form, glories, qualities and pastimes. Only because of your blessings upon me I have got this opportunity. Thank you so much, Srila Prabhupada.

I now chant six rounds daily. In the last few years I have visited many holy places and only by your mercy we could know about the glories and pastimes of these dhams.

Dear Srila Prabhupada, whatever success I have achieved in any field is because of following your instructions. Please continue to bless me with your mercy so that I can follow in your footsteps. I am grateful that I have been given this chance of practicing Krishna Consciousness from young age. Thank you Srila Prabhupada for all the blessings.

Respected HDG Srila Prabhupada,

My humble obeisances and prayers to Srila Prabhupada.

First of all I was very confused how to put my words in writing. The changes in my life when compared to last offering letter two years back. With the blessings of SP

- § Took 2nd level of SP's ashraya
- § No tea and coffee
- § To chant 16 rounds of Hare Krishna Mahamantra
- § Changes in daily routines
- § Welcoming Sri Sri Nitai Gauranga Deities to our house

Due to some personal reasons, I was into depression, but after the advent of Sri Sri Nitai Gauranga Deities in our house, with Their daily seva and chanting, I was able to overcome that phase.

Last year when we visited Vrindavan, along with HKM temple devotees, I was amazed to see how Srila Prabhupada on his guru maharaj's request went to west in spite of his old age and by his preaching, he transformed the lives of thousands of westerners into vaishnavas.

I conclude by offering prayers to SP who established Hare Krishna Movement and constructed many temples which give a chance to people like us to serve their lordships Radha Krishna in many ways wherein I have got opportunity to serve in making flower and tulasi garlands , which I never before dreamt off

Respected Gurudev Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet. All glories to you on this most auspicious appearance day of your divine grace.

Gurudev, your divine lotus feet are the only guiding force to get pure devotional service of Lord Krishna. Only by your merciful glance this insignificant soul can pass through this DUKHALAYA. In these four years of my Krishna Conscious life, by listening to and reading your books, I have got some light of transcendental knowledge which helped me to open my darkened eyes. I have understood that one can get true and eternal joy only by serving Krishna. I want to engage myself more and more in Krishna's devotional service but it is not possible without your mercy so Gurudev, please have your merciful glance over me to overcome all the hurdles, to do regular sadhana and to move ahead on this divine path shown by you.

Gurudev, please shower your blessings on me to surrender and increase my love towards Lord Krishna, so that I get the strength to meet the challenges of life by taking the support of the divine lotus feet of Lord Krishna. Please give me

strength to follow your instructions and to become a humble servant of your devotees to serve your mission. I am grateful and offer respects to all the devotees of Hare Krishna Temple, Ahmedabad.

Your humble servant,

After taking Srila Prabhupad ashraya there are lot of changes experience in my life;

I felt fortunate that while visiting Hare Krishna temple Bhadaj, temple offered us to watch a short clip of video on the questions and facts shown was the life changing moment. Then we joined Spiritual retreat class and it helped us to understand the fact of life and we started going deeper in Krishna bhakti. My sincere thanks to Srila Prabhupada who established such a beautiful system and devotional organization which helped me to immerse in Krishna bhakti. I was influenced by the preaching and spiritual classes, and started Hare Krishna Maha-mantra chanting daily. Now I chant 16 rounds daily.

I started waking up in the early morning (Brahma muhurtam). I pray and do aarti as a routine, both morning and evening in my house. Prior to consuming, I am systematically offering all the bhoga preparations first to Sri Radha Madhav, as per the guidelines. I stopped consuming onion, garlic, tea & coffee

We are doing sankirtan at home regularly, and even organizing a function on auspicious occasions. I keep fast every month on the occasion of Ekadashi.

After taking Srila Prabhupada Ashraya I experienced that fear existing in me has vanished and my confidence level has increased. Since last 3 years I have devoted myself in the service of Lotus feet of Sri Sri Radha Madhav. Prayer and devotion has become soul of my life.

After Srila Prabhupada Ashraya I always felt God is with me for all the support, and I am getting also all the work done and wishes getting fulfilled by the divine grace of Srila and Sri Radha Madhav ..

I am thankful to Srila prabhupad ji who gave beautiful amazing gift for us that is Hare Krishna movement as an organization and system established towards Krishna consciousness ... the regular preaching helped us to understand meaning of life and goal of life ...

I shall be ever obliged to Srila prabhupad ji whose messengers mentored and guided me which contributed significantly making me a devotee ... I am enjoying every moment of life in deep Krishna bhakti ...

Dear Srila Gurudev,

I offer my respectful obeisance at your lotus feet please accept my humble request.

By the mercy of the spiritual master one receives the blessing of Krishna and I am very lucky to have such master in my life.

Gurudeva whenever I write about Vyasa puja offering I just keep thanking you for the mercy you shower on me. Today when I look back I just realize that I have wasted so much time in my past but now my life is for better. I have learnt many things from Gurudev as well as from prabhuji of Hare Krishna Temple. I learnt to do offering in proper way, I learnt to worship Radha Madhav and now it's like a day without Srila Prabhupada and Radha Madhav seems to be waste of time

Srila Gurudev, please accept my humble request and bless me that I remain your routine servant forever and don't leave your worshiping even for a moment.

All glories to Srila Prabhupada

All glories to Radha Madhav

Dear Srila Prabhupada,

Please accept my humble and respectful obeisance unto your Lotus feet. All glories to you.

Four years back I remember myself as a person who was engaged in sense gratification and was doing some sinful activities unknowingly. After one casual visit to the temple, my parents started visiting temple regularly, but I didn't because at first sight it seemed worthless to me. The very same year we went to Vrindavana dham yatra from temple, I took it as a casual trip but it turned out to be a life changing experience for me. There is a major difference in the same person who went to Vrindavana and returned. After that I personally tried not to miss any of the Sunday programmes and festivals. And this all happened because of your causeless mercy.

I consider myself very fortunate that I joined 'Hare Krishna Movement' during my youth and not wasting time in sinful activities. People around me criticised me for going to temple and leading such spiritual life but with your mercy I managed to stand out of the way and lead this spiritual life. I found your instructions and chanting as answers to all my queries. And now as a devotee it makes me feel unique from others and blessed. Without your mercy Sri Sri Nitai Gauranga would have never come to our home.

It gives me strength when I remember how you started this journey at the age of 69 in the totally different western world to follow your Grudeva's order. In this materialistic world I find myself as a fortunate soul to be associated with devotees, serving Sri Sri Radha Madhav, Nitai Gauranga and you; just because of your causeless mercy.

I have a desire to spread your mission by all possible means. Please keep showering your blessings upon all of us and guide us in this endeavour.

Dear Srila Prabhupada

Please accept my humble respects at your lotus feet on the auspicious occasion of Vyasa puja.

*Om ajnana timirandhasya jnananjana salakaya

You are the topmost dear devotee of the lord who inspired and guided many people to attain the goal of life which is to reach the lotus feet of Radha Madhav. Every year in your divine service brings me a newer realization of life and brings me more closer to the lord. I feel I am not that talented to progress in spiritual life but I am trying my best to chant my 16 malas without fail, to read your books and to help the devotees in temple in my limits and to serve the Lord in making garlands. As years roll by I realize how much faith I have increased in the holy name amidst all material problems in my life that I

battle. I feel it is only my chanting that gives me the strength and faith to live a peaceful life ahead and face the problems. Internally my life has changed because of your compassion and your teachings and your books. I am not sure where it will lead me finally but as I read I am sure that Lord's plans are always beautiful than my desire.

Krishna himself said in Bhagavad-gita the method of seeking and approaching guru:

*tad viddhi pranipatena pariprasnena sevaya
upadeksyanti te jnanam jnaninas tattva-darsinah.*

TRANSLATION - Just try to learn the truth by approaching a spiritual master. Inquire from him submissively and render service unto him. The self-realized soul can impart knowledge unto you because he has seen the truth.

By your grace I have visited holy places of Char Dham and Vrindavan with temple devotees and felt more blessed by Lord. I am very grateful to all devotees for their association. From devotees I came to know various scriptural injunctions... how to develop spirituality in life, how to utilize my life in Krishna consciousness, how to manage anger, how to be detached, how to accompany everyone but hold to none and so on... Generally people think one should act religiously to please Lord for a happy life...but your purports give a very clear insight how to surrender to Krishna, Science of soul, supreme absolute truth; law of karma etc. I am very much disturbed in my material life but I have lots of faith on the Holy name and your instructions. Please bless me that I remain in association of your exalted devotees and move forward in right direction to attain the goal of life. All glories to you Srila Prabhupada! All glories to your mission! All glories to your followers!

Dear Srila Prabhupada,

It's all because of Iskcon and Srila Prabhupada that I lead a more peaceful and contented life today. It's been couple of years since I have been connected with this institution. I feel I have all the blessings after getting connected with Iskcon. Chanting for Lord Krishna has become a spiritual goal for me and the devotion and love for Krishna is increasing day by day. I got connected towards Krishna's devotional service through my life partner. He introduced me to Iskcon and that's how I started chanting and rendering devotional service towards Krishna. It feels immense pleasure and peace when I do it. And whenever I get stuck in life I feel that Lord Krishna is always with me.

Ever grateful, Bhaktin Shalini Sharma.

मैं गुरु पूर्णिमा के शुभ अवसर पर आपको यानी मेरे गुरु को तथा ब्रह्म मध्व गौडीय संप्रदाय के उन समस्त गुरुजनों को प्रणाम करना और धन्यवाद करना चाहूंगी, जिन्होंने मुझे मेरे इस मनुष्य जीवन का महत्व मुझे बताया। आपही की कृपा से मुझे राधा माधव मंदिर के भक्तों द्वारा भगवत ज्ञान प्राप्त करने की जिज्ञासा हुई और मुझे भगवत / ब्रह्म जिज्ञासा में बढ़ावा मिला। आपकी कृपा से मुझे ही नहीं अपितु करोड़ों लोगों को भगवान की सेवा करने का तथा भगवान के प्रति आकर्षित होकर उनके लिए प्रेम भाव उत्पन्न करने का प्रयास करने की इच्छा हुई। आप के प्रति जो आदर भाव आपके शिष्यों में है वह शब्दों में बताना कठिन है और लगभग नामुमकिन होगा। इसलिए मैं जितनी मेरे लिए मुमकिन हो सके इतनी सेवा कर तथा आप से प्राप्त जो भी, जितना भी ज्ञान है, उसे धीरे-धीरे अभ्यास में लाकर आपको धन्यवाद करना चाहूंगी।

कृपया आप अपनी कृपा मुझ पर बनाए रखें। आप ही के कारण मुझ पर, कुछ हद तक, भगवान की कृपा दृष्टि बनी और मैं अपने मनुष्य जीवन का महत्व समझ पाई।

आप ही के इन प्रयत्नों द्वारा आज हम सब भगवान के नाम-जप का महत्व जान सके। आपके सख्त नियमों तथा संप्रदाय से चला आ रहा यथारूप ज्ञान प्राप्त कर मैं भगवान श्री कृष्ण को हृदय पूर्वक धन्यवाद करती हूँ। उन्हीं के कारण मुझे यह जीवन प्राप्त हुआ तथा उन्हीं के कारण मुझे एक शुद्ध आत्मा से ज्ञान प्राप्त करने का अवसर मिला। आपने मेरे इस अंधकार में जीवन में ज्ञान रूपी अग्नि को प्रज्वलित किया। आप ही की लिखी पुस्तकों का अध्ययन करके तथा आपके द्वारा शुरू की गई या इस्कॉन संस्था के कारण ही आज मुझे और बहुत से लोगों को आध्यात्मिक जीवन प्राप्त हुआ। एक आध्यात्मिक जीवन जीने का तरीका एवं उसकी महत्वपूर्ण ताको आपके द्वारा मैं धीरे-धीरे समझ पा रही हूँ। अगर मुझसे इन प्रयासों में बिना जाने कोई अपराध हो जाए तो कृपया मुझे क्षमा करें।

अंत में, मैं और मेरा परिवार आपको हृदय पूर्वक धन्यवाद करता है।

Dear Srila Prabhupada,

I am gratefully obliged to devotees of Hare Krishna Temple, from whom I get to know about Hare Krishna Mission. With Srila Prabhupada's krupa I am able to change myself and understand the real essence of my life. I am by profession a gynecologist with lots of ups and downs. With His association I came to realize that I am able to do anything only due to His blessings, otherwise I am a useless creature. My home has started becoming a temple, where my kids, my husband and my mother have started chanting. I am whole hearted thankful to Srila Prabhupadaji for enlightening me and the best part I like is he keeps us all on track like a rightful teacher, pulling ears at times and praising sometimes. I feel I am at peace, in harmony with my relations with my patients and with my family. I don't fear for anyone now. I am a servant of Krishna and he is there to take care of me. I am very thankful to the Devotees who helped me start the spiritual journey. I just pray to Krishna to make me engage in His service and doesn't allow me to get distracted so that I can fulfill the real purpose of my existence and to overcome birth and death cycle.

I am thankful to the entire team of Yoga for Happiness, SOBO group. Hare Krishna

Dear Srila Prabhupada,

I still remember the March 2017, when we first visited HKM, Ahmedabad for the Darshan. We were surprised with the cleanliness and the Divya Darshan of Sri Sri Radha Madhava. We felt very much pleased. Then in April 2017, we came to know about the various activities and I joined the Vaishnavi club. But it was just a routine process of visiting temple once in a while. Then my husband joined Gita Life Course and started coming temple every Sunday. But we couldn't accept Srila Prabhupada as Spiritual Master due to modern age scandals of so called Gurus and Acharyas. My husband always used to discuss what was preached in the Gita Life Course after every session. It created a wonderful impact and I started getting inclined towards Krishna Consciousness. But after a certain progress, we understood that without mercy of Guru we cannot go further and we can miss the ultimate goal of our life. Just like, a small boat can float on the water but cannot cross the whole ocean on its own. If it takes a help of a ship then it can easily cross the ocean. So one fine day, we heard our inner voice and accepted Srila Prabhupada as our Spiritual Master and series of miracles started in our life which is still continue.... We can realize the mercy in our life.

I took Shardhhavan Ashraya followed by Sevak Ashraya. We gave up onion and garlic and started eating only Prasadam. By His mercy, in Jan 2019, Lord Sri Krishna came to our home as a 'Srimad Bhagvatam' and within 2 months our beloved 'Shri Shri Nitai Gauranga' Deities arrived to our home.

I have given up my tea and took Ashraya of 8 rounds. I was not able to chant just my 4 rounds but by the mercy of Prabhupada, I started enjoying my chanting and easily can do 16 rounds within no time. I also started enjoying Kirtan. We also started attending Sunday Mangla aratis and Darshan Arati, Guru Puja and Bhagvatam Classes.

Really, not only our life has changed but I feel so joyful that my physical problem of 2-3 years old high blood pressure going normal now a days.

Thus, Srila Prabhupada you are showering you mercy on us continuously and we also started realizing it, which we are unable to speak.

Jay Srila Prabhupada, Jay Sri Sri Nitai Gauranga, Jay Sri Sri Radha Madhav

Prayer to Guru Maharaja (Srila Prabhupada)

Born in darkest ignorance,

My eyes are still covered with arrogance.

I can't understand,

What is happening with me,

I have no one to guide me.

I am struggling alone,

Bearing all the pain alone.

I am not finding any way,

To get out of this material way.

Cheating, meat eating is around me,

Making everyone passionate about it.

I don't like all these,

Then why I am struggling here?

I think my end will be like this,

But

I know my well wisher, my guide, my Guru Maharaja,

My master, ocean of mercy,

Will come to save me from this material world,

Because you know I am not made for this world!

The spiritual master is receiving benediction from the ocean of mercy. Just as a cloud pours water on a forest fire to extinguish it, so the spiritual master delivers the materially afflicted world by extinguishing the blazing fire of material existence. I offer my respectful obeisances unto the lotus feet of such a spiritual master, who is an ocean of auspicious qualities.

Dear Srila Prabhupada,

It is said that a mother's love is the highest love in this world. But I just realised that it is not entirely true because I experience your love for me every single moment and I just feel that I could not have been loved by anyone more than this. I have made countless mistakes in my Krishna conscious life but every single time you have forgiven me. Just like when a child is learning to walk it falls down countless number of times but the mother never loses hope and continues inspiring the child to stand up and walk. It's been nearly seven years that I took shelter of your lotus feet and technically speaking I am not a child anymore in Krishna consciousness. But your disciple is so dumb headed that I have not made even a tiny bit of progress. Sometimes I really think what would have happened to my life if you would not have come and inspired me. You being an Uttamadikari and getting down to my level and trying to make me understand my constitutional position is something very great and makes me respect you even more. My dear master at this moment with full conviction I can say that whatever I am is only because of your mercy. I am humbled by your greatness. When I read your biography I learnt that there was no gap between what you said and what you followed. As I spend more and more time under the shelter of your lotus feet I realise more and more how fallen I am. I would like to point one of the incidents when you showed your love which is the highest form of love to your disciples. It was a book distribution month and devotees would leave the temple early in the morning and come back late at night. Once it so happened that devotees got late and time was past twelve o'clock and they saw you holding a glass of milk waiting for them to return. You were the Jagadguru you really didn't have to do so but you demonstrated your love again and again to your disciples.

We have been asked to finish our homage within one page but Srila Prabhupada I think I can go on writing about your greatness, your love and compassion and still not get tired. I would also like to thank you for giving me such a nice devotee association. I have always appreciated and acknowledged their elevated position. They have been tolerating all my nonsensical behaviour. Please bless them all. Please forgive me for all my mistakes. A child can go wherever he wants during the day time but he will come back to home when its about to get dark. I do not have any other place to go. I will end up coming back to you only. So I request you to somehow accomodate me and keep me under your shelter. Please bless me that I never commit Vaishnava aparadh . Please give me interest to read your books because you have told that one can associate with you through your books. Please give me interest to chant, to do service and please all the Vaishnavas. Desiring to be under your shelter always.

Your humble servant,

Abhay Gopal Dasa.

Dear Srila Prabhupada,

Maxwell once said that - A leader is one who knows the way, goes the way, and shows the way. For me, a Guru is the one who knows the way to reach Krishna, goes the way to reach Krishna and shows the way to reach Krishna. And you are that Guru.

This year has been a critical year for me. Last year I realised the importance of getting initiated. With my personal experience I realised how easy it is to walk the path of devotion and how dangerous it can be if we are not careful. I prayed to the best of my abilities and followed the Vaishnava guidelines. Yes, I stumbled and fell down at times, but with your forgiving mercy and the mercy of Lord Krishna, I got up again and continued my devotional services. I know whatever I do will never be enough but may be you noticed my earnest desire to serve Krishna when you accepted me as your disciple and gave me initiation.

I have come to realise how dark this Kaliyuga is and how you are the inexhaustible source of light in this darkness. You appeared on this planet to show the suffering souls the easiest way to obtain unlimited happiness at the holy feet of Krishna. Not only you reiterated the Holy books of Bhagavad-gita and Srimad Bhagvatam for the modern world, you made it so easy for the suffering souls to realise Krishna through your exemplary work. Dear Prabhupada, you showed the disciples how easy it is to reach Krishna through Bhakti Yoga and the power of chanting the Holy Name. All what is needed is a small desire in one's heart and you literally guide the wandering soul and help him at every step.

Dear Prabhupada, without you, I would have just stayed a wandering soul with wrong aims and ambitions in life and would have wasted this opportunity of being born as a human in this life. Thank you for showering your blessings and mercy on this soul and for guiding me always. I know whatever I do will never be enough, but as a Guru Dakshina, please give me an opportunity to always serve you and Krishna. I sincerely beg for the strength to never leave the devotional path and stay focussed in life to achieve success. Please accept my heartfelt thank you and I bow before you to offer my heartfelt obeisance. Thank you for being the perfect Guru that you are to me and to the millions of souls who would still be lost without you.

Dear Srila Prabhupada

As one worships mother Ganges by offering her a palmful of her holy waters. I humbly attempt to glorify Your Divine Grace on this auspicious appearance day of Yours by taking a palm-full of water from the unlimited ocean of Your transcendental qualities.

Such a spiritual master as You Srila Prabhupada, is the transparent medium by which we get a chance to serve the Supreme Lord who is beyond the conception of the material senses. Service unto You, makes the Lord reveal Himself in proportion to the quality of the service rendered. Actually service to Lord Krishna begins with the service of His bona fide servants and The Lord himself says that the service of His servants is greater and more valuable than His personal service.

It's about three and a half years now since You sheltered me at Your lotus feet. For 2 years you mercifully engaged me in the service of their most beautiful Lordships Sri Sri Radha Krishnachandra, Sri Sri Krishna Balarama, Sri Sri Nitai Guaranga, Sri Prahlada Narasimha and Sri Srinivasa Govinda. The service was sublime and extremely purifying.

As an iron rod kept in fire soon begins to act like fire, similarly your association has kindled alive the fire of Krishna consciousness in me. All that I am able to do today, be it in the chanting of the Hare Krishna Mantra or waking up early in the morning or reading your books or that of rendering different services is only due to your fire like association. Devoid

of the fire's association the iron rod again falls back to it's rusty ways and devoid of your association Srila Prabhupada I will again go back to my old ways.

Every word you spoke and everything You saw was always in the light of Krishna. When you went on your morning walks the nature reminded you of Krishna, when you met people you naturally spoke of Krishna, when you slept you dreamt of Krishna. Your thoughts are always merged in executing your spiritual masters orders. Your compassionate feelings are for the deliverance of the conditioned souls. Your actions are instrumental to Krishna's mission of taking back all the conditioned souls "Back To Godhead". Your complete life is a perfect example of dedicating one's everything to Krishna.

Srila Prabhupada, I thoroughly enjoy hearing your pastimes. Your lilas clearly describe all the good qualities of an exalted paramahansa vaishnava. You perfectly know how to act at different times, places and circumstances. The kind of energy and enthusiasm that Your disciples displayed to please you is extremely inspiring. All these was possible just by your fire like association. Please bless me so that I too may develop at least a drop of such energy and enthusiasm in serving your divine mission.

I have definitely committed many varieties of offenses in the course of rendering devotional service and as the wheel of time unfolds, unleashing its influence I will be bound to undergo many bitter experiences. Srila Prabhupada, please forgive me for all my offenses and give me the strength to practice Krishna consciousness in full faith and surrender. Please bless me so that I may chant without offenses, that I may study your books sincerely and seriously, that I may render practical devotional service under the guidance of my authorities in their full confidence, that I may have transcendental realizations, that I may improve in my Vaishnava relationships, that I may give up my independent nature and surrender unto you more and more, that I may abandon all my misgivings and serve your mission of preaching Krishna consciousness with full enthusiasm.

Your most unqualified servant,

Abhimanyu Suta Dasa.

Abhinava Krishna Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to you on this auspicious day of your appearance.

om ajṣāna-timirāndhasya jṣānāṣjana-śalākayā

caḡsur unmīlitaṁ yena tasmai śrī-guruve namaḥ

"I offer my respectful obeisances unto my spiritual master who, with the torchlight of knowledge, has opened my eyes, which were blinded by the darkness of ignorance." I immensely thank you for graciously giving me an opportunity to come in touch with your causeless mercy. Although I'm unworthy and undeserving, still you have magnanimously showered such a wonderful blessing upon me.

Srila Prabhupada, You have stated in the Krishna book, the story of Sudama brahmana, that when loving service is rendered to Lord Krishna, the entire creation benefits. Thus, a pure devotee of the Lord, who always engages in devotional service, performs welfare work for everyone. This welfare work is nothing like mundane philanthropy, which provides unfortunate persons with material facilities to temporarily offset their suffering condition; rather, it is meant to completely extricate them from material existence and award them an eternal blissful life in the spiritual realm. You served Lord Krishna wholeheartedly and without deviation. You slept little and spent the early morning hours writing. Despite your heavy literary schedule, you did not let anything stand in the way of your preaching. In just twelve years, regardless of your advanced age, you circled the globe fourteen times, went to six continents and in a short time span, you established 108 Temples.

In this way you benefited the entire world, by your own pure devotional service, and by offering a potent spiritual program, capable of eradicating the material existence of anyone who takes to it seriously. Your welfare work did not stop with your physical disappearance, however, as the preaching force which you set in motion will continue to spiritually uplift the inhabitants of this planet.

Following the footsteps of Lord Chaitanya Mahaprabhu, You inspired and guided your disciples to make this annual festival well-known in every part of the world. For the first time, this year, I got the golden opportunity to visit Jagannath Puri during Ratha Yatra. And it is only because of you that now whole world knows this grand festival and even celebrate it all around & enlightening people about the Krishna consciousness movement.

You took so many such hardships so that unworthy person like me could also get to know about the transcendental knowledge. I beg you to please bless me to do my best to glorify you. And help me to learn the art of being non envious of all other living entities, develop staunch faith and determination towards chanting of the Holy names with my utmost attention and develop a meek & humble attitude towards other Vaishnavas and come out of my ignorant and selfish nature.

Thank You, Srila Prabhupada.

Your Aspiring Servant,

Abhinava Krishna Dasa.

My dear eternal father & most worshipable Śrīla Prabhupāda,

Please accept my humble obeisances in the dust of your transcendental lotus feet. All glories to Your Divine Grace! All glories to your sincere followers!

Like hundreds and thousands of other conditioned souls in this present fallen Age of Kali, I have had the greatest and rarest good fortune of coming in contact with you, a pure devotee of the Lord.

The pure devotee of the Lord is the personification of mercy and compassion in this material world. Indeed, without his causeless mercy none can attain the shelter of Kṛṣṇa's lotus feet. By his mere presence the entire world becomes illumined and full of all good fortune. And by his absence the whole world becomes bereft of all auspiciousness. Thank you, Śrīla Prabhupāda, for having come into my life, for I was simply groping in the darkness of ignorance and illusion until I met your surrendered and dedicated devotees. I remain eternally indebted to you and to your devotees.

Śrīla Prabhupāda, you have taught us that serving the instructions of the spiritual master, his vāṇī, is more important than serving his physical body, his vapu. I simply pray that I may receive your blessings to understand and follow these instructions to your full satisfaction. Śrīla Prabhupāda, hearing your transcendental voice always brings me immense comfort and reassurance. Seeing your transcendental self in photos or on videos always rejuvenates my consciousness. Thank you, Śrīla Prabhupāda, for continuing to shower your mercy upon us all.

Śrīla Prabhupāda, you are simply so great a personality. Never in my life had I met such a person. Never in my life had I fathomed that such an individual existed. I am but a small child—inexperienced, ignorant, and foolish. I simply cannot sufficiently appreciate or describe your greatness. I may speak of “surrender unto your lotus feet,” but actually I am not so surrendered. I may speak of “Kṛṣṇa consciousness,” but actually I am not at all conscious of Kṛṣṇa. I may speak of kṛṣṇa-prema, but actually I have no love for Kṛṣṇa. Lord Kṛṣṇa is su-ḥṛdam sarva-bhūtānām, our closest and most dear friend, our eternal well-wisher—and yet I have lost contact with that friend, I have forgotten Him. How great is my misfortune! How fallen is my condition! Our biggest anartha, or fault, explains Śrīla Bhaktivinoda Ṭhākura, is to have forgotten Kṛṣṇa.

I know very little about devotional service, I have no attraction for the process of devotional service, I have no good qualities, but I am convinced that by following and serving you and your mission all my shortcomings will be overlooked by the Supreme Lord and I will be allowed to serve you eternally.

Śrīla Prabhupāda, please allow me to become a surrendered soul at your divine lotus feet. Please forgive my innumerable offenses and continue to shower your mercy upon this undeserving fallen soul. I cannot sufficiently express my gratitude for what you have done by giving me and countless others this unique opportunity of pure devotional service. May your fame and glories continue to be known and chanted throughout the three worlds. All glories to Your Divine Grace!

Your most insignificant & unworthy servant,

Abhirama Dasa.

Abhirama Krishna Dasa

Dear Śrīla Prabhupāda,

Please accept my humble obeisances at your lotus feet.

The most auspicious appearance of your divine grace was only meant to rouse the living entities from their deep slumber of a time which was forgotten eons ago. Out of infinite compassion, you carefully orchestrated your every thought, every instruction, every activity to create immense avenues and opportunities for suffering conditioned souls to awaken. I thank you from the core of my heart for giving this wonderful institution called ISKCON. Krishna created a masterpiece in form of material world, but Your Divine Grace exceeded it by creating a world spiritual within that.

My reluctance and inadequacy in revealing my mind to you has many times threatened my spiritual progress. But you are all knowing and always ready to appropriately engage your disciples. Hence knowing what I lack, you bestowed upon me ample opportunities to serve your devotees. What is this opportunity? What is the result of engaging in such activity? This is explained by You in Sri Chaitanya Charitamrita as follows:

*prabhu kahe,—“vaiṣṇava-sevā, nāma-saṅkīrtana
dui kara, śighra pābe śrī-kṛṣṇa-carāṇa”*

The Lord replied, “*You should engage yourself in the service of the servants of Kṛṣṇa and always chant the holy name of Kṛṣṇa. If you do these two things, you will very soon attain shelter at Kṛṣṇa’s lotus feet.*”

It’s very difficult to surrender to Krishna, but one can surrender to Krishna by surrendering to spiritual master. Though surrendering to spiritual master is even more difficult, it can be easily achieved by surrendering to Vaishnavas, his devotees. And this is what you gifted me, an opportunity to surrender and serve Vaishnavas so that I can be more surrender to you and finally to Krishna. By arranging such experience, You drove me towards better realizing the fact that how one can serve the spiritual master by serving his devotees.

What capability or qualification I have to do any service to anyone?! A heart pouring of envy, bedecked with lust, greed and anger is only fit for committing offence. But beyond all such impurities and imperfection, your merciful glance only sees the besieged soul. Not only did you accept my service but also provided more and more such opportunities. Now please let me reveal the truth, your real agenda behind giving me this chance of service. Actually, to feed my ego I’m repeatedly calling these opportunities as “service”. In reality what your divine grace have endowed upon me is not service, but a treasured chance to associate with your sincere devotees.

It’s important to always count your blessings, but the innumerable learning that I’ve gained through such association was unfathomable for me otherwise. One such learning that widened my horizon came when I witnessed your devotee facing serious debacles in spiritual life, smiling and continuously contemplating on “What does Krishna wants to teach me through this experience”. I don’t know when will I will be so convinced and surrendered. But of one thing I’m fully sure, that anyone who sincerely follows your instructions, is empowered and will finally achieve the supreme perfection.

As Your Divine Grace have mentioned in Sri Chaitanya Charitamrita:

’sādhu-saṅga’, ‘sādhu-saṅga’—sarva-śāstre kaya

lava-mātra sādhu-saṅge sarva-siddhi haya

“The verdict of all revealed scriptures is that by even a moment’s association with a pure devotee, one can attain all success”. I’m greatly blessed to have your association through the association of your devotees. You have changed this offender to a pretender, now please mercifully bring me to surrender.

Aspiring to become servant of your servant,

Abhirama Krishna Dasa.

Dear Srila Prabhupada,

I wish to confide in you that this year of spiritual practice was nothing less than an adventurous journey. In the material life, when we encounter some obstacles on the path that we are traversing, we change over to another but the same can’t be applied on the spiritual path because there is only one goal for a devotee- achieving Love of Godhead and this can be achieved only on the path paved with patience, enthusiasm and determination.

Road blocks and hurdles for a devotee under the able protection of your Divine Grace are only meant to make us ‘stronger’ and ‘beautiful’. This can be realised in the case of the birth of a baby giraffe. The baby falls from its mother’s womb, some eight feet above the ground. It shrivels up and lies still, too weak to move. The mother giraffe lovingly lowers her neck to smooch the baby giraffe. And then something incredible happens. She lifts her long leg and kicks the baby giraffe, sending it flying up in the air and tumbling down on the ground. As the baby lies curled up, the mother kicks the baby again. And again. Until the baby giraffe, still trembling and tired, pushes its limbs and for the first time learns to stand on its feet. Happy to see the baby standing on its own feet, the mother giraffe comes over and gives it yet another kick. The baby giraffe falls one more time, but now quickly recovers and stands up. Mama Giraffe is delighted.

Why does the mother giraffe do this? She knows that lions and leopards love giraffe meat. So unless the baby giraffe quickly learns to stand and run with the pack – it will have no chance of survival. She knows that her baby has learnt an important lesson: Never mind how hard you fall, always remember to pick yourself up and get back on your feet. Most of us are not quite as lucky as baby giraffes. No one teaches us to stand up every time we fall. When we fail, we are down & we just give up. No one kicks us out of our comfort zone to remind us that to survive and succeed, we need to learn to get back on our feet. This is where I can appreciate the unique role of Your Divine Grace in my spiritual journey so far- every time I had a discouraging phase and almost caught in the powerful nets of maya, you acted mystically and helped me in escaping it.

You taught us through your personal example via this instruction- “Physically and mentally we may be disturbed sometimes, but we have to stand erect on the spiritual platform. I may inform you in the connection that I am at the present moment physically unfit; I am having always a buzzing sound in my brain. I cannot sleep soundly at night, but still I am working because I try to be in my position of spiritual platform.” In this connection, I can also recollect the statement made by Srila Bhakti Siddhanta Saraswati Thakur Maharaj- “Do not give up devotional service even if there are innumerable dangers, countless insults and endless harassment.”

Lastly, my prayer to Your Divine Grace is nothing but an extract from Your Vyasa Puja homage in 1935- “Personally, I have no hope for any direct service of the coming crores of births in the sojourn of my life, but I am confident that someday or other, I shall be delivered from this mire of delusion in which I am at present so deeply sunk. Therefore, let me with all my earnestness pray at the lotus feet of my divine master to allow me to suffer the lot for which I am destined due to my past

misdoings, but to let me have this power of recollection: that I am nothing but a tiny servant of the Almighty Absolute Godhead, realized through the unflinching mercy of my divine master. Let me therefore bow down at the lotus feet of Your Divine Grace with all humility at my command”.

Aspiring to be your eternal servant,

जगद्गुरु श्रीला प्रभुपाद के दिव्य चरण कमलों की धूलि और उनके मुख से निकली दिव्यात्मक बोली के ललितललाम को सादर प्रणाम करके उनके चरित्र के चित्रण को हृदय रूपी दर्पण में प्रतिबिंबित करते हुए , उनके भुवन-भावन की लीलाओं को लिखने का अथम प्रयास करता हूँ ।

जिसके चारु-चन्द्रिका ताप से, धरती नभ सब आनंदित है,
वो जगद्गुरु श्रीला प्रभुपाद हैं, जिनका यशगान अभी तक गुंजित है ।
श्रीला प्रभुपाद आप इस जगत के, हरीनाम प्रचार के गायक हैं,
महाप्रभु के आदेश को विकीर्ण करने वाले , महानायक हैं ।
भगवा रंग उन्नत ललाट, आधुनिक भागवत धर्म के दलपति हैं,
गौर हरी के आदेश पर चलने वाले , अग्रगण्य सेनापति हैं ।
जिस को पाकर शुद्ध हुआ था , भारतवर्ष का उपवन,
आओ जाने कैसा था , अभय चरण का निर्मल जीवन ।
जब अंधेरे के गोद में , भारत माता काली चादर में लिपटी थी,
अध्यात्मिक अज्ञान की बेड़ी, सबके पैरों में चिपटी थी ।
अट्टारह सौ छयानवे में , सितंबर का महीना आया,
उस पावन घड़ी में माता रजनी ने , महाप्रभु का एक अग्रगण्य सेनापति जाया ।
पश्चिम बंगाल, शुद्ध भक्त गौर मोहन के घर में , एक और विशुद्ध भक्त की खुशियां छाईं ,
नित्य नए आनंद हुए , भक्ति पर चलने की बेला आई ।

उम्र अभी छोटी ही थी, संतो के विशेष कृपा को पाया,
ईश्वर की विशेष कृपा हुई, जगन्नाथ रथ उत्सव मनाया ।
1922 में भेटें श्रील भक्तिसिद्धांत से, 1933 में पाया दीक्षा का ज्ञान,
1959 में धारण कर सन्यास को , 1965 में बैठ दिए जलदूत यान ।
की बैठ जलदूत यान , पर सफर नहीं था आसान,
हृदय में ले गुरु का ध्यान, निकल पड़े शुरू करने हरी क्रांति अभियान ।
कर सामना दो हृदयघातों का, पर छोड़ा नहीं हरिनाम का गान,
स्वप्न में दिखे कृष्ण इत्यादि राम , कहा- "डरो मत आगे बढ़ो" मैंने संभाली है कमान ।
उस अपरिचित अनजान भूमि में , ना पाया कोई परिचित और किसी अपने को,
मस्तक पर ले गुरु आदेश को , निकल पड़े पूर्ण करने उनके सपने को ।

पग धरती पर जैसे पड़ा, सारा भूमंडल डोल उठा,
उनके मधु-सुधा की बोली से ,सारा गगनमंडल हरी हरी बोल उठा।
कई संकट विकट आए निकट ,प्रशस्त प्रवीर बन सबको संघारे थे,
गुरुवर के इच्छा पालन हेतु, पश्चिमी देशों में कई साल गुजारे थे।
फिर भी झुके नहीं आरंभिक कष्टों, से निजी सुख को ठुकरा डाला,
गौर क्रांति की लहरों से ,नया पुलकित संसार बना डाला।
हरिनाम का दीपक जलाकर ,मांस मदिरा का त्याग कराया,
कृष्ण भक्ति को जागृत कर, स्त्री लंपट की जटिल समस्या से मुक्त कराया।
1965 से 1977 के कार्यकाल में, 14 बार पृथ्वी के काटे चक्कर थे,
कृष्णभावनामृत संघ स्थापित करने में, विरोधियों से मिले कॉफी टककर थे।
फैल गया हरी का परचम ,हरिनाम तिरंगा लहरा गया,
सब ने पहन लिया हरी हीरक-हार को, संपूर्ण जगत हर्षा गया।
देकर रिक्तिक का ज्ञान, समझाया गुरु पद का मान,
कर श्री कृष्ण का आह्वान ,किया गोकुल को प्रस्थान।
ना हुआ गुरु पद का मान, मस्तक पर चढ़ गया अभिमान,
गुरुपद की लोभ लालसा में ,भूल गए गुरु शिष्य का ज्ञान।
कौन होगा अगला उत्तराधिकारी , शिष्यों में हुआ घोर विचार,
व्यास पद को कर स्वीकार ,गुरु बने सब अनाधिकार।
बैठ गुरु आसान ,लिप्त गए अज्ञान निद्रासन,
देकर कृष्ण भक्ति का आश्वासन ,किया अनपेक्षित शासन।
इस्कॉन बैंगलोर ने किया एक अभियान शुरू , केवल प्रभुपाद ही है दीक्षा गुरु,
यह उनका ही दिव्य आसन है ,उनकी छत्रछाया में ही सही अनुशासन है।
यह आपका नित्य आसन है ,इस पर किसी का ना शासन है,
हड़पने को कई दुःशासन हैं, यह सिंहासन कमलासन है।
इस सम्मानित होती आपके आसीन से ,पूजित है भक्त समाजों के उपासीन से,
इस पर आप के पद रज पोछे जाते हैं, भक्त आराधक के हृदय भाविन से।
वृंदावन की पावन भूमि पर ,लिखे गए कई वैदिक शास्त्र हैं,
दीक्षा गुरु तो आप ही हैं ,कहते सारे धर्मशास्त्र हैं।
जिसने गौर क्रांति को जन्म दिया ,वह श्रेष्ठ नायक आप हैं,
कौन विराजमान होगा इस आसन पर ,इसके न्यायक सिर्फ आप हैं।
जिस पर बैठे गुरु परंपरा और व्यास हैं ,अनुचित लेने के हुए कई प्रयास हैं
जब तक सहमति ना हो आपकी, असफल रहे सारे अभ्यास हैं।
हरिनाम गान मात्र ही ,एक हमारी पूंजी है,
आप की विशेष कृपा ही, भगवत धाम जाने की कुंजी है।

अंतिम कुछ पंक्तियों से ,आपको नमन करना चाहता हूं,
आप के आदेश को आत्म परिचय बनाकर ,उस पर अनुगमन करना चाहता हूं।
झुलसाता ये भौतिक संसार, इंद्रिय तृप्ति में मग्न विचार
धरती पर आपका अनमोल अवतार ,करके कृष्ण भक्ति का संचार
अंतर्घट में हरिनाम गूंज गीत गया , आपकी सेवा में एक और बरस बीत गया ॥

आपका नित्य सेवक,
अच्युत गोविंद दास.

Achyutananda Das

Dear Srila Prabhupada,

Please accept my respectful obeisance.

Prabhupada I do not wish to be called your disciple. Because I am the most fallen and unqualified to be so. By your mercy, you have accepted me as your disciple and I have not been able to do even 1 % of what you expect from me.

Whenever I stand for Guru Puja and hear “Guru Mukha Padma Vakya Chitete Korita Aikya” I feel sad for my inability to do this. Although I dance jubilantly deep down I know I am not a good disciple. Please give me the strength to do atleast 5% of this.

Please empower me to be a good servant of yourself and do more service for your mission. Earlier I was puffed up with knowledge and philosophy and considered myself a scholar. However, now I feel that my only achievements are a few services rendered to you in my life.

Some of them were again motivated by name, fame. But still, spiritually those are my only achievements. I hope I can continue doing services more and more especially making some jivas know about Krishna consciousness through my words and writings.

Please enable me to render service to devotees who are dedicated. Please give me the determination to follow all rules and regulations strictly and consistently and grow in spiritual life.

I pray to give me the strength to fight the games of the mind and take more strong decisions for my spiritual growth.

Lastly, I pray to keep me always in the association of devotees and chant Krishna's holy names life afterlife. Although I am not qualified to be your servant please let me hold your lotus feet life afterlife.

Your humble servant,

Achyutananda Das

Adi Karta Krishna Dasa

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet. All glories to your Sankirtana Movement!

"I offer my respectful obeisances unto His Divine Grace A.C. Bhaktivedanta Swami Prabhupada, who is very dear to Lord Krishna, having taken shelter at His lotus feet. Our respectful obeisances are unto you, O spiritual master, servant of Bhaktisiddhanta Saraswati Goswami. You are kindly preaching the message of Lord Caitanya Deva and delivering the Western countries, which are filled with impersonalism and voidism."

It is my great fortune that I have been associated with you and your glorious devotees in spite of not being able to strictly follow your discipline and standards.

Your causeless mercy on this unworthy soul makes me more humble to your sincere devotees who are enthusiastically spreading this great mission.

Let me make use of this occasion of your divine appearance day to glorify you which is meant for my own benefit, to get the mercy of a pure Vaishnava and Lord Krishna.

Kindly accept my offering, although it can never be sufficient because your glories are unlimited.

Yours eternal servant,

Adikarta Krishna Dasa.

Akinchana Caitanya Dasa

I offer my respectful and humble obeisances unto the Lotus Feet of my beloved spiritual master A. C. Bhaktivedanta Swami Srila Prabhupada, who is the saviour and Master of this universe.

Srila Prabhupada, you being the most confidential servitor of Lord Sri Krishna, the Supreme Personality of Godhead, as predicted by our predecessors Acharyas and the Lord Himself and as stated in the Shastra, such Servants of God are to be respected as God by the devotees who actually want to go back to Godhead. Such Servants of God are also called Mahatmas or Tirthas and they preach according to particular time and place. The servants of God urge people to become devotees of the Lord. And thus as a result of this I got this great opportunity to serve you Srila Prabhupada and in turn Sri Radha Krishna Chandra.

Further, as prescribed in various scriptural injunctions, the servants of God come to propagate God consciousness and intelligent people should co-operate with them in every respect. By serving the servant of God, one can please God more than by directly serving the Lord. The Lord is more pleased when He sees that His servants are properly respected because such servants risk everything for the service of the Lord and so are very dear to the Lord. The Lord declares in the Bhagavad-Gita (18.69) that no one is dearer to Him than one who risks everything to preach His glory. By serving the servants of the Lord, one gradually gets the quality of such servants and thus one becomes qualified to hear the glories of God. The eagerness to hear about God is the first qualification of a devotee eligible for entering the kingdom of God. So, we are part of this amazing process in our journey of self-realization.

Also, as stated by Your Divine Grace in one of your Srimad Bhagavatam Purports, that the Lord can be realized through the aural reception of the transcendental message and that is the only way to experience the transcendental subject. As fire is kindled from wood by another fire, the divine consciousness of man can similarly be kindled by another divine grace. His Divine Grace the spiritual master can kindle the spiritual fire from the wood like living entity by imparting proper spiritual messages injected through the receptive ear. Therefore, one is required to approach the proper spiritual master with receptive ears only and thus divine existence is gradually realized. So, it is just by your causeless mercy we got the whole essence of being Krishna Consciousness. This wouldn't have been possible in this life time without You Srila Prabhupada. I have absolutely no words to express nor the qualification to touch even the dust of your lotus feet, but out of such tremendous compassion by Your Divine Grace, you are providing us the absolute direct opportunities to serve Their Lordships in specific through your such empowered Vaishnavas...

I beg at the lotus feet of Your Divine Grace that please keep me under your eternal shelter and bless me to serve you and your mission till the last breath of my life. Kindly keep me as a most insignificant particle of dust at your Lotus feet and ultimately to reach the final destination which is to go back home back to Godhead. Thank you sooooo much for everything...

Your servant, Akinchana Caitanya Dasa.

Anadi Krishna Dasa

My dear beloved Srila Prabhupada,

It is revealed in the scriptures that the order of spiritual master should be the life and soul of disciple.

Your holiness is the testimony whose only desire was to fulfill the order of His Divine Grace Bhaktisiddhanta Sarasvati Thakura.

In the year 1936, You had been ordered by your spiritual master to spread the literature of Krishna Consciousness in English.

When it comes to book distribution, your books have been distributed more than half billion since 1965.

You really demonstrated what it really means to execute the order of spiritual master with life and soul.

I seek your strength to fulfill the orders of my immediate authorities with life and soul.

Your Servant,

Anadi Krishna Dasa.

Anagha Govinda Dasa

Dear Srila Prabhupada,

Please accept my most humble obeisances at your lotus feet. All glories to Your Divine Grace.

I believe that definitely your unconditional mercy helped me to chant 16 rounds daily. Jai Srila Prabhupada. Thank you very much, Srila Prabhupada, for giving Krishna consciousness to this fallen soul like me.

Gurudeva, please give to this servant just one drop of mercy. I am lower than a blade of grass. O Master be merciful unto me. Give me the shade of your lotus feet. When will such mercy fall upon this fallen soul who is weak and devoid of intelligence? I offer you all respects, for thus I may have the energy to know you correctly. Then, by chanting the holy name, all my offenses will cease.

Srila Narottama dasa Thakura says, chadiya vaisnava-seva nistara payeche keba: *“without serving a pure devotee, one cannot advance in spiritual life.”* (SB 4.22.22)

The service of the spiritual master is essential. If there is no chance to serve the spiritual master directly, a devotee should serve him by remembering his instructions. There is no difference between the spiritual master's instructions and the spiritual master himself. In his absence, therefore, his words of direction should be the pride of the disciple. (CC Adi 1.35)

Your divine pastimes, we can very easily and without any doubt confirm that you are a true confidential warrior of Lord Chaitanya Mahaprabhu and Krishna. You constantly travelled to preach Krishna consciousness across the globe, taking all risks including the risk of old age and ill health, shows that you are the dearest devotee of the Lord. Thus, you have treated the illusioned living beings (including myself) and transformed them into devotees.

Shrila Vishvanatha Chakravarti Thakur writes,

Yasya Prasada Bhagavat-Prasado Yasyaprasadan na Gatih Kuto 'pi

Dhyayan stuvams Tasya Yasas tri-sandhyam Vande Guroh Sri-caranaravindam

Srila Prabhupada, this year on Gaura-Purnima day, I got Harinam diksha. I am very much happy to have this formal relationship with you and the Holy name of the Lord. Please allow me to be with you and your instructions. Please help me to get in touch with many new souls in our IISc campus, so that they will also experience your sublime programmes.

I would like to say thanks to the devotees of ISKCON Bangalore group of temples, as they are rendering service to your lotus feet personally and showing a way of perfect civilized life to us.

Hare Krishna Srila Prabhupada...

Your aspiring servant,

Anagha Govinda Dasa.

Anand Hari Das

Beloved Srila Prabhupada !!

Please accept my humble obeisances at your lotus feet.

Prabhupada you have been my savior in the spiritual journey, I am such a fool tha even after knowing and understating the intricacies of this material world I still engage in these mundane activities.

Prabhupada I have been seeking your shelter and blessings at every step of my life, its been 4yrs you have chosen me as your disciple but I know I have disappointed you always.

Prabhupada thank you so much for giving me second chance so I can get back to devotees association.

Prabhupada please engage me in devotional services and keep me away from mundane materialistic thoughts.

Prabhupada please forgive me if I have offended any of Krsna's devotees by any means in my life.

Your Eternal Servant,

Anand Hari Dasa.

Ananda Gopi Devi Dasi

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories unto you.

As I read your Bhagavad Gita AS IT IS, I understand how you have emphasized on devotional service and this fundamental concept has been seamlessly linked into every chapter of the book. By reading this book I realize that devotional service to the Supreme Personality of Godhead is the only and ultimate objective of human life and there is nothing else at all. I beg at your lotus feet to always keep me engaged in your loving devotional service and please bless me with the strength and health to execute this service flawlessly for your pleasure.

From the scriptures I understand that the Demigods, though being in exalted positions, conduct their activities out of your fear. But me, though so very inferior to the Demigods, I don't have a dint of fear. Being engrossed in ignorance I keep violating your instructions but still I have no fear. Such is my degraded position. I beg at your lotus feet to pull me out of this ignorance and engage me in your loving service.

Dear Prabhupada, day and night you engaged yourself in writing all your transcendental books to help us understand the significance and importance of spiritual life. This has been possible only because of your causeless compassion on us. But, I confess that I don't have a dint of compassion on anybody, not even on the people I come in touch with every day in my life. In the Mahabharata, we see that when Draupadi was being disrobed, exalted personalities like Bhishma, Drona remained silent. It was only Vidura who revolted on this irreligious act and thus he was blessed and delivered by Krishna. Everyone else in the courtroom who remained uncompassionate were killed in the war mercilessly by the will of the Lord. So, please bless me with compassion such that I am able to empathize with people around me and help them in their spiritual life. On occasions when they are in difficulty and if I am not able to do anything for them, please give me at least the sense to offer prayers unto the Lord on their behalf and beg the Lord for their wellbeing.

Finally I beg for your causeless mercy on this fallen soul and bless me such that I am able to perform my devotional service nicely, attend Mangala-Arati every day, chant and hear the Hare Krishna Mahamantra effectively for the pleasure of Your Divine Grace.

Your most fallen servant,

Ananda Gopi Devi Dasi.

Hare Krishna Dear Srila Prabhupada,

Please accept my humble obeisances. All glories unto You.

tvaṁ naḥ sandarśito dhātrā dustaram nistitīṛṣatām

kalim sattva-haram puṁsām kaṛṇa-dhāra ivārṇavam

Dear Srila Prabhupada, I have met Your Goodness by the mercy of the Supreme Lord Sri Krishna, just so that I accept you as captain of the ship, by which I can cross the unsurmountable ocean of Kali very easily, which deteriorates all the good qualities of a human being.” (Śrīmad-Bhāgavatam 1.1.22)

On this most auspicious 123rd Vyasa Puja Celebrations, Your Divine Appearance day, it's only because of Your causeless mercy and pure compassion that you are allowing me to offer this homage unto you. Your compassion is not just limited to me, but surpasses the entire humanity of this world; that's why you could be called as 'Jagad-guru' and a true representative of Srila Vyasadeva. Thank you Srila Prabhupada!

Out of great compassion for the suffering people of Kali-yuga, you tirelessly wrote books about the eternally joyful, spiritual relationships experienced by liberated souls in order to attract the conditioned souls who otherwise try to seek and achieve all these in a perverted/sinful/inappropriate way. Thus, once again Lord Sri Krishna descended through your vani in this age of Kali-yuga, to be present for the next ten thousand years.

In Sri Chaitanya-Caritamrita Madhya 15.169, Śrī Caitanya Mahāprabhu informed Vāsudeva Datta:

tumi yāṅra hita vāñcha', se haila 'vaiṣṇava', vaiṣṇavera pāpa kṛṣṇa dūra kare saba

“You desire the liberation of all kinds of living entities without discrimination. You are very anxious for their good fortune, and I say that simply by your prayer all living entities within the universe can be liberated. You do not even have to take up the burden of their sinful activities. Thus there is no need for you to suffer for their sinful lives. Whoever receives your compassion becomes a Vaiṣṇava immediately, and Kṛṣṇa delivers all Vaiṣṇavas from the reactions to their past sinful activities.” Thank you Srila Prabhupada for delivering me!

Thank you Srila Prabhupada, for giving me A to Z of Bhakti yoga, the perfect science of Self realization. Thank you very much for giving me:

Angas of saadhana, Brahmotsavas, Charanamrita, Dovetailing process & Deities, Exalted Ecstasies, fabulous Flower & Fruits prasadam, Gorgeous Goloka Gudis (Temples), Heart-warming Harinaam festivals, International Society for Krishna Consciousness (ISKCON), Joyous Janmashtami, King of all Knowledge (Raja-vidya), Love of Godhead, Merciful Mahamantra, Hare Krishna Hare Krishna Krishna Krishna Hare Hare, Hare Rama Hare Rama Rama Rama Hare Hare; Nectar of devotees' association, Opportunities for practical devotional services, Powerful Purports, Quest for enlightenment, Radharani's blessings, Scintillating Spiritual life, Treasure of Vedic knowledge, Ultimate understanding of our relationship with Supreme Lord-Sri Krishna, Victorious valorous leaders in KC, World of joy and unlimited happiness, Xerox of the spiritual world, Your servants helping me on my path Back to Godhead, Zoomed versions of my minor competence.

Dear Srila Prabhupada.

Please accept my humble obeisance at the dust of your lotus feet.

Srila Prabhupada, once again I thank you for your blessing on me and keeping under your shelter to serve Krishna through your organization (ISKCON Bangalore).

Prabhupada you are so merciful on your disciples, I have realized that in my life practically. I was always requesting you to engage in Krishna service in your organization until my last breath.

I never expected that you will give me this big responsibility in Krishna's service. I don't know whether I am capable for this service, but I am confident and sure that you will all guidance and strength to achieve this. I just need to follow the instructions of authorities and give my best.

Prabhupada I request once again, please keep me under the guidance of your sincere devotees (ISKCON Bangalore) to serve Krishna. Prabhupada you have given Harinama to go back to Krishna Loka, please give me consciousness and strength to chant Hare Krishna mantra without offenses.

Your insignificant servant, Anantha Narayana Dasa.

Anantha Shayana Dasa

Dear Srila Prabhupada,

On this blessed day, we celebrate your auspicious appearance in this material world. It is with deep heartfelt gratitude, I offer my humble obeisances at your divine lotus feet.

I thank you very much for granting my heart's desire to experience more of your divine love. I have never before felt a such a strong sense of belonging in my life like the way I feel now, although I've only been serving you only for a short period.

Srila Prabhupada, when last year you gave me the service of preaching, to be honest, I was a bit dazed and surprised. I was afraid because "preacher" is a responsible role and as you say "preaching is meant for advanced devotees." I also knew preaching means to give out trust and love which is never easy. Most importantly I know not how to preach. Anyways, I thought that now this is an opportunity to surrender.

A year has passed and as I try to render my service under the able guidance of your disciples, I can only imagine how cold and loveless this world would be, had you not appeared and preached this message of Lord Chaitanya and freely distributed Krishna consciousness.

As a small child looks up to his father for guidance and imitates him, I've been trying to study how you loved and preached to diversity of people on this planet. Srila Prabhupada, the greatest learning for me has been how to respect & love people for being part and parcel of Krishna and preach Krishna consciousness according to their current consciousness.

Preaching is giving out the ocean of love received from the spiritual master. You once shared the secret of preaching in a famous one liner – "Courage of an Englishman and the heart of a Bengali mother." Your profound love for all living entities is phenomenal and unseen before and therefore, your lotus feet are the only shelter in this world.

Srila Vishvanatha Chakravarti Thakura explains that

*samsara-davanala-lidha-loka-tranaya karunya-ghanaghanatwam
praptasya kalyana-gunarnavasya, vande guroh sri-charanaravindam*

The spiritual master is receiving benediction from the ocean of mercy. Just as a cloud pours water on a forest fire to extinguish it, so the spiritual master delivers the materially afflicted world by extinguishing the blazing fire of material existence. I offer my respectful obeisances unto the lotus feet of such a spiritual master, who is an ocean of auspicious qualities.

It's your intense love for Krishna and your desire to deliver this Krishna prema to the suffering humanity that has reshaped the world today. You are a loving father always, whether you were correcting Shyamasundar prabhu's bad habit while carving Jagannath or while teaching Yamuna mataji how to cook in Krishna consciousness or when you asked the temple president to tolerate crazy Peter, it was simply love. The love flowing from your heart for all us is infinite.

You sent your disciples to different countries to inundate people's lives with real happiness in this material desert of non-permanent pleasures. You cared for everyone unconditionally. You personally cooked when Brahmananda prabhu came back from Pakistan just like a mother. I am able to perceive and appreciate your genuine love in every act of yours, Srila Prabhupada. Thank you for giving me this vision. You never lose hope in any of us and your love magically transforms us all till this very day. Thank you for inspiring me to practice Krishna consciousness seriously.

There is a fascinating concept of "one world, one love" among the modern populace. I've always wondered what such a world would look like if people stop identifying themselves based on a set differences such as gender, religious belief, race, political beliefs, age, achievements, nationality, etc... But, then comes the important question, if not these designations, what will they identify with?

While the greatest thinkers of the world still contemplate with no positive means to realize "one world, one love", you've already demonstrated how this can be accomplished. A few years ago, when I first time visited Mayapur, I had a glance of your great vision of a home in which the entire world could live, keeping Lord Krishna at the center. I met a French mathematician who shared that he was rendering service 2 months in a year at Mayapur. I next met an Afro-American who shared how he came to Krishna consciousness and he was grateful for your love and encouraged me to practice Krishna consciousness. In Vrindavana, I met a bunch of devotees from Russia and other European countries who had dedicated their lives in the service of Lord Krishna and were collectively performing sankirtan. All of them identified themselves as Krishna's servant, as devotees and spoke very lovingly. I could see their vision was much broader and clearly they were cooperating. There was love amongst them. This is possible because of devotional service under your able guidance.

As the Srimad Bhagavatam 7th canto confirms that "one can achieve devotional service through the mercy of a pure devotee." I'm convinced even more that this Krishna consciousness movement is the universal remedy to all the global challenges. Thank you for giving me a minor role in this magnificent movement of Lord Chaitanya.

I was reading a few previous Vyasapuja offerings written by you and by the other devotees in order to get into the right spirit. I found this beautiful passage written by your disciple while meditating on the Siksatakam, which I felt as an apt description a disciple's love for his spiritual master.

"Who can define love? She who seeks the attention of her Lover must be surrendered -- and surrender is difficult. The true beloved hopes only to be nothing more than her Master's selfless maidservant, ever content to do His bidding whether in separation or in union."

I pray to the Sri Sri Radha Krishna Chandra and the previous Acharya's to bless me with this kind of love towards you and all devotees.

Begging to always remain in the service of your lotus feet,

Your insignificant disciple,

Anantha Shayana Dasa.

Aniruddha Balaram Das

Dear Srila Prabhupada,

I offer my humble obeisances unto your lotus feet.

All glories unto to Your Divine Grace.

It's a great opportunity for me to write this offering to you.

This year went well and I got exposure in many new dimensions of services. I got the opportunity to meet many new people and I was seeing it clearly that how many of them were trapped by their mind, which is binding everyone. No one is free from 3 kinds of miseries but the mind can be the prominent factor to exaggerate any issue.

The essence of all learning, which I have understood till day is that one should always be engaged in devotional service. If we miss it then Maya can trap us in any form. So, I beg you kindly engage me 100% in your service only.

One can't even maintain his body without working. So how can someone maintain his Krishna consciousness without actively working for it. So, I beg you kindly keep me always engaged in your service.

Staying in the company of Vaishnavas and serving you is very exciting, but Prabhupada, I have noticed that familiarity brings problem in executing any task. Kindly bless me so that I should not become familiar to devotees and hamper my devotional service.

Prabhupada, I am very happy to serve you in the guidance of capable leaders who are following your instructions very seriously. Kindly bless me so that I can serve them throughout my life.

Prabhupada devotional service unto you is very pleasing, kindly bless me so that I should not while away any moment without serving you.

There is no difference between the Holy name and His form. Prabhupada, kindly bless me that my attachment to chanting Holy name should keep on increasing.

Your Servant, Aniruddha Balaram Dasa.

Annapoorna Devi Dasi

Dear Srila Prabhupada,

Please accept my humble obeisance at your divine lotus feet. All glories to you on this most auspicious appearance day of your divine grace. First of all I would like to thank you very much for giving me the opportunity to serve you and Lord Krishna.

Dear Prabhupada, after I received some material gains by the mercy of Lord Jagannath, I feel I am attracted towards material world. Kindly bestow your special mercy upon me so that I will strengthen my will power and with dedication pursue my spiritual life.

I feel happy when I preach the visitors of ISKCON, Bangalore about Japa Meditation. In the Japa club I happen to meet people of different interest and inclination. I make them understand the importance of Japa and when they are ready to take up chanting for the rest of their life, I feel very happy. Any way this is a meager effort compared to what I am supposed to do as your disciple.

It is the mission of my life to train the people in Japa Meditation through Japa club and inspiring them to take spiritual pledge to chant the maha-mantra 108 times every day. I thank you for giving me this opportunity.

On this most auspicious day I humbly beg you to continue to shower your blessing upon me continuously.

Yours sincere disciple, Annapoorna Devi Dasi.

Anuttama Krishna Dasa

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories unto you.

This year as I write this offering to submit at your lotus feet, I am feeling ecstatic and at the same time blessed, reason being I am seeing your personal hand in every step of my life. This year marked a historic event as I was moved from my services at Akshaya Patra into a role of directly serving your holy body, your institution, ISKCON. If I look back at how this transition happened, I don't see anything else but your causeless mercy at every step on this most undeserving disciple of yours.

Every year I beg at your lotus feet to bless me do my Sadhana and my service to your lotus feet and your mission such that I am able to please you very nicely. This year too, I have nothing else but to reiterate the same prayer because how much ever I try I am not able to bring even an iota of pleasure to you.

By your mercy, I have been given the opportunity to attend the Bhakti Shastri course and this is helping me to read and understand your purports more deeply. Even here I understand that it is only by your grace that we can understand, appreciate and absorb these purports.

Some time back, I had somehow developed a desire to go to villages and preach your teachings and spread the Holy name. You know that I had made some plans for this endeavor using my teeny brain. But I did not know whether it would ever fructify. But, here again, you read my mind and desire and blessed me with an opportunity to be part of the village Sankirtan team from the Temple. What can I say! I am only becoming dumb-struck to see your causeless mercy being shown on this most fallen disciple of yours.

My Lord, my Master – I was wandering in all sorts of hellish lives but you have hand-picked me to grace me with your causeless mercy. I do not have any other desire but to keep serving your lotus feet and your mission, every minute, every second, this life and life after life. I am so infected with all my old vasanas that I keep committing offenses all the time and keep failing in following your instructions sincerely and strictly. But only you can take me out of this abominable condition. It is only by your association, only by your causeless mercy that I can progress in spiritual life and serve you and bring maximum pleasure unto you. My only prayer at your lotus feet is to please don't let me go away from you, please don't let me go away from serving your lotus feet, your mission and your organization and please accept the service of this unfortunate beggar eternally.

As we sing in our prayers to you:

guru-mukha-padma-vakya, chittete koriya aikya, ar na koriho mane asha

Let the teachings emanating from your lotus mouth become one with my heart, and let me not desire anything else.

cakshu-dān dilo jei, janme janme prabhu sei,

I beg and pray at your lotus feet that may you be my only Lord and master, in this life and how many ever lives that I am destined for and please keep this most undeserving, fallen disciple of yours always in the service of your lotus feet and your mission.

Lastly, as always, I would like to confess that I am in no way qualified to serve your Divine Grace and I am committing numerous offenses every day in not being able to follow your instructions to the letter. Kindly forgive me and please grace me with sufficient spiritual strength so that I can please you with my Sadhana and my service.

Your most fallen servant,

Anuttama Krishna Dasa.

Arjuna Sakha Dasa

Dear Srila Prabhupada,

Please accept my humble obeisance.

As part of my service I meet people and try to distribute Hare Krishna Maha mantra and inspire them to read books written by you. As you have rightly mentioned in your books, people are living to chase their material dreams and satisfy their senses by all possible means. They are living in darkness not getting proper access to your mercy.

Only by your mercy am I able to inspire into the hearts of few fortunate souls' little interest and discipline in chanting Hare Krishna Maha mantra on daily basis. They are seeing gradual change in them by reading your books and your biography.

Lord Krishna speaks in Srimad Bhagavad-gita "*this material nature is difficult to overcome*". As declared by Lord, I am finding great difficulty even in following strictly the four regulative principles. As I go through the pages written by your early disciples on your glorification, I am very much amazed on how you had tamed them in following regulative principles and engaging them in various aspects of devotional service.

In the name of philosophy people talk so much on tarka –"hypothetical argument". But their arguments don't have any basis of sastric reference or scientific proof. Simply debating for the sake of argumentation people are spending their time and energy. But they don't understand such debating doesn't add any value to their spiritual knowledge or spiritual realization. Vis-a-vis your purports are packed with sound reasoning and sastric reference. When people read your books they derive great clarity in their understanding. By accepting your purports their faith in scriptures and Lord Krishna is getting multiplied.

I take this opportunity to offer my humble respects for passing on inaccessible transcendental knowledge down to unworthy person like me. Please give me more preaching opportunities.

Aspiring to be your servant,

Arjuna Sakha Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to Your Divine Grace!

You write in your letter dated 8th July, 1967 to Smt Jadurani mataji "*I am your Spiritual Father, and Krishna is your Spiritual Husband. A girl can never forget either her father or her husband*". In the Sastras it is said that Spiritual advance of life is achieved through the combined mercy of the Spiritual Master and Krishna. Those who are sincere souls, Krishna helps them to have a bona fide Spiritual Master, and the bona fide Spiritual Master helps the disciple to approach Krishna.

On your Divine appearance day, I thank you for accepting me as your disciple. I pray to you for strength and courage to take up Krsna consciousness more sacrosanctly. I would admit to you that I have come short in following your instructions. Over the coming years I have goals set, for which I do not see a connect to Krsna. Please bestow me the directions to connect to your mission.

When asked by your disciple why you sign off your letters with "*Your ever well-wisher*" you said that a disciple may forget the spiritual master but the spiritual master never forgets the disciple. I feel joy when I remember your benevolence and I wish to express my gratitude for having met you through your mission.

Srila Prabhupada, You're the epitome of mercy, please grant me the strength to understand that Krsna consciousness is the most important thing in life over anything else, by this I may help myself and others.

I once again thank you for accepting me as your disciple, giving me a chance to interact with your sincere disciples and an opportunity to serve your mission.

Your aspiring servant,

Arjuna Sarathi Dasa

Atma Tattva Dasa

Srila Prabhupada,

Please accept my humble obeisances! All glories to Guru and Gauranga!!

Thank you Prabhupada for influencing me to continue the engagement in the service unto their lordship Sri Sri Radha Krishna Chandra for one more year. Although my intelligence is always tossed up and down by the waves in the ocean of material existence, somehow the engagement continues because of the association and environment provided in the institution you have setup in 1966 for giving a chance to all estranged souls to engage constitutionally.

You have so perspicaciously embedded the assorted quintessence of devotional service from the Vedic literatures pronouncing the arbitrament of the most munificent incarnation of the Supreme Lord. Consequently, a conservatory is available to protect the creeper of our spiritual determination from the scorching effects of the three modes. The vani recorded into your dictaphone is the gospel which dispels all-pervading confusion clouded by the scholarly theories of impersonalist commentators. The books by your divine grace are canon which enforces the supremacy of devotional service over mental speculation and fruitive action. These books are the encyclopedia of spiritual universe and the most lucid testaments deciphering our relationship with the supreme lord. Your divine grace is the commander of the Lord Chaitanya's army and bestowed with the potency to destroy the invaders of ignorance in the guise of impersonalism and voidism. I feel fortunate for joining into your battalion, although I am the most inefficient soldier, so what? I can still take pride in announcing that I am the part of the brigade of the most potent commander.

One of the qualities of pure devotees is Karunika, merciful. Your Divine Grace has exhibited this to highest degree. Lord Krishna says, "*Don't speak this science to the non-devotees*" but you have taken the risk of preaching amongst the non-devotees and also convince them to engage in the loving devotional service to the Lord. Therefore you are more merciful than Krishna.

I have got only one realization, and I termed it as "The Beginning of all realization" and it is:

The theoretical knowledge (Jnana) can be transformed into realization (Vijnana) only after pleasing Your Divine Grace by the virtue of sincere service. Svetasvatara Upanishad 6.23 confirms this:

Yasya deve para bhaktir yatha deve tatha gurau

Tasyaite kathita hy arthah prakasante mahatmanah

"Only unto those great souls who have implicit faith in both the Lord and the spiritual master are all the imports of Vedic knowledge automatically revealed."

The same is further confirmed by Lord Krishna to Uddhava:

Only by exceptional fortune, of coming in association with pure devotee, does someone become attracted to Me. And even if one is not completely detached from fruitive activities, or is not completely attached to devotional service, such service is quickly effective.

Your Inefficient Soldier, Atma Tattva Dasa.

Atmarama Bhakta Dasa

Dear Srila Prabhupada!

Please accept my humble obeisances! All glories unto you.

Srila Prabhupada, a few months back I began studying your life's masterpiece Srimad Bhagavatam again, but this time more thoroughly. It occurred to me while reading that I was not studying just another mundane literature but a transcendental literature which is the essence of all Vedic knowledge presented elaborately. It is also the most important and authoritative Vaishnava scripture and Lord Chaitanya himself recommended this book as the spotless Vedic literature. While reading I could clearly sense that those 18 long years of my so called 'modern education' is no match for this one scripture. I could clearly feel that this Bhagavata philosophy is much superior on all fronts morally, culturally, socially, philosophically, scientifically etc. I still remember the constant changes in my science books in school and revisions in history, keeping us in tenterhooks as to which one is correct and wondering if there would be another update to the updates already made.

It made me wonder how I could miss this knowledge for such a long time? And how was it that a lot of people largely misguided have negative views from whom I feigned upon?

Not surprisingly those negative (Fake views) views which I heard from, was not something new and also existed even about a century back and seems to have passed on successfully in their own parampara. These scholarly unintelligent views have been commented upon by Srila Bhaktivinoda Thakur in his book *'The Bhagavat: Its Philosophy, Its Ethics and Its Theology'*:

"What sort of a thing is the Bhagavat: asks the European gentleman newly arrived in India. His companion tells him with a serene look, that the Bhagavat is a book, which his Oriya bearer daily reads in the evening to a number of hearers. It contains a jargon of unintelligible and savage literature of those men who paint their noses with some sort of earth or sandal, and wear beads all over their bodies in order to procure salvation for themselves. Another of his companions, who has travelled a little in the interior, would immediately contradict him and say that the Bhagavat is a Sanskrit work claimed by a sect of men, the Gosvāmīs, who give Mantras like the Popes of Italy, to the common people of Bengal, and pardon their sins on payment of gold enough to defray their social expenses. A third gentleman will repeat a third explanation. Young Bengal, chained up in English thoughts and ideas, and wholly ignorant of the pre-Mohamedan history of his own country, will add one more explanation by saying that the Bhagavat is a book, containing an account of the life of Krishna, who was an ambitious and immoral man! This is all he could gather from his grandmother while yet he did not go to school! Thus the Great Bhagavat ever remains unknown to the foreigners like the elephant of the six blind men who caught hold of the several parts of the body of the beast! But Truth is eternal and is never injured but for a while by ignorance."

Actually this was the situation which Srila Bhaktivinoda Thakur, Srila Sarasvati Thakur and also yourself had to combat in your preaching. Lot of times even fair recently our movement grabbed headlines and was accused of brainwashing youngsters. But in reality, it's the other way around as the British and the current day blind followers of the same biased system of education have successfully brainwashed many intellectuals and innocent in their educational institutions by making the Indians think that their culture and religion was barbarous, backward, etc., and have portrayed Vedic literature and culture as something recent and inferior. By this Indians in general have been made foreigners in their own land and this Srila Prabhupada you had commented once that by this tactic the British has done extensive harm to the Vedic culture and heritage in their short period of rule, Also you had remarked this as an act of violence. Violence also means to violate, stop or deny someone from availing what is rightfully his. The act of denying access to the knowledge of great saints, sages and acharyas of this great Vedic culture and heritage available in Vedic scriptures to the general population and keeping them in ignorance otherwise which could have helped them gain complete perfection in this human life, is hereby the greatest violence and we too are victims of this.

But Srila Prabhupada, you are the one who turned the tables around and for the first time in history made and continue to make Millions of Vaishnavas across the globe and especially in western countries and in India, like the great previous stalwart acharyas continue to defend the sanatana dharma or vedic culture against the onslaught of the forces of maya and

ignorance. What you distributed was the Raja vidya (The King of Education) and nigama-kalpa-taror galitam phalam (the mature fruit of the desire tree of Vedic literatures) and the result is obvious. If we were not favored by your divine grace we would have lived our lives full of ignorance at the Standard of Sub-human or animalistic ways and would have been trapped in a myriad of illusory pleasures, ambitions and desires.

The Bhagavatam says “we become indebted to so many people when we take birth in this world like the demigods, great sages, ordinary living beings, relatives, friends, mankind or even one's forefathers who have passed away, but all this debt can be repaid if one simply surrenders to the lotus feet of the Supreme Lord Mukunda (S.B.11.5.41)”. But Srila Prabhupada how can we clear our debt to you to the one who gave us that Supreme Lord? We feel it is only your kindness when you say, become pleased and satisfied with someone when they simply distribute your books or progress in Krishna conscious. As in reality there is no possibility for a disciple to ever repay his debt to a glorious spiritual master like you.

Your aspiring servant,

Atmarama Bhakta Dasa.

Avinasha Chandra Dasa

Dear most Srila Prabhupada,

PLEASE accept my most humble obeisances at your divine lotus feet again and again. Writing Vyasa Puja offerings every year has always been a pleasure for me, but pain for my mind and intellect (ha ha ha!) as it's a hefty exercise for them. Your birthdays are like checkpoints for I have to pause for a while and look back where I stand currently in Krishna Consciousness and also count the mercy you have showered on me causelessly.

These days I come across so many people, I see how they are suffering, battling material problems with absolutely no knowledge of spirituality. Also some people who are little inclined towards spirituality are being milked by false spiritualists and cheated. I'm so thankful to Lord Krishna for having sent you as an ambassador from spiritual world. You are the only hope to the unfortunate people of this age.

It's been more than an year; I got brahmana initiation from you. You have allowed worshipping the merciful deities even by a sudra like me; who can be more compassionate than you? Doing deity worship has really been the most satisfying service for it keeps us all together in a transcendental platform enforcing us to be clean bodily, mentally. Śaucam - cleanliness being an important quality of brahmana, this time I thought of writing on how you always emphasized so much on cleanliness.

Satsvarūpa dāsa Goswāmī writes:

Wherever Prabhupāda turned in his fledgling Nairobi temple, he found neophyte disciples and discrepancies. Walking into the brahmacārī āśrama, he found books, boards, and paint cans scattered about the room. When he said things should be kept more neatly and orderly, the temple commander, Harikṛpā, replied, "Prabhupāda, I try to tell them, but these boys don't listen to me."

Prabhupāda bent down and picked up some pieces of wood. *"If they don't do it," he said, "then you should do it! Put these over here."* And Prabhupāda began engaging all the men present. Within five minutes the room was neat.

Revatinandana prabhu recalls similar experience:

We were taking care of beautiful, metal Radha-Damodar Deities. The floor of the temple room was wooden, and Prabhupada mentioned that it hadn't been properly cleaned. Kaushalya volunteered to clean it, but the next time Prabhupada saw it he still thought it wasn't clean enough. Prabhupada said, *"You're not doing it properly. Get two pots, one for dirty water and the other one for clean water, and do it like this."* He pulled up his dhoti, got down on his hands and knees, put a rag in one pot of water, and scrubbed the floor. Then in the other pot of water he wrung the rag out and rinsed it. Again he put the rag in the fresh water and mopped up what he had done. He said, *"In this way, you will keep one pot of water clean while the other one gets dirty. Always rinse the rag, and then soak up the dirt. That way you'll pick up the dirt, rather than just moving it around."*

He didn't hesitate to show Kaushalya exactly how he wanted it done and spent two or three minutes on his hands and knees scrubbing the floor in front of the Deities. That was a nice thing to see Prabhupada do.

Although being an *uttama* *adhikari*, you acted in this world as a *madhyama* *adhikari* to educate us, to motivate us. You were always ready to roll up your sleeves and take action. You are the true Acharya - teaching by example. There was zero gap between what you preached and what you practiced, so you were so successful in distributing Lord's mercy.

Another devotee recalls:

Around the time of the first Bombay pandal, when we were staying in Akash Ganga, a high-rise apartment building in an affluent part of central Bombay, Yamunā-devī would stay back and clean. She would clean the whole place, for hours. And while cleaning, she would sing in a very ecstatic mood. She put her whole heart into it.

Later, in April 2007, when she visited me in my ashram in Carpinteria, California, I asked her about this, and she said that Śrīla Prabhupāda had put greater emphasis on *bhāgavata-mārga* because he wanted his books produced, so they would be there for all time, and because he wanted his books distributed, so the income from the sales would support the expansion of the mission. Thus he didn't have much time to personally train disciples in *pāñcarātrikī-vidhi*. But he did train her. She explained that Śrīla Prabhupāda would teach each servant about the importance and standards of cleanliness according to the servant's capacity to understand. And he had trained her very strictly. For example, she often needed to clean his four-tiered cooker, and if he found a black spot on the bottom of any of the sections, he would really chastise her, or whoever had done the cleaning: "This is not Vaiṣṇava. This is Muslim. No Vaiṣṇava will ever leave a black spot on any of the pots in the kitchen." Prabhupāda's cooker was always to shine like gold.

Based on Śrīla Prabhupāda's instructions, Yamunā developed a system for cleaning his quarters in Vṛndāvana—an elaborate five-step procedure in which she would go from bottom to top and top to bottom. First she would get the big dirt off the floor, then she would work her way up the walls as far as she could reach, dusting, and then she would go back to the bottom, cleaning everything as perfectly as she could. If there was anything wrong, Prabhupāda would notice and tell her about it. And keeping the rooms in Vṛndāvana clean was very hard: What with the drifting sands of Ramaṇa-*reti* and the whole place being a construction zone, there was always dirt and corrosion everywhere.

One morning when Śrīla Prabhupāda came back from his walk after Yamunā had gone through her five-step procedure and everything looked as clean as could be, he told her, "Please clean my room, Yamunā. Haven't I taught you to clean?"

"No, Śrīla Prabhupāda," she replied, meaning that she hadn't yet learned. "How may I improve my cleaning?"

He didn't say anything. On his desk were a picture of Śrīla Bhaktisiddhānta Sarasvatī, his eyeglass case, his tilaka, pens, a flower vase, and a stapler. Śrīla Prabhupāda took the stapler, which was about two and a half inches long, removed it from its plastic case, lifted up the metal staple holder, and ran his pinkie across the thin metal strip between the staple holder and the hinge, and dust. "When will you learn how to clean?" he asked.

If Śrīla Prabhupāda had had the time, Yamunā told me, he would have trained all his disciples in both *pāñcarātrikī-vidhi* and *bhāgavata-vidhi*, but because he was focused more on *bhāgavata-vidhi* he mainly trained only his close managers and personal servants, be they men or women, in both. Śrīla Prabhupāda knew the consciousness of his disciples—their capacity to absorb his instruction—and he would train them accordingly.

Yamunā-devī absorbed his training enthusiastically. More than thirty years later she told me, "I can honestly say that I engage in cleaning joyously. In our ashram [in Saranagati, Canada] we sometimes sing and clean for hours and hours. Our place is very primitive—we have a dirt floor and walls—but we like to clean a lot. We enjoy cleaning for Śrīla Prabhupāda and the Deities."

Above pastime of yours is truly an eye-opener for a neophyte like me for I tend to always think I have done my best in my service and become callous. But here I see your standard of service, its paramount, it really flabbergasts me. You show how there is always is a scope for improving in our service.

Following cleanliness we can conquer passion and ignorance in us and achieve pure consciousness. You once said:

Cleanliness is very essential. In English also it is said cleanliness is next to godliness. Everything should be, especially temple. It will attract them. And we are singing daily, śrī-vigrahārādhana-nitya-nānā-śṛṅgāra-tan-mandira-mārjanāḍau. Tat-mandira-mārjana. Mārjana means cleanliness. And want of cleanliness means laziness. If you are lazy you cannot keep clean. "Ah, let me sleep for the time being." That is mode of ignorance. Tamo-guṇa. So we have to conquer over rajo-guṇa, tamo-guṇa. Tadā rajas-tamo-bhāvāḥ [SB 1.2.19]. Then there is question of coming to the platform śuddha, sāttvika. Sattvaṁ viśuddhaṁ vasudeva-śabditaṁ [SB 4.3.23].

I would beg you to bless me with sufficient strength required to perfect myself in both bhāgavata vidhi and pāñcarātrikī-vidhi and work towards pleasing you and the Lord to the fullest.

Let me always remember that if I am practicing Krishna Consciousness today it's only by your causeless mercy.

I beg your divine grace to forgive me for the offenses that I have committed at your lotus feet and to keep me always in your service.

I also beg all my god brothers to forgive me for any offenses that I have committed to them so that I can improve my service to you.

Aspiring to be your clean servant,

Avinasha Chandra Dasa.

Bhagavatottama Dasa

Dear Srila Prabhupada,

Please accept my humble obeisance unto your lotus feet. All glories to your divine grace.

Prabhupada, its almost more than a year serving your mission as being your initiated disciple, thank you for your causeless blessings, guidelines and nice service opportunities, you are always compassionate upon me, even though I am committing some offenses knowingly and unknowingly, the mercy which you bestowed upon me is causeless, when I think of that merciful reciprocations, I feel like it is miracle or sometimes I am wonderstruck with the divine arrangements that happened in rendering devotional service.

Even though not pure or not conscious or fallen, a little intention and trial to endeavor is itself enough, that somehow are the other I have to do something for spreading your mission or do some service or distribute your books, in all these things there is all auspiciousness for conditioned souls. Just like father tells child about the importance of going to school, it is for the good of the child's future, similarly you are always guiding us about, Supreme Mission, Supreme Father and Supreme Abode, through your books and lectures. By pleasing your divine grace one automatically, pleases the Supreme Personality of Godhead, Lord Sri Krishna.

Your only mission in life is to follow the instructions of your spiritual master. You showed your dedication towards your spiritual master in serving his instruction, how you underwent so many hard struggles in trying to spread the glories of the holynome! how you wrote many transcendental books in sleeping just only two hours! how boldly you preached the message of Lord Krishna, externally it may appear to please your guru, you took so much pains and struggles, but when it is seen through transcendental vision, these are all transcendental records in the history of all spiritual worlds.

Thank you Prabhupada for all the blessings, please give strength so that I can consciously do each and every act remembering always your glories, please give me strong faith in attitude of gratitude, so that I can always remember that my only goal in life is to please you by following your instructions.

Prabhupada on this auspicious occasion you are glorified eternally by all your disciples, I wish may your glories be spread all over the universe. My humble prayer unto your lotus feet on this auspicious day and all the time is to please always keep me under your shelter, forgive me for my offenses, give more strength to become offenseless, help me to become attached

to your service more, help me in reading your books and, help me in purifying my existence, give more servant attitude, give me nice attention so that I chant and hear the Hare Krishna Maha Mantra in a proper way, give remembrance so that I can always think I am a servant of servant of your devotees, provide me good understanding to understand the Krishna consciousness more seriously, provide me required attitude to act and behave nicely in association of devotees, provide good service attitude in rendering devotional service. If you are pleased, then Lord Krishna is pleased. Lord Krishna is pleased when you are pleased, so make me or force me to act in either of the two ways, someway or other, in this way I can fulfill the ultimate mission of this human life that is to become a servant of servant of your devotees and the Supreme Personality of Godhead Lord Sri Krishna. Prabhupada, thank you for giving me my initiated name as Bhagavatottama Dasa, on the day of my initiation, when all newly initiated disciples were there, one of your dearest devotee, said are you all satisfied by your spiritual names, we said yes Prabhu, then he said, from now onwards your all spiritual names, will be your real ego, forget all your old material names, for me conceiving how I got that name and acting accordingly in that ego, is very difficult. Prabhupada please provide me required qualification, so that in one day I can understand and fulfill the real meaning of the name given by you. Thanking you eternally.

Trying to become your servant of your servant,

Dear Srila Prabhupada,

Please accept my prostrated obeisances at your lotus feet.

Prabhupada, one of your glories, I came to know recently, is that though you studied Sanskrit language in your school days just for 4-5 years, yet you have translated some of the most important Vedic Literatures – Bhagavad Gita, Srimad-Bhagavatham etc., that too with extensive purports. Ordinarily, this feat not possible by mortals but anyway you are no mortal of this world. You are a Vaikuntha man! I bow down and take shelter of you.

One of your less appreciated contributions is the establishment of independent farm communities in various parts of the world. The basic features of these communities are – all the activities are centred around Lord Krishna, simple living, maximum time for Krishna Consciousness and minimum time for worldly life. As most of the ISKCON centres are located

in the cities of the world, the city people, even your disciples, cannot themselves live out this life for various reasons, though they may very much like the idea of farm communities. The Vedic farming life is very convenient for the dedicated Vaishnava families. I have a desire to lead a life this way.

Knowing my limitations, your grace has been kindly giving me small service opportunities – like magazine distribution, Kannada Literature correction, SP literature distribution, article writing for BVD magazine, Krishna Ashraya preaching, Festival invitations to friends etc.,- none of them big or great but very important personally to keep me connected with the movement. For these, I am grateful to you and also to the great worldwide organization – ISKCON - that you have painstakingly established to please Your Guru Maharaja.

During the last year, my grihasta life has brought on newer responsibilities – of a husband & father. New decisions are to be made both on career and personal living fronts and also for the dependent family. I need all the guidance and hand-holding from your grace and the senior devotees to walk this new and less tried path.

My efforts to fight Maya lacks both conviction and commitment. I can only imagine the amount of bad karma stored in my heart that needs to be burnt. The highly abominable activities which I commit on an everyday basis is bogging me down. It's agonizing – though the faults are all 100% mine. The great hope for me is that the process of KC is solid – success is inevitable. The day-to-day execution is where I need to improve – albeit drastically. With the new plans of life for me & my family, I have broad rays of vigorous hope. Yes! by the mercy of my merciful Spiritual Master, Maya can be overcome.

Aspiring to do some service that pleases you,

Your most fallen servant,

Brahmananda Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisances to your lotus feet,

om ajnana-timirandhasya jnananjana-salakaya, caksur unmilitam yena tasmai sri-gurave namah

I was born in the darkest ignorance, and you opened my eyes with the torch of knowledge. I offer my respectful obeisances unto you again and again.

brahmānda bhramite kona bhāgyavan jīva, guru-kṛishṇa-prasāde paya bhakti-lata-bija

The living entities all over the universe are enjoying the effects of the respective fruitive results of their own work, life after life, and out of all of them, some may be influenced by the association of pure devotees. It is said that man is a social animal, and according to our association we can mold our character, just as businessmen associate with one another to develop their business capabilities. There are many different types of association, and association brings about bondage to a particular thing.

One cannot acquire devotional service by any amount of pious activities. Devotional service can be attained only by the mercy of a pure devotee. Without a pure devotee's mercy, one cannot even escape the bondage of material existence. It is said in Srimad-Bhagavatam,

naisham matis tavād urukramanghrim, sprisaty anarthapagamo yad-arthah

mahiyasam pada-rajo-'bhishekam, nishkincananam na vrinīta yavat

"Unless human society accepts the dust of the lotus feet of a great mahatma, a great devotee who has nothing to do with material possessions, mankind cannot turn its attention to the lotus feet of Krishna. Those lotus feet can vanquish all unwanted miserable

conditions of material life." It is the verdict of all sastras and great personalities that by service to a pure devotee, one attains the path of liberation.

Srila Prabhupada, may my attachment for you always grow. My duty as your disciple is to develop a feeling of separation from you. Please allow me to develop this feeling for you. Please allow me to develop a remembrance of your instructions.

prasangam ajaram pasam atmanah kavayo viduh

sa eva sadhusu krto moksa-dvaram apavrtam

"Every learned man knows very well that attachment for the material is the greatest entanglement of the spirit soul. But that same attachment, when applied to self-realized devotees, opens the door of liberation." (Bhag. 3.25.20) Please let me transfer my desires to your lotus feet. Please give me your association.

tulayama lavenapi na svargam napunarbhavam, bhagavat-sangi-sangasya martyanam kim utasisah

"The value of a moment's association with the devotee of the Lord cannot even be compared to the attainment of heavenly planets or liberation from matter, and what to speak of worldly benedictions in the form of material prosperity, which is for those who are meant for death."

Srila Prabhupada, your association is the highest goal of life. In your physical absence, please bless me with your association by awarding inquisitiveness to hear your vani and remembrance of your divine lotus feet always.

Sri Caitanya-caritamrta Madya 17.80 it is said

mukam karoti vachalam pangum langhayate girim, yat-kripa tam aham vande shri-gurum dina-taranam

By the mercy of the guru, even a dumb man can become the greatest orator, and even a lame man can cross mountains. Srila Prabhupada, please bless me to serve you and your mission in a way you desire and keep me always under your special protection.

Aspiring to become your eternal servant,

ha ha prabhu koro doya, deho more pada-chaya, ebe jasa ghusuk tribhuvana

Our spiritual master is the ocean of mercy, the friend of the poor, and the lord and master of the devotees. O master! Be merciful unto me. Give me the shade of your lotus feet. Your fame is spread all over the three worlds.

I want to humbly submit a request to bestow mercy on this fallen soul so that I can follow your preliminary instructions of chanting 16 rounds attentively, follow four regulative principles strictly, seriously, sincerely, reading your books regularly, render practical devotional service with full enthusiasm under the able guidance of my spiritual authorities. ಪರಮ ಪೂಜ್ಯ ಶ್ರೀಲ ಪ್ರಭುಪಾದರೇ ನಿಮ್ಮ ೧೨೩ ನೇ ಈ ಆವಿರ್ಭಾವದ ಶುಭದಿನದಂದು ನಿಮ್ಮ ಪಾದಕಮಲಗಳಿಗೆ ನನ್ನ ಗೌರವಪೂರ್ಣವಾದ ಪ್ರಣಾಮಗಳು. ದಯವಿಟ್ಟು ಸ್ವೀಕರಿಸಿ.

ಆದಾಗ್ಯೂ ನಿಮ್ಮ ಈ ಶಿಷ್ಯನು ಅದೆಷ್ಟೇ ಅಧಮನಾಗಿದ್ದರೂ ಸಹ ನಿಮ್ಮ ಆಶ್ರಯದಿಂದ ದೂರ ಮಾಡುವುದಿಲ್ಲವೆಂದು ನನಗೆ ಸಂಪೂರ್ಣ ವಿಶ್ವಾಸವಿದೆ. ಯಾಕೆಂದರೆ ನನ್ನಲ್ಲಿ ಅದೆಷ್ಟೇ ದೌರ್ಬಲ್ಯಗಳಿರಬಹುದು. ಅದು ಮಾನಸಿಕವೋ ದೈಹಿಕವಾಗಿಯೋ ಆಗಿರಬಹುದು. ಅಂತಹ ಸ್ಥಿತಿಯಲ್ಲಿಯೂ ಸಹ ನೀವು ನಿಮ್ಮ ದಿವ್ಯವಾಣಿಯ (ಪ್ರವಚನದ) ಮೂಲಕ, ಅಲ್ಲದೆ ನಿಮ್ಮ ಪುಸ್ತಕಗಳ (ಭಗವದ್ಗೀತೆ, ಶ್ರೀಮದ್ರಾಗವತ, ಚೈತನ್ಯ ಚರಿತಾಮೃತ) ಮೂಲಕ ನನ್ನನ್ನು ಭಕ್ತಿ ಜೀವನದಲ್ಲಿ ಮುಂದುವರಿಯಲು ಪ್ರೋತ್ಸಾಹಿಸುತ್ತಲೇ ಇದ್ದೀರಾ. ಹೀಗೆ ನಾನೆಂದೂ ನಿಮ್ಮನ್ನು ಮತ್ತು ಕೃಷ್ಣನನ್ನು ಮರೆಯದ ಹಾಗೆ ಆಶೀರ್ವದಿಸಿ ತಂದೆ. ಏಕೆಂದರೆ ನೀವೇ ನಿಮ್ಮ "ಕೃಷ್ಣ ಆನಂದ ಸಾಗರ" ಎನ್ನುವ ಚಿಕ್ಕ ಪುಸ್ತಕದಲ್ಲಿ ಬರೆದಿರುವಂತೆ "ಕೃಷ್ಣ ಎಷ್ಟು ದಯಾಮಯನೆಂದರೆ, ನಾವು ಅವನನ್ನು ಮರೆತರೂ ಅವನು ನಮ್ಮನ್ನು ಎಂದಿಗೂ ಮರೆಯುವುದಿಲ್ಲ" ಎಂದು. ಮತ್ತೊಂದು ವಿಚಾರವೆಂದರೆ ನಾನು ಎಂದಿಗೂ ಭಕ್ತರ (ವೈಷ್ಣವರ) ಸಂಗವನ್ನು ಬಿಡದ ಹಾಗೆ ಪ್ರೇರೇಪಿಸಿ ತಂದೆ. ಹೀಗೆ ನಾನು ನಿಮ್ಮ ಸೇವಕರ ಸೇವಕನಾಗಿರುವ ಹಾಗೆ ಕೃಪೆ ಮಾಡಿ. ಈ ರೀತಿಯ ಮನೋಭಾವದಲ್ಲಿರಬೇಕಾದರೆ ನಾನು ದಿನ ನಿತ್ಯ ೧೬ ಸುತ್ತಿನ ಹರೇ ಕೃಷ್ಣ ಮಹಾಮಂತ್ರ ಜಪವನ್ನು ಉತ್ತಮ ರೀತಿಯಲ್ಲಿ ಜಪಿಸುವಂತೆ, ಅಂದರೆ ಗಮನವಿಟ್ಟು ಜಪಿಸುವ ಹಾಗೆ ಪ್ರೇರೇಪಿಸಿ ಮತ್ತು ೪ ನಿಯಂತ್ರಕ ತತ್ವಗಳನ್ನು ಕಟ್ಟುನಿಟ್ಟಾಗಿ ಪಾಲನೆ ಮಾಡುವುದು ಮತ್ತು ದಿನನಿತ್ಯ ನಿಮ್ಮ ಪುಸ್ತಕಗಳನ್ನು ಓದಿ ಚೆನ್ನಾಗಿ ಅರ್ಥಮಾಡಿಕೊಳ್ಳುವ ಹಾಗೆ ದಯೆ ತೋರಿಸಿ ತಂದೆ. ಹೀಗೆ ನಾನು ಭಕ್ತಿ ಜೀವನದ ಕಡೆಗೆ ಬಲವನ್ನು ಹೆಚ್ಚಿಸುತ್ತ ಹೋಗುವ ಹಾಗೆ ಕೃಪೆ ತೋರಿ ತಂದೆ.

ಕೊನೆಯದಾಗಿ ನಿಮ್ಮಲ್ಲಿ ದೈನ್ಯಭಾವದಿಂದ ಬೇಡಿಕೊಳ್ಳುವುದೇನೆಂದರೆ ನಿಮ್ಮ ಪಾದಕಮಲಗಳಲ್ಲಿ ಮತ್ತು ನನ್ನ ದೈವ ಸಹೋದರರೇ ಆದ ನಿಮ್ಮ ಶಿಷ್ಯರ ಬಳಿಯಲ್ಲಿ ನಾನು ಮಡಿದ ಅಪರಾಧಗಳನ್ನು ಕ್ಷಮಿಸಿ ದಯೆ ತೋರಿ ಸದಾ ನಿಮ್ಮ ಸೇವೆಯಲ್ಲಿ ಮುಂದುವರಿಯುವ ಹಾಗೆ ಅನುಗ್ರಹಿಸಿ ಗುರುದೇವಾ.

ಇತೀ ನಿಮ್ಮ ವಿಧೇಯ ಶಿಷ್ಯ,

ಚನ್ನಕೇಶವ ದಾಸ.

Charu Chaitanya Dasa

Dear Srila Prabhupada.

Thank you for choosing me as your disciple and initiating me in the Gaudiya Vaishnava parampara . I would not have been able to chant the Hare Krishna Maha-mantra if it was not for your causeless mercy. The attachment and love I have today for Krishna conscious process, even though in a very neophyte stage, is giving happiness and pleasure beyond what I could have imagined outside ashram. I never even thought that such happiness and contentment could be experienced in life. People always used to tell, be satisfied and happy with whatever you have in life, but nobody tells how(?). Our parampara and this nectarine knowledge of Srimad Bhagwatam are the only sources showing this art of life. Who in this world can truly remain happy without possessing many material things(?), By your causeless mercy me and others in ashram are satisfied with just three pairs of clothes, one bed to sleep , doing little austerity and honoring maha-prasadam. Actually this lifestyle and principles are very very easy to follow but people being deluded by the external energy of the Lord are not able to take to them. Thank you for taking me out of this false glitter of Maya and showing light and giving strength to follow this lifestyle. Please keep me on this most glorious and auspicious path and please guide always by giving me your divine instructions.

Your eternal servant,

Charu Chaitanya Dasa.

Damodari Devi Dasi

Jai Srila Prabhupada,

Please accept my humble and respectful obeisances at your lotus feet.

Another year has passed that you have kindly kept me under your shelter. A year filled with new experiences and learnings. It is said that the conceptions of good and bad is simply a creation of mind. Still being conditioned and entrapped within the influence of the mind we act in such a way which causes hindrances to Krishna consciousness. You have saved me in bad times with full confusion, when I felt dull and dejected due to my own foolishness and lack of Krishna consciousness. Still you have kept me in your shelter and made me learn important lessons in life and Krishna consciousness.

Srila Prabhupada, I pray at your lotus feet to kindly bless me with the right intelligence and ability to serve you and please your divine grace. Kindly bless me with the right mood to chant the holy name.

Srila Prabhupada, I beg you to bestow upon me the required tolerance and patience to be exercised during the process of my anartha nivritti.

Srila Prabhupada, please always keep me under your lotus feet and engage me in serving the Supreme Personality of Godhead Krishna eternally.

Depending on your mercy,

Damodari Devi Dasi.

Dasharatha Suta Dasa

Dear Srila Prabhupada,

Please accept my humble obeisance,

A living entity or soul is in oblivion about the reality of his existence. He wanders life after life in so many varieties of species of life in different bodies. The never lasting desires of living entity always remains unfulfilled causing him to keep continuing this process of birth and death. In this process of repeated birth and death when he reaches the body of a human being, by causeless mercy of Krishna he meets a pure devotee and Spiritual master like you to know about the hidden facts of existence.

Spiritual master is the mercy incarnation of Krishna because being compassionate about the suffering condition of living entity, Lord himself comes or sends his bonafide representative like you. Spiritual master shows the real picture of this world. The chaotic condition of this material world is shown by you. Even more than that, Spiritual master engages a living entity in the service of Krishna. This service to Krishna is the constitutional position of every soul. This service to Lord is such that by doing this service a living entity can come out of bodily conception of life and start realizing about his constitutional position. The mercy of spiritual master cannot be compared with anything. It is causeless as well as rarest of all. A disciple may serve his Spiritual master his entire life to best of his capacity but still he remains always indebted to Spiritual master. And a drop of mercy from Spiritual master can finish this entire set of incognizance.

The center point of life for living entities is always his own happiness, but only the Spiritual master makes him realize that, his happiness is actually to make The Lord happy. In this connection there is a prayer by Prahalad Maharaja to Narsimhadev in Srimad Bhagvatam ,” na te viduḥ svārtha-gatiṁ hi viṣṇuṁ”, People don't know their own self-interest which is Lord Krishna. Only by mercy of Spiritual master a living entity comes to realize about this fact.

By reading scriptures people can know the message of godhead and Vedas are meant to guide the people. But even by reading scriptures people can get misled due to its complicatedness. The word jugglery of Vedas can make the entire

purpose of knowing Krishna-a failure. But by your mercy you have made the scriptures apprehensible to anyone through your translations and purports. I pray to you for your causeless mercy on this aspiring disciple of yours.

Your aspiring disciple,

Dasharatha Suta Dasa.

Dinasharana Gauranga Dasa

Dear Srila Prabhupada,

Please accept my most respectful and humble obeisances at your lotus feet.

All glories to Your Divine Grace!

The last one year of my spiritual life has been very challenging. It has only been your mercy that has kept me going through in Krishna Consciousness for the past one year. Though reading your books makes one understand that Krishna Consciousness is the ultimate perfection of one's life, my dull intelligence often forgets this fact, being more keen on running this material rat race.

Thank you very much Prabhupada for everything that you have given us. Without you, I would have never experienced the importance of chanting the holy name, reading Bhagavatam and being in the association of devotees.

Please forgive me for the offenses that I have committed knowingly and unknowingly at your lotus feet and your disciples. Help me improve my spirit of rendering devotional service and the strength to follow the instructions of my spiritual authorities.

Kindly bless me with all your mercy so that I can come out of my material entanglements soon and be an instrument in your mission of preaching the message of Krishna Consciousness. I beg you to keep this undeserving soul always under the shelter of your lotus feet.

Your most fallen servant,

Dinasharana Gauranga Dasa.

Divya Rupa Devi Dasi

My dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet.

Yet another year passed under your shelter and guidance. I take inspiration and guidance from your advanced disciples to get through this confusing conundrum of my life. That's my life line. Everything else is eventuality. I understand what you mean when you say association is so critical. There has been so much of learning and growth this past year, that I have struggled to find the balance. Yet you engage me in your service in some way. You are present with me at home and every moment...like a father never letting go of his little girl's hand at every traffic juncture. I just cannot do anything without your mercy, Srila Prabhupada.

My false ego and my headstrong attitude is taken down every time they try to rear their ugly head. Krishna is the best teacher - strict and kind at the same time. It's hard to describe the dynamics of this wonderful relationship that you have introduced me too. It makes me cry and smile at the same time. I can't see anything disconnected from this reality.

I always believed in fairy tales as a little girl. The poor, stranded girl and the hero on the white horse who rescues her. Dear Srila Prabhupada, I am so happy and am very grateful to you that you found me through your causeless mercy made this dream a reality for me by connecting me to the wonderful movement of Lord Caitanya Mahaprabhu. I couldn't have been

happier that finding that real Hero, Master, Saviour and the Best Personality who can really save me once and for all. I have had my magic...I am living my fairy tale

But I am not qualified for this mercy, Srila Prabhupada, yet I can't do without it either. I only beg you to continue to engage more and more in your service and always keep me under the shelter of your lotus feet.

I want to chant the Holy Names of the Lord just as you intended your disciples to do it as a loving devotional service. I want to serve the Holy Names as you please and enable me to. Please keep me under the shelter of your Lotus Feet and engage me in your service. I want to be a perfect disciple of yours and I cannot imagine being able to do that without your help and mercy. Please forgive my offenses, Srila Prabhupada, and bless me.

I want to share these few points which I had shared earlier too. I believe this realisation gets stronger in me each time, that there's no question of being able to make it through this life without you and your mercy. There's so much ignorance and 'corruption - motivating' factors all around me, that I see no way to overcome these problems without holding onto your hand. Sometimes, I wonder how my child and grand children will live in this rapidly deteriorating world, invaded by sense-plundering gadgets and false understanding of success. Then I realise that you are the 'jagadguru' and your mercy is freely available - that's the only way. Actually, Srila Prabhupada, I see that this devotional space that you so beautifully place us in, is not fully utilised; it is sparsely populated (which also means good association is hard to find)

And there're so many 'goodies' up for us to just freely pick up in this space...I wonder why more of us don't fully utilise this opportunity. We bitterly fight for properties in this world - and they don't even belong to us; yet there's a whole new space and paradigm where there is such unimaginable treasure, I wonder why we don't fight for THAT eternal property. It's your grace that I realise it...and feel it deeply.

I am very grateful to you for your constant love and kindness... And for the very precious gifts you have bestowed upon me.

Your humble servant,

Divya Rupa Devi Dasi.

Gadadhara Dasa

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to Srila Prabhupada!!

The whole world is falling in the bottom less well and the only hope is you. Prabhupada only your mercy can uplift us. When I read your transcendental literature the walls of fear, greed, grudge, envy surrounding me disappears and sets me free. This so called civilization has sacrificed all there intelligence, ability and senses at the altar of sense gratification and it is covered with the spit of Maya. Only your transcendental literature can wipe it and show the true path. Thank you for saving me Prabhupada.

The brain washing headlines had resurfaced in the Indian subcontinent. Gurudeva but they failed to recognize the fact that your words, instructions are unshackling the chain of bad habits and converting them into human beings and helping the society, to live a life of 'Simple Living and High Thinking'. Kindly empower me to articulate it properly that your vision of one book Bhagavad-gita As It Is, is the only hope for them.

The So called sadgurus, mystics are popping up in media and confusing the humanity with there jugglery words. It is because of your causeless mercy that I can differentiate and conclude that they are neither spiritualists nor intellectuals. All they have learnt is the way to tell moral instructions to people with no spiritual backing. Please bestow your mercy upon me and help me in preaching the real knowledge to them that "Its not the white beard, not the mystic dress not the word jugglery makes a person as 'sadgurus' or 'Guru'. There are leftist who are busy selling there ideas and blaspheming us, please

help us in communicating to the world that you are the TRUE and only Acharya for this current world and that you live the life of every word you speak.

Please continue enlightening me and continue your guidance in the rough terrains of spiritual life.

Any one who reads your books can reach the end of the tunnel of this dark age and find themselves at your lotus feet. Kindly accept them the way you have accepted me.

Whenever cloud of doubts haunts me, envy blocks my intelligence, when I am lost in the woods of pride and caved myself under false prestige your disciples in the form my authorities are helping me and on the other side your disciples memories are blowing fresh life into my consciousness and restoring the faith in me that you always live in the heart of your disciple.

The whole world is fighting for equality and trying out ideas to create a society which is free from caste, creed, color, race, ethnicity. Prabhupada, kindly strengthen us to show them what you have done and how you have established the society ISKCON – where the whole world can live peacefully. Year after year “peace for world” meetings are held, numerous peace formulas are tried, peace treaties are signed and tireless debates are conducted with no conclusion. Alas, if they read at least one of your book they could have found the solution. Please push us to distribute more and more books.

Prabhupada, neither I am well versed in Shastras nor born with special abilities nor have bodily feature, abilities, determination like western disciples nor charisma. But since you have accepted me as your disciple you definitely have a plan for me, kindly reveal and guide me. Kindly empower me and our team Srila Prabhupada Awareness to spread your glories in new medium of communications (Social Media) and help us in establishing temples for you in all Social Media Platforms and guide us in spreading your glories across all three platforms – Desktops, Laptops and Tablets.

Thank you Prabhupada for tolerating me, showing your compassion unto me and giving me a new, meaning life.

Your Servant,

Gadadhara Dasa.

"I offer my respectful obeisances unto my spiritual master, the deliverer of the fallen souls. His mercy turns the dumb into eloquent speakers and enables the lame to cross mountains."

All Glories to our eternal Spiritual Master His Divine Grace A.C Bhaktivedanta Swami Srila Prabhupada! Thank you very much for your association through your transcendental Temples, your sincere followers, books, Krishna Prasadam, ecstatic kirtans, Aaratis, and dirty worship.

*anuvratanam sisyanam, putranam ca dvijottama

"O best among the brahmanas, those who are spiritual masters are very kind to the needy. They are always kind to their followers, disciples and sons, and without being asked by them, they describe all that is knowledge." [SB 3.7.36]

As I sit down to write this Vyasa-puja homage to my spiritual master, I find myself overtaken by my inability to do this task justice, entrapped as I am within the snare of material nature. Feeling lost to offer anything beyond my own personal reference, it is here that I have to begin.

It never ceases to amaze me the level of enthusiasm you are able to constantly maintain throughout all sorts of situations/ circumstances, how you can factually see everything as the mercy of Krishna. You are truly a great acarya, teaching all of your disciples and students by the example you are setting for us, as to what it really means to be a pure devotee. You have

such great compassion and love for each and every one of us, no matter what our circumstances or hang ups may be you treat us all like your beloved children.

I know that no matter how much service I try to do I can never even come close to repaying you for all you have done for me, at every moment you are saving me from the darkness of ignorance. My service is so insignificant anyway, I could be doing much more. My attempts are not enough, not just in the case of personal service, but cultivating my Krishna consciousness. You have led me to the water but, I know its up to me to take the drink. Srila Prabhupada, please grant me service unto your lotus feet, so that by serving you I may be able to make rapid progress in Spiritual life.

The devotees of the Lord are very dear to you Srila Prabhupada, who spread the names, fame, qualities and pastimes of Shyamsundar throughout the world, is especially dear to him, and grabbing hold unto your lotus feet is the best way for me to reach the Spiritual world. Therefore I pray to you with my folded hands:

prati-janme kori āśā caraṇera dhūli

I desire the dust of your holy feet in every birth I may take.

Aspiring to become servant of your servants,

Gajendra Bhakta Dasa.

Dear Srila Prabhupada,

ஸ்ரீலா பிரப்புபாத அவர்களுக்கு தங்கள் பக்தையின் கோடானகோடி வணக்கங்கள்.

தங்களின் அறிவுரைகளின் படி நடப்பதினால் நான் கிருஷ்ண இயக்கத்தில் இருக்க முடிகிறது. தினமும் இருவது மாலைகள் ஜபம் செய்கிறேன். தாங்கள் எழுதிய புத்தகங்களை படிப்பதினால் கிருஷ்ண பக்தியை பற்றி அறிந்துகொள்ளமுடிகிறது. தாங்கள் வயதான காலத்திலும் கூட வெளிநாட்டில் கிருஷ்ண பக்தியை பிரச்சாரம் செய்தீர்கள். இந்த சாதனை தங்களை தவிர வேரு யாராலும் செய்ய இயலாது. உங்கள் கருணையால் என் போன்ற பாமர மக்கள் தேவோத்தம பரம புருஷனான பகவான் கிருஷ்ணனை பற்றி அறிந்துகொள்ள முடிந்தது. நான் கடைசிவரை கிருஷ்ணரை நினைத்து அவர் பாதங்களில் சரணடைய தங்களை வேண்டுகிறேன்.

Dear Srila Prabhupada,

All glories to your divine Grace, Please accept my humble obeisances,

Due to uncontrolled senses & mind I have always been struggling hard to push on my self in this journey. I have no idea how do I go ahead with my spiritual life.

I feel I m not at all qualified for spiritual life. But I accept that whatever distance I have travelled in this life is by your mercy only.

Out of your divine humility, you said in the Jaladuta Diary, that you are not qualified to preach to the westerners, But you have complete faith in the power of Krishna's Holy Name.

Please bestow your divine mercy upon us, so that one day my insignificant endeavor, my little faith & your divine mercy will bring in me that strong faith & I can serve you eternally by spreading the Holy name.

I am just dragging my life in the association of devotees, waiting for the day when I ll get drenched in shower of your causeless mercy.

Thank you Srila Prabhupada, All glories to you,

Your most unworthy servant,

Gaur Gopala Dasa.

Giridhari Krishna Dasa

Dear Srila Prabhupada,

Please accept my humble obeisance's at the dust of your divine lotus feet. All glories to you & your sincere devotees.

Homage every moment of life, but today's is a special one, on this auspicious occasion of your arrival on this planet for showering special mercy upon the terrible wild animals of this turbulent age. Taming the dissolute animals in the modern civilized western world was possible only for a bonafide spiritual master like you and you are really the saakshadh dharitvena samastha shaastrair... your tolerance and determination is the ultimate in taming this so called civilized jivas.

Also the sincere devotees in your ISKCON Bangalore are very much in your foot steps in awakening the most ignorant jivas like me in this passionate society. The Akshaya patra program has become a super strong leader and unequalled, continuing to spread its wings to a much larger space. The secret of this miraculous success is only due to their unconditional faith in your divine potent vani. Kindly strengthen them much more with your immeasurable mercy to drag the whole materialistic creatures back home back to godhead. With this they are pleased ...you are pleasedand everyone is pleased.

Thank you Prabhupada for getting me into this web and I request you to be our constant meditation and strength. Kindly forgive me for the knowingly and unknowingly committed offenses and handhold me on minimizing the same.

I have been trying & struggling to do the balancing act of managing the material worldly life with the spiritual connect, very often tripping / crawling / tripping. I humbly beg for your causeless mercy and of your devotees to stay afloat in this spiritual connect and get into the true devotional service and escape from the clutches of maya.

Yours most fallen insignificant student,

Giridhari Krishna Dasa.

Gopeesha Dasa

I offer my respectful obeisance at the lotus feet of His Divine Grace A. C. Bhaktivedanta Swami Prabhupada.

All glories to His Divine Grace!

Without taking shelter of the lotus feet of a spiritual master, one cannot attain pure devotional service to Lord Krishna. Srila Prabhupada, it is very rare to find a bona fide spiritual master like you in this Kali-yuga who is fully competent to bestow pure devotional service upon those who serve your lotus feet without reservation. Such a surrendered soul can easily cross the ocean of material suffering just as one can easily cross water contained in the hoof-print of a calf.

The material existence characterized by birth, death, old age, disease and various other miseries is compared to the blazing forest fire, which inflicts great sufferings upon the conditioned souls. However, Srila Prabhupada, you are extinguishing this fire out of great compassion towards all the suffering souls by spreading the glories of the Supreme Lord Krishna all over the world and imparting the transcendental knowledge of Krishna consciousness to them.

How a living entity suffers in the womb of its mother before taking birth as a human being is vividly described in Srimad-Bhagavatam. After taking birth, the living entity is immediately subjected to the influence of maya, and its suffering

continues. It is only by taking shelter of a spiritual master and seriously practising Krishna conscious life according to his teachings and instructions that one can remain aloof from the influence of maya and attain the perfection of life.

Dear Srila Prabhupada, in one of your letters you have promised that you will take your disciples back to Godhead provided they always chant at least 16 rounds of Hare Krishna mantra, follow the regulative principles, read your books and try to preach Krishna Consciousness all over the world. I beg you to bestow your blessing upon me that I may be able to always follow these instructions without fail.

In another letter to a disciple, you wrote:

“You mentioned that your pathway has become filled with stumbling blocks, but there are no stumbling blocks, I can kick out all those stumbling blocks immediately, provided you accept my guidance. With one stroke of my kick I can kick out all stumbling blocks.” (Letter to: Krishna dasa, 9 September, 1972).

Srila Prabhupada, kindly bless me that I may not deviate from the path of Krishna consciousness being allured by false glittering attractions of this material world. Let your teachings and instructions always guide my life. Please forgive me for all the offenses that I have committed knowingly or unknowingly at the lotus feet of Your Divine Grace and all other Vaishnavas.

Aspiring to be your humble servant,

Gopeesha dasa.

Goura Mohan Dasa

My dear Srila Prabhupada I offer my respectful obeisances unto your lotus feet. Prabhupada, you are very dear to Lord Kṛṣṇa on this earth, having taken shelter at His feet. O servant of Sarasvatī Goswami. My dear Srila Prabhupada out of your unlimited compassion and the ocean mercy you brought Krishna Consciousness to the most fallen souls of the Kaliyuga. After entering this phenomenal world, you are expanding your divine pastimes for the sake of the fallen souls. And you are kindly preaching the message of Lord Caitanya Deva and delivering the most fallen souls like me.

Prabhupada I am your eternal servant and disciple, but I have fallen into the perils of material illusion. Because I abandoned your instructions and thus forgot my real treasure which is to render devotional service unto your divine lotus feet, my mind is crazy and disregards all authority. It is always senseless and stays in the dark pit of worldly affairs I have worshiped this mundane world. I am certainly very foolish, and I have never known what is good for me. Such is my condition how shall I make any advancement when my mind has come under the sway of my powerful senses and stubbornly clinging to sense gratification? I am a wicked living being, always addicted to worldly desires, and no good qualities do I possess and my materialistic mind is absorbed in fruitive work. I have fallen into this dark and perilous worldly existence.

O my dear Srila Prabhupada, although you know everything, please hear my request, I accept my defeat. All my efforts have failed. And now you are my only hope, I have no strength or transcendental knowledge, and this body of mine is not independent, being controlled by material nature. I am bound around the neck by the noose of materialism. Please remove the torment of worldly existence. I can no longer tolerate the pain of ignorance and the repeated succession of births and deaths. Prabhupada You will not find a soul more fallen than me who is a greater sinner than I? I am so sinful that although all your disciples attained your lotus feet, by the process of watering the bhakti-latā-bīja rendering devotional service unto your lotus feet, but this your fallen disciple has remained in worldly existence, rejected by your mercy, is this your judgment? That seeing me averse to you, you abandoned your servant and not bestowing even a particle of mercy upon me? In this way I am a confirmed servant of lust. Worldly desires are awakening in my heart, and thus the noose of fruitive work is beginning to tighten. When will I wake up and cast this enemy of lust far away, and when will you manifest yourself in my heart? Prabhupada please do not consider this servant an outsider. Please take me back to your divine lotus feet and engage me in your devotional service now, having punished your servant, please give me a place at your lotus feet. I have no means of success, but if you bestow your mercy upon me and take me to your shelter back to render devotional service

to Sri Sri Radha Krishna, I will be delivered from this world. You are indeed the wisest person. Please find a way to bring good fortune to this fool, and subduing my mind please reside in the core of my heart and by giving Bhakti-latā-bīja, and nourishing this Bhakti-latā-bīja creeper grows more and more. In this way to attain the shelter of the desire tree of the lotus feet of Kṛṣṇa, who is eternally situated in the planet known as Goloka Vṛndāvana, in the topmost region of the spiritual sky.

“My dear Lord Srīla Prabhupada, please be merciful to me. Who can be more merciful than Your Lordship within these three worlds? You appear as an incarnation just to reclaim the conditioned, fallen souls, but I assure you that you will not find a soul more fallen than me.” O my dear Lord Prabhupada! Please show your mercy to this lowly and destitute soul. O Lord! There is no one more fallen than myself in all the three worlds. Holding grass between my teeth, O Lord Prabhupada, I am calling out to you now! Please be compassionate upon me and come to reside within the temple of my heart. If you do not give your mercy, seeing how fallen I am, then why are you known as Patita Pāvana—the merciful Savior of the fallen? I am plunged amidst the violent hurricane-stricken waves in the ocean of this material world, from which there is no escape. Kindly give me the gift of your divine lotus feet, which are compared to a boat in which your servant may cross over the ocean of birth and death.

Srīla Prabhupada please purify me? I do not know what devotion is, I am now rejected by your mercy I am now away from your rendering service unto your lotus feet. Now you are my only hope. Give me the strength to bear all trials troubles, and free me from all desire for honor. O master! Please invest me with the power to honor all living beings properly. Only then will I sing the holy name in great ecstasy, free of offenses. O lord and master! When will such mercy fall to this weak and foolish devotee? Please make me your beloved servant. When I examine myself, I find nothing of value. Therefore your mercy is essential to me. If you are not merciful upon me I may no longer maintain my spiritual life. In good fortune or bad, in life or death, you are my eternal spiritual master and I am Your eternal servant, my mind, body, whatever may be mine, I have surrendered at your lotus feet, slay me or protect me as you wish, you are my only shelter. Take up your sword of mercy and cut my bonds, with a drop of mercy make this servant of yours humbler than a blade of grass. In this way all my obstacles will disappear on the path of rendering devotional service to Sri Sri Nitai Gauranga and all the Vaisnavas. O my dear Srīla Prabhupada, I who is the servant of the servant all the Vaisnavas, again and again offer my respectful obeisance unto your lotus feet. And beg for your mercy upon me. Prabhupada please be mercifully upon me give me shelter at your lotus feet.

A most fallen sinner begs for an eternal devotional service at your divine lotus feet

“Without love of Godhead, My life is useless. Therefore I pray that you Please accept me as your eternal servant and give me the pay as ecstatic love of God.”

Your eternal servant,

Goura Mohana Dasa.

Govind Kirtana Dasa

Dear Srīla Prabhupada, please accept my humble obscences, on this auspicious occasion of 123rd Vyasa Puja All glories to your Divine Grace.

Srīla Prabhupada, I am very sinful and fallen soul. I was sleeping in the darkest ignorance, but by your causeless mercy, you woke me up and gave me Hari nama diksha ,Though I was not qualified. I am very much grateful to your divine grace.

Srīla Prabhupada ISKCON NAMA HATTA PROGRAMME started at Kunigal on 30.11.2018 (your divine grace Diksha Divas) and your transcendental Books, holy name and Krishna Prasadam are being distributed during NAMA HATTA PROGRAMME in various villages of Kunigal and

Let me take up holy name and Bhagavad Gita As It is as Life and soul in my entire life. And Let me not become selfish, so that I can distribute the same to others as much as possible.

Let it not be remain in black and white, it has to roll into action. It can happen only by your mercy if you so desire.

Srila Prabhupad in the initial stages your family members and father in law complained that “Why are you always talking about God?” But when friends came to visit you, you continued preaching, speaking on Bhagavad Gita and talking about God. You followed the Shastrik injunctions (ref: HariBhakta Vilas). Anakulasya Sankalpa Pratikulasy Varjinam. You accepted which is favorable to satisfy the Lord and no one else.

Srila Prabhupada, you established a powerful movement to spread Krishna Consciousness with seven techniques. (Seven Purposes of ISKCON) So that every one can find permanent residence which is the ultimate Goal of an human being.

Srila Prabhupada, First Day when you met Bhakti Siddhanta Saraswati MAHARAJ, on that very night you actually accepted him as your spiritual master, not officially but in your heart. You thought that you met a very high saintly person. He said during discussion, that there is no scarcity in the Worlds., But the only scarcity of Krishna Consciousness.

Prabhupada you have taken up very seriously and tried to manifest the orders of your spiritual master. Whatever difficulties you have faced, during the execution of the orders of your spiritual master, you realized that all those difficulties were assets and you consider that it was all Krishna’s mercy. You invited and made arrangement for all souls irrespective of caste, creed, gender, social position, to join Krishna in His eternal abode Goloka Vrindavan.

Thank you Srila Prabhupada for your compassion towards mankind who are totally disturbed full of anxiety, and engrossed in this material world. You have given two valuable gifts to get out from this miserable condition of life. 1. Holy Name and 2. Your transcendental books. (Bhagavadgita As It Is) These two gifts are enough for a sincere soul to achieve ultimate goal of life.

Your eternal servant,

Govinda Kirtana Dasa.

Gunabhadra Dasa

*om ajñāna-timirāndhasya jñānāñjana-śalākayā,
cakṣur unmlitaṁ yena tasmai śrī-gurave namaḥ*

My Dear Srila Prabhupāda,

I beg to offer my respectful obeisance’s at your sweet lotus feet.

What can I say or do? Everything that I say or do is contaminated with the dust and dirt of material existence accumulated since time immemorial. If someone were to remain unbathed even for a month, the smell of such a person would be intolerable, and yet Your Divine Grace is allowing this fallen soul who has not bathed for eternity to be Your disciple. I cannot understand. Dear Srila Prabhupāda, my association for this birth has been most low. “From birth I was raised like a animal, so here I stand, a finished product in a human body with the consciousness of an animal. I have no qualification, I have no understanding of anything you are doing or saying, I am struggling dear srila Prabhupāda. But just as a wild animal is sometimes seen to take shelter of a kind animal trainer, so this lowly person, sensing Your unending kindness, is praying that he may take shelter at Your lotus feet.

I am offering my repeated obeisances at Your sweet lotus feet, which alone, if You were to place them upon my head, would extinguish forevermore the fire that is blazing in my heart. In my mind I am keeping this small hope, for without Your causeless mercy, never, never, never, never, will the holy name be revealed to me. I meditate on the lotus feet of His Divine Grace A.C. Bhaktivedanta Swami Prabhupāda and offer all obeisance’s unto him. He is the mercy representation of

Chaitanya Mahāprabhu and is very freely distributing pure love of Krishna to very one of in this world. In the Chaitanya-caritāmṛita it is said: *"By the mercy of the spiritual master who is a pure devotee and by the mercy of Krishna, one can achieve the platform of devotional service. There is no other way."* (Madhya 19.151)

His Divine Grace is such a pure devotee, and he act like a touchstone because His contact can turn a base person into a lover of Krishna. This is the greatest gift that can be given to anyone. Therefore one should constantly pray for the mercy of the spiritual master and worship him as Krishna Himself with all due respect and attention because Krishna states in the Eleventh Canto of Srimad-Bhāgavatam, 17th Chapter, 22nd verse. *"My dear Uddhava, the spiritual master must be accepted not only as My representative but as My very self. He must never be considered on the same level as an ordinary human being. One should never be envious of the spiritual master, as one may be envious of an ordinary man. The spiritual master should always be seen as the representative of the Supreme Personality of Godhead, and by serving the spiritual master, one is able to serve all the demigods."* I therefore fall at His feet and pray for His causeless mercy.

Your most unworthy servant,

Gunabhadra Dasa.

Gunakara Rama Dasa

Dear Srila Prabhupada,

Please accept my humble obeisance, All glories to Your Divine Grace! Please bless me that I remain engaged in your service life after life.

Last year You revealed me little more understanding about Guru tattva. And this knowledge is making me feel more fortunate.

You said *"And Nityānanda Prabhu, Advaita Prabhu, Śrīvāsa, Gadādhara, they are trying to help. So..., and to approach all these five supreme persons, you require the help of guru. Therefore the guru is offered first the respectful prayers, vande gurūn. And gurūn, bahu-vacana, plural number, that many gurus. But they are not many; they are one, guru-tattva. Just like Kṛṣṇa has many forms, but that does not mean Kṛṣṇa is different. No. Kṛṣṇa is one. Similarly, guru, there may be many gurus, it doesn't matter, but their philosophy must be one: to teach everyone that Kṛṣṇa is the Supreme Personality of Godhead."*

Dear Srila Prabhupada, spiritual world is unlimited, Krishna is unlimited, similarly the Guru is also unlimited. But limited jivas need to get connected to, at least one of the bonafide Gurus so that jiva gets a chance to go back to Godhead. You are one of those rare personalities, not just appeared here to be available for sincere jivas to get connected, but you created millions of possibilities for insincere jivas also to come to you. And you created a shelter for these most unfortunate jivas of this age of Kali on this earth.

Hence, You made my life's mission very simple, I need to just be with you in the form of association of devotees who are sincerely serving your lotus feet. By your causeless mercy you are picking everyone who accept you as the person who can take them back to Godhead.

Dear Srila Prabhupada, once when you were apparently sick, you asked all your disciples to pray to Lord to keep you here for more time to complete your mission. You taught us how to 'see' your presence in this world by this pastime. And you decided to 'stay on' even after your physical departure. It is your wish which kept your movement alive and growing till today. I am very fortunate to witness this and be a part of this Srila Prabhupada. And I wish one day all your disciples around the globe understand this and integrate again.

Dear Srila Prabhupada, you also revealed me a little about temporary nature of this material existence. This gave me a hint of detachment from this material world. And I beg your mercy to achieve those goals of human existence.

Dear Srila Prabhupada, I humbly pray at your lotus feet to keep me with you life after life.

Your fallen servant, Gunakara Rama Dasa.

Guru Charana Dasa

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories unto you.

It has been another year of me endeavoring to do devotional service and often I wonder what made me select this path of life. I was also one among the majority people in this material world before coming in touch with you; still I could have continued my journey, a normal life even after that. I could not ascertain what made me visit the temple for the first time, what made me register for the programs, what made me come every weekend for the services and classes, what made me decide to do full time devotional service. Then I finally understood through one of your conversations where you said to one of your disciples that “*You cannot give any formula/logics/reasons to the causeless mercy of the spiritual master. That’s why it is called causeless*”.

During the initial days, so many thoughts used to cross my mind like why I got this service, why not that service which that devotee is doing, etc. Sometimes, I felt my service as inferior which could be done by anyone and everyone else and sometimes my service as superior and that I am able to do better than other devotees. Then I came across this part of the verse which states that *ante narayana-smrtih: The perfection of life is to remember Narayana at the time of death*. The result of whatever we do in executing spiritual activities is successful if we can remember Narayana, the Supreme Personality of Godhead.

I understood that we should not deviate from our focus on the ultimate goal of our devotional service and the real success of the human form of life and not get swayed by the ups and downs of this small life span or by the comparison between the services of the different devotees. This incident shows how you take care of your disciples through your books not only at the intellectual level but also at the emotional level even when you are no longer physically present. Indeed you are living in your books. There is no doubt about it. Everything is there in your books. It is not a wonder then that your books contain answers even for the questions that the devotees raise at end of the each Srimad Bhagavatam class.

Last year, I visited Tirumala along with other devotees. There in the main altar, I saw a devotee sitting next to Govinda which made me wonder how fortunate this devotee is to be sitting next to the Lord while others need to take austerities to have just a glimpse of the lord. I prayed to the Lord to make me also fortunate like him to have his uninterrupted darshan and the Lord did reciprocate. This is just one of the instances where the Lord reciprocated with me. This art of praying to the Lord and getting his reciprocation would have been unknown to me if not for you Srila Prabhupada and your teachings and your causeless mercy by which anyone could become a Brahmana and a Vaishnava.

As such, please help me in removing all the anarthas in my heart especially envy, pride and intolerance which makes me commit so many gross and subtle Vaishnava aparadhas through mind, words and body, hampering my progress in spiritual life. Only by your mercy can all our efforts in devotional service can bear fruit. Though your mercy is unlimited and open to all, I am not able to make best use of it. Please help me become your worthy disciple.

Your servant, Guru Charana Dasa.

All Glories to My Beloved Spiritual Master Srila Prabhupada,

mukhaṁ karoti vācāṁ paṅgūṁ laṅghayate girim

yat kṛpā tam ahaṁ vande śrī-gurūṁ dīna-tāraṇam

"I am offering my respectful obeisance unto my beloved spiritual master Srila Prabhupāda, by whose mercy a dumb man can become a great speaker and a lame man can cross over a mountain, and whose thus delivers all fallen souls." Thank you Srila Prabhupada for allowing me to render one more year devotional service at your lotus feet @ ISKCON, Bangalore. This year journey in Krishna Consciousness is filled with lots of surprise and personal reciprocation. One such surprise is that by your mercy my mother and sisters have accepted my decision of joining temple after 9 yrs. Now they are feeling happy

about my decision of joining ISKCON. One personal reciprocation is in month of May. I was going through lots of disturbance in mind due to various reason. My mind was restless thus do not able to focus on my sadhna as well as service.

Hence I started feeling sadhana and services mechanical and monotonous. That time one senior devotee send me e-mail of your quote as follows: "You are restless because you don't read. I am labouring so hard for you, but you don't take advantage. Don't take advantage of eating and sleeping. Take advantage of these books. Then your life will be successful. My duty—I have given you so valuable things, day and night trying to convince you, each word to word. And if you don't take advantage of this, then what can I do for you? – I felt this quote of Yours as personal instruction to me to come out of my disturb mind. This quote made me realise my mistake of not reading Your's transcendental books regularly. Hence I started reading every day 1 hour. This regular practice of reading help me to enliven my enthusiasm for performing devotional service. Finally on this auspicious day I pray to your divine grace to bless me to chant Hare Krishna mantra attentively, develop eagerness to read your transcendental book and forgive me all offences I have committed in my dealing with Devotees and deity.

Your most fallen servant,

Hari Bhakta Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisance, every day I am thinking & wondering that what could be my position if I would have not got your shelter, I would have been to be a meat eater & and all other kind of offender if not under your shelter today, I feel a kind of shock when I think every time about this & overwhelming within myself.

Dear Srila Prabhupada, before 5000 years Srila Vyasadeva composed Bhagavad-gita the divine conversation between Lord Krishna & Arjuna, but for current scenario, in this age of Kaliyuga the same Bhagavad-gita sloka are not able to understand by the people of this iron age & the people are misinterpreted the meaning of sloka & diverting to an other extent, so the same Vyasadeva came in the form of your divine grace to give the latest update through your purports to each sloka in Bhagavad-gita & Srimad Bhagavatam etc., to revive the actual meanings As it is, just like we the software builders provide the latest updates periodically to make relevance with current scenario, your purports are crystal clear about how to apply practically each & every sloka in our life without any doubts, so that we can execute the service to Lord Krishna with full faith & confidence without any confusions & deviations.

Dear Srila Prabhupada please engage me in your service more & more, please give me the jnana & bhuddhi to follow Krishna consciousness as it is as per your instructions, please bless me to preach Krishna consciousness & make others to chant *Hare Krishna Hare Krishna Krishna Krishna Hare Hare Hare Rama Hare Rama Rama Rama Hare Hare*.

Please put me in a position to always think of your divine grace & Lord Krishna along with my prescribed duties in my grihashtha ashrama.

Dear Srila Prabhupada I feel your reciprocation always that whenever I get a doubt instantly the doubts are clearing through the fantastic lectures of your great disciples His Holiness Stoka Krishna Maharaj, Sri Madhu Pandit prabhu, Sri Chanchalpati prabhu, Vasudeva Keshava prabhu & many other great souls in Iskcon Bangalore, let all of them live long with your divine grace service & let fulfill all their spiritual desires, because they are all following your divine grace as a one & only Guru as per your instructions, thank you Srila Prabhupada for such great & rare associations.

Thank you Srila Prabhupada.

Please accept my humble homage unto your lotus feet on the occasion of Sri Vyasa Puja 2019 – 123rd Appearance day of your Divine Grace.

Servant at your lotus feet,

Hari Smarana Dasa.

Harini Devi Dasi

All Glories to Srila Prabhupada!! Saviour of the whole world!

Please accept my humble obeisances unto your lotus feet.

I was born in the darkest ignorance and you have very kindly lifted me up and given shelter at your lotus feet although not deserving. That is your causeless mercy to show kindness upon this servant.

You are giving instructions even today through your books and through your pure devotees without which there is no hope for us in this age of Kali. Even though this age is filled with so much of nonsense sense gratification innovations we see everyday, still we are drawn unto your books and the instructions you gave us which is helping us to lead our life peacefully unaffected with the external conditions happening around us politically and socially. The instructions of the Gita and

Bhagavatam are the only solace for us in this world of dukhalayam. We are able to see this world with the set of spiritual eyes, Shastra caksusa, only by your grace. There are a whole lot of spiritual groups functioning in their own ways, trying to find happiness, peace, good health and success. The followers of such groups are not fortunate enough to understand that no matter where they try to find happiness, they will never be able to derive real happiness unless they are fortunate enough to find a Guru, who can lead them to the real treasure house of happiness, and that is Krishna Loka. That is our original home, having forgotten our real home, we are trying to find peace and happiness in this material world. How much of gratitude we must have to a person who is helping us to find our lost Father. You are promising us, not only in this birth alone, but birth after birth, wherever we may be, you are trying to help us find our eternal Father, by being compassionate to all fallen souls. Such is your mercy.

It is true that only by pleasing one's Spiritual Master can one really please Krishna. You are a confidential servitor of the Lord and you have been empowered by the Lord to distribute this knowledge to the suffering humanity. It is not very surprising that even today, you are attracting so many sincere souls by your grace. Just by reading and hearing about your pastimes which you performed in this planet, people are attracted to this movement. Just like Krishna enacted pastimes 5000 years back to attract the living entities so that they discuss his appearance & activities and benefit from them, in the same way, today even after you left this mortal world, people are getting attracted to your extraordinary achievements you made within a short span of 12 years. The troubles you undertook to reach the message of Chaitanya Mahaprabhu to every country in the world, the unflinching faith you had on your Guru, Srila Bhakti Siddhanta Saraswathi Thakur, the determination you had even at that ripe age, the challenges you undertook to create a movement which will benefit the entire world, all your activities are extraordinary. Most importantly Prabhupada, you lived by your words and practiced what you preached. The simple life you lived, the reciprocations you had with your disciples and the mercy you showed to even women devotees make you distinct from everyone. You treated all devotees alike, you treated men, women all of them as your children and gave guidance as a loving father would.

I sincerely pray unto your lotus feet to forgive all my shortcomings and the mistakes I committed and help me to become an instrument in your mission. Though unworthy and incapable, still my wish is to contribute in some way or the other to spread the glories of the movement you started. It is my humble request to you to help me gain more faith in the holy name. Without your blessings and mercy, my attempt would be in vain.

Your most insignificant daughter,

Harini Devi Dasi.

Hemanga Chaitanya Dasa

My Dear Eternal Spiritual Master Srila Pabhupada,

Please accept my humble obeisances unto your lotus feet. Bhagavad Gita says Janma Karma ca me divyam. Life of Lord Krishna and his pure devotees and all their activities are Divyam (Divine). Srimad Bhagavatam says "A pure devotee of the Lord does not live on any planet of the material sky, nor does he feel any contact with material elements. His so-called material body does not exist, being surcharged with the spiritual current of the Lord's identical interest, and thus he is permanently freed from all contamination's of the sum total of the mahat-tattva. He is always in the spiritual sky, which he attains by being transcendental to the seven fold material covering by the effect of his devotional service. The conditioned souls are within the coverings, whereas the liberated soul is far beyond the cover"

Your most important quality is *Uddharaka* and *Sarva Upakaraka*. You are ever well-wisher (*Uddharaka*) of others and Deliverer of everyone (*Sarva Upakaraka*). You have educated us that "The spiritual master's qualification is that he does his best to deliver the soul from the clutches of maya. That is a great service. Therefore he is very dear. There is a difference between one who is chanting or executing devotional service for his own personal benefit and one who is trying to deliver others for their benefit." You are Truthful (*Satyam*). You would present the philosophy of the parampara not just for pleasing the audience, you would present as it is without any deviation.

Once Allen Ginsberg brought some group of musicians called themselves as Fugs. Some of them had wild red hair and an electric-red beard, and one of them named Ed played a guitar during the kirtana. The devotees were happy to see their prestigious guests. However, that day Prabhupada, you chose to speak on the subject matter of "Illusion of sexual pleasure" and you spoke about how the sex pleasure binds us to this material world birth after birth and quoted Yamunacharya also. Then the musicians Fugs never returned. When Umapati prabhu had mentioned that Americans didn't like to hear that sex was only for conceiving children, Prabhupada you have replied, *"I cannot change the philosophy just to please the Americans."* You are truthful to the message of parampara. You are Dhina Abhaya (one who awards Fearlessness to the fallen). In the year 1971, you met one reporter in New Delhi during the blackout war time between India and Pakistan. Reporter was saying its an ugly reality for us during this blackout, the war between Pakistan and India, I think someone should go to Yahya Khan (Pakistan President).

Prabhupada you said *"We are always in the ugly reality," "-twenty-four hours a day. Suppose there is no blackout? Still, if you go in the street, there is no guarantee that you will get home. In this way, you are always in the ugly reality. Why do you say only this blackout? This is just one of the features of this ugly reality. That's all." Padam padam yad vipadam. There is danger at every step."* Reporter asked a very hypothetical question. Suppose a hundred pure, saintly, krishna conscious people are meditating or discussing together, and someone comes along and drops the bomb-"Prabhupada you replied that *"Those who are Krishna conscious are not afraid of bomb. When they see a bomb coming, they think that krishna desired the bomb to come. A krishna conscious person is never afraid of anything. Bhayam dvitiyābhiniveśataḥ syāt. One who has the conception that something can exist outside of krishna is afraid. On the other hand, one who knows that everything is coming from krishna has no reason to be afraid. The bomb is coming-he says, 'Ah, krishna is coming.' That is the vision of the devotee. He thinks, 'krishna wants to kill me with a bomb. That is all right. I will be killed.' That is krishna consciousness."*

O Dina Abhaya!! Please award me the fearlessness that is Krishna Consciousness to conquer Maya.

Your aspiring disciple,

Hemanga Chaitanya Dasa.

Hemavarna Gaura Dasa

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to Your Divine Grace.

This day is more auspicious than any other day. If you wouldn't have descended on earth, at least for me there was no hope to know and cultivate Krishna Consciousness. Thank you Srila Prabhupada for coming to this fallen world to elevate all of us. By your mercy currently I am able to serve your dear disciples at your Iskcon Bangalore. No wonder why the activities of your Iskcon Bangalore and your HKM are doing wonders in this world. Every year there is something new attempt to please you. And serving this mission of yours is giving newer and newer taste and realizations to me. Nava nava rasa... Many times I read, heard from devotees about this Shloka in Bhagvad-gita 2.41

vyavasāyātmikā buddhir, ekeha kuru-nandana

bahu-śākhā hy anantāś ca, buddhayo 'vyavasāyinām

"Those who are on this path are resolute in purpose, and their aim is one. O beloved child of the Kurus, the intelligence of those who are irresolute is many-branched."

You say in the purport that *"A strong faith, that by Krishna consciousness one will be elevated to the highest perfection of life is called vyavasāyātmikā intelligence."* It's so evident to know and experience these lines in my devotional service. I see that your disciples at ISKCON Bangalore are living up to this shloka. It's as if their life. And that has kept me always inspired. And I can say boldly that anyone who follows your instruction can experience the same what I have experienced.

Some unfortunate souls have got cheated by Maya and are not able to accept you as their spiritual master. For them physical presence is the only way to purify themselves. I believe they have not understood the spirit of spiritual life itself. May you shower your mercy upon them so that they can open their eyes and see the trap of Maya and can save themselves.

At last I request you to please bless me to serve your mission under your senior disciples at your ISKCON Bangalore and its branches. Please bless me and guide me so that serving your instruction be my only desire life after life.

Your fallen servant,

Hemavarna Gaur Dasa.

Hridayanatha Gauranga Dasa

Dear Srila Prabhupāda,

Please accept my grateful obeisances to your divine lotus feet.

Prabhupada among the innumerable Krishna conscious priceless gifts you have given us, the daily recitation of Sri Gurvastaka, this divine offering, summarized the qualities of an acharya. When I was reading your biography all those stanzas particularly describe your qualities, Your Divine Grace. For example, the first stanza begins by glorifying the causeless mercy of Guru, and we being in a horrible world samsara davanala.... hence particularly in need of mercy, we are roaming around the world which is burning due to greed, lust and anger. Srila Prabhupada you downpoured the rain of causeless mercy throughout the remaining verses some of your prominent divine characteristics.

Srila Prabhupada as the next verse glorifies your quality, you engage us in chanting the Holy names of the Lord, even though I have no taste in Holy name as person suffering from jaundice can't sense the sweetness of sugarcane, being inflicted by anarthas I am unable to taste the nectar of the Holy name. At present to just simply follow doctor, I try to follow your words and keep on chanting. I may not be able to chant like those great devotees with pure love and feelings but in my case feeling of gratefulness to you and Krishna is only there, with that much I try to chant.

When I step outside my house I saw so many shops which just takes care of the body. All the activities revolves around it. But Prabhupada you delivered us from self obsession and engaged us in activities which revolves around Krishna like taking care of Deities, dressing them, cleaning temple etc. The same quality third stanza is actually referring to your expertise (daksha) in engaging your disciples. Generally public always act on annamaya level, which doesn't make much difference with animals but out of your causeless mercy you made that anna(food) which is offered to Lord available abundantly in your temple which elevates us from annamaya to jnana, vigjana finally to anandamaya i.e, from hippie to happy just simply by prasadam.

Your divine grace you enjoyed the pastimes of Lord Krishna and gave us too, in the form of books. At present age world is flooded with gramya katha but your divine grace flooded your institution with krishna katha through your books. This I can relate with 5th verse. Srila Prabhupada you being most confidential devotee of Krishna you know spirit of all scriptures which is as vast as ocean. The same spirit I found in your institution which is rare to see.

The pure Vaishnavas' mercy is always available to unfortunate people like me, I beg benediction at your lotus feet that I may chant Krishna's name offenselessly. Srila Prabhupada being away from devotees and your institution I often feel like orphan but your words and Lord's name is what is left with this unguided soul. Without deserving I can't demand, but I can only depend on your mercy.

Aspiring to receive your mercy,

Your unqualified disciple,

Hridayanatha Gauranga Dasa.

Ikshvaku Dasa

My Dear Srila Prabhupada,

Please accept my humble obeisances at Your lotus feet. All glories unto You.

*ācāryaṁ mām vijānīyān nāvamanyeta karhicit,
na martya-buddhyāsūyeta sarva-deva-mayo guruḥ*

“One should know the ācārya as Myself and never disrespect him in any way. One should not envy him, thinking him an ordinary man, for he is the representative of all the demigods.” -- CC Ādi 1.46

There is the story of a poor man who was told by an astrologer about the fortune he was to inherit from his father. Now the astrologer not only gave him the information about the wealth that he was entitled for but also gavethe directions of how to acquire that wealth. Similarly, You are not only telling us about the spiritual wealth (Krishna prema) that we are entitled for but are also giving us the process and directions by which we can acquirethis wealth. At the age of 70, when you were ever happy in your engagement in Krishna consciousness, You could have stayed back in Vrindavana. But You chose to travel across the globe and share the transcendental joythat you were experiencing with the whole world

You have built a house in which the whole world can live. Today whoever becomes attracted to ISKCON and becomes a practitioner in Krishna consciousness is actually getting attracted to the movement by yourimmutable instructions. This is the very proof that you are living in your instructions and people are utilizing it.

When I contemplate on the fact as to what would have happened if I hadn't come in touch with ISKCON, then I get to know the matchless gift of Krishna consciousness that I have been bestowed with becauseof your causeless mercy. Thank you Srila Prabhupada for accepting me as your disciple and flooding with me with service opportunities.

On this most auspicious day of Vyasa Puja, I beg to Your Divine Grace to forgive me for all the offenses that I have committed at Your lotus feet and to keep me always in the service of your devotees and not let me drift astrayfrom the path of pure devotional service.

Your eternal (insignificant) servant,

Ikshvaku Dasa.

ಜೈ ಶ್ರೀಲ ಪ್ರಭುಪಾದ

ಓಂ ಅಜ್ಞಾನ ತಿಮಿರಾಂದಸ್ಯ ಜ್ಞಾನಾಂಜನ ಶಲಾಕಯಾ ಚಕ್ಷುರ್ ಉನ್ಮಿಲಿತಮ್ ಯೇನ ತಸ್ಮೈಶ್ರೀ ಗುರುವೇ ನಮಃ

ನಾನು ಅಜ್ಞಾನ ಅಂಧಕಾರದಲ್ಲಿ ಹುಟ್ಟಿದೆ. ನನ್ನ ಗುರುವು ಜ್ಞಾನದ ದಿವಟಿಗೆಯಿಂದ ನನ್ನ ಕಣ್ಣುಗಳನ್ನು ತೆರೆಸಿದ ಅವರಿಗೆ ನನ್ನ ಭಕ್ತಿ ಪೂರ್ವಕ ಪ್ರಣಾಮಗಳು.

ನನ್ನ ಪ್ರೀತಿಯ ಗುರುಗಳು ಶ್ರೀಲ ಪ್ರಭುಪಾದ ನಿಮ್ಮನ್ನು ವರ್ಣಿಸಲು ಈ ನಿಮ್ಮ ಅಧಮ ಸೇವಕನಿಗೆ ಒಂದು ಅವಕಾಶವನ್ನು ಕೊಡಿ. ನಿಮ್ಮನ್ನು ವರ್ಣಿಸಲು ನನಗೆ ಸಾಧ್ಯವಿಲ್ಲ. ಅಷ್ಟು ಪೂರ್ಣ ನಾನಲ್ಲ. ಆದ್ದರಿಂದ ನಿಮ್ಮಲ್ಲಿ ನನ್ನ ವಿನಂತಿ. ನಿಮ್ಮಲ್ಲಿ ಕರುಣೆಯೆಂಬ ಸಾಗರವು ತುಂಬಿದೆ. ಒಬ್ಬ ತಂದೆ ಹೇಗೆ ತನ್ನ ಮಕ್ಕಳನ್ನು ವಿಶೇಷವಾದ ಕರುಣೆಯಿಂದ ರಕ್ಷಿಸುತ್ತಾನೆ ಮತ್ತು ಪೋಷಿಸುತ್ತಾರೆ. ಹಾಗೆಯೇ ನೀವು ಪ್ರತಿಯೊಬ್ಬ ಭಕ್ತರನ್ನು ಮಕ್ಕಳ ರೀತಿಯಲ್ಲಿ ನೀವು ನಮ್ಮನ್ನು ಸಾಕಿ ಸಲಹುತ್ತಿದ್ದೀರಿ. ನಿಮ್ಮ ಒಂದು ಲೀಲೆಯು ನನಗೆ ಸದಾ ನೆನಪಾಗುತ್ತದೆ. ನೀವೆಷ್ಟು ಕರಣಾಳುವೆಂದು ಇದೆ ಸಾಕ್ಷಿ. ಒಮ್ಮೆ ಮಧುದ್ವಿಷ ಪ್ರಭು ಇಸ್ರಾನ್ ಬಿಟ್ಟು ಹೋಗುವ ಸಂದರ್ಭದಲ್ಲಿ ನೀವು ಅವರ ಕೈಯನ್ನು ಹಿಡಿದು ದಯವಿಟ್ಟು ಮಗನೇ ಹೋಗಬೇಡ. ಈ ಸಂಗವನ್ನು ಬಿಟ್ಟು ಮತ್ತೆ ಮಾಯೆಯ ಜಾಲಕ್ಕೆ ಸಿಲುಕಬೇಡ ಎಂದು ನೀವು ದುಃಖ ತಪ್ಪರಾಗುತ್ತೀರಿ. ನೀವು ಯಾರೊಬ್ಬರನ್ನು ಈ ಮಾಯಾ ಜಾಲಕ್ಕೆ ಮರಳಿ ಹೋಗಬಾರದೆಂದು ಮತ್ತು ಅದಕ್ಕೆ ಒಳಗಾಗದಂತೆ ರಕ್ಷಣೆಯನ್ನು ಕೊಡುತ್ತಿದ್ದೀರಿ. ಆದ್ದರಿಂದ ನಾವೆಲ್ಲರೂ ಈ ಸಂಗದಲ್ಲಿ ಸೇವೆ ಮಾಡುವದಕ್ಕೆ ನೀವು ನಮಗೆ ಪರಮ ಕಾರಣರು. ಇದು ನಿಮ್ಮ ಕರುಣೆಯಿಂದ ಮಾತ್ರ ಸಾಧ್ಯ. ಹೇಗೆ ಭಗವದ್ಗೀತೆಯಲ್ಲಿ ಕೃಷ್ಣ "ನಮೇ ಭಕ್ತ ಪ್ರಣಶ್ಯತಿ" ನನ್ನ ಭಕ್ತನಿಗೆ ಎಂದು ಸೋಲಿಲ್ಲ ಎಂದು ಘೋಷಿಸು ಅರ್ಜುನ ಎಂದು ಕೃಷ್ಣನು ಹೇಳಿದ ಹಾಗೆ ನೀವು ಕೂಡ ಸಾಕ್ಷಾತ್ ಹರಿ ಹೇಗೆ ಭಗವಂತನ ಆಶ್ವಾಸನೆಗಳು ಸುಳ್ಳಾಗುವುದಿಲ್ಲವೋ ಹಾಗೆಯೇ ನಿಮ್ಮ ಮಾತುಗಳು ಸುಳ್ಳಾಗುವುದಿಲ್ಲ. ಯಾರು ಈ ಭೌತಿಕ ಪ್ರಪಂಚದಲ್ಲಿ ನಿಮ್ಮ ಪಾದ ಕಮಲದಲ್ಲಿ ಶರಣಾಗಿದ್ದಾರೋ ಅವರಿಗೆ ಯಾವ ಭಯಭೀತಿಯೂ ಇಲ್ಲ. ಯಾಕೆಂದರೆ ನೀವು ಒಂದು ಸಂದರ್ಭದಲ್ಲಿ ಹೇಳಿದ್ದೀರಿ. ನನ್ನ ಭಕ್ತರು ಎಂದಿಗೂ ಪತಿತರಾಗುವುದಿಲ್ಲ (never fall down) ಹಾಗೆ ನೀವು ನುಡಿದ ತತ್ವಗಳು ಎಂದೂ ಸುಳ್ಳಾಗುವುದಿಲ್ಲ. ಆದ್ದರಿಂದ ನಿಮ್ಮ ಕರುಣೆಯಿಂದ ಈ ರಿತ್ವಿಕ್ ಇಸ್ರಾನ್ ಬೆಂಗಳೂರು ಮತ್ತು ಇದರ ಉಪಶಾಖೆಗಳು ಮಿತಿಯಿಲ್ಲದ ವೇಗದಲ್ಲಿ ಮುಂದುವರೆಯುತ್ತಿರುವುದು . ಮತ್ತು ನಮ್ಮ ಅಕ್ಷಯ ಪಾತ್ರ ನಿಮ್ಮ ಕೃಪೆಯಿಂದ ರಾಷ್ಟ್ರಮಟ್ಟದಲ್ಲಿ ಹೆಸರು ವಾಸಿಯಾಗುತ್ತಿರುವುದು. ನಿಮ್ಮ ಅವತಾರವು ಈ ಭೌತಿಕ ಜಗತ್ತಿನಲ್ಲಿ ಅಧಮ ಜೀವಿಗಳಿಗೆ ಆಧ್ಯಾತ್ಮಿಕದಡೆಗೆ ತಿರುಗಿಸಲು ಬಂದ ಕರುಣಾಳು ನೀವು ಮರಳಿ ಭಗವದ್ಗಾಮಕ್ಕೆ ಕಳುಹಿಸಲು ಬಂದವರು ನಡೆದಾಡುವ ದೇವರು ಎಂದರೆ ಅದು ನಿಮಗೆ ಒಗ್ಗುತ್ತದೆ ವಿನಃ ಬೇರೆ ಯಾರಿಗಲ್ಲ. ಶ್ರೀಲ ಪ್ರಭುಪಾದ ಇಂದು ಎಂದರೆ ವ್ಯಾಸ ಪೂಜೆಯೆಂದು ಇಡೀ ಜಗತ್ತು ನಿಮ್ಮನ್ನು ಪೂಜಿಸುತ್ತದೆ. ಆದರೆ ಕೆಲವರು ನಿಮ್ಮನ್ನು ತೆಗಳುತ್ತಿದ್ದಾರೆ. ನೀವು ಈ ಸಂಘವನ್ನು ಸೃಷ್ಟಿಸಿ, ಬೆಳೆಸಿ ಹೇಗೆ ಭೋದಿಸಬೇಕು , ಹೇಗೆ ತಿಲಕವನ್ನು ಹಚ್ಚಬೇಕು ಎಂದು ತಿಳಿಸಿ ದೋತಿಯನ್ನು ಹೇಗೆ ಹಾಕಬೇಕು ಎಂದೆಲ್ಲ ತರಬೇತಿಯನ್ನು ಕೊಟ್ಟವರು ನೀವೇ. ನಿಮ್ಮ ಮಾರ್ಗದರ್ಶನದಿಂದ ಇಡೀ ಜಗತ್ತೇ ಕೃಷ್ಣನಡೆಗೆ ಬರುತ್ತಿದೆಯೆಂದರೆ ಅದಕ್ಕೆ ಕಾರಣ ನೀವೇ. ಆದ್ದರಿಂದ ನಿಮ್ಮನ್ನು ನಾವು ಅಂದರೆ ಇಸ್ರಾನ್ ಬೆಂಗಳೂರು ಅನುಸರಿಸುತ್ತಿದ್ದರೆ. ನಮಗೆ ಅವರು ಪರಂಪರೆಯಿಲ್ಲದವರು ಎಂದು ತೆಗಳುತ್ತಿದ್ದಾರೆ. ಅದೆಂತಹ ಮೂರ್ಖರು ನಾನರಿಯೆ ಮತ್ತು ರಿತ್ವಿಕ್ರು ಅಪರಾಧಿಗಳೆಂದು ಹೇಳುತ್ತಿದ್ದಾರೆ. ಆದರೆ ಇಂದು ಅವರ ಅನುಯಾಯಿಗಳು ಕೇಳುತ್ತಿದ್ದಾರೆ. ಅವರು ಅಪರಾಧಿಗಳು ಎಂದರೆ ಯಾಕೆ ಅವರು ಅಷ್ಟೊಂದು ಮುಂದುವರೆಯುತ್ತಿದ್ದಾರೆ ಎಂದು ಕೇಳಿದರೆ ಅವರಲ್ಲಿ ಉತ್ತರವಿಲ್ಲ. ಮತ್ತು ಜೀವಂತ ಗುರು ಬೇಕು ಎನ್ನುತ್ತಾರೆ. ಶಾಸ್ತ್ರವು ಆಚಾರ್ಯರು ಹೇಳಿದಂತೆ ತಂದೆಯ ಮರಣದ ನಂತರ ಒಬ್ಬ ಜೀವಂತ ತಂದೆ ಬೇಕೇ ? ಹಾಗೆಯೇ, ತಂದೆಯ ಸಂಬಂಧ ಈ ಜೀವನದುದ್ದಕ್ಕೂ ಹೇಗೋ ಹಾಗೆ ನಮಗೆ ಗುರುವಿನಿಂದ ಪಡೆದ ದೀಕ್ಷೆಯು ಜನ್ಮ ಜನ್ಮಾಂತರದವರೆಗೆ ಮುಂದುವರೆಯುತ್ತದೆ ಎಂದು ತಿಳಿಯದೆ ವೈಯಕ್ತಿಕ ಹೆಸರುಗಳಿಗೆ ತಮ್ಮ ತೀಟೆಯನ್ನು ತೀರಿಸುವುದಕ್ಕೋಸ್ಕರ ಬೋಧಿಸಿ ದಾರಿ ತಪ್ಪಿಸುತ್ತಿದ್ದಾರೆ. ಇದು ಖೇದದ ವಿಷಯ. ಪ್ರಭುಪಾದ ಇಂತಹ ಟೊಳ್ಳು ವಾದ ವಿವಾದಗಳಿಂದ ನಿಮಗೆ ಶರಣಾಗಿರುವಂತಹ ಜೀವಿಗಳಿಗೆ ಸಂಪೂರ್ಣ ರಕ್ಷಣೆಯನ್ನು ಕೊಡಿ. ಅಂತಹ ದಾರಿ ತಪ್ಪಿದ ಜೀವಿಗಳಿಗೆ ಅರಿವು ಮೂಡಿಸಲು ಅವರಿಗೆ ತಿಳಿಸಲು ನನಗೆ ಒಂದು ಶಕ್ತಿ

ಇಂತಿ ನಿಮ್ಮ ಶಿಷ್ಯ ,

ಈಶ್ವರ ಪುರಿ ದಾಸ

Jaya Govinda Dasa

Dear Srila Prabhupada!

Please accept my humble obeisances!

First and foremost, thank you! I have been waiting all year for this day to write this offering unto you. Thank you, Srila Prabhupada, for everything that you have given me the past year. I have remained in Krishna consciousness, still chanting 16 rounds, still holding on. It has all been due to your grace only. You have saved me from all the bad karma that I was bound to get; saved me from the ill-effects of Kali-yuga; saved me from my own mind, my own false ego even. You have kept me safe within the precincts of this institution, connecting me back to it even though at times I could have drifted off. Thanking you in every breath I take, every syllable I utter still can't make up for you being this protective kavacha over me. We have heard of Narasimha kavacha, Narayana kavacha, but this is a very special "Prabhupadakavacha". Generally kavachas are printed on a silver foil, and worn by people. This Prabhupada kavacha is also printed, but on paper, and they are not worn but read by devotees.

You have personally created the Bhaktivedanta purports to eternally be your separated energy, protecting disciples like me even when you were not physically present. You were aware of this, and also you were careful to protect your books from being changed to something that they weren't.

This protection draws its energy from your unconditional love for us, Prabhupada. Love is a very powerful force in this material world, but insignificant compared to your love, which is limitless, causeless and protecting me even now. Your love is that thread which is strung through the kavacha encompassing me with your love and protection.

This happened in Indore in 1970 at the Gita Jayanti Mahotsava. There was an uproarious kirtan going on and the crowd really came to life. The previous night you had also danced on stage and everyone started dancing; some even jumped off the stage into the crowd. That night, some member from the audience wanted to induce the devotees to jump off the stage like the previous night. But what started spontaneously couldn't be replicated and the man started pulling at the devotees. He even pulled one of the women's saris. You were also dancing Srila Prabhupada and you ran towards that man fiercely waving your karatals, making him stop. You were like a lion Srila Prabhupada, out to protect your disciples. Another time, in Puri, Govinda Dasi had somehow entered into the Jagannath temple (it is well known that foreign-bodied people aren't allowed inside). She disguised herself as an old lady, covered with a shawl, and carrying a stick entered the temple. She really wanted to have darshan of Lord Jagannath. But unfortunately, the pandas found out, beat her up and chased her away. You were very upset at this Srila Prabhupada. The next day, you were invited to a book release function, attended by many pandas. And then you started your firing, "Jagannath is Jagannath, not Purinath, not Orissanath! Why don't you allow his devotees visit? If you don't, then Jagannath will pack his bags and come live with us." The pandas were taken aback. They knew

of a prediction which did say that Lord Jagannath will leave the temple with the fulfilment of three conditions. Two of those conditions had already been fulfilled by that time. And the third and last one was this: foreigners also will start entering the temple. Your words shook the pandas and they immediately met to discuss this issue. The decision: never to let the third prediction come true. Till today they see ISKCON as a competition for them. You really can go any lengths to protect your disciples, Prabhupada. You are my hero, my champion.

Once Srutakirti Prabhu was very ill while you were in Vrindavan. Before him you had been ill too and Srutakirti Prabhu had been there to look after you. Because of Srutakirti prabhu's illness, he had lost interest in staying in India. And with a heavy heart he asked whether he could go back to Los Angeles, and you agreed. "You have kept me alive for the last month. If it wasn't for you, I wouldn't be here now," you said. Srutakirti Prabhu was overwhelmed. Yet, even though he had made up his mind, later while Srutakirti Prabhu was sitting by your lotus feet, he realised there was no sweeter place in the universe. He decided to stay back. And I feel what safer place can there be, Srila Prabhupada than sitting by your lotus feet just depending on your mercy and protection. No anxiety, completely covered from the fiery effects of the material energy, under your loving glance.

As I said earlier, you have been a very protective and loving father for me. But how far do you love your disciples? How protective? There is one pastime of yours that shows this. In around 1970, you had sent Gargamuni Prabhu and Brahmananda Prabhu to preach in Pakistan – Brahmananda Prabhu to West Pakistan and Gargamuni Prabhu to East Pakistan (present-day Bangladesh). Gargamuni Prabhu went along with Pushta Krishna Prabhu as sannyasi and assistant to Bangladesh, then East Pakistan. But little did they know that at that time, there was a revolution happening in Bangladesh. You got to know much later, but by the time you sent a letter to your disciples to stop them from going, it was too late. Gargamuni Prabhu saw burning cars, riots - a civil war for independence had started. They were able to do some university programs while they were there, but after about 4 months, the situation got worse. Meanwhile you were concerned for your two disciples. Gargamuni Prabhu was even able to convince a few Hindu professors to translate two of your small books to Bengali, but by the time they could be distributed, the situation got worse and some fanatic Muslims were on the prowl to kill Hindus. At that time these two brave disciples decided to leave the country. They arrived in Bombay during the Cross Maidan Pandal in 1971.

Gargamuni Prabhu recollects: *"And it was very emotional because, Prabhupada had previously seen in Indian newspapers, that the devotee showed, that four Hare Krishna's were murdered in Bangladesh and Pakistan. So Prabhupada was thinking that, me and Brahmananda, and the two Brahmacharies with us were murdered. And so, I went there, I entered Prabhupada's room and Prabhupada jumped out of his seat and came over and started embracing me. I was very emotional and touching my face and my hair, he pulled on my sikha. I was treated like a long-lost son who had returned from a journey, that's how he treated me. So the devotees were in awe, it was fasting on that day because it was Ramanavami. So Prabhupada immediately ordered the servant to cook puris and aloo sabzi for me and the brahmachari, Pusta Krishna."*

Many people cannot gauge this side of you Prabhupada. The Prabhupada who would go to any lengths to save his devotees, protect them, nurture their devotion - the way you are doing for me to this day. And let me never forget this side of you, let me never forget your loving glance, your lotus feet which provide all the shelter a devotee needs, your face which lights up at the sight of his long lost son, your fiery anger like Lord Narasimha's which protects your devotees. Let me never forget reading and studying your kavachas every day. And I hope that one day, you will save me too, your son, and pull me by my sikha out of this material world.

In return all I can do is write this tiny offering. I can't repay all that you have done for me. But I pray that I never forget to speak your glories, Srila Prabhupada. Day after day, I want to tell everyone about my eternal saviour and how you have come to this world to save all of us. The real superhero – Srila Prabhupada, The Master (Prabhu) at whose lotus feet many prabhush can seek eternal shelter and protection.

Your eternal servant,

Jaya Govinda Dasa.

Jayasakhi Devi Dasi

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet. How much you have given me!!!? You are my saviour. Without your mercy I am nothing. I pray to Krishna that I should always serve your mission, without taking any credit on my part.

I am the most fallen. It is not just words. I mean it. Prabhupada, please be merciful always. One new assignment I have taken recently, preaching to school children at Mannargudi. Please give me strength. Children are very eager to know about Krishna. Many souls are waiting to take Krishna Consciousness. Let me deliver the message properly.

Please bless my son. Let him serve your mission nicely. I have heard that Chaitanya Mahaprabhu will hand pick the devotees, then only they will be able to become a full time missionary. Please recommend this boy also so that he can also join your institution as a full time missionary. He is not ready to take up grihastha life. Then you have to take him.

Prabhupada, my chanting is not at all proper. If I miss mangala arathi, then it is even worst. Please help me to chant properly. I should get the taste of chanting.

Please accept me as your servant and let me always remain in that way, till the end. Please bless my Prabhu also. Let him accept your shelter soon.

Your most insignificant disciple,

Jayasakhi Devi Dasi.

Jivana Mukta Dasa

Dear Srila Prabhupada,

Please accept my humble obeisance unto your lotus feet.

Thank you for bestowing the wonderful opportunity of glorifying your Divine Grace on the auspicious day of your 123rd appearance day i.e. Vyasa Puja. Your Divine Grace's appearance and accomplishments are a turning point not only in Gaudiya Vaisnavism, but in the very history of human civilization. Your deeds are self-evident, unprecedented and matchless.

Srila Prabhupada, everyone can benefit themselves by surrendering unto your lotus feet and by following your divine teachings as You are the actual spiritual master of the whole world.

kali-kālera dharma—kṛṣṇa-nāma-saṅkīrtana

kṛṣṇa-śakti vinā nahe tāra pravartana

“The fundamental religious system in the age of Kali is the chanting of the holy name of Kṛṣṇa. Unless empowered by Kṛṣṇa, one cannot propagate the saṅkīrtana movement.” (Antya-līlā 7.11)

Srila Prabhupada, you are so dear to Lord Caithanya that he has entrusted you with a uphill task of inundating the whole world with the holy names of Lord Krishna. Lord Caithanya clearly mentions that He will send His leading preacher abroad for fulfilling his desire.

ebe nama sankirtana tiksna khadga lana, antara asura jivera pheliba katiya

yadi papi chadi dharma dura dese yaya, mora senapati-bhakta yaibe tathaya

“Taking the sharp sword of the congregational chanting of the Holy Name, I will root out and destroy the demoniac mentality in the hearts of the conditioned souls. If some sinful people escape and giving up religious principles go to far off countries, then my commander in chief (Senapati Bhakta) will appear to chase them and distribute Krishna consciousness.”

Srila Prabhupada, you are applying the soothing balm of the universal non- sectarian message of love for God and love for all living beings, to a world afflicted by strife and war; thus bringing peace, love and joy in the lives of millions worldwide.

Srila Prabhupada, you are freeing thousands of youngsters from self-destructive addictions by the power of the holy name of God and transforming their lives.

Srila Prabhupada, you are inspiring and overseeing the establishment of Krishna temples, which observe high and pure standards of deity worship and which serve as spiritual sanctuaries and cultural education centers for the stressed and distressed modern minds.

Srila Prabhupada, thank you for providing this world with all the things required for a living entity to progress in Krishna Consciousness.

Srila Prabhupada, on this auspicious occasion, I pray to you for protection from all sort of distractions from being conscious of Lord Krishna. Please help me to overcome my anarthas which are rooting out from my monkey mind. Please bestow your causeless mercy so that I can purify my mind and senses.

Your unworthy servant,

Jivana Mukta Dasa.

Kalakanta Dasa

Dear Srila Prabhupada,

Please accept my humble obeisances.

Thank you very much for the gift of Krishna consciousness. Life has never been more meaningful and satisfying after coming in touch with you.

It's even more satisfying to be an instrument of your grace in transforming the lives of others.

I feel very fortunate and blessed to serve you under the guidance of your sincere disciples. It's very inspiring to see my leaders shouldering great responsibilities in your mission and at the same time maintain very high standards of consciousness. They are very eager to expand your mission far and wide and I feel very happy to assist them in their services.

By following the regular sadhana program, I am slowly beginning to realise the great freedom from the agitations of the senses and mind. These reciprocations have deepened my faith in the sadhana program you have given us.

Kindly bestow your mercy Srila Prabhupada, so that I may always remain in the association of your sincere disciples. May I always be engaged in your loving services. May I never commit offenses against vaishnavas.

Your servant, Kalakanta Dasa

Kalanidhi Dasa

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories un to you.

Once during a morning walk conversation at 6:30 a.m. one person was practicing golf, and You stopped in the middle of a walk by looking at him and asked a devotee "What is he doing?" A devotee said, "Oh, he's practicing his golf, Srila Prabhupada." You asked again, "What is he doing? He's wasting his human form of life." The same austerity as he's going to practice his golf at 6:30 in the morning he could easily be directing towards Krishna. Actually You had tears in your eyes watching his determination to practice his golf. According to The Nectar of Devotion, "A person who is unable to bear another's distress is called compassionate." You were compassionate on the conditioned souls who did not know the value of human life, who goes through distress thinking temporary illusory happiness as real. You expressed your compassion through preaching,

which is the essence of compassion. You find various means, according to the time, circumstances and one's nature to induce the conditioned souls of this world to render devotional service, purify their existence and take them back to Godhead.

It is stated in Bhagavadgita: There is no difference between the kingdom of God and the devotional service of the Lord. Since both of them are on the absolute plane, to be engaged in the transcendental loving service of the Lord is to have attained the spiritual kingdom. In the material world there are activities of sense gratification, whereas in the spiritual world there are activities of Kṛṣṇa consciousness. Attainment of Kṛṣṇa consciousness even during this life is immediate attainment of Brahman, and one who is situated in Kṛṣṇa consciousness has certainly already entered into the kingdom of God. – Bhagavadgita 2.72 Purport

You are so merciful that you have engaged all kinds of fallen souls in devotional service without any reservation and showed them way to go back to Godhead. Lord Krishna says in Bhagavad-gita that this world is ocean of miseries. You extinguish the misery of this material world like cloud extinguishes forest fire. So just like ordinary cloud is made possible by evaporating water from the sea, similarly one who has connection or the power to evaporate the mercy sea of Krishna, he can extinguish the samsara davanala. You are the cloud, agent of drying water from the ocean of mercy of Krishna and turns it into a mercy cloud and pours water on the samsara davanala, (forest fire of material existence) and then it is extinguished.

It is stated in Śrī Caitanya-caritāmṛta:

kṛṣṇa yadi kṛpā kare kona bhāgyavāne, guru-antaryāmi-rupe śikhāya āpane

"Kṛṣṇa is situated in everyone's heart as caitya-guru, the spiritual master within. When He is kind to some fortunate conditioned soul, He personally gives one lessons to progress in devotional service, instructing the person as the Supersoul within and the spiritual master without."-Śrī Caitanya-caritāmṛta Madhya-līlā 22.47

You are the external manifestation of the caitya-guru, or the spiritual master sitting in everyone's heart. Your presence, vision, instructions are all auspicious. Your mission is to appeal to everyone to become a devotee of God. Unless enlightened by pure devotee like you one cannot see things as they are. I beg you to please be merciful upon me, help me develop right perception of this world, engage me in your mission keeping all other considerations aside.

Your Servant, Kalanidhi Dasa.

Kalyan Krishna Dasa

Dear Srila Prabhupada

I offer my humble obeisances unto your lotus feet. I will be eternally grateful to you for showing me the correct path and saving me from impersonalism, atheism and showing me the right way of bhakti without your help I would be bewildered and forever inspiring me to perform bhakti fearlessly in any circumstances and never leaving the side of truth.

I can honestly say there is never a day that goes by that I do not remember you. I am constantly remembering bits and pieces of your pastimes, quotes, instructions, and guidance, as well as trying to relish every moment, realizing how I deserve none of this.

Practically, when I read your purports on Chaitanya Chartamrita Adi Lila, I am very much impressed and able to appreciate your purports with respect to, how subtle way people are misled to impersonalism. I am able to understand the meaning of your Pranama mantra in that purports.

So on the most auspicious day of your appearance, I beg that you please accept this offering as a humble attempt to somehow or other reciprocate with Your causeless mercy.

Furthermore, I beg that you kindly remove the black umbrella of ignorance that is presently covering me so that I can properly receive and follow your instruction and try and serve your lotus feet with ever-increasing purity, love, and devotion.

Thank you for all that you have given me, which is unlimited in number.

Your Servant,

Kalyana Krishna Dasa.

Kamala Paada Dasa

Dear Srila Prabhupada,

Please accept my most humble obeisance at your lotus feet on this most auspicious appearance day anniversary of Your Divine Grace.

In the Srimad Bhagavatam, Parikshit Maharaja says:

muktānām api siddhānām nārāyaṇa-parāyaṇaḥ, su-durlabhaḥ praśāntātmā koṭiṣv api mahā-mune

“O great sage, among many millions who are liberated and perfect in knowledge of liberation, one may be a devotee of Lord Nārāyaṇa, or Kṛiṣṇa. Such devotees, who are fully peaceful, are extremely rare.” (SB 6.14.5)

This verse clearly declares that pure devotees are extremely rare even among millions of liberated and perfected beings. Is it not the greatest fortune of this world, that a pure devotee like you came from the spiritual world just to deliver the fallen souls in fulfillment of Lord Chaitanya’s mission? All the transcendental qualities of a pure devotee described in the scriptures are to be found in your personality. Throughout your life the quality of being humble is what shines brilliantly. In perfect humility you offered all credit to your guru for the success of the Hare Krishna movement as you have stated in the Preface to the Bhagavad-gita As It Is: *“If I have any credit in this connection, it does not belong to me personally, but it is due to my eternal spiritual master, His Divine Grace Om Viṣṇupāda Paramahaṁsa Parivrajakācārya 108 Śrī Śrīmad Bhaktisiddhānta Sarasvatī Gosvāmī Mahārāja Prabhupāda.”* As the perfect acharya, you teach by your own example how a disciple should offer gratitude to his spiritual master. At Hamburg, on the fifth of September in 1969, while receiving Vyasa Puja, you said, *“I was also misled in so many ways. But my spiritual master saved me, Bhaktisiddhānta Sarasvatī Gosvāmī Mahārāja.”*

In the foreword to the book, Science of Self Realisation, your disciple Mukunda Gosvami recollects, *“One day, after someone had asked, ‘Are you God?’ Śrīla Prabhupāda replied, ‘No, I am not God—I am a servant of God.’* Then he reflected a moment and went on. *‘Actually, I am not a servant of God. I am trying to be a servant of God. A servant of God is no ordinary thing.’* In line with the teaching of Vaishnava humility by all the previous acharyas in our sampradaya, you have written in a purport to the Srimad Bhagavatam verse 4.12.33 *“The Kṛiṣṇa consciousness movement is spreading now all over the world, and sometimes I think that even though I am crippled in many ways, if one of my disciples becomes as strong as Dhruva Mahārāja, then he will be able to carry me with him to Vaikuṅṭhaloka.”* Even though you are the thirty second acharya in this glorious parampara.

In an arrival address on the twentieth of June in 1975, you said, *“I have no personal qualification, but I simply tried to satisfy my guru. That's all.”* In another Bhagavad-gita class, given in London on the third of August in 1973, you said, *“It is not that I am very much qualified. The only qualification is that I have tried to execute the order of superior authority. That's all. This is the secret of success.”*

In a letter to your disciple Devananda, written on the twenty eighth of September in 1968, you have described the ‘humble service spirit’ thus, *“The description given in these books, are not mundane speculations, but they are authorized versions of liberated souls, presented by your humble self. So, the strength is not in us, but the strength is in the Supreme Lord. And we have simply to present them without any adulteration, in humble service spirit. That is the secret of success.”*

Srila Prabhupada, I consider myself very fortunate to have received your causeless mercy, by which I have got shelter in your movement. Most importantly, though I am undeserving, I have got the invaluable association of your sincere servants. I pray that you continue to shower your unlimited causeless mercy

upon this fallen soul. Only then may I be able to give up my false pride and become a humble servant of your sincere servants. Such sincere servants are working tirelessly to push forward the world-wide movement you have established to distribute Lord Chaitanya's gift of Krishna consciousness. On this most auspicious day of your divine appearance, I beg for your mercy so that I can serve your mission sincerely by giving up my false ego and lethargy. Though your mercy has already transformed millions of hearts, somehow I have lagged behind in accepting your mercy. I now pray that I may wholeheartedly accept your mercy and actively work for spreading your divine glories.

Your Servant,

Kamala Pada Dasa.

Dear Srila Prabhupada!

Please accept my humble obeisances, All glories unto you!

I would like to express my heartfelt gratitude at your Lotus Feet for keeping me under your shelter. Because of your institution, I have got such wonderful guide and God-brothers, I could see your desires of building multiple temples and spreading the holy name manifesting through devotees of ISKCON Bangalore rampantly. May I continue to be in the association of your devotees throughout my life in order to achieve the highest goal of human life. I pray to Krishna that I imbibe all the good qualities of Vaishnavas and eliminate the demonic qualities in me, so that it makes you and Krishna happier. I would love to be a part of your mission to spread the Holy name of the Lord, please give me the strength to convince my parents to understand the importance of serving the Supreme Lord, Sri Krishna.

What would have taken 20 to 30 years for me to learn about life, you just taught me with your simple instructions in just few moments and I'm highly indebted to you for making my life so easy and simpler. I can now understand the meaning of what "Tad-Vijnanartham sa gurum evabhigacchet" is.

I want to take Japa and Reading your books more seriously, please help me follow the instructions of H G Madhu Pandit Prabhu to Chant 16 rounds and read your books effectively. I have realized that it's not practical to eliminate false ego by my own strength, it requires your causeless mercy. I personally feel that there are some anarthas hindering my progress in spiritual life. Dear Srila Prabhupada, kindly rectify my anarthas and guide me so that I always remain at your lotus feet.

Let me forever remember to offer all the credits to you whenever I get recognized at any event. Let the pride or ahankara not overtake me.

I thank you for helping me build a courteous behavior towards the Vaishnava community, I am deeply indebted to you for providing me a chance to serve them in your organization in many possible ways. Please forgive me for any offense that I have committed against you and other Vaishnavas. My mind always tends to keep committing blunders and offenses against your lotus feet, please tame my useless mind to follow you strictly.

It is very astounding to see myself being part of Bhakti towards the Supreme Lord, I simply can't imagine what my life would have been without your touch. I'm very happy that now, I take only Krishna Prasadam, listen only to Kirtans and lectures related to Krishna Consciousness, associate only with devotees, participate in Sadhana regularly, I am very thankful for setting up a system which keeps me Krishna Conscious almost all day.

I met a few old people aged between 60-80 at the Indian institute of science. For my amazement, none of them have any idea about what life is or never would have asked themselves "Who am I?" "Why am I suffering or growing old?" even though they were all inquisitive and highly experienced in their respective fields of work or in so called science.

All your words came shooting into my mind at that time, how people have negligently wasted their life by not inquiring about the Absolute truth or the perfect science. I feel very fortunate that by Your Grace I got to know of my eternal identity in relationship with the Supreme Lord unlike people who have got no interest in searching their identity, just because they are so caught up in solving some material problems for few bucks of money.

It's fascinating and inspiring to know how people of the West just turned from hippies to 'happies' just by following your foot steps, I repeatedly came across the initiation of Jagannath Ratha Yatra, back in the Western countries, this effort requires extreme amount of enthusiasm and determination, I therefore adore your qualities of compassion, mercy, enthusiasm, patience and determination. I wish I could grab at least a pinch of these qualities in my life too.

I hereby conclude by begging you that let me never forget my identity as your servant again and dive into the material pool repeatedly. Please keep me under your shelter always so that I can please you and Krishna. Even though it takes millions of life times to understand Krishna or to approach a bonafide Guru, you have mercifully given a chance to understand the unparalleled philosophy through your Divine words even by a foolish person like me. Ultimately it's the surrender of a jiva that can please you. So, I humbly pray that you tinker my mind, so that I let go of the independent nature. Hope this makes me more humbler so that my surrender becomes quicker.

Yours most unqualified servant,

Kamalaksha Krishna Dasa.

Kamalasana Dasa

Dear Srila Prabhupada,

All Glories to Your Divine Grace. Please accept my humble obeisances on this auspicious occasion of your Divine appearance.

Mūkham karoti vācālam paṅgum laṅghayate girim, Yat kṛpā tam aham vande sri-gurum dina-taram

I was born in the darkness of ignorance

Believing this body to be true existence

From the very beginning I was repeatedly told

In matters of senses by shamelessly bold

Thus being misguided I stared my life

Seeking pleasures of followers, wealth and wife

Thoroughly educated on the affairs of illusion

My activities were in arrogance and delusion

Rooting my faith in mundane logic and reason

All I received was mockery and treason

I worked hard for the lies of self-indulgence

Never enquired the truth beyond Brahman effulgence

Accepting favors of Maya I was left frustrated

My search of absolute started though belated
Looking for supreme various doors I knocked
But finding only deceit my soul felt blocked

Bitter and unsatisfied alone was I left to cry
Clouds of fear and helplessness filled my sky
Then came the dawn of hope and light
And I asked Can ISKCON remove my plight

Accepting Srila Prabhupada to be my guru
I found life as fresh as morning dew
Though impure and independent in my plan
Under Your divine guidance my devotion began

Please hear the prayers of this lowly servant
My service to your lotus feet glow fervent
Shower your blessing filled with compassion
Bestow service to Krishna in love and devotion
Aspiring to be servant of your servant,
Kamalasana Dasa

Kanhaiya Krishna Dasa.

Dear Srila Prabhupada,

Please accept my most humble obeisance at your divine lotus feet on this auspicious day of your divine appearance.

There is no more fitting glorification of Your Divine Grace than the very Bhāgavatam in which you yourself personify. I, unfortunately, can understand very little of this fact.

Your compassion on fallen souls like me resembles the character of Prahlada Maharaja

In Srimad Bhagavatam Prahlada Maharaja prays to Narasimhadeva:

“O best of the great personalities, I am not at all afraid of material existence, for wherever I stay I am fully absorbed in thoughts of Your glories and activities. My concern is only for the fools and rascals who are making elaborate plans for material happiness and maintaining their families, societies and countries. I am simply concerned with love for them.” (SB 7.9.43)

“My dear Lord Narasimhadeva, I see that there are many saintly persons indeed, but they are interested only in their own deliverance. Not caring for the big cities and towns, they go to the Himalayas or the forest to meditate with vows of silence [mauna-vrata]. They are not interested in delivering others. As for me, however, I do not wish to be liberated alone, leaving aside all these poor fools and rascals. I know that without Krishna consciousness, without taking shelter of Your lotus feet, one cannot be happy. Therefore I wish to bring them back to shelter at Your lotus feet.” (SB 7.9.44)

Your Divine Grace is full of such unlimited divine qualities which can transform anyone who comes in contact with you and becomes a devotee.

Srila Prabhupada, although I am unqualified, out of your unlimited kindness you have accepted me as your servant and you are guiding me towards the perfection of life. It is only you who can save me from this material existence.

Only by your causeless mercy I have become your instrument in your organization. Please help me serve your mission with humility and dedication.

Srila Prabhupada, I beg always to hear the sound vibration emanating from your lotus mouth. Your words in the form your books, lectures, videos, letters, and conversations, etc

I pray that I always have the association of your devotees who are unceasingly attached to hearing the sound vibration resounding from your lotus mouth.

Finally, Srila Prabhupada, I would like to thank you once again for making your compassion available to me. Please help me to keep my mind always at your divine lotus feet.

On this occasion I beg forgiveness for all my offenses committed unto your lotus feet and other Vaishnavas.

Aspiring to be a worthy servant of the dust of your lotus feet,

Kanhaiya Krishna Dasa.

Kanja Lochana Krishna Dasa

Our most beloved Spiritual Master Srila Prabhupada,

Your appearance in this material world is the most auspicious event for countless living entities, who are forgetful of Krishna and His pure devotional service. Just by your activities, you are attracting us to have a glimpse of the Spiritual world. As soon as we get a little taste of this devotional service by your mercy, we are ready to give up all other engagement in the material world and become your admirer, follower and disciple.

You are giving us the most valuable thing, “Bhakti Lata Bija” and are also instructing us on how to protect it, how to nurture it, so that we may not lose it and again fall into the material pool.

You are so merciful to us that, every time we fall, somehow or the other you keep us intact in spiritual life by guiding us through your books, your Smile, your disciples and your own life of struggle and pure devotional service to Lord Sri Krishna.

I would like to express how you have guided me on many occasions as a merciful father, guide, friend and philosopher.

1. Na yotsya iti Govinda.

Krishna is the Supreme Personality of Godhead. It is because of His fear, the wind blows, The Sun and the moon rises and sets, fire burns etc..... Nobody in the whole creation dares to refuse Krishna’s order. That Supreme proprietor, Supreme enjoyer had become the friend and chariot driver of Arjuna to guide him to win the Battle of Kurukshetra and enjoy an unrivaled kingdom. In the beginning Arjuna was ready to fight the battle and was well equipped for the same by the mercy of the Lord. But the at time when both the parties were ready, standing face to face, when conch-shells were blown to indicate the beginning of war, when everybody including Krishna was expecting Arjuna to shoot the arrow, Arjuna refuses to fight (Na yotsya iti Govinda) by giving reasons which were not expected by him at that crucial time of war. Krishna’s orders and desires are never refused or declined by anyone, rather those orders are taken as great mercy by Brahma, Shiva, etc.... but Arjuna refuses to fight, prioritizing his own desires over the desire of the Lord. This makes Krishna smile about the ignorance and foolishness of Arjuna. And Krishna even at that hour of crises, very patiently and mercifully delivers the Bhagavad-gita to encourage Arjuna to fight for the cause of Krishna, which includes Arjuna’s cause also.

Similarly, Dear Srila Prabhupada, you are the Supreme Personality of Servitor Godhead (Sevaka Bhagavan, Sakshad Hari) the most confidential and dear servant of the Lord. You are always absorbed in the loving Service of Sri Radha Madhava. That is your exalted position. Yet you have mercifully begun the Hare Krishna Movement to deliver the fallen souls to the Lotus feet of Sri RadhaKrishna in Goloka Vrindavana. You have made all the arrangements for us to get Attracted to Devotional service (By Sankirtana, Archa Vighraha, Maha prasadam etc..., Guided by your Books, your disciples etc..., Sheltered by ISKCON and protected from onslaughts of Maya by taking shelter of your lotus feet and Lotus feet of the Lord.

And we have voluntarily accepted to become your disciple and follow your instructions (Guru Mukha Padma vakya, cittete koriya aikya, ara na koriho mane asha). In spite of all these facilities, we sometimes refuse to follow your instructions because of our foolish desires, misunderstandings, concoction, and ideas born out of Ignorance. Yet you never refuse to give up hope on us and always guide us for our own real interest (sva-artha-gatim-hi-Vishnu). You are always patient, merciful and kind towards your disciples. Even though I am not worthy of being your disciple, you have always protected me from Maya (outside and inside)

2. Material Society reformation v/s Spiritual Society reformation.

When we are in the material society, we are taught about the dual concept of life. About good and bad, right and wrong, etc... And we are taught to accept the one and reject another. This is also the minds function, sankalpa-Vikalpa. But when we join ISKCON there is hardly anything to reject. Our minds keep searching for something to reject from the society, this is actually a trick of maya in the material world to keep us engaged by making us do some kind of reformation to the self, family or society and feel good about it and continue being in the material world. Of course we have to reform our material consciousness to Krishna consciousness being in ISKCON but unfortunate souls like me try to reform ISKCON itself. It is funny because we ask Lord to change our situation, not knowing He put us in the situation to change us.

Reformation is required when performing devotional service is forbidden. (E.g. Chaitanya Mahaprabhu refused to follow the order of Kazi to stop Loud Sankirtana, and started civil disobedience movement)

But Sri Chaitanya Mahaprabhu did not change some systems prevalent at His time, because they were not causing hindrance to perform devotional service (E.g. when Lord was in Puri, he used to get invitation for lunch both from Brahmanas devotees and Non Brahmanas devotees. Brahmanas devotees used to cook at home and feed the Lord, whereas non-Brahmana devotees used to purchase Lord Jagannatha's prasadam and feed the Lord. Chaitanya Mahaprabhu observed the etiquette then current in society by accepting only prasadam cooked by the brahmana caste. But on Principle He accepted invitations from His devotees, regardless they were brahmanas by caste. (CC Antya 3.10.140 p)

Srila Prabhupada, you have mention in a letter, *If one has ever sincerely served Krishna, & his spiritual master, he will not fall down (SPL to Jadurani- 26-10-67),*

Please bless me, so that I perform devotional service sincerely at least for one day, day after day, every day, so that I may not fall down again into the material pool.

Aspiring to be at the shelter of your lotus feet,

Kanja Lochana Krishna Dasa.

Keshava Balarama Dasa

Dear Srila Prabhupada,

Please accept my humble obeisance unto your lotus feet!

Shri Adi Sankaracharya composed a poem saying, there is nothing more important than the Lotus feet of Guru in the following way

Even if I have pretty men, beautiful wife, great fame and mountain like money, if your mind does not bow at the Lotus feet of Spiritual master, what is the use?

Even if you have a wife, wealth, children and grandchildren, house, relations and are born in a great family, if your mind does not bow down on the lotus feet of Spiritual master, what is the use?

Even if you are expert in six angas and the four Vedas, and expert in writing good prose and poems, if your mind does not bow down on the lotus feet of Spiritual master, what is the use?

Even if you are considered great aboard, rich in your own place and greatly regarded in virtues and life, if your mind does not bow down on the lotus feet of Spiritual master, what is the use?

Even if you are king of great region, and are served by kings and great kings, if your mind does not bow down on the lotus feet of Spiritual master, what is the use?

Even if your fame has spread all over because of charity and fame, entire world is with you, if your mind does not bow down on the lotus feet of Spiritual master, what is the use?

Even if you don't concentrate your mind on passion, yoga, fire sacrifice or a happy life with your life or in the affairs of wealth, if your mind does not bow down on the lotus feet of Spiritual master, what is the use?

Even if your mind stays in the forest or in the house or in the great thoughts or in duties. If your mind does not bow down on the lotus feet of Spiritual master, what is the use?

Prabhupada, when you were in western world, someone asked you

"Why is everyone bowing down to you?"

Prabhupada would sometimes answer, *"Everyone has to bow down to someone." "Why? I don't bow down to anyone." "Oh, yes you do. You bow down to old age." "No, I don't." "Yes you do. Why not bow down to a guru, an advanced person?"* then you don't have to bow down to repeated cycle of birth and death.

When I heard this song for first time, it struck me, even if I achieve everything in this world, what is the use? If I don't bow down to my spiritual master. My life is utter waste, simply spent my energy in asat. When the body drops dead on the ground then what will remain mine? This is the ultimate destination of this material body, and most amazing thing is that all of my opulences, house, family and friends have exactly the same destination. Surrounded by so many illusions around me, not realizing that I'm suffering in this material world.

In midst of this great danger, it is you, Srila Prabhupada helped me to come to you and take shelter at your Lotus feet. Just seeing your deity in the temple, I could easily bow my head to you, everything started making sense and you helped me and accepted as your disciple. Now, every sentence of the astakam makes sense to me.

Dear Srila Prabhupada, I consider myself very fortunate to have received your causeless mercy, by which I have got shelter in your movement. without any support or help from your Godbrother you alone started this mission and transforming millions of lives. With all the help from senior devotees, big temple, provided facilities and all the guidance from authorities, I'm not doing anything for your movement, Please help me Prabhupada to become a better instrument in your hands and reach more and more jivas who are looking for you. I utterly beg your mercy so that I can sincerely bow down to your instructions and to all Vaishnava's.

I beg Your Divine Grace to forgive me for all the offenses that I have committed at your lotus feet and to keep me always in your service. I also beg all my god-brothers to forgive me for any offenses that I have committed to them.

Your unworthy Servant,

Keshava Balarama Dasa.

Kirti Krishna Dasa

An offering to Gurudeva

Om ajnana-timirandhasya jnananjana-salakaya, caksur unmilitam yena tasmai sri-gurave namah

Dearest Srila Prabhupada,

You are the ocean of mercy, your heart is as pure as fresh dew drops from which comes your blessings unto all of us, which is unstoppable like the Akshaya patra. You always identify even the smallest of our desire to serve Krishna and provide

ample opportunities to engage ourselves. You have the heart of the divine Radharani and hence forgiving millions of aparadhas committed by us without punishment.

Thank you very much for revealing me the influence of time unto my daily thoughts and activities. Now when I look back into the past, am able to realize the temporariness of all things connected to this body in this material world and see it with the help of jnana chakshu provided by your holiness.

Life then was beautiful, life now is false beauty.

Sleep then was a comfort, Sleep now is a necessity.

Time then was uncontrolled, time now is controlling.

Parents then were guardians, parents now are to be safe guarded.

Smile then was spontaneous, Smile now is only contagious.

Friends then were caring, friends now are fear sharing.

Love then was an entourage, Love now is a Mirage.

Paying dandavats then was joyful, paying dandavats now with this old body is painful.

The meaning of everything in this world of duality has changed except the meaning of Hare Krishna, which is the same - Love Krishna and live for Krishna.

Thank you Srila Prabhupada for removing the cataract of my eyes.

Hope to remain awake further in reality and jog towards eternity in the path of divinity with full of clarity.

Thanking you with love emerging from the bottom of my heart.

Your eternal disciple and servant,

Kirti Krishna Dasa.

Kirti Madhava Dasa

Dear Srila Prabhupada, O glorious spiritual master, I offer my respectful obeisance's unto you.

Although I am the most fallen conditioned soul I consider my self fortunate to have been initiated by you through the ritvik acharya initiation system set up by you. Now I understand that if there is something immeasurable in this world it must be your compassion for the living entities.

Although I have never seen you personally and as per material calculation you have physically disappeared 4 decades ago, neither me nor any of your disciples has ever felt your absence. The message you have imparted through your books, lectures letters etc perfectly reaches all your disciples unadulterated. You live through your vani eternally.

Although I am surrounded by so called rational thinkers material scholars, who time and again challenge my faith and the principles I am following, you have always rescued me from falling prey to Maya. Reading just a line from your books breaks all those obstacles and the divine message of Lord Chaitanya as revealed by you shines like a sun. Clearly, transcendental devotional service to the Lord cannot be understood by any amount of material knowledge. It is only possible by surrendering all our intelligence, false ego challenging mentality, rationalist mind etc unto your lotus feet.

Dear Srila Prabhupada, now I feel that I have come little away from your ISKCON movement. Kindly pull me back and engage me in the service of your lotus feet.

Your lowly servant,

Kirti Madhava Dasa.

Kripalu Keshava Dasa

All Glories to Guru and Gauranga

His Divine grace AC Bhaktivendanta Swami Srila Prabhupada,

Please accept my humble obeisance. All glories unto you on the auspicious day of your appearance.

I have taken many births in different species, when I got human form of life, even though it is very valuable form of life when compared to other species of life, but due to taste of sense gratification, which I have developed in all my previous births, I, with same tendency continued in my human form of life (i.e. eating sleeping, mating, defending), until I came in touch with ISKCON. It is because of only your causeless mercy which made me to realize the human life is meant for solving permanent problems of life birth, death, old age and disease. This is something revolutionary and enlightening statement which strikes my mind and makes me to reflect till date and continue to reflect till my last breath.

Please help, bless me, show me the causeless mercy to continue always in Krishna consciousness and to serve you and please you, life after life and remain to show my gratitude always in each step of my life to you Srila Prabhupada.

Srila Prabhupada, because you are inspiring me all throughout my life, I request you to continue to inspire in the journey of Krishna consciousness.

I would like to acknowledge proudly, if at all I am following Krishna consciousness since many years, the force which is driving me to be little successful is only your divine instructions, which is guiding me in chanting daily, attending temple programs and festivals, association of devotees, offering prasadam to deities, rendering service in temple.

Thank You Srila Prabhupada for this matchless gift given and made my humble life, perfect and successful in going back home, back to Godhead.

Always aspiring to be in the service of your lotus feet, Srila Prabhupada.

All glories to Srila Prabhupada.

Your Humble servant,

Kripalu Keshava Dasa.

Krishna Madhav Dasa

Dear Srila Prabhupada,

Please accept my humble obeisance's unto the dust of your lotus feet.

It's indeed my pleasure to offer a gratitude to you Srila Prabhupada.

I thank you Srila prabhupada for your causeless mercy upon this insignificant soul to be engaged in the glorious Sankirtana movement where I get to speak about you & Lord Krishna's pastimes.

You have mentioned - *'Our business to preach, but to practice personally that is our main business. To practice personally, that is our main business.'* (Room Conversation -June 24, 1976, New Vrindaban).

I speak on the qualities that to be develop but I personally feel it's been challenging in practicing what I preach, I beg for your mercy & guidance to follow what I speak.

Out of your compassion you have bestowed your mercy upon this ignorant fool to be engaged in the devotional service to Lordships, but I admit that I have neither pure devotion nor attachment to Krishna. It is said that

krsna se tomara krsna dite paro - Krishna is yours; you have the power to give Him to me. (Saranagati)

I humbly pray at your lotus feet my dear spiritual master to bestow upon this useless soul to develop attachment for the Holy Name of Krishna to be conscious of ten offences of chanting the holy name.

It Prema-bhakti-candrika - It is said, sri-guru-carane rati, ei se uttama gati, je prasade pure sarva asa

Attachment to the lotus feet of the spiritual master is the best means of spiritual advancement. By his mercy all desires for spiritual perfection are fulfilled. (Prema-bhakti-candrikā)

It always remind me how important it is to follow the instruction given by spiritual master by your statements,

“I am successful in my teaching work because I have not deviated one inch from my Spiritual Master's instruction, this is my only qualification. So if you simply remain pure, your preaching will have effect. Kindly push on this college program—only the most intelligent persons can understand Krishna philosophy, so it is very important that we spread this message to the intelligent class of men.” Letter to: Brhaspati –Delhi -17 November, 1971

Thank you for the entire struggle Prabhupada that you have taken to give us the transcendental instruction through your books - Let your instructions be my life and soul.

Your devotees here and my immediate authority are opening my darkened eyes with associations and filling my heart with transcendental knowledge and thus inspiring me to spread Krishna Consciousness, I pray to you to bestow your special mercy upon your representatives.

On this auspicious occasion I humbly pray at your lotus feet to make your instructions one with my heart & let me not desire anything else, Please give me shelter under your lotus feet my dear Srila Prabhupada, seeking for your mercy.

Servant of your servant,

Krishna Madhav Dasa.

Ksheerabdhi Shayana Dasa

Srila Prabhupada,

This year has been one of the worst in terms of practicing Krishna Consciousness for me with lots of negative vibrations & influences. It has been very tough overcoming the mind's dominance over myself; and the most important part is not identifying this mishap when being influenced by “Maya”. Always it has been a repentance after coming back to proper consciousness. With your help only can I overcome this enemy, lust, by engaging my senses in the eternal loving service of the Lord. Over and above all these, there were troubles from the body side with physical ailments that in the past had never bothered this much.

But still my dear Prabhupada, you have inspired me many times to overcome all the difficulties; and this is the only solace for me. I pray to inherit some of your wonderful attributes so as to be fit to receive Kṛṣṇa's mercy—yathā bija, yathā yoni. Without Kṛṣṇa's mercy, how will it be possible to fulfil your great expectations for the Kṛṣṇa consciousness movement. But, Maya's influences, social conditioning bringing misconceptions and worldly desires, past karma, and kāma-bijas, I'm dragged down again and again. I wish to follow the process you have outlined whereby I can nourish the devotional attributes received from you and extinguish the unnatural influences.

*kṛpālu, akṛta-droha, satya-sāra sama, nidoṣa, vadānya, mṛdu, śuci, akiñcana
sarvopakāraka, śānta, kṛṣṇaika-śaraṇa, akāma, anīha, sthira, vijita-śaḍ-guṇa
mita-bhuk, apramatta, mānada, amānī, gambhīra, karuṇa, maitra, kavi, dakṣa, maunī*

“Devotees are always merciful, humble, truthful, equal to all, faultless, magnanimous, mild, and clean. They are without material possessions, and they perform welfare work for everyone. They are peaceful, surrendered to Kṛṣṇa, and desireless. They are indifferent to material acquisitions and are fixed in devotional service. They completely control the six bad qualities—lust, anger,

greed, and so forth. They eat only as much as required, and they are not inebriated. They are respectful, grave, compassionate, and without false prestige. They are friendly, poetic, expert, and silent” [Caitanya-caritāmṛta, Madhya 22.78–80].

My ability to genuinely serve you will come only because of truly following your footsteps. Thank you for showcasing your personal example, for explaining complicated life science so clearly, for making such great personal sacrifices in your life just to give a chance for living entities like me to take to Kṛṣṇa consciousness. Without your intervention in life, I would not have had the opportunity to live full and happy lives, nor would we have any true purpose to live for. Thank you, Śrīla Prabhupāda. I am very grateful to you for keeping me still in this glorious movement of Lord Chaitanya where I can contribute a pint size. All glories unto you!! The Bhāgavatam verse explaining the best purificatory process for person like me gives a lot of inspiration to continue to be at your shelter and contribute my bit for your movement.

kirāta-hūṇāndhra-pulinda-pulkaśā, ābhīra-śumbhā yavanāḥ khasādayaḥ

ye ’nye ca pāpā yad-apāśrayāśrayāḥ, śudhyanti tasmai prabhaviṣṇave namaḥ

“Kirātas, Hūṇas, Āndhras, Pulindas, Pulkaśas, Ābhīras, Śumbhas, Yavanas, members of the Khasa races and even others addicted to sinful acts can be purified by taking shelter of the devotees of the Lord, due to His being the supreme power. I beg to offer my respectful obeisances unto Him.” [Śrīmad-Bhāgavatam 2.4.18]

Taking stimulus from whatever little actions that you could involve me in, I would like to march forward as a soldier in the Mahāprabhu’s transcendental army. Despite the heavy sea turmoil during your Jaladuta journey, you felt the constant presence of your Guru Mahārāja, and you took solace in reading Caitanya-caritāmṛta. In the same way, I wish to feel your constant presence reading your books, hearing your lectures and guided forward just like an expert captain constantly guiding me through all of life’s experiences, through thick and thin—my ever-present precept. Kindly bestow more showerings of your glance on me, O Prabhupada. And lastly, I hope to have a restored spell just as how I was enthusiastic & satisfied when I came in touch with this movement initially, where I can come out of these mind-body impacts in fractional bits & pieces and serve your divine grace.

Aspiring Servant,

Dear Srila Prabhupada!

Please accept my humble obiesances. All Glories to you Srila Prabhupada!!!!

Prabhupada I am glad that with your causeless mercy, though a very degraded soul and filled with full of anarthas still I am under the shelter of the Vaishnavas and passed another year in your service.

Thank you Srila Prabhupada!

Though amidst devotees, many days I would feel I am alone and past mistakes of mine would keeppestering me, that was the time I use to read your letters to your disciples and their queries and concerns addressed to you, this instigated an idea in me to write letters to you Srila Prabhupada,though I thought will not get a reply, but to my surprise my concerns would get immediately solved through Bhagavatam classes and your books.

Thank you Srila Prabhupada!

Srila Prabhupada,When I read Bhagavad Gita 2.40 verse

nehābhikrama-nāśo 'sti, pratyavāyo na vidyate

sv-ālpam apy asya dharmasya, trāyate mahato bhayāt

I used to wonder what kind of dangerous situations a devotee who has done even little service would be saved from, though I couldn't comprehend fully, but when I read once, how whole heartedly you welcomed and showered your causeless mercy on all those fallen disciples of your' s,though some of them were sanyasi's when they fell down and during fag end of their lives they could remember you and come back to Vrindavana and leave their mortal bodies at Holy place of Vrindavan amidst chanting and devotees. No words to describe your causeless mercy and greatness Srila Prabhupada.

All this gave me more confidence and inspiration to pursue my devotional service, since I consider myself as most fallen and degraded.

Keep showering your causeless mercy on me always Srila Prabhupada!

Srila Prabhupada, your teachings are so lucid and clear, that when I started sharing this knowledge to the known people there was no surprise they will quickly adapt to your instruction,which indeed happened, likewise let this message of your spread in rapid speed to all the suffering souls. In this degraded age day by day I can see the sufferings is rapidly increasing, I see your causeless mercy is the one and only way and there is no other way.

On this auspicious occasion of Vyasa Pooja day Srila Prabhupad, I would be very happy if your glories are sung or your katha is arranged at our centers at least on weekly basis,ecause I think we don't make justice of glorifying you just one day.

Thank you so much Srila Prabhupada for making me a very insignificant part in your mission and guiding me in your service.

Trying to become your servant's servant,

Kuru Nandana Dasa.

圣帕布帕的维亚萨祷文

最亲爱的灵性导师圣帕布帕：

首先让我向您致以最虔诚的顶拜！今天是您的显现日，我们怀着非常喜悦的心情为您的莲花足洒花，并且荣耀您来到这个世界，为我们这些无知的灵魂打开了知识的宝库，给我们带来了绝对真理的光辉。让我们认识了至尊人格首神圣主奎师那是创造的唯一根源。

亲爱的帕布帕，自从我在公园里听到奉献者们在唱颂圣名时，我就被深深的吸引。那是一九九二年，奉献者们仁慈地向我述说圣名，向我推荐您写的书籍，我被这些知识所深深打动。从此，我便把您的书放在床边上阅读。

时间过了三十多年，这门灵性的知识深深扎在我心底。奉献者是这么的仁慈，他们永远不会把我这个堕落的灵魂拽置不理，在我物质工作陷入困境的时候，他们拉出温暖有力的手来帮助我。

亲爱的导师，虽然我没有见过您，可是，通过资深奉献者及您的门徒，通过阅读您的书籍观看您的影片录像，我间接的知晓您，认识您。知道您的伟大和纯粹。让我下定了决心，一定要追随您，追随您的训令。

我生长在一个无神论当道的国度，就如身处在一个物欲横流的地方，到处都是杀戮和欺诈，虚伪和愚昧。是您传播圣名的音振，净化了这里的土壤。是您通过您留下的书籍，留下了无穷无尽的教导给我的心点亮了光辉灿烂的明。去逐我内心深处迷惘和愚昧，让我的心灵得到一次次的拭净。

资深奉献者遵照您最后训令教导，执行了代理启迪制度，使我有幸的成为您的门徒，让我受到了莫大的鼓励。从，我决心紧紧的握住您的莲花足，追随着您的步伐，踏着您指引的道路，一直回归家园。

当然，在回归家园的道路上并非都是坦途。这么多年来，我们目睹了您所创立的益世康内部和外部发生的历史，很多伪善者打着您的牌号，却违背您的教导，他们利用您的书籍去行骗，从而获得虚荣，最终达到捡财的目的。他们把你当作普通人，修改您的撰写的要旨和著作，他们不明白您的伟大和从不犯错。事实上，您是一个纯粹的人，一个一流的奉献者，您为了传播圣名把自己降低到二流奉献者层面，目的是要把主奎师那的仁慈派发给世人。但是那些智慧缺失的人却把你当成普通人。更有甚者抵制对您的崇拜。当今的社会上各种形形色色的冒犯者充斥着整个世界。尽管如此，我们决心永远追随您，会不失时机地向无知的大众原原本本的复述你的教导，让更多的人明白，执行您的训令，做您真正的追随者。只有这样才能真正踏上回归之路。我们深知如果不依靠使徒传系的力量，没有了您这个透明的媒介，没有主奎师那作为心中超灵在每个人心中，我们有什么力量去认识主奎师那呢？！更何谈回归首神？违背了您的教导，不向您顶礼，不顺从的接受您是一个纯粹的奉献者，灵性导师，那么一切的活动都会寸步难行，最终遇致失败。或只能算做是虔诚活动。

亲爱的帕布帕，**追随您的训示**，实际上是不容易的，**要彻底放弃假我**，完全控制感官，何等的难呵。尽管如此，我们会积极地从那些彻底皈依您的奉献者门徒那里学习，学习他们从里到外都完全追随您的训示，学习他们如何紧紧地握着您的莲花，足。只有这我们才会在灵修的道路上取得进步。

最后，让我采用梵歌的一段导言和灵师颂歌结束我的祷文：

“我诞生在最黑暗的愚昧之中，灵性导师啊，用知识的火炬点亮我的眼睛，我要虔诚的顶拜他。”“他以超然的知识，点亮我的昏昧的双眼，充盈我心。是我生生世世的主，是他使我感受到神爱的无边喜乐，是他使我愚昧尽去，他的品格在韦达经中颂扬。灵性导师啊，您是仁慈之洋，患难者之主，主人啊，请怜悯我，以您的莲花足庇我护我，您的荣耀传遍三个世界。”

让我千百次的向灵性导师圣帕布致以虔敬的顶礼。

你仆人的仆人的仆人

Dearest Guru Srila Prabhupada:

First of all, let me offer my most sincere obeisances to you! Today is your Appearance Day, and we shower flowers onto your lotus feet with great joy for glorifying you to come into this world to open the treasure house of knowledge for us, the ignorant souls, and bring us the glory of absolute truth. Because of you, we know The Supreme Personality, Lord Krishna, is the only source of creation.

Dear Prabhupada, ever since I heard the devotees chanting holy names in the park, I have been deeply attracted. It was 1992, and I was deeply moved by the devotees who kindly told me about the holy names and recommended your books to me. From then on, I put your book on the bedside to read.

More than thirty years have passed, and this spiritual knowledge is deeply rooted in my heart. The devotees were so merciful that they never left me, a fallen soul, and when my material work was in trouble they reached out with a warm and strong hand to help me.

Dear Guru, although I have never met you, I know you indirectly by reading, watching your video, and through senior devotees and your disciples, knowing your greatness and purity, let me make up my mind to follow you and follow your instructions.

I grew up in a land of atheism, in a place full of material desires, killing, deceits, hypocrisy and folly. It is you who spread the sound vibration of the holy name to purify the land here. It is you who through the books leave behind, leaving endless teachings to light up my heart with a brilliant light, to banish my confusion and ignorance, and cleanse my heart again and again.

Senior devotees, in accordance with your final instructions, have implemented the Ritvik System, which has made me very fortunate to be your disciple, and I have been greatly encouraged. From now on, I am determined to hold your lotus feet tightly, follow your steps, follow your path, and return home.

Of course, the road to homecoming is not always smooth. Over the years, we have witnessed the history, many hypocrites, playing with your name, violating your teachings and use your books to deceive, so that they gain vanity and money. They treat you as an ordinary person, they don't understand your greatness and never make mistakes. In fact, you are a pure man, a first-rate devotee, who has lowered yourself to the level of a second-rate devotee for spreading of the holy name, in order to deliver the mercy of Lord Krsna to the world. But those who have lost their minds see you as normal. Some even resist worshipping you.

In today's society, all sorts of offenders prevail. Nevertheless, we are determined to always follow you and will lose no time in retelling your teachings to the ignorant people, so that more people will understand you, execute your precepts and be your true followers.

Without the power of Parampara, without you as a transparent medium, we would never know Lord Krsna as the Supreme Spirit in everyone's heart! Not mention knowing of the path to go back to God!

My dear Prabhupada, it is not easy to follow your instructions. How difficult it is to give up the false ego completely and control the senses completely! Nevertheless, we will actively learn from those devotees who have completely surrendered to you, follow your instructions from inside out, and hold your lotus feet tightly. Only then will we make progress on the path of our spiritual practice.

Finally, let me end my prayer with a spiritual hymn:

"I was born in the darkest of ignorances, my spiritual master with the torch of knowledge kindled my eyes, and I will worship him with devotion."

"He has opened my eyes with the transcendental knowledge ; he has filled my heart. He is my lord life after life. He make me feel the boundless joy of God's love, who has banished my foolishness, whose character is glorified in Vedas. Spiritual Teacher, you are the Ocean of Mercy, Lord of the Afflicted, Master, have mercy on me and protect me with Your lotus feet, And Your glory spreads throughout the three worlds. "

Let me offer thousands of obeisances to my spiritual master Srila Prabhupada.

Your servant's servant's servant,

Labanga Devi Dasi,

Lakshminatha Dasa

Dear Srila Prabhupada

Please Accept My Humble Obeissances

All Glories to you!

One of your senior disciples said that "To Understand the full glory of the spiritual master, we need the mercy of Lord Krishna". Please give me the right vision so that I can see and deeply appreciate your activities.

Your transcendental plan of spreading Chaitanya Mahaprabhus mission through ISKCON Bangalore, is the truest and the complete expression of your desire. I feel a deep sense of gratitude to all your sincere senior disciples in the movement. The senior devotees here at ISKCON Bangalore have conceived mammoth projects like Krishna Lila Theme Park, Vrindavan Chandrodaya Mandir etc, the like of which is not seen in our Gaudiya Vaishanava sampradaya from the time of Rupa Goswami and Sanatana Goswami. I'm afraid that the time will fly by without my understanding and appreciation of your transcendental glories, as spread by the senior devotees here at ISKCON Bangalore.

Therefore I beg for your mercy so that I can have the right attitude and strong relationship with your senior disciples. A glimpse into my vacant heart shows that there is no devotion but I pray to you, fervently, to implant the right kind of desire to serve the Vaishnavas.

This year has been filled with lot of learnings by your mercy. You have engaged my passionate tendencies in Krishna consciousness through Vaishnavs in the temple. The release of this passion is done by regulated engagements in devotional service. Devotional service begins from stage of imperfection and moves to perfection. At the imperfect, impure stage the passion is triggered by sense of worth in the community, the need to work as a fear of some consequence etc. This free flow of passion under the guidance of an authority system is properly dovetailed and in the process, the devotee is expected to progress from sakama bhakti to pure bhakti. But however due to some kind of contamination (jnanic contamination) I was

artificially trying to avoid the material impulses required to release that passion. The artificial suppression of passion has stagnated my service unto your lotus feet. Please give me the strength to overcome such shortcomings in your service.

Srila Prabhupada in one of your purports you said that, “Character is the seat for Krishna Consciousness”. Please be merciful unto me so that I can develop the right kind of character, free of all anarthas. The transcendental faith required to leap from being filled with anarthas to developing the character of a devotee requires faith that only you can bestow. This is as said by Bhaktivinoda Thakura in one of his songs:

tumi kṛpā kori', śraddhā-bindu diyā, deho' kṛṣṇa-nāma-dhane

I aspire to develop this character of a devotee.

You also mentioned in Bhagavadgita that the “Faith to perform any action is called Knowledge”. So I pray to instill in me, that faith so that I can do the activity of chanting and hearing the holy name of the Lord properly.

The scriptures prophesize that this era is the most glorious Golden era where Chaitanya Mahaprabhus mercy will be spread all over the world. While all of these transcendental plans keeps unfolding in this world by divine will, let me not become oblivious to such activities and please allow me to appreciate, understand and glorify such activities.

Srila Prabhupada I pray to keep me always in your transcendental boat of Krishna consciousness.

Your Servant,

Lakshminatha Dasa

I was born in the darkest ignorance, and my spiritual master opened my eyes with the torch of knowledge. I offer my respectful obeisances unto him. When will Śrīla Rūpa Gosvāmī Prabhupāda, who has established within this material world the mission to fulfil the desire of Lord Caitanya, give me shelter under his lotus feet?

Dear Srila Prabhupada, Please accept my humble obeisances. All glories unto your divine lotus feet.

Though it is impossible to pay back, what the disciple has received from Sri Guru, it is the great fortune of the disciple that you give us an opportunity to glorify you on this divine occasion. Firstly it is my great fortune to write this homage unto your divine grace on this most auspicious occasion, Srila Vyasa Puja.

Dear Srila Prabhupada, It's been almost half past 4 years that I have become an initiated disciple of your divine grace, but if I look back to see, I've made no attempts to fulfill the purpose of the same. Many times, though I don't see any qualification to serve the Lord and perform the acts that please the Lord, I was asked to do and find your full mercy and support that helps me to try doing my part. I am nothing or nowhere in the scene without your mercy.

Dear Gurudeva, It is so rare to find a pure devotee Spiritual Master for one's Spiritual upliftment, as we see in the example of Srila Narottama Prabhu. His unmatched bhakti to the lotus feet of his Guru Srila Lokanatha Goswami, the amount of eagerness that he had to serve his master, the amount of serving attitude, humility, conviction, obedience are all so adorable. But even after having all such transcendental qualities and great devotion to the Guru it was so difficult for him to convince his master to accept him as a disciple. But in our conditioned self, we do not have even a pinch of transcendental qualities that Srila Narottama Das Thakura possessed, still out of your causeless mercy to deliver conditioned souls you extended your hands to accept the most unqualified soul like me to become your disciple. By your pastimes and activities, I find the magnanimity that you carry is the same what Lord Chaitanya and Nitai carried, what Sri Narada Muni carried & Srila Bhaktivinoda Thakura carried with them. Srila Prabhupada, it is so very great fortune that we the devotees at Iskcon

Bangalore have received the pure shelter of your divine self by the hard work and great determination of the senior devotees here headed by your humble disciple Sri Madhupandita Prabhu.

Oh dear Master, on this occasion I wish to put forward my sincere prayers that I become a worthy disciple of yours by taking your instructions and mission as my life and soul, that I develop the firm faith on your instructions and love for your mission. Though the pulling force, Maya is very strong and a lot of times there are ups and downs in spiritual life still the protective armour of the Lord and yours can surely avoid such falls. Kindly grant this soul the opportunity to serve your divine grace in whatever best capacity possible. Please give me the strength to chant my rounds with quality and study scriptures with attention so that some actual progress can happen. Please give me the consciousness where I wouldn't have any defiant nature in accepting the orders of my authorities and I give up the anarthas that I possess within me so that I make rapt progress.

Your unworthy Servant,

Lokamangala Krishna Dasa

Madana Mohana Dasa

Dear Srila Prabhupada,

Please accept my most humble obeisances at your lotus feet.

I pray that on this auspicious day of your appearance in this world, I may be blessed by you and Lord Krishna to have your causeless devotional service in my life, now and always without force of Maya.

We have to learn from the prayer of Srila Viswanatha Chakravarti Thakura that Yasya prasādād bhagavat-prasāda, by the grace of the spiritual master one receives the mercy of Krishna, without the mercy of spiritual master no one can make any advancement. So it is understood that the Supreme Personality of Godhead is approachable only by the causeless mercy of His pure devotee. Actually even ordinary person in this material world are difficult to approach, so what to speak of God himself! No ordinary man for instance can go to see president of nation. He is surrounded by security of network, which effectively prevents inimical or unqualified men from approaching him. Of course that is the prerogative of a powerful person. He keeps company only with his intimate associates, not with indifferent or inimical men. So the Supreme Lord also protects the inner sanctum of His loving affairs from envious person.

You are the mercy incarnation of Krishna, you are compared to cloud which pours rain freely everywhere. By the widespread distribution of your books, which are now in so many languages and by preaching work of your disciples in every corner of the world, your mercy has become available to everyone.

The fire of material existence is simply burning desires in the heart of the fallen souls to enjoy separately from Krishna. By giving knowledge of the all attractive Lord and His eternal kingdom, you are transforming this sinful desires in to pure desire to serve Krishna and return home back to Godhead.

Your most fallen disciple,

Madana Mohana Dasa.

Madhava Hari Dasa

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to Srila Prabhupada!

Srimati Kunti Maharani prays to Lord Krishna

*tvayi me 'nanya-viṣayā, matir madhu-pate 'sakṛt
ratim udvahaṭād addhā, gaṅgevaugham udanvati*

O Lord of Madhu, as the Ganges forever flows to the sea without hindrance, let my attraction be constantly drawn unto You without being diverted to anyone else.

In the Bhagavad-gītā we can see that Arjuna gives various reason not fight with his brothers, teacher and relations just to satisfy his own personal desires. But when he heard the message of the Lord, Śrīmad Bhagavad-gītā, he changed his decision and served the Lord. And by doing so, he became a famous devotee of the Lord, for it is declared in all the scriptures that Arjuna attained spiritual perfection by devotional service to the Lord in friendship.

The prayers of Kuntī indicates that to serve the Lord without diversion is the ultimate goal of life.

As we see from the life sketch of Maharaj Parikshit..

Maharaja Parikshit was fortunate as he got the impression of the Lord even in the womb of his mother, and thus he was contemplating on the Lord was constantly. Once the impression of the transcendental form of the Lord is fixed in one's mind, one can never forget Him in any circumstance. Child Parikshit, after coming out of the womb, was in the habit of examining everyone to see whether he was the same personality whom he first saw in the womb. But no one could be equal to or more attractive than the Lord, and therefore he never accepted anyone. But the Lord was constantly with Him by such examination, and thus Maharaja Parikshit was always engaged in the devotional service of the Lord by remembrance.

Similarly, you stated a practical example in your personal life in this connection...

“My father was a pure devotee of the Lord, and when I was only four or five years old, my father gave me a couple of forms of Radha and Krishna. In a playful manner, I used to worship these Deities along with my sister, and I used to imitate the performances of a neighboring temple of Radha-Govinda. By constantly visiting this neighboring temple and copying the ceremonies in connection with my own Deities of play, I developed a natural affinity for the Lord. My father used to observe all the ceremonies befitting my position. Later on, these activities were suspended due to my association in the schools and colleges, and I became completely out of practice. But in my youthful days, when I met my spiritual master, Sri Srimad Bhaktisiddhanta Sarasvati Gosvami Maharaja, again I revived my old habit, and the same playful Deities became my worshipful Deities in proper regulation. This was followed up until I left the family connection, and I am pleased that my generous father gave the first impression which was developed later into regulative devotional service by His Divine Grace. Maharaja Prahlada also advised that such impressions of a godly relation must be impregnated from the beginning of childhood, otherwise one may miss the opportunity of the human form of life, which is very valuable although it is temporary like others.”

Srila Prabhupada, as a conditioned soul my attention is usually diverted to the service of something which is nongodly or not in the program of the Lord. When the program is changed into the service of the Lord, that is to say when the senses are purified in relation with the service of the Lord, it is called pure unalloyed devotional service.

Therefore, I seek your blessing to attain this state of pure unalloyed devotional service.

Aspiring to become servant of servant,

Madhava Hari Dasa.

om ajnana-timirandhasya jnananjana-salakaya, caksur unmilitam yena tasmai sri-gurave namah

Dear Srila Prabhupada, Please accept my humble obeisances at your lotus feet. All glories to your divine grace.

It's been 6 years I came in touch with your divine lotus feet. Now I started realizing how it is only by your mercy that I'm brought into Krishna consciousness and also able to sustain in Krishna Consciousness only because of your mercy, even though I don't deserve.

"Just like Krishna can be present simultaneously in millions of places. Similarly, the spiritual master can be present wherever the disciple wants. A spiritual master is a principle, not the body. Just like a television can be seen in thousands of places by the principle of relay monitoring." (Letter to Malati, 28/5/68)

The above statement, I realize it often as you guide me personally through your quotes and books at the right time. I remember recently when I was morose and dull at the exact time I read your quote saying, "chant loudly and hear all your moroseness will go away." This personal reciprocation of you makes me happy and excited.

In one of the Radio Interview on (12 March 1968, San Francisco) you stated, "I am the Spiritual Master of this institution, and ALL the members of the Society, they're supposed to be MY disciples. They follow the rules and regulations which I ask them to follow, and they are INITIATED BY ME spiritually". This says how you are always and only Guru of ISKCON. All Glories on to you Srila Prabhupada.

As a sadhaka, it's challenging for me to go through the anarta-nivrutti stage, as it's an operation to my conditioned mind, ideas, and consciousness. But you as an expert doctor helping me to cure my disease even though I'm sometimes rebellious and noncooperative. This quality of you and your devotees of not giving up on a jiva inspires me and gives me the confidence to take the pain and practice my Krishna Consciousness. All glories unto you and your devotees for guiding me and tolerating me and showing utmost compassion.

As one devotee shares, at the end of one lecture you told the devotees, to go back to Godhead you have to be 100% pure, looking out into the audience, you saw that the devotees looked crestfallen. So then you said, "If you become 90% Krishna conscious, you will go back to Godhead." Still, the devotees expressed doubt; then you said 80% Krishna conscious. Still, devotees are in doubt. Finally, you say Ok,70%," and then the devotees responded with a big Jaya! After this, while you were returning to quarters, another devotee expressed concern that he would not be able to become even 70% Krishna conscious. So then you said, "Ok, you just hold on to my dhoti. I have the key to the back door."

Srila Prabhupada, this statement of yours is hope for me. I beg you to give me the strength to hold on to your dhoti. Day after day, I only realize that only by your unconditional compassion and mercy I exist. Also, I started realizing how only attachment to Guru and Krishna only will survive, and all other attachments will lead you to dukha.

Once a devotee asked you why sometimes we come under Maya's Influence

to that, you replied, "we are always under Maya sometimes we Fall into Krishna Consciousness."

Please help me fall more and more into Krishna Consciousness.

All glories to you Srila Prabhupada, the most munificent, compassionate and merciful spiritual master.

Your fallen servant,

Madhura Nimai Dasa

Dear Srila Prabhupada

I offer my respectful obeisances unto the lotus feet of my spiritual master.

I was born in the darkest ignorance and my spiritual master opened my eyes with the torch of knowledge. I offer my respectful obeisances unto to him.

In this present blunt senses we may not be able to understand Krishna, but if someone follows your footsteps they will achieve perfection without fail. As u said I will never die, I will remain with my books. This is the inspiration for us to move on in Krishna conscious activities otherwise there is no inspiration and hope in spiritual life.

While following your footsteps I may do or would have done some mistakes. Please be kind upon me and guide every steps. Actually you have created fortune for us to come to Krishna conscious, not that we have done some sukruiti in previous life.

Your so merciful upon these fallen souls to deliver from the crutches of Maya. In these material world very difficult to overcome from this attraction and attachments of material things but by your guidance one can cross material burden. No man can cross the ocean without the help of a boat.

Similarly no one can cross the material suffering without the help of guru like you.

I completely agree with this Bhagavata philosophy and convinced about it and I want to continue my rest of life in these lines only. For that I need your guidance and blessings. Without your guidance I am completely helpless please be kind upon me.

Your fallen server,

Maha Bhagavata Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to your Divine Grace!

Every year when it comes to the auspicious occasion of offering you homage on the glorious appearance day of yours, all that I submit is the tale of my woes! Years are rolling by, and it is now a decade of being full time in your mission, at least officially. If I count back the days and years of at least coming to awareness of your transcendental presence, during my present human body, I can count my spiritual age as 19 years! However, by practical realization, which is never hidden from you, I am still an almost still-born baby, struggling to live on, as you breathe life into this spiritually lifeless dullard who proclaims to the world to be a greatly enthusiastic devotee! Every year, I only try to express gratitude for your unbounded compassion in yet retaining me at the service of your lotus feet, only due to which the Supreme Lord Krishna has not yet kicked me out from the glorious association of His devotees. But at least this year, let me not simply tell you of my same woes. Instead, let me focus on glorifying Your Divine Grace and your true position, which will actually make my effort worthwhile. Lord Krishna Himself glorifies the position of an Acharya-Bonafide Spiritual Master in His instructions to Uddhava, as follows: *ācāryam mām vijānīyān nāvamanyeta karhicit na martya-buddhyāsūyeta sarva-deva-mayo guru* “One should know the ācārya as Myself and never disrespect him in any way. One should not envy him, thinking him an ordinary man, for he is the representative of all the demigods.” (Srimad Bhagavatam 11.17.27) In the purport to this verse, you have expertly explained on why the Spiritual Master must be considered on such an exalted platform of being as good as Krishna Himself. You write, “A spiritual master is not an enjoyer of facilities offered by his disciples. He is like a parent. Without the attentive service of his parents, a child cannot grow to manhood; similarly, without the care of the spiritual master one cannot rise to the plane of transcendental service.” When I reflect on the above statement, and look into my own life, I can certainly appreciate how you have acted as my spiritual parent and have taken care of me, in spite of my countless shortcomings and offenses. You began to care for me as that caitya guru, by guiding me to accept that ‘Hare Krishna Challenge’ at the book counter in 2001, on my first visit to temple. You nurtured my tender creeper of devotional service, by implanting faith in the Deities by fulfilling my simple prayers to keep me in Bangalore for my education, so I can visit the temple regularly. You helped my creeper to be protected by a strong fence of association of devotees so I don’t get deviated by my rascal mind and give up Krishna Consciousness. Finally it has been you who transcendently arranged to help me situate myself in a suitable position to continue serving your mission, by enabling my movement to the householder life, acting just as my parent. I am eternally grateful to you for being my parent in all these phases of my life.

Further you continue to write in the purport on the same verse, “The spiritual master is also called ācārya, or a transcendental professor of spiritual science. The Manu-saṁhitā (2.140) explains the duties of an ācārya, describing that a bona fide spiritual master accepts charge of disciples, teaches them the Vedic knowledge with all its intricacies, and gives them their second birth. The ceremony performed to initiate a disciple into the study of spiritual science is called upanīti, or the function that brings one nearer to the spiritual master.” How perfectly I can see that it is you who has bestowed the essence of all Vedic wisdom to me, although by myself, I am completely incapable of ever being able to grasp such high knowledge, without your transcendental Bhaktivedanta purports. By giving me your transcendental vani, you have brought me closer to Your Divine Grace and the Supreme Lord Krishna Himself. You further write in the purport, “Only out of His immense compassion does the Personality of Godhead reveal Himself as the spiritual master. Therefore in the dealings of an ācārya there are no

activities but those of transcendental loving service to the Lord. He is the Supreme Personality of Servitor Godhead. It is worthwhile to take shelter of such a steady devotee, who is called āśraya-vigraha, or the manifestation or form of the Lord of whom one must take shelter.” Indeed, if I reflect in my own life, it is true that only out of your immense compassion, my agnostic intelligence was enlightened and brought to the Absolute Truth by your revelations both by your vani and by personal experiences, that you continue to unravel day after day and year after year in my life. Indeed you are the only āśraya-vigraha in my life, and by your shelter alone I am able to survive in the service of Supreme Lord. In your life, you recalled how you never felt that you were away from, or without the guidance of your Spiritual Master. You indicated that whenever any incident of a spiritual significance occurred, you always took it be your Spiritual Master Srila Bhaktisiddhanta Sarasvati Thakura speaking through that media. Be it, the order to take sannyasa, to print books instead of just a magazine, or to embark on the voyage to USA instead of Europe. Although in comparison, in my insignificant life, none of the instructions are so lofty, yet I see one common point between us, which I consider the manifestation of your mercy. Whenever I falter, slacken and become complacent in my spiritual life, it is you alone as the āśraya-vigraha that has manifested ‘tough love’ through various media, through my Godbrothers, be it senior, equal or junior to me, through the society of devotees in total, and also significantly through my spouse. I am eternally grateful to you and beg you to continue to shower this mercy of ‘tough love’ so that I may never leave the shelter of your transcendental mission, although I am incapable of accomplishing any phenomenal achievements in your service. Aspiring to one day become a worthy disciple of yours.

Your fallen insignificant servant,

Mahotsaha Chaitanya Dasa.

Malini Devi Dasi

Dear Spiritual Father Srila Prabhupada!

All glories to you! Please accept my humble obeisances J

Thank you for allowing me to be a miniscule instrument in your mission, Chaitanya Mahaprabhu’s mission. Eventhough unqualified to understand the myriad layers of Krishna’s and Your Mercy and incapable of swimming, I have dared to take the plunge into waters that are not-so KC friendly.

I am completely confident that whatever has developed here in the last five years is solely because you sanctioned it in some way. Though I did float a proposal to the authorities even before coming, however, I had least idea that your strength will build one complete floor, an altar, get Sri Sri Radha Vrajavihari at the altar and add to the list of proposal by starting a preschool (something I never thought about). Looking back, amma and I still are not able to digest the fact that we have been able to do all this construction without having much money, running the pre school & day care since then, conducting Bhagavad-gita and ICVK sessions, holding kirtans and still expanding... distributing prasadam in different places. I am dead certain that I/we couldn’t have done it if it weren’t for you. Sometimes, I literally have to stall things deliberately to gather physical stamina and organize my mind.

Just that I awfully miss devotee association here. One doesn’t find devotees till far distance until one reaches one ISKCON centre (under construction). I am still streamlining deity worship and daily kirtans, since rebuilding schedule programme after programme is challenging for me. But I love making deity dresses, garlands for the Lord and prasadam. I love writing too but as the programmes are expanding my bandwidth of time for writing is reducing. It will I believe be like this till all the programmes that have started settle harmoniously and friends become comfortable in different services. Tulsi Maharani growing in, out and around the house/centre is a great indicator for me that you are happy. She always used to be there in the house but so much is surely your Mercy!

Please always keep me in your shelter and service.

I will be sending a report about the activities soon to the authorities. Thanks to them too for believing in me and trusting me.

This one is just for you J

In Your Lotus feet I bow, To serve Them is a vow

Don't know perfectly how, Somehow am serving now

Please accept my services for am still a devotee to be !

Your very insignificant daughter,

Dear Srila Prabhupada,

Please accept my humble obeissances. All glories to Srila Prabhupada.

On this auspicious day of your divine appearance in to this material world just to deliver all the rotting souls like me, to show all of us the light of knowledge, to relieve us from the sufferings of material existence and to reconnect all of us with our original father, our source Lord Sri Krishna, it gives me immense joy and satisfaction to offer my humblest prayers and homage unto your lotus feet.

Srila Prabhupada, it's your unlimited compassion and love only that have saved me from these deep dungeons of ignorance and lead me towards knowledge and true happiness. If your association and blessing would not have been there I would have been in the remote, darkest regions of material existence without any awareness of one's own self or the Supreme Lord, without any understanding of purpose of life, suffering the threefold material miseries being entangled in various material bondages.

Srila Prabhupada, it's through your divine gift of transcendental knowledge I have been saved from such intense sufferings of material existence and got a clarity of the life's goal, about this material world and about the Supreme Absolute truth.

Without clear knowledge of the soul, of the material nature and of the Supreme Personality of Godhead there is no chance of one getting out of the sufferings of material world. This knowledge and realization is possible only when one surrenders to a bonafide spiritual master and engages in his service. As the scriptures quote

Tad vijñātham sa gurumevabhigachhet, Samit panih srotnyam brahmanistham.

"In order to learn that transcendental science, one must approach the bonafide Spiritual Master in disciplic succession, fixed in the Absolute Truth." (Katha Upanishada)

Srila Prabhupada, I consider it as my unlimited birth's good fortune that I could come in association of a genuine spiritual master like you and to obtain an opportunity to engage in your service which will open the doors of all knowledge both material and spiritual , of all happiness and the life of immortality.

Srila Prabhupada, having obtained this most precious and the rarest gift through your causeless mercy it becomes my utmost duty to protect it from losing back. Srila Prabhupada kindly give me the strength to withstand all the hurdles which come on the way due to my own past misdeeds and kindly infuse me with the spiritual energy to continue my devotional service unto your lotus feet.

As you many times quoted a verse from Caitanya Caritamṛta [Cc. Ādi 17.31]

*tṛṇād api sunīcena, taror api sahiṣṇunā
amāninā mānadena, kīrtaniyaḥ sadā hariḥ*

"One can chant the holy name of the Lord in a humble state of mind, thinking himself lower than the straw in the street. One should be more tolerant than the tree, devoid of all sense of false prestige and ready to offer all respects to others. In such a state of mind one can chant the holy name of the Lord constantly." (Śikṣāṣṭaka 3)

Srila Gurudeva, mercifully give me the strength to follow this instruction being humbler than the blade of grass and more tolerant than the tree, living in the association of devotees, being engaged in your service.

You always asked your disciples to cooperate with each other and spread the mission of lord Caitanya. Srila Prabhupada, though I am unfit and incapable of offering any service kindly keep me under the shade of your lotus feet and direct me to perform whatever you desire to carryout in this world. As it is mentioned in the scriptures,

*mukhaṁ karoti vācālaṁ, paṅguṁ laṅghayate girim
yat kṛpā tam ahaṁ vande, śrī-guruṁ dīna-tāraṇam*

"I offer respectful obeisances unto my spiritual master Srila Prabhupada, the representative of the eternal parampara, who has delivered the most fallen, and by whose mercy the lame can cross over mountains and the dumb can speak eloquently".

Srila Gurudeva, please be merciful upon this fallen soul and give me the courage, confidence and ability to carry out whatever services you and your sincere disciples wants to execute in this world. Please give me the strength to follow the morning sadhana and all the regulative principles given by your Divine Grace.

Srila Prabhupada, kindly protect me from being victim of my own uncontrollable, speculative mind and false ego. Every time due to my own mental concoctions and dictations of my false ego I end up doing such actions which are highly damaging and detrimental to my spiritual progress. Srila Prabhupada kindly protect me from the attack of such foolish thoughts and give me the constant remembrance of my constitutional position that I am an eternal servant of you. As it is mentioned in Siksataka, [Cc. Antya 20.32, Śikṣāṣṭaka 5]

*ayi nanda-tanuja kiṅkaraṁ, patitaṁ mām viṣame bhavāmbudhau
kṛpayā tava pāda-paṅkaja-sthita-dhūli-sadṛśaṁ vicintaya*

"My dear Lord, I am your eternal servant, but somehow or other I have fallen into the ocean of this material world. Kindly pick me up and fix me as a speck of dust at your lotus feet."

Srila Prabhupada, please pick me up from this ocean of material existence and keep as a speck of dust at your lotus feet,

Your menial servant,

Meghashyama Dasa.

Mithilesh Dasa

Dear Srila Prabhupada,

Please accept my humble obeisance at your Lotus feet.

As the year pass I await this opportunity to glorify you-my eternal spiritual master with my insignificant words.

It's been 6 years now that I'm in touch with your ISKCON Bangalore Temple, and the devotees here (especially HG Sampati Prabhu) are nurturing my spiritual life and giving me all sort of support, protection & care to practice my devotional service. It's been more than 3 years that I'm rendering my service in FOLK (Youth Forum of ISKCON Bangalore). I observe in my service that ISKCON movement created by you is so accommodative that even a very insignificant person who is devoid of all good qualities can change and become a devotee of the Lord. I'm the best example of your compassion and causeless mercy. I strongly feel that if someone is not in touch with this temple of yours' then his life is wasted and is of no use.

ISKCON Bangalore is the only temple on this planet where all your desires of spreading Mahaprabhu's mission are getting manifested through your devotees. I see how everyone here is so particular, focused, happy and amazingly enthusiastic to

render service at your lotus feet. I find myself really fortunate and blessed to be part of such temple. I would beg you to never even take me away from this temple and the devotees otherwise my spiritual life will be doomed. Let my life be spent here chanting and doing service at your lotus feet.

Now my dear Srila Prabhupada, I beg you to give to this servant just one drop of mercy. Give me all the required help. Give me the required strength. Let me be as you are, without desires or aspirations. Even if I have aspirations then it should be of fulfilling your desire and aspirations. I offer you all respects, for thus I may have the energy to know you correctly. I beg you to make me understand the importance of chanting the holy name so that all my offenses will cease. I beg you to please glance at me once as I am weak and devoid of intelligence. Allow me to be with you. If you actually examine me, you will find no qualities. Your mercy is all that I am made of. If you are not merciful unto me, I can only cry, and I will not be able to maintain my life.

Please allow me to be here in ISKCON Bangalore and render service at your lotus feet every day.

Your humble servant,

Mithilesh Dasa.

Mitravinda Devi Dasi

Hare Krishna.

Dear Srila Prabhupada please accept my humble obeisances at the dust of your lotus feet.

Srila Prabhupada your books have been the most influential part of my spiritual life. The advanced devotees who tell us or teach us more about what you have told in your books helps one understand your books more easily. The books of yours' gives us more insight to our lives, as you say the Bhagavad-gita as it is, is the manual for life. I really relish your purports in the Bhagavad-gita as it is like a very thirsty person in want of water and when one gets that water to drink it is more than nectar.

Srila Prabhupada, Guru is one who guides us with the torch of spiritual knowledge. You are my light in this journey towards self-realization without whom, in the darkness of this material ocean I would have lost myself or drowned myself.

Srila Prabhupada, I recently read one of the memories of your disciple recalling about your conversation with one of the press reporters. The reporter asked who inspires you or does Krishna inspire you to write your books. Your disciple answered before you could say anything, that, "Yes my spiritual master is inspired by Krishna", to that, you replied with gravity, "No Krishna does not inspire me, my disciple does not know that Krishna Himself dictates and I write." These words of yours I always remember when I read your books and say to myself that these are the words dictated by Krishna and written by Srila Prabhupada my beloved spiritual master.

Srila Prabhupada you are the most compassionate incarnation as I can see and also write in every Vyasapuja offering. You left your comfort zone of Vrindavan at the age of 70 and went to the west to preach in-between those Godless people and make them understand who Lord Krishna is and what one's goal is and purpose of human life, is really inconceivable. People in a country like India where they have heard the name of Lord Krishna are not ready to accept Krishna as the Supreme Personality of Godhead, you made the Godless people understand who Krishna is and accept Krishna as the Supreme Person by giving them the holy names of the Lord, Hare Krishna Hare Krishna, Krishna Krishna Hare Hare, Hare Rama Hare Rama, Rama Rama Hare Hare. Srila Prabhupada, you are the empowered incarnation of the Supreme Lord.

Srila Prabhupada, I have 2 or 3 reciprocations of yours in the dream, but few months back when I was at my service in Sunday Sankirtan school one small boy with his mother came and gave me small piece of paper. The mother said, "My son has drawn this for you, he says that you are in the boat of Srila Prabhupada. " I felt very happy; on the other side I thought to myself how can such a fallen soul like me be there in Prabhupada's boat? Even now I think Prabhupada is for the most fallen souls who are drowning in the ocean of material existence (let all the jivas of this jagat be in your boat). As I write

this my eyes are damp Srila Prabhupada. Srila Prabhupada, without your mercy I cannot make any advancement. I beg for your mercy. 'vande guru sri charanaravindam'. By the mercy of the spiritual master one receives the benediction of Krishna.

The most fallen soul, aspiring to be your sincere disciple,

Mitravinda Devi Dasi.

Mohan Gopal Dasa

My dear Guru Maharaj,

Please accept my humble obeisance at your lotus feet on the auspicious occasion of your 123rd appearance day.

I am so fortunate to have you in my life; O spiritual master. Thank you for showing me the path of devotion. I have no qualification but still you accepted me as your disciple. Thank you for showing me the right direction in day-to-day life. Only by your causeless mercy I am chanting the "Hare Krishna Maha Mantra". Thank you for giving me the opportunity for chanting of the holy name. Thank you for accepting me as your servant. I have full confidence that you will not leave me alone here in material world. My humble request please bless me so that I can continue devotional service in my little ability and follow Krishna consciousness throughout my life.

Thank you and thank you for everything, my dear Prabhupada.

Your most fallen servant,

Mohan Gopal Dasa.

Mohana Chaitanya Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to you.

Let me first thank you for keeping this jiva in your movement so long. Next year Vyasa puja will be special for me, as I am also interested in knowing what is those special lessons which you and Krishna want to teach me by then. My dear spiritual master your shelter has always been very gracious. I am not sure as a disciple whether I lived up to your expectations. But let me be honest, I have tried my best to serve you.

You are an amazing spiritual master. It's my personal desire that every jiva in this world get you as their spiritual master. My spiritual journey under your shelter so far has been very nourishing and enriching. Would like to dive deep in the ocean of spiritual realizations. Your purports are always nectarean, which nourishes the soul to the deepest. Thank you for all the opportunities to visit various dhams this year. Eagerly waiting for the next year vyasa puja offering.

Your servant,

Mohana Chaitanya Dasa.

Mrigendra Dasa

Dear Srila Prabhupada,

Please accept my humble obeisances at the dust of your divine lotus feet. All glories to your Divine Grace.

On this auspicious appearance day of your divine grace I would like to express my heart full gratitude that by your mercy I have been blessed with constant association of devotees and a wonderful opportunity to render devotional service unto their Lordships Sri Sri Radha Krishna Chandra. The organizational & authority system that you have setup is the most valuable gift that one can relish in this dark age.

Krishna has sent you as a confidential soldier to this material world and you have showed to the world what it really means to live a selfless life. Your life has been inspirational in many ways not only for present generation rather for many upcoming generations. I am really fortunate to gain some of it and constantly engaging in devotional service via a bonafide organization which is setup by you, for my purification.

I hardly can pay back as I am indebted to you forever for giving me shelter among the constant association of devotees and also fulfilling all my spiritual and material needs. The only guilt that I carry is that, despite of knowing all this, getting all support and guidance and even after being initiated by you, still I am unable to serve you the way actually I should.

I do not know, how I being so incompetent, I have got this most precious jewel, a spiritual master like you under a bonafide disciplic succession. I beg you to kindly bless me or chastise me or anything as you like to, so that I can serve you eternally with renewed commitment and having that as the only goal in my mind.

Srila BhaktiVinoda Thakura says –

*guru kṛpā binā nāhi, koi sādhana bal,
bhajamāna bhaja anukṣaṇa,
śrī guru-caraṇa-kamala-bhajamāna*

“O mind just worship the lotus feet of spiritual master. Without mercy of him there is no power to execute the regulative principles of bhakti. Therefore O mind just worship him at every moment.”

I humbly request you to bestow your causeless mercy on this stumbling soul, so that I can follow your preliminary instructions of chanting 16 rounds attentively, following 4 regulative principles strictly, always be in association of the devotees and reading your books regularly. For then I may gain strength to serve you with sheer attention and unending enthusiasm under the guidance of my respective authorities.

Your eternal servant,

Mrigendra Dasa.

Muralidhara Dasa

Dear Srila Prabhupada, Hare Krishna. Jai Srila Prabhupada,

Please accept my most humble dandavats at the dust of your Divine Lotus Feet. Today (16-07-19), the most auspicious occasion of Vyasa Puja I write my homage to you because you are the bonafide representative of Srila Veda Vyasa in the Brahma Madhva Gaudiya Sampradaya. Srila Veda Vyasa wrote the Srimad Bhagavatam to make a worldwide revolution as stated in the Bhagavatam itself – (01.07.06.)

*anarthoposamam saksad, bhakti – yogam adhoksaje
lokasy ajanato vidvams, cakre satvata – samhitam*

“The material miseries of the living entity, which are superfluous to him, can be mitigated by the linking process of devotional service. But the mass of people do not know this and therefore the learned Vyasdeva compiled this Vedic literature, which is in relation to the Supreme Truth.”

This Bhagavatam is not just meant for a particular community or nation but for the whole world. Now Srila Prabhupada by your tireless efforts it has been broadcast and is being broadcast all over the world through your ISKCON centers. It was also predicted by Lord Chaitanya Mahaprabhu that His name would be chanted in every town and village of the globe. All this has come true to a large extent by Your Divine graces' endeavour. Once a disciple told you that Srila Bhakti Vinoda Thakura had preached all over Bengal and Orissa and your Gurumaharaj Srila Bhaktisiddanta Saravathi Thakura had preached all over India and you Srila Prabhupada have preached all over the world so you are greater than them, you

immediately stopped walking and banging your cane to the ground you said in a grave voice that whatever I have done is simply by their mercy.

King Prataprudra of Orissa was seeking an audience with Lord Chaitanya Mahaprabhu but the Lord was unwilling to see him. Finally it was planned that the king in disguise would massage Lord Chaitanya's feet while He took rest in a park being exhausted after kirtan during the Jagannath Rath yatra at Puri as the king was massaging the Lord's feet he was reciting the Gopi Geet from the Srimad Bhagavatam and when the Lord's favourite verse was recited –

*tava katamritam tapta jivanam, kavibir iditam kalmashapaham
shravana mangalam srimad atatam, bhuvir grnanti ye bhuri-da janah*

(10.31.9) , when Lord Chaitanya heard this He began to dance with raised arms calling out - bhurida janah ,bhurida jana. His life's mission was to spread the tava kathamrtam all over the world and whoever does this is a bhurida janah. Srila Prabhupada you have done this in a most effective and in a scale unprecedented in this history of the world. All the devotees put together in ISKCON cannot do what you have single handedly done.

Kindly excuse me for the offenses committed knowing and unknowingly and bless me to continue my humble service for your satisfaction and that of all vaishnavas.

Our Most beloved dear Srila Prabhupada,

Please accept my most humble and respectful obeisance at your lotus feet. All glories to Your Divine Grace. On this auspicious 123rd appearance day of your divine grace Om Vishnupada Paramahansa Parivrajakacharya Astottara-sata Sri Srimad A.C. Bhaktivadanta Swami Srila Prabhupada (Founder-Acharya: ISKCON), I wish to glorify your wonderful qualities and divine pastimes.

In the Śrī Caitanya-caritāmṛta Ādi-līlā 1.46 PURPORT, it is stated that:-

“The spiritual master is called āśraya-vigraha, or the manifestation of the Lord of whom one must take shelter...” Your divine grace is indeed the real āśraya-vigraha, who has built this beautiful house –ISKCON, in which the whole world can take the shelter and anyone, even a child, can do the transcendental loving service to the Lord simply by dancing in front of the Lord and chanting the holy names of the Lord.

Also it is stated in the Śrī Caitanya-caritāmṛta Ādi-līlā 1.44 PURPORT:-

“Every living entity is eternally a servant of Śrī Kṛṣṇa Caitanya; therefore the spiritual master cannot be other than a servant of Lord Caitanya. The spiritual master's eternal occupation is to expand the service of the Lord by training disciples in a service attitude....”

By your divine grace I can see that how you are constantly expanding this Hare Krishna movement all over the world at the same time training me in the proper service attitude under the supervision of your sincere follower disciples.

All the scriptures are in line with your divine qualities of guru tattva. For you, propagating Kṛṣṇa consciousness itself is samādhi. You taught us that Samādhi didn't mean sitting in a solitary place but it's the complete absorption in the loving service of Kṛṣṇa, with the senses, mind, and intelligence fixed in trance. Thus in samādhi one could be active-traveling, preaching, managing, cooking, distributing your transcendental books, chanting in the streets, etc, as advised to Arjuna also in BG 8.7 tasmāt sarveṣu kāleṣu , mām anusmara yudhya ca -"Remember Me, and at the same time fight." You

are the personification of active samādhi—always hearing about, glorifying, and remembering Kṛṣṇa, and always fighting as a soldier on behalf of Lord Caitanya.

You are the spiritual master for the entire world, a devotee on the topmost platform, the mahā-bhāgavata stage, and a paramahansa-ṭhākura, a spiritual form only fit to be addressed as paramahansa or ṭhākura, still you are too humble to say that "Actually I am just a kirtan man " as in one of the pastimes recalled by Vrindavaneswari dasi:- During kirtan, Prabhupada was so enthusiastic and always encouraging the person who was leading. He would be looking around the room and I myself personally, I was feeling like I could touch the ceiling. And then, of course, during Jaya Radha-Madhava, Prabhupada himself would be so absorbed, sometimes he would stop, being choked up. And I remember how Prabhupada would talk. He would say, "Actually I am just a kirtan man."

At the same time you trained your disciples in a proper service attitude about kirtan that it is not a performance but it is the opportunity to glorify the Lord and engage others in chanting the holy name, as recalled by Naveen Krishna Prabhu:- *"He performed kirtan very slowly chanting only half the mantra with kartals, Hare Krishna Hare Krishna Krishna Krishna Hare Hare in a simple tone and then he asked all the villagers to respond, to join in. Further, he chanted the remaining half Hare Ramam Hare Rama Rama Rama Hare Hare and asked them to respond. Thus he made the whole audience to chant. Prabhupada showed by example that it was crucial to chant in a way that other people were engaged in chanting the Holy names so that they should learn how to chant the Holy Name. It did not matter even chanting only half a mantra at a time. Instruction was that kirtan is not a performance, it is an opportunity. It is a requirement to engage other people in chanting the holy name."*

Your glories are also divine, wonderful and instructive like you. Hope the foolish like me can learn at least a drop from you.

Thank you and begging you for always keeping this fallen soul in your divine association with your sincere disciples!!

All glories to you, Srila Prabhupada, the savior of the whole world!!

Dear Śrīla Prabhupāda,

All glories to you. Please accept my prostrated obeisances at your lotus feet.

Krishna says in Bhagavad Gita "su-sukhaṁ kartum avyayam". For a long time I wondered how is this process su-sukhaṁ? I don't like meeting new people and explaining to them what Krishna says. Most of them are not interested in hearing what Krishna is saying. I am also not a good orator. I have also not deeply analyzed what Krishna is saying. I don't like asking for money from such people either. I also find it difficult to dance in front of the deities because of my health. So the question always was how is this process "su-sukhaṁ kartum avyayam"?

This year I had the opportunity to go to Kumbh mela. I saw some sadhus there. I was astonished at the depth of their realizations. This is when I understood what su-sukhaṁ kartum avyayam means. Firstly the subject matter is transcendence and not material world. Hence we are not here to build a great material monument like Vidhan Soudha. We are also not building a group of people with a common mundane interest. The topic is transcendence. Hence we are talking beyond the name and fame of this material world. The sadhus who had assembled at Kumbh are also interested in transcendence. These sadhus also preach. But there methodology for achieving transcendence is so difficult. They give so much trouble to the body to finally understand that they are not this body. They stay away from the general materialist and only preach to one who comes to them looking for such knowledge. I am guessing their food also would be similarly simple, if not unpalatable.

No simply wonderful. No Iskcon bullets. After going through all the vedic studies and vedic sacrifices and many many births others reach the ultimate conclusion – Brahman, Paramātmā or Bhagavān. Since you have directly given the ultimate conclusion, “Krishna is the Supreme Personality of Godhead. We are His part and parcel. We have a loving relationship with Him. This relationship has to be revived.” this knowledge is “pratyakṣāvagamāṁ dharmyam”.

What I do in my normal course is also not very difficult, compared with other transcendentalist. I go and explain about Krishna to people who are satisfied with their temporary life. They raise varieties of objection. To counter them I read more of your books and I read your books more sincerely. Thus steadily what is jñānaṁ become vijñāna. To make this knowledge more palatable I only need to listen to senior Vaisnavas and present it as it is. Thus with all the systems of your institution anybody can progress rapidly in spiritual life. Vedic stuti says

mūkaṁ karoti vācālaṁ, paṅguṁ laṅghayate girim

yat-kṛpā tam ahaṁ vande, śrī-gurum dīna-tāranam

“I am offering my respectful obeisances to the spiritual master by whose mercy a dumb man can become the great speaker and a lame man can cross mountains. He thus delivers all fallen souls.” This is personally experienced by me in your institution -Iskcon. Hence Iskcon can be rightly called your body. Therefore serving in Iskcon is “su-sukhaṁ kartum avyayam”.

Being compassionate you spread the knowledge of Sri Krishna all over the world. You cleverly engage devotees and non-devotees in the service of Krishna. Thus you bring everyone closer to Krishna. You are tolerating my offenses. But you are blessing me with devotional service. I am unable to express my gratitude towards you. I only beg to remain eternally at your lotus feet.

Your servant,

My dear Srila Prabhupada,

Please accept my humble obeisance at your divine lotus feet & all glories to your Divine Grace.

It's my great fortune to glorify Your Divine Grace on this auspicious day & as a disciple it's my duty also. This year I can see lot of changes in my life and lot of difficulties I underwent but Your Divine Grace protected me in all difficulties and protected my devotional service through your sincere disciples.

When Parikshith Maharaj was hearing Srimad Bhagavatham continuously 7 days & nights he never experienced any disturbance from hunger, sleep, etc. He was not worried about his future death, nor worried about the brahmana boy Srungi who cursed in a very immatured way. Likewise, many pure devotees when they were in difficulties or problems they immediately took shelter of Krishna.

When we meditate or contemplate the difficulties faced by great devotees ours is nothing. You have given us a great place to live happily in the association of devotees, Nice Kirthans & bhajans to glorify Krishna, sumptuous prasadam, rendering devotional service, hearing Krishna Katha etc.

Recently I come across a Sloka cited by Shiva to Parvathi from Skanda Purana.

Dhyana mulam Guru murti, puja mulam Gurur Padam,

mantra mulam Gurur Vakyam, moksha mulam Guru kripa.

Translation - “The Guru's form is the best to meditate upon; the Guru's feet are the best for worship; the Guru's word is the mantra; the Guru's Grace is the root of liberation.”

Your greatness is glorified in all the scriptures, great demigods, devotees & the Supreme Personality of Godhead also. This is your real greatness.

Oh, my dear Srila Prabhupada, please bestow the above benediction throughout my life so that I can sincerely worship Your Divine Form, follow Your Divine instructions, worship your divine lotus feet, serving Your Divine Grace is the ultimate goal of my life.

On this most auspicious day of your glorious appearance day I beg you to forgive all of my offenses done unto your lotus feet & other Vaishnavas and the presiding Deities. Thank you Srila Prabhupada a fool like me is rendering service in your glorious mission.

Your fallen servant,

Dear Srila Prabhupada,

Kindly accept my humble obeisances. All glories and glories to your Divine Grace!

I am realizing the greatest fortune that you have given to me by your causeless mercy, that fortune which cannot be measured, which is unlimited. I have become unlimitedly indebted to you. Sometimes I wonder this meat eater few days back, today laments even when an ant is unknowingly killed. This atheist few days back, today chants holy names of the Lord. This fallen who used to think material comfort was ultimate goal of life, today has become convinced that real goal of life is to get out of material conditioning and eternally serve Krishna. This fallen who is taking birth after birth for time immemorial in this material world, today has got hope that by your mercy he will be saved from this greatest danger of repeated birth and death. I do not think, rather I am sure there cannot be greater wonder than this, there cannot be greater mysticism than this and Srila Prabhupada, you are that wonder man, you are that mystic man. Hence, I am left with no other option but just to surrender unto your lotus feet.

I don't know who you are but undoubtedly you are the person from Goloka, confidential servant of Krishna and dear most son of Bhaktisiddhanta Saraswati Goswami, you have come here for confidential service of Lord of delivering conditioned souls, but unfortunate is me that I have so many difficulties to adhere this simple process given by you. I don't have any qualifications even to be at distance of thousands miles near you, But, out of your causeless mercy, you have kindly accepted me as your disciple and I have become servant of Lord Gauranga who is expert in dancing in Sankirtana, yes, by your causeless mercy I have become Natavara Gaura Dasa, you have kindly accepted me as your child and given me this wonderful community of my advanced god brothers. What a mercy! I have become unlimitedly indebted to you.

Srila Prabhupada, I have got desire to be absorbed in your service with utmost sincerity and chant Hare Krishna Maha Mantra with utmost attention. When those days will be mine! Oh, Prabhupada, kindly bestow your mercy unto me for I have understood that my every progress depends upon your causeless mercy. Having taken shelter at your lotus feet kindly do not neglect me otherwise I will be helpless orphan without any hope.

Your aspiring servant,

Natavara Gaura Dasa.

Nava Yogendra Dasa

My dear Srila Prabhupada,

Please accept my humble obeisances. I would like to thank you for descending to this material world and showering your causeless mercy on innumerable living entities. It is mentioned in the sastras that a pure devotee of the Lord has the potency to deliver the entire universe. You proved this statement through your own example: by transforming a number of people engrossed in material gratification to devotees of the Lord. There are number of organizations in this world, which claim to have a large number of followers but fail to bring an ultimate positive change in the life of the followers. They try various gymnastics to keep the body healthy but do not know that the purpose of Yoga is to connect with the Supreme Lord, Lord Krishna. They are very unfortunate as they do not have Srila Prabhupada.

However we were also in the same position. But due to your causeless mercy only we came in touch with your organization ISKCON. We all are indebted and it is not possible to repay the debts. I request you to keep us always under your shelter bless us with your service. Without your mercy, it is not possible to make progress in spiritual life.

Your Fallen Servant,

Nava Yogendra Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet.

Yet another glorious opportunity to write an offering glorifying you, although my words are broken.

This time I remember an incident in my life how you are acting thorough your disciples to every individual. I was taking journey to my parent's home near Varanasi from Bangalore when I was a student of B.E at a Bangalore college. I was waiting for the train to depart just before which I met a person in saffron attire holding your transcendental books. He hurriedly gave me a Bhagavad Gita with the sense of urgency which you show in your lecture for all to take to Krishna Consciousness, I gave the amount. As soon as he was leaving I paid him respects and he blessed me in return. Although I was travelling to my parent's home but my destination changed forever. I think that was a seed sown in me by the touch of your book.

Also recently I came across your conversation at Venice beach when a woman just showed you respect formally and you commented that although she paid respect to a saintly person without knowledge, she will advance so much in spiritual life. I think that's what happened when I met your ambassador in the train.

Thanking you again and again for now providing me a constant association of such devotees here in ashram. Please allow me always engage in services here under the aegis of your able devotees with whose support I am clinging on to your lotus feet.

“O beloved spiritual master, you are always in the presence of the cowherd girl Radha, the daughter of King Vrishbhanu. Please award me service at your lotus feet, which are the proprietors of devotional service. Please place me in the ocean of joy by bestowing upon me happiness in the mellows of service at the lotus feet of Sri Radha in the groves of Vraja-dhama.” -Pancharatra-Pradeepa

Dear Srila Prabhupada,

Please accept my humble obeisance at the dust of your lotus feet ,

All glories to you, the savior of the fallen souls, inaugurator of this Krishna consciousness movement throughout the world.

The success in preaching that you accomplished within a brief span of eleven years has never been achieved by any other devotee in history. You opened several Krishna consciousness centre around the world and made Hare Krishna mantra a house hold word. Due to your simplicity and purity every one who met you were attracted to the philosophy of Chaithanya Mahaprabhu. You never resorted to the display of magic or mystic power to fool the mass of people, you never concocted cheap method to approach god, you broke all barriers and freely distributed the timeless knowledge of Krishna consciousness to everyone, you showed that regardless of place of birth everyone can chant Hare Krishna mantra and preach Krishna consciousness, you offered whole world the opportunity to rise from mlechha dharma to enter upon bhagavata dharma

No one can live without loving some one else, even animals like tiger has the loving propensity at least in dormant stage and it is certainly present in the human being, the missing point however is where to repose our love so that every one can become happy. Our love can full be satisfied when it is directed to Krishna.

So on this auspicious day I, your most fallen disciple pray that you give me enough strength to realize that you are always with us and that you are intensely watching all our actions please give me strength to take shelter of your vani, please make me fully surrendered puppet and make an instrument in helping expand your glories.

My personal reciprocation to yourself Prabhupada you remind me always to remember Lord Krishna and to never forgot him, particulary you wake me up even though I want to sleep that's real alarming now you get up in time for mangala arathi and chant our rounds of Hare Krishna maha mantra. You often told us that our love for you be shown by how we cooperate together to push Krishna conciousness movement

Yours most fallen servant,

Nilotpala Shyama Dasa.

Jai Srila Prabhupada!!!

“Oh Master be merciful unto me. Give me the shade of your lotus feet. May Your fame be spread all over the three worlds. We take shelter of your lotus feet.”

As I am a person conditioned by three modes of material nature birth after birth, I admit my inability to glorify a transcendental personality who is situated in the highest level of transcendence. But I am dutifully bound to express my gratitude to you, so I humbly request the Supreme Lord Sri Krishna and Srimathi Radharani to bless this acting devotee to glorify an actual devotee who is very dear to Your Lordship and who is one of your confidential associates.

Dear Srila Prabhupada,

I have been observing your confusing behavior which has bewildered me. Although You are not conditioned by the four defects of a conditioned soul, still sometimes you seemingly exhibit such characteristics like sometimes forgetting shlokas and asking your disciples to check and take reference from scriptures, suffering from health issues, sometimes You had told that you are an old incapable man and also you told that you don't know anything and asked your disciples to do the task.

But if carefully observed you have enacted a lila like a conditioned soul but still your transcendence cant be shaken.

Your Mystic feats:

1) Some devotees say that You have died in 1977 and there is a necessity of a living Guru. But its very conspicuous that when you were physically present You had only 10000 disciples and now there are lakhs of disciple of yours'. You are expanding the devotee making task through devotees who have unflinching faith in your subtle presence(in the form of instructions, books etc) and gross presence(as Vighraha). This proves that you can act in an absolute manner not being conditioned by physical laws.

2) Many wonder at your achievements like establishment of 108 temples, wrote 80 volumes of books, guided 10000 disciples, made thousands of people chanting Hare Krishna Mahamantra, established gurukula system for children, Established "food for life" programme, set up farm communities, circled globe 12 times, spread KC in 24 countries, founded world's largest distributor of spiritual books "Bhakthivedanta Book Trust", inaugurated Jagannath ratha Yatra in western countries, introduced 'archana system'to foreigners, introduced Indian arts and music to them, replying to your disciples queries you wrote 6000 letters, skillfully managed ISKCON through letters and personal meetings without the use of telephone. The surprise is all the above you did in just 12 years. What more?!!!

Yes there is one more thing to say!! What to speak of your above mentioned achievements you once said that you can make the entire world Krishna conscious in just 18 days but if you did so then your disciples will not have any job!! This statement surprises even demigods because it is highly impossible to do that to nithya baddhas in Kaliyuga especially. So You are real mystic!! And not then one who possesses ashtama siddhis.

3) No brahmana can give spiritual initiation on the spot without sacrificial fire, without mantra and without other paraphernalia required for sacrifice. But you initiated a disciple by giving the name "Dadhi Bhaksha Das" on the spot without any of the above mentioned sacrificial elements. This shows that You are as independent as the Supreme Lord.

Your merciful invocation of Lord into different forms from the spiritual world to this material world

1) Hare Krishna Mahamantra:

Although created or vibrated through air resembling material sound the eternally sounding "Shuddha Naama" has mercifully agreed to descend into the vibrated air in this world. This vibration becomes fully effective when it is delivered by you to a disciple. Japa delivers the chanter and those who are present nearby and in the form of Sankirtan it makes all categories of people all over the world to clap and dance. Once I saw a mentally retarded girl between 5-10 years of age joined devotees in kirtan and danced .

2) Deity:

By your causeless mercy you have invoked Lord into gross matter so that fallen souls can see the Lord in spiritualized matter form and you introduced the Pancharaatrika vidhi to serve the descended Lord.

3) Scriptures:

You have invested your love for Lord Krishna in the form of words i.e translation and purports of scriptures like Bhagavad-gita, Srimad Bhagavatham, Chaithanya Charitamrtha and other books which are expansions of the above mentioned scriptures. Anyone who reads it carefully gets the same Love of God(Prema Bhakthi).

4) The most delicious invocation- Mahaprasadam:

Although this nectar is available only for selected personalities like Lakshmi in the spiritual world, by the mercy of pure devotees especially you, we are able to relish the nectar which is left over by Lord and this nectar is non-different from Lord Himself.

5) The Lord within You

Above all, since you eternally carry the personal will of Lord Krishna, the Lord is personally present with you and wherever you step in any part of the universes, that becomes a place of pilgrimage.

I thank you whole heartedly for giving the highest process in an easiest way so that a “Man full of vices” like me can become a “wiseman” by Your Grace. At last, my serious request to you is, I will do my best to adhere to your instructions but if at all because of illusory madness if I foolishly try to deviate from your instructions, please do correct me and pull me towards you like how a father pulls a nescient child when the child crawls and moves away from the father. Begging for your forgiveness and begging for your eternal association.

Yours eternal servant,

Nishkinchana Nitai Dasa.

Nitai Padapadma Dasa

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to your Divine Grace.

Srila Prabhupada, your Divine Grace said in a conversation dated April 1, 1969 in San Francisco: “if you are sincere, He will give you good counsel, ‘you do like this.’ You’ll get dictation from within. That requires advancement of spiritual life. Then you get from within dictation. So god is helping from within and without. Within, as Paramatma, and without as spiritual master. Both ways. As soon as you are sincere, then God will send you to somebody who is his bona fide spiritual representative.” I do not know what sincerity Your Divine Grace saw in me that you have mercifully intervened in my life and have put an end to my hopeless life of serving Maya and her agents. This I feel clearly, is a miracle caused by your Divine Grace’s causeless mercy! Thank you Srila Prabhupada, for accepting me as your servant and engaging me in your wonderful mission. Though I have no qualification, still by your causeless mercy, you have kept me engaged in this wonderful service. Kindly bestow your mercy Prabhupada so that I may become very serious and sincere in my service and sadhana. May I never forget the purpose of my joining this movement.

I know I need to make further progress in cleansing my infinite Anarthas and which is only possible by more & more of your mercy.

You have mercifully engaged me in the service of Sri Sri Radha Krishna Chandra, please help me to do service to their lotus feet with more humbleness and service attitude. Kindly forgive me for offences if I committed due to my ignorant nature.

Thank you, Srila Prabhupada for giving me the greatest wealth, Krishna consciousness.

Yours unworthy eternal servant,

I was born in the darkest ignorance, and my spiritual master opened my eyes with the torch of knowledge. I offer my respectful obeisances unto him. When will Śrīla Rūpa Gosvāmī Prabhupada, who has established within this material world the mission to fulfill the desire of Lord Chaitanya, give me shelter under his lotus feet?

My heartfelt gratitude and respects to my dear spiritual Master!!!

My dear Spiritual Master, wish to glorify you from the words of my heart. I was wandering like a madman in this darkness of material illusion, your divine grace mercifully extended your hands and filled my heart with transcendental knowledge.

You have mercifully saved me from this dark and deep forest of the material illusion and I am eternally indebted for this. I wish to be an eternal servant to my Guru who protected me from such a danger.

Silas Prabhupada!, It is only you by whose mercy I can be an instrument in going door to door and road to road and village to village and convey the message of Supreme Lord Sri Krishna to all the suffering souls. And I beg your mercy to empower me to take up these services.

Hare Krishna,

Please accept my humble obeisances,

All Glories to Srila Prabhupada,

'guru mukha padma vakya cittete koriya aikya'

Thanks to your instruction through Bhaktivedanta purports in Srimad Bhagavatam, which gives me more clarity to understand how to progress spiritually in this material world.

Keep me engaged daily in reading your purports.

Always engage me in your Chaitanya movement by doing practical devotional services especially book distribution.

Give me the strength to improve in doing Morning sadhana.

Train me as a proper grihasta to take care of my dependents, give me strength to engage them in your movement, to work together cooperatively as a family with good understanding among us.

Thank you for giving initiation to me, I hope step by step all my dependents will take initiation from you in this life itself, give them your causeless mercy.

Please give me directional energy, please guide us what we should do, when we should do how we should do, and where we should do,

Let me always remember that you are the prime mover of everything,

Let us not claim any credit for ourself.

Your grand son and disciple,

Pradeepta Narasimha Dasa

Dear Srila Prabhupada,

Kindly accept my humble obeisance at your divine lotus feet. I thank you very much for bringing me back to your shelter. And I request you to kindly keep me at your lotus feet forever.

It is said in Bhagavatam, "*After Lord Kṛṣṇa departed for His abode along with religious principles and transcendental knowledge, this Purāṇa, Śrīmad-Bhāgavatam, has arisen like the sun in this Age of Kali to enlighten those who have no spiritual vision.*"

However this Sun was not visible to most of the population on earth. First of all you translated the 1st canto of this Essence of all Vedas to a common language English. Then in your old age you set out to the most famous, rich and powerful country of the world America. You had no money, no relatives, no definite place to stay. Your only assets were 1st Canto of Śrīmad-Bhāgavatam, strong desire to execute the instructions you received from your spiritual master and holy name of Lord

Krishna. You suffered sea sickness and heart attacks in the long Jaladuta journey. You went through a lot of hardship for almost an year. Your determination and faith was never shaken.

Then you recruited some soldiers for your mission and gradually, despite many obstacles printed Bhagavad-gita, Srimad Bhagavatam, Krishna book, Chaitanya Charitamrita and many other books. And the Sun of Bhagavatam started shining and millions of people got the light of knowledge, eternity and bliss. You said *"Bhagavad-gītā and the Śrīmad-Bhāgavatam are like torchbearers for the blind people of this age. In other words, if men in this age of Kali want to see the real light of life, they must take to these two books only, and their aim of life will be fulfilled."*

You encouraged your disciples and followers to translate these books in all other languages of the world. You said *"Print as many books, in as many languages and distribute throughout the whole world. Then Kṛṣṇa consciousness movement will automatically increase."*

People used to say *"Swamiji you have done wonderful thing"*. But your answer was *"If I have any credit in this connection, it does not belong to me personally, but it is due to my eternal spiritual master, His Divine Grace Om Viṣṇupāda Paramahaṁsa Parivrājakācārya 108 Śrī Śrīmad Bhaktisiddhānta Sarasvatī Gosvāmī Mahārāja Prabhupāda. If personally I have any credit in this matter, it is only that I have tried to present Bhagavad-gītā as it is, without adulteration"*. These qualities are your ornaments which make the most beautiful personality.

If we see the larger picture what a wonderful thing you have done. The most precious knowledge you have delivered to the world. This is what will save people of Kali Yuga. Except you who could have done it. You are the chosen one for this by Sri Caitanya Mahaprabhu. And how fortunate we are to become your disciples.

You gave us Hare Krishna Maha Mantra which is the medicine for disease of repeated birth and death. This mantra was revealed personally by Sri Caitanya Mahaprabhu who is none other than Lord Krishna himself.

You gave us deities, prasadam, devotee association, you gave us the Acaryas of our parampara and much more. All this you did and in return you don't want anything for yourself, you just want us to love Krishna and serve Him out of love. What an amazing personality you are! All glories to you! Please guide me as to how I can serve you with so many of my disqualifications.

Your fallen servant,

Pradeepta Narasimha Dasa.

Prahlada Prana Dasa

Dear Śrīla Prabhupāda,

Please accept my most humble obeisances at the dust of your divine lotus feet. All glories to your Divine Grace.

Prabhupada, one who wishes to be free from all material miseries and surrender to the lotus feet of the Lord, must hear, glorify and also remember your divine pastimes, because You are the savior from all sufferings.

Gurudeva you appeared on this planet to save the eternally conditioned souls from the struggle for existence in this ocean of nescience, this material world is considered as a blazing forest fire. How you saved us and what is the real meaning of the savior? Is it giving relief from some disease or from hunger or from some discomforts or it is some philanthropy work, altruism, nationalism, humanitarianism, etc... All of these will be finished along with the end of life of this body. But genuine meaning of the word savior you explained in one of the conversation - *"Prabhupāda: Savior means who saves you from this material existence. He is called savior. Because the living entity, being entangled in this material existence, he is suffering, so savior means one who saves from this material entanglement and gets him back to God, back to Godhead."* (RC-5th June, 1974).

In this material world everyone is strongly bound by the ropes of three modes of material nature, which is impossible to release for any living being. May a politician or stout or opulent or a philanthropy or generous persons pose themselves as

savior and promise to release us, but unfortunately out of ignorance they do not even know that they themselves are very tightly bound by the stringent laws of material nature and cannot be freed from all these material bondages, which are tied with a strong shackle, it cannot be freed by any other means, other than the causeless mercy of a Bona fide spiritual master. O master, only you can free us, because You are transcendental to all material bondage, You are completely spiritual, devoid of all fear, and You are always in control of the spiritual energy. Even though You appear in the material energy, You are situated transcendently. You are always free from material contamination because You are completely self-realized. You appeared to awaken our lost relationship with the Supreme Lord Krishna, & to transfer everyone to the spiritual planet of Kṛṣṇa and become eternally blissful there, not being subject to four fold miseries & also engaged there in serving the Supreme Lord.

“tāte kṛṣṇa bhaje, kare gurura sevana; māyā-jāla chuṭe, pāya kṛṣṇera caraṇa, (Cc-ML-22.25).

“If the conditioned soul engages in the service of the Lord and simultaneously carries out the orders of his spiritual master and serves him, he can get out of the clutches of māyā and become eligible for shelter at Kṛṣṇa’s lotus feet.”

Gurudeva, this year I had been to Kumbha-mela as a part of yearly pilgrimage trip, there I saw so many sadhus, babajis, and swamis, Gurus and they were titled as “jagad guru”. Generally all these transcendentalist including Mayavadi sannyasis they call themselves as jagad-guru, the spiritual master of the whole world, even many consider themselves worshipable by everyone, but unfortunately they do not know what is the real meaning of the word jagad-guru! The word “jagad guru - the spiritual master of the whole world” means one who travels all over the world and delivers all fallen souls from repeated birth & death and takes to spiritual planet. You traveled from country to country to spread the cult of devotion everywhere, you specifically instructed about devotional service to every Indians as well as westerns, you travelled to every part of the world, not less than fourteen times & you preached the transcendental truth and mellows of Bhagavad-gita & Srimad-Bhagavatam. Because you wanted to deliver all conditioned souls, who are all bereft of knowledge of bhakti and who misuse their intelligence for the temporary benefit of the material body. Sri Caitanya Mahaprabhu also wanted His mission to spread all over the world, which you have fulfilled. Therefore You are the actual “jagad-guru, the spiritual master of the whole world”.

Thank you very much Gurudeva for giving us these transcendental activities of the spiritual world in to this temporary world by creating pockets of Vaikuntha. Dear Srila Prabhupada, it is never ever possible for a conditioned soul like me, to describe your unlimited transcendental glories, which are like vast ocean. Nevertheless it’s only by Your causeless mercy this tiny jiva has tried to glorify your divine qualities. Just like a father accepts the broken language of his child, please accept my poor homage at your divine lotus feet. Gurudeva if you so desire please bless this unworthy servant of your servant to chant the Holy Name attentively & carefully, and engage eternally in serving your glorious mission under the guidance of temple authorities.

Your useless servant,

Prahlada Prana Dasa.

Prahlada Rakshaka Dasa

Dear Srila Prabhupada!

Please accept my humble obeisances at your lotus feet. All glories to you!

Srila Prabhupada, thank you for keeping me in Krishna Consciousness in spite of my infinite misgivings. It is by your mercy, blessings and protection that I can follow the principles laid down by you.

*Samsara davanala lidha loka, tranaya karunya ghanaghanatwam,
praptasya kalyana gunarnavasya vande guroh sri-charanaravindam.*

Thank you Srila Prabhupada for the unique way you brought me at the shelter of your lotus feet. Even today when I remember it, my faith in you and Krishna grows. As a child I used to wonder about the answers to the fundamental questions

of life such as- who made us, who controls our brain, where did we come from and so forth. So when you presented a copy of Bhagavad-gita-As It Is, in a train on my way from Delhi to Vellore, it invoked both mysticism and reverence at the same time. You then gave me the inspiration to 'Google' about the book which led me to ISKCON Bangalore. Who would have imagined in their wildest of their dreams that a boy from Delhi, studying in Vellore would get hari-bhakta sanga in Bangalore! It was your special mercy and plan which brought me back to you. Thank you Srila Prabhupada! All glories to you!

Cakshu dan dilo jei, janme janme prabhu sei, divya gyan hrde prakasito

Your Divine Grace continues to open our darkened eyes, filling our hearts with transcendental knowledge and destroying ignorance on a daily basis. Your Divine Grace, it is by your mercy that I can now start to comprehend the world, see what is maya and self. Thank you Srila Prabhupada for bestowing this treasure of knowledge and realization. All glories unto you!

Sri guru carana padma kevala bhakati sadma, bando mui savadhana mate

Jahara prasade bhai, e bhava toriya jaye, Krishna prapti hoye jahan hoite

Your Divine Grace's lotus feet are the only way by which we can attain pure devotional service to Krishna. Just as you have expanded my ability to practice devotional service day after day, I beg you to light up the fire inside me and thus, inspire me to serve your mission eternally. I bow down before you in all reverence and promise to serve you to the best of my ability.

Your aspiring servant,

Prahlada Rakshaka Dasa.

Prananatha Gopala Dasa

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet. All Glories to your Divine Grace.

One may achieve great things in his life by his karma or by blessings of ancestors and pure brahmanas but one cannot achieve the ultimate goal and the highest fulfillment of human form of life without the mercy of the spiritual master from a bonafide parampara. By the mercy of the Supreme Lord one gets the association of the spiritual master and by the mercy of the spiritual master one gets eternal service to the Supreme Lord Sri Krishna.

All of us are in search of freedom and in modern lifestyle millenials like me tend to feel choice is freedom. But the reality is freedom = choice + exclusivity. Choice is the freedom to do what you want to do while exclusivity is the freedom to stay away from things you do not wish to do. Though some of us manage to choose to do Krishna conscious activities the harder part is to stay away from the activities which take us away from Krishna consciousness. In modern sophisticated lifestyle it is sometimes very hard to decipher what is right and what is wrong. Guidance of senior experienced devotees is very crucial in this scenario. I humbly beg you to provide me association of sincere devotees who would guide in my journey of life.

Also, this year I am going through a major change in my life. I am entering Grihastha ashrama with a girl who is new to Krishna Consciousness but yet who is very intelligent and considerate enough to support me in my endeavors. By your mercy she gave up onion and garlic upon just one request as if it meant nothing to her. I was pleasantly surprised. Especially for a girl who has studied and worked in America this is a big change in my opinion. But by your mercy things seem to be going in the right direction. She is very family oriented and seems to stand by me in any endeavor as long as we are together. I believe she will support me in my aspirations to serve you. She has time and again surprised me with her attitude of self-sacrifice and ability to understand my deepest thoughts and feelings. Since, I chose to change my ashrama I chose a girl who is conducive to my spiritual as well as material life. Please guide me to take care of her and be a good Krishna conscious husband. I would like to see this as an opportunity to serve you with more strength and confidence. I kindly beg your mercy to guide us to serve you in all menial ways for your pleasure. Though spiritual life is a major part of my life and thought

process I do have material dreams and I believe I would be able to use my accomplishments in your service. Cloud is dark for the one who is under it, they say, and I wish to stay above it. Please guide me so that I may not be enamoured by the ways of sybarites of modern civilization and provide me the friendship of sober and intelligent ones. Physically and emotionally I have been challenged last year with many struggles and pains. As per an astrologer from my family side it was a miracle that I did not suffer as much as I was supposed to during this period. I believe it was by your mercy that Krishna only gave me a token punishment out of the pain I was due because of my karma. Please guide me through this difficult phase so that I may never sway away from the shelter of your lotus feet.

Since childhood I have always struggled with relationships. My introverted nature pushes me to spend more time with my thoughts than people around me. By your blessings I have been able to meet some amazing people who have changed the course of my life. Though I may not realize it, I know that after initiation it is you who scripts my life, ambitions and its very direction. I recently realized something interesting in terms of relationships. There are 2 kinds of relationships. The relationship of purpose and the relationship of presence. Though there is no clear line in between them both of them are essential during our brief stay in this material world. At times they support each other and at times they threaten each other. One has to balance these well in order to achieve the ultimate goal of life. Though society, friendship and love is what we seek materially depending on how we handle it they may become our strength or weakness. Since, I would be entering Grihastha way of life I would like to see them as strength which will help me to contribute to your divine mission.

Please help me so that I may never forget that you are my Lord and master who is my captain as I try to board the ship to Vaikuntha loka. Ever grateful to you.

Your servant,

Prananatha Gopala Dasa.

“Brahmanda bhramite kona bhagyavan jiva guru-krsna-prasade paya bhakti-lata-bija”

"In the course of traversing the universal creation of Brahma, some Fortunate soul may receive the seed of bhakti-lata, the creeper of Devotional service. This is all by the grace of guru and Krishna."

I was also loitering, life after life in different species with no idea why I have taken the birth in this material world. Prabhupada it's only by your mercy and Krishna's mercy I got an opportunity to be in touch with ISKCON temple and then I understood the real purpose of my birth and the goal of the human form of life. I always realize I am very much fortunate to receive real knowledge of Supreme Lord Krishna and His Holy Name by only your mercy.

The material world is full of attraction to sense objects and Maya is so strong that it becomes very difficult to overcome the grip of Maya. But when I have Prabhupada and Lord Krishna's mercy on me it becomes so easy to cross over this material world. Prabhupada when I started reading your books and chanting Hare Krishna Maha mantra I got purified day by day and am feeling very happy from inside. I feel I don't require anything apart from your blessings. Prabhupada, please bless me and count me as one among your disciples and always guide me so that I can perform spiritual activities nicely.

I really would like to say THANK YOU very much Prabhupada for your love and care. Please bless me always and help me to grow in spiritual life. Thanks again!!

My Dear Srila Prabhupada,

Hare Krishna!

Please Accept My Humble Obeisance,

The Lotus feet of a great Vaishnava like you is all glorious. It is not only waiting at the shore of material world to take fallen spirit souls from this material end of creation to the other end where all the spirit souls truly inherit viz., the summit of the spiritual world, Goloka Vrindavana.

Dear Father, your compassion can only fill a bottomless well. I really wonder every day, "Why will this master of mine show so much mercy to me, who is more fallen than yesterday?". I still could not gather any better answer than "It is his unbound compassion because he is a Vaishnava Thakura and nothing less"

Years are rolling out just as my anarthas are. I know no more than to just follow the instructions of my authorities and to try to chant the Holy-Name as better as possible. Thank you, dear Prabhupada, for revealing the importance of Sadhu-Sanga to cut-off the hard-knots which strings strongly with my anarthas. Association of your dear disciples has helped me day-in and day-out.

Kali is not stopping the efforts to preach Mayavada philosophy and spreading itself far-and-wide. Master, your mission to uproot Mayavada philosophy is yet pending. I beg you to give your divine, powerful and merciful blessings so that I can leave away all my fears and disqualification and try to gather myself and preach Chaitanya-Mahaprabhu's philosophy and help you to my best extent in spreading it.

Once in your earthly pastime in Vrindavana you took your devotee-disciples, personally, on a transcendental tour to all the important spiritual hubs. Today, you're playing an important role by taking us to most ancient and important spiritual hubs in Bharatavarsha. What more a suffering soul can ask? than to just absorb the serenity and divinity of those enriching centers and ascend spiritually to meet your set goal for me.

Prabhupada, thank you for all your mercy bestowed when I was trying to execute the instructions of my authorities in my recent trip to Dwaraka as a member of Shivananda Sena and also in my personal spiritual life.

Dear Master, few days back I happened to witness your divine maturity in understanding and quoting very precise verses in your transcendental purports from various Vedic Scriptures. I was and am really impressed and convinced as to why you're the right embodiment of "Bhakti-Vedanta" and a true representative of Srila Vyasa-Deva.

May I start to be a small instrument in your spiritual welfare movement. I beg you for an opportunity again and again.

Yours deeply fallen aspiring disciple,

Pāvana Nitai Dasa.

Radha Mohana Dasa

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to your Divine Grace.

After coming in touch with Krishna Consciousness through YFH program at ISKCON Bangalore, there are many changes in my life. I remember those initial days, just three years ago, most of the things that I used to read in your books, were theory for me.

I was even thinking many times if it's really possible to stay without material anxiety (worrying about tomorrow, what if something happens to my job, what if this happens, what if that doesn't happen etc.). But, in these three years, I have experienced many things which are amazing.

Many (parents, friends etc.) think that I have renounced everything with no hope/happiness in life. It was not easy to make them understand that Krishna Consciousness is Beyond Birth and Death. You have taught us yukta vairagya through this institution-ISKCON, without which I would have been struggling with the petty things. I beg for your mercy to be a part of your mission and be engaged in the devotional service of the Lord eternally.

I found a paragraph in your book, where you have told what real renunciation is and what is the solution of life & death.

"While discharging devotional service in full Krishna consciousness, one should not be miserly. He should not unnecessarily show that he has renounced this world. Actually, renunciation is not possible. If one renounces his palatial building and goes to a forest, there is actually no renunciation, for the palatial building is the property of the Supreme Personality of Godhead and the forest is also the property of the Supreme Personality of Godhead. If he changes from one property to another, that does not mean that he renounces; he was never the proprietor of either the palace or the forest. Renunciation necessitates renouncing the false understanding that one can lord it over material nature. When one renounces this false attitude and renounces the puffed-up position that he is also God, that is real renunciation. Otherwise, there is no meaning of renunciation. Rupa Gosvami advises that if one renounces anything which could be applied in the service of the Lord and does not use it for that purpose, that is called phalgu-vairagya, insufficient or false renunciation.

Everything belongs to the Supreme Personality of Godhead; therefore everything can be engaged in the service of the Lord; nothing should be used for one's sense gratification. That is real renunciation. Nor should one unnecessarily increase the necessities of the body. We should be satisfied with whatever is offered and supplied by Krishna without much personal endeavor. We should spend our time executing devotional service in Krishna consciousness. That is the solution to the problem of life and death."

You have taught how we are all connected to the Supreme Lord Krishna. Sunlight is not independent of the Sun. Same way, we are also connected to the Supreme Lord Krishna.

I am not an intelligent person to understand the philosophy and apply in my life. Just due to your mercy and effort, today I am able to understand many things and lead a disciplined life with many other devotees. The only way, I can repay you for all the things you have done for me is, to be strongly attached to you, to your mission.

Please forgive me for all my mistakes/offenses and give me more strength to advance spiritually, so that I can be engaged in your service always.

Let me be a simple and humble servant of yours.

Your servant,

Radha Mohana Dasa.

An offering to My Beloved Eternal Spiritual Master "His Divine Grace A C Bhaktivedanta Swami Srila Prabhupada"

*om ajñāna-timirāndhasya jñānāñjana-śalākayā,
cakṣur unmilitam yena tasmai śrī-gurave namaḥ*

Dear Srila Prabhupada,

Please accept my humble obeisance on this most special day of your appearance.

Srila Pabhupada, my dear most spiritual master cum father savior of the whole world including me. Thank you Srila Prabhupada, you made me eligible to write homage and glorify Your Divine Grace it is only your causeless mercy towards this fallen soul.

Srila Prabhupada, you have distributed your Krishna to everyone in the form of Holy name, Prasadam, Deity, Scriptures, Devotee etc., you are the only Nama Prachar Acharya. So many souls has been getting benefitted through your movement for which you have struggled a lot, because of this holy name so many people has been getting attracted to this movement.

In this age of darkness which is Kali, there was no hope but you showed the path and direction to whole world towards Krishna, sometimes I think that if you wouldn't be there, then what would have been this world, Krishna has sent you in the right time. Because of you millions of people have got benefitted, what could be the positions of westerners, Indians. Without you this world could be today in full of darkness. Also you have given to this whole world the Lord of Universe Jagannath, and His special yatra which is Ratha Yatra, from my child hood onwards I was thinking how come this whole world is celebrating the Jagannath Ratha Yatra, which was only known by the devotees of Odisha, but after I came to know, when I came in touch with Krishna Consciousness, its only because of you.

Srila Prabhupada, I don't know where to start your glorification from, and with what words I will start. But it is most important and the biggest duty of mine to glorify you, here is some of my experiences about what transformations you have made in me from when I started this spiritual journey, how each and every moment you guided me and also it is you who have given the right vision to my parents including me to start this spiritual journey and please keep guiding me in same way in every moment, life after life please keep me under your lotus feet never abandon me. Like parents fulfill the need of

the child, you are fulfilling everything of mine without demanding and asking, but by understanding my problem, my conditional mind, my situation and my heart.

Srila Prabhupada, so many times my mind has cheated me, Maya has beaten me and I am falling every moment by the trap of Maya, but it is you who has been guiding me some times through my heart, though your books, through your authority system, through yours and your dearest devotees' classes and it is you only who is holding my hand guiding in right path to continue spiritual life towards Radha Krishna chandra and making me to come out of Maya. So please keep continue showering your blessings and guiding me in right path by saving my life from trap of Maya life after life.

Srila Prabhupada, when last time I visited my parents home, everyone were happy including all relatives all were praising about my spiritual life, it is all your glories Srila Prabhupada, it is you only who has changed these souls heart.

Srila Prabhupada, I have special request to you that, I am struggling for attentive chanting and hearing of the holy name of Krishna. Please shower your blessings that I should have more and more attachment towards your holy name and attentively chant and hear the Hare Krishna Maha Mantra and also bless me that every day at least I should read your books minimum 2 hours apart from my services.

Srila Prabhupada, by your mercy this year I got the brahmana Initiation, for which I am not eligible I know clearly, but it your only causeless mercy. Thank you Srila Prabhupada that you have given me the opportunity to worship the Deity, to do arati, to do offering to Deities, Srila Prabhupada when I am chanting Gayatri my mind is specially disturbing me more and more, so please do something that I can attentively with peace of mind chant Gayatri also.

Thank You Srila Prabhupada, that you have engaged me in your preaching movement which is, Fund Raising Service, so shower your mercy, have glance on me and please give me strength, intelligence and ability that I can reach out more and more people to preach and spread the message of Krishna Conscious and raise fund more and more, for which let me not have any credit for myself. I am and will be continuing to offer everything unto your lotus feet, where this insignificant soul can help in the insignificant way, the glorification of yours and your true and glorious movement for which you have struggled a lot.

Dear Srila Prabhupada, please forgive all my offenses unto your lotus feet, which I have done knowingly or unknowingly, Srila Prabhupada please make me more and more humbler than the straw in the street and more and more tolerant than a tree, devoid of all sense of false prestige, and I should be ready to offer all respect to others. In such a state of mind only I can chant the holy name of the Lord constantly.

Oh Dear Srila Prabhupada, I myself have no desire to accumulate wealth, nor do I desire beautiful women, nor do I want any number of followers. I only want only causeless devotional service unto your lotus feet, birth after birth.

Dear Srila Prabhupada, Thank you so much that you have given me the shelter under your lotus feet, under the lotus feet of the Radha Krishna chandra, and under the guidance of your authority system, please continue guiding me keeping me under the shelter of your lotus feet and lotus feet of Radha Krishna chandra, so that I can get the blessings of Vaishnava's more and more and become more and more brighter in spiritually.

Thank You Srila Prabhupada, for giving me opportunity to offer my homage to you and glorify your divine grace.

Your eternal and trying to be humbler Servant,

Radhapati Dasa.

Raja Rama Dasa

Dear Śrīla Prabhupāda,

Please accept my humble obeisances at the dust of your lotus feet on this most auspicious day of Your divine appearance. Dear Śrīla Prabhupāda, on this most auspicious day I am here with a minute offering just to worship You and remembering Your lotus feet.

Śrīla Prabhupāda, You are the embodiment of pure devotional service without any tinge of material desires. You are jagad-guru, the perfect mahā-bhāgavata devotee. By obtaining your association, all the conditioned souls of the universe can at once become free from the clutches of illusion.

Śrīla Prabhupāda, Your gift to the human society is the translations and Bhakti Vedanta purports. You've worked so hard, waking at 1:00am in the morning to carefully compose them. These books will remain the law books for humanity for ten thousand years. O dearest disciple of Śrīla Bhaktisiddhānta Sarvasvati Ṭhākura, even now people are becoming devotees just by reading your books.

Śrīla Prabhupāda, Your purports are nectarine. One does not have to study Vedic literatures. Simply by reading couple of purports one can be situated on the same level of one who studied all Vedic literatures and their branches. These purports quenches the thirst of soul and quickly helping everyone to come to the platform of perfect knowledge.

Śrīla Prabhupāda, recently while reading a verse from Srimad Bhagavatam, I could not stop appreciating the purport though I am not in a position to appreciate You Srila Prabhupada. Dakṣa used the words addressing Lord Siva that He is *yaśo-ghna*, which means “one who spoils name and fame” and *nirapatrapa*, which means shameless or one who is stunted. You explained in the purport that, *yaśo-ghna* means that Lord Siva was so famous that his fame killed all other fame. *Nirapatrapa* means that one who is the maintainer of persons who have no other shelter. Srila Prabhupada, who else can give this explanations in the three planets? Only a pure devotee of Lord who knows the position of Lord Siva can understand what Srimad Bhagavatam is instructing us. Srila Prabhupada, You are pure devotee of the Supreme Lord Sri Krishna hence Your purports are nectarine than nector.

O Divine son of Gour Mohan De, I am so fortunate to get in touch with Your moment. Without your association I would wander in this material world eternally life after life. Thank you for very thing Srila Prabhupada.

Dear Śrīla Prabhupāda, Personally, I have no hope for relishing the nectar in chanting the Hare Krishna Maha Mantra, due to the contamination and dust accumulated in millions of births. But I am confident that by following your instructions one day I will be relishing the nectar in chanting. Oh my Guru Deva, let me with all my earnestness pray at your lotus feet to allow me suffer a lot for which I am destined due to my past misdoings and released from such misdoings so that I will get chance to relish the taste of the holy names of the Lord.

Your insignificant servant,

Dear Srila Prabhupada,

Please accept my prostrated obeisances at your lotus feet, All Glories unto you.

Prabhupada I see your causeless mercy is coming upon me through the senior disciples of Iskcon Bangalore because they are very inspirational in everything that they do for example the way they chant, the way they dress, the way they speak, the amount of service they do etc. And if one follows them he is sure to get greatly benefited.

I thank you once again for letting me join the Bramhachari ashram because I get to live in the association of your senior disciples. It is said that even a moment's of association of a Sadhu can change your life.

I have experienced this many a times in ashram till now because whenever I was disturbed and was facing challenges with life in ashram. Somehow or the other I got association of senior disciples who enlightened me with their vast experience in ashram life.

I must say that I have been completely mesmerized by these associations and my thinking has completely changed altogether and so has my consciousness.

In one association a senior devotee shared that life in ashram should be focused on Krishna consciousness and nothing else. He mentioned that we should never be after name, fame etc. Instead we should just focus on our own purification, know Vaishnava bhajans by heart learn slokas etc. This was by far the best association I have attended and it was very enlightening because I understood the real purpose of ashram life i.e. to become Krishna Conscious.

Getting an opportunity to live with such exalted disciples of yours is A very great fortune to me. In my journey of Krishna consciousness so far I cannot ask for anything more.

Thank you ever so much Prabhupada. Hare Krishna.

Your most fallen servant,

Rama Govinda Dasa.

Rama Raghava Dasa

Dear Srila Prabhupada

Kindly accept my humble obeisance.

All glories unto You Divine Grace.

Srila Prabhupada, thank you so much for another wonderful year in Krishna consciousness, which was full of reciprocations and revelations.

One can easily make progress in Krishna consciousness simply by following the instructions coming through the authority system that is set up by your divine grace. The more we submit ourselves to the system, the more the life is easy going towards progress in Krishna consciousness. But, because of our attachments there are, many a times disagreements and and

fail to accept the instructions and land up in troubles. This fact I could realize in my recent past by your mercy. Kindly help me come out of this.

Another important reason for which I would like to deeply thank you is that, by your mercy, finally, this year, after a long waiting, my mother was convinced to agree for my brother's joining temple as a full time devotee. All the things were mystically arranged and by your mercy it was an easy endeavour.

Srila Prabhupada, thank you so much for putting me into the association of advanced devotees here in the ashram, who are very merciful to correct me, help me maintain proper consciousness and also make progress. And I humbly beg you to bless me always with such opportunities.

Kindly bless me with strength to follow your instructions strictly, seriously and sincerely and never leave your shelter.

Your aspiring disciple,

Rama Raghava Dasa.

Rama Sevaka Dasa

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet

All Glories to Your Divine Grace!

This year I realized the importance of your books in a practical way. I can see how my consciousness changes with and without reading your books. There is something very Divine in your books which makes every reader to think about what is Krishna. Your Divine Grace has told at many places that the words in your books are coming directly from Krishna lips. I am very fortunate to come in touch with your books. When I do Chanting without reading your books, the chanting become very mechanical. Even though I finish my 16 rounds, I feel it is done mechanically. But when I read and chant, I can see that there is a lot of difference when compared to chanting without reading.

Infact your books help in controlling the senses by directing the intelligence in the right way. As Lord Krishna says in Bhagawad-gita(3.42)

*indriyani parany ahur, indriyebhyah param manah
manasas tu para buddhir, yo buddheh paratas tu sah*

“The working senses are superior to dull matter; mind is higher than the senses; intelligence is still higher than the mind; and he [the soul] is even higher than the intelligence.”

Intelligence can be directed in right way only by reading your books on regular basis. I feel to do more service to my authorities with proper understanding from your books. In the book “Teachings of Lord Chaitanya”, you highlighted the importance of practical devotional service to Krishna in every chapter. In fact, this book speaks importance of devotional service only. You gave answers to all mayavadis arguments by giving right kind of examples. Due to this book my eagerness and enthusiasm has doubled to serve Vaishnavas more. Please bless me so that I get empowerment through your books and become very strong and conversant with Vaishnava philosophy.

Prabhupada, you involve personally while giving initiation to the devotees, and the initiated names are given according to one's desire (If they have any). I was having a desire that the name “Rama” should be there in my initiated name and your Divine Grace have given me the name “Rama Sevaka Dasa”. Recently in our temple I met a devotee from Tamil Nadu. His name is “Bala Govinda Dasa” He was telling me that he likes Tirupati Balaji very much, so he got the name as “Bala Govinda Dasa” when he took initiation from Your Divine Grace. Then I went little further and asked about his parents whether they follow Krishna consciousness at home. He told that his parents are initiated and when I asked the names, he told his father name is “Ramanuja Dasa”, I was stuck with wonder and asked him where he is from our sampradaya? Then I asked him

“How come Sri sampradaya name is given to your father?” He told me that his initiation happened in ISKCON Bangalore itself and name also was given in our temple itself. Then that devotee told me that his father was following Sri sampradaya earlier and he saw the Teachings of Srila Prabhupada and Ramanujacharya were similar. So, he decided to take initiation from Your Divine Grace at ISKCON Bangalore. This again shows how your Divine Grace is personally involved in initiating your disciples.

Srila Prabhupada, I can practically see how fortunate I am to get in touch with pure devotee like you. Many of my colleagues in my office don't even come to temple to have darshan of Krishna after inviting many times, they always have some or other reason not to come. It is not that easy to receive mercy from you. I am very blessed and thankful for picking up this most fallen soul as one of your innumerable devotees. I know very well that I am not at all qualified to be your disciple. But still you kept me under the shelter of Krishna and his devotees.

Srila Prabhupada, please bless me that I become more sincere in serving my authorities without reservations and false ego. Kindly please keep me always under the shelter of your lotus feet and engage me in the service of Sri Chaitanya Mahaprabhu's mission. Please don't let me go away from this wonderful organization of yours (“ISKCON Bangalore and group of temples”) for whatever reason.

Your humble servant & most fallen soul,

Rama Sevaka Dasa.

Ramachandra Dasa

Dear Srila Prabhupada,

Please accept my obeisance in the dust of your divine lotus feet. Only when I sit down to write the Vyasapuja offering do I remember your reciprocations through the past one year. Actually you are reciprocating every moment with me but due to my limited understanding, perceiving your hand in everything becomes difficult.

First of all I would like to thank you for giving me the opportunity to live a life of another memorable, ecstatic, self realising year in your organisation which is run by Vaishnava authorities appointed by you. Above all these, I have been given a new responsibility to involve in construction of a new temple, serving merciful Krishna prasadam and to take your teachings to a new place. I don't know whether I am capable of doing a change in London or not. But simply I have accepted the order of my authorities.

Srila Prabhupada, as a loving father and a spiritual master, you know what is the best place and situation for your ward. As much we are thinking of our sense gratification, more than that you are thinking of our spiritual wellbeing. I am thankful to you that you have kept me under the guidance of such authorities who have truly assimilated your mission and spirit. And by interacting with them slowly I am also getting to understand your vision and mercy in a better manner. Kindly bless me Srila Prabhupada that my faith in you and your organization never dwindles. Srila Prabhupada, I pray before you that I become more sincere in following your instructions and become stronger in the spiritual life. Also that I am able to offer more and more flowers at your lotus feet in the form of involving in construction of building more temples. Always seeking your mercy.

Your insignificant and most fallen servant,

Ramachandra Dasa.

Ramyapriya Devi Dasi

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories unto Your lotus feet.

Srila Prabhupada, You have taught us that in Kali-yuga, the current age of quarrel and hypocrisy, the only means to attain or revive our pure love of Godhead is through the chanting of Krishna's holy names: Hare Krishna, Hare Krishna, Krishna Krishna, Hare Hare/ Hare Rama, Hare Rama, Rama Rama, Hare Hare. There is no other alternative to this. As a practitioner and your follower, it is my duty to remember to hear the holy names as I chant. Hence please help me to remember to hear the holynames while chanting and to realize that I am connecting directly with Lord Krishna when His holynames are chanted. This attentive hearing is the reason one gets the ability to disentangle oneself from the material tabernacle.

yasya prasada bhagavat-prasado yasyaprasadan na gatih kuto pi

"By the mercy of the spiritual master one receives the benediction of Krishna. Without the grace of the spiritual master, one cannot make any advancement."

You are so compassionate & concerned towards all the fallen jivas, that you are distributing your causeless mercy without any discrimination just as the rain pours equally over the sand and the rock. So, one's progress in Krishna consciousness depends on the ability in one's receptacles to grab this mercy which is always available to the sincere practitioner. I really cannot express the deepest gratitude I feel for being a recipient of your causeless mercy. It is truly causeless because there is a total disproportion between the unlimited mercy, I am receiving from you everyday and the amount of endeavour I am putting to make progress in Krishna consciousness.

So, on this most auspicious day of your appearance I beg that you please accept this offering as a humble attempt to reciprocate with your causeless mercy and bless me so that I may forever remain in the service of Your devotees and never forget Krishna. Please also forgive me for all the offenses I may have committed at Your lotus feet knowingly or unknowingly.

Your humble servant,

Ramyapriya Devi Dasi.

Rasa Vihari Dasa

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet.

When I flashback and remember me coming to Krishna Consciousness Movement, I feel just miraculous. I could never have come to the stage what I am in now without your causeless mercy. I express my hearty gratitude to you my master for having given me the opportunity to stay in Brahmachari Ashram. I pray to His Divine Grace to bless me for staying in association of devotees in brahmachari ashram till my last breath. Each and every moment in my life feels to be tainted with your love and care dear Srila Prabhupada.

I remember a verse from Srimad Bhagavatam when I ponder on your causeless mercy upon me. "We think that we have met your Goodness by the will of providence, just so that we may accept you as captain of the ship for those who desire to cross the difficult ocean of Kali, which deteriorates all the good qualities of a human being." (SB 1.1.22)

Dear Spiritual Master, you are ocean of good qualities. I would like to take one among them "Respectful". You were respectful to each and every living beings because you saw them as parts and parcels of the Supreme Lord Krishna.

I pray to your lotus feet His Divine Grace, to bless me to have due respect for all the Vaisnavas and parts and parcels of Krishna. Today I complete 3 years 4 months 19 days in ashram. Let me not criticize any Vaisnava here and be fully engaged

in serving you, your Lord & your disciples. I pray to you to bless me with full enthusiasm for rendering devotional service and attend sadhana attentively.

May this tiny soul be at your lotus feet life after life.

Servant of your servant,

Rasa Vihari Dasa.

Raseshvara Dasa

Dear Srila Prabhupada

I offer my respectful obeisances at your Divine lotus feet, All glories to Your Divine Grace!

On this auspicious occasion of your divine appearance in this material world, I would like to express my gratitude for all that Your Divine Grace has done for me and continuously doing for me. I cannot possibly imagine where my life would have gone without your association. Your Divine Grace, Srila Prabhupada, have given me a reason to exist.

When I think of how fortunate I was to have your divine association and to have the opportunity to serve your Divine Grace, I really feel blessed—not just by comparing my life, to the lives of less fortunate souls who never came in contact with Your Divine Grace or with Your Divine instructions, but mainly because there is no doubt in my mind that anything I have of any value in this life has been given to me by Your Divine Grace. How can I thank someone who has given me the most valuable gift and who continues to increase the value of that gift without limit? With the passage of each year, I have greater respect for you, Srila Prabhupada. Not only did Your Divine Grace expertly present the most profound and sublime philosophy, but Your Divine Grace's real expertise was that Your Divine Grace was really able to personally live it at every moment and in every action. Your Divine Grace simultaneously created the ways and means via Your Divine Bhaktivedanta purports and Your Divine ISKCON organisation for even us to realize it, if we would but only follow you.

We cannot bring this message to the people in general and make them accept the science of bhakti unless we are ourselves properly acquainted with it and successfully practising it, and therefore free from the tendency to cheat others.

In Your Divine practical life Your Divine Grace showed how it is crucial to be free from duplicity and the tendency to cheat others and to be completely fixed in truthfulness. Therefore Srila Prabhupada Your Divine sublime character and behaviour are glorified by all.

Your Divine mission was completely successful because of Your Divine Grace's absolute dedication to the Supreme Personality of Godhead. Your Divine Grace taught us that our preaching of Krishna consciousness should be in the mood of complete surrender to the Supreme Personality of Godhead. Since the Lord knows and controls everything, the result of our endeavours depends on His good will.

I humbly pray to Your Divine Grace to shower your mercy on me by which I can be always fixed at your lotus feet and never deviate from your instructions.

Today's material world is full of problems, which mostly demonstrate that just to follow the basic program that Your Divine Grace has given us is a great achievement. Previously I would think to myself that it is very simple, but now, after seeing so many who have not been able to maintain, I pray for your constant guidance and protection. The sages at Naimisharanya prayed for the saving grace of the spiritual master as their only protection against Maya's onslaught in Kali-yuga. They were self-controlled, visionary, and fixed in spiritual culture from birth—yet they still prayed for the mercy of their spiritual master. Then what to speak of myself, wandering in the midst of Kali-yuga with you as my only inspiration, and relying on the help of your devotees who are fixed up in following you.

Although I know that the Super soul dwells in my heart and gives me direction when my own limited powers of perception fail, I can directly feel and perceive your protection. Your divine spiritual powers are all around, gradually pulling me to the real path of devotional service. Despite my constant resistance, you have not allowed me to stray away.

Many perceive that these are difficult times. Certainly from an external point of view they are. But as we try to follow Your Divine instructions, our vision is transformed, and we see a world of opportunity. I beg Your Divine Grace to help me take advantage of these wonderful opportunities that Krishna is offering, and one day I hope, that I may be allowed to become your trustworthy servitor. Please forgive me for any errors or offenses I have made.

Your servant,

Raseshvara Dasa.

Ravi Rama Dasa

Dear guru raja srila Prabhupada

I offer my respectful obeisance at your divine lotus feet. Srila Prabhupada On this auspicious day of your 123rd Vyasa puja. Please accept this insignificant offering at Thy feet.

Srila Prabhupada you're the only hope for this burning material civilization. As Chanakya Pandit says *ekaś candras tamo hanti na ca tārāḥ sahasraśaḥ*. If there is one moon in the sky, it is sufficient to give light to the whole sky. What is the use of millions of stars? You're that moon Srila Prabhupada.

Srila Prabhupāda you invested your valuable prana in writing your books by just sleeping for 2-3hrs day although suffering from different ailments. You wanted that these books be available to all the devotees. This fool is struggling to even read one hour of your books. It is very sad. It is said guru speaks through his devotees. I was visiting our library to borrow some books to read about your glories and your pastimes. One of my god brother suggested me to read one of your biographies transcendental diaries. I thought let me give it a try, thick book, low self-confidence. Still I wanted to try my best. I started reading the book I could see practically every day how you struggled hard to preach this matchless gift of Krishna consciousness. It inspired me to read more and more. Now I have picked up to read at least 60 min of his divine graces books. I am battling both physically and mentally with many miseries. It is his divine grace's magical audience that removes the sins of this fallen servant and shows him the brighter path towards Krishna.

No of years are passing in your movement. This fool servant of yours is as stagnant as dirty pond. It is my great fortune I have got an able captain like you to take me back to home from this material ocean bhava sagara, which is filled with twist and turns at every step. My dirty mind creeps in with many doubts and challenges. Your divine grace instructions of managalarti quotes shatter my doubts like a thunderbolt strike. Srila Prabhupada you showed us everything by your personal example. You're preaching strategy means that consideration of personal comfort and convenience is secondary. By your causeless mercy I have got an opportunity to serve their Lordships as pujari, I don't deserve still you have blessed me with this wonderful opportunity of worshipping the Supreme Personality of Godhead Sri Radha Krishna Chandra. Srila Prabhupada your magical voice can drive away ones ignorance. Just like sun rays can evaporate even the contaminated place. This year I want to glorify your quality of "compassion". There was a devotee who personally cooked for you. For some reasons he fell into Maya. Started eating meat and went to his old habits. The devotees maintained distance with him and were scared to preach him. Once your divine grace visited the temple. Somehow that devotee because of your past association was eager to see you standing in a crowd. All the devotees told you about the cook devotee's negative aspects but you casted your merciful compassion. You went up to the cook devotee put your lotus hands on his head and asked him will you cook for me? Just by placing your divine hand on his head he was purified and he said yes Prabhupada I will cook for you. He came out from his old habits and is still serving Srila Prabhupada's mission. One more important thing which I came across when reading your biography. "H.D.G. Is Here to Hound Us." It reported accurately your comments from arrival interview at the airport: "His Divine Grace A.C. Bhaktivedanta Swami Prabhupāda, the founder of the Hare Krishna movement, is here to save us from a dog's life. Please give me strength to follow your rules and regulations and practice KC nicely. This pleases you the most Srila Prabhupada.

Aspiring to be your quality devotee not quantity, Ravi Rama Dasa.

Revati Nandana Dasa

I offer my respectful obeisances unto His Divine Grace A.C. Bhaktivedanta Swami Srila Prabhupada, who is very dear to Lord Krishna, having taken shelter at His lotus feet.

My respectful obeisances unto you, O spiritual master, servant of Bhaktisiddhanta Sarasvati Goswami. You are kindly preaching the message of Lord Caitanya and delivering the Western countries, which are filled with impersonalism and voidism.

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet

All glories to Your Divine Grace!

I am so fallen, I did not know the purpose of life before coming in touch with Your Divine Grace. It is by your causeless mercy, due to which I came to know who am I. Only by causeless mercy of a pure devotee one can get to know the purpose of life. I got initiated by your Divine Grace. It is by your mercy I am following regulative principles. I realized how powerful Maya is, when I saw devotees leaving Krishna Consciousness.

“brahmanda brahmite kona bhagyavan jiva guru krishna prasade paya bhakti lata bije” your Divine Grace has accepted me as your disciple even though I do not have qualification. I had misconception that your Divine Grace is not with me personally, later I realized your personal touch with your disciple, I personally experienced this on last Vyasapuja day. It was impossible task for me to offer 127 items for your pleasure just in 12hr of time without having any planning, I was completely praying to your Divine Grace from night after Janmastami celebrations, I did not sleep, I do not have any idea, simply sat in front of your deity and prayed. It is your grace that made everything possible.

I still remember your heart-felt compassion to all living entities, In a conversation your Divine Grace was explaining chant loudly so that plants, trees, creature everything will get benefit. In this age of Kali your Divine Grace saved all by establishing embassies of Vaikuntha, here on this earth in the name of ISKCON.

A disciple's only life and soul is to follow instruction of his spiritual master and to please him, I want to serve your mission by giving my life to your Divine Grace. My desire is that your teachings should be propagated to everyone in this universe, make them Krishna conscious.

“mukam karoti vachalam pangum langayate girim yat kripa tam aham vande sri gurum dina taranam” even a lame person can cross mountains and dumb person can become greatest orator by mercy of Guru, with your mercy everything is possible. Oh my master show your merciful glance upon me, with your blessing I want to preach the sublime message of Krishna Consciousness. My only wish is to propagate teachings of your Divine Grace. I have no other desire: life after life please engage me in your service wherever and whatever condition I would be in.

Seeking shelter at your lotus feet,

Your most fallen servant, Revati Nandana Dasa.

走进奉爱瑜伽

我的名字叫萨切戴微，在三年前接受了启迪，对我的成长无不感触至深，首先感恩奉献者，是他们让我认识圣帕布帕及他的教导，让我从这些教导中认识了圣主奎师那。2015年初夏的一天，我无意发现晖晖(后来知道她是奉献者，叫Yamini)拿着一绣有英文字母(我误以为是藏传佛教的经文)黄色袋子在念诵，我就问她:你是在念藏经吗?她说:不是

的。反过来她问我:你知道奎师那吗?我说:不知道。又问:你知道不《博伽梵歌》吗?我说:不知道。她说:习近平主席访问印度时,莫迪总理把印度的国宝《博伽梵歌》赠送给习近平主席一本,现在咱们中科院也出版了,你可以请一本了解一下。就这样我让女儿在北京为我请了一本由圣帕布帕编纂要旨的《博伽梵歌原义》。从此便走进了奉爱瑜伽。

收到《博伽梵歌》很欣喜,但打开书我却迷茫了,一是我什么都看不懂,二是我根本就看不进去。就这样我反反复复的拿起书看不懂放下,不甘心又拿起书。这期间Yamini曾多次邀请我参她们的联谊,我都谢绝了,因我不喜欢好多人聚在一起吵吵嚷嚷的场面。

不久,为了让我更快的看懂经典明白奉爱的科学,奉献者Yamini又送给我一本专门介绍圣帕布《永恒的祝福》的,看了之后我深深地被书里的主人翁吸引了:圣恩-A.C.巴克提维丹塔.斯瓦米帕.布帕德为了实现他的灵性导师-圣恩.巴克提希丹塔.萨拉斯瓦提.塔庫曾经的嘱托:把印度的韦达教诲传到说英语的国度。他,一个六十九岁的老人,怀揣仅四十卢比,一箱子书几件衣服和一个非常古老的手提打字机,乘坐免费的货轮只身到了美国。

他落脚在流浪汉、嬉皮士出没的贫民区,进行教唱诵、念诵、演讲、接待来访……。每天休息不足二小时。一天二十四小时有时候近二十小时在翻译经典和撰著书籍。从一九六五年九月他离开印度,到一九七七年十一月十四日隐,他老人家翻译撰著了八十多部书。在世界范围建立了一百零八座庙宇。

我的灵魂深处被激励和触动了,冥冥之中有了想走近他老人家的感觉。这年主尼星哈显现日我接受了奉献者邀请,来到了与奉献者联谊的现场,见到这里的人和场面,有一种久违了的亲切感。也就这一天我拿上了念珠和黄色念珠袋。一段时间后我欣喜地发现。我能读下去《博伽梵歌》了,而且书里的内容许多也能懂了,当时真的是太高兴,这种喜悦的心情真是无法用语言来形容。

同年的十一月下旬,我在资深的奉献者们的带领下,来到了我向往的伟大国度-印度,来到了奉献者们都向往的圣地-温达文……。真正开始了我奉爱瑜伽灵修的旅程。

感恩-圣恩.A.C.巴克提维丹塔.斯瓦米.帕布帕德!

Dear Srila Prabhupada,

My name is Saci Devi, and I was initiated three years ago. Firstly I give thanks to the devotees who made me know Srila Prabhupada and his teachings, and to know Lord Krsna from them.

One day in the early summer of 2015, I came across HuiHui(it turned out she was a devotee-Yamini), holding a yellow bag. Reading the English letters on the bag, I had mistaken them for Tibetan Sutras, I asked her,"Are you chanting the Tibetan sutras?" She said, "No." Then she asked me, "Do you know Krishna?" I said, "I don't know." "Do you know the Bhagavad-gita?" I said, "I don't know." She said: "When President Xi Jinping visited India, Prime Minister Modi presented the Bhagavad-gita, a national treasure of India, to President Xi Jinping. Now that our Chinese Academy of Sciences has also published it, you can find it out. So I asked my daughter in Beijing to buy me a copy of Bhagavad-gita-as it is, compiled by Srila Prabhupada. From then on, I walked into Bhakti Yoga.

When I received the Bhagavad Gita, I was very happy, but I was confused when I opened the book. First, I could not understand anything, and second, I could not keep reading it. In this way, I repeatedly picked up the book and put it down

out of curiosity and unwilling to give it up. During that time, Yamini had invited me to join them but I refused, because I didn't like crowds getting together and making noises.

Soon after, in order to help me understand the book and the science of Bhakti Yoga, Yamini gave me another book - "The Forever Well-Wisher ." I was deeply attracted by the main character Srila A.C. Bhaktivedanta Svami Prabhupada! To fulfilling the instruction of his spiritual master Bhaktisidanta Sarasvati Takur, i.e., spreading the teachings of Caitanya Mahaprabhu to English speaking countries, he, a sixty-nine-year-old man, with only forty rupees in his pocket, a box of books, a few clothes, and a very old portable typewriter, had arrived in the United States on a free freighter.

He settled down in the ghettos of tramps and hippies, chanting, reciting, giving speeches, receiving visitors... He had less than two hours of rest per day, that is nearly 20 hours a day, translating and compiling books. From September 1965, when he left India, till his disappearance on November 14, 1977, he was translating more than 80 books and built one hundred and eight temples around the world.

My soul was inspired and touched, and I felt that I wanted to approach him. That year of Lord Narsimha Day I accepted the devotee's invitation and met people. I felt a kind of long-lost cordiality. That's the day I got the chanting beads and the yellow bead bag.

After a while, I was overjoyed to find that I could read the Bhagavad-gita, and I could understand it much more than before. The joy I experienced at the time was beyond the description of words.

Late in November of the same year, under the guidance of senior devotees, I came to the great country I longed for - India, to the holy land to which all devotees aspire - Vrindavan ... It really began my spiritual journey of bhakti yoga.

All my gratitude to His Holy Grace A.C. Bhaktivedanta Swami Prabhupada!

Your eternal servant, Sachi Devi Dasi.

Sachi Tanaya Dasa

O My Dear All Merciful Spiritual Master Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet. All glories on to you.

Once you said in the lecture that chanting Hare Krishna mantra purifies the heart. Why? Because it is told by Sri Chaitanya Mahaprabhu. So it will. When we are purified and with the pure chanting we can influence even animals to dance. You mentioned the pastime of Sri Chaitanya Mahaprabhu in Jharikand forest. When Sri Chaitanya Mahaprabhu was chanting and travelling through the forest, all the animals like tigers, deers, etc. without caring their original natures came to the Lord and started dancing. You said that Lord can do that but we cannot imitate.

In October of 1971, devotees had organized a pandal program in Calcutta. During that time there was bombing and shooting going on between naxalites, communists and other people. During the pandal program they sent a threatening note saying "Quit or die. Quit India or die." Nevertheless you had the pandal program going. Meanwhile naxals had entered the pandal arena and started creating lot of commotion. Chairs were being thrown and a fight was about to ensue. At that moment in deep meditation you started singing Govindam adi purusham verses from Sri Brahma Samhita. As soon as the naxals heard the song sung by you, they silently unfolded the chairs and quietly left. It was amazing to hear that how you have quieted those animal like men with your pure chanting. This is just a drop in the ocean of miraculous pastimes that you have exhibited.

On this auspicious occasion I wish that, may my attraction to your lotus feet, service to your mission and service to your servant of servant of servants grow more and more in my heart. You said that without becoming pure one cannot follow any rules and regulations. I do not know anything about the holy name. Only by your mercy and grace I am able to utter the holy name of Krishna. Please bless me with the attraction to chant the holy name.

Your aspiring servant of servant of servant, Sachi Tanaya Dasa.

Sachinandana Dasa

Our beloved Srila Prabhupada!

Please accept my humble obeisances unto your lotus feet!

It gives me immense pleasure to recollect some of the causeless mercy you have bestowed on me. Through books, lectures, disciples, you have stressed the fundamentals of Krishna Consciousness. – PURITY.

Lord Krishna is supremely pure and only His pure and unalloyed devotees are eligible to serve Him. But you have picked us up from the most filthy and abominable condition of material life by distributing holy name irrespective of contaminations. Foolishly we aspire for material achievements, not knowing the fact that the biggest achievement is purifying our material existence.

One cannot achieve devotional service without being freed from jnana and karma (Anyābhilāṣitā-sūnyam jñāna-karmādy-anāvṛtam). Unfortunately we have thrown dust of sense enjoyment on us so much so that it takes millions of years to remove it. But just by your momentary association, we become cleansed of all dust of material life. This you have personally exhibited by delivering the western godless atheists to first class Vaishnava's.

We may plan many things but unless we follow the path chalked out by previous acharyas and yourself, we can never achieve the ultimate goal which is Love of Godhead. Just by process of Sadhana and service as give by you, we will become purified in consciousness and able to act as instruments in your hands to purify others, otherwise there is no other way, no other way, and no other way (janma sārthaka kari' kara para-upakāra).

By giving most valuable asset of association of devotees, you have given opportunities for removing unwanted anarthas and practicing Krishna Consciousness in action.

On your auspicious appearance day, I beg you Srila Prabhupada to bestow your causeless mercy if you so desire, to come out of worldly mindedness and endeavor to purify my consciousness so that I shall be an insignificant instrument in your servants service. Please protect me from material contamination and help me serve sincerely and seriously without material motives. I promise you that I will accept all conditions which are favorable and unfavorable as your mercy to purify me and continue to engage in Sadhana and service.

Servant of your servant,

Sachinandana Dasa.

मेरे परम प्रिय श्रीला प्रभुपाद!

आपके चरण कमलों में मेरा सादर प्रणाम। एक आज्ञाकारी शिष्य का यह कर्तव्य होता है कि वह हर समय अपने गुरु के गुणों का गुणगान करें और उनके आदेशों को अपने जीवन का लक्ष्य बना ले, लेकिन मुझमें ऐसी उत्तम शिष्य के गुण नहीं हैं। मैं इतना तो जानता हूँ कि आपकी मुझ पर अकारण कृपा है, जिससे मैं भौतिकता के इस विशालकाय दलदल से बाहर आकर आपके चरण कमलों का आशीष पा सका। हे प्रभुपाद, मुझ पर आपने जो कृपा की है एवं मुझे पूर्ण पुरुषोत्तम भगवान कृष्ण के करीब लाने का जो प्रयास किया है, इसके लिए आपको कोटि-कोटि प्रणाम। मैं आपके हर आदेश का बहुत ही गंभीरता के साथ पालन करना चाहता हूँ, लेकिन कभी-कभी मैं इसमें खुद को कमजोर महसूस करता हूँ। आपसे यही विनती है कि मुझे अपने आशीर्वाद से गदगद कीजिए जिससे मैं अपने मन वचन तथा कर्म से आपके आदेशों का दृढ़ता के साथ पालन कर सकूँ तथा उसे अपने जीवन का परम उद्देश्य बना सकूँ।

om ajñāna-timirāndhasya jñānānjana-salākayā, cakṣur unmīlitam yena tasmai śrī-gurave namaḥ

My dear Śrīla Prabhupāda, Please accept my humble obeisances at your lotus feet. We have gathered at your lotus feet to glorify you on your auspicious appearance day. On this divine occasion, I remember a verse from Śrīmad-Bhagavatam that describes Kṛṣṇa's mercy, as bestowed in particular upon the demoness Pūtanā.

aho bakī yaṁ stana-kāla-kūṭam, jighāmsayāpāyayad apy asādhvī

lebhe gatim dhātry-ucitām tato 'nyam, kaṁ vā dayālum śaraṇam vrajema

Alas, how shall I take shelter of one more merciful than He who granted the position of mother to a she-demon [Pūtanā] although she was unfaithful and she prepared deadly poison to be sucked from her breast? SB 3.2.23

The verse is appropriate because it glorifies Krishna's quality of indiscriminative mercifulness, which is so prominent in you, and it suggests to what extent you are willing to give mercy. Kṛṣṇa bestowed His supreme mercy upon a demoness who came to administer poison to Him and kill Him. In a similar mood, you are bestowing your mercy upon people like me who are lowly and fallen, and you are unreserved in bestowing it upon them.

Your purport for the verse concludes: Lord Kṛṣṇa accepted the motherhood of Pūtanā because she pretended to be an affectionate mother, allowing Kṛṣṇa to suck her breast. The Lord accepts the least qualification of the living entity and awards him the highest reward. That is the standard of His character. Therefore, who but the Lord can be the ultimate shelter?

My dear Srila Prabhupada as per Srila Vishwanatha Chakravarti, the spiritual master, is like a cloud who draws the mercy from the unlimited mercy ocean called Krishna.

Śrīla Prabhupāda, as an aspiring devotee, I still have qualities in common with Pūtanā, and so I too need extreme mercy from the Lord—and from Your Divine Grace.

The mercy of a pure devotee is inconceivable. I have absolute confidence in this fact. With full faith in this reality, I come before you today with the petition of an abject beggar: I am pleading for but one drop of your very special mercy. My conviction is that if I can receive but one drop of your very special mercy, then only will I be able to survive in my devotional life and purify my sinful existence.

On this glorious day, therefore, I pray to the holy names of Kṛṣṇa that whenever I say the word “Krishna,” I shall remember you with utmost gratitude, my dear Srila Prabhupāda. I pray to the wonderful mahā-mantra that I forever feel an obligation, gratitude, and love for you who has given me the same mercy that Krishna bestowed to demoness Putana. And I pray to you, my divine Master, that you bless me that I can perfect my chanting of Kṛṣṇa's names and thus begin to value the mercy that you have bestowed upon me.

Your servant, Sampati Dasa.

Sanaka Kumara Dasa

om ajñāna-timirāndhusya, jñānānjana-salākayā

cakṣur unmīlitam yena, tasmai śrī-gurave namaḥ

My dear Srila Prabhupada, thank you very much for the opportunity that you have given me to stay in the association of devotees and an opportunity to serve your mission.

One of the most important elements of Kṛṣṇa consciousness is the faith in words of guru, sadhu and sastras. But I find myself unqualified even in this aspect. I have wrong faith on the so-called science and the materialistic scientists who have misled people but I do not still have complete faith on the sastras. As you have said in this purport, “The Vedic knowledge

is received perfectly by disciplic succession from authorities. Such knowledge is never dogmatic, as ill-conceived by less intelligent persons. The mother is the authority to verify the identity of the father. She is the authority for such confidential knowledge. Therefore, authority is not dogmatic.” [Purport SB 1.9.18]

Therefore I pray to you,

tumi kṛpā kori', śraddhā-bindu diyā,

deho' kṛṣṇa-nāma-dhane

Please bless me by giving me just one drop of faith with which to obtain the great treasure of the holy name of Kṛṣṇa.

You have saved me from the hodgepodge theories of different atheists, the fruitive workers and the mental speculators. As the transcendental commander of Lord Sri Chaitanya Mahaprabhu's mission you fought valiantly against these theories, theories which can cause the spiritual suicide of a soul. You never compromised in giving the Absolute Truth. Let me always remember that this exalted position of becoming a devotee is by yours and Kṛṣṇa's mercy.

As the great devotee Prahlada maharaja prays to Lord Narsimhadeva (SB 7.9.28),

evam janam nipatitam prabhavāhi-kūpe,

kāmābhikāmam anu yaḥ prapatan prasaṅgāt

kṛtvātmasāt surarṣiṇā bhagavan gṛhītaḥ,

so 'ham katham nu viṣṭje tava bhṛtya-sevām

Because of my association with material desires, one after another, I was gradually falling into a blind well full of snakes, following the general populace. But You have kindly accepted me as your disciple and instructed me how to achieve this transcendental position. Therefore, my first duty is to serve you. How can I leave your service? Please bless me that I have no other desire than this.

Your unqualified servant,

Sanaka Kumara Dasa

Sanatana Dhama Dasa

All Glories to Srila Prabhupada,

Thank You very much Prabhupada for accepting me also as one of the disciple

I have no words to glorify your glorification with these material things like paper and pen. Your appearance made disappearance of inauspiciousness in the entire world. Everyone is indebted to someone, whereas I am fully indebted to you. Please use me also as a tool in Lord's service. Your eagerness in Lord's service made me also interested to purify myself. You are the only person who make a qualified person both internally and externally from a unqualified person like me. Even though you are pure devotee of the Lord Yourself and saying that you are trying to become a devotee to the interviewer, whereas nowadays people in general claim themselves God. For devotee nothing is material or spiritual. You engaged everyone and everything in Lord's service similarly, for me, you are neither present or absent. Please give me Your causeless mercy upon me, shows that I can remember your presence even now by your instructions. Your glories never end.

Your servant,

Sanatana Dharma Dasa.

Sanatana Govinda Dasa

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet.

Prabhupad, on this most auspicious appearance day anniversary of Your Divine Grace, I want to thank you for making me eligible to participate in service and Kirtans like I was doing before by your divine graces' mercy. Last year I got a severe back ache, which caused me to not take part in services and kirtans by dancing. So I consulted many doctors and I didn't get any positive result. I was really upset that I cannot dance in kirtans again like before. By your causeless mercy I got recovered from back pain and I am able to dance in kirtans and render services again, which is the only way for getting attached to Lord service.

Your causeless mercy is so great that if anyone wants go to Vaikuntha he is required to be fully purified whereas you created Vaikuntha (ISKCON) where no one requires any qualifications to render service to the Lord.

Recently I have come across details about our relationship with the Lord in cc Adi Lila 8.16 purport. There your divine grace mentioned "One must come to the understanding that the holy name of the Lord and the Supreme Personality of Godhead Himself are identical. One cannot reach this conclusion unless one is offense less in chanting the holy name. By our material calculation we see a difference between the name and the substance, but in the spiritual world the Absolute is always absolute: the name, form, qualities and pastimes of the Absolute are all as good as the Absolute Himself. Thus, one is understood to be an eternal servant of the Supreme Personality of Godhead if he considers himself an eternal servant of the holy name and in this spirit distributes the holy name to the world." After reading this purport, I implemented this in my daily dealings with others, especially to non KC people, I told whomever I met about holy name and by the mercy of Your Divine Grace, today my service is to make others to chant Hare Krishna mantra and engaging others in distributing Holy Name. Dear Prabhupada, thank you for revealing most confidential knowledge about how to build a relationship with the Holy Name.

Prabhupada, by the mercy of Your Divine Grace I made one correction in my attitude, which helped me to improve my quality of devotional service. I don't know how to render devotional service and now my duty is learning devotional service from authorities and seniors. This one correction in my attitude helped me to more receptive in hearing and taking suggestions from others. Dear Prabhupada, this learning I got from Srimad Bhagavatam classes. I just followed the Sadhana program which you recommended and I got the solution for elevating my consciousness.

Now I am currently rendering my services in youth preaching service. Recently I asked myself one question, what is preaching. After introspecting few hours, I felt preaching means elevating other person's consciousness that is increasing his attachment for Krsna. Nature or Prakriti is doing consciousness elevation program through birth and death life cycle and also passing through 84,00,000 species. Same thing a preacher has to do and it's really an impossible task. There are so many professional Bhagavatam reciters who give classes, but there is no improvement in their follower's consciousness. Dear Prabhupada after hearing your classes thousands of people developed attachment for Krishna's service and elevated their consciousness. Then I felt, I can able to do this preaching service only if I repeat your words as it is.

Dear Prabhupada, I beg your mercy to help me get purified from urges to get more followers, wealth and woman and give me attachment to devotional service.

Servant of Your Servant,

Sanatana Govinda Dasa.

Sankarshana Narayana Dasa

All Glories to His Divine grace Abhaya Charanaravinda Bhaktivedanta Swami Srila Prabhupada!

*om ajñāna-timirāndhasya, jñānāñjana-śalākayā
cakṣur unmīlitaṁ yena, tasmai śrī-gurave namaḥ*

My dearest Srila Prabhupada, I was born in the darkest of ignorance, and you have mercifully opened my eyes with torchlight of knowledge. I offer my respectful obeisance unto you, dear Srila Prabhupada.

Dear Srila Prabhupada, I thank you for giving me yet another opportunity to write Sri Vyasapuja homage offering.

Although I am not capable enough to glorify you befitting your true exalted position, I beg you to kindly accept my Vyasapuja homage offering.

Dear Srila Prabhupada, I consider this year (Aug 2018-Aug 2019) as one of the most auspicious years in my entire life. Because I could perceive your divine intervention in my life the most.

This year, you have dusted out the deep rooted ANARTHAS in me, which I was completely ignorant of, and have done a wholesale cleaning of my heart by engaging me in the service of Sri Sri Nitai-Gaurasundara at the place known as king of pilgrimage – PRAYAGARAJ during the auspicious Kumbha mela.

Dear Srila Prabhupada, just as Krishna is the supreme Yogeshwara – the supreme mystic, You are no less than Him in my personal life. As the mysterious acts of the supreme lord cannot be understood by our limited logic and reasoning, similar is your divine intervention in my life.

The proof for this is that the causeless mercy of yours, which has enabled me and my mother, getting shelter at the lotus feet of their lordships Sri Sri Radha-KrishnaChandra, Krishna-Balarama, Nitai-Gaauranga, Srinivasa Govinda and Prahlada-Narasimha at ISKCON Bangalore. This is the most uncommon mystery of my life.

Dear Srila Prabhupada, birth after birth, I have had Father and Mother but not your divine grace.

Fortunately, out of your causeless mercy, I have come to seek shelter at your lotus feet. Although I'm an ANARTHA personified, I humbly beg at your lotus feet to mercifully tolerate me and engage in serving your mission.

I'm cent percent sure, without a tinge of doubt, that simply by following your instructions sincerely and engaging myself in your service faithfully, I will be bestowed with pure love for Krishna.

Dear Shрила Prabhupada, Please forgive me for all of my shortcomings.

Trying to be your sincere disciple, Sankarshana Narayana Dasa.

Sankirtana Dasa

Hare Krishna please accept my humble respects to you. I am writing my Vyasa Puja offering.

To my beloved glorious spiritual master Srila Prabhupada, please accept my humble obeisance at your lotus feet.

*Mukam karoti vacalam, Pangum langhayate girim
Yat krpa tam sham Vance,Sri gurum dina taranam*

We think that we have met Your Goodness by the will of providence, just so that we may accept you as captain of the ship for those who desire to cross the difficult ocean of Kali, which deteriorates all the good qualities of a human being.

Srila Prabhupada , I recollect one of your pastimes that you did in Western world, as usual after your class, you asked for if anyone has any questions. So then one mathaji far behind in that class, she raised one question “Dear Srila Prabhupada, we don't know who is krsna or any of these Lilas nor the spiritual world but we know you, what happens if we remembered

you at the time of death “, so you said “you will get same benefits of remembering spiritual master”, this shows you descend from spiritual world. When Lord Krishna or His pure devotee like you descend same purposes are served, that is for the pleasure of Krsna, in His mission to receive condition souls to Krishna Loka.

In one of your purports of third canto you have written that just by saying spiritual names like vishnupada or Srila Prabhupada we condition souls get same benefits of remembering Krishna.

An acharya sets example in His life time.

When you were in Delhi even before you started this glorious movement ISKCON, Lord personally came and offered His own garland which was made of famous Kadambha flowers and ordered you to go to this material world and preach Krishna consciousness. At that time of you said to Lord Krishna, “I don't like to go to that horrible material world” then Lord insisted you to go and preach and Lord will take care of you personally.

In this connection I recollect from your Srimad Bhagavatham, you mention the meaning of word avatara, means one who comes from higher position to regain conditioned souls from this material world to spiritual world, same way you also came to this earthly planet on the order of Krsna to give us chance to become Krsna conscious and attain our original world which Goloka Vrindavan.

You personally trained engaged and supervised about your young and unknown devotees of Krishna, so that conditioned soul like me can again revive Krishna consciousness and attain eternal world free from birth death old age diseases. In this connection I remember king Parikshith says glorifying Sukadeva Gowasmi who was his spiritual master, “just by touching, seeing, giving a place to sit, to the spiritual master once, life will be successful. In a similar context I remember Srila Naraottma Dasa Thakura writes “just by seeing guru ones sins will flee away , in Garuda Purana there is a statement that just by clapping hands in front of Lord Hari and dancing one’s sins will fly away just as birds fly for roaring sound of a lion, there is no need to do anything above, just by seeing your transcendental form one can become free from all sins .

Srimad Bhagavatham says that by regular bath in Mother Ganges one can become free from sins but same Srimad Bhagavatham says that same mother Ganges says to King Bhagirath when one comes to this material world many sinful people take dip and become free from sins, but my glorious Srila Prabhupada, you are thirtha personified you still go to thirtha places to purify even Mother Ganges who emanates from lotus feet Supreme Lord krsna .

As we can't count waves of an ocean or sea, in the same way we can't count your earthly pastime's. An ordinary persons thinks that you have completed or finished your lilas , but as you are my glorious spiritual master I know and am confident that your doing many and unlimited Lila's in other parts of this universe.

What words can glorify you! No mundane words can match your pastimes nor can any person completely glorify you. So I beg on this auspicious day of Vyasa Pooja day tand submit this humble homage to your lotus feet. Be always mercifully on this conditioned soul.

What ever pure devotes of Lord Krsna does, its all good for the condition soul to take that as mercy and progress in spiritual life. Again I remember Narada muni's pastimes. Even though curse of Narada muni seemed to be rude and cursed two sons of Kuvera, ultimately it was ablessing for them to see Krishna face to face.

I beg to you please bless that, let me not miss this opportunities to serve Their Lordships Sri Sri Radha Krishna Chandra and all other deities in Hare Krsna hill.

Always trying to be your eternal servant,

Sankirtana Dasa.

Sarathi Krishna Dasa

Dear Srila Prabhupada

Please Accept My Humble Obeisances. All Glories to your Divine Grace.

Recently I had been to Mayapur. I first went there in the year 2014 with devotees. It was my first long spiritual trip. It left upon me a very deep Krishna conscious impact so much so that by your mercy and mercy of your devotees I have never missed any long spiritual trip. This trip was very special because this time I could appreciate more of all the magic you have done and by your mercy the whole world is coming closer to Lord Chaitanya and Niyanda.

During one of the association at Mayapur devotees told one of your pastimes where in you enjoyed the magic show put up by P C Sarkar and after his show you said "Sarkarji, I am a better magician than you!" When he asked how, you replied "You can make coins disappear, but can you make birth, old age, disease and death disappear?" To which he said "No, Swamiji I cannot" and you said "Well I can" With a big smile on his face, Mr. Sarkar conceded defeat and said "Yes, you are definitely a better magician than me."

While I was reflecting back on this I thought to myself indeed you are the greatest magician of all times because it is only you who could go to the western world at such an advanced age and sow the seed of Krishna Bhakti in the heart of the people full of passion and ignorance. But greater than this is the magic which you have done in my life even without your physical presence just by your transcendental books, lectures, disciples and of course ISKCON Bangalore. It is impossible for anyone to sow a seed in a barn land but it is only you who could sow the seed of devotion in my heart which is full of lust, greed, anger, above all forgetfulness of Krishna and thereby worst than a barn land. It is only by your causeless mercy that an ignorant and fallen person like me is today chanting the holy name of the Lord and is engaged in devotional service in spite of so many anarthas which keeps coming my way.

Like the most compassionate father you have always been very kind, and have been guiding me through your books, lectures and devotees in the most difficult times of my life. I am so unfortunate and fallen that due to my past anarthas sometimes I disregard them and act out of ignorance and false ego but you have always been very forgiving and never leave my side. I sincerely hope that I will someday be able to become your best disciple and follow all your instructions on the level of body, mind and words.

O Spiritual Master of the whole universe kindly be merciful on this fallen servant of yours and always keep me under the shade of your divine lotus feet. Please bless me with more and more seriousness in executing devotional service without any personal consideration. Without you I have no other hope.

Seeking service at your lotus feet eternally.

यह कविता श्रीला प्रभुपाद के इस्कॉन संस्थापनाचार्य के भूमिका पे केंद्रित है। जिस उमंग से प्रभुपाद ने गौड़िया मठ के पतन के पश्चात् हार न मानकर श्रीला भक्तिसिद्धांत सरस्वती ठाकुर के मन को परख कर उनके लक्ष्य को हासिल किया, वह अत्यंत प्रशंसनीय है।

आग लगी जब गौड़िया मठ में

सारा सागर भी उसे बुझा न सका।

दिग्गज शिष्यों ने तोड़ी कसमें

प्रतिष्ठा के लालच में उनका ज़मीर झुका।

विद्रोह के साँप ने बेरहम डंसा
गुरु महाराज के आज्ञा को ठुकराया ।
लोभ के जाल में उनका मन फंसा
गुरु के पद पे खुद को बिठाया ।

श्रीला प्रभुपाद जब आपने देखा
“मेरे गुरु के आभूषण कोई लूट रहा है” ।
भक्तों ने तोड़ दी मर्यादा की रेखा
एक भव्य संस्थान रफ़्तार से टूट रहा है ।

इस आकस्मिक दुर्घटना के बावजूद
डटे रहे आप गुरु के चरणों पर ।
कमज़ोर न हुए, बने और मज़बूत
गुरु कृपा से रची एक नयी डगर ।

घोर परिश्रम अंततः हुआ सफल
इस्कॉन लोक की लगाई नीव ।
कृष्ण प्रेम से सब हुए विह्वल
भक्ति सिंधु में डूबे सब जीव ।

भगवान् कृष्ण जब हुए अवतरित
पार्थ द्वारा जोड़ी एक लुप्त परम्परा ।
गौड़ीय वैष्णव क्रम जब हुआ खंडित
आपने इस अभाव को किया पूरा ।
श्रीला प्रभुपाद अगर आप न होते
इस संप्रदाय का होता दुःखद विनाश ।
सभी देवता और ऋषिगण रोते
आप ही के पास है भवरोग का इलाज ।

भक्ति की लता बढ़ने तो दूर
उसकी बीज भी कोई बो न पाता ।
माया के जकड़ से बंधित मजबूर
हर कोई भ्रम में बेबस फंस जाता ।

Dear, Srila Prabhupada,

Please accept my humble obeisances, All glories to you, your organisation ISKCON and your disciples on this auspicious day of your appearance.

Srila Prabhupada by your mercy only I have become Krishna Conscious and got initiated becoming your formal disciple. Two years ago I have entered into grahastha ashrama and I am not able to give more time for services.

I am begging at you lotus feet to show me and my spouse the right path and give us intelligence so that we can dovetail all our energies is serving your mission of spreading Krishna consciousness to maximum souls.

Also I beg for your causeless mercy to give me strength, so that I can do my sadhana more sincerely and attentively.

Always at the service of your lotus feet.

Servant of your servants,

Satyananda Dasa.

Saumya Krishna Dasa

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet.

Thank you so much Prabhupada for giving me your shelter through ISKCON, by coming in touch with which I got some understanding of Spiritual knowledge.

To establish this great movement you have done relentless work which no ordinary man can do, like the number of lectures you gave no motivational speaker would have given, and no writer would have wrote the number of books you wrote, no business man would have created a worldwide empire, like you created in just 12 years with just 40 rupees in hand and managed it only by letters.

Each and everything you taught by example be it small or big task, management work or anything like doing Aarati, preparing Bhoga for Lord etc.

No one can match your compassion for conditioned souls like me, who are suffering in this material world, for them mercifully you started this worldwide movement even though facing lot of difficulties in establishing it.

You distributed the Lord Chaitanya's mercy to everyone without any consideration of their eligibility, like we are not at all eligible to chant Lord's name or understand Bhagavatam philosophy but by your mercy we are getting it.

Prabhupada I am not at all eligible to follow or lead a spiritual life but I am trying to follow it by your mercy.

Your humble servant, Saumya Krishna Dasa.

Shadbhuja Gauranga Dasa

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet. I am very fortunate to glorify you on this most auspicious occasion of your 123rd appearance day. Although I am very insignificant still I am very proud to be a disciple of Your Grace.

In the initial days when I started coming to ISKCON and attended the classes and heard about your glories, as to how you went to west and spread this Krishna Consciousness movement in spite of so many challenges like traveling in a cargo ship, penniless etc. and you presented this highest philosophy of Krishna Consciousness in a very simple way but with so much

conviction to all kinds of people although they didn't know who Krishna is. And this gave me so much conviction to become a full time missionary in your glorious movement. But I was not much aware about your pastimes in India before you went to West. And recently I am reading your biography where all your pastimes starting from your childhood till your last days pastimes are nicely written. Especially when I read those pastimes how you have struggled here in India starting from Kolkata to Prayag, Jhansi, Delhi, Vrindavan etc. for almost 40 years, only to fulfill the order of your spiritual master; His Divine Grace Bhakitsiddhanta Saraswati Thakur of spreading the message of Krishna Consciousness in English speaking world and printing books, it is making me more attached to Your Divine Grace.

Throughout your life you had remained a humble servant of your spiritual master, till your last breath, by taking his instructions as your life and soul. You have never forgotten to preach this mission all over the world and for that reason you have travelled very extensively everywhere and you have circled the globe 14 times. And secondly you have never stopped publishing the wonderful books of transcendental knowledge even during the war when govt. had put restriction on issuing paper for print. You kept on requesting to the govt. for the paper to print Back to Godhead magazine stating the importance of the spirituality in that condition of our country as well as the whole world. And you wrote and published 80 volumes books in English language and it has been translated to so many other languages and people of all over the world are reading your books and understanding the Krishna Conscious philosophy and becoming devotees. And the prediction of Sri Chaitanya Mahāprabhu, (Prithi vite acche yata nagaradi gram, Sarvatra pracara haibe more nama.) is becoming true. So you have taught all your disciples by your practical demonstration that by the mercy of the spiritual master one receives the benediction of Kṛṣṇa. Without the grace of the spiritual master, one cannot make any advancement. Therefore, I should always remember and praise the spiritual master.

*“yasya prasādād bhagavat-prasādo, yasyāprasādān na gatiḥ kuto 'pi
dhyāyan stuvāms tasya yaśas tri-sandhyam, vande guroḥ śrī-caraṇāravindam”*

On this auspicious occasion of Your Divine Appearance, let me beg your mercy so that I can follow your instructions which are coming through the authority system or by other Vaishnavas. You have instructed not to do vaishnav aparadha, but as a condition soul in ignorance I may commit offenses at the lotus feet of Vaishnavas, so please protect me and keep showering your causeless mercy upon me so that I may stick to your glorious movement throughout my life and can make my life successful in this very life.

Your fallen Servant,

Shadbhuja Gauranga Dasa.

哈瑞奎师那！亲爱的同修们，亲爱的奎师那的奉献者们，大家好现在我谈一下几年来我通过学习圣帕布帕的经典:博伽梵歌，博伽瓦谭的一点儿心得体会:

今年的三月份我们去印度朝圣，大约在3月份的12日我们去绕拜哥瓦尔丹山的中途上，我与一起去的七位玛達吉们失联了，我在喂牛时耽搁了一会儿时间，没看到其它的人是往前走了还是在后面，我以为是走在我前面了，所以我赶紧的朝前追，我走啊！走啊！追了好长时间也没有见到，这时我想是不是在后面呢，我就坐下来等啊，等啊！等了两三次也没有过来，这时我心里就有些着急了心想这肯定是我丢在后面了，以为我在前面追我去了。

那时我们的手机也无法联系，在路上也见不到一个中国人，开始心里还不太着急，大约过了有两个多小时的时间，快绕拜到最后面了，这时我就要想哭了，就在这个时候我突然想到了圣帕布帕教导我们的要托庇于至尊主，皈依主的莲花足。这时我想我应该向主祷告，求主的仁慈让我们相聚。

这时我在心里默默地祷告:亲爱的至尊老父亲啊!无所不能的至尊主啊!祈求您的仁慈让我们来自中国的奉献者们在这里相聚吧。原谅我的无知,一路上只是在以自己的假我判断情况,忽视了心中的超灵您的存在,您无所不知,无所不晓,快让我们相聚吧啊!不到一分钟的时间我们相见了!啊!亲爱的至尊主啊!您是多么的伟大!多么的仁慈!您是为了让我们在这个圣地了解您的神奇,想着您!托庇于您!永远不要忘记您!这正如圣帕布帕教导我们的要托庇于您的莲花足,永远处于奎师那知觉中。

人生的完美就是要获得完美的神爱和奉献者完美的联谊。

所有荣耀归于圣帕布帕德!哈哩波!哈瑞奎师那!

Hare Krishna my Dear Spiritual Master,

Please Accept My Humble Obeisances, All Glories to Srila Prabhupada.

It is your causeless mercy that you have accepted me as your disciple and initiated me. You brought me into the light of Krishna Consciousness from the darkness of the vicious material circle. You taught us the understanding and worshipping of the Supreme personality of Lord Sri Krishna. We are blessed to do deity worship (dressing, offering, loving deity as one of our family member and do service to them) and relish the unlimited happiness. You have given me the great opportunity of working in the temple and to be always in the service of the Lord. With the association of your Vani, we are blessed to get away from the material distractions and do the KC practice. When I remember the sacrifice of sleep and pain you have taken at the age of 70 to translate the scriptures for the benefit of the rest of the world my eyes are tearful and I am speechless. You taught us practically how to lead the life to grow spiritually. With you and your disciples' association, the value and purpose of human life is understood.

Oh! My Spiritual master, it is your kindness that every activity is personally exhibited by you to guide us. I pray you to bless me and my family always to be in the service of you.

Your servant,

Shantiprada Devi Dasi.

Sharadendu Krishna Dasa

Dear Srila Prabhupada,

Please accept my respectful obeisances. All glories to Your Divine Grace.

Thank you Prabhupada, for another year of causeless mercy. There been a lot of learning through the community, service & especially Your Divine grace's Books.

I've come here to serve you but at present as a conditional soul, I'm hankering for many byproducts in your Divine service which is my misfortune. But You'll help us in a right moment through your instructions and help me. As mentioned, pure devotees ask the Lord only for the privilege of serving Him. This is our real independence. If we want anything else, it is a sign of our misfortune. SB 4.9.35P.

The word samprasanne, which is used in this verse, means "being satisfied." A person should act in such a way that the Lord is satisfied by the activity; it is not that he himself is to be satisfied. Of course, when the Lord is satisfied, the devotee automatically becomes satisfied. This is the secret of the process of bhakti-yoga. SB 4.11.14P

Another disease which is getting cured is "mental concoction". Many times I end up in this disease. But, by the mercy of your devotees it has been identified and being treated. One should kill mental concoctions by the sword of service to the Supreme Personality of Godhead and His devotee (guru-kṛṣṇa-prasāde pāya bhakti-latā-bīja [Cc. Madhya 19.151]). Thank you for the opportunity to serve, this is because your causeless mercy.

Lord Kṛṣṇa easily gives one liberation, but He does not so easily give one the facility to become a devotee. Muktiṁ dadāti karhicit sma na bhakti-yogam. Directly or indirectly, it is proved that bhakti-yoga is the basis for the supreme relationship with the Supreme Lord. It is far superior to liberation. For a pure devotee of the Lord, mukti is automatically attained. SB 5.6.18P

Thank you Prabhupada for helping me through your instructions.

Aspiring to be a servant of your servants,

Sharadendu Krishna Dasa.

Shauri Krishna Dasa

Dear Srila Prabhupada,

The Supreme Personality of Godhead upon hearing our sincere prayers directs us to the Spiritual Master. The Spiritual Master in turn directs us to rightly worship the Supreme Lord. The Spiritual Master is the direct link between the fallen souls of this material world and the Supreme Personality of Godhead in Goloka Vrndavan. The Supreme Personality has nothing to do in this material world and He is engaged in His eternal pastimes in the spiritual planets. The Spiritual Master out of his causeless mercy comes and enacts his lila in the material world to extract the suffering souls, provide a path to the place where we belong constitutionally. The Spiritual Master is the direct representation of the Supreme Lord and is not an ordinary mundane living entity of this material world. Srimad Bhagavatam confirms this – The Acharyadeva is not ordinary person and is the sum total of all demigods.

Srila Prabhupada, you are the shining sun, moon and all luminaries for us fallen souls of this material world. You have taught us the transcendental science which is otherwise somewhere lost in the depth of this modern materialistic prison house. This prison house is such that everyone recognizes it as a place of splendor that brings about unlimited enjoyment and opportunities. But only through your vision, have we understood that we are involved in a never ending cycle of temporary phantasmagoria.

Srila Prabhupada, you have given me unlimited opportunities for engaging in spiritual activities. These activities will enable us to stay on the spiritual platform and easily overcome the material modes. These spiritual activities practically enable us to overcome the entanglement in today's world. You are the acharyadeva, a true visionary for saving millions of souls now and for the next 10,000 years. Your transcendental lila being part of Lord Chaitanya's Sankirtan Movement is being unfolded and growing unlimitedly. However my intense material desire and longings control me and pull me away from the transcendental waves of your movement. How can one be so much affected by material lust that inspite of so many opportunities of spiritual activities, one neglects that and gets into abominable acts? Srila Prabhupad, after every abominable activity, I repent, but still continue to act in the same way, as my mind trapped in Maya. These lustful activities do not bring about satisfaction and hence the strong desire overcomes my efforts to engage in devotional activities.

Srila Prabhupada, on the occasion of Vyasa Puja, I pray to you to give me more strength and determination to cross over the material lust by positive engagement in Krishna Consciousness in the association of devotees. Your instructions and inspiration are the only means by which I need to develop a strong desire against lusty propensities. The causeless mercy

of your grace and the transcendental instructions continually overflow flooding the universe by the newer technologies and social media. This is the only way by which millions of us can be thrown out of the strong binding cycle of birth and death. You are truly the Jagad Guru, Jagad Acharyadeva for all souls in the material world. Please keep me always under the shelter of your Lotus feet, purify me and use me as an instrument, as you desire.

Your eternal servant,

Shauri Krishna Dasa.

Shesasayi Dasa

Dear Prabhupada,

I offer my most humble obeisances at your lotus feet on the auspicious day of your appearance, please accept it.

Dear Prabhupada, you are single handed warrior going to attack not just an army but the whole civilization. Because you are going to teach something which is radically opposed in the west and normally even for an ordinary war, the most treasured possession for the warrior is the weapon, the weapon used by you had countered the materialism which you have revealed in your prayer in the Jaladuta ship (September 13th, 1965) privately in the sanctity of the presence of Krishna in your heart and no one else, which is centered around Krishna katha that is "bagavater katha se taba avatar dhira haiya sune jadi kane bar bar" (the words of srimad bhagavathm are your incarnations and if a sober person repeatedly receives it with submissive aural reception then he will be able to understand your message.) You are praying for the people to understand this message and make your words understandable to them. This was the weapon you used.

You have helped everyone to hear, share, and helped others also to develop the love for Krishna katha. This you wanted to perpetuate a culture of hearing which lead to purification. I realize that this is the weapon you used.

Dear Prabhupad please bless me to develop love for Krishna katha and also for the love for the recipients of Krishna katha. you have attracted millions and millions of people and you will continue to attract here after for Krishna katha.

You have shared the religion from India which is new to the whole world, which has never happened in the history of world. I am very fortunate recipient of your great mercy.

Prabhupada while you are preaching in the west you are in advanced age communicating with the people who are culturally, religiously, socially and age wise, in every way they are different from you. This was the achievement which has no parallel in the history of preaching Krishna katha.

Through Krishna katha you have transformed so many people and you will keep transforming millions and millions of hearts for many many years to come.

I pray on this sacred day to give me taste for Krishna katha and transform my heart and make me some small instrument in sharing the message of love of Krishna that you have given to the whole world.

At your lotus feet,

Your servant,

Shesasayi Dasa.

Shivananda Sena Dasa

Dear Srila Prabhupada,

Please accept my humble obeisance to your divine lotus feet which alone are the saving grace for me.

It has been now almost three years in your movement trying to serve you under the sympathetic guidance of your loyal servants.

Srila Visvanatha Cakravarti Thakura duly glorifies the position of a spiritual master as:

*sakshad-dharitvena samasta-sastrai, uktas tatha bhavyata eva sadbhih
kintu prabhor yah priya eva tasya, vande guroh sri-caranaravindam*

The spiritual master is to be honoured as much as the Supreme Lord, because he is the most confidential servitor of the Lord. This is acknowledged in all revealed scriptures and followed by all authorities. Therefore I offer my respectful obeisance's unto the lotus feet of such a spiritual master, who is a bona fide representative of Sri Hari [Krishna].

Our spiritual master is the ocean of mercy, the friend of the poor, and the lord and master of the devotees. O master! Be merciful unto me. Give me the shade of your lotus feet. Your fame is spread all over the three worlds.

By your mercy only.... we come to know about our real life, we realize the importance of human life, we are practicing spiritual life in association of devotees, we are getting real happiness, we know the relationship between Krishna & us.

Prabhupada, I don't have any qualification to be in your shelter, only your causeless mercy is allowing me to be in the association of devotees and making me to go forward in the spiritual life. Please forgive this pretender and bless me to engage in devotional service. I am wasting time even though so much service available in our movement, as you told in one of your lecture about the wasting of time, let these statements change my attitude and let me make use of time.

"We should not waste our time. That is advised by Rupa Gosvami also. Avyatha-kalatvam (CC Madhya 23.18-19). We should be very cautious not to waste a single moment without Krishna consciousness. So we have got so many activities. If we have no activities, then we can polish the floor of the temple. That is not very difficult. If I am illiterate, I have no interest in reading books, I have no interest in chanting or I cannot do it constantly, then take something and mop over the temple and cleanse the temple. That is also service. It is not that one who is engaged in the Deity worship, he is better engaged, and one who is polishing the floor, he is less engaged. No. Both of them will get equal benefit. Krishna consciousness is so nice. So find out some business for Krishna. Don't waste time. That is the perfection of Krishna consciousness." PAGE 2 (Srila Prabhupada Lecture, Los Angeles, January 3, 1974).

My dear spiritual master you are so merciful upon me, please bless me to utilize your causeless mercy for advancement in devotional service.

Your fallen servant,

Shivananda Sena Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisances, All glories unto you.

I learn from you that we are limited and tiny soul trying to replicate the glitter of a transcendental diamond and are engaged in creating false hopes in the lives all those whom I connect to or to whom I have an access, but you have given us access to spiritual consciousness while living in this material world by engaging us in 64 angas of bhakti.

I am limited but bhakti to Krishna is unlimited and so there is no question of me possessing it but it is you who has picked me from nowhere and placed me here in this unlimited journey

Devotion to Krishna is an aspiration to the highly purified but your mercy has brought us so close to it by encouragement that sometimes my actions seems to mimic the stage surpassing the lower stages of faith and already on a higher stage as if owning Krishna when we don't even know the meaning of it

I think nor I had had love before neither do I have sufficient love for Krishna now, but still if I am engaged somehow in the loving service of the Lord it is the love that you have for Krishna which swayed us to take this risk of life.

You have spoken by words and proved by action the ecstatic spiritual emotions you relish of serving the Supreme Lord. And by doing that you have made the inaccessible, accessible to even the most ineligible parts and parcels of the creation.

The power of your words have now turned into a world-recognized NGO, it is amazing how you work through these inconceivable ways in this envious world to continue establishing the purpose of the parampara.

I only pray that to carryout those words which you have spoken which are fully potent in themselves to award devotion to Krishna be the only aim of my life.

Your fallen servant,

Shreshta Rupa Dasa

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet. It's only by your mercy that an insignificant condition soul like me is able to stay under your shelter.

It was a time when a journalist asked you Srila Prabhupada in London, that why have you come to London to teach about religion because people here already have their religion and your divine grace replied you all exploit India and it's wealth but still you people forget to take the most valuable treasure of India it's culture and it's deep spiritual tradition. I have come to England to give you for free what you have forgot to take from India

By his divine graces' fearless preaching, this Krishna conscious movement spread all over the world. I am very fortunate to come under the shelter of your divine movement and by the mercy of your divine grace, I am able to do devotional service at the lotus feet of "Sri Sri Radha Krishnachandra". This devotional service is very rare. This does not belong to this material world whereas it's transcendental.

Sri Chaitanya Mahaprabhu says

brahmāṇḍa bhramite kona bhāgyavān jīva, guru-kṛṣṇa-prasāde pāya bhakti-latā-bīja

"According to their karma, all living entities are wandering throughout the entire universe. Some of them are being elevated to the upper planetary systems, and some are going down into the lower planetary systems. Out of many millions of wandering living entities, one who is very fortunate gets an opportunity to associate with a bonafide spiritual master by the grace of Krishna. By the mercy of both Krishna and the spiritual master, such a person receives the seed of the creeper of devotional service."

Srila Prabhupada, what I found in myself, as I have passed one more year in your transcendental movement, is that I am feeling my enthusiasm level to serve you better and Their Lordships is going up and down. It's because of the anarthas still lying in my heart and the biggest one is looking for independent enjoyment separate from Krishna's desire. So

on this special occasion I am begging from your divine grace please protect me always whenever my enthusiasm level goes down and my mind is looking for some comfort zone. It's not possible only by my own effort.

At last I am begging for forgiveness, if I have committed any offence unto you or your disciples. Please bless me so I can follow your instruction very rigidly, specially chanting attentively and reading your transcendental books and follow the four regulative principles.

Your eternal servant,

Shyama Karuna Dasa.

Shyama Kishore Dasa

First of all, I pay my humble obeisances to my spiritual master.

Dear Srila Prabhupada,

It has been a wonderful year. I liked the challenges put on my path of advancement. There have been lots of tests, and thus there has been lots of opportunities to show my chastity towards you. I agree that I still have a long way to go on self-improvement but while writing this offering, I don't feel any regret instead I feel enthused that another year is waiting for me to please you, to become your obedient servant in much more better way than the last year. My heart feel excited to think about imagining that how again I will be tested left and right to show my integrity towards you and your mission. Now, here I see yet another chance to do self-assessment and work on increasing bhakti for you.

You have been very merciful to me in this previous year that you have given me chance to purify myself, face the most mightiest demons inside me, learn few more lessons of humility, understand that I better work on myself more seriously otherwise the ghosts of my sinful past life will devour my present life, in which I am trying to nurture relationship of faith, respect, love and obedience towards you and your mission.

Again and again the value of strong Sadhana is hyped inside the mind but this time it happened for good. Despite many dynamics of daily schedule, how to do an intense, focused Sadhana has been a daunting task for me. But, I learned to improvise on certain occasions and which boosted my confidence as well as persistence. There have been realizations that your divine grace bestowed on my consciousness but unfortunately this lazy scum couldn't note it down in a diary (which I always wished for but couldn't accomplish sadly). So, let me recall few of them now.

1. Realization one-INTENSITY: Just like a lens is required to intensify the all-available sunlight and thus ignite fire in a piece of paper, similarly, to make the best use of our human energy and also get the results in a more quicker and faster pace, we need to intensify our bhakti (tivrena bhakti yogena). That intensity is the determining factor of our fast progress in the bhakti ladder.

2. Realization two- AUSTERITY: Death is inevitable for everyone, and the highest austerity as the shastra says (biting of ~37,000 scorpions), so, whatever austerity we are taking now is nowhere in comparison to the one we have to take at the time of death, so, better learn to become humble, flexible and tolerant and don't make a fuss about the present austere situation as the worst still has to be encountered. The reality is that the austerity destined for us at the time of death is forcefully thrust upon us without an option-but we are expected to be that strong to remember Krishna at that toughest moment (ante narayane smritih), so, how that goal can be achieved unless we start practicing to remember, to depend on Krishna, develop the power of tolerance based on devotional principles.

3. Practical Krishna Consciousness-Many times, I tend to get distracted even in the sphere of Krishna conscious activities, not realizing that I have to focus on particular manifestation of Krishna one at a time. This realization has helped me a lot to improve my japa, like, how I need to focus Krishna in the sound form and interact with him in the appropriate way, that is, using my senses of ears, mouth and mind to listen attentively. So, thinking and planning of Krishna's service is also a way of interacting or associating with Krishna but that is not favourable at this moment. What is favourable is, I take

Krishna's one manifestation at a time and use my senses and mind in an appropriate way to connect to him, and then it gives the experience of eternity, knowledge and bliss.

Thank you once again for engaging me in your devotional service the entire year, and I beg to keep me always engaged in the service at your lotus feet, and give me desire and determination to endeavour hard to fulfil the desires of your disciples, who are fully engaged in your mission to bring Chaitanya's mercy to all the fallen souls. Once again I beg forgiveness to the many-many mistakes that I have committed in the course of my service, and teach me lessons so that I can work on improving the quality of my services. All glories to Srila Prabhupada.

Your most fallen servant,

Shyama Kishore Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisances! All glories unto You!

sāmsāra-dāvānala-līḍha-loka- trāṇāya kārūṇya-ghanāghanatvam

prāptasya kalyāṇa-guṇārṇavasya vande guroḥ śrī-caraṇāravindam (Śrī Śrī Gurv-aṣṭaka -1)

The spiritual master is receiving benediction from the ocean of mercy. Just as a cloud pours water on a forest fire to extinguish it, so the spiritual master delivers the materially afflicted world by extinguishing the blazing fire of material existence. I offer my respectful obeisances unto the lotus feet of such a spiritual master, who is an ocean of auspicious qualities. (Śrī Śrī Gurv-aṣṭaka -1)

As the above prayer says that, You as a Guru are an ocean of auspicious qualities. Two such qualities in you which you have been showering on me are 'Causeless mercy' & 'Tolerance'.

At first point you are showing immense causeless mercy on me and further, more than enough tolerance hoping I will improve and come up to your expectations.

One day, a thought crossed my mind, asking, what's the reason I am still continuing in your mission irrespective of my shortcomings – is it because of my good nature etc... but immediately it strikes – No, relatively speaking my shortcomings are in multifold compare to other good things in me which are miniscule – rather it is your causeless mercy and it's just because of your such quality I am continuing in your service.

While I was reading Your biography 'Prabhupada – Messenger of the Supreme Lord', Govinda Dasi mathaji recollects: "When Swamiji came, the whole disciplic succession came." It is so true that, You represented the whole Guru parampara and it is the purity with which you presented Krishna consciousness that the other Acharyas too supported you in your endeavors.

It is so overwhelming to experience the fact that even though You are not physically present, you are still hearing to your disciples prayers and reciprocating and guiding them personally. You have been reciprocating with me several times, but I would like to share one recent incident, where the reciprocation was nailed to the point and situation.

Once a devotee was trying to advise me, saying that it is good to also consider my sleep timings... so I get enough rest... and ended the advice with a question "...is it not?"

For this question I didn't had any answer and closed the conversation, and continued reading your biography. And to my surprise and shock, You appear in the book in the form of 'Vani' and say something which moved me and convinced me that You are with me in my endeavors in connecting people to Krishna and you, and you vouch for it.

Excerpt from 'Prabhupada – Messenger of the Supreme Lord':-

Vrindavana, March 1974 –

One day, during the massage, Prabhupada confided to his servant,

“Most men are retired at my age. I do not want to manage anymore. I just want to do some writing.” Prabhupada asked if there was some place in the world he could go for six months, a place where he would be all alone, where no one would come to disturb him and where he would not get any mail.

Prabhupada’s servant suggested Tehran. Prabhupada considered it, then suggested New Vrindavan.

That very day a letter came from Bhagavan in Paris, inviting Prabhupada to tour his ISKCON centers in Europe. Immediately Prabhupada was enlivened at this invitation. He said he would go.

“But earlier today”, his servant said, “you wanted to go away and be alone.”

Prabhupada laughed. “That will not be possible for me in this lifetime. Better I keep traveling and die on the battlefield. For a warrior, it is glorious to die on the battlefield. Is it not?”

This statement by you was so inspiring and encouraging to me that, as long as I am engaged in serving your mission, even if I die early it’s okay. Let me keep endeavoring more and more in connecting people to Krishna and You, and in this endeavor sky is the only limit.

On this auspicious occasion, I beg you to accept my services, which are unfortunately offered with many deficiencies, and bless me with enough strength to keep up my promises to you and serve your mission eternally.

Your fallen servant, Shyama Krishna Dasa.

Shyama Vallabha Dasa

Respected Srila Prabhupada,

Please accept my Obeisances at your lotus feet. All glories to your Divine Grace.

Recently I have started reading your book named Dialectic Spiritualism. This book consists of the sastric perspective of various well-known western philosophies. In this, Shyamasundar Prabhu and Hayagriva Prabhu were reading out selected extracts of these philosophies and you were giving the authentic Gaudiya Vaishnava understanding to them. These philosophies which are based on mental speculation were not only incorrect or falling short of the truth, but also very difficult to comprehend. The language used was not only not lucid but also having a lot of gibber, it took me time to understand their statements from the refutations you were making on the spot.

This strenuous effort took me back by more than two decades. The time when I was dabbling with many well-known Indian philosophers, with their complicated language and leftist ideologies. The day I purchased the book “Path of Yoga” my life changed forever. Your lucid explanations, the easy uncomplicated message had a significant impact on me. It eventually led me to give up those philosophers and start accepting you. Instead of any gibber and speculations in your purports, we see a great deal of the following in your purports:

1. Exactness and consistency seen in sastras
2. The purpose for each verse was composed by the great acharyas
3. Spiritual word is not some mere reference, but it is a great reality, anyone can see that you write or speak this with the greatest conviction.
4. Elevating the reader to the higher consciousness
5. Encouraging words while we struggle with our frailties
6. Advocating of personal conception of God
7. Destroying the popular myths and inaccurate philosophies

8. Encouraging neophytes that they too can become pure devotees
9. Practically acting like a father and master taking the child to the destiny and
10. Krishna consciousness and Vedic understanding is the ultimate and realistic solution for all problems faced by mankind.

When I hear your conversations and morning walks, I see how you cut through various types of illusions with such ease and sensible logic, verily common sense is most commonly found in these conversations. Although you are transcendently situated with no connection with the material world, all through the conversations and morning walks, you were seen cutting through the various illusions of the proponent at different levels with the same consistency and exactness seen in your purports.

During World War II, the leaders and the most intelligent of the world were bewildered and were confronted with a reality that how unhuman humans can really become. Their attempts to console the suffering humanity with their dry propositions only further aggravated the problem. Communism, atheism, agnosticism, utilitarianism, existentialism etc., became popular in the next two decades after the war. However, all of these could not quell the parched and disillusioned American youth. They could agitate and fight against the establishment. They saw their elders treading the same path that lead to the previous massive wars, but they could not find any clear solution. None of the philosophies could actually bring in the required transformation to stop this. Srila Prabhupada your arrival to America at this time, was indeed a great relief to the confused world.

By this time, two decades passed ever since you started writing boldly on the world affairs from the vision of sastras. Apparently, you had no much success, not many followers to speak about, but that could not compel you to change your stance or faith. Your faith was the same, the understanding was the same undeterred by externals. Thus, you proved that the timeless wisdom is really time tested and it continues to deliver and empower the Jivas amidst most chaotic situations.

Srila Prabhupada I am greatly indebted to you for giving me such great treasure, even though I cannot give anything for this. The Vyasa Puja offering is to humbly acknowledge the great treasure given by the Acharya to the disciple. However, in my case, I have an additional prayer. I am suffering from inconsistency, lack of persistence, utmost interest in non-endurance, laziness, forgetfulness of purpose, reduced attention span, thinking too much, lack of required expertise for the service and many more. I feel guilty that these vices are not enabling me to do the assigned services properly. The only solution is your mercy. Hence, I pray for strength to come over these and do the service dexterously given to me by your senior disciples.

Your insignificant servant,

Shyama Vallabha Dasa.

Siddharatha Dasa

Please accept my humble obeisances. All glories to your Divine Grace!

Dear Srila Prabhupada I don't have words to glorify you first of all. I am not qualified to glorify you

I remember 6 years back I was working in small company everyday evening I used hear your lectures one common thing I used to hear is to chant 16 Round 'hare krishna mantra' and follow 4 regulative principles I will take care of you. One day I was thinking who will tell like this with so much confidence even father will not tell this. So I tried to start 16 rounds "hare krishna mantra" and follow 4 regulative principles. In 2013 I took a New year resolution in FOLK in front of you. Still I am not serious in chanting "hare krishna mantra" and following regulative principles. By your causeless mercy so many changes happened in my life. This Aug 21 I am completing 6 year service in temple.

Prabhupada by your grace and Radharani's mercy I started attending Mangalarathi. I have desire to attend 108 Mangalarathi continuously, one of senior devotee told me why not 1008, by your grace and Radharani's mercy attending Mangalarathi 1008 completed.

By your mercy I got a wife who is practicing KC. By your causeless mercy my wife delivered baby boy may 13, 2019, due my anartha I didn't join Ashram as full time missionary, by your causeless mercy I got service in Ashram, I got service to Iskcon Bangalore Senior Brahmachari & Maharaja. Like this, you are giving me so many things, How can I repay you for all these?! Your mercy is like ocean please give strength to serve Iskcon Bangalore Senior Brahmachari & Maharaja, Please give strength to serve your mission.

Aspiring to be servant of your servant.

Dear Srila Prabhupada,

“I was born in the darkest of ignorance and my Spiritual Master opened my eyes with the torch of knowledge. I offer my respectful obeisances unto Him.”

I offer my most humble and respectful obeisance's to my beloved Spiritual Master, His Divine Grace A.C. Bhaktivedanta Goswami Maharaj, who out of His unlimited compassion and mercy has brought Krishna Consciousness to the most fallen souls of the kaliyuga.

“The Spiritual Master is honoured as much as the Supreme Lord on account of His being the Most Confidential Servitor of the Lord. This is acknowledged in all revealed Scriptures and is followed by all authorities. Therefore I offer my respectful obeisance's unto the Lotus Feet of my Spiritual Master who is the bona fide representative of Hari.”

“O Suta Goswami, the great sages who have completely taken shelter of the Lotus Feet of the Lord can at once sanctify others who may come into touch with them while the water of the Ganges can do so after a prolonged use only.” (Srimad Bhagwatam, 1.1.15)

One can only approach Krishna by the mercy of the bona fide representative of Krishna. How can we know how to approach Krishna by ourselves? Only someone who already knows how Krishna wants to be approached can direct others in the proper way of approaching Him. For this reason the Spiritual Master is honored and respected as much as Krishna Himself. This can be easily seen in His Divine Grace A.C. Bhaktivedanta Swami; for, which of us would not know anything of the Supreme Absolute Truth, the All-Attractive Sri Krishna without the causeless Mercy of our Spiritual Master?

The genuine Spiritual Master teaches completely in accordance with the revealed Scriptures without any personally motivated interpretations, as the mailman delivers the letter without writing anything on himself. In this way, the Spiritual Master shows the student the Source of Divine Knowledge, so that the student can now see. The Spiritual Master also shows the student how to live in the revealed knowledge according to the directions in the scriptures themselves. I was such a fool to think that on my own I could find anything, let alone the Supreme Absolute Truth, but my Spiritual Master, by refusing to compromise with my idiocy, told me to simply take Krishna's word for things and see if it wasn't better that way.

What can I say; what can I do; what can I write to communicate? Krishna Consciousness is perfect. Prabhupada is the perfect Spiritual Master. Everybody should fall at His Lotus Feet in humility and surrender. He has made His Mercy available to everyone and anybody who wastes this opportunity is a fool. Who else is showing so plainly the beautiful truth, the Supreme Person Sri Krishna? Who else is teaching us how to love Krishna the way that Krishna wants to be loved?

I beg to offer this most unworthy and inadequate tribute to my Spiritual Master, His Divine Grace A.C. Bhaktivedanta swami Prabhupada on Vyasa Puja. I prostrate myself at His Feet and offer my most respectful obeisances and gratitude again and again.

Your Humble Servant,

Sitakanta Dasa.

Srikara Govinda Dasa

Dearest Srila Prabhupada,

Please accept my humble obeisance to you. All glories to you.

Srila Prabhupada , The last one year was very eventful for your prasadam distribution programme, Akshayapatra. Your organization served the 3 billionth prasadam serving to children in Govt schools.

Your Akshayapatra marketing team crossed the Rs 200 cr mark for fundraising in a year. Akshayapatra crossed the Rs 500 cr mark in overall operational size. Your central office got for 7th time in a row gold shield for excellence in financial reporting. Your central office received Great Place to Work Certification for 3rd time in a row . Your Akshayapatra is all set to start in London. Srila Prabhupada, all these accolades and awards are solely duly to your mercy . It is just because you are at the centre of Akshayapatra and you gave its visionary seed, we are able to cross all these significant milestones. Srila Prabhupada, please bless Akshayapatra so that we strictly adhere to the principles given by you – Enthusiasm , Patience , Firm conviction, Following rules and regulations, dealing straight forward, No underhand dealings, Sato Vrtteh- No duplicity and in association of devotees. You have emphatically declared that these values will ensure progress in our Krishna Consciousness. You have said that there is no doubt about it. Please protect us from the dangers we face in Akshayapatra. We are solely dependent on your mercy .

Srila Prabhupada, inspired by your encouragement to preach to ones ability, I started posting the Bhagavad-gita verses to my childhood friends. By your mercy the response has been encouraging. I sincerely hope with your blessings these friends will take shelter at your lotus feet .

Srila Prabhupada, I have not been able to make much progress on the life goals of ‘getting 1008 leaders to your shelter in 25 years. 8 years have passed and I am not even doing a snail’s progress, though there is an ardent desire to work on it. Please pardon me for this. I am sure you will show me the way to achieve this goal to your satisfaction. Everyday I think and pray for these goals. Please bless so that I can make progress .

Srila Prabhupada, I am so indebted to you for keeping me in your shelter in spite of many faults in me. Please always keep me in your service .

Your aspiring servant,

Srikara Govinda Dasa.

Srivas Gaura Dasa

Dear Śrīla Prabhupāda,

Please accept my humble obeisances!

Thank you, Śrīla Prabhupāda, for giving us the association of your sincere followers!

Thank you, Śrīla Prabhupāda, for giving us the holy name, the most valuable gift of all gifts!

Thank you, Śrīla Prabhupāda, for giving us your books to read, to study, and to distribute.

Thank you, Śrīla Prabhupāda, for giving me another wonderful year in Krishna consciousness

I am greatly obliged to you Śrīla Prabhupāda. You engaged me in the personal service of the Lord. Every day I have a great opportunity to spend my time with Supreme Lord’s personal service. I always feel so great for my fortune to serve Lord in very closer way. I got this fortune due to your causeless mercy. Prabhupada you said that there are no problems in Kṛṣṇa consciousness but that problems are there when Kṛṣṇa consciousness is missing, just as there is no darkness in the light but darkness is there where the light is missing.

Please bless me so that I can stay always in the association of your sincere followers, and please help me to become the humble servant of all your servants.

Your servant,

Srivas Gaura Dasa.

Srivatsa Das

Srila Prabhupada,

Thank you so much for keeping me in your Sankirtan movement. As you know I am so unfit to stay in your organization, but there is a strong flow of mercy from your side to keep me in the Krishna's family. Thank you for showing such mercy to me.

You have convinced me that you have built a house, where whole world can stay together. Yes Prabhupada, you have built such a wonderful home where there is no count of caste, creed or cult in your society with following your transcendental words. This, I am experiencing from beginning of my journey in your organization. Prabhupada, thank you so much for inserting such transcendental nectar of knowledge.

As you know, I was trying to solve one of the major problem in my life. During that journey, for some time, I felt hopeless, & thought this problem will remain as a problem, but when I looked at you, seeking your mercy, you have given me such a solution where no one can give me such compassion. By that way, you made me to solve the problem just like a small boy plays a game. Prabhupada, thank you for being so compassionate upon fallen soul like me.

You have given me clear vision that who is the real well wisher in the journey of Krishna Consciousness. I had wrongly counted some of them as well-wishers due to my wrong association, but your satsang enlightened me that only pure devotees like you can show clear path towards Krishna, Prabhupada, thank you so much for such association, & I beg you please provide me such Vaishnavas association.

In the previous Vyasapuja offerings I had requested you to bless me by seeking your mercy & Vani, which you have fulfilled just like a father fulfills his son's desire. Prabhupada, thank you so much for that. I feel I am indebted to you as your eternal servant.

In the coming days I request you please give me some opportunities where I can serve you better with talents that you have inculcated in me. It is sure that I had compromised some of your instructions, Please provide me a zeal to carry out your orders such as unbreakable Sadhana without losing a dint of spirit in it. From my side, I make commitments that I will try my level best to please you by serving your vani by distributing your transcendental teachings.

Thanking you,

In the service of Lord Krishna & Srila Prabhupada,

Srivatsa Dasa.

Srivigraha Dasa

*om ajñāna-timirāndhasya, jñānāñjana-śalākayā
cakṣur unmilitam̐ yena, tasmai śrī-guruve namaḥ*

I offer my respectful obeisances unto my spiritual master, who with the torchlight of knowledge has opened my eyes, which were blinded by the darkness of ignorance.

Srila Prabhupada please accepts my humble obeisance onto your Lotus feet. All glories to your lotus feet. The instructions of Spiritual Master are The Life and Soul of a Disciple and following those instructions is the only means to serve Krishna. Srila Prabhupada please help me follow your instructions.

Your grace in the month of September 28, 2019 I will be completing 5th years and 6th year will start. I just looked back by your causeless mercy how these 5 years has gone and year after year & every moment I have been only begging for your special protection.

It is your causeless mercy that you have given me preaching service. This service is very dynamic sometime I also do not understand how to deal with some situation however I am sure you are the only guiding source for me.

In one of the conversation one devotee was asking question from you and your answer was very simple and straight forward

Prabhupāda: Chant Hare Kṛṣṇa, and everything will be clear. Ceto-darpaṇa-mārjanam [Cc. Antya 20.12]. The more you chant, the spiritual life will be revealed. So it is very easy: Hare Kṛṣṇa, Hare Kṛṣṇa, Kṛṣṇa Kṛṣṇa, Hare Hare/ Hare Rāma, Hare Rāma, Rāma Rāma... As much as possible, you chant. Then everything will be revealed and you'll be able to do something. I started this movement simply by chanting.

Every moment, I only need your special protection to serve your lotus feet, all the deities and Vaishnavas and keep chanting.

Please help me to take medicine of chanting 16 rounds of Hare Krishna Maha Mantra attentively, following four regulative principles and attending sadhana and reading your books without fail. This is the only strength by which I will be able to serve you.

I can see that by your grace from past 5 years, only this medicine is working, and I am sure this will also work in future, whatever situation may be, first and foremost your grace, please help me to take this medicine given by you without fail on regular basis so that I will be able to cure myself from very deep rooted material diseases. I beg unto your lotus feet Prabhupada. Please help me, Please help me, Please help me.....

Your grace you have written in one of the letter that we must stick firmly to the chanting of the holy name and following the rules. This will keep us from being tricked by Maya, but there is no question of disappointment for some temporary bewilderment.

We are all new and weak in this Krishna consciousness. Just as everyone in the hospital is diseased, and although they are trying to become well, there is a chance that anyone of them may relapse, but that does not mean that the hospital should be closed. It is now our business to struggle with Maya, and when we win out by Krishna's grace that is to regain our natural healthy life of Krishna consciousness. So there is no case of disappointment. ...Letter to Suchandra

Even if there are some dead metal utensils but when they are together they make so much noise , so what to speak of living utensils, This is natural, but since we are all pledged to work for Krishna we should follow the principle of Lord Chaitanya Mahaprabhu; trinad api sunicena taror api sahisnuna. This is Vaisnavism. So my request is to do not be agitated. Let us do our duty honestly.

Your grace please give me your special protection so I may not fall down on account of greater strength of Maya.

Your grace please teach me how shall I deal and communicate with Vaishnavas so that I shall not make any offenses to any Vaishnavas, please guide me how shall I serve Vaishnavas and how shall I appreciate the qualities of Vaishnavas instead of seeing any faults.

Your grace I am in distress suffering from lusty desires please give me relief, please help me to practice the principles of Krishna consciousness with determination patience and enthusiasm.

Your grace please give me right perception, please give me proper intelligence to discriminate, please guide me, please help me, please lead me, please give me your divine instructions on every step of my Krishna consciousness life.

Your grace please help me to understand Hare Krishna Movement so that with my heart and soul I serve you without any personal desires.

Your grace please help me not to give any attention to any kind of material sense objects, people and place, please help me to give only attention onto the Lotus feet of Krishna and you.

Your grace please help me to maintain high standard of cleanliness, timing as instructed by you while rendering the loving devotional service unto your lotus feet.

Your grace please help me to reveal any of my material desires, mistakes and bad habits and any material feelings to you and temple authorities. Please help me to come out from such illusions and help me to purify my consciousness and please help me to serve you and Vaishnavas with such purified consciousness.

Your grace please help me to understand the words written by you in your books AS IT IS. Please help me reading your books on daily basis.

Your grace please help me to listen Bhagavatam class very carefully and help me to implement those learnings in my spiritual life on daily basis.

Your grace please help me to take guidance from my authority's for any concern or issues related to my Krishna consciousness activities and service please help me not to take any decision on my own way.

Your grace please give me benediction never to forget you and Krishna, and never to forget to say Thank you Srila Prabhupada, Thank you Krishna for everything in my whole life.

Your servant of the servant, Suchandra Gaura Dasa.

Suchi Shrava Dasa

Dear Srila Prabhupada,

Please accept my humble obeisance unto your lotus feet on this most auspicious occasion of your appearance day.

Sri Caitanya Mahaprabhu said, "The verdict of all revealed scriptures is that by even a moment's association with a pure devotee, one can attain all success." This instruction of the Lord is an impetus for many of us to aspire for your association and in fact, millions of people have transformed their lives by mere luck of your transcendental association.

I have no personal qualification, either to have your association or to follow your succession. Still you chose me as one of the recipients of your causeless mercy and enabled me to perform devotional service. This made me eternally indebted to you!

It is nectarine to read your purports, which drives away our deep darkness of material slumber and paves the path to self-realization. Your instructions are simple to execute in the association of devotees who are striving for perfection, but very difficult if there is no such association.

You have left a very serious and powerful warning for those aspiring to achieve ultimate perfection in this human life. Little callous attitude towards Krishna Consciousness can ruin our pursuit of eternal happiness and can throw us again into the material fire of birth and death. You said, "Very cautiously and intelligently we have to make progress in spiritual life. Don't take it very insignificantly. We should be very much careful. Otherwise there is fall down, and once fall down means a gap of millions of years. You have got this human form of life to complete Krishna consciousness, but if you are not serious, then again the gap will be millions of years."

Due to conditioning, I may be enjoying the results of my assigned services or hankering for name and fame. Despite several years of hearing and chanting, it is still a challenge to restrain my mind from committing offenses or sense gratification. Hence fervently praying to keep me always engaged in your service. This alone can cure my diseased mind and can help me achieve an eternal shelter at your lotus feet.

Your eternal servant, Suchi Shrava Dasa.

Sudarshana Dasa

Jai Jagat Guru Srila Prabhupada

Srila Prabhupada, your influence in my life to preach the public is very nice. In Gita counter at VK hill during weekends, marathon time, one family was ready to take SB set, but still they are thinking. Then I started praying at the lotus feet of Lord Nityananda and your grace. Finally after shayanarati with internal prayers and externally I opened the carton and explained a bit of each book through cover page. Then finally took and my breath is normal now.

Then I was reflecting on your influence and mercy upon each and every conditioned soul, but it is inconceivable and amazing.

Realization by reading:

Sravanam, kirtanam, smaranam... are part of my routine life in ashram. Last year when I read Srimad Bhagavatam (prayers by Gajendra), in one of the sloka purport I come across one wonder full statement that, a devotee who remembers and recollects a particular prayer when one is in helpless situation, that smaranam will save the devotee by the Lord from the immense danger.

One day when I was in VK hill, in front of Jagannath altar and memorizing the above pastime, I received a realization that if I can remember and chant the glory of Nama Prabhu (Maha mantra), I will be relieved from all troubles.

Realization in service:

After Radhastami festival in VK hill, I went and slept unconsciously and it is time to prepare bhoga for dinner offering, by 4pm I suppose to report to kitchen but I slept till 3:55, at that time I felt a strong push by saying Sudarshana, suddenly got up and was looking here and there as to who was that, but no one was around, room was dark. Later when I shared this to my T C Sachitanaya Prabhu, he said Lord is in full control of his devotees in all respects. I felt that's really true with respect to many other incidents.

Implementations through pastimes:

Through a senior devotee association, I came to know the proper utilization of the resources provided by Guru & Krishna. One thing is that saving the power when it is really not required.

Srila Prabhupada please bless me with your causeless mercy, and continue to do devotional service in the association of Vaishnavas till my last moment.

Hare Krishna!

Your disciple,

Sudarshana Dasa.

Sugreeva Prana Dasa

Dear Srila Prabhupada,

I offer my respectful obeisance unto you and sincerely thank you for your mercy and guidance in helping me see some light through your teachings, though being born and was living in ignorance.

Though it's very difficult to express my thoughts into words to say 'how much you mean to me'. As a father, well-wisher, teacher, guide, mentor, and spiritual master. Srila Prabhupada, thank you for taking me in your shelter and training me to understand and practice Krsna Consciousness (KC). Though I'm consciously making an attempt to practice, progress and mature as a student and disciple. Am sure without your blessing, I will mature and progress to reach my destination (being a good student and sincerely practicing your teaching always).

Letter dated, June 15, 1973: Mayapur, you wrote that a “Spiritual Master is representative of God... statements of Sastras, because they will guide.....how one can become KC by education, by culture”. This letter inspires me that you are the ray of hope that i cling too and believe that you will take me back with you, even though am ignorant and sinful. Yes! Am trying and making an effort to follow your basic teaching and give up all those bad habits through the association of devotees and participating in the temple activities. Am failing and falling but that doesn't mean am giving up the idea. Thank you, once again Srila Prabhupada , for assuring me through your letters dated (LOS Angeles, Jan 01,1969 and Calcutta. Jan 16, 1977) that “.....The caravan will pass..... Why should we be defeated? Go on, a time will come when he will be perfect. A time will come when you will be perfect, KC”. Who else can assure me this, expect you my master. (Lord Krsna teaching in BG, 18.66).

I am chanting my 16 rounds religiously and making a point to read your book and practice to apply and uphold your teachings in my day to day life. My movement of happiness rather sense of satisfaction, was participating in ‘Srila Prabhupada Expo; an opportunity to talk about your glories to various audience. I realised how your glories inspired all those and to voluntarily pick up your book to know more about you and your beautiful gift “KC” to the world. I also realised, that you were the guiding force that made me a good communicator to share your glories. Srila Prabhupada you are my “Positive leader” who brings people together around a shared purpose and empowers them to step up and lead in such a way as to create value for all stakeholders and help them flourish. Thank you for guiding me complete my work on ‘Positive Leadership’

Sri Sri Ramanujacharya opened the door of temples to one and all no matter what caste, gender or social status one belongs to. This was unheard for 1000 years ago., which we all heard and read only, but could see this being demonstrated or being practiced to the fullest and that the whole world can live under one roof and practice the same values and cultures through KC. You, by showering us the path of bakthi to reach the Supreme, proved that we are all equal, being the children of God, and demonstrated what equality means through your worldwide cultural centres.

I pray and render my gratitude by practicing and abiding by your teaching always. You are an inspiration and a moral support in my journey and never forget your words “Chant, dance and take Prasadam, live happily go home, back to Godhead. SB 6.1.50-Detroit, August 3, 1975.

Your Sincere Son,

Sugreeva Prana Dasa.

Suguna Krishna Dasa

“om ajnana timirandhasya jnananjana salakaya caksur unmilitam yena tasmai sri gurave namah”

O Gurudeva Srila Prabhupada...! Please accept my humble obeisances at your divine lotus feet. Truly, your divine appearance on planet earth on Sept.1, 1896 4pm, is the supreme moment for planet earth and all its living entities. It is indeed more important than the appearance of Lord Sri Krishna and Sri Chaitanya Mahaprabhu. Otherwise, how is it possible that the most fallen soul like me could ever get a chance of glimpse of sat-cit-ananda, glimpse of devotional service, glimpse of the Hare Krishna maha mantra...

Yes! It is only because you have flooded the flood of Chaitanya Mahaprabhu's mercy. Indeed, You are actually not offering a glimpse, but You are offering everything....even more than what Krishna or Chaitanya Mahaprabhu is offering. Yet at the same time I am highly ashamed of myself and feeling very very unfortunate, that I am unable to fully accept what you are offering...indeed I am so fallen.. In such a condition, I have no other hope, but your divine grace itself. O Master, please help me.

O Master, Your instructions are the purest and most apt. Any little compromise or deviation from your instructions or teachings is nothing but fall-down, failure and disappointment. Your divine instructions are revealing the Absolute Truth and the truth of everything. For example – “Because of greed for the sake of the senses, the spiritual strength, education,

austerity and reputation of a devotee or a brahmana who is not self satisfied dwindle, and his knowledge gradually vanishes”- SB 7.15.19

This is such a great thing to know. This is so scientific – how sense gratification results in fall down. Further, you say – “the strong bodily desires and needs of a person disturbed by hunger and thirst are certainly satisfied when he eats. Similarly, if one becomes very angry, that anger is satisfied by chastisement and its reaction. But as for greed, even if a greedy person has conquered all directions of the world or has enjoyed everything in the world, still he will not be satisfied” – SB 7.15.20 Without such valuable revelations, I/we would be left cheated, disappointed and unsatisfied. Above all this, by inundating me/us with Hare Krishna mantra, Krishna Prasadam, practical devotional service you have brought me/us back to life.

O Master, on this auspicious day, I beg your forgiveness for all offenses that I have committed at your lotus feet and that of your disciples – my Godbrothers. I beg you to please make me suitable, by blessing me with Vaishnava qualities, for continuing devotional service in the association of devotees. I beg you to please bless me to become a servant of the Holy name, Vaishnavas and the Supreme Lord. I beg you to please count me as your servant, however fallen I may be, and always engage me in your service.

Your insignificant servant,

Suguna Krishna Dasa.

Sujana Vaishnava Dasa

Dear Guru Maharaja,

Please accept my humble obeisance.

All glories to you Srila Prabhupada. All glories to your divine grace.

How wonderful it is to be with you for past 10 years. Your working knowledge of sastra continues to amaze me. It's all at the fingertips of your mind. You gave me various services in such an easy way that I have forgotten all the mundane useless activities which I was doing earlier.

Guru Maharaja, I am so fortunate to receive protection and guidance from you. Your strength is a transcendental force; a redwood tree, reliably standing tall and blocking out the scorching rays of materialism. I don't know your depth; I can't fathom your grandeur; I can only hear from you, and witness your impact on thousands upon thousands of lives. I can marvel as you take care of people's bodies while simultaneously taking care of their souls.

I pray that I can leave those dark corners behind and eternally take the shelter that you selflessly offer me. Because when I am mature enough to feel your presence at every moment, even in your absence, then I may truly be able to please you by serving you in some significant way. Only then will I understand and be able to access the power you have given me to execute devotional service in the proper mood of humility and gratitude.

Gurumaharaja, indeed you are a world class personality. You have a different style and approach of doing things, you are someone to be appreciated and to be meditated upon. All glories to you Gurudev.

Please forgive my unlimited offences at your lotus feet and never reject me from your association. Guru Maharaja, please continue to shower your mercy upon me so that I can endeavour to follow in your footsteps.

Always aspiring for your service and to remain a dust particle at your lotus feet.

Your fallen servant,

Sujana Vaishnava Dasa.

Sujita Krishna Das

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories unto your lotus feet.

Thank you for accepting me as your initiated disciple. Whatever I am and whatever I have learned is just because of your causeless mercy. In Caitanya Caritamrita Madhya 20.101

kṛpā kari' yadi more kariyācha uddhāra, āpana-kṛpāte kaha 'kartavya' āmāra

Sanatna Goswami Asked Caitanya Mahaprabhu,

“Out of Your causeless mercy, You have delivered me from the materialistic path. Now, by the same causeless mercy, please tell me what my duty is.”

My situation is also same, I also don't know what my duty is. Your causeless mercy brought me away from the materialistic lifestyle. Just like a loving and caring father who leaves his hard earned money for his useless son. You also established ISKCON which is helping and guiding us. Its all because of your decades of austerity which you took to elevate us and our consciousness out of compassion and love .

Your appearance in this material world and in such era where people were more fallen, is like Sri Chaitanya Mahaprabhu's mercy personified. 500 years ago when Sri Chaitanya Mahaprabhu were distributing the Nama Rasa, none of them were there but it is you who delivered it to us.

Every day we sing “By the mercy of the spiritual master one receives the benediction of Krishna. Without the grace of the spiritual master, one cannot make any advancement. “ It's your compassion for us Prabhupada that you have accepted a fallen soul, who is not at all qualified to be your disciple. As mentioned in Srimad Bhagvatam 3.32.42

*bahir-jāta-virāgāya, śānta-cittāya dīyatām
nirmatsarāya śucaye, yasyāhaṁ preyasām priyaḥ*

“This instruction should be imparted by the spiritual master to persons who have taken the Supreme Personality of Godhead to be more dear than anything, who are not envious of anyone, who are perfectly cleansed and who have developed detachment for that which is outside the purview of Kṛṣṇa consciousness.”

Prabhupada, I possess none of the above qualities nor am I eligible. Knowing all these things still you accepted me as your disciples. As you know and you mentioned this also in purport to CC Madhya 22.118 “ This is risky because when a spiritual master accepts a disciple, he naturally accepts the disciple's sinful activities and their reactions. Unless he is very powerful, he cannot assimilate all the sinful reactions of his disciples and has to suffer the consequences...” you still gave shelter to a jiva like me under your lotus feet.

My dear Gurudeva, without your mercy I am no one to get mercy of Sri Chaitanya Mahaprabhu and benediction of Nama Prabhu. So on this auspicious occasion of your appearance day I beg you to give me strength to follow instructions of my authorities and strength to carry out their orders, which is the only possible way for me to please you.

Your Inefficient Disciple,

Sujita Krishna Dasa.

Sukhada Nityananda Dasa

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet.

Due to the association of material desire one after the other, I was gradually falling in to the blind well filled with snakes, but you have accepted me as your disciple and instructed me how to engage in the transcendental loving service unto Supreme Lord Krishna. So, my first duty is serve and please you by following your instructions seriously. Although I am not qualified to become your disciple, you have accepted me as your disciple. So I am very fortunate on one side but on the other side I am very unfortunate as I am not able to follow your instructions fully although I want to follow them.

Because of your causeless mercy at least theoretically I know what are the problems of life, cosmic manifestation and mystery of the self though not practically realized.

Without you, I would have led an animalistic life without any goal. It is not only me but my whole family members are trying to follow your instructions because of your causeless mercy.

I am very proud to say that I am your disciple and also to follow your instructions to the maximum extent though not fully. Kindly bestow your causeless mercy upon me and on all our family members to follow all your instructions very seriously.

You have given us such great knowledge that your devotees never fear to face so called big big professors, scientists etc because you have already given answers to all questions that they may ask. You are so great that you have explained most complicated spiritual subject matter in a very simple way and in very simple words with practical examples which nobody can deny. Even an illiterate also can understand the most difficult thing without any problem.

Although I am trying, all my personal endeavours are becoming futile in some aspects. Only your causeless mercy can make me follow your instructions fully.

I beg once again for your unlimited causeless mercy upon me so that I can follow all your instructions 100% seriously.

Your most fallen insignificant servant

Sukhada Nityananda Dasa.

Sukumar Krishna Dasa

Dear Srila Prabhupada,

Please accept my humble obeisance unto you.

When I got this opportunity to glorify you it was a mixed feeling for me. I was feeling happy that I got a chance to glorify you but was sad that I couldn't do in the past. I feel deeply honored to be your disciple and be under your guidance.

*sri- vigharadhana-nitya-nana, shringaira-tan-mandira-marjanadau
yuktasya bhaktamsh cha niyunjato pi, vande guroh sri-charanaravindam*

You are always engaged in the temple worship of Sri Sri Radha and Krsna. You also engages your disciples in such worship. Worship of the dieties and rendering all kinds of services (directly or indirectly) is a mercy of spiritual master to a disciple. I don't have words to express how fortunate it is to render devotional service under your guidance. Historically many personalities in the past have recieved the favour of Krishna just by rendering devotional services. I heard mentioned in the Srimad Bhagvatam, how Bramha just by following the instructions of spiritual master started following 'tapa'(penance) and recieved the ultimate benediction of his life from Krishna Himself.

You yourself are an exemplar to me and greatest inspiration as well in this regard. When a disciple is given a service he is also given all the empowerment to execute it. Hence I should never forget that my present standing is nothing but your mercy.

Recently I have been given the service to be a youth guide. It becomes a challenge to preach to others especially when one himself is not Krishna Conscious. It's only the strong faith in your guidance that makes me feel stronger, otherwise I am feeble. I see my success in executing your scheme of things with an attitude of being a mere instrument. My wild desires and false self is a big rock to be thrown away so as to be your pure servant. The blunder which I repeatedly do is that I turn a blind eye to these guzzling weeds in my heart.

I feel myself extremely grateful to be chosen as one of your instrument in your transcendental plan. I beg your divine guidance always to be there upon me.

Your servant,

Sukumar Krishna Dasa.

Sumedha Bhakta Dasa

*Om ajñāna-timirāndhasya jñānāñjana-śalākayā,

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet. All glories to you.

This day offers me an opportunity to meditate deeply upon you. You are the only person, more than any other who gave meaning to my life. Looking back on my worldly life, you forced me off the path of material pursuits, that was my destiny.

You are an ocean of mercy, the ultimate expression of mercy is to freely afford everyone with the opportunity to develop pure love of Godhead. Although you have gone from our material vision, your mercy is as attainable today as it was then. A liberated soul is not bound by time, space neither to his mercy. One has to open up his heart to receive his benediction which is being distributed freely to everyone and it is also been given to me.

Prabhupada, thank you so much for your kind intervention in the critical phase of my life, during my last visit to home and informing them about my joining your movement. They agreed with my decision because they were reading your books everyday, kindly bless my parents and brother for their spiritual progress.

I pray at the dust of your lotus feet to please soften my heart and bless me to stay fixed at your lotus feet. It's the result of your hard work, what we are enjoying. I only pray that always keep me engaged in your transcendental service and never allow me to go away from your divine shelter.

I pray to you to increase my spiritual intelligence to serve you better. After all what is the value of this life if it's not utilizing in the loving service of a glorious spiritual master like you who only thought of the welfare of fallen souls like me and worked hard to just to benefit us so that we become full Krishna Conscious and go back to Godhead.

It is seen that the devotee who have unflinching faith on you have done wonders in their service. Please help to develop such an attitude. Also I would like to request you from the bottom my heart to please keep me always in the association of your sincere disciples who are practicing Krishna Conscious principle seriously.

Your aspiring servant,

Sumedha Bhakta Dasa.

Sumitra Krishna Dasa

My Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to you.

I am trying to follow the instructions given by you but mind is very strong that sometimes it overcomes the knowledge and instructions shared by you. By your causeless mercy, I am taken care from these disturbances. I understand that you are not only taking care of me now but much before my birth. There are few instances I can recollect in my life are:

1) First instance: When I was studying in the 6th standard, I saw a vehicle with Books and Spiritual Posters pasted outside the Vehicle and they were distributing the Books / Pamphlets / Preaching in the village in Chittoor District, Andhra Pradesh.

2) Second instance: Even though I was not aware of you and also I did not like your voice in the year 2012, you were so merciful to pull me into Krishna Consciousness in the year 2013.

3) Third instance: Pulled me out from the difficult situations.

I request your Divine Grace to hold me tight so that this weak jiva will not fall to the lowest standards. Also kindly sanction me the Love of Krishna so much that my mind will be disinterested on material aspects.

You are the savior of the entire world. You have just come to deliver us by your causeless mercy.

Once again please accept my humble obeisances.

Your servant forever,

Sumitra Krishna Dasa.

Sunanda Hari Dasa

Dear Srila Prabhupada,

Please accept my humble obeisances.

All glories to Your Divine Grace & Your Divine Mission on this 123rd auspicious day of your appearance.

This day is most auspicious in my life. Though very unqualified, merely by your causeless mercy, I have become fortunate to get an opportunity to glorify your Divine Grace on this very special day. This is the process followed even by your divine grace on the appearance of your Guru Maharaj Srila Bhaktisiddhanta Saraswati Thakura.

I was born in the darkest ignorance, and Your Divine Grace opened my eyes with the torchlight of knowledge. I offer my respectful obeisances unto you. Upon examining my value, I find that I have all disqualifications; your mercy is essential to me. Therefore, if you are not merciful, I constantly rot in this forest of sense gratification which is full of wild animals, ready to devour me in no time. Devoid of all strength & intelligence, I am very low & fallen. Still Your Divine Grace accepted me as your servant.

Gurudeva! By a drop of your mercy, make this servant of yours' humbler than a blade of grass. Only by your satisfaction can one please Krishna, and when you are dissatisfied, there is only havoc on the path of spiritual realization. For advancement of material knowledge there is a need for personal ability and researching aptitude, but in the case of spiritual knowledge, all progress depends more or less on the mercy of the spiritual master. Simply by satisfying you, one can attain a similar opportunity to serve the Supreme Personality of Godhead.

Your Divine Grace is the most confidential servitor of the Lord, engaged in delivering all the conditioned souls from the clutches of Maya. Therefore you are very dear to Krishna; so if you recommend me to Krishna, Krishna will surely accept me.

CC Antya 7.11: kṛṣṇa-śakti vinā nahe tāra pravartana:. Without being empowered by the direct potency of Lord Krishna to fulfill His desire and without being specifically favored by the Lord, no human being can become the spiritual master of the whole world.

By distributing the holy name of the Lord, you personally cleansed the hearts of the most fallen persons like me and extinguished the blazing fire of this material world. Not only that, you broadcasted the shining brightness of Krishna's effulgence throughout the world. Such an Acharya is non-different from Krishna – you are the incarnation of Lord Krishna's potency. Such a personality is krishnalingita-vigraha – you are always embraced by the Supreme Personality of Godhead, Krishna.

I am so infinitely indebted to your divine grace for accepting me as your servant that even after taking lives after lives I will be unable to repay it. But your wonderful disciples have given abundant opportunities to engage in your service that I am very grateful to them for guiding me at every step of my spiritual journey. Please bless me to take to Krishna consciousness very seriously and become a useful instrument in the hands of your disciples in preaching this sublime philosophy to others. Let me always satisfy your disciples by serving them enthusiastically and not to dissatisfy them at any time.

I heartily thank you very much for accepting my Vyasapuja offering on this glorious occasion of Your Divine appearance in this temporary world.

Your humble servant,

Sunanda Hari Dasa

Sundar Govinda Dasa

Dear Srila Prabhupada,

Please accept my humble obeisances;

I value your mercy very much. In this desert of sorrow it is difficult to find even a drop of happiness. But you have brought the entire river of pleasingly nectarine happiness.

The value of something is more when you don't possess it. I am realizing the value of your personal intense association and service in temple, when I am away from temple. To make me strong you have pushed me into this ocean and now I am learning how to swim. I am sure I shall cross this ocean of materialism with your help. Please give me strength. Many times "Hare Krishna" mantra which you have given me is the only hope of getting back to your personal association. And this has proven true many times as my personal realisation. Thank you for this unsurmountable weapon to fight against maya.

One of your disciples said " Srila Prabhupada burned up our impurities and offered our service to his Guru Maharaj". You are so kind, thank you for being here, burning all my impurities. I had always desired to learn different aspects of life and now you are giving me an opportunity. Please let me not forget your ultimate plan for me. Please enlighten me with knowledge to become your sincere and serious disciple.

I am serving your movement as a full time missionary, everything is good going. No reversals from materialistic kinsmen. I have been enjoying ashram life, my service. Now I feel you want me to be more strong and fixed, come out of my comfort zone. I love the way you teach me. Please let this faith of me in you never dwindle in all situations.

One Yudhishtir Maharaj said "one of the most surprising thing is, every moment someone or other person is dying but still the foolish person thinks that I am not going to die". Thank you for giving me right perspective of death. Death is not really surprising to me but it is the ultimate proof for me of this temporary world.

Thank you for all the service opportunities you have created for me. I shall make best out of every single opportunity. Please keep me always blessed like this. There is fear of loosing your association in midst of material association. I am foolish, I

may forget your association but please do not leave my hand in this crowded market of Maya. Prabhupada "You are my only savior".

I thank from the core of my heart for giving me association of your sincere devotees which guides me. They act like mirror for my activities, I am very happy to learn from them. My faith in your organization has become stronger thousand times than previous year. Let me always surrender unto you under their guidance.

Please keep me always engaged in the service of Krishna.

Aspiring to be your sincere and serious disciple,

Sundar Govinda Dasa.

Sundara Rama Dasa

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories unto you.

Thank you for blessing me with the rarest thing in the whole world. If I have ever got a tinge of devotion to Lord, it is just your gift and nothing else. It is by your grace that I am chanting the holy names of lord and following the regulative principles. I am not at all qualified for such a precious thing. It is just your causeless mercy. Kindly help me keep that always with me.

Your qualities are amazing. You are unparalleled in your service unto Lord. Your books are the sources of all knowledge. Kindly help me read and understand them. If I look back, everything seems to be your gift. Thank you for holding hands in every phase of life.

My countless thanks from the bottom of my heart to all that you have blessed me with. Kindly direct and guide me in engaging more and more in your service. Please help me increase my devotion to Lord.

Aspiring to remain always as a devotee of Lord.

Your servant,

Sundara Rama Dasa.

Suniti Devi Dasi

Dear Srila Prabhupada,

Please accept my most humble obeisances at your lotus feet. All glories to my revered spiritual master. By your causeless mercy and grace, I have come in touch with Krishna Consciousness Movement. The word Guru means one who removes the darkness of delusion. The Guru is the grace bestowing power of Lord Krishna. This shakti through Guru is transmitted to devotees through your boundless grace. It awakens the divinity within us. It is not possible to know our true self through self efforts.

Every word of Sri Sri Guru-ashtaka is in perfect harmony with the truth of your wonderful qualities. Lord Chaitanya often recited the following Sanskrit verse to chanting parties that described the essence of His teachings.

harer nama harer nama harer namaiva kevalam, kalau nasty eva nasty eva nasty eva gatih anyatha

In this age of Kali, simply by chanting the holy Hare Krishna Mahamantra with full attention, one can achieve perfect self realization. All mantras & all processes for self realisation get compressed into the Hare Krishna Mahamantra. We utter

here Lord Krishna's name in its beauty, glory, divinity and simplicity to counter the ill effects of the present age of quarrel & anxiety.

You have opened my darkened eyes and filled my heart with transcendental knowledge. The fire of knowledge burns away the desires of disciple whenever we surrender to Lord Krishna and self realization blossoms forth.

By following your instructions and chanting Hare Krishna Mahamantra attentively, we are progressing day by day by grace of your mercy. We get strength to face difficulties of day to day life.

Kindly protect me & give me the strength and blessings to be always in service at your lotus feet. I am grateful to you for allowing me to be in the association of devotees. By following your instructions and chanting 16 rounds of Hare Krishna Mahamantra daily, I am progressing with your grace in spite of my weaknesses. Please pardon me for my mistakes and accept me as your humble servant. I sincerely pray to your Divine Grace to kindly give me the eternal shelter at your lotus feet on this auspicious day of Vyasa Puja.

Thanking you, Your humble servant,

Suniti Devi Dasi

Sura Dasa

Hare Krishna Srila Prabhupada!

Please accept my humble Obeisances! All Glories unto your Divine Lotus feet!

For the people in general from where I have also come from, devotion means 2 minutes of prayer to any kind of God, a person likes, or offers coconut, leaves, flowers, lamps to Lord to fulfill one's desire of sense gratification or sometimes devotion means doing philanthropic activity or at best to be in the mode of Goodness. In any case no one has the absolute understanding of what bhakti is. Even if someone has understood it in their capacity, it is either part time or to be practiced only in the old age.

Srila Prabhupada, it is you who has descended into material world just to deliver this conditioned soul by giving the actual Bhakti-Loving and eternal devotional service unto The Absolute Truth –Sri Krishna Chaitanya Mahaprabhu and Sri Nityananda Prabhu.

om ajñāna-timirāndhasya, jñānāñjana-śalākayā,

I was born in the darkest ignorance, and my spiritual master Srila Prabhupada opened my eyes with the torch of knowledge. I offer my respectful obeisances unto him.

Just to come and understand that I am suffering in this material world itself requires your mercy. But you with your unlimited mercy not only gave the knowledge that this world is suffering but also a process to get out of this material world and to go to a place where there is sat, cit and ananda which is the lotus feet of Supreme Personality of Godhead Sri Krishna.

Ohh Srila Prabhupada! I beg your mercy to be able to grab a drop of your mercy to purify my existence and to go back home back to Godhead.

Servant of your Servant,

Sura Dasa.

Surabhi Devi Dasi

All glories to our eternal spiritual master. Please accept my humble obeisances at your divine lotus feet.

My dear father,

Thank you for giving me this boon of Krishna Consciousness through your books and lectures which serves as the oasis in this desert of material existence. I am very poor in my vocabulary to properly describe you. If I think of repaying you even a little bit, it makes me bewildered about how great is your mercy that it's practically impossible to give you anything in return for all that you have given to us. All that I can do is just pray only for myself. Please forgive this inability of mine and kindly bestow your mercy upon me dear Prabhupada. It is indeed a very unfortunate thing that although your mercy is abundantly falling upon us, the unfertile and barren land of our hearts is unable to take the complete benefit of the same. I am simply tying the boat of my mind on the shores of sense gratification and trying to progress.

One can never progress in their spiritual life in this pace and manner. I am so puffed up with the theoretical knowledge and am not trying to materialise anything. All that I talk is just word jugglery without any realisation. I am wondering when this realisation dawn in me?! Kindly bless me that I get the stature to understand the basics of Krishna Consciousness in the most serious way. Give me the strength to come over the tendency for sense gratification and also help my well wishers and friends and who ever I meet to progress in this path and progress in Krishna Consciousness.

As I read more about Bhagavad-gita, more I am understanding how fallen and unfortunate I am. After all these years being in your glorious movement I hardly have any faith and surrender in the Supreme Lord and yourself, I say this because I am able to test this on myself during the critical times. Please help me to depend only upon Krishna and no one else. Please help this rotten jiva in getting further spoiled. You are the chaitya guru. You know everything just like Paramatma does. I am bound by so many material limitations and no one but you can understand me completely. Please use me the way you like. I may be stubborn sometimes, but Srila Prabhupada, you are the dutiful father who can twist my ear. I will always be greedy for your merciful glance in how many ever lifetimes to come.

Your unworthy servant and a disobedient student,

Surabhi Devi Dasi.

Tarini Radha Devi Dasi

Dear Srila Prabhupada,

Please accept my most humble obeisance at your divine Lotus feet.

Although your glories are endless, still I am trying to glorify you with all my limitations. I beg you to please accept this small offering of mine at your lotus feet.

When my mind was swarmed by the incessant flow of thoughts,
driving me crazy and tying me tight with material knots,
you mercifully gave me Krishna's holy names to drive away all my grief,
Thus, you have saved me, and how it has changed my life is the proof.

When I was helplessly tossed and turned by the three fold miseries,
I was so bewildered and confused about all the materialistic theories,
Your books calmed my mind and enlightened me about the absolute truth,
It's so wonderful how you mercifully showed me where to place my faith.

When I was haunted by so many questions left unanswered,
The unsolved mysteries of life and death left me clamored,
you kindly revealed the transcendental knowledge,
which could easily free me from all the false bondage.

When I was feeling so lonely amidst the noisy crowd,
surrounded by people who are so falsely proud,
you showed me who I really am and where I really belong,
I am an eternal servant of Krishna and serving Him is so pure and strong.

Aspiring to be your eternal servant, Tarini Radha Devi Dasi

Tribhuvanatha Dasa

Dear Srila Prabhupada,

Please accept my humble obeisances.

The long wait to begin the journey of Krishna consciousness in the association of devotees finally came to an end this year. By your blessings and the blessings of your sincere disciples at ISKCON Bangalore, I was able to join the monastery without much difficulty. It is a great fortune to practice Krishna Consciousness in the association of devotees with all facilities available to help me to make progress in Krishna Consciousness. Maya has absolutely no jurisdiction wherever your disciples are following your instructions strictly and that is exactly the scenario here at ISKCON Bangalore, one can get an opportunity to become completely free from the influence of Maya. This is extremely difficult to do without the association of devotees.

The beauty of ISKCON Bangalore and its group of centers is when somebody starts associating with devotees, attends the program and takes up the process to whatever little extent they can; one can clearly feel your presence in their life and also understand the transcendental aspects of the movement when they start chanting the Holy Name. This too shows that you are very much present with us and guiding every soul who is eager to make progress in Krishna Consciousness.

Once a reporter asked, "What will happen to the Movement in the United States when you die?" Srila Prabhupada immediately said, "I will never die. I live in my books."

On this auspicious occasion of appearance of your divine grace I pray to you to keep me always in the association of devotees, stick to the sublime process of Krishna Consciousness and realize your Bhaktivedanta Purports by serving your lotus feet.

Your Servant, Tribhuvanatha Dasa.

Vainateya Dasa

Dear Srila Prabhupada,

Please accept my humble obeisance on this most auspicious day.

om ajñāna-timirāndhasya jñānānjana-śalākayā cakṣur unmilitam yena tasmai śrī-gurave namaḥ

I was born in the darkest ignorance, and my spiritual master opened my eyes with the torchlight of knowledge. I offer my respectful obeisances unto Him.

Srila Prabhupad, in your purport to Sri Caitanya Caritamrita, Adi Lila, Chapter 1, Text 35, you had mentioned, that,

"One should always remember that a person who is reluctant to accept a spiritual master and be initiated is sure to be baffled in his endeavor to go back to Godhead. One who is not properly initiated may present himself as a great devotee, but in fact he is sure to encounter many stumbling blocks on his path of progress toward spiritual realization, with the result that he must continue his term of material existence without relief. Such a helpless person is compared to a ship without a rudder, for such a ship can never reach its destination. It is imperative, therefore, that one accepts a spiritual master if he at all desires to gain the favor of the Lord."

Srila Prabhupada, you are my eternal well-wisher. From the depths of my heart I thank you for saving me and giving me a life with real purpose. Recently when I had been to Hindu Yuva Mela in Sidhbari, I had come across few well known spiritual organizations in India. Being in that place for 3 days I can clearly see that how fortunate I'm to be in touch with a bonafide spiritual movement & the standard you have maintained compared to other so called spiritual movements. I don't know what I did to get you as Guru. I'm so blessed & fortunate to be part of your bonafide movement. Please bless me so that I can remain somewhat useful to your mission and perform our devotional services to the best of my abilities. Please bless me so that I can maintain my spiritual vows & cultivate a healthy service attitude..

In Light of the Bhagavata book, verse 43, you had written that, "We should not consider going back to Godhead a plaything. We must take it seriously, as enjoined in the scriptures." Practically, therefore, out of billions of people in the world, very few take to any serious spiritual practice, what to speak of adopting "going back to Godhead" as their ultimate goal. In the Srimad-Bhagavatam, in Kali-yuga, it is said that "people have short lives; they are quarrelsome, lazy, misguided, unlucky, and, above all, always disturbed." Srila Prabhupada, you have started ISKCON not only to give such people sanctified places where they can find refuge in a spiritual atmosphere, but also to give bona fide systematic practices by which anyone can reach the goal of human life by going back to Godhead. Among numerous practices that you've advised us to take seriously, here are four that are foundational: (1) Chanting 16 rounds (2) strictly following the four regulative principles; (3) reading your books; (4) spreading the Krishna consciousness movement all over the world.

In Madhya lila 25.279 of Sri Chaitanya Caritamrita, you make this fact crystal clear.

"All the devotees connected with the Kṛṣṇa consciousness movement must read all the books that have been translated (the Caitanya-caritāmṛta, Śrīmad-Bhāgavatam, Bhagavad-gītā, and others); otherwise, after some time, they will simply eat, sleep, and fall down from their position. Thus they will miss the opportunity to attain an eternal, blissful life of transcendental pleasure."

I therefore pray to remain fixed in the serious practice of reading your books daily, as you have advised.

In your purport to Sri Chaitanya Caritamrita, Madhya lila 19.156, you had further highlighted the importance of following the order of the spiritual master by remaining faithful in adhering to the regulative principles:

"If one thinks that he has become very mature and can live separate from the association of Vaishnavas and thus gives up all the regulative principles due to offending a Vaishnava, one's position becomes very dangerous. Offenses against the holy name are explained in Adi lila, Chapter Eight, verse 24. Giving up the regulative principles and living according to one's whims is compared to a mad elephant, which by force uproots the bhakti-lata and breaks it to pieces. In this way the bhakti-lata shrivels up. Such an offense is especially created when one disobeys the instructions of the spiritual master. This is called guru-avajñā. The devotee must therefore be very careful not to commit offenses against the spiritual master by disobeying his instructions. As soon as one is deviated from the instructions of the spiritual master, the uprooting of the bhakti-lata begins, and gradually all the leaves dry up. People are serious about many things in the modern world—sports teams, developing their physiques, plumping their bank accounts—but only a rare few are serious about abstaining from illicit sex, meat eating, gambling, and intoxication."

I pray to remain always in association of your disciples, avoid offending Vaisnava's & try my level best to be fixed in the serious practice of following the four regulative principles, as advised by you.

In the book, Teachings of Lord Kapila, you designate those who preach Krishna consciousness devotees as "superior sadhus."

“Those who are preachers are superior to those who go to the Himalayas to meditate. It is good to go to the Himalayas to meditate for one’s personal benefit, but those who undergo many difficulties in order to preach are superior. They are actually fighting for Krishna’s sake, and they are certainly more compassionate. Those sadhus who leave Vrindavana to go fight in the world, to spread Krishna consciousness, are superior sadhus”.

Srila Prabhupada, I pray to you to remain fixed in the serious practice of expanding the Krishna consciousness movement, as advised by you. Despite my lack of any qualification, I would still like every student visiting our center in Manipal to receive the sweet taste of Krishna consciousness and the inspiration to follow the blissful path of Krishna Consciousness. I do not have much experience, but under the guidance of your disciples I aspire to improve my expertise in your service

Thank you, Srila Prabhupada, for saving me. I’m eternally grateful to you. I humbly request you to keep me engaged in your service and forgive the offences that I have committed knowingly or unknowingly.

Your Servant, Vainateya Dasa.

om ajñāna-timirāndhasya, jñānāñjana-śalākayā cakṣur unmīlitam yena, tasmai śrī-gurave namaḥ

My dear spiritual master Srila Prabhupada,

I was born in the darkest ignorance, and your Divine Grace opened my eyes with the torch of knowledge. I offer my respectful obeisances unto your lotus feet!

Today is the most auspicious day of your appearance on this planet. You appeared to teach us by your own example. Your every action was imbued with Krishna consciousness. There was never a time when you remained forgetful of Krishna. By your divine pastimes and instructions you have transformed the lives of wretched souls like me into blissful servants of Krishna!

Every year is an opportunity for a disciple to glorify your divine pastimes with his/her homages. Glorifying spiritual master purifies the disciple as much as it does by glorifying the Supreme Lord. Because the spiritual master is the bona fide servant and lover of the Supreme Lord, whatever he accepts from the disciples he passes it on to the Supreme Lord. This can be understood even by material example. For instance, the viceroy or representative of the king is given all respects that are due to the king. Sometimes presentations are even made to him when in fact they are meant for the king, but he never keeps such gifts for himself, nor does he consider that since all these people are honoring him that he has become as good as the king. He always remains the king’s obedient servant. It is only by the mercy of your divine grace that I have the opportunity of serving Lord Krishna by serving your mission. *yasya prasādād bhagavat-prasādo, yasyāprasādān na gatiḥ kuto 'pi* - By the mercy of the spiritual master one receives the benediction of Kṛṣṇa. Without the grace of the spiritual master, one cannot make any advancement.

You are the bona fide spiritual master who never deviated from the disciplic conclusions. Rather, you risked your life to spread these soul-saving teachings across the world as a Commander in Chief of Lord Sri Chaitanya Mahaprabhu. My heart cries to hear the difficulties you faced while fighting to remove our ignorance for the spiritual life. Those who lived at your personal shelter have carefully preserved, in the form of writing, all that their memory they could retain for our benefit. Therefore, we have immense literatures at present to remember, glorify and associate with your divine personality. It is all by your transcendental mercy that was showered upon your genuine followers.

Your mercy is open to everyone irrespective of the material discriminations. You arrived at the place where almost everyone was Maya’s servant. With full faith in the Holy name and utter sincerity to fulfill the orders of your spiritual master, you stirred a spiritual revolution in the materialistic civilization. You struggled for years and lived with hippies to transform them with your causeless mercy. You finally built ISKCON, a home where all could live happily.

Your very presence gives the results of visiting holy places of pilgrimage. This is so because once you wrote to Kirtanananda swami "We should always know that Vrindavan is not localized in a particular area, but that wherever Krishna is there, Vrindavan is automatically there. And wherever the Holy Name of Krishna is chanted, Krishna is present there because there is no difference between Krishna and His Holy Name." Please bless me with your constant association through your various manifestations available at present. I could never imagine understanding those Holy places without seeing them through your spiritual vision.

You were awake at night just to give sight to the sleeping souls through your transcendental writings. In a letter to Mandali Bhadra you wrote "Practically, books are the basis of our Movement. Without our books, our preaching will have no effect." I beg your mercy to understand your books so that I may become your instrument in preaching the message of Lord Chaitanya.

I have no ability to glorify your transcendental qualities and pastimes. I'm just an insignificant soul who anticipate tremendous blessings from the ocean of mercy of your Divine Grace.

Your fallen servant, Vaishnava Bandhu Dasa

敬爱的圣恩A. C. 巴克提维丹塔. 斯瓦米. 帕布帕德：

最亲密的灵性导师，无比仁慈的伟大灵魂啊！请接受我在您的莲花足下献上的最谦卑的敬意和顶拜！一切荣耀归于您！

转眼三年已过去，从一开始的困惑、挣扎，不适，到现在的安定、臣服、主动，我在心里已全然喜悦的接受了这在异国他乡，为您做全然奉献服务的生活。我感到满足并十分感激，感到您给的恩典生生世世无以报答！

我出生在堕落的中国，从小到大没有任何人给我任何有关灵魂的教育，每天只是像动物一样活着，虽然内心苦楚，却也说不清道不明这一切苦到底是因为什么。我的家人没有任何宗教信仰，而且每当说到有宗教信仰的人的时候，他们也总是贬低他们，说那是迷信，说只有没能力的人才会出家去当和尚，我们不要那样做，好像我们的生活才是全然正确的，然而纵观我们的生活，不过是每天吃肉喝酒，放纵而没有任何节制。在那样的家庭环境下，我的心痛苦极了。困惑却又不知所措。

上主看到了我的受苦，对我极度怜悯，祂让我接触到了圣名以及您全然超然的灵性著作。我的心被启迪了。我知道您所说的一切都是绝对真理，并且毫无疑问的开始践行遵循规范守则，坚持不断的念诵圣名，坚定灵性练习。您的话语如此纯净，充满了力量，从阅读您著作的最一开始我便明确了自己的唯一极度渴望便是回归首神。如果没有您的仁慈、怜悯和祝福，像我这样堕落的灵魂怎会有这样的认识，又怎会生出如此的渴望。所以生生世世我都要在您的莲花足下不断顶拜，深知那救命之恩无以报答！

现在的生活每一天都是奇迹和喜悦，这灵修生活让我的心充满了热情和活力。每天都盼望着清晨的灯仪、念诵、拜见神像和奉献服务。虽然我的心依然不纯净，但是每天我都在您的莲花足下祷告并忏悔，希望今天您可以让我做个好人，不犯过、不愤怒、不凶恶、不嫉妒、不憎恶、不贪婪、不愚痴、不懒惰，也不挑剔他人... 我真心的祈祷可以克服自心的弱点，也祈祷您赋予我力量让我可以更纯粹的念诵并全然无私的奉献，如果没有您的祝福，我知道自己没有能力做到。所以在您的莲花足下，敬爱的灵性导师啊！请接受我最真诚的祈求，请您祝福我可以做到这一切！

每当我认真真投入的赞颂您、赞颂上主，并本本分分的完成您赐予我的服务的时候，我都能感到您们一直在心里保护着我，对我微笑，我的心里充满了感动和安全。虽然我不完美，有时又会被玛亚带走，但是我知道只要我真心祈祷，认真工作，您们一直都在我心里不会离开，您们给我的信念和力量无法衡量，所以敬爱的上主及无比仁慈的灵性导师圣帕布帕德啊！请接受我一直不断真诚的祈祷吧，请在回归首神的路上护佑我，在我脆弱或迷惑的时候提醒我，不要让我犯错或跌倒。也愿我可以做的更好。

无比感恩！一切荣耀归于古茹和戈郎伽！一直不断祈求您们仁慈的注视和垂怜！

您卑微的仆人

Dear Srila prabhupada

Please accept my humble obeisances unto your lotus feet.

Thanks for giving everything in my life. The mercy, compassion, guidance, love, tolerance you have shown on this most fallen soul is beyond my words to describe.

I'm eternally indebted to you. My only prayer is to keep me in devotional service and in the association of devotees.

Please forgive me for the offenses I have done to you to your organization to your disciples.

Although dwelling in Vṛndāvana, you have descended for the welfare of fallen souls like myself, and you are preaching the divine love of Radha for Krishna. Please be kind upon me.”

Dear Srila Prabhupada Once reporter asked you, “What will happen to this movement when you die.” You replied, “I will never die.” All the devotees shouted “Hari bol!” and “Jaya Srila Prabhupada!” Then you said, “I will live forever in my books.” Some people feel you have left, but for us in your ISKCON you are alive and well. We see your preaching going on every day. Thousands of people are coming to the temple and appreciating the beauty of your Deities, taking prasadam, and buying your books. How is it happening? It is because of your presence and your causeless mercy only,

You built a house in which the whole world can live, ISKCON is a purely spiritual movement offering the highest benediction of pure devotion service and ISKCON is the most trust worthy place for spiritual advancement..

Srila Bhaktivinoda Thakura, the great ācārya and poet of our Gaudiya Vaishnava sampradaya, has perfectly described the position of the disciple in his complete dependence on the mercy of the Gurudeva:

yogyata vicara, kichu nahi pai, tomara karuna sara, karuna na hoile kandiya kandiya orana na rakhibo ara

“If you examine me, you will find no qualities. Your mercy is all that I am made of. If you are not merciful unto me, I can only weep, and I will not be able to maintain my life.”

Dear beloved Srila Prabhupada, by the mercy of Krishna you have come, and you accepted me as your disciple, By your mercy I understood previous acharyas. By your mercy I understood Nityanda Prabhu, Chaitanya Maha Prabhu, and Panchtatva, By your mercy I understood that Krishna is the Supreme Personality of Godhead. By your mercy devotees

helped me to join temple, and by your mercy I wore dhoti, By your mercy I shaved my head and put shika, and by your mercy I am able rise early in the morning and attending the arati. By your mercy I became Krishna conscious. By your mercy I got initiation. By your mercy I got thread, and able to do Gayatri, it is only by your causeless mercy that I am still doing service in your temple as a pujari, and trying to serve your magnificent lotus feet.

Whenever I am dressing the Deities I am hearing your transcendental voice your Krishna book dictation I feel like I am in different world. It's all your causeless mercy.

All glories to your mercy, Srila Prabhupada! All glories to your ISKCON movement! All glories to the maha-mantra and sixteen rounds of Hare Krishna, Hare Krishna, Krishna Krishna Hare Hare / Hare Rama, Hare Rama, Rama Rama, Hare Hare! All glories to your disciples, and all glories to all of your followers! All glories to your books, all glories to book distribution, all glories to Harinama sankirtana, and all glories to preaching in every town and village! All glories to your temples, all glories to the wonderful Deities you installed all over the world, and all glories to prasadam. And most of all, Srila Prabhupada, all glories to your appearance day. Thank you very much, Srila Prabhupada, for the treasure you have given us that is greater than the greatest gem, greater than the most valuable metal, and greater than millions of dollars. By your causeless mercy, you have given us your association and the opportunity to glorify you.

Srila Prabhupada, I am begging you to allow me to serve and please you more and more. Don't kick me away, please destroy my foolishness and let me do service in your temple.

Your most insignificant eternal Servant

Hare Krishna Hare Krishna, Krishna Krishna Hare Hare!

Hare Rama Hare Rama, Rama Rama Hare Hare!

Jai Sri Radha Krishna Chandra! Jai Sri Nitai Gauranga! All glories to Srila Prabhupada!

My dear Spiritual Master and Spiritual Father, Srila Prabhupada,

Please accept my innumerable heartfelt humble obeisance, love and respects to your lotus feet.

Time and again this thought keeps crossing my mind – “What would we all have been doing now, if you had not appeared in this fallen age...?” That very thought grips my heart with fear. Completely lost in sense gratification and illusion, we would have all wasted our lives birth after birth and would have eventually made our way to hell forever. If it were not for you, my life would be fraught with darkness. The joy felt within, because of your causeless mercy that you have bestowed upon all of us, is immeasurable.

Looking back, maybe some 24 years ago, I remember an incident which is etched deep in my memory. I was a school going girl and was studying in 5th standard. It was evening time and I was in my room trying to do some homework, but my mind was elsewhere. Thoughts about God was racing through my head. I remember that my mother walked into the room and I suddenly asked her, “Maa, please tell me if we can ever see God?” My mother responded by saying that it is not possible to see God at all. To that, I remember crying bitterly with tears strewn all over my face thinking that we will never ever be able to see God. A feeling of emptiness and hopelessness had filled my heart that we can never come face to face with God. At that point of time, I did not even have the idea as to how God might ‘actually’ look like. But I had this immense desire to see Him. Even till today, I remember this tiny episode as if it had just happened yesterday. It is still so fresh in my memory.

Years passed and as I grew up, the idea of God had always occupied a tiny corner of my mind. Recently around 8 years ago, I remember those dreadful thoughts that used to cross my mind. I was thinking that there are so many gods (demigods) whom we worship in our Hindu religion. So when I die, which god will come to claim my soul?! What if no one comes to

claim my soul! What if I am left astray just to float in void! I felt so scared to even think of it. I always wanted to know as to who is that one God who tops all the other gods (demigods). But I had found no answer to it back then.

I did not know that soon I would find an answer to this. A couple of years later, I walked into ISKCON temple at Rajajinagar. After I began reading your books, I came to realize that Lord Krishna is the Supreme Personality of Godhead. It was a great day for me to rejoice. My heart was pacified with the fact that now I know by your mercy that Lord Krishna is our Supreme Lord and through your books I came to know in more detail about His beautiful form, His entourage, His paraphernalia, His pastimes, His sweetness and His unconditional love. Moreover, through you, Srila Prabhupada, I came to know that by doing pure devotional service and by pleasing you and the Lord, we can see Him face to face when the Lord decides to reveal Himself. My joy knew no bounds. At last my long time questions found their answers and it was all because of you. If it were not for you Srila Prabhupada, I would be lost forever. Thank you for finding me and thank you immensely for accepting this conditioned, fallen, undeserving soul as your disciple and spiritual daughter. I am forever thankful and indebted to you.

Thank you for sending me on the Europe Yatra this year, to see the centers established by you there.

Your fallen servant,

Vasudha Priya Devi Dasi.

Vedavathi Devi Dasi

Jai Srila Prabhupada.

I offer my respectful obeisances unto the lotus feet of my spiritual master Srila Prabhupada.

Dear Srila Prabhupada,

I am such a dull, fallen soul, lowest in the lowest, I don't have any qualifications to render service unto to you through my words but by shower of your divine mercy I am trying to express few of my experiences in the form of gratitude to you.

Prabhupada, I got a very precious jewel of my life Krishna Consciousness by your divine grace.

Dear Prabhupada, when I was in the darkest ignorance, you opened my eyes with the torch of Krishna conscious knowledge, you made me realize who Krishna is, what is his position and you also made me realize the position of a spiritual master and importance of him in one's life for the spiritual advancement.

In BG Krishna says a bonafide spiritual master is the representative of the Supreme Lord, his directions are directions of the Supreme Lord, if he bestows his blessings upon his disciple that will make the disciple immediately advanced. Without the spiritual master's instruction one cannot progress in spiritual life. And Krishna also says in BG how a disciple should be. He should approach a bonafide spiritual master, who comes in the disciplic succession, inquire from him and render service unto him. This will please the guru, if he is pleased, Supreme Lord also is pleased.

Dear Prabhupada my only humble request to you is, please always keep me and my daughter under your shelter and bless me and my daughter with shower of your mercy so that we always follow your instructions and never displease you and your disciples.

Your's humble, fallen servant.

Vedavathi Devi Dasi.

Vedavyasa Dasa

Dear Srila Prabhupada!

Please accept my humble obeisance at your lotus feet!

Only after offering our respectful obeisance unto your lotus feet many, many times can we describe a few qualities of Your transcendental glories.

Dear Srila Prabhupada, you have nullified completely the materialistic view of this mundane world.

I am fortunate to be aware of this atheistic nonsense that, life comes from the void or life comes from matter. Under this material conception of life, I have suffered many, many births and deaths. Now, after hearing from you, I am able to practice Krishna Consciousness, however unqualified I may be.

You have handed me the lifeline of devotional service, but I am so weak that I can hardly hold on. My keen desire to enjoy this material world weighs heavily upon me though I see the dangers of materialistic life.

Your mercy is unlimited and all pervading. By your own causeless mercy, You have appeared just to deliver unfortunate conditioned souls. You have ignited the spark that is kindling a revolution in the impious lives of the world's misdirected civilization.

Dear Srila Prabhupada! My only lamentation is that even while speaking these words I am not fully surrendering and am not fully appreciating your unlimited transcendental qualities. Kindly free me from the horrible forest of material enjoyment. Please allow me to take this Sankirtana movement as my life and soul, in full knowledge of its dearness to you. Please give me the inspiration and the intelligence to preach its glories around the world, thus giving your blessings to others and making them fortunate.

I am simply a beggar of your mercy; therefore, being a beggar, what can I offer to you?! Srila Prabhupada, please accept my humble service at your divine lotus feet.

Your unworthy servant,

Vedavyasa Dasa.

Veera Raghava Dasa

Dear Srila Prabhupada,

Please accept my most humble obeisances at your diving lotus feet.

It gives me immense pleasure every day that I am very fortunate amongst many in getting the opportunity to chant Hare Krishna Mantra which gave me to understand miserable aspects of material life and best way to get out of it. I get amazed when I look back and introspect my activities earlier compared to now, can say that there is a significant change in increasing my enthusiasm towards spending more time in reading your books and that is only because of your constant guidance and direction. Thank you very much for giving more and more opportunities to do devotional service even though not utilizing the opportunities fully due to my many limitations. You are very much merciful in enlightening through your lectures whenever I have unanswered questions bothering me many times. It is only your kind merciful heart, I could able to progress despite having many faults.

Also, with little bit of seriousness you are providing excellent opportunities to improve my devotional service activities with regular association with devotees and gaining practical Krishna conscious knowledge. I beg you to disregard my faults and provide more and more opportunities to increase my devotional service.

Aspiring to be your Eternal Servant, Veera Raghava Dasa.

Vijaya Gauranga Dasa

Dear Srila Prabhupada,

Please accept my humble obeisance.

I would like to express my gratitude for accepting me as your disciple. Your glories are spread all over the three worlds. Such a glorious spiritual master like your self accepting such an unqualified person as your disciple is magnanimous. This depicts that you are the commander-in-chief of Lord Chaitanya. As Lord Chaitanya Mahaprabhu is the embodiment of magnanimity.

*dīna-hīna jata chilo, hari-nāme uddhārilo,
tāra śākṣī jagāi mādhai*

"The holy name delivered all those souls who were lowly and wretched. The two sinners Jagāi and Mādhai are evidence of this."

As Sri Chaitanya Mahaprabhu delivered the most lowly and wretched souls like Jagai and Madhai. Srila Prabhupada, you have been so kind upon me, by accepting such a lowly person as your disciple.

In Srimad Bhagavatam 3rd Canto, 7th Chapter, Text 19, Sri Vidura offers this prayer to Srila Maitreya Muni,

*yat-sevayā bhagavataḥ, kūṭa-sthasya madhu-dviṣaḥ
rati-rāso bhavet tivrāḥ, pādayor vyasanārdanaḥ*

By serving the feet of the spiritual master, one is enabled to develop transcendental ecstasy in the service of the Personality of Godhead, who is the unchangeable enemy of the Madhu demon and whose service vanquishes one's material distresses.

So I would like to offer this prayer unto your lotus feet, as by serving your Lotus feet, one is enabled to develop transcendental ecstasy in the service of the Personality of Godhead. Sri Jada Bharata also says this to King Rahugana: vinā mahat-pāda-rajo-'bhiṣekam, My dear King Rahūgaṇa, unless one has the opportunity to smear his entire body with the dust of the lotus feet of great devotees, one cannot realize the Absolute Truth. Srila Prabhupada, I have got the boundless fortune of coming in touch with such a glorious spiritual master coming in the bonafide disciplic succession. I feel I am the most fortunate because I have the opportunity to serve your lotus feet. Serving your lotus feet means serving your instructions. But with great distress, I have to say that I fail miserably when it comes to follow your instructions.

I have a long cherished desire and a boon to ask from Your Divine Grace on this auspicious occasion of Your Divine appearance. I wish that you empower me with all the required strength to convince the intelligentsia of Bangalore on the teachings of Sri Chaitanya Mahaprabhu. Just like the way you blessed Ivan aka Anantha Shanti Prabhu.

On June 23rd, 1971, Two young men, one the son of an Indian diplomat stationed in Moscow, the other a young Muscovite, were loitering near Red Square when they saw Syamasundara, a tall young man with a shaved head, a long reddish ponytail, and flowing white robes approach. Familiar with Syamasundara's dress, the son of the Indian diplomat stopped him. Syamasundara smiled, "Hare Krishna, brother." And he began talking with the Indian, whose name was Narayana. The Russian, Ivan, knew a little English and followed the conversation as closely as he could. The talk grew serious. "Why don't you come up and meet my spiritual master?" Syamasundara asked. Honored, the boys immediately accompanied Syamasundara to the Hotel National.

When they arrived, they found Prabhupada seated on his bed, aglow and smiling, Aravinda massaging his feet. Syamasundara entered, offering obeisances before Prabhupada. Ivan was interested even more than his Indian friend and was completely fascinated. Prabhupada began explaining to him the philosophy of Krishna consciousness, he inquired with respect and awe, and Prabhupada answered his questions, teaching as much basic information about Krishna consciousness as was possible. Prabhupada mentioned his desire to preach in Russia, which was a great field for Krishna consciousness

because the people were open-minded and hadn't been polluted by sense gratification. Ivan's taking to Krishna was like a hungry man's eating a meal.

The next day, Syamasundara began to explain to him how Krishna consciousness was the topmost of all spiritual paths. He also taught him basic principles of bhakti-yoga, such as chanting the prescribed sixteen rounds of japa daily, and gave him his own copy of Bhagavad-gita As It Is. Prabhupada showed Ivan how to prepare chapatis and rice and asked him to give up eating meat. Joyfully, Ivan accepted the chanting, the new way of eating - everything. Ivan was being trained so that after Prabhupada left, Ivan could continue on his own. With only two days left in Moscow, Prabhupada taught Ivan as much as he could and initiated him as Ananta Shanti Dasa. In this young Russian's eagerness and intelligence, Prabhupada found the real purpose of his visit to Russia.

Ananta Shanti Prabhu, on his own accord had taken the Hare Krishna movement in Russia to the next level. This cannot happen without your empowerment and blessing on him. This transcendental pastime has increased my firm conviction on your divine self that without your mercy, blessings and empowerment, no one can do anything on his own accord. The famous saying from Bhāvārtha-dīpikā commentary on SB 1.1.1:-

*mūkaṁ karoti vācālaṁ paṅguṁ laṅghayate girim
yat-kṛpā tam ahaṁ vande śrī-guruṁ dīna-tāraṇam*

By the mercy of the guru, even a dumb man can become the greatest orator, and even a lame man can cross mountains.

So if you bestow your causeless mercy on someone, even if he's the most fallen and unqualified. He becomes the greatest preacher of the message of Lord Chaitanya Mahaprabhu.

Please kindly bestow this mercy on me and empower me to preach the message of Lord Chaitanya Mahaprabhu to the tough, atheistic and argumentative top-notch youth of today. Please give me the strength, courage and the intelligence to break their arguments and convince them about the transcendental message of Godhead.

On this auspicious occasion of your appearance, I would like to thank you so much for blessing me with the storehouse of knowledge, Srimad Bhagavatam, Srimad Bhagavad-gita and Sri Chaitanya Charitamrita. I relish the transcendental knowledge emanating from these books day in and day out. They are my only refuge in this world. I am distressed, depressed and crushed by the material world. Spending each moment in this material world is pathetic and unbearable.

Your books are my only hope,

Serving your Lotus feet is my only hope,

Following your Instructions is my only hope.

My dear Srila Prabhupada, You are my only hope.

Aspiring to be the servant of your servant,

Your undeserving disciple,

Vijaya Gauranga Dasa

Vijayendra Krishna Dasa

Dear Srila Prabhupada,

I offer my sincere obeisance at your lotus feet.

All glories to His Divine grace.

We sing daily during guru-puja, "He opens my darkened eyes and fills my heart with transcendental knowledge. He is my Lord birth after birth. From him, ecstatic prema emanates; by him ignorance is destroyed." You are the light in our lives.

It is only by your causeless mercy and grace we got an opportunity to know and serve Krishna. Thank you for bringing Krishna in our lives.

Srila Prabhupada, you have created a house suitable for all and uniting entire world. You are the ideal, real, example of a true leader.

Srila Prabhupada, thank you for your determination, selflessness. Without your intervention this world would have been lost in Kali and engulfed in even more terrible activities meant to destroy anything sacred.

Kindly engage me in your devotional service. I beg for the genuine humility and pure motivation to serve you as your effective, humble servant. Thank you for all that you have given to us.

Your humble Servant,

Vijayendra Krishna Dasa.

Vimala Krishna Dasa

Dear Srila Prabhupada,

Please accept my obeisances at your lotus feet. All glories to your Divine Grace.

On this auspicious day of your Vyasa Puja, let me offer my respectful obeisances unto your divine lotus feet which can provide shelter to everyone and are the abode of pure devotion.

Your divine grace can bestow the highest benefit possible for all the living entities i.e Krishna Prema because you are always relishing the nectar of love for Krishna.

We learn from Krishna book the importance of accepting the spiritual master “According to scriptural injunctions, a spiritual master should be respected and regarded on an equal level with the Supreme Personality of Godhead. Kṛṣṇa and Balarāma exactly followed those principles with great devotion and underwent the regulations of brahmacharya. Thus They satisfied Their spiritual master, who instructed Them in Vedic knowledge.

Kṛṣṇa and Balarāma, the Supreme Personality of Godhead, are the source of all knowledge, but because They were playing like ordinary human boys, They set the example so that everyone would receive knowledge from the right source. Thus They agreed to take knowledge from a spiritual master”.

It is said in the Krishna book “If someone is able, by chance, to see face to face a great saintly person like Nārada, who is always serene and merciful to everyone, then immediately that conditioned soul becomes liberated. This is exactly like being situated in the full light of the sun: there cannot be any visionary impediment.”. Srila Prabhupada, this is the same result we see who came in touch with you or just saw you. There are many instances where common people who were not devotees simply by having your darshan became devotees.

Drupadai Dasi shares “At that time, I was maintained...my family was selling hippie bells and beads on Oxford Street, and the devotees used to pass by on harinam. There used to be one devotee called Ishan and he was French Canadian, he used to play trumpet. But they were quite a funny crowd, and they used to go down Oxford Street chanting and sometimes I joined on, once or twice. So finally then the record came out, the Hare Krishna record, and that one I used to play all day long at my little apartment. Then we heard the guru is coming. Prabhupada didn't disappoint us, he arrived on time. Then I attended the first lecture in Conway Hall. Actually I didn't understand anything that Prabhupada was saying really. A few little words I could get now and again, but I just sat there just drinking the vibration and the whole divine presence of his being. So by the time the interval came, I went to speak with the devotees and said, "OK, when can I join?" It was just enough to see Prabhupada one time. By the time he'd opened his mouth and by the time he'd closed his mouth was enough for me, and around a week later I moved into Tittenhurst Park”.

In the SB1.4.12 it's said that “Those who are devoted to the cause of the Personality of Godhead live only for the welfare, development and happiness of others. They do not live for any selfish interest”. When I read or hear about all your pastimes

which you performed on this earthly planet , the above statement of SB comes to my mind. All through your life you only lived to give happiness to others and there's no doubt that you achieved it.

Chittahari das shares "I went on this morning walk, and I was sitting next to Prabhupada. There were only a few of us. Prabhupada was looking out at the people all going to work along Saint Kilda Road, and they were all dressed up in their suits, men and women. It was one of the very up-market parts of Melbourne, and all these people were dressed up and all rushing off to work.

I was sitting next to Prabhupada and I remember I was looking out thinking, "Oh, how fortunate I am. I'm here with Prabhupada, I'm here with the great pure devotee of the world, and there are all these people just going off like mudhas to work." Then Prabhupada was looking out at them too, and then Prabhupada turned around to me and I saw that he had tears running down out of his eyes. He looked at me and he said, "How can they be saved?" .

Srila Prabhupada you're the emblem of all the 26 qualities of a pure devotee. Just as Krishna displayed all the 6 opulence's of Bhagavan in full you too displayed all the 26 qualities in full. Out you which your mercy and compassion attracts me the most. Because you have given me your personal guidance from the beginning of my KC life. It's surprises me that even after knowing everything about me you still continue to give me your shelter and association through the institution of ISKCON Bangalore. Even though I don't deserve any of it. It's really wonderful to just comprehend how you have made yourself available through this institution, so that you can reach your mercy to everyone even in your physical absence. As you have said that " I shall never die" this institution is the living proof of that.

Srila Prabhupada in a letter to Mahananda dated 27 April, 1970, you write "Regarding your questions are the Spiritual Master and the Grand Spiritual Master consciously aware of the prayers of a sincere devotee who prays in love to Them?— the answer is that no conscious prayers go in vain. They are transmitted positively. But one thing you must know that any prayer you offer to your Spiritual Master and Superior Spiritual Master, all of them are conveyed to Krishna, so no sincere prayers go in vain. We shall always offer such prayers to Spiritual Master, Superior Spiritual Master, Vaisnava Acaryas, Lord Caitanya, and at the end Radha Krishna, that is the system".

Dear gurudev I offer my sincere prayers to you and your lotus feet,

Teach me to control my 1) six passions; 2) rectify my six faults, 3) bestow upon me the six qualities, and offer unto me the 4)six kinds of holy association.

- 1) The six passions are those pertaining to words, the mind, anger, the tongue, the stomach and the genitals.
- 2) The six faults are overeating, attachment to material things, inability to follow regulative principles, sense gratification, useless idle talk, and impure habits.
- 3) The six positive qualities are enthusiasm in practicing devotional service, firm faith in devotional processes, a strong desire to attain prema-bhakti, a favorable service attitude, avoidance of non-devotees, and appreciation of the company of devotees.
- 4) The six kinds of holy association are, offering gifts in charity, accepting charitable gifts, revealing one's mind in confidence, inquiring confidentially, accepting prasāda and offering prasāda.

Kindly keep me always at your lotus feet and always engage me in the service of Krishna. Kindly subdue my pride and arrogance by your vani just as Sri Krishna subdued Kalyia by dancing on the hoods. Kindly give me the right knowledge and empower me to act accordingly. Please bless me to be always be obedient to my authorities through whom you act. Srila Prabhupada I want to thank you so much for giving me a new life full of happiness and excitement.

Your unworthy servant,

Vimala Krishna Dasa.

Vishnuduta Dasa

Dear Srila Prabhupada,

Please accept my humble obeisances unto Your Lotus Feet.

All glories to Your Divine Grace!

As I begin to write my 5th Vyasa Puja Offering, I'm starting to perceive the inestimable fortune that has been bestowed upon me by your incomprehensible mercy. Srila Krishna Das Kaviraj Goswami writes in the *Adi Lila*:

*guru kṛṣṇa-rūpa hana śāstrera pramāṇe;
guru-rūpe kṛṣṇa kṛpā karena bhakta-gaṇe*

“According to the deliberate opinion of all revealed scriptures, the spiritual master is non-different from Kṛṣṇa. Lord Kṛṣṇa in the form of the spiritual master delivers His devotees.” (CC *Adi* 1.45) Srila Prabhupada, please accept this insignificant homage of mine although your transcendental position can never be befittingly glorified to the fullest extent just as it's impossible to fully estimate & glorify the transcendental qualities of Krishna. No Acharya but you, Srila Prabhupada, has ever been known to have distributed the mercy of Lord Chaitanya in an unending, unlimited variety of ways, most profound of which I reckon is your books. Against all the odds, you painstakingly and uncompromisingly wrote them for the matchless benefit of not only the most fallen, conditioned souls but also advanced Vaishnavas. Your health & age that materially seemed unfavorable didn't prevent you from giving us the ocean of transcendental nectar in the form of your Bhaktivedanta Purports. Dear Srila Prabhupada, I strongly believe that it's by associating with your words, your chanting that is available to us in the form of your books; we can develop the impetus and determination to perfect our chanting of the Hare Krishna Maha-Mantra. HG Madhu Pandit Prabhu once said in a Bhagavatam lecture, “Life is finished if you don't read Prabhupada's books. 100% finished. Sooner or later you will leave Krishna Consciousness if you don't read Prabhupada's books. You have to cultivate reading Srila Prabhupada's books.”

And so, I'd like to recall and reminisce for the pleasure of your Divine Grace, a few significant instances where you stressed on the importance of reading your books. In a Lecture that you delivered on June 6, 1972, in Los Angeles, you said: “So Parikshit Mahārāja had the opportunity of hearing Srimad-Bhagavatam for seven days, but I do not know if I have the opportunity to read Srimad-Bhāgavatam for seven minutes. So let me read it very seriously. That should be our attitude. Not that, “Oh, Parikshit Mahārāja was given seven days' notice. I have no such notice. I may live for seven millions of years.” That is our disease.”

In Caitanya-caritāmṛta, *Madhya-lilā* 25.278, you emphatically say:

“All of the devotees connected with this Kṛṣṇa consciousness movement must read all of the books that have been translated (Caitanya-caritāmṛta, Srimad-Bhāgavatam, Bhagavad-gita, and others). Otherwise, after some time, they will simply eat, sleep and fall down from their position. Thus they will miss the opportunity to attain an eternal, blissful life of transcendental pleasure.”

On another occasion, you said: “You are experiencing some doubts that you cannot believe that the Kṛṣṇa from Kṛṣṇa book can be the Supreme Personality of Godhead, that it must be like some fairy tale. To clear up these things the best remedy is to discuss amongst yourselves and all members regularly all our books in classes, then these doubts will be killed. Without reading books it becomes hackneyed and such obnoxious ideas trouble us.” (Letter to Satyabhāmā, February 28, 1972)

Dear Prabhupada, you revealed the ultimate benefit that we can receive by getting in touch with your books when you stated in a letter: “Try to always study our books and see our philosophy from different lights of directions. Become convinced yourself of this knowledge, and without a doubt, all your difficulties of mind will disappear forever and you will see Krishna face to face.” (Letter to Bhāgavatānanda, July 8, 1972)

Thank you Srila Prabhupada for giving me the opportunity to read your books, be engaged in rendering devotional service in the association of your disciples and the unparalleled opportunity to eventually see Krishna face to face.

In the 7th canto you've written: "Prahlada Maharaja proposed that he engage in the service of Narada Muni. He never proposed that he engage directly in the service of the Lord, This is the right conclusion. Therefore he said, so 'haṁ katham nu visrje tava bhr̥tya-sevām: "How can I give up the service of my spiritual master, who has favored me in such a way that I am now able to see You face to face?" Prahādā Mahārāja prayed to the Lord that he might continue to engage in the service of his spiritual master, Nārada Muni." (SB 7.9.28, Purport)

Likewise, I would like to pray unto the Lord and beg for His mercy, so that I may always associate with your beautiful instructions and be engaged in serving your glorious mission.

Please pardon me Srila Prabhupada, for all the offenses that I have consciously & unconsciously committed against you and allow me to never forget that I am your eternal servant and that my eternal duty is only to please you.

Your insignificant servant,

Vishnuduta Dasa.

Vishvvasu Dasa

My Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet.

mūkaṁ karoti vācālaṁ paṅguṁ laṅghayate girim

yat-kṛpā tam ahaṁ vande śrī-guruṁ dīna-tāraṇam

"I offer my respectful obeisances unto my spiritual master, the deliverer of the fallen souls. His mercy turns the dumb into eloquent speakers and enables the lame to cross mountains."

Your mercy made the conditioned souls turned in to a Vaiṣṇava...!

Your mercy made the people to understand the purpose of human life...!

Your mercy made unpurified to purified within & without...!

Your mercy only made me to serve you & Kṛṣṇa...!

My realization through your instruction:

"I was bound up in the network of māyā and are forced to toil fruitlessly. I had no devotion but only passion and I was trying to become so called scientist, because I felt that is the highest knowledge. But I understood which can be the highest knowledge.

"rāja-vidyā rāja-guhyam pavitram idam uttamam"

This knowledge is the king of education, the most secret of all secrets.

Actually I was wandering without proper guide to make my life wonderful, as I observed so far from the people who were interested to lead their life in successful manner cheated by others by talking from their own experience and others judgments i.e, When I inquired people in general, What makes a person happy? What is the purpose of life? I got answers like earning more money, getting good wife, getting nice house, live as you like and etc, but I was struck with wonder when I listened your instruction.

Athāto brahma jijñāsā. This human life is meant for inquiring about the Supreme Brahman.

People have misidentified themselves with everything non-godly and therefore manipulate a material existence conducted by the mind and the six instrumental senses. He is concerned only with his material coverings of gross body and the subtle mind but cannot see either himself or his so-called numerous fellowmen. The man having designated himself with the relation of his vehicular body and the finer elements of mind and ego etc., so,

tad-vijñānārtham sa gurum evābhigacchet

samit-pāṇiḥ śrotriyam brahma-niṣṭham

"To understand these things properly, one must humbly approach, with firewood in hand, a spiritual master who is learned in the Vedas and firmly devoted to the Absolute Truth."

I understood under the guidance of a bonafide spiritual master I can try to learn about purpose of life but whom should I select?

“evam paramparā-prāptam imam rājarṣayo viduḥ”

This supreme science was thus received through the chain of disciplic succession, and the saintly kings understood it in that way.

Why you? Why not others?

tasmād gurum prapadyeta jijñāsuḥ śreya uttamam

śābde pare ca niṣṇātam brahmaṇy upaśamāśrayam

Therefore any person who seriously desires real happiness must seek a bona fide spiritual master and take shelter of him by initiation. The qualification of the bona fide guru is that he has realized the conclusions of the scriptures by deliberation and is able to convince others of these conclusions. Such great personalities, who have taken shelter of the Supreme Godhead, leaving aside all material considerations, should be understood to be bona fide spiritual masters. (SB 11.3.21)

As above mentioned, I understood a bona fide spiritual master is one who is expert in all of these subject matters, not by his personal imagination or speculation but by mature understanding of the authorized Vedic literatures, which are the literary manifestation of the causeless mercy of God.

So,

You are that great personality who changed hippies into pure Vaishnavas.

You're the one who had taken direct shelter from Supreme Godhead Kṛṣṇa.

You are the one who established 108 temples, re-established sanātana-dharma is or eternal occupation throughout the world in a short duration.

You're the one who are deeply experienced in authorized Vedic literatures and in practical understanding of the Supreme Personality of Godhead.

So I decided only you can be my spiritual master.

You are my everything,

"Kindly accept me as your servant of servants. I have joined your mission to serve you eternally please make me to serve you faithfully." Why? Kṛṣṇa se tomāra kṛṣṇa dite pāra: "Because Kṛṣṇa is yours, you can deliver Kṛṣṇa."

Aspiring to become servant of your servants,

Vishvāvasu Dasa.

Vrajeshwara Govinda Dasa

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to Your Divine Grace.

Srila Prabhupada, You are a revolutionary. The one who hears your divine name, one who sees your divine form, one who associates with your sincere disciples, the revolution will begin right at the core of his heart.

Srila Prabhupada, You are a game changer. In the material world people are excited to have many schemes, plans, aspirations, visions to settle down. They try to run in a boring, unexcited, temporary and wrong direction, which can only give them dissatisfaction. I am one among them and mercifully you had become a game changer in my and many others' lives. Bringing all of us in a path towards perfection, supreme destination - Krishna!

Srila Prabhupada, You are a legendary. The world is overwhelmed with your powerful message of heart transformation. Your world class work of presenting vedic literature in the form of many books shows a legendary work. Just like a tiny seed contains a big banyan tree and gives shelter to many living entities. In the same any single word or instruction of your divine purports can change the face of the world. The example is Akshaya Patra.

Srila Prabhupada, you are the reservoir of unlimited compassion.

In the matter of compassion towards humanity your character resembles the character of one of the great Mahajanas - Prahlada Maharaja. In Srimad Bhagavatam Prahlada Maharaja prays to Narasimhadeva: *“O best of the great personalities, I am not at all afraid of material existence, for wherever I stay I am fully absorbed in thoughts of Your glories and activities. My concern is only for the fools and rascals who are making elaborate plans for material happiness and maintaining their families, societies and countries. I am simply concerned with love for them.”* (SB 7.9.43)

Only your absolute compassion, turned into kindness in your heart, is making you sacrifice your own spiritual luxury, even being ready to remain in this material world for the sake of liberating your disciples. Your spirit to save the conditioned souls in this world inspires the mood of self sacrifice for coming generations of your disciples.

On this auspicious day I beg for your mercy to follow all your instructions and my spiritual authorities' instructions.. Please shower your mercy on me to continue to serve your mission life after life eternally.

Thank you, Srila Prabhupada, for making me a soldier in your glorious army of your sincere disciples.

Your Servant,

Vrajeshwara Govinda Dasa.

Yadukula Nandana Dasa

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet.

On this divine appearance day of your's, I would like to remember & share few of my learnings which inspired me from the association of devotees to be always engaged in the devotional service at your lotus feet.

1) Who is my Actual Father?

In the year 2013 or 2014 after being part of FOLK for about 2-3 years, in the temple once I was sharing with my folk guide with whom I was in touch with & seeking guidance from him at that time, that, “my situation has become like Prahalada Maharaj’s situation, as I was experiencing opposition for practicing KC, which was actually encouraged by them initially, But still things are going favourably, which was not disturbing my internal happiness & I was feeling bliss – ‘ I told it’s all because of Supreme Father Lord Sri Krishna!,

In return, my guide immediately replied & told that, "actually it is because of Srila Prabhupada, who is our actual father & he is actual father for me too. This conversation made my love & devotion upon you to increase as I was not knowing the glories of Spiritual Master Srila Prabhupada! And that love which sprouted in my heart upon you made me start exhibiting it through engaging myself in regular devotional service.

2) How to feel your & Krishna’s presence & execute service sincerely at your lotus feet?

So when I was bit sincerely trying to execute my service unto you, I wasn't knowing how to feel & understand that I am serving you & Krishna!

For this I found answer in one of our temple president's lectures that, "Serving Spiritual Master means serving his disciples, his instructions & his institution, under the guidance & order of the Authority as they are the replica & representation of himself, also Krishna's devotees are the representative of Krishna Himself - there is no difference". So this inspired me to try to become a humble servant of your disciples & devotees of Krishna.

3) The faith & strong determination that "Prabhupada & Krishna will take care of Me" – by Temple Vice President.

A major turning point in my life – When I had an opportunity to meet Temple Vice President in the meeting arranged before my Initiation. After knowing my humble desire to serve you more & more, Temple Vice President concluded the meeting by giving me confidence that "Not to worry, Prabhupada and Krishna will take care of you" , this made me gain a strong faith that 'you will protect & take care of your disciples by your causeless mercy. And you made it by giving me shelter at your lotus feet by giving me the chance to stay at Folk residency for my progress in KC, as I didn't had favourable environment to practice properly. From then Dear Prabhupada, you have been constantly guiding me & giving me great opportunities to render my humble service at your & Sri Sri Radha Krishna's Lotus Feet.

4) My Only Prayer!

At the time when I was not matured enough in my prayer, one of my beloved temple devotees guided me that one should pray to "you & Radha Krishna Chandra" simply for engaging us in more & more devotional service. Since then my only prayer to you is to engage me in more & more devotional service intensively!

Reciprocation to my prayer:- Dear Srila Prabhupada, because of your divine grace, I have received an opportunity to render service at Manipal by assisting my guide in starting a preaching centre for spreading Krishna Consciousness to the students of Manipal University which is near to Udupi-the place where Madhvacharya who is a prominent acharya in the Brahma Madhva Gaudiya Sampradaya has come from, also where beautiful form of Lord Krishna's deity is worshiped which is personally worshiped by Mother Rukmini.

Dear Srila Prabhupada at this holy place, you have given me a precious & most significant task to spread your teachings to the students of this eminent university. And also I am in the place like where you have described in your prayer & I wish to pray the same to you that, "Most of the population here is covered by the material modes of ignorance & passion. Absorbed in material life, they think themselves very happy & therefore they have no taste for the transcendental message of Vasudeva. I do not know how they will be able to understand it. But I know your causeless mercy can make everything possible. How will they be able to understand the mellows of devotional Service? O My Spiritual Master Srila Prabhupada, I simply pray for your mercy so that we will be able to convince them by delivering your teachings at our program by introducing as many people as possible.

I wish & pray for your blessings upon them so that it will deliver them & make them to come regularly to our program in more number & understand your teachings. O Spiritual Master I simply repeat your message, so if you like you can make my power of speaking suitable for their understanding. Only because of your mercy will my words become pure. I am sure that when this transcendental message penetrates their hearts they will certainly feel gladdened & thus re-establish their forgotten relationship with Supreme Lord Sri Krishna by taking into chanting & pure devotional service.

May I put my best endeavours in spreading this great knowledge, let me not take any credit. Everything belongs to you.

You are my Lord birth after birth & from you ecstatic prema emanates & by you ignorance is destroyed.

Please engage me in more & more pure devotional service at your lotus feet.

Make me to act as you desire Srila Prabhupada, I am completely yours.

May your fame be spread all over the three worlds. I take shelter at your lotus feet.

Aspiring to become your sincere disciple, Yadukula Nandana Dasa.

Yaduvara Dasa

Dear Spiritual Master,

Please accept my respectful obeisances unto your lotus feet.

I can't thank enough for the causeless mercy of your divine grace on this foolish and less intelligent being.

Srila Prabhupada, in the past year I have realised in many ways that I am very very fortunate (by coming in touch with you and staying in association of devotees), and at the same time I am unfortunate; I seem to remain perpetually confused about joining your organisation full-time, although I have been labelled as joining boy since the early days of my KC journey itself.

Since the day one of my KC journey, by your mercy in my life there has been constant learning, reciprocations, revelations and realisations. But I am not able to practically take certain steps with my complex mind; I have tried though. Somewhere I heard that a devotee should be very simple, certainly I don't fit into that category; perhaps I am not even a devotee or anywhere closer to becoming a devotee because it seems I have no love for Krishna, as am not fully surrendered in rendering service. I am simply doing my sadhana because you have instructed.

Srila Prabhupad you compassionately took such hardships to freely distribute mercy of Lord Chaitanya to the whole world; in a world filled with many spiritualists who misinterpret scriptures and others who don't talk about Krishna's supremacy openly, lest alone devotional service. I would have been a total mess without hearing/reading your books.

Now, philosophically no one can shake my faith in Krishna as the absolute truth and the ultimate goal of life. I recently convinced the supremacy of our philosophy to one of my far relative and friend who is following one of the in-famous cult; I could do it only by your grace and that too in their territory.

Prabhupada, You have shown the practical ways of achieving the ultimate goal of life but am so fallen that am finding difficulty in renouncing material relations. My concern is that I want to try my best to keep everyone happy-- both my material relations as a matter of duty (because they have never given me any problem and are deeply attached to me) and my spiritual authorities.

Prabhupada I observe and study people/devotees very deeply. I fear if I commit any offense. Remind me to focus on my own weaknesses, and always keep me in the association of your devotees. Personally, I am sceptical about wearing saffron when there is constant interaction with the outside world in our preaching activities, and with all the modern amenities around, may be in the last stage of my life it's okay; perhaps I do excessive analysis.

Srila Prabhupada, I know that with your causeless mercy you have sown the seed of devotional service within me, please give me the intelligence to protect and nurture it. Also I need to give up my independence and just be a servant of your servant. All I need is clarity by your guidance. With all my frailties I beg you to engage me in your service Prabhupada and bless me to feel your presence all the time.

Your Servant of the servant of servant,

Yaduvara Dasa (Yuvaraj).

Bhakta Mukund Kini

Jai Srila Prabhupada,

Please accept my humble obeisance. All Glories to Your Divine Grace!

I am very thankful to you for having laid the foundation for Krishna Consciousness, and taking the responsibility to spread this movement to people all across the world. I feel that I am very lucky and honored to come in touch with the Krishna Consciousness. Very few people get the opportunity to come into Krishna Consciousness. From the day I started attending

various workshops conducted by the ISKCON temple, my understanding of spirituality is becoming more clear. It has given me proper understanding of what life is about, the various possibilities in human life, and the role that a Guru plays in our lives.

I am also grateful to you for making us feel your presence by the numerous lectures and books you have given us, which is helping us to evolve and transform into better human beings, and ultimately creating a better world. I will always follow your instructions, and seek your guidance. Please shower us with your blessings and love, and always keep us engaged in your service.

Thank You Srila Prabhupada for leading us in the right direction of life.

Your humble servant, Bhakta Mukund Kini.

Dear Srila Prabhupada,

I Pay high obligeance for your work and guidance you have given in life. Your guidance has created awareness and much needed realisation to stay away from materialistic world. It has helped to focus on Krishna consciousness and understand the meaning of existence and reason for life itself. Your teachings and book has helped to relate the materialistic life and see the sufferings and look at the temporary happiness people are running for. You are an inspiration and your hard work for Krishna consciousness inspires me with the power of determination. At such old age, the sufferings you took to enlighten the future generation. Staying in such difficult situations in America with people highly indulged in materialistic activities but still your determination, will power towards spreading Krishna consciousness speaks enough about you. Whenever I deviated in life, it's your teaching that helps me to retrospect our actions and come towards Krishna consciousness. With the sufferings increasing in this materialistic world and situation of wars across the World, its your teaching and message that has such great and crystal clear explanation towards universal brotherhood which explains the reason of existence and the thought from the prospective of soul. Its only by self-realisation and trying to go back to Godhead, one can attain peace.

I wish for your blessings to advance myself in Krishna consciousness, understand this materialistic life and get liberated.

Our Divine Guru Twist and turn of life, Happiness in fragments and inches, Not less than a hallucination, Human society deceived in self-gratification. The world gave body, The world gave a name.

The world gave egocentric identity, The world gave miseries, The World gave momentary joy, Oh, the World just told about the body, Oh, the World said to forget the soul. Then rises one divine soul, To lead us to the truth. Bring out the lost consciousness.

To reveal the soul, The glory of divine wisdom, The glory of the path to divinity, The glory of permanent happiness, The glory to mold individuals and being.

O dear Divine Guru Prabhupada,

Though took the pain, though took distress, Though had sleepless nights, To save us from Maya, To make us recognise the consciousness. Though liberated thousands soul, Though will uplift thousands more, Though teaching is eternal, Though removed the fear of death, Though helped to break chains of Maya.

O divine Guru, forgiveness for our mistakes,

Bless us to contribute,

Bless us to be liberated and to liberate,

Bless us to make this world full of passion,

Bless us to spread Krishna consciousness.

Bless us to spread permanent happiness.

Hare Krishna.

Srila Prabhupada,

I offer my humble services onto your lotus feet.

Ever since I came to know the struggles you made for establishing something which was very impossible to the normal eye. To my fate, a good one I have witnessed, the real struggle of a person who just wanted people to be happy in their own living by living within Lord Krishna.

Nobody would have known this much about God if it wasn't for you. You traveled to the West from India, despite all those struggles & troubles throughout the travel, you withstood everything. Your faith in Lord Krishna changed the world. It has helped uncountable people. It will be discovered by the generations to come.

I am extremely fortunate that I have come into your shelter. Your words will never disappear from this world. It's strange how a person put such serious efforts just to make the world realize that they can be still happy with what they have. At the same time, I feel bad for my Master i.e you, about the situations you must have gone through. I have watched several of your documentaries, have seen you changing the world. Even in this Kaliyuga, there was only one person who gave the medication to the entire world for every single problem they have. If every single person is chanting the Hare Krishna Maha-Mantra, it is because of you. You have made your master proud. I want to be as good a disciple as you. I may not be able to achieve all at the same time, but I will remember your selfless efforts. Through you, I have seen the Nishkaam Karma. You are every example of every verse in Srimad Bhagavatam. Thank you so much for writing Srimad Bhagavad-gita- As it is, without you putting your time and energy like this. It is incredible, who would have ever known about our Supreme Being.

I have so much to write but to make it short, I would say

Hare Krishna Hare Krishna Krishna Krishna Hare

Hare, Hare Rama Hare Rama Rama Rama Hare Hare.

The whole world bows to my Lord Krishna. I bow too. I hereby confess that I will try my best to keep up with chanting the Holy Name just to stay away from my own sins.

May God bless your disciples, as he has blessed us through you.

Your definitely unworthy servant,

Bhakta Abhilash Joshi.

Bhakta Abhinav

Dear Srila Prabhupada,

On this auspicious occasion of Vyasa Puja, I want to offer my humble obeisance to you and want to thank you for showing the world and me, the path of Krishna Consciousness and art of self-realisation.

Taking this opportunity, I want to request you to shed your mercy on me so that I can continue to pursue my goal of self-realisation and not get attached to this material world and unwanted desires and get back to spiritual world. At last, I wish that your mission of making this world Krishna Conscious continue to prosper and your teachings continue to guide us in this Kaliyuga.

Your aspiring servant,

Bhakta Abhinav.

Bhakta Abhishek

I offer my obeisance to His Divine Grace Abhaya Charnaravinda Bhaktivedanta Swami Prabhupada. the Founder Acarya of ISKCON.

Our spiritual master is always there with us by his book and lectures. Even though he is not present physically, he helps his disciples to get advancement in Krishna Consciousness. Whenever one prays to him in difficult situation, he always helps. When I feel I cannot do this for Krishna and I remember Prabhupada's faith and determination towards Krishna and just pray to him to help me and I get a spiritual power and joy to do the impossible task for Krishna.

Prabhupada is always merciful. He is the inspiration for thousands of devotees to follow Krishna consciousness. By the mercy of Prabhupada, I can understand the teachings of Bhagwad Gita and Srimad Bhagvatam. His books helped me a lot to understand the spiritual path, and cleared all my doubts. He is my master and friend who always helps me whenever I am in any problem, he brings me out from it. His teachings shows me the perfect path and aim of the life.

Yours humble servant,

Bhakta Abhishek.

Dear Srila Prabhupada,

I am the most fallen soul. Please accept my humble obeisances as I look up to you in great awe and reverence.

Dear Srila Prabhupada , you have saved me many countless number of times and this year was the most wonderful as you have saved me from the greatest of greatest dangers of falling into an infinite well (As stated by Prahalad Maharaj,

Andhakupam). The power emanating from your great teachings have helped me immensely to cleanse a lot of undesirable dust that was collected in my heart. Material energy is so powerful but your devotees always are under a divine spiritual energy. I can clearly see how unwanted things and people are slowly getting cut off from my life simply by chanting 16 rounds as per your instructions. Energy is a sought of strength and I have felt this strength spiritualized by you every single day. O master, you have shown us the easiest way out of this hellish condition and to destroy ignorance simply by following two rules, To chant the Hare Krishna Maha Mantra offensively and honour only Krishna Prasadam.

As you have stated that the Devatas are eager to honour Krishna Prasadam, most fallen souls like me are getting this infinitely rare opportunity to honour this Maha Prasadam (Krishna Prasadam). It is only because of you dear Srila Prabhupada, only because of you !! O Spiritual master of the whole world, you have been so merciful on me, this greatly fallen soul, I beg for your mercy to keep me always under the shade of your lotus feet. It is my great wish and desire to attend Mangala Aarti Sadhana at the temple everyday of my life. I have been a Truth Seeker until now but I beg from you to make a Truth Lover out of me. I beg from you to never let me do anything against your instructions. I wish to practice only as per your instructions dear master.

Dear Divine Grace, I wish to get initiated as without initiation by bonafide spiritual master, the actual connection with Krishna Consciousness is never performed. It is my deep desire to make my chanting Heart Deep and not just lip deep (As stated by your spiritual master Bhakthi Siddhanta Sarasvati Thakur). (As stated by Srila Bhakti Vinod Thakura) If one sincerely takes shelter of the holy names of Krishna by chanting Hare Krishna mantra, he will achieve spiritual perfection within the compass of his normal daily activities. As stated by His Grace Madhu Pandit Prabhu, Sincerity of Purpose and Attitude of Service has to be developed with unidirectional attention and focus. Earlier this year, before you gave me this task of taking up the Dhawaja Stambha seva, the clear message that came to me from you was that " This soul is now in a mission". I beg from you, O master, Please be merciful unto this fallen servant of yours and help me in this giant mission by giving me spiritual strength because nothing is possible without Lords direction and Gurus mercy. There is a long way for me to go from here. O master, I beg for your guidance in every step and help me advance in your greatest mission. This blessed servant of yours begs you to keep him under the shade of your lotus feet. Everything is given by the Lord and the Spiritual master. I, this greatly fallen soul begs again and again for your mercy to never ever misutilise the free will given by Lord and the spiritual master.

Your Menial Servant,

Bhakta Abhishek A K.

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet. All glories to Your Divine Grace. For success in one's spiritual search, one has to learn from a great spiritual teacher, or acharya. One who is moving blindly through the valley of life, stumbling in darkness, needs the help of someone who has eyes. He needs a guru. To follow one who is enlightened is the only way out of the great muddle of material nature. Krishna is invisible, but He becomes visible through the intelligence and spiritual perception of one who is in constant communion with Him, one like yourself.

I pray at your lotus feet to always keep me under your lotus feet so that I can serve you and Krishna always.

Your servant,

Bhakta Abhishek Gupta.

Bhakta Abhishek Kumar

My dear Srila Prabhupada,

All glories to You!!!

Kindly accept my humble obeisance unto your lotus feet.

I am so grateful to have got this wonderful opportunity to glorify you on the auspicious occasion of Vyasa Puja celebrations. My dear spiritual master, I very well know that even though I am not at all qualified to speak about your unfathomable glories, it is just because of your causeless mercy on a fallen creature like me that I am getting this wonderful chance to glorify you. Kindly forgive me for my inadequacies and kindly provide me enough intelligence to pursue this pious act.

My dear master, your pastimes in this world have been the pinnacle of 'Pure Love' and devotion to the Supreme Lord. If one somehow gets an opportunity to know about those wonderful pastimes, one's life becomes successful. By your life, you have taught us how to act at 'every' moment 'in remembrance of Krishna '. You always refuted the theory of 'Pseudo-renunciation'. We need not give up everything. Rather, we just need to 'add Krishna ' to our lives. And this can be easily achieved by the process taught by you: chanting the holy names always, taking Krishna prasadam, dancing and singing before deities and living in association of devotees. The process is simple! Yet the most sublime!! And that's the beauty!!!

By your every action, we can learn how to always love Krishna. Right from your childhood till the winding up of your pastimes here, your life has been an epitome of the 'Purest ' form of Love & devotion to Krishna. You have always been dearest to Krishna & Krishna has been dearest to you. Actually there was no need for you to toil any further for the sake of fallen souls like us. But again, with yet another quality in form of ' real compassion ' for all the living entities, you so well exhibited how a 'True Vaishnava ' should be! You underwent so many hardships to make sure all of us get the best opportunity to 'revive' our lost relationship with our ' Supreme father '. Not only this, you also have boldly declared that if we nicely follow the instructions given by you, you will surely take all of us back to home, back to Godhead. And this is the 'real' meaning of Spiritual master. He takes the responsibility of a disciple's eternal residence in Krishnaloka, and nothing less than that!

My beloved master although I am one of the most wretched creatures, it was just by your ' causeless mercy ' that I came in touch with your mission of Krishna Consciousness. Now that you have put your eyes on me, kindly never take your eyes away from this poor creature. Kindly bestow on me enough strength, so that I can try to serve the servants of your servants. Otherwise there is no hope for this fallen soul.

Trying to be a servant of your servants,

Bhakta Abhishek Kumar.

Bhakta Abhishek Saini

Dear Srila Prabhupada,

All glories to you, please accept my humble obeisances,

Here is your divine arrangement through which I was blessed and brought to the path of Krishna Consciousness, the only purpose of this human life. It was a rainy Sunday evening of 2012 when I was planning to go somewhere out to avoid boring hostel dinner. When I was getting ready, peon entered into my room and asked to assemble in the auditorium, on enquiring he said somebody has come to meet us. With no second option available I went as it was a rule of the hostel if a special person comes to hostel it's compulsory to assemble in auditorium. There was a head shaved saffron man with some 4-5 boys almost same getup except two's heads were not shaved. They were holding kartal & mridanga. He started with his Introduction and that opened my eyes to the widest. He was a B.Tech from IIT, either Kanpur or khadagpur, I don't remember exactly, worked with one of the top MNC and standing in front of me as a Baba. They did approx 25 minutes

Kirtan which finally made everyone dance. Finally, he invited us to Krishna Janamastami celebration, the purpose he came for. The venue was an auditorium of a famous medical college. We went there. Our one trustee was one of the sponsors' in that event. That program was awesome, nice drama, nice music, we danced a lot and especially the delicious dinner they offered, I don't have words to describe. Moreover, he had answered all of my questions satisfactorily regarding god & spirituality during discussions later I had with him. These people had really impressed me. Well educated and intelligent people have become monks and leading a first-class life, there must be something behind this. I should know this. I started going to their regular Sunday events. There I observed they were worshipping Srila Prabhupada as their Guru.

I followed them, not followed actually joined them regularly for 5-6 months almost every Sunday till my CA Final exams came near. I realized that this was the Guru's grace only they were following spirituality in such a nice and easy way. It was very difficult for me to accept but it was a fact. We had read in our school times in Kabir Das Ji's verse that Guru is more respectable than Govinda because he is the only one who can make us reach Govinda's and those people were living this verse actually. Even I could feel that energy whenever I was in their association. After some different phases in my life and meeting some more devotees I decided to be a disciple of Prabhupad and that was a life-changing decision for me. I came to know the actual position of Krishna, which is more than a Demi-God, I didn't know this earlier. I started respecting people. I developed a great respect for devotees who were serving Prabhupada. I realised the value of spirituality in life and more importantly came to know about the real goal of this human life which nobody told me except Srila Prabhupad through his books and representatives. On this Vyasa Puja celebration, I offer my sincere obeisance to my Beloved Gurumaharaj Srila Prabhupad for coming in my life and enlightening me to the most important purpose of this life and pray him to always guide me so that I can serve his lotus feet more & more and advance in spiritual life.

Your Servant, Bhaktha Abhishek Saini.

Bhakta Abhishek Sharma

Dear Srila Prabhupada,

Please accept my humble obeisance unto Your lotus feet.

All Glories to Your Divine Grace.

Yours timeless teachings are changing many lives day by day and I am one such soul. You are so compassionate to the living creatures that once you said, "Make sure you get each and every seed sprout. Don't leave any one of them out. There is spirit soul in every single one of them." It is amazing how merciful You are, even to a seed, making sure that they all get equal opportunity to be offered to the Lord. I came in touch with You almost 7 years ago and came to know by Your representatives. Since then, I am getting the answers to all questions and impediments in true sense and getting inspired by Your teaching every moment.

Dear Srila Prabhupada, please keep Your mercy to me as well, I can't see anywhere without You. I feel like blind in this material blazing fire. I am just running here and there to get more satisfaction but the fact is that I am not satisfied anywhere. It reminded me of a song composed by one of the prominent acharyas His Divine Grace Srila Bhaktivinoda Thakur

e heno durjana, saj-jana-varjita aparādhi nirantara

śubha-kārya-śūnya, sadānartha-manāḥ nānā duḥkhe jara jara

"A vile, wicked man such as this, rejected by godly people, is a constant offender. I am such a person, devoid of all good works, forever inclined toward evil, worn out and wasted by various miseries." (Song- Amar Jivana, Saranagati)

In fact, my condition is even worst. I don't have much taste to associate with saintly persons but try to serve only illusory energy. Dear Srila Prabhupada, please be merciful to me and show me the way to just serve You.

Your most fallen unworthy servant, Bhakta Abhishek Sharma.

Bhakta Abhishek Sharma

Dear Srila Prabhupada,

*mukam karoti vachalam, pangum langhayate girim |
yat-kripa tam aham vande, shri-gurum dina-tarana ||*

"I offer my respectful obeisances unto my spiritual master, the deliverer of the fallen souls. His mercy turns dumb into eloquent speakers and enables the lame to cross mountains."

Please accept my humble obeisance unto your lotus feet. I pray for your merciful glance onto me on this auspicious occasion of your 123rd appearance day celebrations. Prabhupada, now what you are going to hear is not from Abhishek I knew. The Abhishek I knew was dead opposite to what I am now. Now I feel I am a servant of servant of servant of my dearest spiritual master "Srila Prabhupada". Prabhupada, the paradigm shift I experienced is something that I would have never imagined. Prabhupada, there would always have been something which I felt was missing, due to my lack of knowledge and the kind of association I was having. This has implanted a universe of misconstruction in my mind and this led to multiple theories like things happen by chance, good luck is what anyone should wish for, follow the society otherwise get outcasted, don't enquire on spiritual existence, and as I think back the list goes on and on.

Prabhupada, due to merciful Lord, I have always been blessed with positive, nurturing, sensitive and supportive environment, like at home my complete family (specially my mother) is devoted to Lord Krishna, my schooling as well as my college happened in national institutes and on top of that I have been worshiping Lord Hanuman since I could remember. Besides being surrounded by such a rare encircling, there was never been a time where I could able to get to things which I wondered about, theories which seemed right and some of them seemed unanswerable, pursuits which doesn't make sense, things which are under control and some which are uncontrollable... beside all these suppositions, contemplating why do anyone even have a need of a "Spiritual master". Fortunately, the paradigm shift took place as I never would have imagined, to be finding myself under the umbrella of causeless mercy of yours "My dear spiritual master".

You are "saviour of the fallen souls". My master, I know I am an insignificant and most fallen of all. I have no means of repaying you, I have been selfish though out my life but I feel blessed to have your association from past four and half years, this fallen soul had uprooted the contemplation's, false ego, speculations, lust, anger... but your causeless clemency has unveiled the most confidential subject matters to me, which made this worthless soul understand the real purpose of existence. Prabhupada a glance of your's on this most fallen conditioned soul, made me realise that all this, while I was in the darkness of illusionary energy and conceiving this inconceivable in this particular life, is nothing other than the shelter of your lotus feet. Now the name of "Lord Krishna" holds its true meaning "All attractive" is due to your kind appearance also the need of a spiritual master in a life a conditioned soul appear to be indispensable.

I have been a very egoistic and selfish, I pray to your lotus feet to give me sufficient knowledge and strength to prepare myself to contribute to your moment. I am aware that I am worthless and my contribution will be insignificant to your moment but if I could able to associate myself with your transcendental service, my reason for existence will be bridged. From your books, your lectures, your disciples experiences and there dedication, I could able to apprehend that you are always with me in the form of your Vani and I get a feeling that you are there with me always. Prabhupada, I deeply thank you for letting me glorify you and thank you very much for responding to me and correcting my mistakes, making me believe that Krishna is the ultimate truth. Your glories are endless, your mercy is causeless, Prabhupada please please please.....give me opportunities so that this negligible soul could serve your lotus feet and able to render insignificant service to Lord Krishna. All glories to you my Master.

Your worthless aspiring disciple,

Bhakta Abhishek Sharma.

Dear Srila Prabhupada,

Please accept my most humble obeisance in the dust of your lotus feet. Books change lives. Your books have changed so many lives over the past fifty years, including mine. Your books are changing hundreds and thousands, maybe millions, of lives at this very moment. And your books will continue to change countless lives during the next ten thousand years and beyond.

The ISCKON temples you have founded are truly the gateways to spiritual upliftment for all of us.

I pray at your lotus feet to always keep me under your lotus feet so that I can serve you and Krishna always.

Your servant, Bhakta Adithya Sharma.

Dear Srila Prabhupada,

All glories to your divine grace. "In this world, man is not to toil like hogs" - (Introduction, BG as it is) I come from a humble background and the only thing I was to have that was my name in 'forbes richest men on the earth' list then put an end to world's miseries by making hospitals, schools etc then die after having a life of fulfillment. Pretty much similar to almost every ambitious man's dream but the above quote made me thinking. Prabhupad's teaching made me ponder upon the reality, are these hospitals etc not already there, those who are worth millions, are they all living there dreams. If no, then something is missing, Prabhupada established the fact, missing link was 'krishna prema'. The path leading to Godhead is pure devotional service. Those who are interested in spirituality, discuss vedanta and impersonal brahmin as 'educated don't do, they speculate'. The one who could cultivate attitude of devotional service among them, such a man was Prabhupada by refuting their arguments logically. His books are a living testimony of it. After reading Bhagavad Gita, have I stopped working and become a sannyasi? Nope, but rather I do it happily, since my happiness is not attached to my work condition or it's result.

I always have more to write, but can you justify the quantity of praises for the man who aged 69 travelled all over the world 14 times to establish 108 temples, who wrote scores of books including voluminous BG as it is, Srimad Bhagvatam and Chaitanya charitamrita whose sanskrit scholarship has established a benchmark.

I am fortunate that you have showered your causeless mercy upon me. You have given all the instructions in the divine books which are very helpful in each step of my life.

Your servant,

I Salute to His Divine Grace A.C. Bhaktivedanta Swami Srila Prabhupada, Founder Acharya of the International Society of Krishna Consciousness Prabhupada. The desire for the pleasure of few minutes is the cause for material bondage!! you are that liberated soul who can give eternal protection from maya. My dear spiritual master, I bow down to your lotus feet and beg for your causeless mercy. By

Hare Krishna,

Dear Srila Prabhupada,

Dandavat Pranam, Today I am very lucky that I got your blessings and unlimited Kripa. Your teachings helped me in discovering real self, my real identity.

Parents gave us birth in this material world and we entrap with maya and things which are unreal and temporary and which only bring about suffering. But its Guru who gives real vision to differentiate between what is real and what is imaginary.

Guru gives us real purpose and hence save us from sufferings.

Prabhupada was real Guru who has given pathway to entire human race and given permanent armour to safeguard from maya. He has given a global association to enrich our bhakti association, enjoy and celebrate together in mode of real pleasure and in colour of Krishna Consciousness.

Prabhupada was a real mentor, Guru and a friend who brings back our real identity. And he does not save only Indians from the curse of material nature but he also saves the entire world through his wisdom and teachings.

Srila Prabhupada is a great guru of this kal yuga and he is the one who can show the path for survival in the age of Kaliyuga.

For admission in school/College- They asked my caste, parents financial status, parents educational qualifications and lots of donations but that education can't guarantee happiness.

You have provided free entry to the world's biggest association which provide unlimited bliss and happiness.

Your Servant,

Bhakta Amit Chandra.

Bhakta Amit Sharma

Dear Srila Prabhupada,

Humble obeisance unto your lotus feet.

In this world of darkness, you appeared as a torchbearer. In this world of sufferings and problems you appeared as the only solution. When everyone was engaged in useless activities in this material world, you made everyone aware about the real purpose of life. You provided the means by which one can go back to Godhead and be with Krishna, the Supreme Personality of Godhead.

While there are various scriptures, the message of them could not be understood by our weak minds. But it is you who made it very simple for us to grasp. You gave us Lord Krishna in the form of His name and made us believe in Him. You have been very merciful to choose us. We can feel you in our journey towards Krishna Consciousness.

The principles that you have set for us is the ultimate as it helps us to avoid the influence of Kali in our life.

I am very small and spiritually very feeble but I know that how great your presence has been in my life. I pray to you not to leave me and help me avoid anything that can be a hurdle in the path of spirituality. I pray unto your lotus feet to provide me the wisdom that I can follow the path that you have shown to us all.

I thank you for showering your mercy unto me. It is because of you that I could understand the importance of devotional service and experience joy in the company of devotees. You have provided all of us a new home in the form of ISKCON. I cannot express enough gratitude towards you as you have moulded my life in a very big way and you actually made it better.

I adore you as my spiritual master and urge you to always be with me and all the devotees who are trying to untangle themselves from this material world.

Your servant,

Bhakta Amit Sharma

Dear Srila Prabhupada,

Please accept my humble obeisances at Your lotus feet. All glories to Your Divine Grace!

I consider myself to be a highly fortunate soul because I came in touch with You, Srila Prabhupada, through your organisation ISKCON.

Srila Prabhupada, You travelled to various countries in search of souls like me who are desperate to get in touch with our Lord, the Supreme father, Sri Krishna, the original cause of all causes. Empowered by the spiritual strength imparted by Your wisdom, Your disciples have provided us with gems of the spiritual experience, be it through trips, delicious Prasadam, events and celebrations and scriptural knowledge that help us to understand our constitutional position. Thank You Srila Prabhupada, for all these blessings.

In spite of great difficulties in the journeys, Your Divine Grace took up the arduous task to spread Krishna Consciousness, the movement was born and spread to so many of countries in no time. Krishna Consciousness needs to be spread even faster in all its glory across cultures, demographics and nations. I pray to Your Divine Grace on this auspicious occasion of your appearance day to give me the required strength to preach Krishna Consciousness to more and more people.

Dear Srila Prabhupada,

blessings I am able to chant 16 rounds every day . Also fro past one and half year you blessed me to do service in temple. Because of you I came to understanding of human life. Your books and teachings have helped me many times. I am a very fallen soul and you have accepted me. My Dear Spiritual Master, Srila Prabhupada!

Please accept my humble obeisance unto your divine lotus feet! All glories to your divine grace. On this auspicious occasion of appearance of your divine grace, I beg for the uninterrupted devotional service at your lotus feet throughout my life wherever I am.

You have bestowed your causeless mercy upon innumerable fallen conditioned souls and I am one of them who was lost in this world of maya. Just by reading about you and your books, after coming in contact with your sincere disciples at ISKCON Bangalore I felt obliged to you. Time passed by and I developed affection for you and it became stronger and stronger, it was nothing but your benediction that I realised your purpose to relieve the humanity and convinced myself to dedicate and serve this most glorious movement.

Dear Srila Prabhupada, you propagated this very cult of Sri Chaitanya Mahaprabhu even at the risk of your life, you left home, putting yourself under all the difficulties alone in order to serve instruction of your spiritual master, finally you started for the west, despite of all inconveniences. Carrying the ocean of mercy in your heart, with trunk of transcendental books and no promising support from anywhere you crossed the oceans to deliver the fallen conditioned souls in western world. You taught them practical devotional service, chanting the holy name of Krishna even though they never heard of Krishna. In the midst of the ocean of uncertainty, how to depend on Krishna, you practically taught us. Thus you changed the lives of millions of people who were completely lost, now they started turning to God from dog. This great enthusiasm and firm faith in Krishna and words of your spiritual master displayed by you will always remain an ideal for us. The spiritual gift of Holy name is ultimate gift for everyone in this age of kali which you have distributed to everyone without any discrimination, no one is richer than you.

Dear Srila Prabhupada, the sadhana schedule you have given us is our backbone which I like the most, you have also gifted us a lot of varieties, activities e.g. morning mangala arati, Japa, diety worship, Bhagvatam shraavanam, prasadam, sankirtan, devotional service and what not, everything is there. This process is so strong that I am able to see the change and it can change anyone if followed rigidly. I am obliged to your Divine Grace life after life, please bestow your mercy upon me in order to spread your most glorious mission.

Dear Srila Prabhupada,

I offer my humble obeisance unto your lotus feet.

Your appearance in Kaliyuga is a boon to the entire human race. The direction and path you have laid down for us, is the only and true way to reach Krishna. In this utmost chaotic, anxiety driven, unethical and sense craving times, the peace to one comes only through the japa of Hare Krishna mahamantra. I am not able to complete 16 rounds, but I make sure to chant every day. It is only the glories of Krishna and your teachings which keeps one afloat in the quick sand of evils of Kaliyuga.

Please bless me with strength and determination to pursue spiritual teachings given by you and help me to follow your instructions, not to suit anybody else but Krishna himself. I request your guidance to serve your mission under the able guidance of your representatives. Please bless me that I can become a real servant and emerge as a dependable servant.

Your unworthy servant,

Bhakta Aniket Jha.

All glories to most humble tolerant Spiritual Master, HDG Srila Prabhupada

Dear Srila Prabhupada,

Please accept my obeisance at your divine lotus feet.

However, and whatever way I describe your glories it will always be like a tiny drop in front of your magnanimous oceanic personality. But at this auspicious occasion of Your Divine appearance in order to propagate the instructions of Chaitanya Mahaprabhu and to deliver even the most fallen souls like me, I would like to express my gratitude towards my Guru by whose mercy I am now able to see the world with completely different, amazing perspective.

By Your mercy, I am blessed with a vision to realise spirituality, a world with all goodness, Krishna's presence and His dealings. Whenever I think of You, Your Divine Grace, I get filled with all positivism and start feeling grateful towards Your compassion, humbleness, uncompromising attitude towards preaching of Krishna Consciousness. I don't know whether I am qualified to understand Krishna's lilas or good enough for Krishna to be part in His lila but as You have said Krishna always listen to us and we should follow His instructions, I have felt sometimes His benediction and He is blessing this beggar with His service, there is for sure no doubt that this is possible only because of Your impartial mercy on this servant. I have come to a stage, where I don't desire any more material things. I just want You to please continue to bestow your causeless mercy on this poor servant, I know sometimes I behave like stubborn rude manner less dog, I beg pardon for all the sins I have committed and for all the times I have acted like demon. Please don't let me go away from Your divine shelter even though under the influence of my anarthas and Maya, I act opposite. Please continue blessing this poor with Your service. With the spiritual knowledge You imparted on this poor soul, I can experience the real happiness which is just a tinge of Spiritual Happiness, my hankerings and lamentation for material opulence has become almost negligible, I can see things rationally unlike dramatic, bogus beliefs.

Dear Prabhupada, please pardon me for not following your instructions the way a loyal servant should do. Even though my character is at times disloyal like a prostitute, please show Your mercy even at those times and enlighten with the Spiritual Knowledge so that this ignorant animal can come out of the delusion of being a body, mind, intelligence and ego.

At last, this beggar servant of Yours just wants to beg for Your mercy to continue and to enhance the practice of Krishna Consciousness undisturbed and please use me to be a part of this glorious mission of Chaitanya Mahaprabhu.

Your humble servant,

Bhakta Ankit Jaswal.

Bhakta Ankit Roshan

My Dear Srila Prabhupada,

I, Ankit Roshan, offer my obeisance unto your lotus feet from my mind, heart and soul.

Please accept it on this auspicious occasion of VYASA puja, I would like to express my heartfelt gratitude for blessing me with your causeless mercy, by bringing me in contact with Krishna consciousness. I would like to thank you for blessing us with Hare Krishna Hare Krishna Krishna Krishna Hare hare hare Ram hare Ram Ram Ram hare hare, This mantra helped me a lot in controlling my body and mind and this will also help me in striking out all the evils and bad qualities inside me and help me in gaining all skills and knowledge inside me which will help to achieve success in life and in future my startup will also grow related to education and will help all the society.

In my limited journey of my path I have seen many ups and downs and never got any solution how to overcome the problems and how to be happy, only Hare Krishna Maha mantra helped me a lot in building discipline and the real happiness which I got was excellent and all the lust, anger and greed is going away from me. I would like to thank you for blessing us

with the opportunities to render practical devotional service for the pleasure of Lord, even though I am not qualified for it. Please continue to shower your blessings and causeless mercy upon this conditioned fallen soul, for there is nothing other than the shelter of your Lotus feet that can help us stay stay focused and disciplined in our spiritual life . Words are not enough for us to express the gratitude and reverence for your mercy upon us.

I remember you everyday and your lotus feet.

Bless us so that we can help the needy one.

Your servant,

Bhakta Ankit Roshan.

Bhakta Ankith

Dear Srila prabhupada,

Hare Krishna.

Please accept my humble obeisance unto your lotus feet.

I am very small to glorify my spiritual master who is so merciful. He has shown me the path of actual spiritual consciousness.

While I go through your book , the journey from Jaladuta to building 108 temples, travelling around the world 14 times, making hippies Krishna conscious, we are so happy to have you as the spiritual master, His Divine Grace Srila Prabhupada. We are so merciful that we didn't have to struggle because devotees under your instructions have made the road map to follow.

We are fortunate to have the road map & your teachings in the form of your books which will help us to overcome maya & achieve the greatest of all planets, Vaikunta.

Your Servant,

Bhakta Ankith.

Dear Srila Prabhupada,

Please accept my humble obeisance onto your divine lotus feet. All glories to your lotus feet.

I am very thankful feeling blessed to come in touch with your mission and teachings. You had shown a successful path for entire human society and you had set an example to this world how the bonafide spiritual master is like. We know that you are very compassionate and merciful towards jivas. You gave us a simple formula to reach Vaikuntha-loka and enjoy with the Supreme Lord. Because of your mission and teachings, millions of souls are getting chance to chant the holy name of Lord Krishna. Srila Prabhupada, please give me strength that I can leave all the material attraction behind and focus more on Krishna consciousness. Please forgive my all sins which I may have done unknowingly. Srila Prabhupada, thank you for the wonderful prasadam that we get whenever we visit temple.

Your loving disciple, Bhakta Anmol khandelwal.

Bhakta Anup

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet.

Finally the miracle happened in my life. It's a big miracle; you very kindly accepted and allowed me to join your mission as a full time missionary. This is and will remain one of the biggest miracle & turning point in my life. I am not at all qualified from any angle to be inn your Ashram and practice as a Bramhachari. As you have said Bramhachari means one who is interested in Brahman, interested in self-realization and God realization. But I don't have these qualities at all, in fact I have opposite interests, my mind runs towards sense gratification. But in spite of having a mentality like this, you have very kindly allowed me to join your mission.

Before joining I was doing some service to you, serving your mission in some way whatever was possible from my side like book distribution, pass distribution, college programs etc. But you very mercifully gave me this wonderful opportunity to serve in your mission & serve Lord Krishna as a full time. I had never thought of joining as a full time even in my dreams, it's a big miracle for me & also shocking news for others. Even some devotees in Ashram told me that they never thought that I will ever join. So many things changed in last 1 year, especially post shifting to the Bellandur Folk Residency. My bad habits had almost stopped and practicing the regulated life in hostel brought so many other changes. Staying in hostel gave me the confidence that it is possible to practice to practice Krishna Consciousness life in association of devotees and the mind problems like lust becomes manageable, this confidence & faith was very much helpful for me.

Dear Srila Prabhupada all these changes which came in me, the cause of all these is you, your disciples & Lord Krishna. I can very clearly make out the very significant role of your hand & Krishna's hand to help me join your mission. Every step you have guided me & helped me through various reciprocations. I was very fearful & afraid to join, so many negative thoughts used to come but you always encouraged me. Once as you must be remembering that during Shayana Pallaki time I prayed to you & expressed my desire to you that I would like to join your mission as full time, I prayed little sincerely and immediately you reciprocated through your disciple, Shyam Kishore Prabhu. He asked me "Aap bhi pallaki uthayenge", he told me very happily and it was unexpected, there were so many people around and Lords pallaki was going on and he told me like this, so I understood that it is coming from you actually. You gave me an opportunity to clean your rooms & bring some accessories in Radha Damodar Temple at Vrindavan under the guidance of Archana Devi Dasi Mata ji. Thank you dear Srila Prabhupada, these memories & reciprocations I will always cherish.

Also especially during the phase of informing to parents about my joining. When I informed my parents, they started crying and I became very disturbed. And about this incident I had not informed anyone in temple and I was battling with these disturbances inside me, but you & Krishna knew what I am going through & you immediately guided me through your

disciple Aniruddha Balaram Das. He himself came & asked me and I started telling him what I was going through, sharing with him made me little peaceful. Another concern for me was to convince my parents and you & Krishna convinced my parents, especially my mother through a unique meaningful reciprocation, which was sufficient for her to understand it. In fact she told me that she knew about my decision to join 2-3 days before I told her, which was because of your reciprocation. This level of planning & guidance you have done in my life. I am immensely Thankful to you & Krishna from the bottom of my heart for all the love, kindness, mercy & blessings upon me.

When I look back in my life I am able to see how much effort & planning has been done by you & Krishna, short term plans, long term plans, providing protection always, guiding through your disciples, encouraging me to get up after fall down. So much time & energy has been invested by all of you to bring me to this stage. I can never never repay what all you have done to me. You have literally brought me out from hellish life which I was living outside to heavenly life in Ashram. I was a hardcore meat eater, fully lustful person, women hunter, addicted to bad habits, so many material desires like buying a bungalow, BMW car, stallion horse & what not, all these nonsense desires I had.

Dear Srila Prabhupada you have very mercifully purified me through your mission, process & brought me in your Ashram. Srila Prabhupada you are a real patita pavana. But I am a neophyte, still struggling with so many anarthas & residual effects & sense gratification desires. I feel sometimes in Ashram that how will I be able to serve you, I feel like a small fish in this Ashram which is like a ocean. So many advanced devotees are there, I don't know anything compared to them. I don't know to read Sanskrit verses properly, I don't know to play kartaal/mridanga, I don't have much interest in reading philosophy, books. I find myself useless, confused, sometimes mentally imbalanced person, emotionally weak, inferiority complex person etc, I don't know how I will be able to serve you.

I don't have faith & confidence in myself that how long I will be able to keep myself in your Ashram, my mind can cheat me at any moment and you know very well how weak I am. Sometimes I feel I am giving continuous trouble to you & Krishna by making you all worry about me; you all have to always be watchful towards me like a immature child is watched by parents. Please forgive me for my offences & Mistakes. Please forgive me my dear Srila Prabhupada if I have hurt you or your disciples in any way. Dear Srila Prabhupada I have understood at least theoretically that i am not this body, I am a spirit soul and chanting is very good for soul to connect with Krishna. And I have also understood at least theoretically that illicit sex is not at all good, meat eating is bad, and intoxication & gambling are not good. So I promise you that I will follow the 4 regulative principles mentioned by you throughout my life & will chant 16 rounds of Hare Krishna Mantra everyday throughout my life. Dear Srila Prabhupada, please give me your blessings so that I can follow the above promised things. Please kindly continue your blessings & mercy upon this fallen soul so that I can advance in spiritual life. Please bless me with chastity towards you & Krishna.

Awaiting your Mercy,

Bhakta Anup.

Dear Srila Prabhupada,

Please Accept My Humble Obeisance!

Our Dear Srila Prabhupada, I don't know how to thank you for your mercy, when I am drowning in the ocean of this material world. You showered your mercy upon me and showed the way to get out of it, but still I am not able to take-up, it's my great misfortune.

Here I am able to remember one of your instruction about the ocean and the navigator - "Just like in the Ocean, the navigators look to the Pole Star to estimate which side they are going. Similarly, our aim should be always to Vishnu. But unfortunately we are not educated in that way."

You are the real navigator and we are all just like a traveller in the ship. In this connection Krishna Consciousness is the boat and you brought it from the spiritual world to take us to Supreme Lord Krishna the real Pole Star, our duty is to just simply follow your words.

Dear Srila Prabhupada, I am the most fallen in this world, but still you are bestowing your mercy upon me, please forgive and bless me to serve your instruction till my last breath.

Thank you Srila Prabhupada.

Your Fallen Servant,

Bhakta Apoorva.

Hare Krishna,

My humble obeisance unto our beloved Spiritual Master.

A.C Bhaktivedanta Swami Srila Prabhupada.

My beloved spiritual master, please accept my obeisance, as I have no proper qualifications and knowledge to glorify you. I am an insignificant person to whom, by your mercy have some to some understanding of goal of life and my real constitutional position, as part and parcel of Krishna, to serve him always!

It is due to your mercy of giving us ISKCON, an institute to give us an opportunity to understand the finer aspects of spiritual life.

My beloved master has all the divine qualities as mentioned in the Bhagavad Gita.

It is due to my spiritual master that I am able to associate with devotees as mentioned in the Sastras "Sandhu Sanga, sadhu sanga- sarva sastra Kaya, lava matra sadhu Sanga sarva siddhi haya." Reading your books helps me to understand the important message of the scriptures such as Bhagavad Gita Srimad bhagavatam and so many other scriptures in a very simple and lucid language. Our master has written over 70 volumes of scriptures in such a small span of time for the benefit of the whole world by spreading the teachings of Krishna. I am very fortunate to have pure devotee as my spiritual master! Due to his mercy I am able to visit various spiritual places, associate with devotees and hear the glories of the lord and much more and help me to achieve the highest perfection of life - Devotional Service to Lord Krishna and to go back to our original place, Goloka Vrindavan.

My beloved master please accept my humble offering to your lotus feet.

Your Servant,

Bhakta Arindam.

Dear Srila Prabhupada,

I offer my obeisance to Jagat Guru Srila Prabhupada. He opened my eyes and showed me correct path of spiritual life. When I came to ISKCON temple Bangalore first time in January 2013 then I got into influence of Srila Prabhupada just by seeing him in the temple. It seemed to me that he's just sitting and blessing everyone! I didn't believe in any Gurus earlier but it happened first time that I trusted and started following Srila Prabhupada. Then I started reading his written books and got to know that how he became true a spiritual master for the world as he comes from disciplic succession of Guru Parampara. He took his Guru word and started a mission to aware the people about Krishna consciousness. He renounced the world to save the people from darkness of ignorance. He didn't have enough amount to travel the world but he was fully determined that Krishna would help him and Krishna did it. He struggled a lot to establish 108 temples across the world. Normally a person does everything for himself, he meditates and worship for himself but Srila Prabhupada sacrificed his life for saving the world and he never ever claimed that he was a God he always said that he was a servant of Lord Krishna.

Earlier I used to just worship all demigods and do all bad activities like thinking about girls, and cheating others, eating animals & birds and using slang on others etc. I was not aware of this all that these all are bad activities for me and taking me to hellish condition of life. He is the one who saved me and showed correct path of this life's aim. Jai Srila Prabhupada!

Your humble servant,

Bhakta Arjun.

Dear Srila Prabhupada,

Please accept my respectful obeisance unto your lotus feet.

On this auspicious occasion of Vyasa Puja, I would like to express my heartfelt gratitude to you for your influence on all the devotees which helped all of us in understanding the true meaning of life which is a gift we have received from the supreme personality of godhead.

Now we have many ISKCON centres all around the world and so many devotees, with increasing number!

With your blessings we came to know about Spiritual life.

With this beautiful mantra one can receive the blessings of god and the help to discover one's spiritual journey.

Hare Krishna.

Jay Srila Prabhupada,

Dear Srila Prabhupada please accept my humble obeisance on this auspicious occasion of appearance day of your divine grace. I am very tiny who is attempting to glorify a great personality like you who made the whole world Krishna Conscious within a short span of time, who made even mlechas to pure devotees, who distributed pure love of god (which is very rare) to the whole world.

Sincerity & obedience towards Guru:

Sri Chaitanya Mahaprabhu's prediction was: - "Prithibete ache jete nagaradi gram sarbatra prachar hoiba more nama"

As a 10th Acharya from Sri Chaitanya Mahaprabhu in disciple succession of Madhva Gaudiya Sampradhaya, you bring into existence of Mahaprabhu's prediction. What I know it's all happened because of your sincerity, simplicity, humbleness and obedience to your spiritual master, Srila Bhaktisidhanta Saraswati Thakur. So I beg to your lotus feet please be merciful upon me and kindly teach me the same way how I can be very sincere, simple, humble and obedient at your lotus feet and to the authorities made by you.

Ashram Life: Since I don't have any qualification to serve directly at your lotus feet who is very dear to Krishna and as well as the lotus feet of Sri Krishna, by your causeless mercy I joined brahmacharya ashram on Feb 18, 2019 as one of a servant of servant of your servants which was my life's goal to become a sadhu or Sanyasi. You are giving me the opportunity to become a sadhu. After joining ashram I am experiencing what is the real life, what is the real happiness and what is the real duty as a human being. In ashram life there is no more anxiety, no fearfulness and no tension whereas outside the ashram I felt like horrible life.

Staying in Temple: You mentioned in one of your letter that whoever is staying in temple of Vishnu actually he is staying in Vaikuntha, so without having any qualification I am staying in Vaikuntha even in this material body associating with so many sadhus or Vaishnavas who are beyond the three mode of material nature who are all transcendental personalities. People are coming temple to get some peace or happiness but by your causeless mercy we are so fortunate we are staying in the temple of Supreme Lord Sri Krishna. So I beg at your lotus feet, please consider me as one of your insignificant disciple and kindly give me the chance to serve life after life at the lotus feet of Guru and Gauranga. I pray at your lotus feet, kindly protect me from the cruel eyes of Maya, so that I will not be dragged by the agency of the maya from the path of spiritual life.

Your insignificant servant,

Bhakta Arun.

Dear Gurudeva Srila Prabhupada,

Please accept my humble obeisances at your Lotus feet. Gurudeva your glories are spread all over the three worlds. The essence of your greatest & most sublime mission is saving the lives of many fallen conditioned souls all across the world. The actual quintessence of your divine appearance in this mundane world is certainly not possible for a fallen entity like me to understand. That is only by your causeless mercy that I am able to admit my emotions towards you in this letter.

Gurudeva I have tried to glorify you from the bottom of my heart through this poem. Please accept this offering.

Dear Prabhupada, O master! You are adorned with beads, sowing Krishna's love seeds. You are adorned with smile, lessening Goloka's miles.

Dear Prabhupada, O master! You are adorned with holy names, making us forget illusionary fames. You are adorned with momentous etiquettes, letting us follow them for decades.

Dear Prabhupada, O master! You are adorned with lotus eyes, making us open our darkened eyes. You are adorned with lotus palms, taking us to bhagavath dhams.

Dear Prabhupada, O master! You are adorned with beautiful Lotus feet, taking us to Krishna's Lotus feet. You are adorned with many exalted disciples, Please help me serve all of your disciples.

Dear Prabhupada, O master! Dear Prabhupada, My master!

By your causeless mercy, you made me read your books, unfortunately, I could never understand your actual position as a representative of the Lord.

Your kind self-made the divine appearance in my life on Vaikuntha Ekadashi 2017 @ ISKCON Bangalore by making me meet your devotees. Even though I do not deserve I am praying at lotus feet to become one of your trustworthy disciples through purifying my inner self and serving your greatest mission. Gurudeva Srila Prabhupada please forgive me for the frailty which might be affecting the service of your divine mission. Kindly bless me that I sincerely follow your spiritual instructions and value your blessings & benedictions under the guidance of your representatives who have little faith in me.

Aspiring to be your servant,

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet,, I am not a qualified person to appreciate your fame or your service to krishna consciousness But still I tried my level best,, please forgive me If I say nonsense. God made Sunday but you made it better by creating ISKCON You had good wife and children's but you left them to spread krishna consciousness,, you have survived two heart attacks,, sacrificed lot of sleepless night,, you cooked for hippy's,, you washed their plates,, and you created a place where whole world can leave with happiness,,you have become a transcendental instrumental in the mission of chaitanya mahaprabhu. Because of u I am understanding the krishna consciousness toady,, because of small service I have render to your lotus feet. I understood that life is not just a joke it's a gift of God to awake self realisation ,,you have given me the mercy to chant holy name of krishna that fullfills all my desires and cleanse my heart,, because of u I met lot of folk guides who changed my way of thinking from illusion to reality Don't know prabhupada what to say about your mercy on my life because that's beyond my thinking. THANKS for blessing this sinner.

Thank you,,,, it's just a word but I want to show it by action by doing more more service,, I don't know what I will become rich or poor But please always give me the strength to do service. At last I would like to conclude by saying,, May Words May Not Be Nothing For You But Your Words Are Everything To Me.

Hare Krishna.

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet. All glories to your Divine Grace! Let me thank you for giving me the opportunity to write an offering for your Vyasa Puja book. I feel deep purification and bliss when I think about your divine qualities. Let me express my greatest gratitude for what you have given me! If I tried to list everything, I would never reach the end. You personally trained your disciples how to cook for Krishna, how to distribute prasadam, how to put tilak, how to worship the Deities, how to play mrudanga, etc. We are all getting benefited from this and this is only because of your mercy. In the Kali-yuga, the whole atmosphere is surcharged with faithlessness. Men are no longer interested in spiritual values that is what we observe in daily life. Material sense gratification is now the standard of civilization. For the maintenance of such material civilisations, man has formed complex nations and communities, and there is a constant strain of hot and cold wars between these different groups. It has become very difficult, therefore I pray and beg at your lotus feet for your special mercy so I will not become victim of Kali-yuga but rather become victorious in Kali-yuga. I pray for your special mercy, Srila Prabhupada.

There are no words that can describe my gratitude to you, our beloved spiritual master, His Divine Grace A.C. Bhaktivedanta Swami SrilaPrabhupada.

Your unworthy servant,

Bhakta Arun Kumar.

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet. All glories to you. I was wandering in this world to maintain material life but due to some demerits or my karma I couldn't stick to one work and couldn't focus on one thing.

By your causeless mercy, I got a desire to visit Vaikunta Hill daily for about 6 months, complete chanting and then I used to go to central library to read my subject and to search for a job on the internet. But I used to read Science of Self Realization, Krishna book over there. In this way I was using my time. By the causeless mercy of Guru and Gauranga, I received a call from a devotee named Gunakara Rama Prabhu for an opportunity to serve at temple. But my family members and relatives were not at all happy because they were thinking that it will be end for my future if I work at temple. I made a clear step and joined the movement to serve. After joining my duty, many anarthas were arising in my daily japa, reading, darshan, prasadam etc. I was having transcendental happiness along with some ups and downs. With all humility, I feel like a fool in front of you. I thank you for all the guidance and mercy you had showered on this conditioned soul. I am listening to your conversations on a daily basis. Its heart touching. I feel very closely associated with you. I don't feel very good if I don't listen to your conversation and your read books. Thank you very much Srila Prabhupada for all the good fortune bestowed upon me. I should thank you daily for this opportunity and always want to make you happy.

Your humble servant,

Dear Srila Prabhupada,

Please accept my humble obeisances,

Thanks Prabhupada for giving us the knowledge of Krishna consciousness. I was searching for the meaning of life but finally I came to know the meaning because of you. I got such a diamond i.e. Krishna as my friend that no-one can be equal to him and this best friend I got only because of you Prabhupada. I don't need anyone when Krishna is blessing me. This is only because of you Prabhupada. So many things is happening in my life, but I am not getting break by thinking of Krishna, he is giving me everything I need and all are because of you Prabhupada. Bless me Prabhupada. I am grateful by having a Guru like you Prabhupada. You taught me so much and I changed myself because of you Prabhupada.

Dear Srila Prabhupada,

Hare Krishna. Please accept my humble obeisance at your lotus feet. All glories to Your Divine Grace!

Thank you for bestowing us with the knowledge to cross this age of Kali. Without your appearance on this planet, it would not have been possible for many fallen souls like us to cleanse our hearts and prepare ourselves to serve Krishna.

It is due to your relentless efforts that we have access to the purest form of knowledge of Bhagvad Gita in the form that can be understood by a mundane person. You have made devotion simple and sweet. Your lectures reverberate in our ears and protect us when we are about to fall down. It is due to your divine effort that today I and many others are able to distinguish between right and wrong. Our life was more sinful than animals and mundane, it is your words that we read every day that we have become human and practising to be a devotee of Lord Krishna to whom you are very dear.

Dear Prabhupada, kindly give me the strength to follow your prescribed path, kindly hold my hand when I fall down in materialistic opulence.

I am an insignificant servant of yours still striving to serve you in whatever possible way. Kindly accept my humble services.

Your aspiring disciple,

Bhakta Ashis Kumar Kar.

Hare Krishna,

My Humble obeisance unto your lotus feet.

In this special time, I remember your quote "Don't Feel Yourself to Be Alone Because GOD is always with you." This turned my material life into Krishna conscious life. Earlier I was feeling loneliness now I am proud to say somebody is guiding me

behind. Srila Prabhupada, I need your blessings for my Krishna consciousness to improve on a daily basis. I hear fully following your 4 regulative principles.

Thanks for giving shortest, and sweetest way to serve Krishna and reach Krishna's lotus feet.

Your humble and loving servant,

Bhakta Ashrith MN.

Dear Srila Prabhupada,

Please accept my humble obeisance at Your lotus feet on Your divine appearance day.

All glories to Your Divine Grace!

On this auspicious day, I seek your blessings to give me full strength to continue practicing Krishna Consciousness, amidst all disturbing material desires for sense enjoyment. It is more than 2.5 years that I am following Your instructions and practicing spiritual life regularly. I feel that it is always easy to start something and very easy to end it too. But, it is always a difficult task to maintain it regularly. Every day is a challenging day for maintaining the regular sadhana and further making progress in the Krishna consciousness in the middle of busy material schedule.

But, when I look into your life, it gives me all inspiration to practice Krishna consciousness and motivates me to spread it among youth. How You spread the message of Sri Chaitanya Mahaprabhu even in Your advanced age and made lakhs of people accept and appreciate Krishna consciousness, though inconceivable for a poor brain. I feel to take strong determination to follow Your words and take Krishna consciousness more seriously. I have a strong desire to spread Krishna consciousness in the scientific community. I want to preach Your divine instructions to the students, youth and among the learned circles, and I need enough strength to do so with Your divine blessings.

On this auspicious day, I pray at Your lotus feet to bless me such that at least I can try to put my little effort to please You and Lord Jagannath by practicing Krishna consciousness sincerely and spreading Lord Chaitanya Mahaprabhu's mission to the scientific community.

Your aspiring servant,

Bhakta Ashutosh Mohanty.

Dear Srila Prabhupada,

Please accept my humble obedience for your lotus feet. I have been chanting 6 rounds of Hare Krishna mantra for one month.. Thank you for giving me this holy decent on my tongue... From Bhagavat Gita, I have learnt that I'm not this body I'm spirit soul.. Currently I'm more n more engaged in bodily services which binds on to this material world.. To escape from this material world & to reach spiritual world.. In order to stop all the reaction of my karma, Bhagavat Gita recommends us to practice bhakti yoga. Beginning with chanting & honouring Krishna Prasadam, Hearing about transcendent activities of the Lord.. In order to cure the mind, Krishna recommend in Bhagavat Gita to perform appropriate diet n expert treatment. Expert treatment is hearing holy name of Hari & Diet is honouring Krishna Prasadam.. Please give me the opportunity to include these 2 activities in my life.. By performing bhakti yoga I must remember Krishna at the time of my death. Dear Srila Prabhupada,

Please accept my obeisances at the dust of your lotus feet. All glories to your Divine Grace!

It was in February-2013, when I first visited your ISKCON Bangalore. I still remember how the 10 minutes of association of your devotee changed my life. It convinced me to chant the Holy names. I never feel alone in my life, each and every moment I feel your lotus hand showing me how to approach KRISHNA. Srila Prabhupada, When I hear your lectures, your words are so transcendental, you were able to make perfect interfaith statements without offending anybody, instead encouraging the members of a different faith and religion to practice their faith more sincerely. I pray for your mercy again and again to engage me in Krishna's service by chanting the holy names more and more. Please satisfy my spiritual thirst by making me chant the Lord's Holy names and my spiritual hunger by making me read your transcendental books. Srila Prabhupada, I too aspire to follow you fully, but I can do that only by your mercy and by the mercy of those dear to you, who carry your mercy and love. Please continue to shower your mercy on me.

Your aspiring servant,

Dear most Srila Prabhupada,

Please accept my humble obeisance. All glories to you Srila Prabhupada, on your most auspicious Vyasa-puja day. Your name is glorified in all ISKCON temples, preaching centres, Nāma-haṭṭa centres, and Bhakti Vriksha centres all over the world. When will the day come when your name will be glorified in all countries, in all cities, and in all villages and towns worldwide? When, as predicted, the holy name will be chanted all over the world, then you will be recognised as the representative of Lord Chaitanya who brought the holy name to the world, and your name will be chanted along with Lord Krishna's holy name.

By reading scriptures (Bhagavad Gita & Ramayana) one can slowly become God conscious.

Your Servant, Bhakta Avarjun Shenoy.

Offering to my Spiritual master - Srila Prabhupada

om ajnana-timirandhasya jnananjana-salakaya, caksur unmilitam yena tasmai sri-gurave namah

I was born in the darkest ignorance, and my spiritual master opened my eyes with the torch of knowledge. I offer my respectful obeisances unto him.

vancha-kalpatarubhyas ca krpa-sindhubhya eva ca, patitanam pavanebhyo vaisnavebhyo namo namah

I offer my respectful obeisances unto all the Vaishnava devotees of the Lord who can fulfill the desires of everyone, just like desire trees, and who are full of compassion for the fallen souls.

sri-krsna-caitanya prabhu-nityananda, sri-advaita gadadhara srivasadi-gaura-bhakta-vrnda

I offer my obeisances to Sri Krsna Caitanya, Prabhu Nityananda, Sri Advaita, Gadadhara, Srivasa and all others in the line of devotion.

he krsna karuna-sindho dina-bandho jagat-pate, gopesa gopika-kanta radha-kanta namo 'stu te

O my dear Krishna, You are the friend of the distressed and the source of creation. You are the master of the Gopis and the lover of Srimati Radharani. I offer my respectful obeisances unto You.

I do not know how to begin..Oh Lord Nityananda, kindly be gracious to me, for I do not have the qualification to approach Srila Prabhupada's lotus feet. My Lord and Master, Srila Prabhupada, is but a manifestation of Yours. By Your causeless mercy, Oh Lord, my Spiritual Master appeared in this world to relieve the suffering of all living entities. Who can be more fallen than me! In spite of understanding so many instructions on spiritual subject matters, I continue to enjoy this material world. I perform all offences while chanting the Hare Krishna Mahamantra and my deviant mind does not rest for a minute on the Lotus Feet of the Holy Names emanating from my mouth. I have no attraction for the Holy Names. What misfortune! I know very well that this is due to my not serving the lotus feet of my Spiritual Master and all Vaishnavas with utmost devotion. When will my stone-like heart melt upon hearing Your sweet names which are like nectar. Therefore, I humbly submit to Your Lotus Feet and request You to kindly provide me with required intelligence to glorify my Guru Maharaja on the auspicious day of his advent.

Oh Srila Prabhupada, You are the commander-in-Chief of Lord Chaitanya's army which is going to destroy all nescience and establish true love for Godhead in this Kali Yuga. You had mercifully advented on the auspicious day of Nandotsava. In the Caitanya-caritamrta the Lord Himself predicts "Prthivite ache yadi nagaradi grama, sarvatra pracara hoibe more nama" (translation: "My holy name will be chanted in every town and village"). Srila Prabhupada, You have fulfilled that prediction by Your factual accomplishments. Great acaryas like Srila Bhaktivinoda Thakur Prabhupada had also predicted Your arrival. What more can be said? Before Your arrival, there were several places of pilgrimage restricted mostly to India but the imprints of Your lotus feet sanctified the whole world where ever You went. It is said that places of pilgrimages sanctify the sinful persons visiting there but pure devotees such as Yourself sanctify even the places of pilgrimage. It is actually a fact that wherever there is a pure devotee of the Lord, that place becomes a pilgrimage. Your glories are limitless and cannot be described by a fallen soul like me. I can only describe but a mere speck of dust of the Sumeru mountain-like glories of Yours. You are carrying out the order of Lord Gauranga and Lord Nityananda and are very dear to their Lordships. Lord Nityananda holds the treasure-house of Love of Godhead and You are his manifestation and have now appeared with the key to openly distribute that love of Godhead.

I am most fallen. Your mercy has spread far and wide to all fallen living entities but why have You ignored me my Lord? What misdeeds have I done, to not have the shelter of Your lotus feet? Only by Your causeless mercy can a wretched soul like me be saved and ultimately get the dust of the lotus feet of Lord Nityananda and Lord Gauranga. I say this because I cannot even imagine how to develop love for my Lord Krishna. Since I am most fallen, my request is even more urgent, for You have come to execute the order of Lord Chaitanya which is to freely distribute Love of Godhead without any

consideration even to the most fallen. Just as Lord Nityananda had mercifully saved Jagai and Madhai, kindly bestow Your mercy upon me so that someday I may obtain the shelter of Lord Krishna's holy names and shed incessant tears as I chant and get inundated into the ocean of Love of Godhead.

Hare Krishna Hare Krishna, Krishna Krishna Hare Hare

Hare Rama Hare Rama, Rama Rama Hare Hare!

My humble obeisance unto your lotus feet.

I will thank God to bring me under His umbrella and showering the blessings upon me. He gave me inner strength and peace to conquer my expectations. I would like to thank my spiritual master who is so merciful and showed me the path of spiritual consciousness.

Dear Srila Prabhupada,

Please accept my humble obeisance. Thank you for coming to this material world and showering your mercy to the fallen souls. At the age of 69 when people retire and wait for their death to arrive, you decided to go to United States of America and deliver the fallen people like Hippies. You also had two heart attacks which a common person would not have survived at your age. And after all this you established 108 temples in just 12 years. Just like any other fallen soul, I was into the illusion. After coming to Bangalore I came in contact with ISKCON and that is how my life changed totally. Thank you for taking me under your shelter and changing me, from a fallen meat eater and a person who will fight like cats and dogs for even minute things, to your servant. I started reading your books and listening to your lectures, doing morning Sadhana in Folk residency. Your lectures and books help me a lot both Spiritually and also materially.

Your Servant,

Bhakta Ayush Kumar Singh.

Please help me in solving all the problems of life by increasing my chanting and rendering more and more services to Krishna. Please make me think of Krishna at the time of my death.

ಹರೇ ಕೃಷ್ಣ ನಾನು ಇಸ್ಕಾನ್ ಬಂದು ಮುರೂ ವರ್ಷ ಆಯಿತು, ಮೊದಲನೇ ಬಾರಿ ನಾನು ಇಸ್ಕಾನಿಗೆ ಬಂದಾಗ ಕೃಷ್ಣಬಲರಾಮ ದರ್ಶನವಾಯಿತು. ಆಗ ನನಗೆ ಹರೇ ಕೃಷ್ಣ ಮಹಾಮಂತ್ರವನ್ನು ಜಪ ಮಾಡಲು ಪ್ರಭುಪಾದರು ನನಗೆ ಆಶೀರ್ವಾದ ಮಾಡಿದರು. ಅದಕ್ಕೆ ನಾನು ಪ್ರಭುಪಾದರಿಗೆ ಎಷ್ಟೇ ನಮಸ್ಕಾರಗಳನ್ನು ಹೇಳಿದರು ಕಮ್ಮಿ. ನಾನು ಇಸ್ಕಾನಿಗೆ ಬಂದ ಮೇಲೆ ನನ್ನ ಜೀವನದಲ್ಲಿ ತುಂಬಾ ಬದಲಾವಣೆಗಳು ಆಯಿತು. ಮುಂಚೆ ನಾನು ಮಾಂಸವನ್ನು ತಿನ್ನುತ್ತಿದ್ದೆ ಮತ್ತು ಅನೇಕ ಬೇರೆ ಬೇರೆ ಕೆಲಸಗಳನ್ನು ಮಾಡುತ್ತಿದ್ದೆ. ಇತರ ಜನಗಳಿಂದ ನಾನು ಹಾಳಾಗಿ ಹೋಗುತ್ತಿದ್ದೆ. ಹಾಗೆ ನನಗೆ ಇಸ್ಕಾನ್ ಪರಿಚಯವಾಯಿತು. ಈಗ ನನಗೆ ತುಂಬಾ ಒಳ್ಳೆಯದಾಗಿದೆ. ಅದಕ್ಕೆ ನಾನು ಮತ್ತೊಮ್ಮೆ ಪ್ರಭುಪಾದರಿಗೆ ನಮಸ್ಕಾರಗಳನ್ನು ಹೇಳುತ್ತೇನೆ.

Hare Krishna,

Dear Srila Prabhupada.

My humble obeisances unto your lotus feet.

You have shown me direction, and given me purpose in life.

The ISKCON temples you have founded are truly gateways to spiritual upliftment for all of us.

Your books which are an infinite source of knowledge and wisdom, guide me each day to live a better life in the spirit of Krishna Consciousness.

Even though I'm trying to concentrate to be in Krishna Consciousness, I keep facing so many challenges and difficulties which leads to sense gratification.

I have learnt to develop a sense of gratitude towards creation through devotion to the Supreme Personality of Godhead, and this is a great blessing for me. I am forever indebted to your guidance and mercy that you have shown upon me.

My beloved master, please accept my humble offering at your lotus feet.

Your humble servant,

Bhakta Pavan Kumar.

Bhakta Bharath

Dear Srila Prabhupada,

Please accept my humble obeisances. On this special occasion of Vyasa puja, let all glories strengthen our inner beings with power through your spirit. As a common man one would go after seeking the truth of 'existence', I was also curious to find out the truth. I had traveled across the states, recording people's minds and thoughts about religion and practices. Every religion was glorifying their god, and saying that one's religion is far better than the other, but none had given me the absolute answers. I had turned half nomad. As I was passing by the streets, the picture of a great personality on the Akshaya Patra van caught my eye and the words there read as 'Inspired by his divine grace A C. Bhaktivedanta Swami Srila Prabhupada. The divine shine on his face took me to ISKCON, Bangalore. I inquired about Prabhupada with a person who was distributing books of Prabhupada. He was so happy to brief me. The environment around the temple looked so divine. After I started to read 'Science of Self-realization', I was completely immersed in Prabhupada's teachings. Finally I succeeded in seeking truth!! Prabhupada has not only cleared my doubts, but also enlightened my soul. As I had been through a lot of depression and problems in my life, Prabhupada was always on my side by guiding me and making me understand that in this material world one has to suffer and face problems. This made a spiritual gateway to enter into Krishna Consciousness.

To enter into a spiritual platform one should have a guru, A Guru? In order to learn the transcendental science, one must approach a bonafide spiritual master in disciplic succession who is fixed in the absolute truth. Yes, Prabhupada is my inspirational guru who has taken me into the right pathway. Such an acharya guiding me makes me feel so happy, but on the other hand I think am I worthy enough to get such type of guru? Then how do I accept him?

karpanya-dosopahata-svabhavah

prcchami tvam dharma-sammudha-cetah

yac chreyah syan niscitam bruhi tan me

sisyas te 'ham sadhi mam tvam prapannam

Now I am confused about my duty and have lost all composure because of weakness. In this condition I am asking You to tell me clearly what is best for me. Now I am Your disciple and a soul surrendered unto You. Please instruct me. (Bhagavad-Gita 2.7)

This is the process for accepting a guru. The guru is Krishna's representative, the former acaryas' representative. Krishna says that all acaryas are His representatives. Therefore the guru should be offered the same respect one would offer to God. Then how special prabhupada will be?

manusyanam sahasresu, kascid yatati siddhaye

yatatam api siddhanam, kascin mam vetti tattvatah

Out of many thousands among men, one may endeavor for perfection, and of those who have achieved perfection, hardly one knows Me in truth

Krishna says to Arjuna. Prabhupada has given us such a platform where everyone can achieve godhead just by chanting 16 Rounds of Hare Krishna Maha Mantra, the only way to seek Krishna. Prabhupada has simplified the process to achieve perfection, as perfection makes man extraordinary. I surrender to my spiritual master and to Krishna as he is the supreme personality who resides in each and every living entities heart. I pray to Prabhupada to show mercy and accept me as a servant, so that I can render humble service towards Krishna and his devotees. Please forgive my sins which I have done knowingly or unknowingly, and fill my heart with pure love of Krishna. I will continue serving the godhead till my last breath, and after life too. Bless me so that I can understand Krishna in the right way by following your teachings. Bless my soul with bliss, a soul which is awaiting to reside at the lotus feet of Krishna. Thus I am grateful to you for enlightening me. Forgive me, and help me break the bond of Maya.

Your fallen servant,

Bhakta Bharath.

Bhakta Bharath Darshan

Hare Krishna,

Dear Srila Prabhupada,

I am very grateful to get an opportunity to express my gratitude and respect for Srila prabhupada, by being a part of this vyasa puja and glorifying his bhuvana-lilas. It is you, who made the prophecy of Chaitanya Mahaprabhu come true that the Hare Krishna Mahamantra is going to spread all over the world. you by authoring authoritative books on the Vedic literature has given a clear picture about the Vedic teachings which has come down through the discipic succession began by Lord Sri Krishna himself. If you were not there, it would be unimaginable about our lives, for we would have been the dasas of Maya instead of rendering our devotional service to Lord sri krishna. You are a pure devotee of Lord srikrishna, and a bonafide spiritual master and your teachings spoke the very essence of Srimad bhagavatham and Srimad bhagavadgita, which is necessary for the upliftment of the fallen-down souls in the world.

Truly, it is impossible to glorify you through words. But one thing is for sure you will live with us eternally through your teachings. I offer my humble obeisances to you. Srila prabhupad ki Jai!

Your Servant,

Bhakta Bharath Darshan.

Bhakta Bhargav Tallam

Dear Srila Prabhupada,

Please accept my obeisances.

I am feeling very blessed & fortunate to be in touch with your mission & teachings. You had enlightened this world with spiritual knowledge & become a saviour of this whole world.

Because of your mission, teachings & causeless mercy, many of the fallen souls are transformed to become devotees of the Lord. You had made it very simple by your translations of Vedic scriptures. You had set an example to this world, how the Guru should be.

Prabhupada, please help us in following your instructions & shower your blessings upon us in the progress of Krishna Consciousness. I wish to be the servant of your mission & Lord, birth after birth. Please give me more opportunities to engage in Lord's service & to spread the holy names of Lord Chaitanya & Lord Krishna to the whole world. Prabhupada, with your causeless mercy it is possible to transform this world into Vaikuntha Loka.

Thank you Prabhupada.

Your servant, Bhakta Bhargav Tallama.

Bhakta Bheema Rao T L

Dear Srila Prabhupada,

Please accept my humble obeisance at Your lotus feet.

Your books & lectures woke me up from the sleep of ignorance. They enlighten me with transcendental knowledge which makes me understand that the purpose of human life is to serve Krishna.

Srila Prabhupada it's Your mercy that I am able to chant the holy names and render devotional service in temple. Thank You Prabhupada for such simple instructions to make us understand the need of Krishna consciousness and to attain Love for Krishna. Even though the process is very simple some circumstances and situations are dragging me away from Krishna consciousness. But You are continuously guiding me to be in the track and reminding me through devotees. Thus I am able to follow Krishna consciousness.

Srila Prabhupada, Please give me the knowledge, intelligence to make progress and my mind fixed up on Your divine instructions and give me strength to follow them.

Your aspiring servant,

Bhakta Bheema Rao T L.

Bhakta Bhuvanesh

Dear Srila Prabhupada,

I offer my respectful obeisances unto your lotus feet.

You are very dear to Krishna, and have taken shelter at his lotus feet.

You taught us the principles of life. You taught us how to be in Krishna Consciousness ,

You also taught us how to remember Krishna always.

You spread the Hare Krishna Maha Mantra which is very potent, across the globe and helped many people to come out of their sufferings simply by chanting the maha mantra.

Many people are leading a blissful and contented life simply by following your teachings.

You have given perfect knowledge to all. And also you have said that to get perfect knowledge one should approach Guru.

You are the source of knowledge. Our duty is to simply follow you in every aspect of life.

Words are not enough to express our inner feelings for the knowledge you have provided for us.

Your aspiring disciple,

Bhakta Bhuvanesh.

Bhakta Chandrashekar

Dear Srila Prabhupada,

Please accept my humble obeisances at Your lotus feet. All glories to Your Divine Grace.

Lord Brahma had to undergo penances for one thousand years by the calculations of the demigods, after which Lord Krishna imparted the Vedic knowledge unto the heart of Lord Brahma. This knowledge, as it is, has been passed on in parampara from Lord Krishna to Lord Brahma to Srila Narada Rishi to Srila Vyasadeva and so on and finally to Your Divine Grace. This very same confidential knowledge is being offered, by Your Divine Grace to a fallen soul like me, out of Your causeless mercy. In this case, Srila Prabhupada, instead of the receiver of knowledge having to undergo penances and austerities, it is You, the giver of knowledge who has undergone so much of austerities, to write books which shall be the law-books for the humankind for the next 10,000 years. Srila Prabhupada, I wonder what kind of compassion You possess in Your heart for fallen souls like me that You were awake throughout the night for writing these books, resting only a few hours, that too intermittently.

Srila Prabhupada, You were working so hard to give us that very same knowledge which Lord Krishna gave Lord Brahma after Lord Brahma underwent a thousand years of penance. I wonder how fortunate I am that I have got in touch with Your Divine Grace's books which are a pure devotee's transcendental realisations.

In Chaitanya Charitamrita, while commenting on the author Krishnadasa Kaviraja Goswami, Your Divine Grace write "It is not possible for a common man to write books on bhakti, for his writings will not be effective. He may be a very great scholar and may be expert in presenting literature in flowery language, but this is not at all helpful in understanding transcendental literature. Even if transcendental literature is written in faulty language, it is acceptable if it is written by a devotee, whereas so-called transcendental literature written by a mundane scholar, even if it is a very highly polished literary presentation, cannot be accepted. The secret in a devotee's writing is that when he writes about the pastimes of the Lord, the Lord helps him; he does not write alone. As stated in the Bhagavad-gītā (10.10), *dadāmi buddhi-yogaṁ taṁ yena māṁ upayānti te*. Since a devotee writes in service to the Lord, the Lord from within gives him so much intelligence that he sits down near the Lord and goes on writing books." (CC Adi 8.39).

The above explanation applies to You as well Srila Prabhupada. Your Divine Grace rightly said "Sometimes I become surprised how I have written this. Although I am the writer, still sometimes I am surprised how these things have come. Such vivid description. Where is such literature throughout the whole world? It is all Krishna's mercy. Every line is perfect." (Srila Prabhupada Conversation, June 28, 1977)

We are all so blessed that Your Divine Grace is present with us and extending Your association in the form of Your books, but this fallen conditioned soul is so unfortunate that I cannot properly associate with You.

Srila Prabhupada, please bless me with Your mercy, so that I can render some service to Your mission, by which You would be pleased.

Jai Srila Prabhupada!

A fallen soul, Bhaktha Chandrashekar.

Bhakta Chandrashekar G

Dear Srila Prabhupada,

Please accept my humble obeisances.

I am not eligible to glorify you. I do not have any qualification. I do not have any worldly knowledge to describe you. Please excuse me if I make any mistakes in my offering.

Before coming to Krishna Consciousness, I was very unhappy, full of doubts, uncomfortable and miserable. Gradually as I evolved in Krishna Conscious practices, the doubt, the discomfort and the miseries reduced. On the other side, health, happiness and brightness have increased. I feel the association of devotees makes me secure, and association of non-devotees makes me insecure.

I cook bhoga and offer to Krishna. I prefer to honor only Krishna prasadam. This has all become possible because of reading your books, listening to your lectures, following your instructions, and being in association with pure devotees.

After being in Krishna Consciousness, there is a new dimension to my way of thinking which is called Krishna Conscious thinking. Every activity, interaction, and thinking I am involved in a day become well organised, disciplined. They keep on getting better and better day by day as I keep reading your books, listening to your lectures, and preaching.

Dear Srila Prabhupada, you are such a wonderful spiritual master! Thank you so much for delivering me from the pangs of misery of this material world. Please accept my respectful obeisance unto your lotus feet again and again.

Your aspiring servant,

Bhakta Chandrashekhara G.

Dear Srila Prabhupada,

Please accept my humble obeisances, I was born in the darkest ignorance, and my spiritual master opened my eyes with the torch of knowledge. I offer my respectful obeisances unto Srila prabhupada.

Dear Srila Prabhupada it was few years ago I was engaged in so many sinful activities like meat eating, serving meat etc, it's by your divine grace I can give up all those activities.

Dear Srila Prabhupada today if I am having Darshan of Lordships, attending mangalarathi, Kirthans, going folk trips, chanting and guidance from devotees all these are just because of your causeless mercy.

Recently we had gone to Puri to witness Sri Jagannath Puri ratha yatra where we blessed through devotees association and Kirthans without your blessings these are all could have not happened.

Dear Srila prabhupada You are very merciful to me because even after I have so many anarthas you are giving me an opportunity to associate with your organization and devotees. Every time I remember your instructions whenever I need guidance, only your instructions are saving me to take good decisions in my life. I really don't deserve to be part of your association, but you are so merciful you are giving service in Temple through devotees most of the time. I pray at your lotus feet to bless to engage more and more devotional service in the temple. I beg for your mercy to be continued to advance in my spiritual life and take up krishna consciousness more seriously, I am very much grateful to Sri Radha Krishna Chandra for giving your association through your divine books.

Your servant,

Dear Srila Prabhupada,

Please accept my humble obeisance. I am happy that I'm follower of you and I'm really proud of you prabhupada and I liked your idea of taking initiative against the mid day meals after seeing the fight between street dog and children's for scraps of food. This actually is one of the most proud movement and the initiative of ISKCON and I'm proud that I'm your follower. You built (Iskcon) heaven on the earth. Hare Krishna. Jai Srila Prabhupada

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet.

“Hare Krishna Hare Krishna Krishna Krishna Hare Hare”

“Hare Rama Hare Rama Rama Rama Hare Hare”

I would like to thank you for blessing us with the Hare Krishna Mahamantra, enlightening us with its meaning, and also giving us the initial taste for chanting so that we could embark on our journey in Krishna Consciousness. In my limited journey on this path, I have certainly realized one thing that the understanding and taste for such spiritual knowledge cannot be achieved by any amount of material efforts, unless one has the mercy of the spiritual master.

I am so fortunate to know about you Srila Prabhupada. I now have a clearer understanding of our actual problems, and how to lead a life without regret. Srila Prabhupada, I accept you as my acharya, and will follow your instructions to my capacity.

Your servant, Bhakta Chethan.

Dear Srila Prabhupada,

All Glories to your divine grace. Please accept my humble obeisances. Till date I have learnt many things which has brought many changes in my life. First and the foremost thing I learnt is cleanliness and discipline in every small piece of work we do. Food habits and lifestyle is also different which develops us mentally and physically. Srila Prabhupada's teachings not only develop us mentally but it indirectly helps us in developing spirituality which is very much required in today's generation. I heart fully thank for all your teachings .

Your Servant, Bhakta Chethan B Mali.

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet. I have been chanting 10 rounds of Hare Krishna Mantra for around 2 years. I have learnt from Bhagavad Gita that I am not this body, I am the spirit soul. But I am too much engaged in bodily activities serving my mind and senses and forgetting my original position as servant of Krishna. Please bless me to read your instructions which will save me from all kinds of Maya. Please engage me more and more in your missionary activities and give me opportunity to be part of your mission of Lord Krishna. Please give me the remembrance to think of Lord Krishna at the time of my death

Your Insignificant Servant of Servant,

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet

Thank you Prabhupada for bringing me out from darkness of ignorance. Because of your unlimited mercy, I am able to chant the holy name of the Supreme Personality of Godhead. I am such a fallen soul. I am not able to recognize my self as a servant of the Lord. So please bless me with your causeless mercy. You are an ocean of causeless mercy delivering all fallen conditioned souls . I am the most fallen soul, so please bless me with your causeless mercy so that I can become your personal servant, and your servant's servant. Other than you I do not know anything in this world, and am living an aimless life like an animal. Please give me the strength to follow your important instructions, and please bless me to become your sincere disciple.

Your servant,

Bhakta Chhotelal kumar.

Bhakta Chinna Somanna

Dear Srila Prabhupada,

Please accept my humble obeisances!

Due to your blessings upon me, I am living very happily now. After I came to Krishna Consciousness my mind is changed, because of your teachings. I want to continue my remaining life in Krishna Consciousness. Thank you Prabhupada; you have given nice association of devotees to me who always shown the right path. In my conditioned life, I am getting spiritual experience due to the Krishna Consciousness society. You established International Society For Krishna Consciousness which is heaven on earth.

My life has become so good due to your blessings. In this material world, everyone is conditioned, but one who is in touch with your teachings, he will get immediate relief. You gave me nice Krishna prasadam which is nectar. Thank you so much Srila Prabhupad. I got so many benefits from you since last three years, but unfortunately I am not able to appreciate you because of my ignorant mind. You are the best well-wisher in my life. My humble request to you is to give me spiritual strength to follow your instructions, and strictly adhere to the Krishna Conscious principles throughout my life. Please kindly accept me as your servant, and give me a chance to serve.

ISKCON has given new life to me, so I want to serve your mission. I am not able to deliver Krishna Consciousness to the society in my capacity. Please give me strength to do preaching services.

I have received the most wonderful miracle of my life in the form of Hare Krishna Mahamantra; it is really helping me. You have given us wonderful books, and through your books I am trying to make a humble attempt to understand the Supreme Personality- Lord Sri Krishna, who is the cause of all causes. I have got the knowledge about absolute truth only because of you. Prabhupad! I am very thankful to you and your disciples. Please forgive me for any mistakes in my offering.

All glories to Srila Prabhupada.

Your faithful servant,

Bhakta J Chinna Somanna.

Bhakta Damodaram S

Dear Srila Prabhupada,

Thank you for providing me the wonderful opportunity to chant the Hare Krishna Mahamantra. I am very grateful to be part of FOLK ,where I learn about Bhagavad Gita and Krishna. It is only because of you that I am able to participate in various festivals at temple, and getting an opportunity to serve the lotus feet of Lord Krishna. Even though I am not perfect, but still you keep me in the association of pure devotees. I am also grateful for the Sunday dinner prasadam. I am able to participate in various FOLK trips by your blessings.

Thank you so much for all of these for it was all possible only because of your mercy.

Your aspiring disciple,

Bhakta Damodaram S.

Bhakta Dastagiri R

Dear Srila Prabhupada,

Please accept my humble obeisance,

Prabhupada, you said to your disciples during Ratha yatra:

I have a few children in India from my family but you are my real children. I am going to India for a little while. There is no question of separation. The sound vibration fixes us up together, even though the material body may not be there. What do we care for this material body? just go on chanting Hare Krishna and we will be packed up together. You will be chanting here, and I will be chanting there, and this vibration will circulate around this planet.

I am an old man I may die at any movement. But please you all carry on this sankirtan movement. You have to become humble and tolerant. Lord Chaitanya says to be as humble as a blade of grass and more tolerant than a tree. You must have enthusiasm and patience to push on this Krishna Conscious Philosophy.

Srila Prabhupada on Preaching:

It doesn't matter whether he died in America or in Vrindavana, he said. If a Vaishnava dies in Vrindavana, the land where Krishna appeared, he is assured of joining Krishna in the spiritual world. Yet when Lord Chaitanya had travelled outside Vrindavana, His devotee Advaita had assured Him, "Wherever You are that is Vrindavana." To be always absorbed in thinking of Krishna was also Vrindavana. So if he were to pass away while preaching Krishna consciousness-anywhere in the world-certainly he would still attain to the eternal Vrindavana in the spiritual sky.

The whole world was in anxiety, only the spiritual world is free from anxiety. Becoming free from all anxiety and returning to the spiritual world is the purpose of Krishna consciousness.

Your Servant, Bhakta R. DastaGiri.

Bhakta Deepak

Dear Srila Prabhupada,

All glories to you, Kindly accept my sincere devotion to your Lotus feet and provide me strength to overcome my all inertia of wrong doings that is happening knowingly or unknowingly from various lifetimes. I am highly blessed to come in contact of Krishna consciousness, the movement started with all your hard works and true devotion. I don't have enough words to express the pleasure gained by chanting hare Krishna Maha Mantra. Being practising various techniques for enlightenment, finally I am feeling that Bhakti yoga is ultimate in Kaliyuga. Hare Krishna Mantra gifted by you is in a process to become part of every cell inside me and in my soul.

I request you to kindly keep blessing me and provide me further directions in achieving ultimate truth.

Yours Sincere Devotee,

Bhakta Deepak.

Bhakta Deepash Joshi

Dear Srila Prabhupada,

Please accept my humble obeisance,

I would like to present a short writing to You, on Your appearance day, for Your pleasure. Kindly accept my writing and forgive me for any misdoing.

Oh! my master, before getting in touch with You I was just an ignorant lad, roaming around to find the meaning of life, and to be truthful, when the Lord placed me under You I was skeptical. But as I started to read Your divine books and started knowing You more and more, I could not stop thanking God for bringing me to You. I could not ask anything more from the Lord as he placed me under such wonderful master. The ignorance that was there in my life started to shatter by the bright light of Your knowledge just as a lamp burns out the darkness. Whenever I read Your books, I feel as though You are personally interacting with me and guiding to the right path/direction. It is all by Your mercy that I got such a wonderful association, for which I had longed for such a long time. I even thank You for providing me with such a wonderful FOLK Guide, who is there to teach me about You and know You even better. It is by Your mercy that I get to taste such wonderful Krishna maha-prasadam every other day.

The other day I got a chance to attend the Mega Rath Yatra of Lord Jagannath, which is also by Your mercy. It is surely by Your miracle that I started chanting 16 rounds of Hare Krishna maha-mantra, in the auspicious Puri Dham. I request You to keep showering Your blessings by which I can proceed on my path of Krishna Consciousness.

Thank You,

Your humble servant,

Bhakta Deepash Joshi.

Bhakta Deepesh Chhetri

Dear Srila Prabhupada,

Please accept my humble obeisances.

I would like to pay my heartfelt gratitude to you for guiding me and the entire humanity to the path of reality with the purity of heart and soul. Your books have always been a boon to humanity, and the principles of life that you've cast is impeccable.

I have learnt a lot about life through your teachings. ISKCON is doing an outstanding job in spreading your message to the entire world. The Akshaya Patra Foundation has become one of the largest NGOs in the world, and its supply of prasadam to the needy is one of the most pious things an organization has done for humanity.

I have become a better person, and will always do my best to serve humanity in any way possible. You have been a phenomenal guide and guru making things more meaningful in life. I wholeheartedly pay my homage to you, and bow down to you and your astounding work.

Always bless us all.

Your humble servant,

Bhakta Deepesh Chhetri.

Bhakta Devakumar

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet.

I feel very fortunate to make this Vyasa Puja offering for the second time in my life which shall be continuing year after year. Words available in this material world are not enough to glorify your immeasurable efforts and pain you have taken for the benefit of conditioned people.

I feel very fortunate to be part of your mission. Its been a wonderful journey since the early days, when I used to distribute your books and preach the glories of the Supreme Lord. I always get energized and well motivated when I remember those days of distributing Bhagavat Gita books during the month of December. I used to feel very happy when people took books, and I used to think that Prabhupada has decided to change the life of this person buying the book.

I feel blessed that you have bestowed mercy upon me like a mother. You protected me from material attractions like a father. You guided me through your teachings like an elder brother. You showered love upon me like a sister. Maintaining relationship with you feels like it's a benediction to take birth in this material world, provided that I shall be a sincere devotee of your Divine Grace life after life. I don't expect going to Goloka or Vaikuntha as there is chance to forget you. I would prefer to go to a place where I am in contact with you, where I keep hearing your chanting of

hare krishna hare Krishna krishna krishna hare hare

hare rama hare rama rama rama hare hare

You have played a vital role in making me understand my life, my goal, my duties and my responsibilities. I am not sure what or where would I have been if I hadn't come in contact with you. I was trying to change myself, trying to purify myself, trying to educate myself, trying to understand myself, trying to analyze myself, my world, my life, .but Srila Prabhupada, your books; just by getting in contact with your books, I realized the path of spiritual life. I started to remove the word "MY", and started working to purify the soul, to educate the soul, to wake up the soul, to utilize this body in order to achieve the goal, and perform the duties of this particular soul. Without your mercy, I would have been in bodily concept, and would have ended up in either frustration or illusion.

Dear Srila Prabhupada, I pray for your mercy to be in contact with you forever by following the four regulative principles, chanting 16 rounds, and overcoming maya. I take this opportunity to request you with meek humbleness to bestow mercy on me.

Yours Sincerely,

Bhakta Devakumar.

O my dear Spiritual Master, Srila Prabhupada,

Please accept my humble obeisances from this fallen soul. I took my birth, by accepting this body of human form, due to my past actions and your grace. I was ignore about my life, accepting all hardships that came across, struggling for mundane virtual happiness that would appear real, and was finally spending time in anxiety of failures both in academic and personal life. Literally I was in the dark well of ignorant material bondage. And there was a ray of light which was like an oasis in the dessert of this material world, filled with the miseries of three folds of sufferings (ādhibouthika, ādhidaivika & ādhyathmika kleshas). That ray was nothing but your grace of struggles to provide us the knowledge of soul leading towards the Supreme, the real goal of a fallen being. I got your guidance indirectly towards our eternal Father Krishna, through your disciples who is my Shiksha guru, and I am getting your guidance directly from you, through your transcendental books.

O spiritual master, you have shown the path of devotion that made me to understand the reason behind my miseries and removed the anxieties from my mind. You provided the love of Lord Krishna through the blessings of Chaitanya Mahaprabhu. Still I am getting the opportunity from you, to render devotional service, through the spiritual organisation ISKCON, that you founded. This lead me to understand all material sufferings and happiness that I go through are the result of my Karma, the past mundane actions. On this auspicious occasion of Vyasa Pooja, I want to render the sense of gratitude since I am indebted to you forever. You have proved literally a jagadguru, circumambulating the whole world spreading the message of Krishna, as your spiritual master, Bhakthisiddantha Saraswathi Thakur wished. Hence you stand unique from other Gurus. O Guru Prabhupada, please bless me and my shiksha guru with the love of Radha and Krishna. Please hold my hands through one or the other way even I distract from the devotional life due to my strong material blunt senses. But I thank you once again since you have taught us to develop consciousness of Krishna, even though we indulge in worldly matters.

Dear Srila Prabhupada, may your glories spread unlimitedly across and beyond the world. May your books and your organization bring more and more people towards devotional life and the eternal world of Krishna, liberating them from the strong clutches of birth and death cycle. And also give me strength to preach your message to all people who come across my life so that I can also contribute my minute service towards your mission. Seeking your shelter forever,

Your Servant,

Bhakta Devaraj B Aras.

Dear Gurudeva Srila Prabhupada,

I offer my humble obeisances unto your lotus feet.

Last year, I had prayed to you to give me strength for chanting 16 rounds, and following the four regulative principles. By your grace, I am chanting, and following the regulative principles.

Srila Prabhupada, please engage me in your service, and guide me to do attentive and offenseless chanting.

Srila Prabhupada, I am trying my best to be krishna conscious, but I am not up to the standard. Please show your mercy on me by engaging me in your service. I want to develop attachment to read your books.

Jai Srila Prabhupada.

Dear Srila Prabhupada,

Please accept my respectful obeisances unto your lotus feet.

On this auspicious occasion of Vyasa Puja, I would like to express my heartfelt gratitude to you for blessing me with your causeless mercy; by bringing me in contact with the movement of Krishna Consciousness. I would like to thank you for blessing us with the Hare Krishna Mahamantra, enlightening us with its meaning, and also giving us the initial taste for chanting, so that we could embark on our journey in Krishna Consciousness. I started chanting 16 rounds from the beginning because of your causeless mercy, and am so happy as you mention "keep chanting ,be happy".

In my limited journey on this path, I have certainly realized one thing that the understanding and taste for such spiritual knowledge cannot be achieved by any amount of material efforts unless one has the mercy of the spiritual master. I would like to thank you for blessing us with the opportunity to render practical devotional service for the pleasure of the Lord, even though we are not at all qualified for it.

By your relentless efforts, your vision of the future, and your causeless mercy upon the conditioned souls, you envisioned and started the movement of Krishna Consciousness, which is deeply impacting the lives of millions of living beings, and helping us understand the true purpose of human form of life which is "To attain Love of Godhead". Even though you are not physically present with us in this material world, your instructions in the form of books and lectures make us feel your presence every moment, and inspire us to advance in our spiritual lives.

Please continue to shower your blessings and causeless mercy upon this conditioned fallen soul, for there is nothing other than the shelter of your lotus feet that can help me to stay focused and disciplined in my spiritual life. Words are not enough for us to express the gratitude and reverence for your mercy upon us.

Your aspiring disciple,

Bhakta Dhanunjaya K.

Hare Krishna.

Jai Srila Prabhupada.

My humble obeisances unto your lotus feet.

You have shown me a direction, and given me purpose in life.

The ISKCON temples you have founded are truly gateways to spiritual upliftment for all of us.

Your books which are an infinite source of knowledge and wisdom, guide me each day to live a better life in the spirit of Krishna Consciousness.

I'm trying to concentrate to be in Krishna Consciousness facing so many challenges and difficulties which leads to sense gratifications.

I have learnt to develop a sense of gratitude towards creation through devotion to the Supreme Personality of Godhead, and this is a great blessing for me. I am forever indebted to your guidance and mercy that you have shown upon me.

My beloved master please accept my humble offering at your lotus feet.

Bhakta Dharmendra Sahoo.

Dear Srila Prabhupada,

I am very thankful to you as your books saved me from becoming an atheist. I almost lost my belief when I was doing my PU education, but due to Lord's grace few devotees visited my college and talked about Krishna Consciousness. Then I took up the "Srimad Bhagavad-gita As it is" which helped me to become a believer again.

I am very grateful to you as you started and spread Krishna Consciousness movement across the world and also I am grateful that you made sure "Srimad Bhagavad-gita As it is" is written in most of the local languages which helped me understand the Srimad Bhagavad-gita easily.

I am very grateful for the examples you have provided in purport of Srimad Bhagavad-gita which helped me to understand better.

I beg you to bless me with your divine grace so that I can be free from material suffering and return back to Supreme Personality of Godhead

Hare Krishna,

Your disciple,

My Dear Srila Prabhupāda,

Please accept my humble obeisances at Your divine lotus feet. On this most auspicious day marking your divine appearance, I would like to recall the very auspicious moment of being aware of You. In 2006, during my 6th class, I had enrolled for a contest conducted by ISKCON, Bengaluru. Fortunately the module for 6th class was 'Srila Prabhupada - life and teachings', Your enlightening biography. After going through it, I desired of visiting the temple which was fulfilled during the summer vacation, by Your absolute mercy. The prominent phase of this beautiful journey started in my first year engineering when I had the privilege of being shortlisted for membership of DHRUVA - the spiritual club of BMSCE. By then I had been treading on the path of self realisation, learnt the ABCD of spiritual knowledge through memorable associations. All this happened because of Your absolute mercy. Your absolute compassion has been lifting my consciousness again by making me one among the FOLKs. This youth empowerment club has transformed many lives by its eye opening discourses, introspecting sessions with FOLK guides, soul stirring Kirtans, delightful Darshan and worship of Deities, en-thrilling special events, delectable Prasadam, a complete package which rejuvenates body, mind and mainly the soul.

You are the main cause for bringing Krishna into our lives and transforming pebbles to pearls. You have designed the perfect pathway to reach the ultimate goal of Krishna Prema. Kindly bless me with the spirit of following your footprints and accompany me in my journey ahead. Strengthen me to be a humble servant in Your great movement. I pray for Your causeless mercy so that I can continue to render a little service unto you, birth after birth. Please empower us to become stronger and stronger every day in our practice of devotional service. You are our only shelter, life after life, and by your able guidance many more conditioned souls will be able to cross the ocean of material sufferings and ultimately rest upon the lotus feet of Sri Sri Radha Krishna Chandra. Your humility inspires us, and we can only try to repeat your words and pray to be your proper representative. On this day of your appearance, I remember your unlimited good qualities and pray that I can fulfill your many instructions. I offer you my homage on this glorious day of your Vyasa-Puja celebration. All glories to You, the savoir of the fallen.

Jai Srila Prabhupada!!

Your humble servant, Bhakta Dinakara.

Bhakta Divya Krishna

My dear Srila Prabhupada,

please accept my humble obeisance.

Please give me shelter under your lotus feet. I m the biggest sinner ever. your dust of lotus feet is more than enough to me.you always guided my father personally all the time.I ONLY NEED ALL THE STRENGTH TO CHANT THE HOLY NAME .I fall on your feet and hold it .take me as yours though I'm unfit for it.

Please bless me and ALL THE PEOPLE AROUND ME with KRISHNA PREMA . thank u so much for giving Krishna to this fallen soul.

Hare Krishna Hare Krishna Krishna Krishna Hare Hare

Hare Rama Hare Rama Rama Rama Hare Hare.

Your Humble Servant,

Bhakta Divya Krishna.

Dear Sirla Prabhupada,

I offer my humble obeisances unto your lotus feet on the auspicious day of Vyasa Puja. On this day, I beg you to kindly allow me to become a speck of dust at your lotus feet.

*lokāṁś ca lokānugatān paśūṁś ca, hitvā śritās te caraṇātapatram
parasparam tvad-guṇa-vāda-sīdhu-pīyūṣa-niryāpita-deha-dharmāḥ*

"However, persons who have given up stereotyped worldly affairs and the beastly followers of these affairs, and who have taken shelter of the umbrella of Your lotus feet by drinking the intoxicating nectar of Your qualities and activities in discussions with one another, can be freed from the primary necessities of the material body."

I am a very fallen soul; how can I express my gratitude for the life you have given me? I joined your movement just 15 months ago, and have been trying to serve you ever since. Before that I was roaming here and there with no spiritual goal. After coming in touch with your movement, big change came in my life. Though I never met you personally, or saw you directly, I have been seeing you through your books and through your dear most ISKCON society. You created the ISKCON ship to take people across the material ocean full of miseries. I was very fortunate to get a chance to board this ship by joining FOLK Residency, and be in the association of devotees. The ride has not always been smooth, but still I am trying to serve your society selflessly. As the perfect representative of your spiritual master, you showed us how to make the mission of the spiritual master one's life and soul. From the day you met your Guru Maharaja, you dedicated yourself completely in following his instructions and fulfilling his desires. You always carried him in your heart, and as a result you became the recipient of his mercy and helped fulfill Sri Caitanya Mahaprabhu's prediction that the Krishna Consciousness movement would spread to every town and village in the world.

Srila Prabhupada, your mission is very clear and defined. You did not waver from your goal under any circumstances. Talking about me, still my ride has not been smooth as I mentioned above. But as you suggested, chanting of holy name and following the four regulative principles will keep me on your ship, which is heading towards the ultimate goal-Krishna Prema, by crossing the ocean which is full of miseries.

Please empower me with the requisite intelligence, determination, sincerity, and strength to achieve the spiritual goals.

The desire to serve you forever is literally deep and indelibly embedded within my heart. Kindly accept my prostrated obeisances again and again. I am aspiring for your eternal service.

Your humble disciple,
Bhakta Dobariya Gautam.

Bhakta Fiyanshu Kaka

Dear Srila Prabhupada,

Please accept my humble obeisance!

It is hard to express in words my gratefulness for having You come in my life mystically. Since my childhood, I have had this strong desire to understand Vedic scriptures, and because of Your unconditional mercy, I had the fortune of getting the association of a pure devotee of the Lord like You. Just like it is mentioned in the Caitanya-caritāmṛta (CC Madhya 19.151) that.

*brahmāṇḍa bhramite kona bhāgyavān jīva,
guru-kṛṣṇa-prasāde pāya bhakti-latā-bīja*

In today's world it is so difficult to find authentic translations of scriptures in English and I feel truly blessed to find Your powerful words and that also written so clearly without beating around the bush.

I have always admired Your strength and determination in rendering service to the Supreme Lord Sri Krishna especially in the way You were able to transform the hearts of hippies and many fallen souls around the world like me. I find it extremely perspicacious of You to have opened the doors of ISKCON temples around the world without any discrimination to a wide range of services to the Supreme Lord. You have demonstrated as an Acharya that the whole point of Krishna Consciousness is to engage one's skills and talents in the service of Guru and Gauranga.

By establishing 108 ISKCON temples around the world at the time of Your physical presence itself in a period of 11 years, whose number has increased manifold now because of Your causeless mercy, You have given a ray of hope to many people in this material world, All Glories to You!

I sincerely pray to You to give me faith and strength to walk in Your footsteps and do my insignificant iota of devotional service to their Lordships Sri Sri Radha-Krishnachandra.

Your fallen servant,
Bhakta Fiyanshu K.

Jai Srila Prabhupada!

Please accept my obeisance at Your lotus feet.

I thank You very much for creating such a wonderful opportunity to each and everyone, through which they can know the real meaning of having this birth as a human. And the very opportunity is Krishna Consciousness through Your ISKCON. I came know that without the help of anyone or anything even a seed can't become a plant. Similarly without a Spiritual Master one cannot attain such supreme level of understanding the Supreme Personality Of Godhead.

Through your ISKCON I have been learning many a things of getting rid of this material world and I'm doing my best to know the ultimate truth of this life and I will give my best to attain the same. In my entire life I want to be in Krishna Consciousness so that it will heal my soul from all sins and allow me to attain the Supreme level. I do hereby affirm that I

will chant daily till my last breath and I want Your blessings to remember Krishna at the time of my death. Only selected soul will get under your supervision through your books and I'm happy and blessed to have a Spiritual Master. Please keep Your blessings unto me to attain Krishna Prema. Also bless me to serve more and more unto Krishna as a permanent server at Your ISKCON.

Dear Srila Prabhupada,

Please accept my humble obeisance's unto our beloved Spiritual Master

Because what you have given me, the way you have changed my life, the way you have opened my eyes, everything is priceless..!!

I cannot give anything in return for your mercy on this extremely fallen soul. Actually what you have given me & for this entire world is something I cannot put down in few lines. But while thinking about writing few lines about you... If you had not come, what would have happened? How could we have passed our lives?

Which other compassionate person would have endeavoured to deliver the miscreants, sinful, impersonality and voidistic people in the West?

Please shower your mercy on me Srila Prabhupada

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet.

Spiritual Master is not a ordinary personality ,but a Maha Bhagavata. The Lord sends his representative as Spiritual Master to guide a person who wants to reach Krishna. So a disciple should always be very serious to serve his Spiritual Master. No one can reach Krishna without serving Spiritual Master, his pure devotee.

One should consider oneself very fortunate because in all birth one gets Father and mother but not Spiritual Master. It is because of Srila Prabhupada that we are understanding Bhagavad Gita As It Is in the parampara system.

Srila Prabhupada gives us hope to cross over this repetition of birth and death by his causeless mercy in the form of his instructions and books. The more you read Prabhupada's books, the more you find him very close to you. Dear Srila Prabhupada please give us more spiritual strength so that we can serve you.

Dear Srila Prabhupada,

Throughout time, many great devotees have come on the Earth to awaken, educate, and uplift society. They point out the dangers of materialistic life and guide the world in attaining the ultimate goal of life: rekindling our eternal relationship with the Supreme Personality of Godhead, Krsna.

Due to the disqualifications we suffer in this Age of Kali, it is especially difficult now to overcome forgetfulness of God. And so Lord Chaitanya descended to teach nāma-sankirtana, the chanting of God's names, to save the unqualified people of this age.

After Lord Chaitanya , six Goswamis of Vrindavan and then You, Srila Prabhupada spread the nāma-sankirtana throughout the world crossing the vast boundaries of ocean, travelling at such an old age following the instructions of Your spiritual master.

Today, as I offer You this Vyāsa-pūjā offering, I fall at Your feet in gratitude for Your presence in our lives. Within the ISKCON society we have many disciples of Your Divine Grace, who bless us with their association. I wish to serve, love, and appreciate all of them.

You gave us ISKCON. You gave us temples. You gave us Bhakti. You gave us Krsna-prasadam. You gave us Japa of Hare Krsna Maha Mantra.

But what can I offer You to please You. Words of praise on one day in a year is easy to write. But to show real gratitude towards You is to perform Japa, do nama-sankirtana, do service in the temple, live Vaishanava life and spread Krsna Bhakti and nama-sankirtana to every person in the world. With Your blessings, I hope I could fulfil these duties.

Your servant,

Bhakta Gaurav Somani.

Dear Srila Prabhupada,

Please accept my humble obeisances.

All glories to you on this auspicious day of your appearance.

Today I realised what must be my role as a human being, and my life goal. Thanks for your teachings and books which clarifies what is soul and supersoul. They also tell us how to reach god by chanting.

Hare Krishna Hare Krishna Krishna Krishna Hare Hare Hare Rama Hare Rama Rama Rama Hare Hare

the Mahamantra given by Chaitanya Mahaprabhu.

Your humble servant,

Bhakta P R Gijo.

Bhakta Giridhar Kirthik H

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories unto you on this auspicious day of your appearance.

In the CC Madhya 19.151 it is said

"Brahmāṇḍa bhramite kona bhāgyavān jīva, Guru-kṛṣṇa-prasāde pāya bhakti-latā-bīja".

After wandering through innumerable species of life in the dark well of ignorance of this Samsara, by the causeless mercy of guru and Krishna, one receives the valuable seed of creeper of devotional service. You are indeed a pure devotee and a faithful representative of Krishna who had descended in this age to deliver the conditioned souls like me. As mentioned above, even I am one among the ignorant souls wandering life after life in Ajnana. But you have enlightened me with the torchlight of proper transcendental knowledge clearing all my doubts & confusions and guiding me onto the right path of devotion to Supreme Lord Sri Krishna.

Although there are many so-called spiritual paths by speculative philosophers & monists, your right understanding of the conception of God(Krishna) from scriptures derived from bonafide disciplic succession is magnanimous. Your purports & translations provide a profound and deep understanding of scriptures. As you had yourself stated that "I am just a pen of

Krishna". "These are not my books. I do not write these books. Every morning when I sit here to write my books, Krishna comes personally & dictates to me what to write." ; comes to our memory. You have spread the knowledge of the Supreme Lord which is the king of all knowledge(Raja Vidya) to all the directions of this world , fighting all the bogus philosophies which are like tiny insignificant stars in front of the all pervasive sun.

You have untiringly spread the holy name which is the the only panacea for all evils of this age. You have gifted the most precious gem of Hare Krishna Maha Mantra, the real touchstone, which converts even the most sinful men to a pure Vaishnava. I consider myself very blessed to have at least partially touched this divine touchstone. Having noticed that spiritual journey is too vast and wide, I consider myself incompetent to measure its length & breadth being infinite for an infinitesimal & also not fully satisfied with my current spiritual progress. So I humbly request you to bestow me with more & more realisations, divine intelligence & also the taste to relish the holy name ultimately leading me nearer & nearer to Krishna & Your Divine Grace being over flooded in pure love . I also humbly pray to Your Divine Grace to kill all the demoniac qualities in my heart which act as stumbling blocks & guide me internally as well as externally & provide me an opportunity to serve Krishna & Your Divine Grace constantly for which I am eagerly hankering for. Lastly , in SB 1.1.15, it is said " .

Yat-pāda-saṁśrayāḥ sūta munayaḥ praśamāyanāḥ,sadyaḥ punanty upaspr̥ṣṭāḥ swardhuny-āpo 'nusevayā".

which means "Those great sages who have completely taken shelter of the lotus feet of the Lord can at once sanctify those who come in touch with them, whereas the waters of the Ganges can sanctify only after prolonged use."

So I am very fortunate to have come in touch with a Mahabhagavata and a spiritual father like Your Divine Grace & I humbly pray once again at your lotus feet to make me a pure devotee as early as possible.

Thanking you,

Your Insignificant servant,

Bhakta Giridhar.

Bhakta Girisha K R

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet. All glories unto Your Divine Grace.

I'm very fortunate to have an opportunity to write a homage for you on this auspicious day of your appearance. As a resident of Akshaya Talent Hostel, I'm very lucky to have you as a spiritual master who taught me about Krishna Consciousness, and is helping me to make an advancement in my life. Your explanation in the books are simple and clear. So by your grace, I started reading your books and chanting. I started to wake up early in the morning. I started attending prayer and arati as part of morning sadhana which makes me feel that I'm on the right path. As mentioned in the 'Guruvastaka', without the grace of the spiritual master one cannot make any advancement on the spiritual path.. It is true that by your grace only I can make advancement in spiritual life.

Srila Prabhupada, please keep me engaged in your service, and in the service of your servants while always reminding me about my actual position.

Your humble servant,

Dear Srila Prabhupada,

Please accept my humble obeisance. I fall at your lotus feet.

“When we learn about things, we get knowledge”

“When we learn about people, we get wise”

“When we learn about ourselves, we get enlighten”.

We get knowledge, we become wise and enlighten by reading your books and hearing your recorded voice and by watching video in YouTube there by not only we get answers for all questions that we have in our mind but also our false assumptions are clarified and been corrected. I salute and fall at your lotus feet for cleansing the heart of mankind, all around the world. I literally could hear your voice while reading book written by you and I feel like you are near me when I have prasadam. I could see you dancing before kirtans and now I could realise that you travel along with me in every second of my life. I always use to admire whenever I get some association with some devotees, they glorify your name. I learnt so many things from you.

Akashaya patra foundation were many lakhs of children are provided with midday meal. If we travel any part of the world, we can avail shelter at Iskcon temple. Association of guru who make their disciple learn about importance of Krishna conscious. We get to importance of chanting Hare Krishna Mantra, reading Bhagavadgita and Bhagavatham. We get to know about the cons of meat eating, intoxication, gambling, illicit sex. Hard work doesn't have any age-limit and you don't need to go in search for example other than Prabhupada. Your words in books, audio, video directly enter into subconscious.

Information about Karma, Soul, food need to be consumed and self-empowerment had been thought. My Krishna conscious has started under folk (friends of lord Krishna). Folk plus is there for married people and women are getting Krishna conscious under Aikia. Bangalore Iskcon is spreading Krishna conscious for all age groups and keep us engage with so many activities on all Sunday with delicious prasadam feast. With your blessing I got an opportunity for going to Mayapur dham and Puri Jagannath ratha yatra. In Mayapur dham we get to know lot of details about Panchathatva. After the trip I stopped eating hotel food and I stopped eating onion garlic and got to importance of prasadam which have to be offered to lord first. I slowly started losing my interest in material life and spiritual life has been advanced because of your blessings. I wish to surrender to render any service for supreme father. Now body is eager to do service for Krishna through out my life. I need your blessings to preach Krishna conscious among people and help other to reach the lotus feet of supreme god Krishna.

I was born in the darkest ignorance, and my spiritual master opened my eyes with the torch of knowledge. I offer my respectful obeisances unto him.

Dear Beloved Srila Prabhupada,

Please accept my humble obeisances in the dust of your lotus feet. All glories to Your Divine Grace.

Thank you for coming to this world to save us in spite of the tremendous difficulties and obstacles which you had to face alone, depending solely on the mercy of the Supreme Lord Krishna and your eternal spiritual master, Srila Bhaktisiddhanta Sarasvati Thakura. You are the Supreme Personality of Servitor Godhead, freely bestowing your causeless mercy upon the unqualified and ungrateful souls of kali-yuga. I am amongst the most fallen of living entities and yet, by your unlimited compassion, you have glanced in my direction and now my life has become successful. Who can properly describe the glories of Your Divine Grace?

Without you we can never understand about the supreme person lord Krishna. In the early days of my Krishna conscious life I used to read your books and listen your lectures.

Your words deeply penetrated into my heart. Somehow or other you allowed me to join your happy family of loving devotees and it changed my life forever. You saved me, Srila Prabhupada, and I am eternally thankful and indebted to you. Although I have no qualifications whatsoever, today I come before you with a humble prayer in my heart. There is so much service to be done in executing your blessed mission of delivering the conditioned souls in this world. So I humbly pray at your lotus feet that you will so kindly enter our hearts and inspire us to find the ways. All glories to your divine lotus feet.

Your servant,

Bhakta Gopinath.

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet.

All glories to you on this auspicious day of your vyasapuja.

For you are the embodiment of Krishna's will in this epoch of Kali-yuga. The spiritual master is non-different from Krishna, for you are our medium to the Lord. Due to your intimate relationship with Krishna, you have gifted the entire universe with an opportunity for reawakening our dormant love for Him. Sometimes I have heard you say that a pure-devotee preacher is even more merciful than Krishna because whereas Krishna demands surrender before bestowing His grace, the preacher makes the personal sacrifice of descending to the lower modern civilisation and disseminating unconditional love of God indiscriminately.

'Living entities are made constitutionally for Krishna's service and are part and parcel of ever increasing bliss of Krishna'. If I, as aspiring servant of Krishna, is to realize this goal, then indeed your words are the lamp that will illuminate my path. The words of the spiritual master "open our darkened eyes and fill our hearts with transcendental knowledge." Thus if we are to ever reawaken our dormant love for Krishna, we must strive to make your words and will our life's purpose. In this spirit that I offer my humble efforts to you, O master, surrender my heart and mind to your will, and beg for the illuminating bliss of your transcendental words. May you grant me the clarity of mind and peace of heart to understand and implement your desire in this world. May I thus assist you in your glorious mission of bringing all the souls back home to God's lotus feet.

Yours aspiring servant,

Bhakta Govindarajulu.

Hare Krishna,

Please accept my humble obeisance unto your holy feet Prabhupad.

You are the embodiment of pure devotional service for the Supreme Lord Sri Krishna. You are the beloved servant of Lord Sri Krishna, and savior of countless spiritually deprived souls. We are all fortunate to have your mercy to follow your divine instructions, and understand the true meaning of spiritual enlightenment. We are blessed to have you as our spiritual master. Your lectures and writings have awakened countless souls, and inspired generations after generations to follow the right path to experience the divine love, to connect with the Supreme Lord, to find liberation. Prabhupad, I pray to you to bless us so that we may always remain krishna conscious, and be in the service of Supreme Lord Sri Krishna.

Your humble servant,

Bhakta Gyanasagar.

Dear Srila Prabhupada,

Please accept my humble obeisances.

I am very delighted to write this offering to you, because you have been a great saviour for me in times of my distress in the past. You have given me a hope to live happily in this life. It was seven years ago, when I was in pursuit of spiritual quest. I have read so many spiritual books of various authors till I came across your book called “Bhagavad Gita As It Is” and here ended my quest. I believed that the search for truth was finally over.

Initially I was going to krishna’s temples for just praying. But after reading your books and your teachings, it transformed my Krishna bhakthi to a whole new level. I have never come across a spiritual master like you, and it is the most precious gift that has happened to me. With your blessings I visit ISKCON daily.

As a beginner I have read only the first four chapters of Bhagavad Gita, and that has made all the difference in my life. Especially the Karma Yoga chapter. I have fallen in love with that chapter and your purports. I was able to understand what is a material world and spiritual world only through you. I was able to discipline myself in getting up early in the morning, and chanting Lord Krishna’s name as per your instructions and lectures to develop sattva guna.

Wherever I go, I carry your books to cherish your written purports in the book. My favourite purport given by you is:

kama esa krodha esa, rajo-guna-samudbhavah

mahasano maha-papma, viddhy enam iha vairinam

where you told that entire material existence is driven by lust. And you have shown how one loses the intelligence by this all devouring sinful enemy called lust. Whenever I deviate from spiritual path, I read these shlokas from your book to get myself back on track for krishna bhakthi. These slokas are precious gems for humanity, and I believe we devotees are most fortunate to read your book.

Until I read the book, I thought yoga was all about silent meditation. But you have given a whole new meaning of yoga in your books, which is to surrender to Lord Krishna’s lotus feet. My highest desire is that I want to take part in your kirtan, and attend all the Srimad Bhagavatam and Bhagavad Gita lectures rendered by you, and perform devotional services assigned by you. Please give us strength to follow your instructions, and chant Hare Krishna Mahamantra daily without any offenses, and to transcend above our senses and the material world.

Prabhupada, I am not a pure devotee who has taken renounced order of life, neither am I one who performs karma yoga and bhakti yoga. But I promise you this. I am trying my best to become a pure devotee that satisfies you, and I ensure that I will make a clean exit from this material world by returning back to godhead by your mercy.

Your humble and forever servant,

Bhakta Hari Krishnan.

Dear Prabhupada,

Please accept my humble obeisance's. All Glories to your Divine Grace. By the mercy and blessing of Lord prasadam in our school from the Akshya patra, now I am under your shelter and engaged in the Devotional service of Supreme Lord Sri Sri Radha Krishna Chandra at ISKCON Bangalore. Initially I had started to chant from 1 round of Hare Krishna mantra in a day and now I am in a progress of chanting 8 rounds in a day, now I started to follow the Ekadashi without grains. I am still in progress of learning things in Krishna consciousness moving forward I will increase the number of rounds in chanting Hare Krishna mantra. I also started to read your Science of Self-realization books daily at least 4 pages per day and I make a note of all important points in it.

1. One should always follow his spiritual master
2. Offer obeisance's
3. Follow his path and guidens
4. Only with the help of spiritual master one can attend the Supreme Lord.

Daily I try to hear one Bhagavatam lecture around 30 to 40 mins and I have noted so many points in it. Below points are which inspired me in the lecture,

1. Just one surrendering to the louts feet one become immediately liberated
2. One should understand Krishna by the help of Bonafide Spiritual master
3. Simply by chanting and hearing about Krishna he will be purified and he will get lots of Punya
4. One should always have a taste to chant the Hare Krishna mantra
5. If one get engaged in devotional service immediately all his anartha will be diminished
6. One should understand what is the position of human life and why is he suffering in this material word
7. Krishna says in Bhagavad-Gita when you drink a water the taste is me in the water
8. All the material nature is controlled by the Supreme Lord.

Moving forward I will take this Krishna consciousness moment more serious and follow all the 4 regulative principles given by Prabhupada, and I beg you to engage me more and more in the service of Supreme Lord.

After taking chanting seriously I found so many changes in my daily routine and now I have a capacity to judge which is good and which is bad, I have understood that I am not this body when I did Goverdhana giri parikarma, always remembering Krishna all his dirty thing in heart will be purified.

Thank you!

Your servant,

Dear Srila Prabhupada,

Please accept my respectful obeisances onto your lotus feet.

I am very grateful to you for spreading the value of Bhagavat Gita for the entire human society, and make them understand the value and power of Krishna Consciousness.

One day when I came to Bangalore I visited ISKCON temple, and attended the 'Yoga for Happiness Program'. Every youngster has to attend the program. Then I understood the value of spiritual life, why we need discipline in our life.

I then joined Koramangala FOLK Residency under the guidance of devotees. Now I am living in a beautiful residency with very tasty and healthy Krishna prasadam and like-minded people. I am very happy and blessed to have all these things because of your mercy.

I was amazed while reading your biography describing how you spread this Krishna Consciousness especially in the USA with your strong determination. Please bless me and be merciful unto me to be a part of your mission.

Your Eternal Servant,

Bhakta Hari Prasath K B.

Dear Srila prabhupada,

I am very small to glorify Srila Prabhupada - a great spiritual master. I am very lucky to get his teachings and association of his followers. It's because of his foundation I could find that my consciousness level is rising by associating with his followers. I could put things into practice, things which are necessary on the path to achieve real aim of this birth i.e attain salvation.

Thankyou.

Please accept my humble obeisance,

O DEAR srila prabhupada, you are my spiritual master and I accepted when I went through your teachings and philosophy based on Bhagavadgita and Krishna consciousness I feel am so fortunate to come under the shelter of Krishna consciousness because it is a responsibility to practice Krishna Consciousness as a conditioned soul to get liberated from this materialistic world and go back to original home back to godhead.

In shastras it is said that we have to surrender to the spiritual master who is bonafide who presents Krishna consciousness as it is, so it is very important to accept a bonafide spiritual master throughout this life. It impacts when we hear bhagvad gita from proper source with proper spiritual guidance. It is almost equal surrendering to Krishna ,when we surrender to spiritual master and carry his orders. Your pastime is such a thing where everybody realises that if Krishna stands beside you we achieve the spiritual realisation in no time and can spread Krishna Consciousness to more and more people. you started all the way in cargo ship travelling for 40 plus days with severe heart attacks and you finally reached western country and started teaching hippies trained than about Krishna Consciousness in no time the Krishna Consciousness spread across the globe this shows the power of Krishna consciousnesses and spiritual master. As a disciple with my tiny mind and with imperfect sense after practising Krishna Consciousness I realised that you are so humble for that I remember instance made hunger free zone within the temple radius as you once watched children and dogs were fighting for the thrown food near garbage.

This was a great sign to show that spiritual master is so humble to even others who is outside of Krishna consciousness. I always need your blessings with that I can improve my spiritual progress. you mercy is the only way to improve my Krishna consciousness and make ways to improve my Krishna consciousness and make my senses work perfectly.

Dear Srila Prabhupada,

Dear Srila Prabhupada,

Please accept my humble obeisances, All glories to Your Divine Grace.

Prabhupada, you are the one who brought me to this world of real and transcendental knowledge, where I learnt what I am supposed to do or what must be the ultimate intention to perform any activity. You have taught me the way to achieve Krishna prema, and how to make ourselves eligible for the dust of lotus feet of Lord Krishna.

Your pastimes like going to US to spread Krishna Consciousness, and following your spiritual master's instructions always inspire me. You have distributed the love of God in the form of his holy name as Chaitanya Mahaprabhu instructed. Your causeless mercy has delivered many sinful souls. You have made our lives purposeful by instructing us to perform Krishna Conscious activities.

Though I am very insignificant and not a fit candidate for devotional service due to desires for sense gratification, you touched me through your instructions, lectures and books, and propelled me to lead a meaningful life. Now I can say that my life has got an ultimate purpose to satisfy you, Gauranga and Krishna. I will keep trying to the best of my capacity to achieve perfection in sadhana and service.

My only request is to always keep me under your shelter, and never let me get entangled in material desires to enjoy my senses. Always bless me with your services and devotee association so that I can uplift myself. Kindly guide me to find the solution for obstacles I am facing to practice my sadhana.

Your aspiring servant,

Respected Srila Prabhupada,

Please accept my respectful obeisances unto Your lotus feet.

On this auspicious occasion of Vyasa Puja, I would like to express my heartfelt gratitude to You for blessing me with Your causeless mercy by bringing me in contact with the movement of Krishna Consciousness. By Your Grace, a fallen wretched soul like me, who was clueless about the purpose and way of life and was wandering in different directions in search for peace and happiness, got the direction and purpose in life. When I reflect upon this deeply, I realize how fortunate and blessed I am that among billions of jivas in this cosmic manifestation, You showered Your mercy upon me and inducted me into this auspicious and remarkable movement of Krishna Consciousness, my heart is filled with immense gratitude and joy.

Your valuable instructions in the form of audio conversations, lectures, letters and most importantly books, continue to allow us to directly associate with You each day and practice Krishna Consciousness sincerely. Over the past few months, I have experienced how the words emanating from the lotus mouth of the spiritual master have the potency to transform the heart, which is not possible otherwise despite relentless self-efforts. I have realized that in this ocean of material existence, how important it is to regularly associate with You via by reading Your books, listening to Your voice in the form of lectures and kirtans to stay focused on the path of Krishna Consciousness, for otherwise due to our flickering mind and external distractions, we are easily swayed and deviate from the goal of life.

I would like to beg Your mercy to help me stay sincere, focused and disciplined in my spiritual commitments, for it is the only way by which we can inch towards the real purpose of life, which is to develop pure love for Krishna. Please continue to shower Your blessings and causeless mercy upon this conditioned fallen soul, for there is nothing other than the shelter of Your lotus feet that can help us stay focused and disciplined in our spiritual life.

All glories to Guru and Gauranga. Jai Srila Prabhupada.

Dear Srila Prabhupada,

Kindly accept my humble obeisances unto your lotus feet. It is my greatest pleasure to have to write about your glories. Primarily, I would like to thank you for always standing by me, holding my hands like a son whenever I fall down materially and the most important of all which is not allowing me to be fallen. I am grateful to you for lifting me up each and every possible time inspite of my repeated stupidity towards material inclination towards sense gratification. Especially, last year has been one of my toughest journeys all around and you have always been there for this fallen soul.

Srila Prabhupada, I cannot measure the blessings and your unflinching mercy that you have cast upon me all these years. Thank you for showing us the way towards reality for we were wandering in darkness. Thank you for imparting the world with solutions to all possible questions one could ever ask. Thank you for taking the pain of authoring and publishing all the roots of knowledge through your books. Thank you for guiding me internally from within and externally through association of devotees and prasadam. Thank you for increasing my bhakti towards Keshava. Thank you for providing all the service opportunities even though at times I was reluctant in doing it. And, finally thank you for guiding this ignorant soul towards purification. I owe you a lot gurudev and I am not sure as to how I will be able to payback. My only request unto you is to always keep me reminded of the lotus feet of the lord as there is no other better place in the entire manifestation of the universe. Kindly always keep me under Lord Krishna's and your service if I in any way deserve to be.

Hare Krishna,

My humble obeisances to you Srila Prabhupada.

Before entering Iskcon I was in depression and confused what to do in life, and moreover I had many backlogs. One of my friend Nishanth (folk devotee) told me to meet Keshava Balaram Prabhu (folk guide). My folk guide explained to me about life's philosophy and about Lord Krishna . After listening to his philosophy I was inspired, and I understood the purpose of life. My folk guide also explained about the great acharya Srila Prabhupad. He described how Prabhupada spread spiritual knowledge, and the teachings of Lord Krishna. After joining Iskcon I got to know about the purpose of life . My purpose of life is to serve Lord Krishna, and chant the Hare Krishna mantra . Our folk guide also told us that even a millionaire can't lead a happy life if he is not having spiritual knowledge. I had a wonderful experience going to Puri Jagannath . Our folk guide explained about the temple very clearly. The teachings of Srila Prabhupada changed the lifestyle of Western population, and moreover crime rates are decreased because of his teachings.

Srila Prabhupad ki Jai.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to Your Divine Grace.

Your Grace, I have realized how fallen human beings in general and especially myself are, and how I am frequently prone to vast array of biases. One such thing is the forgetfulness of death. All this time somewhere in the back of my mind I thought I was making rational choices considering the end in mind, but the reality is that I am still not clear about death, its certainty, and its consequences even though I know my end will approach someday.

Somehow when I am not in danger, I tend to forget death. I tend to make decisions that do not account imminent and sudden death. As I am writing these words to Your Grace, I am still craving for temporary material pleasures even though it has become doubly clear that every action I am performing and every interest that I am pursuing, is as temporary and short lived as the seconds that are passing by. Yet I still fail to account death in my decision making. A famous materialist by the name Steve Jobs asked this question to himself every day : 'If today were the last day of my life, would I want to do what I am about to do?'. I hope someday by Your Grace's blessings, I, who is nothing more than a fallen worldly creature, would be able to answer this question every single day of my remaining life. Please engage me in the service of Krishna.

Your Servant of the Servant of the Servant....,

Bhakta Hitesh.

"I was born in the darkest ignorance, and my spiritual master opened my eyes with the torch of knowledge. I offer my respectful obeisance's unto him."

Hare Krishna Prabhupada,

It is said "God is most glorified in us when we most fully reflect the whole will of God with the deep love of God in the loving spirit of God." On this occasion of Vyasa puja, trying my best to glorify Your lotus feet, I can say one thing for sure, the above quote is true in its entirety when it comes to You. Your glories is such that to glorify You we have to reflect on Your will with deep love for Krishna and always try and live our lives with the spirit of bhakti You've bestowed on us.

It's almost been 3 years since I started my journey of Krishna Consciousness and not a day goes by when I'm not grateful for this amazing gift that I've only got out of Your causeless mercy. To be honest Srila Prabhupada, I've deviated quite a lot from the path that You've set up. I've reduced my 16 rounds to 8 rounds and my mind has made it quite impossible for me to get back. I'm trying my best to find my way back so I beg for Your blessings so that Your words guide me to the right path.

Srila Prabhupada, You've said "Without the will of Lord, no one can be happy or prosperous." I can say this for sure come what may I will be happy and prosperous as long as Your mercy is upon me for the reason that Krishna responds to Your will.

Seeking Your blessings for my spiritual progress and to live by Your dictated principle of No Compromise,

Aspiring to be of Your service,

Dear Srila Prabhupada,

All glories to Your Divine Grace!

We are generally happy with what we have or try to adjust with what we have or usually cry for it. But despite having everything I was searching for the purpose of life. And this was impossible without out the intervention of Your Divine Grace, Srila Prabhupada.

Srila Prabhupada, I could understand the true value of Lord Sri Krishna my position and purpose of serving Him, through You.

My life was meaningless without finding my true position, this could not be possible without Your Divine Presence, Srila Prabhupada!

Thank You, Prapbhupada, for coming in my life.

Dear Srila Prabhupada,

Please accept my respectful obeisance to You.

Thank You Prabhupada, for everything You did to make us conscious of Lord Krishna. I am grateful to You that even in this age of Kali, I am getting Your blessings through Your disciples. But at the same time when I listen to Your lectures and see Your videos, it feels like I should have been born in early 60's to see You personally.

But serving You is more important than simply seeing You. You are like a gem which dazzles across this world, everyday attracting large number of people towards Krishna. My knowledge is very less to describe You in words. Please keep Your blessings on me that I always think about Krishna and my every work will be the service to Lord Krishna.

This year you showered your special mercy on me by giving a spiritual strength and courage to take up the decision of joining as a full time devotee of your movement. I beg for your continuous mercy for protecting me at your shelter, which is the safest place. Please do not ignore this poor soul for any minor offenses committed unknowingly while rendering the devotional service.

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet.

I am in touch with Krishna Consciousness from past one year, and I have been chanting 16 rounds of the Hare Krishna Mahamantra for six months . Thanks a lot my dear Srila Prabhupada for telling us the importance of this Hare Krishna Mahamantra . Because of this my life has changed. My concept of happiness changed, and my desires also changed. It is said in scriptures that one cannot approach Dear Lord Sri Radha Krisnachandra directly, but can approach their Lordships through bonafide spiritual master like you... Entire Vedic literatures conclude that surrender to Lord Krishna is possible through a bonafide spiritual master. Please remove all my material desires. Please award me pure devotional service, and bhakti unto your lotus feet.

Dear Srila Prabhupada,

I offer my respectful obeisances onto your lotus feet.

"Gurur Govind Deo Khade Kake Lagu Paye, Balihari Guru Apne Jin Govind Deo Bataye".

It gives me transcendental happiness to get the opportunity to learn about Krishna Consciousness. You have bestowed your mercy upon us by initiating the Hare Krishna Sankirtana Movement. I want to express my heartfelt gratitude for somehow I got the chance to be a part of this auspicious movement. Reading your autobiography gives me immense inspiration. Your conviction to fulfill your spiritual master's order has sparked a light in my heart that has given me direction in my life. You sacrificed all the comforts and went to the west to preach Krishna consciousness. There was so much uncertainty back then but today ISKON is gigantic and all the credits and glories to you, my Lord. I feel indebted to you because you have given me so much knowledge. It is impossible to repay you. All I can do as a fallen soul is to sing the glories of Krishna and let the whole world dance. It can only happen by preaching your teachings to every living soul.

You have taught me the power of association. I take immense pleasure in associating with the Vaishnava devotees. All my gratitude is to you as you did not just start a temple, you gave birth to a society, a community that has given me so many opportunities to grow in every aspect my life. Because of the books written by you, I can feel your presence. This the most powerful association that I have felt in this life. The words you have written touches my heart everytime. Now there is a special place for You in my heart. I feel blessed to be able to honour prasadam everyday. I can feel the love of Krishna in every bite of prasadam. I can feel you transcendental presence in the aroma of prasadam. Thank You for blessing me with the prasadam. Thank You for bestowing your mercy on me. Thank You for giving me the opportunity to know and understand Krishna in this life. Thank You for everything.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to your Divine Grace.

Srila Prabhupada, as an aspiring servant of yours, I strongly feel that your glories needs to be spread to every corner of the world. Still the majority in the world are not truly aware of your glories. Just by understanding your true position, a person can be liberated. I am eagerly waiting for the day where the whole world recognizes you as their true savior. Forgive me for my incapability to sufficiently spread your glories.

You are a great saint with all auspicious qualities. The extraordinary qualities of yours will definitely prove that you were never part of this material world. Especially your great compassion towards the suffering souls made you take all the hardships in life. Fortunate are those who come under your shelter. Like a lion you have roared the philosophy of Krishna Consciousness to the world. You were never afraid in spreading the true message of Lord Krishna. Your books are treasure houses of supreme knowledge. They have true potency to save the world from great dangers. Each line in the book sufficiently glorifies Lord Krishna, The Supreme Personality of Godhead. It is one of the great qualities of a pure devotee like your Divine Grace to always keep Krishna and spiritual master in the limelight. You never had any personal ambitions.

Your dedication towards the instructions of your spiritual master has become a great boon for the suffering souls like me in this world. I always feel blessed and fortunate for having received the matchless gift of Krishna Consciousness in my life. It's only by your causeless mercy, I am able to come out of many misconceptions about life and understood the true meaning of life. You are the sole reason for my becoming a better human being. Finally, I have come to the real understanding of the sentence. "The spiritual master delivers the materially afflicted world by extinguishing the blazing fire of material existence." A very powerful benediction.

Srila Prabhupada, last year was a very tough year with many ups and downs in my spiritual life. But by your grace, it has taught me the value of many great things. It was only by your divine intervention and reciprocation, I was again saved from the miserable life. Your mercy knows no boundaries. You have even liberated me from engaging again in material activities and given me an incredible opportunity to serve you. It is a great responsibility that you have assigned to this unqualified soul. Please forgive me for not being able to serve you better. I once again wholeheartedly thank, you and my authorities for always guiding me and showering your unlimited mercy.

My dear master, please provide me the required intelligence and skills to carry out the assigned duties, more efficiently. Kindly always keep me under the shelter of your lotus feet and bless me with your personal service. I pray on this occasion for your blessings to develop your instructions in my heart. It is a lifetime project for me to become free from all the unwanted things. Only by your mercy I will be able to cross all the hurdles in spiritual life and become your able servant.

Your aspiring servant, Bhakta Jalandhar Reddy.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to Your Divine Grace.

I always feel blessed and fortunate for having received the matchless gift of Krishna consciousness in my life. It's only by your causeless mercy, I am able to come out of many misconceptions about life and understand the true meaning of life. You are the sole reason for I becoming a better human being. Finally, I have come to the real understanding of the sentence. "The spiritual master delivers the materially afflicted world by extinguishing the blazing fire of material existence." A very powerful benediction. You are always very compassionate and tolerant towards this most fallen soul. I am eternally indebted to you for this great benediction of yours.

Last year has been a very tough year for me with many ups and downs. But by your grace, it has taught me many lessons in a hard way. The real tough time I had was staying at home away from devotional service and association of devotees for more than 6 months. Though I was strongly yearning in heart for the association of devotees and your service, but being trapped in maya, I was not able to gather enough strength to attain it. Again it was only by your divine intervention and reciprocation, I was again saved from serving maya. Your mercy knows no boundaries. You have even liberated me from engaging again in material activities and given me an incredible opportunity to serve you. It is a great responsibility that you have assigned to this unqualified soul. Please forgive me for not being able to serve you better. I once again wholeheartedly thank you and my authorities for this unlimited mercy of yours.

My dear master, please provide me the required intelligence and skills to carry out the assigned duties, more efficiently. Kindly always keep me under the shelter of your lotus feet and bless me with your personal service. I pray on this occasion for your blessings to develop your instructions in my heart.

Your Aspiring Servant,

Dear Srila Prabhupada,

All glories onto your Divine Grace. Please accept my humble obeisance on to your lotus feet.

This is my second Vyasa Puja offering to your Divine Grace. On this auspicious day, I consider myself very fortunate that I am getting a chance to glorify most compassionate spiritual master like you. There are many acharyas but what amazed me about you is the way you presented this spiritual knowledge to the modern world. I consider you as a modern acharya of this modern world. You made following spirituality very interesting and enjoying by different means like reading your books, delicious Krishna Prasadam, ecstatic kirtan, etc.

The most important jewel that you gave us is your books. They are just out of this world. Your Bhaktivendata purport gives immense insight into the verses which people normally can't decode or misinterpret sometimes. I have recently completed Srimad Bhagavatam first canto by your grace. The once thing that I felt is that if somebody wants to understand Lord Krishna and his devotees then he/she should definitely reads your books. Earlier I saw some TV serials on Mahabharata and Ramayana, and I knew that there are some characters like Narada Muni, Yudhistir Maharaj, Arjuna, Draupadi, Parishkit Maharaj, Sukhadev Goswami. But I think I got to better understand them from your books rather than some TV serials. So please shower your mercy and keep me engaged in reading your books than some mundane literature.

I know that you are an ocean of mercy and I got to know a bit of it during one of my conversions with one devotee. I asked how we will purified ourselves in this lifetime if we are chanting 16 rounds of Hare Krishna mahamantra when Gaudiya Math devotees chants 64 rounds. Devotee replied that it is Srila Prabhupada special mercy that you will get the same benefits as if you are chanting 64 rounds. You know what your disciple are lacking and accordingly you bestow your mercy even without disciple asking anything. But let me put some of my spiritual challenges for my own satisfaction. One of the problems with me is that I don't have enough gratitude towards others or rather I take things for granted. So please give me sufficient intelligence to feel gratitude for what I got from others. Even if I know theoretically or rather reading your books that Lord Krishna is the Supreme Personality of Godhead, there is spiritual world and we can go there but I don't have that strong faith yet. So I pray at your lotus feet to give me sufficient strength to develop that strong faith in Krishna and your philosophy and to remove bad habits.

I once again offer my respectful obeisance on to your lotus feet. And please forgive me for any offenses onto you or any vaishnavas.

Trying to become your servant, Bhakta Jayant.

Offering to Shrla Prabhupada, our beloved spiritual master

Please accept my humble obeisances. All glories to Srila Prabhupada.

Hare Krishna !!!

I have been continuing my service to Srila Prabhupada since Aug, 2011. When I was serving the demigods like Lord Shiva(11 years), Goddess Durga, etc., but I was not satisfied with the peace. I have studied the scriptures specially Shiva Gita from Padma Purana, He has mentioned all the details about the yoga, and he also mentioned that Lord Vishnu is the Sarva Shreshtha. I was enquiring about Lord Vishnu and the way to approach, but no one was enough in knowledge to explain about the Bhakti Yoga.

Lord Shiva has also mentioned that Bhakti Yoga is the supreme yoga. He has cleansed my heart and gave the clear concept that one and only Lord Vishnu can give you the peace and relief from the bondage of this material world. I was praying to Lord Shiva that I don't want opulence, more money, name, fame in this world. I want Bhakti of Lord Sri Krishna. He has actually blessed me the same and sent me to Bangalore. In Bangalore, I got the mercy of my spiritual master Srila Prabhupada and his disciple.

I visited to Rajajinagar ISKCON in 2008 and I prayed Krishna that this is my desire to be here with my family and I want to know about you and I want to achieve your Bhakti.

After some time I got a job in Bangalore in Jan, 2019 and in Nov, 2010 I called my family here and we went together Rajaji Nagar to say thanks to Shrla Prabhupada and Lord Krishna that it is you who can fulfill all the desires and no one else. Without the mercy of Guru, nothing is possible.

In Oct, 2011 I visited to Vasanthapura ISKCON temple and asked devotees that I am not satisfied with all the Puja of any demigods like Lord Shiva, Durga. Kindly suggest me what to do. He suggested me to start chanting Hare Krishna mahamantra. I started and after 21 days exactly, I gave up all the nonsenses like meat eating, tea/coffee, smoking at once and accepted Lord Krishna is only my Lord and no others. I kept Lord Krishna in the center of my family. My wife has also adopted this culture and started chanting the Holy Name Hare Krishna mahamantra. My family status of living standard has been changed completely, we have started to attend Srimad Bhagavatam classes, Srimad Bhagavad-gita classes. Started to read books of Srila Prabhupada. Disconnected with the person who is not a devotee of Lord Krishna and connected with the devotee association by the mercy of Abhiram Das Prabhu in Gokulam and slowly slowly our heart get cleansed more and more. I started to preach my children to chant Hare Krishna and serve the Lord. They have also accepted that one and only one is our true friend and that person is Krishna. We have accepted our spiritual master as Srila Prabhupada and no other.

I am respecting and paying my humble obeisances to all the Vaishnava devotees who are associated with Srila Prabhupada and Lord Krishna.

Now I have one and only aim in this very life that I need to go back to Godhead, go back to our own home, The Abode of Lord Krishna, Goloka Vrindavan by the mercy of Srila Prabhupada.

I am praying to my dear Gurudev Srila Prabhupada to bless me with His personal service. If I need to take millions of birth in this world, Srila Prabhupada would be my spiritual master in each birth.

Hare Krishna.

Bhaktha Jitendra Kumar.

Bhakta Kalyan Kumar

Dear Srila Prabhupada,

Please accept my prostrated obeisances at your lotus feet. All glories to your Divine Grace. Serving your mission is my goal of life. I am endeavoring to please you by remembering your instruction that our love for you will be demonstrated by our cooperation and love for each other. Cooperation is not simply an external affair, just as devotional service is not simply an external affair. According to Srila Rupa Gosvami in the Bhakti-rasamrita-sindhu, pure devotional service is defined as serving Krishna by actively doing what He wants and doing it with the intention of giving Him happiness. So, cooperation means acting cooperatively, and simultaneously with one's heart loving those with whom one is cooperating. With having ISKCON we are at least visit temples and hear from the devotees about your glories.

I am not fortunate to regularly visit temple but due to ISKCON we are able to see videos in social media about Krishna.

Please keep me under your shelter.

Bhaktha Kalyan Kumar.

Bhakta Kamalakar M A

Dear Srila Prabhupada,

Hare Krishna,

Please accept my respectful obeisance unto your lotus feet. All glories to you.

Thanks once again for giving me the opportunity to write Vyasa Puja offering for the third time. I had the great fortune of coming in contact with a devotee in Aug 2016. Inspired by the spiritual knowledge and purpose of human life, every day I used to hear past times of the Supreme Personality of Godhead. Also, during that time I also got the chance to read the books "civilization and transcendence", "the journey of self-discovery". Those books made me to come to temple on September 2016 for attending Yoga for Happiness program. I mostly remember the day as to how warm and kindhearted everyone was. From that time, I started attending regular temple programs on every Sunday. With your blessings, I also got the opportunity to do service on Sundays after kirtan and attend evening classes in FOLK. With your blessings this time, I got opportunity to travel to holy places like Mayapur, Kishkindha, Vrindavan, Tirupathi, Kalahasthi and also Udupi for Shree Krishna Chaitanya Mahaprabhu Sambhramotsava and also Hyderabad for temple inauguration in association of devotees where I got the opportunity to hear more past times of Lord Chaitanya and devotees in Mayapur, Bhakta Hanuman and Lord Rama's pastimes in Kishkindha. I also got to hear more past times about the Supreme Personality of Godhead. I also got some opportunity to do service in the dham, I got the opportunity to touch the floating stone which was used to construct the bridge from Rameshwaram to Lanka during the period of Ramayana, I also got to see the wooden mortar where Yashoda maai tied the Supreme Personality of Godhead which is a very wonderful experience, got opportunity to play kusthi in Ramana rethi where Supreme Personality of Godhead Krishna and Balarama used to play there. However, I

missed Dwaraka trip and Jagannath Puri ratha yatra trip. Through your association, I also got the opportunity to do service in the temple every Sunday and also on festivals. I also participated in one of the dramas conducted in FOLK.

While writing this offering, I remembered one of the pastimes quoted from Ramayana, after killing of Vali, Sugriva was declared as the King of Kishkindha. After that, there was rainy season for 4 months. Rama and Laxmana were staying in Maulyavantha Hill. After 4 months, Sugriva along with his army visited the place and Rama was so anxious on the loss of Sita, he requested Sugriva to search for Sita in one month. Sugriva assigned 4 teams and each team went in search of Sita in 4 directions. All the team tried hard but they were not able to find Sita. Whereas one team went to South with Hanuman. Here Rama after meeting Sugriva, met Hanuman personally and narrated the secret which only he and Sita were knowing, the secret where upon touching lotus feet of Rama the stone got liberated and turned into a beautiful woman. Sita said if this is possible what will happen if this diamond (most precious metal) if it touches your lotus feet. Rama said if you narrate the story along with diamond ring to Sita, then she would believe that you are my messenger. Hanuman found Sita in Lanka, gave this ring and narrated this story. Upon his return Rama was totally fainted and was about to go unconscious but by that time Hanuman delivered the message from top in very intelligent way, even though the grammar formation of sentence was wrong but it conveyed the message to the master and made him happy, he said "found Sita I", "instead of I found Sita". This is a great learning that we should not take any credit for the accomplishment, the result should be always left to the Lord.

In spite of all the inspiration you have bestowed upon me through your good hearted devotees, still I have for so long been shamefully aware of my unwillingness to whole heartedly follow in their footsteps where I sometime get confused by the mayavada bhashan. Recently I got the job opportunity in Saudi Arabia and I moved out of Bangalore to close the financial issues. I tried my best to get the job in Bangalore so that I will actively participate in temple activities. But unfortunately I didn't get any offer. With your blessings however I am able to get up early in the morning now and do the chanting which I was missing in Bangalore due to night shift. As mentioned in most of your books the three modes of material natures is very strong and also I am actively away from the association of devotees, I pray to you kindly give me the intelligence and blessings to continue the practices daily without fail and help me advance in spiritual education. I also pray to you kindly help me to solve the financial burden, save me from maya and as soon as possible get me the opportunity to serve the devotees and actively engage me in your devotional service. If I have done any vaishnava apradha kindly forgive me and kindly help me to advance in spiritual education. Therefore I am begging you, Srila Prabhupada, to please continue to cast your merciful glance upon me through books, speeches and hearings through your pure hearted devotees also please give me opportunity to hear your more conversations and to read your books daily without miss so that in some lifetime this aspiring Bhakta can take proper advantage of your treasure house of good fortune. I also request please give me opportunity to do more service with full heart and save me from Maya which stops me in doing the service. Until then, I will continue to pray for the day when I am free from the envy, lust, and lethargy and mayavada bhashan that sometimes block my path. On that glorious day, I will truly know what it means to have joined your Krishna consciousness movement.

Yours aspiring student,

Bhakta M A Kamalakar.

Dear Srila Prabhupada,

All Glories to your divine grace. Please accept my humble obeisances

I am so glad to join Akshaya talent hostel which was a part of ISKCON which was spiritual movement started by you. I am feeling so much blissful by taking Your teachings from so many sources and then from devotees. These teachings help me to know more way of leading our life and make advancement in spirituality. After joining ATH I started chanting minimum 2 rounds daily and reading bhagavatam. My life is slowly advancing in some basic things that is, about discipline, personal hygiene and most importantly calmness of mind. I have also done temple's seva due to mercy of Srila Prabhupada, I have

taken part in prasadam service which is the most favourite service to me, it brings us closer to Krishna. The most liked thing is to take part in kirtan, doing dance and eating tasty prasadam. Chanting helps me to lead a good life.

Thanks to Srila Prabhupada for giving me best association from Your devotees from past few days.

Your Servant,

I believe the human race should ever be grateful to you for spreading the Harinama Sankirtan and Krishna Prema across the world. In earlier days of my life, I always felt that I have no qualification/ability to understand the purpose of life and to know about god at large. You have disproved me by dispelling my ignorance by introducing me to “Hare Krishna Maha Mantra” and declaring that there’s no need of any qualification/intellectual adjustment to understand Supreme Lord Sri Krishna. Your vision to feed the hungry stomach with food and empty/misguided minds with Krishna Prema has always been inspiring.

Thank you very much for your unconditional love towards the fallen souls and giving us an easy yet the most effective solution (chanting) to get out of this cycle of births and deaths.

Your humble servant,

Bhakta Karunakar.

Bhakta Kaushik Ghosh

Dear Srila Prabhupada,

Please accept my respectful obeisances unto your lotus feet.

Thanks to ISKCON for giving us wonderful opportunities to offer our glorifications of Srila Prabhupada!

Heartfelt obeisance’s to Spiritual Master, Srila Prabhupada and Supreme Lord Krishna.

This glorifications is from my real experience felt before and after accepting Srila Prabhupada as Spiritual Master

Even though I’m trying to concentrate to be in Krishna Consciousness, facing so many challenges and difficulties which leads to sense gratifications.

Again & again trying and fall down, it goes on for almost a year and also felt that something is missing in Krishna Consciousness. Afterwards by the mercy of Krishna, got to know about the Srila Prabhupada ceremony in ISKCON temple.

Your Servant,

Bhakta Kaushik Ghosh.

Bhakta Keerthi Prasad S

Dear Srila Prabhupada,

I offer my humble obeisances at your lotus feet my master.

Your divine grace appearance is the most auspicious day in my life, because you have appeared in this material world to reclaim the fallen souls like me. I as a embodied spirit soul would have led my entire life in pursuit of material things and happiness which is simply as good as illusion. You have dispelled my darkness with the torch of knowledge. You have given the science of understanding God which is not based on sentiment alone but through applying logic and proof based on sastras, you have given Lord Krishna in my life even though I'm unfit to receive, your Grace alone enables me to receive the priceless knowledge. I may receive knowledge but without your mercy on a fallen soul like me, mere knowledge will not enable me to relish love of Godhead but only by following your instructions, the knowledge of the scriptures act on the disciple and it will enable one to come to a stage of loving service to Lord Krishna!

It is said in scriptures *"Only unto those great souls who have implicit faith in both the Lord and the spiritual master are all the imports of Vedic knowledge automatically revealed."* (Śvetāśvatara Upaniṣad 6.23)

I solely surrender to this verse because in devotional service one should have unflinching faith on Guru, Lord and scriptures which is all scientific. Without faith it is difficult to take devotional service which is sole right of the soul. You have given this art of God but I don't know to what degree I possess faith, because many times I fall and fail but you lift me up and you feed me with required faith to carry out your instructions. In the end I remain with wonder struck thinking even though I don't possess these quality, its acting on me because of your causeless mercy on me and as a disciple it's my duty more than duty, its love that reminds me to extend this causeless mercy upon as many as possible. My only desire is to move in this direction because you have instructed in your books that, "If you want to please me, distribute my books." Please guide me my father, let this be my souls desire alone and let me endeavor more and more in serving you. Knowing that all these desires also belong to you because a sinful soul like me can't think like this and I show my respect and gratitude at your lotus feet my Lord.

In this age of kali the only way to obtain God is through chanting the holy names of Lord and it is the mission of Lord Chaitanya Mahaprabhu. You have fulfilled the Lord's mission by expanding the movement of sankirtana and I feel grounded that I am a small part of this big Hare Krishna movement. The Ultimate Glories of Chanting the Hare Krishna maha mantra, as explained by Lord Chaitanya Himself. Hare Krishna maha mantra, about which even Lord Siva and Lord Brahma are unacquainted." to the supreme spiritual abode and blesses the chanter with transcendental love of Godhead, Sri Hari. Your causeless mercy has showered upon me, but its upto me how much I take the mercy out of it and distribute it, such a fallen soul I am failing each time to carry out your instructions but I never lose faith and hope on Hare Krishna maha mantra because it can transform everything and will transform.

By your causeless mercy I've received devotional life. Please guide that I never leave and fall back to the material pool of life because I cannot trust my senses, mind, intelligence and body itself, it may cheat me anytime, but if I have the unflinching faith on Guru and Krishna and forcing my senses, mind, intelligence and body in your service then I can overcome easily. Let you always guide this fallen soul my master. And you have said that at any cost don't give up chanting the mahamantra, chanting 16 rounds daily and following 4 regulative principles which you have prescribed and by your mercy I'm chanting 16 rounds and following 4 regulative principles, let me not fall from these principles.

Devotional service is performed joyfully each time when I chant I feel personal revelations more and more even though I don't understand many times, feeling that its something more for a fallen soul like me but your mercy is always there to make me understand it. I'm taking advantages of your priceless knowledge through your books, it changed my life completely and my perception has totally changed also which is scientific.

The glories of mahamantra is ever expanding.

"The chanting of the Hare Krishna maha-mantra is the best process of atonement for a thief of gold or other valuables, for a drunkard, for one who betrays a friend or relative, for one who kills a Brahmana, or for one who indulges in sex with the wife of his Guru or another superior. It is also the best method of atonement for one who murders women, the King or his Father, for one who slaughters cows, and for all other sinful men. Simply by chanting the Maha-mantra, such sinful persons may attract the attention of the Supreme Lord, Who therefore considers, 'Because this man has chanted My Holy Name, My duty is to give him protection.'" (Srimad Bhagavatam 6.2.9)

This is the potency of chanting the mahamantra and I have the respect of gratitude to you my dear master.

This scientific approach of understanding God comes from a chain of disciplic succession coming down from Lord Krishna. Because only through the chain of disciplic succession the art of devotional service can be obtained. By your causeless mercy today such an low end soul like me can get devotional service unto Radha-Krishna and I'm thankful for your mercy my dear Lord Prabhupada.

Your transcendental qualities which I always admire because when I read your life story I feel how these qualities are glorious because you possess them.

Mild, clean, without material possessions, perform welfare works for everyone, peaceful, surrender to Krishna, desire less, indifferent to material acquisition, fixed, completely controls the six bad qualities, eat only much as required, without inebriation, respectful, without false prestige, grave, compassionate, a friend, poetic, expert, silent. All these qualities are fortunate because they've surrendered unto you and they themselves in turn become glorious my master.

About your personal reciprocation with me my master is something magical. I still remember the day when you personally saved my life, that incident strikes my life and without you, I wouldn't have been living within this body, for your mercy has saved me from near death. And this incident has leaped my faith and hope forward many many times ahead and I have no words to express my feeling to you my Lord. When I'm there in this body people tend to relate with me with bodily platform when this body perishes the relations with this body come to an end. Because in this world everything is conditional for example, a boy and girl love each other in actual to get something out of that relation which is lust alone and that relation also dies eventually not knowing their true self, in this way they are entangled in path of birth and death.

But as a father you have given me life and shelter and return expect nothing that is the meaning of "Love" and you are my Lord and Master birth after birth and eternally I will be serving you whether in hell or heaven. I neither desire for liberation nor desire for enjoyment with Lord Krishna. My only desire is to be your servant and serve as a servant in any form of life.

Please give me this one benediction and I will be thankful eternally!

Your's insignificant servant,

Bhakta Keerthiprasad S.

Bhakta Keyur Shah

Dear Srila Prabhupada,

Please accept my humble obeisance, all glories to you on this auspicious day of your appearance.

I can't find enough words to express my gratitude towards your mercy. It was yours mercy that helped me a lot when I came to Bangalore for the first time. It was you and your blessings that kept me away from all "Maya" and helped me to control my senses. You have given me a very wonderful gist in form of "Hare Krishna maha mantra" which makes my life very smooth.

In the end again, I am seeking your mercy which will help me to increase my daily chanting rounds.

Your Humble Servant,

Bhakta Keyur Shah.

Bhakta Kiran G V

Dear Srila Prabhupada,

"Please accept my humble obeisances, all glories to you on this auspicious day. When I never knew about your movement, I was attached to material things. Thanks to you prabhupada and thanks to your Iskcon Bangalore. This temple or your Krishna consciousness movement changed my life. Thanks for your wonderful gifts

1. Chanting
2. Your books
3. Your lectures
4. Your temples

After coming in touch with your movement, I slowly started to chant "Hare Krishna mantra".

Now from that mantra even my concentration been increased and mainly understood that we should always love Krishna. Without your Mercy (Prabhupada), we can't reach Krishna. The most important thing is "I should be always in touch with you and should always glorify your lotus feet".

Thank you Srila Prabhupada.

Your humble servant's servant,

Dear Srila Prabhupada,

Please accept my obeisance at your most respectable, dust of your feet.

om anjnana-timirandhasya jnananjana-salakaya caksur unmilitam yena tasmai sri-gurave namah

"I was born in the darkest ignorance, and my guru, my spiritual master, opened my eyes with the torch of knowledge. I offer my respectful obeisance's unto him." All glories to Srila Prabhupada, all glories to your divine grace, Jai Srila Prabhupada. At present I am suffering due to ignorance, due to ignorance, there is infection, and suffering from disease. Now I am confused about my duty and have lost all composure because of weakness. So I am in seek of a guru, not just a guru. The guru who comes from a disciplic succession and a pure devotee of Lord Krishna. In this condition I am asking You to tell me clearly what is best for me. Now I am your disciple and a soul surrendered unto You. Please instruct me. I am very fortunate to have Srila Prabhupada as my Guru and all because of your limitless mercy. So I offer the same respect one would offer to God. As Visvanatha Chakravarti Thakura says in his prayers to the spiritual master, yasya prasada bhagavat-prasada: "By the mercy of the spiritual master, one receives the benediction of Krishna." So I completely surrender to your lotus feet and follow all your instructions.

I pray that I will make use of this wonderful opportunity to serve you , chant 16 rounds every day , follow 4 regulative principles, read your books, try my best to distribute your book and preach Krishna consciousness. Currently I am very low and fallen so please bestow your mercy upon me that I always be attached to Maha mantra, Sankirtan , Diety of their Beautiful Lordships Sri Radha Krishna , Books and Prasadam and also please bless me so that I visit the temple regularly and have associations of Vaishnavas , increase my devotion to serve you and Lord Krishna more and always remain within ISKCON.

Your insignificant servant,

Bhakta Kishore

My dear JagadGuru! Srila Prabhupada!

Please accept humble obeisances from this useless soul on whom you showered your causeless mercy. You are so merciful that you have allowed me, the most fallen 4th class man to serve your lotus feet. Just by hearing instructions from your lotus mouth, my material desires quenched and Krishna conscious desires developed.

You have the most pleasing voice. You are most tolerant. You are most intelligent. You are most dedicated to Krishna. You are most powerful. Simply by your mercy one can start chanting Hare Krishna and convert 4th class men to a 1st class Vaishnava just like turning insignificant stone to a Diamond. You are Chaturvedi. You are scholar. But you never had a tinge of pride. You are so kind and merciful to your disciples. Also to all the living entities. Your instructions are the only way to Vaikunta and Goloka. You are in the greatest parampara where there is Srila Bhaktivinod Thakur, Haridas Thakur, Lord Chaitanya, Madhvacharya, Naradmuni as such personalities. Your instructions are so transparent that it is as good as originating from Lord Sri Krishna. You are the only Acharya in the parampara who crossed sea just to spread the Hare Krishna Maha mantra to west. Without your mercy, nobody can chant Hare Krishna mantra. Many are able to obtain the unconquerable Krishna through you. You have given Lord Krishna and Radharani to whole world by risking your own life selflessly. The whole planet is indebted to you and never can that be paid. By your mercy, allowing to serve your lotus feet we can show our gratitude. My dear Guru, Srila Prabhupada, Please show mercy upon me and bless me to serve your lotus feet all my life.

Your most fallen Servant,

Bhakta Kishore.

Bhakta Krishanu

Dear Srila Prabhupada,

Please accept my humble obeisance unto your lotus feet. When Yaksha asked King Yudhishtira, "What is the most amazing thing about this material world", he replied that every day lots of people take birth in this material world and lots of people face death. In spite of seeing this reality, everyone else present in this material world thinks that he will remain here forever and thus he makes elaborate grandiose plans for his stay in this material world. The above question itself is sufficient enough to shake up a sane person. In today's modern era, in so called advanced human civilization, each and every person is busy in quenching his thirst for money, fame and power, thus remaining in dark trenches of ignorance for the entire life. Instead of asking intelligent questions like "Who am I?", "Where I have come from?", "What is truth?" etc. people ask mundane questions like "Whether stock markets are bullish or bearish?", "Which party will win elections?" etc. To bring people to their senses and lead them to Absolute Truth, the Supreme Lord Sri Krishna, out of His causeless mercy, either descends Himself or sends His representatives to this material world. This world was fortunate enough to witness one such 'Bonafide' representative of Supreme Personality of Godhead Sri Krishna, in form of you Srila Prabhupada. At the old age of 70 years, you took the daunting task of illuminating this world with the instructions of Lord Sri Krishna mentioned in Bhagavad Gita & Srimad Bhagvatam and gave this world a precious gift of Krishna Consciousness. You showed the

people how being Krishna Conscious can help one lead his life in a happier and more meaningful way. In CC Madhya 19.151, it is mentioned that :

brahmāṇḍa bhramite kona bhāgyavān jīva

guru-kṛṣṇa-prasāde pāya bhakti-latā-bīja

“According to their karma, all living entities are wandering throughout the entire universe. Some of them are being elevated to the upper planetary systems, and some are going down into the lower planetary systems. Out of many millions of

wandering living entities, one who is very fortunate gets an opportunity to associate with a bonafide spiritual master by the grace of Kṛiṣṇa. By the mercy of both Kṛiṣṇa and the spiritual master, such a person receives the seed of the creeper of devotional service." I consider myself really fortunate that I came in touch with devotees at ISKCON Bangalore, who introduced me to you and your teachings. I am thankful to you and Supreme Personality of Godhead Sri Krishna for bestowing me with the gift of Krishna Consciousness. I am extremely grateful to you and the devotees at the temple for giving me an opportunity to chant the Hare Krishna Mahamantra and render

devotional service unto Their Lordships Sri Sri Radha Krishna Chandra. I am still in very nascent stages in my Spiritual Journey and have lots of lacunae in me. I strive for following your instructions sincerely but I face a lot of challenges in doing so. I would like to seek your forgiveness for all my mistakes done advertently or inadvertently and would like to sincerely pray to you and request you to please keep me under your shelter and bless me so that I can adhere to your instructions with utmost sincerity.

Your unworthy servant,

Dear Srila Prabhupada,

Please accept my respectful obeisance unto your lotus feet on this auspicious occasion of Vyasa Puja I would like to express my heartfelt gratitude to you, for blessing me with your causeless mercy by bringing me in contact with the Hare Krishna movement.

"Srila Prabhupada was not just another oriental scholar, guru, mystic yoga teacher, or meditation instructor," insists Mukunda Goswami, one of his first American disciples. "He was the embodiment of a whole culture, and he implanted that culture in the West. To me and many others, he was first and foremost someone who truly cared, who completely sacrificed his own comfort to work for the good of others. He taught spiritual science, philosophy, common sense, the arts, languages, the Vedic way of life—hygiene, nutrition, medicine, etiquette, family living, farming, social organization, schooling, economics—and many more things to many people. To me he was a master, a father, and my dearest friend."

Srila Prabhupada taught nonviolence towards animals as well as human beings. In the course of his lectures, essays and commentary on scripture, he expressed moral opposition to sport hunting and experimentation on animals. In his writings, lectures and conversations, he analyzed why monarchies fell, and why secular democracies will eventually fail. He attacked Marxism, Darwin, Freud, and the space program.

Srila Prabhupada emphasized living simply and close to nature, like the Amish, teaching that young girls should be taught "traditional values" like cooking, sewing, and subservience to their husbands and would be married no later than age 16. He similarly taught that young men should be taught to work the land and remain celibate until age 24, when permitted to marry. Words are not enough for us to express the gratitude and reverence for your mercy upon us.

Your aspiring disciple,

Bhakta Krishna.

Bhakta Krishna

Dear Prabhupada,

I am inspired by A.C Bhaktivendanta Swami Prabhupada, as he the spiritual master of the entire universe for intellectual quality about the understanding of God. He precisely describes in the holy book Srimad Bhagavad Gita that there is only one God but called by different names. And the supreme personality of god head is "Lord Krishna " who is introduced by

Prabhupada to western world. Prabhupada travelled to western world with 3 heart attacks which he survived by Krishna's mercy. I learnt that he was old when he started this mission and went out of his comforts and preached about Krishna with less money. within 12 years, prabhupada established ISKCON and opened 108 temples through his devotees. He makes me feel strong when I think about converting 1000's of ignorant people to devotees.

I follow 4 regulative principles ,chant regularly and increase belief in Krishna on daily basis.

If we observe the qualities of Srila Prabhupada, he followed every word to word as instructed by his Guru and didn't follow what he wanted. That's being a true disciple to a Guru which I want to become.

Thanks Prabhu for giving the opportunity.

Your Servant,

Bhakta Krishna.

Dear Srila Prabhupada,

Please accept my humble obeisances unto your Lotus feet. I have been chanting 2 number of round for around 4 months. Please give me intelligence to read your books, understand, implement and realise the transcendental knowledge by which we can solve all the problems of our life. I learnt from Bhagavad Gita that I am not this body but I am a spirit soul. But I am fully engaged in serving my body and mind rather my original position to serve Krishna. Please somehow engage me in your devotional service atleast in a small way I can. I understood from Bhagavad Gita that aim of life is to remember Krishna at the time of my death.

Please bless me so that I can remember Krishna at the time of my death

Your Servant,

Dear Srila Prabhupada,

I pay my respectful humble obeisances onto your lotus feet. The Chaitanya charitamrita says

"sādhu-saṅga", "sādhu-saṅga" sarva-śāstre kaya, lava-mātra sādhu-saṅge sarva-siddhi haya"

Because of the causeless mercy of a pure devotee like you, the most fallen soul like me, have been able to come into Krishna consciousness. Please help me hold on to your lotus feet at all times....Please keep me away from the influence of Maya. Even by a small mistake if I fall into the crutches of Maya, please bring me back to your lotus feet...Bring me back to your association...In this world of Maya, you have made the most fallen soul in this planet get out of it with your causeless mercy...Please be merciful on this fallen soul...Please help me not make an offence...Make this fallen soul more Krishna Conscious..

I beg to you for the mercy of a pure devotee like you be on this most fallen soul in the universe.

Hare Krishna.

Dear Srila Prabhupada,

Sri Caitanya-mano bhistam, Sthapitam yena bhutale, svayam rupah kada mahyam Dadati sva-padantikam.

Please accept my humble obeisance at your lotus feet. I have to admit that I feel totally unqualified to write this Vyasa-Puja offering. Due to my contamination, I am unable to fully describe of your achievements and glories.

Srila prabhupada! What I've understood from Your Divine Grace's teachings is that we should not be either attached to a palace or a tree; if Krishna wants us to live in a palace, we should be happy to live in a palace. If Krishna wants us to live under a tree we should be happy living under a tree. Renunciation means simply to fulfil the order of spiritual master and not to be attached to our own conception. What is spiritual life, what is spiritual advancement? That is just to remain a humble servant. I pray at your lotus feet Srila prabhupada, please empower me to follow these instructions.

Srila prabhupada! It gives me lot of pleasure in sharing that as our family members have acquired a small piece of land for building a grand temple of The Lordships Sri Sri Radha Krishnachandra and Sri Jagannatha at our home town, where can thousands of souls would come and take shelter of Your Divine Grace. Such plans come up only by the divine intervention and it's not possible to accomplish such feats only by our individual endeavors. I request Your Divine Grace to give us the guidance and necessary spiritual strength to build this temple and also make us instruments in spreading the message of Lord Chaitanya in many more places. I once again would like to pay my humble obeisance to your lotus feet and beg for your mercy. Srila prabhupada! As you said, "In this age of quarrel, it is so easy to misunderstand the intention of one's god-brothers and god-sisters and the mind is ever ready with hundreds of ways to find fault outside rather than look deep inside". Srila Prabhupada, please guide me to always cherish and value the association of your disciples and the wonderful organization you have created. Please help me in creating the right atmosphere where we all work together in loving service of Your Divine Grace.

Srila Prabhupada! As you mentioned about initiation that, "the spiritual master awakens the sleeping living entity to his original consciousness so that he can worship Lord Vishnu". "Initiating a disciple with transcendental knowledge by which he becomes freed from all material contamination". And the main important factor as you mentioned binding the initiation and fulfil the commitment is the sincerity, determination and our submission to the guru. My dear Srila prabhupada, I am eagerly waiting for the day when I will get initiation and become your disciple. Please bless me and provide us an opportunity to spread your mission far and wide.

Srila prabhupada!. I humbly pray to you on this auspicious occasion to please give me all the necessary intelligence to work hard to serve your mission and spreading Krishna Consciousness for and wide and please bestow me with the quality of sincerity in conducting myself. Despite all the different shortcomings I have, I only pray to you to give me necessary intelligence that I will not displease or dishonour any of your sincere devotees engaged in your mission. I sincerely pray to you please place me under your shelter eternally.

Your insignificant eternal servant,

Bhakta Krishna CG.

Dear Srila Prabhupada,

Please accept my heartfull special occasions of Vyasa puja, let all glories may strengthen us with power through your spirit in our inner being. As a common man one would go after to seek truth of existence, same as I was too curious to find out the truth. I don't think there is anything for us to write. Srila Prabhupada has provided us all types of resources to satisfy all our queries. Therefore, we should study his words analyse his words and at last we should learn to live his words, his divine instructions for the welfare of this world. Don't think that Prabhupada isn't present because his Divine Grace is

always present through his Vani-his instructions. He reasons I'll who tells that vaishnavas die when thou are living still in sound. The vaishnavas die to live and living try to spread a holy life around!

Your Servant,

Bhakta Krishn Rao J.

Bhakta Krishna Rukmangada

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet. First of all, I thank you very much for giving me this opportunity to write a homage unto your lotus feet for this undeserving person. Srila prabhupada, I kindly beg you to strengthen me to follow your instructions where ever I am like chanting the holy names of the Lord, following the 4 regulative principles, reading your books and preaching Krishna Consciousness as per your guidelines without any concoctions. Please bless me so that I always respect your servants and all the vaishnavas selflessly. Srila Prabhupada, please bless me to transform my phalgu vairagya to dridha bhakthi and constantly chant, sing the glories and meditate Leelas of the Supreme Personality of Godhead , Lord Sri Krishna.

Your mercy is already there upon me but I'm so unfortunate that I'm unable to recognise your mercy. I humbly request you to give me the strength to accept your mercy and advance in Krishna consciousness.

Your unworthy Servant of Servants,

Bhakta Krishna Rukmangada.

Dear Srila Prabhupada,

Please accept my humble and respectful obeisance unto your glorious lotus feet, on this auspicious occasion of 123rd appearance day.

My dear Spiritual master, i am always indebted and thankful to you for the following things, which you have bestowed upon me

1. Krishna Ashraya association
2. Women's special class
3. Srimad Bhagavatam class
4. Bhakti satri class
5. Association with Ritvik temple (Iskcon Bangalore group of temples.)

Dear Srila Prabhupada, sometimes adamant child can't understand the parents instructions and welfare activities, in the same way i am unable to understand your instructions to the fullest extent due to my ignorance and interpretation mind concoction. Kindly remove this ignorance from the core of my heart. Dear Srila Prabhupada, this year I have added with one more responsibility. Make this responsibility feasible to progress towards Krishna consciousness. Dear Srila Prabhupada, i am very much inspired by the qualities seen in the devotees such as tolerance, forgiveness, humbleness, humility and working for the others, spiritual progress.

Dear Srila Prabhupada, make my all material difficulties to progress towards Krishna consciousness.

Aspiring to become your Servant of Servant,

Bhakta Krishnammal T.

Hare Krishna Prabhu,

Please find my Vyasa Puja offering onto lotus feet of Srila Prabhupada.

Hare Krishna.

My Dear Srila Prabhupada!

Please accept humble obeisances of this fallen soul.

I have understood from you that .

"Sadhu Sanga Sadhu Sanga sarva shastra kahe Lav matra Sadhu sanga Sarva siddhi hoye. "

Today while writing this homage, I realise the same, it was my great fortune to come in touch with you and your disciples. Although unqualified and unworthy, I am still able to continue chanting and visit temple regularly because of that moment of association and the little Siddhi I received.

However I am very weak in this fight with Maya and need blessings of you and your devotees to take that next step in Krishna Consciousness where I could surrender to you.

Unable to take those major decisions and pursue them with determination.

Please give that Bala to me.

I beg at your lotus feet. Thanking you. Please accept my humble obeisances.

Your servants servant, Bhakta Krishnanand.

Dear srila prabhupada,

"I offer my respectful obeisances unto my Spiritual Master who has opened my eyes, blinded by the darkness of ignorance, with the torchlight of knowledge... We cannot understand Krishna without a spiritual master. That is bogus. If anyone wants to understand Krishna, jumping over the spiritual master, then immediately he becomes bogus.... Guru is non different krishna..like our beloved srila prabhupada is such a real guru..I m such a rascal how can i talk about prabhupada lila..so i heard little bit of prabhupada lila from temple devotees..that only i share..in this kali yoga we are all fallen soul ..so how srila prabhupada delivered so many fallen soul we are also practising the krishna consciousness one day we are also back to home.back to godhead..prabhupada gave so wonderful opportunity to serve the lord ..

I felt a lot of pain by reading Prabhupada's lila..when prabhupada was in delhi Lacking money to buy even proper clothes..Prabhupada went through the chilly Delhi winter without a jacket.He would regularly walk to he printer's to read the latest proofs of Back to god head.when the printer asked him why he was intent on producing his newspaper under such hardships,he replied,"it is my mission."He managed to pay the printer small amounts at intervals...Prabhupada did all that because of like me..such a rascal degraded soul..we have to enthusiastic take a mission of prabhupada...iskcon...in my life i was so much degraded person ..when i was came from Bangalore to do job ...one day i was went to visit iskcon Bangalore when enter the temple i seen devotees are looking so good ..and deity's also so attracted..that day i was desire to serve prabhupada.. how srila prabhupada so mercyfull.how nicely changeing my life day to day.then after some month's i started practicing the chanting...the Hare krishna maha mantra..now i m feeling very happy. Thank you srila Prabhupada for your causeless mercy.

Jai Srila Prabhupada!!

As an aspiring devotee of Krishna, I have always been of the opinion that Srila Prabhupada focused on spreading the Krishna Consciousness in the West and in limited, focused regions of India.

However, my recent experience made me realize and once again humbled me by disproving this opinion. Srila Prabhupada was truly the senapati of Lord Chaitanya's army in taking his message far and wide across Nagars and Grams.

Because of Prabhupada and Krishna's mercy only, I recently got the opportunity to have darshan of the Lord Badri Vishal. Just before that we went to Vyas Gufa and that's where I saw a big poster with an amazing depiction of the Bramha Gaudiya Parampara ending with Srila Prabhupada. One of my co-passengers just enquired who is he and the Pundit gave an amazing description about him mentioning that he was one person who spread the original message of Srimad Bhagavad-gita and Srimad Bhagavatam across the world and was truly a messenger of God. Also, I saw a beautiful copy of the translation to one of the Volumes of Srimad Bhagvatam near the Altar.

This cave is at the last village of India (Mana) where civilians are allowed before Tibet, which clearly is in line with the predictions of Chaitanya Mahaprabhu. Having seen this, I was amazed at the power of the preaching by a pure devotee of the Lord.

This incident also made me think that had it not been for Srila Prabhupada, a lot of us conditioned and fallen souls would still be wandering around directionless. I also realize that my devotion is very small and insignificant but without Srila Prabhupada, it would have never even started.

All glories to the most merciful devotee of our time Srila Prabhupada and many many thanks to Lord Krishna and Chaitanya Mahaprabhu for sending their senapati messenger for directing us.

Your Servant,

Bhakta Kshitij.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to you!

After coming in touch with you I became much more serious in my life towards realizing the true destination of life. Through your teachings, I understood the basic meaning of birth and also became aware of why to practice devotion towards Lord Sri Krishna. I left many bad habits which were previously haunting me. My wish is that I can stick to your teachings

and principles and wish to improve much more in my devotional service towards Lord Sri Krishna and you as I still have a long way to go in that path. I only ask for this blessing from you Srila Prabhupada.

Yours servant,

Dear Srila Prabhupada,

I offer my humble obeisances on your lotus feet.

Trully blessed are the souls who get chance to follow your teachings to serve Lord Krishna. In this material world only force converging me to Lord Krishna has been your teachings.

Trapped in the false ecstasy and agony , we humans have always derived futile pleasure in material life. It has only been your divine teachings, your journey of life dedicated to serve Lord Krishna that has shown us a ray of hope in this darkness to pave our way to serve Lord Krishna in an infinitesimal way.

"If you want to live alone in a secluded place and practice yoga for your own personal benefit that is very nice. But if you want to help others by spreading Krishna Consciousness, that is far better". These words by you Srila Prabhupada has been justified by one gift that I got in my life ; devotees and their association at ISKCON Bangalore. I thank you Srila Prabhupada for laying the foundation idea behind such an organization from where we insignificant souls are deriving benefits from.

nāhaṁ vipro na ca nara-patir nāpi vaiśyo na śūdro, nāhaṁ varṇī na ca gr̥ha-patir no vanastho yatir vā

kintu prodyan-nikhila-paramānanda-pūrnāmṛtābdher, gopī-bhartuḥ pada-kamalayor dāsa-dāsānudāsaḥ

As stated in the above verse Srila Prabhupada, I would attribute to you to have bestowed upon me by your writings and books , Krishna is the cause of universal transcendental bliss and we humans having no other identity but as a servant of the servant of the lotus feet of Lord Krishna. And who but you have been one true servant of the Lord. And through your teachings, you have shown us the ways to serve Lord Krishna through love and compassion.

I feel so fortunate to get an opportunity to benefit from your teachings. Please bless me that I always stay on the righteous path shown by you. Please bless me that service to Lord becomes my only goal in life.

Yours unworthy servant,

Bhakta Kumar Rahul.

Dear Srila Prabhupada,

Please accept my respectful obeisance on to your lotus feet.

It is very difficult task to make someone Krishna's devotee. But you made millions of western people Krishna Conscious which is like a miracle. I read your biography where it was mentioned about the difficulties you faced before starting Hare Krishna Movement.

I remember one of your great teaching that we should continue our responsibilities keeping Krishna as centre. Hope I will remember and practice your teachings till the end of my life. I want to follow your instructions and also want to follow the regulative principles, but without your blessings it is not possible. Please bestow your causeless mercy on me.

You set your own example to your disciple, how much disciple has to be faithful and sincere in executing the instruction the spiritual master

Dear Srila Prabhupada, it is my sincere desire that kindly engage me in your service. Please allow me to stay in devotional service and please allow me to stay close to your lotus feet.

I can never actually express to you how much I can appreciate you and all that you have given to me. I can only try to serve you and I sincerely pray that one day I will not have any desire other than serving your desire.

Please bless me to continue to practice Krishna Consciousness. Thank you for your causeless mercy.

To dear spiritual master Srila Prabhupada,

Please accept my humble obeisances at your lotus feet. All glories to His Divine Grace.

In July of 2017, I made a mistake while selecting my engineering college, which eventually led me to Krishna Consciousness. But now looking back I feel it was all part of your plan and mercy on me, which led me to this place. From the time I came in touch with Krishna Consciousness, the past two years has been the most cherishable moments of my life. I must be really fortunate to have your merciful teachings to avoid Maya's trap and come closer to Krishna. With your unparalleled blessings, so far I am able to chant the Holy Name. I request you to bless me in my journey of Krishna Consciousness and save me from this vast web of Maya.

My dear Srila Prabhupada,

Please accept my humble obeisances to your divine lotus feet. All glories unto you.

It is my most memorable moment and I am even more fortunate for one of the reason that is to have your divine grace as my spiritual master. I am eternally indebted unto your lotus feet for giving me shelter under your lotus feet. Unfortunately, I am very fallen and unable to give you proper service. Kindly bestow me your mercy and help me in chanting and reading your books on regular basis. Let me be sincere to you every moment. Your Divine Grace is so kind that you have always loved your disciples and you have always cared for their spiritual life. Unfortunately, I am so fallen that I am neither in the

temple nor do I have any association of the devotees. Kindly place me somewhere at the dust of your lotus feet so that I can serve you forever as your sincere servant.

Your most sinful servant,

Dear Srila Prabhupada,

I offer my humble obeisance unto your lotus feet.

It is been two years since you started showing me the path of Krishna Consciousness. I can visibly see the transition and difference in my life; where I was, where I would have been and where I am now. Although most of the time, my mind is engaged in mundane activities because of not doing significant devotional service but your causeless mercy is always showering on me.

Associating with devotees, attending Sunday programs, and Holy Dham visits with devotees made me reach a stage of chanting 16 rounds daily. I pray unto your lotus feet to empower me to do more and more devotional service.

Your unqualified & unworthy servant,

Bhakta Lohith K.

Dear Srila Prabhupada,

Before coming to ISKCON only I was a devotee of Lord Sri Krishna after coming to ISKCON I learnt how to become much more Closer and real devotee of Krishna by Srila Prabhupada's guidance of chanting Hare Krishna mantra, once you start chanting Hare Krishna mantra you definitely experience the difference and I experience it, I have gone through the experience and can't be explained, it should be felt by myself. There are many aspects where Srila Prabhupada will influence us like distribution of prasadam not only for temple devotees and also for school children's around the temple every person in life need a guru to guide him it is his grace to lead him to towards greatness, Srila Is one of them who will lead you towards greatness in both personal and professional life.

Om ajnana-timirandhasya jnananjan- salakaya,

Caksur unmilitam yena tasmai sri-gurave namah

Dear Srila Prabhupada,

Srila Prabhupada, Please accept my humble obeisances at your lotus feet. My words cannot begin to show my gratitude for all the things you gave this world. Anyone is fortunate enough to be able to have the association of Krishna's pure devotee, THE GURU who lives through his books. Inspired by your association, your Global Movement continues to give birth daily to billions of sound incarnations of Radha-Krishna. They are dancing round the universe and purifying it. As in Guru-

Ashtaka 8th verse, *yasya prasādād bhagavat-prasādo yasyāprasādān na gatiḥ kuto 'pi*. By the mercy of the spiritual master one receives the benediction of Krishna. Without the grace

of the spiritual master, one cannot make any advancement. Without your divine appearance it would have been next to impossible to understand Krishna. You have saved the whole world by showing us the way back to godhead. Your mercy has allowed us to chant the holy names of Radha-Krishna. Your books are a great mystery even to the expert scholars. Please help me understand it in the right way, As it is. Prabupada, may I always be able to follow your divine instructions and be able to bring as many fallen souls to your lotus feet. Without your mercy, we the fallen souls may have to go through the cycle of birth and death for many millions of years.

Please guide me so I may always be able to chant the holy names in an offence less manner in a humble state of mind and considering myself lower than the straw in the street. Please give me the strength to be more tolerant than a tree, devoid of all false prestige and be able to offer all respects to others. On this brief journey, we have been incarcerated in the material world. Your mercy alone has opened the doors of the spiritual world and given the tools of purification. You have given us a perfect movement which will exist for the next ten thousand years. You have revealed how the movement will expand, by book distribution. You mentioned that books are the basis of our movement and if anyone wants to please you then one must distribute your books. Please give me the strength to distribute as many of your books as possible. Thank you for coming to our rescue and for guiding this movement through your books, you are a universal hero. As stated in the Guru Ashtaka by Adi Shankaracharyamasashcenna lagnam guroranghripadme tatah kim tatah kim tatah kim tatah kim If one's mind be not cantered upon the lotus feet of the Guru, what's the use, what's the use, what's the use? Prabupada, may I always be able to focus my mind upon your lotus feet and make your instructions the only reason for my existence. You have descended from the spiritual world just to reclaim the fallen souls of the material world, you're the most merciful. By your mercy one cross this ocean of material existence and attain the lotus feet of Radha and Krishna. Your Divine Grace is an expansion of Lord Nithyananda Prabu who has appeared before us to put some sense into our dull heads. Prabupada, please forgive me for I have been the greatest sinner. I wanted to enjoy this material world. Hence, I was given a position to enjoy in the material world. My only wish is to glorify your lotus feet and making your instructions the ultimate guideline for my life. I beg forgiveness for all the offences that I have committed at your lotus feet, without your mercy this human form of life is useless. You are my only shelter Prabupada, please accept me as a speck of dust at your lotus feet.

Your Insignificant Eternal servant,

Bhakta Madhu Kumar.

Bhakta Madhukar

Dear Srila Prabhupada,

Please find my respectful obeisances into your lotus feet. All glories to Srila Prabhupada.

It's only because of your causeless mercy, I the most fallen soul, got the most sacred and unique opportunity of chanting transcendental name of Lord. It is your mercy only that achieving lord lotus feet became so easily available for unqualified soul like me. As a acharya you have done so much hard work just to give the massage of lord in very easy and simple words to make us understand. Most merciful acharya Srila Prabhupada ki Jai.

Your most fallen and undeserved servant,

Bhakta Madhukar.

Bhakta Madhusoodhan

Dear Srila Prabhupada,

Please accept my humble obeisance to your lotus feet. All glories unto you!

You are the only saviour and hope for us to connect with our eternal Father and return back to our home that is Goloka Vrindavan. Without you, it is impossible. As one of the verses from guruvastaka says "yasya prasādād bhagavat-prasādo yasyāprasādān na gatiḥ kuto 'pi". Without your blessings and wish, we cannot make any spiritual advancement. Please bless me so that I always remember you and your principles in the path of devotional service unto Krishna. "The spiritual master is present wherever his sincere disciple is trying to serve his instructions. This is possible by the mercy of Krishna. In your attempts to serve me and in all your sincere devotional sentiments I am with you as my Guru Maharaja is with me. Remember this always." But in spite of the presence of such a vast ocean of nectar, my wicked mind has overpowered me and I am thus instead drinking the poison of sense gratification. Alas! My life is passing away and even though I have a great opportunity to taste the nectar of Krishna consciousness, I am addicted to drinking the abominable poison of sense enjoyment.

On this auspicious day of your Vyasa Puja, I am praying very fervently at your lotus feet, kindly deliver me from this precarious condition and make me your humble servant. I don't have words to thank you for showering your unconditional mercy on this most fallen soul. Only by your mercy I came to know about the real cause of the suffering in the material world is the living entity trying to enjoy in depend of Krishna. I pray at your lotus feet to forgive my mistakes as a loving father and guide me on the path to Godhead. Also, please bless me that I continue Krishna consciousness and follow 4 regulation principles sincerely. My dear spiritual master, please give me the strength to fight with both internal and external enemies without attachment to success or failure. You have blessed me with a second chance to live in this world. Please use this body as you wish to offer to Krishna.!

Your Servant, Bhakta Madhusoodhan.

Bhakta Madhusudhan S

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet.

I have been chanting 6 rounds of Hare Krishna Mantra for around 10 months. You have worked very hard, you sacrificed your comforts to give this holy name to descend on my tongue. Thank you Srila Prabhupada. I learnt from Bhagavad Gita I am not this body, I am spirit soul. But I am currently engrossed in bodily activities. Please give me strength to come to spiritual platform. I also learnt that to stop all the miseries of life I must surrender to Krihna through bonafide Spiritual Master. Please bless me to perform more and more devotional service unto you. Please give me the remembrance of Krishna at the time of my death.

Your Insignificant Servant of Servant, Bhakta Madhusudhan S.

Bhakta Mahanth

Dear Srila Prabhupada,

All glories to Your divine appearance. All glories to Your continued presence amongst all of us. Please accept my humble obeisance unto Your lotus feet.

Srila Prabhupada, You have sufficiently stressed on the importance of accepting a Spiritual master in Your books and also given enough references that, without accepting a Spiritual master we cannot begin our spiritual life. Having understood such basic instruction theoretically, I find it difficult with many hindrances, both internal and external, to move towards a

formal initiation and accepting Your Divine Grace as my Spiritual Master. Although You have instructed that initiation happens in the heart when we try to follow Your instructions, and I deeply believe that You are the one person I want to take instructions from and progressively increase my surrender to Your lotus feet, the commitment level and the seriousness with which I am conducting my sadhana is not strong enough to go through a formal initiation, to be called an initiated disciple. I fear that I might not keep up to my commitments and I also can see my obnoxious attachment to material way of life, which is stopping me to take up such commitment.

Kindly guide me and bless me to take positive actions towards fulfilling this commitment. Please make me more receptive to your causeless mercy that You shower so generously on all super fallen souls like me. I chant 16 rounds and am trying to follow the 4 regulative principles. Kindly guide me to take conscious steps to increase my faith and attachment in this process. We are blessed to be taking association of ISKCON Bangalore, where You are THE conducting principle for any activity that happens in the temple, and such inspired devotees guiding us keeping up the spirit of the ISKCON You started. Thank You Prabhupada for such exemplary devotees, You are such an inspiration for all of them, which in turn is inspiring anyone who comes in touch with Your Divine institution. Kindly Bless me so that i can get more opportunities to increase my practical devotional service to spread Your compassion and glories. Kindly bless my dependents to increase faith and attachment on Your words and the process given by You and let them take You as the only guiding principle in their life too.

Thank you Prabhupada for all the miraculous turn of events in my life. It has all happened only by Your divine compassion. All glories to Jagat Guru Srila Prabhupada. All glories to Your compassionate heart. Always indebted to You the greatest ambassador of Goloka Vrindavana – Abhay Charan Bhaktivedanta Swami Srila Prabhupada. Wanting to surrender with mountain of anarthas.

Your Servant,

I offer my respectful obeisances unto His Divine Grace A.C. Bhaktivedanta Swami Prabhupada, who is very dear to Lord Krishna on this earth.

Our respectful obeisances are unto you, O spiritual master, servant of Sarasvati Gosvami. You are kindly preaching the message of Lord Chaitanya Deva and delivering the western countries, which are filled with impersonalism and voidism.

Please accept my humble obeisances,

All glories unto you,

Dear Srila Prabhupada,

Chanting of holy name has created huge impact in life, I lost the taste hearing Bollywood and Hollywood songs after I started hearing kirtan it has also helped me to guard from all kinds of bad habits, by going to temple we get tips on how to follow regulative principles,also to chant, and main thing is Krishna Prasadam, even the person who is jealous of Krishna Prasadam. Thank you Prabhupada for giving us such a wonderful gift of this society called ISKCON where we can practice devotional service practically.

Thank you.

Your servant,

Hare Krishna Prabhuji,

Please accept my most humble obeisance onto your lotus feet.

Thank you very much for giving me the opportunity to write homage offering on your 123rd year of appearance day which will be compiled into a book and offered to you on the Vyasa Puja day. It is indeed a great honor for me. The greatest gift which we have received from you is your divine books on Krishna Consciousness. Your divine books and your instructions available to us in written and recorded form are the very basis of ISKCON movement worldwide today. I feel very fortunate that I have taken birth at the time when your books are available for us to read. Publication of books and their distribution was very close to your heart and you have said.

“If you want to please me, then distribute my books”. It will be my utmost endeavor in this life

that I read all the books written by you and try to understand the Krishna Consciousness philosophy

as told by you. After a gap of some time, I have taken a vow that I read your books every day

without fail and I have started reading from the book “On The Way To Krishna “. I will make a

genuine effort to distribute your books. In a true sense, I’m unquestionably a Godasa, or “a servant of the senses”, I struggle every day because I make so many mistakes because of my uncontrolled senses. In the recent times, I’m

able to complete my 16 rounds in the morning time which was not happening earlier because of various reasons and I feel that it is because of your personal reciprocation that I’m able to complete my rounds in the morning hours.

The amount of hard work and dedication that you have done to preach Krishna Consciousness worldwide is always inspiring everyone in our Krishna Conscious society and will inspire the next generations to come. You have led this mission by your personal example and there was no difference between what you spoke and what you did. It is only and only because of you and the mercy of your dear devotees and I’m able to know something about Lord Krishna. Please engage me in your service. Thank you very much, I’m your eternal indebted.

Your aspiring Servant,

Bhakta Maj Saurabh Bishnoi.

Hare Krishna Dear Srila Prabhupada,

I'm very thankful to your Divine Grace. ISCKON is a very Powerful place where I've sought many answers to a lot of questions related to birth and existence on this planet as human beings. Srila Prabhupada, your great work on Srimad Bhagawad-gita is very auspicious and wonderful to understand and from the great chanting I have gained a lot of stability and peace in my life and have been benefited, I would like to be a part of this special spiritual movement and would also like to thank ISCKON Bangalore for all the opportunity in learning about this important moment.

Your Servant,

Bhaktha Manish G Raj,

Bhakta Manish Goyal

Dear Srila Prabhupada,

Please accept my humble obeisances unto u. I am chanting 2 round of hare Krishna mantra from past 2 weeks. The lesson I learnt from Iskcon is that I am not this body i am spirit soul and please give me understanding to realise this knowledge. I am having great experience here realising spiritual knowledge and understanding our true purpose of coming in the life. By hearing from the bonafide guru I got the self realisation and good realisation. Thank You

Your Servant,

Bhakta Manish Goyal.

Dear Srila Prabhupada,

I offer my humble obeisance's unto you.

My respect towards the Krishna Consciousness Movement will always be high. I will do my best to learn more about this great movement that has changed the way in which the people from various countries think about the purpose of life. I have always been told that every person is born on this planet to perform a particular task. With your teachings, my complete outlook has changed. I now know that happiness is not something we need to wait for. It can be relished at any time and any place. Chanting the holy name of the lord "Hare Krishna Hare Krishna Krishna Krishna Hare Hare, Hare Rama Hare Rama Rama Rama Hare Hare" is so pleasing to the mind and the soul. It is true that chanting is the food for the soul. My concentration and efficiency in my daily tasks has increased two-fold and more. It is astonishing to know that by just associating with the true devotees of the lord and listening to them we become more dear to the Lord. My dear Master, I have been able to face the difficulties that come before me with ease because of the knowledge that I have gained during my time at ISKCON, Bangalore. I am indeed proud of the work done by 'Akshaya Patra'. Feeding so many children everyday is a great task. Today, I am so happy to know that 'Akshaya Patra' is providing delicious 'Love Feast' at foreign universities. Many Indians miss their food after moving abroad. By this, they are able to get back the taste of their childhood days. What a great amount of joy this brings to the students! To this I bow down to you my great spiritual master.

I am very fortunate to get a great guru like you. I request you to kindly forgive me for any mistakes that I have done with or without my knowledge. It is known that it is very difficult to get in touch with a great spiritual master. Only one in a million gets a chance to be an apprentice to a bonafide spiritual practitioner. My love for the Lord increases every single day and I now know clearly that every single good thing that happens with me is only because of the mercy of the Supreme Personality of Godhead - Lord Krishna. I feel so good while doing services in the temple. Dancing and chanting during Kirtan sessions in the evenings just feels so good. All the stressful events are forgotten. Spending my weekends at the temple

and learning something new about the Lord is the best way to utilize the weekend. Every time I see a problem that is not solveable, I just close my eyes for sometime and chant the holy name of the Lord and my problem gets solved. It is just like magic! This is the power of spirituality. I now know that the true purpose of my life is getting back to Godhead and I thank you very much for providing a platform for helping me to achieve it. I want to increase my number of rounds of chanting. Please help me in this endeavour. You will always be there to guide me through the books that You have written. Hare Krishna! Hari Bol! Srila Prabhupad ki Jai!!!

Your humble servant,

Bhakta Manish M.

Bhakta Manjunath H R

Dear Srila Prabhupada,

Thank you for all the things that has happened during the past year. Some events taught me lessons and some became experience. Kindly Bless me for all my new ventures Prabhu. All glories to you Prabhu.

My beloved Srila Prabhupada,

Hare Krishna Prabhu. Please accept my respectful obeisances unto your lotus feet. O prabhupada 'I have been chanting 8 rounds of Hare Krishna Mantra for past 6 Months. Thank you for giving me the holy name and to descend on my tongue. I have learnt from Bhagavad Gita that I am not this body, I am spirit soul. Please give me intelligence to realize and act on the spiritual platform. I also learnt from Bhagavad Gita to stop all the karma by surrendering to Krishna through bonafide spiritual master. Please engage me more and more in your devotional service and make me remember Krishna at the time of my death.

Your Servant of Servant,

Bhakta Manjunath Reddy.

Hare Krishna Prabhu,

Please accept my humble obeisance, All Glories to Srila Prabhupada,

Srila Prabhupada I am thankful to you for giving opportunity to serve Lord through ISKCON organization. I'm thankful for you giving us great essence of Vedic wisdom through books and associations and making me understand the real meaning of life's existence. I am thankful to you that you have given opportunities to visit holy dhams and engaged me in distribution of your transcendental books. Srila Prabhupada you have given me all possible opportunities to serve Lord in best means. I am thankful to you because only by your mercy I am eligible to chant holy names of Krishna. Prabhupada please bless me that I can serve ISKCON organization to the best of my capabilities. Please give me the strength to chant holy names of Lord even at the worst material illusory situation.

Your Servant,

Bhakta Manjunath Sadashiv Sonar.

Bhakta Manjunatha

Dear Srila Prabhupada.

I offer my humble obeisances unto your lotus feet. Srila Prabhupada, it is clearly evident from your actions and teaching that you had appeared on this planet for no other purpose than delivering the highest benediction to the lowest of the humans. And this is what we generally preach that your Divine Grace has come to this materials world to take us back to Krishna. Taking responsibility of millions of surrendered souls, having a unique personal relationship with them and paving their way back to godhead is something that only an empowered representative of the Supreme Lord can do. In one letter to a disciple you had written, " I thank all of you very much for accepting me as your spiritual master, and I Promise that I will take you back to home, back to Godhead, I ask you all to promise me to always chant at least 16 rounds, follow the regulative principles, read our book and try to preach this Krishna Consciousness movement all over the world".

Please bless me that I never forget the spiritual benedictions given by you and honour them well by following your instructions. But due to my frailty, I am unable to keep up their faith. Please bless me

Your unworthy Servant,

Bhaktha Manjunatha.

Bhakta Manjunatha Yeldur K

My dear spiritual father Prabhupada,

Last five years back I was in the darkest ignorance and my spiritual master You opened my mind and eye's with the touch of spiritual knowledge. I offer my respectful obeisances to lotus feet of my spiritual Master.

I am suffering in my life like I was floating in a ocean that time I observed our HAL Krishnashrya devotes are taking ISKCON prasadam. One day I think Apr 2013 I went there asked to senior devote and take prasadam. That day our devotes told about Sri Krishna, Sri Prabhupada and chanting the Holy name of Lord Krishna. That day itself my mind feelings some extra happiness. That day onwards I am daily attending the classes, chanting Hare Krishna Mahamantra and taking Krishna prasadam.

Because of Yours causeless mercy I and my family was very happy. I know Bhagavad Gita is not an ordinary Purana book. How it is essential to human life. It is manual for human life. I know we are not physical body we are the spiritual soul. I know the five things explained in the Bhagavad Gita are Isvara (the supreme Lord), Jiva (the living entity) Prakrit (nature), eternal time and karma(activity). And I know what is our life aim where is my permanent place and how we can go back to our permanent home that is Goloka Vrindavana. There how we can serve the Supreme Personality of Godhead Krishna. I am telling Hare Krishna Mahamantra and Sri Krishna stories to my family members and friends and I got the life time membership in ISKCON Bangalore with the help of my senior devotes. I am also participating in Books Marathon and monthly once I attending main Temple maha mangala arathi with my family members. I got every day Krishna prasadams and every Thursday Sri Krishna Sankeertan at Yellamma Temple.

Dear Prabhupada, I humbly requesting to You give me the energy to chant Hare Krishna Mahamantra " Hare Krishna Hare Krishna Krishna Krishna Hare Hare, Hare Rama Hare Rama Rama Rama Hare Hare " and doing practical devotional service to Lord Krishna, by Your mercy only I can able to do the spiritual activity. Please Prabhu give that energy to me.

Thank You,

Bhakta K Manjunatha Yeldur.

Bhakta Manohar Joshy

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet.

I thank you for keeping this insignificant soul still in Krishna Consciousness. Through association of your disciples and devotees I have been able to progress in KC. When I look back I see a lot of occasions when there were challenges of staying in KC. But the firm faith in your instructions helped me in overcoming these challenges. You used to say that it is duty of persons who are serious of spiritual progress, to approach a bonafide guru. As stated in Mundaka Upanishad [1.2.12]: tad-vijñānārtham sa gurum evābhigacchet samit-pāṇiḥ śrotriyaṁ brahma-niṣṭham

“To understand these things properly, one must humbly approach, with firewood in hand, a spiritual master who is learned in the Vedas and firmly devoted to the Absolute Truth.” [Translation from SB 4.28.65 Purport].

Only a pure devotee like your divine grace can show others the path to Vaikunta. O spiritual master I humbly request you to keep this fallen soul at the dust of your lotus feet. I pray to you to keep me steady in front of new challenges that I face.

Your Insignificant servant,

Bhakta Manohar Joshy.

Bhakta Manoharan Subbu

My Dear Guru Maharaj Srila Prabhupada,

I Pray at your repeatedly for bring my Spiritual Master and guiding me in making progress in my Krishna Consciousness objective. I am one of the very fortunate soul, not necessarily one of the deserving souls, to take to this path. It is because of your and Sri Krishna's causeless mercy that I am able to do so. My dear Guru Maharaj, I want to acknowledge the difference you are making to my life, day after day, when I look back over the last few years. I am not articulate enough to bring out fully what I feel in words. Some of what has happened to me or what is happening to me is validation enough: Taking up Seva for Lord Krishna, any form of seva, whether it is book distribution or events like Janmashtami are much more joyful than achieving any material goal. It is more interesting to talk about Krishna to family, friends, colleagues and associates than any other subject; Lord Krishna and you (Srila Prabhupada) invariably become part of such discussion on many occasions.

It is amazing to see solutions emerge even before the problem arises, even in a supposedly competitive Office IT environment (for me personally). I am sure, all these would have been impossible but for your causeless mercy. I would pray at your lotus feet to continue to show your mercy on this most fallen soul, so that I may have the privilege of being a dust at your lotus feet on some day. I can clearly see that I am not capable enough to absorb the mercy you shower on me. I hope with your continued blessings, I can improve my endeavour to absorb your mercy more and more.

My dear Guru Maharaj, all your books are certainly a source of inspiration for me. It is the book “Science of Self Realization” that motivated me to take up book distribution to prisoners last year. I have made some baby strides to reach out to the under-privileged student community in Govt schools by helping them read about Krishna by way of story books. We need your causeless mercy to make this initiative into a larger exercise to reach out to all primary and middle schools of Karnataka in the coming years.

My dear Guru Maharaj, I feel I owe everything of what I am today to you and Lord Krishna. You have guided me through difficult times both in my personal and office life. How will I ever repay for the causeless mercy you have shown on me? I feel I do not have the strength and always look up to you to bless me and guide me through. I pray to Lord Nithyananda ardently, so that I will be eternal servitor to my Guru Maharaj Srila Prabhupada who is the eternal servitor of Sri Sri Radha

Krishna. My dear Guru Maharaj Srila Prabhupada and our Lordship, I pray at your feet again and again to shower your causeless mercy on me and bless me with your personal service.

Guru Maharaj Srila Prabhupad ki jai.

Your Servant,

Bhakta Manoharan Subbu.

Bhakta Manoj

All Glories to your Divine Grace Srila Prabhupada,

Please accept my humble obeisance. The name itself says Krishna's Lotus feet. Yes of course you are Krishna for me, It's been one and half year I came in touch with ISKCON my life was on a different track I never thought one day I will come and work for ISKCON my friends started pulling my leg saying that I work for temple instead of big companies some where I used to think yes I think I am in a wrong path. Later, days went on I started to believe your words that this life what I am living is fake there is another world where your real father is waiting for you that is Krishna. I also started thinking why am I here why did Krishna sent me here and with the help of associations of devotees I got the answers. Your teachings were so real that this is not the body one who surrenders to Krishna they will be liberated immediately from this material world, and to always remember Krishna in this Kaliyuga lord is freely available in Shabdha Rupa that is sound form the holy words are.

Hare Krishna Hare Krishna Krishna Krishna Hare Hare,

Hare Rama Hare Rama Rama Rama Hare Hare. Which means

pleasing lord save me from this material world, This Hare Krishna Mantra controls the mind, instead of letting it control us also this is the only mantra which can save one's life in this Kaliyuga. I gained lot of respect towards you after hearing the story of how hard your path was at the age of 70 you were spreading Krishna's lessons throughout the world, No. This is not an ordinary job and it cannot be achieved by an ordinary person you are someone else I would say Krishna himself sent you as a messenger. I thank you from the bottom of my heart to sharing this Krishna's knowledge in fact you are the real Guru an eye opener. How did Krishna Consciousness impact in my life? After joining ISKCON with the help of Association of devotees after just 2 months I started to chant 2 rounds and involving myself more in various association came to 6 then currently I am at 8 rounds I will improve myself by remembering, involving more in Krishna's services and also I have started reading SSR it is in a delay mode quickly I will start reading effectively I will make it as a hobby. Dear Srila Prabhupada, I Thank you for coming in my life and awakening The Krishna Consciousness in my heart and for the Hare Krishna Movement and making me one of the friends of lord Krishna.

Your Servant.

Bhakta Manoj.

Bhakta Manu BJ

Dear Srila Prabhupada,

Please accept my humble obesiances at your Lotus feet.

Srila Prabhupada if at all I have great interest in visiting holy Dhams Like Mayapur and Vrindavan it's only after you brought me to Krishna Consciousness because before coming to Krishna Consciousness I was not so interested in visiting them. And in recent past I have seen myself being so fascinated about the raising of Athi Varadaraja Swamy at Kancheepuram. It's all because you brought me to Krishna Consciousness and saved my life. Srila Prabhupada somehow or other I have not been chanting, nor reading nor following regulative principles strictly. Please give me the strength to follow them strictly

and be steady in consistently practicing them. By doing them I may be able to surrender to you and Krishna sincerely. If I continue not follow them strictly then I will never be able to come out of the bodily conception of life. Please save me from these bad habits which continuously haunting me.

So I am again requesting you to please give me enough strength to chant 16 rounds , read your books ,hear your Vani and engage in devotional service regularly. So that I will be able to give up all my bad habits and make tangible steadfast progress. Which so far I have not been able to do consistently.

Your Servant,

Bhakta Manu Jagannath.

Bhakta Manudeep Kumar

Hare Krishna Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet.

I am very grateful and thankful for your hard work and struggle, because of your effort I came in touch with Krishna consciousness and taken a tiny step in my spiritual practice. I request for your mercy on me to still progress in spiritual practice and chanting.

Your servant,

Bhakta Manudeep Kumar.

Bhakta Markandey Singh

Dear Srila Prabhupada,

Please accept my heartfelt obeisance at your lotus feet. All glories unto you, the dear most associate of Lord Chaitanya Mahaprabhu. My Dear Srila Prabhupada, this is the most auspicious day, the day of your appearance, the best day to glorify your transcendental qualities, which are hidden treasures manifesting your pure devotion. Prabhupada, I listen to your audio/video lectures, your command of sastra is amazing. It's all at the fingertips of your mind. The way you speak and recite the sastra, I am sure you were seeing these things, not from the archives of your memory but rather from the core of your heart. The same can be said for your command of slokas. You were singing and quoting bhajans with considerable ease. Slokas, bhajans and the exalted prayers from our tradition seem to have built their nests on your tongue.

Prabhupada, you use some harsh words in your lectures and earlier I was not able to digest that, however now I see that it is required because we are so fallen that we can't understand and follow the simple words what Krishna tells in Bhagavad-Gita. I see all your characters are matching with Sri Sri Gurvastaka Written by Srila Visvanatha Chakravarti Thakura.

*sri-radhika-madhavayor apara-madhurya-lila-guna-rupa-namnam,
prati-ksanasvadana-lolupasya vande guroh sri-caranaravindam*

The spiritual master is always eager to hear and chant about the unlimited conjugal pastimes of Radhika and Madhava, and Their qualities, names, and forms. The spiritual master aspires to relish these at every moment. I offer my respectful obeisance unto the lotus feet of such a spiritual master. Gurudeva, I am so fortunate to receive protection and guidance from you. Your strength is a transcendental force, I can only watch and hear from you, and witness your impact on thousands upon thousands of lives. I can marvel as you take care of people's bodies while simultaneously taking care of their souls- a function of the eternal taking place in the now. Thank you Gurudeva for giving the below understanding, I see most, so called intellectual people in this material world they don't know.

- (1) The good fortune of a human birth.
- (2) Krishna is the Supreme Personality of Godhead.
- (3) Genuine spiritual dharma compared to compartmentalised religion.
- (4) The futility of struggling for material goals in this temporary material world.
- (5) The process for achieving real happiness in this very life.

Dear Prabhupada, I am doing 16 rounds of chanting, however, I am struggling to do a quality round of Japa and read your books. Srila Prabhupada, remembering you and doing even small service to your mission gives solace to the heart afflicted by material existence. Your form is the embodiment of attachment to Krishna. You are the source of strength that will keep me pure. Thank you very much.

A servant of your servants,

Bhakta Markandey Singh.

Bhakta Marutesh

Dear Srila Prabhupada,

I offer my respectful obeisances unto your Lotus feet.

You are the Pure and beloved devotee of Lord Krishna. You taught us the principle of life, how to face challenge you us how to be responsible human being., HARE KRISHNA MAHA MANTRA , which is very powerful and you spread it across the globe and helped many people to come out of sufferings simply by chanting Hare Krishna maha mantra. Many people are leaving happy life simply by following your principles. You have given perfect knowledge to all which helps in our daily routine. You are the source of knowledge. Words are not enough to express our inner feelings for knowledge you have provided for us. hope you will fulfil my desire to be a part of your mission.

Your Aspiring Disciple,

Bhakta Marutesh.

Bhakta Mayank Gupta

Dear Beloved Srila Prabhupada,

Please accept my humble obeisances in the dust of your lotus feet. All glories to Your Divine Grace.

Thank you for coming to this world to save us in spite of the tremendous difficulties and obstacles which you had to face alone, depending solely on the mercy of the Supreme Lord Krishna and your eternal spiritual master, Srila Bhaktisiddhanta Sarasvati Thakura. In this age of Kali where everyone is fallen in sinful activities, where everyone thinks about fulfilling their materialistic desires there you came as fire in the dark jungle which has no life. Your appearance not only removed the darkness of myth that we are this body but also purifies our heart with your transcendental knowledge. You as a fire and light illuminates from that fire give us the true meaning of our life i.e. to get liberation from this materialistic world and go back to the lotus feet of godhead in Vaikuntha.

Srila Prabhupada, it is because of your effort we have Krishna conscious in our lives. As a spiritual master you are always interested in our spiritual growth. Your teaching helps us to face our challenges in spiritual path. You are one and only captain of our ship which progress towards Krishna consciousness. You take care of us in during times of difficulty in our materialistic lives by providing spiritual knowledge, everything being temporary, our main motive is to serve Krishna. Srila Prabhupada, by following principles you have instructed to us fallen souls, I can sense that my life is becoming successful both materially and spiritually. But sometimes we fall prey to materialistic things and forget about Krishna's and yours glory. Kindly bless me Prabhupada, so that I can always act according to your prescribed methods because you only can

take me out of this birth-death cycle of life and engage in pure devotional service of my Supreme Lord, Krishna. Bless me Prabhupada, so that I can serve your devotees who are nothing but servants of servants of Krishna and you. Because from what I have heard and read from authorized sources, there is no difference between Krishna and Spiritual master. Krishna only have descended in your form to take us back to Him.

Kindly help me in engaging myself more and more in Krishna's devotional service so that I can serve Him and You will all of my heart. So that I can get detached from this material sufferings and purify my conscious by remembering His Holy Names and Past Times.

Your humble and miserable servant,

Bhakta Mayank Gupta.

Bhakta Milan T M

My Dear beloved Srila Prabhupāda,

Please accept my humble obeisances unto the dust of your lotus feet.

All glories to you on this most auspicious day of your Vyāsa-pūjā. Your whole movement is remembering, glorifying, and worshipping you today as you are most bonafide representative of Lord Krishna and the disciplic succession. It is that most special moment when all your sincere disciples and other followers re-dedicate themselves unto you and confirm their commitment to surrender themselves unto the Supreme Lord under your benevolent guidance

The knowledge we derive from reading your books convinces us to surrender to the Supreme Lord and chant His holy names, Hare Krishna Hare Krishna Krishna Krishna Hare Hare/ Hare Rāma Hare Rāma Rāma Rāma Hare Hare.

Your Humble Servant, Bhakta Milan T M.

Bhakta Milind Agarwal

Dear Srila Prabhupada,

My obeisances unto you, I am heartily thankful to you that I came into contact to your merciful disciples who are seriously following Krishna consciousness and mercifully helping others to be Krishna conscious. Due to your mercy I am living in association of the devotees in FOLK residency and able to perform Sadhana under their guidance. I have been fortunate to go on various FOLK expeditions which gave me a better understanding of spiritual life. Due to your mercy I have been to various Dhams and have taken dip to various sacred rivers.

Dear Srila Prabhupada, please always continue to shower your causeless mercy on this fallen soul and keep giving me opportunities to serve you and lead my life towards the progress in Krishna consciousness.

Your Eternal servant,

Bhakta Milind Agarwal.

Bhakta Mithil Sai

Dear Srila Prabhupada

Please accept my humble obeisance, all glories to you on this auspicious day of your appearance.

To my beloved master srila prabhupada, you had been me so humble, even when I have been doing sinful activities, through your grace you dragged me out from this material entanglement , and showed me the path of absolute knowledge through Krishna consciousness. If in this world if saying thanks would have cleared each other deeds then saying thank would have

been enough , my thanks is very small in front of your humbleness if I have to please you then it is possible to surrender under you lotus feet and following your teachings. Mother gives birth to a child it's natural process ,but a spiritual master through the grace of lord give the rebirth to whole humankind through his teachings , his service to lord by spreading the transcendental knowledge, similarly srila prabhupada you have gave me rebirth to me ,you made me know that for what reason I have came to world and showed the path towards supreme soul .

Two things are very important in the man kinds life ,one the day he is born and second, the day he knows why, first one is carried by mother , and second was carried by you prabhu , I have experienced so many times when a child is walking ,if any obstacles in the path the mother will carry the child towards other hand , in this materialistic world I would never say that I have crossed the obstacles , it was you who were present all the time with me and when any obstacles encountered you have carried me ,and took me towards the feet of lord. Through your grace and your teachings anyone can forget the materialistic world and surrender to Krishna , through your teachings the world is been saved day by day from the path of graveyard,through your grace and your idea so many people stomach have been filled with love, thank you to the divine master of whole world srila prabhupada for your teachings, and my service would always be under your feet and rendering services in Krishna consciousness.

Your humble servant,

Bhakta Mithil sai.

Bhakta Mohan

Dear Srila Prabhupada,

Please accept my humble obeisances, All glories to you. Before coming to ISKCON i didn't know about Srila Prabhupada when came to ISKCON unfortunately I think its decision of Krishna to come the temple and after coming to ISKCON i found little changes my self and i got spiritual knowledge and i got opportunity to connect spiritual persons and prabhu when i was chanting hare Krishna mantra gives spiritual connection,feeling good, by prabhus I know little stories about Krishna and Srila Prabhupada [how beggar becomes best book sellers], feeling blessed with to spent time with Gunakara prabhu in farm in mandikal.

Your Humble Servant,

Bhakta Mohan.

Bhakta Mohan Krishna

Dear Srila Prabhupada,

Please accept my humble obeisances at the dust of your lotus feet.

Thanking you with my life is not enough for recruiting me into the army of Sri Chaitanya Mahaprabhu although I do not have any qualification and for making me beneficiary of your missionary activities. It is just by your mercy that I am where I am as I do not have intelligence to analyze, compare and contrast different philosophies and take up Krishna Consciousness. If you have not taken your Spiritual Master's order as your life and soul, I would not be taking darshan of Radha Krishna daily and rendering service to them through you. If it wasn't for you, I could have never known the mellows in the songs like Radha Krishna Prana Mora which can even melt the hearts of non devotees. You have come as a soothing and pleasant spring to make flowers of devotion blossom in our hearts.

You have revealed to us the pure devotional service brought down by the Acharyas in disciplic succession. My designation of Rupanuga is your blessing. Please bless me get rid of other designations. If you have not fulfilled the prophecy of Bhakti Vinod Thakur, I would not be knowing the beautiful forms of Chaitanya Mahaprabhu and Nityananda Mahaprabhu. Your pastimes are unlimited. Please bless me that I get taste in HariNama, that I get blessings of all Vaishnavas by taking

association and inspiration from them, that I can get rid of the anarthas I have acquired through my lives. Please bless me that I can truly practice “amanina manadena” and never forget or neglect to be grateful to you and the vaishnavas. Please bless me that I do not forget how fortunate I am to be in the community of Vaishnavas who help in my spiritual progress. I hope I can keep my consciousness in right state by your Mukha Padma Vakya. I wish my faith and conviction at your lotus feet increases continuously. I seek strength from you to fight the demons of familiarity and duplicity. I beg you to bless me that I will be able to simply repeat your words and serve your preaching movement.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories unto your lotus feet. The material world which is filled with sinful activities where you came to teach me how to erase all the sinfulness filled in our life just by constantly meditating upon the holy names of Lord Hari. Srila Prabhupada, you crossed the ocean and landed in the West. You transformed the hippies by giving them all Krishna Prema and making them happy. All glories unto you. You single handedly travelled to the West with trust on Lord Krishna, on the order of your spiritual master only for delivering the message of Godhead without claiming any credit for yourself. All glories unto you. It is said that without the mercy of Guru we cannot see the Lord or get connection with the Lord. Although we may get a Guru but he must be bonafide Guru. For instance, we board the train to reach our desired destination but the train we board actually doesn't take us to the desired destination, then we can't reach our destination. Similarly we should find the bonafide spiritual representative who had come from disciplic succession directly from Krishna and luckily, I had got your blessings where you showered your mercy upon me by making me your disciple.

Srila Prabhupada, I was getting compressed in the material world by serving the karmi's who always claim credit for themselves. You taught me the actual purpose of human life is to serve Lord Krishna. By your grace, I am associating with your ISKCON Bangalore temple. By your blessings, I had been given little chance to do some devotional service for the pleasure of Lord. You showered your mercy upon this fallen soul. You have said that you live by your books and I got an opportunity to distribute some of your book to other souls who are searching for the truth and they have started to read some of your books. I am also starting to read Srimad Bhagavatam 1st Canto, all because of your little mercy upon this fallen soul. On your 123rd Vyasa Puja, I pray that you always bless me by giving me strength to overcome all obstacles to the path of Godhead.

Your humble servant,

Bhaktha Mohan Kumar.

My Beloved Srila Prabhupada,

Please accept my respectful obeisance under your Lotus feet. Regarding the influence of Srila Prabhupada in my spiritual growth. Before started working here in Bangalore, I was studying in Chennai. At that time I was fully influenced by Maya and I was working only for achieving my materialistic goals. After started practising Krishna conscious and started reading Prabhupada's Books. After reading the books, I came to know that spiritual growth is the most important thing in this kali yuga and Krishna conscious is the only way for getting rid of Maya. We offer our obeisance to our spiritual master who through his books is always filling our thoughts with the Nector of the pastimes of Krishna. Our divine grace has given us the basic principles of Bhakthi.

Our spiritual master srila prabhupada says that he is the servant of, servant of, servant of Krishna. The most important quality that I've learnt is the discipline and courage. Our beloved Srila Prabhupada has taught us a lesson that age is no barrier for a human to spread Krishna conscious to everyone. I was born in the darkest of ignorance and my spiritual master has opened my eyes with the torch of knowledge. I offer my respectful obeisance under your Lotus feet. Please bestow some Krishna Prema on me. Thank you so much.

Yours humble servant.

Bhakta Mukesh.

Dear Srila Prabhupada,

Please accept my humble obeisances unto your divine lotus feet. Many thanks my dear master, for removing my ignorance and bringing me under the shelter of of your lotus feet, and engaging me in your service and our dear Lordships, Sri Chaitanya Mahaprabhu and Sri Sri Radha Krishna. Please let this mercy flow upon me forever.

My dear Lord, it is said in the scriptures,

brahmāṇḍa bhramite kona bhāgyavān jīva guru-kṛṣṇa-prasāde pāya bhakti-latā-bīja

“According to their karma, all living entities are wandering throughout the entire universe. Some of them are being elevated to the upper planetary systems, and some are going down into the lower planetary systems. Out of many millions of wandering living entities, one who is very fortunate gets an opportunity to associate with a bonafide spiritual master by the grace of Krishna. By the mercy of both Krishna and the spiritual master, such a person receives the seed of the creeper of devotional service (CC Madhya 19.151).”

My dear Lord, out of your causeless mercy, you have given me shelter at your lotus feet, but I still fail to understand its true value. Please bless me to develop value for this from the core of my heart. My dear Lord, your Bhaktivedanta purports preach about the urgency of making this life successful. You also preach about the importance of Guru in spiritual life.

ācāryaṁ mām vijānīyān navamanyeta karhicit, na martya-buddhyāsūyeta sarva-deva-mayo guruḥ

“One should know the ācārya as Myself and never disrespect him in any way. One should not envy him, thinking him an ordinary man, for he is the representative of all the demigods (SB 11.17.27).” But, I feel I don't have any Guru bhakti, surrender. My dear Lord, please bless me to do my early morning sadhana nicely. My dear Lord, please clear up my confusion and direct me in the right direction on my diksha. My dear Lord, please make our families your devotees as it is my responsibility to make them your devotees. On this most auspicious day of your divine appearance, I beg for your mercy so that I can serve you sincerely by giving up my independent mentality and lethargy.

Actually, a true disciple incessantly glorifies his spiritual master, as he understands and recognises the contributions of his beloved master in reforming his life. Not glorifying spiritual master is also one of the offences in the sixty four offences of deity worship. But, I am so unfortunate, that I am struggling to glorify you on this special day. This shows my fallen position and casual approach towards a life time opportunity which is provided to me by your causeless mercy. My dear Lord, please give me Guru bhakti, surrender, energy, enthusiasm, patience, determination, and taste to do nice seva, sadhana, tapasya for your pleasure.

My dear Lord, please bless me that I follow your instructions very sincerely. My dear Lord, please forgive and correct all the offences I have committed at your lotus feet. Once again, many thanks my dear Lord, for everything you are doing for me.

Your Insignificant servant,

Bhakta Mukunda Chaitanya Akkali.

Divine Grace A C Bhaktivedanta Swamy Srila Prabhupada,

Dear Guru Deva,

Please accept my humble Obeisance unto your lotus feet. On occasion of 123rd Vyasa Puja Day, I thank you so much no words to write -for your kind mercy and blessing showered on to this fallen soul. 5 year old Little Prince – Dhruva maharaja gets the Dharshan of the Lord after 6 months of Tapsaya (Austerity) in the forest.

A Lecture by His Holiness Stoka Krishna Swami maharaj on 24th March 2019. @Udupi, Pajaka Kshetra – Birth Place of Srimad Madhwacharya On the occasion of Sri Chaitanya Sambhramostava, Udupi 2019.

Little Dhruva Maharaj asks the Lord in 6 months of Tapasya I got your Dharshan. How? Lord; shows the big mountain full Skull, Bones, Skeleton tells Little Dhruva this all belongs to yours Of many many past Birth It's not in 6 months of Penance; Tapasya you got the Dharshan, its many many Births before You are doing Tapasya, Austerity. But you got My darshan in this life. Little Dhruva Maharaj again asks the Lord, Why is that I got your Darshan in this life and not in many many previous Birth. Lord: Its because in this life you got the Guru Mercy, You met the Spiritual Master Sri Narada Muni and followed the Spiritual Master Instruction.. And where as in many past millions of Birth you did not got the Guru Mercy. I thank Srila Prabhupada being our Spiritual Master given me the Guru Mercy in this life. Without Guru Mercy I would have not come in touch with Temple association, Temple Activity, Taking Lord Darshan, Attending Class, Doing Chanting, Devotees Association and more important honouring the Lords Prasadam.

Offering my humble prayer and seek mercy, Strength to follow your instruction - 4 regulative Principle, do 16 rounds chanting, Read SP Books. Engage in Temple service. Thank You.

Your Servant,

Bhakta Mukundan.

Dear Srila Prabhupada,

Please accept my humble obeisances unto your glorious lotus feet which are the soothing shelter for all those who are feeling the heat of scorching material suffering.

I beg your mercy to be able to suitably offer this glorification unto your divine grace on this most auspicious day of your appearance. Ananta is signing the glories of supreme lord Krishna with his unlimited mouths for an unlimited span of time yet he never finishes singing it for, the glories of the lord are unlimited. In the same way, even if all your faithful devotees continue to sing your glories, we would never reach its end, for; the glories of a pure devotee such as your divine grace are unlimited. Your divine grace once said “Guru is the mercy incarnation of god. Even though Lord Krishna is kind to everyone and giving guidance from within, to make it more explicit, he has sent your divine grace who is his mercy incarnation. Every moment am experiencing the working of your ‘mercy wand’ in my wretched life.

At seemingly difficult situation of ripe old age and with no money in hand, your divine grace went to the west where no one has ever heard of “Krishna”. You untiringly circle the globe fourteen times to deliver Krishna to unlimited fortunate souls. Am experiencing delight every moment is through the unlimited varieties of spiritual enjoyment - Prasadam, Kirtan, Service, deities, holy name, books, association, festivals, preaching etc. It is unimaginable if not for your unlimited blessings upon us, Dear Srila Prabhupada; I would have never known what is real happiness and goal of life. This is a very special year to me as by your grace and unlimited causeless mercy, you blessed this poor unqualified soul with great boon and opportunity to service your lotus feet full time. Through spiritual authorities you guided this unqualified servant to take up this path. For this, am indebted for your mercy. I beg unto you full fill this desire of mine that I never leave the shelter

of your divine grace. Let me never be forgetful of you and your unlimited glories, mercy, potency and blessings. Please keep me always in your shelter and service. I pray to you to bless me with strength, intelligence and humility to be part of your glorious mission and be instrument in your hand to preach message of Sri Chaitanya Maha Prabhu and bring new souls under you shelter.

Thank you Srila Prabhupada.

Your Unworthy servant,

Bhakta Munikrishna.

Our Dear most spiritual master Srila AC Bhakti Vedanta Swami Prabhupada,

I offer my respectful and humble obeisance's unto you.

First of all, I would like to thank from the core of my heart for giving a very rare opportunity to a fallen soul like me to offer my homage offering on this auspicious day of Vyasa pooja. Our dear Spiritual master!! You were the chosen one to execute the mission of spreading the holy message of Sri Chaitanya Mahaprabhu across the globe to liberate billions of conditioned souls from the clutches of Maya and involving them in the devotional service of Lord Krishna. Because of your causeless mercy and sacrifice you were able to distribute the message of Krishna Prema to entire world and setup ISKCON centres all over the world. Any devotee who reads the book Srila Prabhupada Lilamrita by Mukunda Goswami would realize that this is in no way a normal achievement which was possible only with your dedication and determination along with the mercy of your spiritual master Srila Bhakti Siddhanta Saraswati Thakur, Sri Chaitanya Mahaprabhu and Lord Krishna Himself. Thanks a lot for your causeless mercy.

As you have mentioned during one of the morning walks that you would be living through your books even after leaving this material world, many fallen souls like me are able to take advantage of spiritual knowledge from your books mainly Srimad Bhagavat Gita As It Is and Srimad Bhagavatam and step into the transcendental path of Krishna consciousness.

om ajnana-timirandhasya jnananjana-salakaya caksur unmilitam yena tasmai sri-gurave namah

“I was born in the darkest ignorance, and my spiritual master opened my eyes with the torch of knowledge”. My dear spiritual master, this verse is very true in my life. With the knowledge that you provided me I am slowly progressing in the Krishna Bhakti. May I plead your respectful and merciful self to grace me service unto you, Vaishnava Acharyas and Lord Sri Sri Radha Krishnachandra.

Your humble and devoted servant,

Dear Srila Prabhupada,

Please accept my humble obeisance's at your lotus feet,

It is my great fortunate and your causeless mercy this fallen condition soul came to the Krishna consciousness. This process is the only way to achieve the higher purpose of this human life for go back to godhead in the eternal life.

Our Krishna consciousness is not only easy way but achieve to love of Godhead It is the ultimate way to attain perfection of the life. This process is very simple and anybody can execute in their life and achieve the success.

Thank you for given the opportunity to do render small devotional service to lotus feet of Krishna and his devotees.

Dear Srila Prabhupada!! Please keep me always on your shelter and bless with your personal service to attain the aim of life.

Your humble servant,

Bhakta Navaneethakrishnan.

Bhakta Naveen Krishna

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet.

As the years pass trying to practice Krishna consciousness, I realise more and more how completely dependent I am on You. I feel like You are always pulling me along the pathway of Krishna consciousness. Time and again You do whatever it takes to pull me out of Maya and engage me in Krishna's service, yet for some reason or the other I foolishly and stubbornly keep crawling back to Maya. No matter how many times I fail at trying to serve You or do things in an improper mood, You are always more than willing to give me another chance. Your great level of compassion and tolerance for the fallen conditioned souls is beyond my comprehension.

Shri Caitanya Mahaprabhu confirms ...CC Madhya 19.151

"According to their karma, all living entities are wandering throughout the entire universe. Some of them are being elevated to the upper planetary systems, and some are going down into the lower planetary systems. Out of many millions of wandering living entities, one who is very fortunate gets an opportunity to associate with a bonafide spiritual master by the grace of Krishna. By the mercy of both Krishna and the spiritual master, such a person receives the seed of the creeper of devotional service."

I sometimes wonder how a rascal like myself ever came into contact with a bonafide spiritual master, like Your Grace. Everything is due to Your mercy alone. On my own I am incapable of anything. Yet, foolishly I forget this and use whatever little independence I have improperly. All I can do is try to overcome this false pride by falling at Your lotus feet and begging for Your mercy and blessings, for without Your mercy I am nowhere and there is no hope for me. Please Srila Prabhupada, help me to overcome all these material attachments, impure motives, anarthas within my heart and help me to understand what is holding me back from fully surrendering myself unto Your lotus feet. Srila Prabhupada you told your disciples, "You mentioned that your pathway has become filled with stumbling blocks, but there are no stumbling blocks, I can kick out all those stumbling blocks immediately, provided you accept my guidance. With one stroke of my kick I can kick out all stumbling blocks.",

I have full confidence that You & devotee's will help me kick out all the stumbling blocks, provided i hold your hand by accepting your guidance & instructions You have given us. Since I request Sacitanaya Prabhu & my folk guide Hemanga Chaitanya Prabhu to help & guide me to become your empowered representative. Please Srila Prabhupada, despite my innumerable disqualifications, please always help me to remember and implement Your instructions, and keep me engaged in Your service and safely under the shelter of Your lotus feet. Please help me to get rid of my false sense of independence and help me realise that real independence lies in surrender to the lotus feet. So on this most auspicious day of your Divine Appearance in this material world, I fall at your lotus feet and beg for your shelter and mercy. Please help me realise that, I have no qualification for pure loving service, other than your mercy and make this servant one who's made of nothing other than this mercy alone. Srila Prabhupada, I pray to you that I develop my love for Krishna and become a useful tool in spreading this wonderful Krishna Consciousness movement. All glories to Srila Prabhupada.

Yours Aspiring Servant, Bhakta Naveen Krishna. B.R.

Dear Srila Prabhupada,

Please accept my humble obeisance at your divine lotus feet.

All glories to you on this auspicious appearance day of your divine grace. Like representative of Srila Vyasadeva, you have explained the original teachings of Srila Vyasadeva in your purports. There are two kinds of people who exist in this world – the educated class and the uneducated class. The educated class of people are formed by your teachings. In Krishna consciousness movement even uneducated is converted to an educated. On the other side, the uneducated people are those who are behind material things and sense enjoyment. On this auspicious day, I humbly request you to shower blessings on me to continue your mission. I beg you to give me the inner strength to always be in this movement. I want to remain under the shelter of your lotus feet and to be your humble servant.

Your servant,

Bhakta M Naveen Kumar.

First of all my humble pranams on the lotus feet of Srila Prabhupad, our beloved spiritual master.

The homage which I am submitting this time is very special to me. Because I am perusing initiation. I am aware that without the causeless mercy of Guru and Gauranaga even a blade of grass won't move. So I am praying here to bestow Srila Prabhupad's mercy upon me. With the mercy of prabhupad nothing is impossible in this world or beyond. Once I started my chanting with one round of mahamantra. Due to the association of devotees and Prabhupad's books, I got convinced and increased my chanting rounds. Before getting connected with ISKCON I was not aware of the importance of Sadhu sanga. I was thinking one can individually advance spiritually. But Now I am able to realize the need of association with saintly people who are following the guru parampara. It's our luck that we got an opportunity to get connected with an acharya like Prabhupad. Who is coming under the disciplic succession of Krishna, Vyasa, Narada etc. This material life is

too troublesome and there s a danger in every step. Just by following the instructions of Prabhupad one can easily cross the ocean of material existence.

Among people always they have a doubt in the supremacy of their Lordships. Prabhupad's lectures and his books can really clarify these doubts. If we don't have clear understanding, people may go in wrong direction even spiritually. Many will approach God for better advancement in material life Prabhupad's books clearly explains the purpose of life and how we can make the life meaningful.

Prabhupad's principles/vaishnava etiquites are not too tough. One can easily follow them with daily practice. For that we should be enthusiastic and patient. I also realized that if we have interest in devotional services, Krishna will make all the necessary arrangements. When I am chanting 1 round, I used to think how ISKCON devotees are chanting 16 rounds. Now I came to know chanting 16 rounds is possible with the mercy of Prabhupad. Even one can chant more rounds if Krishna/guru allows. We should surrender to guru/Krishna. So that they can direct us properly to advance spiritually.

I am glad that for the past 2 or 3 years I got an opportunity to distribute Prabhupad's books. I came to know more about chanting and Krishna consciousness through Prabhupad's books. So I thought let me try to spread this message to others (Don't know whether I am capable). By giving a mantra card or explaining about Krishna consciousness, I feel very happy. I don't think material activities may give satisfaction like this. This is the beauty of devotional service. Recently I am able to differentiate between the services in material and spiritual platform. Anybody can realize this by doing devotional service. Dear prabhupad give me more and more opportunities to serve Your Krishna consciousness movement. Let me distribute Your books, let me get connected with more people by talking about the importance of chanting Hare Krishna mantra without taking any ownership. Please help me to come out of false ego by serving You more. As Chanitanya Mahaprabhu said 'Trinadapi suneechena'.

Prabhupad has given more stress on chanting the Hare Krishna maha mantra in his books, which is the only way to come out of the material contamination. I request You to engage me more and more in chanting with more attention(also in other devotional services). With Your causeless mercy it is always possible to chant without any offense. Really waiting for a day I can do all the devotional service with Krishna prema.

I humbly pray for Your mercy to become a true devotee. Request You to protect me with Your instructions which are directly coming from the supreme personality of GOD. Let me get or not get another birth, but in all the births I request You to engage me in the devotional service, which is the only way to come out of the clutches of Maya. Hare Krishna.

Your Humble servant,

Bhakta Neelakandhan Us.

Bhakta Nikilesh

My Dearest Srila Prabhupada,

Please accept my humble offerings. All glories to Lord Chaitanya Mahaprabhu. All glories to to your Divine Grace. All glories to Sri Vyasa puja. Recently I was brooding on Your service to Krishna. I then began to ponder the reason behind his success. As I delved deeper into this thought, more and more glimpses of his great personality came to mind. However, I identified notable characteristic of Srila Prabhupada, that attributed to his accomplishments. The first being his love for his spiritual master and his instructions. And the other, the ability to recognise and nourish the person inherent skill to serve Krishna.

I thank Srila Prabhupada, and my guide from the bottom of my heart for giving me this opportunity to expand my horizons on Krishna consciousness. I pray that your vision for every person on this planet to be happy with simple living and high thinking will manifest soon.

Your humble disciple, Bhakta Nikilesh.

Dear Srila Prabhupada,

Please accept my humble obeisances, all glories to you on this auspicious day of your appearance.

The year 2008 was filled with instances when few of my dear ones left the earth. I was in midst of lot of questioning .what brought me here? Why I am struggling? I looked back at my ancestors and how they struggled and succumbed into nothing. Truly I was in search of a spiritual master. I came to bangalore looking for job and after getting a job by the mercy of lord I came to Iskcon bangalore. The YFH program was the starting point ,since then I have been moving and want to do more in Iskcon. When I see myself how I can't believe I have changed so much all because of your book science of self realisation your system of association and meeting your students who have preached this to a person who was into a alcohol,tea, coffee and uncontrolled sense satisfaction.

So much has happened but I found my ashraya in the holy name even when I was lost in the material world sense were bewildered you showed the path by realising realisation that we are all conditioned souls .all are suffering due to the presents and past deeds. Thank you for his realisation gurudev when you went to the west and made it through with all the difficulties it just moved me. My folk guide ATSD told us about how by chanting and having such strong faith in the lord many of your devotes established so many centres. Today I want to take this to my family who would enjoy the entire structure that you have built. Sadhusanga is the greatest association a man have all this possible because of your mercy. The initial followers that you had were so devoted that the Krishna Consciousness movement spreaded so far and wide.all because of your mercy .today this soul is drinking the amrit of Krishna Consciousness, all because of you and I want to keep drinking it my spiritual master.please give me the shade of your lotus feet.

Thank you for all the things that this poor soul has experienced after coming under your shelter.please engage me in your service more.

Your humble servant, Bhakta Niladri ghosh.

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to You, Srila Prabhupada, on this most glorious day of Your appearance.

Thank You very much Prabhupada for helping me to get connected with the devotees of Krishna and making my life happier and more blissful. I am very grateful for getting this opportunity to add Krishna Consciousness in my life through the means of Your bonafide books, associating with wonderful Krishna's devotees, honoring delicious Krishna Prasadam and meditative chanting process of Hare Krishna mahamantra.

Prabhupada, Your books are filled with transcendental knowledge and thank You for opening my eyes and helping me to understand the most confidential knowledge. I owe great respect to You for building the Krishna's temple almost every corner of the world, providing an opportunity to all of us to understand this spiritual knowledge and to help apply in our day-to-day activities.

Your efforts in helping us to re-establish our eternal relationship with Lord Krishna, the Supreme Personality of Godhead is highly commendable. Prabhupada, without Your benediction all these wouldn't have been possible. Please, always keep Your mercy upon me, give me strength to follow Your instruction and help me in progress of my spiritual journey.

I am always praying to You and Lord Krishna to keep me always connected with Krishna's devotees wherever I go during the pursuits of my life.

Your Servant, Bhakta Niraj Panthi.

But there won't be any highest word to convey thanks to You and Your kind guidance. Because the debt of Spiritual Master can only be repaid by honest and humble service. Many times it was witnessed that You are saving and guiding at each part of our lives. I am always highly grateful for such a wonderful instruction with clarity and kind care for this futile jeeva. Through this offering I am praying to kindly continue Your Causeless mercy and please accept some small services did at Your lotus feet with all excuses. Kindly consider me also in the Spiritual Journey under Your enlightened direction.

Dear Srila Prabhupada,

Please accept my humble obeisance.

All glories to you. I have been fortunate enough to read your books and try to walk in the spiritual path of Krishna Consciousness. It is with your blessings that I came in touch with my spiritual master at ISKCON Bangalore. As I write my offering to you, I remember a quote from Sri Chaitanya Caritamrita, which reads “Harer Nama, Harer Nama, Harer Namaiva Kevalam, Kalau Nasty eva nasty eva nasty eva gatih anyatha”. It is this quote that keeps me going and encourages me to chant the Mahamantra every day in this Kaliyuga. Reading “Bhagavad Gita as it is”, and “Srimad Bhagavatam”, has helped me a lot in my spiritual life. The BBC (Bhagavad Gita, Bhagavatam and Chanting) has indeed been my guiding light. It is because of your gracious presence on this Earth, was I able to start leading a spiritual life amidst all the maya surrounding me. Please continue to shower your blessings on me and help me continue to take the spiritual path.

Dear Śrīla Prabhupāda,

Please accept my humble obeisances.

It is my great fortune that I have come to Kṛṣṇa consciousness on the path of bhakti-yoga. This has been possible only by your blessings. Hence on this auspicious occasion of Vyasa Puja, I would like to express my heartfelt gratitude to you. I, like everyone in this world, was confused. You have saved us from this suffering due to ignorance by giving us the chance to recite the Mahamantra. You have saved us from the clutches of impersonalism and dry renunciation by giving us the gift of Bhagavatam from which we can enjoy the pastimes of Kṛṣṇa, and other great devotees.

It is described in the Sruti Sastra.

yam evaiṣa vṛṇute tena labhyas tasyaiṣa ātmā vivṛṇute tanūm svām

The Lord is obtained only by one whom He Himself chooses. To such a person He manifests His own form.

And He chooses those who are surrendered to Him and His representative, the spiritual master. Hence if the spiritual master is pleased then Kṛṣṇa is pleased.

yasya prasādād bhagavat-prasādo yasyāprasādān na gatiḥ kuto 'pi

By the mercy of the spiritual master one receives the benediction of Krishna. Without the grace of the spiritual master, one cannot make any advancement.

I am still in the early stage of devotion. So please continue to guide me by your sound vibration, and grant me the strength to chant 16 rounds daily without offences and follow the regulative principles.

Your aspiring disciple,

Bhakta Nishikanta Mishra.

Dear Srila Prabhupada,

It's my honour to get a chance to write offering for you on 123rd Vyasa puja celebration of your appearance on this earth. I offer my obeisances unto your lotus feet on this glorious day, and request for enlightenment to understand Krishna Consciousness.

From your divine teachings and your books, I get to know many aspects of life.

By your mercy I realized the depth and authenticity of your literature; it has an ocean of philosophy and instructions. I am glad to receive such a valuable jewel that you have given to us. It is so blissful to know pastimes about Krishna. I never felt like it before. One should really read your books. It is perfect medicine for the people to come out of depression and troubles of material world.

On this most auspicious day of your appearance, my only request to you is please give me the strength to know and assimilate the most sublime knowledge of Krishna, and convey it to people who are not aware of it and are detached from the true meaning of life.

I hope I will do my best to understand and follow your principles and instructions. I beg you to give the intelligence and shelter of your lotus feet.

Your humble servant,

Bhakta Nishit Rastogi.

Bhakta Nitesh Kumar

Dear Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet.

All glories to you.

Due to your influence dear Prabhupada, I have become spiritually disciplined with chanting Mahamantra. You teach me what is sin, and who gets punished for what? You have given the way to us how we attain the perfection of life, love of God. You have also taught us real meaning of Bhakthi, the way to break the bond of maya, and overcome suffering.

I am too lucky to be staying in the temple, taking darshan of their Lordships, doing kirtan and dancing. I am too happy taking the delicious maha parsadam. Due to your mercy, we are getting chance of doing service in the temple, go for spiritual trips. This year I got a chance to attend Jagannath Ratha Yatra, and I am so glad. I have many words to explain

about Jagannath. Its a great blessing for me to know about Chaitanya Mahaprabhu. I also get chance to clean the temple where Chaitanya Mahaprabhu performed all his lilas. Prabhupada you are my Guru, Please give me strength to perfect my spiritual life, and chant 16 round Mahamantra regularly. Srila Prabhupada, I want to chant nicely with attention everyday. Please help me in this endeavor.

Thank you for coming into my life.

Dear Srila Prabhupad,

Please accept my humble obeisances All glories to you on this auspicious day of your appearance,

Your appearance into this materialistic world is god's gift, and your service to Krishna Consciousness is inspirational to everyone . You inspired a lot in my life. This is one of the auspicious way to get out of darkness(Maya), and make us happy by spiritual services to Lord Radha Krishna.

In this material world guru means teacher,mentor, guiding light.

Guru has his own respect. The teacher who teaches in school, he is not the only guru. If a person teaches you any work, he is also a guru.

The philosophy which has been given by the Prabhupad about guru is amazing. Everyone should respect and pay obeisances to guru. Every person should follow guru in their life. I am happy to have a guru like Srila Prabhupada.

Every success has its own strength and past history . One of the important incidents in the life of spiritual master Prabhupada was when his guru maharaj decided to send him to the United States to spread Krishna Consciousness. Srila Prabhupad went at the age of 70, an age when people want to retire. He traveled onboard a cargo ship Jaladuta and reached US. Prabhupad was an alien in the land, and didn't know anyone. Enduring all kinds of hardships, he established the Krishna Conscious Movement. He never quit. After long struggle, he made thousands of devotees.

The credit goes to our spiritual master Prabhupada.

Being disciple of a great spiritual master, the qualities which I want to mention here is his discipline in devotional services. He had answer to every question about spirituality. Prabhupad never had spiritual fatigue till his last breath. He has given us his great teachings.

When I enter the temple, I take darshan and pay obeisances to the great vaishnava guru Srila Prabhupad, and the lord. When I touch his lotus feet, I feel very blessed and blissful, and his smiling face removes all darkness in my life.

Thank you is a very small word to express. So this is a sincere expression of my feelings for you Srila Prabhupad. If any mistakes, please forgive me.

Your fallen servant of servant,

Bhakta Nithish Kumar.

Bhakta Nitish Kumar

Dear Srila Prabhupada,

Please accept my humble obeisances. All Glories unto Your Lotus Feet!

My life had several good and bad times, but the only thing I always had was dependency on god . When I came under the shelter of your mercy, then I came to know the real meaning of devotion, and the spiritual aspects, and how we are so much attached to this material world .

Day by day my dependency on you, my spiritual master is increasing, and that has caused a drastic change in my life .

Without dependency on you I feel I'm just nothing . And by your mercy only, I am learning how to detach myself from this material world . Without your mercy my life is incomplete .

I only wish to have your mercy so that my consciousness for Krishna shall increase.

Oh my master, forgive me for all the sinful activities I have done in my past and keep me always under your lotus feet .

Your servant,

Bhakta Nitish Kumar.

Bhakta Om Prakash Pandey

Dear Srila Prabhupada,

All glories to Your Divine Grace on this most auspicious day of Vyasa Puja. I have the great fortune to be under your shelter. I was always inspired by my senior devotees enthusiasm and cordiality, you live in the hearts of your sincere devotees. You have touched us all so deeply;

Srila Prabhupada, I am most unworthy to have received your mercy, and because of knowing my insignificance, it has caused me to be even more grateful and appreciative of your blessings..

sadhu-sanga, sadhu-sanga- sarva-sastre kaya,

lava-matra sadhu-sange, sarva-siddhi haya.

The verdict of all revealed scriptures is that by even a moment's association with a pure devotee, one can attain all success. (C.C.2:22:54)

For me personally, I had the opportunity to talk with my spiritual master not more than ten times in my whole life, not more. It may be less

than that. But I tried to follow his instruction, that's all, So I am so fortunate that I came

in touch with Prabhupada, and I feel your presence in your instructions.

I always remember the words of Prabhupada's given below. This keeps me motivated to depend on guru and Krishna.

"I do not know why You have brought me here. Now You can do whatever You like with me. But I guess You have some business here, otherwise why would You bring me to this terrible place? How will I make them understand this message of Krishna Consciousness? I am very unfortunate, unqualified, and most fallen. Therefore I am seeking your benediction so that I can convince them, for I am powerless to do so on my own."

Prabhupada you have innumerable qualities; you are the true well-wisher of the society. You are only the shelter for me. There is no difference between you and your words and works. You are so merciful. The ultimate expression of mercy is to freely afford everyone the opportunity to develop pure Love of Godhead. This Srila Prabhupada did by distributing holy name of Krishna, the science of Krishna Consciousness. Your gifts to the world are filled with tremendous spiritual value.

You gave us a wonderful philosophy to live by: Knowledge of our true spiritual identities, beautiful deities of Krishna to worship, the all-auspicious holy name of Krishna, and delicious Krishna-prasadam. You also gave us the spiritually enlivening association of devotees, and the chance to attain love of Krishna, and return to a life of eternity, bliss and knowledge. In spite of all the mercy you have bestowed upon me through your pure hearted devotees, still I have so far been shamefully aware of my unwillingness to wholeheartedly follow in their footsteps.

Please take me as an instrument in your hands, bless me with your service . Therefore I am begging you to please continue to cast your merciful glance upon me so that in some lifetime this aspiring bhakta can take proper advantage of treasure house of good fortune. Until then, I will continue to pray for the day when I am free from envy, lust and lethargy that has blocked my path. Then, and only then I will truly know what it means to have joined your Krishna Consciousness movement.

Your Servant,

Bhakta Om Prakash.

Bhakta Parth Umraliya

By satisfaction of the spiritual master, the Supreme Personality of Godhead becomes satisfied. And by not satisfying the spiritual master, there is no chance of being promoted to the plane of Krishna Consciousness. I should therefore meditate and pray for his mercy three times a day, and offer my respectful obeisances unto him, my spiritual master.

I was in the darkest region in the process of satisfying my senses ,and so called enjoying in this material world.

By your association through lectures, books, and devotees association, I got to know my real position, and got to know about the spiritual world. With your special mercy upon me, I have completely dedicated my life in your service.

You have shown me the real path of spiritual realization, and getting us out from the cycle of birth and death.

Prabhupada, please guide me so that I will follow all your instructions offenselessly.

Please keep me in the association of devotees and under your shelter, and bless me to practice pure devotional service and serve you, vaishnavas, and their Lordships.

Please pardon me for all the mistakes I have committed unto your lotus feet, and help me come out of anarthas to continue my journey in your footsteps.

My Dear Spiritual Master,

Please accept my humble obeisances,

All glories to you on this auspicious day of your appearance.

You guide me through most difficult times of my life with the help of books that you wrote, and by giving us Hare Krishna Mahamantra. With the guidance of your teachings, going through materialistic life and problems have become much easier. Your guidance and mercy has uplifted many peoples' life like mine. I was earlier completely ignorant, and had no idea about the infinite power of the Lord and his manifestations in this world.

Please guide me to focus my thoughts and attention always on the Supreme Personality of Godhead, and to purify my thoughts and emotions.

Give me opportunity to understand more and more about the Supreme Lord and to finally attain perfection in life by completely opening my heart and surrendering to him.

Dear Shrila Prabhupada,

Please accept my humble obeisances,

I came to Bangalore to get a new experience and a better start in life, but when I came in association of ISKCON, I found that I'm in the right place. I came in touch with Folk residency and I am staying there and enjoying everything about it.

I always had theories and my own thoughts about God and spiritual knowledge from my childhood and had a lot of doubts and questions. By reading Your books and listening to Your Bhagavatam classes all my doubts are cleared.

I am very lucky to get in touch with the devotees and this spiritual knowledge.

Thank You Shrila Prabhupada for coming in my life.

Your aspiring disciple,

Bhakta Pavan.

Bhakta Phaneendra

Dear Srila Prabhupada,

Please accept my most respectful obeisance unto your lotus feet on this most auspicious day of your 123rd appearance. All glories unto your divine grace. May your glories be spread all over the three worlds.

guru kṛṣṇa-rūpa hana sāstrera pramāṇe, guru-rūpe kṛṣṇa kṛpā karena bhakta-gaṇe

"According to the deliberate opinion of all revealed scriptures, the spiritual master is non different from Kṛṣṇa. Lord Kṛṣṇa in the form of the spiritual master delivers His devotees."

Srila Prabhupada, your causeless ocean of mercy is still reaching to many many souls through this organization. I am also one of the persons who got your mercy. From the day I came in touch with Krishna Consciousness, you are guiding my life

and it took a 180 degree turn from maya to Krishna. Only by your mercy I was able to join this mission. Please keep me eternally under your shelter.

There are many inexperienced persons who advocate self-realization without the help of a spiritual master. They decry the necessity of the spiritual master, and try themselves to take his place by propagating the theory that a spiritual master is not necessary. Śrīmad-Bhāgavatam, however does not approve this viewpoint. Even the great transcendental scholar Vyāsadeva had need of a spiritual master, and under the instructions of his spiritual master, Nārada, he wrote this sublime literature Śrīmad-Bhāgavatam. Even Lord Chaitanya, although He is Kṛṣṇa Himself, accepted a spiritual master; even Lord Kṛṣṇa accepted a spiritual master, Sāndīpani Muni in order to be enlightened. All the ācāryas and saints of the world had spiritual masters. In Bhagavad-Gītā, Arjuna accepted Kṛṣṇa as his spiritual master although there was no necessity of accepting a spiritual master.

The only stipulation is that the spiritual master should be bonafide; i.e., the spiritual master must be in the proper chain of disciplic succession, called the paramparā system. And you are the servant of Bhakti Siddhanta Saraswati Thakur who is coming in a Brahma Madhva Gaudiya sampradaya.

It is said in Srimad Bhagavatam "Any person who seriously desires to achieve real happiness must seek out a bonafide spiritual master, and take shelter of him by initiation. The qualification of his spiritual master is that he must have realized the conclusion of the scriptures by deliberation, and be able to convince others of these conclusions. Such great personalities who have taken shelter of the Supreme Godhead, leaving aside all material considerations, are to be understood as bonafide spiritual masters."

You are the an embodiment of the 26 qualities of spiritual master.

Srila Prabhupada, after coming to Krishna Consciousness, I can see a drastic change in my life year after year; coming to folk programs, doing service in temple, attending sadhana, participating in trips; these spiritual activities have brought me to a stage where I needed to join residency at some risk. Slowly my spiritual muscles built up, and I was ready to do whatever my authorities say.

In Bhagavad-Gita, it is said

ye yathā mām prapadyante, tāms tathaiva bhajāmy aham (BG 4.11)

Whenever a challenge came in following your instructions, I used to contemplate on this verse; your purports inspired me a lot, Such as Rishabadeva's instructions to his sons, Vidhura's teachings to Dhrtarastra, Kunti maharani's prayers, Prahlad Maharaj's prayers to Narasimhadev.

Now my life is at your lotus feet. Please engage me in your service eternally. Guide me not to commit any vaishnava aparadhas. I pray to you to kindly continue guiding me through your sincere disciple,s so that I can please my spiritual authorities. Please bless me to take my sadhana seriously.

Aspiring to be your sincere, obedient, disciplined disciple.

Bhakta Phaneendra.

Dear Srila Prabhupada,

Please accept my most humble obeisances again and again at your lotus feet .

Dear Srila Prabhupada I find it difficult to find words to say what I feel. I think some things cannot be said by words, but I'm going to try.

Many times in the past I felt that I was not good enough to be a devotee; my choices were difficult, and my life turned upside down. I punished myself with the words 'I deserve to suffer, and that I'm not good enough to be a devotee or

something like that.' But when I was thinking like this, there always was a devotee in sight somewhere when I was not expecting one. Or a dream that Krishna or Srila Prabhupada was helping me. This really happened many times. So my thought was Krishna and Prabhupada still love me no matter what I am, and that gives me so much strength and self-confidence. Always I remember Krishna in my work.

Now I have a more clear perspective. Wisdom comes (sometimes) as you mature people say. I can overview my life, and see the red thread leading through it. I see that I always can depend on Krishna and you when something difficult happens, but not only then also in happy moments. I have learnt a lot as years rolled by. So I have tried to express the feelings in my heart that is gratefulness, happiness more and more towards Krishna.

Krishna Consciousness is so beautiful and attractive, and that has inspired me in so many ways.

Thank you Srila Prabhupada for giving me your mercy, and accepting me as your disciple. I pray every day that I should not waste this opportunity, and keep chanting throughout my life, and learn to serve you and the devotees. Your teachings are always in my heart.

Your servant,

Bhakta Prabhakar DN.

Bhakta Prabhu Dev

Dear Srila Prabhupada,

I offer my respectful obeisance unto you again and again for giving me the opportunity to render service to the supreme Lord Krishna and pure devotee of Krishna like you.

As I was wandering in this material world, I was confused what to do. But by your mercy I have come to Krishna's shelter. By following in your steps I have become servant of Krishna.

Srila Prabhupada by your blessings I am coming to temple every Saturday and Sunday, attending morning mangalarathi, chanting 16 rounds of Hare Krishna mantra everyday, attending Bhagavatam class, reading your books, honoring maha prasadam in temple. These activities are making me progress spiritually.

Srila Prabhupada please give me required strength and intelligence to spread Krishna Consciousness.

Your servant,

Bhakta Prabhu Dev.

Bhakta Pradeep K C

Dear Śrila Prabhupāda,

All glories to you on this auspicious day! Please accept my humble obeisances.

I consider myself very fortunate to have somehow come in touch with your glorious movement. Ever since I took to this path of sādhana bhakti, there has been a tangible change in my personality. And It is by your mercy, and the mercy of your sincere disciples that I have been able to understand and make some progress in Krishna Consciousness. I am not able to express in words the amount of gratitude that I'd wish to submit at your lotus feet.

O seer of truth, please bestow your merciful blessings upon this menial servant of yours to serve you better day after day.

Your influence on my spiritual growth:

My dear beloved achārya, reading your divine books, associating with your sincere disciples, going to the temple, attending Sunday programs which are based on your teachings, honouring Sunday love feast, and taking part in various opportunities to serve your lotus feet -all of these have had a decidedly positive influence on me.

I have been reading your divine books. They have been extremely insightful, captivating, and enlightening at the same time. Reading one book would naturally inspire me to read another book. Upon recognizing my interest in reading, your sincere disciple and my dear most spiritual guide, Indirāpati Dasa Prabhu has always been guiding me. Apart from that, he has also been inspiring me to chant regularly, listen to your vāni (lecturers), and be engaged in various service opportunities.

Guru tattva:

As I have been making progress this way, I began to lose attraction for many inferior things such as consumption of tea/coffee, consumption of junk foods, watching mundane TV programmes, and chit-chatting quite naturally (without making any special endeavour to give them up). I realized how much fallen I am. I also realized the importance of human form of life

The lord states in the Bhagavad Gīta (4.34):

"Just try to learn the truth by approaching a spiritual master. Inquire from him submissively and render service unto him. The self-realized souls can impart knowledge unto you because they have seen the truth."

Also, it is said that when a student is ready, Krishna will send him to a bonafide guru and then the guru gives him Krishna. In this connection, we are certainly very much blessed to have come in contact with you -a bonafide representative of Śrī Krishna.

O dispeller of darkness, I therefore pray to you to kindly shower your merciful blessings upon me so that I may never be forgetful of your lotus feet.

Personal reciprocations:

Reading your books means to associate with you. You are always available to us in the form of your instructions. Whenever I'm in doubt or confused about something, it so happens that I come across some purport/vāni/video of yours in the form of an answer to that very doubt/confusion. This has happened to me quite a lot of times, and each time it happens my faith increases manifold.

Also, whenever I'm to make some choices/decisions, a most suitable quote/verse/purport/vāni of yours invariably pops up in my mind by your divine grace thereby helping me to make right choices. Whenever this happens, my hope to progress spiritually increases manifold.

My dear magnanimous guru deva, please accept my sincere gratitude for your mercy upon this most sinful soul. I pray to the lord to never be forgetful of your lotus feet in any condition of life.

Your fallen servant,

Bhakta Pradeep K C.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories unto your Divine Grace.

Here is a poem offered at your lotus feet on this auspicious occasion of Vyasa Puja:

O Gurudev, O ocean of causeless mercy!

This foolish gardener has no sense, but many a inheritance,

Blindly I tend, seeking your grace; but mostly just losing all grace,

Too far is my mind from reality, shrouded in blinding struggle day by day,
Torn is my grateful heart, my arrogant heart, my only heart pray I pray,
No answers come for non-existing problems and no tending proper,
These worldly values are making me a pauper,
I am busy counting my blessing when I should be smarter,
Let me not flow back into this endless cycle as I must,
Cause your grace transcends all but's, ifs and musts!
Let me lay all my materials in submission as I ought,
Remembering all that you dealt, and all I wept for all but naught,
I pray to not be swept away by these tides and hope your sunshine breaks our knacks,
Let the victory be only yours and I just your afterthought!
May my only desire be to be purified by the words emanating from your lotus mouth and nothing else.
Your aspiring disciple,
Bhakta Praful.

Bhakta Praharsh Agnihotri

My beloved Srila Prabhupada,

Please accept my humble obeisances at your lotus feet, and an offering from this menial servant of yours.

All glories to jagat guru Srila Prabhupada! Hare Krishna !

This is my humble offering to your grace on this auspicious day of your holy appearance. I can only try to thank and praise you with the fullest of the capability of this material tool. So please accept my humble words of prayers, and bless me with purity, spiritual strength, and bhakti.

I deeply thank his grace Srila Prabhupada for taking me into the shelter of his lotus feet, and holding my finger and walking me towards the door steps of Shri Shri Radha-Krishna Chandra.

I thank you a million times from the bottom of my heart and soul for considering me, a fallen soul, my heart sprouting the darkest of this kaliyuga can evolve to, a mind so much filled with filth that even the flies who love to loiter around the dirt, seem to choose to discard away, worthy of devtion to krishna. But you indeed the most pious, forgiving, and the most humble of the masters, accepted this fallen soul who has the strongest tendency to go deeper into the unholy depths of Maya. You guided me; you who sees, knows and blesses us all, to receive the greatest benediction, the greatest treasure you offer-the bhakti lata beej of the love of Krishna. I promise, with your blessings and mercy and my chaste desire, this bija will bloom to the fullest !

Bless me with the will and strength that I need to do my part as his devotee, I am meant to play and to serve the Lord. Thank you for forgiving me for countless offences I knowingly or unknowingly commit against any part and parcel of Him. Thank you for picking me up millions of time I fall. I have been the worst but yet the most fortunate to come to your shelter. Thank you for never giving up on me, and punishing me in a way I become better and better every time.. In the end I promise I will one day, with the strength of your blessings make it all worth it.

Hare Krishna !

Your Servant,

Bhakta Praharsh Agnihotri.

Bhakta Prakash K S

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet.

I beg for the ability to properly glorify your magnanimous character.

Before coming to Krishna Consciousness, I was leading a life of an animal without any goal and engaged totally in material activities.

Suddenly you came in my life like a monsoon rain, and sowed the seed of Krishna Consciousness in my heart. It started sprouting in my heart, and at the same time you protected that seed till it grew and became a small plant(me). You were nurturing and protecting me from dangers so that I can grow in Krishna Consciousness.

I was not knowing who is Srila Prabhupada ,but suddenly you came in my life and showered your mercy more than my parents. I also accepted you as my spiritual master, and eternal father .

My life is changed now, and you taught me the the goal of human life, the most confidential knowledge.

Your pastimes are limitless.By reading your pastimes narrated by some of your disciples gives the same pleasure and happiness as when we read Krishna's pastimes. You went to the western countries just to follow the order of your spiritual

master with 40 rupees in hand, and few books. Keeping all your comforts aside, you delivered the fallen souls. Physically you may not be there with us now, but still you are performing your leelas through your books and vani. Thank you Srila Prabhupada.

Dear Srila Prabhupada you you are my eternal well wisher. From the depth of my heart I thank you for saving me, and giving my life real purpose. Please bless me so that I can remain useful to your mission, and perform devotional services to the best of my abilities.

Please bless me so that I can cultivate a healthy service attitude, and remain united to serve their lordships under your guidance.

Your insignificant servant,

Bhakta Prakash K S.

Dear Srila Prabhupada,

Please accept my humble obeisances at Your lotus feet

All glories to Your Divine Grace.

Srila Prabhupada, I am speechless when it comes to thanking You for giving me so many blessings in Krishna consciousness which I realized only after some time. I cannot thank You enough for all that You have blessed me with.

I have been hearing to Srimad Bhagavatam with my family members since my childhood, in my hometown. But it is only after I came in touch with Your ISKCON Bangalore that I was able to understand properly, many spiritual realities of soul, Supersoul, demigods and the Supreme Personality of Godhead. This is all by Your causeless mercy, Srila Prabhupada!

My humble request to You, Srila Prabhupada, is that I have got stuck in material word, so kindly help me to come out of here by engaging me in Your service and taking me back to Godhead.

Your aspiring servant,

Bhakta Pramod Kumar Gupta.

Bhakta Pranajit

Dear Srila Prabhupada,

I offer my humble obeisances unto your lotus feet As you said,

"We cannot see god by our own endeavor, but if we qualify ourselves god will reveal himself and then we will be able to see him"

Actually how to quality ourselves I came to know after participating in the activities of ISKCON. As I started chanting, I realized that I am near to god .

When I face any problem , I am not losing my confidence because of you only.

In one letter to a disciple you had written: "I thank all of you very much for accepting me as your spiritual matter , and I promise that I will take you back to home ,back to godhead."

And I have complete faith and belief in you.

Your unworthy servent,

Bhakta Pranajit Baidya.

Bhakta Pranav

Dear Srila Prabhupada,

I offer my humble obeisances unto your lotus feet.

Srila Prabhupada, I truly appreciate the way ISKCON is functioning all around the world with the motto of spreading Krishna Consciousness. That's the highest service that any institution can render.

Srila Prabhupada, your lectures and books have helped me a lot to become krishna conscious, and I have understood the purpose of life.

Please bless me that I never forgot the spiritual teachings given by you, and follow them.

Your unworthy servant,

Bhakta Pranav.

Bhakta Pranay Bhargav

Dear Srila Prabhupada,

Please accept my respectful obeisances unto your lotus feet.

On this auspicious occasion of Vyasa Puja, I would like to express my heartfelt gratitude to you for blessing me with your causeless mercy by bringing me in contact with the movement of Krishna Consciousness. I would like to thank you for giving me the Hare Krishna Maha Mantra, in spite of my conditioned nature, association of the devotees. From the reference of SB canto 4 'sādhu-saṅga', 'sādhu-saṅga'—sarva-śāstre kayalava-mātra sādhu-saṅge sarva-siddhi haya. This association which is priceless has been given to me and has provided an opportunity to associate and interact and act in the guidance of the pure devotees. I am very much happy that I got a spiritual master in the disciple succession who has given me the correct knowledge or else I would have ended up my self worshiping some material aspects.

Your aspiring disciple,

Bhakta Pranay Bhargav.

Bhakta Pranjal S

Dear guru Srila Prabhupada,

One of the souls whom I respect a lot is you Srila Prabhupada. I came to know about krishna and the supreme ultimate truth by your teachings and listening to your lectures, I became more close to god. Previously I followed spirituality as my duty, but now I am enjoying it. You guided me to become tolerant like grass. You taught me to never give up in the face of adversities just like how you pursued when you started the great Hare Krishna Movement. It spread all over in Europe and America and even communist country like Russia. It taught me how we can do wonders with positive attitude. You have given a lot to this world. Lastly, I am very thankful to ISKCON for spreading your beliefs with facts so that more and more people can join. A big thanks for for this great service

Hare Krishna,

Dear Prabhupada,

Please accept my humble obeisances unto your lotus feet. It's my past bad karma that I was not able to see you personally, and touch the dust of your lotus feet. But I am feeling fortunate now because I am able to see you in your pictures, and take blessings by touching your lotus feet. I am also able to hear your voice in your recordings, and derive lot of learning from your lectures.

I thank Krishna for that opportunity. I need your blessings Prabhupada so that I can sustain myself in Krishna Consciousness.

Dear Srila Prabhupada,

Please accept my humble obeisance at Your lotus feet . All glories unto Your grace.

Prabhupada , thank You so much for keeping me in association of Your beloved disciples (ISKCON Bangalore) even though I am not eligible for this You have said several times in Your classes, follow the instructions of spiritual master and please the spiritual master then Krishna will be pleased and he will take charge of our life personally. I am really experiencing it and really thankful to Your beloved disciples who have made me to get in touch with Krishna and serve Krishna by the process of chanting the holy name, engaging myself in devotional services , doing kirtans for the pleasure of the lord and not to forget the maha prasadam Due to Your blessings and mercy of Krishna Its been two year I have entered into this wonderful consciousness and serving to the lord and I am really happy for it. Also this year was a mixture of feelings I was about to leave the consciousness but it's always said that one can forget Krishna but Krishna will never forget us the bondage to serve Krishna has increased and will always be serving onto his lotus feet thank You so much Prabhupad for giving me one more chance to associate with the consciousness . Without Your association one cannot even think of achieving Krishna Prema, the highest perfection of life I have no words to thank You, Your story always gives me a boost to do something or achieve something Your always my inspiration And You will always be my inspiration.

O saviour of the whole world , I pray on to You to always keep me under the shelter of Your lotus feet and help me to progress in Your moment of Krishna consciousness.

Your servant's servant,

Dear Srila Prabhupada,

Please accept my respectful obeisances unto your lotus feet.

There is a saying "One need to have a goal in front and guru behind him to attain success"

It's very true!

Without guru's mercy we cannot attain success.

I am very fortunate to have you, Srila Prabhupada, as my guru!

I am blessed for being introduced to Krishna Consciousness. It wouldn't have been possible without the mercy of our spiritual master!

Krishna Consciousness is a process of purifying oneself from material contamination by always thinking of Krishna and his pastimes.

The four directive principles of Krishna Consciousness help me to sail across the material ocean with ease.

- 1) Association with devotees
- 2) Reading Bhagavad-Gita
- 3) Chanting Hare Krishna Mahamantra
- 4) Offering devotional service.

I feel more and more distressed souls need to undertake Krishna Consciousness to lead a happy and peaceful life.

Please shower your mercy on me Srila Prabhupada

Your aspiring disciple,

Bhakta Prateek.

Bhakta Prateek Ailani

Dear Srila Prabhupada,

Please accept my humble obeisances unto your divine lotus feet.

Another year writing to you, and all the feelings of gratitude keep increasing year after year. Lord has been merciful upon me by not only seeing to my material well-being, but also has personally taken my Krishna Consciousness effort to the more productive side. None of this of course would have been possible without your hand on my head, and your blessings and teachings.

I aspire to serve you better in every physical and mental capacity in the years to come, and desire to always live at your lotus feet as the most insignificant servant. In this year particularly, I have realized the importance of your unparalleled mercy on my life and my family and hope it continues forever.

I thank Krishna for letting me be in touch with devotees who care about my spiritual progress, and especially thank the lord for having sent you as my spiritual master. Your mere presence in my life makes the spiritual path appear so easy, and spiritual success so achievable that I can't even imagine how I would have responded to spirituality had it not been for your preaching, and your very advanced disciples who brought down this sublime message to us.

Desiring for your constant shelter and guidance.

Your ever aspiring insignificant disciple,

Bhakta Prateek.

Bhakta Prathvin Kamath

Dear Srila Prabhupada,

Please accept my humble obeisances.

All glories to you on this auspicious day of your appearance

I am really really grateful to you Prabhupada. You've really changed my life. Although I am one of the most undeserving person, Prabhupada has been merciful in giving me the gift of Krishna Consciousness. There were months/years which were filled with intoxication, and all of a sudden I came across devotees. By their association and the grace of Lord Krishna, the urge to hanker for these petty intoxication's had completely vanished. I never in my wildest dream could imagine quitting these things as I had tried multiple times earlier, and of course failed. It has been five years, and no cravings whatsoever by god's grace. I would just beg Lord Krishna and Prabhupada to be merciful to me, and help me continue to take up this path more seriously than ever.

Lastly for some unknown reason I have lost my way, and request Prabhupada and Lord Krishna to get me back on path.

Please accept my humble obeisances.

Hare Krishna.

Your ever grateful humble servant,

Bhakta Prathvin Kamath.

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet.

I have been chanting eight rounds of Hare Krishna Mahamantra for over an year now. I have been fortunate to receive this mantra from you.

The first lesson that I learnt from Bhagavad-Gita is that I'm not this body but a spirit soul and I belong to Krishna.

The second lesson I learnt is that people are suffering in this material world as they are trying to enjoy independent of Krishna.

The third lesson I learnt is how to stop this endless cycle of birth and death by surrendering to Krishna.

I have found immense peace and equanimity in life after coming to Krishna Consciousness. Thank You for enlightening me in this most confidential knowledge, and dispelling my ignorance. I humbly bow down to you and seek your blessings.

Hare Krishna!

Your Servant, Bhakta Praveen P.

Your humble, eternal servant,

Bhakta Priya Rajshekhar.

Bhakta Purnachandrareddy

Dear Srila Prabhupada,

All Glories to you, please accept my humble Obeisance.

I want to thank you for accepting me as your disciple. How many times people do not follow your instruction but still you are showing your love and mercy to them.

Guru is one who transforms the life of all of his disciples, and raises one to the platform of pure devotional service. A guru is one who teaches by his personal example, behaviour and words. Moreover, a guru is one who takes everyone to eternal abode of Krishna. When you appeared in this world, the fortune of the world has changed and you created revolution in the spiritual field on your own.

You took care of your disciples like a father loves his child, you gave Krishna Prema to the world which has no comparison throughout the three worlds without asking for anything in return. Srila Prabhupada you taught us to be like a real human being. You gave us everything in our life by giving Krishna to us. The people of this material world may come and go and will be forgotten easily but it is not so in your case. You will live eternally in mind, heart and even in blood of your disciples

through your instructions. At last, I, a humble disciple of you, kindly request you to keep me always under your lotus feet so that I may serve Krishna and you in spiritual kingdom along with your disciples eternally.

Yours humble disciple,

Bhakta Purna Chandra Reddy.

Bhakta Raghavendra

Hare Krishna Prabhupada,

Please accept my humble obeisance,

Prabhupada, lead me from untruth to Truth, from darkness to Knowledge and bless me to be in Krishna Consciousness forever.

Give me the energy of will to practice Krishna Consciousness, give me the strength to tolerate suffering in material world.

Your servant,

Bhakta Raghavendra.

Bhakta Rahul Ranjan

Dear Srila Prabhupada,

Please accept my humble obeisance unto your lotus feet and empower me with enough intelligence to compile my feelings of gratitude towards you.

I am one among the countless fortunate souls, whose life transformed after coming in touch with your sublime mission. Now it's been three years for me in Krishna consciousness, just because of your divine mercy!

This year 2019, had so far been full of varieties of experiences for me – pleasant and unpleasant. I had seen myself truly entangled in the worldly affairs- helpless and clueless. But somehow or the other I had been in touch with the Holy Name, some small services and few occasional chats with the devotees. Truly speaking, these were the only true instances of happiness for me. I really want to thank you for that!

Whenever I see people around me under various gradations of ignorance, my heart gets brimmed with gratitude towards you. I am privileged only due to your causeless mercy that conferred upon me the ability to distinguish between the reality and illusion.

O Prabhupada, though I possess no qualification or ability, still I would like to beg of you to keep me in touch with You and the devotees for these are the only means via which I could save myself from wasting the priceless human life. Please empower me with the ability to inspire people around me to take to Krishna Consciousness, which would be a small contribution from this insignificant soul.

My dear Prabhupada, with folded hands and sincerity I would like to bring to your notice about the challenges I am facing in my spiritual life – post my relocation, being away from association of devotees, I feel really challenging to chant my rounds and spare out time for spiritual activities. I pray to you to guide me with the best possible way I may opt to continue. I indeed consider those two years I spent with devotees at Bengaluru as the only glorious period of my life, where I learnt about the real purpose of life.

I pray to you to please make me your instrument and guide me to serve you to the best of my ability. The shastras confirm the position of the spiritual master as :

sakshad-dharitvena samasta-shastrair uktas tatha bhavyata eva sadbhihi

kintu prabhor yah priya eva tasya vande guroh sri-charanaravindam

“The spiritual master is to be honored as much as the Supreme Lord, because he is the most confidential servitor of the Lord. This is acknowledged in all revealed scriptures and followed by all authorities. Therefore I offer my respectful obeisances unto the lotus feet of such a spiritual master, who is a bonafide representative of Sri Hari [Krsna].”

Thus you being the true representative of Krishna, it's you who owns Krishna and it's you only who can bestow Him to me.

Aspiring to be your servant,

Bhakta Rahul Ranjan.

Bhakta Rahul Shrihari

Dear Srila Prabhupada,

I offer my humble obeisances unto your lotus feet. I am grateful to their Lordship's Sri Radha Krishnachandra for the wake up call , I am grateful for the flow of scientific, spiritual, logical abundance coming from your books ,which is pleasing , satisfying and inspiring on the minds and consciousness. You have given a great gift for the upliftment of society , for recognising who we are , what is our goal and how to be happy always. You have distributed the love of God to the entire world without any discrimination to the whole mankind ,introduced Chanting meditation , Beautiful Deity worship (which cannot be seen in any other spiritual organization) , blissful delicious Prasadam, reading Your books, rendering services to the pleasure of their Lordships, participating in various life changing and inspiring programs at Temple and many more. Dear Srila Prabhupada,

Please accept my humble obeisance's at your lotus feet.

In this material world, all are going through a lot of problems. We even forget ourselves that we are a spirit soul not bodies. We are running behind things for momentary satisfaction which is not permanent. It's because of you I got a chance to know who is Lord Krishna & who I am. Please continue to keep me engaged in service of Krishna. Please guide me to progress on the path of Krishna Consciousness.

The way one cannot cross an ocean without a ship, similarly, one cannot overcome Maya and approach Krishna without you. It is the ship of your teachings that is helping us to overcome the Maya. ISKCON is one of the best place in the world to spend all the love and care. ISKCON is not only a place for devotees, but also feeds the hunger of many people across the world. That's what makes ISKCON very special. It is all happening because of one person that is you.

Like the Supreme Lord Krishna, you are unlimitedly merciful on all of us.

Yours sincerely, Bhakta K Raja.

Bhakta Rajanna K

Dear Srila Prabhupada,

Please accept my humble obeisances in the dust of your divine lotus feet. All glories to you on this most auspicious day of your divine appearance. Srila Prabhupad, thank you for allowing me to continue in your divine movement for three years till now. My heartfelt thanks for all the mercy that you have showered upon me. Sometimes when I feel low and find it difficult to follow some of your instructions and render service, I think of giving up but all that holds me up is your books, your instructions, the instructions that I receive from your disciples, the clarity and the small realizations that I get while contemplating on your lectures and books. All that is holding me and allowing me to continue in the movement is You and the manifestations of your divine instructions in various forms. Thank you for helping the whole world practice Krishna consciousness in an organized way through your institution and thank you for choosing me to be a part of your movement. Beg at your lotus feet to keep me under your shelter in whatever the way you want me to be.

Trying to be your servant,

Bhakta Rajanna.K.

Bhakta Rajashekara Reddy

Dear Srila Prabhupada,

All glories to you, My humble obeisances unto your lotus feet. I am tiny and not qualified to glorify my spiritual master who is so kindness and compassion towards fallen souls like me. The words emanating from your lotus mouth has simple meaning so effective. Where a mundane ordinary person or Mayavadi also can understand and realise oneself. I am fortunate that you shower you causeless mercy upon me. You have given all the instructions in the divine books which is very helpful in each step of my life. I pray at your lotus feet to always keep me under your lotus feet so that I can serve you and Krishna always.

Your Humble Servant, Bhakta Rajashekara Reddy.

Bhakta Rajbhupal Nadagouda

Dear Srila Prabhupada,

My humble dandavat obeisances at the lotus feet of your Divine Grace on the glorious occasion of your Vyasapuja festival. One of the area for my improvement is to improve the quality of my chanting by hearing the transcendental sound. I seek your help to improve the quality of chanting. I thank you for allowing me to take your ashraja as upasaka and please bless me to progress further in your Ashraya program. Kindly bless me so that I am able to read your books, hear your transcendental vani & engage in practical devotional service and be in the association of your devotees. Kindly bestow your mercy on me & my family members. Thanking you.

Your Servant, Bhakta Rajbhupal Nadagouda.

Dear Srila Prabhupada,

Please accept my respectful humble obeisance at Your Lotus Feet Srila Prabhupada. I would like to first of all Thank you to share your spiritual path day-in-and-day-out through spiritual sadhana program as inlaid by you which takes one from this material ocean and fixes our mind on the Lotus feet of Sri Guru, Gauranga and Sri Sri Radha Krishna Chandra. Though I have been practicing Krishna Consciousness (KC) for more than 22 years, its only recently that I am finding a great change

that I feel of having just started Krishna Consciousness. More so, I feel this began after taking Sevaka shiksa level early this year that I hear my inner heart driving me in proper spiritual path as also helping me taking care of material affairs in a Krishna Consciousness way. I am sure this is all due to Your Grace and You are helping me progress in devotional service. For last few months now, I take each day in its regular stride giving enough breathing time to the Lords names and with no hurry to complete Krishna Consciousness duties faster but to do it efficiently and with full of Love, unlike earlier times where the mind is cluttered with too many things to accomplish in short time. The direction that I get now the premise that, what is there in accomplishing too many material activities if it is not sanctioned by the Lord and not done with full of spiritual love? I even do not hurry to chant 16 rounds of Hare Krishna maha-mantra after completing my morning sadhana program which includes Guruvashatka prayers, calling out the 10 offenses, chanting of Gayathri mantra, Altar cleaning and decoration with flowers, followed by abhishekam to Sri Saaligrama and Sri Sri Krishna Rukmini Satyabhama with Hanuman deities, completed by Shringar arathi and Tulasi arathi.

My only wish now is to have my family also follow Krishna Consciousness in full earnest. Though my wife knows the Krishna Consciousness philosophy, she is yet to follow sadhana practices and continues to give regular excuses for following them. My twin kids whom I have named after Krishna-Balaram, turning four during your Appearance time this year, do like the kirtans and pictures in Your Books. I will continue to Pray to You and Sri Sri Radha Krishna Chandra, Sri Krishna Balaram and Sri Nitai Gauranga, to help me preach first within my family and helping me in a certain discipline to carry forward this movement among various service opportunities available within this movement. I also Wish Srila Prabhupada ISKCON organization All the Very Best, to progress its march in various Krishna Consciousness Welfare activities around the world, protecting the organisation against any maya & negative forces, to gain a spearheading status in Hare Krishna movement, glorify You and The Supreme Personality of Godhead for the benefit of taking several jivas Back to Godhead.

Your Servant,

Bhakta Rajeev N Rajan.

Dear Srila Prabhupada,

Please accept my humble obeissances unto your lotus feet. I have been chanting 10 rounds of Hare Krishna Mantra since 2years. I have learnt from Bhagavad Gita that I am not this body, I am spirit soul. But I am engaged in serving my body, mind, intelligence and ego. Please give me realisation to come to spiritual platform of serving Krishna. To solve all the problems of life one must execute bhakti yoga which begins with chanting, hearing and honouring.

Please give me opportunity to execute these three things in my entire life. Please make me remember Krishna at the time of my death.

Your Servant,

Bhakta Rajesh Kumar.

Dear Srila Prabhupada!

Please accept my humble obeisances at your lotus feet. All Glories to Your Divine Grace! Though this is a yearly practice of offering my gratitude to you, Srila Prabhupada, I do pay homage everyday at your lotus feet for all that you have done for me. In my childhood I was told that to approach God, one must be a great scholar in Vedas, but chanting of the Hare Krishna maha-mantra revolution has changed my understanding. Chanting, dancing, hearing Krishna-katha, honoring, Krishna Prasadam and reading your books is just enough to reach Krishna. People say we should not be indebted to anyone but I am indebted to you, Srila Prabhupada, life after life! Please grant me the service of being a soldier in your

mission, so that I can deliver your sublime instructions to people around me. Please keep me always under your guidance and bless me with your devotional service, Srila Prabhupada.

Servant at Your lotus feet,

Bhakta Raj Kamal.

My dear Srila Gurudev,

Please accept my humble obeisance at your lotus feet. I offer my respectful obeisance unto His Divine Grace A C Bhakti Vedanta Swami Prabhupada, who is very dear to Lord Krishna, having taken shelter at His Lotus Feet. By the mercy of the spiritual master (Prabhupada), one can receive the benediction of Krishna. One cannot make any advancement without his mercy. Therefore, I should always remember and praise my spiritual master and I should offer my respectful obeisance unto the lotus feet of my spiritual master "Srila Prabhupada". I thank you for the mercy you have shown on me, my Gurudev. Without your blessings, my days are incomplete. Without your mercy, nothing comes in this world to me. Today when I look back, I feel that I have wasted so much time by not following you. It took so long for me to understand, even though you kept repeating it, if you had not been patiently preached me and cared for me, I would have been completely lost. I feel that my life is better now and I am much happier and peaceful. My fortune is boundless to have your grace Srila Prabhupada. So on this most auspicious day of your appearance, I beg that you please accept my attempt to write this humble offering to you and keep reciprocating with your causeless mercy. Furthermore, I beg that you kindly remove the black umbrella of ignorance that is presently covering me so that I can properly receive and follow your instruction and try to serve your lotus feet with ever-increasing purity, love, and devotion.

Dear Srila Prabhupada,

Please accept my respectful obeisances unto your lotus feet. On this auspicious occasion of Vyaasa Puja. Though engaged in all kinds of activities, under your protection, devotees can reach the eternal and imperishable abode by your grace. The word mad-vyapāśrayaḥ means under the protection of the Supreme Lord. To be free from material contamination, a pure devotee acts under the direction of the Supreme Lord or His representative, the spiritual master. There is no time limitation for a pure devotee. He is always, twenty-four hours a day, one hundred percent engaged in activities under the direction of the Supreme Lord. To a devotee who is thus engaged in Kṛṣṇa consciousness the Lord is very, very kind. In spite of all difficulties, he is eventually placed in the transcendental abode, or Kṛṣṇaloka. He is guaranteed entrance there; there is no doubt about it. In that supreme abode, there is no change; everything is eternal, imperishable and full of knowledge. Just like how diligently you have followed all your instructions and teachings by your spiritual master Srila Bhakthisidhanta saraswati thakura, similarly please bless me to follow your instructions. You are embodiment of wonderful qualities such as virtuous, good, righteous, upright, upstanding, high-minded, right-minded, principled, proper, honorable, honest, just, noble, incorruptible, scrupulous, respectable, decent, irreproachable, truthful, law-abiding, clean-living, chaste, pure, blameless and sinless. My love and respects to you my dear guru Srila prabhupada.

Your Servant,

Dear Srila Prabhupada,

Please accept my humble obeisances, All glories to you Srila Prabhupada, you have been very compassionate and kind to me and everyone. you clearly mentioned that chanting 16 rounds attentively will please you, reading books will please you, distributing your books will please you but i am struggling with all these and have a long way to go, you are my one such inspiration and my spiritual master. I'm so much attached to ISKCON and your divine spiritual knowledge of Krishna consciousness and the hare Krishna movement you started through decades, you gave me the information of eternal life after death or else i would have been materialist, and make me rid of this material world, and that association with devotees helped me a lot and i'm relentlessly coming to ISKCON to practice Krishna consciousness. May your spiritual teachings spread far and wide and reach as many people, bless me to chant 16 rounds and read your books and engage my consciousness in serving Krishna and Radha rani, and I am fortunate by your blessings. Please keep me always at your lotus feet, and engage me in your service.

Your fallen servant,

Dear Srila Prabhupada,

My humble obeisance to your lotus feet. In this vyasa puja. I would like to offer my homage onto you. As you the original spiritual master in this age of kali yuga. You have founded ISKCON in the early 1960's and have spread Krishna message all over the world. Without God consciousness human society and human life becomes is with out vision. You have shown us how to chant the holy name of lord and spread the mission of "Chaitanya maha prabhu". I pray at your lotus feet to always keep me under your lotus feet so that I can serve you and Krishna always.

Please accept my humble obeisances, All glories to You on this auspicious day of your appearance. Your book on Science of Self Realisation has helped me grow immensely as a spiritual person and you have made me realise that there is so much of Science involved in Spirituality. You have made me realise how fascinating the Cosmos is when I got an opportunity to see the Vedic tour of Universe. You have shown all of Krishna devotees the true path to happiness and the same energy has been transferred to my Folk guide who in turn transferred your blessings to me. I am ever grateful to all the kirtans of Yours

which rejuvenates me and helps me blossom with exuberant energy to face all the obstacles in the material world. Jay Prabhupada! Hare Krishna!

Dearest Srila Prabhupada our Gurudeva

I offer my most respectful and humble dandavat pranams at the dust of your lotus feet. All glories to Jagad-Guru, Srila Prabhupada and all glories to your loving divine grace. Guru-Maharaj, the just concluded year has been full of realizations .I have been daunted by your various pastimes and it has created that ecstatic Rasa in Krishna Bhakti and full of new spiritual experiences by your blessings. You have allowed me to keep you at the centre of my life each day and I can feel your causeless mercy flowing unconditionally in the upkeep of my devotional service despite me not chanting with concentration and failed now and then to keep up your instructions. Its now been now 6 years since Lord Krishna mercifully got me acquainted with your Grace and there upon all the promising Shiksha Gurus who have strives so hard in their endeavour to keep this movement follow your precise instructions and achieve goals....This new road map has made a deep impact and my life and thinking process has changed Guru-Maharaj, you have left after making all necessary arrangements for fallen souls like me to take shelter and also paved way for nonsensical persons like me to pursue other souls to take up Krishna Consciousness ..This has given me such a great delight and for once I have got a feeling I have done something good in my life because it was for you Maharaj and Lord Krsna...Guru-Maharaj, I must admit today that I am soaking in the immense pleasure obtained by serving Guru and Krishna and this servitor attitude has instilled a great deal of hope and direction in my otherwise directionless life. As I am writing this I am enjoying pure ecstasy as it is for the pleasure of Guru and Krishna, and I can feel my anarthas slowly dissipating and purification taking place ..

Thank you very much for this great opportunity to write my feelings for your appearance day. Guru Maharaj ...your statement that don't try to understand Krishna just love HIM and "Don't try to see God but act in such a way that God will notice you". has guided me so well and inspired tremendous hope for absolute Krishna Prema as I am a dull and unintelligent person.Your statement in the translation of Bhagavad Gita verse 4.9 that one who *understands the Transcendental birth and activities of Lord Krishna will never return back to this material world has left a huge impact on my life*....Please Guru-Maharaj, instruct me, chastise me for my many offences and guide me to become a better servant of all the living entities. Just as Lord Krishna's glories are unlimited, so are your divine glories. For a dull minded person I am, it would take many lifetimes for me to properly glorify you. On this auspicious day, I pray to remain a speck of dust at your lotus feet, O my beloved Guru-Maharaj. Wishing that we will be in your personal association to celebrate this day and directly get the nectar of your association. Srila Prabhupada ki jaya! Srila Guru-Maharaj vyasa-puja Mahotsav ki jaya!

Your most fallen aspiring Devotee,

Bhakta Ramakrishnan.

Bhakta Ramanathan Rahul

Dear Guru Maharaj,

Please accept my humble obeisances. All glories to Your Divine Grace.

Another year has passed by, a very productive year in terms of spiritual life and realizations by Your blessings and causeless mercy. It has been 5 years since I received causeless mercy from Your Divine Grace and Lord Krishna in the form of association with Your wonderful teachings, wonderful devotees and Shiksha Gurus. Since then my life has transformed a lot. I always feel I am the most unqualified and unfit to be called Your disciple and to be called a devotee of Lord Krishna, but You continue to show compassion to fallen souls like me and shower Your mercy by guiding us through Your books and giving us opportunities to associate with other Vaishnavas who are a part of Your institution.

I consider myself to be very fortunate to be able to serve You and Your mission in spreading Your glorious pastimes and the pastimes of the Supreme Personality of Godhead, Lord Krishna. It is only by Your blessings that I am able to progress in devotional service. By establishing ISKCON, You spread the mission of Sri Chaitanya Mahāprabhu across the globe. In this

way You not only followed Your spiritual master's order but also fulfilled the famous prediction of Sri Chaitanya Mahāprabhu and gave us a new home where we can associate and re-establish our lost connection with our eternal father, the Supreme Lord

Krishna.

On this auspicious day of Vyasa-Puja, let me offer my obeisances to all who have taken shelter of Your lotus feet. I offer my unlimited obeisances to You, Srila Prabhupada, again and again. Please shower Your mercy onto this fallen soul and help me follow all the principles to perfection, steadily progress in devotional service and get rid of this material bondage.

Your most fallen servant,

Bhakta Ramanathan Rahu.

Dear Prabhupada,

Previously I was working day and night for material benefit by which I used to be disturbed. I was feeling unhappy.

By your mercy I came in contact with your Krishna Consciousness movement by which I could understand the purpose of human form to go back to Godhead. I could understand I am not the body and spirit soul. My position is to serve Krishna and please bless me to become your servant. While chanting my mind disturbed from Maha mantra. I could not hear properly. So please bless me for perfect chanting.

Hare Krishna.

All Glories to srila prabhupad,

Please accept my respectful obsolescence! My humble pranams to your divine grace. I am the most fortunate to be associating with your divine grace for unlimited reasons, one of our greatest problems nowadays is anxiety, that comes due to loneliness or inability to face the challenges, when fallen souls like me approach you, your Divine assurance is always available in a letter where in your grace said "Don't feel yourself to be alone because Krishna is always with you" addressing your disciple Ananda in a letter on 3rd April 1969 San Francisco. Offenceless chanting is one of the greatest challenge that I encounter everyday, your grace have purported (BG 9.27)."Due to the contamination of material association, through

many, many millions of births, one's heart is always covered with the dust of materialism, but when one engages in devotional service and constantly chants Hare Kṛṣṇa, the dust quickly clears, and one is elevated to the platform of pure knowledge". Is a dose of encouragement to continue devotional practice. and endeavour for purity in them. Your disciples are extremely hard working, who are in an attempt to fulfill your vision and trying to peers the holy name into the hardest hearts, they are the most trusted beings on this planet, I feel privileged to be associating with them, who are in turn in your gracious association. Your blessed organizations are doing Wonders today. They are humble enough to take your blessed instructions as their life mission. Their attempt to feed prasadam to the needful is much lauded throughout the world. Their attempts to engage the fallen souls in our Lord's services has reached to a new level. On the way to the perfection path I got to know the essential skills as a by-product of spiritual learnings. The Krishna conciseness is the king of all knowledge (raja-vidya),the most fallen souls like me are eternally grateful to your Divine grace lotus feet.

Trying to be your aspiring fallen servant,

Bhakta Ramesh M.

Bhakta Ramesh Srinivasan

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories unto You! Though have had some spiritual inclination (because of the brought up), the chanting process, clarity from reading your books and lectures from senior devotees have given a right direction to begin to progress in spiritual path. Request your mercy and shelter to continue to progress. Currently reading the book 'Prabhupada' by Satsvarupa Dasa Goswami and realize may be a bit your selfless service, causeless mercy and the mission you have undertaken for the deliverance of millions of devotees including us and to satisfy your spiritual master. Understand the importance of book distribution and will do my best and pray for your mercy and guidance. Pray to you Srila Prabhupada to continue to shelter and guide us in Krishna consciousness path and activities. Hare Krishna.

Your Servant,

Dear Srila Prabhupada,

I offer my respectful obeisance unto your lotus feet. All glories to you on this auspicious day of your Vyasa Puja! Today, I am very blessed to express my gratitude towards you. Thanks for giving me this opportunity first of all. Many years have passed away since being in Krishna consciousness. When I look back how I was before I can't believe myself. It's really a tremendous change in my consciousness after coming to Krishna consciousness. Dear Srila Prabhupada, I'm feeling that you always lifted up my consciousness from the lower modes of ignorance. When I summarise my past life, there was always a connection to come to Krishna consciousness through the vaishnavas. Today, I'm here in AKSHAYA PATRA, serving your mission, all because of your causeless mercy. When I started practising Krishna consciousness principles, my belief on you and the Lord got doubled year after year. Now, I have feeling like somebody is helping me behind, every moment of my life, that is none other than you Prabhupada, I'm always grateful to you.

One such incident in this year was when my job location got transferred to another kitchen of AKSHAYA PATRA. I was in search of accommodation nearby because company accommodation was not so conducive to practice devotional service. Hence, I was looking for some other place and I was thinking, for me this place is ok but for keeping Krishna's photo this is not the good place. The moment I thought for Krishna that changed my life. The next day morning, in the dream, I had a vision of His Grace Madhu Pandit Prabhu coming to my room & I welcomed him with smile. Then, I woke up and went to temple where I met a devotee who was looking for somebody to share his room & he gave the room key same day. It was a 2BHK room & inside altar was there with the photos of Sri Sri Radha Krishna-chandra, Sri Sri Sri Jagannatha Baladeva

Subhadra mayya. I got shocked & became nervous that day that without your mercy how all these things are possible! Krishna never leaves our hand & always helps & guides us through his devotees to continue devotional service by sitting in our heart. That was one of the realization in my life all because of our little surrenderance to your lotus feet. I always pray to you to keep us grow like this in the spiritual life to get closed to Krishna, Thank you very much, Srila Prabhupada for all this, for showing me true path of life which people get very rarely in this world,. All glories to your divine lotus feet.

Your humble servant,

Bhakta Ramesha MB.

Bhakta Ramu M N

Dear Guru Maharaja Srila Prabhupada,

Please accept my humble obeisance. All glories to Your Divine Grace! I am so fortunate to receive protection and guidance from you. Your strength is a transcendental force. So on the most auspicious day of Your appearance I beg that you please accept this offering as a humble attempt to somehow or other reciprocate with Your causeless mercy . Wish to come to temple regularly after coming to ISCKON lot of things have changed in my life. Out of many millions of wandering living entities, one who is very fortunate gets an opportunity to associate with a bonafide spiritual master by the grace of Krishna. By the mercy of both Krishna and the spiritual master, such a person receives the seed of the creeper of devotional service. Please forgive my shortcomings in serving you and bless me, Srila Prabhupada!

Your servant,

Hare Krishna, Pamho.

All glories to Srila prabhupada,

I Pay My Humble obeisances to A.C Bhaktivedanta Swami Jagatguru Srila Prabhupada .

Since Four years I am practising Krishna Consciousness I am very inspired from your teachings especially the Books, lectures. I am very proud to be a part of ISKCON organisation which was started by you. In search of Happiness I found an organisation which provides spiritual happiness to all people which is eternal and this is attained by following the process of sankirtan movement, chanting the holy name of the Lord. Mayapur folk trip has given me a taste for krishna consciousness. I pray to you to keep me in engaged in your mission of taking souls of going back to godhead and bring more jivas to krishna consciousness. I sincerely pray to your lotus feet to give sufficient knowledge, blessings, spiritual strength to practice Krishna consciousness by rendering more devotional service and following strictly regulative principles of chanting regularly 16 rounds of Hare Krishna Mahamantra and read your books.

By rendering more service let me become more purer and overcome all anarthas that is creeping in my mind. Please keep me in engaged in Your service of rendering devotional service to the lotus feet of Sri Sri Radha Krishna Chandra and Their Lordships Sri Sri Nitai Gauranga and Sri Sri Krishna Balarama. Please keep me at the shelter of your Lotus Feet.

Your Servant,

Bhakta Ranjith HG.

Bhakta Ranjith Kumar

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to You on the day of Your appearance. I have been chanting since 16 rounds past 3 years and I was in Folk, I was practising Krishna consciousness with many many difficulties, but by the mercy of you Prabhupada i came in touch with ISKCON temple and started practising Krishna consciousness with young aspiring devotees. I have gone through many situations where we cannot come to temple and practice Krishna consciousness, but every time you saved me, like guiding from Folk guides. Now I am Grihasta, still I didn't give up my sadhana. But somehow I am still chanting and hearing going only by the mercy of You Prabhupada. There are so many people who doesn't even know the value of life in the young age, but by the mercy of You I got in touch with ISKCON following all the rules and regulations and service opportunities in festival days, this is just by the mercy of You that I am getting freely.

I have seen so many bogus spiritual masters like giving life advices to improve their personal life benefits. But You have come to change this world from uncivilised to civilised an teach people how to live Vedic life, like following dharma and controlling senses, worshiping Krishna, Your showed people who is Supreme Personality of Godhead and how to worship. There are innumerable books in the internet nowadays, but everything written just to satisfy their personal goals. But you have written all Vedic books like 70 books within span of 10 years, which is impossible to any writer. You have plenty of qualities which one I can describe is, no one seen Krishna before you came and also they don't know how Krishna looks like. But when you guided devotees to draw the Krishna and when published finally then we came to know how Krishna is beautiful and looks like.

All alone you went to New York, America without any support, just to save humanity, there were plenty of bogus gurus claiming themselves they are spiritual master, but America and other countries, so advance in sense gratification they could not change people mind. But You did it with Your personal effort without any support. In my life so many reciprocation happened so far after I became Krishna conciseness. I can say before I came in touch with ISKCON only I have read Bhagavad Gita, you guided and reciprocated even before coming to Krishna conciseness an I have been suffering from many problems, but whenever I am desiring I want to go to trip. I always pray to You and somehow or the other everything will be taken care by You and I will go to the trip and get the blessings from Acharays. Please bless me to chant morning with quality rounds and quality hearing, bless me to get service opportunities always. I am not grahasta, I am now carting 2 souls wherever I am going, my wife. By the mercy of You she became Krishna consciousness, everything going well apart from cooking prasadam. Please bless me for advancing. I pray to Krishna to arrange everything related to Krishna thought and pray to Krishna to success this vyasa puja.

Your Humble servant,

Bhakta Ranjith Kumar.

Bhakta Ratnadeep Ray

Dear Srila Prabhupada,

Hare Krishna. Please accept my humble obeisance. All glories unto your lotus feet. I used to often wonder why not all are interested in God and why people cannot attain Him. Then eventually I got the answer - without Guru we cannot develop interest in God and hence cannot attain Him. Sri Chaitanya Mahaprabhu admitted this as follows:

“brahmāṇḍa bhramite kona bhāgyavān jīva, guru-kṛṣṇa-prasāde pāya bhakti-latā-bīja”

Srila Vishwanatha Chakravarty Thakura also says something similar as follows:

“yasya prasadam bhagavat-prasado,yasyaprasadan na gatih kuto pi”

Hence I consider myself to be extremely fortunate to come in touch with you in the form of your books, lectures, instructions and your disciples. Now I feel I know the pathway to God, all thanks to your causeless mercy. After coming in touch with you, I too experienced many ups and downs in my life. Many time I thought of even quitting Krishna Consciousness. But still today I am connected with this. This happened only because of your caring. Several times I came across many dangers but your care saved me. Without your causeless mercy, I couldn't have given up the bad habits which haunt most of the common people in today's world. Thanks to your causeless mercy, I got to taste the real glories of several holy places like Vrindavan, Mayapur, Jagannatha Puri, Dwarika etc. Many times I have committed offences against the Lord, holy name of the Lord and even the holy abodes of the Lord. But I am not really scared of the consequences as I know your causeless protection is there upon me. For this I should be eternally grateful to you. In case you feel offended by me which I might have committed after coming under the influence of Maya, please forgive me like a father forgives his son and please don't mind that.

Dear Srila Prabhupada,

Please accept my respectful obeisances unto your lotus feet.

"Guru Brahma Gurur VishnuGuru Devo Maheshwaraha

Guru Saakshat Para BrahmaTasmai Sree Gurave Namaha"

As An aspirant, not knowing what i have done in the past or where i stand at present, and not having a clear idea of the nature of the goal to be attained, But a Guru who has attained perfection and is established in the state of unity with God, can see through an aspirant, know my past, and judge my present spiritual status. Thus, without a Guru it is impossible to proceed far on the spiritual path. Not a single enlightened soul will ever deny the necessity of a Guru. O my spiritual master I would like to express my heart felt gratitude to you for bringing me in to the contact of Supreme Personality of Godhead by providing me the powerful weapon Hare Krishna Maha-Mantra.

Thankful to you for your teachings which paves the way to know about my dear Krishna ,I am owed to you for accepting me as disciple though I don't have a qualification.

The hidden ignorance, absence of the knowledge of self, the world-Maya, the body – are all caused by ignorance (ajnana). By whose grace one attains direct knowledge of the self — he is known by the name 'Guru.' There is no greater Truth than the Guru, no greater penance than the Guru, no knowledge greater than the Guru – therefore to that Guru I ever pay my homage.

O my master i am surrendering to you , please enlighten me in spiritual path and i don't have words to express my heartfelt gratitude.

Your Aspiring Disciple,

Bhakta Ravi Chandran.

Respected Guruji - Srila Prabhupada,

*Hare Krishna Hare Krishna Krishna Krishna Hare Hare
Hare Rama Hare Rama Rama Rama Hare Hare.*

Oh! Spiritual master ..You are the ocean of mercy . You are the only person who can deliver all the fallen souls in this material world. I am ever grateful to you Guruji for identifying and picking me up from the illusory material world through your master plan and your instruments. Always grateful to you for showering your causeless mercy on this fallen soul for almost 2 decades. It is me who is so fallen that I have not been able to receive more and more of your mercy. Please continue to bless me Guruji in this aspect. Countless people have been beneficiaries of receiving your causeless mercy. You have created innumerable miracles in all of them. And I can remember many occasions where you have always made me feel your presence and there by face many challenges in my service I am doing since last 7 years. I have successfully managed to follow your instructions of Regulative principles in life. But at the same time to be frank, there are many occasions of late where due to time and very busy service pressures which you are aware, I have miserably slipped. I know my limitations and hence beg your forgiveness for all the wrongs done in past. Also beg you to make me understand the importance of following chanting without fail daily.

I am such a fallen rascal that I am falling short of words to glorify my Spiritual Master. But least I can sincerely and proudly do is to pronounce to the world that you are my Spiritual Master for eternal and would always follow your guidelines. Always beg you to hold my finger and take me with you in this dark and slippery Kaliyuga journey where Maya is waiting to snatch me from your safe custody. In this endeavour, I would of course seek your blessings on my beloved wife, son and aged father so that they also realise one day the subtle reality of this temporary material world. Wishing to be always in your service eternally Guruji.....

I have practising Krishna consciousness years together, but I didn't get any attachment to 'Hare Krishna' maha mantra. Please bless me , so that I'll get more attachment to Hare Krishna maha mantra and service to you and Lord Krishna. Please

bless me so that I can understand your philosophy of Krishna consciousness through your books and teachings. Even though I read many of your books multiple times still I didn't get more attachment to Krishna, not able to understand Krishna and not able to remember Krishna always. I am most thankful to you Prabhupada; because you opened my heart with transcendental knowledge about Krishna and you are keep on blessing me on practice of Krishna consciousness.

I here by seek your blessings and I believe that you would be with me and guide me in every step that I take in my life and would help me to reach greater heights in my life. I also have that feeling that you would take us to Krishna also. I promise that I will increase my chanting rounds and will read your books.

Hare Krishna,

Dear Srila Prabhupada,

"Please accept my humble obeisances unto your lotus feet, all glories to you on this auspicious day of your appearance".

O spiritual master "My dear Srila Prabhupada, Thank you for giving me this chance of Krishna consciousness which is very rarely a soul gets in this cycle of birth and death. I'm always indebted to your lotus feet which has given me a chance to cleanse my sinful activities and go back to home, go back to godhead, as I'm insignificant among insignificant soul/beggar. If your Mercy on this poor soul has not shown, I didn't know what I would have become in this material life. Please accept my humble gratitude at your lotus feet and help me reach higher state of Krishna consciousness with your grace and mercy.

Your servant,

Bhakta Ravindra Raju

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories & glories to you. First of all, thank you so much for the wonderful arrangement you have made for practicing Krishna consciousness to this extent. I am like a small baby, trying to take my first steps & falling down, yet trying again to get up walk. Srila prabhupad, I cannot imagine living in this world without this arrangement you made for fallen souls. It is you who has introduced god to all of us. Gave your divine instructions on self-realisation & understand what god is expecting from us. You have defined compassion, Self-realization, gratitude, love & brotherhood. Dreaming big is very easy. But converting the dream into reality is the real challenge. I cannot imagine, the

kind of hardships you had gone through to bring this institution in this shape today. I was always thinking that I am missing your physical presence until I started reading your books. Your books are indeed the best thing one can get in their life.

It is believed that Bhaktivedanta Swami's most significant contribution are his books. Within the final twelve years of his life Bhaktivedanta Swami translated over sixty volumes of classic Vedic scriptures (such as the Bhagavad Gita, Chaitanya Charitamrita and the Srimad Bhagavatam) into the English language. (Excerpt from Wikipedia) This is huge gift for the mankind. I hope more & more people will soon realise the importance & take it up seriously to read this beautiful work. You have also defined the word Acharya. You personally demonstrated the art of living. Also showed us how to obey the instruction of Guru. (All glories to Srila Bhakti Siddhanta Sarasvati Goswami Maharaj).

Compassion: You are compassionate to the core. There were no criteria, no filters. Anyone who wants to understand god & wishes to increase their love to god, you have provided them immense opportunities. Irrespective of their religion, caste, colour, financial status, background, gender. I have heard that, Guru always accepts only one disciple, since guru while accepting disciple had to also accept his karma. While you have accepted all of us as your disciple regardless of our karma. Who can be more compassionate than you?

Never give-up attitude: While performing any service at temple, when we come across any challenges, we immediately think of your journey to America. You inspired so many people & continuing to inspire more & more people. On this auspicious day I am taking oath to serve your mission to the best of my ability, of course by grace only.

Our humble prayer to you:

śrī-guru-caraṇa-padma, kevala-bhakati-sadma, bando muṣi sāvadhāna mate, jāhāra prasāde bhāi, e bhava toriyā jāi, kṛṣṇa-prāpti hoy jāhā ha'te

The lotus feet of our spiritual master are the only way by which we can attain pure devotional service. I bow to his lotus feet with great awe and reverence. By his grace one can cross the ocean of material suffering and obtain the mercy of Krishna.

guru-mukha-padma-vākya, cittete koribo aikya, ār nā koriho mane āśā, śrī-guru-caraṇe rati, ei se uttama-gati, je prasāde pūre sarva āśā

My only wish is to have my consciousness purified by the words emanating from his lotus mouth. Attachment to his lotus feet is the perfection that fulfills all desires.

*cakhu-dān dilo jei, janme janme prabhu sei, divya jṣān hṛde prokāśito
prema-bhakti jāhā hoite, avidyā vināśa jāte, vede gāy jāhāra carito*

He opens my darkened eyes and fills my heart with transcendental knowledge. He is my Lord birth after birth. From him ecstatic prema emanates; by him ignorance is destroyed. The Vedic scriptures sing of his character.

*śrī-guru karuṇā-sindhu, adhama janāra bandhu, lokanāth lokera jīvana
hā hā prabhu koro doyā, deho more pada-chāyā, ebe jaśa ghuṣuk tribhuvana*

Our spiritual master is the ocean of mercy, the friend of the poor, and the lord and master of the devotees. O master! Be merciful unto me. Give me the shade of your lotus feet. Your fame is spread all over the three worlds. I feel lucky that you have given me the opportunity to serve in your mission, even though I am most fallen.

Your Humble Servant,

Bhakta Ravindra Raju.S.N.

Dear Srila Prabhupada,

Please accept my humble offering unto Your lotus feet.

I thank You Prabhupad -

1. For showing me the aim of life.
2. For helping me to understand what human life is meant for.
3. For showing the path of how one can be happy.
4. For helping me to understand the spiritual world and how it is different from material world.
5. For guiding me to think about Krishna which should be the only thing in mind.

It is only because of You, I am able to understand the Indian scriptures in correct way and able to understand the wonderful teachings of Bhagwat Gita. Through the wonderful books written by You, I was able to enhance my spiritual knowledge and fight with my material thoughts. Your simple teaching also involves simple living and high thinking. Thank You so much for making me understand the qualities of Lord Krishna.

I thank Lord Krishna for getting me in touch with You and Your teachings without which whatever knowledge I acquire would have been worthless. You gave me the reason for living. I thank You so much, Srila Prabhupad.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to Srila Prabhupada.

Srila Prabhupada, I even don't know how to express my gratitude towards You because of myself being the most fallen soul of the entire creation. But on this very day I'd like to thank You for Your causeless mercy on this undeserving soul. You have given the holy name which can deliver the conditioned soul like me and take me back to godhead in association of Krishna and his pure devotees. You have given me the biggest/most valuable gift for free but I'm so rotten that I've no sufficient value for it and am taking it for granted which is aspired by many many yogis who take severe penances and austerities to get it. The gift which You have given to me is unrepayable. When someone meets even a small authority of this material world he feels very fortunate, but in the form of Nama Rupa avatara of the holy name, You have given Krishna to me but I've no attention on hearing and respecting the holy name of Krishna, who is the biggest authority in the entire creation. On this appearance day of Your divine grace I yearningly beg for Your mercy so that I may improve my japa quality and value the association of devotees which You have given.

I beg for Your mercy to be freed from clutches of Maya which can go away from just one kick of Yours. You once stated that we may have many problems in life but just by one kick of Yours all our problems will be solved. My biggest obstacle from being serious is my attraction for Maya. So I beg for Your mercy Prabhupada so that I loose that taste and start realising the taste of devotional service. Please save me from the clutches of Maya. Prabhupada some how or other I've come under Your shelter by Your causeless mercy which I don't deserve at all so please always give me the shade of Your lotus feet.

Lastly, I beg forgiveness for all the offenses I've committed under Your lotus feet knowingly or unknowingly because of me being a careless, useless fellow. Please continue showering Your everlasting mercy on and save me as it is only by Your

causeless mercy I can be saved. I don't desire anything but only beg Your causeless mercy, Your causeless mercy, Your causeless mercy on this occasion.

Yours most fallen insignificant servant,

Bhakta Rayjan.

Bhakta Revantha

Dear Srila Prabhupada,

Please accept my humble obeisances at Your lotus feet. I would like to be always under your shelter and constantly gain knowledge about Krishna Bhakti. This is not possible without Your mercy. Please always guide me to cross this material ocean. I know I am not qualified directly to get the Krishna prema but You're so merciful that I got this knowledge through You. It was only by mercy I got the opportunity to be part of Puri trip for which I consider myself very fortunate. ISKCON Bangalore has been doing a lot of great work under your guidance and leadership. The group is opening so many centres around the world, just to wake up people like me and to bring them closer to you. Please shower your mercy unto me so that I can chant 16 rounds Hare Krishna Maha mantra. Please bless me to do chanting daily, read your books nicely and associate with devotees.

Your servant,

Bhakta Revantha.

Dear Srila Prabhupada,

Please accept my humble obeisance's, All glories to you on this auspicious day of your appearance.

I had been feeling lonely although I had the mission of starting this Krishna Consciousness movement. So, Krishna sent you to me, and therefore our meeting was also the desire of Krishna. Therefore, both of us, or for that matter, all the boys and girls who are working with me, have met by the desire of Krishna. As such, everyone should always feel the responsibility that Krishna wants us to do something for Him, and we must invest all of our energies to fulfill this mission of Krishna Consciousness. I came in contact with ISKCON and Srila Prabhupada in June and I couldn't relate more with the above quote. The mission started by Prabhu has been uplifting people out of their miseries and materialistic senses since it's inception and continues to do so. Values instilled by Prabhu and ISCKON are simple yet effective in Uplifting Individual and Society. Since day one I have been living the concept of simple living and high thinking. Every aspect of Krishna, values and preaching offered by Prabhu are simple and yet effective tool to enlighten and uplift individual to focus and achieve more in their spiritual if not personal lives. Prabhu has been the supreme source of so many good will and because of him many good men and women are able to realise their dream of Krishna conciseness and bring happiness and peace to their lives and people around them.

I'm great full to almighty Krishna and Srila Prabhupada for proving me with shelter when I had no roof over my head , food when I was hungry and company of good men when I was lonely .

Your humble servant,

Bhakta Rishi Shukla.

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories unto you on this on this auspicious appearance day of yours.

It is stated that only through the mercy of a pure devotee, one can get Krishna. In every spiritual book, it is mentioned that without a pure devotee's graceful mercy no one can cross this material ocean. My Divine Grace, because of your merciful spiritual books, the forest fire of material existence is extinguished. I remember how it changed my lifestyle of unhappiness and how it turned my vision of life and future. I consider myself a very luckiest person that I got a Guru of such kindness and who is always in Krishna's service.

My Divine Grace, you said that happiness comes only by means of chanting the holy name of Lord Krishna which changed people like me into a spiritual being. Every word that comes from your lotus mouth will turn many people into devotees of Krishna. Even in the very advanced age, my Divine Grace you travelled the whole world to give the spiritual shelter under your soothing merciful clouds against the material forest fire. To take your disciple to the spiritual world, you consider to stay in this material world. I offer my respectful obeisances to your lotus feet, who is most dearest to Lord Krishna.

Your humble servant,

Bhakta Rishikumar S.

Dear Srīla Prabhupāda,

Please accept my humble obeiscances.

It is indeed by Your greatest mercy that I am still alive and still on the right path of my life, i.e, towards my goal of achieving Krishna Consciousness. Though I suffered bad company at all places I went and studied, if it was not to Your kindness and mercy towards fallen worms like us, there would be nothing to save us from the dangerous clutches of Māya, and we would all have been hopelessly floating, lost in this Bhava-Sāgara, the Ocean of Nescience. Through Your recordings and books, You continue to deliver millions of fallen souls like me from each and every corner of the world even to this date. Therefore, this Earth planet would forever be indebted to Your Divine Grace for carrying out Lord Srī Krsna Chaitanya's mission of spreading the Hare Krishna Mahā Mantra all over the world.

Hope I would be of any service at Your Lotus Feet some day.

Your most fallen servant,

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to you! There are trillions of stars in the Universe but there are only few that shine the most and are distinguished. We have our Pole Star that has shone the brightest and guide

us through even in the darkest materialistic mundane existence through your divine grace. Your peerless traits and character that was undoubtedly a strong source of motivation for me to go deep into Krishna Consciousness in pursuit of several challenges of the worldly life. With the vision to transform the world into a Krishna Conscious Powerhouse, you have been really instrumental in taking several significant initiatives and out of box solutions to make ISKCON the most respected and followed up institution all across the globe. Your prolific leadership and taking the charge of millions of devotees

through the spiritual love and ecstasy has shown them the way back to their ultimate abode. It is really something which an empowered representative of the Supreme Lord can do. We will always be indebted for all your offerings.

Srila Prabhupada, by your divine grace, I came to Krishna consciousness two years back. The chanting of 16 rounds of Hare Krishna Mahamantra looked as a mammoth task for me at that time. But now really I feel that it is only by your blessings and grace that today I am able to chant 16 rounds just like that. Earlier I used to think that practising spirituality is a work which could only be done by some great personalities, but it is only by accepting you as the spiritual guru, the path to spirituality has become very easy. It is said that the taste of the pudding could only be experienced by having it. It is my personal experience that only after coming into Krishna consciousness, I am seriously unaffected by the material miseries. It is not that the problems have stopped coming in my life, in fact problems are multiplied, but the so called "me" is detached from them despite living with them. Prabhu, at times, I feel myself to be so fortunate that I have come under the direction of such brilliant spiritual master. You are not just an exemplary leader, but in fact the form of Supreme Lord Himself. I feel it is only by your mercy that I am able to sustain the focus my mind in Krishna Consciousness.

I have seriously felt your presence in my life and it looks as if you are personally planning the events in my life without any control of mine. Whatever happening is felt like happening for good for me. I fully surrender to your lotus feet. The dangerous attacks of "Maya" are constantly trying to deviate my mind from Krishna consciousness, but it is only by your grace that I am continuously engaging myself into path of bhakti. I seriously pay my reverence to you from the core of my heart for entering into my life. I also further pray that my mind should always remember Krishna and it should not be deviated by Illusionary forces of Maya. I wish more spiritual progress in my life which could only be possible by your Divine grace. Please give me strength to continue my journey in Krishna consciousness forever, Give me strength to control my mind and serve Krishna with full love and devotion. Thanks for making your blissful entry into my life.

Dearest Srila Prabhupada Guruji,

All glories to your divine grace and please accept my most humble obeisances at your lotus feet on this most auspicious appearance day anniversary of your Divine Grace.

I must have been a very lucky soul to have come in touch with your teachings and be associated with Iskcon. To quote the very first line of Bhagavad Gita "I was born in the darkest ignorance, and my spiritual master opened my eyes with the torch of knowledge. I offer my respectful obeisances unto him. Since school, I was always taught "Guru is Brahma (God of creation), Guru is Vishnu (God of preservation) and Guru is Shiva (God of destruction), my salutation to such a guru who is verily the Supreme God." You were so very kind to come back to Earth and help humanity establish Iskcon and raise our consciousness to the Vedic principles of living. You endured so many hardships and went to western countries to preach the teachings of Lord Caitanya and deliver the fallen souls of Western countries. You are an ocean of infinite compassion and mercy and my Lord, I am so very fortunate and lucky to have read your books multiple times and seek inspiration to do well for myself and for all the creatures of mother Earth. One of the most beautiful things to have happened in my life is to live on your principles of how one can advance in Bhakti Yoga. You have inspired me and give energy to me to chant 16 rounds of Hare Krishna Mahamantra daily. The chanting has reduced all my negative tendencies like anger, cravings for unhealthy food and is greatly helping me purify my body, mind and soul.

The chanting has improved my physical and mental health and has also greatly improved my relationships with my family members and friends. I have gained a great clarity in my life and have achieved a state of perfect peace and well-being which I was searching for the last so many years of my life. My earnest prayer and humblest request for you is to always give us place in your lotus feet so that we are able to achieve liberation from this world full of miseries and cruelties. Please also give me strength and guidance to always be associated in your loving service at Iskcon and become the best person I can become. Yours in gratitude, eternally.

Your most fallen soul an aspiring servant,

Dear Srila Prabhupada,

Please accept my respectful obeisance on to your lotus feet.

I am eternally grateful to you for giving me this beautiful gift of Krishna consciousness. It is difficult for me at this present moment to render service unto you with full attention. I am trying my level best. If I committed any mistake while doing service knowingly or unknowingly please forgive me. Please give me a strength to overcome the same. Thank you for changing my lifestyle and lead a meaningful life by practising Krishna consciousness.

Your humble servant,

Krishna is yours. You have the power to give Him to me. I am simply your servant running behind you shouting, "Krishna! Krishna!" I am tiny and not qualified to glorify your grace. You are kind and compassionate towards fallen souls like me. The words emanating from your lotus mouth has simple meaning but so effective. Where a mundane ordinary person or mayavadi also can understand and realising oneself. I am fortunate that you shower causeless mercy upon me. You had given all the instructions in the divine books which are very helpful in each step of my life. I pray that you always keep me at your lotus feet so that I can serve you and Krishna always.

Tad viśānārthaṃ sa gurumevābhigacchet In order to understand that Vedic knowledge, one has to go to the proper master, teacher. You have been really merciful towards me by giving me the rare opportunity to chant Hare Krishna and render service to the Supreme Lord although I was in such ignorance. You have shown me the correct way of leading life. It is just impossible to express my feelings for you in words. You are the father of the entire world. It is only because of you that I now relish prasadam, I wear Vaishnava tilak, I know the significance of human life, I want to visit Vrindavan. Also, now if I am eager to see the beautiful form of the Lord daily, it is only because of you, dear spiritual master. Please forgive me for whatever offences I have committed knowingly or unknowingly towards anyone.

Hare Krishna Srila Prabhupada,

I offer my respectful obeisances unto Your lotus feet. All glories to You!

I still remember the days when I first started reading "Beyond Birth and Death". That was some 8 years ago. Throughout Your books (conversations and dealings), Your Divine Grace have never failed to flabbergast me with Your transcendental undertakings. I would like to recollect one particularly unique pastime of Your Divine Grace:

It was the beginning of 1977. Prabhupada was in Bombay temple. He was very sick. He had stopped all food intake – He was taking 1/4 a cup of orange juice per day. His body had only bones left – there was no flesh. And yet, He was insisting that He wanted to go to London. The doctors had given up responsibility. But as always, He was adamant.

At this time, one Pancaratrika Pandit from Bangalore named Sampat Kumar Bhattacharya came to know about Srila Prabhupada's situation. So, he took a flight from Bangalore to Bombay – which in those days was a huge thing for a Brahmin

priest – and met Prabhupada, and asked for a private meeting. Generally, nobody was allowed a private meeting, but when he said that he specially came by flight from Bangalore to meet Srila Prabhupada, he was allowed a private meeting. So, everybody was asked to go out, and they talked.

The conversation was like this: Sampat Kumar: *'Swamiji, I am feeling very pained that You are suffering like this.'*

Prabhupada (laying down, in broken words): *'The whole world is meant for suffering. Dukhalayam asasvatam.'*

Sampat Kumar: *'But still Swamiji, there are so many people depending on You. So when You suffer, they suffer.'*

Prabhupada: *'What can I do?'*

Bhattacharya: *'Swamiji, I want to tell You something. In Vrindavan temple, they are having Your deity on the altar. And all kinds of people are coming and praying to it, and offering flowers to it, and You are still living. According to Pancaratra, when the Acarya is living, if he puts his deity on the altar, then all the sufferings people are having come to his body through the deity. So You please tell Your disciples to worship Your deity only after You leave Your body.'*

He was speaking as if he was giving some information to Prabhupada, which Prabhupada did not note.

Prabhupada: *'I know. I came here to take their suffering.'*

Bhattacharya was shocked. He was not giving any new information. This was well known to Prabhupada; and he was determined to suffer for others.

Prabhupada: *'Do You have anything else to say?'*

Bhattacharya: *'Swamiji, if that is Your wish, what can I say? I am only a priest.'*

Prabhupada: *'Even when I leave, I will keep continuing taking their suffering, and make them free so they can keep chanting Hare Krishna.'*

So for 10,000 years, Prabhupada's deity is going to be sitting in temples around the world, and taking all our sufferings, and making us free so we can chant Hare Krishna. He is not fiberglass; He is really there, accepting our prayers, obeisances, and suffering.

Where else in the recent history can we come across a personality who had such compassion for the most fallen souls. And via his books Srila Prabhupada continues in his effort to guide every one of us to the top region of the spiritual world, Goloka Vrindavan. He is the 'Jagat Guru' in this age of Kali for next 10,000 years.

All glories to Sri Guru and Gauranga! All glories to Srila Prabhupada!

Your servant, Bhakta Sai Prakash.

Bhakta Sai Teja

Dear Srila Prabhupada,

Please accept my humble obeisances, All glories to you on this auspicious day of your appearance. I want to thank you to the most in my life Because of your association(books) , my spiritual progress is little increased,on this year.

My chanting quality, book reading, and respect towards vaishnava is increased compared to previous year. If any time I feel depressed, oh I didn't complete chanting then I remember these words "If you do daily chant 16 rounds and read my books I will kick out Maya" these words motivate me to do more chanting. Any time if I visit temple, I feel that it is not a temple, it is Prabhupada University , it is a place where we can grasp real knowledge , real guides.

Prabhupada, I am begging you, please increase my spiritual progress and I don't have much intelligence towards service, please give me some intelligence. Thankyou Srila Prabhupada,

Your humble servant, Bhakta Sai Teja.

Bhakta Sailesh

Dear Srila Prabhupada,

My humble obeisances unto your lotus feet. I am very small to glorify you Srila Prabhupada. You are so merciful. You had given me Krishna in my life. I am happy that my brother (Mithilesh) has got the opportunity to serve you. By your mercy I'm rendering service in Krishna Life. We are like fish out of water. Just as a fish cannot be happy unless he is in the water, we cannot be happy without Krishna. So I'm fortunate, now I'm work in Krishna Consciousness. Thank you Srila Prabhupada. The happiness in serving Krishna is the happiness that material world cannot impede. Because we can always serve Krishna in some way or the other under your guidance.

Your Humble servant,

Bhakta Sailesh.

Bhakta Samarjyoti Baishya

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to you. I am really blessed by your divine grace to come in touch with ISKCON movement and practice basic sadhana bhakti for almost 7 years. Very frequently, I try to hear your lectures and read your books on Krishna consciousness. Your lectures on Bhagavad Gita, Srimad Bhagavatam etc are very much inspiring for a neophyte devotee like me because you had presented Krishna consciousness with lot of practical examples like iron rod kept in a fire, bird in a golden cage, Dr. Frog philosophy etc. Also you had presented the philosophy of Krsna consciousness without any controversy on the basis of religion, caste, language etc. You had openly distributed the philosophy of Bhagavad Gita to every corner of this world. The Bhaktivedanta purports written by you clears the message of the slokas so nicely that it had cleared my concepts about certain topics like 24 elements of material nature, Banayan tree in 15th Chapter of Bhagavad Gita, peace formula in BG 5.29 etc. Also your faith and dedication towards the instructions of your spiritual master for promoting Krishna consciousness towards the west had inspired me a lot.

Despite of your old age and several other material obstacles, you had such a firm faith on the mercy of Guru and Krishna. Your glories and contributions in the field of Krishna consciousness is difficult to describe in words. Thus kindly bestow your mercy upon me so that I can be a part of ISKCON movement for the rest of my life and serve the mission of Chaitanya mahaprabhu with my heart and soul. All glories at your lotus feet.

Your servant,

Bhakta Samarjyoti Baishya.

Bhakta Sanam Dinesh

Dear Srila Prabhupada,

Please accept my humble obiesances. All glories to Srila Prabhupada and your dedicated devotees, I am glad and became purified by being a servant of your soldiers. I could achieve this only by doing immense service of your dear ones. By that I could remove all the black clouds in front of my rare life and bring the actual light into my life, it's brighter now. You are the Supreme commander of my time in this world, give me all power to follow your instructions Prabhupada.

I bow to your lotus feet.

Your servant,

Bhakta Sanam Dinesh.

Bhakta Sandeep Chavan

All glories to His Grace Srila Prabhupada,

Please accept my humble obeisance.

Dear Prabhupada It's been my 4 consecutive years in Krishna consciousness and I wanted to express my sense of gratitude with whole heartedness to Your Grace.

Your teachings shows one the clear manifestation of the nature i.e (prakriti) and it's in uncompromising norms, which can be decoded through Your books.

My conscience has been refined with Your pedagogy and Your pure devotees in ISKCON Bangalore, they who provided me the assistance in every part of learning and execution process.

I conclude hereby saying that, it is enlightening to be a part of Krishna consciousness and I hope I'll be better more than today in this movement by imparting knowledge to other living entities as far as possible.

Hare Krishna.

Your Servant,

Bhakta Sandeep Chavan.

Dear Srila Prabhupada,

My humble obeisances unto your lotus feet.

I feel very fortunate to be writing this letter to you on this auspicious day of Vyasa puja.

I will start this letter with how this ignorant soul became your disciple and started to follow your teachings. I remember in my childhood, in my middle school visiting ISKCON temple with my parents. Whenever I come to the temple, I felt a kind of divine feeling and I used to enjoy coming to the temple.

In the main temple hall when I sat with my parents, I used to stare at the paintings on the ceiling and wonder how beautiful and happy those past times of Krishna were. And I used to enjoy the pongal prasadam very much. Now I feel that this is what have brought me closer to you.

I also remember once my father glorifying you while we were in temple. He was telling me that you were a great scholar and you have traveled all round the world preaching Krishna Bhakthi.

I also used to hear the Hare Krishna Maha Mantra and the glories of chanting the mantra.

When I was in seventh standard, during summer holidays, while I used to explore all the books in the shelf in our home, at many occasion I would pick the Srimad Bhagavad-gita and ponder over the few pages that had pictures. I remember the page with the picture depicting a person who has passed away and people are lamenting and it said - "Those who are wise lament neither for the living nor the dead" and I used to think of this.

When I was studying engineering, I was becoming more inquisitive on spiritual matters. I used to read many spiritual books of different authors and many autobiographies of yogis and I also assumed so many things about the purpose and existence of our self.

Sometimes me and my brother would watch lectures of various Gurus and sometimes lectures of you. Slowly we started to listen more of your lectures and we used to enjoy it. The concept of soul and how it transmigrates from one body to another was interesting.

It is after attending the 'Yoga for Happiness' in the temple with my brother and after my brother's association with your humble disciple and our Guru, Indirapati Dasa Prabhu, we actually got the taste to hear more and more about Krishna and to discuss more about spiritual topics and most important - the differentiation between Vaishnava philosophy and Maya-vada philosophy. I also felt a strong realization of how much ignorant, sinful and foolish person I am.

The following are the drastic changes that came to my lifestyle:

1. I stopped alcohol, which I used to consume rarely with friends and office meetings
2. I stopped non veg including egg
3. I stopped tea and coffee
4. I lost interest in listening to movie songs and watching movies and replaced it with watching lectures and songs that glorifies Krishna.
5. Chanting Hare Krishna Maha Mantra everyday even though it was very difficult to regularly practice it in the beginning. Now I wake up at 4 AM every day to chant 10 rounds - all because of your mercy on me.
6. Started to visit temple more frequently and associate with Indirapati Dasa Prabhu, which motivates me even more to advance spiritually.
7. Participating in Krishna's services - I very much like the special talk by devotees on Sundays, Kirtans, Love feast and services assigned by Indirapatidasa Prabhu. I also enjoyed the wonderful experience of serving pongal prasadam to people during the Ratha Yatra festival.
8. Reading only your books all the time and especially Srimad Bhagavad-gita. The other books I read are -Science of Self Realization, Perfect Questions Perfect Answers, Teachings of Lord Chaitanya, etc..
9. Fasting on Ekadashi

I am extremely thankful and greatly indebted to you for:

1. Making me realize how ignorant I had been all through my life.
2. Making me realize how important this human form of life is,
3. The purpose and goal of this life - which is to go back to Godhead where we actually belong
4. Making me realize the sufferings I am going through my life
5. Importance of chanting the Hare Krishna Maha Mantra to keep my mind controlled and to engage my mind in remembering Krishna throughout the day.
6. Making my life more enjoyable - with the concept of simple living and high thinking.
7. Making my life more enthusiastic, happy even without any material desires, and satisfaction with the self.

I pray to Krishna not to make me forgetful of your lotus feet life after life.

Your humble servant,

Bhakta Sandeep KC.

Bhakta Sangram Sawant

Dear Srila Prabhupada,

Please accept my humble obeisances,

You came in my darkest phase of my life like a torch & took me out of that dark phase. I was just helpless, looking for light but no light was coming, but I don't know how I got your mercy. In that darkest phase of life you came in my life and everything changed. I came to know every problem in my life is not actual problem. Those problems look like problems because of my wrong conceptions behind those situations.

Because of your mercy I came to know who is Krishna , other wise I am thinking Krishna is God like all Demigods . Because there are no parents, School, Teacher, University, society is giving this knowledge of Self Realization, who is God, what is the relationship between He and us, what is ultimate goal of our life because of which we are living a frustrated & meaningless life. You have given so much knowledge through your books. You opened the Institute in which whole world can come & clear their wrong conceptions & live a beautiful & meaningful life .

I don't deserve this life. I am so much a sinful person, I never found out this way but it is you who mercifully showered mercy on the most sinful person in this Universe and gave this knowledge. You did everything for me, I am not finding words for you, how humble you are. Only for us, you walked on a path which is so painful. I read one pastime of yours in which you were standing whole day in such hot weather in front of one donor who promised u to give only 5 Rupees. That story melted my heart & increased my love for you so many times.

You taught us how to serve Krishna. If we love someone, we can't love everyone, but by loving Krishna we can love everyone because Krishna resides in each & everyone. We don't deserve Krishna but by your mercy we are getting Him. You told us, the only time in which we are serving Krishna, that is the only time which is utilized in our life, other time is only wastage. Still I don't have love for Harinam.

I beg for your mercy , please bless me with love for Harinam , I find some obstacles in my spiritual life but without you I can't overcome. I want to serve Lord Chaitanya Mahaprabhu & his mission please shower mercy on this most fallen soul, please take me in the shelter your lotus feet.

Thank you so much for everything.

Your fallen servant,

Bhakta Sangram.

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to Your Divine Grace.

I came in touch with You just six months before, after I hear from my colleagues at IISc. The only things I knew about ISKCON was Hare Krishna chanting and some foreigners in Indian Sadhu dress. But, it was my fortune that the class/program in IISc, as organized by ISKCON Bangalore based on Your teachings, really helps me to understand the practical aspects of life. I am still in process of learning the real message of Bhagavad-gita as well as about Krishna Consciousness.

Please give me the strength and Your blessing so that I can help the society by various means.

Your aspiring disciple,

Bhakta Dr. Sanjay K. Upadhyay.

I offer my respectful obeisances unto His Divine Grace AC Bhakti Vedanta Swami Srila Prabhupada.

Oh my guru because of you only that I have come out of this material misery. I surrendered unto Lord Krishna, it's only because of your knowledge I realized the actual purpose of my birth. You are the Guru of this whole globe, if you wouldn't have spread the knowledge, it was not possible for me to chant the holy names of lord Krishna

In the age of 70 you went far away to western countries to awaken the purpose behind the birth of human life and its essence.

You taught the importance of chanting Hare Krishna maha mantra

Narayanam namskrtya naram caiva narothamam devin saraswatim vyasam Tato jayate udirayet

I offer my humble greetings unto your lotus feet which is my worshipable feet

Oh my Guru your love for us is very precious, nothing is more valuable then your love for us.

Thank you so much, for your love and mercy towards the human race.

Respectful obeisances unto the great Guru Srila Prabhupada.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories onto You on this auspicious day of Your appearance in this world.

You being a pure devotee of the Lord, are always in Goloka Vrindavana. You appear in this world only to shower mercy and pick us up from the ocean of nescience.

"The spiritual master is always considered either one of the confidential associates of Radharani or a manifested representation of Srila Nityananda prabhu."

(Śrī Caitanya-caritāmṛta Adi lila, 1.46)

You are so exalted, that Narada Muni came over to meet You, as per remembrances from some of Your disciples. Coming in touch with You is the most precious gift of my life.

An endeavoring seeker cannot progress by himself. I have read many books of Buddhism, other misleading philosophies. It is very difficult, rare to understand all the intricacies and resolve conflicts to discern the actual truth. This market of misleading philosophies is also mentioned in Srimad Bhagavatam.

*na te viduḥ svārtha-gatiṁ hi viṣṇuṁ, durāśayā ye bahir-artha-māninaḥ
andhā yathāndhair upañyamānās, te 'pīśa-tantryām uru-dāmnī baddhāḥ*

Persons who are strongly entrapped by the consciousness of enjoying material life, and who have therefore accepted as their leader or guru a similar blind man attached to external sense objects, cannot understand that the goal of life is to return home, back to Godhead, and engage in the service of Lord Viṣṇu. As blind men guided by another blind man miss the right path and fall into a ditch, materially attached men led by another materially attached man are bound by the ropes of fruitive labor, which are made of very strong cords, and they continue again and again in materialistic life, suffering the threefold miseries.

(Srimad-Bhagavatam 7.5.31 Translation and purport)

It is only by coming in the association of a Pure devotee that one can really progress and perceive the reality. This important aspect is also mentioned by Your Divine Grace in one of Srimad-Bhagavatam purports that,

"the spiritual aspirant's only business is to accept a spiritual master, the Guru and through him we must accept the lotus feet of the Lord"

(Srimad-Bhagavatam 5.14.1 purport)

It is also mentioned in the Padma Purana, that considering Spiritual master to be an ordinary person i.e. to have a material conception is an offence at the lotus feet of the Holy name.

guror avajṣā.

Padma Purana, Brahma Khanda Chapter 25, Verse 15-18

I see Your reflection in all of my recent dealings. I developed respect, love for You mostly by Your lectures and devotees association. These have to be heard submissively. It's through such open mind and servitude, one can understand such advanced spiritual subject matter.

The seriousness You show when lecturing breaks down our strong rigid hill like misconceptions. The urgency with which You insist everyone to take up Krishna Consciousness is what motivates me the most.

It's Your mercy manifesting in me by which I could chant Lord's holy names. How on this world, full of animalistic life can I think to take Lord's pure holy names! I recently visited Dhams like Vrindavana, Jagannath Puri. I can never ever imagine myself to appreciate the Dhams without Your compassionate glance upon us. In fact wherever You stay, that turns into a

Dham. That's why in the recent trip to Vrindavan, we had visited Rishikesh, because You stayed there for sometime. Myself, a confused fallen soul can't think of these by any amount of endeavour. It's only Your causeless mercy that I am able to slightly appreciate these highly elevated aspects. It is You reflecting in me. Lord Krishna seems so far away to me and You are the only dear one approachable. As You have confirmed with a disciple that remembering You at the time of death is equivalent to remembering Krishna, I try to remember You as often as possible, by listening to Your conversations, Guru Vandana prayers.

You were determined to serve Your Guru Maharaj by all means. You used to come over and chant in Advaita Acharya's house, to beg for mercy. Please give me a drop of Your eagerness to serve You. I have read from so many sources that You are so merciful. Even if a disciple falls down, commits mistakes, You forego, encourage to move on and stick to Krishna consciousness.

Whenever I get stuck at a point in rendering devotional service, remembering You helps me cross that hindrance to better serve You. Each time I try to convey the philosophy of Krishna Consciousness, if I am not mindful of right attitude that, I should beg You for providing required remembrance and that it's a service that I'm rendering onto You, I lose sincerity and the level of purity. With it innate tendency to lord over comes up, in the form of pride, and illusion (missing the purpose of preaching, that is to convince them to take up Krishna Consciousness, rather than arguing with them). Thanks a lot for helping me notice these anarthas. Please help me come out of these anarthas and to speak about Krishna Consciousness as it is. This is a rare service opportunity, by which Lord gets utmost pleased. You have made it possible for us to engage in this service by boundless mercy. I take shelter of Your lotus feet.

If You so desire, please use me as an instrument in Your mission

Your aspiring servant, Bhakta Santosh W.

Bhakta Sashidhar

Dear Srila Prabhupada,

Please accept my humble obeisances.

Heartfelt obeisances to spiritual master, Srila Prabhupada and Supreme Lord Krishna.

This glorification is from my real experience felt before and after accepting Srila Prabhupada as spiritual master. Even though I'm trying to concentrate to be in Krishna Consciousness, facing so many challenges and difficulties which leads to sense gratifications.

Again & again trying and falling down, it goes on for almost a year and also felt that something is missing in Krishna Consciousness. Afterwards by the mercy of Krishna, I got to know about the Srila Prabhupada Ashraya ceremony in ISKCON temple.

Immediately initiated and took the shelter of Srila Prabhupada Ashraya, after that faced even more challenges than before. But by the blessings of spiritual master I was able to manage it in such a way that I learnt always to be in Krishna Consciousness.

So from this experience, I realized the two necessary things:

1. The importance of taking shelter of spiritual master and
2. Only by the mercy of Srila Prabhupada (spiritual master), we can be able to attain Krishna.

Thus, only by pleasing the spiritual master, it is possible to go back to Godhead.

Hare Krishna, Jaya Srila Prabhupada!!

Your Servant, Bhakta Sashidhar.

Bhakta Sasidhar

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet. It is only by your causeless mercy that an ignorant fool and fallen person like me is today chanting the Holy Name of the Lord.

Most of the times my mind is wandering after sense gratification due to which I am not able to read your books on daily basis and unable to chant properly. By Your Grace and devotee's mercy, I am able to do some 0.1% of service during festivals and other special occasions. Please bless me Prabhupada to execute services whenever asked by devotees.

Because I am not able to follow the given instructions, I am not able to make any spiritual or material progress and falling. Please bless me to chant properly and read your books regularly and understand.

O spiritual master of the whole universe, kindly be merciful on this fallen servant of yours and always keep me under the shade of your divine lotus feet. Please bless me with more and more seriousness in executing devotional service. Without you I have no other hope.

Your servant,

Bhakta Sasidhar.

Bhakta Satish Singh J

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to you!

It is by your mercy I am continuing my devotional service.

I have been Chanting 8 rounds for 2 years. Thank you for giving me a chance of having Holy Name on my tongue.

I learnt from Srimad Bhagavad-gita that I am not this body, I am a spirit soul. But I am fully engrossed in bodily activities. So please rescue me from the ocean of material activities.

I learnt from Srimad Bhagavad-gita that in order to stop all karmic reactions we have to surrender to Krishna thorough a bonafide spiritual master. Let me perform pure devotional service for the rest of my life.

Please give me the opportunity to practice devotional service under your guidance through authorities.

When I came to know about your past-time from my Folk guide, about how much hard work and dedication you had for your spiritual master at that age, I had tears in my eyes. You had 2 stroke attacks in the ship which is very much terrific but then too, you didn't leave your hope and continued your journey. Really dedication like that I have never seen in any devotees and that's why the whole world accepts you as their spiritual master. Please give me the strength to continue my devotional service

Your fallen devotee,

Dear Srila Prabhupada,

Please accept my humble obeisance.

You are a wonderful spiritual master. Your teachings are a catalyst in the journey to the spiritual world. I have understood the essence of Krishna Consciousness through your books. Your teachings did help me in times of adversity. Hare Krishna Maha Mantra is the best sacred way to draw ourselves closer to Lord Krishna. Thank you Srila Prabhupada.

Dear Srila Prabhupada,

Please accept my respectful obeisances unto your lotus feet.

Thanks to ISKCON for giving us wonderful opportunities to offer our glorifications of Srila Prabhupada.!

Heartfelt obeisances to spiritual master, Srila Prabhupada and Supreme Lord Krishna.

This glorification is from my real experience felt before and after accepting Srila Prabhupada as my spiritual master. Even though I'm trying to concentrate to be in Krishna Consciousness, facing so many challenges and difficulties which leads to sense gratifications.

I have learnt to develop a sense of gratitude towards creation through devotion to the Supreme Personality of Godhead and this is a great blessing for me. I am forever indebted to your guidance and mercy that you have shown upon me. My beloved master please accept my humble offering to your lotus feet.

Your Humble Servant,

Dear Srila Prabhupada,

Please accept my humble koti koti dandawats pranam unto your lotus feet.

I want to extend my deepest sense of gratitude at Your Divine Grace lotus feet for giving me an opportunity to glorify you on account of Vyasa Pooja.

Srila Prabhupada, you have given me a new birth by pulling me out of the darkness of this material world. You have shown me the path which leads to ultimate destination where upon reaching, there is no return. You have taught me to utter the name of 'Sri Radha' and 'Sri Krishna' in the form of Hare Krishna maha mantra. You have taught me to live like a human being.

You have given us access to your divine teachings through your books which you have written painstakingly. You have shown to the masses on how to be clean and tidy both externally and internally. You have shown the ideal way of living a Krishna Conscious life devoid of any duplicity. Srila Prabhupada, you have saved this whole world from going to Godlessness by propagating the 'Gaura vani' across the globe.

Srila Prabhupada, I also want to express my inabilities and deficiencies before you today. Even after giving such facilities, I am unable to follow your instructions. Due to my ignorance, I am committing offences that are becoming hindrances in the

progress of my spiritual life. Therefore my dear master please save me, if you so desire and give me some intelligence to understand your desires and your instructions.

You are transcendental to all the three modes, your mercy is distributed to everyone without reservations and your lotus feet is a shelter to many rotten souls including me, Oh Srila Prabhupada! May your name and your actions be glorified in all the three worlds.

Please make me eligible for being a right candidate to receive your mercy. Only by receiving your mercy, I can know the real meaning of devotional service.

Yours most lowliest servant,

Bhakta Saugat.

Bhakta Saurabh Singh Kushwaha

I offer my respectful obeisances unto His Divine Grace A.C. Bhaktivedanta Swami Prabhupada, who is very dear to Lord Krishna on this earth, having taken shelter at His lotus feet.

Our respectful obeisances are unto you, O spiritual master, servant of Sarasvati Gosvami. You are kindly preaching the message of Lord Chaitanya deva and delivering the Western countries, which are filled with impersonal-ism and void-ism.

Dear Srila prabhupada,

I offer my humble obeisances to you divine grace Srila Prabhupada. its been 4 years now after you have planted bhakti lata bija inside my heart. Lot of trampling , bending, twisting, happened in due course of time. Lot of clarity I got about life & purpose of life.

At least I am blessed that you came into my life in this very life, where getting a teacher who speaks absolute truth is rare. If I wouldn't have you then maybe I would have been wandering in darkness without light. You have always guided me through your books whose words tell subconscious the mind. Even people get amazed where I have a learnt all this. Thinking me to be as a mature 40-50 years old guy. I am blessed that you presented Krishna in such profound way through your literature. Or else Krishna would have been in the list of Demigods just being called another Bhagawan.

My reciprocation through these four years with you and Him has been amazing. I asked for ecstasy feeling for one time during my visit to Mayapur, thank you very much I was sanctioned with that. Every word & the pleasure derived made me understand how chanting pleasure was different from material pleasure.

I would question deep rooted questions and you would reciprocate through quotes, Bhagavatam class or from the mouth of some person.

My college days has been mixed of both ups and down and some how or the other way, because of your presence and Krishna's presence I was uplifted.

Now I have started doing job and live alone in a PG. Though the world looks a demonic place I too have a started to mould myself in that way.

My only desire is not to forget Krishna. I always desire that some element of Krishna Consciousness you present me so that I don't leave him.

Even though these are desires of mine, I always pray to you to fulfill it. Desire will never stop but in the box with prominent tri-desire will always be there. I see them to be my need which currently stops me on the path of Krishna. Having gone through childhood pain cannot be replaced with just knowledge.

Some or the other my desire always lies in serving Krishna and side by side my tri-desire which getting fulfilled for which I pray to you to Lord everyday.

Help me to remember you and please bless me with infinite realization and reciprocation which are the foundation of my faith and force me to continue to follow your teachings.

Request you and Krishna to personally guide me from within so that I cross the hurdles of life.

I pray to you to never eliminate me out of my offences for wrongdoings and always reciprocate and let the shadow of your lotus feet and Krishna's Lotus feet be always on my head.

Your aspiring servant,

Bhakta Saurabh Singh Kushwaha.

Bhakta Saurav Arjun

Dear Srila Prabhupada,

Please accept my humble obeisances.

It gives me immense pleasure to write to you on the auspicious day of Vyasa Puja. Today, I fail to express my happiness in finding myself to be gifted by your blessings. The pain and sacrifice you made throughout your material life are unimaginable. I have heard numerous pastimes on many occasions from your disciples. I am baffled each time with the measure of mercy you showered to the fallen. Your divine mercy towards everyone is just as the rain falling in the drought. You gave the aimless people like me, the light to walk towards.

Looking back in my life, I see how unworthy it was without you. You are the path to my hurdles. I pray to God that I seek for your blessings in every birth I take. I am trying hard to be a better person every day. I fail, but I know I will become better as I have you with me. I know Lord and you will always be with me. It would not be enough of gratification even if I make infinite. My love towards Lord is much stronger and will be better each day because I have you.

On the auspicious day of Vyasa Puja, I beg for you mercy to become, even if a small instrument of your divine mission. Even the hopeless person could become the purest of souls by taking your shelter. I shall try pushing myself forever on your mission by surrendering unto you and Lord.

Your most fallen disciple,

Bhakta Saurav Arjun.

Dear Srila Prabhupada,

Prabhupada you showed me Krishna is the supreme personality of godhead. Realisation of who am I, why I am born, where do I go after death and the process to attain liberation that means back to godhead is by you prabhupad.

You not only gave god consciousness but also material consciousness. By your association I have balanced dangerous unpleasant movement. I have benefited in many ways like use of time, money, knowledge. What Whatever the mistakes done during sadhanas like chanting, following 4 regulative principle forgive me and make me realise the mistakes. I wish to be with your association and shower your mercy to this fallen soul make progress in this Iskcon movement.

All glories to Srila Prabhupada,

Please accept my humble obeisances,

All glories unto you, on this auspicious occasion of Your Divine appearance day.

My dear Prabhupada, it is all because of you that I have found this precious path of Bhakti. You have toiled very hard to build ISKCON. And therefore because of you, today, I have a better mindset, a healthy lifestyle, strong experiences, and a chance to live in the community of devotees.

I don't completely comply with the philosophy, I haven't accepted you as my spiritual master but you are a Pathapradarshaka to me, and I know you have always guided me, and I have faith that you will guide me forever. You have shown me the path of devotion and I'll surely follow it forever.

I want to thank you for all you have done for me and every other soul. But thanking you seem very inadequate, I'm just grateful to you.

Just like a beggar begs for money, I always beg for enthusiasm, patience, determination, and intelligence from you.

Please forgive me for all my ignorance and mistakes.

Your servant,

Bhakta Shantanu D Datar.

Dear Srila Prabhupada,

Please accept my humble obeisance,

Please accept my humble offerings in an expression of thankfulness.

Real oneness is when we are the Lord's servant for we have no separate desire than to please Him, attachment for the Supreme can be increased by practicing devotional service, worshiping, by hearing and chanting about the glories of the Supreme Personality.

It is my special gratitude for you for making me understand the glories of the Supreme Lord, by glorifying His name, fame and attributes, He personally helped me cleanse the dirt from one's heart. Therefore, simply by such glorification not only one becomes purified, but also I achieved the results of pious activities in my life.

“Hare Krishna Hare Krishna Krishna Krishna Hare Hare Hare Rama Hare Rama Rama Rama Hare Hare.”

This mantra had boosted me in all the obstacles that I faced from last 2 years, I started my journey towards Hare Krishna from past 2 yrs I am experiencing a better life and good life balance and flourished my difficult responsibilities in smoother way, all because of you my Lord.

Always in your service,

Bhakta Sharan Chandra, Bangalore.

Dear Srila Prabhupada,

My sincere obeisance to His Divine Grace A.C. Bhaktivedanta Swami Prabhupada.

Your Service and sacrifice to society to create awareness of Krishna Consciousness is unmatched by any person. According to me in recent times except you Srila Prabhupada, no one ever dedicated their life to spread the practice of Bhakti Yoga which helped millions of devotees to dedicate their thoughts and actions towards pleasing Krishna (Supreme Lord).

As we all know that you passed away from this world on November 14, 1977, but actually you are present. Srila Prabhupada, you always pointed out that there are two ways of associating with a spiritual master: through his physical presence and through his instructions. Everyone may not be fortunate to be associating with a spiritual master through his physical presence but we can always associate through his instructions.

We are always remembering you through your recorded classes, lectures, conversations, morning walks, articles and books. Millions of people have come to the right path through your instructions.

Please bless me or give me strength to follow your instruction under the guidance of your representatives.

It is said spiritual master is the representative of Vyasadeva. On Occasion of Vyasa Puja, once again I bow to you my Guide, master and friend, His Divine Grace A.C. Bhaktivedanta Swami Prabhupada.

Your servant,

Bhakta Shiva Kumar Sharma.

My beloved Srila Prabhupada,

Hare Krishna Prabhu.

Please accept my respectful obeisance's unto Your lotus feet. O Prabhupada ' your glories are mentioned in your name only'. "Bhaktivedanta Swami Prabhupada". It means the master (swami) who knows the mellows and reveal the secrets of devotion (bhakti) and ultimate knowledge (vedanta). The master (Prabhu) whose lotus feet are the only shelter for getting liberated from this nescience of material suffering.

Everyone fallen to this material world for enjoying themselves and sense gratification without knowing it's a illusion, not true. you are a great soul and associate of Lord Krishna in Goloka Vrindavana. But you have taken the risk of leaving the Goloka Vrindavana and came to this material world for the sake of liberating the conditioned souls.

I used to get Krishna prasadam everyday in my school days by midday meals programme (Akshay patra) from ISKCON which is fulfilling your vision of feeding poor children. I'm one of those children who got benefitted by your Mercy.

Everyone wants to stay in Vrindavana in their old age to spend the last few days of their life and die gloriously in Vrindavana. You left Vrindavana for carrying the orders of your spiritual master and Lord Gauranga. But, you were always absorbed in the pastimes of Radha Krishna in Vrindavana and introduced the Vrindavana to everyone in this world.

I'm not even qualified to glorify you and have no words to glorify you

Please bestow little Krishna Prema on this rascal.

Yours most unfortunate and insignificant beggar,

Dear Srila Prabhupada please accept my humble obeisance.

I'm in Krishna Consciousness since 2 years and been chanting 6 rounds of Hare Krishna everyday for around one 1 year and first thing I learnt in ISKCON from Bhagavad Gita is I'm not this body and I learnt this and realised this by chanting Hare Krishna mantra. I understood that in order to stop the cycle of birth and death by surrendering to Krishna through bonafide spiritual master. Accepting his words implementing in my body, mind, and intelligence I can realize the truth with is revealed in the scriptures please bless me to follow the words of Krishna and achieve highest perfection of going back to Godhead in this very life itself

Your servant,

Bhakta Shivakumara Veeranna.

Bhakta Shivam Gupta

Dear Srila Prabhupada,

Please accept my humble obeisance unto Your lotus feet.

Before coming to ISKCON, I did not believe in spirituality and all those things, but now I got attached to it.

It benefited me in so many ways which I can see. Some of the examples I can share:

1. Self-Discipline
2. Not getting affected by material life
3. Time management
4. Happiness in mind
5. Peaceful Mind

ISKCON is not only giving benefit to our body & mind but also sharing social wellness and Krishna Consciousness movement in very revolutionaries way to the materialist & lusty world, where a lot of Youth are indulging unlawful criminal activities & ruining their life.

This Krishna Conscious movement is giving a very good platform to enhance our society & way to God.

I am very thankful to Srila Prabhupad, You started this movement which is like a boon to society.

Thanking you,

Your Servant,

Bhakta Shivam Gupta.

Bhakta Shivam Soni

Dear Srila Prabhupada,

Please accept my humble obeisances under Your lotus feet

I have been chanting 8 rounds of Hare Krishna Maha Mantra from past 1 month.

Thank you for the giving me the holy name to descend on my tongue and i have learnt from Bhagavat Gita that I'm not this body. I'm just a sprit soul. And to stop all the reactions of my karma I'm have to execute Bhakti Yoga, begins with chanting, hearing the past time of Lord Krishna and honour Krishna Prasadam.

As of now I'm not able to hear the Lord past time and honour Prasadam. In Bhagwat Gita it is mention that in order to cure the madness of the mind the recommendation is expert treatment and appropriate diet. so expert treatment is nothing but hearing the transcendental activities of the Lord and appropriate diet is honouring Krishna Prasadam.

Please give me opportunity to have these two things in my life.

Please keep me under your shelter and engage me in your devotional service.

Your fallen servant of servant,

Bhakta Shivam soni.

Dear Srila Prabhupada,

Please accept my humble obeisances at Your lotus feet.

It is after coming to the West and living here for close to a year now that I understand the meaning of “Nirvishesha-shunyavadi-pashchatya-desha-tarine”. The country appears beautiful on the outside because of rich resources and a regulated society but its soul is lacking which someone who has tasted Krishna Consciousness can understand. Although the country's official motto is “In God We Trust”, they have no clear idea who God is. Sense enjoyment is at its peak amongst parents and children alike due to lack of Vedic knowledge. Meat eating and intoxication (and maybe illicit sex) are extremely common in the society which perhaps explains why most don't come to the spiritual platform. I pray that more people, especially in the West, come in touch with this movement to enrich their lives.

Another shloka which I've realized the weight of is the following (SB 1.8.26):

*janmaishvarya-sruta-sribhir, edhamāna-madaḥ pumān
naivārhaty abhidhātum vai, tvām akiścana-gocaram*

People in the west are materially opulent, have good material education, are born in wealthy families and can also be said to have bodily beauty. But their life's endeavor is to just keep increasing these endlessly. With all the increasing material comforts, they don't feel the need to take up Krishna Consciousness. I pray that I can introduce at least one person to Krishna Consciousness in the West.

Over the past one year, I've hardly had any association of devotees. But still somehow I've been able to stay insulated from the strong currents of maya all around me. Had this movement not existed and all the books, videos, sankirtana etc not existed, I would definitely be sinking deep in Maya today. Not that I am out of it yet. A lot of work remains. I pray that with Your blessings I can maintain the strength of character through all odds and circumstances to keep the seed of bhakti alive in me. A few people with a demoniac nature are hampering my spiritual progress. May I find more divine natured people along the way.

Lately, to understand the differences between the current ISKCON group and the Bangalore group, I have been visiting the other temple as well. There are many good devotees there but something was lacking. That is when I realized the difference between following a bonafide spiritual master, who can be compared to pure 24 carat gold, and other unauthorized spiritual masters, who may be gold but definitely not 24 carat [unless authorized by someone 24 carat himself]. In some cases, they may not even be gold but only have a gold coating. This is when I realized the difference between a pure devotee (pure gold) and other devotees. I have always looked for the best (24 carat gold), so I don't wish to settle for anything subpar. I can just hope that all the good devotees in the other camp also realize that it is better to follow 24 carat gold instead of anything lesser.

One cannot thank You enough for all that You've done.

Thank You for Your merciful blessing.

Your servant,

Bhakta Shivam.

Bhakta Shivam Tiwari

Dear Srila Prabhupada,

Please kindly accept my humble obeisances at Your lotus feet on this auspicious day of your appearance in this world.

I am very fortunate that i took shelter under you and Krishna. Firstly when i came to Bangalore I didn't knew about Krishna Consciousness. But one day my friend Rohit took me to residency. Then after few days i went to temple also.

There is a complete change of atmosphere inside the temple and it gives immense peace and pleasure. When I was new at ISKCON I was lacking faith in you but as time passed and I came to know more about you, i was shocked as well as surprised for your contributions towards society.

Though I am more attached to material nature, but I always remember you whether the situation is good or bad. One thing I came to know after coming in ISKCON is the importance of chanting.

Though i am chanting but also please help me to increase my rounds and guide me in tough situation.

Please allow me to stay in devotional service and allow me to stay close to your lotus feet. I can only try to serve you, and I sincerely pray that one day I will have no desire other than your service.

Your fallen servant, Bhakta Shivam Tiwari.

Bhakta Shivanand

Please accept my humble obeisances at Your lotus feet. All glories unto Your Divine Grace.

You have mentioned in Śrīmad-Bhāgavatam 3.22.5, Purport that "What is not possible to achieve in thousands of lives can be achieved in one moment if there is an opportunity to meet a saintly person. It is therefore enjoined in Vedic literature that one should always try to associate with saintly persons and try to disassociate oneself from the common man, because by one word of a saintly person one can be liberated from material entanglement." I achieved that greatest fortune this year

by Your moment association, since You have accepted me involving in Your personal services. I thank you for Your personal presence guiding me through the authorities which led to this best spiritual position in the midst of maya.

I was not at all interested in the self-realization and always in illusion that I can enjoy independent of Krishna but You personally guided me to this path which is very difficult to achieve even for great yogis. In a letter to Krsna dasa, Dallas, 9 September, 1972, you replied him saying, "You mentioned that your pathway has become filled with stumbling blocks, but there are no stumbling blocks, I can kick out all those stumbling blocks immediately, provided you accept my guidance. With one stroke of my kick I can kick out all stumbling blocks." Even though I am unfit for Your personal services You kicked out all my stumbling blocks by which I got the opportunity to stay in the association of vaishnavas. I would like to confess one of Your kicking out the stumbling block on my path. Last year when I was working in a reputed company with appreciable package, I tried applying for home loan going around various banks. But inspite of having eligibility with sufficient documents, I could not get loan from any bank and finally dropped the plan of taking loan. Thank you Srila Prabhupada for preventing in entangling which made the joining path quicker and making it practical.

Hare Krishna Movement which is Your ISKCON running under Your directions is exploding in all possible ways by giving the most important message of mankind to pursue the path for Back To Godhead . The only way to recognize this causeless mercy is to get educated by serving at your lotus feet which will make me humble. So Please guide me Srila Prabhupada so that I can direct all the credits and congratulations towards you and develop a relationship of perfect disciple which is the only way to get out from this conditioned consciousness

On this auspicious occasion of Your Divine appearance, I beg you Srila Prabhupada to always bestow your mercy so that I always follow instructions sincerely by engaging in devotional services reducing the material spectrum in my consciousness

Your most insignificant disciple,

Bhakta Shivanand.

Bhakta Shravan

Dear Srila Prabhupada,

Please accept my humble obeisances at Your Divine Lotus feet. I couldn't able to describe Your causless mercy for the drowning conditioned souls in the ocean of material nescience. I take this opportunity to glorify Your Divine Grace, so that I could seek Your blessings and render devotional service with utmost sincerity and seriousness.

Your Divine Grace took birth in Sep 1st ,1896, Calcutta, India to Gaur Mohan de, a cloth merchant and mother Rajani. Begin from the age of five, You performed a miniature Ratha-Yatra festival. More than 65 years later, You entered the same festival on a magnificent scale in many Western countries. You first met Bhakthi Siddantha Saraswathi Thakur in Calcutta in 1922. Soon after You first meet with Your spiritual master, Bhakthi Siddantha Saraswathi in Calcutta, You moved Your family to Allahabad, based Your pharmaceutical business. Although 10yrs elapsed before Your next meeting with Bhakthi Siddantha Saraswathi, You accepted him as spiritual master and thought of him always and got initiated in Allahabad 1932. It was at Radha-kund Vrindavan, Nov 1935, Bhakthi Siddantha Saraswathi told You, "If You ever get money, print books." In the 1940s, while living in Calcutta You tried to involve Your wife and son in preaching. Early 1950s in Jhansi, You attempted to form a worldwide organization, "The League of Devotees." Beginning in 1956, You distributed Back to Godhead magazine in New Delhi. In the year 1962-65, You wrote and printed 1st three volumes of Srimad Bhagavatham. September 17th, 1959 You took Sannyasa from Bhakthi Prajnana Kesava Maharaj. You have started journey to West on Aug 13, 1965 reached on Sep 17, 1965 after a 35 day journey from Calcutta to Boston's common Pier at 5.30 AM surviving two heart-attacks. You said Your Divine Grace "if the Atlantic would have shown its usual face, perhaps I would have died. But Lord Krishna has taken charge of the Ship." You assured of Lord Krishna protection and violent attack did not recur.

The message of Lord Caitanya is in the hands of a very expert person. You were possibly the first Vaishnava sannyasi to arrive in New York with un-compromised appearance. Your Divine Grace single handedly yourself edited, typed, checked

gally proofs and even distributed copies for free and struggled to maintain the publications. Your Divine Grace, practical examples from You convinced the subject matter. Systematic setup such as temple timings, diety worship, devotional service, reading, chanting, hearing, kirtans, paraphernalia, association, prasadam, taking rest during day and night time, quotes from shastras, book keeping, book distribution, amenities, practice sessions (vocal, mrdanga, kartal etc.) vaishnava values and etiquettes through letters, morning walks, room conversations, lectures n books had been a very uncompromising impact on me and the whole world.

BG 9.33 purport “antyam asukham lokam.”

This world is temporary and full of miseries, not habitable for any sane gentleman. Therefore intelligent person should take directly to this process of Krishna consciousness and happily live in this material world and eventually receive the supreme award of Krishna.

yasya prasada bhagavat-prasada, yasyaprasada na gati kuto 'pi

dhyayan stuvams tasya yasas tri-sandhyam, vande guru sri-charanaravindam

By the mercy of the spiritual master one receives the benediction of Krishna. Without the grace of the spiritual master, one cannot make any advancement. Therefore, I should always remember and praise the spiritual master. At least three times a day I should offer my respectful obeisances unto the lotus feet of my spiritual master.

I take this opportunity to share my desires and prayers at Your Divine lotus feet from

Sikshastakamtrnaad api sunicena, taror api sahisnuna amanina mana-dena

kirtaniyah sada-harih

“One who thinks himself lower than the grass, who is more tolerant than a tree, and who does not expect personal honor but is always prepared to give all respect to others can very easily always chant the holy name of the Lord.’

O Vaishnava Thakura, O ocean of mercy, be merciful to me, Krishna is Yours and You are able to give Him and purify me by the shade of Your lotus feet. Your feet I humbly hold. Now Your Divine Grace, Krishna and Your devotees are only my refuge.

With sheds of tears from a most unqualified servant,

Bhakta Shravan.

Bhakta Shree Ram

Dear Srila Prabhupada,

Please accept my humble obeisances Prabhupada.

All Glories to Your Divine Grace.

Whenever your name come to my mind or I hear about you, I remember a particular shloka

om ajšana-timirāndhasya, jšanaśjana-śalākayā

cakṣur unmīlitam yena, tasmai śrī-gurave namaḥ

Which means, I was born in the darkest ignorance, and my spiritual master opened my eyes with the torch of knowledge. I offer my respectful obeisances unto him.

I guess i had tried not to get up for billions of lives and couple of years in this life but it's your mercy and love for us that again and again you are waking us up from this slumber. I don't know how many times i was cheated in terms of knowledge and faith before coming to your Divine shelter.

I heard a pastime where you show your mercy on us

Prabhupada during a lecture sitting on his vyasana - You should be 100% Krishna conscious (pointing out to his disciples). after some time again he said atleast you all should be 90% Krishna conscious.

Then again he looks towards his dicide and said, okay, at least you should be 80% Krishna conscious then he gets up and again said, try to be 70% Krishna conscious.

Then he starts walking and arranges his chaddar and glances merciful over his diciples and with compassion again he says "atleast become 60%Krishna conscious" and left.

I was moved with it that how compassionate Prabhupada is, how easily he has reduced the things for us, thank you so much Prabhupada.

I also heard that following a spiritual master means to follow his instructions, to be in the same mood ,to please him, to serve and satisfy him but Prabhupada i am an ignorant fool and i don't know how to make that my life and soul, so please bless me that i just become a worthy disciple of your Grace.

3 years back i did not know anything about you, ISKCON or Krishna conscious and i was in my own speculative world, having my own foolish understanding of things but you put your merciful glance over this fallen soul and gave shelter to an orphan loitering in this material world.

Vishvanath Chakravarthy thakur writes

*samsara-davanala-lidha-lokatranaya, karunya-ghanaghanatvam
praptasya kalyana-gunarnavasya, vande guroh sri-charanaravindam*

Prabhupada, You are just like a rainy cloud in my burning life.and i pay millions and millions of obesiances unto you Divine Grace.

Prabhupada, you have given the most valuable instructions in your transcendental books to the suffering humankind.You are always there with your diciples in your books.You are present with me in your Vani form and guiding me always just like a father.

Another amazing quality of your Grace is that you connect anything material with Krishna. sometimes I could not fathom that how can this topic can be connected with Krishna. You have taken the mood of Sri Chaitanya Mahaprabhu and Acharyas to spread this movement all over the world and i am glad that you made me a part of that merciful movement.

Prabhupada please give me intellegence and same mood to carry out your preaching mission.

once again from the bottom of my heart I thank you Prabhupada from being my only hope and saviour in the material world and i beg for your mercy and i pray to have unflinching faith and devotion to you and your Divine instructions.

Your humble servant,

Bhakta Shree Ram.

Bhakta Shreenivas Badiger

Respected Srila Prabhupada,

Please accept my humble obeisance on this auspicious occasion of Your Divine appearance.

All glories to your Divine Grace.

I find this auspicious occasion of Vyasa Puja as a very valuable opportunity to show my humble gratefulness and respect towards you Prabhu. There are many So-called Gurus in the World. But, your LineageBrahma-Madhva-Gaudiya Sampradaya tells us that you are genuine Guru and I have faith in you.

You are a great Indian spiritual teacher and the Founder-preceptor of the International Society for Krishna Consciousness (ISKCON) commonly known as the “Hare Krishna Movement”. You are our representative and messenger of Lord Sri Krishna Chaitanya.

By reading Bhagavad Gita As It Is, I came to know that.

*sarva-dharman parityajya, mam ekam sharanam vraja
aham tvam sarva-papebhyo, mokshayishyami ma shucah*

which means that ne should give up all other processes of self-realization and simply execute devotional service in Krishna consciousness. That will enable one to reach the highest perfection of life. There is no need for one to consider the sinful actions of his past life, because the Supreme Lord fully takes charge of him. One should not futilely try to deliver himself in spiritual realization on his own. Let everyone take shelter of the Supreme Omnipotent Godhead, Krishna. That is the highest perfection of life.

You gave us the most beautiful thing of all the worlds, that is, Devotional Service. Doctors may heal our body but You healed our soul. It is due to your Divine effort that today lakhs of people have a direction and goal in life. It is due to your divine effort that lakhs of students are getting midday meal for Education (Akshaya Patra). You have rediscovered meaning of love and service. I don't know how you sleep only 2-3 hours and worked whole night translating the 700 verses of Bhagavad Gita, 18,000 verses of Srimad Bhagvatam, etc. You have given scriptures to this world in such a simplified manner that even ordinary person can read and understand Bhagavad Gita and go back to Godhead.

You have established very wonderful Krishna temples all over the world so that devotees can easily learn scriptures and render devotional services. I sincerely thank you for inspiring me to attend Secret of Success, Yoga for Happiness Program and other devotional services in your glorious temple, ISKCON Bangalore.

It's been more than 7 years since I have been coming to ISKCON, but after associating with your devotees, me and my friend are regularly coming to ISKCON from past 8 months or so. I am really proud to say that I am associated with ISKCON. I would like to thank you for giving me strength, motivations, inspiration to continue performing devotional service in spite of all my weakness.

Please help me to chant my committed rounds of Hare Krishna Mahamantra and please help me also to follow 4 regulative principles.

Please bless all of us to increase more spirituality and to spread Krishna Consciousness to the whole world. Please encourage me to engage in the services of Lord Krishna. Thank you for lifting me from material world to Hare Krishna world.

You have given transcendental knowledge to me by your blessings. Please give me strength to follow your instructions at my level best. It will be highly impossible to me to glorify you for the jewels of wisdom that you give to me and all the devotees. Thank you for giving me FOLK (Friends of Lord Krishna). There will be no ending if I want to describe you. Thanking You. Please Help Me.

Your humble aspiring disciple.

Bhakta Shreenivas Basavanthappa Badiger.

My dear Spiritual Master, please offer my humble obeisances unto You.

I am very inspired about you, in such odd and old age you spread the Krishna Consciousness Movement all over the globe. I really very amazed that you changed the minds of hippies into happies within a short period of time. I am very glad to you by giving me the most magnificent environment to practice the devotional service to the Lord.

I again offer my humble obeisances to you by giving me the most powerful Mantra, Hare Krishna Maha Mantra which makes me stable. I am very grateful to you by giving the most extra ordinary books and translations to the vedic literatures which helps better understanding to lead the spiritual aspects of life. Now, I am very much interested to read the Shrimad Bhagvatam and chanting the holy name of God. I beg your mercy to retain the spiritual strength and energy to chant the 16 rounds of Hare Krishna Maha Mantra regularly and the inspiration to read the Shrimad Bhagvatam.

Yours Humble Servant,

Bhakta Shreevatsa Tilgul.

Bhakta Shubham Chandrol

Dear Srila Prabhupada,

Please accept my humble obeisances at your Divine Lotus feet. Prabhupada, I believe in your spiritual power which is enlightening the whole world. Your knowledge is showing a path to all the people who are misguided and when they surrender, they come under the umbrella of Krishna consciousness. You are in your words, in your books, your knowledge which is lightening this dark world even without your physical presence. You've brought food for starving people, you've brought kindness and gave us a quality of benignancy in this cruel world, you've brought Krishna for us. The way you've enlightened millions of souls through Krishna consciousness is not ordinary, only a spiritual master who is empowered by the supreme lord can do.

Prabhupada, my words and knowledge are limited to praise your glory, so kindly forgive me, from the day when I started to follow your words, by doing chanting, I have changed in many ways in my life. My vision and thought have been purified. I have found a better way to live life. After getting you as my spiritual master, I feel that in past I have wasted so much time on material things, but now I am on your feet, do mercy on me. On this special event of Vyas puja, I am offering my prayer on your lotus feet and wishing to remain in your service forever.

Your Servant,

Bhakta Shubham Chandrol.

Bhakta Shubham Fitkariwala

Please accept my humble obeisances at your lotus feet, all glories to you on this auspicious day of Your appearance.

I have been practicing KC since past 5+years now. Whatever little I know and have changed myself is due to Srila Prabhupada causeless mercy. The whole life and the way we see the things have changed after reading Prabhupada's books and by association of devotees who are carrying the message of Srila Prabhupada. I am able to chant 16 rounds, read and hear about Krishna and his pastimes.

A Guru is a representative of God. We should serve Guru as equal as God. Guru is a via medium for a disciple to take up spiritual life seriously. A sincere disciple should surrender to Guru and seek initiation to advance in spiritual life.

Pastimes of the spiritual master:

During the construction of Mumbai Temple, there were so many difficulties faced by the devotees due to malafide intent of the owner of the land. But Srila Prabhupada was DETERMINED to build a Temple for Krishna.

This shows that if we are sincere and determined in our service to the Lord, he will definitely show us way and clear the path to propogate his mission.

Prabhupada has written so many books for us inspite of his old age so that his books can be utilized in his absence. He used to type them in night when everyone else used to sleep. This shows how COMPASSIONATE Srila Prabhupada was for people in general so that they can be benefitted in his absence. He travelled the whole world to propogate the Holy name.

Srila Prabhupada has always been guiding me in spiritual journey. During FOLK DESK Service, I pray to Prabhupada to give me proper intelligence to connect to right people so that we can make good registrations and help to grow Chaitanya Mahaprabhu movement. I have experienced in past that when I pray sincerely, Prabhupada arranges for good number of registrations and good quality of boys register for YFH sessions. This helps to take up KC and start spiritual life for those new boys.

In your service.

Your humble servant,

Bhakta Shubham Fitkariwala.

Dear Srila Prabhupada,

Please accept my humble obeisances, All glories to Your lotus feet.

Thank You so much Srila Prabhupada for Your blessings on me and engaging me in Your service, although I am not qualified to render any service. This proves how compassionate You are on all fallen, conditioned souls like me.

Spiritual master is one who transforms the lives of his disciple, raise him to the platform of Pure Bhakti (Devotional service) and takes back to the spiritual abode. Srila Prabhupada, You have proved all these by transforming the hippies to happies.

Prabhupada, It always inspires me whenever I read Your pastimes. I was amazed and moved, when I had a look at Your day to day activity which starts from 1) Chanting 64 rounds of Hare Krishna Mahamantra, 2) Compiling Vedic scriptures and writing commentary, 3) Daily Sadhana, 4) Replying to the letters of Your disciples, 5) Interview with the media and meeting many influenced people of the society and preaching them, 6) Training the disciples, 7) Personally guiding Your disciple for printing books and constructing temples 8) Resting only for 2 hours 9) travelling throughout the globe, and many more and all this You were doing at the age of 70. This proves that You have come from the spiritual world and You have come here to spread Krishna Consciousness. You have created a house where the entire world lives in.

Srila Bhaktivinoda Thakur says in Ohe Vaishanva thakur song from book Saranagati,

kṛṣṇa se tomāra, kṛṣṇa dīte pāro, tomāra śakati āche

āmi to' kāṅgāla, 'kṛṣṇa' 'kṛṣṇa' boli', dhāi tava pāche pāche

Srila Prabhupada, Krishna is Yours. You have the power to give Him to me. I am simply Your servant running behind You shouting, "Kṛṣṇa! Kṛṣṇa!".

I pray at Your lotus feet to always keep me under Your lotus feet so that I can serve You and Krishna always.

Your aspiring servant, Bhakta Sibaram.

My Dear Prabhupada,

Please accept my humble obeisances unto Your lotus feet .

All glories to Hare Krishna Mahamantra

All glories to Your Divine Grace

All glories to the Supreme Lordship

I'm grateful and humbled to be sheltered by the etrenal beautiful umbrella "Krishna Consciousness" given by you to the world .Thanks for creating that insurmountable umbrella that protects from the rains of agonies, distress and miseries.

It's through your guidance and graceship, we, the devotees are able to pursue spiritual progress in this noble obstructive kali yuga. Just like His Lordship lifted Govardhan hill to protect His folks from heavy rains. You created this umbrella and sheltered his devotees from the stormy distress of kaliyuga.

You are not with us physically , but still we all feel your presence through your books. In the times of worries and depression, sometimes i find solace through your books, as well as chanting Mahamantra. The world will be better place if your teachings get to reach every corner of this planet. As a devotee and your disciple, i try to instigate the conversation about Krishna Consciousness to every person i meet, thus trying to bring them in the radiant road of KC. In this world of darkness. Also have got and blessed with association of devotees , the only association I enjoy and cherish my time being with devotees.

bless me with focused and unaltered mindset to follow the Krishna Consciousness and spread it.

I hope and pray that i will be able to be under this beautiful shelter of Krishna Consciousness, until my death.

Your disciple,

Bhakta siddarth.

ISKCON has made many beautiful things possible.Association with the devotees and people engaged in practising it is one of those.Hope we will make use of these opportunities and make the best use of this life.All thanks to you for giving a beautiful way to live this life. I pay my humble obiscience to His Divine Grace A.C. Srila Prabhupada.

Prabhupada paid the pivotal role in spreading true essence of Srimad Bhagwatam to the world that is Krishna consciousness. I was very much impressed and stunned that how an individual of such age can be so determined, focussed and dedicated towards spreading God's name.

In this world of hypocrisy it is very difficult to find a true Guru. Prabhupada preaching the knowledge was also implementing on himself so this shows his inclination towards Krishna preaching. With the power of Krishna he is able to spread the teachings of Lord through out the world.

He had given all the knowledge about the Lord in very simple ways and understandings through his translations. In this age of manipulating the scriptures and following the things according to own favourable conditions had badly influenced people but Prabhupada preaching and translations help many people who wants to be on the path of true Lord, to drive on the authentic road that drives to Krishna. His way of living and hardships to spread Krishna consciousness have given millions of Souls to liberate from the world of grief.

I bow to his such sacrificed, devotional attitude towards Krishna. I am not so qualified that I can judge several qualities, but I highly appreciate that his movement is so much strong now since it is started. His all hardships are in result to large number of devotees who got access to pure essence of knowledge through him.

All glories to Srila Prabhupada!!

Your Servant,

Bhakta Siddharth Chauhan.

Dear Srila Prabhupada,

Please accept my respectful obeisances unto your lotus feet. On this auspicious occasion of Vyasa Puja, I would like to express my heartfelt gratitude to you for blessing me with your causeless mercy by bringing me in contact with the movement of Krishna Consciousness. I would like to thank you for blessing us with the Hare Krishna Maha-mantra, enlightening us with its meaning, and also giving us the initial taste for chanting, so that we could embark on our journey in Krishna consciousness. In my limited journey on this path, I have certainly realized one thing, that the understanding and taste for such spiritual knowledge cannot be achieved by any amount of material efforts, unless one has the mercy of the spiritual master. I would like to thank you for blessing us with the opportunities to render practical devotional services for the pleasure of the Lord, even though we are not at all qualified for it. By your relentless efforts, your vision into the future and your causeless mercy upon the conditioned souls, you envisioned and started the movement of Krishna Consciousness, which is deeply impacting the lives of millions of living beings and helping us understand the true purpose of human form of life - "To attain love of Godhead".

Even though you are not physically present with us in this material world, your instructions in the form of books and lectures make us feel your presence every moment, and inspire us to advance in our spiritual lives. Please continue to shower your blessings and causeless mercy upon this conditioned fallen soul, for there is nothing other than the shelter of your lotus feet that can help us stay focused and disciplined in our spiritual life. Words are

not enough for us to express the gratitude and reverence for your mercy upon us.

Your Aspiring Disciple,

My beloved Spiritual Master Srila Prabhupada,

Please accept my humble obeisances.

This is my 3rd offering to you on Vyasa Puja. You have impacted my life in so many ways but now when I am writing to you, I am out of my words. I have no idea how to write to Guru, I have done lot of mistakes and I failed you in so many ways and time but you were there always without losing hope on me. You are one of the strongest reason for my spiritual advancement, you guided me out of nowhere and made my life valuable. I hope I will be able to make you proud by following your instructions more effectively. When I feel dejected, your instructions and lectures are the only way for my cheerfulness again.

It is you for whom so many souls wandering in the earth, now at least have hope of getting liberated and pure. They will be finding their goal with your blessings and love. You have been so generous and compassionate that you saw us all suffering aimlessly, without knowing our ultimate motive for life. But you have ignited hope, aspiration, dream, wish in us for knowing about GOD, loving GOD, you have made us understand that love of God is the ultimate. It is very difficult to get in touch with the bonafide spiritual master but because you undertook so much sufferings we came in touch with you so easily. You suffered in large amount for us, that ascertains your love for us and how much you want us to be happy. You have made it possible for us to keep us engaged in Krishna consciousness with varieties of service. Knowing that we fallen souls won't be able to chant so many rounds or hours, you reduced it to 16 rounds, you have been so generous. When I think about the pain you might have incurred for making our lives successful sometimes it brings tears in my eyes. I know I have a mountain to climb before I take my fallen soul to the path of purity. But thinking that you are my spiritual master and I am in your divine hands is enough to pacify me. Thank you so much for being so lovable and generous to all of us.

I know that I have thousands of problems in me and I am one of the most fallen person but I want to take this opportunity to proudly say that I also love you a lot. Please bestow me with your blessings so that I can love you and their Lordships Sri Sri Radha Krishna-chandra more and follow your instructions with strong determination. I remember you and thank you for being there.

Your servant,

Bhakta Somnath Arjun.

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories unto you!

If I start with meaning of Guru it is gu (darkness) ru (remover) .

This world is place of darkness (aavidya) and I am completely lost here.

Dear Prabhupada,

I neither have any spritual knowledge nor strength to cross this bhawasagar.

Even I don't know from how many births I got trapped in this material world. You are very dear to Krishna, you know he is leeladhara and he enjoys always and there are many great great yogis and rishis who are always desirous to achieve perfection that leads directly or indirectly to Krishna.

For me it is puzzle to understand and realize the deep science of desire, guna, dharma, karma because of modern education and also because of influence of KaliYuga over the society where, no one cares for soul .

Everything is going on mind level with material intelligence without authority of Guru Sadhu Shastras. Let my desire controlled by you. All my act regulated by you. Let All my energy ,time, act, thoughts, intelligence, scenes devoted to you.

Who is more expert a master than you. Please reveal me the relationship of Guru and shishya. I agree I am in illusion but your mercy can take me to your lotus feet and engage me as per your desire in the service of Supreme Lord Krishna.

With this temporary body I don't know what best I can do other than this. A lot is there in my heart to share with you.

Seeking for your mercy.

Bhakta Sonu Bhaskar.

In my conditioned life I had forgotten to feed the real self. The holy name of the Lord is the real food for the spiritual existence of soul.

I am not chanting on beads but chanting on counter but then Prabhupada i want to chant on beads. Please bless me and give the strength to chant on beads. I Please help my family members also so that they can chant.

I am a fallen soul and you have given me an opportunity to come in touch with the holy name, please give me strength to chant the holy name and to serve you and through you give me opportunity to serve the Lord.

Please bestow your blessings so that I never give up your instructions.

Elsewhere I read that Prabhupada you said “As far as my blessing is concerned it does not require my physical presence. If you are chanting Hare Krishna there and following my instructions, reading the books, taking only Krsna prasadam.,” when I sit for reading Bhagavatam I can able to feel the presence of your divine grace with me.

Thank You very much for your magnanimous effort in giving Bhagavad-Gita and Bhagavatam Books, so that un-intelligent souls like us can utilize this human form of life to go back to godhead just by following your instruction.

Dear Srila Prabhupadaji,

Please accept my humble obeisance on Your lotus feet.

Firstly, I would like to say thank you to each and every one of Team AIKYA and Team FOLK.

I started my journey with ISKCON by attending an event of new year eve in 2017, it gives me a spiritual attraction towards the Lord Krishna and Srila Prabhupadaji to start new year 2018 with new hopes.

Learnt so many things and later I started chanting daily with 1 round, as of now I reached to chant at least 8 rounds in a day it helps me a lot in maintaining self-confidence and also I earned a lot of valuable friends and prabhu's.

By this journey I started rendering services as a volunteer in such events like tree saplings in occasion of world environment day, government schools cleanliness program organized by team AIKYA, educating the school children's to improve their skills and some other events like friendship day, mother's day, mango mania, Yoga for Happiness, Sri Krishna Janmashtami,

Bramhotsava festival, Jagannatha Rata Yatra along with visited the mid-day meal preparation plant of Akshaya Patra Foundation at VK hill. Whenever I visited ISKCON they provide us a delicious dinner feast every time. I also interested to render the services as a volunteer and also coordinator in all the future events of ISKCON and AIKYA, and wishing heart fully to have a memorable journey with ISKCON and AIKYA to everyone.

Dear Srila Prabhupada,

Please accept my humble obeisance at the dust of your lotus feet, which can sanctify the entire world. Today by your causeless mercy and by the directions of your disciples, I am here and able to write few words about your glorification. Few years before I was not knowing what is material life and what is spiritual life and was leading a life like an polished animal and fed up with family problems. But you showed us how to leave through your books, vani and through your disciples association. O Srila Prabhupada, the benefits from your movement are endless to these fallen souls, but I am ashamed not to make use of the fullest advantage.

Kindly forgive us for all our ignorance or laziness, and please give me all the strength and knowledge to chant 16 rounds, to follow all your instructions and to preach to others. I beg your mercy.

Dear Srila Prabhupada

I offer my respectful obeisance unto Your Lotus Feet.

All glories to You on the auspicious day of Your appearance. Your appearance is itself a blessing to downtrodden and fallen souls like me. The glories of Your appearance cannot be completely understood by this fallen soul but this soul knows for sure that an elevated soul like You has come down to this earth to help uplift souls fallen upon by karma due to millions and trillions of births on this planet, back to where it originally belongs, back to Godhead. This fallen soul knows even this much only because of Your grace and compassion towards all fallen souls on this planet.

This fallen soul started finding its purpose only very recently, there is a very long way to go before this fallen soul can succeed to find even the Path to Godhead. But even throughout this brief period, if there has been a guiding force towards the path, it has been You. Listening to Your Lotus voice, this fallen soul has understood many concepts regarding The ultimate journey, the beginning of it and how to find the correct way among many misleading paths in the modern world. You defined a bonafide spiritual master, as the one who leads the line of people on the Path to Godhead, who says nothing but the glories of The Holy Name of The Lord and who guides the people attempting to even find the correct path. In the darkness of ignorance, the spiritual master lights up the Lamp of Knowledge about the Supreme Personality of Godhead. The following verse, spoken by His Lordship Chaitanya Mahaprabhu, *Yei kṛṣṇa-tattva-vettā, sei guru haya*. Himself says that a person who has complete knowledge of The Supreme Lord, only He is capable of becoming a 'Guru'. This fallen soul, being ignorant couldn't judge as to whom to accept as a 'Guru' but You made it clear to this fallen soul. You, out of compassion for all fallen souls on the earth, came down and gave us the formulas to the right way of life, a way of life that is dear even to The Supreme Lord, and You are so compassionate, You set Yourself as an example.

Srila Prabhupada, this fallen soul can't be any more blessed than being under your lead towards the Path of Godhead. It is a greater blessing that this fallen soul is under the personal care of You, Their Lordships Nimai and Nitai, and all Vaishnavas. This fallen soul can't get a greater benediction than this. Please bless this fallen soul that it never forgets Your Divine Words and instructions. Please bless this fallen soul to also serve Your mission under the guidance of The Great Vaishnavas. Please bless this fallen soul to become servant of Your servants and emerge as a true dasa.

Your unworthy servant,

Bhakta Subramanian.

Bhakta Sudeep

Dear Srila Prabhupada,

Please accept my humble and respectful pranam at your lotus feet.

Let me take this opportunity to offer my humble gratitude to Lord Krishna and you for bestowing your grace and mercy on me. I first got to know about Krishna Consciousness, when I joined Akshaya Talent Hostel. Everyday listening to your lectures on Bhagavad-Gita really opened my mind about the true purpose of life. Being spiritual master you always emphasised on chanting the holy names of the Lord, by following which today I can see difference in myself. It's really purifying me. When I was reading Science of Self-realization book, I read your letter in a diary you wrote while travelling from India to USA. Where while praying to Krishna you said "that in this fallen age you have brought me here and these people are very much following material life." But you never lost the faith in Lord Krishna. Even at that old age you believed in Krishna, travelled all around the world and established 108 Temples. All glories unto you.

Your humble servant,

Bhakta Sudeep.

Bhakta Sudev Datt Dosaj

Hare Krishna!!! Jay Srila Prabhupad!!!

I express my heartfelt Gratitude for all that you have done for me, my Beloved Spiritual Master His Divine Grace A.C. Bhaktivedanta Swami Srila Prabhupad.

I pray to Supreme Lord Krishna, Srimati RadhaRani, Nitai Gauranga & all Vaishnavas to bless me to become your humble servant eternally.

Srila Prabhupada, your books, your Vani (instructions), your quotes, your videos, your Pada (Lotus feet), your pastimes, your wonderful disciples are the guiding light for me in my journey from planet earth to Goloka Vrindavan.

Srila Prabhupada, you are guiding us regarding the Yuga Dharma of chanting the Hare Krishna Mahamantra which has transformed my life & inspired to be on the path to be one of your initiated disciples.

Srila Prabhupada, you guided me on the path of real freedom from (BG-13.9 Janma-Mrtyu-Jara-Vyadhi-dukha-dosanudarsanam) birth, death, old age & disease also known as Bhavarog.

Srila Prabhupada, you provided the diet Krishna Prasadam. (BG 9.26 patram puspam phalam toyam yo me bhaktya prayacchati, If one offers Me with love and devotion a leaf, a flower, fruit a water, I will accept it.) & medicine (aushadi) i.e. chanting & hearing of the Hare Krishna Mahamantra.

Srila Prabhupada, you introduced us to the most merciful incarnation of the Lord as Sri Chaitanya Mahaprabhu & his associates Sri Nityanand Prabhu (The Panchatatva, the Six Goswamis..and the list goes on)

Srila Prabhupada, you brought us the knowledge which was hidden in Scriptures and explained it to us in simple language which we can understand. You worked day and night (not caring for your personal physical comfort) so that the transcendental books on Krishna Consciousness be made available to one & all to be the guiding light for the coming next ten thousand years.

Srila Prabhupada, In-spite of getting heart attacks on the Jaladuta ship during your journey to America at an old age where usually people retire and live in solitude you made the words of your Spiritual Master BhaktiSiddhant Saraswati Thakkur as your life and soul "to spread the message of Krishna Consciousness to the western world".

I am eternally indebted to you Srila Prabhupada for all the Kripa (Causeless Mercy) that you have bestowed upon a fallen conditioned soul like me and taught us that we are all the children of the Supreme Lord Krishna (BG 14.4 aham bija-pradah pita, For all species of life, I am the seed-giving father) & the real happiness lies in serving Guru, Krishna & Vaishnavas.

Srila Prabhupada, you taught us the ABCD of spiritual life.

A – Association of Devotees

B – Book reading, Bhagwat Gita, Krishna. Namamrita, Srimad Bhagvatam, Chaitanya Charnamrita.

C - Chanting & Hearing the Hare Krishna Mahamantra. (Which is the Yuga Dharma for Kali Yuga)

D – Devotional Service, Deity Worship, Diet – Krishna Prasadam

Srila Prabhupada, you guided me on the goal of my life.

1. Guru Seva
2. Vishnu Bhakti
3. Krishna Prema
4. Vaishanava Seva.
5. Dasanu Dasunu Das (hundred times downwards)
6. Humbler than a blade of grass, more tolerant than a tree.

Your warmth and presence can be felt in the dealing with your wonderful, dedicated disciples of ISKCON Bangalore – Hare Krishna Movement where they are following the actual initiation process of your actual position as being the Sole Diksha Guru of ISKCON.

In my earlier working days at Bangalore my colleagues would offer a cigarette to me, as I did not smoke, they offered it free. However, by coming to ISKCON Bangalore your wonderful disciple Sunanda Hari Prabhu made me a member of the WhatsApp Shravananandi group where I got access to the lectures of Senior ISKCON Bangalore devotees along with the written summary of the class, helping me improve my Spiritual Quotient.

I express my heart felt gratitude to all your disciples who by sincerely following your Vani (instructions) have established the wonderful, transcendental ISKCON Bangalore temple which has saved me from many unwanted things & has given me a Vaishnava community where we all chant, dance, listen to melodious devotional Kirtans, Srimad Bhagwatam, honour Krishna Prasadam & a place where we can render practical devotional service to get your causeless mercy (Guru Kripa). The list goes on & on.

Srila Prabhupada, by your grace I could stand first in FOLK 4 and get awards in my professional life. Sing the song “Bow down mister, Hare Rama Hare Krishna” in the large project get together. For me to be able to complete MahaDharmadhikari Seva at ISKCON BLR & Dharma Karta at ISKCON RVC has been your blessing. Distributing more than 100 of your transcendental books. For a person on medication for hyperactivity, who had given up all hope earlier in life (before getting your association), to be able to achieve these successes is all your mercy. (Srila Prabhupada Kripa)

Srila Prabhupada, by your grace I could get personal association from senior devotees who guided me (Lava matra sadhu sanga , sarva siddhi hoya. Dukhe Hari Bol, Sukhe Hari Bol, Dukhe Sukhe Hari Hari Hari Hari Bol, very useful as I go through the various ups & downs in my life)

Hoping to be your humble eternal servant, (Dasanu dasunu das...hundred times downward)

Bhakta Sudev Datt Dosaj.

Bhakta Sudhakar Reddy

Dear Srila Prabhupada,

Please accept my humble obeisances.

On this most blessed event; Sri Vyasa-Puja, the appearance day of my beloved spiritual master, I am filled with a sense of gratitude.

I thank you for blessing all of us with your divine benediction. I am most unworthy to have received your mercy.

Recently I read one of the books named "Prabhupada at Radha Damodara". One of the incidents shared in that book had a great impact on my behavior and dealing with various devotees.

Gopal Ghosh: "I remember sitting in his room and if a guest came in and started speaking badly about some other devotee, Prabhupada would just start chanting Hare Krishna, Hare Krishna. He did not want to hear any devotee being offended"

Your Insignificant Disciple,

Bhakta Sudhakar.

Bhakta Suhas G P

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet which is the only shelter and hope for me in this Kali. Thank you for everything which you have given to me. I can't even imagine my life without Krishna Consciousness. It's only by your causeless mercy that I'm able to know about Krishna. Dear Srila Prabhupada thank you for your books, thank you for your Lecturers, thank you for Devotees Association, thank you for Delicious Krishna Prasadam. Thank you for everything which you have given to me. It's only by your mercy that I'm able to lead a human life with proper understanding.

Please always keep me under the shade of your lotus feet. Please accept my humble obeisances.

Yours faithful insignificant servant,

Bhakta Suhas G P.

Bhakta Suman Vaishnav

Jai Srila Prabhupada!!!

Please accept my humble obeisances unto your lotus feet!!

Due to your causeless mercy Srila Prabhupada, I came in contact with Krishna Consciousness movement and wonderful devotees of Lord Krishna that transformed my life. After reading your valuable books, hearing your lectures made me realize about my true self. Because of my eagerness to know more, you answered my questions and doubts through any means like your lecture played which had my answers, through temple devotees. I was overwhelmed to feel this reciprocation from you. I feel very fortunate that you chose me, your most weakest student.

It was you Prabhupada who made me understand the teachings of "Bhagavad-Gita As It Is", the absolute knowledge and made me chant Holy name, in the form of Maha-Mantra otherwise I don't acquire any required qualification.

Srila Prabhupada, please be more merciful like this on me and my family and keep guiding us.

Your weakest student and servant,

Bhakta Suman Vaishnav.

Bhakta Sumanth K

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet. All Glories to Your Divine Grace.

You are my Divine Guru who has amazed me with your sacrifices and work culture. You have started the International Society for Krishna Consciousness (ISKCON) commonly known as the Hare Krishna Movement, through which you have helped countless number of common people to realize "what is life?". The teachings and a countless number of books that you have published, have answered lots of peoples' questions related to life and soul. By translating the Bhagavad Gita into different languages, you have helped people all over the world to realize the true meaning of life. The whole mankind is grateful to you for your wonderful and selfless service.

In today's time, it is really a herculean task for a common man to gather food for a time of the day. In such situations, The Akshaya Patra is rendering free food supply all over the country and providing free shelter for most of the children. This is possible only because of you, our beloved Srila Prabhupada. Chanting of Hare Krishna mahamantra is really helping by giving an unusual energy to people to fight against their problems.

I am thankful to you for being such a great inspiration. I will try my best to follow the way that you have shown and serve the people until my last breath. Jai Srila Prabhupada.

Your humble servant,

Bhakta Sumant.K.

Bhakta Sumit

Dear Srila Prabhupada,

Please accept my most humble obeisances at the dust of your divine lotus feet.

All glories to your Divine Grace.

Thank you Srila Prabhupada for giving me shelter under your divine lotus feet. I have completed one year in the ashram by your grace. It was certainly impossible for me to join ashram without your mercy. When I see people in the outside world, I feel very fortunate to have entered into this life of Krsna Consciousness.

I often think what I would have been in life if you had not appeared in this world. No one would have taken the desire of Lord Caitanya seriously. No one would have gone to other side of the world to preach Krsna Consciousness. No one would have turned mleccas into vaisnavas. No one would have saved millions of lives. No one would have exemplified Krsna Consciousness in a practical way.

People got conviction in the presence of supreme Lord Krsna; in his personal form; in glories of his name, form, pastimes, paraphernalia and everything else related to Krsna Consciousness by associating with your divine grace. More than philosophy, it was you Srila Prabhupada who touched their hearts.

You were not like many other so called sadhus and yogis, who talked of austerity and sense control, but after some time were found to be engaged in various nonsense activities. You actually "walked the talk". You lived the life which you taught. You were a living Bhagvata, an embodiment of Krsna Consciousness itself.

Inspite of so much name, fame, opulence, and position, you remained the same person who once lived humbly in the most important temple of Vrindavan struggling to print books and trying to fulfill the order of his spiritual master. Your determination to preach and sincerity towards instruction of your spiritual master, is unparalleled. Even in a diseased condition, you would continue lecturing, translating books, and continuously travelling.

The conviction with which you reprimanded the atheists, scientists, and mayavadis is very inspiring to me. The confidence with which you said that “Here is Krsna”, referring to the deity of the supreme lord was enough to convince many persons about the existence of the lord.

Association of a pure devotee is a very rare opportunity for a conditioned soul like me. From time immemorial, I have been taking different bodies and suffering. But in this life by some divine intervention, I got this wonderful opportunity to associate with you through your Bhaktivedanta purports, which you termed as “Your personal transcendental ecstasies”, your lectures, videos, letters, quotes, your deities, and your representatives.

You have given me a new life, new values, new goals, new aspirations, and a new purpose. To come to a position of a devotee takes millions of lives, and today if I am on my way towards it, its only because of you. You saw me suffering in those difficult situations, and mercifully let me also enter the lift which you are taking back to godhead.

I am very much grateful and indebted to you oh master! But I don't have suitable words to explain that, nor can I do something considerable for you. Although I am living in the ashram, my mind and body doesn't allow me to serve you properly. You have given me so much of facilities for my spiritual upliftment, but I misuse it for sense gratification and often waste my time in prajalpa or mental speculation.

I am so unfortunate that I am not able to serve you properly. I am rebellious to the orders of my authorities, and very stubborn in my attitude. Still you are tolerating me, waiting patiently for me to become mature, sensible, and responsible. I am living here only on your mercy.

Spiritual life is like a razor's edge. Anytime we can fall again into the material world. It is very easy to fall and leave, but it is certainly difficult to fight against Maya. You are my support Srila Prabhupada. I am completely dependent on you. At times I may become proud of the little service performed, but as soon as some disturbance comes I get easily carried away and lose my patience.

Again and again I come back to you being beaten up by Maya, being reminded about my actual position. Every time you give me solace; still you love me, care for me, and maintain me. I don't have anyone else in this world. O father!, you are the only support without which I may again fall down in this material world where there is nothing but suffering

Oh Gurudeva! My only request today unto your lotus feet is that please always keep me under your shelter. If I go astray from the Krishna Consciousness, I will suffer miserably without any hope.

Please have your mercy upon me so that I don't get carried away, and misuse all the facilities provided by you taking it for granted.

Trying to be your servant,

Bhakta Sumit,

Bhakta Sumit Awasthi

Dear Srila Prabhupada,

Please accept my humble obeisance and all glories to you on this auspicious day of your appearance.

By your Mercy I understand knowledge of Krishna conscious . Dear Srila Prabhupada, I want to serve you life after life on your lotus feet. Be merciful unto me Prabhupada. Please give me strength I never fall down from Krishna conscious. Give me more and more mercy because to understand your wonderful books which you wrote for us. I always ready to serve you in any condition you are my spiritual master and as good as God for me Srila Prabhupada. I request you please save my this life. I do not want to go far from you Prabhupada. I believe in you and Krishna conscious knowledge.

Your obedient Disciple,

Bhakta Sumit Awasthi.

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet.

Prabhupada, you have been very merciful to such a fallen soul like me. When I look back at my life, I see a ship wandering in ocean without any direction. Only because of your mercy, I have got the direction in my life. Prabhupada, Please bless me, so that I stick to the Krishna Consciousness and be attached to your lotus feet until my last breath of life. Please forgive me for my sinful activities which I may have committed knowingly or unknowingly. Also, help me to avoid sinful activities and to stand up against the Maya.

The eternal servant of your many many servants,

Bhakta Sumit Kumar.

Bhakta Sumit Shah

Dear Srila Prabhupada,

Please accept my humble obeisance and glories unto you.

I am very grateful to be able to offer you this homage on the 123rd Vyasa Puja celebration of your divine appearance. I wish to pay my humble obeisance to you for taking birth in this lousy materialistic world for us and submitting my sincere thanks to your lotus feet as a disciple. I have been hearing your name since childhood but I had no interest in knowing more about you. I still remember that my father used to take me to ISKCON Guwahati every Sunday and whenever I noticed devotees worshipping you, I felt like there's no logic behind human praying to another human. Also I used to see in t.v channels more negative talk on spiritual gurus. As time passed by, my interest in spirituality had become totally null. Then after coming to Bangalore for my further studies, one day after one year of my stay in Bangalore I came to know about Folk residency and then decided to shift myself there. And here I came to know more about you that you are beyond human, who came to this world for us to share the transcendental knowledge of god which is nothing but Krishna consciousness. Now by your grace I always get to know more about you and what sacrifice you had done for us. I also chant everyday, attend mangal aartis and sometimes do service in your temple. It is because of you that now I have started to go ahead in spirituality.

Srila Prabhupada I humbly request you to please bestow your mercy on me so that I can serve you in whatever condition I am, wherever I am, whether in this life or the next. And allow me to remember your teachings. Thank you Srila Prabhupada with whatever little opportunity came my way to render service to you and their lordships.

Yours sincerely, Bhakta Sumit Shah.

Bhakta Suneel Kumar M

Dear Srila Prabhupada,

Please accept my humble obeisances.

You have given the highest gift of life, Krishna consciousness. You have guided me in different stages of devotional path. Please direct me and protect from falling down. I am ever indebted to you for the causeless mercy you have shown on me. Thanks for creating stable organization such as ISKCON to perform our daily practices, to be away from maya and degradation of life.

I am ever grateful to you. Jai Srila Prabhupada!!

Dear Srila Prabhupada,

"I offer my respectful obeisances unto my spiritual master, the deliverer of the fallen souls. His mercy turns dumb into eloquent speakers and enables the lame to cross mountains." Please accept my humble obeisance, all glories to Srila Prabhupada, all glories to you on this auspicious day of your Vyasapuja. Nothing is permanent in human life in this materialistic world, but I strongly believe in that only our bhakti towards our eternal parents (Sri Radha Krishna) and Jagath guru Srila Prabhupada will make us change our life. When I was not aware of Krishna Consciousness I was in the completely blind world and running my life without any goal. Fortunately one of Krishna Devotee made me read a book called Science of Self Realization author by Srila Prabhupada, later joined in FOLK (Friend of Lord Krishna) and it was the moment life being started to change completely in the right way with spiritual and I personally realized that nothing is equal to that feeling and spiritual life. Problem is common is for every human being life but how we are facing that problem is very important. In my life, I have been facing a lot of problems, meanwhile I started my own company in the name of eternal parents and it is running good, whatever problems come and go but only one thing is made me go forward, supporting a lot and taking me in the right way that is "Harinama Mahamantra"

Hare Krishna Hare Krishna Krishna Krishna Hare Hare, Hare Rama Hare Rama Rama Rama Hare Hare

Yes, this is permanent in my life and I realised whenever if I am in problem or not doesn't matter just do chatting Maha Mantra it will take me into the spiritual world. In Kalilyga you have given a wonderful opportunity to chant (Japa) Harinama Mantra daily.

Your Servant,

Bhakta Sunil.

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet.

I am very fortunate to come in contact with ISKCON and devotees of Krishna. It is all because of your causeless mercy on this fallen soul. Krishna consciousness is really a boon and you have given it to everyone for free that too irrespective of caste, creed or religion. It has been almost 6 years I came in touch with ISKCON. Many things have changed in my devotional path. I beg you to bless me to progress further in Krishna consciousness and engage me in Krishna's service. From your divine instructions, many things I came to know about Krishna as our eternal father, the purpose of human life, value of Service, value of prasadam, effects of chanting Hare Krishna Maha Mantra, value of the guru, importance of devotees and many more. Please give me enough strength that my mind should not get distracted by any material opulence. Kindly help me to chant Hare Krishna Maha mantra attentively, to read Bhagavatam daily and to get prasadam daily. Please excuse my offences committed at your lotus feet. Trying to become your servant of servants.

Your aspiring servant,

Dear Srila Prabhupada,

My eternal guide, my loving father, who changed my life and many of the fallen souls like me.

I offer my respectful obeisances unto your lotus feet. I am very thankful to "LORD KRISHNA" that I have got the privilege to offer a glorification to the divine grace of Srila Prabhupada. There is a vast difference between my present lifestyle and the lifestyle I used to lead before coming in touch with your divine grace. The way we used to cook, eat, dress, and act was really abominable. Hence I was born in the darkest ignorance and it was Srila Prabhupada who has opened my eyes with the torch of knowledge. "Krishna has sent you to this material world to deliver the fallen souls by engaging them in Krishna's services. I got many proper ideas and got to know about Krishna by reading the Bhagavad Gita, the other books including Bhagavad Gita that you have written. By reading it I got to know about this material body and by chanting the maha mantra "Hare Krishna Hare Krishna Krishna Krishna Hare Hare Hare Rama Hare Rama Rama Hare Hare".

I got relief from talking bad words doing and telling bad things. After I started chanting I got control over my anger and I got grades in my studies and by chanting Krishna's name and reading Krishna's books I had started telling about Krishna to my cousins, friends etc. I'm very very grateful to you Prabhupada I have fallen from your boat which is going towards back to Godhead, but by your causeless mercy again you are helping this fallen soul to be with the association of devotees and engaging me in your service. I can't imagine what my life would've been without you. I don't know how to thank Lord Krishna for having provided you in my troubled and trivial life. Please forgive my offences and give me the intelligence to carry out your orders under the protection of your divine movement in the association of your sincere devotees. Requesting you to help me in this venture of Truth to reach more and more people, to pull them back to you. I beg to remain under the shelter of your lotus feet.

Your most fallen Servant, Bhakta Sunil Kumar H S.

Dear Srila Prabhupada,

Please accept my humble obeisances, You are really a perfect qualified Acharya in a line of guru parampara system from Sri Krishna the Supreme lord directly in the Brahma Madhava gaudiya sampradaya. I part and parcel of super soul I am very fortunate because somehow I got to know about your institution Iskcon and it is back ground all your efforts, great hard work. It is very difficulty for a ordinary soul and then I understood how it is possible for you because you are a elevated soul. This chance of joining in your institution Iskcon helped me a lot in different ways like personally and professionally and mainly brings a lot of changes into my life to grow spiritually

Personally, I read few books of you, it has Given so much of knowledge of Krishna consciousness it helped me to control my senses, detachment to material things, less desire to material benefit, started doing most of the activities for the purpose to grow advance in spirituality. Professionally, because of association with devotees to lord Krishna and your disciples I am at present got a good position in a well company why I am saying this means, in that my effort is very less to get this position. Some how Krishna's mercy everything happening and helping in a right way. Spiritually, from my parents, village and then friend circle even up to graduation it is very less information I got to in know about God and Santana dharma, culture but after joining Iskcon as a folk students from your disciples as a folk guide, mainly your books helped me to know about god, who is supreme lord? What his speciality.

I am very sure that most of the change added into my life and then turned towards Krishna consciousness is due to your institution Iskcon

Your humble servant, Bhakta Sunil Nakula.

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet. I am eternally grateful to you for giving me wonderful knowledge of the Absolute Truth. You have created a home where entire world can take shelter. The understanding of philosophy is getting deeper and deeper with the passing of time. Every time I read your book, it gives a new perspective to the philosophy and keeps me engaged in your service one or the other way. The association of devotees and their love and guidance is one

more gift you have given, which clears any confusion I have in understanding philosophy. Rath yatra is an amazing festival you introduced across the world to help people to have darshan of Jagannath, Baladev and Subhadra and engage in Their service and have amazing prasadam. I love being part of the festival and do services to help facilitate the festival.

After you came into my life, I have felt your presence many times. You have guided me in many situations. Thank you Prabhupada for everything you have given so far. I want to engage more in your service, I beg you to give me the intelligence to surrender unto your lotus feet. And please forgive my all offences done so far.

Dear Srila Prabhupada,

Please accept my most respectful, humble obeisance on to Your lotus feet on this most auspicious appearance day of Your Divine Grace. My dear spiritual Master you will not find most fallen conditioned soul than me, so please bestow your causeless mercy upon this fallen conditioned soul, so that I can utilise this valuable human form of life by rendering devotional service with meek and humble attitude.

Dear Srila Prabhupada,

Please accept my humble obeisances unto your feet. I have visited and I am very impressed by the kirtans in the temple. Thank you Srila Prabhupa for giving me this wonderful kirtan by that way I drench myself in the holy name and gets purified. After attending kirtans in the temple my mind is controlled and kept away from all distractions. Please give me intelligence to read, understand and realize your words in your books. My aim of life is to think of Krishna at the time of my death. Please engage me in your devotional service forever.

Your insignificant Servant,

Bhakta Surendra Katta.

Dear Srila Prabhupada,

Please accept my humble obeisance on to you. Krishna says in Bhagavad gita Janma Karma came Divyam, life and activities of Krishna and pure devotees are divine. Pure devotees of Lord Krishna are not ordinary people. Guru is non-different from Krishna. Guru is considered as good as God. Srila prabhupada changed my life by making me chant Hare Krishna mantra everyday without you it's impossible for me to chant Hare Krishna mantra everyday and you have given us simple formula to go back to godhead. Please give me the taste of Hare Krishna mantra so i can go back to Krishna.

Thank You for giving me nice temple, prasadam, devotee's and Krishna and his message.

Your Aspiring Devotee, Bhakta P. Surendra.

Bhakta Suresh V

Dear Srila Prabhupada,

Please accept my obeisances and prayers. It's been a long while since your mercy fell upon me for developing a bit of Krishna consciousness. All my efforts in order to increase that bit to better have not got that effective. Although I would have sensed some progress in between, I still feel it is nowhere in match to the level required to get out of material world. It is only by your mercy that I will be able to cross over the material existence. It was with your grace I visited holy dhams, getting in touch with the Lord everyday with his Namarupa, render devotional services on some occasions, association of devotees, etc. All these is possible because of your efforts in helping all the suffering souls. There are plenty of souls who are intelligent/strong enough to take up all your teachings and making the best use of it but I am unable to do it. I pray that let me not forget you and Krishna throughout my life. I keep performing the devotional service to my best, however it needs your attention for improvement. I beg your mercy.

Your humble servant, Bhakta Suresh V.

Dear Srila Prabhupada,

I offer my respectful obeisances unto your lotus feet. Because of your teachings I understood, to get human form of life is very fortunate (manusya janma durlabham) and have purpose.

Without God consciousness human society and human life becomes very much complex (ex. Present society : crime , gambling , affairs etc). You told us to follow four regulative principles (No Meat Eating , No Illicit Sex , No Gambling &

No Intoxication) and Chanting Hare Krishna Maha Mantra daily. If everyone follows your order then our society will become Krishna conscious society. By chanting hare Krishna maha mantra and doing devotional service one can cleanse his heart. God is not hungry for food, we have to cook food with consciousness and offer Prasadam or even patram, puspam phalam and toyam with love and devotion then Krishna will be pleased. By reducing our worldly desires, only one can get peace there is no other way to get peace. By reading your books (Bhagavad Gita & Srimad Bhagvatam) one can very easily become Krishna conscious. Without surrender to Guru no one attain perfect knowledge.

Guru only can teach what is right what is wrong, Acharya means one who teach by example, by surrendering unto Guru's lotus feet one can learn everything. Jai Srila Prabhupada!

Dear Srila Prabhupada,

Please accept my humble obeisances.All glories to you!

O Gurudev, by your mercy I had the opportunity to come in touch with your transcendental teachings from the age of 12 years, through the Values Plus initiative of the temple. By your mercy I have come to know about the transcendental form and pastimes of Chaitanya Mahaprabhu and Lord Sri Krishna the Supreme Personality of Godhead. I had completed reading the book, Krishna -the Supreme Personality of Godhead, at the age of 18 years. Reading the book filled me with immense pleasure and started filling my heart with feelings of awe, wonder,love and surrender unto Krishna ! You made me realise how important it is to surrender to Krishna ,your mercy upon us fallen souls is so much that I could feel myself surrendering to the Lord!

I still remember my first heartfelt prayer to my dear Lord Krishna , I offered my first prayers to Sri Sri Radha Vrindavanachandra -begging Them to remove my impurities and to provide me with those qualities required to become a sincere devotee always endeavouring to serve them. I was strongly convinced that I want to serve Him all throughout this life and beyond. Though at that point I was not fortunate to realise the truth ,now I do realise that it was you who had inspired me to offer my prayer to the Lord ! I'm eternally indebted to you for sowing the seed of Krishna-bhakti in my heart. I don't find any words in any language suitable enough to express my sincere heartfelt gratitude to you !

Last year from May 2018-July 2018 I read Bhagavad Gita-As It Is for the first time. I had the opportunity to read major part of the book in front of Sri Sri Radha Krishnachandra Deities in the temple Hall ! No words can express how happy I felt reading Gita in front of Krishna , Radharani maiya and you ! O Gurudev though I had always revered you since the time I knew you I couldn't accept you as my spiritual master until I read the Gita. I now realise how fallen and conditioned have I been to not acknowledge my Guru all this while ! No words can befit an apology for my blunder . I still request you to forgive me for my folly.Inspite of this ,your mercy and care towards me is so much that the moment I accepted you as my spiritual master I could start chanting The Hare Krishna Mahamantra regularly and experience the joy chanting. My actual journey in Krishna Consciousness started from July last year when I started chanting with your blessings!

With your blessings and along with the mercy and blessings of Radharani Maiya, I have been able to render devotional service to my personal deity of Krishna at home- Sri Vaasudeva Krishna . Without your guidance and blessings I don't know how I could have rendered service to my deity . I would like to tell you that I had the opportunity to adorn Vaasudeva Krishna in various Alankaras as Sri Ramachandra on Ramanavami, Sri Narasimha on Narasimha Chaturdashi , as Vamana on Vamana Dwadashi, Srimati Radharani on Radhashtami, Sri Srinivasa Govinda on Vaikunta Ekadashi. With your mercy I have also been able to adorn the lord in his various Lilas and observe various festivals! I request you to continue guiding me through my service in the future too.

O Gurudev, your unconditional Bhakti to Krishna and unparalleled Determination to constantly serve Him has always inspired me and continues to inspire me to serve the Lord more and more. I am indeed blessed by Krishna abundantly to have received you as my spiritual master ! Whenever I am unable to chant properly I always think about you and just a mere thought helps me to chant better. I have always wanted to see you and serve you . I have many a times felt that I couldn't have your personal association until I came across a text in your book ,The science of self realisation that you are always present with us in the form of your books and teachings . This came as a great joy to me . Each of your words and sentences have so much profound meaning that I always remain amazed by your words!

O Gurudev, all the conditioned souls under your shelter are indeed blessed! Please accept this insignificant soul as your disciple and servant .I beg you to offer me shelter under your lotus feet. Please continue to guide me to read your books and imbibe your teachings. If you so desire please bless me to always chant the names of the Lord and serve Him without offences and develop never ending determination to lovingly serve the lotus feet of my Maiya Srimati Radharani and my only wealth and everything ,my Prabhu Sri Krishna.

Servant of your servants,

Dear Srila Prabhupada,

Sat sat pranam on your lotus feet, please accept my humble obeisances. All Glories to you on this auspicious day of your appearance. I am trying to present a small poem in Bengali.

Koriya pronam tomai, ei kori ami shuru, aalo tumi jibone amar, O amar Guru. Ki sobde kohibo, dhonnobad ami tomai, Puro bisso khujiya jai, kintu shobdo or

O Gurudev, Rekho ei das k, sada tomar charan tolai, Ei tuccho mone asha shudu ektai.

O Gurudev, Baniye tomai amar shutrodar, Hocche amar ei tuccho jibon par. Ki kore o probhu, Dhonnobad tomai kohi, Ami porom murkho, ki bhul r ki sohi.

Jai Guru jai guru mone rekhe jibon jano kaate, Tumi aar Porompita theko amar saathe.

How to tell how much thankful I'm to you! Are there enough words to say that? A person like me, a fool, a sinner, and still you "O karunasagar" keep showering your mercy on me, always guiding me in the correct path. I had few dreams which in my ignorance, thought was mine, but now when I've started to open my eyes I see it was all yours, can see how you and him planned it throughout for me. How grateful I am for giving me this chance to learn the things that one should learn. Thank you for your love, your mercy Gurudev. All glories to you.

Aspiring to be your servant,

Bhakta Surojit Gupta.

All glories to my glorious spiritual master His Divine Grace Abhay Caranaravinda Bhaktivedanta Swami Srila Prabhupada

Dear Srila Prabhupada,

Personally I've got no qualification to glorify You who is glorified by the Vedic scriptures and numerous Acharyas preceding you in the Gaudiya Vaishnava Parampara and even from the other paramparas and even the supreme lord himself in the form of various predictions.

But still out of an urge to offer you a homage I am trying to write this to you, may not be in pure devotional spirit but still I beg unto your lotus feet that my lord may kindly show your causeless mercy upon me and accept this humble offering.

My Glorious Spiritual Master.

Sri Caitanya Mahaprabhu prophecied

The appearance of his commander-in-chief

Spreading the holy name in every nook and corner

He would distribute the devotional seed

Srila Bhaktivinoda Thakur predicted

A great soul's descendance

Who would journey a long way

And stop this disturbance

Distributing books from end to end

A magnanimous personality would soon descend

Said Srila Narottama Dasa

Took advantage people of each class

Even did Srila Bhaktisiddhanta Saraswathi say

That a self effulgent Acharya is on the way

Who would soon cross the ocean

And bring back the whole world giving them perfection

Also did the great Acharya Srila Nammalwar

Visualizing the age of pestilence and war

Saw devotees chanting the holy names of lord vishnu in ecstasy

Felt very happy seeing the goloka embassy

Even the bhavishya purana predicts

That there would come a person in saffron robes

To the land of mlecchas who are sensual addicts

And initiate them with a fire sacrifice making their lives full of hopes

Your divine grace has come all the way from Goloka Vrindavana

And the only purpose is to take conditioned souls back to godhead

All the time you chanted Hare Krishna Hare Krishna

And we all got liberated

On the voyage of jaladuta many difficulties you did face

But nothing could stop you from depending on Krishna's grace

You established temples worldwide

And thus distributed the holy name
To anyone black or white
And didn't care for any personal gain
Just by hearing the nectarian words from your lotus mouth
Did we start practicing Krishna consciousness
And took the oath
Dedicating our lives to your holiness
But there were people still
Who misunderstood your sweet will
Trying to take your place
To be called "his divine grace"
My heart pains every time I think about this
"The insurmountable material disease"
That even took over the best of the human race
And made the central object of the movement displaced
The movement you had established with great love and affection
Is now in the wrong hands
Dear Srila Prabhupad please give protection
To these vast spread lands
At last begging for your causeless mercy and eternal protection
Having in the heart a deep emotion
Signs off this poor servant of yours
Expecting your mercy for perfection
Begging for your causeless mercy

Your Eternal Fallen Servant,
Bhakta Surya Prakash.

By associating with your instructions (Vani), you have given me the strength to carry out spiritual as well as material activities. Whatever

that I can do today, is by your mercy. By your Guru Krupa we have got Deities in our home, bring us joy & prosperity, giving us an opportunity for devotional service.

Dear Srila Prabhupada,

My Heartful obeisances to your lotus feet!

I am really grateful to have found you as my spiritual master. It is only due to your holy grace that I am able to cleanse my mind everyday and purify it with the holy mahamantra. It is only because of your holy grace that I am able to feel my Lord Rama is always with me along with Lord Krishna giving me protection and helping me for all my spiritual endeavors. It is also because of your holy grace that every year our Hare Krishna movement is increasing day by day and people are getting benefited by the bhajans and kirtans and the sacred knowledge.

I really thank you for the blessings shown to me and would request you to please apologize me for the wrong things done by my foolish mind. I humbly request you to please shower your blessings and make me feel the divine ecstasy of serving the lord and always keep my mind fixed on Lord Rama and Krishna and make my life successful to reach Sri Krishna in this life.

My dear beloved Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet, And all glories to your ISKCON and to your dedicated disciples.

Please bless me to be a good devotee, not a great one. Please bless me to be a humble and submissive devotee, not a whimsical one. Please bless me to be a sincere devotee, not an expert one. Kali-yuga is rapidly progressing; everything around us is degrading due to the influence of Maya. Even the lifestyle of some devotees is now very much influenced by materialism, the demon of this age. What hope do I have to escape this influence and survive in devotional service?

Your Humble Servant, Bhakta Swapnil Joshi.

Hare Krishna, Please accept my humble obeisances unto your lotus feet.

Words would fail to show my gratitude towards you, Without such, divine enlighten beings, we would stay in a life of darkness and spiritual ignorance. You have shown me the correct spiritual path and helped me to connect with the Lord "Shri Shri Radha Krishna Chandra". I have fallen many a times, but it's you who lifts me up and bring back to my path, which is the ultimate goal of life "Krishna Consciousness". Your books has helped me a lot to follow the right direction in spiritual life.

I consider myself very fortunate to have you as my spiritual master. Please always hold my hand and guide me.

Your Humble Servant, Bhakta Tanmay Debnath.

My dear Srila Prabhupada,

Please accept my humble obeisances in the most merciful dust of your lotus feet. All glories to Your Divine Grace.

I can hardly find words to describe how I feel. Perhaps there are no words for it. These words are only a glimpse of your unlimited glories. I find it incomprehensible what immense treasures you gave the world. It's really hard to know how you traveled around the world, not caring for the risks and difficulties so that you could fulfill your Guru's desire to teach the world the way of loving God. I have changed and matured so much by the association of so many devotees and I believe it's all because of your grace. Thank you, Srila Prabhupada. Please forgive my faults and weaknesses. Please keep ISKCON movement united and always protected under the shelter of your perfect instructions.

Your Servant, Bhakta Tanuj.

Bhakta Tara Singh

Dear Srila Prabhupada,

All glories to you! Please accept my humble obeisance's unto your lotus feet on your auspicious appearance day.

I do not know if I am having enough words or capability to say 'Thank You' to you for your contribution to humanity, society and to the world. You have translated so many most important Vedic scriptures into English so that majority of population all over the world can access and take the nectar out of them. These books are now the standards or are as authentic text to study/learn/know about Lord Krishna.

You presented the world, the God i.e. Lord Shri Krishna; earlier almost every human was having their own understanding of God. You revealed to world that there is only one God i.e. Lord Shri Krishna and all others are their subordinate or his part. It is because of you Lord's Jagannatha Ratha-yatra festival is now celebrated in all major cities of the world. You revealed so many past times of Lord Shri Krishna in Vrindavan, by hearing them devotees purify themselves.

Your dedication and devotion to the words of your spiritual master; how you traveled to America at an advance age of 69 just to fulfill the desire of your spiritual master is most pleasing to your devotee around the world. I am very fortunate to get an opportunity to associate with your books and to chant Lord Shri Krishna's name.

Yours unworthy student,

Bhakta Tara Singh.

Dear Srila Prabhupada,

Please accept my humble obeisances. Please forgive this fallen soul for I do not know how to live in this material world and still cling to your feet with all my heart.

It is only through your words, your books and the sincere devotees who follow you, that I learn, your deep and gentle, yet all powerful compassion. I am small and fallible filled with faults and sin lost without taking shelter Guru to pull me out of nescience. I cannot fathom your personality who you are just listen to the words of your beloved disciples those who follow you into the spiritual world with love, grace and gentle compassion. You have generously given us all we need to go back home to Godhead. All we have to do is open our hearts with humble humility.

You are always there waiting patiently and showing pure love.

Your servant, Bhakta Tarun V.

Dear Srila Prabhupada, Please Accept my respectful obeisances.

Sri Gurubhyonnamaha,

Sometimes the things which we already know make much more impact on us and we really get deeper in its real meaning due to the one who is delivering it. This is what happened during my first video of Prabhupada which has a remarkable impact on my thinking of gruhasth asrama. Whatever the knowledge or guidance I am getting from various sources in ISKCON is due to the your divine grace, Srila Prabhupada. Things which we struggle to understand can be very easily done by the grace of GURU in a glance. I am grateful and have my utmost respect to Guru Prabhupada and Guru Parampara.

Please accept my humble obeisances unto you.

I have been chanting four rounds of Hare Krishna maha mantra for five months I'm thankful receiving hare krishna mantra from you. I'm very peaceful after chanting here Krishna mantra. My first lesson from Bhavat gita is I'm not this body and I'm the spirit soul Second lesson I learned is root cause of suffering in this world is trying to enjoy independent of Krishna and to solve all this problems of life and to stop the cycle of birth and death, I have to surrender to Krishna through bonafide Spiritual Master. I'm very thankful to you. Please give me the jnana to realize that I am not this body and come to soul platform to serve Krishna through you.

Dear Srila Prabhupada, Please accept my humble obeisances at your lotus feet,

Clinging to which is just enough to overcome the illusion this material world has created and cross this ocean of material suffering. Prabhupada it is by your mercy i have this chance to glorify a pure devotee of lord Krishna and make advancement in spiritual life. Prabhupada it is my conditioned state that i do not take opportunity to glorify you everyday and you are so merciful that you have given an opportunity to everybody to glorify you on this auspicious day of your appearance and make progress in spiritual life. Prabhupada your teachings have saved so many to suffer from hellish condition in next life. The morning saadhna program books and lectures given by you is just enough to bring halt to all material aspirations and bring one closer to Krishna. Just by small association of you though your books anybody can understand the highest truth of life which is impossible for even the greatest scholar to understand. Prabhupada the path of devotional service has been there from hundred of years but you institutionalized it not just for human but other life forms who have taken your shelter.

Prabhupada please continue to shower your mercy in the form of devotee association to make us constantly remember the goal of this life, All glories to you.

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet. Before coming to ISKCON my mind is filled with daily office stress and thinking of my Family everytime. Also I feel like life is full of following the elders who ever is coming into my life whether they are aware of the life or not. I also misuse the time thinking of some illusions like if I am the Bill Gates how would it be and not putting the things into action to become like the Bill Gates Etc., This is my daily routine...

But then once I heard about the quotation in Face Book saying "Time management through the Bhagavad-Gita process", I just want to attend the session and learn the techniques to implement them in my life to become great. Frankly telling I have attended the session out of selfishness and only to grow myself with the preaching's of Bhagavad-Gita. Later once when I have attended Yoga for Happiness session in ISKCON, this session helped me how to behave, disciplined, diet intake etc. I have associated with many people in the trips over this total journey. This made me to give something to people what I have learnt in this journey and I like it doing. I have learnt many words during the journey like "In the whole universe the very easy thing you can do is to TAKE and the very easy thing to don't will is to GIVE". This word made more impact in my life. I started giving something what I have to the needy people. I have started chanting Harinam Mantra and being peaceful. I will surely tell my friends about the Krishna consciousness and be a good person in the rest of my life. Thank you Srila Prabhupada for including me in this wonderful journey with you through ISKCON.

Your Humble servant,

Bhakta Vara Prasad.

Dear Srila Prabhupada,

My sincere obeisance and respects to you on this auspicious occasion of Vyasa Puja! I see this as a very valuable opportunity to show my humble gratitude and respect towards you, our beloved spiritual master in the pursuit of happiness, of reaching "Back to Godhead" in this age of Kali.

om ajšana-timirāndhasya,jšanaśjana-salākayā

I am reminded of one of your quotes on how one should follow the footsteps of a spiritual master instead of trying to blindly copy his deeds. In fact, your full glories may never be understood by me, but notwithstanding my limited intellect, you have initiated the divine Krishna Consciousness (ISKCON) Movement throughout the world to spread the glories of the Supreme Lord "कृष्णम वन्दे जगत्पुरुं ।" all over the world. And this is oasis in the desert for all the fallen souls, irrespective of all types of material differences like religion, nationality, colour etc. This speaks volumes about your devotion to an extremely pious cause and the universal & transcendental nature of this Divine Movement, initiated by Shri Chaitanya Mahaprabhu, who is Krishna Himself and has spread today in almost the whole world today.

You have given all of us the nectar of devotion for Krishna - The Supreme Personality of Godhead" by teaching us the "Hare Krishna Maha-Mantra", not by speculation, but through the authority of the Vedic scriptures, which would otherwise be inaccessible and unknown to conditional souls like me. You taught us a very simple and effective way in this age of fallen souls - Kaliyuga, to experience divine & sublime eternal joy by getting engrossed in the holy names and pastimes of Bhagavan- the transcendental "Food for the Soul". You taught us the "ABCD" of Krishna Consciousness, viz. :

A - Association of pure devotees

B - Book reading

C - Chanting of Hare Krishna Mahamantra

D - Devotional service unto the lotus feet of Krishna

Hari Bol ! Hari Bol !!

Today, I take a pledge to follow your footsteps and continue to work for the benefit of humanity in the best of my capacity!

All Glories to you & may your blessings shower on every conditioned soul!

Your ordinary and obedient soldier in your army of Vaishnavas,

Bhakta Vedant Sonar.

Bhakta Veera Prasad

Dear Srila Prabhupada, my eternal father,

Please accept my humble obeisance on this auspicious occasion of your divine appearance. All glories to your lotus feet. It has been 3 years I am being under the shelter of your lotus feet. I have noticed many changes from last 3 years in my life style under your guidance. The chanting which you gave has really helped me to focus on Krishna Consciousness.

You made me very fortunate by giving me the opportunity of having the pleasure of visiting Vrindavan in the last year. I was really blessed to have darshan of place you have lived. By hearing pastimes of many devotees at Vrindavan, I released the dedication and seriousness what I have on Krishna Consciousness is not at all enough. I released that my 2 rounds chanting has taken me to Vrindavan, if I chant 16 rounds, it may take me back to Godhead.

Thank you very much for giving me ISKCON and the association of devotees. Thank you very much for your causeless grace. Thank you again and again for all that you have given me. Still, I am ignorant, please help me to focus in Krishna Consciousness seriously. Please forgive me for all offences that I have ever committed. Please keep me always in your service.

Hare Krishna, Your aspiring servant,

Bhakta Veera Prasad.

Dear Srila Prabhupada,

I offer my humble obeisances unto your lotus feet.

The worldwide fame of his divine grace Prabhupada is well known for his mercifulness. When you arrived in London, your disciples were surprised to see that you were not keeping well still you traveled in that condition to meet devotees over there and encourage them for Rath Yatra festival, it completely shows your mercifulness.

Only by your mercy, we may be able to understand your dedication towards preaching the message of Krishna. In New Delhi during the summer season, the temperature used to rise to 114 degrees still, you used to go out daily to distribute Krishna voice magazine and other literature. Prabhupada, you constantly worked, without considering day and night in spreading Krishna conscious message. Please bless me and keep me under your divine shelter.

Your fallen servant, Bhakta Velmurugan.

I want to express my gratitude to you today for your very determined and steady effort to preach Srila prabhupada's mission. Please grant us the benediction that this may be so. Your mood is filled with genuine compassion and love. Thank you for having a longterm vision for the implementation of Krishna consciousness in the modern world and not being blind to the inevitable collapse of society as we know it.

Thank you for helping to unfold the wonderful plan of Srila prabhupada for Krishna conscious lifestyle in Bangalore. May you live a long life and continue your relentless preaching efforts right to your very last breath.

Your aspiring servant, Bhakta Venkat Sai.

My dear Srila Prabhupada,

Please accept my humble obeisances. All glories to your lotus feet.

You teach us how to know God and how to love him. You presented the science of how one can know Krishna, the Supreme Personality of Godhead, by practicing the teachings of the Bhagavad-gita and Srimad Bhagavatam. You teach us that our only business is to love God.

In Bhagavad-gita we find Lord Krishna's final instruction to Arjuna and ourselves: "Abandon all varieties of religion and just surrender unto me. I shall deliver you from all sinful reactions. Do not fear. Always think of me, become my devotee, worship me, and offer your homage unto me. Thus you will come to me without fail. I promise you this because you are my very dear friend."

In the Bhagavad-Gita we find this passage: "The Blessed Lord said: O mighty-armed son of Kunti, it is undoubtedly very difficult to curb the restless mind, but it is possible by constant practice and by detachment." Here Krishna emphasizes practice and renunciation as ways to control the mind.

Srila Prabhupada, you explain in the Bhagavad-Gita: The whole process of the yoga system is to purify oneself. And what is this purification? Purification ensues upon the realization of one's actual identity. Purification is realizing that "I am pure spirit-I am not this matter." Due to material contact, we are identifying ourselves with matter, and we are thinking, "I am this body." But in order to perform real yoga one must realize his constitutional position as being distinct from matter. The purpose of seeking out a secluded place and executing the meditational process is to come to this understanding. It is not possible to come to this understanding if one executes the process improperly. In any case, this is the consideration of Lord Caitanya Mahaprabhu: "In this age of quarrel and disagreement (Kali-yuga), there is no other way of spiritual realization but this chanting of the names. There is no other way, there is no other way, there is no other way."

Srila Prabhupada, I pray to you, that I be always conscious of your examples and teachings, to follow in your footsteps, and to inspire others to do so.

Your humble servant,

Bhakta Venkatesha NM.

Dear Srila Prabhupada,

Please accept my most respectful obeisance into your lotus feet, All glories to your Divine Grace. It is our great fortune that you have bestowed upon us your causeless mercy so that we may offer our humble words of glorification at your Divine Lotus feet.

When Lord Krishna appeared on this planet He Himself was teaching how to surrender into Him, which is the goal of all living entities, And when Lord Caitanya appeared He assumed the form of 'Bakta Avatara' just to teach how to become a surrendered devotee. Prabhupada, in the same way you appeared as a pure devotee on this planet taking up a role of an Acarya and you have shown the whole world, the position, the nature and the action of a Bonafide Guru.

Srila Prabhupada, it took so many years to come to an understanding that except you, nobody can deliver the whole world. Srila Prabhupada wrote in a letter "The real ocean of mercy is Krishna" and it is the duty of the spiritual master to tell this his disciples to come to the ocean and be happy. Krishna is yours; you have the power to give Him to me. I am simply running behind you shouting, Krishna! Krishna! I is by your mercy that I have got an opportunity to participate in ISCKON mission in our office that to in break time.

I am very grateful to my spiritual master that, He has guided me attending Krishna astray test and do the sadana as per my level and provide me to attend mangalaarati at least once in a month. And I am very happy because providing some opportunity to do the service wherever is possible. Kindly provide me more opportunity to serve your mission and improve spiritually and kindly guide me to do book distribution and provide my family members are also involve in Krishna consciousness and do your services. Srila prabhupada also kindly forgive me for all the offences I have committed at your lotus feet and I beg you to be my eternal companion and well-wisher in my journey back home, back to Godhead and give me residence to your lotus feet.

Yours unworthy Servant,

Dear Srila PrabhuPada,

I offer my humble obeisances unto your lotus feet.

To start with, the way you helped me is incomparable with any of the other help I got in this world. Because of you and your movement in krishna consciousness only I got to know about this holy names chanting and now I am very confident that anywhere in this world I will not feel lonely because you have shown us the way to think of Krishna and love him unconditionally and when I think of Krishna that he is with me always how can I be alone. I have to say even that thinking also improved by hearing your lectures from various media and reading your books. I faced lots of ups and downs in the last year that so many people say in my material life. But, all of them didn't affect me that much because of the strength you are filling in us in the process of devotional service and chanting. I am thankful to you always for everything you gave me even though I couldn't give back 1% of your's my dear master for birth after births. The love that have shown on all of us is uncountable and I hope I will get your blessings always constantly and involves in devotional service.

Your unworthy servant,

Bhakta Venkatesh Sathar.

Dear Srila Prabhupada,

Please accept my humble obeisance unto your lotus feet.

I have always enjoyed the association of devotees because in each association we can understand some or the other past times of my dear Guru Maharaja which makes me feel and understand how much effort that you, Srila Prabhupada, had invested for the sake of those who are very eager to take up this Krishna Consciousness.

Dear Srila Prabhupada, if I am chanting Hare Krishna or worshipping Radha Krishna it's because of your teachings and spiritual insights nothing else. Many a times I feel what am I contributing towards Krishna consciousness? But with the mercy of Guru and Radha Krishna, some possible options I can think of. Srila Prabhupada, your encouragement through the teachings will definitely help me to overcome the day to day challenges. I always beg for your causeless mercy to shower upon us to understand and implement Krishna consciousness in my life.

O my dear Srila Prabhupada, it is so difficult to imagine how would I lived without your interference in my life. You are the Jagad Guru and I always rely on your teachings and bow down to your lotus feet until my life ends.

Trying to be your servant,

Dear Srila Prabhupada,

Please accept my humble obeisance unto your lotus feet on the most auspicious day of your appearance day.

All glories to your Divine Grace!

Thank you Srila prabhupada, You created a wonderful environment in ISKCON to practice the Krishna Consciousness for making our human life meaningful in this birth. To obtain the love of Krishna you gave us simple steps such as association of devotees, Krishna prasadam, chanting Hare Krishna maha mantra and deity worship.

Even though you have given very simple steps to practice Krishna consciousness but sometimes the circumstances and situations drag me away from practicing Krishna consciousness. Please give me the right knowledge to understand and practise the Bhagavad-gita principles in my life, strength to manage and fight against the things which drag me away from Krishna consciousness.

Dear Srila Prabhupada, you are the ocean of mercy, please empower me and bless me.

Dear Srila Prabhupada,

My humble obeisance's unto you.

My beloved Spiritual Master, please accept my obeisance's, as I have no proper qualifications and knowledge to glorify you. I am an insignificant person to whom your mercy has given some understanding of goal of life and my real constitutional position, as part and parcel of Krishna to service him always! My beloved master has all the divine qualities as mentioned in the Bhagavad Gita. It is due to my spiritual master that I am able to associate with devotees as mentioned in the Sastras * Sandhu Sanga , sadhu sangha- sarva sastra Kaya, lava matra sadhu Sanga sarva siddhi haya* . Reading his books helps me to understand the important message of the scriptures such as Bhagavad Gita Srimad bhagavatam and so

many other scriptures in a very simple and lucid language. Our master has written over 70 volumes of scriptures in such a small span of time for the benefit of the whole world by spreading the teaching of Krishna. I am very fortunate to have pure devotee as my spiritual master! Due to his mercy I am able to visit various spiritual places associate with devotees and hear the glories of the lord more and more and help me to achieve the highest perfection of life.

My beloved master please accept my humble offering to your lotus feet.

Dear Spiritual master Srila Prabhupada,

Please accept my humble obeisance, all glories unto you on this auspicious occasion of your vyasa puja. Heartfelt obeisances to Lord Chaitanya and Lord Radha Krishna Chandra.

Our respectful Spiritual master, Srila Prabhupada is so kind and merciful that, he is providing nice opportunities to render devotional service in order to purify our senses for spiritual growth. My personal experience is, once we follow the instructions of spiritual master, it's impossible to give up and able to see the influence of spiritual master in order to keep me in the right path. Hence it is cent percent truth that, Spiritual master takes full responsibility of our spiritual progress when we desire to follow his instructions seriously Sometimes situations make us to think that we will not able to engage our-self in Spiritual activities So three necessary things to keep in mind is that, Importance of taking Krishna consciousness seriously, Chanting 16 rounds of Hare Krishna Maha-mantra daily, Following Srila Prabhupada instructions strictly Only possible way to please Supreme Lord Krishna is by following the Spiritual master instructions..!Jay Srila Prabhupada...!!!

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet. We are very much thankful to you from bottom of my hearts for giving us Krishna Consciousness. You have created replica of Vaikunta in this material world which helps us to get relief from this material entanglement. When I was reading Prabhupada autobiography, I came to know how much efforts you have put to translate and publish the books. These books are law books for spiritual advancement. By reading your books, following four regulative principles, chanting minimum 16 rounds and taking krishna prasadam keep us in krishna consciousness and get liberated from material world. on this special occasion, I wanted to share one discussion which was happened with my colleague few months ago. Now a day's people used to go to pub for drinking and dancing, they say this is the enjoyment. In our Krishna Consciousness also, we drink Charana Amruta and dance nicely in front of lord. Here the difference is, we have enjoyment under the shelter of Supreme lord krishna. They enjoyed under shelter of Maya/Illusion. "Krishna is giving us everything. There is no scarcity. If we simply sincerely work, Krishna will give us intelligence and everything. By his mercy everything is available. That is Krishna. He can give you anything"

You came to this material world to bring about a historic change in this world's misdirected civilization. I was also one among the misdirected person. I am so fortunate to come in touch with you and your devotees. It is a wonderful experience and great opportunity to work and serve the devotees of Lord Krishna. I constantly beg for your mercy to engage me in divine and transcendental service of Lord Krishna. I have realized the truth by reading your Science of Self-realization book that 'The guru's business is to bring his disciples from darkness to light.' As you rightly said by surrendering fully, you will bring me from darkness to the light. Srila Prabhupada, you are my savior.

Dear Srila Prabhupada,

Thanks for your spiritual instructions and guidance, By devotees association we have received your support in abundance, We were suffering in this mundane world of illusion, You ordered us to chant the Lord's name as the only solution, we were misled into this material world by its false looks, However you showed us the true path by giving us transcendental books. You instructed us to always remember and worship the Lord, and made us realize that daily sadhana is our only true guard. In this onslaught of birth-death cycle..it makes no sense for anyone to roam, You therefore emphasised on the fact that we all need to go back to our eternal home. We can only say a humble thanks to you and express our gratitude. I am sure by your blessings we can improve our devotional service and attitude.

Your humble servant,

Dear Srila Prabhupada,

Please accept my humble obeisance unto your lotus feet. I have been chanting 16 rounds of Hare Krishna Mahamantra for around 2 years. Thank you for giving the Holy name to descend on my tongue. Your inspirational teachings about the Supreme Personality of Godhead Lord Krishna have enlightened us about the true goal of life by removing the darkness of ignorance, from the Bhagavad Gita, I learned that I am not this body I am this spirit soul. But I am too much engrossed in bodily activities that I am unable to realize that I am not this body. It is mentioned in the scriptures that only by Gurukripa, one can transcend the body. So please bless me to come out of the bodily concept of life and come to spiritual platform. In the upcoming days, please engage me more and more in your devotional service and bless me to remember Krishna always.

Morning worship of God which makes whole day peaceful, successful. It gives some power that brings strength present within us. We start our work with confidence thinking Krishna is with us definitely we will be successful , that confidence that we got from Prabhupada's book , speeches will makes us successful in every steps.

My Dear Srila Prabhupada,

All glories onto your lotus feet.....My lord, I don't think that I am qualified enough to thank you. You have given me the most beautiful gift of my life which is Krishna prema. You have shown me the way to true happiness. Without you my lord, my life would have been in complete darkness and I would not have known the true purpose of human life, and would have been a typical karmi. I don't have any words of thankfulness which I can express it to you. Whenever I was lost in the ocean of maya, you my have saved me and brought me back to the shore of bhakti. As many times I was deviated from the path of self-realization, you have come that many times to save me.

I just can't thank you enough to be such an important part of my life. Without you I was nothing. Only by holding your lotus feet have I got the true meaning of life. At last I pray to Krishna to give me that power so that whatever situation comes in my life I shall not let go of your lotus feet. You had once said "just hold my kurta, I will take you back to God head". May Krishna give me that opportunity so that I may get your grace and mercy.

Aspiring to become your eternal servant,

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet.

I am very lucky and blessed by Lord Sri Krishna to have a pure Vaishnava spiritual master like you and being a part of ISKCON. Before coming to Krishna consciousness my life was very randomized , whatever I was doing without any cause. I believed in god since my childhood but not following Krishna much as I don't know much about Krishna and also whatever I was doing was in very unorganised manner.

Once I came to ISKCON Bangalore, only by Krishna and your mercy got the way towards the path of Krishna consciousness.

And now I learned , Krishna consciousness means how to act in harmony with ultimate reality. Krishna consciousness means becoming free from that illusion, and experiencing our true blissful, eternal nature. It's a process that works. Anyone can do it.

I heard a lot about you, whatever I heard is still very small it keeps on increasing , what I thought is You must have a very special mercy of The supreme Lord Sri Krishna due to which you taught Krishna Consciousness to western world also.

We are very thankful to You that you showed us the path of Krishna Consciousness.

Dear Srila PRabhupada,

Please accept my obeisance's. All glories to you on this auspicious day of your appearance day

Prabhupada I am very much grateful for giving me Parampara knowledge and understanding my goal of life. Please give me your mercy to chant Holy name perfectly and offenselessly so that I can please you and Lord Krishna by reading your books. I personally changed my life with proper vision what to do and how to lead better life for everything which you have given prabhupada.

I offer my humble obeisances to you my dear spiritual master, Srila Prabhupada.

Your humble servant,

Bhakta Vishnu.

Bhakta Vishnu Unni

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet.

Prabhupada, it is by your mercy that I have been able to practice Krishna Consciousness since last 1 and a half years. And it is said that without Guru and Krishna's mercy one cannot attain pure devotional service.

With your blessings I was able to join your mission as a full time devotee from this year.

Even though I consider myself completely untalented and unqualified to serve your mission, somehow you guided me to your movement. It was a gradual process. I still have a long way to go to become a useful devotee to your mission. You somehow pulled me into your movement. I don't know what quality you found in me suitable to have me in your divine mission.

It was solely through your books that convinced me thoroughly about the importance of Krishna Consciousness and it was my only shelter during my times of difficulties. Every word in your books are like nectar which keeps the reader completely absorbed in Vaikuntha Loka. You have included word to word instructions in your books for your sincere disciple to be an ideal disciple. This has helped me tremendously to move forward inch by inch in Krishna Consciousness.

Prabhupada, after reading your life story, there was a big factor in it which motivated me to leave my Health care Profession and join your mission full time.

Even though you had a bright future ahead of you as a Pharmacist you still chose to follow the orders of your Guru Maharaj by giving up all material desires and work hard to serve the mission of Sri Chaitanya Mahaprabhu because that is the real duty of a devotee. This tremendously motivated me to join your mission as I was thoroughly convinced by your instructions. Please continue to guide me as I move ahead in my practice of Krishna Consciousness.

It is only by the mercy of Guru that one can approach Krishna. Prabhupada, you have taught me this very important lesson. Only if we can please the Spiritual Master, then automatically the Lord is pleased.

I have always felt a sense of safety under your shelter Prabhupada. Please don't let me leave your divine association at any cost.

I don't know why but I have sometimes noticed that whenever Guru Puja happens and we sing the song glorifying you, somehow tears start rolling from my eyes. Each line in that song glorifies the spiritual master and it is very powerful indeed to invoke emotions within us.

Prabhupada, you are the ocean of mercy. You have shown so much kindness to all your devotees, even the fallen ones. Your strong words are always a source of motivation for all of us. You have faith in all of us. I still find myself of no use to your movement, but you have been kind enough to accept me as your disciple. Please forgive me if I have committed any offences during my spiritual practice. I still don't know how can I serve your mission. So like you once said, "you can make me dance the way you like". Hence you can make me dance Prabhupada. Atleast in that way I may be of some value to your movement.

I thank you for giving such nice and kind devotees as my god brothers all under one shelter. I also thank you for gifting us such an amazing leader in our movement as Madhu Pandit Prabhu. We are truly fortunate to have Prabhu's association.

Prabhupada, during my practice of Krishna Consciousness, I have committed many offences. I have behaved in a manner which is not becoming of a Vaishnava many times. Please forgive me Prabhupada for all the mistakes that I have done to all the devotees. Please see me as a fallen and a foolish devotee who is still learning about Krishna Consciousness' like a baby. Kindly be merciful unto me.

I am also fortunate to have so many kind and helpful devotees in front of whose dedication I am nothing. Their secret of success in devotional service is simply following your instructions. I feel strongly motivated in their presence.

Kindly continue to guide me through your eternal instructions and please keep me completely attached to the Lotus feet of Lord Krishna. I want to be in your mission till the end of life no matter what my status in the movement. Please bless me Prabhupada.

All Glories to Srila Prabhupada, the ocean of mercy!!

Your most insignificant and fallen servant,

"Dear Guru dev". Srila Prabhupada,

"Please Accept my humble obeisance in the dust of your lotus feet. All glories to you on this auspicious day of your vyasapuja." Today, on your auspicious appearance day, I would like to glorify you in two ways, first as the representative of the Supreme Lord, and second as the great personality who stepped into my life with a multitude of lovable qualities. I am the most unqualified to praise your generous love and compassion. You are very special to Krishna because of your ever increasing glorification of Him to His devotees. With your mercy, I hope one day to become eligible to perform devotional service. Since last 4 years I have been chanting 16 rounds and worshipping the Lord and following all the regulative principles daily. Neither of these services could have been achieved without your mercy. Chanting 16 rounds on a daily basis is quite challenging, the only motivation I have is that by chanting these rounds, you may be pleased, which may result in you granting me more mercy and increasing my attraction to the Holy Name.

By the mercy of the spiritual master one receives the benediction of Krishna. Without the grace of the spiritual master, one cannot make any advancement. Therefore, I should always remember and praise the spiritual master. I always pay my humble obeisances at your Lotus Feet at the time of Guru Puja & try to remember your beloved words & Kirtan at the time of Chanting. I am hoping this meets you in the best of health and in an ecstatic mood. Please forgive my constant rampant offences and bless me that I may serve you instead of illusion. Wishing to be the servant of your servants,

Your servant,

Bhakta Vishnu Mahanthes M B.

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet. All glories unto your Divine Grace. Srila Prabhupada, your guru had asked you to spread Indian Vedic knowledge and Krishna conscious philosophy in Western countries. In this context, you initially started writing commentary on Bhagavad-Gita and an English fortnightly magazine without assistance. At Radha Damodar temple, you began the work of translating 18000 verses of Srimad Bhagavatam. For this wonderful outstanding job, Gaudiya Vaishnava society honoured you with title Bhaktivedanta. Then you travelled to United States to spread this Vedic knowledge, which was your Guru's vision. Then you established International Society for Krishna Consciousness(ISKCON). You travelled through out the world for more than ten times for spreading Krishna consciousness even in your old age. We are very much fortunate to be a part of such a society. Srila Prabhupada, I request for peace and tranquillity in this technically advancing world.

Your servant,

Bhakta Vishwaradhya.

Bhakta Vishwas S

Dear Srila Prabhupada,

All glories to You! Please accept my humble obeisance unto your lotus feet.

I am not sure even if I am qualified to glorify you, I can only be very grateful and thankful for this opportunity. I wonder how fortunate we are even though being born in this material world, you have incarnated to save us and lead us to the right path back to Godhead through a movement called "International Society for Krishna Consciousness".

Even today you are enlivening millions of fallen souls through your words, books and lectures. You are the only saviour for the humanity. I must say it is only by Your Grace and causeless mercy that I am practicing Krishna Consciousness to at least a very small extent today.

I am unable to engage myself with devotee's association or temple due to happenings in my personal life. So, it is only by Your Grace that I am still able to remember Krishna and offer some prayers and do some chanting. Please forgive me for all the sins that I have committed and continue to shower your blessings on me and my family.

I pray to you and the Lord to enable me to enhance my Bhakti and to inculcate Krishna consciousness in my son and family as well.

"vande guroh sri charanaravindam"

Thank you again.

Dear Srila Prabhupada,

Please accept my respectful obeisances unto your lotus feet.

On this auspicious occasion of Vyasa Puja, I would like to express my heartfelt gratitude to you for blessing me with your causeless mercy by bringing me in contact with the movement of Krishna Consciousness. I would like to thank you for blessing us with the Hare Krishna Maha-mantra, enlightening us with its meaning, and also giving us the initial taste for chanting, so that we could embark on our journey in Krishna consciousness. In my limited journey on this path, I have certainly realized one thing, that the understanding and taste for such spiritual knowledge cannot be achieved by any amount of material efforts, unless one has the mercy of the spiritual master. I would like to thank you for blessing us with the opportunities to render practical devotional services for the pleasure of the Lord, even though we are not at all qualified for it.

By your relentless efforts, your vision into the future and your causeless mercy upon the conditioned souls, you envisioned and started the movement of Krishna Consciousness, which is deeply impacting the lives of millions of living beings and helping us understand the true purpose of human form of life - "To attain love of Godhead". Even though you are not physically present with us in this material world, your instructions in the form of books and lectures make us feel your presence every moment, and inspire us to advance in our spiritual lives. Please continue to shower your blessings and causeless mercy upon this conditioned fallen soul, for there is nothing other than the shelter of your lotus feet that can help us stay focused and disciplined in our spiritual life. Words are not enough for us to express the gratitude and reverence for your mercy upon us.

Your aspiring disciple,

Bhakta Vivek Dixit

Dear Srila Prabhupada,

Please accept my humble obeisance unto your lotus feet.

Srila Prabhupada, as professed by Sri Chaitanya Mahaprabhu, today the Holy name of the Lord is sung in almost every nook and corner of the world. It is all because of your mercy on the fallen conditioned souls. You took the pain to deliver the western countries and now we all are benefiting. It is very difficult to be engaged in the transcendental devotional service of the Lord with the kind of desires available to enjoy the senses in this material world. But showing Your kindness on the fallen souls, you have accepted everyone who tried to serve the Lord with whatever capacity one has.

Srila Prabhupada, as a bonafide representative of the Supreme Lord Krishna, you have delivered the unpleasant truth of this material world in your books and lectures and also shown the path of perfection as enshrined in the Vedic literatures. Millions of souls have taken shelter at your lotus feet and you have promised to take them back to their eternal home. Your disciples all over the world are helping everyone to come to the real consciousness and become free from the entanglement of this material world of action and reaction. I am also one of the beneficiaries and I wish to serve you.

Your aspiring servant,

Dear Prabhupada,

om ajnana-timirandhasya jnananjana-salakaya cakshur unmilitam yena tasmai sri-gurave namah

na hi kaścit kṣaṇam api,jātu tiṣṭhaty akarma-kṛt

Everyone is forced to act helplessly according to the qualities he has acquired from the modes of material nature. I am not eligible to declare war against Krishna's external energy which is called material nature (Covered by Maya) anyhow I have to fight and understand the Nature actions, Oh Prabhupada, I am begging you, kindly engage me in Krishna's devotional service without diverting anything else as stated in the above. Attachment to you and VAISHNAVAS will open the doors of spiritual world but I am not listening their words sometimes. Attachments to devotees and guru can immune us from all temptations, So please engage me in your mission. I am very much hankering for your blessings and Krishna's to do right things. As stated in Srimad-Bhagavatam,

"sakṛd yad darśitaṁ rūpam,etat kāmāya te 'nagha

mat-kāmaḥ śanakaiḥ sadhu,sarvān muṣcati hṛc-chayān"

O virtuous one, you have only once seen My person, and this is just to increase your desire for Me, because the more you hanker for Me, the more you will be freed from all material desires.

"mumukṣavo ghora-rūpān,hitvā bhūta-patīn atha"

Those who are serious about liberation are certainly nonenvious, and they respect all."matir mayi nibaddheyam na vipadyeta karhicit"

Intelligence engaged in My devotion cannot be thwarted at any time. Devotional service rendered to the Personality of Godhead never goes in vain. Since the Personality of Godhead is eternal, intelligence applied in His service or anything done in His relation is also permanent, I have use my little intelligence to your mission, kindly guide me. A devotee sees that every living being is part and parcel of Kṛṣṇa (mamaivāṁśo jīva-bhūtaḥ [15.7]). Therefore a devotee treats friends and enemies equally by trying to educate them both in Kṛṣṇa consciousness and I am trying to become Krishna consciousness in all circumstances, you have given us the platform where we can constantly do devotional service to Radha Krishna and

your books are awesome exactly like Krishna's words, please increase my desire to read your books and particular personnel interest they can follow any type of your instructions based on Bhagavad-gita, Varnasrama-dharma and so on. Please kindly me to follow your instructions.

Dear Srilla Prabhupada, Hare Krishna

Please accept my humble obeisance.

As it is rightly said, a guru should be Brahma-Nishtham i.e. having full knowledge of Brahmana. His Divine grace A.C. Bhaktivedanta Swami Srila Prabhupada, you are a true guru in every sense. The knowledge, the dedication and the Quality of Preaching you had shown to the world was truly remarkable.

In the initial phase of my Krishna Consciousness I used to pray to Krishna but had never given importance to any guru. But as soon as I started reading, listening and watching about you and your lectures, the gradual transformation and respect for you started coming. I realized soon the importance of Guru, to progress in spiritual life and you were helping all of us to progress in our spiritual life by helping us understand the Vedic philosophy in the easiest way. You have something really very unique which makes you special and extraordinary. All Glories to you Srilla Prabhupada. Hare Krishna.

Hare Krishna,

Respected Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet.

I recall when I first read your books, the truth in your words entered straight into my mind. I remember feeling a higher purpose to my existence, for this, I am indebted to you.

Your writing is like a real-time dialogue between oneself and You. This spiritual dialogue has lead millions towards internal questioning, whose answers come from your rigorous and vital purports. What can be a better way to connect with your spiritual light than this?

Your irrefutable writing is a testimony that it comes directly from the great disciplic paramparā starting with The Supreme Personality of Godhead. I bow down in submission, for bringing this knowledge to everybody through your several hundreds of books and thousands of translated verses, where you reside now & forever.

Dear Srilla Prabhupada,

I offer my humble obeisances unto your lotus feet on the auspicious day of Vyasa Puja. It is said that just by hearing the glories of the bonafide spiritual master, one becomes purified and awakens his dormant Krishna consciousness. By your causeless mercy, this fallen soul got an opportunity to express the gratitude to what you have given to all of us please accept this humble attempt.

brahmāṇḍa bhramite kona bhāgyavān jīva, guru-kṛṣṇa-prasāde pāya bhakti-latā-bīja ”

- (CC.Madhya 19.151)

I was wandering in this universe since so many life times, in different bodies like cats and dogs, but it's your causeless mercy that you have showered your glance over so many jivas and somehow or other I got one drop of your showering glance.

And that drop in my life is association with pure devotees, who taught me the real purpose of this life. It's almost 11 months since I joined the FOLK Residency and I've seen a drastic change in myself. Even though you are not there in front of me, but it feels like you are there in my heart through your books, your words and your instructions, which are constantly guiding me to advance in my spiritual life.

Every day we hear “The lotus feet of our spiritual master are the only way by which we can attain pure devotional service. We bow to his lotus feet with great awe and reverence. By his grace one can cross the ocean of material suffering and obtain the mercy of Krishna.” I beg you to please keep me under the shelter of your devotional service and empower me with requisite knowledge, determination, and strength to enhance my spiritual life.

Your humble servant,

I thank you Srila Prabhupada for giving me strength to chant the holy name even though I'm not qualified for that. By your mercy I had successfully completed more than a year in Krishna consciousness. Please show me your mercy for continuing my sadhana and service to you and Krishna. You had enlightened us with your books and lectures which became my constant companion in hardship of life. I thank you for giving me food, place, and job in your organisation which is a rare opportunity. Please help me to be sincere in following regulative principles, chanting, reading, and association of devotees. Help me to serve you whole heartedly and honestly.

Bhakta Yogesh Lakhota

Dear Srila Prabhupada,

My parents and grandparents gave me an excellent headstart to lead a spiritual life by giving good sanskar and telling about stories of God. In this fast paced and atheist world, I couldn't practice much and get further exposure to enhance my spiritual growth until I visited ISKCON Bangalore.

Through Folk induction, I got to meet lots of humble and kind hearted devotees and prabhus who are always up at your service. We celebrate all the festivals, ekadashis, do something special on Sundays to direct the young generation on a spiritual path. Through your books, we also try to reach out to people whose life can be positively influenced by this exposure. We organize trips to visit around the country and hear the glories of the God. Through Akshayapatra, there are thousands of people who get the divine prasadam. Overall, I see people putting efforts in service and live harmoniously to make our country a better place.

When I look back and think how it all started, I realize that a very significant contribution is made by you. Your selfless life to teach and propagate Krishna Consciousness across the globe has given happiness to millions of people around the country. We love you very dearly and wish there be more human like you to enhance the humanity in Kaliyuga.

My humble pranams to your lotus feet,

Bhaktha Yogesh Lakhota.

Bhakta Yuvraj

Dear Srila Prabhupada

Please accept my humble obeisances. Today is the most auspicious day of your appearance.

Srila Prabhupada you convinced me that crime is due to unclean hearts. The difference between a pious man a criminal is dirty. This dirt is like a disease in the form of uncontrollable lust and greed in the heart of the criminal... Thank you Srila Prabhupada for these words, my life has transformed after hearing these lines and I'm now trying to become a devotee. You have saved me and made me a gentleman. Please engage me in your devotional service.

Your humble servant,

Bhaktha Yuvraj.

Bhaktin Aditi Pandey

Hare Krishna!

Please accept my most humble obeisances at your lotus feet.

Dear Prabhupada, words aren't enough to express how significant you are to me. I remember how depressed I was. Totally lost track of my life. I was becoming an atheist. I was desperately in need of someone who would answer the questions I had in my mind. I tried everything I could do to find the answers but I failed terribly. I didn't know anything about you at that time and also didn't know much about ISKCON. Undoubtedly, By Krishna's and your grace one day a miracle happened. Yes, a miracle. A thought struck my mind. I decided to read Bhagavad Gita. Your grace, every time I recall that moment when I took this decision I thank you from the core of my heart because it was yours and Krishna's mercy only. Again it was my greatest fortune that my father had Bhagavad Gita - As it is. I took it from him and started reading. Prabhupada, it won't be an exaggeration if I say that I felt your presence in each and every line of the purports. I could feel as if someone is personally talking to me and clearing all the doubts I had in my mind.

Prabhupada, in spite of your attempts to make me a better person and help me to cultivate Krishna Consciousness, I have been in disgrace. I have zero knowledge, no Bhakti. I feel that I don't deserve to speak to you.

You know that I am a terrible person. Still I would beg you to please have mercy on me. You have always been compassionate towards this insignificant and unfit soul. I am requesting you to please accept me as one of the souls who seek refuge. You are my only savior, Srila Prabhupada. Please don't ever leave me alone otherwise I will be doomed.

I am indebted to you for all that you did for me.

Please give me strength to follow your instructions without fail and also to be strong in front of those who are standing against me.

Your aspiring servant,

Bhakta Aditi Pandey.

Bhaktin Akshathaa Somaiah

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to You on this auspicious day of Your appearance. I feel extremely happy and grateful to be able to write this letter to You, which I pray You will read and accept, despite all my shortcomings. In the little time that I have been exposed to Your teachings and instructions, I have understood how practical and simple they are. All that is required from us is to follow the same with faith and devotion. And undoubtedly, it will take us to the destination that we desire to reach. From the time I have started to practice the instructions given by You, although to a very small degree, I have personally felt the impact of it on my life. I hope I will be able to go forward on this path to experience more happiness in this journey. Questions pertaining to life after death and the spiritual world and many other such subjects are always topics which are not touched upon for most of us. It is by Your grace that we now have access to such knowledge. And we must be all the more thankful for the effort You have taken in making it understandable with practical illustrations which will help common people like us understand such subjects. How You single-handedly spread the Krishna Consciousness Movement all over the world in such a short span of time is no less than a wonder and would have been possible only for a pure devotee, such as Yourself. The very fact that this movement is still growing and showering Your blessings and guidance to the masses clearly means that You are still guiding Your disciples through the books You have left behind. Thereby, also giving all of us the opportunity to be blessed by Your association. From the books That I have read I have understood how clear You are in Your realisations. Not just that, but You even led Your entire life by those principles. Hence confirming that Your guidance is not merely meant for theoretical understanding, but, for most importantly, practical application. The struggles and hardships that You took on Yourself to ensure all of us get access to the devotional service of the Lord in an authorised and authentic manner makes me feel very much indebted to You. While I can't thank you enough for that, I pray that you give me the ability to follow Your instructions and guidance.

Your humble servant,

Bhaktin Akshathaa Somaiah.

Bhaktin Amrutha Somaiah

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to You on this auspicious day of Your appearance. This being my first letter to you, will always remain very special and close to my heart. I would like to take this opportunity to thank You for Your blessings and the tremendous impact You have made in my life. It is only by Your grace that I have been able to understand Krishna consciousness to whatever little extent I am capable of. I pray that You always show Your mercy upon me and guide me in every endeavour moving forward. From the time I learnt about You, I always looked up to and admired You

for all the great accomplishments and invaluable, selfless contribution You have made to mankind. And today, to look at You as my spiritual master gives me immense joy. I can confidently say that no one can teach the world about Krishna and the science behind realising Him in a simpler and more straight-forward method than the way You have. You have been instrumental in bringing countless number of people closer to The Supreme Lord and understand Him deeper as a Person. In every sense, You are the perfect example of a bona fide Guru. I truly believe I cannot thank you enough for all the memorable experiences that I will always treasure and the wonderful people I have come across in this journey. I still have a very long way to go before I can understand Your teachings and instructions in totality but I am assured you will always show me the way and be forgiving of all the mistakes I commit in the process. I will forever be indebted and grateful to You in more ways than I can count. Again, thanking You and praying to always have Your blessings.

Your humble servant,

Bhaktin Amrutha Somaiah.

Bhaktin Amruthavarshini M

Dear Srila Prabhupada,

Please accept my humble obeisance's unto your lotus feet.

By your grace and kindness, I got an opportunity to experience the happiness of spirituality. I always feel blessed to read your books and they give a kind of realization on our duty in this material world. It's all because of you I know the true nature of myself. With the association of devotees and chanting of the Hare Krishna Mahamantra I have found a firm goal in spirituality to achieve. Everything I learnt from your preaching has helped me in overcoming obstacles that test me.

I have experienced the happiness in serving and loving the Supreme Lord, Sri Krishna and have got inner peace. The most precious thing I have learnt from you is to be self-satisfied and have happiness within myself.

I am glad to write this on the auspicious day of your Vyasa puja.

Begging to remain under the shelter of your lotus feet at all times and aspiring to be

Your humble Servant,

Bhaktin Anjana Balaji

Dear Srila Prabhupada,

Please accept my humble obeisances.. All glories unto You. I thank you earnestly for giving me this opportunity to serve You and become your disciple. What started as a Sunday Bhagavad Gita class and coming in contact with your mission ISKCON, has now progressively increased in intensity and an ardent desire to become your disciple in the truest sense of word, all thanks to Your mercy. The conviction that the path shown by Your grace, by taking up chanting sincerely, following the four regulative principles and following Your instructions for devotional service, has helped me immensely in many ways. The way to achieve the real goal of life and the way to go back to GODHEAD, has been made very clear by Your Grace.

Chanting regularly and sincerely with constant endeavour to improvise on chanting has significantly impacted my thoughts and actions in a positive way. Your clear explanations in the purports of the Bhagavad Gita and Srimad Bhagavatam are a source of true knowledge and understanding and implementing them in my life, has definitely brought about a good transformation in me. There is not a single aspect, be it about devotional service or about how to lead this material life keeping KRISHNA as the pivotal centre, that You have not covered in Your teachings- lectures, letters to devotees and books. The process of dovetailing every activity to KRISHNA has been clearly explained by Your Grace. The way You have

touched the lives of millions of people, especially the Westerners, and made them devotees of KRISHNA, speaks volumes of Your purity and spiritual potency.

I have been fortunate to have the association of the devotees of ISKCON Bangalore and they have been a true inspiration by the way they practice KRISHNA CONSCIOUSNESS sincerely and this has been a great advantage in my journey of KRISHNA CONSCIOUSNESS. This is only by the mercy of GURU and KRISHNA. In the beginning of this journey of Krishna consciousness, I always used to wonder how it is possible to have a Guru without His physical presence. But, now I have come to realize that You were absolutely right in saying, "I will always remain alive from my books, and you will utilize". Thanks to following Your instructions, I can realize the slowly diminishing taste for material enjoyment, the need for progressing in devotional service and taking it up seriously and the sense of urgency to progress rapidly in the path of spirituality. I consider myself very fortunate to have come in touch with Your Grace and I earnestly pray that by Your mercy and LORD KRISHNA's mercy, I would be able to achieve the real goal of this human form of life. Kindly guide me in this earnest endeavour in my spiritual journey and help me to reach the Supreme destination, the LOTUS FEET OF LORD KRISHNA, with Your divine help.

Your humble servant, Bhaktin Anjana Balaji.

Bhaktin Anupama Shah

Dearest Srila Prabhupada,

All glories to you! Please accept my humble obeisances at your divine lotus feet.

This is the second year I have been given this opportunity to share the blessings you have bestowed upon a fallen soul. Srila Prabhupada, you have been very kind and merciful and through your books you are showing all of us the way to serve Guru and Krishna. Your words and books have had a deep impact on me and even though I am most undeserving of your mercy, you have been kind enough to show the way forward in this spiritual journey, encouraging me to serve you in whatever little way possible. Your life and your journey are truly inspirational. You have not only taught how to love and serve Krishna but also through your divine pastimes practically showed us all the method of getting purified by Krishna Consciousness in a simple, yet effective manner.

As I continue take small steps on this path revealed by you, please forgive my misgivings, mistakes, offences that I am bound to make as an ordinary human being and be with me and guide me through all the turbulence of this material world till I get purified and become your true devotee. I thank you for everything Srila Prabhupada, for whatever you have done and continue to do for this most undeserving and unqualified person that I am.

A humble, ever grateful, insignificant servant,

Bhaktin Anupama Shah.

Dear Srila Prabhupada,

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet. I have to admit that I feel totally unqualified to write this Vyasa-Puja offering. Due to my contamination, I am unable to fully describe of your achievements and glories.

Srila Prabhupada! Because of your mercy, the most secret of all secrets has become available to throughout the world and the mass public following your footsteps of vigorous preaching, chanting, temple worship, festivals and prasadam distribution and you have made so simple for the simple. Indeed, simply by your smile and your words, so easily available to everyone, and we taste sublime spiritual loving relationship. My dear spiritual master sometimes I feel, what if, Srila prabhupada not born or delayed to come to this world then who will be saving us from this rotten life. Really we are very fortunate to have you and whatever you said and whatever you showed to us I feel it is so simple to follow and even the other yugas even though they might be having some bonafied process to go back to godhead, but they are very hard to follow compare to your simple instructions. All glories to you prabhupada.

Srila Prabhupada! As you said, “the human body is the boat, the instructions of Lord Krishna are the favourable winds, and the spiritual master is the navigator. The spiritual master knows well how to adjust the sails to catch the winds favourably and steer the boat to its destination. If, however, one does not take advantage of this opportunity, one wastes the human form of life. Wasting time and life in this way is the same as committing suicide.” What a great analogy you made prabhupada!. Any human being who has little brain substance can really understand the value of the human life by this analogy. Really all glories to you prabhupada.

Srila Prabhupada!, You mentioned “the secret of my wonderful activities is that I have not tried to adulterate it. I am simply presenting as it is. In the Bhagavad-gita Krishna is the Supreme Personality of Godhead. So I have told you that Krishna is the Supreme Personality of Godhead. That's my credit. I did not like to take the position of Krishna. I remained a servant of Krishna, and I spoke what Krishna said. That's all. This is my secret. So everyone can do that. There is nothing magic. The magic will act as soon as you become a pure devotee of Krishna. The magic will be done by Krishna, not by me or you. He will do it.” Prabhupada, this perfectly shows that how the devotee should act and behave in his life. Really all glories to you prabhupada. Srila prabhupad! I humbly pray at your lotus feet that please give us more and more taste for chanting the Hare Kṛiṣṇa mantra. By your mercy even one as fallen and disqualified as we are, can make one life's mission a success by being able to remember you at the moment of death. This is our fervent desire; please don't kick us away from you lotus feet. Please bless me to increase more spirituality and spreading Krishna Consciousness for and wide.

Begging to be your eternal servant,

Bhaktin Chethana.

Jai Srila Prabhupada, PAMHO, AGTSP

Poem,

Having read the Bhagavad Gita as the truth seeker

It emphasised more on following a spiritual master

Where will I find my spiritual master, I thought, then Srila Prabhupada is the one, ISKCON taught

He is my one and only eternal guide
For us to follow, simple rules he laid
Having got lost in this dark material life
He cuts open the clutches of maya with his devotional knife
In this darkness of life, He stands as a torch bearer,
For our eternal life, Indeed He is the true care taker
Unto You “Oh Spiritual Master” I express my gratitude
Nothing can match Your humble attitude
For all Your life is about devotional service and sacrifice
To sing Your glories, this one life will not suffice
Please bless me, the most fallen soul.
“serving Your mission” – let it be my only goal.
Your humble servant,
Bhaktin Chetna Vasanth.

Dear Srila Prabhupada,

Please accept my most humble obeisance. All Glories to you on this auspicious day of Vyasapuja. On this auspicious day of Vyasapuja Celebration, I feel so blessed to be expressing my humble gratitude to the spiritual master. I have been visiting the beautiful ISKCON mandir with my entire family since my childhood on every occasion. It is because of your mercy and blessings that we have been able to live a life of Happiness, Peace and good health through Krishna Consciousness. Chanting the holy mantra ‘Hare Krishna Hare Krishna Krishna Krishna Hare Hare Hare Rama Hare Rama Rama Rama Hare Hare’ provides us with so much relief, peace and satisfaction. When we enter the main hall of the Hare Krishna Hill, the joy of the glorious darshan of the Lords and falling into their feet gives me tears of joy. Chanting the holy mantras, listening to the Kirtans and Bhajans, rendering service at the temple and relishing delicious Prasadam at the temple are the purifying experiences that just can’t be expressed in words. I express my heartfelt gratitude for your unique contribution and your messages of peace and good will to this world. Your philosophical thoughts, quotes and teachings have always been so inspiring.

It’s been a year and a half that I have been fortunate enough to be a part of the energetic youth organisation AIKYA that has increased my potential to serve the society better. Through AIKYA I have come across wonderful people in my life those who have supported and motivated throughout my journey. Through the service of AIKYA, I have been able to bring happiness in other people’s lives and also improvise in the community service development. The joyous experience of serving the underprivileged section and seeing their eyes sparkle brings so much satisfaction. I always pray to you that I shall continue in rendering the devotional service. I beg to you for showering your blessings on all of us and always protect us under your shelter. I thank you once again for giving us the chance to experience this beautiful life journey in rendering service to the lord. Thank you once again for everything Prabhupada. Please forgive for any of the mistakes. Sincerely,

Your servant,

Bhaktin Dimple Popli.

Dear Srila Prabhupada,

Your disciples are very lovingly directing my Krsna Consciousness. I love to read Your books. Especially when I read Bhagavad Gita as it is, I find great rejoice. But I don't remember what I read. Please bless me proper memory and strength to propagate Krishna Consciousness to the people.

Dear Srila Prabhupada, I don't have any qualification to glorify Your Divine Grace. Your glories are spread throughout the three worlds. I am eternally indebted to Your causeless mercy that engaged the conditioned souls of this world in the pure devotional service of Their Divine Grace Sri Radha Krishna.

My humble obeisances to You who wrote innumerable invaluable literature to spread Krishna Consciousness to reform this world.

Please forgive me for any mistakes, offences and bless me proper intelligence to become Your nice disciple.

Dear Srila Prabhupada,

Please accept my humble obeisance's unto your lotus feet.

My dear spiritual master Srila Prabhupada, I know no spiritual master who is like you. I know that you are a pure devotee of Lord Krishna. I know that you are the best person to take advice from. I also know that you are the preacher of the whole world in all time. Due to you, lot has changed. Due to you the whole or portion of the earth is in Krishna consciousness.

Srila Prabhupada, oh spiritual master my family has taught me a lot about Krishna and his Lilas. Due to love for Him I have installed my own deities of Laddu Gopal, Krishna, Narasimha Deva, Jagannath, Baladev and Subhadra mayi. My dear Prabhupada I know that you are showing us a short cut to our home. But we who are intoxicated with Maya are taking a long cut. Prabhupada, I am sure that one day Krishna consciousness will spread all over the world and one day all of us will try to come one by one in the short cut, which we have never come in.

Dear Prabhupada,

Please accept my humble obeisances at your lotus feet, who is a pure devotee and representative of Lord Krishna.

Prabhupada, till now I was unable to understand who am I, who is God, what is the relationship with him and what is the purpose of human life. But because of your mercy I was able to understand that I am a part and parcel of Lord Krishna and our duty is to engage our self in the service of Lord Krishna under your guidance.

Prabhupada, I am very much thankful to you that you have inspired me to chant Hare Krishna maha mantra, to worship Lord Krishna, to know about Him and His mercy through your lectures and so many books. So many times, you have shown me the right path in my life. Thank you so much for your presence in my life in so many ways.

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet.

I feel so blessed to write an offering to you on this auspicious day. I obtained a lot of inner happiness by loving and serving Lord Krishna. I like to thank you Prabhupad for this. By chanting Lord's names, I get positive vibes around me. I request you to keep me always in association with you and your devotees. I'm grateful to you for showering your blessings on me and my family. All glories to Jagad Guru Srila Prabhupada.

Dear Srila Prabhupada,

Please accept my humble obeisances. My humble and sincere pranam to your holy feet which has travelled across the globe, far and wide with one pious vision of spreading the messages of the divine through your "Hare Krishna movement" and helping out souls like me to elevate in life to a higher purpose. I just can't thank you enough for choosing me among the millions and billions others out there to get into Krishna Consciousness and help me mold myself to become the best version possible. Though you had introduced me to this fraternity at a much early stage of my life, I had failed to completely embrace it.

Thank you for not giving up on me and constantly putting me in contact with your Institution through one or the other way so that I get associated with the devotees to take up the practice more efficiently. They say if the ladder is leaning against the right wall, every step we take just gets us to the right place faster. Now I proudly say that through my association with this institution, my ladder is leaning against the right wall and taking me on the right path to make my life a more meaningful and purposeful one. This Institution has given me so much and all I can give in return is to make a promise to you to practice Krishna Consciousness more seriously and commit myself to the service of mankind and thus make my life a celebration. May your mercy be upon me forever.

Your servant,

Bhakthin Kumudini.

Dear Srila Prabhupada,

Please accept my humble honour.

All glories to Srila Prabhupada. All glories to you on this auspicious day of your vyasapuja. Maa, does God exist? Were my questions when I was a seven year old kid. Though I'm raised in orthodox Hindu family, I was agnostic about the concept of God and philosophy. On the day of my 7th birthday, my parents and I decided to celebrate it in ISKCON with all the

rituals as usual. Little did I know that I would understand about God. When I entered the temple for the first time, I could feel the devotion and the calmness within me and I sincerely offered my praying to Lord Krishna. That was the day I can never forget, because it was like exfoliating my devotional life. I always get that happiness when I'm in ISKCON.

Prabhupada you are not just an idolatry to me or to the rest of the world. You were more than that, I wouldn't have known about Bhagdvad Gita , if it weren't to be you. I wouldn't have had the credence towards God, probably I would have remained agnostic throughout my life. However, ISKCON was more than a temple to me, I call it as Temple of Knowledge. My creativity is adept today, it's just because of the Cultural Camps that ISKCON had organized. And I could learn many Shlokas which I couldn't learn in my family. Today, when I think about my childhood there is a grin on my face. I'm so happy that I had a meaningful way to grow up. It is important to be chivalrous and I believe that chanting the Hare Krishna mantra gives me an ability to think and process in my life. The Gita's and the Krishna Voice magazines have indoctrinated me to follow few believes such as, avoiding onions and garlics, fasting on Ekadashi. I'm more self-controlled and clemency person now, it's all the magic of spirituality. I'm still voracious to learn more about the spiritual world. The world is still not pragmatic, many still believe in materialistic and are repugnant. I sincerely pray that you forgive us for our mistakes and sin, on this auspicious day. I'm trying my level best to spread love, peace, and care around me.

I always surrender to you,

Bhaktin Lalitha Shree.

Dear Srila Prabhupada,

My heart felt gratitude and dandvat pranamas to my spiritual master Srila Prabhupada.

I have been reading Srila prabhupad' s books Bhagwat Gita, Srimad Bhagavatam and many other books and hearing recorder lectures and I am conscious of him at my every breath.

Srila prabhupada says: Talking on guru is not simply a fashion, one who is serious about understand spiritual life requires a guru. A guru is a question of necessity for one who is serious about spiritual life. God, proper action and one's relation with god. After reading from the authoritative books about prabhupada, how firm faith prabhupada had for his guru Bhakti siddhant saraswati. He faithfully followed guru's advice and went to foreign land at the age of 69 in spite of all difficulties and spread Krishna consciousness to those peoples, it was not easy task, and he did it depending firmly on his guru. He was straight forward, hardworking, honest and simple. Prabhupada once said I think that his guru Bhaktisiddant Saraswati is always seeing my activities and guiding me within my heart by his words.

I never had chance of Srila prabhupada personal reciprocation. But when prabhupada was present that time he responded all the disciple according to their capacities. So prabhupada was able to bring all followers to Krishna consciousness directly or indirectly. Even though he is not physically present now but we still get his instructions from Srila prabhupada through his books and lectures.

Your Servant, Bhaktin Lata Vasant Bettgeri.

Bhaktin Madhuri Singha L

Dear Srila Prabhupada,

I pay my humble obeisance unto your lotus feet. All glories to you on this auspicious day of your Vyasapuja. I would first like to thank you for giving me this opportunity to glorify you on this appearance day of your divine grace. I consider myself blessed and fortunate to have known about Krishna, you and the International Society for Krishna Consciousness (ISKCON) from a tender age. However, my association with the spiritual institution, as an individual, actually began during my visits to "Srila Prabhupad's ISKCON, Bangalore". There, I was introduced to Bhagavad Gita class by the senior devotees of the

temple. Since then, I feel that my journey with the institution started by your grace and mercy. I learnt and got to know much more about Lord Krishna and about the institution which I didn't know before.

Through your teachings and lectures, dear Prabhupada Maharaj, we now realize what our goal and purpose of life should be and i.e., to devote our life to Krishna and render devotional service unto him. Your preaching has indeed influenced and transformed millions of lives worldwide, and I too am one among the millions. You are the ideal guru for us all - as you are heavy with knowledge on spirituality and on Vedic literatures. I also feel that your teachings are logical and based on the Vedic principles and philosophy. Just by mere hearing and reading your lectures and books respectively, a soul experiences a transformation in them. Without a spiritual master, it is not possible to get the mercy of Krishna. This is very well explained in one of the songs of Sri Narottam Das Thakur - "Sri Guru Carana Padma".

*śrī-guru-carāṇa-padma,kevala-bhakati-sadma, bando muñi sāvadhāna mate
jāhāra prasāde bhāi, e bhava toriyā jāi, kṛṣṇa-prāpti hoy jāhā ha'te*

The lotus feet of our spiritual master are the only way by which we can attain pure devotional service. I bow to his lotusfeet with great awe and reverence. By his grace one can cross the ocean of material suffering and obtain the mercy of Krishna. Therefore, kindly give us refuge in your lotus feet as always, so that we get the unconditional love and mercy of Krishna through you. One reason why I feel that I am here in the association of the devotees and under the shelter of Krishna is because, as you rightly mentioned in one of your books Raja-Vidya: The King of Knowledge, that – "Knowledge in Krishna consciousness is so perfect that if one performs work in Krishna consciousness and yet does not attain perfection, in his next life he takes up from wherever he left off." So, I believe that having born as a human being in this life, I once again got the chance to know about Krishna and awaken this soul. Please continue to guide and engage us in the service of the supreme lord Krishna, protect us from the clutches of Maya; make us also not get carried away in this material world that serves me no purpose and in my service towards Krishna. I would like to end my note by thanking you once again for giving us this wonderful Krishna Conscious Movement to awaken us fallen souls. Jai Srila Prabhupada,

Your humble servant, Bhaktin Madhuri Singha L.

Bhaktin Minu Nair

Dear Srila Prabhupada,

Kindly accept my most respectful obeisance at Your lotus feet. It is a very special day today, indeed I am blessed and humbled to be just one step away from You accepting me as Your disciple. Right now, I am most desirous of that particular mercy from You. We, at Chaitanya Centre, are starting a fortnightly event of congregational chanting for the pleasure of the Lord. It is our humble attempt to glorify the nama-avatara of the Lord.

"nama cintamani-rupam namaiva parama gatih,namnah parataram nasti tasmn nama upasmahe"

"nama-yajno maha-yajnah kalau kalmasa-nasanam,krishna-caitanya-prityarthe nama-yajna-samarpanam"

It is a beginning of something very special to all of us. I seek your blessings to be able to contribute to the movement in our own small way. Please be our guiding force.

In the last few months, I have put in a conscious effort to improve my reading and be more receptive to all the knowledge and realizations passed down by the senior devotees of Your movement. The more I read, the more I feel close to You, the more I feel Your presence in my life. The more effort I put into progressing in devotional service, the more I realize of my littleness, my ignorance and my limitedness. I beg for Your mercy to improve the quality of my chanting. I can't thank You enough for all Your kind reciprocation's. For all the progress in devotional service I have made, and I am yet to make, I need You to continue bestowing Your causeless mercy up on me. Please allow me to remain Your menial servant forever. All glories to Your Divine Grace! Aspiring to become Your servant,

Yours truly, Bhaktin Minu Nair.

Hare Krishna !

ISKCON has been instrumental in inculcating my spiritual journey. The weekly Bhagavad Gita classes, the spiritual trips to Holy Dhams, Janamasthami and Depotsava festivals - participating and doing service in these events gives me immense soul satisfaction and encourages my spiritual journey. All this is possible only with the mercy of Guru - Srila Prabhupada. I have been lucky to get this exposure through ISKCON - not jut me by establishing such an institution, Srila Prabhupada has blessed us all under privileged (w.r.t Spiritual wealth) to acquire the Spiritual wealth. The four regulatory principles prescribed by Guru, the prescribed daily routine for devotees, easy access to the Holy books like Bhagavad Gita, Bhagavatam and Krishna, opportunity to offer services, abundant lectures - all these have put strong foundation of Spirituality in me and guide me towards the actual purpose of human life. I am very blessed to get this exposure and believe that none of these can be possible without the mercy and blessings of the Guru. Jai Srila Prabhupada!

Thanks You, Your Servant, Bhaktin Naga Chaitanya.

Bhaktin Padmini Varanasi

Dear Srila Prabhupada,

All Glories unto You. Please accept my humble obeisances. By your mercy & grace of the Lord Krishna this is the first time for me to offer my sincere respects & offerings to you dear Srila Prabhupada on Your Vyasa Puja day. Since my association with ISKCON from the last 4 years & taking Level 1- Sevaka Ashraya last year, I feel blessed & grateful to have a spiritual Guru in you, to guide me in my spiritual progress & growth. I am a fallen & conditioned soul, so I thank & pray to You for Your constant causeless mercy & compassion on me. Through my regular readings of your sacred books, has increased my learnings, knowledge & awareness about Krishna Consciousness. This practice has also amazed & made me wonder about Your vast knowledge about the Vedic Scriptures.

As a bonafide Spiritual Master, Your teachings are making my attempts in understanding & application in my daily life simpler. I have experienced many instances of Your mercy. When I faced so many challenges & were so helpless & did not know the way & were in the mode of surrender to the Lord & Guru. You have shown your divine love, mercy, guidance & blessings on me. It was a very humbling experience for me in this fallen state & I questioned if I deserved it. As a neophyte & during my learnings from attending the Bhagavad-gita classes, joining ISKCON Yatras to Holy places, being in association of devotees & in my various devotional sevas in the temple, I have come to the realization that I am not the enjoyer.

I am only the humble servant of the servants of the servants of the Supreme Personality of Godhead. I also realize that I have to offer our devotional services to the Lord, through attentive & soulful chanting of the Hare Krishna mahamantra, the Holy Names of the Krishna & honor Prasadam. I have also learnt the practice of offering bhoga to the Lord & eating the remnants as Prasadam. As I slowly progress & grow in Krishna Consciousness I feel humbler, getting stronger & am in the constant mode of surrender, gratefulness & thankfulness.

Your very humble & grateful servant,

Bhaktin Padmini Varanasi.

Dear Srila Prabhupada,

I am very much grateful for your abundant mercy upon me. If your mercy was not there upon me, I don't know where I was roaming in this material world searching for temporary happiness which is not at all available in this material world. And thank you so much for building a society called ISKCON which is helping us to know about real purpose and meaning of human life. Thank you for giving service opportunities for a fallen soul like me, even though I am not at all qualified or deserve to do your service. I pray for your mercy is always upon me to serve you. I pray to remove my anarthas which are displeasing for devotional service. Thank you for teaching us how to love and serve Krishna. I pray again and again to bless me with your mercy so that I must be always hanker to serve your lotus feet. My enthusiasm to serve should remain constant always in any condition of life. Praying and Hoping for your guidance in every step of my life towards eternity. Thank you Prabhupada.

Hail Hail Sri Guru Srila Prabhupada.

Victory unto you for starting this great divine movement called ISKCON. I'm really blessed to be introduced to ISKCON and its spiritual practices. Thank you Guruji for leaving behind for your devotees the greatest and most valuable assets in the form of your books. Your Krishna book is so beautiful to read that I couldn't put the book down without completing it, the Bhagavad Gita written by you is marvelous and magical which has taught me the purpose of my birth and has increased my love and devotion to Lord Krishna by many manifolds. I have got so addicted to your writings that I don't step out of the house without carrying one of your books. I dedicate most of my time in reading the your scriptures which has taught me discrimination and detachment. I am always happy and contented as I keep recollecting your teachings. This great movement ISKCON has motivated me to chant 16 rounds. My obeisances to you for showing this helpless soul a path to cross this fearful and miserable worldly ocean.

Your sincere servant,

Dear Srila Prabhupada,

Kindly accept my obeisances to your auspicious lotus feet. Being a spiritual seeker, one can easily gain the Lord's attention and Grace towards us. And here Srila Prabhupada is the one spiritual mind who could spread to the globe knowledge of Krishna . One who made an awareness of Krishna conscious importance and values to all human beings on the earth. You made me aware that a spiritual knowledge is very important and spiritual experience in the material world also helps in enhancing our intellectual skills. Thank you for giving a precious opportunity to express my gratitude at your Lotus feet.

Hare Krishna!

My humble obeisances unto you! I am a very insignificant soul who is not at all fit for spiritual realization. Still, by your mercy I got to know something about Lord Krishna. I once read that you used to say, ' One who cannot chant 16 rounds cannot be my disciple!' I got very sentimental and I started chanting 16 rounds from the very next day but I could not keep up, I had to fall back. I was sad and wished someone like me. Krishna did listen! I got one devotee friend. We shared our experiences and I forgot all that happened with me and got the courage to fight. I again increased my rounds but this time with greater care, practically creating space.I am a soul seeking your shelter. Now it is up to you how easy or difficult you make my path. I just pray. I have reached here by the grace of one of your disciples who was the first devotee I encountered in my life. I did not know you at that time. Slowly, I came to know about you and wish to fully surrender unto you. Though unworthy, this fallen soul prays for your service birth after birth.

Your servant,

Hare Krishna Guru deva,

Please accept my obeisances. Ever since I was a child my father used to express his desire of accepting a Guru for directing life. When I grew up, I realized the importance of having a Guru for life. Somewhere deep down my heart I always carry this desire inside. Association with you was just out of nothing. But accepting your advice to chant became my savior whenever I fell down or was in stake and problem in my life. I am sure I have not been a sincere and good student to you. Probably I am the most fallen one among all the people you have met but I pray you to accept me. I know I carry some feelings for you. The feeling of love, respect- it feels so good to see you smile. I know you know me well and I pray you to help me out. I wish and pray to connect more with you to witness the Krishna Consciousness transformation in my life.

Your Servant, Bhaktin Punyaprabha.

Dear Srila Prabhupada,

Please accept my humble obeisances. On this auspicious day I am very fortunate for getting a chance to write Vyas puja offering for you again. I took one step towards you and you took remaining 99 steps toward me and helped me in every moment of my life, whenever I had a spiritual desire you just made it to happen. Sometimes I feel I am not worthy for this desire but because of your causeless mercy upon me the desires get fulfilled. I pray to you to bless me with determination for doing daily sadhana, serving you daily. I am very fortunate to be part of Hare Krishna movement and thank you for giving me the association of your devotees and the opportunity to engage in devotional service to Lord Krishna and his devotees.

आदरणीय श्रीला प्रभुपाद जी,

आपके चरण कमलों में कोटि कोटि प्रणाम।

आपकी महिमामंडन मैं कैसे करूं। आपकी लेखिनी में वो ताकत है कि, प्रत्येक व्यक्ति आकर्षित होता है। आपका कृष्णभावनामृत ज्ञान सबों को, प्रत्येक व्यक्ति को, प्रेरित करता है। ६९ वर्ष की उम्र में आपने सारे विश्व की परिक्रमा की तथा, १० वर्षों में १०८, ISKCON मंदिरों की स्थापना की, ये अपने आप में एक महत्वपूर्ण उपलब्धि है। आपने इस संसार में पीड़ित मनुष्यों का, जो कृष्णभावना भावित है, उद्धार किया। हरे कृष्ण महामंत्र के माध्यम से, हम सीधे कृष्ण के सानिध्य में होते हैं, ये सब महत्वपूर्ण बातें आपके माध्यम से सीखा। आप हमें सीधे भगवान के धाम जाने का मार्ग दिखला रहे हैं। गुरुदेव जी, आपने इस संसार में प्रसादम् के महत्व को समझाया, हम सभी कितने भाग्यशाली हैं कि हमें आप जैसे गुरुदेव का साथ मिला।

यह समझते हुए भी कि हरे कृष्ण महामंत्र का जप हमारे जीवन में कितना महत्वपूर्ण है, तथा कितने ध्यान तथा विनम्रता से हमें जप करना चाहिए, हमारा मन इसमें पूरी तरह नहीं लग रहा है। मन इतना चंचल है कि माया की बातें होते हीमन वहाँ चला जाता है। गुरुदेव जी आपसे प्रार्थना है कि मुझपर अपनी कृपादृष्टि रखिए, ऐसी कृपा कीजिए की सदा सर्वदा आपके उपदेशों को याद करती रहूँ। आदरणीय गुरुदेव जी, आपकी कृष्णभावनामृत का प्रचार, प्रसार खूब उन्नति करे तथा सारे विश्व में प्रत्येक व्यक्ति हरे कृष्ण महामंत्र का जप करे। आपकी बहुत बहुत शुकुगुजार हूँ कि आपने मुझे अपनी शरण में रखा है। कृपया सदा अपनी कृपा इस जीव में रखिए।

My dear Srila Prabhupada,

Kindly accept my humble obeisances unto your lotus feet. I thank Your Divine Grace for being so kind on me. I am not able to believe my fortune that you have accepted me and in spite of my unlawful desires, claimed me back to your service. Although I am forgetful but you never forgot me. Your causeless mercy has been showering on me, that's why I am able to get association of your dear devotees and personal services for Their Lordships.

Prabhupada, I have experienced how although unqualified, I have been able to execute the services by your mercy. As such I have never learnt stitching. Only by your mercy I got the personal service of stitching Deities dresses and was able to stitch the required fit. Prabhupada, I have experienced, when one desires to serve, you arrange sincere people to help and all required resources. All glories to you Prabhupada. Prabhupada, it was by your mercy I attended the first mangala aarti, in Vrindavan Chandrodya temple during kartik pilgrimage and witnessed you receiving Abhishekam on your disappearance day. Next year I wished to attend the same but couldn't join the pilgrimage. I was really surprised at the mystical way you

arranged my visit for 24 hours in Vrindavan that too on your disappearance day and I was in such a forgetful state I didn't even realize that this is what I was desiring until I reached your samadhi mandir on your disappearance day. I was just wondering why your samadhi mandir in Krishna Balarama temple is so crowded that too during mangala aarti, until I discovered your mercy on a useless soul as me. Again same day during your Puspabhishekam in afternoon around 1:30, when the temple is closed for general public, you had so kindly arranged everything so that I could witness and take part in the Puspabhishekam where only selected devotees were there. In those 24 hours, by your mercy, I could visit you three times!!! This incident leaves me wonder struck that your Divine Grace has given the causeless mercy on a fallen soul like me, then what is your reciprocation to your dear devotees who have no other motive than to please you. I pray for your causeless mercy birth after birth. Prabhupada, I desired my daughter to learn singing for the pleasure of Their Lordships, you so kindly arranged her singing performance in the main temple hall that too when she is just an amateur. Prabhupada, I pray to you so that my desires are dovetailed with yours. Prabhupada, by your mercy everything is possible, I pray to you to help me chant and hear holy name attentively.

Seeking service at your Lotus feet,

Bhaktin Ritu.

Dear Srila Prabhupada,

Krishna consciousness is given to us by Prabhupad in a simple way and I want to value that and make it part of my family which I am trying from 10 years now. I am able to implement Bhagavad Gita As it is in many walks of my life. Purports provided by Prabhupad is exact solution in this Kaliyuga and make it simpler to implement. I am inspired as how Prabhupada walked the talk, be it raising early in the morning, chanting 16 rounds, attending arati, etc. what expects from his disciples. He didn't stand aside and say that he is already enlightened now and doesn't need to follow sadhana. I am using all my intelligence, time, etc. in service of the lord in whichever way I can as prabhupad shares in all the lectures. I am focusing on being more committed towards quality chanting that's expected at my level. Also on sadana and taking of personal deities. Also on all aspects of my life from professional life, financial services and developing Krishna Prem among family and friends. Involving my family into devotional services on daily basis. My dietary services as per Prabhupad's instruction and standard set for us. Preparing for taking up Diksha in coming months and study to understand Prabhupad's books. My plan to support this mission by taking up Preaching, seeking Prabhupada's blessings.

All glories to Srila Prabhupada!

I was born in the darkest ignorance, and my spiritual master opened my eyes with the torch of knowledge. I offer my respectful obeisances unto him.

Prabhupada, while i was reading "Prabhupada" Biography book, i learned many things from this book. We came to know You have faced many challenges in the initial days of Hare Krishna Movement. All this You have done on the order or Your

Guru Maharaj “Srla Bhakti Siddantha Sarasvati Thakura”. Prabhupada I will follow Your instructions and read Your books. Shower Your mercy to progress in Krishna consciousness.

Thank You Prabhupada,

Hare Krishna.

All Glories to Srila Bhakthivedantha Swami Prabhupada. Please accept my respectful obeisance. You are our guiding Guru in the spiritual journey of our life. By reading your books and listening to your lectures you have communicated in various ways that we need to be Krishna Conscious in our daily life-throughout our life. The above goal can be achieved by following the path of chanting the Hare Krishna Mahamantra daily a minimum of 16 rounds. Though this theory is understood, I was not able to achieve 16 rounds in spite of lot of efforts. It was only after reading the story of the small bird in the “Bhagavad-gita As It Is“- I was really embarrassed. A small bird challenged the huge ocean to return back its eggs and started drying up the ocean with its beak. Seeing this little sister’s efforts Sri Garuda Deva personally comes to help her and finally the ocean returns the eggs back to the small bird. If a small bird with determination is able to make efforts to dry up the ocean, a grown up person like me not able to chant sixteen rounds of Hare Krishna Maha Mantra was really a shame. I also started chanting 16 rounds from that time and by your grace and blessing, I am able to chant the holy mantra every day. Kindly guide me further and lead me in my efforts to serve the Lord. I have chanting the mahamantra in quantity, kindly help me in improving the quality of chanting. Request your Highness to bless me with Krishna Bhakthi.

Pranams.

Hare Krishna dear Prabhupada,

I beg you. Please accept my humble obeisance’s. I fall at your lotus feet to accept this so-called neophyte’s glorification of yourself. You have unlimited qualities; of which I can keep glorifying eternally. Your compassion towards all living entities, fallen conditioned souls, touches everyone’s hearts. It changes them to devotees of Lord Krishna. You are a perfect leader and as the name suggests you have fulfilled the definition of a leader and have lead everyone and will continue to guide souls on the path of Krishna Consciousness taking them back home, back to godhead. The love and care you have for your disciples, brings tears to our eyes. Your purports are extraordinary and transcendental. And if I don’t read them, you can never find a soul as foolish and dumb as me, as I already am. As we read your books, we find a new different meaning everytime. Your books are from the spiritual world (Goloka Vrindavana). Frankly, I am at loss. This so called disciple of yours is unable to glorify your Divine Grace’s unlimited transcendental qualities. But your mercy is unparelled. I don’t deserve your mercy, but still you are so compassionate and merciful towards this mellecha. I don’t deserve to be your disciple, but still you are accepting this soul who has nothing but anarthas, demoniac qualities and weeds. You are mercy personified.

I am very fortunate to be part of Krishna Conscious movement. Though I am not a regular chanter but I chant. In 1 year I have many realisations. And finally thank you for all the things what I have in my life.

Dear His Divine Grace AC Bhaktivedanta Swami Srila Prabhupada,

Please accept my most respectful obeisance at your lotus feet. My entire lifetime will not be enough to thank you for enlightening millions of ignorant souls like me about Krishna and Chaitanya Mahaprabhu. Be it your selfless acts of tirelessly starting the institution of ISKCON across the globe to your intellectually stimulating writings, your gentle hand holding on Vaishnava etiquette's to the delicious prasadam that you offer, you have touched my life in so many innovative yet simple ways. You are the epitome of the perfect spiritual master, the greatest benefactor, the most generous, the best saviour, the purest Krishna devotee, the humblest Supreme Divine. In fact all adjectives and superlatives fall short when singing praises of you.

Thank you, thank you, thank you so much for starting an institutional way of practising and preaching the nectar's of Krishna Consciousness to the world. Please forgive my offences and help me nullify my karma with Krishna Consciousness engaging in your thoughts and deeds. Please let me have the courage, resources and strength to do maximum service to please you and Krishna. Seeking to be always at your lotus feet remembering you and Krishna.

Aspiring to be a servant of your servant,

Dear Srila Prabhupada,

Let me offer humble obeisance at your feet. There was a time I wanted to listen to you all the time and whoever I met talked about you. When I started reading books written by you, I felt lord Krishna is talking me. You are not around here physically but through your books, your teachings, the deity worship, Sri Krishna prasadam, chanting the holy name of the lord you are guiding us all the time. You have removed the cover of maya (illusion) through your teachings, by giving us simple methods of devotional service & chanting. I watched your videos, you being engaged in deity worship with so much love and I would feel the same attraction to the lord. At times while dressing the deity had tears & found beautiful connect with Radha Krishna.

I am ever so grateful to you for showing the path of Bhakti the only way to the absolute truth.

"My only wish is to have my consciousness purified by the words emanating from his lotus mouth. Attachment to his lotus feet is the perfection that fulfils all desires"

On the auspicious occasion of Vyasa Puja, the 123rd appearance day of our beloved acharya A C Bhaktivedanta Swami Srila Prabhupada, this homage is from a most humble servant of Srila Prabhupada. I wish to make an attempt to bring out one of his qualities through his pastimes. Prabhupada wished to strike a deal with the estate agent for the purchase of Fisher Mansion which ran into millions. The agent looked at swamiji with a mixed feeling of amusement and reverence when they were on a tour of the mansion. Prabhupada remained unfazed, equipoised in the face of uncertainty. Taking long strides exuding confidence, he was observing all the minute details, and revealing the blueprint of the temple he had in mind before the devotees, Suddenly he declared, "We will buy this mansion." Devotees stared in disbelief at Prabhupada, and then at the agent. Meanwhile two devotees came by, had a private talk with the agent, and the deal was finalised without a glitch at an unbelievably reasonable price. He was a symbol of confidence.

At the ripe age, Srila Prabhupada set out on a spiritual journey for an unknown destination full of challenges and uncertainties on the orders of his spiritual master. The only treasure he possessed was Krishna by his side all the time, and the scriptures. Armed with these treasures and full of confidence, he conquered the entire world with love and Krishna Consciousness. He gave a priceless gift which the world will cherish for ages to come. Jai Srila Prabhupada.

Your Servant,

Bhakta Uma Shivakumar.

Dear Srila Prabhupada,

Please accept my koti koti pranams. At the outset you are my most beloved Guru who has given me the meaning to my life. I thought I had no direction and no one to guide me. I was so confused and didn't know the purpose of my life. I was like any other average human being. I was directionless. Didn't know what was the purpose of my being here. Always vague in my thoughts and action. Didn't have any goal. So to say I was doing just the usual routine of every day of my life not knowing what is my future and where I would end up and what was I supposed to do before I leave this earth. But Prabhu, after I got the opportunity to see you and got into the association of your devotees my whole life changed. The Krishna Conscious has given me immense meaning to my life.

My life has taken a 360 degree turn. Krishna Consciousness has given me the purpose to my life, have an opportunity to learn the culture and be a very different person now in terms of the quality of a person. The vices like greed, anger, enviousness have reduced. Mind is at peace and able to think clearly as to the purpose of my life. I now fairly know my goal. Srila Prabhupada, I believe that you have accepted this fallen soul. As a Guru you have shown me the path that I should walk, which is filled with Bhakti, Of course, our spiritual upliftment of our souls too in that process. You have given us the way to purify our souls with vedic literature taught to us by the senior devotees, the kirtans, the yatras and the satsangs. Prabhu, Please be always with us guide us and give us your mercy to follow the path of Bhakti and get the mercy of Nitai Gauranga and His Lordships Radha and Krishna. I will always be indebted to you Prabhu for bringing me into your mission. I take a vow that I will chant regularly , do all the Sevas within my limits to upgrade myself in the Krishna Consciousness and also bring back other fallen souls to your service and finally reach the Lotus Feet of the Lord. Hare Krishna, Jai Srila Prabhupada.

My Dear Spiritual Master Srila Prabhupada,

My humble obeisance onto your Lotus Feet!! Today, I should say that I am writing this note with a deep pain and regret in the heart and I very well know that no one else and only you can help me. While, all along I considered myself being fortunate to have been connected with your ISKCON for years and have been able to seek guidance from few of your devotee FOLKS who really have not only been very kind and able to offer divine knowledgeable insights about the Absolute Truth, but also help me guiding on the various stages and processes to thread along the knowledgeable path of Krishna Consciousness. But I need to admit here, that I have fallen in spite of the fact of being aware of the absolute truth that you have been reiterating in all your books of knowledge and are easily accessible to fallen souls like me. I have started to feel that I am just neither eligible to take the Lord's name nor consider myself as your follower. Leaves me with a guilt of not being able to sincerely follow your instructions real time and apply the advocated divine principles in my life. Lest not to reiterate, there have been multiple opportunities and benedictions that I have been offered so far. Yet, somewhere a small ray of hope in me to look forward to seeking your Divine Grace to help me develop and sustain interest to thread ahead committedly in this path of Krishna consciousness.

You have been so compassionate towards all those who approach you with sincerity. Your greatness is perceived by the success of your contributions be it in terms of beautiful Krishna temples across the world or the spread of the absolute knowledge or the feeding of the hungry stomachs and the souls all over! What a true spiritual genius you are!! Working

as a humble servant in the hands of the Lord, you are The Senāpati (The Commandant) of your army of Vaishnavas uniting the entire world and changing the future. You, as a Spiritual Master, have taken the responsibility to grace the fallen souls to wake up from the slumber of darkness and ignorance and sail towards the absolute divine path of Krishna consciousness. The most important contribution of your unlimited accomplishments, viz. offering freely to everyone the Krishna Mantra is a valuable boon to the common man to help him access the Supreme Personality of Godhead and get his causeless mercy. You have designed the regulative principles in such a way that one, with little sincere commitment, can easily achieve the goal of life. Yet, I admit shamelessly that I have neither developed any interest towards the transcendental name and liking to take the Lord's name nor follow the regulative principles properly. I beg unto your Lotus feet to shower your divine Grace so that from now on at least, I could develop interest and liking to pursue ahead in this divine path of Krishna Consciousness.

I do ponder that probably due to my samskaras or prarabdha, I'm still unable to sustain in this divine path and am clinging to this temporary, sorrowful materialist way of life, thus disempowering myself by disconnecting to Your Divine Grace, who has taught us how to engage all affairs in the remembrance of the Lord. Still, I should say You are a great accommodator and continue to inspire me to manoeuvre along. You have set an example yourself in showing us that by chanting the holy name one can easily purify oneself and be closer to Krishna to serve him. You have trained us to hear about Krishna and engage in His glorification with soulful sankirtans, which not only purifies our mind, but also provides us with the Supreme's knowledge. Please allow me to move forward with your divine undivided Grace and get inspired to lead a Krishna conscious life now on.

My dear Gurudev, I do hereby offer my repeated obeisance unto your lotus feet, apologise for my callous behaviour and beg to continue playing my minute part within your army of Vaishnavas.

An aspiring servant of Yours,

Bhaktin Vanishree.

My Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet.

Every year as I write an offering to you, the only thought that comes first to my mind is to thank you unlimitedly for bestowing your causeless mercy upon me and keeping me in the path of Krishna Consciousness despite many trivial and crucial stumbling blocks over the years.

This year, as I am aspiring to be your initiated disciple soon, I beg at your lotus feet to be more merciful to me and give me the strength to follow your instructions with more enthusiasm.

When I contemplate upon your mercy upon me and countless fallen conditioned souls, it always makes me think how Your Divine Grace is more merciful than the most merciful Lord Sri Krishna.

SB 3.2.23,

*aho bakī yaṁ stana-kāla-kūṭaṁ // jighāṁsayāpāyayad apy asādhvī
lebhe gatiṁ dhātry-ucitāṁ tato 'nyāṁ // kaṁ vā dayāluṁ śaraṇaṁ vrajema*

Alas! how shall I take shelter of one more merciful than He who granted the position of mother to a she-demon [Pūtanā] although she was unfaithful and she prepared deadly poison to be sucked from her breast?

Your Divine Grace is doing the same job of taking poison of millions of Putanas of Kaliyuga (we conditioned souls filled with all ugly things) and turning us into beautiful devotees. Your mercy is more wonderful as Your Divine Grace is doing this even when you are not physically present. That is something I feel is amazing and have never heard of anywhere in the

history. So, I am eagerly waiting to be in Your Divine Grace's Shelter by formally accepting Your Divine Grace as my spiritual master.

Your Divine Grace wrote in one of the letters, *"It is true that the Spiritual Master remains in the material universe until all of His disciples are transferred to the Spiritual Sky. Therefore, every student should be very much careful not to commit any offense which will be detrimental to this promotion to the Spiritual Kingdom, and thereby the Spiritual Master has to incarnate again to deliver him. The instructions given to the disciple by the Spiritual Master at the time of initiation should be strictly followed. Anyone who defies and therefore disconnects the relationship with the Spiritual Master can hardly expect the assistance of the Spiritual Master life after life."*

On this auspicious day of your appearance, I constantly pray and beg at your lotus feet to please make me follow all your instructions strictly throughout my life.

Menial servant at your lotus feet,

Bhaktin Vanishree P

Dear Srila Prabhupada,

Kindly accept my humble obeisances.

Remembering your quote every minute , that children are a rare gift given to us by Krishna, I am trying to put my heart and soul in raising Vrinda in Krishna consciousness. But Srila Prabhupad this was all happening at the cost of my own sadhana, which is not acceptable at all. You have so mercifully fixed my problem by granting me initiation this year. This was something that I had only desired superficially and not thought much about. It's definitely Your Divine Grace's instruction, or else how would initiation come to me by itself when I don't deserve it even a pinch. Now myself, my husband and Vrinda are directly under your shelter. What more can I ask for? This security, this ashaya under you has definitely made me become more serious in Krishna consciousness. But I know it doesn't end there. By your mercy, I beg to you, that I need your blessings in chanting offenselessly and reading regularly (which I am not doing). Dear Srila Prabhupada, whenever there was a chance that I am in forgetfulness, you have held my hand and pulled me back. My fallen consciousness, always trying to deviate but you keep pulling me back to Krishna. In the same way, every second of my life, this and future, you please bestow me your mercy by always keeping me under your directions for there is no other place where I can feel more secure. Your Vaishnava servants in the temple have been instrumental in this deeksha process. My only wish is that I want to chant offenselessly, and read your books more regularly. Always keep me in your service, grant me more and more service opportunity, for being in your service is the only way out of this miserable material life.

Thank you Prabhupada, you are indeed my real forever well wisher.

Your servant, Manjushree Devi Dasi.

Dear Prabhupad this is my first Vyaspuja offering, though I am associating with Iskcon from quite long time, only because of your causeless mercy I got initiated which I don't deserve, there are lot of changes and development in my life after initiation which are favourable for my spiritual life and all Vaishnavas are guiding me to be a better Vaishnava for which I am trying to do my best.

Dear pathitha pavana,

I know your mercy is always there on me, only because of your mercy I am able to chant Harinama and only your divine grace has forgiven me, please, I beg you make me your perfect servant

I am so fallen that I admit

- * I don't realize I am fallen
- * I feel Shastras are exaggeration
- * I don't know how to be humble
- * I don't feel the emergency of life
- * Only one qualification I have is Srila A C bakhivedantaswami prabhupad is my guru.

So please keep me under your shelter which is the only way I can survive

ನಾನು ಕೃಷ್ಣ ಪ್ರಜ್ಞೆಗೆ ಬರುವ ಮೊದಲು ಅನೇಕ ದುಶ್ಚಟಗಳ ದಾಸನಾಗಿದ್ದು ಜೀವನದಲ್ಲಿ ಕಷ್ಟಕರ ಜೀವನ ನಡೆಸುತ್ತಿದ್ದೆ. ಒಬ್ಬ ಭಕ್ತರ ಸಹಾಯದಿಂದ ಇಸ್ಕಾನ್ ಬಗ್ಗೆ ತಿಳಿದೆ. ನಾನು ಎಲ್ಲಾ ವಿಧವಾದ ದೇವಸ್ಥಾನಗಳು ಅದರ ಪೂಜಾ ವಿಧಾನ ಅರಿತಿದ್ದೆ ಆದರೆ ಇಸ್ಕಾನ್ ಎಂದು ಹೇಳುತ್ತಿದ್ದು, ಏನೂ ವಿಷಯ ಇರಬಹುದು ಎಂದು ಅದಕ್ಕೆ ಗಮನ ಹರಿಸಿದೆ ಮೊದಲ ಬಾರಿ ನಾನು ಇಸ್ಕಾನ್ ದೇವಾಲಯಕ್ಕೆ ಭೇಟಿ ಕೊಟ್ಟಾಗ ದೇವಸ್ಥಾನಗಳಿಗಿಂತ ಭಿನ್ನವಾಗಿತ್ತು. ಅಲ್ಲಿನ ಭಗವಂತನ ವಿಗ್ರಹ ಅಲಂಕಾರ ಪೂಜಾ ವಿಧಾನ ಹಾಗೂ ಭಕ್ತರ ನಡವಳಿಗಳು ತುಂಬಾ ವ್ಯವಸ್ಥಿತವಾಗಿ ನಿರ್ವಹಣೆ ನೋಡಿ ಆಸಕ್ತಿ ಬಂತ.

ನಂತರ ಭಕ್ತರು ಮೊದಲನೆಯದಾಗಿ ಹರೇ ಕೃಷ್ಣ ಮಂತ್ರ ಜಪಿಸಲು ಹೇಳಿದವರು ನಾನು ಅದನ್ನು ಪ್ರಾರಂಭಿಸಿದೆ. ಹರೇಕೃಷ್ಣ ಮಂತ್ರ ಜಪದ ಪ್ರಾರಂಭದಿಂದ ಮನಸ್ಸಿಗೆ ನೆಮ್ಮದಿ ಹಾಗೂ ಏನೋ ಒಂದು ತರಹದ ಉತ್ಸಾಹ ಬಂತು ಅದನ್ನು ಹಾಗೂ ಮುಂದುವರಿಸಿದೆ ಈಗ ನಾನು ಪ್ರತಿದಿನ 16 ಮಾಲೆ ಜಪ ಮಾಡುತ್ತಿದ್ದು ಸಮಯ ಸಿಕ್ಕಾಗ ಶ್ರೀಲಪ್ರಭುಪಾದರ ಪುಸ್ತಕಗಳನ್ನು ಓದುತ್ತೇನೆ. ಈಗ ನನಗೆ ಜೀವನದಲ್ಲಿ ನೆಮ್ಮದಿ ಸಿಕ್ಕಿದ್ದು. ಜೀವನದಲ್ಲಿ ನೆಮ್ಮದಿ ಜೀವನ ಸಾಗುತ್ತಿದ್ದೇನೆ. ಇದಕ್ಕೆಲ್ಲಾ ಕಾರಣ ಜಗದ್ಗುರು ಶ್ರೀಲ ಪ್ರಭುಪಾದರ ಅನುಗ್ರಹದಿಂದ ಸಾಧ್ಯವಾಗಿದ್ದು ಇನ್ನು ಮುಂದಿನ ದಿನಗಳಲ್ಲಿ ಹಾಗೂ

I am telling about entry of my life in Krishna Consciousness. Before I entering into the Krishna Consciousness I was just like a body without soul, means empty brain without knowledge. After coming to Krishna Consciousness my empty body is filled with the energy of Krishna Consciousness i.e, chanting Hare Krishna maha mantra, reading Bhagavad gita, Bhagatavam and other books written by His grace A.C. Bhakthivedanta swami Prabhupada. He is one supreme guru to guide us in to move on in the Krishna Consciousness. In such a way that if I missed any on Sunday classes I was feeling so much that my soul is separated from my body. There is some energy in Krishna Consciousness that we cannot say in worked it should be get experienced by one. It involves body and our soul in it we cannot stop this body entering into the material world. Just we can make our soul into the devotional path then automatically the body will come into our control that is the main thing of Krishna Consciousness. I beg my supreme guru A.C. Bhaktivedanta swami Prabhupada to give me some part of bhakti /shraddha to this stupid, idiot and wasteful dog, so that animal will also be tracked in the Krishna Consciousness without any deviations in the path of Krishna Consciousness. Hey guru please guide me as I am suffering in this material world still by chanting Hare Krishna Maha mantra so that I will not deviate any more. Jai Prabhupada.

ಪ್ರವಾಸಮಾಡಿ ಅಲ್ಲೆಲ್ಲಾ ಸಾವಿರಾರು ಭಕ್ತರನ್ನು ಪರಿವರ್ತಿಸಿ, ಶ್ರೀ ಕೃಷ್ಣ ಕೀರ್ತನೆ, ಭಜನೆ ಇತ್ಯಾದಿಗಳಿಂದ ಭಕ್ತಿಮಾರ್ಗಕ್ಕೆ ಪರಿವರ್ತಿಸುತ್ತಾರೆ. ಆದ ಪ್ರಯುಕ್ತ ನಾನು ಸಹ ಸುಮಾರು ನಾಲ್ಕು ವರ್ಷದಿಂದ ಈ

ಸಂಸ್ಥೆಯ ಭಕ್ತನಾಗಿ ಅನೇಕ ಮುಕ್ತಿ ಮಾರ್ಗದಲ್ಲಿ ಹೋಗಲು ಪರಿವರ್ತನೆ ಮಾಡಿಕೊಳ್ಳುತ್ತಿದ್ದೇನೆ. ಹಾಗೂ ಗುರುಗಳ ಆದೇಶದಂತೆ ಜಪ ಮಾಲೆ ಪ್ರತಿವಾರ ಸತ್ಸಂಗಕ್ಕೆ ಬಂದು ಎಲ್ಲಾ ಕಾರ್ಯಕ್ರಮದಲ್ಲಿ

ಭಾಗವಹಿಸಿ, ಮುಕ್ತಿದಾರಿಯಲ್ಲಿ ಹೋಗಲು ಪ್ರಯತ್ನಿಸುತ್ತೇನೆ. ಇದರಿಂದ ನನಗೆ ಜೀವನದಲ್ಲಿ ಆಯುರಾರೋಗ್ಯ ಜ್ಞಾನಯೋಗ ಸಂಪತ್ತು ಇತ್ಯಾದಿಗಳು ಸೇರಿ ಜೀವನದಲ್ಲಿ ನೆಮ್ಮದಿಯಿಂದಿರಲು

ದಾರಿಯಾಗಿದೆ.

ಪ್ರಸನ್ನ ಕುಮಾರ್ ಎಂಬ ನಾನು ಕಳೆದ ಎರಡು ವರ್ಷಗಳಿಂದ ರಾಧಾಕೃಷ್ಣ ಮಂದಿರಕ್ಕೆ ಬರುತ್ತಿದ್ದೇನೆ. ಇಲ್ಲಿಗೆ ಬರುವುದರಿಂದ ಇಲ್ಲಿನವರ ಸಂಗಮಾಡುವುದರಿಂದ, ಇಲ್ಲಿ ಹೇಳುವ ಮಾತುಗಳಿಂದ ಪ್ರವಚನ ಸಂಕೀರ್ತನೆಗಳಿಂದ ನನ್ನ ಜೀವನದಲ್ಲಿ ಆಗಿರಬಹುದು. ನನ್ನ ಮನಸ್ಸಿನಲ್ಲಿ ಆಗಿರಬಹುದು ತುಂಬಾ ಬೆಳವಣಿಗೆಗಳು ಕಂಡಿಬಂದಿದೆ. ಮೊದಲನೆಯದಾಗಿ ನಾನು ದೇವರ ಮಂದಿರಗಳಿಗೆ ಹೋಗುವುದು ತುಂಬಾ ಕಡಿಮೆ ಆದರೂ ನನ್ನ

ತಾಯಿಯ ಮಾರ್ಗದರ್ಶನದ ಮೇರೆಗೆ ರಾಧಾಕಿಷ್ಕ ಮಂದಿರಕ್ಕೆ ಬಂದೆ. ಇಲ್ಲಿಗೆ ಬರುವ ಈಶ್ವರ ಪ್ರಭುಗಳಿಗೆ ಒಂದೇ ಒಂದು ಮಾತು ನನ್ನ ಮನಸ್ಸಿನಲ್ಲಿ ಘಾಢವಾಗಿ ಕುಳಿತುಕೊಂಡಿದೆ ಅದು ಏನೆಂದರೆ

ಜಪ ಮಾಡುವುದು ಅದು ಕೂಡ ದಿನಕ್ಕೆ ಒಂದರಂತೆ ಎಂಬುದು ಅಷ್ಟೆ ಅಲ್ಲದ ಇಲ್ಲಿಯವರೆಗೂ ಪ್ರತಿ ಭಾನುವಾರ ಇಲ್ಲಿಗೆ ಬರುವಂತೆ ಮಾಡಿದೆ. ಜೊತೆಗೆ ನನ್ನ ವೈಯಕ್ತಿಕ ವಿಷಯವಾದ ವಿದ್ಯಾಭ್ಯಾಸದಲ್ಲಿ ಪ್ರಗತಿ ಹೊಂದಲು ಜಪ ಮಾಡುವುದೇ ಕಾರಣ, ಏಕೆಂದರೆ 3 ವರ್ಷಗಳ ನಂತರ ಮತ್ತೆ ನನಗೆ ವಿದ್ಯಾಭ್ಯಾಸದಲ್ಲಿ ಆಸಕ್ತಿ ಬಂದದ್ದು.
