ಇಸ್ಕಾನ್ ಸಂಸ್ಥಾಪನಾಚಾರ್ಯ ಜಗದ್ಗುರು ಶ್ರೀ ಶ್ರೀಮದ್ ವಿ.ಸಿ. ಭಕ್ತಿವೇದಾಂತ ಸ್ವಾಮಿ ಪ್ರಭುಪಾದರ ಚರಣಕಮಲಗಳಿಗೆ ನಮ್ಮ ಭಕ್ತಿ ಪೂರ್ವಕ ಸಬಷ್ಟ್ರಾಂಗ ಪ್ರಣಾಮಗಳನ್ನು ಅರ್ಪಿಸುತ್ತೇನೆ.

ನಾನು ಇಸ್ಕಾನ್ ಸಂಸ್ಥೆಯನ್ನು ಇರುಮಾರು ಮೊದಲು ಕೇಳಿದ್ದೆ ಆದರೆ ನಾವು ಸಹ ಇಸ್ಕಾನ್ ಸಂಸ್ಥೆಯಲ್ಲಿ ಭಾಗವಹಿಸಿ ಆಧ್ಯಾತ್ಮಿಕ ಆನಂದವನ್ನು ಪಡೆಯಬಹುದು ಎಂದು ಗೊತ್ತಿರಲಿಲ್ಲ. ಆದರೆ ಮೈಸೂರಿನಲ್ಲಿ ನನ್ನ ತಮ್ಮನವರಾದ

ಸೂರ್ಯನಾರಾರಣರವರು ಅಲ್ಲಿನ ಗುಣಾರ್ಣವ ಪ್ರಭುಗಳ ಮೂಲಕ ಪ್ರಭುಪಾದರ ಆರರು ಪಡೆದು ಅವಕಾಶ ಮಾಡಿಕೊಟ್ಟಿರುತ್ತಾರೆ ಹಾಗಾಗಿ ಅವರಿಗು ಸಹ ನನ್ನ ನಮನಗಳನ್ನು ಅರ್ಪಿಸುತ್ತೇನೆ.

ಹೀಗೆ ಇಸ್ಕಾನ್ ಸಂಸ್ಥೆಯಲ್ಲಿ ನಾಲ್ಕು ವರ್ಷಗಳಿಂದ ಆಧ್ಯಾತ್ಮಿಕ ಆನಂದವನ್ನು ಪಡೆಯಲು ಮತ್ತು ಭೌತಿಕ ಜಗತ್ತಿನಿಂದ ನನ್ನನ್ನು ರಕ್ಷಣೆ ಮಾಡುತ್ತಿರುವ ಶ್ರೀ ಪ್ರಭುಪಾದರಿಗೆ ಎಷ್ಟು ಪ್ರಣಾಮಗಳನ್ನು ಸಲ್ಲಿಸಿದರು ಸಹ ಕಡಿಮೇನೆ.

ನಾನು ಇಸ್ಕಾನ್ ಸಂಸ್ಥೆಗೆ ಬರುವುದಕ್ಕೆ ಮುಂಚೆ ಭೌತಿಕವಾಗಿ ಕೆಲವು ಮರಾಛಾಸಗಳು ಅಂದರೆ ಮಾಂಸಹಾರಿ ತಿನ್ನುವುದು ಮತ್ತು ಮನುಷ್ಯನ ನಿಜವಾದ ಕರ್ತವ್ಯ ಏನು ಎಂಬುದು ಗೊತ್ತಿರಲಿಲ್ಲ. ಆದರೆ ಇಸ್ಕಾನ್ ಸಂಸ್ಥೆಗೆ ಬಂದ ಮೇಲೆ ಪ್ರೀತಿ

ಪ್ರಭುಪಾದರ ಕರುಣೆ ಮೇರೆಗೆ ಈ ಭೌತಿಕ ಜಗತ್ತಿನಿಂದ “ಎನ್ನ ಮೃತ್ಯು, ಜಪ, ವ್ಯಾಧಿಯಿಂದ ಯಾವ ರೀತಿ ಮುಕ್ತಿಯನ್ನು ಪಡೆದು ಮನುಷ್ಯನ ನಿಜವಾದ ಕರ್ತವ್ಯ ಏನು ಎಂಬುದನ್ನು ತಿಳಿದುಕೊಂಡಿರುತ್ತೇನೆ.

ಪ್ರಭುಪಾದ ನಿಮ್ಮ ಬಗ್ಗೆ ಎಷ್ಟು ಹೇಳಿದರು ಸಾಲದು ನನ್ನ ಕಣ್ಣಿನಲ್ಲಿ ನೀರು ಬರುತ್ತದೆ. ಏಕೆಂದರೆ ನೀವು ಆ ಇಳಿ ವಯಸ್ಸಿನಲ್ಲಿ (70 ನೇ ವಯಸ್ಸು) ೩ ರೂಪಾಯಿಗಳೊಂದಿಗೆ ಕೃಷ್ಣ ಪ್ರಜ್ಞೆಯ ಪ್ರಚಾರಕ್ಕಾಗಿ ಪಾಶ್ಚಾತ್ಯ ದೇಶಕ್ಕೆ

ಪ್ರಯಾಣಜಿಳಿಸಿ ಅಲ್ಲಿನ ಶಿಂ ಜನಗಳನ್ನು ಕೃಷ್ಣ ಭಕ್ತರನ್ನಾಗಿ ಮಾಡಿ ಇಸ್ಕಾನ್ ಸಂಸ್ಥೆಯನ್ನು ಸ್ಥಾಪಿಸಿ ಪ್ರಪಂಚದಾದ್ಯಂತ 108 ಶ್ರೀ ಕೃಷ್ಣ ದೇವಾಲಯಗಳನ್ನು ಸ್ಥಾಪಿಸಿರುತ್ತೀರಿ. ಹಾಗೂ ಬದಾತ್ಮರನ್ನು ಉದ್ಧಾರ ಮಾಡು ಎಂದಿರುತ್ತಿತ್ತು ಹಾಗಾಗಿ

ನೀವು ಸಾಮಾನ್ಯರಾದವರಲ್ಲ. ಆದ್ದರಿಂದ ನಿಮ್ಮ ದಾಸಾನುದಾಸ ದಾಸಾನುದಾಸರಾ!! ಎಷ್ಟು ಸೇವೆ ಮಾಡಿದರು ಸಾಲದು.

ಪ್ರಭುಪಾದ ಹೀಗೆ ನಿಮ್ಮ ಆಶ್ರಯ ಸಿಗದೇ ಇದ್ದಿದ್ದರೆ ಭೌತಿಕ ಜಗತ್ತಿನ ಜಂಜಾಟದಲ್ಲಿ ಸಿಕ್ಕಿ ಮನುಷ್ಯನ ನಿಜವಾದ ಕರ್ತವ್ಯ ಏನು ಎಂಬುದು ಗೊತ್ತಾಗದೆ ಯಾವ ಸ್ಥಿತಿಯಲ್ಲಿ ಇರುತ್ತಿದ್ದೇನೆಂದು ನೆನಪಿಸಿಕೊಂಡರೆ ಬಯವಾಗುತ್ತದೆ.

ಆದ್ದರಿಂದ ಪ್ರಭುಪಾದ ಭಕ್ತಿ ಸೇವೆಯಲ್ಲಿ ಮುಂದುವರೆಯಲು ನನಗೆ ದಯಮಾಡಿ ಅವಕಾಶ ಮಾಡಿಕೊಡಬೇಕೆಂದು ತಮ್ಮಲ್ಲಿ ಭಿಕ್ಷೆ ಬೇಡುತ್ತಿದ್ದೇನೆ.

ಕೊನೆಯದಾಗಿ ತಮ್ಮ ಏಕದರ್ಶ ಕಮಲಗಳಿಗೆ ಭಕ್ತಿಪೂರ್ವಕ ನಮನಗಳನ್ನು ಸಲ್ಲಿಸುತ್ತಾ

Jai Srila prabhupad.

Dear Srila Prabhupad,

Kindly accept my humble obeisances. Before I came in contact with ISKCON, I was a rascal (still so), I was doing all sinful activities.

Then my cousin he started to tell chant on daily basis. Initially I used to refuse to do but somehow I started chanting few rounds but I was continuously with sinful activity. After few months, I slowly stopped sinful activities, later I realized it happened only because of your mercy. It's only mercy of you prabhupad.

I am so fortunate that you have accepted me as your disciple. By mercy of you I came to know we all are spirit souls, who is Krishna, what is material life, what is spiritual life, and many unlimited oceans of knowledge.

In Bellary we are doing Sunday Congregation program (Krishna Ashraya) Here I am requesting you, kindly bless all Bellary Congregation members to grow in Krishna consciousness. If we knowingly or unknowingly if we do some mistakes kindly forgive us and show path, how to advance in Krishna Consciousness. Thank you Prabhupad for giving me opportunity to write a letter to you.

All glories to Srila Prabhupad.

Srila Prabhupada, Hare Krishna!

I being the devotee since past 8 years have experienced the lot of reality things in Krishna consciousness.

Before coming to ISKCON I didn't have that much belief on god or goddess. After approaching here, I firstly understood that we are living in the spiritual world. And there is no difference between us and animals. The way to purify ourselves is to involve in the bhakti of Lord Krishna. After joining in ISKCON I solemnly involved in Krishna's bhajan and kirtan, when I heard Srila Prabhupada's Hare Krishna mantra voice, I felt like to simply dance like mad.

The only reason I come to ISKCON is to involve me in kirtan so that I can be slowly involved in Krishna consciousness. We should not think that after joining here, no problems will come to us. It is wrong thinking the problems will be increased and we have to accept it and should involve us in Bhakti consciousness. The only way to succeed in our life is continuous chanting Sri Hare Krishna Maha mantra.

Am Greeshma who is working as teacher and before 6 months I came to know that here in 'vattam' there is "pravachana" going on about lord Krishna. "Bbhagvan" and since, 6 months am coming here every Sunday and here they give good messages which are useful to life. And am very much impressed with the speech and by this we are all peaceful with good health, and going with happy life and I came to know many things after reading "bhagvadgita" and we will be waiting for the Sunday every week "bhagvadgita teaches us how to lead life and learn to be good person with god grace. And I am successful in my life after I came here.

My family members and I are very much successful with lord Krishna's grace and by this "ISKCON" institute here we have "vattam" in ballari and main person or lord who is equal to god is "Chaitanya Maha prabhu" with presence of guru we are today able to withstand with "hindu dharma" and am under the grace of lord bhagvantha and finally I request to lord Krishna and Chaitanya maha prabhu to bless us with success and complete family we depend on you lord.

We are very poor family with no support of elders so we are in believe of you god. So please help us and bless us with all success and let me and my husband come to one top position and my parents accept us and become together and make us happy and bless our parents all and my sister "Ashwini" and brother Naga-Siddhartha marriage is to be done under your blessings and good wishes and let my family be most happy and successful and thank you god for being my support and blessing us and making us success.

Dear Srila Prabhupada,

I offer my respectful obeisance to u "spiritual master" Oh, Gurudeva by your mercy you have given Krishna consciousness to everyone. Including me. But gurudeva my son and husband are not believing Krishna consciousness nor any god. They pretend and don't allow me to Krishna consciousness. So Prabhupada my humble request is that please show your mercy onto my son and husband, so that may come to Krishna consciousness and make happy me and make happy themselves too. Prabhupada this is very tough for me to come to Krishna consciousness because my family doesn't allow me to come near Krishna nor they believe Krishna so please show them right way to go for Krishna consciousness and allow me to continue my Bhakti till my life span

Hare Krishna,

Dear Srila Prabhupada

I offer my respectful obeisance unto his Divine grace A.C. Bhaktivedanta swami Prabhupada who is very dear to lord Krishna, having taken shelter at his lotus feet. You are kindly Preaching the message of lord Chaitanya deva and delivering the souls. Prabhupad you are honored as much as the supreme lord, because you are the most confidential servitor of the lord. Gurudeva you are the ocean of mercy, just as a cloud pours water on a forest fire to extinguish it, so you deliver the materially afflicted world by extinguish the fire. By the blessings of Sri Radhakrishna and by your causeless mercy I came into Krishna consciousness. I was Introduced to Krishna consciousness on Radhashtami. After coming into Krishna Consciousness I have seen a lot of changes in me, my life is now happy and blissful being in Krishna Consciousness and chanting the maha mantra reading books taught me and realized me what is the relationship between me and god and how to love god. I am the most fallen and rotten soul, I have no qualification to be in Krishna Consciousness, It's just your causeless mercy that i am in Krishna Consciousness today. O Gurudeva my humble request is that be with me and guide me, help me to distribute more and more books and spread Krishna Consciousness. Please shower your blessings on me to increase book distribution and spread Krishna Consciousness each and every corner. O gurudeva bless me by giving just one drop of faith with which to obtain the great treasure of holy name of Krishna because Krishna is yours you have the power to give him to me I am simply your servant.

Jai Shrila Prabhupada

Hare Krishna! Firstly, I would like to offer my humble obeisance to Srila Prabhupada. Srila Prabhupada had helped in many ways to overcome several outcomes and disturbance of my life. Reading his books has given me so much faith and confidence in Krishna consciousness that this is the ultimate truth and there is nothing that gives happiness in this material world. His teachings also made me realize that Krishna is the supreme personality of godhead and there is no other option than satisfying him. Hare Krishna is the only mantra that would relieve us from this material world (bhava bhandana). On this occasion of this great personalities appearance day I bow myself and offer my obeisance to him and promise him that I would carry forward my Bhakti and chat the hare Krishna maha mantra.

Hare Krishna Sincerely your servant,

Please guide me whenever I get distracted from the path. Save me from the dark well of Maya.

My Dearest Srila Prabhupada,

Please accept my most respectable obeisance's at the dust of your lotus feet. All glories to your Divine Grace!

Prabhupada, it's difficult to glorify you in a few words, whatever you have given to the world is beyond words to express.

You are the ONLY reason anyone knows the words "HARE KRISHNA" in the main stream culture. You have opened more than one hundred temples worldwide, you wrote over 7000 personal letters to your disciples, published in five volumes of books. You went around the world 14 times, you created a monthly magazine, "BACK TO GODHEAD", which at one point was distributed in excess of one million copies per month, You gave lectures on Srimad-Bhagwatam & Bhagwat-Gita As it is, compiled into 18 volumes of books, You authored over 140 books and that too in a matter of 11 years at an age of 69, sleeping less than 4 hours daily. When you went to America in 1965, few westerners knew the deep spiritual truths behind ancient Vedic culture and civilization and within a decade most human on the planet had heard the Hare Krishna Mantra. You worked day and night in spreading Krishna Consciousness.

Gurudeva, you did the unthinkable, the unfathomable! You are the Acharya and the Master, at whose feet all other masters sit. You are the most realized soul ever to walk the face of the planet. You are Krishna's pure devotee and Your vani continues to spread all around the world and your presence is felt by anyone who cares to read your books and listens to your lectures. Prabhupada, you are living with all vibrancy and all vigour in your instructions. Gurudeva, your accomplishments are so far beyond any description and my glorification does no justice. You Live FOREVER.

Lord Sri Chaitanya Mahaprabhu predicted that... In every town and village the chanting of HARE KRISHNA will be heard. In this age of Kali the glorification of the Lord by chanting His Holy name is the only means of liberation. Seeds of the Maha Mantra were blown to every corner of the globe by YOU. Krishna consciousness is spreading like forest fire all over. And your devotees all over the globe is fanning, creating new dimension in the lives of millions and millions of people. You have

brought new meanings to our life. Our lives have become focused on pleasing Sri Sri Nitai Gauranga and their routine has become our routine. Now Hare Krishna Mantra has become our oxygen, We perform morning and sandhya aratis with offerings of food and flowers and we have a wide range of books to help us understand the philosophy and purpose that govern our lives and most importantly there are many devotees to associate with.

We are so fortunate to have you, I pray for your continued mercy upon me and help me from derailing due to emotional ups and downs and allow me to keep the association of your sincere devotees, so that I may assist them in their endeavor to spread the mission and remain engaged in your devotional service regardless of any obstacle that may come. I thank you for all the service I got which I truly do not deserve. Offering myself and my family at your lotus feet.

The eternal servant of your servants,

Annirudha Krishna Dasa.

Anupama Dasa

Dear Gurudeva,

I offer my humble obeisance unto your lotus feet.

Srila Prabhupada, you are most merciful to all the living entities. By your mercy ordinary living entity gets the most glorious position to worship the Supreme Personality of Godhead Sri Krishna, which is very rare in this universe. Gurudeva, like Prahalada Maharaj did, you have converted lakhs of mlecchas into first class devotees.

A spiritual master holds his disciple life after life, till liberation and after liberation also this relation continues in Vaikuntha.

सेइ भक्त धन्य ये न छाड़े प्रभु चरण, सेइ ठाकुर धन्य ये न छाड़े निज जन !

(Chaitanya Charitamrita : Antya)

Dear Gurudeva, I fervently seek your forgiveness for the offenses that I have committed against you, Holy name, Krishna and the Vaishnavas. Please help me to uproot my Anarthas. I request you to kindly keep me engaged in devotional service of Lord and help me to become a pure devotee. By your mercy, I with my all energies may be used to serve the mission of Lord Chaitanya Mahaprabhu.

हरे कृष्णा

आदरणीय श्रीला प्रभुपदा आपके चरण में दंडवत प्रणाम !

में आपका हृदय से आभार प्रकट करता हूँ, क्युकी आपको हृदय से ही गुरु की महिमा से भगवन को जान पाया और साथ में भौतिक और आद्यात्मिक का सही मतलब समझ पाया हूँनहीं तो साधारण मनुष्य की तरह भौतिकता में लुप्टरहता और जीवन का लक्ष्य नहीं जान पाता। इस पतित बेहद जीव को आपने अपने शरण में जगह दिया, इसके लिए आपका बहुत आभारी हूँ और उनके साथ बताए नियम को पालन कर सकूँ, यही मेरा विनती है। आप अपना कृपामुझपर बनाए रखना।

प्रभुपाद जो कृष्ण भगवान का जो चमत्कारी प्रसाद आपने हमें दिया है, उसके प्रत्यक्ष भाव हम देख रहे है। आज हमें यह अनुभव हो रहा है , हरे कृष्ण मूवमेन्टकृष्ण का उनके सेवको का एक संयुक्त परिवार है और उस परिवार केआप मुखिया है आपका मार्ग दर्शन और कृपा मिलता रहे! कृष्णा और राधारानी के प्रति प्रेम और विश्वास बढ़ता रहे।

धन्यवाद।

हरे कृष्ण

कृष्ण कृपा मूर्ति श्री श्रीमद् ए सी भक्तिवेदांत स्वामी प्रभुपाद के चरण कमलों में मैं सादर प्रणाम करता हूँ।

श्रील प्रभुपाद की कृपा से मैं पिछले 5 वर्ष से हरे कृष्ण भावनामृत आंदोलन से जुड़ा हूँ प्रभुपाद की कृपा से चार नियामक सिद्धांत का पालन करता हूँ और प्रभुपाद की पुस्तक पढ़ता हूँ और कृष्णभावनामृत आंदोलन में जुड़े रहने में आपकी पुस्तकों ने मुझे बड़ा सहारा दिया है। मंदिर आने व साधु संगति करने में हमेशा मन में यह विचार आता है मैं अपना बचा समय भौतिक जीवन की दिनचर्या में लगाकर व्यर्थ कर रहा हूँ। जब मंदिर आ जाते हैं जो मन में आता है कि पुनः भौतिक जीवन में वापस ना जाएँ और मंदिर में ही सेवा करते रहें। श्रीला प्रभुपाद आपसे सनम्र निवेदन करता हूँ मैं बहुत बार जब यह सोचता हूँ कि अंत समय मेरी क्या चेतना होगी क्या मैं भगवान को या आपको याद कर पाऊंगा तो मुझे बहुत घबराहट होने लगती है क्योंकि मैं अभी तक भगवान को इतना याद नहीं कर पाता हूँ जिससे मेरी अंत अवस्था में मुझे कृष्ण याद आ जाए प्रतिदिन हरे कृष्ण महामंत्र की 16 माला का अच्छे से जप कर सकूँ और आपके बताए 4 नियामक सिद्धांतों का पालन कर सकूँ।

हरे कृष्ण !

प्रभुपाद के चरणों में,

सादर दंडवत प्रणाम।

आप के आश्रय में विगत 5 वर्षों से रहकर मंदिर में भक्तों का सान्निध्य मिला तत्पश्चात धीरे धीरे कृष्ण भावना विकसित हुई। भक्तों के प्रेरणा से हरे कृष्ण महामंत्र का 16 माला नियमित जाप, चार नियमोंका विधिवत पालन एवं आप के द्वारा लिखी पुस्तकों के स्वाध्याय से जीवन में सही मार्ग प्रशस्त हुआ।

भगवान श्री कृष्ण की भक्ति ही मनुष्य जीवन का सार है जो बिना गुरु कृपा के संभव नहीं है। मैं स्वयं को अत्यंत भाग्यशाली मानता हूँ के मुझे ऐसे सदगुरु का सान्निध्य मिला। मुझे जैसे घोर संसारी, भौतिकवादी, काम, क्रोध, तथा लोभ मेलिप्त एक अधम जीव के लिए प्रभुपाद का आश्रय मिलना किसी आश्चर्य से कम नहीं है, इसी से अनुमान लगाया जा सकता है की प्रभुपाद कितने दयालु तथा कृपालु हैं। आपके माध्यम से भगवान के नाम का श्रवण, कीर्तन, दर्शन तथा मंदिर व भगवान के सेवा का सौभाग्य मिल सका।

प्रभुपाद हम अत्यंत आभारी हैं कि आपने हमें "कृष्ण प्रेम" जो कि आध्यात्मिक जीवन का अंतिम पड़ाव है के मार्ग का पथिक बनाया। हालांकि यात्रा अभी बहुत बाकी है और अत्यंत कठिन भी है लेकिन फिर भी आप की कृपा इसितरहहोती रही तो हमें आशा ही नहीं बल्कि पूर्ण विश्वास है कि मंजिल अवश्य मिलेगी।

मेरे प्रिय और पूजनीय गुरु

श्रील प्रभुपाद,

आपके चरण कमलों में मेरा दण्डवत प्रणाम स्वीकार करें। आप पूरे विश्व का उद्धार करते हैं। आपकी महिमा विश्वव्यापी है। आपके अनन्य भक्त है जो आपको ही जानते है और मानते है। मेरे मन में यह परम इच्छा है की मैं भी उनमे से एक ना जाऊं मेरे मन में इसके सिवाय और कोई आशंका नहीं है।

श्री नरोत्तम दस ठाकुर गाते हैं -

"श्री गुरु चरण पदम , केवल भक्ति सदम , बन्दों मोई सावधान मते। "

अर्थात शुद्ध भक्ति प्राप्त करने का एक ही तरीका है , आध्यात्मिक गुरु की चरण कमल। मैं गुरु के चरण कमलों में श्रद्धा के साथ नमन करता हूँ।

प्रभुपाद मै अभी अपने पारिवारिक कष्ट से गुज़र रहा हूँ, लेकिन इस दौरान मुझे आपके और भगवन की सेवा में कुछ तकलीफों का सामना करना पड रहा है , लेकिन मैंने कभी भी सेवा और आपके बताये नियमों का पालन करने में कोई कमी नहीं की। सब आपके कृपा और आपके आदेश एवं उपदेश के कारन ही है , जो मै आज आपके सामने उपस्थित हूँ अन्यथा मै कब का बिखर गया होता।

श्रील प्रभुपाद आप ने हमें सिखाया है की आपकी सेवा करने का सबसे अच्छा तरीका है की कृष्णभावनामृत संघ की सेवा , आपके द्वारा रचित पुस्तकों का प्रचार -प्रसार एवं आपकी वाणी जन जन तक पहुंचना।

प्रभुपाद चूँकि आपके अनुशासनात्मक उत्तराधिकारी परंपरा में आपके अनुयाई है , इसलिए ईश्वर प्रेम की प्रति एवं आपकी सेवा ये हमारी जीवन का परम लक्ष्य है। परन्तु यह तभी संभव है जब आप हम पर अपनी अति सामान्य दया एवं कृपा प्रदान करें।

इससे हम कृष्णा के पवित्र न का जप और बेहतर तरके से क्र सकतें है , अतः मै आपकी दया की याचना करता हूँ की ये अनवरत चलती रहे।

आपके दासों का दास।

Ganga Narayan Dasa

Dear Srila Prabhupada,

Please accept my humble obeisance unto your lotus feet on your auspicious appearance day.

Srila Prabhupada, it is important for a disciple to glorify his spiritual master.

Because he is the only one who takes everything and offers to Krishna with love and devotion and correct his disciples in different aspects.

Srila Prabhupada as you know that I am not so intelligent and unqualified candidate for executing service in your mission. But still your divine grace and your representative's mercy makes possible to do things peacefully and guide me with love and cares.

Srila Prabhupada sometimes I act unfavorably and do mistakes and learn many things out of that and realize your presence in my preaching service. There are so many people who are getting benefited and trying to follow your instructions when they're convinced and do seva for the Lord. It's because of you only. Prabhupada, I believe that you are still living and guiding through your senior disciples and hope that you will guide me in my whole life.

Srila Prabhupada, the glorification in my broken words is insufficient for you. I am very very insignificant entity. Your divine grace please forgive me for any knowingly or unknowingly done mistake to your lotus feet. I apologize for committed mistakes and misbehaviours which I have done to your representatives and all my God-brothers and God-sisters those who are my real well wishers and trying to correct me in different aspects.

Your menial fallen servant, Ganga Narayan Dasa.

Gaura Gopala Dasa

All glories to Srila Prabhupada!

Kindly accept my humble obeisance's unto your lotus feet. On this auspicious day I could write homage by your mercy.

Srila Prabhupada! Your causeless mercy continuously pouring upon me and many number of people through your institution. According to our destiny we got the temporary shelter and other things, now because of your divine appearance we all got the shelter eternally unto your lotus feet. This truth can be understood by your teachings about the Spiritual world, where everything is eternal, full of knowledge and Bliss. Being the dear most friend of Lord Krishna, you have disclosed his mind to all.

Srila Prabhupada! You are the real saviour of the entire humanity. Whenever we used to go to holy dhams we could see inhabitants of that place surcharged with devotional activities in which they are benefitted economically as well as spiritually, because of your preaching of this Krishna consciousness movement throughout the world. If the same things followed by the people of all over the world then there is no need of ugra-karma. These things show your kindness towards all. In the scriptures also it is mentioned that pure devotees are more merciful than the Lord.

In my experience I could understand your blessings and taking care of us in the service of your mission through your institution and senior vaishnavas. I beg your divine grace kindly continue your blessings so that I can serve your mission as your wish.

Yours servant,

Gaura Gopala Dasa.

Gopa Vrinda Pala Dasa

Srila Prabhupada, please accept my humble obeisances unto your lotus feet.

It is a great pleasure for me to glorify you for your unlimited mercy upon me. This journey of my spiritual life is something very miraculous. I was running in ignorance without any meaningful goal in my life. When I first time came in contact with your teachings in the year of 2002, it opened my darkened eyes of ignorance. That day onwards you inspired me by your words, through your books and your representative Vaishnavas.

As the commander in chief of Lord Chaitanya's army, you bestowed your causeless Mercy upon me and selected me as one of the insignificant servant in Lord Chaitanya's army. Srila Prabhupada, it is your great blessings upon this fallen soul.

Your causeless mercy kept on training, guiding and engaging me in devotional service to Lord Krishna, even though I am crazy about the puja, labha and pratishtha. This is what is my whole qualification.

Srila Prabhupada, I beg you to please use me as an instrument in your transcendental mission. Please bless me, from the core of my heart let me develop strong attachment to your lotus feet. Let your will be my only desire. I should not have any occupation and duty other than to serve your lotus feet.

Thanking your divine grace again and again.

Your insignificant servant,

Dear Srila Prabhupada,

Please accept my humble obeisance unto your lotus feet. All glories to you!!

On this special occasion of your appearance, I would like to thank you for all efforts you made and the pain you had taken for us, and thanks for choosing me out of so many souls to be in your association. Even in an imagination I feel scared when I think where I would be now if you wouldn't have accepted me as your disciple. What nonsense I would be doing! wasting my whole precious life. It's really wonderful how you reciprocate with your disciples even when you are not physically present now. I am just like a stubborn child who keeps asking her father to fulfill her desire and you are really like a loving father, never says 'no' to my desires and fulfills it, even though I don't deserve it. Save me whenever my consciousness gets endangered. Whenever outside world tries to distract me, you are always there to protect me through

your books, lectures and disciples. It keeps me more attached and connected to you. You taught us how to live like a human, how to chant Holy Name, how to help others by giving them Krishna Consciousness. When I see your disciples vigorously serving your mission, I feel ashamed of myself. because I am unable to completely serve you with a determined spirit. My laziness, false ego, lust and many bad habits stops me all the time. I am a useless fellow and an offender who is just misusing the mercy of spiritual master by not serving Him sincerely. I pray to you to please save me and give me intelligence that how I may serve you nicely by serving your mission. Please save me Prabhupada.

I hope someday I will become your sincere disciple. Please always keep showering your causeless mercy on this degraded soul. You are the only savior. Jai Srila Prabhūpada!

Your unworthy servant,

Harsharani Devi Dasi.

My Dear Spiritual Master Srila Prabhupada,

Please accept my most humble obeisance at the dust of your Lotus Feet !!! All glories and All glories to your Divine Grace!!! All glories to your devotional service to the Supreme Personality of Godhead Sri Krishna and His eternal consort Srimati Radharani.

I came in contact with Hare Krishna Movement Bhilai and temple devotees in the year 2012 and immediately bought some books written by you and after reading your books some revolutionary thinking started in my mind and more curiosity developed to read more and more books and from then I decided to attend Sunday program and festival programs. And from there more curiosity developed in my sub consciousness to make progress in Krishna Consciousness and the support of mandir authority towards advancement in Krishna consciousness are unbelievable.

Now I am chanting 16 rounds regularly and following four regulative principles since last seven years and because of your blessings I am able to know exactly the Supreme Personality of Godhead Lord Krishna and Mahaprabhu and I am always indebted to you for your great accomplishment and influence that helped me to make a purposeful life of spiritualization of Krishna Consciousness.

Srila Prabhupada I sincerely beg to you for your mercy to accept me as a initiated disciple and please help me to serve all humanity to fulfill your desire to spread Krishna Consciousness in every nook and corner of my approach area.

My dear Prabhupada, I am fully indebted to you from my head to toe. So please give me shelter at your transcendental lotus feet!!!

सादर प्रसंग प्रणाम

प्रभुपाद मैं पिछले 7 वर्षों से हरे कृष्णा मूवमेंट भिलाई से जुड़ा हूँ और आध्यात्मिक जीवन क्या है? और क्यों आवश्यक है? तथा आध्यात्मिक जीवन में क्रमशः कैसे उन्नति किया जाता है इस विषयों पर आपके चरणों तले (चरणश्रय) में शिक्षाग्रहण कर रहा हूँ।

श्रीला प्रभुपाद इन वर्षों में मुझे आंतरिक रूप से तथा व्याहारिक रूप से पूरा बदल दिया है जिसमें आहार-विहार, आचार विचार, रहन-सहन में अद्भुत परिवर्तन आया है। आपके शिक्षा से हमने जाना कि इस मानव जीवन का उद्देश्य क्या है मैं कौन हूँ और भगवान कौन है तथा उनसे हमारा क्या संबंध है प्रभुपाद आपने पूरे संसार के मानव जाति के विकास के लिए पूरे विश्व में आध्यात्मिक संस्थान खोले हैं जिसका एक मैं तुच्छ अणुमात्र हूँ जो मुझे अत्यधिक भाग्यशाली बनाता है।

प्रभुपाद जी के चरणों में दंडवत प्रणाम।

आपके शरण में विगत पांच वर्षों से रहकर मंदिर के भक्तों का लाभ मिला। और धीरे धीरे कृष्ण भावना जागृत हुई। गुरु की कृपा से सोलह माला का नियमित जाप , चार नियम का पालन और उनकी पुस्तक के अध्ययन से जीवन को नई दिशा मिली।

मनुष्य जीवन का उद्देश्य है भगवान की भक्ति जो की बिना गुरु कृपा के संभव नहीं है। प्रभुपाद

जी की कृपा से हम भौतिक जीवन को छोड़ कर अध्यात्म जीवन की ओर अग्रसर हो रहे हैं।

आपके बताए अनुसार मंदिर में भगवान की सेवा , श्रवण , कीर्तन , दर्शन का सौभाग्य मिल सका।

All glories to Srila Prabhupada,

Please accept my humble obeisances.

Dear Srila Prabhupada your glories are unlimited, at that age you went & did miracles in the hearts of westerners. Just following your spiritual master's instructions, you have turned the whole world towards Krishna. Which every soul, unknowingly is searching in different ways & things (happiness). Which they cannot even fulfill through many life spans. By your mercy they are hearing & chanting about the holy name of Krishna (Ultimate goal & happiness). Actually every day offerings have to be. Many sincere disciples of you, every day they are doing offerings through their services sincerely.

There is nothing hidden from you about your disciples. You are aware of all disciple's activities. You know my insincerity towards you which keeps me away from doing services. By your mercy I am still in the movement by doing whatever service possible to me. I beg for your mercy so I can come out of this forgetfulness which, restless mind always keep me in the thoughts of impure desires. Which keeps away from my service & sadhana, this life is given by you. Therefore, I constantly pray to Your Divine Grace please to be merciful upon me.

I beg you please keep me under the shelter of your lotus feet.

Trying to be your servant,

Parama Karuna Dasa.

Prema Vilas Krishna Dasa

Dear Srila Prabhupada,

Please accept my most humble obeisances, and kindly forgive my offences. On this most blessed event; Sri Vyasa-Puja, the appearance day of my beloved spiritual master, I am filled with a sense of deep heartfelt gratitude and wonder. I cannot even imagine where my life would be today, if you had not appeared and blessed us all with your divine benediction.

Where would I be today without you? You have given me the most matchless, most priceless gift anyone has ever given to me. You have given me Krsna. You have told me that there is God, and that His name is Krsna. That Krsna is the Supreme Personality of Godhead, who is full of six opulence's and who is the source of the entire creation. You have explained the path of Bhakti Yoga, the path of love and devotion, the path that can free us from the cycle of repeated births and deaths, and leads one back home, back to Godhead.

Often I ask myself the question "who are you Srila Prabhupada?" You have blessed the shores of this American continent with your person, having traveled so far with only a few rupee's to your name, to fulfill the mission of your Guru Maharaja. A simple beggar sanyasi with so much to give. Who has given more to this world than you? And such priceless gifts, you brought. You have brought light to this dark world, you brought Krsna prasadam to feed the starving mass's, you brought knowledge to nourish the ignorant minds and you brought kindness and compassion to a cruel and heartless land. You have given me more than anyone else ever has; a fulfilling life, and a hopeful future.

The fact that you have always resided in my heart, and have been my most constant friend and ever well-wisher, even without your physical presence, proves our eternal relationship with you. So many friends and family have come and gone, but you Srila Prabhupada, have remained in my life as the one constant I could always turn to.

Although I have no qualifications whatsoever, today I come before you with a humble prayer in my heart. Please help us to heal the rifts between us and to come together as a family once again at your lotus feet. There is so much service to be done in executing your blessed mission of delivering the conditioned souls in this world and therefore we need to work together in a spirit of love and co-operation to be truly effective in the way that you desired. But without your blessings, it will never come to pass. So I humbly pray at your lotus feet that you will so kindly enter our hearts and inspire us to find the ways and means of fulfilling your beautiful transcendental vision of a happy and unified world movement under your leadership and direction. Kindly help us to please you in this way.

Śrīla Prabhupāda, we always need your help. My simple prayer, is that I always be engaged as an instrument of Lord Krsna's mercy without desire for puja, patistha, lava, nishidhachar, kuti-nati, jiva himsha. Please give us your mercy again and again, please protect us from the pitfalls of maya, please guide us to become your best instruments, please maintain us to do good sadhana, seva and sadhu-sangha and render seva with mind, body, words and works till last moments of death.

Begging to remain forever in your service,

Prema Vilasa Krishna Dasa.

Rupa Manjari Devi Dasi

Dear Prabhupada,

Please accept my humble Obeisance. Though I have not seen you personally, I can feel your presence through your lectures and books, as they are great motivation in my life, I have no words to express my gratitude for you because your literary works are so beautifully scripted that they develop immense feeling of Love for Lord Krishna. Your books are like food for soul. By reading them I get lot of peace, happiness and an enthusiasm to elevate myself on spiritual platform. By your causeless mercy you have done so much for the fallen souls. But it's my misfortune that I don't have any qualification nor I

am able to develop that service attitude. It's my humble request dear Prabhupada please shower your blessings on me and protect me from the clutches of Maya so that I may elevate myself in KC.

Your servant,

Rupa Manjari Devi Dasi.

Sadguna Rama Dasa

Dear Srila Prabhupada,

Please accept my humble obeisance at your divine Lotus feet.

It gives me immense pleasure to glorify you today the most auspicious day of your appearance. You appeared in this material world and gave the most valuable gift to us, that is Krishna bhakti and the best contribution to the humanity and mankind is your Vani, your books, your teachings, your lecture which is most precious thing for a devotee in his life. Srila Prabhupada you have been a personal guide to all the devotees and you taught us how one can possess qualities like compassion, tolerance, sincerity, truthfulness, patience, gravity in his behavior and how one devotee must be eager to serve all the instructions given by his spiritual master. You worked hard day and night, wrote so many articles, printed them and personally you went door to door distributing them just to fulfill the desire of your spiritual master Srila Bhakti Siddhanta Saraswati Thakur. You also travelled around the globe and preached Krishna consciousness and made all the hippies Krishna Bhakta only because your Guru Maharaj ordered you go to the western countries and preach about Lord Krishna. Srila Prabhupada similarly bless me to be able to follow all your instruction very sincerely and try to become a better devotee. Srila Prabhupada you taught us that the only way to come out of the classes of this material world is by chanting the holy name of the Lord and follow the four regulative principles dance and honour Krishna prasadam such a simple process to get delivered from such a big entanglement of this material world but I am so limited that I am not able to do that also. Please forgive me for my repeated mistakes and bless me to become a sincere devotee and help me to follow all your instructions given by you very seriously throughout my life.

I beg to you Srila Prabhupada to please forgive me for all the mistakes I have done and bless me to become a better devotee till the end of my life.

Your most fallen servant, Sadguna Rama Dasa

Dear Srila Prabhupada,

Please accept my most humble obeisance and kindly forgive my offenses. On this most blessed event, Sri Vyasa Pooja, the appearance day of my beloved spiritual master, I am filled with sense of gratitude. I cannot even imagine where my life would be today, if you had not appeared and blessed us all with your divine benediction.

You have very nicely described the dark condition of material existence. The spiritual master deliver us from this dark condition by carrying with him the shining lamp of knowledge.

Srila Prabhupada, every year whenever I write the Vyasa Pooja offering I cannot but just keep thanking you for the mercy you shower on me, but this year is the most auspicious, the year in which I got my initiation.

Dear Srila Prabhupada,

Kindly accept my humble obeisances at your lotus feet and all glories to your divine grace...

I am very much grateful to you for giving me an opportunity to serve your mission one more year...

For a conditioned soul who totally forgot the eternal connection with Krishna and fully immersed in the ignorance, is practically impossible to come out of those different layers of conditioning on their own... By your causeless mercy you lifted them from the bottom of ignorance and placed them at the highest level of understanding of Krishna Conscious...And Of course you keep enlightening millions of followers through your books and lectures.

However we try to glorify your divine qualities still we are unable to glorify even 0.1% of your original qualities...

In Chatanya Chatitamrita Madhya Lila 8.70 Sri Ramananda Raya says: -

*kṛṣṇa-bhakti-rasa-bhāvītā matiḥ kṛiyatām yadi kuto 'pi labhyate
tatra laulyam api mūlyam ekalam janma-koṭi-sukṛtair na labhyate*

“Pure devotional service in Kṛṣṇa consciousness cannot be had even by pious activity in hundreds and thousands of lives. It can be attained only by paying one price—that is, intense greed to obtain it. If it is available somewhere, one must purchase it without delay.”

You said in one of conversations, “I have a big disease that i always desire big big things for Krishna’s service”

By this verse it is proved that you have acquired “kṛṣṇa-bhakti-rasa-bhāvitā matiḥ” - Since you have such a strong intense transcendental desire to expand Krishna Consciousness and as a result of this pure desire for Krishna you have turned the entire world into Hare Krishna Culture. And you are investing the same transcendental greediness among your followers who strictly trying to obey your instructions. You are magnanimous Prabhupada...

It is our greatest fortune to have a shelter at your lotus feet, that we could ever get in this journey of repeated birth and death in this material world.

In spite of your causeless mercy, still I am struggling to maintain the standards of Krishna Consciousness as your desire. Please keep guiding me so that I can strictly follow your instructions and maintain good relations with devotees around and I could render my serves in my best ability.

I am eternally indebted to you for your mercy and guidance on this unqualified and insignificant servant...

Yours faithfully,

Dear Srila Prabhupada,

Please accept my humble obeisance

All glories to Srila Prabhupada. All glories to you on this auspicious day of your Vyasa Pooja ceremony

Prabhupada as years are passing more and more dirty things are coming out of my heart. This year I have realized how you love your disciples and protect them in all directions.

Shri Gurudev kindly empower me to do the Sadhana and authorized services more efficiently.

Actually in this whole society everyone is after sense gratification. People they don't want to understand what is the purpose of life. I went many times for book distribution but I had seen how much sense gratification they are doing. They only want to eat, drink and be merry. We were also like that but because of your mercy I understood the value of life and the value of devotional service.

As 22 month passed in Ashrama life I found so many anarthas had gone which I was finding very hard to cure in material world. The nature of Maya is to kick us, stab us and make us laugh. What I had seen was that people wanted to come out from all problems but without Krishna consciousness which is not possible. Even now I am facing some problems and this is all created by myself. I know if I follow your instructions Maya cannot touch me. But this nonsense desire makes one far from your instructions. I am a child sure to stumble at each step throughout the long journey back home back to Godhead. But I am hopeful that you will always be by my side supporting and guiding me in the right path towards the lotus feet of Krishna.

Oh master! Please be merciful unto me and make me the way you like.

Your servant, Tarun Krishna Dasa.

Vraja Nandini Devi Dasi

Dear Srila Prabhupada,

Please accept my humble obeisance's unto your Lotus feet!

Today is the day when Nanda Maharaj exuberantly celebrated the birth of his son and the auspicious divine appearance day of yours too.

It is said in Padma purana that

“Mat – samo nasty papatma, Naparadhi cha kashchana

Parihare ‘pi lajja me, Kim bruve Purushottama”

Dear Lord, let us inform you that no one is more sinful than us, nor is there any offender like us. Even if we wanted to mention our sinful activities, we would immediately become ashamed. And what to speak of giving them up!”

Divine Master, you are the embodiment of compassion and the purest selfless love and just because of your genuine compassion today I am worthy of reading out this vyasa puja offering to you. Words cannot express the deepest gratitude I feel for being a recipient of your causeless mercy. Years back I was floundering far and wide for a proper guidance and then because of you I got the association of your disciples. Thank you so much for your enormous literary exposition through which people like me and uncountable millions of people all over the world are now able to chant the maha mantra and get trained in the strict disciplines of Vaishnavism. O Master, you performed devotional activities in a mood of unmitigated surrender to the desires of Lord Krishna and your activities were personally guided by Him. Through your teachings you continue to relieve humanity from the pangs of Kaliyuga and reveal the timeless wisdom of bhakti to the world. It's for the

first time in history that within just twelve years you were able to fulfill the predictions of Chaitanya Mahaprabhu, sastras and devotees. You perfectly displayed all the qualities of a pure devotee of Lord Krishna and your immeasurable activities of kindness and compassion are amazing. You are still guiding humanity at large to take shelter of the Lotus Feet of the Lord and engage in the service of the Supreme, even though you are beyond our material vision.

Predominantly I fail to follow your guidelines so I pray that all your instructions you have given us so kindly become one with my heart. You have given us so much and we are eternally indebted to you for offering this opportunity of devotional service and the association of devotees. Still I have come before you with a humble prayer regardless of the fact that I am unqualified, please allow me to continue to be a tiny part of the dust of your lotus feet.

Your eternal servant, Vraja Nandini Devi Dasi.

आपका महिमा अपार है आपका महिमा विस्तार करने का मेरा क्षमता नहीं है। पिछले 11 साल से आपके सोसाइटी में जुड़ने के बाद मुझे आपका और कृष्णा के बारे में थोड़ा ज्ञान मिला है यह ज्ञान मिलने के बाद आपका और कृष्ण का भक्ति अच्छे से करने के लिए प्रयास कर रहा हूँ और आपका छत्रछाया में मैं रह कर मुझे ज्ञान मिल रहा है और से वा करने का मौका मिल रहा है। आप सारा पृथ्वी भ्रमण करके सबको कृष्णभक्ति के बारे में शिक्षा दिया और भगवान का सेवा करने का मौका दिया। ऐसे ही आपका आशीर्वाद सदा बना रहे

आपके चरण में मेरा शत कोटि प्रणाम।

Dear Srila Prabhupada,

Please accept the humblest obeisance of your most unworthy and foolish disciple. I have not yet realized your true glory and yet living in complete ignorance. And I have realized that I am really unworthy to be your disciple.

Your disciples are working hard day and night to expand your glories and urging people to come out of this material world, which is full of miseries, and to make good use of this human body.

My spiritual master, it is you whose teachings have taught me the purpose of this body and to devote it to Krishna consciousness. You have lightened up my life which was full of darkness. Your teachings leave no doubt regarding the existence of the supreme personality of Godhead.

In spite of this, I am such a fool that I am still struggling to maintain my Krishna Consciousness in my daily routine. My intelligence is taken away by Maya and I have no control towards my mind, senses, and desires. Please be merciful to me at engaging them in your service. Keep me always in the association of devotees which I am lacking the most currently.

On this auspicious day, everyone is glorifying you but I am in need of your mercy and blessings, without which I see no hope to come out of my sinful activities.

Please forgive me for all my offenses which I have committed to being at your lotus feet by not sincerely following your instructions and bless me so that I can surrender my every breathes in serving your divine instructions.

Begging your mercy again and again.

Your unworthy fallen servant, Bhaktha Aaditya Kumar.

Actually after coming to college and studying away from home makes me a complete change in my environment which results in a slow change in myself like sleeping late night and many more negative, only due to association but after meeting devotees at Bhilai and attending his folk class on philosophy I get attracted to the HARE KRISHNA MISSION and his Divine grace Srila Prabhupada. The teaching of Srila Prabhupada really help me for self-realization, the regular practice of chanting really increases my concentration and give good outcome in my studies. प्यारे प्रभुपाद,

आपके चरणों में सदर प्रणाम। इस भौतिक जीवन में माया की चंगुल से बच पाना आपके आश्रय के बिना संभव नहीं है। आज हर जीव माया के प्रलोभनों में फस कर अपना अमूल्य जीवन व्यर्थ गवा रहे है। मुझे गर्व है की मैं आपकी शरण में हूँ और इन माया के फालोभनो से बचने का सतत प्रयास कर रहा हूँ। आपकी कृपा से मुझे कृष्णा को जानने और भक्तिमय सेवा में लगे रहने का अवसर मिला है। जो अनेक जन्मों में भी दुर्लभ है। मई किसी भी तरह आपकी चरणों से दूर नहीं होना चाहता सदा वैष्णवों की संगत में ही मेरा जीवन व्यतीत हो ऐसी मुझ पर कृपा करें।

Dear Srila Prabhupada, I feel so fortunate that I got the chance to serve your divine lotus feet. I thank Lord Krishna that he gave me the golden opportunity to get connected with your movement and to get shelter in your divine lotus feet. And it is just because of your causeless mercy and transcendental teaching that I got the chance to know the real purpose of my life. I was not at all qualified to get your mercy, I was very materialistic and I was only after sense gratification but still by your divine mercy I got the chance to get your divine association through your lectures and your transcendental books. And today whatever you find the values in me are just because of your divine lectures and transcendental books. Because

of your transcendental teaching I got to know how to behave with every living entity respectfully as they are also part and parcel of Krsna and how to be meek and humble always.

Dear Srila Prabhupada, Although, I am trying to strictly follow your instructions, still I am so foolish that sometimes I get blown away by materialistic desires and forget what is real purpose of my life. I am still covered with a lot of material desires and your lectures and transcendental books are guiding me into the right path. Please keep your divine mercy on me always so that I can get out of my illusion and material entanglement.

Srila Prabhupada please forgive me for my offences and bless me with your divine mercy so that I can make advancement in Spiritual life and get out of the material attachments. So that I can get the chance to dedicate my life fully to serve you and your divine mission.

Thank you so much Gurudev for giving your causeless mercy to this most insignificant person and accepting me on your divine lotus feet.

Trying to be your servant,

Please accept my humble obeisance all glories to your Divine Grace. All glories to our dear most merciful Guru Maharaj Srila Prabhupada thank you Srila Prabhupada for introducing worship of your Deity in your temples and giving the knowledge of Gita that it is not human worship but it is the worship of the supreme servitor of God you teach that life has meaning and is not a mere 'chance' happening. You have demonstrated as an acharya who sets examples, that Krishna consciousness is not about merely achieving perfection for oneself it is also about distributing all these gifts to every soul. Your aspirations to see the Hare Krishna Movement of Lord Chaitanya expand to every town and village through chanting, dancing and prasadam distribution are unlimited. I have experienced that these aspirations of your Divine Grace are live and vibrating in this world.

Dear Srila Prabhupada,

Please accept my humble obeisance's at your holy lotus feet. All glories to your unequalled stature in the world of devotional service! You are a genuine spiritual master because you are able to present appropriately the spiritual subject matter of God, or Krishna, consciousness to anyone and everyone, including the big leaders of society. Actually, you are the centre of our lives. For instance, today we have all come together to observe the anniversary of your appearance day, as opposed to observing the Guru Pūrnimā ceremony, which you explained is generally performed by the Mayavada sects. We perform an extra bodily revolution just to acknowledge your presence on the vyāsāsana. You control us as much as we agree to follow your beneficial instructions. It is a matter of love and strength on both sides. It is not a matter of force, even though force entails strength.

Your servant,

Hare Krishna, Dear Srila Pabhupada Ji,

It's almost 2 year I am associated with ISKCON; first year I was trying to understand the philosophy of my relation with Krishna Ji. But last year I experienced lots of beautiful moments. Last year, changed my way of living and thinking. Now I relate everything and situations with Karma. Last year also I visited in many events and did fasting on Ekadashi, all this was auspicious for me to experience. Last year my son OM and my wife started chanting Hare Krishna Mahamantra. Last year I also visited Vrindavan with my friends. I thank you Prabhupad Ji for all the knowledge and blessing given by you. All my transition happens due to your movement. Hare Krishna.

भगवान श्री कृष्ण की कृपा से मुझे आपके संस्थान हरे कृष्णा मूवमेंट, भिलाई से मेरे पुत्र के द्वारा मुझे अपने जीवन सुधारने का मौका मिला। इससे पहले मेरा जीवन संयमित नहीं था। मैं अंडा, मांस भक्षण करता था अब मैं मांस अंडा पूरीतरह से त्याग दिया हूँ। सुबह सुबह भगवान श्री कृष्ण के विग्रह की पूजा करता हूँ, नरसिमहा आरती करता हूँ, व तु लसी आरती करता हूँ, फिर माला जाप करता हूँ। पहले मैं 4 माला जाप करता था उस से बढ़ाकर आठ माला जाप करताथा आज मैं 16 माला जाप करता हूँ। मन को अलग ही अनुभव मिलता है। पहले भगवान को भोग लगाना प्रसाद ग्रहण करना जानता ही नहीं था। लेकिन अब मैं भगवान को भोग लगाकर प्रसाद ग्रहण करता हूँ बिना भगवान को भोगलगाए कुछ भी ग्रहन करने की इच्छा नहीं होती है। पहले की जीवन और आज के जीवन में बहुत अंतर आया है। सोचता हूँ कि मुझे पहले यह सानिध्य क्यों प्राप्त नहीं हुआ। बे कार में 50 वर्ष व्यतीत हो गया बहुत पछतावा है। अब मैं पूरेमन से भगवान श्री कृष्ण की सेवा करने की कोशिश करता हूँ।

I have changed my view of looking into the world because of his divine grace A.C. Bhaktivedanta Swami Prabhupada's teachings, books, chanting, kirtans and other activities. It is through his blessings that I am able to complete my further studies easily.

By following his principles my life become easy and have a confidence to face any problematic situation. I am able to control myself when I am angry. I listen properly the statements of opposite person than respond properly.

Chanting and attachment with Krishna helped me to manage time, do proper work at appropriate time.

All thanks to folk classes, mentor and devotees of Hare Krishna Temple. I am happy to be associated with Srila Prabhupada's movement and in future too.

Thanking you,

Bhakta Bhima Jaiswal

Dear Srila Prabhupada,

Please accept my humble obedience unto your lotus feet. This is my 4th time writing letter to you. I came to temple in the beginning not for classes but only for prasadam. Gradually this prasadam gave me the taste of spiritual life. Now it's being 3 years I am in touch with your Hare Krishna Movement, trying to follow your instructions. Now because of your mercy I am able to chant 16 rounds regularly which I think earlier it was very difficult task for me. Because of you only I got the opportunity to serve the supreme Lord Krishna in different ways like palaki seva, cleaning the temple and other services. Plz engage me always like this.

But now my collage is completed and I am going to some other place for job. Now may be it become difficult to manage all the things. So please Srila Prabhupada take me in your shelter and bless me so that I can manage all the things.

By continuous contact with your disciples or devotees I was able to know the truth of this world. "There is no other happiness greater than serving the spiritual master and serving the Lord."

Srila Prabhupada, I want to join your mission not partially but fully with full dedication and enthusiasm. But I think I am not qualified now but I will try my best to follow your instructions and very soon I will join your mission.

Please be merciful onto me. Guide me always ...

Your servant, Bhaktha Bhima Jaiswal.

Bhakta Chandan Parsad

Hare Krishna Swami Prabhupāda,

With all due respect, Prabhu. I write this letter to you, for your inspiring preaching that helped me through some hard times lately. First of all, and foremost of all, I want to thank you for your intervention in my affairs in life. If I give my 100th birth life, I could not thank Krishna enough for your role in making me strive to regenerate as Krishna conscious human.

Prabhu in modern society, we are told to be 'reasonable'. But you have taught me the philosophy, "we are not body, we are spirit soul". Initially to me, happiness comes through material stuff. By reading your books and from your lecture we can easily understand acquiring more and more material things will not give genuine happiness. Real happiness we can get only when we take the shelter of the God. As always told by you, I am regularly chanting Hare Krishna Maha Mantra from past 5 years and always feel calm and happy.

Thank you my spiritual Guru,

आपके पावन चरणों पर सादर प्रणाम। कृपया आप मेरा प्रस्ताव अपने कर कमलों द्वारा स्वीकार करें। मुझे एक अलग सी जुनून यहां के भक्तों से मिली। मुझे आपकी अराधना से आभास हुआ कि दर्शनशास्त्र नाम की भी कोई विद्या है। आज मैं आपका एवं श्री कृष्ण प्रभु की आराधना कर अपने आत्मा को तृप्त पाया। जब मैंने आपकी लिखी पुस्तकों को पढ़ा, तब मुझे ज्ञात हुआ कि भगवान तस्वीरों में नहीं, स्वयं हमारी आत्मा में विराजमान हैं। यह मैंने हरे कृष्ण मंत्र को जपते हुए मैंने अपने अंदर अनेकों अद्भुत शक्तियों को पाया। यहां मुझे एक जरिया मिला भगवान श्री कृष्ण व समस्त देवी देवताओं को पाने का। मेरा जाप भले ही कम है, लेकिन मैं आपके द्वार में आकर पूरी तरह से संतुष्ट समझता हूँ।

मैं आपका हृदय से आभार व्यक्त करता हूँ, कि आपने मुझे अपनी शरण में भक्ति लेने हेतु बनाया। हृदय से आभारमेरे परमआदरणीय अधात्मिक गुरु।

In the world of dark ignorance you come with a light of knowledge which helps me to know about self.

परम आदरणीय एवं प्यारे गुरुदेव प्रभुपाद जी आपके चरणों में बारंबार दंडवत प्रणाम

गुरुदेव आपके ख्याल से इस मन में बहुत सारा भावनाएं एवं विचार उमड़ रहे हैं। जिसे इस पत्र में लिखना संभव नहीं है। परंतु आप मेरे अंतरात्मा की समस्त बातों को जानते हैं। गुरुदेव सर्वप्रथम मैं आपको मेरे जीवन में आने के लिए कोटि-कोटि धन्यवाद देता हूँ। मुझे जैसे पशु जीवन व्यतीत करने वाले व्यक्ति को प्रगति (आध्यात्मिक) के मार्ग में लाने के लिए कोटि-कोटि धन्यवाद देता हूँ। गुरुदेव कुछ वर्ष पूर्व मुझमें बहुत सारी बुराई थी। आपके कृपा से बुराई में कमी आई है। परंतु अभी भी शेष है। विश्वास है यह शीघ्र दूर होगा। सत्य कहूँ तो आपके कृपा से मुझे जीवन जीना आ गया। गुरुदेव मुझ में अभी भी पशुता शेष है। आपसे निवेदन है कि आप मुझ पर कृपा करें। प्यारे प्रभुपाद जी आपकी कृपा से आपके भिलाई के मंदिर में आना होता है। प्रसाद प्राप्त होता है। आपके एवं राधा कृष्ण के भक्तों का सानिध्य प्राप्त होता है। आप के वचनों का ज्ञान होता है। जिससे मेरे जीवन की समस्त समस्याओं का निवारण होता है। इस कारण आपको पुनः धन्यवाद परम प्रिय प्रभुपाद जी। इस प्रकार एक अनाथ व्यक्ति अपने माता पिता से पुनः मिल जाता है। उसी प्रकार आपके कृपा से हरे कृष्ण महामंत्र प्राप्त कर के आनंदित महसूस करता हूँ। मुझे यकीन है गुरुदेव आपकी कृपा से शीघ्र मैं अपने और अपने मालिक (भगवान जी) के साथ पुनः संबंध स्थापित कर पाऊँगा। गुरुदेव आपसे एवं राधा कृष्ण से मुझे प्रेम कब होगा? ऐसा लगता है गुरुदेव जी कि मैं सिर्फ दिखावा कर रहा हूँ। स्वाभाविक प्रेम की अनुभूति मुझसे कब होगी गुरुदेव। आप तो जानते हैं कि मुझ में बहुत सारी बुराई है। भौतिक वस्तुओं से मैं आकर्षित हूँ। प्रतिदिन हरे कृष्ण जाप भी ठीक से नहीं कर पाता। चौथे नियम का पालन करना मेरे लिए बहुत कठिन है।

आपसे विनम्र निवेदन है कि प्लीज मुझे शक्ति दीजिए। जिससे मैं प्रति दिन ब्रह्म मुहूर्त में उठकर 16 माला कर सकूँ अच्चे से। कृपया मेरी जाप करने की गुण अच्छी कर दीजिए। आपके एवं राधा कृष्ण के प्रति स्वाभाविक प्रेम विश्वास कृतज्ञता और सम्मान आ जाए। एवं मुझे इतनी शक्ति एवं प्रेरणा देना प्रभु जिससे मैं जीवन भर तन, मन, धन से राधा कृष्ण एवं आपकी सेवा कर सकूँ। पुनः आपके चरणों में दंडवत प्रणाम। कृपया अपने चरणों को मेरे मस्तक पर लगा दीजिए धन्यवाद

आपका सेवक, भक्त दुष्यंत सिंह.

आपको कोटि-

कोटि प्रणाम प्रिय गुरुदेव श्रीला प्रभुपाद जी आपके व्यास पूजा के अवसर पर मैं अपनी कुछ बातें आपके श्री चरणों में रखना चाहता हूँ। गुरुदेव मैं पिछले 1 वर्ष से आप के आश्रय में स्थान पाने का प्रयास कर रहा हूँ। आपके द्वारा कहे गए नियम का पालन कर मुझे अपने प्रभु श्री कृष्ण और चैतन्य महाप्रभु का सानिध्य मिला। जब मैं अपने प्रभु राधा कृष्ण के विग्रह का दर्शन करता हूँ और आपके दिए मंत्र का उच्चारण करता हूँ तो सच में प्रभु कृष्णा का अंतरात्मा में होने का आभास होता है। मैं अपने को धन्य मानता हूँ जो मुझे आप जैसे गुरु मिले। जिन्होंने मुझे ईश्वर से जोड़ा आपका बहुत बहुत धन्यवाद गुरुदेव जो आपने मुझे मात्र 18 वर्ष की आयु में ईश्वर को जानने में मेरी सहायता की। आपके लिखे पुस्तक मुझे भक्ति के गुणों को सरल रूप से समझने में सहायक हुए आपके कहे वचन सच में भक्तों के लिए उत्कृष्ट हैं। इन पुस्तकों को पढ़कर मुझे ईश्वर को पूर्ण में जानने का अवसर प्राप्त हुआ। आप हमेशा मुझ पर अपनी कृपा बनाए रखें गुरुदेव।

Dear Srila Prabhupada, koti koti pranam.

With the passage of one more year of your service, another opportunity to glorify you stands on my door today. Srila Prabhupada, you have spread the holy name of the Lord across the world, by which even the most degraded, the most wretched, the most useless people can be blessed with the ultimate goal of life-love of god. Please give me strength to follow your instructions sincerely. Please help me serve your mission with humility and dedication and without any false prestige. Please empower me so that I can remain strong and be fixed in Krishna Consciousness.

Your servant,

Bhakta Gaurav Das Vaishnav.

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet on the auspicious occasion of your divine appearance.

I feel short of words when we try to describe your transcendental qualities and wonderful feats you performed on this earth.

The first I went for the session I have truly in mind about the delicious food provided by prabhujī. But when the session starts with the wonderful way of explaining the reality, it provides me a real peace inside me. Interactions with Prabhujis make me more interactive and learn from them how to talk to others. Mantras, Aarti provide us deep relaxation in this stressed world. The quality of food, often some time when I go for the session I think I am in home now.

Jaya Srila Prabhupada, all glories to your divine grace!

Your unworthy servant,

Bhaktha Gaurav Ku Sinha.

Bhakta Ghanshyam Sahu

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet.

My beloved Spiritual Master, I am the most fallen and unworthy person who was earlier like an ordinary fully materialistic guy. But somehow or other I came in contact of your devotees and they brought me to your institution where gradually I

came to know about the importance of this human birth and its purpose which is completely unimaginable for the person like me. Gradually I developed little taste for the practice of Krishna Consciousness by of course doing regular Chanting of the Hare Krishna Maha mantra which I was initially completely reluctant to do but by your divine mercy somehow I started chanting and I am doing 16 rounds of Hare Krishna Mantra as prescribed by you since almost past 3 years and it is now one of the most important part of my daily routine. But I am so fallen and lazy that I am not following your simple instructions strictly and wasting my so much of precious time in mundane things. Srila Prabhupada I don't have that energy and enthusiasm as I use to see in other devotees of yours. You did so much for us that no one can do, you are so smartly and very expertly somehow made us Krishna Conscious and shown the seed of Bhakti in our heart, and you are the only person who provides the nourishment for this seed of devotion.

Srila Prabhupada you made such a great institution where everyone gets the opportunity to render Devotional Service which is the quickest way to advance in Bhakti. I also got the opportunity to participate in temple activities and gradually I developed the taste for spiritual practices and because of that my many of the Anarthas are eradicated without my knowledge and extra efforts. This all happened just because of the Hari Nama given by you.

Prabhupada now I am very much attached to your Lotus Feet and seriously want to follow the instructions of yours, but this is not at all possible without your divine causeless mercy. I also want to take complete shelter of your divine Lotus Feet means I want to join your great mission and dedicate my life in the service of your Great Mission of Lord Chaitanya Mahaprabhu. Prabhupada but I know that I am not at all eligible to join your mission, there are so many Anarthas and material desires still exist within me and I not able to do my daily Sadhana practices very strongly most of the time it is fluctuating. My determination is very poor, and most of the time I simply use to carried away by offers given by Maya Devi and waste my precious time. But Prabhupada I heard in your one of the lecture that "At any condition if one joins this divine mission and practice Bhakti Yoga is the safest way for the advancement in spiritual life".

So, my dear Spiritual Master kindly accept me as your menial servant at your Lotus Feet. Please Prabhupada show some mercy on your this most fallen servant. My mind is always trying to shake my desire of joining your mission. So please as soon as possible pick me up from this ocean of miserable sinful life.

Jai Srila Prabhupada...!!

Your insignificant servant and undeserving recipient of your causeless mercy.

Dear Prabhupada,

After joining the temple there are many changes happen in my life which are very good for me and my surroundings too, like decrease in distraction towards bad habit. The most important thing, that happens in my daily life is my increase in concentration and increase in grasping ability. Srimad Bhagavad-Gita learning and teachings helped me a lot.

Joining temple as a regular student and devotee change my life completely. Now I know why I am here in this world. Your direction told me my goal and your teachings helped me a lot. I don't have words for thanking you. Hare Krishna

श्रील प्रभुपाद,

श्री कृष्णा की असीम कृपा से आज में आपकी शरण में हूँ। श्री चैतन्य महाप्रभु ने भविष्य वाणी की थी की भगवन का यह दिव्यनाम पृथ्वी के हर नगर और गांव में प्रचारित होगा। प्रभुपादजी के माध्यम से वह भविष्यवाणी सच हुई। प्रभुपादजी के द्वारा स्थापित कृष्णा भावनामृत संघ, प्रभुपाद ग्रथवलि, इस्कॉन भक्त वृन्द संघ के कारण बहुत लोग आज कृष्णा भक्ति ग्रहण करने के लिए आग्रही हो रहे है।

प्रभुपादजी के निर्दिष्ट ४ नियम पालन एवं १६ माला नियमित जप मनुष्य जीवन में भक्ति मार्ग में प्रवेश के लिए सहायक है। प्रभुपादजी के आदेश अनुसार भगवन के दिव्या नाम श्रवण से घर में राधा कृष्णा विगृह प्रतिष्ठा एवं पूजा अर्चना, तिलक धारण, उत्सव आदि नियमित पालन करने से भगवन के ऊपर विश्वास एवं श्रद्धा अपने आप अति है। मैं एक भाग्यवान मनुष्य हु क्योंकि मुझे अधम को प्रभुपाद आश्रय मिला, आज मुझे पूर्ण विश्वास है की प्रभुपादजी के निर्देश आदिपालन करके भगवन के प्रति विशुद्ध प्रेम विकसित करके जन्म मृत्यु का आवर्त से हम मनुष्य आनन्दमई भागवत धाम पहुँच पाएंगे।

Please accept my humble obeisance unto your lotus feet.

I must be one of the fallen soul, but gradually elevating. I am lucky to have your and your disciple's association. I used to attend regular classes on Sunday by very well spiritually qualified Prabhujī. I used to chant everyday even if one round and tries every opportunity to render my service to lord and devotees. श्रील प्रभुपाद जी,

सादर प्रणाम.

मैं आपसे आपके ही द्वारा स्थापित श्री कृष्ण भावनामृत संस्थान से जुड़ने उसे जानने के पश्चात मुझे हुए लाभ व मुझमें हुए बदलावों के बारे में आपको बताना चाहता हूँ,

यहां आने से मुझे मेरे कई प्रश्नों के उत्तर मिले, मेरे शंकाएं दूर हुईं, मैं एक भक्ति मार्गी से अधिक ज्ञान मार्गी साधक हूँ ईश्वर का, मैं अपने इष्ट की आराधना से अधिक उसके बारे में तर्क करना अधिक पसंद करता हूँ उसको जानने के लिए, जो मैं कई तरह से सन्तुष्ट हुआ हूँ यहां आने के बाद इसके लिए धन्यवाद।

मुझे हरे कृष्ण महामन्त्र का महात्म्य समझ में आया उसके भी लाभ पता चले, कीर्तन करना जप करना सीखा जो मेरे जीवन के लिए बहुत अधिक महत्वपूर्ण है।

इन सभी के लिए धन्यवाद,

आपका शिष्य व दास,

Dear Shirla Prabhupada,

Please accept my humble and respectful obeisance onto your lotus feet. On this very auspicious occasion i would like to share my Krishna Consciousness experience with you. Ever since i have become Krishna consciousness, i have become more calm and composed person. My way of dealing things and people have significantly transformed over the last 6 months and everything has changed in the positive direction. I have come to realize that spiritual life is the only real life and this is the ultimate truth, under the able guidance of your true disciples in the temple, I have got the many insightful learnings about the life, karma and so many things, which perhaps has provided me shear strength and mobility and this practices has developed unflinching confidence in me to continue practice Krishna consciousness for rest of my life and also make other people around me Krishna consciousness. Chanting of "HARE KRISHNA HARE KRISHNA KRISHNA KRISHNA HARE HARE HARE RAMA, HARE RAMA ,RAMA RAMA HARE HARE" is the ultimate bliss which brings Krishna closer to me to associate with him and love him unconditionally. I have developed humanity and humility in me which I believe is the most important part of spiritual life and it has developed because of unstoppable chanting of" HARE KRISHNA MAHAMANTRA". I am on the way to make my father Krishna consciousness as he has already kicked off chanting and my sister is very inquisitive to practice Krishna consciousness. Due to chanting I have inculcated sense of selflessness which I believe again a wonderful quality of being a Krishna devotee. I am keep on enhancing the number of chanting and making others do the same. This is wonderful and ultimate gift to humankind by Shрила Prabhupada to get connect with Shri Krishna. I always cherish to be Krishna devotee and will do for the rest of my life. Please forgive me for all the sinful activities that I would have been committed in my past life. Please forgive me if I have misbehaved or hurt somebody knowingly or unknowingly. Please bless everyone with good health and happiness. And THANK YOU SO MUCH FOR EACH AND EVERYTHING that you have showered upon me. I am very grateful for things around me. Please keep blessing me with spiritual strength so that i can help people to make them meet with Krishna.

Thankyou Shрила Prabhupada..

All glories to Srila Prabhupada,

Please accept my humble obeisance's at your lotus feet. I am associated with Hare Krishna Movement and I am fortunate to know and understand about your glories and other great vaishnav acharayas. It is your utmost mercy that I am still in Krishna conscious and have the opportunity to chant Hare Krishna.

To have a spiritual master is, one in million life opportunity and still I am not serious about it. I don't have enough intelligence to understand my own mistakes and rectify it that's why you have provided us great vaishnav devotees to take care; still I am not taking the advantage. Please have mercy on me and bless me to be in your shelter always.

Dear Srila Prabhupada,

Please accept my humble obeisance unto your lotus feet.

Gurudev you are my life coach you always motivate me in both is spiritual and material aspects. Before come to temple I heard we are soul but we never take it seriously but by getting association with the devotees and your divine books I realised real value of spirituality and I am practicing Krishna conscious from 2 years. This is the specialty of Hare Krishna movement that one can practically experience the spiritual life. It's my personal experience that whenever I am getting to do something wrong you always save me to do that.

I am feeling that I am unable to pay your credits upon me because I know

सब धरती कागज करूं, लेखनी सब बनराय।

सात समुद्र की मसि करूं, गुरु गुण लिखा न जाये।।

If I get a chance to meet Lord, then my only wish to glorify your mercy.

I want to offer some lines on your lotus feet.

कुमति कीच चेला भरा,

गुरु ज्ञान जल होय ।

जनम जनम का मोरचा,

पल में डारे धोय।।

Mind of a student is full of dirt and has rusted from many births but by Mercy and knowledge of the spiritual master it clean in a moment.

Thanks and Regards,

I am most unqualified, undeserving and fallen soul, yet by your mercy and acceptance I am trying to start and follow Krishna Conscious Spiritual journey. By your grace, one can get mercy and benediction of Lord Krishna. Please guide me to proceed towards this returning journey towards Godhead. Also, please forgive me for all the offenses I have committed and give me strength to follow your instructions and do more sadhana in right direction.

Bhakta Manik Chandra Mahato

Dear Srila Prabhupada,

Please accept my humble & respectful obeisance. I left many of my bad habits without any desire of force and it is through your blessings, you have been teaching through your first and foremost instruction that we are not this body and we are spirit souls. I pray dear srila prabhupada to help me to render faithful service into your lotus feet. I have listened most of the classes given by different prabhujis, which is very easily understandable and very motivating. I am try to increase my chanting. It is completely unbelievable for me that today I am seeking the shelter for your lotus feet. Please forgive me for all the offences that I have been committing, bless me with the spiritual strength.

If I made any mistake while giving obeisance please forgive me. Jaya Srila Prabhupada.

Your aspiring servant,

Bhakta Manik Chandra Mahato.

Bhakta Mohit Tawri

Dear Srila Prabhupada,

Please accept my most respectful obeisances at your divine lotus feet. All glories to you divine grace, and to the entire guru-parampara. It is always difficult to glorify a pure Vaishnava like you, since your qualities are innumerable and your deeds in this world are inestimable. It is said that salt is not seen in food but that its absence is very much felt when it is not there. Many people in this world did not recognise you when you were present, but now, just as with salt, your absence is sorely felt in this wicked world. No longer is the world blessed with the perfect guide to show the right way. It is just like in the jungle, where strong animals mercilessly devour weak ones. You are the pride of your spiritual master, Srila Bhakti Siddhanta saraswati goswami, He invested all his hope in you, and you did not disappoint him. Rather, you fulfilled his most curious desire to print books and preach in the West, and you pleased him beyond his expectations. Thus you strongly

protected the principle of the parampara, the disciplic succession. By your expert guidance the boat of sanatana-dharma is still moving in the right direction and smoothly crossing the ocean of miseries. Please bless me so that my stupid mind does not trick me and push me to jump out of your transcendental boat. The best solution, according to experienced acharyas, is to develop a very strong attachment to pure devotees:

*Prasangam ajaram pasam atmanau kavayo viduh
sa eva sadhusu krto moksa-dvaram apavrtam*

"Every learned man knows very well that attachment for the material is the greatest entanglement of the spirit soul. But that same attachment, when applied to the self-realized devotees, opens the door of liberation." (Srimad-Bhagavatam 3.25.20) So my only hope is to try very hard to develop some little attachment to your lotus feet. Rest all depends upon you my beloved father Jai srila prabhupada

Your most insignificant servant,

Bhakta Mohit Tawri.

Bhakta Mrinal Sinha

Dear Srila Prabhupada,

I would be very thankful to have you as my grand spiritual master. I entered the temple a year back. I don't know how the world is contaminated by different sinful activity at that time. Under the guidance of you I came to know how to control the sense how to detach from materialistic enjoyment. Day by day I found a lots of changes in my chanting of "Hare Krishna mantra".

I know about what are the qualities of Krishna. Through regularly chanting and attending the Mangalarati and especially attending and accepting prasadam I found peace in my life. The way you explain each and every time in Bhagavad Gita and many other books related to the quality of Krishna is an amazing feat.

By the grace of lord Krishna, I am very happy to have you as my spiritual master.

Thanking you.

Your Servant,

Bhaktha Mrinal Sinha.

हरे कृष्णा ..प्रिय श्रीला प्रभुपाद,

मेरे शब्द स्वीकार करें. एक दिवस मेरे मित्र ने मुझे अक्षय पात्र के बारे में बताया एवं भगवान नरसिंह जी के जन्मदिन पर्व कोष में शामिल होने के लिए बुलाया यहां आकर मुझे हरे कृष्णा मूवमेंट के बारे में बताया गया जिससे मैं हर्ष से भरगया एवं मेरा जुड़ाव हरे कृष्ण मूवमेंट से हुआ। मैंने यहां पर रविवार संध्या में होने वाली आध्यात्मिक कक्षा में आना शुरू किया जिससे मैं हमारे धार्मिक कथाओं के बारे में बहुत ही सरलता से जान पाया, मैं प्रभुपाद जी का सहृदय सेधन्यवाद करना चाहता हूं कि उनके द्वारा इतने अच्छे समाज की नींव ऐसी गई जिससे हमें अध्यात्म धर्म पूजा एवं आस्था के बारे में जानने को मिला। मैं आगे भी इससे जुड़े रहने की यथोचित चेष्टा करूंगा।

सादर नमस्कार,

भक्त नचिकेत मोहंती.

Bhakta Naman Tripathi

Dear Srila Prabhupada,

I offer my respectful obeisances unto the lotus feet of my spiritual master His Divine Grace A. C. Bhaktivedanta Swami Prabhupāda, and unto all the Vaiṣṇava devotees of the Lord

Srila Prabhupada, honestly I have no credential to glorify you. I, being an insignificant person cannot find words so appropriate to glorify a perfect being such as you. However, following the custom to glorify the spiritual master at this very auspicious day, I have attempted to glorify you. Prabhupada, you have rightly stated in the CC, Madhya Lila Chapter 19, Text 151 that: "Out of many millions of wandering living entities, one who is very fortunate gets an opportunity to associate with a bonafide spiritual master by the grace of Krishna. By the mercy of both Krishna and the spiritual masters, such a person receives the seed of the creeper of devotional service. " With this spirit, I'd like to take an opportunity to express my heartfelt thanks to His divine grace A.C Bhaktivedanta Srila Prabhupada for his countless efforts to give us an opportunity to perform devotional services in the simplest form. The years keep going by, and by your mercy, I am blessed to be able to follow the basic sādhana of chanting a minimum of 16 rounds attending morning program, doing devotional services and following basic rules and regulations.

The words that you gave us in your books and lectures, letters, morning walks and room conversation are not from the material potency. In such a time, when I'm away with the association of devotees and the temple these words helps me tremendously. And now, as my faith is gradually developing by the association of devotees, my vision is also gradually becoming steady. Śrīla Prabhupāda ! Your causeless mercy, your devotees, your movement, your everything is simply wonderful! On this occasion, therefore, I am praying to my glorious spiritual master to give me strength to perform my sadhana sincerely and regularly. I offer my humble obeisances unto your lotus feet, again and again! All glories to you, Śrīla Prabhupāda !

Your Insignificant Servant,

Bhakta Naman Tripathi.

Bhakta Navaneet Sahare

Please accept my most humble obeisances at your lotus feet. All glories to beloved Srila Prabhu.

This is my humble offering to your Grace on this auspicious day of your appearance. I deeply thank Sri Sri Rada Krishna for letting you appear on this very day on earth., as your grace has done may great and extraordinary services for you. Beloved Srila Prabhupada, you are the most important person in my life, I can't imagine life without your mercy. Before I joined the Hare Krishna Movement I was drowned by maya and cursed by her veil and was a misidentified lost soul roaming aimlessly around. But by your sweet mercy I am connected to your divine self. Your Grace has kindly blessed this servant of the servant and gifted me with immense mercy that my spiritual life has actually started taking shape and a right path.

I now know who I am and what I must do. Guru deva, I am so in debt to you. What can a beggar offer to you, I only have my determination and service to offer at the dust of your lotus feet. So kindly accept it. My heart sometimes bears the pain of this material world but when I see your beautiful face and hear your soothing voice, those pains become so insignificant. Every day I do chant and try to serve you in all possible manner. I always remember my position as a servant of the servants. Please accept my imperfect service to you and give mercy to do the perfect seva for you. Please give direction in my life whenever I do offences.

All Glories to Your Divine Grace on this special day!!!!

Servant of the Servants,

Dear Srila Prabhupada,

Please accept my humble obeisance unto your lotus feet.

I bow down at the feet of A C Bhaktivedanta Swami Srila Prabhupada and greet him. After joining Hare Krishna Movement, I came to know about Bhagvad gita and i came to know who is God? and also before joining Hare Krishna Movement. I used to eat onion and garlic but now because of the blessings of Prabhupada I stopped eating onion and garlic. Now I also do 4 rounds of chanting daily and following the 4 principles. Before joining the Hare Krishna Movement I also followed Ekadasi. I like to devote my self for the temple through my work.

With the blessings of Srila Prabhupada I came to know about God and now I am able to see Sri Sri Radha Madhav. I pray that each and everyone should get the blessing of the Lord and Srila Prabhupada.

Thank you Srila Prabhupada

Your servant Bhakta Nilesh Patel.

Bhakta Nishant Saxena

All glories to Srila Prabhupada!

Please accept my most humble obeisance at your lotus feet. It has been almost eight years since I got opportunity to get associated on this divine mission and inspired by your eternal message and speeches. I still remember my first visit to Sri Jagannath Puri in this regard. Your books and presentation left me captivated and eager to delve deeper into this Supreme science. You have touched me so much by your empowered preaching and the way, I have come in association with the devotees. I have a feeling that you develop and maintain a personal relationship with everyone surely testifies to your realization of your personal relationship with Krishna. Your guidance and care for your devotees implicitly seems powerful and glorifying. It was some time ago that I was engaged in so many degraded activities. When I think of it now; I feel relieved from performing so many sinful acts. Yet you are so merciful that you have given me this opportunity of devotional service. I wish that if I could keep progressing and advancing on your enlightened path for rest of my life. Thank you Gurudeva for picking-me up and showing me there is something higher than temporary material so-called pleasure. I shall forever be in your debt.

Aspiring to be your eternal servant,

Bhakta Nishant Saxena.

Dear Spiritual Master,

A.C Bhaktivedanta Swami Prabhupada,

I offer my humble obeisance onto your lotus feet, even though I was not qualified enough to do so, but it's all your mercy that you gave me this privilege.

I'm losing myself every moment Prabhupada, but it's only your grace that I am able to continue my Krishna Conscious life. I don't know Prabhupada, that, what the next moment is going to impact on me and how it will result. Will I be able or not to rightly counter that, I don't know anything

The only thing I know is that, "I don't want to get bewildered by these material miseries" and "You are the only one who can help me to know myself.

That's why I am again and always be begging for your causeless mercy. I'm extremely sorry Prabhupada, I am unable to keep my promise, which I previously did to you. I have a guilt in me for that also) Please forgive me.

Your humble servant,

Dear Srilaprabupada,

Respectful obeisance unto your lotus feet, I a very insignificant soul on the path of bhakti is quiet immature and undeliverable. It's the mercy of you and Krishna that I am being carried away. I had been a very consistent practioner when I was in association of devotees but due to time and circumstances now I am degrading day by day. Every morning when I get up remembers your name thanking another day to serve you. I am very much inspired by your books they are just your presence in wordly form. I always think of getting things arranged around me to do some sincere Spiritual practice bounded by class of likely people around me, but due to load of getting a material position(job) as I am graduate now, I have failed doing so. Every now and then when I read or remember hearings I had in past makes me thrilled from inside as where I have come from leaving such a wonderful association of devotees in a spiritual centre of yours. Hey, guru deva please keep showering your blessings upon me so that I can continuously, without any hindrance chant and glorify lords name. Thank you.

Yours Son, Bhakta Prabhat Kumar Dubey.

Hare Krishna Dear Srila Prabhupada

when I was not coming to Hare Krishna temple. I didn't know what is Krishna consciousness when I came to Hare Krishna temple then I got to know that there is gopal sakha classes when I joined Gopal sakha classes we learn about chanting Hare Krishna maha Mantra, sloka of Bhagavad Gita, videos of lord Krishna and activities we play games of lord Krishna etc. Here I learn how to do kirtan then I learn about your teachings. When I do chanting I feel very nice. I learnt to do service. First I used to go only on Sunday but now I like to go to temple every day. I learn Narsimha kirtan. Narsimha kirtan is my favourite kirtan. Then I joined Folk class with many senior devotees. I learn many devotional activities. Now I come temple every Sunday and enjoy a lot here.

Your insignificant servant,

Dear Srila Pradhupada,

This is the great blessings for me that I come and connect with this great divine association of Hare Krishna Movement. I really feel personally a great pleasure for me when I am finding myself to observing the nature in its actual existence and also finding myself in giving the same respect to each and every living entity. This could only possible by your great teachings Srila Prabhupada. In fact we are very much blessed that we got this greatest exposure to learn our past times and follow up their great rituals. The chanting technique of meditation is such a kind that it is the very much possible easiest way to control our mind and simultaneously to connect with the supreme personality - lotus feet Sri Krishna. The words are even less for me that the greatest pleasure I experience while chanting and the strongest connective feeling of God with us in each and every time of our life. Please accept my obscene to your lotus feet my spiritual master Srila Pradhupada. A few words from your Spiritual Student.

Dear Srila Prabhupada when I came to temple for the first time I saw you and I got very confused whether your deity is this or not. When I went home I asked to mother "Is that statue real or not?". सर्वप्रथम ईश्वर को कोटि कौटि प्रणाम कि मुझे श्रील प्रभुपादजी के 123 वी व्यास पुजा के उपलक्ष्य मे अपनी बात रखने का मौका मिला। मैं आपके आश्रय मे 2 वर्षों से आ रहा हू। आश्रय क्लास और प्रभुपाद की पुस्तकों को पढकर भक्तिमार्ग मे आगे बढ़ने की प्रेरणा मिली। वैष्णवो और साधु संगत मे रहकर अपने आप को सुधारने मौका मिला। कृष्ण भावनामृत से जुडकर मेरी एक पेहचान बनी। आज 20 महामंत्र का जाप, सभी एकादशी व्रत सभी आर्वीभाव और तीरोभावको जानने का मौका मिला। और ज्यादा से ज्यादा सेवा करने का अवसर प्राप्त हो रहा है ये सब प्रभुपाद का आशीर्वाद है। कोशिश यही है कि आखरी दम तक ज्यादा से ज्यादा सेवा कर पाऊ। अंत मे जिनके भी वजह से मैं इन सब चीजोंमे मन लगा पाया उन्हें भी कोटि कोटि प्रणाम।

हरे कृष्णा प्रभुपाद यह हमारा परम सौभाग्य है कि हम आप को गुरु के रूप में प्राप्त कर सके। आपका ज्ञान हमारे जीवन को एक नई दिशा और ऊर्जा प्रदान करती है। आप का ज्ञान हमें बताता है कि मनुष्य जीवन और पशु जीवन में क्या अंतर है। अगर हम मनुष्य जीवन में भी केवल पशु के समान खाने और कमाने में व्यर्थ करें तो मनुष्य जीवन का अर्थ ही क्या है। ऐसा ज्ञान हमें आपकी अमृत वचनों से मिला है। कृष्णा भक्ति का सुख केवल मनुष्य जीवन में प्राप्त किया जा सकता है। और अन्य किसी योनि में नहीं इसलिए हमारे जीवन का एक-

एक क्षण बहुत ही महत्वपूर्ण है। इसे क्षणभंगुर भौतिक वस्तुओं के पीछे बर्बाद नहीं करना चाहिए। हमारे जीवन का में आध्यात्म और ईश्वर प्रेम के बीज बोने के लिए हम आपके सदा आभारी रहेंगे। धन्यवाद

गुरुदेव आप को पत्र लिखते हुए मुझे अत्यधिक हर्ष का अनुभव हो रहा है

इस दौरान मेरे जीवन शैली में महत्वपूर्ण परिवर्तन हुए जैसे मानो मेरे जीवन जीने का तरीका बदल गया चाहे वोखान पान, सकारात्मक सोच, और आत्म शुद्धि के लिए 16 माला जाप के माध्यम से कृष्ण भावनामृत में जुड़ने का सौभाग्य प्राप्त हुआ

जब मैं आपसे जुड़ा तब मेरे मन में बहुत से प्रश्न थे जो मुझे विचलित कर रहे थे

गुरुदेव आपसे जुड़ने के बाद आप की किताबें पढ़कर प्रभुजी के मार्गदर्शन का अनुसरण कर मेरे सारे प्रश्न के उत्तर मिलगया जिससे मेरी सारी सुभिधा दूर हो गया

My Dear Srila Prabhupada,

You have very nicely and poetically described the dark condition of material existence in your books. The spiritual master delivers us from this dark condition by carrying with him the shining lamp of knowledge.

It's a fact that by always serving guru, the disciple is situated in transcendental bliss beyond the chaotic bewildering condition of material existence.

There is nothing that pleases the spiritual master more than to see his disciples steadily advancing in Krishna Consciousness. In fact, all our activities in devotional service are for this purpose.

श्रील प्रभुपाद की जय,

मैंने जब मंदिर जाना चालू किया तो मुझे कुछ भी एहसास नहीं हुआ लेकिन धीरे धीरे कुछ दिनों बाद मुझको प्रणाम करने तथा भगवन को प्रणाम करते करते मन में श्रील प्रभुपाद के प्रति भक्ति और श्री राधाकृष्णाचन्द्र जी में ध्यान लगाना चालू किया। शुरुआत में मैंने १ या २ माला का जप करना चालू किया फिर ४ माला तथा उसके बाद ८ माला हरे कृष्णा महामंत्र का जाप करने का प्रयास किया और अभी मैं प्रत्येक दिन १६ माला का जाप करता हूँ तथा प्रभुपाद की पुस्तकों का अध्यन करता हूँ जिससे मेरे अंदर प्रभुपाद की कृपा से परिवर्तन आने लगा है। जब मैं मंदिर आना चालू किया था उस वक्त मुझमे बहुत बुरी आदतें थीं तथा इन आदतों को छोड़ने का बहुत प्रयास करता था लेकिन असफल हुआ। फिर जब से मैंने मंदिर जाना , प्रभुपाद की पुस्तक पढ़ना, तथा हरे कृष्णा महामंत्र का जाप करना प्रारम्भ किया तो ये बुरी आदतें धीरे धीरे अपने आप खत्म होने लगी और प्रभुपाद की कृपा से अब मैंने सारी बुरी आदतों को छोड़ दिया है। प्रभुपाद की कृपा से ही मेरा जीवन में परिवर्तन आया है तथा अब मैं पहले से स्वस्थ रहता हूँ। इस तरह मुझमे गुरुदेव के प्रति और श्री राधाकृष्ण चंद्र की सेवा करनेकी भावना बढ़ी। प्रभुपाद के कृपा से ही मैं सुबह ४ बजे उठ जाता हूँ तथा हफ्ते में २ से ३ दिन मंगल आरती और मंदिर में मनाये जाने वाले त्योहारों में भाग लेता हूँ। अब मंदिर नहीं जाने से अजीब सा लगता है। यही प्रभुपाद के कृपा का फल है। जिससे मंदिर जाने पर साधु संत के साथ भजन कीर्तन में शामिल होने पर आनंद महसूस होता है और इस तरह प्रभुपाद की कृपा से कृष्णा भक्ति की ओर मन लगा रहता है। ये श्रील प्रभुपाद की कृपा ही है जिससे मुझे मेरे जीवन में इस प्रकार का परिवर्तन का एहसास होने लगा है।

श्रील प्रभुपाद के आशीर्वाद से अब मेरे घर परिवार में सुख समृद्धि तथा शांति का अनुभव होने लगा है। मैंने कभी नहीं सोचा था कीश्रील प्रभुपाद के आशीर्वाद से मेरे अंदर इस प्रकार के परिवर्तन हो जायेगा जिससे मई कृष्णा भक्ति तथा प्रभुपाद की पुस्तकों का अध्ययन कर सकूँगा। मैं श्रील प्रभुपाद तथा श्री कृष्णा से प्रार्थना करता हूँ की मेरे ऊपर आपकी कृपा सदा बानी रहे।

Dear Srila Prabhupada,

Hare Krishna.

Please accept my humble obeisances unto the dust of your lotus feet.

Prabhupada, I am not worthy of writing this Vyas offering to you, however please accept this like how a father accepts mistakes of his ignorant, immature child. I have completely made my spiritual life go haywire: No association, no prasadam, nothing. Every time it is a perpetual fight between conscience and false ego these days. What I have developed in this course of time is guilt. Continuous association with materialists has provoked the material-devil from within. I am not able to complete my vowed rounds of chanting also. Some days have passed without chanting even a single round, nil. Alienating myself from the association in which I was there for almost four years has developed a constant fear-the first and foremost characteristic of a karmi. Neither have I been associating with you in your books, nor am I offering prayers. It's like I have completely detached myself from you. Please show some mercy on this fallen, aspiring disciple of yours.

Hare Krishna.

I offer my respectful obeisances unto my spiritual master who has opened my eyes blinded by the darkness of ignorance, with the torchlight of knowledge.

Dear Srila Prabhupada,

You opened my eyes to the wonders of the absolute truth- Lord Krishna, the Supreme Personality of Godhead. You opened my heart to the infinite mercy, and unlimited ocean of bliss contained in the Mahamantra. You opened my mind to the transcendental knowledge of Bhagavad-Gita, Srimad-Bhagavatam, and other spiritual literature, and most of all you opened my heart and filled it with love, compassion and hope. Srila Prabhupada, you saved me from a life of misery and ignorance. You gave me hope. By your mercy the seed of bhakti was planted in my heart, and from that moment there was no turning back. I continue to stumble and succumb to the illusory energy, but by your grace I have never lost faith and hope. Each day of my life I am feeling so much gratitude and appreciation for being led by you into the light of Krishna Consciousness. Please accept my tears of loving gratitude at your lotus feet which are my only shelter. You are my eternal savior, protector, teacher. Please allow me to serve you life after life.

Respected Srila Prabhupada

It is my good fortune and blessing that I came in touch with you when I was looking for my role as a Akshay patra volunteer Sri Vyompada Dasa prabhu, president of Bhilai temple, introduced you to me as founder of International Society for Krishna Consciousness. He gave me various books of yours and through them I came to know the great works of yours and how you started the ISKCON movement, wrote so many books, opened temples, and rural communities, and travelled around the globe to teach, preach and inspired a large community of dedicated followers.

These followers are now inspiring others at a global level to bring about positive changes in world according to your techniques of ancient Vaishnava culture.

The devotees you created out of ordinary materialistic population are one of the greatest gifts of yours to our present generation. With 6000 annual festivals, Sunday feasts, sankirtans, contact programmes, your followers are systemically

propagating Krishna consciousness among the ignorant population engaged in just working day and night to achieve some success but never a happiness in real sense.

Today approx. 1.7 million poor children in government schools are fed with healthy, sanctified prasaadam lunch, six days a week through Akshay Patra foundation, an endeavor of ISCKON devotees.

These are few examples of how you inspired devotees to carry out the legacy of your vision to glorify Krishna throughout the world. I recently saw the incidence of an amazing seva that was done in Puri Odisha, during the Ratha Yatra. A full meal prasadam was served to lakhs of Krishna bhaktas who were part of the Ratha Yatra crowd, by your devotees in recently concluding Ratha Yatra, which marks another land mark in your honour every year.

The type of personality your followers possess and the generosity and conviction they reflect in their behaviour has influenced thousands of young men and women, who have started loving to observe the four basic principles you laid down for Iskcon followers.

They now love to chant the Hare Krishna mahamantra and are so much thankful to you for giving the gift of holy name, which the major population has forgotten.

Your followers give world a message of living in peace and tranquility in harmony with simple and natural way of life.

They don't go to himalayas to do tapasya for liberation of their individual soul, they stay in this materialistic world, risk their own integrity, sell your books, go door to door to make people realize the importance of Krishna consciousness.

Your teachings of servitorship, realization of existence of spirit soul in each living entity, vaishnav vegetarian delicacies, offering food to Lord before eating, translation of Bhagvad-gita, and many more efforts of yours have helped systematic propagation of spiritual knowledge in society in most scientific way.

All these are actually the need of the hour to bring peace of mind to every individual who accepts Krishna consciousness and finally to world population as a whole.

Dr Thomas j Hopkins stated during 50 th anniversary of iskcon at harward universitys centre for world religion that you are one man channel for entire culture and religious tradition and added that there is no clear parallel to your achievements in history of world religion.

We all well wisher and follower of iskcon sincerely pledge to follow your principles strictly to develop into a better human being, to complete our part of journey in this world glorifying your achievements and making people realise and appreciate your works and sacrifices and through your holy name finally realise and glorify eternal Krishna.

Because you always reminded your devotees that you have brought them good fortune now its their turn to create good fortunes for others.

Being fortunate to be born in a developed conscious species of human form with intellectual brain function, I must offer my respect and gratitude to an enlightened person like you,

I wish to always keep my faith and enthusiasm intact and growing with time in Krishna consciousness and for this I shall always be indebted to you.

My dear Srila Prabhupada,

Please accept my humble obeisances. All glories to Srila Prabhupada.

I am most fortunate to have come across your teachings, and this great congregation that you built and nurtured. Life and its purpose would have eluded me had I not come in contact with your teachings. Past six years from my college days I started taking interest, but with your mercy I was able to read Bhagavad-Gita, and understood the importance of confining oneself to only your teachings. This is the only science, the only ethics that I have known. Life is not an animal life to only respond to pleasure or pain, but to chant the Mahamantra at your lotus feet, and be humble to all. This is greatest message I can derive from your teachings with my limited knowledge. Though I am imperfect like a clay, but sadhana one day will definitely make me of some service to you. Till then serving you with my drawbacks is the only solace for me. I am sure my lord you will continue to guide me. Life is not an intellectual pastime, but a path of renunciation and reformation.

Thank you for the mercy you have showered on me.

Bhakta Satanand Tiwari

All glories to Srila Prabhupada,

Dear Srila Prabhupada.

Please accept my humble obeisances unto your lotus feet.

I know that I am not yet qualified to call myself your disciple, but I am trying sincerely to follow the path which you have laid down for us.

I was living in this material world which is full of suffering and ignorance. I had absolutely no idea of good or bad. It was in the year 2014 when first time I came in touch with your Hare Krishna Movement. From that day onward, I am continuously enjoying spiritual life.

Then I involved myself in the activities of the temple. The biggest gift that you have given me is the association of devotees. Participating in the different activities of the temple, and celebrating festivals is purifying me and encouraging me to become your disciple.

Your humble servant,

Bhakta Satanand Tiwari.

this path unhindered and unfazed.. Please give your blessings so that I can serve your disciples. May all the people benefit from this movement, and the problems of life be solved with the Krishna Consciousness Movement.

Hare Krishna.

Prabhupada is the one who brought knowledge, bliss and light to my life.

Before knowing about Prabhupada and his mission, I was in search of a spiritual master who can guide me to real happiness in life. When I heard the voice of Srila Prabhupad, I got attracted to him and his teachings. His way of explaining is very direct and simple. The society he created, and the way of interacting with the devotees society through lectures, kirtan and prasadam is very attractive. No one can imagine being spiritual is so much interesting.

My dear Srila Prabhupada,

Kindly accept my humble obeisances at your lotus feet on this auspicious day of Vyas Pooja.

All glories to Srila Prabhupada.

I feel very much grateful that you have shown mercy on me as a spiritual teacher. I have been in the touch with Hare Krishna Movement for almost three years now. Your institution has provided us a lot of opportunities to serve you by taking part in sankirtana, harinam japa, dancing, hearing Bhagvatam class, and honoring prasadam. But due to my anarthas, I am attracted towards unwanted, undesirable materialistic things. Hence, I am not qualified to serve you at my best. Please Prabhupada, show your mercy on me so I can serve you up to your satisfaction.

Your humble servant,

Bhakta Shubham Dwivedi.

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet,

All glories to your divine grace.

I had the great fortune of coming in contact with the devotees, and was inspired by their enthusiasm and cordiality. You taught me the philosophy, "We are not the body, we are spirit soul" which is an impetus to lead a meaningful life. By reading through your books one can easily understand who is god. I realized that by all your teachings that god is seated in all our hearts. I realized the real meaning of happiness, and purpose of our life. I enjoy the kirtan and dancing with devotees, and it brings piece in my mind. By your personal example you showed us how to stay out of clutches of the maya and this you always emphasized is possible by staying in spiritual touch with the spiritual master. You have taught us how to establish spiritual connection with Lord Krishna through constant meditation on chanting the holy name of the Supreme Lord. Your great teachings have inspired me in many ways; right from learning about the glories of Krishna to purpose of our life. As always stressed upon by you, I am regularly chanting Hare Krishna Mahamantra from past two years, and feel relaxed and this in turn helps me concentrate on my studies.

Thank you my spiritual master.

Hare Krishna,

Dear Srila Prabhupāda,

Please accept my sincere obeisances.

I still remember the day when with a heavy heart I visited the ISKCON centre in Bhilai in search of the true meaning of my existence. There was a frustration within me that kept on quelling as to what should I do to ameliorate the sufferings of poor people around me. A voice within me kept on questing my motives of helping people, and my long inaction in this direction despite my strong desire to do something.

Frustrated with not getting right answers to my questions, I decided to visit ISKCON in the hope of getting some answers. With my visit to the ISKCON centre in Bhilai, I met the personality of Srila Prabhupada. The more I visited the center and engaged with devotees, the more I started feeling your grace and love.

I want to thank you, and offer my deepest gratitude for providing us this path of serving his divine grace Lord Krishna. There cannot be any better gift to human kind than providing a path to spend our life on earth in the service of Lord Krishna, and you reverend Prabhupad provided us with this opportunity. There are multitudes of paths to spirituality, but in your teachings I have found rationality to which this ever inquisitive mind gets satisfied.

Dear Prabhupad the message you have provided through your writings are like gems to an inquisitive spiritual mind. Your writings are the guiding principles to overcome the influence of maya, and lead a spiritual life.

Please accept my deepest regards

Your humble servant,

Bhakta Shubham.

Dear Srila Prabhupada,

I am a very aspiring disciple of yours. First of all I would like to thank you a lot, because of your guidance, my life has become disciplined, and I am surrendered to Lord Krishna. Your hard work for providing us the knowledge how to get rid of this material world has inspired me, and changed me a lot. Whenever I get tired I think of you that if you could work at the age of 70 with a such enthusiasm and energy, then I can also do a little bit for Krishna. Dear Prabhupada, my aim is to become an IAS officer so that I can serve Krishna as well as a serve people in this material world. My wish is to top in the exam so that I can make everyone understand that hard work is not only the key to success, but the blessings of Lord Krishna is also a necessary part to achieve anything in the life. I want you Prabhupad, to help me in my mission by giving me right knowledge about what to do and when to do the things. This knowledge will help me to in the services for Krishna, as I could build temples in the areas and regions where Srila Prabhupada's movement is not established, and inspire them to serve the lord. I am always thankful to you, because you are the one who has given me guidance to do the right things. At last I would like to say that whatever I do in this life, I will always be surrendered to Krishna, and grateful for providing an institution for practicing Krishna Consciousness . Please Prabhupad, make me humble, and give me your blessings so that I can cross the ocean of material suffering and enter Goloka Vrindavan where I could serve Krishna with all my best efforts.

Prabhupa by your mercy I can understand who really Krishna is. My regular visits to the temple, and association with the devotees has helped me understand the bonding of a bhakta and lord. By coming regularly to the temple and doing devotional service, we can get connected with the Supreme Personality of Godhead.

By joining Akshaya Patra, I have seen many changes in myself like how to handle some difficult situations, to suppress anger. Here I have got knowledge how to be krishna conscious. I am very very thankful to Krishna in helping me to change myself, and to live life in a very conscious manner. Please accept my humble offering dear Prabhupad

आदरणीय गुरु देव

मैं विगत चार वर्षों से आपके चरणों का दर्शन कर रहा हूँ आपके सानिध्य में और आपके निर्देशों का पालन करने की कोशिश कर रहा हूँ।

हमारा आज का जीवन और चार वर्ष पहले का जीवन जब हम तुलना करते हैं तो हमें अपने आप पर ही ऐसा सोचने पर लगता है कि हमारा क्यों उतना बहुमूल्य समय व्यर्थ चला गया।

परन्तु जब हमें आपका सानिध्य मिला तब सब भूल कर ऐसा लगता है हमें इस जन्म के उद्देश्य को सार्थक करना है यह तभी संभव है जब हमें आपका आशीर्वाद प्राप्त होगा।

इसलिए प्रभुपाद हम आपके निर्देशों का पालन कर आगे बढ़ने का प्रयास कर रहे हैं। श्री चैतन्य महाप्रभु ने कहा है -

हमारा जन्म भारत भूमि में हुआ है तो इस जन्म को सार्थक कर करो उपकार

यह करने का आपसे संकल्प करते हैं और हमें अपने चरणों का दास का दास का दास बनाने की कृपा करें।

आपके चरणों का दास, उमेश तिवारी.

His Divine Grace A.C Bhaktivedanta Swami Srila Prabhupada, kindly accept my humble obeisances.

I am a fallen conditioned soul. I have never seen the Supreme Personality of Godhead Lord Krishna, nor did I know anything about spirituality. My entire belief in Krishna, the Supreme Personality of Godhead, is based on the belief and conviction of Srila Prabhupada. Srila Prabhupada's unflinching faith in Krishna, and the words spoken by him on his departure leaves

me spellbound, and makes me wonder what could be Srila Prabhupada's vested interest in glorifying Krishna, and requesting us to be Krishna Conscious. Srila Prabhupada has taught me the 'religion' that is 'dharma' of a human being-which is to serve Krishna. I never knew the significance of temples, deities and prasadam.

I just wish His Divine Grace chastises me enough so that I can go mend my faulty ways and dedicate my entire life and soul in the service of Prabhupad and Krishna, and go back home, back to Godhead and achieve liberation not just for myself, but for all who have been part of this life's journey, and above all get Krishna Prema.

your humble servant,

Dear Srila Prabhupada,

I was set to go into the darkest regions of hell, I had no conception about the Supreme Personality of Godhead, his position, our position.

Prabhupada your Divine Grace teachings, books, kirtans and other activities, which all change my view of God.

Your mind and intelligence is always fixed on serving lord Krishna (only) and the Spiritual Master.

This transcendental organization is a result of your intelligence and it eternally belongs to you.

Please excuse me for all offences that I have been committing, bless me and whole world with the Spiritual Master's strength and I dint commit any offence and I have strong faith in the Holy name of Lord Krishna. Jay Srila Prabhupada!

Dear Srila Prabhupada,

Please accept my humble obeisance's unto your lotus feet.

I am very much grateful to our temple devotees who have given me this great opportunity to express my heartily feeling in regards to the knowledge and methodology provided to us for the sake of practicing devotional life as mentioned in Vedic Literatures.

I came in contact with your established organization 5 years back, that time I remember I used to be very much disturbed with my personal and social life with no end solution, but after that day to till date I have somewhere become more stable in my thoughts and actions which helped me a lot in understanding the reality of life usually due to which outside people always used to struggle with in their life.

Got "Hare Krishna MahaMantra" which is complete in its own and which can actually solve all material problems if done under proper guidance. Came to know what actually a "TEMPLE" mean whether it's through listening Bhagavatam, Kirtan or whether it is association with devotees, in every way I found myself more satisfied and happy.

At the end I am praying to your lotus feet to make me consistent enough to not get carried away by material distractions and not leave your association through your literatures and teachings. Jai Srila Prabhupada !!!!!

Your Servant, Bhakta Vishal Singh.

On the occasion of Vyasa Puja offerings, I, the under-mentioned, very humbly put before your good self that though I had come in association with your movement since few years back, still I am not fully involved due to either my incapability or lack of dedication. I am trying my best to get involve fully in the service of Lord Krishna for which I need your blessings and support. Though I used to go to Krishna temples for worship earlier also, but the path to reach the final destination i.e. the vaikunta dhama, became clear by following the direction board set by you for the sinful persons like me. परम आदरणीय, गुरु श्रीला प्रभुपाद जी सादर प्रणाम

आदरणीय गुरुदेव मैं पिछले 2 साल से आप के आश्रय में स्थान बनाने का प्रयास कर रही हूँ। आपके आशीर्वाद से मंदिर आना और साधु संगति करने का अवसर मिला है। मैं बहुत ही भाग्यशाली जीव हूँ कि मुझे आपके जैसे गुरु मिले। मुझ जैसे पतित पर अपनी कृपा दृष्टि बनाई जिससे मैं भगवान श्री कृष्ण के बारे में जान सकी। हरे कृष्णा मूवमेंट से जुड़ने के बाद मुझे श्री कृष्ण, कृष्ण भक्ति एवं धर्म कर्म की वास्तविकता का ज्ञान प्राप्त हुआ। जब से मंदिर में प्रवेश किया और उस दिन से मेरा जीवन ही बदल गया। आपके आशीर्वाद से यह पता चला कि हम सभी जीव परम पुरुषोत्तम भगवान श्री कृष्ण के अंश हैं। कृष्ण भावना मृत आंदोलन से जुड़े रहने में आप की पुस्तकों ने मुझे बहुत सहारा दिया है।

हे गुरुदेव मेरी सहायता कीजिए कि मैं प्रतिदिन हरे कृष्ण महामंत्र की 16 माला का अच्छे से जब कर सकूँ और आपके बताए हुए 4 नियामक सिद्धांतों का पालन कर सकूँ। हे गुरुदेव मुझ पर अपनी कृपा दृष्टि बनाए रखें ताकि मैं कृष्णभावनामृत से अच्छी तरह से जुड़े रहूँ।

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet,

I'm a student of class 7 and coming from one year. I had seen much change in my life style and behavior even in my daily routine. As I was a student, I am attending gopal Sakha classes (Sunday classes). I am learning here much knowledge and feel proud that I am offering to Krishna and I am thinking how fortunate I am.

Always try to control my emotions and be humble. I also ask my friends and relatives to come here and enjoy real life in Krishna consciousness. Earlier during free time I usually spend on T.V. mobiles and chatting with friends. But Prabhupada gave me an opportunity to correct it. Now I usually read Prabhupada books ,try to understand Bhagvad gita, chanting, Knowing about Krishna and his devotees and feel really that I am using my life properly and also I am focusing in my studies well .I always take part in the festivals here.Finally, I had seen much more changes in me. There is so much to talk about Krishna and my experiences.There is no word to describe him.

कभी अहंकार और क्रोध से भर जाता है जिसके कारण मन विचलित हो जाता है तथा हमारे आसपास रहने वाले लोगों को आहत कर देता है। जबकि एक वैष्णव को बहुत ही शील और विनम्र होना चाहिए लेकिन हमेशा ऐसा नहीं हो पाता गुरुदेव आप मुझे इस तरह के पाप से बचाइए और आप अपनी कृपा हम पर हमेशा बनाए रखिए ताकि हमारी भक्ति दिनों दिन बढ़े और आपकी सेवा में सदैव तत्पर रहे और त्रुटि के लिए शमा प्रार्थी

प्रभुपाद जी मैं पिछले 2 वर्ष से आपके मंदिर से जुड़ी हुई हूँ। मैं पूरी कोशिश करती हूँ कि आपके निर्देशों का पालन पूरे भक्ति और समर्पण से कर सकूँ। कृष्ण भाव और समर्पण में आपकी पुस्तकों ने बहुत ही प्रोत्साहित किया है। कि प्रत्येक जीव को कृष्ण के शरणागत होना चाहिए। श्री कृष्ण शरणागत के योगक्षेम को तुरंत वहाँ करते हैं। भगवान पर अचल विश्वास करना चाहिए।

हे सर्वसमर्थ जगदीश मुझे भौतिक सुख से ज्यादा केवल जन्म जन्मांतर में आपकी अहेतुकी भक्ति ही चाहिए।

Please accept my humble obeisance at your lotus feet. All glories to Srila Prabhupad.

Every year I get a chance to say countable words about your uncountable and unreplineshable mercy which I hardly deserve. After daily prayer with these lines "Sri guru karuna sindhu, adhama janar bandhu, lokenath loker jivana, ha ha prabhu koro daya deho more pado chaya, ebe yash ghushuk tribhuvana", it gives immense strength to my faith that whatever happen in this life you'll be there for me every time , everywhere and this will be not because of I pray so nicely but only cause of your greatness to forgive rascal people like me. And not only forgetting but also giving golden opportunity to enchant lords holy name again and again, even if I trouble you a lot with my foolish acts. Oh guru deva there is no words to explain your highness. I am so ineligible and undeserving to stand in front of you but due to your boundless mercy you let me to offer flower to you too. I promise you dear Srila Prabhupada I will surely stick to the path you guided me to follow, but please guru deva don't let me alone I am your idiot little girl child, I need you forever. I don't know either how to surrender, only thing I know is I am yours and you are mine.

परम पूजनीय श्रीला प्रभुपाद

आपके चरण में शत कोटि प्रणाम। आपके कारण मुझे नया जन्म मिला। आपका अभिर्भाव अगर नहीं होता तो मैं कलियुग अंधकार में पड़ी रहती। आपके कारण मेरा हृदय का चेतना जागृत हुआ। पहले मैं कुछ नहीं जानती थी, ये तोबिल्कुल नहीं जानती थी कि कृष्ण परमेश्वर भगवान हैं, कृष्ण का पूजा करने से सब देवता का पूजा हो जाता है। आपने सिखाया प्रातः साढ़े चार बजे उठना, जाप करना, मंगलार्ती में आना, भगवान को भोग लगा के प्रसाद पाना, और हरवक्त भगवान का चिंतन करना। भगवान श्रृष्टीकर्ता हैं, ये सब कुछ मैं नहीं जानती थी, सब आपकी कृपा से मैंने आपके शरण में आके जाना। ये भी नहीं जानती थी कि मैं कौन हूँ, मनुष्य रूप में मेरा जन्म हुआ, लेकिन मुझे क्या करना चाहिए, आपकी लिखी हुई किताबें पढ़के मैंने ये जाना की मैं एक आत्मा हूँ, भगवान का अंश हूँ, और मेरा जन्म हुआ है भगवान का सेवा करने के लिए। मैंने अपना जीवन आपके चरणों में खुद को सम्पूर्ण रूप से समर्पित किया है, और आपके ऊपर मेरा पूर्ण विश्वास है, और रहेगा।

आपके व्यास पूजा में मैं यही शपथ लेती हूँ कि मैं आपके शरण में रहूंगी, और आपके प्रशंसा में मैं और क्या लिखूँ, आपका जितना प्रशंसा मैं करूंगी उतना ही कम है, आपकी कोई तुलना नहीं है। मैं आपके चरण कमलों में सादर प्रणामकरती हूँ, आपका चरण से मुझे कभी वंचित नहीं करना। अगर मुझसे कुछ गलती हो भी जाए तो मुझे क्षमा करना।

आपकी कृपा धन्य,

भक्तिन लतिका भक्तिदेवी दासी.

प्यारे पप्रभुपाद,

आपके चरणों में कोटि कोटि प्रणाम। अज्ञान के ओर अंधकार में मेरा जीवन व्यतीत हो रहा था। आपके आश्रय लेने से मुझे ज्ञान का प्रकाश मिला और शांति की प्राप्ति हुई। मेरे पिछले जन्मों में न जाने मैंने कौन से पुण्य किये थे। जिसका फल सवरूप आपका शरण प्राप्त हुए। ये तो आपकी करुणा है जो आपने मुझे अभिज्ञान पर बरसे हैं। कृपा कर सदा मुझे भगवान और आपके और वैष्णवों की सेवा में लगाए रखें जिससे मेरा कल्याण हो।

Dear Srila Prabhupada please accept my humble obeisances unto your lotus feet.

I, S. Mrunalini, a student of class 6 would love to write to you. I love to go to the Gopalsakha club of Hare Krishna temple it all started some years ago maybe two or three years ago, one fine morning somebody told me about Akshaya Patra and Hare Krishna temple and it's Gopalsakha club and culture camps etc. I found it interesting and decided to give it a try, the first class I couldn't understand anything but slowly and gradually things were understood by me.They were spiritual and I liked it then I started attending festivals and the habit of chanting came into me slowly. I could concentrate in my studies. I spent some more time in devotional service. I feel everything is changing inside me, all because of Gopalsakha club of Hare Krishna temple. There in the Gopalsakha club we are taught many things in a fun manner. We all love those classes and enjoy them a lot. Each festival has a unique celebration here. The deities of the main temple are very attractive. Devotees decorate the deities beautifully. When someone comes here a feeling of spirituality enters them. I also changed and I am changing and will always like to change into a humble, peaceful, kind, happy, clean, spiritual person.

All thanks to you Srila Prabhupada who did all this for the people. Thanking You.

Your servant, Bhaktin Mrunalini.

श्रीला प्रभुपाद की जय

स्वामी प्रभुपाद के बारे में हमें बहुत जानकारियां मिली पर जब हम मंदिर जाना शुरू किए तब से हमें बहुत ही ज्यादा अनुभव हुआ कि वह प्रभु हमें कितना अच्छा सिखाते हैं ह में हमेशा शांति मिली तथा मन में बहुत ही खुशी का एहसास हुआ। हमहमें हमेशा कृष्ण का ध्यान लगाते हैं तथा कृष्णा हमारे जीवन शैली का आधार बन गए हैं। इस प्रकार हम एक प्रकार से कृष्ण का चित्र सामने बनने लगा। इस प्रकार हम हरे कृष्ण महामंत्र का जप करने लगे। हम कृष्ण को भी अपना सब कुछ मानने लगे इस प्रकार हमें मंदिर आने का बहुत ही अच्छा महसूस हुआ। हमारी इस जीवनशैली को मैं बहुत ही अच्छा मानती हूं हम कीर्तन करते हैं कीर्तन बहुत ही अच्छा लगता है हमारे मन को मोह लेता है हमने प्रभु के बारे में बहुत किताबें भी पढ़ी पर जब हम वहां गए तो वाकई में समझ में आया कि हां प्रभु की वास्तविकता क्या है प्रभु हमें जीने का तरीका सिखाएं हमने ध्यान लगाना सिखाए। हमारी इस रूपरेखा को हम बड़ा ही त्याग पूर्वक प्रभु की आरती करते हैं।

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to your divine grace.

I wish to present this short writing prepared on the occasion of the Vyasa puja 2019 for your pleasure according to my understanding and your position for my own purification.

I am not the regular and a strict follower of ISKCON purely but I try and manage to accept the rules and principles made by you.

The principles made by you are the real things which need to be implemented in one's life to grow in the field of Krishna consciousness.

"O Great Spiritual master" you are having all the transcendental qualities of a pure devotee. I am blessed that I got in connection with ISKCON and learnt the difference between a body and a soul.

Make myself progress in the field of Krishna consciousness in the kaliyuga to reduce my sin and join bhakti movement.

Srila Prabhupada I could consider myself very fortunate to have received your causeless mercy, by which I have got shelter in your movement and I can get the opportunity to serve Krishna and to associate with your sincere servants.

प्रभुपाद जी की शरण में आकर मेरे जीवन काफी परिवर्तन आया है। मैंने शुद्ध भक्त और भक्ति के बारे में जाना पिता व मां अपने बच्चों में भेद कर सकते हैं वे अपने बच्चों को कम या ज्यादा प्यार कर सकते हैं। परंतु एक गुरु कभी भी अपने शिष्य रूपी बच्चों में भेद नहीं करता। वह सबको समान शिक्षा देता है समान प्यार देता है तभी गुरु को भगवान से भी ऊंचा स्थान दिया गया है। मैंने अपने जीवन में काफी फर्क देखा भगवान के प्रति मेरी आस्था और बढ़ी व गहरी हुई। मुझे ऐसा लगता है कि जब कभी भी मैं अगर कुछ गलत कह रही हूँ या कर रही हो तो एक शक्ति जो मुझे ऐसा महसूस होता है कि प्रभुपाद जी की है गलत करने से रोक लेती है। प्रभुपाद जी मेरी सदैव यही प्रार्थना है कि संसार रूपी यह भवसागर में वह मेरी नाव को हमेशा पार ले जाने में मेरी मदद करते रहे।

Dear Srila Prabhupada,

Please accept my humble obeisance unto your lotus feet. I feel immense pleasure as I write my heartfelt thanks to our Spiritual Master A.C. Bhaktivedanta Swami Srila Prabhupada. I feel blessed Prabhupada to get your guidance to reach the saviour of the whole world Lord Sri Krishna. I use to worship Lord Krishna but His true being was understood only when I came in contact with you Prabhupada. You as Spiritual Master has shown us various colours of Krishna and has made us aware about the essence of chanting the Holy Name. It has really made a difference in many ways. I feel very positive and enthusiastic , even though facing the hurdles and difficulties that we experience. Chanting has brought a lot of positivity and made us realize that that everything happens for a reason. God has made plans for us and His plans never fails, we have to trust upon Him and have patience. Srila Prabhupada made me realise Lord Krishna is always there for me no matter what the situation is.

जय श्रीला प्रभुपाद,

वैसे तो स्वयं को जानने की प्रक्रिया में कई मतों से मेरा परिचय हुआ किंतु संतुष्टि की हमेशा कमी रही। लेकिन जब मैं स्वामी प्रभुपाद के विचारों से मेरा परिचय हुआ मेरी जीवन के प्रति दृष्टिकोण ही बदल गई। स्वामी प्रभुपाद के ज्ञान से परिचय के पहले मैं सोचती थी कि इतनी व्यस्त जीवनशैली में स्वयं को भक्ति से कैसे जोड़ों पर जब से स्वामी प्रभुपाद से परिचय हुआ और 16 माला जाप तथा कृष्णा की सेवा करने लगी तब से यह आभास हुआ कि व्यस्त जीवनशैली में भी स्वयं को भक्ति की ओर ले जाकर स्वयं को जाना जा सकता है और अपने जीवन को बेहतर बनाया जा सकता है। जैसे एक एक मोती से एक सुंदर माला बनाई जाती है मुझे भी ऐसा लगता है कि स्वामी प्रभुपाद के द्वारा बताए गए नियमों भी हमारी जीवन के लिए एक खूबसूरत मूर्ति दिया जा सकता है माला जाप करना कीर्तन करना और परिक्रमा यह सारे क्रियाकलाप मन को एक असीम शांति का अनुभव कराते हैं जो आज के जीवन में भी प्रासंगिक है और सामाजिक दृष्टिकोण से आवश्यक भी है।

हे गुरुदेव,

काली युग के इस कलहपूर्ण जीवन में आपके सानिध्य में आकर मुझे मालूम हुआ की आप जैसे गुरु के द्वारा ही इस भौतिक जगत में भगवन के चरण कमलों का ध्यान पाकर इस दुःख भरे भवसागर में सुख पाया जा सकता है। मेरे जीवन में आपका आना , मेरे द्वारा भगवन का पवित्र हरिनाम जप करना इस संसार में मेरे द्वारा किये गए पापों को कम करने तथा भगवत धाम जाने का एक मात्र उपाय है। मुझे मालूम न था की ईश्वर कौन है , यह भी ज्ञान मुझे आपके द्वारा ही प्राप्त हुआ है। न जाने में कितने देवी देवताओं के पूजा उपासना में लगी रहती थी अब मुझे ये ज्ञात हो गया है की पूर्ण पुरुषोत्तम श्री कृष्णा ही एक भगवान है और आप मेरे परम पूज्य गुरुदेव है इसी तरह अपनी कृपा मुझ पर बनाये रखे।

आदरणीय प्रभुपादजी

आपके श्री चरणों में मेरा कोटि कोटि प्रणाम।

हे प्रभुपादजी, सबसे पहले तो मैं भगवन को धन्यवाद प्रदान करती हूँ की इस जीवन में उन्होंने मुझे आप जैसा गुरु प्रदान करके मेरे इस मनुष्य को सफल कर दिया। आपके आशीर्वाद और कृपा के कारन ही मुझे कृष्णा भावनामृत संघ परिवार का हिस्सा बनने का सौभाग्य प्राप्त हुआ। हे प्रभुपाद आपके दिखाए गए रस्ते में चल कर मुझे अपने जीवन का सही उद्देश - भगवान की सेवा का मार्गदर्शन प्राप्त हुआ। आज मैं जब अपने जीवन के वो समय को देखती हूँ जब मुझे आपका संग प्राप्त नहीं हुआ था तो लगता है की जीवन के वो पल मेरे व्यर्थ चले गए। आपकी कृपा के बाद जीवन में आध्यात्मिक और भौतिक दोनों ही स्तर पर बहुत बदलाव आये। आज जीवन के हर परिस्थिति को सामना करने की शक्ति मिल गयी है क्योंकि मन में यह विश्वास है की गुरु और कृष्णा हमारे साथ है। आपके आशीर्वाद से नाम जाप, संकीर्तन, परसाद सेवन का महत्व का पता चला और जीवन में यह करने से मन में कृष्ण के प्रति विश्वास और श्रद्धा बढ़ती ही जा रही है। हे प्रभुपाद हमें ऐसी बुद्धि प्रदान करिये की हम अधिक सी अधिक कृष्ण की सेवा कर सकें। आप की कृपा से आज हम संसार के अन्य लोगों, जो भक्ति में नहीं लगे है, उनसे अपनेआप को बहुत अलग पते है। अब सांसारिक चीजों से आकर्षण भी नहीं रहा। आपके द्वारा लिखी पुस्तकों को पढ़कर कृष्णा के बारे में तथा उनकी भक्ति को बढ़ने का सही मार्गदर्शन प्राप्त हुआ। अगर आप न मिले होते तो आज जीवन बहुत कठिन और उद्देश्यहीन हो जाता। अपने जीवन में नाम जप और संकीर्तन का महत्व हमें सवय महसूस हुआ है और इसके बिना जीवन जीने को हम सोच भी नहीं सकते। हे प्रभुपाद अपनी छत्रछाया में हमें हमेशा जगह प्रदान करियेगा और आशीर्वाद दीजिये की हामी आपके और कृष्ण के प्रति मन में विश्वास, श्रद्धा, भक्ति बढ़ती ही जाये।

श्रील प्रभुपाद की चरणों में मेरा सदर प्रणाम।

श्रील प्रभुपादजी आपका मेरे जीवन में जब से आगमन हुआ है तभी से लेकर आज तक मेरी जीवन की दिन चर्या ही बदल गयी है। मैं हरे कृष्णा मंदिर से सन २०१० से लगातार आ रही हु पर आपका मेरे जीवन में आगमन आपकी बुक के माध्यम से हुआ था। शुरुआत में मैं एक या कभी दो माला जप किया करती थी परन्तु अब प्रत्येक दिन १६ माला का जप करती हु और आपके द्वारा बताये गए चरों नियमों का पालन करती हूँ। आपके ही कृपा से राधा कृष्णा की भक्ति सेवा का अवसर मिला और जिंदगी भर मेरे सी जो भी सेवा हो सके, वो मई करूँगी।

मैं प्रत्येक रविवार को मंगल आरती तथा ल्यौहार के दिवस मंगल आरती व पूरे दिनभर के सेवा में रहती हूँ और आपकी कृपा रहेगी तो भविष्य में भी अपनी सेवा देती रहूँगी। आपकी ही कृपा से धीरे धीरे मेरा पूरा परिवार मंदिर आता है और मंदिर के हर कार्य में भाग लेता है और अपनी सेवा देता है। मैं साल में सबसे ज्यादा खुश बुक वितरण ल्यौहार का करती हूँ और प्रयास करती हूँ की ज्यादा से ज्यादा बुक भी वितरण क्र सेवा करि रहना चाहती हूँ इसके लिए आपकी कृपा सदा मेरे ऊपर तथा मेरे परिवार पर बानी रही।

आदरणीय,

श्री श्री श्रील प्रभुपाद जी

सादर प्रणाम,

मैं आपका आभार प्रकट करती हूँ। आपके छत्रछाया में आने के पश्चात मेरे जीवन में आया बदलाव अविश्वसनीय हैं। आपके द्वारा दिए गए 'हरे कृष्ण' महामंत्र का जाप हमारे अंदर एक आत्मविश्वास जगाता है। जो हमें अज्ञानता और भौतिकता के मोह माया के अंधकार से बाहर निकालकर उजाले की ओर ले जाने को प्रयासरत हैं। शक्ति, भक्ति, नियति और विश्वास सबसे बढ़कर होता है 'प्रेम'। जहां प्रेम हैं वही भक्ति और विश्वास होता है। भक्ति मार्ग में आगे बढ़ना आसान होता है। हरे कृष्णा मूवमेंट के साथ जोड़ने के पक्ष त साथु संग और हरि कीर्तन से हमारे अंदर अनेक बदलाव हुए हैं। कृष्ण के प्रति समर्पित होने के लिए कृष्ण भक्ति में शरणागत होना एक अद्भुत अनुभव है।

हे प्रभु पाद मैं आशा करती हूँ कि आप मेरे सुख-दुख और कठिनाइयों में साथ रहेंगे। आपके शरण में आने वाले भक्तों को सद्बुद्धि प्रदान करें। अतः मैं पुनः आपको सहस्र कोटि प्रणाम करती हूँ।

My Dear Srila Prabhupada,

Please Accept My Humble Obeisance on Lotus Feet All Glories to Srila Prabhupada

On this auspicious day I would like to thanks gurudev for all the Mercy. By your mercy & association of devotee I will able to understand the science of self-realization. By listening your lecture, I am able to develop the love of Shri Shri Radha Krishna. Now at time I am fall in material desire due to attachment in material world. *nāmnām akāri bahudhā nija-sarva-śaktis tatrārpitā niyamitaḥ smarāṇe na kālaḥ etādṛśī tava kṛpā bhagavan mamāpi durdaivam idṛśam ihājani nānurāgaḥ*. O My Lord, your holy name alone can render all benedictions to living beings, and you have hundreds and millions of names like Krishna and govinda. In these transcendental names you have invested all your transcendental energies. There are not even hard and fast rules for chanting these names. O my lord, out of kindness you enable us to easily approach you by your holy names, but I am so unfortunate that I have no attraction for them. Sastra says without the mercy of guru, can't understand to develop the love of god. My dear Srila prabhupada please help me and give me your blessing to develop again love of your lotus feet and Shri Shri Radha Krishna.

Your most insignificant servant,

Shravan Krishna Dasa.

Dear Beloved Srila Prabhupada,

Please accept my humble obeisances in the dust of your lotus feet. All glories to Your Divine Grace.

Dear Srila Prabhupada,

There are so many ways in which I can glorify you, so many ways that you have bathed me in the ecstasy of your mercy:

- Chanting the Holy Name and dancing...
- Performing devotional service for the pleasure of Lord Krsna and His devotees...
- Preparing nice foodstuff for the Lord ... and then honoring them...

But most of all you are glorious for your books in which you have revealed the whole spiritual world.

Everyday I approach you for instruction by reading your books.

Dear Srila Prabhupada,

You have also given us your books, which are the touchstones and beacons of light in this age of Kali. Because they are written from a pure devotee's point of view, they are unlike any other materialistic literature in the world. One who reads these books is truly blessed, because they are getting association of a pure devotee, and it is said that even by a short duration association with a pure devotee, all perfection of life is possible. Your books could not be improved upon, even if one wanted to. They have constantly been a source of strength and inspiration to me.

You perfectly displayed the twenty-six qualities of a pure devotee of Lord Krsna.

Srila Prabhupada please have mercy on me. I am still plagued with materialistic vision and material identification. But I have faith in your books, the Holy Name and your instructions. Please bless me that I will become a proper recipient of your abundant mercy, and engage in Lord Krishna (navneen Krishna, gaurnitya) and your service.

My simple prayer, Dear Srila Prabhupada, is that I always be engaged as an instrument of Lord Krsna's mercy without desire for material benefit.

I beg to remain in your service, eternally,

Thank you, Srila Prabhupada.

You are everything to me.

Your eternal servant.

Dear Srila Prabhupada ji,

My full obligation to your lotus feet. I was just a normal kid like others who does not have any kind of spiritual account and surrounded by different types of bad habits. but by your teachings and in the influence of Lord Krishna i realize that now I am much differ from others. Sometimes I feel that I am very lucky who got the opportunity to be a part of Youth Empowerment Training. It was the best utilization of my summer vacations. Prabhuji, your teachings are the rules of Lord Krishna that always lead humans to get the direct ticket to the "VAIKUNTA DHAMA".

I am thankful to you.

Your's faithful servant,

Bhakta Ajay Lakshya Chaturvedi

Bhakta Amit Verma

Dear Srila Prabhupada,

Please forgive this fallen soul for I know not how to live in this material world and still cling to your feet with all my heart. I am small and fallen, filled with faults and sin lost without guru to pull me out of nuisance. Before I came into contact with your teachings I was very unhappy, very confused and I was frightened. I didn't understand why there was so much suffering in the world. Everywhere I turned I saw cruelty and pain, misery and hopelessness. Nothing made sense to me. Nothing seemed to have any meaning. I had no idea what my life was meant for. Like everyone around me I tried to find some satisfaction in sense enjoyment but my feeble attempts were always met with frustration. I constantly felt like something was missing. The fact that you have always resided in my heart, and have been my most constant friend and ever well-wisher, even without your physical presence, proves our eternal relationship with you. So many friends and family have come and gone, but you Srila Prabhupada, have remained in my life as the one constant I could always turn to.

"My Dear Lord, any person who is constantly awaiting your causeless mercy to be bestowed upon him, and who goes on suffering the resultant actions of his past misdeeds, offering you respectful obeisances from the core of his heart, is surely eligible to become liberated, for it has become his rightful claim."

The most amazing thing is that you didn't ask anything for yourself. You just came to give. So I was always confident that everything would be all right, thanks to you.

It's nice that your mission is still going on, giving shelter to so many others all over the world. You see us all suffering at the hand of illusion knowing fully all our attachments, offenses and so on. Yet, as the most merciful father embraces the prodigal son, you are personally saving your world family, one by one. We beg to remain a tiny part of your inconceivable plan, to perform some small task in the matter at hand of helping others know of your great position in this greatest of causes: Lord Chaitanya's Mission!

Thank you, Srila Prabhupada. You are everything to me. Please let me be your eternal servant.

Your small child,

Bhakta Amit Verma.

Bhakta Ankit Soni

Dear Srila Prabhupada,

Please accept my humble obeisance's at your lotus feet. All glories to your Divine Grace. I know what to say but I don't know from where I should start because lots of things, I would like to say. Someone said that "For success in one's spiritual search, one has to learn from a great spiritual teacher/master, or acharya". One who is moving blindly through the valley of life, stumbling in darkness, needs the help of someone who has eyes. He needs a guru. To follow one who is enlightened is the only way out of the great muddle of material nature. Krishna is invisible, but he become visible through the intelligence and spiritual perception of one who is in constant communion with him, one like yourself.

There may be many teachers in one's life, but there is only one initiating guru. In the guru-disciple relationship, a divine law is fulfilled, as demonstrated in the life of Jesus. Similarly, those who received you they received Lord Krishna, the one who sent you.

Srila Prabhupada, you fought for Lord Krishna. Your ISKCON is meant to bring about a revolution in the impious life of a misdirected modern civilization.

Coming to my childhood, in beginning ,i do not know about myself that in real "who I am "? and who is the owner of this creation ? after my death what will happen with me? etc, doubts are coming in my mind and when I ask my doubts about these matters I will get the incomplete information through an unauthorized person, but somehow I will know that they are giving the incomplete knowledge.

After some year when I was in Bikaner, my friend call me and invite for the delicious prasadam and he said that you have to come and whatever you want to ask about your doubts and queries, you will get the authorized knowledge , so i gone there, after reaching and understanding the true facts from your glorious books .I'll realised that this is the right knowledge that will help me to go out from the material world and take to your world. So I join the F.O.L.K. Residence, Bikaner. My prabhu said to me one thing that if you follow the rules and regulation or the system then you will get hundred percent benefits, so i started the chanting, reading books, attending mangala aarti and eating offering prasadam within one or two days, I will realised and feels positive over there and day by day , I'm feeling happy and satisfied with my works.

After sometime the best part of my life is coming over there when i got the opportunity to go Dwarka trip by the blessings of Lord Krishna and Prabhupada. Over there we goes to many historic places and over there we got a chance to know about the different stories and past times of that particular place, and one more thing is that without the association of devotees it would never happened so a good association like a devotees it is compulsory to grow in spiritual advancement, the chanting process is very important and it will improve the various terms.

I'm trying to follow your footsteps; I am distributing books whenever i got the opportunity and doing services to help many souls find a place at your lotus feet. Please bless me so that I may serve your mission.

The servant of your servants,

Bhakta Ankit.

Jai Srila Prabhupada,

A.C BHAKTIVEDANTA SWAMI SRILA PRABHUPADA is also known as Srila Prabhupada was a spiritual teacher and the founder of HARE KRISHNA MOVEMENT. I learned that Krishna consciousness is not an armchair philosophy or a part time religion; It is way of life for happiness and peace.

Lord Krishna, this sound is transcendental and Krishna means highest pleasure. I learned his desire, dedication and determination. How he spread the Krishna consciousness. There are four pillars of sinful life is: illicit sex, intoxication,

meat eating and gambling. So, we must avoid it to live peaceful and happiness life and chant holy HARE KRISHNA MANTRA.

Your Servant,

Bhakta Anuj Sharma.

Bhakta Bhairu Kumawat

Dear Srila Prabhupada,

Please accept our humble obeisances into the dust of Your lotus feet.

Srila Prabhupada, You have given us this real path of devotional service. You have given us so many

programs to keep our rascal minds engaged in Shree Krishna's services, programs such as mangle aarti, book distribution, prasadam distribution, and preaching Krishna consciousness to the whole world. But all this is possible only by your causeless mercy. Srila Prabhupada, you have saved us. Now we, by serving your mission, can help save other souls from the clutches of maya. I chant Hare Krishna Maha Mantra, wonderful experience, i gave me to good results after practicing chanting, I am active my mind good consciousness for study and hare Krishna Maha Mantra remove my all bad habits and bad thought.

Falling at Your lotus feet,

Your servant,

Bhakta Bhairu Kumawat

Bhakta Abhishek Bharadwaj

Dear Srila Prabhupada,

Please accept my humble obeisances,

All glories to You on this auspicious day of Your appearance.

Srila Prabhupada after coming in touch with You I have right context in my mind, earlier we don't have idea what is the actual goal of life but now we have acquired new thoughts and ideas, how this human life is so valuable and how to utilize it.

By following Your instructions a lot of changes come in my life that I have gained new confidence, patience , peacefulness,always joyful, rising early in the morning ,become faithful, way to see this world etc. Sometimes I really feel that how fortunate are we so that we are in your association. Every day I endeavor to improve my consciousness, so please help me to continue.

Srila Prabhupada I usually remind Your one pastime that how You renunciated Your first class life and become a monk to preach the message of Lord and went to foreign for preaching. Here You were living in a small room, sleeping on mat, and nothing You possessed. This is showing that You have got some inspiration and realization about god that changed Your path and also depicting simplicity, tolerance and determination, within You.

Help also us to get that realization and qualities.

Hare Krishna.

Your servant,

Bhakta Abhishek Bharadwaj.

Bhakta Deepak

I offer my humble obeisance to lotus feet of Srila Prabhupada.

All glories to Srila Prabhupada.

This is the only way in Kaliyuga through which we can go back to Godhead. That is nothing but the HARE KRISHNA Maha Mantra given by you to us.

Hare Krishna Hare Krishna Krishna Krishna Hare Hare Hare Rama Hare Rama Rama Rama Hare Hare.

Which God we should follow ?, it was always my confusion. Who is Supreme Personality ? Then I got the answer in book of Srila Prabhupada "the journey of self discovery ". It is also explained in Brahma samhitha,

that is *"Isvarah paramah krsnah, sac-cid-ananda-vigrahah, anadir adir govindah, sarva-karana-karanam."*

I have experienced that when we chant on a daily basis then we feel of mood of goodness for whole day. Our thinking becomes good. We have Srila Prabhupada not physically present, but he is present in his book and his rules and regulative principle.

My only purpose is to please Srila Prabhupada in my daily work. We are fortunate that we are in your mission. So we can take prasadam and enjoy kirtana with devotees. We can progress in spirituality by trips of pilgrimage in association of devotees. Last time I went to Dwaraka with Prabhu as guide. This trip was so beautiful I enjoyed each fraction of moment of trip also prasadam and kirtan was very good by the mercy of Srila Prabhupada. I learned from trip of Dwaraka that, What is service attitude ? We should be keep service attitude every time in Krishna consciousness. This is very important for progress in spirituality. And always live with humble, and meek attitude in devotee community with lot of patience and always respect others. I am very fortunate that I got mercy of Srila Prabhupada.

I pray for your blessing and also for Your eternal presence in my life.

Your servant.

Dear Srila Prabhupada,

It is not only the name, it is the person who has circled the whole world and told the people the real motives and facts of life. Considering their lifespan, it became clear that before the policy of any work should be fixed, if Your clear determination gets stabilized, then no one can stop you from achieving success in your work and in the same way he did not leave his firm determination in the last time of his life. He has not learned to live life in his life but taught life to live. Today most people pay homage due to their fixed devotion towards Lord Krishna.

Dear Srila Prabhupada,

Please accept my humble obeisances.

Srila Prabhupada, I thank You for blessing me with the association of Krishna conscious devotes and allowing me to be a part of FOLK. I thank You for giving me an opportunity to practice Krishna Consciousness.

I really learn a loot of good things about human life and also still learning. From the first day, I joined Folk I have a lot of changes in my life routine and the best thing I got from there is " Early to bed early to rise that makes a man healthy wealthy and wise " and Hare Krishna mantra it is not a mantra it is miracle in human life that will have ability to make diamond

from coal that process is called chanting. We want to do chanting two times in a day and by hearing Bhagavad Gita and chanting Hare Krishna Mantra the relationship between Krishna and jivas becomes much strong.

It is not easy work to spread the mantra in whole world there are a lot of sacrifices of Srila Prabhupada and trust in Krishna, then parbhu start a system of mid day meal through which a lot of child startup there study, they got a chance to fulfill there dreams and it is becomes easier from past to spread about HARE KRISHNA.

I thank You Srila Prabhupada,

Hare Krishna.

Your servant,

Bhakta Rohit Jangir.

Dear Srila Prabhupada,

Please accept my humble obeisances at the dust of Your lotus feet. All glories to Your Divine Grace. All glories to Your ISKCON.

You have fulfilled the prediction of Srila Chaitanya Mahaprabhu that the holy name would be spread all over the world.

Srila Prabhupada was empowered like nobody else to spread the message of Godhead to the world in such a way that people could understand it, accept it, and start to practice it in their own lives. When I read Your books, You chastise me on practically every page. It is painful, but at the same it is blissful, because it means You have not given up on me.

Your humble servant,

Bhakta Uday Raj Singh.

Dear Srila Prabhupada,

Please accept my unpretending obligingness at Your immortal lotus feet.

I just want to share my unexpected and contingent experience after become a part of Hare Krishna Movement and spirituality. First of all, the experience was very sudden because I was continued with struggling my whole day by day life. Everything was disarrayed there. And according to You, whenever a person struggles with his life to do something genuine then a true devotee of God will always be there to guide the person. The same thing was with me also.

When I got to know some of the aspects of life and when I follow those then my every minute of an hour and every hour a day was changed. I did not know how could a huge change become in few days. Now everything was well established there. I was surprised because I did not expect all these change in my days. I get patience which was very essential for me at a time. Through the sensation of chanting, I get to know how to regulate my utter. My activities are more absolute now.

This knowledge is the only one which conserve the infinite source of energy for a positively charged person. I know this is not sufficient to express my whole experience in few words but this is my request to every person, if anybody is enduring by something wrong then please just go for a step ahead for books and lectures of Srila Prabhupada.

I am thankful from the bottom of my heart to you to preach me about the path of "What I Want To Be". I will definitely try to be on this path for ever and thank You for being a part of my life.

Your tyro servant,

Bhakta Varun Kumar Sarwa.

Dear Srila Prabhupada,

Please accept my respectful obeisances unto Your lotus feet.

It is with the grace of Your divine consciousness that I have been able to escape from atheistic idealizations and mindset. It is only coming unto Your lap, have I been able to grasp better understanding of all the fundamental philosophical questions that one asks for. It is only through You have I been able to reach at the door of Krishna Consciousness. You are a teacher holding the hands of Your disciples and journey through the cosmic ocean for the search of eternal truth. I must speak with bottom of my heart that I have fully committed towards Your vision of spreading the knowledge of Srimad Bhagavad gita.

I have definitely stepped on my first stone by reading Your book "Bhagavad gita As It Is". And once I complete this I shall spread it to as far as the can.

Dear Guruji, If only I could express my feelings through my words, as there are no vocabulary to express my gratitude to You in behalf of myself for teaching me about Sri Krishna from my parents so that they can finally rest assure of peace that their son is a pilgrim of Lord Sri Krishna and from the rest of India for preserving and spreading the sacred truth of Krishna Consciousness throughout the world.

Dear Srila Prabhupada,

Please accept my humble obeisance at your Divine Grace

Prabhupada by your merciful glances its possible for insignificant soul to begin spiritual life, and follow instruction and attain daily spiritual practice.

“By satisfaction of the spiritual master, the Supreme Personality of Godhead becomes satisfied. And by not satisfying the spiritual master, there is no chance of being promoted to the plane of Kṛṣṇa consciousness. I should, therefore, meditate and pray for his mercy three times unto him, my spiritual master.”

Prabhupada, by your blessings my service has been changed and now I'm in a new place which is completely different from my earlier place of service. Please give me the strength and energy to execute your order and be strogly fixed in devotional service. By your causeless mercy, which brings all auspiciousness this new service opportunity has been bestowed upon me which i humbly feel i don't deserve to get. On this most auspicious day I humbly beg to continue shower your blessings on me to make an instrument in serving your mission ,I beg you to give me the inner strength to take all austerities in serving your mission, and always keep me under the association of devotees

Begging to remain under the shelter of your lotus feet at all times and aspiring to be your humble servant

Badrinarayana Dasa.

Balarama Anuja Dasa

I offer my respectful obeisances unto His Divine Grace A. C. Bhaktivedanta Swami Prabhupāda, who is very dear to Lord Kṛṣṇa, having taken shelter at His lotus feet. Our respectful obeisances are unto you, O spiritual master, servant of Sarasvatī Gosvāmī. You are kindly preaching the message of Lord Caitanyadeva and delivering the Western countries, which are filled with impersonalism and voidism.

I was born in the darkest ignorance, and my spiritual master opened my eyes with the torch of knowledge. I offer my respectful obeisances unto him.

Dear Srila Prabhupada, I am eternally indebted to you for introducing to me the vaiṣṇava siddhānta, emphasizing that Kṛṣṇa is the Supreme Personality of Godhead, emphasizing that Kṛṣṇa is a person, and all living entities are part and parcel of Kṛṣṇa.

My association with matter from time immemorial means I am actually incapable of understanding this siddhānta. My senses are so polluted, intelligence so dull that I cannot understand this basic principle that God is a person with whom I have an eternal relationship. The moment there is realization of relationship, automatically activities in that relationship start. I can clearly see that I am not naturally, spontaneously acting as a natural consequence of the relationship, thus it is clear to me that I have not understood the relationship. Thus it is abundantly clear that I must be a sincere student of this subject, so that I may understand.

Dear Srila Prabhupada, you have revealed to us this wonderful study-system sādhana-bhakti so that by systematically following the steps I may understand. The ABCDs of this system are: A for association, B for reading your books, C for chanting of the Hare Kṛṣṇa mahāmantra, D for controlling our diet, and the S stands for service.

You have defined bhakti-yoga as not an abstract feeling of love, but rather a practical demonstration by executing services that are aligned with the desires of the Lord. You have artfully created varieties of services, that dovetail our inherent skills

and inclinations into programs aligned with the Lord's desires. You have revealed the greatest secret of vaiṣṇava siddhānta that the way to please Kṛṣṇa is to please his pure devotee. You have taught us by your own personal example how serving the spiritual master should be the life and soul of the disciple.

Dear Srila Prabhupada, sometimes we forget just how rare it is to receive such knowledge. I am one of the most fortunate souls to have received the shelter of your lotus feet. How else is it possible that I am constantly enveloped by devotees who never give up on me, and are constantly providing me with newer and newer services every year, so that I can dovetail my natural inclinations and skills into your service.

In the recently concluded Krishnotsava Retreat, I got newer understanding of what is meant by attentive chanting of Hare Kṛṣṇa mahāmantra. I beg your mercy so that I remain determined in my efforts to implement the lessons I have learnt from the retreat.

Dear Srila Prabhupada, this year I have received an opportunity to participate in the publication of a new monthly magazine called "India Heritage Community" with the aim of expanding and deepening Krishna Consciousness among the congregation members of India Heritage Foundation temples in USA. I beg your mercy so that I may continue this service without interruption, if you so desire, and I beg your mercy so that the magazine may not deviate from your teachings.

Your humble servant,

Balarama Anuja Dasa.

Hari Gopala Dasa

On the auspicious occasion of Vyasa Puja, the appearance day of Your Divine Grace, please accept my prostrated obeisance at the dust of your lotus feet.

The secret of success of one's spiritual progress lies in glorifying ones spiritual Master so thus I take this opportunity to glorify The Spiritual Master of the Whole World 'Jaya Om Vishnu-pada paramahansa parivrajakacharya ashtottara-shata Shri Srimad His Divine Grace Srila Abhay Charanarvinda Bhaktivedanta Swami Maharaja Prabhupada'.

"Satisfaction of the self-realized spiritual master is the secret of advancement in spiritual life. Inquiries and submission constitute the proper combination for spiritual understanding. Unless there is submission and service, inquiries from the learned spiritual master will not be effective. One must be able to pass the test of the spiritual master, and when he sees the genuine desire of the disciple, he automatically blesses the disciple with genuine spiritual understanding." (Bhagavad-gita As It Is 4.34, Purport)

tvam naḥ sandarśito dhātrā dustaram nistitīṣatām

kalim sattva-haram puṁsām karṇa-dhāra ivārṇavam

We think that we have met Your Goodness by the will of providence, just so that we may accept you as captain of the ship for those who desire to cross the difficult ocean of Kali, which deteriorates all the good qualities of a human being. (Śrīmad-Bhāgavatam 1.1.22)

"First there must be the devotee's mercy; then Krishna's mercy will descend. Yasya prasada bhagavat-prasado/ yasyaprasadan na gatih kuto 'pi. Our first duty, therefore, is to satisfy the spiritual master, who can arrange for the Lord's mercy. A common man must first begin to serve the spiritual master, or the devotee. Then, through the mercy of the devotee, the Lord will be satisfied. Unless one receives the dust of a devotee's lotus feet on one's head, there is no possibility of advancement." (Caitanya-caritamṛta, Madhya 11.58, Purport)

Prabhupada please bless me by always keeping under the shade of your lotus feet so that I can be protected from the strong waves of Maya & easily cross over this ocean of nescience and material miseries and finally attain Love of Godhead. O Guru dev! Please give me enough intelligence, strength, knowledge and faith so that I can pass this stringent test of Maya, get myself firmly fixed in bhakti and achieve Krishna Prema. Please help me Prabhupada because it is impossible for me by my

insincere feeble endeavor to come out of this cloudy Consciousness as you have rightly stated “A common man cannot rise to the topmost stage of spiritual perfection simply by following the rituals and religious principles. He has to take shelter of a bona fide spiritual master and work under his direction faithfully and sincerely; then he becomes perfect, without a doubt.” (Srimad-Bhagavatam 3.22.6, Purport).

Seeking your Blessings and Mercy forever

Your Unqualified Fallen Servant,

Hari Gopala Dasa.

Palini Devi Dasi

Hare Krishna, Dear Srila Prabhupada

Please accept my humble obeisances.

Srila Prabhupada, another year has gone by. This has been a roller coaster year. I am very grateful to you for continuing to protect and keep me under your service. I am so fallen but can still feel your compassionate protection. I feel very fortunate to receive guidance, association of devotees who pick me right up when I am about to slip and fall. By your grace, it has been possible for me to ride through.

I feel fortunate that you are merciful and compassionate to accept me as your disciple. I am not qualified in any way to receive this special mercy. I pray at your lotus feet that I am always engaged in your service. I want to be able to spread the message of Love of God. It is possible only by your blessings.

You have said in so many places about chanting and hearing. “Chanting you simply hear. When you say Hare Krishna you try to hear the sound Hare Krishna. Nothing more. That is mediation”. Please bless me that I can chant and hear the holy name better and offer service to holy name sincerely.

Over the past year, Gopal Kids Sunday School is spreading wings to more children. If you so desire, I am confident we will be able to reach out to many more communities.

sākṣād-dharitvena samasta-śāstrair uktas tathā bhāvyata eva sadbhiḥ

kintu prabhor yaḥ priya eva tasya vande guroḥ śrī-caraṇāravindam

I am also trying to read your books everyday, you have so painstakingly written for us to understand the transcendental knowledge. Sometimes, the messages are very difficult for me to understand. Please bless me that I am able to get your association and understand the transcendental knowledge.

I pray at your lotus feet that I develop to be humbler and patient, serve your mission with more enthusiasm and determination.

Seeking to always be in your service

Your humble servant,

Palini Devi Dasi.

Panduranga Gopala Dasa

Dear Srila Prabhupada,

Please accept my humble obeisances, All glories unto you.

People in the age of Kali are characterized by laziness to take to the spiritual path. Even more so if someone is interested in spiritual life, one is often misguided by the various unscrupulous teachers who either distort the real essence of Vedic knowledge or adulterate it. In such atmosphere of chaos, it is our great fortune to have met your good self who can guide us to crossover the ocean of nescience.

I have been coming across various spiritual organizations with differing in their philosophy, practices and teachings. Sometimes, it is very perplexing to distinguish between which of these are actually guiding one to the ultimate perfection. However, only recently did I realize that your unique contribution to the people in the age of Kali is that you presented the teachings of Lord Chaitanya in an unadulterated form and taught suddha bhakti free from the tinges of jnana, karma etc. All glories unto you.

By reading your books, listening to your lectures and by observing the exemplary way in which you conducted the activities of ISKCON, one can distinguish kaitava dharma from real dharma. In this age, it is most commonly found that spiritual organizations are presenting commercial yoga, which opposes bhakti or camouflaging bhakti with various alluring material gains. In such scenario, a living entity is perplexed in distinguishing the true purpose of spiritual life and can be easily lost. However, you made sure that all of your lectures, conversations, letters etc. are recorded and preserved along with your painstakingly written books which are the only guiding light saving the perplexed jiva to take to the right unadulterated path of bhakti as delineated by Lord Chaitanya. Your simple elucidation of spiritual truths helps one to distinguish even the various offshoots of Lord Chaitanya's movement which either grossly or subtly adulterate bhakti and also help one appreciate the positives and the negatives of various paths of self-realization. Without your teachings and writings, I see there is no way one could clearly appreciate these subtle but important aspects of spiritual practice.

In this context, I remember during your travel to Nellore from Chennai in the year 1976. Three men approached you to seek blessing. And you said "What is that blessing? caught off guard, one of them replied, "Well Swamiji, I have this pain in my knee...". You indicated to your three disciples standing next with shaved heads, shikhas, kurtas, dhotis, and tulasi beads. And told them, "This is my blessing. These boys have given up everything for Krishna's service and to chant Hare Krishna. Are you prepared to accept such a blessing?" They were stunned and retreated hastily.

Thank you Srila Prabhupada, for time and again showing what the highest blessing one can have. Many a time, the general public or even sometimes devotees misunderstand your mercy for being too rigid or not very appealing. In fact, it is very difficult to fathom your causeless mercy upon the suffering conditioned souls to whom you are not only relieving all the miseries of conditioned life but also giving the highest benediction as stated by Lord Chaitanya. It is even incomprehensible to understand your magnanimous liberal heart which accommodated all classes of people from all parts of the world.

I have been admitted to Harvard Divinity School and would like to acknowledge your causeless mercy upon me this unqualified aspiring servant. I have no idea as how I will be to handle this. However, I sincerely pray to you to keep me under your shelter of your lotus feet so that I may be able to render some service unto you.

Thank you for guiding us all Srila Prabhupada.

Aspiring to be your humble servant,

Panduranga Gopala Dasa.

Sadananda Dasa

Dear Śrīla Prabhupāda,

Please accept my most humble obeisance at your lotus feet and thank you for giving me shelter and service at your lotus feet for one more year of my life in this body.

To find the appropriate words to express the gratitude which I feel for what You have done is a difficult matter. In the course of my daily activities I see so many people teetering on the brink of disaster especially in this country America, that I cannot but wonder why I'm so fortunate as to be chosen to fit the exalted position of acting as Servant of the Servant of million times servants of the Supreme Personality of Godhead, Śrī Kṛṣṇa. The only answer I could possibly think of is it's your unfathomable and causeless mercy on a suffering soul like me.

The most glorious occasion of your Vyāsa-pūjā celebration, offers us a precious annual opportunity to meditate on and better appreciate your gifts. In composing our offering to you, we go deep into our heart. Going beyond the routines and superficialities that frequently crowd our consciousness, we focus on that which matters most – the supreme treasure of Krishna-bhakti with which you have enriched our heart. In fact, mere remembrance and contemplation of your activities are so auspicious that immediately it helps us to elevate our consciousness. A similar statement is found in the First Canto of the Śrīmad-Bhāgavatam where King Parikshit is referring to Sukadev Goswami

*yeṣāṁ saṁsmaraṇāt puṁsāṁ sadyaḥ śuddhyanti vai grhāḥ
kiṁ punar darśana-sparśa- pāda-śaucāsanādibhiḥ*

Simply by our remembering you, our houses become instantly sanctified. And what to speak of seeing you, touching you, washing your holy feet and offering you a seat in our home? (SB 1.19.33).

Recently may be a few weeks ago I got the opportunity to visit your first “temple” in America at 26 Second Avenue in New York City. Just by being present there and seeing the humble place from where the worldwide movement started made me feel very inspired. Looking at few of the B&W photographs hanging on the wall and looking at the first-floor apartment where you used to live one can visualize the austerity and sacrifice you have made to give us this most valuable gift of Krishna consciousness. For external world the storefront temple may be very modest one but to me it is a symbol of your personal victory, a symbol of your undaunted commitment to the order of your spiritual master. It is a symbol of the victory of the Kṛṣṇa consciousness movement over the unmatched odds of Kali-yuga materialism, which has been gnawing away at human culture for the last five thousand years.

The perfection of our lives will come about when we surrender ourselves completely to your divine lotus feet Śrīla Prabhupāda. *Guru-mukha-padma-vākya, cittete koriyā aikya, ār nā koriho mane āśā*

“Make the teachings from the lotus mouth of the spiritual master one with your heart, and do not desire anything else.”

Srila Prabhupada, you conquered by surrendering. On the Jaladuta, in your celebrated song, Markine Bhagavata Dharma, you prayed to Krishna, “Make me dance; make me like a puppet; make me dance according to your will.” On the sacred occasion of your Vyasapuja celebration, I pray that I too may surrender so that I can dance like puppet in your hands to do our small parts to push on your glorious mission.

Our aspirations are lofty, but our capacities are limited, and determination unsteady. We therefore beg you, Śrīla Prabhupada, to grant us the intelligence, the purity, the devotion, the expertise, and the determination to succeed. We can do nothing if not protected and empowered by you. Please be merciful and grant me the highest benediction I can imagine: to become your obedient servant.

Your most insignificant servant,

Sadananda dasa.

Dear Srila Prabhupada

Please accept my humble obeisance.

All Glories to Srila Prabhupada. All glories to you on this auspicious day of your Vyasa puja.

On the occasion of Vyasa puja which comes once in every year, we get an opportunity to show gratitude to you, to re-establish the strong relationship with your devotees and make a determination to follow your instructions every day.

As a pure spiritual master, you have helped me to understand the value of this human life. I was very confused in my life to understand the real purpose of this life. I was wandering everywhere in search of more material gains, happiness, and material knowledge.

I got the mercy of Krsna and met devotees who were distributing the Bhagavad Gita. I started attending the programs in the temple every week. In the beginning, I didn't understand the importance of reading your books and participating in the program regularly and following the regulative principles. But, after attending the programs, listening to lecture and rendering the services in the temple I got some taste of Krishna consciousness.

Though in the initial stage following the regulative principle was difficult but over the period the conviction to practice devotional service grew strong. With your mercy and Lord protection, I am able to continue and follow your instructions. I am still neophyte and at times the devotional service looks burden. I feel that my old habits are pulling me back in progressing but after discussion with devotees and seeking their guidance I get rejuvenated.

I am blessed to have the association of your pure devotees who always motivated to continue my journey of Krishna consciousness. Instead of looking at the past and getting depressed I look forward to the bright days ahead.

I attended a spiritual retreat and got to learn many aspects of sadhana from other senior devotees. I learned a lot about your instruction on chanting Hare Krishna maha-mantra attentively. I am trying to implement the realizations in the daily sadhana.

You had given such a wonderful gift of this Krishna consciousness movement to the whole world, we are eternally indebted to you.

On this occasion of Vyasa Puja day, I very humbly beg you to continue your mercy on this fallen soul. Please revise my consciousness and every day when I wake up I get more strong to practice Krishna consciousness. Please forgive for my offenses which the Maya is acting upon me and at times my intelligence bewilders me and pulls me back.

I pray at your lotus feet and the supreme lord to keep me engaged in Krishna Consciousness and advance in the spiritual life.

Aspiring to be your humble servant,

Dear Srila Prabhupada,

Please accept my humble obeisance at your divine lotus feet on this most auspicious occasion of your divine appearance.

I am grateful to you Srila Prabhupada for introducing me to Krishna consciousness. It has helped me understand the difference between spirit and matter and take a spiritual perspective towards life. It has made me think about the importance of investigating about consciousness and its origin. I have realized how the modern science has ignored this important question. Also, it has compelled me to think about the similarities and distinctions between humans and other forms of life.

If eating, sleeping, mating and defending were the only objectives of human life, how are we different from other animals? In fact, humans have the ability to inquire about objective of life. They can channelize their efforts to achieve that. Understanding about Krishna consciousness has made me realize that humans are constantly seeking pleasure but the reality is that they can never be truly satisfied in this materialistic world. Their condition is comparable to that of a fish outside water. The real objective of human life is to go back to the supreme personality of godhead, Krishna. We can get true pleasure only through devotional service of Krishna. It has also helped me understand about the importance of restraining our senses. Our senses if not controlled properly can devastate our lives. However, it is not possible to artificially withdraw our senses from the materialistic world. If one uses his/her senses in the service of Krishna one can purify his/her heart. I came to know about certain regulative principles to lead a virtuous life. These principles comprise of giving up meat eating, intoxication, gambling and illicit sex. Also, I realized the importance of chanting the “Hare Krishna” mahamantra and how it helps us to train our senses and cleanse our heart. In addition to this I realized the importance of association of devotees, reading Prabhupad’s books, chanting the holy name of the Lord and eating food offered to the Lord. I understood about the miseries that all humans face. These are universal in nature and can’t be avoided. These consist of birth, death, old age and illness. Despite the fact that all of us see fellow humans dying every day, all of us believe that we can enjoy in the materialistic world forever. However, the real intelligence lies in beginning our preparation for it. We can do this by understanding that all of us are souls and not just bodies. While the body may die and perish the soul cannot be destroyed. Any materialistic wealth that we gain will be lost at the time of our death but the spiritual progress that we make will always stay with us. am grateful to Srila Prabhupad for introducing me to Krishna consciousness. It has helped me understand the difference between spirit and matter and take a spiritual perspective towards life. Dear Srila Prabhupada,

Please accept my humble obeisance.

All glories to you on the auspicious appearance day of your divine grace. I pay my humble obeisances to your lotus feet.

Your causeless mercy upon this fallen soul is immeasurable and I beg you to continue to keep me as an insignificant servant in the shelter of your lotus feet in the service of your mission. I am trying to improve my quality of chanting by chanting distinctly and hearing attentively in concurrence, taught by MPP Prabhu in recent retreat. I am indebted to all Srila prabhupada disciples who showed compassion for this fallen conditioned soul and make me to understand the importance of Krishna consciousness.

Śrī Madana-Gopāla astaka, Eight Prayers Glorifying Śrī Madana-Gopāla:

vāschā-kalpa-tarubhyaś ca kṛpā-sindhubhya eva ca patitānām pāvanebhyo vaiṣṇavebhyo namo namaḥ

I offer my respectful obeisances unto all the Vaiṣṇava devotees of the Lord. They are just like desire trees who can fulfill the desires of everyone, and they are full of compassion for the fallen conditioned souls. Your Divine Grace has saved our lives, please give me strength to chant Śrī Kṛṣṇa's holy names.

Dear Srila Prabhupada, our beloved spiritual master,

Please accept my humble obsolescence. All glories to Srila Prabhupada.

Hare Krishna !!!

I have been continuing my service to Srila Prabhupada since Aug, 2011. When I was serving the demigods like Lord Shiva(11 years), Goddess Durga, etc., but I was not satisfied with the peace. I have studied the scriptures specially Shiva Gita from Padma Purana, he has mentioned all the details about the yoga, and he also mentioned that Lord Vishnu is the Sarva Shreshtha. I was enquiring about Lord Vishnu and the way to approach but no one was enough in knowledge to explain about the Bhakti Yoga.

Lord Shiva has also mentioned that Bhakti Yoga is the supreme yoga. He has cleansed my heart and gave the clear concept that one and only Lord Vishnu can give you the peace and relief from the bondage of this material world. I was praying to Lord Shiva that I don't want opulence, more money, name, fame in this world. I want Bhakti of Lord Shree Krishna. He has actually blessed me the same and sent me to Bangalore. In Bangalore, I got the mercy of my spiritual master Srila Prabhupada and his disciple.

I visited to Rajajinagar ISKCON in 2008 and I prayed Lord Krishna that this is my desire to be here with my family and I want to know about You and I want to achieve Your Bhakti.

After some time I got a job in Bangalore in Jan, 2019 and in Nov, 2010 I called my family here and we went together Rajaji Nagar to say thanks to Srila Prabhupada and Lord Krishna that it is you who can fulfill all the desires and no one else. Without the mercy of Guru, nothing is possible.

In Oct, 2011 I visited to Vasantpura ISKCON temple and asked Sadanand Prabhu that I am not satisfied with all the puja of any demigods like Lord Shiva, Durga. Kindly suggest me what to do. He suggested me to start chanting Hare Krishna Mahamantra. I started and after 21 days exactly, I gave up all the nonsense like meat eating, tea/coffee, smoking at once and accepted Lord Krishna is only my Lord and no others. I kept Lord Krishna in the center of my family. My wife has also adopted this culture and started chanting the Holy Name Hare Krishna Mahamantra. My family status of living standard has been changed completely, we have started to attend Srimad Bhagavatam classes, Bhagvad Gita classes. Started to read books of Srila Prabhupada. Disconnected with the person which is not a devotee of Lord Krishna and connected with the Devotee association by the mercy of Abhiram Das prabhu in Gokulam and slowly slowly our heart get cleansed more and more. I started to preach my children to chant Hare Krishna and serve the Lord. They have also accepted that one and only one is our True Friend and That Person is Lord Krishna. We have accepted our spiritual master as Srila Prabhupada and no other.

I am respecting and paying my humble obeisances to all the Vaishnava devotees who are associated with Srila Prabhupada and Lord Krishna.

Now I have one and only aim in this very life that I need to go back to Godhead, go back to our own home, The Abode of Lord Krishna, Goloka Vrindavan by the mercy of Srila Prabhupada.

I am praying to my dear Gurudev Srila Prabhupada to bless me with his personal service. If I need to take millions of birth in this world, Srila Prabhupada would be my spiritual master in each birth.

Your Servant,

Bhaktha Jitendra Kumar.

Dear Srila Prabhupada

Please accept my humble obeisances. Seeking your blessings on this most auspicious Vyasa Puja day.

There are 2 things I am grateful to you for. Number one - thank you for making me interested in hearing Srimad Bhagavatam and Bhagavad Gita lectures by devotees. Number two - thank you for giving me a Krishna conscious life and family.

Your humble servant,

Bhakta Manjunath Havaldhar

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to Srila Prabhupada. All glories to you on this auspicious day of your Vyasa puja.

I am very fortunate first of all you entered my life and heart. It is the great pleasure for me as your devotee to glorify you on your Vyasa Puja day.

On this auspicious day of your divine appearance day in this material world, please let me bow down to your lotus feet. All glories to Srila Prabhupada, all glories to your grace.

Your glories are inconceivable, and I am not able to describe them. Prabhu I beg you for your mercy, so that I will never stop making efforts in devotional service to your lotus feet, despite all our material problems and impurities.

I always want to engage in various devotional services. That gives me more satisfaction and I never felt like enough or tired. I wanted more and more and even more services. I don't know from where I get so much energy and time. But it always

happens. Each day, as I progress on the path of Bhakti. You have made it easy to come to Krishna Consciousness. Prabhu please pull me towards you and closer to you.

Thank you for giving me the association of other devotees and the opportunity to engage in various devotional service. Please allow me to always take shelter of your lotus feet.

Your humble servant,

Bhakta Manjunatha Havalldhar.

Bhakta Manohar Mandali

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet.

My Chanting quality and Book reading is improved because of your divine grace.

I am following your instructions to a little extent and not strictly.

I am training my mind systematically to follow your instructions as it is.

I am begging for your mercy so that I can follow your instructions as it is.

With your mercy alone, I can see the things as it is.

Please keep me under your protection and help me to chant 16 Rounds attentively and regularly.

Hare Krishna.

Your aspiring servant,

Bhaktha Manohar Mandali.

Bhakta Mukund Balaji

Dear Srila Prabhupada.

Please accept my humble obeisance.

All glories to Srila Prabhupada. All glories to you on this auspicious day of your Vyasa-puja.

I have tried very hard this year to increase my spiritual growth. I have increased my japa rounds and I strive to reach your order of chanting a minimum of sixteen rounds per day. I also try to chant as sincerely as possible even with all the annoying distractions around me. I pray to you that you please remove them from my life. It is also hard to not do anything else while chanting because of the distractions in this world

I also strive to meet some of your challenges like preaching to everyone I meet. I try. But I failed because I think others will think I am kind of weird, and I am too shy. But I sometimes go to the MIT Food Security Program held by IHF Boston and serve the prasadam cooked at our center at 595 Putnam Avenue. I think this is a benefit for the students in two ways:

- 1.They get food for free
- 2.They get food that is prasadam which elevates their spiritual position.

I would like to remain in your eternal service

Your humble servant,

Bhaktha Mukund Balaji.

Bhakta Phaneendra D

Dear Srila Prabhupada,

Kindly accept my obeisances at the dust of your feet.

I am very fortunate to know about your glories in this life. I am very pleased to know about you and your work is done for the sake of people in this Kali Yuga.

Your movement has awakened my consciousness towards Krishna. It's been more than a year in association with devotees on regular basis, and what a blissful hour spending in the gods name every week learning Gita and Bhagavatam and many essential teachings from Sadananda Dasa Prabhu.

After a prolonged interaction with devotees, I learned that happiness comes from consistent association with the supreme lord. I try to chant every day to keep this relation alive with god and my thanks to devotees for motivating me every day.

I feel blessed and blissful when I surrender myself to the lotus feet of Krishna.

I praise you for all you have done to this world and showing us a path for devotional life. You taught us how to praise the lord and make him happy at the same time making ourselves better humans every day.

I was inspired by your solo journey to the west to make a change at the age where no one can dare to do. That shows your determination in following your Gurus instructions and respecting them to a great extent.

I sincerely offer my self at your feet and pleads for your kind blessings.

Your Servant,

Bhakta Phaneendra D.

Bhakta Shray Bhardwaj

Dear Srila Prabhupada,

Hare Krishna.

Please accept my humble obeisances at your lotus feet. All glories to Srila Prabhupada.

In this age of kali, you are the only hope that we have. Your teachings and guidance has helped me understand the actual goal of this material existence. You are so kind to bestow your causeless mercy on non-deserving souls like me. You have translated the message of Krishna so nicely in your lectures and books, for our benefit. Its only because of you Srila prabhupada that Krishna consciousness movement is widely spread in different parts of world and various festivals like ratha yatra are celebrated with great zeal and passion.

I beg you to please keep me at the dust of your lotus feet and give me strength to practice Krishna consciousness sincerely.

Your aspiring Servant,

Bhaktha Shray Bhardwaj.

Bhakta Shreyas

Dear Srila Prabhupada,

Please accept my humble namaskar at your lotus feet. Prabhu, I truly admire your efforts in spreading the divine knowledge amongst the individuals who are aimlessly suffering in this Kali-yuga. It is because of your efforts, today students like me are understanding the true purpose of life.

It was because of your mercy, I attended the Janmashtami festival on the very first day I landed in Boston. I was fortunate to get darshan of Lord Krishna and Lord Balaram, on the very first day of my life in the United States. From then till today, I have had the opportunity to do service for various programs conducted by Boston Temple. Each service has taught me a new lesson and made me realize the importance of spiritual master in my life.

I consider myself very fortunate to be born in a family of one of your disciples. My uncle Sridham Krishna Dasa has guided me immensely into offering service to the lord and it was from him I started my journey of chanting the Hare Krishna Maha Mantra. Likewise, in Boston, Sadananda Prabhu, Balram Prabhu, Palini Mataji, Hari Gopal Prabhu and Pandurang Prabhu have been supporting me immensely to be in acquaintance with the spiritual conscience. I pay my humblest namaskar to all of them because without them my journey in spiritual life would have been very difficult.

Srila Prabhupada, without your mercy, I would never have met all your disciples. Therefore, beg you to forgive me of all the offenses I have committed and keep me blessed in this spiritual journey under your watch.

Aspiring to be your servant,

Bhaktha Shreyas.

Bhakta Srinivas

Dear Srila Prabhupada,

All glories unto you. I pay 108 times obeisance to your lotus feet.

I am fallen in this material world to struggle, survive, struggle, survive, struggle, survive.

My journey in this material world became cyclic with just these 2 things. my day and night are going with pinch of enjoyment and morsel of sorrows covered with material enjoyments. Because of covering I am not understanding. I am still entangling with more material engagements. I was in a stage could not understand what is my real struggle and my real enjoyment is. In this stage of life I have got your books and holy name of lord Krishna to revive my self to the real enjoyment. Let me not distract to any of the other material enjoyments and continue my chance to serve you and follow your instructions.

I beg forgiveness for all the mistakes I have committed. Forgive me for not following chanting the holy name of lord in regular manner.

Please give me strength to continue in sadhana bhakti and reach in a stage to serve you and your mission.

Jai Srila Prabhupada.

Your humble and fallen servant,

Bhakta Srinivas.

Bhakta Subrahmanyam Bulusu

Dear Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet. All glories to your divine infinite grace.

Guru deva, this is my third literary offering in Krishna Conscious journey. With your mercy and guidance, I have been able to continue to make progress in my journey. As a little kid, who is getting introduced to Alphabets, I had my introduction to the ABCD of Krishna consciousness and started to understand the purification process.

A: Association of Devotees

B: Book Reading & distribution

C: Chanting

D: Devotional Service & Deity worship

By your diving grace, the self-purification path you established & taught has laid out a path for devotees in centuries to come. As an ignorant soul in this material body, I consider myself fortunate to have this introduction and the opportunity to associate with some of the Vaishnava devotees and learn the process of how to follow your purification process through them.

O' Spiritual Master, you have accomplished an impossible task of writing incredible number of books in a very short time to help fallen souls like me. They are wealth of knowledge and anyone not reading them or not able to get them to read are in the clutches of Maya and will continue to be in a mode of ignorance. By your grace, I am following your order of reading and distributing your books. Please give me the strength to continue with this task and travel to the mode of goodness (Sattva guna).

With your mercy, I can sustain chanting minimum of 16 rounds per day. I am struggling to increase the quality of my chanting. I was able to join a devotee discussion on "Soulful Japa" where His Grace Madhu pandit dasa was answering his experiences and guidance with us on how improve the quality of Japa by serving the Nama Prabhu with devotion. I am able to reduce offences for following regulatory principles. With your blessing, I was able to give up items that contain egg and caffeine.

O my dear master, this humble servant is aspiring to become a brahmana under your guidance and continue my devotional service in the mode of goodness. I realize that it is a long journey and many aspects to learn. So far, I was able to continue to attend the Bhagavad Gita lectures (Sravanam) and participate in sankirtans (Kirtanam). I continue to participate and contribute in festivals with my services. I finally started to contribute a very small portion of my earnings to your mission. I am continuing with Ekadashi fasting, However, I need your blessing to start fasting on Vaishnava auspicious days. I am currently doing picture worship at home without following any correct procedures. My family and I are fortunate in offering food to you and the Lord every day and we honor your left over as Prasadam. Please bless with the opportunity to progress my devotional service at my humble home to you and to THE LORD SRI KRISHNA.

Srila Prabhupada, O noble one, I feel your presence in your books, lectures and in my daily prayers. On this day, I beg for your blessings to give me strength and perseverance to sustain the drive to follow your instructions and travel on the path you laid out for your followers.

Praying for your grace and compassion in my journey to travel from Mode of ignorance and passion to Mode of goodness.

Your insignificant Servant,

Bhakta Subrahmanyam Bulusu.

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to Srila Prabhupada. All glories to you on this auspicious day of your vyasapuja.

I would love to thank you for presenting and propagating the valuable transcendental knowledge of Krishna Consciousness. It could relieve so much suffering and bring so much happiness to the world, and it surely dose to me. I've been chanting the holy name of Krishna every day to purify my existence. I've been trying to reduce my consumption of meat and spiritualize more of my daily activities. I've been trying to focus my intention to bring good and happiness to Krishna and everyone instead of only myself. During these processes, I taste the superior spiritual joy beyond physical matters and make others happier as well. This experience presents my life with meaning and happiness. And it's your dedication to spreading this knowledge to more people that led me here. For that, I can't be more thankful to you.

Always in your Service and be your humble servant.

Dear Srila Prabhupada,

Please accept my obeisance on your lotus feet.

In past one year, I have been able to see your mercy in my life so vividly and I want to thank you from the bottom of my heart. I feel that you have instilled in me the Krishna consciousness which strengthens my inner-self and provides me with

the confidence inspite of all the turmoil in one's life ("samsara davanal"), life will be calm at the end as per Krsna's plan and so there is no need to fear the uncertainty.

By the grace of the lord, I have been blessed with motherhood this year. By all my sincerity, I would pray for your grace so that you can bless me with a patient heart and mind to raise a Krsna conscious individual at home. As a mother I can realize now, how much sacrifice goes in to raise a kid. I humbly request you to bless me with determination and devotion so that I can evolve in the path of Krsna consciousness despite all the material entanglements.

Your humble servant,

Bhaktin Sanchita Basu Maity.

Dear Srila Prabhupada,

Please accept my humble obeisance.

All Glories to Srila Prabhupada. All glories to you on this auspicious day of your Vyasa puja.

On the occasion of Vyasa puja which comes once every year, we get an opportunity to show gratitude to you, to re-establish the strong relationship with your devotees and decide to follow your instructions every day.

Srila Prabhupada you have written so many wonderful books so today I am able to read Bhagavad Gita which contains detailed transcendental knowledge. I have started hearing the lecture from senior Vaishnavas.

Your books express a beautiful description of Krishna's pastimes. It is only by association with pure devotees I am able to make progress in spiritual life. Initially, it looked like a very daunting and tough task to adopt the Krishna consciousness but gradually when I practice and follow the regulative principle I get more taste in Krishna consciousness.

I sincerely pray that you shower all your mercy on me, so I can be engaged in Lord Krishna's service eternally.

Your humble servant,

Dhruva Maharaja Dasa

Dear Gurudev Srila Prabhupada,

I hereby offer my respectful and humble obeisance unto your lotus feet on the auspicious occasion of your 123rd Vyasa Puja celebration day.

I am very much happy and unlimitedly thankful to you for having been in your association since the year 2013, which is almost 6 years by now. Having been convinced with your teachings of Krishna Consciousness, it has been 2+ years since I have dedicated myself as a full-time missionary to serve the mission of Lord Chaitanya Mahaprabhu.

You have been constantly guiding me through your Vani to walk the journey in the path of Krishna Consciousness and I am still in the neophyte stage trying to crawl like a baby.

anyābhilāṣitā-sūnyam, jñāna-karmādy-anāvṛtam

ānukūlyena kṛṣṇānu-śīlanam, bhaktir uttamā

“One should render transcendental loving service to the Supreme Lord Kṛṣṇa favourably and without desire for material profit or gain through fruitive activities or philosophical speculation. That is called pure devotional service.” CC Madhya 19.167

The remnants of my Karma and Jnana seems to be running still under current with great vigour, even after having decided to surrender to Krishna. I strongly sense that these currents are being impediments for me to advance in Krishna Consciousness. I need your kind intervention here to protect and deliver me from these currents which are trying to carry me away from the path of Devotional Service to the lotus feet of Srimathi Radharani and Sri Krishna.

You have given us the formula *"Simple living, High thinking"*. However, at times it seems that my body, mind and intellect drags me into complicating simpler things and mislead me from reaching my goal in attaining Krishna Prema. I beg for your mercy to purify my body, mind and intellect by manifesting your eternal divine Vani forever, so that I am always on the right progressive path of Krishna Consciousness.

Over the period of journey in Krishna Consciousness, I am developing a strong desire to chant Hare Krishna Maha-mantra offenselessly and also to begin chanting Shuddha Nama everytime forever. I hereby take this opportunity to beg for your mercy and the mercy of other Vaishnava acharyas in our Guru parampara to bestow this kind favour upon me to uplift my consciousness and render pure devotional service as given by Lord Chaitanya Mahaprabhu in His Śrī Śikṣāṣṭakam.

āśliṣya vā pāda-ratām pinaṣtu mām, adarśanān marma-hatām-hatām karotu vā

“I know no one but Kṛṣṇa as my Lord, and He shall remain so even if He handles me roughly by His embrace or makes me brokenhearted by not being present before me. He is completely free to do anything and everything, for He is always my worshipful Lord, unconditionally.

Your Servant,

Dhruva Maharaja Dasa.

Hari Bhandhu Dasa

Dear Srila Prabhupada,

Please Accept my humble obeisances at your Divine Lotus Feet. All glories to your Divine Grace.

I've recently read your letters to disciples showing your most compassionate face to all the disciples and my understanding of this relationship between a disciple and spiritual master has grown. Out of your compassion you have made me sometimes realize how much you take care of even a lowly disciple like me.

My ability to serve you has been decreasing through the years and i feel very pained by this degress. I blame myself for this, for my laziness and lethargy in taking up Krishna consciousness to the fullest capacity. As you always pointed out there is a constant fight between me and my mind and the mind is always winning because of the lack of association of Devotees.

I always look up to my God brothers to take inspiration and always think of their ability to do wonderful service to you and my inability to not serve you.

You have always told in your letters that as a husband and a father, we need to guide our family to progress in Krishna consciousness but due to my inability i am not sure if i am currently doing that.

So, on this auspicious occasion of your Divine Grace's appearance, I would humbly request you to please save me and guide me in preaching your mission to this world in my full capacity, guide my family to take up Krishna consciousness in their fullest capacity and to not deviate from this institute that you have set up, which you always compare to an oasis in a desert. Please protect me from Maya and guide me to become a wonderful servant at your Divine Lotus feet.

Your Humble and lowly servant,

Hari Bhandhu Dasa.

Krishna Chaitanya Dasa

Jai srila prabhupada. Please accept my humble obeisances. All glories onto you.

I was wondering if you were not there, what scope or hope does this conditional soul have. In my current state, I should say I am utterly disqualified to be your disciple but somehow you are so merciful that despite my disqualifications you have given me a chance. But I am so fallen that I don't know how to make use of this mercy of yours. Srila prabhupada - I am still attempting to stand only because of you and this wonderful movement which is inseparable from you. Otherwise, I would have fallen flat long time back. On this appearance day of yours, I beg you to help me stand and hold on to your hand. I cannot do this on my own as I have discovered many times. For me, the only scope and hope for spiritual life is through you.

Your most fallen disciple,

Krishna chaitanya dasa.

Lakshmisha Dasa

Dear Srila Prabhupada,

Please Accept my Humble Obeisances, All glories to Your Divine Grace!

By your causeless and countless mercy, I have been in this great movement. I recently read a quote and it struck me a most on how we in ISKCON Bangalore group of temple could proudly say that Your Divine Grace is the sole Diksha Guru of your disciples

If one develops love for Kṛṣṇa by Kṛṣṇa conscious activities, one can know the Supreme Absolute Truth, but he who tries to understand God simply by logical arguments will not succeed, nor will he get a taste for unalloyed devotion. The secret is that one must submissively listen to those who know perfectly the science of God, and one must begin the mode of service regulated by the preceptor. A devotee already attracted by the name, form, qualities, etc., of the Supreme Lord may be directed to his specific manner of devotional service; he need not waste time in approaching the Lord through logic. The expert spiritual master knows well how to engage his disciple's energy in the transcendental loving service of the Lord, and thus he engages a devotee in a specific devotional service according to his special tendency. A devotee must have only one initiating spiritual master because in the scriptures acceptance of more than one is always forbidden. There is no limit, however, to the number of instructing spiritual masters one may accept. Generally a spiritual master who constantly instructs a disciple in spiritual science becomes his initiating spiritual master later on.

This quote gives very clear distinction between instructing spiritual master and Initiating spiritual master. Even though you are physically not present your transcendental instructions infuses spiritual revolution in the consciousness of the hearer. By repeatedly hearing your divine instructions in the form of books, lectures, conversations and letters one can elevate their consciousness to the transcendental platform without affected by matter.

On this auspicious day, I beg your mercy to strengthen my spiritual health, to tolerate the adverse situations and realize the reality of the age in which we live and the nature of this material world. So that I can focus more and more seriously and surrender 100% without any reservations.

Thank You Srila Prabhupada for giving me opportunity to contribute to your great movement in my insignificant capacity. Please forgive me for the short comings and give spiritual strength.

Your aspiring Servant,

Lakshmisha Dasa.

Mukunda Madhava Dasa

Dear Srila Prabhupada.

Kindly accept my humble obeisance at your lotus feet.

I am blessed to be able to write another Vyasa puja offering since it is an opportunity to remember your glories and your causeless mercy which has fallen upon me. May the Lord in my heart inspire me to pour out my sincere feelings of gratitude towards you on this wonderful day of your Vyasa Puja.

When I look back and compare my state of consciousness twelve years ago, with the present one, I am filled with the feeling that I have been blessed by your spiritual power. This spiritual power is available in your words which is shabda brahman or transcendental vedic sound. These words are no ordinary sound. They are transcendental to space and time and have descended from the spiritual dimension of Goloka Vrindavana. Indeed, the spiritual sound emanating from your mouth is in the same category as the sound emanating from Lord Krishna's flute in Goloka. Ordinary souls of this material world cannot hear the sound emerging from Lord Krishna's flute, but we are fortunate to be able to hear your voice and associate with your words. In this way we get access to the divine realm of Goloka.

The power of your divine words is that it destroys the rajasic and tamasic contamination in our consciousness and awakens attraction for Krishna's name, form, qualities and activities. This is the highest gift that one can get in the human form of life. You undertook severe austerities so that this highest gift be made available to the suffering souls of kali yuga. In other words, you relished undergoing pain and suffering to fulfil Lord Caitanya' mission of spreading Krishna consciousness. This is a great inspiration for millions across the globe who are simple suffering on account of undergoing austerities for personal sense gratification. I kindly pray that my consciousness be always absorbed in your divine words, and that I may be able to practically apply the lofty philosophical truths given in your books.

I pray that I may avoid the ten kinds of offenses in chanting the Hare Krishna mantra. I also pray that I be always conscious of the fact that I am a mere instrument in your hands in whatever preaching activities that I may be engaged in. When I look around and see how the evil influence of kali covers the consciousness of people and forces them to commit sinful activities, I simply feel that I have been saved by Your Divine Grace. The spiritual vibration created by the sankirtana in all ISKCON Temples is the only hope for the suffering masses of the degraded current age. May many many more such Temples come up across the world by the blessings of Your Divine Grace. The growth and development of many ISKCON centres across the world have been hampered over the years because of not accepting Your Divine Grace as the sole diksha guru. We at ISKCON Bangalore and its group of Temples are fortunate to be able to practice Krishna consciousness by accepting Your Divine Grace as the sole diksha guru. May there be success in all endeavors for our group of Temples in our preaching efforts.

Tamil Nadu has many thinkers, philosophically inclined and spiritually inquisitive people who also take great pride in the Tamil language. May the blessings of Your Divine Grace be showered here so that Your Divine Grace' books in Tamil language be distributed aggressively so that people would all become aware of the rich philosophical, cultural and spiritual content in your books.

Kindly forgive my offences at your lotus feet and may I be blessed with sufficient strength to avoid them in future.

Your incompetent servant, Mukunda Madhava dasa.

Nareshvara Krishna Dasa

All glories to your Divine Grace, please accept my humble obeisances at dust of lotus feet, which are adored all over the three worlds.

First of all let me deeply express my gratitude by thanking you, for keeping me under shelter of your Divine Grace's mission. This Hare Krishna Movement that your Divine Grace has established is certainly a shelter for the insignificant soul such as me. Every day, I try to hear your Divine Grace's transcendental sound vibration through your lectures, room conversation, morning walk conversation that purifies this fallen soul inconceivably. Every word of Your Divine Grace is certainly helping me to fix my consciousness in Krishna. You always demonstrated how to be fixed up in Krishna consciousness, what are qualities of pure devotee, how does he act, how does he walk, how does he sit. Just like Arjuna asked question to Krishna in *Bhagavad-Gita* (2.54),

arjuna uvāca

sthita-prajāsya kā bhāṣā samādhi-sthasya keśava, sthita-dhīḥ kiṁ prabhāṣeta kim āsīta vrajeta kim.

So, for this question of Arjuna, one can certainly get answer by studying your Divine Grace's life. You also always demonstrated how to take miserable condition of life as mercy of Lord. Srila Prabhupada, I am always expecting your mercy to progress on this path of Krishna consciousness. Without your mercy, one is simply bewildered on this path of spiritual journey as I can see, people without bonafied spiritual master are getting cheated in the name of spirituality. For most of the people in general, the sole objective of spirituality is to gain some wealth through some worship or acquire comforts of life or avoiding troublesome situations or acquiring magical powers or achieving some peace of mind and nothing beyond this. But one who takes shelter of bonafied spiritual master as you; he gets clear understanding of spiritual life as well as simple process to follow this path. So I consider myself very fortunate being able to take shelter of bonafied spiritual master.

I beg kindly to keep me under your Divine shelter and let me be engaged in your service. I am facing so many difficulties on this path of Krishna consciousness, so I am expecting your Kripa to overcome these difficulties, without your grace how is this possible? So my earnest request at your lotus feet is to keep this lowly soul near your dust of lotus feet which can relieve from the ocean of miseries of this material existence. I kindly beg forgiveness for offences which I committed knowingly or unknowingly. Srila Prabhupada ki Jay!!! All glories to Srila Prabhupada.

Your insignificant servant, Nareshvara Krishna Dasa.

Parama Purusha Dasa

Dear Srila Prabhupada ,

Please accept my humble obeisances at your exalted lotus feet . You have very kindly shown the highest compassion upon this fallen soul by accepting me as your eternal servant.

As we sing every day in guru vandana ,

chakhu-dan dilo jei, janme janme prabhu sei

You have opened my eyes which were covered with ignorance . only by the mercy of a bonafide spiritual master a blinded person like me gets faith to pursue this path against all odds . It is only by Your kindness that one forgoes all the rituals mentioned in vedas and puranas for sattva suddhih which extends over millions of lifetimes and directly comes to the conclusion that "vasudevah sarvam iti " to begin devotional service . In this bewildered state of mind i cant fathom your compassion and measure my fortune of being initiated as full time servant of your goodself . After many many lifetimes one gets a human birth and then out of such thousands one searches for Absolute truth ,one among such thousands take to bhakti yoga and out of such thousands ,one gets the shade of the lotus feet of a bonafide spiritual master . Even though i am completely ignorant of your true exalted position as well as my fallen condition still you have always shown compassion upon me . You have always been guiding me through your books, quotes , Bhagavatam lectures and association of devotees.

The all merciful Supreme Lord shows his mercy based on the desire of a person approaching him but your mercy is even more than Lord's mercy as by your association one develops the desire to serve Him . This is perfection of one's existence. The association of a pure devotee is highest form of benediction of the Supreme Lord.

guru krsna-rupa hana sastre pramane, guru-rupe krsna krpa karena bhakta-gane

"According to the evidence of the scriptures, the spiritual master is non-different from Krsna. Lord Krsna. In the form of the spiritual master, shows compassion to His devotees." (Cc. Adi 1.45)

Srila Prabhupada, i feel remorseful of not being able to serve your mission properly inasmuch as the degree of compassion you have shown upon this fallen soul . I am completely dependent on your mercy and always pray to be so always . Please help me to improve my service attitude so that my activities are always favourable to the devotees who are sincerely serving your lotus feet .

Praying to be always serving your Lotus feet,

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet. Its your causless mercy upon me, that am able to render devotional service to their Lordships Sri Sri Krishna Balaram and Gaura Nitai for the past few years. Your appearance in this material world have given light to many fallen souls like me, to cross this material ocean.Srila Prabhupada your contribution for this human society is invaluable.

Your books are the greatest gifts for this fallen human society to get enlightened about spirituality. By following your instructions anybody can experience the higher truth which exists within and without. Srila Prabhupada you have given us

the opportunity for serving the Lord through deity worship, you have given us the institution to learn about Krishna consciousness, you have presented the vedic literatures in an easy way to understand, you have given us the Krishna prasadam to nourish the body and soul, and at last you have given us the Harinam japa of 16 rounds, without which we cannot make any spiritual advancement.

Srila Prabhupada your dedication and determination to spread the message of Lord Chaitanya , was very successful and it has saved many fallen souls and it will save in the future also. Srila Prabhupada your life is an example of a perfect devotee as it is described in Bhagavad Gita verse 10.9.

mac-cittā mad-gata-prāṇā, bodhayantaḥ parasparam

kathayantaś ca mām nityam, tusyanti ca ramanti ca

“The thoughts of My pure devotees dwell in Me, their lives are fully devoted to My service, and they derive great satisfaction and bliss from always enlightening one another and conversing about Me.”

Srila prabhupada on this auspicious occasion, I beg for your blessings to advance in Krishna consciousness. Kindly bless me with offense less japa and humble character towards the vaishnavas.

Yours fallen servant,

Partha Sakha Dasa.

Radha Giridhari Dasa

Dear Srila Prabhupada,

Please accept my most humble obeisance at your lotus feet on this most auspicious appearance day anniversary of Your Divine Grace.

The occasion of Vyasa Puja is very special in the life of a disciple. This is the day when the disciple recollects all the wonderful things that have happened in his life due to the special mercy of his Gurudev and strengthens his commitment for the service of his spiritual master. A true disciple incessantly glorifies his spiritual master, as he understands and recognizes the contributions of his beloved master in reforming his life. But I am so unfortunate that I am struggling to glorify you on this special day. This shows my fallen position and casual approach towards a life time opportunity which is provided to me by your causeless mercy.

In the purport of 3rd canto, 9th chapter, text 12 its mentioned that the pure devotees take the missionary responsibility of turning nondevotees into devotees, and they are therefore able to satisfy the Lord more than the demigods. The Lord is unmindful of the nondevotees, although he is sitting within everyone's heart as well-wisher and supersoul. However, He also gives them the chance to receive His mercy through his pure devotees who are engaged in missionary activities, as He did in the form of chaitanya, but mostly He sends His bona fide representatives, and thus He shows His causeless mercy towards the nondevotees. The Lord is so satisfied with His pure devotees that He wants give them the credit for missionary success. All Glorious to Srila Prabhupada.

Let's take a short pause to help understand the Bhagavatam's message here. One of Srila Prabhupada's anecdotal statements in this regard came in the early days at 26 Second Avenue. One person asked Srila Prabhupada a question. "Swamiji, it is said in the scripture, you taught us, that the spiritual master is one who knows the Vedas, and one who knows the Vedas knows all things. Is that true? Can you tell me how many windows there are in Empire State Building?" Without hesitation Srila Prabhupada replied "How many drops of water are there in the mirage?" He didn't elaborate. It's not that the spiritual master is encyclopaedic, or that he is the knower of all trivia. He knows the difference between illusion and reality and further, as far as a person who is in Srila Prabhupada's position, or is an unalloyed servant of Supreme Lord, you have other desire than Krishna's desire. In turn, Krishna gives you whatever you needs to know for his service. Krishna is not restricted to imparting knowledge by being situated in your heart. He has different means of providing His unalloyed servant the

knowledge of what Krishna wants. Turn left or right etc. what to do in a complex circumstance. All glorious to Srila Prabhupada

In the 5th canto Bhagavatam, Chapter 18, “*Prayers of the Residents of Jambudvip*”, there are two prayers offered by Prahlad One of those 2 prayers, paraphrased, is “*My dear Lord, your sharp claws and pinching teeth are not a source of fear from me, I pray that you use them to rip from my heart all material desires.*” He has no material desire, like Prabhupada had no material desire; but one who is elevated prays that way. All glorious to Srila Prabhupada.

Recently I heard one lecture in that one of the glorious pastimes of you is very important to transform a yavanas and lechas like me you took hard struggle to write books and within 10 years you come up with 70 books even guiding devotees, constructing temples & writing letters doing all this you wrote books & one of interviewer asked prabhupada its humanly not possible I am sure Lord Krishna must have inspired you to write this books, you must have got inspiration from Krishna, one devotee stood up and told yes Krishna only inspired prabhupad, prabhupada looking at reporter no this is not a fact Krishna has personally written this books. I have just writing and Krishna was dictating . All Glorious to srila Prabhupada.

Your insignificant and most fallen servant,

Radha Giridhari Dasa.

Raghava Sharana Dasa

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet on this most auspicious day.

The Lord glorious are unlimited, similarly your glories are also unlimited. You are eternally liberated and confidential associate of the Supreme Lord Sri Krishna. You take immense pleasure in spreading the glories of the Lord in spite of all inconveniences in this miserable material world. You also expertly induce fallen souls to take up Krishna Consciousness and engage them in serving the Lord. Let me offer my respectful obeisance unto you again and again.

Srila Prabhupada, by your causeless mercy, I have been staying in Ashrama since December 2017 and since then engaged in serving your divine mission for your pleasure under the guidance of your sincere devotees. My beloved spiritual master, being compassionate to the fallen souls of modern age, you have accepted this disqualified jiva, as your disciple on Garuda Panchami day last year. I am eternally indebted to you for giving me opportunity to serve you as your disciple. I beg for your causeless mercy always to act as your menial servant in a manner befitting as your disciple and Srila Prabhupada give me strength not to act in manner that defame your name and your organization values.

Srila Prabhupada you are such a wonderful Acharya that you have given complete spiritual life in a nutshell, chanting 16 rounds and following four regulative principles. By your mercy one can realize that, every aspect of spiritual life is taken care simply by following this single instruction sincerely.

To fulfill the desire of Brahma Madhva Goudiya Sampradaya Acharyas and Vaishnavas, you have been establishing the Hare Krishna Centers all over the world to reclaim the fallen souls of this material world. Any sincere spiritual aspirant can take association of these hare Krishna centers and get out of material existence in this one life itself.

Srila Prabhupada, you are a pure devotee, the whole world is indebted to you for your great contribution to humanity in the form of Hare Krishna Centers, particularly nectarines Bhakti Vedanta Purports in your books, your recorded lectures and many more.

O my spiritual master Srila Prabhupada, i bow down at your lotus feet and pay obeisance again and again for your causeless mercy upon this conditioned soul. Kindly bestow spiritual strength to follow your prime instructions of chanting 16 rounds attentively and following four regulative principles very strictly. Please forgive me for countless offenses done against you, your institution, devotees and to the Deities in the temple.

Thank you, Srila Prabhupad, for blessing me with the wonderful gift of devotional life which is very joyful and please bless me to remain as your menial and faithful servant eternally under the guidance of your sincere disciples.

Your most insignificant servant,

Raghava Sharana Dasa.

Ramya Rupa Devi Dasi

Hare Krishna!

All Glories to Srila Prabhupada.

Dear Srila Prabhupada, please accept my humble obeisance's at your Lotus Feet.

Please accept my homage for the 123rd Vyasa puja 2019.

Today I would like to express my gratitude with my tiny intellect towards Your Divine Grace A.C. Bhakti Vedanta Swami Srila Prabhupada by glorifying one of the quality that you possess is "Equal to Everyone"

Prabhupada, You saw every single soul equal and saw Super soul in everyone's heart and never made any discrimination between the souls, rather you gave the highest benefit for the souls in their spiritual progress.

May be the soul in the body of black or white, men or women, young or old , you never made any distinctions nor was partial to anybody, you treated everyone equal and engaged all of them in the service of Lord Krishna.

You made us realize that we should treat everyone with equality spiritually and realize we are all servants of Lord Krishna. Though there may be bodily differences but on spiritual platform we are all equal, keeping in mind that we are not these bodies but we are spirit souls meant to serve Krishna eternally.

Lord Caitanya recited: *"I am not a brahmana, ksatriya, vaisya or sudra. I am not a brahmacari, grhastha, vanaprastha or sannyasi. What am I? I am the eternal servant of the servant of the servant of Lord Krsna"* (CC Madhya 13.80). Prabhupad, you made us realize this practically by your time immemorial teachings and illustrations that This is our only identification that our real position and our real identity is we are servant of servant of servant of Lord Krishna. And rest other designations man, woman, manager, assistant, etc are all temporary in relation to our material body. In your purports you mentioned that *"When a man is covered by different designations, he cannot engage in devotional service. One has to become freed from such designative activities and become pure in order to serve the Supreme Personality of Godhead through purified senses"*.

Such is the magnanimous equality you show to one and all, teaching and living by your example, all glories to you Srila Prabhupad. Please accept this tiny foolish person as an atom at the dust of your Lotus feet aspiring to be your sincere disciple.

By your mercy, we (Srikantha Govinda Das and myself) as a couple have improved in our sadana and also devotional service. For the pleasure of Lord Krishna and Your Divine Grace, I would like to mention that Srikantha Prabhu has distributed over 400 big books which includes Bhagavad-Gita As It Is and Krsna book , and over 100+ small books in the last 2018 Book Marathon and I was assisting him. Please bless us to distribute more and more of your books always and become humble dedicated disciples at your lotus feet.

Please forgive us for all the offenses we have committed at your Lotus Feet if any. Thank you Prabhupad for all your causeless mercy upon us. And Thanks to Lord Krishna for blessing us with such a wonderful bonafied Spiritual Master. All Glories to Srila Prabhupada.

Jai Srila Prabhupada!

Dear Srila Prabhupada,

Please accept my humble obeisance's at your divine lotus feet. All glories to you on this most auspicious day of your appearance.

*'sādhu-saṅga', 'sādhu-saṅga'—sarva-śāstre kaya

“The verdict of all revealed scriptures is that by even a moment's association with a pure devotee, one can attain all success.”

Srila Prabhupada, by your association in the form of your vapu and vani , you have transformed, you are transforming and you will continue to transform the lives of millions of people throughout the world. You are the true ambassador and saviour of the world. Only by your mercy can the materially afflicted world get relief from the blazing fire of material existence.

The greatest gift you have given to the whole world are your books. You have taken so much trouble to translate, give word for word meaning, purport and you have explained the philosophical truths in such a lucid manner. How fortunate we are that we can associate with you directly by reading your books. Simply by reading your books one can become fully convinced about Krishna. Your temples are like an oasis in the desert of this miserable world. You have given us such a wonderful program right from morning to night to be fully engaged in serving Krishna.

I consider myself most fortunate to be serving in your mission and the mission of Lord Chaitanya for the deliverance of all the fallen souls in the Kali-yuga. Please bestow your mercy and blessings upon me so that I become free of all anarthas.

Your eternal servant,

Sadachara dasa.

All Glories unto your Lotus feet,

Dear srila Prabupad,

Please accept my humble obeisance unto your lotus Feet again & again. Many millions of thanks for your causeless mercy on accepting me under the shelter of your mercifully lotus feet.

Dear Master, Lord Rama Accepted the army of Monkeys to fight against the Ravana knowing very well that they are not having any strength to fight against the power full Demons, their only quality was their desire to serve the lord. Lord Rama accepted their service & the demons saw all the monkeys in the form of Lord Rama in the battle field & flew in fear. Same way you have accepted me also as your soldier in the war declared by you against Maya & it is only you are fighting on behalf me & giving that credit to me. Whatever little service whether it be chanting, hearing lecture, reading books and any other practical service i do, it is purely because of your gracious causeless mercy only, otherwise a person like me do not possess any quality to chat the Holy Name of Lord Krishna.

It is said in CC Madhya Lila 19.151

Brahmanda bhramite kona bhagyavan jiva, Guru – Krishna – Prasade Paya bhakti Lata Bija.

Out of many millions of wandering living entities, one who is very fortunate gets an opportunity to associate with a bona fide Spiritual master by the grace of Krishna. By the mercy of both Krishna & the spiritual master, such person receives the seed of the creeper of devotional service. My dear Master it is purely by your causeless mercy we came to know about

Krishna, there is nothing can be bigger in both the material & spiritual world than the devotion to Lord Krishna that which you have given to all of us even we do not possess any ting of quality to attain this.

Dear Prabupad on this auspicious day, my only wish & prayer to your lotus feet is that let me serve you sincerely like a Dog who serves his master & ready to lay his life for the sake for his master. I humbly beg your causeless mercy to bless all of us with the strength to follow all your instruction as a heart & soul and serve your mission for your complete satisfaction.

I sincerely apologise & beg your forgiveness for all the mistakes & offenses i committed at your lotus feet.

All glories unto your lotus feet.

Thanking you,

Your Menial Servant,

Let me offer my respectful humble obeisances unto lotus feet of my beloved spiritual master His Divine Grace A.C. Bhakti Vedanta Swami Srila Prabhupada on the occasion of His 123rd appearance day in this world. Being an unfit Disciple of Srila Prabhupada, I am eternally indebted to His Lotus feet of His Divine Grace for accepting me an insignificant, unqualified and rotten as a disciple.

Dear Srila Prabhupada, it is your unlimited, unparalleled and ocean of compassion upon this fallen soul which is making me to be in association of devotees under the umbrella of your Lotus feet otherwise not possible for me, as Maya is so powerful that I would have been washed away by Maya long ago and even at any time now. Thank you my Gurudeva for keeping and giving shelter at your Lotus feet.

My Dear Srila Prabhupada, it is your causeless mercy upon me to be in your organization and its great opportunity for me serve the senior Vaishnava who are engaged very seriously in serving your mission.

My beloved Gurudeva, by your causeless mercy, you made me to understand that There is no pleasure in sense enjoyment rather unlimited miseries and sufferings in this, you forced me to give up this and lead a life of devotee.

Dear Srila Prabhupada, you have given me matchless gift of Krishna Consciousness for that I am not at all eligible, still you have given freely to me. Thank you Srila Prabhupada for this matchless gift.

Dear Srila Prabhupada, it is because of your causeless mercy upon me that I am trying to do devotional service to you as pujari. otherwise I am Maya-Chela.

My Beloved Srila Prabhupada, please bless me , help me and correct me to improve my chanting which is currently full of offenses.

My beloved Gurudeva, you have saved my life from becoming degraded and rascal no -1. You are the only my saviour.

Dear Srila Prabhupada, you are real & genuine Guru, how boldly and widespread you preached Krishna Consciousness throw-out whole world single handily, in order to give Vedic Wisdom to the whole world without caring for personal inconvenience and bad health even at the risk of own life. You never felt tired, morose & hopeless when reversal like Bombay temple land issue came upon you rather you were more enthusiastic, 100% dependent on Krishna's mercy. You are the pure devotee, I offer my respectful humble obeisances unto your lotus feet again and again.

Always Encouraging and preaching to the Devotees: I read from your Biography that in last days of your departure from this world, your health was extremely bad, your body became so weak, you were unable to walk even unable to speak also, At the risk of your life , still you decided to go to London temple to encourage the devotees and preach to the devotees. By

your presence in London temple, all the devotees got fired up and they were feeling great bliss and enthusiasm in your divine association. I offer my respectful humble obeisances unto your lotus feet again and again for having rigorous enthusiasm to preach and encourage the devotees.

Your Most Fallen & Insignificant Servant

Satyajit Gauranga Dasa.

Shravana Mangala Dasa

Dear Srila Prabhupada,

Please accept my humble obeisances. This Hare Krishna world once created by Lord Caitanya Mahaprabhu, is made to grow brighter by Your Divine Grace to give ultimate benefit to the fallen souls like me in order to rectify my contaminated consciousness. Although apparently situated within this fruitive world, the boon we receive in the Hare Krishna world, is incomparable to what we receive by worshiping any powerful personalities in the fruitive world. In this Hare Krishna world, we are getting a chance to give pleasure to the most merciful incarnation of the Supreme Personality of Godhead, Nama Prabhu, Hare Krishna Hare Krishna Krishna Krishna Hare Hare Hare Rama Hare Rama Rama Rama Hare Hare.

The various other angas of devotional practices like associating with devotees, reading your books, performing sankirtana, hearing bhagavatam, preaching to the people, worshiping the deities, glorifying the vaishnavas and so forth are supplemented by chanting the holy name of the Lord. You have created a wonderful platform to enrich our consciousness. Although by birth I lived like an animal, you have showered unlimited mercy upon me. We are experiencing the difference between what we were before coming to this Hare Krishna world and what is our life within this Hare Krishna world. We are practically seeing that there is some transformation in our consciousness. Your instructions are purifying us every day and our consciousness is enriching moment to moment. It's all happening because of your unlimited mercy. Nobody is merciful to people like us in this dark age of kali yuga other than Your Divine Grace.

Although you are engaging in pure devotional service, you followed the principle - simple living and high thinking. Your teachings are the boundary wall for all our inquiries. There is nothing more to know anything beyond it. All other knowledge sources are subordinate to your teachings. By mercy of the Supreme Lord, I come in touch Your Divine Grace, and by your causeless mercy, you are trying to reconnect my "self" with the "Supreme Self". O master! When will I genuinely become closer to the understanding you have? You have shown by your practical example how to live in this world and how to leave this fruitive world. This life style you have set up for practicing devotional service is easy to follow. Please guide me to enrich my devotional relationship with my co-devotees, so that cooperatively we serve to please our Supreme Lord, Nama Prabhu. Lord Caitanya has brought this Nama Prabhu to this material world. You are serving such most merciful incarnation by giving a special invitation for everyone to come and live in this royal palaces of this Hare Krishna world and take part in giving pleasure to the Nama Prabhu. By means of giving pleasure to the Nama prabhu, our lives become enlivened.

The service we can render for the Nama prabhu is by distributing your literature to as many people as possible. These literatures are like atomic bombs for destroying the fruitive mentality. O most merciful personality, I am humbly begging you to utilize me as your tool to keep inviting more and more jivas and take advantage of this Hare Krishna world.

Your Servant,

Shravan Mangala Dasa.

I was born in the darkest ignorance, and my spiritual master opened my eyes with the torch of knowledge. I offer my respectful obeisances unto him.

Dear Srila Prabhupada,

Please accept my most humble obeisances unto your divine lotus feet. All glories to you Srila Prabhupada. Let me first admit I am not sufficiently qualified to glorify your divine grace and all that I am standing now is merely your divine Grace's mercy.

Srila Prabhupada you always lived by the way you preached. I have seen many sadhu's their teaching is different, there life style is different. You quotes those who want to get cheated will be directed to the cheaters. But when I see the quality of people who approach so called cheaters, I feel I am really worst than them. But by your divine Grace's mercy you have brought me to you and you are lovingly, kindly keeping me in your shelter. Thank you Srila Prabhupada for giving me a shelter in your house. You have given the most important weapon to counter all ill effects of Kali. I can see and proudly tell no other sadhu can give this most powerful heart changing tablet than your divine Grace. They all may teach some breathing exercises, some sacred ashes... this and that. Thank you for giving the yuga Dharma Hare Krishna Mahamantra to me. Even though I am not qualified to stay among devotees, you have given me the opulence to associate with them, stay with them and work with them. Thank you Srila Prabhupada for creating a beautiful institution called ISKCON. You have exposed all the faults in the existence and you give us a very clear perception of life through your divine Bhakti Vedanta purports. All though I don't have any taste for reading, whenever I read, I really enjoy the truth you have presented in your purports. The morning program, diety worship, prasadam you have given is so powerful. Thank you for all these gifts. Devotional Service is so powerful. It clears all the lower modes and can be executed only when we are in Brahma buta stage. But You are very kind to engage me in the transcendental loving service of the supreme lord.

In spite all these blessings on me, I still remain adamant, unchanged, not becoming a proper instrument in your hand. On this auspicious occasion of your divine appearance day, I beg from your divine Grace that I strive continuously for progressing in Krishna Consciousness. Maya is very strong; I have no strength to fight alone. I seek your help, blessings, guidance to fight against Maya and progress in Krishna Consciousness .I am lagging in chanting attentively, honouring prasadam attentively, reading your books, executing devotional services carefully, in following 4 regulative principles. Srila prabhupada kindly bless me in improving in all the areas. Kindly keep me at your shelter, although I don't deserve such a benediction. Thank you once again Srila prabhupada.

Your's most fallen servant,

Shyama Kripa dasa.

Sri Radha Govinda Dasa

Dear Śrila Prabhupāda,

Please accept my humble obeisances. All glories to you. Please forgive me for my inadequacies. You have given me a priceless gift, your knowledge of spiritual life. How is it that I am among the recipients who have received it? It is only because of your compassion and mercy that am among the fortunate.

Today on this auspicious day I would like to remember one of your pastimes. When Tamal Krishna Goswami, was the temple commander in the La Cienega temple in Los Angeles. You called him one day and asked him to get the Bhagavatam. He had his original Bhagavatam with the spiritual sky on the cover. You said, "Do you see this spiritual sky? It's very big.

You cannot fathom how big this is. Three-quarters of Krishna's creation is the spiritual sky, and one-quarter is the material creation. That material creation has innumerable universes. One universe is so big the scientists can't measure it. We're on one planet in one of those universes out of innumerable universes, which constitute one-quarter of the creation. This one planet, Earth, is one of the smaller planets in this universe. On this planet there are seven continents, and on one of the continents, North America, there is a great city called Los Angeles. In that Los Angeles city, there's a long boulevard called La Cienega. On that La Cienega Boulevard, there is one church building that is now a Hare Krishna temple. In that one Hare Krishna temple, there is one Tamala Krishna, and he thinks that he is very important." Like this you corrected Tamala Krishna Goswami.

Many times I feel "am doing something great and very significant" but this statement of yours makes me think how small I am and how big my false ego is. Like this whenever my false ego pops out, your instructions are always coming to me and makes me humble. I remember an incident in Mayapur, after the Lotus Temple was built. All the devotees were praising you for your achievements and by saying "You are the real representative of Lord Krishna and Lord Chaitanya, special sankirtan general for the whole world and so on". In a lecture on the same day evening, before saying anything you said with quite choked voice "Actually I am unfit to be your leader," and everyone became very quiet. And You continued saying "You are all spreading Krishna consciousness in the Western countries because of your previous connection with the sankirtan movement, and Lord Caitanya has put you there. And you are actually doing everything and I am not fit to be your leader." This is a level of humility you showed that I cannot understand. It was obvious that you are doing really big things, but you are absolutely taking no credit for it and you really meant it, otherwise you wouldn't have said it. You have no sense of thinking that "I am the doer."

Am always afraid of my attitude and behaviour, many times my false ego comes in place and dominating the situation where I take the credit and I feel "am the doer". Am hereby begging for your mercy and compassion, please show some light on me and make me humble and obedient to your instructions. Unless you give me strength, I cannot overcome all these weaknesses. I could remember a song from Bhakti Vinoda Thakur's Saranagati,

gurudev! kṛpā-bindu diyā, koro' ei dāse, tṛṇāpekḥā ati hīna sakala saḥane, bala diyā koro', nija-māne sprḥā-hīna

"Gurudeva, O spiritual master! Give to this servant just one drop of mercy. I am lower than a blade of grass. Give me all help. Give me strength. Let me be as You are, without desires or aspirations."

Once again thanking you for everything you have given me.

Your eternal humble servant,

Sri Radha Govinda Dasa.

Srikanta Govinda Dasa

Hare Krishna!

All Glories to Srila Prabhupada.

Dear Srila Prabhupada, please accept my humble obeisance's at your Lotus Feet.

Please accept my homage for the 123rd Vyasa puja 2019.

Recently I was reading one of your quotes in which you mentioned that "One who cannot rise early in the morning is not very serious about spiritual life. One must rise before the brahma-muhūrta hour-that is very auspicious. And one will take the trouble to do so if he is serious about spiritual life."

After reading this quotes, my entire paradigm towards morning sadana changed. Though I have been following sadana from my FOLK hostel days but there is a significant improvements in attending morning sadana in this year. I can see there is a tremendous improvement on my conscious level especially when I follow complete sadana in the morning time. Many times

you have stressed that “sadana is the back bone of spiritual life”. I started realizing now and yielding the fruit as well. Thanks for your inspirational quotes Srila Prabhupada.

One powerful verse from Madhya Lila Mahāprabhu describes the process of devotional service

“sādhu-saṅga, nāma-kīrtana, bhāgavata-śravaṇa mathurā-vāsa, śrī-mūrtira śraddhāya sevana”

Translation: “One should associate with devotees, chant the holy name of the Lord, hear Śrīmad-Bhāgavatam, reside at Mathurā and worship the Deity with faith and veneration. (cc.madhya.22.128) Next verses it says “These five limbs of devotional service are the best of all. Even a slight performance of these five awakens love for Kṛṣṇa. (cc.madhya.22.129)

I wonder how you superbly designed morning program in such a way that anyone who is engaged in Krishna consciousness in Hare Krishna movement is automatically performing these five activities. You are really a spiritual genius!

This year is going to be completion of 8th Year under your shelter formally. Oh my dear Srila Prabhupada, You pulled me out of the mouth of yamaraj and threw me at the lotus feet of Nitai Gauranga but this sinful creature still wants to crawl away from Nitai Guranga’s lotus feet and smell the other items in this material world. In CC we understand that Nitai is more merciful than Mahaprabhu as he delivered Jagai & Madai. According to me you are so merciful than Nitai as you have accepted me as your initiated disciple.

Oh Srila Prabhupada, In Hare Krishna movement or ISKCON. You have lot of bramacharis & Sanyasis and other senior vaishnavas where all of them are serving you very nicely but I am being grahasta unable to serve you full time with so called “Grahasta responsibility”. Kindly bless me so that myself along with my family members fully surrender and serve you full time. I am sure that day is not far away.

On this auspicious day, I would like to offer my service in the form of last year book marathon sales where we have distributed over 500 big books which includes Bhagavad-Gita As It Is and Krsna book , and over 100+ small books along with other vaishnavas.

Please bless me to become a sincere and humble devotee, to please your grace and Lord Krsna. Please forgive us for all the offenses we have committed at your Lotus Feet.

Jai Srila Prabhupada!

Your’s insignificant servant,

Srikanta Govinda Dasa.

Sudama Vipra Dasa

Dear Srila Prabhupada,

Please accept my humble obeisances.

We are in such a fallen age where a person belonging to a Vaishnava tradition, sitting in Vyasa’s cave near Badrikashrama, where Srila Vyasadeva had compiled the Srimad Bhagavatam – which glorifies the Personality of Godhead (vasudevasya mahima), is giving an impersonal explanation of the word “Bhagavan” to the pilgrims. We are in such a fallen age where intoxication, mundane goodness and altruism are passing of as spiritualism even in the most exalted places of Vaishnava pilgrimage. We are in such a fallen age where some of your followers are claiming “The house that you built for the entire world to live in” as theirs and have their pictures placed alongside yours and are accepting Guru Puja every day in your temples.

You have said that spiritual life is Kṣurasya dhārā – a razor’s edge – one has to be very careful to tread the right path, otherwise there are many other paths which also seem to be spiritual but are actually not. In a dangerous world filled with so many seemingly spiritual paths, only a recipient of the mercy of your transcendental vani can approach, make progress

and attain the highest platform of Krishna consciousness and be saved from these false paths which would also have appear bonafide otherwise.

It is only by reading Bhaktivedanta Purports and following your instructions that one can realise the conclusion of the revealed scriptures - that the Absolute Truth is a person. Only your books and vani can bring about a revolution in the impious lives of this world's misdirected civilization. Only by following your instructions and keeping you at the center can one become "anyabhilasita shunyam" and progress towards the topmost platform of bhakti.

You have said phalena paricaryate – "a spiritual master is recognized as an actual guru when it is seen that he has changed the character of his disciples." Even though you are not physically present, we see your vani transforming the character of more and more souls who are dedicating themselves to your mission, whereas in some of your temples where some of your followers have claimed themselves to be the next guru, there are hardly any devotees to even attend the mangala arati and guru puja. Therefore, it is only you who are Krishna's truly empowered representative through whom the sankirtana movement can expand.

Srila Prabhupada, you are a repository of the qualities of all the preceding spiritual masters. For your writings which you have said are not your own but dictations from Krishna Himself - you represent Brahma who first received this knowledge from the Lord Himself; for your relentless travel across the globe and preaching to even the most unqualified - you represent Narada; for your enormous literary contribution in the form of your books you represent Vyasadeva; for not distinguishing between male and female and seeing the soul within everyone; - you represent Sukadeva Gosvami, for defeating impersonalism and voidism - you represent Madhvacharya; for introducing worship of Radha Krishna world over – you represent Madhavendra Puri; for your deep attachment towards your spiritual master – you represent Ishwara Puri; for taking the sankirtana movement all over the world – you represent Chaitanya Mahaprabhu; for demonstrating how you were never forgetful of Krishna even during your household days and were always engaged in Krishna's service - you represent Srila Bhaktivinoda Thakura; and for institutionalizing the Bhagavata Dharma - you represent Bhaktisiddhanta Saraswati. I know of no one who can equal you and consider it my good fortune to be accepted as your disciple.

Srila Prabhupada, on this occasion, I pray to you that I always be conscious that you are like the Ganges, and my service to you is like offering a palmful of the water of the Ganges back to the Ganges. I pray you to bless me with all seriousness, sincerity and enthusiasm in executing my sadhana and service. I pray to you that I always have deep appreciation and respect for my Godbrothers and refrain from Vaishnava aparadha. I pray to you to give me strength to put the understandings and realisations which you bestow upon me, into daily practice. I pray to you that I always be conscious that there is no other way, there is no other way, there is no other way other than being under your shelter and engaging in your service.

I offer my respectful obeisances unto my spiritual master, who has opened my eyes, which were blinded by the darkness of ignorance, with the torchlight of knowledge.

Dear Srila Prabhupada , I offer my respectful obeisances unto your divine lotus feet on your divine appearance day .

Your were really fixed in following the order of your Guru Maharaja, His Divine Grace Srila Bhakti Siddantha Sarasvathi Thakur which was to spread Krishna Consciousness to the English speaking people and to print books if you ever get money

Your divine grace took this instruction very seriously and you left to the western world at the ripe age of sixty-nine and amidst so many difficulties and ill-health , you spread the message of Lord Krishna & Chaitanya Mahaprabhu in the western world and by doing so converted many HIPPIES to HAPPIES

This Quality of yours – Sincerity to adhere to the instructions of your Spiritual Master -is what I admire in your Divine Grace the most . I keep reminding myself about this quality of yours when I feel weak & sometimes stray away . This helps me boost myself up & get myself on the spirituality track – when I sometimes go astray .

You have given many simple instructions like – *“This is the easiest process – that you come here and hear about Krishna . That's all . You haven't got to do anything . Simply come here – we are opening all these centers to invite you . Please come here and hear about Krishna (Srimad Bhagvatham 3.25.1)*

Your other simple instruction – *“ So the easy process is ..it doesn't matter .. Accordingly to your qualification, you engage yourself in any work , but try to satisfy Krishna . Then your life is successful (Bhagvad Gita 4.17)*

So on this auspicious day – I pray at your lotus feet to follow these simple instructions with lot of Sincerity ,humility & devotion – because that is the only way in which I can please Krishna . As confirmed by Srila Narattama Das Thakur –

tandera carana-sevi-bhakta-sane vas janame janame hoy ei abhilas

To serve the Lord and the servants of his servants , in the association of devotees is the only objective of a pure ,unalloyed devotee (Srimad Bhagvatham 6.11.25 purport)

Please bless me and my family to be eternally grateful to you and your Mission .

Dear Beloved Srila Prabhupada,

Please accept my humble obeisances in the dust of your lotus feet. All glories to You.

Prabhupad today is your auspicious appearance day. This is the day were all the disciples and followers of you remember you most. Prabhupad your appearance and disappearance is not like ordinary living entity, take birth for sense gratification, your appearance is divine, you have appeared in the material world for fulfilling the supreme lords desire. Just to show mercy and compassion for the conditioned soul. prabhupad the entire world is looking for your association through your lectures, books and temples devotees you have established, when you stressed that you will be there in your books for ever. Prabhupad when you originally wrote bhagavad gita as it is in the form in which it is presented now. there were lot of demand for it. You have presented the book with knowledge with full parampara explanation in order to establish the Krishna consciousness movement more soundly and progressively.

Prabhupad you have established the Krishna consciousness movement is genuine, historically authorized, natural and transcendental due to its being based on the bhagavad gita as it is and srimad bhagavatam. prabhupad it is gradually becoming the most popular movement in the entire world.it is the great fortune for entire world, that you created the house

for entire world. Prabhupad there are many editions of bhagavad gita as it is but it was with adulteration, someone's personal ambition. There was no intention to present supreme personality of godhead, and is mission. Lord caitanya has warned us about these unauthorized men. Lord caitanya clearly says that anyone who tries to understand bhagavath gita from mayavadi point of view will commit a great blunder. Prabhupad only through your book living entity will come to right understanding. You have thought us the purpose of life, you are one and only shelter to cross this material ocean. People in general, especially in this age of kali are enamored by the external energy of Krishna, and they wrongly thing that by advancement of material comforts every man will be happy, they have no knowledge that the material or external nature is very strong, for everyone is strongly bound by the stringent laws of material nature. It is only taking shelter at your lotus feet we can cross over this material world. Kindly engage me in your service always.

Thank you very much, srila prabhupad, all glories to your divine lotus feet.

I was born in the darkest ignorance, and my spiritual master opened my eyes with the torch of knowledge. I offer my respectful obeisances unto him.

Dear Srila Prabhupada,

All Glories to you, please shower your special mercy on this Auspicious day of your appearance day.

I am very indebted to you for what you have bestowed causelessly upon me. You have so kindly explained the importance of human form life and urged me to take shelter of the lotus feet of the Supreme Personality of Godhead Krishna. For you have given the meaning and the value of what is taking shelter of the lotus feet of the Lord from the below verse (SB 10.14.58 Brahma's Prayers Lord Krishna)

samāśritā ye pada-pallava-plavaṁ mahat-padaṁ puṇya-yaśo murāreḥ

bhavāmbudhir vatsa-padaṁ paraṁ padaṁ padaṁ yad vipadāṁ na teṣāṁ

For those who have accepted the boat of the lotus feet of the Lord, who is the shelter of the cosmic manifestation and is famous as Murāri, the enemy of the Mura demon, the ocean of the material world is like the water contained in a calf's hoof-print. Their goal is paraṁ padaṁ, Vaikuṅṭha, the place where there are no material miseries, not the place where there is danger at every step.

If you have not enlightened me with the spiritual knowledge of I am being part and parcel of the Supreme Lord Krishna and my eternal nature of existence is to render loving devotional service to the lord, my life could be in topsy-turvy and lost in sense gratification and become victim of bad association.

I am very grateful to you for being my spiritual master and helping me to understand the value and the spirit devotional service through the institution you have established. Kindly continue to guide me for I am weak and fallen conditional soul. Please bless me with strength, intelligence and enthusiasm to continue in devotional service.

Thanking you Srila Prabhupada.

Dear Śrīla Prabhupāda,

Please accept our humble obeisances millions of times at your lotus feet.

On this Vyāsa-pūjā day we are once again remembering and tasting the sweetness of your transcendental glories. By your mercy i am able to continue my 7th year in your cause less shelter and by your grace we can remain to continue in your missionary activities. The recent lecture by one of the devotees explains that the knowledge of parampara can penetrate others only by great conviction and realization. At our current platform i am always haunted by three modes of material nature, the convictions are always changes by time period of the day, as devotees says that you can over come maya by forgetting it, as an example that trying to hold the tire when you are giving acceleration is foolishness, and by turning off the engine you can stop the wheel is similarly seems easy. By the method of constant accompany of devotee and constant engagement in services makes the devotee free from anxiety of greed , lust etc. By your grace we are so protected in various methods even though we are unqualified. Your example teaches me that our lives, to the very end, must be dedicated to preaching Kṛṣṇa consciousness.

We have read of your struggles to make the Śrī Śrī Rādhā-Rasabihārī temple in Juhu a success. We pray for your blessings that we can similarly overcome the obstacles we will face in making this temple in Chennai for our worshipable Lords, Śrī Śrī Gaura-Nitāi, Śrī Śrī Krishna Balarama so that Their name and fame can be spread throughout every town and village. We also require the protection of Your Divine Grace so that we do not become attached to the marble stone of the temple and quarrel among ourselves. We hope and pray that becoming unalloyed pure devotees of Kṛṣṇa will be our focus, and that we will not become complacent upon completion of this new facility but rather increase our preaching. Your mercy is essential for us to succeed.

Our vision for this project is multifaceted, but our major dream is for it to become a facility for educating souls about the science of bhakti-yoga. You have said so many times in your letters, lectures, and purports that although there are numerous institutions for learning mundane subject matter, where are the institutions for teaching about our real need as spiritual entities? We want to be able to offer to others the wonderful knowledge you have offered to us. So, Śrīla Prabhupāda, please allow this to manifest. Please use us as your tools in crafting the vessel of Lord Caitanya's mercy.

All glories to Śrīla Prabhupāda!

om ajñāna-timirāndhasya jñānāñjana-śalākayā,

caḡsur unmīlitam yena tasmai śrī-gurave namaḥ

I was born in the darkest ignorance, and my spiritual master opened my eyes with the torch of knowledge. I offer my respectful obeisances unto him.

Dear Srila Prabhupada,

I am glad to have a one more opportunity to glorify your Divine Grace. First of all, I would like to thank you for accepting me under your shelter last year on Garuda Panchami, even though I am unqualified.

Kṛṣṇa concludes in the Bhagavad Gita “sarva-dharman parityajya mam ekam saranam vraja” Abandon all varieties of religion and just surrender unto Me. But how to surrender to Kṛṣṇa is explained by you. In one of the lecture dated August 22 1973 in London, you said, “Because guru is bona fide representative of Kṛṣṇa, or God, so if you surrender to guru, bona fide guru, that

means you surrender to God. God is accepting your surrender through the guru. Yasya prasādād bhagavat-prasādo. If you surrender to guru, that means Kṛṣṇa is pleased.”

If one is actually serious to achieve śreya uttamam the highest perfection of life, tasmād gurum prapadyeta—then one has to accept a guru. In this so called modern advanced age where it is filled with full of bogus people with full of bogus ideas on the religion or spirituality claiming themselves God or manufacturing own way of spirituality, you are the only one bonafide representative of Kṛṣṇa, unto whom we can take the shelter.

A guru is the one who is “brahma-niṣṭam” one who is firmly fixed up in Brahman, God, Kṛṣṇa. Srila Prabhupada,

Your constant endeavour to preach the message of Kṛṣṇa consciousness to the western world in order to please your Spiritual master and Kṛṣṇa, Your constant engagement and guidance to your disciples through the letters, lectures for the establishment of the Kṛṣṇa consciousness society in the world, Your sleepless nights to give the texts of Śrīmad-Bhāgavatam and Śrī Caitanya-caritāmṛta to the modern world at the age of seventy, You never get saturated in your effort for the establishment of Kṛṣṇa consciousness in the world, you constantly increased your engagement,

Certainly these all are symptoms shows of your position in firm fixup in Kṛṣṇa “brahma-niṣṭam”

Prabhupada I was not having any understanding who Kṛṣṇa is, But by your causeless mercy now I am engaged in the service of Kṛṣṇa under the guidance of your authoritative system. Not only me, through your divine words, divine books through your organization, you have inspired many and many souls and engaged them in the service of Kṛṣṇa for which even hundreds of thousands of lakṣmīs or gopīs are hankering after, lakṣmī-sahasra-śata-sambhrama-sevyamānaṁ govindam ādi-puruṣaṁ tam ahaṁ bhajāmi. Unless one is qualified enough to serve Kṛṣṇa, Kṛṣṇa won't accept their service, but by your caules mercy we all are getting engaged in Kṛṣṇa's Service because you have the ability to give Kṛṣṇa for all of us. Kṛṣṇa is yours. kṛṣṇa se tomāra, kṛṣṇa dite pāro, tomāra śakati āche.

Prabhupada, I am weak and devoid of intelligence? śakti-buddhi-hīna, āmi ati dina When I examine myself, I find nothing of value. Your mercy is all that I am made of. Jogyatā-vicāre, kichu nāhi pāi, tomāra karuṇā-sāra. Prabhupada please be merciful upon me and forgive my offenses of not following your instructions properly and give me shelter under your lotus feet and engage me in your service eternally even though I am disqualified. Please don't leave me from your shelter. Somehow keep me under your shelter.

Your unqualified servant

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet. All glories to you.

Every year I start writing my Vyasa Puja Offering near the last day and perhaps be the last person to submit and every year I plan that next year I shall start early and write nicely but this year also Prabhupada I have started on the last day. This is my condition, totally unworthy of getting your mercy but so much merciful and compassionate you are that you have showered your causeless mercy and have accepted me as your disciple. This is my first Vyasa Puja Offering writing as your initiated disciple.

Prabhupada, although your glories are unlimited but on this auspicious occasion day of your appearance, I would like to bring out some aspects. I would like to recall one nice pastime which happened in September 1976 in Krishna Balarama temple in Vrindavana. There was a circus magician who visited temple and showed you and the devotees his repertoire of tricks. He made the coins disappear and you were laughing at the illusion and then you changed the mood and asked the magician “What about the miseries of life?” “Can you make these disappear? Birth, death, disease, and old age?” “The

magician replied submissively, “No, that I cannot.” At these words the magician sat down and you took the superior position and you said. “But I can make these things disappear,”. “That is the REAL MAGIC”.

Even during my school days, I had heard one famous story of the Pandoras Box. The story mentioned that when that box was opened all the bad things flew out of the box into in the world such as suffering, disease, intoxication, envy etc. Although I have not seen that box. But, I have seen the opposite happen.

This is the Lord Chaitanya’s box, which was brought by the Supreme Lord Chaitanya himself from Goloka and was nicely being carried down through the succession of pure devotees in parampara and waiting for your divine appearance to show REAL Magic to the world. In 1965, You opened this Lord Chaitanya’s box, in a place where the effect of Pandora’s box was the highest i.e. in America and what happened the whole world knows it as the “Hare Krishna Movement” which completely nullified the ill effects of Kali Yuga and started transforming the lives of conditioned souls by making people really happy and satisfied from within. The contents in the box was the Hare Krishna Mahamantra, Transcendental books and Unlimited Prasadam nourishing the conditioned soul’s SAT, CHIT and ANANDA respectively giving a blissful experience to the soul free from material suffering. The chanting of the Hare Krishna Mahamantra, Transcendental Book & Prasadam distribution is expanding all over the world and has continued to create Real Magic in the lives of individuals since last so many years all by your causeless mercy.

Prabhupada , The Spiritual master is the external manifestation of the Supersoul. In SB 4.28.41 Purport , it is mentioned : “The Lord is the Supersoul seated in everyone’s heart, and He acts as the caitya-guru, the spiritual master within. However, He gives direct instructions only to the advanced, pure devotees.” But you are the Lord’s most merciful manifestation who is guiding the beginner like me and helping me progress in Krishna Consciousness. I can see in my own life how it has transformed after coming in touch with your personal movement and how you are continuously acting in shaping up my spiritual life through your instructions and the system which you have created.

Prabhupada , year on year you are helping me in progressing in spiritual life and give nice realizations. Just a few days back suddenly you gave me a thought that was “What separates me and Supreme Lord Krishna “is “MY Attention “. This point I feel has the potency to improve my chanting very much, because whenever I don’t chant properly this thought comes that “My attention can only bring me closer to the Supreme Lord”. And later on, this same point I heard in HG MPP class where Prabhu told about attentive chanting. Although I have heard lot of times before but by your mercy it suddenly struck me that day. Prabhupada , as a disciple I am always indebted to you. Please help me so that I can contribute something to this divine mission. Please guide me in developing fine Vaishnava etiquette and in purifying my consciousness.

Dear Srila Prabhupada,

Please accept my very great respectful and humble obeisance on this most auspicious appearance day of Your Divine Grace. Prabhupada, you have given such wonderful transcendental knowledge and revealed us the real life of vaisnava, how to practise and achieved in a very very easy way by chanting hare krsna hare krsna Krishna Krishna hare hare / hare rama hare rama rama hare hare. This is Because your unlimited compassion and mercy upon fallen condition soul.

Prabhupada, you revealed us how to realize and approach supreme absolute truth by rendering service unto you submissively. In bagavad gita 4.34

tad viddhi pranipatena pariprasnena sevayā upadeksyanti te jñānam jñāninas tattva-darsinah

Just try to learn the truth by approaching a spiritual master. Inquire from him submissively and render service unto him. The self-realized souls can impart knowledge unto you because they have seen the truth.

Dear Srila Prabhupada, you have saved us from birth and death cycle and provided the perfect transcendental knowledge for us to reach your lotus feet and serve you eternally. Please continue to bless us so that we remain always serving your mission and institution, as we do not wish to have any other business in life.

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet!

All glories to your divine grace on this auspicious day of your Vyasa puja!

I cannot still comprehend the extent of your mercy to the fallen conditioned souls of this world, like me, rotting with illusory ideas of happiness. It is said "brahmande brahmite kono bhagyavan jiva guru Krsna prasade paye bhakta lata bija" ie. out of millions of souls wandering in the various planets of this material world in various species, a fortunate soul gets the seed of devotional service. When most persons, especially in this age of Kali, are so bewildered by the illusory pleasures of this material world, I can only very humbly thank you for showering your mercy on this undeserving soul by planting the seed of bhakti through your books, lectures, sincere disciples and other aspects your glorious movement. I beg you to help me water this seed and eventually get the ripened fruit, love of Godhead, the ultimate goal of life . I beg for your forgiveness for all my offenses and pray for progress on the path of devotional service where actually real happiness lies.

Trying to be your humble servant,

Om ajana-timirandhasya jnananjana-salakaya, Cakshur unmilitam yena tasmai sri-gurave namah

Dear Srila Prabhupada,

Please accept my humble obeisances onto your lotus feet.

The previous Acaryas like Bhaktivinode Thakur, Bhaktisiddhanta Sarasvati Thakur and also Lord Caitanya has predicted that a great soul would cross the seas and spread Krsna bhakti all over the world. The holy name would spread like wild fire to every town and village in the world.

Srila Prabhupada, it is you who fulfilled their predictions and basically accomplished what no other Acarya from any sampradaya has done. Eventhough you're not physically present in front of us, it is through your vani in the form of books, lectures and conversations that helps us to get your association. You have clearly said that the spiritual master never dies but he lives through his instructions. It is your instructions that helps us connect with the parampara system beginning from Lord Krsna and it is your instructions and words that helps us to cross over the forest fire of samsara.

Srila Prabhupada, in the prayers addressing to you, it is said "*gaura-vani-pracarine Nirvishesha-sunyavadi-pascatya-desatarine*" that is "You are kindly preaching the message of Lord Caitanyadeva and delivering the western countries, which are filled with impersonalism and voidism". The Mayavadis's philosophy that God is formless, nirguna brahman, is spread everywhere and the so-called mainstream hindu spiritualists mostly speak on Mayavada philosophy. In India, whoever speaks of Vendanta philosophy speaks only Mayavada. Following the footsteps of your "Lion Guru" Srila Bhaktisiddhanta and Lord Caitanya, it was you Srila Prabhupada, who was the only one strongly opposing Mayavada. By giving us the clear

intention of Lord Krsna's words in the Gita, you've dispelled off our misconceptions about God, his form, his pastimes, his abode, everything.

The idea that God has a transcendental form which is different from material form, like our material bodies, the idea that God is simultaneously one and different from us and that we're not one with God when we're liberated does not strike even the most intelligent scientists/vedantists in the world.

By your causeless mercy, we're able to get access to knowledge that even the best of intellects in the whole world are unable to grasp. I pray to you, Srila Prabhupada that let my mind be fixed on your instructions and i pray to you helplessly that let my mind not wander while chanting my rounds.

An undeserving soul who begs for your mercy,

Bhakta Anand B.

In the system of bhakti-yoga, the first duty is to accept a pure devotee of the supreme lord as spiritual master and then to render service unto him.

Dear Srila Prabhupada please accept my humble obeisance's upon your divine lotus feet in this traditional observance to honour the divine appearance day of the now & ever, actual & original spiritual master in disciplic succession, my beloved spiritual master Srila Prabhupada, the representative of Vyasadeva. It is the duty of the disciple to glorify his spiritual master for his own purification and spiritual advancement. Me offering my most gratitude to praise yourself on this most auspicious day of your divine appearance.

Out of many millions of wandering living entities, one who is very fortunate gets an opportunity to associate with a bona fide spiritual master by the grace of Krishna. By the causeless mercy of yourself & Krishna I am also lucky, one among the fallen soul in this category & budding with your teachings.

By Your's & Krishna's causeless mercy I got the opportunity to stay in HKM-Chennai's Prahlad FOLK Nivas, where the environment is very very good & high to practice KC for any one staying here & aspire to do possible services with your mission of KC practicing, preaching & spreading.

Kindly give me the needed strength to maintain my vows, also guide & direct my freewill properly to make the right choices in which I am very weak I guess to give up my pride, to forgive, to be unaffected by worldly association, discipline to regulate my life & to face the fear of impending death. & also, to restart regular Maha Mantra chanting to happen in my village Shri Krishna temple.

Thanking you for all the inspiration you have bestowed upon me through your pure hearted devotees. the main one is the love shared by the devotees. I am begging you, Srila Prabhupada, to please continue to shower your merciful glance upon me so that I can take proper advantage of your teachings.

Repeated FOLK trips to the same Dhaama / Temple for me the understanding was normal before, but now I am able to get loads of finer understanding of Krishna Consciousness from the same.

Thanking you Srila Prabhupada for the time to time revelations by yourself on material & spiritual world to all.

I hope by your causeless mercy in coming days I will get more & more opportunities to serve your mission of Krishna consciousness.

Heartily happy divine appearance day wishes to JagathGuru & My Spritual Master Srila Prabhupada.

I pay my humble obeisances unto your lotus feet.

Prabhupada, By your merciful glance this insignificant soul has got a chance to begin its spiritual life and everyday experiencing new realization in spirituality.

In this two year of my Krishna Consciousness life, I have achieved a lot. All the auspicious moment what has come to my life it has come by your causeless mercy.

The most important one is my decision of not to eat non vegetarian food in my whole life, as I was much addicted with the non vegetarian food which is big sin, and this was achieved by your blessing. Now, my only desire is that no forces in this world should shake my determination & take me away from serving you.

Dear Srila Prabhupada,

I am greatly thankful to you. It is you and Jagannath who has been on my side, who made me happy by benedicting Krishna consciousness which lead to my happiness and who stood with me in my most darkest days, those are the days when I was fallen. Srila Prabhupada Aiya I haven't seen a single living entity except my dear you and my dear lord who really cares for me. I've felt left alone in this material world by every living entity, at times I think who do I have, at those times my dear you and my dear lord have been with me and making me remember my eternal constitutional position. My dear Prabhupada Aiya you've been my Guru, Father, Teacher and etc and you've done everything for me. Yourself and the Lord are the only person whom I could say who will be with me eternally. For this I'm eternally indebted to you. Thank you Srila Prabhupada thank you very much.

Dear Srila Prabhupāda,

On this most blessed day we pay our most humble obeisances to your lotus feet.

This is the first year we get the opportunity to thank you for what you have done for the whole world and personally to us. We are most indebted to you for saving us from the most fallen state in this material world. Of course we all say this to show our gratitude, but we want to say that these words that we offer are not just words but come from our hearts. We can only show our gratitude by staying honest and truthful to your mission to spread Krishna consciousness. On this day it is our duty to offer you glorification, but how can one glorify the sun if one is blind? So I am trying to say a few words by simply feeling the heat of the sun. Just as someone might avoid darkness by following the sun as it crosses the sky and

shines on different countries, by following your transcendental teachings we can keep the light of Krishna consciousness always shining in our hearts and thus avoid the darkness of ignorance, which is always threatening to cover our intelligence. We pray to you to bless us so that we can understand your mission and be of some use to you. Recently when we were meditating on what you have done for the whole world which is covered in darkness, the first and foremost is that you brought the light of the Srimad Bhagavatam and Bhagvat Gita to vanquish the darkness. Most importantly, you taught uninterrupted remembrance of Krishna through the chanting of the holy names. Your revelation of the secret of devotional service to the Supreme Personality of Godhead, Lord Sri Krishna, by showing it to us by your own personal example—that is your mercy to the whole world. “Your mercy is all that we are made of.”

“My” and “mine” are the possessive words we use to describe what we feel belongs to us. Actually, everything belongs to Krishna. By your divine grace we are now beginning to understand this fact. We have no independent qualifications to teach or follow Krishna consciousness whatsoever, for we are simply a product of your loving mercy.

Mission impossible—but not for Sri Krishna Chaitanya Prabhu, and therefore not for you, His unique instrument. Only the Lord’s pure and specially selected representative would be able to persist and endure against all odds.

You live forever in your instructions. May we fully surrender to our Krishna consciousness movement which can truly become the shelter for the whole world, as you so fervently desire. We want to follow your example of always fighting for Krishna without any personal ambition. Let our only desire be your pleasure and satisfaction. Allow us to rededicate us to your service at every moment, without deviation and free of any interest in material sense gratification.

With love and humble respects,

Bhakta Balachandar and Bhaktin Srividhya.

Dear Srila Prabhupada,

Please accept my most humble obeisances at your lotus feet thousands of times, again and again, from all sides

On this most auspicious and blessed anniversary of your holy appearance in this material world, I, one of your unworthy and unqualified servant, want to glorify Your Divine Grace and express my gratitude. But since I am a most unworthy and unqualified servant, without your mercy I cannot even begin to attempt to glorify you. You once wrote to your disciple, “Your task ahead is very huge, but it will be quite simple and easy if you simply do as I am doing.” That “simply doing as I am doing” is the most difficult of the tasks for an unworthy servant. It can only happen by your mercy.

Srila Rupa Goswami said that everything, even so-called material things, can be used in Krishna service. You demonstrated this by establishing the Bruhatha-Mrudanga of the Bhaktivedanta Book Trust, which oversees the printing and distribution of your transcendental literatures. In this way you completely fulfilled the orders of your Guru Maharaja. Now, following in your footsteps, your sincere disciples are carrying out your instructions. Not only are they traveling all over the world, but they are also using modern electronic mass-communication media to spread your message to every corner of the entire planet. In this way, they are helping to save fallen souls like me. It is said in the Vedic scriptures that although Krishna resides in His eternal abode in His original form, He also pervades everything in this material world. Similarly, although Your Divine Grace resides in the spiritual world, participating in the eternal pastimes of Krishna, you are also here among us in the form of your teachings. Through the institution you established,

All glory, all glory to the great Srila Prabhupāda, our savior!

Yours most fallen servant,

Bhakta Balaram Sahu.

I was born in the darkest ignorance, and my spiritual master opened my eyes with the torch of knowledge. I offer my respectful obeisances unto him.

Dear Srila Prabhupada, Please accept my humble obeisances! All glories to your Divine Grace!

Thank you so much to you for gave the opportunity to write about you. It is the duty of the disciple to glorify about the spiritual master. we learned so many things from your teachings. Let me remember some of the things here.

I like to dance in kirtan. You distributed the Hare Krishna Mahamantra to all over the world. Most of them will get attracted by kirtan. The simplest way to get out from this material world in this kaliyuga by chanting the Hare Krishna mahamantra. As per my knowledge some of them know the problem in society, but nobody told the solution for that problem other than you. The Hare Krishna Mahamantra is the solution for all the problems. Thank you so much for giving us the knowledge to understand your simple instructions.

Anyone can follow your teachings from any corner of the world and they can go back to godhead. You created the society ISKCON by your hard work, now we are enjoying by your mercy. By the mercy of you, I came and touched with your mission. We don't have much knowledge to understand the spirituality by studying all vedas. But by reading your books and listening your lecture anyone can become the devotee of Lord Krishna. Thank you so much for your books.

Thank you so much for giving us the knowledge to understand the meaning of life. In this world most of them are in the mode of passion and ignorance. Still they don't know what they are doing.

It is the duty of a disciple to follow the instructions of spiritual master and glorify the spiritual master everywhere.

If anybody understands your instructions and executes in the same way, they will be the greatest asset for the society. Law books are not required for this country, your books are enough to lead a happy life. In this material world small ant to Brahma everyone having the birth, death, old age, disease problem. Same like rich, poor, child, youth, old, uneducated and scientist everyone can become the devotee of Lord Krishna by following your instructions. You have created the opportunity to engage everyone in the service of Lord Govinda. By the mercy of you I came and touched with your movement. Really I enjoyed my life in Iskcon by doing different activities. If there is no ISKCON, I never came to know what is happiness in my life. Please bless me to engage my remaining life time for your service.

Your servant of the servant, Bhakta Boobalan.

Dear Srila Prabhupada, Please accept my humble obeisances! All glories to your Divine Grace!

Birth given by Parents confines to this life itself and I am indebted to them in this life alone but second birth given by out of causeless mercy of my Spiritual Master His Divine Grace Abhay Charanaravida Bhakthivedanta Swamy Prabhupada will last life after life and in no way I can clear the debt accrued until I reach Krishna. I pay my obeisance unto the lotus feet of my Spiritual Master.

Ignorance is the real cause of suffering. Everyone in this material world is the clutches of Ignorance. Due to the ignorance of their real duty, parents let their children to grow in ignorance. It is the real duty of the parents to become Krishna Conscious and create environment for their children to be grown constantly in association with the devotees of the Supreme Lord. Because of the causeless mercy of my Spiritual Master, they came to aware of their real duty. I benefited to grow in such an environment. I pay my obeisance unto the lotus feet of my Spiritual Master.

It is the real duty of Krishna Conscious person to provide unalloyed devotional service unto the Supreme Lord and make others to aware of their real constitutional position and engage them in their constitutional duty. People bound to realise themselves and their relationship with the Supreme Lord Krishna if they are engaged in their constitutional duty. Because of the causeless mercy of my Spiritual Master, I started to aware of my constitutional duty, I pay my obeisance unto the lotus feet of my Spiritual Master.

Everyone is striving for perfection materially and their efforts are constantly frustrated by the material nature. If a person engages in the Loving devotional service of the Supreme Lord, without their specific endurance, they will attain perfection both spiritually and materially. Material perfection is simply the side effect of doing devotional service. I am benefited in both ways because of the causeless mercy of Spiritual Master. I pay my obeisance unto the lotus feet of my Spiritual Master.

With humble obeisance, Bhakta Dileepkumar P.

Bhakta Janardhan Reddy

The Spiritual Master A.C Bhaktivedanta Swami Prabhupada,

My sincere respectable obeisance's onto your lotus feet. That only one sentence, 'When human being become mighty when compare to animal and what is discrepancy between man and animal' from one of Prabhupada's books made me to think of what is life and why we are suffering in this world. One day I got an opportunity to visit the HKM ISKCON temple with my friend 'Krishna'. Thus I have got a good association (sat-sang) of Krishna devotees and my spiritual master 'Prabhupada' at Krishna consciousness movement. Then I came to know who is god and what the relation with him by hearing Bhagavad Gita and Bhagavatam lectures and reading Prabhupad books.

Hare Krishna Hare Krishna, Krishna Krishna Hare Hare, Hare Rama Hare Rama, Rama Rama Hare Hare.

I have been blessed with maha mantra by the mercy of spiritual master Prabhupad and Chaitanya Maha Prabhu. Simply by chanting this mantra one can be happy in his life. When I started chanting sincerely gradually my consciousness turned towards Krishna and abstained from material relationships. And I'm sincerely following the four regulative principles instructed by the spiritual master.

Tad viddhi pranipatena Pariprashnena sevaya

Upadekshantite gnanam Jnaninah tatva darshinah (BG-4:34)

Now I have understood the importance of spiritual master and his instructions and came to know that each one of us must have a spiritual master to lead a successful and meaningful life otherwise life would be miserable and waste as human birth is very important and very rare.

Since I was benefited a lot by the association of ISKCON I'm indebted to my spiritual master till end of my life and render the service best that I can.

Thank you for all who gave me this opportunity to homages to Prabhupad. Jai Srila Prabhupad.

Yours Servant,

Bhakta Janardhana Reddy.

Bhakta Krishnan U

I am just a novice to Hare Krishna Movement. I read Bhagavad gita As it is and some books of Srila Prabhupada long back. At that time a used to wonder how Srila Prabhupada was a successful in establishing ISKCON in U.S where most of the people are extroverts. They spend very freely and lead a chaotic life. Among the vagabond to inculcate strict discipline is highly arduous and exacting.

At times i thought karma marg was more practical and beneficial to the large under privileged mass, but Srila Prabhupada insisted on Bhakthi marg along with programs like Akshaya patra etc. These are complimentary to one's progress.

After my coming to Hare Krishna Movement Chennai about a year back, i came across more adolescent and youth. They do devotional service very sincerely. I talked to a few and found that they are firmly rooted in srila prabupadas plan.

Now i am convinced to the fact that even at the present restless. Greedy and care free world, strict discipline can be inculcated to achieve quicker emancipation by true and sincere acharyas like Srila Prabhupada.

Your aspiring devotee,

Bhakta Krishnan.

Dear Srila Prabhupad,

Please accept my humble obeisance at your lotus feet on your divine appearance day.

Krishna says in Bhagavad Gita(15.15), I am seated in everyone's heart, and from me come remembrance, knowledge and forgetfulness. This is practically demonstrated by engaging us in devotional service so that we can remember Krishna and forget material hankerings and sense gratification. Furthermore, you have given formula to continue devotional service enthusiastically, like rising early, attending arati, classes and chanting 16 rounds without fail. Mercifully, you taught us these principles to cross over great material suffering. As a fallen soul, I do not have any strength to follow your principles rigidly. Please shower your blessings and strength to accept all of your instructions as heart and soul. However, I do not have qualification, somehow or other please make me a sincere student of yours. I am praying at your lotus feet with folded hands for all strength to continue in the association of devotes.

Your faithful student,

Bhakta Lakshmiranjan.

Bhakta Lohith

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet.

Today is the celebration of your appearance within this world, and it is a time of great rejoicing. We are grateful to Lord Krishna for sending an empowered representative like your good self.

Just like the Lord's glories are unlimited, your glories are also unlimited. You are an eternally liberated soul, nityamukta associate of the Supreme Lord Sri Krishna. You take pleasure in spreading the glories of the Lord despite all inconveniences. You also expertly induce the fallen souls to take up Krishna consciousness and engage them in serving the Lord. Let me offer my respectful obeisance unto you again and yet again a million times.

You and Lord and Krishna have miraculously guided me in my life. There were times, when things didn't go as per my plan. It was difficult for me to comprehend your plan. There were times when I was disappointed and thinking, "Why Krishna is not helping me?" Now, if I look back, I see that all along, you have been moulding me to face any maya which comes to conquer me. Let me be grateful for all your inconceivable mercy and guidance.

Srila Prabhupada, keep guiding me, so that I don't go astray from your instructions and your divine plan. I have no doubt that you have been guiding me and will continue to guide me. My only fear is I should not miss to recognize that and be grateful to you. Let me not get covered to an extent that I start offending you and your devotees, knowingly or unknowingly.

My life has become successful by coming under the shelter of your lotus feet. I aspire to remain under your care eternally. I am eternally indebted to you for giving me an opportunity to serve your divine mission. This is your causeless mercy on this fallen conditioned soul. I am grateful to you for providing us this opportunity. I humbly request you to keep me engaged in your service and forgive the offences that I have committed knowingly or unknowingly

I pray on this day to help me correct my wrong beliefs which are embedded so deep in the mind. Our mindset is caused by what we have been experienced and learnt in this lifetime and experienced over many lifetimes. Our beliefs can be so powerfully embedded that they create a pattern of thinking. Whenever we hear your instructions, the message is first filtered through these belief systems, causing the actual message heard to be distorted. In other words, I may not hear what you instruct; I hear your instructions filtered through my faulty beliefs.

Thank you, Srila Prabhupada, for the wonderful gift of devotional service. Please allow me to remain your servant eternally.

Your humble servant,

Bhakta Lohith.

Bhakta Madhav Reddy

My dear spiritual master Srila Prabhupada,

Please accept my humble obeisance's unto your lotus feet. All glories unto you!

Prabhupada, one more year of my life as a sadhaka has been passed away by Krishna's grace. The institution founded by you has given me the opportunity to write an offering for you on account of the auspicious occasion of your appearance day.

I have watched "Bhakta Prahlada" movie several times before coming into touch with Krishna consciousness. The climax of the movie is that Lord Narasimhadeva saved Prahlada Maharaja by killing his demoniac father Hiranyakasipu. My conclusion about this important pastime was that Lord Vishnu protects his devotee. Although this is true, it did not further help me in making relevant inquiries and I continued the same kind of life i.e., enjoying by gratifying senses. I was in this awkward situation because of lack of knowledge.

But, by your causeless mercy and through your VANI association and through your disciple's association over the few years, at least I am sure that I have been saved from the greatest danger of staying further in darkness.

Now, when I recollect the pastime of Prahlada Maharaja, some important conclusions:

Hiranyakasipu was a great demon and he was enjoying a life of full of luxuries. He was successful even in terrorizing the demigods like Indra, Chandra, Surya etc., but, still he was always unhappy. On the other hand, Prahlada Maharaja, a pure devotee was always happy despite of continuous harassment and torture by his atheistic father.

The suffering experienced by Hiranyakasipu was due to the state of forgetfulness of his relationship with Krishna but not due to lack of any external possessions. The more the degree of forgetfulness of Krishna, the more will be the suffering experienced by the living entity.

This most important conclusion has been revealed unto me by your association only. Else, my life would have been miserable.

Although I can never repay your debt in any way, all I can do is paying "My humble obeisance's unto your lotus feet".

Thanking you Srila Prabhupada,

Your servant,

Bhakta Madhav.

Bhakta Mahender

Dear Srila Prabhupada.

Please accept my humble obeisance at your devine lotus feet.

All glories to Srila Prabhupada. All glories to you on this auspicious day of your vyasa puja.

3 year back I never thought I'll do chanting 16 rounds,5 years back I don't even thought I'll come into touch with Krishna consciousness,15 years back i really don't even know what ISKON is...Still I wonder sometimes how a very insignificant, fallen soul like me come into this amazing cult, this is not all possible unless without we all have ocean full of mercy of a great Acharya spiritual master Srila prabhupada.

You gave us the joy of chanting the mahamanthra, worshipping deity, attending mangalarathi, spending time with devotees, wonderfull bajans and keerthans,books and philosophy, very delicious prasadam to honour.

When is see all these I could feel, my spiritual master shown us a sample of spiritual world here, and he is very eager to take all of us to experience the real spiritual kingdom that is Vaikunta.

Oh spiritual master I'll be very grateful to you and I'll beg your lotus feet to allow me to render your service s possible way, kindly remove all my illusions and give me strength to overcome all six arishadvargas,and finally begging for your mercy to keep in touch with Krishna and devotees forever...

Your humble servant,

Bhakta Mahender.

Bhakta Mahesh Sarathy

Dear Srila Prabhupada.

Please accept my humble obeisance at your devine lotus feet.

Please accept my Vyasa Puja Offerings. I am regularly doing 16 rounds everyday. Now I have progressed well. However I can improve a lot like not worrying for material miseris and do total surrender to Lord Krishna. Kindly shower your grace on me to flourish materially too but in a detached manner.

In my preaching endeavor I am not doing great. People are not accepting Krishna consciousness philosophy ,when I preach. Kindly provide me sufficient Krishna consciousness knowledge and intelligence, so that people accept the wonderful Krishna consciousness philosophy and go back to Godhead . In this preaching endeavor and in general I am doing lot of offences, kindly forgive me in all the offences.

My life has changed a lot after doing 16 rounds but still I am worrying for my job security. Kindly provide me intelligence to detach from Job related worries and start progressing spiritually further. I beg you to separate me from material worries which is daunting me and hampering my Spiritual progress.

I do not have words to thank you for providing Hare Krishna Maha-mantra to this sinful soul. Begging for your grace further to follow and spread Krishna consciousness to this entire world. Please forgive all my offences.

Hare Krishna.

Your aspiring devotee,

Bhakta Mahesh.

Bhakta Mohan Saravanan

I sincerely pray you before I begin my words to shower me your blessings to end this script completely in devotion of me surrendering to your divine lotus feet. I would like to thank you for giving me this wonderful world of Lord Krishna, without you & your power which would have not reached many of us. When I think of all the gratitude whatever comes to me, I strongly believe that it is one and only because of the supreme power & remembrance of Lord Krishna. As an ordinary man even am accustomed with my regular duties for family, office, health, personal life, kids, society, etc., which is a routine with lot of day to day issues / concerns and all.

When I think of you, I feel am doing nothing great as so far no one has taught us how even at Schools (except in HKM) How do we connect ourselves with Supreme power Lord Krishna. Just by chanting Hare Krishna Mantra

“Hare Krishna Hare Krishna Krishna Krishna Hare Hare Hare Rama Hare Rama Rama Rama Hare Hare”.

If I would have known this at my initial stage of life, I could have not gone to my routines and caught in the materialistic life. I offer my Pranams for investing yourself in understanding the Supreme power and giving back to the society the happiness of spirituality. I raise my hands before you for your committed bhakthi you have shown in all your talks, writings, etc about the supreme Power and I pledge myself into the devotion of learning it every now and then. You have awakened us from the fear of god to loving of god with purity, prasadam, rata yatra, bhagavatham, bhagvadgeetha as it is, etc. When I hear the sound of you chanting the maha mantra, I fall in love with Supreme God Krishna naturally which is the power I Have realized in the maha mantra. I also forget all my nasty moods and bad talks when I chant the maha mantra regularly. Though I pray to chant like you of 64 times in a day, I beg one day you and Krishna have to shower me the blessings for doing it. I wonder at times how you have made it possible and I got the answer after chanting regularly that it is happened because of the Power you have associated with i.e. Lord Krishna's blessings and you are being sent only for this purpose to change the Human being to lead the life to spiritualistic from materialistic. I offer my sincere prayers with you during this Vysya Pooja & pray to shower all glories on this most auspicious appearance day of your divine grace & beg u to develop more Sadhu's in this world so as to make the entire people worship the supreme personality as only realizing this will save our people in the earth not to fall in re-birth , old age, disease and death.

I solemnly affirm that till I get the shower of breath in my life, I will be associated with HKM to atleast live as a human being. Here we are always remembering all the hard work you have put in this soil for this HKM development only which is realistic and boundary less for growth. My Pranams for all your offerings to us i.e. knowledge, wisdom, courage, gratitude, bhakthi, yatra, Sadhu relationship, temple, prasadam and trueness through HKM. By showing service to lord and bhakti to Srila Prabhupad we will attain all happiness forever with moksha.

“Life never ends unless we end the materialistic purpose by chanting Hare Krishna Maha Mantra”

Srila Prabhupad am always at your service.

My dear most revered and eternal well-wisher Srila Prabhupada,

Please accept my crores crores obiesiences at the dust of your lotus feet.

Srila Prabhupada, you started a great mission, and we thought it would be easy for us to carry on in your footsteps. The truth is that we have struggled and even gone backwards at times. This shows that

Jai Srila Prabhupadha

I offer my humble obeisances to your lotus feet. I have started chanting Hare Krishna Maha-Mantra for past 2 years. After doing chanting my desires got reduced. I am peaceful now. In this peaceful stage, I would request you to liberate me from this life of birth and death, so that with your grace I can go back to Godhead. Please shower your grace so that I can continue my chanting daily.

Bhakta Pavan S

Dear Srila Prabhupada,

Please accept my humble obeisances.

All glories to Your Divine Grace. All glories to you on this auspicious day of your vyasapuja.

Thank you so much for preaching the importance of spiritual quotient and its necessity in human life.

The Srimad Bhagavatam explains that there are two classes of men in this world – the crow class and the swan class. The crow class of men is attracted to the rubbish literatures which are filled with topics of material sense enjoyment. The swan class of men takes interest in the nectarine spiritual literature which contains the glories of the Supreme Lord and His pure devotees.

It would be nice to show one's appreciation and desire to please, by some nice phrase such as "your humble servant" or something similar.

Your Devotee, Bhakta Pavan.

Bhakta Pradyumna

Dear Srila Prabhupada,

I was born in a very dark ignorance with 0% Krishna consciousness. Your Krishna consciousness has enlightened me. Because of your rules and regulations in the consciousness my real knowledge is developed. Thank you very much for spreading this consciousness. I could not believe that you have illuminated the whole world with this great consciousness with a lot of effort and this service is a very tough service. I can't even spread the consciousness in my class. You are a very pure devotee and if I follow you I can get liberation very easily. That too a very high level of it. I have been experiencing a very special feeling deep inside me. All because of the consciousness. It seems like I had learnt enough. But it's just small dust of what I have learnt. I know that there's a lot more than what I had imagined. It's the universal truth. But it's all because of you I have learnt that much of it.

Thank you very much Srila Prabhupada.

Your Servant,

Bhakta Pradyumna.

Om Ajnana thimirandhasya Jnana Ajnana salakaya, Chakshur unmeelitham yena thasmai sri Gurave nama

Dear, Srila Prabhupada.

Please accept my self-effacing obeisances. Being an inquisitive in understanding the laws of nature, I drove myself into science. Yet, unclear about the happenings around me. By Krishna's mercy! One fine day I came to know about the Krishna consciousness. I perceive understanding science is none other than understanding the Supreme Lord himself from your teachings. To this modern world, your teachings are not less than the nectar of science. It's a strong wakefulness I came to know that "We are not this body, we are spirit soul and part & parcel of Supreme Personality of Godhead" changed my entire thinking process. Addressing the spirituality in the scientific way is most remarkable point of reference that parts the superstitious belief on God from the true understanding of the Supreme Lord.

My spiritual master, I accept your teachings as benedictions. I believe that Lord's material energy is ubiquitously stretched out on to this material universe, I can see the God in every living and non-living things. I am very glad that this material world, got this divine sound vibration "Hare Krishna, Hare Krishna.. Krishna Krishna, Hare Hare; Hare Rama, Hare Rama.. Rama Rama, Hare Hare" which is Krishna himself as he is absolute. I supplicate you, show me the light when I dwell in dark, give me the strength when I need it at most, hold my hand when I am bewildered with this material chaos. I truly believe that only one person can show us the way back to God – Head, with confidence I can tell that's you, my beloved spiritual master. Today, on this auspicious day I hope and wish every person in the world should get your blessing.

Yours sincerely, and with utmost gratitude.

Bhakta Ravi Thej P.

Bhakta Sai Charan

My Gurudev, Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet and my dear Guruji, Srila Prabhupada please forgive me for all the offences committed by me in search of the Krishna consciousness activities. A simple thank you and gratitude towards you are not the boundaries of the love and respect which I have upon you my Guruji.

It was really your merciful blessing today I'm here in the part of Krishna Conscious Movement. I was really surprised when I heard about your journey of Krishna Conscious Movement by Sri Radha Govinda Dasa, my dear preacher. But later I have realised that you are the only person who can personify this auspicious Movement. Before I was a normal person but now I'm under your shadow, which helps for me to reach the mode of goodness in Krishna Conscious Movement and truly to say before I was in miserable sorrow but now I'm the most happiest person after coming into the way of this Movement held by you. So, dear Srila Prabhupada my heart full glories to you. O Spiritual father, please hold my hand and don't allow me to fall into the mode of ignorance again.

Thank you Srila Prabhupada for choosing me as your servant at Krishna Conscious Movement and for showing incredible mercy upon me. All glories to You.

Your Servant,

Bhakta Saicharan.

Bhakta Saran Kumar Anna

Dear Srila Prabhupada,

Thanks for giving me shelter at your lotus feet so that I can be able to practice Bhakti Yoga and it is by your mercy. I am thinking myself for sometimes how lucky am I because if I didn't touch with your movement how pathetic my life would be.

When I come in touch with your movement then I understood many things.

1. Value of human life.
2. Value of time.
3. Value of health.
4. Value of Spirituality.
5. Relationship between God and myself.

Srila Prabhupada an inspirational Person: You are inspired by many people in the world and I am the one. And we are taking inspiration from you by reading your books and listening to your lectures and reading and listening to you. The most inspiring thing which I got from your books is that will not give any solutions to temporary problems and it will give the solution to permanent problems. If apply any one of this in their life and their life will be a success.

Srila Prabhupada the transcendental Person: Frankly Speaking, Prabhupada, When I have any questions, On that day I will get the answer for my Questions through your books or your lectures or some devotee will call and speak about the same point and it was not once and it happened many times.

Srila Prabhupada a merciful Person: Srila Prabhupada your organization is a unique thing in the world and have no personal motive and it was saying by my personal experience. And the two things I would like to mention.

Nivas:

Your Organization is trying to keep all the like minded people to practice Bhakti Yoga and helping them by giving Krishna prasadam and by taking them to trips and by explaining Krishna Consciousness Philosophy and the other one is "Akshya Parta" unlimited food to the children because of you many children are taking the prasadam and going to Schools. In my life, I am not expected that I will chant the maha-mantra daily and taking Krishna Prasadam and going to holy places with devotees and because of your mercy, these things are possible Prabhupada.

Srila Prabhupada a humorous Person:

I like your humor and your way of presenting K.c to the people who are new and who are highly advanced in the spiritual life and by reading your conversations we are feeling great joy and would like to share the conversations to you which will make me joyful.

1. One day after your lecture one person asked one question to you how you are saying that meat is not tasty and he said that you taste and say it is tasty or not and you replied that you have that what is the taste of stool and he said that it will not be good and he told that have you tasted that? and the whole crowd clapped.

2. One girl asked Prabhupada why you came here at the age of 70 and if you come early, many people will be K.C. and you said that I was waiting for you to be born.

I heard one lecture, one devotee is saying that you have given Hare Krishna Maha-mantra for us to chant and where to chant? You have given us Iskcon center's with whom you chant? you have given nice devotees.

Please bless us your humble Servant to make spiritual progress.

Thanking you.

Your Servant, Bhakta Saran Kumar Anna.

Bhakta Sinish Nair

Oh my dear srila Prabhupada Maharaj first of all accept my humble obeisance and my prayers are as follows

Oh my dear Srila Prabhupada Maharaj please accept this letter from this fallen disciple of yours. Before coming to Krishna consciousness i was not knowing what is ISKCON and who is srila Prabhupad Maharaj. But the moment i entered ISKCON Bangalore it was totally a different environment and experience for me. Oh my dear spiritual master you have been so kind to me that all my bad habits like drinking and meat eating has totally gone by your grace. A person like me who was addicted to drinking and non vegetarian found all this have gone away by your grace. Oh my dear spiritual master there is still a long way to go for me so hold me very tightly despite my mistakes and please help me in overcoming those mistakes.

Oh my dear Spiritual master if you would have not given an institution like ISKCON and not given the system of chanting, reading, Kirthan and honouring prasadam than all of us would have been hammered very badly. Lastly but not the least do not leave me at any cost and please help me in advancing towards Krishna consciousness and please take us back home because a spiritual master like you is impossible to come who is so kind and compassionate that even if we commit mistake you don't leave us . Lastly forgive me for the mistake s i had committed and help me in overcoming those mistakes.

Your humble servant,

Bhakta Sinish Nair.

Dearest Srila Prabhupada,

Please accept my most respectful and humble obeisances at your divine lotus feet. All glories to Your Divine Grace on this auspicious occasion. There are millions of devotees out there offering splendid glorifications, singing and praising your magnificence, yet here I am, who has neither the worth nor caliber to praise you. Please forgive and accept my inept attempt.

In spite of taking birth in a pious family, I led a shallow life, lost in the world of ambiguity, covered by doziness, deluded by spurious speculation, drowned in the ocean of miseries, illusioned by dross doctrines, smitten by false yet fancy philosophies, cheating myself to enjoy the so called material happiness. It is only through your causeless mercy that I was blessed with a wonderful life partner, an initiated devotee of yours, who introduced this incredible philosophy and changed my life once and for all. Like a fierce warrior you came, with your illuminating instructions, enlightening lectures, practical injunctions and lucid principles. You answered all those inexplicable questions that had been haunting me forever and even answered those questions which I could never fathom. All those bold statements of yours stating the supremacy of Lord Krishna, one's true identity, one's true duty and true purpose of life are just direct and striking. If it were not for your simple analogies, there is no way one could have understood all those complex philosophies. Your words are so deep that it would kindle and agitate even a layman in search of the truth. Expressing my gratitude through mere words would be very limiting.

You have always stressed that the ultimate purpose of a family is to lead a life keeping Krishna as the center. Not everyone has this rare opportunity to serve the Lord as a family; still you have blessed such a fallen soul as me with this wonderful boon. Again by your causeless mercy, we have been blessed with a baby boy recently. As a parent, the best thing one can do is to be as perfect an example as possible in one's own life. Then the child will take the instructions of parents seriously. Please guide us in this regards and help us raise the child in Krishna Consciousness and to be a humble servant at Your lotus feet. Nothing could bring more happiness to us than this.

In spite of all your empathetic efforts to deliver us from material miseries, by the influence of maya I tend to fall down again and again. I am nothing without You, hence on this auspicious occasion, I beg at your lotus feet to help me each and every moment to advance further in Krishna Consciousness, help me develop true taste for chanting, help me render sincere devotional service, help me serve Vaishnavas to the best of my abilities, help me remain faithful to your instructions, help me develop true love for Krishna and help me become the most humble servant at your lotus feet.

Your most unworthy servant,

Bhaktin KrishnaPremi.

Bhaktin Lakshmi

Dear Srila Prabhupada,

Thank you for giving me the strength, enthusiasm and guidance through your wonderful example and teachings. Please bless me to do more services for your mission. Please bless me that I may never forget you...

Your Servant,

Bhaktin Lakshmi.

Bhaktin Miruthula

O Srila Prabhupada this your devotee Miruthula . I want to share my experience with you Prabhupada . This Hara Krishna Movement is not just a place to pray or chant but a place where you can learn a lot of things where you can teach your friends , family so and so . In this place I have learned a lot as a volunteer , so all the credits go's to you Srila Prabhupada. I too remember your quote:

“ Failure is the pillar of success . Then try . Again you shall try. ”

The is the time to talk about one person who was with me in all my failures , sadness and happiness with me . He was the only and only person who have supported me , guided me , good companion . I have shared a lot with him , whenever I ask him so thing never hesitated it . He gave me hope to never give in the life . And even he has given me a lot of things which I have asked and not asked . S I this time I can't say only just a single words called “ THANK YOU ” . The person who I have said as he is none other than Lord Krishna . The only way I can say “ THANK YOU “ to him is by you because you was the person who offered yourself to Krishna , by doing services to the people . So I promise that I will try to follow your way of seva to the people by not hurting them when they ask something but responding them with a smile .

Your aspiring devotee,

Bhaktin Miruthula.

பத்து வருடங்களுக்கு முன் பிரபுபாதா அவர்கள் பற்றி என் உறவினர் கூறினார். அன்றிலிருந்து ஹரே கிருஷ்ணா இயக்கம் பற்றி எல்லோரிடமும் கேட்டு அறிந்து கொண்டேன். பிரபுபாதாவிடம் என்னுடைய கஷ்டத்தை சொல்லி மனமுருகி பிரார்த்தனை செய்தேன். அது நிறைவேறியது. மிகவும் மகிழ்ச்சி அடைந்தேன். அதன்பின் பிரபுபாதாவிடம் என் மனக் குறைகள் வேண்டி, என் பிரார்த்தனையை ஏற்று என் மனம் மகிழ்ச்சி அடையச் செய்துள்ளார். தினமும் என்னால் முடியும் வரை ஹரே கிருஷ்ண மந்திரத்தை சொல்லிக்கொண்டே இருப்பேன்.

எனக்கு 2013 ஆம் ஆண்டில் இருதய ஆபரேஷன் நடந்தது. மருத்துவர் தினமும் 20 நிமிடம் நடைப்பயிற்சி செய்யும்படி கூறினார். அப்பொழுதிலிருந்து கோவிலுக்கு வந்து கொண்டுள்ளேன். ஸ்ரீல பிரபுபாதாவின் புத்தகங்களை படிக்க ஆரம்பித்தேன். அவரே அகில உலக கிருஷ்ணபக்தி இயக்கத்தின் ஸ்தாபக ஆச்சாரியர் என்றும் தெரிந்து கொண்டேன். மேலும் அவர் நமக்கு அளித்துள்ள பெரிய பொக்கிஷம் புத்தகங்களே ஆகும்.

தினமும் மாலை 7 மணி பூஜையில் கலந்து கொண்டு பக்தி அடைய முயற்சி செய்து வருகிறேன். பிரபுபாதாவின் ஆஷ்டரயா நிகழ்ச்சிகளில் கலந்து கொண்டு வந்தனா நிலைமட்டம் வரை முடித்துள்ளேன். இதனால் நான் இந்த உடல் அல்ல, ஆன்மீக ஆத்மா என்ற உண்மையையும், நாம் எங்கிருந்து வந்தோம், முழுமுதற்கடவுள் கிருஷ்ணருக்கும் நமக்கும் என்ன உறவு(எஜமான் - சேவகன்), அவரை அடைவதற்கான வழி எது என்று சிறிதளவு புரிந்து கொண்டேன்.

இன்னும் தெரிந்து கொள்ள வேண்டியது அதிக அளவு உள்ளது. வேதங்கள், புராணங்கள், இதிகாசங்கள், உபநிஷத்துக்கள் எல்லாம் நம்மை பரமாத்மாவிடம் அழைத்து செல்ல கூடியது என்று பகவத் கீதை படித்தும், பாகவதம் கேட்டும் அதில் கிருஷ்ணர் கூறிய விதிமுறைகளை பின்பற்ற முயற்சி செய்தும் வருகிறேன். குருவின் மூலம் தான் கிருஷ்ணரிடம் தஞ்சம் அடைந்து அவரது தாமரைத் திருவடிகளை அடைய முடியும் என்றும் புரிந்து கொண்டு தினமும் பிரபுபாதரை வணங்கி வருகிறேன். என் வாழ்வின் குறிக்கோள் கிருஷ்ணரின் தாமரைத் திருவடிகளை தஞ்சம் அடைவதே ஆகும். அதனால் தினமும் அவருடைய திருநாமங்களை 16 முறை மஹாமந்திரத்தை செய்தும் வருகிறேன்.

என்னுடைய ஆன்மீக முன்னேற்றத்திற்கு பிரபுபாதாவின் புத்தகங்களும் அவருமே காரணம் ஆகும். என்னுடைய நன்றி கலந்த வணக்கத்தை பிரபுபாதாவிற்கு சமர்ப்பிக்கிறேன்.

இப்படிக்கு

வணக்கத்துடன் கீழ்ப்படிந்துள்ள, Bhaktin விமலா.

om ajñāna-timirāndhasya, jñānāñjana-salākayā caksur unmilitam yena, tasmai sri-gurave namah

I was born in the darkest ignorance, and my spiritual master Srila Prabhupada opened my eyes with the torch of knowledge. I offer my respectful obeisances unto him.

Srila Prabhupada, on this auspicious day of your appearance on this planet, I beg for your mercy & blessings. We really thank you Srila Prabhupada for giving us a wonderful spiritual school where we are learning everything to please Lord Sri Sri Radha Krishna. What to say Srila Prabhupada?! you taught us cooking, deity dressing, deity worship, chanting the holy name in beautiful tunes, chanting Hare Krishna japa, playing mridanga, enacting dramas, coordinating wonderful festivals, book distribution, building beautiful big temples and manage them, cultivating new devotees, preaching and so on, everything for the pleasure of Lord Sri Sri Radha Krishna. Even constructing a small farm takes so much money and effort. I cannot imagine how you established such big 108 temples in just 10 years. This proves how dedicated you were on your spiritual master's instructions and how much strong faith you had on Lord Sri Krishna. Please bless us always to have such dedication in spiritual sadhana. Just a word "Thanks" is not at all enough for what you have given to us.

With your mercy & blessing, let us not offend any Vaisnavas, let us develop all the good qualities of Vaisnavas like compassion, humbleness and tolerance etc., let us live a nice Krishna Conscious grihasta life, serve the Lord and the Vaisnavas.

Srila Prabhupada! Please give us your blessings to do quality chanting, to get the taste of the holy name, to follow your instructions without any deviation and to follow the regulative principles strictly. Let us obey all the senior Vaisnavas' guidance without any false ego. Let me respect all the elderly people and get all their blessings always.

Srila Prabhupada, with your mercy and blessings, we have settled down in Coimbatore and getting very nice association of HKM Coimbatore devotees. Let us all grow together in spiritual practice, organize big festivals, Ratha Yatra etc in Coimbatore with your blessings and guidance. It will be better if we have bigger, permanent temple so that we all can serve the Lord and your movement nicely. Please bless us.

Srila Prabhupada ! With your mercy, first challenging phase of construction and establishing the cow farm and organic farm is over. Now usual challenge to maintain the cows nicely is going on. At least a good family is maintaining the farm now enthusiastically. Please bless them always so that I can be peaceful without much of anxiety. Regular financial/fodder struggle is going on for cow farm maintenance. I strongly believe with your blessings and Lord Govinda's mercy, as usual we can overcome the struggle. Please continue to impress and guide us to do more Goseva and preaching against cow slaughtering. I have started milk and paneer distribution in Coimbatore to maintain the farm and to do further developments. Please bless us with good bodily, mental and spiritual strength to do the Krishi Goraksha nicely.

Srila Prabhupada ! please give us your mercy & dust of your lotus feet to advance in Krishna Consciousness nicely and to attain Krishna bhakti. Without your mercy we cannot approach Sri Krishna, so please give us shelter at your lotus feet always, guide us to attain pure Krishna Bhakti and finally lead the path to go back to Godhead to serve the Lord eternally. You taught us "Always remember the Lord's Holy name, never forget Him and his holy name." That's what we always try to follow.

Your Insignificant Servant, Govinda Dasa

Guru Chaitanya Dasa

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to your Divine Grace.

“Live with me”

You were the only source of inspiration for the devotees when there were no established temples, deity worship, or books. People became devotees simply by your personal association. In fact, your personality was characterized by simplicity, honesty and transparency in your dealings with the devotees.

That you were confident of elevating the consciousness of anyone who is favorable by asking them to stay or live with you for a few days, is evident from the following words in your letters to disciples you valued so much:

"If you are inquisitive to learn this science personally from me, I have no objection if you come here and stay with me for some days. If you can therefore spare some time to live with me, it will be better." ~ Letter to Robert, February 13, 1968.

"Sometimes Maya disturbs us but that does not mean any serious drawback. So if you feel too much uneasy, you can come and live with me for some time, and everything will be set up." ~ Letter to Vamana, November 27, 1968

"I am not very much pleased to note that you are leaving our ISKCON Society forever. (...) So you can come here and live with me immediately. You have nothing to do, simply chant and take prasadam. Do not be disturbed by the other devotees. Or, I am coming to India very soon, at least by October, so you please wait for me either in Bombay or Vrindavan or Mayapur, until I come back. Or if you cannot wait, you can come and live with me." ~ Letter to Gargamuni, August 7, 1972.

"If you like, you can come to India and live with me for some time. During Sri Chaitanya's appearance day festival, if you like you can come and live with me. Then everything will be alright. Please do not fail to chant 16 rounds, rise early, read my books carefully and follow all the regulative principles." ~ Letter to Gandharva, January 12, 1975.

"I want to meet you immediately. If you do not come to Hawaii and you want to come to Los Angeles to meet me, then I can go to Los Angeles immediately. If you actually want to give me service, then you can live with me. I want your service." ~ Letter to Madhudvisa, May 20, 1976

Those devotees who got to personally live with and serve you were fortunate among the unlimited number of living entities in the universe. You also made it clear, that those who live by your instructions are in fact, not separated from you but living with you.

When one is able to cut through the clutter and realize that it is your instructions that needs to be abide by, and it is your desire, and your will that needs to be fulfilled and followed, one is on the right path in devotional service.

It is my prayer to your lotus feet that I be blessed with the intelligence to judiciously use my time in attempting to follow your instructions and become an instrument in propagating your mission in at least a small way.

Your servant,

Guru Chaitanya Dasa

Dear Srila Prabhupada,

Please accept my humble respects unto your lotus feet. All glories to you!!

Over the last few years, your strong teachings have made my realizations sharper.

Sri Prahlad Maharaj says,

*guru-śuśrūṣayā bhaktyā sarva-labdhārpaṇena ca, saṅgena sādhu-bhaktānām īśvarārādhanaena ca
śraddhayā tat-kathāyām ca kīrtanair guṇa-karmaṇām, tat-pādāmburuha-dhyānāt tal-liṅgeksārhaṇādibhiḥ*

One must accept the bonafide spiritual master and render service unto him with great devotion and faith. Whatever one has in one's possession should be offered to the spiritual master, and in the association of saintly persons and devotees one should worship the Lord, hear the glories of the Lord with faith, glorify the transcendental qualities and activities of the Lord, always meditate on the Lord's lotus feet, and worship the Deity of the Lord strictly according to the injunctions of the śāstra and guru.

I have got a great spiritual master like you. I have got the association of devotees, opportunity to worship the unconquerable inconceivable Supreme Lord Sri Krishna, the Hare Krishna Maha mantra and the devotional service to always meditate on the Lord and everything is in line with the Sastras. What else I can expect more than this. I have got everything but still dissatisfied due to my impure mind. I am not interested in any material things but still the attachment towards spiritual things will increase only when the impurities in the heart gets cleansed. I am patiently waiting for that day to come!

This past one year has gone like a lightning. I feel like travelling on two tracks management from Bangalore and service in Coimbatore. I am not getting any sense of belonging to either of the centers. My way of working is seeming to be different from other devotees' working. But at the same time, if the control is handed over to me, I fail down in executing the things properly instead of expanding your mission because of certain reasons which I have found out. I get some bright ideas but it is becoming little difficult for me to put in action as I think over a lot on the capital funding too. If the idea is coming from my authorities, I feel that it may not be so much applicable to the place where I am put in service instead of giving it a try. At this juncture, I humbly request you to pardon me for my negligence and help me to gain spiritual strength to do my service effectively. Please keep forgiving me until I take up the responsibility which you have given me sincerely. I view everything in the result point of view whereas Krishna mentions in Bhagavad Gita that I am accountable only for the efforts and not for the results. In this purview, I should simply follow what my authorities say so as you say in Bhagavad Gita too.

The secret of success is there in following the authorities. Even if the results don't come in place, I will be satisfied for the strong spiritual consciousness. I realized this and I am working on it Prabhupada. By Krishna's mercy, I have got few students for you last year and I am dedicating to you all my efforts in transforming these young minds in taking up Krishna consciousness. I wish I should not be in poverty anymore and keep you feel bad for me. Please help me to stick on to your lotus feet which drives away maya. Help me to always remember you and not to get diverted in material consciousness.

Before I joined your movement to practice full time, I pledged that whatever service I do or wherever I go, I will do the Krishna consciousness services effectively. It is strongly imparted in my heart. I will work upon sincerely and spread your glories far and wide. Please help me reach this knowledge to so many people around the globe wherever I go. If the spiritual master's mercy is bestowed, the disciple will certainly succeed in transforming himself and become Krishna Conscious.

*mūkaṁ karoti vācālaṁ, paṅguṁ laṅghayate girim
yat kṛpā tam ahaṁ vande, śrī guruṁ dīna-tāraṇam*

It is possible if we become obedient student of guru, then even though we may be dumb, deaf and dumb, still, we can become good lecturer, talk very much about Kṛṣṇa. Even a lame man is made to cross over the mountain. This is the mercy of guru.

On this auspicious appearance day of yours, I beg your mercy incessantly, Srila Prabhupada.

Always your humble servant,

Karuna Keshava Dasa

Jai Srila Prabhupada

*om ajnana-timirandhasya jnananjana-salakaya
caksur unmilitam yena tasmai sri-gurave namah*

I was born in the darkest ignorance, and my spiritual master opened my eyes with the torch of knowledge. I offer my respectful obeisances unto him.

Dear Srila Prabhupada, thank you very much for always keeping me in your association. The last one year has been one of my worse times I ever faced in my life. It was a nightmare and I really don't know how I was able to withstand it. In the end it was your knowledge which gave me the strength to handle the situation and kept me going. And on the other hand this period has been a turning point in my life after 6 years.

Your words were hard to digest but are very true. As you said in one of your lectures

“our mixing up in a group of family is exactly like the assembly of some straws in the waves of the river. It has no meaning. Just like the straws, they gather together by the movement of the waves, and again, by the movements of waves, the straws are scattered here and there” - Lecture on SB 1.8.41 -- Mayapura, October 21, 1974

As said above I was able to realize it when there was a sudden deterioration of my father's health, and when his demises brought me to a standstill situation. And all of sudden the relation I admired for years was no more to interact with me and it appeared to be void. It was because of your books and the association of devotees I was able to cope up with the situation. But, I also really felt bad because I was not able to give Krishna Consciousness to the fullest to my father. It is my humble request Prabhupada, please give a chance to my father to be associated with the devotees in his next life.

The time I am writing this offering, I am far off from the HKM - Coimbatore devotees association. But nonetheless I am still in association with them through your vani. Please bless me to continue the same.

Srila Prabhupada, you clearly know how fallen I am. I have no hope other than you. Even though its not from my heart, please make the holy names as my life and soul. Please make me remember Krishna at all circumstances.

Thank you Srila Prabhupada.

Yours Servant,

Dear Srila Prabhupada,

Please accept my humble respects unto you.

The Gita course duration which is conducted by ISKCON in my college has given me immense peace of mind and a stable thinking while handling difficult situations at times. The classes which end up with Hare Krishna mantra makes my mind ready for the rest of the day. Even though I didn't get mature enough to understand some things, I started to differentiate things between real life and false life, I started to identify myself and study people too in a better way. Till before I thought for studying our epics, mythologies and scriptures, I have to dedicate special time later. But I realized that it is a part of life and our path to destiny will be made beautiful by them. I also understand that I have enough potential to try to follow Krishna's teachings and I dream that someday I will be a successful person in my career in the path of dharma laid by Him. I thank you Srila Prabhupada for giving me this opportunity to understand Lord Krishna's teachings very easily and effectively.

Dear Srila Prabhupada,

My humble namaskarams.

Kaliyuga is an age and time filled with ignorance and suffering. We are behind momentary pleasures and try to find solace in these instances, but in actual practice, they only lead to more suffering. In the last few months of my association with Krishna Consciousness, I have realized that there is a world which is not material and we need to work towards this. Your lectures on Srimad Bhagavatam are eye-opening and the questions which follow help me in understanding the topic on hand better. Chanting the Hare Krishna Mahamantra has now become a regular habit in addition to attending the various yatras organized in such a perfect manner. I pray that you give me the strength to increase the chanting more from current levels and lead me to a path closer to Lord Krishna.

Thank you whole-heartedly for making me aware.

Yours respectfully,

Bhakta Anand Murthy

Guru Vanakam,

In this earth in every persons life four persons are important:

One is Matha - Mother

Second one is Pitha - Father

Third One is Guru - Other form God.

Four is God - God is above all .

Four persons are very important in human life. Guru stage is giving brightness from darkness. Guru guides us and scarifies his whole life for God, and guiding towards to God. My guru is Srila Prabhupadha lived like the above mentioned sentence.

Dear Srila Prabhupada,

Please accept my humble obeisance unto your lotus feet.

I thank you from my heart for your teaching and lesson that you spread to this world. Bhagavad-gita is a guide to my life, which I personally never knew before I started studying it.

The selfless act from your side made a light within every person that he ever glow in the dark world to know his path for destiny. (Lord Krishna)

Finally, thanks for spreading Krishna Consciousness in this world, and I, a part of the upcoming generation will support and spread Krishna Consciousness to the unknown and will perform a selfless act.

All Glories to Srila Prabhupada!

My bhakti started after associating with ISKCON during my college days but what really took me to ISKCON?.

My past, I was attracted to Krishna postures & photos. I've longed to have personal guru who could teach me Bhagavad-gita.

I've wandered with my bicycle in search of a spiritual guru almost everywhere across Coimbatore.

Finally I went to Chinmaya mission. But the center was closed that day. I took Bhagavad-gita from local stores translated by Annie Besant and started to read from that everyday few pages. As time passed by and after the completion of my higher secondary I chose Law for higher study. I came to Bangalore and my paying guest was quite close by, 12 minutes walking distance from ISKCON . Then my association with ISKCON started off by attending daily Prabhupadas program, Bhagavad gita, Bhagavatam, and other lectures and not to mention the Yoga retreat, FOLK classes and daily programs such as Manglarti, Darshanarti and end the day with Shyana arti as my spiritual life grew up rapidly and spun into a whole different great level and I'm sure that I'm fortunate to be touched by Prabhupadas mercy. I've wished long ago to have real Guru who could teach me about Krishna, Bhagavad-gita have all got fulfilled. Every time when I think about the past about my journey into spiritual life, it's all amazing. And all these experience due to the blessings of Prabhupada for sure.

My humble obeisances to Srila Prabhupada!

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet.

Thank you for showing me the path to realizing and understanding how the world works. Your teaching have made it easier for me to embrace the world and people, as it is giving to me the sense of control in the reckless ride of life. I am eternally at your debt for showing me the purpose of my life. This has helped me cross a lot of gloomy days of my life. I know that all the time I put into studying the scriptures, I am investing in the future. Not only of this life time but for the few more (hopefully) to come. Thanks for making me realize the absurdity of desires (materialistic).

Forever at your feet,

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet.

This is to show my deepest gratitude to you. I feel grateful primarily for giving us a movement called ISKCON-Hare Krishna Movement, where I find myself attached to a group of devotees who worship Krishna. I found a spiritual group under right Guru guidance.

I am thankful to you for giving me an opportunity to understand Krishna, not only as God, but He is the one who always cares for us, as a creator and protect us from unrighteous paths. I worshiped Krishna as God, as my well wisher since my childhood, but you have provided me an opportunity to know much more about Him.

Above all, I was very eager to know Bhagavad-gita which my mother prohibited me to study. But by your guidance and your devotees support, I came in touch with Bhagavad-gita, which helped me to explore its verses and its essence.

I feel comfortable by spending my time fruitfully and specially. When I come to temple, devotees association, dancing, chanting for Krishna.

Thank you.

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to you!

This is to express my deepest gratitude towards International Society for Krishna Consciousness (ISKCON) and your goodself, Founder-Acharya, since I'm one of the persons who received the most precious and finest knowledge from his works. Lord Krishna has given the greatest knowledge to human kind which was later composed by Veda Vyasa and translated in English for the benefit of modern world by Srila Prabhupada. Lord Krishna incarnated at the end of Dwapara yuga and has given immense knowledge through his teachings, actions and strategies. I started reading Bhagavad-gita when I was 20 years, doing my under graduate, initially I had a thought that Bhagavad-gita is a strategy of Lord Krishna to make Arjuna fight in the war, later as I moved on with the chapters my thought on Gita was completely different. I would like to mention few lessons that helped me a lot.

At the beginning Arjuna ordered (with ignorance) Krishna to move the chariot in the middle of the war field but after receiving the true knowledge from Supreme Lord, he has surrendered himself and replied I'm ready to act according to your instructions (eliminated ignorance). So I understood that a person without true knowledge is always ignorant which is not the way to go. Being an engineering graduate I always concentrate more on the results(outcome) rather than the process(karma), which has been changed when I understood that I have rights only to perform the prescribed duty but not entitled to the fruits of action. So now I never mind about the outcome but rather I concentrate more on what I do. Life is just a reflection of our deeds, so one who does good will never have a bad end. Conquering the mind is more important, which is also the hardest thing. One who conquers the mind conquers everything. Karma is the result of intentions which leads to actions. So negative thoughts are absolutely destructive. Carrying out our own work is much more important. People these days started concentrating on what others are doing. Everyone had rights to do their duties but not others. Even TV shows which portray life of others are famous since people are very much concerned about it. Even I was a fan of those shows but everything has changed. Being God's Consciousness in whatever I do, has given me the peace with whatever I get. The mentioned above are just less than one percent of how true knowledge has impacted in my life, explaining that

everything is not possible as I'm learning something new and improving everyday. My sincere thanks to my guide Karuna Keshava Dasa from ISKCON Bangalore who gave the spark and helped me understand the finest knowledge better.

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet.

After I came to know about you, I just started reading your books. Before that I have never worshiped any God. I didn't even trust them. But once I happened to hear about you and later I decided to worship Gods. Gradually I started seeing even a complex thing so simple. On April 5th of 2017, there was some realization that I don't belong to this material world but somewhere else. This made me peaceful within my heart. Since then I started meditating each and every day, at least twice a day. Everything is going well right now.

After many books, finally I started reading Bhagavad-gita just few days back. I got a training schedule in Bangalore and this helped me to visit ISKCON temple at Hare Krishna hill. I came in touch with the devotees at Coimbatore through youth desk set up at Bangalore temple. I was thinking to learn Bhagavad-gita from a right person and finally I am here by your causeless mercy.

With the Bhagavad-gita knowledge which I am getting, I am always joyful in heart. There is so much clarity and don't get confused. Acceptance level is increased. Attachment towards material things is slowly diminishing. I found who is real God and that is Krishna. I always did what I have to.

Thank you so much for leaving behind this great opportunity to associate with the devotees, Prabhupada.

I am very much grateful to learn the inner meaning of every work we are doing. Learning Bhagavad-gita is learning the inner meaning of life and karma what we have to do to achieve the supreme. Listening to these topics make one step nearer to approach the Almighty. Thank you for giving this opportunity to learn this knowledge. These always make us not to go in the wrong way or not to lead wrong steps in our lives. Thank you for all these help to lead our life in a better manner.

Dear Jagadguru Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet!

Spirituality is the real science. I came to understand this in my little endeavor of practising Krishna Consciousness. The more I practice, the more I realize how trivial I am. The whole world is indebted to you for your efforts to save mankind from disaster. Your writings are the gems of wisdom that has saved millions of souls. Your determination to propagate Lord Sri Chaitanya Mahaprabhu's mission is very inspiring and it shows that Lord Krishna empowers the person who strives to carry out the order of Guru and Gauranga. I pray that this science reaches more and more people so that we all join together in furthering your mission.

In our life we will be going through so many struggles and hurdles. In order to achieve success we try to do a lot of things. We fail sometimes to reach it and also sometimes we achieve success in life. But this process of success and failure continues till the end of our life. In spite of all these successes and failures, there is something beyond about our life.

Knowing and learning about existence of God, trying to mold ourselves in our day to day life to perform some spiritual activities like learning Vedas, Puranas and Ithihasas. This knowledge is taught by the spiritual master. He is the one who

makes the connection between Krishna and people of this material world. He is the one who decides whether we are eligible to reach God or not. He involves us more in Krishna Consciousness by chanting the Hare Krishna Mantra and reading spiritual books. By involving in all these activities we can 100% come to know the precious value of life and also we can set ourselves as role model to so many present around us. Srila Prabhupada, you as a spiritual master were so successful because of which major part of the world is following your principles and teachings till now. I will follow all these teachings given by you and also try to make others follow.

Dear Srila Prabhupada,

You have always pointed out the failures of modern life. Thoughtful people should take your instructions very seriously for your mission is only to help us to get out of material illusion and be happy in Krishna's association. Srila Prabhupada, always you are inspiring to me. I would like to share one such experience I have had over time. I had so many problems back to back and I was down. As you said that just by chanting the Hare Krishna mantra, one can get relieved from all the troubles. With faith, I started chanting and in few hours, my problem was solved by Krishna's mercy. It's unfortunate that people are becoming materialistic and they have no idea about Krishna Consciousness. I hope and pray to you that a day will come when everyone will understand Krishna Consciousness through you for sure.

Life has been included with a lot of failures and setbacks for an individual where we strive for success every day when we step out to work. To make life simple and joyful we need the blessing of the Lord to be showered upon everyone. I have started reading books (Bhagavad-gita)published by you; it made me to indulge into the devotional circuit of life.

I strongly believe that the endeavors kept for the work will pay off one day where we succeed with the support of God. I request and pray for the Lord's support sincerely and help to me to maintain the optimism when the odds are against me

I dont have enough words to express my gratitude towards the enormous change you brought in my life, showing me the path of Krishna Consciousness. I'm deeply indebted to you for lifetime for all the light you showed me in recognizing who my real father in life is. You were always there at my rescue in every situation of my life after getting in touch with you my dear Prabhupada. Please accept my humble obeisance unto your lotus feet.

I am from J&K pursuing civil engineering from Amrita university in Tamil Nadu. When I came to Amrita university in first year, I didn't know about you. But I know about ISKCON temple in Bangalore. During first year, Keshava Dasa sir arranged a spiritual lecture and he also made us to fill one form. In his lecture I came to know about new-new things about spiritual life. One week later he asked to come & meet him. There he asked to join the weekly spiritual class and I joined.

In these weekly spiritual class I came to know about you from Keshava Dasa Sir. I got so much interested about this spiritual lecture and I was feeling happiness from inside. I want to come to Bangalore but not this time. But I will come and will take blessing from you. I read about your life and your Bhagavad-gita. I think I am very blessed and fortunate to know about you. You went to America and delivered lecture there even when very less people attended. But you continued to tell about Krishna. Now today many people almost every Indian know about ISKCON temple & read your Bhagavad-gita. Your life is inspiring for me. I will surely take this knowledge from your books and will apply in my life to make my life happy. This life which we are living is a materialistic life. But the real life is spiritual life and I want to get rid of birth and death. So I want and I will read all your books. Please give me the strength to pursue this path and blessings on your auspicious appearance day.

Dear Srila Prabhupada,

Please accept my most respectful obeisances in the dust of your lotus feet.

Now days, my association towards temple got reduced slightly due to some reasons but my love and respect towards “Sri Krishna” has increased tremendously. A better example is, “Daily my travel to office from House will begin with a prayer to you and all the way throughout my travel I will pray to Krishna by chanting “Hare Krishna Maha Mantra” which will last to 35 to 45 minutes”. This is the better example how you motivated a layman towards our lord “Sri Krishna”.

Lines said by “Willam A. Ward”

“The mediocre teacher tells,

The good teacher explains.

The superior teacher demonstrates.

The great teacher inspires. ”

When I read the above lines, a mere flash out in my memory is “YOU”. To me you are a great teacher who inspired us to incline towards “Lord Sri Krishna”. Your exceptional divinity and love towards Sri Krishna earned millions of Indian Hearts and their souls but also achieved people’s heart all over the world and inspired us to join in “Hare Krishna Movement”.

For few, "Success is not a destination, it's a journey". For me, "Success means to be a part in never ending journey" and I reached my destination.

I'm very blissful to get inspired by the way of your teachings, preaching, and songs. As a disciple it is a great honor to write a few words about my Guru and the only gift I can pay is by praising you and by chanting "Hare Krishna Maha Mantra".

Thanks a lot to ISKCON for giving me this opportunity and joining me in "Hare Krishna Movement".

Yours Sincerely,

Bhakta Mukesh

Bhakta Murugesan P

Dear Beloved Spiritual Master

All Glories to You.

Thank you very much for the unconditioned love shown on this poor soul. From 2003 to till date, I realized the countless blessings showered on me. And because of your grace, my whole family turned towards Krishna Consciousness life, which gives energy and positive attitude everyday. But still, we have to go a long way and please bestow your blessings always to be in Krishna Consciousness life till the end of our life. Please forgive our mistakes and give your guidance always. Somehow, you have given an opportunity for me to render service in The Akshaya Patra Foundation and worked after couple of years, returned to normal life due to family responsibilities. I request you to call me and my wife back to do some service under your shelter soon. Please bestow your blessings on our daughters to be in Krishna Consciousness throughout their life by following your instructions.

Your insignificant servant,

Dear Srila Prabhupada

We pray to you for our spiritual progress. We are extremely indebted to you for what we are today.

Thank you Srila Prabhupada

Dear Pujya Gurudev

All glories to Hare Krishna. Please accept my humble obeisances at your lotus feet on the holy day of your appearance.

I am a human being full of regrets.

Despite continuous efforts from your learned & ardent devotees, I consistently fail to follow your instructions in spirit and practice. Often I get overpowered by the commitments & compulsions of this material world and so easily get displaced from spiritual path. However it is only because of Krishna's mercy and your divine blessings, I continue to be in constant association with Krishna Consciousness Movement by some means or other every single day.

I wake up seeing the images of you and Lord. I wind up reading transcendental messages/texts from the scriptures and your preachings. Your ardent devotees and modern day technological advancements have ensured my connections with you & the Lord stays intact, consistent and closer than ever before.

Chanting Hari nama, rendering prayers every day has been one good habit I cultivated over the years. This has given me courage, confidence & strength to face any situation head- on in this demanding material world. Had it not been your blessings and opportunities to associate with this great spiritual movement, I would have faltered up very badly long back. Your divine love and blessings keeps me humble, grounded, respectful, helpful & caring.

Please pick me up with your love and place me on the orbit of spiritual progress.

Your humble servant,

Bhakta Pradeep

Dear Srila Prabhupada,

It was during my student days at IIT-Madras (1996-2000) that I came into contact with the ISKCON movement. ISKCON used to conduct Gita classes every Sunday at the Vinayagar temple in the campus. Occasionally, I would attend these sessions and some of my friends were drawn more by the delicious prasadam that was served than for the knowledge of the Gita!

It was almost a decade later that a colleague of mine, a devotee of ISKCON, gave me a copy your- Srila Prabhupada's life. Though I had heard about your life and message , Srila Prabhupada earlier, reading about you extraordinary journey of transformation and determination was an eye opener in many ways.

What struck me deeply was your absolute faith and surrender to the will and grace of Krishna. You left India in 1965, on a freighter called the Jaladuta, with the aim of spreading the message of Caitanya Mahaprabhu around the world. Your possessions were simple – a suitcase, an umbrella, a supply of dry cereal, about eight dollars worth of Indian currency, and several boxes of books!

What is even more baffling is that despite suffering two cardiac arrests during your voyage to the United States, you recovered and went on to found an organization which has grown beyond anyone's imagination into an international movement.

Srila Prabhupada, your diary entries of this period gave me goose bumps when I read your biography:

“Passed over a great crisis on the struggle for life and death... I do not know why You have brought me here. Now You can do whatever You like with me. But I guess You have some business here, otherwise why would You bring me to this terrible place? How will I make them understand this message of Krishna Consciousness? I am very unfortunate, unqualified and most fallen. Therefore I am seeking Your benediction so that I can convince them, for I am powerless to do so on my own.”

Anyone who thinks that an individual cannot make much of a difference in the world has to read your life to understand the power of Krishna's will and grace. What you achieved in the short span of twelve years after your arrival in New York is nothing short of a miracle – fourteen whirlwind lecture tours around the world, founding of the Bhaktivedanta Book Trust, the growth of ISKCON to over 108 temples and chariot festivals across the world – such tremendous achievements during the twilight years of one's life are not humanly possible without divine grace.

Yet another quality of yours, Srila Prabhupada which has always struck a chord with me is your bold and fearless stand on many issues. You never hesitated to speak your mind openly on any issue – religious, social or political and you spoke with clarity and conviction, straight from your heart and never tried to hide your views behind the cloak of political correctness.

Hindu society lacks such visionary leadership today. May the soil of India give birth to many Prabhupadas who can guide us in overcoming the challenges that we face today. I offer my humble pranaams at your Divine feet. You continue to be a beacon light of inspiration for countless individuals like me.

Dear Srila Prabhupada,

Please accept my humble pranams unto your lotus feet.

I have read some of your highly cherished book like Bhagavad-gita and some postulates which were given by my Guru from you. The thing I observed was you are the direct incarnation of Krishna. The reason behind is the essence with which Krishna spoke, the same kind of nectar is being carried throughout your books. What I personally felt is we are all the cells and organs of Krishna as completely evolved man. But speaking of your intellect and knowledge, you are not an ordinary human being but I see as a form of God. You are not worldly attached but used everything in the service of Lord Krishna. I also heard that you appeared on Earth for us on the day next to Gokulashtami. I request you sincerely to bless me on your auspicious appearance day.

Hare Krishna..!

All glories to His Divine Grace A.C. Bhaktivedanta Swami Srila Prabhupada !

I offer my humble pranams at the lotus feet of Guru and Gauranga !

First of all, I beg your pardon for all the mistakes I committed in executing your orders; knowingly or unknowingly.

With your guidance alone, I could serve the Lord at least in this smallest extent. Otherwise, I would have become another tool in the powerful hands of Maya, your external energy to a larger scale, for sure. I admit that I am not out of the clutches of Maya and material life, which is possible only for the sincere devotees of the highest class. My sincere prayers to you are to keep me as a smallest servant at the lotus feet of the Supreme Lord Sri Krishna by some means or other.

Your books and sincere devotees definitely are the sharp but simple tools for those who wish to fulfill the actual aim of their lives.

By listening/reading to your lectures/writings, I could feel your divine presence with me through your voice. Your language is very easy to understand and your commanding words are evergreen for all the communities/stages of life.

I am grateful to you on many things in my life; the most important one I feel is your blessings to give me the association with your disciples wherever I go, in one way or another. I would definitely appreciate the efforts taken by them through your guidance to propagate the messages of Lord Krishna as instructed by yourself.

Kindly bestow us with immense grace to serve you and the Supreme Lord always throughout life after life.

At the lotus feet of Krishna and Srila Prabhupada,

Your humble servant, Bhakta Rajesh

All Glories to Srila Prabhupada,

Dearest Divine Grace,

Please accept my most humble obeisances at your lotus feet.

You are so merciful that you have given me this opportunity to engage in the devotional service of the Supreme Personality of Godhead Lord Krishna.

Our Divine Grace has taught us, that you can't love others properly until you love Krishna. Always bless me with the right intelligence to devote my life to Krishna, so that I can develop deepest love for Krishna, worship Krishna, do attentive chanting, read books, eat Krishna prasadam and eventually go to my original home, back to Goloka Vrindavan.

Thank you for giving me the association of devotees. Kindly forgive my offences and please bless me to be spiritually strong and always take shelter of your lotus feet.

Forever in the service of the Lord,

Dear Srila Prabhupada,

Hare Krishna..!

Please accept my obeisances at your lotus feet. All glories to your Divine Grace.

First of all I am very much thankful to Hare Krishna Movement for providing me such a wonderful opportunity to write about dramatic changes happened in my life by the your grace, the beloved master A.C. Bhaktivedanta Swami Prabhupada.

I had many questions earlier about worship of God and what is the purpose of life, etc., I didn't get complete answers from any source. But when I first came to HKM and started attending the sessions, I got to know that this is the perfect place to get answers to all my questions. Just by chanting Hare Krishna Mantra and reading your books, I am able to get lot of spiritual consciousnesses. You have thought us how to worship Lord Krishna, the supreme personality of godhead. Daily I am spending my time very valuable in Krishna consciousness and this cannot be compared with any other activities. I am very much thankful to you, my dear spiritual master Srila Prabhupada and also to HKM devotees for guiding me in the Krishna consciousness. My dear kind loving spiritual father Srila Prabhupada, please forgive me if I made any mistakes. Please show your mercy on to me and my family in advancing in Krishna consciousness and save us from repeated birth and death in material existence and bless us with eternal life. Our most merciful spiritual master, I offer my respectful obeisances unto you, the deliverer of the fallen souls. May our life and soul be eternally dedicated to satisfying you by delivering your divine mission to every conditioned soul.

By your great mercy on us, you can only take us to the lotus feet of lord Krishna, the supreme personality of godhead. Few words are not enough to show our gratitude on you, so we will continue your mission at the best by your blessings.

Hare Krishna..! Jai Srila Prabhupada..!

Dear Srila Prabhupada,

Please accept my humble obeisance unto your lotus feet.

I am a nature lover. After I completed my studies, I was doing my job at Chennai. I was struggling with poor environment then. I was always thinking about why people misuse this materialistic world. I started hating people doing harm to the environment and quit my job. Eventually I started my own business. Even though I couldn't stop thinking about what is right and what is wrong, I couldn't find an answer for it either. I made a huge financial loss because of unaware about dharma. But after coming into Krishna consciousness, Srila Prabhupada, you have shown me how to do real karma yoga. I consider this as an eye opening moment. You have brought this information right from Krishna and I appreciate your efforts for preserving and giving it to us. I am so grateful to you, Srila Prabhupada.

Dear Srila Prabhupada,

Whenever I read any books of our great acharya Srila Prabhupada, it pierce into the heart...!

It seems the four are equally important, the Maha mantra, the books, deity worship and taking prasadam.

Maha mantra to cleanse our consciousness; Books to cleanse our intelligence; Deity worship that cleanses our sensuousness and Prasadam to cleanse our physical body.

I pray to his lotus feet to follow the above mentioned Sadhana in the coming days. Kindly bless me.

Your servant,

Bhakta Shanmugam.

Dear Spiritual Master Srila Prabhupada Please accept my most humble obeisances on this auspicious day in writing this homage.

I bow to your feet with this offering to worship you remembering your teachings, your books and instructions for the present day materialistic world. You have made us to understand no doubt about lord krishna being the supreme lord. When we were in distress , by simply chanting the holy name the mahamantra, we have witnessed the immediate impact. The fear within ourselves vanishes and we have found we have been protected by the Lord. This is how we are able to move forward in the present day of life. We feel self sufficient and this made us to come out of the materialistic world and your abilities to ease our sufferings and allow us to love you even more. We have entered the devotional and spiritual journey after our acquaintance with the Hare Krishna movement ISKCON the path you have shown us. The messages in all your lectures ignite our self confidence. When the Hare Krishna maha mantra is vibrating in our tongue and we are attentively listening, we are very clear of Krishna consciousness, all our negative thought form transferring within ourselves to a positive thought is visible, no question of any maya.

Thankyou Oh spiritual master Srila Prabhupada for this maha mantra. Every day we wake up with your divine teachings and picture of your feet in mind and thereby moving forward. Srila Prabhupada you have touched us all so deeply we cannot help but keep remembering you and your teachings. I understand the meaning of writing a Vyasa Pooja offering remembering you in love and worshiping you. We remain forevermore in your divine services and the lotus feet.

Your humble servant,

Please accept my humble obeisance unto your lotus feet.

I want to take this opportunity to thank you for presenting unadulterated transcendental knowledge. You have revived the spirit of Vaishnavism and Krishna Bhakti and spread it far and wide. Your message of Chanting the Mahamantra to purify one's existence is practical and easy to follow.

Dear Srila Prabhupada,

Please accept my humble offering unto your lotus feet.

I don't know how my life would have gone if I have not found ISKCON and known about you. I have fully accepted you as a bonafide spiritual master. I don't have any doubts about the authenticity of the precious knowledge given by you. You may not be physically present but you are there in my thoughts and in my heart always. In history, once the Jews were not given a nation when they were exiled from their country, they had hopes that one day they would get their own nation for living. For 2 to 3 generations, the hopes were built and finally it came true after 2000 years. Similarly, Krishna consciousness would spread more and everyone would require it in future. In short you are a pure soul and not restricted to our nation but to whole peaceful world.

Thanking you.

Dear Srila Prabhupada,

Please accept my humble obeisance to You. All glories to Your Divine Grace.

This is my third literary offering after entering Krishna Consciousness. Though I was not aware of anything about Krishna Consciousness and the motto of the movement before 6 years, I really loved the prasadam that I had in our temples & centers and only for which I was attending the programs. I could call some 'miracle' had happened because of prasadam and my life started changing slowly. Whenever I get a chance to serve prasadam to anyone I really feel blessed by You and it's because of Your mercy alone, I could do so. I felt, my interest towards cooking has become a complete activity only when I started cooking and serving prasadam to whomever I can. Also, I really felt the difference in my cooking whenever I complete few malas of my chanting before I start cooking. The essence of the Mahamantra "Hare Krishna Hare Krishna Krishna Krishna Hare Hare; Hare Rama Hare Rama Rama Rama Hare Hare" is felt in the cooking. Days were like black clouds with no sunshine in them. I was finding out one reason or the other for NOT to chant. It's only because of Your endless mercy, now I could feel the warmth of the sunshine. I started making priorities and now I create reasons and situations to chant more malas. I cannot repay my debt of gratitude with my simple Thank You. Kindly shower Your mercy on me to be Your servant forever and do as much service as I could to You and the devotees, to serve the Lordships at home,

spread Krishna Consciousness to as many through books & prasadam distribution, spread the Holy Name & improve my Spiritual quotient.

Kindly enlighten me to correct my mistakes and not repeating the same. Once again kindly accept my humble obeisances.

All glories to Sri Sri Guru and Gauranga !!!

All Glories to Srila Prabhupada !!!

I was born in the darkest ignorance, and my spiritual master Srila Prabhupada opened my eyes with the torch of knowledge. I offer my respectful obeisances unto him.

Srila Prabhupada! You are so great, pure and merciful that all over the world, irrespective of Language and culture, everyone took to Krishna Consciousness and started chanting the Holy name of Krishna “Hare Krishna”.

Srila Prabhupada! Earlier we used to cook for our sense gratification. You taught us the cleanliness and how to serve the lord dedicatedly by cooking nice, palatable dishes for his pleasure.

Generally, people train their children in so many material activities. But because of you Prabhupad, we are training our children nicely to practice Krishna consciousness. They are getting trained to wakeup everyday early, cleanse and take bath immediately, bow down to you and in front of the deities, chant slokas/prayers nicely, Tulasi Devi Pradakshina, learn new slokas, listen to the spiritual classes, chant Hare Krishna, Dramas, how to behave nicely with others, preaching... what not.

I am chanting 16 rounds last few years. I beg your mercy to improve the quality of my chanting and to strictly follow your instructions more seriously.

Your Insignificant Servant,

Bhaktin Deepika

Bhaktin Gayathri

Dear Prabhupada,

Please accept my obeisances!

Service at ISKCON gives me utmost satisfaction in-spite of so many challenges. Few years of service has given me knowledge and strength to practise Krishna Bhakti. SP Awareness department gave me the ultimate knowledge about your pastimes.

I have seen mercy pouring into my life in all your pastimes. You have given me confidence by showing your mercy.

Kindly forgive any offences which I might have committed against you. I also beg all my god brothers and god sisters to excuse my offences or harsh words or actions that might have given them any inconvenience. Without their association I cannot get your association Prabhupada. Although I am bereft of any family, you have given me a spiritual family at HKM, Coimbatore.

I am able to taste the prasadam, taste your holy name, taste your words, enjoy your association, enjoy Bhagavatam and Bhagavad Gita. And I am looking for more and more.

When I look back I have no regrets because I know very well you are there and you have given Krishna who is waiting on the other side of the ocean to take me back to his abode.

Relief means spiritual instructions. Relief doesn't mean material comforts. I have a world of books lying in front of me. When am I going to drink all the nectar of drops. Please help me to inject your instructions.

I see universes of service, oceans of devotees, yugas of life standing in front. Please give me the strength to pass thru the same. Kindly guide me and bless me in all my endeavors in this spiritual journey.

Dandavats at your lotus feet.

I bow down to your lotus feet with great respect.

By Sri Krishna s wonderful mercy, I am very blessed to be associated with the Hare Krishna Movement and follow Krishna Consciousness in my day to day activities.

By Srila Prabhupada's Mercy, I learned to love and worship Shri Krishna and Srimati Radharani, I learned to chant the holy mantra "Hare Krishna Hare Krishna Krishna Krishna Hare Hare Hare Rama Hare Rama Rama Rama Hare Hare" attentively, I started singing kirtans, bhajans, helping in the flower decoration at Iskcon Temple and attending Bhagavad Gita and Bhagavatham classes regularly, I understood the importance of offering and eating Krishna Prasadam, I love to read Krishna stories, I was blessed to visit the holy land of Vrindavan- the birth place of Shri Krishna.

My dear Srila Prabhupada, please bless me forever to remember Sri Krishna.

By Grace of Srila Prabhupada, my daughter introduced me to Krishna Consciousness and my daily routine and life has changed since then.

Prabhupada, you have taught me to rise early in the morning in Bramha Muhurta and to do the Japa, to fast on Ekadashi and to offer morning Bhoga to Laddo Gopal at house which I started doing recently. When the prasadam is honoured by everyone in the family, it is very satisfactory to me.

By your instructions, I take part in devotional service in Sunday programs in Cooking service. I read Srimad Bhagavatam every evening. I am so grateful for the Srila Prabhupada ashraaya level opportunities where I have attempted the tests by reading your transcendental books. I am also getting the opportunities to go to yatras and have devotee association.

I only wish I had taken to Krishna consciousness much earlier in life.

I only desire for the mercy of Srila Prabhupada and that I chant the Holy Names of the Lord day and night

Srila Prabhupada ki jai.

Bhagavad Gita chapter 18 text 65

As Lord Krsna quoted; Always think of Me, become My devotee, worship Me and offer your homage unto Me. Thus you will come to Me without fail. I promise you this because you are my very dear friend.

Dear Merciful Master,

The sloka grew stronger inside of me as the sole purpose of life is to attain the lotus feet of Lord Krsna and Radharani.

Been born into a spiritually devoted vaishnava family there was a strong bond of love for the supreme personality of godhead. This strong emotion did help steer life into the path of spiritualism even with the tests of karma, time and age. But the fire wasn't burning enough to taste the nectar of Krsna's devotion, something was always missing and I was always searching for it. For the little mind said there's everything I needed to grow closer to Krsna and Radharani. But wraths of this material world took command over my life and the aftermaths weren't insignificant. I kept pushing and pulling myself out of Krsna consciousness every now and then whenever I fell down., and the struggle went on for a while until I realised that i missed a major step in my process to attain the lotus feet of the Supreme personality of Godhead. Little did I know that the blessings of a spiritual is the ultimate guiding light to the end of the tunnel. Orientation with the temple and devotees of ISKCON gave me that significance about the importance of a spiritual master to attain the necessary. After finding the missing piece of puzzle there came along another struggle of connecting with the master and accepting him. His divine Grace Srila Prabhupada's life was a true inspiration., his undeterred desire to spread "Hari nama" throughout the world and his high will and perseverance at his age struck me soo hard that made me question myself. Reading his books on Krsna consciousness formed the bond that I lacked. Like oil to the fire., I kept the fire burning by listening to his lectures., seeing his autobiography., reading his books and following his little instructions on devotional service. Hence came a calmness inside of me and true surrender to Srila Prabhupada was all that I needed to do. The master lives inside my head and heart and I surrendered my life unto him which was Krsna's process to attain golokā. As said in the Bhagavad Gita., Spiritual duties are as ordered by the spiritual master for the transcendental service of Kṛṣṇa.

This consciousness is firmly developed by a devotee who has rendered loving service unto the Lord by carrying out the orders of the spiritual master.

As Srila Prabhupada quoted; "Although we are imperfect because we follow the perfect, our proposition becomes perfect." The master is extremely merciful to keep engaging me in the services of Lord Krsna and lord Radharani for the very, very little devotion and surrender I have. Life has become so surreal and the experiences are unimaginable with his mercy and blessings. Path to goloka is much easy and clearer with Srila Prabhupadas limitless blessings and mercy for me.

Forever am I a grateful servant for his undivided blessings on me.

Jai Srila Prabhupada ...!!

Dear Srila Prabhupada,

Please accept my humble obeisances,

Before coming to ISKCON I was trying to become a devotee of Krishna. Then i got in touch with ISKCON through my son who is already into ISKCON. I'm getting opportunity to attend keerthans, bhajans; Bhagavad Gita, Bagavatham classes, and

involve into services etc. Then I got to know how to chant and also the knowledge to follow four regulative principles. I'm learning every day and my bhakthi is simultaneously intact.

I learnt the procedure to follow Ekadasi after coming to Iskcon and I'm thankful to Prabhupada's movement for that. Devotees association is doing great, it make me feel like we are all in one family. I am confident that this is the place I can purify my atma.

My koti pranamam to the lotus feet of Srila Prabhupada.

Your humble servant,

Bhaktin Meena Krishnanunni

Hare Krishna!

All glories to Srila Prabhupada!

It gives me immense pleasure to write about gratitude and glorification of Srila Prabhupada who keeps me always engaged in Krishna's service by his mercy. It is stated in Bhagavad Gita that material energy is duratyaya (impossible to overcome by material means) but only under the guidance and causeless mercy of guru like you we can overcome those material energy simply by chanting the Mahamantra

"Hare Krishna Hare Krishna Krishna Krishna Hare Hare

Hare Rama Hare Rama Rama Rama Hare Hare".

It is also stated that "One with regulated mind recites Bhagavad gita with devotion will attain vaikuntha" but I feel even for unregulated mind like me guru will show vaikuntha in the form of Brahmotsava and Rathayatra (happening around the world for Krishna), which speaks the glorification of guru by itself. The uniformity in the rituals followed in all the ISKCON temples inspite of difference in place, culture, language and weather is really astonishing, who else other than you my guru Prabhupada can make such an amazing arrangements globally.

So on this special occasion of Vyasa pooja i am praying unto you to give me at-least a little drop of devotion and love which you had towards Krishna, that will make me realize our service towards Krishna. As you said the real feature of devotee is forgiveness, i humbly request devotees to forgive me incase of any mistakes in writings.

Always likes to be a devotee of devotees,

(Meaning) "That Great Preacher, who always considered God's Lotus Feet only as his most lovable and dearest asset, and thereby rejected everything else as some useless grass, That Great Person is our Teacher who is an ocean of kindness and is equal to God."

Jagad Guru Srila Prabhupada! Please accept my humble obeisances and my heartfelt gratitude for accepting and giving me a space in ISKCON, your sacred mission. Today is the great day to be grateful to the indescribable and limitless ocean of

mercy who appeared on this earth to give salvation for the conditioned souls. Your grace has descended on this unworthy, lowly person and enabled to write this offering on one of the glorious divine days.

Oh Paramahansa! your vishwaroopam / the Universal Form lasted not just few minutes, but for many years from 13th Aug 1965 to Sep 14th 1977.

Oh Parivrajaka acharya! at the ripe old age of 70 you travelled continents covering 3,36,658 miles approx., throughout for next 12 years (which is 4380 days) with a flying record of 583 hours. On an average you have been flying 76 miles daily propagating krishna prema to the entire world establishing 3 temples every quarterly. And, the sleepless nights you spent to give the Transcendental literatures to the world. Your guidance and support not to one individual, but to the entire human race is made available eternally in the form of your vani.

Oh my Prabhupada! Life after life this lowly soul will ever be indebted to you for all the hardships that you might have endured when iskcon was pioneered in West which turned its attention worldwide. Please grant, that I may not seek worldly pleasures and be spiritually duty bound to you in all my lives

Oh my master! I wish to purify every single beat of my heart, my thoughts and deeds. Please grace me to fulfil your holy will of chanting 16 rounds regularly and to follow the regulative principles. I beg your forgiveness for any Vaishnava aparadha whether knowingly or unknowingly that I have committed. I pray at your lotus feet to mould my consciousness and give me a heart that respects all vaisnavas.

As you rightly said in your diary dtd 13th sep.

“Today I have disclosed my mind to my companion Lord Sri Krishna”

Yes, Lord Krishna has you in his arms and this most unfortunate fallen soul has you in her heart.

It's believed and said that krishna is performing his Lila's in some other universe. Then, you must also be performing your lilas in some universe. All that I hanker now is please manifest your boundless mercy upon me, wont your ocean of mercy purify me and make me eligible to serve your lotus feet perfectly in that universe. Please forgive my rampant offenses and bless me to serve you forever.

There's one God – KRISHNA and There's one Jagadguru – SRILA PRABHU[ADA. One way to attain HIM is by simply holding on to the golden lotus feet of our Spiritual Master.

My Gurudev, I seek your benediction to shelter me at your Lotus Feet for ever.

Dearest Srila Prabhupada,

Please accept my humble and respectful obeisances.

Dear Guru, I have known You now for more than a decade and I can say that my reverence and respect for You is increasing with time. Being born in this Kali yuga, life is filled with misery and grief. Pain is manifold and the so-called happiness is just a word. You came into our lives as a gentle breeze, cooling our brows and with Your magnanimity embraced us into Your fold. Time and again, when I am at cross roads of decisions, Your wisdom and Krishna conscious excerpts have put me back on track. O Master! You are around, ever-forgiving and ever counselling, always guiding, sculpting and shaping us up. You are a great visionary. You knew well what exactly to leave behind for all the fallen souls, You understood how

the vagaries of time would take their toll on the generations to come. You worked hard and steady, foreseeing the short time left. You gave us an array of books and simple lectures to guide and teach.

Where would I be if it were't for You. I am so blessed that You even chose to appear in the dream of this fallen soul. I was moved to tears. You showed us the right path by telling us of the Kaliyuga dharma, where Krishna is a word of mouth with all His potency vested is just His NAMA. A bonafide Guru, is the bridge to the Lord Almighty. He connects the jiva to the paramatma. And that is exactly what You are. With Your immense patience, perseverance and painstaking dedication, You brought this whole world into that umbrella of Krishna consciousness. I pray at Your Lotus Feet, O Master, that I always remember You and that You be my teacher and guide birth after birth. I beg that You accept my humble offerings, clear my chanting off offences and forgive me of defaults. Please stay with me and tell me the best ways. May there be thousands and thousands of anniversaries of this beautiful festival and day!!!!

Bhakthi Vedhantha Swami Prabhupada is a Vedic Spiritual Master for everyone. Swami Srila Prabhupada was born in 1896 at Kolkata. Srila Prabhupada has given the Solution to all simple and tough matters in life. Srila Prabhupada has shown the way to the Vaikuntha even when we are living in this material world. Dear Srila Prabhupada, I am very much thankful to you for your blessings that drive me in this materialistic world. I am bounded to kin and kith now a days and my Krishna Conscious is going down. You gave your blessings to realize maya and ignorance by your wordings through devotees. Srila Prabhupada please bless me to increase my concentration more on chanting and incline in Krishna consciousness. Srila Prabhupada, you are my only vision in my mind whenever I feel distress and make me to realize the truth. Your words in the books are more powerful to omit darkness in our mind and bless us with light of true knowledge.

I want to grow my baby in Krishna consciousness and so please shower your blessings upon him and my family members.

You are the dearest devotee of Krishna who made to realize the ignorance of my materialistic nature. I am immensely grateful to you and offer my humble obeisance to your lotus feet.

Thank you very much for giving shelter on your lotus feet even though I am not worthy.

My dear Srila Prabhupada,

Please accept my humble gratitude and respects.

You have always showered your mercy upon me and have always guided me in the right way, like how a father guides his child in the right way.

You are Mother, Father, Teacher and my worshipable God who I pray daily. I am sure you have blessed me more than my parents. I am very fortune to get your blessings. During my last visit to Brahmotsava at Bangalore you showered so much mercy upon me and changed my life into a miracle. I feel your blessings daily.

I cannot express my gratitude towards you in words. You are the most powerful soul in this world. You are so merciful upon us that you show the light to us to reach Krishna's Abode. A mother always thinks about her child's future. And you are same like a mother to your devotees who worship you daily. And you always think about their future. And help to succeed in their goals which is to render service to the Lotus feet of Krishna

My dear spiritual master you are the ocean of mercy and you shower your blessings upon your devotees who are actually your own children. Please accept my humble obeisance and respects. And also guide me in the right path. You are my respectful teacher, please help me to improve in my spiritual life. I also see you in the form of God who helps me when i'm in trouble and protects me from danger.

So I am very happy to see you as my Mother, Father, Teacher and the God. And so please do help me to achieve my goal which is to render service to your lotus feet and the Lords lotus feet. Master, please help us all to grow in the spiritual life.

Pranaam to Srila Prabhupada,

All glories to your lotus feet. Please accept my humble obeisances unto your divine lotus feet.

I consider myself very fortunate to get the opportunity to associate with ISKCON through few of my friends who are your ardent followers. I never cease to wonder by what miracle I have somehow come into your association. Please bless me that I should follow the principles of Krishna consciousness without any obstacles on its way. Please bless me that I should never cease chanting the holy names of the lord and never give up the association of devotees by your mercy.

Can't thank you enough for spreading the light of Krishna consciousness around the world and bringing all of humanity under the umbrella of service to Lord Krishna.

Kindly accept this piece of writing as Vyasa puja offering from my side and shower your blessings upon all of us devoted to Krishna service so we continue this till our last breath.

His Divine Grace A.C. Bhaktivedanta Swami Prabhupada Founder Acharya of the International Society for Krishna Consciousness,

Please accept my most humble obeisances, and kindly forgive my offenses. On this occasion of Sri VYASA POOJA the appearance of the spiritual master I would like to put forward my gratitude with the following benediction. When we are coming we are not bringing anything to this world. When we leave the world we are not taking anything. But wherever we go, our karma follows us and predict our future lives. Whether it is good or bad karma. To increase our good karma our spiritual lord Srila Prabhupada guide and mold us and make us to go in the right path. Like a lamp he is guiding us by his speech, and books, he has explained all situations, why and how it happens , thereby patiently make us to go in the right path by his maha mantra.

"Hare Krishna Hare Krishna Krishna Krishna Hare Hare,

Hare Rama Hare Rama Rama Rama Hare Hare"

By this simple and precious maha mantras he made the world turn back , listen and follow his foot steps whatever the nation,religion, breed etc. By chanting this maha mantra we are purifying our mind and soul. By purification of our mind our hope will be uplifted. When the water flow increases in the river , the lotus in the pond also floating and raising its level according to water level. So when we are chanting and chanting this maha mantra we are also elevated up and up, and reach the lotus feet of Lord Krishna.

Thank you very much our spiritual master to have enlightened this knowledge through ISKCON and guide us to uplift our life and spiritual knowledge.

Begging to remain for ever in your divine service and lotus feet,

Bhaktin Renuka Sheshachalam.

Dear Srila Prabhupada,

My humble pranams at your Lotus feet.

My association with ISKCON started in Nov 2018 with the Mathura Vrindavan Yatra. Ever since, I have been regular in chanting the Hare Krishna Maha mantra and participated in the Ahobilam Yatra a few months ago. The religious fervor displayed by all devotees in the Yatras and the weekly programs is overwhelming .

Thank you for opening my eyes about Krishna Consciousness and I will continue with the regular chanting and other activities from time to time.

Pranams and thank you,

Dear Divine Grace,

Please accept my humble obeisance. All glories to Srila Prabhupada who is the true representative of Sri Krishna.

I sincerely pray at your lotus feet to please continue to inspire me and many others in the devotional service of Sri Krishna.

Please bless me with the right intelligence, so that I can give up the false hope of enjoying this material world. Srimati Radharani and Chaitanya Mahaprabhu will definitely listen to your prayers to save more fallen souls in this present age of Kali Yuga.

His divine grace has made me realise and has given me the encouragement to remain forever in the process of Krishna Consciousness through chanting, reading Srila Prabhupada's books, participating in study courses, following the regulative principles and eating Krishna Prasadam.

My desire in this life is to constantly engage in the devotional service of Lord Krishna, learn to control my mind, follow the teachings of His Divine Grace and put them into practise and ultimately wish all the fallen souls to reach the abode of Shree Krishna- Goloka Vrindavan.

I pray to the Lord and to Srila Prabhupada that I keep receiving your divine mercy in years to come and continue serving Lord Krishna to your satisfaction!!

Dear Guru,

Please accept my humble obeisances into your lotus feet. My beloved eternal father ,I am very glad and happy in writing this literary offering unto you.

Many people have entered and exited in my life but one truth you made me to realise is that you were always with me in all phases of my life. Thank you for that! Whenever I feel depressed and down I used to share my hard feelings and pray to you and I immediately feel better.

I will be grateful to you always, you have always been showering me with such causeless mercy and blessings whatever mistakes I do .Thank you my lord .So many hurdles,tough times has been through out my life but you had always made

sure that I am engaged in Lord Krishna's service and in your service ,which made those tough times into most pleasant full time .

One big desire for me was to have dharshan of Lord Sri Athivarardharaja Perumal as he comes out only once in 40 years to give dharshan to His Devotees . I prayed you to give sanction to have dharshan of Lord and you made it possible my lord. That moment when I saw my lord Perumal in Shayana kolam I couldn't control my emotions, that bond between us made my tears roll down from my eyes that I couldn't control seeing my lord Perumal, that moment was the best moment in my life ! Felt the ultimate sense of the life after worshipping the universal beauty!

One thing I realised that without your sanction nothing is possible , many more goals ahead to achieve this year. Please be with me and guide me in achieving those, ultimately the results are surrendered unto your lotus feet. Give me the strength to work hard and achieve my goals. I am very fortunate to follow your guidelines and progress in Krishna consciousness. Please help me to chant my committed rounds of Hare Krishna Maha mantra and to read your books regularly and to engage in services of lord and your disciples.

I promise that my ultimate goal of life is to serve my lord Krishna and unto you till last breath of this life.

When every people around me lost hope in me ,certainly you only wanted me to pursue further in my goal and you made me to succeed in that .Thank you for everything !

Yours sincere devotee

Dear Srila Prabhupada,

I offer my respectful obeisances unto your divine grace. All glories to you!

Today when I look back, I feel I have wasted so much of time not listening to your preaching the first time. My life is so much better now. It took me so long to understand though I was bound by your preaching. Furthermore, I beg that you kindly remove the black umbrella of ignorance that is presently covering me so that I can properly receive and follow your instructions and try and serve your lotus feet with ever-increasing purity, love and devotion.

All glories to Srila Prabhupada,

Dear Divine Grace.. My humble obeisances at your lotus feet.

Guruji have blessed me to understand the real worship of Lord Krishna and Srimati Radharani. I learnt to follow the regulative principles of spiritual life.

His divine grace has blessed me to worship Tulasi Maharani who is an ardent devotee of Lord Krishna. His divine grace has enlightened me to visit holy places and also learn about the past times of Krishna leela. The bhajan, kirtans, and the Hare Krishna maha mantra makes us to remember Krishna every moment effectively in this age of Kaliyuga.

His divine grace imparted the knowledge of the teachings of Lord Chaitanya to all the fallen people. The translation of Srimad Bhagavatham and Bhagavad gita has made all the devotees to understand the supreme personality of Lord Krishna intensely. Your books makes me and devotees to understand who is the Supreme lord, the personality of Lord Krishna, understanding the concept of Sanatana dharma and liberation of human life from birth, death, old age and disease and finally reach the lotus feet of the Supreme Lord.

My humble prayers to always bless myself and everyone to engage in the devotional service of Lord Krishna, liberate from sinful activities, material attachments and develop the spiritual activities.

Kindly remove the ignorance of darkness and lighten the intelligence in every soul. My humble prayers to bless me to be in association with the ISKCON.

Hare Krishna,

I have always wondered the purpose of our very being and this life. Karma they say in the modern living world, and life has been going on and on till death with the routine that consumes all of our energy serving our body and serving everyone else for theirs and our satisfaction. We forget our existence and the purpose of it, our birth has a meaning and that karma lasts to a generation that we cannot even imagine and mundane to not know about. Guru A. C. Bhaktivedanta Swami Prabhupada has not just enlightened me with this process but has also inspired and lived the way of a lifestyle that this generation lacks. It has been a very tough year, only Prabhupada's lectures in the leisure time has kept me going and has eradicated the obstacles that are coming my way in some or the other way. His guidance, his principles, are the roots and basic foundation that has added values in my life that I follow like a regime in day to day life. No words can be enough to Thank my only Guru to have let me have this opportunity to learn and lead a life that not everyone is fortunate enough to even hear of.

This day I take my fortunate chance to offer my sincere obeisance to my Guru Srila Prabhupada.

Srila Prabhupada, I am very glad that I have got an opportunity to express my love towards your lotus feet. All alone you have faced so many difficulties and obstacles to manifest Krishna consciousness movement on this earth.

But now by Krishna's grace, I have come in contact with you and I have got an opportunity to serve you. As Lord Sri Ramachandra accepted the service of the squirrel while constructing the bridge for Lanka, similarly Gurudeva accept me as your servant and give me the eligibility and strength to serve your mission and Supreme Personality of Godhead Sri Krishna. Please accept my humble obeisance.

I am a medical student and I recently got to know about the Krishna Consciousness programmes. I went there and I experienced classes and delicious food that is provided. I was very amazed to know that all this is initiated by just one person that is You Srila Prabhupada, in your 70s in USA, which is not an easy task at age of 70's. You gave the name to biggest spiritual organization I ever heard - "ISKCON" - International society for Krishna Consciousness. Please bless to be Krishna Conscious.

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet

All glories to You on this auspicious day of your appearance.

By chanting the committed rounds of Hare Krishna Maha mantra and reading Srila Prabhupada Books helped me as follows.

Before chanting the Hare Krishna Maha mantra and reading Prabhupada books, I was living my life like an ordinary materialistic person, I searched for happiness in the foolish material things and achievements but unfortunately I did not realise that this wasn't what truly satisfied me until I started to chant and involve me in the spiritual life.

After chanting regularly I have started to experience happiness which developed gradually but it kept on increasing day by day, because the spiritual happiness is different than the material happiness. Material happiness gets less and less enjoyable over time but spiritual happiness is the exact opposite thing.

I, beside the spiritual benefits even also got some material benefits such as Improved mental capabilities such as: More focus, Attention, Sharpness, Better grades, Increased self-control, Better time management skills, Improved efficiency, Quality in the task that I perform on daily basis.

I was struggling in my early degree years due to lack of motivation and focus I had always done well throughout my school but early on in college I lost my motivation and started to make the lesser grades of my life however as I started chanting gradually acquired greater mental strength, concentration, focus became more efficient and I am doing the things sharp, my time management skills and developed other qualities that helped me to Increase up my grades.

This all happened in my life due to the Blessings of Lord Krishna and Srila Prabhupada Guidance, I thank Srila Prabhupada and Supreme Lord Krishna for everything that I have got up to today.

Thank you once again.

All Glories on to You.

I am a late entrant to the ISKCON FOLK but as the saying goes late than never.

The Hare Krishna chant, the environment of the center the Satvik food have all contributed in me becoming more conscious person, identifying myself as part and parcel of Krishna & of the purpose is to serve Krishna is really a great understanding. I thank Srila Prabhupada for this teaching.

I thank to ISKCON and Davangere center for being the wheel of Krishna consciousness to me.

Your servant,

Dear Srila Prabhupada,

Please accept my humble obeisance.

All Glories on to You.

The role of Krishna Consciousness played a major role in my life. It helped to grow in a spiritual path rather than materialistic world. Your programmes and occasional eve's that took place in Davangere Centre are excellent, I enjoyed them a lot. Your teachings are quite inspirational, motivational. practicing of spiritual chanting of Hare Krishna mantra has helped me a lot. Finally thank you for all these immense spiritual preaching, messages, programmes.

Hare Krishna.

Dear Srila Prabhupada,

I offer my respectful obeisances unto His Divine Grace A.C. Bhaktivedanta Swami Prabhupada, who is very dear to Lord Krishna on this earth, having taken shelter at His lotus feet. My respectful obeisances are unto you, a spiritual master. You are kindly preaching the message of spirituality and delivering the world, which is filled with impersonalism and voidism.

You appeared did so much that no one had done in the past, no one is doing currently, and no one will be able to do in the future to spread the message of Krishna. You built a house where the whole world can live, and we can see how true this is, everywhere conditioned souls like me can take shelter at your soothing lotus feet. A sojourn in this material world is never easy, but for those who have taken shelter at your lotus feet, you never turn them away.

You gave us the very simple and sublime formula of chanting, dancing, and feasting, but still we find it difficult to take to the process. This is the most unfortunate part of our lives. So, Srila Prabhupada, you have to give us a special concession.

Please forgive us for any shortcomings and for any offences committed knowingly or unknowingly while serving you and your devotees.

May your glories spread all over the three worlds. We take shelter of your lotus feet birth after birth.

You are the savior of the fallen souls.

Srila Prabhupada-ke jaya!

Your Servant,

Bhaktha Nithin.

"Jagadguru Srila prabhupadki Jai."

Hare Krishna Prabhupada, please accept my respectful and humble obeisances. Recently it happened me to watch a TV serial in which the daughter apparently not knowing her father as the boss, will be working under him. One day she gets a new better job and comes to her boss to convey the message and will be morose since she would be leaving the job and worried that there will be no one to help her boss who mercifully had given her job. To this her father (boss) replies, "dear girl, actually there was no need of assistance to me, but the when u came and asked for work, I created it so that u will be

benefited." Similarly Prabhupada, the supreme personality of Godhead, Sri Krishna being self-sufficient (AtmaRama) does not require any service who is everyone's father and I have apparently forgotten him who is my supreme father.

You mercifully came to this material world and created the service. Krishna gives everything Prabhupada but Krishna will not give krishna-prema which is given by one and only you and your devotees. You and your devotees have so beautifully constructed big big temples, giving opportunities to serve Krishna in innumerable ways. The service which once didn't exist and was created and manifested by you alone by doing which we get benefited. Usually in the material world one who is served is the beneficiary. But in this case, it's the other way round. By serving Krishna we are benefitted, our hearts are the one which is getting purified by all kinds of our past sinful activities.

Recently I got one more realization Prabhupada. A patient visiting a doctor may get cured of the disease but remains a patient. He can't become a doctor just by visiting a doctor. But it is not so with you Prabhupada. Anyone Who comes in contact with you, you make him as you are, I mean you make him a devotee... In fact, you pour your causeless mercy on the jivas. How grateful should I be to you my dear spiritual master. But, even though I have this realization how unfortunate it is that still I'm not attached to devotional service. Please gurumaharaj, please take me back to godhead. I request at your lotus feet Prabhupada, please help me in regulating my senses and to perform my sadhana well and bless me with physical, mental, emotional and spiritual health and give strength to serve you in a more better way. Hare Krishna. "Jai Srila Prabhupada".

Yours most ever fallen student.

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to you.

It is an amazing thing that we are following the instructions that can reduce the distance between us and Krishna and it is only possible with the help of great devotee like Srila Prabhupada. Yes my spiritual growth is in its peak as till now. In Akshaya Talent hostel it is a place where we automatically switch to spiritual mode and no doubt it is great place where we can follow four regulative principles along with the chanting HARE KRISHNA maha mantra Although it's being small time I'm living in Akshaya Talent hostel where I got familiar with KRISHNA Consciousness, it feels good to see all the devotees who have sincerely, honestly serving lord KRISHNA and I'm proud to say I belong to that crowd of people who commit no sins and filled with only KRISHNA.

Your Servant,

Dear Srila Prabhupada,

Please accept my humble obeisances.

It was a long gap that, I wasn't able to come to worship Lord Krishna at FOLK center. After a long time I'm coming and here the food offered is awesome with the chants of Lord Krishna. The Krishna consciousness environment makes me feel good and by your teaching I'm able to solve problems in life better. I'm so grateful to come here in the worship of Lord Krishna.

Your Servant, Bhaktha Sourabh.

Dear Srila Prabhupada,

Please accept my humble obeisance.

It's been two years now with ISKCON and Srila Prabhupada's teachings are helping me a lot to cope up through stresses of day to day life.

Chanting the Lord's name twice a day was a good start, looking at the body as not only made up of only flesh but a soul which needs to be nurtured with Satvik bhojan, Prasadam, water and hygiene. The mental energy which was lagging, I can feel now and I'm getting more efficient with making decisions.

So I would like to thank his Divine Grace Srila Prabhupada's as your teachings have changed my life, in and out and I'm grateful to you.

Your Servant,

Bhaktha Uma Shankar.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories on to you.

As it's my third year journey in Krishna consciousness, I have experienced many changes in my life. As Krishna is our goal of life, to reach we must have a guru likewise his holiness Srila Prabhupada you have taken the responsibility of all mankind to make to reach Lord Krishna. As I came in touch with Krishna consciousness, Srila Prabhupada helped me to know about Krishna consciousness through your teachings, as I used to react for small things, I stopped reacting as I'm growing spiritually under your guidance. As converting my material thoughts into spiritual thoughts your instructions through your books is been strength for my thoughts to grow spiritually. Besides material life as not up to that extent as I thought in these years but I'm happy with my progress in spiritual things, thanks to you Srila Prabhupada for helping me by your books, by taking association with devotees in temple, by chanting the holy names of Lord and by doing prayer. As I render service to lord, it gives me some satisfaction, thanks for all that you given in terms of books, service to Krishna etc. & helping me with progress in spirituality.

Hare Krishna Dear Srila Prabhupada,

Please accept my humble obeisance at your kind Lotus feet, from your most fallen disciple.

As I begin to pen down my offering in paying gratitude to you on this auspicious day of Vyasa Puja, I am delighted to let the whole world know that Dear Prabhupada, you are the best human being, best spiritual master, best servitor, best mentor and best guide to anyone who has come in contact with you, either during your physical presence on this planet or through your lila's happening post your departure back to Krishna. There is virtually no one in this Universe who can match your personality, your aura, your vision, your compassion for the conditioned souls or any other form of species.

Dear Prabhupada, You are Chaitanya Mahaprabhu Himself in the form of our Spiritual master. Just like Mahaprabhu freely distributed the Hari naam to all the people, your goodself left no stone unturned to carry forward His movement and established Hare Krishna a household name in every city, town and village on this globe. You fulfilled not only Mahaprabhu's mission of taking Hare Krishna movement to the entire world but also fulfilled the dreams of your spiritual master His Divine Grace Srila Bhaktisiddhanta Saraswati Thakur Prabhupada, who wanted you to preach the Holy name in Western world.

Dear Gurudev, if there is one book that has taken the world by the storm and turned the fortunes of millions of souls to the right spiritual path, that's "Srimad Bhagavad-gita As it Is". There has been hundreds of Bhagvad gita's that existed before but none of them could explain the true message what Krishna taught to Arjuna. By your direct relationship with Krishna, as his favorite soldier, you taught to the world the highest confidential knowledge what Krishna taught through the medium of Arjuna. We never thought that this one book can turnaround our life full circle and change our vision completely from material to spiritual, with Krishna being the epicenter of all our activities, thoughts and actions. We had been loitering in the streets and begging door to door for some material gains that were like broken pieces of glass. What you have given us are pure invaluable gems & diamonds. Every purport that you have filled in your books gives us enlightening experience of our eternal relationship with Krishna and how we can utilize this human form to fulfill our mission of going back to Godhead.

Dear Prabhupada, we can never repay back even fraction of what you have given to us, but atleast by sincerely following the principles & guidelines set by you, we can at-least try to bring a smile on your face to please you. However, from amongst all your disciples and followers, I am so fallen that I have not been able to do any meaningful contribution to your movement which can even please you. Despite all my shortcomings and faults, you have always been so merciful on this unfortunate soul that not even for a moment you have left me in the darkness to be eaten away by the jackals and demons of this material world.

My Dear Srila Prabhupada and my only savior, I beg down on my knees and pray to you with folded hands and with complete sincerity, that even though I may still continue to commit some offences, I may continue to be the most fallen servant of yours, I humbly request you to kindly keep me engaged in your personal service so that at some point of time I

can get purified by your personal association and fulfill my innermost desire of preaching your words till my last breath. I remain at your disposal for further command as an obedient pet dog.

With Highest of regards to you.

Dear Srila Prabhupada & My Beloved Father

Please accept my most humble obeisances unto the dust of Your Divine lotus feet.

By Your Divine Grace, six years have passed in Ashram life with many ups & downs, giving a lot of learning and experiences, but still this fallen soul is unable to follow Your Divine instructions of spiritual life which are meant for a successful Krishna conscious life. It's Your Divine support on this useless soul for still making me to serve Sri Chaitanya Mahaprabhu's Mission. Your Divine Mercy & Tolerance towards this fallen soul is unbelievable and I can't repay by doing anything.

"This world is full of cheaters & people of this miserable place have no value for each other, also no value for this precious human form of life. With full selfishness to satisfy their own desires, people of this world play with trust & faith of others. And they end up with frustration and anxiety which further results in a hellish condition of life." Although being a part of Your Divine family of devotees, this useless soul is unable to understand the value of that Divinity. I only pray to Your Divine grace for developing a strong trust unto You & Your Divine instructions, so I may not get diverted by so called cheaters of this world and use myself fully unto the service of Lord's holy name.

Keeping Lord Krishna as Center of our life is only possible by Your Divine blessings. Kindly keep me always underneath the umbrella of Your Divine blessings, so I can make myself eligible to serve Your grace in upcoming new phase of my Krishna conscious life.

Seeking for the dust of Your Divine lotus feet and Your causeless mercy to keep me engaged in Your services till the last breath of my life.

Thanks Srila Prabhupada for Your Love & Mercy towards this insignificant soul.

Dear Srila Prabhupada,

Please accept my humble obeisances unto Your lotus feet and all glories to Your Divine Grace.

You descended on this planet with the main purpose of waking-up sleeping souls & giving them the highest knowledge by which they cannot only be freed from all the sufferings of this material world but also experience true happy life.

Even though I am fallen and unqualified, still I got this great opportunity to serve Your mission.

Now I have not reached the goal, I have this assurance that somehow or other, some day we will reach the goal. By Your Grace, I am able to see things as they are even while are crossing this dense darkness of material life, and this satisfaction is so great that the unfortunate karmis can not even dream of all the wealth, beauty, fame, knowledge and relations of this material world cannot bring a fraction of this satisfaction of solely taking shelter of the lotus feet of Krishna.

Although by Your grace I am able to know all these things still my consciousness is tossing like a football up and down. So I beg Your mercy so that my consciousness be fixed up at Your lotus feet.

My ambition in life is to please vaishnavas, among whom You are the foremost. But I am very wretched and have no good qualities, kindly let me just remain in the shade of Your lotus feet, and give me strength to become pure and spread this great mission.

Kṛṣṇa se tomāre, kṛṣṇa dite pāra, tomar sakati ache.....

Krishna is Your property and if we take shelter of You, You can deliver Krishna very easily; that is the special prerogative of Your Divine Grace.

Please bless me on this most auspicious day that I can become Your worthy disciple.

Your insignificant servant,

Dear Srila Prabhupad,

Please accept my humble obeisances. All glories to you and the wonderful contribution of Krishna consciousness you have distributed to the whole world.

Srila Prabhupad you blessed me with immense strength and loving reciprocation this year to face challenges in my services. I am always indebted to you for your cause less mercy birth after birth.

This year we are starting our preaching in Dehradun. I beg your mercy Srila Prabhupad to have a wonderful preaching center very soon and provide opportunity for many to chant the holy name.

We would like everyone visiting our community to receive Krishna consciousness and the inspiration to follow your instructions. I do not have much experience, but under the guidance of your disciples I shall try to improve my service.

Srila Prabhupad please bless me to do my sadhana well and bless me with vaishnava seva.

Please keep on guiding us in our service and allow us to be steady in Krishna consciousness. Kindly bless us with the capacity of being together and loving with one another, and with the intelligence required to spread your message as much as possible in Dehradun.

Hare Krishna Our Beloved Srila Prabhupada,

Please accept my humble obeisance at your soft merciful Lotus feet, under whose shelter your insignificant and most fallen disciple like me feels protected and secured.

Dear Srila Prabhupada, every year whenever I write the Vyasa Puja offering, I just keep thanking you for the mercy you shower upon us. Without your mercy, I can never come across the benediction of Krishna. Without your grace, we can never ever think of making any advancement in spiritual life.

As stated by Sri Chaitanya Mahaprabhu;

Brahmanda bhramite kona bhaagyavaan jiva, Gur-Krishna Kripa paaye bhakti lata bija

According to one's karma, all living entities are wandering throughout the universe. Some of them are being elevated to the upper planetary system and some are going down into lower planetary systems. Out of many millions of living entities, one who is very very fortunate gets an opportunity to associate with Krishna by the grace of a bonafide spiritual master like you. By mercy of Guru, one gets Krishna and by the mercy of Krishna, one gets a Pure Guru like you Srila Prabhupada.

Dear Prabhupada, likewise, I had been wandering into this material world like a kite in the sky. Prabhupada, please continue to hold the strings of my life in your soft petal like hands and kindly do not ever release the strings, otherwise I will also be lost and cut like an orphan kite in the sky, ready to be grabbed by the demons of this material world.

Dear Prabhupada, I don't want to get lost again. I am already under your shelter but every time I commit mistakes, I fall down. I request you to please forgive my mistakes, my short comings. Please continue to hold me so that I am never lost. Like a small child who goes with his father in crowded place. There is always a possibility that a child may get lost in such crowded place but if father holds on to the child strongly and hug him tightly, the child will never get lost or get separated even in a busy crowd. I therefore plead you to hold my hand tightly in all situations so that I do not get lost in this dark well of material desires.

Dear Gurudev, you are the best spiritual master anyone can ever come across. You have served whole heartedly the mission of Chaitanya Mahaprabhu to the entire world and still delivering fallen conditioned souls like me. You have single handedly done everything from cooking, cleaning, preaching, singing, writing thousands and thousands of pages, spending sleepless nights, travelling tirelessly across the globe. Who on this planet can match your feats without any personal motives?

You are the best example and role model of humanity and compassion. You are a true and pure spiritual master who has spent his life spotless, without compromising any of the regulative principles in the course of your preaching even to the westerners. I feel blessed to be your disciple.

On this occasion of Vyasa Puja day, I request you to keep showering your causeless mercy on me who is the most fallen of fallen souls. I request you Prabhupada to keep guiding me, keep scolding me, keep inspiring me to be a better Krishna conscious person so that you can take me back to Godhead within this life time only.

May your glories always be proclaimed throughout the three worlds. I take shelter at your Lotus feet.

Jai Prabhupada.

Hare Krishna Our Beloved Srila Prabhupada,

Please accept my humble obeisance at your soft Lotus feet. I offer my deepest thanks to you.

Dear Prabhupada, I am writing this offering on the auspicious occasion of Vyasa Puja. I am thankful to you as you have accepted me as your disciple and given me this golden opportunity to go back to home back to Godhead.

Srila Prabhupada, I fully realize and admit that it is a causeless mercy & blessing for me that I came in contact with a pure devotee of The Lord like you, without which our life was just meaningless and useless. We did not know earlier the true purpose of our life. Like everyone, we were just too busy and thinking material happiness to be everything in life.

Dear Gurudev, after coming in touch with you, my eyes got really opened and I understood the real purpose of our life. You took so much pain for all of us at such an old age and travelled all over the world to fulfill the mission of Chaitanya Mahaprabhu and the order of your Guru His Divine Grace Srila Bhakti Siddhanta Saraswati Thakur Maharaj. You had the option to stay in Sri Vrindavan Dham and spend the rest of your life in Vrindavan like other Vaishnava saints. However, you chose the most difficult path of leaving Sri Vrindavan Dham and traveling to a country where people were too much engaged in material happiness.

Prabhupada, this is one of your greatest achievements that you made chanting of Hari naam so simple for the people to accept, if one is serious to go back to Godhead. You have given us lifetime gift of so many priceless books like Bhagvad-gita as it is, written in so simple language, that if we read them seriously and follow it as advised by you, we can make our journey successful back to Krishna in this life itself. You have mentioned that you feel very happy and spirited like a young boy, if someone distributes your books.

Dear Prabhupada, it is very important to have a Guru like you. Guru is like a torch light that can remove all darkness of our life and bring us into the knowledge of spiritual light.

Only you can deliver the fallen souls. Only you can take us across the ocean of birth and death.

I pray to you Srila Prabhupada to bless me to give me the strength so that I can chant my rounds sincerely every day. Please also give me the intelligence so that I can read your books, understand them and also implement the instructions given by you in your books.

It is my humble request to you Srila Gurudev Prabhupada that please continue to shower your blessings upon me, always keep me under your shelter and also help me to cross this ocean of birth and death in this life only.

Jai Gurudev. Jai Prabhupada.

Hare Krishna My Dear Srila Prabhupada,

Please accept my humble obeisance at your Lotus feet.

Here as I am sitting today writing this another Vyasa Puja offering to you, on 3rd August 2019, which also incidentally is my grand father's birthday who left his body in the holy dham Sri Vrindavan, I am thinking about how fortunate his soul is to go back to home back to Godhead in the atmosphere full of transcendental happiness, surrounded by devotees, amidst Hari Nama sankirtan, chanting, dancing & hearing about Krishna & You till the last breath. All this became possible only because of your blessings, guidance and motivation to our family.

Dear Gurudev, you have been the inspiration to me and my family. It is because of you only that I came in touch with Krishna and started chanting the Hare Krishna Mahamantra, even though I am not capable and qualified enough to even touch Krishna.

Dear Prabhupada, by your mercy, I have come to know that whosoever chants the Holy name of Lord Krishna, remembers Krishna all the time is sure to achieve such a wonderful and honorable death, which is the mission of our life. I wish I also have the same opportunity in my lifetime remembering you and Krishna till my last breath.

Srila Prabhupada, honestly speaking, I feel extremely proud to be your disciple and servant. You have always protected me from the worst of the worst. You have always loved me even when I did not love myself. You have always blessed with the best when I didn't deserve it. There are no words enough to praise you and to repay you for the efforts and hard work that you have put in, by travelling throughout the world, spending sleepless nights for years together and selflessly preaching the mission of Sri Chaitanya Mahaprabhu who is none other than Krishna himself.

My Dear Spiritual Master, I am writing this letter to you as a very humble servant who has been given a chance to be a part of Krishna conscious society. To be under you who have been given a chance to fulfill your mission by my little ways of accomplishing it. Please bless me Prabhupada so that I can continue to serve you by giving my best.

Dear Gurudev, there might be numerous gurus around, but I have not seen such a great personality and such an honest and humble Guru as you, who is so sincere to distribute Krishna to everyone freely without any discrimination of religion, caste & creed.

On this day, Prabhupada, I thank you for everything you have given me and I request you to please continue to keep me under your personal protection and shelter in this world full of calamities. Please bless me that I can become a strong soldier in your service and serve you to please you all the time with my unqualified abilities.

May your glories always be proclaimed throughout the three worlds. I take shelter at your Lotus feet.

Jai Prabhupada.

Hare Krishna Movement – Gurugram, Haryana

Anupama Krishna Dasa

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet.

We are striving to fulfil your desires of establishing the oasis of Krishna-consciousness centers in this world. We are facing daunting challenges. Please bless me with purity so that I can become an instrument in your hand.

I sometimes wonder where I would have gone for searching the absolute truth if you would not have created this Krishna-consciousness society. Now I can't even imagine a life apart from living in the association of devotees.

You took so much trouble and went through tremendous struggle to establish this movement for us. I am grateful to you for everything I am relishing in your divine movement – Srimad-Bhagavatam & Sri Chaitanya-Charitamrta, delicious Krishna Prasadam, Sankirtan, Festivals and numerous others. Please accept my heartfelt gratitude for every one of these.

I have one most pressing prayer. I don't have a tinge of attachment for you. Please bestow this most precious treasure on this disciple of yours.

Srila Prabhupada, I can't see any good quality in me. Neither hard work nor talent, unlike my god brothers. On top of that, I am very much interested in self-glorification with such an uncontrolled tongue. I keep offending Vaishnavas by criticizing them unnecessarily. I am just opposite to a Vaishnava. I find good qualities in myself and faults in others. When will I be able to be humbler than grass and more tolerant than tree and then chant the holy names of the Lord offencelessly? In this situation, I don't see any hope for success in spiritual life. My feeble attempts to improve myself are falling too short. Your mercy is causeless and that is the only hope I have.

My heart breaks when I see devotees leaving your movement after several years of dedicated service. I miss them and long for them to be back among us. As one more year I have passed, please keep me in this divine movement of yours eternally.

Dhruva Maharaja's story in our Vedic literature is the one which inspires me to no end. He literally made the impossible possible by pleasing the Supreme Lord to receive his audience in just a matter of six months. My humble prayer to you is that I should develop the same level of determination in serving your lotus feet.

Srila Prabhupada, I was not fortunate to be part of your manifest pastimes on this earth. I wish I would have been. Please fulfil this desire by giving an opportunity to serve your lotus feet in Goloka as soon as possible.

Your fallen servant,

Anupama Krishna Dasa, Gurugram.

Arjun Nath Dasa

Dear Srila Prabhupada,

Please accept my humble obeisances All glories to you.

Let me take this opportunity to express my gratitude unto you.

You brought me to KC, if not here I would be drowning elsewhere in materialistic affairs and thinking that this is what life is. You introduced me to the finer details of KC, to the Vaishnavas, your transcendental books, temple and to your dear Lord Krishna.

Thanks is not enough for keeping me under your shelter for so many years.

For teaching me musical instruments, giving morning sadhana program, devotee association, love and care in temple, peace and happiness, though I find unable to touch it due to my past karma.

Giving me Hare Krishna mantra, writing about it in your books, lecturing about its importance, giving your blessings to devotees who are now sharing their experience and relationship with Holy Name and guiding us.

Giving your transcendental books and giving me good sense to read them. They are the real solace for many of us. I sometimes think where I will be if your books are not there.

Your vani, which is very much accessible now, but alas I have no taste for it.

Your deity and pictures, which we worship everyday.

So many nice prayers - Samsara dhava, guru puja, kiba jayo jayo, Radha Krishna Pran mora, vaishnav bhajan, which take us in a different dimension when we sing them and meditate on the meaning.

Thanks Prabhupada for these countless blessings. On this day I pray to bless me and all my god brothers to understand your desires and may you guide us in executing them. Aspiring to be your sincere disciple,

Your fallen disciple,

Arjunanath Dasa.

Chaitanya Sharan Dasa

My beloved spiritual master Srila Prabhupada,

Please accept my humble obeisance at the dust of your lotus feet.

All glories to His Divine Grace.

There is no word in my vocabulary to express your causeless mercy for what I have received. I never forget that day when I came in touch with your movement.

Just like Lord Krishna's glories can't be explained, same way glories of a pure devotee can't be explain.

Prabhupada, your glories are like an unending ocean to glorify them is not possible, but I am trying to glorify a drop of that ocean.

Prabhupada, every year when this day comes to write Vyasa Puja offering to you, I feel myself unqualified because to glorify a pure devotee requires pure devotion that I don't have, but as a matter of duty and love, I try to write.

When I was reading Srimad Bhagavatam, there it is explained how Dhurva Maharaja and Prthu Maharaja did tapasya to achieve God, but Prabhupada you are giving us love of Godhead free of cost, but I am such a unfortunate soul, not understanding the value of that.

Srila Prabhupada, today in this wonderful sankirtana movement many of your devotees love you very much and they are working very hard to establish your project, Vrindavan Chandrodaya Mandir, and authorities are working in great missionary way bringing new new concepts for preaching. Srila Prabhupada, forgive me for not being like them and not following the authority seriously. I am trapped here under material energy and following her order rather than following order of authority. But from core of my heart I pray please give me your mercy that I can follow all rule and regulations, and be part in your lila.

Your fallen servant,

Chaitanya Sharana Dasa

Dharma Putra Dasa

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to you.

Srila Prabhupada, previous year was filled with lots of excitement, thrill, learning's & increased dependence on Krishna. All inspiration comes from one of your quote "Just Gamble one Life For Krishna". Sometimes I wonder, if I hadn't been in your movement; my life would have been so dry. The biggest struggle for me would have been "Where to eat & where to sleep". Even though such big-big turmoil's came in my life; only by your grace I was unshaken. I found one interesting quote which mentions how a disciple gets intelligence to carry on his Krishna Conscious activities - "Agādha-dhiṣaṇam dvijam: the ācārya is a perfect brāhmaṇa and has unlimited intelligence in guiding the activities of his disciple. (SB.6.7.15)". Any disciple in ISKCON gets intelligence from you directly.

Bhagavad Gita 9.31 mentions:

kṣipraṁ bhavati dharmātmā, śaśvac-chāntim nigacchati

kaunteya pratijānīhi, na me bhaktaḥ praṇaśyati

Anybody who has taken shelter of Krishna through you, will never be vanquished. Protection for a jiva is obvious, if he has accepted shelter of your lotus feet. Even if there are super giants as opponents of your foolish disciple, still just because a soul has accepted you & Krishna as everything, will be saved from all disturbance & come out peaceful (mat-prasādāt tariṣyasi).

I remember one of your correspondence which you write to your disciple Nityananda in New Orleans - "I thank all of you very much for accepting me as your spiritual master, and I promise that I will take you back to home, back to Godhead. I ask you all to promise me to always chant at least 16 rounds, follow the regulative principles, read our books and try to preach this Krishna Consciousness Movement all over the world" (11-12-1971, New Delhi). It simply means that I as a disciple have to just do the above mentioned things and my life is through; and I can go back to Godhead and see Krishna face to face. If I ponder for a moment I can conclude that pursuits in material life requires lot of endeavor & hard work, also at the end the outcome is we become more and more sinful. But there are quite less efforts required to be made to advance in spiritual life & the journey is so simple, blissful, with lots of things to learn.

Thank you Srila Prabhupada for giving me strength to remain a devotee.

Aspiring to be in the shelter of your devotees forever.

Your fallen servant,

Dear Srila Prabhupada,

Please accept my respectful obeisances unto your most merciful lotus feet.

mukam karoti vachalam, pangum langhayate girim

yat-kripa tam aham vande, hri-gurum dina-taranam

"I offer my respectful obeisances unto my spiritual master, the deliverer of the fallen souls. His mercy turns the dumb into eloquent speakers and enables the lame to cross mountains."

As stated in above verse I am writing this offering by your mercy.

Srila Prabhupada, Sri Chaitanya Mahaprabhu is known a Mahavadanyaya (most merciful) but the mercy which you are bestowing on me is causeless and unlimited, I would like to address you on this auspicious day of your divine appearance as 'mahavadanyaya' (Most merciful).

Srila Prabhupada these lines of glorification of your mercy from Vaishnava songs is very important to me.

*kabe heno kṛpā, labhiyā e jana, kṛtārtha hoibe, nātha!
śakti-buddhi-hīna, āmi ati dīna, koro' more ātma-sātha*

Srila Prabhupada, When will such mercy fall to this one who is weak and devoid of intelligence? Allow me to be with you.

*jogyatā-vicāre, kichu nāhi pāi, tomāra karuṇā-sāra
karuṇā nā hoile, kāndiyā kāndiyā,prāṇa nā rākhibo āra*

If you examine me, you will find no qualities. Your mercy is all that I am made of. If you are not merciful unto me, I can only weep, and I will not be able to maintain my life.

Some more lines form song book for your glorification...

*ki jāni ki bale, tomāra dhāmete, hoinu śaraṇāgata
tumi doyā-moy, patita-pāvana,patita-tāraṇe rata*

Srila Prabhupada,How has one such as I come to Your shelter? Surely it is by Your mercy alone, for You are everseeking the purification and deliverance of the fallen souls.

*bharasā āmāra, ei mātra nātha! tumi to' karuṇā-moy
tava doyā-pātra, nāhi mora sama,avaśya ghucābe bhoy*

Srila Prabhupada, you are my only hope, for you are full of compassion and mercy. There is no one who needs your mercy more than I. You will surely drive away all fear.

Srila Prabhupada keep bestowing your causeless mercy and glance on this fallen soul, and bless with strong will power and humility, so that I can serve you according to your desire, follow four regulative principle and chant Hare Krishna Mahamantra attentively.

Jai Srila Prabhupada!

Most fallen servant,

Harinam Dasa.

Janaka Dasa

Dear Srila Prabhupada,

Please accept my humble obeisances, All glories unto you.

It is said that 'When the student is ready, the teacher appears'. But Srila Prabhupada you appeared in my life only & only by your causeless mercy. There was no other reason. I am greatly indebted to you for that.

I first of all beg your forgiveness for I have not been able to match upto your expectations of a disciple even after all these years due to my own shortcomings. But I'm hoping that since you know the fallen down state of your disciple you will continue to accept me in your shelter & bless me to sail through.

You are like the deep dark clouds that bring down the rain of divine causeless mercy on fallen conditioned souls like me. You are also the dispeller of the deep dark clouds of all sufferings which the jiva brings upon himself due to his forgetful nature of his constitutional position as the eternal servant of Lord Krishna.

Your books, your lectures, your temples are personification of your causeless mercy and your sincere disciples are its representatives & guardians

I continue to remain a disciple who is always only begging to you & have nothing to offer to you due to my fallen nature.

This body, senses, mind, soul, energy, intelligence, ability, talents, ego, wealth, family & everything else that belongs to me (so-called) is all yours and therefore please engage them all in your services as you may so desire for your pleasure & the pleasure of your Lordships and your sincere followers.

Am I not the living testimonial of your immense causeless mercy? Are there not many other such examples (but may be not as down-graded as me)? I beg you to kindly empower me to glorify your matchless lilas & the nectarean pastimes of your Lordships worldwide as you may so desire and make me & my family an instrument in your transcendental pastime of delivering the misled population who are victims of their own perverted desires and are therefore being harassed by Maya.

Please engage me in your transcendental loving devotional personal services & that of your Lordships & sincere followers eternally in a way and manner you may so desire for the transcendental pleasure of you & all our Lordships.

Thank you for giving us a 'wonderful' life of devotional service under your guidance

Your most fallen servant,

Janaka Dasa.

Madhura Murali Dasa

Dearest Srila Prabhupada,

Please accept my humble obeisances on this most auspicious occasion of your appearance day.

You have played a very crucial role in my life by saving me from the royal road to hell. I can personally feel in my life that you are hand holding me in my journey for going back to Godhead.

All the transcendental qualities of a pure devotee described in the scriptures can be seen in your personality. You are ideal for me on practicing enthusiasm, patience and determination and all other Krishna consciousness qualities. Your efforts are enlivening the whole world even to this day and will continue to do so for thousands of years.

You had to face great hardships and discouraging circumstances to build up this movement. When I read some of your pastimes from lilamrita and other biographies, I feel highly inspired. I can see from your life that you are ocean of qualities. You came across innumerable challenges while preaching- Be it New Delhi,- when you were selling Back to Godhead magazines, or New York where you often met with many hostile experiences. Especially, your fight in making Bombay temple is really very encouraging. Just by your glance, you liberated thousands of people in this world,

You have endowed many blessing upon us like your transcendental books, mangal arati, kirtans, mahaprasadam, etc. Among all, I feel most blessed by being in association of your devotees. By your blessings, I am getting good encouragement on this journey. By taking your shelter I am hopeful of attaining Krishna, on my own there is no possibility.

I pray so that I can cooperate fully with all my God brothers. May every act of mine be guided by the pure desire to please you and Krishna. Please bless me with purity of thought, words and action.

Srila Prabhupada, You may get hundreds of Madhur Muralis but, I will not get a spiritual master like you in the entire world.

Your fallen servant, Madhura Murali Dasa.

Hare Krishna Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet.

You have created this wonderful devotional movement where whole world can live and practice devotional service and attain the goal of human life. You have picked me up from this dark material world and put me in your mission which is the door to Vaikuntha.

Devotional service is very simple but our mind makes it difficult. By your mercy even though I know my past, present and future, still very much struggling to follow your instructions because of my mind.

Arjuna Said in Bhagavad Gita 6.34

cañcalam hi manah kṛṣṇa, pramāthi balavad dṛḍham

tasyāham nigrāham manye, vāyor iva su-duṣkaram

For the mind is restless, turbulent, obstinate and very strong, O Kṛṣṇa, and to subdue it, I think, is more difficult than controlling the wind.

Krishna answers to Arjuna B.G. 6.35

śrī-bhagavān uvāca

asamśayaṁ mahā-bāho, mano durnigrāham calam

abhyāsenā tu kaunteya, vairāgyeṇa ca grhyate

Lord Śrī Kṛṣṇa said: O mighty-armed son of Kuntī, it is undoubtedly very difficult to curb the restless mind, but it is possible by suitable practice and by detachment.

You have shown us our bright future that is devotional service at the lotus feet of Lord Sri Krishna but we foolish devotees never understand. We always want to use our third class intelligence and we simply doubt on your words.

Goal of devotional service is to go back home back to Godhead but this mind cheats us for material gain, adoration and false prestige.

My dear Prabhupada, please help me to understand and bless me for unconditional service at your lotus feet and help me to develop immense faith in your words and bless me for getting fixed up in devotional service.

Your servant, Priyavrata Dasa.

Jay Prabhupada!

All glories to Prabhupada.

Srila Prabhupada due to your causeless mercy I got chance to do devotional service in your movement even though I am not qualified for this.

You are the only spiritual master in my life who taught about Krishna and importance of human life. Due to your mercy, I got the value of mahaprasadam and holy name of Lord.

This Kaliyuga is ocean of faults but I am so fortunate by getting a spiritual master like you, who can help to pass very easily this Kaliyuga.

Prabhupada, your transcendental teachings helps to know about sastras like SB and BG. Otherwise, a fallen soul like me, how can he be able to know about these transcendent books?

So, O master be merciful to me, give me your shelter life after life, for which I hope, one day I will qualify to go back to Godhead.

One more special mercy for me that I am under the guidance of your ritvik leaders, which is authorized by you.

Your fallen servant,

Ramachandra Kaviraj Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisance unto your lotus feet.

Thank you very much for keeping me under you shelter one more year and I am thankful for your causeless shower of mercy on this sinful and fallen soul.

As I must have been very sinful creature for births together due to which I have got varieties of experiences. It is by your blessings I am writing the offering to you on this auspicious day. Please be merciful unto me so that year after year I can write the offering to you.

Please forgive me for all the mistakes I have done knowingly and unknowingly. Please give me an opportunity to serve you life after life and bless me with strength and intelligence to chant 'HARE KRISHNA' purely and follow your divine instructions under all circumstances.

I have no courage to explain anything about you, I am very lucky to have my spiritual father like you, whatever in my life I have achieved devotee children, devotee son- in- law, devotee daughter in-law, devotee husband, such a wonderful spiritual life of regulated and planned sadhana to facilitate our path back home, back to Godhead. It's all because of you only Prabhupada! You are my saviour. Please bless me Prabhupada so that I can attend to Krishna consciousness activities properly.

Thank you so much Prabhupada for guiding us on the right path.

I offer my respectful obeisances unto my spiritual master, who has opened my eyes, blinded by the darkness of ignorance, with the torchlight of knowledge.

Dear Srila Prabhupada,

Whenever I think of you, it comes to my mind that your patience & tolerance has no boundaries whatsoever, just like a tree. As, so many faults we have, we are so expert in committing mistakes & offenses, our faith and following are very limited, but the centres made by you still have places for a naradhama like me. Srila Prabhupada, You are much greater than we could ever realize.

That is why we sing daily following prayers in your glorification,

“śrī-guru karuṇā-sindhu, adhama janāra bandhu, lokanāth lokera jivana”

Our spiritual master is the ocean of mercy, the friend of the poor and the lord and master of the devotees.

Whenever I reflect on my past life, I see everything whatever has happened even before my coming in touch with Krishna Consciousness is nothing but a plan of your divine grace. For without your mercy no one can be delivered.

mahat-kṛpā vinā kona karme 'bhakti' naya

kṛṣṇa-bhakti dūre rahu, saṁsāra nahe kṣaya

“Unless one is favored by a pure devotee, he cannot attain the platform of devotional service. To say nothing of kṛṣṇa-bhakti, one cannot even be relieved from the bondage of material existence” (Caitanya-caritāmṛta, Madhya 22.51).

I am so intolerant, so uncontrolled, so fallen, and still you have taken the trouble to harness my mind, my tongue, my ears, & pulled me onto your ship. You are allowing me to struggle to somehow become Krishna conscious. I offer my most respectful obeisances unto your Lotus Feet a thousand times.

Today on the divine occasion of your 123rd appearance day Srila Prabhupada, I pray to you that I may be able to fully recognize & respond to the wonderful gifts you've offered especially the morning Sadhna Program & your voluminous books. Let me take to the process of hearing and chanting with rapt attention. Give me sufficient intelligence to somehow spare time to at least read one hour daily from your books which you have written so painstakingly. Let me be able to serve vaishnavas better with more care and attention without offending them, without seeing any faults, for they have dedicated their lives for propagating your mission. Let me be able to always remember to pray and beg for your causeless mercy for progressing in spiritual life. Let me be able to please you by following your specific instructions because pleasing you means pleasing Lord Krishna, which is the sole purpose of life. Kindly give me intelligence and strength to perform more and more quality services unto you, your mission which is my life and soul

Śrīla Prabhupāda, please forgive my offenses & give me unflinching determination to continue serving you in all ways. Determination, of which you are the ultimate example. Like a cātaka bird that drinks water only from clouds, I can depend only on your grace. There is no other way forward.

Always aspiring to become servant of your servant,

Sundar Nimai Dasa.

Dear Most Srila Prabhupada,

Please accept my dandvat pranam at your lotus feet on your most auspicious 123rd Vyas Pooja Mahotsav.

Srila Prabhupada, you have given us the invaluable gift of KRISHNA CONSCIOUSNESS - the utmost need of a living entity. By receiving these utmost important thing, I am able to experience your ahaituki kripa on such a fallen soul like me.

Recently on 13th July 2019, we were remembering ISKCON foundation Day and recollecting seven purposes of ISKCON laid down by Your Divine Grace which caters to all the real needs of the society and uplifting it towards the perfection of life.

Srila Prabhupada, as you are guiding us always through books, lectures, devotees, situations and many more things, I like to share my realization which I received from Srimad Bhagvatam Lecture (3.30.31) where Chanakya Pandita says that:

Ø If you are interested to advance in spiritual life then you should always think that you can die next moment.

Ø But if you are interested to advance in material life then you should always think that you will never die.

Because there are many many moments going to come in my life and I can die at any one of the moment. But here it is stressed that next moment you can die, so we should be ready for that. Tivrena bhakti-yogena yajeta

purusam param – Extensive devotional service is required. It has been suggested to carry always in the heart

Prem pumartho mahaan, state of pure consciousness. We should aspire for Pure Chanting which will lead us to the awakening of love of KRISHNA.

Prabhupada, you are a person Bhagavata. You practice what you preach. Only in your association, I can understand the book Bhagavata – Amala Purana. You are a moving pilgrimage. You are purifying all the places simply by your glance. You are a resident of GOLOKA VRINDAVAN. On the loving order of KRISHNA, you have descended to this earthly planet to uplift & purify all the fallen souls. In this way you are showing us the standard of devotional service. As you only taught us that devotee is not interested in personal ecstasy but he is interested only in KRISHNA'S Pleasure. Whether he stays in heaven or hell, he wants to serve KRISHNA without cessation.

With Your Divine Grace, we got a prime piece of land in golf course road, Gurugram, where we are making a very beautiful satellite project of Vrindavan Chandrodaya Mandir – Gateway to Vrindavan Dham. Some devotees are dedicated for the

construction which is happening at full swing and some are involved in the awareness & collection part. This temple will be a big platform for us to broadcast Your Divine Message in Whole Delhi NCR. We need Your special Grace in all the aspects for this project and its accomplishment at the earliest.

Recently with your inspiration, Sri Madhu Pandit Prabhu has made a question-answer group on telegram named “SOULFUL JAPA” where prabhu is answering the questions asked by different members based on your teachings. Around 1550 members have joined this group from different parts of the world. Srila Prabhupada as you say that chanting is our life and soul. So on such a pure day of Your Aavir Bhav Diwas, I like to share some of your best quotes on Chanting:

Constant chanting of the holy name will make one free of offenses and then he will gradually be elevated to the transcendental platform on which he can chant the pure holy name and thus become a lover of the Supreme Personality of Godhead. SB 7.5.23

Of all the regulative principles, the spiritual master’s order to chant at least 16 rounds is MOST ESSENTIAL.

90% of our advancement is dependent on Chanting.

Your japa beads are your ticket back to godhead.

By chanting Krishna’s names, one will be transferred to the Supreme Planet, Krishnaloka without a doubt. BG 8.7

Chanting the holy name of the lord immediately renovates the transcendental relationship of the living beings with the Supreme lord. CC Adi lila 7.76

The Holy name of Krishna is so attractive that anyone who chants it including all living entities, moving & non moving and even Lord Krishna Himself becomes imbued with Love of Krishna. This is the effect of Chanting the HARE KRISHNA MANTRA. CC Antya lila 3.268

One has to continue Chanting the Hare Krishna & preaching the Chanting of this mantra because such preaching & chanting constitute the perfection of life. SB 4.24.67 Purport

READING:

So I am requesting all of my students to read my books very seriously everyday without fail. In this way, if your mind becomes absorbed atleast one or two hours daily in the transcendental subject matter of Srimad Bhagvatam, Bhagavad Gita and other books then very easily you will make your achievement in Krishna Consciousness. Letter to Bharghava – LA

Srila Prabhupada, you are writing your consciousness in your books. So simply by reading & studying your books every day, we can receive Your pure consciousness. This is the significance of assimilating Your Vani which will uproot and clear all the deep rooted anarthas sitting inside the heart very deeply.

Please make me more loyal towards spiritual life by following all of Your Divine Instructions more rigidly & accurately without fail especially Chanting, Reading and Vaishnava Seva. A big salute to Your vision for making this Hare Krishna Movement all over the world. I am spiritually very weak, please save me always from falling into the clutches of Maya.

Yours most fallen servant,

परम पूज्य गुरुदेव श्रीला भक्तिवेदांत स्वामी प्रभुपाद

अपने चरणों में मेरा दंडबत प्रणाम स्वीकार करें,

मैं आपको बताना चाहता हूँ, सन 2013 में कृष्णा भक्ति मे आने से पहले मुझे एक खालीपन का एहसास रहता था। मुझे लगता था कि मैं CA बन गया और बस धन कमाओ, बस यही खुशी का मार्ग है, और यही जीवन का उद्देश्य है। मेरीयही धारणा मुझे जीवन मे खालीपन का एहसास कराती रहती थी। लेकिन कृष्णा भक्ति में आने के बाद, जीवन का उद्देश्य बिल्कुल परिवर्तित हो गया। लेकिन आज मेरा प्रयास कृष्णा की सेवा करना है, या ये कहो कि अपने आप को कमसे कम इतना पवित्र बनाना है कि कृष्णा ओर आप मुझ से अपवित्र माया प्रेरित ओर तरह प्राणी की सेवा को स्वीकार कर सके।

आपने मुझ अपवित्र प्राणी को कृष्ण भक्ति के मार्ग पर अग्रसर करने के लिए, इस माया प्रेरित संसार मे सब कुछ दिया है। बस यही प्रार्थना ओर करता हूँ, गुरुदेव इस नीच व्यक्ति को अपना शिष्य स्वीकार करें, ताकि मेरा उद्धार हो सके।

आपका चरणों का दास।

भक्त प्रवीण.

Dear Srila Prabhupada,

Please accept my humble obeisance at your Lotus Feet. All glories to Srila Prabhupada. You are very rare one of a kind and so pure of spotless character. The love you radiate is a transcendental fragrance which has attracted and will attract millions and millions of souls to share the nectar of rendering devotional service to Supreme Personality of Godhead Lord Krishna. I feel blessed to get association of your dearest disciples who are always glorifying the transcendental qualities of you and Lord Krishna. It is by your mercy & association with saffron devotees I am being able to develop more and more love towards you and The Lord. Thank you for having a long term vision for the implementation of Krishna Consciousness in the modern world & not being blind to the inevitable collapse of the society and thereby enlightening and saving several fallen souls and encouraging cow protection and inspiring its beginning more in the land of cow slaughter.

On this occasion I also wish to express my gratitude to you for all the mercy you have bestowed on me, giving me association of devotees and opportunity to engage in devotional service. I pray to you to bless me with more and more strength and determination to render devotional service at the Lotus Feet of Lord Krishna.

Your Servant,

Dear Srila Prabhupada,

I have been worshipping God since my childhood and made it a practice even when I moved out of my city. However, I was not sure about the purpose of worshipping and was easily influenced by the people about the purpose and whom to worship. Different people had different reasons to worship and so they have chosen different Gods as per their wishes, Convenience and knowledge. So I was not sure whom to choose and what can be my ultimate path. Two years back, I was unconsciously searching for an ultimate purpose and reason to go ahead in spiritual awakening, And I found Hare Krishna Movement by Srila Prabhupada in Powai, Mumbai where I met one of the devotee Gaur Mandal Das. And slowly I started finding answer to my anxiety, Moreover, A place of faith.

I started attending Sunday programs and it started feeling good as well, Later they have started an evening program. Although, I was tired from the long day at office, still I chose not to miss evening Programs and Prasadam and every night, I left afresh and charged after the ecstatic kirtan and then it started feeling more positive and struck me that this indeed is the way to go.

Since then, I have started chanting rounds and increasing gradually, read your book. I left Mumbai and came to Delhi, and after a while I started joining sessions in Noida and Gurgaon as well. I am thankful to you Srila Prabhupada for struggling for a bigger and higher purpose and not only for himself but for the whole world. Had it not been a mission from Krishna, It wouldn't have been loved and respected so much throughout the world.

Yours Faithfully,

Bhakta Sahil Sharma.

"By the mercy of the spiritual master one receives the benediction of Krishna. Without the grace of the spiritual master, one cannot make any advancement. Therefore, I should always remember and praise the spiritual master. At least three times a day I should offer my respectful obeisances unto the lotus feet of my spiritual master."

By the clemency of Krishna, I came into touch with Srila Priyavrat Das Prabhu Ji in December, 2017 and acquired knowledge regarding consciousness of Krishna from him and your written books. The books written by you are truly the trinkets of literature. By the mercy of Srila Prabhupada, I know what is right and what is wrong, what is good and what is bad, and more importantly what is the process of self-realization in this age. By the grace of Gurudev Srila Prabhupada this year is the most auspicious, in which I took Sevaka Diksha on dated 16th June, 2019 at Chandrodaya Temple, Vrindavan. Gurudev Srila Prabhupada, please bless me that I will remain your menial servant forever and not leave you even for a moment.

Dear Srila Prabhupada,

My humble and respectful obeisances unto my spritual master, Srila Prabhupada on account of his Vyasa Puja. I am your insignificant servant who is trying to serve you but unable to satisfy you. It's your divine grace due to which i am in Krishna Consciousness. Please give me blessings that I can serve you to my full extent. This material world is prison house-as you said-where the souls are send like me because they don't want to serve Krishna, they want to enjoy independently. You can take us back home back to godhead. Please give me blessings that I can please you. Please give me blessings that I can follow all rules and regulations given by you. Please give me blessings so that I can serve their Lordships Sri Sri Radha Vrindavan Chandra by going Mangala Arati darshan and Shayan Arati. Chanting is the backbone of devotional service, without it a neophyte can't progress in devotional service. I am doing 12 rounds of chanting daily. You have told to do 16 rounds but I am unable to do it daily except sundays.

Please give me blessings that I can do as much as chanting possible for me according to my time table. Also give me blessings that I can do chanting perfectly as prescribed you so that I can please you and Lord Krishna. Due to your blessings I got Srimad Bhagavatam. I had started reading it some time before only. Please give me blessings that I can complete it as early as possible so that I can understand more about Lord Krishna. Due to your blessings, I am playing Kartal and Mrudanga in temple and also learning them slowly. Please give me blessings that I can learn Harmonium other instruments so that I can please you and Lord Krishna more and more. Due to celibacy, we can concentrate on devotional service. Please give me blessings that I can practice celibacy. Due to your blessings, I am living in Vrindavan. As temple is good place for practising devotional service, so by your grace I am living in Sri Sri Radha Vrindavan Chandra Temple. You are very great preacher. You converted hippies to devotees and made them happy.

You created Iskcon and made 108 temples. Now also Iskcon is increasing rapidly. Please give me blessings that I can also become preacher and tell about Lord Krishna to others. As gopis said that preacher is most pleasing to Lord Krishna. I was one soul out of billions of souls who are entrapped in this material world. Due to your causeless mercy upon me, I came to know something about my original father Lord Krishna. I am very fortunate that I got a spiritual master who came in this material world as the representative of Lord Krishna. He came to preach about the Lord to the suffering souls in this material world. Your glories can't be described in some lines, paragraphs or even in books. Your glories are unlimited. Please accept my this humble attempt to please you. My Danvat into your lotus feet. All glories to Srila Prabhupada and his divine grace upon us.

Your Insignificant servant,

Bhakta Srinivasan Muthukumaran

Dear Srila Prabhupada!

Please accept my humble obeisance and prostration to Your Lotus Feet! As I look back at my four plus years' journey in Krishna Consciousness, from questioning many aspects of KC in the initial years to gradually trying to understanding the tenants of the philosophy to now trying to propagate whatever I have understood thus far to others, it has been a slow and steady progress. My heart is filled with gratitude and devotion for You, for taking me under Your aegis and guiding me through these years. Every time I read about your first voyage to the United States or explain to others, I am overcome with emotions on how much dedication You had for Your spiritual master's words and compassion for fallen souls, to travel abroad at that old age without any financial support and also suffer physically in the process. You have shown us practically how to completely surrender oneself to the Spiritual Master's words and offer oneself fully to fulfil His orders.

But for your painstakingly written English transliterations and wonderful purports of Bhagavad Gita, Srimad Bhagavatam, Chaitanya Charitamrita, Iso Upanishad, Nectar of Devotion and other Vedic literatures, people like me who do not know Sanskrit would never have had a chance to read them. Your numerous small books like 'Beyond Birth and Death', 'Perfection of Yoga' and the wonderful collection of anecdotes & essays in 'Science of Self Realisation', is an eye-opener for readers who want to get the essence of the aforementioned literatures. Every time I read your books I get new insights which wasn't there the previous time – maybe that is Your plan of revealing the right amount for the reader to progress to the next level. You had mentioned in one of your interactions with devotees, that the reason why You have written these books, is for us to 'chant the Holy Name'. It took me some weeks to understand the depth of that statement. Thank you so much Gurudev for putting this important instruction in this way and making it available to people like me, so that I take seriously the chanting of the Holy name. Sadhu-sanga or Association is the single 'most important weapon' that we have in this Kali-Yuga, to overcome the force of Maya through 'collective strength'. Prabhupada your drive and efforts to establish 108 temples in 11 years which made you to criss-cross the world so many times at that frail age, was to establish the foundations for this weaponry with temples acting as nodes for Sadhu sanga.

I pray to your Lotus feet that You continue to guide me through Your books, Vani, Instructions and Devotees on the real purpose of human life and how to achieve this purpose through devotional service. Please make me your disciple birth after birth and keep me under your guidance and forgive me for whatever mistakes that I am committing. Make me an instrument to spread Your glories far and wide, so that more and more souls get into Krishna Consciousness and be delivered from the darkest ignorance, through the torch of Your knowledge

Dear Srila Prabhupada,

I am grateful to the Almighty lord Sri Krishna for introducing me to ISKCON and your teachings. It has profoundly helped me, helping me to become a better person, and hope for a bright future. Now I know that the lord is behind me ready to push me that last mile so that I can have a better future. Spiritually ; the lord has completely cemented himself in my mind. He helps me look at all people with a good heart and with a willingness to help. He helps me think twice before I say or do anything. He helps me to stay calm and not retaliate even if a person speaks wrongly about me. As a result , I always feel better about myself and think better things. I chant one mala every day before going to sleep and I have to say, it completely brings calmness, serenity, happiness and love for the lord in my mind. I have read ,and am still reading again, the Bhagavad gita and the lord's teachings about spiritual life, moral values, karma and the Supreme Lord himself has been immensely valuable to my life. I also take Ekadashi fasting from grains regularly. Practising Krishna consciousness rejuvenates and enriches my soul. As a result; I am grateful to the almighty for helping me associate with ISKCON and become a devotee to the lord. My humble obeisance's

Dear Srila Prabhupada,

Thank you Gurudeva! You have given me a new direction in life, a new purpose, to serve lord Krishna and be his devotee. After learning about this valuable lesson which is not present in any school textbook I have started to take regular non-grain fasting on every Ekadashi, do one mala Hare Krishna japa and read one bhagvad gita shloka every day. I am eternally grateful to guru and gauranga for bringing me on the right track and would ask for their blessings to keep me steadfast in my devotion and always help me serve the lord. Dear Srila Prabhupada,

All glories to Srila Prabhupada!

Please accept my humble obeisances on this most auspicious occasion of Vyasa Puja celebration. I feel very happy to write this Vyasa Puja offering because I have learnt and gained so much from you, that it is time for me to express my gratitude for you. The mercy of Krishna has come to this world through you, Srila Prabhupada and therefore so many fallen souls like me are forever grateful and indebted to you for your unparalleled service of awakening Krishna consciousness in all our hearts! I have been in this Krishna Consciousness path for nearly 4 to 5 years now. Gradually, year after year, I get more clarity and can see how my consciousness was materialistic and now with your guidance I am able to make spiritual advancement.

Whenever I have doubts or troubles in life, I listen to your lectures to get your guidance and reassurance. I am ever grateful to you for making me to experience the nectar of devotional service. It is because of your Causeless Mercy, your books, lectures and guidance of your sincere disciples that my commitment and conviction on Krishna Consciousness has strengthened to a greater extent. It is because of you that I understood the real purpose of being a parent and with your mercy trying to bring up my two children with Krishna Consciousness. The kids look forward every weekend to go to the

Gurgaon ashram to have darshan of the Lord, participate in the sankirtan, associate with the devotees, and have mahaprasadam. All these practices are helping them to develop their attachment for Krishna and improve their chanting. This is because of the wonderful institution and practices that you have created. We are ever thankful as a family to be under your guidance and also to get the association of your disciples who are guiding us in this path towards gradual and steady progress in Krishna Consciousness

I pray that you will not give up on me as I struggle to make progress in this path. I pray that I have more and more of your association and that I can find steadiness in my devotional life. Please help me to keep your instructions as the centre of my life and follow it strictly even during difficult circumstances. Though I may commit many mistakes while practising Krishna Consciousness, please guide me to serve you and Lord with my utmost sincerity. I'm eternally grateful for your kindness.

ज्ञान चक्षु खोलने वाले, असीम दया के भण्डार जो भगवान के प्रति पूर्णतया समर्पित हैं, श्रील प्रभुपाद को मेरा कोटि- कोटि प्रणाम।

आपकी शिक्षाओं तथा लगभग तीन वर्ष की जप यात्रा की शब्दों में व्याख्या असंभव सी प्रतीत होती है। जीवन का कुछ उद्देश्य भी है इसका सही अर्थ आपसे ही जाना है, मेरी आत्मा सदैव आपकी आभारी रहेगी। संसार के प्रत्येक प्राणी कागंतव्य स्थान एक ही है और वहां तक पहुंचने के लिए पथ भी एक ही है। ऐसा समीचीन बोध प्रदान करने वाले प्रवचनों से मैंने स्वयं के विचारों में अनेक परिवर्तन देखे हैं। इसका एक दृष्टांत मैं निम्नलिखित पंक्तियों के माध्यम से व्यक्त करना चाहूंगी।

आरम्भ से प्रारम्भ जो चले अंत तक,

मध्य में संघर्ष दे जीवन को झटक,

श्वासों के इस छोर से उस छोर तक अपना पथ एक है।

एक ही राह के हम प्राणी,

हृदय से निकले एक ही वाणी,

मुख कहे अहम् की भाषा जिह्वा को न शील सुहाता,

सुनें यदि आत्मा को केवल तो अपना पथ एक है।

चेतना सजग, मन मखमल,

तानी है क्यों अभिमान की चादर,

करुणा कपाट जब सब खोलें,

प्रेम स्नेह कदाचित संग डोले,

वास्तविकता में झांकें किंचित तो अपना पथ एक है।

स्वभाव में है उमंग रक्त में बहती उत्साह तरंग,

कपट से पीड़ित हैं किन्तु हम सब रोगी,

जीवन की राह पर बन रह गए प्रतियोगी,

त्यारों यदि ईर्ष्या,निंदा,आलोचना को तो अपना पथ एक है,अपना पथ एक है।

प्रभुपाद, मेरी आपसे प्रार्थना है कि मनुष्य जन्म सार्थक करने के पथ के किसी भी पड़ाव पर मुझसे कोई चूक न हो। आपके दिशानिर्देश की मुझे हर क्षण आवश्यकता है।

जय प्रभुपाद. हरे कृष्ण!

हे मेरे गुरु श्रील प्रभुपाद!

आपके श्री चरणों में कोटि-कोटि नमन।

‘यस्य देवे परा भक्ति यथा देवे तथा गुरौ’

(श्रेताश्रतरोपनिशद) श्री कृष्ण की कृपा से आप मिले हैं और आपकी कृपा से कृष्ण। जब मेरे जैसे बहिर्मुख जीव हृदय में परमात्मा रूप में स्थित श्री कृष्ण अवहेलना करते हैं तो कृष्ण ही गुरु रूपमें जीवों को ज्ञान देते हैं। आपने संपुर्ण जगत में हरिनाम संकीर्तन का प्रचार किया जो कोई साधारण व्यक्ति नहीं कर सकता। ‘कृष्ण शक्ति विना नाहे तारे प्रवर्तन’

(चै० च० ७.११) श्री कृष्ण द्वारा सशक्त हुए बिना कोई संकीर्तन आंदोलनका प्रचार नहीं कर सकता अतः आप निःसंदेह ही साक्षात् कृष्ण की शक्ति से सशक्त थे। आप श्री कृष्ण से भी ज्यादा दयालु हैं, भगवान कृष्ण तो संपुर्ण समर्पण के बाद ही अपनी भक्ति प्रदान करते हैं परंतु आपने तो मेरे जैसे बहिर्मुखजीवों को भी कृष्ण की भक्ति में लगा दिया जो उनकी भक्ति करने के अधिकारी नहीं थे। आज भी आप अप्रकट रूप में अपने शिष्यों को कृष्ण भावनामृत में प्रगति करने के लिए हृदय से ज्ञान देते हैं। हे प्रभु! आपकी वाणी कोई साधारणवाणी नहीं यह साक्षात् गोलोकधाम की दिव्य वाणी है जो अधम से अधम जीव के हृदय में भी कृष्ण भावनामृत के बीज को प्रत्यारोपित कर सकती है।

शरीर को जन्म देने वाले माता-

पिता तो हर जन्म में मिलेंगे पर गुरु हर जन्म में मिले यह जरूरी तो नहीं इसलिए हे मेरे जन्म जन्मान्तर के गुरु! आप अपनी अहैतुकी कृपा मुझ पर सदैव बनाए रखिएगा। आपकी कृपा के बिना मैं इससंसार रूपी भवसागर को पार नहीं कर सकती। हे गुरुवर! आज आपके जन्मदिवस के अवसर पर यद्यपि आप अप्रकट रूप में मेरे साथ हैं परंतु फिर भी आपकी भौतिक अनुपस्थिति असहनीय है। आपने मुझे, मेरे जीवन की धारा को जो श्री कृष्ण चरणों की दिशा में मोड़ दिया है उससे मैं कभी उर्रुण नहीं हो सकती। हे गुरुवर! अपनी कृपा मुझ पर सदैव बनाए रखिएगा।

Dear Srila Prabhupada,

Please accept my humble obeisances, All Glories to Sri Guru and to Sri Gauranga.

Yet another super-excellent year has passed by, made up mostly by lots of causeless mercies from the Supreme Lord Sri Krishna and tireless compassion from Your Divine grace, towards this so very diseased soul. All Glories to the most benevolent and compassionate master ever! Prabhupada, I recently came across this verse from CC Adi lila 12.10.

*ācāryera mata yei, sei mata sāra
tānra ājñā laṅghi' cale, sei ta' asāra*

TRANSLATION – *The order of the spiritual master is the active principle in human life. Anyone who disobeys the order of the spiritual master immediately becomes useless*

This verse made me understand even more, who you are in actuality and what I am. I'm understanding how carefully we should nurture our spiritual life, if we desire to remain on field for a long long time without getting out. I am deeply indebted to Your Divine Grace for teaching me clearly how to live a useful human life. Your concluding line in most lectures – “Perfect this human life and go back home back to Godhead”- is so deep-seated in my mind that uselessness of human life is death-like. I am taking baby steps in trying to lead a useful life by remembering to practice Krishna consciousness in every walk of life. And to remember this every time is not so easy for me to remember. And in my everyday practice of Krishna Consciousness, it is a huge challenge to cultivate a better me. Constantly struggling with my anarthas, I'm trying to keep myself afloat as atleast one of your average disciples, by meeting the basic requirements of a spiritual life. I had the greatest fortune to read from Sikshamrta – the storehouse of your precious instructions. From there when I read the letters that you had written to your disciples – some of them so perfectly match the turmoils that I would have underwent, that it

is unbelievable! Your words fill me with hope and fresh perspective Prabhupāda. But of course, I am realizing that it is none other than you dear Prabhupada, who opens these right pages before me by understanding my mind.

Vrindavan-Vasi, association of devotees, rendering devotional service, attending ārtis at temple, Deity-worship – so much so much and more. Truly, Krishna consciousness life is a life filled with enjoyable times each day and in every way. One has to experience it to believe in its glory! And you have opened the gate to this life! I am only made up of your mercy Prabhupāda.

With all desperation, O Master, I beg for your mercy to benedict me with strong servant hood and to render pure loving devotional service to Sri Jagannāthji and to Sri Sri Rādhā Vrindāvan Chandra, all the time pursuing my duties faithfully as one of your obedient disciples. Please bless me to be formally initiated by you and to serve and please you and Sri Rādhā Vrindāvan chandra, to the best of my energies and abilities. Jai Srila Prabhupāda

“The spiritual master is receiving benediction from the ocean of mercy. Just as a cloud pours water on a forest fire to extinguish it, so the spiritual master delivers the materially afflicted world by extinguishing the blazing fire of material existence. I offer my respectful obeisances unto the lotus feet of such a spiritual master, who is an ocean of auspicious qualities.”

The Vedic scriptures extol your virtues, O Spiritual Master! You are the mercy representative of the Supreme Lord! It is only by your piercing words of transcendental knowledge, can the ignorance of conditioned souls like me be destroyed. This is the only way to extinguish the blazing fire of material existence!! Srila Prabhupada, you have taught us much more than simply coming out of material conditioning. You have given us the ultimate perfection of human life, Krishna-bhakti!! The essence of vedic knowledge has been incomprehensible for a fallen soul like me, until I had the fortune of coming in contact

with You, Oh my dear Master! By your teachings and guidance through books, lectures, disciples' association and in so many other subtle ways, you enlightened and transformed me. You made me understand that regular and attentive chanting of the Hare Krishna Mahamantra is the key for reestablishing my lost relationship with the Supreme Lord. The four regulative principles, deity worship, reading of scriptures, Bhagavad Gita and Srimad Bhagavatam are the other aspects of sadhana that you have practically taught. Kindly shower you grace upon me, so I can improve the quality and rigour of my sadhana.

Oh Divine Grace! You have taught me the science of bhakti, the philosophy and practice. I am eternally grateful to you for this invaluable gift Srila Prabhupada! I am the most fallen and least deserving of such a blessing. I can only echo Srila BhaktiVinoda Thakur's words - *jogyata-vicare, kichu nahi pai, tomara karuna—sara*

“If you examine me, you will find no qualities. Your mercy is all that I am made of.” Please Srila Prabhupada, bless me with eternal remembrance of the Lord and always engage me in your divine mission of serving the Lord!!

श्रील प्रभुपाद की जय,

दयालु, कृपालु, समस्त जगत को सुख शांति की राह ददखने वाले गुरुदेव को मेरा कोदि कोदि दांडवत प्रणाम।

मैंने कभी सोचा भी नहीं था की मुझे पर ककसी गुरु कृपा होगी, क्योंकि मुझे इस बात का ज्ञान नहीं था की जीवन में अध्यात्मिक प्रगत महत्वपूर्ण है और उसके मलए एक गुरु की आवश्यकता होती है। मैं तो बस अपना जीवन जजए जा रह थी परन्तु प्रभु जबसे आपने मुझे जैसी आत्मा को अपनी शरण द है, मैं धन्य हो गयी। सन २०१२ में, इस्कान के अनन्य भक्तों के द्वारा आयोजित अक्षय तृतीय के समारोह में मैंने आपके बारे में जाना और किर इन्टरनेट पर आपकी कुछ वीडियो देखीं तो मुझे पहल बार आपसे अि सांपकण का अनुभव हुआ। मुझे लगा की आप ह मेरे गुरु हैं और एक वचचत्र सी तृजतत हुई। मैं वपछले कई वर्षों से ववष्णु भगवान के व्रत रखती थी और मुझे नहीं पता था की भगवन ववष्णु मुझे पर कुछ इस तरह से कृपा करेंगे और मुझे जीवन भर की पूंजी दे देंगे। आपको गुरु रूप मे पाकर मैं कृतज्ञ हो गयी।

सात वर्षण बीत गए हैं, पर मैं अभी भी सांसार के कामों में ह व्यस्त रहती हूँ, बच्चों के लालन पालन मैं ह सारा समय व्यतीत हो जाता है। मैं न तो अचधक सेवा कर पाती हूँ और न ह जप कर पाती हूँ, पर लगता है मेरा मेरा मन शुद्ध है और भावुक भी क्योंकि मुझे रोना आ जब मैं आपके और भगवान के प्रतत अपने प्रेम और सांबंध के बारे में सोचती हूँ। प्रभु, मैं और मेरे पतत आपके बहुमांजला मांददर के सपने को साकार करना चाहते हैं और उसके मलए प्रयासरत भी हैं, हम चाहकर भी अचधक लक्ष्मी - सेवा नहीं कर पाते हैं। आपकी कृपा बबना ये सांभव नहीं है। आपकी कृपा ममले तो हम दोनों ममलकर इस बहुमांजला मांददर के सपने को साकार करना चाहते हैं और मांददर मैं तन मन और धन से सेवा कर कृष्णभावनामृत का प्रचार व प्रसार भी करना चाहते हैं। आप मेरे समस्त पररवार पर और सभी मशष्य व मशष्याओं पर अपनी दया द्रजषि रखें। ज्ञान, भक्ती, शजक्त, सामर्थयण और सदैव आपके चरणों में ध्यान रहने का आशीवाणद दें ताकक हम इस महान कायण मैं भागीदार बन इस जीवन को भजक्तमय कर सकें।

मेरा जीवन बेहद संघर्षों से घिरा हुआ था। लेकिन जब से आपके बारे में पता चला और आपकी पुस्तकों को पढ़ा मेरे जीवन की आध्यात्मिक उन्नति हुई है। जीवन जीने का वास्तविक उद्देश्य का ज्ञान हुआ। मैं सौभाग्यशाली हूँ जो मुझे वैष्णव भक्तों का सानिध्य प्राप्त हुआ। बिना आध्यात्मिक गुरु के श्री कृष्ण की कृपा का भागीदार बनना असंभव है।

भगवान् श्री कृष्ण की कृपा से मैं श्रील प्रियवृत्त दास जी के संपर्क में दिसंबर 2017 में आई, उन्होंने मुझे कृष्ण की चेतना (consciousness) के बारे में बताया और आगे बढ़ने का मार्ग प्रशस्त किया। कृष्णा की महिमा का गुणगान सुनकर आज उन्नति की ओर अग्रसर हूँ।

इस वर्ष आपकी कृपा से मैंने वृंदावन चंद्रोदय मंदिर में सेवक की दीक्षा ली। अब पूर्णरूप से समर्पित आपकी शरण में हूँ। परमपूज्य श्रील गुरुदेव हम पर अपनी कृपा हमेशा बनाए रखें।

Dear Srila Prabhupada,

All glories to Srila Prabhupada. With each passing year of your association, the attachment with you is increasing. Your glories are never ending topic and writing them down in one page is a difficult task. So just summarising it in one realisation. The other day I met an old person who shared an incident that some time back this person lost a dear one and that was the time this person realised that destiny is the biggest thing working on all of our lives. And that there is a supreme being working behind it. However big our plans be, it is the Supreme's which supersedes all. On hearing this experience I realised that how fortunate I am to be in touch with your teachings. And its your mercy that I am being aware of these things and working towards the spiritual advancement. Thank you Prabhupada for all your efforts you have done so that I can progress on my spiritual path.

Your servant,

Bhaktin Purnima

Dear Srila Prabhupada,

Please accept my humble obeisance at your Lotus Feet. All glories to Srila Prabhupada. It is about one and half years since I am cherishing your mercy bestowed upon me in all the ways. And when I look back, I realise that I am completely different person now. Gradually but surely there has been a tremendous positive transformation in me. I was put into this material world filled with ignorance knowing not how to engage myself in Krishna Consciousness. Somehow by your mercy you picked me like picking a fly stuck in honey and carefully placed me in the love & care of the Vaishnavas. With the passing of each day I am getting to appreciate your causeless mercy more and more. I nourish my soul by reading your books and emphasise the importance of glorious service of Lord Krishna. Because of your deep love for Lord Krishna you are naturally deeply concerned with His parts and parcels, therefore you have expertly arranged opportunities to the fallen souls for the devotional service of The Lord. This is your real care for all of us that we truly experience the amazing nature of who we are as pure and eternal servants of Lord Krishna.

On this occasion, I sincerely express my heartfelt gratitude and pray for your causeless mercy, so that I will be able to humbly continue to render devotional service to you and Lotus Feet of Lord Krishna in whichever way you desire.

Your Servant, Bhaktin Purnima.

Bhaktin Rakhi Dasi

Dear Srila Prabhupada,

Please accept my humble obeisances. I bow down before you for giving this most fallen soul, the golden opportunity to make an offering to you on the occasion of Vyasa Puja. I know that without your mercy and blessings on this fallen soul this offering would have been impossible. O My Spiritual Master, You are the connect between me and my Beloved Lord Krishna. You have shown me the light and awakened my Consciousness to Krishna Consciousness. Not only me but to all the fallen souls worldwide you have preached the knowledge of Krishna Consciousness.

O my Master, this fallen soul never knew that the ultimate destination is the Supreme Personality of Godhead, Lord Krishna until she came across the books " Bhagavad Gita as it " and " Srimad Bhagavatam " written by you. This fallen soul never thought that she will be able to access the contents of the Holy Sacred Scriptures without knowing how to read and write Sanskrit language. O My Master, all glories to you because it's You and only You who could do such a magnanimous task of translating the Sacred Scriptures into English within a brief time period and reach out to the most fallen souls worldwide. My dear Master, I once again bow down before you. You are the Ocean of mercy because you appeared before me in my dreams quite a number of times and personally handled all my queries and guided me. O my Spiritual Master, please have mercy upon me and keep guiding me till this fallen soul reaches the Supreme destination. I also pray to you dear Master to give me protection under your Lotus feet so that I can serve your mission. From The most fallen soul,

Your Servant, Bhaktin Rakhi Dasi.

Dear Srila Prabhupada,

Whatever I am, or whatever I will be.. I owe it to praphupada.. He has been a guiding light for all of us.. The literary, spiritual, philosophical and religious works of Prabhupada are inspirational and motivating.. Books written by him are essential for our existence and integrity. We are enriched by his books as these books are like soul for our body. He has set the ground work on which we can walk upon..I really want to express my heartfelt gratitude for the teachings he has taught us. He has provided us with the building blocks of spirituality and has laid down the path of eternal enlightenment .The most difficult steps in the journey towards god has already been taken by him and we are left with the easier part i.e. following the footsteps laid by him.

I personally feel that he is always around me and guiding me about krishna conciousness. Through his lectures, his books, his kirtan, his existence can be entirely felt. My heart is so much overwhelmed in writing these lines about prabhupada that I really wish to thank him in every second line for the changes he has brought in my life. Through him, we can feel krishna , we can talk to krishna, we can learn about krishna. Whatever I am being able to know about krishna and whatever spiritual progress I have done, I owe it to prabhupada, my guru.. he introduced krishna in my life. But I really pray to prabhupada to increase my devotion and spirituality so that I can be removed from the shackles of the the maya. I still have a lot of taste for worldly pleasures and things and thus prabhupada I will have to suffer here in this material energy of repeated birth and death. please save me and hold my hand and take me back to the godhead.

Your Servant, Bhaktin Ritika Ahuja.

Hare Krishna!

Dear Srila Prabhupada,

My humble obeisance to guru and gauranga and to all the Vaishnava devotees who help me to associate with other devotees. Without their association it would be very difficult to live and lead a sattvic life as maya plays very strongly on us fallen souls. With the grace of association with fellow devotees I am able to read and hear Bhagavatam and Bhagvad gita daily at home. Prabhupada please guide us to finish my chanting daily and help me to become a true and humble bhakta and help me to guide others in the path of self-realisation. My humble obeisance's,

Your Servant,

Jai Srila Prabhupada.

Please accept my humble and respectful obeisances.

A humble offering on this most auspicious day at your divine lotus feet

Jivas are burning in the blazing forest fire

Unaware that the cause is their own desire

Suffering and struggling but trying their hard to become materially happy

This world is troublesome and every step is very risky

To remove the illusion and enlighten them

You came here with Krishna's glories and fame

You are reminding us our constitutional position

Showing how to come out from present miserable condition

Giving us Nitai-Gauranga and Jagannath

Taking us all on Goloka's Path

Service to deities, vaishnavas and holy name

This is your kripa, protecting us from our own mental game

If we follow all your instructions, chant without offenses the names of Lord Krishna and Rama

We become immune to maya's tricks and will soon attain Krishna Prema

You are the vast ocean of mercy, taking rest in your heart Lord Govind

I am weak, beaten by maya; never cast me away from the shelter of your Charanarvind

Aspiring to become your humble servant

Dear Srila Prabhupada,

Please accept my humble obeisance's, you are the mercy representation of Chaitanya Mahaprabhu and freely distributing pure love of Krishna to everyone. Again I got the opportunity to glorify you. This Hare Krishna Movement is like the hospital and it cures patients who are full of lust, greed and anger, all time searching after sense gratification. Your medicine for the patients is to simply follow daily sadhana process in the association of the devotees'.

Dear Prabhupada, I would like to share my experience of why faith and dependence of the devotee's increase more and more onto you and Krishna when they face problems. The devotee sees your direction in that helpless situation through your teachings. That's why your teachings are so important for everyone. Therefore one should constantly pray for the mercy of the spiritual master and worship him as Krishna Himself with all due respect and attention because Krishna states in the Eleventh Canto of Śrīmad-Bhāgavatam, 17th Chapter, and 22nd verse.

"My dear Uddhava, the spiritual master must be accepted not only as My representative but as My very self. He must never be considered on the same level as an ordinary human being. One should never be envious of the spiritual master, as one may be envious of an ordinary man. The spiritual master should always be seen as the representative of the Supreme Personality of Godhead, and by serving the spiritual master, one is able to serve all the demigods."

Krishna sends His representative, the authorized spiritual master. As it is confirmed in the Chaitanya-Charitamrita, "by the grace of guru one gets Krishna, and by the grace of Krishna one gets a bona fide guru." Only way to become Krishna conscious is to surrender to the representative of Lord Krishna, the spiritual master. All the perplexities of life can be solved if one approach and surrenders completely to a bona fide spiritual master, who is in the disciplic succession from Lord Krishna, A bona fide spiritual master is not an ordinary person. He acts like a touchstone because by his contact only one can turn to Krishna consciousness. This is the greatest gift that can be given to anyone. By your grace even a thief also got Krishna Consciousness. Once a thief saw your photo in your Back To Godhead magazine and you were wearing a watch to your hand. He thought this sadhu wearing a very costly watch let me steel it, very easily I can do it, let me go to him. Somehow he came and had your association for 2-3 days with an intention of stealing but by hearing your instructions his intention got changed then he reveled his mind to you, then you offered him watch but he refused and he became your disciple.

I therefore fall at your lotus feet and pray for your causeless mercy. O servant of Sarasvatī Gosvāmī maharaja, I offer all obeisances's unto you and pray that I may become an instrument in your service. You may do with me as you like.

Your fallen servant,

Gajapati Dasa, Hare Krishna Movement Guwahati.

Loknath Gopala Dasa

*mūkaṁ karoti vācālaṁ paṅguṁ laṅghayate girim
yat-kṛpā tam ahaṁ vande śrī-guruṁ dīna-tāraṇam*

(Madhya 17.80)

By the mercy of the guru, even a dumb man can become the greatest orator, and even a lame man can cross mountains. As advised by Lord Brahma, one should remember this sāstric injunction if one desires success in his life.

Dear Śrīla Prabhupāda, please accept my humble and respectful obeisances unto your lotus feet and allowing me to serve your mission and writing the Vyasa Puja offering this year also.

It is by your mercy that teachings of Lord Chaitanya are spreading throughout the world. I can see how people are getting rescued by taking your ashraja and how their whole life is getting changed. As it is rightly told by visvanath chakravati Thakura:

*yasya prasādād bhagavata-prasādo, yasyāprasādān na gatiḥ kuto 'pi
dhyāyam stuvaṁs tasya yaśas tri-sandhyam, vande guroḥ śrī-caraṇāravindam*

By the mercy of the spiritual master, one receives the benediction of Kṛṣṇa. Without the grace of the spiritual master, one cannot make any advancement. Therefore, I should always remember my spiritual master. And at least three times a day I should offer my respectful obeisance's unto the lotus feet of my spiritual master. Śrīla Prabhupāda, keep bestowing your mercy on everyone.

Śrīla Prabhupāda I am at the end praying to your grace to give me mental strength to fight the challenges coming in my devotional life and going forward in my spiritual progress.

Yours insignificant servant,

Lokanath Gopal Dasa, Hare Krishna Movement Guwahati.

Mahasundar Dasa

om ajnāna-timirāndhasya jñānānjana-śalākayā cakṣur unmīlitaṁ yena tasmai śrī-gurave namaḥ

As Lord Sri Krishna himself declares in the Srimad Bhagavatam during His conversation with Uddhava - *"One should know the ācārya as Myself and never disrespect him in any way. One should not envy him, thinking him an ordinary man, for he is the representative of all the demigods."*

A spiritual master is not an enjoyer of facilities offered by his disciples. He is like a parent. Just like without the attentive service of his parents, a child cannot grow to manhood; similarly, without the care of the spiritual master one cannot rise to the plane of transcendental service. Srila Prabhupada, you are such a spiritual master, who is also called ācārya, I would like to call you a transcendental professor of spiritual science.

The Personality of Godhead reveals Himself as the spiritual master, only out of His immense compassion. Therefore in the dealings of a ācārya there are no activities but those of transcendental loving service to the Lord. You are the Supreme Personality of Servitor Godhead. It is worthwhile to take shelter of such a steady devotee, who is called āśraya-vigraha, or the manifestation or form of the Lord of whom one must take shelter.

Srimad Bhagavatam declares the importance of the bona fide spiritual master in many places such as this verse from the Eleventh Canto (20.17):

*nṛ-deham ādyaṁ sulabhaṁ sudurlabhaṁ plavaṁ sukalpaṁ guru-karṇadhāram
mayānukūlena nabhasvateritaṁ pumān bhavābdhiṁ na taret sa ātma-hā*

"The human body, which can award all benefit in life, is automatically obtained by the laws of nature, although it is a very rare achievement. This human body can be compared to a perfectly constructed boat having the spiritual master as the captain and the instructions of the Personality of Godhead as favourable winds impelling it on its course. Considering all these advantages, a human being who does not utilize his human life to cross the ocean of material existence must be considered the killer of his own soul."

Therefore the first business of one who takes human life seriously is to find out a spiritual master who can guide him in Krishna consciousness. I feel myself to be one of the most fortunate persons having you as my spiritual master.

Śrīla Śrīdhara Svāmī prays,

*yadā parānanda-guro bhavat-pade padaṁ mano me bhagaval labheta
tadā nirastākhila-sādhana-śramaḥ śrayeya saukhyaṁ bhavataḥ kṛpātaḥ*

"O transcendently blissful guru, when my mind finally achieves a place at your lotus feet, all the tiresome labour of my spiritual practices will be finished, and by your mercy I will experience the greatest happiness."

Srila Prabhupada, please dawn upon me all these realizations and bless me with the guidance, knowledge and potency to execute your desires, your mission by following your instructions as it is, by practicing regulative principles strictly, by carrying the words emanating from your lotus mouth as my life and soul in the system set up by you as an instrument in the hands of your bonafide representatives.

Your fallen servant, Mahasundar Dasa, Hare Krishna Movement Guwahati.

Naandimukhi Devi Dasi

My Dear Gurudev,

yasya prasada bhagavat prasado

yasyaprasadan na gatih kuto pi

dyayayan stuvams tasya yasas tri –sandhyam vande guru sri caranavrindam

I pay my sincere and humble obeisance unto your lotus feet, O my Spiritual Master. On this occasion of paying tribute to my Spiritual Master, I express my heartfelt gratitude to you for allowing this fallen soul to stand and speak few words in front of you. You have been a torchbearer who has enlightened the world with your ray of knowledge leading to Krishna consciousness; you have been a via media between us and the Supreme personality of Godhead.

I could feel your presence in every instance of my life. Whenever I was in need, you have always given me your companion, when in sorrow you have always hold my hands. How can I forget those days when I was in distress and in great anxiety, you had come to my life in the form of Krishna Ashraya Devotees, whenever I was hungry, you arranged for Prasadam even in the odd hours, you had been soothing me throughout, giving me guidelines on how to overcome the difficult times, have been close to me in the form of Temple Devotees who always taught me how to bear the hardships of life. On one side there was problems engulfing on the other side you were waiving it off. You have made me grow stronger internally and helped me to acknowledge the existence of the Lord and my unflinching faith and love for Him grew manifold.

tat te 'nukampam , su -samiksamano, bhunjana evatmakrtam vipakam

hrd -vag -vapurbhir vidadhan namaste, jiveta yo mukti-pade sa day bhaak

It has taught me to accept the suffering as the reactions of the past misdeeds and to tolerate it patiently as it has been rightly mentioned in the Bhagawad Gita sloka 2.14 that the appearance and disappearance of happiness and distress are like appearance and disappearance of summer and winter season. They arise from sense perception and in fact the Soul is never inflicted by the material pain and happiness.

It has also taught me to completely surrender myself to Lord Krishna as it is just foolishness to think that one can control the situations and lord over himself. Krishna is the ultimate and supreme controller, and everything happens as per his plan. On completely surrendering to the Almighty, one can experience peace of mind, tranquility and happiness.

But who has taught me to realize and understand the glories of the Supreme Personality of Godhead? It's you, O my spiritual Master, who has taken the boon to lead us towards the path of Krishna Consciousness and help us to go back to Godhead. I wonder if anybody other than you made such commitments in this world.

You have been so favorable to the entire humanity, have followed the instructions of your spiritual master and carried out successfully his orders. Hence today we have been able to relish the pastimes of the Lord, through the voluminous books of Srimad Bhagavatam and Bhagawad Gita As It Is. You are the most distinguished scholar of this era who tried to sow the seed of Bhakti in every nook and corner of this world.

You have established the spiritual knowledge in the society and have imbibed in us love for Krishna. In today's world, where lot of heinous activities or anarthas are going on, you along with your soldiers of devotees are trying to spread Krishna Prema- where we should not envy any living being and you taught us that in every living being there is soul which is a part and parcel of Krishna. So respect everyone.

With your valuable teachings and instructions, the way you have popularize Hare Krishna Maha mantra across globe, is so commendable. In this Kali Yuga, you have given us such a simplest way to reach God and have helped the fallen souls to be delivered from the clutches of Maya.

Lastly, I would like to pray to you honestly to help me cling to this Movement without deviating my path, help me follow your instruction of chanting 16 rounds daily and reading your divine books, and serve for this mission till my last breath.

Hare Krishna!!

Yours servant of the servant,

Naandimukhi Devi Dasi, Hare Krishna Movement Guwahati.

Narasimha Dasa

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories unto you.

Srila Prabhupada today is the most auspicious day to all of us because of your divine appearance. On this auspicious day it is the duty of every disciple to convey one's gratitude towards spiritual master. Srila Prabhupada you are the top most devotee of the Lord Krishna definitely as Lord Krishna Himself says in Srimad Bhagavad-Gita 18.69 as,

“There is no servant in this world more dear to Me than he, nor will there ever be one more dear.”

Srila Prabhupada you went out of India on the order of your spiritual master to distribute this great transcendental knowledge across the globe and pleased your spiritual master. You are an expert preacher and inspirational to all your disciples to follow your instructions. It reminds us your statements from Chaitanya Charitamrita Adi Leela 1st chapter and 35th verse.

The expert spiritual master knows well how to engage his disciple's energy in the transcendental loving service of the Lord, and thus he engages a devotee in a specific devotional service according to his special tendency.

You have engaged your sincere disciples to conduct the Rath Yatra festival across the globe as it has been a custom at Jagannath Puri, Odisha. With your mercy your disciples had organized and became a great success as Car Festival in the western world. Now across the globe every year on the same day as happens at Jagannath Puri, the Rath Yatra festival of Lord Jagannath is getting celebrated. It's all because of your expertise in executing devotional service to the Lord Krishna. Following your instructions your serious disciples conducted the Rath Yatra festival at one corner of north eastern part of India where many tribal people live. Not much knowing anything the great knowledge about the Lord and devotional service, all these tribal people fully engaged in your service and they all simply executed the devotional service of pulling the Lord's Rath and in turn the Lord Krishna into their hearts. It is you made it easy the devotion to the Lord Krishna in doing various services possible at the present age of Kali Yuga. That is why you are called as “Yuga Acharya”.

Every living entity is essentially a servant of the Supreme Personality of Godhead, and the spiritual master is also His servant. Still, the spiritual master is a direct manifestation of the Lord. With this conviction, a disciple can advance in Kṛṣṇa consciousness. The spiritual master is non-different from Kṛṣṇa because he is a manifestation of Kṛṣṇa - CC Adi 1.44 purport

According to the deliberate opinion of all revealed scriptures, the spiritual master is non-different from Kṛṣṇa. Lord Kṛṣṇa in the form of the spiritual master delivers His devotees. CC Adi 1.45

Srila Prabhupada, please bestow me the same great conviction to my remaining life and allow me to execute your instructions through your representatives. Without your mercy and blessings we cannot advance a tinge in the glorification of Lord Krishna. Please forgive the offenses committed at your lotus feet and accept my humble obeisance again and again.

Servant of the servant of your servant,

Narasimha Dasa, Hare Krishna Movement Guwahati.

Nareshwar Krishna Dasa

Dear Śrīla Prabhupāda,

Please accept my humble obeisance's at your lotus feet.

This auspicious day of your appearance day when your followers and admirers pause to remember and meditate on your wonderful qualities, the inspiration you continue to provide for us and your many gifts to us. In this way, we rededicate ourselves to your service and the spreading of the mission of Lord Śrī Kṛṣṇa.

Your faith in Kṛṣṇa and your spiritual master, Śrīla Bhaktisiddhānta Sarasvatī, is unfathomable.

*yasya deve parā bhaktir yathā deve tathā gurau
tasyaite kathitā hy arthāḥ prakāśante mahātmanāḥ*

“Only to one who has staunch faith in both the words of the spiritual master and those of the Supreme Personality of Godhead are the secrets of Vedic knowledge revealed.” (Śvetāśvatara Upaniṣad 6.23)

You were so dedicated in following the instructions of Śrīla Bhaktisiddhānta Sarasvatī Ṭhākura. Hence you derived incredible results:

*vyavasāyātmikā buddhir ekeha kuru-nandana
bahu-śākhā hy anantāś ca buddhayo 'vyavasāyinām*

“Those who are on this path are resolute in purpose, and their aim is one. O beloved child of the Kurus, the intelligence of those who are irresolute is many-branched.” (Bhagavad-gītā 2.41)

A person in Kṛṣṇa consciousness is the rare good soul who knows perfectly that Vāsudeva, or Kṛṣṇa, is the root of all manifested causes. As by watering the root of a tree one automatically distributes water to the leaves and branches, so by acting in Kṛṣṇa consciousness one can render the highest service to everyone—namely self, family, society, country, humanity, etc. If Kṛṣṇa is satisfied by one's actions, then everyone will be satisfied.

Thank you so much for all that you have given us—Kṛṣṇa, Chaitanya Mahāprabhu, the holy name, the sacred scriptures, the association of wonderful devotees, so many beautiful Deities and temples, delicious kṛṣṇa-prasādam, unlimited opportunity for engagement in devotional service.

You have given us Śrī Śrī Nitāi Gaurasundar, the most blissful forms of Lord Chaitanya and Lord Nityānanda, whom we can worship and serve with unconditional love and devotion.

You have given us your books, which will be the law books of mankind for the next ten thousand years. Your commentated translations of the Bhagavad-gītā, Śrīmad-Bhāgavatam, Chaitanya-Charitāmṛta, and related Vedic literatures have given us pure and unadulterated transcendental knowledge. This knowledge not only immediately destroys all anarthas within our hearts and defeats Māyā when she attacks our minds in gross and subtle ways, but also allows us to get nearer to the Supreme Lord by reading His pastimes.

I believe that an understanding of your greatness—as much as it is possible for any of us to attain—can be attained by associating with you through your books. Your purports guide the reader step by step in the proper direction. You have deliberately chosen every word so the real meaning of the verse can be understood. What a noble sacrifice you have made for this world! Every living entity in human society can benefit from reading your books.

You have given us the holy names, which we regularly chant during japa and sing loudly in varied transcendental melodies during ecstatic kīrtana. The holy names are the means to achieve kṛṣṇa-prema. The essence of all your instructions was to chant Kṛṣṇa's name. Let us all strive to do just that—together. In this way you will be supremely glorified.

he guro jñāna-da dina-bandho svānanda-dātaḥ karuṇaika-sindho

vṛndāvanāsīna hitāvatāra prasīda rādhā-praṇaya-pracāra

“O spiritual master, O giver of divine wisdom, O friend of the fallen, you are the giver of your own bliss, and you are the only ocean of mercy. Although dwelling in Vṛndāvana, you have descended for the welfare of fallen souls like myself, and you are preaching the divine love of Rādhā for Kṛṣṇa. Please be kind upon me.”

I ask your kind forgiveness for all my shortcomings and mistakes. I pray that you will remain merciful to this fallen soul, who desires to remain attached to serving your instructions. By serving your instructions I know I am serving you directly.

Your fallen servant,

Nareshwar Krishna Dasa.

Hare Krishna Movement Guwahati.

Navyavat Krishna Dasa

My dear most Srila Prabhupāda,

Please accept my most humble obeisance's unto your divine lotus feet. All glories to you on this most auspicious day of your Vyasa Puja.

In your purport to Srimad-Bhagavatam 3.22.6, you write:

In the Srimad Bhagavatam it is stated that mahat-pāda-rajo-'abhisekam, which means to be blessed by the holy dust of the lotus feet of a mahat, a great devotee. As stated in the Bhagavad Gita, mahātmānas tu: those who are great souls are under the spell of the spiritual energy, and their symptom is that they fully engage in Krishna consciousness for the service of the Lord. Therefore they are called mahat. Unless one is fortunate enough to have the dust of the lotus feet of a mahātmā on one's head, there is no possibility of perfection in spiritual life.

We touch your feet every day during guru-pūjā so we can make further advancement in our spiritual life. However, the real mercy will come to us if we keep your instructions in our heart and genuinely follow them without any deviation. Making progress on the path of bhakti becomes easy if we fully surrender to Your Divine Grace with our body, mind, words, and very self and remain one hundred percent dedicated to you. You are the transcendental boatman who can help us cross the ocean of material sufferings, provided we follow you with full faith and determination. Those who are ready to accept your mercy will be the ones who will be able to go back home, back to Godhead. Following your instructions is our life and soul.

We can try to follow in your footsteps and be like you as an ideal servant of the servant of the Supreme Lord, and thus the glories of Your Divine Grace and your movement will increase more and more. In this way many conditioned souls will be attracted to take up the sankirtan process of Lord Caitanya Mahāprabhu for their spiritual welfare and thus make their lives auspicious. You once said that there is no way to control the mind except to be engaged in Sri Gaurang Mahāprabhu's sankirtan movement. We should always think of ways to engage ourselves in the service of the Lord and His devotees. This is the only way to control the mind. You also mentioned that the secret of success in Krishna consciousness is to push ourselves to the best of our ability and capacity to serve Sri Guru and Gauranga. Every one of us has his own propensities, and we should all use them to serve the Lord and His devotees. No one is greater or lesser in the eyes of the Lord, and therefore whatever we can do to serve the Lord is accepted by Him. Only then is it guaranteed that one will become successful in spiritual life. On this most auspicious day, please grant this poor soul a tinge of your mercy so I can abide by the many instructions you have imparted in your numerous books, lectures, conversations, morning walks, interviews, letters, etc. Please bless me so I can do my very best to serve the servant of your servant, and let me always be part of your transcendental Krishna consciousness movement, birth after birth.

Always aspiring for your causeless mercy,

Navyavat Krishna Das, Hare Krishna Movement Guwahati.

Omkar Krishna Dasa

*om ajnana-timirandhasya jnananjana-salakaya,

My dear Srila Prabhupada,

Please accept my humble obeisance's at the most merciful dust of your lotus feet on your 123rd appearance anniversary day. All glories to Your Divine Grace.

I bow down at your lotus feet with great awe and reverence. Please forgive my offences, and please purify me that I may sincerely and properly praise Your Divine Grace. I pray that you will be pleased by my feeble attempts at honouring Your Divine Grace on your sacred Vyāsa-pūjā day.

My senses are impure and imperfect. All I know for sure is what I have heard through disciplic succession—from Your Divine Grace, from the unedited timeless original books of yours, and from the sincere followers of Your Divine Grace at your Hare Krishna Movement society. Fool that I am, nevertheless know without a doubt that, through your life's example, through your books, through your ISKCON movement, and through your followers—in all these manifestations, Your Divine Grace is providing the only hope in this Dark Age of Quarrel, illusion, and hypocrisy.

Captivating as Śrīla Prabhupāda's spoken words are always and more inspiring is his personal example, the way you spontaneously applied those words in life.

Dear Śrīla Prabhupāda, you always wholly fixed in spiritual reality. This remains your glory. And history shows that you could wake up anyone who was fortunate enough to follow you sincerely.

I pray, please give me the ability to serve in your mission. Please help me to rectify my mistakes. The best way to honour you is to follow your instructions. Please give me the ability to follow those instructions, serve and glorify you life after life. And so I offer my loving obeisance's to you.

My humble request is that you kindly keep me engaged in your service life after life. Kindly forgive my many shortcomings and mistakes. Kindly allow me to keep the good association of your sincere followers.

Your lowly and undeserving foolish servant,

Parampara Dasa, Hare Krishna Movement Guwahati.

Premamayi Radha Devi Dasi

Dear Srila Prabhupad,

Please accept my humble obeisance's at your lotus feet. All glories to you and entire guru Parampara.

Dear Srila Prabhupad because of your mercy we have achieved the path of devotional service and able to do some sort of services provided by the temple devotees.

I am unable to express the changes in my life after joining your institution. I was good for nothing but you gave me very important service and made me well known by giving such important services of feeding the needy in many areas like hospitals, harijan colonies, under privileged areas via the program "PURE FOR CURE". The prasadam distribution program introduced by you is really mesmerizing. The one who gets prasadam are blessed souls and the one who distributes is also blessed. This is such a program which is appreciated by one and all.

Gurudev you are so kind to us and we are so fallen that we cannot even follow sincerely the path shown by you. Please forgive us and bless us.

Dear Srila Prabhupad, you are "PATITA PAVANA" the savior of the fallen. By your mercy, even a most fallen soul like me has gotten the opportunity to chant the HOLY NAME OF KRISHNA.

Dear Srila Prabhupad, you have saved me, and indeed the whole world, with the gift of Krishna Consciousness. I will forever remain grateful to you for giving me the opportunity to be part of this great movement.

Please bless this fallen soul and all of us here in Guwahati so that we will remain in Krishna Consciousness and become your surrendered agents for spreading Krishna Consciousness in this corner of the World.

Servant of your servant,

Premamayee Radha Devi Dasi, Hare Krishna Movement Guwahati.

Rajavidya Dasa

*om ajyana timirandhasya gyananjana salakaya,
cakshur unmilitam yena tasmai sri gurave namah*

My Dear Srila Prabhupāda,

Please accept my humble obeisance. All glories to you, the savior of the fallen.

Recently I had a health situation, during which I was very uncomfortable and in great difficulty. It gave me insights into the nature of my material body and my entanglement in this material world. With the help of your recorded chanting voice, your lectures played on youtube, the temple devotees counselling & Charnamrita and the efforts of Krishna Ashray devotees I was able to cross over those dreadful days. Those things are possible all due to the large family members of Krishna Conscious people created by You.

Thank you, Srila Prabhupāda, for coming into our lives. We were lost in the material forest. Even though we had the form of humans, we were living like animals. Out of your compassion you came to awaken us from the deep, dark ignorance of animalistic life, of simply eating, sleeping, mating, and defending. You taught us that the real purpose of our human form of life is to re-establish our lost loving relationship with Krishna.

We know there is no way that we can repay our debt to you, but we pray that we can keep trying. We know that your mercy is unlimited and that you appreciate even our clumsy efforts to serve you.

Srila Prabhupāda, on this auspicious anniversary of your appearance day, please allow me to beg your mercy. I'm convinced that you are personally present in your books. You yourself made statements indicating this: "I will never die. I will live forever in my books;" and "If you want to know me, read my books." The more I read your books, the closer I feel to you. I can feel the sweet, loving kindness you are bestowing upon us through your books and we thank you unlimitedly for that.

As I look back on this day, I feel myself very fortunate, because you have given us instructions for all aspects of life. Thank you for opening our eyes with the torchlight of knowledge.

Dear Srila Prabhupāda, I pray to you to bless me so that I can increase my service to you, you are the transparent medium to Krishna. Please make me fearless, just like you, and give me the intelligence to avoid asat-sanga. This is my humble prayer.

Trying to become the servant of the servant,

Raja Vidya Dasa, Hare Krishna Movement Guwahati.

Rasamayi Radha Devi Dasi

Dear Srila Prabhupad,

Please accept my humble obeisance's at your divine lotus feet. All glories to you, Srila Prabhupad. And all glories to your Hare Krishna Movement and to your dedicated disciples. What a great fortune—to have this glorious opportunity to write homage to a glorious personality like you! I am surely not qualified to do so on my own, but I may try by the mercy of your sincere disciples who have maintained your Krishna Conscious Movement after you left this planet. Please accept this offering of a child who is just learning to talk which gives joy to his mother and father. The proper articulation of words is not there, but the child eagerly wants to express his love for his loving parents, who in return smile and embrace him affectionately in reciprocation. On this divine occasion of your Vyasa Puja, my strongest prayer to you is that you please grant me the vision and the knowledge to always remain under the shelter of your sincere disciples in Hare Krishna Movement.

Please bless me to be a good devotee, not a great one.

Please bless me to be a humble and submissive devotee, not a whimsical one.

Please bless me to be a sincere devotee, not an expert one.

Kali-yuga is rapidly progressing; everything around us is degrading due to the influence of Māyā. Even the lifestyle of some devotees is now very much influenced by materialism, the demon of this age. What hope do I have to escape this influence and survive in devotional service? If you study my life, you will not find any good thing or even a little devotion to Krishna or to you. I only pray that you keep me somewhere in a corner of the Hare Krishna Movement boat and allow me to cross this ocean of illusion and miseries.

An unqualified servant of your servants,

Rasamayi Radha Devi Dasi, Hare Krishna Movement Guwahati.

Ratnamaalini Devi Dasi

Dear Srila Prabhupada,

Please accept my most humble obeisances. All glories to your lotus feet.

One more year has passed in my life with sweet struggling. In the very beginning of my Krishna consciousness you allowed me to witness your causeless mercy. That has been enough to sustain me for a whole lifetime. I do feel in every moment that your Sakti is alive in my life. Thank you for giving us the maha-mantra, Hare Krishna Hare Krishna, Krishna Krishna Hare Hare/ Hare Rama Hare Rama Rama Rama Hare Hare, the only support of my life. Thank you for explaining to us the meaning of Godhead, the position of the jiva, and helping me to find out the real purpose of this material existence. Thank you for engaging us in many festivals like Janmashtami, Gaura Purṇima, Govardhan-Puja, Ratha-yatra, Vyasa-puja, and many more. You have built a house where the whole world can chant, dance and feast under one roof. I feel proud for being under your shelter. Thank you so much for all the mercy you have bestowed upon us, in the form of your books and valuable association with your devotees. Even now people are becoming devotee just by reading your books along with association with your devotees. Finally Srila Prabhupada, you are the most merciful person I have ever known—thank you for accepting this very fallen soul as your disciple.

Your servant,

Ratna Maalini Devi Dasi, Hare Krishna Movement Guwahati.

Sarvajna Chaitanya Dasa

Jai Srila Prabhupad! Please accept my humble obeisance. All glories to you on this auspicious day of your appearance.

Jivera svarūpa haya—Kṛṣṇera nitya-dāsa'

"The actual constitutional position of every living being is that he is eternally the servant of God." (Caitanya Caritāmṛta, Madhya-līlā 20.108)

The great question of my life was how I can learn to understand who really I am? is answered only by You. The direct answer can be ascertained most quickly by accepting the scientific conclusions of the Vedic authorities. Śrīla Vyāsadeva, the original compiler of the Vedas, taught that the highest activity a person can perform is to perfect his existence by engaging himself and everything he owns in the loving devotional service of the Supreme Lord. One who can potentially relay this message of Vyāsadeva, without alteration, to less fortunate souls who are covered by the darkness of ignorance is declared by God himself to be His best servant:

na ca tasmān manusyeṣu kaścin me priya-kṛttamaḥ

bhavitā na ca me tasmād anyañ priyatara bhuvi

"There is no servant in this world more dear to Me than he, nor will there ever be one more dear." (Bhagavad-Gita 18.69)

Spiritual understanding can be properly obtained through the authorized protocol of the chain of disciplic succession, spiritual master to disciple, starting from Vyāsadeva. Vyāsadeva himself learned from the Supreme Lord Krishna. Therefore, a spiritual master in the disciplic succession is the transparent via medium, the royal road to God. You are the perfect representative of the Lord, thus you are called "Prabhupāda." Because of your confidential relationship with God you are honoured with the same worship as God.

Even though I don't have any qualifications to glorify you, I just try to show my gratitude to Your Divine Grace for saving the world by your instructions. What I have assimilated of the sublime message of Kṛṣṇa consciousness, which can only be fully appreciated by giving submissive hearing to the nectarean words emanating from your lotus mouth. It is these instructions, after all, which are most important gift to me. These instructions form the real substance of the Kṛṣṇa consciousness movement.

*tava kathāmṛtam tapta-jīvanam kavibhir īditam kalmaṣāpaham
śravaṇa-maṅgalaṁ śrīmad ātataṁ bhuvī gṛṇanti te buūridā janāḥ
(Bhagavatam 10.31.9)*

"Oh, Lord Kṛṣṇa, the nectar of your words and the descriptions of Your activities are the life and soul of those who are always aggrieved in this material world. These narrations are transmitted by exalted personalities, and they eradicate all sinful reactions. Whoever hears these narrations attains all good fortune. These narrations are broadcast all over the world and are filled with spiritual power. Those who spread the message of Godhead are certainly the most munificent welfare workers."

*kāma eṣa krodha eṣa rajo-guṇa-samudbhavaḥ
mahāsano mahā-pāpmā viddhy enam iha vairiṇam*

Prabhupad from your grace I understand that the One solution all problem is conquering the greatest enemy called Lust which is the perverted reflection of the love of God which is natural for every living entity. All glories to the life style of preaching you have given to me which gives opportunity to develop that love of Godhead by performing Devotional service to Krishna in this world itself!

*brahmārpaṇam brahma havir brahmāgnau brahmaṇā hutam
brahmaiva tena gantavyam brahma-karma-samādhinā*

Prabhupad from your institutionalised preaching mission, everything is engaged and moving towards KRISHNA and that is the very purpose of creation. Thank you for the process of Krishna consciousness you have given by which the conditioned soul can get out of the material atmosphere.

All glories to the books you have given to the world which touches all the aspect of life one can think of. All glories to Bhakti Vedanta Purports which gives opportunity to feel your convictions on KRISHNA while reading. No doubt one can find solution any problems which one facing in his life just by reading any of your books.

*yasya deve parā bhaktir yathā deve tathā gurau
tasyaite kathitā hy arthāḥ prakāśante mahātmanāḥ*

"Only unto those great souls who have implicit faith in both the Lord and the spiritual master are all the imports of Vedic knowledge automatically revealed." [ŚU 6.23].Prabhupad Its very easy for me to put faith on your existence .Now it's time for me to transfer that faith on to the Lord Krishna!

All glories to Your sadhana programme you have given in your Ashram which acts exactly like a Mirror which reflects

*my Humility while dealing with other vaishnavas

*my Restlessness of Mind while doing Gayatri mantra

*my Enthusiasm, determination while doing festival service

Also from your teaching I understand. . .

*Knowledge is the product of Bhakthi

*Endeavouring to gain knowledge without surrender to Krishna is simply waste of time

*Krishna Consciousness turns my consciousness from External to Internal

*Crisis is the best time to preach

*Nobody is innocent

*If one is not organised, one can't get the things organised

*Surrendering to Guru and Krishna is the topmost expression of one's bravery

In Srimad Bhagawad Gita Krishna clearly says after many births only someone surrenders to Him. I must convey my sincere gratitude for accepting me as your disciple and allowed me to surrender unto Lord Krishna. For me you are not less than Lord Krishna. Thanks for continuously showering the causeless mercy upon me. When I read your books, sometimes I wonder how so complicated things are explained in a very simple manner taking examples from so many scriptures.

Few years back, I cannot even think of getting up at 3Am, bathing, going to Mangala Arati and doing japa. This has been possible only by your Kripa. Prabhupad, please bless me to continue the same in my remaining life and allow me to do services in the temple even at the verge of my age. Please bless me to take inspiration from your life by understanding how you were at the verge of age has done the devotional services without deviation. Preaching across the globe and delivering the souls to Lord Krishna. Please grant me a drop of your sincerity so that I may become a small instrument in your vast preaching movement.

Your servant,

Shyamal Krishna Dasa, Hare Krishna Movement Guwahati.

Vibhawati Devi Dasi

Dearest Prabhupada.

Please accept my humble obeisance on the auspicious occasion of your birth anniversary. It is an extremely important day in the life of your disciple because on this day we get an opportunity to try and define how your association has helped us evolve as better human beings and that in bargain has helped us to preach your message thus helping the people at large. The whole process is purifying and helps one to consolidate one's faith in your divine teachings. Your teachings have resulted into an army of spiritual soldiers who in their own ways are helping the society at large, besides helping themselves.

You have given us the manual of how one should lead one's life perfectly. It is because of you that we are able to understand and read our scriptures. It is because of you that we have got the holy name. Whenever I think of how you have guided the world I cannot help but admire your genius. Your instructions are so clear and it is so evident in the activities of your devotees, especially, in case of temple devotees, who have dedicated their life for propagating your mission.

Inspired by your ideology our authorities have planned so many activities which are giving us opportunities to serve the society at large. Here I would like to mention of programs like "Pure for Cure" whereby meals are provided to underprivileged and needy section of the society, soliciting donations from the people who are well to do. It is amazing to see the multi pronged effect of the program on all the sections of the society. ICVK is one program which is reinforcing the faith of practising devotees on, one hand, and helping to spread the message of your mission, on the other hand. The Great India Talent School, which is a mammoth program, will churn out perfect human beings in times to come. When I am writing this, flood affected people are being fed with food. To top it all I would like to mention of Akshaya Patra, which is making the whole world wonder as to how such a mission can sustain itself. My head bow in wonder and reverence to you. May your glories increase by manifold with every passing day. JAI PRABHUPAD

Vijay Gopala Dasa

Most worshipable Srila Prabhupada,

It is your appearance day today, a day which is most auspicious day in the life of one who has decided to surrender oneself unto your lotus feet. Auspicious translated in Hindi means "SHUBH", now one may wonder as to how somebody's birth can be auspicious to somebody else. But applying a little intelligence will reveal that this is possible when somebody's presence in one's life is extremely important. Dwelling on this point immediately makes one realize that in your case, it is not only auspicious to somebody in particular but rather it is auspicious to humankind at large.

In order to understand this one will have to refer to scriptures wherein it is said that any living entity is exposed to four kinds of misery, BIRTH, DISEASE, OLD AGE & DEATH. In case one is able to get rid of these fourfold miseries then there is no misery which can afflict that person. Your birth has ensured that your disciple rises above these fourfold misery and is always in a state of bliss; they neither desire nor aspire for anything. That is true not only for your disciples but humankind at large because sooner or later everybody will be touched by your teachings and mercy. In Bhagawad Gita, Chapter 4 Verse 9, Krishna declares

*janma karma cha me divyam evam yo vetti tattvataḥ
tyaktvā dehaṁ punar janma naiti mām eti so 'rjuna*

My birth and action are divine. One, who knows this in essence, having given up the body, is not born again; he obtains me, O Arjuna.

Likewise your birth and activities are divine, having taken shelter of your lotus feet, one can be assured of going back home, back to Godhead KRISHNA. Your impact has been momentous, and it continues to grow year by year. In addition to establishing the ISKCON movement, writing your books, opening temples and rural communities, and traveling around the globe to teach and preach, you inspired a core of dedicated followers. Today those followers, and your own vani, are inspiring others, and the Hare Krishna movement is having an impact on the global stage. We can measure your greatness in part, by the achievements of those who follow you. Devotees heading our GBC, with whom I had a chance association in a recently concluded meet at our center, are exemplary example. They are carrying your mission forward, proving that the life, teachings, and legacy of His Divine Grace A.C. Bhaktivedanta Swami Prabhupada continue to bring positive changes in the world.

Forty years after your departure, Srila Prabhupada, your followers are increasingly inspired by your example, your mission, and your love for Lord Krishna. While most people are forgotten within forty years of their passing, your name, your legacy, your mission, and your love are only beginning to bear fruit. You, Srila Prabhupada, are a great man, a noble man, a world-changing man, and a transcendental man. You are our life. Our soul. Our guide. Our guru. Our founder-Acharya. We pledge our lives to helping the world understand you; and through you, themselves and the Supreme Personality of Godhead “Krishna”

Trying to serve your mission,

Vijay Gopala Das, Hare Krishna Movement Guwahati.

Dear Srila Prabhupada,

*om ajñāna-timirāndhsya jñānāñjana-śalākayā,
cakṣur unmīlitam yena tasmai śrī-gurave namaḥ*

Srila Prabhupada, year after year I am making humble offerings at your lotus feet but for a moment look back and check so many years passed really cannot imagine was it really possible for to chant Hare Krishna mantra so many years and engage in devotional service. For me personally it's really a great miracle, because my mind so flickering how could I am able to do Krishna Consciousness for so many years without your divine protection and the blessings it's next to impossible to practice Krishna Consciousness.

Srila Vyasadev prayed to Srila Narada Muni in Srimad Bhagavatam 1.5.7

Like the sun, Your Goodness can travel everywhere in the three worlds, and like the air you can penetrate the internal region of everyone. As such, you are as good as the all-pervasive Supersoul. Please, therefore, find out the deficiency in me, despite my being absorbed in transcendence under disciplinary regulations and vows.

Srila Prabhupada, you are such a spiritual master as good as Narada Muni who can travel everywhere in the three worlds, like air penetrate the internal region of everyone, all pervasive supersoul, please constantly guide me to be in Krishna consciousness and serve your mission to best of capacity.

In similar line Srila Suta Goswami said about Srila Sukhadev Goswami as “tam sarva-bhūta-hṛdayam” (Srimad Bhagavatam 1.2.1) means who can enter the hearts of all. Srila Prabhupada you are such a spiritual master who can enter my heart and keep bestow me to follow eternally Krishna Conscious life.

No material words sufficient enough to glorify your kindness and blessings, with my limited knowledge and understanding of Krishna Consciousness teachings. Prabhupada, please accept this humble offering.

Your humble servant,

Vijay Pandit Dasa, Hare Krishna Movement Guwahati.

Dear Srila Prabhupada,

Please accept my humble obeisance.

Hare Krishna,

When my college has conducted an orientation session, I came in contact with Hare Krishna movement. I like their principles about life. After a while, a trip is organised to Mayapur Dham. This trip plays an important role in setting of my mind set. First time in my life I take such a nice Prasad. Our day starts with Morning Prayer and ends with a wonderful

kirtan. Our temple devotees also told pastime of every place we visit. I and my all friends were surprised to see the big temple being constructed for Lord Krishna and Chaitanya Mahaprabhu. I believe that something good I have done in my past life so that I am able to visit the holy land along with the devotees. It is the grace of A C Bhaktivedanta Swami Prabhupada that we were the part of such a wonderful trip.

Yours servant,

Bhakta Abhishek Aditya (NIT Agartala), Hare Krishna Movement Guwahati.

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to you.

I am very glad and fortunate person in the material world that I am under your umbrella and I am happy and progressing in my life. Since I am not pure devotee but I am trying to become. I came in contact with your Hare Krishna Movement Guwahati through a devotee at Shillong two years ago. That time, I was in anger in almost all the time and I was also a non-Vegetarian. Now I am living comfortably and became pure vegetarian, daily practicing the chanting of Hare Krishna mantra one mala. Hence, I pray to Lord Krishna that I wish to live, with concentration, in feet of Lord Krishna. And please keep showing me the right path. Please forgive the offenses committed at your lotus feet and other devotees. Hare Krishna.

Your servant,

Bhakta Abhishek Gupta, Hare Krishna Movement Guwahati.

Jai Srila Prabhupada, Hare Krishna,

Dear Srila Prabhupada,

First of all I offer my sincere and heartfelt obeisance on this auspicious appearance day unto the lotus feet of His Divine Grace A. C. Bhaktivedanta Swami Prabhupada, founder-Acharya of worldwide Hare Krishna Movement.

Srila Prabhupada, your wealth of spiritual knowledge and devotion is source of strength and inspiration for me and all who are associated with your worldwide movement of Krishna Consciousness. You have delivered the light of Bhagavat to the whole world.

Because of your untiring efforts at a very advanced age, when most people retire, yourself in just 12 years, circled the globe 14 times thereby spreading the message of Krishna Consciousness which is the only tool for liberation of fallen soul keeping them away from the cycle of birth and death. Your vigorous schedule of travels spread this movement in almost all the countries more particularly in the western countries. Because of your guidance in spreading Harinaam and establishing this movement and strong foundation of the ISKCON which is now grown to a worldwide confederation consisting of Ashrams, Schools, Temples, Institutes and Farm Communities.

Srila Prabhupada, with your blessings and mercy, I have been able to observe Ekadashi regularly and chanting 16 rounds of Hare Krishna Maha Mantra. And I further pray your good self to bestow your mercy unto me for continuation of the same for all times to come in my life. Please give me the opportunity for your devotional services.

Srila Prabhupada, you have provided with such a wonderful opportunity to understand the philosophy and real goal of human life. Your continuous guidance and blessings will always teach us in furthering the objectives of this great movement of Krishna Consciousness with the association of temple devotees, reading your books and distribution among society.

You have faced great pains and crossed all hurdles in making this movement a grand success benefiting the fallen souls in this universe. Hare Krishna.

Your humble servant,

Bhakta Bhanwari Lal Maheswari, Hare Krishna Movement Guwahati.

Bhakta Joy Prakash Das

Srila Prabhupada,

Please accept my humble obeisance unto your lotus feet.

I was like a wandering cloud in the huge sky of existence, not having a clear destination, but just going with the flow. Though I was spiritually inclined, I was confused in the midst of enormous philosophies laid down by various schools of thought. Then I came to know about your institution which teaches the Science of God. I will forever be grateful to the friend who took me there for the first time and pray for his spiritual advancement. The amorphous thoughts in my mind slowly crystallized, leading to clear goals of life and a sense of higher purpose of human existence. By the grace of Krishna, I am now living a much more fulfilled life than before by following your instructions. My sincere gratitude to all the devotees who helps in spreading your instructions throughout the world. I am determined to help them in whatever ways I can.

It amazes me to think how in one lifetime you have done so much! 70 volumes of books to help people connect to their forgotten father - and when it happens, all other troubles are automatically taken care of. The usage of simple examples to explain deep spiritual truths is a sign of your brilliance. Without worrying about anything, you followed your Guru's advice to travel to the west and preach Harinaam, which is an example of staunch faith and obedience. Inspiring westerners to follow this Vedic civilization in the most degraded Kaliyuga which left no doubt in my mind that you have descended directly from the spiritual world.

With your blessings, I pray to Krishna to engage me in your devotional service.

Your humble servant,

Bhakta Joy Prakash Das, Hare Krishna Movement Guwahati.

Bhakta Nirmal Kumar

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to Srila Prabhupada. All glories to you on this auspicious day of your Vyasa Puja.

You are the only hope for me in this world and I know that you can only save me from this ocean of death and birth. I don't know what is good for me. Please give me strength and intellect to make a right decision.

By your grace I found the seed of love and devotion of Krishna. You are the ocean of love and devotion of Krishna. Please grant mercy on me and give some drops of that ocean so that I can grow the seed of love and devotion in my heart and engage myself in Krishna's service.

Right now I am facing some material and spiritual problem. You better know all about it. Please grant mercy on me and pull me out from this situation.

Wishing to remain forever in your service

Your sincere servant,

Bhakta Nirmal Kumar, Hare Krishna Movement Guwahati.

Bhakta Rajat Dhanotiya

My Dear Srila Prabhupada,

Please accept my humble obeisance at your divine lotus feet.

I am currently a 4th year civil engineering student. When I was preparing for IIT JEE, I read a book written by an IITian only. In that book he mentioned that "One should read Bhagawad Gita under guidance of a devotee". That was the first time when I wanted to associate with devotee for learning Bhagawad Gita. Later in my second year of engineering I came to know about Hare Krishna Movement from a devotee. Then I started attending weekly Vedic Engineering classes in which I came in contact with another devotee who teaches Bhagawad Gita verses in the weekly Vedic engineering class. It is by your grace only I came in touch with Hare Krishna movement at the 2nd year of college itself and I feel myself fortunate that I came in contact with the devotees of Lord Krishna. Then I started understanding about Krishna through your books and Bhagawad Gita As It Is. Many times I visited the temple in Guwahati where I experienced pure bliss after attending the morning 4am Mangala Arati and then 2 hour japa session and then morning Aarti followed by Srimad Bhagavatam lecture and then prasadam. It is through your teachings only I came to know that Krishna is the supreme personality of Godhead and Bhakti Yoga is the top most yoga.

Knowingly or unknowingly I may have committed my offenses. Please forgive me. Please keep your mercy so that I can serve Krishna whole my life and do not let tamo-guna overcome me. I want to be engaged in devotional service of Krishna forever.

Your humble servant,

Bhakta Rajat Dhanotiya,

Hare Krishna Movement Guwahati.

Bhakta Sanskar Agarwalla

Dear Srila Prabhupad,

On this auspicious day of your birthday, I would like to offer you my homage. Prabhupad, we are very thankful to you for what you have done to our lives. You have completely changed our lives and our way of living. From a lifestyle with no rules and discipline to a life fully organized and spiritualised. We can never pay you back for your innumerable causeless mercy which you have bestowed upon us.

But Prabhupad, even after so much of your instructions, we do not follow your orders strictly and regularly. Please Prabhupad bless us that we are able to follow it with discipline. And even after committing so many sinful activities, you still give us opportunity to serve Krishna, and I am very glad about that. Please Prabhupad, always keep us in your lotus feet and keep blessing me with more opportunities to serve you.

All Glories to Srila Prabhupad!!

Your servant

Bhakta Sanskar,

Hare Krishna Movement Guwahati.

The quotes are endless, always emphasizing that ISKCON was not an Indian movement outside of India. “So, it is imported from India, but that does not mean it is Indian. My students are all Americans; they are taking part in the chanting very nicely, chanting and dancing.” [Back to Godhead #25, 1969]

On the 123rd birth anniversary of Prabhupada, we beg you to empower us to sustain this movement as a real international society for Krishna consciousness. We beg him to empower us to fulfill the words of the pranama mantra he composed for us, in which he describes himself as the “savior of the Western countries.”

Now, it is our duty to preach/ distribute this most eternal knowledge/king of all knowledge to all over the world.

Prabhupada please accept all of our prayer, each of us in our own way, that you empower us to powerfully expand this all-important mission.

Your servant,

Bhakta Sujit Sarkar, Hare Krishna Movement Guwahati.

Bhakta Sumeet

Dear Srila Prabhupad,

Please accept my humble obeisance at the dust of your lotus feet. All glories to your divine grace on this auspicious occasion of your Vyasa Puja.

It is always very difficult for a materialistic karmi like me to glorify a pure devotee who eternally belongs to the spiritual world. In the Bhagawad Gita it is stated that mahatmas are great souls who are under the spell of the spiritual energy and their symptoms are that they are always engaged in the transcendental loving service of the lord. Unless one gets the dust of the lotus feet of such a great soul there is no chance for perfection in spiritual life. I feel myself to be one of those fortunate souls to have got in touch with you through your humble servants who have been constantly guiding me on how to mould my life as per your divine instructions and make it successful by fully surrendering unto you.

Srila Prabhupad its only you who can teach the world how to practice devotional service in this Kali Yuga, before coming in touch with your movement I had no conception of what is our relationship with God, what does the Lord expects from us and what is our real duty towards him and all the fellow living beings. As you always say that the only means of controlling this untamable mind is keeping it engaged in loving devotional service of the lord, your system of spiritual practice is the only way to be in constant remembrance of the Supreme Lord in this age of darkness. It is indeed my real misfortune that even after tasting the transcendental nectar of your divine Harinaam Sankirtana movement I still have no taste for the holy name and I am still a servant of this deceitful mind which keeps wandering from one material desire to another.

Each year on this day I am awestruck with gratitude and deep appreciation when I contemplate on the hardships you suffered and the sacrifices you made to save all we conditioned souls from the pangs of material misery. The difficult voyage that you took to America leaving the comforts of Vrindavan that too at the age when usually people retire and the love and compassion you showed to the western world is unmatched. As predicted by Srila Bhakti Vinod Thakur you are in true sense the General of Lord Chaitanya’s Sankirtana army which becomes evident when we see people chanting the holy name in all corners of the world. The marvelous Holy Dhams that you established in all corners of this globe makes one experience the wonderful mellows of Vrindavan even after being thousands of miles away. Through Ratha yatra in all parts of the globe, the street sankirtans and your transcendental book distribution your followers and disciples are distributing the loving mercy of Lord Chaitanya to both the deserving and the undeserving souls like me. Your translations and immaculate interpretations of the Holy Scriptures really prove that you are not from this world but you still live here in your divine instructions.

Srila Prabhupad I know in no sense I deserve to be your disciple but please forgive my shortcomings and bless this insignificant soul with your loving service life after life. Please protect me and my family from the heinous vaishnava aparadh and keep us in association of devotees only for its only your vaishnava's blessings and mercy that can get this fallen soul to follow the instructions of a Mahabhagwat like your Divine Grace. May your glories be spread far and wide.

Always praying for your love and mercy,

Yours humble servant,

Bhakta Sumeet.

Hare Krishna Prabhupad,

Firstly, I offer my humble obeisance unto your lotus feet. Thank you for starting ISKCON without which I wouldn't have visited ISKCON Tirupati and I wouldn't have been asked to join the dance by a devotee for a beautiful kirtan. This incident followed by once in a month classes by Hare Krishna Movement Tirupati devotees have sowed seeds in my heart for love towards kirtans and dance and get attracted towards Krishna. After little more than three years, an incident happened which has changed my course of life. I have attended Jagannath Rath Yatra of 2015 held near our college which is a starting point to a new life which I haven't envisioned at that time. I thank you immensely Prabhupada for taking me through a journey of listening to BHAGAVAD GITA, BHAGAVATAM, attending Mangala Arati, chanting, serving in ashram and in some festivals, reading your books and visiting holy dhams like Vrindavan, Mayapur, Puri and all the places in and around under the loving supervision of your disciples from Hare Krishna Movement Guwahati.

Thank You Prabhupad for providing this great Hare Krishna Movement for nurturing and kindling the spirituality in me. Once again thank you very much. Please bestow me to continue chanting Hare Krishna Maha Mantra without miss daily and follow your instructions.

Your servant,

Bhakta Vamsi Krishna, Hare Krishna Movement Guwahati.

Dear Srila Prabhupada,

Please accept my humble obeisance, all glories to your lotus feet.

On your divine appearance day, I first strive to express my unbound gratitude to your extraordinary teachings which gives life to each and every being and thank you especially for the 16 words power packed Mantra which is simply heavenly in this place which is full of material affection and desire. I am fortunate enough to get your association through your teachings and maha mantra. I am thankful to you that in this life at least I have got the opportunity to chant and to get your association. Lastly I would request you, Gurudev, kindly keep on bestowing your mercy on your servants so that this wave of material world couldn't influence us and keep us always under your shelter.

All Glories to Gurudev!!!

Yours Servant,

Bhakta Yashraj, Hare Krishna Movement Guwahati.

Bhaktin Srishti Pragjyotika

Dear Srila Prabhupada,

Please accept my most humble obeisance's at your lotus feet on this most auspicious day of your divine appearance.

Today is the celebration of your appearance within this world, and it is a time of great rejoicing. We are grateful to Lord Krishna for sending an empowered representative like your good self. I feel blessed to have your shelter for the past 5 years and hope to always be under your shelter.

Srila Prabhupada, keep guiding me, so that I don't go astray from your instructions and your divine plan. I have no doubt that you have been guiding me and will continue to guide me. My only fear is I should not miss to recognize that and be grateful to you. Let me not get covered to an extent that I start offending you and your devotees, knowingly or unknowingly.

I take this opportunity to thank you from the bottom of my heart for always guiding me. Your books and the HARE KRISHNA MAHAMANTRA are my only source of pure happiness in Bombay after shifting from Guwahati for my job which is again your mercy.

Thank You Srila Prabhupada for being our ever well wisher.

Your Servant,

Bhaktin Srishti Pragjyotika, Hare Krishna Movement Guwahati.

Dear Srila Prabhupada,

Please accept my humble obeisance.

All glories to Your Divine Grace and your Vyasa-Puja celebration.

You want us to become Krishna conscious and to love Krishna. Because of your humility, you ask us to put Krishna in the center. But we have also put you in the center, and we aspire to always be Srila Prabhupada conscious, since loving you is same as loving Krishna; loving Krishna is same as loving you.

When we have the opportunity to hear Srila Prabhupada Lila, we are so enlivened and feel very close to you. You make Krishna the center and He arranges to make you the center, though you and Sri Radha and Sri Krishna are always inseparable.

Srila Prabhupada, you actually experience how much Sri Radha and Sri Krishna love you and all living entities. You said that loving Krishna would please you the most. Help us to fully express that love.

Thank you for creating our good fortune as your disciples and bless us eternally to share that good fortune with as many souls as possible.

Thank you for being our spiritual father and eternal guide.

Your aspiring servant,

Bhaktin Anamika Sharma, Hare Krishna Movement Guwahati.

Bhaktin Krishnavi Agarwalla

Dear Prabhupada,

Please accept my humble obeisance unto your lotus feet. All glories to you.

O Prabhupada, by your mercy I have been following Krishna consciousness for the past nine years. Since I have joined this movement, I have limited my visits to restaurants and movies. Instead every Sunday I come to the temple and especially attend the Mangala Aarti.

I like doing the services after the Mangala Aarti like cleaning the Lord's photo frames, the incense stick stand, etc. I also like honouring the Prasadam very much. After practising Krishna Consciousness for so many years, we have been gifted the deities of Sri Sri Nitai Gaursundar by your Grace. I am really thankful for it.

You are very important in my life. Without your mercy, I would not have joined your movement and know the real goal of life. Now I am aware about the correct use of time and energy, that is, to serve the mission of your movement. Thank you for giving me a chance to serve Krishna. All glories to you.

Your humble servant,

Bhaktin Krishnavi Agarwalla, Hare Krishna Movement Guwahati.

Bhaktin Manjita Daimary Rabha

My dear Srila Prabhupad,

Please accept my humble obeisance's in the sacred dust of your lotus feet.

I cannot even begin to calculate how much I am indebted to you for the ocean of causeless mercy with which you have flooded this universe. This is why you are known as jagad-guru, the spiritual master of the entire universe. Even though Kali-yuga was rapidly advancing, completely obliterating all the pious qualities of this world's human beings, you appeared in this world by the grace of Lord Sri Krishna to bless suffering humanity with the return of true spiritual culture and saintly qualities. It is only by your merciful guidance that I am able to make any endeavor to pay you back for your unlimited mercy. Therefore even in my attempts to repay you I am simply becoming more and more indebted to you. This means that for all of eternity we will simply become more and more entangled in our indebtedness to you. In this material world, to be heavily in debt is certainly an anxiety-ridden position, but in spiritual life such indebtedness is the cause of our liberation. So I must thank you, Srila Prabhupad, for totally entangling me in debt to you. And thank you very much for sending Hare Krishna Movement to Guwahati, which teaches the science of Krishna consciousness strictly according to your teachings.

I offer all the flowers of the whole world on your lotus feet today.

Your indebted servant,

Bhaktin Manjita Daimary Rabha, Hare Krishna Movement Guwahati.

I offer my humble obeisance unto your lotus feet. Please shower some mercy upon this fallen soul so that it can advance in Krishna consciousness.

Dear Prabhupada, at first, I would like to thank you for giving a chance to go back to Godhead to so many fallen souls like me. As per the instruction of your Guru Maharaj, Srila Bhaktisiddhanta Saraswati Thakur, you went to the Western countries to make people realise the existence of The Supreme Personality of Godhead, Krishna. Without you, it would have been impossible for them to know about Krishna Consciousness. Even at the tender age of 70 with only rupees 40 with you, you had the courage to venture to an unknown land with unknown people around. This was really not possible for any ordinary being.

You had made a great impact on the lives of many. Whatever you say, do, gives a lesson to many young devotees like us. In schools, colleges, universities, we often get taught about the basic moral values. But little do they know that just by being in your company can one know about it all and even more. Because of your words, your instructions, we are now following the path to reach Krishna.

Prabhupada, your glories are unlimited. Thank you for changing our lives completely in a positive manner and making us God Conscious. All glories to you.

Your most fallen soul,

Dear Srila Prabhupad,

I offer my humble obeisance unto your lotus feet. Srila Prabhupad I am not even being able to express my gratitude for you. Without you I would not have any idea of Krishna Consciousness. I do not know anything. I do not have any knowledge. Therefore, please guide me all the way through Krishna Consciousness.

Srila Prabhupad you are so great. You spread Krishna Consciousness in all parts of the world. I cannot imagine what we would have been without you. Your teachings have made a great difference in our lives. You have made 108 temples all over the world; it is not that everybody can do that. Please help me so that I can do my services properly and not make any kind of mistakes. I am so fortunate to have you as my spiritual master.

Please forgive me for the every single mistake I have done. Please bless me so that I can be engaged more and more in devotional service. Please bless me so that I can chant attentively.

Thank you Srila Prabhupad for everything you have done to preach Krishna Consciousness. All glories to you.

Dearest Srila Prabhupad,

Hare Krishna!

Please accept my humble obeisance's unto your lotus feet.

I have been associated with The Hare Krishna Movement since last six years and I can see the difference and changes in my personal and spiritual life immensely. Whenever I take up a task whether big or small, I try to have a conversation with you and the other devotees in my heart and the results are always wonderful.

Due to my practice, I have seen a lot of positive changes within me and these same changes get reflected in my environment through good and favourable circumstances. I take pride in the fact that my practice and dedication to Krishna consciousness has given me a different identity in society.

I am happy to report that I am able to complete my duties of chanting 16 malas of Hare Krishna Maha mantra and observing fasts no matter where I am. I consider myself to be very fortunate to be able to work for the Pure for Cure initiative by Hare Krishna Movement. And with your blessings I hope to continue giving my best to this work with the support of my wonderful and dear fellow members.

Today I determine to be more punctual and dedicated towards Mangala Aarti and reading of the Bhagawad Gita. Please keep my loving family under your protection and please showering your blessings on them.

Thank you from the bottom of my heart. Hare Krishna!

Anantarupa Dasa

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to you on this most auspicious appearance day of yours.

Dear Srila Prabhupada, I am still in wondering state of past 9 year's journey in Krishna Consciousness practice, wondering every moment that what is the reason for showing your magnanimous mercy upon me. Thank you Srila Prabhupada; for your causeless mercy I am eternally indebted.

O Sakshadhari and most beloved of Krishna, I pray unto you to bestow me some power to serve you to the best, preach your mission to wider angles.

My dear Srila Prabhupada, I would like to take the opportunity of writing this offering to glorify your transcendental books. I couldn't able to distribute much of your books to people because of some other services assigned to me by your beloved servants at Hubballi Temple. Your books are the only saviours of the consciousness of the jivas here on this Earth. Your books, since dictated to you by Govinda directly are the only hope for deliverance for us. We all take full [complete] shelter of your books and lead in the path towards Govinda. Another wonderful aspect of your books, which all devotees have experienced is that, they guide us in Krishna Consciousness at all the necessary moments. Whenever we feel some guidance is required in Krishna Consciousness your books instantly deliver us the situational instruction and thus guide us in fulfilling your orders and correcting our faults [offenses] in chanting the holy name. Thus your books are the sole hope for us. Please bestow us the necessary intelligence to understand your books. I pray at your lotus feet to give me an opportunity to serve and worship your books life after life.

O, Ocean of mercy, I am eternally thankful to you for giving us this wonderful and everyday joy of chanting, dancing, feasting and serving. I am also thankful to you, dear Srila Prabhupada, for giving us the most beautiful way of enjoyment, the archa worship. We are thankful to you for the wonderful temple you gave us, the transcendental ideas to preach.

O, my lord, may your glories be spread all over the world, may your books show light to the whole world. May your Vani purify the whole world.

Thank you Prabhupada, thanks again for all the opportunities in Krishna Consciousness practice.

Your eternally indebted and most fallen servant,

Anantha Rupa Dasa.

Dear Srila Prabhupada

Please accept my Humble Obeisances unto your lotus feet on this auspicious day of your Vyasa Puja, with my tiny intelligence I am just trying to glorify you, but my spiritual master, if I glorify you life after life that will also not be sufficient because whatever matchless gift you have given me, can't be measurable,

Srila Vishwanatha Chakravarti Thakura says

sākṣād-dharitvenasamasta-sāstrair , uktastathābhāvyataevasadbhiḥ

kintuprabhoryaḥpriyaevatasya , vandeguroḥśrī-caraṇāravindam

The spiritual master is to be honored as much as the supreme lord because he is the most confidential servitor of the Lord.

By quoting this verse I would like to express my feelings towards you, because all shastras (scriptures) say, all Acharyas and our senior authorities say, that Guru, we should consider them as good as God and I am always seeing you as a representative of Krishna, because when I was rotting in this material world, it was you who brought me to the shelter of Krishna's temple. You're the ocean of compassion, mercy and you're always absolute in everything, whatever you did so long for me and as well as in future. As a part of your Ashram and as taking shelter of your lotus feet I feel so much proud, pleasure, fortunate. I feel I am so fortunate that I have you as my spiritual master.

I beg your mercy to keep on bestowing upon me as you always had on me. No doubt you have taken me as your own child and took care of me in all the worst situation on my spiritual paths. Still you are continuing despite of my so many offenses unto you. Really! Your mercy is unlimited on me. Despite of my so many mistakes while in your service you have forgiven me every time, this is really unparalleled. In the way of making my life successful.

I am a fallen soul in this material world and you came as the savior and picked up me at once and given all the solace and you're only the one, who can do this to me and still you're putting all the efforts on me for making me a realized soul and Krishna devotee for taking me to Back to Godhead, for that I am always indebted to you Dear Prabhupada.

And I promise you I will put all my efforts and endeavors to follow your instructions at the best of my level.

Finally with my full heart, I want to glorify you with my few lines

1. You're the savior of the whole world
2. You're my life and you're my spiritual father
3. You're my best teacher and care taker
4. You're the best among all
5. You're my object of glorification
6. You're the ocean of mercy
7. You're the transcendental Touch Stone
8. You're the source of knowledge

Thank you so much Dear Srila Prabhupada.

Please accept my token of Gratitude

Hare Krishna Prabhupada

Dear Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet.

Srila Prabhupada, you are modern day's Vedic ambassador. Your teachings are very straight-forward and bold, very truthful, proper authentication with greater dedication. Occasions like this, when one gets opportunity to glorify spiritual master is heart filling and it is very special. Your compassion for fallen souls is unlimited. Srila Prabhupada, your way of approaching things in Krishna Consciousness is amazing.

Our Spiritual master, you have shown us the potency of holy name by building huge, 108 temples within very short (10 years) time across the globe. Whole night you were busy in translating Vedic literatures for future generations to develop Krishna Prema. I feel very proud about myself to tell that I am a disciple of the greatest exponent of Vedic literatures, Acharya Srila Prabhupada.

Your vision of cultivating Krishna Consciousness still Live, because your contribution is unimaginable and mystically working in the age of quarrel and hypocrisy. Preaching Krishna Consciousness has become more lovable to me by the mercy of your followers' instructions, their own life is but example for us to follow your instructions firmly. You have convinced us that chanting of Hare Krishna Mahamantra is the Yuga Dharma.

The simplicity, humbleness and boldness of our Guru Maharaja is so greatly exhibited that whoever comes to him they get energized, convinced and willing to serve his mission of preaching God Consciousness.

I am eagerly waiting to know more about my great acharya, whenever I get little hints about his pastimes, I accept it as mercy upon me by the devotees. I feel very tiny to glorify a greatest personality. Just I conclude my offerings by saying that dear Srila Prabhupada, you are my eternal spiritual master and my humble request that kindly engage me in your service life after life.

My eternal spiritual father Dear Srila Prabhupada,

Kindly accept my humble Obeisance's and give me your blessing so that I can advance in my spiritual life.

With your causeless mercy I got the second initiation in this year. Now I started worshipping Krishna Balaram, Laxminarasimha, and Nitaigauranga.

If we want guidance, our spiritual master is there in his books, conversations and letters, read them properly you'll get proper guidance. The time I started reading your books, conversations and letters, whatever doubts in my heart it will be cleared and so much change in my consciousness. I was receiving proper guidance based on situations.

Due to my health problems I was unable to go out for preaching, kindly forgive me, recently I was blessed with few extra services and I started involving in particular services.

Please help me to chant Hare Krishna maha mantra sincerely and follow the regulative principles very strictly,

Thank you Srila Prabhupada,

For the chanting and Sankirtanas,

For the Vedic ceremonies,

For Your books,

For your conversations records,

For your recorded songs,

For your corresponding letters,

At last, for showing your causeless mercy upon me and accepting me as your eternal servant for the perfection of spiritual life.

Dear Srila Prabhupad,

Please accept my Humble Obeisance. All glories to you.

I was in the darkness of ignorance. You, with the torch of knowledge have opened my eyes. I offer my obeisance's to you.

As I was reading in the book "Mahasadhaka", the amount of hardship you have taken to spread this Krishna consciousness movement. There was no support from your family, because you were interested in spending more time in spiritual activities. You could not give more time towards your business and there was not much success in it. `

When you took sanyasa, you wanted to publish books to fulfill the desire of Srila Bhaktisiddhanta Saraswati Thakur. There was none to support you. Even when you approached Gaudiya Mutt devotees, they were not interested to publish. So you took up the whole work on your shoulders. You would collect donation for publishing the books, write the books, go to the printing press, do the proof reading, get it printed and go to Delhi and distribute the books on the streets, tolerating the scorching heat of the summer.

You then went to America, even there you had to struggle to spread this movement.

We are now reaping the benefits of the struggle you have undergone. We have a nice temple. We have the books that you have so painstakingly written. We just have to fulfill your desire of spreading this message the the people of this world.

I am very thankful to you, that you have allowed me to be your servant and have been guiding me through your books and through the authorities.

As the years are passing in Krishna consciousness, I am becoming more and more aware of the importance of our following the sadhana program which you have given for your disciples. You have stressed about attending the morning program in many of your correspondence letters. I request you to give me strength, so that, I may strictly follow the morning sadhana program.

Please continue to bestow your mercy upon this fallen soul as you have been doing these many years. I am fallen, I am unqualified, but I have the greatest fortune of having you as my spiritual master.

Your Servant,

Mathuresha Dasa.

Muralidhar Dasa

Dear Srila Prabhupada, Hare Krishna. Jai Srila Prabhupada,

Please accept my most humble dandavats at the dust of your Divine Lotus Feet. Today (16-07-19), the most auspicious occasion of Vyas poornima I write my homage to you because you are the bonafide representative of Srila Veda Vyas in the Brahma Madhva Gaudiya Sampradaya. Srila Veda Vyas wrote the Srimad Bhagavatam to make a worldwide revolution as stated in the Bhagavatam itself – (01.07.06.)

anarthoposamam saksad, bhakti – yogam adhoksaje

lokasy ajanato vidvams, cakre satvata – samhitam

“The material miseries of the living entity, which are superfluous to him, can be mitigated by the linking process of devotional service. But the mass of people do not know this and therefore the learned Vyasdeva compiled this Vedic literature, which is in relation to the Supreme Truth.”

his Bhagavatam is not just meant for a particular community or nation but for the whole world. Now Srila Prabhupada by your sincere efforts it has been broadcast and is being broadcast all over the world through your ISKCON centres. It is also predicted by Lord Chaitanya Mahaprabhu that His name would be chanted in every town and village of the globe. All this has come true to a large extent by Your Divine grace's endeavour. Once a disciple told you that Bhakti Vinod Thakur had preached all over Bengal and Orissa and your gurumaharaj Bhaktisiddanta Sarasvathi Thakur had preached all over India and you Srila Prabhupada have preached all over the world so you are greater than them, you immediately stopped walking and banging your cane to the ground you said in a grave voice that whatever I have done is simply by their mercy.

King Prataparudra of Orissa was seeking an audience with Lord Chaitanya Mahaprabhu but the Lord was unwilling to see him. Finally it was planned that the king in disguise would massage Lord Chaitanya's feet while He took rest in a park being exhausted after kirtan at the Jagannath Rath yatra, as the king was massaging the Lord's feet he was reciting the Gopi Geet from the Srimad Bhagavatam and when the Lord's favourite verse was recited –

tava katamritam tapta jivanam, kavibir iditam kalmashapaham

shravana mangalam srimad atatam, bhuvigrnanti ye bhurida janah

(10.31.9) and when Lord Chaitanya heard this He began to dance with raised hands calling out - *bhurida janah, bhurida jana*. His life's mission was to spread the tava kathamrtam all over the world and whoever does this is a *bhurida janah*. Srila Prabhupada you have done this in a most effective and in a scale unprecedented in this history of the world. All the devotees put together in ISKCON cannot do what you have single handedly done.

Kindly excuse me for the offenses committed knowing and unknowingly and bless me to continue my humble service for your satisfaction and that of all Vaishnavas.

Dasdanudas,

Muralidhara Dasa.

Muralilola Dasa

Dear Srila Prabhupada,

Please accept my humble and respectful obeisances to your lotus feet. I am highly grateful to you for accepting me under your divine shelter.

It is said that this human form of life is meant for doing self-realization, to understand that I am not this body, I am spirit soul, part and parcel of Krishna and my constitutional position is to serve him. Lord Kapiladeva is informing mother Devahuti that Lord's devotee actually becomes self realized by his causeless mercy and thus when freed from all doubts he

steadily progresses towards his destined abode, which is directly under the protection of his spiritual energy of unadulterated bliss. That is the ultimate perfectional goal of the living entity. After giving up the present material body the mystic devotee goes to that transcendental abode and never comes back.

Srila Prabhupada, we address you as Prabhupada, Prabhu means Lord Krishna Chaitanya and Pada means his merciful Lotus Feet so you're the manifested divine form of Krishna's Merciful Lotus Feet to give shelter to each and every conditioned soul to take us back to home, back to Godhead. It is through you that a living entity gets Krishna's unlimited causeless mercy to actually become fully realized to surrender unto Krishna and to become a pure devotee of him.

As you're the mercy manifestation of Krishna you have mercifully established this society as a school to do self realization, learn how to surrender unto Krishna and serve eternally to become complete self realized. You once said "*All the members of this society should always remember that the society is not like a free hotel. All the members should be very careful to execute their spiritual duties so that whoever comes will automatically become a devotee and will be able to return back to Godhead in this very life*"- SB 5.8.30 Purport

Your statement shows your concern for your disciples and for all the conditioned souls who are rotating in this universe from top to bottom in their whimsical bewildering voyage for their ultimate benefit, self realization, Krishna realization.

Self-realization ultimately means to understand the Personality of Godhead and the living entities. To know the individual self and the reciprocal exchanges of loving service between the Supreme lord and the living entities in real self realization. This can't be attained by the impersonalists or other transcendentalists; they can't understand the science of devotional service. Devotional service is revealed to the pure devotee by the unlimited causeless mercy of the lord, by bhagavadprasada. This is confirmed in Bhagavad Gita also that only those who engage in devotional service with love and faith receive the necessary intelligence from the Supreme Lord so that they can go back to him. In this age, Krishna has done this, his special favor to all living entities through you Srila Prabhupada and your books.

*māyā-mugdhajīveranāhisvataḥkṛṣṇa-jñāna
jīverekṛpāyakailākrṣṇaveda-purāṇa*

Lord Sri Krishna's causeless mercy, even though we are unqualified and average to devotional service, imperfect, he has sent you to give us the knowledge of self realization so that we can try to go back to him, back to Godhead.

Srila Prabhupada, please reveal your unlimited glories within my heart and give me unflinching faith and surrender unto your lotus feet to cross over this ocean of deep nescience and chant Hare Krishna Mahamantra at your divine shelter. All glories unto you.

Thanking You Again and Again

Your Aspiring Servant,

Murali Lola Dasa.

Hare Krishna

Jai Srila Prabhupada

My dear spiritual master Srila Prabhupada please accept my humble obeisances at your lotus feet.

Srila Prabhupada, there are millions of fallen conditioned souls in this material world, I am one of that. You're the dear most servant of Lord Krishna. Every living entity is suffering in this material world and Lord Krishna sent you to this material world to save them from sufferings of material modes of nature, four problems of birth, death, old age and disease. And you kindly came in this material world to bestow us mercy and take us back to the spiritual world, you're the kind

father of all living entities, came in this material world to give us the message of Supreme Personality of Godhead Lord Sri Krishna.

My dear spiritual father, from these millions of fallen souls, I am one among them fallen in this material world. You're the personal associate of Lord Krishna, you're always engaged in the service of Lord Krishna in Goloka Vrindavana and you're the expert in assisting the Gopis in doing Krishna Lila for Shree Shree Radha Krishna in Goloka Vrindavana. You're expert in, how to assist the Gopis and Radharani in Krishna's service in Vrindavan.

I am the most fallen soul in this material world because I make great offenses at the lotus feet of Krishna in his service. I tried to enjoy like Krishna enjoys in his abode Goloka Vrindavana and I have fallen down in this material world for becoming master or enjoy like Lord Krishna enjoys in his abode. I fell down in this material world because I have forgotten you and my relationship with Krishna that I am the eternal servant of Lord Krishna, but I am engaged in my sense enjoyment. I forgotten my real identity.

But my Dear Spiritual Father because of your kind mercy and your unconditional love and compassion to everyone, I have got chance to read your books and because of your books and your association by reading books I got the chance to understand my real identity that I am the eternal servant of God and fell down in this material world because of my desire for sense gratification.

My Dear Srila Prabhupada, I am not qualified to write about your qualities. Your mercy upon all living entities, your unconditional love to everyone, your lila and qualities are unlimited but I am trying to write about you and your qualities, pastimes with my limited senses even if I go on writing whole my life about your mercy upon all, and mercy upon me, I can't write this because I am suffering in this material modes of nature - Goodness, Passion and Ignorance.

So please accept this offering, which I have written on the occasion of your appearance day in this material world. My dear Kind Father, I am so fortunate that I got chance to come and connect to you by your books. Please accept me as your disciple, this will be the most unconditional mercy upon me from you.

Myself, Your foolish disciple, is begging your mercy so that he can serve you nicely, follow your orders, follow your instructions and practice in life and spread this message to others.

Your Servant,

Nandaprana Dasa.

Nishkinchana Gaura Dasa

Jai Srila Prabhupada

All Glories to You Srila Prabhupada

Please accept my humble obeisances,

It's my pleasure to offer my homage to you on the occasion of your appearance day. By accepting a fallen soul as your disciple you will be constantly guiding him on the path of spiritual progress. Just like Krishna sitting as Paramatma in everyone's heart you're guiding your disciples on each and every step of their life.

Those who are sincere in their heart Paramatma guides that living entity to approach a spiritual master, by following the instructions of spiritual master one attains Krishna. In initial stages of my Krishna Conscious journey I was unable to understand how Spiritual Master guides jiva. Now by your divine grace could see disciplic conclusions what Paramatma wants to communicate to jiva will be manifested through you by your instructions.

In this age of Kali, living a normal happy life is very difficult thing, majority of the population is suffering from the pangs of the material nature. But for me by your causeless mercy, paths to supreme abode are wide open even one can't imagine how fortunately I am situated now by taking your shelter following your instructions by heart.

These all things are happening [in] each and every disciples life through your causeless mercy. If you're a common man how you could do so, No, you're not a common man. All the Vedic literatures conclude that spiritual master should be accepted as good as God. He is a part of eternal pastimes of Lord Chaitanya & Krishna. I was rarely believing such instructions but now I am finding, realizing you're truly of that nature.

My belief in literature, Vaishnavas and on you, has increased to certain extent by your causeless mercy. Just like how irregular, improper stones can be carved to a nice deity, similarly by keeping me in your disciples association, allowing me to serve you by all means in your pockets of Vaikuntha. You're taking me near Krishna and Lord Chaitanya by forgiving my offenses and guiding in each and every step of breath.

As your disciple, one day I will make you proud of the whole world, fulfilling your desire is my goal of life.

Your Servant,

Nishkinchana Gaura Dasa.

Nityananda Anuja Dasa

Dearest Srila Prabhupada savior of the whole world,

Please accept my humble obeisance's in the dust of your lotus feet

May the purpose of your appearance in the world be realized by more and more fortunate souls.

I know one thing firmly that if I follow your instructions and serve your lotus feet, then my path to go back home, back to Godhead is assured. It is also necessary that one serves the pure devotee and the spiritual master. You have mentioned that a spiritual master can be served even in his physical absence. A disciple can serve him by carrying out his instructions. The execution of the instructions of the spiritual master is the mission of the disciple.

I thus again seek your blessings that, I can very nicely carry out your instructions without consideration of success and failure, honor and dishonor and pain and pleasure. Therefore I pray at your lotus feet Srila Prabhupada, please allow me to become a worthy recipient of your divine mercy and realize what you stated in your books.

Yours,

Insignificant servant of your servants,

Nityanandanuja Dasa

Pandaveya Dasa

Please accept my Humble Obeisances at your feet Srila Prabhupada,

Guru Maharaja of Srila Prabhupada ordered to write books on spiritual matter and publish in large quantity throughout the world. Practically, books are the basis of your movement. Without books, our preaching will have no effect. Many a times Srila Prabhupada said his ambition is to spread these books far and wide all over the world so that everyone shall read at least one of our books and that will change his life. If only 1% become devotees, that will change the world. This, our books distribution is most important task in our society. So he is giving so much stress and he said this is his life and soul, according to the orders of his Guru Maharaja.

Srila Prabhupada is the Jagadguru for the whole world and written about 70 books on spiritual knowledge. By reading his books I have understood who is the Supreme Personality of Godhead, i.e Krishna. All other Gods are subordinates to execute his works of maintaining this universe and living beings just like timely rains and food production, days and nights, wind for breathing, for eating and drinking, etc. Choosing a bonafide Guru is a must for achieving bhakti towards Krishna, and anyone who takes shelter of Srila Prabhupada is assured of progressing in Krishna Consciousness.

Srila Prabhupada is close associate of Krishna and blessed one. First thing is to accept a bonafide Guru otherwise there is no devotion. Ashraya means to act under the directions and supervision of the spiritual master. The disciple and spiritual master are never separated because the spiritual master always keeps company with the disciple as long as the disciple follows strictly rules and regulations of spiritual master of chanting 16 rounds, no gambling, no illicit sex, no meat eating, no tea, coffee intoxicants...

Your servant,

Pandaveya Dasa.

Raghottama Dasa

Dear Srila Prabhupada,

Please accept my Humble Obeisances at your Divine Lotus Feet, All Glories unto you Srila Prabhupada.

Like myself, hundreds and thousands of devotees from all over the world have dedicated our lives for serving the mission of Lord Chaitanya, though we may be unqualified to do it. Each one of us are practicing our spiritual lives in varieties of circumstances.

If we feel depressed, when our moods are low, we read your books, hear from you and get inspired and enthused.

When we are hungry, we go to Ashram Prasadam Hall and have stomach full of nourishing prasadam.

When we attend morning Kirtans and dance in front of the Lord, we get lot of energy.

When we feel passionate about doing something great, there are so many tasks which you have given for us to accomplish.

When we feel insecure, suppressed, our rights being encroached by others, we can take shelter of the wonderful authority structure you have created in our organisation.

When we fail in our health, there are devotees to care for us.

And the list goes on, and finally, any problem we face – be it big or small, material or spiritual, we have the most powerful Mahamantra “Hare Krishna Hare Krishna Krishna Krishna Hare Hare Hare Rama Hare Rama Rama Rama Hare Hare” to chant and be happy.

All of these and much more is being enjoyed by all of us, we devotees, with very minimum tapasya. The life of full devotional service is not very easy to achieve. But all of this has happened just because of you Srila Prabhupada. We are all the beneficiaries of the hard work and struggle which you took to write the books, construct temples, manage a worldwide organisation and so on.

Without you Srila Prabhupad, all of us would have been just rotting in the material world along with all of our contemporaries in the outside world, being tossed up and down by the waves of Maya.

It is only because of you Srila Prabhupad, that today so many devotees are able to practice Krishna Consciousness so nicely inspite of all our anarthas and shortcomings.

Thanking you again and again for all the benefits you have given us, always eager to receive your blessings, continuously wanting to be in association of you and your disciples, sincerely wanting to serve Lord Krishna, painstakingly wanting to work hard for the preaching mission of Lord Chaitanya, I would like to repeatedly offer my Humble Obeisances at your lotus feet, begging for forgiveness for the unlimited offences that I have been committing knowingly and unknowingly.

Your Fallen Servant,

Raghottama Dasa.

Ramagopala Dasa

My Dear Eternal Father,

I offer my Humble Obeisances unto your lotus feet. All glories to you.

Srila Prabhupada, you gifted me with your transcendental books. I was a crude karmi. But your transcendental vani transformed me to give up my useless fruitive activities and take shelter of you. Your purports beam with your heartfelt compassion for conditioned souls like me. In each and every of your purport, you try to convince the conditioned souls like me to give up sense gratification and enjoy bliss in the service of Krishna.

Srila Prabhupada, you gifted me with seva rasa. I can clearly understand that I do not have any qualification to serve Krishna or You. But by your mercy, Lord Krishna has been accepting my services through you. Though I do my services imperfectly with all the faults & offences, I could feel the transcendental reciprocation of Lord in each and every step of my life.

Srila Prabhupada, you gifted me with Krishna Prasada rasa. Being a big foodie, I was hankering for varieties of food stuff and I was roaming from one place to another in search of delicious food. Your association inspires me to cook & offer varieties of food stuff to Lord and simultaneously satisfies my never ending quest to enjoy delicious food.

Srila Prabhupada, you gifted me the bliss of association. I was always feeling lonely and missing something in my life, though I enjoyed all the comforts of life. The association of devotees and the consciousness that Krishna takes care of all my necessities have destroyed my feelings of loneliness. These days I do not feel like I am alone.

Srila Prabhupada, for many many millions of births I have been suffering in this material world. Because of this I have been conditioned to think and act in a certain way. Though I think rationally, and try to change, I am always forced to behave in ways your disciple is not supposed to behave. Kindly pardon me and kindly tolerate my offenses. Please keep me always under the shelter of your lotus feet.

Your unworthy son,

Ramgopal Dasa.

Shantanu Dasa

Dear Srila Prabhupada,

Let me offer my respectful and humble obeisances unto the lotus feet of His Divine Grace A.C.Bhaktivedanta Swami Srila Prabhupada, who has opened my eyes which were blinded by the darkness of ignorance with the torchlight of knowledge. He opened my darkened eyes and fills my heart with transcendental knowledge.

He is my lord birth after birth. From him ecstatic prema emanates, by him ignorance is destroyed. The Vedic scriptures sing of his character. By the mercy of the spiritual master one receives the benediction of Krishna, without the grace of the spiritual master one can't make any advancement in spirituality. Therefore I should always remember and praise the spiritual master at least three times in a day. I should offer my respectful obeisances unto the lotus feet of my spiritual master.

I am impious sinner and have caused others great anxiety and trouble and I have never hesitated to perform sinful act for my own enjoyment, devoid of all compassion, concerned only with my own selfish interests. I am remorseful seeing others happy, I am perpetual liar and the misery of others is a source of great pleasure for me. I have forgotten the way devotional service and are lost in the world of birth and death. You have brought the medicine that will wipe out the disease of illusion from which I am suffering and mercifully you have given this Mahamantra “*Hare Krishna Hare Krishna Krishna Krishna Hare Hare, Hare Rama Hare Rama Rama Hare Hare*”.

So mercifully you are distributing this Hare Krishna Mahamantra and devotional service, worshiping the deities, preaching service and so many things you're giving freely. Unto that such spiritual master my unlimited obeisances, and those who are not using this opportunity they are called, as you said in your lectures regularly as - Rascal Number One.

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet, on the auspicious occasion of appearance day of your divine grace.

The first verse that comes to my mind, whenever I think of glorifying you is the verse from Guru Vandana

śrī-guru karuṇā-sindhu, adhama janāra bandhu,

lokanātha lokera jīvana

Because it is very relevant to know how you have showered your mercy upon an unqualified jiva like me. I wish that Srila Prabhupada, as you rightly said "It will be noted down in the history that this Krishna Consciousness Movement is responsible for saving the world. Practicing Krishna Consciousness movement is the only hope for saving the world from complete disaster".

I seek your blessings so that I might be able to serve your glorious mission till the end of my life to the best of my capacity, under the guidance of your sincere disciples.

Your most fallen servant,

All Glories to Srila Prabhupada,

Kindly accept my humble obeisances to your lotus feet. You have bestowed your causeless mercy upon the unqualified and fallen souls, I am lucky enough to be one amongst them. I sincerely thank you for your causeless mercy upon me by accepting me as a member in the Krishna Consciousness movement. It is by the grace of Lord Krishna, you have started this Krishna consciousness movement. I am blessed to be active in this movement.

You went to Western countries to fulfill the desires of your spiritual master Srila Bhakti Siddhanta Saraswati Goswami Thakur Prabhupada, which You took it as a challenge to spread Krishna Consciousness all over the world, at the old age of 67, without sufficient money and man power, only with determination, traveled to New York in a cargo ship, with health problems. It was an impossible task but for your determination and mercy of Lord Krishna, you have succeeded in establishing International Society of Krishna Consciousness. You have converted Hippies to Happy devotees of Lord Krishna. Thus your holy birth has blessed the mankind with transcendental and spiritual knowledge. You are always present with us through your books, I have great pleasure in reading your books, your straightforward expressions and comments have touched my heart, which inspired me to read your books regularly, they helped me in advancing in the spiritual path. I am very much grateful to you for the huge knowledge imparted through your books to the entire world, which

has recognized and honored you as the “Jagadguru”. All other institutions are adopting your instructions and your firm opinions

I am highly impressed by your straight forward advice to your disciples, I am sincerely following your instructions strictly adopting them in my life. I am very much grateful to your mercy in giving these instructions to follow.

I sincerely surrender unto your lotus feet and accept you as my spiritual master who is blessing me with transcendental knowledge and wisdom with mercy, I am ever grateful to you Prabhupada.

Bhakta Arulraj T

Dear Srila Prabhupada,

I offer my Humble Obeisance's unto your lotus feet.

Please bestow your mercy on the fallen conditioned souls like us. Because of your mission, today we are chanting the holy name of the lord and going to temple to take darshan of the lord, seeking unto you to receive the nectar of devotional service. Today, we are engaged in your service by your disciples. From the temple, we serve the society in so many ways like book distribution, prasadam serving, performing kirtan, to get to know the regulative principles and its importance and follow up. Please consider this fallen soul to take part in preaching Lord Chaitanya Mahaprabhu's teachings to this material world.

Please bless me with your personal service, so that I should follow your instructions. Please also bless me that I shall become a servant of your servants, so that I will be fortunate enough to get out of this precarious material world.

Dear Srila Prabhupada,

Please accept my humble obeisances and all glories to you on your appearance day.

You have said that any person, irrespective of his background, caste, color, creed, nationality can attain the mercy of Krishna, just by chanting the holy name of the lord. It is by your causeless mercy that we have received the chanting of the holy name which is very important for this age of Kaliyuga for going Back to Godhead.

Your mercy is available to anyone who accepts you as his spiritual master. You're the ocean of mercy and have given us the rare gift of love of Godhead. We can't get love of Godhead by even practicing austerities and by making inquiries to someone in this material world. But you have given us the simple methods like chanting, doing devotional service, reading your books, honoring prasadam, association with devotees, etc. These are very simple methods which can be practiced by anyone in this age of Kaliyuga and becomes eligible to go Back to Godhead. Your books are the ocean of knowledge and by reading these books, one can get self-realized. The very fact that we should first learn the ABC of spirituality is I am not this body but I am a spirit soul. This is the first understanding of the spiritual quality.

I really thank you for what you have given, the rare gift to us to achieve the love of Godhead. My only wish is that, you give me the strength to propagate your movement and would like to live up to your expectations.

Your Humble Servant,

Bhakta Basavaraj Degalmaddi.

Bhakta Kiran

Hare Krishna Srila Prabhupada,

I pay my respectful obeisances to Srila Prabhupada and all Vaishnavas.

I humbly want to serve your disciples and all Vaishnavas, who have dedicated their lives for preaching Krishna's message that is to go back to Godhead by simply chanting the holy name of the lord.

I am very fortunate to associate with devotees, who taught us the ultimate goal of life which is to be the servant of Krishna who is the Supreme Person and the origin of all souls.

The books which are written by Srila Prabhupada are of full knowledge and by reading these books our consciousness gets purified. I am so fortunate to get the knowledge of Krishna and to worship him. Srila Prabhupada, you have given the way to worship the lord, by waking up early in the morning and to associate with devotees, by doing so I have no taste in other than devotees. Lord Chaitanya Mahaprabhu quoted in his teaching [Shikshastakam]

Na dhanam na janam na sundarim , kavitamvājagad-īśakāmaye

Mama janmani janmanīsvare bhavatād bhaktir ahaitukī tvayi

This is the only process to get undeviating love of the Lord which is obtained by pure devotees and Gopis. By which one can get detached from lusty desires and cross over the ocean of nescience and achieve the supreme abode which is filled with eternal pastimes of Krishna. One can be fixed in devotion only by thinking he is lower than the grass and tolerant like the tree not expecting respect from anyone but giving respect to everyone and always chant the holy name of hari,

Tṛṇād api sunīcena , taror api sahiṣṇunā , amāninā mānadena , kīrtanīyaḥ sadā hariḥ

Please accept my humble prayers to be fixed in devotion and make me servant of Krishna.

Your servant,

Bhakta Kiran.

Dear Srila Prabhupada,

All Glories to A.C Bhaktivedanta Swami Srila Prabhupada!

I am very thankful to you Srila Prabhupada from bottom the of my heart, because your teachings describe how can a person love the Lord, develop relationship with him and go back to Godhead. Your teachings stress more on the "Harinaam Sankirtan - Hare Krishna Hare Krishna Krishna Krishna Hare Hare, Hare Rama Hare Rama Rama Rama Hare Hare" which is the easiest one to practice in this kaliyuga, which wipes out all the sorrows of life. You have given the greatest knowledge through your books that is nowhere available in the world, whatever the doubts that have arised regarding the spiritual practice will easily get clarified on effective reading of your books.

You are a miraculous person in this world, who lead your entire life in reminding people about the purpose of taking their life in this material world. I came to know the purpose of my life by reading your books. Your teachings and message have helped millions of people to realize the purpose of life.

Thank You Srila Prabhupada, for giving wonderful platform for the humanity to practice the spiritual and devotional activity. Thank You Srila Prabhupada,

Your aspiring devotee,

Jai Srila Prabhupad,

praptasya kalyana-gunarnavasya , vande guroh sri-caranaravindam

The spiritual master is receiving benediction from the ocean of mercy. Just as a cloud pours water on a forest fire to extinguish it, so the spiritual master delivers the materially afflicted world by extinguishing the blazing fire of material existence. I offer my respectful obeisance's unto the lotus feet of such a spiritual master, who is an ocean of auspicious qualities.

I am very much thankful to you for showering your mercy upon me by giving me an opportunity to cultivate Krishna Consciousness. Even though I am unworthy and behaving recklessly after receiving your mercy, still you bestow your causeless mercy upon me. You are really very merciful. I am very much aware of the faults and mistakes I am doing and also have regret for them. I sincerely pray to you to help me to overcome the hurdles in the path of Krishna Consciousness.

*yasya prasada bhagavat-prasado , yasyaprasadan na gatih kuto 'pi
dhyayan stuvams tasya yashas trisandhyam , vande guroh sri-caranaravindam*

By the mercy of the spiritual master one receives the benediction of Krsna. Without the grace of the spiritual master, one cannot make any advancement. Therefore, I should always remember and praise the spiritual master. At least three times a day I should offer my respectful obeisances unto the lotus feet of my spiritual master.

By your mercy I visited Jagannath Puri with my family in December 2018. I wished for going to Jagannath Rathayatra 2019, but couldn't make it, may be due to my karma. Kindly bless me that at least next year I attend Jagannath Rathayatra at Puri.

I am chanting 16 rounds daily from past 7 years. I am slowly improving my quality of chanting rounds. I am reading your books regularly.

I am planning to get married in another 8 to 10 months. I sincerely pray to you bless me a wife who is as per my desire (you know very well) and more Krishna conscious than me and help me in practicing Krishna Conscious life.

I repeat these two verses from the book 'Stavamala' written by Srila Rupa Gosvami in front of you, kindly convey my prayer to Krishna

*dainyarnave nimagno'smi mantu-grava-bhararditah
duste karunya-parina mayi krsna krpam kuru*

Weighted down by the heavy boulder of my offenses, I am drowning in the ocean of pain. O merciful Lord Krsna, please be kind to me, a wicked, sinful man.

*adharo'py aparadhanam aviveka-hato'py aham
tvat-karunya-pratikso'smi prasida mayi madhava*

Although I am a mine of offenses, and although I cannot tell right from wrong, I still hope for Your mercy. O Lord Madhava, please be merciful to me.

Jai Prabhupad! Jai Shri Krishna!

Your servant,

Bhakta Manjunathgouda M Patil.

Bhakta Ravi S

Dear Srila Prabhupada,

Please accept my humble obeisances to your lotus feet.

It has been about 2 years since I read one of your book in my phone and even before this I had touched the Bhagavad Gita As It Is, I was 8 years old then. I had gone through the illustrative paintings and the explanations that were given below but couldn't understand the real meaning behind them. I had also seen your photo in back cover.

The next 16 years of my student life passed by going through variety of material pangs, often getting confused on what is right and wrong, running in rat race, working like a donkey hoping one day all the miseries will come to an end. But that day didn't arrive. I had given up on finding any happiness for the rest of my life. There was no remedy for my suffering and no one was able to understand my condition. People were judging me by my academic performance and they found nothing wrong in me.

After going through all these here I stand with confidence and am able to have a peek into the most sublime method of leading one's life and have an opportunity to make it successful. This is made possible by coming in contact with You Srila Prabhupada.

Your magnanimity has no limit for it can deliver wretched souls like me. You, your activities and your books are non-different. You have said that "Even if a person reads one word in my book his life will be successful." My only hope is this statement of You Prabhupada.

Despite such a perfect philosophy and a magnanimous spiritual master like you I still indulge in abominable activities. I am so foolish to not understand the importance of the human life. I have failed to practice devotional service. I am unable to surrender completely.

jnāna-karma-ṭhaga dui, more pratāriyaloi, avasēṣephelesindhu-jale

ehenosamaye, bandhu, tumikṛṣṇakṛpā-sindhu, kṛpākori' tolo more bale

"The two highway robbers, mental speculation and fruitive activity, have cheated me and misled me, and finally they are throwing me into the ocean of misery. At such a time as this, my Dear Krishna, You are the only friend, and You are the ocean of mercy and compassion. I have no strength to get out of this ocean of nescience, so I pray to your lotus feet that you will be kind and by your strength uplift me from this ocean of suffering."

Your servant of the servant, Bhakta Ravi S.

Dear Srila Prabhupada,

*om ajñāna-timirāndhasyajñānāñjana-śalākayā
cakṣur unmīlitaṁ yenatasmai śrī-gurave namaḥ*

I was born in the darkest ignorance, and my spiritual master opened my eyes with the torch of knowledge. I offer my respectful obeisances unto him.

Guru Srila Prabhupada, you started ISKCON mission for teaching what is human life, how to progress in Krishna consciousness, and how to please Krishna. Srila Prabhupada, you have provided us all types of resources to satisfy all our queries. Therefore, we should make full use of your words. We should study your words, analyse your words and at last we should learn to live your words, your divine instructions for the welfare of this world. We should not think that you are not present, because your Divine Grace is always present through your vani - your instructions. You showed us how to live as a simple devotee.

Please give your mercy to me and all devotees.

Your Servant,

Bhakta Sachin Balaraddi.

Bhakta Sachinkumar

Please accept my humble obeisance,

All glories to Srila Prabhupada.....

Before coming to Krishna Consciousness I was like an atheist and not believing in God and His existence. I was fully indulged in material enjoyment, committing sins, sense gratification, and I thought that this is my life and keep on living like this only. When I came in touch with Krishna Consciousness, I came to know that Krishna is the Supreme Personality of Godhead and we are all His servants. By reading your books and by hearing your lectures, I have stopped committing most of the sinful activities and sense enjoyment.

I know I'm not a pure devotee or servant, I have some material desires inside my heart, because from childhood we have grown in these material entanglements. I want to forget these material desires, and I wish to become a pure devotee of Lord Krishna and pure disciple of Yours, Srila Prabhupada.

We all know that human beings easily commit mistakes, easily come under illusion, have tendency to cheat others and limited by imperfect senses. So, my only wish is to have my consciousness purified. Always help me to read your books daily, to chant my 16 rounds attentively, to remember Krishna always, to always be in the association of devotees of Lord Krishna, to avoid my sense gratification and always engage me in Krishna's service.

Eternal Servant of Lord Krishna,

Bhakta Sachin Kumar.

Bhakta Sadanand Korkolle

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet.

The glories of your pastimes are sung around in this world. I, out of attachment towards the stories of material activities, have again and again been missing these opportunities to serve you in the form of hearing.

Dear Srila Prabhupada, the Glories of your Books are changing lives of millions in this world. I, out of long taste towards material subjects, have again and again been missing the opportunity to serve you in the form of Reading.

Dear Srila Prabhupada, the Glories of your Instructions are bringing more and more Krishna's Devotees in this age of Kali. I, out of my false ego, have again and again been missing the opportunity to serve you in the form of one of your qualified student.

Dear Srila Prabhupada, Your Glories are being sung around in this world and all others. I, out of perpetual ignorance due to the attachments towards this dead Material body and its subjects, have again and again missing these opportunities to serve you, even after knowing my valuable irreversible time is being wasted without service unto you.

I therefore beg upon to you my Lord and Master, please continue to shower your mercy upon me, which is the only source of energy that keeps me enthusiastic in pursuing the path of Krishna Consciousness.

Thank you Srila Prabhupada.

Your Servant,

Bhakta Sadananad Korkolle.

Bhakta Shabareesh Gupta

All glories to Srila Prabhupada!

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet. My deep gratitude for showing the right path for the fallen soul. I am unaware where my life would have been headed towards if you have not appeared before us.

You're the ambassador for showing the path to Back home, Back to Godhead, it is not possible to return your debt i.e. I am indebted to you, the only thing that I can do to you is to please you by my spiritual service as some squirrels did by dusting the mud on the body while building bridge. If you had not appeared before us I don't know how many lives I would have roamed in different forms of life without returning to our original place that is Krishna's abode. You showed us how to lead a happy life in this life and in next i.e. in Goloka.

I was ignorant about the environment around and now from your grace I can see everything with eyes of scriptures. I would have been working hard like Hog for few pieces of bread and only for sense gratification, by your grace somehow or the other we came in touch with Krishna and now developing love towards Krishna.

You showed us the way of life i.e. to lead a life of divinity, sacred, healthy, happy & austere. My only request is, keep me in Krishna Consciousness and make me your servant.

All glories to you our spiritual master Srila Prabhupada who is not selfish, because only you alone would have gone to Krishna's abode but you didn't do that, as you're so merciful that you're taking others also. Your glories can't be expressed in words and I can only be in touch with you by your instructions and doing some loving devotional service.

I beg you to shower a glimpse of your light on this fallen soul,

Your Humble Servant,

Bhakta Shabareesh.

Bhakta Shivalingesh Naik

Dear Srila Prabhupad,

Please accept my humble obeisances to your Lotus Feet...

The year 2019 is an important but very difficult year. I took lot of big risks in this year: I left my good paying job, left my family, relatives and my friends because I want to work for something bigger and no one of my people understanding me. Without any other alternatives I just came out. I have a big and valid reason to work not just maintaining my family needs...

Prabhupad, I can take any kind of risks, I can leave anyone but only one risk I never want to take is "To be away from you" from the day I first met you on February 9th, 2014 you became my destiny. I never heard about your Divine Grace before February 9th, but at first meeting, I became connected to you. I never had much friends in my entire life because I don't like the habits of my age people so I liked to be alone, always asking and blaming God, what is real friendship and who is real friend? Thank You, you have brought Krishna to me as my friend. My only request, Please keep me with your blessings and in your service always in the way you want. Help me and guide me towards "bringing everyone to Krishna". I don't know my plan will work or not but I want to take risk and go away from the philosophies, you told just to bring others towards. I am sure I can never mix with wrong people. The temple has given me everything and it's my turn to give and please you...

I don't have words to describe but all I can say is; Thank You...

As I said last year; I am like a child playing away from the home but in the evening the child again comes back to home to sleep on mother's lap, I am playing away from the home just to come back to my home with other people...

Always at your lotus feet,

Your eternal servant,

Bhakta Shivalingeshwar Naik.

Bhakta Shreekanth Hallikeri

Dear Srila Prabhupada,

Please accept my most humble obeisance at your lotus feet on this most auspicious appearance day anniversary of Your Divine Grace.

I came in touch with this Krishna Consciousness by Your causeless mercy. Since, from that day onwards my life gradually changed. This Hare Krishna Movement transformed me from animal life to human life, this movement exactly taught me, who am I? Why Did I come to this world? Where I belong to? Who is God? What is my relationship with him? What is my eternal constitutional position and my duty?

As days passed, your teachings gave me answer for all the above questions. Your life history told me that any person who surrenders to Krishna can do highest achievement in his life.

Pure devotees like you are extremely rare even among millions. It is the greatest fortune of me as well as this world, that a pure devotee like you came from the spiritual world just to deliver the fallen souls like me in fulfilment of Lord Chaitanya's mission.

Actually there is no difference between hearing directly from Krishna and hearing directly from Krishna via a bona fide spiritual master like you. The spiritual master is the representative of Vyasadeva also. Therefore, according to the Vedic system, on the birthday of the spiritual master the disciples conduct the ceremony called Vyasa-puja.

A bona fide spiritual master coming in this line of succession is considered a representative of Krishna. Dear Prabhupada you are the 32nd acharya in this disciplic succession and we observe your appearance day as Vyasa Puja. For me, being devotee in ISKCON & your servant, this is the most important festival of the year.

As the perfect acharya, you teach by your own example how a disciple should offer gratitude to his spiritual master.

With all this I request one thing to you that kindly accept me as your servant, bestow your mercy upon me, give me strength & knowledge to understand your mission, act accordingly, teach me to serve your servants.

Your Insignificant Disciple,

Bhakta Shreekant Hallikeri.

Bhakta Sunil Sajjan

All Glories to Srila Prabhupada,

Please accept my Humble Obeisances unto your Lotus Feet, on the auspicious occasion of your Divine appearance.

Dear Srila Prabhupada, thank you for everything.

At present the word Jagadguru is only applicable for You, because by your divine causeless mercy, you are transforming most sinful person into devotees of Lord Krishna, not considering his caste, greed, color, nation, background, etc. Your divine grace is distributing bhakti lata bija. There are 700+ ISKCON centers around the globe. You faced so many difficulties in your life for deliverance of the fallen conditioned souls like me, in your advanced age single handedly travelled to west to carry out the orders of your spiritual master His Divine Grace Bhakthisiddanta Saraswati Thakura Prabhupada to broadcast the message of Lord Gauranga. You started ISKCON and inspired thousands of disciples to preach message of Mahaprabhu.

As Mahaprabhu predicted that,

ṛthivīte āche yata nagarādi grāma,

sarvatra pracāra haibe mora nāma

In every town and village, the chanting of My name will be heard. Your Grace is fulfilling the desires of Mahaprabhu by building temples, distributing books & prasadam. I am the most sinful, unfortunate, unworthy person and always trying to satisfy my senses. But only by mercy of your Divine Grace I can cross this pangs of material suffering to obtain loving service of Lord Shri Krishna. This is the 5th year I am associating with your disciples and taking only advantages and not serving them.

It is confirmed in shastras that only by the mercy of spiritual master, one can get Krishna prema. Lord Shri Krishna said in Bhagavad gita that,

*tad viddhi praṇipātena , paripraśnena sevayā
upadekṣyanti te jñānaṁ , jñāninas tattva-darśinaḥ*

Just try to learn the truth by approaching a spiritual master. Inquire from him submissively and render service unto him. The self-realized souls can impart knowledge unto you because they have seen the truth. So I beg to your Lotus feet again and again to have your Divine Glance over me.

Srila Vishwanatha Chakravarti Thakura instructs us, in his Gurvastakam

yasya prasādād bhagavat-prasādo yasyāprasādān na gatiḥ kuto 'pi

By satisfaction of the spiritual master, the Supreme Personality of Godhead becomes satisfied. And by not satisfying the spiritual master, there is no chance of being promoted to Kṛiṣṇa consciousness.

So, I seek your blessings to continue in path which is directed by you and taking all opportunities for serving your disciples.
Servant of Your servants,
Bhakta Sunilkumar Sajjan.

Dear Srila Prabhupada

Please accept my humble obeisance at your lotus feet. All glories to your Divine grace.

It is my great fortune that I have come under the shelter of your lotus feet in spite of not been able to strictly adhere to your discipline standards. Your causeless mercy on this unworthy & fallen soul makes me more enthusiastic to be sincere to the cause of your great mission let me take this occasion of your Divine appearance to glorify you which is meant for my own benefit to get the mercy of pure Vaishnava & lord Krishna. Kindly accept my offering although it can never be sufficient because your glories are ultimate.

kali-katera dharma-krsna-nama sankirtana

krsnsakti vina nate tara pravartana

The fundamental religious system in the age of kali is the chanting of the holy name of Krsna. Unless empowered by Krsna one cannot propagate the Hare Krishna Movement.

Krishna has empowered you to spread the holy name, and by your causeless mercy you have chosen this fallen soul & gave the opportunity to chant Hare Krsna.

Today being present under your guidance & the association of devotees I can clearly see the age of kali and people influenced by it. It is unimaginable for me. If I was not chosen by you, for talking your shelter. Today the services & skills I am able to learn and use them for lord is only by your mercy. Please show your causeless mercy on this conditional soul and completely engage in Krsna services, undeviated and accept me as your servant life after life.

Your fallen servant,

Jai Srila Prabhupada,

All glories to srila prabhupada

Please accept my Humble obeisances

Your bold faith on Krishna did all the miracles throughout the whole world.

Your instruction to one devotee when he asked for one lifetime instruction says that “have faith in holy name and preach boldly” conveys us about your faith on Krishna and his instructions. The way you showered your mercy on fallen conditioned souls and also on the people who were very inquisitive during your physical presence in 1960's is very mystical.

The realization I had through your vani and books is as follows

As stated in Srimad Bhagavad gita 2.12

na tv evaḥam jatu nasam na tvam neme janadhipah

na caiva na bhavisyamah sarve vayam atah param

TRANSLATION

“Never was there a time when I did not exist, nor you, nor all these kings; nor in the future shall any of us cease to be”.

Means as our identity is permanent and so we will have some permanent thing to do also. And the way to get back our original position and situate there happily is very nicely explained and given to the whole world in a very easy way. Just by attentive chanting hare Krishna mantra every day we could reach our original identity. And that is like one stop solution for all the problems in the material world. Unless a child reaches the lap of mother, child will not stop crying.

One of the most important things that we have to do is spreading the teachings of Chaitanya mahaprabhu as per the desire of HIS DIVINE GRACE BHAKTIVINODH THAKUR, kindly give me strength to render services accordingly and to tolerate all the turbulence in this material world and to focus on the higher things and I beg to shower your causeless mercy to follow institutional principles and cooperate with the god brothers wherever needed. Kindly use me as a tool for spreading the most auspicious movement which you have founded i.e., HARE KRISHNA MOVEMENT

Your aspiring servant,

Balagopala Dasa.

Dear Srila Prabhupada,

All glories to your kindness upon this insignificant disciple. All glories to you on this most auspicious day of your Vyasa Puja day.

Last year Vyasapuja day, your grace I have joined the Hare Krishna Movement Hyderabad as the full-time missionary. Since then some of my realizations I would like to share with you.

I have learned the prayers to be offered to each deity in the alter, attending morning sadhana with full attention and loudness, has been an astonishing point in the day to day life.

Once I have heard “A devotee life should always be with some discomforts”. I want your glance on this quality which I would like to implement within me.

The glimpses of my previous anarthas are still visible in me and my behavior, but I have firm faith in your teachings that they will vanish soon.

The devotee’s association and their external leadership qualities (internally they are humble) has given me exposure for all-round development in all directions.

I have even started writing Diary daily, as prescribed by you for a synopsis of the entire day.

I beg your kind mercy on whatever violation I might have done past my joining ashram to forgive.

Newer perceptions and realizations have to flow to the core of my heart, which is still in the anartha stage. Such that I become more serious in my KC life.

Always aspiring to be like a lamb amid your devotees and serve you with full surrender.

Yours most trivial servant,

Bhanu Nitai Dasa.

*mukam karoti vacalam pangum langhayate girim

"I offer my respectful obeisance unto my spiritual master, the deliverer of the fallen souls. His mercy turns dumb into eloquent speakers and enables the lame to cross mountains."

Dear Srila Prabhupada,

Please accept my humble obeisance to you. This is my 2nd homage offering at your lotus feet on the auspicious occasion of 123Rd appearance day.

By your mercy, I came in touch with your devotees 3 years back. Everybody wants full of happiness and full knowledge always. But all are searching in the wrong place. The so-called happiness derived from sense enjoyment is temporary. You say "While one enjoys sense gratification, it may be that there is some feeling of happiness, but actually that so-called feeling of happiness is the ultimate enemy of the sense enjoyer (Bg.3.39 ppt)."

Before coming to your association we used to plan for so many things without any understanding of the value of human life. I may not realize fully but by your mercy, I have clarity about what should I do and whatnot. Anybody comes to you he will get the value of this human life.

You gave this nice opportunity to render little service to you. Every day you are giving so many facilities like darshan of the Lordships, prasadam, etc, out of familiarity, I may forget, please bless me to be the part of your mission and give sufficient strength to render services and to follow your instruction.

Your aspiring servant,

Bhargava Rama Dasa.

Dear Srila Prabhupada,

*om ajnana-timirandhasya jnananjana-salakaya

All Glories to You. Please accept my Humble Obeisances at your Lotus Feet.

In SB 3.31.13, the Human Soul in the womb of its mother, prays that the Lord "is perceived in the repentant Heart". In the Purport it is mentioned "At that time, Supersoul, or the relationship between the Supersoul and the individual soul, is realized" By this, it is to be understood that there is a long-long way to go.

In a Vaishnava song: "Anadi Karma Phale", Bhakti Vinod Thakur takes the position of materialistic persons and says "Hundreds and thousands of desires, like nooses around my neck, constantly give me misery and trouble. In that great ocean of nescience play the waves of materialistic tendency. In this world there are many thieves and rogues, of whom six are prominent; lust, anger, greed, illusion, and madness. They are causing me great fear, and in this way my life is coming to an end."

When we develop such a kind of repentance for not being engaged as Lord's Servant from millions of Lives, then real Spiritual Progress begins.

In SB 3.23.6, it is mentioned that Kardama Muni was pleased with Devahuti's selfless service. She even didn't care for her Health. In the next verse it is mentioned that "By your principles of devotion to your husband, you have achieved and can enjoy transcendental gifts very rarely obtained by people proud of aristocracy and material possessions." Similarly, by Serving Your Divine Mission i.e., the orders of Your Divine Grace one can achieve "The Greatest achievement of human life is to achieve the grace of the Lord, love of God" as taught by Sri Chaitanya Mahaprabhu. This is possible only when we sincerely engage in fulfilling the orders of Your Divine Grace under the guidance of Senior Devotees.

In BG 18.68 & 69, Lord Krishna "For one who explains the supreme secret to the devotees, devotional service is guaranteed, and at the end he will come back to Me. There is no servant in this world more dear to Me than he, nor will there ever be one more dear." Even Lord Chaitanya says:

bhārata bhūmite manuṣya janma haila yāra

janma sārthaka kari karo para upakāra

Srila Prabhupada, you are the Senapati Bhakta of Lord Chaitanya, you are preaching Krishna Consciousness all over the World. Kindly bless me to be engaged in your Preaching Mission life after life because it is said by Narottam Das Thakur: Yasya prasādād bhagavat-prasādo yasyāprasādān na gatiḥ kuto 'pi.

Srila Prabhupada, kindly give me the Strength and Inspiration to Advance in Krishna Consciousness and to Preach Krishna Consciousness.

Your Fallen Servant,

Dear Srila Prabhupada,

Please accept my humble obeisances

All Glories to Srila Prabhupada

You are my savior and spiritual master birth after birth

You are Jagath Guru. Your divine words, the conversation gives a unique understanding of "How this human form of life is very crucial". So that's why I offer my most humble obeisances to your lotus feet

Gurudev, by your mercy, I got this transformation in my life. You show the path from mayawadi to Krishnawadi. You show the way from material meditation to transcendental chanting. You set the habit of what to eat, honor the only prasadam, I am surprised by your concept about food affects the mind.

I used to dance and sing for material songs from my childhood but suddenly by accepting this Gauranga empowered kirtan, now I dance and sing for 'Radha Krsna only' this tremendous change credit goes to you only Gurudev...

Before coming into Krsna Consciousness I was 100% atheist, but I don't know what happened to me, by reading your book called "HARE KRSNA CHALLENGE" and "SCIENCE OF SELF REALIZATION".

I get satisfied and practical solutions for each illusion doubts and finally I got some Awareness about this birth. You give easy scientific techniques about DEVOTIONAL SERVICE.

Dear Gurudev by the mercy of you I'm trying to spread Krsna Consciousness in social media platforms by targeting lakhs of people and conducting home programs by taking of you like the inspiration of 108 temples in 10 years.

I want to build 108 temples by your causeless mercy dear Gurudev and please empower me in this mission of Sri Chaitanya Mahaprabhu.

Finally please accept this fallen soul at yours lotus feet dear guru dev.

Govinda Gopala Dasa

Dear Srila Prabhupada,

Oh, 'Karuna-Sindhu' please accept my humble obeisances at Your lotus feet.

Because of Your mercy and blessings of Your disciples, now I am here in Your movement as a full-time devotee.

All glories to Sri Sri Radha Govinda and Sri Sri Gaura Nitai.

*tasmād guruṁ prapadyeta jijñāsuḥ śreya uttamam
śābde pare ca niṣṇātām brahmaṇy upaśamāśrayam*

“Therefore, any person who seriously desires real happiness must seek a bona fide spiritual master and take shelter of him by initiation. The qualification of the bona fide guru is that he has realized the conclusions of the scriptures by deliberation and is able to convince others of these conclusions. Such great personalities, who have taken shelter of the Supreme Godhead, leaving aside all material considerations, should be understood to be bona fide spiritual masters.”

Dear Srila Prabhupada, thank you, my dear eternal spiritual father, for keeping me under your shelter in your beloved movement. This shows your mercy and compassion on a fallen conditioned and impure soul like me.

As a disciple what I am supposed to do every day was Mercyfully showered. But it pains me a lot to say that, I am keeping it as a ritual. The first and foremost duty of a disciple is to understand the spiritual Master's mind and serve him accordingly. But when I measure myself as your disciple, I failed miserably and I could not satisfy your disciples also. It is a wonderful thing how, despite it, you keep tolerating me and continue to engage me in the service of your Lotus feet.

There is verse said in Chaitanya charitāmṛta that:

*tāte kṛṣṇa bhaje, kare gurura sevana
māyā-jāla chūṭe, pāya kṛṣṇera caraṇa*

"If the conditioned soul engages in the service of the Lord and simultaneously carries out the orders of his spiritual master and serves him, he can get out of the clutches of māyā and become eligible for shelter at Krishna's lotus feet."

Śrī Chaitanya-charitāmṛta, Madhya-lilā 22.25

Srila Prabhupada, somehow or other by your mercy you have provided me everything that is required for pure devotional service - sadhu sanga and opportunity to serve Krishna is very rare - that is being provided under your shelter, but I fail to understand its true value. Please bless me to develop a value for this from the core of my heart.

Please guide me and protect me Prabhupada. Life after life also kindly Prabhupada be my eternal spiritual master.

Aspiring to be the servant of your servant,

Govinda Gopala Dasa.

Hari Charana Dasa

Dear Srila Prabhupada,

Please accept my humble obeisances.

*om ajñāna-timirāndhasya jñānānjana-śalākayā
cakṣur unmilitam yena tasmai śrī-gurave namaḥ*

I was born in the darkest ignorance, and my spiritual master opened my eyes with the torch of knowledge. I offer my respectful obeisance unto him.

It is the duty to glorify every day and every moment. But today I got the opportunity to glorify Your Divine Grace. Without even asking for help Your Divine Grace saved me from the ocean of nescience. You made my life fortune, otherwise which was supposed to be wretched. You demonstrated our goal and purpose of life by your example.

It is the duty of the disciple to execute all services unto the spiritual master, despite all kinds of difficulties. Please forgive me Prabhupada, for my inability, to attend Sadhana for quite a long time owing to my ill-health. I beg pardon at your lotus feet, and please give me spiritual strength.

Dear Prabhupada!

Your causeless mercy is limitless to this hopeless,
Your Lotus feet, to me, is only the coolest shelter,
Your guidance, for me, is the only path,
Your instructions, to me, are the only directions,
Your dedication to Your spiritual master, to me, is the only inspiration
You came from Vaikuntha to deliver this ignorant

Dear Prabhupada! Your causeless mercy is limitless to this hopeless.

Please forgive me if I have committed any offense at the Lotus feet of their Lordships, the Lotus feet of Your divine Grace and the feet of all Vaishnavas.

Your insignificant servant,

Hari Charana Dasa.

Hari Medhasa Dasa

Dear Srila Prabhupada,

All glories unto your Divine Grace. Please accept my humble obeisances unto your lotus feet.

I can't even dare to think how my life would be, without coming in touch with your Divine Grace. By your causeless mercy, you've planted the seed of pure devotional service in my heart.

I'm sure, by strictly following your instructions, the seed of pure devotional service will grow healthily and by piercing the material world, will finally reach the eternal abode of Lord Krishna i.e Goloka Vrindavana.

Last one year, I committed so many offenses unto vaishnavas, faced difficulties in overcoming anarthas & past habits. But, I have realized that becoming a pure devotee is as difficult as implementing your instructions to become a pure devotee.

For the last one year, I faced difficulties in implementing one such instruction strictly i.e, writing articles on Krishna daily.

"If you sit down and write some article on Krsna, that means you have to concentrate on Krsna's activities or Krsna's devotees' activities, and that very process will purify your heart" (Lecture on SB 6.2.12-14 -- Allahabad, January 17, 1971, at Kumbh-Mela)

"Transcendental writing one must be an authorized Vaisnava and should write to purify oneself, not for credit. It may or may not be published, but one who is actually sincere in writing, all his ambitions will be fulfilled." (Letter, 14 October 1973, Bombay)

You say "all your ambitions will be fulfilled". I was excited. My ambition was pure devotional service. I thought writing articles everyday would be easy. But, I was baffled by indiscipline, laziness, postponement. I could write only 41 articles for 365 days.

But, one take from this writing experience is, during Sadhana, I was more attentive. I was attentive to pick a point from Mangal Arati quotes, translations of daily prayers, daily Namamrita quotes, SB class, reading your books & would later try to build that point in an article by the end of the day. Even throughout the day, whenever I get a gap in regular service or traveling, I used to think about the article, on building the context, selecting the right words, framing attractive headlines, etc. My time waste was reduced to a certain extent.

Maybe this is how one can reach to a level of 'Always think of Krishna & Never forget Krishna', the ultimate instruction in Krishna Consciousness.

From this year, I'll at least double the count of articles. I'll try to write to serve your instruction & that is the only way for the purification of myself.

Please give me the strength to serve your instructions & continue in your mission eternally.

Your fallen servant,

Hari Medhasa Dasa.

Dear beloved Srila Prabhupada,

Please accept my humble obeisance at your Lotus feet.

All glories to your divine grace.

Thank you for coming to this world to save us in spite of the reminders, difficulties & obstacles which you had to face alone depending slowly on the mercy of the supreme Lord Krishna & your eternal spiritual master Srila Bhaktisiddhanta Sarasvati Thakura.

I am amongst the most fallen of living entities and writing an offering to you is always such a difficult endeavour. Although I have no qualifications, today I come before you with a humble prayer in my heart. Please help us to heal the rifts between us to come together as a family once again at your Lotus feet. There is so much service to be done in executing your blessed mission of delivering the conditioned souls in this world & therefore we need to work together in a spirit of love &

cooperation to be truly effective in the way that you desired. But without your blessings it will not come to pass. So, I humbly pray at your Lotus feet that you, so kindly enter into our hearts & inspirers to find the ways and means of fulfilling your beautiful transcendental vision of a happy & unified world movement under your leadership & direction. Kindly help us to please you in this way.

It is so wonderful that you have given everyone an understanding of God that all can relate to regardless of whether one is Christian, Muslim or Buddhist you have simply promoted the love of God.

There are so many ways in which I can glorify you.

Chanting the holy name and dancing

Performing devotional service for the pleasure of Lord Krishna and his devotees

Preparing nice food stuff for the lord and honouring them

But most of all, you are glorious for your books in which you have revealed the whole spiritual world.

Everyday I approach you for Instruction by reading your books.

By your past teachings, I can understand that the perfection of my life is to be cent percent engaged in the service of the absolute truth, Lord Sri Krishna, the supreme personality of godhead.

You brought us the truth, Lord Caitanya Mahaprabhu's mercy & the words of Sri Krishna. You always reside in our hearts.

Thank you for your causeless mercy & unlimited Grace & your compassionate love.

I too wish to serve you with purity, love & devotion. You are Jagad-guru, the universal spiritual master and we bow down before you

In gratitude In love and In thanks.

All glories to your Divine Grace on your special day !!!

I was born in the darkest ignorance, and my spiritual master opened my eyes with the torch of knowledge. I offer my respectful obeisance unto him. The duty of a disciple is to spread the glories of his Spiritual Master,

Because of your Divine Grace I am able to chant the Holy name even in my dream, It so happened that in my dream someone is troubling me and pressing me to ground with their legs, I was trying to come out of the trouble, but I am unable to, I tried getting out of it for some time and then I thought I cannot save myself, only the Holy name can save me. Then I started chanting "Hare Krishna Hare Krishna Krishna Krishna Hare Hare Hare Rama Hare Rama Rama Rama Hare Hare" Mahamantra for few times, suddenly I got up and saw I am in bed. So I thought you gave me remembrance at that time.

Your lotus feet are the only shelter for me.

A small particle of dust from the lotus-feet of my guru can save the crores of people like me. There is no such learning in this world, no such sound reasoning in all the fourteen worlds, in no man-gods, that can weigh more than a solitary particle of the dust of the lotus-feet of my guru.

Words which emanate from the lotus mouth is nectar to my ears

The words emanating from the lotus mouth of Spiritual Master are as good as Vedas and it is medicine for material disease (Bhava Roga). People in this world (including me) will think to solve minor diseases like fever, headache and other diseases that occur because of the imbalance of mucus, bile, and air. But no one is interested to solve the major problems of life, birth and death cycle.

All scriptures say this material world is full of miseries and temporary. But all of us want to settle in this material world permanently. Just simply by hearing with faith in the word which is emanating from your lotus mouth, the whole world can be delivered from the cycle of birth and death and can go back home back to Godhead.

In conclusion, When will my mind allow me to surrender at your lotus feet, when will transcendental knowledge reveal in my heart.

Your Fallen Servent,

Krishna Prema Dasa.

Jai Srila Prabhupada ,

Danda Koti Pranamam.

All glories to Srila Prabhupada my guru kindly accept my offering to you.

My dear spiritual master two years ago we, myself and my kid connected to Krishna consciousness in a very hard period. Later after slowly we started meeting spirituality connected people, and our first meeting with Kartika Damodara, in kartikamasam vanabojanam held at Chilkur temple area, there we received your blessing to start our spiritual journey.

With all your blessings slowly started our path to attend Saturday Bhagavad gita classes and Kirtana, my gratitude to you for giving us a lot of strength to live in materialistic life.

Day after day our spiritual mentor's are supporting to know more and more about you and lord Krishna, and doing chanting, with these energies today myself and my kid is able to stand with the confidence to do possible services to lord Krishna in my life.

With all your blessings every day, our movement in materialistic life to spiritual life climbing and enjoying the joy of the spiritual life and happy living.

On this Guru Purnima day kindly shower your blessings on us to gain more strength in service of Lord Krishna, wait for more and more opportunities to do services.

My heartfelt request nobody can destroy my determination to make us away from this Krishna services, and away from the Krishna consciousness mission till our last breath with the current soul. Also would like to improve with lot of spiritual knowledge.

Also my sincere danda pranams to all your Devotees.

Sri puja Guruji,

This is by your grace through your pure Devotees, I could enter into Krishna consciousness.

Kaliyuga "prathama pada" of 108000 years from that only 5000 years and some add years passed. But so much injustice, cheating, insecure and frustration is there. Therefore everyone is immersed in the "Threefold miseries" . I was also one of them. But by Your grace through your pure Devotees I understood " Tapa-trayas" and to surpass them in Devotional services by strictly following four regulative principles, attending Mangala Arathi, chanting 16 Malas, eating only Prasadam and moving in association of Devotees listening Srimad Bhagavatam / Bhagavad-Gita daily.

This is all due to Your mercy upon this ignorant and impure fallen soul. I am very

fortunate that my wife and children are enjoying in Krishna consciousness.

Dear Srila Prabhupada

All Glories on to you!

Please accept my respectful obeisance at your Lotus feet.

As I sit and contemplate on the Journey of Krishna consciousness, and the way it is unfolding, more and more realizations of your instructions manifest.

Some of the instructions that you have given sometimes appear not easy, but as we strive and try to follow and adhere to that standard, it manifests and also realising that they are the only way to cross over the conditioned life, and no other way actually works apart from the process you have enunciated.

Chanting Hare Krishna Maha Mantra is the only solace from the onslaught of Maya. I am eternally indebted to your Divine Grace, for tolerating this useless disciple. Pls. Forgive me and bless me to engage in your Loving Devotional service eternally.

Association of devotees in your society is quite exciting and pleasing, thank you very much for such a wonderful opportunity to reform, it's quite encouraging to continue the services of distributing your transcendental books.

The opportunity to preach Krishna Consciousness and the right people we come across who are seeking, all this happens

so swiftly and dynamically, this reinforces and gives the joy of receiving your guidance. It makes all the happier as we engage in these wonderful devotional services. Thank you is a small word, to show you the gratitude.

Please bless this insignificant and unqualified servant to become serious in your devotional service.

Thanks to all the devotees, who are encouraging me to nicely progress in Krishna Consciousness!

Your unqualified aspiring servant,

Namamrutha Dasa.

Nitai Nayana Tara Dasa

My dear Srila Prabhupada,

Please accept my humble obeisances at your Lotus Feet.

All glories unto your Divine Grace.

Dear Servant of Srila Bhaktisiddhanta Saraswati Prabhupad , this is my first Vyasa Puja offering after getting initiated by your grace. It is my greatest fortune to be picked up by you from this world, where everybody is in a rat race working aimlessly for each other's sense gratification, where movie actors and sports stars are the role models, where relations are based on necessity and money, where movies and social media has become the life of a person, where parents only want their children to get a job and then get married, where woman is seen just as an object of enjoyment. You have saved me from all these sinful useless entangling complicated web of things. You are the greatest savior of my life.

O' embodiment of all the demigods, I am dumb because I don't know what to speak with whom. I am lame and ill advised by my mind. Please show mercy on me so that I can speak of krishna katha only and follow the direction shown by you.

O' Senapathi of Lord Chaitanya, It is by your mercy and with the support of your dear servant that I am able to withstand the emotional pressures when it was known at home that I joined your movement. I request your grace to cut the knot of my material affection. In a similar manner I beg your grace to intervene in more difficult situations which I may be facing.

O' magnanimous servant of Krishna, I know I am neither qualified nor I do have the intelligence to serve you. But I wish to serve you.

O' Deliverer of western world from impersonalism and voidism, let me always be in the association of Devotees and serve them without any reservations. Please give me the right attitude, humility, intelligence and strength to carry out the instructions of your servants.

O' Pure Devotee of Krishna, Please bless me to chant attentively, read your books regularly and write the realisations bestowed upon me.

Servant of your servant,

Nitai Nayana Tara Dasa.

Nitya Radha Devi Dasi

Dear Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet.

All glories to you on this auspicious appearance day of your divine grace.

Prabhupada with your causeless mercy I entered into spirituality. I am trying my best to follow your orders and to understand your teachings in Srimad Bhagavatam and your lectures. The purports are very helpful to understand the slokas which reveal the truth and helps to understand the Supreme Personality.

As I am not been to the regular classes feeling fall down, but only your teachings are making to move forward. Especially the pooja process and chanting of Hare krishna maha mantra giving peace to my mind.

Serving to Nitai Gauranga is the happiest service given by you. Festivals conducted in the temple are the best examples to know how the Lord is Beautiful and grateful and to imagine how we will be happy if we attain the Lord. Nothing can be compared or replaced by the happiness of spiritual life. I am very much thankful to you for this happy life.

On this auspicious day, I humbly request you to give more strength and intelligence to forward in spirituality and to serve your mission. Please forgive my offenses and strengthen my mind to manage the obstacles, to follow your instructions in the association of devotees. I beg you to remain me at your lotus feet.

Your servant,

Nitya Radha Devi Dasi.

Pavanasuta Dasa

My dear Spiritual Master,

Please Accept My Humble obeisances, All Glories unto you,

On this great occasion of this Vyasa Puja, I like to express my heartfelt gratitude by humbly paying my respects at your lotus feet. I am very much thankful to you for giving this Krishna conscious philosophy, I am very much in debt to you. Since, I have been in deep ignorance, about who I am and the position of Krishna, you mercifully bestowed the opportunity of Krishna Conscious life and the life of rendering the Devotional service unto the Supreme Lord Krishna. All these years of my Devotional life under your shelter in this institution, helped me in the progressive path of fully surrendering unto Krishna. The opportunity to do Sadhana, discussing your philosophy, accepting Prasadam and by practicing this Krishna Conscious life, in the association of devotees, given me a great advantage to become more mature in the understanding of Devotional life towards Krishna. I am following your instructions in the best of capacity, by executing the services assigned by the authorities and trying to please you in serving the mission.

As you say, by the satisfaction of the spiritual master, the Supreme Personality of Godhead becomes satisfied. And by not satisfying the spiritual master, there is no chance of being promoted to the plane of Krishna Consciousness. I know that it is not an easy task as it requires strong faith in your teachings and determination to execute those instructions without any deviation. I request you to please shower your mercy on this aspiring servant by giving me the required strength to perform more and more unflinching Devotional service to the supreme lord. I beg your forgiveness for the offenses I have unknowingly committed to following your instructions in the service of the Lord. I, therefore, meditate and pray for your mercy, and offer my respectful obeisances unto you. Thanking you,

Your Humble Servant,

Pavanasuta Dasa.

Dear Srila Prabhupada,

Please kindly accept my humble obeisances unto your Divine Lotus Feet

Prabhupada, out of your causeless mercy only you accepted many of the unqualified souls as your disciples and made them progress in Krishna Consciousness

I'm one of such unqualified and insignificant soul, on whom you showered mercy by initiating, in the last Balaram Jayanti (i.e., 26/08/2018), trying to improve my Consciousness by reading your books and following your instructions

Prabhupada, this year also I'm very fortunate that your Divine Grace, out of your kindness, gave me Brahmana Diksa on Balaram Jayanti (15/08/2019). By your mercy through this initiation I got the opportunity to touch the Divine Lotus like Feet of the Original Supreme Personality of Godhead, Sri Krishna. By touching the Lotus Feet of the Lord, I am hoping that my life is successful.

Prabhupada thank you for letting me stay in your shelter even though I made many mistakes in the last year. I will try my best not to do any offenses to Vaishnavas (Mainly onto your Divine Grace) and to the chanting of the holy name. For this I need your support and mercy, as you were continuously giving me through your instructions (although I didn't follow sometimes)

Your glories are never ending Srila Prabhupada, they will enlighten many fallen souls like me.

All glories to your Divine Grace

Your insignificant servant,

Prahlada Narasimha Dasa.

Punya Sloka Dasa

My dear Srila Prabhupada...!

Therefore, I should always remember and praise the spiritual master. At least three times a day I should offer my respectful obeisances unto the lotus feet of my spiritual master".

From this year what I faced some unwanted things, by your mercy I got cured from the incidence, from few days I am unable to render my service to you, so kindly give me your hand to overcome from this unwanted thing and completely to serve Guru and Krishna and to strictly follow the Sadhana

Prabhupada don't leave this soul always keep with the association of your Devotees, I try to serve the devotees with sincerely, and definitely I will preach by your mercy whenever I can, and you know what is there in my heart, I know you are so merciful to encourage me to take second initiation to completely serve the lord.

Hare Krishna,

My Dear Spiritual Father Srila Prabhupada,

Please accept my humble obeisance's unto the dust of your Lotus feet.

I sincerely thank you for allowing me to complete one more year in Krishna Consciousness. I feel so nice to tread one step ahead with every year completing. Please allow me complete year by year and complete my whole life in Krishna Consciousness

It is your causeless mercy only that I am continuing in this mission and I beg for more and more of your love, affection and mercy in all throughout my journey for without which I am sure to be swayed away by the winds of my unbridled desires, uncontrolled ambitions and undesirable emotions of my mind.

As I tread on this beautiful journey called “ Krishna Consciousness “ I am to understand how you like an expert captain deftly guide my path and help me overcome my frailties & weaknesses by dexterously engaging me, my intelligence, mind, senses, & energies in the service of Sri Krishna. I have overcome some of my longstanding weaknesses & challenges by simply doing my assigned services under the directions of your able and adept Senior devotees.

I sincerely once again thank you for considering to use me to accomplish your dreams of spreading Krishna Consciousness in Telangana & AP. Also I take this auspicious opportunity to pay my obeisances to Your sincere senior disciples Sri Madhu Pandit Prabhu, Sri Chanchalapati Prabhu & Sri Satya Gaura Chandra Prabhu for presenting us with a splendid example of how a sincere follower of Srila Prabhupada would be !

Also Srila Prabhupada, I humbly request you to please cast special attention on this most fallen soul and bestow some extra mercy without which I am sure to be flushed away by Maya.

By your blessings and guidance only we have achieved a significant milestone of inaugurating and dedicating the Swayambhu Sri Lakshmi Narasimha Swamy Temple – The First Golden Temple of Telangana for your pleasure, this has been a vindication for me that you are very much guiding us and personally taking us ahead. Also you have blessed the Telangana & AP public by feeding them sumptuously through Your Transcendental Prasadam Distribution programs. As we tend to expand & grow big, many challenges & confronting situations are coming up not only in outer life but also in my inner life, it is here I beg again for your flow of mercy to be steady so as to keep me sailing in the ship of Krishna Consciousness.

I take this opportunity and beg forgiveness for all the offenses that I have been committing towards your Lotus Feet and your beloved disciples and pray to give me spiritual strength , sincerity of purpose, determination and above all utmost faith in the instructions given by Your Divine Grace and aspire to keep writing Vyasa Puja offerings year after year till the end of my life.

Please save this fallen soul !

Lastly, Srila Prabhupada please do whatever with me but always keep me in Your Movement & Service.

Aspiring to be at the dust of your Lotus Feet,

Yours most fallen servant,

Ravi Lochana Dasa.

Sadguna Bhakta Dasa

Dear Srila Prabhupada,

I offer my respectable obeisance to you. Please bless me to progress in the spiritual life and to achieve the highest goal of human life- the love of God.

This is Sadguna Bhakta Dasa from the Hare Krishna Movement Hyderabad. By your causeless mercy through your books and lectures, I can continue my devotional services nicely.

You are like a touchstone in this modern world, whomever you touch they are becoming devotees. Whenever I hear your pastimes and glories I feel very happy and how some fortunate souls came in touch with you or this movement, it's very wonderful. This is all because of you.

By taking your remnants, one became a devotee.

By touching your lotus feet, one became a devotee.

By listening to your kirtan, some became devotees.

By following your instructions, some became devotees.

By seeing your sincerity, some became devotees.

By reading your books, some became devotees.

And this insignificant person became devotee by listening to your lectures and knowing your struggle to preach Krishna Consciousness all over the world.

One tongue is not sufficient to glorify Krishna and his pure devotees.

How one can imagine that "a person is writing transcendental literature at the midnight just by sleeping only 2 or 3 hours a day" which is not for ones personal gain but for the people who forgot about God.

"Who can translate Shrimad Bhagavatam till the final moments of his life, even during his last days ."

I am sure nobody works without profit except a Vaishnava, a pure devotee of the Lord like you.

I am feeling proud to be a disciple of such a great personality, and I can declare to the world that "he is guiding me through his instructions."

Finally, I am so glad to glorify you

Because of you here I can serve the servant of the servant of the lord, which is the best path to approach Krishna vande guroh sri-charanaravindam

Your servant,

Sadguna Bhakta dasa.

Sahadeva Sakha Dasa

Dear Srila Prabhupada,

Please accept my humble obeisances,

All Glories to Srila prabhupada.

You are the source of my inspiration. Even though I hear about you again and again, everytime I could get new understandings about your divine personality and gives unlimited inspiration. The adventure which you have taken up to execute your spiritual master's instruction is inspiring all of us. Whenever I hear your transcendental pastimes, I could

remember again and again I strongly believe that there will be no other divine personality like you, who can do such miraculously things. You are the commander in chief of Chaitanya's army and you have given many powerful brahmastra weapons to wage war against this material world which are holy name, prasadam, books, seva, sadhana, satsang these are more than enough to fight and reclaim the souls.

Even though I am not qualified, you have given me this opportunity of Krishna Consciousness and also given great responsibilities to carry out your mission forward. This fallen conditional soul begs you to give the strength also, because I am alone cannot do anything.

The preaching explosion which you have ignited in this material world, is spreading like wildfire day after day and many people are taking up Krishna consciousness. To fulfill your desire of making 10% of population conscious, we have started in Hyderabad by name yuva, where in more preachers can be created and they will preach more people in turn. We are trying to inspire and empower young devotees to preach Krishna consciousness in Hyderabad. Pls give them necessary spiritual strength, empowerment and blessings to take this program forward to all those great souls who are joining your army now.

Also I request personally for me to give the consciousness that whatever I do is just to please and no other motive. Please give strength to chant and serve you under all circumstances in the association of pure devotees. Please give strength to follow sadhana and austerities. Pls empower me to preach krishna consciousness, please give me strength to inspire more devotees to join ashram and finally give me strength to bring more people to your shelter.

Your fallen servant,

Thanks for giving me one more opportunity to glorify your wonderful lilas on this auspicious 123rd appearance day. There are no words to glorify you Prabhupada, but by the mercy of Vaishnavas I can try little on this day.

Vyasa Puja is one of the most important occasions for a disciple to glorify his spiritual master and to receive his immense blessings and inspiration for one's Krishna conscious life.

First of all, I thank you for keeping me under your shelter for these many years and providing me the energy to serve Sri Sri Radha Govinda and Sri Sri Lakshmi Narasimha with utmost capacity. Just by remembering your words and Lilas you performed, we get so much enthusiasm and spiritual energy flows within and service happens the way it has to happen.

It is said in the Shastras that without the sanction of the Lord, not even a blade of grass moves in the same way without your causeless mercy we can't progress in spiritual life.

Sometimes I remember that before I came in touch with your movement I didn't know any basics of God or guru, but after I came in touch with your movement and followed some principles, then only I came to know the fortune of being situated on the right path with right captain and moving towards the right destination. It is said that:

*brahmanda bhramite kona bhagyavan jiva,
guru-krishna-prasade paya bhakti-lata-bija*

Out of many millions of wandering living entities, one who is very fortunate gets an opportunity to associate with a bonafide spiritual master by the grace of Krishna. By the mercy of both Krishna and the spiritual master, such a person receives the seed of the creeper of devotional service. (CC M 19.151)

Please shower your mercy on this soul so that I can remain forever under your shelter and serve Sri Sri Radha Govinda with full energy. Just being under the shelter of your movement, we are immune to the effects of kali.

Just by association with your movement, I got to know a lot. As it is stated in Chaitanya charitamrita

*'sadhu-sanga', 'sadhu-sanga'—sarva-sastre kaya
lava-matra sadhu-sange sarva-siddhi haya*

The verdict of all revealed scriptures is that by even a moment's association with a pure devotee, one can attain all success.

Thank you Prabhupada for giving me this opportunity for rendering services in your Movement.

Your Unworthy Servant,

It's an occasion where we would like to express our sincere gratitude , for without your mercy , without your association , without your guidance , without your reciprocation , without your books, we would have been lost in this material world life after life with no hope for any service to supreme lord .

I am ever indebted and grateful for your causeless mercy upon this fallen soul in helping to fish me out of this material deluge and for the opportunity to associate with the devotees , who are ever merciful and have greatly helped in advancing in my spiritual practices.

Srila Prabhupada 's letter to Gurukrpa “March 30, 1971, Berkeley”

My Dear Gurukripa, (Gregg Gottfried)

Actually the mercy of the bona fide spiritual master is there equally for everyone. Just like the sun is shining equally everywhere, yet there are those who refuse to come out completely into the light. Simply if you will rigidly follow the regulative principles and chant 16 rounds of beads daily without fail and engage whole-heartedly in devotional service, your rapid advancement in Krishna Consciousness will be certain.

You inspire us at every step to advance in Krishna consciousness , by reminding us through your conversations and interactions with your disciples . My humble prayer daily is that please keep me under your shelter that I may not fall into the illusory energy of this material world and forgetfulness in serving your instructions .”

Your compassion , humility , patience are some of the transcendental qualities that have been great source of inspiration as I aspire to evolve in becoming a devotee some day with your causeless mercy .

Chanting the holy names of the lord, reading the books, which has become so much part of my life that I can't think of a day parting from it . Thank you so much Prabhupada for this invaluable contribution of yours to uplift our consciousness and to save us. With your mercy , Srimad Bhagavatam reading has been such relishing experience of my life so far .

Participation in spiritual Yatras is an enlivening experience in the devotees association , taking part in services like book marathon , culture camp , basilwoods life skills module for children has been great learning experience for me .

I am understanding and realising that chanting Hare Krishna maha mantra without any offenses, everything manifests gradually as said by yourself. My sincere and humble prayer to you daily is to bless me with strength , enthusiasm and eagerness to serve you in the association of devotees and also help me to improve my chanting quality .

I thank Hare Krishna golden temple for all the devotional service opportunities and the devotees for their association .

Your insignificant and most fallen servant,

Srila Prabhupada, Please accept my respectful obeisances unto your lotus feet on the occasion of your divine appearance day.

It's a great pleasure to remember you again and again and your timeless achievements in the service of the Supreme Lord Krishna.

Your appearance in this world is very very significant, as you taught the people the real aim of life and how to achieve that. Amidst a lot of chaos in material life and even in the spiritual life you stood with great determination to guide millions and millions of lives to the shelter of the lotus feet of Krishna. However expert a captain maybe, he can't assure his passengers for safe shore, when there is unexpected hostile weather, be it on land, sea or in the air. You are an exemplary captain who saved the conditioned souls from the most hostile weather called Maya in the form of four prohibited acts. Facing all the odds, fixing your attention on the lotus feet of your beloved Lord Krishna and holy name you have conquered the entire world and distributed Chaitanya Mahaprabhu's mercy.

You requested the members of this society to be very ideal to guide the society and give association. Now it is my duty to be very sincere to follow your instructions and please the Vaishnavas serving your mission to my best capacity. Many times you revealed how a Vaishnava Aparadha will ruin and checks one's spiritual life. You have elaborated the examples of Durvasa Muni, offenders of Haridas Takura, Daksha and many such cases. A lot to be learnt from these incidences and practice in my devotional life. All these years you are so mercifully accepting my services, although it is filled with a lot of imperfections.

What a rare opportunity is to come in contact with the pure devotee of Lord Krishna, whose only aim is to give Krishna Prema to all the suffering souls in this material world. If one is proud of this opportunity then one can easily become free from false pride.

Many times you stressed that, FINISH THIS BUSINESS IN THIS ONE LIFE. Your message is very clear, but I can achieve this, if and only if when I sincerely follow the instructions given by you and other guiding Vaishnavas.

I fully depend on your causeless mercy and beg your blessings for advancement in the spiritual life and to remain fixed in my devotional service for the pleasure of your divine grace, Lord Krishna and all the Vaishnava devotees serving your mission.

All glories and glories unto your lotus feet. *vande guro sri charanaravindam* Jai Srila Prabhupad.

Your fallen servant,

Shruthidhara Dasa.

Sridhamasakha Dasa

Dear Srila Prabhupada,

Please accept my humble obeisance,

All glories to Srila Prabhupada.

I have finished 7 years in this movement till now. But I have not learnt anything significant much so far. But because of your causeless mercy I am still in this movement and trying to render a little service. I beg for your causeless mercy on this fallen soul more and more.

After building up the new temple last year I underwent a lot of health issues. Even though my mind was not stable still because of your mercy I have survived. As long as your divine grace blessings are there I will continue my devotional services without any hindrances. Slowly I am learning to improve in my services with guidance of your disciples.

It is not easy for any conditioned soul to come to the platform of pure devotional service. But you have shown us the way to reach that. Even though that intrinsic nature is dormant in every jiva, it has been covered by Maya now. Scriptures says only by rendering service to a pure devotee like you we will be eligible to understand Supreme Lord and reach the pure devotional platform. You have mercifully come to reclaim us and given us the opportunity to render service to you.

When we read your books or listen to your lectures, I feel so happy. You have done so much for us prabhupada. But I am not able to do anything significant for you. But my only request to you is to keep me always in the association of devotees and let me render my devotional service to the best of my ability without any expectation of name, fame, etc. I beg your causeless mercy to improve my chanting quality also.

Your fallen servant,

Sridhamasakha Dasa.

Suvrata Dhruva Dasa

Dear Srila Prabhupada,

Please accept my humble obeisance onto you.

By your mercy I have got realization, this material world is horrible (*duḥkhālayam aśāśvatam*). Some bad habits pinching me, but I want to tolerate those habits please give me the strength to tolerate those habits. I want to follow Bhagavad-gita's instructions so please bless me to understand Bhagavad-gita theoretically and practically. By your mercy I am in your mission, please bless me to continue the services to the Lord and to you.

By my ignorance knowingly and unknowingly I am doing mistakes on your lotus feet but I want to rectify those mistakes. I want to do the service by enthusiasm but based on my past deeds controlling me. Please change my perception and bless me to do services by enthusiasm.

I am fortunate soul by your mercy I have got service on your lotus feet. I beg you please don't throw me away from you. I got so much knowledge from your lotus mouth, for the devotional service of the lord and knowing the lord, what else I want, this is enough to me to serve the Lord and you. Accept my humble obeisance to you.

You are my Lord birth after birth.

Janme janme prabhu sei

I am living in this world by your causeless mercy otherwise I am a poison drunkard.

If any mistakes in this letter, please pardon me, please accept my humble obeisance to you.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to you on this auspicious day of your vyasapuja.

I want to thank you for accepting me as your disciple.

You are the light house and the giant ship through which many conditioned souls like me get direction & shelter for the life in crossing this material life. Your books gave hope on entering into the spiritual world. The graph of anxiety drastically came down after association with our institution & Devotees.

With great mercy all our HKM devotees are distributing Lord 's Service to the ignorant souls like me which is your mission.

I got your special blessing also with the chance of serving your mission as an employee also where I am learning and understanding how much great risk you faced while establishing a world wide Krishna Conscious Movement. With your spiritual ability & great love towards your guru and krishna you made this unimaginable miracle of spreading devotion in the world. During my daily duties I am getting new spiritual and material knowledge how to handle things in life.

You gave us all the required things for elevating to the spiritual platform like Participating in Mangala arathi , Chanting, Sankeethans, Dancing , Knowledge through books & your discourses , Association of devotees , Weekly classes .etc.

Prabhu, But I am unable to fully utilize the great resources you have arranged to me for becoming a good Vaishnava. As directed by you , I am trying to complete my chanting rounds, Listening or reading Bhagavatam Daily , Archana & Offering bhoga to Lord Krishna & Nitai Gouranga at home .

I request you to show your mercy on me so that I will become more devotee towards you which is the only way to come out of miseries of the life. Your straight forward and life shaking words make any thinking mind to understand about life clearly as per the vedic & parampara system.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to Your Divine Grace.

When materialistic men say “Sex life is all and all & supreme enjoyable”, you said “yan maithunādi-gṛhamedhi-sukhaṁ hi tucchaṁ - it is spit and itching sensation”;

When they say “ My family, my wife and my children are all and all to me. There is no greater relations and happiness than them”, you said it is “ asat sainyaṣu - they are fallible soldiers”; When they say “ I want all good qualities like Lord Rama without a spiritual practice (Rama Rajya without Rama)” you said it is “manorathenāsati - It is simply a mental concoction and it is not possible”;

When scientists announced “Neil Armstrong landed on the moon”, you said “It is bogus and a hoax”; When bogus yogis say “I am God”, you said “You are a dog. You rascal number one”; When they say “I am Narayana, you are Narayana and all are Narayana”, you said “Kick on their face”;

Who can preach like this boldly to the atheists, scientists, materialistic persons, karmis and bogus yogis/babas? Only a bonafide Acharya like you! We can easily see the same spirit of Ramanujacharya and Madhvacharya in your teachings. You have distributed Transcendental name, form, and pastimes of Lord Krishna to each and everyone without any distinction. I remember once you were invited to give a talk on “Ahimsa” on 15th August at Delhi. At that time your divine grace said: “keeping a conditioned soul without giving Krishna Consciousness” is real himsa. Only true Acharya like you who has seen the “Truth” can give these kinds of definitions, revelations, and realizations. I can see the true feelings of a pure devotee like Bhakta Prahlada in your divine grace to uplift the demonic souls of this Kaliyuga materialistic people to the platform of pure Bhakti.

I read in Mahabharata Pandavas went towards Himalayas (Mount Sumeru) to reach parama padam. But you have established hundreds of temples to reach the same parama padam. What a great service you have rendered and are rendering and will be rendering to the suffering souls who are rotting in this material world under the three modes of material nature. Lord Vamana conquered Bali Maharaj(so-called one demon) with 3-foot steps. But you have conquered the innumerable demons with 3 astras. Krishna Katha, Krishna Kirtana and Krishna Prasadam.

You are the only cause for whatever little bit of service I am able to do, whatever little bit of feelings, my heart is producing towards Their Lordships, whatever little bit of realizations I possess, whatever little bit of knowledge I have. Without your support and compassion, it's highly impossible for me to surrender to the Lord. Under the dictation of the conditioned mind and the conditioned world, I have gone through various problems. At those painful times, I used to hear your “vande ham sri guroh song”. It's like nectar in the middle of the desert. With your divine blessings,

I could see your presence in our movement and my personal life.

I got a little bit of love towards Their Lordships Sri Sri Lakshmi Narasimha, Sri Sri Radha Govinda and Sri Sri Guara Nitai. But I couldn't love/surrender to your lotus feet comparatively. This is causing me great pain in my heart. I remember one devotee used to say “ It's easy to surrender to the Lord. But it's difficult to surrender to His servant. And it's much more difficult to surrender to the servant of a servant”. I am feeling the same. My senses, mind, intelligence and false ego are stopping me to surrender more and more.

I request on this divine appearance day to please bestow me,

Suddha Nama on my tongue

The intelligence to understand your books so that I can preach to the world

Pure devotional service to Their Lordships (You used to compare the initial stage of Bhakti with ‘Raw Mango’ and pure devotional service with ‘Ripened mango’. Sometimes I doubt whether I am mango or not)

Service attitude towards all of your disciples who are painstakingly taking your movement forward for the welfare of suffering conditioned souls.

I want to experience below realizations which were written by Narottam Das Thakur.

- 1) 'gaurāṅga' bolite habe pulaka-śārīra 'hari hari' bolite nayane ba' be nīra
- 2) āra kabe nitāi-cānder koruṅā hoibe saṁsāra-bāsanā mora kabe tuccha ha'be
- 3) viṣaya chāriyā kabe śuddha ha 'be mana kabe hāma herabo śrī-bṛndābana
- 4) rūpa-raghunātha-pade hoibe ākuti kabe hāma bujhabo se jugala-pīriti

I don't have any doubt that without your mercy I could not get any of these above things. Without which what I can preach to the common mass of people? Without preaching what is the use of " So-called dedicating (because nothing is mine to dedicate) life to your divine mission"?

I have heard so many pastimes of your Divine Grace where you had showered your mercy upon various categories of people starting from hippies, mad persons and drunkards etc... and made them First Class Vaishnavas. I request you to extend your Divine Grace upon this wretched soul so that I can render pure devotional service to all the Vaishnavas and Their Lordships Sri Sri Radha Govinda, Sri Sri Nitai Gauranga, and Sri Sri Lakshmi Narasimha and to your lotus feet. Only a touchstone can turn the iron into gold. I am waiting for your divine touch with great hope. Please forgive me either knowingly or unknowingly if I commit any offenses to the Vaishnavas and my godbrothers. Thank you very much for keeping me and bearing me in your moment for these many years and I request you to extend this till my last breath.

Your fallen servant,

Sudarshana Narasimha Dasa.

Dear Srila Prabhupada,

All glories to you. Please accept my humble obeisances unto your Lotus feet.

On this auspicious day of Vyasa Puja, I am very happy and proud to remember you as my bonafide spiritual master. You taught me how to develop Krishna consciousness and benefit the society with Harinama Sankirtana, Preaching Bhagavad-Gita, Distributing Prasadam. I feel blessed to have Guru like you for inspiring and motivating me all the time and everyday to do Loving Services for the pleasure of Lord. It's only your causeless mercy helping me to remain in the association of Devotees and for doing few Services to Lord . I always indebted to you for your kind compassion on this fallen condition soul. I am unable to practice the instructions given by you many times due to gross ignorance and family illusion. Requesting you to give strength to follow your instructions by removing the illusion and ignorance from me by giving vigorous punishment. Many times with lusty desires, ego..I am fully emotional and not in good state of mind to realise the value of Guru and Lord and Services to them. I am becoming more sinner and losing hope on this valuable human life by moving away from you. Begging you to keep me at your Lotus feet and bless me to rejuvenate the devotion and spiritual knowledge at every moment.

As you are the whole world saviour by changing thousands of foreigners with your books, Lectures, conversations, Hare Krishna Maha Mantra, "Bhagavad Gita - As It is" .. Please change my mind also to stick on to you always without driven by bodily sense gratification....

Thanking you Srila Prabhupada forever and ever for your kind direction and blessings on me...

With Humble Regards

Yours Fallen Servant, Suhrt Chaitanya Dasa.

Chakshur unmilitam yena tasmai shri-gurave namah

I was born in the darkest ignorance, and you have opened my eyes with the torch of knowledge.

I offer my respectful obeisances unto you.

Dear Srila Prabhupada, Please accept my humble obeisances unto your lotus feet.

Before coming in touch with the Krishna Consciousness, whatever I did, those activities right or wrong also I could not consider. Now I knew by your mercy, Instructions, association with your disciples. After coming in touch with Krishna consciousness, I knew how to develop my consciousness in Spiritual life, how to progress in devotional service step by step, how to deal with devotees and other living beings. Now I am trying to improve my behavior, but sometimes I miss, that time kindly remind me your instructions. Till now I am trying to attend all the temple programs by your mercy. You said that “If you want to follow Chaitanya Mahaprabhu, you must and should attend Mangala Arati, 16 rounds chanting of the Maha-Mantra and four regulative principles. By your instruction, we are obedient to our senior devotees and others. And one more thing you said that “you should satisfy the senses of the Supreme Lord, not serve to Maya”. Whatever you said in your books, every word is very precious and auspicious, very powerful and energetic to follow the bhakti process. Even though, strictly I cannot follow your instructions because of material problems (parents issue, health issues... etc). Please remove my lust, anger, greed, illusion, false ego. Your disciples are very sincere and serious in devotional service. Nicely, they are guiding me in every step.

By your mercy, I got Brahmana Diksha and directly serving (Decorating, offering... etc) the lord.

By your mercy, I am doing Narasimha Homa and entering into altars.

By your mercy, my parents also agreed to practice Bhakti.

By your mercy, I am taking Charanamrita and honoring different varieties and lots of prasadam.

By your mercy, I take daily darshan of the beautiful form of the Lord.

By your mercy, daily I am enjoying kirtans (playing instruments, singing, dancing).

By your mercy, I got a good association (with you and your disciples)

By your mercy, I got nice facilities to practice Krishna consciousness.

By your mercy, most of the grand festivals I celebrated and fully engaged in the service of the Lord.

Kindly teach me sloka recitation and improve my knowledge.

I am not at all qualified to directly engage in the service of the Supreme Lord, by Your mercy I got that opportunity.

This Vyasa-Puja letter also I don't know how to write, because I don't know English. Srila Prabhupada please keep on guiding me throughout my whole life.

Your fallen soul,

Surottama Dasa.

Dear Srila Prabhupad!

Please Accept My humble obeisance

It's been a decade in your mission, where I'm able to render some service to the mission mainly by your Mercy of Lectures and books which you have also given to this world.

Your Divine grace always thinks how to please your spiritual master, similarly if we can think of how to gratify you, we are sure to get the success in this world.

Somehow it is causing me great pain and bothering when our God brothers leave the moment Temporarily for some genuine reason, requesting you to shower your mercy to make them re-join your mission.

We should always be confident that the kind of structure you have given to manage and to preach the glories of Lord Gauranga is simply wonderful and let's be simply grateful to you.

Trying to be your servant,

Current life of young generation is completely engrossed in sense gratification and based on your teachings I could understand that their lives are going to be frustrated and distressed. Day by day Kali's influences are enhancing like anything. Most of the population here in India also adopting the western culture and these people are also on the path of Hippies. I have strong faith on you that only your causeless mercy could save this misdirected people in this world.

Prabhupada you have given everything to preach the Cult of Sri Chaitanya Mahaprabhu but unfortunately I am not qualified to carry out. Please bless me Prabhupad so that I will be able to carry out your orders sincerely without any deviation.

Thank You Srila Prabhupada, somehow by your grace regularly I am spending some time for reading your books. Please inspire me to continue to read your transcendental books on a regular basis and also distribute this knowledge to others.

Dear Srila Prabhupada,

Please accept my humble obeisance.

Two years has passed in ashram life with the blessing of your divine grace.

I couldn't find any qualification in me but only your causeless mercy on this fallen soul.

If you could not have shown your mercy on me I am sure I could have become lowest animal in this life itself.

I don't have any qualification to be recognized as your disciple but in fact it's only burden on your shoulder. Only because of your causeless mercy you have accepted me as your disciple.

Please give me strength, ability and enthusiasm to follow your instructions to stay faithful to your authority system and to render services for mission of Lord Chaitanya.

My life is taking a new direction. Your books and teaching are the manual guide for humans to gain the absolute knowledge in Krishna Consciousness that we are feeling so closer to Lord Krishna. Your preaching has given us a new way to deal with inferior i.e Material life and we have made ourselves to lead a spiritual life. We are realizing the importance of Krishna Consciousness right from waking in the morning to going back to sleep. We are understanding the meaning of hearing and chanting "Hare Krishna Mahamantra".

Dear Srila Prabhupada,

Please accept my humble obeisances onto your Lotus Feet.

Your little servant wants to take little opportunity to give you my thanks to you to advance in Krishna Consciousness, I got in touch with the Hare Krishna Movement Hyderabad 3 years back, I have enjoyed multiple thought-provoking sessions, festival celebration, and delicious Prasadam. This is a Pure Organisation, I have ever known till now which gives the original message of Lord Krishna. Though we are very advanced in material knowledge, we are lagging behind to know ourselves. This is the place where we get to know this higher knowledge.

I am thankful to you for getting this opportunity all because of you. I have started chanting, reading Gita and your books. I have raised multiple questions in my mind and get to know the answers through this platform. I am very happy today to be in touch with the Hare Krishna Movement. Please give me your blessings to advance in Krishna Consciousness and to perform my duty without any fruitful desire.

Thanking you

I offer my most humble and respectful obeisances unto your feet. All glories and all glories and all glories to you. And especially all glories to you on this auspicious day of your Vyasa Puja.

I am really happy and sad in the same way, you showed greater mercy to the people living in this material world. I really got full of knowledge about what my real goal as a human is, it is just because of your literature. And I am sad because I have never seen your lotus feet personally, I have never ever had the opportunity to touch them. But I strongly believe that you are sure to rescue me from this material clutches because as you said, I have a strong faith that you will personally take me to

Goloka Dham, where I can see my Krishna and Radha Rani enjoying , I really beg for your mercy to make me a pure unalloyed devotee and protect me every time. And at last, I am sure I will follow each and every of your orders in the books.

Dear Srila Prabhupada.

Please accept my humble obeisance.

All glories to Srila Prabhupada. All glories to you on this auspicious day of your vyasa puja.

It has been a divine experience for me of the last 45 days that I spent at the VEDIC SCIENCE CLUB, Kandi (HYDERABAD). The spiritual experiences that I gained are immeasurable. With your grace, I have been able to find peace in this fast paced life of metropolitan city. It is because of your kind blessings that I have been able to experience spiritual ecstasy which was amiss from my life.

I pray you keep me under your protection and at the divine place of your lotus feet.

Your Servant,

Bhakta Amandeep.

Bhakta Amruth Raj

Dear Srila Prabhupada

Please accept my humble obeisances at your lotus feet. All glories to you on this day of Vyasa Puja.

Whenever I hear about your divine grace, there comes a flow of interest, the greatness of your identity, the genuineness of your teachings and the ever-existing servitor attitude. You are one of the ideal Vaisnava. One who follows your instructions can easily attain the perfection of human life.

Whenever I hear your lectures and read the Bhagavatam purports, I feel some new dimension of your thought which must be lying very deep-rooted for the Jivas to come out of the hard clutches of material existence. Only in you, the diversified and varieties of Krishna conscious activities to serve Krishna can be seen. Just by following your instructions, great service attitude, enthusiasm and utilizing each moment for developing Krishna Prema can be attained. To progress in Krishna Consciousness either intentionally or unintentionally, in the matter of spiritual growth and advancement I am making my path more difficult. The lack of intent, the lack of urgency, the lack of seriousness, the lack of initial enthusiasm when I got introduced to KC, the lack of proper exercise of my consciousness, the lack of following your basic instructions of chanting 16 rounds daily and great misuse of free will have been some of the challenging hurdles for my progress which I am trying to overcome. I have always been disrespectful to your instructions by committing mistakes and asking forgiveness. I can't come out of this situation without the mercy of lordships and your divine grace.

Presently I am reading Srimad Bhagavatam and nurturing my Sadhana to make it steady. Maya is so powerful as you say many times to be careful and away from it. The sense objects are so strong that it attracts these senses and putting me continuously in illusion. The words you deliver are so convincing to me. (Except the inconceivable to my senses). Sometimes, I am unable to convince others about Krishna Consciousness philosophy due to lack of proper depth in the subject and the dialogue delivery (what I am trying to speak). Year after year, I am trying for the slightest development of humbleness towards folk mates and devotees, but I am always struggling to develop it. By this, I feel how deep and huge

the ocean my mastering tendency is. In spite of the necessities and requirements continuously supplied by the lord this Jiva is completely weak in taking Srimad Bhagavatam teachings to advance in Krishna consciousness.

Guru, Sadhu, and Sastra are required to regularly progress in spiritual life. The institution which you have established with framed guidelines is extraordinary symptoms of your divine grace. There is a lot of purification that has to be achieved. Innumerable Sastras statements yet to be realized by this soul. Due to contact with matter and increase of material consciousness, we have been suffering life afterlife. The blazing fire of ignorance, the mesh of this material existence and the continuous sense gratification can be removed by your divine Mercy. O Srila Prabhupada! Please let this soul come out of ignorance and conditioning. I humbly request your forgiveness for the innumerable offenses that I have been knowingly and unknowingly committing at the Vaisnavas, your divine lotus feet, and the merciful Lordships.

Finally, please let this soul take the opportunity to engage his senses in this life in the mission of Lord Chaitanya to the maximum possible extent so that this Jiva may get the servant attitude towards the lord and eternally serve Him.

Your Servant,

Bhakta Amruth Raj.

Bhakta Anil Kumar Shaw

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to you. All glories to you on this auspicious day of your Vyasa Puja.

Before starting to write anything glories of Srila Prabhupada one thing I have to confess that If the sea were ink and land were paper then we will also fail to write the glories of Srila Prabhupada.

If we are smart enough to accept the truth that, guru is the only person who takes us from the dark side to the path of light where we able to know the truth of life, why we are born and what is the purpose of life.

Not even in India, he was able to glorify the name of Supreme Lord, Krishna throughout the world because of him only we are able to take knowledge of the Supreme Lord.

I always bow my head to such a personality who is not comparable to anyone who lights us through his life.

Your Servant,

Bhakta Anil Kumar Shaw.

Dear Srila Prabhupada,

offering my humble obeisance to your lotus feet, please accept my prayers unto you.....

I have been a regular visitor to the temple to Bangalore, but through a friend, I became aware of the wonderful FOLK residency. When I got a job in Hyderabad, I had no doubt whatsoever that I would be staying at the FOLK Residency in Hyderabad. It has been a very pleasant 2 months this far and each day is a new learning for me. I thoroughly enjoy the daily activities of the residency which is helping me to keep a calm mind in the face of the daily affairs of the work-life. The morning prayers and chanting of the Hare Krishna Mantra keep me motivated and I get the assurance that the Lord is there with me through your guidance.

I am striving to be a better devotee and seek your mercy so that Lord Krishna can bestow his mercy upon me.

Once again, offering my humble obeisance to your lotus feet

Your Humble Servant, Bhaktha Anirudh.

Dear Srila Prabhupada,

Please accept my humble obeisance.

All glories to Srila Prabhupada. All glories to you on this auspicious day of your vyasa puja.

It is you who has given me the taste of spiritual life. Every drop of tears that comes from my eyes during ecstasy is a witness for your mercy on this insignificant soul. The desire to touch the dust on your lotus feet after leaving this body multiplies day by day.

It was only after hearing to your lectures I realized how valuable human life is. The thought of what would happen if I avoid your lectures and your books, skips my heart beat for a moment out of fear. The feeling of joy that I enjoy whenever I listen to your lectures can't be expressed in words. Tears that roll out of my eyes alone are witness for that happiness. It is only your lectures that make me cry, laugh joyfully, feel sorry and boost up all emotions at the same time.

Imagining life without you, your books, lectures is a spine chilling hell for me. I always desire to make you happy by following your orders. Please help me and guide me in doing so, for I wish none other than that. I beg your mercy to fight the material desires that rage in my heart and guide me towards spiritual path. Please allow me to keep your name on my lips when I leave this body...

Begging to remain under the shelter of your lotus feet at all times and aspiring to be

Dear Srila Prabhupada,

Hare Krishna, Please accept my humble and respectful obeisance to your divine lotus feet.

All glories to you of your auspicious day "Vyasa Puja". I am very glad to have you and your blessings in my life. Please be with me as always and show me the right direction. I am feeling peaceful, delightful, lovable and blissful with you from the bottom of my heart. I am nothing without you. So, please forgive me for all the mistakes I have done so far and bless me with your presence in each and every moment of my life.

I am very fortunate to touch with some of your books, which is giving me a direction towards the ultimate goal of our life. You gave us a simple mantra

"HARE KRISHNA HARE KRISHNA KRISHNA KRISHNA HARE HARE

HARE RAMA HARE RAMA RAMA RAMA HARE HARE"

In this Kaliyuga to reach our final destination. We are also very fortunate to get all this spiritual knowledge by your disciples through ISKCON. They are helping to know me in the actual sense of "Who am I?", "What is the purpose of our life?" and "How can we achieve it?".

Chanting Hare Krishna Maha Mantra, reading Bhagavad-gita, having Prasadam and attending Mangal-Aarti is the way to purify us in this materialistic world. I am requesting you to please give me the strength to continue this while managing my family life as well.

Please show your mercy on me so that I can indulge towards service and magnificent knowledge.

With your blessings and taking the shelter of your lotus feet, I would like to continue my spiritual life and service to the Lord. Thank you so much, Srila Prabhupada for your appearance in my life.

Your Servant,

Dear Srila Prabhupada,

Please accept my humble obeisances on to your lotus feet.

You are the only one man, showing the right path by the help of spiritual knowledge, to go back to God's head.

In this kaliyuga, it is very difficult to do it. But you are given one of the easiest ways is NAVA VIDHA BHAKTI

Shrawanam keertanam vishnoh smaranam padsevanam |

Archanam vandanam dasyam sakhyam atmanivedanam ||

Even if it is difficult to do all 9 bhakti process, O spiritual master by simply serving your lotus feet also, the degraded soul also can travel in Goloka Brindavanam, can overcome from birth and death cycles.

Thank you, Guru Ji, on this occasion of the name of Vyasa Puja, I got the opportunity to glorify you, and feeling its equal to chanting the holy name of God.

HARE KRISHNA HARE KRISHNA KRISHNA KRISHNA HARE HARE

HARE RAMA HARE RAMA RAMA RAMA HARE HARE.

Your Servant, Bhakta Aribina Narendra, Vedic Science Club, IIT Hyderabad.

Dear Master,

All glories to the great spirit soul and dearest master his divine grace A.C. Bhaktivedanta Swami Srila Prabhupada Ji, respectful obeisances unto your lotus feet.

Your movement of ISKCON is all wonderful and joyful. Every aspect of our movement is providing easy routes to the spiritual world. Before I, coming to our movement, was thinking “spirituality means accepting God as supreme and offering prayers, prasadam, and gifts to him just to fulfill our material desires and needs, even maybe forcefully”. But when I started my journey in this movement I actually could know the real meaning of spirituality.

I understand spirituality as “loving the supreme soul and to be contacted with him, to be happy always”. Your movement of chanting lord’s names, taking prasadam, performing bhajans and attending Arathi is all easy to follow and helpful to reach back to godhead which is the ultimate purpose of life.

I am fortunate to find the association of our sincere devotees and to progress in spirituality day by day. I seek your golden blessings upon me to progress more and more in krishna consciousness so that Maya won't work on me.

Thank you so much, Prabhu.

HARE KRISHNA,

Yours Lovingly,

Bhaktha B Arun Kumar.

Dear Srila Prabhupada,

Please accept my humble obeisances

All Glories to Srila prabhupada

Please accept my humble obeisance at your divine lotus feet. All glories to your divine grace on this most propitious day of your divine appearance. Your appearance was predicted conclusively and properly substantiated by enough evidence from vedic scriptures and confirmed by many acharyas from all bonafide sampradayas, one among many references.

Bhaktivinod Thakura, a great devotee in the Brahma-Madhva-Gaudiya line, predicted in his magazine Sajjana-toshani, in an article called Nityananda Suryoday *"Soon there will be a time when chanting of Krishna's name will be heard in England, France, Russia, Germany, and America."*

"There is no difference between me and my picture" –Thanks for giving me a rare opportunity to take divine darshan of you always through your deity and picture since the name and picture are as good as the person in spiritual world, who else can have the potency to declare so unless he is a pure devotee of the lord from spiritual abode. Just by your listening your divine name at the end of kirtan shows your potency to make everyone to jump up and down ecstatically, bouncing off the walls and thus "Stay High Forever" by injecting the real intoxication of holy name into their lives and driving away their polluted consciousness. You perfectly displayed the twenty-six qualities of a pure devotee of Lord Krsna as explained by Sri Krsnadasa Kaviraja, the author of Caitanya-caritamrta and it is evident through the careful study of his life and activities. You exhibited all these super excellent qualities of a perfect devotee being ultimate jagad acharya (one who teaches by example) and is exemplary in showing us how to develop the qualities in order to benefit all living beings and to serve Krsna.

You illuminated that Devotional service is not a matter of fanciful sentimental speculation or imaginative ecstasy but its substance is practical activity, you exemplified this in a most extraordinary, most unforgettable and in a most vivid way. Vrindavan is the best place for you to absorb in pastimes of Radha Krishna and being in sanyas ashram having every reason and right stay there as a vaishnava but you want to spread the message of Sri Chaitanya mahaprabhu a practical activity to fulfill your guru's word which is life and soul to you. You personally went and successfully circumnavigated globe 14 times and brought Krishna closer to each and every one to the entire world. There is not even a single moment you forgot Krishna in your whole life and you are a pure representative of the Supreme Lord and cent per cent engaged in the service of Krsna twenty-four hours a day. It was your total surrender and dedication to the Lord which inspired so much love and adoration in the hearts of his followers and only that selfless sacrifice inspired millions to dedicate their life time of services to your mission. You only talked the talk, but walked the walk. All your disciples whom you are training even now from around the world hold sankirtana for global peace, multiplying number of Hare Krishna bhakti centers, establishing temples and schools worldwide, distributing and printing millions the number of books and magazines, serving billions of free plates of sanctified vegetarian meals, conducting grand festivals every year around the world, home study groups, restaurants, eco-friendly farms run to practice 'simple living and high thinking' etc. also thousands of devotees around the world have taken spiritual initiation into the Gaudiya tradition. This outstanding and magnificent vaishnava association has been provided by you for a very insignificant poor soul like me and I am still continuing the offenses onto them, Please forgive all the offenses onto you and your dear devotees. *"The verdict of all revealed scriptures is that by even a moment's association with a pure devotee, one can attain all success. (CC Madhya 22.54)"*, so please give strength to be in the association of you and your devotees always and make me conduct properly without committing offenses.

You have given wonderful practises and boons that I have been enjoying still by which we can obtain love of Krishna very easily. They are Chanting Hare Krishna: You granted us the simplest and only possible process in this age of chanting Hare Krishna to completely purify and elevate ourselves. You encouraged us saying if we continue to chant faithfully, then Krishna will reveal Himself to us and by His mercy everything will be known to us automatically. Maha Prasadam is a nice

example given by your grace to explain how the prasadam or mercy works. Just like if someone tastes food left over by a diseased person, he is sure to get infected by that disease; in the same way if we eat food that has been tasted by Krishna (meaning prasadam) then we get infected by Krishna consciousness and I am so fortunate to get this daily and effortless by hard work of your devotees. Your analogies made to understand and realize the complex subject matter very easily. You blessed me with Harinama Sankirtan something that even a child can do and anyone doing so will feel such a transcendental bliss that he won't feel like stopping. You are the reason for getting the enchanting darshan of svayam Radha govinda daily by which will easily forget the material attraction and you have given us abundant services which are engine to progress ourselves in highest perfection in Krishna consciousness and to keep ourselves engaged in Krishna's service always

“Krishna and His representative is the same. Just like Krishna can be present simultaneously in millions of places. Similarly, the Spiritual Master also can be present wherever the disciple wants, A Spiritual Master is the principle, not the body”(Srila Prabhupada Letter, May 28, 1968).

As stated by your grace that if a disciple wants you are ready to be available, please make me strong in following your principles so that ever associate with you otherwise it's not at all possible to continue in devotional service like even when Lord Krishna disappeared, Arjuna lost all strength temporarily.

“So vāṇī is more important than the vapuḥ. Vapuḥ will be finished. This is material body. It will be finished. That is the nature. But if we keep to the vāṇī, to the words of spiritual master, then we remain very fixed up” (Lecture -- Atlanta, March 2, 1975)

Knowledge of the Absolute truth descends from Krishna through parampara, the unbroken

chain of disciplic succession, you bring representative of one such bona-fide lineage, Brahma-Madhva-Gaudiya-Vaishnava-Sampradaya and one of the most significant contributions of your grace to the world is your books that you wrote with scriptural authority, clarity and depth. Your commentaries are filled with deeper insights and explanations on the original scriptures and their relevance to the current phase of time, along with their practical application in various situations.

Your Nectarian Lectures when heard with rapt attention can award the highest perfection: pure love of God and eternal service to Him and then you promise that from the very beginning we can surely see Lord Krishna in the pages of the Bhagavatam. You have given an answer to every question and there is no question that is unanswered. You gave ecstasy to Krishna by your purports.

By your transcendental books, you removed obstacles by mayavada and other philosophy 'serpent touched milk' contaminations and smashed all misconceptions build like a thick wall in my mind and every purport hit my head hardly which covered my mind in perceiving Krishna's glory. I want to systematically study all your books thus laying a strong sastric foundation to my spiritual life and contemplate practical ways for applying them and contribute the same to the society in a big scale. I no longer want to continue the obligated so-called material duties but don't have the strength to give up. Please bless me in successfully undertaking that goal by which I can absorb more in Krishna consciousness and execute it to satisfy you and give you happiness.

Although because of my offenses was bereft of your shelter in between, still you gave a much higher opportunity to stay much closer to you and practice with strong association. I am still wondering and surprised how I stayed in association of devotees and Hare Krishna movement, in Krishna consciousness for this many years although impurely with many offenses and later realised as only causeless and unending mercy of your grace. By your grace you enlightened me in saying “Krishna bhakti kaile sarva karma krita hoy” and helped me in developing faith if I just serve Krishna, then everything will be done. I want to dedicate fully in inspiring others with your merciful divine instructions and inculcate Vaishnava qualities and a mood of selfless service in following you and your principles sincerely and strictly. Please bless me in this regard and shower your mercy unto me as always.

Your Fallen Servant,

Bhakta Bala Ganesh.

Dear Srila Prabhupada,

Please accept my Humble Obeisances.

Srila Prabhupada it's my Pleasure to describe your greatness.

I wonder how great your personality is we have learned so many good things in this journey (Short span of time). I really inspired by your thoughts and service (thoughts) towards God.

When I saw your Video "One Great Personality", I was inspired that at the age of below 10 you are in the service of the Lord and at the age of 70 you made a revolutionary movement towards Krishna consciousness and within a span of 12 years of the journey you made a miracle.

Your Speeches and your quotes are inspiring to our generation. Personally, I learned many good cultural things when I visit our Vedic Science Club, even though we are in heavy work pressure or stress, we feel comfortable and calmness(Peacefulness) while Visiting Vedic Science Club.

And when we chant "Hare Krishna" feels like heaven and we made chanting routine life activity. And lastly here in Vedic Science Club Prasadam is so delicious and thanks for everything that we are getting at Vedic Science Club, this is all because of you.

We carry forward your thoughts towards the next generation.

Hare Krishna,

Your Servant,

Bhakta Bhanu Prakash, Btech, JNTU.

Bhakta Burugu Rohith

Hare Krishna Srila Prabhupada,

I request you to accept my obeisance at your holy feet.

I was a person who didn't believe in God, but your grace gave me a strong foundation for me to believe in Krishna. I thank you for the gift you have given to me.

I feel that you have taken birth to give this knowledge about Krishna to me, it is like a possessive feeling and I think that every disciple of yours will be thinking that you are born for their sake personally, the same possessive feeling as I do have.

Please bless me to become your honest disciple and stay on Krishna's lotus feet till my last breath.

My other request is that not only I should pay obeisance at Krishna's holy feet, but every Jiva in this temporary world should be given that gift. This is my humble request. As you have compassion for every conditioned soul so please bless every Jiva to have their precious time spent at Krishna's beautiful feet.

I thank you from the bottom of my heart for giving this world the gift of the Hare Krishna Movement.

Your servant,

Bhakta Burugu Rohith.

“Dear Srila Prabhupada,

Please accept my humble obeisance.

All glories to Srila Prabhupada. All glories to you on this auspicious day of Your vyasa puja.”

Srila Prabhupada by your merciful glance this soul has got a chance to begin its Spiritual life and everyday experiencing new realization in spirituality. In this twelve years of My Krishna Conscious life, I have achieved a lot. All the auspicious moment what has come to my life it has come by your causeless mercy.

The most important one is my decision of joining brahmachari Ashram and being full time In the service of lordship Sri Radha Krishna Chandra, which has come true by your blessings.

Probably, I have started understanding how spiritual master favours his sincere disciple, now I see the strong impact how my and everyone's life has been transformed into a better human being and started the real journey towards ultimate goal.

Now, my only desire is that no forces in this world should shake my determination & take me away from serving you.

Your humble servant, Bhakta Chaitanya Nayyar.

Dear Srila Prabhupada,

Please accept my humble obeisances.

Srila Prabhupada you made me realize,

1. How Krishna Blessings will change the person and the world.
2. What are the ways to get krishna blessings(By chanting Hare Krishna Hare Krishna Krishna Krishna Hare Hare Hare Rama Hare Rama Rama Hare Hare).
3. How can we get strong determination and self-realization.
4. How Krishna blessings will make us contribute to society (Akshaya Patra).
5. Value of our Vedic Scriptures.

All glories to my spiritual master, A.C Bhaktivedanta Swami Srila Prabhupada.

Dear Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet.

Prabhupada by your merciful glance, this insignificant soul has got a chance to begin its spiritual life and every day experiencing new realization in spirituality. By your mercy, I got the chance to progress in spirituality by understanding the science and art of spiritual life. Early for me, spirituality is the concept now with your mercy; it is the science and art for me.

Yes, I called spirituality as a science because you explained them with the logic that you transferred as suggested by the lord. I read many books authored by Swami Prabhupada, all of them have robust proof of each concept of spirituality.

I called art, too, because now I can apply them in my daily life and seeing my progress in spiritual life. By chanting the Maha-mantra, I connect myself with the lord, and this connection will always help to not indulge in any malicious activities.

By your mercy, I come to know the difference between material pleasure and intellectual pleasure. The material pleasure will go away after some time and mind regain its original form. However, by getting the intellectual pleasure, thoughts always in touch with this pleasure, and there is no feeling of regret that we did a waste of time.

Sometimes the society will impact your thoughts and consciousness; however, with your causeless mercy, I found plenty of devotees whom I get the association that helps me to make my connection with spirituality more strong. Having in this material world, we always have stress and problems. I have too. However, I have an elegant solution provided by Prabhupada, i.e., chanting the holy name of the lord.

Yes, whenever I feel stressed and surrounded by problems, I start chanting. This chanting helps me, by making my mind calm and generate some faith that the Lord will take care of my all problems and eventually lord handles all my issues.

People being misled feel that they should do devotional service or do material duty. However, by reading the books, I come to know that we need to do our prescribed mission and making lord as the center.

I am thankful to Swami Prabhupada to teach us the art of balancing our spiritual and material life. Please forgive my offenses and give me the intelligence to carry out your orders under the protection of your divine movement in the association of your sincere devotees.

Your Servant,

Bhakta Dinesh Boswala, Vedic Science Club, IIT Hyderabad.

Dear Srila Prabhupada,

Please accept my humble Obeisance.

All glories to Srila Prabhupada. All glories to you on this auspicious Occasion of your Vyasa Puja.

As rightly described in Vedic Scriptures this world is illusion. It is not permanent always changing. From the day we born we feel miseries of life. But it is not our true self. This is the knowledge one always seek for. The true Knowledge of One's being one can learn this true knowledge in guru's Guidance and thus we grow spiritually and overall in life.

The mission Prabhupada had to make people realize what they are doing is not for their spiritual growth. He guided them towards their real Selves. This is the principal thing Guru (teacher) does. Through his mission lakhs of People benefitted in the Society.

Understanding Vedic literature by one self without any guidance is very difficult, you always need the support of a guide. He served as a true guide to many thousands.

I seek blessings of Srila Prabhupada to grow Spiritually, to understand what is that knowing which we shall know everything to become more responsible towards my duties.

May God bless all of us.

Your humble Servant,

Bhakta Divyam Tayal.

My Dear Gurudeva,

Please accept my humble obeisances at your lotus feet. All Glories to Srila Prabhupada.

I offer my respectful obeisances unto His Divine Grace A.C. Bhaktivedanta Swami Srila Prabhupada who is very dear to Lord Krishna, having taken shelter at His lotus feet.

I read that Srila Prabhupada once said: "*My guru is not an ordinary guru. He saved me.*" I feel the same way about you.

It was only when I attained some little faith in your words and started to follow them that I finally tasted real joy and satisfaction, Krishna consciousness.

After traveling a desert world of atheists, impersonalists, and voidists, I thank you with all of my heart for bringing the love of God back into my life. Through your teachings I have been able to see just how lovely, wonderful and kind Krishna really is, and love Him By your mercy, you have installed Radha and Krishna in my heart. You have made my heart blossom again.

My life seems to be full of the most complicated difficulties. But you make everything so very simple. You just say that I should chant Hare Krishna and be happy, and always remember how wonderful is Krishna and be happy. The more I try to do that the more wonderful becomes my life.

My most humble and grateful obeisances to you.

A Servant of Your Servant's, Bhaktha Gajanand Dandigan.

Dearest Srila Prabhupada.

Please accept my humble obeisance. All glories to Srila Prabhupada. All glories to you on this auspicious day of your Vyasa-Puja.

It seems like a miracle for me to get your proximity in recent times. I never thought that I can get such an auspicious companion like FOLK. It is all because of your orchestration for your servant. I am deliriously happy about the change that is happening in my life after coming to you. Firstly, I can calm down my mind and can feel serenity immediately after chanting 'Hare Krishna Maha Mantra'. I never knew such an instant solution in this Kaliyuga. Secondly, the awareness sessions that I have attended 'secret of success' changed my thought process and now I can see things in the big picture and more things to learn in the coming time. All your servants and our dearest Prabhus are such loving people where we can share any problem and get relief. Last but not the least, the culture you have established with Maha prasadam, which has shown a significant change in mind and body level, which made to discriminate that what food items to avoid to maintain 'sathwa gunas' in me. My humble pranams to you for such a great manifestation for us to realize our self and get eternal happiness. I am in the process of learning and to be myself as per your directions and teachings and can implement the phenomena taught by you and trying to get solutions.

I pray to you to give me all the strength to follow your commands and please the Lord as his dearest servant.

Your humble servant,

My dear spiritual guru Srila Prabhupada,

Please accept my humble obeisance at your divine feet.

Prabhupada, your efforts in explaining the Bhagavad-Gita Saram in lucid and easy manner to common man made me to read. This is my first step towards my spiritual enlightenment. The more I read and follow your writings, the love towards Krishna and respect towards you increased tremendously. When I feel low, depressed, angry, entangled in materialistic world, your lectures and writings helped me to get away from this materialistic world and made me to move towards Krishna consciousness. You are the true guru, who not only teaches but set an exemplary spiritual life by following it. Please give me the strength and dedication to fulfill your mission.

Always in your service,

Bhakta Gopi, Centre: Vedic Science Club, IIT Hyderabad.

Dear Srila Prabhupada,

*om ajsāna-timirāndhasya jśānāśjana-sālākayā
cakṣur unmīlitaṁ yena tasmai śrī-gurave namaḥ*

I was born in darkest ignorance Prabhupada. Spiritual Master is the only way to realise Krishna. Only by your mercy I can attain mercy of Maha Prabhu, service to your lotus feet is the only way to attain mercy of Krishna. You came to this material world to save Jivas like me, who is attached to the material body.

Prabhupada, in the last one year I have improved my chanting quality, reading and also able to see my mistakes what I am doing. It's all due to your mercy Prabhupada. What qualification I have either to chant holy name or to live in Vaishnava association, it's only your mercy upon this fallen soul.

Please bless me Prabhupad to retain in the association of vaishnavas and bless me to execute my services with proper consciousness, so that it will please you. Enlighten me prabhupada, so that I will know value of devotees and enlighten me, so that I can avoid great dangerous Vaisnava offenses.

Your fallen servant,

Bhaktha Gopinath.

Bhakta Gurunath Reddy

Dear Srila Prabhupada,

Please accept my humble obeisances.

All glories unto your lotus feet.

The last few months were extraordinary in my Krishna conscious life. I am very happy that I got an opportunity to serve Sri Radha Govinda, you and your representatives as a full time devotee. I realized how fast we can get Vaishnava qualities by association of devotees and full time service. I am grateful to very senior devotees for giving me specific instructions based on my anarthas. I am very grateful to you for giving me an opportunity like that. It is my unfortunate that I could not keep it permanently. I will hold onto these learnings, so that I will be Krishna conscious throughout my life.

Because of unfavorable conditions and my ill health, I could not chant for a few weeks. This offering unto you is a strong reminder for me to chant regularly.

My prayer unto your lotus feet is that please give me some service. I will be happy with whatever service I get.

Your servant of servant, Bhakta Gurunath Reddy.

Dear Srila Prabhupada,

All glories to Your Divine Grace on the auspicious day of appearance.

My respectful obeisances to Jagat Guru Srila Prabhupada. I am in association with the movement of Srila Prabhupada ISKCON from almost 5 to 6 years through VSC IIT.

The first and foremost thing which I felt attractive is the philosophy through his books. There is so much information that went unnoticed before because it is true knowledge. After reading those books our perception of the outside and inside world has completely transformed. It teaches the actual problems and gives a solution to those problems.

Even if we were not in touch directly, the beauty is someone or other will be touch with you to remind you of the precious knowledge, maybe that is how Srila Prabhupada has networked to keep us in his association.

I pray Prabhupada to keep always in his association irrespective of my situation and progress in attaining spiritual goal love of Godhead.

Thanking you.

I Pray to you to make me your servant,

Bhakta G Hanu Phani Ram. Vedic Science Club, IIT Hyderabad.

Dear Srila Prabhupad,

All glories to you, please accept my humble obeisance,

By your grace one more year of KC life added to this most fallen soul's life. Guru maharaj, please forgive for my offences which I committed at your lotus feet. Specially I have violated one of the regulative principles. Please forgive me.

your quote “we should know something about everything, & everything about something” it always inspires me. It provokes me to learn new things always. This year by your grace and my God brother's mercy Im learning few things which exactly suits my nature. Thank you so much prabhupada you always create a special way for me.

I'm seeing some devotees they are doing 64 rounds 80 rounds per day. But for me completing 16 rounds itself a big task & following regulative principles is most crucial thing, you are saying it's very easy thing to follow but here in this kali yuga while going into details everything seems very un-similar. I'm unable to with stand in KC & want to leave KC. But i remember your words spiritual life may be difficult but material life is impossible, then I realize that I'm not there in KC

not even a single moment. it's you who holding me continuously like a cat holding its kid. & it's my return to hold you back like baby monkey holding mother monkey, but this kid is still baby, you are holding me since 26 years as of my knowledge. You want to teach the how emergency Krishna Consciousness is? but this rascal unable to understand. Please forgive still I'm not matured enough to understand. Because I possess all demoniac mentalities like arrogant, rude, Angry & Failure in controlling emotions, but you are very expert in handling.

Prabhupada Please teach me how to handle people and how to handle emotions especially dealing with devotees. Because they are misunderstanding my behavior. You know very well that I can't handle certain situation hence I'm running out of them, but still you are keeping me there, I don't understand why? but still I'll follow your directions because I'm your servant. You only sent me there so there'll definitely be a happy ending.

Prabhupada I'm unable to control my desires hence i'm diverting them towards spiritual. It is killing even more; you know them. Unless there is no power nobody can do big things. I know in KC there is no small or big everything is equal in Spiritual world. But these desires of me are not quite. Please kindly give me the strength to achieve them. I want to be a great weapon in your hands. Please shower your mercy on me like rain so that I will chant 16 rounds very qualitatively and will follow the regulative principles more strictly now onwards without any disturbances. I'm eagerly waiting for the moment which will please you & I cannot wait for it.

Every time when I think about you,

All the night you'll stay in my dreams.

When I touch the ground with my feet,

Earth directs me towards you.

When I want hear about you,

Air brings kirtans to my ears.

But still....

Im in a world, covered with blood.

My eyes are so dull, no spirit in my body.

Everyone is lifeless, acting like machines.

World is full of sins, im living with deadlies.

When you walking into the my world, blood is giving side.

When you looking into my eyes, my body filled with power.

You brought this change, prabhupad you brought this change, //2t//

My body is moving, to the sound of kartal,

Mahaprabhu steps are rocking world, all trying to do like him.

You brought this change, prabhupad you brought this change, //2t//

Hare Krishna Hare Krishna Krishna Krishna Hare Hare..

Hare Rama Hare Rama Rama Rama Hare Hare.. //3t//

This is the change & im the change, this is it....

Thank you so much prabhupad you gave a lot. Give me the strength to give you back.

Your ever servant, Bhakta Harjun.

I am Very thankful for your contribution towards our society. I also affected heavily by your words, books etc. I read the book IQ EQ SQ that book changed the way I think the 90/10 Principle is wonderful.

Dear Srila Prabhupad.

All glories to Srila Prabhupad on the auspicious day of appearance. I pay my humble obeisances unto your lotus feet.

By your mercy, I come to know about Krishna and Radharani and the purpose of my birth. In this material world where everyone is seeking for material happiness and prosperity. You have come to let us know about the real happiness that resides in our heart becoming the love of our beloved Krishna. Your 's written book has benefitted all over the world. The temple set up by you has become the center of devotion and practicing Krishna consciousness in daily life. Your thoughts and vision have helped me how to live a simple and happy life in this suffering world. You made me understand that Krishna Consciousness should be our top priority while living our life. You made me learn how to see people and this world.

I just want your blessings and mercy on this fallen soul so that with all consciousness, selflessness and peaceful mind, I can serve my Krishna and Radharani with my full potential. In fact, I have not been able to follow the exact path as told by you, but I am assured that your blessings and love of Krishna will be able to clear my all obstacles of life.

Eventually, I beg your mercy for all the helpless, poor and suffering soul to impart them the true love of Krishna and his association.

Bhakta Himadri

Dear Srila Prabhupada.

Please accept my humble obeisance.

All glories to Srila Prabhupada. All glories to you on this auspicious day of your Vyasa-puja.

Srila Prabhupada, you spread the Krishna consciousness all over the world. You explained the Srimad Bhagavad Gita in such a beautiful way that everyone is able to understand the knowledge of The Bhagavad Gita and how it applies to our day-to-day life. This knowledge also helps us how to live life happily and minimize the miseries and negative energies in our lives as much as possible.

You also explained in the second chapter of The Bhagavad Gita that souls(We) and Supersoul(God) are the two birds of the same tree. But, when we come to the material world, we forget about this and become busy with material enjoyments. We

never think about how to come back to God. Day by day, we become proud; greed and hatred developed our mind and heart.

Your teachings brought a great change in me and my lifestyle. Gradually spirituality is evolving inside me. Nowadays, I am choosing happiness over miseries and overcoming all the negative situations in my life. Instead of getting angry nowadays, I become calm, and forgiveness is developed inside me.

Always in your Service,

Bhakta Himadri, IIT Hyderabad.

All glories to Srila Prapupadha,

One and only true Spiritual Master and Savior of the whole world,

I pay my humble obeisances to your Lotus Feet.

Hare Krishna, When I look into past I can see how I used to be. Totally out of track, not into spiritual platform more or equal to an atheist. It was Harinam kirtan which brought interest in me towards Krishna Consciousness, thanks to Lord Chaitanya and Jagadguru A.C. Bhakti Vedanta Swami Srila Prabhupada,

It all started when I visited the Iskcon Bangalore temple. I had darshan of lotus feet of the Lord and also came in touch with the mesmerizing kirtan which was going on in the temple hall. It hardly took time for me to realize that kirtan is something which will give you real ecstasy. The other thing which attracted me more than anything is the delicious prasadam. These two things kept me tied with Krishna Consciousness before my journey started towards Krishna Consciousness.

After a year and half from then I completed my graduation, got placed in a company and moved to FOLK Residency Madhapur, Hyderabad. From then I can say my spiritual journey has actually started. My habits changed, able to follow the four regulative principles, started chanting daily, started reading your books, started rendering service to the lord be it in

the temple or in folk, started participating in nagar sankirtan and also book distribution. Association with the like minded people helped me in becoming a better conscious person.

Even a thousand miles' journey had to start with the first step. I've taken these initial step towards Krishna Consciousness, O Spiritual Master I need your mercy and blessing upon me so that I can fight with all odds in my day to day life to successfully achieve the highest desire of everyone's life which is Krishna Prema.

All glories to you.

Your Servant,

Bhakta Karthik Babu Karne.

Bhakta Kartik Datrika

Dear Srila Prabhupada,

All Glories to your Lotus Feet. Please accept my Humble Obeisances.

All glories to Jagad Guru Srila Prabhupada. In this confused world, I'm lucky enough to listen to the authentic Vedic knowledge by the spiritual master with whom alone, I can get the essence of the Vedas i.e., to be in Krishna consciousness, it is by his pure mercy, all sincere devotees can understand that Absolute Truth is Lord Krishna and being conscious of him is the natural, all blissful state of the living entity as Srila Prabhupada simply explains that doing service/ involving in activity like thinking etc. is the eternal dharma of living being and to do all things like thinking etc. about Lord Krishna solves the puzzle of life by pursuing the eternal Sva-dharma of living being by which one completely understands that all energy is same because energy can't be destroyed or created but transformed and from this we can see that energy is entirely one acting in different forms because in Vedas it is confirmed that it's supreme personality of godhead who is the source of all energy and gets expanded to all his possible unlimited expansions like plenary expansions etc. creating whole of existence out of his pure will to enjoy by his part and parcels.

All this knowledge is just a result of divine association of Srila Prabhupada books, so I sincerely offer my prayers to my guru Maharaja to bless with me not only with knowledge but realizing it in truth and I hope the whole world leads to the Absolute Truth by following with full understanding in the steps of Jagad guru Srila Prabhupada.

Your Servant,

Dear Srila Prabhupada,

Please accept my humble obeisances,

All glories to you on this auspicious day of Vyasapuja.

I came in contact with ISKCON last year and I must admit that it is the best and very fortunate moment to be in association with extraordinary devotees here. The movement started by your divine grace is literally changing the lives of millions in all fields around the globe. From my personal experience, I can assure that the principles taught by you along with chanting of Mahamantra... "Hare Krishna Hare Krishna Krishna Hare Hare, Hare Ram Hare Ram Ram Ram Hare Hare" has changed my perspective about people, situations and problems.

Srila Prabhupada, your books are helping me to find out how to deal with daily scenarios. Bhagavad Gita as it is, I would say is the nectar of knowledge and everyone should read at least once in their lifetime.

Finally, I would like to say thanks from the bottom of my heart for such a wonderful association..... And beg for your mercy.

Dear Srila Prabhupada,

Please accept my humble obeisances to your lotus feet. All glories to your Divine Grace on the auspicious day of your Vyasa Puja.

Life doesn't mean material things, we have to be inclined spiritually. Our actual goal is to go back home, back to Godhead.

Because of Lord Krishna's and Guru Srila Prabhupada's mercy, One day I got connected to spirituality. If Prabhupada wouldn't have taken the words of his spiritual master seriously we would have been in a very dangerous situation today. Since he took up this mission of Chaitanya Mahaprabhu we are here chanting Hare Krishna Maha-mantra, gaining spiritual knowledge, reading his books and having association of devotees. And I am grateful and thankful for him throughout my life.

Your Servant,

Bhakta Keshetti Vardhan.

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet.

I'm really inspired by your thoughts and activities towards the world. One of the major things I really liked is ISKCON (Akshayapatra). Your Divine Grace built many temples and made many disciples/devotees serve the people.

I cannot imagine how can a person of 70 years old started his journey in Spirituality and created a very strong disciple network, to spread the word of God across the World.

Really inspired after seeing/ knowing about his efforts to translate scriptures into English, Many stories to encourage the people.

I can understand how many struggles he had gone through to convince the people and bring Krishna Consciousness among them. I could say how much he was successful by seeing the well-functioning of the Akshaya Patra.

One thing touched me a lot is feeding lakhs of people without accepting a single penny and serving people wholeheartedly. I am so happy to see/ experience the Akshaya Patra the ultimate establishment by Srila Prabhupada.

Thank You.

Your humble Servant,

Bhaktha Kiran, IIT Guwahati.

My dear Srila Prabhupada,

Please accept my humble obeisances.

I feel privileged to render my Vyasa Puja 2019 year offerings to you.

Please consider my words as flowers offered with devotion and veneration onto your lotus feet.

My life has a new meaning and is getting better constantly due to your selfless teachings on Sanatana Dharma rendered through holy books, audio kirtans, video lectures and temple programs.

Srila Prabhupada, you have affected and steered many lives from the darkness into the light. Saved many people from becoming addicted to various vices like smoking, alcohol, gambling and illicit activities.

Dear Guru maharaj, you stood as an example of what you preach. Through your guidance, I wish to continue to improve my spiritual activities and get closer to Sri Krishna.

In this age of darkness (Kali Yuga), you stood as a lighthouse guiding us to the shores of the lotus feet of Radha Krishna and helping us to return to 'Back to Godhead: Goloka Vrindavan'.

Even though I have accumulated many sins from this and previous life times, I wish to reach the state of soul's natural state which is 'Sat Chit Ananda- Eternal, Full of knowledge and Blissful by following guidelines written in the books of Srimad Bhagavad Gita and Srimad Bagavatam translated 'as it is' by you.

Dear Srila Prabhupada, please bless this fallen soul to obtain Krishna prema and accept my humble pranams.

Your ever eternal servant,

Bhakta Kiran Kumar Guditi.

Dear Srila Prabhupada,

Please accept my humble obeisance.

All glories to Srila Prabhupada. All glories to you on this auspicious day of your Vyasa-puja.

Prabhupada, by your merciful glance, this insignificant soul has got a chance to begin its spiritual life and every day experiencing new realisation in spirituality. In 3 years of Krishna consciousness, now I am completely involved in the services of Lord Krishna in association with Krishna devotees wherever possible I realise the essence of Krishna consciousness which aims at bringing the highest perfection into human life. Having followed the regulative principles and reading books laid down by your Divine Grace A.C.Bhaktivedanta Srila Prabhupada, I have cultivated Patience while doing services, Punctuality and rendering service to the almighty Krishna which gives me immense pleasure and happiness. I have been experiencing a serene feeling like never before.

Prabhupada, please bestow your divine blessings on me and provide me with a shelter where I could surrender myself on the path chalked out by you.

Your Servant,

Bhakta Kishor Ghatode.

Bhakta Kishore

Dear Srila Prabhupada,

Please accept my humble obeisances unto the dust of your lotus feet, All glories to your divine grace.

As mentioned in Chaitanya Charitamrita,

*brahmaṇḍa bhramite kona bhagyavan jiva,
guru-krishna-prasade paya bhakti-lata-bija*

I have been traveling all over the universe from one body to another body, from one planet to another planet simply for sense gratification, but by your causeless mercy, I got the opportunity to serve your divine grace and Krishna. Maybe we will get Father, Mother, Wife, and Children in every form of life, but in this human form of life, I am so fortunate that I got the opportunity to touch the dust of your lotus feet.

Before coming to Krishna Consciousness I used to have a lot of plans about my career, family, and society, but after having gone through your time bombs(books) I realized the goal of human life to not live like a Cat and Dog, but to use this valuable life for attaining Love of Krishna which cannot be obtained in any form of life. And I could not imagine what I will be if you had not gone to the west for spreading Krishna Consciousness maybe I would have become a polished animal in this so-called civilization progress and you have saved me from this hellish condition just by your books.

You mentioned that: I left Vrindavana just for executing the order of my spiritual master so you could succeed in spreading the Krishna Consciousness to the whole world, even though there were so many hard struggles you went through like health issues, no financial support only because of having faith in Guru-Vakya.

By your mercy, I have joined the Ashram on the occasion of Sri Rama Navami (9th April 2019) and I am very happy to be a part of your movement and serve your divine grace. Please give me your blessings so that I will be able to serve your lotus feet life afterlife and be immersed in that unending and everlasting happiness.

Thank you so much for saving me from this blazing fire of material existence and suffered life afterlife which is due to forgetting my constitutional position as a servant of Krishna (jīvera svarūpa haya-kṛṣṇera nitya-dāsa) and you reminded me of my goal of life by washing this wicked mind with your causeless mercy.

I have committed so many offenses at your lotus feet either knowingly or unknowingly, but I am sincerely trying to progress in Krishna Consciousness so please forgive me for these offenses and shower your mercy upon this fallen soul.

Your insignificant servant,

Bhakta Kishore.

Bhakta Koteswar Rao

All glories to my spiritual master Swami Srila Prabhupada. Please accept my humble obeisances to your lotus feet.

Dear Srila Prabhupada,

One of the Hindi poets said in his poem that, ones fury and God comes to you at the same time, we will give obeisances to the guru. Because he tells about the God. In Kaliyuga or in present day educational system no one will tell about the God, at least people like me to know. In searching at that one day u know about the oath given by prabhu.

You are a great spiritual master, you have the path for self-realization through your teachings. I am surprised about one thing how you complete these many things just in 11 years. You will say one thing that this because of Krishna.

Srila Prabhupada, you also started my spiritual journey in Krishna consciousness, it's very simple and easy to follow, as given by you. I am trying to transform my life towards the ultimate goal of human beings by the self-realization.

Bless me, my dear spiritual master to get more in this journey.

Oh Srila Prabhupada, I am one of the soldiers following your orders, to know about Krishna (the spiritual soul)

Dear Srila Prabhupada,

Please accept my humble obeisances,

All glories to Srila Prabhupada. All glories to you on this auspicious day of your Vyasa Puja.

This is my first time in this center, after a long time.

I am spending so much time with God. Earlier, I used to have a good connection with God. But due to some circumstances that happened in my life. I lost all the connections and I don't know why I never tried to re-establish those connections.

But I must tell you one thing, those connections in the past were very strong and motivating. Sometimes, even I tried doing meditation but after some time I lost those habits also.

I will again try to re-establish and connect with God.

Your Humble Servant,

Bhakta Kumar Subhasis.

Dear Srila Prabhupada,

I am a new joinee to this Krishna consciousness movement. Your work towards creating a blissful world is very powerfully being carried out by your devotees. Newest offering to the world from your devotees is the "FOLK hostels" such a unique concept.

It's so wonderful to see young boys glorifying the lord in Nagar Sankirtan. So many young are pulled out of the web of maya.

Unique thing is your physical absence has not affected this movement in any way. It's growing in a rapid scale every single day. Your spiritual children are really great.

To see and live in the midst of sadhus is an incredible experience. Jai folk hostel !!

The power of your devotion and purity is visible in your activities and globally impactful life, even in your old age Krishna, Krishna, Krishna !!

I am getting the mercy of your devotees. Their pure service is an indication that they have escaped maya.

May your guidance always be on me, to kill maya.

Your Servant,

Bhakta Kushal.

I recently joined one spin of your movement (sp residency) already started seeing some difference The way people organize themselves here, hearing and waking up to Harinama sankirtan and being always that mood of spiritual awakening.

Dear Srila Prabhupada,

Please accept my humble Obeisances at your lotus feet.

It's been two years , I have joined Vedic Science Club. I have greatly benefitted by Chanting Hare Krishna Mantra daily. I start my each day by chanting Hare Krishna mantra to get a fruitful and productive day. It had increased my sincerity, attention towards my work. Initially I faced problem to Chant 108 times, it used to take a longer time. Now a day I have become fast and it takes only a few minutes of my day. And I am thinking to make it 4 to 5 rounds daily I get to know that

it's not only about the money, name, career (the so called rules given by our Society) matters to our life, We have to be happy and that is only possible by Chanting. I realized that we are not just these body rather we are part of Shri Krishna We can be happy spiritually by our devotional services to Supreme Godhead Sri Krishna. I wish to express gratitude to HARE KRISHNA VEDIC SCIENCE CLUB for providing such overwhelming support by improving the quality of living.

Especially I liked the Prasadam varieties and special occasion Prasadam are awesome. I liked it the most. Few best teachings I liked where Does science define god!! Does God exist!! The light on the Big Bang theory. Really very clear in explanations by Devotees!! Thanks a lot.

Bhakta Mohan Suri

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to you!

The last two years in Krishna Consciousness were a roller coaster ride. Many times, I'm overwhelmed with confidence and being sure of Lord's protection. But there are also times when I wanted to run away because of the many issues I was/am facing in my personal life. But all the while, I find strength only in your words.

I recently read in BG that devotional service as very simple as engaging in Krishna's service, taking Prasadam chanting Holy names, etc. Even for such a simple process I neither have much intelligence nor much commitment to follow strictly. Being attacked by Maya left right and center, I'm not very capable of following rules and regulations properly but I never doubt your words.

Kindly show special mercy on this fallen soul and give me strength to follow your guidelines with great conviction no matter where I am.

Your fallen servant,

Bhakta Mohan Suri.

Dear Srila Prabhupada,

Please accept my Humble Obeisances at your Lotus feet.

I am really wondered about the achievements attained by you regarding the foundation of ISKCON, translating Bhagavad-gita in many languages and spreading the motto of Self-realization in various continents. It is not easy in this World. You are the great inspiration to youngsters like me to achieve great things and to understand the self-realization through chanting Hare Krishna and understand and follow the Bhagavad-gita.

Finally, week by weekday ends, month by month the year ends. But the relation between the guru and student doesn't end. I assure you that I will follow your teachings as much as I can. Thank you Once Again.

Your Humble Servant,

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories unto you!

On this day of your divine appearance, let me take the opportunity to make an offering of gratitude to you for your causeless mercy on this most fallen soul. It is only by your mercy that I have come to the position of living like a true human being. You have graced countless living entities like me in this world. And fortunately for all of us, you are still continuing to shower your mercy through some mystical potency and your divine books.

Due to constant guidance from senior devotees I am able to perceive the importance of chanting and changing my personality to the standard expected by you. Slowly I am working in this direction but always failing to keep pace with it.

For a disciple, following in the footsteps of acharyas is the best way to advance in spiritual life.

Please give me the proper intelligence to act according to the situation and always be in Krishna consciousness without any other diversions.

You have blessed us with the Lord's Holy Names. On this most auspicious day, I beg your mercy to enable me to concentrate fully on the sound vibration of the mahamantra. Help me hear each word distinctly and clearly during japa.

Srila Prabhupada, in purport of Srimad Bhagavatam, you have mentioned, "In devotional service the mercy of a devotee is more valuable than the mercy of the Lord." On this occasion, I beg for your divine blessings to grow up in spiritual life and be a part of your mission eternally. And thus become your true disciple.

Your fallen servant of your servant,

Bhakta Naga Suribabu Dangeti.

Bhakta Nagendra

Dear Srila Prabhupada,

Please accept my humble obeisance,

All glories to Srila Prabhupada. All glories to you on this auspicious day of your Vyasa Puja,

I'm one of your humble servants out of millions who spread all over the world.

Please accept my gratitude for your words through your books which enlightened me into absolute truth. My understanding about the world and Supreme Lord Sri Krishna was close to misconceptions until I got a chance to submit unto your lotus feet. Now, with your causeless mercy, I could have the privilege of Understanding and Reviving my relationship with Krishna to a little extent.

Yes, there is a lot more to learn about Krishna, there is a lot more Sadhana I should do for myself. For sure, I do not believe in my will/strength for my growth spiritually as they are material and non-stable. I solely depend on your Mercy for my advancement. I beg your pardon for the mistakes/offences I've committed during my Sadhana. Please help me achieve the goal of my life: Krishna Prema.

Your humble servant,

Bhakta Nagendra.

Dear A.C Bhaktivedanta Swami prabhupada,

I am inspired by your process of chanting Hare Krishna Maha mantra and your books . Before I joined the organization , I don't have much idea about you but now I know how much you struggled in spreading devotion of krishna in USA and all over the world though the society called ISKCON & HARE KRISHNA MOVEMENT.

I also inspired by your determination that nobody should be with hunger in 10 miles distance to our centers. Please bless me .

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet.

Prabhupada, you have started the Krishna Consciousness movement, which is following the footsteps of Lord Sri Chaitanya Mahaprabhu. You are the guru of the modern age, people are so fallen in this age, though this movement plays wonders, as it has been played in the past, playing present and also will play in the future and which is the greatest contribution of your Divine Grace for the fallen souls. So, therefore you should be glorified. Likewise, your glories are unlimited, As waves in an ocean.

Let me have gratitude to my spiritual master and who is my eternal father too.

Therefore,

Jaya om vishnupada paramahansa parivrajaka acharya ashtottara sata sri H.D.G.A.C.Bhaktivedanta Swami Prabupad ki jai.

Prabhupada, your role in my life is very very miraculous. I am so much indebted to you. I may just please Krishna, but nothing can pay you back. So, my only duty is to please my Guru Maharaj and Krishna eternally.

Prabhupad, by your mercy... causeless mercy, now I am in the Krishna Consciousness movement. So, I have to serve you, your mission, which is Vaikuntha as well. Let me have had one benediction that wherever I may be, however, I may be, whatever the circumstances may be, irrespective of everything I just always hold on to the lotus feet of their lordships.

Sri Sri Radha Krishna Chandra. Please give me shelter at your lotus feet, so that I may not fall again and again, and please Krishna as well.

As the representative of Srila Vyasa Deva, you lucidly explained the original teachings of Bhagavad-Gita

Vedic Science Club near IITH is offering Prasadam. Prasadam is very delicious and heart-melting. Every night we chant the Maha-Mantra

*“Hare Krishna Hare Krishna Krishna Krishna Hare Hare
Hare Rama Hare Rama Rama Rama Hare Hare”.*

It gives an internal peace. We get happiness.

Bhakta Nitin

Dear Srila Prabhupada,

Please accept my humble obeisance,

All glories to Srila Prabhupada. All glories to you on this auspicious day of Vyasa puja.

Those who worship the lotus feet of Srila Prabhupada will surely achieve the lotus feet of the Lord Sri Krsna, the eternal abode for all living entities. People in this world are constantly fearful & Prabhupada, you have given the path of being fearless eternally through your scripture “Srimad Bhagavad Gita - As It Is”.

It's not just the book composed of few pages but it's a gift by you which has come directly from the lips of Lord Krsna. It has solution to solve all our problems. Not just spiritualist but people even from management school, Ayurveda centers, yoga etc everyone uses Bhagavad Gita. Srila Prabhupada, you came to western world & have taken pains to translate word by word - just that we read it, you have put all of your time, energy, compassion in this book.

I remember one of the pastimes of you – one girl asked you “why you came so late at the age of 70, why didn't you come early & gave this knowledge” you replied “I was waiting for you to be born”. Your witty nature was matchless.

Prabhupada, you showed us how to depend on Krsna's mercy for everything. Irrespective of your profession, how can we be Krsna consciousness everywhere.

During hippie movement there was a tradition of nudist & you was taken to one of these assemblies. When you reached there was no one in assembly so you closed your eyes & started singing Jaya Radha Madhava & opens your eyes to find all nude people in front of you. But Your Divine Grace recognized everybody to be part & parcel of Krsna. You then started your talk very interestingly – “so all of you know very well how pleasurable it is to take off one's clothes & enjoy bare

bodies” & everybody shook their heads – yes, we are completely realized in that fact. You continued – “by taking off one’s clothes & enjoying with one’s bare senses if there is so much pleasure, the actual reality is we all are wearing material clothes now, so the actual level of pleasure is taking off these material clothes & enjoying with our spiritual bare senses”. All shouted that sounds fascinating, how to do it? You then said today I will teach you how to take off your material clothes, they said we are already nude & we would like to go ahead on this path.

Your Divine Grace said the process of enjoying your bare spiritual senses is very simple & you gave them the mantra – “Hare Krsna Hare Krsna Krsna Krsna Hare Hare Hare Rama Hare Rama Rama Hare Hare”

So, this is prabhupada the perfect master, depending on time, place & circumstances you knows how to deal with situations. To speak about you is very fascinating & purifying.

Prabhupada please bless me so that I can study the confidential knowledge through your book, regularly chant & follow the regulative principles without any flaws. Also help me in bringing my near & dear ones in Krsna consciousness. Don’t let me wait till the end & help me use this gita as a life manual.

Thank you so much, I hope I get the boost to my inner desires to study Srimad Bhagavad Gita. Srila Prabhupada Ki jai, Bhagvad Gita Ki jai.

Your servant of the servant of the servant,

Bhakta Nitin.

Bhakta Om Sai Bharadwaj

Dear Srila Prabhupada,

Please accept my humble obeisances.

All glories to Srila Prabhupada. All glories to you on this auspicious day of your Vyasa-Puja.

I would like to thank you for providing some real knowledge through your preaching. Because of the initiative of the Hare Krishna movement. I can stay healthy by having Maha Prasadam sent to my yoga residency, CBIT. With these facilities provided at all hostels, a student can have a peaceful mind and a healthy relationship with God. One can concentrate on personal growth. I can concentrate on my future by staying at the CBIT yoga Residency.

It would be nice if it continues in the same manner.

Your humble servant,

Bhakta Om Sai Bharadwaj.

Bhakta Panduranga Ksherasagar

Dear Srila Prabhupada,

Since a decade and half,I was reading daily two slokas of Bhagavadgita. It was a ritual but now after listening to the prabhuji’s of ISKCON. It has become spiritual by the grace of Sri Sri Prabhupada guriji.

What is the change in me, after listening to prabhuji’s of ISKCON and chanting of Sri Krishna mantra?

I am trying to become devotee of lord Krishna.

I am trying to be a good person. It is my firm believe that regular chanting of mantra will definitely bring the change. To be perfect person is not easy. But regular chanting the mantra and listening, reading the slokas of Srimad BhagavadGita steps are taking to the goal. Since childhood I was taught to pray god. And as per custom, every family has its own kula devatha to worship. In hindu we have lots of gods to worship. Bhagavan Sri Krishna says all those gods are demi gods. Sri Krishna

says prayers made to demi gods also reach to him only. As he is the supreme. "The Bhagavan says quote "besides me there is nothing". He the bhagavan, is the light in the moon and the sun. He is the syllable OM in all the Vedas, energy in men.

Practicing regularly and chanting of hare Krishna mantra will enable one to attain moksha. As mind is not stable very easily attending is easily diverse. To make one's mind stable with his necessary to keep changing think god always while performing one's beauties also think of god.

It is necessary to remember and think of god at the time leaving in the body unless chanting and mantra has become a habit, One can't remember god at that time. And one can't attain moksha without this. There will be rebirth again, If attention is deviated from the god Jai Sri Krishna.

"For placing at the lotus feet of lord"

Your servant,

Bhakta Panduranga ksherasagar.

Bhakta Pavan Kumar Kiran

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet.

Srila Prabhupada is a great person in his time but his Prakasha is up to this time also and also later on as well.

Especially I have been changed by this chanting of Hare Krishna Maha-mantra and Sankirtana. Afterward taking the very delicious Prasadam. And I learned about the Prasadam.

From the many Prospective, the world is filled with many bad things like non-veg, drinks, etc. that can be overcome by this chanting and "Pravachana".

So really need this very important and many thanks to Srila Prabhupada to telling the world.

Your humble Servant,

Bhakta Pavan Kumar Kiran, Vedic Science Club, IIT Hyderabad.

Bhakta Phaneendra

Dear Srila Prabhupada,

Please accept my humble obeisances.

Your disciples are indeed most fortunate souls in the world. You have spent every second of your life to serve and please your spiritual master. You are very much accomplished in your dealings with devotees befitting the title of "ananya sastra nipuna". You always have time to handle things present before you despite your busy schedule to manage International society, writing letters, books and giving lectures. You patiently tolerated all the shortcomings of the neophyte devotees and accepted any insignificant service that was offered. You have inspired millions of people with your disposition, sincerity, actions and brought them closer to eternal life of bliss. You have openly exposed blunders of this so called soul killing civilization and suffering of mankind is because of Godlessness in society. You have proved that principle of "Simple living, High thinking" will give greatest satisfaction and greatest charity to humanity is to make them Krishna Consciousness. You often said "Krishna Consciousness is Common Sense".

Please benedict me with that common sense. I have no competency to adequately describe your glories. So, I pray to you to give me chance to glorify your grace life after life. I am so unfortunate and adamant that I do not completely heed to your life saving nectarine words and pushing myself into dark well of material affairs.

I sincerely pray at your lotus feet to shower your blessings upon me and give me enough intelligence, will power to practice your instructions and power to restraint demands of senses to my best capacity and to follow the 4 regulative principles so that I can achieve the highest success of life of loving service to God.

I humbly request you not to abandon this un-sincere, ignorant and most unfortunate soul. I promise you that I follow 4 regulative principles till the end of life and I pray to clear out all hindrances in material life to serve your grace and their Lordships better.

With your all merciful glance, kindly take care of this fallen soul.

Most undeserving and unqualified soul.

Your Servant,

Bhakta Phaneendra.

Bhakta Pradeep

Dear Srila Prabhupada,

Please accept my humble obeisances.,

All Glories to Srila prabhupada.

As the glory of the Lord is so merciful, your glory is also unlimited. You are the Jagad-guru who inspired many to reach Krishna. We are all like particles of sand which you built a palace of Krishna consciousness. In this Kali yuga the best way to reach god is chanting of Hare Krishna maha mantra that was gifted by you to this Universe.

You made us engaged in serving lord which transformed many lives among them I am the one. Let me offer my respectful obeisance to you again a million times.

Message from you is serving lord through many ways among them which attracted me to join in Krishna consciousness was Gaudya Sampradaya Deity worship. It made me surrender to you and lordships by taking part in all festivals and Utsavas. I am feeling great pleasure that you accepted me for these blessed and wonderful times. Chanting of Hare-Krishna maha mantra brought a lot of change in me, its self-realisation which i started experiencing in a very special way of seeing Lordships of Nitai-Gauranga. Every day of mine under your blessings are happiest moments.

Started experiencing a very different phase of life with Hare-Krishna Maha Mantra chanting, serving lordships, temple prasadam, spiritual tours, taking part in festivals etc a big list of opportunities are the gifts from you which I have received.

Whole this human life is surrendered to your Lotus feet my master.

I am very happy to be under prabhu's guidance the care and love which I am getting from temple is speechless.

Let me serve you and our temple in the way i can see the glory of the temple with all facilities it's only possible with your mercy and blessings my master.

Knowingly or unknowingly and mistakes from my end please forgive me and hold on my hand to walk in Krishna path for ever. Seeking Radha Govinda blessings and Nitai-Gauranga blessings through you my Master.

Yours servant,

Bhakta Pradeep.

Bhakta Pradeep P

Dear Srila Prabhupada,

Please accept my humble obeisance's. I am not even qualified to write "VYASA PUJA OFFERING" to you and I don't know how to write, but out of your causeless mercy, you gave me the chance to write VYASA PUJA OFFERING to you.

When I am studying CA IPCC I met One of my school Friend Name "Dasari Kasi" and he told me about your glories and your hard work that you did to bring the ISKCON into existence and later on I used to listen to your glories and the pastimes of KRISHNA and I got attracted to some of the Krishna pastimes. Later on he gave me the number of "Vaikunteswara Dasa Prabhu (Kakinada)" number and on the month of February 2018 I first met him in Akshaya Pathra in Kakinada, Prabhu gave me the Japa Mala and he told me how to chant and likewise, I came to touch with ISKCON. In Kakinada, I used to participate in Festivals that are conducted by Prabhu and also I used to serve in the Subhojam counter in the G.G.H hospital in Kakinada. You were always with me in each and every step even if I did mistakes that I can't correct them. Krishna and you gave me so many opportunities for me.

I have problems, but I never ever felt like why the problems are only for me and you gave me the strength of facing the situations. Later on, with the help of Vaikunteswara Prabhu, I am staying in Folk Hostel Musheerabada as I am preparing for UPSC Exams. Prabhu used to help me a lot when I am in stress felling etc. Even I must thankful to Sudharshan Das Prabhu for giving me shelter under this Roof. The Hostel was very good enough. Mostly I like the tradition they are following.

My life is in your hands now. Everything I possess is given by you only. Please keep me in your shelter as your child. At last, I beg forgiveness for all offenses I have committed knowingly and unknowingly at your lotus feet and at the feet of your disciples.

Your insignificant Poor servant among all your servants,

Bhakta Pradeep.P (Kakinada).

Dear Srila Prabhupada,

Please accept my humble Obeisance.

All glories to Srila Prabhupada. All glories to you on this auspicious Occasion of your Vyasa Puja.

How Srila Prabhupada influenced me in just 30 days?

Hare Krishna Mantra: 108 times per day changed my turbulences and brought me to the spiritual world where I started treating Lord Krishna like my friend, my guardian and of course, Partha Sarathi.

In a short time of 10 minutes every day, my thoughts of negativity completely changed to positivity and the way I used to look at life changed.

And I realised, the ultimate goal of life is to be Happy and it is possible with Spirituality

Your humble Servant,

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet.

Vedic science Club has very much impact on my life. Chanting makes my mind very peaceful. Srila Prabhupada's teachings and talks made very much effect on my life. That made me think of that Self-Realization is needed in life. Happiness is possible by self-realization rather than going around money. The Kirtans made on weekends are relaxing us. Last but not least the Prasadam supplied/given is very delicious and good quality and non-harmful. Thank you, to ISKCON.

Your humble Servant,

Bhakta Praneeth, Vedic Science Club, IIT Hyderabad.

Bhakta Prasanna Hirlekar

Dear Srila Prabhupada,

I offer my sincere obeisances at your feet. You magnanimously bestowed on us Krishna consciousness with a 'lifetime warranty.' Just as during your manifest presence on earth, so now after your external disappearance, you continue to make Krishna consciousness work for a burgeoning global community.

You are the perpetual reference point of purity, determination, fearlessness, and devotion to Krishna. History will inevitably throw up varieties of lesser persons claiming to know and embody 'the way.' It is you Prabhupada that save the innocent from such lesser leaders.

Had Krishna not sent and revealed you as truly the best person, many one-eyed gurus would have ruled the blind valley of the modern world.

We continue our lifelong task of finding the most appropriate balance between the twin historical imperatives of preservation and adaptation. We must preserve intact all that is essential in our supreme tradition. Yet a movement may lose itself not only through deviation, but also through fatal attrition, caused by a failure to include relevance among the items to be preserved.

Only you, Prabhupada, can bless us with the keen intelligence to properly balance preservation and adaptation. Only you can perfectly teach us to correctly discern the basic, the fundamental, the unchangeable, from the variable, protean, adaptable detail. We must earn your blessings On the holy day of your divine appearance, along with our expressions of gratitude, we congratulate you on your sublime descent into this world, your inimitable glorious deeds, and your immaculate departure. Kindly empower us more than ever to do your work in this baffled world.

Always in Your Service.

Your Servant,

Bhakta Prasanna Hirlekar.

Dear Srila Prabhupada,

Please accept my humble obeisance,

All glories to Srila Prabhupada. All glories to you on this auspicious day of Vyasa puja,

You are the hope in darkness for fallen souls. I have taken birth after birth, unknowing the purpose of my life, which is Krishna prema. Although I know it now, but a certain level of ignorance due to maya around, has made me deviate the purpose and enjoy the material pleasures. Still with lots of love on this fallen soul, you brought me back and remove the eye salve of Maya, by your books , teachings and sankirtans.

Please keep showering love till I reach feet of Krishna, in service of your mission. You're the real father of my soul forever, I learnt to crawl, walk and run in Krishna consciousness following your footsteps. I'm the richest, luckiest, fortunate and blessed amongst many dead souls. Wish to serve your mission till my soul's purpose is fulfilled.

Thank you my father. Yours innocent child.

Dear Srila Prabhupada,

Please accept my humble obeisance,

All glories to Srila Prabhupada. All glories to you on this auspicious day of Vyasa puja.

I am very glad to write a Vyasa puja offering to you. It is a very important day to celebrate in temple as well as in my life.

We need to understand regarding Vyasa puja. The Vedas originated from the Supreme Lord Krishna. Lord Sri Krishna imparted the Vedic knowledge to Lord Brahma, the creator of this universe, and in that disciplic succession 32nd Acharya is Your Divine Grace.

It is basically the handing over of knowledge of spirituality. Which finally reached to conditioned soul like myself.

Please help me to grow spiritually and read Gita daily as it is very much helpful to me.

Your Servant,

Bhakta Praveen Kumar Mohanty.

Life is unreal and It depends on your perception.

Learning many things which leads make myself challenging and accepting life as it comes.

By Chanting Hare Krishna and listening to make soul peaceful.

Learned and implementing many more things from Bhagavad-Gita – As It is

Thank you for leading me on the right path.

Your humble Servant,

Dear Srila Prabhupada,

Please accept my humble obeisances.

All glories to you on this auspicious day of Vyasa Puja.

I am very happy to share my happiness when I know about Krishna Consciousness and the nectar of Krishna consciousness.

At first, I entered into our Folk, I get so stunned that it was quite opposite to our general life. After getting into the Krishna consciousness, I can able to handle the dangerous situations in my life and I can easily handle any situation by gaining mental stability of myself.

Mainly I am aware of the things that need to be done and not done. Thank you very much, Prabhupada.

Your Humble Servant,

“The spiritual master is receiving benediction from the ocean of mercy. Just as a cloud pours water on a forest fire to extinguish it, so the spiritual master delivers the materially afflicted world by extinguishing the blazing fire of material existence. I offer my respectful obeisances unto the lotus feet of such a spiritual master, who is an ocean of auspicious qualities”.

O Krishna Prestaya, I am feeling very very fortunate to get in touch with you. It is a rare opportunity to get in touch with a pure devotee of Lord Sri Krishna in this iron age of kaliyuga.

O Vishnupada, I had a very good time in the association of devotees such as Holy dham yatra, Spiritual trips, Mahā prasādam feasts and association of like minded people in the community. This is all because of your ocean of Mercy. Please situate me in the association of devotees forever and ever.

O Bhaktivedanta, Before coming in touch with you, I don't have any goal of life, but now by your causeless compassion unto me, I have understood the summum bonum of my life. You made your Vani and Books readily available to everyone at their fingertips.

Many of your excerpt lectures are eye-opening and mind boggling, this has helped in improving my chanting quality, inspires me to chant daily and serious practice towards Krishna consciousness philosophy.

Thank you so much Srila Prabhupada for waking up this sleeping soul and showing the direction to the supreme destination by your divine instructions. I beg for your mercy to strictly follow the four regulative principles and 16 rounds of chanting the Hare Krishna Mahāmantra daily.

By your mercy, I have understood the importance of rare human life and I am very eager to hear excerpt lectures on Srimad Bhāgavatam from senior Vaishnavas, Please bestow me strength to awaken my heart by understanding and realizing (Jnāna and Vijnāna) about the supreme absolute truth (Divya Jnān).

O Gurudeva, I beg you to bestow your benediction unto this insignificant soul and recommend to Lord Sri Krishna and Srimati Radharani to engage in direct loving devotional service at the end of this life. I beg you to give me the strength to remember Krishna at the time of death.

Jaya Nimai ! Jaya Nitai !!

Jaya hari bol ! Jaya Srila Prabhupada !!

Thank you very much.

Life is one for everyone, but the way to be lived in an awakening should be learned from Srila Prabhupada. In such an early generation, the way you offered preaching's of Krishna Consciousness spread to the world like fire.

From my perception, I got to know about Chanting Mantra Meditation and achieving Self Realization. There is no other way to lead a simple life other than comparing to your life. I got to know what life is meant to be from the Vedic Science Club, Kandi. This all credit goes to you Srila Prabhupada.

Please accept my humble obeisances again and again. All glories to your lotus feet.

By your grace ,srila prabhupada,I came to know Krishna consciousness means connecting to Krishna. Krishna is eternal . Before I come into Krishna consciousness I thought I am useless ,but when I started practicing Krishna consciousness like simply by chanting Hare Krishna mantra ,and reading your books.

I started chanting 1 round of Hare Krishna mantra with your guidance and by your mercy, today I am chanting 16 rounds. Prabhupada please make me more sincere in devotion and kindly forgive me,even knowingly or unknowingly if I commit any mistakes.

I read Hare Krishna Challenge, from this book ,I have learned a lot of things, not only chanting,so many things like preaching and raising donations to temples, through in this way also,I will increase my devotion.

The sloka “Janma sardaka kari karo paropakar”, this inspired me a lot ,by your grace, I will get attachment to Krishna, and I always engage in Krishna consciousness, I want to be a vaishnava. Srila Prabhupad please give more energy to me to engage in Krishna consciousness.

After started chanting Hare Krishna mantra,I observed a lot of change happened in my life, I am more happy, when compared to previous living.

Now I am under shelter of your lotus feet, now I am fully protected from maya, with your association, I got more confidence in Krishna consciousness ,by your grace I got opportunity to engage in Krishna consciousness.

Without any fail, I am daily attending Mangala arathi, now I am feeling more anxiety to attend arathi,and also daily I am going to Nagar sankirtans, Now I came to know that cleaning means cleaning heart, internal things, by doing service, dancing, chanting e.t.c,

So kindly engage me more and more in Krishna consciousness,so that I can nicely perform devotional service under your guidance.

Thank you prabhupad.

Dear Srila Prabhupada

Please accept my humble obeisances unto your lotus feet.

After joining the VSC which is a part of the ISKCON foundation. I got so much of self-realization in my life. I inculcated a habit of chanting which is a verbal meditation, it brought me so much of inner peace. Even I started reading Bhagavad-gita, in which I missed such a powerful tool all these days.

I would also like to thank the Akshaya Patra Foundation for offering delicious Prasadam indirectly which healed my health problems.

Jai Srila Prabhupada.

Your humble Servant, Bhaktha P Rajesh, Vedic Science Club, IIT Hyderabad.

Dear Srila Prabhupada.

Please accept my humble obeisances.

All glories to Srila Prabhupada on the auspicious day of his appearance.

Srila Prabhupada started spreading the Krishna consciousness around the world at the age of 70. He spent most of the time for Krishna. He started a good initiative for poor students, especially for food and education in India. Most of the poor students are getting benefits. Not only the poor students but also most of the old aged and poor people [Midday 5 Rs meal scheme].

The main change in me is understanding myself which is very important. So the Hare Krishna chanting is very very useful to get that stage.

He is a great spiritual master to the youths in the world. He spent most of the time writing the books, translating Gita in English, he gave thousands of speeches, he convinced many people about the presence of Krishna.

Doing the service to society is the main key parameter from his order. He took good initiation towards the changes in the youth's mind towards better things.

Your humble servant,

Bhakta Raju M, Vedic Science Club, IIT Hyderabad.

You showered your causeless mercy upon us, gave a wonderful life, which many people in the outside world hankering for. You gave a family of great people, and understanding to accept this whole world as my family. Devotees are taking care of me very nicely, they are all backing me up at all off situations. I had health issues, now it is being improved. I will be indebted to you many many lives.

Please bless us with this happiness throughout our life. Give us a chance to serve you.

Dear Srila Prabhupada,

Before coming to the Krishna consciousness my life is like conditional but now become a happy life. Now I increased my spiritual knowledge growth and understood the importance of Vedic literature. Now I think that Vedic civilization is better than the material civilization. Some changes occurred in my life. I'm now self-motivated and self-realized in my personal activities.

Now with the support of the spiritual knowledge purification happening in my life and by the support of Vedic literature I increase my spiritual knowledge daily some percent. These all things happen only & only by your divine grace Bhaktivedata Swami Srila Prabhupada.

Dear Srila Prabhupada,

Please accept my humble Obeisance,

All glories to you. All glories to you on this auspicious occasion of your Vyasa Puja.

I was drifted in the material world, where rarely speculated myself regarding devotion. I was blinded by dark and certainly, I was less focused on spiritual Knowledge. However certainly I was known that my knowledge is understanding Bhagavad-gita is not upto my level. By god's grace I found a path through Srila Prabhupada.

More than material world I started thinking about and started working on Spiritual Knowledge. Truly this hard work is due to Srila Prabhupada. I am very much happy now. I have come to know and able to differentiate between good and bad.

Moreover, it is thriving me to the right path. I was barely interested in spiritual knowledge before I was introduced to “Vedic Science Club”. My friends took me to the Vedic Science Club and introducing me Prabhus. I was not attracted certainly. But the Vedic Scriptures and true Spirit of Lord Krishna does.

I was not surprised certainly being an IITian whoever thinks that their power is superior than some extent and then they are living in illusory world. Further I came to Know many things through Srila Prabhupada and his hard work in bringing such a golden Vedic Scriptures into Modern existence.

“All glories to Srila Prabhupada”

Surprisingly I also came to know that I was drifted in understanding proper knowledge and I acquire certain knowledge through Srila Prabhupada and started teaching to my family.

It was a big thing that I stopped eating non-veg However certainly I was a non-vegetarian by birth (As my parents say so). I constantly stopped eating non-veg, not to mention completely I am eating Seafood. However, I will definitely stop that too one day.

My parents are wondered after looking my transformation and they may not believe me certainly but one day they will. Basically I wanted to become a teacher. Hence I believe that and gave me the opportunity to teach good things to people. Srila Prabhupada books and result of his work, helping me in all the way to reach near to Godhead. I wish always I want to end up this human struggles and stay with God forever.

I believe in Spiritual World.

“Thanks a lot Srila Prabhupada for his hard work”

Bhakta Ramu B, Vedic Science Club, IIT Hyderabad.

Dear Srila Prabhupada,

Please accept my humble obeisance.

All glories to Srila Prabhupada. All glories to you on this auspicious day of you Vyasa-Puja.

While I'm searching for a shelter near my college, it's your grace that I got to know about the ISKCON hostel/ Ashram. Hence, completing my need for a shelter.

I hope it won't be possible, “that I'm getting all the positive thoughts to my mind, unlike before, where I would suffer much due to my thinking” without you.

With your blessings, I got a good environment to proceed with my studies as well as excel in life.

And I also felt that, after completing just one round of the Hare Krishna Mahamantra on a day, then that day will be joyful.

I usually feel much peace in my mind, after completing an event that is initiated by ISKCON.

And I am excited to get joyful experience in the shadows of your grace.

And believe that, I would change myself to the positive race, which will be useful to my surroundings as well.

The above all won't be possible without your shown path of your Krishna consciousness.

And moreover, the prasadam after every event is much more delicious (LOL).

Your humble servant,

Dear Srila Prabhupada,

Please accept my humble obeisances. All Glories to Srila Prabhupada.

Please accept my humble obeisances at your lotus feet. All glories to you, the savior of the fallen.

It's my strong conviction that without you I would not have understood the importance of chanting and hearing the glories of Lord Sri Krishna. You are the only reason, if somebody is chanting Hare Krishna Maha Mantra at present, and You are the one who gave the knowledge of Vedic scriptures in very simple books where we can understand in simple language and they are very powerful!!

Truly I do not know the value of chanting, but still, I am doing it only because you said it!! Prabhupad please bless me to use all my knowledge for your mission. I hope by your mercy one day all my speculations will be gone and reach a mature stage to understand the true essence of Krishna consciousness.

What else a rascal and fool like me can say about you. I believe even this rascal is picked by you to be protected from the clutches of materialism. Please don't leave me at any cost!!

Your Unqualified Servant,

Bhakta Ratheesh Ramakrishnan.

Dear Srila Prabhupada,

Please accept my humble obeisances unto you.

You are the one who made hippies into devotees of lord Krishna.

You are the one who created spiritual embassy of Vaikunta called ISKCON, where we are enjoying Krishna prasadam, kirthans, deity worship etc. Because of you all of us getting service of supreme lord Krishna irrespective of religion, caste, region.

Dear Prabhupada please bless me to always engage in the service of lord Krishna and to progress rapidly in spiritual life. Please give me the spiritual strength to cross over the ocean of material world.

With regards,

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet.

All glories to you!

It has been a wonderful year in the association of your disciples in the ashram. I am very indebted to your divine grace to bring me to this very sublime process of practicing and understanding Krishna Consciousness in your mission.

On this auspicious occasion, I take the opportunity to glorify your uncommon” transcendental” pastimes that were performed by your grace on this earth.

Srila Prabhupada your glories are immense, it's not possible to describe all in one time. But a few of those I will recall.

At the ripened age of 70 years, you have embarked on a cargo ship to the western countries to preach the cult of Sri Chaitanya Mahaprabhu, on the order of your spiritual master (H.D.G Srila Bhaktisiddhanta Sarasvati Goswami). Who else could be more compassionate than your divine grace to take the hard struggle and this shows your firm determination to follow the instructions of the Spiritual master at any cost.

Srila Prabhupada, your vision of (“Brhad Mrdanga”) that is your transcendental books had reached the nook and corner of the world and has been transforming the people at large.

Srila Prabhupada your Vani in the form of recorded videos and audios is filling the gap you're your physical presence and guiding a neophyte disciple to progress towards understanding Krishna.

At last, I beg for your causeless mercy upon this most fallen soul to give me the strength to follow your instructions amidst all the impediments due to Mind, Body on the path of devotional service in the association of Vaishnava throughout my life.

Your Servant,

Bhakta Raviteja, HKM_Hyderabad.

Bhakta Raviteja

Dear Srila Prabhupada,

Please accept my humble obeisance,

All glories to srila prabhupada. All glories to you on this auspicious day of your Vyasa puja,

Krishna Consciousness movement brought me to think about the real purpose of life. Before that we are all ignorant about our real purpose of life. Without you I would have been another living entity which came here to the material world and pass without knowing the true value of life.

Hare Krishna movement also improved my true personality in addition to the spiritual knowledge I gained. Things like being humble, how this Maya or false ego in me trying to control me. Your teachings taught me how to be humble and to be successful in my personal career.

I was also able to change my eating habits which I realized after having 2 years of prasadam which I used to honor daily in my college. Last but not least you have provided a path in this dark world by shedding light by your preachings and books.

Please bless me.....

Yours obedient faithful servant,

Bhakta Raviteja.

భవంతుడిని దర్శించటానికి ముల్లోకాలు తిరిగితే వస్తాడే లేదో తెలియదు కానీ, నువ్వు ఉన్న చోటు నుంచే పంచేంద్రియాలను నీ ఆధీనంలో ఉంచుకొని, నాభీ అంతరాళం నుంచి, ఆర్ధత నిండిన స్వరంతో ఆ సర్వ మంగళ కారుణ్ణి నోరారా హరే కృష్ణ అని పిలిస్తే ఆ దేవాది దేవుణ్ణి ఆత్మదర్శనం చేసుకున్నట్లేనని మీ ఆత్మీయ శిష్యగణం చూసిన తరువాత నాకు అర్థమైంది. మీరు గుర్తించి, ఆచరించిన విధానాన్ని ప్రపంచమంతా విస్మయంగా చూసింది. ఆధ్యాత్మికతను రక్షించటానికి మీరు ప్రపంచమంతా తిరిగి వారి జీవితాల్లో హరేకృష్ణ నామాన్ని పఠించకపోతే మాకు ఏం జరిగిఉండేది. దేవుని వరేమను ప్రపంచమంతటా వ్యాప్తి చేయాలనే మీ సాహసోపేతమైన మరియు దృఢసంకల్పముండు నాలో ఉన్న ప్రపంచాన్ని నేను జయించలేన అనిపిస్తుంటుంది.

నేను ఆతిధ్యాత్మిక పరిణతి చెందటానికి మీ భోధన యొక్క శక్తి, మీ భక్తి యొక్క స్వచ్ఛత వరేమను ఏ రూపంలోనైనా అందించండి. భగవంతుని నామస్మరణలో స్పృహను ప్రదర్శించటంలో నాకు సహాయపడండి అని వేడుకోవాలనిఉంది.

మీరు నాటిన హరేకృష్ణ అనే ఆధ్యాత్మిక కుటుంబంలో నేను ఒక సభ్యుడిని అయినందుకు నేను ఎల్లవేళలా మీకు కృతజ్ఞతతో మీకు నిబద్ధుడనవుతాను. నా ఆధ్యాత్మిక ప్రయాణం అప్పుడే రెండు సంవత్సరాలు గడిచిపోయింది. కాలక్రమేణా మీ పట్ల న భక్తి నిరంతరం పెరుగుతూనే ఉంది. మీ సేవలో నన్ను నిమగ్నం చేసినందుకు మరియు ఈ విధంగా మాకు అవకాశం ఇచ్చినందుకు సర్వదా అన్నివేళలా మీకు ధన్యవాదాలు తెలుపుకుంటున్నాను.

Dear Srila Prabhupada,

Please accept my humble obeisance.

All glories to Srila Prabhupada. All glories to you on this auspicious day of your Vyasa Puja.

Thank you for inviting us. After coming here, I came to know about the practice of chanting. I can see the change in the way I am looking at things. Now I have enough understanding of the existence of God. I started reading the great scripture called Srimad Bhagavatam.

Once again I am giving my gratitude and wishes for the Guru who taught me about this Krishna Consciousness.

I would like to appreciate the service that you have been providing since day 1, I started coming.

Your Humble Servant,

Bhakta J Sai Kishore, Vedic Science Club, IIT Hyderabad.

Bhakta Sai Krishna C

Hare Krishna Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet Srila Prabhupada. Dandavats pranam!

Prabhupada, you have graced my life through your devotees when I was facing the very toughest times in my life. Just a little feeling of the presence of Krishna in one's life gives one the greatest hope in any situation.

There have been countless situations where Krishna has showered his mercy upon me.

Traveling to a foreign land to spread Krishna Consciousness at age 69 with just 40 rupees in hand and suffering two heart attacks on the cargo ship journey, but still relentless to move forward shows your dedication and devotion to spread the holy name of Lord Krishna. Seeing this Krishna showered his mercy and he himself came to take control of the JalaDuta ship.

Starting the International Society of Krishna Consciousness (Iskcon) in New York in 1966, you have traveled the whole globe 14 times, written over 64 books and established 108 centres all over the world within a short span of 11 years, which is an impossible task. But, you have shown that through dedication, purity, devotion and above all surrendering to Krishna then anything is possible.

Krishna chose you, as the last acharya for the next 10,000 years of golden period. Coming as a guru in kali yuga is the toughest task that there can be. You have spread the highest level of love and consciousness in this darkest yuga for the liberation of whole mankind through the maha-mantra. Even to recognize the immensity of your contribution take certain qualifications, but People all over the globe are starting to notice your matchless contribution to the society and soon, as Sri Chaitanya Mahaprabhu said the maha-mantra will reverberate in every nook and corner of the world.

Lastly, just realizing this is enough for me that whatever I do, I just cannot repay you Prabhupada for giving me the supreme personality of godhead Krishna, who is only conquerable through by love.

Hare Krishna Hare Krishna Krishna Krishna Hare Hare,

Hare Rama Hare Rama Rama Rama Hare Hare.

Yours Loving servant, Bhakta C Sai Krishna.

Bhakta Sai Kumar M

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet. All glories to Guru and Gauranga.

I am nothing when I am not in touch with the Hare Krishna Movement. Your movement guided me to live in a good society where I can able to live successfully without any contamination. As kali yuga is full of contamination and with a false ego, people are trying to do something great. But in this process, they are forgetting to do their actual duties. I am one of the worst souls in this process of doing something great. This Hare Krishna Movement is the only movement that guides the human into a respectable society where they can live happily. And these Hare Krishna Movement is like an oasis in the desert.

And every second in Movement helped me in purifying right beginning from Mangala Arathi to the end of the day. Every second is purifying knowingly or unknowingly.

Please keep me at your lotus feet.

Your servant at your lotus feet,

Dear Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet.

All glories to you on this most auspicious appearance day of your divine grace.

Prabhupada, today on the occasion of guru Poornima, with your mercy, I got a chance to glorify my spiritual guru Maharaj (commander in chief of Chaitanya maha prabhu and dear to Krishna and Radha rani... who always in the service of supreme lord and always ready to serve guru and shows ocean of mercy on his followers to rescue them from maya and giving the chance and path to go back to the Supreme Lord's aboard.)

Since childhood onwards we learned with below sloka about guru...

*Guru Brahma Gurur Vishnu Guru Devo Maheshwaraha
Guru Saakshat Para Brahma Tasmai Sree Gurave Namaha...*

Guru should be treated almost equivalent to lord, with his mercy only we can come out of ignorance and mayandhakara, with his divine spiritual knowledge and guidance.

With Krishna's mercy, Chaitanya Mahaprabhu's blessings and with your compassion for mankind... now entire world we got true genuine guru... who transferring the spiritual knowledge from the supreme lord to entire mankind without modifications or dilutions...

Thank you prabhupad... as kaliyuga progressing. everyone running into rat-race... birth, undergoing materialistic education, earn money become old and die... daily eat, sleep, mate and defend... simply performing animalistic way of life... and forgetting actual goal of human form of life and going through repeated birth death disease and old age cycle... and never coming out of that...

Prabhupad... with your mercy... at least in this human form of life... we got to know the actual purpose of human form of life... please show your mercy and give the strength to practice Krishna consciousness lifestyle and come out of ignorance and Maya's illusion.

With your way of life style... you showed us how a devotee lead his Krishna consciousness life... at the age of 69, to fulfill your guru Maharaj's order and wish to spread Krishna bhakti to entire world.. you travelled to USA... without knowing a single person and simply having faith in Krishna and Chaitanya Mahaprabhu...

Now you established 108 Krishna consciousness temples across the globe... 6 continents and almost all countries... where everyone can practically see the purity of your spiritual desire and Krishna's blessings.. with this your determination you showed us how one devotee should serve his guru and Krishna...

Thank you prabhupad... by giving Hare Krishna Maha Mantra... you gave us chance to invite Krishna into our life... forgotten our supreme father and waiting for us to come back to his abode and generously sending spiritual masters to give spiritual knowledge and giving a way lifestyle to live to come back to the spiritual world...

With Krishna's blessing and your mercy.. now with Hare Krishna maha mantra... we are trying to purify our lives and trying to associate with Krishna...

Thank you prabhupad with your writings, now we are able to know actual spiritual knowledge by reading Srimad Bhagavad-Gita and Srimad Bhagavatam... Please show your mercy on us to read this spiritual knowledge and understand properly and as it is...

With your mercy, there are crores of people understanding the actual purpose of human form of life and leading their life's in a spiritual path to fulfill the purpose of human form of life and reach aboard of supreme lord.

Prabhupad please bless us to do more chanting to purify us and to associate with Krishna and to read more and more your books to understand spiritual knowledge, knowledge which Krishna himself gave personally.. and associate with devotees to rescue us from Maya's trap and from our ignorance...

Begging to remain under the shelter of the lotus feet of the supreme lord and aspiring to be humble Servant

Bhakta S SAI LAXMAN.

Dear Srila Prabhupad,

Please accept my humble obeisances.

All glories to Srila Prabhupad on the auspicious day of appearance.

It is fortunate to have a guru like your Divine Grace Srila Prabhupada who inspired millions of people in devotional service to Lord Krishna. To glorify him is a small thing as we are deeply debited for his contribution to Krishna Consciousness, from the propagation of Hare Krishna Maha-mantra to translation of Vedic books to finally let the people know the significance of Sankirtan Yagna in the age of Kali. I have always been inspired by his kirtan which revives the lost relationship to the Lord.

Your humble devotee,

Dear Srila Prabhupada,

Please accept my humble obeisance.

All glories to Srila Prabhupada. All glories to you on this auspicious day of Vyas puja.

I was in search for ultimate knowledge, wisdom, purpose of life. etc kind of things and people surrounding me couldn't satisfy my logic to that extent, what I think it should be and you are one among those persons whose taught process is in line with what I think it should be and made sense and your concepts such as transcendental mellowness. etc made me realize the ultimate bliss of life.

As of now, I am facing some challenges in following some of divine instructions which you taught, due to some material world problems, once I am free from that I will try to follow your divine instructions as many as I can.

Your servant,

Dear Srila Prabhupada,

Please accept my obeisances unto your Lotus feet.

Actually in previous year I thought that spirituality is just a part of our daily routine, but after associating with your books I have got realization that all these material degrees like doctor, Engineer, IAS, IPS etc. are nothing when compared to devotional service of the lord, so that I have taken a bold decision to become a missionary devotee to serve your mission, please give me strength to fight against maya, to accept, understand and follow the rules and regulation of the temple given by you which is not comfortable for my mind but I should follow with utmost faith, Give me direction to take a right

decision related to my Health, even though my health is not good I should serve you my best without any depression related to body by adapting the challenges as opportunities, O spiritual master please bless me and give strength to continue service unto your lotus feet even though I face so many difficulties in executing your mission ,so that I will get purified as early as possible in such a way that each and every minute should be used for the service of krishna

Yours Obediently, Bhakta Sanath Kumar.

All glories to Srila Prabhupada, please accept my humble obeisance to your lotus feet.

Dear Srila Prabhupada,

I joined VSC two years back with the mercy of spiritual master Srila Prabhupada. I have noticed since till date that, I am experiencing more spiritual advancement and improvement in self-realization. I have left meat eating from two years since I joined Vedic Science Club, which is the most basic miracle happened with me. I brought to know that the basic concept of our life is "I am soul not this body", which helped to avoid unnecessary attraction towards body means we should just preserve it and concentrate in our spiritual enhancement. I am chanting two rounds and trying to reach at four. I wish that everyone should get mercy of Srila Prabhupad to get spiritual enhancement Vedic science club helped me to understand the Krishna, which is not fully possible to describe here. I will close my statement saying that "The most beautiful moment of my life is at the Vedic Science Club with the mercy of Srila Prabhupada"

Your Servant,

Bhakta Sanket Mishra

My Dear Srila Prabhupada,

Please accept my prostate obeisance at your divine lotus feet. I beg to remain there always and forever

You told us that Kṛṣṇa is God and that Lord Caitanya Mahaprabhu is Kṛṣṇa, who came as His own devotee—Radha and Kṛṣṇa combined. Thank you for sharing Kṛṣṇa with us. None of us could have ever imagined the complexities of God. Most important of all, you wanted us to understand that God is a person, and that God's name is not only hallowed, but that God is not different from His name and that His name is Kṛṣṇa. And best of all, Kṛṣṇa is so wonderful that He will eat fire to protect his devotee! I cannot conceive of the immense good fortune that has come upon me to receive just a speck of dust of Your Divine Grace's mercy. It has given my life complete meaning and purpose—a clear vision based upon the directives you have set forth. I fall at your feet again and again with inexplicable gratitude.

While it is true that I have not lived up to your standards for much of my life, I am not discouraged or depressed. I have confidence and faith in your words, in your great mission which you have so boldly set forth. I know that just as the insignificant spider who helped Lord Rama, or the little sparrow who exhibited great determination to get her eggs back from the ocean, so too do I have a chance of receiving your blessing—if I simply endeavour to follow your instructions sincerely, to the best of my ability.

Srila Prabhupada, I see so many wonderful things happening by your grace. I see so many sincere, wonderful devotees dedicating themselves to your mission. I see them struggling to overcome obstacles, personal and communal, so-as-to serve your mission. I see them becoming empowered by your grace to push ahead and thus reach out to touch so many souls. I am seeing hearts transformed as newcomers enter the association of the devotees and become transformed by the kirtans of the holy name and the divine discourses on Bhagavat dharma. This is all due to your grace—and your grace is flowering and flowing like the river Ganges.

I also see that “Maya” has her ways of impeding your mission.

I fervently pray that all the devotees become more and more empowered in their sadhana as well as their respective occupations and thus more boldly set an example of living as a Vaishnava in the world.

As the body ages and decays into increasing pain and anxiety, I grow increasingly grateful that you, your causeless mercy upon this useless servant is unfathomable, and I beg you to continue to keep me as a minute piece of dust in the shelter of your lotus feet, in the service of your surrendered disciples birth after birth. Thank you.

All Glories to Srila Prabhupada! Although I am tiny, please empower me to do something big for you... if not in this life, then in the next... perhaps with you on Sri Kṛṣṇa’s transcendental roadshow! Begging to remain,

O Prabhupāda, I bow before you again and again, and I give you thanks without end.

Your eternal servant,

Bhakta Sanket Mishra.

Dear Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet.

I will remain indebted to you for giving me again the chance of writing Vyasa puja offerings this year too. The self-realization platform that you created for this age of quarrel and hypocrisy (Kali Yuga), is the only path that can be practiced in this modern day to day life. I started my association with the Krishna consciousness path of true self-realization in my first year of Ph.D. when I joined at IIT Hyderabad in the year 2014. At present I am in the fifth year of my Ph.D. and reaching towards the completion of my Ph.D. thesis. I am very thankful to you for giving me the chance of taking up the process ABCD of Krishna consciousness, namely Association with your Bonafide disciples, Reading your Books, Chanting of Hare Krishna Maha Mantra and Devotional service to the Supreme Lord Krishna through the chain of disciplic succession in all these years. You have been providing your teachings, for the last four years of your association in instance of my life so far. I remain indebted to you for showing the blessings upon me and fulfilling the desires (both material as well as spiritual) lie inside my heart without expressing them externally to you/Krishna.

I am requesting you to kindly show your mercy forever on this poor soul to take up the ABCD of Krishna conscious process forever. Kindly forgive this poor soul if by any chance affected by Maya and request you to make me again your servant forever.

Your Servant,

Please accept my humble obeisances at your divine lotus feet.

All glories to you on this most auspicious appearance day of your divine grace.

After coming and spending some time daily in the Vedic Science Club near IIT Hyderabad, my thoughts have changed and my mental peace also achieved by devoting and chanting mantras. Listening to your Divine Grace’s writings of spirituality through the Prabhus have immensely affected my view about this world and the purpose for me in this world. These things helped me to reduce my stress and enjoy the things I do regularly. After coming in touch with the ISKCON movement I

felt immensely motivated that nothing is impossible with God's grace and blessing. Thanking you for all the things provided to me.

Always at your Service,

Dear Srila Prabhupad,

Please accept my humble obeisances.

All glories to Srila Prabhupad on the auspicious day of your appearance.

My sincere request to your lotus feet. I am in touch with the Hare Krishna Movement for almost 5 years through the Vedic Science Club at Hyd.

The translation and purports are given by you in the Bhagavad Gita are worshipable and the explanations for each sloka keep me in a different world. Most of the stressful situations are being avoided by looking at your philosophy about Lord Krishna. We are getting your association through your books and disciples who are coming regularly to the VSC IIT HYD to give knowledge in Krishna consciousness.

I pray and offer respects to Srila Prabhupada always irrespective of my position and place and trying to improve in attaining the knowledge of Krishna consciousness and, through his disciples attaining the highest goal that is going back to Godhead.

Thanking you.

I pray you to make me your servant.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to Srila Prabhupada.

I am practicing Krishna consciousness since June 2014. I experienced so many changes in my daily life. Fickleness in taking decision reduced a lot. Consequences due to wrong decision nullified. Peace of mind acquiring very quickly by recollecting Krishna's words in Bhagavad gita and associating with Prabhupada disciples. Now I am perceiving Krishna consciousness means consciousness of Krishna in everything. All these changes are due to your unconditional mercy.

Now I am doing 4th year PhD, little busy with family life and academics. I am not doing much service to our mission. Once I finish my PhD, determined to do better service to our mission.

To fulfill my desire to serve our mission, always hold my hand and give shelter at your lotus feet. This is my humble request.

Dear Srila Prabhupada,

Please accept my humble obeisance,

All glories to Srila Prabhupada. All glories to you on this auspicious day of your Vyasapuja.

As it is said that in Kalyuga, people will always fight and will remain confused all the time in every decision. This is indeed true and before coming to Krishna Consciousness, I was also confused that how God and his energy works in our life, why there are poor people, why innocent always suffer, why bad things happen to good people and vice-versa. In present days, I found varieties of people (so called intellectuals) who talk rubbish all the time about God and try to confuse people with their own theories and philosophy, leading to build a world without "God Consciousness".

You are my only reason because of that I could able to go to temple, chant the Holy name, do different services, eating prasadam, doing mangal aarti. Your lectures, philosophies are so accurate that I can immediately understand the reason behind any mishap.

Thank you so much for giving us a rigid system, a strong foundation of Krishna consciousness, on which we are enjoying currently, because of you only, today world knows about Radha-Govinda and Lord Jagannath.

Always in your service,

Your Servant,

Bhakta Saurav Kumar Barnwal .

Dear Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet.

All glories to you on this most auspicious appearance day of your divine grace.

My lovely, wonderful, fabulous Prabhupada, I'm loving you a lot and it's increasing day by day, I don't know why, maybe I'm missing you more and more I'm not coming to temple these days because of my profession. I'm travelling continually, but luckily you shared fantabulous Hare Krishna mantra, that's helping me a lot, but irritatingly some situations I'm not doing chanting, and I'm doing wrong things, did lusty things completely I'm going in the wrong direction because of industry pressure, I entered the film industry, and completed 1-1/2-year journey. In my hand few movies with excellent stories also there but unfortunately one movie also not released and my 1st movie still in under shoot I'm not earning single coin also, present situation it's going very bad but I know my Krishna won't make me suffer like that way. Because you are always with me and especially your devotees helping me lot and guiding very well please give good health to them.

Prabhupada please bless me, I want to go to a great position in film industry and get good name, at that same time I want to do good service in our temple, till that give me your mercy and give me strength to do chanting every day without fail and please give good health to my parents because their health condition is not good, so please bless them.

Dear Srila Prabhupada ,

Please accept my humble obeisances.

All glories to Srila Prabhupada. All glories to you on this auspicious occasion of your Vyasa Puja.

Spiritual master Srila Prabhupada has changed many people's life i.e., most of the people were lived their lives without understanding (realization) of God and without self-realization. After he went to western countries Srila Prabhupada taught about the importance of human birth and Vedic culture to the western people. Over the 12 Years of the period, Prabhu made 108 temples and 10000 of regular disciples and wrote many books and translated them into English which is transforming many people from the materialistic world to Spiritual life.

After coming to Vedic Science Club I can understand Who am I and what is the point of human birth and what is the role one has in present birth.

Dear Srila Prabhupada,

Hare Krishna.

Please accept my Humble Obeisances to your Lotus feet. It is a mammoth task to spread Krishna Consciousness to the unknown people across the world. By bringing Krishna to every corner of the world; Swami Prabhupad, has done a work like never before. The magnitude of contribution to bring human being to the benefit of Krishna consciousness is unparalleled. I feel deeply amazed by this feat that it makes me awestruck. The more and more people are getting closer to reality of they world and all other worlds, is because of him. He is truly the Vyasa of this age and should be recognized as such not only by ISKCON devotees but every person. Krishna has extended his noble mercy to me and been with me every second, has guided me in the difficult times, makes me happy, renders devotional feeling inside me, is all because he was brought so close to me and every human being. The guru must be respected and credited for this transcendental benefit received by materialistic people like me. He is worth remembering and thanking every second of life for bringing Krishna so close to us. My heartiest regards and respect for him. श्रील प्रभुपाद की जय। मुझे लगता है कि प्रभुपाद के बारे में कुछ भी लिख पाना बहुत कम है उन्होंने जो पूरे देश और हम सबके लिए किए किया है उसे शब्दों में बयान नहीं किया जा सकता और जितना उनके बारे में कहूँ या बात करूँ वो कम है।

Iskcon के मंदिर में मैं अपने भाई के साथ गई थी जिन्हें iskcon में दीक्षा प्राप्त है, मंदिर में मुझे भगवान, कीर्तन, कथा, नृत्य देख के बहुत ही शांत और सुख की अनुभूति हुई। मैं कुछ सालों से 16 माल और भागवत गीता (as it as) पढ़ रही हूँ तथा प्रभुपाद की लिखी किताबों को भी पढ़ रही हूँ और मुझमें ओर मेरे घर वालों में सभी को बहुत शांति का अनुभव करना शुरू कर दिया है और हम सबके जीवन में बहुत सारे परिवर्तन आये हैं।

O Dear Srila Prabhupada!

Please accept my humble obeisance at your divine lotus feet.

Firstly heartfelt thanks to you Prabhupada for being so merciful to me. Making me known about this Krishna Consciousness movement. My journey on the Spiritual path had been started in 2017. Before that, I don't even know the word spiritual. But just because of your mercy, I could understand the difference between spiritual and material life our real motto of life.

After coming to this consciousness, I have always felt the association of Krishna. Like, he is always helping me, guiding me personally.

Now I am living in FOLK, attending Aarti and Bhagavatam classes just because of your mercy.

As told by you Bhakti is the only way to know Krishna. That also you have made easy. Just by chanting, dancing and eating Prasadam we can progress our consciousness

I was one of the foolish people who didn't know anything. But just because of your blessing, I am progressing every day. I wish I could chant 16 rounds and read all the books which would only be possible by your mercy. So please give me your blessing. So I can progress in Krishna Consciousness. I want to utilize this opportunity.

Your humble Servant,

Bhakta Siddhartha, , SR Nagar.

Dear Srila Prabhupada,

Please accept my humble obeisance.

All glories to Srila Prabhupada. All glories to you on this auspicious day of your Vyasa-Puja.

It is by the example of your life that we, in this material world can learn how to connect with Krishna in our daily life. It gives me immense pleasure to associate myself with your teachings and ideals. We all can get peace and solace through your teachings and follow your path to eternal bliss. On a personal level, I am deeply motivated by your many books, carefully written by you for the people who want to be in your association, years after you have left us. The books motivate us to strive towards a path of Krishna consciousness and allow us to quench our thirst for spiritual knowledge.

It gives me much joy to give you all the credit for the transformation in my life, for I was ignorant before I came under your association. You have helped me become a better human being and helped me realize the ultimate goal of this human life. It is by your strong example, we can and motivation that we should never leave the path of Krishna consciousness despite adversaries in our life. I can recall an example where you, at the age of 75 had to rewrite the translation of the Bhagavad

Gita, when a person had thrown away your manuscripts in Boston. Please bless me so that I may attain this level of integrity and be steadfast in the pursuit of the divine.

Please continue to guide me in my life where I constantly refer to your teachings to and the real purpose of life and make sense of this Kali-yuga and bestow your blessings to me and help me grow into a true devotee.

Your Servant,

Bhakta Sinchan Sengupta, Vedic Science Club, IIT Hyderabad.

Srila Prabhupada, you are the beloved spiritual father of millions of souls on this earth now.

Simply by reading or hearing even one line of your purport my life changed. By your tapasya you have given the wonderful gift of this Krishna consciousness movement to the whole world.

Please forgive my offenses and give me the intelligence to carry out your orders under the protection of your divine movement in the association of your sincere devotees.

I beg your Divine Grace, to continuously cast your mercy upon me and provide me your shelter.

All glories to you on this most auspicious appearance day of your divine grace.

Prabhupada by your merciful glance, got an opportunity to begin my spiritual journey, what is the purpose of life, in this four years of my Krishna consciousness life I have learned a lot of things (but still it is few) and overcome personal problems all because of your causeless mercy.

Because of Krishna consciousness movement, I am living spiritual and peaceful life, otherwise I will not get an opportunity to write this.

You taught us what is the ultimate goal of life in this kaliyuga, i.e., following the four regulative principles, everyday 16 rounds chanting, and reading your book, honour krishna prasadam as much as we can.

Hope this year also by the mercy of Radha Govinda everything will be running smoother in spiritual life.

Always in your service

Your Servant,

Bhakta Sitaram.

Dear Srila Gurudeva,

Please accept my humble obeisance.

All glories to you, Gauranga and Lord Sri Krishna.

Prabhupada, I just wanted to write a few lines on how you have influenced my life.

PART 1

On a fateful summer evening, May 23, 2003, I first visited ISKCON Temple in Tirupati (at that I was working there). I was with my elder brother for the past eight months working for the same company and staying in the same room.

As I bid adieu to my elder brother for his new assignment in Hyderabad, all of a sudden I felt lonely. I stood near a local private bus stand when I heard the name Hare Krishna Temple by the bus conductor. I don't know what happened to me, Krishna attracted me, I took a ticket and sat in the bus. I got down near the Temple. When I entered the temple, I felt very happy. It was a small temple (before construction of Kamala Mandir). There is no hiding of the altars which we see in many temples. I stood in front of Radha Govinda and paid my obeisance. Suddenly I find an old man sitting left to me. At first, I thought it was an old man. But it was YOU manifested as the deity. I find a lot of young boys in yellow & saffron clothes. I inquired about the temple, yourself and the Lord. They sympathetically answered so many foolish questions. I don't how it happened, but I was attracted by you and the Lord. Initially, I thought of just visiting the temple, now, my interest grew and I stayed there for the Sandhya Harathi and later attended the Pravachanam by devotees. Although I was born as a Brahmin and know something about the scriptures and Sanatana Dharma, after hearing only one class, so many of my doubts cleared. Inspired by your words through devotees, on the same day, after taking Prasadam, I bow down before you and gave the habit of taking TEA and Coffee. (Before that I was taking tea/coffee 6-8 times). By your grace, I didn't even dream of taking tea/coffee from the next day onwards.

PART 2

After my marriage, due to my joining with a very large company, my life's responsibilities also grown. No time to remember you and Krishna. This went for more than 02 years. Then I shifted to Mumbai to join in another big company, where we used to visit ISKCON Juhu once in a month. But not much progress in spiritual life. By the way, my wife didn't conceive. We have seen a lot of doctors, several procedures are done on my wife but all gone futile. With a lot of frustration, I left the job and reached my home town Vizag. We tried the most advanced scientific method (IVF - 2 cycles). No success. Fed up with life, we realized that it is time to surrender to God. Then we stopped all the medicines. Came to Hyderabad. I started visiting ISKCON Abids temple very frequently. I told my wife that I will start practicing the 4 regulative principles, chanting 16 rounds a day and taking only Krishna prasadam. My wife resisted me initially. After that realizing my seriousness towards you and the Lord. She started cooperating with me. I used to wake up 3.30AM, do the house cleaning, perform my daily Pooja and chanting from 5 AM to 7 AM (16 rounds at a stretch). This went for more than 03 months. Then all of a sudden I heard the news that my wife conceived. Prabhupada, I never begged you or Krishna for this to happen as I already frustrated with the so many Vratas previously done for begetting a child. I was chanting only in the mood of surrender. But God has other plans. Because of you and Krishna's mercy, my wife delivered a baby girl and we named her as SHYAMA PRIYA. I wept for hours for the mercy shown by the Lord and yourself. Thank you very much, Prabhupada.

Now along with my wife and daughter, I am regularly visiting HKM, Banjara Hills. Under the guidance of your devotees, I am trying to fully absorb in the way shown to us by your grace. May the day come soon.

Prabhupada, because of you, I started reading Srimad Bhagavatam (the highest among all Sastras).

My only wish is I should completely follow the path shown by you and influence the fallen souls, mostly in village areas, to chant the Hare Krishna Maha-mantra.

I beg you to make this happen as soon as possible or at least in this lifetime.

Your insignificant servant,

Bhakta A Siva Prasad.

Bhakta Siva Rama Krishna A

Dear Jagadguru Prabhupada,

I am so thankful to this Hare Krishna Movement for directing all the human beings and also youth in a good way into the spiritual world.

O my merciful acharya Prabhupada, I am so interested in spiritual life. So, please show me your Krupa on me to increase my spiritual levels and to continue without deviating or diverting into material things untill the end of my repeated birth and death.

Kindly engage me in Lord Krishna's and your service to increase my love and spiritual interest.

I read 'Upadesamrutham' book which tells how to use / control our senses to engage them in the service of the Lord. Also given how to take Prasadam, offered to Lord Krishna.

In my words, when I am thinking about the spreading of Krishna Conscious mission in western countries by your Divine Grace in those days, I will get tears automatically (that much of grace and krupa you had from Lord Krishna.)

A normal human being can turn easily into spiritual path by reading your great quotes or books.

Vande Guroh Sri Charanaaravindam!

Your faithful Servant,

Bhakta A Siva Rama Krishna, , S.R Nagar.

Bhakta Spandan Bisoyi

Dear Srila Prabhupada,

Please accept my humble obeisance.

All glories to Srila Prabhupada. All glories to you on this auspicious day of your Vyasa-Puja.

The Hare Krishna Movement that you started is great. Because of you, I can understand the Supreme Lord Krishna's message. I came to know that the goal of this human life is self-realization and realizing that Krishna is the Supreme Lord. After I came in contact with the Vedic Science Club, I came to know about you and your teachings of Bhagwad Gita, which is great. I learned that Bhagwad Gita is a manual for mankind, which taught us how to live life happily. Also, I came to know that chanting Hare Krishna Maha-Mantra is the only way to realize Krishna, which will take us back to Krishna.

Currently, I am chanting one round of Hare Krishna Maha-mantra every day. I have read some Slokas of Bhagavad-Gita from chapter 2.

Your Servant, Bhakta Spandan Bisoyi, , Vedic Science Club, IIT Hyderabad.

Dear Srila Prabhupada,

Please accept my humble obeisances.. All Glories to Srila Prabhupada.

Srila Prabhupada, because of your causeless mercy, I am here in Hare Krishna Movement, I am one of the most insignificant souls but you sheltered me under Krishna's lotus feet.

Srila Prabhupada, you told regulative principles and power of Hare Krishna Maha-Mantra. Please give me the strength to practice the Krishna conscious principles sincerely. Please give me the strength to spread these teachings to others as you wanted.

I want to render devotional service at Your lotus feet, but my mind forcing me to serve my senses and I am becoming a victim of my mind and serving my senses. Even though you have told repeatedly "Your mind is your biggest enemy", I am not able to understand.

When will I recognize your hand in my life, when that day will come?

When will I come out from my mind tricks, when that day will come?

Please bless me Srila Gurudeva, so that I will understand the truth.

Your insignificant servant,

Jai Srila Prabhupad - Jai Sri Krishna - Sri Krishna: Saranam Mama

Dear Parama Pujyaniya Srila Prabhupada please accept my humble obeisances onto your lotus feet...

With your utmost mercy and blessings - we have begun our journey for over four years into Krishna Consciousness and we are slowly progressing in this journey to get close to Lord Sri Krishna.

Certainly without any doubt we are immensely benefited by being into the path of Krishna Prema and our anxieties about some of the materialistic things have become calm...but i believe that we have to go a long way in Krishna Consciousness and getting closure to Lord Sri Krishna. My daily japa quality has to increase and though I AM DOING MY 16 MALAS... but I have to become consistent in doing the same on a daily basis without any excuses.

With the immense mercy and blessings of the Lord Chaitanya and Nityananda, Nitai Gauranga deities have arrived into our home to lift us from utter ignorance and stupidity...and with the Lotus Feet of the Lord Nityananda and Gouranga not only our home but our lives too have become sacred and purified, we feel that we are protected by The Lords Lotus Feet and we are highly attracted and attached to our little Nithai and Gauranga . We have great pleasure in making our little Nithai and Gauranga part of our lives...but still we feel we have to do a lot more to serve the lord with more fervor and we have to do more beautiful decorations and do various varieties of prasadam to offer to our Little Nitai and Gauranga.

Dear Srila Prabhupada...in order to get deep into your given path of Krishna Consciousness we have to do more of your book reading and start reading Bhagavatam and Bhagavad Gita. Once again we humbly plead to your lotus feet to utilize our lives in rendering the best possible service to the devotees and our Siksa Gurus.

Yours Servant of the Servant of the Servant,

Bhakta Srinivasa Rao Kotha.

Bhakta Subhrajit Nag

Dear Srila Prabhupada,

All glories to you on this auspicious day of your Vyasa Puja.

I have come across your preaching and discovered a new sense of happiness for my spirit and soul. The simple yet effective way in which we can worship the Lord had truly attracted me and added a new meaning to my life.

Before coming across the Vedic Science Club (VSC), I was only busy in spending all the time for materialistic and personal tasks. But now, I have been enlightened by the writings in Bhagavad Gita and inspired by the ways of life, which can lead me to the Liberation of my Spirit Soul.

The Chanting of Hare Krishna Mantra has become a part of my daily routine and in pacifying the mind and soul. The small services which I can offer to the Lord, make me happy from within.

The reading of at least one shloka from the Bhagavad Gita has added a new dimension to the purpose of my life.

I have also learned so many aspects of our religion and I truly wish to spread the teachings of the spiritual master among my other colleagues and friends so that they can also get the blessings of the Lord and join this Holy Movement.

Following the path that has been shown by you, has helped me to enhance the quality of my life and I enjoy everything that I do. The best thing which I felt is that, it does not need a lot of knowledge in Sanskrit or any other thing. Everybody can practice the ways of Krishna Consciousness shown by you, and attain the Ultimate Knowledge.

I pray to the Lord to shower your blessings and give me the inner strength to keep serving and spreading the aura of your faith so that we can all be delivered from the clutches of sin.

Your Humble Servant,

Bhakta Subhrajit Nag, , Vedic Science Club, IIT Hyderabad.

Bhakta Sujoy Goswami

All Glories to Srila Prabhupada,

Today on this occasion of your divine appearance day, I would like to offer my humble obeisance onto your lotus feet.

In this age of darkness, you are the only source of light. Light in the form of your books on Vedic scriptures.

This light of the Vedic scriptures in the form of your books are the ultimate treasure that helps me relish the nectar of Krishna Prema and be in Krishna Consciousness.

I was totally unaware of the reason of my life, unaware of the ultimate goal of this life.

You helped and enlightened me understand both the reason and goal of this life.

I am very grateful to you for your extreme kindness and care shown, as you are always with us and taking care of every move of your disciples.

Whenever there were instances of me going away or deviated from the path of Krishna Consciousness, you guided me by various means and ways to come back to Krishna Consciousness.

Either you used to send a Vaishnava devotee walking in front of me or sometimes a picture of yours on the Akshya Patra vehicle reminded me of Krishna, and in this way you helped me be in Krishna Consciousness.

I am very unfortunate soul some way fell in this ocean of birth and death, please help me and bless me with the strength to be an unalloyed devotee and serve your mission.

Please always keep me engaged in your service and help me come out of the illusion of family, friends and other relationships.

Your Humble Servant,

Bhakta Sujoy Goswami.

Bhakta Sunil Kumar

Dear Srila Prabhupada,

Please accept my humble obeisance,

All glories to Srila Prabhupada. All glories to you on this auspicious day of Vyas puja.

Writing an offering to you is always such a difficult endeavour. How is it possible to put into words the effect your teachings have had on us conditioned souls? You have shown us the path to spirituality through your teachings and example of dovetailing one's energy and talent in Krishna's service.

I do not have enough words to thank you, as "thank you" is a very insignificant word for all your kind efforts in bringing us closer to Krishna, for without coming to this movement I would never have appreciated what it means to love and serve God.

I am probably the most worthless soul on this planet. I try everyday to overcome my laziness and at least constantly chant my rounds so that I may do some reading. I have been trying so hard to make it a part of my life to at least do some reading of your books, but haven't managed to succeed fully.

Though our progress is laughable, our abilities weak, equipment breaking and lower back aching; we cannot but marvel at the potency and practicality of your teachings. As with everything you touch, it all leads to the Supreme Lord Krishna. This simple lifestyle is a natural component of and great assistance in developing our Krishna consciousness.

I am eternally indebted to you for offering me this opportunity of devotional service. Please accept my offerings.

Thank you very much for everything, Srila Prabhupada. All glories to your lotus feet.

Srila Prabhupada ki Jai !!

Your Servant,

Bhakta Suresh G

Dear Srila Prabhupada,

Please accept my humble obeisances.

All Glories to Srila Prabhupada.

I am Suresh, your follower, and devotee of Lord Krishna. Now I chant 16 rounds of Hare Krishna Mantra every day and reading your books. Up to now I have read Science of Self Realization, Second chance and reading Krishna – The Supreme Personality of Godhead, Hare Krishna Vani, Bhagavad-Gita. I came in touch with Krishna consciousness through GIFTS Kondapur, then I started coming to the temple regularly. Then I came to know about myself. I came to know that I am suffering materially very much, but my nature is Sat-Cit-Ananda.

Previously I won't be able to understand why I am suffering, even though I have many material enjoyments in life. Once I understood a little bit about Lord Sri Krishna then I could understand what is the reason for that. Not only that I came to know about many things from senior devotees. Because of this, I am very happy now. The reason for this is nothing but the mercy of Krishna.

I am indebted to you for giving me this great opportunity Srila Prabhupad and a full obeisances unto you from my heart within.

Your Humble Servant,

Bhakta Suresh G.

We also learned the importance of chanting through the Science Club. After Chanting I Experienced a feeling of calmness which was missing from my life earlier. Many teachings from Bhagavad Gita & the book Birth & Death were commendable Looking forward to Reading the Whole Bhagavad Gita.

Dear Srila Prabhupada,

Please accept my humble obeisance at your divine feet.

All glories to you on this most auspicious appearance day of your divine grace.

I (B Syam Sunder) developed a little bit of devotion towards your lotus feet, which is gradually making the "big I" diminish and vanish away totally.

Your divine grace is making me know my constitutional position and always act accordingly.

I bow down my head at your lotus feet and try to follow your divine instructions.

Make me fit, to love Radha Govinda and, accept every religion as true. And to constantly remember that man travels from lower truth to higher truth. But not from false to the truth.

Dear Spiritual Master,

Please accept my humble obeisances onto you Srila Prabhupada.

My dear acharya, there is a saying in telugu which means "Great souls do not come without purpose". This saying perfectly suits you. You have to come to this material world with a divine purpose to deliver the conditioned soul which no president or prime minister of any powerful country can do their own people.

The united states being a global superpower nation took shelter in the dust of your lotus feet to imbibe Krishna consciousness with in it.

The Hare Krishna movement has filled light in the lives of millions of conditioned souls in different ways such as deity worship, book distribution, nagar sankirtan, temple sankirtan and dance. You have shot down mental conceptions regarding spiritual knowledge and gave the world the proper process of acquiring spiritual knowledge, proper process of practicing sadhana bhakti and proper source of perfect knowledge which as a bundle called Krishna consciousness.

In scriptures like Srimad-Bhagavatam, it is said that taking darshan of sages and saints who are pure devotees will immediately purify a person. You have proved the words in the scripture, you delivered the fallen souls in many countries, provided a right direction to the global civilization and brought many unfortunate souls to Krishna consciousness movement by which they are living a very happy life, in fact a correct way of leading life.

My dear master! I always wonder on seeing you as to how a 70 year old person in a retirement age taking so much pain and difficulty, took responsibility of preaching the lord chaitanya mahaprabhu's message to the world.

Even if all the leaders and people of 195 countries become your servants and do service to you continuously for 195 years, they will not be able to repay your debt I beg your divine grace, to continuously cast your mercy upon us and provide us your shelter.

Bless me to chant the holy name offencelessly and render service to the devotees, your divine grace and my loving parents Sri Radha rani & Krishna.

Also please bless me to do service to the Krishna consciousness movement in the capacity of a Company Secretary.

Kindly accept my humble obeisances again.

Your Humble Servant,

Bhakta Teja N.

Bhakta Tirumala Reddy

Dear Srila Prabhupada,

Please accept my humble of obeisances unto your lotus feet.

I would like to narrate a story to you. A story of a great person who is continuously inspiring many people to take Krishna Consciousness, who is turning many foreigners into great devotees, who is making people understand Bhakti is science.

Once upon a time in the eastern land of India, a person born to save the world on the instruction of the Supreme Lord. He was named at his birth as Abhay Charan. In his boyhood, he was into the spiritual life, had been a devotee of the Lord he conducted cart festival to the lord along with his friends. It fascinates me how he was so much attracted to the lord at that age. And the days pass so, in his youthhood, he was a great follower of Mahatma Gandhi, thinking that British rule in India is the real problem, so was he followed Mahatma Gandhi, till he met his Guru Maharaj. Upon hearing from his Guru Maharaj about the real problem is the scarcity of spirituality, he was convinced about it. His Guru Maharaj on this occasion instructed him to take this message to the Western world. He meditated on this instruction for many years till the time came to start his journey to the Western land.

The journey started to the west...

He never deviated from his purpose of visiting the place even after two massive heart attacks. It baffles me all the time. I want to hear from him how strong his desire was? How strong he was to serve the mission of the lord?. In a span of 12 years, he traveled around the globe to spread the message of Gauranga. The Western lands flooded with the love of Krishna. Many hippies danced in ecstasy. He conquered all the continents with Harinama. He made mleccchas to first-class Brahmanas. He constructed 108 temples all over the world. History has never seen this type of miracle ever. Yet he claims himself as a servant of God. He is my guru, grandfather, and savior. End of this story.

Thank you so much from the bottom of my heart. You lifted me from the troubles I had, it was simply impossible for me. You gave me a wonderful life, which I was hankering for. What can this insignificant servant do for your great favor?. I owe to you for many births for the unlimited joy given to me.

I can end this saying a simple thanks, what else I can give you back. Love you so much Srila Prabhupada. I request you to always keep me under your shelter.

your servant,

Bhakta Tirumala Reddy.

Please accept my humble obeisances.

All glories to Srila Prabhupada. All glories to you on this auspicious day of your Vyasapuja.

I am very thankful to you Srila Prabhupada for making me to think different because of seeing all these preachings I came to know more about life. Chanting is one of the powerful tools to change the mind. By doing chanting daily I observed some of the changes in my thinking also. The prasadam which I eat daily is very much organic. The prasadam which I eat is non-corrupted. I am very thankful for Srila Prabhupada for all what I get on a daily basis.

I beg you please bless me with more and more devotion.

Your Servant,

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet. Thousands and thousands of pranams unto you. This insignificant servant bows down to you, my loving spiritual master. Kindly be merciful on this fallen soul.

I consider myself to be very fortunate to have found you as my guru. As Krishna states in Srimad Bhagavad Gita, humble submission unto you, can alone dispel the darkness of my heart. By Krishna's mercy, I have been blessed with the association of your devotees, who act as the only real companions in this dark age of Kali. Needless to say, my future into his life, and the later lives would have been miserable without you, my dear Srila Prabhupada.

You have undergone countless number of sufferings and challenges to spread the message of Krishna consciousness in spite of your elaborate preaching, I still haven't developed pure love towards Radha and Krishna. But, I understood that by serving you only sincerely, my goal of reaching Krishna will be fulfilled.

Kindly bless me dear Prabhupada, so that I follow your footsteps and get more opportunities of your service and Krishna's service.

Dear Srila Prabhupada,

Please accept my humble obeisance,

All Glories to Srila Prabhupada. All glories to you on this auspicious day of your Vyasapuja.

By your mercy, I am reading Srimad Bhagavatam, which really has given me more inspiration towards Krishna Consciousness. Attending Sankirtan Program at Temple & having Prasadam is really wonderful. My personal belief is that it is better to remember and do worship to Guru's Lotus Feet. This is because of the fact that; God's greatness cannot be glorified if we don't have Guru. So, I prefer to worship the holy feet of Guru, who elevates me from this material world. Even God would be happy, because it's said that,

gurur brahma gurur vishnu, gurur devo maheshwarah,

guru sakshat parabrahma, tasmai sri guravenamah.

I want to control my mind and want to engage always in your and Krishna service every time. I do commitment to chant "Hare Krishna Mahamantra" but I don't follow most of the time. Please give me your mercy so that I can do some service for Lord Krishna. I will try to be in association with devotees and I will start reading spiritual books. I am very thankful to you and Lord Krishna for whatever has happened to me and whatever I have in my life. Thank you very much for bringing me in association with devotees and in mercy of Lord Krishna. Please keep always your blessings unto me and guide me.

I want to share one thing i.e. After following the spiritual things I'm able to do well in my exams, I'm able to do well in society. Even on Sunday and Wednesday classes we are learning a lot in spiritual classes and enjoying the feast.

It would be nice to show one's appreciation and desire to please.

Dear Srila Prabhupada,

All glories to the spiritual master Srila Prabhupada. Please accept my humble obeisance at your divine Lotus Feet.

I am very fortunate to come in touch with the Vedic Science Club. To gain knowledge about the Hare Krishna Movement started by Prabhupada.

I learned so many things from Prabhupada's Bhagavad Gita. Those topics were the foundation for human life and it is a way to Godhead. Daily chanting the Hare Krishna Mahamantra has helped me in so many ways.

Chanting, Reading books, hearing the Prabhupada Lectures has helped me much in the Spiritual growth of my life. I am very much happy being in touch with Hare Krishna Movement & I am praying the Lord for getting shelter under the divine

grace of my spiritual master Srila Prabhupada. Here I meet Krishna devotees & get the devotee association and do Bhajans, chanting, weekend programs, etc..

First-time HKM Hyderabad has taken me for the Nepal devotional trip there I visited the temples & history of the temples, Vaisnava culture Learning.

Please accept my humble obeisances.

All glories to you on this auspicious day of your appearance.

The meaning of human life is to realize the self. To realize the self, one needs a master who already knows, understands, seen and achieved it. Everyone needs a spiritual master for this purpose. With the mercy of a spiritual master, one can realize the self.

You are a bona fide spiritual master in Brahma-Madhava-Gaudiya Sampradaya and Because of your boundless mercy, the Hare Krishna Maha-Mantra, which is the only way possible in this age to escape from the boundless birth and death cycle, is freely distributed and spreading in every village.

You are so merciful that, we have got the knowledge through your books and lectures on different aspects of life. This bitter, but true knowledge guides us in this age. We all should take advantage of it and follow Krishna Consciousness in our day to day life while performing our regular duties for survival.

We all so indebted for his services towards the fallen souls like us. Your blessing be always with us.

Your humble devotee,

Bhakta Venkata Reddy A, , Vedic Science Club, IIT Hyderabad.

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to you. All glories to you on this auspicious day of your Vyasa Puja.

Initially, I was unhappy, not satisfied, restless and hankering for knowledge and Happiness. But after coming in touch with your transcendental books, listening to your lectures, Chanting and taking part in service activities. I could experience real happiness, self-satisfaction and got a great chance to understand the perfect knowledge which is knowledge about the self and the Supreme Lord Sri Krishna. This is all because of your causeless mercy on very degraded people like me.

Prabhupada because of your causeless mercy and compassion on us, even though I am not eligible you gave us the highest treasure "Krishna consciousness" in my life. Because of you, I could be able to sow the seed of devotion in my most materially contaminated heart, which will purify my heart and my consciousness.

Since I came in touch with your mission, I have been blessed with many service opportunities like book distribution, Prasadam distribution, and preaching activities. I could be able to express my gratitude by taking up more services for your mission voluntarily. I got a lifetime opportunity of preaching to the elite class of the students. I am very much indebted to this to my spiritual master and Lord. But I am facing a career challenge as I love teaching very much and I find happiness in it. Please help me, my spiritual master, to get into a good teaching career and also continue my preaching.

Please help me and empower to preach better in the Indian Institute of Technology Hyderabad in the upcoming days and take care of the obstacles which we are facing in preaching activities by our team.

Your humble Servant,

Dear Srila Prabhupada,

Please accept my humble obeisance.

All glories to Srila Prabhupada. All glories to you on this auspicious day of your Vyasapuja.

On the occasion Vyasa puja I want to say something,

First thanks to Hare Krishna Movement Because of that I understood how to love supreme lord Krishna. If I talk about my daily life routine, then You plays a key role in my Life. Just Serve Lord without asking any things. Having Everyday puja at my home, offering Bhoga to lord and taking Prasadam.

Apart from that I used to work outside, but in this material world how to manage myself it too much difficult, thanks to you Prabhupada who has given very nice instruction, therefore able to manage daily life routine. like everyone, that a person who is staying outside and following Prabhupada principle is not easy. But any how able to manage. I don't know how to explain your role in my life.

Still I have so many things to say about Prabhupada on the auspicious day of your Vyasapuja. I am a married person and handling, following grihastha life is very difficult. Indeed, because of Hare Krishna Movement and your mercy it became very easy.

Finally, I Thanks Hare Krishna Movement and you. Please give me strength so that I can follow more and more your instructions. I pray to Radha Krishna, please bless me so that I make the upcoming generation that follow my Guru Principles.

Your Servant, Bhakta Vikas Kumar.

Dear Guru dev,

Please accept my humble obeisance at the dust of your lotus feet. All glories to you on this auspicious day of your Vyasa-puja.

Today, on your auspicious appearance day, I would like to glorify you in two ways, first as the representative of the Supreme Lord, and second as the great personality who stepped into my life with a multitude of lovable qualities. I am the most unqualified to praise your generous love and compassion. You are very special to Krishna because of your ever-increasing glorification to Him and His devotees. With your mercy, I hope one day I shall become eligible to perform devotional service.

For the last 4 years, I have been chanting 16 rounds and worshipping the Lord and following all the regulative principles daily. Neither of these services could have been achieved without your mercy. Chanting 16 rounds on daily is quite challenging, the only motivation I have is that by chanting these rounds, you may be pleased, which may result in you granting me more mercy and increasing my attraction to the Holy Name.

By the mercy of the spiritual master, one receives the benediction of Krishna. Without the grace of the spiritual master, one cannot make any advancement. Therefore, I should always remember and praise the spiritual master. I always pay my humble obeisances at your Lotus Feet at the time of Guru Puja & try to remember your beloved words & Kirtan at the time of Chanting. I am hoping this meets you in the best of health and an ecstatic mood. Please forgive my constant rampant offenses and bless me that I may serve you instead of illusion.

Aspiring to be the servant of your servants,

Your servant,

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to Srila Prabhupada. All glories to you on this auspicious day of Vyas puja.

Accept my humble obeisances. You are always an ocean of mercy for the disciples. It is a great fortune that I have been given the chance to serve the mission of the Lord without any qualification. It is only because of you I am connected with the holy name the supreme bliss. This mantra is not only cleaning my heart as well as also developing my love for the god. Just because of your unconditional mercy I am getting the association of devotees and prasadam. I am really observing lot

of changes in myself. Without you I don't think I would have ever chanted this Hare Krishna Mantra. Really a disciple can never repay even a little of the love which you have given. I pray unto your lotus feet O spiritual master ! always keep me as your servant, never ever let me detach from yourself so that I can work for the pleasure of Krishna. Your most fallen disciple begs mercy from you, oh master always keep myself in your service.

Yours humble Servant,

My dear Respected Spiritual Master A.C. Bhaktivedanta Swami Srila Prabhupada,

Please accept my sincere Pranams unto your lotus feet.

After going through a glimpse of some of your divine speeches, I realized myself that I have been moved positively towards understanding the glories of Lord Sri Krishna and the real spirit of Humanity and for this, I consider that I have received the divine blessings from you and from Lord Sri Krishna.

I have been in association with the Hare Krishna Movement Hyderabad for more than five years. One fine day, I have initially started the practice of chanting Hare Krishna Hare Rama Mahamantra for 21 times. But soon after sometime, I switched over to the practice of chanting the Maha Mantra for magical number of 108 times. Since then, it has been giving me immense satisfaction and I am always HAPPY FOR NO REASON.

With your divine blessings and permission, I took a pledge in myself that I should contribute something towards the livelihood of millions of children across the country who are making their right livelihood at the instance of wonderful organization "AKSHAYA PATRA". For the last five years, I have been contributing a few thousand rupees on a monthly basis but regularly to Akshaya Patra towards the said noble societal cause. I am very happy that I could go on increasing the amount year by year. This is again giving me an immense satisfaction that I am also with Akshaya Patra Organization – in doing something good towards making the livelihood of children of our own country.

In addition to the above, I am eager to be associated with many more such activities which will be of great help towards the Societal causes and thus contribute towards serving the Humanity. I strongly believe that Service to Humanity is Service to Lord Sri Krishna (Manava Seva is Madhava Seva).

I pray for your mercy for doing everything possible that is connected to Lord Sri Krishna till the last breath of my life.

Your Disciple,

Bhakta Voleti Venkat Rao.

Dear Srila Prabhupada,

I offer my respectful obeisances, on to you.

I like reading books, but none of the book say "WHO AM I", "WHAT IS PURPOSE OF MY LIFE", e.t.c., Later I realised that I have to read the Bhagavad gita to get answers to my questions, then I took that book, but my knowledge is too less that I do not understand Bhagavad Gita.

I fortunately visited one of the temples near by and I was attracted to your devotees principles, so I joined one of your folk hostel, which teaches Krishna consciousness.

I realized my negative thoughts and laziness have vanished. Fortunately your book, "The Bhagavath Gita as it is", which you mentioned meaning of sloka in your purports has answers what I am searching for.

Not only that the atmosphere and friends, I made here has changed my thoughts from negative to positive thinking.

I noticed the importance of attending sadana daily and how sankirtana have good vibrations in our heart.

I am glad I joined and following some vaishnava life with your instructions.

I did not believe in god, upto some period of time, but now, I realized that we are part and parcel of Krishna.

Knowledge which I have been gaining from classes and instructions from your devotees is a great experience in my life, which shows different point in my life

All these changes are possible because of your movement in this kaliyuga, so I am indebted to you, I will progress in spiritual life by following your instructions,

So kindly show your mercy upon me and guide me towards Krishna consciousness

Thank you prabhupada.

Dear Srila Prabhupada,

All glories to Srila Prabhupada. All glories to you on this auspicious day of your Vyasa-puja. I have found a very better way of meeting my spiritual life. I want to be spiritual, but I'm not able to. I am still in a dilemma of my life. I hope the chanting and learning Bhagavad-Gita may change me and show good path to me. You are the great person with a lot of achievements. I recently came to know that you are the founder of ISKCON and you lead your life with Krishna's consciousness. The achievements of you were many that we can't remember. I want to know how you lived with such great spiritual knowledge. It was so great to know about you Srila Prabhupada. The knowledge you have shared never posts and makes you live forever'. Whatever it is the program of providing free food to 18 lakh people is unbelievable but which you made possible. The nature of people who are working in this were very spiritual and nice. I want you to take your blessings to my parents, siblings, my beloved and everyone in this world. Please make everyone happy and make them to live satisfied. I was the one who are not looking after people, my parents with good heart. My mind is always directed to temporary pleasures/ desires. I am not so focused on my work also. I am making people around me vexed with my behavior and thoughts. I didn't know how to treat people. I want to live a satisfied life. So please make me satisfied and make me a good woman. Your Servant,

Respected Srila Prabhupada,

My humble obeisances to your lotus feet. I've been in active touch with ISKCON and its associated organizations, especially the Hare Krishna Movement since year 2016. I found fellow spirituality pursuers here that made my own spirituality pursuit more interesting. I wrote two letters to you so far on the same occasions in years 2017 and 2018. Hope you read them.

We follow quite a few activities associated with temple within it and outside too. However, I'm more inclined towards participation in our colony-based activities. While I'm finding answers to my questions on my own too it is always interesting to note your view... This year my question is what emotion of your made you build 108 temples for ISKCON in countries where you know you are not invited too. Your humble social scientist,

Bhaktin Nalini Marthi.

Bhaktin Shakuntala Naredi

Hare Krishna Prabhupada,

purity, happiness, peace, divinity, looking in thy self-avoid criticism. Be in Krishna Consciousness and live with Krishna. Feel Krishna in your 24x7 by chanting hare Krishna mantra.

Thoughts have great power. They are like seeds your seeds you plant in your mind. The more you hold onto a particular thought the more power you invest in it. Positive thoughts give us energy and strength whereas negative thoughts rob us of power and makes us feel tired and strained. we are by nature positive. negativity is the result of fault thinking. you can change if you want to.

you can't change or control other's situation or circumstances but you can control what is going on inside you by chanting.

It makes to change and transform old patterns of thinking. Be patient with yourself. It starts with a thought.

what is taught? It's mentioned in Bhagavad Gita and Sri Krishna and prabhupad want us to learn and follow from his teachings and sayings to chant Hare Krishna mantra.

Do rigorous Kirtan and do our best to all without expecting any reward live everything and yourself to almighty Krishna hare Krishna.

I'm thankful to Srila Prabhupada for making me start chanting and giving me a chance to come to his pure Movement.

Your Servant,

Bhaktin Shakuntala Naredi,

Bhaktin Shardha Konimeti

All glories to your Divine Grace A.C. Bhaktivedanta Swami Srila Prabhupada, Guru and Gauranga.

Please accept my prostrate obeisance unto your holy feet.

It is with a great mood that I am writing and expressing my gratitude to you – the pure Vaishnava spiritual master, in both material and spiritual worlds.

During January 2018, I started reading, “Bhagavad Gita as it is” by your divine grace and the book helped me connect to the path of Krishna Consciousness, prompting me to surrender to the scripture with no authoritative mindset. The mindset thus acquired is a result of you and the supreme personality of Godhead – Sri Sri Radha Madhava' grace and mercy upon all of us. My haughtiness and confrontational behavior, although lurking occasionally due to material circumstances, is diminishing slowly by your compassion.

Thank you from the nucleus of my heart in helping me associate with the devotees in Dallas that frequent the Dallas ISKCON temple and presenting me with multiple opportunities to serve our supreme soul's devotees through Bhakti Vriksha programs, conducted in every part of the metropolis.

My general state of consciousness takes an entirely distinct stand, while at your altar and Shri Shri Radha Kalachandji's sannidhi. Thank you for that great moment and a chance to experience it flawlessly.

I would like to present my humble gratitude in bringing me up to the current state, and ways to achieve goals to start walking in the path of Krishna consciousness.

Thanks for helping me execute my plan of progressive and incremental exercise of chanting Hari namam and the Holy maha mantra.

Thanks for educating me in the notion of offering naivedya/bhoga to the supreme personality of Godhead for his mercy. Our community had a different idea of offering to the elevated spirits and the consequential “honoring the prasadam”

process. This perspective of mine stands corrected with the help of one of the devotees and yet by your and the supreme personality of Godhead' graciousness.

Thank you so much in relieving me from my bad practices in the past, all eradicated by your unconditional love and mercy!
Above all, thank you for helping me choose a different path in life for my progression in spiritual consciousness and be part of the great Hare Krishna movement.

My respectful obeisances unto your lotus feet. Srila Prabhupada ki Jai!

Your humble servant,

Bhaktin Shardha Konimeti.

Dear Srila Prabhupada.

Please accept my humble prayer. All glories to you on this auspicious day of your Vyasa-puja.

Pujya Sri Prabhupada my heart full prayer to you. I have achieved a lot. All the auspicious moment what has come to my life it has come by your causeless mercy. Your divine grace left us a veritable library of Vedic philosophy and culture. My lord, you showed the proper path how to live in this world with Krishna Consciousness. After joining in the Vedic Science Club I am able to understand the situation in a healthy way. Chanting Hare Krishna helps me a lot in reducing my anger and I had improved my concentration levels. I get peace of mind when I chant HARE KRISHNA mantra. When I visited Akshaya Patra I am fascinated by the quotation "Nobody should go hungry within a ten-mile radius". I want to follow Lord Krishna for the rest of my life with your divine blessings.

Always in your Service,

Bhaktin Swetha

Jai Srila Prabhupada,

I offer my respectful obeisances unto my spiritual master, the deliverer of the fallen souls. His mercy turns dumb into eloquent speakers and enables the lame to cross mountains Please accept my humble obeisances at the dust of your lotus feet.

I am eternally thankful to Krishna for sending you to this world to save millions of fallen souls and take everybody back home back to Godhead.

One's sins may be removed after repeatedly taking bath in the Ganges but just by having your darshan millions of sins accumulated from millions of lives will be burnt in a fraction of second. Who in this world can perfectly glorify your greatness? You are the mercy representative of the lord and whatever you speak is accepted as having been directly spoken by the Supreme Personality of Godhead in the Parampara System.

You are the most confidential servitor of the Lord and we honor you as much as the Supreme Lord. Krishna helped me to find you and you helped me to understand Krishna. If one does not get bona fide spiritual master, then how he can ever understand Krishna? I cannot serve Krishna without serving your lotus feet.

Out of many millions of wandering living entities, one who is very fortunate gets an opportunity to associate with a bonafide spiritual master by the grace of Krishna. By the mercy of Krishna I came under the shelter of your lotus feet. Please never leave me alone in this world.

You are the manifested mercy of the Lord. Only by your mercy lord will accept my service. Unless I receive the dust of your lotus feet there is no possibility of my advancement in the spiritual life.

Whenever I'm stuck in the middle of clueless suffering you are only my ray of hope and your books were a source of enlightenment. On this auspicious day of your appearance, I miss your personal presence. Because of forgetting your instructions I'm undergoing severe trouble. Please help me to always carry your instructions as my heart and soul.

Being completely drowned in this endless ocean of suffering I am screaming restlessly for help. Please save me as I am totally helpless in managing the worldly family relationships. You are our only savior.

Yours most fallen servant of the servant of the servants,

Bhaktin Swetha.

Dear Srila Prabhupada,

All Glories to your Lotus Feet.

I got introduced to Vedic Science Club (VSC) by a colleague from my lab. We got registered to lunch they were providing during our vacation period. With much excitement and curiosity, we came for our first meal.. enjoyed it so much that we kept coming back whenever we could.

This journey with VSC put the words into perspective. “ To serve Humanity is to serve God. “

I got to understand the value of service, the importance of giving and the peacefulness of prayer.

It is at VSC that I realized that we live our lives in search of something always and the search never ends because we truly don't understand what we are searching for. We just assume we're searching for materialistic achievements or life style but instead the soul searches for its purpose that can only be achieved through prayer or service.

The books, lectures at VSC are intriguing and the videos were informational making you think what this life is fully about...!!

It's always interesting to know new and unknown things but to understand the reason for existence is something that would explain why it's important to live peacefully and serve others with what you can. So the quest for knowledge is on and I think the more we try to understand, the more complex it gets and the more interesting it becomes.

Abhay Hari Dasa

Dear Srila Prabhupada,

Please accept my humble obeisance at the dust of Your Lotus Feet.

Srila Prabhupada, I thank You for the blessing of accepting me as Your disciple even though I do not have any qualification.

tasmād gurum prapadyeta jijñāsuḥ śreya uttamam

śābde pare ca niṣṇātaṁ brahmaṇy upaśamāśrayam

“Therefore any person who seriously desires real happiness must seek a bonafide spiritual master and take shelter of him by initiation. The qualification of the bonafide guru is that he has realized the conclusions of the scriptures by deliberation and is able to convince others of these conclusions. Such great personalities, who have taken shelter of the Supreme Godhead, leaving aside all material considerations, should be understood to be bonafide spiritual masters.

Your appearance in this world is the best thing that happened in the last century. You spread the mission of Lord Chaitanya Mahaprabhu in the entire world single handedly. Even after undergoing a lot of problems, You never considered to step down from this mission because You had full faith on the divine instruction of Your spiritual master. This shows how eager and dedicated You were to serve Krishna. I wish if I could get even 0.001 percent of this dedication towards You, my dear spiritual master. I am so fallen that I have no attachment towards Your instructions. Although You accepted me as Your disciple because of Your mercy, but let me confess that I don't deserve to be Your disciple. I think it is the worst match one can ever see in his life. You are 'patita pavana' (deliverer of the fallen) and I am most fallen in this entire universe.

Your fallen servant,

Abhay Hari Dasa.

Dear Śrīla Prabhupāda,

om ajñāna-timirāndhasya jñānānjana-śalākayā

caḅsur unmīlitaṁ yena tasmai śrī-gurave namaḥ

Your Divine Grace, came to this material world, a hundred and twenty three years ago, just to fulfil the prophecy and desire of Lord Caitanya that His commander-in-chief will descend to propagate the chanting of Holy names of the Lord – *Hare Kṛṣṇa Hare Kṛṣṇa Kṛṣṇa Kṛṣṇa Hare Hare Hare Rāma Hare Rāma Rāma Rāma Hare Hare*. And in what style!

No one could imagine this was possible until Your Divine Grace, graced this planet earth, marched ahead making & building Your own army of hippies, proselytizing & purifying everyone to the highest order in society. Having fully bathed in the mood & the message of Your Guru Maharaj, descending in the line of Gaudiya Sampradāya, You challenged the whole world full of ignorance and illusion, with uncompromising philosophy. It was by Your Divine Mercy, that we are now able to understand and relish the most sublime philosophy of Lord Caitanya - Acintya bheda-bheda tattva, and Love of God. In this ghastly material world, Your Divine Voice is the only solace which keeps us hopeful of crossing it. Just on the verge of being swallowed up by lucratively alluring so-called scientific advancement, Your Divine Books saved us from impending greatest danger. Imbued with unconditional love, Your Divine Compassion gave us transcendental taste in the form of Kṛṣṇādharaṁṛta, the delicious maha prasadam which is still growing undoubtedly in all the places of the world. No one could do it – but You Śrīla Prabhupāda who gave us the greatest gift in the world – the Harinām Sankīrtan.

Your Divine Grace turned this most miserable place of material world into most auspicious just by Your auspicious presence. But to my ill luck, I am the most unfortunate person in this world who even in the presence of Your Divine Movement, cannot take the full benefit. I am like that germ in the stool which even though being taken out, still happily desires to go inside it again & again. Who can be more fallen than me? What's even worse is that I presume I am a very good devotee.

Śrīla Prabhupāda, You are the magician. You can make impossible things possible. You have the power to make this rascal a sincere follower of Your words. On this auspicious occasion of Vyas Puja, I beg Your Divine Grace, to empower me, to give me the required strength to follow Your instructions from morning till night, day by day, year after year, birth after birth, eternally. For me, even this simple task seems impossible, but I beg Your Divine Grace to kindly forgive me of my uncountable infirmities. It is no doubt that You will forgive me but I must become disciplined and I beg You to make me one. This life is short. It can end any moment and we have to become serious in serving Your mission. I know this; but what lacks is the realization.

Your Servant,

Abhinandan Nitāi Dāsa.

Dear Srila Prabhupada,

“O best among the brahmanas, those who are spiritual masters are very kind to the needy. They are always kind to their followers, disciples and sons, and without being asked by them, they describe all that is knowledge.” [SB 3.7.36]

As I sit down to write this Vyas-puja homage to my spiritual master, I find myself overtaken by my inability to do this task justice, entrapped as I am within the snare of material nature. Feeling lost to offering anything beyond my own personal reference, it is here that I have to begin.

Dear Srila Prabhupada,

Please accept my humble obeisances unto Your lotus feet.

Today is most auspicious day for me. Because my spiritual master appeared On the earth to deliver condition soul.

In morning manglarti my favorite stanza

*sākṣād-dharitvena samasta-śāstrair, uktas tathā bhāvya eva sadbhiḥ
kintu prabhor yaḥ priya eva tasya, vande guroḥ śrī-caraṇāravindam*

TRANSLATION,

“The spiritual master is to be honored as much as the Supreme Lord because he is the most confidential servitor of the Lord. This is acknowledged in all revealed scriptures and followed by all authorities. Therefore I offer my respectful obeisances unto the lotus feet of such a spiritual master, who is a bona fide representative of Śrī Hari [Kṛṣṇa].”

O Prabhupada give me strength so that I can follow the four regulative principles.

Prabhupada give me blessing so that I always live within the association of Your devotees.

Your servant,

Adwaita Simha Dasa.

Ajit Krishna Dasa

Dear Srila Prabhupada,

Please accept my respectful obeisance. All glories to Your Divine grace. On this most sacred anniversary of Your Divine appearance in this world, I fall at Your lotus feet and beg for the ability to properly glorify Your divine and magnanimous character.

Srila Prabhupada, You are indeed a pure devotee, who has taken shelter of Krishna’s lotus feet and always engaged in transcendental pastimes.

A small child in ISKCON knows that we are not the body, we are the soul though he may not be that much realised. But when we interact with other spiritualists, it is very rare that they know this simple fact which is the basic knowledge given in Bhagvad Gita. You presented the highest and most sublime truth of love of Godhead in a very simple and practical way.

The sadhana program You created for us to follow every day has all the elements of spiritual practice that one needs to advance rapidly to go back to Godhead. In spite of so many adversities and challenges You faced in initial days of Your mission in America You were determined to conquer the effects of kali. In 1966 You desired to purchase a two-storied structure at 143 West seventy-second street to make first Krishna temple in New York. You wrote to the Prime Minister of India, Your god brothers and Mr. Padampat Singhania to help in this cause but they all failed to serve You. On January 14, 1966 Mr. Singhania wrote You a letter stating his problem in sending funds. Then You requested the owner of the building Mr. A M Hartman to donate the building for the time being for use as a Krishna temple. Mr. Hartman was not agreeable. This incident could not shake Your determination and finally You built 108 Krishna temples across the world in next 10 years. It shows that You are specially empowered by the Lord.

Srila Prabhupad, even though You left Your physical body more than forty years ago, through Your books and recorded lectures You are continuing to enlighten thousands and millions of souls in this material world and save them from the darkness of ignorance. This proves that You are the greatest Acarya of this age and You should be worshiped as good as God.

It is simply Your mercy that I am continuing my spiritual life. Please bless me so that I can become Your genuine servant.

Your fallen servant,

Ajit Krishna Dasa.

Akhileshwara Krishna Dasa

Dear Srila Prabhupada,

om ajñāna-timirādnhasya jñānānjana-salākayā, cakṣur unmīlitam yena tasmai śrī-gurave namaḥ

All Glories unto Your lotus feet.

As explained by Srila Vishvanatha Chakravarti Thakura, guru is the ocean of mercy. And by His mercy only we can attain the complete perfection and love of godhead. Your Divine Grace while present in this planet had performed many lovely pastimes which are filled with eternal spiritual compassion and mercy. Even now You are preaching in whole world through Your Brihad Mridanga BOOKS and instruments like Your sincere disciples. I was searching for pleasure in material world but it was only You Srila Prabhupada who accepted me as Your disciple and made devotee. Though I was fully material but by reading Your books and doing seva in association of devotees I could understand something of Krishna Consciousness. When the whole world was about to face the onslaught of reverse culture, it was Your kindness that you appeared here and guided the whole society towards Krishna, the real goal of our life.

On the order of Your guru maharaja You have established the pocket Vaikunthas of ISKCON centers around the globe. In today's world the only hope for the condition soul is Your Divine shelter. Being away from Your shelter all are destined to progress towards hellish life. In today's time when all are compromising with the philosophy, your uncompromising voice gives me all strength to again rise and be fixed in devotional service. Srila Prabhupada I have no good quality on my own, but if You kindly bless me, I can also become a sincere disciple in Your service. Please bless me so that I can have resolute mind fixed in devotional service. Please always guide me in the right path of bhakti.

Your Servant,

Akhileshwara Krishna Dasa.

Akinchan Bhakta Dasa

Dear Śrīla Prabhupāda,

I offer my worthless obeisances unto the lotus feet of my spiritual master His Divine Grace A.C. Bhaktivedanta Swami, Śrīla Prabhupāda, who is distributing the truth, the Personality of Godhead, Kṛṣṇa, without adulteration. Such a wretched, miserable fool am I that I cannot appreciate the significance of my spiritual master and His priceless gift; knowledge of and devotion to the Supreme Absolute Truth Lord Kṛṣṇa.

Many are called guru, but you actually have the qualification of guru and mahātmā, as defined in the authoritative scriptures. One who accepts You as his spiritual master attains the perfection of life.

You are so expert a teacher that even such an incompetent as myself can make clear cut advancement. By giving me the practices and routine of spiritual life, You have made me strong in Kṛṣṇa consciousness. His Divine Grace is giving us real knowledge of life and pure existence, not simply the word jugglery of so-called scientists, philosophers, educators, etc.

The Bhagavad-gītā gives us the system for receiving bonafide transcendental knowledge—“*evam paramparā prāptam imam rājarṣayo viduḥ*” and you are coming in the powerful Brahmā-Gauḍīya-Vaiṣṇava Sampradāya disciplic line. We have practically seen the results of Your devotional potency. So many disciples are now bright-faced and blissful simply by chanting the mahā-mantra and following the four regulative principles (no eating of flesh, intoxication, illicit sex life or gambling).

In this kali-yuga everyone is full of lust, anger and greed, being engrossed in the modes of passion and ignorance. We, all Your disciples, are also born in that same ocean of material desires. We have been suffering in the hellish darkness of the material worlds since time immemorial. But You are that beam of light, pure and transcendental to this godless world, glowing with love of God. As Narottama dāsa Ṭhākura has said:

*cakhu-dān dilo jei, janme janme prabhu sei,
divya jñān hṛde prokāsito prema-bhakti jāhā hoite
avidyā vināśa jāte, vede gāy jāhāra carito*

“The spiritual master opened my darkened eyes and fills my heart with transcendental knowledge. He is my Lord birth after birth. From Him ecstatic prema emanates; by Him ignorance is destroyed. The Vedic scriptures sing of His character.”

Narottama dāsa Ṭhākura advises: *“sādhu sāstra guru vākya, cittete kariyā aikya.”* *“One must consider the instructions of the sādhu, the revealed scriptures and the spiritual master in order to understand the real purpose of spiritual life.”* You have come as jagad-guru, and by our accepting Your shelter we have accepted this principle in full. As you have always said: *“My spiritual master is always with me.”* So You are always with us Śrīla Prabhupāda. You are expanding yourself more and more through so many volumes of great transcendental literatures, like Śrīmad-Bhāgavatam, Srimad Bhagvad-Gita, and many more.

We pray on this most glorious day of Your appearance that we may remain ever fixed in your loving service, keeping a humble and submissive attitude. We pray that our intelligence will become clear and our concentration steady. In this consciousness we will be capable of truly rendering service to Your lotus feet. Your mercy is vast as the ocean. We are asking only for a drop, because just a drop is capable of satisfying all living beings.

Your Servant,

Akinchan Bhakta Dasa.

Amritaprada Devi Dasi

Dear Srila Prabhupada,

Please accept my Humble Obeisances,

To attain perfection in any sphere & aspect of life, human beings need the guidance of an expert. It is utterly foolish, then, to assume that one would be able to understand the all-powerful God & reach spiritual perfection all by themselves, a train of thought viably dismantled by You, our beloved Srila Prabhupada, in following the glorious footsteps of Your Spiritual Master, the lion-guru Srila Bhaktisiddhanta Sarasvati Thakura.

In the Srimad Bhagavatam, Canto 7, Chapter 15, text 45, it is written,

*yāvan nṛ-kāya-ratham ātma-vaśopakalpaṁ
dhatte gariṣṭha-caraṇārcanayā niśātam
jṣānāsim acyuta-balo dadhad asta-śatruḥ
svānanda-tuṣṭa upaśānta idaṁ vijahyāt*

TRANSLATION,

“As long as one has to accept a material body, with its different parts and paraphernalia, which are not fully under one’s control, one must have the lotus feet of his superiors, namely his spiritual master and the spiritual master’s predecessors. By their mercy, one can sharpen the sword of knowledge, and with the power of the Supreme Personality of Godhead’s mercy one must then conquer the enemies mentioned above. In this way, the devotee should be able to merge into his own transcendental bliss, and then he may give up his body and resume his spiritual identity.”

The blessings & mercy of the Spiritual Master is essential for one to make any tangible advancement in his spiritual journey. Without such mercy, we are nothing but a broken twig floating aimlessly in the vast waters of the material ocean.

On this day, I take the opportunity to show my unending gratitude to You for guiding the lowest of human beings like us through Your exemplary life, words, teachings & most importantly, Your books.

The mammoth task of translating & purporting the scriptures, primarily the Bhagavad Gita & the Srimad Bhagavatam that You undertook as Your life's very mission & purpose, was just another example of Your steely will, holy determination & the unimaginable spiritual strength bestowed upon Your grace by Your worshipable spiritual master & Srila Rupa Goswami.

I pray for the golden opportunity to be able to serve Your lotus feet in some far away life & get Your blessings to realize my life's ultimate goal, the stage of pure, inexhaustible love of Godhead.

Your ever-humble & most fallen servant,

Amritapada Devi Dasi.

Amshumaan Krishna Dasa

Dear Srila Prabhupada,

Please accept my humble obeisance at Your Divine lotus feet.

All glories to Your Divine Grace on this most auspicious day of Your Divine appearance

On this most auspicious day, I beg You to forgive all of my offenses done unto Your Lotus feet.

A man bound by the hands and feet cannot free himself — he must be helped by a person who is unbound. Because the bound cannot help the bound, the rescuer must be liberated. Therefore, only Lord Krishna, or His bonafide representative the spiritual master, can release the conditioned soul, similarly this fallen condition soul has put into this dark material world bounded by the modes of material nature...and we can be released only by Your causeless mercy...

As it is stated in one of the vaisanva songs that

"Pure devotees of the Lord are more powerful than the waters of the sacred river Ganges. One can derive spiritual benefit out of prolonged use of the Ganges waters. But one can be sanctified at once by the mercy of a pure devotee of the Lord."

The most important characteristic of a pure devotee is that he is not lampata, or licentious, and another quality is that he is always eager to mitigate the miseries of suffering humanity. The most obnoxious misery of a living entity is his forgetfulness of Krishna. A pure devotee, therefore, always tries to evoke everyone's Krishna consciousness. This is the panacea for all miseries." (Sb 3.14.49)

And that thing can be seen by your personal example in the age of seventy years being compassionate You went to western countries to give them the most valuable jewel of human life (Krishna consciousness) and flooded the whole world with the holy name of Krishna....

Oh Most merciful Srila Prabhupada, Please always remind me my constitutional position.

Give your mercy so that I can behave properly with my god brothers.

Always want to be with You and the devotees and able to serve You with my heart and soul.

Once again I beg You to forgive all of my offenses done unto Your Lotus feet.

Your servant,

Amshumaan Krishna Dasa.

Anadi Govinda Dasa

Dear Śrīla Prabhupāda,

Please accept my most respectful obeisance. All glories to You on this occasion of Your most auspicious Vyāsa-pūjā!

On this occasion of the 123rd anniversary of Your appearance, I would like to submit the following offering at Your lotus feet.

Śrīla Prabhupāda came to give the world Kṛṣṇa consciousness. What precisely does Kṛṣṇa consciousness mean? Śrīla Prabhupāda has explained the importance of understanding this:

Therefore, one has to seek out such a bona fide spiritual master and, under him, learn what Kṛṣṇa consciousness is, for Kṛṣṇa consciousness will certainly drive away all nescience, as the sun drives away darkness. [Bhagavad-gītā 5.16, purport]

To understand Kṛṣṇa consciousness, we can examine some of Śrīla Prabhupāda's definitions. Śrīla Prabhupāda originally took the definition of Kṛṣṇa consciousness from a line of a verse by Rāmānanda Rāya, quoted in Śrīla Rūpa Gosvāmī's Padyāvalī: *kṛṣṇa-bhakti-rasa-bhāvitā*—absorbed in the mellows of executing devotional service to Kṛṣṇa. (Padyāvalī 14, as quoted in Caitanya-caritāmṛta, Madhya 8.70)

One of the Letter, You mentioned that

“Your statements expressing your surrender to your spiritual master is proper. If this principle is followed you will remain pure and always protected by Kṛṣṇa. Always follow my instructions and my example. This should be your life and soul. (Letter, 1 October 1974)”

Śrīla Prabhupāda, the materialists say that to be a success one has to believe in himself. But in material life no one is a success; everyone is a failure, smashed and dumped by the laws of nature. I cannot believe in myself, either for material or spiritual well-being, because I am useless both materially and spiritually. But I believe in You, Śrīla Prabhupāda. You are a success because You are beyond the laws of nature. Whoever sticks to Your lotus feet succeeds in escaping birth and death. Not only that, but if anyone becomes attached to those who are attached to You, he also becomes a success.

Śrīla Prabhupāda, I pray to be able to stick to Your lotus feet, not only throughout this life, but life after life—and that I not simply stick there uselessly, but that I do something valuable to serve them.

I can do anything and everything required just to earn Śrīla Prabhupāda's favourable glance. Even if He doesn't glance on us favourably, He may at least glance on us unfavourably. Somehow or other we have to get His attention.

Devotee: *How will I know what to follow?*

Śrīla Prabhupāda: *You learn. You come to me. I'll teach You and beat You with shoes and teach You. Come to me. Why am I here? You come! I shall beat You with shoes and teach You. Then You'll learn. You require some beating with shoes. You are a bad student. So I'll do that. “Come on.” Yes, I keep always my shoes for my bad students. (Conversation, 25 January 1977)*

Śrīla Prabhupāda, I don't want to be a bad student. I want You to think of me as a good student. But even if You accept me as Your bad student, that will be a great benediction, unlimitedly better than not being accepted by You at all, and with the added special benediction of being beaten by Your shoes! Śrīla Prabhupāda, I am always being beaten by my mind. Now please beat me with Your shoes and purify me.

Śrīla Prabhupāda, You gave me Kṛṣṇa and I gave You my sinful reactions. Kṛṣṇa is unlimited and my sinful reactions were unlimited. So both by giving me Kṛṣṇa and taking my burden of sins, I have become unlimitedly and eternally indebted to You. I cannot ever repay that debt, but I can express my thankfulness by sincerely taking to Kṛṣṇa consciousness, giving Kṛṣṇa to others on Your order, and not sinning any more. Your mercy is inconceivable and causeless. Certainly I have never done anything to deserve it, nor in the future will I be able to do so. I have no idea how all this good fortune has come to me. By accepting me, You tied me not only to Your heart, but to the hearts of all those who have surrendered to You, to all

the pure devotees who have appeared in the past, to all those who will come in the future, and to the dearly beloved of Yourself and all pure devotees, namely Lord Śrī Kṛṣṇa, the Supreme Personality of Godhead.

Srila Prabhupada, You are my only saviour and even though I am not able to follow all the rules and regulation but instead of that You have given the Causeless shelter to this most fallen soul. I know Prabhupada, what kind of Person I am, but out of Your most deep Compassion You are holding me till now. If I will search who has this kind of compassion I will not find in Three Worlds except You. All Glories to You.

As I was reading in Krishna Book, You mention that Spiritual Master is Incarnation of Mercy of Krishna. And that I realize personally the level of causeless mercy You have on this fallen soul.

Please bless me Prabhupada, I can Follow four regulative Principle very Strictly, I can be fully absorb in Your divine Instruction, and I can absorb in Devotional Service of Your Divine Grace. I can't preach on the basis my own strength, I just can repeat Your words as it is. So please bless me to represent Your words as it is without speculation.

Srila Prabhupada, Even though I am not eligible to ask for forgiveness But I am Begging You to forgive me for my offences unto Your lotus feet. I have one desire that I want to serve You life after life and Your mission is my life's oxygen without which I can't sustain.

Therefore I am simply pleading with You to forgive all my anomalies and accept me. I know that I am a bad disciple, but I could not bear it if You turned me away.

Please engage me always in Your mission life after life

Your fallen Servant,

Anadi Govinda Dasa.

Anagha Bhakta Dasa

Dear Srila Prabhupada,

Please accept my humble obeisance unto Your lotus feet, I would like to say thank You from the bottom of my heart for accepting a fallen soul like me as Your disciple.

It was my privilege that to know Krishna consciousness through Your merciful guidance this was a miracle change in my life. Because this gave me a new angle to see our life.

Srila Prabhupada. It was Your mercy by which I could understand the purpose of life, I realize sometimes that there are many distractions in my life so please help me to progress in KRISHNA CONSCIOUSNESS and increase my interest to walk on the path of Krishna consciousness without any distractions.

Many many thanks for being my spiritual master

Your most fallen servant,

Anagha Bhakta Dasa.

Anantha Sesha Dasa

Dear Srila Prabhupada,

Please accept my most humble and respectful obeisances unto Your Divine lotus feet on this particular occasion. Yet another year passed, but I find myself in the same place where I was a year back or may be little lower. Every year, I promise to you to follow all the rules and regulations very rigidly but I fall apart most of the time from my promises. Still, you are bestowing unlimited blessings unto this fallen soul, and always you are there to help & guide me in right direction. I am very much

obliged to you for keeping me in your divine shelter even though I do not deserve at all. You are the only hope, please bestow me with spiritual strength so that I can purify my thoughts and actions.

The special function of Śrīla Rūpa Gosvāmī is to establish the feelings of Śrī Caitanya Mahāprabhu. These feelings are His desires that His special mercy be spread throughout the world in this Kali-yuga.

ṛṥthivīte āche yata nagarādi-grāma

sarvatra pracāra haibe mora nāma

The desire of Śrī Caitanya Mahāprabhu is that all over the world everyone, in every village and every town, know of Him and His saṅkīrtana movement. These are the inner feelings of Śrī Caitanya Mahāprabhu. Śrī Rūpa Gosvāmī committed to writing all these feelings of the Lord. Now again, by the mercy of Śrī Caitanya Mahāprabhu, the same feelings are being spread all over the world by the mercy of Your Divine Grace through some sincere disciples of Yours, who are sincerely trying to spread the chanting of the holy names in more and more new places around the world.

As recorded in the Caitanya Maṅgala, the Lord Caitanya Himself predicted, “My commander-in-chief devotee [mora senapati bhakta] will spread the chanting of the holy names around the world.” Your Divine Grace have fulfilled that prediction.

Lord Caitanya left the mission of spreading the chanting of Hare Kṛṣṇa worldwide to future ācāryas, or prominent spiritual masters in His line. First, Bhaktivinoda Ṭhākura reestablished the teachings of Lord Caitanya and wrote on them extensively. In 1896, he sent to the West the first English book on Lord Caitanya—Sri Chaitanya Mahaprabhu: His Life and Precepts. Śrīla Bhaktisiddhānta continued the mission by strongly preaching Lord Caitanya’s message all over India and sending his leading sannyāsī preachers to England. After some time, these sannyāsīs returned to India without any tangible success. They said it was not possible for Westerners to follow the practices of Kṛṣṇa consciousness.

Then, just two weeks before he [Śrīla Bhaktisiddhānta] left this world, Śrīla Bhaktisiddhānta instructed through postal letter to your divine grace to deliver the teachings of Lord Caitanya to the West. By taking this instruction to heart, you inherited the spiritual legacy handed down by Śrī Caitanya Mahāprabhu and the previous spiritual masters. Your divine grace spread the chanting of the Hare Kṛṣṇa mahā-mantra to virtually every country, thus you made great strides in fulfilling Lord Caitanya’s prophecy: “In every town and village in the world, My name will be heard.”

By Your personal example You showed that how a disciple should be attached to his spiritual master’s instructions, always beg mercy from the predecessor Acharyas, and maintain always humble behavior towards everyone. You are the perfect example of a Spiritual Master, Disciple and Devotee.

As the Lord’s mercy and glories are unlimited so similarly yours mercy and glories are also unlimited. Even we don’t know how to glorify You properly, just by glorifying You we become purified. It is mentioned by Srila Narottama Das Thakura in one of the his devotional song that

gaṅgāra paraśa hoile paścate pāvan,darśane pavitra koro-ei tomāra guṇ

“After bathing in the waters of the sacred Ganges many times, one becomes purified, but just by the sight of You, the fallen souls are purified. This is your great power, O Vaiṣṇava Gosvāmī.”

The struggle to serve Your Divine lotus feet is the straight path that leads to Krishna. I pray to Your Divine Grace to bestow required faith and mercy so that I may become an instrument in Your mission in spreading Krishna Consciousness. Surely, without Your Grace there is no meaning to our lives.

On this auspicious occasion, I sincerely pray unto Your Divine lotus feet to bestow mercy upon me so that I could develop required purity in the heart to move on devotional path. Thank You very much Srila Prabhupada for everything, which You have provided to all of us.

Your fallen servant, Anantha Sesha Dasa, HKM, Jaipur.

Antaryami Krishna Dasa

Dear Srila Prabhupada,

Please accept my most humble obeisance at Your lotus feet on this most auspicious appearance day of Your Divine Grace.

Each and every day I thank You from the bottom of my heart for giving me Krishna consciousness. I do not know where I would be without this amazing gift. As I am writing this insignificant offering to Your Divine Grace, I am contemplating how fortunate I am to have You as my spiritual master. You left the glorious land of Vrindavan at the ripe old age of 69 just to save fallen souls like me. I had no meaning and purpose of life, what to speak of my destination after death. I had no idea that this life is meant not for sense gratification but for self-realization. I had no idea of the vast ocean of spiritually charged activities You gifted to us such as chanting the Hare Krishna Mahamantra, dancing before deities, honoring incredible prasadam, reading and studying transcendental literature & associating with wonderful devotees of the lord.

Srila Prabhupada, I am grateful to You eternally for giving me shelter in Your movement as a full time missionary and please keep me as Your servants of servant eternally.

Please bless me so I would be able to chant 16 rounds attentively and would be able to engage myself 24hrs a day in devotional activities.

Your insignificant servant,

Antaryami Krishna Dasa.

परम पूजनीय श्रील प्रभुपाद के श्री चरणों में मेरा कोटि - कोटि दंडवत प्रणाम। प्रभुपाद आपकी कृपा से हम जानवर से इन्सान बन रहे हैं। हम भगवान श्री कृष्ण और गुरु के बारे में बचपन से सुनते आ रहे हैं पर उनकी महिमा का हमें पता नहीं था पर जबसे मैंने आपकी शरण ली है तबसे मैं भगवान और गुरु के बारे में सही जान पाई हूँ। श्रील प्रभुपाद मैं इतनी शुद्ध नहीं हूँ की मैं आपकी महिमा का गुणगाण कर सकूँ। आपकी कृपा से मैं अपने आध्यात्मिक जीवन को आगे बढ़ाने का प्रयास कर रही हूँ। आपने मुझे अपनी शिष्या के रूप में स्वीकार कर मेरे जीवन में परिवर्तन ला दिया है। आपकी कृपा से मैं गुरु के महत्त्व को समझ पाई कि हमारे जीवन में गुरु बनाना क्यों ज़रूरी है। आप मेरे जीवन में सूर्य का प्रकाश बनकर आए जिस तरह सूर्य काली रात का अँधेरा नष्ट करके प्रकाश फैला देता है उसी तरह आप मेरे जीवन में सूर्य का प्रकाश बनकर आए और मेरे अन्दर के अन्धकार को ज्ञान रूपी प्रकाश से नष्ट कर दिया। आपकी कृपा और आशीर्वाद से मैं हमेशा कृष्ण भावनामृत से जुड़ी रहूँ। आपने हमें जीवन जीने के तरीके बताए है, आपकी कृपा से ही मैं भगवान के बारे में जान पाई हूँ और उनसे जुड़ने का प्रयास कर रही हूँ, पर फिर भी मुझसे कई बार गलतियाँ हो जाती हैं मैं यही चाहती हूँ की आपका आशीर्वाद और आपकी कृपा मुझ पर हमेशा बनी रहे जिससे की मैं अपने आध्यात्मिक जीवन में प्रगति कर सकूँ। मैं आपकी कृपा से आपके चार नियमों का पालन कर सकूँ। प्रभुपाद आपका कोटि -कोटि धन्यवाद।

Dear Srila Prabhupada,

Please accept my humble obeisances at Your lotus feet.

On the very special occasion of Your 123rd birthday, I'm very pleased to write an offering letter to You.

Prabhupada I just want to say You-

AAP NA HOTE TO KYA HOTA

Many times this question comes in my mind. Really it was only Your mercy that I came in contact with the devotees of HKM in Udaipur and I got answers of these 3 questions-

मैं कौन हूँ? (Who am I?)

मैं कहाँ से आया हूँ? (Where I came from?)

और मेरा यहाँ आने का क्या प्रयोजन है? (What is the purpose of my coming to this world?)

Though there are lots of struggles and miseries in this material world, I still want to live a long life which is full of Krishna consciousness and devotional service.

Prabhupada, You added colours of spirituality in my life. How can I forget You and Your mercy. I promise You that I'll try my best to please You and Lord Krishna by putting all my sincere efforts.

Thanks a lot Prabhupad for Your causeless mercy .

Your servant, Archana Sakhi Devi Dasi.

Dear Srila Prabhupada,

Please accept my humble obeisances at Your Lotus Feet.

I am grateful for choosing me in millions, to walk on this path of Krishna consciousness, which is full of bliss and eternity. I wonder what good deeds have made this soul fortunate enough to be chosen by You. You are so merciful that a year ago, You accepted me as Your disciple.

Prabhupada You have trained me by Your instructions, by Your blessing I am progressing slowly in spiritual life. Even though there were lots of obstacles, hindrances, difficulties, in path of spiritual life. You have given hope and blessings Prabhupada, You have created atmosphere where we can practice Krishna consciousness peacefully, by providing temple devotee association, attending artis and temple programs, chanting sixteen rounds of hare Krishna mantra, reading Bhagavad gita and Srimad Bhagavatam, doing service in the temple these things are all gift and blessings of Yours Prabhupada on us.

Now a days I feel that I am not that much active which I use to be. Also, I am struck at various activities in my job responsibilities and because of this at times I am not able to complete sixteen rounds. My humble prayer to You is kindly help me to come out of busy schedule and start doing my complete Sadhana.

Prabhupada I need Your blessing for further spiritual progress and request You to keep me and my family in Your shelter feet.

All glories to Srila Prabhupada!

Your Servant, Archi Devi Dasi.

Dear Srila Prabhupada,

Please accept my humble obeisance at Your lotus feet.

"Mukam karoti vachalam pangum langhyate girim!, Yat kripa tam aham vande shri gurum dina taranim"

By the mercy of the guru even a dumb man can become the greatest orator and even a lame man can cross mountains. I offer my obeisances to such a guru, the deliverer of the fallen..

Today is Your birthday & very Auspicious day of our life. If You did not come to this planet How could I understand science of Krishna consciousness & " my position, my identity, my real happiness"

I learn all these only because of Your presence, Your teachings otherwise I could also be a victim to Maya.

Guru Maharaj, Now I understand little bit but still it is very difficult to cross this Ocean of Maya. It is Extremely very difficult to cross this "Maya Rupi Samsar" without Your mercy/Guidance/support. I pray at Your lotus feet to bless us with special mercy even although I am not qualified for Your mercy but as You are so merciful please bless us.

Prabhupada, when I read Your Pastimes I realized how merciful You are & Always protect Your disciples. Just few days back I was reading Your pastimes. When You were in USA with Your disciples & suddenly dog was running behind one of disciple and He was very much afraid & running toward You Prabhupada- Prabhupada save me and suddenly You had taken Your stick towards dog and said "Hut" and all devotees were surprised seeing You & You had saved him even from dog also".

Prabhupada, You are so so merciful even I cannot realize Your importance from this materially affected mind.

Prabhupada, I also want to say thanks to devotees of "Hare Krishna Movement, Jaipur" & Pray You please always be personally present in Krishna Balarama Temple.

I also pray Please engage me always in Krishna's Lotus feet & You be my master always birth after birth & Guide me always. I am Your eternal servant.

Your Servant,

Arvindnabh Dasa.

Dear Srila Prabhupada,

All glories to You !

Philosophers, evangelists & great religious leaders have taught us time and again about the real, unvarnished face of this material world. Your grace have, in Your authoritarian & cent-percent purely translated books, emphasized the temporary, deceitful, selfish & brutal aspects of this material world, which You, in Your own words, have called, "a lopsided, upside-down version of the spiritual world, characterized by envy, greed, hatred & mercilessness."

To get out of the clutches of Maya, the prison guard of this wide, vast material world, is by no means an easy task, but to those who explicitly place their full faith in the words of the Spiritual master & follow His teachings till their last breath, to cross over the great ocean of material nescience becomes just as shallow & easy as jumping over a puddle of water stored in a crater created by a calf's hooves. As in the Bhagavad Gita, Chapter 4, Text 34 says,

*tad viddhi pranipatena, pariprasnena sevaya
upadeksyanti te jnanam, jnaninas tattva-darsinah*

TRANSLATION,

Just try to learn the truth by approaching a spiritual master. Inquire from him submissively and render service unto him. The self-realized soul can impart knowledge unto You because he has seen the truth.

To approach the bonafide Spiritual Master, serve Him, inquire from Him humbly & follow His teachings unwavering, is the only key to success in one's spiritual journey.

This lowly servant of Yours is eternally grateful to Your Grace, for having shown this insect stuck in this material world's great filth & thus suffering commensurately for his past & present sinful deeds, a path full of transcendental bliss, light & eternal happiness.

Without Your enriching, enlightening, & pure words, coming straight from Goloka Vrindavan, the abode of the Supreme Personality Of Godhead, Sri Krishna, all of us would have been perpetually caught in this never-ending cycle of birth, death, old age, disease & would have been forever indulged in "chewing the chewed."

Thank You, our beloved Srila Prabhupada, for having taken us all from the deepest, darkest parts of this dark, dismal material world, & placing us in a position to truly experience, appreciate & be able to understand the sublime heights & ecstasy of pure Spiritual happiness. My only prayer to You, is to empower me to be able to follow Your teachings to the best of my ability, & thus try to reach at-least a semblance of eternal spiritual perfection espoused every second of the day by You.

In hopes of someday becoming eligible to gain Your powerful mercy, this offering is written.

Your ever-fallen servant,

Ashesh Gopal Dasa.

Ashraya Vighraha Dasa

Dear Srila Prabhupada,

Please accept my humble obeisances at Your lotus feet,

I want to offer my thanks to You because by Your Divine Grace I'm living in the association of devotees from last two years, which is very rare to obtain in this world and I pray to You sincerely that please somehow or other keep me always in the association of devotees.

Srila Prabhupada please give me a very strong desire for living in this life with devotees and birth after birth with devotees. My mind is too dirty because it's always busy in finding faults of others, this fault finding is just like stool and appreciating others good qualities is just like 'Halwa'. Although I know this fact still due to contact of passion and ignorance my mind is always busy to take stool like taste of fault finding, therefore please kindly give me strength of always appreciating others good qualities. Which is very much favorable for my good consciousness and quick spiritual progress.

I pray to You that please give me a very sincere desire of becoming a pure devotee of Krishna as soon as possible, whose desires and activities are not independent of Krishna and due to this pure devotee's mind is completely clean, calm and cool like a pure water lake.

Srila Prabhupada please give me strength to control six urges which are very much destructive in spiritual life. If I can be able to control these six urges or 'vegas' then I can serve Your mission whole heartedly.

Because loving devotional service to Krishna is the solution to all the problems of life therefore please kindly create such favorable circumstances, that by Your Grace I can become fully engaged in loving devotional service of Krishna. And in this way I can become very quickly purified of all material contamination.

Srila Prabhupada please kindly give me a very strong desire of giving You respect very nicely and properly, because without having a desire to respect You with a very simple heart, I cannot follow Your instructions properly.

Your Servant,

Ashraya Vighraha Dasa.

Bhakta Avinash

Dear Srila Prabhupada,

O Gurudeva, Oh my spiritual master kindly accept my humble and respectful obeisance at Your lotus feet on this most auspicious appearance day of Your Divine grace.

Today is Vyasa puja ceremony year of 2019; I came to You to offer my humble obeisance. So today is very special day for me because, my dear most spiritual master had taken transcendental birth in this material world out of his compassion to deliver fallen souls.

O Prabhupada You are so merciful of fallen condition souls. Your causeless Mercy is like a rain without any expectation. But am so unfortunate not accepting for the same.

Dear Prabhupada still I am remembering that when I was suffering in this material world without any guidance or out of my ignorance You came to my life through Yours books and saved me. Your books are not different from You.

There are no words Prabhupada to glorify Your transcendental nature and I'm so much insignificant to glorify You, because of You, I am chanting Hare Krishna Mahamantra and following all rules and regulations which are advised by You.

You are my captain and I am simply sitting in a transcendental boat, believing You, sure that You will cross the material world, which is full of suffering. Thus, I offer my respectful obeisance unto You a thousand times and again and yet again.

I want to stay with You always to become Your servant of servant life after life, please forgive me if I did any kind of mistake and accept me as Your disciple and bless me.

My final wish that at end of my last breath I want to say.

Jai Srila Prabhupada

Your insignificant servant,

Bhakta Avinash.

Bhuvana Sundara Dasa

पूज्य गुरुदेव श्रील प्रभूपद जी के चरणकमलों में सादर दण्डवत्,

आपसे संपर्क में आने से पहले मैं भी एक, आधुनिक स्वघोषित कलियुगी तथाकथित ज्ञानी मानव था। जिसे अपने बारे में भी ठीक से पता नहीं था, बाकी की तो बात ही क्या? यद्यपि मंजिल तो श्री भगवान ही थे, तथापी सही मार्ग पता नहीं था।

जीवन में जबसे आपकी अहैतुकी कृपा हुई है। तभी से जीवन का वास्तविक उद्देश समझ आया है। आपने सिखाया कि मनुष्य और जानवर में चार समानतायें आहार, निद्रा, भय तथा मैथुन होती हैं और असमानता में प्रमुखता से ब्रह्म जिज्ञासा है। आपने सिखाया किस प्रकार ब्रह्म जिज्ञासा द्वारा, आध्यात्मिकता के पथ पर बढ़ते हुए हम आत्मकल्याण को प्राप्त कर सकते हैं। आपने बताया कि मानव जीवन की सफलता क्या है तथा असफलता क्या है ? आपने सिखाया कि हमारा असली दुःख तो भवसागर में बारंबार आवागमन है। जिस कारण हम अनन्त काल से जन्म, मृत्यु, जरा और व्याधि जैसे वास्तविक दुःखों से जूझ रहे हैं। जबकि हम तो क्षणिक सांसारिक दुखों को ही वास्तविक दुःख समझ रहे थे। आपने ही शास्त्रों में वर्णित चार नियामक सिद्धान्तों द्वारा भवसागर, दुखालय, से पार पाने का तरीका बतलाया। आपने बताया कि मानव जीवन का वास्तविक उद्देश क्या होना चाहिये। हम जिसे हमारा उद्देश समझ कर मानव सभ्यता का विकास मान रहे थे, वह तो मात्र एक मृगमारीचिका का मार्ग था, जो अन्धकूप में जाकर समाप्त हो रहा था। आपने बताया कि हमारी मौलिक चेतना तो कृष्णभावनामृत ही है, जो वर्तमान युग में, प्रशिक्षण के अभाव में सुप्त अवस्था में चली गई है। आपके हरे कृष्ण आन्दोलन के सम्पर्क में आने से मैं इसे कुछ हद तक प्राप्त कर पाया तथा आपके आशीर्वाद और कृपा से एक न एक दिन कृष्ण भावनामृत को प्राप्त करूँगा, एसा मेरा विश्वास है।

आपने समझाया कि सत्य और सौन्दर्य क्या है, आत्म साक्षात्कार क्या है, विवेकपूर्ण जिज्ञासाएँ क्या होती हैं? आपने सम्पूर्ण मानव जाती पर कृपा करके जीवन का उद्देश बहुत ही सुन्दर और सरल शब्दों में बतलाया। इसके लिये हम, कलियुग की मानव जाती, सैदव आपकी अभारी और ऋणी रहेगी।

आपने जो ज्ञान दिया है, उसे मेरे द्वारा, शब्दों में वर्णन करना संभव नहीं है। परंतु इस ज्ञान की जो अनुभूति है, वह एक अनुपम अनुभूति है इसे मैं सिर्फ महसूस कर सकता हूँ यद्यपि मैं आपके बतलाये मार्ग पर चलने का प्रयत्न कर रहा हूँ। परन्तु जन्मों - जन्मों के संचित कल्मषों के कारण, समय -समय पर माया द्वारा मोहित कर लिया जाता हूँ। तथापि आपकी अहैतुकी कृपा और आशीर्वाद, सैदव मुझे माया के पाश से बचाये रखेंगे, ऐसा मेरा पूर्ण विश्वास है।

आपके दासों का तुच्छ दास,

भुवन सुन्दर दास.

JAI SRILA PRABHUPADA,

All glories to His Divine Grace A.C. Bhaktivedanta Swami Srila Prabhupada,

I offer my respectful obeisances unto Divine lotus feet of my lovable spiritual master Srila Prabhupada who is always giving me inner strength and proper direction to follow His Divine instructions but I am unfortunate that I am not accurately and seriously following His Divine instructions.

Recently, I am so much disturbed by family economical condition and sexual thoughts in my crippled mind, but by Divine mercy of my spiritual master, it becomes solved to some extent.

Now by the grace of my spiritual master, I am serving cows as an instrument of my Divine master, in beginning, only my authorities gave me such big task in goshala but by the Divine mercy of my spiritual master, it becomes easy for me.

Srila prabhupad quotes from scriptures

mūkaṁ karoti vācālaṁ paṅguṁ laṅghayate girim

yat-kṛpā tam ahaṁ vande śrī-gurum dīna-tāraṇam

Mūkaṁ karoti vācālaṁ: "A dumb is a great orator." Mūkaṁ karoti vācālaṁ. Paṅguṁ laṅghayate girim: "The lame man, lame man is jumping over the mountain." Mūkaṁ karoti vācālaṁ paṅguṁ laṅghayate girim. Yat-kṛpā: "By the mercy of guru it is possible." So let us cooperate and do this business. Higher authority will be pleased, and that is our success. Yasya prasādād bhagavat-prasādaḥ**. If the higher authorities are pleased, then Kṛṣṇa is pleased.

But now we are facing so much disturbances because of some political reasons and some our shortcomings and I realized by the mercy of Prabhupada that in this material world there are only miseries and Krishna says

indriyārtheṣu vairāgyam anahaṅkāra eva ca

janma-mṛtyu-jarā-vyādhi-duḥkha-doṣānudarśanam

I don't know what is plan of Prabhupada and Krishna for me but I am trying to serve mission of Prabhupada and I am seeking mercy of vaishnavas, Srila Prabhupada and Krishna. Please bless me, I am so fallen....

Please pardon me if I have committed any offenses while doing devotional service.

Jai Srila Prabhupada,

Your fallen servant,

Brajmohan Dasa.

Brajwasi Dasa

Srila Prabhupada,

Please accept my humble obeisance at Your lotus feet on auspicious day of Your Divine Grace appearance on the earth. I wish to describe my gratitude as follows:

The desire for spiritual life is an absolutely natural hankering. Because we are spirit soul we cannot be happy in the material atmosphere. If You take a fish out of water, it cannot be happy on land. Similarly, if we are without spiritual consciousness, we can never be happy. Today so many people are after scientific advancement and economic development, but they are not happy because these are not the actual goal of life. Many people are realizing this and they are rejecting materialistic life and are trying to search for spiritual goal of life. Unless You take Krishna consciousness, you cannot be happy. That is fact. For this holy mission there is great need of genuine Guru. The genuine Guru is God's representative. He represents the Supreme Lord, just as a viceroy represents a King. The real Guru will not manufacture anything. Everything he says in accordance with scriptures and the previous Acharya's and also knows the imports of Vedas.

In nutshell He is 100% Krishna Conscious so I am enough fortunate and also proud of having such a genuine Guru in His Divine Grace A.C. Bhaktivedanta Swami Prabhupada.

In our revealed scripture - absolute necessity of spiritual master has been stressed for proper spiritual development as is said.

*saksad-dharitvena samasta-sastrair uktas tatha bhavyata eva sadbhi
kintu prabhor yah priya eva tasya vande guroh sri-caranaravindam*

"In the revealed scriptures it is declared that the spiritual master should be worshipped like the Supreme personality of Godhead and this injunction is obeyed by pure devotees of the Lord. The spiritual master is the most confidential servant of the Lord. Thus let us offer our respectful obeisance's unto the lotus feet of our spiritual master."

*"om ajñāna-timirāndhasya jñānāñjana-śalākayā
cakṣur unmīlitaṁ yena tasmai śrī-gurave namaḥ"*

I was born in the darkest ignorance and my Guru, my spiritual master opened my eyes with the torch of knowledge. I offer my respectful obeisance's unto him.

According to Mundaka Upanisada 1-2-12. The Vedas enjoin us to seek out a Guru. The Guru is one because he comes in disciplic succession what Vyasadeva and Krishna taught five thousand year ago is also being taught now. There is no difference between two instructions. The genuine Guru has one opinion and that is the opinion expressed by Krishna, Vyasadeva, Narada, Arjuna and Sri Chaitanya Mahaprabhu and the Goswami's whatever Vyasadeva wrote was originally spoken by the Supreme personality of Godhead. Srila Vyasadeva did not give his own opinion. Consequently Srila Vyasadeva is a Guru. He did not misinterpret the words of Krishna, but transmits them exactly as they were spoken. As Visvanatha Cakravati Thakur says in his prayers to the spiritual master :

*yasya prasādād bhagavat-prasādo yasyāprasādān na gatiḥ kuto 'pi
dhyāyan stuvāms tasya yaśas tri-sandhyam vande guroh śrī-caraṇāravindam*

"By the mercy of spiritual master one receives the benediction of Krishna. Thus if we surrender to bona fide Guru, we surrender to God. God accepts our surrender to Guru."

In the B.g.(4.34) Sri Krishna tells us method of seeking out and approaching the Guru.

*tad viddhi pranīpātena paripraśnena sevayā
upadekṣyanti te jñānam jñāninas tattva-darśinaḥ*

“Just try to learn the truth by approaching a spiritual master inquiring from him submissively and render service to him. The self-realized soul can impart knowledge unto you because he has seen the truth.” We must understand that we were once all born rascals and fools and we have to be enlightened. We have to receive knowledge to make our life perfect.

To receive the transcendental knowledge we must completely surrender ourselves to the real Acharya in a spirit of ardent inquiry and service. Actual performance of service to the absolute under the guidance of Acharya is the only vehicle by which we can assimilate the transcendental knowledge. Today's meeting for offering our humble services and homage to the lotus feet of the Acharya deva will enable us to be favoured with capacity for assimilating the transcendental knowledge so kindly transmitted by to all persons without distinction.

The transcendental knowledge of the Vedas was first uttered by God to Brahma, the creator of this particular universe. From Brahma the knowledge descended to Narada from Narda to Vyasadeva, from Vyasadeva to Madhva and in this process of disciplic succession the transcendental knowledge was transmitted by one disciple to another till it reached Lord Gauranga Sri Krishna Chaitanya who posed as the disciple and successor of Sri Isvara Puri. The present Acharyadeva is the eleventh disciplic representative from Rupa Goswami, the original representative of Lord Chaitanya.

The knowledge that we received from our Gurudeva is not different from that imparted by God himself. We adore this auspicious day as Sri Vyasadeva Puja Tithi because the Acharya is the living representative of Vyasadeva, the Divine compiler of the Vedas, the Purina's, the Bhagavad Gita, the Mahabharata and the Srimad Bhagvatam.

Gentlemen, although we are like ignorant children in the knowledge of the transcendence, still His divine grace, my Gurudeva has kindled a small fire within us to dissipate the invincible darkness of empirical knowledge. All glory to my divine master, for it is who has out of his unceasing flow of mercy stirred up within us such a movement of eternal existence. Let us bow down at His lotus feet.

Gentlemen had he not appeared before us to deliver us from the thralldom of this gross worldly delusion surely we should have remained for lives and ages in the darkness of helpless captivity. Had he not appeared before us we would not have been able to understand the eternal truth of the sublime teaching of Lord Chaitanya. Personally I have no hope for any direct service but I am confident that someday or other I shall be delivered from this mire of delusion in which I am at present so deeply sunk. Therefore let me with all my earnestness pray at the lotus feet of my Divine master to allow me to suffer the lot for which I am destined due to my past misdoings but to let me have this power of recollection: That I am nothing but a tiny servant of the Almighty Absolute Godhead, realized through the unflinching mercy of my divine master. Let me therefore bow down at his lotus feet with all the humility at my command.

Your tiny servant,

Brajwasi Dasa.

Bhakta Brijdeep

My Dear Srila Prabhupada,

Please accept my respectful and humble obeisance at Your lotus feet on this most auspicious appearance day of Your Divine Grace.

Srila Prabhupada, Your merciful appearance is the most prominent and important event in this age of kaliyuga,

Srila Prabhupada, only You can save us from this clutches of maya because we are so degraded and entangled fallen soul in this material world...

Srila Prabhupada, I am so unfortunate soul that sometime we commit offence at Your lotus feet knowingly and unknowingly although we know that without pleasing spiritual master, we can't get highest benediction to achieve love of Krishna....

Gurudeva, please give me plenty of strength and intelligence that I can adhere Your instruction properly which is very important for my spiritual growth.

Gurudeva, very wonderful quality of this institution is association of the great Vaishnavas. I am always happy to see such nice devotees who always inspire me to move forward to achieve highest goal of human life.

Srila Prabhupada I am really thankful to You that I got such a nice opportunity to serve great devotees which is very rare for great scholars and worldly men.

Srila Prabhupada, Give me good sense that I never commit any offence at the lotus feet of dear most devotees and I always respect them in all manner.

Srila Prabhupada I am always thankful to You that I got such a nice kindhearted authorities who always motivate me, help me, guide me and keep engaging me in many responsible services although I don't have any basic quality and knowledge for that....Gurudeva give me good sense and intelligent that I always keep satisfying them which is direct method to serve His Divine Grace...

My dear spiritual master give full strength to my senses that I can meditate on Your form, instruction, lotus feet which is very important for the disciple ..

Its stated in Skanda Purana cited by Shiva to Parvati

*dhyana mulam guru murti, puja mulam gurur
mantra mulam gurur vakyam, moksha mulam guru kripa*

“The Guru's form is the best to meditate upon; the Guru's feet are the best for worship; the Guru's word is the mantra; the Guru's Grace is the root of liberation.

Oh My Kind Spiritual Master, my humble request to please always be kind upon me.

Your Servant,

Chandra Bhanu Dasa.

Charumukhi Devi Dasi

Dear Srila Prabhupada,

*Mukam karoti vachalam pangum langhyate girim!
Yat kripa tam aham vande shri gurum taranam*

“By the mercy of the guru even a dumb man can become the greatest orator and even a lame man can cross mountains. I offer my obeisances to such a guru, the deliverer of the fallen.”

Please accept my humble obeisances at the dust of Your Divine lotus feet. All glories to You.

Today is the most auspicious day of Your appearance and for me it is a very holy and meaningful day but for me to offer You something worthy is not possible because I am the most poor and fallen soul Prabhupada, day by day I am feeling like I am heading towards the way of becoming a retrograde even after taking initiation. I can not offer any kind of service in the temple . I feel guilty for this each and every day. I ended up completing my daily routine like mangla aarti, offering bhoga and 16 rounds of chanting. All this is going on like a daily routine. Everyday I decide that I will try to read Your holy books regularly but then I make some excuses put it on tomorrow. With Your mercy I have started reading books regularly from the last few months. Prabhupada I desperately want to bring Lavanya in the path of devotion so she also can get the blessings of Krishna Balaram and Yours. Prabhupada, please forgive me for any offenses I committed during this path of devotion. I hope I never forget for a moment what You have done for us.

Srila Prabhupada, this is what I had to present to You as my humble offering. I pray for Your mercy and the mercy of Your disciples whom You have kindly sent here so that You and they may continue to guide us in our attempt of progress in Krishna consciousness.

Your servant,

Charumukhi Devi dasi.

Daivishakti Devi Dasi

Dear Srila Prabhupada,

I offer my respectful obeisances unto the lotus feet of my spiritual master and unto the feet of all Vaisnavas. I offer my respectful obeisances unto the lotus feet of Śrīla Rūpa Gosvāmī along with his elder brother Sanātana Gosvāmī, as well as Raghunātha Dāsa and Raghunātha Bhatta, Gopāla Bhatta, and Śrīla Jīva Gosvāmī. I offer my respectful obeisances to Lord Krishna Chaitanya and Lord Nityānanda along with Advaita Ācārya, Gadādhara, Śrīvāsa, and other associates. I offer my respectful obeisances to Śrīmatī Rādhārānī and Śrī Krishna along with their associates Śrī Lalitā and Viśākhā.

Before taking shelter of Prabhupada I was in full darkness and did not know what is Bhakti. Gurudeva Prabhupada, You have opened my eyes and given me shelter on Your lotus feet. After getting shelter of Your lotus feet I am feeling happiness in life. Please be merciful on me.

On the auspicious occasion of Sri Vyasa Puja I offer You my most humble obeisances . Thank You very much,

Yours faithfully,

Daivishakti Devi Dasi.

Damodar Chaitanya Dasa

My Dear Srila Prabhupada,

I am extremely grateful for pulling me to Your lotus feet during last 7th year, Since You formally graced me & made me Your disciple, my spiritual journey has traveled much deeper and longer.

By coming in contact with Krishna consciousness movement or popularly known as the Hare Krishna Movement. I learned a lot of things like chanting of the Holy Name, the taste in chanting and there are still so many souls in material world who are in utmost need of this real knowledge present in Your books, if once they read Your books, their way of thinking will change for the better.

It is only by Your causeless mercy that unqualified becomes qualified. Krishna consciousness means to loose taste for sinful activities, meat eating, intoxication, gambling and illicit sex. According to Your instructions spiritual world is eternal. Material world is just 1/4th of the entire existence and only fools would like to remain in this prison house.

It is all Your mercy that I am chanting the Hare Krishna mantra 16th round in my japa beads and know the importance of it. So, Finally I am trying to be servant of You, Srila Prabhupada who is the well-wisher of all. Jai Srila Prabhupada!

Your most fallen servant, Damodar Chaitanya Dasa.

Danveer Nitai Dasa

Also, going through Your valuable directives and books that gives the spiritual way to merge deep in Lord Krishna consciousness.

Kindly tolerate my offences and provide Your shelter to me and my family.

Dear Srila Prabhupada,

Please accept my humble obeisance at Your divine lotus feet on the occasion of Your 123rd Vyasa Puja day, the divine appearance of Lord Krishna's most beloved devotee.

Every year this day comes and we get a chance to glorify Your unparalleled divine personality, as Supreme Personality of Godhead has unlimited transcendental quality and pastimes, so You also have, I feel very incapable, unqualified to describe Your personality, still I am audaciously doing an attempt, if You like You may accept.

As the Lord incarnates in this material world to establish original principal of dharma, which contents only pure devotional service to His Lotus Feet. As the Lord concludes Bhagavad Gita - the ultimate essence of all the Vedic literatures, in His last statement

sarva-dharmān parityajya mām ekaṁ śaraṇaṁ vraja

ahaṁ tvām sarva-pāpēbhyo mokṣayiṣyāmi mā śucaḥ

“Abandon all varieties of religion and just surrender unto Me. I shall deliver You from all sinful reactions. Do not fear.”

But after this also, condition soul has a tendency of forgetfulness, illusion, and cheating, due to that they gradually distract from real dharma the pure devotional service. Out of compassion for suffering condition soul, the Supreme Lord to again revive the same principle, He sends His most confidential servant in the form of His personality of mercy.

Recently I read that the 7th Goswami Srila Bhakti Vinod Thakur sent first time His book in 1996 Life and Teachings of Lord Chaitanya to foreign country university to make them aware about the real philosophy of life, Precepts shown by lord Himself in the form of Lord Chaitanya and 1st September 1996 You appeared to fulfill His Desire.

Sri Chaitanya Mahaprabhu predicated one day in every town and village my name will be chanted. And out of compassion, You traveled in such an advance age without caring bodily and economical condition and gave highest benediction to entire world called Sankirtana Movement which is the only remedy for suffering condition soul suffering from the fever of material desire. You are the Incarnation of Krishna Mercy and in this context, I remember one anecdote –

One devotee name din bandhu transferred to Los angles Temple, where he happened to meet one of the early disciple his name was Mahapurush Dasa, he narrated about Your compassionate feeling towards the condition soul. - In the beginning days, classes started on Second Avenue, the front shop matchless gift. After the every class there would be love feast prasadam. One day Mahapurusha Dasa got late when everything was over, and he saw in the room there was swami and contaminated utensils left by people after eating, the situation was showing that swami would only wash the all the eaten

up plates, he saw me and told that I am feeling little tired and I prayed to Krishna send someone to help me and You have come. You were washing the plates of others. And there are unlimited pastime of Your glories like this.

Srila Prabhupada I beg from You - eternal devotional service at Your Divine Lotus Feet, life after life. Except You there is no hope in all the three worlds, where we would find such a merciful personality like You. And if You like, You may bless this fallen soul.

Your Servant,

Deen Bandhu Krishna Dasa.

Devaki Tanaya Dasa

Dear Srila Prabhupada,

Today by Your unconditional causeless mercy I have got this opportunity to glorify a pure devotee like You, who on the order of his spiritual master Srila Bhaktisiddhanta Saraswati Thakur Prabhupada went on sail to the land of hippies and social outcasts. They had deviated from God and found no happiness in the regular social way of life for that sake they took to all kinds of intoxicants and animalistic way of life. You made these outcasts as good qualified vaisnavas, this act of Yours is just like Midas touch... By this You showed the whole world that a pure devotee is empowered by the supreme Lord to change the heart of a living entity and bring him to Krishna consciousness .

You have made a lot of change in my life also earlier I was in ignorance not knowing the purpose of life and my existence, but by Your grace now I have been able to associate with Your devotees and get a glimpse of what is Krishna consciousness...

The way of life you had shown,

For many years in the West was not known,

The Hare Krishna mantra and movement,

In just 11 years worldwide had grown.

This was quite difficult task for any conditioned living entity to do that in such a short period of time to establish 108 temples and spread the chanting of holy names all over the world. You took extreme pain and labored very hard for us so that we can have the benefit of sadhu sanga.

The mission of Acaryas had long been awaiting a bonafide successor who can take it to the Western world and make it popular among the English speaking countries. Hence you are also known as patita pavana or the uplifter of the fallen souls. For a disciple there is none other happiness other than the satisfaction of his guru. Srila Prabhupada I pray to You to give me strength to satisfy You, please You by my attitude of devotional service.

You are the path and You are the goal You as paramatma play an important role

Pardon me for offenses and bless me for service You are the saviour of the fallen soul

I thank You for Your guidance and for being my eternal spiritual master, please keep taming me as Your eternal pet...

Your fallen servant,

Devaki Tanaya Dasa.

Dharma Raj Dasa

Dear Srila Prabhupada,

Please accept my humble obeisance unto Your lotus feet. Once again I am having opportunity to glorify You on 123rd appearance day of Your Divine Grace on this earthly planet.

These 3 years that I had completed in Your Divine Grace` shelter is just the mercy of Vaishnava's who constantly guided me in each and every step of my spiritual journey. Oh! Prabhupada I was moved when I heard this statement in one of Your conversation given in SSR book;

Mr. O'Grady: *I am very confused.*

Śrīla Prabhupāda: *So you must approach a spiritual master.*

Mr. O'Grady: *And he makes a decision on how to help me stop this confusion?*

Śrīla Prabhupāda: *Yes, the spiritual master is one who solves all confusion. If the spiritual master cannot save his disciple from confusion, he is not a spiritual master. That is the test.*

samsāra-dāvānala-līḍha-loka- trāṇāya kārūṇya-ghanāghanatvam

prāptasya kalyāṇa-guṇārṇavasyavande guroḥ śrī-caraṇāravindam

"This whole confused world is just like a blazing forest fire. In a forest fire all the animals are confused. They do not know where to go to save their lives. In the blazing fire of the material world, everyone is confused. How can that blazing forest fire be extinguished? It is not possible to utilize man-made fire brigade, nor is it possible to simply pour buckets of water. The solution comes when rain from the clouds falls on the forest fire. Only then can the fire be extinguished. That ability is not in our hands, but is in the mercy of God. So, human society is in a confused state, and it cannot find a solution. The spiritual master is one who has received the mercy of God, and he can deliver the solution to the confused man. One who has received the mercy of God can become a spiritual master and deliver that mercy to others."

Oh ! Prabhupada I am low born; always breaking regulative principles but You are so merciful giving me chance to get up again and again. There is no hope for conditioned soul like me except Your shelter to achieve the perfection in human life. As it is mentioned in one of Your lecture on SB recorded on September 27, 1976 In Vrindavan ;

"So it is the injunction of the sastra, and Chaitanya Mahaprabhu also inaugurated this Hare Kṛṣṇa Movement for the benefit of the whole world. And it is being accepted practically. So this is the only way to save us from all kinds of difficulties, upadrava. Upadrutaḥ; Mandah; sumanda-matayo manda-bhagya hy upadrutaḥ;"

I was blaming others for misconduct in my behavior but it was my anartha only. Oh Prabhupada by Your causeless mercy only I'll be able to cross this difficult period of struggle. Oh! Prabhupada Please keep me under Your shelter and bless me with Your personal service. Because Krishna is Yours only; You have power to give Krishna.

Honestly Prabhupada I do not deserve what You have given to me. I'm just an unworthy insignificant soul. It is by Your desire I'm here, You only brought me here now it's Your wish wherever You want me to take, take me there but my humble request is please don't throw me out of dust Your lotus feet.

Your servant,

Dharma Raj Dasa.

Dharma Setu Dasa

Dear Srila Prabhupada,

Please accept my humble obeisance unto Your lotus feet. All glories unto You. Thank to You because till now instead of so many outside and inside problems You have engaged me in Your service. Although I'm unfit and unqualified for it. I'm undergoing so many mental problems. I'm the most fallen, and lusty person. My mind and intelligence both are my enemy. For such a person to advance in spiritual understanding is very very difficult. Above all I'm not at all serious for spiritual life. But I have a desire to follow bhakti yoga. I have given promise during my first initiation for following regulative principles and chant 16 rounds everyday. But as a most fallen, and because of my past bad habits I'm failed to follow regulative principles at some places. Only by Your divine grace all knowledge will be revealed in the heart of Your disciple.

Divya gyan hrdye prakasito.

The another challenge which I'm facing is the mental speculation because it is a biggest obstruction to put unflinching faith on You and Your divine instructions.

Rupa Goswami says that pure devotional service is free from contamination of jnana and karma. My intelligence is very lusty and my mind is uncontrolled. I don't know when I'll be able to chant without offense. Even after all these disqualifications I'm very fortunate that I got shelter at Your lotus feet. O master You are spiritual master of the whole world, You are only qualified to deliver all fallen souls from this world, You are patit pavan. I'm very fortunate to be in parampara where acharyas have severely threatened most inauspicious mayavada philosophy and preached pure bhakti cult boldly. My request unto You to somehow or other always keep me in association of devotees. Let my whole life pass with devotee association and engage me in Your service eternally. If I remain few days away from association I'll fall down. Spiritually I'm very weak. Another biggest problem is vaisnava aparadh. For I'm habituated to commit offences. Please forgive me for my offences to other vaisnavas and engage me in Your services. For You are most merciful to everyone. Sri Guru karuna sindhu adham janer bandhu. And most dear friend of distressed.

Your most fallen disciple,

Dharma Setu Dasa.

Dear Srila Prabhupada,

Hare Krishna!!

Please accept my humble obeisance at Your lotus feet.

I have no material words to offer homage for spiritual master A.C. Bhaktivedanta Swami Prabhupada, with whose mercy I could understand the A-B-C of spirituality.

With Your blessings I could connect with Hare Krishna Movement JAIPUR for years together and from now here, lead myself to a stage of Krishna consciousness with the ability to understand all why's of life in reference to Bhagavad gita As It Is.

Srila Prabhupada, You have empowered many peoples to spread the message of Lord Chaitanya Mahaprabhu and to render practical devotional service to supreme personality of godhead.

My only prayer to You is to lead myself the right spiritual path throughout my life. So that I can take change of my life in true sense and be able to surrender myself unto Guru & Gauranga,

After Harinama initiation I am feeling more and more mercy of Your lotus feet. And follow four regulative principles strictly. But I am sorry for not attending Krishna Balram Temple service and classes due to some material world problems. So please empower me and give strong desire against material world struggle.

I again pray unto Your lotus feet to bless me and lead towards a worthwhile to be cherished as an enlightened being, both during and after the final exams of You as promising death.

Thank You again my dear Srila Prabhupada!!!

Hare Krishna,

Your Servant,

Dinkara Rama Dasa.

Divya Nama Dasa

Dear Srila Prabhupada,

My dear most Srila Prabhupada, Please accept my most humble obeisance unto Your divine lotus feet. All glories to You on this most auspicious day of Your Vyāsa-pūjā.

O master, by Your causeless mercy, my dream came true when I was initiated in a Diksha ceremony in August 2018 and got a new birth and a new name Divya Nama Das. Although I don't deserve, but by association and guidance of the devotees, it was possible and I feel that my spiritual journey is now started. All the happenings are just like a dream coming true.

Prabhupada, You have changed my life and it was only a few years ago that I was engaged in so many degraded activities and leading meaningless life. But, now by Your great mercy, I am engaged in rendering devotional services and worshiping deities of Sri Sri Jaganath, Baldeva and Subhadra maiya at home. I have a few realizations during deity worship when I felt how Krishna reads my emotions and quickly reciprocates and touches my mind, this is all amazing.

We touch Your feet every day so that we can make further advancement in our spiritual life. However, the real mercy will come to us if we keep Your instructions in our heart and genuinely follow them without any deviation. Making progress on the path of bhakti becomes easy if we fully surrender to Your Divine Grace with our body, mind, words, and very self and remain one hundred percent dedicated to You. You are the transcendental boatman who can help us to cross the ocean of material sufferings, provided we follow You with full faith and determination.

Prabhupāda we are trying our best to follow Your instructions and to be an ideal servant of Yours. Prabhupada my hope rest only in Your Divine Grace' causeless mercy and in the hope that You will show me the right path and always shower Your blessings upon me and my family so that we can always remain under Your shelter. I thank You for Your protection, shelter, and mercy, and for the inspirations and vision.

O saviour of the whole world Srila Prabhupāda, I humbly beg Your Divine Grace to please forgive all my mistakes and offenses and to mercifully empower me and my family to continue practicing Krishna consciousness under guidance of temple devotees and become genuine devotee.

Thank You so much for everything.

Please bless my daughters Namya and Vaishnavi and my wife Prem Manjari Devi Dasi to become and remain Krsna Conscious always.

Your very insignificant servant,

Divya Nama Dasa.

Garuda Govinda Dasa

All glories to Srila Prabhupada,

Hare Krishna,

Dear Prabhupada, please accept humble obeisance from Your insignificant servant.

Prabhupad, You have been helping me in achieving the spiritual advancement. You have been guiding through the material darkness to the bright daylight of real happiness. However, I am so unfortunate that I am not able to live up to the expectations. It has been proven a big mistake for me to move away from the city of Jaipur. I have been experiencing a real struggle when living away. I am certain that this phase would help me in understanding and experiencing the merciful opportunity I have been blessed with in this life. The attainment of spiritual progress by serving Your lotus feet is the only way of perfection in this human life and I really wish to fulfill this objective. Prabhupada, please continue to help me through this phase of life and I am certain that this will be a part of superior plan which is not visible to the conditioned soul like me.

On the family side I am really grateful to You for blessing me with a daughter who is showing inclination towards the devotional path from beginning. Please bless her to take up this path of loving devotional service. The family life is supposed to have Krishna's service at the center and this is what I and Priyamvada try to achieve. Our wishful thinking is accompanied by our small efforts towards this. However, none of this is possible without Your unconditional mercy.

Prabhupada, be merciful onto us. Please accept my dandwat onto Your lotus feet.

Jai Prabhupada. All glories to Srila Prabhupada.

Your insignificant servant,

Garuda Govinda Dasa.

Garuda Pandita Dasa

*"Mukam karoti vachalam, pangum langhyate girim
yat kripa tamaham vande Shri Guru Deentarinam"*

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to You.

You are very very merciful. Merciful even than Lord Chaitanya. Because Lord delivered only two jagai-madhai but You are still delivering thousands of jagai-madhai.

You are preaching the cult of Chaitanya Mahaprabhu through Your ISKCON body. Krishnadas kaviraj goswami says 'Krishna Shakti Vina tara nahi pravartana' unless somebody is empowered by Krishna himself nobody can preach the Glories of Holy Name. So as being empowered personality You are distributing freely Love of Godhead. This is Greatest BOON for me that I got from You this HARE KRISHNA MANTRA .Koti koti Naman. Because only for HARE KRISHNA You created Internatioanal Society, Association of Devotees, Wonderful services, Valuable Books.

O Master, please be more merciful upon me and give me THE SHADE of Your LOTUS FEET. Your fame May Spread ALL OVER THE THREE WORLDS. I take shelter of Your Lotus Feet.

Your insignificant fallen servant aspiring to be a True servant some day,

Garuda Pandita Dasa.

Gaura Hari Dasa

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories unto You.

They say life is the greatest teacher of all, It has a way of teaching us things that nobody else ever could. I doubt whether their material lives going to give them any tangible learning. But Your Divine Grace holds the credit of transforming my life from that of an ignorant sensual monger to a sensible devotional seeker and hence the life itself has become a source of learning divine instructions.

Your Divine Grace's devotional temple program has favorably molded my life and has sufficiently provided me the opportunities to become wise in every sphere of life. By making me Your Servant You have saved me from losing this rare opportunity of human form of life.

Your Transcendental books have taught that Bhakti is a Science and its applicability is universal, i.e to say any person whenever and wherever if happens to come in touch with Krishna Consciousness Movement will pass by the 9 stages of Progress towards the ultimate Prema Bhakti. The imitation of higher stages without having passed the lower ones simply creates nuisance and confusion in society, its been Your divine Grace' one of the most important contributions to the Society how You successfully exposed all hypocrites in every possible field of human engagement.

Your presence is felt by every sincere devotee who wants to serve You unconditionally. I feel pity over those who want to edit your books for unscrupulous reasons and want to stop the ambrosial flow of divine nectar over true seekers. Full blame is not theirs as Maya's Avaranatmika and Prakshayapatmika Shaktis are at work, and they appear to be quite successful they as they have affected the Divine Institution created by You as well. But Your Divine Grace has saved the situation and have sent Your sincere disciples who saved me and have put me under Your direct shelter.

Your Divine Grace always used to warn us don't create anything new just try to follow as it is, but the modern, coeducational, highly sophisticated upbringing wont allow people to remain simple hearted any more. I personally feel victim to the same upbringing. Devotional Service per se is Spiritual but I act under my circumference of understanding and beliefs. As a Preacher of Krishna Conscious Movement I have a greater responsibility to myself tread the path set by you as it is and motivate others to follow the same. But it is possible only by Your transcendental mercy that I can realize all Bhaktivedanta Purports and become a fully self-realized soul and act on that platform.

May I become a puppet in Your hands as Arjuna became to Lord Sri Krishna.

Aspiring to become servant of Your servants,

Gaura Hari Dasa Brahmachari.

Giridhari Gopinatha Dasa

All glories to you Srila Prabhupada,

Please accept my humble obeisance at Your lotus feet.

All glories to the most blessed event which is the appearance of Your Divine Grace. Yet another year has passed serving your divine mission. I feel greatly fortunate to serve your divine mission. Thank You very much for giving me the chance to serve Your divine mission after committing so many offences.

It is said that By the mercy of the spiritual master one receives the benediction of Krishna, without the grace of the spiritual master one cannot make any advancement, therefore this is Your mercy only that I am an ordinary living being my intelligence is limited and I am always disturbed full of lust, greed, anger, like they are deeper then millions of oceans still you accept me as disciple give me chance to serve the Krishna-balrama and his devotees. This mind is the root cause of lust,

greed, anger, pride. please engage my mind in the service of the Lord. You control me just like puppeteer control his dancing doll I wish that You may place Your hand on my head.

Dear Srila Prabhupada, at last, I pray on this auspicious day that please close all the door which are created by the illusionary energy of the lord to take me away from your service. Also, please forgive my misdeeds I committed while trying to serve You in my humble capacity.

Yours fallen servant,

परम आराध्य प्रातः वंदनीय श्री कृष्ण कृपामूर्ति श्री अभय चरणारविन्द भक्तिवेदान्त स्वामी श्रील प्रभुपाद के चरण कमलों में कोटि कोटि नमन एवं साष्टांग प्रणाम।

हमारे जीवन में गुरु का क्या महत्व है, भगवान् की भक्ति क्या है, सच्चा ज्ञान क्या है, यह सब गुरु का आश्रय लेने के बाद ही अनुभव होता है। जब तक किसी मनुष्य के जीवन में गुरु का स्थान नहीं तब तक उसका जीवन एक तुच्छ प्राणी की तरह होता है। न तो उसके पास कोई ज्ञान होता है और न ही भगवान् की कृपा उसके पास होती है।

भगवान् श्रीकृष्ण की परम् इच्छानुसार आपका इस भौतिक जगत में आना भगवान् की नित्य लीला का अंश है। भगवान् समय पर या तो स्वयं या अपने अन्तरंग पार्षदों या अपने शुद्ध भक्तों को इस पृथ्वी पर बहु जीवों पर अपनी अहैतुकी कृपा करने हेतु भेजते हैं। अज्ञानता एवं अंतहीन कष्टों से परिपूर्ण इस अंधकारमय जगत में आपके प्राकट्य से सम्पूर्ण मानव जाति के आध्यात्मिक उद्धार हेतु एक करूणामयी ईश्वरीय दूत की भूमिका निभाई है तथा इस धरती पर जन-जन को श्रीकृष्ण चैतन्य महाप्रभु द्वारा दिये हुए हरे कृष्ण महामंत्र से जिस तरह लोगो को जोड़ दिया। जिसमें पाश्चात्य देश भी शामिल है और जो सबके परम् कल्याण हेतु इस धरती पर एवं कृष्ण भावनामृत में सदैव बने रहने की सहज प्रकृति हमारे अन्दर पनपने के लिये बड़े ही सहज रूप में सबको समझा दिया।

आपके द्वारा लिखित पुस्तके, दिये हुए व्याख्यान हमारे लिये एक महान धरोहर है जो हमारी भावी पीढ़ियों का मार्गदर्शन आध्यात्मिक जगत की ओर करता रहेगा। श्रील प्रभुपाद आज के इस पावन अवसर पर मेरी आपसे एक मात्र यही विनती है कि हम जो प्रतिदिन गुरु पूजा के समय प्रार्थना गाते हैं वह मेरे जीवन का लक्ष्य बने।

आदरणीय पूज्य गुरुदेव आपके 123वें आविर्भाव दिवस के अवसर पर

आपका नित्य कृपाकांक्षी दासों का दास,

गिरीवरधारी दास.

Gopanandini Devi Dasi

My Dear eternal father Srila Prabhupada,

Please accept my humble obeisance at your lotus feet. Just as we know that Lord Chaitanya is the most merciful of all incarnations and that Lord Nithyananda is been more merciful than he, we are all experiencers of this great mercy, which is being passed down to us by yourself. You are without doubt a special personality, a perfect Vaishnava. You have revealed the inner most thoughts of the Supreme Lord and you have shown us who is real, perfect, pure devotee of the Lord. You are the uttermost dear servant. Nobody can be compared with Your Divine Grace. In you there is no confusion, no delusion, no illusion, no laziness, no weakness, no pride, no ignorance, no fear, no arrogance, no division and no discouragement, but that problems are there when Krishna consciousness is missing, just as there is no darkness in the light but darkness is there where the light is missing.

I think how you are the "Senapathi Bhaktha", the great commanding general of our "HARE KRISHNA MOVEMENT". Srila Prabhupada, you are our Bishmadeva, you are the kind father, the grandsire, acharya, instructing guru for everyone. If a parent loses a child, if that child goes missing----- how great is the anxiety of the parents! Srila Prabhupada, you are returning the missing children to the original father, Lord Krishna. I cannot possibly understand how great Krishna's love

is for you. You have taught me that there are gradations of everything and the greatest servant is he who wakes up the sleeping children and brings them home. You are the sparsha-mani, the touchstone of Krishna consciousness. Wherever we go, distribute books, preach, and fight on your behalf we are successful.

We are pleased to inform you that in last 12 months many groups of devotees have been endeavoring to help promote your long cherished desire of spreading Krishna consciousness of chanting Harinam and reading your books through many temple programs like Ashraya ceremony, matajis group preaching {more than 200 matajis} through what's app, through kids program SSS, culture camp, etc. I am trying to serve this mission with the hope that you will be pleased to bless me in this humble endeavor so I may serve you and your community of devotees all over the world. It will only be the combined efforts of all your sincere devotees that we can one day become successful in implementing many congregational preaching and matajis preaching groups all over the world.

Srila Prabhupada,

You are my general. Lead me to battle. How could I have known you would recruit me into your guerrilla army of missionaries?

How could I have known you had chosen such an obscure vocation for me? And yet I came to you not because I had any good qualification but because I was desperate. My only hope was that you would accept me. Unfortunately I am totally inept.

My only qualification is that I have complete faith in you, who could not? You are my hero and inspiration. Like a lion you attack all foolish advertisers. True to your name, you are fearless and unfazed by material circumstances. You are my general. I am your helpless foot soldier. Lead me to battle. Just fighting for you is victory and I do nothing else well. I am not even a good soldier. My discipline is lax. My attention is distracted and yet I somehow just want to go on fighting for you. I want to die on the battlefield with my boots on fighting for you. You have blessed me with the desire and ability to fight. Your Tejas, power, is your purity and absolute determination. Your Shakti defeats all material so called philosophers, scientists and religionists of all varieties.

My leader, my benevolent fathers please don't kick me away. I have no other shelter than you. A soldier without general is a pathetic thing. In this world I have nothing but you and devotees association, my preaching mission and sadhana all gifts from you. Thank you so much for giving me this diversified and powerful family. If it were not for you, most of us would have very little in common. But because of you, the most important thing about all our lives is the same. Of course it is very difficult time in this planet, in spiritual as well in secular communities. But it is these difficulties that help me grow as never before. Please allow this crippled soldier to continue to march with you although I am lame. Allow me to fight for you although am weak. Thank you for all the wonderful opportunities, experiences and associations of devotees and let me thank you just as much for the wonderful challenges. I would like to offer you a vow of commitment to double or even triple my efforts in trying to reach out with more caring, in all my interactions with all devotees

Kindly embrace me and encourage me although I am fallen and dirty. I need your loving touch also. I thank you once again for always giving me more than what I am worthy of.

Your menial servant,

Gopanandini Devi Dasi.

Govinda Smarana Dasa

परम पूज्य गुरु महाराज,

आपके चरण कमलों में कोटि-कोटि दण्डवत प्रणाम। प्रभुपाद आप बहुत करुणामय हैं और आप इस भौतिक जगत में मुझ जैसे अनेक पतित जीवों का उद्धार कर रहे हैं। आप की कृपा के कारण ही मैं हरे कृष्ण मूर्त से जुड़ पाया हूँ। आपकी कृपा के कारण ही मुझे आपके भक्तों का संग प्राप्त हो रहा है इसके लिए मैं आपके चरण कमलों में सहस्र प्रणाम करता हूँ। प्रभुपाद आपने मुझ जैसे पतित पर कृपा नहीं की होती तो मैं कभी नहीं समझ पाता कि भगवान कौन है, हमारे और भगवान के बीच क्या संबंध है। आपके कारण ही मैं ये जान सका कि मनुष्य जीवन का क्या उद्देश्य है, आपने ही हमें सिखाया कि किस तरह से 16 माला जप करके और 4 नियामक सिद्धान्तों का पालन

करके हम भगवान के शरणागत हो सकते है। लेकिन मैं बहुत पापी हूँ मुझसे प्रतिदिन असंख्य गलतियाँ होती है, मैं ठीक से आपके द्वारा बताए गए नियमों का पालन भी नहीं कर पाता हूँ। लेकिन मुझे पता है आप बहुत दयालु है और अपनी अहैतुकी कृपा से आप मुझे माफ़ कर देंगे। मुझ पतित पर आपकी अतुल्य अनुकम्पा एवं दया के कारण ही मुझे आपके पद कमलों का आश्रय प्राप्त हुआ है इसके लिए कोटि कोटि नमन। गुरु महाराज आपके पद कमलों में प्रार्थना है कि आप मुझ पतित पर सदैव ही अपनी कृपा बरसाते रहे एवं मुझमे व्याप्त अहंकार तथा भौतिक कल्मषों को दूर करे। मुझे आशीर्वाद दे कि मैं आपके द्वारा बताए मार्ग एवं कार्यों का अनुसरण करता रहूँ तथा मुझे सदैव शुद्ध भगवद भक्तों का सानिध्य एवं मार्ग दर्शन प्राप्त होता रहे। मेरी अभिलाषा है प्रभुपाद की हर जन्म में आप मेरे गुरु महाराज रहें।

आपका तुच्छ सेवक,

गोविंद स्मरण दास.

Hari Kirtana Dasa

Dear Srila Prabhupada.

Please accept my humble obeisances.

Today is the auspicious day of Your appearance on this planet and manifesting the Lila which Chaitanya Mahaprabhu predicted as the commander-in-chief of the world wide sankirtan movement.

By Your causeless mercy, You set an example in each and every aspect of Bhakti. Krishna when appeared 5000 years ago, gave the teachings of Bhagavad-gita, as a guidance to entire human society. But people still were getting misguided being unable to understand it in true spirit. Then Lord Chaitanya appeared to show us the true spirit and apply the teachings practically in Kali-yuga. And now by His Divine Grace' mercy, it has been very easy to follow the teachings of Chaitanya Mahaprabhu, by establishing Hare Krishna Movement. Prabhupada, whatever little bhakti I'm able to do is only by the strength of association of devotees, which You have created. I pray to You that I may never leave this devotees' association.

Prabhupada, the more are the number of years in the movement, in the association of devotees, the more I'm realizing how undeserving and unqualified for the benediction You are giving me, the shelter of a pure devotee of lord Krishna. Srimad Bhagavatam clearly states the importance of serving a pure devotee in one's life.

na tathā hy aghavān rājan pūyeta tapa-ādibhiḥ

yathā kṛṣṇārpita-prāṇas tat-puruṣa-niṣevayā

"My dear King, if a sinful person engages in the service of a bona fide devotee of the Lord and thus learns how to dedicate his life unto the lotus feet of Kṛṣṇa, he can be completely purified. One cannot be purified merely by undergoing austerity, penance, brahmacarya and the other methods of atonement I have previously described."

In the purport of this shloka, You have mention about how one can come out of bodily conception. A devotee when faces difficulties He does not protest, "Oh, I am such a great devotee of Kṛṣṇa. Why have I been put into this misery?" Instead he thinks, "This is Kṛṣṇa's mercy." Such an attitude is possible for a devotee who engages in the service of Kṛṣṇa's representative. This is the secret of success. I therefore pray and to Your Lotus feet that You may kindly engage me in Your service more and more so that I can make my life perfect. It's only by Your causeless mercy I can move forward in Krishna Consciousness. I therefore pray for more and more blessings, with which I can become humble devotee and do some service to Your Divine mission of delivering fallen souls, the supreme gift of Krishna Prema. Śrīla Narottama dāsa Ṭhākura has also said, *chāḍiyā vaiṣṇava-sevā nistāra pāyechē kebā: "Without serving a bona fide spiritual master, an ideal Vaiṣṇava, who can be delivered from the clutches of māyā?"*

Prabhupada, please give me shelter at Your Lotus feet. Please give me strength and intelligence to reject all unfavorable things and accept all the favorable things to follow Your instructions with more enthusiasm, sincerity and dedication. I beg forgiveness for all my offences at Your Lotus feet.

Your most fallen servant,

Hari Kirtana Dasa.

Hari Sharan Dasa

Dear Srila Prabhupada,

Please accept my most respectful and humble obeisance on this most auspicious appearance day of Your Divine Grace.

Srila Prabhupada, You're my beloved spiritual father. Though I'm a fool and not at all competent to glorify Your Lordships for You're the paramhansa, the glorious associate of Sri Krishna, an expert assistant to the Gopis, the Senapati Bhakta of Lord Chaitanya! You're kind enough to be with me in the form of Vighraha and Vani.

There is no reason for Your Divine Grace to shield me and still You are doing that. This is very bewildering. Even though I'm not able to meet Your expectations or the expectations of my authorities, still You and Your sincere disciples are sheltering me. Even after understanding so many instructions on the subject of the Krishna, I don't have any taste for Him. I don't have any qualification to remain as Your disciple, still You are protecting me. All this proves that You are an ocean of mercy and compassion personified.

Please give me strength to please my Spiritual authorities for they're Your representatives and pleasing them would please Your Lordships!

As Śrīla Bhaktivinoda Ṭhākura himself so virtuously chants in his Śaraṇāgati, *kṛṣṇa se tomāra, kṛṣṇa dite paro, tomāra śakati āche* "Kṛṣṇa is Yours. You're able to give him to me, for such is Your power." You have so wonderfully inherited this power to give KṚṢṂA consciousness to so many people. You're very expert in engaging devotees in Krishna's service. Please continue to keep Your merciful glance upon me. I eagerly awaits Your kind mercy.

Thank You Prabhupada,

Your Unworthy Servant,

Hari Sharan Dasa.

परम पूजनीय गुरुदेव,

प्रभुपाद के चरणों में कोटि-कोटि नमन ।

हे प्रभुपाद आपकी कृपा से 24 अगस्त 2018 को हरि नाम दीक्षा मिल गई है । मैं आपका बहुत-बहुत आभारी हूँ कि मेरे जैसे पतित पर आपने कृपा की है । हे प्रभुपाद, मुझे शक्ति प्रदान करो कि मैं आपके बताए हुए मार्ग पर अच्छी तरह से चल सकूँ और आप के निर्देशों का पूर्णतया पालन कर सकूँ टेंपल सर्विस, फॉर रेगुलेटिव प्रिंसिपल, बाकी सब अच्छा चल रहा है लेकिन माला जाप, बुक्स रीडिंग, मंगला आरती अच्छे से नहीं कर पा रहा हूँ मुझे शक्ति दो प्रभुपाद जिससे मेरी साधना सही हो सके। आपकी कृपा के बिना कुछ भी संभव नहीं है। हे प्रभुपाद, मुझे भगवान श्री कृष्ण की सेवा में निरंतर बनाए रखना ताकि मैं माया के कलमस से दूर रह सकूँ।

बहुत-बहुत धन्यवाद प्रभुपाद,

आपका दासानुदास,

हविरधन दास.

Hirdaya Govinda Dasa

Dear Srila Prabhupada,

Please accept my most humble obeisance at Your lotus feet on this most auspicious day of Your divine appearance.

Every day You show me how to accelerate my progress toward the supreme destination through various ways which You have given us like the beautiful deities of Sri Krishna Balaram, gorgeous festivals, various devotional services, wonderful kirtan, delicious prasadam, association of senior devotees and the most important is by properly chanting and hearing the holy names.

Material assets come and go but spiritual assets which You provided by Your causeless mercy like chanting and association of devotees are permanent in the life of a devotee. No one can take it from us except we lose it by our own will.

I humbly pray at Your lotus feet to always keep me under Your shelter and please give me enough strength to stand on spiritual platform and act according to the instructions provided by You.

Once again I beg forgiveness for the offenses done unto Your Lotus feet on this most auspicious day.

Your Servant,

Hirdaya Govinda Dasa.

प्रिय प्रभुपाद,

आपके चरण कमलों में मेरा सादर प्रणाम !

आध्यात्मिकता के ज्ञान के लिए हमें एक गुरु की आवश्यकता होती है। हरे कृष्ण मूवमेंट से जुड़ने के बाद गुरु की महिमा मैंने जानी। गुरु मतलब कि भगवान का एक शुद्ध भक्त और शुद्ध भक्त के रूप में मुझे आपकी पहचान हुई। आपके द्वारा "ईश्वर : परम: कृष्ण:" का ज्ञान मुझे मिला। और मैं भगवान कृष्ण की भक्ति करने लगी।

हे प्रभुपाद, मैं आपको धन्यवाद देना चाहती हूँ कि इस भौतिक सागर में आपने मेरा हाथ पकड़कर कृष्ण भक्ति से जोड़ा। मेरे अज्ञानमयी नेत्रों को प्रकाशित किया, इस संसार में दूसरा जन्म (आध्यात्मिक जन्म) आपकी और आपके भक्तों की कृपा से संभव हो पाया। पिछले साल बलराम पूर्णिमा पर मुझे दीक्षा मिल सकी।

हे प्रभुपाद मेरी हमेशा आपसे एक प्रार्थना रहेगी कि आपने हमें दो बच्चों के रूप में जो जिम्मेदारी दी है उसे हम अच्छे से पूरा कर पायें। उन्हें हम हर परिस्थिति में कृष्ण भावनामृत से जोड़े रखें। आपके शुद्ध भक्तों का संग और आशीर्वाद मुझ पर बना रहे कि मैं अच्छे से कृष्ण भक्ति और सेवा जीवन प्रयंत कर पाऊँ।

कृपा करे कि मुझसे कभी कोई वैष्णव अपराध न हो और अभी तक कोई अपराध हुये है तो मैं सभी भक्तों से एवं आपसे क्षमा याचना करती हूँ। मुझ पर अपना आध्यात्मिक आशीर्वाद बनाये रखिए, कि मैं हमेशा कृष्ण भक्ति से जुड़ी रहूँ और अच्छे से भक्ति और सेवा कर सकूँ।

आपकी दासानुदासी,

इलावती देवी दासी.

Jamuna Jeevan Krishna Dasa

Dear-most Srila Prabhupada,

Please accept my humble obeisances at Your divine lotus feet. All glories to You on this most auspicious occasion of Your 123rd divine appearance on this planet.

Srila Prabhupada, You are the most confidential servant of Sri Chaitanya Mahaprabhu and You are very boldly preaching Gaur vani – the message of Sri Chaitanya Mahaprabhu and delivering the fallen condition souls. Srila Prabhupada, seeing You is the perfection of one's eyesight, touching Your lotus feet is the perfection of the sense of touch, and glorifying Your good qualities is the tongue's real activity, for in the material world it is very difficult to find a pure devotee of the Lord."

Srila Prabhupada, You have given us all perfect and all Inclusive Krishna Consciousness-

"We have taken the supreme sublime movement, Krishna Consciousness, which includes all other subordinate movement. Although we are not interested in the vegetarian movement, but because we eat Krishna Prasadam we are already vegetarian. So any good thing all over the world may be brought before us and we can say that we have already accepted it. That is the position of Krishna Consciousness. Krishna Consciousness is all including. Just like if a man has got one million dollars, so 10 dollars, \$20, \$50, or \$500, or \$5000, everything is included, in that one million dollars."

Srila Prabhupada You have given us the formula to increase joyfulness in life and go back to Godhead- *"If you all will spread this Sankirtan Movement, going on Sankirtan Party in the streets, regularly read our literature's and always keep engaged in Krishna Consciousness activities, you are sure to increase the joyfulness of your own lives and influence all others with whom you come in contact to join you in this program of going back to home, back to Godhead."*

When Sanātana Gosvami approached Sri Chaitanya Mahaprabhu after getting free from the imprisonment of Nawab Hussain Shah, Sri Chaitanya Mahaprabhu embraced Sanātana Gosvami and said - “My dear Sanātana, please hear from Me. Kṛṣṇa is very merciful, and He is the deliverer of all fallen souls... My dear Sanātana, Kṛṣṇa has saved you from Mahāraurava, life’s deepest hell. He is an ocean of mercy, and His activities are very grave.”

sanātana kahe,—‘kṛṣṇa āmi nāhi jāni āmāra uddhāra-hetu tomāra kṛpā māni’

Sanātana replied, “I do not know who Kṛṣṇa is. As far as I am concerned, I have been released from prison only by Your mercy.” Similarly I do not know who is Krishna, Who is Sri Caitanya Mahaprabhu, I know that simply by the causeless mercy of Your Divine Grace I have been saved from the dark materialistic way of life.

Srila Prabhupada, You are so kind, you have given us everything, more than we could ever ask for. Everything is there in Your books, which are full of spiritual potency and wisdom. You have given us the most sublime process of devotional service to Kṛṣṇa, and the association of the wonderful devotees. Prabhupada kindly give me the intelligence to appreciate this causeless mercy you have showered upon me and thereby become more serious and sincere in following Your divine instructions. Aspiring to be Your disciple,

Your fallen servant,

Jamuna Jeevan Krishna Dasa.

गुरु देव प्रभुपाद के चरणों में दण्डवत प्रणाम!

प्रिय गुरुदेव श्रील प्रभुपाद,

आपके चरणों में जितनी बार भी दण्डवत प्रणाम करे कम है। हे करुणामय आपने इस भौतिक जगत के कल्मषों के होते हुए भी मुझे अपनी कृपा से भक्ति में निरन्तर जोड़े रखा है।

हम पतित लोग बहुत बार भौतिक कल्मष में फंस जाते हैं लेकिन जैसे ही आपके लेक्चर व बुक पढ़ते हैं तो हमारा मार्गदर्शन हो जाता है। जिस प्रकार वन में लगी दावाग्रि को शान्त करने हेतु बादल जल की वर्षा करते हैं उसी प्रकार गुरुदेव आपकी कृपा होती है, मैं भौतिक कल्मष से निकल कर फिर से कृष्ण भावना मय हो जाती हूँ और भक्ति से जुड़ जाती हूँ और जो भी सेवा हमें प्रदान की जाती उसे आपकी कृपामय दृष्टि के कारण पूरे उत्साह से करने की कोशिश करती हूँ।

आपकी दया व भक्तों के संग से हमेशा कुछ न कुछ भगवान परम पुरूषोत्तम के बारे में नया जानने को मिलता रहता है और पता चलता है कि हम भक्ति में और ज़्यादा सुधार कैसे करें। हरे कृष्ण मंत्र के जाप को किस प्रकार बेहतर तरीके से करें कि हमारी सभी बुराईया साफ हो और भगवान कृष्ण को जाने और आपकी कृपा व भक्तों के संग के बिना भगवान को जानना नामुकिन है। भक्ति में आगे बढ़ना आपने आपकी कृपा से नामुकिन को भी समझने में इतना आसान तरीके से हमें समझाया है। ताकि हम कभी भी भगवान कृष्ण को न भूले और ये याद रखे कि हम भगवान कृष्ण के अंश हैं और हमारा कर्म है कि हम हमेशा भगवान कृष्ण की भक्ति के लिए उत्साहित रहे और गुरुदेव के बनाये नियमों का पालन करें।

गुरुदेव श्रील प्रभुपाद से मेरी हाथ जोड़ कर प्रार्थना है कि मुझे पतित पर हमेशा दया करें और अपने चरणों की छाया में रखें।

आपकी शिष्या,

जमना प्रिया देवी दासी.

Janhvi Devi Dasi

Dear Srila Prabhupada,

It is my good luck that You gave me shelter of Your lotus feet However I do not deserve it .

Approximately one year has passed since I got initiated; still I am not following Your instructions strictly .Please give me the power so that I continue following Your instructions strictly.

Your undeserving disciple,

Janhvi Devi Dasi.

Jayagopala Dasa

Dear Śrīla Prabhupāda,

Please accept our humble obeisances. All glories to You!

Today is very auspicious day for those who have resorted at Your lotus feet giving us wonderful opportunity to glorify Your Divine Grace. Just before when I started writing the “word of gratitude” for Your glorification a thought came in my mind questioning me “are you qualified to glorify such a great personality?” then in answer I replied to me – “NO, actually I’m not” still He has given you this opportunity, again it replied in return. Actually speaking Srila Prabhupada You have given me & You are giving me the privilege of glorifying "You everyday irrespective of my faults & frailties. On this auspicious day let me remind myself of Your exalted position by meditating on the divine song by great vaishnav acharya as follows...

Your lotus feet are the abode of pure devotional service.

By Your grace one can cross the ocean of material suffering & can obtain the mercy of Krishna.

You are the delivering fallen souls by opening their eyes with the sword of transcendental knowledge.

Your divine intervention is the destroyer of all ignorance.

Only by Your divine grace one can attain grace of Krishna.

You are the most confidential servitor of lord Sri Hari.

Indeed Your Divine Grace is unparalleled and can only be glorified by chosen words.

Therefore let me offer my humble obeisance unto Your lotus feet, let me wish the purification of my consciousness by the words emanating from Your lotus mouth; let me perfect my life by catching hold of Your lotus feet if You so desire.

Your most fallen servant,

Jayagopala Dasa.

Kalanidhi Shyam Dasa

Dear Srila Prabhupada,

Please accept my humble obeisance unto Your divine lotus feet, which are the only abode for pure devotional service to Krishna.

This is 123 anniversary of day when lord blessed living entities on this earthly planet by Your divine appearance. As You have said, at many places, that Krishna is more anxious than us to take us back to home back to godhead that is why Krishna appeared Himself as Lord Chaitanya; and to spread teachings of lord Chaitanya and previous Acharyas He sent You to this earthly planet. Moreover, by Your sincere efforts mission of lord Chaitanya is spread in every nook and corner of this planet. Any gentlemen can easily make out that all this miracles progress happen because You are empowered by Krishna Himself.

kṛṣṇa-śakti vinā nahe tāra pravartana

Srila Prabhupada, before I came in touch with this transcendental mission and after also I have seen hundreds of spirituals organization, so called spiritual gurus, missionary program etc...One thing that makes Hare Krishna movement superior to all these is to present, accept and worship Krishna as a person. Prabhupada, You present Krishna in such a way that even a beginner in spiritual life able to understand all principles of bhakti very easily which are even difficult to great yogis. One cannot repay Your debt; Prabhupada, You elevate one to such a position where he can see Krishna as person, where one can feel Krishna in his name, where one can see Krishna in deity form, where one can realize Krishna in teachings of Bhagavad-gita and Bhagvatam, where one can think of Krishna incessantly, & where one can meet Krishna after he reaches at the platform of pure devotion.

Thanks Prabhupada to make me a part of such transcendental movement although this fallen soul is not at all qualified to be a part of it. Once again please forgive this fallen soul for his uncountable offenses at Your lotus feet and to all Vaishnava's

Aspiring to become Your servant,

Kunjavihari Krishna Dasa

Dear Srila Prabhupada,

On the auspicious appearance day of Your Divine Grace please accept my humble obeisance.

brahmanda bhramite kona bhagyavan jiva

guru-Krishna-prasade paya bhakti-lata-bija

"According to their karma, all living entities are wandering throughout the entire universe. Some of them are being elevated to the upper planetary systems, and some are going down into the lower planetary systems. Out of many millions of wandering living entities, one who is very fortunate gets an opportunity to associate with a bona fide spiritual master by the grace of Krishna. By

the mercy of both Krishna and the spiritual master, such a person receives the seed of the creeper of devotional service.” (Chaitanya Charithamritha Madhya 19.151)

Here Chaitanya Mahaprabhu says that if one is serious, about knowing Me, "then I give him direction that, "Here is guru, My representative. You take shelter of him and you will get Me." Without the mercy of guru and Krishna it is not possible to attain the mercy. Krishna, through His mercy sends us a bonafide representative and by that pure devotee's mercy we get Krishna. Guru-krishna-kripaya: "By the mercy of guru and by the mercy of Krishna." We have to serve both of them, That is the process. It is not that, "Now I have become advanced devotee, I don't require to serve guru." Neither, "Oh, I am serving my guru. I don't care for Krishna." Both are parallel lines which are essential; we cannot walk on one line, we need both Krishna and guru and by taking shelter of both we will be able to attain the ultimate goal of life.

In Srimad Bhagavatam 6.7.23 purport :- *Lord Brahmā wanted to point out to the demigods that by the strength of the guru one can become most powerful within this world, and by the displeasure of the guru one can lose everything.* This is also confirmed by the song of Viśvanātha Cakravartī Ṭhākura:

yasya prasādād bhagavat-prasādo yasyāprasādān na gatiḥ kuto 'pi

“By the mercy of the spiritual master one is benedicted by the mercy of Kṛṣṇa. Without the grace of the spiritual master, one cannot make any advancement.” Although the demons are insignificant in comparison to Lord Brahmā, because of the strength of their guru they were so powerful that they could even seize Brahmāloka from Lord Brahmā. We therefore pray to the spiritual master(CC Madhya 17.80):

*mūkaṁ karoti vācālaṁ paṅguṁ laṅghayate girim
yat-kṛpā tam ahaṁ vande śrī-guruṁ dīna-tāraṇam*

“By the mercy of the guru, even a dumb man can become the greatest orator, and even a lame man can cross mountains. As advised by Lord Brahmā, one should remember this śāstric injunction if one desires success in his life.”

So simply by following Your instructions one gets all perfections in his life and finally attain Krishna Prema.

Vedic knowledge is grasped not by erudite scholarship. Mundane scholarship has nothing to do with. The secret is, *yasya deve parā bhaktir yathā deve tathā gurau.* if one has got unflinching faith in God and similar faith in the spiritual master, *tasyaite kathitā hy arthaḥ prakāśante mahātmanaḥ,* to him only the Vedic knowledge becomes revealed. Simply by studying, becoming bookworm, one cannot advance. Srila Prabhupada, You shared in a conversation also that :-

My Guru Mahārāja wanted that some books should be published. So I tried my best, and he's giving success more than expectation. In the history nobody has sold, religion & philosophical books, in such large quantity.

So the real secret is—unflinching faith in God and spiritual master. Then things will be revealed from within.

Srila Prabhupada, we are eternally indebted to You for having blessed us with the greatest thing in the universe, not seeing our disqualifications and undeserving nature. Please forgive me for all the offences committed to You and other Vaishnavas and give me the strength to avoid sinful life as instructed by You.

Aspiring to remain Your servant,

Kunjavihari Krishna Dasa.

Kuntiputra Dasa

Dearest Srila Prabhupada,

Please accept my most humble obeisances at Your lotus feet.

All glories to Your divine grace.

On this very special day let me take this opportunity to offer my homage to Your Lotus feet, for my own benefit. As Prahlad Maharaj has prayed in SB 7.9.11,

naivātmanaḥ prabhur ayaṁ nija-lābha-pūrṇo

mānaṁ janād aviduṣaḥ karuṇo vṛṇīte

The Supreme Lord is satisfied in himself and when something is offered to him it is for the benefit of the devotee. In the similar way pure devotees also are not in need of any glorification or praise but if someone sincerely tries to glorify, he himself will be benefited. Indeed this is the perfection of the sense of speech.

akṣṇoḥ phalaṁ tvādṛśa-darśanaṁ hi tanoḥ phalaṁ tvādṛśa-gātra-saṅgaḥ

jihvā-phalaṁ tvādṛśa-kīrtanaṁ hi sudurlabhā bhāgavatā hi loke

By Kṛṣṇa's causeless mercy I came under Your protection. Dear master, because of my association with material desires, one after another, I was gradually falling into a blind well full of snakes, following the general populace. But Your Divine Grace kindly accepted me as a disciple and instructed me in the science of devotional service. Therefore, my first duty is to serve Your Lotus feet. For this most magnanimous act, I have become eternally indebted to Your divine grace. Indeed Your divine grace mentions in the purport of SB 4.22.47 that just like a joker's activity simply arouse laughter similarly a person who thinks that he can repay the Spiritual master becomes a laughingstock just like a joker because it is not possible to repay the debt of the spiritual master. So it is the duty of every disciple to always meditate on the instructions of the spiritual master and should always try to serve him.

As Your Divine Grace Himself indicated in one letter that "*If you feel at all indebted to me then you should preach vigorously like me. That is the proper way to repay me.*" So on this auspicious day I would like to beg You, the power to preach the cult of Caitanya Mahaprabhu.

We can practically see now, that everyone is suffering for want of Kṛṣṇa consciousness and the only hope for suffering souls is to take refuge in Your Lotus feet. Although I also want to participate enthusiastically in Your transcendental mission but I feel myself very powerless and insignificant to do so. Just like Your Divine Grace, You have sung...

se kārja je koribāre ājñā jadi dilo more jogya nahi an dīna hīna

tāi se tomāra kṛpā māgitechī anurūpā āji numi sabār pravīṇa

Prabhupada please bless me so that I can carry Your mercy without adulteration just like a honest postman. As it is already destined that "*prīthvī te āche yate nagar ādi grām sarvatre pracher haibe more nāma*".. so any way it's going to happen. So let me take part in this mission and get recognized by the Lord as a sincere servant.

Regarding following spiritual life, You always said "it's like walking on a razor's edge". This I have practically seen in past 3 years. So personally I don't feel that I have got enough strength to endure. The only saving grace is the shelter of Your Lotus feet. Please do not kick me away, seeing my offences, for except of Your two lotus feet there is no other shelter for me now.

Aspiring to always remain in Your shelter,

Kuntiputra Dasa.

“I was born in the darkest ignorance, and my spiritual master opened my eyes with the torch of knowledge. I offer my respectful obeisance unto him.”

Dear Śrīla Prabhupāda,

Please accept my most humble obeisance at Your divine lotus feet. All glories to Your Divine Grace!

It is by Your mercy only that 4 years of me have passed in the movement in the service of Your pleasant lotus feet. Srila Prabhupada the overall system that You have given of performing sadhana bhakti from morning to night engaging myself in service of lord is the only reason that is helping me in enlightening my consciousness and also Your teachings that You have given through the books, lectures, conversation, pastimes etc. always gives me inspiration to serve the lord and You more and more which gives me the satisfaction and pleasure.

By Reading Your books I always feel rejuvenated, whenever difficulties and challenges comes, the moment I read Your book, listen Your lecture and remember You and Your teaching, Your instruction that helps in overall upliftment of my consciousness and helps me to solve the problems.

It is by Your mercy only I have got such a nice environment to perform devotional service in the association of all the vaishnavas and correct myself, I always feel grateful about this.

At last Srila Prabhupada please keep me under the shelter of Your lotus feet and help me to serve You in a much better way, help me to chant attentively, read Your books daily and scrutinizingly; to follow the instruction given by You and my respective authorities as it is, help me in improving my attitude, my behavior and help me in improving my overall etiquette so that I can become a better instrument in Your hand and in the hands of my respective authorities in the service of Lord Krishna and in His movement.

Please accept my most humble obeisances.

Śrīla Prabhupāda, You are the most wonderful loving father one could ever dream of! In abundance, You have freely given us absolutely everything we need to traverse the path of bhakti, from its most infantile beginnings to its full conclusion. You found us loitering in some dark place, You ignited our most basic śraddhā, and You are prepared to carry us to fully blossomed prema, despite our disqualifications. Your mercy is awesome, and Your capacity to deliver all who contact You likewise knows no limit.

To insure that we reached the goal of life, You taught us repeatedly how to identify and avoid the many dangers on the path of devotion. Through these same teachings, You are offering us full protection—if only we take shelter of Your ample cautions!

Your insignificant servant, Lilanath Dasa.

परम पूज्य गुरु महाराज,

आपके चरणों में कोटी कोटी दंडवत प्रणाम.

आपकी अहेतुकी कृपा से मैं इस भौतिक जगत में माया रूपी अंधकार से बाहर निकलने की कोशिश कर रहा हूँ। आपके बताए मार्ग जो कि आपकी पुस्तकों से ज्ञात हुआ है, उस पर चलकर आध्यात्मिक जगत को समझ रहा हूँ। यह सब चीजें गुरु कृपा एवं साधु संगत से ही संभव है अतः आप से अनुरोध है कि गुरु की कृपा एवं आपके शुद्ध भक्तों का संघ मेरे ऊपर हमेशा बना रहे। आपकी कृपा से मैं हरिनाम की एक माला से 16 माला तक पहुँचा हूँ और आपने अब हमें हरिनाम दीक्षा प्रदान करके भक्ति मार्ग पर आगे बढ़ने के लिए प्रेरित कर रहे हैं, वरना माया के जाल में फंसा हुए के लिए यह सब कर पाना नामुमकिन कार्य था। लेकिन आपने यह सब संभव कर दिया। आपकी पुस्तकें एक प्रेरणा स्रोत है, जो आपने दिन रात मेहनत करके बद्ध जीवों को भक्ति को समझने में और भक्ति मार्ग पर आगे बढ़ने के लिए लिखी हैं। आपकी भौतिक अनुपस्थिति में भी यह पुस्तकें आपके दासों के सभी प्रश्नों व शंकाओं का पूर्ण रूप से समाधान करती है। आपसे मेरी यही प्रार्थना है कि आप अपनी कृपा इस दास पर बनाए रखें जिससे कि दास वापस माया रूपी अंधकार में ना गिरे।

आपका दास,

माधव आश्रय दास.

Dear Srila Prabhupada.

Your every activity reminds us of Krishna. Your dedication to serve Krishna is unparalleled . Your commitment to serve Your spiritual master's instructions are exemplary for a sincere disciple.

You are so eager to engage everyone in the service of Krishna since Your childhood.

When You're a little child of the age 5 years, You started celebrating 8 days Ratha Yatra festival with Your personal Jagannath Deities. Your Vaishnava Father Gaur Mohan De made this 3 feet high Ratha on Your intense demand. You engaged all Your neighbouring children to celebrate, You engaged all the neighbouring women even to cook bhoga for the Lord. Your hours of standing and praying before Radha and Krishna Deities of the Mullik family Temple, is also very surprising to hear. You had Your own personal Deities of Radha-Krishna at the early age.

In the later years of Your personal lilas, You showed the gigantic movement of more than 10000 Hare Krishna disciples and millions of followers celebrating Krishna Consciousness through many events like - Temple Worship, Ratha Yatras, Book Distributions, Chanting and Dancing, festivals, Gurukuls, Cow Protection, Varnashrama communities, Youth Preaching, Public Seminars, Bhagavad Gita discourses, Educating parents, Brahamcari Ashramas and many more.

"The Spiritual Master is always engaged in the temple worship of Sri Sri Radha and Krishna. He also engages his disciples in such worship. They dress the Deities in beautiful clothes and ornaments, clean Their temple and perform other similar worship of the Lord. I offer my respectful obeisances unto the lotus feet of such a spiritual master." -- SriGuruastkam.

Your conviction to preach Krishna Consciousness is awesome.

In the year 1944, You pled the government officials for the use of paper for Your first journal - BACK TO GODHEAD. This was the time of World War 2 and in the midst of explosions and deaths You are trying to preach the people. This year the famine that ensued was the worst to hit Bengal in 150 years. You comprehended the sufferings of famine through the teachings of Your Guru Maharaj Srila BSST. You were convinced that You had an urgent message for the war-weary citizens of the world.

Your mission is to revive people's God Consciousness".

Americans recognized You unlike Indians, very soon after Your arrival to USA on 19 SEP 1965 at Boston commonwealth pier westerners started recognizing Your personality as a true Saint by Your simple behaviour and scholarship. You did not compromise on Your principles like many other sadhus. You taught westerners everything. From high Vaishnava philosophy to simple things like- how to eat, how to dress, how to take bath and how to use toilets even. You attracted

the young minds to join this Hare Krishna cult. This was strange to many reporters even. It was not more than a month of Your arrival in USA that BUTLER EAGLE newspaper published on 22 SEP 1965 - " You are an ambassador of Bhakti-Yoga and Your mission is to revive people's God Consciousness".

Your struggle to push on Lord Caitanya's movement is unparalleled.

Your commitment to serve Your Guru's instruction is exemplary. Leaving all comforts of family, leaving all comforts of Vrindavan life, facing 2 severe heart attacks during on board Jaladuta, facing challenges of initial first year in USA with no money no followers no proper place to stay even. You were cooking for the Agarwal family for the first month in Butler although You were a sannyasi who came to USA to preach Krishna Consciousness. Another one month You are staying at Dr Mishra's house who was a mayavadi. You cooked for him and tolerating the mayavadi opinions. Later Dr. Misra shifted You to a Yoga studio in a small room with no windows and ventilation. Your one single asset, Your typewriter was stolen. You were forced to stay amongst the drug addicts and bums in the Bowery street. You wrote letters to Your friends in India to support You financially but You didn't get any response. You are still translating books and selling books to get some money. You had to share a loft with a drug addict Mr David, who was addicted to LSD. You tolerated his crazy behaviour, who made You out of Your room one day and You were roaming alone in the streets of New York like derelicts with a hope of some assistance. The most surprising thing was You still didn't give up 3 things - Offering food to Krishna, translating books as per the order of Your Guru and preaching to the westerners.

We are very grateful to You for giving us this beautiful life of Krishna consciousness. On this auspicious day of Vyasa Puja, I commit to You that I will strictly follow Your instructions. I will attend morning sadhana without fail, I will chant 16 quality rounds of Hare Krishna Mahamatra everyday, I will read Your books everyday and I will spend time to preach everyday.

May my consciousness always absorbed remembering Your divine instructions.

"Guru mukha Padma vakya cittete koriya aikya, aar na kariho mane aasa..."

श्रीला प्रभुपाद मैं अपने आप को परम सौभाग्यशाली मानती हूँ कि आप का सानिध्य मुझको मिला जब से मैंने कृष्ण भावनामृत को अपनाया है मेरा पूरा जीवन ही बदल गया है। आपका मेरे जीवन में आगमन मेरे लिए एक वरदान की तरह है। मैं आपके द्वारा बताएँ 4 नियमों का नियमित रूप से पालन करती हूँ, 16 माला रोज जप करती हूँ। श्रीला प्रभुपाद इस साल मेरा आध्यात्मिक जन्म हुआ है आप मेरे आध्यात्मिक पिता हैं। आप हमारा अपने बच्चे की तरह मार्गदर्शन करना और हमें भौतिक प्रलोभनों से बचाते हुए आध्यात्मिक शिक्षा देते रहना और हमें कृष्ण प्रेम प्राप्त करने में हमारी सहायता करना। हम अभी भी भौतिक बंधनों से मुक्त नहीं हुए हैं पर आशा करती हूँ कि आपके और साधु संग से यह एक दिन जरूर होगा आप अपना साथ और अपना हाथ हमारे ऊपर बनाए रखना।

All Glories to Srila Prabhupada.

Please accept my humble obeisance and Vyāsa-pūjā offering unto Your Divine lotus feet. You have given us the seed of devotional service and only by Your grace, devotional service can be continued. Despite my innumerable disqualifications, You accepted me and showered Your unlimited mercy upon me.

Srila Prabhupada, Now we are four members in our family. Please keep guiding them to follow Krishna Conscious for lifelong. You have taken shelter of the lotus feet of Krishna and have come here for salvation of conditioned soul. I have received the shelter of Your lotus feet because of Your incomparable compassion. I am praying in Your divine lotus feet that please continue to shower Your blessings on us.

Please help me to expand the humility and spiritual knowledge day by day. Keep Your grace, to continue follow Krishna Conscious path and instructions given by You. I continue to receive the guidance from You and temple devotees.

You are only my spiritual master birth after birth, I can't pay Your debt.

Absolutely I have no qualification for Your mercy. I beg You for Your mercy again and again.

पूजनीय गुरुदेव श्रील प्रभुपाद,

आपके चरण कमलों में सादर प्रणाम.

हम बहुत भाग्यशाली हैं कि हम हरे कृष्णा मूवमेंट के भक्तों के संपर्क में आए और इस मूवमेंट से जुड़ सके। यहाँ के भक्तों ने हमें आपके और आपकी शिक्षाओं के बारे में बताया, आपसे परिचय कराया। आप जैसा शुद्ध भक्त हमें गुरु के रूप में मिलना हमारे लिए सौभाग्य की बात है।

आप से जुड़कर हमने कृष्ण के बारे में जाना। आपने ही हमें अपने जीवन का उद्देश्य बताया। भक्ति कैसे करनी है? क्यों करनी है? चैतन्य महाप्रभु कौन हैं? एवं अनेक प्रश्नों के उत्तर से अवगत कराया आपने अपना संपूर्ण जीवन कृष्णभावनामृत के लिए समर्पित कर दिया और न जाने हम जैसे कितने ही लोगों के जीवन को एक लक्ष्य प्रदान कर दिया। हम आपके ही भक्तों के सानिध्य में उन्हीं के पथ प्रदर्शन के द्वारा भक्ति पथ पर अग्रसर होने की कोशिश कर रहे हैं।

अतः आपसे यह प्रार्थना है कि हमें आगे भी आपका आशीर्वाद प्राप्त होता रहे...

आपकी शिष्या,

Dear Srila Prabhupada,

Please accept my humble obeisance at Your divine lotus feet.

It's a great boon and pride that one more year I got opportunity to be a part of Your mission by Your causeless mercy, being a conditioned soul not having any desire to serve Krishna but Your causeless mercy making this impossible thing possible. You are savior of the world and You saved the world by Your causeless mercy.

At every moment You are saving me. As a rebellious soul I always try not to serve Your Divine Grace but being a merciful Acharya You are saving me from this danger, I can't understand You and Your Divine nature but being a merciful lord You are giving opportunity to glorify You by my conditioned words.

Thank You so much Srila Prabhupada, thank You so much. Please keep me always at the shelter of Your divine lotus feet and forgive me for the offenses which I am committing every moment at Your lotus feet, bless me and guide me how can I serve You wholeheartedly and sincerely.

When will Śrīla Rūpa Gosvāmī Prabhupāda, who has established within this material world the mission to fulfill the desire of Lord Caitanya, give me shelter under his lotus feet? "

As we know You are the pure devotee of Lord Krishna and Your mission is only one, to fulfill the desire of Sri Chaitanya Mahaprabhu who is the incarnation of lord Krishna. And pure devotee of the of Lord always engages all living entities in the service of Lord Krishna, as we can see by Your personal example.

Dear Srila Prabhupada, because of Your great austerities of preaching Krishna consciousness, I'm able to get in touch with this movement and could know that who is the Supreme Personality of Godhead, SRI KRISHNA. By Your causeless mercy, I'm able to practice Krishna consciousness otherwise in this material world practicing bhakti is very very difficult but You made it so easy that by dancing, chanting, taking prasadam etc., the living entities will go back to home, back to godhead. So now Krishna consciousness movement is being recognized all over the world.

Dear Srila Prabhupada, my only desire is that please keep me at Your lotus feet always; than my life will be successful.

cakshur unmilitam yena tasmai sri-gurave namah

I offer my respectful obeisances unto You. You opened my eyes, which were blinded by the darkness of ignorance, with the torchlight of knowledge.

All glories to You on this auspicious occasion of Your appearance day. The age of kali means argument, non-sense talk, fighting, cheating religion and it is very rare to find out a pure devotee and rarer to this is to get His shelter. Srimad Bhagwatam 6.14.5 explains-

muktānām api siddhānām nārāyaṇa-parāyaṇaḥ

sudurlabhaḥ praśāntātmā koṭīṣv api mahā-mune

O great sage, among many millions who are liberated and perfect in knowledge of liberation, one may be a devotee of Lord Nārāyaṇa, or Kṛṣṇa. Such devotees, who are fully peaceful, are extremely rare.

Srila Prabhupada, You translate in BG 7.12 that Krishna is not under the modes of material nature and same to this is that You are always on transcendental platform so You are also not under the control of material modes of nature. Krishna explain in BG 4.14

na mām karmāṇi limpanti na me karma-phale spṛhā

iti mām yo 'bhijānāti karmabhir na sa badhyate

There is no work that affects Me; nor do I aspire for the fruits of action. One who understands this truth about Me also does not become entangled in the fruitive reactions of work.

Similarly, Srila Prabhupada You also not bound by the laws of karma. Krishna explain in BG 4.9

janma karma ca me divyam evaṁ yo vetti tattvataḥ

tyaktvā dehaṁ punar janma naiti mām eti so 'rjuna

One who knows the transcendental nature of My appearance and activities does not, upon leaving the body, take his birth again in this material world, but attains My eternal abode, O Arjuna. Similarly Srila Prabhupada, You appeared on the auspicious occasion of Nandotsava and if one understands Your appearance, he also become liberated. In SB 2.6.34, Lord Brahmā says to Nārada Muni...

na bhāratī me 'nga mṛṣopalakṣyate na vai kvacin me manaso mṛṣā gatiḥ

na me hr̥ṣīkāṇi patanty asat-pathe yan me hr̥dautkaṅṭhyavatā dhr̥to hariḥ

O Nārada, because I have caught hold of the lotus feet of the Supreme Personality of Godhead, Hari, with great zeal, whatever I say has never proved to have been false. Nor is the progress of my mind ever deterred. Nor are my senses ever degraded by temporary attachment to matter.

Srila Prabhupada, You have never done any mistake, either by mind, word or action.

SB 5.12.12 says *vinā mahat-pāda-rajo-'bhiṣekam*

There are many other processes to understand the Absolute Truth, but the Absolute Truth is only revealed to one who has attained the mercy of a great devotee. So Srila Prabhupada, We can understand Book Bhagavat only by person bhagavat like You, we can not understand Krishna without Your grace.

Srila Prabhupada, Before coming in touch with You, I was knowing nothing about spiritual life and Krishna but following Your instructions, that is 16 rounds chanting, following four regulative principle, reading Your books, I feel progressed in my spiritual life.

Srila Prabhupada, Whenever I had done any mistake You corrected me by Your divine way. Like when I desired to meet my family members that night I got a dream and felt You say, "With a lot of difficulties you came out from this materialist way of life and got divine shelter and again you want to look forward to have relation with the people who are leading the materialistic way of life, by that your sadhana and seva will be disturbed." And by this I felt that You have guided me to what to do. But that time I didn't take it seriously and again after sometime I desired about going to meet them. That very same night again I had the same dream which I had previously. Then I took Your instruction seriously. In this way You have corrected me many times.

To practice bhakti is not so easy thing and it is explained in Katha Upanishad(1.3.14)

kśurasya dhārā niśītā duratyayā durgam pathastatkavayo vadanti.

The edge of a razor is sharp and impassable; that path, the intelligent say, is hard to go by. So many difficulties will come while practicing Krishna consciousness; many a times I need to deal with people who are on materialist platform but by Your ācāra, I learned how to be dependent on Krishna and how to deal with the intricacies of materialism.

By reading Your biography I continuously become motivated. Preaching means to convince others about the necessity of Krishna consciousness in human form of life .

Aspiring to become Your sincere servant, Mohan Shyam Dasa.

हमारे परम-पूज्य गुरुदेव श्रील प्रभुपाद के चरणों में विनयपूर्वक कोटि-कोटि प्रणाम तथा दण्डवत्।

आत्मा को जागृत करने वाले तथा हृदय में विशुद्ध ज्ञान को प्रकाशित करने वाले हमारे गुरुदेव, आपका स्तुतिगान करना इस जीव की परम उपलब्धि होगी। इस वाह्य जगत में फैली परमेश्वर की मायावी शक्ति की एक झलक भी हृदय में वेदना तथा मन में विभिन्न प्रकार के विकारों को उत्पन्न करने वाली है। ऐसे समय में आप का हाथ मेरे शीश पर वह करुणामयी आलम्बन है जिसकी इस क्षुद्र जीव को जन्म-जन्मान्तर से खोज थी। मार्ग में पड़े हुए पत्थर का क्या मूल्य, वैसे ही मैं भी इस अनंत समय की धारा में बहा जा रहा था। आप की कृपा-दृष्टि से मैं जो कुछ भी आत्मोन्नति के लिये कर पा रहा हूँ वही मेरे इस जीव का मूल्य है। गुरुदेव आपकी दयादृष्टि इस जीव पर सदा बनी रहे जिससे मैं इस जीवन में उत्तरोत्तर आध्यात्मिक प्रगति करता रहूँ। आपकी कृपा से मैं घोर अंधकारमय इस समाज में गति कर पा रहा हूँ तथा अपने अंतस में अध्यात्म-रस का न्यूनाधिक आस्वादन कर पा रहा हूँ। इस कलयुग में भी कैसे कोई परम पुरुषोत्तम भगवान् श्री कृष्ण की कृपा प्राप्त कर सकता है, वह सब प्रभु की और गुरुदेव आपकी लीला है। यदि अध्यात्म मार्ग में कोई त्रुटि हो जावे तो हे गुरुदेव उसे क्षमा करना तथा मुझे आशा देना कि निरंतर मैं आपकी तथा भगवान् की सेवा में लगा रहूँ।

पुनः बारम्बार आपके चरण-कमलों में कोटि-कोटि प्रणाम करता हूँ।

पूजनीय गुरुदेव प्रभुपाद,

मुझे अत्यंत हर्ष है कि मैं आपका दिक्षित शिष्य हूँ और मैं इसे बताने में अत्यंत गर्व महसूस करता हूँ।

जब भी कोई परेशानी आती है तो मैं आपको याद करता हूँ और मेरी सारी चिंताएं खत्म हो जाती हैं। यह जो भक्ति का बीज आपने मेरे अंदर बोया है उसी की वजह से मैं लोगों को कृष्णभावनामृत का संदेश पहुंचाने में सक्षम हुआ हूँ यह आप ही की कृपा है गुरुदेव।

बस आप मुझ पर इतनी कृपा बनाए रखना की मैं हमेशा अभिमान, स्वार्थ तथा दिखावे से दूर रहूँ और किसी की निंदा ना करूँ। और इस मिशन से जीवन पर्यंत जुड़ा रहूँ। और सभी नियामक सिद्धांतों का पालन जीवन पर्यंत करता रहूँ। कृपया आप मुझे अपने चरणों की शरण देवे।

गुरु पूजा। मैं अज्ञान के घोर अंधकार में उत्पन्न हुआ था मेरे गुरु महाराज ने अपने ज्ञान रूपी प्रकाश से मेरी आंखें खोल दीं मैं उन्हें सादर दंडवत प्रणाम करता हूँ। मैं कृष्ण कृपा मूर्ति श्री श्रीमद् ए सी भक्तिवेदांत स्वामी प्रभुपाद को सादर प्रणाम करता हूँ मेरे गुरु महाराज भगवान कृष्ण को अत्यंत प्रिय है क्योंकि उन्होंने भगवान श्री कृष्ण की शरण ले रखी है गुरु महाराज श्री चैतन्य महाप्रभु के संदेश का प्रचार कर रहे हैं तथा निराकारवाद एवं शून्यवाद से व्याप्त पश्चात्य देशों का उद्धार कर रहे हैं।

मैं गुरु महाराज के व्यास पूजा दिवस पर एक छोटी सी कविता सुना रहा हूँ...

दुख आलय अनित्य दारुण इस मृत्यु लोक के सब सुख भोग

लगते मधुर भरे विश भारी नरक दुख परि नी रोग।

मनसे तूर त निकालो इनको भजो हृदय से श्री कृष्ण भगवान

विश्व चराचर मैं नित देखो मधुर उन्हीं का रूप महान

सेवा रूप करो केवल तन मन से सब उन्हीं के काम।

प्राप्त करो बैकुंठ परम दुर्लभ हरि का मंगल धाम

भक्ति लता का बीज किसी भाग्यवान जीव को गुरु महाराज की कृपा व कृष्ण की कृपा प्रसाद रूप में प्राप्त होती है। इस बीज को भक्ति रूपी जलसे सिंचित करके बेल बैकुंठ तक पहुंचती हैं। गुरु महाराज दया के सागर हैं, कृपालु हैं, वह मुझ जैसे पापी पर भी दया कर गए। प्रारंभ में आत्मसाक्षात्कार की इच्छा होनी चाहिए इससे मनुष्य ऐसी व्यक्तियों की संगति करने का प्रयास करता है जो आध्यात्मिक दृष्टि से उठे हुए हैं। अगली अवस्था में गुरु से दीक्षित होकर नव दीक्षित भक्ति उनके आदेशानुसार भक्ति योग प्रारंभ करता है इस प्रकार सद्गुरु के निर्देशन में भक्ति करते हुए वह समस्त भौतिक आसक्ति से मुक्त हो जाता है। उसके आत्मसाक्षात्कार में स्थिरता आती है और वह भगवान कृष्ण के विषय में श्रवण करने के लिए रुचि विकसित करता है। इस रुचि से आगे चल कर कृष्ण भावना अमृत में आसक्ति उत्पन्न होती है जो भाव में अथवा भगवत प्रेम के प्रथम सोपान में विकसित होकर अंततः कृष्ण-प्रेम तक पहुंचती हैं।

Dear Srila Prabhupada,

Kindly accept my humble obeisances unto Your lotus feet. All glories to Your Divine Grace. Everyday having received Your causeless mercy upon me, Your personality is turning more & more authentic to my conviction.

Your spirit of preaching is exactly what Lord Chaitanya desired. In a conversation with Lord Nityananda, Lord Chaitanya says:

prati-varṣa nīlācale tumi nā āsibā

gauḍe rahi' mora icchā saphala karibā

“Do not come to Jagannātha Purī every year, but stay in Bengal and fulfill My desire.”

Your Divine Grace also left the most spiritualized place, Sri Radha Damodar Temple Vrindavan to spread the glories of Lord Chaitanya across the globe.

Also, Lord Chaitanya confirms the compassion of his devotees to be even more than him:

tāhān siddhi kare—hena anye nā dekhiye

āmāra ‘duṣkara’ karma, tomā haite haye

Śrī Chaitanya Mahāprabhu continued, *“You can perform a task that even I cannot do. But for You, I cannot find anyone in Gauḍa-deśa who can fulfill My mission there.”*

Further in the purport You wrote:

“Similarly, if one is true to Gaura-Nitāi’s service in the disciplic succession, he can even excel Nityānanda Prabhu’s service. This is the process of disciplic succession. Nityānanda Prabhu delivered Jagāi and Mādhāi, but a servant of Nityānanda Prabhu, by His grace, can deliver many thousands of Jagāis and Mādhāis.” (Ref. CC Madhya 16.65)

This world has seen Your compassion delivering thousands of unqualified disciples like me, as confirmed by Lord Chaitanya in above reference.

Your Divine Grace didn’t stop to that point also. To purify us, You want us also to be engaged in the same way. You have inspired many with the same spirit. You wrote in a letter to Brahmananda:

“I’m very much indebted to You that You have gone so far away from Your own comfortable country for the service of Chaitanya Mahaprabhu and this service will be appreciated by the Supreme Personality of Godhead. Please go on preaching like that and You will be blessed. I think Krishna did not let me go in Africa because he wants to see You all work independently of me. I’m getting old and can not move, so if You all my students work 10 times more than me that will be great pleasure for me.” (Ref. Letter to: Brahmananda — Honolulu 26 January, 1974)

This is how the spirit of compassionate preaching is passing down in discipline succession. We are so fortunate to become recipient of the mercy of Your Divine Grace who is passing details of devotional service in to & in spite of severity of Kali, we are continuing in the movement.

Thank You Prabhupada. Kindly let me be always holding at least a tinge of Your spirit of serving Lord Krishna so that I may not die spiritually.

Your fallen servant,

Narahari Dasa.

प्रभुपाद आप के द्वारा की गई शास्त्रों की व्याख्याओं में सम्पूर्ण ज्ञान है; अन्यत्र: कहीं जाने की आवश्यकता नहीं है। प्रभुपाद आप सचमुच में भगवान के देव-दूत हैं, ये कोई साधारण मनुष्य के लिए सम्भव नहीं है। आप स्वरूप सिद्ध व्यक्ति हैं क्योंकि आपने सत्य का दर्शन किया है हम अंध कूप में गिरे हुए थे आपने हमें उस अंधियारे से निकालकर अपने चरणों में स्थान दिया। हम इस ऋण से कभी उद्धार नहीं हो सकते। “यस्य प्रसादाद् भगवत-प्रसादो, यस्याप्रसादान् न गति कुतो अपि” आपकी कृपा के बिना कोई भी भगवान श्री कृष्ण का आशीर्वाद प्राप्त नहीं कर सकता। मैं हमेशा आपके चरण-कमलों की सेवा करता रहूँगा इसके लिए आप मेरे पर सदैव पद-छाया बनाये रखें एवं मुझे शक्ति प्रदान करें ताकि मैं निमित्त बनकर अन्य भटके हुए लोगों को भगवान् श्री कृष्ण की शरणागत में लगा सकूँ।

My Dear Beloved Spiritual Master,

Please Accept my Most Humble Obeisances at Your Lotus Feet on this most auspicious day of Your Divine Appearance.

We are celebrating 123rd Year of Your divine appearance in this world, which is Your compassionate gesture on all of us, conditioned souls. You have appeared to deliver us and to engage us eternally in Your services. I thank You for giving me this greatest opportunity for which I always find myself unqualified. In trying to glorify You and Your special mercy on all of us, I am humbly quoting the Guruvastaka verse:

*samsāra-dāvānala-līḍha-loka-trāṇāya kārūṇya-ghanāghanatvam
prāptasya kalyāṇa-guṇārnavasya vande guroḥ śrī-caraṇāravindam*

Translation: *The spiritual master is receiving benediction from the ocean of mercy. Just as a cloud pours water on a forest fire to extinguish it, so the spiritual master delivers the materially afflicted world by extinguishing the blazing fire of material existence. I offer my respectful obeisances unto the lotus feet of such a spiritual master, who is an ocean of auspicious qualities.*

Meditating on this verse, we realize that the suffering, the blazing fire we are afflicted with, is that of the forgetfulness of KRISHNA. And that the only remedy is Your MERCY.

Your MERCY means Your Books. They are first meant for Reading and Associating with You, which makes us purified (janam sarthak kari) and second, they are meant for distributing to others (kara paropkara). We serve our Real Dharma by performing these two activities i.e.

1) Reading, Understanding and Applying in our life. And if only we READ sincerely then by purification, understanding & realization naturally comes.

2) To distribute these books, in other words, to PREACH or to bring others in Your service.

Both the activities are the essence of our Real Dharma and are formulated in one word by Srila Bhaktivinoda Thakura i.e. “Jive Doya”. Both activities are co-related. The Preaching will work, when there is Purity and the Purity comes by associating with You, Your Vaani (Books). This is how one must Utilize one’s precious time.

Srila Prabhupada, the Vedic Scriptures sings of Your character because Vedic Literatures have failed to deliver the conditioned soul – to purify them and to give them Prema Bhakti to KRISHNA, which You are freely giving to everyone and with no discrimination.

Srila Prabhupada, as long as You (Your Books or Your Vaani or Your instructions – same thing) remain the BASIS of our very life and this Movement, we’ll remain alive.

Our spiritual life will flourish as long as You keep Your glance on us.

On this auspicious day of Your Divine Appearance, I only wish that my consciousness be purified by the words emanating from Your Lotus Mouth.

Seeking shelter in Your lotus feet,

Your most fallen servant,

Nikhileshwara Krishna Dasa.

Nilambara Krishna Dasa

Dear Śrīla Prabhupāda,

Śrīla Prabhupāda, You are the dearest person in our lives. Please accept my most humble obeisances at Your lotus feet. All glories to Your Divine Grace.

The most holy and auspicious celebration of Your divine appearance in this earthly realm is a grand opportunity to remind us of our good fortune of having met Your Divine Grace by the mercy of the Lord, along with a reminder to renew and increase our commitment to fulfill Your desire to spread Lord Caitanya’s mission of reclaiming the fallen souls helplessly suffering in the age of Kali.

*yasya deve parā bhaktir yathā deve tathā gurau
tasyaite kathitā hy arthāḥ prakāśante mahātmanāḥ*

“Only unto those great souls who have implicit faith in both the Lord and the spiritual master are all the imports of Vedic knowledge automatically revealed.” (Śvetāśvatara Upaniṣad 6.23)

I have often thought, What is the actual meaning of this statement with regards to the words “Vedic knowledge automatically revealed”?

In the Caitanya-caritāmṛta, Ādi-līlā 17.257, You clearly give the complete understanding. The purport of this verse is that one who is unflinchingly devoted to the Supreme Personality of Godhead, Viṣṇu, and similarly devoted to the spiritual master, with no ulterior motive, becomes a master of all knowledge. In the heart of such a devotee, the real essence of the Vedic knowledge becomes manifested. This essence is nothing but surrender unto the Supreme Personality of Godhead (vedaiś ca sarvair aham eva vedyah). Only unto one who fully surrenders to the spiritual master and the Supreme Lord does the essence of Vedic knowledge become manifested, not to anyone else. As long as there is an ulterior motive, one is not actually fully surrendered in devotion, and consequently Vedic knowledge remains hidden.

Śrīla Prabhupāda, we have full faith that You are fully capable of immediately removing any and all ulterior motives caused by our material tendencies born of material desires and false ego, and also that You can destroy the obstacles we encounter as we attempt to serve and surrender.

Please, Śrīla Prabhupāda, see me as one who is badly in need of Your mercy and guidance, and therefore bring me to full surrender unto Your lotus feet. Let me have complete faith in Your instructions, and free me from ulterior motives as I endeavor to always remember Your lotus feet in loving devotional service.

Your son who is in desperate need of Your mercy,

Nilambara Krishna Dasa.

Dear Srila Prabhupada,

Please accept my most humble obeisance at Your lotus feet, and kindly forgive my offenses All glories to You and Your preaching movement. I was born in the darkest ignorance and because of Your causeless mercy, You have opened my eyes with the touch of wisdom, knowledge and love.

You have showed us the path towards Krishna. You are the only bonafide spiritual master as You are representative of Krishna and the former ācārya's. The Supreme Personality of Godhead, Krishna Himself says that all ācāryas are His representatives so therefore the Guru should be offered the same respect as one gives to God and for us You are the bona fide spiritual master. When I started studying the spiritual books You wrote then I came to understand. What is the soul?. What is the real goal of human life and why is our life so miserable and in this material world where have we come from? What is our relation with God?

And You told the glory of Your master through Your teachings or behavior. vede gāy jāhāra carito The Vedic scriptures sing of His character. sākṣād-dharitvena samasta-śāstrair The spiritual master is to be honored as much as the Supreme Lord, because he is the most confidential servitor of the Lord. This is acknowledged in all revealed scriptures and followed by all authorities. yasya prasādād bhagavat-prasādo yasyāprasādān na gatiḥ kuto 'pi By the mercy of the spiritual master one receives the benediction of Krishna. Without the grace of the spiritual master, one cannot make any advancement.

You gave me this chanting process this process, which is so much helpful for me. You are the real savior of my life and soul. You have given to me, formula for peace and the sublime process to get free from our past sinful reactions and attain the highest goal of human life. This You have done by giving us the all-powerful process of chanting the holy names of the

Lord. You have revealed that this process of chanting of the holy names is superior to the all yogic processes. The chanting of Krishna's holy name is mentioned in several Vedic Scriptures like Bhagavad-gita, Srimad Bhagavatam, Padma Purana, Kali Santarana Upanishad etc. So You called the chanting as the Vedic process. Srila Prabhupada, revealing this most confidential aspect from Srimad Bhagavatam - To say nothing of the spiritual advancement of persons who see the Supreme Person face to face, even a person born in a family of dog-eaters immediately becomes eligible to perform Vedic sacrifices if he once utters the holy name of the Supreme Personality of Godhead or chants about Him, hears about His pastimes, offers Him obeisance or even remembers Him. (SB 3.33.6) Here in this translation of the verse of Srimad Bhagavatam, You reveal the potent effects of the holy names of Lord Krishna. My only request is to develop taste the holy name of the Lord and to always be able to remember the holy name of the Lord. And associate through Your books or teachings.

Your most insignificant servant,

Bhakta Nitin Kumar Mina.

Dear Srila Prabhupada,

Humble obesiances unto Your Lotus Feet.

Below is a conversation in Vrindavana. I would like to read that.

Prabhupāda: *In Bengal there was professional guru. They travel from one house to another. Our paternal guru was coming like that.*

Tamāla Kṛṣṇa: *You had a professional guru also?*

Prabhupāda: *Hm?*

Tamāla Kṛṣṇa: *You had a paternal guru?*

Prabhupāda: *Yes. I was initiated by that professional guru at the age of twelve years. Later on I rejected him.*

Tamāla Kṛṣṇa: *I wonder if he had any thought that his disciple, Your Divine Grace, would be one day such a devotee all over the world. You always said that's the perfection of a guru, if he has good disciple. So Your professional guru had a best disciple.*

Prabhupāda: *Bhaktisiddhānta Sarasvatī Gosvāmī later on, when I was young man, manager in Dr. Bose's laboratory... That my friend, Narend Mullik, he took me. There is direction. For real guru one can give up this professional guru.*

Conversation about Old Days in Calcutta, July 1, 1977, Vṛndāvana.

From above we understand that we are very fortunate in this Kaliyuga to be associated with a Bonafide & Genuine spiritual master.

As many times we come across news that there was a bogus spiritual master who has crores of followers and suddenly he was convicted in some abominable activities and now he is in Jail. And in spite of that many people are still blindly following him.

But with above conversation we are very clear that if somebody has approached and accepted any guru and later he finds him not be genuine, he should definitely leave him and accept You as guru.

By Your potency our words become powerful which could be understood from a excerpt from a lecture:

Evaṁ paramparā-prāptam [Bg. 4.2], by the ācāryas. We don't create any meaning. Ācāryavān. One has to accept a bona fide spiritual master and take knowledge from him. Vidvān. Vidvān means who is following vidvān. I have given this example many times, that I may be a fool, but if I have learned from a person that this is called microphone... So a child, if he says, "This is microphone," that is correct. Because the child is fool, when he says "This is microphone," that is not foolish, because he has heard it from the authorities, from his father or from his teacher, that "This is called microphone." And if he says correctly that "This is microphone," that statement is correct, although he may be a child, a fool. Similarly, ācāryavān puruṣo veda. Anyone who is following ācārya, whatever he says it is correct. Because he does not manufacture. He says what he has heard from the ācāryas exactly like the child, what he has heard from his father, from the superior, he speaks.

I pray to You that I worship You with great devotion otherwise I will become weak as told in a verse of 6th canto.

maghavan dviṣataḥ paśya prakṣiṅhān gurv-atikramāt sampratya upacitān bhūyaḥ

kāvyaṁ ārādhya bhaktitaḥ ādadīran nilayanaṁ mamāpi bhṛgu-devatāḥ

O Indra, your enemies, the demons, were extremely weak because of their disrespect toward Śukrācārya, but since they have now worshiped Śukrācārya with great devotion, they have again become powerful. By their devotion to Śukrācārya, they have increased their strength so much that now they are even able to easily seize my abode from me.

Lord Brahmā wanted to point out to the demigods that by the strength of the guru one can become most powerful within this world, and by the displeasure of the guru one can lose everything. This is confirmed by the song of Viśvanātha Cakravartī Ṭhākura: *yasya prasādād bhagavat-prasādayasyāprasādān na gatiḥ kuto 'pi* "By the mercy of the spiritual master one is benedicted by the mercy of Krishna.. Without the grace of the spiritual master, one cannot make any advancement." Although the demons are insignificant in comparison to Lord Brahmā, because of the strength of their guru they were so powerful that they could even seize Brahmāloka from Lord Brahmā. We therefore pray to the spiritual master:

mūkaṁ karoti vācālaṁ paṅguṁ laṅghayate girim

yat-kṛpā tam ahaṁ vande śrī-guruṁ dīna-tāraṇam

By the mercy of the guru, even a dumb man can become the greatest orator, and even a lame man can cross mountains. As advised by Lord Brahmā, one should remember this śāstric injunction if one desires success in his life.

At last I pray You to make me more humbler and also strong enough to follow Your instructions throughout my life.

Aspiring to become Your servant,

Prana Vallabha Dasa.

Prem Manjari Devi Dasi

Dear Srila Prabhupada,

My dear-most Srila Prabhupada, Please accept my most humble obeisance unto Your divine lotus feet. All glories to You on this most auspicious day of Your Vyāsa-pūjā.

O master, by Your causeless mercy, my dream came true when I was initiated in Diksha ceremony in August 2018 and got a new birth and a new name Prem Manjari Devi Dasi. Although I don't deserve, but by association and guidance of the devotees, it was possible and I feel that my spiritual journey is now started. All the happenings are just like a dream coming true.

Prabhupada, You have changed my life and it was only a few years ago that I was engaged in so many degraded activities and leading meaningless life. But, now by Your great mercy, I am engaged in rendering devotional services and worshiping deities of Sri SriJaganath, Baldeva and Subhadramaiya at home. I have a few realizations during deity worship when I felt how Krishna reads my emotions and quickly reciprocates and touches my mind, this is all amazing.

We touch Your feet every day so that we can make further advancement in our spiritual life. However, the real mercy will come to us if we keep Your instructions in our heart and genuinely follow them without any deviation. Making progress on the path of bhakti becomes easy if we fully surrender to Your Divine Grace with our body, mind, words, and very self and remain one hundred percent dedicated to You. You are the transcendental boatman who can help us to cross the ocean of material sufferings, provided we follow You with full faith and determination.

Prabhupāda we are trying our best to follow Your instructions and to be an ideal servant of Yours. Prabhupada my hope rest only in Your Divine Grace' causeless mercy and in the hope that You will show me the right path and always shower Your blessings upon me and my family so that we can always remain under Your shelter. I thank You for Your protection, shelter, and mercy, and for the inspirations and vision.

O savior of the whole world Srila Prabhupāda, I humbly beg Your Divine Grace to please forgive all my mistakes and offenses and to mercifully empower me and my family to continue practicing Krishna consciousness under guidance of temple devotees and become genuine devotee.

Thank You so much for everything. Please bless my daughters Namya and Vaishnavi to become and remain Krishna Conscious always.

Your very insignificant servant,

Prem Manjari Devi Dasi.

Prem Vikas Dasa

Dear Srila Prabhupada,

Please accept my most respectful obeisances unto Your divine lotus feet. All glories to you, Srila Prabhupāda, and to all the other all-loving personalities in the paramparā.

*mukam karoti vachalam pangum langhayate girim
yat-kripa tam aham vande shri-gurum dina-taranam*

"I offer my respectful obeisances unto my spiritual master, the deliverer of the fallen souls. His mercy turns the dumb into eloquent speakers and enables the lame to cross mountains."

Thank You, Srila Prabhupāda, for once again offering us this opportunity to attempt to glorify Your Divine Grace.

After initiation, First time, I am writing vyasa puja offering. It is very special feeling towards You, before I never feel like this. You are patita-pāvana, the savior of the fallen. By Your mercy, even a most fallen soul like me has gotten the opportunity to chant the holy name of Krishna and give strength to follow four regulative principles.

Nowadays life has become so complicated that it is very difficult to live a simple life, as You have instructed. So, I am holding Your lotus feet. Your word, Books, Lectures and Your smile, these are the only things that matter in my life. It is always showing path of our life and gives us inspiration, motivation and guidance. I will forever remain grateful to You for giving me this opportunity to be part of this great movement.

I am serving Your mission as an employee from last two years; kindly give me same enthusiasm, direction, strength and intelligence. So, I am able to serve Your mission my best abilities.

I am trying to give Krishna consciousness to my family members also. Please bless them. So, they will also become Krishna consciousness.

I pray at Your lotus feet to please bless us on this most blessed event; Sri Vyasa-Puja, please bless this fallen soul. So, I will remain in Krishna consciousness and become Your surrendered servant for spreading Krishna consciousness in the world.

Jai Prabhupāda!

Your servant,

Prem Vikas Dasa.

Premanand Nitai Dasa

Dear Srila Prabhupada,

Please accept my humble obeisance. All Glories unto Your Divine Grace.

I sit thinking what to write this year. How to glorify You with my limited intelligence and dedication towards You. Whatever the condition may be but this is an opportunity for me to glorify a pure devotee of Supreme Personality of Godhead. When I see deep within myself I am not able to reflect much dedication toward You, much gratitude for Your mercy rather I feel like a bug on the lap of king but even though unconditional is Your mercy because of which I am being maintained in this glorious movement.

This is my 5th year in Krishna Balram's shelter and I feel so fortunate to be there, I thank You for giving me such a wonderful opportunity to live among devotees.

This year has given me lot of teachings of practical devotional service and has also strengthened the fact that our only attachment should be towards the lotus feet of Guru and Krishna as they are the ultimate shelter in this blazing world.

I once again thank You for giving me opportunity to serve mother cow, who is most dear to Lord Krishna. I seek Your mercy so that I may not develop familiarity toward this service and loose taste in it. Prabhupada, by Your kind mercy we are able to do big big things in gaushala which otherwise looks like an unattainable dream.

Prabhupada I beg You to make me faithful dog of Yours so that I can serve You eternally without any condition and always keep me in Your shelter and save me from the kick of maya.

Your fallen Servant,

Premanand Nitai Dasa.

Premmayi Radha Devi Dasi

Dear Srila Prabhupada,

Please accept my highest obeisance in Your lotus feet. I am very glad to say that by the mercy of Lord Krishna and You, now I am an Initiated disciple of You.

I have read in Bhagavatam that after initiation the scriptures become our mother and the spiritual master become our father. This feeling makes me the one of the special person in the universe. As senior devotees told us that initiation means starting of the devotional services, it is the first step in Bhakti. So this is not “the end” but this is “the beginning.” Now here I am so glad to announce myself as “the beginner.”

Dear Prabhupada! As I have step in my journey so please help me to keep moving as this is the vast ocean and obstacles are running with me. You have given us everything to progress in the spiritual life but Your mercy is most essential for us.

You are so kind, please forgive my all mistakes because I am beginner and help me to engage in the service of Lord. I am very thankful to You for giving us transcendental and auspicious love for Krishna.

Your Servant,

Premmayi Radha Devi Dasi.

Priyamvada Devi Dasi

Dear Srila Prabhupada,

Please accept my humble obeisances at Your lotus feet.

Gurudeva, You are so merciful to accept a fallen soul like me as Your disciple. You have given the simplest method to go back to Godhead. However, I am so fallen that I cannot even follow that properly. Prabhupada You sacrificed so much for the people to get benefitted. You have given the greatest boon to mankind. It is only because of You that no place in the world is spared of Harinam.

Srila Prabhupada, Please bless us that we may honour the labour You have put in Your books by studying them thoroughly.

By Your grace, we have really good devotee association here at Akshaya Patra temple in Jaipur. They always guide us to be on right path and be firm on spirituality.

Srila Prabhupada You have saved so many souls from falling in darkest regions of hell.

Please help me in following Your instructions properly and advance in bhakti.

Please forgive me for offenses that I make and bless me not to repeat them.

Servant of Your servants,

Priyamvada Devi Dasi.

Pundrik Vidhyanidhi Dasa

Dear Srila Prabhupada,

Please accept my humble obeisances on to Your lotus feet

Dear Srila Prabhupada all glories to You. Today is very auspicious day for all of Your disciples.

Srila Prabhupada You are always guiding me. I never feel Your absence in my life.

As in the path of devotional service due to accumulated anarthas life after life, different-different difficult phases are coming and going. In all different phases or situations I feel myself almost helpless but I have only hope you I have full faith on You that one day by Your causeless mercy I will be purified and all my anaratha will be subsided and also I am seeing it practically in my life.

Just by sincerely praying to You many times I came out from these all difficult situation's.

O Srila Prabhupada, as You say that - It is very difficult to cross over the Atlantic ocean and the pacific ocean, but if I have got a very good ship I can very easily cross over, similarly this material life is a great ocean, and this human body is a good boat. This human body is good boat for crossing this ocean, and the spiritual master is a good captain.

So, O Srila Prabhupada if captain or You are not in my life then all my endeavours are useless.

Srila Prabhupada, You are coming from spiritual world when I see Your picture I feel how much You are merciful and most humble, then immediately I remember Srimati Radharani she is also most merciful and most humble then I think that You and all Acharya, Goswami's all must be being under training of Srimati Radharani. And also this Hare Krishna Movement is the execution of the mood of Srimati Radharani, so executor must have connections with Srimati Radharani or in other words representative of Srimati Radharani.

So, O Srila Prabhupada Your position is very unique You are one of the executor of the mood of Srimati Radharani or order carrier of Sri Caitanya Mahaprabhu, Krishna Himself and the prediction of Lord Krishna (conversation between mother Ganga Krishna), Lord Caitanya Mahaprabh (nagar adhi gram sarvatra prachar hoy mor nam). Srila Bhaktivinoda Thakura, and also Srila Bhaktisiddhanta Saraswati Goswami Maharaj predicted...

So Nobody can replace You, Srila Prabhupada Your position is very exalted and unique.

You are spiritual personality fully Krishna conscious.

And You have shown Your mercy on to fallen souls like me.

In this age of Kali people are manda, Sumanda ...less intelligent they cannot find out who is real spiritual master or guru although it is their duty to find out spiritual master but O Srila Prabhupada You are so merciful that You have shown your mercy to fallen souls, giving us an opportunity to serve You or in other words we have no qualification but it is You O Srila Prabhupada, You selected us as Your disciple.

O Srila Prabhupada, You are representative of lord's feet; one who want to take shelter of lord's feet actually He has to take shelter of You that is actually meaning of taking shelter of lord's feet because You are representative of lord's lotus feet; that's what Your name indicates - Prabhupada or prabhu ke pada. Thank You so much Srila Prabhupada for Your kind mercy on to me.

Your disciple,

Pundrik Vidhyanidhi Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisance unto Your lotus feet. Thank You Srila prabhupada for giving me this opportunity for writing Vyasapuja offering on this auspicious day. Srila Prabhupada recently I read one of Your pastimes which I like to share.

Atma Tattva: I had a Krishna book and on the back cover was a picture of Prabhupada looking at a champaka flower he was holding. I showed the man this picture and said, "This is our Guru Maharaja, he has translated these books." The man looked at that picture and then brought some thread and things from a little box and for ten or fifteen minutes measured Prabhupada's forehead, ears and so on. Then he said, "This person's features show me that all the four Vaishnava acharyas are present in him. I wish You had a picture of his full form." So I showed him a photograph of Prabhupada's full form and he did another study, this time with a lens.

Then he said, "I was not wrong. They are all working through this person. You are very fortunate to be with him. I would like to be part of a movement like that in my next life." I said, "But I thought Your ultimate goal is to go to Kailash," because he was a Shaivite. He said, "Yes, if I go there I can tell Lord Shiva that I want to join some movement like this, and I want to spread dharma everywhere." He was happy and said, "Please give this book to me. It has given me the highest experience of studying a person's features. I want to keep this book." So I gave him a complimentary copy.

This shows how glorious is Your position. How mercifully You are giving love of Godhead to all conditions soul. Earlier which were given by our four Vaisnava acharya. Srila Prabhupada this year, I face so many challenge in my spiritual life. Many times my faith was shaken towards my authority. But by Your mercy I am able to continue.

My Lord please help me to develop conviction that this movement is fully under Your control nobody can hijack this movement. Any instructions which is coming to me through authorities is Your instructions, so please help me to follow these instructions.

Srila Prabhupada please help me to develop strong attachment towards sadhana and service so that I can serve in Your transcendental mission.

Your servant, Purna Chandra Dasa.

His Divine Grace A.C. Bhaktivedanta Swami Srila Prabhupada,

I pay my respectful humble obeisances unto Your lotus feet!

I have no words to express my gratitude as You accept me as one of Your followers without any qualifications. I consider myself most fortunate to have access to Your mission. You made bhakti so easy for us by creating an organization like Hare Krishna Movement. The Jaipur chapter of this organization is highly dedicated towards Your mission and provides us wonderful opportunities to inculcate bhakti. Here we have devotee's association in true sense, every devotee is always eager to help us in this process of bhakti whenever we feel demotivated or lacking in devotion or doubt. Shastra(knowledge) and Sadhu sanga is provided by the means of classes and pilgrimage. And Guru is provided by the means of ashraya system thus all the three pillars of bhakti are available for us. All these things made bhakti very easy process but fallen soul like me is not ready to take advantage due past karma and laziness. I give all credit to devotees for dragging me from reluctant position and gave opportunity to take initiation. And temple president HG R. Govindadas prabhu and HG Chanchlapati Prabhu are so compassionate that even I was not up to the mark to attain initiation but they gave opportunity to overcome shortcomings and include me in the initiation list and thus I became an initiated disciple of HDG Srila Prabhupada i.e. Your good-self. This was the greatest achievement of my life. I try to follow all Your instructions but I am not fully satisfied in executing Your instructions, at several times I missed listening to Your lectures or spare no time to read Your books however I try another day but I think it is my laziness or lack of attention. So I pray to Your lotus feet to give me strength to follow all Your instructions in true sense. I know without Your grace I will not be able to achieve this with my sole efforts.

This year HKM Jaipur gave me opportunity to visit Mayapur, it was memorable experience for life to have a sight of the land of Chaitanya Mahaprabhu and the development made there by Your disciples from all around the world. When I compare myself with the devotion of all other people in Mayapur, I found myself less than an atom. But same time I felt motivated to be a part of this movement and I have faith that one day by Your grace I will be able to follow Your instructions.

I always pray for Your mercy.

Your Servant's servant,

Pushkaraksh Krishna Dasa.

Radha Gopal Dasa

Dear Srila Prabhupada,

Please accept my humble obeisances unto Your lotus feet.

On this auspicious day I have come with this offering just to worship You, remembering Your lotus feet.

Srila Prabhupada, it has been a wonderful experience serving this great mission of Yours. Every day is adventurous and we experience Your guidance and help in so many ways .If I look back on my life, I can clearly see how inconceivably You and Krishna have worked on me, and miraculously guided me in my life when things didn't go as per my plan, as per my expectations. At times I was disappointed thinking – “Why Krishna is not helping me?” Now, when I look back, I see that all along, You have been molding me, as per Your divine plan. Let me be always grateful for all Your inconceivable mercy.

When I got initiated You gave my name as servant of Radha and Gopal and soon You gave me a opportunity to serve mother cow in our Hingoniya Gosala. Then I realized Your mercy and personal care at every step of my life. When we meet materially successful person and their philosophy of life then I very much realize that You have given us such a wonderful life with great literatures, chanting , kirtan, prasadam, service and many more transcendental things.

From past few months, we are facing many hurdles in serving cows in goshala. We are crossing through hard times in goshala as many small demons of this material world are making obstacles in its smooth operation. Nevertheless, we are

trying to serve the cows best with limited resources and blessing of Sri Sri Krishna-Balaram. We are able to do this by Your teachings and regular guidelines as well.

So in this movement, our one program is to respect cows. We chant the mantra, namo brahmanya-devaya go-brahmana-hitayaca. The brahminical culture and the cows... Why they have selected cows? There are so many animals. Why cow protection is so important in Krishna consciousness ? why Krishna personally himself became a cowherd boy and was taking the care of the cows and the calves ? oh, that is very essential. Bhagwatam 1.16.19

You have taught us that without cow protection and cultivation of brahminical qualities in human society, at least for a section of the member of the society, no human civilization can prosper at any length. When these two things are neglected, cow and the brahmana, that is animal society.

We beg Your Divine Grace to bless us so that we become truly qualified instruments in Your hands, so that we are fortunate enough to please You with our humble and feeble attempts in serving cows at Hingoniya Goshala as per Your desire.

Your eternal servant,

Radha Gopal Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisance unto Your lotus feet.

I sincerely thank You for giving me one more opportunity to glorify Your Divine Grace.

It is the duty of the disciple to remember the spiritual master and glorify him and I take this opportunity to write Your glories on your auspicious appearance day.

My devotional life which is a gift of Your divine grace has been a rough journey so far with intermittent glimpses of devotional ecstasies and I request You keep me under Your personal care and continue to guide this insignificant soul throughout the life and life after life.

In the Srimad Bhagavatam 10.80.41 and 42, Sandipani muni, the spiritual master of Lord Sri Krishna instructs both Sri Krishna and Sudama that *“This indeed is the duty of all true disciples: to repay the debt to their spiritual master by offering him, with pure hearts, their wealth and even their very lives.”*

“You boys are first-class brāhmaṇas, and I am satisfied with you. May all Your desires be fulfilled, and may the Vedic mantras You have learned never lose their meaning for You, in this world or the next.”

And in the purport it is said that *“Cooked food left sitting for three hours is called yāta-yāma, indicating that it has lost its taste, and similarly if a devotee does not remain fixed in Kṛṣṇa consciousness, the transcendental knowledge that once inspired him on the spiritual path will lose its "taste," or meaning, for him. Thus Sāṅdīpani Muni blesses his disciples that the Vedic mantras, which reveal the Absolute Truth, will never lose their meaning for them but will remain ever fresh in their minds.”* I request Your Divine Grace to bless me with this divine spiritual knowledge and import of the all the vedic literatures and let them remain in my memory throughout my life and I'll be able to practically apply the instructions at the hour of need.

Your most fallen disciple,

Radha Priya Dasa.

भौतिकता की बाढ़ में कोई खुश नहीं रह सकता है। इसलिए तो हिप्पीवाद भी वहाँ जन्म ले लेता है।।
जिन लोगों ने भौतिक सुख की सारी ऊँचाइयों को छुआ है। ये लगा लो हिप्पीवाद का जन्म वहाँ से हुआ है।।
कामी और नशेड़ी हिप्पी रस्ते में पड़े हुए। भौतिकता की चकाचौंध में जो पले और बड़े हुए।।
दुष्कृत्य खुले में करने से भी जो नहीं कतराते थे। दारू-मांस और पता नहीं क्या-क्या वो नहीं खाते थे।।
ऐसे हालत थे वहाँ पर और वर्णन हम क्या करें। प्रभुपाद की कृपा का गुणगान चलें अब शुरू करें।।
प्रभुपाद गुणानुवर्णन का दुस्साहस करना चाहता हूँ। शुद्ध भक्त के गुण समुद्र से मैं एक बूंद चुराता हूँ।।
मिला गुरु का आदेश पाश्चात्य देश को जाना है। चैतन्य महाप्रभु के संदेश को घर-घर तक पहुँचाना है।।
उस क्षण से प्रभुपाद ने मन में अपने ठान लिया। गुरु के आदेशों को जीवन का लक्ष्य मान लिया।।
एक-एक दिन भी अब तो जैसे युग की भाँति लगता है। पाश्चात्य देश को जाने का नहीं कोई तरीका दिखता है।।
तीस साल तक प्रभुपाद ने प्रतीक्षा में बिताये थे। इसी बीच भारत में भी प्रचार तरीके अपनाये थे।।
लेकिन यहाँ के लोग घमंडी कुछ नहीं वो सुनते थे। केवल-केवल भौतिकता के सपने मन में बुनते थे।।
पाश्चात्य देशों के अनुकरण का केवल इनका काम बचा। इनके भी उद्धार की खातिर प्रभुपाद को विचार जचा।।
ये सभी लोग नालायक भौतिकता के मारे है। अस्थायी भौतिक उन्नति में लगे सारे की सारे है।।
करने दो अनुकरण इनको पाश्चात्य देश की शैली का। बदलूंगा नक्शा पहले मैं पाश्चात्य सभ्यता मैली का।।
आ गया वो शुभ दिन जब प्रभुपाद ने भारत छोड़ दिया। और अपना प्रचार अभियान पाश्चात्य देश को मोड़ दिया।।
जलदूत पर प्रभुपाद मन ही मन सोच रहे थे जी। वृन्दावन से अलग होने से बिच्छू नोच रहे थे जी।।
लेकिन एक शुद्ध भक्त हृदय वृन्दावन से अलग नहीं। जहाँ शुद्ध भक्त वहाँ वृन्दावन और वृन्दावन चंद्र वहीं।।
बटलर में रहकर प्रभुपाद ने पाश्चात्य सभ्यता को समझ लिया। इसके बाद फिर उन्होंने न्यूयार्क शहर को गमन किया।।
न्यूयार्क तो हिप्पीवाद का गढ़ हो जैसे लगता था। इसे देखकर प्रभुपाद के मन में करूणा जगता था।।
शुरूआत में प्रभुपाद पार्क में कीर्तन करते थे। चार-पाँच घंटे तक कीर्तन में ध्यान निरन्तर धरते थे।।
कुछ लोग आ-आकर के उनको घेरा करते थे। कभी नृत्य और कभी गाते और माला फेरा करते थे।।
कुछ लोग प्रभुपाद के प्रवचनों में भी आते थे। प्रवचनों के बाद प्रभुपाद से भगवत प्रसाद वो पाते थे।।
धीरे-धीरे कृष्ण भक्ति का नव अभियान शुरू हुआ। इसके बाद जगतगुरु का गीता ज्ञान शुरू हुआ।।
प्रभुपाद ने हिप्पीयों को भी भगवत ज्ञान की शिक्षा दी। दस साल में दस हजार शिष्यों को हरिनाम की दीक्षा दी।।
धर्म किया स्थापित जिन्होंने ऐसे कृपानिधान की जय। एक बार सारे बोलो बोलिये सेवक भगवान् की जय।
आपका सेवक, राधाविनोद दास.

मेरे प्रिय गुरु प्रभुपाद, मैं आपके चरण कमलों में कोटि-कोटि नमन करती हूँ और आपके चरणों में एक छोटी से भेंट करती हूँ-
जहाँ मेरे जीवन में न था आध्यात्मिकता का पुट,
वहीं आपने दिखाया मुझे आध्यात्मिकता की झलक का झुटपुट।
सोचा न था मैंने कि चलूँगी मैं इस राह पर और बढ़ूँगी इस राह पर।
पहले मैं थोड़ा घबराई और हिचकिचाई कैसे होंगी ये सारी विधियाँ
पर आपने दिया हर पल अपना मार्ग-दर्शन जिससे हो सकी पूरी सारी विधियाँ
पहले मैं यह समझ न पाती थी कि कैसे होता है आध्यात्मिकता में रहने वालों का जीवन भौतिकता में रहने वालों से भिन्न,

पर अब मैं स्वयं के जीवन को अपने लोगों से पाती हूँ भिन्ना

आज मैंने यह पूर्णतया स्वीकार कर लिया कि एक सच्चे गुरु के द्वारा भगवान् से जुड़ने से जीवन कैसे प्रकाशमय हो जाता है,

हे प्रभुपाद !ये सब आपकी असीम कृपा है जिससे आपके द्वारा सबका जीवन बदल जाता है।

Dear Srila Prabhupada,

I offer my respectful obeisances unto you, it is by Your mercy that I am still in devotees association and getting a chance to serve You and preach Your glories. It has been told:

By the mercy of the spiritual master one receives the benediction of Krishna. Without the grace of the spiritual master, one cannot make any advancement. Therefore, I should always remember and praise the spiritual master. At least three times a day I should offer my respectful obeisances unto the lotus feet of my spiritual master.

I am trying to understand the meaning of this verse every day because I know if I can understand this and implement then there nothing else is required ,please Srila Prabhupada give me Your mercy so that I can realize the true meaning of these line's.

I want to offer these prayers o my dear spiritual master everyday:

(1) Vaishnava Gosvami, please be merciful to me now. There is no one except you who can purify the fallen souls.

(2) Where does anyone find such a merciful personality by whose mere audience all sins go far away?

(3) After bathing in the waters of the sacred Ganges many times, one becomes purified, but just by the sight of you, the fallen souls are purified. This is your great power.

(4) The holy name delivers one who has committed an offense to Lord Hari, but if one commits an offense to you, there is no means of deliverance.

(5) Your heart is always the resting place of Lord Govinda, and Lord Govinda says, "The Vaishnavas are in My heart."

(6) I desire the dust of your holy feet in every birth I may take. Please consider Narottama yours, and be kind upon me.

And please fulfil my one desire never let me forget You at any moment even if I want to forget. Thank You for everything You have given me.

Literally trying to be Your servant, Raghav Charan Dasa.

om ajñāna-timirāndhasya jñānānjana-salākayā,

caḥsur unmīlitaṁ yena tasmai śrī-gurave namaḥ

I was born in the darkest ignorance, and my spiritual master opened my eyes with the torch of knowledge. I offer my respectful obeisances unto him.

I am most fortunate to have found shelter at the lotus feet of a bonafide spiritual master. Before obtaining shelter I am under pressure and very short tempered. By Your grace I understand so many things and able to share it with others despite my disqualifications.

By Your grace, Srila Prabhupada, thousands upon thousands of lowborn mleccas and yavanas have been transformed into Vaisnava devotees of the Supreme Personality of Godhead, Lord Sri Krsna.

By Your grace, Srila Prabhupada, so many persons once attached to grossly sinful activities such as meat-eating, intoxication, gambling and illicit sex life are now blissfully following the rules and regulations of vaidhi-bhakti under your expert guidance.

Thanks Prabhupada for accepting me and giving shelter on Your lotus feet.

On the auspicious occasion of Vyasa Puja I offer You my most humble obeisances. Thank you very much

A servant of Your servants,

Raghudvaha Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisance.

All glories to Srila Prabhupada. All glories to You on this auspicious day of Your Vyasapuja.

This is Your blessing on me that I am before You to write an offering on this auspicious day. My Dear Prabhupada, last year was really very challenging with good fight with material people and senses desires. It's You, Your teaching and your institutions have bonded me for the service of KRISHNA for which KRISHNA has given this human life. It is You only which is making me to do the service without any conflict otherwise who am I, to give satisfactions to the people around me, it is Your teaching which are making to understand the things surrounding to me.

Prabhupada, You who have engaged me in Your Prasad distribution program for making the people Krishna conscious and making them benefited by getting the Lord Krishna's mercy through Prasad. I am doing my best to distribute this Prasad to go to many people. Keep on blessing me in this service so that at all moment I remember YOU and KRISHNA only then it will be possible for me otherwise this path of doing the service with lot of challenges and allurements around will not let me to give my best.

Prabhupada, somewhere I am not following your instruction for the daily program due to circumstance around and at that moment my mind cheat me and force me to do things which suits the mind. Kindly bless me enough so that I can control my mind and follow the daily program without fail and memorize Your instruction with Your understanding because this will be strength for me to serve the mission of Chaitanya Mahaprabhu to spread the message of KRISHNA, THE SUPREME PERSONALITY OF GODHEAD.

Please forgive my offenses and begging to remain under the shelter of Your lotus feet and in Your divine movement in the association of Your sincere devotees.

Your humble servant,

Raghupati Dasa.

Raktak Gopal Dasa

Dear Prabhupāda,

We offer our humble obeisances to Your lotus feet.

You have so kindly come to these Western countries and delivered the message. You relieve us from suffering and death. As we grow older and surely approach our next death, as we see our bodies and minds dwindling, we must apply this yoga

more and more in our practical life, which You have given us to remain enlivened and active. Thank You. We are trying to preach, and there is a little result. We strive for more and more purification so that we can become more and more useful tools in service of Your Divine Grace. Thank you very much.

Let us also especially beg to thank You for the book Kṛṣṇa: The Supreme Personality of Godhead. It is never old. Whenever we give it a sincere reading, it always takes us to a different world. Thank You so much, Śrīla Prabhupāda. We aim to become more purified souls so that we can render effective service in Your saṅkīrtana movement life after life.

Our japa, as you have given it to us, is our life and soul.

The four regulative principles, as you inspire us to follow them, keep us above the ocean of pain.

Harer nāma eva kevalam.

Your servant,

Raktak Gopal Dasa.

Dear Srila Prabhupada,

All glories to You.

Most humbly and respectfully I beg to state that this is my 1st Vyasapuja offering unto Your lotus feet after my first initiation and I am really very thankful to You that You have chosen me Your disciple but I don't feel that I am eligible to become one.

Prabhupada, this year is really tougher for me in devotion than last year as You already know everything more than me so please show me the right path that can deliver me from Maya effect in my devotional life. In Narottama dāsa Ṭhākura's song, one line comes as 'divya jñāna hṛde prakāśito' so in that way please guide me as I think I am in just roaming in this material ocean and You only picked me from this and gifted me a great thing of association so request You to don't leave me alone.

Prabhupada, please forgive me for what I have done mistakes in devotional life and every time I am trying my best to not do any mistakes but I can't and You only saved me every time so please help to understand Krishna bhakti allow me to hold Your lotus feet.

Prabhupada, I have many dreams and desires for my devotional life but due to my mistakes I am unable to execute these things in full-fledged way so help me in this regards so that I can improve myself in order to spread these glories of Your divine mission.

Prabhupada, You have written many books by talking pain and sacrifice for us and myself most unfortunate person that am not able grab these things so this year I will try not to repeat this things and try to follow everything in full-fledged way and as I know this is not possible without Your mercy so please show me that way and I always want to be your servant life after life.

Prabhupada, last year I have been initiated by Your divine mercy so please guide always to spread Your mercy. Also by Your divine mercy I have got preaching service so please guide me so that I can connect people to Your temple in the same way I have been connected and changed my life with the help of Your disciples.

Finally I regret for my mistakes what I have done during my devotional service and if somehow or other if I fall into the false ego so kindly help me in breaking my ego.

Dear Srila Prabhupada,

"I offer my respectful obeisances unto my spiritual master, who has opened my eyes, which were blinded by the darkness of ignorance, with the torchlight of knowledge."

he guro jñāna-da-dina-bandho svānanda-dātā karuṇaika-sindho

vṛndāvanāsīna hitāvatāra prasīda rādhā-praṇāya-pracāra

"O spiritual master, O giver of divine wisdom, O friend of the fallen, you are the giver of your own bliss and you are the only ocean of mercy. Although dwelling in Vrindavana, you have descended for the welfare of fallen souls like myself and you are preaching the divine love of Radha for Krishna. Please be kind upon me."

One of the radio interview Prabhupada was telling

" I am the spiritual master of this institution, and all the members of the society, they are supposed to be my disciples. They follow the rules and regulations which I ask them to follow, and they are initiated by me spiritually."

So we should accept spiritual master who is infallible. Otherwise it is useless. He accepted guru Krishna because Krishna is infallible. If we accept guru, a bogus guru, then it is no benefit. Guru means Krishna's representative. Not that everyone can be guru."

Prabhupada, as soon as You came in my life, my life become a self-driving boat but actually which is driven by You. Otherwise it was not possible to drive my boat which was stuck in ocean of material world which is full of darkness. And by Your mercy I carry my journey in Krishna consciousness very smoothly. Last several years, I am giving full time service in HKM Jaipur. And in these years I experienced many things like ashram etiquette, devotee dealings, up and down in community living & so on.

Generally, I think about my past life which was very worst but because of You only I got a chance to serve Krishna which is very difficult to get a chance to serve Krishna. I got some higher responsibility, and I always try to give my best effort.

By Your causeless mercy, I able to do my service. Please make me humble with serving attitude so that I can move my self according to your teaching. Prabhupada, please bless me that I can able to remember Your lotus feet always.

I am very grateful to Your Divine Grace to protect me from maya and engaged this useless soul in the service of Krishna.

Your fallen servant,

Dear Srila Prabhupada,

I offer my respectful obeisance unto You on Your divine appearance day.

Srila Prabhupada, just like Krishna and his holy name is equal for everyone, You are also equal for each of Your follower. You keep an eye on Your every disciple and facilitate them to get advancement in their spiritual life. You know the importance of love of God, with so much intensity you try that somehow all the living entities should get in touch with Krishna. We are all being benefited with all Your hard work which You had done.

Prabhupada You know my situation that how much tough time I am going through nowadays. I can simply beg unto You for my betterment, for I literally have no strength to come back. Kindly save me from this tough time and place in to such a place where I can recover myself and get surcharged with bright spiritual consciousness. If You are hearing me then I beg that please give me such an atmosphere where I can practice Krishna consciousness sincerely. It's my desire that I should preach Krishna consciousness in a very convincing way and it will only happen when I read Your books thoroughly and understand the content and intent.

मेरे गुरु श्री प्रभुपाद के चरणों में शत शत नमन,

मैं ज्ञान के गहन अंधकार में उत्पन्न हुई और मेरे गुरु प्रभुपाद जी ने ज्ञान के दीप से मेरी आंखें खोल दी ऐसे गुरु को मैं नमस्कार करती हूँ.

प्रभुपादजी आप हमारे ऐसे गुरु हैं जिन्होंने हमें अपनी शिष्या बनाकर अविद्या जनिक गहन अंधकार में सड़ने से उबार लिया है और एक माला से लेकर 16 माला तक पहुंचाया है फिर हरी नाम दीक्षा दी है जो हमारे लिए बहुत ही सौभाग्य की बात है। आप मेरे परिवार के कृष्ण चेतना के एकमात्र कारण है किसी पर भी भगवान की कृपा गुरु के कारण होती है और वह मेरे जीवन में आपकी कृपा से हो पाया है। आपके दिए निर्देशों का प्रति पालन पूर्ण रूप से कर रही हूँ कुछ त्रुटियां हो जाती है जो आपकी कृपा से ठीक होंगी। प्रभुपाद कृपा बनाए रखना ताकि हमारा भविष्य में पतन ना हो सके.

गुरु देव आपकी छत्रछाया में तीन-चार वर्षों से भगवान श्री कृष्ण बलराम की भक्ति कैसे की जाती है जानने का प्रयास कर रही हूँ। आपकी कृपा से व आपकी संस्था द्वारा कृष्णभावना भक्ति में संस्था के सदस्यों के सत्संग से भगवान कृष्ण के प्रति लगाव बढ़ रहा है इस लगाव को बनाए रखना। अतः गुरुदेव आप से नम्र निवेदन है कि मुझ पर आपकी ऐसी कृपा निरंतर बनी रहे जिससे मेरे अंदर स्थापित अज्ञानता काम क्रोध लोभ मोह का विनाश हो सके जिससे मैं भगवान की शुद्ध भक्ति कर सकूँ जो आपकी कृपा के बिना असंभव है कृपया इस पत्र को हमारी विनती मानकर स्वीकार करें।

आपकी सेविका,

Saranga Chaitanya Dasa

परम पूज्य गुरुदेव श्रील प्रभुपाद,

आपके चरणों में मेरा कोटि-कोटि दंडवत प्रणाम। गुरुदेव जी आपके गुणगान मैं कैसे कर सकता हूँ मैं आपका एक अधर्मी दासनु दास हूँ। आपकी महिमा का गुणगान करने में मेरे अंदर इतना ज्ञान नहीं है कि आपकी महानता के बारे में बताऊँ। जब से आपने मुझे अपने शिष्य रूप में चुन लिया है तबसे मैं खुश व कृतज्ञ हूँ।

आपका कर्ज मैं कैसे चुका सकता हूँ। मेरा हृदय बहुत मलीन है और इतना ज्ञान भी नहीं है कि मेरा भला क्या है नहीं जानता। संसार का काम क्रोध लोभ में गिरा हूँ। मैं माया के पीछे भागता रहता हूँ, जैसे कोई व्यक्ति मरुभूमि में पानी की खोज में भटकता है अंततः संसार रूपी सागर में पड़ गया हूँ। जीने के लिए कठोर परीक्षण कर रहा हूँ, कि सुख कैसे मिले। जिंदगी तो प, फ, व, म की तरह हो गई है। काम ने मेरे को जकड़ रखा है। परिवार पालने में दिन रात एक कर रहा हूँ, फिर भी मेरे हृदय में आनंद नहीं है। मैं इतना अज्ञानी हूँ कि मैं नहीं जानता मनुष्य का जीवन क्यों मिला है, यहां पर मेरा असल काम क्या है और भगवान की सेवा बिना जीवन बीत रहा है। दिन में मिथ्या)व्यर्थ (कार्य और रात नींद में बीत रहा है। गर्दभ) गधा (की तरह रात दिन मेहनत करके पेट भरने में लगा हूँ, क्या खाना है और क्या नहीं खाना है और जीभ को स्वाद देने में लगा रहता हूँ। खाने में कुछ भी मिल जाए मेरे मन में उसके प्रति कोई विचार नहीं था, भगवान ने इतना कुछ साग फल सब्जी, अनाज दिया फिर भी मैंने किसी भी अनाथ जीव को भी नहीं छोड़ा।

गुरु जी आपकी कृपा से सब पाप से बच गया। नर्क का कोई ज्ञान नहीं था, संसार पालने में जो अन्याय किया हूँ उसका फल का भोग दूसरा कोई नहीं लेता है। तो फिर इतना पाप मैं क्यों लगा रहूँ। यह मनुष्य जीवन बार-बार नहीं मिलेगा जब से गुरु आपकी चरण में आत्मसमर्पण किया है तब से मेरा जीवन धन्य हो गया।

आप के चार निर्देश जुआ, मांसाहार, मादक द्रव्य सेवन नहीं करना, परस्त्री गमन कठोरता से पालन करता हूँ। और 16 माला जाप करता हूँ। गुरुजी मेरी जिंदगी तमोगुण से गुजर रही थी। जब से आपका आशीर्वाद मिला है, शिष्य के रूप में मेरी जिंदगी आनंदमय हो गई।

आपने मुझे नर्क जाने से रोका है। गोलोक वृंदावन जाने का रास्ता दिखाया है। जीवन में अन्य और कोई अभिलाषा नहीं है, भगवान की सेवा अतिरिक्त। प्रभु जी मेरे ऊपर आपका आशीर्वाद बनाए रखें, ताकि मैं आपके सारे निर्देशों का पालन कर सकूँ तथा मेरा जीवन भगवान की सेवा में बीत जाए। आपने इस अधम जीव के प्रति बहुत बड़ा उपकार किया है। आपके द्वारा लिखित किताबों में आपका उपदेश पालन से जन्म मृत्यु जरा व्याधि से मुक्त होकर एवं परमधाम में भगवान कृष्ण की सेवा अवसर प्राप्ति हो जाएगी। मैं आपका बहुत ही आभारी हूँ।

आपका दासनुदास,

सारंग चैतन्य दास.

हरे कृष्ण!

परम पूज्यनीय श्रील प्रभुपाद जी आपके चरण कमलो में मेरा कोटि-कोटि दंडवत प्रणाम!

मैं स्वयं को बहुत ही भाग्य-शाली समझता हूँ की मैं आपके द्वारा चलाए गए मूवमेंट के संपर्क में आया। उपरोक्त वाक्य के पीछे निहित मेरे मनोभाव को मैं अपने शब्दों में व्यक्त नहीं कर सकता बल्कि सिर्फ इतना कह सकता हूँ की ये वाक्य मेरे जीवन का सबसे महत्वपूर्ण वाक्य है क्योंकि आपका मेरे जीवन में आगमन मेरे लिये वरदान की तरह है।

हे प्रभुपाद!

आपके द्वारा चलाए गए मूवमेंट के सम्पर्क में आने से पहले मैं अपने जीवन के वास्तविक लक्ष्य को नहीं जानता था और जो मुझे मनुष्य जीवन मिला है - उसका कर्तव्य क्या है ये मुझ जैसे अज्ञानी को मालूम नहीं था। प्रभुपाद जब से आपने मुझ जैसे पतित को अपनी शरण प्रदान की है और अपने शिष्य के रूप में मुझे स्वीकार किया है तब से मेरा जीवन ही बदल गया है। मैं आपके द्वारा बताए चार नियमों का नियमित रूप से पालन करता हूँ और आपके द्वारा चलाए गए इस कृष्ण भावनामृत आंदोलन में, मैं सदैव अपना योगदान देने का प्रयास करता रहूंगा। हे प्रभुपाद, आपकी कृपा और आशीर्वाद से मैं कृष्ण भावनामृत संघ से जुड़ा रहूँ यह कृपा सदैव आप मुझ पर बनाये रखना मैं आपके सामने यह प्रण लेता हूँ की मैं कभी भी कृष्ण भावनामृत संघ को छोड़कर नहीं जाऊंगा। मुझे जप और तप को और एकाग्रता से करने की शक्ति प्रदान करें।

आपका दासानुदासानुदास,

शांत गोविंद दास.

Shanta Radha Devi Dasi

परम पूजनीय गुरुदेव श्रील प्रभुपाद जी,

सादर चरण वंदना।

आपकी यह दासी आपके प्रति अत्यंत आभारी है कि आपने इसे अपने चरण कमलों में स्थान दिया है और इस वर्ष दीक्षा प्राप्त करने का अवसर प्रदान किया हालांकि मैं अपने आपको इस योग्य नहीं मानती, लेकिन जयपुर मंदिर के भक्तों ने मुझे प्रोत्साहित किया और आप की प्रेरणा और आशीर्वाद से ही मैं दीक्षा प्राप्त कर सकी हूँ।

दीक्षा प्राप्त करने के बाद एक जिम्मेदारी का एहसास होने से भक्ति संबंधी आप के निर्देशों को और अधिक निष्ठा से पालन करने की कोशिश कर रही हूँ।

इस बार हमें भक्तों के सानिध्य में मायापुर और पुरी धाम जाने का अवसर मिला। आपकी प्रेरणा से भक्तों द्वारा विकसित मायापुर धाम में जाकर ऐसा लगता है कि यहीं पर रह जाएं। चारों ओर कृष्ण भक्ति की ऐसी बयार बहती है कि मन आपके और कृष्ण के अलावा कुछ नहीं सोचता। वहां दुनिया के सब देशों के भक्तों की श्रद्धा और सेवा भावना देखकर हमें भी आगे बढ़ने की प्रेरणा मिलती है।

जब हम मन्दिर में होते हैं, भक्तों के साथ होते हैं तो भक्ति का स्तर बहुत उपर रहता है लेकिन घर पर आते ही पारिवारिक जीवन की उलझनों में आपके भक्ति संबंधी नियमों में शिथिलता आने लगती है इसलिए आपसे यही प्रार्थना है कि हमें सदैव आपके भक्तों का सानिध्य प्रदान करते हुए भक्ति के मार्ग पर चलने की शक्ति प्रदान करने के कृपा करें।

आपकी दासानुदासी,

शान्त राधा देवी दासी.

Dear Srila Prabhupada,

I offer my respectful obeisances unto my eternal spiritual master who is very dear to Lord Kṛṣṇa on this earth, having taken shelter at His lotus feet.

Lord Kṛṣṇa tells us in the Bhagavad-gītā that this world is unlimitedly mutable. So also are the desires, distractions, and disturbances that try to pry my mind from fully committing myself to You. These allurements reinvent themselves year after year, but it is just old wine in new bottles.

But that wine can be so intoxicating. Like an apprentice warrior on the battlefield, I often look left or right and see colleagues, and some great generals, wounded—and sometimes dragged from the field by the enemies of pride, lust, anger, and greed.

In this age, spiritual awakening does not come easily. Therefore, You gave to all of us the International Society for Krishna Consciousness to “systematically propagate” spiritual knowledge. It is through this systematic association that we can be protected and gradually become lovers of God.

The saving grace has been Your kindness, which has manifested in Your instructions, in harināma, and in the loving care which Your society of Vaiṣṇavas has endlessly shown.

Whenever we feel lonely and forlorn, whenever we think that everything goes wrong, we turn to You.

Your voice, Your glance, Your very example in everything You do, encourage us to not give up, to hang on, to not let go of our desire to surrender to Lord Kṛṣṇa.

Whenever we feel that everything hurts, whenever we feel that we've had enough, whenever we feel like throwing our hands up in despair, we turn to You. You are our eternal well-wisher. You are the one who is filled with unalloyed compassion and who constantly desires our well-being.

Whenever we feel like we are losing our direction, whenever we feel tossed away by the waves of worldly longings, whenever we feel far away from our desired goal, we turn to You. Just by our hearing Your voice, the various distractions of the illusory energy of the Lord immediately begin to dissipate.

And whenever we might feel encouraged and inspired in our lives and practice of Kṛṣṇa consciousness and rewarded with some success, we also turn to You. We want to offer You whatever meager results we can. Your satisfaction is the perfection of our lives.

Śrīla Prabhupāda, the following verse from the Hari-bhakti-sudhodaya (13.2) perfectly describes how we feel about You: “O devotee of the Lord, the purpose of the visual sense is fulfilled simply by seeing You, and to touch Your body is the fulfillment of bodily touch. The tongue is meant for glorifying Your qualities because in this world a pure devotee of the Lord is very difficult to find.”

First of all, we can appreciate Your purity. You are preaching only out of concern for others. There is no ulterior motive. No attachment to profit, adoration, and distinction.

The difference clearly is love. You love Your guru, Śrīla Prabhupāda. You love Lord Caitanya. You love Lord Kṛṣṇa. And You love the forgetful souls who loiter in this material world. I still love the illusion of independence, despite that illusion’s repeated kicks upon me.

Śrīla Prabhupāda, please help me learn to love as You do. Without your mercy, I have no shelter.

Simply love for all, as Prahlāda maharaj in his prayers to Lord Nṛsimhadeva: *O best of the great personalities, I am not at all afraid of material existence, for wherever I stay I am fully absorbed in thoughts of Your glories and activities. My concern is only for the fools and rascals who are making elaborate plans for material happiness and maintaining their families, societies and countries. I am simply concerned with love for them.* [SB 7.9.43]

Then we can understand that what will please You and what You desire for us is that we chant Kṛṣṇa’s names purely and arrange for others to become absorbed in chanting Kṛṣṇa’s names purely. That is the goal of all the arrangements we are making in our Kṛṣṇa conscious society.

We may be opening up large temples, Akshaya Patra Mega Kitchens, arranging big festivals, etc., but we should not forget the purpose.

The designation You gave our society, “Hare Kṛṣṇa Movement,” is quite instructive in this regard.

Of course, chanting the holy name is the yuga-dharma and you are Lord Caitanya’s perfect representative, who is stressing this most important aspect of Kṛṣṇa consciousness.

Therefore I am praying at Your lotus feet to give me the strength and intelligence to come to the pure stage of chanting, to engage others (as your instrument) in making advancement toward this stage, and to have no ulterior motive in my preaching activities.

Shyamala Kishore Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to you on Your auspicious 123rd appearance on this planet. Your glorious appearance is to deliver and to continue to deliver the countless conditioned souls from the material existence and show them the path back to Godhead for the next 10,000 years as the Senapati-bhakta of the army of Sri Chaitanya Mahaprabhu. I am indebted to You, Srila Prabhupada, to be a part of Your glorious Hare Krishna Movement. First of all, I would like to thank You for all the courage and blessings You have showered upon me during all these years of my devotional service. You have been very kind and merciful towards me in every kind of aspect in life. Prabhupada kindly teach the art of how to make the best use of a bad bargain and let me understand the importance of this human life which is fit for the highest

development of true consciousness, and let me not neglect it. The best use of this rare human life should not be avoided. As it is stated in Śrīmad Bhagwatam— *labdhvā su-durlabham idam bahu-sambhavānte*

"This human form of life is obtained after very many births, and although it is not permanent it can offer the highest benefits. Therefore, a sober and intelligent man should immediately try to fulfill his mission to attain the highest profit in life before another death occurs. He should avoid sense gratification which is available in all circumstances." Let me not misuse it in the vain pursuit of material enjoyment.

SB 1.1.22: *We think that we have met Your Goodness by the will of providence, just so that we may accept you as captain of the ship for those who desire to cross the difficult ocean of Kali, which deteriorates all the good qualities of a human being.*

Srila Prabhupada I want to offer my prayer in Hindi. Kindly Allow Me

प्रभुपाद करो दया...

प्रभुपाद करो दया, लोइलो शरण। तुम्हारे चरण बिना, नहीं हो तरण!!

करें कैसे इस मन का, समन दमन! तुम्हारे बिना नहीं, हमारा भरण!!

होगा कैसे गुरुवाणी का, सर्वत्र प्रचार! आप ही हो हमारे, इस जीवन का आधार!!

आपकी कृपा से ये, हुआ जो उद्धार! करेंगे आपका वंदन, प्रभुपाद बारंबार!!

भौतिक जगत में प्रभुपाद, संघर्ष अपारा! बचा लो हमें भी प्रभुपाद, प्रार्थना हमारा!!

आप की चरण धूलि, सिर से लगाएं! कामना यही है कभी, कृष्णा ना भुलाएं!!

Jai Srila Prabhupada,

All glories to You! I offer my dandvat pranam unto Your lotus feet.

This is my 5 th Vyas Puja offering unto Your lotus feet. As you already know that first I came in touch with You by Your Akshaya Patra temple 5 years ago and after that by Your grace You have changed my life from material to spiritual and I am really thankful to get your association in the form of Your disciples.

This year is very tough for me in devotion as You already know everything. Moreover, I am able to follow Your instruction of 16 round chanting and so kindly bless me so that I will be able to maintain quality in my devotion as I am unable to do so far because of my both children.

Prabhupada, kindly bless both children so that they will become Your devotee and spread Krishna Consciousness and please bless my children always.

Prabhupada, I am really very thankful to You for giving me initiation as I think I am unqualified, fool for the same and I really want to do service unto Your divine feet so kindly bless me to do so.

Prabhupada, please forgive me for my mistakes and show me the devotional path so that I will always associate with you. Kindly don't leave my hand; without You I am nothing, so hold my hand life after life.

Your most fallen servant, Sudha Nidhi Devi Dasi.

Sudheera Sampad Dasa

Respected Prabhupada,

Please accept my humble obeisances.

Due to Your mercy, I am the part of this movement from almost a decade. While serving, I was always having only doubts, whether I would be able to continue my spiritual journey till the end of my life. Till now, whenever I had any doubts, by some way or other, You gave me directions, and assured my continuation of journey. Many times in my life, I reached the corners, but You managed to save my spiritual life.

I request You to kindly guide me, and instruct me, so that I can continue my journey, till the end of my life.

Your servant,

Sudheera Sampad Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisances unto Your lotus feet.

Whenever a great personality comes to somewhere, in the appropriate manner, suitable people praise his great qualities and glorify him. Whereas Srila Prabhupada, You are a pure transcendental personality, so it's the duty of all people to glorify a transcendental personality because the transcendental personalities enable people to get the mercy of the lord. On the most auspicious day of Your divine appearance day, as it's my duty to glorify You but being conditioned and affected by materialism, how can I suitably glorify You. Still it is an attempt to glorify You on Your divine appearance day.

In SB 7.9.28 Prahalad Maharaj says: “*so 'haṁkatham nu visrjetavabhṛtya-sevām*” Similarly I was drowning in materialism & in the path of fashion to a blind so called guru. Srila Prabhupada, You have opened my eyes, which were blinded by the darkness of ignorance, with the torchlight of knowledge. Your appearance has brought a real hope for all the materially affected souls like me. Therefore, my first duty is to serve You. How can I leave Your service?

Balarāma, or Saṅkarṣaṇa, is the source of Spiritual Power, or the original spiritual master. Therefore, Lord Nityānanda Prabhu, who is also the incarnation of Balarāma, is the original spiritual master. And the spiritual master is the representative of Balarāma, the form of the Supreme Personality of Godhead who supplies spiritual strength. Prahlāda Mahārāja is explaining to his demonic class friends. Five years old boy how he's explaining the Sankhya philosophy because he's a devotee and he has heard the whole philosophy from authorities, Nārada Muni, representative of Kṛṣṇa. *Mūkam karoti vācālaṁ paṅguṁ laṅghayate... Yatkṛpā tam ahaṁvande*, that by whose mercy these things are possible. Therefore, the spiritual master's mercy is described. Mūkam means dumb, one who cannot speak. He becomes a great lecturer or speaker. Although he is dumb but he can become a great lecturer and one who is lame, who cannot walk, he can cross over the mountains.

You write in one essay about the spiritual master is the mercy representative of the Lord: The necessities for ocean travel are a ship, a navigator, a rudder, and a favorable wind. One must clearly understand that this human body is the most suitable ship to take us across the ocean of nescience, the spiritual master is the best navigator, the scriptures are the rudder, and the Lord's mercy is the perfect wind. If we do not take advantage of this excellent arrangement and cross over the material ocean of nescience, then we are our own worst enemy. We must always fix our attention on the favorable wind of the Lord's mercy, which incarnates as the spiritual master. Therefore one must approach a spiritual master, take shelter of his lotus feet, and learn from him the science of devotional service. This is what the Upaniṣads enjoin—*tad-vijñānārtham sa gurum evābhigacchet*.

"Association assures us that we aren't alone in the spiritual journey; the fellow travellers' warmth and comfort make us always feel protected." Such association with Kṛṣṇa and the Spiritual Master should be association by vibration not just physical presence. Just like Bhagavad-gītā. It was spoken five thousand years ago. But if you keep to the words of Kṛṣṇa, then it is always fresh and guiding. Not that because Arjuna personally listened to Kṛṣṇa about the instruction of Bhagavad-gītā, therefore he knew it. That is not the fact. If you accept Bhagavad-gītā as it is, then you should know that Kṛṣṇa is present before you in His words in the Bhagavad-gītā. That is real association.

Srila Prabhupada, Please excuse me for all my offenses that I have committed in due course & Please bless me to render devotional service offenselessly in association of devotees.

Aspiring to become servant of your servant,

मैं कृष्ण कृपा मूर्ति अभयचरणारविन्द भक्तिवेदांत स्वामी श्रील प्रभुपाद के चरणों में सादर प्रणाम अर्पण करता हूँ। भगवान श्री कृष्ण के चरण कमलों का पूर्ण आश्रय लेने के कारण आप उन्हें अत्यंत प्रिय हैं।

गुरुदेव ! आप श्रील भक्तिसिद्धांत सरस्वती गोस्वामी के प्रिय सेवक हैं। आप कृपा करके श्री चैतन्य महाप्रभु के संदेश का प्रचार कर रहे हैं तथा निर्विशेष और शून्यवाद से व्याप्त पाश्चात्य जगत का उद्धार कर रहे हैं। आपके चरणों पर मेरा सादर प्रणाम है।

आपकी इस व्यास पूजा के शुभ अवसर पर एक छोटी सी भेंट आपके चरण कमलों में अर्पण करता हूँ।

मानव जीवन की शुरुआत तब होती जब कोई व्यक्ति सकारात्मक या पूर्ण सत्य के लिए प्रश्न करना प्रारंभ कर देता है लेकिन हमारे अंदर ऐसे प्रश्न करने के लिए बुद्धि कहाँ थी क्योंकि हमारा जन्म सभी मामलों में अशुभ था हम कलयुग के इस अंधकार में पैदा हुए थे हमें इस बात का ज्ञान नहीं था की आध्यात्मिकता क्या होती है ? हम कौन हैं ? भगवान कौन हैं ? हम कहाँ से आए हैं ? कहाँ पर जाना है ? इन सभी विषयों के बारे में हमें कभी नहीं बताया गया। हमारे आसपास का वातावरण और लोग सिर्फ भौतिक विचारों को प्राथमिकता देते थे। यहाँ तक कि स्कूल और कॉलेज में भी हमें यही सिखाया गया की जीवन यापन करने के लिए पढ़-लिख कर कैसे अच्छी नौकरी प्राप्त की जाए, कैसे धन कमाया जाए। बस फिर क्या था, हम भी पुरी दुनिया जिस तरफ दौड़ रही थी उसी भीड़ में दौड़ने लगे।

लेकिन भगवान श्री कृष्ण की कृपा से आप हमारे जीवन में आए और हमें शास्त्रों के प्रमाणिक ज्ञान को वैज्ञानिक विधि से बताकर एक नई दिशा प्रदान की। आपकी इस निस्वार्थ सेवा और विचारों की शुद्धता को देखकर हम आपके इस आंदोलन में सम्मिलित हो गए।

अब आपकी दया से हम वास्तव में कृष्ण चेतना के हमारे स्वाभाविक आनंदमय जीवन में धीरे धीरे वापस प्रवेश कर रहे हैं।

क्योंकि आप भगवान श्री चैतन्य महाप्रभु रूपी वृक्ष के फलों को पूरी दुनिया में वितरित कर रहे हैं आप सिखा रहे हैं कि कैसे उच्च विचारों के साथ सादा जीवन जिया जाए कैसे पूरे विश्व के लोग शांति और प्रेम से भगवान की सेवा करते हुए अपना जीवन यापन कर सकें, केवल पांच दशक पहले कृष्ण सभी के लिए व्यावहारिक रूप से अज्ञात थे। अब पूरा विश्व श्री कृष्ण की जयकारों से गूँज उठा है।

सचमुच, अगर किसी को चमत्कार देखना है, तो उसे केवल अपनी आँखें खोलने की आवश्यकता है।

यद्यपि हम आपकी वास्तविक स्थिति की पूरी तरह से सराहना करने में असमर्थ हैं, फिर भी हम किसी भी तरह यह महसूस करने में सक्षम हैं कि आप हमारे वास्तविक पिता हैं जिनसे हम अनंत काल से जुड़े हुए हैं। हम छोटे बच्चों की तरह हैं जो यह भी नहीं जानते कि अच्छा या बुरा क्या है, या क्या सही है या क्या गलत है।

निस्संदेह, आप पतित-पावन हैं, क्योंकि हम चाहे कितनी भी गलतियां कर लें फिर भी आप ज्ञान की मशाल लिए हमेशा खड़े हैं और हमारी इन आँखों को रोशनी प्रदान कर रहे हैं शायद हम एक दिन महसूस करें कि आप भगवान श्री कृष्ण की बाहरी अभिव्यक्ति है जो किसी को भी स्वीकार करने के लिए तैयार है।

हमारी इंद्रियां अपूर्ण इसलिये आपकी दिव्य स्थिति को शायद पूरी तरह से अभी भी नहीं समझ पा रहे हैं लेकिन मुझे विश्वास है जिस दिन हम समझेंगे उस दिन आपके दिए हुए ज्ञान का पूरा लाभ उठा सकेंगे और आपकी असीम दया के सागर में स्नान करेंगे।

यद्यपि हमारे अंदर ऐसी कोई योग्यता नहीं है कि हम इस हरे कृष्ण आंदोलन में कोई विशेष भूमिका निभा सकें लेकिन हम आपके हाथों की कठपुतली की तरह कार्य कर सकें और आपके निर्देशों का पालन कर सकें इतनी शक्ति आप हमें प्रदान जरूर करे और अब यह जानकर कि हमारा जीवन केवल आपकी सेवा करने के लिए है, हम प्रार्थना करते हैं कि आप हमेशा हमें अपने चरण कमलों में रहने की अनुमति दे।

आपका सेवक,

तमोहर दास.

Dear Bhaktivedanta Swami Prabhupada

My spiritual master, Please accept my humble obeisances unto Your Lotus feet.

I am Uttam Shloka Adhikari, from Ulhasnagar[mumbai]

I am happy to get diksha last year from You as my Guru Maharaj in Akshay Patra. Because of You I got my Radha and Keshava as my home deities.

So please bless me so that I may remain in Your service and Radha Keshav. Please keep Your mercy upon me. My Guru Maharaj Srila Prabhupada ki jaya.

Your servant,

Uttam Shloka Dasa Adhikari.

Vamshimohan Dasa

Dear Srila Prabhupada,

Hare Krishna.

Please accept my humble, respectful obeisance.

I thank You for Your divine blessings on me,

These are Your blessings which gives me strength and a clarity to remain close to You. My only prayer to You is to never stop Your blessings otherwise it's sure that I can't go ahead even a single step on this spiritual path. As my spiritual master You know everything. How I am following regulative principle. How I am doing my regular sadhana . How I am doing my services. How I am serious about chanting.

My request is that, bless me to become more strong and serious for these things. Spirituality means only to follow Your instructions else just wastage of time. Still I am following instructions of self-proclaimed guru who is nothing but my "mind" and I am regularly supporting my mind to make this important time useless.

This is only because I am not able to utilize the biggest weapon to make devotion easy ,that is chanting.

So I again and again beg You to bless sufficiently to overcome these instructions of this self-proclaimed instructor or this dirty mind and its clear for me that in this whole world there is no hope except You.

Alone my endeavor can't be successful, it's all always "zero" and this "zero" also can be made useful if only it is preceded by Your blessings as "one".

Aspiring to remain always in the association and service of Your sincere servants.

Trying to be Your servant,

Vamshimohan Dasa.

Dear Guru Srila Prabhupada,

I offer my respectful obeisances unto Your Divine Lotus Feet Srila Prabhupada, this day is very auspicious for all human beings because You came on this earth to show a path, how to come out from the ocean of nescience. You told us that human form of life can be successful only by practicing Krishna Consciousness.

Prabhupada I am most fallen soul and not so able to serve or glorify You, my spiritual master. You have given us transcendental and auspicious love for Krishna. You made us aware about the goal of life and gave us a path with simple instructions to achieve the ultimate goal.

It is only by Your mercy that now I am an initiated disciple of Yours. I got a new name which made me realize that I am a servant of Lord Krishna. Prabhupada I am very thankful to You because I am getting some service to purify myself and encourage myself to continue practicing the Krishna Consciousness.

Prabhupada! Please forgive me for offences knowingly or unknowingly committed unto Your divine lotus feet and please keep me under Your shelter and bless me with Your personal service.

Your Servant,

Vipin Purandar Dasa.

Vishnu Murti Dasa

Dear Srila Prabhupada,

Please accept my humble obeisances.

All glories to Srila Prabhupada.

Prabhupada, being the part of this movement, when I connect the dots of Your guidance in my life, I become thrilled. One thing which strikes me again and again, is having a thick, deep personal relationship with You. That develops a great sense of responsibility and utmost requirement in my spiritual growth; following Your instructions and pleasing You by my activities and consciousness, must become my life and soul Prabhupada.

Your own example, regarding this is great inspiration.

When You say, I was never alone, I was always with my spiritual master by Vani. One devotee, 5 years back told me that we have not yet begun our spiritual life if we do not have personal relation with Prabhupada.

This is a fact that without concrete relation with guru. Life is like kamal dal jal jivan talmal.

I hanker, and beg your mercy, kindly bestow me your blessing.

It's said when you desire Krishna and Guru both are ready to reciprocate,...

A recent trip, gave me this clue to read Your books to a sufficient number of hours which provided that base to develop that personal relationship with Your Divine Grace.

I am very hopeful and enthusiastic to develop a reading habit, a distraction free and meaningful svadhyaya of Your Bhaktivedanta purports.

Prabhupada, kindly consider my plea to improve in all Krishna Conscious activities, dealings, behaviors, sense-ful japa, sadhana, service, dealing with Vaishnavas and much more.

I really want to improve and become servant of Your lotus feet. Your constant guidelines is the proof, how much You are ocean of compassion and forgiveness. Prabhupada I want to improve in pleasing You, to make You proud, that here is my disciple.

Your fallen servant,

Vishnu Murti Dasa.

Vraja Vilasa Dasa

Dear Srila Prabhupada,

Today is Your 123rd Divine Appearance Day, Let me therefore bow down at Your lotus feet with all the humility at my command.

As soon as the Personality of Godhead appears, by either His transcendental name, form, attributes, pastimes, paraphernalia or variegatedness, the demons are at once vanquished. It is said that a ghost cannot remain as soon as the holy name of the Lord is chanted. The great saints and devotees of the Lord are in the list of His paraphernalia, and thus as soon as a saintly devotee is present, the ghostly sins are at once vanquished. That is the verdict of all Vedic literatures. Let me therefore associate only with You so that worldly demons and ghosts cannot exert their sinister influence.

The scriptural injunction is that one should humbly approach a spiritual master to understand the transcendental science. Also Narottama dāsa Ṭhākura advises everyone to stick to the principle of carrying out the orders of the spiritual master. One should not desire anything else. If the regulative principles ordered by the spiritual master are followed rigidly, the mind will gradually be trained to desire nothing but the service of Kṛṣṇa. Such training is the perfection of life. You kindly provided us this training. So, I offer all my respects unto Your lotus feet.

You sit perfectly pacified, intelligent and ready to answer any question without hesitation. Simply by my remembering You, my heart becomes instantly sanctified. And what to speak of seeing You, touching You, washing Your Holy Feet and offering You my humble services. I repeatedly offer my respects by bowing down before You. Your presence is gorgeous, and You are respected by all. You are not known as brahmaṛṣi, rājarṣi or devaṛṣi, neither You are an incarnation like Nārada, Vyāsa or Paraśurāma. And yet You excel them all in respects paid. This is because a devotee of the Lord is more honored in the world than the Lord Himself. May I never minimize Your importance. I offer all my respects unto Your lotus feet.

The importance of holy places of pilgrimage is due to the presence of great sages and saints. It is said that sinful persons go to the holy places and leave their sins there to accumulate. But the presence of the great saints disinfects the accumulated sins, and thus the holy places continue to remain sanctified by the grace of the devotees and saints present there. If such saints appear in the homes of worldly people, certainly the accumulated sins of such worldly enjoyers become neutralized. By Your presence the place has turned into pilgrimage, hence by every sanctioned activity executed throughout the day we make progress in Krishna Consciousness.

By your mercy, I, who is but unworthy person, become eligible to serve the Devotee. Kindly bless me.

Your most humble servant,

Vraja Vilasa Dasa.

So if You have brought me here to dance, then make me dance, make me dance, O Lord, make me dance as You like. I have no devotion, nor do I have any knowledge." ALL GLORIES TO SRILA PRABHUPADA

jāhāra prasāde bhāi, e bhava toriyā jāi, kṛṣṇa-prāpti hoy jāhā ha'te

O my Lord! Srila Prabhupada! To glorify You and to express my gratitude towards you in words is as impossible for me as to understand Sri Krishna completely. I am still an unfortunate soul as I am unaware of my good fortune; having an opportunity to serve you at my doorstep and still posing as if oblivious.

You have gifted Krishna, this world and gifted the world their Krishna. You left Radha Damodar Ji and Seva Kunj in the seva of Sri Chaitanya Mahaprabhu, very similar to the way in which Maryada Purushotamma Lord Sri Ram left Ayodhya for Dandakaranya; very similar to the way in which Sri Hanuman Ji left the association of Sri Ram in search of Mother Sita at Lanka; very similar to the way in which Shyamasundar Krishna left Vrindavan for Mathura.

In your childhood Lila, You were as exalted as Sri Prahlada and in Your youthhood lila, You were as sincere as Sri Arjuna. In your advanced age You preached like Narada Muni, wrote books like Srila Rupa and Srila Jiva Goswami, cooked Prasadam for Krishna like Srimati Radharani, cried ecstatically in glories of Lord like Srila Raghunath Das Goswami, chanted like Srila Haridas Thakur.

Srila Prabhupada, You are the complete manifestation of Lord and his mercy. I was in the darkest and deepest ignorance, trying to be happy by gross sense gratification and social respect. But mercifully You gave me Your books to read, ecstatic Kirtans to relish, spotless devotees to be friend and take instructions. Srila Prabhupada, I am forgetful, sinful and imprudent. Over and above that I am weak my Lord and I have heard You saying that weak should not be given freedom. Kindly take my freedom and force me to quit my material life as my sinful and stubborn mind will never loose hope for more and more independent punishment enjoyment. I can't ask Krishna for such benedictions as he may reject me because of my ill character but I am confident that You will accept me.

Kindly grant Krishna Pasadam, at least 16 rounds chanting a day, daily reading, hearing and devotee association to me. I Hope, someday I will get initiated by You and attain perfection of serving you 24 hours a day through my thoughts, words and actions.

Your aspiring menial servant,

Bhakta Aakash Nayan Srivastava.

Bhakta Abhinav

Dear Prabhupada,

Please accept my humble obeisance,

I am writing this to express my gratitude for Your blessings and support that You have been bestowing upon me for a long-time.

Few years back, I was in hopeless situation with degrading mental strength. However, association of Your devotees provided me the much needed serenity which ultimately gave me a beacon of hope for starting everything fresh.

Prabhupada, I can always feel that You are always with me in the form of an invisible force. Keep bestowing Your blessing upon the soul of this fallen servant.

Your Servant,

Bhakta Abhinav.

Bhakta Abhinav

My Beloved Spiritual Master Srila Prabhupada,

On this auspicious day of Your appearance, let me pay my heartfelt gratitude to the dust of Your Lotus Feet, which has protected me so far in the course of devotional services.

The glories of the dust of Your Lotus feet are such that even millions of Vyasdeva couldn't describe it in millions of Bhagavatam.

Prabhupada, my position is that I am completely unworthy, and most fallen, therefore by showing me Your mercy, Your mercy is most successful. You are Patita-Pavana, the Savior of the fallen souls, and who is more fallen than me? I have no good qualities; born with low birth, without good intelligence, without beauty, or wealth, I am a fallen soul, desiring only Your causeless mercy to be bestowed upon me. Although I have no qualifications whatsoever, today I come before You with a humble prayer in my heart.

Prabhupada, I am very thankful to You for introducing me with such an effective movement at a very small age this is also good fortune for me. I have realized how I changed myself after getting the association of the devotees. At the movement and in the temple, I have maintained a distance from all the misconceptions of the material world. Now I am chanting sixteen rounds daily and honoring the delicious prasadam at the temple. taking Your lectures on a daily basis. But I am not

able to do a nice book reading and not able to come to Mangla arati. Please give Your mercy so that I can do book reading and come to Mangla arati on a daily basis.

Thank You, Prabhupada You have changed my whole life by coming into my life and giving principles of life, as I am in school, I see many different students attracted towards other gender and after that they have match ups, and breakups but You saved my life from these material affairs.

Thank You, Prabhupada, You taught what is the real goal of life, You gave us the real happiness, as I see other colleagues, they are frustrated as they are in material affairs and when I preach them about Krishna, that time they are influenced and after that Maya covers them. When they get the opposite gender, so they forget about everything, what is a sin, what are the principles and everything?

Prabhupada, I beg You that, please give me the power to preach to my colleagues and make them Krishna conscious.

So many friends and family people have come and gone, but You Srila Prabhupada, have remained in my life as the one constant I could always turn to. You are the Acharya who suffers for others suffering. Many people came into my life, but You came with Your divine instructions and these instructions touched my heart very effectively.

Your most fallen aspiring-to-be-disciple,

Dear Srila Prabhupada,

Please accept my humble obeisance at Your lotus feet. I wish to express my sincere gratitude to you for preaching the glories of hearing and chanting as stated by Lord himself and his servants. You appeared on this planet as a humble servant of God and rejuvenated the dead civilization by teaching the sublime method of devotion. You are the foremost preacher who made the most confidential knowledge of Vedas coming from disciplic succession, available in English for the common. You have stressed that pleasing Lord is the ultimate aim of life. I feel that I am not free to act independently. Bewildered by illusory energy, I sometimes feel myself to be liberated and at other times I feel bound.

I sometimes act under the guidance of illusory energy and sometimes I act righteously. It is only through Your agency can I know the activities which are right and please the Supreme. Because devotion is beyond matter, all scriptures sing glories of spiritual master and suggest pleasing him as the way to please Supreme instead of directly trying approaching God. Without his mercy, no one can approach devotion although he may become a respected philanthropist, speculator or a good worker. The so called mystics, who consider themselves liberated, again come to this miserable existence and take to social welfare when they fail to realize the supreme. Since You have realized the supreme You can only make others realize his existence.

In Your absence, Your books are the only way to approach You. I am trying to study Your books and follow the principles set by You as far as I can. The journey to perfection is long and full of hurdles set out by the material energy. But by Your grace, it becomes surmountable. Please bless me so that I can understand Your books in the right spirit as explained by Lord himself and realize the truth without any trace of illusion.

Your humble servant,

Bhakta Abhinav Agarwal.

Dear Srila Prabhupada,

I bow down my head unto Your lotus feet which are the only abode of unconditional and limitless mercy for a fallen soul like me.

I have been trying to follow in Your footsteps now for quite a time. But i have failed miserably due to my sinful tendencies and weak resolve.

My only wish from You is to empower me in becoming a worthy instrument in Your hands and advance in the path of devotional service.

Dear Srila Prabhupada,

Please Accept my humble obeisances. You are the guiding beacon for the people who are implicated in the ocean of material suffering . You preached the teachings of Lord Chaitanya to the western world. When Everybody was following the western world You were teaching the confidential knowledge of self realization to the westerners. You bestowed Your mercy to all over the humanity irrespective of caste, creed, religion and race. You spread the glories of Holy name all over the world and make the access to Krishna Prema very easy for everyone. Previous Acharyas like Bhakti siddhant Saraswati Thakur, Bhakti Vinod Thakur, Gaur kishore Das Baba ji Maharaj and all Goswamis of Vrindavan spent their whole life in writing about the teachings of Lord Chaitanya.

You established their legacy and spread their teaching through Your books and Lectures. You Propagated their teaching in a pure form without any adulteration in modern English language, so that every person can understand this knowledge about the bhakti of Radha and Krishna in a very practical manner. Prabhupada Your contribution is indispensable to this world in establishing real Yuga dharma and save this world from impersonalism and other pseudo philosophy regarding Supreme God. You are the savior for all fallen soul. Prabhupada I am so fallen that I have no interest and faith in reading and chanting please bestow Your mercy over me so that I can understand Your teachings and take interest in Chanting the Holy name so that I can make my life successful.

Your Servant, Bhakta Aditya.

Dear Srila Prabhupada,

On this wonderful day, please let me offer You my humble obeisance's.

You appeared in the most terrible age, Kali-yuga, in a civilization that is destroying itself. It is impossible to count all Your achievements and transcendental characteristics. Thank You for changing my life. Thank You very much for giving me and many thousands of other devotees the chance to take part in Lord Caitanya's mission!

Your Servant, Bhakta Aditya.

Dear Guru Maharaj,

Please accept my humble obeisances, All glories to You on this auspicious day of Your appearance. All glories to Your Divine Grace.

Prabhupada, I find it difficult to find words to accommodate all my thoughts about how grateful I am to You for Your blessings. It would not be enough to say that You have ocean of mercy because even oceans are limited but Your mercy and grace isn't. Time after time I've felt Your Grace on me, felt that things always fall in place. I would be lying if I say it was a mere co-incidence because I know it wasn't. It was always You, looking out for an incompetent person like me.

I just can't fathom my words into constellation to describe how merciful You are that You still bless me with Your kind grace. It is true that I follow Krishna Consciousness, but it is also true that I follow it perfunctorily. Regardless of that You, somehow, always make sure that I stay in touch with devotees. I feel bad because I lack the enthusiasm to follow Your movement wholeheartedly. I am grateful to You Prabhupada for all that you've given me. I can never thank You enough for giving me a friend like Saurya prabhu, who is always there to guide me and remind me of this wonderful process that You've introduced us to. I promise I'll always try to follow Krishna Consciousness.

Your humble servant,

Bhakta Aditya.

Bhakta Ajay

All glories to Srila Prabhupada,

Srila Prabhupada please accept my humble obeisance at Your lotus feet. The way You preached the message of Sri Chaitanya Mahaprabhu on the order of Your spiritual master is beyond the understanding of my tiny brain. You took so much hardship while spreading this spiritual knowledge to western countries. You taught us everything by setting the personal example and that is what a true Acharya means. You are always fully dependent on Lord Krishna and this You showed by every act of Yours. You made devotees where people even did not heard of Lord Krishna and were fully engaged in all sorts of sinful activities. You are the real savior of the whole world. Only by your grace people are becoming Krishna conscious throughout the whole world.

It is only by Your grace that I am able to do some devotional service and follow the principles. Srila Prabhupada please give me more strength so that I can strongly follow all the regulative principles and chant the holy name of lord with attention and faith. I am facing so many problems due to my past bad association, which have led to so many bad habits. Srila Prabhupada please be merciful so that I can come out of all these bad habits and always be in good association so that I can execute Krishna Consciousness more seriously and sincerely and clean my heart of all the dust accumulated. Please award one more favor that I must always be conscious of not to offend any devotee even in my mind.

Your most fallen servant,

Bhakta Ajay.

Dear Srila Prabhupada,

Please, accept my humble Obeisances at Your Lotus Feet. You are True Saint, who completely devoted himself in Serving Lord Sri Krishna and Chaitanya Mahaprabhu as per order of His Divine Grace Srila Bhaktisidhdhanta Saraswati Goswami Maharaj.

I came in Your Touch with the help of devotees and learned about Scriptures through Your Books. I Learned Chanting, Rules and Regulations for growth of Spiritual Life.

Although daily life is challenging but, somehow by Your Mercy and Blessings of Devotees I'm able to follow Your teachings and wish to follow Life after life. So, I beg You to Shower more mercy on me. So that I can save my consciousness from material contamination. Please, also help me in Progressing in the Service of Lord Sri Sri Krishna-Balrama and Shrimati Radharani.

Thank You Srila Prabhupada,

Your fallen servant,

Hare Krishna,

Dear Srila Prabhupada and our Dear Lordship, I bow down to Your Lotus feet, first of all I personally feel that it is arduous for me to glorify You, as I do not consider myself qualified to write on a great devotee like You. You came here as our Savior, You are our merciful spiritual master. I am highly obliged to You.

Those who are drowning get help of a twig. Same thing had happened with me, You came here in this material world as our Savior. I'm not that much lucky to get Your association in personal form. But Your Bhagvad-gita which is not different from Krishna, enlighten our darkened heart with the transcendental love and knowledge. You are still alive in Your books as Your words, whenever we read Your books that can be easily palpable.

Prabhupada this material world is full of contaminations and Your teaching are the parky and holy like water of Ganges, that helps to quench the thirst of spirituality. You make us understand that God is not impersonal, He is personal which is Krishna and come in this material world with his all opulence. You helped me to understand that who am I i.e. "part and parcel of God, soul not the body".....

You taught us that lord Krishna and his name are not different. So we should chant "Hare Krishna Hare Krishna Krishna Krishna Hare Hare Hare Ram Hare Ram Ram Ram Hare Hare" daily at least sixteen rounds, and You promised us to take us back to Godhead.

Prabhupada you came in my life to enlighten my darkened path, and You fill my heart with the love of Krishna. You teach us that material knowledge, karma kanda and austerity all are meaningless without the love of Krishna. You gave us the meaning of deity worship, serving the vaishnavas, the prasadam, kirtana, dance and association of Your disciple vaishnavas. My life was in ignorance and in the concepts of void, sunyavaadi, nirakaravadi.

You introduce Krishna to us that is "sacidananda vigraha anadir aadir Govinda sarva karan karnam". You ordered and requested us to follow the four regulative principles and doing chanting nicely, as the concern of father, spiritual father I am thankful to You, love You so much.

I am hereby requesting You to please help us to do good in life in the service of Krishna's devotee, to serve vaishnavas. We are conditioned soul, and we are in the cycle of birth and death. Some time I am unable to understand You and Your teachings and it is also hard to follow that after understanding all because of previous past bad karmas so please have mercy upon me. Please take us to supreme abode, back to Godhead. Please don't leave my hand in this burning world, be merciful unto me and give me the shade of Your Lotus feet.

Thank You

Trying to be Your disciple, Bhakta Ajay Yadav.

Bhakta Akhil Agrawal

All glories to Srila Prabhupada ,

It is my great fortune that I was introduced to Srila Prabhupada and his teachings. Having our ancestral place as Vrindavan, we were always inclined towards Krishna and in our home he was always our part of life. However, after returning back from Canada, I stayed at my sister's house for some time, where I was introduced to the true Krishna consciousness and teaching of Srila Prabhupada.

To bestow His great mercy on us, Srila Prabhupada worked tirelessly in writing books that have answer to any physical and materialistic problems in this world. We always feel near to Srila Prabhupada when reading his books. Even though there are times when problems comes from all the directions, we feel deflected from our path, these books give us strength, conviction and determination to keep moving on the same path with whole faith.

Srila Prabhupada's mercy of telling us the magic of chanting of holy name is undoubtedly the matchless gift to this whole world. Just by chanting the holy name "Hare Krishna Hare Krishna Krishna Krishna Hare Hare, Hare Rama Hare Rama Rama Rama Hare Hare", all spiritual benefits come in our way and we are accelerated in our journey to "Back to Godhead".

I owe everything to my Spiritual Master and pray that His mercy remains always with me in this materialistic world and lead me towards the true aim of mankind.

Hare Krishna!!

Your forever servant,

Bhakta Dr. Akhil Agrawal.

DEAR SRILA PRABHUPADA...

Please accept my humble obeisance unto Your lotus feet. I had left You but You bestowed Your mercy and took me back on this Krishna Consciousness journey .still I'm not understanding it as Your mercy which You've bestowed on this wicked soul. I'm sorry about this. I request You to help this soul to recognize Your divine grace. I'm in such a situation I can't even glorify You with full belief in You and in this sublime process. Dear Srila Prabhupada,

Please accept my obeisance at Your lotus feet. All glories to Your lotus feet on this auspicious day of Your appearance.

Recently I asked to a devotee that how can I (disciple) feel Your presence always. Then the devotee started to explain in different ways in which one can feel your presence, I began to realize that there are many many ways to do so.

“Next the devotee explained that presence of spiritual master in his picture as well as in form, In form as well as in teachings. To carry out the teachings of Guru is more important than to worship the form, but none of them should be neglected. Form is called vapu and teachings is called vani. Both should be worshiped. Vani is more important than vapu.” Therefore, You are present in your instructions. Your first and foremost instruction is to chant a minimum sixteen rounds of Hare Krishna mahamantra everyday. It is Your mercy that I'm able to chant sixteen rounds minimum per day. In this way through following this particular instruction, we are connected with you as well as with Radha Krishna everyday. and this is one of the most important change that came in my life by connecting with your movement and I need more mercy for following Your other order's. Whatever change come in my life it's because of Your mercy, right now i am able to perform some activity in Krishna consciousness by Your mercy. And I desire to do more service in Your movement to please You.

Your Fallen Servant,

Bhakta Akshaya.

Dear Prabhupada,

All glories to You.

My name is Amit sharma .I came to know about Your contributions to the society . You established many temples all over the world, wrote many books which are helpful to grow spiritually . I was very impressed to know that how a 70 years old devotee started his journey throughout the world.

I read some of Your books .I am very thankful to You that through Your books I cleared many doubts.I learnt how to chant how to live in discipline, how to control myself and many more things which I don't know before .

Recently I am trying to grow up spiritually everyday. But it is very difficult without strength, faith and knowledge. I need all these so that I grow up spiritually .I have an immense desire to uplift my self spiritually so that I can concentrate on the lotus feet of Lord Krishna. Thank You.

Your servant, Bhakta Amit.

Dear Srila Prabhupada,

Please accept my humble obeisances unto You. By Your mercy only I am able to understand that what is the highest goal of my life i.e. to serve Krsna which is our prime constitutional duty and by which only we can be happy. Krishna becomes satisfied only if his pure devotees are satisfied. And to serve Krsna, we have to serve a pure devotee like You i.e. to serve Your instructions of which, to chant 16 rounds daily, follow four regulative principles and distribute Your books to others are prime. I am such a fallen soul that I am unable to follow Your instructions on regular basis. But, Srila Prabhupada I am very thankful to You that by Your mercy only now I, such an insignificant soul, am able to follow Your instructions upto some extent for the last 6 months. And I am dependent on Your mercy only to serve You further through Your instructions in future also.

I am unqualified and insincere to serve You, I am most fallen but , my dear Srila Prabhupada, still I want to serve You. This is the ultimate goal of my life. I am waiting for the day when I will serve You out of love and sincerely. Now I am serving You for the sake only as I have no any other option because by Your mercy only, I become disgusted with this material life. Therefore, now I came to my senses that service to You is the only hope for me by which I may feel transcendental bliss and become happy some day.

I am seeking for Your mercy only, my dear spiritual master, that I may be engaged in the service of Your lotus feet not in this life but in every life either in human life or in animal life, either in heaven or in hell, wherever I am. My only request to You is that please keep me engaged in the service of Your lotus feet. This is my humble request to You.

Thank You very much.

Your insignificant and most fallen servant,

Respected Gurudev Srila Prabhupada,

Dear Srila Prabhupada,

Please accept my humble obeisance at Your lotus feet. All glories to You on this auspicious day of Your appearance. My dear Srila Prabhupada I came in touch with Your movement through Your devotees around 2 years back, and since then I am continuously observing so many positive transformations in my life one after another . I feel so blessed and fortunate that I came in touch with Your movement. My dear Srila Prabhupada, although You are a transcendental personality, beyond the clutches of 3 modes of material nature and completely self-satisfied, still You appear in this world out of Your causeless mercy just to deliver conditioned souls suffering in the blazing fire of material existence . In Bhagvad-gita Lord Krishna says that whoever engages in preaching Krishna consciousness, he is most dear to lord Krishna eternally. My dear Srila

Prabhupada You established 108 temples of Lord Krishna all over the world, established BBT , initiated hundreds and thousands of devotees across the whole world ,inaugurated the Rathayatra Festival of Lord Jaganatha in major cities around the globe,provided millions of free meals (Krishna prasadam) to the public,spoke daily on the philosophy of Krishna consciousness delivering thousands of formal lectures ,published the monthly magazine, Back to Godhead,wrote approximately seventy books on the science of Krishna consciousness, and that too just in a short span of 10 years. Who has ever done a such a miracle. My dear Srila Prabhupada You are undoubtedly most dear to Lord Krishna and You are certainly his most confidential associate.

My dear Srila Prabhupada I beg for Your blessings, and I humbly pray at Your lotus feet to keep me engaged in Your loving transcendental service, eternally.

Your unqualified servant,

Bhakta Anant Singhal.

Bhakta Anjaneya Shekawat

Dear Srila Prabhupada,

Please accept my humble obeisances at the dust of Your lotus feet. All glories to You the Saviour of whole world , the messenger of God .

Fifty years ago , in tiny storefront on New York City's Lower East Side, You officially established the International Society for Krishna Consciousness (ISKCON). Outside of Yourself, no one could understand Your intention, or Your vision.

Even the name You chose was puzzling. At that time Your little group was far from "International." You had arrived from India less than a year before, but the others were all Americans. Nor was it much of a "Society." It was just a handful of youths, mostly dropouts from the mainstream, who occasionally spent time with you and were slowly, becoming committed to following Your teachings.

"Krishna" was definitely there—You made sure of that. You did not teach about a faceless, nameless Supreme. Yours would not be the International Society for God Consciousness. No. You impressed upon Your followers, your "Society," that God is a person. His name is Krishna and chanting His name is the best path forward in this dark age.

Your community was destined to become "Conscious" because of Your presence. Many in Your youthful clan were seeking consciousness-altering or consciousness-awakening before meeting You. But You started them on the path of being conscious of the basics of human life: You are not this body, life is meant to overcome suffering, and You are not the master.

Beyond those simple concepts of spiritual knowledge, Your young followers couldn't begin to comprehend Your expansive vision: That ISKCON would become a vibrant international society, one that would reach far beyond the boundaries of New York and—like the Bhagavatam itself—become a "transcendental creation meant to bring about a revolution in the misguided lives of an impious civilization."

But You saw the future.

Please bless me on this most wonderful day that I become a worthy disciple of the most worthy spiritual master . Please bless us with devotion, knowledge and realization.

I place myself under your lotus feet and beg for these mercies

Servant of Your servants,

Bhakta Anjaneya Shekawat.

Dear Srila Prabhupāda,

I am the most fallen (of whoever have even seen you once, what to say about devotees) to write this for You, but I am sure You will read this.

You have given me opportunity to stay at your birth city Kolkata, showering Your mercy You have given me opportunity so that I can serve the devotees who are coming to Kolkata for Yatra.

Dear Prabhupada I don't know why You considered me for giving shelter in your lotus feet, I am so fallen, but I feel so different after getting the Ashraya from You.

I always remember Your pastimes and teachings, Prabhupada I am following 4 regulatory principles, Pls give me strength to improve quality of following them for my life time and chant 16 rounds always.

Oh Prabhupada You have given so much to this world, Pls give some power so that I can understand Your teachings & can grow in spiritual life.

I pray I can always think of You, I wish to be Your servant & soldier life after life and even at time of death I should not be scared and remember You and lord's holy name.

Prabhupada Please give me Shelter unto Your lotus feet.

From the Most Most fallen,

Bhakta Anjani Kumar.

Bhakta Ankit

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to Your Divine Grace.

Krishna says in the Bhagavad Gita 4.34 "Just try to learn the truth by approaching a spiritual master. Inquire from him submissively and render service unto him. The self-realized souls can impart knowledge unto you because they have seen the truth".

I was in delusion that material comforts will make me more happy, but you proved that by associating with Krishna and his devotees only one will become really happy. You gave us the topmost knowledge of devotional service and revealed all the secrets to attain Krishna through your books. Out of your causeless unlimited compassion for the conditioned souls, you made the teachings of the Bhagava-gita so clear that any person can grasp them.

Srila Prabhupada, I would like to thank you from the bottom of my heart for accepting a fallen soul like me and giving me the shelter of your lotus feet. My prayers at your lotus feet are to always keep me on the spiritual platform each and every moment. Please bless me so that I can chant 16 rounds everyday throughout my life, and follow all the principles which you have laid down.

Please bless me with a drop of enthusiasm, determination and patience to progress nicely in Krishna Consciousness, and please bless me with detachment from this material world and attachment to Krishna Consciousness.

Trying to be Your servant,

Bhakta Ankit.

Hare Krishna,

I am very happy and luckiest person, who got connected with Lord Krishna's devotional service. Along with Srila Prabhupada who gave me shelter at their Lotus feet.

I was very nervous, depressed and afraid from last year, due to my family problems. But one day I came in contact with devotee of Lord Krishna who change my thoughts and I got too much inspired from him.

Now, I am doing chanting Hare Krishna Naam Japa and practicing to follow the instruction strictly. By doing Chanting, my life got changed and through Lord Krishna's devotion is only the correct way to live the life.

Please Chant

Hare Krishna Hare Krishna Krishna Krishna Hare Hare Hare Ram Hare Ram Ram Ram Hare Hare
and be happy.

Bhakta Anugrah Pachori

Dear Srila Prabhupada,

Since I'm young and foolish, I don't completely understand what You have given me. You have sacrificed so much for the benefit of humanity that no ordinary person can do that. It is rightly said that You are a special commander from the army of Chaitanya Mahaprabhu's Hare Krishna Movement. In Mayapur, I can see Your greatest vision materializing. The Mayapur Chandrodaya Temple. They say 50 million devotees will visit this place every year once it is completed. Imagine all those people doing kirtan, taking prasadam and reading your books. You are fulfiller of Nitayi's dream when He said, "There will be a temple here, likes of which have never been constructed in the history."

Your books tell me the importance of Krishna Consciousness in one's life and chanting has made me realize it. You have given me the importance of four regulative principles and how it can help one in advancement in services to the Lord, which is our real duty. I first joined Your movement by reading your B.g. As It Is, which I stole it from my previous office library. And I gave many books in return of that stolen B.g. I don't think anybody noticed. How unfortunate. After reading your B.G, I started developing attachment to Krishna, little by little and now after almost an year, I cannot think of any day where Krishna was not remembered all day.

I was a drug addict and Krishna Consciousness helped me out of it. There's is no way I can thank you for that. Not only drugs, I stopped eating meet and gambling and sex outside marriage. Krishna Consciousness gave me a purpose in life and I cannot ever thank you for that. I cannot ever thank you for bringing me in the mode of Goodness from Ignorance. Feels to me that there is a meaning to Life which I had lost track of earlier. Oh and that was a terrible condition to be in. Thank You Srila Prabhupada for your causeless mercy.

I have been desiring to serve Krishna and after going through many books, I found myself as a person who desires to give Dhan Seva to Krishna by progressing your movement. The development of temples throughout the globe will give millions and millions of people a chance to experience the higher taste of Krishna Consciousness. So it is my desire to serve You in your dream project and many other projects around the globe. It is my desire that You bless me so that Dhan service could be offered at your lotus feet, so that more and more people can join this movement.

Oh and Srila Prabhupada, I forgot to tell You about a very special person in my life. Her name is Arushi. We met after my prayers to control my lusty desires. She helped me so much, from having me wake up early in the morning, to not look at other women with lust, and so much more. Because of her, my services to Krishna improved multi fold. She has a spiritual touch in her personality which is why we enjoy talking about Krishna. So in this humble prayer, I also seek blessings from you on our behalf (From Krishna You may receive the news about our spiritual marriage, please bless us to materialize our marriage). Srila Prabhupada, please bless us to serve You and Krishna. Give us Your blessings so that we can practice Krishna Consciousness throughout our life and whatever we do, we do it for Krishna! Bless us with happiness that we desire! Oh and you must be wondering what happened to that B.g. I stole? It was my first gift to her.

Hare Krishna!

Your most sinful servant,

Bhakta Anugrah Pachori.

Bhakta Anuj Sharma

Dear Srila Prabhupada,

I offer my most humble obeisances from depth of my heart unto Your lotus feet. I am not that much qualified that I can sing Your glories. But still I am trying to express humble gratitude towards You.

On seeing, I felt what type of life I'm living in Past and Now, I can't even imagine how horrible can life be if You are not there. And shower Your causeless mercy on this fallen creatureNow,I can't imagine life without Krishna that is most valuable mercy You showered on me. You are the most compassionate spiritual master....even on seeing our abominable acts of getting infected by material consciousness again and again you showered causeless mercy. You are the only hope for me who can give Krishna Prema.

I bow down again and again at your lotus feet.

I appeal for forgiveness, for these words and sentences that I used ...

Your Servant,

Bhakta Anuj Sharma.

In a world full of fake science, You taught us the real science - The science of self realization. In a world full of fake lovers, You told us about the reservoir of love - The real lover. In a world full of false pleasures, You told us about the reservoir of real pleasure. In a world full of plastic beauty, You showed us the real beauty. In a world full of false fame, You told us about the possessor of full fame. In a world full of erroneous knowledge, You gave us faultless knowledge. In a world full of sufferings, You rendered the real unvarnished enjoyment. DEAR SRILA PRABHUPADA

Thank You! for transforming my life. Thank You! for being the captain of my ship. Thank You! for presenting us the matchless gift. Thank You! for leading the way back home, "Back to Godhead".

Your eternal servant,

Bhakta Anurag meena.

Bhakta Apoorv

Dear Srila Prabhupada,

Please accept my humble obeisances at Your divine lotus feet.

All glories to Srila Prabhupada. All glories to You on this auspicious day of Your Vyas Puja.

If it comes to glorify You, there would be endless words. You have done the best which could have been done to mankind. You converted the Hippies not only to humans but to qualified Vaishnavas. It was only possible by Your mercy that several Jagai and Madhai were delivered. I was even worse than Jagai and Madhai, yet You bestowed Your causeless mercy on me and brought me in the association of Vaishnavas where I could understand what is the importance of Human Life and learnt to live like a human being. I was deeply in ignorance and lived with a consciousness worse than demons but it was the power of HARINAAM and PRASADAM that I could really somewhat understand the teachings of Bhagvad-gita. Thank You Srila Prabhupada for giving us the Holy Name which alone has the power to deliver all the people of this world. Thank You Srila Prabhupada for giving us the Krishna Prasadam through which everyone can associate with Krishna himself.

You made me realize that this world is Dukhalayam Asasvatam and it is full of misery. Every relationship that we make in this material world cannot give us long lasting happiness and You cannot satisfy even one person which You are related to. You made me realize that Krishna is our real father and showed us a way so that we can go back to him easily even living in this world full of ignorance. I pray at Your lotus feet to always keep me in the association of Vaishnavas and chant the holy names sincerely. I am very fallen and not enough capable to be Your disciple but I request You to never leave me and help me in difficult circumstances. It is only by Your mercy that one can follow Krishna Consciousness.

Begging to remain under the shelter of Your lotus feet at all times.

Aspiring to be Your humble servant.

Bhakta Apoorv.

Dear Srila Prabhupada

First of all, I want to pay my greetings to Shri Bhaktivedanta Swami Prabhupada, on this Vyasa Puja I want to thank his divine grace for being the cause of initiation of Hare Krishna Movement and it is due to him that we fools are doing chanting and hoping for Krishna's mercy. In kaliyuga, chanting Hare Krishna Mantra is the only and perfect way for granting Krishna Consciousness. Thank you Prabhupada for being a perfect idol and please show your mercy on us and may we follow your footpaths for ultimate meeting with Krishna.

Your unworthy servant,

Bhakta Arpit.

Bhakta Arpit Meghwal

Dear Srila Prabhupada,

I pay my humble obeisances to you. I would first like to acknowledge what contributions you made for this world and for me. To spread Krishna's transcendental message, You traveled across the world so that the people in the western countries get benefited and develop courage to face all the problems they are going through their life. You also wrote so many books in various languages so that people from different regions of the world can read the transcendental knowledge and apply the knowledge to their lives. The most precious gift everyone gets through Hare Krishna movement is chanting. Chanting made me realize not to just see the world outside but to see the world within me. During chanting, I feel that Krishna is sitting besides me. It is the most beautiful feeling anyone can get. You are a motivational to the people that at such old age, you were always working to help people through Krishna consciousness.

Now I would like to tell you that how I came to interact with Hare Krishna Movement. Well, I think Krishna wanted me to join this movement. 2 years ago, I came to Jaipur for my higher studies. After some months, I was in library of my college and there was a spiritual section where I found Srila Prabhupada's books. My mind told me that I should read it. So I issued that book and started reading it. When I started reading, I realized what was written in the book was all true. I discovered more and more and one day I came to Akshay Patra with my friend Ayush. When I came here I felt peace here.

The volunteer here told us about the secret of success class and prasadam. But due to exams, I didn't join it. After one month, when we came to temple again we joined the secret of success class. In the end of the class, when we did chanting with the whole class, we were truly mesmerized by the peace and calm feeling we felt within. We developed interest and every Saturday we attended class and ate delicious prasadam. Those three months were the best three months of my life. I was happy like never before and started to grow fearless and open to new challenges. But after some months, due to my ignorance, I took off from chanting and reading which affected my spiritual life. But now, I'm trying to get that feeling again

and connect with Krishna and Srila Prabhupada. I now started coming to temple daily. I am right now going through a hard time. So, Srila Prabhupada, please bless me and help me to face the problems in my life and always lead me to the best.

Your servant,

Bhatka Arpit Meghwal.

Dear Guru Maharaja,

Please accept my respectful obeisances that I want to offer! All Glories to Srila Prabhupada

You are the one who gave us the sight of truth.

You are the one who showed us the path.

You are the one who told us the real motive of our life.

The Showers of blessings from You, The Mercy rain from You, are the only way by which we were given the chance to know the Transcendental knowledge.

You gave this mankind a reason to live, by Your mercy.

By Your love and devotion, we have experienced real happiness and discovered what happiness truly is.

We See the material nature every day, And also suffer from material things sometimes, But still, the ray of hope which we always have with us is You and we know You are always with us.

You guided us along the path and gave us the chance to know the real truth for which we are, and will always be, Thankful to You.

My only wish is to be at Your service forever.

Your Servant,

Bhakta Aryan.

I offer my humble obeisances unto the lotus feet of my spiritual master.

It is said in Chaitanya Charitamrta that

mūkaṁ karoti vācālaṁ paṅguṁ laṅghayate girim

yat-kṛpā tam ahaṁ vande śrī-guruṁ dīna-tāraṇam (CC Madhya 17.80)

By the mercy of the guru, even a dumb man can become the greatest orator, and even a lame man can cross mountains. As advised by Lord Brahmā, one should remember this śāstric injunction if one desires success in his life. Today, on the occasion of Vyasa puja. I am feeling myself very fortunate that I have got the chance to glorify my spiritual master but I don't know how will I be able to do it with my 4 defects..I am trying to glorify my master, please forgive me if I commit some mistakes...

You are the real lover of God, all the 26 qualities which should be present in a pure devotee, are present in You.. Kṛṣṇadāsa Kavirāja goswami lists twenty-six good qualities of a Vaiṣṇava:

I am really grateful to have You in my life. After meeting You, my life has really changed. I can never imagine that someone at such a advanced age can do such things with only having the real love for Godhead. You always carried the true love of

Godhead with yourself and distributed it without any limit. That's why after your departure , still there are so many persons who are taking to the knowledge of Krishna consciousness and becoming devotee just by reading your books

I am really grateful for whatever You had done.

You have really done countless works but still some of them I would like to recall....

You are fully Krishna Conscious, in any circumstance or situation, You never forget Krishna.

You never even forget Krishna During those last moments of Your physical pastimes where You hardly used to eat something, and You went on translating the books even in the midst of so many bodily and mental discomforts. It's a big mystery for everyone! How can any one write so much when the topic comes to God. You explained so nicely "God" in your Bhaktivedanta Purports. You explained God in your multi voluminous books.

*8172 Slokas of Srimad Bhagvatam : Reading one verse with purport daily would take the reader 22.38 yrs to- complete

*700 sloka of Bhagwat Gita Reading one verse with purport daily would take the reader approximately 2 yrs to complete.

*11555 verses or 2170 pages/ 17 volumes of Chaitanya Caritamrita Reading one verse with purport daily would take reader 31.6 yrs to complete.

*You started Monthly magazine Back to Godhead in 1944, at one point it was distributed in excess of one million copies per month.

*You wrote more than 70 books.

*6341 personal letters to Your disciples giving instructions and guiding them, .

*1989 lectures Srimad Bhagvatam, Nectar of devotion, Bhagvad Gita, Brahma Samhita, Nectar ishopenishad and many more scriptural texts.

*In just 12 yrs of your advanced age, you travelled across the globe 14 times on lecture tours.

*You established 108 Krishna temples across the world

*You initiated more than 10.000 disciples.

*You began the scientific academy [The Bhaktivedanta Institute] You opened Gurukulas to educate children from the very beginning about the science of God. You have unlimited qualities. My words and memory are not enough comprehend Your personality in limited words

Your glories are countless but my words are limited therefore I will be stopping here.

But the last thing I would like to say You is I am so grateful master that You never left me although there was a time when I could not complete my 16 rounds of chanting or follow the complete 4 regulative principle, May be 3 or 3 and half. But I just want that please bless me so that I am always engaged in the service of supreme Lord and I can help You in propagating Your mission by distributing more and more books and mahaprasad throughout the world.....

Your most wretched soul,

Bhakta Ashish Gupta.

प्रिय श्रील प्रभुपाद,

आपके चरण कमलों में मेरा प्रणाम स्वीकार करे।

दुखों के ढेर पर बैठकर क्यों इंसान सुखों की मंजिल नहीं पा सका अब तक ।

लोगों की जिंदगी के हर मोड़ पर क्यों सुखों के मायने बदल जाते थे अब तक ।

प्यासे की जिंदगी प्यास उतना ही सुख उसके बाद उसी से दुख क्यों आते थे अब तक ।

रसगुल्ले हो या राज्य संपत्ति क्यों एक समय पर आदमी उससे उठकर संसारी पाव भाजी बन जाता था अब तक ।

कितने संघर्षों के बाद क्षणभर का सुख और सहनी पड़ती दुखदायक सती बारंबार अब तक ।

क्या कुत्ते बिल्ली और वन्य प्राणियों की तरह हर पल अपने आजीविका के लिए संघर्ष करना पड़ेगा आगे तक ।

जब से मिला प्रभुपाद के ज्ञान, जब से मिला प्रभुपाद से ज्ञान, दिया गोलोक तक और उपाय दिखा आने वाले दिनों तक ।

आपका दास,

भक्त आशीष सैनी.

हरे कृष्ण,

आध्यात्मिक जीवन परिचय:-

मैं नित्य हरे कृष्ण महामंत्र जाप के 16 माला सुबह 7:00 बजे से पूर्व ही कर लेता हूँ। सोने से पूर्व नित्य भगवत गीता के 34 श्लोको का अध्ययन भी करता हूँ ।

आध्यात्मिक जीवन का प्रारंभिक स्वरूप:-

मुझे कक्षा आठवीं में कृष्ण भक्ति प्राप्त हुई अर्थात् मेरा वहीं से ही आध्यात्मिक जीवन शुरू हो गया। उस समय मुझे किसी कारण वश लुधियाना जाना पड़ा। वहाँ मैं इस्कॉन के संपर्क में आया।

पूरे दिन इस्कॉन मंदिर के भक्तों को देखता रहता था, वे पूरे दिन माला करते रहते थे।

मैंने अपने मन में एक प्रश्न किया * कि क्या मैं भी इन भक्तों की तरह खुश रह सकता हूँ। यह प्रश्न मैंने वहाँ के भक्तों से पूछा तो उन्होंने मुझे माला करने तथा श्रील प्रभुपाद, आपकी बुक पढ़ने की शिक्षा प्रदान की, जिसका मैं पालन निरंतर करने लगा।

आध्यात्मिक जीवन का पहला दिन:-

मैंने अपनी भक्ति के शुरुआत के पहले दिन से 16 माला करने लगा। लगभग पांच-छह दिन थोड़ी परेशानी हुई, किन्तु धीरे धीरे भक्ति में आनंद आने लगा।

भक्ति से संबंधित संपूर्ण नियमों की जानकारी प्राप्त करके उनका पालन करने लगा ।

मुझे समझ आने लगा कि भक्ति में भक्तों का संग अत्यंत ही आवश्यक है।

श्रील प्रभुपाद, आपकी पुस्तकों का अध्ययन करने से व कथा श्रवण करने से मुझे परम पुरुषोत्तम भगवान का अमृत ज्ञान प्राप्त हुआ-

मैंने जाना कि भक्ति में जितना

आनंद आता है उतना आनंद स्वर्ग में भी नहीं है। परम पुरुषोत्तम भगवान श्री कृष्ण का ज्ञान अमृत से भी बड़ा ज्ञान है। भगवान श्री कृष्ण को केवल अनन्य भक्ति के द्वारा ही समझा जा सकता है।

आपका दास,

भक्त अशोक बिश्रोई.

मेरे प्रिय श्रील प्रभुपाद,

मेरा आपके चरणों में दंडवत प्रणाम मैं दिल से आपका आभार व्यक्त करता हूँ। मैं जब से आपके हरे कृष्णा मूवमेंट से जुड़ा हूँ मेरे जीवन में आनंद ही आनंद आ गया है। और मैंने महसूस किया है कि यह मेरे जीवन में बिताए हुए अब तक के सबसे सुंदर पल हैं। और यह सब आपके कृपा बल की वजह से मैंने पाया है। मैंने लंबे समय तक अलग-अलग देवी और देवताओं की पूजा की जिसमें हर प्रकार से उन्हें खुश करने की कोशिश करी। लेकिन मैं फिर भी जीवन में दुखी ही महसूस किया। लेकिन हमेशा एक सच्चे गुरु की खोज और किसकी पूजा करना है और क्या करूं यह नहीं समझ आ रहा था। लेकिन आपके वैदिक ज्ञान ने मेरे जीवन में आनंद का रस भर दिया। इन पूजा-पाठ और सभी जप तप के फलस्वरूप मुझे आप मिले। मैं आपका बड़ा ही आभारी हूँ कि मुझे जैसे शूद्र और म्लेच्छ को भी आपने भगवत भक्ति का अवसर प्रदान किया और कृष्ण से अवगत कराया और मेरे जीवन के उद्देश्य से अवगत कराया। मैं आज आपकी ही कृपा बल से और श्री कृष्ण और उनकी भक्ति से अवगत हुआ। और आपकी कृपा के कारण मुझे भगवान श्री कृष्ण को जानने की इच्छा जागृत हो गई। इसकी वजह से मैं भगवान की विभिन्न लीला स्थलों पर जा पाया हूँ। मैंने कभी नहीं सोचा था कि मैं इतने धाम में कभी जा पाऊंगा पर आपकी कृपा बल से वहाँ तक जा पाया हूँ। आपने मेरे मन में छिपी हुई कई सारी शंकाएं जो अंदर ही अंदर परेशान करती थी उन्हें आपके वैदिक ज्ञान ने दूर कर दिया और मेरे जीवन में आने वाली जितनी भी मुसीबतें हैं उन्हें दूर कर दिया और भक्ति के रास्ते खोल दिए। ताकि ऐसा ना हो कि मैं दुखी होकर शंका में

रहकर भक्ति ना कर सकूँ और मेरे प्यारे श्रील प्रभुपाद मुझे आपके चरण कमलों के पास थोड़ी सी जगह दे दो। ताकि मैं इस भौतिक संसार के मायावी छलावे से मुक्त हो सकूँ। मैं अकेले भटक रहा हूँ और यहां पर मेरा आपके सिवा कोई नहीं है मुझे आपने सुरक्षा प्रदान की है इस जन्म मृत्यु जरा व्याधि से मुझे मुक्त कीजिए।

आपका शिष्य, भक्त अश्विन कुमार,

श्रील प्रभुपाद जी आपके कमल रूपी चरणों में जिनमें से अमरत्व का प्रभाव होता है उन्हें कोटि-कोटि नमन।

सूरज की गर्मी से जलते हुए तन को मिल जाए पानी के तरुवर की छाया

माया की लातों से त्रस्त जीव को मिल जाए प्रभुपाद के चरणों की छाया

ऐसा ही सुख मेरे मन को मिला है जबसे प्रभुपाद की शरण में आया ! मेरे गुरुदेव

भटके हुए इस जीव को कोई मिल ना रहा हो सहारा

माया की बाहों में घूमते हुए जैसे बद्ध आत्मा को मिलना रहा हो छुटकारा

उस भटकती हुई आत्मा का जो प्रभुपाद ने दामन है थामा

ऐसा ही सुख मेरे मन को मिला है जबसे प्रभुपाद की शरण में आया ! मेरे गुरुदेव

माया की लातों से त्रस्त जीव को मिल जाए प्रभुपाद के चरणों की छाया

शीतल बनी आग चंदन के जैसी राघव कृपा हो जो तेरी

उजियारी पूनम की हो जाए रातें जो थी अमावस अंधेरी

युगो युगो से भटकती हुई आत्मा ने गोलोक जाने का संदेश है पाया

ऐसा ही सुख मेरे मन को मिला है जबसे प्रभुपाद की शरण में आया ! मेरे गुरुदेव

माया की लातों से त्रस्त जीव को मिल जाए प्रभुपाद के चरणों की छाया

जिस राह की मंजिल गुरुदेव से मिलन हो उस पर कदम में बढ़ाऊ

फूलों में खारों में पतझड़ बहारों में मैं ना कभी डगमगाऊ

भक्ति के प्यासे को प्रभुपाद ने जैसे अमृत है पिलाया

ऐसा ही सुख मेरे मन को मिला है जब से मैं प्रभुपाद की शरण में आया ! मेरे गुरुदेव

माया की लातों से त्रस्त जीवो को मिल जाए प्रभुपाद के चरणों की छाया

Dear Srila Prabhupada,

I'm so fortunate to have You as my Spiritual master, You only taught us, If the devotee serves his spiritual master sincerely, Krishna automatically becomes pleased. *Yasya prasādād bhagavad-prasādaḥ*. By satisfying the spiritual master, one automatically satisfies Krishna. Thus, the devotee becomes enriched by both the Spiritual Master and Krishna.

A night before, I had a vision of You, (though I never met you personally) You were glorifying Lord 'Krishna', and I was continuously listening You. I was trying to sleep all the time ignoring writing, but I couldn't. when I woke up, it felt like Krishna scolding me for being ignorant and not fulfilling the necessity of paying my homage to my spiritual master.

I don't know how it happened, something very strong called me at Vrindavan to visit for the very first time on January 26, 2018 at Krishna Balram Mandir ISKCON. I wasn't aware of You that time, never even heard of You before. I attended sankirtana there and somehow, I got attracted and developed love and devotion for Krishna. After coming back, I realized through the association of devotees, it was You, who invited me there to visit You. You only made me understand, You know me, You know every devotee of the lord. If even somehow, I forget, You will never let me forget.

Chaitanya Mahaprabhu says:

brahmāṇḍa bhramite kona bhāgyavān jīva guru-kṛṣṇa-prasāde pāya bhakti-latā-bīja

All living entities are wandering in different types of bodies throughout different planets, and if, in the course of their wanderings, they come in contact with a devotee by the direction of the Supreme Personality of Godhead, their lives become successful, by the grace of the spiritual master and Kṛṣṇa, one can enter into devotional service. When I heard this verse for the very first time through the association of devotees, I comprehended, you only sowed a bhakti-latā-bīja into me long back and this is the time to develop more and more love for Krishna.

January 29, 2019, I travelled to Porto Alegre, Brazil for my professional training. I was quite depressed thinking, now I would not be able to serve You and Krishna for 6 months. When I reached there, I found ISKCON Temple within the radius of 3Kms from my shelter. This was the time when I was the happiest person all the time. I rushed to the temple to offer my homage unto You, I was so happy, tears were coming out of my eyes in love. Then I realized, You are always with me, You will never let me forget about Krishna, about You. Dear Srila Prabhupada. Through You only, I've got to know many pastimes about the supreme personality of Godhead. There, I used to tell these transcendental pastimes of Krishna to my colleagues. This is how I used to pay my obeisance unto Krishna, because You only taught us:

śravaṇaṁ kīrtanaṁ viṣṇoḥ smaraṇaṁ pāda-sevanam

arcanaṁ vandanaṁ dāsyam sakhyam ātma-nivedanam

Hearing and chanting about the transcendental holy name, form, qualities, paraphernalia and pastimes of Lord Vishnu, remembering them, serving the lotus feet of the Lord, offering the Lord respectful worship with sixteen types of paraphernalia, offering prayers to the Lord, becoming His servant, considering the Lord one's best friend, and surrendering everything unto Him (in other words, serving Him with the body, mind and words)—these nine processes are accepted as pure devotional service.

To follow these nine processes, one should start from hearing the glories about the transcendental pastimes of the lord. This is why I used to make my colleagues hear about Krishna all the time.

Dear Srila Prabhupada, I thank You for saving this Wretched soul from the Oceans of Miseries. I feel so blessed while serving You, amongst many other conditioned souls who are still struggling with their lives without even knowing the purpose of this rare human birth.

Through You only, I've got to know about maha mantra, "*Hare Krishna hare Krishna Krishna Krishna Hare Hare Hare Rama Hare Rama Rama Rama Hare Hare*" to please the lord, where there is no need of understanding the meaning of the mantra

and no need of interpretation of any word. Its just speaking and listening carefully, You told us, the holy Vibrations produced while chanting comes directly from Goloka, where everyone is serving the Lord with love and devotion.

Thank You Srila Prabhupada, for giving me such blessings of Your Shelter. Please keep me under Your lotus feet and accept me as Your eternal Dasa. On this occasion of Vyasa Puja, this is my first offering unto You. I wish I would always glorify You like this. I've done many mistakes knowingly/unknowingly until now, please forgive me and guide me with Your love.

Jai Srila Prabhupada.

Your servant,

Bhakta Avanish Singh.

Bhakta Avinash Pandey

Hare Krishna, Dear Prabhupada,

My respectful obeisance to You. You are solely responsible for my journey in Krishna Consciousness where, I realized the real purpose of human life and it's importance. Each time when I was distracted by Maya, it was You who pulled me back to my original position. I sincerely request You to keep on doing the same until I become a self-realized and God-realized person as I am bounded in the clutches of maya. Kindly bless me sufficiently so that I can take bold steps to advance in both material and spiritual life. Last but not the least, lead my path as a "Guru" so that I could become eligible for returning back to home Back to Godhead.

Your Follower,

Bhakta Avinash Pandey.

Bhakta Ayush

Dear Srila Prabhupada,

At First, please accept my humble & most respectful obeisance unto Your lotus feet. I don't deserve this but By Your mercy coincidentally I came to Krishna Balaram temple(Akshaya patra) & by Your grace I joined the folk where I am able to do activities which is designed by our great and well scholar Acharyas. Before I joined Krishna Consciousness I was also a meat eater and I never deserve this but By Your most enlightened words & the MAHA MANTRA "HARE KRISHNA HARE KRISHNA KRISHNA KRISHNA HARE HARE HARE RAMA HARE RAMA RAMA RAMA HARE HARE" From this 16 words i have seen the most tremendous change in my life. Nowadays, I completely rid up from this even no any thought & desire for this. I was not able to take prasadam but by your mercy able to take this & part of the ecstatic kirtan. O my spiritual master u gave the right direction, proper vision and gave chance to become human from animal life. You have so many glories in this material world but one of best glories is your compassionate concern for all jivas who are suffering in the darkness of ignorance.

You are the one who shows loving Compassion to humanity & spread it world wide from which as much as jivas can liberate and go back to godhead even they don't know about miseries which we suffer but u gave the best example and make it understandable for fallen souls including me. Vaishnava Acharyas are the Lord's agents who deliver a divine counterforce against maya and influence them to connect everyone and everything to Krishna, & attain the ultimate goal of life by devotional service. Krishna give knowledge and u give the best platform to practice this and give proper direction to apply this. I received causeless mercy from you in the form of transcendental realizations within my heart that have brought inner peace and real happiness and give Your shelter of the Absolute Truth who is Complete and cause of all a Godhead Krishna.

I beg for Your causeless mercy to free me from selfish gratification, mental speculation and maya of the false material body and mind enveloping in false activities. I am most fallen soul but by your mercy I'm able to understand Your enlightened words, what is my position in this world, what is the purpose of my life the ultimate goal of life. So, Please empower to render more and more service & make me able to spread this movement & contribute to the mission of the great spiritual masters. Once again please accept my offerings on Your lotus feet. Please bless me with Your mercy.

Your Servant,

Bhakta Ayush.

Bhakta Ayush Agrawal

Dear Srila Prabhupada,

Please accept my humble obeisance at Your divine lotus feet.

All glories to You on the most auspicious appearance day of Your divine grace.

When I came to know about the ISKCON center in Indore, I was very much interested in joining folk to learn about Krishna more and become Krishna Conscious and want to enjoy my days in Krishna Bhakti, eating prasadam and feeling divine connection with Krishna in kirtans.

But in today's condition I am unable to maintain balance between my Spiritual life and material life. If You give me some mercy and guide me, then I shall be able to do some service on spiritual platform and do my best in my field and able to attend objectives of life.

Please be merciful on my family and friends.

Your servant,

Dear Srila Prabhupada,

Please accept my heartfelt and respectful obeisance on Your lotus feet. I have come into contact with Your Hare Krishna Movement by my friend. The movement which was started by You has led to a huge revolution. The foolish people like me have come to know about Krishna and the Bhagavat-gita. I have felt the greatness of Hare Krishna Mantra and its effect. The prasadam which we get is also of great taste. I feel lucky to be here at folk hostel and be a part of Hare Krishna Movement. I know I can never repay the debt. All I can promise You My dear Srila Prabhupada that, I will never stop trying to follow Your footsteps. Please bless me with Your mercy.

आदरणीय प्रभुपाद,

सादर वन्दना,

भक्ति क्या होती है और वास्तव में भगवान क्या होते है यह सब मुझे मंदिर में आकर और आप के द्वारा लिखी पुस्तकों से ज्ञान प्राप्त करके पता चला , मन्दिर में आकर क्लासेज के 3 लेवल ,और धीरे धीरे हम ज्ञान प्राप्त कर सके । भक्तों के साथ व्रन्दावन और लोकल ट्रिप्स करके बडा आनन्द प्राप्त किया । कार्तिक मास के महत्व तथा दीपोत्सव की विशेषता का ज्ञान भी हमे प्राप्त हुआ , इस जीवन मे हमे भगवान की सेवा करने का मौका मिला । वह समय हमने निकालने का प्रयास किया और अपने भी परिस्थितियों को उस अनुसार तैयार किया कि हम वह सेवा कर सके ,किन्तु आपकी विशेष कृपा तब हुई जब आपने अपने चरणों में आश्रय देकर आपकी सेवा में लगा लिया में आज असीम तौर पर शान्त हूँ । आपसे अनुरोध है कि इसी प्रकार अटूट भक्ति और सेवा मे मुझे आगे बढ़ाते रहे और मेरे सामने से अज्ञान का पर्दा हटाकर सदैव आपकी छत्रछाया में रखे और भक्ति तथा ज्ञान प्रदान करे ,कि में धीरे धीरे इस पथ पे आगे बढ़ता रहू ।यदि मेरे पैर कभी भी डगमगाए इस पथ पर तुरन्त मुझे सम्भाल लेना सदैव आपकी कृपा प्राप्त कर भक्ति के इस मार्ग में आगे बढ़ते चल सकू ।सदैव आपका आशीर्वाद रहे प्रभुपाद।

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to You. It is said that any person, irrespective of his background, can achieve the highest transcendental position by the mercy of the spiritual master. Srila Prabhupada, You are like an ocean of mercy. Your mercy is available to anyone and everyone who accepts You as his spiritual master. Actually we are unqualified for Your mercy. What exactly is the meaning of the word MERCY? Mercy means a very valuable and an extremely rare gift given to a person without the person having any qualification to get that gift.

The very rare gift that you have given us all is the LOVE OF KRISHNA. It is this love of God that we are all actually hankering after and this cannot be obtained by practicing austerities or offering sacrifices or following Vedic rituals or performing any other practices for millions and millions of years. But out of Your causeless mercy, You have given us some very simple practices that are so easy and practical to perform and the result of performing them is that anyone can get love of God in just one lifetime. I will briefly mention the 7 wonderful practices or gifts You have given us and by doing even one or two of them we can obtain love of Krishna very easily.

1. *Chanting Hare Krishna Mahamantra*: You gave us the simplest process of chanting Hare Krishna to completely purify ourselves. You said that if we continue to chant faithfully, then Krishna will reveal Himself to us and by His mercy everything will be known to us automatically.

2. *Books*: You gave us so many books to understand every aspect of spiritual life. In Your books You have given an answer to every question and there is no question that is unanswered.

3. *Lectures*: Hearing Your lectures and talks should be our first business. And if we hear You with rapt attention then You promise that from the very beginning we can surely see Lord Krishna in the pages of the Bhagavatam.

4. *Prasadam*: Your prasadam mercy is something that every person got attracted to very easily. You gave a nice example to explain how the prasadam mercy works. Just like if someone tastes food left over by a diseased person, he is sure to get infected by that disease; in the same way if we eat food that has been tasted by Krishna (meaning prasadam) then we get infected by Krishna Consciousness. This happens effortlessly.

5. *Kirtan*: Participating in kirtan is something that even a child can do and anyone doing so will feel such a transcendental bliss that he won't feel like stopping. You said that if there is kirtan and prasadam distribution going on in any place then that place becomes a temple.

6. *Deity Worship*: The easiest method to forget the material attraction is to see the beautiful forms of the Deities. The beauty of Their Lordships Sri Sri Radha Krishna is so enchanting that it can defeat the beauty of millions of Cupids.

7. *Service*: And you have given us abundant services to keep ourselves engaged in Krishna's service twenty four hours a day.

Srila Prabhupada, I really cannot thank You enough for Your mercy and for giving us these wonderful gifts. Through these wonderful gifts we can easily obtain the ultimate goal in life – love of Godhead. When I see that I have been the recipient of Your mercy, I feel that You have been overly compassionate to me as I am the most unqualified candidate.

My only prayer is that You give me the strength to live up to Your expectations and that lead me in a perfect direction.

A sincere disciple, simply by serving a bona fide Spiritual Master, can achieve all the mercy of the Lord and seeking Your mercy,

Your servant,

Bhakta Bhim Singh.

Dear Srila Prabhupada,

Please accept my humble and respectful obeisance unto Your divine lotus feet. Thank You for providing the opportunity to this ignorant and fallen soul to move on the path of Krishna Consciousness. You have shown the path of liberation and created hope for all of us.

I hope that You will continue showering Your blessings upon us and will keep me under Your shelter eternally.

Thank you so much

Your Servant,

Bhakta Bipin Kumar Roy.

Dear Srila Prabhupada,

I offer my sincerest and respectful obeisance to the great Acharya,

His Divine Grace A. C. Bhaktivedanta Swami Prabhupada (Gurudeva).

In my early age, I was full of ignorant from self-realization and the relation with Krishna, the Absolute. Your divine books sweep out the darkness of ignorance and felt the dawn of spirituality within my heart. I was so blessed by Your mercy that my eagerness towards knowledge of self-realization, relation with Krishna, His words, past times were increasing day by day. Because of You Gurudeva, I could find myself a transcendental being who could think beyond eating, sleeping mating and defending. As per Your words that, the only means is to Chant Hare Krishna Hare Krishna Krishna Krishna Hare Hare, Hare Rama Hare Rama Rama Rama Hare Hare to cross the material bondage in this age of Kali. I started chanting Hare Krishna Mahamantra by one round to sixteen round apparently.

Somehow or other I have fallen back to material dirt. I started endeavouring to be materially famous and rich to gratify my senses to the best of my ability. I forgot to associate you. I certainly know that You and Your divine books are non-different and You have showered your blessings to millions in the world but I left behind. I am the most fallen and You will not find a soul more fallen than me.

Therefore my sincerest and respectful Dandavat and prayer to You Gurudeva is that, kindly shower Your blessings and lift me up to Your merciful feet so that I may proceed the path of spirituality which you've shown.

Your Servant,

Bhakta Chandan Mahapatra.

जय श्रील प्रभुपाद, हे गुरुदेव, आपके चरणों में प्रणाम! गुरुदेव श्रील प्रभुपाद जी की अहैतुकी कृपा से मुझे ये समझ में आया कि मैं कोन हूँ, कहाँ से आया हूँ, ओर कहाँ जाना है ! पहले मेरी बुद्धि में ये सवाल कभी पैदा ही नहीं हुए ! मैं आपको इस भौतिक जगत का ही मानता रहा और सुख व शांति के लिए इन्द्रियों के विषयों में भटकता रहा !

भोग व वासनाओ की पूर्ति में लगा रहा! लेकिन गुरुदेव की कृपा से मुझे ये पता चला की में यह शरीर नहीं हूँ मैं तो आत्मा स्वरूप हूँ जो की सद-चित्त-आनंद श्री कृष्ण का अंश है। मेरा अर्थात आत्मा का स्वरूप ही नित्य कृष्ण दास है ! मैं अपनी ही गलतियों व वासनाओ के कारण इस भौतिक जगत में आ गिरा हूँ। परन्तु भगवान श्री कृष्ण तो जीव के परम मित्र है। अतः वे स्वयं जीव के साथ इस भौतिक जगत में इस भौतिक शरीर के हृदय में आत्मा के साथ परमात्मा स्वरूपमे विद्यमान है।

आपका शिष्य,

Dear Srila Prabhupada,

Please accept my most humble obeisances at Your lotus feet.

All glories to beloved Srila Prabhupada!

This is my humble offering to Your Divine Grace on this auspicious day of Your holy appearance. I deeply thank Krishna-Balrama for letting you appear on this very auspicious day on the earth as Your Divine Grace has done many great and extraordinary services.

I am so thankful that Your Grace has accepted a fool like me as Your son & disciple which I take very seriously. I am so fortunate to have Your Divine Grace as my Spiritual Father, Your Divine Grace is the most loving and gentle father any child could ask for. I am Yours completely, I surrender myself more and more to Your lotus feet as the days go by. Your Divine Grace is the most important person in my life I can't imagine life without your mercy, before I was drowned by maya and covered by her veil a misidentified lost soul roaming aimlessly around. By Your sweet mercy I am connected to our beloved Krishna. I can only try to follow in Your divine footsteps so please grant me mercy to do the same.

Your Servant,

My Saviour Srila Prabhupada,

Please accept my humble obeisance at Your lotus feet. Prabhupada I badly need Your blessing. Now I am trying to do bhakti but not able to do. I am chanting 16 rounds but sometimes I missed it and quality is also not good. I want to follow Krishna Conscious very nicely but due to some material duties, not able to do it. Last year good for bhakti but last three months was very bad. I was so determinant for chanting but now I don't know what's going on. I don't know how will I follow Krishna Conscious whole life. In the early stage of life I am not regular then what will happen in later stage of life. My wife is very nice devotee but she is also facing so many problems in bhakti. Please bless me and my wife, so that we can do bhakti. Till now in life I have realized that without Krishna Consciousness, there is nothing in this world. I always remember your quote- "Spiritual life is difficult but Material life is impossible" This quote is very deep routed in my heart. Srila Prabhupada without Your mercy no one cannot get Krishna. You had brought from hellish condition of life. Now please bless me so that I can follow Krishna Consciousness through out my life. I will try my best in bhakti but I need Your blessings also.

Your most fallen disciple,

Bhakta Chetan Sharma.

Dear Srila Prabhupada,

Please accept my humble obeisance unto Your lotus feet.

Dear Prabhupada, thank You for guiding the fallen souls like me on the spiritual path. We sing in mangla aarti that by the mercy of spiritual master we can get the mercy of lord otherwise there is no way to attain Krishna Prema, so we should remember the Guru for at least 3 times a day. But by Your mercy, I can remember You most of the times in a day. I can relate any particular situation of my day to day life with Your quotes, lectures, conversations, somehow or other Your voice is there in my consciousness, in my mind. I can see that Your instructions are always there through the supersoul. The supersoul and You are mutually guiding me in any circumstances, always instructing what to do what not to do. But still due to influence of material activities and maya, I am not able to implement those instruction completely. By Your & Krishna's causeless mercy, I am able to discriminate between wrong and right. But only thing that I am not able to do is proper implementation. Dear Prabhupada please help me to implement Your instructions in my life. So that I can practice Krishna Consciousness nicely.

Your aspiring servant,

मेरे प्रिय गुरु श्रील प्रभुपाद।

आपका आना मेरे जीवन में आनंद उत्सव है। और मेरे विचार बिल्कुल पहले से सुदृढ़ हो गए हैं। और मैं अब पहले से ज्यादा भक्ति में अग्रसर हो रहा हूँ। मेरे जीवन में बहुत बदलाव आया है और हर समय आपके विचारों को स्मरण करने को लालायित रहता है। हर समय आप की और अग्रसर रहता हूँ। और आपके भक्ति जीवन को देखकर बड़ा उत्साह रहता है। और मैं भी लोगों में भक्ति उत्साह देखने को तैयार रहता हूँ। मेरा संपर्क आपसे सदा बना रहे और मैं ऐसे ही भक्ति को प्राप्त करता रहूँ। आपके आने से मन में शांति और प्रेम दोनों ही आए हैं। आप मेरे शुभ चिंतक हो मैं आपको भूलूँ नहीं। आप मेरे जीवन में प्रथम हो मैं भी आपके विचारों को स्मरण करते हुए लोगों को स्मरण कराने में सदा अग्रसर रहूँगा। मैं आपके विचारों को धारण करके मन को शांति में रखता हूँ और कुछ जीवन को जीने के लिए माला और आपकी किताबों का अध्ययन करता हूँ। और मेरा आपको नमन और मेरे जीवन में प्रशंसा आप ही हो। आप ही मेरे लिए नए विचारों को प्राप्त करने का स्रोत हो। जय श्री श्रील प्रभुपाद मेरा आपसे संबंध निश्चय ही ईश्वर प्राप्ति हैं। मैं यहाँ अपने मित्र के साथ प्रथम बार आया था और दर्शन किया था। फिर 15 दिन बाद दर्शन करने यहीं आया और फिर 2013 से 14 में निरंतर 15 से 20 दिन में दर्शन करने आता था। फिर उसके बाद मुझे काउंटर पर प्रसाद मिला और मुझे प्रभुपाद कि क्लास के बारे में जानकारी मिली। मैं उसके बाद फिर आया और क्लास लेना शुरू किया। फिर लगातार दर्शन करने आता रहा। शनिवार क्लास लेता हूँ और प्रसाद ग्रहण करता हूँ। उसके बाद 10 दिन की शुरुआत की दो माला से कुछ महीनों तक। उसके बाद 4 माला शुरुआत की 2 महीने तक, फिर 8 उसके बाद 16 माला की और रोज़ का नियम बना लिया और फिर प्रभु जी के बताने पर बुक पढ़ना शुरू किया। अब रोज़ माला और अध्ययन में पहले से ज़्यादा खुशी महसूस करता हूँ। और अपने मित्रों को भी दर्शन करवाने लाता हूँ।

आपका दास,

भक्त दीनबंधु.

पूज्य गुरुदेव,

चरण कमलों में सादर अभिवादन,

श्रील प्रभुपाद की शरण ग्रहण करने के बाद भगवान श्री कृष्ण की भक्ति कैसे की जाती है जानने का प्रयास कर रहा हूँ। श्री प्रभुपाद की शरण लेने के बाद माला जप करना सीखा, एकादशी व्रत का महत्व समझा, भगवान को लगा हुआ प्रसाद ग्रहण करना, घर पर कैसे मंदिर स्थापित किया जाता है एवं किस प्रकार भगवान की आरती की जाती है इन सभी के बारे में जानने का प्रयास किया है। प्रभु आपकी कृपा से ही चैतन्य महाप्रभु के बारे में जान सका। ऐसी कृपा सदैव बनाए रखना। श्री प्रभुपाद के चरणों में कोटि कोटि प्रणाम। जय श्रील प्रभुपाद।

आपका सेवक।, दीपक कुमार गुप्ता.

Bhakta Deepak Rao

श्रील प्रभुपाद के चरणों में मेरा शत शत नमन,

श्रील प्रभुपाद जी के शरण ग्रहण के बाद मैंने माला जपना, चार नियम पालन करना, एकादशी व्रत करना, भगवान को भोग लगा हुआ प्रसाद ग्रहण करना, सुबह 4:00 बजे उठकर मंगला आरती में जाना, कीर्तन करना, कृष्ण विषयक पुस्तकों को पढ़ना और श्री कृष्ण संबंधी कार्यों में बिना एक क्षण भी गवाएं श्रील प्रभुपाद जी की कृपा से शामिल होना सीखा हूँ। आदरणीय गुरु जी की कृपा से मेरे भौतिक जीवन में आध्यात्मिकता का स्थान सर्वोपरि हो गया है। मेरे अंतर्मन में जो काम, क्रोध, लोभ और मोह रूपी अज्ञानता थी वह श्री कृष्ण भक्ति में लीन होकर एक शुद्ध भक्त बन सकूँ यह गुरुदेव की कृपा से ही हो सका। मैं अपने आप को सौभाग्यशाली मानता हूँ कि गुरु के सानिध्य में रहकर मैंने आध्यात्मिकता से जुड़कर शुद्ध ज्ञान प्राप्त किया। कृष्ण भक्ति भावना के सत्संग से जुड़कर आत्मिक शांति और चमत्कारिक शक्ति का अनुभव होता है। मैंने जीवन में कई त्रुटियाँ की जिससे कहीं भविष्य में मेरा पतन ना हो इसके लिए गुरुदेव द्वारा दिए गए निर्देशों का मैं श्रद्धा से पालन करता हूँ और भविष्य में भी करता रहूँगा। गुरु जी के दिए गए दिव्य ज्ञान से मेरे इस जड़ शरीर में चेतना का संचार हुआ है। कृष्ण चेतना में मेरा सफर 1 वर्ष पूर्व शुरू हुआ है और मैं यह जान पाया हूँ कि गुरु के बिना ज्ञान अधूरा है अतः मेरी समस्त भूलों को क्षमा कर मुझे कृष्ण प्रेम प्राप्त करने व प्रभु की परम दिव्य भक्ति सेवा में नित्य लगे रहने का आशीर्वाद प्रदान करें। धन्यवाद।

आपका दास,

भक्त दीपक राव.

सर्वप्रथम जगतगुरु भक्ति वेदांत और मेरे आध्यात्मिक गुरु श्रील प्रभुपाद व समस्त वैष्णव जनों को मेरा सादर प्रणाम,

प्रभुपाद, न ही मेरे मस्तिष्क व विचारों में इतनी क्षमता है और न ही मेरे शब्दों में इतना सामर्थ्य है कि, मैं आपके दिव्य कार्यों का वर्णन कर सकूँ

किंतु नीचे कुछ पंक्तियों के माध्यम से मैं अपने मन के भाव प्रकट करने का प्रयास कर रहा हूँ

है उपकार आप के अनगिनत इस दावानल वन रूपी संसार पर,

उनको कुछ शब्दों और पंक्तियों में समाऊ कैसे?

हैं कितने उपकार आप के मुझ जैसे अधम पतित पर ,

है प्रभुपाद यह मैं आपको बताऊँ कैसे?

था मेरा मन वासना स्वार्थ और लालच से भरा

ना थी मेरे पास कोई दिशा और ना ही थी मेरी अच्छी भौतिक दशा

और ना ही था आध्यात्मिकता का तो मेरे सपनों में भी विचार,

फिर भी मुझ जैसे पतितो पर कि आपने अकारण अपनी करुणा की दया,

है कितने उपकार मुझ जैसे अधम पतित पर,

है प्रभुपाद मैं आपको बताऊँ कैसे?

था मैं कुंठा से घिरा सर्प से भी जहरीला,

रहा है मेरा हर कर्म स्वार्थ से परिपूर्ण

घिरे थे हम माया के भौतिक अंधकार से,

किया है उसे प्रकाशित आपने आध्यात्मिक ज्योति पुंज से,

हे प्रभुपाद है कितने उपकार आपके मुझ पतित पर ,

यह मैं बताऊँ कैसे?

आप परम शुद्ध भक्त परमात्मा कृष्ण के,

यदि चाहते तो जा सकते थे इस लोक से आध्यात्मिक लोक में, संपूर्ण भौतिक सुख भोग कर,

किंतु सह आपने अनगिनत कष्ट, क्या है उद्देश्य मनुष्य के इस भौतिक शरीर का, इस संसार में यह बताने के लिए,

है कितने उपकार मुझ जैसी पतीत आत्माओं पर ,हे प्रभुपाद यह मैं आपको बताऊं कैसे?

पाकर आप से अमृत कलश कृष्ण प्रेम का, मेरा फिर भी इसमें मोह नहीं ,

छोड़ कर सच्चिदानंद और गुरु की सेवा, लगा हूं मैं फिर भी भौतिक इंद्रियों की सेवा में,

है अभागो बहुत से इस भौतिक जगत में, पर मुझ जैसा अभागा कोई और नहीं,

यह सब देखकर भी, कर रखी फिर भी दया आपने मुझ पतित पर,

आप जैसा दयावान कोई और नहीं,

है कितने उपकार आपके मुझ जैसे नीच पतित पर, है प्रभुपाद यह मैं बताऊं कैसे?

प्रदान हुआ दिव्य शाश्वत ज्ञान आपसे,

फिर भी लगा हुआ मैं अपनी वासना लालच, स्वार्थ और भौतिक इच्छाओं को साधने में,

मुझ जैसा नीच पतित कोई और नहीं,

है कितने उपकार आपके हे प्रभुपाद,

यह सब मैं बताऊं कैसे?

है बहाना परिवार की भौतिक परिस्थिति का, यथार्थ

में मुझे मेरे परिवार की स्थिति का कोई शोक (दुःख) नहीं ,

जुड़ा हुआ हूं आपके घर से ,

क्यों कि हो रही मेरी भौतिक उन्नति और स्वार्थ सिद्धि ,

यथार्थ में मुझमें सेवा का कोई भाव नहीं,

पाकर हीरा भी, छोड़ नहीं पाया मैं चमकते कांच के टुकड़े के प्रति मोह , क्यों कर रखी है आपने मुझ पर अपनी करुणा की दया ,मुझ जैसा कृत्घन नीच पतित कोई है नहीं,

है कितने उपकार आपके,

हैं प्रभुपाद मुझ पर ,

यह मैं बताऊं कैसे?

नहीं छोड़ पाया मैं अस्थाई मोह ,

शाश्वत प्रेम पाकर भी,

करना चाहता हूं मैं हर पल इंद्रिय तृप्ति,

मुझ जैसा गिरा हुआ पतीत, अभागा, स्वार्थी कोई और नहीं,

हे प्रभु पाद कितने उपकार आपके मुझ पर ,

यह मैं बताऊं कैसे?

Dear Srila Prabhupada,

I surrender unto Your lotus feet. My great opportunity was that I came in touch with Your society of Krishna Consciousness Movement. I followed Your instructions and tried obeying Your order. I am so poor in material as well as spiritual education. Now some understanding is there about spiritual world and Sri Krishna. Sri Krishna is most powerful and he created this world. Through You I am understanding what is Guru Parampara.

Now I chant sixteen rounds in day. When I chant then my mind goes anywhere but with practice, it will not be diverted anywhere. I want to become Your disciple; following four regulative principles. Many people in form of Maya trying to keep me away from Your mission. I am also joining every function in Your movement and giving service as a servant. I am also trying read Your books. Srila Prabhupada please forgive me for my mistakes and keep me in Your shelter.

I am living under Your shelter and giving service in Your movement. My mission is to grow more in Hare Krishna Movement.

Your Servant,

Bhakta Devendra Kumar.

Bhakta Dharadhar Dasa

Dear Srila Prabhupada,

All glories unto You. I was born in the darkest of ignorance and remained in darkness unless You introduced me to Krishna and put me on the spiritual path and made me Krishna Consciousness.

You are the ocean of mercy who has also bestowed mercy on a sin personified creature like me.

You created the temples i.e. “the spiritual institutions” which are like Sun the Moon simultaneously. They are like sun because, they keep the Jiva close to Krishna (i.e. sun) and drives away from maya (i.e. darkness), and drive them from darkness of ignorance to the light of knowledge

They are like moon because they give light to a jiva in this dark material world so that they can move on the correct path they give soothing experience to a devotee where he can perform spiritual activities viz. Attending mangala arti , take Krishna Prasadam , Chant Hare Krishna ,attend kirtan , hear to Bhagvatam class. All these “angas’ of devotional service are like nectar to the soul.

Temples provide the most important thing to soul i.e. Sadhu Sanga which is the essence of the shastra –“sadhu sanga sadhu sanga sarva shastra kohe , lav matra sadhu sanga sarva siddhhi hoye”.

As we grow in Krishna Consciousness maya becomes more stringent and allures a devotee more to bring him down and at sometimes one feels himself weak in front of senses which are like venomous serpents . But my dear lord, Prabhupada You say “There are no stumbling blocks in devotional path and I can drive them away with my one kick”. Such promising words gives me strength again and I Continue my devotional service again with full fledged enthusiasm .

Dear Prabhupada , if You were not there what would have happened to me, I would have continued gratifying my senses to their full capacity and would have degraded to lowest hellish planets where severe punishments would be waiting for me but Prabhupada You saved me and I will remain indebted to You eternally . Actually now also my activities are like, that I should suffer severely in hell but by Your Grace Prabhupada I am saved every time and You although not being present physically but You are always there with me to guide me and protect me .

You gave the world Krishna in the form of Nama Prabhu , (*Hare Krishna Hare Krishna Krishna Krishna Hare Hare Hare Rama Hare Rama Rama Rama Hare Hare*) and Showering the Mercy like clouds to the “samsara davanala” , the material world which is like burning forest .

You are the “commander –in—chief “of the Chaitanya Mahaprabhu’s army which is on a mission of flooding this universe with Krishna Prema and delivering all the fallen conditioned souls .

I beg to You Srila Prabhupada please continue Your blessing upon me and bless me so that I can render some meaningful service to You and to Your mission. Begging to remain as

Your eternal servant,

Dharadhar Dasa.

Bhakta Dharmendra

Dear Srila Prabhupada,

Please accept my humble obeisance, all glories to srila prabhupada.

It was when our orientation program was getting concluded that I got introduced about this session "secret of success" , and from the first session I realized that life is not all about temporary material pleasure and there is some higher eternal dimension and Srila Prabhupada made this institution so that all the fallen soul like me be benefited, you struggled for so many years, single highhandedly written, published, and distributed the magazine " Back to Godhead" and on your guru's advise you distributed this knowledge in the western countries, It was definitely not possible by some material strength, but as you are the pure devotee and had the direct association of supreme lord Krishna you founded 108 temples and written 70 books in the time span of 10 years so that every fallen soul gets benefited and only because of your institution I started introspecting my life, trying to get out of the darkest section of ignorance, changing some of my bad habits. Than I come to know that supreme lord Sri Krishna is the creator of this world, he is the cause of all causes. And he has given us the manual of life "Bhagavat gita" and out of his mercy he himself dictated all the books that You had written.

After knowing all these I tried changing my habits and with your mercy I am able to curb some of them , but still have all the negativity namely lust, greed , anger, jealousy etc in some amount so I seek your blessing so that I will be able to eliminate all these negative forces and develop eternal spiritual character. Only because of your mercy now I have a recourse for my toughest time now I just pray faithfully and wonders happen, so please facilitate me so that I always have your association through your books and words and able to completely curb the material desires and so that I may progress in spiritual life and work for the right ambition to get the merciful glance of Supreme Lord Sri Krishna.

Your servant,

Bhakta Dharmendra.

Dear Gurudeva,

All glories to Srila Prabhupada, Kindly accept my humble obeisance at Your lotus feet.

I am very much indebted to You for what You have given me very mercifully since I joined your divine movement in January 2014 in folk hostel. Due to Your causeless mercy, I am able to relish the taste of the service at Your lotus feet. It's a great fortune for me to have a spiritual master like You. I don't know the reason why You picked me up from the ocean of nescience. I know that I have no pious credit, but still You have provided me the opportunity to serve Your lotus feet. My only wish is to serve Your lotus feet 24 hrs a day. Knowing that it is very difficult for an impure soul like me but I have firm faith in Your causeless mercy to make it success. I beg desperately to You, kindly make some arrangements so that I can utilize every moment of my life in Your service.

Most fallen and destitute servant,

Bhakta Dhruv.

मेरी प्रिय श्रील प्रभुपाद,

कृपया अपने कमल चरणों में मेरी विनम्र वंदना स्वीकार करें। प्रभुपाद मैंने अपने जीवन का आधे से अधिक समय सेना में काम करने और इस राष्ट्र के निकायों की रक्षा करने में बिताया है। लेकिन यह तब था, जब मैं भक्तों से मिला, मैंने समझा कि मुझे शरीर के बजाय आत्मा की रक्षा करने की आवश्यकता है। केवल आपने मुझे श्री चैतन्य महाप्रभु की सेना में स्थानांतरित किया और मैं आपसे वादा करता हूँ कि मैं इस देव सेना का एक विनम्र सेवक बनूंगा। यह सब आपकी महान दया के कारण हुआ कि मैंने हरे कृष्ण महामंत्र का जप शुरू किया और अपने वानप्रस्थ जीवन की शुरुआत कर सका। आपने शारीरिक चेतना के अंधकारमय जीवन में प्रकाश डाला है। मैं आपसे विनती करता हूँ कि कृपया मुझे आशीर्वाद दें कि मैं अपने परिवार के साथ इस जन्म और मृत्यु चक्र को इस जीवन में रोक सकूँ और वापस देवभूमि लौट आऊँ। मुझे अधिक से अधिक महामंत्र जपने और अधिक से अधिक सेवा करने और मुझे अधिक से अधिक विनम्र बनाने का आशीर्वाद दें। मैं आपसे वादा करता हूँ कि मैं श्री कृष्ण को केंद्र में रखते हुए अपने जीवन का हर फैसला लूंगा।

आपका विनम्र सेवक,

भक्त दिनेश चंद्र मिश्रा.

Dear Srila Prabhupada,

Please accept my humble obeisances. It is practically very impossible to glorify a pure devotee by a person situated on the platform of materialism in true sense and somewhere or the other it is Your Causeless Mercy that an undeserving being is even getting the opportunity for Your Transcendental Service. A Pure Devotee like You is the Real Well Wisher of every living entity. It is also affirmed by Vedic Scriptures that there is no one more fortunate than one who have the Transcendental Grace of Krishna and a pure devotee as spiritual master. Prabhupada, You are enlightening me to the extent to which i would never ever be able to reach by my mundane endeavors. You are genuinely raising me from the darkest region of ignorance. Krishna is Yours. By Your Divine Grace one can get Krishna. It is an impotent prayer to You that please make me Your true Servant. Although a pure devotee like you posses many transcendental qualities yet a quality of being meek & humble. You always used to say 'Thank you very much' after giving the lectures. You knew that You are delivering to them the most confidential knowledge yet never showed a drop of False Pride and remained always meek & humble. There are many instances when I got into Deep Troubles and that time You as my Eternal Father Directed me. When I was surrounded by many subtle & gross troubles, You, my master directed me through Your Quote, Book, Teaching or Lecture or all together at the same time. Oh, Vaishnava Thakura aspiring for becoming Your Sincere Disciple and Serve You with All heartedly.

Your fallen Servant,

Bhakta Divyanshu Sangela.

Dear Srila Prbhupada,

I want to thank You from the depth of my heart for delivering the knowledge of God and for creating such a beautiful system. I am really blessed by getting knowledge of true spirituality from Your books, videos and Your disciples. Coming in association with devotees have transformed my life significantly. I can't express my gratitude just in few words towards You for creating love for Krishna in my heart.

It is the blessings of You Prabhupada that I am on the right track in my life. Coming in contact with Krishna Consciousness was one of the best thing happened to me.

I want to thank You Srila Prabhupada for all the happiness in my life and Your blessings in my life.

Your Servant,

Dear Srila Prabhupada,

His Divine Grace A.C. Bhaktivedanta Swami Prabhupada, who successfully distributed the message of Lord Kṛṣṇa throughout the world, was not an ordinary conditioned soul, governed by the harsh laws of material nature. Engagement in devotional service according to the instruction of a confidential servant of the object of devotion, Krishna.

Please forgive this fallen soul for I know not how to live in this material world and still cling to Your feet with all my heart. It is only through Your words, Your books and the sincere devotees who follow You that I learn Your deep and gentle yet all-powerful compassion. I am small and fallible filled with faults and sin lost without guru to pull me out of nescience. I cannot fathom Your personality who You are.

I cannot fathom Your personality who You are. Just listen to the words of Your beloved disciples those who follow You into the spiritual world with love, grace and gentle compassion. You have generously given us all we need to go back home to Godhead.

All we have to do is open our hearts with humble You have generously given us all we need to go back home to Godhead.

All we have to do is open our hearts with humble humility. You are always there waiting patiently and radiating pure love me in the ecstasy of Your mercy:

Chanting the Holy Name and dancing...

Performing devotional service for the pleasure of Lord Krishna and His devotees...

Preparing nice foodstuff for the Lord ... and then honouring them...

But most of all You are glorious for Your books in which You have revealed the whole spiritual world.

Every day I approach You for instruction by reading Your books.

Every day You show me how to accelerate my progress toward the supreme destination, the lotus feet of Sri Sri Radha and Krishna, by improving my chanting of the Holy Names:

Hare Krishna Hare Krishna Krishna Krishna Hare Hare Hare Rama Hare Rama Rama Rama Hare Hare

My simple prayer, dear Grandfather Srila Prabhupada, is that I always be engaged as an instrument of Lord Krishna's mercy without desire for material benefit.

But most of all You are glorious for Your books in which You have revealed the whole spiritual world.

You have written about Srila Bhaktisiddhanta Sarasvati Gosvami: "He lives forever by his divine instructions, and the follower lives with him." This also applies to You since You are permanently fixed at the lotus feet of Your spiritual master. By your shining example, You show us how to be fixed in the service of guru, the pure representative of Lord Krishna, the Supreme Personality of Godhead.

What could be better than this?

My simple prayer, dear Grandfather Srila Prabhupada, is that I always be engaged as an instrument of Lord Krishna's mercy without desire for material benefit.

I beg to remain in your service, eternally, me in the ecstasy of Your mercy:

Chanting the Holy Name and dancing...

Performing devotional service for the pleasure of Lord Krsna and His devotees...

Preparing nice foodstuff for the Lord ... and then honoring them...

Your Servant,

Bhakta Gajender.

My Dearest Srila Gurudeva,

Please accept my obeisances. All glories to Your divine grace.

I read that Srila Prabhupada once said: "My guru is no ordinary guru. He saved me." I feel the same way about You.

After traversing a desert world of atheists, impersonalists, and voidists, I thank You with all of my heart for bringing love of God back into my life. Through Your eyes and teachings I have been able to see just how lovely, wonderful and kind

Krishna, or God really is, and love Him By Your mercy, You have installed Radha and Krishna in my heart. You have made my heart blossom again. My most humble and grateful obeisances to You.

I offer my humble obeisances onto Your lotus feet. I will be eternally grateful to You for showing us the correct path and saving me from impersonalism and showing me the right way of Bhakti without Your help I would be bewildered and for ever inspiring us to perform Bhakti fearlessly in any circumstances and never leaving the side of truth.

Your servant and disciple,

Bhakta Ganesh Goyal.

Dear Srila Prabhupada,

In the Sri Caitanya-caritamrta, there is one verse I would like to use to describe my mood and feelings.

“Indeed, I am just like a dwarf who wants to capture the moon. Although I am completely unfit, a desire to receive Your mercy is awakening within my mind.”

This is my position, I am completely unworthy, and most fallen, therefore by showing me Your mercy, Your mercy is most successful. For You are patita-pavana, the savior of the fallen souls, and who is more fallen than me? I have no good qualities; born of low birth, without good intelligence, without beauty, or wealth, I am a fallen soul, desiring only for Your causeless mercy to be bestowed upon me.

Thank You so much Prabhupada for saving me from this material life.

Your servant,

Bhakta Giriraj sharma.

Dear Srila Prabhupada,

I offer humble obeisances at Your lotus feet .

Srila Prabhupada, just because of Your mercy, so many people understand the philosophy of Krishna Consciousness very easily and some of them join Your movement .

And some of them following Krishna consciousness at home, for both of them You are top most respectable Personality.

What a valuable thing Krishna consciousness You have given to the society: that is most wonderful thing.

Dear Prabhupada, what You did for the society, we can understand by the one formula that is -

Whole world minus You equal to nothing.

You mercy is continuously falling on fallen souls like me. But unfortunately so many people open umbrella of Maya, that's why still they are not getting full benefit. I am also one of them .

So this is humble request to You Prabhupada, please guide me so that I can very easily attained Your shelter.

Dear Srila Prabhupada,

Please accept my humble obeisances at Your divine lotus feet. All glories to You on this most auspicious appearance day of Your Divine Grace.

I got in touch with few of Your disciples & devotee about 2 years back. Since then I have read books written by You, attended many lectures given by You/Your devotees and all of these have helped me learn the higher meaning & purposes in life. If it weren't for You, I would have instead kept focusing only on sense gratification. The amount of satisfaction and happiness that I get coming to Your temples is bountiful and can't be compared to anything else in this world.

Because of Your blessings and teachings, I am on the path to being a better human being and a better soul now. I wish to stay on the path of self-realization showed by You and keep working towards it, even if in small steps. I will always be thankful to You for everything that You & Your disciples have been doing for the humanity.

आदरणीय गुरुदेव,

हे प्रभुपाद महाराज,

आप भक्तिसिद्धान्त सरस्वती गोस्वामी के सबसे प्रिय शिष्य हैं। आपने अपने गुरु के आदेश पर अपना जीवन अंग्रेजी भाषा के माध्यम से वैदिक ज्ञान के प्रचार के लिए समर्पित कर दिया और पूरे जगत का कल्याण किया। आपने अपनी वृद्धावस्था की चिंता ना करते हुए आप मालवाहक जलयान द्वारा पहली बार जब न्यूयॉर्क नगर गये तो आपके पास थोड़ा सा पैसा और कुछ पुस्तकें थीं। आपने लगभग एक साल कठिन परिश्रम करके जुलाई 1966 में अंतर्राष्ट्रीय कृष्णभावनामृत संघ की स्थापना की। आपने 12 वर्षों में पूरे विश्व का 14 बार भ्रमण किया और वैदिक ज्ञान के द्वारा पूरे विश्व का कल्याण किया। आपने श्रीमद्भगवद्गीताको यथारूप में प्रस्तुत किया। आपने वैदिक ज्ञान पर इतनी पुस्तकें लिखीं की एक जीवन में पढ़ पाना बहुत कठिन है। आपने श्री राधा दामोदर मंदिर में अठारह हजार श्लोक संख्या वाले श्रीमद्भागवतम पुराण का अंग्रेजी में अनुवाद और व्याख्या की जो एक साधारण मनुष्य को कर पाना असंभव है। आपने पूरे विश्व में सौ से अधिक आश्रमों, विद्यालयों, मंदिरों की स्थापना की। आपके द्वारा लिखे गए ग्रंथ विद्वानों

द्वारा अपनी प्रमाणिकत और गंभीरता के कारण अत्यन्त मान्य हैं। हे प्रभुपाद महाराज आप कोई साधारण मनुष्य नहीं हैं। आप तो भगवान के बहुत बड़े शुद्ध भक्त हैं। हे प्रभुपाद महाराज आपने पूरे विश्व को कृष्णभावनामृत बनाया। आपने करोड़ों लोगों के जीवन को नरक में जाने से बचाया और कृष्ण भावनामृत में रह कर जीवन जीना सिखाया। हे प्रभुपाद महाराज अब मुझ पर कृपा करो और अपने दासो का दास ----- सबका दास बनाने की कृपा करो, तो आपकी अति कृपा होगी।

धन्यवाद।

आपका चरण इच्छुक दास।

आदरणीय गुरुदेव जय प्रभुपाद

जब से मैं आप जैसे शुद्ध भक्त के सम्पर्क में आया हूँ मुझे जीवन का वास्तविक लक्ष्य के बारे पता चला और जीवन का सदपुयोग करने के मार्ग को चुन पाया ! हे श्रील प्रभुपाद, इस जीवन के श्रेष्ठतम उपयोग के बारे आपने पूरे विश्व को बताया कि हम यह शरीर नहीं, किन्तु आत्मा हैं जो जन्म जन्म से इस भौतिक बन्धन के जाल में फंस गई हैं। यही दुःख का मूल कारण है जिससे हमें निकल कर बाहर आना है और आपने बताया कि हम सभी की वास्तविक पहचान यह है कि हम सभी आध्यात्मिक जीव है जो परम परषोत्तम भगवान श्री कृष्ण की सन्तान है और उनके नित्य दास या सेवक हैं जिनको हम भूल चुके है। आपने मनुष्यों के मूल कर्तव्य के बारे में बताया और सभी को भगवान श्री कृष्ण के प्रति वास्तविक सेवा बताई ! गुरुदेव आपने भारत से बाहर सनातन धर्म का प्रचार प्रसार अंग्रेजी और अन्य भाषाओं में किया जो गुरु परम्परा में यथावत रूप से चला आ रहा है और जो सर्वप्रथम भगवान श्री कृष्ण द्वारा दिया गया है बद्ध जीवों के उद्धार के लिये ! यह महान कार्य आपने अपने गुरु सरस्वतीदास ठाकुर के आज्ञा पर किया ! आपने महानतम भागवत ज्ञान को यथावत प्रचार करने के लिये अनेक पुस्तकों का लेखन कार्य 70 वर्ष की आयु में किया और आध्यत्म की ओर मनुष्यों को अग्रसर किया ! आपने सभी को वास्तविक प्रेम सिखाया और विश्व में सभी मनुष्यों को श्री कृष्ण भक्ति में लगाया ! आपने गुरु परम्परा के ज्ञान को बिना किसी तरह की बदलाव किए मनुष्यों तक प्रसार किया ! आपने वास्तविक ध्यान विधि इस कलयुग में हरे कृष्ण महा मंत्र को फैलाया जिसे भगवान चैतन्य महाप्रभु ने आज से लगभग 500 वर्ष पूर्व दिया ! आपके मेरे जीवन में आने से मुझे भगवान श्री कृष्ण की वास्तविक सेवा करने का पता चला

और मैंने भी अनावश्यक दुःख के कारणों से विचलित नहीं होने का रहस्य आप से ही सीखा!

मैं आपसे यही प्रार्थना करता हूँ कि मैं कृष्ण भक्ति के पद पर जीवन में चल सकूँ!

धन्यवाद

Jai Srila Prabhupada,

I'm an engineering student and I started my engineering in 2018. In the first semester, I was introduced to the organisation Akshay Patra for the first time when Prabhu started visiting in our college at Orientation Program.

Then, I came to know about Srila Prabhupada who started the whole organisation ISKCON and the Akshay Patra movement. I was very much influenced how Srila Prabhupada started this movement at such an old age. It was such an impactful course that led to a variety of change in the mind-set. These sessions are the reason for the improvement in physical, mental state and spiritual state. The love of Prabhupada towards Lord is inspiring.

His continuous journey to America where people were captured in greed, intoxication, lust to make them aware about spirituality and God conscious was remarkable. His full dedication to spread Hare Krishna Mantra in foreign countries was eye soothing.

At last, I would like to thank Akshay Patra and ISKCON for their services to help students like us in getting realization towards the real aim of life.

Yours Truly,

Bhakta Harshit Verma.

आपके चरणों में शत शत नमन।

आपकी शरण में आने के बाद मेरे जीवन हुए परिवर्तन को मैं वाणी से अभिव्यक्त नहीं कर सकता हूँ। मैंने जाना कि भगवान श्री कृष्ण ही परम पुरुषोत्तम भगवान हैं। मैंने जाना कि हरे कृष्ण महामंत्र के जप करने मात्र से मनुष्य इस भवसागर से पार पा सकता है। आपकी कृपा से मुझे वृंदावन धाम दर्शन का अवसर मिला। और मैंने भगवद गीता एवं भागवतम के महत्व को समझा।

अतः प्रभुपाद जी आपसे प्रार्थना है कि आप अपनी कृपा बनाए रखें ताकि मैं भक्ति के मार्ग पर आगे बढ़ सकूँ।

Dearest Srila Prabhupāda,

We offer our most respectful and humble dandavat pranams at the dust of Your lotus feet. All glories to Jagad-Guru, Srila Prabhupada and all glories to Your Loving Divine Grace. We are especially blessed to have the good fortune to offer obeisance at Your Divine lotus feet. I am reminded how You undertook the great sacrifice of taking Krishna consciousness to the Western world and how we are so indebted to Your Divine Grace. You took Lord Chaitanya's mercy all over the world. You have shown us how we should be dedicated to serving Guru and Gaurāṅga. Following Your instructions is possible only by Your Grace. Words cannot describe our gratitude for the essential 'sādhu-sanga' you created for us. You established the whole movement and gave us the opportunity to get in touch with devotees and communicate with them. Only by remembering You, Srila Prabhupāda, can we cross over all the hurdles thrown at us by the illusionary energy and eventually reach the shore of spontaneous devotion to Sri Krishna. Your love for all living entities is the substance of bhakti. Thank you, Srila Prabhupada!

Your unworthy servant of servant's servant,

Bhakta Himanshu.

Bhakta Himmat

Dear Srila Prabhupada,

Please accept my humble obeisances unto Your lotus feet. All glories to Srila Prabhupada.

I have joined this movement recently in previous year and it had not been much time, but in this short span of time with Your mercy and wonderful devotee association I am able to understand and see this world with some another vision. During

these days I came to know many new perspectives that helped me in understanding Dharma and trying to break the knots of ignorance. I feel extremely joyous and wonderful whenever I visit temple and when I had devotee association and returned with great positivity. I wish this continues throughout.

With great devotee association, reading few books and various classes here, I am trying to know the real meaning of KRISHNA CONSCIOUSNESS and practice. This helps to regulate mind and to give a purpose to life. With devotee association I got guidance in various circumstances and they helped me to continuously and regularly follow KRISHNA CONSCIOUSNESS. Whenever I diverted from the path at that time Your mercy and devotee's guidance helped me to again resume the process. I was also able to enquire many doubts related to various topics.

By reading various books here I directly feel Your association as if the words are coming directly from You. These books provide a guidance in life and a way to live positively and happily. These books are real guide in understanding and moving in KRISHNA CONSCIOUSNESS. This organisation is a unique and one of its type which helps in spreading words of Chaitanya Mahaprabhu and adding people in KRISHNA CONSCIOUSNESS irrespective of their background. This movement is really spreading KRISHNA'S love to all. With KRISHNA'S mercy and Your guidance I am trying to follow KRISHNA CONSCIOUSNESS sincerely. May KRISHNA'S causeless mercy and Your guidance continuously remain on me.

Your most fallen servant,

Bhakta Himmat.

Bhakta Himmat Singh

Dear Prabhupada,

Please accept my obeisances. All glories to Prabhupada .

Prabhupada wrote so many books, established so many temples and started KRISHNA CONSCIOUSNESS MOVEMENT at global level. Prabhupada wrote so many books for all types of devotees and made a great schedule so that everyone can progress spiritually in a proper way right from Mangla Aarti to Shayan Aarti and so many spiritual activities also. Prabhupada spread the Bhakti movement worldwide and His mission was to make everyone KRISHNA CONSCIOUS irrespective of their caste, colour, creed, language.

By Krishna's grace I was able to connect with this movement last year about 10-11 months ago. It was a very fortunate day when I visited this temple and I was made a visit with HG Anantshesha Prabhu by a senior devotee who met us in temple hall, within that short meeting I came to know some real question of our existence as a human being and forced to think about it. From there we met Kunti Putra Das Prabhu and gradually I made a touch with the temple, I came to know about Srila Prabhupada and Guru Parampara. I joined SOS class I knew more about SRI KRSNA, His pastimes, importance of KRSNA CONSCIOUSNESS and made regular visit to classes and we had a great devotee association with Kunti Putra Das Prabhu.

With Prabhupada's grace I was able to solve many day to day problems, I was able to have control on my mind upto a level, I got a guidance, I was curious about religion and with help of this movement I came to know more about religion and by book reading and devotee association I was able to know more about KRISHNA CONSCIOUSNESS and to follow it. I was able to devote my spare time for KRISHNA. I feel wonderfully Happy when I visit temple and receive a positive energy from here. I received a positive inclination in me. Also read books with Kunti Putra Das Prabhu so as know more about KRISHNA Consciousness and to practice it fully.

I pray that with Prabhupāda's grace I will be able to control my anger, my indulgence in wrong habits and many other non-required activities in daily life and keep my mind calm and quiet and progress. I pray to Prabhupada that I keep control on my habits.

Your Servant, Bhakta Himmat Singh.

Jai Srila Prabhupada,

My humble obeisance unto Your lotus feet Srila Prabhupada!

Dear Prabhupada, I am one who got association of devotees by Your mercy but due to uncontrollable senses and desire of enjoyment of this material world made me so fool that I left the association but after that at every place where I am wrong You always remind me and You always try to keep me in Your shadow for that Prabhupada I am deeply obliged to You. Prabhupada it is my prayer to You that bestow Your mercy upon me so I can follow this bhakti process.

Your Servant,

Bhakta Hitesh.

Dear Srila Prabhupada,

I offer my all respect and humble obeisances at Your lotus feet as a sincere servant ! I came in contact with Your mission through Your most respected disciples during college days about 6 yr ago. Initially I came just to improve my weakness of life so that I can become more happy in my life but slowly I understand it's giving me something higher thing that was love to lord Sri Krishna ! Not even higher it is highest gain for me ! Now I am hankering for Your blessings so that I can achieve success of human life by serving You and Your mission ! Always grateful for Your causeless mercy and make my life more happy and peaceful ! Thank you very much! Jai srila Prabhupada.

Respected Prabhupada,

With due respect I beg to submit a true incident (past time) for Vyas Pooja as under:

I am Ishwar Singh r/o of 202 Brij Vihar Jagatpura, Jaipur. I am associated with Lord Krishna Balram Mandir for the last 5 years.

I have a very interesting past time this year. I accompanied my daughter from Jaipur to Delhi around 10 times in connection with her interviews for admission in IIMs/Institutes of Management by double decker train. I noticed during these 10 visits to Delhi that arrival and departure of this train was always as per schedule. There may be delay in its schedule for one or two minutes but not more than that. On 25.03.2019 I and my daughter boarded on double decker train from Jaipur to Delhi where she had to face an interview for admission in IIM Shillong. Our return tickets from Delhi to Jaipur were booked for the same day in same train i.e. double decker. We were supposed to catch the train from Delhi Cantt where the train used to arrive at 5.54 PM. After having attended the interview, we were in our way to Delhi Cantt to catch the train but we stuck in traffic jam. Suddenly it came to my mind that in the given situation I should start chanting Hare Krishna Mahamantra. Accordingly, I started chanting Hare Krishna Mahamantra and when we reached Delhi Cantt it was 6.07 PM and the train, in question, arrived at 6.10 PM. I saw the miracle and power of this Mahamantra. Out of 10 visits which were done before and after this visit, the train was running as per schedule but on this particular day, when we were late, the train was also late. After this incident my faith on Lord Krishna as well as on Prabhupada increased many times. Now, as and when I have any problem, I start chanting Hare Krishna Mahamantra which gives me solution to the problem and great relief to my peace of mind.

Your servant, Bhakta Ishwar Singh.

हरे कृष्ण ।

मेरे प्रिय गुरु श्रील प्रभुपाद मेरा दंडवत स्वीकार करें ।

हमारे जीवन में प्रभुपाद कि बहुत कृपा है जो कि मैं भगवान श्री कृष्ण का भक्त हो गया । पहले मैं 4 माला जप करता था अब 16 माला जप करना करने लग गया । प्रभुपाद जी ने हमें बताया कि जीवन को कैसे जीना है, जीवन में कैसे सांसारिक माया मोह से हमें मुक्ति मिल जाए । प्रभुपाद जी की कृपा से सब कुछ बहुत अच्छा चल रहा है ।

जय श्रील प्रभुपाद ।

प्रिय प्रभुपाद,

मेरा आदरपूर्ण प्रणाम स्वीकार करें प्रभुपाद ।

इस जड़ जगत की वास्तविकता को जानना अत्यंत कठिन है जो पल पल हमें अपने आकर्षण में फंसा लेती है। इस भौतिक आकर्षण बुटीक माया से बच पाना में बिना गुरु के संभव नहीं हैं। गुरुदेव जब से मैं आपकी शरण में आया हूँ मेरा सोया हुआ भाग्य उदय हो गया है। मैंने जन्म तथा मृत्यु के चक्र से निकलने की कला को जाना आपके कृपा से। मैंने अपने जन्म के उद्देश्य को जाना। मैं कितना भाग्यशाली हूँ जो आपने मुझे पर कृपा दृष्टि डालकर मुझे भगवान कृष्ण, जो चमत्कारों के कारण है, उनकी परम दिव्य भक्ति में सेवा करने का अवसर प्रदान किया। मुझ जैसे पतित, तुच्छ शिष्य पर आपने जो उपकार किया है उसे मैं अनेक जन्मों तक नहीं चुका पाऊंगा। हे गुरुदेव आप तो परम कृपालु परम दयालु पर सर्वज्ञ है। आप तो अपने शिष्य के बारे में सब कुछ जानने वाले हैं। मेरी सारी कमियां अवगुण आपको ज्ञात हैं। अतः मेरे समस्त भूलों को क्षमा कर मुझे कृष्ण प्रेम प्राप्त करने पर प्रभु की परम दिव्य भक्ति में सेवा में नित्य लगे रहने का आशीर्वाद प्रदान करें।

आपका नित्य दास , भक्त जितेंद्र शर्मा.

“I offer my respectful obeisances unto His Divine Grace A. C. Bhaktivedanta Swami Prabhupada, who is very dear to Lord Krishna, having taken shelter at His lotus feet. Our respectful obeisances are unto You. You are kindly preaching the message of Lord Chaitanya deva and delivering the Western countries,

Recently, I heard one lecture of Prabhupāda on some critical points mentioned by Prabhupada in that short lecture, I was very serious to that lecture and hearing very carefully. When the lecture was compiled I was shocked that we are all following maya and wasting time. Then I started reading books and chanting 4 rounds with my study. I managed both - 1 side Sadhana and other side education. When I was preparing for the job of a teacher, I prayed to God that if I got my job, then I would Chant and follow very nicely.

God listened to me and in the very first preparation, I got a job with God's Blessings and The blessings of Guru and Krishna.

I experienced that after coming to touch with Prabhupada my life was very changed and now I lead my life in right way. Prabhupada saved my life.

I thank To Krishna and Prabhupada to save me. Now I am doing my teacher's job and follow rules, chanting 8 rounds and reading Prabhupada books.

His Divine Grace always saw the opportunity in every situation of life. He always focused on the brighter side of all the calamities. He always remembered His beloved Lordships Sri Sri Radha Govind in all the obstacles came in his way.

I hope and pray that this unique name A. C. Bhaktivedanta Swami will be widely recognized for tens and thousands of years.

Your humble servant, Bhakta Kailash Chawla.

Dear Srila Prabhupada,

Please accept my humble obeisances at Your lotus feet. I am very thankful to You for making me part of Hare Krishna Movement. By Your mercy I am able to chant 4 round of maha mantra and its helpful in controlling my mind and thoughts towards the material world. By Your mercy now i am able to understand the purpose of my life. Before coming to folk, I was not believing on Krishna but now I believe so much and I remember Krishna in both cases happiness and sadness. I beg You to bless me more and more. I leave my life on Krishna. Please bless me with Your mercy.

Your ignorant servant,

My Dear Srila Prabhupada,

Please accept my humble obeisances at Your Divine Lotus Feet. All glories to You, the savior of the whole world.

Hey Prabhupada, I want to let You know, how lucky I am. Because when I take your shelter, my life filled with extreme happiness and you are a most merciful man, you accepted a sinful person like me, As a member of Krishna Consciousness.

Hey Prabhupada, I want some more mercy from your side, Whatever situation happens , Please always attach me to Krishna consciousness mission....I don't know, before taking Your shelter my face looking like dull after taking Your shelter my face looking like bright. And one important thing Prabhupada, before reading Your books, I translate this statement "mujhe english aati hai" = English comes to me.

After reading Your books, I improved my vocabulary, enhanced my confidence , increasing thinking level...Hey Prabhupada I am very poor in preaching so please give guidance for good preaching skills.. when I preach to other and they don't understand about Krishna Consciousness and they commented on this mission then sometimes i am angry on them..., then I realize You are a real Bahubali how You convert hippies to devotees. You are a star for material world !

Amazingly perfect Krishna Bhakta You are

Love You Prabhupada infinite times. The most unfortunate, most insignificant beggar,

Your Servant, Bhakta Kamal Sharma.

Dear Srila Prabhupada,

Please accept my humble obeisance unto the dust of lotus feet and all Glories to Divine Your Grace.

In my life after visiting Akshaya Patra I could know the real world and all about the material world. Krishna consciousness is spreading day by day, just because of Your efforts that You have made throughout the world!

Your quotes always inspire me to chant and convert my soul in remembering Krishna always, because Krishna is the supreme Lord! You have also said that first serve Krishna properly then everything will be served!

I don't know what I have achieved , but serving Krishna and Yourself will provide all the things at time whenever I need. Your blessings are always there in books, mind, thoughts!!!

Srila Prabhupada ki jai!!!!

Your Servant, Bhakta Karan.

Bhakta Karan Gupta

Srila Prabhupada ki Jai,

All Glories to Srila Prabhupada. Please accept my humble Obeisances.

I might be the most irregular devotee, as material world is dominating over me, so I bow in front of lotus feet of Srila Prabhupada and request to pardon all my sinful activities that I have done till now, as I am quite far away from India, so this might be the reason but I assure my best to follow all the rules and regulation given to me by You.

I really feel all alone and a little bit depressed, as I cannot able to attend arati and delicious prasadam. Everything here in Russia is different like culture, food and their daily livelihood but I do visit Iskcon here in saint petersburg, it was really nice and every arati, bhajan, lecture all are done in russian language, that is why a bit challenging for me but a new experience ever I have thought.

To be honest I have not even thought I will be in russia for my masters but all thanks to my Guru Srila Prabhupada and my elder brother, all others to whom I can not mention, I face a lot of problem here but due to mercy of my Guru Srila Prabhupada everything gets resolved and for that I don't know how to pay off because I am not that much qualified.

True meaning of life to me is really given by my guru and disciples of Iskcon, I am really thankful to them, as earlier for me life is like a running material body as like all other human being is doing in this material world, so, after becoming a member of Akshaya patra, I realise the true meaning of life. I read a conversation book of Srila Prabhupada "Perfect question Perfect Answer" It's really good to have all common question answered from that book.

Heartful Greeting from Saint Petersburg, Russia,

Your Servant,

Bhakta Karan Gupta.

Bhakta Karan Kantharia

Dear Srila Prabhupada,

Only by Your causeless mercy, I managed to get devotee association and could know about this transcendental movement. I was very enthusiastic in the beginning but later on due to my false ego, Vaishnava Apradhas, Anarthas and Ignorance I broke several promises made to Guru, Gauranga and devotees. My senses and Mind are out of control, due to my material association my taste in chanting is fading away, I am not at all eligible according to the standards laid down by You. I only request You to again causelessly bless me with some sincerity and remove these coverings of ignorance and anarthas.

Your servant,

Bhakta Karan Kantharia.

प्रिय श्रील प्रभुपाद,

कृपया मेरा विनम्र प्रणाम स्वीकार करें।

प्रभुपाद मैं नहीं जानता कि मैं कितना सौभाग्यशाली हूँ कि मुझे आप एक गुरु के रूप में प्राप्त हुए। पहले मैं इतना मूर्ख और अज्ञानी था, मैं किसी चीज में विश्वास इतनी आसानी से नहीं करता था। मुझे लगता था कि शायद अब इस दुनिया में कोई गुरु योग्य इंसान है ही नहीं। फिर जब मैं हरे कृष्ण मूवमेंट से जुड़ा तो धीरे-धीरे आपके बारे में बहुत सारी चीजें जानीं। आपके बारे में बहुत कुछ पढ़ा। मैंने हरे कृष्ण मूवमेंट में रहते हुए यह जाना कि आपने भक्ति मार्ग को आगे बढ़ाने के लिए क्या-क्या किया, कितने संघर्ष अपने जीवन में किए। कोई भी व्यक्ति अपने जीवन में भगवान कृष्ण की इतनी सच्ची सेवा नहीं कर सकता। शायद, मुझे बचपन से ही कृष्ण भक्ति में दिलचस्पी थी मैं बचपन से भगवान कृष्ण की अपने अनुसार सेवा करता रहा और मैं यह नहीं जानता था कि क्या सही मार्ग है किस तरीके से हमें भक्ति करनी चाहिए, पर आपके कारण मुझे

अवसर मिला कि मैं इस हरे कृष्ण मूवमेंट में वह सब सीख पाया - रोज़ सुबह मंगला आरती करना, भगवान को भोग लगाना, किस तरीके से भक्तों के साथ व्यवहार करना, यह सारी चीज़ें मैंने आप ही के कारण इस मूवमेंट में सीखीं.

हे गुरुदेव, हे प्रभु, मुझ पर दया करें मैं बहुत ही दुष्ट नीच किस्म का व्यक्ति हूँ। मैंने अपने जीवन में बहुत सारी गलतियाँ की हैं। मैं अपनी सारी गलतियों के लिए क्षमा मांगता हूँ। आपके ही कारण शायद मैं थोड़ा जीवन में उठ पाया हूँ। प्रभुपाद, आप तो करुणा के सागर हैं जब आप पश्चिम के देशों पर दयावान होकर उनको भक्ति के मार्ग पर ला सकते हैं तो प्रभुपाद हम पर भी कृपा करें।

इस जगत से धन मिल सकता है, पद और प्रतिष्ठा मिल सकती है, पर आध्यात्मिक सुख और परम आनंद कभी नहीं मिल सकता, वह तो केवल भगवान कृष्ण के प्रति सच्चा प्रेम और भक्ति से ही प्राप्त हो सकता है। इसी निस्वार्थ प्रेम और भक्ति और दिव्य आनंद को दर्शाने के लिए भगवान खुद आते हैं या अपने शुद्ध भक्तों को इस जगत में भेजते हैं ताकि वह इस जगत के वासियों को भक्ति का मार्ग समझा सके।

हे प्रभुपाद, हे गुरुदेव मैं आपके चरण कमलों में अपना सम्मान व्यक्त करता हूँ। मैं भगवान कृष्ण से सदा यह प्रार्थना करूंगा कि मैं आपके द्वारा दिखाए गए मार्ग पर चल सकूँ।

आपका तुच्छ नौकर,

भक्त करण पाठक.

Bhakta Krishnakant

जगतगुरु श्रील प्रभुपाद के चरण कमलों में कोटि कोटि नमन ।

श्रील प्रभुपाद,

आप ही हैं वो व्यक्ति जिसे भगवान श्री कृष्ण ने पतित जीवात्माओं के उद्धार के लिए इस भौतिक जगत में भेजा । आपने इस भौतिक जगत में आकर हम पतित जीवों को अपने परम पिता भगवान श्री कृष्ण से प्रेम करना सिखाया। आपने हमें भगवान श्री कृष्ण के साथ हमारा सम्बन्ध याद दिलाया जो कि हम इस भौतिक जगत में आकर भूल गए थे।

आपने हमारे खातिर वृद्धावस्था में विदेश जाकर हरिनाम का प्रचार किया। आपने हमें सिखाया कि भगवान से प्रेम कैसे करते हैं ,उनकी सेवा कैसे करते हैं। आपने हमें हमारी पहचान याद दिलाई और ये बताया कि हम यहाँ क्यों आये हैं।हमारा इस मनुष्य जीवन का लक्ष्य क्या है? ये सब आपने हमें याद दिलाया।

आपने श्री चैतन्य महाप्रभु के संकीर्तन आंदोलन के प्रचार के लिए विदेश यात्रा की, वो भी उस उम्र में जब व्यक्ति का शरीर उसका साथ छोड़ जाता है। आपने विदेश में जाकर म्लेच्छों को भगवद् प्रेम सिखाया। उनको जीवन का लक्ष्यसमझाया। न जाने कितने कष्ट आपने हमारी खातिर सहे।

प्रभुपाद, अगर आप न आते तो हम यँ ही जीवन भर जानवरों की तरह भटकते रहते और कभी भी अपने आपको नहीं पहचान पाते। आपने हमें याद दिलाया कि हम शरीर न हीं, आत्मा हैं जो कि हमारी असली पहचान हैं।

आपने हमारे लिए श्रीमद्भगवद् गीता और श्रीमद्भागवतम जैसे महान ग्रंथों का अनुवाद किया और उन्हें पूरी दुनिया में पहुँचाया ताकि उनको पढ़कर हम पतित जीवात्माओं का उद्धार हो सके और हम भगवद्धाम वापस जा सकें जो किहमारा असली घर है।

भगवान श्री कृष्ण की कृपा से मुझे शुद्ध भक्त के रूप में आप जैसे गुरु मिले जिसकी कृपा से मुझे हरे कृष्ण महामन्त्र जैसी अमूल्य चीज प्राप्त हुई जिसके निरंतर जप द्वारा व्यक्ति भगवद्धाम वापस जा सकता है।

प्रभुपाद, आपको कोटि कोटि धन्यवाद।

आपसे प्रार्थना है कि हम हमेशा कृष्णभावनामयी जीवन व्यतीत करें और ज़्यादा से ज़्यादा हरिनाम का प्रचार करें जिससे की हम सभी भगवद्धाम वापस आ सकें।

जय श्रील प्रभुपाद,

आपका दासानुदासानुदासानुदास,

भक्त कृष्णकान्त.

Dedicated to the spiritual master of the whole world- His Divine Grace "A.C. Bhaktivedanta Swami Srila Prabhupada".

When I was in the dark, struggling to find my true self, Living without an immanent purpose

I encountered with the causeless mercy of Srila Prabhupad.

The kind of depraved person somehow came in touch with the soldiers(Devotees) of Prabhupada who are trying to save people from the clutches of Maya and trying to get over them from the turmoil of this material world.

I got admitted in this Bhakti Movement initiated by Chaitanya Mahaprabhu and disseminated all around the globe by Srila Prabhupad.

Prabhupada's teachings helped me to know about Krishna and established a kind of connection with lord to retrieve my true constitutional position.

In a world full of hypocrisy, Prabhupada's institution and Initiated devotees are following the directives of Prabhupada and Vedic injunctions, are the epitome truthfulness.

Prabhupada introduced me to Krishna and told me exactly what Krishna wants from us to get his shelter again.

"You are my saviour Prabhupada, and I feel a perpetual relation with you through your books and instructions which are guiding me in this material world."

Your Servant,

Bhakta Kuldeep Sharma.

Bhakta Kumar Manish

Dear Srila Prabhupada,

Please accept my respectful obeisances unto Your lotus feet.

At the age of 70, You went to Western Countries and started a Revolutionary Preaching Movement to save the people from material darkness. I am one of the person who by Your causeless mercy got an opportunity to follow Krishna consciousness and to know about aim and value of life. You used to sleep only for 2 hours for us. I am a beginner in Krishna consciousness. sometimes I attend the Bhagvatam lecture sometimes I can not. I remain confused in life, often thinking that I can reside in folk or not. I remain confused in life also. I slowly started to know about Krishna consciousness. I also feel that I do not have so much courage in myself that I take some of my own decisions. But slowly I feel some change in my life when I came in contact with Krishna consciousness.

Please, Prabhupada show some mercy on this unqualified soul. I am an unqualified person to serve you and sometimes I disobeyed Your instructions but You are very merciful that You still allow me to practice Krishna consciousness sincerely.

Thank You Prabhupada.

Your servant,

By your mercy I am able to chant the holy name of the Lord Krishna

By your mercy I am able to honor Krishna Prasadam

By your mercy I found goal of human life to Go back to Godhead

By your mercy I got association of the Devotees of the Lord Krishna

Please allow me to continue serving You despite my numerous faults. You remain my only hope, inspiration and shelter.

Dear Srila Prabhupada,

Please accept my humble obeisances unto Your Divine Lotus Feet.

All glories to Srila Prabhupada. All glories to You on this auspicious day of Your Appearance.

I am very fortunate enough that I came in touch with this Hare Krishna Movement and here I have seen the real spiritual life and I have learned many things here in this world of maya. There is only one place to quench spiritual thirst which are the temples You have built here, I have seen the true spirituality.

Prabhupada You have worked hard for souls like us, But some times I ignore chanting and book reading, please forgive me for this mistake.

I need Your blessings to move on the spiritual path. Please give this polluted soul shelter of Your Lotus feet. “*Hare Krishna Hare Krishna Krishna Krishna Hare Hare Hare Rama Hare Rama Rama Rama Hare Hare.*”

My Dear Srila Prabhupada,

I offer my respectful obeisances unto His Divine Grace A. C. Bhaktivedanta Swami Prabhupada who is very dear to Lord Krishna, having taken shelter at His lotus feet. Presently I am doing minimum 5 rounds of chanting and I try to hear Your lecture 15 mins, read Your books 15 min each day. Every week I am submitting sadhana report to Krishnapad Prabhu. I request You to give me Yours and Krishna's blessing to maintain my daily routine and control my mind, angry and keep continuous contact with KSPD Prabhu ji. I want good spiritual life, good job. Whenever I feel tension, stress and problem that time I do simply chant Hare Krishna mantra than feel happier and peaceful. Many time I have experienced that Your and Krishna's hand with me. I am also trying to give Hare Krishna mantra to my mother-father, brother sister, Manju and my relatives so please help me and give some blessing on them so that they can start some rounds of Hare Krishna mantra.

Yours servant,

Bhakta Laxman Ram.

Bhakta Laxman Nayak

Dear Beloved Srila Prabhupada,

Please accept my humble obeisances at the dust of Your lotus feet. All glories to Your Divine Grace.

I am probably the most worthless soul on this planet. I try everyday to overcome my laziness and at least constantly chant my rounds so that I may do some reading. I have been trying so hard to make it a part of my life to at least do some reading of Your books, but haven't managed to fully succeed. I do not have enough words to thank You, as "thank You" is a very insignificant word for all Your kind efforts in bringing us closer to Krishna, for without coming to this movement I would never have appreciated what it means to love and serve God.

All glories unto Your lotus feet. Srila Prabhupada ki Jai!

Your undeserving servant, Bhakta Laxman Nayak.

Bhakta Lekhraj Sahu

Dear Srila Prabhupada,

Please accept my humble obeisances.

In recent times, few things have become a mirror to me. It is very difficult to find a charitable person in this world filled with spiritual connection. Before connecting with ISKCON I did not know about this spiritual world. After connecting with ISKCON, I came to realize amazing things about God. When I started chanting I noticed some changes in me, my problems have started resolving. When I started going to "kirtan" I forget all my problems. Connecting to "Krishna" makes me good in every way. Thank You god for giving me such a wonderful opportunity to get connected to You.

Your aspiring servant,

मेरे प्रिय श्रील प्रभुपाद,

सर्वप्रथम आपको नमन । मेरी सारी प्रशंसाओं का कारण आप ही हैं। मेरे कॉलेज के समय हम चार दोस्त थे जो हर शनिवार तो नहीं पर शनिवार रविवार को आया करते थे । बाद में यह कम से कम 3 से 4 साल तक चला । हरे कृष्ण महामंत्र का जप भी चलता रहा । बाद में मेरे मित्रों ने आना बंद कर दिया । मेरा भी कम हुआ आगे की बात यह है कि 25 दिसंबर गीता जयंती को मैं कृष्ण बलराम मंदिर में था वहाँ मैंने गीता पुस्तक ली। धीरे धीरे मैंने खुद से समझा और रोज पढ़ना शुरू किया। आपके द्वारा जो सरल और प्रथम अनुवाद हैं वह मुझे समझ आने लगा। जब गीता से जुड़ाव हुआ तो मेरा सब ठीक हो गया, सोच, क्रोध, मेरे अंदर बदलाव आने लगा। एक बार फिर से मेरी सारी प्रशंसाएं आपके लिए और आपकी लिखी हुई पुस्तकों के लिए । इन्हें भारत ही नहीं सारा विश्व पढ़ता है और कृष्ण भावना भावित हो रहा है।

हरे कृष्ण

आपका दास,

भक्त मधुसूदन.

Dear Srila Prabhupada ,

I offer my respectable obeisances onto Your lotus feet ..

I chanted Hare Krishna Mahamantra for the first time in my intermediate college ,which I didn't forget it in my life time. When I heard it for the first time tears ran from my eyes and continuous goosebumps happened. Due to Your merciful

teachings only, I experienced that, Prabhupada . Later due to my degree program I came in contact with HKM JAIPUR and joined in folk hostel and I spend around 2 years, where I had great experiences with the devotees.

Before coming to Krishna consciousness I was so much confused about God, but now I came to know through You that Krishna is the Supreme Personality of Godhead with the proof of parampara system .

Due to Your mercy only, I am chanting and remembering Krishna, Prabhupada. Please keep me under Your lotus feet and give me shelter and mercy to continue my Krishna consciousness throughout my life.

Thanking You, Prabhupada.

Bhakta Y.G.N.V.M. Manikanta.

Bhakta Manish

Dear Prabhupada,

All glories to Srila Prabhupada, Please accept my humble obeisances to Your Lotus feet.

Prabhupada, It's Your mercy due to which I came in touch with Your divine company and this Hare Krishna society, six years ago. I remembered that on September 2012, I attended the 'BIG GYAN ' class in my college which was taken by Your devotees and I got Your divine books "BHAGAVAD GITA AS IT IS". After that on 31 December 2012, I visited the KRISHNA BALARAM TEMPLE to attend "NEW YEAR CELEBRATION & after that we were asked to register for sessions of "Secrets of Success" and I registered for that, and yes it was the best session of my life. It's completely Your mercy by which I am able to understand something about life, death and life after death and what is purpose of life.

Srila Prabhupada, in this way my journey of Krishna Consciousness began. I got introduced to chanting of Hare Krishna Maha-mantra, engaged in devotional services, got opportunity to visit various spiritual places like Vrindavan, Mayapur, Jagannatha Puri, & Dwarka. I got many spiritual friends in folk hostel who raised me in Krishna Consciousness and I am very much thankful and indebted to them.

Prabhupada, because of Your divine mercy I got the opportunity to live with Your devotees. Although I don't have such qualification to get this opportunity but it is Your causeless mercy.

My journey of Krishna consciousness is filled with ups and downs and nothing is hidden from You Prabhupada. I beg You, if possible, to please forgive me for my offenses which I did to my god brothers and my mentors specially Mahakurma Prabhu and to others to whom I offended with my mind, body or words.

Busy in my sense gratification I am not able to recognize that these devotees are working for my upliftment, but with my activities I am giving them trouble only.

Srila Prabhupada, I don't know why but You have still kept Your glance upon me, otherwise today I could not have been here. It is Your causeless mercy only that still I am able to chant Hare Krishna Maha-mantra.

Srila Prabhupada please keep guiding me, so that I can chant the Hare Krishna Maha-mantra nicely to please the "NAMA-PRABHU" and follow bhakti throughout my life and make progress in Krishna consciousness.

Your servant of the servant,

Bhakta Manish.

आदरणीय गुरुदेव,

श्रील प्रभुपाद से हमने बहुत कुछ सीखा। मैं एक अंधकार में सोया हुआ था मैं एक दुकान करता हूँ ऑटो पार्ट्स की मैं दुकान पर बैठा था तो कुछ हरे कृष्ण मंत्र जप रहा था मैं जानता नहीं था कि हरे कृष्ण मंत्र क्या होता है। मैं तो वैसे ही हरे कृष्ण मंत्र जप रहा था। दुकान पर बैठा बैठा हरिकेश प्रभु कुछ ऑटो पार्ट्स का मेरी दुकान से कुछ सामान लेने आए थे तो मेरे से बोले कि आप हरे कृष्ण मंत्र जपते हैं मैंने बोला हाँ, लेकिन मैं जानता नहीं था के हरे कृष्ण मंत्र क्या होता है इससे क्या होता है। हरिकेश प्रभु मुझसे बोले आपने गुरु बना लिया? मैं बोला गुरु क्या होता है, कैसे बनाया जाता है, क्या होता है, ऐसे क्या होगा, तो हरिकेश प्रभु ने श्रील प्रभुपाद के बारे में बताया। मुझे बहुत अच्छा लगा आपके बारे में सुनकर। मैं जयपुर आया, प्रभुपाद आपसे आठ माला की शरण ली और आपकी पुस्तक पढ़ता हूँ और 16 माला करता हूँ। मैं दुकान पर बैठा नशा करता था, गुटके खाता था, जाने क्या क्या करता था अब मैंने पहली सभ्य आदत छोड़ दी है मैं अब सुबह जल्दी उठता हूँ, पूजा करता हूँ, माला करता हूँ, पुस्तक पढ़ता हूँ। मुझे बहुत कुछ अच्छा लगता है मैं श्री प्रभुपाद आपको अपनी तरफ से बहुत बहुत बहुत धन्यवाद करना चाहता हूँ।

क्योंकि प्रभुपाद आपने मेरे जीवन को एक खराब दिशा से सही दिशा की ओर मोड़ दिया है, मैं आपको अपनी तरफ से धन्यवाद करना चाहता हूँ।

आपका चरण इच्छुक दास,

भक्त मनीष अग्रवाल (धौलपुर)।

Dear Srila Prabhupada,

I offer my humble obeisances unto the lotus feet of my spiritual master..

It is said in Chaitanya Charitamrta (CC Madhya 17.80) that

*mūkam karoti vācālam paṅgum laṅghayate girim
yat-kṛpā tam ahaṁ vande paramānanda-mādhavam*

By the mercy of the guru, even a dumb man can become the greatest orator, and even a lame man can cross-mountains. As advised by Lord Brahmā, one should remember this śāstric injunction if one desires success in his life.

Today, on the occasion of Vyasa puja.

I am feeling myself very fortunate that I have got the chance to glorify my spiritual master.

I am really grateful to have You in my life. After meeting You, my life has really changed. I have lost my all anger and now I can per see the world from different point of view with very soft heart and kindness.

You are fully Krishna Conscious, in any circumstance or situation, You never forget Krishna.

Your's most wretched soul,

श्रील प्रभुपाद को प्रणाम करता हूँ।

उन्होंने बहुत कुछ सिखाया है। ब्रह्म मुहूर्त से पहले उठना 4:30 बजे मंगला आरती करना, तुलसी आरती करना, नरसिंह आरती करना, और गुरु पूजा करना भगवान को भोग लगाना और प्रसाद ग्रहण करना, 4 नियमों का पालन करना और उनकी पुस्तकों का पूर्ण अध्ययन करना। हमारे प्रभुपाद जी ने बहुत कठिन परिश्रम किया है और हमको एक नया जीवन प्राप्त हुआ है उनकी कृपा से, उनको सादर प्रणाम करता हूँ और हमें दास का दास बन कर रहना चाहिए।

आपका दास,

Dear Srila Prabhupada,

Please accept my humble obeisances

I am writing these all my thoughts on the occasion of VYAS PUJA 2019.

I am an engineering student in MNIT JAIPUR. I came in contact of Hare Krishna Movement during the birthday celebration of one of my friend in folk residency Jaipur. I belong to a devotional family in which I could know about Supreme Personality of Godhead, who drives all of us in this world. My father taught me that who is GOD? Why do we worship God? What is the need of this worship? After coming to ISKCON, I came to know something about Srila Prabhupada that how he went to foreign and how he started KRISHNA CONSCIOUSNESS among those totally materialistic people. Srila Prabhupada taught us how we can get that Supreme Personality of Godhead in this KALIYUGA. He told us HARINAAM KIRTAN is the only way to get GOD in this KALIYUGA where all the people are trapped in only materialistic things. I started new chapter of my devotional journey with one round of Hare Krishna Mahamantra japa that pleased me very much. One another thing which I like most that is all lectures are about SRIMAD BHAGVAD GITA and SRIMAD BHAGVATAM so his all thoughts are connected with DHARMA.

I don't know about other persons of ISKCON but I can say that Srila Prabhupada was the real messenger of GOD.

I have only this experience about Srila Prabhupada and ISKCON till now.

Your servant,

Bhakta Manuraj Varshney.

ॐ अज्ञान तिमिरान्धस्य ज्ञानाञ्जन शलाकया । चक्षुरुन्मीलितं येन तस्मै श्री गुरुवे नमः ॥

श्रीला प्रभुपाद, आप हमारे पूजनीय अध्यात्मिक गुरु हैं। श्री कृष्ण भगवान के अत्यंत अतरंग सेवक होने के कारण श्री गुरुदेव स्वयं भगवान के समान हैं। यह शास्त्रों में प्रमाणित माना जाता है। भगवान श्री हरि)श्री कृष्ण(के ऐसे प्रमाणित प्रतिनिधि के चरण कमलों में सादर नमस्कार करता हूँ।

श्री गुरुदेव के चार सिद्धांतों से हमारे जीवन में काफी बदलाव आया है। हमारा धार्मिक जीवन जिन चार स्तंभ पर टिका है – दया, पवित्रता, तपस्या व सत्यता - इन सभी का पालन गुरु महाराज की आज्ञा का पालन करके ही आसान बनाया जा सकता है। उन्हीं की कृपा से हम आध्यात्मिक जीवन में प्रगति कर सकते हैं। श्री कृष्ण की अंतरंगा शक्ति, जिसमें हम मुक्त अवस्था में थे, उसमें जागृति प्रदान करने में गुरु की कृपा ही वरदान साबित हो सकती है।

आज व्यास पूजा के प्रति नतमस्तक होकर कृतज्ञता व्यक्त करने का दिन है। गुरुजी के प्रति हम अपनी कृतज्ञता अर्पित करते हैं। गुरु जी हमें भगवान कृष्ण तक ले जाने या मिलवाने का एक मात्र माध्यम है)वह एक कड़ी का काम करते हैं।

श्रील प्रभुपाद की शरण में जाकर कृष्ण की प्राप्ति ही जीवन का लक्ष्य है और यह गुरु कृपा से ही संभव है क्योंकि गुरुदेव भौतिक जगत के दुखों से हम सभी पीड़ित लोगों का उद्धार करते हैं ऐसे श्री गुरु जी का मिलना सौभाग्य की बात है। तस्मै श्री गुरुवे नमः

भारतीय संस्कृति में गुरु के महत्व को बताने या दर्शाने के लिए कोई दिन या शब्द हमेशा कम लगते हैं। हम अपने अध्यात्मिक गुरु श्रील प्रभुपाद को आदर प्रशंसा एवं पूजा से कोटि-कोटि प्रणाम व धन्यवाद करते हैं।

जय श्रील प्रभुपाद,

आपका दास,

भक्त मिहिर बिस्वास.

Dear Srila Prabhupada,

I was in deep slumber of ignorance, but You kindly awakened me by the torchlight of knowledge. I do remember the day when I fortunately received Bhagavad-gita As It Is authored by Your Divine Grace from one of Your disciples and that turned my life; Your instruction is so sublime and powerful that it can ignite the spark of devotion for the Lord even to an atheist.

You have taught us, "Godhead is light. Nescience is darkness. Where there is Godhead there is no nescience."

The only way to avoid the influence of ignorance is to always associate with Godhead by the sublime transcendental process of chanting:

"Hare Krsna Hare Krsna Krsna Krsna Hare Hare/ Hare Rama Hare Rama Rama Rama Hare Hare"

You are the great emissary of Lord Krsna, the Supreme Personality of Godhead, who kindly broadcasted the message of Lord Krsna on every surface of the globe. In fact this is the prediction of Lord Chaitanya and conceptualized by His Divine Grace Bhakti Vinod Thakur and Bhakti Siddhanta Saraswati Goswami Srila Prabhupada, eventually executed by Your Divine Grace on the order of Your Spiritual Master, His Divine Grace Bhakti Siddhanta Saraswati Goswami Srila Prabhupada.

Your tremendous contribution to the world cannot be repaid and particularly Your books are eternal. You are the great spiritual ambassador to the human society who has a mission of uplifting the modern human society from degradation by bringing them nearer to God.

I would like to offer my infinite obeisances to You and earnestly pray to Lord Krsna on this holy and auspicious Appearance Day to bestow upon me blessings, so that with the association of devotees, I can wholeheartedly follow the divine instructions of my beloved Spiritual Master, His Divine Grace A.C. Bhaktivedanta Swami Prabhupada, without fail.

Your most fallen Sarvent,

Bhakta Mithun Kumar.

Bhakta Mohit Gupta.

Dear Srila Prabhupada,

Please accept my humble obeisances.

I am Your most fallen servant; I don't know, I still have any credit to write this letter to You but I want to thank You to start Iskcon all around the world and to regularly guide me through Your devotees. For my study purpose, I live in Moscow even in such fallen city there is one place, where I can still continue some of Your guidance, its Your place my guru, its Your Iskcon that still has very pleasant and Krishna conscious environment. Prabhupada when I see Russian devotees (who even don't know our culture by birth) doing such wonderful and selfless seva, gets me melted from my heart, Your contribution to there heart and soul is unmatched. Prabhupada, when I do Your aarti on Saturday evening, my mind every second seeks Your pardon because deep from my heart I know I am very fallen. Its all Your mercy who makes me to do such great seva.

Prabhupada this blazing fire of the material world is burning me and knowingly I am killing myself day after day. I am completely blind about a way out. Prabhupada, I many times realize that Your words are only truth in this world, I many times realize that there is no meaning of money or opulence but still I am running for money. Prabhupada, even getting Your mercy to understand Krishna consciousness is deep and even living for a year in folk hostel, its only and only my stupid-ness that drives me. I don't know what I am doing in this world, I think I am again lost and You are the only savior I know. I'm so unfortunate and fallen that I do not properly follow Your words.

I pray to You that You kindly forgive this fallen soul for not taking Your instructions and guidance seriously. I'm always attracted to obnoxious habits and I'm always very offensive to learning I get from Your books and devotees. In spite of all

my shortcomings I'm surprised to see how You never forsake me or rather I'm seeing that I'm still being used as an instrument in Your service. Please help me giving strength and enthusiasm to do more service skillfully and surrender everything to Your credit only. Please make me only covetousness to be in Your service and nothing else than that. Please show mercy on me and give me the strength so that I may not deviate.

Prabhupada, now I can only seek Your pardon and thank You for Your holding.

Hare Krishna! Begging to be Your servant,

Bhakta Mohit Gupta.

Bhakta Mohit Soni

Dear Prabhupada,

Please accept my humble obeisance at Your lotus feet. By Your Grace I found the real questions of life & purpose of this human birth. You are just like fire and we are like wood; by Your mercy we have started to recognize the fire within us. I am trying to develop my consciousness. At many moments I have found that Krishna & You give me the directions of life. Thank You very much to come in my life.

Again Dandwat Pranam..

Your Seravant,

Bhakta Mohit Soni.

Bhakta Mohnish

Dear Srila Prabhupada,

Please accept my humble obeisance. Sometimes I think that how is it possible for someone to be this merciful! I can't thank You enough for what You had done in this world. You not only opened the doors of salvation for fallen souls like me but You gave us a purpose to live. Your spiritual army rescued me and got my back, when I needed the most. During my time in folk, I not only came close to Krishna but I also came close to myself. I learned (and still learning) the value of devotion and the importance of a selfless life. During my time in HIM I came in touch with some incredible devotes and bhaktas who not only taught me how to follow You on the path of supreme lord but also how to survive in this material world. I don't have enough words to describe my gratitude towards You. Please keep on guiding me, thanks for giving the meanings to my meaningless life; I am humbled.

Your fallen servant,

Bhakta Mohnish.

Dear Srila Prabhupada,

Please accept my humble obeisances unto Your lotus feet, which is the only shelter for the fallen souls like me. Thank You Gurudeva for everything thing You did for us, although "thanking" You itself is not enough but I'll try my best to express my gratitude towards You in this one page of Vyasa puja offering.

By Your grace and mercy, we came to know the true meaning of teacher (Guru), which is the person who teaches with His personal example and practical action. After reading Your books I came to know the true meaning and aim of life, which is to understand Krishna, worship the Lord and never forget Krishna even for the fraction of seconds. Your book always helps me understand the true nature of this world and position of living entity, analogies which You have explained in Your books

always plays an important role in understanding philosophy of Krishna Consciousness. Whenever my mind become disturb then kirtans sung by You help me to calm myself and thing positively.

Your journey of founding ISKCON is perfect example of how to keep faith in Krishna's holy name and to work for Krishna vigorously & enthusiastically. You truly explain the meaning of "Unity In Diversity" by bringing together people of different culture and country and make them dance together on transcendental sound vibration of *HARE KRISHNA HARE KRISHNA KRISHNA KRISHNA HARE HARE, HARE RAMA HARE RAMA RAMA RAMA HARE HARE* in the very first Lord Jagannatha's Ratha Yatra (Cart Festival) in New York on July 8, 1976.

Although I am not a perfect, I commit mistakes; have some bad habits but You, still keeping me in Your shelter which represent that how merciful You are, please be merciful on me, help me in remembering Krishna always in every highs and lows of my life. Please keep in shade of Your lotus feet thank You once again. All Glories to His Divine Grace A.C Bhaktivedanta Swami Srila Prabhupada.

Your Servant,

Bhakta Mrigank Singh.

मैं आज बहुत खुश हूँ कि मुझे आज जगत गुरु प्रभुपाद जी का गुणगान करने का मौका मिला

मैं पिछले 2 साल से प्रभुपाद जी के द्वारा चलाए गए इस कृष्ण भावनामृत आंदोलन से जुड़ा हूँ। मुझे यहाँ बहुत कुछ जानने और समझने को मिला है। भगवान की भक्ति में मैंने अपने आप को लगाया जिससे कि मेरा जीवन बहुत आनंदमय हो गया है। भक्ति के साथ मैं अपनी सेवा को भी मैं मन लगाकर कर रहा हूँ। मुझे भक्ति में बहुत सारी परेशानियाँ आ रही हैं और समय भी बहुत कम मिलता है।

प्रभुपाद जी मुझे माफ करना कि मैं मंगल आरती में शामिल नहीं हो पा रहा हूँ। आप मुझे शक्ति प्रदान करें जिससे मैं मंगल आरती में शामिल हो सकूँ माला भी मैंने शुरू करी थी लेकिन बीच बीच में नहीं हो पा रही हैं, रह जाती हैं क्योंकि सेवा में बहुत व्यस्त हो जाता हूँ। मैं खुश हूँ कि मैं जहाँ रह रहा हूँ वहाँ मुझे भक्ति का वातावरण मिल रहा है। मैं बहुत खुश हूँ कि मुझे यह सौभाग्य मिल रहा है कि मैं भगवान को चढ़ा हुआ भोग प्रसाद के रूप में पा रहा हूँ।

और मेरे प्रभु जी (चंद्रभानु प्रभु जी) मुझे भक्ति के लिए मुझे बहुत प्रेरित करते हैं। मैं आपका धन्यवाद करना चाहूँगा कि आपने मेरे जीवन में मुझे इतना सुंदर अवसर दिया कि मैं भी भक्ति में आ सकूँ। मैं आपसे प्रार्थना करना चाहूँगा कि मुझे सदैव ऐसे ही लगाए रखें।

आपका सेवक, भक्त मुकेश.

हे गुरुदेव! माया के प्रबल प्रभाव से मुझे बचाए रखना ताकि मेरे जीवन का लक्ष्य पूर्ण हो सके तथा आपके भक्तों के संग में रहते हुए, मुझे संकीर्तन एवं बुक वितरीत कार्य करने की शक्ति प्रदान करें।

Dear Srila Prabhupada,

The nature of this material world is just like a forest fire, no one sets forest fire, yet it takes place. Similarly in this material world no one wants misery yet they arise automatically, perplexed by this condition we were highly discontented and unsatisfied. Just like a forest fire can be extinguished by rains brought by clouds similarly, the spiritual master is receiving benediction from ocean of mercy and delivers the materially affected world by extinguishing the blazing fire of material existence. Life after life I was born in this same dark place which had overtaken my existence and therefore out of ignorance I was engaged in so many abominable activities that were highly unjust to Your beloved master. Still out of Your incomparable compassion You accepted me and opened these blinded eyes with transcendental knowledge which became even more auspicious when emanates from Your lotus mouth. A fan is made to serve people, but it can't rotate unless supplied by electricity.

Similarly, O My Divine Grace! I am meant to serve Krishna, but I am unable to do so until I receive Your mercy. Even after eternity of my life I can't repay the debt You have upon me, but unfortunately I am so arrogant that I have no attachment to Your lotus feet. This attachment is made possible only if I can obtain the mercy of Krishna, but adding to my misfortune I have no qualification to serve Krishna, only if You grant me permission I can serve Krishna and by His grace obtain a small corner of shade under Your lotus feet for which the denizens of three worlds aspire.

Due to littleness of my existence I am prone to be influenced by brittle charm of this material world, but I beg You never to give up upon me, and take away this wonderful association You gave me, for now I feel eternal service to Your lotus feet

will be sufficient for me. Only by Your mercy this infinitesimal bud of intellect can bloom in flower of unadulterated devotional service to Krishna, which indeed, was Your magnificent mission. All Glories To Srila Prabhupada!!

Your servant, Bhakta Nakul.

परम पूजनीय आध्यात्मिक गुरु श्रील प्रभुपाद जी

साष्टांग दंडवत प्रणाम,

सर्वप्रथम मैं अक्षय पात्र श्री कृष्ण बलराम मंदिर के आदरणीय भक्तों का आभार व्यक्त करना चाहता हूँ जिन्होंने आपसे मिलवाकर मुझे आपका शिष्य बनने की प्रेरणा दी।

आपके बतलाए मार्ग पर चल कर ही मैं श्री कृष्णभावनामृत की ओर बढ़ सकता हूँ ऐसा मेरा विचार है। निस्संदेह श्री कृष्ण की ओर बढ़ने के लिए जो आध्यात्मिक ज्ञान मुझे माया के जंजाल से निकालने का रास्ता दिखलायेगा वो आप द्वारा रचित साहित्य पुस्तकों को पढ़ने व समझने से मिलेगा ऐसा मेरा विश्वास है।

आपसे मेरी प्रार्थना है कि आपके साहित्य को पढ़ने समझने व उसे आत्मसात करने में मेरी सहायता करें जिससे मैं अपना शेष जीवन श्री कृष्ण की भक्ति का रसपान करने में खर्च करूँ और कलयुगी माया के बंधनों से निकल सकूँ।

आपके आशीर्वाद का आकांक्षी,

भक्त नरेश कुमार सचदेव.

मैं रोज़ आपके द्वारा बताया हुआ पंचतत्वमन्त्र, भक्ति वेदांत मंत्र और नरसिंह आरती बोलता हूँ।

मुझे भक्ति में बहुत आनंद मिलता है जब मैं टेम्पल जाता हूँ तो वहां कृष्ण भक्ति, डांस और प्रसाद भी मिलता है ये सब आपकी ही कृपा है। हे प्रभु मैं घर में रहते हुए भी आपकी अच्छी भक्ति कर लेता हूँ ऐसी आपकी कृपा सदा बनी रहे। हरे कृष्ण।

All glories to Srila Prabhupada,

I bow to the lotus feet of my spiritual master again and again for giving me this wonderful Krishna conscious life.

This is great fortune of mine that His Divine Grace took me in His Divine Shelter.

Prabhupada, You gave me several opportunities to serve You, but fallen soul like me failed to serve His lotus feet every time, still You are showing mercy upon me and keeping me in divine shelter and allowing me to chant and worship Radha Krishna. My only wish and also request from You is that please allow me to serve Your lotus feet in this life and in all next births so that I will be able to focus my full attention to serve Your mission.

Prabhupada, Your vision is so wonderful that You opened so many centers across the world so that fallen souls like me can easily get into the contact of pure devotee and Your guidance is always available through these institutions, books and devotees. Thanks Prabhupada for Your mercy.

In great desire to become Your eternal servant,

Dear Srila Prabhupada,

Please accept my humble obeisance. Srila Prabhupada, this is my 3rd year under Your shade. The causeless and limitless mercy and love You have for this sinner is way stronger than the effect of illusionary energy of this material world. I know from where all this started, Your one glance at the confused boy standing at Your Samadhi Sthala at Vrindavan, roaming here and there, having so many questions in mind and inquisitiveness to ask them, Your glance at him allowed him to meet Your disciples in Jaipur, that was Your plan. From nowhere You took this confused fallen soul and gave him the most valuable and exceptional gift of this human life that is Krishna Bhakti. For me, Krishna Consciousness was very difficult at the beginning but because of Your personal guidance in the form of strong realizations helped me a lot to move further on this divine path. The more I spent time with Your books, Your pastimes and Your teaching/instructions, more my faith on this transcendental process and love for Sri Sri Radha & Krishna increased. I felt Your personal presence and Your hand on me. The list of realizations is very long and will not be expressed by the means of words. Srila Prabhupada, on the occasion of Your Vyasa Puja, this fallen soul is asking for Your mercy and blessings for serving You and Your movement throughout this very life. I was no one and the love You gave me and the way You allowed me in Your shade is matchless. My only wish to have a life surrendered to You as your disciple and to serve You with all of my energy.

A fallen soul,

Bhakta Nihal Shastri.

Bhakta Nikhil Joshi

My most respectfully obeisance for Guru Maharaj - A.C Bhaktivedanta Swami Prabhupada

Guru Maharaja, its due to Your mercy only, I am able to write this offering.

I cannot thank You enough for the mercy that You have bestowed on me. You paved the way towards the spiritual world.

We were entangled in the material world thinking it as the life, but you had made us realize that the real life is beyond the day to day work. It is meant really meant for the worship of "Sri Krishna".

You taught us how to live "Beyond Birth and death"...You had taught us to ask "perfect questions"...and You always have "perfect answers" to them.

You had made us to walk on the path of "Self Realization".

Myself along with the coming generations will be thankful to You for writing such wonderful books. We feel Your presence in each letter of these books.

The best gift You had given us is "Chanting"

I am thankful to You for telling us the importance of chanting. Its the most powerful weapon to fight with material life in this Kali yuga.

I wish to get Your mercy forever.

Your Servant,

Bhakta Nikhil Joshi.

Bhakta Nikhil Mittal

Dear Srila Prabhupada,

I offer my sincere obeisances at Your lotus feet.

I will be eternally grateful to You for showing me the correct path & saving me from impersonalism & showing me the right way of bhakti. Without Your help I would be bewildered. I thank You for inspiring me to perform bhakti fearlessly in any circumstance & never leaving the side of truth.

You have very nicely & poetically described the dark condition of material existence.

Prabhupada please deliver me from this dark condition by carrying with You the shining lamp of knowledge.

At last, I would like to say, Your mercy is most important to me than anything else. How can I understand Krishna without Your blessings. You always stressed about 'pure devotional service' & that sound vibration has imprinted in my heart. I know my duty is to strive for pure devotion & to serve You & Krishna.

Your unworthy servant,

Bhakta Nikhil Mittal.

Bhakta Nilesh B Hadiya

All glories to my spiritual master, A.C Bhaktivedanta Swami Srila Prabhupada,

I pay my humble obeisances unto Your lotus feet.

Prabhupada, By Your merciful glance this insignificant soul has got a chance to begin its spiritual life and everyday experiencing new realizations in spirituality. In this two year of my Krishna Conscious life, I have achieved a lot. All the auspicious moments what has come to my life it has come by Your causeless mercy.

Probably, I could never understand how spiritual master favors his sincere disciple, but I could see the strong impact of how my and everyone's lives has been transformed into better human being and started their real journey towards ultimate goal. Now, my only desire is that no forces in this world should shake my determination & take me away from serving you. Your mercy is available to everyone & everywhere, But can be realized only by genuine seeker. No one can be more dearer & soothsayer, because You are our real father & Mother and ever Well-wisher.

Always in your service, Bhakta Nilesh Bhadiya.

Bhakta Nimesh

Dear Srila Prabhupada,

I'm a useless soul but You have engaged me in devotional service. Without Your mercy it's impossible to do bhakti. You have provided a very sublime process to do bhakti. I have faith that You are my father and You will never leave my hand. Please be merciful to this fallen soul so that I can come out from my anarthas. I believe that You have well set plan for my journey to Goloka. Please bless me so that I can become more and more serious and sincere in devotional activities. It is said that nobody can understand the plan or mind of a pure devotee like You. I need Your blessings so that I can fully surrender in the mission of Lord Sri Krishna Chaitanya.

Because I have no capacity to join this army by my own strength. Please make me puppet in Your hand. I'm a beggar and I beg Your mercy so that I can completely come out from my offensive nature and can follow Your instructions as my life & soul.

Your Fallen Servant, Bhakta Nimesh.

परम आदर्णिय गुरु महाराज श्रील प्रभुपाद जी,

सर्व प्रथम मेरा प्रणाम स्वीकार करे।

हरे कृष्ण हरे कृष्ण कृष्ण कृष्ण हरे हरे हरे राम हरे राम राम राम हरे हरे। यह मंत्र जब में सुनता हूं तो मन शांत हो जाता है गुरु महाराज का यह मंत्र उनका मेरे ऊपर एक ऋण है जो में जिंदगी भर नहीं उतार सकता हूं।

मुझे यहां पर आते हुए 1 वर्ष हो गया है। मुझे यहां पर रोज आने का मन करता है परन्तु ग्रहस्ति के कारण में आ नहीं पाता हूं।

मुझे मन्दिर में दर्शन करना, हरे कृष्ण मंत्र को सुनना, प्रभु के प्रवचन को सुनना, प्रसादम लेना बहुत अच्छा लगता है जिसके बाद में अपने गलत विचार जो मन में थे सब समाप्त हो जाते है। में गुरु महाराज की और कृपा प्राप्त करना चाहता हूं।

आपका शिष्य,

Dear Srila Prabhupada,

All Glories to You, please accept my humble respectful obeisance at Your Divine Lotus Feet.

All Glories to You on this very auspicious day of Your Vyasa-Puja.

You are the Sun in this dark age of Kali-Yuga and Your divine teachings are like glaring effulgence which is spreading in this whole world and awakening the people from darkness of this material world and enabling them to progress in real spiritual life.

You are so merciful that just by Your one glance and by following Your teachings a poor soul will certainly get delivered there is no doubt in this.

I am the poorest soul who has fallen in this age of Kali but I still found myself fortunate that Your Divine Mercy is available to a soul like me as well and by Your Great Divine Mercy, I came in the association of "Hare Krishna movement".

Dear Srila Prabhupada, I don't have any ability to accomplish any of the goal You gave us, but please allow me to be a servant of the servant of Your devotees. Please keep me under the shelter of Your divine lotus feet.

My dear Srila Prabhupada, Your each and every memory, I have read has deeply impacted my soul and would want to mention some of the Divine Memories.

1) When during an ecstatic Kirtan, Narada Muni came and was laughing after seeing mlecchas and candalas dancing and chanting Hare Krishna Maha Mantra.

2) How Lord Sri Sri Radha-Londoneshwara complained to You about morning offering plates are not being washed properly,

3) You gave Lugloo to one of the disciple which (Lugloo) was simply out of this world and Mother Yashoda used to cook it for Krishna and Krishna liked it so much and he used to keep extra in his pocket while going out for tending the cows so that he could eat them throughout the day.

Indeed all of the memories are divine and really amazed us that how close to Krishna our Guru is.

Prabhupada, by Your merciful glance this poor soul has got a chance to begin its spiritual life

O Prabhupada, Your divine kindness is limitless and endless and provides shelter to every single being in the whole world.

Please always keep me under Your shelter and divine mercy. Your humble servant always lying at Your lotus feet.,

Your servant, Bhakta Pankaj Attri.

Bhakta Prakash Kumawat

Dear Srila Prabhupada,

Please, please accept my humble obeisances unto Your divine lotus feet.

Another one year passed but again I'm poor soul has not served you and your mission. I absolutely have no qualification for Your mercy and blessing but still You have so kindly given me more than what I deserve. I remember the days before coming in touch of Your mission You picked me and given me path to ultimate goal of human life . but I am such a fool that again and again in the waves of martial nature I am drawn away.

Prabhupada, You are the only hope of billions being to get delivered and get connected to our eternal father Lord Krishna the Supreme Personality of Godhead. As a sunshine You showered Your mercy to this planet and given the way of ultimate goal love of Krishna. At advanced age from jaladuta to the last day of Your physical presence on this planet, You preached the message of Chaitanya Mahaprabhu. It shows how firm is your grace towards delivering fallen souls to their eternal position.

I absolutely have no qualification nor I have strength to get Your mercy. When I think how low I am, my heart grows heavy. Please give me strength to improve my chanting exclusively, to follow regulative principles strictly and to be Your servant eternally.

Begging for Your mercy,

Bhakta Prakash Kumawat.

Bhakta Pranay Pareek

Dear Srila Prabhupada,

Please accept my most respectful obeisance at Your lotus feet. All glories to Your Divine Grace.

It has been another year wherein I have realized Your mercy unto me in form of spiritual guidance You have been giving. I clearly remember the day when I first visited the temple, first time I read Your books and heard lecture. I was not aware of what was coming next. It has completely changed my perspectives about the life and thereafter. I got the biggest gift of my life in the form of Your books, Sadhu-sanga, chanting Maha-Mantra, Krishna Prasadam, and the most important thing the knowledge about the real purpose of this birth, all because of Your Divine Grace. I am grateful and indebted to You Srila Prabhupada, for creating and showing me the path to reach the ultimate goal by devoting our life in the service of Lord Krishna, The Supreme Personality of Godhead. I cannot repay this debt even after serving Your lotus feet for the eternal time.

Even after receiving Your mercy in the quantities of ocean, I am so fallen that I'm not serving You and Your mission the way I have to. I'm still in the clutches of Maya and keep falling deep into it, because of offences committed by me knowingly or unknowingly. In this situation, I can only pray to Your lotus feet to give me the strength so that in this adverse condition I could still be in Krishna Consciousness.

Your most fallen servant,

Bhakta Pranay Pareek.

Bhakta Pranjal

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to Your Divine Grace !!

I am not worthy to stand before You or speak a word about You but because You are the only true well-wisher I have in this fake world, please allow me to ask for forgiveness and help.

Being an excellent materialistic I have lost Your instructions and intelligence to judge. I act just as an animal. I am lost. I possess all the bad qualities of a sinful man. I am sinful indeed. But still I am Your son.(the worst son though) You are my true father. O father ! Please bring this ignorant boy home. Give me the desire to serve Your lotus feet and make this waste as an instrument of Your service.

O Merciful Prabhupada! You descend to help fallen souls exactly like me. Considering me the most fallen living entity. Forgive my sins and save me Dear Srila Prabhupada.

Bless my friends Nikunj prabhu and Sumit prabhu.

Your grateful although a cheater servant,

Bhakta Pranjal.

Bhakta Prashant Purohit

Dear Srila Prabhupada,

First of all I would like to offer my humble respects unto Your lotus feet. It is very difficult to explain in the words that how important the position of a spiritual master is in any disciple's life. But I will try to put it in words. I was deeply in the love with the Supreme Personality of Godhead LORD KRISHNA and will always remain but it was only You who instructed me how to love KRISHNA, how to feel KRISHNA, how to stay in touch with KRISHNA and most important how to achieve KRISHNA Consciousness.

PRABHUPADA, I never saw You as You left this material world before my birth but due to the blessings of KRISHNA I would be able to come in connection with your pleasing personality with Your different video, audio, quotation and messages available on internet. I also try to take the guidance from Your books which are the immense sources of true knowledge.

Your philosophy of Krishna consciousness and the purport given against every shloka in BHAGAVAD GITA AS IT IS answers all the arduous and bedevil questions in the life.

The way You shown to this polluted mankind where one should completely engage his services and talent to please KRISHNA only, is a very significant way for the advancement in the spiritual life.

Prabhupada because of Your teachings and enlightenment I could understand the greatness of spiritual life over this material life. Since I have taken shelter at Your lotus feet my life has changed completely and I realized that we are meant to serve KRISHNA only.

You had mentioned that when You won't be in this material world, Your Vani (Voice, Speech) will be there to show the path in every difficult situation. I always try to follow Your Vani recorded in Your books and audios. Your books will always be there with us as Your blessings.

My immaculate wish is to get initiated and serve the Supreme Personality of Godhead LORD KRISHNA as much as I can. Srila Prabhupada, You are very compassionate, please shower Your blessings on me so that I would be able to achieve this, and provide me the shelter at Your lotus feet so that I won't deviate ever from serving KRISHNA.

Adoration in the lotus feet of Prabhupada

Dear Srila Prabhupada,

I offer my respectful obeisances unto His Divine Grace A.C. Bhaktivedanta Swami Prabhupada, who is very dear to Lord Krishna, having taken shelter at his lotus feet. Our respectful obeisances are unto You, O spiritual master, servant of Bhaktisiddhanta Saraswati Goswami. You are kindly preaching the message of Lord Chaitanya and delivering the Western countries, which are filled with impersonalism and voidism. I am not much qualified to glorify You but still You gave me this golden chance. I am grateful to those who shared their wisdom with me. From the first day I came in touch with Hare Krishna Movement, my life has been changed. I became more positive and selfless. Surely this is the greatest gift a person can be given. Previously I had no faith on god but now You have filled my head with knowledge and yet my heart with the love for God. Since I walked on Your path, a lot of challenges came to me. I started chanting four times a day. You have definitely made a positive difference in my life and You do it all with a positive attitude. You created lessons that were thought provoking and helped to create a better me.

Thank You for being such a wonderful teacher.

Your servant,

Bhakta Prashant Tiwari.

Dear Srila Prabhupada,

Please accept my humble obeisances unto Your lotus feet.

I offer my respectful obeisances unto my spiritual father Srila Prabhupada, who has opened my eyes which were blinded by the darkness of ignorance with the torchlight of knowledge.

I have no words to glorify You because Your glories like as ocean. By Your mercy, my life is changed. I don't have any type of quality to perform the service of Your lotus feet and all the bad things present in me. I have done so many misdeeds knowingly. I have made many promises with You Prabhupada but I could not even complete any one of them. I am repeatedly doing offences and not following Your instructions sincerely. But Prabhupada You are so merciful that You again and again providing me the opportunity to serve.

Prabhupada, You gave me eternal and blissful things, which so many materially fortunate people also cannot get. But I am so sinful or rascal that I am simply wasting my time in material activity or enjoying things. Prabhupada You gave me the highest knowledge of the universe, which is not even received to a yogi after doing austerity millions of years. Father, You taught me the truth of life. By Your teaching, I understand the real aim of life. You also gave me the opportunity to serve You and Your mission. But I am so fool, rascal that I am busy in doing material activity after knowing the aim of life.

O Father, please be merciful unto me and give me strength to serve Your lotus feet and Your mission. Whatever happens with me but You hold my hand for eternal time and never leave me. Because without Your mercy I am not able to do anything in Bhakti. Prabhupada please bless me that I can make progress in my bhakti and follow Your instructions sincerely.

Your most sinful servant,

Bhakta Raghudev Singh Chauhan.

My beloved Spiritual Master Srila Prabhupada,

Please accept my humble obeisances at the dust of Your Lotus Feet. All glories to Your Divine grace. Oh! Ocean of mercy, thank you to give me one more chance to read your Vyasa Puja offering. You are giving me such a nice training to make me Your sincere servant. You gave me chance to render personal service to Your prandhan Sri Sri Radha Krishnachandra and Your senior disciples. There You guide me, how I can become more surrendered to You.

Thank You to give me the opportunities one after another to serve You more better way. A year before only I joined your glorious army and got lots of realizations and reciprocation's from You. Becoming more convinced that without serving the lotus feet of Your divine grace, one cannot fixed in the Krishna Consciousness. Actually, I'm the most fallen among the Jivas. I do not deserve anything but it's your causeless mercy only that I'm allowed to serve your mission wholeheartedly. CC says, "out of many millions of wandering living entities, one who is very fortunate gets an opportunity to associate with a bona fide spiritual master by the grace of Kṛiṣṇa". Now my only wish is "guru-mukha-padma-vākya, cittete

koriyā aikya” to have my consciousness purified by the words emanating from your lotus mouth. “śrī-guru-caraṇe rati, ei se uttama-gati” Attachment to Your lotus feet is the perfection that fulfills all desires.

Sometimes I feel that “what if You were not” this age of ‘kali’ is much degraded. Everyone is running after money and women, which are the strong weapons of ‘Maya Devi’ but You teaches “Kṛṣṇa-sūrya-sama; māyā haya andhakāra, Yāhān kṛṣṇa tāhān nāhi māyāra adhikār” If You simply keep Kṛṣṇa within the heart then Your life is successful. Otherwise, in the darkness, there is always danger in every step. Lord Chaitanya who predicted, “*Priathivite achhe yata nagarādi grām sarvatra prachār haibe more nāma*”. You is the only Commander in Chief of this sankirtan army who preached the message of Lord Chaitanya throughout the planet, gave Hare Krishna Mantra to all and conducted Ratha Yatra’s all over the world. Now this Year also your devotees have conducted ratha yatra in almost 900 cities in the world.

You are patita-pavana, the savior of the fallen souls. Thank You Srila Prabhupada to save me from this saṁsāra-dāvānala by accepting me as your disciple with name Krishna Dasa. Now I promiss You to follow Your rules and regulations, but it’s not possible to me alone without your mercy.

I pray You to bless me to advance more and more on the spiritual path. To realize Your Divine Position so that I can understand You and will become more surrendered in addition become a worthy disciple.

Seeking eternal shelter at your lotus feet,

Your Servant,

Bhakta Rahul.

Dear Srila Prabhupada,

Please accept my respectful obeisance unto Your feet.

Prabhupada, one year has passed since I came in contact with Your representatives and really the journey till now has brought numerous transitions in me. This progression occurred in me at the level of various platforms be it mental, spiritual, physical or emotional. At body platform I came to know the value of disciplined and regulated life. Waking in brahma muhurata ,sleeping early, not consuming onion and garlic, effect of clean and peaceful environment all these helped me in purifying myself physically. Also chanting the holy name of the Lord and repeatedly hearing about their wonderful pastimes refined my mind which was earlier filled with tons of worries, aggression and instability. I also saw myself too transforming at spiritual and emotional level. Now equipped with the enlightening knowledge of Bhagavad-gita, I understood a little about the Supersoul, His laws of karma and nature. I realized that how much it is important to understand this knowledge .All these transformations, which have been brought in the life in me and in millions of others like me, would not have been possible without You, Prabhupada. You imparted Your knowledge to us in a very scientific and logical manner through Your "soldiers". For this not only I but the whole human civilization will remain indebted to You. I also offer my humble obeisances to the devotees who came in touch with me as Your representative.

Your servant,

Bhakta Rahul Kumar.

Most Revered and Respected Srila Prabhupada,

I offer my respectful obeisances unto His Divine Grace A.C. Bhaktivedanta Swami Prabhupada, who is very dear to Lord Krishna on this earth, having taken shelter at His lotus feet.

Our respectful obeisances are unto You , O spiritual master, servant of Sarasvati Gosvami. You are kindly preaching the message of Lord Chaitanya Deva and delivering the Western countries, which are filled with impersonalism and voidism.

Today is a very auspicious day, as You appeared on this day.

Only by the mercy of You, I went through various preaching programs, attending, temples, participating in programs there, watching the dedication of the devotees there, reading Your books, hearing Your lectures, I could well realize my soul getting nourished by reading your books. Your books have such a power that if read properly they can uncover the hard covering of material energy and make one realize his relationship with the Supreme Lord.

I am glad at least now I could be able to understand certain things by Your mercy and I pray unto You to keep me in Your devotional activities till I die.

Hare Krishna.

Your servant,

हरे कृष्ण

कृपया अपने चरण कमलों में प्रणाम स्वीकार करें।

आप बहुत दयालू हैं तथा आप श्री कृष्ण बलराम व राधा रानी के शुद्ध भक्त हैं। पहले मैं अंधकार में भटक रहा था। मैं एक पत्थर के समान जीवन व्यतीत कर रहा था। परन्तु जब से आपका आश्रय प्राप्त किया है आपकी कृपा से मेरा जीवन ही बदल गया है। अब मुझे महसूस होता है कि मैं कौन हूँ तथा मेरे जीवन का उद्देश्य क्या है। आप मुझ पर कृपा बनायें रखें। मैं आप द्वारा लिखी गयी पुस्तकों का अध्ययन करता हूँ, प्रतिदिन 16 माला का जाप, मंगला आरती, तुलसी आरती तथा आप द्वारा बनाये गये नियमों का पालन करता रहूँ, आप मुझे आशिर्वाद प्रदान करें।

आप द्वारा चलाये गये अन्तर्राष्ट्रीय कृष्ण भावनामृत संघ इसी प्रकार आगे भक्तों का उद्धार करते रहें। तथा उन पर आपकी चरण छाया बनी रहे।

प्रिय प्रभुपाद,

आज श्रील प्रभुपाद जी के आविर्भाव के शुभ अवसर के दिन उनके चरणों में सादर चरण स्पर्श कर आज इस उपलक्ष्य में मैं अपने कुछ विचार आप सबके सामने रखना चाहता हूँ जो श्रील प्रभुपाद जी के आशीर्वाद और उनके द्वारा लिखी गई पुस्तकों के कारण मेरे जीवन को एक राह प्राप्त हुई जीवन का उद्देश्य और भौतिक संसार को पार पाने का रास्ता प्राप्त हुआ। मैं 3 साल पहले जगतपुरा स्थित अक्षय पात्र श्री श्री कृष्ण बलराम मंदिर से जुड़ा था और वहां प्रभु जी से समझा - श्रीमद् भगवत गीता यथारूप, जो श्रीला प्रभुपाद जी के द्वारा लिखी गई थी, पढ़ने और सुनने के बाद पता चला कि जो यह मनुष्य जीवन जो हम सबको सौभाग्य प्राप्त हुआ है उसका क्या उद्देश्य है और जीवन का क्या लक्ष्य है। 90% मनुष्य किसी बिना गुरु और सुनी सुनाई बातों से धार्मिक कार्य और धर्म का पालन करते हैं उनको पता नहीं होता कि जीवन का क्या उद्देश्य है श्रीमद्भगवद्गीता को पढ़ने के बाद ही मेरे जीवन में बहुत से परिवर्तन हुए हैं। मैंने उन बातों का पालन करते हुए अपने दिनचर्या में काफी बदलाव देखा। मेरे जीवन का लक्ष्य समझने के बाद अक्षय पात्र में क्लास में भाग लिया इसके कारण मेरे अंदर और जीवन में काफी बदलाव आए जीने का ढंग ही बदल गया रोजमर्रा के खाने पीने की आदत से जीवनशैली में परिवर्तन हुआ एक माला से प्रारंभ कर आज मैं अपनी व्यस्त जीवन में 8 माला रोज करता हूँ। मंदिर के प्रोग्राम में भाग लेता हूँ रविवार को शयन आरती में भाग लेता हूँ और प्रसाद ग्रहण करता हूँ छोटी-छोटी बातों में झूठ बोलना और गलत कार्य करने से पहले 10 बार विचार करता हूँ। पिछले साल प्रभु जी और भक्तों के साथ में वंदावन यात्रा पर गया था तब पहली बार वंदावन धाम के असली पहचान हुई उनके असली महिमा पता चली जो प्रभु जी ने हम सब को बताया पहली बार कृष्ण जी के जन्म स्थल हो लीलाओं का विवरण लीला स्थल देखने का मौका मिला तो आज तक पता ही नहीं था। यहां पता नहीं कितनी बार वंदावन धाम गए, एक अलग और अद्भुत अनुभव था और भक्तों का संग मंदिरों के दर्शन संकीर्तन, भजन, लीलाओं का विवरण अद्भुत था जो शब्दों में व्याख्या नहीं कर सकता इसलिए आज मैं श्रीला प्रभुपाद जी के आविर्भाव वाले दिन आभार प्रकट कर रहा हूँ कि उन्होंने अपने गृहस्थ जीवन का त्याग कर 70 साल की आयु में मनुष्य जीवन के उद्देश्य के लिए यू.एस.ए. में इस्कॉन की स्थापना की, विदेशियों को श्रीमद्भगवत गीता का ज्ञान दिया, और 108 इस्कॉन मन्दिरों की स्थापना की, मनुष्य के उद्धार के लिए कई धार्मिक पुस्तकें लिखी, श्रीमद्भगवद्गीता यथारूप का रूपांतरण किया, जिससे मेरे जैसे लाखों अज्ञानी लोगों का उद्धार हो सके, लोग जीने का मकसद समझ सके, जीवन के सिद्धांतों का पालन कर सकें और भौतिक संसार को पार कर सकें। धन्यवाद।

आपका दास, भक्त राजेश धवन.

प्रिय प्रभुपाद,

मैं पिछले दो वर्षों से बुरी संगतों में घिरा हुआ था। जब मैं आपके द्वारा बह रही पवित्र धारा के समीप आया तो मेरा तन और मन निर्मल हुआ है।

अतः आपसे सविनय विनम्र निवेदन करता हूँ कि आप अपनी असीम कृपा मुझ पर सदैव बनाये रखें। तथा सदैव आपका दर्शनाभिलाषि बनाये रखें।

प्रिय प्रभुपाद,

मैं आज बहुत खुश हूँ कि मेरे आज जगत गुरु, प्रभुपाद का गुणगान करने का मौका मिला।

आप की शरण में आने से पहले मैं कुछ अलग था और आप की शरण में आने के बाद 2010 में मुझे कृष्ण भावना मूवमेंट के बारे में पता लगा और मैं इससे जुड़ा और मैं जब से जुड़ा हूँ। तब से मुझे जीवन के वास्तविक भक्ति का पता लगा। जबसे मैं इस आध्यात्मिक आंदोलन में जुड़ा हूँ तब से मुझे बहुत अच्छा लगता है और शांति मिलती है। आपकी किताबें पढ़ने से बहुत परिवर्तन आया जैसे मैंने चाय पीना छोड़ दिया उसी प्रकार प्याज ,लहसुन खाना छोड़ दिया और भगवान को भोग लगाकर खाना शुरू किया । मैं यहाँ की किचन में काम करता हूँ और मुझे यहाँ खाना बनाने में बहुत आनंद प्राप्त होता है क्योंकि मैं भगवान के लिए खाना बनाता हूँ। यह मेरा सौभाग्य है कि मैं भगवान के लिए खाना बना पा रहा हूँ। मेरी आपसे एक ही अभिलाषा है कि आप मुझे भक्ति में आगे बढ़ाते रहें और इस कृष्ण भावना मृत आंदोलन के साथ जोड़ें रखें।

आपका दास,

भक्त राजकुमार.

Bhakta Rajkumar Jaiswal

पूज्य गुरुदेव प्रभुपाद जी,

आपके चरणकमलों में सादर प्रणाम!

मुझे आपसे जुड़े हुए दो वर्ष हो चुके हैं। आपकी कृपा से मुझे आठ माला का आश्रय प्राप्त हुआ है। जिसका मैं प्रतिदिन पालन करता हूँ। मैं आपके द्वारा बताये गए निर्देशों और नियमों का पालन करने की पूरी कोशिश करता हूँ । कार्यालय में चाय का सेवन तो बंद हो गया है लेकिन सुबह घर पर एक चाय पीने की आदत नहीं छूट पा रही है, उसके लिए मैं आपके चरणों में प्रार्थना करना चाहता हूँ कि आप मुझे अपनी कृपा व शक्ति से ऐसे भक्ति विघ्नो को पार करने में मेरी मदद करें। यदि आपकी कृपा मिलती रहेगी तो मैं भी भक्ति के मार्ग पर सदा आगे बढ़ता रहूँगा। मुझे मंदिर आना, भक्तों और भगवान के दर्शन करना, ज्ञान सुनना बहुत अच्छा लगता है। कृष्णभावनामृत में आने के बाद आपके आशीर्वाद एवं कृपा से मेरे जीवन में बहुत परिवर्तन आये है। मुझे आपकी और भगवान की भक्ति और सेवा मिलती रहे ऐसी कृपा बनाये रखे।

आपका तुच्छ दास,

भक्त राजकुमार जायसवाल.

All glories to Srila Prabhupada.

We have today 123rd birth anniversary of Prabhupada so, it is a great moment for us to remember and recognize his teachings and contributions, which He has given us unconditionally. As we know that, He is so kind and merciful that although one may want to forget Him but he will not, because He is as kind and merciful as father – mother. I have personally experienced it throughout my life even now after leaving the movement. Whenever I stuck in materialist dilemma and not able to think what to do or not, only His teaching helped me. That is why it is said “only by mercy of guru one cross the ocean of nescience” I am very thankful to His Divine Grace Prabhupada, who always protected me from materialistic way of life. But my humble request to Him to bestow His blessing and impart a seed of devotion for Nitai Gauranga.

*na dhanam na janam na sundarim kavitarim va jagad-isa kamaye
mama janmani janmanisvare bhavatad bhaktir ahaituki tvayi*

I do not want anything, I only want Your unconditional love and affection, and the same for Radha and Krishna.

Thank You very much.

Your unfortunate servant,

Bhakta Rakesh Kumar.

Bhakta Rakesh Kumar

All glories to Guru and Gauranga,

It is by Your mercy that made me to understand who is God, who is Krishna. In early stage I was a mayavadi, as I associated with them. However, after reading Your book Srimad Bhagvad Gita As It Is, I left my spiritual master who taught me impersonalism, by keeping faith on You. As according to scripture one who disobey guru goes to hell. In spite of that, having faith on You and My eternal mother Srimati Radharani, and father Lord Sri Krishna, I left him.

After studying and reading Your book by Your mercy I came to know little bit about spiritual life. Without Your causeless mercy my life was going to be destroyed by Mayavadi philosophy. So, please O spiritual master of the world, be merciful unto this fallen soul, and make me as Your instrument.

Your Servant,

Bhakta Rakesh Kumar.

हरे कृष्ण प्रभुपाद,

साष्टांग दंडवत प्रणाम

आपकी अहेतुकी और असीम कृपा का बखान करना मेरे जैसे तुच्छ जीव के लिए संभव नहीं है पर फिर भी कौशिश करूँगा की कुछ हद तक प्रयास कर पाऊँ। हे प्रभुपाद, जबसे आपकी करुणा की छाया में आया हूँ, मेरा पूरा जीवन ही बदल चुका है। आप बिना कारण कृपा करने में श्रेष्ठ है। जब मेरे जीवन की नौका मजधार में थी तब आप अनायास ही मेरे जीवन में आकर इस पशु समान जीवन को कृष्ण नाम से भर दिया। मुझे नहीं पता कि इस जीवन में कृष्ण को प्राप्त कर पाऊँगा या नहीं पर जो कृष्ण नाम का रास्ता आपने दिखाया है वो बेहद खूबसूरत है। आपकी इस कृपा का एहसान कभी नहीं चुकाया जा सकता। पर आपसे एक ही निवेदन है कि मेरे कृष्ण को मैं अब कभी ना बिसराऊँ और जीवन भर उनका नाम गाता रहूँ। आपको कोटि कोटि नमन। आपका सेवक,

भक्त रमन भारद्वाज.

जय श्रील प्रभुपाद!

कृपया आपके चरणों में मेरा सादर प्रणाम स्वीकार करें।

मैं हरे कृष्ण मूवमेंट के संपर्क में पिछले 5-6 वर्षों से हूँ। लेकिन उसके अनुरूप कृष्णभावनामृत में प्रगति नहीं कर पाया हूँ। जब मैं संपर्क में आया तो मुझे मेरे निराश और दिशाहीन जीवन को एक आशा और दिशा मिली, तथा मैं बहुत उत्साहित हुआ।

मुझे लगा कि जो मैं खोज रहा था वह मुझे मिल गया है अब और कुछ खोजना बाकी नहीं था। भक्तों के संग के कारण मैं नशा करने जैसे अनर्थों से उबर पाया तथा 16 माला जप करना शुरू कर दिया।

लेकिन बी टेक पूरा करने के बाद भक्तों के संग से दूर जाने के कारण कृष्ण भक्ति का अभ्यास धीरे

धीरे कम हो गया तथा मुझे लगने लगा था कि अब मैं फिर से 16 माला जप कभी नहीं कर पाऊंगा।

लेकिन आप की कृपा द्वारा तथा भगवान के योजना के अनुसार ऐसी व्यवस्था बनी की 1 वर्ष फिर से फोक हॉस्टल में रहने का मौका। भक्तों के संग के कारण फिर से मेरा 16 माला जप शुरू हो गया।

हे प्रभुपाद अब आप मुझ पर कृपा बनाए रखें तथा आशीर्वाद दें कि मैं जीवन पर्यंत कम से कम 16माला जप जारी रख सकूँ जिससे मेरे हृदय में भरा हुआ काम क्रोध मद लोभ और मोह कम हो सके तथा भगवान के प्रति दिव्य प्रेम प्रकट हो सके।

हे प्रभुपाद, जैसा कि आप कहते हैं कि हरे कृष्ण महामंत्र के जपने से हृदय में भगवान के प्रति प्रेम पैदा होता है उसे मैं कुछ हद तक महसूस कर पा रहा हूँ। पहले कृष्ण के बारे में मैं कुछ नहीं जानता था लेकिन अब कहीं भी नई जगह है अगर कृष्ण का नाम सुनाई दे या चित्र दिखाई दे तो शरीर में एक तरंग सी दौड़ जाती है तथा चेहरे पर मुस्कान आ जाती है।

मैं जीवन के सर्वोच्च लक्ष्य शुद्ध कृष्ण प्रेम को महसूस करना चाहता हूँ और वह आपकी कृपा के बिना संभव नहीं है अतः आप मुझे सदैव अपने चरणों की छाया में रखें।

आपका छोटा सा सेवक,

भक्त रमेश कुमार.

Bhakta Ravi Gupta

प्रिय जगतगुरु श्रील प्रभुपाद के चरणों में मेरा दंडवत प्रणाम।

प्रभुपाद आपने मेरे आम जीवन को खास बनाया है। जब मैं इस कलयुग में सिर्फ माया से घिरा हुआ था तो आपके द्वारा स्थापित इस्कॉन मंदिर से मुझे जीवन के वास्तविक उद्देश्य का आभास हुआ। जब मैं पहली बार हरे कृष्ण मूवमेंट जयपुर में दर्शन के लिए गया तो वहाँ कृष्ण बलराम की अत्यंत सुंदर मूर्ति और भक्त संघ से मेरा मन मोहित हुआ।

आपके प्रिय भक्त माधव चरण दास के कीर्तन ने मुझे एक अलग वाइब्रेशन दिया। और वह असर आज मेरी जिंदगी में कृष्ण बलराम की भक्ति के रूप में मौजूद हैं।

प्रभुपाद मैं अपने भूतकाल में सिर्फ माया से पीड़ित रहा हूँ किंतु आप की शरण में आने के बाद मेरे जीवन में बड़ा बदलाव आया है और वह बदलाव कृष्ण चेतना के रूप में आया है। प्रभुपाद आपने इस कलयुग में जीवन जीने का वास्तविक तरीका हमें प्रदान किया है और वह तरीका हम इस्कॉन मंदिर में प्राप्त करते हैं।

प्रभुपाद आपके द्वारा स्थापित इस्कॉन मंदिर का जीवन बहुत सुंदर है और शायद हर व्यक्ति को इसी प्रकार का जीवन व्यतीत करना चाहिए यही मेरी अभिलाषा है। प्रभुपाद आपके द्वारा लिखी गई पुस्तकें हरे कृष्ण चुनौती, जन्म एवं मृत्यु से परे और भी अन्य पुस्तकों से मुझे जीवन व्यतीत करने में आसानी हुई है, असल में आपने इस कलयुग में जीवन जीने का एक अनोखा तरीका हमें सिखाया है और वह तरीका कृष्ण भक्ति है।

आप की महिमा के गुणगान में मैं हमेशा व्यस्त रहना चाहता हूँ। प्रिय प्रभुपाद आपके भक्त संघ ने इस कलयुग में मुझ जैसे और भी बहुत मनुष्यों का जीवन स्वर्ग समान बनाया है, मैं उनकी महिमा का भी गुणगान करता हूँ अंत में प्रभुपाद आप की महिमा के गुणगान में सिर्फ इतना कहना चाहूँगा कि आप मुझ पर आपकी कृपा हमेशा रखें और मुझे कृष्ण भक्ति में आगे बढ़ाएं।

आध्यात्मिक जगत् के गुरु मैं आपकी महिमा का गुणगान करता हूँ और आपको दंडवत प्रणाम करता हूँ।

जगद्गुरु श्रील प्रभुपाद की जय! नितार्थ गौर प्रेमानंदे हरि हरि बोल!

आपका दास,

भक्त रवि गुप्ता.

Bhakta Ravi Prakash

प्रिय श्रील प्रभुपाद जी,

आपके चरण कमलों में मेरा सादर दण्डवत् प्रणाम। प्रभुपाद आप भगवान् कृष्ण के शुद्ध भक्त हैं। आपने सम्पूर्ण विश्व में चैतन्य महाप्रभु के "हरे कृष्ण आन्दोलन" का प्रचार प्रसार किया। चूंकि आप भगवान् के सेनापति हैं, आपने 70 वर्ष की आयु में बहुत ही कठिन परिस्थितियों में भारत से बाहर जाकर आध्यात्मिकता के दिव्य ज्ञान का प्रचार प्रसार किया, जो कि आश्चर्यजनक है।

प्रभुपाद आपकी दिव्य पुस्तकों को पढ़ने से और आपकी दिव्य वाणी से निर्मित ध्वनि व्याख्यान श्रवण से मुझे दिव्य ज्ञान के बारे में जानकारी मिलती है। प्रभुपाद आपका मेरे जीवन में बहुत ही विशेष योगदान है। आपने मुझे कई बार माया के जाल के बाहर निकाला, जितना मैंने स्वयं अनुभव आत्मसाक्षात्कार (किया है)। प्रभुपाद आपके लिए जितना लिखा जाये उतना कम है। प्रभुपाद मेरी इच्छा है आपकी कृपा, दया मुझ पर ऐसे ही बरसती रहें, और मैं आपकी जीवन भर सेवा कर सकूँ।

धन्यवाद!

आपका आज्ञाकारी दासानुदास, भक्त रवि प्रकाश.

Bhakta Ravindra Kansotiya

Dear Srila Prabhupada,

Please accept my heartfelt and respectful obeisance at Your lotus feet. I am very much thankful to You for making me part of Your Hare Krishna movement. With the help of this movement and temple and devotees, I am very much benefited. By Your mercy, I got the very powerful Maha-mantra and I am able to chant of Hare Krishna Maha-mantra daily. It is helping to control my mind and senses. Dear Srila Prabhupada, I am most fallen soul in this material world, before coming to Hare Krishna movement I was not believing on Lord Krishna but now by Your mercy I am able to understand what is my position and what is the purpose of my life in this world. So I want to live my life on Krishna now. Please accept my humble obeisance at Your lotus feet.

Your aspiring disciple, Bhakta Ravindra kansotiya.

Dear Srila Prabhupada,

Please accept my humble obeisance's at Your lotus feet. I am so fortunate to have You in my life. You have given my life a perfect turn around, that when I look back I think I was such a great rascal, by Your mercy, my life has become happy and peaceful. Your books are the ultimate source of perfect knowledge, by reading these books one can easily understand Krishna, and know the aim of his life to go back to home – back to godhead. Please be merciful unto me, and give me strength at every step of my life to spread Your movement.

Your servant,

Bhakta Ravindra Kumar.

Dear Srila Prabhupada,

Please accept my humble obeisance. I bow down to Your lotus feet. Three years back I didn't heard even Your name. I was fully involved in materialistic life. I did not know the aim of life. Then, I came in touch with Your disciple, His Grace Krishnapada das from Hare Krishna Movement. After that my life has changed. I came to know how a person can live happy with Krishna conscious life. Srila Prabhupada, because of Your mercy we came to know who is God and what is our relation with Krishna. Dear Srila Prabhupada, I wish that the movement You started - Hare Krishna Movement - that should progress in whole world and whole world to become Krishna conscious. Then everyone can live peacefully. We want only Krishna conscious life. Otherwise we are equal to animals. In this material world we are engaged with various materialistic activity. So that there is more chance to fall down. At that time Srila Prabhupada only Your mercy is required so that we fallen soul can stay connected with lotus feet of Guru and Krishna. Now I am married and doing job. So Srila Prabhupada, I am begging at Your lotus feet to get Your mercy on both of us so that me and my wife can participate in lord Chaitanya Mahaprabhu's sankirtana movement.

Srila Prabhupada, I am foolish. I don't know anything, so if I did any mistake please forgive me consider me as a your small child. Hare Krishna

Yours faithfully servant,

Bhakta Rinku Singh.

Dear Srila Prabhupada,

Please accept my humble obeisances in the cooling shade of Your lotus feet, the shelter for surrendered souls. All glories to You, who are the āśraya for all sincere souls seeking Krishna's pure service. As this year's offering, I want to discuss how You embody the quality of exclusive surrender to Kṛṣṇa. According to Srila Bhaktivinoda thākura, among the twenty-six qualities found in pure Vaisnava's, surrendering exclusively to Krishna is considered the essential quality. Indeed, surrender is the word we hear from Your lotus lips more than any other.

Your Divine Grace planted the seeds of Kṛṣṇa consciousness in many, many countries. You established ISKCON and the BBT to help you water and nurture those seeds. As a result, many sincere souls were attracted to become Your followers and disciples and assist You in further spreading Lord Caitanya's sankirtan movement far and wide, especially by distributing Your transcendental books and opening temples.

I would like to share my thoughts what changes came in me after getting associated with Srila Prabhupada and his followers and Hare Krishna Movement. Before coming here I didn't believe in God or Supreme Personality that much but after reading Prabhupada books and attending lectures and waking in early morning and attending morning mangla aarti and then chanting changed me a lot. Before coming here I always had negative attitude and ego problems and anger problems but after getting associated here my anger problems has sorted out and I was always stay in positive in attitude and always try to help other and also don't have ego problems. As all FOLK boys are listening Prabhupada words and making progress according to Your teachings; we can say we are in good path; and at least we can't be in bad path and after few years can say that we aren't like Alcoholic or gamblers. So, Prabhupada thanks a lot for guiding us and not letting go in wrong path; thank You so much for guiding us through Your books and lectures. I learnt a lot of things like qualities of vaisnava and how to do mangla aarti and how to be always be surrendered and humble to others and always feeling to do any kind of seva for Krishna. I loved kirtan and prasadam the most here. Everyone here is very friendly and helping.

On this occasion of your Vyāsa-pūjā, I pray to get Your blessings and get association of Your followers.

An insignificant soul,

Bhakta Rishav goswami.

My Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to Your Lotus Feet, which are the shelter for the three worlds.

It has been more than 40 years since you physically left this world and fifty plus years since You established ISKCON, but as time passes, Your memory is not fading. You are alive in the hearts of all the devotees through Your books, which provides the spiritual lights in our dark world. You showered the mercy upon us by delivering the spiritual knowledge.

I remember, when I came to the "Hare Krishna temple" very first time, I was unaware about Your Glories, about Your will power to change the dark vision of the world. And when I came to know about the transcendental knowledge through Your books & through Your devotees, I found myself very fortunate. Before coming in touch, I lived my life in false ego but Your mercy I became inspired to engage little bit in Your service while pursuing my studies as well. I found You in my life just like a deer finds a reservoir of nectar in the desert.

You Srila Prabhupada are a great man, a noble man, a world changer, and a unique transcendentalist - one of a kind. You are everything for me.

I will try whatever I can to do to help You in understanding You more & more in order to become a small instrument in Your Glorious Mission.

Your servant,

Bh. Rohit Sharma.

Dear Srila Prabhupada,

Please accept my humble obeisance at Your lotus feet. When I was first time connected with You that time I was very inspired as material person because when I think how many problems You faced for spreading Krishna Consciousness. After some time I lived in folk with Your mercy and started knowing about You little closer and by doing chanting & reading Your books and then I realized that I was really connected with You (Prabhupada) by reading. Dear Srila Prabhupada I am not reading Your books regularly but whenever I read Your book I felt connected with You and I want to read again and again. That is Your mercy Prabhupada. Prabhupada, please give me Your mercy.

Jai Srila Prabhupada,

Your servant,

Dear Srila Prabhupada,

I offer my humble respectable obeisances unto Your lotus feet.

Prabhupada by Your mercy I got a chance to realize what soul is and what is material body. I also realized the purpose of the material body. This material body is meant to serve Krishna and this spirit soul has got a chance to go to spiritual world through this body. By Your mercy I realized about this material world and material body. By Your grace I understood about temporary happiness and permanent (spiritual) happiness. When I am hearing your lecture I feel so proud because I am gaining something about spiritual knowledge. One can realize his spirit soul only by spiritual books. By hearing Your lectures one can attain spiritual perfection. By hearing Your lectures one can purify his mind and heart. Before I came in touch with this Iskcon movement I heard so many lectures by philosopher I felt that is the life, but when I heard Your lectures I realized the real aim of life and what is the purpose of the life. By Your mercy I enjoyed a lot in devotional service. Only by Your grace I did a small service to Krishna which is un-valuable. By Your grace I attained a perfection in my life. O master please bless me to do spiritual activities and to serve Krishna.

Prabhupada I am begging You to please keep me under Your shelter. Thank you.

Your Servant,

Bhakta Sai Kumar Korasala.

Dear Srila Prabhupada,

Please accept my humble obeisance unto Your lotus feet.

Srila Prabhupada, You spent several years in intense Nama bhajan at Sri Radha Damodar temple in Vrindavan before leaving for USA. You stated that You live there eternally in Your bhajan kutir at Radha Damodar temple. This bhajan kutir is still maintained by the sevants of that temple. When we are in Vrindvana, I request people to go and chant few rounds sitting before Srila Prabhupada and get spiritually charged. Srila Prabhupada, You have said that the Goswamis are still living there. Srila Prabhupada, You also revealed that it is the most sacred spot in this universe and it is the hub of the spiritual world as it is a corner of seva kunj, the spot where rasa dance happened and is invisibly happening. One can experience the transcendental potency of Japa in that place by praying to Srila Rupa Goswami, Srila Jiva Goswami and Srila Prabhupada and seek their blessings to serve the parampara. Srila Prabhupada, You have taught us in detail how to respect and serve and associate with the Hare Krishna Nama Prabhu. Let us scrutinizingly study Srila Prabhupada's, our beloved spiritual master's revelations in this matter of how to serve the Nama Prabhu respectfully and take His association and awaken our pure blissful Krishna Consciousness.

Your Servant,

"I offer my respectful obeisance unto my spritual master who has opened my eyes, blinded by the darkness of ignorance, with the torchlight of knowledge"

Dear Srila Prabhupada, You opened my eyes to the wonders of the Absolute Truth- Lord Krishna, the Supreme Personality of Godhead. You opened my ears to the infinite mercy and unlimited ocean of bliss contained in the Mahamantra. You opened my mind to the transcendental knowledge of Srimad Bhagavad gita, Srimad Bhagavatam and many more.... and most of all You opened my heart and filled it with love, compassion and hope. Srila Prabhupada, You saved me from a life of misery and ignorance. You gave me hope. By Your mercy the seed of bhakti was planted in my heart and from that moment there was no turning back. I continue to stumble and succumb to the illusory energy but by Your grace I have never lost faith and hope and every day of my life I am feeling so much gratitude and appreciation for being delivered by You into the light of Krishna consciousness. Please accept my tears of loving gratitude at Your lotus feet which are my only shelter. You are my eternal saviour, protector and teacher. Please allow me to serve You life after life.

Dear Srila Prabhupada,

Please accept my humble obeisances.

All glories to Srila Prabhupada. All glories to You on this auspicious day of Vyasapuja.

Prabhupada You are our spiritual master, who made us happy by giving us the most fortunate thing that is "Krishna consciousness". I am very much fortunate to be Your disciple. You opened our darkened eyes and made us to see the real

truth with the knowledge of light. You have given us the knowledge that, what we are, who is god, what is our relationship with God. Why we have got this human form of life and why we are on this Earth. Prabhupada before joining this movement, I did not know what is devotion, but after listening to Your teachings and after rendering service to Krishna and having association with devotees I came to know about it.

Prabhupada Your teachings made me strong to face the struggles and challenges in daily life. When struggles and challenges come to me I am never afraid because I believe that I have the most powerful weapon with me & that weapon is nothing but "Hare Krishna Mahamantra". Prabhupada ,this is all because of You and Your mercy. Prabhupada now I have increased my number of rounds from four to eight and bless me that still I have to chant more and more number of rounds and to follow this Krishna Consciousness until my death. Prabhupada, I also need Your blessings to follow these four regulative principles very strictly. All glories to Srila Prabhupada.

Your humble servant.

Dear Srila Prabhupada,

I am lucky to join this incredible Krishna consciousness movement which made a lot of changes in me. Now I feel positive energy. When I feel troubled, then I remember Your teachings. I have read some of Your books that made me help develop a different approach to do things in a better manner. When I go to temple and return to home I feel some special energy that makes me happy and enthusiastic. After reading Your books I found that tattva—jñāna is very important which can be realized only in human form of life. One of the aspects of Your personality is that You always make me inspired to serve You.

Your servant,

Bhakta Satrugan

My Dear spiritual father (Prabhupada) by Your mercy,

I could observe Ekadashi and avoid onion and garlic in daily basis taking food. I have accepted to follow Krishna conscious life with profession. Because of my faulty nature, I used to find faults in Your dedicated devotee but now I realize whatever spirituality I could follow at that time was due to their association.

Oh Prabhupada, please bless me, give the shelter of Your lotus feet to topmost fallen disciple(me) so that I could become the devotee of Your devotee (das-das dasanudas). After leaving folk hostel for job I have developed so many bad habits that separates me from Krishna conscious. In the beginning, I did sadhana for show off but now I realized that i couldn't even complete sadhana. For me personally, You are my spiritual master, father, mentor etc. When I realize what I was and what I am then I see a lot of difference in my nature/behaviour. By your mercy, all doubts which usually arises in my childhood are cleared now. I am in such a situation after knowing what I have to do after that I could not manage myself due to lacking of sadhana and association of devotees.

Please Prabhupada be merciful to me so that I could become the part in Chaitanya Mahaprabhu mission.

Your most worst fallen servant, Bhakta Satrugan.

Bhakta Saurabh Kumar Jha

Dear Srila Prabhupada,

All glories to You ! Please admit my devotion at Your lotus feet.

Since my childhood I worshiped Kṛṣṇa in the form of Viṣṇu. But I was unaware about many things in the world of spirituality. I was rather trapped in the illusion of this material world. It was Your preaching which brought me closer to the spiritual world and since then I accepted You as my spiritual master and Krishna as the Supreme Lord.

Recently I participated in Gaurāṅga quiz held at the Akshaya Patra Jaipur and by Your Divine Grace, I won the contest 1st prize. Moreover, I got to know a lot about Lord Chaitanya. I want to express a lot of gratitude in Your Divine feet, but my words are my limited.

Keep on showering Your blessings on all of us.

Your aspiring disciple, Bhakta Saurav Kumar Jha.

Bhakta Saurya Raj Gupta

Dear Srila Prabhupada,

Please accept my humble obeisances.

I came in touch with You when I was in 9th class. This was the time when I first came to know that Krishna is not for asking material things. But still realization was not there. For this through Your devotees You brought me to folk and accepted me inspite of many anarthas that I have. That's your merciful nature. You are always like that - giving the ignorant jivas the highest gift of Krishna consciousness.

The level of purity that You have can be understood from the fact that a person became Krishna conscious just by seeing You drink water. You are the ocean of Krishna Prema wherever You go, You distribute it freely without seeing the qualification of jiva.

You even gave this knowledge of Krishna to the most fallen souls. the knowledge which was considered to be the property of so called brahmanas. But You told us the real meaning of brahmana and gave us the opportunity to become brahmanas even when we were inclined to remain a sudra. Still sometimes I forget You due to my conditioned state but You never leave me alone thanks for Your compassion Prabhupada. Please always be by my side and keep me under Your shelter, also give me the determination to always follow Your instructions and feel Your constant presence through Your vani in my life.

Thanks Prabhupada for everything.. thanks for being so much compassionate.. thanks for being so much merciful.. I am not eligible to describe all Your qualities. So please accept my humble obeisances. Thanks Prabhupada.

Your fallen servant,

Bhakta Saurya Raj Gupta.

प्रिय श्रील प्रभुपाद,

आपके चरण कमलों में मेरा प्रणाम!

मैं आपके साथ मंदिर के माध्यम से संपर्क में आया, उस समय मैं वास्तव में आपके बारे में कुछ नहीं जानता था। फिर मैं भक्तों के साथ जुड़ा, वे हमेशा आपके बारे में, कृष्ण के और भगवद्गीता के बारे में बात करते हैं। इस युग में आप पूरी दुनिया को भगवद्गीता का ज्ञान कैसे देते हैं, मैंने आपको वीडियो में देखा है, आपने पश्चिमी दुनिया कैसे बदली है। अब वे कीर्तन, जप, नृत्य, पूजा, भगवान् कृष्ण के लिये करते हैं, दूसरों को उपदेश देते हुए रथयात्रा निकालते हैं। बड़े-बड़े मंदिरों और कई भक्ति की गतिविधियों को करते हैं, यह बहुत अद्भुत था और इसने मुझे आश्चर्यचकित कर दिया। आपकी शिक्षाएँ वास्तविक हैं और आश्चर्यचकित कर देने वाली है।

भक्ति विनोद ठाकुर महाराज ने आपको श्री चैतन्य महाप्रभु का सेनापति कहा था, आपने भगवान् कृष्ण के कई अद्भूत कार्य किए, जिनमें से एक था।

सर्वधर्मान्परित्यज्य मामेकं शरणं व्रज।

अहं त्वाम् सर्वपापेभ्यो मोक्षयिष्यामि मा शुचः ॥

आपने सभी देशों के लोगों को हरिनाम दिया और एक साथ जोड़ते हुए श्री कृष्ण की सेवा में लगाया, जो लोग पतीत थे, आपने उन पर करुणा करके उनका उद्धार किया। अब वे सभी आपके बताए गए नियमों का पालन करते हैं-

मैंने यह सब आपकी डॉक्यूमेंट्री में देखा और मुझे यह बहुत पसंद आया। इससे पहले मुझे आपके और आपके मिशन के बारे में कुछ नहीं पता था। मैं एक पतीत हूँ।

मैं उसकी कीमत का भुगतान नहीं कर सकता, जो आपने मुझे दी है, मैं इस भव सागर में डूब रहा था और आपने मुझे बचा लिया। मैं आपके चरण कमलों पर आपको नमन करता हूँ। मेरा आपसे निवेदन है कि मुझे अपनी सेवा में रखें और मुझे चरण कमलों में और सेवा करने का मौका दें।

आपका दास, भक्त शशांक.

Dear Gurudeva Srila Prabhupada,

Please accept my humble obeisances,

I have been trying to write a few words to give You my offerings on the occasion of Vyasa Puja day.

I would like to thank You on this auspicious day for bestowing Your causeless mercy on me, by so miraculously coming into my life.

Though I am Your humble servant, I still feel unfit even to offer my greeting as I still am covered with a lot of material desires. Your weekly lessons are guiding me into the right path. I only request Your mercy on me to get out of my illusion.

I thank You for showing me the way back to GODHEAD.

Right now I can just wish that some day I'll be able to meet You personally and serve You.

Thank You for giving International society of Kṛṣṇa Consciousness (ISKCON) as a gift to this world and as well as for me.

Śrīla Prabhupāda, I had no idea what was going in my life, but when I met with You and Your books, my life was suddenly changed. Actually I have a human life but my life is without any understanding, goal, plan and many more. You introduced me! What I am and what I am doing? Now I have taken the path of spirituality that is Krishna Consciousness.

I request You to please help me in 16 rounds, 4 regulative principles, reading Your great phenomenal books and taking right decisions in future under Your guidance. Thank You Śrīla Prabhupāda,

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to You on this auspicious day.

Prabhupada, You came to this world with a very sublime and serious matter for all the living entities from a totally different and blissful world goloka....as we all were struggling in this temporary and miserable material world.....You told us about our original place of belonging as well as our real position.....by Your causeless mercy You save the whole world from the ocean of nescience and I am also one of the beggars who got the shelter of Your lotus feet when I was in first year of my engineering.....it is said in the scriptures....

tasmād guruṁ prapadyeta jijñāsuḥ śreya uttamam

“Any person who seriously desires to achieve real happiness must seek out a bonafide spiritual master and take shelter of him by initiation.”

Prabhupada, I didn't even know that what is the real happiness and neither I was inquisitive about it...I was just running after material opulence....but it was the Krishna Prasadam and blissful Kirtan by devotees which started my spiritual journey. Your aura and glories are unlimited but still I am trying to express a few which inspires me most....

* Prabhupada Your faith and conviction on Krishna is like an unshakable mountain... everybody knows at the age of seventy going to Western world with heart attack and various problems in between, but Your faith on Krishna and Your compassion towards living entities was unlimited....I am very feeble and weak in KC...whatever devotional service I am able to render is because of You... please shower Your mercy so that I can render service with full faith.

* In one of Your morning walk conversations in Los Angeles, You said that "We are all set of puppets of Kṛṣṇa. I am also a puppet ,Puppet. This is disciplic succession. We, we have to become puppet. That's all. As I am puppet of my Guru Mahārāja, if You become my puppet, then that is success. Our success is there when we become puppet of the predecessor. Tāñdera caraṇa sevi bhakta sane vāsa. To live in the society of devotees and to become puppet of the predecessor Acārya. This is success. So we are trying to do that. Kṛṣṇa consciousness society and serve the predecessor. That's all." Please make this insignificant soul as a puppet in Your hand and use me in service of Krishna....getting an opportunity to go to back to Godhead is very rare.

Thank You Prabhupada for giving me such opportunity...

Your fallen servant,

Dear Srila Prabhupada,

I feel very fortunate to be associated with Krishna consciousness .

It's my pleasure that I have got the opportunity to get involved in that atmosphere ,Which is totally filled with the vibes of Krishna consciousness.

A.C. Bhaktivedanta Swami Srila Prabhupada has initially purified the sinful mindsets of sinful members of people not even in India but he spread this movement across the globe and that inspired me a lot.

I will be in touch with Krishna consciousness till the last breath of mine.

Dear beloved Srila Prabhupada,

Please accept my humble obeisances at the dust of Your lotus feet. All glories to You. Its been almost 13 years since I first came in touch with You and there cannot be anything more fortunate than coming in Your divine association. I joined Your movement with a promise of serving it for life time but due to my material desires I came out and till this very day repent on it.

Although I have no qualifications whatsoever, today I come before You with a humble prayer in my heart. Please help me to preach Your message to the world and to make my family a KC family to serve Your mission wholeheartedly as I did earlier.

प्रिय प्रभुपाद जी,

हम तुच्छ दासों से आपका यशोगान शब्दों से नहीं हो सकता है। आपकी अहैतुकी कृपा का मूल्य हम अपना जीवन अर्पण करके भी नहीं चुका सकते हैं।

प्रभुपाद जी आप वह दीपक हो जो स्वयं जलकर भी संपूर्ण पृथ्वीलोक में प्रकाश फैलाते हो। जिसकी मात्र एक किरण से ही संपूर्ण अंधकार मिट जाता है। अर्थात् स्वयं कष्ट सह कर एवं संपूर्ण शिष्यों का पाप अपने सिर उठाकर भी बिना किसी बदले की भावना से संपूर्ण जगत में कृष्णभावनामृत भक्ति की अनंत कभी नहीं बुझने वाली किरणें फैलाकर भक्तों का उद्धार करते हो। प्रभुपाद जी आप जैसा सर्वलक्षण संपन्न व्यक्तित्व मिलना इस घोर कलयुग में कठिन हीनहीं बल्कि असंभव है। विनम्रता, सरलता, सादगी, भोलापन, सहनशीलता एवं प्रेम भावना आपके सिवा दूसरों में मिलना कठिन है।

आपने अपने इन्ही गुणों के बल पर पाश्चात्य संस्कृति में रंगे देशों पर अपने प्रभाव की अमिट छाप छोड़ी है।

आपका नित्य दास,

भक्त श्याम सुन्दर शर्मा.

Dear Srila Prabhupada,

In the process of becoming a devotee of Mukunda, I have taken one more step forward by Your support.

'jogyata – vicare, kichu nahi pai, tomara karuna sara karuna na hoile, kandiya kandiya, prana na rakhibo ara' (Gurudev, Saranagati) "When I examine myself, I find nothing of value. Your mercy is therefore essential to me. If you are not merciful, I will constantly weep (suffer), and I will not maintain my life any longer."

I am completely dependent on You. Slowly, I am trying to follow the principles mentioned by You in the books about becoming a devotee of Krishna. From past two years I am not taking any tea or coffee. Leaving tea or coffee may not be a great thing but for a materialistic person like me it is big thing. It's only by strength provided by You I am able to leave that habit. The only credit I want to give to me is that I desired to stop taking tea/coffee and rest is done by You.

Thank You, Srila Prabhupada, for giving me strength and determination

'Krishna kahe, 'ama bhaje, mage visaya-sukha

Amrta chadi' visa mage, ei bada murkha' (CC, Madhya, 22,38)

"Krishna says, 'If one engages in My transcendental loving service but at the same time wants the opulence of material enjoyment, he is very, very foolish. Indeed, he is just like a person who gives up ambrosia to drink poison."

My present state of mind is very much same as mentioned in the verse above. I am very much attached to materialistic things, I have a desire to become opulent, famous and what not?! Regarding rising early, in the morning at 4am, I am still not following, please help me. Serving attitude is also very much lacking in me. Please Oh! Prabhupada show Your causeless mercy upon me and help me to advance in my sadhana and get rid of such suicidal desires. I myself have no strength to overcome them please, please help me.

'mahat-krpa vina kona karme 'bhakti' naya

Krishna-bhakti dure rahu, samsara nahe ksaya (CC, Madhya, 22,51)

"Unless one is favored by a pure devotee, one cannot attain the platform of devotional service. To say nothing of Krishna-bhakti, one cannot even be relieved from the bondage of material existence."

So I need Your favor to uproot materialistic desires from me and increase my bhakti towards Mukunda. I have been chanting 16 rounds daily since 2 years by Your mercy. I am performing deity worship daily form past 2 years. I am reading Your books regularly. All this is possible only because of the association of devotees. Regarding deity worship I remember one pastime where You asked a pujari of one of the ISKCON temple You visited, that 'What is the mood of the deities today?' and pujari said, 'I don't know.' then you said that, 'One should know the mood of the deities they are worshiping regularly!'. From that day I am also trying to understand the mood of 'radha gopinath' whom I am worshiping. Some days I feel like I understand and some other days I don't! I know that I am not on the platform to understand such things but since You have told I am just following. I need Your mercy to understand the mood of the deity. I remember one verse from Katha Upanishad 1.2.23 which states

'nayam atma pravacanena labhyo na medhaya na bahuna srutena

yam evaisa vrunute tena labhyas tasyaisa atma vivrunute tanum svam'

"The Supreme Lord is not obtained by means of expert explanations vast intelligence or even much hearing. He is obtained only by one whom he Himself Chooses. To such person, He manifests His own form."

Please tell Krishna to consider me and choose me also. As I said earlier, only the wish is mine and rest is Yours i.e. you are literally helping me to advance in the way towards love for Krishna.

Thank You, Srila Prabhupada for considering me as Your disciple even though I am not worth.

This year I wanted to go to Jagannath Puri to attend Rathayatra but I couldn't make it and was unhappy. There may be thousands of obstacles for attending but what I believe is, just Your mercy is sufficient to overcome all those thousand obstacles! Please show Your mercy and let me attend the coming year Jagannath Rathayatra at Puri.

Your Servant,

परम पूज्य गुरुदेव श्रील प्रभुपाद के चरण कमलों में सादर चरण स्पर्श,

आपके आशीर्वाद और मार्गदर्शन में भक्ति सेवा में आगे बढ़ने का अथक प्रयास कर रहा हूँ। अज्ञान और अंधकार से भरे मेरे जीवन में आपने भगवान की शरण में जाने के प्रयास का प्रकाश देकर मेरे मन अंतर को बड़ा कोमल कर दिया है। मेरे परिवार सहित मैं आप का कृतार्थ हूँ की आपने मुझे अपनी सेवा करने का मार्ग दर्शन प्रदान किया साथ ही साथ मुझे यह सेवा प्रदान की कि मैं आप के चरणों में अपने दिन का अत्यधिक समय लगा कर आप के माध्यम से श्री श्री कृष्ण बलराम और वैष्णव भक्तों की सेवा कर सकूँ। प्रभुपाद आप ही का आशीर्वाद है जो मुझे प्रेरित करता है कि भक्ति सेवा और अधिक करूँ। हालाँकि मैं अभी तक अंश मात्र भी सेवा नहीं कर पा रहा हूँ और यह मुझे बड़ा दुखी करता है। इस वर्ष आप की कृपा से मुझे सौभाग्य मिला की मैं नवदीप मायापुर धाम के दर्शनों का लाभ उठा सका हूँ। अत्यंत मनोरम स्थान ने मेरे मन को आप के अथक परिश्रम को देख उत्साहित किया की मैं आप के बताये मार्ग दर्शन पर और सही तरीके से चलूँ। मायापुर के हर क्षेत्र में आप के द्वारा सम्पादित विचारों की महक थी बच्चों के गुरुकुल में वैदिक शिक्षा से अध्ययन ग्रहण करते उन बच्चों को देख अहसास किया की यह बच्चे अत्यंत सौभाग्यशाली हैं जिन्होंने इस बाल्यावस्था में इस हरे कृष्ण महामंत्र और कृष्ण प्रेम के साथ वैदिक ज्ञान के महत्व को समझा। भगवान श्री नृसिंहदेव तो मेरे मनंतर में बस से गए हैं। भगवान श्री राधा माधव अपनी आठ सखियों के साथ अत्यंत मनोरम दर्शन दे रहे थे। पंचतत्वों के इतने विशाल दर्शन देख कर मन भक्ति से परिपूर्ण हो गया। हम आपके जन्मस्थान पर भी गए तथा आपके द्वारा स्थापित प्रथम मंदिर कलकत्ता में भी गए। भगवान श्री जगन्नाथ बलदेव सुभद्रा मैया के दर्शनों ने मुझे बहुत उत्साहित किया जब मायापुर से हम पूरी धाम यात्रा पर गए। आपसे अनुरोध है कृपया अपने इस निम्न से निम्न शिष्य का हाथ पकड़ कर रखे और कभी पथ से भटकने न दें।

आपका दास,

Jai Srila Prabhupada,

My humble respect and love to You. Prabhupada, You help me to get spiritual knowledge.

I learned how to love God, by chanting, by prayers and by reading books. After I started chanting I felt changes in my behaviour, my way to consult and change in routine life. I request You Srila Prabhupada to give me energy so that I can learn more about spiritual knowledge and Vedic literatures. After I joined this, I enjoyed to serve Lord Krishna.

Thank You very much

Dear Srila Prabhupada,

Please accept my humble obeisances at Your lotus feet

I should thank You for many things especially for giving me an opportunity to become Krishna Conscious, and also for revealing to the world about their own constitutional position, and creating an opportunity to practice Krishna bhakti. Your revealings about spiritual world and Krishna helped me and to the world and made us to frame a better understanding of spirit and it's nature. There are many secrets and tips given by You in spirituality by which conditioned soul can cross this material suffering. You have justified word - preacher - because You have practically showed us how to practice bhakti in the world of desire anxiety and entanglement towards conditioned living. Your glories are endless and Your obedience towards Your spiritual master is a lesson to us in which the importance of vani is clearly respected. I beg Your grace on me.

Dear Śrīla Prabhupāda,

Please accept my humble obeisance. All glories to Śrīla Prabhupāda. All glories to Your Divine Grace. Śrīla Prabhupāda, first of all let me wish You a warm and loving Vyasapuja on the occasion of Your holy and transcendental appearance day. I was touched to Akshya Patra through FOLK hostel. I joined the FOLK because of the delicious food, wonderful kirtana. That's the reason. But as the time passed and associated with devotees, then I realized that it is a awesome organisation and so much things to learn. and then i started reading books and listening lectures and started chanting. By virtue of your classes, Your seminars, You are always close to me. I always feel to be blessed with Your teachings and guidance. How wonderful it was to be with You on retreat again this year. Your working knowledge of sastra continues to amaze me. Śrīla Prabhupāda, I am so fortunate to receive protection and guidance from You. Your strength is a transcendental force. Please forgive my unlimited offences at Your lotus feet and never reject me from Your association Śrīla Prabhupāda. Continue to shower Your mercy upon me. Thank You for everything Śrīla Prabhupāda.

All glories to my Guru A.C. Bhaktivedanta Swami Srila Prabhupada

Dear Prabhupada,

Kindly accept my humble obeisances at Your Divine lotus feet.

Prabhupada by Your causeless mercy I have come in touch with spirituality and I'm able to enjoy it every day.

Anyone desiring to achieve real happiness must approach a bonafide spiritual master and come under His shelter, following His instructions and principles, because He is self-realized and only He can impart us real knowledge because He has seen the truth. It's necessary for a being to come under bonafide guru who has studied scriptures and has come from disciplic succession.

"Yasya prasādād bhagavat prasādah" By the mercy of Spiritual master one can receive the mercy of Krishna. Therefore one must take the shelter of a pure devotee. Thus one can become free from this material entanglement. Your books are the communication channel to interact with you, and I really feel joy in reading them.

I pray at Your lotus feet to remain as Your servant forever.

Your servant,

Bhakta Srujan.

All glories to my spiritual master, A.C. Bhaktivedanta Swami Srila Prabhupada,

I pay my humble obeisance's unto Your lotus feet.

Prabhupada by Your merciful glance this insignificant soul has got a chance to begin its spiritual life and everyday experiencing new realization in spirituality. In this two years of my Krishna consciousness life, I have achieved a lot. All the auspicious moments that has come to my life it has come by Your mercy.

The most important one is my decision of joining Brahmachari ashram and being full time in service of lordship Radha Krishna Chandra. Which has come true by your blessing. Probably, I could never understand how spiritual master favors

his sincere disciple, but I could see the strong impact how mine and everyone's life has been transformed into better human being and started their real journey towards ultimate goal. Now, my only desire is that no forces in this world should shake my determination and take me away from serving You. I have read Your books like perfect question and perfect answer, laws of karma and life comes from life. I also read Bhagavad gita and I am chanting on daily basis. It changed my life totally, I feel very cool and calm compared to my past life.

Prabhupada, Your glories cannot have full stop, just putting comma to continue further.....

Always in Your Service,

Bhakta Sunil Kumar Bishnoi.

श्रील प्रभुपाद!

आपके चरणों में साक्षात् दण्डवत प्रणाम!

यह अत्यंत हर्ष का विषय है कि व्यास पूजा के इस पावन अवसर पर हमें आपके गुणगान करने का अवसर प्राप्त हुआ है। वैसे तो हमें आपका नियमित रूप से गुणगान करना चाहिए परन्तु हम पतित बद्धजीव ऐसा नहीं कर पाते हैं, फिर भी हम पर आपकी कृपा में किसी भी प्रकार की कोई कमी नहीं होती है।

हमारे लिए यह अत्यंत सौभाग्य का विषय है कि हमने आप जैसे शुद्ध भक्त के आश्रय में आध्यात्मिक जीवन का आरंभ किया है। जैसा कि भागवतम् में वर्णन है कि इस कलियुग में अगर कोई आध्यात्म की ओर जाना चाहता है तो उसे सही मार्ग मिलना बहुत मुश्किल है, परन्तु आपके सान्निध्य में यह एकदम सुलभ है।

आपने १९६५ में जो हरे कृष्ण मूवमेंट अकेले केवल कृष्ण की कृपा के साथ आरंभ किया था, वह आज बहुत तेजी के साथ संपूर्ण विश्व में आगे बढ़ रहा है, आपकी कृपा से विश्व के हर भाग में कण्ठी धारण करने वाले वैष्णव नाम जप करते हुए मिल जाते हैं।

आपके द्वारा कलह के इस युग में भवरोग से पीड़ित जनसमूह के लिए चैतन्य महाप्रभु द्वारा प्रदान की गई औषधि हरिनाम संकीर्तन का वितरण मुक्त हस्त किया जा रहा है। जैसा कि आपने अपनी पुस्तकों में भी बताया है कि कलियुग में हरे कृष्ण महामंत्र के अतिरिक्त अन्य कोई भी आशा नहीं है।

यह एकमात्र आपकी कृपा का ही परिणाम है कि भगवान का नाम जो कि स्वयम् भगवान से अभिन्न है हम जैसे अधम व पतित बद्धजीव के लिए भी सुलभ है।

हमारे लिए आपके द्वारा प्रदान की गई अहैतुकि कृपा से उन्नत होना अनंत जन्मों में भी संभव नहीं है, परन्तु यदि हम पूरी तरह से विनम्रता के साथ आपके निर्देशों का पालन करने में सफल होंगे तो निश्चित तौर पर आपको प्रसन्नता होगी।

आपका दास,

भक्त सुनील कुमार धूत.

Dear Srila Prabhupada,

Please accept my humble obeisance unto Your Lotus feet,

Five years before, I came in touch with the Hare Krishna Movement. There was lot of fluctuation in my life but You did not let me fall, through Your books, Your lectures and Your most merciful devotees. Prabhupada thanks for everything, please give me shelter as Your disciple.

Trying to Become Your servants of servant,

Bhakta Sunil Mohan.

Bhakta Sunil Sahu

Dear Srila Prabhupada,

Please accept my humble obeisance at Your lotus feet. One year before I came in touch of Your movement. I was very happy to know about Your movement and about who is Krishna. By Your mercy, slowly slowly I started chanting ,reading your books.

I stopped meat eating ,drinking alcohol,Illicit sex,which I did in the past. You are most faithful person in my life. I found to know about You. I watched Hare Krishna movie, I very much wondered, how You struggled for us. I always think what I can do for You. I read Your Quote "if You want to please me distribute my books". I distributed Your books and I want to give my life for Your movement to make our spiritual master happy and follow in Your footsteps.

Your servant,

Dear Srila Prabhupada,

All Glories to You.

Please accept my humble obeisance. I have no words to describe Your glories. You are only savior of this material world which is only like a blazing fire.

According to Your teachings, I pray daily Mangala aarti.

So Prabhupāda, without you, my life is like an animal but You only gave a path to know who am I? What is the aim of human life? You only feel the real pain of others, which is to forgot Krishna. O my beloved master please bless me.

Your words were always potent, deep, and realized; mine remain forever shallow. My hope, Śrīla Prabhupāda is that You will kindly allow me to serve You through serving Your spoken and written words.

Your servant,

Bhakta Surender Khatana.

Dear Srila Prabhupada ,

With another year gone by in the association of Your devotees, it has been a year full of many understandings along with many ups and down on the way. The source for success in spiritual life is to understand that one can never solve the problems coming on the way but by Your mercy, Your sincere disciples can simply cross over the difficulties and only by Your mercy can the conditioned souls who are endowed with the three qualities of.

- 1) ignorance (ajnana)
- 2) faithlessness (ashraddha)
- 3) doubting nature (samshaya)

obtain the mercy of Krishna. In the purport of Bhagavad Gita 7.30, you actually reveal a very important secret as to what is the meaning of the word “Dhrida-vrata”. This word specifically means “Determined faith” and you enlighten us that actually the real purport of this word is that one has implicit faith that simply by hearing and glorifying the lord, all of one’s objectives will be fulfilled. Indeed in the madness of this world where one is driven to believe that simply he is the doer based on the deep rooted concept of being the body, a conditioned soul is made to forget time after time that it is all due to him that events are taking place and that he is the “cause of his activities.” Here, the spiritual master plays the most important role by breaking this covering of illusion by the spiritual instructions emanating from his lotus like lips. It is a fact that one in any species of life has to accept a mother and father but it is only in the human form of life can one attain to the mercy of

Guru and Krishna. One indeed has to receive Your causeless mercy to get an opportunity to receive Krishna Consciousness because a bewildered soul is simply envious of Krishna and is thus not ready to hear about his glories. This however is the prime reason for his suffering in this material world birth after birth. The most unfortunate part is that even after being continuously being kicked by the material nature, he still considers that he is very happy and thus makes plans for extending his stay in this material world. My lord, I pray to You that although by your grace I have received this divine opportunity to practice Krishna Consciousness in the association of your disciples, I openly admit that I am an ocean of faults and I continuously pray for Your mercy that You may you purify me of all my misgivings and simply allow bestow upon me that benediction that life after life may I always serve Sri-Sri Krishna-Balarama in the sanga of the devotees.

I do not pray for any opulence such as name, fame and adoration but I sincerely beg unto Your lotus feet that within the core of my heart please kindly purify me of all the deep rooted contamination's that I have been carrying around with me since time immemorially in this material world. It has been a wonderful journey for me ever since You broke my avarnatmika-shakti of maya in the most unthinkable of circumstances, I consider that the only way for me to repay Your eternal favor of saving me from this material madness is that life after life may I sincerely and obediently render service unto Your lotus feet because the relationship between a spiritual master and disciples crosses the boundaries of matter and body. This is one of the reason because of which even through Your photograph You can personally act as it would have been during Your physical presence. Being of an absolute nature mundane eyes can never understand You can act even though not being physically present, but if anyone with faith executes your orders and the system which You have set-up, it is only a matter of time when he will realize Your transcendental and mystic presence. May I simply be fortunate enough to receive Your merciful glance.

Your Servant,

मेरे आदरणीय आध्यात्मिक गुरु श्रील प्रभुपादजी!

आपका मेरे जीवन में जो महत्व है ,जो स्थान है वह मैं शब्दों में बयान नहीं कर सकता, क्योंकि उसे व्यक्त करने के लिए मुझे कोई भी शब्द मिल नहीं रहा। यह अनुभव का विषय है और इसे अनुभव से ही समझा जा सकता है। शब्दों में इसे बताया नहीं जा सकता है फिर भी कुछ ऐसा अनुभव है गत वर्ष के बारे में आपको बताना चाहता हूँ की आपने किस प्रकार मुझे प्रभावित किया है। मेरा पहला और महत्त्वपूर्ण अनुभव तो यह है मैंने महसूस किया है कि आपके द्वारा लिखी गई पुस्तकें ही आपसे बात करने का आपके साथ समय बिताने का सबसे सरल माध्यम है। इसे मैंने अपने निजी अनुभव से प्राप्त किया है, दूसरा अनुभव यह है कि आपने जो दूरदर्शिता से सोच के व्यवस्था बनाई है। जिसमें की मंदिर की विग्रह अर्चना, साधना, पुस्तकों का वितरण, प्रचार, संकीर्तन, वैदिक ज्ञान का प्रसार सम्मिलित हैं। मुझे आपका आशीर्वाद चाहिए कि गुरु साधु शास्त्र मे अधिक से अधिक बढ़ता हुआ विश्वास प्राप्त हो।

आपका दास,

Dear Srila Prabhupada,

Please accept my humble obeisances unto Your lotus feet.

Just like eye-defected person cannot see without the help of eyeglasses similarly without Your causeless mercy we cannot perceive Krishna or Krishna Bhakti. O Divine Grace, You have only given the path of Krishna Bhakti and made me capable to progress on this path. Thanks a lot, for giving me Krishna's very dear cow serving service. Kindly make me very enthusiastic to do it very nicely.

Dearest Srila Prabhupada,

Hare Krishna. All glories to Srila Prabhupada! All glories to Srila Gurudeva!

Please accept my humble obeisances at Your lotus feet.

Writing an offering to You is always such a difficult endeavour. How is it possible to put into words the effect, Your teachings have had on us conditioned souls? You have shown us the path to spirituality through Your teachings and example of dovetailing one's energy and talent in Krsna's service. How could we have ever arrived at such a conclusion without meeting Your Divine Grace?

O master, You came to deliver us from this ocean of nescience. Saktyavesa-avatara, empowered for this purpose with Lord Krsna's own internal energy, non-different from Him. I am begging You, please forgive my many offenses at Your lotus feet, and bestow Your mercy upon me. Please instruct me, make me realize, so I may understand how I am able to serve You.

Oh master You are the ocean of mercy. Be merciful unto me. Jai Srila Prabhupada!

Thanking You for saving me from this contaminated materialistic world and giving me the shade of Your lotus feet.

Your eternal servant,

प्रिय प्रभुपाद, हरे कृष्ण !

मैं चल रहा हूँ उन राहों पर जो राह आपने दिखलाई है,

भरी धूप में मैं चल भी पा रहा हूँ, इस कारण दी जो मेरे सिर पर आपने अपने चरण-कमलों की परछाई हैं

पर प्रभुपाद, इन राहों पर बिखरे हैं काँटे हजार कभी काम-लोभ हर लेते हैं मेरे संकल्पों को

कर देते हैं मुझे आत्म निर्बल-लाचार, कभी ईर्ष्या द्वेष के प्रवत आवेगों से

करने लगता है मन दुराचार कभी संशय का सकुनि विवेक का सिंहासन हथियाकर

लगभग कर ही देता है साबित कृष्ण भावनामृत निराधार छोटी-छोटी घटनाओं से होकर विचलित

मन करने लगता है घर आपका छोड़ने का विचार कई बार पर, फिर रूक जाता हूँ मैं यह सोचकर

जब खाई थी माता से लात-घुसों की मार एक आपने ही तो पकड़कर सिसकियाँ रोकी मेरी,

दिया अपनी ममता का प्यार, मैं पतित और आप शुद्ध वैष्णव होने के नाते

मैं लगाता हूँ आपसे यही गुहार, आप करुणा के सागर, आप हैं सद्गुणों के आगार

हे प्रभुपाद, कर दो आपकी प्रेमभक्ति की नाव में मुझे सवार

कर दो एसी कृपा मुझपे इस बार कर लूँ जिससे ये भव सागर मैं पार

मन मेरा निर्मल हो जाये जिससे भक्ति का हो प्रबल संचार

हो हर किसी के प्रति मन में मेरे आदर-सत्कार,

आपकी चरण-रति रस पीकर शुद्ध कृष्ण भक्ति का हो संचार

यही है मेरी विनती चरणों में आपके बारम्बार,

हे सारस्वते देवे, हे गौरी वाणी प्रचारिणे

आपका नित्य दास, भक्त उमेश.

Dear Srila Prabhupada,

Please accept my humble obeisance at Your lotus feet. If I even happen to be a Shakespeare today, I wouldn't be an inch closer in praising Your glories, such is Your nature and spectrum, where all the nobles fall short of recognizing Your eternal works, Your ocean of mercy is vast than all the oceans of earth put together and further quadrupled, but even then You make it look so easy to attract anyone and everyone with utmost love and humility, it's beyond my capacity to understand Your works and what to talk of praising it, so please bless me to realize my true position and capabilities, please bless me with intelligence to see the world as it is, bless me to constantly inspire myself and bless me to imbibe hope in myself to see the other end. All glories to You Srila Prabhupada, and Chaitanya Mahaprabhu's sankirtana movement.

मेरे गुरु श्रील प्रभुपाद के चरणों में कोटि कोटि नमन,

प्रभु आपने मुझे अपने चरण कमलो में स्थान दिया यह मेरी इस जीवन की परम उपलब्धि है। प्रभु भगवान् की कृपा से मुझे आपके दर्शन का लाभ भी इस जीवन में प्राप्त हुआ, किन्तु उस समय अज्ञानता की वजह से मैं आपकी किसी संस्था से जुड़ नहीं सका, उसके लिए मैं क्षमाप्रार्थी हूँ। मैं सन 2015 से निरंतर आपके बताए गए मार्ग पर चल रहा हूँ। प्रभु आपकी कृपा से मैं इस भौतिक जगत के कार्यों को पूर्ण करते हुए, आध्यात्मिक कार्यों में भी पूर्ण रूप से लगा हुआ हूँ। प्रभु आपका आशीर्वाद प्राप्त होने के बाद जीवन में तनाव काफी कम हो गया है, और भगवान् पर विश्वास निरंतर बढ़ता जा रहा है।

Dear Śrīla Prabhupāda,

Please accept my humble obeisance unto Your lotus feet.

आपको जन्मदिन मुबारक हो। आप यँही युगों युगों में भगवान की महिमा का ज्ञान सभी वैष्णवजन तक पहुँचाने के लिए अवतार लेते रहे और हम जैसे अधमो को कृष्ण-प्रेम का पथ पढ़ाते रहे।

Śrīla Prabhupāda, I am most fallen. I have no qualification to be called a servant of You, but this is the mercy of You and Krishna that I stand here named as a fallen servant of You.

By Your mercy I am able to understand the fact of life and things that are to be done in life and the ultimate goal of this life but due to association of this material world I can't follow the Sadhana properly on regular basis. It's due to some situations and laziness. I don't know what happen to my life it's up to You what You want to do with this life. Today I pray from You and Krishna that helps me in removing the laziness word from my life and keep me in Your shelter because I can't imagine my life without You and Krishna. Nowadays I chant four rounds and I pray to You Śrīla Prabhupāda to give me strength to practice the sadhana properly without fail and provide the association of devotees as early as possible because without association I feel so much difficulty in following the Krishna consciousness.

All glories to Śrīla Prabhupāda,

Your most fallen servant,

Dear Srila Prabhupada,

Please accept my heartfelt & respectful obeisance at Your lotus feet.

I am very much thankful to You for making me a part of Your Hare Krishna Movement. With the help of Your movement & Your temple & Devotees.

I am very much benefited by Your mercy. By Your mercy I am able to chant 4 rounds of Hare Krishna Maha-mantra daliy. It's helping me to control my mind & senses.

I go to the temple every day. I love to come to the temple. All Devotees are very nice always; they give me a good guideline. Srila Prabhupada always keep Your blessings on me. Hare Krishna

Your Aspiring Disciple,

Bhakta Vipin Ahluwalia.

Bhakta Vishnu Kiran B

Dear Srila Prabhupada,

Accept my obeisance if i am really humble, if not make me humble enough to pay my respects to you. When I first came to in touch with Krishna Consciousness with Prabhu the first thing I could see was the warmth in the eyes the people who practiced Krishna Consciousness and chanted Hare Krishna Mantra. I am not an atheist but it is like I want to be attracted to Krishna(the all attractive) and believe in him but this wandering mind of mine with five ignorant horses of senses pulling my cart of my body I get attracted into the world of Maya, but even a fool like me got attracted to Krishna Consciousness such is the gravity in the eyes of people who practice Krishna Consciousness Movement. Prabhupada I don't know how

much deserving I am to come in touch with sadhusanga in Krishna Consciousness, if there is something good to happen in my way of Bhakti I owe it all to you my dear teacher, who opened up the path to my dawn of bhakti.

Until I came in touch with Krishna consciousness as a typical South Indian even though I have love for Krishna it was covered with a layer of fear but now due to the sadhusanga that layer has been diminishing.

Dear Prabhupada please bless me so that with your grace I shall walk the path you paved for the glory of Krishna and never turn back to this world of Maya and help as many people as I can to walk your way. Please accept this small poem by an ignorant boy wanting to be your student to embrace the Krishna Consciousness.

Along the roads I walked and walked, till the day dreamt of night with the people who knew fright all the roads I walked and walked, were filled with people who dreamt of night but the one whom I met along the road this day, Could cheer up the day in night and Let me enter the day light this right light lit me bright to shine one night in fright to lead others to the bright daylight.

Your Servant,

Bhakta Vishnu Kiran B.

Bhakta Vishnu Saini

My dearest beloved spiritual master,

Please accept my most humble obeisances at Your lotus feet. All glories to Beloved Srila Prabhupada!

This is my humble offering to Your Grace on this auspicious day of Your holy appearance. It is my privilege to live as a student in the Folk Hostel and get a chance to be attracted to the spirituality and life here and I got the love of the exclusive devotion of Lord Krishna and I found it in life that besides His devotion nothing else exists. Staying in the Folk Hostel was one of the best moments of my life I consider myself fortunate.

All glories all glories to Your Divine Grace on Your special day.

Your most insignificant servant,

Bhakta Vishnu Saini.

My dearest Gurudeva,

I offer my respectful obeisance unto the lotus feet of such a spiritual master who is an ocean of auspicious qualities. Give me strength, give me strength, and give me strength to use my body in the service of Rādhā and Krishna and Yours. Give me strength to push the mission of Lord Chaitanya. Give me strength Gurudeva to be honest and prove to You and Krishna and always place me as an atom of Your Lotus feet. I am not in my right place now. I don't know if I ever will be, but as You said, whatever situation will come and we put in that situation it's all over Krishna's mercy so don't fear about that situation and utilize it in best way possible and go forward to our spiritual journey.

Gurudeva, this mind is very difficult to control, it doesn't listen and after that I am getting frustrated although Krishna will hold me and take care of me, but Gurudeva I don't want Him to do this. I want to make Him so proud. So please Prabhupāda give me strength.

Only by Your shelter of Your Lotus feet I can make any advancement in my spiritual life .Please accept a falling soul like me.

dhyāna mūlam guru mūrti, puja mūlam guru padam ,

The Guru's form is the best to meditate upon; the Guru's feet are the best for worship; the Guru's word is the mantra; the Guru's Grace is root of liberation.

You took special care of me and gave me a spiritual platform because You always said that we were rotting in gutter .You are our real father and mother and well-wisher because You gave me second birth. Sometimes I am doing some offenses so please forgive it and give me strength to carry Your order and go upward into spiritual life in association of Your sincere devotees.

Krishna is situated in everyone's heart as caitya - Guru, spiritual master within. You appeared as external manifestation of Supersoul. Just as Supersoul is everywhere, You have spread Yourself everywhere by sankirtana movement. In every town or village people are singing "Jai Śrīla Prabhupāda". I am very much fortunate to become a part of this Hare Krishna movement to clean all my past karma and I aspire to become Your sincere devotee.

Your unqualified servant,

Bhakta Yash.

Bhakta Yashasvi Pandey

Dear Srila Prabhupada,

You spread the teachings of Chaitanya Mahaprabhu to all over the world because of Your Guru Srila Bhaktisiddhanta Saraswati Maharaj instruction. Because of Your spreading teachings - many people(conditional souls) got something which they really needed. Many many philosophers together were not able to tell us real meaning and purpose of our human life, they can try to solve the puzzle of life with different different ways with their theories but they will get only failures because most important part of puzzle is missing from their hand and that is spiritual master and His mercy. O spiritual master, You are the only genius who has given us the cheat code to solve this unsolvable puzzle by its creator - God(Krishna) Himself.

I am so much fortunate that nearly before 1 year before I get in touch with Your sincere disciples who showed me path to Your teachings and practices. First thing which I accepted fully from Your teaching is that "I am not perfect" and only Mr. Perfect is Krishna. I am doing 16 rounds of chanting now and continuously trying to improve my chanting. Reading books is little bit difficult for me but still I am doing because it is Your order. Please give me Your mercy and blessings so that I can come to the real platform of spirituality with full of devotion to serve Krishna and follow all Your instructions with full faith. Your mercy is so important to achieve Krishna Prema till the end of this life. Jai Srila Prabhupada,

Your neophyte servant,

Bhakta Yashasvi Pandey.

Bhakta Yashaswi Kant Kumar

Dear Prabhupada,

I am such a fallen soul. Praising You and showing gratitude to You, by my desire, is to seek eternal blessings for entire life to serve Your servants.

By coming in touch with Your disciple, Brajendra Nandana Dasa Prabhu, I came to realize the real essence of 'bhakti' just by taking Your messages; Your guidelines---chanting, reading, association, eating 'prasadam', diety darshan, etc. seriously.

Without denying the very fact about the uncertainty of circumstances; toughness of life, that which carries potential to break me down; tear me apart, You always lifted me up by making me more tolerant than ever before.

Our dear Prabhupada, Your scientific method and process to make our soul get connected with Krishna is one of the various motivating factors behind my seeking of right opportunity for complete surrender onto Your lotus feet.

Aspiring to be the servant of Your servants,

Bhakta Yashaswi Kant Kumar.

हरे कृष्ण,

आदरणीय श्रील प्रभुपाद जी को मेरा नतमस्तक दंडवत प्रणाम,

प्रभुपाद जी आपने हमें अपने आश्रम में लेकर हमारी जिंदगी को बदल दिया। भक्ति करने का आसान व सर्वश्रेष्ठ तरीका बता कर आपने हमें भगवान के निकट लाने में हमारी मदद करी। मैं आप की बहुत आभारी हूँ हम अंधकार में डूबते जा रहे थे लेकिन आपने हमारा हाथ पकड़ इस अंधकार रूपी भवसागर से बाहर निकालने में मदद की। आपको मेरा शत शत प्रणाम, मैं सदैव आप के बताए हुए रास्ते पर चलती रहूँ। प्रभु आप हमें और शक्ति दीजिए ताकि हम भक्ति में और आगे बढ़ते जाएं।

आप की पुत्री,

Dear Gurudeva,

Please accept my heartfelt obeisances unto Your lotus feet!

In the darkness of sheer ignorance, You blessed me with Your presence in this human form of life, which made me realize the core reality of this material world and the eternal spiritual world. Since You, being representative of eternal personality of godhead knows everything about the present reality of my life, I would only request You to please be on my side in every of my worst and best situation and that too You are, but I don't know why I am so weak in my faith and determination that everyday I feel like committing hundreds of offences and hurting You somewhere being Your disciple. The moment when I am writing You this letter is when I am hardly able to figure out what's going in my life and it's You only Gurudev who can save me now.

HareKrishna!

Your servant,

Bhaktin Bhavana Sharma.

Bhaktin Bhumika

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to Srila Prabhupada, and all the Vaisnava devotees of the lord.

om ajñāna-timirāndhasya jñānāñjana-śalākayā

caḥsur unmīlitaṁ yena tasmai śrī-gurave namaḥ

I offer my respectful obeisances to my Guru who opened my eyes with the lighted torch of knowledge from the darkness of ignorance.

As the above prayers testify, it is indeed by Your blessings and guidance that I have any hope of crossing this miserable ocean of birth and death.

I am very fortunate to be Your disciple having received glance of Your causeless mercy through reading Your books, videos of Your lectures and association of Your very compassionate disciple .

Without Your mercy I would have been completely engrossed in the material world and baseless theories of mayavaad.

Prabhupada, being a fallen soul I can feel myself to be very keenly attached to various tastes of material existence with a fluctuating mind instead of 'love for Lord'.

Have understood the term 'detachment' at intellectual level only without the real realization of it. Seeking for Your causeless mercy for strong realization of 'it' so that I would be able to devote myself fully into the process of Krishna consciousness without fluctuating by Maya.

I sincerely beg You for Your causeless blessings and mercy so that I may be able to serve the mission of Sri Gaura Nitai, and Your Lotus feet. I pray for your blessings to serve you eternally.

Please forgive me for the millions of offences committed by me both knowingly and unknowingly.

Your most fallen servant, Bhaktin Bhumika.

Bhaktin Bhuvana

Dear Srila Prabhupada Master ji,

Please accept my humble obeisances. All glories to Guru and Lord Krishna's lotus feet.

Oh, My Lord! heard & read lot of Your mercy!

Auspicious day as on Today, Few words presenting to You

G for giving

E for energy to mind

E for enthusiasm to hear (or) heart

T for thoughts or teach

A for action or accept to live

Guruji thank you for giving energy, enthusiasm to hear or heart to teach actively or accept to spiritually live in this miserable world through read & spread (here distribute) "GEETA BOOK", although guide unworthily diamond word (4 principle's) for us (You and Your guruji's), and simple process of chanting 16 round mahamantra to destroy our whole sinful activity in this illusory world to live, joyful, happily to live peaceful life, and surrendering to Lord's lotus feet on easy way at the end of period.

As Your mercy always we got fruits for each and every moment through bhakti. (here bhakti means activity of devotional service) Please give still more guidance to do bhakti (here bhakti means need some more energy/power/talent to spread Your path). Because understanding your instructions means following them sincerely and strictly. Because some of the people coming to temple don't understand the meaning of guru and 'shishya' relationship and Your valuable guidance. Some of the public visiting temple come with rumour, murmur, jealousy, non-tolerance, ego, sharing lusty love. But, few are there who come with love and affection towards You Prabhupada. Some of the Temple representative like full time devotees also guide the public in good way; but still it is going on. Sometimes I always think, cry internally to guide all of us.

Deeply believing that you will always be with me and guide me.

Always Your sincerely, Bhatin Bhuvana.

मेरे पूजनीय गुरु श्रील प्रभुपाद के चरणों में बारम्बार प्रणाम।

हे कृपासिन्धु गुरुदेव,

मैंने इस कलियुग के घोर अंधियारे में जन्म लिया। आप कृपा के सागर व नर रूप में श्री भगवान ही थे तथा आपके वचन, आज भी जीवन से अज्ञान को मिटाकर प्रकाशित कर रहे हैं। आपने अपनी कृपा रूपी किरण मुझे पतित अज्ञानी पर डालकर मुझे एक नया जन्म दिया। उसके लिए मैं सदैव आपकी करबद्ध आभारी रहूँगी कि आपने मुझे इस कलियुग के असंख्य जीवों में से अपनी कृपा योग्य समझा।

हे करूणानिधे, आपके द्वारा दिए गए इस नए जन्म के बाद जीवन की शुरुआत ही कुछ अलग प्रकार से, बिल्कुल

सात्विक, जप, तपस्या, शान्तमन और केवल गुरु कृष्ण कृपा तारतम्य सी हो रही हैं।

हे दयानिधे, आपके दिव्यज्ञान की कणमात्र कृपा किरणों से मुझे पतित अज्ञानी ने जो पुनर्जन्म प्राप्त किया है, उस पर अपनी कृपा- किरणों की सघनता बढ़ाते हुए, एक दिन उसे अपने दिव्य आकर्षण से खींच कर अपने चरणों में रख लीजिए और एक झलक मेरे भगवान कृष्ण के चरणों की दिखवा दीजिए। ताकि मैं आगे का जीवन कृष्ण-चेतन स्वरूप व्यतीत कर सकूँ। यही मेरी आपसे पहली और अन्तिम इच्छा है।

आपकी दासी,

भक्तिन दमयन्ती छीपा.

कृष्ण कृपामूर्ति श्री श्रीमद् अभय चरणारविन्द भक्ति वेदान्त स्वामी श्रील प्रभुपाद के चरण कमलों में मैं दण्डवत प्रणाम करती हूँ।

मैं आपके हरे कृष्ण आंदोलन (अक्षय पात्र मन्दिर, जयपुर) से सपरिवार सवा साल से जुड़ी हुई हूँ। मुझे मन्दिर आना एवं सभी कार्यक्रमों में भाग लेना अच्छा लगता है।

आपके सानिध्य में मैंने साधक आश्रय लिया है। आपके आदेशानुसार मैं नित्य 8 माला का जप करती हूँ, तथा घर पर नित्य नरसिंह आरती, तुलसी आरती करती हूँ एवं भगवान को भोग लगाती हूँ।

हे करूणासिंधु गुरुदेव! आपसे निवेदन है कि, कृपया अपनी कृपा दृष्टि बनाये रखें जिससे मैं काम, क्रोध, लोभ, मोह रूपी अंधकार से दूर रह सकूँ, और आपके चरणों में रहकर कृष्ण प्रेम प्राप्त कर सकूँ।

हे कृष्ण कृपामूर्ति कृपया मुझे अपनी शरण में ले और मुझे आपकी और राधा कृष्ण की सेवा में लगायें।।

परम पूजनीय श्रील प्रभुपाद के चरणों मे मेरा शत शत नमन !

मैं बहुत ही पतित होने के बावजूद आपके चरण कमलो में श्रद्धा सुमन डालने जा रही हूँ।

प्रभुपाद जी, जो आपने पूरे विश्व को दिया है उसके लिए हम सभी आभारी हैं। आपने वह चमत्कार कर दिखाया जिसे कभी किसी ने नहीं सोचा। मैं प्रभुपाद आपको धन्यवाद कहती हूँ लेकिन प्रभुपाद मैं अभी चाय (टी) को त्याग नहीं पायी और अभी भी देवी देवताओं को पूजा करती हूँ। उपवास(फ़ास्ट) भी रखती हूँ लेकिन कृष्ण के बाद देवी-देवताओं की पूजा करती हूँ।

कृपया अपना आशीर्वाद दीजिये ताकि मैं सही से कृष्ण भक्ति पर ध्यान दे सकूँ। मेरे हर अपराध के लिए क्षमा करे प्रभुपाद।

आपकी दासी,

Bhaktin Hinory Sharma

प्रभुपाद के चरणों में कोटि-कोटि दंडवत प्रणाम।

हे प्रभुपाद, पता नहीं मुझसे जाने अनजाने में कौन सा पाप हो गया जिससे कि सब लोगों में केवल मैं ही दीक्षा लेने से वंचित हो गई तथा मेरा भक्ति का ग्राफ भी डाउन हो गया है। हे प्रभुपाद, मुझसे जाने अनजाने में जो भी अपराध हो गए हो कृपया आप उन्हें माफ कर देना जिससे मैं दोबारा अच्छे से भक्ति कर सकूँ व दीक्षा ले सकूँ। वैसे जो कुछ भी होता है अच्छे के लिए ही होता है। मुझे नहीं पता इसके पीछे आप की क्या प्लानिंग है, क्योंकि आपकी कृपा से ही सब कुछ होता है। आप जो कुछ भी करेंगे वह मेरे भले के लिए ही होगा।

हे प्रभुपाद, मैं अपना पूरा जीवन आपको समर्पित करते हुए अच्छे से भक्ति, सेवा तथा साधना करना चाहती हूँ। यह सब आपकी कृपा के बिना असंभव है इसलिए हे प्रभुपाद, मुझ पतित पर आप अपनी अहैतुकी कृपा बनाए रखना।

आपकी दासानुदासी,

All glories to Srila Prabhupada,

Kindly accept my humble obeisances unto Your lotus feet. All glories to Your Divine Grace.

Prabhupada ji, Your appearance day is the most auspicious occasion and a golden opportunity for Your disciples for being able to show their gratitude to Your kind grace, besides they also seek Your mercy for the problems they encounter while practicing Krishna Consciousness. Thank You so much for this causeless mercy of Yours.

On the very first place I wish to convey to You that I am highly grateful and indebted for Your kind mercy bestowed upon me (the most fallen soul) and on to the rest of the world by Your vani & by writing transcendental enlightening spiritual literature about Lord Krishna, His teachings and directing us about the need and process to achieve the goal of human life.

Dearest Prabhupada ji I owe You from the core of my heart not only this birth of mine but for all future births as well for showing me the path of perfection, " the Krishna Consciousness".

Although Prabhupada ji I confess honestly that I am still failing to follow the path traveled & and taught by You because of lack of self control and strong determination but I feel privileged, proud and happy that Your kind self has taken me under Your shelter to provide me the essence of bhakti, the "Krishna Prema."

Although Prabhupada ji, my " bhakti lata bail" is not progressing as fast as it should have been by now but by the causeless mercy of Your Divine Good self and Chaitanya Mahaprabhu I am quite hopeful that one day I will make You feel proud as Your disciple.

I sincerely pray at Your lotus feet that kindly always keep me under Your shelter and engage in the service of Your grace, Radharani and Krishna by forgiving my endless faults and shortcomings.

May I request You to kindly be extra kind on me as in spite of all my efforts I am not being able to achieve the level of purity to attract the attention of the Lord by being a pure devotee of Lord Krishna, the supreme personality of Godhead.

Thank You so very much Prabhupada ji time and again for all Your blessings & guiding us as to how to revive Krishna Consciousness back in us.

A fallen soul who aspires to be Your eternal servant,

Bhaktin Jyoti Joshi.

Bhaktin Kratika Jain

Dear Eternal Father,

Please accept my humblest obeisances under the Divine Dust of Your lotus feet. I wander where in the world would I be without You? Just thinking such a thought makes me shudder, Your causeless mercy is saving me from materialistic way of life and allowing me to engage in devotional service to the supreme lord. Its been 3 years I'm trying to follow Your given instructions properly but I'm always failing. Oh Prabhupada I want more service opportunities as You know I want to please You and Gaura Sundara by spreading The Holy Names of Krishna because my very goal in life is to please You both .

In one of Your lectures Prabhupada You mentioned that we get mother and father and their care in each form of life, but Krishna and guru do not come in every birth. Oh Gurudeva please bless me so that I can become some small instrument in Your magnanimous mission to spread Chaitanya Mahaprabhu's movement and for Your pleasure.

Please kindly keep me under Your Divine shelter,

Your unworthy servant,

Bhaktin Kratika Jain.

आपके चरण कमलों में सादर प्रणाम श्रील प्रभुपाद जी,

मैं जब से आपके हरे कृष्णा मूवमेंट में आयी हूँ तब से मुझे ये पता लगा है कि एक प्रमाणिक गुरु क्या होता है। यह मेरा सौभाग्य है कि आपके इस मूवमेंट ने मेरी आत्मा को भक्ति के लिए जागृत किया है। आपकी लिखी पुस्तकों से यह पता लगा कि शरीर क्या है और आत्म क्या है। हे गुरुदेव! जब आपकी चर्चा होती है तो मुझे बहुत खुशी होती है। श्रील प्रभुपाद आप भक्तों को भक्ति में आगे बढ़ाते हो और जब हम मन्दिर में आते हैं तो हमें यह शिक्षा मिलती है कि प्रभुपाद जी, आपके चरण कमलों का अनुसरण करें तो आप हमें निश्चित रूप से गोलोक वृंदावन लेकर जायेंगे।

Dear Srila Prabhupada,

Please accept my humble compliance. All glories to Your Diving Grace.

I feel honored to write to Your most auspicious appearance day. I am in touch with Your devotees since last 2 years. I came to know more about Lord Krishna after Your association and how to develop love for Godhead. I face all difficulties easily by Your grace and by keeping Lord Krishna in my mind . After attending first Janmashtami function, I was mesmerized by seeing that level of devotion since that day I decided to take ashraja of Srila Prabhupada . After joining Akshya Patra my life has been changed in a very positive way and I do chanting 8 times Hare Krishna mantra daily. I wish for Your mercy and blessings for rest of my life.

Your humble devotee,

Bhaktin Manju Mathur.

Dear Srila Prabhupada,

Please accept my humble obeisances at Your lotus feet. All Glories to Srila Prabhupada.

I offer my respectful obeisances unto His Divine Grace Srila Prabhupada, who is very dear to Lord Krishna, having taken shelter at His lotus feet.

*“yasya prasada bhagavat-prasado, yasyaprasadan na gatih kuto pi
dhyayan stuvams tasya yasas tri-sandhyam, vande guroh sri-caranaravindam”*

" By the mercy of the spiritual master one receives the benediction of Krishna. Without the grace of the spiritual master, one cannot make any advancement. Therefore, I should always remember and praise the spiritual master. At least three times a day I should offer my respectful obeisances unto the lotus feet of my spiritual master."

My life seems to be full of most complicated difficulties. But You make everything so very simple. You just said that I should chant Hare Krishna and be happy, serve Krishna with love and always remember how wonderful is Krishna and be happy. The more I try to do that the more wonderful becomes my life.

There is nothing I can actually offer You that has any worth as You already possess pure Krishna-bhakti which is the only thing that is of any real value anyway. I can however, make a humble attempt to try to wholeheartedly take this process of Krishna consciousness that You have given us, as seriously as possible, working towards trying to make my every, thought, word and deed, that is pleasing to You.

Please guide me so that I can please Lord Krishna more in a better way by serving You and the vaishnavas more greatly.

A servant of Your servants,

Bhaktin Mona Gupta.

Bhaktin Mrudula

My dear sweet guru Srila Prabhupada,

I always follow your instructions. I never forget them. I always remember you, most of the time when I am sad, scared, nervous and lonely. You help me in everything. When I was young I always thought Krishna was great and then Guru. When I grew up, I observed that Guru is greater than Lord, I then accepted Guru as my super father. I love my super father so much and I will do bhakti and work hard to impress and make you happy and proud. Please Prabhupada bless me in yours and Krishna's service

Your servant,

Dear Gurudeva Srila Prabhupada,

Please accept my most humble obeisances at Your Divine Lotus Feet.

All Glories to Srila Prabhupada!!!

It was just a short time ago that I was engaged in so many degraded materialistic activities. When I think of it now, I am so ashamed of myself. I don't know how many lifetimes I have been forgetting Krishna and performing so many sinful acts life after life until His Divine Grace chose me to be his eternal daughter and had mercy on this fallen soul by giving me the opportunity of knowing about Krishna....Who is HE? Who are we? Why are we in this world and what is the purpose of our existence?

All these queries have been beautifully answered in Your books which open our darkened eyes closed due to ignorance.

Thank You Prabhupada for allowing me to taste the Divine Nectar of Hare Krishna Mantra ... for giving me the association of Your loving devotees.... for the opportunity to engage in loving devotional service of The Lord for unfolding the greatness of Sri Vrindavana and Mayapur Dhama.... for the most glorious and transcendental Ratha Yatra of Lord Jagannatha.... for bringing Krishna Radharani and Chaitanya Mahaprabhu in my contaminated consciousness... for removing the dark well of ignorance under which I was rotting away in material life..... for exhibiting the real purpose of human life.... for the wonderful 4 regulative principles ... for the easiest way to reach Krishna...

Chant, Dance, Have Prasadam and GO Back To Godhead....Thank You dear Gurudeva for transforming my life from a dreadful Hippie to Happy....

My loving eternal Father O Prabhupada ... You are an ocean of mercy.... please ignore all my foolish mistakes.. forgive me for the same and grant me the shelter of Your loving Lotus Feet.... Please beat my mind with a broomstick till I develop all the qualities of a good Vaishnava and qualify to go back to my original home....Allow me to always hold on to Your Lotus feet and never deviate towards Maya...

Brahmāṇḍa bhramite kona bhāgyavān jīva

Guru-kṛṣṇa-prasāde pāya bhakti-latā-bīja

Always be merciful unto this most fallen soul O Gurudeva and engage me in Your loving service. I have no other desire than this... Always indebted to You ... Give me the wisdom so that I never hurt or deceive You .

All Glories to Sri Guru and Gauranga

पूज्य गुरुदेव श्रील प्रभुपाद,

आपके चरणों में मेरा सादर प्रणाम।

हे गुरुदेव आप भौतिक दुखों से पीड़ित जगत का उद्धार करने वाले हैं, गुरु की कृपा से ही भगवान की कृपा प्राप्त होती है गुरु की कृपा के बिना कोई आध्यात्मिक उन्नति नहीं कर सकता है गुरु के चरण कमल ही शुद्ध भक्ति के एकमात्र धाम हैं गुरु की कृपा से ही हम भवसागर को पार कर सकते हैं।

हे प्रभुपाद कृष्ण भावनामृत के संपर्क में आने से मेरे जीवन में बहुत ही सकारात्मक परिवर्तन आया है। मुझे आध्यात्मिक जीवन के बारे में पता चला तथा यह पता चला कि मनुष्य जीवन का लक्ष्य क्या होना चाहिए तथा पूर्ण पुरुषोत्तम भगवान कौन है इसका ज्ञान प्राप्त हुआ।

जप करना शुरू करने के बाद धीरे-धीरे मेरी भौतिक चीजों में रूचि कम होती जा रही है तथा भगवान के प्रति आसक्ति बढ़ती जा रही है। हे प्रभुपाद, जैसा कि आप बताते हैं कि भगवान की तरफ अगर हम एक कदम बढ़ाते हैं तो भगवान हमारी तरफ कई कदम बढ़ाते हैं, मैंने थोड़ा थोड़ा भक्ति का प्रयास किया तो मुझे अवसर प्राप्त होता गया तथा अपने आप ऐसी परिस्थिति बन गई कि मुझे मंदिर के नजदीक रहने का सौभाग्य मिल रहा है तथा भक्तों द्वारा मार्गदर्शन मिल रहा है मैं ऐसी कृपा पाकर अत्यंत प्रसन्न हूँ। हे प्रभुपाद आपसे प्रार्थना है कि आप कृपा बनाए रखें तथा आप के निर्देशों का पालन करने का आशीर्वाद प्रदान करें।

Dear Srila Prabhupada,

Please accept my humble Obeisances onto Your lotus feet!

Dear master, I have been venturing in this vicious cycle of birth and death before You showered Your causeless mercy onto this fallen soul. You've guided me with the real aim of human birth through Your merciful devotees.

O Master! Kindly bless me that I can serve better and better each passing day and please give me shelter under the dust of Your lotus feet.

Your humble servant,

Bhaktin Pooja Roy

Dear Srila Prabhupada,

Please accept my humble obeisances at Your Lotus feet.

My experience to feel overwhelmed and enjoy the happiness about God has come to existence due to the path Bhaktivedant Swami Srila Prabhupada has shown.

Before reading the few books I have read so far the approach towards Lord Sri Krishna, Sri Balaram and Radharani was not so intense though Lord Shri Krishna & Radharani has always attracted me. Before reading the Srimad Bhagavad gita written by Srila Prabhupada, I have read the Bhagavad gita available in market 3 times in my life. One of the time it was a course book for me during my B.A Hons in English Literature; but the way Srila Prabhupad, You have written the Bhagavad gita, it provides us the deep knowledge what the Puranas and Upnishadas can provide.

Though in this Kali-yuga it is very unapproachable for a Lay man/woman to arrange and study the Vedic Puranas and Upnishads but the knowledge through the books of Srila Prabhupada leaves no stone upturned to make it equivalent to Indian Vedic Puranas and Upanishadas. Once we read any of Your books, it provides us intense knowledge about God.

The society named ISKCON established by You is the need of our human society and You knew this requirement of Indian Society and humanity as the whole, so You tried through ISCKON to bring to public life into this Universe. After reading

the Bhagavad gita and a few of Your books, I personally feel that if human being of kali yuga somehow just read or hear Your teachings, the world can reform; there could be a kaliyuga which can be only a machine Yuga as far as materialistic belongings are there and at least the sincerity, purity, love the world is deprived can be experienced amongst common people.

My attraction toward Lord Sri Krishna has been given wings through Your devotees, Srila Prabhupada, whose sincere efforts can be viewed to carry on the mission established by You. These efforts by the devotees pushed myself, my family and my colleagues to come close to the Lord and this light inside my heart provoked me to visit Vrindavan where the experience was totally about a life which was totally away from the materialistic world.

Here the essence of Lord Sri Krishna and Sri Radharani was flowing in the atmosphere and all this has been brought to public view by Your efforts, Srila Prabhupada. Once we go through Your life which is displayed in the museum in ISKCON Vrindavan we can see that You Bhaktivedanta Srila Prabhupada were sent to this planet to serve God and to bring to public life the Harinam Sankirtan which was a great effort done earlier by Chaitanya Mahaprabhu. Srila Prabhupada, You also publicized the 06 Goswami's who scientifically found the lost places of the pastimes(lila) of Sri Krishna, Sri Balarama & Sri Radharani in Vrindavan.

In Your small life time where You reached to the old age in which generally people take retirement, You Srila Prabhupada, wrote so many books, founded and established ISKCON in many countries of the World and brought to the knowledge of this world the Harinam Sankirtan. After Visiting Vrindavan not only my love, devotion towards the Lord has increased but also there has been development of great respect towards the Your Divine Legend, Bhaktivedanta Srila Prabhupada and this gives me inspiration more and more to learn about the Supreme Lord of all Creation and the spiritual life after the materialistic life.

The Kitchen run by the name of Akshaya Patra is the extended Lifeline. Srila Prabhupada, You showed to the devotees by Yourself making the food, offering to the Lord and then distributing to the devotees and all who are interested to have it. This can be seen in the Radha Damodar temple at Vrindavan where You, Srila Prabhupada, used to live with simplicity and cooked Your food and same can also be seen when during his stay in U.S., he changed the lives of Hippies in country like U.S by preparing and offering the Prasada to Lord and thereafter by filling the stomachs of the Hippies.

Would like to conclude that this is just a beginning and my devotion towards Lord Sri Krishna has been given a strong staircase by Parampujya Gurushree Bhaktivedanta Srila Prabhupada.

Your servant,

Bhaktin Pooja Roy.

Dear Srila Prabhupada,

Please accept my humble obeisance at Your Divine lotus feet.

This year again for the second time, I have got this fortunate opportunity to write a personal letter to You and I want to utilize this opportunity to its fullest, so that my prayer reaches You directly in the form of this letter.

It was just because of You Srila Prabhupada Ji that I was able to climb the right step on the ladder of spiritual growth, I have not gone too high yet but I can say that I have taken the right path that will lead to our dearest lord Sri Sri Krishna Balam someday. Please help me to move forward in Your service and in the service of Sri Krishna, so that I can serve my god with full faith and whole heart without any deviation, despite all the sorrows and attractions of this material world, Prabhupada ji please guide me in the right direction always with all Your mercy.

After getting connected to the Hare Krishna group, I was really able to realize that I am really too far from that beautiful world of Krishna which my small limited mind can't even think or imagine of. I would request You to shower Your blessings upon me and my coming generations so that we can understand You, Sri Krishna and his beloved energy Srimati Radharani.

Oh Srila Prabhupada Ji, all glories to You and Your Divine presence.

You are the greatest spiritual master who has already guaranteed devotees to chant 16 rounds of the "Hare Krishna Maha mantra" and You will take care of them personally and will take them back to godhead, neither a sentence nor a word has power to define Your kindness towards Your disciples, who sincerely follows Your principles and teachings.

I could remember one of the memories shared by one devotee from the pastimes with You, in which You told him that just a single world Krishna is enough to make Your mind Krishna conscious that was one of the beautiful conversations which explains the simplicity of our guru Srila Prabhupada ji and that explains his connection with Krishna.

At last I would like to pay my humble obeisance at Your lotus feet with all due respect.

Your Servant, Bhaktin Pooja Singh.

Bhaktin Pratima Sharma

My dear Srila Prabhupada,

Please accept the humble obeisances unto the dust of Your lotus feet from this most fallen disciple like me. No one is more sinful than me as I felt so in the last year. Even after various commitments and promises I have failed in fulfilling those promises for not doing any kind of offence but still my this agitated mind is so stubborn that make me engage in such activities. O Gurudeva I beg You please forgive me for my offences and make me more dedicated and strong towards You and Your dear Srimati Radharani. Prabhupada, now I'm in lack of association so please do a favor for me to always keep me in the association of devotees where I can sustain myself in bhakti. Prabhupada, Your incarnation as a guru is for delivering most rotten fallen soul like me, so, please Prabhupada keep Your merciful glance upon me so that I can serve You eternally.

Thank You so much Srila Prabhupada for everything You gave me. I will never be able to pay Your debt. Even being very well known to my nature and activities You are such a mercy incarnation who forgets my all mistakes and just showers Your blessings upon me. Prabhupada please help me in improving quality of my sadhana.

Again praying please forgive my countless offences. I just pray to my all-merciful spiritual master to bless me in every condition of my life.

Seeking Your unlimited causeless mercy.

Your unworthy servant, Bhaktin Pratima Sharma.

मेरे आदरणीय गुरु श्रील प्रभुपाद,

प्रिय गुरु जन्म जन्मान्तर से गहन अन्धकार में घूम रही इस पतित आत्मा पर आपने अपनी अकारण दया की वर्षा की और इस दुष्चक्र से बाहर निकलने का रास्ता दिखाया। आपने मुझे अपने दयालु भक्तों के माध्यम से मानव जन्म के वास्तविक उद्देश्य के लिए निर्देशित किया है। हे गुरुदेव! आपका बहुत बहुत धन्यवाद।

हे स्वामी! कृपया मुझे आशीर्वाद दें कि मैं हर गुजरते दिन आपको एवं श्री कृष्ण को प्रतिदिन बेहतर और बेहतर सेवा दे सकूँ और कृपया मुझे अपने कमल चरणों की धूल के नीचे आश्रय दें।

आपकी विनम्र शिष्या,

भक्तिन प्रेम सुधा मिश्रा.

Bhaktin Priya

To my Dear Loving spiritual master,

I offer my heartfelt and respectful obeisances unto Your Divine lotus feet,

I am indebted to You for Your causeless love and compassion upon an undeserving jiva like me, yet You so kindly came and bestowed Your mercy through Your saving grace, and gave us Krishna. On this very special occasion, I have written for You, a few words, hoping to glorify my spiritual master on the day of his appearance, rather, the day when the savior to millions of suffering souls descended by the will of Krishna, with a sole desire, that is, to fulfill his Guru maharaj's mission. I am absolutely incapable of writing anything for such an exalted personality as You, yet I am presenting a small token of my love and gratitude towards You. All glories unto You, dearest Srila Prabhupada!

"It is RadhaGovind Dev Ji's mercy upon me,

To have sent such a perfect personality as You.

However undeserving or unworthy I maybe,

You accepted me with a smile and forgave my mistakes too.

I read & hear from Your disciples,

That they had never experienced love so true and pure

No one, not their parents, friends, society could love us,

The way You love every child of Yours.

You gave us the cure to endless contamination,

And the propensity to enjoy everything for our own personal pleasure.

You showed us the path to real happiness,

Our depth of material disease only You could measure.

At the age of 70, You travelled through shores unknown,

To preach the glories of the Supreme Lord,

defeating all the rascal and cheater gurus,

on the authority of the shastras You proved Krishna to be the only Supreme God.

You are Chaitanya Mahaprabhu's commander-in-chief,

Krishna himself predicted You would descend.

You turned all the hippies to happies,
By telling everyone that Krishna is our only well wisher and Supreme friend.

O Prabhupada, You are an ocean of mercy,
Your life is an example as to how a disciple should be,
Following the words of Your spiritual master as Your life & soul,
Your personal comforts never did You see.

You solely took up Your guru's mission,
Prabhupada You were so bold,
Yet You exhibited meekness and humility,
You spread the Hare Krishna Maha Mantra throughout the whole world!

O dear kindest Srila Prabhupada,
If You hadn't shown mercy upon us,
Never could we have dreamed of becoming free,
Of our endless anger, greed & lust.

How much we are in illusion
And You bring us to light,
Opening our darkened eyes through the torch of knowledge,
You give us actual sight.

You're with us through Your transcendental books,
Which are the guidelines for humanity for the next 10,000 years.
You guide us endlessly through them,
Dissipating all our doubts & fears.

Just by Your Divine grace,
All the contaminants depart.
May You give me Your shelter and protection,
Making Krishna the "only" Lord of my heart.

What have You not given us Prabhupada,
Feasting for the eyes, the beautiful darshan of their Lordship,
Feasting for the tongue Prasadam.
Feasting for the heart is the association of devotees,
And for the ears, the ecstatic harinaam sankirtan !

May You kindly engage me in Your service,
Wherever You may please.
O Prabhupada, only by Your will shall this

cycle of painful repeated birth & death cease.

All the jivas rotting & suffering

In this material world ablaze,

You poured Your mercy in the form of the Lord's Holy Name,

You, being our saving grace,

All glories, All glories, All glories unto Your Divine Grace.

Your eyes are anointed with pure love,

You see Kṛṣṇa at every step.

Only such a pure devotee of Kṛṣṇa

Could have laid the path, back to Godhead!

All glories to Sri Guru and Gauranga.

All glories to Srila Prabhupada!

Your ever aspiring to be servant, Bhaktin Priya.

आदरणीय श्रील प्रभुपाद जी,

सादर दण्डवत ।

प्रभुपाद जी इस साल में काफी उठा-पटक रही। और तो और मेरी तो माला व आपके सारे नियम छूट जाते। लेकिन आपकी कृपा से व भक्तों के साथ की वजह से यह सब हो पा रहा है । मैं चाहती हूँ कि मैं आपके बनाए नियम जैसे- मंगला, सोलह माला, बुक पढना, लोगों मे हरे कृष्ण महामंत्र का प्रचार करना सब अच्छे से होते रहे, छूटे नहीं। इसके लिए आप हमारे ऊपर कृपा व आशीर्वाद बनाए रखना ।

मैंने सिर्फ प्रभु जी से सुना ही था कि गुरुदेव प्रभुपाद जी ही भगवान के दर्शन करा सकते हैं । लेकिन आपने तो दर्शन कराकर ये साबित भी कर दिया। जिससे आपकी कृपा से मुझे भगवान कृष्ण बलराम के चरणों के दर्शन, चैतन्य महाप्रभु के दर्शन, और तो और स्वयं गुरुदेव आपके भी दर्शन हुए। प्रभुपाद जी इसके लिए मैं आपको स्नेह दिल से बहुत बहुत धन्यवाद देना चाहती हूँ। आप मेरा धन्यवाद स्वीकार करें। हम आपके बच्चे है। यदि हमसे कोई गलती हो भी जाए तो आप हमें माफ कर देना। भक्ति में आगे बढ़ाते रहना। हम सब पर आप अपनी कृपा दृष्टि बनाए रखना ।

प्रभुपाद जी हम भगवान का इतना सुन्दर सुंदर श्रृंगार कर पाए। यह सब आपकी प्रेरणा से ही हो पाया। अन्यथा नहीं तो हमें इसका कोई ज्ञान नहीं था। प्रभुपाद जी आप हमें आशीर्वाद दो ताकि आगे भी हम इससे भी ज्यादा भगवान का सुंदर - सुंदर श्रृंगार व मन्दिर की सजावट कर पाए। और भगवान के लिए कई प्रकार के स्वादिष्ट भोजन बना पाए। ऐसा आशीर्वाद प्रदान करो ।

प्रभुपाद जी हम सबको आशीर्वाद दीजिए कि यदि हमें किसी कारण वंश साधु संग नहीं भी मिलें तो हमारी सबकी भक्ति सुचारू रूप से होती रहे। छूटें नहीं। हमारे पूरे परिवार पर आपकी कृपा दृष्टि बनाए रखना। प्रभुपाद जी मेरी विनती है कि मैं जिऊ जितने वर्ष, चैतन्य महाप्रभु व आपके मिशन के बारे में लोगों में प्रचार कर सकूँ। " यारे देखो , तारे कहो , कृष्ण उपदेश " ।

हमें अपना आशीर्वाद प्रदान करें। तभी हो पाएगा। गुरुदेव कई परिवार है जो आपके नियम पालन कर रहे हैं उन सब पर आपका आशीर्वाद बनाये रखना । प्रभुपाद जी आप ही हमें इस भव सागर से पार उतार सकते हो। आपकी कृपा दृष्टि बनाए रखना। प्रभुपाद जी आप हमारी सबकी तरफ से भगवान कृष्ण बलराम व राधा रानी व गोर नितार्ई को दण्डवत् बोलियेगा।

प्रभुपाद जी आपकी कृपा से हम भक्ति मार्ग पर आगे बढ़ते रहे। जगत् गुरू श्रील प्रभुपाद की जय जय जय ! धन्यवाद सहित।

आपकी शिष्या,

भक्तिन रिकी धूत.

Dear Srila Prabhupada,

Please accept my humble obeisance at Your lotus feet. All glories to You.

On this auspicious appearance day of Your Divine Grace, I wish to describe my gratitude as follows.

Prabhupada I'm very happy to write this offering because this year You have given me the great opportunity like preaching, book distribution and collect donations and many more

In spite of my great mistakes You have given me the opportunity to qualify myself for preaching Your Krishna conscious philosophy. I am thanking You from the bottom of my heart; please give me this opportunity again and again. Prabhupada, please forgive me for my previous mistakes and keep me at Your lotus feet.

Bhaktin Shikha Jain

Dear Srila Prabhupad Ji,

Please accept my humble obeisance at Your lotus feet and all glories to Your Divine Grace.

On this occasion of Vyasa Puja, I would like to share my feelings for You although I am not very proficient in communicating and writing. However, when Your humble devotees encouraged me to write at least few lines to thank You for Your kind mercy on us, I decided to stretch my limits to write about Your kindness in my life.

The holy Mantra given by Lord Chaitanya Mahaprabhu was spread by You around the globe. I got the introduction of “Hare Krishna Nama Prabhu” by my husband (one of Your devotee). I started realizing the magic of this mantra while I was reading Your book “Science of Self-Realization.” This was the time when I realized strong bond towards Krishna Consciousness and started chanting the holy name. Your books are the oceans of real knowledge and Your kindness to give all that knowledge to us is incomparable. Through Your books You live in our heart and we enjoy Your merciful presence in our life.

I know, I am not a pure servant, but You are so merciful that You give shelter to everyone who comes to You. I plead for Your mercy on me, so that I can make progress in my way of “Krishna Consciousness”. Please give me strength to make my daughter ‘Gauranshi’ to become Your servant and Krishna Conscious.

Thank You.

Your insignificant servant,

But by Your books and lectures I came to know that there is much more in life. I am indebted to You Prabhupada, please bless me so that I can chant and follow Your given instructions nicely.

Please keep me always under Your Divine lotus feet

पूज्य गुरुदेव प्रभुपाद जी,

आपके चरणकमलों में सादर प्रणाम!

मुझे आपसे जुड़े हुए दो वर्ष हो चुके हैं। मैंने आठ माला का आश्रय ले रखा है लेकिन 16 माला का जप करने का निरंतर प्रयास करती हूँ। कभी कभी माया के प्रभाव से पूरी 16माला नहीं हो पाती है। मैं आपके द्वारा बताये गए निर्देशों और नियमों का पालन करने की पूरी कोशिश करती हूँ लेकिन कभी कभी मेरी भक्ति में विघ्न आ जाते हैं उसके लिए मैं आपके चरणों में प्रार्थना करना चाहती हूँ कि आप मुझे अपनी कृपा व शक्ति से इन भक्ति विघ्नों को पार करने में मेरी मदद करें। यदि आपकी कृपा मिलती रहेगी तो मैं भी भक्ति के मार्ग पर सदा आगे बढ़ती रहूंगी। प्रभुपाद जी मैं आपकी हूँ एवं आप मेरे हैं। अब आपकी मर्जी है कि आप मुझे जैसा चाहें वैसा चलायें। मुझे मंदिर आना, भक्तों और भगवान के दर्शन करना, ज्ञान सुनना बहुत अच्छा लगता है। कृष्णभावनामृत में आने के बाद से मेरे जीवन में बहुत परिवर्तन आये हैं। मुझे आपकी और भगवान की भक्ति और सेवा मिलती रहे ऐसी कृपा बनाये रखे।

कृष्णभावनामृत भक्तिरत श्री श्रीमद् अभय चरणारविन्द भक्तिवेदान्त स्वामी प्रभुपाद के चरण कमलों में कोटि कोटि प्रणाम।

हे शुद्ध भक्त श्रील प्रभुपाद, आपका सबसे बड़ा गुण यह है कि आप देश अथवा काल का विचार किये बिना अनन्य भाव से कृष्ण का ही चिन्तन करते रहते हैं। शुद्ध भक्त कहीं भी रहकर अपनी भक्ति से वृन्दावन जैसा वातावरण उत्पन्न कर सकता है। यह सब प्रभुपाद आपने विदेशों में कृष्णभावनामृत प्रचार के लिये किया। जैसा कि श्री अद्वैत प्रभु ने चैतन्य महाप्रभु से कहा था, “ आप जहाँ भी हैं, हे प्रभु वहीं वृन्दावन है। ” प्रभुपाद आपने उस भूमि को वृन्दावन बनाया जहाँ के मनुष्य भगवान् कृष्ण को जानते नहीं थे।

श्रील प्रभुपाद मेरी भी आपसे यही विनती है। आप हमारे साथ सदैव रहे क्योंकि आप जहाँ हैं वहाँ वृन्दावन है। श्री श्री वृन्दावन धाम की जय, श्रील प्रभुपाद आपके गुणगान करते हुए मैं अपने शब्द को विराम देती हूँ। हरे कृष्ण।

Dear Srila Prabhupada,

I offer my respectful obeisances unto His Divine Grace A.C. Bhaktivedanta Swami Srila Prabhupada, who is very dear to Lord Krishna, having taken shelter at His lotus feet. My respectful obeisances are unto You, O spiritual master, servant of Bhaktisiddhanta Saraswati Goswami. You are kindly preaching the message of Lord Chaitanyadeva and delivering the Western countries, which are filled with impersonalism and voidism. Most respected Srila Prabhupada, I have been fortunate to become Your disciple and get Your guidance for the ultimate goal of our life. I am grateful to Lord Krishna for sending an empowered representative. I am grateful and indebted to You Srila Prabhupada, for creating and showing me

the path to reach the ultimate goal by devoting our life in the service of Lord Krishna, The Supreme Personality of Godhead. Srila Prabhupada last 2 years were very bad for me, I made very big mistakes in my spiritual life and left the ashram, I broke Your trust on me, Srila Prabhupada I beg You to please forgive me for all my mistakes and please give me spiritual strength to follow all Your instructions. Respected Guruji Swami Srila Prabhupada,

Please accept my humble obeisances at Your divine lotus feet.

All glories to Srila Prabhupada. All glories to You on this auspicious day of Your vyasapuja. By Your mercy this insignificant soul started journey towards spiritual path, before coming into the touch of devotee of Your Hare Krishna movement, I was not aware about the actual goal of life in real sense. By doing the practices on prescribed route given by You, now I feel that You have given easiest way to progress in spiritual advancement is chanting. I realized that without Your blessings it is not possible to continue any activity in spirituality, I pray for Your causeless mercy forever.

Bhakta Annapurna Barbora

Dear Srila Prabhupada,

My humble obeisances at Your holy feet.

All glories to You on this most auspicious day. By Your merciful glance this insignificant soul has got a chance to take a step towards a spiritual life and experience bliss and knowledge. You have given me the elixir of life by explaining the Bhagavat Gita As It Is. I can drink this nectar to my heart's content. Every chapter has been explained with profound insight for the devotees to understand. Examples have been illustrated for it to be etched in my mind. If human beings are considered to be machines, it must have a manual. Bhagavad Gita is that manual and beyond. The devotees transcend back

to time and space while reading. You have taught me the significance of the Hare Krishna Mahamantra. The greatest of all mantras. Krishna is Himself in that mantra. I cannot thank You enough Prabhu for all that You have done for me. My utmost regards and 1000's of Namaskaras to You. On this day, please bless me, O Prabhu, so that I am able to grasp better and thereby serve the Lord better.

O Prabhupada, The darkness of ignorance has been removed with the light of Your knowledge. Sins removed by singing the glory of Lord Krishna and the Hare Krishna Mahamantra. Productivity of a person increases by singing the hymns of the Lord. The mind gets calm and composed by listening to Your teachings. Prabhupada, chanting the Hare Krishna Mahamantra along with You, i.e., by playing the record in which You are chanting and singing/chanting is like a deep meditation. Mind gets clear of inhibitions and fear. O Prabhupada, thank You for teaching me that Lord Krishna wants me to come back to Godhead as this cycle of birth and death will keep continuing. Prabhupada Your glories are far more than my entire life span. Even a lifetime is less to describe and sing Your glories.

Hare Krishna Hare Krishna, Krishna Krishna Hare Hare

Hare Rama Hare Rama, Rama Rama Hare Hare

Srila Prabhupada ki Jai! Always in Your service,

Dear Srila Prabhupada,

Please accept my humble obeisances,

Srila Prabhupada, I wanted to join Your mission as life time missionary but due to lack of sincerity and not having full fledged faith in Your words and Krishna, I could not join the mission. But Prabhupada I really want to serve You sincerely. By Your Causeless mercy I have started sixteen rounds daily and I want You to keep this mercy on me forever. Srila Prabhupada please bless me with spiritual strength so that I can follow four regulative principles and do hearing on daily basis. Please bless me to do Your service.

Dear Srila Prabhupada,

vāñcā-kalpatarubhyaś ca kṛpā-sindhubhya eva ca

patitānām pāvanebhyo vaiṣṇavebhyo namo namaḥ

I offer my respectful obeisances unto all the Vaishnava devotees of the Lord who can fulfil the desires of everyone, just like desire trees, and who are full of compassion for the fallen souls." On this holy and auspicious Appearance Day (Vyasa-Puja) of my Spiritual Master, His Divine Grace A.C. Bhaktivedanta Swami Prabhupada, Founder-Acarya of the International Society for Krishna Consciousness, I would like to express my heartfelt gratitude to my beloved Spiritual Master, His Divine Grace Srila Prabhupada, who literally saved my life by His mercy.

Dear Srila Prabhupada,

I was in deep slumber of ignorance, but You kindly awakened me by the torchlight of knowledge. I do remember the day when I fortunately received Bhagavat-gita As It Is authored by Your Divine Grace from one of Your disciples and that turned my life; Your instruction is so sublime and powerful that it can ignite the spark of devotion for the Lord even to an atheist. You have taught us, Godhead is light. Nescience is darkness. Where there is Godhead there is no nescience. The only way to avoid the influence of ignorance is to always associate with Godhead by the sublime transcendental process of chanting:

Hare Kṛṣṇa Hare Kṛṣṇa Kṛṣṇa Kṛṣṇa Hare Hare

Hare Rāma Hare Rāma Rāma Rāma Hare Hare

You are a great missionary of Lord Kṛṣṇa the Supreme Personality of Godhead, who kindly broadcasted the message of Lord Kṛṣṇa on every surface of the globe. In fact this is the prediction of Lord Chaitanya and conceptualized by His Divine Grace Bhakti Vinod Thakur and Bhakti Siddhanta Saraswati Goswami Srila Prabhupada, eventually executed by Your Divine Grace on the order of Your Spiritual Master, His Divine Grace Bhakti Siddhanta Saraswati Goswami Srila Prabhupada. Your tremendous contribution to the world cannot be repaid and particularly Your books are eternal. You are the great spiritual ambassador to the human society who has a mission of uplifting the modern human society from degradation by bringing them nearer to God. I would like to offer my infinite obeisances to You and earnestly pray to Lord Krishna on this holy and auspicious Appearance Day to bestow upon me blessings, so that with the association of devotees, I can wholeheartedly follow the divine instructions of my beloved Spiritual Master, His Divine Grace A.C. Bhaktivedanta Swami Prabhupada, without fail.

Please accept my humble obeisance's unto Your lotus feet, All the glories to You.

I know that I am not qualified or intelligent to follow Your instructions. But by Your causeless mercy I am able to adhere to some of them. Please bless me to better my seriousness in spiritual life. My family life has seen some good developments during the year. My family started following some of the principles like having following Ekadashi, Reading Your Books, listening Bhagavatam ect. Your miracle Prabhupada, thank You very much and please help us to increase our spiritual activities. Even though I have many areas of improvement, thought of focusing couple of areas this year, Study & follow Your books and instructions seriously. As You know Prabhupada, I am fallen and less intelligent to take up or continue anything my own. Please give me the strength to advance in all aspects of spiritual life. Srila Prabhupada Please forgive my offences and engage me in Your service. Please keep us always engaged in Your service.

Thank You Srila Prabhupada for all that we are being blessed with. On the auspicious occasion of Your appearance day please accept my humble obeisances once again and always keep me at the shelter of Your lotus feet. Praying for Your mercy.

Bhakta Muniraj Meena

Dear Srila Prabhupada,

Please accept my humble obeisances at Your divine lotus feet.

All glories to You on this auspicious appearance day of Your Divine Grace. Srila Prabhupada You are very merciful to fallen souls like me. As in this mortal world and dark age we are suffering due to our own ill desires of trying to enjoy the material way of life and not knowing the way to come out of this bhava sagar which is dukhalaya asaswatam. O Lord! You have shown me the real path of happiness which is not only the path of salvation but also the path of highest perfection of living entity (Lovingly serving the Lord Sri Sri Radha Krishna Chandra). O Vaishnava Thakur! As it is said in the Vedic literature's that Vaishnava is more merciful than even Lord Himself. Yes it is very much true. I was full of ignorance, not knowing the real benefit. But by Your divine mercy I have come to the point of knowing my own swarth (Benefit) which is serving the Lord.

People in this world are misguided and cheated by the fake and bogus gurus. But by Your divine grace has made me very much fortunate jiva by selecting me for Your causeless mercy. By Your divine graces mercy I was saved to be exploited by the hypocrite gurus of this age. By Your writings and purports You have made the literature's so easy to understand that a common man like me also can understand it. Prabhupada it's only Your purports and explanations which I can understand by Your mercy. Otherwise I don't have that much ability to understand the meaning of the verses. I am very much thankful to You my Lord. O Lord! Please now be merciful to me so that I can catch hold Your lotus feet and follow Your instructions to get the desired goal of life which is always remembering the lord and engaging in the service of Lord and vaishnavas. Only by Your mercy I can please You, vaishnavas and the Lord Sri Sri Radha Krishnachandra. Begging to remain under the shelter of Your divine lotus feet at all times and aspiring to be.

Your humble servant,

Bhakta Muniraj Meena.

Dear Srila Prabhupada,

Dear Lordship,

Please accept my respectful obeisance. All glories to You on this auspicious day of Your Vyasa Puja. I bow down unto Your lotus feet on this auspicious day of Guru Poornima. As a guru You made me come closer to Krishna. I could understand the science of Bhakti to a little extent. I am indebted to You throughout the life cycles of many births. Lessons of Bhagwat-gita and Bhagvatam by the dear devotees of You have changed my life and I am a far better person than before. It is You only because of whom the whole world is rejoicing in Krishna Prema. The day I listen to the devotees is like a new life to me. Dear lord, You have inculcated in me the Sattva Guna by allowing me to practice Krishna Conscious and to lead a blissful life. But, being an impious soul, I have failed in Your efforts miserably. Your dear devotees are present near me to take care of me but even after knowing all this I am away

from practising it. It is Your greatness only that You have given me this pious knowledge without any of my qualification.

Dear Lord, though I feel I have failed to follow the practice of Bhakti Yoga but please be merciful on me and bestow Your blessing upon me so that I may one day achieve the highest Goal. Please keep me always under the shelter of Your lotus feet. I aspire to be Your humble servant.

Your Servant,

Bhakta Naveen Kumar Sharma.

Bhakta Nirbhay

All glories to Srila Prabhupada,

The Gardner of my heart. Without Your blessings and books the garden of my heart is nothing but a forest of many unwanted weeds. My “bhakti lata” have the only support of Your lotus feet. Srila Prabhupada, please never leave this stubborn soul. Through the vision of Your literature's I had already become cautious of my precarious condition in this material world. This world is like a forest fire and everybody is burning in that fire. The only hope is Your divine mercy. Oh Krishna Kripa Murti , Srila Prabhupada! Let not the fire of this forest burns Your disciples, even me. Let not any of Your disciple , even me, get deviated from the mission of Chaitanya Mahaprabhu.

Srila Prabhupada, I am just like a dry leaf without any love and attraction toward the Lotus Feet of Lord Krishna. Kindly put Your feet on me and crush all my false ego and let me not swept away by the strong wind of mahamaya.

Srila Prabhupada, let me not forget even for “nimesh” that this world is full of danger and the only hope to get rid of that danger is “Hari Naam”.

Trying to be Your true disciple,

Bhakta Nirbhay.

Bhakta Pranjal

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to Your Divine Grace !! I am not worthy to stand before You or speak a word about You but because You are the only true well wisher I have in this fake world, please allow me to ask for forgiveness and help. Being an excellent materialistic I have lost Your instructions and intelligence to judge. I act just as an animal. I am lost. I possess all the bad qualities of a sinful man. I am sinful indeed. But still I am Your son.(the worst son though) You are my true father. O father ! Please bring this ignorant boy home. Give me the desire to serve Your lotus feet and make this waste as an instrument of Your service.

O Merciful Prabhupada! You descend to help fallen souls exactly like me. Considering me the most fallen living entity. Forgive my sins and save me.

Dear Srila Prabhupada, Bless my friends Nikunj prabhu and Sumit prabhu as well.

Your grateful although a cheater, Bhakta Pranjal.

Bhakta Ram Mangla

Dear Srila Prabhupada,

I am offering my humble obeisances at Your lotus feet, please accept it. All glories to Srila Prabhupada, As like most of the people in this world, I was a fallen soul without any direction about how to live a purposeful life, but just going with the flow. Following any teaching, doing Bhakti of any demigods, sometimes fallen into entrapment of materialistic gurus and all this just for materialistic opulence. It's only after coming into association of Your disciples and Your teaching, that has changed my state of mind. The things that I have come to learn by Your teachings are like lightning strike on our sinful minds.

I wish that by Your mercy (Srila Prabhupada): My faith in Krishna keeps on increasing, My faith will always remains rigid, even in my worst times it will not deviate from its path. I will always remains aloft from all sinful activities, even maya not even a bit be able to indulge me in sins I'll guide others also to move on this transcendental spiritual path. Hare Krishna

Your servant, Bhakta Ram Mangla.

Bhakta Ravikumar P C

Dear Prabhupada,

Please accept my humble obeisance, All glories to You. The more I go away from You the more troubles I am facing in my life. I somehow want to get back to track and finish my rounds daily. Please give me enough conviction to complete my rounds. Lately my life has become extremely busy with lot of additional responsibilities. Though I have a plan for chanting during the day, somehow or other some responsibility comes up and I am unable to complete my rounds as planned. Though deep in my heart I know it is all wasteful labour work, I am unable to prioritise my activities myself as I have to give time to my dependents both professionally and personally. I thank You so much for the gift I have today at least theoretically about Krishna consciousness.

I hope one day I will be able to overcome all these hurdles and give my 100% focus on chanting. Right now, I am reading a book about Your life, I am completely able to relate to all the hardships You have gone through to spread this beautiful message of Krishna. I sincerely seek Your blessings to be back on track on this day of Vyasa puja.

Your humble servant,

Bhakta Ravikumar PC.

Bhakta Sudhanshu

Dear Srila Prabhupada,

My humble obeisances at Your divine lotus feet, Please accept my humble obeisances I still remember that I was such a timid soul 5 years back and was always unhappy, but after coming in touch with Your teaching through Your disciples , My life became extremely joyful and adventures after coming in touch with You. Specially , the chanting of Hare Krishna is very powerful and with prolonged chanting we start to see the changes in ourselves becoming more focused in our work. But its a bit struggling because today's modern world is so full of materialism, so we have to find time for chanting. Some time we see inside us the creative side of us through chanting. I am by Your grace is able to chant 4 rounds of Maha mantra certainly its a downfall in my life, spiritually but I will try to come to 16 rounds daily minimum so that my spiritual growth is stronger.

Begging to be Your humble servant under the divine lotus feet of You and Your devotees.

Yours Humble Servant,

Bhakta Sudhanshu.

My Spiritual Master Srila Prabhupada,

Please accept my humble obeisances at Your divine lotus feet. All glories to You on this most auspicious appearance day of Your Divine Grace. As the representative of Srila Vyasadeva You have lucidly explained the original teachings of Srila Vyasadeva in Your Bhaktivedanta purports for the benefit of all conditioned soul. I have been introduced to Hare Krishna Maha Mantra, kirtan and teachings of Bhagvat-gita and Bhagvatam because of Your divine grace. Prabhupada You are my greatest guru. I got to know answers of all my questions and quarries. I learned and experienced a lot of things that are really meaningful. I thanking my spiritual master from bottom of my heart. Please continue showering Your blessings to me.

Your humble servant,

Bhakta Vaibhav Sharma.

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to Srila Prabhupada. All glories to You on this auspicious day of Your Vyaspuja. I am very fortunate that I came into Your disciple contact. There were a time when I used to visit HKM Centre regularly and almost three years in direct association of Your disciples. At that time I was thinking that after getting job, will do the services in Krishna Consciousness as a full time member. Association of devotees is how much required and one of the important factor in the spiritual life. I am showing gratitude towards You with writing some points...

1. Association of Prabhupada's /Prabhupada's disciples are very necessary for fighting maya elements.
2. Service to Krishna is important not to maya service. Because "A devotee may not be perfect at first, "but if he is engaged in service, once that service has begun he can be purified. Service is always there, in the material world or the spiritual." But service in the material world could not bring satisfaction to the self. Only bhakti, purified service, service rendered to Krishna , could do that. And the best way to serve Krishna was to serve the representative of Krishna .
3. You gave me the opportunity to serve Your mission.

Your humble servant,

Bhakta Vijay Kumar.

All the auspicious moment what has come to my life it has come by Your causeless mercy. Please bless me to further advancement in Krishna Consciousness so that I can get the love of Krishna.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to Srila Prabhupada. All glories to You on this auspicious day of Your Vyasapuja. Prabhupada, by Your grace, I have started understanding the meaning to this life which is far beyond just materialistic comforts. I have begun to realize that the power of the mere name of the God, which when chanted with utmost love to God, can take away all our worries and tensions and re-energies the immortal soul and directs it towards the goal of moksha. The moments when one reads the lines of Sri Bhagavat-Gita, those moments turn surreal and takes one closer to the eternal God and gives peace and stability to the rather galloping state of mind.

Prabhupada, I want to thank You for enlightening me towards my goal, where I could help the society in a better way, when I had no clue in my life. Though I need to work really hard to achieve my goal and I believe that following the path shown by You would definitely take me towards the righteous success in my life and would beg Your blessing for the same for developing my will-power, determination and inner strength under the protection of Your divine movement in the association of Your sincere devotees. Begging to remain under the shelter of Your lotus feet at all times.

Aspiring to be Your humble servant

Dear Srila Prabhupada,

I offer my humble obeisances unto Your lotus feet. I will be eternally grateful to You for showing me the correct and saving me from impersonalism philosophy and showing me the right way of Bhakti. I would be bewildered and for inspiring me to perform Bhakti fearlessly in any circumstances and never leaving the side of truth. You have very nicely and poetically described the dark conditions of material existence. The spiritual master with ever increasing purity, love and devotion. This is the proper mood for the disciple to always be absorbed in. There is nothing that pleases the spiritual master more than to see his disciples steadily.

Continue as You are doing serving Guru and Vaishnavas in the most sublime ISKCON Movement of Srila Prabhupada and Your life will be glorious success. Thank You very much.

Dear Srila Prabhupada,

All Glories to Srila Prabhupada Ji! All Glories to the devotees of Lord Krishna! Prabhupada ji, who came to the west at the age of seventy on the order of his spiritual master to spread the message of Krishna Consciousness transformed the lives of many people. I am so fortunate to have the association of great Saints, devotees here in Raleigh, New York. I attended Sadhu Sanga Retreat in Boone, Jagannath Rath Yatra in New York etc where thousands of people were gathered and they all chanted the holy name of Lord Krishna. I felt so happy to see all this and got the opportunity to hear the holy names from such nice devotees who can't speak hindi but who can chant, do kirtans so nicely from the bottom of their hearts and especially in the west where the culture, the way of living is completely different from India. I also visited that place where he used to give class in New York. It's such a nice

place and I realized how Krishna helped him in overcoming all the difficulties because Prabhupada ji's aim, purpose was pure. I am so grateful to Prabhupada ji as because of him only, we can get the opportunity to have such association, we can visit the Iskcon temple which help us to connect deeper with the Lord and we can get the opportunity to enjoy the kirtans, prasadam and to do seva of the deities and many more. It's the blessings for all of us.

I wish this movement keeps on spreading more and more! Haribol! Jay Srila Prabhupada!

Your servant, Bhaktin Shreya Tangri.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to You on this most auspicious appearance day of Your Divine Grace.

Prabhupada, You have been a source of constant inspiration and guidance for me. The books written by You have greatly helped souls like me to get in touch with transcendental subject matter. Thank You for taking all the austerities to fulfil the desire of Your spiritual master and freely distributing the mercy to fallen souls all over the world. Thank You for preaching us the highest knowledge, though we were the greatest misfits. I feel so unqualified yet fortunate to get Your causeless mercy. I can't thank You enough for feeling the pains of foolish and sinful souls like me and giving us a chance to associate with the ultimate solace, the Holy Name. I request You to please engage me in Your service in whatever way You desire. Please bless me with sanity and intelligence so that I can follow Your instructions and be of some value to Your mission. Please help me to purify myself and engage in our eternal business. I feel greatly unqualified and can only beg You for mercy.

Begging to be a humble servant at Your lotus feet, Bhaktin Shruti Garg.

Bhaktin Tejaswi Anand

Dear Srila Prabhupada,

Please accept my humble obeisances at Your divine lotus feet. All glories unto You on the auspicious occasion of Your vyasapuja. We most humbly want to thank You for the great gift that You have bestowed upon the people of many generations who struggle to find truth of life in this Kaliyuga. I was brought to Krishna Consciousness when I was in dark and needed the help most. Always believing that Krishna has His own way to work and show us the right way, I try to be balanced in all situations. I try to remember Him and chant His name as much as I can. As His humble servant I have no desire other than to always stay at His Divine Lotus feet.

Always in Your service,

Bhakta Tejaswi Anand.

Hare Krishna Movement

Jodhpur Preaching Center, Rajasthan

Aprameya Krishna Dasa

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to Your Divine Grace.

You descended on this planet with the main purpose of delivering the fallen and sleeping souls and thus giving them the highest knowledge by which they can not only be freed from all the sufferings of this material world but also experience the true joy and happiness of spiritual world.

And the process that You gave us is the process of Harinam Sankirtan: The chanting of the Powerful Holy Names of the Supreme Lord.

You mentioned the power of spiritual sound:

"There is sound in the spiritual world also. If we approach that sound, then our spiritual life begins, and the other requirements for spiritual advancement can be supplied. We have to understand very clearly that sound is the beginning of the creation of all material objects for our sense gratification. Similarly, if the sound is purified, our spiritual necessities also are produced from the sound." (SB 3.26.32, Purport)

As the perfect acharya, You teach by Your own example how a disciple should offer gratitude to his spiritual master. Once, while receiving Vyas Puja, You said, "I was also misled in so many ways. But my spiritual master saved me, Bhaktisiddhanta Saraswati Gosvami Maharaj."

In line with the deep humility as presented by all the previous Vaishanava acharyas You mentioned in one of the Bhagavatam purport *"The Krishna Consciousness Movement is spreading now all over the world, and sometimes I think that even though I am crippled in many ways, if one of my disciples becomes as strong as Dhruva Maharaja, then he will be able to carry me with him to Vaikunthaloka"*. (SB 4.12.33)

Though, it was You who was chosen by Lord Chaitanya to fulfill His transcendental prophecy of spreading His Holy Name all over the world, still You were always very humble to genuinely offer all the credits for successfully executing the superior orders of the previous acharyas and thus You never seemed to us enjoying the pride of achieving such a great feat.

You always very feelingly mentioned *"I have no personal qualifications, but I simply tried to satisfy my Guru. That's all."*

Srila Prabhupad, I consider myself very fortunate to have received Your causeless mercy, by which I have got shelter in Your movement. Though I am, undeserving, I have got the invaluable association of Your sincere servants. I pray that You continue to shower Your unlimited causeless mercy upon this fallen soul. Only then I will be able to become a humble servant of Your sincere servants. Such sincere servants are working tirelessly to push forward the worldwide movement You have established to distribute Lord Chaitanya's gift of Krishna consciousness.

Begging to always remain in the service of Your lotus feet,

Your most fallen servant,

Aprameya Krishna Dasa.

Bhaktavatar Dasa

Dear Srila Prabhupada,

Please accept my humble obeisances!

It's said that a pure devotee is having all qualities of demigods. In fact, all the demigods are present in the personality of a pure devotee. To get such a pure devotee as spiritual master is most difficult task in whole creation. And I don't find any such qualifications in me by which You could hand choosen me as a full time missionary for Your movement.

How unfortunate am I? How unfortunate is this whole world? We are not able to recognize Your mercy, Your position.

I remember two qualities of Yours today-

A). Sraddha on Lord Krishna- The Caitanya-caritāmṛta (Madhya 22.62) states:

*'śraddhā'-śabde — viśvāsa kahe sudṛḍha niścaya
kṛṣṇe bhakti kaile sarva-karma kṛta haya*

"Firm faith and confidence are called śraddhā. When one engages in the Lord's devotional service, he is to be understood to have performed all his responsibilities in the material world. He has satisfied his forefathers, ordinary living entities, and demigods and is free from all responsibility. His life will achieve perfection." Caitanya-caritāmṛta (Madhya 22.62 purport)

You have lived this shloka. Infact You have even surpassed it. You have always inspired us by Your personal example.

Your health was so deteriorating while travelling on Jaladuta. There You writes-*"My Dear Lord Krishna, You are so kind upon this useless soul, but I don't know why You have brought me here. Now You can do whatever You like with me. But i guess You have some business here, otherwise why would You bring me to this terrible place?."*

B). Dependence on previous acharyas- You used to broom Rupa Goswami Samadhi place at dead of night around 1 or 2am. While brooming You would cry & pray -"O Rupa! O Sanatan! O Gurudeva! please give me Your mercy & strength. Without Your mercy & strength I can't do anything.

The same principle has been taught by You many times to us through Your books, lectures etc. Please award me too even a drop of Your mercy, sraddha, preaching spirit. I need Your mercy to get free from anarthas. Still I'm full of them. It doesn't look that I have progressed much in spiritual life. It's still like baby steps. Please Prabhupada take this unworthy disciple in Your shelter.

Your unqualified discipline

My beloved Spiritual Master

Srila Prabhupada

Please accept my humble obeisance at Your Lotus feet .

You gave us opportunity in putting an end to dangerous material existence which is full of anxieties and miseries. the value of a moment association with the devotee of the lord cannot even be compared to attainment of heavenly plants or liberation of matter and what to speak of worldly benediction in the form of material prosperity which are for those who are meant for death.

But just see my condition, material thought occupied my mind more often than remembering Krishna and Your instructions.

Please remove all the seed of sinful desire from core of my heart. There is no spiritual life without blessings of Spiritual Master.

Prabhupada please bless me to continue Krishna Consciousness without any hindrance throughout of my life.

Your fallen servant,

Hrishikesh Dasa.

Jagat Bandhu Gopal Dasa

Dear Srila Prabhupada,

Please accept my respectful obeisances at Your lotus feet.

I feel proud to be a disciple of such a glorious Spiritual Master, whose only business is to deliver the fallen conditioned soul from the clutches of Maya. You are very merciful to all the living entities by providing a wonderful process by which everyone can go back home back to Godhead. This Bhakti yoga process teaches that one has to serve the Lord with his best ability, Krishna says in Bhagavat-Gita "If one offers Me with love and devotion a leaf, a flower, fruit or water, I will accept it.(9.26)" in any material condition, one can serve the Lord, he may be poor or rich, literate or illiterate. Srila Prabhupada Your transcendental Hare Krishna Movement can deliver the whole world, If the world follow Your basic simple instructions such as Chanting the Hare Krishna Mahamantra 16 rounds, Following four regulative principle as :- No meat eating, No Gambling, No Intoxication, No Illicit Sex. Please give me enough strength and ability to serve Your movement through out my whole life as the way You want. Srila Prabhupada Your work and Glories are unlimited, nobody can describe them fully.

On this auspicious occasion I request You Srila Prabhupada please forgive me of all my offenses and give me enough strength to follow all Your instructions.

Yours most fallen disciple

Saumya Narsimha Dasa

Dear Srila Prabhupada,

Please accept my dandwat pranam to Your Divine Lotus Feet.

Appearance day of the guru is the most important, auspicious and a unique day in every disciple's life and the same day has come again today in my life. I consider myself a most fortunate person as You have accepted me as Your disciple. According to cc Madhya 19.151 it is said *brahmāṇḍa bhramite kona bhāgyavān jīva guru-kṛṣṇa-prasāde pāya bhakti-latā-bīja*. In the whole universe, there are only a few fortunate souls who have got Prasad/shelter at the lotus feet of a bonafide Guru. Practically we can see when we go out for preaching very fewer people are interested and at the same time many ordinary yogi's, so-called mahatmas, juggler of words are claiming themselves as Guru who can give their disciples the highest level of realization. Neither bonafide spirituality seekers nor bonafide guru is available. So whenever we reflect on these matters it gives us the feeling of how fortunate we are that even though we were also one among them but by Your kindness, we have also got the opportunity to understand the highest truth.

It is said by Your divine grace in the second last chapter of Krishna book that " *Although great mystic yogis may have full control over the elephant of the mind and the hurricane of the senses, but unless they take shelter of a bona fide spiritual master, they fall victims to the material influence and never become successful in their attempts at self-realization. Such unguided persons are compared to merchants going to sea on a ship without a captain. So what to speak of ordinary neophytes like us by our personal*

attempts, therefore, no one among us can get free from the clutches of material nature. One has to accept a bona fide spiritual master and work according to his direction. Then it is possible to cross over the nescience of material conditions."

Srila Prabhupad according to a system created by You, I got this service of Preaching to the Young class of people which I am trying my best to do from around 3 years. But many times I remain vacant in this seva and this free space in my life sometimes pulls me in sense gratification which is a big stumbling block in the advancement of Krishna consciousness. Within last year I have learnt so many new concepts of Bhakti yoga in the association of Your other advanced disciples which I am trying to implement in my life.

Srila Prabhupad please engage me fully in devotional service so that there will be no remaining time in my life for sense gratification. Help me to develop the art of getting realization as it is said janme janme prabhu se .Let me realize Your personal interference in my life for strengthening my faith. Please be merciful unto me, make me more humble and forgive me for my mistakes and offences.

Trying to be Your Servant,

Saumya Narsimha Dasa.

Bhakta Aditya Kumar

Dear Patita-Pāvana Srila Prabhupada ,

Please accept my humble obeisances unto Your lotus feet.

Once again I have got the opportunity to thank You for Your causeless mercy on this fallen soul.

Taking Your feet upon my head,I eternally worship You as my all in all, my everything, for indeed without Your loving mercy I am simply brain-dead in every respect, devoid of all good qualities, and completely bankrupt.

Your books are changing hundreds and thousands, maybe millions of lives at this very moment. And Your books will continue to change countless lives during the next ten thousand years and beyond. Lava-mātra sādhu-saige sarva-siddhi haya: "By even a moment's association with a pure devotee, one can attain all success."

Srila Prabhupada, we want to be fertile. We want to receive the seed of the creeper of devotional service, plant it, nurture it, and see it fructify. We want to be receptive and let Your words enter our hearts to cause a revolution in our lives.

You have written Your books for all human beings, but they are especially for us, Your disciples and other followers. You want us to understand the philosophy of Krishna Consciousness from all angles of vision so that we may become firmly convinced, put the teachings into practice, and be able to convince others.

Again and again You wrote about the importance of studying Your books.

Lord Nityānanda, on the order of Lord Chaitanya, approached the most fallen and sinful Jagai and Madhai, and even though they injured Him, He still gave them the highest blessing, love of Krishna. Srila Prabhupada, You went to a degraded area of the world, the New York city slums, and distributed the message of love of Krishna despite being often misunderstood, chased by a drug-crazed hippie, robbed of Your possessions, and forced to live day to day without any fixed residence.

As Bhisma deva lay on the battlefield, his body pierced with many arrows, he instructed Yudhisthira maharaja how to rule the kingdom and serve Lord Krishna. Similarly, in Your last days on this planet, although greatly physically challenged, You kept on boldly speaking the message of Krishna Consciousness as well as instructing Your disciples on how to preach and expand the movement more and more. This is recorded in many conversations, all the way up until the time of Your glorious departure.

We have found the perfect guide, kind friend and master, and pure lover of Krishna, Your Divine Grace. You said that for ten thousand years people will have a golden opportunity to join us on the way back home, to Godhead. Your hard labor has made this path easy for the weak people of Kali-yuga, who are full of anarthas. According to Srimad -Bhagavatam,

Harinama-sankirtan, the basis of this movement, is the best way to worship Lord Caitanya Mahaprabhu, who is the yuga-avatara and has appeared in order to deliver the most fallen souls of this age.

Srila Prabhupada, You have given us this royal path of devotional service. You have given us so many programs to keep our rascal minds engaged in Krsna's service, programs such as mangla-aarti, book distribution, prasadam distribution, and preaching Krsna Consciousness.

Aspiring to remain forever at Your lotus feet,

Bhakta Aditya.

Bhakta Akash Shekhar

All glories to His Divine Grace A. C. Bhaktivedanta Swami Prabhupada on the auspicious day of His appearance.

I would like to take this wonderful opportunity to express my gratitude towards You in showing me a glimpse of the light of truth. You are very merciful because You took Your dear time in writing and compiling excellent books that impart the knowledge of the Holy Vedas. These books are the reason that a once-ignorant soul like me is now on the path to Krishna Consciousness.

I cannot put into words how grateful I am to be able to learn about Your glorious pastimes. Everything You do somehow seems to be connected to Krishna himself. such is Your excellence in the art of living, and I can only hope to understand even a tiny fraction of that art.

Your aspiring servant,

Bhakta Akash Shekhar.

Bhakta Anjan Rai

My Dear Gurudeva Srila Prabhupada,

Please accept my humble obeisances at Your lotus feet.

Today is very auspicious day for us and we are very glad for Your appearance

tithi Vyasa Puja Festival 2019. We all devotees offer our humble obeisances at Your lotus feet. We are so much fortunate because we are getting the most matchless gift that Sri Chaitanya Mahaprabhu brought from

Goloka Vrindavana to this material world and which is distributed by Your Transcendental Effort.

By Your mercy Prabhupad, we are always getting the association of Your dearest and nearest to Your Heart Hare Krishna Devotees who are always glorifying the transcendental qualities of Lord Krishna and pure devotees like You.

Srila Prabhupada, You saved me from a life of misery and ignorance. You gave me hope. By Your mercy the seed of bhakti was planted in my heart and from that moment there is no turning back.

On this great occasion I pray to You Srila Prabhupad to please grant me service to Your lotus feet, so that i may make rapid progress in Spiritual life.

Your Servant,

Bhakta Anjan Rai.

Bhakta Ashish

Jai Srila Prabhupada,

Please accept my humble obeisances unto Your lotus feet. I was suffering in filthy place but by Your grace You freed me from that filth which was full with legs of irreligion. Thanks Srila Prabhupada, I now completed my two years in folk hostel by doing some services . But I got to know that I really had so much ego. But now I got it resolved to some extent. I am not serving You with full surrender.

Prabhupada really i am feeling very helpless after getting this service but there is some pleasure also that You gave me this opportunity to serve You. But i don't want to gratify myself by this service. I'm so fallen that I have no skills in this field also to serve You by this service. It's all up to You and Your mercy that I can do anything. I want to really understand this knowledge and want to preach as it is. Srila Prabhupada You gave us the rope of mercy and if now also I do not follow Your instructions then there is no one more unfortunate than me.

I am begging that You make me instrument in Your hand and whatever I speak, all that should be based from Your teachings. Simultaneously You gave me strength to follow Your teachings . Oh my spiritual master, please save me from all unnecessary weeds.

Your most fallen servant,

Bhakta Ashish.

मिलन हुआ जब भक्तों से संकीर्तन करते हुए,

तो आत्मा में चेतना आगयी.

भगवदकृपा क्या होती है इसकी अनुभूति भलीभाँति होगयी।

किया ग्रहण जब भगवद् प्रसाद भक्तों के संग तो स्वाद का अर्थ मालूम हुआ, कृपा की महिमा अद्भुत है इसका एहसास पुनः हुआ।

हे! प्रभुपाद, आपको दण्डवत प्रणाम।

तुमने ही मुक्ति का द्वार खोला गुरुवर, कृपा के लिए तरस रहा हूँ, चरणों में जगह देना, इसकी आस लगाए बैठा हूँ।

हरी नाम संकीर्तन की महिमा तुमने पुरे विश्व को बतलायी, जीवन में आनंद क्या होता है इसकी झलक भक्तों के हँसमुख चेहरों ने दिखलायी।

हे! गुरुवर भक्तों के संग से कभी दूर ना करना, सदा भक्ति में सलग्न रखना, बस यही भाव शेष रह गया है इस जीव का, कृपा करके भक्तों की सेवा का द्वार खोले रखना।

हे! प्रभुपाद, आपको दण्डवत प्रणाम।

हे! करुणानिधि, करुणा बरसाओ तुम, सोए हुए भाग्य को, हे! नाथ जगाओ तुम!

मेरी नाँव भँवर डोले इसे पार लगा देना...

मैं शरण पड़ा तेरी,

चरणों में जगह देना।

चरणों में जगह देना।

तेरे दर का भिखारी हूँ नहीं दिल से भुला देना

मैं शरण पड़ा तेरी,

चरणों में जगह देना

चरणों में जगह देना।

प्रभुपाद कृपा करके मुझको अपना लेना।

आपका प्रिय

भक्त आयुष पाटनी

Dear Srila Prabhupada,

Please accept my humble obeisances.

Srila Prabhupad, I humbly pray at Your lotus feet again and again to please give me the courage, strength, and protection (internal and external both)

The symptoms of a sadhu are that he is tolerant, merciful and friendly to all living entities. He has no enemies. He is peaceful, he abides by the scriptures, and all his characteristics are sublime. (SB CANTO 3 CHAP 25 TEXT 21)

Hence I humbly pray to Your Divine Grace to bless me and permit me to move forward in the direction that You desired us to practice Krishna consciousness. Our attempts and projects will boldly glorify You, and You alone, we wish to dedicate all our life, action and activities to Your Divine Grace only.

By Chanting and reading Srimad Bhagavatam and many more books, which is written by You and try again and again to my best for achieving bhagavat-bhakti in association with bhakta mandali and satsang also.

Your humble servant,

Bhakta Bilaki Das Bohra.

हे! श्रील प्रभुपाद समस्त वैदिक वाङ्मय का वर्षों तक सांगोपांग अध्ययन करने की अपेक्षा कोई भी जीव आपका साहित्य पढ़कर अल्प समय में ही अपने जीवन का वास्तविक उद्देश्य जानकर उसे प्राप्त कर सकता है।

आपके द्वारा प्रदत्त शिक्षाएं एवं साहित्य वेदों का सरलीकृत रूप में अद्वितीय प्रस्तुतीकरण है एवं अब से पूर्ववर्ती अन्य संप्रदाय या आचार्यों द्वारा नहीं दी गई है।

वैदिक कर्मकांडो, यज्ञों, अनुष्ठानों एवं बड़े धार्मिक आयोजनों की अपेक्षा आपने अल्प साधनों द्वारा ही संपन्न की जा सकने वाली बहुत ही सरल साधना पद्धति प्रदान की है जिसका पालन कर कोई भी जीव भगवान से अपने विस्मृत संबंध को पुनर्जीवित कर सकता है और भगवद् धाम लौट सकता है।

जय श्रील प्रभुपाद!

Dear Srila Prabhupada,

Please accept my obeisances unto Your lotus feet on this most auspicious day of sacred Vyasa Puja.

By Your grace and benevolence, severe changes came into my life. My life came into the world of spirituality.

Actually I came in contact with Krishna Consciousness Movement in April, 2017. Then I started following the instructions of Krishna Consciousness Movement like reading Your books, chanting Hare Krishna Mahamantra. I'm doing 8 rounds of Maha mantra in a day. Your godsend presence in my life and Your preaching created the practical and complete process of developing love to Lord Krishna in my heart.

And I understood absolute true life and absolute personality Lord Krishna. From that day I decided that I will love Krishna only and believe only in Krishna bhakti.

That all really came from You Srila Prabhupada. Also Krishna Consciousness Movement provides very very special knowledge about material and spiritual word. Please always give me shelter in Your lotus feet.

Srila Prabhupad I sincerely beg to You for Your mercy to help us to serve all humanity. Help us to fulfill Your desire to spread Krishna consciousness in every nook and corner of my approach area.

जय जय श्रील प्रभुपाद

मैं आपको दण्डवत प्रणाम करता हूँ। मैं अपने आप को बहुत सौभाग्यशाली मानता हूँ कि दुष्क्रियकलाओं से कैसे बचा जा सके और मनुष्य जीवन को कैसे वैदिक संस्कृति के बारे और मनुष्य जीवन का उद्देश्य कैसे समझ आया। ये सब आपके माध्यम से पता चला।

हे प्रभुपाद !

मैं आपके सम्पर्क में आने से पहले. मेरे मन में ये सवाल उठते थे कि मानव जीवन का क्या उद्देश्य है ? परमात्मा ने हमें मानव शरीर बनाया है यह किस काम के लिए बनाया गया है ? बहुत सारी भ्रांतियाँ इस शरीर में फैली हुई है जैसे कि- ईर्ष्या, द्वेष, कामवासना, गृहस्थ जीवन की कठिनाइयाँ, लोभ, लालच, मतलबी समाज। लेकिन जब आप की शरण, आपके विचार, आपके मार्गदर्शन मिला तो इस मानव शरीर को संतुष्टि मिली। आपके विचार और आपकी शरण में आने के बाद आध्यात्मिक जीवन का पता चला और स्वयं को इस योग्य बनाने की भरपूर कोशिश कर रहा हूँ की आध्यात्मिक जीवन कैसे बनाया जाए। कैसे वैदिक संस्कृति से जुड़ा जाए ये सब आप की ही कृपा दृष्टि, आपके विचारों का अनुसरण ही मेरे जीवन के बदलाव का प्रमुख कारण है। मैं अपने जीवन में कई संस्थानों और भिन्न भिन्न उच्चतम श्रेणी के ठयकियों के संपर्क में आया परंतु आपकी संस्था के संपर्क में आने के बाद ही मैं हमेशा के लिए बदल गया है। हे प्रभुपाद भाग्य के कारण मैं कृष्णा भावनामृत संघ इतने अच्छे से जुड़े नहीं पा रहा हूँ। मैं सच्चे मन से आप को वचन देता हूँ की मैं ही अपने जीवन में कभी भी कृष्णा भावनामृत संघ को नहीं छोड़ूंगा और ज़्यादा से ज़्यादा जप व भगवत गीता और कृष्णभावनायुक्त किताबें पढ़ूंगा और लोगों को भी इस बारे में प्रचार व प्रसार भरपूर मात्रा में करूंगा। इसलिए कृपया प्रभुपाद मुझे एकाग्रता एवं शक्ति दे ताकि मैं अच्छे से कृष्णा भावनामृत से जुड़ा रह सकूँ।

Dear Prabhupada,

I am Your disciple and You are my only guide. 1 year ago i knew about You by our preacher. I am very exlaimed when I Knew that You went foreign countries to spread the knowledge of Bhagavat-gita .when I joined Krishna Consciousness I live very happy. Now I knew what is the purpose of human life.what is our aim. Previously I believe on God but not perfectly because some person give me reason that God does not exist but Your book gave me lot of examples that says God exists.

I read Bhagavat-gita and feel that nobody can live happy in material world without Krishna Consciousness. There are rules and regulations for human to live in material world. I want to advance in Krishna Consciousness. I will increase number of rounds of chanting and continuous book reading time. I am very thankful to You for giving me a lot of knowledge.

Dear Srila Prabhupada,

Please accept my respectful and humble obeisances unto Your lotus feet.

Prabhupada because of Your causeless mercy this year most exciting things were trips to Mayapur dham and Jagannath puri dham as well as the realizations which You have showered upon me. Now days when I see problems, I try to remind myself that Prabhupada will kick these problems out while carefully teaching me a lesson. From the time I came in touch with You i have always been more eager for kirtan than book reading and lectures. Because of Your protection only i can now feel that my eagerness for Your teachings is increasing continuously. This eagerness to know what You want me to learn from these problems provides me enthusiasm and fearlessness.

As You say:- "A realized devotee is very attentive in his devotional service, taking it as his life and soul. He keeps himself fit for devotional service by constantly worshiping and glorifying the lotus feet of the spiritual master and the Supreme Personality of Godhead."

Dear Srila Prabhupad, even though I'm unqualified, I beg Your blessings for discipline and attentiveness so that i can use these realizations in some practical devotional service by following Your instructions daily with full enthusiasm and without any offenses.

Kindly forgive me for all the offenses I have committed at Your divine lotus feet.

Your fallen servant.

हरे कृष्ण

परम पूजनीय श्रील प्रभुपाद,

सादर दण्डवत् प्रणाम!

आपकी कृपा से वर्ष में एक बार आपको मन के भावभीने विचार, भाव समर्पित करने का अवसर मिलता है। जैसे तो प्रतिदिन दिन में कितने ही बार आपकी स्मृति आपके मुखारविन्द से गाये संकीर्तन धुन, व्याख्यान, आपकी भगवद गीता व श्रीमद्भागवत की टीका का पठन करते समय व जीवन के विभिन्न व्यावहारिक पक्षों पर विचार करते हुए आप से सन्मुख सवांद करने जैसा अनुभव होता है। आप के कीर्तन की मधुर धुन सुनने पर दिव्य आनंद का अनुभव होता है। जीवन के हर पहलु पर आपका दिशा निर्देश प्राप्त होता है। आप ही की प्रेरणा से भक्ति के सोपान पर चरण दर चरण चढ़ने का सौभाग्य प्राप्त हो रहा है। सबसे बड़ी विलक्षण बात है की संसार के प्रत्येक मनुष्य को आपने श्रीकृष्ण की भक्ति करने का सुअवसर प्रदान किया है, उस सबके लिए हम सब कृतज्ञ हैं। श्रीकृष्ण के चरणों की सेवा के प्रति हमारे मन में निष्ठा बढ़ती जावे, अपने कर्तव्य का ठीक से पालन कर सकें और आपके दिशा निर्देश हमें निरंतर प्राप्त होते रहें आपकी उदारता, दया, कृपा हम पर बरसती रहे इस सुभाषीष की आकांक्षा है।

आपके चरणों में शत शत नमन

आपका कृपाकांक्षी, भक्त जयपाल

परम पुज्य श्रील प्रभुपाद जी सादर दंडवत प्रणाम।

भगवान् श्री कृष्ण के चरणों में भी सादर दंडवत प्रणाम।

सभी वैष्णव आचार्यों के चरणों में भी सादर दंडवत प्रणाम।

एक वर्ष बाद पुनः व्यास पूजा लिखने का सौभाग्य प्राप्त हो रहा है। यह भगवान् श्री कृष्ण और प्रभुपाद जी की कृपा है।

इनकी कृपा के बिना साधु संग और भक्ति पथ पर लगातार बने रहना सम्भव नहीं है। क्योंकि संसार में माया का जाल बड़ा खतरनाक है। यह मोह माया का पाश बड़ा दुर्गम है। भगवत कृपा से ही हम पुनः भगवान् की भक्ति के करीब आ सकते हैं। जैसे-जैसे मैंने प्रभुपाद के साहित्य को पढ़ा, उसमें भक्ति विषय से संबंधित सत्य का दर्शन होता गया। आज उन्हीं की कृपा से नित्य 16 माला जाप, नित्य स्वाध्याय, नित्य संकीर्तन का शुभ अवसर मुझे ही नहीं पूरे परिवार व आसपास के वातावरण को भी प्राप्त हो रहा है। इसके लिए हम श्रील प्रभुपाद जी के ऋणी हैं। आपसे सविनय प्रार्थना है कि हमारी भक्ति स्वरूप बेल निरंतर आपकी कृपा से बढ़ती रहे व पुष्पित होती रहे।

परम आदरणीय श्रील अभय चरणाविंद भक्ति वेदांत स्वामी प्रभुपाद जी मै यह प्रार्थना करता हूं कि आप मुझे उन शिष्यों में गिन सके जो दृढ़ता से आपके निर्देशों का पालन कर रहे हैं।

इसी प्रार्थना के साथ

आपका दासानुदास, भक्त किशोर प्रजापत

Dear Srila Prabhupada ji,

I offer my respectful obeisance unto Your lotus feet. I had no knowledge about God & whatever I knew about God that was fully wrong. But You opened my eyes with the torch of knowledge. Only by Your grace I am doing chanting, attending mangla aarti, taking prasadam otherwise I never can attain spiritual path.

Most important part of my life is association of devotees and whenever I get time for association, I don't miss this chance.

And it happens only by Your mercy. Prabhupada ,You are so merciful that I am nothing and have no value still You selected me in this transcendental mission. So You are the only saver and I want to serve You with my full potency.

Once again I offer my respectful obeisance unto Your lotus feet.

Your insignificant fallen servant,

Dear Srila Prabhupad,

I offer my humble obeisances unto Your lotus feet.

You are our beloved spiritual master. You have mercifully given the perfect system of sadhana bhakti to purify us. But I am so impure that i have no taste for this bhakti process. After 2 years and my heart is full of impurities. My mind is rascal number one and only Your mercy can tame it and mark it with the stamp of lotus feet of Lord Krishna. O master i want to taste the divine nectar of harinaam but my heart is full of dirty things. So be mercifully upon me and give me intelligence so that i can advance in this process.

Your fallen servant,

Bhakta Kuldeep.

Dear Srila Prabhupada,

Please accept my most humble obeisances, and kindly forgive my offenses, on this most blessed event; "On this auspicious day I have come with this offering just to worship You, remembering Your lotus feet." You are present in Your vani; Your books and instructions. You are still present in Your pictures and murti's. You live in the hearts of Your sincere devotees. You have touched us all so deeply; we cannot help but remember You.

"Indeed, I am just like a dwarf who wants to capture the moon. Although I am completely unfit, a desire to receive Your mercy is awakening within my mind."

This is my position, I am completely unworthy, and most fallen. Your mercy is most successful. For You are patita-pavana, the savior of the fallen souls, and who is more fallen than me? I have no good qualities; born of low birth, without good

intelligence, without beauty, or wealth, I am a fallen soul, desiring only Your causeless mercy to be bestowed upon me.
Begging to remain forever in Your Divine Service

Dear Srila Prabhupada,

Please accept my humble obeisances at Your divine lotus feet.

Srila Prabhupada now I am realizing that why devotees glorify You as saviour of the whole world. It is very true that this Hare Krishna Movement is the only hope for suffering living entities like me in this material world. Thank You Srila Prabhupada for giving us such a nice movement where we have opportunity to associate with devotees.

Prabhupada, I am for sure, that I have not even a single qualification to serve u still please engage me in Your and Your devotees loving service. Prabhupada You have told us to follow rules and regulations of Bhakti but I am not able to do that. Please give me strength to do so. Please help me to strictly follow regulative principles.

Prabhupada, please use my life as You wish, although I may not saying this thing wholeheartedly still please do this...Please help me to act myself as servant of Your devotees.

Dear Prabhupada,

Please accept my humble obeisances unto Your lotus feet.

Oh Gurudev ! You are the master of all devotees. You are the ocean of Mercy for all fallen souls. Without Your mercy no one can make progress in their spiritual life. By Your mercy only we came to know about our real purpose of life which is to understand the Supreme Personality of Godhead,Krsna by performing pure devotional service. You are guiding us at every moment by Your teachings.

I am a fallen servant of Your lotus feet and I am very thankful to You because You show me the light of spirituality in the darkness of material nature. I came in touch with You through the devotees after coming in FOLK Hostel. Before coming

here I was very anxious to get answers of some of my questions regarding God because I was misguided about God and His existence.

By Your causeless mercy only I got satisfaction in my heart with practicing Krishna Consciousness. By following some of Your instructions I felt very positive changes in my life. I felt real happiness in my life. Not only in spirituality, but I felt very positive improvement in my material life also.

Apart from this I am very fond of dancing and I found the stage where I can dance on kirtan with transcendental joy.

Please bless me that I always remain in Krishna conscious activities and service of the Supreme Lord.

Thanks again and again. Your servant,

Bhakta Nagesh Rao

Dear Srila Prabhupada,

I would like to offer my humble obeisance unto my Spiritual Master Srila Prabhupada, by His Mercy fully distributed Krishna prema by his books and preachings in English.

I was born in ignorance and trained in mundane western education system, which made me a mad man to enjoy material flickering happiness with no inner satisfaction at heart. There was always an anxiety in my heart and mind while working for material things.

By the association, chanting and reading books of Guru Maharaja the material burning fire is getting extinguished to a certain degree. Still the complete surrender to the lotus feet of Guru and Krishna is at a distance. I pray to Guru and Krishna via this Vyasa Puja offering that to bestow and train me to come out of the clutches of Maya.

Every now and then I keep on falling and get up while traveling the path shown by the Guru Maharaj. Once I have tasted the nectar of devotion in the association of Prabhupada's books and devotee's association I never forget the bliss I enjoyed in this material world.

I hanker for such association and to be in regular touch with Krishna deity in the temple which is as good as Vrindavan. May my Lord Krishna full fill my wish to serve Vaishnavas and develop relation with him in this life.

May my Lord utilize me unto his service. I am a most fallen soul in his world of hypocrisy and cheating. May my Guru and Lord deliver me from this blazing fire of awe and anxiety.

A fallen Servant,

Bhakta Nagesh Rao A.

Dear Prabhupada,

मेरी प्रार्थना को स्वीकार करे। प्रभुपाद एक मातृ आप ही है, जिसके कारण पूरे संसार को हरि नाम लेने का सौभाग्य मिला। और हरे कृष्णा शब्दों का अर्थ का मतलब पता चला आपने अपने लेखन के द्वारा मनुष्यों में भगवान के संदेश का प्रचार किया। आपने हमारे पवित्र ग्रंथों अर्थात् भगवान के दिव्य उपदेशों सरल भाषा में विस्तार से समझाया है। जिसके कारण लोगों को इसका महत्व पता चला है।

हमें इस भौतिक से निकालने वाले आप ही है। जिस तरह आपने मयावादीयो को और नास्तिको भी आपने इस भौतिक संसार से निकाला है। आपने जो भागवत गीता के ज्ञान को जो विश्व भर में फैला कर जो अपनी वाणी द्वारा आद्यात्मिक जगत में जाने मार्ग बताया है। आपके लिखे हुवे अनेक ग्रंथ व सहित्यो को आपने जो सरल व विस्तार में समझाया है जिसके कारण हमें इनका ज्ञान मिल पया। जो आपने चेतन्य महाप्रभु के लक्ष्य को अपने गुरु के निर्देशानुसार पूरे विश्व में एक चिंगारी की तरह फैला दिया है। जिसके कारण पूरे विश्व में कृष्णा भवनाम्रत से गूंज उठा है। आपके इन प्रयासों को आपके पथकर्मी व्यर्थ

नही जाने देंगे। एक एसा समय आयेगा जब प्रत्येक व्यक्ति के मूह पर हरे कृष्ण शब्द होगा। हम पर सदैव अपनी कृपा बरसाते रहना ताकी हम अपना लक्ष्य तक पहुँच सके तथा भौतिक वस्तुओ से दूर रहे। आपके द्वार शुरु किया गया ये संस्था में आने पर वो कभी इसे छोड़ नहीं सकता क्योकी यहा उसे जीवन का लक्ष्य व अर्थ पता चलता है।

जय प्रभुपाद

Dear Srila Prabhupada,

Please accept my humble obesiances unto Your divine lotus feet.

Dear Srila Prabhupada now I have completed my 6-7 years in this Krishna Conciuousness Movement and by Your grace I'm able to do 12 rounds daily. Prabhupada, the most thing I like is going on the trips like vrindavan, mayapur and many other holy places with devotees and I feel very happy also I like to take part in the festivals which we celebrate in the temple.

Prabhupada, at present I'm chanting 12 rounds and I don't read any of Your books because of lack of time. So Prabhupada please be merciful unto me so that I can chant daily 16 rounds and can also read books and can also get more and more devotees association.

Prabhupada at last I just want to say that please engage me more in Your's and Krishna service because that will only will save me from Maya. And also Prabhupada I want that not only me but my whole family should become Krishna's devotees and we can serve him to the best of our capacity.

Your most insignificant servant,

Bhakta Prakash Parihar.

Bhakta Pramod Soni

Dear Srila Prabhupada,

I am so grateful to Krishna for making my life meaningful. Because of His causeless mercy I got You & because of Your causeless mercy I got Krishna, the supreme Lord. I was in the darkness of material existence. There the goal of life was to compete with animals. The only thing which we all focused on was how to do more & more of sense gratification. Even after trying so hard, we hardly got happiness, what to speak of being trapped in unproductive habits. I remember the day when I was just hopeless, had lost the faith in future & became trapped in somehow or the other enjoy more & more, whether by right means or wrong.

One such day of hot summer, I got to meet one devotee & he invited me to temple. I was astonished to see that a college student was talking about spirituality. Till then I had not seen anyone of that age in my area speaking about these things. Then I visited the temple a few days later. From that day my life came on track. To say the least, I was very happy.

There are many things I want to say in the praise of Prabhupada but to sum it all, Prabhupada has changed my life. Really Prabhupada Your disciples are very nice devotees. You & Krishna may bless them a lot.

Your servant,

Bhakta Pramod Soni.

Bhakta Pushendra Dhruwe

My dear Srila Prabhupada

Please accept my most humble obeisance. I have no words to express my gratitude to You. You are the personification of magnanimity and benevolence and that You have shown to the fallen souls like me. Although I haven't done much service for You but still You have given me the chance to become a dust of Your lotus feet. I do not know how I will be able to repay the debt You have put on my shoulder. Please do not allow me to go astray again into the material illusion. Please bless me with Your mercy so that all contaminations of my heart can be wiped out and I can be purified of the material disease. I want to be a good menial servant of You if becoming a pure servant is impossible for me.

Your insignificant servant,

Bhakta Pushendra Dhurwe.

Bhakta Rahul Paliwal

Dear Prabhupada,

You are the ocean of mercy and You are the personification of compassion .Oh the commander of Lord Chaitanya You are so merciful that You have showered Your mercy on everyone .You have spread the holy name of the Lord in each corner of the world. You have introduced this remedy of holy name to the world and showed the world that we can attain the pure love and service of Lord .Bhakti or pure service to Lord is not so easy task to achieve but by Your mercy even the most fallen soul can achieve it. You introduced Japa to all of us,which cleans our heart and mind and let us realize our real position and sankirtana which is so melodic that it can oblige even a dead person to dance.You have done all the work assigned to You by Your spiritual master,Lord Chaitanya and Krishna,You have built a strong army of brahmachari's and congregation devotees who are now leading this movement of Krishna Consciousness. Kindly make us Your servant because after all You have done for us if we are no use for You and Your movement than it is a mere waste of this life as stated in adi shankaracharya's guru ashtakam...

Of what avail if one has enough merits to think my fame has already spread in several places due to my unique generosity and a result, all things of the world stand within my easy reach? For, the virtue and quality that count ultimately is only one's unflinching loyalty and devotion towards the Guru whose blessings are the ultimate factor for realization of Truth by a devoted seeker.

Oh Prabhupada we want no benediction but give us the opportunity to serve You with everything we've got and to realize our real position.

Your Servant,

Bhakta Rahul Paliwal.

Bhakta Rahul Prajapat

Dear Srila Prabhupada,

Please accept my humble obesiances unto Your divine lotus feet.

Srila Prabhupada, from last 2 years I'm writing this Vyasa Puja Offering to You and by Your grace I'm getting everything I'm in need of like now I'm able to chant 16 rounds ,getting more and more devotee association and also I started reading Your books daily. These were the things which I requested You to provide me and by Your grace now I'm able to do all this things.

Prabhupada, You are such a great devotee of Lord Sri Krsna and Your effulgence is so strong that brought me towards You and Krsna and it all happened when I watched the Hare Krishna Movie which was released last year. From that day only I promised You and Krsna that I will try my best to chant 16 rounds daily and from that day till now I'm chanting 16 rounds. In that Movie I saw the struggle You had taken only for saving us from the clutches of Maya and to give us this transcendental knowledge and You distributed this transcendental knowledge of Krsna so freely like Sri Chaitanya Mahaprabhu who distributed the love of Sri Krsna Prema so that we can make our life again blissful and with full knowledge. So Prabhupada You are so kind to us.

Prabhupada, one thing which always comes in my heart and mind is to have Your physical presence but then I again know that it is not possible now for anyone to have Your physical presence. But as You say that there is no difference between Krsna and his words, pastimes and qualities similarly there is no difference between having physical presence of spiritual master and his instructions and his books and in that way the spiritual master is always present with his disciples. So please let me take more association of Your books so that I can never feel Your absence.

Srila Prabhupada, in the last I want to say that please always be merciful unto me because only by Your grace I can serve Krsna nicely and not only Krsna but I also want to serve You to the best of my capacity. My only wish is to be always Your servant and can live in the dust of Your lotus feet and I even don't want to overcome from it. So please give me the shelter under Your lotus feet and bless me because that can only save me from the Maya or from this material existence of life.

Your most fallen servant,

Bhakta Rahul Prajapat.

हरे कृष्णा

प्रणाम गुरुदेव मैं रामनरेश श्रील प्रभुपाद के चरणों में प्रणाम करता हूँ। चार साल पहले प्रभु जी की कृपा से आपका आशीर्वाद मिला, जिससे हरेकृष्णा मंत्र का जप तथा कृष्णभावनामृत के बारे में पता चला। आपकी कृपा से भगवान श्रीकृष्ण से लगाव हो गया। आध्यात्मिक जीवन की शुरुआत हुई और अब तो हर एक काम की शुरुआत और अंत हरे कृष्णा नाम से ही होती है। जीवन में इस बदलाव के लिए गुरुदेव की कृपा के लिए बहुत बहुत आभार।

हरे कृष्ण

परम पूज्य श्रील प्रभुपाद जी सादर दण्डवत प्रणाम,

हरे कृष्ण मूवमेंट में हम तीन साल पहले संपर्क में आये। हरे कृष्ण मूवमेंट के भक्तों के मार्गदर्शन से हमे कृष्ण भक्ति में लीन होने का अवसर मिला। हम एक माला का जप करते हैं। इससे हमे आत्म शान्ति मिलती है और एक नई उर्जा मिलती है जो कार्यशैली व स्वास्थ्य के लिए काफी अच्छी है। हम हरे कृष्ण मूवमेंट के साथ ग्रुप में मथुरा वृन्दावन घुमने गये, जहाँ भगवान श्री कृष्ण का रमणीक जन्म स्थान बहुत अच्छा लगा। जितने भी हरे कृष्ण मूवमेंट के भक्तगण है सारे ही बहुत अच्छा कार्य कर रहे हैं। कृष्ण भक्ति एवं अक्षय पात्र के कार्यों की बहुत अच्छे प्रकार से देखभाल कर रहे हैं जो एक सराहनीय कार्य है।

हम श्री कृष्ण भक्ति में और ज्यादा आनंद चाहते हैं तथा आगे कोशिश करते रहेंगे एवं भगवान श्रीकृष्ण की कृपा रही तो भक्ति की माला जपने में और समय देंगे। जब भी मन करता है भगवद गीता का पाठ करते हैं। श्रीकृष्ण भगवान को मन ही मन हमेशा याद करते रहते हैं। हरे कृष्ण मूवमेंट, श्रील प्रभुपाद जी को शत शत नमन॥

जय श्रीकृष्ण-चैतन्य प्रभु नित्यानन्द
श्री अद्वैत गदाधर श्रीवासादी-गौर-भक्त-वृन्द ॥

परम श्रद्धेय श्रील प्रभुपाद,

आपके चरण कमलों में कोटि कोटि नमन।

मैं आपका आभारी हूँ प्रभुपाद की आविर्भाव दिवस के शुभ दिन पर कुछ बोलने का मौका दिया। जैसा कि आपके साहित्यों एवं प्रवचनों से जानने को मिलता है कि यह कलियुग दोषों की निधि है जहाँ हर तरफ बुराई, असत्य, हिंसा, धोखा आदि जैसे अनेकों पाप हो रहे हैं। इसमें सतगुरु का मिलना ही दुर्लभ था। परन्तु आपके शिष्य भक्तावातर दास प्रभु की कृपा से मुझे आपका सानिध्य मिला है जो की बहुत ही दुर्लभ है। परन्तु हे प्रभु! जैसा कि आपके शास्त्रों के माध्यम से जानने को मिला है। कि यह संसार अज्ञान एवं अंधकार से युक्त है। आप फिर भी हम बहुत से जीवों के लिए इस धरा पर अवतरित होते हैं। एक शिष्य के लिए सतगुरु का आविर्भाव दिवस बहुत ही महत्वपूर्ण होता है क्योंकि इस दिन आपकी महिमा का गुणगान करना हमारे शब्दों से परे और कल्पना से काफी दूर है। एक ऐसे महान् अस्तित्व का प्राकट्य इस मृत्यु लोक में होता है जो दूसरे बहुत जीवों को अमरता प्रदान करके उन्हें भगवद धाम भेजने का बीड़ा उठाते हैं।

हे गुरुदेव ! मैं आपकी प्रशंसा में जो कुछ भी बोल रहा हूँ वह दीपक की भाँति है जो सूर्य के सामने अपनी रोशनी बिखरने की कोशिश करता है। तो फिर मैं आपकी क्या प्रशंसा कर सकता हूँ। यह तो शास्त्रों में वर्णित है कि गुरु एक माध्यम है जिसके द्वारा शिष्य के हृदय का शुद्धिकरण होता है। प्रभुपाद यह संकटों से भरा भौतिक जगत् है जो अस्थायी है। भगवान् की अंतरंगा शक्ति के वशीभूत होकर यह स्थायी एवं बड़ी ही मनोरंजक जगह प्रतीत होती है।

अतः मैं पुनः आग्रह करता हूँ प्रभुपाद कि आप मुझे मन में शक्ति प्रदान करें कि मैं हर जन्म आपकी सेवा भावपूर्ण करूँ, न कि किसी बंधन में होकर, उत्साह एवं धैर्य के साथ सच्चे मन से करूँ। फिर भी न चाहते हुए भी मेरी इच्छा इन्द्रियतृप्ति में जाती है। ये बद्ध जीव आपके सभी निर्देशों और आपके आदेशों को भी नहीं समझ पाता और फल स्वरूप स्वयं की इच्छा की पूर्ति हेतु आपके द्वारा बनाये गये सिद्धांतों की अवहेलना कर बैठता है। रजोगुण एवं तमोगुण मुझ पर इस प्रकार हावी है कि मैं अपने वास्तविक सिद्धांतों को नहीं समझ पा रहा हूँ। और नित्य प्रतिदिन अनगिनत अपराध अपने गुरु भाइयों के समक्ष कर रहा हूँ। मेरे आध्यात्मिक पतन होने से मेरी रक्षा करें प्रभुपाद, आप तो पतित पावन हैं। आपका नित्य दास बने रहने की अभिलाषा में। आपका दास हूँ।

हे परम कृपालु आपके पादकमलों की कृपा हम पर सदैव ही बरसाते रहें।

आपका दास

परम पूज्य श्रील प्रभुपाद,

सादर दण्डवत प्रणाम,

भगवान की कृपा से हम एक साल पहले हरे कृष्ण मूवमेंट के संपर्क में आये। भक्तों के मार्गदर्शन से एक माला हरे कृष्ण मंत्र का जप करना शुरू किया है। इस प्रकार जप करने से हमारी भावना में परिवर्तन आया है। हमारे द्वारा ईश्वर का जप करने से मनोबल बढ़ा एवं आनंदमय महसूस हुआ। हमे भक्तों से मिलने के बाद भगवान के प्रति श्रद्धा उत्पन्न हुई। ईश्वर के बिना इस संसार में कुछ भी नहीं है। भगवद गीता का अध्ययन शुरू किया, गीता का पाठ करने से मनोबल मजबूत हुआ व जीवन का असली मूल्य मालूम हुआ।

आपके अक्षय पात्र में भक्तों के द्वारा बच्चों के लिए खाना बनवाने का कार्य बहुत अच्छा लगा। किसी भी व्यक्ति के द्वारा दी हुई भेंट के एक एक कण का उपयोग होता है। यह सराहनीय कार्य है।

आपके चरणों में मेरा शत शत नमन,

आपका कृपाकांक्षी, भक्त सुरेश गौड़

हरे कृष्ण
गुरुदेव प्रभुपाद के चरणों में प्रणाम
जिनकी कृपा से मैं भगवान कृष्णा की लीलाओं को सुन पाया
और मेरा काफी हद तक ईश्वर को समझने और उनके बारे में जानने का मौका मिला ।
जब आपके सानिध्य में आया तो शुरू शुरू में तो कठिनाई हुई और आपके बताए मार्ग पर चलने में कठिनाई महसूस हुई पर जैसे जैसे समय बीता सब अच्छा लगने लगा और आपके बताए मार्ग की महत्ता का पता चलने लगा।
फिर धीरे धीरे आपके बताए गए मार्ग पर चलना सीखा और यहां पर मुझे जीवन की सच्चाई के बारे में पता चला के जीवन में इन भौतिक वस्तुओं से बढ़कर भी एक वस्तु जिसका नाम है कृष्णाभवनामृत ।
आपके बताए मार्ग को अपना कर मैने विभिन्न प्रकार के तामसिक प्रवृत्ति की आदतों को छोड़ा जैसे चाय पीना प्याज लहसुन का सेवन करना भगवान को बिना भोग लगाए भोजन करना फिर भी अभी तक बहुत सी आदतें हैं जिन्हें छोड़ कर कृष्ण भक्ति में आगे बढ़ाना है इस लिए आप मुझ पर अपनी कृपा बनाए रखे के में आगे भी अपनी जीवन में कृष्ण भक्ति को अपना सकूं और अच्छे से साधना कर सकूं और आपके बताए मार्ग पर चल सकूं।

My Dear Srila Prabhupada,

Please accept my humble obeisances at Your divine lotus feet.

It's almost a year ago when a devotee came to my room and picked me up from the darkest ignorance. It's because of Yours and Krishna's mercy really otherwise how would I have got the chance to come in touch with Krishna Consciousness movement.

Earlier, I was zero in spirituality, purely had material desires based on false ego that I am this body. I feel highly obliged to You now that You saved me from the danger and showed me some light through devotees and Your transcendental literatures.

You really brought up the Vedic civilization way of living back in Kaliyuga and it's undoubtedly the best possible way of living, where people know the purpose of life, the ultimate goal of life, which is to get Krishna Prema.

I know little about You right now. But I do realise the pain You took to go to America to preach Krishna Consciousness all over the world at the age of 70 with only 40 rupees! no arrangements, nothing. You did this to fulfill Your Guru Maharaj's instruction and to deliver the fallen souls like us. You wrote huge volumes of transcendental books for us.

Now it's our duty to fulfill Your dream and I promise to contribute in Your mission in whatever way I can.

Kindly give me strength to follow devotional path and to serve You and other Vaishnavas.

Your sincere servant,

Bhaktha Vishabh Mangal.

हरे कृष्णा !

मैं मंजू यादव श्रील प्रभुपादजी के चरणों में कोटि कोटि नमन करती हूँ। मैं हरे कृष्णा मूवमेंट से चार साल से जुड़ी हुई हूँ। तब से ही मुझे बहुत अच्छा लगने लगा है। मैं कोशिश करती हूँ कि इसे आगे बढ़ाऊँ और सदैव इससे जुड़ी रहूँ। इससे जुड़ने के बाद मुझे बहुत कुछ परिवर्तन दिखाई दिया। प्रभु जी ने मुझे जप करने का आश्रय दिलाया, जो मैं नियमानुसार कर रही हूँ और इसको आगे बढ़ाने की कोशिश करती रहूँगी।

This is my fourth offering by the blessings of Shri Radha Krishna who has given me an ideal great Acharya like You as spiritual Master. I am so much indebted to You for showing me the right path of Bhakti. Your philosophy is crystal clear and Your books are marvelous. You have taught the real dharma is to love Krishna the supreme person. Your lectures are nectarine and by hearing again and again gives realizations.

This year I got chance to visit temples in Europe trip. I was astonished to saw these beautiful temples and the service mood of devotees there , following all rules and regulations as instructed by You in such remote places . It's a representation of Your heartily efforts in spreading Krishna consciousnesses in foreign countries for fulfilling the wish of Your spiritual master. You had set a great example for us to carry out the order of spiritual master at any cost .

So on this auspicious day I humbly beg You to shower Your blessings on me to make me an instrument in serving Your mission. Please give me strength to take all austerities in fulfilling Your orders in association of Your sincere devotees. Please forgive my all offenses .

सादर प्रणाम!

प्रभुपाद मैं आपके उन भक्तों में से हूँ जो ज्यादा कुछ नहीं जानते पर यह जानते हैं कि बहुत सारी परेशानी का सामना करके भी आप सभी सुखों का त्याग करके, आपने जो हम जैसे लोगों पर कृपा की है उसका कर्ज हम कभी भी नहीं चुका सकते। आपको दो हार्ट अटैक आने पर भी और उस वृद्ध अवस्था में होते हुए भी आपने अपने बारे में कभी नहीं सोचा। यहां तक कि आप बहुत कम समय आराम करके पूरा समय किताबें लिखने में लगाते थे। वह सिर्फ इसलिए कि हम जैसे लोगों को पढ़ने का मौका मिले और हमारा उद्धार हो जाए। जब तक मैं आपके इस कृष्ण भावनामृत में नहीं आई थी तब तक केवल खाना, पीना, सोना और अपना जीवन चलाने में समय निकल रहा था पर माला करने के बाद जो जीवन में बदलाव आए और लगा की माला करने से जीवन में कितना सुकून मिला है। इतना ही नहीं आज भी यदि कोई हमें बोल दे कि यह माला क्यों करते हो जीवन जो दोबारा नहीं मिलेगा या और भी कुछ गलत बोलते हैं तो हम गर्व से बोलते हैं कि आप हमारे गुरु हैं। और हक से इस बात को बताते हैं। और उन्हें भी माला करने के लिए तैयार कर लेते हैं। बस सरल शब्दों में मैं यही बोलना चाहती हूँ कि यदि मैं किसी भी व्यक्ति से आप द्वारा बताई गई माला करवा पाती हूँ तो उसे अपना सौभाग्य समझती हूँ। हम भगवान के धाम जाएं और कृष्ण को बताएं कि आपने प्रभुपाद को भेज पर हम पर बहुत उपकार किया है।

धन्यवाद प्रभुपाद

परम पूज्य गुरुदेव को प्रणाम करते हुए उनके चरण कमलों में श्रद्धा के दो फूल अर्पित करती हूँ। मैंने अपने जीवन में इतनी शांति और भगवान के प्रेम की अनुभूति पहले कभी नहीं की जितना आपके सानिध्य में की है। धार्मिक यात्राएं, कीर्तन, भजन, प्रवचन से हम धन्य हो गए हैं। आगे भी हम इन यात्राओं का आनंद कर खुद को भाग्यशाली समझेंगे। प्रभुपादजी वृंदावन यात्रा में हमें बड़ा आनंद आया। वहां आपके पर्सनल रूम में भक्तों के साथ बैठकर जब मैंने हरे कृष्णा महामंत्र का जप किया तो परम सुख और शांति की अनुभूति हुई। यह मैंने पहले कभी महसूस नहीं की। अभी भी मैं जब जप करती हूँ और उस पल को याद करती हूँ तो वही सुख और उसी आनंद और शांति का अनुभव करती हूँ। आपकी कृपा इसी तरीके से हम पर बना के रखना। प्रभुपादजी के चरणों में शत शत नमन

Dearest Srila Prabhupada,

Every day we are immersed in the sound of your voice, images of Your Divine Grace, letters that you touched, your words and instructions. We are so very grateful for the services you have given us and for letting us feel your presence in these

ways. And although we so much appreciate all these things, still the pain of separation from you only increases with each passing year. We want you to be proud of us, Srila Prabhupada. We want to fulfill your vision of us as the pure servants of the Lord you saw when you looked at us and into our hearts. And we want to help you fulfill your vision of a desperately suffering world transformed into Vaikuntha. We are your sons and daughters, Srila Prabhupada. We love you and we miss you! We have no other shelter than you. Please always keep us at your lotus feet.

Jai jagad guru Srila Prabhupada ki jai!!!!

Keshinaashana Dasa

Dear Srila Prabhupada,

I offer my respectful obeisances unto His Divine Grace A.C. Bhaktivedanta Swami Prabhupada, who is very dear to Lord Krishna, having taken shelter at His lotus feet. Our respectful obeisances are unto you, O spiritual master, servant of Bhaktisiddhanta Saraswati Goswami. You are kindly preaching the message of Lord Chaitanyadeva and delivering the Western countries, which are filled with impersonalism and voidism.

That same unconditional love is what you espoused as the purpose of your movement—“to bring its members together with each other and nearer to Krishna, the prime entity, thus developing the idea within the members, and humanity at large, that each soul is part and parcel of the quality of Godhead (Krishna).” If we, as aspiring servants of Krishna and His pure devotees, are to realize this goal, then indeed your words are the lamp that will illuminate our path. The words of the spiritual master “open our darkened eyes and fill our hearts with transcendental knowledge.” Thus if we are to ever reawaken our dormant love for Krishna, we must strive to make your words and will our life’s purpose. It is in this spirit that we offer our humble efforts to you, O master, surrender our hearts and minds to your will, and beg for the illuminating bliss of your transcendental words. May you grant us the clarity of mind and peace of heart to understand and implement your desire in this world. May we thus assist you in your eternal loving relationship with Krishna by bringing our fellow lost souls back home to God’s lotus feet.

Your humble servant,

Keshinaashana Dasa.

Krishna Sakthi Devi Dasi

Dear Srila Prabhupada,

All glories to you!!

Please accept my humble obeisance at your lotus feet! On this anniversary of your appearance, I offer this homage to you. I feel very fortunate to have this opportunity to perform this humble service of writing a homage to you and offering it to your lotus feet.

Krishna says, “One who claims to be My devotee is not so. Only a person who claims to be the devotee of My devotee is actually my devotee.” In the system of bhakti yoga, the first duty is to accept a devotee as a spiritual master and then render service unto him. He is the instructing spiritual master for everyone.

You spread the mission of Sri Caitanya Mahaprabhu across the globe. Throughout the world, beautiful temples are being constructed. By your grace and sacrifice, Krishna consciousness is now embedded in all the corners of the world. You are the saviour of the most fallen souls. You have distributed the love of Godhead throughout the world that was bestowed by Sri Caitanya Mahaprabhu.

We are so happy for what you have given to the world. Liberation from the cycle of birth and death and the opportunity to re-establish our loving relationship with the Supreme Lord Krishna. This is not an easy task. You said that it takes gallons of blood to make one devotee and it takes even more to keep this devotee in the process of devotional service. It is a difficult task. You are not affected by the three modes of material nature. You have complete love for Krishna.

Thank you for saving our souls and showing us the way back to Godhead. Thank you for all the ultimate ways in which we can serve you. Otherwise, what else would we be doing? Our time would be wasted satisfying our sense and searching for happiness where it doesn't exist.

We are still conditioned souls who are attached to material enjoyment. We don't have any qualification to praise your glories but by your mercy we write a few words glorifying you on this most auspicious day of your Vyasa-puja. On this blessed day, we pray to you for spiritual realisation.

Please continue to keep us in your service, please continue to guide us on the path of bhakti-yoga as you are the foundation of our lives and the saviour of all mankind. We love you so much!

Your humble servant,

Krishna Sakthi Devi Dasi.

Krishna Veni Devi Dasi

Please accept my humble obeisances to your lotus feet, all glories to you.

Srila Prabhupada, no matter how much sufferings we go through in this material life, we are still able to practice spiritual life just because of your causeless mercy.

I'm very happy and grateful to have you as my guru. Although the clutches of Maya is very strong and unbearable, I'm praying to you to become my savior.

As per your guidance I'm chanting daily, please allow me to take shelter at your feet and go back home to Godhead.

Your servant,

Krishna Veni Devi Dasi.

Madhuravasini Radha Devi Dasi

My dear Guru Maharaja,

Please accept my humble obeisances.

All glories to Srila Prabhupada.

All glories to you, my beloved father, on your divine appearance day.

As you so vividly describe in your Perfect Escape, "Conditioned existence means to hand over power of attorney for our life to the mind and false ego. Then we just sit back and watch the synthetic show, as material nature drags the poor living entity through different bodies, species and planets."

Here you illuminate material life really means no life at all, just a horrific ride through the machine of material existence.

You have given me life Guru Maharaja.

You have given me a goal - to reawaken my dormant loving service attitude for Krishna and His devotees. I Thank you.

You have given me a mission - to assist you in giving Krishna consciousness to others. I Thank you.

You have given me the Holy Name - the means by which I can purify my consciousness and glorify Krishna. I Thank you. You have given me devotee association - a most rare and valuable gift. I Thank you.

You have given and me personal instruction - a way which I can try to please you and always be with you. I Thank you. You have given me a dynamic service program - always challenging me so I'll depend on your mercy more and more. I Thank you.

You have given me Srila Prabhupada's books - a way to sharpen my intelligence and receive His association. I Thank you. You have given me so much personal care and attention - in such a loving supportive and encouraging way you always urge me to jump the hurdles of my conditioning. I Thank you.

You have given me everything Gurudeva, and I know my reciprocation and appreciation is meager. I feel sorry. But I thank you that you never push me away for my inability to serve you even a fraction of the extent you deserve.

I have definitely proved I have the capacity to be an obedient servant by serving maya for lifetimes without deviation. But I no longer want to do that. Due to your causeless mercy I no longer want to be allured away from Krishna's service, nor do I want to assist maya in her service of alluring the conditioned souls away from their inherent Krishna consciousness.

So judging by my past history of obediently serving maya, I want that my life be dedicated to being your pure and obedient servant. I long to be able to reciprocate with all that you are giving me, although I know this to be an impossible task. And even though you have given me everything, I humbly ask from you the strength and intelligence to take advantage of all you have given me, so I may endeavor to repay my debt to you. Please take power of attorney for my life and engage my head and heart energies in your service without cessation.

Aspiring to be your selfless servant,

“O spiritual master, O ocean of mercy and friend of the fallen! O universal teacher and life of all people! Alas, alas, O master, please be merciful unto us and give us the shade of your lotus feet. May your glories now be proclaimed throughout the three worlds.”

Dear Srila Prabhupada,

All glories to Your Divine Grace. Your Divine Grace, as a genuine living Bhāgavatam, continuously showed us by your sublime example, without a split second of interruption, how to transcend the bodily concept of life by engaging wholeheartedly in the service of the Supreme Personality of Godhead. Had you not come to the West, we would have certainly perished in the darkest region of material nescience—without a doubt. You mercifully freed us from this miserable hellish material existence and the ever-so-tight grip of the three modes of nature. You gave us the ultimate jewel—Rādhā-Krishna. We owe you our lives. We are delighted, humbled, and grateful to inform you that one of our ongoing efforts to preserve your spoken words, presented in the form of your recorded talks and lectures, is nearing completion. The vast majority of your audio recordings are now easily available at no cost to the public. Anyone can go online and immediately listen to your transcendental sound vibration, which is non different from you. Devotees find great delight and enlivenment hearing from you.

Your humble servant,

Dear Srila Prabhupada,

Please accept my most humble obeisances.

I cannot deny that I'm not always successful in applying your guidelines, but I have the courage to try and I have the courage to accept both my failures and my successes. I also learned from your teachings and your guidance. I'm grateful to you for that. It is a very tough lesson. Thank you for teaching me this toughest of lessons and I'm still learning.

In humble manner and full of gratitude, I always like to serve for your satisfaction. Hope my service is pleasing to you in some way. I always find your guidances whenever I'm confused or lost hope. It's my humble request to always continue to guide me, so I can be in your service and Sri Radha Krsna.

Your most humble servant,

Dear Jagat Guru,

How unfathomable is the mercy of the Lord channeled down through His dear most devotees and how inconceivable are His plans for each of us. Due to our independent nature and galactic false egos we foolishly resist the cooling shade of the Holy name but somehow or other you have inserted your needle of love and pulled out the weeds of impersonalism with your plough of bhakti.

It would be easy for me to wallow in self pity and just float in the inertia of material life but Krsna in His kindness has given me your association and guidance. Your thought provoking words and subtle assault of my misconceptions and blurred vision are the ultimate expression of your love. How you willingly spend so much energy in nurturing us, tolerating us and even glorifying us are a testament of your love Srila Prabhupada.

On this day I would like to thank you for all that you have done for me and for all that you continually do in guiding me on the path back home. I pray to never foolishly discard your instructions and be a true representative of your mood and mission. Let me never consider my relationship with you as mundane or trivial and bless me to continually strive to serve the devotees and Srila Prabhupada.

Your eternal servant,

Navadvip Chandra Dasa.

I offer my respectful obeisances unto my spiritual master, who has opened my eyes, which were blinded by the darkness of ignorance, with the torchlight of knowledge.

Srila Prabhupada, in this journey of attaining Krishna bhakti by the means of spiritual advancement, you are my guide, my teacher and my savior. You are the source of knowledge for me.

Srila Prabhupada, thank you so much for guiding me and you made me a Krishna conscious person through your most valuable books. You have shown me an example how to live a Krishna conscious life.

Srila Prabhupada, four regulative principles and chanting of Hare Krishna Maha Mantra has changed my life.

Prabhupada please bless me that I will remain as devotee bhakta forever.

Dear Srila Prabhupada,

We did our best to man the ramparts of false ego's defenses, but you picked the locks of our broken hearts and brought us back to our senses. We're clearly not totally back home yet—we're in the shower for better or worse, but at least we're making the endeavor, and that's better than our prior life—a curse. We have to deal with mundane affairs like permits, insurance, and registration, But you showed us how to Krishnize it all and get off Kali's reservation. Even material, mechanical things—they are no longer so. They're now personified friends and allies that radiate Sri Bhakti's sakti glow.

You are still actively creating an army of relevant sādhus and dynamic missionaries who understand how this world works—an army that is changing the face of the earth in a way that is both beneficial and sustainable. By your prime example and by your sacrifice, you always stressed what matters most in this revolution of character development—loving relationships between Krishna and His devotees and among the devotees themselves. We pledge to you to continue striving to achieve such sublime interaction. Otherwise, without such developed character and resultant correct sat-sanga, we will remain unfit for sāstric studies, insufficiently receptive to your literary message, especially your Bhaktivedanta purports. If we were to read sāstra only to engage in debate, argue with others, and score “brownie points,” we would fail to represent you properly. Since sāstra is given to judge oneself, not others, we stay firmly determined to please you by stressing loving relationships in your progressive movement of self-discovery and war on illusion. Ahankāra brings disturbance and danger to any community, and is most counterproductive to your movement as well.

Your entire life was exemplary to us. In poverty and obscurity, you had struggled to start a spiritual movement. You always remains our greatest inspiration in this birth!

One should strictly adhere to the instructions of the spiritual master, for if he is pleased, certainly the Supreme Personality of Godhead is pleased.

During the past year I was trying to meditate on your instructions, listening to your classes in different parts of the world. I was thinking how to change my intention to please my mind and senses to please you. By your causeless mercy you gave me direction. Listening instructions from your lectures and your personal examples I can apply myself more deeper in Krishna Consciousness than before. By engaging my emotional side, my mind will have a chance to be strongly situated in spiritual life.

I am deeply grateful to Krishna for sending me such a loving, blissful, energetic and practical personality like yourself. Thank you Guru Maharaja for being my spiritual father. Please forgive my stupidity, false pride and egotism. Your mercy can penetrate the deep level of my ahankara.

Therefore, I should always remember and praise the spiritual master. At least three times a day I should offer my respectful obeisances unto the lotus feet of my spiritual master.

Dear Srila Prabhupada,

You have simply promoted the Love of God. There are so many ways to glorify you. I'm just 16 years old boy. For instance, through your books and instructions, the philosophy that you have given us, the teachings that you have taught and many more. By your pure teachings, I understand how important it is for an individual to chant the holy name. I am keeping up myself in Krishna Consciousness by chanting the holy names, associating with devotees, doing some service to the Lord and worshipping them. I have so many things to look into this movement and apply it to my daily life. I would consider

myself as a beginner where I should study and learn more from your teachings. Please kindly accept my prayers and engage me in your service. Dear Srila Prabhupada, please bring me to the shelter of Sri Sri Radha Krishna.

Appreciating Srila Prabhupada's triumph over adversity into following his lotus footsteps of His Divine Grace A.C. Bhaktivedanta Swami Prabhupada.

I offer my most respectful and humble obeisances to you. Please forgive this most unfortunate soul for I'm in no place to write about what you have achieved, who you are and how you have left this world with so much impact in the Krishna conscious movement. However, I believe there couldn't be a better way to express how thankful, appreciative and grateful I'm towards my spiritual master, who is very dear to me, for sharing his divine knowledge of ways and means of living in this material contaminated world less miserably, alongside paving the path into Krishna Consciousness for the fallen, sinful souls.

My dearest Spiritual Master,

In reading through your diary of the voyage of the Jaladuta, you wrote whilst on the way to fulfilling your life's mission, your writing reflects your dedication, perseverance and unwavering devotion to the Paramatma.

Also, I have recognised the full measure of your faith, consecration and self-sacrifice which qualifies you to be one of the world's few genuine spiritual leaders. After going through the entries in your diary, I have realised that your journey to the west wasn't an easy one, your struggle was real and you not only went through sea-sickness, dizziness and vomiting but it was a near life death experience. It was more to sea-sickness, you had chest pains and two heart attacks in two days, and you thought you were certainly going to die if you had the third one without fulfilling your mission. But then, a miracle happened.

Bhagawan Sri Krsna himself appeared in your dream as he was pulling the rope of your ship and assured you of his protection and those violent attacked never return again. Reading through your entire experience made me tear. It made me realise how much you wanted us to learn and understand Lord Chaitanya's teachings and bring Krishna conscious movement to the west. Despite publishing your first 'Back to Godhead' magazine in 1944, you further went on to translate and write commentaries on Bhagavad Gita, Srimad Bhagavatam, Chaitanya Caritamrita and other vedic literatures to enlighten us and made the scriptures easier to be read and understood. Reading your books has changed my life in many ways, it has made me look at the world in an entirely different perspective.

Dearest Gracious Spritual Master,

I must thank you from the bottom of my heart for introducing, coaching and teaching us Bhagawan Sri Krsna's teaching by bringing us through Chaitanya Mahaprabhu's principles and ways of life. Forgive this unfortunate soul as I may not have fulfilled everything you wanted us to learn or perform, but I must assure you that although I'm half way there but I know one day I'll be what you want me to be spiritually. In your own words, "*In the beginning there may be some failure. That is quite natural. Just as a young child is trying to stand, he may fall down. But that does not mean he should give up the idea. Go on. A time will come when he will be perfect. A time will come when you'll be perfect, Krishna Conscious*" - Los Angeles, January 01, 1969", His divine Grace Srila prabupada.

All glories to Srila Prabupada. All Glories to Guru and Gauranga.

Dear Srila Prabhupada,

You have given us the best taught from the very basic things in Krishna Consciousness. Now it is our turn to absorb it and put it up in our life. You have given us knowledge through your books, lectures and classes which are very intriguing. There is no other movement here in this world which guarantees with eternal and blissful life. There are so many things for me to learn from this consciousness. I want myself to be in a proper path and serve you and the Lord constantly. I want to utilise each and every effort that you put in this movement wisely. I am feeling so much gratitude and appreciation for being delivered by you into the light of Krishna Consciousness. Gaurasundar Dasa

Dear Srila Prabhupada,

Please accept my humble obeisances

By Your Divine Grace once again I am getting an opportunity to glorify Your Divine qualities which are unparalleled and nowhere can be found by wandering throughout the universe.

One day me and one more devotee had gone to city to purchase light for the lord in the altar and there I saw that people were screaming and were highly disturbed. They were in a great anxiety because ICC world cup match was going on and India was losing the match and therefore people were greatly disappointed. There, I realized how I was saved by your transcendental mercy from this meaningless anxiety because I was also very deeply entangled in the same trap like others but now I can understand that how these are all the play of GUNA, KARMA, KALA and whole material world is working on this principle.

Later I was reflecting upon this how KALA is controlling & separating everything. Today we may be very happy but it's a matter of time, KALA will deteriorate everything.

But we can be eternally happy where there is no intervention of GUNA, KARMA, KALA. And that is possible only by Your transcendental mercy in the form of Your teachings. So my dear most magnanimous spiritual master, I find myself incapable to preach Your message alone. So kindly empower me so that I may also distribute Your teachings to the suffering humanity, which is Your mission and make them also transcendently happy by bringing them in Your shelter. And also give me spiritual potency to follow Your instruction very nicely and chant Hare Krishna Mahamantra very attentively .

Kindly bestow Your mercy upon me so that I may bring in my nature submissive and subservient attitude.

Your most fallen servant,

Gaurasundar Dasa.

Raghvanand Dasa

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to Your Divine Grace.

You have taught that one must approach a pure devotee of Krishna and surrender to him. And this is an absolute necessity in spiritual life.

The shastra says one has to surrender to a guru, *tad vijñānārtham sa gurum evabhigacchet [Mundaka Upanishad 1.2.12]. One must approach guru. This is vidhīlin. Not that it is optional; I may accept the guru or not accept guru. No. One must. Gacchet means he must. It is vidhīlin. This verb is used where the purport is "one must." Otherwise, it is not possible. (Srila Prabhupada's class in Toronto on June 18th, 1976)*

I was reflecting my past when I adopted the idea to practice spiritual life, and understood the basic necessity in this journey, I came up with a realization that it was YOU, and it is YOU who is inspiring and giving strength to follow this divine path causelessly.

I am so young and foolish to appreciate or glorify the spiritual process You have given to us, to practice and return to our

original constitution position. In this foolishness as a madman whenever I am driven by the different material desires, false ego dictation, hope for sense gratification etc, You as a beloved original caring father, appear before me through Your books, and SB lecture with the sets of instructions and importance on the same context.

It has been more than forty years since You physically left this world, Srila Prabhupada, and fifty-plus years since You established ISKCON. But as time passes, Your memory is not fading. Instead, time itself is revealing Your place. Your impact has been momentous, and it continues to grow year by year.

With the benefit of the passing of time, I am ever-increasingly amazed at the grace and power of Srila Prabhupada. How did one man, in such a short time, at such an advanced age, accomplish so much? By way of explanation, one of the senior devotee pointed the verses in CC and I recently came across the following verses and purport in the Caitanya-caritamṛta:

Sri Caitanya Mahaprabhu delivered almost all the fallen souls by directly meeting them. He delivered others by entering the bodies of great devotees, such as Nakula Brahmachari [Antya-lila 2.5–6]

To deliver people in regions throughout the universe who could not meet Him, Sri Caitanya Mahaprabhu personally entered the bodies of pure devotees. [Antya-lila 2.13]

Thus He empowered living beings [His pure devotees] by manifesting in them so much of His own devotion that people in all other countries became devotees by seeing them. [Antya-lila 2.14]

In his purport to this verse, Srila Prabhupada, You writes:

As stated in the Caitanya-caritāmṛta (Antya 7.11):

*kali-kalera dharma—kṛṣṇa-nama-sankīrtana
krishna-sakti vina nahe tara pravartana*

Unless one is empowered by the Supreme Personality of Godhead, Sri Caitanya Mahaprabhu, one cannot spread the holy names of the Hare Kṛṣṇa maha mantra throughout the world. Persons who do so are empowered. Therefore, they are sometimes called empowered incarnations, for they are endowed with the power of Sri Caitanya Mahaprabhu. When we look at all that Srila Prabhupada achieved, his elevated consciousness and sastras proves that he is empowered by Lord Caitanya Mahaprabhu.

Kṛṣṇa says in the Gita:

Persons who have acted piously in previous lives and in this life and whose sinful actions are completely eradicated are freed from the dualities of delusion, and they engage themselves in my service with determination. [Bhagavad-gita 7.28].

A devotee asked Srila Prabhupada about this verse: “How does this verse apply to me? What to speak of my lack of pious deeds, I was performing sinful deeds up until the moment I met you. How is it then that I have been allowed to engage in devotional service?”

Srila Prabhupada responded, “It is because I have created your good fortune. Now all I ask in return is that you go and create good fortune for others.”

This is the spirit of the Hare Krishna movement—to feel grateful for our deliverance and thus be inspired to try to deliver others. And I feel grateful to be the part of your movement and opportunities to serve Your mission.

Before writing this homage, the poem You wrote in 1935 for Vyas Puja offering for HDG BSS came in my mind, inspired me with a mood to glorify a pure devotee, I am trying to compose few lines to offer it to Your lotus feet,

We are able to chant, dance
And can free us from maya's chase,
It's all because of Your Divine Grace.

We are trying to free us
From desire to become materially ACE,
It's all because of Your Divine Grace.

We are practicing the process
Of KC to reach the spiritual Place,
It's all because of Your Divine Grace.

Light of transcendental knowledge
& love for Krishna became our base,
It's all because of Your Divine Grace.

Protection from so called spirituality
& a big slap on speculative theory's face,
It's all because of Your Divine Grace.

“All the world’s a stage,” he said.

Shakespeare had this view.

We play out all these mundane roles

Instead of surrendering to You.

All glories to Your Divine Grace.
May I always feel deeply indebted to You,
Srila Prabhupada.

Your insignificant fallen grateful servant,

Raghvanand Dasa.

Bhakta Abhishek

Dear Srila Prabhupada,

I am very glad and fortunate person in the material world that I am in Your umbrella and I am happy and progressing in my life. Since I am not pure devotee, but I am trying to become. I came in contact with ISKCON two years ago. That time, I was angry in almost time and I was non- Vegetarian. Now I am living comfortably and became pure vegetarian, daily practicing chanting Hare Krishna Mala.

Hence, I pray to Lord Krishna that I wish to live, concentration, in feet of Lord Krishna. And keep showing me the right path.

Hare Krishna, Hare Rama.

Dear Srila Prabhupada,

Please accept my humble obeisance at your divine lotus feet.

All glories to You on this most auspicious appearance day of Your Divine Grace.

You are Jagatguru – Spiritual Guru of the whole world. Your books and Your words have dispelled all the darkness from the hearts of so many people and directed them to the reality. You personally hold the sadhaks hand and promise them and lead them to the final destination, the absolute truth given they abide by the rules set up you. That is Your power and Your Grace. Chaitanya Mahaprabhu gave us the nectar in the form of the Maha Mantra, but it was You who introduced it to the whole world and make people irrespective of their cast, creed and the geographic location chant the holy name thus fulfilling the Gauranga's wish.

You founded ISKCON and have given everyone a direction and a way to connect directly to Krishna by always doing something or other for Krishna and always be absorbed in Krishnas thought. Through Your books, You have presented the complete philosophy to everyone in such a simple language that now anyone with basic reading skills can understand the perfect philosophy. What previously was possible to understand by only a very few is now open to all, anyone can connect and relish the happiness of Krishna Consciousness. All this became possible only because of Your causeless mercy and the tireless work You have done even at the age of 70. You were so adamant in uplifting the fallen souls and do as Your Guru Maharaj asked You to do, that irrespective of so many difficulties faced by You in Your journey; You never stop.

You have given me a new goal in life - to go back to Godhead, otherwise I would still be stuck here in Dukhalayam.

I pray for Your mercy and Your guidance throughout. I request You to please keep me always surrounded by Bhaktas and give me enough strength to follow all your instructions.

Your servant always in Your service, Bhakta Aikansh Jain.

Bhakta Anjani Kumar

Dear Srila Prabhupada,

I am the most fallen (of whoever have even seen You once, what to say about devotees) to write this for You, but I am sure You will read this.

You have given me opportunity to stay at Your birth city Kolkata, showering Your mercy You have given me opportunity so that I can serve the devotees who are coming to Kolkata for yatra.

Dear Prabhupada I don't know why You considered me for giving shelter in Your lotus feet, I am so fallen, but I feel so different after getting the Ashraya from You.

I always remember Your pastimes and teachings, Prabhupada I am following 4 regulatory principles, Please give me strength to improve quality of following them for my life time and chant 16 rounds always.

Oh Prabhupada You have given so much to this world, Please give some power so that I can understand your teachings & can grow in spiritual life.

I pray I can always think of You, I wish to be your servant & soldier life after life and even at time of death I should not get afraid and remember You and take Lord's name.

Prabhupada Please give me Shelter unto Your lotus feet.

From the Most Most fallen,

Bhakta Anjani Kumar.

Bhakta Himanshu Srivastava

Dear Srila Prabhupada,

I am Himanshu Srivastava pursuing Electrical Engineering from Haldia Institute Of Technology. It is my privilege to express my affectionate glorification to You. My life is somehow changed to a certain limit when I came to know the beautiful foundation of ISKCON. I was always in trouble that what GOD is? When I was preparing for JEE and XII (Boards) in Patna, one of my room-partner is very much concerned about GOD and he belongs to ISLAM community. He was strictly followed Quran and namaz five times per day. Another room-partner Sanjeev started following him and the Quran. They tried to give some examples on the name of Quran to me which denied our HINDU community on a big scale. I know, they told me “Murti Puja is like a shit” and gave many examples like why Bali System is present in our HINDU religion. That time I was literally confused and nervous about this situation.

When I was gone for the competition at IIT Kharagpur (Kshitij 2019) in January, I bought Bhagavat-Gita as it is and The Science of Self-Realization from Raghav Bhaiya. He always helps me in a great way by sending the beautiful pictures and spiritual quotes of Hare-Krishna movement. Hare-Krishna movement is one my favourite because it always motivates me by its contents and it is very much important to save human society from spiritual death.

During Utkarshaa camp, I along with my respected seniors and friends went to spiritual Mayapur Dham. Mayapur Dham is one of the best place. In Mayapur we dance and sing together and honor prasadam as a daily meal. There were many classes taken by many spiritual masters and devotees. We visited PUSHP SAMADHI, GOSALA, GURUKUL, THE RIVER GANGA, etc at Mayapur Dhaam. The temple in Mayapur ISKCON under construction looks very beautiful from outside. The most favourite thing of mine in Mayapur is Mangal Arti which seems very beautiful in the entire journey.

Thank You Dear Prabhupad ji for such an outstanding foundation of ISKCON, the Hare-Krishna Movement which is really very important in kali-yoga. Your books are quite helpful. Currently I am reading The Science of Self Realization which is one of the best book to achieve the subject of “Back to Godhead”. The process of chanting the maha-mantra- Hare Kṛṣṇa, Hare Kṛṣṇa, Kṛṣṇa Kṛṣṇa, Hare Hare/ Hare Rāma, Hare Rāma, Rāma Rāma, Hare Hare gives me real potential to survive in this material world.

Your insignificant servant,

Bhakta Himanshu.

Bhakta Kushagra Mishra

Dear Srila Prabhupada,

Hare Krishna! On the auspicious occasion of Vyas puja I would like to thank You for being my spiritual master and showing me path in my hardships. Before I joined the Hare Krishna Movement, I was just a materialistic body indulged in humanly activities and neglecting the needs of my soul but Your teachings lifted my soul, showed me that I am a spirit soul not merely just flesh and blood and the true meaning of spirituality is serving the supreme lord Krishna. Your lectures made the life easier and also increased my understanding of the universe. I am grateful to Krishna for this life and You became my spiritual master in it.

Yours obediently,

One among Your disciples,

Bhakta Kushagra Mishra.

Bhakta Ravindra Singh Chahar

Dear Srila Prabhupada,

Please accept my humble obeisances and all glories to Your Divine Grace.

I am working as an assistant professor at a university in Faridabad. I came in touch with Krishna Consciousness around 2 years ago. Few things happened in my life because of that I was sad before coming to this movement but this movement gave me the strength and vision during my tough times. It is a great privilege that I was born in Braj Bhumi.

I think that if we develop the love for Krishna then material gains become small and irrelevant. I want to follow the path of great Acharyas and their teachings. I want to remain in touch with Hare Krishna movement in future. And its possible only by your mercy Prabhupad ji.Hare Krishna.

Your Servant,

Bhakta Ravindra Singh Chahar.

Bhakta Sashank Srivardhan Bajar

Dear Srila Prabhupada,

Please accept my humble obeisances and all glories to Your Divine Grace.

I worked very hard for getting into an IIT and after I got into it, I thought I had achieved something remarkable and there is nothing more to do in life. I thought I had achieved everything and my life is all set. But even after getting into one of the most prestigious colleges in India, I was lacking something in my life. I always wondered about why we are all doing these things when we are ultimately going to succumb to death.

One day, I had the privilege to talk to Brajenda Nandan Prabhuj. After talking to him, I really understood what I was lacking in my life. That is Krishna Consciousness. I, then understood how we are all suffering in this material world. It's all because of You, Srila Prabhupada, it's all because of Your Krishna Consciousness, I understood what the true meaning of life is. You are an inspiration to millions of young people like me who were wasting their precious lives until they came into contact with Your organization.

You proved that nothing is impossible when You have the God's Grace. You inspired millions of foreigners who were actually ignoring their own religion into joining the Hare Krishna Movement. Even today, we can find a lot of people roaming on the streets chanting the holy names of the lord. It's all Your Grace that today millions of people are being fed by Akshaya Patra started by ISKCON. It's all Your effort and Grace that we can find ISKCON temples all over the country, spreading the Holy name of the Lord. You've made impossible into possible. You are an inspiration to millions.

Your disciple,

Bhakta Sashank Srivardhan Bajar.

Bhakta Sourav Das

Dear Srila Prabhupada,

Please accept my humble obeisances unto Your lotus feet.

By your causeless mercy, I have received a wonderful spiritual shelter which has saved me from a horrible atmosphere of material desires and sense gratification. You have continuously inspired me to render some insignificant service in extending this shelter upon other suffering souls although I have foolishly wasted or under-utilized most of the opportunities presented by You.

You have also strengthened my basics of Krishna Consciousness through Your simple yet deep lectures and books. When I come across spiritually inclined persons who have been misguided into blind ritualism, speculation, impersonalism or monism, I understand how difficult it is to accept Krishna as the Supreme Personality of Godhead. However, Your Divine Grace has mercifully delivered the essence to me in a matter of few months only.

Please continue to empower me and bless me so that I can remain faithful to your instructions at all times.

Your fallen servant, Bhakta Sourav Das.

Bhakta Subhrajit Patnaik

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to Thy Divine Grace.

My association with the Hare Krishna Movement started way back in 2017 on the auspicious day of Rath Yatra and I feel very privileged to have associated myself with it.

Your teachings on the Bhagavat-gita has been enlightening devotees for many years and would continue till eternity. You showed us the way to overcome ignorance in today's materialistic life, lifting us up spiritually. The transcendental knowledge shared by You is a true resemblance of Bhagavan Krishna sharing His knowledge to Arjuna.

Spirituality through consciousness towards Lord Krishna has brought up a state of concentration in me by which I feel enlightened and liberated. Moreover, association with the Hare Krishna Movement has changed my perspective towards this world and its living beings, all parts and parcels of Lord Krishna. Definitely, it is all because of your spiritual sacrifice that the devotees are sharing the transcendental fruits of happiness and joy.

Thank You, Srila Prabhupada for taking us on board for a spiritual journey which takes us directly to Lord Krishna!

Aspiring to be Your proper disciple,

Bhakta Subhrajit Patnaik, Research Scholar, Department of Metallurgical and Materials Engineering.

After association and developing faith on You Srila Prabhupada, my life is at much peace.

I keep remembering You Srila Prabhupada while doing any Work and every week I am visiting Krishna temple.

Life is a short, we should enjoy the life by remembering Krishna.

I am thankful to You Srila Prabhupada, for giving me immense knowledge on Krishna.

Your Servant,

Bhakta Sudarshan.

Bhakta Tarun De

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to Thy Divine Grace.

By the grace of almighty Krishna, I have been able to get contact of pure souls and devotees of Krishna from Iskcon. From them, I have been able to know more about Your divine incarnation and bliss. The more I know about You, the more I am astonished. I started reading a small book version of Bhagavadgita from ISKCON. It gave me original goal of life. Now I started reading Bhagavad gita as it is. The book "On the way to Kṛṣṇa" helped me to understand my 'mind'. Your utterances on Krishna consciousness showing the whole world a new hope. On the other hand, the prasadam, I received from center, always gives me a hint of closeness to Krishna. During my Phd, center is the only place where I feel stable and blessed. Chanting mahamantra is the ultimate pleasure.

Now I feel that Krishna is my father, a Supreme Master. This feeling rooted strong by Your blessings.

Please accept my obeisance.

From a disobedient footman of Krishna,

Bhakta Tarun.

Bhakta Yashwant

Dear Srila Prabhupada,

Please accept my humble obeisances at Your Divine Lotus feet.

All glories to You on this most auspicious appearance day of Your Divine Grace.

The divine instructions imbibed within every letter ever uttered from You have been my inspiration all throughout. As always instructed we need to take the instructions of Your Divine Grace as our life and soul .

Please keep me under the shelter of Your lotus feet and help me preach Your message.

Always in Your Service,

Bhakta Yashwant.

Bhaktin Mautusi Das

Dear Srila Prabhupada,

Please accept my humble obeisances. After spending few years in Krishna consciousness, I have now understood the importance of a bonafide spiritual master and good association for rapid spiritual growth. By creating ISKCON, You have provided us a wonderful opportunity to associate with so many like-minded people. I am eternally grateful to You for the tremendous pain You took in establishing this worldwide organisation.

At the same time, You worked hard to translate so many transcendental books from Sanskrit to English. Without Your purports and your causeless mercy, it would have been impossible for me to understand whatever little I have managed to do.

Please continue to keep me and my family under the shelter of Your lotus feet as You have mercifully done through all these years.

Dear my Gurumaharaj Srila Prabhupada,

I offer my humble obeisance to my spiritual master His Divine Grace A.C Bhaktivedanta Swami Prabhupada. I don't know what good karma I did that I became your disciple in this birth. By your mercy, my vision is cleared from darkness of ignorance and I'm able to understand the important of devotional service. Devotional service gives me so much happiness. I pray to you, my spiritual master to have mercy on me so that I can do devotional service till my last breath. I offer my respectful obeisance unto the lotus feet of such a spiritual master.

Your Servant,

Ekeshwari Madavi Devi Dasi.

Mangalalakshmi Devi Dasi

My humble obeisances unto his divine grace A.C. Bhaktivedanta Swami Prabhupada. I am very thankful to our Guru, Srila Prabhupada for guiding us the path, to attain the divine feet of Lord Sri Krishna. By getting rid of my ignorance of my conscience, our Guru has shown the right way to me such that I can surrender to our Lord.

Throughout my birth I'm willing to submit myself to Lord Krishna by following our Guru. I wish may our Guru's blessings always be with us and thus our Lord's popularity always spread in this whole universe.

I feel that our Spiritual Guru's holy lotus feet is the safest and purest place for devotion to our Lord. By our Guru's kindness, we attain spiritual blessings and we get to know deep about our Lord.

Oh my Spiritual Guru, your graceful blessings shall help the lost souls and guide them to submit themselves in front of our holy Lord. Thus providing prema bhakthi to the lost souls and lead them to the spiritual path.

Your Servant,

Mangalalakshmi Devi Dasi.

Mukunda Datta Dasa

Please accept my humble obeisances to you. All glories to you on this auspicious day. You have guided me and given me the most confidential knowledge, from your books. By your mercy, I have gained spiritual knowledge and a strong bond with the Lord Himself. By both of your grace, please let me be your servant and serve you and Lord Krsna always. Hare krsna.

Your humble servant,

Narmada Devi Dasi

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to you on this auspicious day of your appearance day.

I was but a tiny boat tossing and turning in the vast ocean of ignorance. Life was meaningless and I was always wondering whether I was going the right direction. That was until I met your pure devotees who introduced me to the path you had laid. You have helped erase the pains of the material world which is full of miseries. Questions that have bogged me all this while have been put to rest.

Life at last has its true purpose. It is worth living. What seemed to be the end of my life seems to be a new beginning when I stepped into the light of your teachings.

Dear spiritual master,

I meet you every day and every second through your numerous writing. I also see you through your devotees' bhakti service. I am truly blessed to know you in this life time. You have been my inspiration. In the little time that you have had, you selflessly undertook the heremendous task and slaved to put us on the right path back to Godhead. You have thus saved many helpless souls like me. You had also used your last breath to usher us to the right path.

The humble request by this servant of the servant is for Krishna's blessing for strength and resilience as I tread this holy path I have chosen, that I remain true to my guru's teaching and never a moment deviate, understand your teachings better, live a life that would be a good example to others, and as you had, strive to provide shelter for those lost souls to attain Krishna bhakti.

Your servant of your servant,
Narmada Devi Dasi.

Shanta Gopi Devi Dasi

Dear Srila Prabhupada,

I offer my respectful obeisances unto your divine lotus feet which gives assurance and fearlessness to your followers.

You are the most powerful commander of Sri Gauranga Mahaprabhu. You are the expansion of the mercy of Sri Nityananda Prabhu. You are the eternal associate of Sri Krishna. Once a disciple saw you laughing and rolling on the floor in your room. After a while, when the devotee asked you as to why were you rolling on the ground, you excitedly replied " I was wrestling with Balaram".

Such magnanimous a personality you are. Yet you are also the personification of humility and surrender to Sri Krishna. After surviving a hard, horrible sea journey at an advanced age and after going through two consecutive heart attacks, you reached Boston, an unknown land far from your beloved Vrindavan dham. Yet, instead praying to Krishna to make your mission

successful, you simply prayed for Him to make you dance as He wishes. You said *"If you brought me here to just make me dance like a puppet, then make me dance my lord, make me dance as you wish. Make me dance."*

Such extreme of surrender can be seen only in you.

You are the only lion like spiritual master who guaranteed *"If you chant sixteen rounds and follow the regulative principals, I guarantee that you will go back home, back to Godhead."* Who else but you could give such a guarantee?

Everyone saw, still seeing and will always see that you are the saviour of the universe. My plead is that please keep me at the shadow of your most merciful lotus feet. If at all I am fortunate enough to go back to Krishnaloka in this life, I don't wish to dance in Mahaprabhu's sankirtan or dance among the cowherds with Sri Krishna. I simply wish to listen to your thunder like lecture which ends with a sweet *"Thank you very much."*

As I know that, if I catch hold of your lotus feet, then Sri Gauranga Mahaprabhu is obliged to accept me because you are his own beloved commander.

Srila Prabhupada, please always remain in my thoughts and deeds. All glories to you!

Your Servant,

Shanta Gopi Devi Dasi.

Sudevi Devi Dasi

Hare Krsna dear Srila Prabhupada,

Please accept my humble obeisances to your divine lotus feet. All glories to you, Srila Prabhupada. Thank you for preaching about the Absolute Truth; Sri Krsna all around the world. Only by your this great marvel, I'm privileged to be an insignificant particle of this grand Krsna consciousness movement.

My dear Guru, I truly consider myself unfortunate to have missed your physical presence. However to my amazement, your presence is heavily felt, when I read your books or listen to your lectures. This inexplicable experience still bewilders my naive mind.

Being a fallen soul, I must admit that due to my ignorance and the material clutches, I'm often demoralised and demotivated spiritually. During these tough times, only and only your wise words, inspiring pastimes and exemplary actions gets my spiritual self back to track.

With that being said, my dearest spiritual master please forgive this lowest servant of yours and mercifully grant me opportunities to serve you and a chance to move closer to beloved Lord Krsna.

Your Servant,

Sudevi Devi Dasi.

Virendra Dasa

Dearest Srila Prabhupada,

Please accept my humble obeisances unto your divine grace pada kamala and this fallen soul is eternally indebted to your divine grace which I cannot pay even by taking millions of birth. Just saying the word 'thank you' is not enough and it is totally not worthy to address for what your divine grace have done and also for saving me and millions of soul by introducing this amazing Krishna Consciousness path.

Your divine grace have to taken up all the tremendous difficulties and obstacles by yourself just to save all the fallen soul. Your divine grace's compassion toward us is incomparable with what ever done by the worshippable demigods in our daily life or, our biological parents' sacrifices as your divine grace volunteered all the unnecessary impediment just to save us

from clutches of Maya in which we are enslaved for many births. I have heard the story of Sant Eknath, that Lord Sri Krishna take up the form of a kid and engage in Sant Eknath's service for 12 years and lived as his sishya by the name of Kandiya Krishna and there is another past time which happened in Puri dham whereby a devotee by the name Raghu Dasa who helped Lord Jagannath to steal jack fruit, was also rendered service by Lord himself to the devotee when the devotee Raghu Das was ill.

Rshis and devotees who are seeking just a slight glimpse of Lord Sri Krishna are unable to see Him even after millions of years of meditation and those great personality like Indra Agni, Varuna and other demigods who constantly engage in Lord's service are also unable to see Him and gain his mercy, but your divine grace are among highly elevated Lord Krishna's favourite devotees as mentioned above, whereby the Lord himself seeking chance to engage in your divine grace service. I was told that during your divine grace first ever trip by the ship to America during that hard time. Lord Krishna engaged in your divine grace service by keeping your divine grace safe and massage your divine grace heart where Lord himself reside to get rid of pain which incurred that time as the Lord knows well except for your divine grace there wasnt anyone who will make the western world to take up the bhakti and not only western world entire people who live on this earth will come in contact with Krishna who were known only in India back then . I bow down humbly to your divine grace to whom Lord Krishna Himself engaged in your divine grace service as I got no fear about the samsara of birth and death. I will be saved from birth and death cycle as the deliverer of this samsara Lord Krishna himself is in your divine grace service as I am also a servant who is trying to serve your divine grace to 100%. Lord Krishna will save me by seeing me trying to please His favourite devotee . There is a label of a medicine with the tilte 'sarva loka nivarana' Srila Prabhupada your divine grace have bestow such medicine which is Hare Krishna maha mantra to all of us as Lord Chaitanya ordered and whoever have come in contact with Krishna consciouness the maha mantra which will eliminate all kinds of distress and pain and also relief from most depressing jail which is a mother's womb .

Please shower your divine grace's mercy on this special attention seeker as in past I was able to engage in more of your divine grace service such as book distribution but now no more and giving myself an excuse that packed with material work load so as if I ever done any small service and have pleased your divine grace in the past, please give me a boon that I may engage again in your divine grace's book distribution service and able to please your divine grace with this insignificant soul service and please bless all the devotees who are carrying out your divine grace mission of spreading Krishna bhakti with good health and long life as all the these merciful devotees are helping us to connect to your divine grace service and gain eternal bliss which is call Krishna bhakti and get 2nd chance just like in Ajamila's story .

Your divine grace 's ineligible disciple,

Dear my Master,

Please accept my humble obeisance, all glories to Guru and Gauranga. To my beloved spiritual father and master of my heart, I bow down my head under your lotus feet, please accept me as your permanent servant so that I will always be at your feet and have a chance to go back to Godhead. By your mercy, I am serving in this society as a devotee of Lord Krishna and trying to carry out my promise to you since I become a servant of you Prabhupada. Prabhupada be merciful unto me and bless me so that I can continue this duty to spread the message of Lord Chaitanya to others, as how the squirrel helped Lord Rama to build the bridge to Lanka.

At last, please be always in my heart so that I will become a nitya-servant of you and the Lord.

Bhakta Sevak Dasa

Dear Srila Prabhupada and My Beloved Spiritual Master,

Please accept my most humble obeisances at the dust of Your divine lotus feet. On this most auspicious day of Your 123rd appearance day in this material world to reclaim the fallen souls like me, I got an opportunity to describe a few sentences in Your glorification on this special occasion. Vyasa Puja day is very special occasion in the life of a disciple to glorify You as a true bonafide representative of Srila Vyasadeva. I am very glad to know that this year is Golden Jubilee of Your Vyasa-Puja book. All the Vedic literatures and mantras stresses on finding out a real bonafide spiritual master to make advancement on the path of devotional service but in this iron age this is the most difficult task of finding out a divine personality with following qualities mentioned in [MU 1.2.12]

tad-vijñānārtham sa gurum evābhigacchet samit-pāṇih śrotriyam brahma-niṣṭham

"To understand absolute truth, one must humbly approach, with firewood in hand, a spiritual master who is learned in the Vedas and firmly devoted to the Absolute Truth." It is very rare to find all these qualities in a person specially in this age of Kali but I found all the above mentioned qualities in You rather You are embodiment of all 26 qualities of a pure vaishnava. Among all these qualities I am particularly trying to describe Your humility.

Srila Prabhupada You are epitome of meekness and humility and this is clearly evident through Your dealings and Your song Markine Bhagavat dharma which You wrote on board Jalduta. I would like to remember few lines of which as follows

"My dear Lord Krishna, You are so kind upon this useless soul, but I do not know why You have brought me here. Now You can do whatever You like with me. "But I guess You have some business here, otherwise why would You bring me to this terrible place?... But I know Your causeless mercy can make everything possible because You are the most expert mystic. How will they understand the mellows of devotional service? O Lord, I am simply praying for Your mercy so that I will be able to convince them about Your message."

Srila Prabhupada You are ocean of qualities but I found myself incapable to describe all Your qualities. Srila Prabhupada I always feel that I am not taking Your association through Your treasure house in the form of books which You have written with lot of hardship and much trouble in the night while whole world go to take rest.

Srila Prabhupada this year we have got permission for temple construction in Kota and there are lakhs of students who are under stress and giving up their life without Krishna consciousness. Please bless and empower us so that we can bring more and more souls under the umbrella of Your lotus feet.

Your fallen servant, Bhakta Sevak Dasa.

Radha Vinod Dasa

Dear Srila Prabhupada,

Please accept my humble obeisances at Your lotus feet. All glories to You. I was born in the darkness of ignorance but Your presence in my life opened my eyes to reality.

I am feeling greatly blissful to write one more offering unto You on this auspicious occasion of Vyasa Pooja. Thank You Srila Prabhupada for giving me one more opportunity in Your movement to glorify You. A disciple's progress is totally dependent on the mercy of his spiritual master.

As we sing daily "*guru charan padma keval bhakti sadma*". The lotus feet of our spiritual master are the abode of devotional service. So a disciple can become rich in devotional service only by keeping the lotus feet of Guru in his heart which is abode of devotional service. Srila Prabhupada You are the representative of Krishna. As we are intimately connected with Krishna so with You also. And out of great compassion for Your children You keep us in devotional service although sometimes we become disobedient, but out of compassion and love for Krishna You keep us in Your movement. By reading Your books we know Your greatness. Srila Vyasa Deva had put vedas in writing for the benefit of Kaliyugas' people so that they can be ultimately benefited. Similarly once again when people are confused about Vedic principles and goal of religions, You only made them easily understandable. And also by Your Krishna Shakti You had convinced many millions of people about Krishna consciousness and the goal of life which is "back to godhead". Following the previous acharyas You have defeated the Mayavadi conclusions and impersonal philosophers and scholars, and established the Supreme Personality of Godhead as the ultimate truth.

In one of the conversation You said that You will never die, You will always live in Your books. And that is the fact, thousands of peoples are getting inspired about Krishna consciousness and devotion service to Lord Krishna by reading Your books and they are joining the movement. This proves Your active presence in this world. You work day and night to help the poor fallen souls which are suffering in this material world of ignorance. This is Your great Vaishnava quality and I pray to You to bestow me also atleast a few drops of it. It is not possible to completely glorify You because Your qualities are unlimited but as a disciple it is my duty to glorify You to best of my ability. Although I have many faults, I am sure by being in Your movement by Your mercy one day I will be completely free from anarthas and will become pure devotee and serve the Lord. I am very weak, devoid of knowledge and good qualities but I pray to remain in the shelter of Your lotus feet. Kindly bless us.

Your insignificant servant,

Radha Vinod Dasa.

Ram Nam Dasa

Dear Srila Prabhupada,

Kindly accept my humble obeisance unto Your divine lotus feet. All glories to Your Divine Grace.

Srila Prabhupada by Your causeless mercy I am still in Hare Krishna Movement, and once again I take this opportunity to glorify Your Divine Grace. You are the only hope to save conditioned living entities from dark existence of material world, which is continuously burning from the desire of sense enjoyment. And Your Grace gives me opportunity to be part of this great movement of Supreme Lord.

Prabhupada You have created Vaikuntas here in this miserable world so that fallen souls like me can be delivered from this miserable world. By the association of devotees and following the rules and regulation setup by You one can easily achieve the spiritual bliss. This spiritual bliss can be achieved only by constantly engaging in service of pure devotee of the Lord.

"Yasya prasada bhagavat prasado yasya aprasad na gati kuto pi"

Without Your mercy one cannot get the favor of the Supreme Lord. And Your favor can be very easily achieved. All the living beings in this world wants favor of some big personality but they will neither be satisfy You by any favor nor satisfy others.

It is said "*yata mul nisechnena*". By pouring the water in root of a tree, all the leaves and branches get nourishment, like wise by serving the Supreme Lord one can satisfy everyone. And Lord can be satisfied under the guidance of the spiritual master.

Srila Prabhupada, this year I would like to offer my determination to chant 16 round attentively, atleast I will struggle for this. It can be successful only by blessings of Your Divine Grace and Vaishnavas. Please provide me strength to come out

from the bodily concept of life. I am just continuing in this movement in the hope that one day Your divine grace will bestow mercy and thus my anarthas will be removed. So I can develop little bit taste in devotional service to act in great enthusiasm to broadcast glories of Your divine grace.

Prabhupada, I am very grateful to You for Your compassion upon me. At last I again beg Your mercy to develop all Vaishnava qualities by which I can continue to be in association of Your devotees/disciples unconditionally. May I play my insignificant role in this preaching movement with sincerity & enthusiasm.

Trying to be Your humble servant,

Ram Nam Dasa.

Srinidhi Govind Dasa

My Dear Spiritual Master, Srila Prabhupada!

Kindly accept my humble obeisances unto Your divine lotus feet.

It's my great pleasure and good fortune to write an offering in glorification of Your Divine Grace.

My Lord by Your personal example You have guided us how to practice Krishna consciousness in all circumstances. You are most dear servant to Lord(Krishna Prestha). As many foolish people takes Krishna's appearance as a ordinary birth. Similarly those who are not intelligent enough or influenced by Maya shakti thinks Your divine grace as an ordinary man. My Lord Your transcendental glories are still covered for millions, and I am one among such foolish persons.

Srila Prabhupada Your causeless mercy is the only hope for me. My polluted mind and intelligence are unable to select proper words to glorify Your Divine Grace. Your gravity and sincerity to serve Your spiritual master is unparalleled. May I get some fraction of that sincerity to serve Your Divine Grace. May my core of heart be illuminated by the Lamp of transcendental knowledge ignited by Your divine grace. So that I can come out from sense gratification and be engaged in service of Your Divine Hare Krishna Movement.

Sufferings of burning hearts of condition souls can be immediately mitigated simply by following Your divine instructions, only thing is that we don't have faith and interest to act accordingly.

Truly speaking there is no second personality equal or greater to You in term of compassion to deliver fallen souls. In fact, You are more munificent than Lord Chaitanya & Lord Krishna. Glories of Your Divine Grace are unlimited.

On this auspicious day Srila Prabhupada kindly give me strength to follow Your divine instructions honestly and also blessings so that I can continue to stay in association of Your servants/disciples throughout the life and after life.

Thanks a lot for Your causeless mercy on this wretched soul.

All glories to His Divine Grace! All glories to Srila Prabhupada!!

Your insignificant servant,

Srinidhi Govind Dasa.

Srivallabh Dasa

Dear Srila Prabhupada,

Please accept my humble obeisances at Your lotus feet. All glories to You.

It is a blissful moment to write Vyasa Puja offering every year and glorify our glorious spiritual master. Dear Srila Prabhupada, You came to this material world to propagate the mission of Lord Chaitanya Mahaprabhu. Nobody can do what You have done. Your every moment is inspiration for us. You spread the holy name of Krishna all over world with all

Your endeavors and compassion. You extended Your mercy and compassion through Your divine books and gave us a unique opportunity to do vani seva. As You said that You will never die and live forever in Your books. You are still guiding suffering souls in this material world through Your divine instruction.

A spiritual master is direct representative of Krishna. As Krishna guides a jiva in heart as supersoul, the same paramatma manifests himself as spiritual master to guide the jiva externally. In scripture it is said that one who think guru as an ordinary man then he is preparing himself for hell. Lord Balaram is the original Guru tattva and A bonafide spiritual master is representative of Lord Balaram and Nityananda Prabhu.

Dear Srila Prabhupada, I am indebted to You eternally because You have accepted me as Your disciple and engaged me in Your service of Your lotus feet. It is impossible to repay this debt. You are pure devotee of the Lord. Unless one is favoured by the pure devotee of the Lord, one cannot get bhakti. People became devotee just by seeing You.

You said that this Hare Krishna movement is non-different from Krishna himself. As You have written in Srimad Bhagavatam *“In the present age, the Supreme Personality of Godhead has appeared as Śrī Caitanya Mahāprabhu to inaugurate the Hare Kṛṣṇa movement. At the present time, in Kali-yuga, people are extremely sinful and bad (manda). They have no idea of spiritual life and are misusing the benefits of the human form to live like cats and dogs. Under these circumstances Śrī Caitanya Mahāprabhu has inaugurated the Hare Kṛṣṇa Movement, which is not different from Kṛṣṇa, the Supreme Personality of Godhead. If one associates with this movement, he directly associates with the Supreme Personality of Godhead. People should take advantage of the chanting of the Hare Kṛṣṇa Mantra and thus gain relief from all the problems created in this age of Kali” (PURPORT S B 9.24.56)*

It is Your causeless mercy that You engaged millions of souls in this divine mission. Your personal life and faith in spiritual master and Lord Sri Krishna influenced even most sinful people towards Bhakti.

Dear Srila Prabhupada, You are guiding me in every step through Your books, Your lectures, quotes etc. It is Your causeless love and affection that You are allowing me to serve in Your divine mission.

I am a fallen soul, carrying burden of anarthas. Please forgive my offences committed knowingly or unknowingly to Your lotus feet and other vaishnavas. Please give me Your blessing to follow Your instructions. I am also begging Your mercy to improve my chanting, book reading and sadhana. I pray at Your lotus feet that please give me service to Your lotus feet and always engage me in Your service. Please make me Your humble and meek disciple.

Your fallen servant,

Srivallabh Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisance unto Your lotus feet, When I came to Hare Krishna Movement I felt a different feeling in my heart because here I felt my some association with Krishna through the help of different spiritual activities that I learn as time passes in my life that is a very unforgettable moment for me when I chanted Hare Krishna Maha Mantra first time which is told by the Prabhu in the Ashram. The feeling of the sound that develops inside me with the help of my three senses was amazing! Hare Krishna Srila Prabhupada.

Please accept my humble obeisances at Your Divine lotus feet.

Your appearance day is really a very great cause to celebrate with full enthusiasm, joy and to express our gratitude for the wonderful and the class of life which You have given to us. Actually, the whole world should celebrate Your appearance day because on this day they have got a personality who have transformed the entire world by spreading the Hare Krishna Movement across the globe, which was earlier predicted by Lord Sri Chaitanya Mahaprabhu.

The people of whole world should express their gratitude towards You. As if there is some humanity and religiousness had left today in this world that is because of Yourself who inspired people to live life based on the teachings of Bhagavad Gita & Srimad Bhagvatam.

Prabhupada, You are a pure devotee of Lord Krishna and confidential servant of Lord Chaitanya Mahaprabhu so it is not possible for me to understand You completely but one thing I know about You that yes You are a true and genuine spiritual master who cares his disciples more than a father and loves them even greater than a mother.

There are a lot of things to say to You but there is no use now, I hope You will understand me. I am thankful to Your devotees, each and every Vaishnava who helped me to grow in Krishna consciousness and gave me opportunity to serve in Your movement.

I may have not listened to You and at times may not be with You as per Your desire but it feels that there was no time that when You don't listen to Your disciples and not with them to give them opportunity to serve Lord Krishna and Srimati Radharani and thus make their life successful.

I beg to You to please keep engaged me in Your service and give me strength and ability to chant 16 rounds of Hare Krishna Mahamantra daily, follow the four regulative principles and read Your books.

Dear Srila Prabhupada

Please Accept My Humble Obeisances Unto Your Lotus Feet.

Prabhupada, by Your Grace again I got a chance to write offering unto You on this auspicious day of “Vyasa Puja”.

Prabhupada, by Your Grace I am still able to live in “folk hostel” and able to render the service to Krishna and able to get very rare association of “Vaishnavas”. It is impossible for me to repay Your debt throughout my whole life. But still I am not able to utilize this wonderful opportunity properly and many times I start doing maya service, Prabhupada, please bless me and give me the spiritual strength .

Prabhupada many a times I commit offence towards other “vaishnavas” physically or mentally, please forgive me for offences which I have committed knowingly and unknowingly and I will fully try to work on them .

Prabhupada, I am not able to read Your books regularly and not able to get associate with You, please help me, so I can be able to read Your books regularly and able to do offence less chanting.

Prabhupada, You are ocean of mercy, please be always merciful unto me and give me the shade of Your lotus feet.

Your fallen servant, Bhakta Akash.

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to Srila Prabhupada. All glories to You on this auspicious day of Your vyasapuja. We need to glorify the role that the spiritual master is playing in our life as well as express our indebtedness to him. As the representative of Srila Vyasadeva You have lucidly explained the original teachings of Srila Vyasadeva in Your Bhaktivedanta purports for the benefit of all conditioned souls. Your purports make the most difficult philosophy easy to understand even for the common man. The Srimad Bhagavatam explains that there are two classes of men in this world – the crow class and the swan class. The crow class of men is attracted to the rubbish literature's which are filled with topics of material sense enjoyment. The swan class of men takes interest in the nectarine spiritual literature which contains the glories of the Supreme Lord and His pure devotees.

Unfortunately the world is filled with the crow class men who are badly entangled in sense gratification and are destined to suffer perpetually with no hope of liberation. You have very kindly appeared to deliver all such suffering souls. Your Krishna consciousness movement is meant to convert the crow class men into swan class. Simply by reading or hearing even one line of Your purport any person can experience a change of heart. He begins to traverse the path back home back to Godhead. You are the ideal acharya because You teach us everything about spiritual life by Your personal example. Even though You have been empowered by Lord Chaitanya to spread the holy name of Krishna throughout the world, You perform Your devotional service strictly following the instructions of Your spiritual master. By Your personal example You teach us to accept all austerities to carry out the order of the spiritual master. By Your tapasya You have given the wonderful gift of this Krishna consciousness movement to the whole world. On this most auspicious day I humbly beg You to continue to shower Your blessings on me to make me an instrument in serving Your mission. I beg You to give me the inner strength to take all austerities in serving Your mission.

Please forgive my offenses and give me the intelligence to carry out Your orders under the protection of Your divine movement in the association of Your sincere devotees. Begging to remain under the shelter of Your lotus feet at all times and aspiring to be Your humble Servant.

Your Humble Servant, Bhakta Amit Singh Chauhan.

Dear Srila Prabhupada,

Please accept my most respectful obeisance at Your lotus feet. All glories to Your Divine Grace.

I continued 16 round chanting this year and doing arti also. I hear Your lecture but not regularly basis so please give me strength so that I advanced in spiritual life. Unfortunately for me, I prefer to drown in the cesspool of material life. But if I was to have some attraction for the spiritual world, it would only be because of the mercy of the servant of Krishna. Then I would certainly offer myself at His lotus feet. Oh, Dear Gurudeva, please don't give up on me.

Dear Spiritual Master Prabhupada,

Please accept my humble obeisances to Your lotus feet. Today I would like to confess, I thing that when I joined the movement of Hare Krishna as a college student in 2014 then from the 1st two year my purpose to come to Krishna Consciousness was only to have prasadam and all the other things that I used to get to listen to there, I did not follow them. But by the end of 2nd year in Krishna Consicousness movement I did not know now but I gradually started giving

attention to lectures and classes and I really could make out that how and when my motive to come to lectures got shifted from prasadam to Your teachings and gradually then to chanting. By the end of 3rd year in Krishna consciousness my priority order of attending classes becomes first due to listening to lectures, 2nd to do aarti at the end of lectures and 3rd the prasadam and this was time when I really found my self changing my way of living, thinking, perception and speaking.

I would say that without groomed into a proper being with good consciousness then all the grooming classes and other are waste, The only and only way is becoming God conscious because that provides everything, groom us internally as well as externally and are consciousness also get purified so Prabhupada You have been the only cause of me grooming into a good conscious person and I do not have word to express my thankfulness to You. I just want to say two words in thanking You and they are "Hare Krishna". Thank You.

परम पूजनीय श्रीला प्रभुपाद,

आपको मेरा सादर प्रणाम.....

मैं आपका आभारी हूँ की आपने मुझे अपनी शरण में लिया तथा लॉर्ड कृष्ण और राधारानी की सेवा भक्ति करने मोक़ा दिया। मैं कृष्णभावनामृत आंदोलन में पिछले साल से जुड़ा हूँ। मेने आपका एक भजन सुना था उससे आकर्षित होकर मैं मेडिटेसन क्लास में आने लगा और हरि नाम संकीर्तन तथा हरे कृष्णा महा मंत्र का जप करने लगा। और आपकी पुस्तक पूर्ण प्रश्न पूर्ण उत्तर भी पढ़ी है, उसमें भक्ति संबंधी बातें मुझे पता लगी तथा मैं थोड़ा थोड़ा निर्देशानुसार कार्य करने लगा हूँ। पहले मैं काफी दुख व तनाव में रहता था, जप करने से मुझे मानसिक संतोष मिलने लगा है मैं पिछले साल यथा क्रम जप नहीं कर पा रहा था पर इस साल में नियमित रूप से जप करूंगा। मेरी आपसे विनती है की आप मुझे कृष्ण एवं राधारानी की भक्ति में लगाएँ और मुझे पर आपनै कृपा बनाएँ रखे। आपके बालाक समान मुझ पर कृपा प्रदर्शित की है, उसके लिये आपका धन्यवाद।

Dearest Guru Maharaj,

Please accept my humble obeisances. All glories to Srila Prabhupada. All glories unto Your lotus feet. Guru maharaj, it has been one year since I have been involved in akshya patra. I came into contact with Srila Prabhupada, has brought considerable knowledge about spiritual knowledge. And by chanting my anxiety and to get angry is far away. O Lord, I request You to give me more strength so that I can do more chanting and book reading. I remember Your instructions to me every day, they are my inspiration. The way You develop and maintain such personal relationships with everyone surely

testifies to Your realisation of Your personal relationship with Krishna. You showed such compassion to the living entities who are in a state of forgetfulness of Krishna, by constantly preaching and giving so much of Your guidance and care.

Guru maharaj, it was just short time ago that I was engaged in so many degraded activities. when I think of it now, I am so ashamed of my self. And that is only in this life that I can remember, how many lifetimes have I been forgetting about Krishna and performing so many sinful acts. Yet You are so merciful that You have given me this opportunity of devotional service. You gave me so much of Your guidance and care. Thank You gurudeva for picking me up and showing me there is something higher than temporary material so called pleasure. I am forever in Your debt guru maharaja. Gurudeva it is my sincere desire that I may be able to assist You, in some small way, in Your service. Please allow me to stay in devotional service and please allow me to stay close to Your lotus feet. I can never actually express to You how much I appreciate You and all that You gave me and how much effort You give to try to teach me. I can only try to serve You, I can sincerely pray that let me realise Your transcendental position. And let me become a sincere and serious disciple of Yours.

My dear Srila Prabhupada seeing a person like You is the perfection of eye sight, touching Your lotus feet is the perfection of sense of touch, glorifying Your qualities is the tongue's real activity because it is very difficult to find a pure devotee like You in this material world. It is Your causeless mercy that You took up the task of rescuing such fallen conditioned souls from the darkness of nescience. By the mercy of a guru even a dumb man can become the greatest orator, and even a lay man can cross the mountain. I am withstanding in Krishna consciousness, by Your causeless mercy only. You are the one by whose causeless mercy I got a chance to serve You and Krishna. Please bestow me Your mercy so that I can serve You and Krishna with full love and devotion. It is Your causeless mercy that I got Your association. Please bless me so that I can get Your association daily. Your every word and action draws the mind of devotees towards love for Krishna.

Oh Prabhupada! I am so fallen that I am not able to finish my chanting and not able to follow regulative principle, please bestow Your mercy unto me so that I can strictly and sincerely follow the regulative principles and complete my chanting daily attentively and offencelessly. The process provided by You is full of bliss and happiness but I am so fallen that sometimes I unnecessarily doubt this process, please give me strength to follow Your instructions sincerely and faithfully. Please use this useless soul as an instrument in spreading Your glories. Thank You Prabhupada for Your causeless mercy, make me sincere, humble and intelligent enough to always seek the shelter of Your lotus feet by submissively hearing, understanding and carrying out Your divine instructions.

श्रील प्रभुपाद कि जय,

श्रील प्रभुपाद इस व्यास पूजा पर मुझे अवसर मिला है कि मैं आपके समक्ष यह भेट रख सकूँ, 1969 के बाद से यह 50 वी व्यास पूजा है, प्रभुपाद आप बहुत दयालू हैं जो श्री चैतन्य महाप्रभु के समान सभी पतित जीवों को बिना किसी भेद भाव के भगवान् के पवित्र नाम का दान दे रहे हैं व आप ही इस मृत्यु लोक की अंतिम उम्मीद हैं जो जीवों को भगवद नाम रूपी अमृत का पान करा रहे हैं। इसी वृद्धावस्था में जहाँ साधारणतया लोग अपने कार्यों से निवृत्ति ले लेते हैं वहीं आपने अपने बूढ़े शरीर के साथ ही चैतन्य महाप्रभु के संदेश और कृष्णभावनामृत को पूरे विश्व में फलाने का अदभुत व कठिन कार्य को प्रारंभ किया। जिस आयु में प्रभुपाद ने इस संदेश को पूरे विश्व में फैलाया है, किसी युवा के लिए भी उसका एक अंश कर पाना अत्यंत मुश्किल कार्य है।

प्रभुपाद ने ISKCON की स्थापना की व भक्तों का ऐसा संघ बनाया जिसकी द्वारा आध्यात्मिक मार्ग पर चलना व अंतिम लक्ष्य को प्राप्त करना अत्यंत सुलभ हो गया है। मुझे भी प्रभुपाद के द्वारा बनाए गए आध्यात्मिक वातावरण से जुड़ने का अवसर मिला है जिसके कारण मुझे अपनी इस स्थिति का ज्ञान हुआ है व कैसे हम अपने दुर्भाग्य को समाप्त कर भगवद धाम जा कर जन्म मृत्यु के चक्र को समाप्त कर सकते हैं।

इस ज्ञान के मिलने से व इस संस्था के संपर्क में रहने से मेरे अन्दर भी कई सकारात्मक परिवर्तन देख सकता हूँ, मेरी यह आशा है कि मैं इस पथ पर टिके रहने की ओर अधिक प्रयास करूँगा और दिए हुए आदेशों का पूर्णतया पालन करूँगा। प्रभुपाद ने हमारे लिए पहले से ही बहुत सुगम रास्ता तैयार किया है हमें केवल अडिग रहकर अपने गुरु के आदेशों का पालन करना ही शेष है।

सदैव आपके चरणों में

Dear Srila Prabhupada,

Thanks for all Your mercy by which I had come to lotus feet of Lord Radha and Krishna. Since I associate with Your Hare Krishna community members, I became active by mind which I wasn't before, I feel much peace by chanting Hare Krishna maha-mantra, doing kirtans and puja that what You have taught us. Day by day my confidence level is increasing, becoming polite and pure from inside by reading Bhagavat-gita and also books You written for entire world, by which we all are becoming Krishna Conscious persons. Because of You I came to know who Krishna is, before I taught that Krishna is a normal God, but actually Krishna is a Supreme Consciousness who enlighten our minds, strengthen our consciousness. What all we are getting in our life is a gift of Krishna which we have to take care of it, this is among Your great teachings which I get inspired to become Krishna conscious person. Without You I was nothing, but now I'm becoming good person day by day. Thank You for all Your blessings and good vibes which You give everyday.

सादर प्रणाम,

श्री कृष्ण नाम लेने से हमारे जीवन में सुख और शांति का प्रवाह होता है, एवं जीवन राम के बिना अधूरा है, एवं जीवन में गुरु का भी बहुत महत्व है। जीवन की राह गुरु के बिना अधूरी है। गुरु हमें भक्ति एवं भाव का पाठ पढ़ाते हैं। जीवन में यह पाठ जरूरी होता है क्योंकि अपत्र जीवन को सफल बनाने के लिए भक्ति रस के पाठ के बिना जीवन अधूरा है, तथा अपने कर्मों को सफल बनाने के लिए श्री कृष्ण नाम निरंतर जपना चाहिए जो आपकी कृपा से मुझे मिला है।

Very very thanks for Your causeless mercy upon the unqualified and ungrateful souls of Kali-Yuga. I am also one amongst the most fallen souls. The system of doing devotion that You have provided is very joyful and amazing in this age in which people only wants for sense enjoyment. I feel very energised when I attend Bhagavatam lecture and meet with devotees. When I read Your books, I get to learn a lot new which make my faith strong in Krishna. It is possible only by Your causeless mercy that I got the opportunity of doing Krishna Bhakti. You are only my saviour Prabhupada.

Dear Prabhupada,

All glories to Your lotus feet. I offer respectful obeisance unto You. I am in touch with Hare Krishna Movement from last two years. the journey of my Krishna consciousness started when I started my mature phase in jupiter coaching institute. these two years are most memorable. The knowledge of our vedic scriptures are beyond our imagination. It gives a meaning to live life and successfully used it. This material world is full of attraction and only by knowledge and bhakti of Lord we can free from it and back to our original position. The system of Krishna Consciousness Movement is best, the principle given by You, if one strictly follow them, he will surely liberated. The method of chanting of the holy name of Lord, reading of Your books, vedic scriptures, kirtan, dancing and eating nice prasadam, doing devotional service,preaching are most blissful and one can easily become Krishna Consciousness by them.

The devotees of the Hare Krishna movement are very supportive and helpful. I can surely follow the principals and commitment given by You in my whole life and try to preach this Krishna consciousness through the world.

Dear Srila Prabhupada,

Please accept my humble obeisances at Your lotus feet. All glories to Your divine grace. I was at a stage of life when I didn't know what is the real goal of life and like most of the others I was also busy in doing sense gratification and was full of materiality but Prabhupada due to Your Krishna Consciousnesses Movement I realised that we have got this human form for some special purpose i.e to serve Krishna and achieve the ultimate goal ie going back to godhead. Without Your mercy, I would not have wasted this human form of life then would have continued the birth and death cycle but Prabhupada You saved this little soul and I don't have words to thank You for Your mercy upon me. I started using my talent in serving Krishna and always think of doing service in some or other way but unfortunately there are times when I knowingly or unknowingly commit some mistakes, please forgive me for that and give me strength to attain perfection in every service.

I started doing 16 rounds chanting from this year but Prabhupada still I am not able to do it attentively and sometimes I get deviated from my path due to maya's attack, please give me power so that I am able to handle maya's attack and render service at Krishna's lotus feet as much as I can.

Yours faithful servant,

Bhakta Divyesh Gupta.

My Dear Father and Spiritual Master Srila Prabhupada,

Please accept my humble obeisance unto the dust of Your lotus feet. Thank You very much Prabhupada for coming to this material world on the auspicious day of Nandotsava to bestow Your mercy unto all the fallen souls like me and to take them back to home back to godhead. Nandotsava is the day of happiness and joy and You appeared on this day to give all of us happiness and joy and You give us very simple formula for becoming happy that is chant, dance take prasadam and be happy. You give us a different vision of living all the people have high living and simple thinking but Your disciples have simple living and high thinking (going back home back to godhead). You were so merciful that You come to material world and take so many troubles You face so many difficulties for all the fallen souls. Thank You Srila Prabhupada for Your great work for us. You wrote so many books like srimad Bhagvatam, Bhagavat Gita etc. You built so many temples so that people can practice Krishna consciousness and make their life successful by going their home back to godhead.

By Your grace I am practising Krishna consciousness from the last 4 years. Please Prabhupada be merciful unto me so that I can practice Krishna consciousness till my last breath. As I know that I am so fallen that I am not eligible for Your mercy. I have committed many offences than also You are so merciful that You bestow Your mercy unto me and give me the chance of the devotion services unto You, Krishna and all the Vaishnava's. As I know that I am not eligible for serving all them but because of Your mercy I am serving them. My progress in Krishna consciousness is very slow due to the many Vaishnava offences and not following properly four regulative principles. Please give me strength so that I can follow regulative principles properly and make advancement in Krishna consciousness. I have faced many challenges in my life while following Krishna consciousness. so please Prabhupada be merciful unto me so that I can be in touch with You and all the Vaishnava's and take association and make progress. I have desire to serve Your mission till my last breath so Prabhupada please be merciful unto me and accept me as Your disciple. Although I know I am not eligible so that I can become Your disciple than also I am begging for Your mercy. Please, please, please Srila Prabhupada be merciful unto me and give me the chance to serve Your mission till my last breath.

Trying to be Your servant,

Dear Father Srila Prabhupada,

I offer my humble obeisance at Your Divine Lotus feet as we celebrate Your auspicious appearance in this material world. On this most blessed event; Sri Vyasa-Puja, the appearance day of my beloved spiritual master, I am filled with a sense of gratitude and wonder. I cannot even imagine where my life would be today, if You had not appeared and blessed us all with Your divine benediction. Thank You for coming to this world to save us in spite of the tremendous difficulties and obstacles which You had to face alone, depending solely on the mercy of the Supreme Lord Krishna and Your eternal spiritual master, Srila Bhaktisiddhanta Sarasvati Thakura. It was You who first brought this Chanting of the Hare Krishna Mantra and pure chanting of the Holy Names of God. It was You who turned the most fallen and most ignorant to know Lord Krishna, and thus were given the chance to serve Krishna.

I am amongst the most fallen of living entities and yet, by Your unlimited compassion, You have glanced in my direction as I strive to become successful. Thank You for coming to this material world and delivering us from our darkness of ignorance. Therefore let me with all my earnestness pray at the lotus feet of my divine master to allow me to suffer the lot for which I am destined due to my past misdoings, but to let me have this power of recollection: that I am nothing but a tiny servant of the Almighty Absolute Godhead, realised through the unflinching mercy of my divine master. I think that I can honestly say, that in this lifetime, I have never loved anyone more than I love You.

Yours Insignificant Servant of Servants of the Lord,

Bhakta Gaurav Mathur.

Srila Prabhupada thanks for taking birth in this material world and for giving me spiritual knowledge. Thank You for giving us extra-ordinary spiritual books .Thank You for teaching us that how to become a perfect person and how to go back to Godhead.

I am feeling very happy by taking association of senior devotees, by taking prasadam of Lord Krishna, by chanting and by reading of Yours books. For purify our soul it is necessary to chant Hare Krishna maha mantra every day and reading of Your spiritual books.

In Kaliyuga only Hare Krishna maha mantra is only one way for liberation. Association of senior devotees always encourage me for bhakti. By Your blessings many students understand a right path of life Lord Krishna gave us human form of life for satisfy the senses of Lord Krishna .Through Your right guidance and blessing we learn about how to purify our senses and satisfy the senses of Lord Krishna. Many people waste their life for satisfy the senses of her wife and children, waste their time to decorate and repairing their temporary body after some time it become dull. but cannot understand that all that things are temporary but God is permanent they do sex, killing animals, intoxication and do gambling . But chanting reading Your books by prasadam association of senior devotees they can left all that things.

Thank You Srila Prabhupada for giving me a right path.

His Divine Grace Abhaya Charanāravinda Bhaktivedānta Swāmi Prabhupāda,

Prabhupada was an Indian spiritual teacher and the founder-preceptor of the ISKCON, commonly known as the "Hare Krishna Movement". He is such a great personality that it is not easy to describe about him. He had influenced so many people throught his life. He told us about Lord Krishna and how to worship Him in the kaliyuga. He not only showed us the way to meet God but also told the way of living. He influenced me also. Thank You.

Dear Srila Prabhupada,

Please accept my humble obedience unto You. I don't have words to glorify Your grace. Although I want to show my gratitude towards You. In this sorrowful and temporary world, You gave us right direction to follow for achieving the abode of Supreme personality of Godhead. You make the devotee from hippies. You shown us path by Your 'Acharan'. Whenever I read or listen Your lectures, I realize happiness from my soul. Whenever I preach people, I used to elaborate them by Your given example. Some my interested stories are of Dr. Fog, Ajamila etc.

A wonderful thing I want to share with You that whenever I have any doubt or questions in my mind then I listen or read Your lectures then automatically I get my answers on the same day.

Many times I degraded and many times I tried to make people Krishna consciousness but due to my desires and detachment of devotees, I again degrade in devotional service by clutches of Maya.

My heartily requested to You please bestow Your Mercy upon me so that I can realise the importance of Spiritual path and devotional Service.

My Dear Srila Prabhupada,

Please accept my humble obeisances at Your lotus feet. All glories to You on this auspicious day of Vyas Puja. I have come in contact with HARE KRISHNA MOVEMENT from last two months. I was not knowing, what is KRISHNA CONSCIOUSNESS and importance of Bhagavad Gita. When I came to folk hostel, and started following rules and regulations, attending Mangala Arti and Bhagavatam lecture, then I came to know, what is my aim of human form of life.

With Your mercy I am chanting HARE KRISHNA MAHA-MANTRA every day which increases my concentration level. I am feeling very nice and very lucky that I am in touch with this wonderful movement. I face many problems during my spiritual life and whenever I get disturbed, I read Your books, and it pacifies me. At last I can say I got an amazing opportunity to lead a blissful life which You taught us Prabhupada. Please give me the spiritual strength so I can get out of this material word.

Your Humble Servant,

Dear Srila Prabhupada,

Please accept our humble obeisances. All glories to Your Divine Grace. On this auspicious occasion of Your Vyāsa-pūjā, I would like to express my appreciation for You, dear Srila Prabhupada, and renew my dedication to serve Your glorious mission. This year I would especially like to reflect upon Your saintly qualities. A saintly person, a true sadhu, is a true well-wisher of all of humanity, indeed, of all living beings. At Srimad-Bhāgavatam 3.25.21 we find this description of a sādhu: The symptoms of a sādhu are that he is tolerant, merciful, and friendly to all living entities. He has no enemies, he is peaceful, he abides by the scriptures, and all his characteristics are sublime. You embody this description, Srila Prabhupada. How tolerant You were with Your Young disciples! In the beginning days You prepared prasadam for them, served them, and cleaned up after them. You were so tolerant of their shortcomings. Your merciful nature was powerfully manifested when You came to the Western world in Your old age, to a country You did not know, with no money and no friends, just to give the greatest treasure of pure devotional service to the most fallen.

Srila Prabhupada, by Your mercy this year I got the chance to visit Lord's abode Sridham Vrindavan once again with folk devotees. During Vrindavan trip, blissful chanting and dancing, hearing Lord's pastimes, visiting holy places and having delicious prasadam was awesome. We are highly grateful towards You for giving such a nice system to remember Lord and

unparallel philosophy to cultivate brain to go back to godhead. O Gurudeva! Due to Your mercy I am able to do daily chanting, following Ekadashi fasting regularly and reading Your books. I have never thought about reading Srimad Bhagvatam, offering bhoga to Lord and wearing dhoti kurta but You gave nice process which make it possible for me. O Master please give service of Your lotus feet to serve You more and more. By administering a drop of Your mercy make this servant of Yours infinitely more humble than a blade of grass. Giving me the strength to bear all trials and troubles, free me from desires for personal honour. Once again thanks to You and Kota Folk Devotees for constant touch, encouraging and motivating me for spiritual advancement.

Your grateful servant,

Bhakta Mahesh Sharma.

Dear Srila Prabhupada,

Please accept my humble obeisances at Your divine lotus feet. All glories to You on this most auspicious appearance day of You divine grace. Hare Krishna.

Prabhupada, Before coming to Krishna consciousness my life was full of depression and miseries and I don't know that what was the aim or goal of life and don't know anything about Krishna consciousness but by Your divine mercy I came in touch with Krishna Consciousness Movement around four years ago and understood the aim of human life. By Your mercy I got the association of devotees and they are guiding me. around one and half year ago I got an opportunity to stay in FOLK hostel and to follow Krishna consciousness nicely and started following four regulative principles and chanting 4 rounds

of Hare Krishna Maha Mantra initially and then I started to chant 16 rounds,daily. My life was fully changed by Your divine mercy.

Dear Srila Prabhupada, Please always keep Your mercy on me. I will try to follow Your instructions and also try that where ever I will go, I will try my best to to preach people about Krishna consciousness and spread the knowledge of Bhagavad Gita by Your mercy. Dear Srila Prabhupada,

Abhaya Charanāravinda Bhaktivedānta Swāmi was an Indian spiritual teacher and the founder-preceptor of the ISKCON, commonly known as the "Hare Krishna Movement". The Aura of Srila Prabhupada is so high that words are not enough to glorify his beautiful and impactful personality. He completely changed the life of humans by giving perfect knowledge of supreme personality KRISHNA. He taught us the importance of human life and difference between material and spiritual world. He is so merciful and the perfect spiritual master such that by taking the shelter of him anyone can go back to Godhead. In the age of Kaliyuga he is the only one who can make anyone's life happy and birth worth full. Thank You.

I offer my respectful obeisances unto my spiritual master, who has opened my eyes, blinded by the darkness of ignorance, with the torchlight of knowledge.

Dear Srila Prabhupada,

I bow my head unto Your lotus feet with full gratitude over this auspicious day of Your divine appearance.

When everyone left me in deep sorrow, it is Your instructions which heels me from that. When Maya Devi covers my soul, it is Your words which gives hope of spirituality in this material world. When my senses overwhelms my body, its Your mercy which brings me out of it. When I fell alone and broken, it is Your presence which help me to get out of it.

Thank You Prabhupada for being with me every time.

Your presence can be felt by the one who surrender to Your lotus feet, I beg for that mercy.

Your instructions can be received by one who is pure, I beg for that purity.

You are the most merciful and magnanimous personality in this age of kali who spread knowledge of Krishna consciousness throughout the world with no discrimination of the impurities. Your presence make the air pure and spiritual. Your words make the world elevated.

I request You to give me this knowledge of Krishna Bhakti and to just render me in service of Yours and Krishna.

I am the most fallen soul who have no attachment to the name of supreme person Krishna and not to Your instructions. I beg for Your mercy so that I can chant the holy name and indulge myself in Your service and serve Your mission.

May I become eligible for receiving and distributing the holy name of Krishna and the highness of Maha Mantra,

I am trying hard to follow 3 regulative principles out of 4 and chant at least 1 round per day. Please bless me so that I can increase my chanting and start book reading.

Then I started getting bliss in such programs. Because You made these programs and books in such a manner that everybody start loving the God and immediately start his spiritual journey.

Your lectures and books are so powerful and so conceptual that person like me also able to understand this and realize God and involved into spiritual life.

Dear Prabhupada, It's all because of Your efforts in the form of lectures, conversation, books that a poor soul like me started learning such typical matters. You bring me out of material conception of life , You bring me out to the light. You gave my life a purpose. I can't really thank You enough, My Master. Please bestow Your mercy upon me.

श्रील प्रभुपाद की जय

श्री चैतन्य महाप्रभु ने भगवान कृष्ण का प्रचार किया और मनुष्य को भगवान कृष्ण के बारे में बताया । कृष्ण नाम का सर्वत्र प्रचार हो । यह आत्मा क्या है , यह आत्मा भगवान का अंश है । मनुष्य का मन इधर उधर नहीं भटके इसलिए प्रभुपाद ने अपना पूरा जीवन कृष्ण प्रचार में लगाया । प्रभुपाद के प्रचार से ही पूरे संसार में लोग हरे कृष्ण के नाम का जप करते है । हर प्राणी को कृष्ण के नाम का जप करना चाहिए।

प्रिय गुरुदेव आज के दिन इस मंगल अवसर पर मेरा हार्दिक वंदन अपने कमल चरणों में स्वीकार कीजिये। मैं इस परिवार से लगभग 3 साल से जुड़ा हुआ हूँ। जो की मुझे मेरे सखा कृष्ण द्वारा प्रोत्साहित किया गया। इस परिवार का सदस्य होकर मे स्वयं मे चेतना के विभिन्न स्तरों को प्राप्त कर चुका हूँ। एवं न केवल आध्यात्मिक बल्कि यह सर्वांगीण चेतनाओं के विकास की कुंजी है। हे गुरुदेव इस पृथ्वी पर आपका अस्तित्व अत्यंत ही दुर्लभ है। एवं अत्यंत जन कल्याण करी है। आप द्वारा इस्कॉन परिवार की स्थापना एवं सम्प्रोषण अतुलनीय है। मैं स्वयं को एक विशेष जागरूकता पूर्ण विचारधाराओं से जोड़ पाया हूँ एवं इस सत्य को स्वीकार पाया हूँ, कि इवान का अंतिम लक्ष्य ईश्वरीय प्राप्ति है, अतः तन मन – धन से इस हेतु चेतना जागरूक करे।

हरे कृष्ण, “कृष्णभावनामृत संघ के प्रणेता श्री श्रीमद ए सी भक्तिवेदान्त स्वामी श्रील प्रभुपाद की जय”

मेरे जीवन के इस कठोर सुदुर्घर्ष में मुझे आप जैसे एक शुद्ध कृष्ण भक्त का गुरु रूप में जो मिलान हुआ है। उसका मैं कैसे धन्यवाद कर सकता हूँ। प्रभुपाद में जब से आपके इस कृष्णा-भावना-मृत संग के संपर्क में आया हूँ तब से मैंने यह निश्चय किया है की – मुझे अपने शरीर का प्रत्येक अंग को पूर्ण पुरुषोत्तम भगवान श्री कृष्ण की सेवा में लगाना है। “याहं प्रसादे भाई, ए भव तरिया याइ” प्रभुपाद आपकी कृपा से ही हम भौतिक संसार रूपी महासागर के क्लेशों से उबर सकते हैं, और कृष्ण-प्रेम प्राप्त कर, जीवन सार्थक बना सकते हैं। इसलिए मैं आपका एक छोटा सा दास आपके नियमानुसार मेरी संगीत कला और अलंकार कला को विभिन्न रूपों में कृष्ण की सेवा में लगाना चाहता हूँ। क्योंकि यह आपने ही बताया है की – “जीव नित्य कृष्ण का दस है”, और उसे निस्वार्थ भाव से सेवा करनी चाहिये। मुझे आपके संपर्क में आये 5 साल हो चुके हैं। और मैं हमेशा हर प्रकार की सेवा में आगे बढ़ने की कोशिश करता रहता हूँ। और हमेशा यह प्रार्थना करता रहता हूँ की मैं हमेशा सेवा में निवर्त रहूँ जिससे माया का मुझमें थोड़ा सा भी प्रभाव न आये, जिससे मुझे सेवा से भी वंचित नहीं रहना होगा। और मैं हमेशा एक नये प्रकार से और विभिन्न तरीकों से आपकी और कृष्ण की सेवा करता रहूँगा। क्योंकि भगवत गीता में कृष्ण कहते हैं की – पहले गुरु को प्रसन्न करना है, बाद में मुझे। क्योंकि प्रभुपाद आप प्रसन्न हो गये तो कृष्ण तो निश्चित ही प्रसन्न हो ही जाएंगे। और प्रभुपाद यदि सभी नियमों कि पालना करते करते मुझसे कुछ नियमों कि पालना न हो पाये, तो मुझे आप माफ कर देना और आशीर्वाद दीजिएगा कि पुनः वेसी गलती न हो। और मैं जल्द से जल्द पूरी तरह से भगवान की सेवा में आपकी सेवा में, आपके मार्गदर्शन में लगना चाहता हूँ। और अनेक लोगों को आपकी पुस्तकों के माध्यम से सर्वोत्तम ज्ञान का अनुसरण करना चाहता हूँ। और हरिनाम संकीर्तन में बदनचढ़ कर भाग लेने के लिए प्रेरित करना चाहता हूँ।

“जिससे मानव रूपी शरीर पर जो माया रूपी कबूतर बैठे हुये हैं, उन्हें वह हरि नाम संकीर्तन में गाकर, सुनकर, नाचकर, प्रसादम लेकर उन्हें उड़ा सकता हूँ।

प्रभुपाद के लिए कुछ पंक्तियाँ :- “एक महत पुरुष अवतरित धरती पर, कारुण्य का भव्य जहाज उड़ाया है। और एस जहाज में मुझे खिच बिठा कर ए सी भक्ति वेदान्त स्वामी श्रील प्रभुपाद ने मुझे बचाया है।” हरे कृष्ण प्रभुपाद में हमेशा आपका सम्मान करता रहूँ और आपके नियमों कि पालनानुसार और सभी का सम्मान करते हुये भक्ति में हमेशा आगे प्रगति करता रहूँ। और आपके उपासक आश्रय के जो नियम हैं उन्हें नियमित पालना करता रहूँ, मैं हमेशा आपका आभारी रहूँगा।

My Dearest Beloved Gurudeva,

Please accept my most humble obeisances at Your lotus feet. All glories to beloved SRILA PARABHUPADA!

This is my humble offering to Your Grace on this auspicious day of Your holy appearance. I deeply thank Radha-Krishna for letting You appear on this very day on earth as Your Grace has done many great and extraordinary services for Your beloved Srila Prabhupada. I am so thankful that Your Grace has accepted a fool like me as Your son & disciple which I take very seriously. I am so fortunate to have Your Grace as my spiritual father, Your Grace is the most loving and gentle father any child could ask for. I am Yours completely, I surrender myself more and more to Your lotus feet as the days go by. Your Grace is the most important person in my life I can't imagine life without Your mercy, before I was drowned by Maya and covered by her veil a misidentified lost soul roaming aimlessly around. By Your sweeter Grace kindly blessed this servant with initiation but my spiritual master has freely gifted me with immense mercy that my spiritual life actually has taken shape and a path. I know who I am and what I must do.

Gurudeva, I am so indebted to Your lotus feet, what can a beggar offer Your Grace, I only have my shraddha, determination and service to offer at the dust of Your lotus feet so kindly accept. You mean everything to me and I will give up my life for You. My heart sometimes bears the pains of this material world but when I see Your beautiful face and hear Your soothing voice, those pains become so insignificant. I love having Your personal association, it's so special like the most important moments of my existence and I always wish that it could last for eternity. Gurudeva, I am doing the very best to serve my beloved spiritual master but please forgive me if I create any offences. In last two years I have already tasted the sweetness of Your merciful glance upon this undeserving soul. Now I am greedy for more of Your merciful glance upon me to remain forever in the transcendental plane of eternal service to Your eternal mission of eternally liberating the conditioned souls from this world. I am eternally indebted to Your Divine Grace. I beg to remain the servant of Your servants,

Your Eternal Servant,

Bhakta Sajal.

प्रिय श्रील प्रभुपाद,

मैं आपके चरणों में उपस्थित आश्रय में सर्वदा रहना चाहता हूँ। मुझे लगता है, जब से मैं दुनिया की मोह-माया को छोड़कर भगवान की भक्ति में लगा हूँ तब से मुझे मेरे कष्टों का पता ही नहीं लगता, भगवान की भक्ति में जो आनंद है, वो तो दुनिया की किसी भी मोह-माया में उपस्थित नहीं है। जब से मैं इस संस्था में जुड़ा हूँ तब मुझे पता चला दुनिया में उपस्थित मोह-माया से अलग भी एक भक्ति की दुनिया है जिसमें जितना दुबो उतना ही कम है। मेरे जीवन में उपस्थित कष्टों से हारकर मैंने यह भक्ति का कदम बढ़ाया है, और मुझे यह मार्ग बहुत पसंद है। श्रील प्रभुपाद ने जो भक्ति का संदेश पूरे विश्व में फैलाया है, उस संदेश से आज हम बहुत से लोगो का उद्धार हुआ है, मैं तो आपका एक तुच्छ सेवक हूँ, मुझ पर हमेशा आपकी कृपा बनाये रखना। मैं आपका सादर नमन करना चाहता हूँ।

Dear Srila Prabhupada,

Please accept my humble obeisance at Your lotus feet. All glories to You on this most auspicious day of Your Vyasa puja. Prabhupada I am following Krishna Consciousness for last 2 years. When I was new in Krishna Consciousness I followed it perfectly. But Now I am facing many problems. Every time when I found myself in problem I just prayed to You and though I am very lowest person, I make mistakes in services but Prabhupada You are too merciful for every living entity so

every time You helped me. Oh Prabhupada I cannot pay what You gave me like books, lectures, services, prasadam etc. I am not able to serve You but every time from Your mercy I get many services. Oh Prabhupada I just want that You give me more and more service, I want to serve You every time every moment. Every moment I want to think about You so please be merciful on me Prabhupada. Every time when I do service I feel satisfaction and more eagerness for services. I am very thankful to You Prabhupada that from Your mercy now I am able to understand Your books, lectures. I went on many trips just because of Your mercy. I am confused that for how many things I thank to You. Sometimes I think I am in another world, I never dreamed for You gave me. Thank You Prabhupada for everything that made my life meaningful.

Your lowest servant,

Bhakta Satrugan Prasad

Dear Prabhupada

I Satrugan part and partial of god. Before the forming of Krishna consciousness or contact of Your. I think the India as like that Britishers write in his speech there is no thief as well as beggar in this country how India is known as Vishwagrahi but today I say with confidence we can again get this quality by adopting Indian culture. when I did not come in contact with You, I always used to think or we can say the question which comes in my mind why human life is given to me? what is the real way to live the life ? what should I do ? and so many questions. Now this question is solved after I came in contact with You. I am 21 year old boy, I have never seen this type of environment even in home as I see this type of environment here. A lots of thanks to my Guru Prabhupada for giving me shelter in folk hostel. Thank You.

Your Servant,

Bhakta Satrugan Prasad.

Dear Srila Prabhupada,

Your grace, embracing devotion in my heart please accept the humble obeisance's from Your menial servant. I am highly ecstatic and thankful to You for bringing such fallen conditioned souls like me in touch with Krishna Consciousness Movement. We know that without Your grace the illusioned souls would never have got even a little bit of chance to know Krishna. You have shown us a light to come out of this darkness.

Today, when I think about my past I fell amazed that how You showed me the way to come in contact with this movement. First it was just prasadam that attracted me. Then slowly and steadily I came to realize that it was not just the prasadam but a higher meaning to this. Soon by Your mercy I realized what is the real purpose of my life. Surely it is due to Your mercy that my life has got some meaning. It is because of You that the materially affected souls could taste a little amount of nectar of devotion by worshipping Krishna.

Before coming to this movement the persons like me were just working too hard like an ass to secure our future without having any idea how we are punished by maya every moment. Coming in touch with this movement, we came to know reality about such future with darkness and illusion without Krishna. Thus, this movement is like a boon for us that have shown us the light by which we can come out of the darkness of ignorance and receive the eternal bliss and knowledge.

The factor of faith which was missing from the life of people of this age, it is due to You that it has now been revived. But due to Your mercy the path propelling towards Krishna has been illuminated. And by Your golden formula of completing daily sadhana and devotional service, the firm faith towards Krishna has naturally been developed by the fallen conditioned souls.

Presently after completing my graduation when I went far away from temple and sadhu-sanga, I feel emptiness in my life. But I have firm faith that somehow by any means if I hold on to this movement and always follow Your teachings, I will always find a way to remember Krishna and be attracted towards Krishna.

So lastly on this auspicious occasion, Your grace I just pray from You kindly keep Your mercy upon me and other fallen souls. Even if a tiny drop is sprinkled then our life will be successful.

Jai Srila Praphuada!

Your Servant,

Bhakta Saurabh Shankar.

Dear Srila Prabhupada,

All glories unto You.

Please accept my humble and respectful obeisances unto Your lotus feet on this auspicious day.

Oh Master! You are the only hope who can save this humankind from onslaught of Maya or illusion.

Oh Lord! The very presence of Your Personality can make any part of this world as good as Vrindavan Dham as mentioned in sastras. This shows how pure You are. Oh Beloved Master! You are most confidential servant of Lord Gauranga and most beloved disciple of Srila Bhaktisiddhanta Sarswati Thakura Maharaj who is Your life and soul.

O Great Personality! Although You are Nitya-Sidha and You do not belong to this world, as such neither You have any personal work here but then also, You Kindly appeared and faced so many challenges just for saving us. This itself shows how compassionate, munificent and Kind You are. Oh Vaisnava Thakura!

You are servant of Krishna and very wealthy in terms of possessing Bhakti and as such You made this Bhakti (which is very difficult to be obtained by great personalities) so freely available in form of simple and yet authentic principles. Oh Magnanimous one! Today By Your Grace only, millions of living entities are coming to the path of Back Home, Back to Godhead.

Beloved spiritual master Srila Prabhupada,

Please accept my humble obeisance unto Your lotus feet.

Dear Srila Prabhupada, I am very thankful to You because by the mercy of You and supreme God Krishna I am still connected with the Krishna Consciousness and the association of devotees.

By the mercy of You I came in Krishna consciousness four years before and this changed my life perception. Here I learned about the real goal of human life, by the teachings of Prabhupada I realize that why I am in this material earth, the association of the devotees who teaches us the Vedic Knowledge, Bhagavad-gita, Srimad Bhagavatam etc is so authentic that would provide us the real meaning of the Vedic Knowledge. This Knowledge tells about us and the supreme God 'Krishna' and after knowing the real knowledge of scripture one can able to liberate from this birth and death cycle .

I feel very happy peaceful and comfortable with the association of devotees they are so helpful and supportive.

I like and enjoy every activities which is performed in the temple or folk hostel like Kirtan, Lectures, Vedic quiz, Aarti and Maha Prasadam. I enjoyed so much in kirtan, I feel so happy and peaceful in this environment.

I do chanting of Hare Krishna Maha mantra and book reading but sometimes I failed to do it my chanting rounds.

Prabhupada please give me some mercy by which I can practice Krishna consciousness very sincerely.

Give me some blessings by which I can do 16 rounds chanting and book reading properly .

I am so fortunate that I came in the shade of Your lotus feet and I pray please keep Your mercy onto me by which I can always be connected with the association of the devotees. Dear Prabhupada please forgive me for my mistakes and offenses which I committed knowing and unknowingly .

Dear Srila Prabhupada!

Please accept my humble obeisances unto Your lotus feet.

All glories to Srila Prabhupada.

Srila Prabhupada Your glories are unlimited and Your devotees are unlimited how can I glorify. You have picked fallen souls from the gutter of this material world and given a chance to serve Lord Krishna. In this age of Kali where everybody is fallen and sinful You appeared like Sun ray in darkest area and changed the whole scenario.

A place where nobody ever think to go and distribute Hari Nam You took the step and got success it shows that just You are the true devotee of Lord Krishna.

We know that You are not of this world but to uplift the most fallen and sinful souls You appeared. You have changed the lives of millions of people and still doing that by Your books and lectures.

Before knowing this Hare Krishna Movement I was very much indulged in sinful activities and wasting my life but now by Your Grace I am trying to follow Your instructions. Since last year I am finding difficulty to follow four regulative principles because I am not getting devotee association and some bad association.

Please bestow Your mercy so that I can follow Your instruction in my whole life.

Dear Srila Prabhupada ,

Please accept my humble obeisance's unto Your lotus feet. From last one month I'm trying to become like a true devotee. I don't know how much I will be able to succeed in this. But after seeing and coming in contact with You through Your lectures, I understand the meaning of true worship. Because of Your lectures I can understand the true meaning of life. I'm literally detaching myself from materialistic world, and I am going on the spiritual path. You worked hard for Krishna's Movement. People like me are getting attached with Krishna conscious Movement. This is all possible because of You. Whatever You did for joining people with this movement is very appreciable and people like me, get motivated after listening Your story.

Please give Your blessings to me and keep Your hand on me forever. And also give me some knowledgeable thoughts regarding Krishna, so that I can also preach. At least I am very thankful to You and trying to be Your servant.

Bhakta Vishal Pahadiya

Dear Srila Prabhupada,

O oceans of mercy, O saviour of the world, please accept my humble obeisance unto to Your lotus feet. On this auspicious day of Your vyasapuja, I try to show gratitude towards You.

Prabhupada, I am in Krishna Consciousness from last five years, in those five years, I face so many up's and down's in my Krishna Consciousness life. But Prabhupada from last one year I am facing to many challenges while practicing Krishna Consciousness. I know that these challenges come in my life to make me stronger in spirituality, and it is also a test taken by maya to test my sincerity in KC. But knowingly this also I am getting fail again and again, so Prabhupada please help me in practising Krishna Consciousness. Your books are really a nectar, and this thing I know from very first day, when I

started reading Your books, but now I don't know why I am not attracted towards these books , which earlier I was so attracted may be this is because of non-devotee association.

But Prabhupada only because of Your guidance, Recently I visited Vrindavan Mayapur Dham yatra with devotees and in this trip I heard Your pastimes and also the struggle to established this movement and because of Your mercy now I understand that whatever situation may come never leave the movement or association of devotees, now I also understand that why You are always give stress on book reading. Because if we are not doing that, then no one can advance in Krishna Consciousness. Thank You Prabhupada for helping me in that situation when I was deviating from right path. Prabhupada again accept my humble obeisance unto Your lotus feet for giving me a chance to be a part of Chaitanya Mahaprabhu's movement. I know that, I don't have qualification for being a part of this movement, but still I try my best to serve You and try following Your instructions.

Please Prabhupada forgive my mistakes which I have committed knowingly or unknowingly in past and always be merciful on me as You were earlier.

Your servant,

Bhakta Vishal Pahadiya.

Bhakta Vishal Ranjan Das

Dear Srila Prabhupada,

Please accept my humble obeisances at Your Divine Lotus Feet. All glories to You on this most auspicious appearance day of Your Divine Grace.

O Prabhupada, from last six months I am alone fighting with maya (it works like anything). Maya is piercing my consciousness through different strategies maya's only business is to nicely adulterate my spiritual life, but somehow, due to Your mercy my spiritual life is going on. I never thought I would have to live for so many day outside, without getting prasadam, and the result was deterioration of my consciousness. But Prabhupada I will come, I will come to serve Your divine mission. I have not followed 4 regulative principles, 16 round chanting, book reading, lecture, aarti etc., everything I have lost. I don't know what will happen in my future. I want to serve Vaisnavas, spiritual master and Krishna, lets see what will happen. I know Prabhupada, You are disciple of Sri Srimad His Divine Grace Srila Bhaktisiddhanta Saraswati Goswami Maharaj who was a very great naisthika brahmachari (who is very rigid like mountain, if once determined nobody can stop such a personality). You are also like Him.

So Prabhupada please save me from material desires and bless me so much so that I can again come to temple.

आपने मुझे आध्यात्मिक आंखे दी हे । मैं नित्य आप द्वारा दी गई पुस्तकों का अध्ययन करता हूँ । मुझे आप द्वारा दी गयी आंखो से धीरे धीरे समझ आने लगा है की मैं यहाँ क्यों हूँ और मुझे कहा जाना हे । मैं आपका अत्यंत आभारी हूँ कि , मैं इस पथ पर आपकी वजह से चल पा रहा हूँ । और जब भी इस पथ से विमुख होने लगता हूँ , तब मैं वापस मंदिर आता हूँ और आपकी पुस्तक पढ़ता हूँ तो वापस इस पथ की ओर अग्रसर हो जाता हूँ आप द्वारा दी गयी शिक्षा से ही मुझे कृष्ण की ओर जाने की प्रेरणा मिली हे । मैं जब भी मंदिर आकर प्रभु जी से बात करता हूँ , तो ऐसा लगता हे कि आप से ही बात कर रहा हूँ । मुझे आप द्वारा जो मिला उसके लिए मैं आपका बहुत कृतज्ञ हूँ । और आप आगे भी मुझे इस पथ पर आगे बढ़ने कि प्रेरणा देते रहना ।

Dear Srila Prabhupada,

Please accept my humble obeisance to Your golden lotus feet, all glories to You my dear Srila Prabhupada.

First I would like to thank to You dear Srila Prabhupada for giving me this wonderful and peaceful environment and help me to come from dark world to light, which You taught us to follow this enlightened path by removing blindness from our eyes. But now in Your guidance I trying to come in Krishna consciousness and getting association of devotees which help me to continue in bhakti towards our Supreme Lord Krishna. Prabhupada when I was outside of Your hostel/guidance I have no idea how to remember Lord Krishna, but now by chanting 8 rounds daily and by reading Your knowledgeable and spiritual books, I am able to keep Krishna in my mind. Before You Prabhupada, I had no guru so I had no goal but after knowing You, I got a wonderful goal to achieve the grace of Lord Krishna and leave this dark material world. At last, Srila Prabhupada by Your merciful glance this insignificant soul has got a chance to begin its spiritual life. So please be merciful onto me. Hare Krishna!!!

प्रिय श्रील प्रभुपाद आपके चरणों में सादर प्रणाम

प्रत्येक वर्ष आपके दिव्य आविर्भाव दिवस पर मैं आश्चर्यचकित हो जाता हूँ की कैसे आपने सभी भक्तों पर अपार प्रेम और विश्वास प्रदर्शित किया है। आपने भक्तों को एक ऐसी प्रणाली दी है की जिसके कारण वे पुरे चोबीस घंटे कृष्ण भावनामृत में डूबे रहते हैं। इस पूर्ण संसार के रक्षक मैं विनम्रतापूर्वक आपसे यह भीक्षा मांगता हूँ की आप मुझ पर ऐसे ही कृपा बनाये रखे व मेरी गलतियों को माफ़ कर मुझे शक्ति दे की मैं आपका सच्चा भक्त बन जाऊँ। आपके आशीर्वाद के लिए प्रार्थना करता हूँ।

श्रील प्रभुपाद के चरणों में मेरा सादर प्रणाम,

मैं आपको धन्यवाद करना चाहती हूँ, क्योंकि जब से मैं यहाँ से जुड़ी हूँ मेरे जीवन में बहुत परिवर्तन आया है। पहले मेरा मन बहुत अशांत रहता था क्योंकि कई प्रश्नों के उत्तर नहीं मिल पा रहे थे। परंतु मेरे मन के हर सवाल का जवाब मुझे यहाँ मिल जाता है। मुझे यहाँ से एक पॉजिटिव एनर्जी मिलती है, तथा मेरा मन भी शांत हो जाता है। इसके लिए मैं आपको दिल से धन्यवाद कहना चाहती हूँ।

जय श्री कृष्ण चैतन्य प्रभु नित्यानन्द श्री अद्वैत गदाधर श्रीवासादी गौर भक्त वृंद ॥

आदरणीय गुरुदेव श्रील प्रभुपाद जी के चरण कमलो मे दंडवत प्रणाम करती हूँ। मैं गत 2 वर्षों से हरे कृष्ण मूवमेंट के संपर्क में हूँ। इससे पहले मैं भौतिक संसार में लिप्त रहती थी। बस कभी-कभी सेवा कर लिया करती थी पर जब से श्रील प्रभुपाद, आपके चरित्र को समझा है, तब से ज़िंदगी में बहुत से अच्छे परिवर्तन आये हैं।

अगर हम आपके संपर्क में नहीं आते तो हमारा जीवन भी एक साधारण मनुष्य योनि के समान ही होता। जैसे एक पारस लोहे को भी सोने मे परिवर्तन कर देता है, उसी प्रकार श्रील प्रभुपाद वो पारस है और हम एक लोहा जिसे श्रील प्रभुपाद के आशीर्वाद से “Hare Krishna Consciousness” के संपर्क में हमें मिलाया।

यह सब एक गुरु की कृपा के बिना संभव नहीं है, उन्हीं की कृपा से मैं 16 माला जप कर पाती हूँ, और प्रतिदिन धन्यवाद प्रदान करती हूँ।

मैंने मेरे सहपाठी को भी इसके बारे मे वर्णित किया, मैं भी उन्हें अपने साथ Hare Krishna Movement के संपर्क मे लाना चाहती थी, पर जब उन्हें बताया, तो उन्होंने कहा की हमारे जीवन में अभी और भी उद्देश्य है, तब मैंने जान लिया की अभी इन पर कृष्ण की आसीम कृपा नहीं हुई है और इसका मूल्य इन्हें अपना जीवन इन भौतिक संसार की इंद्रिय तृप्ति के बाद में ही समझ मे आएगा। तब शायद इनके पास पछतावे के अलावा और कुछ भी नहीं होगा।

अपने आपको कृष्ण के लिए कैसे पूर्णतया समर्पित किया जा सकता है, यह मैंने श्रील प्रभुपाद के चरित्र से ही समझा है।

मुझे Hare Krishna Movement में लाने का श्रय में मेरे भाई रोहित उर्फ गुड्डू को देती हूँ। और उससे भी बड़ा श्रय मैं श्रील प्रभुपाद जी और कृष्ण को देती हूँ। इतनी असीम कृपा मुझ तुच्छ प्राणी पर करने के लिए।

धन्यवाद

श्रील प्रभुपाद द्वारा बताए गए भक्ति मार्ग को अपनाकर जीवन मे होने वाले उतार-चढ़ाव से किस तरह अपने आप को संभाला जाए इसका ज्ञान हुआ यह मनुष्य जन्म सिर्फ खाने-पीने मौज शौक के लिए ही नहीं अपितु ईश्वरीय भक्ति के लिए भी है।

लगता है की इस जन्म मे ईश्वर की भक्ति आराधना बहुत मुश्किल है परंतु हरे कृष्ण महामंत्र के जरिये प्रभुपाद जी ने ईश्वर भक्ति का बहुत ही आसान मार्ग बताया जिस पर चलकर आप ईश्वर की आराधना कर सकते है एवं जीवन मे मे हो रहे परेशानी से लड़ने की हिम्मत भी मिलती है। हरे कृष्ण मंत्र के जप से एक आध्यात्मिक शांति का अनुभव होता है। और आध्यात्मिकता का होना वर्तमान जीवन मे बहुत ही जरूरी है जो कि श्रील प्रभुपाद जी के बताए गए भक्ति मार्ग पर चलकर ही संभव है।

Dear Gurudev,

Srimad A.C. Bhaktivedanta Swami Srila Prabhupada, Kindly please accept my humble obeisances at Your Lotus feet. It's my privilege to write Your glorification on this auspicious 123rd year of appearance day of Your Divine Grace. Thank You very much for giving me one more opportunity to offer Vyasa Puja offering this year.

Pujya Gurudev, I'm extremely grateful for Your presence in my life. In the earlier days of my life, I knew about Lord Krishna, who is the most desirable Supreme Personality in this world, not only here but also in all the Infinite Universe. Every action of living soul is controlled by Lord Krishna but when You came in my life, I came to know what we are? What we can do for Lord Krishna and for us to make our humble presence in the lotus feet of Krishna. I am very fortunate to have a opportunity to stay in Your home and render services at Lord Krishna and Your divine lotus feet.

Srila Prabhupada, by Your mercy I reached to many sincere pure souls to whom You inspire to serve Krishna. I am following most of the rules and regulations given by You to make our self and every action to be more pure and pure, that we are performing for Lord Krishna. By this I feel myself to be very honest and proud because my human life is used to serve lotus feet of Lord Krishna and You also. Due to this a sufficient part of peace appeared in my life and there is no blameless to anyone because whatever happened in my life, I myself is responsible for that not because of other. This thing I realized when I came to shelter of Your Lotus feet.

Now I understood that by Your causeless mercy upon me, I can make myself to be more and more pure to serve every action for Lord Krishna's Lotus feet. I am doing 16 round of chanting 'Hare Krishna' mahamantra but not with required concentration. I am trying to get more perfection in it so kindly please help me to get this goal and make me more sincere and pure to serve Lord Krishna.

Pujya Gurudev due to undesirable situation in my life sometimes I feel myself to be very weak but in the next moment I realize that if the Lord Krishna is in Your life then there is nothing remaining to have in our life.

I beg pardon for the offences and the disservices happened by me and through me in the service of Krishna's lotus feet, to You and devotees also. Kindly forgive me due to offences against Krishna Maya conditions the living entity and thus one can't understand that absolute truth and Krishna also.

Srila Prabhupada, please bless me the spiritual strength and intelligence to accept and understand the instruction of my Lord Krishna and follow them. Please bless to make myself to be more and more spiritualize to serve Lotus feet of Krishna and I am always trying to make myself more Krishna conscious and please bless me that every seva performed by me in lotus feet of Lord Krishna is accepted by Him and I always want to be engaged in the Lotus feet of Krishna. Please forgive me for any offences committed knowingly or unknowingly at Your lotus feet and lotus feet of Krishna and please keep me always under the circumference of Your disciples, to make me more close to Your Lotus feet

Please bless me to do chanting with required concentration and without any offence. In the last but not the least I want to say -

"भौतिक लालसा न करे परेशान
साधना भक्ति में मगन हो जाए ध्यान ।
जीवन भर सेवा का दे दो आशीर्वाद
विश्व को बचाने वाले जय हो श्रील प्रभुपाद " ॥

Thank You so much Srila Gurudev Prabhupada for Your blessings and accepting me at Your divine lotus feet.

Dear Prabhupada,

Please accept my humble obeisance. I am writing to You for the first time and I am so excited and happy to have this opportunity for You. Prabhupada, Your teachings have shown me a clear path to lead this life, opened my eyes and removed the darkness of ignorance and showiness. I feel very close to myself now and need to recap but when I do it shows nothing but only darkness and shadows that I cannot recognise. Please help to come out of this darkness. You are an ocean of mercy and forgive people who are in ignorance like me, thank You for providing shelter in Your lotus feet however I have nothing to offer You but a promise to follow the directions and teachings by You and spread awareness for the same to this human community whosoever I get in touch with..earlier Krishna was just a name of Demi-God for me but today I realise it is not only a name but it is a strong desire, feeling , courage , connectivity and craving to meet God.

Krishna is the cure to all pains and shape of a new happy world for an individual. Chanting Krishna's holy name helps me to gives me eternal happiness by taking me to a spiritual level by removing my fears and helps me in gaining more knowledge and courage to contribute more and more for this divine movement. Please forgive me for my mistakes and direct me to lead a smooth and peaceful life. Thank You for visiting this earth and touching our lives.

श्रील प्रभुपाद के चरणों में सादर प्रणाम,

प्रभुपाद जी ने जिस महामंत्र को प्रसारित किया है, उसके जप करने से मुझे मानसिक और शारीरिक रूप से शांति मिली। मैंने जाना कि जप क्या होता है, हरिनाम हर समय मेरे मुख में रहता है। जीवन में, मैं कृष्ण सेवा में ही लिप्त रहना चाहती हूँ।

मुझे जीवन के वास्तविक सत्य का भी बोध हुआ है। जीवन जीने की कला का पता चला। कोटा सेंटर में प्रभु के सानिध्य से गीता के सार को भी समझने का प्रयास कर रही हूँ। अभी बहुत लंबा रास्ता तय करना है। और बहुत कुछ सीखना भी है।

गीता जो पूर्ण ज्ञान से परिपूर्ण है उसके कुछ श्लोको को ही जान पाई हूँ। रविवार का इंतजार रहता है यहाँ आने का। कृष्ण संकीर्तन में हृदय प्रफुलित रहता है। My son Daivik is also coming to center and we felt drastic change in him. और मैं आभारी हूँ अपने पति विशाल की जो हमेशा मुझे यहाँ किसी भी परिस्थिति में लेकर आते हैं। सर्व प्रथम हमने जिज्ञासा अटेंड किया था, और हमें इस मूवमेंट से जुड़ने का मौका मिला।

जीवन में बस कृष्ण सेवा में जीवन व्यतीत करना चाहती हूँ, और उनकी सेवा का लाभ लेना चाहती हूँ। मैंने एक चीज़ और महसूस की है कि जब से मैंने 16 माला जप किया तो भगवान से कुछ चाहा लेकिन वो पूरा नहीं हुआ तो मायूस हुई लेकिन कुछ समय पश्चात पता चला कि कृष्ण ने मेरी इच्छा तो पूरी नहीं की लेकिन उन्होंने कार्य सही किया क्योंकि हमारी इच्छाएँ गलत हो सकती हैं, लेकिन कृष्ण से कभी गलती नहीं होती। उन्होंने जो दिया वो सही था, वो समय आने पर पता चला। कृष्ण वही करते हैं, जो हमारे लिए सही हो, जो हम चाहते हैं वो नहीं क्योंकि वे कभी अपने भक्तों का गलत नहीं करते।

प्रभुपाद जी मेरे जीवन का आधा समय तो इस भौतिक जगत में ऐसे ही व्यर्थ निकल गया, मगर जब से हम इस कृष्णभावनामृत संघ से जुड़े हैं, तब से मुझे बड़ा ही अच्छा लगने लगा है। मुझे आपकी बुक्स पढ़ना अच्छा लगता है। हमें इस संघ से जुड़े 5-6 साल हो गए हैं, लेकिन पहले माला करते थे तो कभी कभी गेप आ जाता था लेकिन अब नियमित रूप से जप करती हूँ। प्रभुपाद जी आपने बड़ी दया की है हमारे ऊपर जो आपकी और आपके भक्तों की सेवा का अवसर दिया है। मुझे सेवा कर कर बड़ी खुसी मिलती है। बस यह दया बनाये रखना। यह आपकी कृपा है जो मेरे इस भौतिक जगत में कृष्ण भक्ति की ओर आप जैसे गुरु के मार्ग दर्शन में आगे बढ़ी और अब मैं अपना सम्पूर्ण जीवन वैष्णव और पूर्ण पुरषोत्तम भगवान श्री कृष्ण की सेवा में समर्पित करना चाहती हूँ। प्रभुपाद जी आप हमेशा अपनी असीम कृपा बनाये रखना, अगर कुछ गलती हो जाए तो क्षमा करना, प्रभुपाद जी आपने तो इतना दिया है हमको जिसे हम शब्दों में बयाँ नहीं कर सकते, आप बहुत दयालु हैं। जय प्रभुपाद !

Respected Srila Prabhpada,

In past I read so many books on Lord Rama and Krishna which told us about their heroic deeds and their pastimes but it was like reading history subject. It was only after reading Your books and listening to Your lectures did I realize that Lord Rama and Krishna were more than Super heroes of Religious stories. First of all I realize that Krishna Consciousness gives us fearless life, it decreases stress and gives us strength. Whenever I have any confusion or feel suffocated Your sermons show me the way and give me clarity of thought. Your lessons on Bhagavat Gita guides us how to act and behave in different complex situations. Your words give us mental strength, peace and stability. Anybody who is following Your instructions is bound to have a healthy mind & body. Certainly the entire Krishna Consciousness Movement started by You is a boon to the society and this will certainly help in eradicating various social evils like – Terrorism, Corruption, Hunger, drug addiction, gambling, rape, child abuse, bribery, cruelty towards animals etc. I pray to the all mighty that Your name be remembered till eternity and the Hare Krishna Movement reach far and wide to every corner of the world. Shat Shat Naman.

Dear Srila Prabhupada,

Please accept my very humble obeisances at your lotus feet. All glories to you. You have mercifully delivered to all the suffering humanity, the most sublime message of Lord Chaitanya Mahaprabhu of complete surrender to Lord Krishna. You have simplified the essence of the entire vedic knowledge and presented it in a most simplistic, yet authentic way. The whole world is completely under the darkness of ignorance, suffering the pangs of material miseries life after life. Yet most of the conditional souls don't even consider this fact even after obtaining this extremely rare human form of life. So, there is no ray of hope for such deluded people unless they receive the causeless mercy of a pure devotee like you. So, only a Mahatma like you with such an extreme magnanimity and compassion would consider to take so much trouble at such an old age, in order just to raise fallen people from the gutter of material life.

You cultivated the Krishna consciousness in such downtrodden people with such enormous patience tolerating all the stupidity and rebelliousness of the people. You have given us our life back. Srimad Bhagavatam compares the breathing of people without Krishna consciousness to the air coming out of blacksmith's bellows. So, it is really impossible for my intellect to appreciate and comprehend the life which you have given us all due to your causeless mercy. Yet, I am glad that I have recognised my own limitation. Please shower your complete mercy upon me so that I do not think about anything, but your service, I don't try to follow anything, but your instructions in its entirety, I don't engage my senses in anything, but in satisfying the senses of your beloved Lord Krishna. This alone would be the greatest benediction which I could possibly think of obtaining anywhere. Please shower your mercy upon me so that I constantly pray only for your mercy sincerely with my heart. As it is mentioned in Guru Vandana, Your mercy alone can bestow all the spiritual perfection. May you accept this humble offering forgiving all my offences at your lotus feet.

Yours humble servant,

Dear Srila Prabhupada,

Please accept my humble offering to you on this auspicious day of your vyasapuja. I was always intrigued about who and what lord krishna is all about. And I sought to get an essence of him from anywhere I could. I knew that one important book could show me the way but never have I thought that Bhagavad Gita would become such an indispensable part of my life. Though it is difficult for my mind to grasp some aspects of the gita, I could still feel the auspiciousness of those divine words which I could hardly express to anyone. I am eternally thankful and indebted to the great teacher Srila Prabhupada for his extraordinary commentary on Bhagavad Gita and for bringing a positive light unto the millions of devotees like myself.

All glories to Srila Prabhupada,

Please accept my humble obeisances on this auspicious occasion of your Vyasa Puja.

A C Bhaktivedanta Swami Srila Prabhupada, the name which has greatest impact on my life, completely transformed me. I don't know what I did in my past life, your unconditional blessings upon me makes me feel so special as I know how precious it is. I feel so blessed as you are constantly being in touch with me in the form of your writings and lectures. One who doesn't make use of this highest knowledge is a greatest loser. You live in your books and whenever anyone reads it, is personally in association with you and you are the one who guided me all my way till this day since I was in touch with you. In this process of self realisation and Bhakti I want you to be with me till end as this process is completely full of obstacles, I want to take shelter of your lotus feet and that's the only thing that can help anyone cross this material ocean, as I am still in trouble following your guidelines I beg you for your remembrance every time I feel low and become victim of Maya as your lotus feet is the source of spiritual realisation and please bless me not to forget you and your teachings. Even though I am struggling so much chanting 16 rounds, following principles and guidelines, dedication through struggle is the only thing that I can give it back to you and please accept this struggle as my offering.

It is impossible for us to go in the path of Bhakti without you and to attain Krishna Prema so I beg you to be with me in this whole process and You are my GURU life after life. I can't imagine my life without you, I love to take struggle for you following your principles and to please you has become my goal of life in this process. For that, I will constantly try to improve myself and evolve as a good devotee by constantly increasing the level of devotion towards you and Krishna.

Thanks for showing this unconditional blessings on me and that makes you my spiritual father and mother, and on this occasion of your appearance day please take this small offering, as this is my respect towards you. Hare Krishna

Dear Srila Prabhupada

Please accept my humble obeisance. All glories to Srila Prabhupada. All glories to you on this auspicious day of your vyasapuja.” It is with my utmost happiness I offer my respectful obeisances to The Supreme Personality of

Godhead. I offer my respectful obeisances to Lord Chaitanya Maha Prabhu. I offer my respectful obeisances to His Grace Srila Prabhupada!!!

From the time when I first visited Iskcon Folk Hostel as a student to where I'm currently, I have always been grateful for throwing light on me and enlightening me with the Absolute Truth. It all happened because of Srila Prabhupada and his compassion on lost souls like us. I was always curious to watch, listen to Bhagavad Gita and Bhagavatam stories but never actually understood the real meaning until I read Srila Prabhupada's books. Although I'm still in a line far way from understanding all the scriptures, I'm fortunate to receive the knowledge that makes me curious to know more. That's the beauty of Krishna Consciousness. Thank you Prabhupada. For a completely selfish soul like me, it was hard to understand and accept the Absolute Truth. But today I'm practising Krishna Consciousnesses with my whole heart because of your mercy upon me and many more. In my life, wherever I'm whatever I do, I promise I will chant Hare Krishna Maha mantra and remember the Holy name.

My life was all mundane and directionless, going on as per the routine, involved in sense gratification but after coming into Krishna consciousness and realising its importance, my life is filled with happiness, love and confidence. Whenever I feel low or when I'm in bad situations, just by chanting "Krishna" the holy name and one round of Hare Krishna Maha mantra I would feel happy and connected with the Lord. Thank you Prabhupada for showering your compassion on me and many more and leading us to the path of righteousness and filling our lives with real happiness. As a professional, it is my duty to work in a company and yet as your eternal servant it is also more important for me to follow your instructions. I feel the same in all my happiness and in distress. I chant my rounds of Hare Krishna Mantra in all conditions and I'm always indebted to receive the spiritual knowledge from you. Your books make my life easy and your answers to many of life's questions make my day happier and easier. Thank you Prabhupada. I promise I would never ever come out of Krishna consciousness and always be grateful for receiving it. From your humble and forever indebted servant, submissively requesting you to help me remain as your representative following your orders and practising Krishna consciousness eternally.

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet, Prabhupada, you have blessed us with your causeless mercy, you have showed us the right path in this age of kali. We all knew that we do not deserve this blessing, still you have showered your blessing. yet we need strength to follow your instruction. I am a fallen soul, i get easily bewildered by the blow of Maya. I have strong desire to serve you by following your instruction & eventually joining your mission to spread message of Bhagavat Gita.

Prabhupada, I am a beggar & will keep on begging to get your blessing to serve you. kindly bless us to follow your instructions. help us to follow four regulative principles, eat food only after offering to the lord and specially help us to chant daily 16 rounds with proper attention. Dear Srila Prabhupada ,

Please accept my humble obeisances at your divine lotus feet.

All glories to you on this most auspicious appearance day of your divine grace.

It is because of Srila prabhupada, you that I have learnt the greatness of our ancient culture and practices . The beauty of the lords pastimes were never felt with a realistic feeling until heard from prabhupada's books . The value and purpose of life has become so clear that it is pure logic and fully practical that Life beyond death and GOD exists . Srila Prabhupada's life story of even one page is so inspiring in my life that , it actually helps us to see life in a much better way .

Talking about past times and about Lord to anyone is so pleasing . This mercy and grace of our spiritual master is the best thing to human society . Even seeing a picture of Lord Chaitanya Mahaprabhu or Krishna always brings a feeling in our hearts , all because of Prabhupada . I tell many of my friends of iskcon temple . I take part in also spreading the awareness of the Akshay Patra Foundation .

Jai Srila Prabhupada

Begging to remain under the shelter of your lotus feet at all times and aspiring to be Your humble Servant,

Your Servant,

Bhaktha Sai Harshavardhana.

Bhakta Saidatta

Dear Srila Prabhupada,

Please accept my humble obeisances,

All glories to Srila Prabhupada. All glories to You on this auspicious day of Your Vyasa puja. Thank you, Prabhupada for being with us in the form of your books and giving us the immense spiritual knowledge of Vedas and in a consolidated manner so that even a layman can understand. You are the only one who made us understand that we are suffering and not only have shown us the goal but also have shown us the path to achieve it. It has been a rough spiritual journey in the past couple of years after coming out of college, It is only because of Your mercy that I was able to follow some of the instructions. It is only because of the constant support of Your institution that I am continuing my spiritual journey even though, at a low pace. O Prabhupada!, Please be merciful unto me and bless me with the strength to counter Maya and follow your instructions.

Always at your service,

Bhakta Sai Datta.

Bhakta Ujwal

Dear Srila Prabhupada,

All Glories to Srila Prabhupada,

I would like to express my gratitude to Prabhupada for guiding me in spiritual path through ISKCON, Without the knowledge and opportunities for seva provided by Prabhupada through temple. I would be in complete ignorance and would not be in a position to understand the purpose and value of the life and impotence of Krishna consciousness in life. I would like to take a commitment to chant 8 rounds a day and read Prabhupada books for 30 minutes everyday and offer my obeisances to Prabhupada.

Yours Eternal Servant

Bhakta Ujwal.

Bhakta Vamshi Krishna

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet. All glories to you on this auspicious day of your *vyasapuja*. It is just because of your causeless mercy Prabhupada, that I came in touch with this Hare Krishna movement 4 years back. Association of devotees is the most wonderful thing I ever had in my life. Even though I haven't seen you physically in this

world but your presence is strongly felt through your books and Krishna consciousness activities wherever happening. The books of your divine grace are the invaluable gift to the mankind. Wherever I am, I can constantly feel your association just by reading your books.

Dear prabhupada, I humbly beg your mercy to help me continue practising Krishna consciousness and grant me service for quick advancement of the same.

Yours Eternal Servant,

Bhakta Rudra Vamshi Krishna.

My dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet. All glories to Srila Prabhupada.

Srila Prabhupad ki Jai. I am really ignorant of what pious activity done in my previous life has brought me in connection with your lotus feet in this life, but I am very grateful to you for making me do that and bringing me to your service. Through this vyasa puja offering, I would like to express my gratitude for all the blessings you showered upon me to guide me through this path to Godhead. I thank you for giving me that extra energy everyday to complete my chanting rounds for the day and guarding this fallen soul from falling prey to the traps of maya, day in and day out. Without your guidance, I would be left lonely with no direction in this material world. Begging to remain under the shelter of your lotus feet.

Aspiring to be your humble servant,

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet. Today is a very auspicious day for me to express my gratitude to you. This ceremony comes once in a year, but I cannot completely glorify you even if I do so continuously for many years, because it is not possible to understand the mercy of a spiritual master. I am a fallen soul completely absorbed in materialistic like, always struggling for maintaining my false existence, always wanting

some illusory material pleasure which is non-permanent and always desiring to be in illusion. In spite of having all these anarthas, how can I understand that this material world is actually not a place for me to live? But by the causeless mercy of Krishna somehow or other you have come in my life and have given me transcendental knowledge. This is your causeless mercy and nothing else. I can never repay you for your causeless mercy. I am eternally indebted to you. This is actually the second birth for me. Everybody takes birth from his mother that is called first birth but if someone gets the mercy of a spiritual master then it is called a second birth.

Without a spiritual master there is no hope in this material world, one has to undergo continuous cycle of birth and death. Only by the mercy of a spiritual master like you, one can realize that this material happiness is actually not happiness.

So my dear spiritual master Srila Prabhupada I request you sincerely to shower your mercy upon me eternally so that I can follow your instructions nicely. Please give me spiritual strength so I can enthusiastically be an instrument in your divine mission. Maya is very strong, it can come in any form or in any way, so I want protection from you. Please give me the shade of your Lotus feet so I cannot be touched by Maya in any way.

A humble servant of your Lotus feet.

Dear Śrīla Prabhupāda,

Please accept our humble obeisances in the dust of your lotus feet.

*om ajñāna-timirāndhasya jñānānjana-śalākayā
cakṣur unmilitam yena tasmai śrī-gurave namaḥ*

I offer my respectful obeisances unto my spiritual master, who has opened my eyes, which were blinded by the darkness of ignorance, with the torchlight of knowledge.

*nama om viṣṇu-pādāya kṛṣṇa-preṣṭhāya bhū-tale, śrīmate bhaktivedānta-svāmin iti nāmine
namas te sārāsvate deve gaura-vāṇī-pracāriṇe, nirviṣeṣa-sūnyavādi-pāścātya-deśa-tāriṇe*

I offer my respectful obeisances unto His Divine Grace A.C. Bhaktivedanta Swami Prabhupāda, who is very dear to Lord Kṛṣṇa on this earth, having taken shelter at His lotus feet.

Our respectful obeisances are unto you, O spiritual master, servant of Sarasvatī Gosvāmī. You are kindly preaching the message of Lord Caitanyadeva and delivering the Western countries, which are filled with impersonalism and voidism.

Dear Śrīla Prabhupāda,

I am the most fallen soul trying to come out of the mode of ignorance. Please help me to get out from this deep well of ignorance created by Maya.

There are so many mayavadi philosophers who put forward many incorrect argument about God, but your arguments are so power full that it at once demolishes their philosophy of mayavada. After getting knowledge from you, I am able to understand that you have saved me from mayavada philosophy.

I am very much thankful to you for being merciful upon me. I make many mistakes but you always ignore my mistakes and help me in making advancement in my spiritual life throw your books, lecture and devotees.

I seek your mercy on me so that I may become your pure devotee. I am living in the darkness of ignorance. I can't understand your mercy but have faith in you. You are the right person who is bringing success in everyone's life. You are helping me in realizing the importance of living in the association of devotees.

Srila Haridasa Thakura who is an advanced devotee would sit alone and chant Hare Krishna for long time. I also thought of imitating Haridasa Thakura. You have taught us that we have to practice sadhana bhakti and work hard for pleasing Krishna and in this way gradually become free from all anarthas and become pure.

You sacrificed everything for Kṛṣṇa! You tolerated every painful situation to please your spiritual master to save us from hellish and suffering!

All glories to you, Srila Prabhupada, the savior of the whole world!

Your fallen servant

These are your twenty six qualities. And if one wants to become a devotee he should follow your instructions. You are always present with us by your books, your lectures, your songs, and your pastimes.

For doing devotional service to Krishna one should approach a bona fide spiritual master. Without the mercy of Krishna one cannot get a bona fide spiritual master and without the mercy of bona fide spiritual master one cannot get a devotional service of Krishna. So by the mercy of Krishna I got you as bona fide spiritual master and only you can give the Krishna prema.

You have established such a nice Krishna Consciousness society. By this everyone can become a Krishna conscious and make his life successful. You are a great vaishnava and you are not affected by the three modes of material nature that's why you went in foreign land where people were all hippies. And by your grace all hippies become happy.

You propagated Lord Sri Chaitanya Mahaprabhu's mission very enthusiastically and you are very determined for this mission. By your determination and your tapasya, this Krishna Consciousness is propagating all over the world. By this Millions of people are getting the devotional service to the Krishna.

I request you to kindly give me your association always, so that I may always remember you and Krishna.

परम पूज्यनीय श्रील प्रभुपाद,

व्यास पूजा के इस पवित्र अवसर पर आपके चरणों पर कोटि कोटि नमन,

हमारे जीवन में गुरु का महत्व, भगवान की भक्ति, सच्चा ज्ञान क्या है आपके आश्रय में आ के पता चला. इसके पहले गुरु शब्द तो पता था लेकिन न तो गुरु परम्परा और न ही कृष्ण भक्ति का अनुभव हुआ था, जैसे जैसे आपकी की छोटी छोटी पुस्तकें और श्रीमद् भगवद्गीता पढ़ रहा हूँ जीवन जीने का तरीका समझ में आ रहा है. आपके के सानिध्य और आशीर्वाद से जीवन में आध्यात्मिक और परम लक्ष्य की ओर जाने का अनुभव हुआ है और आपके ज्ञान प्रकाश से सम्पूर्ण तमस दूर हो रहा है, आपके सानिध्य में रहकर हरिनाम सकीर्तन करने से हृदय शुद्ध और निर्मल हो रहा है,

आपकी कृपा से आध्यात्मिक और जीवन के परम लक्ष्य की अग्रसर है,

आपका कृपापात्र,

परम पूज्यनीय,

प्रिय श्रील प्रभुपाद जी,

हरे कृष्ण

सर्वप्रथम मैं आपके चरण कमलों में सादर प्रणाम करता हूँ। मुझे आपका सानिध्य 02/10/2016 में प्राप्त हुआ। मैंने अपने मार्गदर्शक श्रधेय श्री शुकदेव दास प्रभु जी के माध्यम से आपके दर्शन तथा महत्वपूर्ण ग्रन्थों को प्राप्त किया। इससे पहले मेरे पिता जी के द्वारा लायी गयीं आपकी श्रीमद् भगवत गीता, श्री कृष्ण एवं अन्य पुस्तकों की प्रतियाँ घर पर उपस्थित थीं, ये सब मेरे पूर्व जन्मों के समस्त पुण्यकर्मों तथा भक्तों के संग से ही संभव हो पाया। आपकी शरण में आने के पश्चात् जीवन में एक प्रभावशाली परिवर्तन आया। जिन व्यसनों, अनैतिक कार्यों, कुमार्गों को त्यागने तथा सुधारने में संपूर्ण जीवन भी कम पड़ जाये उनको आपके अमृत शब्दों तथा दर्शनों ने एक क्षण मात्र में संभव कर दिया, ज्ञात ही नहीं हुआ की जीवन कब सन्मार्ग और सात्विकता की ओर उन्मुख हो गया। मेरा आपसे एक विनती है: "हे गुरुदेव आप मुझ पतित आत्मा पर अपनी कृपा दृष्टि बनाएं रखे ताकि अभी मेरे हृदय में जो अनर्थ और कुविचार शेष बचे हुए हैं वो दूर हो और मैं कृष्णभावनामृत में निरंतर उन्नति कर सकूँ और अपने जीवन के वास्तविक लक्ष्य को प्राप्त कर सकूँ।"

आपका दास

I am very fortunate to have the association of you and your disciples. And whatever progress I have made towards Lord Krishna till now is only because of you and with your blessings. Due to your unlimited mercy we know the goal of our life. My only desire is to increase my reading habit and atleast make the people around me interested in Krishna consciousness.

My Dear spiritual master I have only one request, please give me some strength for increasing my knowledge and grasping power so that I may adherently follow the regulative principles and chant 16 rounds of the Hare Krishna Maha Mantra.

I always thankful to you for giving me Krishna consciousness at this early stage of my life.

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet.

I lost your shelter and care because of my offenses unto you and the Vaisnavas. I am so wretched and unfortunate that I couldn't satisfy you and fell back to the material world. I had no faith in Krishna in fact I didn't even know that there is a Supreme Personality leave alone walking all the way to spiritual life. It was you who taught me the Supreme science and gave a glimpse of spiritual life even though I never deserved it.

I don't deserve to ask your favor but because you are extremely benevolent and munificent, I plead you to take me back in your shelter. I myself have no strength even to utter Krishna once and without your causeless mercy I can not fight Maya.

I beg you to empower me to follow your instructions diligently in all circumstances. I beg you to empower me with strength to imbibe in my words thoughts and action, whatever little values and lessons I have learnt from You and the glorified Vaisnavas.

I hereby seek your forgiveness, which I don't deserve, for not being able to serve you as a full time missionary. I seek forgiveness of all the Vaisnavas whom I have ever offended by my words thoughts and action.

Dear Gurudev waiting for your causeless mercy to attain a state of loving service unto your lotus feet in the association of Vaisnavas.

Yours insignificant unfortunate faithless servant,
