By your Mercy I got many realizations in Krishna consciousness. Every time I am feeling so many changes in my heart. If I compare myself when I took your shelter to till now I found so many changes in my life. All due to your Mercy.

When particular service was assigned to me specially LLP service. I saw your blessings. Even though I am not able to preach because of so much contamination still people are becoming favourable by your grace.

Similarly in calicut folk also I did not put my effort and we got good boys. So my humble request unto your lotus feet that please bless me so that I can engage them in Krishna's services nicely.

Please guide me in every step.

So I am seeing that you would have done all the services but you left for your disciples because you wanted to engage your disciples in Krishna's services and all credit you are giving to disciples.

I am not qualified to become your disciple but it's your causeless Mercy that you accepted me as your disciple and engaged me in Krishna's services which is very difficult to get even for demigods otherwise I would have been materialistic person. It's all due to your Mercy. It shows that how merciful you are.

I realized that how important prasadam is when I went to char dham. Continuously for ten days I did not take prashadam and consciousness was getting change. You made me so fortunate that everyday I am getting prasadam so I saw how prasadam affects our consciousness.

Similarly your blessings in my sadhana part also. I am attending sadhana everyday without fail means only due to prayer unto your lotus feet. You are so merciful that simply by prayer only you fulfil our desires related to Krishna .

So please always bless me so that Maya can't enter in my mind and intelligence etc.

Please Prabhupada bless me and help me in book reading also so that I can do reading nicely.

So it's my humble request unto your lotus feet and bless me Prabhupad and forgive me to all the offenses which I have committed unto you and all vaisnavas.

Yours useless servant,

Kamal nayan Krishna dasa.

Nikhilatma Dasa

All glories to my spiritual master! All glories to saviour of mankind from nescience of darkness! All glories to my spiritual master who out of his causeless compassion has come down to this planet to save us from evils of kali yuga. And yet inspite of showing such mercy and compassion I must admit Srila Prabhupada that I am so fallen that I am unable to even hold the mercy which you have shown on me. It is only because of you that I have even come to know of spiritual life. This year had been an year of turbulence and I had the opportunity to experience the extra ordinary mercy of your divine self. Though the turbulence had been huge you have saved this fool from falling in to ignorance. I remember I had once read in your book that Guru forgives his disciple and is very patient with him this is absolutely true in my case Srila Prabhupada.

It is told in shastras that

*yasya prasada bhagavat-prasado, yasyaprasadan na gatih kuto 'pi
dhyanam stuvams tasya yasas tri-sandhyam, vande guroh sri-caranaravindam*

By the mercy of the spiritual master one receives the benediction of Krishna. Without the grace of the spiritual master, one cannot make any advancement. Therefore, I should always remember and praise the spiritual master. At least three times a day I should offer my respectful obeisances unto the lotus feet of my spiritual master.

So I beg my spiritual master not to reject me as I will have no place and cannot make any advancement if you do so. It is also told

*jogyatā-vicāre, kichu nāhi pāi, tomāra karuṇā-sāra
karuṇā nā hoile, kāndiyā kāndiyā, prāṇa nā rākhibo āra*

If you examine me, you will find no qualities. Your mercy is all that I am made of. If you are not merciful unto me, I can only weep, and I will not be able to maintain my life.

This is absolutely true in my case Gurudeva. Your mercy is actually maintaining me my Gurudeva. It is your mercy that you have blessed me with a devotee family so that we can progress together collectively against the harsh and punishing winds of the material world. I beg your mercy to please guide me to follow the spiritual path properly as I have not been able to do so and forgive me even though I do not deserve it.

And also I pray to you my father that I may always remember your divine self and lotus feet of Krishna regardless of the various species that I may enter life after life as I am the most unfit disciple of your grace.

I also pray that all members of our family may progress in spiritual life by your grace and also show mercy on parents that they also become devotees and render service at your lotus feet.

I also have a specific desire to serve your grace in a particular way which you know, if you think it is feasible let it manifest if you so desire.

LO AND BEHOLD!

Lo and behold my Spiritual Master

Who is pure and bright with a brilliant lustre

Who has an aura of million suns

With whose sight living entity's life turns

Who has given us the greatest treasure

Called Hari Nama whose strength is without a measure

You can count on it I bet

As it will make you cross the cycle of birth and death

Spiritual Master is such an amazing soul

Who will make you devotee even if you are now at foul

He has a smile which is oceanic

Which will make your life frolic

I always pray to my spiritual master

To keep me under his shelter

To make me remember

About the Krishna who is the Supreme father.

Your most insignificant disciple,

Nikhilatma Dasa.

Radha Jivan Dasa

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to you Prabhupada.

Kali yuga is the most degraded and fallen age. You are the most magnanimous and kind hearted person, that is why Krishna has chosen you for delivering the fallen souls of this age. Because raising people from the most fallen state to highest state of Krishna Consciousness is an impossible task. Only by your mercy, this can happen.

With the development of my understanding of Krishna Conscious life through your teachings, I can see how much degraded and sinful I am by my thoughts, actions and words. Otherwise, I was thinking I was perfect and very righteous person. Now, I feel I am very far away from the standard of Krishna Conscious life and I have absolutely lost all faith in myself. My only hope and faith is in your Divine Grace Prabhupada. I thank you so much for bringing this change in me and accepting this wretched and sinful soul as your disciple.

I have a great task ahead of my life: to purify myself more and more so that I can serve you and Krishna nicely. I feel distracted and discouraged sometimes but by reading your books and chanting Hare Krishna mantra, I feel rejuvenated and inspired once again. The genuine love and compassion in your person attracts me and it inspires me to go on in spiritual

life. Your books, conversation, lectures and letters form the library for spiritual life and a ray of hope for the misdirected and fallen civilization of the modern world.

I was strolling here and there in this world sometimes happy sometimes sad, I thought life is pointless and aimless, but this created vacuum in my consciousness and I was not knowing what to do in life just whiling my time away. There was no one whom I knew could fill this incompleteness which was pushing me into deeper and deeper frustration. At this point of my life somehow or other I came across your books and your sincere disciples which created a revolution in my life. I take this as your causeless mercy on me and I am eternally indebted to you for pulling me out of this darkest existence.

I am still very inexperienced and immature in Krishna conscious life and I have not fully understood your glories. Please forgive me if I have done any offenses in my behaviour and etiquette.

Yours insignificant disciple,

Radha Jivan Dasa.

Radha Vallabha Dasa

Jagadguru Srila Prabhupad ki jai

Dear Srila Prabhupada.

Please accept my humble obeisances.

All glories to Srila Prabhupada. All glories to you on this auspicious day of your Vyasapuja.

Hare Krishna Hare Krishna Krishna Krishna Hare Hare

Hare Rama Hare Rama Rama Rama Hare Hare.

Yet one more year passed in your home ISKCON. Somewhere it is said that Devotees are more merciful than lord himself, similarly Krishna doesn't want me to stay here, but it is your causeless mercy has kept me here.

Whenever I feel slackened in my spiritual life your lecture gives me strength to keep moving on the path of KC.

ONE OF THE LECTURES YOU SAY LIKE THIS

The whole history of the world, you just study, is a history of sense gratification. Just take, for example, some twenty years ago one Mr. Adolf Hitler came in the scene, and there was great upheaval as war in Europe and America. From 1933 to 1947 or something like that, the whole world was in trouble.

But he is gone, finished. And what did he do? Sense gratification, that's all. He wanted that this way government should be, according to his own sense. Another person, just like Mr. Churchill or your President Roosevelt, they said "No. The sense gratification should not be like that. The sense gratification should be like this." (laughter)

So it is the war of sense gratification, that's all. One leader is presenting a program of sense gratification, another leader is presenting another program of sense gratification, and there is clash. This is going on. This is the history of the world.

And another class, they are thinking "Oh, there are so much trouble simply for sense gratification. Let us control our senses." Brahma satyaṁ jagan mithyā, just like Māyāvādī philosophers, Śaṅkarācārya. They say this world is useless. This world is useless. Only Brahman, the Supreme Brahman, impersonal Brahman, that is truth. That is also another sense gratification. That is bigger sense gratification.

Why? These Māyāvādī philosophers, they want to merge into the existence of the Supreme One. That means by becoming Hitler, Churchill or Roosevelt, their senses were not very much satisfied. "Now," they say, "this world is false. Now let me become the Supreme." That is another sense gratification.

So this world, without Kṛṣṇa consciousness, is simply sense gratification. That's all.

(Lecture, Bhagavad-gita 3.6-10, Los Angeles, December 23, 1968).

So main cause for this material existence is this sense gratification. So I request you to get me out of this vicious cycle of sense gratification.

Previously when I was sick, during that time I started reading your lilamrita. It gave me immense energy to do my services and get out of my sickness. I will be very grateful to you always. Your pastimes are unlimited and each are like nectar.

In Mangalore we are trying to get land and build temple for your pleasure, so I request you to show the mercy.

So on this auspicious occasion I request you to bless me to follow your instruction and always stick to your lotus feet.

Your fallen servant,

Radha Vallabha Dasa.

Rohini Suta Dasa

Dear Srila Prabhupada

Please Accept my humble obeisances unto your lotus feet.

All Glories to Srila Prabhupada

Today again when i sit to write your glorification almost after an year from last Vyasa Puja, i feel how wretched and ungrateful i am. The activity which i should do on day to day basis, I am doing once in a year.

I remember your instruction of being in this ship of ISKCON whose captain is none other than yourself who is leading us back home back to Godhead. I realize in whatever small capacity i could, that yours this single instruction and like this your every other single instruction is fully potent in itself to take us back home back to Godhead. Just by being in your this ship i am getting so many realization of life. By being in your this ship now i have realized that Krishna Consciousness is not mere theoretical knowledge but a practical way of living human life.

Your each and every instruction is like thunderbolt which breaks the mountain of material attachments and desires.

So, I pray to You to place Your feet upon my head and bless me so that i get eternal shelter at the lotus feet of Lord Chaitanya Mahaprabhu. Please use me as an instrument in your hand to spread the glory of Lord Chaitanya Mahaprabhu. I don't have any strength of my own. I'm completely dependent on your mercy.

Your eternal servant,

Rohini Suta Dasa.

Sanandana Dasa

Dear Srila Prabhupad,

Kindly accept my humble obeisances at your lotus feet.

I advancement of disciple in spiritual is solely depends on the mercy of the spiritual master Yasya prasadat bhagavat prasado Yasya prasdan na gati kutopi, there is no other way than this to progress in spiritual life. The spiritual master is like cloud who is showering rains in the blazing fire of material world. So the extent to which we sincerely follow your instructions we get the blessings to serve Krishna. Kindly help me to sincerely follow you at every step of my life .

Your's insignificant servant,

Sanandana Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to your divine Grace.

Thank you for all the blessings that you have been continuously showering even to this most insignificant fallen servant of yours.

When I look back at every single boulder that I seem to have stumbled and successfully crossed over, I sense your careful supervision that saw to it that I made it across safely. Thank you Srila Prabhupada, for everything including the matchless gift of the opportunity to render devotional service unto Sri Krishna.

Please continue to guide me and allow me to remain your eternal servant.

Your most fallen disciple,

*Om ajnana timirandhasya gnanjana salakaya

Srila Prabhupada my respectful obeisance unto your lotus feet.

Srila Prabhupada it is by our causeless mercy that I have got the chance to chant the holy name the Lord(Hare Krishna Hare Krishna Krishna Krishna Hare Hare Hare Rama Hare Rama Rama Rama Hare). Please give me strength to continue the chanting process eternally. Give me proper intelligence so that I will never forget your lotus feet. Gurudeva I am able to realize that by your ocean of mercy I am able to remain Krishna Conscious. Prabhupada by your mercy I am getting my material needs of the body. By your mercy I am able to understand the value of human life which is meant for reviving dormant Krishna Consciousness. Otherwise I would have wasted this life in vain pursuit of sense gratification and glide down to hell and lower species of life. By your mercy I have been saved. By your causeless mercy only one can get detached from material attractions. I am very weak in spiritual life due to my inability to follow your instructions, please give me strength to follow your instructions. So, that I can remain aloof from material attractions.

By your kindness I am able to receive the transcendental knowledge in the form of your lectures and books and your devotees association. Your books are the only hope for suffering fallen conditioned souls to get out of the material darkness and see the spiritual perspective of human life and become free from the forest fire of material existence. By reading your purports of Srimad Bhagavatam one can understand the glories of Lord Sri Krishna and become attached to him. Srila Prabhupada it is by your hard struggle that today there are many ISKCON temples and devotees all around the world. And by reading your books many people are becoming devotees. All glories to your transcendental writings.

Please give me the opportunity to render service to your Hare Krishna Movement. Please save me from falling down into dark well of material life. Please give me the chance to associate with your devotees. Please make me your humble servant. Please give me shelter at your lotus feet.

Yours aspiring servant,

Vishnu Pada Dasa.

Bhakta Balkrishna Rai

Dear Srila Prabhupada,

Thousands of Panamas at your lotus feet.

Accidentally , I started visiting Iskcon Temple about eight years ago, and by your grace I got introduction to Bhaktiyoga, by your blessings. Taking Prasadam at the Temple, hearing your lecture, and company of the prabhus , Chanting the sixteen rounds daily ,really awakened my Bhakti path.

Now I have completely stopped non-veg food, I observe the four regulative principles , I don't visit hotels, take only Prasadam at home, and no outside food attracts me.

Controlling the senses is the first thing and for the first time I learnt it from your guidance, but for which it was not possible for me to achieve.

yare dekho tare kaho Krishna upadesha, I am trying to spread your message to one and all my relatives and friends.

It is really true that labha matra Sadhu sangha sarva sidhi hoi. Actually it is the company of the prabhus which keeps us in the right tract.

I beg , Srila Prabhupada to take me to greater and greater heights in the Bhakti path, so that I will not get punar janma ,and get me in your association.

Ever your servant,

Bhakta Balakrishna Rai N.

Dear Guru Srila Prabhupad

Please accept my humble obeisances. All glories to you on this day of vyasa puja.

Dear prabhupada,

Daily I get up at 6am in the morning and after having a complete bath i start chanting hare krishna maha mantra instructed by you in front of lords diety 8rounds, and then I offer flowers to all dieties by doing kirtans and offer some flowers and I do dandavath pranam in front of all deities and later I have some prasadam as my breakfast. Later I go to iskcon temle to do my work service. Before 1 & half yrs ago I was fully depressed, frustated, fearful, angry,greed,false egoistic, not doing any work simply wasting time and doing no prayers this was my daily routine prabhupada.

Later one evening I met my school friend dhiraj prabhu while chanting and I discussed about my meterial problems and he gave solution for meterial problems and the the reason. Later days we met daily and he took me to iskcon temle there i met iskcon devotees they preached me lot about spirituality and aim of our human life and about iskcon and how to elevate soul and bagavath geeta. After hearing about ur sacrifice for krishna and about ur story I really amazed and understand the real aim our human life compared to animals from that day I changed my life style then became devotee of lord krishna. Dear prabhupda its all happened only because of ur mercy and I am very grateful to have teacher like You and its god s mercy. Pls have mercy on me always, and now I am working in and doing service in iskcon mangaluru by mercy and here associatin with all devotees I feel very good. Dear prabhupada pleasehave mercy on me and forgive all my sins and lead me in a good way.

Jai srila prabhupada.Thanking you

Your eternal servant,

All glories to Srila Prabhupada

Blessed by the almighty I was born in a family of devotees where the day starts by worshipping the eternal couple, Radha Krishna. Going to the temple and praying to the Lord, offering food to Him used to be a part of our daily routine. But then sadly no emphasis was given on reading scriptures or to understand Him thru them. This was when I came in touch with Prabhupada's movement at Bangalore in 2001 during my higher studies. That spark left a fire in me to learn which will last a lifetime. Went through regular teaching sessions in the Folk trainings just a kid at the school learns ABC. This was finally when I got a chance to know the Lord, His pastimes and even the reasons behind them. There was a reason for everything. The next 3 years here were to come with such a divine learning experience that will shape me as a person for the rest of my life. No words will ever be sufficient to thank Srila Prabhupada for everything little that I got to learn about the Lord after coming in touch with this incredible organization of his called, Iskcon. It gave a new dimension to my devotion and the way we worship The Supreme at our home. We get to learn from the epic Mahabharata of this greatest teacher ever, Rishi Dronacharya who was given the mighty task of teaching the great Pandavas. However, there came a day when he asked Eklavya to give him his right thumb as a Guridakshina for his archery talent that he had never taught him actually.

He even chose to stand against Krishna during his final moments. And here is Srila Prabhupada, who has taught us everything about Krishna so far, and continues to do so without ever asking for anything in return. Now who is the greatest Teacher ever? Srila Prabhupada has left us with a debt which can never be repaid.

All glories to Srila Prabhupada!

Dear Srila Prabhupada

All glories to Srila Prabhupada

Even though I was not fortunate enough to meet Prabhupada in person, through my association with Iskcon I could always feel his presence. Be it the Rath Yatra Festival or an everyday mangal aarthi, you just cannot leave a Hare Krishna Mandir without meeting Srila Prabhupada.

There's a lot to learn from the life of a person who sailed to the west to fulfil his guru's desire to spread the message of chaitanya Mahaprabhu at an age when the rest of us would retire from our jobs and start being counterproductive.

The journey of building 108 Temples and spreading the "Hare Krishna" Movement around the world was not easy, there were many obstacles on the way, but you completely surrendered to Krishna and performed all his actions as a service to him. You knew Krishna will take care of the rest.

As people say, Compassion is the greatest form of Passion. You went steps ahead giving a way to practice it by saying "if we start seeing this person or soul struggling in their body just way you are, suddenly you will feel like a family and find a reason to love him".

No ordinary person can have such qualities and these are only a couple of qualities in a million qualities I would like to imbibe from him.

Your eternal servant

Bhakta Krishna Prasanna

Dear Srila Prabhupada,

Please accept my humble obeisances

I feel very privileged to avail an opportunity to write a few words on how you Srila Prabhupada influenced me in my life. I was a student of physiotherapy in Mangalore when I came in contact with ISKCON devotees for the first time in 1993. I was raised as a theist with brahminical traditions but had a vague idea about spiritual existence & was unaware of the Divinity of Lord Sri Krishna as the Supreme Personality of Godhead. My first encounter with the devotees was during a fair with book distribution going on & I was attracted by the book 'Krishna The Supreme Personality of Godhead' written by Srila Prabhupada with beautiful green coloured hardbound cover. I was persuaded to chant the Hare Krishna Maha mantra on the chanting beads & was invited to a center nearby. I eventually purchased the above said beautiful book along with a copy of hardbound 'Bhagavad Gita As It Is'. I also received a copy of 'Krishna The Reservoir of Pleasure' as a compliment. Going through the pages of Your transcendental books made me decide to visit the ISKCON center & I know after meeting devotees there, staying overnight & partaking of delicious Prasadam made me visit regularly until I remained a student. I developed a habit of chanting regularly while increasing the number of rounds on a duration basis.

Srila Prabhupada, although after all these years I have not been able to be a staunch devotee or even a proper admirer of you, I must say I have been saved by You in this life from degrading myself into a lower class human & also I feel saved from the possibility of a lower birth in the next life! Your books have always been my guide & my source of knowledge in debating issues of 'Life comes from Life' & off course in refuting the foolish evolution theory that is propagated. You are perhaps the only modern Acharya who made millions like me understand & believe that spiritual existence is real & scientific! I have read your biography in detail before I read Your great work on purporting the 'Srimad Bhagavatam'. At present I am reading 'Sri Chaitanya Caritamrita' Adi Lila which is your Masterpiece.

You are the Spiritual Master of the world 'Jagadguru' in a true sense & like You said You will always be present in Your books!

Seeking your mercy always,

A humble soul offering you Homage,

Bhakta Dr Krishna Prasanna.

Dear Srila Prabhupada,

Please accept my humble obeisances.

All glories to Srila Prabhupada.

I got attracted to the Krishna Consciousness Movement during 1995 and I became a member of the organisation in 2004. Now my wife and son are members and want to do Seva to Srila Prabhupada and Lord.

Total surrender to Guru and Lord, chanting Maha mantra, regulative principles, Vedic period dress, beautiful temples and Alankara, Prasadam, Book Distribution etc attracts me.

On several occasions when I was in distress or upset in my carrier/life the movement has given me shelter courage, in facing challenges. classes in Gita and Bhagavatam gives proper guidance and solution and God realisation. Further in temples an association of good people takes place.

I find in Prabhupada real guru who can guide us to Goloka and avoid rebirth and attain ultimate happiness.

Yours eternal servant

Dear Srila Prabhupada

Please accept my humble obeisance. All glories to you on this day of Vyasa Puja.

As per your instruction I get up early in the morning, between 4.30 and 5.00 am and after having a complete bath start chanting Hare Krishna Maha Mantra. This has been my routine for the past three years.

After chanting about 8 rounds I proceed to our puja room, start cleaning the alter and then decorate the deities and photos with fresh flowers.

Then I and my wife hear the kirtans sung by Stoka Krishna Maharaj while performing the three kinds of aarati. Then it is time to offer morning prasadam cooked by my wife Lakshmi with love for Lord Shree Krishna

Here I am reminded a verse from Narada Bhakti Sutra

Devarsi- bhutapta-nrnam-pitram Na kinkare nayam rni ca rajan

Sarvatmanaya saranam saranyam Gate mukardam parihrtiyakartam

Translation- “Every human being born in this world is immediately indebted to the demigods, great sages, ordinary living entities, the family, society and so on. But a person who surrenders unto the Lotus feet of the Lord and engages fully in His service is no longer indebted to anyone. In other words he has no obligations to fulfill except executing devotional service”.

I would like to quote another verse Narada Sutra

Anyasrayanam tyago anyata

Translation: “Exclusive dedication to the Lord means giving up all shelters other than Him” And I am fond of sutra 4 of Narada Bhakti Sutra which says-

Yat labdhva puman sidho bhavati amrto bhavati trpto bhavati

Translation: “Upon achieving that stage of transcendental devotional service in pure love of God, a person becomes perfect, immortal and peaceful”.

Because of inspiration given by you I have made it a practice to read Shrimad Bhagvatam every day. I am now into Canto 41st part. I also read from Bhagvad Geeta atleast two shlokas before I go to sleep.

Before concluding I would like to quote a verse from Rsab Deva,s teachings

Putrams ca sisyaam ca nrpo gurum va, Mad-loka-kamo-mad anugrahatah

Ittam vimanyur amsisyad ataj-jnam, Na yajayat karmasu karma-mudan

Kan yojayam manujo artham labhate, Nipatayam nasta-drsam hi ante

Translation: “If one is serious about going back home, back to Godhead, he must consider mercy of Supreme Personality Of Godhead, the summum bonum and chief aim of life. If he is father instructing hisson, a spiritual master instructing his disciple, or a king instructing his citizens he must advice as I haveinstructed. Without getting angry he must continue giving instructions , son or a citizens sometimesunable to follow his orders. If one puts into the bondage of karmic activities his disciple son or citizenwho is bereft of transcendental vision, how one will benefit? It is like leading a blind man to a dark welland causing him to fall in.”

On this most auspicious day I humbly beg you to make me worthy of your blessings.

Always seeking the shelter of Your Lotus feet,

Ramakrishna Pai.

Dear Srila Prabhupada,

Please accept my humble obeisances. From Lord Krishna we all have come into being and we all work for Krishna knowingly or unknowingly. I know and have realised that the only purpose of life is to serve Lord Krishna. You, my beloved spiritual master have brought forth an aspiration within me to help to get a permanent abode for Lord Krishna Balaram in Mangalore.

We as your disciples will sincerely try to realise this grand vision with blessings of Krishna and Radha Rani. I bow down to you, Chaitanya Mahaprabhu and Lord Krishna on this auspicious occasion for blessings.

Your servant,

Bhakta Rajshekar.

Bhakta Rama

Dear Srila Prabhupada,

Please accept my humble obeisances.

Although my parents taught to worship Krishna I didn't know how to do perfect seva or why we have to worship Him. Everything was smooth until I got married. Then started misunderstandings and problems, so as everyone do I also started praying to Krishna to remove all obstacles in my life. Then I started chanting Hare Krishna mahamantra as told by one well wisher without knowing its glories. And gradually I wanted to do more seva to Him thinking my material miseries will go away.

So I started praying to Him for guidance to reach a perfect Guru who can teach us about spiritual life. So when accidentally we reached Mysore we didn't know that it was His plan to introduce us to Krishna consciousness and ISKCON. Looking back now I can clearly see how Krishna guided us and I am very much great full to Him that He gave us Srila Prabhupada. I can happily say that our life changed completely afterwards because Lord Krishna and Srila Prabhupad entered into our life.

Lord Chitanya's teachings that Srila Prabhupad taught us are perfect & glorious. He's our Guru not only because He taught us how to serve Krishna perfectly but also how to lead a spiritual life in the midst of material minded people. Thank you Prabhupad that you saved our lives which would have been a terrible accident otherwise. Thank you Prabhupad for all that you gifted us.

Please Prabhupad bless me that you will be my Gurudev life after life.

Pranams. All glories to Guru and Gauranga All glories to Srila Prabhupad.

Your humble servant,

Dear Srila Praphupada,

You have saved countless jivas from going into hellish life and suffering. You have shown the right path to millions of jivas who were totally lost. Im also one among those insignificant jivas. Im struggling to follow the proper path of Krishna consciousness. With all my imperfectness, faults and unstable mind im struggling. But i know that the struggle is in the right path, and not in some meaningless direction which will simply lead to nowhere but more suffering. Right now may be because i have a huge lot of papa karma accumulated from time immemorial, im not having peace of mind. Therefore i pray to you to recommend Krishna to grant me peace of mind. That is all i wish for, and do not have any other hankering. I also pray to you to help me increase my faith in Krishna. Because many a times i feel frustrated and feel why Krishna is not listening to me though im begging Him so much? But deep down because of your association in the form of your books, im convinced beyond any ounce of doubt that Krishna Consciousness is the right path and im in the right path, though im very very slow runner in the path. In the Bhagavad Gita (7.16) Krishna says- four kinds of pious men render devotional service unto Me—the distressed, the desirer of wealth, the inquisitive, and he who is searching for knowledge of the Absolute. Im still in the first category. But anyway im glad that im in the right direction shown by you. Im forever indebted to you.

Your'sservant of your servant,

Dear Srila Prabhupada

My humble obeisances at your lotus feet.

Because of your causeless ocean of mercy you took me under your shelter, although I am not worthy of it. Dear Prabhupada I am not serious about bhakti life/devotional life due to my karma, please bless me to become serious and sincere servant of your lotus feet and keep me in the association of devotees forever. Many times I have gone away from Iskcon and devotees willingly, and not serious about bhakti and sadhana because of material world attraction. I always think about your mission and vision about peaceful world, welfare concept and ideas about linking everything with Krishna consciousness and the need and urgency of our Krishna consciousness movement. It has to happen at the cost of any value. Please bless us to have the capability and capacity to take Krishna consciousness movement all over the world under your shelter and guidance. Please bless me to become sincere devotee of your lotus feet. In my heart I have accepted you as my spiritual master, and seeking your service always and that's the only hope of my life. Please keep me under the shelter of your lotus feet forever.

Your fallen servant, Bhakta Somasekhar.

Bhakta Sona Dutta Das

Dear Srila Prabhupada

Please accept my humble obeisances at your lotus feet. All glories to you.

For a most fallen person like me, your instructions, teachings, books, magazines are the only means by which I can even think for my advancement in the path of Krishna Consciousness. You are the only hope for a most sinful and fallen person like me. You have shown the right path to the mankind in general. You have taught how to live one's life in a perfect way. How to live a Krishna conscious life? Through your teachings only I got to know the real goal of my life. Without your teachings it was not possible to know about Krishna. To know that Krishna is the Supreme Personality of Godhead. You are the only reason that today I can even think about Krishna and chant the Holy Name of Supreme Lord. Being the most ignorant person, I even can't understand and explain the importance of your blessings in my life. My only hope is to get your eternal blessing so as to advance in the path of Krishna consciousness.

I most humbly beg the shelter of your lotus feet.

Your most fallen servant, Bhakta Sona Dutta Das.

Bhakta Srinivas Pai

My Dear Srila Gurudeva,

Please accept my humble obeisance at your lotus feet.

All Glories to Srila Prabhupada.

I offer my respectful obeisance unto His Divine Grace A.C. Bhaktivedanta Swami Prabhupada, who is very dear to Lord Krishna, having taken shelter at His lotus feet. Our respectful obeisances are unto you, O spiritual master, servant of Bhaktisiddhanta Saraswati Goswami. You are kindly preaching the message of Lord Chaitanyadeva and delivering the Western countries, which are filled with impersonalism and voidism.

I still remember my first association with Srila Prabhupada's ISKCON. It was when my sister brought home the wonderful book of 'Vrindavana Chandra – Kṛṣṇa'. The beautiful pictures portraying different pastimes had me enraptured. The writings were simple yet magnetic. It has been a long time that my association has still remained and I consider it a blessing for the interaction that did happen. Through His unbiased and caring words which exuded spiritualism, in the truest sense, had a deep impact on me. This must have been His mercy, for a fallen soul like me wouldn't have come in association with the Supreme unless it was for His confidante, my Guru Maharaj. There have been numerous instances where I have felt being watched and taken care of even though I'm tangled in the horrendous web of materialism. Through His words, I have gained a spiritual perception. I know that mundane words will never be enough to glorify Him, but I do hope that it should remotely convey my emotions towards Him.

Thank You Gurudev for casting your glance on me and bless me to progress spiritually.

Your unqualified servant,

Bhakta Srinivas.

Bhakta Srisha

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to Srila Prabhupada.

I am born in Madhwa Vaishnava family, father died when I was about 7 years old. My mother is to tell Lord Krishna's stories in my childhood days. I joined to Saibaba school in Alike. After that I became totally confused person during college life. Due to my ajnata sukriti, my cousin came to my house with 2 valuable books, wearing kanthi mala & tilak on his forehead and made me to read Srila Prabhupada's science of self realization (1993). That is like lightening my life, from that day onwards I went in search of Srila Prabhupada's institution, from there I got perfect knowledge, since then I started chanting 16 rounds & strictly following regulative principles. Now daily Prabhupada is guiding me "divya jnan hrde prakasito". "Jai Srila Prabhupada"

Bhakta Suryadev

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to Srila Prabhupada.

Prabhupada, 23 years had passed since I was born and many people had played and playing various roles in my life. As you always taught to take only good things from everyone just like honeybee sucks only honey from the flowers, I'm taking only

good qualities from all the people who have played their precious part in my life and made me what I'm today. First my grandmother who had raised me as a baby with all the love and affection, but here you are raising me from the darkest ignorance me with true love of godhead. Then my mother who always thinks to see that no difficulties come upon me, but here you are teaching me to stay still even in the worst difficulty well knowing that problems are nature of this world.

Then my grandfather who gave my name as Suryadev and always wanted me to see at highest position but here you are making me realize the true meaning of my name and showing that the highest position is to seek lowest position at your divine feet. Then my sisters who always aspired for my happiness taking all responsibilities that deters my success, but here you are bestowing me the true happiness by teaching me the responsibility of compassion towards others.

Then my teachers, who made me compete with world by inducing the skills of conceptual thinking, but here you are making me feel complete by instigating the inquisitiveness towards truth. Then my doctors, who had treated me to cure my diseases in tough times, but here you are giving me medication to the real inner desire of enjoying material world which is cause of all the diseases. Then my friends, who have passed my time enjoyably by giving me accompany in playing sports, but here you are saving my time by giving enjoyable devotee association and the pilgrimages. Then relatives, who always motivated me to become like someone who is well settled, but here you are inspiring me to follow all great Vaishnava's who are like desire fulfilling trees.

Begging to remain under the shelter of your lotus feet.

Your most insignificant servant,

Bhakta SuryaDev.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to Srila Prabhupada.

One of the greatest achievements of his divine grace A.C. bhakti vedant a swami Prabhupada was to make people, especially foreigners realise the presence of all powerful and merciful Lord Krishna above us and becomes Krishna conscious. and ultimately his true devotees. And totally surrendering to him by becoming Prabhupada, by which makes one to realise that we are not this body but a pure soul which is a part of Krishna, from where we come to this planet. Swami Prabhupada describes an easy solution to achieve the goal of going back to the godhead, that is Krishna.

Chanting daily harekrishna manthra using the chanting beads 16 times.

Read books about Krishna and his pastimes and his preachings.

Distributing books about Krishna at a minimum price to the public.

Listening to lectures pertaining to Krishna Bhagavatham, Bhagavad gita etc.

Abstaining from intoxicants, meat eating, illicit sex, drugs, gambling.

Our absolute duty should be to totally surrender to Lord Krishna and always think of him, blessing us from his heavenly abode, being there to solve all our problems. Our only goal of our soul should be to go back to the Lotus feet of Krishna from where we all come from.

Reading Swami Prabhupada's books and listening to his lectures from audio tapes and seeing him give discourse and chanting daily harekrishna manthra has immensely helped me to have little of happiness and peace of mind in my daily activities and associating with other devotees of Krishna. May we all be able to go back to the lotus feet of Krishna beyond his life and death.

Your humble servant,

Bhakta Vasanth Rao.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to Srila Prabhupada.

I was a student at Managlore when I came across, a Ratha yatra of Sri Krishna Balaram. It was quite surprising that they are giving away a lot of sweets and payasam freely to everyone on the way! That's my first memory of the contact with the temple. I was curious about the organisation called ISKCON. Hence, I visited the temple at Arya Samaj Road. I was surprised that the temple was in fact a home, however soon I realised this temple shall answer all the questions I had about spirituality.

I was initially skeptical with the idea of "Chant Hare Krishna, and be happy", however when I tried it, I could appreciate the veracity. It is an experience I have shared with many of my friends and relatives.

The books by Srila Prabhupada, were very lucid and eye-opening. I have read Bhagavad-gita by other authors, however Bhagavad-gita as it is, is the only version that was comprehensive. The details mentioned in the book are huge, every time I read the book I get better insight.

Moreover, the philosophy that I have imbibed from ISKCON had helped me tide over various difficult situations with much confidence and clarity.

Yours eternal servant, Bhakta Vijay Atul.

All glories to my spiritual master A. C. Bhaktivedanta Swami Srila Prabhupada.

I pay my humble obeisances unto your lotus feet.

Prabhupada by your causeless mercy I have got a chance in this life to know about the reality of this material world and also to come out from this darkness of ignorance by practicing Krishna consciousness since 5 years. By your mercy I have been able to follow the four regulative principals of life which is most important for the souls like us in this Kali

Yuga. And as the days are getting passed my realization about the spiritual life is becoming more stronger by doing chanting, visiting temple regularly, offering seva, reading your books, honoring prasadam and by the association of temple devotees All this could not have been possible if you would not have teach us everything about spiritual life by your personal example. By your tapasya you have given the wonderful gift of this KC movement to the whole world.

On this most auspicious day I humbly beg You to shower your blessings on me to follow KC path whole life sincerely. Please forgive my offenses and give me the intelligence to carry out your orders for a common man like us under the protection of your Lotus feet in the association of your sincere devotees.

All glories to Srila Prabhupada.

Dear Prabhupada,

It is because of you that a food lover who just loves eating, learnt cooking so many varieties of prasadam.. it's because of you I could understand the difference between food and prasadam and many many things that I cannot just explain in a paragraph, but you have helped me go deeper in My Spiritual journey..

Your Eternal servant, Bhaktin Parvathi mgk.

Dear Srila Prabhupada

Please accept my humble obeisances

All glories to Srila Prabhupada

When we look at the works of Prabhupada, we wonder whether it is possible to carry out such wonderful works. Right from convincing the foreigners and his books are all proof of his excellence.

At the age of 70, your work of starting the Hare Krishna movement is commendable. You were able to convert people with addictions of all kinds. They just listened to your preaching chanted the Hare Krishna Mantra and had delicious Krishna prasadam and that's it. They were out of their addictions and totally surrendered to the Lotus feet of Krishna. They completely took up the change of attire of the men in addition grew their shendi which is quite difficult part of the foreigners to develop.

Prabhupada you have played an important role in our lives too, by introducing the Hare Krishna Maha Mantra. The devotees of Prabhupada are also always at the heels of the newcomers to change them into the lifestyle of the ISKCON movement. They upgrade us and see that we take steps to follow the rules laid down for us in a very simple and nice way.

I thank Prabhupada and all the devotees for helping us in trying to reach out to the Lotus feet of Krishna which is easy if we totally surrender to Krishna.

Humbly Yours, Bhaktin Sujatha Vasanth Rao.

Bhaktin Sweekritha Hegde

Hare Krishna, Prabhupada. I pay my sincere obeisance to your lotus feet.

Please accept my letter, which is deeply based on my view of your books and your preaching about chanting.

Dear Srila Prabhupada,

This letter is mainly containing the emotions I felt after reading the divine books and most importantly the purpose of chanting.

I was completely mystified by the material commodities. I was just wondering if you had not come to this world, what would be the condition, thinking about all these I really pay my heartfelt gratitude. Love is a word that is used often but understood the least. We are caught in a web of temporary, unsatisfying loving relationships.

You demystified from that attachment and connected me to the spiritual line. Now I'll tell you about my experience of your divine books. I was a bit skeptical when a humble devotee told me, that you once said that you live in your books. So he had advised me to read your books. So I just gave it a try and started reading your books. When I started reading your books, I felt a change, a spiritual change within me. I got to know about the actual purpose of life. At that instant of time, I came to know, I actually felt that you really speak with us. I was really amazed after reading the book 'PERFECT QUESTION PERFECT ANSWER', Instead of Bhramhatirtadas prabhujī, I felt as if you were conversing with me. At that particular time, the self-realization was struck within me. You really live in your books.

That was all about books. Now it is about the importance of chanting. At one stage of my life, I was not so keen on doing chanting. I was feeling as if there was a blockage, that was not letting me progress in my spiritual path, and once again that humble devotee guided me to chant the maha-mantra "HARE KRISHNA HARE KRISHNA KRISHNA KRISHNA HARE HARE, HARE RAMA HARE RAMA RAMA HARE HARE", he told me the importance of chanting, which inspired me to chant 'Hare Krishna' mantra. He also reminded that, as we don't forget to brush our teeth and have our food, just like that chanting also must be the part of our daily routine. I first started with a minimum of 2 rounds. Then I planned to increase the rounds every week, only if I continued, without any break. Increasing every week landed me to 16 rounds. I was very happy and the feeling of doing 16 rounds chanting was extremely wonderful.

But I really regret discontinuing the 16 rounds chanting. Due to my academics pressure, I couldn't make it up. I really ask your forgiveness for my negligence. Currently, I am chanting 8 rounds, I will make sure that I will make it up to 16 rounds.

I humbly request you, my spiritual master, to guide me, to lead me to the spiritual path and please bless me, so that I don't get attracted to Maya and leave the spiritual line. I have accepted you as my spiritual master, so I kindly request you to show me the light where the darkness has conquered, and accept me as your humble servant. I know Prabhupada, that you have directed me in the form of that humble devotee, please be with me just like that, directing me to progress more in spiritual life. My main aim in life is to get liberation from this demonic world and land as an entity in 'Goloka'. I can achieve this with only your mercy and Krishna's will. Please make this little dream of mine come true. By the grace and divine mercy of Lord Krishna, I am capable of fasting for Ekadashi and Janmashtami. All glories to Lord...Hare Krishna, All glories to you...Jai Srila Prabhupada.

Hope you will get this letter soon and reply me as soon as you get this letter. Hare Krishna.

Your humble servant,

Bhaktin Sweekritha Hegde, Mangalore.

Dear Srila Prabhupada

Please accept my humble obeisances at your lotus feet.

All glories to you on this most auspicious appearance day of your divine grace.

Prabhupada by your blessings and causeless mercy I got the great opportunity to help my mother in preparing Rajbhog for Krishna Balaram which is a very rare service for souls like me. I also got the opportunity to wash arathi plates and other services. Without your blessings and mercy, it would not have been possible and I want to thank you a lot for this Prabhupada.

I was chanting 16 rounds for a few days but due to some reasons, I couldn't continue. I am chanting 8 rounds as of now and hope to increase the number and soon reach 16 rounds.

By your grace and mercy, I got the great opportunity to gift Bhagavad Gita As it is to one of my friends who was very eager to read it. Along with that, I also gifted her the Krsna book. Seeing this she was very happy. By your grace, I was able to distribute at least 2 of your books by reading which I hope she becomes Krishna conscious.

I had gifted one chanting mala to one of my other friends and also recommended to read one of your books. By your grace and mercy, I hope she becomes Krishna conscious.

Please help my friends to progress more in Krishna Consciousness. They seem to be inclined to Krishna So please help them so that they progress more.

Prabhupada please help me to progress more in Krishna consciousness. Please bless me so that I chant more rounds sincerely and read more of your books. Please bless me so that I continue to do service with a sincere heart and devotion. Please bless me so that I overcome all the obstacles that come in my way of Krishna Consciousness and develop love and devotion to Krishna.

We are rendering service to Ladoo Gopal at our house and recently Lord Gauranga and Lord Nityananda have come to our house. Please bless us so that we continue to serve Ladoo Gopal with love and devotion. Please bless us and help us so that we serve Their Lordships Gaur and Nitai with a sincere heart filled with love and devotion. Please bless us and help us so that we render good service to them. By your grace and mercy, we are offering food to Ladoo Gopal. By your blessings, we are able to get Krishna's prasadam. Please bless us so that we continue to do the same.

By your blessings, I got a devotee husband. Please bless us Prabhupada so that I and my family progress in Krishna Consciousness and reach our ultimate goal and home i.e., Krishna's lotus feet and serve him eternally in his abode.

Your humble servant,

Bhaktin Thejaswini J Hegde, Mangalore.

Dear Prabhupada,

Please accept my humble obeisances. All glories to you.

The world knows srila prabhupad and accomplishments. I need not speak about that.

The Greatest Happiness I got from my association with Iskcon and Srila prabhupad is the opportunity to cook for Krishna. Its something that I got in no other Temple and I'll be forever grateful for that.

Adinarayana Dasa

Dear Prabhupada my most glorious Lord and Master,

“I was born in the darkest ignorance, and my spiritual master opened my eyes with the torch of knowledge. I offer my respectful obeisances unto him”

Prabhupada, as its not possible to glorify Krishna by ordinary language of this material world, similarly its not possible to sufficiently glorify you Prabhupada by using the language and understanding of this material world. But by glorifying you Krishna is glorified as you said :

“This is the business of the disciple, how to glorify the spiritual master, paramparā. I glorify my spiritual master, you glorify your spiritual master. If we simply do that, glorify, then Kṛṣṇa is glorified.” (Lecture on SB 1.5.23 -- Vrndavana, August 4, 1974)

Every year this day comes Prabhupada, the biggest day for all of us and we prepare to celebrate by paying our loving homages to You. With every passing year Prabhupada I come to know more and more about Your transcendental presence in our lives. This is the greatest fortune Prabhupada that You have mercifully cast Your glance on us fallen souls and saved us from this filthy material conception of life. Indeed with every passing year I am realizing my unimaginable good fortune that You have accepted me as Your disciple. Although I may not be qualified Prabhupada. But, Your mercy has no bounds Prabhupada and You are the personification of the mercy of Sri Nityananda Prabhu . And with every passing year I realize that I should engage in the service to Your lotus feet which can bring smile to Your lotus face.

I was born in the darkest ignorance

Completely oblivious of spiritual significance

You brought me to my original place

How can I bring smile to Thy lotus face

I am one amongst millions that you have saved

And they have become thus privileged

Coz You bestowed Your mercy and gave us grace

How can I bring smile to Thy lotus face

The greatest fortune in this life

For jivas whose fortune is now ripe

The dust of Your lotus feet is the only solace

How can I bring smile to Thy lotus face

Service to your lotus feet is so sweet

And gives a life which is so discrete

Saves us from maya's influence

How can I bring smile to Thy lotus face

Eternally your servant,

Adinarayana Dasa.

Dheer Gopal Dasa

Dear Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet.

Today is the most auspicious occasion of your appearance on this planet. You are the spiritual master of the whole world. As said by a great Vaishnava poet:

janame janame sabe pitā mātā pāya | kṛṣṇe guru nahi mile bhaja hari ei

“One gets father-mother in every life, but one cannot get Kṛṣṇa and guru in every life.”

Material existence is something like a blazing fire in the forest, which can be extinguished by the mercy of the Lord Śrī Kṛṣṇa. The spiritual master is the mercy representative of the Lord. Therefore, a person burning in the flames of material existence may receive the rains of mercy of the Lord through the transparent medium of the self-realized spiritual master. [SB 1.7.22 Purp.]

The spiritual master is the manifested representative of the Lord, and anyone who puts himself under the guidance of a spiritual master and acts accordingly is said to be acting in terms of buddhi-yoga. The spiritual master is worshiped as one who delivers the disciple from the mire of ignorance with the light of the torch of knowledge. Knowledge of the Absolute Truth is not very easily understood by ordinary, less intelligent men; but if the spiritual master is kind enough to the disciple, however unintelligent the disciple may be, then by the divine grace of the spiritual master everything is revealed.

As stated by Sri Prahlad Maharaj [SB 7.9.28]:

*evam janam nipatitam prabhavāhi-kūpe, kāmābhikāmam anu yaḥ prapatan prasaṅgāt
kṛtvātmāsāt surarṣiṇā bhagavan gṛhītaḥ, so 'ham katham nu visṛje tava bhṛtya-sevām*

“My dear Lord, O Supreme Personality of Godhead, because of my association with material desires, one after another, I was gradually falling into a blind well full of snakes, following the general populace. But Your servant Nārada Muni kindly accepted me as his disciple and instructed me how to achieve this transcendental position. Therefore, my first duty is to serve him. How could I leave his service?”

One should serve the spiritual master first. It is not that one should bypass the spiritual master and desire to serve the Supreme Lord. This is not the principle for a Vaiṣṇava. Narottama dāsa Ṭhākura says:

tāṅdera caraṇa sevi bhakta-sane vāsa | janame janame haya, ei abhilāṣa

One should not be anxious to offer direct service to the Lord. Śrī Caitanya Mahāprabhu advised that one become a servant of the servant of the servant of the Lord (*gopī-bhartuḥ pada-kamalayor dāsa-dāsānudāsaḥ* [Cc. Madhya 13.80]). This is the process for approaching the Supreme Lord. The first service should be rendered to the spiritual master so that by his mercy one can approach the Supreme Personality of Godhead to render service.

The height of your magnanimity is exhibited by the fact that you have accepted such a fallen soul like me under the shelter of your divine lotus feet! You're the friend of the fallen and the saviour of the whole world. You are like the cintamani gem which can transform anyone, even the most fallen, into jewel like devotees by giving them Krishna bhakti. You can turn the most unfortunate people into the most fortunate by the shower of your mercy! I am eternally grateful to Your Divine Grace for your causeless mercy. Your desire is to spread the Krishna consciousness throughout the whole world. You've said that if at all one feels indebted to you then he should preach rigorously like you.

I pray from Your Divine Grace, please give me the ability to preach Krishna consciousness. Preaching is accompanied by one's purity and sincerity. Kindly bless me so that I can become sincere & serious in devotional service. Kindly bless me with the strength to come over the vices in my heart. I beg you to always keep me under the shelter of your lotus feet and engaged in serving your mission.

Your most fallen servant, Dheer Gopal Dasa

Dhira Govinda Dasa

Our Dear most beloved Spiritual Master,

Please accept my prostrated humble obeisances unto your lotus feet.

A layman like me in what way could possibly try to glorify your unlimited attributes and its multifarious shades. Each attribute itself has many facets. How a most fallen like me can even understand and glorify them.

However Srila Prabupad, though there are countless qualities, one of them intensely triggers within the heart of any devotee of any Sampradaya, that is your 'Compassion'. Compassion on fallen souls.

Though it appears that we have already heard several dimensional view points from devotees of this quality, still it's ever fresh, ever youthful.

When we sing every day at your lotus feet during Guru Vandana – 'Sri Guru Charan Padma', the last text of the prayers is very attractive for all of us.

*sri-guru karuna-sindhu, adhama janara bandhu, lokanath lokera jivana
ha ha prabhu koro doya, deho more pada-chaya, ebe jasha ghusuk tribhuvana*

O spiritual master, O ocean of mercy and friend of the fallen! O universal teacher and life of all people! Be merciful unto us, O master, and give us the shade of your lotus feet. May your glories now be proclaimed throughout the three worlds.

Here the word *Adhama Janara bandhu* is so special – 'Oh Friend of the Fallen'

In this world of people staying together, every one of us wants the other person next to them to be perfect. No one desires a person of imperfection be part one's team, one's family, one's friend's circle, even among we devotee circle. Because it takes a high degree of patience and compassion to handle an immature jiva.

I want my authorities to be perfect, my subordinates to be perfect.

However, this special quality of Compassion has out broken this law of material world. Only the rarest of the rarest – the Pure Devotees of Supreme Lord would desire to stay with 'Adhamas – Most fallen'.

Now coming to the fallen, there are various categories.

Fallen – into the Material world

Fallen – Jivas at Upper planetary systems

Fallen – Jivas in Bhū Loka – Satya Yuga

Fallen – Jivas in Bhū Loka – Treta Yuga

Fallen – Jivas in Bhū Loka – Dvapara Yuga

Fallen – Jivas in Bhū Loka – Kaliyuga (Most contaminated)

We most of the most fallen Jivas in Kaliyuga, what expectation can we have to chant the Holy Name – Hare Kṛṣṇa Hare Kṛṣṇa Kṛṣṇa Hare Hare| Hare Rama Hare Rama Rama Rama Hare Hare ||

Srila Prabhupad, the tragedy here is the most purest devotee – Your Divine Grace has come at the rarest place with the never heard most fallen people and though we are not ready to take it, you are still constantly staying with us. Like a mother feeds a stubborn adamant child with great degree of compassion, even mother sometimes gives up to feed her child because of his behaviour for a moment. But Srila Prabhupada, there is no trace of you getting tired, you are handling us the most fallen, engaging us to find more Jivas, again those jivas are becoming devotees. No one can even estimate your degree of compassion for us Prabhupad, especially me.

I take this opportunity to beg you again and again to engage me in this transcendental activity of distribution of the Holy name in various forms. Kindly, bless me with all the abilities, qualities, modern ways, skillsets, patience, perseverance to distribute all glorified Holy name, unflinching faith and attachment to your lotus feet & your devotees / all Vaishnavas. Finally, bless me with the diehard missionary spirit to contribute to this mission. Keep me in the association of devotees Prabhupad.

Parama Vijayate Sri Krsna Sankirtanam

All Glories to Gaur Nitai. All Glories to you Srila Prabhupada.

Your Most Fallen Servant,

Dhira Govinda Dasa.

Gaurmandal Dasa

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories unto Your Divine Grace.

Back in 1967 when Your Divine Grace as a part of your recuperation leela, decided to go back to Vrindavan, with looming uncertainties about your return, one devotee suggested if one of your Godbrothers could come to America to guide them in your absence and, if the worst happened, take over the leadership of the ISKCON. You became very grave and silent. With tears in your eyes, you said in a choked voice, "My spiritual master was no ordinary spiritual master, He saved me." Later you explained that the idea was an insult to the spiritual master.

On being expressed by the sobbing devotees that they could hardly learn anything from him and that he's leaving them so early, you told them to simply read the small book you've given them, "Easy Journey to Other Planets", and preach whatever little they could understand from him, that will take them back to Godhead. Thus, the devotees began to fathom the position and potency of a bona fide spiritual master.

Spiritual master is eternal and he always remains the personal guidance for his disciples life after life.

As it is difficult to know Krishna, so is also to understand the position of a bonafide spiritual master. Thus Srimad Bhagavatam says (SB 11.17.27),

*ācāryaṁ mām vijānīyān, nāvamanyeta karhicit
na martya-buddhyāsūyeta, sarva-deva-mayo guruḥ*

As you have kindly explained in the purport to this verse,

"Only out of His immense compassion does the Personality of Godhead reveal Himself as the spiritual master. He is the Supreme Personality of Servitor Godhead. It is worthwhile to take shelter of such a steady devotee, who is called āśraya-vigraha, or the manifestation or form of the Lord of whom one must take shelter."

When Lord Chaitanya saw the verse written by Srila Rupa Goswami revealing the confidential meaning of the verse he used to sing before Lord Jagannath, which no one could know, Lord Chaitanya became very pleased in wonder that how could Rupa Goswami understand his intentions. And thus Lord Chaitanya bestowed all necessary preaching potencies unto him for preaching the Bhakti cult. Your Divine Grace also had the opportunity to receive similar blessings from Srila Bhaktisiddhanta Saraswati Thakur by offering the most wonderful essay on his birthday ceremony. He was similarly surprised as to how could you understand his intentions.

This fallen servant of yours also wishes to preach the cult of devotional service as ordered by you, to as many jivas as possible, but it's not possible to have such potency without understanding your intentions and confidential meaning of the shabda brahman emanating from your lotus mouth, which carry the saffron dust from the lotus feet of Lord Krishna. On

this very auspicious day, I humbly fall a hundred times at your lotus feet to kindly bestow upon this fallen servant the necessary intelligence and strength to engage in your loving devotional service in such a way that one day this servant of yours may also be blessed with the revelation of your intentions and confidential instructions and thus with the required potency to contribute something in fulfilling your grand divine plan. Praying to the dust of your Lotus Feet.

Your humble servant,

Gaurmandal Dasa.

Gopala Gauranga Dasa

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories onto you!

Thank your dear Srila prabhupada for showing your causeless mercy upon this fallen soul. By your grace, this year has been very wonderful with many amazing realizations. Your personal life examples like - Your true love & compassion for condition souls, your firm determination to carry out your spiritual master's order, your complete dependence upon the lord, your expertise in presenting Krishna Consciousness perfectly according to time and circumstance, your humility, your tolerance...just to name a few - have always been very much source of inspiration for me.

The whole process of spiritual advancement depends upon perfect knowledge of SOUL – not theoretically but practically. First one has to be convinced about this and then act accordingly. We come across this statement many times while reading your books, lectures etc... but it remains theory in the beginning for most of us.

The only way to realize this simple but most confidential truth is by taking shelter of your lotus feet. The same thing has been pointed out by Śrīla Viśvanātha Cakravartī Ṭhākura, in his famous prayers for the spiritual master which we sing daily in morning, as follows:

*yasya prasādād bhagavat-prasādo, yasyāprasādān na gatiḥ kuto 'pi
dhyāyan stuvaṁs tasya yaśas tri-sandhyarṁ, vande guroḥ śrī-caraṇāravindam*

"By satisfaction of the spiritual master, the Supreme Personality of Godhead becomes satisfied. And by not satisfying the spiritual master, there is no chance of being promoted to the plane of Kṛṣṇa consciousness. I should, therefore, meditate and pray for his mercy three times a day, and offer my respectful obeisance unto him, my spiritual master."

And this you have taught to all of us from your personal example of how a disciple should take his Guru's instructions as his life and soul. As you recall in one lecture that you wrote a letter to your spiritual master that "Guru Maharaj, you have got many disciples. Some of them are directly serving you, but I couldn't do so because I am a householder. So if you give me some direct service to you, it will be very kind of you". So he replied to that letter, that "You try to preach this message in English language, then person who will be instructed by you and both yourself will be benefitted". And then somehow or other, in 1965 you went to America with great difficulty, practically no money in hand, without considering any personal comforts and that too at the age of 65 years. But by your firm determination and Krishna's mercy, you became successful and because of that today lacs and lacs of people are getting benefitted. This shows that how a disciple should take his spiritual master's instructions as his life & soul, and this is the secret of success in spiritual life.

The same principle of SERVING a bonafide spiritual master is also recommended by Lord Krishna himself in Bhagwad-Gita as follows :

*tad viddhi praṇipātena, paripraśnena sevayā
upadekṣyanti te jñānam, jñāninas tattva-darśinaḥ*

Just try to learn the truth by approaching a spiritual master. Inquire from him submissively and render service unto him. The self-realized souls can impart knowledge unto you because they have seen the truth. (Bhagwad-Gita 4.34).

Though I don't have any qualification, but meditating on these verses, I feel proud to have you as our spiritual master. This is all due to your causeless mercy upon us. Staying in devotee's association and being part of your exciting mission is another wonderful gift you have given to us.

You have created such a wonderful institute which is unimaginable in this material world. The whole material world, not knowing the real purpose of life, runs under conception of I and mine which actually binds the living entity to take birth again-again into this world, and there is no hope for jiva to get liberation from this world. But the very basic foundation of your institution is to cut this misconception of false ego which in turns enables us to come out from this cycle of birth and death, and then it awakens to our real inner treasure – A life of love with devotees & Krishna. I feel very much proud to be part of this institution where each and every devotee is working very hard selflessly just to carry out your mission. You have given us various engagements of devotional services just to make us more and more dependent upon the Lord, to train us to think of Krishna constantly which is actually the real aim of this human life. Thank you so much Prabhupada for giving me such a wonderful opportunity to be part of your institution.

Now only thing what I should aspire for is to become a good follower of your instructions and remain grounded as servant of servant of your servants, and go one serving your mission under the guidance of your representatives. Therefore I pray for your mercy in this auspicious day to bless me to be committed to my aspiration and always keep me under the influence of your Divine Energy.

Your humble servant,

Gopala Gauranga Dasa.

Indradyumna Dasa

Dear Srila Prabhupada,

Please accept my humble obeisance,

This year was a very usual one even then with lots of learnings and understandings. It was full of adventures, twists and turns. A conditioned soul is always thus convoluted in the maze of birth and death. It's the deep inherent desire to lord over and enjoys the pockets of pleasure in this amplifying maze of multiverse which keeps us running all the time. But if one understands that there exist sadness and miseries only and pray for a ray of hope then by Lord's grace one is pulled over from the never ending maze. His miseries are thus put to an end. This Grace of Krishna which I am speaking comes as a gift of a spiritual master. It's the spiritual master who picks a disciple, operates and opens his darkened eyes and then kindles a fire of Love of godhead. I am thus a witness to how my master you have kindled this fire in me and how I wish it to grow stronger and stronger until it burns all the impurities and purify me and turns into a flame. A flame which further kindles fire in hearts of all around me in your name and the one who is our Lord.

We brothers are like travelers and our destination is far away at the end of the forest where our master has a feast ready for us. A feast in which our soul may take eternal delight. Where you'll be washed and given fresh n pure clothing to put on, then be seated in the presence of the ultimate object of our love and friendship. Now every journey is full of adventurous events, moments of joy as well as sorrow. In a forest full of werewolves and blood sucking monkeys what can you expect then. Its full of dangers and only hope for us is in keeping it close and together. Amongst many travelers, some proclaim the way of the Lord to innocent strangers with loud roaring and trumpets, eventually handful of them agree to it. When new travelers join us it's a moment of great joy and satisfaction. All the travelers rejoice in their hearts and spirits while helping each other in this sojourn. It's only when someone is left behind or settles down in the nearby villages of "samsara", that gives pain to the fellow companions. What power is in their hand and is it right for them to sorrow even? Why it happens that the faith amongst the fellow travelers sometimes does shatters and they are left alone in destitute by others? Is such a thing like 'solidarity' even possible in this material world? Is meat eating not violence to the worldly creatures and

is inflicting pain and hindering spiritual growth also not a violence and lack of mercy? Who then is not breaking the pillars of dharma in this world? Who then would be spared?

I too am a traveler then, carrying burden of so many questions. My eyes are growing weak and blurry, my limbs are weary from the exhausting journey and my heart is bleeding for the ones already left behind and for ones who are to be in the future. My master please give me the strength to withstand this storm which has broken the teeth of the roaring lions. But more than that I pray for those who have settled behind that they too receive your mercy. With their loved ones this time let them again begin their journey from where they left. Let the candles of hope not be blown off on the path along the dark woods. We all need them.

In my childhood I heard a prayer of a famous poet Dante, then in those days I couldn't understand whom it was addressed to, while contemplating today I address the same to you.

“When the dark wood fell before me.

And all the paths were overgrown.

When the priests of pride say there is no other way.

I tilled the sorrows of stone.

I did not believe because I could not see.

Though you came to me in the night.

When the dawn seemed forever lost.

You showed me your love in the light of the stars.

Cast your eyes on the ocean.

Cast your soul to the sea.

When the dark night seems endless.

Please, remember me.

Then the mountain rose before me.

By the deep well of desire.

From the fountain of forgiveness.

Beyond the ice and the fire.

Cast your eyes on the ocean.

Cast your soul to the sea.

When the dark nights seems endless.

Please, remember me.

Though we share this humble path, alone.

How fragile is the heart.

Oh give these clay feet wings to fly.

To touch the face of the stars.

Breathe life into this feeble heart.

Lift this mortal veil of fear.

Take these crumbled hopes, etched with tears.

We'll rise above these earthly cares.

Cast your eyes on the ocean.

Cast your soul to the sea.

When the dark night seems endless.

Please, remember me...

Please, remember me..."

Yours fallen servant,

Indradyumna Dasa.

Muralidhara Krishna Dasa

Dear Srila Prabhupada,

Hare Krishna, With my heart onto the most magnanimous and all merciful spiritual master for his causeless mercy.

Please accept my humble obeisances at your lotus feet on this most auspicious day of your divine appearance. All glories to you. You are the personification of most magnanimous and causeless mercy of the Supreme Personality of Godhead Lord Krishna. And you are the one and only current Acharya of the Gaudiya Vaishnava Guru Parampara, coming in the line of Lord Chaitanya, in delivering the most fallen souls of this part of material creation.

Srila Prabhupad,

Your appearance in this mortal world is like sun rising on the eastern horizon to dissipate the darkness of the night. Because of your appearance, the whole world got the light of knowledge, the science of self-realization, which dissipates the darkness of ignorance of material existence of human race, the bodily conception of life, which is the cause of suffering and false pleasure.

And taking shelter of your lotus feet is like coming under the shelter of a soothing moonlight at night which gives relief from the blazing fire of material pangs: birth, death, old age and disease. Because of your magnanimous heart in giving shelter to the suffering humanity, the whole world became fortunate enough to get the shelter at your cooling moonlight like lotus feet which give relief to the suffering humanity in struggling hard for finding peace.

Srila Prabhupada,

You are showering your causeless mercy on us, like sun and moon who give light to the whole world day and night without discrimination of caste and creed. Even though we are most fallen and not having jijnasa – the inquisitiveness for understanding the svarupa which is our constitutional position – still without seeing our prerequisite qualification, you are showering your causeless mercy on us in realizing our real position as eternal servants of lord Krishna and serve Him.

Because of your this magnanimous heart in showing causeless mercy, today we have got the great opportunity to render devotional service to Lord Krishna which is the solace for burning heart of our material existence. Without your causeless mercy, it is impossible for us to qualify to take to Krishna Consciousness and render devotional service.

Srila Prabhupada,

You are the representative of the two Lords, Nitai-Gauracandra, who are supremely merciful, who introduced the process of chanting and dancing that is simply joyful. It is really wonderful this Hare Krishna Movement started by you, which is like the Oasis in Desert. It is simply joyful for the suffering humanity in search of happiness. Just simply by chanting Hare Krishna mahamantra and dancing in front of Nitai-Gauracandra, we are experiencing the highest happiness, the love of godhead, Krishna Prema, which is impossible even for great yogis who undergo severe austerities in self-realization.

Srila Prabhupada,

You are my eternal spiritual master and I am your eternal servant. And I am eternally indebted you for your causeless mercy on me. Even though I am most fallen and entrapped by sense gratification, still, you are very merciful on to me and keeping me under your shelter. Perhaps if you have not shown your causeless mercy and if you are not this much most magnanimous to me, then I might have bereft of Krishna Consciousness and the association of devotee, due to my offences at your lotus feet in not following your instructions rigidly as a gentle disciple. Sometimes I stuck with wonder, as I am not that much sincere, serious, loyal and honest to you as a gentle disciple and I am averse to fully surrender to Krishna, but still, how come I became fortunate enough to be a disciple of such a great bona fide spiritual master like you, live in the association of your sincere disciples, practice Krishna Consciousness and render devotional service to Lord Krishna. Really it is all only because of your magnanimous heart and causeless mercy on me and nothing anything of my own fortune of results of past pious deeds. I am eternally thankful to you.

Srila Prabhupada,

On this most auspicious day of your divine appearance, I am being bereft of the qualification of a gentle disciple, I humbly beg you, for eternal shelter at your lotus feet. Please be merciful to me always, please bless me Jnana, Bala and Kriya to chant 16 rounds of Hare Krishna mantra daily, follow rules and regulations, remain in celibacy, live in the association of devotees, remain meek and humble, serve you by serving your sincere disciples, with enthusiasm, patience and determination and please you.

Desiring to serve you eternally,

Your Most Fallen Servant,

Muralidhara Krishna Dasa.

Purna Brahma Dasa

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet. All Glories unto you.

It's stated in Nārada-pañcarātra, "*Hṛṣīkeṇa Hṛṣīkeṣa-Sevanam: one must engage not only one's mind but one's senses*". Engage the senses in the service of the master of the senses. These three Sanskrit words are very significant. Hṛṣīkeṣa means "the Lord of the senses." So "*bhakti-yoga means to serve with the senses to the Lord of the senses. The Lord of the senses is Kṛṣṇa. Our senses are original, but now they are covered by material desires. We have to cure ourselves and become free from such desires. When one's senses are no longer inclined toward material sense gratification, one's status is called pure devotion.*" [Cc. Madhya 19.170]

The only way by which I can attain pure devotional service is to taking shelter of your lotus feet, Srila Prabhupada. I bow to your lotus feet with great awe and reverence. By your grace only Srila Prabhupada I can cross the ocean of material suffering and obtain the mercy of Kṛṣṇa. Srila Prabhupada, you sacrificed your own bodily comforts for the service of the Lord and mankind without having a tendency to cheat other. That's make you different from others. It's said that "Professional preachers cannot create pure devotees. There are many professional preachers of Śrīmad-Bhāgavatam who read this work to earn their livelihood. However, they cannot convert materialistic people to devotional service. Only a pure devotee can convert others to pure devotional service." [Cc. Madhya 24.98]

I was engaging to gratifying my senses since time immemorial. Please bestow your causeless mercy Srila Prabhupada, so that I can fully engage them for the pleasure of the Lord and I can chant the Holy name of Hari, Kṛṣṇa. For that I am praying to you as:

ekākī āmāra, nāhi pāya bala, hari-nāma-saṅkīrtane
tumi kṛpā kori', śraddhā-bindu diyā, deho' kṛṣṇa-nāma-dhane

"I do not find the strength to carry on alone the sankirtana of the Holy name of Hari. Please bless me by giving me just one drop of faith with which to obtain the great treasure of the holy name of Kṛṣṇa."

It is due to your scintillating quality of exhibiting 26 qualities, that my path to back to Godhead is illuminated. I don't have any words to show my gratitude unto you. The only thing which I can do is - serve your mission to the fullest.

Although maya took many test, still by your mercy I was fix in devotional service. Srila Prabhupada, without your association I cannot execute devotional service. Never let me go away from your and all the Vaishnavas association.

Srila Prabhupada, I request you to forgive me for all the offences which I have committed at your lotus feet and all the Vaishnavas.

Desiring and Aspiring to be the servant of your servants,

Purna Brahma Dasa.

Sreesha Govind Dasa

Dear Srila Prabhupada,

Please accept my most humble obeisance at your lotus feet on this most auspicious appearance dayanniversary of Your Divine Grace. All glories unto you.

This is my seventh Vyas Puja offering. As Lord Krishna's glories are unlimited His pure devotee's glories are also unlimited. Words are not sufficient to describe your glories Srila Prabhupad.

Recently I came to know that earlier to get diksha from a bona fide spiritual master was very difficult. But you have given diksha freely even to most fallen people. Some people criticize this but they don't know that a pure devotee of the lord work exactly like Lord himself and this you have proved by giving your mercy to most fallen person like me.

Lord Sri Chaitanya Mahaprabhu delivered one Jagai and Madahi but you have delivered thousands of Jagai and Madahai and the numbers are increasing day by day. This shows that you are true representative of Sri Chaitanya Mahaprabhu. There is no match of your compassion and mercy within the three worlds. This Hare Krishna Movement is external manifestation of your compassion and mercy. The process of Bhakti Yoga which you have given to us, is simply joyful, wonderful and still sublime.

Kṛṣṇa is a property of His pure devotees and only a pure devotee can deliver Krishna to a living entity. As Srila Bhaktivinod Thakur says *kṛṣṇa se tomāra, kṛṣṇa dite pāro, tomāra śakati āche āmi to' kāṅgāla, 'kṛṣṇa' 'kṛṣṇa' boli', dhāi tava pāche pāche*. Srila Prabhupada you are carrying Krishna with you always and I am simply your servant running behind you shouting, "Kṛṣṇa! Kṛṣṇa!"

Some time I feel pity for the people who says that You are no longer there with us. The fact is that you are always there with your each and every disciple as Caitya Guru and guiding them mysteriously. It depends on the sincerity of the disciple. If the disciple is sincere, he will get all the instructions from you within.

On this auspicious day I pray unto your lotus feet that let your instructions become guiding principles of my life. Please give me strength so that I can follow your instructions whole heartedly without any reservations. As scriptures say

yasya deve parā bhaktir, yathā deve tathā gurau

tasyaite kathitā hy arthāḥ, prakāśante mahātmanah

("Only unto those great souls who have implicit faith in both the Lord and the spiritual master are all the imports of Vedic knowledge automatically revealed.")

Let my faith in you become so strong that nothing in this world can shake my faith in you. Although I am a unworthy creature who is worse than even Jagai and Madahi still you have given a shelter unto your lotus feet. Please always keep me under your shelter Srila Prabhupada.

Aspiring to become your servant, Sreesha Govind Dasa

Suchandra Gaura Dasa

Our ever Well-wisher! Srila Prabhupada!

You are source of our spiritual life, strength of our service, knowledge of our devotion. Today, if on planet earth, in a materialistic society, if we are able to chant "Hare Krishna" mantra and respect Vaishnavas, it is because of you. Your Divine Grace have taught us to dovetail everything in Krishna's service. Hence when i had the option to start a new venture, i started "Spoken English" and "English Grammar" classes where almost all examples, case-studies revolve around Krishna. Sri Gowri one of the students, asked me to suggest an English author; i suggested your name and she choose you among all the contemporary authors, the only SWAN among the crows. And she introduced you to her classmates in her school during her seminar. This material world has not yet recognized your contributions or i am unfit to glorify you sufficiently, i think i am the defaulter.

Currently, I am rendering service to HKM Mumbai by making LLP calls from Hospet, helping devotees at Hospet for monthly BG classes, this is your grace upon me. Whenever i travel towards Sindhanur, i have been instrumental in conducting KC classes for kids at villages of Marlanahalli, Jangama Kalgudi and Sindhanur. i have been trying to repeat Your BhaktiVedanta purports in Kannada, Hindi and English at Sri Venugopala Swamy temple, Hospet almost every Sunday since 4-Nov-18. If i have been able to do this; Because You are the guiding force.

At IBAB, i learnt that if a person has to get infected by a disease than there must be a certain number of bacteria, (quorum sensing) to infect an individual. But when we look at Your Lilamrita - you alone went to America and Krishanised America, Canada, Countries of Europe and the unthinkable - you preached one soul in the Communistic, Russia about Krishna consciousness and Krishnaised Russia in the coming years. Through your books, lectures you still are Krishanizing every soul who comes in touch with you. Even if the most insincere soul comes your touch, his spiritual journey begins. You defy the material concept of quorum sensing and prove you are transcendental. I am able to see through the paradigm's that I am aware of, pardon me Your Grace.

I am hardwired with i, me, mine; Please help me break this shell and enable me to become all inclusive. I still do not respect Vaishnavas from the bottom of my heart for the favours, they have done to me. And who can be the greatest Vaishnava other than you. I sufficiently do not honour you, spread your glory, please help me be loyal to you, your servants and your Lord Krishna.

Your servant, Suchandra Gaura dasa.

Urukrama Gauranga Dasa

Dear Srila Prabhupada..

om ajñāna-timirāndhasya jñānāñjana-śalākayā,

caḡsur unmīlitaṁ yena tasmai śrī-gurave namaḥ

Offer my respectful obeisances unto my spiritual master, who has opened my eyes, blinded by the darkness of ignorance, with the torchlight of knowledge.

You are our Acharya in this glorious Madwa Gaudiya Vaishnava parampara, but your humbles and sincerity has attracted me to Krishna consciousness , in many of your lecture you have mentioned that , "I have no personal qualification, but I

simply tried to satisfy my guru. That's all.” That’s depicts how great you are. In another lecture you had mentioned that “It is not that I am very much qualified. The only qualification is that I have tried to execute the order of superior authority. That's all. This is the secret of success.” You have set an example for the whole Vaishnava community as how to depend on Guru and Krishna . I am just trying to follow your instructions. Please bless me so that I can also do little seva in your mission.

“Srila Prabhupada you said that Mumbai is my office and you have somehow brought me to this Mayanagari. I am just trying to follow the Authority in your centre. By your blessing and guidance many boys trying to follow your instructions. Please bless these folk boys to become strong in Krishna Consciousness. Please shower your mercy on them.

I am really blessed to serve in your HKM Mumbai team. please show me right path so that we can fulfill your desire. Folk preaching going on nicely at Airoli, Thane and Powai and this year one more good news that, we have started folk preaching At Pune. So if Krishna desires we will have more preaching centers in coming years.

Today I am in your Hare Krishna movement, it’s all because of your causeless mercy and nothing else. I don’t have any qualification to follow or to preach , but still you have given me a chance , I am trying best of my ability to just to follow your words . If you would have not come in my life, then I would have been serving Maya’s world

Thank you very much Srila Prabhupada, for the wonderful gift in my life that of devotional service 24/7.

1. Wonderful books
2. Service
3. Delicious prasadam
4. Association of devotee
5. Deity worship
6. Kirtan
7. Japa and many more

This June I have completed 4 years of service, knowingly or unknowingly if I have committed any offenses please forgive this most fallen. Please allow me to remain your servant till my last breath, not only in this life but eternally.

Your insignificant servant,
Urukrama Gauranga Dasa.

Vrajraj Dasa

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet on this most auspicious appearance day of Your Divine Grace.

In the Srimad Bhagavatam, Prahlad Maharaja says:

“My dear Lord Nṛsimhadeva, I see that there are many saintly persons indeed, but they are interested only in their own deliverance. Not caring for the big cities and towns, they go to the Himalayas or the forest to meditate with vows of silence [mauna-vrata]. They are not interested in delivering others. As for me, however, I do not wish to be liberated alone, leaving aside all these poor fools and rascals. I know that without Kṛṣṇa consciousness, without taking shelter of Your lotus feet, one cannot be happy. Therefore, I wish to bring them back to shelter at Your lotus feet.” [SB 7.9.44]

This prayer exactly shows the compassion you carried to preach Krishna consciousness all over the world. You left all comforts of holy places like Vrindavan and went to big cities and towns. Today we see in many so-called spiritual organisations that the guru will be nicely situated, and disciples will be working harder than guru, but you always took

more austerities than your disciples. It is only because of your austerities that we are so nicely situated. Your compassion is clearly visible in your prayers:

tāhale ānanda hoy tabe hoy digvijay, caitanyer kṛpā atīśay

māyā duṣṭa jata duḥkhī jagate sabāi sukhī, vaiṣṇaver icchā pūrṇa hoy

“As the vast mercy of Śrī Caitanya Mahāprabhu conquers all directions, a flood of transcendental ecstasy will certainly cover the land. When all the sinful, miserable living entities become happy, the Vaiṣṇavas' desire is then fulfilled.”

Srila Prabhupada, by your grace recently I have got opportunity to preach in Mumbai. This is a very important place for you and I really feel blessed to be here. You always wanted Mumbai to be headquarter and office. Please Srila Prabhupada bless me so that I can become strict in my sadhana and services. Also, please give me at least a drop of compassion which you have for other living entities.

Aspiring to be your disciple,

Vrajraj Dasa

Bhakta Abhinav Ubhe

Dear SrilaPrabhupada,

Please accept my humble obeisance at your divine lotus feet. All glories to you on this most auspicious appearance day of Your Divine Grace.

Your purports make the most difficult philosophy easy to understand even for the common man. You have lucidly explained the original teachings of Srila Vyasadeva in your Bhaktivedanta.

It's my fortune that I joined your Krishna consciousness moment. I'm interested in spirituality from childhood. I listened to all stories of Krishna and his avatars which were having a great teaching and moral as well. You have shown us the way to live a meaningful life by remembering Krishna. Chant his holy name and read, listen to his stories.

The Srimad Bhagavatam explains that there are two classes of men in this world – the crow class and the swan class. The crow class of men is attracted to the rubbish literatures which are filled with topics of material sense enjoyment. The swan class of men takes interest in the nectarine spiritual literature which contains the glories of the Supreme Lord and His pure devotees.

Unfortunately the world is filled with the crow class men who are badly entangled in sense gratification and are destined to suffer perpetually with no hope of liberation. You have very kindly appeared to deliver all such suffering souls. Your Krishna consciousness movement is meant to convert the crow class men into swan class.

You are the ideal ‘acharya’ because you teach us everything about spiritual life by your personal example. Even though you have been empowered by Lord Chaitanya to spread the Holy Name of Krishna throughout the World, you perform your devotional service strictly following the instructions of your spiritual master. By your personal example, you teach us to accept all austerities and to carry out the order of our spiritual master. By your ‘tapasya’, you have given the wonderful present of this Krishna consciousness movement to the whole World.

On this most auspicious day, I humbly beg you to continue to shower your blessings on me and to make me an instrument in serving your mission. I beg you to give me the inner strength to take all austerities in serving your mission. Please forgive my offenses and give me the intelligence to carry out your orders under the protection of your divine movement in the association of your sincere devotees.

Begging to remain under the shelter of your lotus feet at all times.

Your humble servant, Bhakta Abhinav Ubhe.

Bhakta Abishek Raaman

My Dear Srila Prabhupada,

Please accept humble obeisance of this fallen soul to your divine lotus feet.

This is my first letter to you and my mind is filled with many thoughts and memories which I have cherished being with HKM and I want to share everything with you.

My life, my behavior, my thoughts in fact my look everything changed after I became part of Krishna consciousness.

My professional life was full of anxiety, had a dark solitary personal life in spite of having a huge number of family members and relatives around me, having a big bunch of friends just a call away to support me.

I was struggling every day. I tried hard to console to myself that I should learn to lead life accepting it the way it was moving but gradually I developed a big fear about the uncertainties of life.

To help myself, I started searching various organization, read lot of philosophy and motivational books, attended numerous seminars/conferences but succumbed to envision a joyful life.

My dear Prabhupada, the mercy you have shown to a fallen soul like me, is non-forgetful event of my life. I am aware that I am still not that much pure that I deserve even a minute part of your mercy. My life is fully changed.

Spending 90 minutes every day in morning Sadhana, gives me immense energy to have a powerful day. The boon of Mahamantra is the best gift I would have ever got. Reading your books is such a lovely experience. I feel so much strength to fight Maya and my faith towards Krishna consciousness become stronger. When I read Guru Vandana every morning, I truly feel it. I certainly believe that you are my lord birth-after-birth and I always want to take shelter of your Lotus Feet.

I have read few volumes of Lilamrita and I cried at couple of your life events. I heart could feel the pain you took for entire world especially for me. I am sure no one else could have done this for me. I could feel why you are called Jagat Guru and I am very much elated to have found you as my Spiritual Master.

Prabhupada, please help me to be more tolerant than a tree and more humble than the blade of grass. Please help with a stronger mind so that I can do 16 rounds of offense less chanting, read all your books and help to spread this mission of Lord Gauranga to many.

Thank you so much for everything.

Aspiring to have an abode at your Lotus Feet,

Bhakta Abishek Raaman.

Bhakta Aditya

Dear Srila Prabhupada,

Please accept my humble obeisance at your divine lotus feet.

All glories to you on this most auspicious day of your appearance.

O Srila Prabhupada, I would just like to thank you so so much for everything.

I cannot imagine where and what my life would have been without you.

Just thank you so much.

Jai Srila Prabhupada.

Your servant, Bhakta Aditya.

Bhakta Aditya Kulkarni

Dear Srila Prabhupada,

Please accept my humble obeisance at your divine lotus feet. All glories to you on this most auspicious appearance day of your Divine Grace.

It has been eleven months that I am associated with the Hare Krishna movement and understanding Krishna and his teachings only because of your Divine Grace and mercy.

It was a normal day and I was rushing towards office when on a bridge, one of your disciples with Dhoti and in Vaishnava attire was distributing pamphlets of seminars. It caught my attention and I stopped for a minute and took that pamphlet which was addressing the same question which I had in my mind. So I attended that session and from that day I am associated with Krishna consciousness.

It is only because of your efforts that we are able to get close to Krishna and come back to Godhead.

Thank you Srila Prabhupad for giving us this divine nectar of happiness.

On this auspicious day, I request you to shower your blessings on me and make my life fruitful with your grace. It is only because of you that “Hare Krishna Hare Rama” is close to my heart.

“Hare Krishna Hare Krishna Krishna Krishna Hare Hare

Hare Rama Hare Rama Rama Rama Hare Hare”

Please have your mercy on all of us so we can advance in Krishna consciousness.

Thank you very much for everything!

Begging to remain under the shelter of your lotus feet ! Hare Krishna!

Your Humble Servant,

Bhakta Aditya Kulkarni.

Bhakta Ajay Nidichenametla

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to you.

Firstly, I would like to thank you for all that you have done to spread the message of Lord Sri Krishna to this world and for introducing those concepts to me through your sincere disciples. By travelling abroad at the age of late 60s, you have done something which no other person would have even dared to. Your unwavering faith towards the Supreme Personality and your dedication and determination in spreading the movement are something which I truly look upon to. With that kind of attitude and character, one is sure to succeed anywhere in his life and you are a standing example for the same. As a person, I truly admire you and your ideologies and the future vision that you had, which reflects in the systems of any ISKCON centre. You were a true genius and an inspirational manager to an MBA student like me.

Talking about your works, the whole of humanity is in debt to you, for, you have given us the literary riches and made it easy for all of us to understand the divine message. I really can't think of the effort you have put in to translate so many works and at the same time run several other things to spread the movement in parallel. All your works have vividly mentioned the way society should be running and what needs to be done for the real happiness to prevail.

On personal front, you provided me with a direction to the zeal I had for devotional service. I feel my practise more organised, and its purpose clearer. The instructions in the books you have written/translated have become my way of life. The teachings that every living soul is accompanied by the Super Soul resulted in me loving every living entity. The book

reading and chanting have become an integral part of my life so much so that I feel incomplete and hollow without doing them on any particular day. In one of the verses of Bhagavad-Gita, it is stated that Lord Krishna is the original father of all living entities and that from him everything comes into existence. I profusely thank you for showing me a path to reunite with that Jagatpati. I along with millions of other devotees are forever indebted to you. Hare Krishna!

Yours loving servant, Bhakta Ajay Nidichenametla.

Bhakta Ajinath Phalke

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to Your Divine Grace.

One of the glories that have touched me deeply in recent the years is your compassionate concern for all 'jivas' who are suffering in the darkness of ignorance. I look back to what would have been the destiny of millions of 'jivas', including me, rotting and suffering in this material World, if you had not shown your loving compassion and mercy to the humanity at large.

I am writing this letter because I too have felt your divine grace and mercy along with all other devotees. When I started chanting the Holy Name of the Lord Krishna, I felt a unique sense of peace and satisfaction.

I have been visiting FOLK Residency (Folk Hostel) regularly and admire all the punctuality which is maintained there. Attending aarti, kirtan, lectures and having Krishna prasadam is a divine experience.

“Hare Krishna Hare Krishna, Krishna Krishna Hare Hare

Hare Rama Hare Rama, Rama Rama Hare Hare”

This is the Powerful name which enables powerful chanting. One can conquer Maya (Unwanted material desires) by chanting regularly.

Thank you very much for your divine mercy.

Begging to remain under the shelter of your divine lotus feet at all times.

Your humble servant,

Bhakta Ajinath Phalke.

Bhakta Ajinkya Vedpathak

Dear Spiritual Master,

Hare Krishna!

I am one among the many lives who have been benefitted from ISKCON's Krishna Consciousness and want to take this opportunity to thank from the bottom of my heart to each and everyone involved in the process.

Your association had helped me to be a better person from what I was earlier. You had given me an opportunity to make myself a better and even more a Krishna conscious person. The biggest blessing of this involvement is that of the Hare Krishna 'mahamantra' chanting, which has not only the power of meditation but also teaches me spiritual happiness.

Thank you again for this opportunity and making me a part of this life changing movement.

Please keep me under the shelter of your divine lotus feet at all times.

Your humble servant, Bhakta Ajinkya Vedpathak.

Bhakta Ajit Kumar

Dear Srila Prabhupada,

Please accept my humble obeisance unto your divine Lotus Feet.

Srila Visvanatha Chakravarty Thakura says:

“yasya prasādād bhagavat-prasādo

Yasyāprasādān na gatih kuto pi”

So, without your mercy, there is no chance to get Lord Krishna's mercy. I am one of the most worthless people in this World. Please take special care of me and guide me. Rather control and maintain me with Krishna Consciousness.

I am blessed with everything in my life. This is only because of your and Lord Sri Krishna's mercy. I wished to go to Mayapur and Krishna made it for me. Due to your hard work, we are getting beautiful 'Mangal Aarti', Sunday loving feast, opportunity to engage in festival, 'kirtans' dance and of course your devotional service.

I am very much thankful to you for what you have done for me. It is impossible for me to repay you back. You once said that if we want to please you then we should just follow your instructions and advance in Krishna consciousness. So my desire is only that how can I please you by following your instructions. Please help me so that I can follow whatever you have instructed.

Please bless me to always sincerely chant the holy name and read your books, taste its nectar, and distribute that nectar to others for the rest of my life.

Thank you, Srila Prabhupada.

Your servant,

Bhakta Ajit Kumar.

Bhakta Alok Mishra

Dear Srila Prabhupada,

Please accept my humble obeisance at your divine feet.

It is because of your mercy that I am Krishna Conscious.

I am very thankful to you as because of your effort I am able to meet with the people who love Krishna.

I like to read your books though I am not regularly reading your but whenever I read your book I feel peace. Your teachings as regards spiritual life are really attractive for me.

On this auspicious day, I humbly beg to you for your continuously shower of blessing on me.

I LOVE KRISHNA !!

Your humble servant,

Bhakta Alok Mishra.

Bhakta Amol Dadas

Dear Srila Prabhupada,

Please accept my humble obeisance at your divine lotus feet. All glories to you on this most auspicious day of appearance of your Divine Grace.

Dear Srila Prabhupada, you have given us all the means and required resources to get advanced in spiritual life by showering your unlimited divine mercy through your books and instructions.

I'm trying my best to follow your instructions but being very insignificant and fallen soul I'm struggling to get absorbed completely in your devotional service.

I'm begging to you for your divine mercy, to keep me engaged in devotional service and contribute towards your eternal divine mission.

Begging to remain under the shelter of your lotus feet at all times.

Jai Srila Prabhupada.

Your humble servant,

Bhakta Amol Dadas.

Bhakta Amol Gaikwad

Dear Srila Prabhupada,

Please accept my humble obeisance at your divine lotus feet. All glories to you on this most auspicious appearance day of Your Divine Grace.

I have recently started attending sessions at HKM, Mumbai. I am having a great experience chanting, reading and having 'Krishna Prasadam'. Thank you very much for giving me an opportunity to join with HKM, Mumbai.

Please let your mercy always be on me and guide my way back to the Supreme Personality to Godhead.

Begging to remain under the shelter of your lotus feet at all times.

Your humble servant,

Bhakta Amol Gaikwad.

Bhakta Aniruddhanath Mazumdar

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to your divine grace.

You are carrying Krishna always with you and distributing Him freely to all the conditioned living beings. Infusing them with pure Krishna Bhakti, you are saving millions of lives. By your Bhaktivedanta Purports, which are your devotional ecstasies, you are immortal in this mundane world even to the gross materialists. Humanity here will continue to find answers to the deepest secrets of Absolute Truth from them. You are continuing to transform so many lives by showing them glimpses of eternity, knowledge and bliss.

Your compassion and mercy have no limits. You are continuing to allow living beings from all cultures to be engaged at your service without any discrimination, which alone can purify them of material contamination. You are most expertly engaging anyone and anything at the service of Lord Krishna. Thus, doing your service alone is the ultimate form of worship.

Dear Srila Prabhupada, I'm the most fallen with no quality even to speak anything properly. I am so poor that I've no means to glorify you. Trying to follow your instructions, I make mistakes every now and then. But it is only your causeless mercy that still I'm developing some good sense. My knowledge started when I came across your books and you have the deepest impression in my life. There is nothing in my means with which I will ever be able to repay your mercy towards me. I can simply beg for your mercy and if you allow, be satisfied with your service.

On this auspicious day, I again offer my obeisances 100 times. Please be merciful unto me.

Your insignificant servant,

Bhakta Aniruddhanath Mazumdar.

Bhakta Anish Mate

Dear Srila Prabhupada,

Please accept my humble obeisance at your Lotus feet. All glories to you on this most auspicious appearance day of your divine grace.

Dear Spiritual Master, because of you, we know why Krishna is the Supreme Lord and how Great the Lord is!

Krishna consciousness is a journey with many realisations. I learned - who is the Supreme Lord? Follow not just two Ekadashi's being, Ashadhi Ekadashi and Kartiki Ekadash but follow all twenty four Ekadashi's. Before Krishna Consciousness, dance was meant only for marriages, functions and other ceremonies but after coming to Krishna Consciousness, I realized that kirtans and dance is meant so as to perform it for the Lord Krishna and his holy name. Before Krishna consciousness, I just understood that prasadam is just a small spoon of some sweet preparations but now I have realized the true Krishna prasadam. You have taught us to serve the true roots of the tree instead of serving the leaves, flowers and branches separately. If roots are served, the entire tree is served. Similarly, you guided us to worship powerful Lord Narasimha and to beg for Lord's protection and mercy. Earlier the Bhagavad Gita was limited to – “Yada yada hi adharmasya.....” verse but here I learned the importance of other verses. I realized the Spiritual importance of Goloka Vrindavana. I have a divine experience of chanting regularly and continuously.

This is how you changed my life from Indian hippy to real happy.

I must have done some pious activity and only so I am blessed with having the Acharya like you.

I only pray to Lord to empower me to serve you eternity.

All glories to Srila Prabhupada.

Your humble servant,

Bhakta Anish Mate.

Bhakta Anoop Kumar

My dear Srila Prabhupāda,

Please accept my humble and respectful obeisance at your divine lotus feet.

You have done tremendous efforts to spread Krishna consciousness all over the World.

You had gone to the Western countries at the age of seventy and made even the hippies to dance out of happiness and established ISKCON. You have done so much hard work for Lord Krishna which no one else could have done. You have made a perfect system so that we can follow Krishna consciousness easily and get optimum benefit by getting association of the devotees. Bhakta Anuj Kushwaha

Dear Srila Prabhupada

Please accept my humble obeisance. All glories to Sri Srila Prabhupada.

As the representative of Srila Vyasadeva, you have lucidly explained the original teaching of Srila Vyasadeva in your Bhaktivedanta purports for the benefit of all conditioned souls. Your purports make the most difficult philosophy easy to understand even for the common man.

Prabhupada, you have made a very nice Krishna consciousness movement. Just because of this, everybody has joined this movement and chant the Hare Krishna 'mahamantra' and enjoy the real happiness of life.

The Srimad Bhagavatam explains that out of eighty four lakhs species, we get the human birth. So it's very important as this human birth is considered as a junction. It's an opportunity for us to come out of this birth and death cycle and go back to Godhead.

On this most auspicious day, I humbly beg on to you to continue to shower your blessings on me and to make me an instrument for service of your mission. I beg you to give me the inner strength to take all austerities in service for your mission. Please forgive my offenses and give me the intelligence to carry out your order under your guidance and protection.

Begging to remain under the shelter of your lotus feet at all times.

Your humble servant,

Bhakta Anuj Kushwaha.

Bhakta Arun Jaiswal

Dear srila prabhupada,

All glories to Bhaktivedanta Swami Srila Prabhupada.

Prabhupada, please accept my humble obeisance onto your lotus feet.

I have no words to express my gratitude for your appearance in my life. Thank you very much for the mercy you have showered on us. I am very grateful to you for showing me the right way of 'bhakti'. I would like to say that I will always remain indebted to you for taking me through this wonderful journey.

By your mercy the conditional souls are awakening from the material sense of happiness created by the Maya. They are now seeing the reality and engaging themselves in the devotional services of Lord Krishna, the Supreme Lord.

Please bless me so that I can understand my fortune, be grateful for it and be respectful towards all the 'vaishnava devotees'.

Please forgive the mistakes and offenses that I might have committed knowingly or unknowingly at your lotus feet.

Your insignificant disciple,

Bhakta Arun Jaiswal.

Dear our Spiritual Master Srila Prabhupada,

Please accept my humble obeisance on to your divine lotus feet. All glories to you on this most auspicious appearance day of your divine grace.

You have been a ray of light in the complete darkness created by this material World. You have been a ray of hope not only in my life but also in the lives of thousands of devotees, all over the World. By reading your books and by remembering you, I can actually feel your presence.

It is because of your mercy that I am able to chant, read, do some devotional service and of course have some Krishna prasadam.

My spiritual master, I beg you to keep your love showering on to me like this always. I pay my sincere obeisance to you once again. Thank you very much for everything.

Begging to remain under the shelter of your divine lotus feet at all times.

Your humble servant,

Bhakta Ashish Goswami.

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet. All glories to you on this most auspicious appearance day of your divine grace.

I am eternally grateful to you for showing us the correct path and saving us from becoming an impersonalist. You have shown me the right way of 'bhakti'. Without your help, I would be bewildered forever.

You have inspired us to perform bhakti fearlessly in any circumstances and never leave the belief and trust in you and Lord Krishna.

You have very nicely and poetically described the dark condition of material existence. The spiritual master delivers us from this dark condition by carrying with him the shining lamp of knowledge. Today, when I look back, I feel I have wasted so

much time not listening to you in the first time itself. My life is so better now, I am much happier and peaceful. It took me so long to understand though you kept repeating this. Had you not patiently preached and cared for me, I would have been completely lost. My fortune is boundless to have your grace.

Thank you very much for everything!

Begging to remain under the shelter of your lotus feet at all times.

Your humble servant,

Bhakta Avinash Chandra Shukla.

Dear Srila Prabhupada,

Please accept my humble obeisance at your divine lotus feet. All glories to you on this most auspicious appearance day of Your Divine Grace.

Srila Vyasa Deva says in the 'Shrimad Bhagavatam' that Krishna is The Supreme Personality of Godhead but you have made it very simple for us to understand how Sri Krishna is The Supreme Lord. Your straight forward and absolute Bhaktivedanta purports have made us understand the true importance and meaning of scriptures.

You are the ideal 'Acharya' who accepts everyone and gives shelter at your Lotus feet. You have given us the ripened fruit of Vedanta and your Krishna consciousness movement is showing us the easiest way to reach the supreme destination.

On this day most auspicious day, I pray at your Lotus feet to give me an opportunity to serve your mission with the apex guidance of your disciples.

I beg you to shower your mercy and give us enough strength to have the determination to follow your orders with unflinching faith.

I pray to the Lord so as to always have a service attitude towards you and all other 'Vaishnavas' so as to contribute towards your mission. May Lord never put me in such a condition that I forget you or the Lord himself. Whether in hell or heaven, in happiness or in distress or in any duality of life, I want to only serve you as my spiritual master and the Supreme Lord.

Please keep me under the shelter of your divine lotus feet at all times.

Your humble servant,

Bhakta Bharat Yadav.

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet on the appearance day of your divine grace.

You took so much pain and efforts for the welfare of the entire human society and for liberation of all the spirit souls.

I was in ignorance, completely trapped in the illusion of enjoying my senses. I was having so many impurities in me. However, after taking shelter of your lotus feet, all such impurities are vanishing.

My eyes were closed by darkness of Maya and even after having eyes, I was blind. You opened my darkened eyes and gave me the ultimate knowledge of the self i.e., I am not this body, I am a spirit soul.

You are the true 'Jagat-Guru', the Spiritual Master of the entire World.

Begging you to always keep me in your shelter and give me more and more faith & humbleness.

Your humble servant,

Bhakta Bhimashankar Pawar

Dear Srila Prabhupada,

Please accept my humble obeisance at your divine lotus feet. All glories to you on this most auspicious appearance day of Your Divine Grace.

I am very happy to have a Guru and Spiritual master like you.

You have proved that if a person thinks and does hard work, he can achieve anything in his life.

Worshipping the feet of the Guru is the ultimate of all worships.

On this most auspicious day. I humbly beg you to always to shower your blessings on me and to make me an instrument in serving your mission. I beg you to give me the inner strength to take all austerities in serving your mission.

Please forgive my offenses and give me the intelligence to carry out your orders under the protection of your divine movement and in the association of your sincere devotees.

Begging to remain under the shelter of your lotus feet at all times.

My dear Srila Prabhupada Gurudeva,

Please accept humble obeisance at your lotus feet from your faithful servant -Chandan Kumar.

Srila Prabhupada, please give me your divine mercy always. You have guided me through your books, philosophies, lectures, instructions etc., which I try to follow sincerely. But one surprising thing is that you have given me your mercy and only because of such mercy, I can follow your instructions. Otherwise I couldn't have followed the instructions of Vedic rules and regulations. So I express my gratitude to you Srila Prabhupada. Please continue to give me your mercy.

I wish to continue chanting the holy name of the Lord along with the Hare Krishna 'Mahamantra' –

“Hare Krishna hare Krishna Krishna Krishna Hare Hare

Hare Ram Hare ram Ram Ram Hare Hare”

Please give me your mercy so that I can chant more effectively throughout my life.

Srila Prabhupadji, sometimes I get some problems due to which I get burdened with full of hesitations but doesn't matter, I follow your rules and regulations as it is and come out of such problems. I want to be follow your instructions the whole of my life.

Our Vaishnava cultural says,

*“yasya prasādād bhagavat-prasādo, yasyāprasādān na gatiḥ kuto 'pi
dhyāyan stuvaṁs tasya yaśas tri-sandhyaṁ, vande guroḥ śrī-caraṇāravindam”*

"By satisfaction of the spiritual master, the Supreme Personality of Godhead becomes satisfied and by not satisfying the spiritual master, there is no chance of being promoted to the plane of Kṛishna consciousness. I should, therefore, meditate and pray for his mercy three times a day, and offer my respectful obeisance unto him, my spiritual master."

I know about Lord's activities and transcendental past times, through our spiritual master. Give us your mercy and self-realization. Good God consciousness can be developed in the mind by only pure devotees of the Lord. Thank you for making me Krishna Conscious.

Srila Prabhupad, you are the saviour of the World.

Thank you very much!

Prabhupadaji! If there are any mistakes in my language, use of words and emotion please forgive me.

Please keep me under the shelter of your divine lotus feet at all times!

Your servant,

Bhakta Chandan Kumar das.

Dear Srila Prabhupada,

Please accept my humble obeisance on to your divine lotus feet. All glories to Srila Prabhupada.

Few years back, I purchased 'Bhagavad Gita-As It Is' by His Divine Grace A.C BhaktiVedanta Swami Srila Prabhupada. This edition is one of the best books available on the Bhagavad Gita and on devotion. Further, your purports make it even more special and clear to understand.

Last year, I met one of the disciple and came to know about Hare Krishna Movement in Mumbai. I was very happy to attach myself to the Hare Krishna Movement. I slowly started knowing Srila Prabhupada's teachings as well as I got to know about Hare Krishna 'mahamantra' which I started chanting regularly. It has become my favorite Mantra which got me to the spiritual platform of knowledge and found calmness and peace within me. I have tried to become humble. It taught me about simplicity in this materialistic World.

Glad to be your Humble Servant.

Please keep me under the shelter of your divine lotus feet at all times.

Thank You Very much for everything!

Your humble servant,

Bhakta Deepak.

Bhakta Gaurav Chakroborty

My Dear Srila Prabhupada,

Please accept my humble obeisances. All Glories to Srila Prabhupada.

I offer my respectful obeisances unto His Divine Grace A.C. Bhaktivedanta Swami Prabhupada, who is very dear to Lord Krishna, having taken shelter at His lotus feet. Our respectful obeisances are unto you, O spiritual master, servant of Bhaktisiddhanta Saraswati Goswami.

You are kindly preaching the message of Lord Chaitanyadeva and delivering the Western countries, which are filled with impersonalism and voidism.

*brahmāṇḍa bhramite kona bhāgyavan jiva,
guru-kṛishṇa-prasāde paya bhakti-lata-bija*

“According to their karma, all living entities are wandering throughout the entire universe. Some of them are being elevated to the upper planetary systems, and some are going down into the lower planetary systems. Out of many millions of wandering living entities, one who is very fortunate gets an opportunity to associate with a bona fide spiritual master by the grace of Krishna. By the mercy of both Krishna and the spiritual master, such a person receives the seed of the creeper of devotional service.”

Today, when I compare the days when I was worst than a hippie, I feel pity for myself and think how much time I wasted searching for temporary happiness and today, how much change have come into my life. I will always be indebted to you for the change that you've brought into my life. I was never interested in books and always tried to escape from knowledge but you taught us to read your books and preach the glories of the holy name. I started reading but was not understanding anything but when I started to do service, it felt like the knowledge was coming to me. You told us that devotional service is not difficult and how just by chanting sixteen rounds and following the four regulative principles can make one happy and his life successful.

I am not a very strong person and still get impacted by material desires but now I know what is the ultimate goal of my life. I always try to do services but sometimes get entangled by material works but one thing that I have committed to myself is to read your books and chant no matter what the circumstances are.

A devotee should not have any desires but I request you to please be in my heart and guide me so, I can always be connected to this institution and remember the lotus feet, the day I leave this body.

Your humble servant,

Bhakta Gaurav Chakroborty.

Bhakta Gaurav Rakesh Agrawal

Dear Srila Prabhupada,

Hare Krishna!

Please accept my humble obeisance at your divine lotus feet. I bow down at your feet.

I feel very much proud being your servant as you are the one who has helped the World gain knowledge about the Supreme Lord Krishna, who is the Lord of the Universe and constantly reminding people about the importance of being Krishna conscious. This has benefitted each and every soul in the Universe. They are becoming aware of the spiritual World, its greatness and the value to be attached to it. Also people came to know that one should not be attached to the material World as its temporary and the only thing that can help people be happy is being attached to the spiritual World. I have improved by following the instructions given by you and chanting has helped me progress in my life and even got me close to the spiritual World rather than being attracted to material World. I hope that I too can help spread the message given by you so the World can improve and progress further. I wish that I always have your blessings to do the same.

Begging to remain under the shelter of your divine lotus feet and serve sincerely.

Your humble servant,

Bhakta Gaurav Rakesh Agrawal.

My dear Srila Prabhupada,

Please accept my humble, respectful obeisance at your divine lotus feet. It's been few months since I got associated with ISKCON and it's all because of your divine grace that many unclear things got clear. It's all because of your divine grace that in this age of kaliyuga you taught and showed us the proper bhaktimarg. The system and the books you have given us are priceless.

Gurudev, with your blessings I now chant some rounds. Please shower such blessings so that I can dedicate my whole life towards you and become a genuine devotee. Thank you so much for your shelter and everything.

Your servant,

Bhakta Gautam Singh.

Dear Srila Prabhupada,

Please accept my humble obeisance's at your divine lotus feet. All glories to you on this most auspicious appearance day of Your Divine Grace.

There came a time when I realized that I was missing a very vital element of my life, due to which even after all the support of my parents and well-wishers, I was experiencing turbulences in my journey. I tried all the materialistic solutions with the help of my teachers but was not able to find any permanent solution. That was the point when I realized that beyond this materialistic element, there is someone ultimate- Lord Krishna himself.

I tried my ways to reach the ultimate God and moved each day to find my "Spiritual Guru", to lean on and to learn to make me a better person than what I was. Unknowingly yet luckily, I landed to a place where Krishna was "Praana" for the people present at that place. I was delighted as you showered me with your mercy and blessings to reach near to Krishna. The place where Krishna is in kirtans, Krishna is in prasadam, where I learned that Krishna is in every part of what all my senses can feel or even cannot feel. In an urge of finding Krishna, I got placed near your lotus feet. I was very fortunate to come in Krishna consciousness under your mercy and guidance. I may have not met you but due to your blessings, I never felt for a minute that I was away from you as any time when I needed you, you were always there in the form of devotees, books, lectures and if not anything then in my remembrance.

Thanking you will be a very short word for the life you have imparted to all the devotees. I sincerely pray to you, my Spiritual Master and thank you for giving me this essence of Krishna Consciousness which I would never let go away from me at any circumstances.

On this most auspicious day, I humbly plead you to continue to shower your blessings on me to make me an instrument in serving your mission. Impart me the inner strength to take all austerities in serving your mission.

Please forgive my offenses and give me the intelligence to carry out your orders under the protection of your divine movement and in the association of your sincere devotees.

Imploring to remain under the shelter of your lotus feet at all times.

Your Humble Servant,

Dear Srila Prabhupada,

I don't have words to express my gratitude towards Srila Prabhupada. You have laid the foundation for Krishna consciousness society, so that we should know Krishna consciousness and chant the Hare Krishna 'mahamantra' and get liberated from this material world.

So thank you so much srila prabhupada.

आदरणीय श्रीलाप्रभुपाद जी,

आप के चरण कमलो में मेरा नमन स्वीकार कीजिये।

मैं वो पहला दिन नहीं भूलता जब एक भक्त ने मुझे गीता सैमीनार का प्लम्पलेट दिया। मैं सच में उस समय काफी भागदौड़ में था और विश्राम चाहता था, ये विश्राम था आध्यात्म का जिसका मैं भूका भी था। जब सैमीनार में पहुंचा तब आध्यात्मिक गीत सुनाई देने लगी चारों ओर आध्यात्मिक माहौल और मन की शांति ऐसी की आँखें बंद कर केवल अपने भीतर ध्यान की गैहराइ में जाना चाहता था। जब अध्यात्म प्रवचन की सुरुवात हुई तब जीवन के ऐसे प्रश्नों के उत्तर मिलने लगे जिसकी तलाश में मैं था। जैसे जैसे ज्यादा से ज्यादा समय तक मैं महान साधको के बिच बिताने का अवसर पाते रहा वैसे-वैसे जो वैराग्य के पथ से भौतिक विचार मुझे दूर करते जा रहे थे वो कम होने लगे। भाग्यवस मुझे गुजरात ट्रिप में साधको के साथ जाने का अवसर मिला और वहाँ मैंने महामंत्र का जप किया और जो आंतरिक अनुभूति हुई उसे मैं बता नहीं सकता केवल भावनाओं में ही कहा जा सकता है वो ऐसी अनुभूति थी, वो इस लिए हुआ क्योंकि मैं भक्तों की आध्यात्मिक संगति में था।

इसके बाद मानो मैं उरुक्रमा प्रभु, गोपाल प्रभु आदि के छाया में रहकर और भी खुद को जानने का प्रयास करने लगा। मैं दुखी था क्यों की जो मैं अपने भीतर पाना चाहता हु वो नहीं मिल रहा था। आज भी खुद को जानने ही निकला हु होसकता है प्रभु की कृपा से जान जाऊँ और इस जन्म और मृत्यु के बंधन से मुक्त होकर परमधाम को प्राप्त हो जाऊँ। प्रभुपाद जी के विचार जो उन्होंने अपने अमृत भरे पुस्तकों में लिखी है उनसे जीवन के, समाज के, आत्मा के परमात्माके कई प्रश्नों के उत्तर मिले है। मैं इस हरे कृष्णा मूवमेंट से जितना जुड़ा रहूँगा उतना ही अपने आत्मा के करीब खुद को पाता जाऊँगा तो क्यों न आप भी इस हरे कृष्णा मूवमेंट

दंडवत प्रणाम ए.सी. भक्तिवेदनात स्वामी श्रीलप्रभुपाद,

मैं आपके चरण कमलों को अत्यंत श्रद्धा से नमन करता हूँ। मैं हरे कृष्ण आंदोलन के संपर्क में आने से पहले अंधेरे में था, लेकिन भक्तों के सहयोग से मैं अपनी भौतिक पीड़ा की स्थिति को सुधारने की कोशिश कर रहा हूँ और यह सब आपकी वजह से है। आपने पश्चिम में भी इस संदेश का प्रचार किया है, जहाँ भ्रम पूर्ण ऊर्जा सबसे शक्तिशाली है और आप मेरे जैसे पापी लोगों को भी अपने कमल के चरणों का आश्रय प्रदान करते हैं। भले ही मैं हमेशा अपनी इंद्रियों को तृप्त करने में लीन हूँ लेकिन आपके दिव्य निर्देश मुझे हमेशा अंधकार से प्रकाश की ओर ले जाने का प्रयास करते हैं। आप एक महान भक्त, अपने आध्यात्मिक गुरु के सच्चे शिष्य और सबसे महत्वपूर्ण दयालु गुरु हैं। मुझे उम्मीद है कि मैं आपके संगठन के साथ बना रहूँगा ताकि मुझे आपके प्रति पूर्ण

My dear loved Srila Prabhupada,

Please be merciful on me and accept my humble obeisances. All glories to Srila Prabhupada. All glories to you on this auspicious day of appearance and 'Vyasa pooja'.

I heartily thank you for your mercy on me and for accepting me as your servant. I express my gratitude to you for showing me the way as to how I can live a happy, peaceful and disciplined life.

I thank you for giving me the goal of life. Thank you for opening my eyes and bringing peace in my bewildered life. I was living in a culture where, there were no life ethics and I was likely to completely surrender to my mind and senses.

I thank you for bringing enlightenment in my life. I thank you for giving me the Krishna consciousness. Thank you for making me the servant of Lord Krishna. I believe that I am the most sinful person. Yet you made me eligible to live a Krishna conscious life.

My dear Spiritual Master, your words are an inspiration for us, your words means a lot.

There is peace, something very gracious and very beautiful in you. Always reside within us and guide us. Let us get absorbed in the knowledge of Krishna consciousness.

As we place ourselves in line with your grace, through the disciplines of 'satsanga', chanting, reading, devotional service and meditation, we are merely indicating our sincerity towards the Lord. Further, everything is in your loving and divine lotus feet, and our realization will unfold according to Lord's perfect timings and your kind and divine mercy on us.

Finally, let the shade of your lotus feet always be unto me and allow your grace to guide me every day, every breath and every moment.

O Prabhupada ! Your merciful glance.

In the shade of your lotus feet.

Dear Srila Prabhupada,

Hare Krishna.

Please accept my humble obeisances at your divine lotus feet.

Prabhupad, my journey with you and Krishna Consciousness, had started about 25 years ago when I was first introduced to the movement by a friend. Of course my idea of this movement was as good as an ordinary laymen and at that time, materialistic pleasure was my goal. No doubt, Krishna gave me a very good taste of materialistic life in terms of drinking, eating non vegetarian, falling in love, getting married, having kids, lamenting about marriage, fighting with the spouse, hollering at the kids and the list was endless.

Krishna probably thought that trailers are not enough let's show me how the whole movie looks like. And most certainly I had a very good look at life only to realise that things are very effective in the dukhalayam.

Then comes Krishna as a shining knight with his most favoured general called Prabhupada and says enough of your suffering, join Krishna Conciousness and find your way back home, Back To Godhead

In these 3 years where there has been seriousness in my way of life and also about the movement, Prabhupada, I have figured out that if we really start to throw away the materialistic way of life, our problems are halved.

No, I still don't stop looking and ogling at girls and ladies but yes my perspective about has changed. Yes Smoking, Drinking and Non vegetarian is also off the chart and this is serious and yes i feel a new character. But the falling down and getting up is still on and had it not been for your lectures where you say that this is a natural phenomenon as we have been conditioned souls for the past so many life times, I would have been a WRECK for sure.

Prabhupad, I am fallen soul no doubt but with the amount of SEVA which I can do, I still think there is a lot left to be desired and that without your help and guidance, we will always be in and out of the materialistic world. Your books for me are a running commentary of the life we have led and what we should be learning. Prabhupad, let me ask you a favour to bestow this same favour to all who would like to join Krishna consciousness.

I remember your famous saying “To do good one must be good” and I would like you to shower me with all the blessings so that I don’t just do the chantings and kirtans, but have the strength to preach to other fellow beings and ask them to evolve themselves by identifying themselves with their souls

My only desire, please help me in my ongoing path and let it not be a case of 1 step ahead and 2 steps backward; rather let it be 2 steps ahead and 1 step backward.

Please accept my obeisances and prayers to make our mind strong so that we are out of material and sense gratifications begging to be under our lotus feet.

Your humble servant,

Bhakta S Kesavan Iyer.

Bhakta Keshav

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to you on this most auspicious appearance day of your divine grace.

I cannot describe in words that to what extent my life has changed by your mercy. Please give me the strength to become more and stronger in Krishna Consciousness. I am sure that by your mercy, I will progress in Krishna Consciousness.

I can see a lot of changes in my life as I have been chanting from a while. I have dependence on you and Lord Krishna in every sphere of my life. I am not worrying what will happen in future, I rely on Krishna's decision. I have true faith in Krishna that his plan will be the best plan for me. This belief has changed my life.

I sincerely thank you for your contribution in enlightening the lives of countless people including me. Your best gift to us are your books that never let us feel your absence.

I want to repeat below words from my heart that connects me with you:

“My life was fully dark

You came in it and ignited a spark

Your words are always full of wisdom

You are star in Krishna's kingdom

Your devotees are so humble

Their association reduces life's fumble

Our prasadam is so tasty

For that I always remain hasty

I beg for your merciful blessings

That will surely eliminate all sufferings”

Dear Srila Prabhupada,

Please accept my humble obeisance at your divine lotus feet. All glories to you on this most auspicious appearance day of your divine grace.

I was living my life in a city as a normal person. I had no knowledge of myself. Who am I? Where I came from? What is the aim of my life? I had no idea regarding the same. I was completely engrossed in material enjoyment and breaking all the four regulative principles.

By Lord Krishna's and your mercy, I came in touch with your Hare Krishna Movement, Mumbai. Now, since past two years, I am practicing Krishna Consciousness and by your grace my life has transformed one eighty degrees and I am living a peaceful life. By chanting and reading yours books lot of my doubts get cleared.

I humbly beg at your lotus feet to shower your blessings on me.

Dear Srila Prabhupada,

Dandawat pranams...!!!

Four year back, I received a pamphlet from one of the devotee at Thane station and I attended the session conducted. Then gradually, I attached to this great movement which was seeded by you. The more I am listening to you, the more I am reading your books.... you are creating a special place in my heart.

This World is very fortunate to have you. In the 19th century, all were degrading and effecting by the World war, declined of moral values, rise of hippy culture and all such things. You went to US and rose as a Sun. As the sun slowly and steadily brighten its light, in the same way, the light of your knowledge has spread in the entire World and has changed the life of millions.

I offer my humble obeisance onto your lotus feet. I will be eternally grateful to you for showing me the correct path and saving me from impersonalising and showing tme he right way of 'bhakti', forever, inspiring us to perform bhakti fearlessly and in any circumstances.

Please give your blessing so that I come back to the lotus feet of the supreme Lord Krishna. Give me a patient mind which focuses on you. Give me intelligence so that I don't develop ego, stay polite with everyone & remove my material desires. I am ready to be fully dedicated for a Krishna Conscious spiritual life unaffected by material life.

Please give me shelter under your divine lotus feet.

Thank you very much for everything!

Thank you very much Gurudev.

Hare Krishna!

Please accept my humble obeisance on to your divine lotus feet. All glories to you on this most auspicious appearance day of your divine grace.

The only way to escape from this material darkness is to get the touch of your lotus feet.

Though, I may not be qualified, yet you showed your mercy on me. This is your true glory.

Please show us the way to achieve real bhakti and pure Krishna Consciousness.

Please keep me under the shelter of your divine lotus feet at all times.

Thank You very much for everything!

Dear Srila Prabhupada,

I offer my respectful obeisances unto your lotus feet.

By spreading Chaitanya Mahaprabhu's bhakti movement, you have not just helped the western world but many fallen souls like me across the universe.

I feel quite fortunate to get the association of devotees in this age of Kali through this movement.

I sincerely thank you for that.

Koti Koti Dandavat Pranams.

Your Servant,

Bhakta Manish Kumar Sharma.

Bhakta Mayur Bonkile

Saviour of the whole world Srila Prabhupāda,

Please accept my humble, respectful obeisance at your divine lotus feet.

I am writing a letter to you the first time; in fact, I have not written any letter in this digital world! This is the first incident of my life to actually write a letter to someone and that to my spiritual master. Same, with the Krishna Consciousness (KC), I realise the truth the first time because of your mercy. You brought divine light into my dark conditioned life, and things became clear to me. You became the source of hope, joy, unshaken faith, and an unending source of energy on the journey of back to Godhead.

I can clearly differentiate my life before and after your mercy. It was like the Sine curve, full of ups & downs! All the “Up” moments in my measurable life experienced during the association of devotee and spiritual trips. Whenever I distance myself from the KC, all the “Down” events happened one after another. I learned it in a hard way that there is no Grey area in KC. It is Black & White, either you will be blessed with the mercy of Srila Prabhupāda or Maya will capture you. I wonder what my situation would have been without the association of the pure devotees created by you.

I was surprised and amazed when a devotee explained to me your story. It is inspiring to the whole world as you had shown the example of pure Vaishnava. I am a fallen soul and struggling to follow the spiritual path shown by you. I committed a lot of sines in my life. I made so many mistakes while travelling on this spiritual path. However, you are so merciful that keep your blessings on me. Please give me enough strength to remember Krishna every single second of my life, and this will be only possible because of Your Divine Grace.

Please know that our hope rests only in Your Divine Grace’s causeless mercy and in the hope that you will always shower your blessings upon us so we can remain under your shelter eternally.

Thank you so much for opening my eyes with the torch of knowledge.

Your Servant,

Bhakta Mayur Bonkile.

Bhakta Mohnish Kapil

Dear Srila Prabhupada

Please accept my humble obeisance at your divine lotus feet. All glories unto you!

My words will be insignificant and I am myself is not qualified to describe your glories. But by your causeless mercy, I came in touch with your divine movement. Your divine movement is the safest and straight path to directly serve the supreme personality of Godhead, Lord Krishna.

You have saved innumerable souls from the clutches of Maya and purified their dirty mind. You have given the human society the real gift of Krishna Consciousness freely. Without your movement, this fool can never know about the spiritual subject matter and would have remained illusioned.

On this auspicious day, I beg your mercy to continue on the path given by you. Please forgive my offences and bless me with the strength to serve your lotus feet.

Your aspiring servant,

Bhakta Mohnish Kapil.

Bhakta Monesh R Mansukhani

Dear Srila Prabhupada

Please accept my humble obeisance at your divine lotus feet. All glories to you on this most auspicious appearance day of Your Divine Grace.

As a representative of Srila Vyasadeva you have lucidly explained the original teachings of Srila Vyasadeva in your Bhaktivedanta purports for the benefit of all conditioned souls. Your purports make the most difficult philosophy easy to understand even for the common man.

Each year on the anniversary of your divine appearance, I am struck with wonder and deep appreciation as I contemplate the unlimited compassion, love, and faith you have shown in creating hope in the lives of all of us conditioned living entities. You have given us a complete system of spiritual practice, which helps us mould our lives in such a perfect manner that we can remain Krishna conscious all twenty-four hours a day. The highlights of this system is the morning program which is full of potent spiritual activities beginning with 'mangala-āarti', Tulasi Maharani worship, 'japa', guru-pūjā, classes on the greatest scriptures like the Srimad Bhagvatam and finally the delicious 'Krishna Prasadam'.

Various books written by you or knowledge given by Lord Krishna through your books explains that we must praise Lord Krishna in every instance of our lives. One must become 'Dasa Nu Dasa' i.e. a Servant of Servant, be humble to every person he meets and must give him the honour and respect which may be given to a master and we must treat him as if Lord Krishna is present in his soul. When we meet each other, we must treat such other person as our 'prabhu' and ourselves as a Dasa (servant) of Lord Krishna. Earlier, I was very authoritative person and hence, would try to dominate each and every soul on this Earth, which would ultimately lead me to having bad relationship with everyone on this Earth. However, after coming under your guidance in Krishna Consciousness, I realized that what I was doing is of no use to me as neither does any material human being likes it nor does Lord Krishna himself like it, as according to him and as per your books, we must treat ourselves as the Servant of Servant of Servant of Servant.

By your 'tapasya' you have given the wonderful gift of this Krishna consciousness movement to the whole World.

On this most auspicious day, I beg you to keep your divine grace on me and your other disciples so that we can follow the Krishna Consciousness Movement and simultaneously, preach the same to other souls from this material World who are suffering under the influence of Maya.

O saviour of the whole World- Srila Prabhupāda, I humbly beg Your Divine Grace to please forgive all my mistakes and offenses and to mercifully empower me to become a genuine devotee and your true representative.

Begging to remain under the shelter of your lotus feet at all times. Thanking you,

Your humble servant,

Bhakta Monesh R Mansukhani.

*"om ajnana-timirandhasya jnananjana-salakaya
caksur unmilitam yena tasmai sri-gurave namah"*

Hare Krishna Srila Prabhupada,

I offer my humble obeisance unto you. Every day when I finish my 16 rounds of chanting, I remember your divine grace by which I feel protected in the midst of all miseries. Even today, I remember the day when you appeared in my home in the form of your divine instruction - "The Science of Self-realization", enlightend me, ended my sufferings and made me jubilant. It is just because of your mercy that I realized that what I am searching for is nothing but just love of Godhead.

Sometimes, I contemplate on my past to repent on my misdeeds. Such an insignificant beggar I was! But due to illusion, I used to think that I am happy and that would continue to exist. I was simply puffed up due to my mundane so-called qualification which is of no use. This was my actual position until and unless you interfered and transformed everything and made everything so wonderful and amazing. I remember the days when I used to suffer due to thirst for love, care and hope desperately. I used to loiter in streets not better than a dog. These all changed simply by your books. It is so enlightening and enlivening for the mind and soul that it transformed my life. Now, because of you, I know whom should I be devoted to and for what I should endeavour. I am satisfied Srila Prabhupada from my heart. Now nothing seems to be bothering me anymore. I am confident about everything. I know, I am under your's and Lord Krishna's special divine control and protection. I have no doubt at all because I follow your bona-fide instructions viz., chanting 16 rounds and following four regulative principles. I have no fear of my future because I know that you have taken charge.

I beg for your mercy so that I am able to chant the Hare Krishna 'Mahamantra' for only satisfaction of Lord Sri Krishna. I beg your mercy to purify my devotional service towards Lord Sri Krishna as it is always mixed with thousand of material desires. I beg you for your mercy so that I become as Lord Sri Krishna desires. I am stupid and fool. I don't know to take any decision. Please help me throughout my journey back to Godhead. I beg for your mercy so that I would be able to serve devotees of Lord Sri Krishna without any offences. I can never repay the debt. I can only serve you up to my last breath and this is my only desire. Please bless me to carry on your mission ahead. Hare Krishna!

Your Servant,

Bhakta Monicraj Nadar.

Dear Srila Prabhupada,

Please accept my humble obeisance on to your divine lotus feet. All glories to you on the most auspicious day of appearance of your divine grace.

Earlier, I was weak in my communication skills. While communicating with people, I was too scared. But after attending seminars on the Bhagavad Gita, I developed a lot of confidence in life.

This miracle was possible only because of you and Lord Krishna's mercy.

It is because of your mercy that I am getting to know and hear about Lord Krishna. Chanting, reading, mantra meditation and hearing are few of my divine experiences.

Thank you very much for everything you have given us.

Begging to remain under the shelter of your lotus feet at all times.

Your Humble Servant,

Bhakta Mukul.

Bhakta Nakul Jasrotia

My Dear Srila Prabhupada,

Please Accept my humble obeisance at your lotus feet.

It is said that only very fortunate one lives in the association of devotees and with your mercy I, an insignificant living entity, have received this fortune of living in association of Devotees of supreme lord. It is your spiritual potency that is providing fallen soul like me, a chance and enabling me to do service at the lotus feet of the supreme lord. It is by your mercy that our offerings are accepted by the Lord. You have given this world a desire tree in the form of this movement of

which many generations are relishing fruit in the form of Hari Naam sankirtan and many coming generations will also relish.

Please never take away the shelter of your lotus feet from our head because under your shelter only we are protected from this material ocean of wildfire.

Dear Srila Prabhupad, I thank you for Your mercy, kindness and your association to this insignificant living entity through your books and Stories of your pastimes. Please always keep us under the shelter of your lotus feet.

all glories to srila prabhupad, all glories all glories to guru and gauranga!!!

Your Servant,

Bhakta Nakul Jasrotia.

Bhakta Narasimha Pavan Appalla

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet. All glories to you on this most auspicious appearance day.

We learn and earn a lot of knowledge throughout our journey of life. However, you are the one who revealed that knowledge which is to be known, which is pure awareness and which is eternal. To recognize myself as a soul and not the body, keeps multiple material distress away from my head.

Thank you Srila Prabhupad, the knowledge you have shared always tries to keep me hold and stay the same in peaks and valleys of my life. This realization has had an enormous impact on my mental health, making it possible for me to relate to people and situations.

“Om ajnana-timirandhasya jnananjana-shalakaya

Cakshur unmilitam yena tasmai shri gurave namah”

“I was born in the darkest ignorance, and my spiritual master opened my eyes with the torch of knowledge. I offer my respectful obeisance unto him. “

Begging to remain under the shelter of your lotus feet at all times.

Your humble servant,

Bhakta Narasimha Pavan Appalla.

Bhakta Nikunj

Dear Srila Prabhupada,

By your causeless mercy I got the opportunity to serve you by becoming fulltime missionary, as if I were outside there I have to think of 100 times that, whether this is Krishna's service or maya's service. But the temples you made in this material world are like ocean in the desert, so this is unimaginable mercy for me which you bestowed as I was totally mad after money 24/7 and thinking about business. Spiritual life is very smooth in ashram but there are some challenges also with respect to vaishnava aparadh. sometimes I don't know how to deal with the vaishnavas or Godbrothers. so please prabhupada give me the intelligence. I have informed my parents about the joining, so please give them your mercy so that they will also become Krishna conscious.

Right now Prabhupada, in the ashram, there are so many facilities to serve you but still that strong determination is not coming, which I had while I was doing my business. I want that same dedication to serve you as I have so many desires to serve your mission.

As you know that I have left my business, parents, family, everything, so now I want to serve you fully, physically and mentally, so please guide me. Otherwise again my life will get unused for achieving the ultimate aim, which is going back home, back to Godhead.

Prabhupada as this preaching mission is growing day by day, senior devotees are planning how to expand the preaching of Chaitanya mahaprabhu's teachings. Hare Krishna Movement Mumbai devotees are desiring from so long for the temple in Bombay and we are not getting land here. So please Prabhupada fulfil this desire, so that HKM Mumbai preaching will grow and it will be easy for the devotees to preach.

Following the authorities as it is my main challenge. As sometimes I do what I want and not what my authorities or senior devotee want from me. Lacking in this, following as it is, is my problem. So please Prabhupada bless me so that I can follow the authorities.

Preaching Is very important as you have shown by your example, in the age of 70 you were gone to the west to preach this Chaitanya Mahaprabhu's message to the people who are so much addicted for the women, liquor, flesh. You have preached them which is such an impossible task. This can be done by the pure devotee only, it is not possible for the common man. As you have started this Jagganath rath yatra in the west which is now very famous. Each and every disciple has the duty to glorify his spiritual master. so prabhupada please give me the strength and bless me, so that I can follow the four regulative principles and chanting 16 rounds very seriously as now I am not able to do it very seriously.

In our Krishna conscious philosophy various things are explained, in that, like if we want to do anything we require three things jnana, bala and kriya. So prabhupada there are somany challenges in my life given by the maya and I beg your mercy to bless me janana, bala and kriya, so that I can serve you and advance in Spiritual life.

Your eternal disciple,

Bhakta Nikunj.

Bhakta Ninad Sawant

My dear Srila Prabhupāda,

Please accept my humble and respectful obeisances at your lotus feet.

This is my first offering of 'Vyas Pooja'. Back then I was not in contact with Hare Krishna Movement.

I had always wondered who is God and why is he different for different religions? Of course, I was in ignorance earlier. Thanks to you. It is because of your teachings that I could see beyond ignorance. I consider myself fortunate enough to understand the absolute truth and your teachings answered all my questions. I finally came to know about the purpose of human life. You showed me the way for perfection of human life and most importantly, you taught me the most precious thing i.e., 'Bhakti' of Lord Krishna which would have been impossible without your divine mercy . It is because of your mercy that within one year of touch with the Hare Krishna movement, I was able to visit various 'dhams' such as Vrindavana, Mayapur and Pandharpur . It is because of your efforts today that I am able to have association of devotees and take 'Krishna prasadam'.

I beg for your mercy and forgiveness for any offences committed by me consciously or unconsciously towards the 'vaishnavas' and to the Lord. Thank you for each and everything and guiding me towards the path of ,Krishna bhakti'.

I can never repay you. All I beg is your divine mercy so that I can serve you and ultimately serve Lord Krishna.

Your servant,

Bhakta Ninad Sawant.

My dear Srila Prabhupada,

Hare Krishna!

Please accept my humble and respectful obeisance at your divine lotus feet. All glories to you on this appearance day of your divine grace.

This Anniversary, I am very happy to state that Guru "Srila Prabhupada" has given me and the whole planet the "Hare Krishna" 'mahamantra', which has transformed us from material life to spiritual life. It is one of the keys to liberate us from the cycle of birth and death which will eventually lead us to the Spiritual World of "Lord Shri Krishna".

Your book- "Beyond Birth and Death", teaches us that we are "Aham Brahmasmi" meaning Spirit Soul. It teaches us that we are presently attached to material enjoyment and are busy to satisfy and enjoy the senses of life and have forgotten our real identity i.e. spirit soul and servant of Lord Krishna . It teaches us that we have unnecessarily taken all sorrows for material pleasures. "Srila Prabhupada" has explained us the importance of chanting the "Hare Krishna" Mahamantra which will remove all sorrows in life and lead us to the Spiritual World of The Supreme Personality of Godhead "Lord Shri Krishna"

Each year on the anniversary of your divine appearance, I am struck with wonder and deep appreciation as I contemplate the unlimited compassion, love, and faith you showed in creating hope in the lives of all of us conditioned living entities.

You have given us a complete system of spiritual practice through chanting the "Hare Krishna" 'Mahamantra' which helps us mould our lives in such a perfect way that we can remain Krishna conscious twenty-four hours a day.

You have given us the association of devotees who preaches us "Bhagavad Gita-Katha" and Krishna prasadam which serves as a nutritious diet for our soul which helps us to remain pure and render devotional services to the Supreme Personality of Godhead "Sri.Krishna".

You have preached us through the book " Beyond Birth and Death" and "Bhagavad-gita As It Is" that everyone should perform his duty i.e."Karma" with honesty and devotion to the Lord which will lead to us to become an ideal person.

O savior of the whole World "Srila Prabhupada", I humbly beg Your Divine Grace to please forgive all my mistakes and offenses and to mercifully empower me to become a genuine devotee and your true representative.

Please know that our hope rests only in Your Divine Grace's causeless mercy and in the hope that you will always shower your blessings upon us so that we can remain under your shelter eternally.

I once again “Thank You” “Srila Prabhupada” deeply through my heart for giving us the “Hare Krishna” Mahamantra and “Srimad Bhagvatam” knowledge through your devotees in the class which has transformed me from a previously lacking personality to a new personality. I also “Thank You” for being our inspiration and source of vision to achieve “Krishna Consciousness”.

I feel very grateful to “Srila Prabhupada” for changing me from nervous stage to devotionally joyful stage in every part of my life. I am thankful to “Srila Prabhupada” for spreading of “Krishna Consciousness” all over the World. I am also thankful to “Srila Prabhupada” that by practicing the “Hare Krishna” Mahamantra, one will be freed from birth and death cycle and will enter into the Spiritual World where we will be happy by serving the Supreme Personality of Godhead -Lord Shri Krishna.

Hare Krishna!

Your humble Servant,

Bhakta Nitin Sudhakar Naik.

Bhakta Omkar Bhopale

Dear Srila Prabhupada,

Please accept my humble obeisances at Your Holy Lotus Feet.

All glories to you on this most auspicious appearance day of Your Divine Grace.

My dear Guru Srila Prabhupada, unto you, many disciples surrender their lives. The power of your words has slaughtered the ignorance. Through your transcendental vision of the spiritual skies, I can get a view of how it would be glittering like thousands of Suns. This is because of the luster of Lord Krishna's hue. Please keep me near you, for with my own eyes, I wish to see him shining.

I am so unworthy but still, I get your causeless love and mercy all the times. It is because of You that I'm associated with very nice devotees of HKM-Mumbai, I am able to chant 16 rounds of 'Hare Krishna Mahamantra', I am able to visit various spiritual places and 'dhams', able to stay in FOLK residency and take 'Krishna Prasadam'. You are my actual and true father. Your compassion is like a great cloud above that refreshes the dried out souls erring hither and thither. By your personal example, you teach us to accept all austerities to carry out the order of the Spiritual Master. By your 'tapasya', you have given the wonderful gift of this Hare Krishna movement to the whole World. Also, thanking you for freeing my mind. By this, I have learned to accept responsibility for making my own judgements and decisions. I am small and fallible filled with faults and sins. Without You, I would have been lost.

May you bless me to get away from all material desires, anger, lust, greed and false ego. Give me the strength and intelligence to fight with all 'anarthas' and 'vaishnavaaparadha'.

Thank you very much for everything Srila Prabhupada. All glories to your Lotus Feet. Begging to remain under the shelter of Your Lotus Feet at all times.

Srila Prabhupada ki Jai !!

Your aspiring servant,

Bhakta Omkar Bhopale.

Dear our Spiritual Master Srila Prabhupada,

Please accept my humble obeisance on to your divine lotus feet. All glories to you on this most auspicious appearance day of your divine grace.

*“Yasya prasādād bhagavat-prasādo
yasyāprasādān na gatiḥ kuto 'pi

"By satisfaction of the spiritual master, the Supreme Personality of Godhead becomes satisfied. And by not satisfying the spiritual master, there is no chance of being promoted to the plane of Kṛishṇa consciousness. I should, therefore, meditate and pray for his mercy three times a day, and offer my respectful obeisance unto him, my spiritual master."

It is only by your mercy and will that I am able to offer my obeisance to you. Though I am imperfect and sinful, you have shown me your mercy. I express my heartfelt gratitude for the same. Please accept my best wishes for Guru Purnima as well.

I believe that you have been observing me since many years and finally showed me your mercy and made me a part of the Hare Krishna Movement. This all is your mercy. Thank you very much for considering me worthy of being a part of the Hare Krishna Movement. Thank you very much for your blessings and uplifting me in spiritual life.

We feel blessed to have a bonafide spiritual master like you. Thank you for writing so many books for us which guide us in spiritual direction from time to time. I commit to complete my sadhana viz., chanting, reading and your devotional services from time to time with full dedication.

It is because of your mercy that I have started chanting regularly, reading, attend Mangala and Darashana aarti, kirtans, dance, attend Krishna Consciousness lectures, attend festivals, visit places of spiritual importance and of course, have delicious Krishna prasadam. All this is really a very divine experience which is the food for the soul.

Please forgive me for all the mistakes, anarthas and Vaishnava-aparadhas which would have been committed by me knowingly or unknowingly. You have given us a golden opportunity to come back to Godhead by way of your Krishna consciousness movement. Please guide us to the way back to Godhead.

By your mercy and guidance, I have been chanting the below verse every day since past ten years. To my surprise, even before joining this HKM. So it is apparent that you have given me a helping hand like a father to his son to uplift me in my spiritual life, ultimately to reach the Supreme Personality of Godhead, Lord Shri Krishna.

*“Yatra yogeśhvaraḥ kṛiṣṇo yatra pāṛtho dhanur-dharaḥ
tatra śhrīṛ vijayo bhūtir dhruvā nītir matir mama”*

“Wherever there is Shree Krishna, the Lord of all Yoga, and wherever there is Arjun, the supreme archer, there will also certainly be unending opulence, victory, prosperity, and righteousness. Of this, I am certain.”

Thank you very much for everything!

Begging to remain under the shelter of your divine lotus feet at all times.

Your most fallen yet humble servant,

Bhakta Orel Moses Kolet.

Bhakta Pavan Kumar

Hare Krishna Srila Prabhupada,

Please accept my humble obeisance on to your divine lotus feet. All glories to Srila Prabhupada on this most auspicious day of appearance of your divine grace.

I wanted to convey my gratitude to you. However, I could not find any words in the material dictionary to glorify you as you belong to Spiritual platform. However, I am not even qualified to write or convey anything about you as I am the most sinful material being with heavy loads of sins in my account.

I sincerely beg you to provide circumstances in my life to remember the Lord.

Holy names of the Lord are always to be chanted as in this age of Kali, the Lord has descended in the form of the holy name and the Lord's name is not distinct from the Lord.

Thank you so much for everything.

I may not be qualified to call myself as your servant. Yet, I express my gratitude towards my spiritual Master.

Begging to remain under the shelter of your lotus feet at all times.

Your humble servant,

Bhakta Pavankumar.

Bhakta Pradeep Kumar

Dear Srila Prabhupada,

My heartily obeisance on to your divine lotus feet.

I am having a great experience with the devotees as well as my God brothers who stay with me at Folk residency, Thane. This has all happened due to the mercy of Lord Krishna as well as your blessings Srila Prabhupada. By the process of devotional service which you have given and establishment of ISKCON as well as HKM for youngster/youth like me, we have got the light of Krishna consciousness. Otherwise, we would have got bewildered in today's modern life like a dark well which is full of modes of material nature and ignorance. However, Krishna consciousness has given me the opportunity to improve myself in material as well as spiritual World.

I have learned many things in folk residency viz., waking up early in the morning, meditation by chanting, doing morning 'Mangal aarti' in a cultural manner, receiving the Vedic knowledge by reading Srila Prabhupada's quotes, reading & hearing lectures of Srila Prabhupada and other senior devotees, going for pilgrims and knowing about great devotees.

Due to reading of Srila Prabhupada books, I got the real knowledge to such an extent that I never imagined before. It helped me a lot in many ways viz., to control my anger in my daily routine, guided me to respond to that person who had behaved rudely with me, doing the work in smart way as well as in time limit and last but not the least purification of thoughts which improve our strength and build our good character.

This is my first Vyas Puja Letter and I paid this into the lotus feet of Srila Prabhupada. I beg for Srila Prabhupada's mercy for improving myself in Krishna consciousness.

Your Servant,

Bhakta Pradeep Kumar.

Bhakta Prafulla Dalvi

Dear Srila Prabhupada,

Please accept my humble obeisance at your divine lotus feet. All glories to you on this most auspicious appearance day of Your Divine Grace.

Prabhupada ! You have spread the inner feelings of Shri Caitanya Mahāprabhu under the divine order of your spiritual master Bhaktisiddhānta Sarasvati Goswami. You have spread Krishna consciousness all over the World through the International Society for Krishna Consciousness!

It is because of our spiritual master that we are able to comprehend the knowledge of our scriptures in simple language with most relevant examples.

Before coming to HKM Mumbai, I have read books of many great personalities but they couldn't teach me the real purpose of my life. Even after achieving material wealth, I was not happy.

Now after attending several sessions of HKM Mumbai, I feel that I am one of the luckiest souls who have started his journey towards the Supreme Personality of Godhead. It started my journey by accepting a pamphlet and secondly by submissively following your teachings.

Now my happiness is not in the control of any material desires.

Thank you Srila Prabhupada for giving us the real taste of 'Harinam'.

All glories to Srila Prabhupada!!!

Begging to remain under the shelter of your lotus feet at all times.

Your humble servant,

Bhakta Prafulla Dalvi.

Bhakta Prashant Arjun Pawar

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to Srila Prabhupada.

Hare Krishna !

Srila Prabhupada, first of all thank you so much for giving all of us a very important message about the importance of human life and how one should utilize this human form of life in the best manner.

By listening about you from devotees and by reading your biography it is apparent that you have done a lot of hard work for all of us. You are so merciful and full of compassion for all conditioned souls like me.

Srila Prabhupada, your books are very straight forward and logical. You have given to us everything that is required for us to reach the perfection of life .You taught us how to practice spiritual and devotional life. It is only because of your divine mercy that I have started following the spiritual path, attending lectures on 'Bhagavad Gita' and having nice 'Krishna Prasadam'. It is because of you that we are coming to know real spirituality, our culture and tradition.

Dear Prabhupada, by attending 'Bhagavad Gita' classes, chanting and by following you rules and regulatory principles, I feel very good and peaceful in my life. Before coming to the Hare Krishna Movement, I had committed many mistakes but after joining to the association of devotees, I have changed. Today also, I am not fully perfect but I am progressing because of your divine mercy. I came to know what things we should do and what should be avoided. I sometimes fail to follow your instructions but I promise you that I will strictly follow your orders. Dear Srila Prabhupada, at the beginning I did not take Krishna consciousness very seriously. Now because of devotees, reading your books and experiencing your causeless mercy

and compassion for all fallen souls, I am trying to become serious about it. I got exposed to a lot of philosophy which I earlier didn't know. You have done so much for us Srila Prabhupada.

While reading your books it feels like you are personally giving us knowledge. You did so much for us but in reciprocation, I have not done anything for you. I'm fallen and unqualified but today I promise you that I will practise Krishna consciousness seriously and with more convictions please give me your mercy. I want to make progress in my spiritual life but somehow due to the influence of the 'maya', I'm not able to do it with that conviction. Please help me. By practising Krishna consciousness my life has changed. Gradually, I became aware about the real meaning of life. Thank you so much Prabhupada. You have done a very valuable work for us.

Please give me the inner strength to chant more effectively and to progress in Krishna consciousness.

Begging to remain under the shelter of your lotus feet and your instructions.

Trying to be your humble servant,

Bhakta Prashant Arjun Pawar.

Bhakta Pratik Singh

Hare Krishna,

Dear Prabhupada,

Please accept my humble obeisance at the dust of your lotus feet. All glories to your divine grace.

Firstly, thank you for showing me the path to reach to Krishna. When I was suffering a lot and was passing through a very difficult phase of my life, when everything was going wrong in my life, at that time, with your Mercy I got an opportunity to see you, connect to Krishna consciousness, to get your blessings and to have a delicious 'Krishna Prasadam'.

By your mercy, I have started chanting, reading and following the four regulatory principles. With the association of devotees, my life has changed drastically.

His Divine-Grace Srila Prabhupada, your contribution in my life and towards this material World is really remarkable. It is because of you that so many souls all over the World have engaged themselves in Krishna Consciousness. Please accept my prayers and sprinkle your mercy and blessings on this whole World so that every living entity engages themselves in Krishna Consciousness.

Please forgive my mistakes and provide me shelter under your lotus feet.

Thanking you for your blessings.

Your humble servant,

Bhakta Pratik Singh.

Bhakta Prem Kumar

All glories to Srila Prabhupada!

Please accept my humble obeisance on to your divine lotus feet. All glories to you on this most auspicious appearance day of your divine grace.

I would like to thank you Srila Prabhupada. It is because of you only that I have got to know about Krishna consciousness. It is because of your blessings and mercy that I am able to chant the Hare Krishna mahamantra, attend mangala aarti, have delicious Krishna prasadam, and attend Bhagavatam classes, read Krishna consciousness books and associate with good hearted souls who are your bhaktas.

Before coming to Krishna consciousness, I was not aware about the glories of Lord Krishna. I was living in the material World. It is only because of your mercy that I am waking up early in the morning to attend mangala aarti and know how spiritual World is more powerful and beautiful than the material World. Spiritual knowledge gives more happiness and energy.

*“Hare Krishna Hare Krishna, Krishna Krishna Hare Hare
Hare Rama Hare Rama, Rama Rama Hare Hare”*

The above mantra gives more and more peace. While chanting we feel like this is the real mantra for spiritual growth. I have been inspired by reading your books and listening to your lectures. It is because of you only that everyone can chant this mantra in western also. It is because of you only that everyone knows what Krishna told in the Gita. It is very clear by reading your book “Bhagavad- Gita As It Is” along with your purports.

I request you to always make me remain under the shelter of your lotus feet and strictly follow and abide your instructions. Please shower your blessing upon me to gain spiritual knowledge and serve you as much as possible. Please forgive me for any offenses done by me.

Thank you very much for everything!

Your Humble Servant,

Bhakta Prem Kumar.

Dear Srila Prabhupada,

Hare Krishna!

Namaste & please accept my humble obeisance and heart full glories to you on this auspicious appearance day of your divine grace.

Acharyaji, it has been few months that I have joined this movement and experienced something divine which I would like to share about.

Life was good going then, everyone was happy, fortunate and happy go lucky. Every day was like gem star; lucky enough. I never bothered about anything, neither thought of giving mind to surrounding nor did I questioned the cause or effect of happenings in daily life.

However, soon then, things started to fall apart and day by day everything started losing its shine. Life was going without any purpose and time seemed to be an ageing factor. Routine was like a vicious cycle and change was distant dream for me. This was the time where I was wandering to stable my mind and to sustain my life.

That was the time when, I was fortunate enough to hear the Lord's call and come to explore the untouched opportunity of life-The teachings of your Divine Grace. Before I joined, The Bhagavad Gita was just a book and saints were only men in saffron attire for me. It took no longer for me to realise the real truth. Material World is temporary and 'Dukhalayam Ashashwatam'. I realized the miracle how the Bhagavad Gita has been drafted to guide all the souls to follow the righteous paths of life. This abundant source of knowledge and wisdom can no better be guided then the enlightened spiritual masters like you and your followers.

The depth of its resource and the source of its flowing are far advanced through ages. It has got all the solutions for liberation of souls from this entangled materialistic life. I would have never so believed that other dimension of life exists, had I not got the blessings from your spiritual movement. Nothing can be impossible nor can any power of Universe stop you, if you have the will to do it, these are the inspirations any young should take from you. You have shown that, World is the global village and if one is willing to surrender to The Lord then he can make anything like never before.

I am thankful & grateful that such a legendary person you, started a movement which has now become World's utmost spiritual movement for the welfare of this kaliyuga & betterment of its beings.

May your blessing stay with us for the rest of the life .

Thank you very much for everything.

Please keep me under the shelter of your divine lotus feet at all times and help me to go back to Godhead. Hare Krishna.

Your humblest Servant, Bhakta Ramesh Patel.

Bhakta Ravi Raj

Dear Srila Prabhupada,

Please accept my humble obeisance at your divine lotus feet. All glories to you on this most auspicious appearance day of Your Divine Grace.

As the representative of Srila Vyasadeva you have lucidly explained the original teachings of Srila Vyasadeva in your Bhaktivedanta purports for the benefit of all conditioned souls. Your purports make the most difficult philosophy easy to understand even for the common man. You have touched every single point in our present life as regards, how to live and eventually get liberation from the material World in a very detailed and convenient manner.

Dear Srila Prabhupada, your way of seeing the future lifestyle and to set a daily routine is really tremendous. When one follows your thoughts as it is, he/she will be the most fortunate one in this 'Dukhayam Asashwatam' i.e., the World full of miseries and further they will get every success in their spiritual life.

When we talk about 'Sankirtana', book distribution, Mangala aarti, Pamphlet distribution and endless of different devotional services and activities, it gives us unlimited happiness and energy. I have no words to express the joy, feeling and satisfaction inside when we eat 'Krishna Prasadam'. It's like Nectar.

When we do chanting, we feel like forgetting all the evils and bad feelings in our mind and our mind becomes peaceful and fully Krishna conscious. It's all because of your mercy Srila Prabhupada.

On this most auspicious day I humbly beg you to continue to shower your blessings on me to make me an instrument in serving your mission. I beg you to give me the inner strength to take all austerities in serving your mission. Please forgive my offenses and give me the intelligence to carry out your orders under the protection of your divine movement in the association of your sincere devotees.

Begging to remain under the shelter of your lotus feet at all times.

Your humble servant, Bhakta Ravi Raj.

Bhakta Ravinder Kumar

Dear Srila Prabhupada,

Please accept my humble obeisance at your divine lotus feet.

All glories to you on this most auspicious appearance day of your divine grace.

Srila Prabhupada, any number of words from this most fallen soul would be less to glorify your divine grace. Prabhupada, thank you so much for changing our lives and showing us the path for going back to Godhead. I always wanted to read 'Bhagavad Gita' and when I read your Bhagavad Gita As it is, I was amazed. From then my life has completely changed. Thank you so much for presenting this divine knowledge in the simplest yet effective form.

Prabhupada, by your mercy this insignificant soul has got a chance to come in Krishna Consciousness and to follow the 4 regulative principles. Prabhupada please bless me so that I can always follow your instructions and remain under the shelter of the lotus feet of Lord Shri Krishna.

As Lord Krishna says in Bhagavad Gita,

*'tad viddhi pranipatena, pariprasnena sevaya
upadeksyanti te jnanam, jnaninas tattva-darsinah'*

"Just try to learn the truth by approaching a spiritual master. Inquire from him submissively and render service unto him. The self-realized soul can impart knowledge unto you because he has seen the truth."

I consider myself very fortunate to have got a spiritual master like you. Please engage me in your service Prabhupada, so that my life can become successful. Please tolerate the mistakes that I may have committed, bear with me as a father with his son and give me the intelligence to carry out your orders along with the association of your sincere devotees.

Srila Prabhupada, please bless me so that I shall always remain under the shelter of your lotus feet at all times.

Your humble servant,

Bhakta Ravinder Kumar.

My dear Srila Prabhupāda,

Please accept my humble and respectful obeisance at your divine lotus feet.

Each year on the anniversary of your divine appearance, I am struck with wonder and deep appreciation. I contemplate the unlimited compassion, love, and faith you have shown in creating hope in the lives of all of us- conditioned living entities.

You have changed my whole Life. You have shown me the way to surrender to Lord Krishna. Chanting the Hare Krishna 'Mahamantra' is the higher taste of my Life. You have given us a complete system of spiritual practice, which helps us mold our lives in such a perfect way that we can remain Krishna conscious twenty-four hours a day. The highlight of this system is the morning program, which is full of potent spiritual activities—maṅgala-āarti, Tulasi worship, japa, guru-pūjā, classes on the greatest scriptures, Srimad Bhagvatam, and Krishna prasādam.

You gave us the association of devotees, in which discussion of the pastimes of the Supreme Personality of Godhead is very pleasing and satisfying to the ears and heart. Such things are not seen or experienced anywhere else in the world. You have perfectly and confidently provided the whole World with the culture of devotion so that anyone from any condition of life can easily follow your program and eventually rise to the platform of Krishna consciousness.

O savior of the whole World Srila Prabhupāda, I humbly beg Your Divine Grace to please forgive all my mistakes and offenses and to mercifully empower me to become a genuine devotee and your true representative.

Please know that our hope rests only in Your Divine Grace, causeless mercy and in the hope that you will always shower your blessings upon us so that we can remain under your shelter eternally.

We thank you for your protection, shelter, and mercy, and for the inspirations and vision.

Thank you so much for everything.

Your Servant, Bhakta Rohit Gupta

Bhakta Rohit Kumar Sharma

Jai Srila Prabhupada,

Please accept my humble obeisance. All Glories unto your lotus feet.

The whole world is getting benefitted by your Hare Krishna Movement and so I am. Me, being the most fallen soul would had no other way to know Krishna and his activities had there been no association of the devotees of your movement. Your transcendental literature is serving mankind in the best possible way and is giving hope to the mass seeking for the real eternal happiness. The temples established by you and Hare Krishna Movement is distributing the nectar of Krishna's name, which is difficult even for great sadhakas, easily to the common mass of people irrespective of their previous qualifications. Such a great benefit which indeed provides peace to the soul is made possible only because of you.

I therefore pay my sincere homage unto your lotus feet so that I could advance more spiritually thus coming to my actual constitutional position and never deviate from this path.

Yours fallen Servant,

Bhakta Rohit Kumar Sharma.

Bhakta Rounak Agarwal

Jai Srila Prabhupada,

Please accept my humble obeisance. All glories unto you.

I would like to thank you for your mercy on me by which I have been able to come in touch with you. Surely, my life has been completely transformed with your transcendental teachings. They have destroyed the darkness born out of ignorance in my heart.

So, I request you to guide me so that I can try to serve you to the best of my abilities, although not qualified to do so. Krishna has always been super exceedingly merciful on me throughout my life and I pray him to keep me under the shade of his lotus feet forever.

Please help me stay strong in practising Krishna Consciousness and attain your and Krishna's love.

Your servant,

Bhakta Rounak Agarwal.

Bhakta Ruthran Mudaliyar

Please accept my humble obeisances unto your lotus feet.

Please give me the opportunity to glorify you on this auspicious day of your appearance.

My dear Srila Prabhupada, why are you so merciful to us? Why are you so compassionate towards us? You are the one who taught us who god is. You are the one who taught us how to love god. You are the one whom Krishna specially chose. You are the one who was chosen by Chaitanya Mahaprabhu. You are the one whom Chaitanya Mahaprabhu wanted to take the credit for spreading this knowledge. You are the one on whom Bhaktisiddhanta Saraswati maharaj had faith. You are the one to whom Bhaktivinoda thakur maharaj referred that this knowledge will be spread all over the world. You are the one on whom all the acharyas had faith. You are the one who knows the conclusion of all the vedic knowledge. You are the one who is more merciful than Chaitanya Mahaprabhu. You are the one who is more merciful than any other Acharya. You are the only Acharya who accepted the most fallen soul like us as your disciple. You are the one who repeatedly forgives our same mistake again and again. You are the one who took the lamp of knowledge throughout the darkness of the world. You

are the one who will take us out of the clutches of maya very easily. You are the one who's touch and words can purify even chandalas. You are that merciful devotee whom even Krishna constantly desires to remember within his heart. You are the one who's name when taken feels like we got all the benediction of Krishna.

O my dear saviour of the world, please show mercy on me to serve your lotus feet and bless me to become your most sincere and humble servant. Please always reside within my heart to guide me through your divine instruction throughout my life. Bless me with the determination to serve your most wonderful mission.

I thank you so much for allowing me to glorify your divine qualities and pastimes.

Your humble servant,

Bhakta Ruthran Mudaliyar.

Bhakta Raturaj Manjrekar

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet. All glories to you on this auspicious day of your appearance.

I express my gratitude towards you on this very special day. It is because of your mercy that I have been associated with The Hare Krishna Movement. While distributing pamphlets and books, I observe that very less people are interested in knowing the Life's real truth. However, I feel so grateful that you have chosen me to be a part of your mission.

Simply by following your instructions, I have been able to deal with the envy I face at work place. Your enlightening books have given me the real knowledge of this temporary World. You have made various philosophies easier to understand with analogies at places required.

I have never felt so happy and calm before joining your movement. The morning schedule has been designed so that there is no need of any motivational podcasts to start off your day. It has empowered me to deal with all kinds of people whether at workplace, Mumbai locals and many other places.

It is by your prescribed process itself that I have stopped depending on tea, coffee, etc. I have left eating non-vegetarian food under your protection itself. You have always kept me guiding while taking decisions. However, often I give in for wrong things.

I wish to have more time to stay in your association and in the association of other senior devotees. On this auspicious day, I wish to get blessings from you to serve your mission 24*7. I beg you to please forgive all my offenses and help me to be sincere in this process of chanting and serving your mission.

Give me all the strength to preach Krishna Consciousness to every 'jiva' that I get to deal with.

Your humble servant,

Bhakta Raturaj Manjrekar.

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to you on this appearance day of your divine grace.

Last year I started my job in a new city. Without knowing much, I came to Mumbai by the grace and blessings of Lord Krishna. I met you through your lectures and books. Joining the 'Hare Krishna Movement' was the best decision I made in my life with your grace and blessings, I am connecting with Lord Krishna and with you all the time.

From your lectures and books, I am understanding real meaning, goal and purpose of life viz., why we all are here in this World, the importance of food and how to overcome 'maya' by staying away from this material World. There are still lot of things I have to learn from you by means of your lecture and through books. Thank you from the bottom of my heart for providing me shelter. I will try hard to overcome 'maya' and detach myself from this material World. But, at the same time, I know that I need your mercy and blessings for the same. Thanking you again.

Please shower your divine mercy and blessings on me.

Your servant,

Bhakta Sachin Jadhav dasa.

Dear Guru Maharaja Srila Prabhupada,

Please accept my humble obeisance. All Glories to our eternal Spiritual Master His Divine Grace A.C Bhaktivedanta Swami Srila Prabhupada! .

Gurudev, because of your mercy, I visited all three places which you liked the most-

(Letter to: Gurukrpa ,Vrindavana,18 May, 1977 77-05-18)

“I was staying in Risikesh hoping to improve my health but instead I have become a little weaker. Now I have come back to my home, Vrindavana. If anything should go wrong, at least I will be here in Vrindavana. Vrindavana is for residence, Bombay is for office organization, and Mayapur is for worship of the Supreme Lord Caitanya Mahaprabhu.”

Recently, I visited one of your loving three places - 'Mayapur Dhama'. While visiting these three places, actually, I felt your presence by so many ways. Like in Bombay, you are doing so many struggles for spreading Krishna consciousness because it's your office. In Mayapur Dhama, you worship Lord Chaitanya Mahaprabhu and in Vrindavana, I realise so many things because you are personally there. In these three places, I feel your presence.

“śrī-guru-caraṇerati, ei se uttamagati, jeprasāde pure sarvaāśā”

“Attachment to the lotus feet of the spiritual master is the best means of spiritual advancement. By his mercy all desires for spiritual perfection are fulfilled”.

*"mukam karoti vachalam pangum langhayate girim
yat-kripa tam aham vande shri-gurum dina-taranam"*

"I offer my respectful obeisance unto my spiritual master, the deliverer of the fallen souls. His mercy turns the dumb into eloquent speakers and enables the lame to cross mountains."

Thank you Srila Prabhupada! It is because of your mercy that I got higher taste to serve the 'parampita' Lord Sri Krishna. Association with guru purifies even the most fallen. You are present in your books and guide us through your instructions. By following your instruction, I see various changes in me. Prabhupada, I am trying my best to follow your instructions.

Prabhupada, it's because of your causeless mercy that one can do 'bhakti', engage in devotional service, advance in spirituality and attain the mercy of Lord Krishna. Prabhupada, everything is done only due to your causeless mercy.

*“Yasya prasada bhagavat-prasado
yasyaprasadan na gatiḥ kuto pi”*

“By the mercy of the spiritual master one receives benediction by the mercy of Krishna. Without the grace of the spiritual master, one cannot make any advancement.”

Srila Prabhupada, without your causeless mercy I cannot do anything. Please bless me with intelligence to execute your mission properly and help me to follow your instructions sincerely, strictly and submissively.

I pray on this most glorious day of your appearance that I can follow Krishna Consciousness seriously in at my present residence at Sawantwadi. For that, please give me the strength. Prabhupada, every moment you guided me when I was lost. Every moment you are with me to pull me up from my ignorance.

I beg that you may please forgive me for all the unlimited offenses I have committed to my God brothers and always keep me in your service. Prabhupada, please give me strength so that I can avoid offences. Prabhupada, please give me intelligence so that I can always remember you and Krishna.

Your little insignificant servant,

Bhakta Sandesh Bhopale.

Bhakta Sandesh Darekar

My dear Srila Prabhupada,

Please accept my humble, respectful obeisance at your divine lotus feet.

You have given us a very nice facility through ISKCON and HKM to lead a Spiritual life.

Earlier, I was in only little favour of Spirituality but after meeting the devotees, my life became fully devout. Lord Krishna's melodious 'kirtan' gives me spiritual energy and chanting with reading helps me to face the challenges of life. It is food for the soul.

So, on the most auspicious day of your appearance, I beg that you please accept this offering as a humble attempt to somehow reciprocate with your causeless mercy. Furthermore, I beg that you kindly remove the black umbrella of ignorance that is presently covering me so that I can properly receive and follow your instruction and try and serve your lotus feet with ever-increasing purity, love, and devotion.

Your Servant,

Bhakta Sandesh Darekar.

Bhakta Santosh Ranga

Dear Srila Prabhupada.

Please accept my humble obeisance.

All glories to Srila Prabhupada. All glories to you on this auspicious day of your Vyasa-puja."

From your teachings of Srimad-Bhagavatam, I have understood that without a spiritual master, one cannot progress in his life.

As the representative of Vyasadeva, you have explained the toughest philosophy of SB and BG through your purports, which can be easily understood by the fallen conditioned souls like me.

With limited experience, it is clear to me that controlling the mind and senses is the leading cause of all the problems. The regulative principles are the primary instructions to overcome this problem in the progress of our spiritual life. and by your mercy, now I could follow your instructions to stay focused on Krishna Consciousness.

Since I am in the congregation of our mission, HKM, it has become even more comfortable to follow Krishna Consciousness so that I will come to know what is right and what is wrong.

Now I could understand the importance and the ultimate goal of a human being. Your grace, please bless me to perform devotional service qualitatively and continuously until I quit my body.

Prabhupad, this fallen soul is trying to show gratitude through these words. Please accept my sincere obeisances unto your lotus feet.

Your Servant,

Bhakta Santosh Ranga.

Respected Srila Prabhupada,

Please accept my humble obeisance at your divine lotus feet. All glories to Srila Prabhupada.

You are the only blessed spiritual master who could share the knowledge imparted by Lord Chaitanya to human being all across globe.

I am humbly indebted to you for providing the entire Srimad Bhagavatam translated in English. It would not have been possible for me to read and understand to the extent I have understood. I am equally indebted for providing two beautiful book collections – Science of Self-Realization and the journey of Self-Discovery.

Your knowledge sharing through various recorded videos and books could inspire me to initiate chanting and continue at least 16 rounds of chanting daily. Your instructions on following 4 regulated principles have helped me to stay away from TV, Newspaper and many nuisance like social media.

Your blessings, well wishes for chanting the Lord's name has helped me improve our daily routine and remembering lord all the time.

Begging your mercy to remain under the shelter of your lotus feet at all times.

Your humble servant,

Bhakta Satyabhushan Mahapatra.

Dear Srila Prabhupada,

Please accept my humble adoration at your divine lotus feet. All glories to you on this great divine day.

I am so glad to write this letter on to the feet of your divine grace. I have been attending 'Bhagavad Gita' lectures since past one year. In due course I have learned a lot for instance, who am I? , what is the purpose of life? , how to behave with people? , how to live without any fear and anxiety? , like In 'Bhagavad Gita', Krishna says that, "Do your duty and don't get attached to the results"

All of that happened because of your mercy Srila Prabhupadaji. It is because of your sacrifice and philanthropy.

Last but not the least; I will always follow all rules and regulations which I am learning. I will always strive to make others understand with the help of your books, sessions, 'Krishna prasadam', etc.,.

Thanking you, Srila Prabhupad for giving us actual realisation and main purpose of life.

Your's faithfully, Bhakta Shailendra Singh.

Dear Srila Prabhupada,

Please accept my humble obeisance at your divine lotus feet. All glories to you on this most auspicious appearance day of Your Divine Grace.

I got in touch with HKM recently in the month of April 2019 through pamphlet which was being distributed by all the devotees at different locations in Mumbai. I got it at Bhandup and don't know why. But I just went to attend the first lecture of 'Jigyasa', there I got to know more about you, Hare Krishna Movement and got little awareness about Krishna Consciousness.

From the deepest of my heart, I want to thank you for explaining us 'Bhagavad Gita' in a pure form through your book 'Bhagavad – Gita As It Is' and for all your other Books as well. It is really unbelievable that you have been able to spread the knowledge of Bhagavad Gita throughout the World and yes, it is only possible through the blessing of the Godhead Lord Krishna. You being one of the greatest devotees of Lord Krishna, I have accepted you as my 'Guru' and hence, I am trying to follow the path which is being taught by you.

Begging to remain under the shelter of your lotus feet at all times.

Your humble servant,

मेरे प्रिए प्रभुपाद,

मैं शवयं को आपके चरणों में समर्पित करता हूँ, मैं उस क्राबिल नहीं था, कि भगवान श्री कृष्ण की भक्ति पर्याप्त कर पाऊँ। लेकिन आपकी करुणा और दया दृष्टि से इस क्राबिल बन पया, आपके चरणों में मेरा सत्त सत्त नमन।

मुझे अपनी शक्ति का अभाष तो होता था, पर भगवान में भक्ति ना होने के कारण, उनकी शक्ति मुझे प्राप्त नहीं हो पाती थी, पर अब ऐसा हो गया है कि जितनी मेरे अंदर कृष्णा भक्ती बढ़ रही है। उतना ही उनकी सक्ति का भी अभाषमेरे अन्तमन मे हो रही है।

Dear Srila Prabhupada,

Please accept my humble and sincere obeisance on to your divine lotus feet. All glories to you on this most auspicious appearance day of your divine grace.

First of all, I would like to thank you for getting me to Krishna Consciousness by means of my roommate, from whom I got to know about the Bhagavad Gita sessions. I know that this was your plan.

When I met your disciples on the first day, it was amazing because they told me something about Lord Krishna, Bhagavad Gita sessions and many things from spiritual point of view. I was very happy, am doing something different in my life like getting information about Lord Krishna and Lord Ram. I got to know the importance of The Bhagavad Gita, chanting as it takes me towards you and the Lord and helps me face all the challenges of life.

I would like to tell one thing regarding daily spiritual messages & proverbs which I receive from your teachings. It gives me a lot of confidence in life. It helps me maintain a positive approach and helps me overcome negativity.

Thank you very much for everything!

Begging to keep me under the shelter of your divine lotus feet at all times.

Your humble servant,

Bhakta Shirish.

Dear Srila Prabhupada,

Please Accept My Humble Obeisances.

All Glories to Your Divine Grace!

Your teachings in my life are certainly a blessing of the Lord. You are a close devotee of Lord and an exalted Vaisnava who feels the pain of other devotees. That's why you are "Para dukha dukhi", and have the quality of being compassionate towards other conditioned beings. You who cannot tolerate the pain of others.

You are like a ball of cotton; you stretch yourself for the sake of others, always ready to burn to enlighten, glad to clean messy minds, provide soft dabs to comfort wounds and surprisingly light to be with. With all this, your presence does not occupy space in my life, but your absence creates a limitless void.

Although my words would never be enough to describe your glories and your exalted character, the only way to repay you, perhaps, by following the instructions of your dedicated servants and by cooperating with those whose life's mission is to serve you, Srila Prabhupada.

Once again I salute you for your glorious preaching work, your dedication towards the mission of Lord Chaitanya Mahaprabhu.

Your servant,

Bhakta Shirish Sangle.

Bhakta Shirish Sinha

Revered Swami Srila Prabhupada,

Please accept my humble obeisance on your sacred feet. All glories to you. This is my third special opportunity of reaching out to you through a letter on the auspicious occasion of your divine appearance.

It is with your kind sanction that I am noticing an increase in my desire to understand the meaning of human form of life and the prescribed ways to lead it. Attending the Bhagwad Gita verse-by-verse lectures, I got valuable insights into the relationship between soul and the super soul and the dire need to purify my conditioned consciousness. It is truly with your mercy that I am engaging in spiritual activities and learning to practice Krishna consciousness. Lately, I am learning to recite the verses in Sanskrit and trying to memorize some of those. As I attend the discourse, read purports, listen to your synthesis of Lord Krishna's teaching from senior devotees, answer to numerous questions, hitherto unimagined or purposeless, start to unclutter my mind and register with considerable ease.

I am close to complete the reading of the Bhagwad Gita, The Science of Self Realization and The Nectar of Instruction. These books supply precious knowledge and are highly absorbing as well as inform and remind readers and devotees of their prime duty of serving God with utmost love and devotion. You have told us loud and clear: 'The only business of mankind is to love and serve God.' These words are constant reminder of my efforts to disengage with levers of the material world. I was unaware of the brevity of life but your written and spoken words have cautioned me against losing time and the vicious cycle of birth, death, old age and disease. I am grateful to you for administering the importance of a disciplined lifestyle, especially about eating, sleeping and fulfilling professional commitments and taming the myriad demand of sense for making progress on spiritual journey. Once again, all glories to your Divine Grace for drafting me as a student in your spiritual school.

In the initial pages of The Nectar of Instruction, you have elaborated on the strong and urgent need for controlling the "six unbridled sense objects - speech, mind, anger, tongue, belly and genitals – that are essential for transformation from my present state of go-dasa to go-swami". At this point of time, I am battling with these overpowering tendencies. My revered Acharya, it is only your divine blessing with which I can overcome the continuous resistance from these forces and fulfil my aspirations of immersing into devotional service of the Supreme Lord. I also have to confess that my regular chanting of 16 rounds got disrupted several times in the last 2-3 months and I plead for your mercy upon me as well as your reciprocation to help me complete the deficit and never miss the prescribed rounds.

One of the major takeaways from The Nectar of Instruction has been the message conveyed through:

utsāhān niścayād dhairyāt, tat-tat-karma-pravartanāt

saṅga-tyāgāt sato vṛtteḥ, ṣaḍbhir bhaktiḥ prasidhyati

For someone desirous of cultivating and rendering devotional service at lotus feet to the Supreme Lord, this verse is significant for a beginner like me. Today, however, I have no idea about the degree of my following the six principles - being enthusiastic, endeavoring with confidence, being patient, acting according to regulative principles, abandoning the association of non-devotees and following in the footsteps of the previous ācāryas - that are essential ingredients for pure

practicing devotional service. What I know today is that I am deeply enchanted by Guru Vandana, Mangal Aarti, Narasimha Aarti, Tulsi Aarti and the video discourses that are beautiful to the ears and mind and loaded with spiritual benefits. All glories to you for infusing the urge to know about and revere the magnanimous God.

Imprisoned as a conditioned soul owing to my forgetfulness, ignorance and sins in this human form, I beg your forgiveness and pray for your blessings for being steady on my journey to reconnect with the Supreme Lord.

At your and Lord's service,

Bhakta Shirish Sinha.

Bhakta Shivam Shukla

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to you on this auspicious day of appearance of your divine grace.

Without practicing Krishna consciousness, the humans are behaving like animals. There's no meaning of life, living the life without any goal and wasting your time for many years till your death.

The humans not following Krishna consciousness will not get the true taste of life with Lord Krishna. The real taste of life is hidden inside true bhakti, chanting, kirtans, krishna seva etc.

I wish to share my experience and express my gratitude here-

After I started my regular sadhana, I started dealing with all the daily life problems very easily. Before that I was very much panicking in such situations.

I am really thankful to our Spiritual Master Swami Srila Prabhupada for guiding us the way towards Krishna consciousness for a successful life.

shree gurubhyo namah! Thank you very much for everything!

Please keep me under the shelter of your lotus feet at all times and let me follow your footsteps back to Godhead. Hare Krishna!

Your humble servant,

Bhakta Shivam Shukla.

Your set principles & practices have made us better, complete & glorious day by day. I enhanced a lot & am now able to grasp advanced spiritual knowledge easily because of strongly equipped foundation of spiritual knowledge and of course your divine grace and mercy. After being a devotee, my perception has got improved and I have become a totally new person with humble qualities like selflessness, no ego & service to others. I've

Bhakta Suraj Kumar Seshadev Panigrahy

My dear Srila Prabhupada,

Please accept my humble and respectful obeisance at your divine lotus feet.

This is my first Vyas puja offering to you. I am very happy to write this letter.

Before coming to the Krishna Consciousness, I was very much confused as regards whom should I worship? After coming to Krishna consciousness, I got to know that Krishna himself says, "Aham sarvasya prabhavo" which means 'everything emanates from me and I am the source of everything'.

I got to know that this World is full of miseries and everything is temporary whether it's 'sukh' or 'dukh'.

The major problems of material form of life are 'janma', 'mritu', 'jara' and 'vyadi' (birth, death, old age and disease,)

I got the real knowledge that I am not this body but I am a spirit soul....

It is because of your mercy that we can perform 'mangal aarti'. A great spiritual morning makes our day very good .Chanting and association with the devotees helps us to advance in our spiritual life.

I humbly beg to Your Divine Grace to please forgive all my mistakes and offenses and to mercifully empower me to become a genuine devotee and your true representative.

Please know that our hope rests only in Your Divine Grace's causeless mercy and in the hope that you will always shower your blessings upon us so that we can remain under your shelter eternally. We thank you for your protection, shelter, mercy, inspirations and vision. Thank you so much for everything!

Your Servant,

Bhakta Suraj Kumar Seshadev Panigrahy.

Bhakta Suresh Boddu

Dear Srila Prabhupada,

Please accept my humble obeisance at your divine lotus feet. All glories to you on this most auspicious appearance day of Your Divine Grace.

I am very happy for assistance by means of ISKCON. I got pulled towards HKM by means of pamphlet distribution by one of the devotees having the topic- "How to face challenges in life." From that day onwards, I am feeling something better and divine as compared to my earlier life. I try to attend classes regularly and very interested to know about Lord Krishna.

By your grace and mercy, I will try to continue with my sadhana and aim at spiritual advancement. Thank you very much for everything.

Please give me shelter under your divine lotus feet at all times.

Your humble servant,

Bhakta Suresh Boddu.

Bhakta Swapnil Nachane

Dear Srila Prabhupada,

Please accept my humble obeisance at your divine lotus feet. All glories to you on this most auspicious appearance day of Your Divine Grace.

I would like to start with thanking you for showing the right path to the deviated soul of mine by your transcendental Hare Krishna movement. HKM has shown spiritual light to many souls trapped by the clutches of material sense gratification. You have not only spread this movement in India but all over the World by your sincere hard work and dedication for spreading the teaching of Lord Chaitanya Mahapradhu.

I would like to thank you for giving us the wonderful Hare Krishna 'mahamantra' and the regulatory principles which helps us in spiritual advancement.

Finally, I would like to thank you for the beautiful purports on the 'Bhagavad Gita' and 'Srimad Bhagvatam' which act as a lifesaving manual for all the bewildered souls like us. All your books are really inspiring and it motivates us to serve the Lord as much as possible.

On this auspicious day, I humbly beg to shower your blessings on me. Please forgive my offenses and give me the intelligence to carry out your orders under the protection of your divine movement and in the association of your sincere devotees.

Begging to remain under the shelter of your lotus feet at all times.

Your humble servant,

Bhakta Swapnil Nachane.

Bhakta Tulasi Ram

Dear our spiritual master Srila Prabupada,

Please accept my humble obeisance on to your divine lotus feet. All glories to you on the most auspicious day of appearance of your divine grace.

In the revealed scriptures, it is stated that Spiritual master should be worshiped like the Supreme personality of Godhead.

“Saksad-dharitvena samasta-satrair”

You are the spiritual light in this material World because of which many fallen souls have enlightened their hearts with God consciousness. Being so degraded person with full of material desires, I am now, somehow in a position to know at least who is God and I am chanting the holy name of the God. It is because of you and only you. You have shown a perfect and easy path for the fallen conditioned souls to reach Supreme Personality of Godhead Krishna in a simple way.

Thank you very much for everything.

Begging to remain under the shelter of your lotus feet at all times. Hare Krishna!

Your Humble Servant,

BhaktaTulasi Ram.

Bhakta Vaishnavdaas Manmohan Sharma

Hare Krishna Prabhupada,

All glories to you

Kindly accept my obeisance on to your lotus feet and make me humbler and humbler by your blessings and mercy. All glories to you on this most auspicious appearance day of your divine grace.

“वांछाकल्पतरुभ्यश्च कृपासिंधुभ्य एव च।

पतितानां पावनेभ्यो वैष्णवेभ्यो नमो नमः॥“

When I came in contact with ISKCON, I came to know the power of system established by you to make ignorant people, i.e., 'Sammukh jeeva' realize the transcendental knowledge. What a beautiful arrangement! I not only got a chance to learn numerous things but also got a platform to implement which is rather important as we may be knowing the things but may not get chance to implement it practically. Like the Vaishnava attire viz., dhoti wearing, daily aarti, classes with satsanga and sadhusanga, festivals etc. Prabhupada you granted me that opportunity to grow spiritually while doing my daily routine work.

Due to the efforts made by you, now many sinful people are getting purified through the sixteen rounds chanting system of the Hare Krishna mahamantra that is-

“हरे कृष्ण हरे कृष्ण कृष्ण हरे हरे।

हरे राम हरे राम राम राम हरे हरे॥“

We are towards the achievement of heights in perfection, i.e., Siddhi through nullification of all the sinful reaction from its very roots. As said,

“चक्षुदान दिलो जेई जन्म जन्मे प्रभु सोई।...”

At the end, I beg Prabhupad your mercy for more & more improvements in my life.

Your Servant, Bhakta Vaishnavdaas Manmohan Sharma.

Bhakta Vamsi Krishnaiah

Respected Srila Prabhupada.

Hare Krishna!

Please accept my humble obeisance on to your divine lotus feet. All glories to you on this most auspicious appearance day of your divine grace.

By your grace, I started the journey in Krishna Consciousness which is the greatest opportunity that a soul can get to reach back to Godhead.

It is just by your grace but not because of my eligibility that I have been given the opportunity to serve the Supreme Lord Krishna on a daily basis.

Your faith on the words of your spiritual master is unimaginable. Your life teaches us the real Guru and shishya relationship.

By your grace, I am completely convinced that a bonafide spiritual master paves the way and acts as a boat for fallen souls like me to cross the 'Samsara' i.e., ocean of material life and sufferings and come back to Godhead.

I beg your grace to fall upon me to develop the faith in your words and serve the Supreme Lord and you with complete devotion and satisfaction.

Please keep me under the shelter of your divine lotus feet at all times.

Thank you very much for everything!

Hare Krishna!

Your's Dasaanudasa,

Bhakta Vamsi Krishnaiah.

Bhakta Vijay Adivarekar

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to Your Divine Grace.

I wish to present this short writing prepared on the occasion of the Vyas Puja, 2019 for your pleasure.

Your merciful appearance is the most prominent and important event in this age of darkness. It is indeed the most auspicious day for all of us. Although, the understanding of your absolute position can never be completed, with time, it just grows deeper and more intense.

As I sit down to write this letter to you, I realize that how inept and unqualified am I to glorify you. I lack the proper words to show the veneration and adoration that I have for you but yet I dare to write this letter to you. You are a personal associate of the Lord Himself.

“Muktnam api siddhanam narayana-parayanah, Su-durlabhah prasantatma kotisv api maha-mune”

“O great sage, among many millions who are liberated and perfect in knowledge of liberation, one may be a devotee of Lord Narayana, or Kanaiya. Such devotees, who are fully peaceful, are extremely rare.” (SB 6.14.5)

This verse clearly declares that pure devotees are extremely rare among millions of liberated and perfected beings. Is it not the greatest fortune of this World that a pure devotee like you came from the spiritual World just to deliver the fallen souls and fulfill of Lord Chaitanya's missions?

All the transcendental qualities of a pure devotee described in the scriptures are to be found in your personality. Among all the qualities, your humility shines brilliantly. Let me mention a few instances of your humility, so that I may glorify you on this most auspicious occasion. As the perfect 'acharya', you teach by your own example as to how a disciple should offer gratitude to his spiritual master. At Hamburg, on the fifth day of September, 1969, while receiving Vyasa Puja offering, you said, "I was also misled in so many ways but my spiritual master – Bhaktisiddhanta Sarasvati Gosvami Maharaja saved me."

In the foreword to the book, 'The Science of Self Realisation', your disciple Mukunda Gosvami recollects- "One day, after someone had asked Srila Prabhupada, 'Are you God?', Srila Prabhupada replied, 'No, I am not God—I am only a servant of God.' Then he reflected a moment and went on. 'Actually, I am not a servant of God. I am trying to be a servant of God. A servant of God is no ordinary thing.'"

If you would not have appeared in this material World, O Srila Prabhupada, then what would have happened of us? Who in this Universe would have ever learned about the topmost limits of the loving mellows that comprise the glory of Sri Radha Rani? Really Prabhupada, you are indeed the most merciful personality to have ever walked on this planet. I pray to you thus,

"Kabe heno krpa, labhiya e jana krtartha hoibe, natha!

Sakti buddhi-hina, ami ati dina koro' more atma-satha"

"O lord and master! When will this devotee be blessed by obtaining your mercy? I am low and fallen, and devoid of all strength and intelligence. Please make me your beloved servant."

When I examine myself, I find absolutely nothing of value. My heart is full of dirt and grime which has got accumulated over lifetimes spent in this quagmire of Worldly existence. I keep falling into the perils of material illusion. My mind is crazy and does not care for any authority. It is always senseless and remains in the dark pit of Worldly affairs. Yet, despite all these flaws in me, I have one request for you, Srila Prabhupada: Just like you went to the land of the untouchables to deliver them all, please do walk into my heart and sow the seed of bhakti.

As stated by Sri Caitanya Mahaprabhu –

'guru-krsna prasade paya bhakti lata bija'

(CC Madhya 19.151): By the mercy of Krishna and the guru, one can get the seed of devotional service. If one is a little intelligent, he can cultivate Krishna Consciousness and be freed from the miserable conditions of material life.

You are the most confidential servitor of the Lord, O Srila Prabhupada, thus, you should be honored as much as the Supreme Lord.

Also, as it is said,

"Gangara parasa hoile pascate pavan darsane pavitra koro-ei tomara gun"

"After bathing in the waters of the sacred Ganges many times, one becomes purified, but just by the sight of you, the fallen souls are purified."

Please be merciful onto me Srila Prabhupada!

'prati janme kori asa caranera dhuli'– I desire the dust of your holy lotus feet in every birth that I may take. Please keep me under your shelter always and never let me wander away from the path to Krishna Consciousness. My mind is a big rascal, and I pray that you please keep it always absorbed in the thoughts of Govinda.

Thank you so much for everything, O Srila Prabhupada! You have done so much for me and I pray that you keep showering your blessings upon my wretched self.

After all, 'yadi Prabhupada na hoito, tabe ki hoito?

Your most fallen servant, Bhakta Vijay Adivarekar.

Bhakta Vijay Dhotre

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to Jagat guru, our Spiritual master A.C

Bhaktivedanta Swami Srila Prabhupada on this very auspicious day.

First of all I would like to thank you for tremendous changes that I have undergone in my life since past one year from your teaching like self realization, spiritual progress, knowing transcendental knowledge, regulatory principles etc.

Krishna Consciousness Movement is a great movement that was initiated by you, which is now tremendously spreading all over the World. This movement is a necessity in today's 'kaliyuga' which helps/guide us in tackling all material entanglements and ultimately helps us for going back to Supreme Personality of Godhead i.e. 'Krishnaloka' / 'Vaikuntha' as, we all are part and parcel of Supreme Personality of Godhead, ' Lord Krishna '.

By your mercy, I will definitely try to bring more and more souls in our prestigious movement. I feel very blessed for being part of this Movement, all glories to you! Special thanks for all your timely guidance, association through various means, for making me progress in Spiritual life and also for engaging me in your devotional service. One more thing, I would like to quote here is that, devotees involved in this movement are very humble. I have never seen such humble personalities in my entire life and I'm very much influenced by this.

Last but not the least, I Beg to remain under the shelter of your lotus feet at all times. Bless me.

Your humble servant,

Bhakta Vijay Dhotre.

Bhakta Vikas Parchhanda

Dear Srila Prabhupada,

Please accept my respect and obesciances unto your lotus feet. All glories to you, my spiritual master, on this most auspicious appearance day of Your Divine Grace.

It's been about 3 years I got in touch with the devotees and was introduced to Krishna Consciousness. You will be glad to know that I have been regular for more than a year and half in chanting, reading, hearing your lectures and worshipping the deities of Gaur Nitai at home.

While there have been innumerable occasions of your and Krishna's mercy, I would like to mention a very recent one.

My father called me on 10th March'19 for Mom's severe ill-health. It was life threatening lung infection at multiple sites and had to be operated immediately. Doctor wasn't willing to commit her safety for even 24 hours. I was chanting through the journey in Car, Flight and Train to my home town. I could maintain balance for over 20 hours of journey only because Krishna gave strength and stability.

Doctors were reluctant to perform a complicated procedure, so we rushed her to Mumbai. She was operated twice in 5 days and was in ICU for 12 days. Doctors gave a very small outside chance of her survival. She was injected fifty thousand worth of antibiotics every single day. She lost 10 KGs in 10 days lying on the bed. I would return home from hospital every day morning to worship Gaur Nitai deities at home and would pray for strength to me and family to bear any outcome that They may decide. Mom was introduced to chanting during one of our pilgrimage tour to Krishna Balaram's temple in Jaipur. I kept Japa box in the ICU and Krishna's picture by her bed side. She too kept chanting the holy names and fought through the illness successfully. All doctors collectively said that her survival was Nature's miracle. I was elated because you have taught us about the person behind this nature. This incident made me realize one of your teaching that if I can depend on Krishna, he would give strength to easily pass through otherwise very onerous and painful situation.

Oh Srila Prabhupada, I cannot thank you enough for this causeless mercy of yours in reigniting my forgotten relationship with the supreme absolute truth, Lord Krishna. There is a long way to go to revive this relationship fully where I can learn to fully depend on him. Hence, I request you to keep me on course like a father would not let his son deviate to darkness at any cost. I wish to reinstate myself in the most truthful and eternal relationship with Krishna, the supreme lord. And, I have no hope outside of you as only a forgiving and all merciful spiritual master can give shelter to highly fallen and grossly contaminated soul like me.

Your aspiring servant,

Bhakta Vikas Parchhanda.

Bhakta Vikrant Shukla

My Dear Srila Prabhupada Gurudeva,

Please accept my humble obeisance at your lotus feet. All Glories to on this most auspicious appearance day of your divine grace.

By the mercy of the spiritual master, one receives the benediction of Krishna. Without the grace of the spiritual master, one cannot make any advancement. Therefore, I should always remember and praise the spiritual master. At least three times a day, I should offer my respectful obeisance unto the lotus feet of my spiritual master.

Srila Gurudev, every year whenever I write the Vyas Puja offering, I cannot find words to glorify you but I just keep thanking you for the mercy you are showering on me.

According to our karma, all living entities are wandering throughout the entire Universe. Some of them are being elevated to the upper planetary systems, and some are going down into the lower planetary systems. Out of many millions of wandering living entities, one who is very fortunate gets an opportunity to associate with a bona fide spiritual master by the grace of Krishna. By the mercy of both Krishna and the spiritual master, such a person receives the seed of the creeper of devotional service.

Today, when I look back, I feel that I have wasted so much time not listening to you in the first instance itself. My life is so better now. I am much happier and peaceful. It took me so long to understand though, you kept repeating this. Had you not patiently preached and cared for me, I would have been completely lost. My fortune is boundless to have your grace.

Srila Gurudev, please bless me so that I will remain your menial servant forever and not leave you even for a moment.

Thank you very much for everything!

Please keep me under the shelter of your divine lotus feet and guide me towards my journey back to Godhead.

Menial Servant at your Lotus Feet,

Bhakta Vikrant Shukla.

Bhakta Vinayak Chaurasia

I pay homage and respect to our spiritual Guru Srila Prabhupada.

Thank you for giving me shelter in your society. I am fully thankful to you. Some problems are there in my life due to which I have to rely on psycho medicines which I have been eating for last 10 to 11 years. But coming to Krishna Consciousness, some of my problems are solved. However, since last year, my parents didn't allow me to associate with HKM, due to which I got disturbed and my medicines increased too. My parents seemed to be like my enemies. I know that all this is true test of 'maya' and by your divine and causeless mercy, I will be able to pass such tests

So do guide me from time to time. Recently, my father expired, my sisters are not yet married and they are all nuisance to me. Srila Prabhupada, my whole family is a nuisance for me with regular quarrels and fights. I know that this too is a tough test by 'maya' but by your divine mercy and blessings, I am trying to complete my 'sadhana' regularly viz., chanting, reading, devotional services and of course, having delicious 'Krishna Prasadam'. Please purify me and continuously shower your mercy on this fallen soul. Help me pass all those tests which 'maya' takes.

Last but not the least, I respect Srila Prabhupada. I am very much thankful to you. Some improvements seem to be there in my life.

Happiness is there due to your mercy and guided spiritual life but there's also a negligible material life which is full of distress and sorrow. It is rightly said that this material life is 'Dukhalayam asashwatam' i.e. full of miseries, anxiety, unhappiness and distress. Please bless me for my spiritual journey back to

Godhead. Thank you very much.

Yours Faithfully,

Bhakta Vinayak Chaurasia.

Bhakta Vinayak Shenoy

Dear Srila Prabhupada,

Please accept my humble obeisance at your divine lotus feet. All glories to you on this most auspicious appearance day of Your Divine Grace.

Any number of words would be insufficient to express my gratitude and glorify you. It is by your mercy that I am able to attend sessions, get association, chant, read and of course have 'Krishna Prasadam'. So, I would just like to thank you very much for everything.

Begging to remain under the shelter of your lotus feet at all times.

Your humble servant, Bhakta Vinayak Shenoy.

Bhakta Vinod Meharwade

Dear Srila Prabhupada,

Please accept my respectful and humble obeisance unto your divine lotus feet!

All glories to you on this most auspicious day of appearance of your divine grace.

Oh dear Srila Prabhupada, you have been very kind upon me for all these years that you have provided me to advance in Krishna Consciousness. I am indebted for all your blessings. Srila Prabhupada, I am so grateful and proud to say that I have your association, a pure devotee of Lord Krishna as my Spiritual Master. It's all by your mercy that I am getting opportunity to render some practical devotional service onto their Lordships - Sri Radha Krishna Chandra and unto your lotus feet.

My prayers and requests would be to make me more humble and keep me engaged in devotional service so that I can purify more and more. Please provide me bhakti for their Lordships so that I can become eligible to come back to home, back to Godhead. Please save me from this material World. Make me to read your books and follow four regulative principles strictly. It's only you who can direct me as a guide from within.

Thank you Srila Prabhupada and I beg for your mercy and blessings.

Thank you very much for everything!

Your fallen servant, Bhakta Vinod Meharwade.

Bhakta Vishal Varma

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet. All glories to you on this most auspicious appearance day of your divine grace.

Your teachings have changed lives of millions of fallen souls and I am one of those souls. Krishna Conscious movement started by you is the only hope to attain peace in this material World. I was introduced to your movement by HKM, Mumbai. Although I am not a pure devotee and commit lots of mistakes, yet, Krishna has been always there with me to guide me and give me the strength to keep going. However, I know that I couldn't have got Lord Krishna's mercy without your mercy. Thank you very much for showing me this path of Krishna Consciousness. This has brought me closer to my inner self. This movement has taught me timeless wisdom of the Bhagavad Gita. Bhagavad Gita has really changed my life.

Thank you for bringing me closer to Hari and giving me simple yet most powerful way to connect to the Lord Hare by chanting the Hare Krishna Mahamantra. Your teachings, books and disciples has changed my way of looking towards life. Apart from mental peace, I have achieved academic and career excellence all because of your and Lord Krishna's mercy.

Please help me Prabhupada- in controlling my mind and senses so that I can become a good devotee and also a good human being.

Thank you Prabhupada for giving me this teaching and taking India's culture and chanting of Lord's holy name Worldwide-

*"Hare Krishna Hare Krishna, Krishna Krishna Hare Hare
Hare Ram Hare Ram, Ram Ram Hare Hare"*

Begging you to give your blessing and help me in become a good devotee.

Your Servant,

Bhakta Vishal Varma.

Bhakta Vishant Sharma

Dear our Spiritual Master Srila Prabhupada,

Hare Krishna !

Please accept my humble obeisance at your divine lotus feet. All glories to you on this most auspicious appearance day of your divine grace.

You are a great personality and thank you very much for your blessings and mercy.

I'm feeling very glad to write this letter and thank you. I attend weekly sessions on the Bhagavad Gita and I'm feeling very fresh & enthusiastic because of the same.

All glories to you and thank you very much for everything.

Please keep me under the shelter of your lotus feet at all times and help me get back to Godhead.

Your humble servant,

Bhakta Vishant Sharma.

Bhakta Visweswara Naidu

My dear Guru deva,

Please accept my most humble and respectful obeisance's at your lotus feet.

All glories to Srila Prabhupada.

I am very fortunate to have the opportunity to write to you on the auspicious day of your appearance. This is my first Vyasa puja offering after came in touch with HKM. You are so merciful that you have given this opportunity of devotional service by establishing so many HKM centres and ISKCONs throughout the world. I got this mercy through your disciples. After came in touch with HKM, I started following regulative principles, chanting and reading your books.

Thank you for always stressing the foremost need to chant Hare Krsna attentively with taste, and to study your books with great faith and enthusiasm through your Managala Aarti Quotes. This philosophy is very nice and practical. It gives so much mental strength, which helps me to always keep faith on the Supreme Personality of Godhead, even in tough situations of life. Without your books and association with devotees in FOLK, it may be very difficult for incalculably conditioned soul like me to come out from those difficult situations. You changed my way of thinking from devotional business to devotional service.

I humbly beg your divine grace to please forgive all my mistakes and show your causeless mercy on me to always follow Krishna consciousness with great faith and enthusiasm and to always chant Hare Krsna Hare Krsna, Krsna Krsna Hare Hare, Hare Rama Hare Rama, Rama Rama Hare Hare... Maha mantra with great attention.

I thank you for your protection, shelter and mercy.

Your Servant,

Bhakta Visweswara Naidu.

Bhakta Yash

Dear SrilaPrabhupada,

You are a great personality.

Although, I am only a small kid in this World full of distress and chaos, your arrival by means of your books in my life is an incredible event.

I have become aware about my life. I have become aware about a person's real existence. Your teachings have made me understand and clarify my mind regarding the existence of soul and that our constitutional position is to serve the Lord.

Your teachings shall prosper for millenniums to come. Hare Krishna!

Your servant,

Bhakta Yash.

Bhaktin Aditi Sangle

Dear Srila Prabhupada,

Please accept my most humble obeisances unto your divine lotus feet. All glories to you on this most auspicious appearance day of Your Divine Grace!

*tad viddhi pranipatena, pariprasnena sevaya
upadeksyanti te jnanam, jnaninas tattva-darsinah*

“Just try to learn the truth by approaching a spiritual master. Inquire from him submissively and render service unto him. The self-realized soul can impart knowledge unto you because he has seen the truth.” (BG 4.34)

When I first read this verse, the first thought that came to my mind was that how fortunate am I to come in touch with you and receive your causeless mercy. You have seen the Absolute Truth, Sri Krishna, face to face so many times and all your book have been written by Him only; it is indeed the greatest fortune to be under your shelter! For so many years, so many lifetimes, I'd been living aloof in this dark, tenebrous world, drowning in the ocean of material miseries, when finally you showed your unconditional mercy by bringing me in touch with this Krishna Consciousness Movement. It is said that the spiritual master is receiving benediction from the ocean of mercy. Just like a cloud pours water on a forest fire to extinguish it, similarly the spiritual master delivers the materially afflicted world by extinguishing the blazing fire of material existence. You, Srila Prabhupada, have changed the lives of scores of people, transforming them completely and graciously letting them taste the nectar of spiritual life. Like a beggar becoming lucky and chancing upon a lottery of a million dollars, I feel as if you've given me the priceless lottery of Krishna Consciousness! I'll be forever indebted to you for all the magnanimity you've shown me and I pray to always be under your shelter.

Sometimes when I think of myself, it feels as if I'm too wretched for your mercy. Since the last couple of months, I feel I'm not up to the mark in my sadhana. Apart from chanting and occasionally reading and deity dressing, I'm really not able to do much, although I really wish to do so. With my ever-increasing studies, I feel I barely get time to practice KC, but as it is rightly said, it is not about 'having' time, but rather 'making' time. This is something I'm going to try and work on. Jogyataa- vichare, kichu nahi paai, tomara karuna- saara. When I examine myself, I find nothing of value. Your mercy is therefore essential to me.

Srila Prabhupada, please engage me forever in the service of Sri Krishna, for I'm extremely dolorous and woebegone in this misery-inducing material world. Please protect me from all obstructions that might hinder me in the path of devotional service. Take away this horrendous free-will of mine and let me surrender completely unto your most holy and divine lotus feet. Please keep my diabolic mind always engaged in the thoughts of Lord Krishna so that it does not wander away. And please, flood my heart with love and devotion for you and Krishna! Praying to be always under your shelter and serving you,

Your most wretched servant,

Bhaktin Aditi Sangle.

Bhaktin Advaita Sangle

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet.

I am very thankful to you, for you have given us the topmost process that can prevent one from falling into the cycle of birth and death, that is, chanting of the Hare Krishna mahamantra. Without your causeless mercy, we would never have come to know of it otherwise! Also, only by your mercy this fallen soul is able to preach. By your grace, the world is slowly changing. Thousands of people are getting inspired by your life and are becoming devotees, besides becoming more eager to preach your books and spread the message of Sri Caitanya Mahaprahu. I still remember this poem that we were taught on your appearance day:

Prabhupada can do a miracle,

With a chunk of books,

He transformed people's hearts with the

Delish prasadam he'd cook!

Prabhupada we love you,

Prabhupada saved us

Chanting Hare Krishna is the process

That he gave us!

Which is true, Prabhupada. By reading your book, thousands of people's lives have been changed. You have really done a miracle. And so, I would like to tell you that although I don't deserve this, this serpent-like non devotee would like to stay in the dust of your feet always!

The most insignificant fallen soul,

Bhaktin Advaita Sangle.

Bhaktin Mamta Mahapatra

Respected Srila Prabhupada,

Kindly accept my humble obeisance at your divine lotus feet. All glories to Srila Prabhupada.

I am really blessed with the knowledge provided by you on Lord Shri Krishna.

With your blessings Prabhupad ,now I am enjoying the daily chanting of Maha-Mantra and remaining free of worries all the time.

Every moment Maha Mantra Chanting helps me to focus towards Lord and helps to think positive at every moment and place. My sincere thanks to you for imparting instruction to chant Maha Mantra. Heartfelt gratitude for sharing the Vedic knowledge through translated version in English.

The methodology prescribed by you through hearing about Lord and kirtans helped me to remember Lord every moment.

Begging your mercy to remain under the shelter of your lotus feet at all times.

Your humble servant,

Bhaktin Mamta Mahapatra.

Bhaktin Naline Sinha

All glories to His Divine Grace Srila Prabhupad,

Please accept my humble obeisance at your lotus feet!

Prabhupad, my journey on the path of Krishna consciousness began well over three and a half years ago and it indeed has been the most fruitful and satisfying journey that I have undertaken so far.

Looking back, it feels like a divine tryst that enabled me to connect with Krishna, the Supreme Personality of Godhead, and, who else but you are instrumental in making this happen. As I talk about my journey on the path of Krishna consciousness, I am also conscious about reaching its destination that is to transcend the cycle of birth and death and be perpetually engaged in the devotional service of the Lord. I know the path ahead is the most arduous and treacherous one. There is every possibility of a fallen soul like me ensnarled in the seemingly invisible traps thrown up by maya, allurements of the senses and the degrading influence of Kaliyuga.

Amidst these formidable challenges, I look up to you as a God-sent representative who will rescue me from falling down and make my journey a lot easier and enjoyable by taking me under your kind protection. Today, on your appearance day, I am filled with emotions as I get the opportunity to write to you and express my heartfelt gratitude for your blessings. I have incorporated reading the Bhagwad Gita and the books written by you, chanting, Ekadashi fasting and, deity worship as a part of my daily schedule. As I tread on this path, let me confess that I do tend to falter and occasionally deviate from

the prescribed duties but, with your causeless mercy, I am able to put my acts together and continue on this path with renewed vigour and resolve.

I end my letter with a verse that aptly summarises not only mine but of every devotee's emotions:

*Om ajnana-timirandhasya jnananjana-salakaya
caksur unmilitam yena tasmai sri-gurave namah*

"I was born in the darkest ignorance, and my guru, my spiritual master, opened my eyes with the torch of knowledge. I offer my respectful obeisance unto him."

Srila Prabhupad, being a creature of low intelligence and full of shortcomings, I beg your forgiveness for my mistakes. I also beg you to continue to guide me on the path of Krishna consciousness.

At your and Lord's service,

Bhaktin Nalinee Sinha.

Bhaktin Purnima Sangle

Dear Srila Prabhupada,

Please accept my most humble obeisances unto your divine lotus feet. All glories to you!

Prabhupada, when I think about myself, I feel as if I am the most fallen soul for I commit so many mistakes regularly. I am so conditioned and unskilled and I do not have the suitable words or qualification to even glorify you! However, I would still like to express my deepest gratitude to you, with whatever meagre vocabulary I possess.

Srila Prabhupada, you have given me a direction to live my life with a lot of happiness and joy. Earlier I used to react to every small thing, become anxious, and was highly result oriented for material enjoyment. After reading your books and listening to your lectures, I have come to realize, however, that life itself isn't limited to these shallow materialistic pleasures and miseries, that are as transient as a flickering lamp, but instead it is way beyond all of this. In fact, the main goal of our life is to realize that we are actually servants of the Supreme Personality of Godhead, Sri Krishna, and we must intensely work hard and endeavor to go back to Him. There is plethora of spiritual knowledge in your books and after reading some of this, I feel I'm able to handle my day to-day challenges with a much clearer and higher perspective. Regularly chanting and also listening to your kirtans and lectures helps a lot. Earlier while cooking for the family I used to get tired with no energy left for any other work. Now, it is just the opposite! After cooking, for the Lord I feel so satisfied and energetic. In so many ways, I feel my life has improved and I wish to always continue serving you and the Lord.

I pray that you always keep my family and me under your shelter, guiding us always on our journey to Krishna. Without your grace, we cannot make advancement in spiritual life. Only by your mercy, can we receive the benediction of Krishna.

It is difficult to express in words how indebted I feel towards you. Yet, I'd still like to thank you for everything.

Your humble servant, Bhaktin Purnima Sangle.

Bhaktin Rajeshree Patil

My dear Prabhupada,

As I sit down to write this Vyas-puja homage to the spiritual master, I find myself overtaken by my inability to do this task justice, entrapped as I am within me with so much confusion and bewilderment. Here, I am ...unable to address you appropriately, what to speak of writing the letter!!! But I do begin with "My dear Prabhupada . . ."

and I feel so close to You.

Please accept my most humble obeisances on this auspicious day of your divine appearance.

Lord Krishna says in Bhagavad Gita (4.34)

॥ तत् विद्धि प्रणिपातेन परिप्रश्नेन सेवया । उपदेक्ष्यन्ति ते ज्ञानं ज्ञानिनस्तत्त्वदर्शिनः ॥

One should approach a bonafide Spiritual Master for becoming self realized for he has seen the truth. The more I come in your association, the more I am able to relate to this truth! You are the one who has seen the truth and you are with me through your books and disciples. Having achieved the pure bhakti of Shri Krishna, what is striking is your humility, love and pure devotion. This just proves that Pure Knowledge brings humility, Fake knowledge Ego!!

ब्रह्मा नन्दा भ्रमिते कोणा भाग्यवान् जीव

गुरु कृष्ण प्रसादे पाया भक्ति लता बीज

By the mercy of both Krishna and you, I seek your guidance to receive the seed of the creeper of devotional service. You are not bound by the country borders is what I got to see. Every passing day, my faith is getting reinforced that it is Krishna who approached me in my life in your form while I was searching for a Guru.

Initially, when I listened to your talks, one thing that always confused me was why you used the word 'Rascal' so often. Being at the elevated stage, it wasn't expected. But as I got associated with you more and more through lectures, I realised the MOTHER in you was so very kind and full of compassion that you were trying to make us understand what was so obvious to you but NOT to Us. You want us to move from darkness to light and you are holding the torch of knowledge to help us cross this ocean of ignorance, but we are being stubborn. Being a mother I feel the same and in a miniscule way try to do the same!!

अज्ञान तिमिरान्धस्य ज्ञानाञ्जन शलाकया ।

चक्षुरुन्मीलितं येन तस्मै श्री गुरवे नमः ॥

Hey Gurudev! This is my prayer to you. Please help me and guide me on the path to reach Krishna and be in His eternal service.

Always seeking your blessings, I remain

Your Servant, Bhaktin Rajeshree Patil.

Dear Srila Prabhupada,

All glories to srila Prabhupada who executed the prophecy of Chaitanya.

Srila Prabhupada you showed us the absolute truth.

With firm conviction, determination and no myth.

It's you who laid an easy solution for everything.

Taking from the shastras and manufacturing nothing.

Be it gender inequality, be it employment, be it any crisis management.

Your purport showed be the ultimate judgement.

In this age of Kali lying in the darkest ignorance.

There is no one else so merciful and full of effulgence.

Oh Prabhupada only a stone that cannot speak will think of not glorifying you.

I wish I could write more but my dull knowledge does not encourage anything more than this. Jai Srila Prabhupada!

Your humble servant, Bhaktin Sanjukta Samal.

Bhaktin Smriti Patel

My humble obeisances to you Srila Prabhupada, the real Jagataguru.

I am blessed to have come in association with pure devotee like you and got the opportunity to read Srimad Bhagavatam in this life time. It means a lot and definitely helps in our day to day activities. It has made me understand what religion is all about.

Important is, in human society only there is some religion which aims at self-realization and which makes reference to man's relationship with God. And Spiritual Guru Makes Us Realize These Aspects. Blessed are those who follow such spiritual master.

Srila Prabhupad you brought this awakening in the form of Krishna Conscious Movement with so much of difficulty.

I sincerely pray for more success of Hare Krishna Movement.

Human civilization will understand importance of human birth and peace prevail.

Your Servant,

Bhaktin Dr. Smriti Patel.

Bhaktin Vinaya Kadam

Dear Srila Prabhupada,

My dear Prabhupada, first of all I offer my respectful obeisance's unto your lotus feet.

You are a great spiritual master, your books, and your videos that is really helping me to understand the real goal of life. I am so lucky to hear your voice on your recorded video. Every moment / every line you are just glorifying about Lord Krishna, who is the Supreme Personality of Godhead.

I joined Krishna Consciousness movement just two years back. Earlier I didn't had any idea about Spiritual world. But your disciples are trying their best to bring us to the understanding of Spiritual knowledge.

You have taken so much pains in your life. At your old age of 69 years, you went all the way to America for preaching the holy name of Lord Krishna. Every moment was challenging to you, there were so many obstacle on your path, you were struggling alone, very depressing, but you never gave up.

Your goal was only to fulfill the order of your spiritual master Srila Bhaktisiddhanta Sarasvati Thakkur. You were interested only to propagate Krishna and Chaitanya Mahaprabhu in the western countries. You wanted to deliver only one message to all people 'GOD Consciousness'.

Though you are not there today with us, but your books, your video's, your voice is keeping us alive to hear about the past times / glories of Lord Krishna. During your journey to Krishna consciousness, you have enlightened so many fallen soul. You gave new life to these soul. You have planted a seed of inspiration in the mind of the devotees. People started following regulative principles, and getting involved in chanting the holy name of Lord Krishna.

You started Sankirtan Movement, built 108 temples, started Ratha Yatra, started Akshay Patra Centres, and published so many books like Bhagavad Gita, Bhagavatam etc. Your only goal was to spread the awareness to all the people about Krishna consciousness. You were fully surrendered and fully dependent on Krishna, and in obedience to your spiritual master, you would approach everyone to surrender to Krishna.

You thought us how to do deity worship, how to eat Krishna prasadam, how to offer prayers / obeisance's, how to chant the holy name of the Lord, how to submissively engage in the devotional services. You also gave us spiritual knowledge

through your books which is helping us to elevate to Krishna consciousness. Your disciples are putting tremendous efforts in providing spiritual knowledge to us.

On this auspicious Vyasa Puja day, please bless us, and engage us in the service of Krishna consciousness. I would also like to thank you for all the pains and efforts you have put in for publishing your books which help us to read your books regularly. I also thank you for sending the Hare Krishna Movement, Mumbai team for sending them to Mumbai for preaching the holy name of the Lord. Because of Hare Krishna movement team, we came in touch with you. So, my humble request to you, please shower all your blessing to Hare Krishna Movement team, Mumbai. Also please treat me as your servant and keep me engage in all your service and under your shelter.

Your Servant,

Bhaktin Vinaya Kadam.

ISKCON – Mysuru, Karnataka

Alarnath Dasa

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet.

Spiritual master is as good as God and nobody can fully glorify him. God's glory is transcendental, so Spiritual Master's glory is also transcendental. By glorifying God, whatever benefit one gets, the same benefit one can get by glorifying spiritual master. In fact, if somebody glorifies a spiritual master like you, who is a pure devotee, Krishna will become more pleased.

Krishna is saying in Bhagavad-Gita, "I am Himalaya among mountains, I am lion among animals". Similarly, if Krishna speaks Bhagavad-Gita in present time, then Krishna will say, "I AM SRILA PRABHUPADA" among spiritual masters.

Prabhupada, you belong to the transcendental world and you came in this material world to save the people like us. You are as good as Krishna. What can I speak about a transcendental personality like Krishna? Still I will try to say something. Of course, trying to say something about you, is like showing lamp to a bright Sun. If I compare you to a Sun, then you are more than a Sun. Because Sun is shining only day time, but you are shining day and night always through your transcendental knowledge. Krishna is your property and you have power to give Krishna's mercy to anybody. You are an eternal associate of Lord Krishna and you know who Krishna is. Therefore, you can speak about Krishna without any doubt. You are like Narada Muni always glorifying Lord Krishna. You are savior of the whole world because you taught the whole world the real aim of life. Due to your mercy whole world is chanting the name of Krishna.

Hare Krishna Hare Krishna Krishna Krishna Hare Hare

Hare Rama Hare Rama Rama Rama Hare Hare

In the present material world, nobody is a spiritual master like you who can say "I will take my disciple back home back to godhead". If anybody is accepting you as a spiritual master, is really fortunate in this material world. Your heart is like ocean. You can give Krishna prema to anyone who comes to you because Krishna is your property.

Prabhupada, by your mercy the whole world is drinking the nectar of Hare Krishna maha mantra. By your mercy Prabhupada, I am trying to serve your movement. You are my life and soul. You have saved me from so called Guru who do not know even meaning of Guru and still considers himself as good as God. Many so called Gurus have come and gone. Hardly anybody will remember them now. But your glories are increasing day by day. Whatever you have given to the world within ten years, can never be given by anyone at present and in the future too. You have given me so many highest things like the shelter of Radha Krishna, prasadam, devotees association, kirtan, Vedic knowledge and many more. Prabhupada, in this age of Kali no one is like you who has distributed the Krishna's love to whole world. You are a real soldier of Chaitanya Mahaprabhu. You are real disciple of Bhaktisiddhanta Saraswathi Thakur Maharaja. The whole world is grateful for your causeless mercy.

In the Bhagavatam Bharat Maharaj is saying to King Rahugana that unless one has an opportunity to smear his entire body with the dust of the lotus feet of great devotees, one cannot realize the Absolute Truth. One cannot realize the Absolute Truth simply by observing celibacy, strictly following the rules and regulations of household life, leaving home as a vanaprasta, accepting sannyasa, or undergoing severe penances. There are many other processes to understand the Absolute Truth, but the Absolute Truth is only revealed to one who has attained the mercy of a great devotee.

Therefore, without the mercy of spiritual master, nobody can attain Krishna bhakti. One has to approach a pure devotee: Anyabhilasita-sunyam jnana-karmady-anavrtam. Hence, Prabhupada, please keep me under your shelter always.

Prabhupada, I am trying to follow your instructions. But I am still not able to do. Prabhupada, please forgive me for whatever mistake I have done and kindly bless me so that I can be able to follow your instructions and serve Radha Krishna.

Prabhupada, I will be always grateful to you.

Your most fallen servant,

Alarnath dasa.

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet. On this most blessed event of Sri Vyasa-Puja, the appearance day of my beloved spiritual master, I am filled with a sense of gratitude and wonder. I cannot even imagine where my life would be today, if you had not appeared and blessed us all with your divine benediction through ISKCON.

“On this auspicious day I have come with this offering just to worship you, remembering your lotus feet.”

The spiritual master is a guru because he is heavy with knowledge and unmovable by any other, lighter arguments. He is an acharya because he moves and lives completely in accordance with the Vedas and teaches the deeper meanings of the scriptures to others.

As the Manu Samhita states:

*upaniya tu yah sisyam veda-madhyapayed dvijah
sankalpam sa-rahasyam ca tam acaryam pracaksate*

One who confers the sacred thread, trains his disciples in sacrifice and teaches them the confidential meaning of the Vedas is known as an acharya, according to saintly authorities.

Such a spiritual master is a rare personality indeed, and is someone whose very life contributes the best of all fortune to all those who seek his company. His presence in our life is so valuable because it gives us the greatest possible life: a life lived as a preparation for returning to our eternal home. Through the gifts of knowledge, guidance, encouragement and correction, the spiritual master takes us personally over the darkest valley of repeated birth and death and sets us up in the highest, most glorious place.

You are present in your vani; your books and instructions. You are present still in your Deity Form. You live in the hearts of your sincere devotees. You have touched us all so deeply; we cannot help but remember you. Srila Prabhupada, I am most unworthy to have received your mercy, and because of knowing my insignificance, it has caused me to be even more grateful and appreciative of your blessings.

This is my position. I am completely unworthy and most fallen. Therefore, by showing me your mercy, please make my life successful. For you are patita-pavana, the savior of the fallen souls, and who is more fallen than me? I have no good qualities; born of low birth, without right intelligence. I am a fallen soul. But always, desiring only your causeless mercy to be bestowed upon me. Let the desire of my seniors and god brother's instructions be my life and soul in serving your movement.

Begging forgiveness from my Senior Vaishnavas and my God brothers for offenses at their feet by my action's, words and mind. Begging to remain forever in Your Divine Service under the guidance of your disciples, which is the only way to remain in the journey of Krishna Consciousness.

Yours aspiring servant, Chaitanya Chandra Dasa.

Chinmayi Radha Devi Dasi

Dear Srila Prabhupada,

Please accept my humble obeisances which I am offering unto your lotus feet on this auspicious day.

Dear Srila Prabhupada, I don't find words to glorify you because you are a pure devotee of Lord Krishna and the only one in my life Prabhupada. It is told that only when the child cries, the mother will feed milk. But by your causeless mercy, you have provided me with wonderful opportunities for devotional service to the Lord without asking. Prabhupada, that is your greatness. Today, I am living and serving your mission is also a miracle performed by you Prabhupada. Because of medical report it is impossible for me. But, it has been made possible only by your mercy Prabhupada.

Dear Srila Prabhupada, my husband retired from his material service on 30.11.2018. We thought that we will approach temple authorities to provide us some service but you have planned and sanctioned us service before his retirement itself Prabhupada. You are so kind towards us and even our parents might not have meticulously planned for us like this. You are the most munificent guru. Please forgive me from whatever nonsense I am committing daily. Though I am mentally and physically incapable to do anything, I beg you to keep in this ashraya till my last breath.

Without your shelter we are unable to withstand a small wind force also Prabhupada.

Please protect us to be in the devotional service of Their Lordships Sri Sri Krishna Balaram, Sri Sri Nitai Gauranga, Sri Sri Lakshmi Narasimha and you Prabhupada.

Your insignificant servant, Chinmayi Radha Devi Dasi.

Maha Purana Dasa

Dear Srila Prabhupada,

Please accept my respectful obeisances unto your lotus feet on this most auspicious 123rd Vysapuja celebration of your divine grace.

Srila Prabhupada, Gurudeva, Acharyadeva, you are the Founder-Acharya of ISKCON and Jagadguru of the entire world. 123 years ago on this auspicious day, the next day of Sri Krishna Janmashtami, you made your divine appearance by the call and order of the Supreme Personality of Godhead to propagate Lord Chaitanya Mahaprabhu's sankirtana movement all over the globe.

In the revealed scriptures, it is declared that the spiritual master should be worshiped as good as the Supreme Personality of the Godhead and this injunction is obeyed by pure devotees of the Lord. Thus, let me offer my respectful obeisances unto the lotus feet of my spiritual master, Srila Prabhupada.

We learn from the bonafide scriptures that a Guru or Acharyadeva delivers the message of the absolute world, the transcendental abode of the absolute personality, where everything non-differentially serves the absolute truth.

In the Munduka Upanishad it is said

tad-vijñānārthaṁ sa gurum evābhigacchet

samit-pāṇih śrotriyaṁ brahma-niṣṭham

"In order to learn the transcendental science, one must approach bona fide spiritual master in disciplic succession, who is fixed in Absolute truth". In order to receive the transcendental knowledge one must approach a guru. Therefore, if the absolute truth is one, about which we think there is no difference of opinion, then guru also cannot be two.

In the Srimad Bhagavatam it is said,

ācāryaṁ mām vijānīyān navamanyeta karhicit

na martya-buddhyāsūyeta sarva-deva-mayo guruḥ

"One should know the ācārya as Myself and never disrespect him in any way. One should not envy him, thinking him an ordinary man, for he is the representative of all the demigods."

Srila Prabhupada, you descended here to deliver the fallen condition souls like me who have come here to this material world with a motive of enjoyment and not to deal with the material affairs which are temporary. You have appeared before us to reveal the light of the vedas and bestow upon the blessing of transcendental knowledge through Srimad Bahagavtam and Srimad Bhagavad-Gita.

I am like a ignorant child in the knowledge of transcendence. Please ignite a spiritual spark within me to dissipate darkness of ignorance in me.

Srila Prabhupada, if you had not appeared in this world to deliver the fallen soul like us from material nescience, surely I would have remained in the darkness of ignorance and have not understood the eternal truth of the sublime teaching of Lord Chaitanya – The Sankirtana Movement.

Srila Prabhupada, by your divine grace mercy, I have come with real association of yours. Srila Prabhupada, you are the my eye opener, eternal father, eternal preceptor, eternal guide. Please constantly guide me, train me, teach me, instruct me and constantly engage me in your service. My intelligence is full of faults and my mind is crazy.

Kindly forgive me for any offenses committed to you and your followers knowingly or unknowingly.

Srila Prabhupada, I once again bow down at your lotus feet on the this auspicious day of yours.

Your insignificant servant,

Maha Purana Dasa.

Manamohana Krishna Dasa

I bow down to the divine lotus feet of my Guru Maharaj, who descended from Krishna's world to deliver the fallen souls. I worship the unalloyed lotus feet of my Gurudeva, who compassionately distributed Krishna Prema to this entire world.

While I am busy battling between duties and desires; do I even realize that I died one more day with another dawn turning to dusk? Neither I am able to follow dharma for a better tomorrow nor able to suffer for my yesterday's karma. But I learned to laugh from outside, crying from inside. With my spirit stranded within matter, I realized the days were near where my shallow breath and my shadowed life will come to an end.

Drowning in the darkest region of this binding material ocean, I see all that I have and all that I am is withering. Driven by the winds of uncertainty; taken to a place where the so called loved ones not reach, I realized I am a loser, a miser and a failure. Out of causeless mercy, Srila Prabhupada, You appeared and assured me; don't cry, don't worry. I will lead you to Lord Hari, the source of bliss and all that be.

So, I quit this material race and embraced His Divine Grace. He dispelled my darkness with the light of Krishna Consciousness. The light was bright and the path was right, it relieved my pain because I believed in Krishna's name. Sooner or later, the time will be mine when my every breath resonates with His Holy Name.

The only way to revive our spiritual existence is to hold on to your assistance, Prabhupada. To survive this material resistance, chant the Maha Mantra with persistence.

Hare Krishna Hare Krishna Krishna Krishna Hare Hare

Hare Rama Hare Rama Rama Rama Hare Hare

Prabhupada, I beg to remain under the shelter of your lotus feet which saved million souls, million times and more, and whose glories cannot be described with million words even with million worlds and more.

Yours eternal insignificant servant,

Manamohana Krishna Dasa.

Narakesari Dasa

Dear Srila Prabhupada,

My dear spiritual master, kindly accept my humble obeisances unto your lotus feet.

Dear Srila Prabhupada, you are my father, master, guru, life and soul. You are everything for me. Only but you on this earth gave me the knowledge that Krishna is the Supreme Personality of Godhead. Lord Caitanya and Lord Nityananda are none

other than Krishna and Balaram. Srimad Bhagavad Gita, Srimad Bhagavatham and Caitanya Caritamruta books are ultimate transcendental books for which you have given wonderful and perfect translations and purports in English language.

Without your causeless mercy, I would have been one among the other karmis around me living like dogs, cats and donkeys. You have saved me from this hellish path of life. Only by reading your books, listening to your lecturers, following your instructions one can elevate to a spiritual platform. By your grace, my life has been made simple and blissful. Thank you so much my dear Srila Prabhupada.

Other than you, we would have been bereft of knowing, who is a true guru, who is God, what is soul, what is karma, what is time and what is nature. You have opened our eyes from illusion and showed the path of perfection.

Every word of yours is a nectar of devotion, since you are a pure devotee of Lord Krishna. Just by your mercy only, we could understand as to what is parampara, disciplic succession, illusory maya energy, spiritual energy, material creation, spiritual world, how one can easily go to other planets, what is the secret of success in this life, Science of self realization, true process of Yoga, true Krishna Consciousness, Path of Perfection, understanding Life comes from Life, what is beyond birth and death, Renunciation through wisdom, how to elevate to Krishna consciousness, true meaning of Isopanisad. The list is endless like the waves of ocean.

We are really blessed having taken initiation from such a wonderful and eternal associate of Lord Krishna.

Dear Srila Prabhupada, you are the topmost devotee of the Lord who could accomplish such a wonderful preaching task all over the world in such a little time. It is simply amazing. No ordinary human being has so far done such wonders on this planet earth. You are really great Srila Prabhupada.

Only by your causeless mercy, we could see that HARE KRISHNA maha mantra is the ultimate and most effective mantra for this Kali yuga. We are really very very fortunate. Only because of you we could understand the hidden treasure of Hare Krishna maha mantra as non different from Krishna, The Supreme Personality of Godhead.

You are more merciful than Lord Caitanya Mahaprabhu. Only by your mercy we could understand all the glories of our great Acharyas in our great Parampara and be really blessed.

Kindly bless us not to fall into maya and see that always we be serving your Lordships.

Your humble servant,

Narakesari dasa.

Pavitra Rupa Devi Dasi

Jai Srila Prabhupada.

Your Lordship gave me your causeless mercy by accepting me as your servant ,
but I am not able to make any progress in my sadhana at all , I am still trying .

Everywhere in all your lectures you talk about surrender to Guru , Gauranga, and Lord Krishna.

Your explanations let us know, how important it is to follow your instructions . I am still trying to do so . All the purports of Bhagavad Gita explain bhakti to the Lord. It says how important it is to surrender.

I was reading your lilamrutha. There are so many of your transcendental qualities, all the 26 qualities of a pure vaishnava, mentioned by Chaitanya Mahaprabhu to Sanatana gosvami are visible in you.

You are very affectionate to your disciples, to all the jivas .

You show compassion to all the jivas.

You are merciful to all.

You only speak what is said by the guru ,sadhu ,and sastra .

You are equal to all the jivas . I find myself unworthy to explain all your qualities.

Srila Prabhupada you traveled to the west ,you wrote books, to teach us how to lead a life like humans . All along we lived like animals in this material world.

Please help me to progress in my life, So that, I am the unworthy jiva, by your causeless mercy, may do some progress for some extent, by following your instructions. I want to get out of this material world which is full of suffering and go back home back to Godhead.

My only prayer to you is please keep me at your lotus feet, So that I become an unflinching faithful servant at your lotus feet. You are my only hope, please bless me and guide me. Make me a humble servant of your lotus feet.

Make me serve all the Vaishnavas, so that I can do some progress in my spiritual life.

Srila Prabhupada, you are the only one who know my mind ,so please correct me, guide me and protect me from falling down.

Yours unworthy servant,

Pavitra Rupa Devi Dasi.

Praghosha Krishna Dasa

My ever well-wisher Srila Prabhupāda,

Please accept my respectful and humble obeisances at the dust of your divine lotus feet on this joyous auspicious occasion of your Vyasapuja. It is highly impossible for a neophyte like me to understand or glorify the name, fame, qualities and activities of your divine self, but duty-bound, I seek the mercy of your devotees in this frail attempt.

It is wonderful that such a great devotee as Srila Prabhupada could be so humble as to ask his disciple "You should pray to Krons for me." When the disciple stammered "Well, I don't think that would work," Srila Prabhupada replied "Why not? You are a devotee of Krsna." Thus Srila Prabhupada recognized every iota of service rendered by his disciple and also respected every disciple as a devotee. To such an embodiment of humility, my spiritual master Srila Prabhupada, I humbly offer my obeisances.

When Prabhupada saw the big used offset printing press he told how his guru maharaj, Srila Bhaktisiddhanta Sarasvati Thakur, called the press the big mrdanga. He then said that the printing press was the heart of ISKCON. One of the disciple said, "Srila Prabhupada, You are the heart of ISKCON." Prabhupada smiled and said, "THIS IS my heart!" indicating the press and the books. Thus Srila Prabhupada demonstrated that preaching Krishna consciousness was the core desire of his heart as an offering to his spiritual master. To such an obedient servant of his spiritual master, my spiritual master, Srila Prabhupada, I offer my obeisances.

Prabhupada was careful and gradual in nursing his flock of young western Vaishnavas towards the highest standards of devotional purity, knowing fully well that each step taken has to be secure before the next step can be introduced. From stressing on chanting of the Holy Name, serving the deities of Lord Jagannatha, Baladeva, and Lady Subhadra, to installation of Radha-Krishna Deities, Prabhupada gradually introduced more sadhana. He moved the morning program up an hour to start at 6:00 a.m. To such a sensitive but principled personality as my spiritual master, Srila Prabhupada, I offer my obeisances.

Prabhupada once noticing his disciple had some sprouted beans instructed the disciple not to waste even one grain of the sprouted bean and to offer everything to the Lord. When the disciple further inquired, Prabhupada replied that in each bean there is a soul. Thus Prabhupada had a sharp and spotless vision as to see spirit in everything and to engage that part too in the service of Lord. To such a visionary, my spiritual master Srila Prabhupada, I offer my obeisances.

Srila Prabhupada was completely transcendental. Only he could sit and eat his lunch with legions of ants preparing to attack his remnants. He also graciously and mercifully allowed those ants to feast on his remnants just as much as he allowed an air-hostess to feast on his prasadam of puffed rice and peanuts and thus transformed the air-hostess to a Krishna conscious devotee. To such a mercy personified spiritual master, Srila Prabhupada, I offer my obeisances.

Srila Prabhupada once received Professor Karlfried Graf Durckheim, a well-known author, who studied Zen in Japan after World War II. Professor was a known personality in psychological departments of practically every university. He brought Zen Buddhism to Europe. He at that time had many German Catholic bishops becoming interested in Zen Buddhism. He had about 30 of them coming for retreats. After meeting with Srila Prabhupada just once, the Professor said, "It is quite amazing, this visit. I have met many people in my life of spiritual standing, but I have never met a person like this master. He is through, he has made it, he has achieved the perfect plane." He said, "It is a remarkable day in my life." Thus Srila Prabhupada would convince and attract anyone and everyone whom he met regarding Krishna consciousness. To such a great commander of Chaitanya Mahaprabhu's preaching army, I offer my grateful obeisances.

Srila Prabhupada as he goes on his early morning walks, he comments on everything: the birds, flowers, buildings, ocean, surfers, greets other jay walkers, crab, etc. Nothing is too insignificant to escape his attention. Srila Prabhupada considered everything as belonging to Krishna and was thus never insignificant and gave its due respect. To such a personality who always saw things in connection with Lord Krishna, my spiritual master Srila Prabhupada, I offer my obeisances.

Srila Prabhupada and his entourage of foreign disciples were in Delhi in a dharmashala when the war between India and Pakistan broke out. At night there was curfew during the air raids. Prabhupada continued chanting and didn't seem to pay any attention to the sirens. The next day two men were visiting Prabhupada and they asked, "Why didn't you cover the windows? Weren't you afraid of being bombed?" Prabhupada said, "It is not under our control. If Krishna wants to kill, who can save, and if Krishna wants to save, who can kill?" The men persisted "But what if the bomb would --" Prabhupada interrupted: "If I should see the bomb coming overhead" -- Prabhupada looked, wide-eyed and trusting toward the sky -- "then I will see the bomb as Krishna." He continued to look up, his arms spread wide open "I will see the bomb as Krishna." Thus Prabhupada exemplified the words of Lord Shiva "Devotees solely engaged in the devotional service of the Supreme Personality of Godhead, Narayana, never fear any condition of life. For them the heavenly planets, liberation and the hellish planets are all the same, for such devotees are interested only in the service of the Lord." To such a fearless personality due to having taken shelter of Lord Krishna and aptly named Abhayacharanaravinda, my spiritual master Srila Prabhupada, I humbly bow down.

Srila Prabhupada, you as representative of chaitanya guru know the heart and mind of not only your disciples but also of all the living entities, thus I beg from you nothing but just your causeless mercy in the form of determination and opportunity to eternally serve you and your devotees for your pleasure. Thanking you.

Your aspiring-to-be-sincere servant,

Praghosha Krishna Dasa.

Dear Srila Prabhupada,

I offer my humble obeisances unto your divine lotus feet.

All glories to you on this occasion of your 123rd appearance day. You are 32nd acharya in the disciplic secession and a bonafide spiritual master. You are empowered by Sri Chaitanya Mahaprabhu & your spiritual master Srila Bhaktisiddantha Saraswati Thakur to preach Krishna consciousness to the western world.

Upon receiving the order from your spiritual master to preach Krishna consciousness to the western world, you were always thinking of how to fulfil the desire of your spiritual master. Finally at the age of 65 years, you managed with much difficulty to reach America.

The whole world is in the dark well of illusion. But by your total dependence on Krishna, you were able to enlighten the entire world. You have toiled yourself to propagate the message of Sri Chaitanya Mahaprabhu. And you have founded International Society of Krishna Consciousness to help living entities to cultivate Krishna consciousness, by associating with your disciples.

By participating in sankirtana and hearing your lectures on Srimad Bhagavatam & Bhagavad-gita and by following your instructions to chant Hare Krishna maha mantra:

Hare Krishna Hare Krishna Krishna Krishna Hare Hare

Hare Rama Hare Rama Rama Rama Hare Hare

one will be easily delivered.

Krishna is merciful but you are even more merciful & compassionate than Krishna. You have translated Srimad Bhagavatam & Bhagavad-gita in simple English language with purports to every sloka. By reading or hearing these literatures, ones heart get purified and the fallen soul gets delivered. It is a miraculous gift from you.

I regularly attend the temple program, associate with your disciples, hear Srimad Bhagavatam lectures by yourself & by your disciples. I do services assigned to me by the temple authorities. I regularly read your books and chant 20 rounds of Hare Krishna manta.

I find lot of changes in my personal & family life by following your guidelines. Please bestow your mercy upon me to further progress in Krishna consciousness. Though you have disappeared from our material vision, you are still instructing us through your books & lectures.

On this occasion of Vyasa puja on 15th day of August 2019, I have no words to express my gratitude to you. All glorious to you Srila Prabhupada. I ever remain indebted to you. My heartfelt obeisances unto your lotus feet .

Your humble and insignificant servant of the servant,

ಚಕ್ಷುರ್ ಉನ್ಮೀಲಿತಂ ಯೇನ ತಸ್ಮೈ ಶ್ರೀ ಗುರವೇ ನಮಃ

ಪರಮ ಪೂಜ್ಯ ಶ್ರೀ ಕೃಷ್ಣನ ಪರಮ ಪ್ರಿಯರಾದ ಪ್ರಭುಪಾದರ ಪಾದಾರವಿಂದಗಳಲ್ಲಿ ನನ್ನ ಕೋಟಿ ಕೋಟಿ ಸಾಷ್ಟಾಂಗ ನಮಸ್ಕಾರಗಳು.

ನಿಮ್ಮ 123ನೇಯ ಹುಟ್ಟು ಹಬ್ಬವನ್ನು ಇಂದು ಆಚರಿಸುತ್ತಿರುವುದು ನಮ್ಮ ಸೌಭಾಗ್ಯವೇ ಸರಿ. ಗೌರವಾನ್ವಿತರಾದ ನಿಮ್ಮ ಜೀವನ ಚರಿತ್ರೆಯನ್ನು ನೋಡಿದರೆ ರೋಮಾಂಚನವಾಗುತ್ತದೆ. ನಿಮ್ಮ ಸಾಧನೆಯನ್ನು ನೋಡಿದರೆ ಭಗವಂತನ ಪರಿಶುದ್ಧ ಭಕ್ತರಿಗೆ ಮಾತ್ರ ಸಾಧ್ಯ ಎಂಬ ಸತ್ಯವು ತಿಳಿಯುತ್ತದೆ. ನಿಮ್ಮ ಶಿಷ್ಯರ ಹೆಜ್ಜೆ ಹೆಜ್ಜೆಯನ್ನು ಗಮನಿಸಿ ಅವರಿಗೆ ಸರಿಯಾದ ದಾರಿಗೆ ಕರೆದೊಯ್ಯುವ ನಿಮಗೆ ಕೋಟಿ ಕೋಟಿ ವಂದನೆಗಳು.

ಬಂದದೆಲ್ಲಾ ಬರಲಿ ಗೋವಿಂದನ ದಯೆಯೊಂದಿರಲಿ ಎನ್ನುವಂತೆ ಬಂದದ್ದೆಲ್ಲಾ ಬರಲಿ ನಿಮ್ಮ ಆಶ್ರಯ ಒಂದಿರಲಿ ಎಂದು ನಿಮ್ಮಲ್ಲಿ ನನ್ನ ಮನದಾಳದ ಬಯಕೆ ಆಗಿದೆ.

ನಿವೇ ಹೇಳಿರುವಂತೆ ಒಂದು ಬಾರಿ ನಾರದ ಮಹರ್ಷಿಗಳು ಭಗವಂತನಲ್ಲಿ ಭಕ್ತರ ಸಂಘದಿಂದ ಏನು ಲಾಭ ಎಂದು ಕೇಳುತ್ತಾರೆ. ಅದಕ್ಕೆ ಭಗವಂತನು ನಾನು ಹೇಳುವುದಕ್ಕಿಂತ ಅಲ್ಲಿ ಹೋಗುತ್ತಿರವ ಹುಳುವನ್ನು ಕೇಳು ಎಂದು ಹೇಳಲು ನಾರದರು ಅಲ್ಲಿದ್ದ ಹುಳುವನ್ನು ವಿಚಾರಿಸುತ್ತಾರೆ ತಕ್ಷಣ ಹುಳುವು ಸತ್ತು ಹೋಗುತ್ತದೆ. ನಾರದರು ಬೇಸರದಿಂದ ಭಗವಂತನಲ್ಲಿ ಕೇಳಿದಾಗ ಭಗವಂತನು ಒಂದು ಹಸುವನ್ನು ತೋರಿಸಿ

ವಿಚಾರಿಸಲು ಹೇಳುತ್ತಾರೆ. ನಾರದರು ಹಾಗೆ ಮಾಡಲು ಹೊರಟಾಗ ತಕ್ಷಣ ಆ ಹಸು ಪ್ರಾಣಬಿಡುತ್ತದೆ. ನಾರದ ಮಹರ್ಷಿಗಳು ದುಃಖದಿಂದ ಭಗವಂತನಲ್ಲಿ ಕೇಳುತ್ತಾರೆ ಭಗವಂತನು ಭೂಮಿಯಲ್ಲಿ ಒಬ್ಬ ಮಹಾರಾಜನಿಗೆ ಗಂಡು ಸಂತಾನವಾಗಿರುವುದನ್ನು ಹೇಳಿ ಆ ಮಗುವಲ್ಲಿ ಕೇಳಿ ಎಂದು ಹೇಳುತ್ತಾನೆ. ನಾರದ ಮಹರ್ಷಿಗಳು ಸಾಧ್ಯವಿಲ್ಲ ಹಿಂದೆ ನಡೆದ ಘಟನೆಯಂತೆ ಆದರೆ ನನ್ನನ್ನು ಮಹಾರಾಜ ಸುಮ್ಮನೆ ಬಿಡುವಿಲ್ಲ ಎಂದು ತಿಳಿಸುತ್ತಾರೆ. ಭಗವಂತನು ಮಾರ್ಗ ಸೂಚಿಯನ್ನು ಒಪ್ಪಿ ನಾರದರು ರಾಜರ ಮಗುವನ್ನು ಕೇಳಿದಾಗ ಮಗು ನಗು ನಗುತ್ತಾ ಹಿಂದೆ ಒಂದು ಹುಳ ಆಗಿದ್ದ ನಾನು ನಿಮ್ಮ ದರ್ಶನದಿಂದ ಹಸುವಾದೆ ನಂತರ ನಿಮ್ಮ ದರ್ಶನದಿಂದ ರಾಜನ ಮಗನಾಗಿದ್ದೇನೆ ಎಂದು ಹೇಳುತ್ತಾರೆ. ನಾರದರಿಗೆ ಆಶ್ಚರ್ಯವಾಗುತ್ತದೆ.

ಈ ಶುದ್ಧ ಭಕ್ತರಾದ ನಿಮ್ಮ ಆಶ್ರಯದಲ್ಲಿರುವ ನಮ್ಮೆಲ್ಲರಿಗೇ ಗೋಲೋಕ ಸಿಗುವುದು ಶತಸಿದ್ಧ. ನಿಮ್ಮ ಆಶ್ರಯ ಒಂದಿದ್ದರೆ ಆ ಭಗವಂತನನ್ನು ಸಮೀಪಿಸುವುದರಲ್ಲಿ ದೊಡ್ಡ ಕೆಲಸವೇನಲ್ಲ ಎಂದು ಹೇಳಿದರೆ ವಿಶೇಷವೇನೂ ಕಾಣುವುದಿಲ್ಲ ನೀವು ಭಗವಂತನ ವಿಚಾರಗಳಿಗೆ ಹತ್ತಿರವಿರುವಿರಿ ಅವನ ದಿವ್ಯ ಲೀಲೆಗಳನ್ನು ಅವನ ಐಶ್ವರ್ಯಗಳನ್ನು ಮತ್ತು ಸೃಷ್ಟಿಯ ಪ್ರತಿಯೊಂದನ್ನು ಅಕ್ಷರಸಹ ಅರ್ಥವಾಗುವಂತೆ ವಿವರಿಸಿ ನಮಗೆ ಬರುವ ಅನುಮಾನಗಳನ್ನು ಬಗೆಹರಿಸುತ್ತಿರುವಿರಿ.

Rajani Radha Devi Dasi

Dear Srila Prabhupada,

I offer my respectful obeisance to your lotus feet on this occasion of your Vyasa Puja.

Koti koti pranam to you.

Seeking your mercy - On this most sacred occasion of your appearance in this world, I fall at the end of your lotus feet and beg forgiveness for my sins and ignorance.

I do not have enough words to thank you for putting your kind efforts in bringing us closer to Lord Krishna.

I pray to you to give me more strength to practice Krishna consciousness more seriously and become your better servant.

Prabhupada, you had so much affection for your disciples and therefore the disciples had so much affection for you. This touches my heart. Your love is so pure and selfless.

Your humble servant, Rajani Radha devi dasi.

Ramapathi Dasa

Dear Srila Prabhupada,

Please accept the humble obeisances which I am offering unto your lotus feet on this auspicious day.

Dear Prabhupada, you have provided us with the unparalleled literature's, books, lectures which no one else would have given. You are the Universal Guru, well-wisher of all the fallen souls and the most compassionate person. You are uncompromising even in the difficult situation. You have created worldwide spiritual revolution with the Hare Krishna Maha Mantra. When a reporter asked you "why not God consciousness movement" you replied that God is one and He is Lord Sri Krishna. Regarding the regulative principles also you were very strict that should be followed. It is not only that you gave the direction but you have conducted your life accordingly so as to set forth an example.

Dear Prabhupada, you have picked me up in the year 2004. Before that I did not know ABCD of spirituality. As a sentimentalist, I used to visit various temples. By coming in contact with your books, listening to your lectures, I have now become a human being. I realised the idea of God, soul and the external relation between them. Gradually, I am into doing little bit of devotional service to Lord Sri Krishna by your causeless mercy. Though I am least qualified, by your grace, I am in this mission.

Dear Prabhupada, I am very much grateful to you for choosing me, the rotten dog into the service of Lord. You have given me the knowledge to control the mental strength to tolerate, remain humble and not agitated by petty issues.

Dear Prabhupada, I pray to you to protect me in my life every second. I do not know what danger is awaited for me in future. But you know as you are a pure devotee of Lord Sri Krishna. Not only in this life, but in any life you please place me under your shelter and bless me to do devotional service.

Thank you Srila Prabhupada.

Your insignificant servant,

Ramapathi Dasa.

Rathish Dasa

I offer my respectful obeisances unto His Divine Grace A.C. Bhaktivedanta Swami Prabhupada, who is very dear to Lord Krishna on this earth, having taken shelter at His lotus feet.

Our respectful obeisances are unto you, O spiritual master, servant of Sarasvati Gosvami. You are kindly preaching the message of Lord Chaitanya deva and delivering the Western countries, which are filled with impersonalism and voidism.

Dear Srila Prabhupada,

Please accept our humble obeisances in dust of your lotus feet! All glories to you and your divine mission of spreading Lord Sri Krishna's glories all over the world!

Writing a Vyasa-puja offering for you is always a big inspiration for us to remember you and see how everything in our life depends on your divine mercy. As it is said that - "By the mercy of guru, even a dumb man can become the greatest orator and even a lame man can cross mountains. I offer my obeisances to such a guru, the deliverer of the fallen."

Although we are part and parcel of Lord Sri Krishna, due to the illusory, we have forgotten our real identity and have become diseased and conditioned souls. This is due to bodily conception of life. But O our master, dear Srila Prabhupada, you are the one who bestowed your mercy on us and helped us in awakening our real consciousness, the Krsna consciousness. O master, please accept our humble obeisances unto your divine lotus feet.

We are just as the kittens in the protection of their mothers, than the monkeys who hold on to their mothers. So without your causeless mercy our destination to Krishna Bhakti could never be achieved.

*samsara-davanala-lidha-lokatranaya

"The spiritual master is receiving benediction from the ocean of mercy. Just as a cloud pours water on a forest fire to extinguish it, so the spiritual master delivers the materially afflicted world by extinguishing the blazing fire of material existence. I offer my respectful obeisances unto the lotus feet of such a spiritual master, who is an ocean of auspicious qualities."

So we surrender unto your lotus feet to shelter ourselves from the forest fire of material existence and to achieve Krishna Prema, which is possible only by your causeless mercy.

Yours most fallen servants from,

Ratish Dasa and Devotees, Hare Krishna Nature Farm.

Satyavathi Devi Dasi

Hare Krishna Srila Prabhupada,

I bow down and offer my respects to the divine lotus feet of my Spiritual Father, who has mercifully appeared to save fallen souls like me and show us the path to go back home, back to Godhead.

Whenever I am faced with difficult situations in my life, I remind myself of your instructions that all these events that are happening are of temporary nature and unnecessary worry and these will not help anyone towards self-realization.

It is you who taught us that the only way to attain real happiness and freedom is by surrendering our words and actions to the will of Lord Krishna. Your infallible instructions always stood timeless and gave us protection in the face of material miseries.

I had recently met with an accident near the temple and everyone rushed to me to help out. Some gave water, some politely inquired if I am hurt. Everyone is kind enough to save my temporary self, but only you could save this eternal soul from such material accidents.

Prabhupada, you are the savior of all those great devotees who dedicated their lives following your instructions and footsteps. Though I nowhere stand before such great devotees, yet you always give shelter of your lotus feet with whatever little service I am trying to do.

Prabhupada, I beg your causeless mercy to give me intelligence that I always keep my thinking, feeling and willing under the shade of your divine lotus feet.

Your servant of the servant,

Satyavathi Devi Dasi.

Saumya Rupa Krishna Dasa

Hare Krishna My Dear Srila Prabhupada,

Please accept my humble obeisances. All Glories to you on this glorious 123rd Vyasa Puja.

Srila Prabhupada, It is said that "Every great institution is the lengthened shadow of a single man. His character determines the character of the organization." Your numerous instructions in the form of your books, letters, lectures, and conversations have percolated into every aspect of your organization. The narrative of your journey into millions of hearts

is really amazing; you accepted so much personal discomfort to travel all over the world with the timeless message of devotion. Your message and travels have impacted characters of millions of devotees all over the globe.

Srila Prabhupada it is said that “With Great Privilege comes Great Responsibility”. Having the privilege of being associated with your movement comes with its own set of responsibility to represent the ideals of the institution. Srila Prabhupada you once said “All our members, the members of the Krishna consciousness society, should be ideal. At least people may see that "Here is a class of men—ideal character, ideal behavior, spiritual advanced, and very frugal and very nice." That is... Yasyāsti bhaktir bhagavaty akiñcanā sarvair guṇais tatra samāsate surāḥ. That is natural. If one becomes a devotee... That is the certificate, that how one has achieved good qualities. That is the test of becoming a devotee.” Over the last few decades the way your society is able to turn so many members who were spiritual novices to ideal devotees, irrespective of their background of culture, language, race etc...is an extraordinary testimony of the ideals you have infused into the organizational ethos.

Srila Prabhupada, it said that “Simplicity is the essence of happiness”. You displayed this quality of simplicity in your personal character, in the message you taught, and the lifestyle you led. Although ISKCON became greatly successful in building wonderful temples and attracting thousands of followers, you always led your own simple life and recommended the same for your disciples. Srila Prabhupada, you once said “Your simplicity is a great asset for Krishna Consciousness; Krishna is very kind to the meek and simple”. A devotee's life has to be simple and uncomplicated, because to practice spirituality requires a certain level of mental tranquillity to be maintained. It is really wonderful Srila Prabhupada how you amalgamated this quality of simplicity into the philosophy of ISKCON as “Simple Living, High Thinking”.

Srila Prabhupada, please forgive me for all the offenses committed knowingly and unknowingly to you and other Vaishnavas and also the guidance not to repeat the same.

Your humble servant,

Saumya Rupa Krishna Dasa

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet.

You are like the sun which has entered into my dark life and delivered me from the ocean of sense gratification. Your precious books are my elevations weather and can change the lives of many.

In one of your lectures, you are requesting all of us to please chant 16 rounds and all your problems are solved. These words from your lotus mouth are greatest inspiration to all of us.

Your ISKCON is a spiritual school where everyone can achieve the benefit whether they are young, old, poor, rich, educated or uneducated - man or women. Srila Prabhupada, I am not capable glorify you O guru deva.

Yours in significant servant,

Shatarupa Devi Dasi.

Sulakshana Gopi Devi Dasi

Jai Srila Prabhupada,

I offer my humble and respectful obeisances unto the lotus feet of my beloved spiritual master, Srila Prabhupada.

Who is a spiritual master? A spiritual master is one who delivers the fallen souls suffering in this material world. This world is ablaze with material pangs, the threefold miseries – and people are unaware of this and are considering this world to be a place of happiness. The only person who is seriously thinking of taking these sufferers out of their fallen state and reminding them of their original constitutional position is the real spiritual master. That person can be only one who is my spiritual master Srila Prabhupada. Guru is a “truth” and a fundamental principle,” and also a person who chooses to exemplify, personify, and epitomize the eternal fundamental principle. Srila Prabhupada is our “guru” as he is a bonafide spiritual master, as he comes in the parampara and he has heard with faith and followed his spiritual master Bhakthisiddantha Saraswathi Thakur. He is not an ordinary conditioned soul. He is one who is untouched by the harsh laws of material nature. The life of Prabhupada displays twenty six qualities of Lord Krishna, and we learn from the Vedas that the one who possess such qualities is free from material bondage and enjoys an intimate association of Supreme lord.

Srila Prabhupada has showered his causeless mercy on all of us by freely affording us with the opportunity to develop pure love of Godhead. His preaching work exactly befits this attitude of Prabhupada. His distribution of mercy was not artificial or even just following the orders of his spiritual master, it was his love and heartfelt compassion for long-suffering conditioned souls. It was like showers of rain falling everywhere and all pervasive.

Srila Prabhupada has always been very truthful. He has presented things very clearly, never has altered it in a cowardly way to defend himself from time and situation as it is without any fear. Has never got carried away by the followers, fame, and money. Because of his straightforward presentation of Krishna’s message by setting his own example for spiritual perfection, thousands of people have immense faith in his words and have received his message with great delight.

Srila Prabhupada considered everyone as qualitatively equal as soul, although their individual and spiritual personalities remained distinctly unique. Just like an ideal representative of Lord Nithyananda Prabhu, who desired to flood the universe with love of Godhead, Srila Prabhupada has showered his mercy on all the fallen souls. Srila Prabhupada, being the ‘soul guru,’ you have given me shelter at your lotus feet, shown your mercy unto me by giving me opportunities to serve you and the Supreme Lord Krishna.

Dear Prabhupada, thank you for all the opportunities you have given me to lift me up from my miserable condition. Please keep me always at your shelter, tame me in such a way that I do not move out of the borderline put forth by you. You know

all my shortcomings in my devotional service. Please help me to overcome those shortcomings to please you and your devotees and to serve the Lord without any offenses.

Thanking you.

Your's faithful servant,

Sulakshana Gopi Devi Dasi.

Srila Prabhupada ji,

Please accept my humble obeisances unto your lotus feet. And all glories to you.

Your appearance on Nandotsava day is very glorious. I am very fortunate for having come in contact with ISKCON and you are the Founder-Acharya of International Society of Krishna Consciousness. You are a bonafide spiritual master coming in a disciplic succession stemming from Lord Krishna. Hence, you are as good as god.

By reading your books and hearing your lectures, I have understood my relation with Krishna - as his eternal servant.

For this age of Kali yuga, you have freely distributed the Hare Krishna Maha Mantra,

Hare Krishna Hare Krishna Krishna Krishna Hare Hare

Hare Rama Hare Rama Rama Rama Hare Hare

and also said that by offense less chanting of this mantra, one can be purified and make way to go to Back to Godhead.

Your appearance and the glorious service for the humanity is wonderful and cannot be expressed in words. I have been blessed with doing some menial service assigned to me. As per your instructions, I am chanting Hare Krishna Mantra, reading your books, associating with your disciples, hearing your lectures and other temple devotees. I find a lot of change in my life after coming in contact with your spiritual organisation.

I am really grateful and thankful to you for having founded ISKCON, where one can really cultivate Krishna consciousness by regularly hearing and chanting.

Your humble servant of the servant,

Ujwala Radha Devi Dasi.

Vilasini Devi Dasi

Dear Srila Prabhupada,

Please accept my humble obeisances unto your divine lotus feet. All glories to you for the glorious contribution of Krishna consciousness you have distributed to the whole world

Lord Krishna explains in the Bhagavad-gita that Mahatmas, the great souls are those who always remain sheltered under the internal energy of the Lord and as such, with great determination they uninterruptedly engage in devotional service to the Lord.

Prabhupada, you are indeed one such great soul, a true Mahatma, who is always situated in Krishna's divine nature and is never affected by the modes of this material world. Your incredible sacrifice by travelling through a cargo ship – Jaladuta, acrossing the Atlantic ocean while tolerating sea sickness and other ailments for three weeks at the age of 70, suffering two

heart attacks in the travel and arriving on the shores of America armed with a mere Indian currency of Rs.40/- (which was of no use in the western world), a few books and with an unshakable desire to serve the mission of your spiritual master, is a practical display of your divine nature and consciousness. You did this only for the sake of saving all the fallen souls of this age who are entrapped in the whirlpool of illusory world and show them the right path to return back home, back to Godhead, the eternal abode of the Supreme Lord, i.e. Goloka Vrindavana.

Prabhupada, your instruction in one of your quote read as : “whenever you do not understand what is happening in your life, just close your eyes, take a deep breath & say: “Krishna I know it is your plan, just help me to go through it”. Meditation on this divine instruction of yours, is holding me on to handle the onslaughts of this material world and is acting as a guiding tool to remain in Krishna consciousness.

Thank you, Prabhupāda, for all the instructions you have given us through your books, lectures, letters, conversations and the divine institution you have established. You have established so many temples around the world that it is now very easy for any conditioned soul to visit any of these sacred places and still associate with devotees, have darsana of deities, and honor Krishna Prasadam. Your temples in every corner of the world are like oasis in the desert of this material world and we always feel secure and blissful when we are in temple and among sincere devotees.

Prabhupada, you are the savior of the whole world. Please have mercy on me, for without your mercy, I would have repeatedly suffered by sleeping deeply in the lap of maya. I pray that you please help me to wake up and bring me to understand the reality of this material world, again and again. I beg you to bless me so that I can always remain in the association of your sincere servants.

Yours insignificant servant,

Vilasini Devi Dasi

Vishnu Charan Dasa

Dear Srila Prabhupada,

Please accept my humble respectful obeisances unto your lotus feet. Thank you for giving me an opportunity to glorify you. Though it is not possible to repay the debt what Guru has given to us, Srila Prabhupada, please give me strength to glorify you.

Gurudev, seeing our suffering and rotting in this material world, you came from spiritual world for the sake of taking us back to our real home. Srila Prabhupada, You are mercy incarnation of the Lord. Without your causeless mercy, we are nothing.

Jogyata-vichare kichu nahi pai,

Tomara karuna sara

If we examine ourselves, we possess nothing other than your causeless mercy.

Dear Srila Prabhupada, you are an ocean of mercy distributing it to everybody. We are able to serve Krishna only by your mercy.

Ekaki amara, nahi paya bala,

Hari-nama-sankirtane

Alone I am unable to serve Krishna.

Srila Prabhupada, you created this ISKCON movement which has this association of devotees to do our sankirtana. Thank you Srila Prabhupada, for accepting me as one of your disciples and keeping me in the association of devotees, even though I am the most unqualified. It is our great fortune that your divine grace has appeared in kali-yuga, making it Satya-yuga to

do sankirtana. Just like a son cannot appreciate father's love, I cannot appreciate and recognize your love towards us. Even though Srila Prabhupada, you are not physically present with us, actually you are present in our hearts, enlightening us and giving us the strength to do devotional service. If we leave your association, we cannot do devotional service.

Krishna se tomara, Krishna dite paro, Tomara sakti ache.

Krishna belongs to you, Krishna is your property and therefore, only you can give Krishna.

Srila Prabhupada, it is because of you that Krishna is accepting our services even though I am the most unqualified.

Karuna na hoile, kandiya kandiya,

Prana na rakhibo ara.

If you don't show your causeless mercy, I am nothing, I cannot live spiritually.

Srila Prabhupada, it is unimaginable that within 10 years, you brought such a revolution which had never happened in the entire history and still happening through your instructions.

At last Srila Prabhupada, it is not possible to glorify you through my intelligence and only because of your causeless mercy that I could write this small offering for your pleasure. Please forgive my mistakes.

My last wish is that when I will contribute to you wholeheartedly, for your causeless contribution that you given in my life.

I can only say,

Gurudev! Kripa bindu diha, koro ei dase,

Trinapekha ati hina

I am lower than blade of grass. Please put your drop of mercy on this:

Most fallen disciple,

Vishnu Charan Dasa.

Visvabhavana Dasa

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet. All glories to your divine grace.

It is said in Guru Astaka, that your position as

sākṣād-dharitvena samasta-śāstrair

uktas tathā bhāvya eva sadbhiḥ

kintu prabhor yaḥ priya eva tasya

vande guroḥ śrī-caraṇāravindam

"In the revealed scriptures it is declared that the spiritual master should be worshiped like the Supreme Personality of Godhead, and this injunction is obeyed by pure devotees of the Lord. The spiritual master is the most confidential servant of the Lord. Thus let us offer our respectful obeisances unto the lotus feet of our spiritual master." I should always remember your position and engage humbly in the servant of your servants.

In the Srimad Bhagavatam, Lord Krishna told to Uddhava:

ācāryam mām vijānīyān navamanyeta karhicit

na martya-buddhyāsūyeta Sarva-deva-mayo guru.

"One should know the ācārya as Myself and never disrespect him in any way. One should not envy him, thinking him an ordinary man, for he is the representative of all the demigods".

That is your position, Srila Prabhupada.

On the your divine appearance, we pray to you to bless us to build a nice temple for Their Lordships Sri Sri Radha Krishna, Sri Sri Krishna Balarama, Sri Sri Gaura Nitai, Sri Lakshmi Narasimha and Anantha Padmanabha. Gurudeva, you are so expert that with in short time of about 10 years, you built 108 temples in the world. At the age of around 70 years, you travelled whole world 14 times and you wrote so many books, letters...etc. Let me have little drop of your mercy, so that I may serve you to the best my ability.

In Srimad Bhagavatam it is mentioned that Dhruva maharaja went to forest to do Tapasya. Within a few months he saw the Lord before him. Lord touched conch to the head of Dhruva Maharaja which made him to offer wonderful prayers to the Lord by the mercy of Lord. Similarly by mercy of the Lord and you, I tried to glorify you. Seeking your mercy always, I bow down at your lotus feet on this divine appearance day of yours.

Also, on this auspicious day of your divine appearance, I beg at your lotus feet to please forgive me for any offenses committed to you while engaging in devotional service. Please engage me in the service of servant of your servants eternally.

Yours aspiring humble servant of servants,

Visvabhavana Dasa.

Bhakta Abhilash

Dear Srila Prabhupada,

Please accept my humble obeisance's.

All glories to Srila Prabhupada,.

In the midst of this faulty and disturbing atmosphere in kali-yuga, the only solace I get is when I come in contact with you, through your book's - which you have left behind.

Being in Grhastha ashram, i and my family found enough strength to practice Krishna consciousness by following the principle setup by you.

You have made the practice of Krishna consciousness for us to associate with Krishna through Sankirtan, chanting, reading and by honoring Krishna prasadam. The Institution which you have setup (ISKCON), has given us a chance to learn and to associate with devotees continuously and keeps us motivated in our Spiritual Journey.

Please bestow your mercy upon us, so that we may not deviate from this path of Krishna consciousness and serve their Lordships Krishna-Balarama in our life with our utmost capacity.

Your Servant,

Bhakta Abhilash.

Bhakta Abhishek

Dear merciful Srila Prabhupada,

A couple of years ago, as I was passing by the temple; due to your zeal I had to visit the temple that day and had an interaction with a senior devotee. Later on, I started attending the spiritual classes. Before that in my life, I had no emphasize definite vision on life. I was indecisive in the materialistic things. But from that day on, due to your mercy, I got to know the purpose of life.

For the enlightenment of the mankind, you have taken birth in this miserable place. You are the most benevolent person in the universe as you have given millions of people the opportunity to enjoy the nectar of Hare Krishna maha mantra and get liberated from the miseries of this materialistic world.

I request you to let this Hare Krishna movement invade the materialistic world and help billions of people to go back to godhead.

Your humble servant,

Bhakta Abhishek.

Bhakta Aditya

Dear Srila Prabhupada,

I offer my respectful humble obeisances unto your lotus feet on this auspicious 123rd Vyasapuja celebration.

By your causeless mercy, you are guiding many fallen souls to achieve the highest perfection of life. You have travelled all over the world and entered into millions of hearts with the timeless message of devotion cutting on illusion.

You are a pure devotee coming in line of disciple succession starting from Lord Krishna Himself and have come to this world to save all conditioned souls like me. You gave simple method of chanting the holy name of Lord Krishna for self purification in Kali Yuga.

After coming in touch with you, I could understand my own misdeeds. In stop continuing my journey here and the only way to get out of this material tabernacle is by surrendering unto the lotus feet of a bonafide spiritual master through scrutinizingly studying your books. I understand the value of human life which is solely meant for god realization.

Thank you very much Srila Prabhupada for giving me an opportunity to practice spiritual life and making me chant the holy name of Lord Krishna.

Kindly bless me to continue this practice.

Your Sewrvant,

Bhakta Aditya.

Bhakta Akash R

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet.

I would take this opportunity to glorify you on this wonderful occasion of your appearance day. Dear Srila Prabhupada,

I offer my respectful obeisances unto the lotus feet of Srila Prabhupada.

I would like to thank you Srila Prabhupada for the invaluable gift that you have given me, which is the Hare Krishna mahamantra. Please bless me so that I remain in Krishna Consciousness always and serve Lord Krishna and you till my last breath and get benefited by this. Also bless me that I may not get trapped in the hands of maya.

Guru is the one who is the most important person in the journey of our bhakti. Through his grace only, we can advance in spiritual life or else we cannot. He is the one who provides us opportunities to serve Krishna and shows us the right path. Just like if one wants to go inside a house, he will get in through the main door. Like that, through guru only we can advance in our day to day spiritual activities.

So once again I thank you Srila Prabhupad, for giving me such an opportunity to make my life really successful. I will try to follow all your principles and lead a happy Krishna Conscious life.

Your humble servant,

His Divine A C Bhaktivedanta Swami Prabhupada Ki Jai

I am trying to practice Krishna consciousness from past few years. I had a lot of doubts on the subject matter of three fold miseries of birth, death, old age, disease and about karma.

After hearing from Bhagavad-Gita, translated by your divine self, my doubts got cleared. I could understand the purpose of human life and my life is directed towards following the teachings of Bhagavad-Gita. Thank you Srila Prabhupada for giving the wonderful insight about life through your books and through your lectures. Kindly keep me under your shelter Srila Prabhupada.

I am very thankful to Srila Prabhupada because you taught me who is Krishna and his complete personality.

You told the differences between spiritual world and material world.

Srila Prabhupada, you guided me how to handle the situation of this Material world through your books and your lectures.

Please keep me under your shelter Srila Prabhupada

Dear Srila Prabhupada,

We are fortunate enough to get this opportunity to write about you, it is because of your causeless mercy and Krishna's blessing.

Today we are practicing the first and foremost principle of Krishna Consciousness by chanting 16 rounds of Hare Krishna Maha Mantra and I have started reading Srimad Bhagavatam by your divine instructions.

I feel the task which you have started and is going on i.e. spreading Krishna consciousness through out the whole world, something which is impossible for a common man is possible, because of your dedication, commitment towards your Guru

and faith in Supreme Lord, Sri Krishna you could accomplished in the past in your physical presence and is going on through your Hare Krishna Movement now.

We have started the deity worship of their Lordships Sri Jagannath, Baladev, Subhadra along with Laddu Gopal, Pancha Tantra and Narasimha Dev by performing arati daily, offering Bhoga and offering new dresses to the deities. As it is your vision to make every house a temple were the lord resides and an opportunity for householders to render personal seva to the lord by which our consciousness is purified.

You have given the real meaning of what is religion

“Religion means to know god and to love him” which in general no one teaches, the exact meaning of religion..

We pray at your lotus feet to keep our family in practicing Krishna Consciousness and serve the devotees.

Dear Srila Prabhupada,

Please accept my humble obeisance on to you. All glories to you on this auspicious day of your appearance.

You have played an important role in all the lives of devotees of Krishna. Especially in my life you have always guided what is right and what is wrong. Especially when I was going in a wrong way, you came in my dream and guided me on the right path.

I am really thankful to you Srila Prabhupada for establishing an institution to connect with the ultimate - Sri Krishna Through Iskcon. which is precious jewel. If ISKCON dint existed we all might have been vanished from the reality of life.

At the age, were every one takes retirement and rests, you took up the task of going to America for the purpose of giving Krishna Consciousness to the uncivilized people who were hippies and turned then into wonderful Happies.. You made the prediction come true of Sri Chaitanya Mahaprabhu

ಜಗದ್ಗುರು ಶ್ರೀಲ ಪ್ರಭುಪಾದರಿಗೆ,

ಜಗದ್ಗುರು ಶ್ರೀಲ ಪ್ರಭುಪಾದರಿಗೆ ಪ್ರಣಾಮಗಳು.

ಇಸ್ಯಾನ್ ಸ್ಥಾಪಕರಾದ ಜಗದ್ಗುರು ಶ್ರೀಲ ಪ್ರಭುಪಾದರು ಇಲ್ಲಿದ್ದಾರೆ, ಕೃಷ್ಣನೊಂದಿಗೆ.

ಕೃಷ್ಣನು ಸಾಕ್ಷಾತ್ ತಾನಿದ್ದೇನೆ ಎಂದರೂ ಒಪ್ಪದ ಜೀವಿಗಳು, ಇದಕ್ಕೆ ಸಾಕ್ಷ್ಯಗಳ ಅಗತ್ಯವಿಲ್ಲವೆಂಬಂತಿರುವ, ನಾಗರೀಕವೆಂದು ಕರೆಯಿಸಿಕೊಳ್ಳುತ್ತಿರುವ ಸಮಾಜ ಮತ್ತು ಅದರ ಹಾದಿ

ಕೃಷ್ಣನ ಇರವನ್ನು ಪ್ರಚುರಪಡಿಸುತ್ತಿರುವ ಗುರು ಪ್ರಭುಪಾದರ ಪ್ರತಿನಿಧಿ ಇಸ್ಕಾನ್/ಪ್ರಭುಪಾದರ ಮೂಲಕ ಅಂದರೆ ಗುರುಗಳೊಂದಿಗೆ ಕೃಷ್ಣ ಇದ್ದಾನೆ. ನಮ್ಮೊಂದಿಗೆ? ಇದ್ದಾನೆ. ಅನುಭವಕ್ಕಿಲ್ಲ. ಕನಿಷ್ಠ ಪಕ್ಷ ಇಸ್ಕಾನ್‌ನ ಸಂಪರ್ಕದಲ್ಲಿರುವಂತಾಗಲಿ.

ಕೃಷ್ಣ ತನ್ನ ಇರವನ್ನು ಪ್ರಕಟಪಡಿಸುವುದಕ್ಕಾಗಿ ಗುರುಗಳ/ಶಿಷ್ಯರ, ಗುರು-ಶಿಷ್ಯರ ಅಗತ್ಯವಿದೆ ಎಂಬುದನ್ನು ಕಂಡಿದ್ದಾನೆ. ಇದು ಗುರುಗಳ ಮಹತ್ವವನ್ನು ಸಾರುವುದಾಗಿದೆ. ಕೃಷ್ಣನಿಗೇ ಗುರುಗಳು ಬೇಕಿರುವಾಗ ಇನ್ನು ನಮಗೆ? ಬೇಕು.

ಬಹಳ ಕಡೆ ಪ್ರಕೃತಿ ವೈಪರೀತ್ಯದ ಪರಿಣಾಮ ಜಲ ಪ್ರವಾಹ ಉಂಟಾಗುತ್ತಿದೆ. ಈ ಪ್ರವಾಹದಲ್ಲಿ ಯಾರು ಯಾರನ್ನೂ ಲೆಕ್ಕಿಸದೇ ಎಲ್ಲವೂ ರಭಸಕ್ಕೆ ಸೆಳೆಯಲ್ಪಡುತ್ತಿದೆ. ಪ್ರಳಯವನ್ನುಂಟುಮಾಡುತ್ತಿದೆ. ಇದು ಹೊರಗೆ ಕಾಣುತ್ತಿರುವ ಸುಂದರ / ಭಯಾನಕ ಚಿತ್ರ.

ಹೊರಗೊಂದು ಭಯಾನಕ ಪ್ರವಾಹ ಕೆಲಕಾಲವಿರುವುದಾದರೆ ಒಳಗಿರುವ ಪ್ರವಾಹಗಳು ನಿರಂತರ ಪ್ರವಹಿಸುವವುಗಳಾಗಿವೆ. ಇವುಗಳ ತಡೆಗಂದೇ ಅಣೆಕಟ್ಟಿನಂತಿದೆ ಪ್ರಭುಪಾದರ ಇಸ್ಕಾನ್.

ಪ್ರಭುಪಾದರ ಈ ಸಂಸ್ಥೆಗೆ ಯಾವುದೂ ಹೋಲಿಕೆಯಾಗಲಾರದು. ಇದಕ್ಕೆ ಹೋಲಿಕೆಯ ಅಗತ್ಯವೂ ಇದ್ದಂತಿಲ್ಲ. ನದಿಯನ್ನು ಮತ್ತೊಂದು ನದಿಗೆ ಹೋಲಿಕೆ ಮಾಡುವುದಕ್ಕಿಂತ ಅದರ ಬಳಕೆ ಮಹತ್ವದ್ದಾಗಿರುವಂತೆ, ಭಕ್ತಿಯ ಮಹತ್ವ ಸಾರುವ ಇದರ ಬಳಕೆ ಮಾಡುತ್ತಿದ್ದೇವೆ. ಇದರ ಮೂಲ ಆಧಾರ ಸ್ತಂಭ ಗುರು

ಪ್ರಭುಪಾದರಿಗೆ ಮತ್ತೊಮ್ಮೆ ಪ್ರಣಾಮಗಳು.

Dear Srila Prabhupada,

First time when I visited ISKCON temple, it was surprised to see a statue of a person with decoration and arati being performed to him. I wanted to know who he was and why he is treated as next to God. Later I heard that it was you : Srila Prabhupada, who is the Founder-Acharya of ISKCON. When I heard your pastime of how you incorporated ISKCON, it made me to think how great you are. Spreading Krishna consciousness in this Kali yuga when no one was ready to help you even in a small way, you single headedly established a worldwide movement .

Srila Prabhupada you sacrificed your whole life for the world's happiness by spreading the Hare Krishna Movement. Many ordinary persons like me became a follower of ISKCON and trying to become a devotee of Krishna by following your instructions. You have given us simple and clear explanations to many difficult and complicated questions which help common people to understand easily. You have done a great service to mankind, by spreading Krishna consciousness irrespective of people's religion, country, social status etc.

I sincerely pay my heartfelt respects to you Srila Prabhupada. SRILA PRABHUPADA KI JAI

ಹರೇ ಕೃಷ್ಣ,

ಶ್ರೀ ಚೈತನ್ಯ ಪ್ರಭುಗಳ ಆದೇಶದಂತೆ ಶ್ರೀಲ ಪ್ರಭುಪಾದರು ಹರೇ ಕೃಷ್ಣ ಮಹಮಂತ್ರದ ಭಕ್ತಿಯ ಬೀಜವನ್ನು ಲೋಕದಲ್ಲಿ ಬಿತ್ತಿದರು. ಭಕ್ತಿಯ ಮಾರ್ಗದ ಮೂಲಕ ಜಗತ್ತಿನ ಕತ್ತಲೆಯನ್ನು ದೂರಮಾಡಿ ಬೇಳಕನು ತಂದರು. ಭಗವಂತನ ನಾಮ ಸ್ಮರಣೆಯ ಮೂಲಕ ಪರಮಾತ್ಮನ ಸೇರಲು ಅಡಿಪಾಯವಾದರು.

ಹರೇ ಕೃಷ್ಣ ಹರೇ ಕೃಷ್ಣ ಕೃಷ್ಣ ಕೃಷ್ಣ ಹರೇ ಹರೇ,ಹರೇ ರಾಮ ಹರೇ ರಾಮ ರಾಮ ರಾಮ ಹರೇ ಹರೇ

ಈ ಮಂತ್ರ ಜಪಿಸಿದರೆ ಪ್ರತಿಯೊಬ್ಬರನ್ನು ಪರಮಾತ್ಮನ ಬಳಿ ಕರೆದುಕೊಂಡು ಹೋಗುವಂತೆ ಎಲ್ಲರಿಗೂ ಮಾತು ಕೊಟ್ಟು ನಿಜ ಪರಮ ಆತ್ಮರು. ಈ ದಿನ ಯುವಪಿಳಿಗೆಯು ಮಾಡಲಾಗದ ಸಾಧನೆಯನ್ನು ತಮ್ಮ 72ನೇ ವಯಸ್ಸಿನಲ್ಲಿ ಮಾಡಿದರು. ಜಗತ್ತಿನಲ್ಲೇ 108 ದೇವಲಯಗಳನ್ನು ನಿರ್ಮಿಸಿ ಭಕ್ತಿ ಮಾರ್ಗಕ್ಕೆ ದಾರಿದೀಪವಾದರು.

ಹರೇ ಕೃಷ್ಣ ಮಂತ್ರದ ವಿಶೇಷತೆ

ಓದು ಬರುವ, ಓದು ಬಾರದವರ, ಶ್ರೀಮಂತ, ಬಡವ, ಜಾತಿ ಭೇದವಿಲ್ಲದೆ ಎಲ್ಲಾರು ಜಪಿಸಬಹುದಾದ ಮಂತ್ರ. ಕಠಿಣವಾದ ಮಾತ್ರವಲ್ಲ ಹಣ ವೆಚ್ಚವಾಗುವುದಿಲ್ಲ. ಯಾರಾದರು ಎಲ್ಲಿಯಾದರೂ ಹೇಗಾದರು ಜಪಿಸಬಹುದಾದ ಮಂತ್ರ. 108 ಬಾರಿ ಮಂತ್ರ ಜಪಿಸಿದರೆ ಭಕ್ತಿಯ ಮಾರ್ಗದಿಂದ ಪರಮಾತ್ಮನ ಸೇರಲು ಸೇತುವೆಯಾಗಿದೆ.

Dear Srila Prabhupada,

Kindly accept my humble obeisances. All glories to your Divine Grace!!

Once one reporter had asked you “Are you a Devotee?” and you had replied “I am trying to become a devotee.” But undoubtedly you are a pure devotee of Krishna. The qualities you manifested and the pastimes you performed on this planet are exact symptoms of a pure devotee. I have tried to list some:

1. Concerned about disciples: In Berkeley arrival address, you mentioned “I am travelling all over the world 2-3 times a year to see that my disciples may not fall down. This is only my anxiety.”
2. Truthful: On landing in US, you saw that the so-called spiritualists are charging some dollars and giving some mantra to become god. But although your condition was not good and less people were taking it up, still you didn't deviate from the real Absolute Truth.
3. Liberated personality: Only a liberated personality can go in between the human beings living like ghosts and demons and does not get affected himself but can bring the others to the real truth.
4. Compassion: You used to say “If only one person becomes a pure devotee, my work will be successful.” You also used to say that you are suffering from bodily problems like cardiac arrest because of your disciples not following regulative principles properly. But still you continued to guide them on the spiritual path.
5. Love for the disciples: Once a reporter asked you “Why have you come to Dallas?” Your lovely reply said “I have got so many children and grandchildren. I have come to see them.”

6. Always Krishna Conscious: Only a real Krishna Conscious person can lead a life like yours. Preaching in married life, starting League of Devotees, Delhi preaching in which you had no money, walking in the chilly cold mornings with even no proper clothes to the printer shop, continuing the printing as far as possible, distributing it yourself only, Japan conference incident, suffering from two heart attacks on the way to USA, living in between hippies and establishing ISKCON and further many. In spite of all these difficulties, you were never disturbed. But who knew that you were paving a way to Goloka for others to walk on!

Srimad - Bhagavatam says:

yasyāsti bhaktir bhagavaty akiñcanā

sarvair guṇais tatra samāsate surāḥ

All the demigods and their exalted qualities become manifest in the body of one who has developed unalloyed devotion for the Supreme Personality of Godhead, Vāsudeva.

This also could be seen in you when you were involved in extensive management of Indian projects, preaching in the west, speaking with guests, writing mails, writing and printing books, giving lectures and organizing kirtans, travelling, personally attending to each disciple's problems, attentions to even small details like cooking, sales, even checking while in vrindavan if the bell is being rung regularly till the extent of even lubricating a car. Only a person seeing unity, that is Krishna, in all these diverse activities can do such a management.

Srila Prabhupada, I have tried to write some lines. Kindly accept them:

Struggling in this maya's creation

Forgetting with the lord, our actual relation.

Appeared to save us from this material race,

All Glories to your Divine Grace.

You are Supreme Lord's mercy incarnation,

Started a cultural movement with the heads shaven.

Lectured around the globe 14 times at a great pace,

All glories to your Divine Grace.

Exhibiting your presence by your books,

Spreading this movement to all the nooks.

Not in your character any material trace,

All glories to your Divine Grace.

Thinking of spirituality then personalism then chanting Hare Krishna in Chaitanya Mahaprabhu's lineage,

To get to the absolute truth, it all looks like a great maze.

But distributing it freely that anybody could embrace,

All glories to your Divine Grace.

Even after suffering from 2 heart attacks confluent,

Stepped in US amidst the hippies movement.

Singly extricated the meat eating and intoxication craze,

All glories to your Divine Grace.

Left your home Vrindavana for preaching sake,
Landed in between ghosts, demons and transcendentalists fake.
Krsna-ized everyone proving you are a great sage,
All glories to your Divine Grace.
Gifted treasure house in the form of Bhaktivedanta Purports,
Gifted 108 temples in the form of spiritual forts.
To rescue the living entities from the maya's chase,
All glories to your Divine Grace.
By establishing ISKCON and BBT, you performed exceptional feat,
Kindly bless me to be always under your lotus feet,
And be one of the flowers of your spiritual vase,
All glories to your Divine Grace
Srila Prabhupada, thanks for what all things you have guided me till now and kindly forgive me for my offenses.
Trying to be a servant of yours,
Bhakta Himanshu.

Dear Srila Prabhupada,

Though I am born and brought up in Madhwa family, I was not aware in depth about Krishna Consciousness. Srila Prabhupada, you have opened my eyes to the spiritual world.

Because of you Srila Prabhupada today, I am able to see what bad and good in material world, what has to be done to come out from this material existence, what is the purpose of human life, what has to be practised in order to go back to godhead.

ISKCON organisation displays the science of spirituality where there is no discrimination between any religion and anyone can worship Lord. This was the most attractive thing which I was impressed about you Prabhupada, who made all classes of people come together.

There are no words to describe how Krishna bhakti as taught by you through your movement has been helping me to advance spiritually. I still remember the day when I came for Janmashtami festival in the year 2010. This visit was a life changing moment in my life. From that day onwards till now, I regret that I could have come to Krishna consciousness a little earlier.

Many people have tried taming me to curb anger and many a times, I myself tried to handle it, but miserably failed. It is only you Srila Prabhupada, who tamed this ferocious animal to be a sober devotee. All glories unto you.

Srila Prabhupada please give me the potency for chanting and reading of your books. The causeless mercy from you has been flowing in my life again and again, but I want to gain more of your mercy with a service attitude.

After coming to your movement of Krishna consciousness, slowly I started realising that - nothing is permanent here. We should go back to godhead and should never play between the game of birth and death. Please make me free from this material bondage, give shelter under your lotus feet, so that all these miseries in this material life shall last here forever.

Thank you for choosing me from the gutter of suffering and giving me the knowledge of Krishna consciousness. Requesting you Srila Prabhupada to kindly make the grace of your lotus feet to enter into the NAVA BRINDAVAN DHAM as soon as possible. Kindly appoint me and give me any service in the new temple by your grace and mercy

I had lost association of devotees, but somehow by your mercy got into association of other devotees. Kindly keep us all under your shelter and let us serve you till our last breath in our life.

Thanks a ton Srila Prabhupada,

Your servant of servant of servant,

Bhakta Kashyap.

My Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet.

All glories to Srila Prabhupada.

I will be eternally grateful to you for showing us the correct path & saving us from impersonalism and showing me the right way of bhakti. Without your help I would be bewildered. And you always taught us to perform bhakti fearlessly in any circumstance and inspired us to practice Krishna consciousness by your own example.

I beg that you kindly remove the Black Umbrella of ignorance that is presently covering me so that I can properly receive and follow your instructions and try and serve your lotus feet forever with great purity, love & devotion.

My Dear Srila Prabhupada,

My dear Gurudev, Srila Prabhupada, It is just because of you that I have got a new life of Krishna consciousness. I am a baby who do not know to step forward and grow. Please give me strength and to learn and practice Krishna Consciousness and serve you. By your mercy I may understand Krishna and Krishna bhakti.

Dear Prabhupada, just because of your mercy today I am in your shelter at ISKCON and trying to understand what is the real goal of human form of life and to whom we should serve i.e. the Supreme Personality of Godhead, Lord Sri Krishna.

Dear Prabhupada, you are showering the rain of unlimited mercy upon all humans; but we are not taking it from you due to material ignorance. But because of your kind mercy upon me, I could chant the holy name and render service in the temple. Please forgive me for all the offenses that I have committed while chanting the holy name; rendering services in the temple and also for vaishnava aparadha. Please bless me, so that I can continue to practice Krishna consciousness and serve

you and Lord Krishna. Please bless me to become Dasaanudasa. You are my only ray of hope to go back home, back to godhead. Only by your mercy, I can become Krishna consciousness. Please accept me at the dust of your lotus feet.

Dear Srila Prabhupada,

Please accept my humble obeisances to your lotus feet.

When a traveller goes to a new city, he will be confused with many similar looking paths in that city. To reach his destination, he will have to consult and follow a local expert. Just like that, I have got confused in this world regarding the path to be taken for complete happiness. So I found that you are the one who showed me the right path that is KRISHNA CONSCIOUSNESS and even though you are not present physically but your BOOKS,LECTURES made me to feel your presence.

Please give me the shelter of the holy name and please guide me for progress in Krishna consciousness which is the only way for the PERFECTION OF HUMAN LIFE.

Thank you Srila Prabhupada for giving us a wonderful opportunity to serve our lord Sri Krishna.

It's not an easy task that a single person going from India to the Foreign Countries and establishing the Krishna consciousness and our culture to the foreigners, establishing ISKCON centers all over the world with the same schedule. It is an impossible project in this world to Spread Krishna Consciousness which was made possible by you Srila Prabhupada. As Chaitanya Mahaprabhu said 'Prithvite ache nagaradi Gram', in every town and village Krishna's Name would be spread, your divine self is making it possible as ordered by your Spiritual Master even now after your physical disappearance through your books, lectures and your devotees..

Only Krishna consciousness can give us permanent happiness in life. Thank you Srila Prabhupada giving us Vaikunta world in the form of Iskcon.

I thank ISKCON MYSURU for giving us such wonderful opportunities to glory our dear Spiritual Master Srila Prabhupada.

ನಕ್ಷತ್ರಗಳ ಹಾಗೆ ಸದಾ ಬೆಳಗುತ್ತಿರುವ ನಮ್ಮ ಪ್ರೀತಿಯ ಶ್ರೀಲ ಪ್ರಭುಪಾದರವರಿಗೆ ನನ್ನ ಮನಃ ಪೂರ್ವಕ ಪ್ರಣಾಮಗಳು ಹಾಗೂ ನಮಸ್ಕಾರಗಳನ್ನು ಈ ಮೂಲಕ ಅರ್ಪಿಸುತ್ತಿದ್ದೇನೆ.

ಶ್ರೀಲ ಪ್ರಭುಪಾದರವರ ಒಳ್ಳೆಯ ಮಾರ್ಗದರ್ಶನವನ್ನು ನಮ್ಮ ಪ್ರೀತಿಯ ಇಸ್ಕಾನ್ ಮೈಸೂರು ಸಂಸ್ಥೆಯು ಸದಾ ದಾರದೀಪವಾಗಿ ಬೆಳಗಿಸುತ್ತಿದ್ದಾರೆ.

ನನಗೆ ಈ ಹರೇ ಕೃಷ್ಣ ಮಂತ್ರ ತಿಳಿದೇ ಇರಲಿಲ್ಲ. ನಮ್ಮ ಮೈಸೂರಿನ ಇಸ್ಕಾನ್ ಸಂಸ್ಥೆಯು ಸ್ಥಾಪಿತವಾಗಿದ್ದು ನಿಜವಾಗಲೂ ಒಂದು ವರ ಎನ್ನಬಹುದು. ಪ್ರತಿ ದಿನವೂ ಇಸ್ಕಾನ್‌ನಲ್ಲಿ ಪ್ರವಚನ ಮತ್ತು ಇತರ ದೇವತಾ ಕಾರ್ಯಗಳನ್ನು ತಪ್ಪದೆ ನಡೆಸಿಕೊಡುತ್ತಿದ್ದಾರೆ ಹಾಗೂ ನಮಗೆ ಒಳ್ಳೆಯ ಜ್ಞಾನವನ್ನು ಬೋಧಿಸುತ್ತಿದ್ದಾರೆ ಇದರಿಂದ ನನಗೆ ಒಂದು ಜ್ಞಾನ ಜೋತಿಯನ್ನು ಕರುಣಿಸಿರುತ್ತಾರೆ. ಅದರಲ್ಲೂ ಪ್ರತಿದಿನವೂ ತಪ್ಪದೆ ಹರೇ ಕೃಷ್ಣ ಮಂತ್ರವನ್ನು ಚಾಚೂ ತಪ್ಪದೆ ತಿಳಿಸುತ್ತಿದ್ದಾರೆ ಇದರಿಂದ ನನಗೆ ಬೇರೆಯಾವ ಮಂತ್ರವೂ ಜ್ಞಾಪಕಕ್ಕೆ ಬರುತ್ತಿಲ್ಲ ಬರೀ ಹರೇ ಕೃಷ್ಣ ಮಂತ್ರವನ್ನು ತಪ್ಪದೆ ಹೇಳುತ್ತಿದ್ದೇನೆ ಇದೆಲ್ಲಾ ನಮ್ಮ ಪ್ರೀತಿಯ ಮೈಸೂರು ಇಸ್ಕಾನ್ ಕೃಪೆ.

ಎಲ್ಲಕ್ಕಿಂತ ಮುಖ್ಯವಾಗಿ ಹೇಗೆ ಇರಲಿ ಕೃಷ್ಣನಿಗೆ ಭಕ್ತಿಸೇವೆಯನ್ನು ಸಲ್ಲಿಸಲು ಭಗವಂತನ ನಾಮ ಸ್ಮರಣೆ ಮಾಡುತ್ತಿರ ಬೇಕು ಎನ್ನುವುದು ಶ್ರೀಲ ಪ್ರಭುಪಾದರ ಬಯಕೆಯಾಗಿತ್ತು. ಈ ಕೃಷ್ಣ ಪ್ರಜ್ಞೆಯಾದ ಹರೇ ಕೃಷ್ಣ ಮಂತ್ರ ಎಲ್ಲಾ ಮಂತ್ರಗಳಿಗಿಂತಲೂ ಬಹಳ ಎತ್ತರದಲ್ಲಿರುವುದು ಹಾಗೂ ಶ್ರೇಷ್ಠವಾಗಿರುವುದು.

ಶ್ರೀಲ ಪ್ರಭುಪಾದರವರ ಒಂದೊಂದು ಪುಸ್ತಕವೂ ಓದಿದರೆ ಒಳ್ಳೆ ಜ್ಞಾನವನ್ನು ಸಂಪಾದಿಸಬಹುದು ಹಾಗೂ ಓದುತ್ತಿದ್ದರೆ ಶ್ರೀಲ ಪ್ರಭುಪಾದರವರ ನನ್ನ ಎದುರಿಗೆ ನಿಂತಿದಂತೆ ಬಾಸವಾಗುತ್ತದೆ ಆದ್ದರಿಂದ ಶ್ರೀಲ ಪ್ರಭುಪಾದರವರು ಶ್ರೇಷ್ಠಗುರುವಿನ ಗೌರವಕ್ಕೆ ಪಾತ್ರರಾಗಿರುತ್ತಾರೆ.

ನನಗೆ ಈ ಜ್ಞಾನ ಜೋತಿಯನ್ನು ಕರುಣಿಸಿರುವ ನಮ್ಮ ಮೈಸೂರಿನ ಇಸ್ಕಾನ್ ಸಂಸ್ಥೆಗೆ ಚಿರಋಣಿಯಾಗಿರುತ್ತೇನೆ. ಪ್ರತಿದಿನ ಹರೇ ಕೃಷ್ಣನ ಮಂತ್ರದಿಂದ ಆತ್ಮ ಸಂಯಮ ಮತ್ತು ಶಾಂತಿಯನ್ನು ಪಡೆಯುತ್ತಿದ್ದೇನೆ. ಅಜ್ಞಾನವೆಂಬ ಕತ್ತಲಿನಿಂದ ಜ್ಞಾನವೆಂಬ ಬೆಳನೆಡೆಗೆ ಕರೆದೊಯ್ಯಲು

ಒಬ್ಬ ಪರಂಪರಾಗತರಾಗಿ ಬಂದ ಗುರು ಶ್ರೀ ಪ್ರಭುಪಾದರವರು ಇವರು ಭಕ್ತಿಪೂರ್ವಕವಾಗಿ ನಮಗೆ ಅವರು ಹಾಕಿ ಕೊಟ್ಟ ಮಂತ್ರ ಹರೇಕೃಷ್ಣ ತಪ್ಪದೆ ಪಾಲಿಸುತ್ತಿದ್ದೇನೆ ಹಾಗೂ ನಮಗೆ ಕೃಷ್ಣ ಧಾಮಕ್ಕೆ ಕರೆದೊಯ್ಯುತ್ತಿದ್ದಾರೆ ಇಂತಾಗುರುಗಳು ನಮಗೆ ದೊರಕಿರುವುದು ಒಂದು ಸುದೈವ ಇಂತಾ ವಿಶೇಷ ದಿನವನ್ನು ನಾವು ಶ್ರೀಲ ಪ್ರಭುಪಾದರವರನ್ನು ಸದಾ ಪೂಜಿಸಬೇಕು ಹಾಗೂ ಅವರು ಹಾಕಿಕೊಟ್ಟು ಜ್ಞಾನವನ್ನು ಸದಾ ನಮ್ಮಲ್ಲಿ ಅಳವಡಿಸಿಕೊಳ್ಳ ಬೇಕು.

ಈ ಶುಭ ದಿನದಂದು ನಿಮ್ಮ ಚರಣ ಕಮಲಗಳಿಗೆ ಅನಂತ ಕೋಟಿ ನಮನಗಳನ್ನು ಸಲ್ಲಿಸುತ್ತೇನೆ ನಿಮ್ಮ ಕೃಪೆಯಿಂದಾಗಿ ನಾನು ಇಂದು ಕೃಷ್ಣ ಭಕ್ತನಾಗಲು ಸಾಧ್ಯವಾಗಿದೆ. ನನ್ನಂತಹ ಸಾಮಾನ್ಯ ಜನರನ್ನು ಭಕ್ತಿ ಮಾರ್ಗಕ್ಕೆ ಕರೆ ತಂದು ಕೃಷ್ಣ ಪ್ರಜ್ಞೆ ಹೊಂದಲು ಸಹಾಯಕವಾಗುವಂತೆ ನಿಮ್ಮ ಜೀವನವನ್ನು ಮುಡುಪಿಟ್ಟು ಇಸ್ಕಾನ್ ಸಂಸ್ಥೆ ಸ್ಥಾಪಿಸಿದ್ದೀರಿ ಅಷ್ಟೇ ಅಲ್ಲದೆ ಇಸ್ಕಾನ್ ಮೂಲಕ ಕೋಟ್ಯಂತರ ಜನರು ಭಕ್ತಿ ಮಾರ್ಗಕ್ಕೆ ಬಂದು ಕೃಷ್ಣ ಪ್ರಜ್ಞೆಮೂಲಕ ಮುಕ್ತಿ ಹೊಂದಲು ಸಹಾಯ ಮಾಡಿದ್ದೀರಿ. ಆಧ್ಯಾತ್ಮವೆಂದರೇನೆಂದು ಗೊತ್ತಿರದ ನನ್ನಂತವರು ಕೂಡ ಮುಕ್ತಿ ಹೊಂದಲು ಸಹಾಯವಾಗುವಂತೆ ಸುಲಭ ಸಾಧನವಾದ ಹರೇ ಕೃಷ್ಣ ಮಹಾ ಮಂತ್ರವನ್ನು ಇಸ್ಕಾನ್ ಮೂಲಕ ದೇಶ ವಿದೇಶಗಳಲ್ಲಿ ಜನರಿಗೆ ತಲುಪಿಸಿ ಅವರ ಆತ್ಮೋದ್ಧಾರ ಮಾಡಿದ್ದೀರಿ.

ನಿಮ್ಮ ಬರಹ ಮತ್ತು ಪ್ರವಚನಗಳಿಂದ ಭಗವದ್ಗೀತೆ ಮತ್ತು ಭಾಗವತಗಳನ್ನು ಸರಿಯಾಗಿ ಅರ್ಥೈಸಿ ಕೊಂಡು ಆಧ್ಯಾತ್ಮದ ಹಸಿವನ್ನು ನೀಗಿ ಮನುಷ್ಯ ಜನ್ಮದ ನಿಜವಾದ ಗುರಿಯನ್ನು ತಲುಪಲು ಇಡೀ ಜಗತ್ತಿನ ಜನತೆಗೆ ಜಾತಿ, ಮತ, ಧರ್ಮ ಮತ್ತು ಲಿಂಗ ಬೇಧವಿಲ್ಲದೆ ಕೃಷ್ಣ ಪ್ರಜ್ಞೆಹೊಂದುವುದರ ಮೂಲಕ ಮುಕ್ತಿಯ ದಾರಿ ತೋರಿಸಿ ನಿಜವಾದ ಅರ್ಥದಲ್ಲಿ ಎಂದೆಂದಿಗೂ ಜಗದ್ಗುರುಗಳಾಗಿದ್ದೀರಿ.

ನಿಮ್ಮ ಜನ್ಮದ ಈ ಶುಭ ಸಂದರ್ಭದಲ್ಲಿ ನಿಮಗೆ ಶುಭಾಷಯ ತಿಳಿಸಲು ಅವಕಾಶ ಕೊಟ್ಟಿದ್ದಕ್ಕಾಗಿ ನಿಮ್ಮ ಪಾದಾರವಿಂದಗಳಿಗೆ ನಮಸ್ಕರಿಸುತ್ತ ಕೃಷ್ಣ ಪ್ರಜ್ಞೆಹೊಂದಲು ಕೃಷ್ಣ ಪ್ರಜ್ಞೆಯ ದಾರಿಯಲ್ಲಿ ಸಾಗಲು ನಿಮ್ಮ ಕರುಣೆಯನ್ನು ಬೇಡುತ್ತೇನೆ

Dearest Gurudeva,

Please accept my most humble obeisances at your lotus feet.

All glories to Srila Prabhupada.

I am very fortunate to have the opportunity to write to you on the auspicious day of your appearance. I am also very fortunate because you entered my life and heart first. Often I think of where would I have been without you.

Please bless us all with increased Krishna Consciousness so that we may impress upon others this most great and essential need in one's life.

Dear Srila Prabhupada,

You are the one who brought Krishna Consciousness and Krishna Prema to all of us. By chanting the Hare Krishna mantra you have purified everyone from all sins and lead everyone to a path of righteousness, happiness and tranquillity. You are the one who showed everyone Krishna's way of life. You are the one who brought spirituality to the common man through Krishna's message.

Hare Krishna Hare Krishna Krishna Krishna Hare Hare

Hare Rama Hare Rama Rama Rama Hare Hare

This maha mantra enables all of us to lead a righteous life and make our souls dip in complete bliss. It enlightens our minds and brings peace of mind in this era of Kali yuga. Please let me have interest to come to temple more often and please engage me in your service. Krishna is purifying my senses. Your devotees are guiding me to become a bhakta. Please grant me good physical health too.

Aspiring to be your disciple,

Bhakta Nitish.

Bhakta Nutan

Dear Srila Prabhupada,

Please accept my prayers and humble obeisances unto your lotus feet.

I write this offering to let you know how blessed I feel to be associated with ISKCON, the movement which was started by your divine grace. You are one of the very few bonafide Spiritual master who selflessly worked towards teaching the supreme goal of life to all and left great wisdom behind through your works for the lesser souls like me to benefit.

There were times before I joined the movement, I often pondered what human life is all about, why would god (if at all he is there) puts us thorough miseries and had many doubts about self and god which any materialistic mind would have. But luckily for me, I was introduced to this movement through a friend of mine and I started reading the works of yours which had the answers for all the doubts and inhibition that my mind possessed. I cannot say that I have become enlightened and have achieved eternal peace. But I have come to know that life is beyond materialistic enjoyment and peace can only be attained through pure Krishna Consciousness.

Its only through the mercy and blessings of Acharya Srila Prabhupada a lesser soul like me having no spiritual or Vedic knowledge would be able to climb a step in the spiritual life, merely by following the principles laid out by him.

I hope and pray god that all those who aspire to know god, practice Krishna consciousness and reap the benefit.

Thanking you.

Yours sincerely,

Bhakta Nutan.

Bhakta Pavan Kishore

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet.

Srila Prabhupada, you are the most confidential servant of Sri Chaitanya Mahaprabhu, because He has entrusted you with the service of leading His Sankirtana Army all over the world. As He had predicted “prithivi aache...”, it is you who have made this prediction true and therefore you are aptly glorified as “gaura vani pracarine”.

I would like to cite an anecdote of yours recollected by one of your disciples. Some persons who had no proper idea of your preaching movement commented that if Chaitanya Mahaprabhu wanted to spread the Holy Name to every town and village, He would have done it Himself. When you heard this remark, with a big smile on your face you said “He has left the credit for me!”. One of the devotees present there when you said this recalls “All the devotees shouted, “Jai, Haribol, Srila Prabhupada!” He had a big smile on his face. I’ve always thought about that for years. Generally if anybody were to ever say that in the material world, you’d think they have an ego. But you could see that Prabhupada was egoless. He said it in an ecstatic way as a servant of Lord Chaitanya. That’s a very powerful thing.”

Your great faith in the words of your spiritual master His Divine Grace Bhaktisiddhanta Saraswati Takura is inconceivable to me. Seeing your irrevocable faith, Your spiritual master has aptly appreciated you as a “good listener”. Taking the order of your spiritual master as your life and soul, you travelled to America alone, an unknown and most unlikely place for a sadhu to reside. Your infinite mercy is like the mercy shown by Lord Shiva on the insane ghostly creatures. In America, you stayed among the insane Hippies in the graveyard-like Bowery and transformed them into staunch devotees of the Lord. The acharyas of previous ages used to travel the length and breadth of our country to preach Krishna consciousness. You being the jet-age parivrajaka-acharya, have travelled around the globe 14 times in just 12 years and similarly transformed the lives of millions and you are still continuing to do so. Standing at the your life’s very brink, you did more than anyone could think. Your causeless mercy is ever-expanding in the unlimited forms like temples, deities, devotees, prasadam, kirtan, books and so on.

I am one of those millions of recipients of your causeless mercy, who has taken shelter of the oasis of ISKCON in the desert of material world. I am so grateful to you for picking me up from this desert. Please be merciful unto me and guide me so that I may not take this matchless gift of devotee association to be granted. Please bless me with a drop of your faith you had to your guru and the holy name. It is never possible to repay one’s debt to the spiritual master. But you have ordered that although a disciple cannot repay the spiritual master, he can please you by preaching vigorously like you. Therefore please empower me to preach this message.

Your insignificant aspiring-servant,

Bhakta Pavan Kishore.

Bhakta Pradeep Gour

Hare Krishna My Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet.

All glories to you on this glorious Vyasa Puja

I am now more used to listening than talking, after I met you. However, this is one occasion to express my gratitude and show the appreciation.

After leading 50 gull years of nothingnes,s you have given me everything in a short span of less than 2 Years. I found a way to reach my Lord Krishna. Thank You.

All I can give you in return is my worthless life. Just like one spark that knows its source.

Your servant,

Bhakta Pradeep Gour.

Hare Krishna!! Jai Srila Prabhupada!!

Krishna says in Bhagavad Gita (4.34) “Just try to learn the truth by approaching a spiritual master. Inquire from him submissively and render service unto him. The self realized soul can impart knowledge unto you because he has see THE TRUTH”

As I go on reading many of your books and listen to your lectures, it makes me realize more and more that Yes!! You are the Tattva Darsinah. Krishna is speaking about truth to Arjuna. And that TRUTH is what you have so beautifully presented in all your literatures. It is to you whom one should offer submissive service if they were to aspire to be Truly God Conscious. It is in your work that one can find answer to all his queries for it firmly establishes the Absolute position of the Supreme Lord to the misguided today's generation. You are the One & Only Jagadguru for this Age of Kali.

Queen Kunti says to Krishna that she would rather have more troubles to go with than to be comfortably situated in a palace with all its luxury just so for the sake of having Krishna with her all the time. But by knowing more and more about your life history, we all can see that you practically went through a life of hardship till the very end. As a result of your sacrifice, today so many people are finding happiness by taking shelter of the Supreme Lord.

By establishing temples throughout the world you have given many unqualified people a chance to serve the Supreme Lord. And to accept a person like me to be among these quite few, shows how compassionate a guru can really be and there is hope for everyone, provided they are willing to serve the Lord.

I intend to make proper use of all these opportunities you have so mercifully provided to elevate myself to be a better human and serve the Supreme Lord in whatever capacity I can. So please kindly keep me under your shelter and train me to be a good devotee of the Lord.

Kindly accept my humble obeisances on this auspicious day of your appearance and be merciful towards me & my future endeavours toward attaining Krishna.

Yours Servant,

ನಮಃ ಓಂ ವಿಷ್ಣು ಪಾದಾಯ ಕೃಷ್ಣ ಪ್ರೇಷಾಯ ಭೂತಲೇ, ಶ್ರೀಮತೇ ಭಕ್ತಿ ವೇದಾಂತ ಸ್ವಾಮಿನ್ ಇತಿ ನಾಮಿನೇ

ಪ್ರಪಂಚದಾದ್ಯಂತ ಕೃಷ್ಣ ಪ್ರೇಮವನ್ನು ಹಂಚಿದ ಶ್ರೀ ಕೃಷ್ಣ ಅತ್ಯಂತ ಪ್ರೀತಿಯ ಪರಿಶುದ್ಧ ಭಕ್ತರಾದ ಹಾಗೂ ನನ್ನ ಆಧ್ಯಾತ್ಮಿಕ ಗುರುಗಳಾದ ಎ.ಸಿ. ಭಕ್ತಿವೇದಾಂತ ಸ್ವಾಮಿ ಪ್ರಭುಪಾದರಿಗೆ ಇಂದು ಅವರ 123ನೇ ಹುಟ್ಟು ಹಬ್ಬದ ನೆನಪಿನಾರ್ಥವಾಗಿ ಈ ವ್ಯಾಸ ಪೂಜೆಯನ್ನು ಆಚರಿಸುತ್ತಿದ್ದೇವೆ. ಇಂತಹ ವಿಶೇಷ ದಿನದಂದು ನಾನು ಅವರಿಗೆ ಭಕ್ತಿ ಪೂರ್ವಕ ವಂದನೆಗಳನ್ನು ಸಲ್ಲಿಸುತ್ತಿದ್ದೇನೆ.

ಪ್ರಭುಪಾದರೇ ತಾವು ಭಗವಂತನಿಂದಲೇ ಬಂದ ಗುರು ಪರಂಪರೆಯಲ್ಲಿನ ಒಬ್ಬ ನಿಜವಾದ ಗುರುಗಳಾಗಿದ್ದೀರಿ. ಏಕೆಂದರೆ ಗುರು ಪರಂಪರೆಯಿಂದ ಬಂದಂತೆ ತಾವು ಭಗವಂತನ ಸಂದೇಶವನ್ನು ಯಥಾವತ್ತಾಗಿ ತಮ್ಮ ಅಪಾರಿಷಿತವಾದ ಧರ್ಮ ಗ್ರಂಥದಲ್ಲಿ ತಿಳಿಸಿರುವಿರಿ ಇದು ಇಡೀ ಮನುಕುಲಕ್ಕೆ ಅಪಾರುಷೇಯ ಆಧ್ಯಾತ್ಮಿಕ ಸಾಕ್ಷಾತ್ಕಾರವಾಗುವುದಕ್ಕೆ ತಾವು ಕೊಟ್ಟಂತೆ ಅತ್ಯಂತ ಉತ್ತಮ ಸಂದೇಶ.

ಪ್ರಭುಪಾದರೇ ತಮ್ಮ ಇಳಿ ವಯಸ್ಸಿನಲ್ಲಿ ತಮ್ಮ ಗುರುಗಳ ಆಜ್ಞೆಯಂತೆ ಕೃಷ್ಣ ಪ್ರಜ್ಞೆಯ ತತ್ವವನ್ನು ಭೊದಿಸಲು 1965ರಲ್ಲಿ ಕೇವಲ 40ರೂಗಳನ್ನು ಹಿಡಿದು ಹಡಗಿನಲ್ಲಿ ಅಮೇರಿಕಾಕ್ಕೆ ಪ್ರಯಾಣ ಮಾಡಿ 1966ರ ಜುಲೈ 17ರಂದು ಇಸ್ಕಾನ್ ಸಂಸ್ಥೆಯನ್ನು ಸ್ಥಾಪನೆ ಮಾಡಿದ ಮಹಾ ಸಾಧಕರಾಗಿದ್ದೀರಿ. ಪ್ರಭುಪಾದರೇ ತಾವೇ ರಚಿಸಿದ ಈ ಸಂಸ್ಥೆಯ ಅಂಗ ರಚನೆಯಲ್ಲಿ ಏಳು ಪ್ರಮುಖ ಅಂಶಗಳು ಇಂದು ಪ್ರಪಂಚದಾದ್ಯಂತ ಅತ್ಯಂತ ಬಲಿಷ್ಠವಾಗಿ ಬೇರೂರಿದೆ ಅವುಗಳೆಂದರೆ.

1. ಎಲ್ಲ ಮಾನವರಲ್ಲಿ ಆಧ್ಯಾತ್ಮಿಕ ಜಾಗೃತಿಯನ್ನುಂಟು ಮಾಡುವುದು.
2. ಭಗವದ್ಗೀತೆ ಮತ್ತು ಭಾಗವತಗಳಲ್ಲಿ (ಗ್ರಂಥ) ಕೃಷ್ಣನ ಸಾರಭೌಮತ್ವವನ್ನು ಪ್ರಚಾರ ಮಾಡಿರುವುದು.
3. ಸಂಸ್ಥೆಯ ಸದಸ್ಯರಲ್ಲಿ ತಾವು ಕೃಷ್ಣನ ತಿಳಿವನ್ನುಂಟು ಮಾಡುವುದು.
4. ಶ್ರೀ ಚೈತನ್ಯ ಮಹಾಪ್ರಭುಗಳು ತಿಳಿಸಿರುವಂತೆ ನಾಮ ಸಂಕೀರ್ತನ (ಕಲಿಯುಗ ಧರ್ಮ) ಚಳುವಳಿಯನ್ನು ಬೆಳೆಸುವುದು.
5. ಆಧ್ಯಾತ್ಮಿಕ ಚಟುವಟಿಕೆಗೆ ಶ್ರೀ ಕೃಷ್ಣ ದೇವಾಲಯಗಳನ್ನು ಕಟ್ಟುವುದು.
6. ಸರಳ ಜೀವನ ಅನುಸರಿಸುವುದು
7. ಆಧ್ಯಾತ್ಮಿಕ ವಿಚಾರಗಳು ಮನುಕುಲಕ್ಕೆ ಮುಟ್ಟುವ ಸಲುವಾಗಿ ಪ್ರತಿದೇಶದಲ್ಲಿ ಬೋಧಿಸಿರುವುದು. ಇವೆಲ್ಲವೂ ತಾವು ಒಬ್ಬ ಮಹಾಸಾಧಕರಾಗಿ ನಮಗೆ ಕೊಟ್ಟಂತಹ ಕೊಡುಗೆಯಾಗಿದೆ

ಶ್ರೀಲ ಪ್ರಭುಪಾದರೇ ತಮ್ಮನ್ನು ಗುರುವಾಗಿ ಪಡೆದ ನಾನು ಧನ್ಯನೇ ಸರಿ

ನಿಮ್ಮ ಸೇವಕ.

Dear SRILA PRABHUPADA,

Your movement, which include daily chanting 16 rounds Hare Krishna Mahamantra, daily reading your books, association of Vaishnavas, Krishna Prasadam, service like house to house book distribution, sankirtan in temple, Nagar Sankirtan is the only hope for me.

Srila Prabhupada, you are so dear to our KRISHNA BALARAM and you are giving me also the opportunity to become close to them. Out of your compassion you are allowing me to serve and associate with Their Lordships even though my heart is filled with contaminations.

Srila Prabhupada, Your movement is the real United Nations by keeping Krishna in centre.

SRI CHAITANYA MAHAAPRABHU the most magnanimous and merciful incarnation of Lord Krishna predicted that one day His holy name would be chanted in every town and village in world. And you are that empowered Senapati Bhakta who made that to happen by your unflinching devotion, dedication and compassion. This was your service to your spiritual master His Divine Grace SRILA BHAKTI SIDDHAANTHASARASWATHI THAKUR GOSWAMI MAHARAJ.

Srila Prabhupada, your ISKCON is an amazing benediction for this world. Somehow, I am connected to you and your mission. I want to do something to please you, although I have been trying to please my self. Since time immemorial, I have spent countless lives in this material world, wandering about, performing unimaginable actions and suffering reactions, aimlessly and meaninglessly. Living lives, that have led to a hopeless, godless and sinful lives.

Srila Prabhupada, almost from past one year I am completing sixteen rounds chanting first in the day and I would like to continue like this in the future also.

Srila Prabhupada, I would like to share with you detail of audio which I heard of Srimad Bhagavatam class of our senior devotee H G Chanchalapati Prabhu, which was recorded in our Bengaluru ISKCON temple on May 3rd 2015. Happy to say, that, it was LAKSHMINARASIMHA JAYANTHI DAY. Fortunately on the same day deity installation of our beloved Lakshminarasimha swamy was going on in our Mysuru ISKCON Temple.

In that Srimad Bhagavatam lecture Chanchalapati prabhu told “Prabhupada has given so many books and wants us to read. Prabhupada said one should read Bhagavad-Gita minimum ten times, Srimad Bhagavatam minimum three times and Chaitanya Charitamrita minimum once... it’s a life time engagement... So these books Prabhupada’s words are such that it has to be read again and again to unlock the meaning and the mysteries that are present.

So this knowledge is a treasure house of understanding. More and more we can understand as we read again and again. Srila Prabhupada wanted us to read, study his books and also practice Krishna Consciousness, because this is not just scholarship knowledge. This is not just becoming scholar of these books. We also have to practice this by chanting, practicing the different aspects of sadhana, following the four regulative principles like this if we do then by the mercy of Srila Prabhupada we will be able to discover more and more. And more wonderful things will happen. We should develop a taste for reading and relishing these books and that is the highest thing. And later Chanchalapati prabhu continued to narrate the instance of you reading complete KRISHNA book in one day, in New york while celebrating SRI KRISHNA JANMAASTAMI for the first time in ISKCON.

And also in one of the video “I AM” made by your disciples which, I got from YouTube, in that video which tells the importance of reading your books daily, you have personally told.

“So, if you simply read KRISHNA book or BHAGAVAD GITA or TEACHINGS OF LORD CHAITANYA, then you know the as long as you are reading, the sun is unable to take your life. It is not possible for the sun to take your life. So if you

constantly read, then where is the opportunity, of sun's taking your life. That means you are becoming immortal. So everyone of you read this Nectar of Devotion, once twice, thrice unless you have got full fledged ideas what is this devotional service.... So each chapter you should read very carefully and if you cannot understand, read it repeatedly. Don't all of a sudden, reading one or two page immediately question Prabhupada What is this? What is this? What is this? Go on reading and the answers will automatically come."

Dear Srila Prabhupada, according to you, books are the basis for our movement. Srila Prabhupada also you have told to read your books in which you have given all your instructions and you also told that after your physical disappearance your books are the real guru. So you will be living in your instructions in your books. So keeping this in mind, i would like to finish reading your books at the same time I would like to participate in Harinam sankirtan, which is the ultimate goal of our movement.

Srila Prabhupada, I am really facing a lot of hardships to do service for your movement. Most of the time, your blessings has protected me from going away from your movement. I request you to shower your blessings on this conditioned soul, so that I can be attached to serve your movement in the association of Vaishnavas. This is the only hope for me to become purified.

Sincerely trying to become servant of your servants,

Dear Srila Prabhupada,

Dear Master, kindly accept my most humble obeisances unto your lotus feet.

I visited ISKCON on a Sunday of February 2007, which changed my entire life and today I have gained a priceless and most valued mercy of yours and Lord Krishna Balaram.

Probably, I am the most worthless soul on this planet. I try everyday to overcome my laziness and at least constantly chant my rounds so that I may do some reading. I have been trying so hard to make it a part of my life to at least do some reading of your books, but have not managed to fully succeed.

Words fail to thank you, as "Thank you" is a most insignificant word for all your kind efforts in bringing us closer to Krishna Consciousness and Krishna as well, for which without coming to this movement I would never have appreciated what it means to love and serve God.

Srila Prabhupada, by your teachings, you taught us that the best way to serve you is by serving ISKCON. This wonderful institution is your divine arrangement for spreading Krishna consciousness all over the globe and it is through ISKCON that the Krishna Consciousness will continue to spread in every part of the world, fulfilling the prediction of Sri Caitanya Mahaprabhu.

Master, by the eternal mercy of you, I have understood the basics of Krishna Consciousness and practicing constantly as well, which has brought a tremendous and successively progress in my life. I can never imagine a life without Krishna and His blessings.

Dear Prabhupada, kindly direct us with your kind mercy to follow and practice Krishna Consciousness well so that, I may achieve the highest goal of this human life. Also bless your little servant to be your eternal servant by serving you and Krishna Balaram. And bless me to be more engaged in devotional services

All glories unto your lotus feet. Jai Srila Prabhupada!

Your aspiring servant, Bhakta Praveen.

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet. All glories to your divine grace.

Srila Prabhupada, by your & vaishnava's mercy I came in touch with your movement. Before I was searching who is the Supreme Personality of Godhead is? Just by reading your "KRISHNA" book, all my doubts were cleared & I understood Lord KRISHNA is the Supreme Personality of Godhead & origin for everything.

You are the savior of the whole world. Without considering any pain, you traveled all over world for distributing Krishna Bhakti and spread the Lord's Holy name to fulfill Lord Chaitanya's words.

My Dear Spiritual master Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet.

You are that personalty who is very dear to Krishna - The Jagad Guru. All glories to you.

It's been only few months passed when I came in contact with ISKCON temple and the devotees of your Movement..

This would be my first experience of celebration of your Vyasa puja. After coming in contact with the temple I unknowingly got attracted to the lord Sri Krishna Balarama and books written by you like Bhagavad-Gita and other books. I am chanting and reading your books daily. The vibes which I observe when I go on reading deep in the books written by you gives great joy to my soul unknowingly. Thank You Srila Prabhupada for the wonderful Gift of Krishna Consciousness Given By You.

Dear Srila Prabhupada Please accept this fellow soul and shower me your blessings. And give me the strength and intelligence to continue in this spiritual pathway. Please accept me unto your lotus feet Srila Prabhupada.

Your eternal servant,

Bhakta Raghavendra Thilak.

Bhakta Rahul Kanted

My Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet. All Glories to you on this glorious Vyasa Puja.

I would like to offer my sincere gratitude on the occasion of your divine appearance day.

I have been in contact with your ISKCON movement for so many years now. But, still it feels like I have not learnt anything and my level of understanding is at a very basic stage. When I was in college, I was able to effortlessly manage my studies and daily Sadhana at the FOLK hostel. I used to think that once college is over and professional life starts, things would become simpler and I would be able to spend more time in the temple and progress in terms of Krishna Consciousness. I was wrong, I never knew life would take such a U – turn and engage me completely in material activities. Now I am totally engaged in business and family life with practically no time to spend towards my spiritual life.

Here and then, I try to spend some time in the temple, associate with the devotees, participate in festivals, but as time passes by, my mind tricks me to prioritize material activities. There are so many instances in your lectures and books where you have advised us not to take up married life, not to give more importance to material activities, instead try to serve Krishna whole heartedly. I can only regret with the decisions I have taken in my life, which have brought me to such a sorry complicated stage. Over the years I have realized that no one can save us except Krishna for only he is our true friend and well-wisher. For our own good, we should put in all the effort and determination to progress in spiritual life.

Time flies by and will never come back, but we are blessed to have you as our spiritual master. Your instructions are so simple yet strike a bomb in our minds. I am deeply indebted to you Srila Prabhupada. If not for you, only god knows where my life would have stood by now. Thank you for everything. On your divine appearance day, I pray unto you to shower mercy on me and my family so that we can follow your instructions and gradually become more and more serious in practicing Krishna consciousness. I am very fortunate to have association of devotees of ISKCON and highly appreciate their sincere efforts to promote God consciousness.

Your servant,

Dear Srila Prabhupada,

I offer my humble obeisances unto your lotus feet.

It is only because of you so many fallen and wretched souls like me could get this wonderful opportunity to know what is my relationship with God.

As a Spiritual Master, you have given us the right directions in life, motivated us to chant the holy name of Krishna, taught us to have darshan of the Lord and render service unto Him with love and devotion.

Krishna consciousness development in me has made my attitude in seeing this material world in a right way. It is because of participating in the program of your movement, I get to know who I am? Where do I come from? It is all because of your teachings Srila Prabhupada. It is because of your causeless mercy that all of us are able to understand the importance of spiritual life, importance of sadhana - chanting, attending Mangala-arati and hearing Srimad Bhagavatam.

I want to dedicate my life unto your lotus feet.

Your servant, Bhakta Ranjan.

Bhakta Ratish

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet. All glories to your divine grace.

Krishna's most beloved confidential associate

ISKCON Founder-Acharya : His Divine Grace

Though has proved god is a person

Without any tinge of interpretation

That is the only qualification

To live with devotee association

Giver of the holy name

Deliverer of dull brain

Savior of mental strain

That's your fame

Your lotus feet is the only sign

To cross over the ocean of nescience

By surrendering to you divine

One can attain vision of sublime

Mantra meditation you teach
Chanting Hare Krishna mantra you preach
Perfect timeless philosophy you speak
That shows your attitude of meek

The only hope in this Kali age
Surrendering to you – His Divine Grace

Dear Srila Prabhupada, It is your mercy that I am able to continue my devotional service. I beg for your mercy to continue the journey of Krishna consciousness forever in my life. Please give me strength to serve you unconditionally.

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet.

All Glories to you Srila Prabhupada.

“Lotus man from a lotus land

beneath desire trees you did stand

with your devotee who loves you true

Srila Prabhupada, your favorite color is blue.

In the land where the sweet Yamuna flows

you had to know where does she go,

a floating lotus on her waves, you followed her,

Srila Prabhupada, our past material existence is just a blur.

The lotus world you left, some say,
quite untrue, you just brought it our way,
we were drowning in ignorance's sorrow,
Srila Prabhupada, to you we surrender, today and tomorrow.

As a lotus flower takes time to bloom,
you first studied Maya's gloom
and then you took your knowledge's knife,
Srila Prabhupada, you gave us new life.

Your lotus temples attracted souls of bee nature,
some flew, some ran, others crawled to your shelter,
to all you gave your loving heart's embrace,
Srila Prabhupada, that's why we call you Your Divine Grace!

Sometimes I wonder which pain was worse,
your separation or Maya's curse,
some slipped, some fell, and some wandered,
Srila Prabhupada, other than your shelter, we have never pondered.

If love is blind, why do I still see Maya's face?
My sins are many, senses are wild, and I'm a disgrace.
Come let us leave our desires behind us,
Srila Prabhupada, on spiritual path only you can guide us.

Separation and union, the seasons change,
let the pendulum swing, we'll meet you again
until then, let us take up the fight,
Srila Prabhupada, we'll make you feel proud, right?"

om ajnāna-timirāndhasyajñānānjana-śalākayā cakṣur unmīlitaṁ yena tasmai śrī-gurave namaḥ

Dear Srila Prabhupada,

Please accept my respectful and humble obeisances unto your lotus feet. Again the time has come and lord has permitted us to glorify you on the auspicious occasion of your divine appearance on this earth. You are eternal and your glories are ever spreading.

As Krishna says only a person who claims to be a devotee of my devotee is actually my devotee. In the system of bhakti yog, a the first is to accept a devotee as spiritual master and then to render service unto him.

By Krishna's mercy, one gets a spiritual master, and by the mercy of spiritual master one gets a chance to serve Krishna.

Even though I am not able to follow all the rules and regulations which you have given, most of the time, I keep failing in the process. But finally I understand that only by causeless mercy of you and your sincere disciples, I am able to do some service in your movement.

I do not have any strength to do devotional service. What I have done in my past birth, I do not know. Prabhupada, but in this life you are showering your constant mercy upon this destitute soul.

By dharma, every soul must render service and become devotee of Lord. Unfortunately, I am not up to the mark of my sadhana and I fall again and again. I know that I am even not qualified to render service unto you but because of your causeless mercy, I am still crawling in the process.

Words and my limited knowledge can never be able to glorify you to the full extent. Because of my hard heartedness and arrogance, I have offended many of your disciples in words, actions and in mind. Please forgive me and pick me up from this material world.

Prabhupada, I wish to spread this movement to the extent I can. By your causeless mercy, I am doing bit of it. I know you will be pleased if this movement spreads all over the planet. Empower me to do that. I beg you, Prabhupada.

Prabhupada, please bless not only me but the entire world to take up this movement seriously and to understand one's own self.

I offer my respectful obeisances unto my spiritual master, the deliverer of the fallen souls. Your mercy turns the dumb into eloquent speaker and enables the lame to cross mountains

The guru's form is the best to meditate upon. The guru's feet are the best for worship. The guru's word is the mantra. The guru's grace is the root of liberation. Please keep me unto your shelter and the shade of your divine lotus feet.

Your humble servant,

Dear Srila Prabhupada,

Please accept my humble obeisance to your Lotus feet.

I'm very grateful that Krishna gave me chance through you for to me to become Krishna consciousness .

You have given us a very simple & the process of chanting Hare Krishna Maha mantra which is the only way in the age of Kali to get connected to Krishna and reach our eternal place. I remember in 'one of your lecture you mentioned "Krishna is very kind and he reciprocates with us .

By getting Spiritual teacher like you is a mercy that helps us to connect with God directly without being cheated by pretenders who claim themselves to be god.

I would like to express my heartfelt gratitude for transforming my life. All glories to Srila Prabhupada.

Dear Beloved Srila Prabhupada,

*mukham karoti vācālam paṅgum laṅghayate girim
ya kṛpas tamaham vande sri gurum dinataranam*

I offer my respectful obeisances unto my Spiritual Master who has opened my eyes, blinded by the darkness of ignorance, with the torchlight of knowledge.

On this holy and auspicious Appearance Day (Vyasa-Puja) of my Spiritual Master, His Divine Grace A.C. Bhaktivedanta Swami Srila Prabhupada, Founder-Acharya of the International Society for Krishna Consciousness, I would like to express my heartfelt gratitude to him. He literally showed me the path to success.

You have taught us that every living entity is spirit soul and constitutionally a subordinate part and parcel of Lord Krishna, but on account of his forgetfulness of the Lord, he has dressed himself differently and engaged in the service of the external energy of the Lord called Maya and misidentified himself as the material elementary body. Under this adulterated consciousness one is falsely trying to be master or lord over the material energy, which is the source of all miseries. If living entities revive the original consciousness, i.e. understand the Lord and his relationship with Him and execute activities in that relation, then only one can liberate himself from these miseries and be eligible to attain love of Godhead, which is the prime duty of a human being and the highest perfection of life. In a nutshell, the essence of your teaching is how to become the lover of God or technically become Kṛṣṇa Conscious. Your tremendous contribution to the world cannot be repaid and particularly your books are eternal. You are the greatest spiritual ambassador to the human society who has a mission of uplifting the modern human society from degradation by bringing them nearer to God.

I wholeheartedly try to follow the divine instructions of my beloved Spiritual Master, His Divine Grace A.C. Bhaktivedanta Swami Prabhupada, without fail. I am forever in your debt, lifetime after lifetime. Please do accept this insignificant offering and shower your blessings over a fallen soul like me.

*“Dhyana-Mulam Guru-Murtih Puja-Mulam Guru-Padam |
Mantra-Mulam Guru-Vakyam Moksha-Mulam Guru-Kṛpaa ||”*

Aspiring to be your humble servant someday,

Bhakta Shiva Kumar B G

Bhakta Shiva Kumar B Dear Srila Prabhupada,

Please accept my respectful humble obeisances unto your lotus feet.

Today I am in secure position because of your mercy. You are my lord and master. Because of association with your movement and following simple instructions given by you and your genuine disciples, I have come out of difficult situation and progressing in spiritual path.

Prabhupada, I am so fortunate for having beautiful deities at ISKCON Mysore, meditating on these deities beautifully decorated daily by devotees is relieving my mind from material anxieties and making it peaceful.

Some of your instructions that empowering me are : *“The holy name is so powerful that even by chanting with offense, gradually one becomes pure. Therefore we should not give up chanting. Any circumstances we should go on chanting Hare Krishna”* Denver, June 28, 1975

When living entities desires to serve the Lord in transcendental loving service, the Lord helps the devotee in so many ways as Caitya guru or Spiritual master with in. Voluntary endeavor is the only qualification for spiritual perfection. Material acquisitions of wealth or education are not considered

Purport SB 3.9.38

Krishna is, by His transcendental nature, always merciful. Krishna's mercy is always there.

One should not be impatient in discharging devotional service. One should execute the orders of spiritual master patiently depending on the mercy of Guru and Krishna. For successful execution of devotional service one should have both patience and confidence. Devotee should think that Krishna will surely protect me and help me in executing devotional service successfully. This is confidence. A devotee is never afraid of death, or changing his body; his consciousness is transformed into Krishna Consciousness, and even if he doesn't go back to Godhead, even if he transmigrates to another material body, he has nothing to fear. The Bhagavad- Gita affirms, that a devotee is never vanquished.

A devotee's path to the spiritual kingdom, back home, back to Godhead, is guaranteed. Even though a devotee slips in one birth, the continuation of his Krishna consciousness elevates him further and further, until he goes back to Godhead. Not only does a pure devotee purify his own personal existence, but whoever becomes his disciple also becomes purified and is ultimately able to enter the kingdom of God without difficulty.

Mahajana is one who strictly follows the original religion and knows things as they are. And that means he must be coming in the parampara, the system of disciplic succession. Arjuna was Krishna's constant friend, so when Krishna went to His abode, Arjuna was overwhelmed, but just by remembering His teachings he got relief from the pains of separation. Thus whenever we feel separation, it is best to remember the teachings.

I am trying to serve you and your movement. Kindly accept me in your service.

Please forgive offenses committed at your lotus feet and other vaishnava devotees.

Trying to become your eternal servant,

Bhakta Shiva Kumar B G G.

My Dear Srila Prabhupada,

Hare Krishna!

Please accept respectful obeisances from this fallen soul.

All glories to your Divine Grace! And all glories to Krishna Balarama, the principal Deities of ISKCON Mysuru!

I am eternally indebted to you for presenting me the most valuable, unexpected and priceless gift of my life “Krishna Consciousness”. Until the day I found the answer, I used to wonder, am I really worthy of receiving Krishna Consciousness? The answer I found was that it is nothing to do with my worthiness but it is purely because of your causeless mercy I have got Krishna Consciousness.

My dear Srila Prabhupada! I am really indebted to you. I get scared when I imagine my life without Krishna Consciousness! I know that I can never repay you even if I serve you life after life.

I can only chant “Hare Krishna Hare Krishna Krishna Krishna Hare Hare Hare Rama Hare Rama Rama Rama Hare Hare” more and more to please you. Srila Prabhupada! I beg you to give me more strength to chant more and more the holy names of God and serve Krishna to my full capacity. I am also greatly indebted to your disciples. They have helped and guided me in Krishna Consciousness. My dear Srila Prabhupada, I feel most fortunate to get your seamless guidance through your sincere disciples.

Srila Prabhupada! I am unable to do my sadhana as you have prescribed but I am trying to catch up. Srila Prabhupada! Only you can save me from the vicious cycle of birth and death. If I have to reach Krishna, it is possible only by your mercy. So, I beg you to give me more strength to do my sadhana. Give me strength to chant the Hare Krishna maha mantra. Please give me strength to read your books. Please give me strength to hear your lectures. My dear Srila Prabhupada, please bless me so that I can serve you and Krishna life after life. Please bless me so that I will never forget you, no matter where I am.

On this auspicious day of your appearance, I beg your forgiveness for having inadvertently or advertently committed offences at the lotus feet of any devotee because if I am not excused, I will not be eligible to enter even the most degraded hell! I also beg you to bless me for the new phase of my life. I hope you shower your causeless mercy on this most fallen soul. Dear Srila Prabhupada! I beg you to accept the obeisances from this fallen soul!

Your servant,

Bhakta Shiva Prasad T P.

Dear Srila Prabhupada, here this soul has completed one year by serving your lotus feet. As usual as each year passes, it is getting wonderful, enchanting, and delightful to be in the service of your divine grace. People get bored as they do the same things repeatedly in the material world, but on the other side the more we do the sadhana with great care and attention the more we feel contented everyday.

I am sincerely reading the Bhagavad-Gita. I am feeling wonderful and getting to know great things about Lord Krishna.

Srila Prabhupada, you have the ocean of mercy with you and please be compassionate on me. Even though I have committed so many mistakes, you are still giving the chance to live in your shelter. That is possible only by our mercy.

I am begging you on this auspicious day of your appearance that please forgive me for all the unlimited offenses made to you and I beg you to give me more faith and strength on your words and implement those teachings in my spiritual life.

Your humble servant, Bhakta Shivanand.

My Dear Guru Maharaj Srila Prabhupada,

After coming in touch with ISKCON and reading your books, my way of life has completely changed. Being a doctor I was always spending time in hospital. I am used to see people suffer from past ten years and whenever I thought about the cause of all these diseases, four things used to come in my mind which you had taught us - Meat eating, Intoxication, Gambling and Illicit activities; the primary causes for all diseases.

You have given prophylactic measure as four basic principles. You are the real doctor who can cure the disease of this material existence. I am a fallen soul. I am trying to become a devotee. I am trying to practice the regulative principles taught by you, But still many times my mind has diverted to these worldly things. Please help me. Please bless me.

You are my Guru Maharaj. Please give me Krishna's mercy. Please bless me so that I can chant and I will be always in the association of Vaishnavas. Kindly bless me to get the opportunity to serve Lord Krishna. I am developing fear about this material world. It's really tricky. Really it is ocean of miseries. Please don't leave me alone in whichever situation i am in. Please give me the shelter under your lotus feet and all the Vaishnavas. I am sure that you will read this letter.

Jai Srila Prabhupada. Hare Krishna.

Aspiring to become your Servant,

Bhakta A.Srijith.

It is only by your causeless mercy that you made me come in touch with ISKCON or how is it possible for me as a unworthy soul who has fallen in this world to render a small bit of service to Krishna.

Srila Prabhupada, you have taught us how to engage oneself in devotional service. I beg you to keep me at your lotus feet always. Jai Srila Prabhupada,

ನಾ ಕಂಡ ಶ್ರೀಲ ಪ್ರಭುಪಾದ,

ಆಜ್ಞಾದಿಂದ ಜ್ಞಾನದ ಕಡೆಗೆ ಕೈಹಿಡಿದು ಕರೆದುಕೊಂಡು ಹೋಗುವವರೆ-ಗುರು

ಬಾಲ್ಯದಲ್ಲಿ ಚಿಗುರಿದ ಕನಸು ನನಸಾಗಿದ್ದು ತಾವು 60 ವರ್ಷದ ಮುಪ್ಪಿನಲ್ಲಿ. ತಾವು ಮೊದಲ ಬಾರಿಗೆ ತಮ್ಮ ಗುರು ಭಕ್ತಿಸಿದ್ಧಾಂತ ಸರಸ್ವತಿ ತಾಕುರನ್ನು ಭೇಟಿಯಾದಾಗ ಗುರುಗಳು ತಮ್ಮನ್ನು ನೋಡಿ ಹೇಳಿದ್ದು ಕೆವಲ ಒಂದೇ ಒಂದು ಮಾತು ಅದು ಕೃಷ್ಣ ಪ್ರಜ್ಞೆ ಅಂದೋಲನವನ್ನು ಪಾಶ್ಚತ್ಯ ದೇಶಕ್ಕೆ ಪರಿಚಯಿಸುವುದು. ಅದನ್ನು ತಾವು ಗುರುಗಳ ಆದೇಶವನ್ನು ಶಿರಸ ವಹಿಸಿ ನೀರುಪಿಸಿದ್ದೀರಿ.

ಅಮೇರಿಕಾ ದೇಶಕ್ಕೆ ಮೊದಲ ಬಾರಿಗೆ ಹೋದಾಗ ಹಿಪ್ಪಿಗಳ ಸಂಖ್ಯೆ ಮಾರಕವಾಗಿ ಬೆಳೆದುಕೊಳ್ಳುತ್ತಿತ್ತು. ಅದನ್ನು ಕಂಡು ನೀವು ದಿಗ್ಗಂತರಾಗಿ ಕೃಷ್ಣನನ್ನು ನೆನಿಸಿಕೊಂಡಿರಿ. ತಾವು ಕೃಷ್ಣನನ್ನು ನೆನಿಸಿಕೊಂಡು ಹೇಳಿದ್ದು ಹೀಗೆ ಇದು ಎಂತಹ ಜಾಗಕ್ಕೆ ಕರೆದುಕೊಂಡು ತಂದೆ ನನ್ನನ್ನು. ಕೃಷ್ಣ ನನ್ನ ಕೈಯಲ್ಲಿ ಏನಿದೆ ಎಲ್ಲಾ ನೀ ನಡೆಸಿದಂತಾಗಲಿ ನಾನು ಕೇವಲ ಪಾತ್ರದಾರಿ ನೀನು ಸೂತ್ರದಾರಿ.

ಹಿಪ್ಪಿಗಳು ವೈಷ್ಣವ ಸಂಪ್ರದಾಯದ ತದ್ವೀರುದ್ಧವಾಗಿ ನಡೆದುಕೊಳ್ಳುತ್ತಿದ್ದರು, ಇಂತವರನ್ನು ತಾವು ಹಿಪ್ಪಿಗಳಿಗೆ ತಂದೆ ತಾಯಿ ಮತ್ತು ಗುರುವಾಗಿ ಅವರಲ್ಲಿ ಹೊಸ ಚೈತನ್ಯ ಶಕ್ತಿಯನ್ನು ತುಂಬಿ ಅವರನ್ನು ಕೃಷ್ಣ ಪ್ರಜ್ಞೆ ಅಂದೋಲನದಲ್ಲಿ ತೊಡಗಿಸಿ ಭಕ್ತಿ ಮಾರ್ಗದ ಕಡೆಗೆ ಗುರಿಯಾಗಿಸಿದ್ದೀರಿ. ಹಿಪ್ಪಿಗಳ ಬದಲಾವಣೆಯನ್ನು ಕಂಡು ಅಮೇರಿಕಾ ದೇಶದ ಪ್ರಜೆಗಳೆಲ್ಲಾ ಆಶ್ಚರ್ಯಚಕಿತರಾದರು.

ತಾವು ಒಂದು ಪಾರ್ಕಿನಲ್ಲಿ ಕೂಳಿತು ಕೇವಲ ಬೆರಳೆಣಿಕೆಯಷ್ಟು ಶಿಷ್ಯರೊಂದಿಗೆ ನಾಮ ಸಂಕೀರ್ತನೆಯನ್ನು ಮಾಡುತ್ತಿದ್ದಿದ್ಧನ್ನು ಕಂಡು ಇತರೆ ಜನರು ಅದಕ್ಕೆ ಆಕರ್ಷಿತರಾಗುತ್ತಿದ್ದರು. ಇದೇ ತರಹ ಅಮೇರಿಕ ದೇಶದ ಪ್ರಸಿದ್ಧ ಊರುಗಳಲ್ಲಿ ನಾಮ ಸಂಕೀರ್ತನೆಯನನು ನಡೆಸಿ ಅಲ್ಲಿನ ದೇಶದ ಪ್ರಜೆಗಳಿಗೆ ಕೃಷ್ಣ ಅಂದರೆ ಯಾರು ಮತ್ತು ಭಗವದ್ಗೀತೆಯಲ್ಲಿ ಕೃಷ್ಣ ಏನು ಹೇಳಿದ್ದಾರೆ ಅಲ್ಲಿನ ಪ್ರಜೆಗಳಿಗೆ ಮನ ಮುಟ್ಟುವಹಾಗೆ ಹೇಳಿ ಕೃಷ್ಣ ಪ್ರಜ್ಞೆ ಅಂದೋಲನವನ್ನು ಪರಿಚಯಿಸಿದ್ದೀರಿ.

ಅಂದು ಅಮೇರಿಕಾ ದೇಶದ ಪ್ರಮುಖ ಪತ್ರಿಕೆಯಲ್ಲಿ ಮತ್ತು ಟಿವಿಯಲ್ಲಿ ನಾಮ ಸಂಕೀರ್ತನೆ ಪ್ರಸಿದ್ಧವಾಯಿತು ಇದನ್ನು ನೋಡಿ ಕೇಳಿ ಅನೇಕ ಪ್ರಖ್ಯಾತ ಕಲಾವಿದರು ಮತ್ತು ರಾಜಾಕಾರಣಿಗಳು ಅವರನ್ನು ಭೇಟಿಯಾಗಿ ನಮ್ಮಲ್ಲಿದ್ದಾ ಜೀವನದ ತಪ್ಪು ಪರಿಕಲ್ಪನೆಯನ್ನು ಬದಲಾಯಿಸಿಕೊಂಡರು ಅಮೇರಿಕದೇಶದಲ್ಲಿ ಪ್ರಥಮವಾಗಿ ಭಕ್ತಿವೇದಾಂತ ಬುಕ್ ಟ್ರಸ್ಟನ್ನು ಸ್ಥಾಪಿಸಿ ಭಾಗವತಃ, ಭಗವದ್ಗೀತಾ, ಚೈತನ್ಯ ಚಾರಿತಾಮೃತ ಮತ್ತು ಸಣ್ಣ ಪುಸ್ತಕಗಳನ್ನು ಮುದ್ರಿಸಿ ವಿಶ್ವಪ್ರಸಿದ್ಧಿ ಮಾಡಿದ್ದೀರಿ.

ಕೇವಲ ಅಮೇರಿಕ ದೇಶಕ್ಕೆ ಕೃಷ್ಣ ಪ್ರಜ್ಞೆ ಅಂದೋಲನ ಸೀಮಿತವಾಗದೆ ವಿಶ್ವದ ಅನೇಕ ದೇಶಗಳಿಗೆ ಪರಿಚಯಿಸಿ ಮತ್ತು ದೇವಾಲಯವನ್ನು ಸ್ಥಾಪಿಸಿದ್ದೀರಿ.

ಪ್ರಭುಪಾದರು ಜಾತಿ, ವರ್ಣ, ದೇಶ ಬೇದ ಮಾಡದೆ ಎಲ್ಲರನ್ನು ಕೃಷ್ಣನ ಆಶ್ರಯದಲ್ಲಿರಲು ಅವಕಾಶ ಕಲ್ಪಿಸಿಕೊಟ್ಟರು.

ಇಂತಿ ನಿಮ್ಮ ದಾಸರ ದಾಸ, ಭಕ್ತ ಸುನಿಲ್ ವಿ ಬಿಜಾಪುರ

Dear Srila Prabhupada,

Please accept my most humble obeisance at your lotus feet on this most auspicious appearance day anniversary of your grace.

You are the real servant of Lord Sri Krishna. No single person can be achieve as you achieve in your life and the greatest contribution to the world/society which is "Krishna consciousness". This movement is very special in all Krishna's devotees. Because it gave the real knowledge about Krishna.

It was the toughest time when you were balancing the spirituality and material things. It is not possible to everyone to go U.S.A for the purpose of giving Krishna consciousness to the uncivilized people who are hippies.

“ಆಡು ಮುಟ್ಟದ ಸೊಪ್ಪಿಲ್ಲ, ಇಸ್ಕಾನ್ ದೇಗುಲವಿಲ್ಲದ ದೇಶವಿಲ್ಲ”

I am very thankful to you for giving everything which up holds me from the contamination.

Your humble servant, Swarna Dhanush.

Dear Srila Prabhupada,

Please accept my most humble and respectful obeisance.

All glories to Your Divine Grace.

I deeply and whole heartedly thank you for your protection, guidance and helping me in the journey of my Krishna consciousness.

I often ignore and forget the most fundamental Principle of Krishna consciousness is to please the spiritual master.

Yasya Prasasas bhagavat-prasado

Yasya prasadam na gatih kuto pi

“By satisfaction of the spiritual master, the supreme personality of godhead becomes satisfied. And by not satisfying the spiritual master, there is no chance of being promoted to the plane of Krishna Consciousness”.

I have noticed while I am rendering my devotional service, I need to satisfy you and that should be the prime objective of the disciple. Oh! Prabhupada, please don't leave me. I will be no where without you. Please bless me to be in the shade of your lotus feet. Please bestow your mercy on this most unworthy and disobedient servant.

Your eternal Servant,

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet.

I would like to recall some of the excerpt from your lectures which gave me right knowledge and guidance in my life:

We should know in perfect consciousness that human life is bestowed upon the conditioned soul to achieve spiritual success and the easiest way to attain this end is to chant the holy name of the Lord.

Human life is meant for understanding what I am, what is God and what is my relationship with God that is the real purpose of human life. But unfortunately, we have been put into such material condition that we are trying to enjoy life in this material condition. Materialists foolishly make many plans to become happy in this material world. They do not stop to consider that they will live only for a certain number of years, out of which they much spend the major portion of life for acquiring money for sense gratification. Ultimately such activities end at death. Those who are blind about understanding the soul have got many thousands and thousands of subject matters for hearing, however all these subject matters are useless.

Only by your instructions Srila Prabhupada, people can attain devotional service to the lord, detachment from material things and tolerance of material misery and distress or it is highly difficult to train our consciousness, especially in the modern age of materialism. The ultimate goal of life is not to attain peace but that is a beginning platform, the ultimate goal of life is to fully surrendering to Krishna is what you taught us Srila Prabhupada.

I have been reading the books of yours Srila Prabhupada and it has impacted me a lot. I am able to understand the right and wrong of human life. I feel I am very much blessed to be in the association of devotees and I pray to god to show us the right path in the journey of our life and guide us to go back home back to godhead.

Your Servant,

Bhakta Venkatesh V.

Bhakta Vinay Venugopal

Dear Srila Prabhupada,

I offer my respectful obeisances unto your lotus feet on the occasion of Vyasa-puja seeking your causeless mercy.

As a bewildered soul, I was engrossed in acquiring mayayapahrta-jnana viz. science and technology. Through the causeless mercy of Sri Krishna, I had the opportunity to read your lecture transcript on 'Two Souls in the Body' which started clearing my confusion on the impersonal and personal aspects of Sri Krishna.

As an Acharya you displayed unprecedented pastimes by providing very elegant and hard hitting English translations and purports on the verses of Bhagavad-Gita and Srimad Bhagavatam strictly adhering to the disciplic succession, spreading the essence of Vedic knowledge (Bhaktivedanta) around the world and fulfilling prophecy of Sri Chaitanya Mahaprabhu.

Your lectures lucidly unravels the Science of God and Love of God, clearly convincing the reader without an iota of doubt that Sri Krishna is the Supreme Personality of Godhead and the purpose of human form of life is to reawaken one's Krishna prema by engaging in devotional service.

Kindly permit me to be your humble servant and to take the shelter of your lotus feet.

Jai Gurudev!

Bhakta Vinay Venugopal.

Dear Srila Prabhupada!!

Dandvats Pranam!!

Please accept my humble obeisances unto your lotus feet. All glories unto you.

As said in the earlier offerings my respect and gratitude towards your institution remains unchanged (increased indeed), we have been witnessing a lot more achievements by you senior followers/devotees than earlier. My pride of being in this institution remains unchanged. Deriving inspiration from this institution has been a continuous process for me at any given point of time. The opportunity of service never decreased and hopeful, by your mercy, never decreases.

About my personal life, oh Dear Srila Prabhupada, by your mercy again, I am able to chant, participate in Keerthan, associate with devotees, relish delicious prasadam etc. I lately realised that you have been answering my prayers from previous offerings and I feel humbled, lucky and blessed at the same time. I happen to read my own offering to you in the book amidst this year and realised the differences and sort of experiences I have. I request you to shower your mercy the same way (I beg you indeed). By your grace, I am getting a wider opportunities to serve the Supreme deities residing at different locations all over the country and coming to my part as a Keertaniya, I feel I have been blessed with opportunity to serve the cause and spread it in various ways.

Also the material happenings still keep disturbing as it is the nature of this material world. I beg you to please show me the path through all such disturbances and keep me under your shelter. You might be knowing the whereabouts of my surroundings, my reactions to the things and the happenings around me, as I have seen some of the devotees mentioning

in the videos that you would know everything well in advance about what some one is going through without anyone telling you. So, in that context, I beg you to help me surrender to Lord and grow through the situations. In this occasion and platform, I would finally request you to please help me improve my quality of chanting and also quality of other sadhana by providing even more opportunities and mainly, help me in practicing the four regulative principles even more strictly as possible.

I sincerely would like to thank you for all the experiences both material & spiritual and would appreciate your grace to bless me with the stable growth and advancement in Krishna Consciousness life. Thank you Dear Srila Prabhupada for everything.

Your aspiring servant,

Dear Srila Prabhupada,

Touching your Lotus feet on this Auspicious Occasion This unqualified Soul offering

A simple Homage unto your Lotus feet.

Srila Prabhupada you took Lord Sri Krishna in your heart,

Sincere devotion for your Guru made you set to travel unknown land to spread Krishna Consciousness. You have fulfilled your Guru's dream.

Because of the divine arrangement of Sri Krishna and your Spiritual Master was this possible.. Krishna the Supreme Lord stayed around to guide you through out your life to finish such a heavy task to save the entire human race.

Recently our family have been relocated from Durban, South Africa to Mysore.

Your Movement in Mysore, Gracefully took us to further develop our Krishna Consciousness.

Today poorest to the poor can read in various languages around the world in the Form of Bhagavad Gita and Srimad Bhagavatam, you have presented to the world intending spiritualisation to the entire human society.

Srila Prabhupada you unified people through your message across the world.

Back in South Africa, during the Durban Rata yatra festival many hundreds of illegal immigrants wait in the queue for the food.

Festival organizers and the police don't chase them away, they allow them to eat for their hearts content. This is Vasudeva Kutumbakam. Prabhupada , you thought to this western world.

Many of these immigrants show their gratitude and volunteer doing simple work such as picking the dust from the festival ground etc... This is what humanity...

The South African government send these illegal immigrants back home. They may or may not return but one thing for sure they will never forget the food they have ate and the cultural programme watched over the festival period. The seed sealed in them one day will sprout and blossom into spiritual path.

Many of us still are infant stage in spiritualism.

Oh spiritual father hold our hands tight to stand, walk, and run till we win the price of eternity on the Bhakti race. Iskcon – A home which the whole world can live as we identify ourselves as spiritual entities and ultimately foster love for God.

Srila Prabhupada you opened our darkened eyes. Bless us Srila Prabhupada.

Your Servant,

Bhaktin Amudha.

Bhaktin Anika

My dear Srila Prabhupada,

Srila prabhupada, you were born on 1st September, 1896 in Kolkata. You are the founder of ISKCON. You are counted as one of the most prominent Vedic Scholars, translators and teachers of the modern era. You had a very strong love for Lord Krishna. So strong was your love that at the age of 5 years, you single-handedly organized a neighbourhood Ratha Yatra festival for Lord Jagannath.

Our Guru Prabhupada! You are seriously one of the amazing persons. A single old man travelling across the world and making a world famous establishment is not easy task. My Guru, you are the saviour of my life! Showing mercy, you fetched me out of the pool of endless rebirth. You have showered in my life your and Lord Krishna's glorifying blessings. But now is the time I thank you and glorify you with my gratitude.

Vyasa Puja is a special day that we have. We should all be thankful for having Srila Prabhupada as our spiritual guru. He has showered mercy on us instead of all the others who are suffering. Today is his special day. The day when we express gratitude. He does not judge whether you are rich or poor. He just wants your devotion. But sadly on 14th September 1977, he left this materialistic land and went to the spiritual abode. Thus I want to say that having Prabhupada as our guru might be the greatest thing.

Your servant,

Bhaktin Anika, 6th Standard.

Respected Srila Prabhupada,

I offer my heartfelt humble Pranams and respectful Obeissances to the Lotus Feet of His Grace Bhaktivedanta Srila Prabhupada whose feet are no different from the Lotus Feet of Sri Lord Krishna.

Srila Prabhupada, the most benevolent soul ever found on earth, rarest of the rarest Gems, enveloped in abundant richness of glorified Virtues, infused with the power of extensive and expansive knowledge in His mind, harbouring an ocean of pure, divine Nectar of kindness in His heart, with unshakable, most undeterrable faith in LORD KRISHNA as the only force of His life, with every breath of His emanating wisdom, set forth with sheer determination, with ultimate selfless love to mankind, with intense unproclaimed hard work, to establish HEAVEN ON EARTH--THE DIVINE ISKCON, which is not wrong to say as the ninth wonder of the world ,a most essential boon to mankind, providing the most transparent and simplest path of deliverance of the souls to the Abode of The Supreme Personality Of Godhead SRI KRISHNA.

Srila Prabhupada is like the shining Stars in the dark clouds, be it His messages, His teachings, His prolific writings, His kirtans, His noble actions, all are exemplary and unsurpassable. The dark clouds are we the people in the materialistic world wherein Prabhupad is trying to brighten our lives with His divine starry effulgence of Krishna Consciousness. His true teachings are not just an accumulation of knowledge, it was accompanied with awaking of consciousness in the people through successive stages , which unmasks the extraordinary amount of will power and hard work that accompanies it and it also unfolds the divine extensive selfless love of Srila Prabhupad towards delivering the mankind from materialistic miseries and this degree of great unselfishness marks the outstanding, booming success of ISKCON not only in India, but also in the west and across the globe. Secret of unparalleled success of ISKCON is the constancy of its divine purpose.

Spiritual growth takes time for its roots to grow and that requires one to be receptive and patient. By this one can imagine the enormous patience of Srila Prabhupada while establishing this spiritual organisation successfully.

Srila Prabhupada is in eternal Transcendental Bliss always and His kind heart wanted the people to enjoy and relish the spiritual spread of Krishna Consciousness, which helps banish the worldly tensions. His love towards mankind is justifiably comparable to a mother's unalloyed love for children like Yashodha Mayi's love for Krishna.

Through His kindness, He weaved a golden thread wanting to bind the human society together by KRISHNA CONSCIOUSNESS. He always said "ALL LEARNINGS ARE VAIN, EXCEPT TO KNOW HIM [KRISHNA] AND TO SERVE HIM [KRISHNA].

I humbly beg and pray for the mercy and blessings of Srila Prabhupad on me to help me advance spiritually through Krishna Consciousness.

I got associated with ISKCON 6 years back. Basically being religious, I instantly accepted to be a temple visitor, but I had not submitted myself seriously and was also not involved in regular chanting. As fate would have it, destiny struck me with a thundering bolt drowning my children and me in a sea of utmost despair and deep intolerable pain. When I was in the midst of this vast sea of sorrow with my children, drowning ,there appeared a beautiful ,luminous, strong wooden log by name KRISHNA ,which steered us safely and lovingly to the shore of LIFE.

KRISHNA made us get up from fallen state, helped us to stand firmly on our feet, initiated us to walk and now HE is assisting us to climb the steps of progress in life. ISKCON instilled in me a great strength of spirituality which became the sturdy foundation for facing the adversity and successfully motivated me to devotedly take up chanting and reading Srimad Bhagavatham and Bhagavad Gita

'LIFE HOLDS SO MANY SIMPLE BLESSINGS EACH DAY BRINGING ITS OWN INDIVIDUAL WONDERS AND TO ME IT'S ISKCON.

ALL GLORIES TO SRILA PRABHUPADA!

Yours Sincerely,

Bhaktin Anitha

Dear Srila Prabhupada,

Your instructions like :

"Always Remember Krishna Never Forget Krishna"

"Our only business is to love god, not to ask god for necessities of life from God" – are one among the instructions which attracted me.

Today, if at all we are practicing Krishna consciousness, it is because of you. You have inspired us in all walks of life. At the age of 69 with bare minimum money going to a foreign land (USA) and establishing more than 108 temples is nothing

but a miracle and this can happen only with dedication and faith in Supreme Lord Sri Krishna and the spiritual master which you had and showed us how to be dedicated.

When we hear about your past time in ISKCON, it really touches my heart. Everyday I am experiencing your blessings and always pray to you Srila Prabhupada, give me opportunity to serve you throughout my life.

Your servant,

Bhaktin Anitha Shekar.

ಮಹಾ ಭಾರತದ ತಾತ್ಪರ್ಯ ನಿರ್ಣಯ ಮಧ್ಯ ಶಾಸ್ತ್ರ ಇದನೆಲ್ಲ ತಿಳಿದುಕೊಳ್ಳಲು ತುಂಬಾ ಸಹಕರವಾಯಿತು. ಹರಿ ಸರ್ವೋತ್ತಮ ಅನ್ನುವ ಪರಮ ಸತ್ಯ ತಿಳಿದುಕೊಳ್ಳಲು ಸಾಧ್ಯವಾಗಿದೆ ಪ್ರಭುಪಾದರಿಂದ. ನನ್ನ ಎಲ್ಲಾ ಆಧ್ಯಾತ್ಮಿಕ ಸಾಧನೆಗೆ ಮತ್ತು ಸಾಧನೆ ಮಾಡಲು ಪ್ರಭುಪಾದರ ಪುಸ್ತಕ ಮತ್ತು ಹರಿನಾಮ ಸಂಕೀರ್ತನೆಯ ಕಾರಣ ಯಾವ ಜನ್ಮದ ಪುಣ್ಯವೂ ಗೊತ್ತಿಲ್ಲ ಇದೆಲ್ಲ ನನಗೆ ದೊರಕಿತು. ಪ್ರಭುಪಾದರಿಗೆ ನನ್ನ ಭಕ್ತಿ ಪೂರ್ವಕ ಅನಂತ ಅನಂತ ಪ್ರಣಾಮಗಳು.

ಈ ಗುರುವಂದನೆಯಲ್ಲಿ ಇರುವ ತಪ್ಪನ್ನು ಮನ್ನಿಸಿ ನನ್ನ ಆಧ್ಯಾತ್ಮಿಕ ಸಾಧನೆಗೆ ಕೃಷ್ಣನನ್ನು ಪೂಜಿಸಲು ಆಶೀರ್ವಾದಿಸಬೇಕೆಂದು ಕೋರಿಕೊಳ್ಳುತ್ತಿದ್ದೆನೆ ನನ್ನ ಗುರುಗಳಾದ ಪ್ರಭುಪಾದರಲ್ಲಿ

ಪ್ರಭುಪಾದರು ನಮ್ಮ ಜೀವನದಲ್ಲಿ ದಾರಿ ದೀಪವಾಗಿದ್ದಾರೆ. ಅಜ್ಞಾನದ ಕತ್ತಲೆಯಲ್ಲಿ ಮುಳುಗಿ ಹೋಗಿದ್ದ ಜನರನ್ನು ಕೃಷ್ಣ ಪ್ರಜ್ಞೆ ಎಂಬ ಬೆಳಕಿನಿಂದ ಕತ್ತಲೆಯನ್ನು ತೊರೆದಿದ್ದಾರೆ. ನಮ್ಮ ಜೀವನದ ಅಂತಿಮ ಗುರಿ ಏನೆಂಬುದನ್ನು ನಮಗೆ ತಿಳಿಸಿಕೊಟ್ಟಿದ್ದಾರೆ. ಅವರ ಕೊಡುಗೆ ಮಾನವ ಕುಲದಲ್ಲಿ ಅಪಾರವಾದದ್ದು. ತಮ್ಮಲ್ಲಿ ಇರುವ ಎಲ್ಲಾ ಜ್ಞಾನವನ್ನು ಬಳಿಸಿ ಸ್ವಾರ್ಥವಿಲ್ಲದೆ ಎಲ್ಲ ಜನರಿಗೂ ಕೃಷ್ಣ ಪ್ರಜ್ಞೆಯನ್ನು ಅರಿತು ಈ ಭೌತಿಕ ಪ್ರಪಂಚದಿಂದ ಮುಕ್ತಿ ಪಡೆಯಲು ತಮ್ಮ ಜೀವನವನ್ನು ಕೃಷ್ಣನ ಸೇವೆಯಲ್ಲಿ ತೊಡಗಿಸಿಕೊಂಡಿದ್ದಾರೆ. ಹರೇ ಕೃಷ್ಣ ಜಪ ಮಾಡುವುದು, ಭಗವದ್ಗೀತೆ ಓದುವುದು, ಭಗವಂತನ ಸಂಕೀರ್ತನೆ ಮಾಡುವುದು ಹಾಗೂ ನಮ್ಮ ಎಲ್ಲಾ ಚಟುವಟಿಕೆಗಳನ್ನು ಭಗವಂತನಿಗೆ ಅರ್ಪಿಸುವುದೇ ನಮ್ಮ ಜೀವನದ ಮುಖ್ಯ ಮಾರ್ಗ ಎಂಬುದನ್ನು ತಿಳಿಸಿಕೊಟ್ಟಿದ್ದಾರೆ. ಹೀಗೆ ಪ್ರಭುಪಾದರು ಕೃಷ್ಣ ಸೇವೆಯಲ್ಲಿ ಅಪಾರ ಕೊಡುಗೆಯನ್ನು ನೀಡಿದ್ದಾರೆ.

Dear Srila Prabhupada,

Words cannot do justice to describe the greatness of this supersoul! However today being Vyasa Puja I will attempt to pen down few words and express gratitude to my guru his Divine Grace A.C Bhaktivedanta swami Srila Prabhupada from my bottom of my heart.

Way back in 1992 I was lost in this vast world carried away with my daily chores I always wonder I was missing something ; wonder that one thing what was it ? Answer came by Prabhupada; he opened the gateway to world of spirituality, when I happen to visit the old, small model, Bangalore ISKCON temple.

Our society comes with so many notions women must not read Srimad Bhagavatham, one should not keep Srimad Bhagavad gita and Srimad Bhagavatam at home etc...

By establishing International Society for Krishna Consciousness-ISKCON Prabhupada gave answer to all these one by one not just in words but by putting wonderful daily practices such as Tulasi puja ,prasadam, Srimad Bhagavatam and Bhagavad gita classes in the morning and evening. You went ahead and assigned a lady devotee to do alter puja (abroad ISKCON) while her Prabhu went on to distribution of books, allowed ladies to narrate BG sloka which was prohibited earlier from reading! By printing Bhagavad gita as it is and Srimad Bhagavatam in several languages and made it available to all fallen souls like us without any discrimination of caste, creed, gender and nationality;

Oh how merciful you are. You did not shirk out of tell the truth he called a jade a jade when needed he stated a fact Lord Siva and Ganesha are demigod in his books, if one starts worshipping Krishna they need not worship any other demigod. Personally, Initially it was difficult for me to accept Lord Siva and Lord Ganesha as demigod, as I started to read his books and listen to his lecture and other pure devotees lecture and contemplate I could understand.

In this modern age one cannot practically go to forest and perform penance as said in the gita and you have put it simple but powerful practices to be followed at the temple and at home apart from chanting and sankirtan with other devotees to get mercy of lord and return to Godhead which the ultimate goal of every living entity. We are all zero if we put one before us that one and only one “Krishna” we get value.

The secret of life is to perform devotional service. Srila Prabhupada in one of your lecture you say it is only “krishna ekkam” and stop saying “maam ekkam”. A true guru leads us in this materialistic world and also in para loka- Prabhupada you are a gem sent by Krishna to us.

Prabhupad as you said in one of your lecture in Vrindavan November 1976, I quote “ A devotee should always be alert to see his or her time is not wasted. One moment of life cannot be returned in exchange of millions of dollars, even from material point of view; not a single moment you waste without chanting “Hare Krishna Hare Krishna Krishna Krishna Hare Hare Hare Rama Hare Rama Rama Rama Hare Hare “ given by Lord Sri Krsna Caitanya. So let us all simply follow guru vani chant mahamantra and surrender to Krishna and be happy!!

Bhaktin Kausalya Devi

Dear Srila Prabhupada,

Koti pada namaskar.

As years become decade, the Gaudiya Matha went through many changes and political Intrigues, but you Srila Prabhupada continued to hold your spiritual masters Instructions close to your heart. In 1955, at the age of 59, you left your family to accept the renounced order of Sanyasa from your Sanyasa Spiritual Master Srila Bhakti Prajnana Kesava Maharaja following in the footsteps of Sri Chaitanya Mahaprabhu, who had left his family to preach the gospel of Krishna Consciousness.

You landed on the shores of America with two trunks filled with English translations and only forty Indian rupees (Worthless in America) during the subsequent freezing cold and winter months, you lived in around New York City and began preaching to whoever would listen to the teaching and philosophy of Lord Chaitanya, is very inspiring.

In the entire history of preaching, which spans thousands of years back, we find no parallel to the preaching efforts of your divine self. At 70th year in your old age, alone in a foreign country, with no money. It is a wonder.

You repeatedly wrote to your God brother back in India for help. But received little. In spite of no encouragement from your god brothers you still remained faithful to the orders of your spiritual master by trying to educate English speaking people about the Absolute Truth.

Gradually, you began attracting sincere followers among the American youth who were disenchanted with materialistic life. Although most of your followers were entirely ignorant of Vedic Philosophy and educated as followers of Darwinism, which is contrary to Vedic concepts, you were able to attract them by your deep realization and love for God.

Eventually, you incorporated the preaching efforts of yours as the International Society of Krishna Consciousness (ISKCON), and almost single-handed began a worldwide movement.

Aspiring to be engaged in the service of Your Movement,

Yours Servant, Bhaktin Kausalya Devi.

O, my dear revered Guru, Srila Prabhupada, please accept my humble Pranams and please bless me with shudha, sattvika, nishchala, drida "Hari" bhakti.

O my revered guru, I have heard that a Guru's blessings can move mountains, change the course of the sun, can make a dumb to speak, can make the dumbest highly intellectual in spiritual life and find the ultimate truth and the list is endless.

O my dear Lord, I surely know you to be one such saint who alone can uplift a fallen soul like me. So, please shower your grace and mercy upon me. This is the prayer from my heart unto your divine lotus feet.

Dear Srila Prabhupada,

In this generation, it is important for everyone to be informed that they are living in this materialistic world, which is not pure.

Reading BHAGAVAD GITA and Srimad Bhagavatam help's everyone to come out of this world and start a new life spiritually.

The Hare Krishna Maha Mantra to me is like a solution to all my problems and elevates my conscious and increase my confidence. You taught me that nothing is impossible when Krishna is with you.

ISKCON shows the way to connect and express our feeling to the Supreme Personality of Godhead. Srila Prabhupada to me you are solution, inspiration and a teacher who will remain in my life forever.

Dear Srila Prabhupada,

Please accept my humble obeisances.

By your grace I have learnt to see misfortune as a mercy of the Lord & the real definition of profit & loss in this material world.

You are the one who delivers people who are drowning in the vast ocean of material existence & transport them to the shore of the Spiritual world. I am unworthy; your Grace is extending kindness upon me.

I am deeply indebted to you for all your help.

Thanking you.

Your aspiring devotee,

Bhaktin Megha O.

Bhaktin Megha S

Dearest Srila Prabhupada,

On this day of your appearance, I offer my most humble obeisances at your lotus feet.

Always I find myself totally unqualified to glorify your unlimited transcendental qualities and achievements.

Srila Prabhupada, you are that merciful Vaishnava who left Vrindavan in old age to execute your spiritual master's order. You are a true Vaishnava of the highest order. You poured mercy just like rain clouds pour rain on dry earth. You opened spiritual hospital which is widespread today all over the world as ISKCON so that conditioned souls would become enlightened about importance of human life. You are the modern messenger of Bhagavad-Gita.

"I am your spiritual father and Krishna is your spiritual husband". A girl can never forget either her father or her husband This is one of the most captivating quote I have come across. I am so fortunate to have your grace as my spiritual father, most loving and gentle father any child could ask for Srila Prabhupada, it is by your mercy I came to Krishna consciousness.

"Your mercy on us is certainly causeless.

Without the shelter of your lotus feet we are undeniably homeless.

Your awe- inspiring books are genuinely priceless

Yes... Prabhupada life without your guidance is precisely meaningless"

Everyday in this material world we undergo tribulations. Personally by listening to your recorded lectures, I find answers to many of my questions and doubts. Your teachings are solution to all problems and misunderstanding in this world. You are continuing to preach through your books, videos and recorded lectures. Krishna bhakti which you put forth in your books, lectures, conversation for future of all generation is remarkable. You are present in your vani; your books and instructions. You are present still in your pictures and murtis. You live in heart of your sincere devotee. You have touched us all so deeply; we cannot help but remember you.

Due to your purity, your Krishna consciousness movement has continued to expand even after your physical departure. You are perpetual reference point of purity, determination, fearlessness and devotion to Krishna.

Srila Prabhupada, you worked tirelessly to fulfil the mission of Krishna consciousness. Krishna put you into apparent difficulties so that your devotional qualities would be revealed. Now you receive Guru puja all over the world. How pleased Krishna must be because of this. All glories to you Srila Prabhupada! In many ways we feel doubly and triply blessed for despite loss of physical presence, we had association of several shiksha guru' s whose merciful instructions created greater understanding and realization of your writing.

Sublime is your process of chanting

Divine is your way of preaching

Austere is your way of living

My master's humility is ever captivating

My lord' s sympathy is worth describing

For conditioned souls like us your words are inspiring...For us you are everything I lament that although you came from Goloka Vrindavan giving me the sweetest love, compassion and forbearance, I still do not fully belong to you being absorbed in fire of poison of material consciousness, a matchless misfortune.

My only wish is that you will not forget this fallen soul. I pray that I can focus on your humility.

Your insignificant servant

Bhaktin Megha S.

Bhaktin Monisha Dilipa

Dear Prabhupada,

Since I have been coming to your beautiful ISKCON, I have stopped eating meat and unhealthy food like chocolates, cake, biscuit, juice, soda, pizza, burger, ice-cream etc.

I have also started to grow more plants. Now, I have grown a Papaya plant, a watermelon vine, a flower plant and aloevera.

I am eating more and more healthy things especially vegetables and fruits.

Thank you, Prabhupada. By your grace and mercy, this could happen.

Your servant,

Bhaktin Mrudula Hamsini

Dearest Srila Prabhupad,

A good teacher is like a candle...it consumes itself to light the way for others.

What better example can I give of the best teacher and guide than you? Who in his later part of normal life, went about and accepted to preach to the world about Krishna consciousness not for his benefit, but for the benefit of people who were complete strangers to him.

You didn't just teach or explain. You inspired. Not only people from India, but from all over the world. Even though I've never seen you, I never felt your absence. You were always there to guide me through your books and through ISKCON.

Even though I have extremely busy days, just because of your grace, I am connected to Krishna. I have the privilege to attend sankirtan every Sunday. I have the privilege of making garlands for the lord. Attend all festivals and witness abhishekam. Attend pilgrimages and chant the holy name. And most importantly taste extremely delicious prasadam.

In this modern world everything is an illusion. Partying, beautiful dresses, shoes etc. I know the seriousness of every action we do and where it would lead us if we got distracted by these illusions. I also know that I'm a human being and I make mistakes. Thank you, Srila Prabhupad for keeping me away from ignorance.

It is all because of you that I am so privileged to have all that I have, dear Srila Prabhupad. And I can't explain in mere words how thankful I am to you for all that you have done for me and my family.

You held the hands of your followers, opened our minds and touched our hearts.

JAI SRILA PRABHUPADA!

Dear Srila Prabhupada,

Hare Krishna Hare Krishna Krishna Krishna Hare Hare

Hare Rama Hare Rama Rama Rama Hare Hare

I offer my respectful obeisance unto you - Srila Prabhupada for giving me this opportunity to express my gratitude you. This year, I heartfully want to say to you Srila Prabhupada that because of your blessings, I have improved in my practice of Krishna Consciousness. While hearing your lectures, you would always stress on the importance of chanting, which keeps us strong in Krishna Consciousness and you would also say that just by chanting Hare Krishna Maha Mantra, Krishna will take care of you completely. As I can see the reciprocation of the lord in my day to day activities..

I feel blessed and this puts up my courage within me to continue in Krishna Consciousness and participate in everything more actively than before. When I do sankirtan or have prasadam, I feel its nectar and would like to pursue my spiritual life with more enthusiasm.

In colleges when I just see other of my classmates I started understanding the difference between the materialistic life, its enjoyment and the spiritual life and bliss we get by practicing.

Prabhupada, by your grace me and my family members are practicing deity worship, sankirtan in our home and I am also chanting 16 rounds daily.

Srila Prabhupada, thank you so much for everything and I always beg for your mercy upon me, so that I can continue my life in Krishna Consciousness till my last breath.

Your Servant,

Bhaktin Nagashree P

Dear Srila Prabhupada,

I offer my sincere obeisances at your lotus feet.

You have magnanimously bestowed Krishna consciousness with a life time warranty in our life. Just as during your manifest presence on earth, so now after your external disappearance you continue to make Krishna Consciousness work through the community of Vaishnavas.

I am practicing Krishna consciousness from last one year. I have seen drastic changes in my life.

I have experienced the taste of spiritual journey which is everlasting, especially when I participate in sankirtana, dance in front of the Lord and have nice prasadam. By your grace I am able to chant and do some service. Please bless me so that I can serve you. Give me more strength so that I can follow your instructions. Keep me under your shelter so that I can progress in my spiritual life. Now my life is wonderful by your grace.

Thank you Srila Prabhupada.

ಪರಮ ಪೂಜ್ಯ ಶ್ರೀಲ ಪ್ರಭುಪಾದರೇ ನಿಮ್ಮ ಆವಿರ್ಭಾವದ ಈ ಶುಭದಿನದಂದು ನಿಮ್ಮ ಪಾದ ಕಮಲಗಳಲ್ಲಿ ಅರ್ಪಿಸುವ ಗೌರವಪೂರ್ಣವಾದ ನನ್ನ ಪ್ರಣಾಮಗಳನ್ನು ದಯವಿಟ್ಟು ಸ್ವೀಕರಿಸಿ. ತಾವು ಶ್ರೀ ಕೃಷ್ಣನ ಗೋಪ್ಯ ಭಕ್ತರಾಗಿದ್ದು ಅವನಿಂದ ಅಪಾರವಾದ ಶಕ್ತಿಯನ್ನು ಪಡೆದು ಅತ್ಯಂತ ಅಸಂಭವನೀಯ ವ್ಯಕ್ತಿಗಳನ್ನು ಪಾಶ್ಚಾತ್ಯ ದೇಶಗಳ ಭೋಗವಾದಿ ಸಾಂಸ್ಕೃತಿಯ ಸಾವಿರ ಸಾವಿರ ಸಂಖ್ಯೆಯ ಯುವ ಜನರನ್ನು ಶ್ರೀ ಕೃಷ್ಣ ಭಕ್ತರನ್ನಾಗಿ ಪರಿವರ್ತಿಸಿದ ಒಬ್ಬ ಮಹಾಸಾಧಕರಾಗಿದ್ದೀರಿ.

ನಾನು ಶ್ರೀ ಕೃಷ್ಣ ಪ್ರಜ್ಞಾ ಸಂಘಕ್ಕೆ 14 ವರ್ಷದಿಂದ ಬರುತ್ತಿದ್ದೇನೆ ಇಲ್ಲಿಗೆ ಬಂದ ಮೇಲೆ ನನ್ನಲ್ಲಿ ಹಾಗೂ ನನ್ನ ಜೀವನದಲ್ಲಿ ಹಲವು ಬದಲಾವಣೆಯಾಗಿದೆ ನನಗೆ ಮೊದಲು “ಇಸ್ಕಾನ್” ಎಂದರೆ ಏನು ಎಂದು ತಿಳಿದಿರಲಿಲ್ಲ ಇಲ್ಲಿನ ಪ್ರಭುಗಳು ನನಗೆ ಮಹಾಮಂತ್ರ ಅಂದರೆ

ಹರೇ ಕೃಷ್ಣ ಹರೇ ಕೃಷ್ಣ ಕೃಷ್ಣ ಕೃಷ್ಣ ಹರೇ ಹರೇ

ಹರೇ ರಾಮ ಹರೇ ರಾಮ ರಾಮ ರಾಮ ಹರೇ ಹರೇ

ಎಂಬ ಮಹಾಮಂತ್ರವನ್ನು ದಿನಕ್ಕೆ 16 ಬಾರಿ ಜಪಿಸಬೇಕೆಂದು ಹೇಳಿಕೊಟ್ಟರು ಹೀಗೆ ಪ್ರತಿದಿನ ಈ ಮಹಾಮಂತ್ರವನ್ನು ಜಪಿಸುತ್ತ ಜಪಿಸುತ್ತ ಹಾಗೆ ನನ್ನ ಮನಸ್ಸಿನಲ್ಲಿ ಹಲವು ಬದಲಾವಣೆಗಳಾದವು ಹಾಗೆ ಜೀವನದಲ್ಲಿ ಧೈರ್ಯದಿಂದ ಮುಂದೆ ಬಂದಿದ್ದೇನೆ. ನನ್ನ ಜೀವನದಲ್ಲಿ ಶ್ರೀಲ ಪ್ರಭುಪಾದರು ಮತ್ತು ಮಹಾಮಂತ್ರದ ಸಹಾಯದಿಂದ ಮುಂದೆ ಬಂದಿದ್ದೇನೆ ಹಾಗೂ ನಿಮ್ಮ ಪುಸ್ತಕಗಳು ಕೂಡಾ ನಮಗೆ ಮಾರ್ಗದರ್ಶನವನ್ನು ತೋರುತ್ತವೆ. ನೀವು ನಮ್ಮ ಜೊತೆ ಇಲ್ಲದಿದ್ದರೂ ನಿಮ್ಮ ಆಧ್ಯಾತ್ಮಿಕ ಪುಸ್ತಕ ರೂಪದಲ್ಲಿ ನೀವು ಇನ್ನೂ ಸಾಕ್ಷಾತ್ಕಾರಿ ಬೋಧಿಸುತ್ತಿದ್ದೀರಿ ಹೀಗಿವೆ ನೀವು ಕೊಟ್ಟಿರುವ ತತ್ವಗಳು ನಮಗೆ ಆಧ್ಯಾತ್ಮಿಕ ತತ್ವಗಳು ಅರ್ಥವಾಗುತ್ತೋ ಇಲ್ಲವೋ ಅದರೆ ನೀವು ಇನ್ನೊಂದಕ್ಕೆ ಹೋಲಿಸಿ ಕೊಡುವ ಉದಾಹರಣೆಯನ್ನು ಮರೆಯಲಿಕ್ಕೆ ಆಗುವುದಿಲ್ಲ. ಈ ರೀತಿಯಲ್ಲಿ ಬೋಧಿಸಿ ನಮಗೆ ಅರ್ಥವಾದದ್ದನ್ನು ನಮಗೆ ಮರೆಯಲಿಕ್ಕೆ ಆಗುವುದಿಲ್ಲ.

ಶ್ರೀಲ ಪ್ರಭುಪಾದ, ನನ್ನದೊಂದು ಆಸೆ ಇನ್ನು ಹೆಚ್ಚು ಆಧ್ಯಾತ್ಮಿಕ ಸಾಕ್ಷಾತ್ಕಾರ ಮಾಡಿಕೊಳ್ಳುವಂತಾಗಲಿ ಹಾಗೂ ಸೇವೆಯನ್ನು ಮಾಡುವ ಹಾಗೆ ಒಂದು ಅವಕಾಶವನ್ನು ಕೊಡಿ ನಮ್ಮ ಹಿರಿಯ ವೈಷ್ಣವರು ಹೇಳಿದ ಹಾಗೆ ತಿಳಿದುಕೊಂಡು ಹೋಗುವಂತಹ ಗುಣಗಳನ್ನೂ ತಾಳ್ಮೆಯನ್ನೂ ಕೊಡಿ ಇನ್ನೂ ಹೆಚ್ಚಿನ ರೀತಿಯಲ್ಲಿ ಸೇವೆ ಮಾಡಬೇಕೆನ್ನುವ ಹಂಬಲ ನನಗಿದೆ. ಅದಕ್ಕೆ ಮಾರ್ಗದರ್ಶನ ಬೇಕು ದಯವಿಟ್ಟು ಅಂತಹ ಮಾರ್ಗದರ್ಶನವನ್ನು ಕೊಡಿಸಿ ಹೆಚ್ಚು ರೀತಿಯಲ್ಲಿ ನಾನು ಸಾಕ್ಷಾತ್ಕಾರ ಮಾಡಿಕೊಳ್ಳುವಂತಹ ಬುದ್ಧಿಯನ್ನು ಹರಿಸಿ ಮತ್ತು ಕೊನೆಯವರೆಗೂ ನಿಮ್ಮ ಸೇವೆಯನ್ನು ಮಾಡಲು ಒಂದು ಅವಕಾಶವನ್ನು ಕೊಡಿ ಎಂದು ಕೇಳುವ ನಿಮ್ಮ ಅಧಮ ಭಕ್ತೆ.

ಇಂತಿ ನಿಮ್ಮ ದಾಸಿ, ಭಕ್ತೆ ಪ್ರಮೀಳಾ ಬಾಯಿ ಸಾವಂತ್.

Dear Srila Prabhupada,

Please accept my humble obeisance's unto your lotus feet.

On the occasion of your Vyasa Puja I offer this poem to glorify you.

Golden Dawn

Alas, we're drowning deep

In waves of colored hue,

Raging winds and thrashing gale

Doth blight all reason true.

Tongues of fire licking flesh

Hell in all directions bound,

Scores of fallen angels

Bleeding stains upon the ground.

Madness, death and courting friends

Do rule this land below,

The nether regions manifest

Upon unsaintly brow.

No hope, no chance, no remedy

Salvation fled in fear,

Age-old human comedy's

Familiar laughing sneer.

And rows of dead, rising up

To punishment deserved,

Just to fall again to dust

Only mammon served.

Amidst this night of dread and fear

Our mindful Lord did send,

A rare and precious jewel of light

All broken dreams to mend.

Prabhupada -- the Lord's dear wish

To ignite the darkened soul,

Pouring immortal nectar sweet

All cups to overflow.

Our vessels full and lips still moist

Shall we now begin our task,

To spread his mercy everywhere

All souls rejoice at last!

Your servant,

Bhaktin Prathna.

ಗುರುದೇವಾ, ನಿಮ್ಮ 123ನೇ ವರ್ಷದ ಹುಟ್ಟು ಹಬ್ಬದ ಶುಭಾಶಯಗಳು ನಿಮ್ಮ ಪರಮ ಪವಿತ್ರವಾದ ಪದ್ಮ ಪಾದಾರವಿಂದಗಳಿಗೆ ನಮಿಸುತ್ತಾ ಅರ್ಪಿಸುತ್ತಿರುವ ನಿಮಗೆ ಇದೊಂದು ಪುಟ್ಟ ಕವನ.

“ಮರೆಯಲಾಗದು ಗುರುವೇ ನಿಮ್ಮ ಚರಣ ಕಮಲಗಳ”

ನೀವು ತೋರಿದ ಅಧ್ಯಾತ್ಮಿಕ ಜಗತ್ತು ಅದರಲ್ಲಿಡುತ್ತಿರುವೆನು ಅಂಬೆಗಾಲು

ನೂರಾರು ಎಡರು ತೊಡರು ಹಾಕಲಾಗದು ದಾಪುಗಾಲು

ಮಾಯೆಯ ಬಲೆಯಲ್ಲಿ ಸಿಲುಕಿರುವೆವು ನಾವು

ಭವ ಬಂಧನದಿಂದ ಬಿಡಿಸಲು ಬಂದಿರುವ “ದೇವದೂತರು” ನೀವು

ಮರೆಯಲಾಗದು ಗುರುವೇ ನಿಮ್ಮ ಚರಣ ಕಮಲಗಳ.

ಈ ದೇಹ ಶಾಶ್ವತವಲ್ಲ ಇದೊಂದು ಕಳಚಿ ಬಿಡುವ ಅಂಗಿ ಮಾತ್ರ

ಇದರೊಳಗಿದೆ ಆತ್ಮ ಪರಮಾತ್ಮ ಎಂಬ ದಿವ್ಯ ಸೂತ್ರ

ನಾನೇ ಎಂದು ಬೀಗುತ್ತಿದ್ದ ನನಗೆ

ಇದು ನೀನಲ್ಲ ಆತ್ಮ ಪರಮಾತ್ಮರ ಆಟ

ಎಂಬ ಅರಿವು ಮೂಡಿಸಿ ಕಲಿಸಿದಿರಿ ಪಾಠ

ಮರೆಯಲಾಗದು ಗುರುವೇ ನಿಮ್ಮ ಚರಣಕಮಲಗಳ

ದಿನ ಬೆಳಗಾದರೆ ನೂರಾರು ಯೋಚನೆ ಆಸೆ ಆಮಿಷಗಳು

ಕಳೆದು ಹೋಗುತ್ತಿದೆ ಸಮಯ ದಿನಗಳು ವರುಷಗಳು

ಕಾಡುತ್ತಿದೆ ಭಯ, ಸಿಗಬಹುದೇ ನನಗೂ ನಿಮ್ಮ ದಿವ್ಯಸೇವೆಯ ಅವಕಾಶಗಳು

ಕ್ಷಮಿಸಿ ಮನ್ನಿಸಿ ಮುನ್ನಡೆಸಿರಿ ಗುರುವೇ ನಿವೇ ಜನ್ಮ ಜನ್ಮಕೂ ಪರಮ ಪೂಜ್ಯ ಗುರುಗಳು

ಮರೆಯಲಾಗದು ಗುರುವೇ ನಿಮ್ಮ ಚರಣಕಮಲಗಳ

ನೀವು ಶ್ರಮ ಪಟ್ಟು ಬೆಳೆಸಿದಿರಿ “ಇಸ್ಕಾನ್” ಎಂಬ ಭವ್ಯ ಆಲದ ಮರ,

ವಿಶ್ವದೆಲ್ಲೆಡೆ ಹಬ್ಬುತ್ತಲಿದೆ ಹರಿನಾಮದ ಮಧುರ ಸ್ವರ,

ನೀವು ಇನ್ನಿಲ್ಲ ಎಂದಿಲ್ಲ, ನೀವು ಬರೆದ ಪುಸ್ತಕಗಳೇ ನಿಮ್ಮ ಉಸಿರು

ಅದರ ಅಮೃತವನ್ನು ಸವಿದು, ನಮ್ಮ ಬದುಕಾಗಲಿ ಹಸಿರು

ಮರೆಯಲಾಗದು ಗುರುವೇ ನಿಮ್ಮ ಚರಣಕಮಲಗಳ

ಹರಸಿ ಗುರುದೇವಾ, ತಲೆಬಾಗಿ ಬಂದಿರುವೆ ನಿಮ್ಮ ಪಾದಗಳ ಬಳಿ

ಎಂದಿಗೂ ನಾನೆಂಬ ಅಹಂಕಾರ ಬಾರದಿರಲಿ

ನಿಮ್ಮ ಭಕ್ತರ ಸಂಗ ಸದಾ ಎನಗಿರಲಿ

ಹರಿನಾಮದ ಮೇಲೆ ಎನ್ನ ಮನಸಿರಲಿ

ಉಸಿರು, ಉಸಿರೂ ಹರಿ ನಾಮವನ್ನು ಜಪಿಸುತ್ತಿರಲಿ

ಗೋಲೋಕ ವೃಂದಾವನದ ಕನಸು ನನಸಾಗಲಿ

Dear Srila Prabhupada,

Hare Krishna,

My humble obeisance to Srila Prabhupad.

The first time when I came to ISKCON I was attracted by the Prasadam. The delicious tastes made me come there frequently. I had a very good time there, chanting Hare Krishna Mantra, dancing for the melodious songs and also singing for my lord. I felt very happy doing these activities. I thank Prabhupada for all this. He made us realize who we really are; he made the joy come out of this material body. He took us far away from this material world to the special spiritual world of Krishna Consciousness. I thank you so much Prabhupada for showing us the way to happiness which is Krishna. I love the trips being organized at ISKCON and stories about Krishna. Prabhupada I wish I was there with you when you were alive, so that I could have heard many stories about Krishna – My friend, My Lord. I love to be a part of ISKCON as I love the prasadam without onion and garlic as I don’t like them right from my childhood.

So sincerely I would like to say that the prasadam at ISKCON is amazing.

Thank you Prabhupada, take me forward in Krishna Consciousness. “JAI SRILA PRABHUPADA”

Your Sincerely,

Bhaktin Saanvi.R.

Dear Srila Prabhupada,

What can I pen down to u. You know in and out of my soul. I am ignorant and immersed in the materialistic world. I forget the fact that we are in this world on temporary basis. But, indulge in sinful acts. You have come to this world as an oasis in dessert to enlightened souls like me and take them toward Krishna consciousness. Your thoughts and direction has strengthened my love to Krishna and realise the need to be merciful to others.

I am influenced by your life facts and I am trying my best to work towards Krishna consciousness to the best of my abilities.

On this auspicious occasion I wish to express my heart felt gratitude to your lotus feet. I also take this occasion to commit the inner transformation myself and make my surroundings most conducive place to leave with prevailing Krishna consciousness.

Kindly help me guide my children in correctly and help me not to hurt anyone in my life time, knowingly or unknowingly.

I know u will always stay by my side and constantly show me my right path.

Thank you for always being the light when I got lost to pull me on shore from deep Waters of distress and helping me move a step forward to happiness.

Dear Prabhupada,

Please accept my humble obeisance.

I will be eternally grateful to you for showing me the correct path of Krishna Consciousness and guiding me in my life, Without your help I would have been distracted.

Thank you for inspiring me to do devotional service fearlessly in any circumstances of my life.

Thank you Srila Prabhupada, It is because of your blessings i am able to chant Hare Krishna Mahamantra regularly without fail. I am very thankful to you for showering your mercy on me, by which i am able to experience and taste the joy of Krishna consciousness.

Because of my bad deeds i have faced a lot of sufferings. It is through your teachings,you made me understand that, "When there is suffering it is given by Krishna, a devotee does not take sufferings seriously. A devotee thinks,it is the favor of Krishna that he has put me into suffering". That is a devotee's vision.

There were times when i was bewildered and gave up,but you always helped me in every possible way. Because of your unconditional mercy i am able to walk on your principles and trying to be a devotee.

Thank you for always keeping me motivated all through my life and help me understand to always depend on the mercy and favor of lord Krishna, than depending on others.

I request you to always keep enlightening me on the growth of my spiritual advancement.

Hare Krishna.

Your humble servant,

Bhaktin Shilpa Sharma.

Hare Krishna,

My humble obeisances to my Guru Srila Prabhupada.....

First & foremost I bow at the feet of my eternal spiritual master, His Divine Grace AC Bhaktivedanta Swami Prabhupada.

My guru left this world almost forty two years ago, but he has left us with a powerful, relevant message and mantra to go back to Godhead without committing some more Karma, I mean the message of chanting the beautiful 16 words everyday thinking always about the lotus feet of the Lord. How powerful is the message!! We would come to know only after we chant them with full dedication and involvement without thinking about our past, present and future situation which already exists and we are bound to face them. But this powerful mantra has magic in it. It creates calmness and steadiness in our thought to follow the right way.

This message is addressed to you Srila Prabhupad who stood always by me in all my struggles between body, mind & soul. Prabhupada you have shown us the powerful tool "The Books", thank you for giving us the knowledge of these books as they again stand by me and my family always by giving the correct answer to my unanswered questions. Whenever I see you Srila Prabhupada I feel you are still alive because your words are still lingering in our ears through your books full of higher end of knowledge.

Thank you Prabhupada, for being there for me always and my only request to you is please take me forward in the path of "Krishna Consciousness" and help me spread this movement with my fellow mates and my beloved students. Please help

me to be in your service always and give me many, many, many opportunities to serve “MY Lord – KRISHNA” always till I leave this material world – full of miseries, hatred, dishonesty, selfish, poverty, hunger and so many other negative thoughts.

But Srila Prabhupada you are and only you are the guru whom I've seen through many videos spreading the message of Krishna Consciousness even on your death bed.

I thank you for making me a part of Krishna Consciousness and beg you to be in my side and my family's side always and ever.

JAI SRILA PRABHUPADA!! MY GURU!! MY PHILOSOPHER!! MY GUIDE!!

You're sincerely,

Dear Srila Prabhupada,

Srila Prabhupada you were born on 1st Sep 1896 in Calcutta. When you were young itself you use to do Chanting, conduct Ratha yatra and many other spiritual activities.

You're Guru; Srila Bhaktisiddhanta Saraswati Thakur taught you all the teachings of Krishna and asked you to spread it thought out the world. As you had faith in Krishna, you have now established more than 1000 temples of Krishna around the world. Now till today around millions of devotees follow the teachings of you.

I am so fortunate to be as one of the devotees. I feel delighted to be in this Hare Krishna Movement. My birthday gift on 2018 was the most memorable and close to me. It was the “MEMBERSHIP CARD of ISKCON”, I felt as if I became a member of Vaikunta Devotees. That was the unforgettable movement of my life.

I was born in the darkest ignorance, and my spiritual master opened my eyes with the torch of knowledge. I offer my respectful obeisances unto him.

Dear Srila Prabhupada, I first want to thank you for showering abundant blessing on me, that I am able to follow your instructions in any circumstances.

When you started your journey to preach Krishna Consciousness, you were alone. I could feel your immense faith in Lord Krishna and the determination when you had to execute your Guru's instructions, at such an advanced age. You risked your life to bring Lord Chaitanya's sankirtana movement to the entire world and you have succeeded. You have given yourself completely to save fallen souls like me. You have influenced me so much, that inspires me from within to practice Krishna consciousness more firmly.

Realizing that I'm a fallen soul, by your guidance through your books and your repeated instructions on service, I aspire to serve your mission to my best. I humbly request you to give me the strength to follow your orders of chanting 16 rounds of Hare Krishna Maha-mantra attentively and regularly and also strictly follow the four regulative principles.

Yours Servant, Bhaktin Sugandhi.

Dear Prabhupada, you held my hand and brought me to KRISHNA. You taught me a simple Mantra HARE KRISHNA MAHA MANTRA which transformed me slowly from within.

You taught me how to soak into KRISHNA by involving him in everything I do from the time I start my day & end my day. By teaching me how to offer the food before eating, you brought about a dramatic transformation within my family members & made my life Beautiful.

You bestowed me with the privilege of visiting Vrindavan... which I will cherish throughout my life.

Oh Srila Prabhupada, I thank you from the bottom of my heart for showing me a simple path of being with the Supreme Lord & filling my life with Happiness, Good Health, Abundance & Peace of mind.

You are our beloved spiritual master,

After coming to ISKCON we started feeling good in our hearts and felt we are getting closer to Krishna. We are also feeling happy and confident in whatever we do because we trust Krishna is with us now all the times.

We are offering everything to Krishna and doing our actions hence we do not have fear of losing anything material. We trust that whatever happens to us happens for good and Krishna will take care of results for us. All the above understanding is made possible by your wonderful instructions in your books and lectures.

Thanks for showing us the way for real happiness in life.

Causeless mercy, not fortune!

People are unknown about the significance of

Krishna conscious movement and

Association of devotees,

Since they are marked by bad fortune.

But we are bestowed with

Krishna conscious movement and
Association of devotees
But its Not our fortune!

In this land of fools
Came our Master
To shower upon us,
His Matchless mercy.
And we assume this benediction
From our Bonafide spiritual master
As our Own fortune
And hence we are doomed!

I m Now totally convinced that
It was not my unfortune
That drived me to this Unrealistic world
Nor Fortune, that I have begotten you!
It was my Idiocy to leave
And now it's your causeless mercy upon me
to regain the knowledge of eternal nature
Yes and that's very true.

It was my utter stupidity that
I hankered for this Mortal world
Leaving behind the eternal nature
And our beloved Lord Krishna.
But you revered me
From my illusion.
And taught me where
Do I actually belong.

I have acted foolishly once,
But suffering life after life for it.
This life is very precious for me
Since you have Catch hold of me.
I don't want to get more entangled here
Rather become eligible to get out from here.
Kindly bless me such that I don't just read your books

But also inculcate them in my daily life.

It's not my fortune
That would deliver me
From this mire of delusion
In which I m deeply sunk.
Only and only through
Your unflinching Mercy
That this insignificant soul
Will be delivered.

I Admit, and declare to the world

That It's not our fortune

That drive us away

Back to pavilion!

Only through your causeless

Mercy it is feasible.

Therefore with humility

I bow down at your Lotus feet.

Bhaktin Vijetha Srinivas

Dear Srila Prabhupada,

Thank you very much Prabhupada for starting ISKCON. I was just thinking- what attracted me to the Lord and the temple? I have realized that I have witnessed the filthy side of the world due to different experiences in life and found purity in the temple and the devotees this is what attracted me to the temple and to their lordships.

Few months back, I had been to Vrindavan with the devotees; even though the land of Vrindavan has undergone so many modifications with the influence of time and by different people- what I enjoyed most was the association of devotees, listening to past times of the Lord and yummy prasadam. Govardhan parikrama was blissful with sankirtan. We also went to the 'Goshala' in Jaipur, where I was moved by the humble and the selfless service being rendered by the devotees for the cows. We were offered prasadam there. In fact it is in that place, I experienced the mood of vrindavan with cows everywhere. Honoring prasadam there was like a blessing, I never tasted such kind of prasadam till date – as if I was with Krishna in vrindavan.

During the journey, so many thoughts came to me when I was there.....isn't it important to be peaceful, to feel surrendered, to have an understanding that we are controlled and not controllers, to perceive the Lord in every situation and every object we are passing by and most importantly developing complete faith in HIM. I have also realized that during many situations in my life - I was praying and following rules but never developed complete faith in HIM, if I had developed complete faith, then I would not experience anxiety. If it was not you and your special mercy Prabhupada, my life would

have more badly than an insect in drainage. Thank you very much once again for protecting me. I offer my respectful Pranams to you.

Please shower your more special mercy and blessings so that I can develop complete faith in the Lord.

ALL GLORIES TO YOU PRABHUPADA!

cakshur unmilitam yena tasmai sri-gurave namah

I offer my humble obeisance onto your lotus feet. On this special auspicious occasion of your Vyasa puja.

My Dear Srila Prabhupada by your mercy, I have increased my chanting of some extra rounds of Hare Krishna Maha mantra.

Srila Prabhupada this year I attended Summer camp in Iskcon Mysore. I learnt a lot of sloka's from Bhagavad Gita, I learnt bhajans of Krishna and Vrinda Devi.

I am so happy that you blessed me with all this mercy by creating a forum to participate in such camps. Please give me spiritual strength to chant 16 rounds daily and to read your books more and more. I know very well that you are always there with me. I want to completely depend on you and lord Krishna. My only wish and request to you is that, please give me the spiritual strength, special blessings and guidance in the journey of my spiritual Life.

Your Servant,

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet. All glories to you on your most auspicious appearance day!

Almost a year back I wrote my Vyasa Puja Offering verbalizing that I am the most fortunate one for whom you have saved from tantrums of material energy and bought me back to Holy Land of Vrindavan. I did express my frustration over sense gratification of time what I spend here in the west. And that experience with Material energy did lead me to come back home back to Land of Vrindavan. I thought that's it, I am sold to Radha Vrindavan Chandra forever and commitment to serve him in Vrindavan. But it was just a matter of time and congruous circumstance for your unveiling, you had a different plan for me. If we leap through the pages of Roman History, Slaves were sold publicly in the emporium for auction for which they are considered property under Roman law and had no legal personhood. We are all slaves of Material Energy until and unless we chose to be slave of Spiritual Master voluntarily. And the day finally came for my bidding, I was sold to Radha Gopinath the same place(United States of America) from where I departed my other self to render the path of devotional service. Actually, Slave wouldn't be the right word to represent my identity, I would say Puppet; trying to be a puppet. Puppet doesn't have the freedom and power to make any choices. Srila Prabhupada often quotes "O Lord, I am like a puppet in Your hands. So if you have brought me here to dance, then make me dance, make me dance. O Lord, make me dance as You like". My reflection on your quote gave me the vigor to be a component of your transcendental symphony. I did understand that my perfection in life lies on becoming the best among best puppet. I pray to Srila Bhaktisiddhanta Sarasvati Maharaj that give me strength and abilities to be the greatest puppet. As I am inditing this offering from City of Edison, New Jersey, I am deeply thankful and obliged that you chose me through the will of Radha Vrindavan Chandra to serve Dear Radha Gopinath. I am in the same spot from where you commenced your of the peregrination of preaching throughout the world. And New York City is one of the most beloved places of yours, I implore to all Goswamis and Acharays, kindly bless me to be the puppet of His Divine Grace and so that I can carry the instruction and mission for what he called me here.

This year had been quite a cognition curve for me with a quantum of surrender. I saw betrayal, fall down, envy, suffering among my most proximate one. All this experience genuinely made me more vigorous and more sapient. I pray to His Divine Grace, please forgive those souls have knowingly or Unknowingly committed mistakes.

One of your servants for whom you have entrusted me with preaching Krishna Consciousness is enduring adversity throughout his life. From childhood, this soul was the victim of different kleshas. He went from the height of mental agony to physical tribulation. His life is still threatened by lots of enemies which are acting as an agent of Maya Devi. But even after that, his faith in you is unshaken and stronger than ever. All he wished was to serve you but material energy is using her power to the fullest to bewilder and trouble him. I beg of you please guide him and shower your mercy. Only by your intervention and mercy of Gopinath, he can be saved. He's not in a condition to write offering this year but I am pretty sure by the clemency of your grace and Lord Narasimha Deva, he will write next year with utmost jubilation.

Since an animal such as I has surrendered unto You, who are supremely liberated, certainly You will release me from this dangerous position. Indeed, being extremely merciful, You incessantly try to deliver me. By your partial feature as Paramātmā, You are situated in the hearts of all embodied beings. You are celebrated as direct transcendental knowledge, and You are unlimited. I offer my respectful obeisances unto You, the Supreme Personality of Godhead. - SB 8.3.17

As great elephant-like Gajendra who was the king of elephants went for a pleasure trip in the Ritumat Garden in the heavenly Trikuta mountain area. As he was happily sporting there is a lake with his wives and children, suddenly a crocodile caught his leg. He struggled with all his strength to release himself. Even the demigods were astonished to see this unusual fight. Being helpless, unable to save himself from danger, Gajendra was extremely afraid of being killed. In such a predicament, Gajendra introspected that the other elephants, his friends, relatives, and wives could not do anything to rescue him. So, he was inspired to seek the shelter of Lord Krishna. By God's grace, he remembered a prayer that he had memorized in his previous life. Just by Lord mercy, even elephant-like Gajendra could understand the complexity & suffering of this world but I am still so ignorant to understand that fact. All I wish is to seek the shelter of Dear Gopinath and Your Grace, follow your instruction and serve to full potential for the pleasure of Dear Radha Gopinath. As you used to say "If you try to follow my instruction, you will feel that my body is in your presence always."

I am so thankful to you for showering mercy, I was able to witness the beauty of Lord Jagannath, Baladeva & Subhadra from ISKCON Berkeley. From Day 1 of my KC I was hearing about those deities and how they did a miracle in the west and by which the whole world followed it. I was wondering if I would be able to see them in this life but you made it happened.

You have made the design, and we aspire to execute it. It is looking as beautiful as the plan unfurls slowly but steadily. On our own, we are undeserving and not qualified to achieve anything substantial. There is no hope for us apart from begging you and all other devotees to please keep me somehow or other engaged in your service.

Thank you Srila Prabhupada for everything!

Your Fallen Servant,

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet. All glories unto to you.

You are the greatest acharya and you had single-handedly changed the hearts of millions through your teachings. You have made the most sinful beings into vaishnavas just by your association. It is by your causeless mercy that you came to a foreign land and faced so many obstacles just to save the conditioned souls. Your compassion knows no bounds. Just by following the process enunciated by you, a sincere soul can gradually advance and end all the sufferings of this material world.

We heard from your lectures that -

guru-kṛṣṇa-prasāde pāya bhakti-latā-bīja

“By the mercy of Kṛṣṇa and guru, one can get the seed of devotional service”

It is only by your causeless mercy only that I got the seed of devotional service. I do not have even a single qualification to receive this greatest gift. Through your institution, you have given me all the facilities and the suitable environment for the seed of devotion to grow – holy name, association, prasadam, transcendental knowledge, service, most beautiful deities, purpose of life. Staying at the temple has made it easy for me get an opportunity to chant the holy name of the lord and purify myself. Also, you have given me the greatest opportunity to get purified by associating and serving senior devotees who had taken your service as their life and soul. The mercy of the lord in the form of prasadam is also readily available by your causeless mercy. The knowledge you gave us through your books, lectures and senior devotees association illuminates my heart which gets contaminated with the darkness of this material world. It gave a purpose for my life and fills my heart with content and satisfaction that is not available anywhere in this material world. I am also fortunate to have the opportunity to render service unto the institution which is equivalent you. This kind of service is the only way for the conditional soul like myself to acquire and become realized in transcendental knowledge. By your causeless mercy, you have given me the opportunity to have darshan of the most beautiful deities everyday, Sri Sri Radha Gopinath, and engage myself in their personal service. You have kindly initiated me into this greatest Gaudiya Vaishnava Sampradaya and took away all my sinful reactions. Still, there are many conditioned souls suffering in this material world who do not have the opportunity to get in touch with this sublime process of Krishna Consciousness. Kindly, bless me with the service to bring these jivas in contact with you.

Dear Srila Prabhupada,

Please accept my most humble obeisance at your lotus feet on this most auspicious appearance day anniversary of Your Divine Grace.

This day is the most worshipable and auspicious for the entire universe. Just like the Lord's glories are unlimited, your glories are also unlimited. Let me offer my respectful obeisances unto you again and yet again a million times.

On this most auspicious day, my heart and millions of other devotee's hearts are filled only with Praise for Your Divine Grace.

Praise to You, Oh Divine Grace, who is personified Love & Compassion!

Praise to You, Oh Divine Grace, whose gracious smile brightens up this dark and dense material world!

Praise to You, Oh Divine Grace, who humbles our ego and expertly engages fallen souls in an eternal service of Sri Govinda!

Praise to You, Oh Divine Grace, who takes all our sins and silently suffers himself !

Praise to You, Oh Divine Grace, who forgives us for our uncountable offences and loves us unconditionally!

Praise to you, Oh Divine Grace, who never looks for praises and goes on preaching Krishna's name silently.

Praise to You, Oh Divine Grace, who gave firm Spiritual foundation to millions of souls who were otherwise rotting in sinful life!

Praise to You, Oh Divine Grace, who turned Mlecchas to Yavanas!

Praise to You, Oh Divine Grace, who is an eternally liberated soul, nityamukta associate of the Supreme Lord Sri Krishna and takes pleasure in spreading the glories of the Lord in spite of all inconveniences!

Praise, Praise and only Praise to you, Oh Divine Grace, Srila Prabhupada!

This offering of Praise is meant to glorify your Divine grace but how can an unqualified beggar glorify a personality like yourself. My Dear father, Srila Prabhupada, first of all I want to thank you for the wonderful gift of Krishna Consciousness which yourself have blessed me with. Without your glance of mercy, I would have been rotting in the lap of Maya Devi, planning and plotting for a so called better life.

One of the senior Vaishnava in our movement had mentioned in his Vyasa Puja offering last year this below:

“I personally feel the biggest project we all have is to become pure; to become Krishna conscious, where every act of ours is guided by the pure desire to please you and Krishna. I pray for your mercy and blessings so that I aspire and work sincerely for this purity in my thoughts, actions and words.”

Srila Prabhupada, I beg you to bestow me with capability to understand the purity which your Divine Grace explained, preached, demonstrated and desired devotees to imbibe. I have so many weaknesses, primary being, not able to chant attentively. My Dear Father, please bless me to serve the holy name which is our greatest protector. I am extremely thankful to yourself for introducing us to the world of “attentive chanting” through HG MPP. Holy Name is our greatest strength but because I am so weak and dumb, I require and need your mercy to understand and adapt to the strength of Holy Name.

Srila Prabhupada, in my devotional life, yourself and only yourself are my hope, strength, guide, protector, benefactor, and my life and soul. Please, I beg to you my dear father, to continually keep me near your lotus feet. Bless me with service attitude. Bless me with urgency to take forward your mission. Bless me with me situation wherein I can without consideration of time, circumstances, relations, serve you day and night. Bless me with intention to please only and only yourself and Krishna and not my senses. Bless me with knowledge wherein I don't differentiate between Vaishnava's. Bless me with association of genuine devotees. Bless me with utmost attentiveness to serve Holy Name with my life and soul. Bless me with strength to maintain purity in tough situations. Bless me with intelligence to preach Krishna's Glory for your pleasure. Bless me with strength to destroy my laziness and ignorance by the words emanating from your lotus mouth.

My Dear Father, Our most beautiful Sri Radha Gopinath ji and our temple needs your mercy. Please bless all the devotees who have worked very hard till now to serve Their Lordships. After many tests and turbulence, all devotees have regained strength again to serve Sri Radha Gopinath Ji with full determination and dedication. I beg for your mercy to make our mission to preach in NJ/NY most successful through Sri Radha Gopinath Ji. Please give shelter to innumerable souls wandering in this mundane world, especially those who in one way or other have connected to our temple. May Glories of Sri Radha Gopinath Ji reach far and wide! By your divine mercy, may our temple be filled & flooded with thousands of devotees singing your glory and doing loud Sankirtan. Please take away all the obstacles which are roadblock for our temple.

My Dear Father, please allow me to serve and work for Sri Radha Gopinath ji without any constraints. Let me fulfill all the millions of plans and dreams which I have woven inside my heart and mind since last so many years to serve your Divine Grace and your mission. Please be merciful on your unworthy daughter. Please bestow me with a constraint less opportunity, at least once, to serve yourself and Sri Radha Gopinath Ji.

Srila Prabhupada, Thank You for being my guiding light and thank you for accepting my request made last year Vyasa Puja offering. Eternally indebted.

MAY YOUR GLORIES BE SUNG ALL OVER THE THREE WORLDS TILL ETERNITY!!!

Your Insignificant Servant,

Gokula Vasini Devi Dasi

Dear Srila Prabhupada!

Please accept my humble obeisances at Your lotus feet. All glories to Srila Prabhupada!

Srila Gurudev, whenever I read anecdotes from puranas like people who have transformed from being demons to devotees I always used to wonder if it is practically possible or is it just a story.

But my life has been a practical example for me to see how I have transformed before and after Your association.

Last year was the most auspicious year for me as You have given diksha (2nd initiation) to me and gave shelter under Your lotus feet. Even though I was apprehensive to take the leap of faith has changed me a lot.

I always feel humble as You gave me an opportunity to touch their Lordships Sri Sri Radha Gopinath and render personal service to them for which I am indebted to You for many lifetimes if any.

*brahmanda bhramite kona bhagyavan jiva
guru-krishna-prasade paya bhakti-lata-bija*

“According to their karma, all living entities are wandering throughout the entire universe. Some of them are being elevated to the upper planetary systems, and some are going down into the lower planetary systems. Out of many millions of wandering living entities, one who is very fortunate gets an opportunity to associate with a bona fide spiritual master by the grace of Krishna. By the mercy of both Krishna and the spiritual master, such a person receives the seed of the creeper of devotional service.”

Today I was able to realize the mercy You have shown me, otherwise I do not think I would be in this position.

Dear Gurudeva, as per the instruction from HG Chanchalpathi Prabhuji I have read Your Lilamrita and was so inspired by it that I almost felt like I too was travelling with You and I too felt chastised when ever I come across senior devotees in the past are resorting to certain mistakes which I too at times commit. I really want to read and hear Your Lilamrita again and again to constantly be charged and motivated for services.

I am also especially thankful to you for the Saturday Bhagavat Gita calls that you have given me an opportunity to preach to outsiders which constantly motivated me to read and write points of your purports.

How can I forget how you lifted me from so many pitfalls in the guise of good endeavors, I could not have pulled them off without your guidance and direction.

I would feel that it is Your plan to let me go to Sadhu Sanga Retreat where I not only got a wonderful opportunity to meet so many devotees but also, I was able to realize many anarthas piled up in me and the retreat helped me to ponder on those anarthas and come over them. It inspired me to take up sadhana sheet filling and seek help from mentors.

So, on the most auspicious day of Your appearance I beg that You please accept this offering as a humble attempt to somehow or other reciprocate with Your causeless mercy. Furthermore, I beg that You kindly remove the ignorance that is presently covering me so that I can properly receive and follow Your divine light of instruction and try and serve Your lotus feet with ever-increasing purity, love and devotion.

Your humble servant, Kalyana Keerthi Dasa.

Kanchan Rupa Devi Dasi

My dear Srila Prabhupada,

Please accept my loving, humble obeisances and gratitude on this most auspicious day of the appearance of Your Divine Grace.

I consider myself most fortunate to be given this opportunity to express my gratitude to you in writing. Everyday, ever since I came in contact with you, there are miracles helping me, protecting me and guided me. I know, it is you, who is mysteriously working behind these and conspiring to bring me closer to Radha Gopinath.

In May 2014, I came across a few lectures of Iskcon Bangalore online. In one of the lectures, Prabhuji was talking about your explanation of how Lord Krishna is non-different from His Name, that Krishna's name is no less powerful than Krishna Himself.

In October 2014, I experienced the power of the Hare Krishna Mahamantra, when I was caught in gas leak fire explosion. The entire building blew up in this explosion and I was thrown outside onto the grass, wailing and writhing in pain, shouting for help, but there was no human insight to seek help from. By this time, my entire legs were engulfed in fire from all sides and it was quickly spreading to my upper body. At that moment I realized that I was going to die. I stopped crying for help and instead chanted Hare Krishna Hare Krishna, Krishna Krishna Hare Hare, Hare Rama Hare Rama, Rama Rama Hare Hare. This was the first time I had actually chanted the Mahamantra. And I heard a voice from behind asking me to "roll on the ground". I rolled on the ground and the fire was put out. I was taken to the best hospital on Earth for burn injuries. There, the best surgeons available were not sure if I would be able to walk again as the burn injuries were third degree and fourth degree. They had also suggested that if the injuries got infected, they might have to amputate my legs.

I had just experienced the power of the Mahamantra, and thus had no fear of the doctors' suggestions. I only asked my sister to play the Mahamantra in your voice on the app. It played 24 hours a day for all 30 days of my hospital stay, it played even during the vast and long surgeries. And my father and mother also chanted Hare Krishna mantra outside the operation theater.

It's been five years now, and here I am fully recovered with no pain at all and writing this testimony as a humble offering to you. It is only by your mercy, that I am alive today and have been given another chance to perfect myself.

It is only by your grace that I can walk and when my doctors see me they call me a 'walking miracle of God'. It is only by your mercy that I am able to stand on my feet for 12-13 hour work shifts at work as a pharmacist. My patients tell me that, "seeing me alive after this horrific fire incident, walking on my feet, restores their own Faith in God."

In September 2018, by your Grace, I got initiated at NJ Radha Gopinath temple. Also, on that day, the deities of Gaur Nitai came to live with me at my home. With your grace, I have been following all regulative principles and chanting 16 or more rounds every day.

Today, I don't know of anything else to ask for except prayer to you dear Srila Prabhupada, to please convey my gratitude for everything to Krishna.

Your sincere disciple,

Kanchan Rupa Devi Dasi.

Nitya Tarangini Devi Dasi

My dear Srila Prabhupada

Thank you for being so kind and empathetic to me for accepting me as your disciple.

Your authorized Bhagavad Gita teachings have given a new direction to my personal and spiritual life. Otherwise I would have been roaming around in this material world without any goal. I could have never recognized the position of Lord Krishna as the supreme personality of godhead amidst crores of demigods. But because of your causeless mercy I have attained the correct consciousness. My door for back to godhead might opening because of your blessings. Hope that you always guide me and give me enough strength to serve Radha Gopinath Ji and yourself very very appropriately.

Thank you

Your Insignificant Servant,

Nitya Tarangini Devi Dasi.

Shudh Sattva Das

My Dear Guru Maharaj,

Please accept my humble obeisances to your lotus feet which abode of fallen souls like me! The fallen person like me has no other shelter other than you.

Krishna Consciousness or Hare Krishna is the term which is now known to many people in the world. This term Krishna Consciousness is not an ordinary word but actually, its synonym of Lord Krishna Chaitanya. Krishna referring to the Supreme Personality of Godhead and Chaitanya refers to consciousness, and this integrated together becomes Krishna Chaitanya or Krishna Consciousness. This simple term has taken 9 years for me to understand the literal meaning of this term. I am not sure how many lifetimes it will take for me to understand this mission of Krishna consciousness.

You have made Lord Chaitanya world-famous. The movement Krishna Consciousness is not just an English term but it is actually an incarnation of Mahaprabhu. Krishna Chaitanya term is now more commonly in English is known as Krishna Consciousness. This all has been possible because of you. Just like Sachi-Devi and Jaganatha Misra brought Lord Chaitanya to Navadvipa, Bengal. Similarly, you have brought Lord Krishna Chaitanya in the western world.

It is true the Lord Chaitanya has distributed the holy name of Krishna in the Bharat-Varsha, But you took the names of Lord Chaitanya outside India and established his mission all over the globe. Chaitanya Mahaprabhu distributed names of Krishna and you distributed Lord Chaitanya. And where ever Mahaprabhu go his mission will go.

gaura ye visala nama sei nama gau;

anya saba nama-mahatmya sei name pau

"The most powerful names of God are the names of the most merciful incarnation of God, who is known as Lord Gauranga. The glories and power of all the other names of God are completely present in the Names of Lord Sri Gauranga Mahaprabhu and thus They should be constantly chanted."

Mahaprabhu inaugurated this mission of Hari Nama Sankirtana in this earth planet 500 years ago. We can now see how the execution part of this Sankirtana movement was given to you. This can help us to understand your exalted position of yours. Such an important mission cannot be given to any ordinary person. Your confidential position is not revealed to me, please provide me enough knowledge to understand your exalted position. This knowledge can only take me out of ignorance and material nescience.

I do not have any qualification to become your disciple but still, you have accepted me your disciple. After becoming your disciple I do see your hand in protecting me from various turmoil of life.

This year a lot of things happened and still happening in my life. You have always stated padam padam yad vipidam. This is fact is getting more evident with time. The more desire and hankering we create more problems we invite. I can understand that whatever situation I have faced or facing is because of my Karma and desires but you have been always guiding me as the Chaitya Guru. I request you to please guide my life so that I can serve you and your mission with the proper spirit. Help me to make the right decisions which can lead to Krishna Prema, without your mercy I have no hope.

saṁsāra-dāvānala-liḍha-loka-

trāṇāya kārūṇya-ghanāghanatvam

These verses by Vishvanath Chakravarti Thakur is actually being experienced by me in this phase of my life. Your words or any acharya words is actually Vedavakya but my mind is so contaminated that I have still have not full faith in your word. When will I receive unflinching faith to you? As this faith is the only way to receive transcendental knowledge. As it is mentioned in the Upanishad

yasya deve parā bhaktir, yathā deve tathā gurau

tasyaite kathitā hy arthāḥ, prakāśante mahātmanah

"Only unto one who has unflinching devotion to the Lord and to the spiritual master does transcendental knowledge become automatically revealed."

All the knowledge you have revealed to understand the purpose of this life but due to my bad habits, various diseases and weeds have made a home in my heart. Many of the diseases I might not be aware of taking place in my heart. The weeds in our hearts are stopping me to progress in the path of obtaining pure love for Guru and Krishna. Hence request to please provide me with enough strength to fight against all the diseases and to pluck out all the weeds from my heart. This all can only be provided alone by Guru Bala. I have learned that you are representing Balaram which provide all the required strength to serve Krishna. Hence you are the only hope with which we can receive enough strength to make our hearts pure with which we can serve Krishna.

I being a disciple of such an esteemed personality would like to do something for your mission so that I can win your heart. Hence request you to please keep me at the shelter of your lotus feet. I would like to accept that I am the most fallen soul of the entire universe but you still have accepted me your disciple. I am waiting for when I will be able to get out of this material habits and request you to please do not delay. You are the savior of not only me but for the entire universe. You have saved your disciple every time from dangerous situations and miseries. I being a low born sinful person does not have the ability to understand your position and might have committed offenses against you. I am begging for the forgiveness of all the mistakes.

Dear Srila Prabhupada,

Dandavat Pranams at your divine lotus feet. Jai Nitai Gauranga!

On this auspicious day of your appearance, I request you to continue your mercy on fallen solus like me to overcome all obstacles in spiritual life, I know there will be so many challenges to overcome in spiritual life, but by your mercy, it is possible, You give us strength and determination to overcome all obstacles in Krsna consciousness. You definitely make it easy in Krsna Consciousness.

My dear Prabhupada, last year (2018) we had to move from Edison, NJ to Richmond,VA. So we are missing the services of Sri Radha Gopinath and also missing association of all our devotees. So we are missing the temple services and association of devotees. I will be joining the services when I get a chance. Of course we are not sure what is Krishna's plan, but we are eagerly waiting to come back to Edison, NJ. Dear Prabhupada this is only my sincere prayer is to come back and continue the services.

My dear Prabhupada, We are always thankful to you for giving us such a wonderful Krishna Conscious life and we ever indebted to you. You are always removing obstacles and make my patch clear in spiritual life, once again.

Your insignificant servant,

Vedasaara Dasa.

Dear Srila Prabhupada,

*“om ajnana-timirandhasya jnananjana-salakaya
caksur unmilitam yena tasmai sri-gurave namah”*

I was born in the darkest ignorance, and my spiritual master opened my eyes with the torch of knowledge. I offer my respectful obeisances unto him.

Please accept my humble obeisances. All glories to you Srila Prabhupada.

Prabhupada, my dear spiritual master by your grace & mercy I'm able to follow regulative principles & chanting 16 rounds. By the guidance of devotees I'm attending Bhagavatham, Bhagavad gita classes & practicing Krishna consciousness. Our family is fortunate enough to have association with your devotees, without your guidance we would not have understood the real purpose of life, we were dwelling in Maya like other materialistic person. By your mercy you have showed us the way to Vaikunta loka, how to practice Vaishnava principles by offering food to the lord, chanting the holy name, worshiping Tulasi & reading your divine books (Bhagavad Gita & Srimad Bhagavatham).

Prabhupada, I have completed reading Nectar of instructions, Easy journey to other planets, KC topmost yoga system, Perfect questions & perfect answers, Krishna the reservoir of pleasure, Science of self-realization, Srila Prabhupad Lilamrta, Srimad Bhagavatham. Currently I'm reading Bhagavatam Sixth Canto, each time when I read your books especially Srimad Bhagavatam I feel so much confidence in me. I got tears when I read the Lilamrta by hearing your struggle you have undergone to propagate Krishna conscious throughout the world at the age of 70.

Prabhupada, Even though after reading your books & instructions I have so many anarthas in me, sometimes I'm getting too much anxiety, anger & I'm lacking enthusiasm in doing service. Please show your mercy to wipe out all my anarthas. My dear spiritual master we are alone here at Chicago with no association & finding difficult with family to get along with society. Please show your causeless mercy to use us as your instruments in your mission.

Your insignificant servant,

Vidvan Chaitanya Dasa.

Dear Srila Prabhupada,

Please accept my most humble obeisances at your lotus feet on this most auspicious appearance day anniversary of Your Divine Grace.

I don't have any words to express my Gratitude for all that you have done to mankind by bringing the Hare Krishna movement to the western world which has sown the seeds of Krishna consciousness in many barren hearts like mine.

Far from our motherland, it is through your established ISKCON centers that our kids are getting values and ideas about Indian culture and Ethics and thus laying foundation for the spiritual knowledge at their very early childhood age.

Personally my Krishna consciousness journey began last year when I visited Radha Gopinath Temple, NJ when my twins turned 5. Then when they attended Gurukul, I had an opportunity to listen to lectures on various spiritual topics and also got to eat sumptuous prasadam.

Gradually I got associated with various activities and events organized at the temple. Eventually I started attending the Bhagavad Gita conference calls discussing the texts and purports from your book Bhagavad-Gita As It Is. It has definitely opened a door to the ocean of spiritual knowledge which I didn't know existed till then.

Then joined Japa WhatsApp group to record my chanting where I got inspired to chant from 1 round to at least 4-8 rounds with in few weeks. Recently joining the Soulful Japa telegram group is helping me with tips on how to chant attentively.

From an ordinary person with some devotion to God, You through your disciples, have awakened the spirit of Krishna consciousness in me.

Kindly always keep me at your lotus feet and bless me with opportunities to serve you forever.

Your Humble servant,

Bhaktin Shilpa.

My dear Srila Prabhupada,

Please accept my humble obeisance. All glories to you!

Srila Prabhupada, please allow me to wish you a very Happy Divine Appearance Day, because this is the auspicious day when your transcendental appearance took place with a mission to fulfill the prophecy of Lord Sri Chaitanya Mahaprabhu

prithvī te āche yate nagar ādi grām sarvatre pracher haibe more nāma

Honestly speaking when I remembered and contemplated on the above verse, my pride got boosted up that I am a disciple of that spiritual master who has distributed this Holy name throughout the world, who is none other than you my dear lord.

My dear lord you are an unlimited source for inspiration for all us in all fields of devotional service to Krishna, whether it is temple cleaning or managing the whole temple, cooking for the lord or going out for book distribution and preaching, you are expert in everything. Your unparalleled compassion for all of us, your love for us, your assurance of Lord's protection to us and delivering us, I feel so safe, peaceful and happy.

Another thing which I have liked very much is your bold and uncompromising preaching backed up with humility and patience, and of course Your staunch faith in Krishna. And you know, as a devotional practitioner I need that a lot. I want to get out of all my weaknesses, impurities and inhibitions which are standing as stumbling blocks in my attachment, love and devotion towards you and Krishna. For that process,

I need to be bold while fighting all my anarthas.

I should be uncompromising when it comes to follow your principles.

I want to stay humble always to my authorities.

And, finally, Avaśya rakṣibe kṛṣṇa vivaśa-pālana, this faith that Krishna will always protect me, help me and guide me in all situations I come across.

This all can happen only by your wish. My dear lord please bless this soul who is aspiring to become your eternal servant. Then only my stubborn heart can understand the Love of Krishna.

Thank you Srila Prabhupada for everything you have given to me. In this material world you have given me best of the friends, best of the mentors, best of the place, best of the books and yes, how can I miss it, best of the food (prasadam).

I don't know how to repay you for your, these transcendental gifts to me. I can only ask for your causeless blessings. Please bless me so that my attachment and my feelings for you, for your instructions and for your service grows always, so that I do not compromise at any time place or circumstance, in my efforts to render honest and tangible services to you.

Your aspiring servant,

Achintya Gauranga Dasa.

Achintya Govinda Dasa

Dear Srila Prabhupada.

Please accept my humble obeisance. All glories to Srila Prabhupada.

All glories to you on this auspicious day of your Vyasapuja.

Your causeless mercy has bestowed upon me one more year of soothing shelter than previous year with lots of services & this milestone reminds, how much I am indebted to you & demands a sincere trial to follow your instructions.

Your instructions are like a launch pad for elevating one's consciousness. If one follows sincerely the instructions given by the pure devotee spiritual master, then one is sure to attain perfection.

Also it is only possible by your mercy that one becomes very serious and sincere to follow your instructions.

Please bestow your mercy upon me so that I can chant 16 rounds with utmost sincerity and attentiveness.

Please bestow your mercy upon me so that I can read your books with absorption every day.

Please bestow your mercy upon me so that I can follow regulative principles with seriousness.

Please bestow your mercy upon me so that I can attend mangla arati everyday.

Please bestow your mercy so that I can retain the value of Vaisnava association throughout my life.

Your above instructions like, chanting 16 rounds daily without fail, following four regulative principles and reading your books daily are the very basics for experiencing spiritual life and purifying the consciousness.

I'm starting folk services in Noida from scratch and I'm able to see the reciprocation from your side as things are relatively becoming easy. I've very less enthusiasm for again starting everything. Though I think that I am capable by Krishna's grace to do things nicely, but I lack enthusiasm by coming into the trap of mind of comparisons and other similar traps of Maya.

Please give me mercy so that I can follow your instructions and satisfy you.

Your eternal servant,

Achintya Govinda Dasa.

Mukam karoti vacalam, pangum langayate girim, Yat kripa tam aham vande sri gurum dina tarinam

Om ajnana timirandhasya jnananjana salakaya, Caksur unmilitam yena tasmai sri guruve namah

Dear Srila Prabhupada,

All glories unto your divine lotus feet. Your mercy has been flowing over and above with more vigour and valour. With every passing day in the service of the Lord, our level of understanding of Supreme Absolute Truth is increasing, with newer and newer revelation coming into our heart.

You have explained us:

Sri Krishna namadi na bhaved grahyam indriyayi sevan mukhe

hi jihvadhau svayam eva sphurati adhah

The Supreme Lord Sri Krishna who cannot be perceived by our present blunt senses, who is aprakatyā, adhoksaja, but He can be understood only when He is pleased by our devotional service starting with the vibration of our tongue – chanting of His Holy name.

You have explained that we are servants of Lord Krishna, but currently due to our diseased condition, we have forgotten our service. But by Your Divine Grace's authority system, which you have set in this material world for executing the mission of Lord Chaitanya's movement, we are getting an understanding to how to render same service to same Supreme Lord, master of the whole universe.

By your grace, we are getting newer and different ideas of engaging jivas in the service of the Lord in this material world where forgetfulness is all over. I pray that you continue to shower your blessings upon us so that we can engage more & more jivas in the service of the Lord Krishna.

Lord Chaitanya has told that anyone, anywhere can take advantage of elevating his consciousness, if he carefully chants the Holy name and hear's Krishna Katha, then his material disease will get cured. So in this regard the activities which you have so mercifully described in Krishna Book, is a big revelation of Supreme Godhead Sri Krishna which can make even an impersonalist get transformed into personalist and believer of the person God. In the present day society God, as an impersonal figure with no distinct attributes is very much prevalent, but by your Divine Grace presence in the form of your books, your teachings, this mire of illusion can be easily overcome.

By your Divine mercy you have given me an opportunity of devotional life, but I sincerely beg that please shower your blessings upon me so that I can properly manage whatever you have given me with be it any service or my personal sadhana. Please Prabhupada keep me constantly engaged in service of your Lotus Feet and guide me so that I may overcome all challenges especially with my mind, so that I can do service for your pleasure.

I beg that I can always follow your Divine instructions throughout my life with full enthusiasm so that I can enter into the factual real world of serving the divine couple Sri Sri Radha and Krishna in Their Supreme Abode Goloka Vrindavana.

Your eternal servant,

Amrita Govinda Dasa

Bhava Tarini Devi Dasi

Dear Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet.

All glories to you on this most auspicious day of your 123rd divine appearance.

Lord Krishna appeared 5000 years ago and gave the divine instructions in the Bhagavad Gita on bhakti for all the human beings, but due to our limited understanding we could not follow those instructions and after seeing that condition, Lord Chaitanya appeared 500 years ago to show us by his own example, how to follow the instructions given by Lord Krishna in the Bhagavad Gita.

Lord Chaitanya explained the six principles of surrender (*sad-anga saranagti*) to Srila Sanatana Goswami which are very beautifully and elaborately explained by You in Chaitanya Charitamrita. These six principles of surrender were also exhibited by You in the entire lila You did in this material world, so that the fallen souls like us can see and learn from his footsteps.

The first principle of surrender is humility, which was always seen in all the interaction of yours with devotees, acquaintances and reporters. One such incident which I remember after reading the recollection of devotees, was in Chicago in 1974 during a meeting with reporters and guests. One reporter asked a question as to why is that you were not sitting on this big Vyasasana and preferred to sit on this low cushioned seat. You, in your transcendental way, smiled, very lovingly, very caringly as if the reporter was your daughter, said, "Because if I sit on this big Vyasasana then you will not like it. So I'm sitting on this low cushion."

There is one more lila of Srila Prabhupada which teaches us how to be completely dependent on Krishna and do our daily sadhana and service irrespective of whatever mental or physical pain or disturbances we are going through. It was in October 1975 in Mauritius when Srila Prabhupada along with 2 more devotees met with a severe car accident, after this accident Srila Prabhupada was calm and was chanting the holy name, and he asked the devotees to take him to his residence in Mauritius. Srila Prabhupada had injuries on his leg. He told one devotee to make turmeric and lye paste and applied it over the places where he had pain. Then Srila Prabhupada asks the devotees to have kirtan and asks one devotee to read something from the books. The devotee takes Chaitanya Caritamrita and simply opened the book and started reading the pastime of the disappearance of Haridas Thakura. The other two devotees who had been with Prabhupada were really sore and were hobbling around the next morning, but Srila Prabhupada took his routine morning walk as if nothing had happened. And the other two devotees looked at each other and commented how resilient Srila Prabhupada is, compared to them.

Srila Prabhupada, please show your causeless mercy on this fallen soul, so that I can follow the teachings given by you and also to become undisturbed by whatever mental or physical disturbances comes in life never to leave the service of your divine lotus feet and please engage this fallen soul in your preaching mission.

As we daily sing in mangala aritika that this material world is like a forest fire and only by the rain pouring from clouds can extinguish that fire. Similarly, only by the mercy rain of the spiritual master the blazing fire of material existence can be extinguished. Please Srila Prabhupada shower your causeless mercy rain on this fallen soul and please engage me in your service life after life.

Your fallen servant,

Bhava Tarini Devi Dasi.

Bhurijana Dasa

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to Srila Prabhupada!

In this world, people are attracted to so many personalities like rich personalities, film stars, and politicians. They get motivation by hearing them and following in their footsteps. Even lots of speakers narrate the stories of such materially successful people. Similarly, Prabhupada you are the source of inspiration for us, you have thought us so many lessons from your life. For you there is no need of following the rules and regulations because you are a liberated soul still you have strictly observed those principles just for teaching us. If anyone is attracted by your personality, definitely he will attain his eternal constitutional position as the servant of Krishna. People who are attracted by materially famous personalities they couldn't able to see, that death will take away everything from his life whatever he has attained through his hard endeavor.

This material world is a blazing fire. Anything can happen at any moment, there is no certainty of anything. This is creating anxiety in the minds of people. Just as a cloud pours water on a forest fire to extinguish it, so your mercy delivers the materially afflicted world by extinguishing the blazing fire of material existence. Your mercy falls upon the devotee in the form of knowledge and renunciation. People are so much attached to their possessions, that's why they are always in fear of losing it. The knowledge given by you cuts all the knots of attachment from our heart and that makes us free from material anxiety.

Prabhupada only a pure devotee like you can answer the most complicated and difficult questions of life in a very simple way so that less intelligent persons like me can understand. We have heard so many people but your words are transcendental because it touches the heart and soul, due to which all our lives got transformed. You have glorified Krishna in your book so beautifully that even atheists also relish the nectar of glories of Krishna's pastimes.

I beg your mercy Prabhupada, kindly engage me in your service because that's the only way to come out of this blazing fire of material existence and attain the lotus feet of Krishna. Kindly bless me so that I can please the Vaishnavas by rendering

service unto them. Kindly forgive me for my offenses at the lotus feet of yours. I beg from you my master, in any circumstances do not leave my hand, there is no shelter in the entire universe that can protect me from Maya. I am your weakest child and most fallen servant and you are patita pavana, shelter of the fallen soul. So, kindly give me spiritual strength to follow your instructions.

Your most fallen servant,

Bhurijana Dasa.

Dharadhar Dasa

Dear Srila Prabhupada,

All glories unto you. I was born in the darkest of ignorance and remained in darkness unless you introduced me to Krishna and put me on the spiritual path and made me Krishna consciousness.

You are the ocean of mercy who has also bestowed mercy on a sin personified creature like me.

You created the temples i.e. “the spiritual institutions“which are like sun the moon simultaneously. They are like the sun because :

- * They keep the Jiva close to Krishna (i.e. the sun) and drives away from Maya (i.e. darkness), and
- * Drive them from darkness of ignorance to the light of knowledge

They are like the moon because :

- * They give light to a jiva in this dark material world so that they can move on the correct path
- * They give soothing experience to a devotee where he can perform spiritual activities viz. Attending Mangala arti, take Krishna prasadam, Chant hare Krishna, attend kirtan, hear to Bhagavatam class. All these “angas’ of devotional service are like nectar to the soul.

Temples provide the most important thing to soul i.e. sadhu sanga which is the essence of the Shastra –“sadhu sanga sadhu sanga sarva shastra kohe , lav matra sadhu sanga sarva siddhhi hoye”.

As we grow in Krishna Consciousness Maya becomes more stringent and allures a devotee more to bring him down and at sometimes one feels weak in front of senses which are like venomous serpents. But my dear lord, Prabhupada you say “There are no stumbling blocks in the devotional path and I can drive them away with my one kick”. Such promising words give me strength again and I Continue my devotional service again with full-fledged enthusiasm.

Dear Prabhupada, if you were not there what would have happened to me, I would have continued gratifying my senses to their full capacity and would have degraded to lowest hellish planets where severe punishments would be waiting for me but Prabhupada you saved me and I will remain indebted to you eternally. Now also my activities are like, that I should suffer severely in hell but by your grace Prabhupada I am saved every time and you although not being present physically but you are always there with me to guide me and protect me.

You gave the world Krishna in the form of Nama Prabhu, (Hare Krishna Hare Krishna Krishna Krishna Hare Hare Hare Rama Hare Rama Rama Rama Hare Hare) and Showering the Mercy Like clouds to the “samsara davanala”, the material world which is like burning forest.

You are the “*commander –in–chief*” of the Chaitanya Mahaprabhu’s army which is on a mission of flooding this universe with Krishna Prema and delivering all the fallen conditioned souls.

I beg to you Shrla Prabhupada please continue your blessing upon me and bless me so that I can render some meaningful service to you and to your mission.

Begging to remain as your eternal servant, Dharadhar Dasa.

Hiranmaya Chaitanya Dasa

Dear Srila Prabhupada,

Please accept my humble and respectful obeisances unto your divine lotus feet. All glories to your divine grace.

As a part of Vyasa-Puja ceremony, the disciple offers a homage and tries to glorify his spiritual master. Hearing the glorification of the spiritual master has the same effect as hearing the glorification of Krishna.

Uttamaśloka-guṇānuvādāt. The word uttamaśloka means "one who is famous as the best of those who are good." The Lord is good in all circumstances. That is His natural reputation. His goodness is unlimited, and He uses it unlimitedly. A devotee is also sometimes described as uttamaśloka, meaning that he is eager to glorify the Supreme Personality of Godhead or the Lord's devotees. Glorifying the Lord and glorifying the Lord's devotees are the same (Srimad Bhagavatam-10:1:69)

There are two Kinds of Living Entity, Nitya-Baddha and Nitya-Siddha. Nitya-baddha means ever-conditioned. Ever-conditioned means those who are in this material world, they do not know when they came in touch with this material world. Neither they do know when they will be liberated. They are called Nitya-baddha, ever-conditioned. And similarly, there are Nitya-Siddhas. Nitya-Siddhas means they never come in contact with this material world, and even they come here for some business, they do not forget their position. That is Nitya-Siddha. Try to understand. There are two kinds of living entities: Nitya-Siddha, Nitya-baddha. Nitya-Baddhas are within this material world. Beginning from Brahmā down to a small ant, insignificant ant, they are all Nitya-Baddhas. Anyone who is in this material world—Nitya-Baddha. And Nitya-Siddhas, they belong to the spiritual world. They never come in contact with this material world, and even they come for some business under the order of the Supreme Lord, they do not touch these material qualities They remain always transcendental. As Kṛṣṇa remains always transcendental, even though He is in this material world, similarly, Kṛṣṇa's Nitya-Siddha associates, they are also transcendental. They never touch this material world. (Lecture on Bhagavad-Gita---1:13-14).

Your Divine Grace you once said, “Why don’t you read my books? Even I read them when I have spare time. Why do you think I read them? Do you think that these books were written by me? No! They were written by Kṛṣṇa. That’s why I read them. Every time when I start writing, Kṛṣṇa comes and sits beside me. He inspires each and every word that I write down. These books are not ordinary writings! This is transcendental literature!”

With reference to the above quotes, any sane man can understand your divine position. As Lord is eternal and his activities are also eternal, similarly a pure representative of Krishna is also eternal and his activities are also transcendental and eternal, and a person situated on such a platform and have an intimate relationship with Krishna only can distribute transcendental Love of Krishna without seeing any pre-qualifications.

Faith and conviction you had on Krishna was extraordinary, seeing your boldness while preaching the message of Krishna, I get amazed. Sometimes while preaching we compromise and try to adjust our talk as per the audience and finally fail to do justice with our own Service.

Prabhupada we find in one of the conversation about your presence after departure your physical body. You said: - “I will never die. I will continue to live in my books.” Your Instruction and books are wonderful- So simple and sublime, without them this world has no meaning.

You are always present in your books, you changed the entire world when you were physically present and continuing to do through your books. “Books are the Basis”, Prabhupada please give me strength so that I can connect more & more souls directly to you. It’s not possible with our tiny endeavour to change someone’s heart but you are pure representative to Krishna, if you wish to deliver Krishna to someone you can do that. Person who have Krishna only can deliver Krishna to others, by own efforts and endeavours it is not possible.

I am ever grateful to you that you have chosen me to become an instrument in your divine hand to deliver your message. Your divine grace I find ample opportunity to preach your divine message in the land where you started this movement

“League of Devotee”. But somehow I am unable to deliver the same essence as you wanted, unable to attach myself with you through your divine purports.

Prabhupada you took this movement to the western countries and distributed pure Love of Krishna of everyone neglecting all their shortcomings, everyone thought going to western countries is a waste of time and energy but you changed everything with your purity “Purity is the force”.

O! Prabhupada on your 123rd divine appearance I beg for your mercy and wanted to get infected with your preaching spirit and purity for distributing this transcendental knowledge.

“You may please me the most by reading my books and following the instructions therein and by becoming fully Krishna Conscious in this lifetime.” (Letter: - 22-Nov-74)

As you said, one can please you by reading your book and distributing the same knowledge to others. On this occasion please bestow your causeless mercy so that I can attach myself with your divine, transcendental purports and make the best use of the present life.

Your eternal aspiring servant,

Hiranmaya Chaitanya Dasa,

Karnamrta Krishna Dasa

Dear Srila Prabhupada,

Please accept my humble obeisances. All Glories unto the holy dust of your lotus feet.

Last year had been extremely special for me because I have personally experienced your causeless mercy on a plethora of occasions. By your mercy, all my anarthas were utterly exposed and I could clearly understand the potency of living in the association of your dear disciples. Although I had to leave your glorious movement due to my spiritual blunders, you have never let me down. You sheltered me and proved once again you are the savior of the fallen. I was intensely praying to your divine grace to somehow take me back to your glorious Hare Krishna Movement. And I got the reciprocation in a quite mystical way.

Last few months taught me a lot of lessons, which I will certainly never forget. I am fortunate enough to somehow stick on to your instructions and that’s what helped me hold on to your mission. Many of your great disciples are working so hard to make Vrindavan Chandrodaya Mandir a reality. But I am so unfortunate that I could not contribute even a bit and on top of that gave unnecessary anxieties to all your senior disciples. They always cared for me way too much and in return, I dared blame them and ended up committing offenses at their feet, because of which Krishna sufficiently taught me lessons in His style.

Srila Prabhupada, my only prayer at your lotus feet is that you please engage me sufficiently in serving your mission in whatever way possible and please make me stable in Krishna Consciousness. I always have great respect, love and awe for you, your HKM, VCM and all devotees of HKM. Few bad incidents cannot make me go away from your mission and whatever so-called inconveniences and humiliations I have to face now because of my own past abominable actions, I am ready to face them and prove you that I am still a servant of your servants. Thank you so much Srila Prabhupada for everything you gave me and I simply remain more and more indebted to your divine grace.

Your Servant,

Karnamrta Krishna Dasa.

Pandava Sakha Dasa

Srila Prabhupada, please accept my humble obeisances at your lotus feet 100 millions of times on this Vyas Puja, your divine appearance day.

In Sri Caitanya Caritamrita it is mentioned-

*guru kṛṣṇa-rūpa hana śāstrera pramāṇe
guru-rūpe kṛṣṇa kṛpā karena bhakta-gaṇe*

Translation: *According to the deliberate opinion of all revealed scriptures, the spiritual master is nondifferent from Krishna. Lord Krishna in the form of the spiritual master delivers His devotees.*

Purport: *The relationship of a disciple with his spiritual master is as good as his relationship with the Supreme Lord. A spiritual master always represents himself as the humblest servitor of the Personality of Godhead, but the disciple must look upon him as the manifested representation of Godhead.*

If one establishes his relationship with the Spiritual master, it is as good as establishing his relationship with Krishna.

In his prayer to his Spiritual Master Srila Bhaktivinoda Thakur has sung:

*jogyatā-vicāre, kichu nāhi pāi,
tomāra karuṇā-sāra*

Translation: *When I examine myself, I find nothing of value. Your mercy is therefore essential to me.*

I find it similar with me.

Thank you Srila Prabhupada for allowing me to serve your lotus feet one more year even though I am unqualified to serve your divine mission. Thank you for engaging me in your mission to reclaim jivas and dedicate their lives in the service of lotus feet of Sri Sri Radha Vrindavan Chandra and glorious Sankirtana movement of Sri Chaitanya Mahaprabhu.

Please engage me in your service eternally.

Also please give me strength to follow your most important instruction of chanting Hare Krishna Mantra attentively without offenses and following regulative principles strictly throughout my life.

Srila Narottam Dasa Thakura has sung in this regard:

*golokera prema-dhana, hari-nāma-saṅkīrtana,
rati nā janmilo kene tāyasamsāra-viṣānale,
divā-niśi hiyā jvale juḍāite nā koinu upāya*

Translation: *The treasure of divine love in Goloka Vrindavan has descended as the congregational chanting of Lord Hari's holy names. Why did my attraction for that chanting never come about? Day and night my heart burns in the fire of the poison of worldliness, and I have not taken the means to relieve it.*

Thank you once again Srila Prabhupada for giving me shelter under your lotus feet while tolerating my offenses and incapacities.

Expecting your eternal mercy.

Your most fallen servant,

Pandava Sakha Dasa

Pitavarna Chaitanya Dasa

Dear SrilaPrabhupada,

Please accept my humble obeisances at your divine lotus feet.

On this most auspicious occasion of your divine appearance. I am blessed to offer this Vyasapuja offering.

By contrast, association with materialistic people who are attached to material enjoyment and women is the path of darkness. Those who are actually devotees are broadminded, equal to everyone and very peaceful. They never become angry, and they are friendly to all living entities.’

By seeing your divine form many souls got purified, by serving your divine instructions many souls got liberated, many souls by glorifying you achieved perfection. In this fallen age of Kaliyuga people are so degraded and not qualified to perform devotional service, but your divine grace gave this opportunity to even a common man. Your divine appearance is most auspicious thing that has occurred in this of Kali,

O my dear Spiritual master on this auspicious occasion I beg at your lotus feet, give me a strength to follow all your instructions and remain eternally at your divine shelter.

Your servant,

Pitavarna Chaitanya Dasa.

Bhakta Abhishek

Dear Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet.

All glories to Srila Prabhupada on this auspicious day of your Vyasa Puja.

Oh my master, you have been showing me the path of the devotional service. I do not have any desire to get liberation, but I pray that in every birth I get a spiritual master like you who can teach me how to engage in the transcendental devotional service of the Supreme Lord. It was not possible without you to get this transcendental knowledge and vedic wisdom.

You taught me the ultimate goal of life. You are the real well-wisher of the suffering souls. You gave the transcendental knowledge to the sleeping souls like me. It was you only that helped me to take the devotional service of chanting the holy names of the Lord. You helped me to understand the fact that "I am the spirit soul and not this body". You gave us the simple analogy and the purports that any layman can understand. Oh my master, the well-wisher of the sleeping souls, I pray at your lotus feet to please give me strength so that I can render service at your lotus feet, and can contribute to Lord Chaitanya's movement.

Your humble Servant,

Bhakta Abhishek.

Please accept my humble obeisances.

All glories to Srila Prabhupada.

All glories to you on this auspicious day of Your Vyasa Puja.

First of all, I want to say that, if I had not met You, then I would not have understood the meaning of life, and the meaning of spirituality and its benefits.

I wholeheartedly thank you for giving me this wonderful and precious knowledge.

I have read your book 'Life Comes from Life' in which you have explained, "*If life originates from chemicals and if your science is so advanced, then why can't you create life biochemically in your laboratories?*" All things are happening under the supervision of Lord Krishna. This book is awesome. I feel that everyone must read this book.

Shrimad Bhagavatam is a source of real knowledge which is elaborately explained in the lectures given by the devotees of the Hare Krishna Movement.

After reading this book and joining the Hare Krishna Movement I have given up non-vegetarian food, and feel new and energetic.

Forgive my mistakes, and keep your blessings on me...

Specially thanks to Prabhupada for giving this wonderful knowledge and providing information on how to live life.

Finally, I want to thank Hare Krishna Movement and FOLK JHANSI

Your Servant,

Bhakta Abhishek Kumar Dhawan, FOLK JAHNSI.

All glories to my spiritual master, A.C Bhaktivedanta Swami Srila Prabhupada,

I pay my humble obeisances unto your lotus feet.

Prabhupada by your mercy I got this great opportunity to glorify my beloved teacher.

Without you, no one can even think of the ultimate aim that is moksha . You are the epitome of all spiritual teachers, and you always will remain so.

After many births, we got a guru like you.

You know every time I fell, you were always there to support me like a father.

By your mercy, I'm in touch with such an organization that revives my Krishna Consciousness every time I disconnect with Krishna.

Please keep us under the shelter of your lotus feet.

Your humble servant

Dear Srila Prabhupada,

I beg to receive your mercy by which I can have an association of your devoted servants, for in such association one can relish your service and can please Lord Krishna. I only desire to serve you Srila Prabhupada in the association of your devotees. Your service only can grant one the highest perfection of life, love of Krishna.

Your Divine Grace has shown great mercy upon this world by translating devotional literature in the English language full with practical guidance. By your sound, fortunate souls like me can take advantage of your association for their spiritual advancement. As I hear more and more from you through your books, the more I am getting your instructions personally. I hope that you will keep guiding me through your books always. Please bless me to develop more taste in your vani association, and make me capable of serving your vani by following the instructions.

By your mercy I can develop firm faith that devotional service to Lord Krishna is the summum bonum and rest other services are but temporary. By serving Krishna, everyone else is served perfectly.

Your aspiring servant, Bhakta Aditya Garg.

Bhakta Akhil

Dear Srila Prabhupada.

Please accept my humble obeisances.

All glories to Srila Prabhupada.

All glories to you on this auspicious day of your Vyasa Puja.

O Prabhupada ! it is through your mercy that still in this material civilization, some of the fallen souls like me get a chance to associate with Krishna by coming in touch with your Krishna Consciousness movement which is spread all over the globe.

You are showering your causeless mercy just to save the people from the material miseries, and take them back to godhead.

I have been able to know about Krishna and all his pastimes through your teachings which developed my interest in bhakti. You are such a powerful messenger of god. Even your books are equally powerful in spreading this spirituality to anyone who is ready to take it.

On this auspicious occasion of Vyasa Puja, I request you to shower your blessings upon me, and deliver all the sinful souls from this material world.

Your Humble Servant,

Bhakta Akhil.

Bhakta Aman Gupta

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet.

You are the most confidential servitor of Krishna. You are the personal associate of Sri Radha and Krishna. You, out of your causeless mercy, incarnated on this planet earth to deliver the fallen conditioned souls like me, and you are distributing the pure devotional service of Krishna without reservation.

You are the representative of Sri Nityananda Prabhu, and you are bringing the mercy from the ocean of mercy Sri Chaitanya Mahaprabhu who freely distributed Krishna Prema just as the clouds distribute the water from the oceans. Without you, there is no possibility of any conditioned soul to even think of a life beyond, let alone go back to Godhead, or even understand Krishna for that matter. All glories unto you dear Srila Prabhupada.

You made me understand the goal of human life. By your mercy I came in touch with the holy name. And by your mercy only I'm able to make a struggle towards Krishna Consciousness. I pay my most respectful and humble obeisances unto your lotus feet again and again.

My last year has been relatively better in terms of self-motivation than the prior two years. I was able to practice the principles of Krishna Consciousness more consistently. This happened because I started working for a private company resulting in more time on hands. By your grace only, I could do that.

With minimal devotee association, things were not very favorable for me for practicing Krishna Consciousness. But you constantly guided me through your vani from the scriptures like Bhagavad Gita & Srimad Bhagavatam, and your lectures.

I am forever indebted to you, yet I am such a fallen soul that I still don't follow your instructions. I don't know if I would be able to go back home, back to Godhead. One cannot go back to Godhead unless one becomes a pure devotee, and one cannot become a pure devotee unless one practices devotional service all his life. When I'm not even practicing it, how can I possibly dare dream of it? In other words, I am not even qualified to have the desire of going back to Godhead like you used to say, first deserve, then desire. And even if I have that desire, I am incompetent for such a gigantic feat.

Still Srila Prabhupada I believe that never mind how difficult, you alone can make it happen for me. Against all odds, only you can bless me to become a pure devotee of Krishna. And although I'm incapable and undeserving, by Your causeless mercy alone can I engage in pure devotional service unto Krishna.

I will pray to Krishna to empower me to please you so much that I may become your favorite disciple.

All glories to you Srila Prabhupada!

May your glories be proclaimed throughout the three worlds!

Aspiring to be one of the atoms of the dust of your lotus feet,

Your servant's servant, Bhakta Aman Gupta, Vrindavan Folk.

Bhakta Ankit Yadav

Dear Srila Prabhupada,

Please accept my humble obeisance to your lotus feet. All glories to you.

Oh Prabhupada! you are very merciful to us. By your mercy, fallen souls like me can understand a little about Krishna and bhakti. Your greatness can't be described in a few words, but still I want to say something about your greatness. Please forgive me for any mistake.

O great acharya! I was in great confusion and dilemma. My life was clueless, and I was just trying to find happiness from wherever I could. I was missing something, but did not know what is missing. In such condition you poured your mercy on me, and gave me the light of the knowledge of Krishna.

This was a great incident for me. From that moment my life took another direction. Many questions were answered, and I was able to know a little about Krishna, Bhagavad Gita, bhakti, and other spiritual knowledge. Due to you my life is significantly changed. I have obtained the love of Krishna due to you, which is the highest achievement in the universe. Now due to your mercy, I have developed a positive attitude, and have become more introspective. I have learned to focus on the inner world, that is, on my mind, intelligence, and soul, and am able to understand about our relationship with the supersoul. Now I can feel many positive changes in me. This all happened due to your mercy.

I am trying to follow more and more of your instructions, and trying to inculcate them in my life. I am trying to be more serious for spiritual practice, for book reading, for chanting, and other spiritual activities.

I want to serve yours and Krishna's Lotus feet.

Your humble servant

Dear Srila Prabhupad,

Please accept my humble obeisances at your divine lotus feet.

All glories to you on this most auspicious appearance day of your divine grace. I was in the delusion to find the absolute truth, and cause of all causes in this material world. I was baffled, and seemed to be heading nowhere. Then I came in contact with your teachings. I started reading your books, chanting Hare Krishna Mahamantra which has given me the strength to fight illusory energy, maya. I realized the importance of this material life which I was wasting before, but now I am using this for transformation. Your words and teachings are like the boat to me in this samsara which can help me to reach my true home-Back to Godhead. You have taught me the importance of serving Krishna and devotees. The sadhu association that you have provided to all of us by building temples, is transformative and appreciable. It is now transforming the lives of thousands of followers.

Begging to remain under the shelter of your lotus feet at all times, and aspiring to be your humble servant,

Bhakta Anmol Malhotra.

All glories to His Divine Grace A.C. Bhaktivedanta Swami Prabhupada!

Please accept my humble obeisances.

The essence of real knowledge is found in two places; in the holy places, and on the pages of Śrīla Prabhupāda's books. I wonder what my life would be without them.

Thank you Srila Prabhupad. You are the reason why I am trying to become a devotee/servant of Krsna. You gave me knowledge. You made me realize something that I didn't know before. You gave me a purpose and meaning, and cleared my mind from all the doubts. I am sure this was the master plan of my lord Hari, and I was blessed to have such knowledge. Thank you for your mercy.

Jai Srila Prabhupad! Jai Shri Krsna!!!

I consider myself very fortunate to have been raised, reading his books at a very younger age when I was in class 9th. It gave me a foundation for seeing the world around me in relation to spiritual reality, and thus saved me over and over again in times of need. It's a divine blessing that I have received. Since then I have been always eternally grateful for this unprecedented mercy on me. The love for Shri Krishna made me curious due to which I spent my teenage years inquiring about the purpose of life, how I got this body, and what happens at the time of death. I was so deeply moved and inspired by his teachings that not only gave me all the answers, but made me realize that what is found in all the books of Srila Prabhupada, can never be found in other spiritual literature. I highly recommend purchasing all of Śrīla Prabhupada's books. As there is nothing else worth spending money on. I consider having Śrīla Prabhupada's books to be the lifeboat for all the drowning souls I see in this ocean of duality and illusion(maya). There is no other solace I can offer another soul in this material world, other than the transcendental words of the Supreme Lord Śrī Krishna, that is beautifully translated from ancient texts by Śrīla Prabhupada. By simply hearing and chanting the lord's glories or names, one can make his life sublime, and go back to godhead – this is the ultimate purpose of life.

By meditation, inner realization, surrendering to god with devotion and faith, one will come to know that our worldly pleasures are not the reality. Then what is reality? Yes hard to understand this, but when you reach the stage of unconditional love, bhakti, and service towards lord, your perspective of the whole universe and life will change. Submerge yourself into the love of Lord Krishna and take up Krishna Consciousness through compassion, love, devotion, faith, and humility. I pray to my lord, may all the godhead's children / vaishnavs, dance and sing as there is nothing above the transcendental sounds of the lord's name... Haribol!

Jagad Guru Srila Prabhupada ki Jai!

Your Servant,

Bhakta Anurag Chakraborty.

Bhakta Arun

Dear Srila Prabhupada,

Please accept my humble obeisances unto Your lotus Feet

All glories to this most auspicious day of appearance of Your Divine grace

This is my second Vyasa Puja offering unto your lotus feet. By your causeless mercy, I am continuing my Krishna Conscious journey through twist and turmoil. You have taught us by your own example how to remain firmly fixed in devotional service irrespective of circumstances.

You have given the eternal treasure: Your transcendental books for the whole world that will give direction to peace and prosperity for generations. But Prabhupada, I haven't got any taste for them. I have ignored them, and now everything becomes a burden in my devotional life.

But O gurudeva, you have told: "*Advancement in the spiritual life is more or less depending on causeless mercy of spiritual master*". I can now understand that doesn't matter how sincere and austere we are, but remain insignificant in front of the illusory energy of Lord. Only your divine glance can save us from the clutches of maya.

O Prabhupada, please cast your merciful glance on this wicked soul that is like showers of rain in the forest fire. Other than your lotus feet, I find no shelter.

O Prabhupada, you have taken the love of Krishna in your hands and distributed freely by personally circumnavigating the whole world, even to those who are reluctant to take it. You are doing it even now through your nectarine instructions and blessings.

You have taught us how to make our life perfect, and help others to become a recipient of your causeless mercy. Prabhupada, I have the desire to dedicate my life in your mission. Please always guide this fallen soul, so to remain a humble servant at your lotus feet forever.

Your fallen servant,

Bhakta Arun.

Bhakta Ayush Goyal

Dear Srila Prabhupada,

Please accept my most humble and respectful obeisances unto your divine lotus feet.

Your appearance on this planet was an amazingly magnanimous pastime. By your causeless mercy your everlasting vani and vapu have been manifested, and are easily available for benefit of everyone. Your transcendental qualities and activities are exemplary to all the vaishnavas. Your compassion towards living entities, to me, is especially captivating. Moreover, the pure love you have for Krishna reflects in your literature, especially in the wonderful bhajan you composed during the Jaladutta journey - "*Krishna tava punya hobe bhai!*". This bhajan is most pleasing and enlightening to me, for I have come across so far. May I be able to comprehend it, and learn from it properly.

I am trying to learn some aspects of Krishna Consciousness, but I fail to associate with your transcendental books. I am trying hard to chant better the number of rounds, and get rid of some of the acquired subtle diseases. I seek your kind blessings, so that I might be able to be of use to your divine grace!

May your glories reach every nook and corner of this world.

Your aspiring servant,

Bhakta Ayush Goyal, Vrindavan Folk.

Bhakta Harshit Singh

All glories to my spiritual master, A.C Bhaktivedanta Swami Srila Prabhupada

Please accept my humble obeisances at your divine lotus feet

Although it is difficult to describe in words your benevolent mercy which you bestowed upon me, still I would like to make an effort to glorify you for everything which I received from you.

By your merciful glance, this insignificant soul got a chance to understand and realize spirituality. In this material world full of worries, problems, frustrations, and temporary happiness around, your books and teachings showed me the way for

real and permanent happiness. You have explained the complicated points of Srimad Bhagavatam in such simple and wonderful way with excellent examples, that even a common man can get to know all its understandings. Simply by reading your works of spirituality and following your instructions, one can easily free himself from these material clutches.

Your movement of Krishna Consciousness coupled with causeless mercy, has inspired me a lot. Your mercy towards your devotees, and your efforts of spreading the message of Krishna for the upliftment of human society with no exchange in return, is really encouraging. Chanting the holy names of Krishna every day has helped me in changing my thoughts and approach towards problems in my material life, and has recharged me with lots of positive energy.

I am falling short of words to describe everything I got from you, and the gratitude for the same. It's just by simply chanting and following your instructions I feel I can pay my gratitude. Oh, my spiritual master! I beg you to continue to shower your blessings upon me, and help me come out from this entanglement of material web, and give me the strength to follow all austerities in serving your mission. Please forgive my offenses, and give me the intelligence to carry out your orders under the guidance and association of your sincere devotees.

Begging to remain under your shelter, and aspiring to be your humble servant Your servant,

Bhakta Harshit Singh, 3rd year, Btech, MNNIT Allahabad.

Dear Srila Prabhupada.

Please accept my humble obeisances at your divine lotus feet.

All glories to spiritual master, A.C Bhaktivedanta Swami Srila Prabhupada.

At first, I would like to confess that I don't have much knowledge about you or your spiritual personality. When I joined Youth Programmes of Hare Krishna Movement, Vrindavan, which is based on your teachings, I started understanding slowly about you by attending kirtan and Gurupuja.

Though I have read little and very few books written by you, it became clear to me that you are a simple person with extraordinary thoughts.

The translations and purports of Srimad Bhagavad Gita are so simple and crisp that any person with no spiritual consciousness in the beginning, can understand and bear fruitful results in his life.

I came in touch with one of your devotee who also happens to be my batch-mate. I was amazed to see the extreme change in him, and it was due to your teaching or the will of God. So I'm here with Friends of Lord Krishna (FOLK). In my opinion you act as a bridge to fill the gap between conditioned souls and the Supreme Personality of Godhead.

I thank you for introducing me to the Hare Krishna Mahamantra and kirtan, and I must say I feel at peace while chanting.

In our culture, a guru is put above all beings, and this is rightly appropriate for you. As Saint Kabir says:

“guru govind dou khade, kake lagu paay,

balihari guru aapne, govind dio batay”

On this auspicious day, please keep enlightening me towards the spiritual path with the association of your devotees. Also please give me the strength to stay focused on my spiritual well-being in this distracted world.

Always in your service.

Bhakta Indresh Gupta, Noida.

Bhakta Ishan Kansal

Dear Srila Prabhupada

Please accept my humble obeisances.

All glories to Srila Prabhupada on the occasion of Vyasa-Puja.

On this wonderful occasion of Vyasa-Puja, I think the best way to glorify you is to share what significant changes Krishna Consciousness has brought to my life.

So in this offering, I am sharing my personal experiences after coming in contact with Krishna Consciousness.

Before taking admission in college I was very serious towards my life and goals, but when I got admitted I found a kind of atmosphere which was neither disciplined nor serious.

I started losing control over myself, and got bewildered and lost.

Once I came in contact with one of the devotees of ISKCON, I felt positive vibes and start attending his sessions. These sessions widened my point of view towards life.

I also remained a folk resident for a year. There I attained a decent level of self-control and self-confidence. The positive vibes I got there rejuvenated m being with optimism and bliss.

The credit for this change goes to you as you set up a society which is working on a ground level at an extensive rate for the transformation of humanity towards leading a healthy, pious, and blissful life.

Your obedient servant,

Bhakta Ishan Kansal.

Bhakta Lavesh Mulchandani

Dear Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet.

All glories to you on this most auspicious appearance day of your divine grace.

Srila Prabhupada, by your mercy I got a chance to associate with devotees and practice the principles of bhakti. You have been my only true friend and teacher. By the touch of your lotus feet, even mother Ganga gets purified. I would be very fortunate if I get attached to your lotus feet, and develop even one percent faith in Krishna.

This year I have moved to folk, and look forward to serving you more and more so that you bless me with your mercy, because without your mercy I cannot cut the knot of material existence. You have always said to read your books again and again for guidance. I desire to spare more time to read your books, and I also have a desire to read Srimad Bhagavatam. I am now able to chant 16 rounds daily. Sometimes it's a little struggle, but please give me strength so that I will be able to follow all your instructions.

O master, please accept me as your servant.

Aspiring to be your humble servant,

Bhakta Lavesh Mulchandani, Noida.

Bhakta Lovish Bathla

All glories to my spiritual master A.C Bhaktivedanta Swami Srila Prabhupada

I pay my humble obeisances unto your lotus feet.

Prabhupada, you gave direction to my life. Before this, we don't know what we want to achieve. We were in the midst of achieving only sense gratification. We were running for things which we thought will give us happiness. Actually it didn't. Just gives us temporary happiness, and then we desire more and more for fulfilling these material desires. The process never ends. When we got to know what real happiness is, the material desires appeared very insignificant and worthless to be pursued.

You gave us the solutions for the sufferings and miseries we are encountering. You gave us the understanding of imminent death which either we don't think, or become fearful of thinking. Liberation, peace, bhakti, chanting, worshiping, for us these were just other English words. But by your mercy, these become the ultimate things of life with convincing reasons. We came to know who is the Supreme Lord, and why He is called so? Your answers through your books, lectures gave us the realization.

Your stance on chanting Hare Krishna Mahamantra, and reading books is truly worthy. Thank you Prabhupada for giving me this opportunity. Keep blessing us, and give us the strength to spread this knowledge of ultimate truth as much as we can.

Always in your service,

Bhakta Lovish Bathla, Centre Delhi.

Bhakta Naresh

Dear Srila Prabhupada,

Please accept my most respectful obeisances at your divine lotus feet. All glories to your divine grace.

Your divine grace's appearance is not merely by chance. All the pure devotees of the Supreme Personality of Godhead had awaited for your divine appearance. Lord Chaitanya foretold the coming of an empowered devotee who would take the sankirtana process everywhere: "I want to flood the whole world with the chanting of the holy names. I will personally preach and flood India with harinama sankirtana, chanting of the holy names. And my senapati bhakta (great devotee commander) will come, preach in different countries, and flood the world with the chanting of Hare Krishna." This means that though Lord Sri Chaitanya came to establish and spread the process of congregational chanting of Krishna's names in India, there would be one great devotee who would appear and spread it throughout the world.

- In 1896, Srila Bhaktivinoda Thakura predicted in his book, Sri Caitanya Mahaprabhu: His Life and Precepts, on page 62, "The principle of kirtan as the future church of the world, invites all classes of men without distinction of caste, creed, or clan to the highest cultivation of the spirit. This church will extend all over the world, and take the place of all sectarian churches which exclude outsiders from the precincts of their mosque, church or temple."

- What all this means is that with his spiritual vision, Srila Bhaktivinoda Thakura could see how the sankirtana process would be taken in the near future to the western countries, and indeed all over the planet. In fact in 1875 Srila Bhaktivinoda Thakura also predicted: "A personality will soon appear to preach the teachings of Lord Chaitanya, and move unrestricted over the whole world with His message." But who could this be? Who would do it?

- As an answer to these prayers and predictions on Nandotsava, the annual festival day celebrating Krishna's birth in the year of 1896, Your Divine Grace appeared as Abhay Charan De that is His Divine Grace A.C. Bhaktivedanta Swami Prabhupada, known as Srila Prabhupada to many. It is your divine grace who grew up as a pure devotee of Krishna, who took the chanting of "Hare Krishna" around the world and made it a household word.

In a morning walk conversation on January 4 1976 in Nellore, devotees asked you a question:

Devotee (2): Prabhupada, if Chaitanya Mahaprabhu wanted Krishna Consciousness in the Western countries, why didn't He go there Himself?

Prabhupada: So He left the credit for me. (laughter)

Devotees: Jai! Haribol!"

- Your divine grace there is no checkpoint/ measurement for your causeless mercy; the above one-line conversation is an example for that. Your divine grace is Saktyavesa Avatara.

(" Saktyavesa Avatara means a living entity who is specially empowered, but not that he is Krishna. On account of his exalted position he is honored as much as Krishna - Saktyavesa Avatara")

- Thus Your divine grace was directly empowered by Krishna to preach nama all over the world.

- Your grace had revealed who am I? what is the purpose of my life? What is my eternal duty?

- Your grace had introduced us to worship of most munificent incarnation of Krishna that is Lord Sri Krishna Chaitanya Mahaprabhu. (Combined form of Radha and Krishna)

- Your grace had revealed that Supreme Lord Sri Krishna is available very easily in his sabda avatara that is nama avatar – Hare Krishna Hare Krishna Krishna Krishna Hare Hare Hare Rama Hare Rama Rama Rama Hare Hare. .. This avatara of lord is performing so many lilas on this planet even in the midst of this age of hypocrisy and quarrel. All jivas are coming together at vaikuntha centers (ISKCON Temples) established by your divine grace, and they are having an eternal bliss in chanting and serving the nama avatara.

- Your grace when Lord Sri Krishna appeared 5000 years ago as son of Vasudeva and Devaki, people thought he was a cowherd boy and a playful young man who had 16,108 wives. Only a very few know him as the Supreme Personality of Godhead Sri Krishna. In the same line in this age also Lord Chaitanya appeared, but people misunderstood him to be a devotee who chants and dances all the time. In line with the above incarnations, your divine grace appeared to deliver the all fallen souls, and serve the eternal mission of Gauranga Mahaprabhu.

- Your grace said that – " Our philosophy, vaiṣṇava philosophy, teaches that if you please your spiritual master, then god is also pleased. Because the spiritual master is the most confidential servant of god, therefore by honoring the spiritual master, the Supreme Personality of Godhead is honored. Just like in the English language there is the phrase, "If you love me, love my dog." So the spiritual master is the "dog" of God; therefore if the spiritual master is patted, god is very much pleased." Your grace keeps instructing us like small newborn babies in this spiritual life. It is your grace, simplicity, and humility what made this sankirtana movement across the globe so popular. Even in the communism prevalent countries like Russia, your grace alone took that bold step just to deliver the fallen conditioned souls.

- Your grace has flooded this world with holy names of lord and prasadam, which transformed the lifestyle of a lot of jivas like me.

- Your grace had given chance to all jivas to peep into the eternal knowledge which is coming from Krishna directly. Not only just to peep but to take benefit of this knowledge, and go back to godhead by serving the holy name.

- Your grace had given simple and adaptable instructions which can be easily practiced in our day to day life like chanting 16 rounds daily, honoring prasadam only, attending mangalarati, participate in kirtan, dance.

An anecdote from Srutakirti Dasa - Srutakirti Dasa: After the morning walk Srila Prabhupada walked through the side door and up the stairs. Whoever had been on the walk would come inside and chant, "Jai, Prabhupada!" as Prabhupada regally walked upstairs. Once when Prabhupada was halfway up, he smiled and looked down at us. We were all New Vrindavan boys; Kirtanananda, Kuladri, and I. Then Prabhupada looked up the stairs and said, "I want to run up these stairs. I used to run upstairs, but now the body won't allow it. This is how we can understand we are not this body." For Prabhupada

everything was an example we could learn from. Prabhupada said, "That desire is still there unchanged. I still want to run, but now I can't." Of course, anyone that walked with Srila Prabhupada in the morning knew that we practically ran. His pace was incredible. So Prabhupada's example was a bluff, but he used it to instruct us about the spirit soul. With the above incident one can understand how compassionate you are to all of us, and every word you speak is to be taken as an instruction for our spiritual growth, and to realize who we are.

- Your grace, I may not have seen you physically when you are here on this planet, but you said,

vani and vapu, vapu mean the physical body, and vani means the vibration. So we are not concerned about the physical body. Yet we are concerned of course, because the spiritual master, those who are acharyas, their body is not considered as material. Arcye śilā-dhīr guruṣu nara-matir. Just like the deity of Kṛṣṇa to consider that "this is a stone..." Similarly, arcye śilā-dhīr guruṣu na... guruṣu means those who are acharyas; to accept their body as an ordinary man's body, this is denied in the śāstras. So although a physical body is not present, the vibration should be accepted as the presence of the spiritual master. What we have heard from the spiritual master, that is living. Lecture Excerpt -- Los Angeles, January 13, 1969:}

- Your grace just by hearing your vani, many people had transformed their lives into vaishnavas from mlecchas and chandalas. Even this proof is not sufficient for some people to believe in your vani, and serve your instructions as one's life and soul. Your grace keeps inspiring me daily to serve your instructions.

- Your grace as for spiritual growth in last year, I successfully was able to be in association with your servants, and serve them to my extent.

- Your grace you know everything, but even then I want to ask you again; my quality of chanting has declined lately. The time is coming to surrender my body to you in this situation if I cannot keep up my quality of chanting, and attend sadhana as instructed by you. I may remain like this only. But I don't want to be like this servant of senses, rather I want to be your servant and serve your servants.

- Your grace even I know I should not ask anything from you. As a child keeps demanding, begging, and crying before parents for some foodstuffs, toys in market, similarly I am also begging you to give strength to overcome these anarthas in me. Your grace has given us the vaikuntha centers on this planet as a taste of how real vaikuntha in spiritual world will be.

- Your grace's mercy is falling like unstoppable rain in these vaikuntha centers, and through your books you keep guiding us personally. But still I am asking you again to shower your mercy on me personally and guide me through your books.

- Your grace gives me the intelligence to take shelter at your divine lotus feet.

- Your grace, I thank you for all these comforts and guidance from your servants as they are given by your grace in this material world. But your grace as your servants said, you don't need my thanks or Jai Prabhupada!!! statements. You want me to serve your mission sincerely.

- Your grace, even I may not be very good at writing this offering, but this was possible with the help of some of your sincere servants who are serving you with your mercy.

- Your grace, I never dreamed that such a sublime life could be experienced anywhere within this miserable world. Now by your mercy it has become a living reality. I am eternally indebted to you, your divine grace.

I beg to remain your servant of servants,

Bhakta Naresh, Noida.

Bhakta Naresh Baghel

Dear Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet.

All glories to you on this auspicious appearance day of your divine grace.

Prabhupada, by your merciful glance this ordinary person got a chance to know the spiritual life, and able to understand what is materialistic life and how to get liberated from this material life and free oneself from this birth-death process.

An year ago I joined this movement. Before that I had lots of anarthas and involved in many sinful activities, but when I started hearing the lectures of the Shrimad Bhagavatam and Bhagavad Gita and also chanting Hare Krishna Mahamantra, I found many changes in my life. I could see the strong impact had transformed me into a better human. At that point began the real journey towards my ultimate goal. The credit of all these changes that came in my life goes to you.

On this auspicious day I humbly request you to please continue to shower your blessings on me to be able to serve your mission. Please forgive my offenses, and give me the intelligence to carry out your order under the protection of your divine movement in the association of your sincere devotees. Prabhupada, your glories are infinite.

Always in your service.

Bhakta Naresh Baghel.

Bhakta Neeraj Kumar Singh

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet. All glories to my spiritual master.

The whole world sings of your glories incessantly, and I am no exception. Shelter under your lotus feet has given me the necessary impetus to practice the Krishna Consciousness principles. It is by your grace that a fallen soul like me has got the opportunity to listen, and act upon the words of the Supreme Personality of Godhead. I certainly feel changes happening in and around me, and it is possible only due to your causeless mercy. The books written by you are my mirror now, and I can look into them to seek answer to every question related to life and beyond.

Though it has been quite a few years now since I got the taste of Krishna Consciousness, yet I haven't been able to firmly establish my consciousness towards Krishna Consciousness principles. So I yearn for life long attachment to your lotus feet, and would humbly request to shower your divine blessings on me.

I am greedy for more merciful glance of yours. I beg to remain an eternal servant of yours.

The most fallen soul,

Bhakta Neeraj Kumar Singh.

Bhakta Nilesh B Hadiya

Dear Srila Prabhupada,

All glories to my spiritual master A.C Bhaktivedanta Swami Srila Prabhupada.

I pay my humble obeisances unto your lotus feet.

Prabhupada by your merciful glance, this insignificant soul has got a chance to begin his spiritual life. I am every day experiencing new realization in spirituality. In these two years of my Krishna Consciousness life, I have achieved a lot compared to my past-life. All the auspicious moments which had come in my life, came by your causeless mercy.

Probably I could never understand how spiritual master favors his sincere disciple, but I could see the strong impact on mine and everyone's life. Our lives are transformed and we have evolved into better human beings. We have started our real journey towards the ultimate goal. Now my only desire is that no forces in this world should shake my determination, and take me away from serving you. Your mercy is available to everyone and everywhere, but can be realized only by genuine seekers. No one can be dearer and better soothsayer than you, because you are our real father and mother and well-wisher.

Always at your lotus feet.

Bhakta Nilesh B Hadiya.

Bhakta Nishant Chaudhary

Dear Srila Prabhupada.

Please accept my humble obeisances.

All glories to you on this most auspicious appearance day of your divine grace.

Prabhupada, by your mercy only this insignificant person has got a chance to start the life of Krishna Consciousness. Before coming to Krishna Consciousness I had a lot of doubt about what god is, and how to know who is god. This kind of question was answered by your books; like to know that if someone is god, then he must have the six opulences namely Knowledge, Wealth, Beauty, Strength, Fame, Renunciation to the fullest, and by this we can exactly know who is god.

As we know that in this material world everyone is trying to be god. So you have opened my eyes to know who god is, and its only Lord Sri Krishna. I also understood that the lord Himself comes millennium after the millennium to deliver the pious, and to annihilate the miscreants, and to reestablish the principles of religion as stated in BG 4.9. The evidence for this is the appearance of Lord Chaitanya Mahaprabhu. The most important point is that we can get the authentic knowledge through the parampara system, and hence try to understand Lord Krishna's words. I would request you to give me the intelligence to know how to improve my spiritual life.

Begging to remain under the shelter of your lotus feet at all times, and aspiring to be your humble servant,

Bhakta Nishant Chaudhary, 4th year, Btech MNNIT Allahabad.

Bhakta Nishant Prakash

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to you on this most auspicious day of Vyasa Puja.

I was very fortunate to come in touch with the Hare Krishna Movement during my engineering life. For the last four years, I have experienced your miraculous, personal reciprocation at various instances which have always inspired and motivated me to pursue Krishna Consciousness more seriously.

Now there is a major turning point in my life. I have recently been blessed to join the service in Folk Bangalore. I want to go a few steps further and dedicate myself fully in your service, in the divine mission. I'm sure if I don't do that, it will be the most regretful part of my life when I will be on my deathbed.

As you say, "Gamble this one life for Krishna...". Please give me required spiritual strength, determination, enthusiasm, and courage to participate in this "gambling," for I'm most unqualified and weak to do so.

Thank you very much Srila Prabhupada for everything,

Your aspiring humble servant,

Bhakta Nishant Prakash.

Bhakta Nitin Bangar

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet. All glories to your divine grace!!

As you have always said, "A devotee has to be more tolerant than a tree and more humble than the blade of grass". One has to be patient. Your initial days in the US, especially the first year, spectacularly teaches us these two qualities. Many times you have had to teach the same thing to them again and again without a hint of frustration. Many of them used to come after being intoxicated; even the regular boys at 26 Second Avenue committed several mistakes, but you handled them with so much patience. Initiation to twelve people, and one Krishna Conscious marriage in the first year of your US journey. Every moment of your presence gave some or the other teaching or lesson. So fortunate the people were to have your personal association.

guru-mukha-padma-vākya, cittete koriya aikya,

ār nā koriho mane āsā

"My only wish is to have my consciousness purified by the words emanating from his lotus mouth. Attachment to his lotus feet is the perfection that fulfills all desires."

Contemplation on these two lines brings us closer and closer to you. It is nothing but your divine grace which can make us go back to godhead. With single-minded dedication we must accept and serve all your instructions.

Rendering service to a pure devotee, one develops a taste to hear about Krishna. But general human reasoning fails to understand this. You wrote this somewhere. Many times I wonder what I had done that I am getting a chance after wasting millions of lives to serve you Prabhupada. Though I am unable to do it.

You used to say that one must be very sincere in advancing in the spiritual life. A devotee must think that the very next moment I may die; it is not about any moment, but the very next moment.

It is certainly a very long journey for us Prabhupada, and your divine grace is the only hope for us to complete it.

Recently an international movie was made on your journey on this planet to save the all the conditioned souls. Few of my colleagues, fully materialistic, drunkards, whom I could never preach, were moved so much by watching that movie that one day they were quoting an example from that movie. I was amazed to hear that. Your divine grace is so causeless, it just cannot be analyzed.

About our Indore center,

Finally by your wish and Krishna's mercy, Gaur Nitai have come to Indore, and that was one of the best moments. I want to thank you Prabhupada because for the past 8-9 months our Sunday programmes have gone without a single break. It couldn't have been possible without your wish and blessings. We felt good to be the instruments to serve you and Krishna. Please keep and use me like a sharpened instrument for your purpose eternally.

Trying to be your servant

Bhakta Nitin Bangar, Vrindavan Folk.

Bhakta Pappu Singh

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to you on this auspicious day of Vyasa-Puja.

All the pious persons in their old age did bhajans to make their lives successful, but you worked hard in your old age to save mankind from the grip of maya. You constantly wrote the books, and preached the message of Lord Sri Krishna and Chaitanya Mahaprabhu very strongly to the western world to fulfill the desire of your spiritual master, and make the prediction of Chaitanya Mahaprabhu come true.

prthavite ache yata nagaradi gram

sarvatra prasar haibe mora nama.

All over the world, you established the Bhagwat dharma. Now it is our duty to follow your instructions, and associate with you through your vani and books. Give me the strength to follow your instructions, and serve you as you want. Currently, I am doing 10 rounds of chanting, and reading your books for half an hour.

Please always shower your mercy upon me, and engage me more and more in your service.

Your humble servant,

Bhakta Pappu Singh, Noida.

Bhakta Prateek Arya

All glories to my spiritual master A.C. Bhaktivedanta Swami Srila Prabhupada. Please accept my humble obeisances unto your lotus feet.

O my glorious master, by your teaching I came to know about spirituality. It not only gives the spiritual knowledge, but also it is the science to live a peaceful life and the science of self-realization. It is the science to be engrossed in Krishna Consciousness. There is no blind faith that exists in the path which you have given. From the past two years I have seen a lot. Since I have come in touch with Krishna Consciousness, it has affected my way of thinking, my life, and my concept of living. It has opened up my mind, and awakened my soul to see the true and real path of life. To eat, to sleep, to work hard, and to waste time in fruitive activities is not our aim. We are not animals; we are to be engrossed in spirituality which makes us unique in whole the universe. I have understood the real goal of life; the purpose of our existence is hidden in Vedas, in Srimad Bhagavad-Gita, and in your invaluable teachings. Your teachings are incomparable. You have described the real goal in simple language in your teachings and books. We can never repay your debts. There are two things which have made a deep impact on my mind: one of them is chanting, and another is waking early in the morning. You have guided us to live a sattvic life with Lord Krishna, and I hope in future I will learn more by your teachings. I pray! my spiritual master, to shower me with the dust of your feet, and guide me with your teachings.

Your humble disciple,

Bhakta Prateek Arya, Folk, Jhansi.

Bhakta Pushpendra Verma

Dear Prabhupada,

Please accept my respectful obeisances. I am from Jhansi (UP), the place where you started "League of Devotees". I came in touch with this Krishna Consciousness on September 12, 2017, when one of your devotee Vrajeshwara Dasa Prabhu came to my college and asked his first question 'Who am I?' None of us said that we are not this body. From that moment

I began to realize this spiritual world; the world of Supreme Personality, the world to know oneself, one's existence, and purpose to come here, the world free from all lusty desires.

O Prabhupada you are our spiritual master who guided us the way to go back to godhead, our real home where our original father resides. You are the only one who gave us a perfect and authorized knowledge. Your lotus feet are the only way by which we can attain pure devotional service. Just as a cloud pours water on a forest fire to extinguish it, you are the one who extinguishes the blazing fire of material existence.

O, master! I thank you for being part of my life. The struggle you went through in spreading this Krishna Conscious Movement inspires us, and acts as a battery to this uncharged material body. You are the raincoat which protects us from drops of the materialistic desires of this body. Prabhupada, you guided me to remove dust from the soul, and make it pure as it was originally, full of bliss and eternal knowledge.

I thank you for fulfilling my heart with transcendental knowledge. You are like a desire tree which has all the fruits I wish to taste. I thank you for giving such a simple method in this age of kali to connect with the Supreme Personality Krishna just by chanting His holy name. You are the ocean of mercy. Please be always merciful unto me.

Your aspiring servant,

Bhakta Pushpendra Verma, B.I.E.T. Jhansi.

Bhakta Raagvendra Singh

Dear Srila Prabhupada

Please accept my humble obeisances from your most fallen servant.

As we approach your appearance day, I would like to express my gratitude and humble offerings to you in words which cannot completely describe the the priceless gift you have given to this whole world and the effort behind it. My lord I am the most sinful person who was oblivious of Krsna, but through your causeless mercy I have got a chance to attain perfection of this human form of life. O patita pavana, I am the most diseased of all beings, and cannot even fathom the energy of the Supreme Personality of Godhead. But you my lord are so merciful that you have successfully preached the message of Lord Chaitanya all over the world, and fulfilled his prophecy. My lord even the vedic scriptures sing of your character. I am so impious that I do not even deserve the dust of your lotus feet. It is very rare for such a great devotee like you to descend in this material world, but you my lord were not able to see us suffer. I am such a rascal that I do not even take your message seriously, and keep falling into maya. I beg for your divine benediction so that in this age of kali, I can be spiritually determined to progress on this path. My lord you live forever in your divine instructions.

Your eternal servant,

Bhakta Raagvendra Singh.

Bhakta Rachit Srivastava

Dear Srila Prabhupada,

All glories to you.

You went to the Western world to preach the glories of the holy names of Lord Krishna. You have liberated innumerable fallen conditioned souls by giving them the transcendental science of Krishna Consciousness. Your mercy is causeless, which can be experienced by those who were saved by him from the ocean of ignorance, and who made their human lives successful by adopting the process of Krishna Consciousness. I am completely indebted to you Srila Prabhupada as you have given me the highest conception of the holy name of Krishna, which contains the highest form of thought, aspiration, and purpose. You gave me the opportunity to serve Krishna and Gauranga.

Due to your grace, many devotees today practice Krishna Consciousness throughout the world. Prabhupada, you appeared in this world for the liberation of all the conditioned souls. Your grace is the personification of the grace of Sri Krishna. You came to liberate us from the sufferings of this world, and take us back to the Supreme Lord. You gave us the opportunity to be in the association of devotees, and go to the holy places where Lord Krishna and Gaurasundara performed their pastimes. You have given us everything we need to progress in the spiritual life, and due to your grace, we can serve their Lordships. I pray to you Srila Prabhupada to always keep me engaged in your service, and give me the strength to progress in spiritual life.

Your humble servant,

Bhakta Rachit Srivastava, Noida.

Bhakta Rajat Kumar

All glories to my spiritual master A C Bhaktivedanta Swami Srila Prabhupada.

I pay my humble obeisances unto your lotus feet.

Prabhupada, by surrendering to your lotus feet my heart got transformed. With the chanting of holy names of lord which you spread to the whole world, my ego has decreased, my humility in nature and clarity in mind has increased. Dear Srila Prabhupada, your instructions have helped me in uncovering the truths of spirituality with which I was able to start my journey back to godhead.

I beg you to provide enough strength so that I can put all my effort in serving Krishna. I also beg that you continue to shower you blessings and mercy to your sincere devotees and me. Prabhupada my determination is not strong; I am not strong-willed. and often commit offenses and fall. Please help me in sorting out my negativity.

Please keep me under your protection, and always in association of sincere devotees.

Begging to remain under the shelter of your lotus feet at all times, and aspiring to be your humble servant.

Your humble servant,

Bhakta Rajat Kumar.

Bhakta Ranjeet Rajak

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet.

All glories to Srila Prabhupada.

All glories to you on the auspicious day of Vyasa-Puja.

I resigned my job in a private company as per the suggestion of my well-wishing-parents. They suggested that I start preparing for government jobs.

Now I am living in FOLK hostel as recommended by my folk guide. Otherwise, I had planned to stay outside somewhere. I am thankful to you for sheltering me. I desired and prayed to you earlier to give me spiritual strength to advance in Krishna Consciousness. You have shown your mercy now. I wake up in morning and do sadhana. Every arrangement in hostel is very nice. Now I am practicing Krishna Consciousness along with my studies. Devotees also told me to attend weekend programs in temple. I try my best to attend these programs.

I might be anywhere, but I pray for your causeless mercy always to move ahead on the path of Krishna Consciousness.

Your most fallen servant, Bhakta Ranjeet Rajak.

Dear Srila Prabhupada,

Please accept my humble obeisances.

We all are searching for happiness and satisfaction in our life. As students, we have so many role models – celebrities, sports persons. As students, we don't know what is the aim of life; why we are born as human beings; what is the duty of human being?

We are so fortunate that we have taken shelter of his divine grace. Guru knows what the ultimate purpose of life is. Srila Prabhupada is the spiritual master of the whole universe, and often referred as spiritual ambassador from Goloka Vrindavan.

Now we know what is soul and super soul? Who is god and what is my relationship with god? Srila Prabhupada has given us the gift of devotional service to the Supreme Personality of Godhead Sri Krishna. Now we have an address of our eternal home – where there is no birth, death, old age, and disease; that is the spiritual world. By the mercy of Srila Prabhupada, we have got spiritual knowledge.

Chanting Hare Krishna Mahamantra has helped me to elevate from the material platform to the spiritual platform. Hare Krishna is so blissful which help us to control the mind, and come to the platform of devotional service. Srila Prabhupada is my spiritual master, teacher and inner guide. Best gift given by Prabhupada is that he made an institution so that we can have devotee association. His instructions have helped me at every step of my life. Life is full of difficulty and problems. By the mercy of Prabhupada, I am getting spiritual enjoyment. His books have helped me to get spiritual knowledge. As a student I want to help society, and best way to do this is by giving them knowledge of Bhagavad Gita, distributing books of Srila Prabhupada, and explaining them about Srila Prabhupada's life. I will derive joy and satisfaction in bringing the whole society close to Srila Prabhupada.

Your humble servant,

Bhakta Rishabh Sinha.

Bhakta Rupesh

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet.

Prabhupada when I see all around, people in this world are living a very miserable life full of anxiety and unhappiness due to unawareness about Krishna Consciousness.

Because of your causeless mercy, a fallen soul like me could come to Krishna Consciousness Movement. You have given us the greatest gift- Krishna Consciousness in this human form of life without any previous qualification.

Dear Prabhupada, you taught us everything about spirituality, like who we are, who is god, and how to serve god. In my spiritual life, I committed so many mistake and offenses yet you are so merciful that you are forgiving everything, and guiding us.

Dear Prabhupada you are so merciful that you are giving such a high standard of bhakti to a highly fallen soul like me without any previous qualification.

Dear Prabhupada, it is very difficult to practice bhakti in this age. Please be merciful to me, and give me strength so that I can follow your instructions very sincerely and seriously.

Please keep me in your shelter.

Your most fallen servant, Bhakta Rupesh Kumar.

Dear Srila Prabhupada

Please accept my humble obeisances

All glories unto you on this auspicious day of your Vyasa Puja.

I am very grateful to you because I am blessed by you and the Supreme Lord Krishna. Due to associations of the pure devotees of ISKCON Bangalore, I am trying my best to follow the four regulative principles, chanting 16 rounds, doing kirtan, and honouring prasadam. All this could be possible only because of your mercy. So please keep showering this mercy on us always. You are my spiritual master, and deliverer of the fallen conditioned souls. Please keep mercy on me on the path of Krishna Consciousness always.

Dear Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet.

All glories to you on this most auspicious appearance day of your divine grace

As the representative of Srila Vyasadeva, you have explained the original teachings of Srila Vyasadeva in your Bhaktivedanta purports for the benefit of all conditioned souls. Your purports make the most difficult philosophy easy to understand for us. Your teachings have helped me progress on the path of spirituality. I owe all my advancement on the path of spirituality to you only.

You are the ideal acharya, because you taught us everything about spiritual life by your personal example. Even though you had been empowered by Lord Chaitanya to spread the holy name of Krishna throughout the world, you performed your devotional service strictly following the instructions of your spiritual master. By your personal example, you taught us to accept all austerities to carry out the order of the spiritual master. By your tapasya you have given the wonderful gift of this Krishna Consciousness Movement to the whole world. On this most auspicious day, I humbly beg you to continue to shower your blessings on me to make me an instrument in serving your mission. I beg you to give me the inner strength to perform all austerities in serving your mission. Please forgive my offenses, and give me the intelligence to carry out your orders under the protection of your divine movement in the association of your sincere devotees.

Always in your service,

Jai Srila Prabhupada!!!

All glories unto your lotus feet.

I offer my respectful obeisance's unto you, my spiritual master, the deliverer of the fallen souls.

All glories unto you, Srila Prabhupada.

All glories unto you on this auspicious day of your Vyasa Puja.

O, My Spiritual Master!!!

Because of your kind mercy, I came to know my real identity, who am I?

I am not this body, I am spirit soul, part and parcel of god. I joined Jijnasa club (HKM) almost two and a half year ago, and now I am chanting minimum 4 round, and trying to chant at least 6 rounds daily. I am reading your books regularly. I need your blessings, grace, and mercy to complete my college studies along with my spiritual growth simultaneously by serving Krishna and chanting Hare Krishna Mahamantra.

Because of your mercy, I am realizing Krishna more and more. And I am able to realize how each and everything is related to Krishna. How I can connect my duty, my work or whatever I do, with Krishna Consciousness.

Hey Jagadguru Srila Prabhupada!!! By reading your books and sometimes hearing lectures, I am getting more knowledge about the things that are right and that are wrong. O my spiritual master, I need your more blessings. Please show me the right direction to do my duty along with chanting and to serving the supreme father as well.

All glories unto you. Please keep me under the shelter of your lotus feet

your humble servant,

the most unfortunate, insignificant beggar....

Dear Prabhupada,

I bow down to you, may your mercy be always on us, what you have helped me to achieve, has completely changed my life, you gave us the Hare Krishna Mahamantra, I chant it daily and it has many positive effects on my life and one of those is that now my mind doesn't wonder that much in this material world, I have read some of the books like beyond birth and death, way to Krishna, perfect question and perfect answer and I got to learn that we are not the body and there is a soul in every living entity, and there is birth after death and I came to know the power of serving Lord Krishna and the power of chanting. You established the hare Krishna movement and it is helping the people all over the world, as it is making them aware of the material suffering and all the problems that come with it and how to solve them in the way as prescribed in our Vedic scriptures. Always be merciful on us.

Your Aspiring Servant,

Bhakta Sanjeet Singh.

Bhakta Sanket Gupta

My Dearest Srila Prabhupada,

I offer my respectful obeisance unto my Spiritual master who has opened my eyes. I can see the pure love in your eyes Srila Prabhupada. After joining your organization, feeling honoured. I was living like a dead stone; you gave me a life. The chanting of Hare Krishna Hare Rama gave me inner peacefulness. Honestly, it is a great experience and I want to be in your feet for the rest of life. You are the most abundantly read author in history. I feel the presence of you when I chant Hare Krishna mantra. Srila Prabhupada's contribution to the spiritual progress of humankind remains unequalled within recent history.

Kindly accept this piece of writing as Vyasa Puja offering from my side and shower your blessings. I just beg for your mercy.

Always your servant,

Bhakta Sanket Gupta.

Bhakta Satyam Shukla

Dear Srila Prabhupada

Please accept my humble obeisance under your divine lotus feet. I like to thank and express my deep sense of gratitude to you for your causeless mercy that you gave this divine wisdom to all of us and formed an institution to practice and follow it as knowledge without practice is useless. I'm blessed that I have a guide like you. I feel it's you who are delivering knowledge while reading your books, listening to your words. Gradually as I went on reading and listening to Srimad Bhagavatam lectures I understood the purpose of life the meaning of life, and how can I best utilize this life. As I came in touch with HKM and started to grasp your words, a lot of things have been changed in my personal life. And I think it became possible only because of your mercy. Prabhupada, I'll try to continue reading books and chanting the holy name of Krishna. Please give the right intelligence to carry out your orders and please keep me under the shade your lotus feet so that I can improve further.

Always in your service,

Bhakta Satyam Shukla.

Bhakta Shekhar Kumar

Dear Srila Prabhupada,

Please accept my humble obeisance's at the dust of Your Lotus feet. All glories to your divine grace, all glories to your transcendental Vyasa puja, all glories to Srila Prabhupada. First of all, let me wish you a warm and loving Vyasa Puja on the occasion of your holy and transcendental appearance day. A moment association with a pure devotee of the Lord is beneficial for a person, in fact, Prabhupada you made me more convinced about this fact. Fortunately, this year by Gauranga Mahaprabhu's grace I was able to visit your place in Vrindavan Dham I am touched by reading some of your books. These books encourage me spiritually. A moment association with the Hare Krishna Movement I came to know the goal of my life-" Back to home, Back to Godhead". Because of your mercy, I am able to learn Bhagavad Gita (Bhagavad Gita as it is) from a pure devotee of Krishna.

Prabhupada, many of the positive changes came in my life after taking shelter on your lotus feet like chanting Hare Krishna maha-mantra, attending sankirtana, studying spiritual books and many more. Many of my problems have solved by reading your books, from your video lecture and from devotees. Your classes whether in English or Hindi were just out of this World. I pray at your lotus feet to please continue to inspire me and many others in the devotional line, please empower me Prabhupada so that I can give up the false hope of enjoying the material world. I also started to follow your four principles which stop me to do sinful activities like meat-eating having toxic materials. Dear Prabhupada, thank you so much for everything you have done for me. I have no words to describe the favours you have done upon me, accepting me as your disciple, allowing me to serve in Vrindavan Chandrodaya Mandir which was a great opportunity for me. Begging to remain under the shelter of your lotus feet at all times and aspiring to be your humble servant, please forgive my unlimited offences and continue to shower your mercy upon me.

Your Servant,

Bhakta Shekhar Kumar.

Bhakta Sulaksh Gupta

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet. On this auspicious day of your Vyasa Puja, I want to thank you for the most beautiful thing that has happened to me due to your mercy. Three years ago, by your mercy, I came in touch with Krishna Consciousness Movement and that has completely changed my life. From then onwards I am more tolerant and I have a spiritual view of life. I remain happier than ever. Now I am chanting 8 rounds a day and aspiring to do 16 rounds a day as soon as possible. Sometimes I feel difficulty in chanting the rounds. I beg your mercy so that I can practice Krishna Consciousness seriously. Please bless me with your mercy and always keep me under the shelter of your lotus feet so that I can conquer over the vicious cycle of birth and death. Please always help me to associate with your devotees and to cross every hurdle that comes in my way of devotional service. Without your mercy, I cannot do anything but with it I can easily cross this material ocean.

Prabhupada please forgive me if I have done any offence at your lotus feet and I beg you to bless me with your mercy. Srila Prabhupada ki Jai! All Glories unto you.

Trying to be your servant, Bhakta Sulaksh Gupta.

Bhakta Sunny Kumar

Dear Srila Prabhupada,

Please accept my humble obeisance unto your divine lotus feet. All glories to my spiritual master on this auspicious day of your Vyasa Puja.

O my master, you made me understand the difference between animals and human beings. As you repeatedly say that eating, sleeping, mating and defending are the activities which are common to animals, humans and all other living beings. By your causeless mercy, I came to know that I should use my advanced (as compared to other species) consciousness to enquire and understand about myself and my param-pita Krishna. By reading about your past times, I came to know about how hard you have worked day & night for spreading Krishna Consciousness throughout the world. It would not have been possible for such a fallen and entangled soul to get exposure of such a great and eye-opening movement of Krishna Consciousness.

Prabhupada, by your mercy, my inclination towards sense gratification is decreasing day by day. And even if I indulge in these activities, I always fear the violation of your instructions. But my association with the mode of ignorance & passion entangles me and takes me away from your guidance. One of the most important reasons for this is my insincere chanting but I am trying my best to overcome this problem. Without your blessings, it won't be possible. Before coming to your association, imitating Guru and Krishna was not an offence for me. Now I know that Guru and Gauranga are not to be imitated but to be followed sincerely. Prabhupada, whenever I get a chance to do service for Krishna, I accept it very enthusiastically. You have arranged each and everything so nicely for us that even a fallen soul like me can do devotional service and develop a love for Krishna. Your explanation of the difference between kama and Prema is enlightening. According to your purport, love for Krishna is the ocean and love in this material world is just a drop of water in that ocean.

O my beloved master you have made me understand the real bhakti in this age when there are uncountable fake (self-proclaimed God) gurus and their mentally concocted philosophies. I don't have any materialistic desire from you because I know that you and Krishna fulfill every need required for devotion. Please shower your blessings upon us so that I can develop a sense of realization for all your instructions and I can serve your lotus feet forever.

Begging to be your humble servant for eternity,

Bhakta Sunny Kumar.

Bhakta Suraj Sharma

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to your divine grace. Thank you very much for giving me the opportunity to be engaged in your Hare Krishna Movement. Again, a year that has just passed on and has made me stronger in practising Krishna Consciousness the reason being is only and only your mercy. It has been your blessings and the intelligence given by you that I have been able to practice it. For the last few years somehow, I have had the good fortune to be connected to your lotus feet. Out of your causeless mercy, you brought me to your spiritual family. After getting in touch with the Hare Krishna Movement, I can see the unbelievable change like an improved concentration in myself. While we keep coming across multiple crossroads in life where it is easy to get carried away towards a materialistic comfort zone.

Lord Krishna's and Your blessings as well as a continuous engagement with temple devotees, ensures that the focus gets re-aligned to making a steady progress on the path of Krishna Consciousness with the ultimate goal is getting a place in the lotus feet of Krishna. My family members have also started chanting the holy names and started Mangala Aarti at our home, please help them to continue practising. Please continue to bestow your mercy.

Your Insignificant servant of the servant,

Bhakta Suraj Sharma.

Bhakta Thaisnang Reang

My Dear Prabhupada,

Please accept the humble obeisances of your most unworthy servant. A lot has changed since the last time I wrote to you. I do not know up to how much of them you are aware of. Even if so much has changed I am still determined to fulfil my mission, that is to repay my debt unto you or one may call it Guru Dakshina. All the knowledge I have has come through you. The ocean of mercy which you have showered upon this unworthy soul cannot be repaid even after the lifetime of a thousand Brahma's. There is still at least one more year left of my college days and death can come knocking my door the very next moment. I am hoping that before the arrival of that day I would be able to repay for at least one drop of the mercy which you have showered upon me. I am so unworthy that even to repay that single drop I need your guidance, of this fact I am ashamed. Putting aside all my shame, I am asking, please continue giving your guidance upon me for I am the biggest fool. Praying for forgiveness for the debt I would not be able to repay for your mercy is limitless, I offer my humble obeisances unto you, may your fame spread all across the three worlds.

Your most unworthy servant,

Bhakta Thaisnang Reang.

Bhakta Vinay Arora

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to Srila Prabhupada. All glories to you on this auspicious day of your Vyasa-puja. It's always an opportunity of great pleasure to glorify the role that your divine grace is playing in my life & to express my indebtedness. As & how I am progressing into the spiritual life, the science of Krishna Consciousness has become an indispensable part of my life. Not only spiritually but principles of KC are equally applicable in material life as well. As mentioned in the purport given by your divine grace in SB second canto, chapter 9, verse 37 (SB 2.2.9.37): "No one should try to squeeze out his own meaning by imperfect mundane knowledge. The guru or the spiritual master is competent to teach the disciple in the right path with the context of all authentic Vedic literature....."

I always try to keep this in mind & follow the rules & regulations without deviating from anything arising out of comfort or material desires. Your way of representing the teachings of Bhagavad Gita & Srimad Bhagavatam is very unique yet simple so that conditioned souls like us can easily grasp those instructions & practically implement them. Travelling across the globe 14 times, spreading the science of Krishna Consciousness across the globe, conditioning even those who were completely unaware of this immortal science, giving the nectar of Harinam to the fallen souls was not possible by anyone except you. By your causeless mercy only, such a transformation has been made possible. You have blessed us by the ocean of your mercy, mercy beyond the physical limitations. Being on the path of Krishna Consciousness, with your grace & mercy this fallen soul have successfully completed one year in working for your mission “no child in India should be deprived of education because of hunger”. Kindly keep on showering your causeless mercy on me so that I keep on advancing in spiritual life as well as my faith keeps on increasing with the time.

Your most sinful servant, Bhakta Vinay Arora.

Bhakta Vinay Yadav

Dear Srila Prabhupada,

I offer my respectful obeisances unto your divine lotus feet. All glories to you on this auspicious occasion of your Vyasa-puja. First and foremost, I like to thank and express my deep sense of gratitude to you for your causeless mercy that you imparted this divine wisdom of our Vedic scriptures to all of us in a simplified way and formed an institution practice and follow it as knowledge without practice is useless. You made it so simple and cogent that anyone could understand it and practice it. Your teachings acted like a torch of knowledge which removed the darkness of ignorance from my life. When I started reading your books I had myriad of doubts but as I read more books, all those so-called logical arguments and presumptions about spirituality got vanquished. Gradually as I went on reading your books and listening to Srimad Bhagavatam lectures, I understood the purpose of life, the meaning of life, and how can I best utilize this life. After coming into the Hare Krishna Movement, my perspective to life got unprecedentedly changed and I started looking at things in an utterly different way.

Prabhupada, I am in touch with you for the last 3 years and I am chanting 12 rounds every day. I seek pardon for all my offences and implore you to please give me the right intelligence to carry out your orders. I submissively beg you to keep me under the shade of your lotus feet so that I can improve further.

Always in your service,

Bhakta Vinay Yadav.

My dear Srila Prabhupada,

Kindly accept my most revered and grateful obeisances at your lotus feet. My dear Gurudeva, there are no words in which anyone in the material world can fully describe your glories. Just like Sri Krishna, your glories are unlimited. By some causeless mercy and fortune, I have simply begun to realize this. I have no qualification to be in touch with you, yet by your causeless mercy upon the most fallen souls, you have kindly made yourself accessible to all. Please, I beg you to kindly give me a drop of your causeless infinite mercy and bless me that I can become eligible to be a particle of dust at your lotus feet. My dear Gurudeva, kindly accept me as your own, kindly please train me up to be a pure, sincere, humble, offenseless, bona fide disciple and devotee, your nitya servant. Words cannot express the deepest gratitude I feel for being a recipient of your causeless mercy. Under the dark veil of ignorance I was rotting away in material life, becoming increasingly more degraded. Through your causeless mercy, your deepest compassion for the fallen souls of Kali-Yuga, you lifted that dark veil and revealed the light of transcendental knowledge.

While preaching, you shine with purity, enthusiasm, heart-warming humor and the deepest devotion. Your lectures have always been a treasured source of shelter, challenging my materialistic conceptions and inspiring me to become Krsna Conscious. Your ecstatic kirtans are also very inspiring. They radiate the bliss of devotional service and show us how to give everything for Krsna's pleasure.

Srila Prabhupada, you are truly expert at Vaisnava dealings, knowing exactly what to say to soften the hearts of your disciples and inspiring them to give more in their service. You are showing me the power of the Holy Name to purify both the mind and body from all material contamination, for ever-increasing engagement in devotional service. For this I am

eternally grateful. I pray that the instructions you have so kindly given me become one with my heart, so I can serve you selflessly with sincerity and devotion.

Dear HDG Srila Prabhupada,

Please accept my humble obeisances. All glories to your Divine self. I would like to take this opportunity to express my sincere gratitude for guiding me in my spiritual life and showering your causeless mercy upon this fallen soul.

You have successfully preached and spread Krsna Consciousness throughout the world.

Currently, the Holy name is chanted in every town and village as the prediction by Lord Chaitanya Mahaprabhu. You have shown by example the characteristic and behaviour of a spiritual master. Your departure to the spiritual world was a great loss to all the devotees. Nevertheless, you are still alive through your books and lectures which is our source of guidance in spiritual life. Throughout my devotional life, I have personally experienced your blessings in my spiritual life. On this special day of yours, please continue to shower your mercy and give me the strength to preach Krsna Consciousness effectively.

Sura Krishna Dasa

Dear Prabhupada, Ocean of Mercy that knows no limit.

Uttering “Thank You Prabhupada” is not suffice to depict overwhelmed favour showered upon us. Keeping us surviving to this world & marching incrementally improving spiritual life. Being tossed by duality of life, fulfilling needs of senses & family, hankering false honour & etc.

Wondering the Magic behind that still keeping us with Krishna despite all Material hankering. No doubt Your Divine Grace Merciful glance is still spot on us, Your Dearest lost & rebellious children. One never gives up on us, unfortunately we occasionally forgets overwhelmed by life challenges.

Despite Material dominance, we do realize spiritual ray is taking charges incrementally. We hope before giving up our Body, we are Spiritualized completely. No Doubt, No Doubt, No Doubt, it is not possible without Your Divine Grace Blessings.

We don't seek for Your physical presence to be spiritualized. We can't find difference between Your Divine Self & Your Books. What is the need for Vapu seva, if Vani Seva is ever available 24 Hours within our limited dominance.

We will never be lost when Your Books are with us.

You are the Jagad Guru.

Sincerely from Your insignificant Disciples, Sura Krsna Dasa, Rohini Devi Dasi & Childrens.

I am very fortunate to write to you on the auspicious day of your Vyasapuja. First of all, we are very happy to celebrate your wonderful appearance day.

Thank you for your dedication in training your disciples through your instructions in line with the divine Vaishnava principles. Often I think, where would I be without you, your disciples, and your preaching centres. It will never be a pleasant thought, not even for a slight moment, since, you are the ultimate light of hope for our Krsna Conciousness.

Guru-Maharaja, my family was burdened with multiple problems but yet I'm very grateful to be still attached with Krsna conciousness because of your mercy upon me and my kids. Till now, I'm not only fulfilling my duty as a mother of my children but also, I'm dedicating myself and my kids to be engaged with your devotional service. I'm so thankful that I could still show such compassion and keep thinking of Krsna although I'm struggling in a so-called material world. Please shed us with your blessings, guidance and engage us in your devotional service. We wish only to humbly serve at your lotus feet, birth after birth.

Dear Srila Prabhupāda,

Please accept my most humble obeisances at the dust of your lotus feet on this auspicious anniversary of your divine appearance. Please bless me that I can remain engaged in your service life after life.

As a perfect representative of Lord Krsna, Srila Prabhupāda is a perfect spiritual master. Srila Prabhupāda not only perfectly repeated Lord Krsna's message, but he also perfectly lived His message. Because Srila Prabhupāda had an intense desire to give Lord Krsna's mercy to the fallen souls of Kali-yuga, Lord Krsna is fulfilling that desire through Srila Prabhupada.

Truly fortunate are those who come in contact with what Srila Prabhupāda offers and then accept it. The more they follow Srila Prabhupāda, the more fortunate they become. The more fortunate they become, the more they become empowered to spread that fortune to others. Once again, I offer my humble obeisances at the dust of your lotus feet. Jai Srila Prabhupada.

Dear Srila Prabhupāda,

Please accept my most humble obeisances at the dust of your lotus feet. In the journey of life one needs profound knowledge, not only of the material world but of the method to go beyond it. My dear Srila Prabhupāda,

Please accept my most humble obeisances at the dust of your lotus feet. All glories to Your Divine Grace.

Many times, throughout your teachings, you mention that sincerity is an essential component for advancement in Krsna consciousness. You say sincerity is necessary to first come in contact with the spiritual master.

“According to their karma, all living entities are wandering throughout the entire universe. Some of them are being elevated to the upper planetary systems, and some are going down into the lower planetary systems. Out of many millions of wandering living entities, one who is very fortunate gets an opportunity to associate with a bona fide spiritual master by the grace of Krsna. By the mercy of both Krsna and the spiritual master, such a person receives the seed of the creeper of devotional service.” (Caitanya-caritāmṛta, Madhya 19.151)

I would like to thank you Srila Prabhupada for granting this rare opportunity and please give your mercy to advance in my practice.

Your Servant,

Bhaktin Dhamayanti.

Bhaktin Kali Sangeetha Mariappan

Please accept my humble obeisances.

All Glories to you on this auspicious day.

You teach us how to chant and how to become dependent on the holy names for our sustenance and inspiration. Also, you teach us how to be responsible for our own material and spiritual life. No one else can chant our japa mala for us, therefore you have taught us responsibility and self sufficiency to take care of ourselves spiritually by building a dependence on the holy names and therefore opening the doors to the spiritual realm, Goloka-dhama.

These things you have taught us, not only what devotional service is, but how to practice it. Not only how to practice it, but how to practice it so that we can, for the rest of this life and our future lives, always be engaged in Krishna's service. This gift you have given us is the greatest boon. We are eternally indebted to you for this.

Thank you for teaching us these valuable tools. You have equipped us to the hilt, our bhakti yoga tool box is full to the brim, with everything we need to help ourselves and others in their devotional service. Please bless us so that we can take full advantage of everything you have given us. You have given us so much, you have given us everything. Please bless us so that we can carry deep within our hearts, everything that you have taught us. HARE KRISHNA!

Your devoted servant,

Bhaktin Kali Sangeetha Mariappan.

Please accept my humble obeisances at your lotus feet.

All glories to you on this auspicious day.

I am very fortunate to have the opportunity to write to you on the auspicious day of your appearance. I am very fortunate, first of all you entered my life and heart. Often I think of where would I be without you.

I am truly grateful to you Srila Prabhupada, for giving us special mercy. The mercy of your presence on this earth, to teach us fallen ignorant souls about Sri Krsna. I am especially grateful as you have taught us so many things in Krishna Consciousness.

Day by day I realize more obviously that this world is not my home, that those people called "relatives" are not the closest people in reality. They are just separate souls to whom I was attached due to my karma. But the closest is the Spiritual Master and Krsna. Krsna is yours and you can give Him to me, for such is your power. I am simply running behind you, crying out, "Krsna! Krsna!"

Struggling to become your servant,

Bhaktin Mageswary Krishnan.

Bhaktin Nagakanni

Dear Srila Prabhupada,

I thank you from deep within my heart for saving me.

Your Servant,

Bhaktin Nagakanni.

Dear Srila Prabhupada,

Words can't express how grateful I am to you for giving me the greatest gift, Lord Krishna and Krishna consciousness. Whenever life gets harder, I always turn towards your books, quotes and speeches for guidance and motivation to move forward. On this auspicious day, I am offering my humble obeisances to your lotus feet and my only hope and prayer is to remember you, Srila Prabhupada and Lord Krishna for many lives to come.

Your servant, Bhaktin Nitya Vaisnavi.

Bhaktin Parameswary Krishnan

All glories to Srila Prabhupada,

I, sincerely thank you from the bottom of my heart for guiding me via your disciples and your direct lectures uploaded in you tube titled "effective method of chanting". You have stress one should hear the own saying of Hare Krishna, Hare Krishna, Krishna Krishna Hare Hare, Hare Rama Hare Rama, Rama Rama Hare Hare.

Repeated chanting of this divine names, has just somehow kept me moving forward in every moments of my life. In the midst of all activities of life, let it be working, walking, cleansing, eating, when a sudden pain strike my thoughts due to some distress, only saying and hearing of this mantra has kept me going.

Your chanting methods and lessons in Bhagavad-gita and Srimad-Bhagavatam has developed in me a unshaken trust that HIM WHOM I WORSHIP AS MY HEAVENLY FATHER/MOTHER is residing in my heart and is always watching and guiding me.

Thank you, for planting this seeds of realization in me. Jai Srila Prabhupada

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet. All Glories to Srila Prabhupada.

I am very grateful to you for showing us the correct path and showing me the right way of bhakti, without your help and guidance, I would be confused. I would like to thank you for inspiring us to perform bhakti without any fear or leaving the basic necessities of our lives.

I hope and pray, that forever Radha Krishna will keep me as your servant. I appreciate that every single good thing that comes in my life is because of your causeless mercy. I would like to express my sincere thanks to you for making me aware of the dwelling in this material world, and placing me at the lotus feet of Radha Krishna.

Your eternal servant,

Bhaktin Tapasvini

My Dear Srila Prabhupāda,

Please accept my most humble obeisances at the dust of your lotus feet. All glories to Your Divine Grace.

You brought all the wealth of the spiritual world—in your person, in the holy name, in your books, and in the form of your movement. Now I desire to go back to Godhead, and this material world looks blank. But you showed that preaching transforms the material into the spiritual world. Now I am excited to see Gauranga touch people's lives everywhere; I want to be a better instrument of that flood of mercy. Now the world transforms into Vaikuntha, and we are becoming Vaikuntha men and women. You have turned crows into swans.

May I do something to repay you.

Thank you Srila Prabhupada.

Your Servant, Bhaktin Tapasvini.

Bhaktin Uma

My dearest Srila Prabhupada,

Please accept my obeisances. All glories to you.

I have read that Srila Prabhupada once said " My guru is no ordinary guru. He saved me". I feel the same way about you, Srila Prabhupada.

After traversing a chapter of life full of miseries I thank you with all of my heart for bringing love of God back into my life. Through your eyes and teachings I have been able to see just how lovely, wonderful and kind Krishna is, and love Him by your mercy, you have installed Radha and Krishna in my heart. By your mercy my heart blossoms again with creeper of devotional service.

My most humble and grateful obeisances to you.

Raghuveera Dasa

Dearest Srila Prabhupada,

Please accept my heartfelt humble obeisances on this most auspicious day of Your Divine Grace's appearance. I earnestly thank You for once again giving me this opportunity to write most insignificant words of homage for Your pleasure. Though I am totally unqualified to be a recipient of Your mercy, it's only Your causeless compassion and unlimited grace upon this wretched soul which has kept me so far under your shelter. I am just made of Your mercy.

One pastime of Your lordship with one of Your disciple in Vrindavan (though I am not able to exactly put it here) shows me how You are maintaining all of us in Krishna Consciousness. Once when a disciple who was seemingly overburden by services, approached You in a complaining mood to express his inability to even chant his 16 rounds due to services. You advised him to continue your personal services and being in your association. Unfortunately, after sometime when he was no more Your personal servant and start managing affairs of other temple and chanting 16 rounds, soon left the temple.

It was a clear indication from You that it's not our insignificant service which has kept us in Krishna Consciousness but it's just Your causeless mercy by which we are being maintained here. I am just like a busy fool, an externally renounced monkey who is very active in mind but can't do any good to even himself. When I look back I can't find anything apart from my blunders and disloyal actions filled with embarrassment. What always surprises me is how can someone be so liberal, magnanimous, compassionate, affectionate and protective like Your Divine Grace. Even this thought itself is beyond the jurisdiction of imagination for any conditioned soul like me.

The most magnanimous and incarnation of Supreme Lord's mercy

You appeared for us with bold message in essence and emergency

O Angelic master, dear messenger of Krishna and a Goloka resident

You have dissipated the darkness of ignorance in the hearts like a sun radiant

All auspiciousness for humanity is becoming visible

Illusion, atheism, impersonalism and monism are becoming feeble

Unfortunate I am as not following Your commands properly

Who will save me, apart from You causeless mercy unconditionally

I prostrate, cry, beg forgiveness and offer my unworthy prayers

Keep me always at Your Lotus feet to serve without conditional desires

O Srila Prabhupada ! Never ever let me go away from the shade of Your divine lotus feet. Bless this beggar to become a dedicate soldier in Your army. Please take away all my shortcomings. Allow me to take my last breath in ashram serving Your divine mission to best of my capability. Use me in the service of Your movement the way You like. Empower me to be loyal and dedicated to spread Your movement without any personal reservation and ambition. All Glories to Srila Prabhupada! All Glories to the savior of the fallen souls!

Your eternal debtor,

Raghuveera Dasa.

Vidura Dasa

Dear Srila Prabhupada,

Please accept my humble obeisances,

It's been a course of 1.5 years now since I have taken initiation. These 1.5 years were very special for me as I got immense opportunity to be in association of devotees. I have been involved in FOLK preaching at Pilani Center with Raghuvēr Prabhu. By your grace Prabhupada, we got a chance to conduct many programs for youths, trying to encourage them to catch up Krishna Consciousness. Although there were many difficulties involved in youth preaching but still we were always encouraged by senior devotees to continue the same with the best of our efforts. We had one devotee joining the Ashram from Pilani.

We got many engagements for us and other local people living in Pilani. We got so nice book distribution this time by Your mercy, Prabhupada.

When I get any challenge in preaching/service, I immediately recall how difficult it would have been for you when we are facing so many challenges now in this technically advanced age. I still remember how you were washing the vessels which were used by people joining your lecture even after you being at advanced age and they being very youth. The spirit behind every act of yours was preaching the holy names. Wherever You were, whatever you did, whomever You met, You were always trying to connect with Krishna. When I read Your biography, I found that there were many so called failures in Your journey but still You didn't give up. I remember the purport in which You have highlighted the importance of instructions of spiritual master.

vyavasāyātmikā buddhir, ekeha kuru-nandana

bahu-śākhā hy anantāś ca, buddhaya 'vyavasāyinām [BG2.41]

Faith means unflinching trust in something sublime....As such, to be well versed in Krishna consciousness one has to act firmly and obey the representative of Krishna, and one should accept the instruction of the bona fide spiritual master as one's mission in life.

How wonderfully your biography is reflecting this one line !

I, with folded hands, beg for Your mercy and look forward to engage myself in the service of Your mission lead by Chaitnya Mahaprabhu. Although I have not been up to mark but still I desire to be in Your service always as I don't see any other hope in this complex world where everyone is just looking for sense gratification at any cost.

Your servant,

Vidura Dasa.

Bhakta Ashutosh Birla

Dear Srila Prabhupada,

My humble obeisance unto Your lotus feet. I would like to use this wonderful opportunity of Your appearance day to express my gratitude for Your causeless mercy that You bestowed upon me. I feel eternally debted to You not only because You woke me up from my spiritual sleep but also because You freed my frustrated mind from the nescience that it was suffering under. There are no words that can describe Your magnanimity or Your kindness upon Your disciples. Even after physically disappearing, You are present in Your books to guide us. You made so many efforts to ensure that people would be guided even in Your physical absence.

Your dedication and devotion for Krishna inspires us all. Even after committing so many offences, I still find myself engaged in Krishna's devotion and I can only imagine your kindness that You so freely distribute only for the benefit of the troubled and fallen souls.

I can only thank You again and ask that You keep me under Your guidance birth after birth. Haribol !

Your Eternal Servant,

Bhakta Ashutosh Birla.

Pranam Prabhupada,

Knowing about Your life's journey which was dedicated to spread the consciousness that everything that we know is pervaded by Krishna i.e. Krishna Consciousness had a deep impact on me. The determination with which You continued even when life was challenging You at its worst, truly makes me believe that You are a true devotee of Lord Krishna. I wish to cultivate the sincere devotion in my heart, please bless me and everyone. Hare Krishna!

Dear Srila Prabhupada,

Please accept my humble obeisances.

I was a devotee of Sri Hanumanji since childhood. But when I had been to Vrindavan 5 times, every time I went there the Mangla Arti always fascinated me. But I always took it as a peace providing resource to mind. When I joined Flight-6 , an internship programme provided at Akshaya Patra, Jaipur then I came to know what spirituality is? How Krishna consciousness is related to us? I came to know many answers of the fundamental questions which I thought can't be answered by anyone in this world. What is Soul ? What is a real devotee? What actually is happiness ? Prabhupada and His preaching gave me many wonderful lessons towards life and now I am pretty clear about spirituality. I came to know Bhagavad Gita is not just a religious book , but it is a book which teaches us how to live a life with real happiness and satisfaction. What I learned in 15 days about this world i couldn't learn till the age of 20 through any great book. I am really thankful to Akshaya Patra and Srila Prabhupada Ji.

Yours faithfully, Bhakta Himanshu Sharma.

Bhakta Jyoti Ranjan Pagoda

Dear Srila Prabhupada

Please accept obeisances from Your most unfaithful servant.

Before coming into devotee association I was thinking that I am very happy in this material world. But gradually only by Your mercy, I realized that everything is just illusion.

After coming into devotee association all my misconceptions are vanished. I enjoyed in being with devotees.

Please give me strength to follow 4 regulative principles and to chant 16 rounds without fail.

Yours most unfaithful and fallen servant,

Bhakta Jyoti Ranjan Pagoda.

Bhakta Mashetti Sai Praneeth Akhil

Dear Srila Prabhupada,

Please accept my humble obeisances. I am at your feet Prabhupada Ji. You had single-handedly spread Krishna consciousness across the globe there by establishing dharma in the age of kali.

Guruji, You are the sarvagna : great manager, counselor, doctor and teacher. By Your Grace I got an opportunity to know about Krishna consciousness through spiritual club in our campus ,Guru Ji you have sacrificed a lot for us ,even You have sacrificed Your sleep for explaining about Krishna to beginners like me.

I am blessed to have You Guru Ji; You are always there for me when I am in need.

I understood about the purpose of human life, how can we use this wonderful opportunity through Your books, Hare Krishna Mahamantra, lectures. I am fortunate to have the association of devotees, whatever progress I made is only because of You and Your blessings Guru Ji.

I desire to increase my chanting rounds, reading time, and I want to develop qualities like humility and gratitude.

Jai Jai Prabhupada !

Dear Srila Prabhupada,

Please accept my humble obeisances at Your lotus feet. The spiritual knowledge imparted by You has turned life 360 degrees for many people like me. You have clearly explained the real aim of human life in your teachings. It's hard to imagine the miserable plight of life without You, Krishna and devotee association. I beg at Your lotus feet to impart me the strength to follow the vedic religion and live the practical way of life proposed by You. It is impossible for anyone to progress even a step in Krishna consciousness without Your mercy. I beg for Your mercy. Please provide me the strength to make every instruction uttered by Your lotus mouth as my life and soul. Bless me with Your, Krishna's and devotees service on every walk of my life. Guide me the way to leave material life behind and live by your instructions.

Your servant,

Bhakta Rahul Bhardwaj.

Bhakta Shrey Aggarwal

Dear Srila Prabhupada,

Please accept my humble obeisances. Srila Prabhupada, You changed my perception about spirituality. Earlier I used to think that only highly qualified devotees who wear simple clothes and take Sanyasa can practice spirituality. But after joining Krishna Consciousness Movement I realised everyone and anyone can follow this path and still lead life a normal life. Hare Krishna.

Your Servant,

Bhakta Shrey Aggarwal.

Bhakta Shubhank Jain

Dear Prabhupada,

Please accept my humble obeisances. I am not spiritually advanced, so my offering may not have a spiritual element. However, I would like to thank You for the work that You have done throughout Your life for others. Thank You, for so many books, that You have written spending sleepless nights. Thank You, for taking up such a great task of going to the west for preaching and helping so many people there. Without You, I would have ended up not appreciating my own culture and would have fruitlessly wandered somewhere else for wisdom. Without You, I and many others, would have no sense of what is actually right. Finally, thank You, for leading by example. Even though I may not understand and appreciate all the things that You teach, I can see that there must be something great in this, for I have never seen a man stick to his words or words of his spiritual master, to such an extent, that last moment You was in this material world, You taught about Krishna Consciousness.

Your Servant,

Bhakta Shubhank Jain.

Bhakta Vivek Bisnoi

Dear Srila Prabhupada,

Please accept my humble obeisances. It gives me immense pleasure to express my thought about such a great and divine personality like You. Because of Your unlimited mercy only are we today able to enjoy the nectar of devotion and You have made the lives of millions of followers really successful. You are the greatest among all the greatest spiritual masters and devotees. I pay my obeisances to You. Such a great act of spreading Krishna consciousness in such a fallen age of Kali yuga is historic.

Though I am not so intelligent and very much fallen to express my views and admire Your great work but due to my immense desire only I am penning it down here. I again and again pay my respects and obeisance to You and thank You for Your unlimited mercy on me to guide me on the path of Krishna consciousness. It is impossible to express Your divine work in words. By Your books and teachings You always remain with us and always accompany the devotees even in the midst of the greatest trouble. By virtue of this You are present at a moment with Your unlimited followers.

Bhakta Yogya Modi

Dear Srila Prabhupada,

Please accept my humble obeisances. I am a very unfortunate and fallen soul. I am always caught in dilemma of lying to my family and practising Krishna Consciousness. I don't want to offend anyone, either to my family or to temple, You have worked so hard to build. Please help me fall in true love for Krishna and save me. I need Your help.

Yours Sincerely,

Bhaktin Krishnaveni

Dear Spiritual Master Srila Prabhupada,

Please accept my respectful and humble obeisance. Since childhood Lord Krishna has been my favourite, but the path to reach his heavenly abode wasn't clear. This is when Your teachings became my biggest asset. I have been practising Krishna Consciousness for only six months now , but still I can feel the change in me, like I have woken up the dormant Krishna within me. Among all the wonders in this world, these days ISKCON temples have become my most favourite place. The energy, vibe and the peace I find in these temples, could not be described in words. Master, please bless me to practice Krishna Consciousness more effectively and reach the eternal lotus feet of the supreme Lord Krishna. Hare Krishna.

Balabhadra Dasa

Dear Śrīla Prabhupāda,

Please accept my humble obeisances at your lotus feet. You are so merciful for whole world because in this age of kali you gave the most precious gifts to human society which are vedic literature and holy name of the lord.

Because the age of Kali is very dangerous for the human being. Human life is meant for self-realization, but due to this dangerous age, men have completely forgotten the aim of life. In this age, the life span will gradually decrease. People will gradually lose their memory, and better qualities. And so this age is very difficult for those who want to utilize this life for self-realization. But you gave very easy formula for self-realization in the form Hare Krishna mantra. But we entangle in ocean of material existence. So only through the grace of spiritual master that we cross over this material existence and obtain Krishna. It is mention in Srimad Bhagavatam also that....

tvam naḥ sandarśito dhātrā dustaram nistitīṣatām

kalim sattva-haram puṁsām karna-dhāra ivārṇavam

We think that we have met Your Goodness by the will of providence, just so that we may accept you as captain of the ship for those who desire to cross the difficult ocean of Kali, which deteriorates all the good qualities of a human being. This is the fact without mercy of spiritual master nobody can come out from material existence.

And we every day sing in guru vandana the lotus feet of spiritual master are the abode of pure devotional services. Oh! Prabhupada please keep me in shelter of your lotus feet so I can engage myself in your service always. Srila Prabhupada I am weak in my daily sadhana like chanting and reading. Please bestow your causeless mercy so I can do my sadhana properly. Please bless me so I can serve you forever.

Your fallen servant,

All glories to Sri Guru and Gauranga

My dear Srila Prabhupada, please kindly accept my humble obeisances unto Your lotus feet.

Whole world is in terrible condition. Man's life day after day is becoming more and more sinful consequently more and more sufferings, nobody knew the ultimate cause and its remedy, ignorant of karma and its reaction, having vague knowledge of paapa and Puṇya, life filled with sinful activity... millions of people are getting cheated by imposters, so called yogis, so called gurus, philosophers and in the name of social activities, altruism etc.

How people are simply wasting their valuable time in so many varieties of ways, ample opportunities for sense gratification and forgetting Krishna. Who thinks about all these things? Very few. No time. No ideas about the finer laws of nature, continuously breakage of these laws of GOD by so called civilized advanced men of the world. Dharma was deteriorating day by day:

Krishna Says-

*yadā yadā hi dharmasya glānir bhavati bhārata
abhyutthānam adharmasya tadātmānam sṛjāmy aham
paritrāṇāya sādḥnām vināśāya ca duṣkṛtām*

dharma-saṁsthāpanārthāya sambhavāmi yuge yuge (BG 4.7 and 4.8)

Sometimes Krishna descend Himself and sometimes He sends His bonafide representative in order to deliver pious and to annihilate the miscreants.

My dear Spiritual Master, You not only reestablished the principles of religion but You have shown Your causeless mercy on fallen souls, miscreants. My dear Srila Prabhupad You are ocean of mercy and friend of the fallen souls. You have accepted and given shelter to those types of fallen souls whose door to hell was wide open, no chance of getting freedom from material existence.

Just to become a close associate of a very big powerful men one has to be of that caliber. Srila Prabhupada You are from the topmost spiritual planet, GOLOKA VRINDAVAN and a prestha who knows the deep desire of Krishna and to fulfill that desire You descended to this earthly planet, in material world. You cannot be an ordinary man, You must be of that caliber who has the power to deliver any kind of living entity.

Srila Prabhupada, brahmanvadi meditate on impersonal Brahman and have a misconception of becoming one with God, losing their individuality after getting merge in Brahman. Few days back I came to know that devotees can really become one with God, there is such a stage and that stage is beyond self realization at which the devotee become one with Krishna in the sense that Krishna become everything for the devotee and devotee becomes full in loving Krishna, an intimate relationship between Krishna and devotee then exists. (BG 6.30 purport)

Srila Prabhupada You are as good as Krishna (sākṣād-dharitvena samasta-śāstraiḥ). In this life, it is very difficult for a soul like me to go back to Krishna, my only shelter and hope is You. Simply by Your single wish, Krishna accepts the souls directed by You. Krishna has handover the key of goloka to You. I am very fortunate to have Your Divine grace as my spiritual master. (My prayer to chaitanya Mahaprabhu - my lord, I am not satisfied. I want to see more and more jivas becoming disciples of Srila Prabhupada, more and more congregations, more families taking Prabhupada ashraya, more and more people chanting Holy names and dancing, more and more people offering bhoga and eating prasādam. reading Prabhupada books, more and more families engaging their time in the service of Your pure devotee Srila Prabhupada, but this need Your empowerment, Kṛṣṇa-śakti vinā nahe tāra pravartana, O my dear lord If You wish please make me a success. My only goal of life is to fulfill the desires of my spiritual master Om Viṣṇupāda Paramahansa Parivrājākācārya Aṣṭottara-śata Śrī Śrīmad A.C. Bhaktivedanta Gosvāmi Mahārāja Prabhupāda). Prabhupada, when I look at myself I do not find any

strength to preach. Srila Prabhupada by Your grace very soon that day will come when mayavada philosophy will be vanquished from this world and Our Gaudia Vaisnava Siddhanta will prevail. People all over the world will follow Your teachings.

Please kindly show me Your Causeless mercy.

Seeking Your Causeless mercy.

Trying to be Your servant,

Dear Śrila Prabhupāda,

Please accept my prostrated obeisances at your lotus feet. First, let me thank you for giving me one more opportunity to offer your glories.

Recently, when I gone to Kolkata for preaching purpose I came across one elderly mathaji and she so proudly told that my house is very close to Prabhupāda's house in Tollygunge. Immediately I said, You are the most fortunate person & I asked, are you chanting Hare Krishna Maha Mantra? She said No, then I reminded her, your house is very close to Prabhupāda's house but you are not following spirit of Prabhupāda. Again I requested her, please take up chanting and finally she said let me see.

Birth is not the criteria to take up devotional service. The criteria is strong desire to know, that it will lead him to get the genuine spiritual master.

From this incident I am practically convinced of many vedic injunctions like:

- Ø bahūnām janmanām ante... ,
- Ø manuṣyāṇām sahasreṣu.....
- Ø brahmāṇḍa bhramite kona bhāgyavān jīva
- Ø guru-kṛṣṇa-prasāde pāya bhakti-latā-bīja

My Dear eternal father,

If you desire so, kindly give me required strength (Karmana, Manasa, Vacha) to serve the vaisnavas, you and your mission.

Your unworthy Servant,

Chinmaya Krishna Dasa, Jagannath Puri.

Deena Sharan Dasa

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet.

You are called as friend of fallen and deliverer of fallen condition souls. You allow even the most degraded person also to serve in this movement which I can realize in my personal life seeing me who is not at all worthy of serving you.

This year I have been given more responsible services, even though I am not at all compatible for that but I know due to mercy of Guru and Krishna, even a lame can climb mountains also. I will try my best to serve you my guru maharaj but never ever kick me out of shelter of your lotus feet. Please pardon me for my offences.

Your fallen servant,

Deena Sharan Dasa.

Jagannath Prasad Dasa

O my most dearest spiritual master Srila Prabhupada,

Please accept my humble obeisances unto Your Divine lotus feet. O Master! by Your Divine Grace's and Krishna's special causeless mercy, I got Bhakti latha Bija. Actually I was getting rotten in this material gutter (struggling in the whirlpool of sense gratification), and You have mercifully picked me from that nescience and given me transcendental shelter in Your temple. Who can be more merciful than Your divine Grace in this creation? O merciful master! Due to my ignorance, I have committed unlimited sinful activities. I have committed unlimited offences unto Your lotus feet, unto the feet of Vaishnavas, unto the Lotus feet of Nama Prabhu and to the lotus feet of the Supreme Personality of Godhead Shri Krishna. O master, please pardon me for all my offences. I humbly pray unto You. I am made by Your Divine Grace's special causeless mercy. O master! If you give me benedictions, I will ask you following things.

1. Please uproot material contamination completely from the core of my heart and situate me in full Krishna consciousness. Please uproot the offensive nature completely in me and give me spiritual strength and spiritual intelligence to follow all the rules and regulations of devotional principles very very strictly.
2. Please protect all the devotees who are sincerely serving Your mission.

Mahamana Dasa

jaya om viṣṇu-pāda paramahaṁsa parivrājakācārya aṣṭottara-śata śrī śrīmad a. c. bhaktivedānta svāmi Srila prabhupada

All glories to the ācārya Om Viṣṇu-pāda aṣṭottara-śata Tridaṇḍī Gosvāmī A.C. Bhaktivedanta Swami Prabhupāda, who travels everywhere, preaching the glories of Hari,

*yasya prasādād bhagavat-prasādo yasyāprasādān na gatiḥ kuto 'pi
dhyāyan stuvāms tasya yaśas tri-sandhyam vande guroḥ śrī-caraṇāravindam*

By the mercy of the spiritual master one receives the benediction of Kṛṣṇa. Without the grace of the spiritual master, one cannot make any advancement. Therefore, I should always remember and praise the spiritual master. At least three times a day I should offer my respectful obeisances unto the lotus feet of my spiritual master.

Dear Srila Prabhupada,

This year started with many ups and downs. The illusory energy of the lord pulls and test by putting difficult situations. But the lord who is situated within everyone's heart witnesses everything. And the same lord also sanctions one's desires.

The experience of five month's chanting was very wonderful. A devotee of the lord is not afraid of going to hell if he has the opportunity to hear and chant the glories of the lord constantly. "This is the advantage of chanting Hare Krishna Hare Krishna Krishna Krishna Hare Hare, Hare Ram Hare Ram Ram Ram Hare Hare. One may be put in any condition, but God gives him prerogative to chant Hare Krishna. In any condition of life, if one goes on chanting he will never be unhappy" (3.15.49).

After one month I was directed to come in initiation ceremony but you had different plan for me. During this time your grace helped me through different ways, especially that time your lectures were direct guidance for me on daily basis. "When a living entity desire to serve the lord in transcendental loving service, the lord helps the devotee in so many ways as the caitya guru or spiritual master within, and thus the devotee can perform many wonderful activities beyond material estimation. By the mercy of the lord even a layman can compose prayers of highest spiritual perfection. Such spiritual perfection is not limited by material qualifications but it is developed by dint of one's sincere endeavor to render transcendental service. Voluntary endeavor is the only qualification for spiritual perfection material acquisitions of wealth or education are not considered." (3.9.38)

O my dear spiritual master your words (vani) is the only hope for me. I pray at your lotus feet, somehow or the other I always be engaged in the service of your divine lotus feet and always remain a complete surrendered soul unto your lotus feet. Please forgive me for offenses at your lotus feet.

Your insignificant son, Mahamana Dasa.

Niranjana Bhakta Dasa

Dear Srila Prabhupada,

Please accept my humble obeisances onto your lotus feet.

We are eternally indebted to you for your causeless mercy unto the fallen conditioned souls like us. By your causeless mercy you have descended on to this material world to deliver us from the ocean of ignorance. You have translated volumes of books from sanskrit to english with illuminated bhakti vedanta purports. When we read these purports it releaves us from all material sufferings and keep us in transcendental bliss.

Srila Prabhupada by your transcendental mercy you have set up an organisation which will give shade to millions of fallen souls like us who are rotting in this material world with three fold miseries. In this age of kali to find bonafide spiritual master like you is very rare. It is said in the scriptures that ācāryaṁ māṁ vijānīyāt : an acharya who acts on behalf of the Supreme Personality of Godhead should be understood to be as good as the Supreme Lord Himself.

sākṣād dharitvena samasta-śāstrairuktas tathā bhāvya eva sadbhiḥ

kintu prabhor yaḥ priya eva tasyavande guroḥ śrī-caraṇāravindam

Visvanatha chakravarthi Thakura has written in guruvastaka that the spiritual master acting on the Supreme Lord's behalf must be worshiped as good as the Supreme Lord, for he is the Lord's most confidential servant in broadcasting the Lord's message for the benefit of the conditioned souls in the material world.

We can feel your presence and guidance in our daily life. You are personally helping us to improve in our spiritual life through the guidance of senior vaishnavas. Please help us to feel your presence every moment through out our life and not fall prey to the tricks of maya. Please help us to chant the holy name attentively and become good servant to all the vaishnavas.

Yours fallen servant,

Niranjana Bhakta Dasa, Jagannath Puri.

Pancharatna Dasa

Dear Srila Prabhupada,

Please accept my humble Obeisances. All Glories unto you.

I beg your mercy on this occasion to make me instrumental to follow your guidance based on the practical application and realisation experience of senior vaishnavas of our mission. After offering the treasure of secrets of doing japa through your sincere devotee, still I have taken it for granted and not applying it practically as much as you want me to. Please bless me to flex my subtle body according to your directions from within me and also from within senior vaishnavas so that I can quickly clean my heart and take up more risk and challenges for my spiritual welfare and also for welfare of others." Avashya rakshibe Krishna" is your assurance and when we are put to test to check our faith on Krishna's protection, I fail most of the time by my own reasoning and logic, the end result being 'fear' instead of developing faith. May I seek your mercy to come out of this platform of consciousness.

Your Servant,

Pancharatna Dasa, Jagannath Puri

Vasudeva Datta Dasa

Dear Srila Prabhupada,

Please accept my humble obeisances unto Your Lotus Feet.

On this auspicious day of Your appearance, I wish to submit heartfelt gratitude & my feelings unto Your lotus feet.

Fifteen years passed, since I came in touch with You & Your movement. You, being Pure devotee of Krishna, being His confidential servitor knows everything about every one of your disciples, no exception about me. You know my thoughts and all elements of my subtle & gross body & their misdeeds, their desires against their actual spiritual duties. Time and again, I have been violating the rules & regulations, I go out of system, your causeless mercy puts me back into system, but I being your insincere disciple, have not taken this invaluable path of devotional service, which is very rare to achieve, very seriously.

All of my god brothers, senior devotees, authorities are all very sincerely trying their best to serve Your mission. I beg your mercy to bestow upon me to execute all the services assigned to me sincerely. Please make me execute all the services without expecting for the (success) result / recognition / glorification or appreciation for the service done, but to do as my duty recognizing the service being directly assigned by You, by Krishna (through Your sincere disciples). Only by which, can I attract Your attention in getting Your blessings in taking risks to do my devotional duties more properly, as per Your desire and as per the desire of senior vaishnavas for the service to the Lord / Your Mission.

In spite of my many offences done knowingly, You are still merciful in keeping me in devotional path. This is Your causeless mercy upon me who is an offender towards You, Supreme Lord, Holy Name & Vaishnavas. I beg forgiveness for all the offences and guidance to avoid offences in future.

Trying to become Your sincere disciple,

Vasudeva Datta Dasa, Jagannath Puri.

Bhakta Sumanta Patro

Oh dearest Srila Prabhupada,

Please accept humble obeisances from this dasanudasa at your divine lotus feet.

Jaya nitya lila pravishtha Om Vishnu pada paramahansa parivrajakacharya ashtottara-shata Shri Shrimad His Divine Grace Srila Abhaya Caranāravinda Bhaktivedānta Svāmi Prabhupada ki jaya.

All glories to our most loving and aspiring Spiritual Master on His divine appearance day - "Vyasa Puja" !

You have appeared on this auspicious day as Sri Vyasa Avatara, the literary incarnation of Lord in this Kali yuga to bestow special mercy on us.

Thank you very much for shedding light on path of self realization for the fallen conditioned soul which is reached in every nook and corner of the world.

You have always encouraged us to spread the mission and messages of Six Goswamis, Chaitanya Mahaprabhu and Your instructions through out the world. And You have demonstrated us how to strictly adhere to the Guru-Vakya and implement each and every moment of life.

Things that are very difficult to do become easy to execute if one somehow or other simply remembers Lord Chaitanya Mahaprabhu. But if one does not remember Him, even easy things become very difficult. To this Lord Caitanya Mahaprabhu, I offer my respectful obeisances (CC 1.14.1).

When a diseased eye is treated with medicinal ointment, it gradually recovers its power to see. Similarly, as a conscious living entity cleanses himself of material contamination by hearing and chanting the pious narrations of Lord's glories, the living entity regains his ability to see the Absolute Truth.

This soul is trying to relish the nectar of Your instructions by reading Your transcendental books and listening from the lotus mouth of You, which are recorded, wherein it is still alive.

Your grace, you have taught us about the Nabadha Bhakti by illustrating through various devotees' pious activities. Kindly bless this fallen soul to follow Their footsteps and to reach Your abode.

In material life there are many disturbances such as, adhyatmika, adhidaivika and adhibhautika. Please bless this conditioned soul to cross-over these troubles and to achieve the constitutional position.

You have sent numerous number of representatives of Yours in the form of Siksha-Guru to instruct the fallen conditioned souls and to shed the light on the path of self-realization.

Dormant devotional service to Krishna is within everyone. Simply by associating with devotees, hearing their good instructions and chanting the Hare Krishna Maha-mantra, dormant love for Krishna is awakened. In this way one acquires the seed of devotional service. Kindly shower your special mercy and benediction for chanting the Sudha-Nama of Lord, which is the budding state to elevate in the path of Krishna consciousness.

We humbly beg at your lotus feet to shower abundant blessings to all the fallen servants to proliferate the messages of Their Lordship.

Thank you very much, Your grace.

Your most fallen, aspiring, and dis-obedient servant,

Bhaktha Sumanta Patro, Puri.

Bhakta Aditya Mishra

Dear A C Bhaktivedanta Swami Prabhupada,

Please accept my humble obeisances at your lotus feet.

I feel myself fortunate to get in touch with the movement and your teachings. I started attending Sunday yoga retreat program from January 2019. I went there for food only but after attending the session, I feel refreshed and energetic. Later on, I used to eagerly wait for Sunday classes.

After joining the movement, I started chanting and reading books, which cleared my doubts regarding Krishna and spirituality. Recently we have started doing chanting in association which helps me to work more efficiently in my project.

I sincerely thank you to spread this wonderful knowledge of Krishna consciousness to people like me, please forgive me for the sins I had committed and help me to stick with the movement and always keep your blessings on us.

All Glories to Srila Prabhupada.

Yours sincerely,

Bhakta Aditya Mishra,

Bhakta Anish Kumar

Dear Srila Prabhupada,

Keeping my head over your feet I am writing this letter. By the grace of Lord Krishna, I came into the path of Krishna Consciousness in 2017 and leading a happy and energetic life by chanting the holy name of Krishna and by having the Maha Prasad. My feelings and happiness can't be expressed and it can be felt only, and that much immense pleasure and happiness I am feeling. Prabhupada, you worked very hard day and night for writing the holy books like Bhagavad Gita, Bhaagavat and many more. And by reading these books and chanting the holy name of Krishna, we can take the blessings of your lordship.

Your's truly, Servant,

Anish kumar, Rourkela.

Bhakta Ashwani Kumar Singh

Dear Srila Prabhupada,

You are the one of greatest spiritual leaders among all over the world. You have started spiritual movement and recommended chanting of Harinam all over the world and many people joined this special movement of Hare Krishna and spread this spiritual knowledge and also spread "Truth of life" among all people who have joined the bhakti movement. On first day my friend suggested that we would be going to Hare Krishna Movement for chanting and spiritual knowledge and as well as knowledge of life of truth. Then I am very happy to this type of bhakti movement available near the campus. Then every sunday we used to go with friends chanting and getting knowledge from your disciples. I am lucky this type of bhakti movement present in the near by place. we go every sunday after we go back we realize great feeling in heart. As a result we see that my nature totally changed from previous nature. And we enjoy Prasadam very much.

Your Servant,

Bhakta Ashwani Kumar Singh, ROURKELA.

Bhakta Balmiki Kumar

Dear Shрила Prabhupada,

Offering my unending obeisances to your Lotus feet and writing my yet another letter to you in a hope to change for a better human being by recognising your contributions to my life and to this world by propagating the glorious name of Sri Nitai-Gauranga, although I have failed miserably in my duties to serve the Lotus feet of Lord. I beg you Lord Jagannath and his eternal devotee of highest order HDG Shрила Prabhupada to please keep me under their shelter and never leave me, despite that I have never been a good child of theirs. Lord you have been giving me everything I have been asking you for yet I am shameless to see no transformations in me to offer myself to you, please help me to come back to you. I feel lonely and tired. I need you, my Lord. I beg you through Shрила Prabhupada to please don't leave me and hold me tightly close to you even when I am like a fool trying to run away from you.

Your Student,

Bhakta Balmiki Kumar.

Bhakta Basant Kumar Jangid

Dear SRILA PRABHUPADA;

Please accept my humble obeisance at your lotus feet.

I joined Shree Krishna Movement and AKSHAYA PATRA FOUNDATION in November 2017. I would like to share my experience with ISKCON and AKSHAYA PATRA FOUNDATION. I joined the AKSHAYA PATRA FOUNDATION through my friend. He convinced me to join the AKSHAYA PATRA FOUNDATION to saying that I shall get better food than hostel food. So I joined the AKSHAYA PATRA FOUNDATION but when I reached there, I feel good heartily and mentally. I feel fresh mentally when I did the chanting and kirtan during this session. After that I came regularly to attend this session. After few months later we went for MAYAPUR trip in January 2018. It was most important moment of my life. Through this trip I became more Krishna conscious. I can't forget any moment of this trip. Another trip was there in March 2018 for Jagannath Puri. It was also most memorable moment of my life. I again went for Bhubaneswar and Puri trip in March 2019. In this trip I was fortunate that I got chance to serve directly to lord chaitnya. Those priceless and memorable 4 hours can't be described in words. But I feel unfortunate because couldn't be the part of varnavna and Mayapur trip and also Rathayatra of lord Jagannath. During this journey with AKSHAYA PATRA and your movement I became more KRISHNA conscious. I shall continue this journey in future. I deeply indebted for your causeless mercy on me. My only wish is that I want become more KRISHNA conscious in my future life. At last I want to say that I learned very much during this period of 1 year and 9 months which can't be expressed in words. One another thing I want to say that I will be regular in chanting and reading books.

Please forgive me for all my offences which I committed.

Your Servant,

Basant Kumar Jangid, Rourkela.

Bhakta Dinesh Patidar

Dear Srila Prabhupada,

Thank you for making me a soldier in your glorious army of Hare Krishna movement. Through your life of preaching till the last breath, You thought us to go beyond our-self even in spiritual life. For ordinary jivas the idea of self-realization is all about myself. It could be enlightenment for myself, liberation for myself, eternal life beyond birth and death. You have demonstrated, as an acharya who sets an example, that Krishna consciousness is not about merely achieving perfection for oneself. It is also about distributing all these gifts to every soul.

Trying to be devotee,

Dinesh Patidar, Rourkela.

Bhakta Gaurav Saraf

Dear Srila Prabhupada,

Please consider this as a token of my gratitude towards the great initiative taken by you to spread Krishna consciousness across the world. I came in contact with your movement while studying in NIT Rourkela and I can proudly say the journey has been very enlightening. The sessions conducted by all the devotees, allowed me to have a better insight in my life, gave me the courage to look through my problems and overcome my weakness.

The chanting and kirtan in every sessions made me feel so calm and energetic both at the same time. I also got the opportunity to visit Mayapur and I can proudly say it was one of my best trips ever. The atmosphere there is so mesmerizing

and self awakening. The morning 4 am Aarti and then chanting 16 rounds of hare krishna mantra in a day just made me feel closer to Krishna. Lastly, the Prasadam has always been wonderful.

So I would like to thank you for your blessings and letting me be a part of this great movement.

Yours Sincerely,

Bhakta Gaurav Saraf, Rourkela.

Bhakta Kanchi Venkat Sandeep

Dear Prabhupada ,

First of all I want to offer Sata Koti Pranamam to You for all what you left for us. Today I will tell you my experience of how I came in contact with Krishna consciousness movement and what changes I observed in myself.

Before coming in touch with this movement I was an ignorant person with many bad habits. At a point of life, I was fed up with what's going in my life. I was clueless what to do in my life. I was aimlessly wandering. Then by Your Grace and with the Grace of Your Devotees I came in touch with one of my senior who was a part of this movement. Since childhood I was very interested in GOD. After knowing about this movement, I immediately started attending sessions held by the Devotees and was highly inspired by this movement. Then I travelled Bhubaneswar and Puri where I had the greatest opportunity to serve Krishna by helping Devotees performing Abhishekham. That moment I was highly blessed. In a short period of time Krishna gave me such a greatest opportunity to serve Him which I had never imagined also. Now I am very lucky to have Your audio and video lectures of Bhagavad Gita and Srimad Bhagavatam which helps me a lot to keep in touch with GOD and think of Him all the time. Now I have a aim in my life ie., serve Krishna till my last breath, keeping my head under His Lotus Feet and chant His Holy name forever.

Your servant forever,

Bhakta Kanchi Venkat Sandeep, Rourkela.

Bhakta Kiran Kumar Nayak

Dear A C Bhaktivedanta swami Prabhupada,

First, I would like to Thank you for the gift which you have given me for my life. I am extremely grateful for the gift I have received in my life last 9-10 months through your disciples. If I tell honestly, I was not aware of any of the things which I came to know in last 9-10 months, which has helped me in a lot of ways. Thanks to one of my friends, through whom I came to know about your organization where I learnt all those things which are essential for a living soul. Your idea to preach the lessons of Bhagavad Gita in the western countries was more than imagination and I still can't think of the Struggle, difficulties you faced. I was very lucky to be the part of "Mayapur Trip", and I can say that, the trip was a life changing thing for me. First time I saw and astonished to see the westerners were following our culture and I, being an indian was not following our culture the way they were following. So, the trip was the reason why I took spirituality seriously. I started chanting Hare Krishna Maha mantra after the Trip. It took time for me to realize the power of Hare Krishna Maha matra, but I realized. It has helped me to develop several characters like patience, not to Expect, not to get angry, to behave politely to everyone, Ethics and many more. I had many wrong ideas about many things but all those misunderstandings were cleared by your disciples and I too started reading Bhagavad Gita because of the Association I got with your disciples. I am also very grateful to be the part of "Puri Trip". Being from Odisha, I even didn't know the history of appearance of lord Jagannath, Balabhadra and Subhadra, I came to know all these and many more things I explored in that trip through your disciples. I have now understood the purpose of my life, and I will follow it seriously. All these things wouldn't have happened without you, so I am very grateful to you and your service to the mankind.

Yours Sincerely, Bhakta Kiran Kumar Nayak, Rourkela.

Bhakta Myneni Sukesh Babu

Dear Srila Prabhupada,

Please accept my respectful obeisances at your lotus feet.

With your mercy, I am very thankful to be one among the devotees of lord Krishna. I feel blessed to be part of Hare Krishna movement, Rourkela, where I came to know about Krishna consciousness, chanting HARE KRISHNA maha-mantra and following Bhagavad-Gita. I have attended preaching classes for six months. I feel grateful to be part of Mayapur dham and Puri dham trip which I have attended in this duration. It is a very good association with your disciples, where I have learnt many good things. Since I have started following this movement, I have reduced my bad habits. Please kindly forgive me for all my offences that I have committed and provide your blessings to progress spiritually.

Yours sincerely,

Bhakta Myneni Sukesh Babu, Rourkela.

श्रील प्रभुपाद जी के चरणोंमें सादर वंदन.

आपका एक तुच्छ दास जो कभी कभी पथ से भटक जाता है उसे भक्ति का आशीष दीजिये प्रभु. आपसे कुछ माँगा सिवा भक्ति के तो क्या माँगा. आप ही ने तो इस भावनामृत को जीवंत रखा है प्रभु जी. गौरंग की कथा तो सभी सुनते है. कृष्णा की कथा जितनी सुनो उतनी ही कम है. आपके दिखाये मार्ग पर बहुत लोगो को बैकुण्ठ मिला है प्रभु. मुझे जैसे अज्ञानी को भक्ति का ज्ञान दीजिये. प्रभु जी मेरी व्यथा को आप को कैसे बताऊं. सब सही चलते चलते कुछ ऐसा हो जाता है कि जाप पूरा छूट जाता है. कभी जो 12-16 माला होता है वो नीचे गिर कर 4-5 तो कभी 1-2 में ही सिमट जाता है. आपके लिखी किताबे भी पढ़ता हूँ. पर समझ नहीं आता कि ऐसा क्या होता है किसी वक्रत में पूरी भक्ति मेरी तहस नहस हो जाती है. खूब रोना आता है. शायद मेरे पिछले जन्मों का कुछ बुरा फल है जो मुझे भटका देता है. मैं कुछ गलत काम नहीं करता पर जाप ही छूट जाता है. इसलिए मैं आपसे सिर्फ "भक्ति" और "भक्ति करने की शक्ति" मांगना चाहता हूँ. और कुछ नहीं. क्योंकि मुझे पता है अगर मेरी भक्ति में शक्ति रही तो कृष्ण मुझे किसी बात की कमी नहीं होने देंगे.

परिवार में कुछ उठापटक चलता रहता है. घर से शादी का दबाव बन तो रहा है. माँ की जिम्मेदारी और सेहत दोनों को ध्यान में रखना जरूरी हो गया है, मुझे आप पर विश्वास है की आप ही मुझे आगे का मार्ग दिखाएंगे कि मुझे किस और जाना है. एक बात और कहनी थी आपसे मैं पता नहीं इस लायक हो या नहीं, पर सोचता हु "वैद्य, वकील और गुरु" से कुछ नहीं छुपाना चाहिए तो आप तो मेरे तीनो हो, इसलिए कहे देता हूँ. अक्षय पात्र से जुड़े हुए मुझे 2 साल पुरे हो जायेंगे, बहुत कुछ सीखा हु मैं. आप से सिर्फ एक ही विनती है महाप्रसादम की व्यवस्था (थोड़ा स्वार्थ और लालच के साथ, दुसरो की तरफ से भी ये विनती है) में जो बाधा बन रहे है उन्हें दूर कीजिये. क्योंकि प्रांगण की हालत बहुत खराब हो रही है आपसे कुछ छुपा नहीं है. शाकाहार तो नाममात्र के लिए बच गया है. कुछ भी शुद्ध नहीं मिल पा रहा है. बाकी आप तो सर्वज्ञ है. अंतिम शब्दों में सिर्फ इतना कहना चाहता हु की मेरे अज्ञानता के अँधेरे से मुझे भक्ति मार्ग दिखाईये .

आपका तुच्छ दास, सेवक.

Bhakta Nithin Raja Pathiwada

Bhakta Ravi Kant

Dear Prabhupada,

First of all I would like to thank my friend akhilesh who told me to come on Sunday evening program in your organisation. That is where I get your mercy and deep love. In the association of Krishna consciousness my heart transformed completely and I left my most of the bad habits and I love all living entities and I know the real happiness of life and final goal and in the end, I thankful to all my instructing spiritual masters who taught me, how anyone get real happiness.

Thank you

Yours sincerely ,

Bhakta Raviteja Buddala

Dear Guru ji Srila Prabhupada,

Since childhood I always used to think what is the main purpose my life? Why I am here? (on this earth may be). From where are we coming and where are we going? I used to question my parents and other elders 'what is the purpose of our life?' They used to give answers, what they feel which are not up to my satisfaction. So, as a child not knowing where to find the answers for these questions, I simply used to think within myself to find the answers to these questions. After many years, I came to know from one of the great pravachan karta of my state (A.P.) that the goal of human life is to attain nirwana or moksha. After the initial foundation and after two years of my Ph.D. life, I came to know that there is an organization called Hare Krishna Movement which conducts Bhagavad Gita classes, near to NIT Rourkela.

It is because of your blessings, your movement, not only provides food to the school children but also helps the students like me who are in search of absolute truth. Even though there is a foundation for my spiritual life, I don't know how to construct it. At this moment, your disciples helped me in building up my spiritual life. Because of those Bhagavad Gita classes only,

- I realized that we are not this body and it is we who are staying temporarily in this body.
- I became a vegetarian.
- Came to know about the four regulative principles.
- Got a good clarity on karma.
- I was able to go Jagannatha Puri on Rath yatra and successfully pulled all the three Rathas of the lords.
- I was able to go to Vrindavan and do Govardhan parikrama. My happiness during the stay at Vrindavan cannot be expressed in words.

Even though, I have transformed from Raviteja to Dr. Raviteja at NIT Rourkela, I deeply miss the BG classes and devotees' association. After the separation, now I realize the value of devotees' association. In this materialistic world, it is very difficult to progress in spiritual life without devotees' association. I request you to bless me with devotee association throughout my life.

I wish your blessings will be there upon us throughout and I would like to thank you for giving people like me, light the knowledge with your books, who are in search of the absolute truth in the dark. I pay my humble obeisances to your lotus feet.

Thank you Guru ji.

Yours truly, Bhaktha Raviteja Buddala, Rourkela.

Bhakta Sauvagya Sahoo

Dear Srila Prabhupada,

O Spiritual Master!

Kindly accept my humble obeisance at your lotus feet. I am the most fallen soul, still I have a great hope by hearing your sweet words from your lotus mouth. By your merciful glance I am still sticking to your lotus feet.

You helped me to know my identity who am I? Due to your mercy I found myself in always association with Vaishnavas. I am very fortunate to have got you and deeply indebted for your causeless mercy on me. I am associated with your devotees since 2014. Although I know Mahamantra "HARE KRISHNA.." for Kali-Yuga but you realize its importance on life. How this Mahamantra is a protector for me in this life I realized through chanting and reading Srimad Bhagvatam, Geeta.

My guru Prabhupad, please forgive me all my offences which I commit.

Yours Servant of Servants,

Bhakta Sauvagya saho.

Bhakta Shanu Kumar

Dear Prabhupada,

I pay my humble obeisances to you. Through your guidance, people have been changed and directed to righteous path of life. You are such great soul, which enlightened us and taught the real knowledge.

I am heartily thankful to you as being part of your movement.

Your servant

Bhakta Shanu Kumar, Rourkela.

Bhakta Shubham Singh Chouhan

Respected Guru Srila Prabhupad Ji,

I offer my humble obeisances unto Your Lotus Charana Padma, every word from Your mouth has reference from sastras. From Bhagvad Gita As It Is, Krishna is the cause of all causes from which I came to such a far unknown place from my home with unknown people. That day my new friend took me to the Devotees of Krishna and without any offense I chanted there and ate Prasada. Till today to all the spiritual dhama trips I went, Prabhupad Ji I don't know how Krishna arranged the tickets at the last moment. This whole month July I was in such a trouble still I don't know how Krishna solved the problem. That's only Krishna's mercy. I saw the devotees to be very seriously chanting the number of recommended rounds even in the late night, and everything is perfect in a devotee: Tolerance, time management and other arrangements in trips, cleanliness, hygienic, full of patience, picking gold(quality) from the dirt(fallen people), reminding us for chanting and motivating me to come to BG platform by reading books thoroughly. It is difficult to run any movement on the same principles as its ancestors prescribe, But here Prabhupad Ji devotees have maintained such a discipline, they're the true guru parampara teachings, one can never fall if followed them sincerely.

I loved Your book PQPA, as well as all worldly engagements You've discussed in Hare Krishna Challenge, cleansed my mind from the illusory knowledge I used to deal with people. And Your BG and SB lectures, Prabhupad Ji, are really 'Amrita' especially the chapter Ideal Personality Arjuna and You reveal the mystery of the BG that Arjuna being Bhakta and at the same time a warrior, & Arjuna killing Danvir Karna who wasn't on his chariot and its purport "Nothing is wrong or right the Aim justifies the means", contradicting the false interpretation of modern self declared gurus on the teachings of Bhagvad Gita.

The initiative Akshaya Patra is great, bringing millions of people in Krishna Bhakti. You have given the highest top most 'dana' to a 'dina', who took life to be a struggle, i.e., spiritual knowledge. Your instructions to seriously follow have taken a lot time, but these days I am giving attention to chanting Sincerely. At least becoming a Krishna dasa in the form of an insect is far better than becoming a dog of someone else that too in human form.

Lots of Thanks for the Sunday Bhagvad Gita sessions. Today in Kali, Your shaven headed disciples are doing duties of deity worship, managing schools & other institutions, are doing for everyone's happiness.

Aspiring to go to Godhead,

Bhakta Shubham Singh Chouhan.

My Dear Spiritual Master Srila Prabhupada,

Please accept my humble obeisance at your lotus feet.

All glories to your divine grace. All glories to you on this auspicious day of your vyasapuja.

Om ajnana-timirandhasya jnananjan- salakaya,

Caksur unmilitam yena tasmai sri-gurave namah

titiksavah karunikah, suhrdah sarva-dehinam

ajata-satravah santah, sadhavah sadhu-bhusanah

On this auspicious day of your Vyas Puja celebration, I offer my dandavat to the dust of your lotus feet. Lord Krishna says that one should approach a Bonafide Spiritual Master for becoming self-realized. But, you approached me in my life while I was searching for a Guru. It is all because of the unlimited compassion that you had over a fallen conditioned soul like me. I feel very blessed and have taken part in your pastimes and spreading your mission, where I could clearly see how you elevated thousands of souls by giving them Krishna Consciousness. I took one step towards you and you took 100 steps towards me and helped me come out of my difficulties in Krishna Consciousness. You give constant guidance to any question we (disciples and lectures) ask you. Sometimes I feel, this is "special mercy". Now I am trapped by your mercy, I pray at to the dust of your lotus feet, that I become a good instrument in your hands and become a sold out slave of your Divine Grace. Your mercy is most important to me than anything else, "How can I understand Krishna or Srila Prabhupada, without your blessings and guidance?"

You always stress about "Pure Devotional Service" and that sound vibration has imprinted in my heart. It is now my duty to strive for pure devotion and serve you in your mission of spreading the message of Lord Krishna.

Srila Prabhupada, every year whenever I write the Vyas Puja offering I just keep thanking you for the mercy you shower on us, but this year is the most auspicious and special, the year in which I got my 2nd initiation.

“According to their karma, all living entities are wandering throughout the entire universe. Some of them are being elevated to the upper planetary systems, and some are going down into the lower planetary systems. Out of many millions of wandering living entities, one who is very fortunate gets an opportunity to associate with a bonafide spiritual master by the grace of Krishna. By the mercy of both the Lord Krishna and the spiritual master, such a person receives the seed of the creeper of devotional service.”

I am blessed with the recent Krishnostav Retreat and met senior devotees associations and their blessings & lectures that encourages me a lot.

Thank you very much Jai Sria Prabhupada.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to you!

I pray that you accept my most humble obeisances and help me to grow in Krishna consciousness. You are the jagad-guru, spiritual master of the three worlds, because you are pure devotee of Sri Sri Radha Krishna. You descended from the spiritual world to reclaim mankind and return them to their original states of purity and spirituality. We cannot go to the spiritual world without your mercy. Every second you are most interested in seeing to the welfare of mankind. We are greatly indebted to Your Divine Grace for giving humanity, which is Vedic culture in its original form. Srila Prabhupada you created a wonderful KC society, where mankind can learn something worthwhile about God, man, the purpose of life, the universe, and ultimately devotional service to God. With your bold spiritual vision you built a house in which the whole world can live.

Every day in our temple we follow the spiritual program that you established for all of us: waking up early for mangala arati, attending Bhagwatam class, chanting sixteen rounds of Japa, in the good association of devotees. By your causeless mercy, the mere application of your instructions through this daily program whether with devotion or at least out of obedience is softening our hearts, and little by little we are understanding more and more what spiritual life is all about.

"We consider our human life is very valuable, and before the next death we should prepare ourself to go back to home, back to Godhead. This is our philosophy. We cannot waste a minute time before the next death comes. That is our philosophy."

Morning Walk Honolulu, June 10, 1975

The ray of sunshine in the Sunnyvale California forest is Your Divine Grace. Just as the Jada Bharata became very kind to King Rahugana and spoke to him to disassociate him from the material world, you speak to us every day with your powerful purports to disassociate us from this material world. You not only point out the problems but very kindly and decisively give us the solution. In your summary of chapter 14, *"The Material World as the Great Forest of Enjoyment,"* you write, *"Without the protection of an all-merciful Vaishnava the conditioned soul cannot get out of the clutches of maya."* For us on this earth planet, you are that all-merciful Vaishnava who can protect us and get us out of maya. You are the sena-pati in Lord Caitanya's army who are saving lost souls from maya.

I do not have enough words to thank you, as "thank you" is a very insignificant word for all your kind efforts.

Dear Srila Prabhupada, I beg you to make me free from lust, desire, and anger, So I can spiritually elevate in Krishna consciousness.

Dear Srila Prabhupada, please help me follow the bhakti-yoga process. Thus engage me in your mission so intense. Please bless me with the shower of your divine mercy, which I badly need. I beg you to let me stay forever in the dust of your lotus feet, Because this is the only way to get rid of every material weed and cultivate within my heart the bhakti-lata beeja.

Srila Prabhupad ki jaya!

Hare Krishna maha-mantra-ki jaya!

Begging to remain your servants life after life!

Your Servant,

To My Beloved Father,

Please accept my humble obeisances. Words, time and book space aren't enough to glorify you. You have bestowed your unlimited mercy for such a fallen and unworthy soul. Every year in my vyasa puja offering, I have expressed my inability to perform certain devotional practices. Within few months I have seen things that are taking a sudden twist. It is "YOU" and "Only YOU" behind all of those miracles. You are personally taking care of each and every need of your disciples. Tears continuously flow from my eyes when I think about all that you have given me.

O my Eternal Father this year I have a big list of things in which I need your help on. It's only YOU who can bring that change in me.

- 1) Please help me develop an interest in reading your books.
- 2) Please help me become disciplined in taking care of my deities. Especially in offering food on weekends.
- 3) Please help me focus on my chanting.
- 4) I beg for your mercy for the betterment of my health. Don't know when is the end. The infection seem to be still existing. I am unable to serve you with my limited capacity.
- 5) Help me follow your instructions as life and soul. I don't have any dedication to serve you. I'm such a rascal.

The list goes on Srila Prabhupada. I have so many anarthas and it looks like I need to take millions of births to clean them. You are my only saviour. Only by your unlimited mercy this fallen soul can be saved from the danger of repeated birth. Only you can transform the ocean of my anarthas into water contained in a calf's hoof print. PLEASE SAVE ME SRILA PRABHUPADA.

Your Most Unworthy Servant, Deepa Dhatri Devi Dasi.

Gaurangi Devi Dasi

Dear Srila Prabhupada,

Please accept my most humble obeisance unto your divine lotus feet. Prabhupada, I am very grateful to you for guiding us through your teachings.

Srila Prabhupada, it has been 14 years since you have given me the opportunity to serve your mission through Akshaya Patra. Please bless me so that I will continue my services with love and passion. Whenever I feel disheartened, I get energy and motivation through your books and letters.

Thank you for guiding me and helping me to do my sadhana regularly. Please bless me to continue it with more diligence.

Aspiring to be a servant of your servant,

Gopika Gita Devi Dasi

Dear Srila Prabhupad,

Please accept my humble obeisances offered at your Lotus feet million thousand times again and again. Please accept my insignificant offering in words..

You are fully self realized soul who came to deliver us on the order of your spiritual master by translating and printing books in english. You have self less love for Lord krishna like gopis. You have full faith in holynome as Supreme Personality

of God Head. You are satkyavesa avatara empowering many senior devotees for devotion and love and respect for krishna and holynames of Hare Krishna Mantra. No one is away to get your mercy even though person may be beggar on the street you still reciprocate with the person if he chants holynames and follow the basic simple instructions. Your books has transcendental potency which are neither gross or subtle but a sweet flow of descriptions of Lord and his glories and devotees. Your mission has full engagement of spreading krishna consciousness and chanting of the holynames in all parts of the world. Your mercy is always sweet, could be which ever way a devotee is seeking. You never consider the devotees who had forsaken social and religious obligations as ordinary devotees like Krishna.

I always did vani seva to you and the Lord krishna as much as the degree as I am purified. I left my centimental devotional service and experienced a bit what a selfless love could be on the Lord.

I still remember the day which had a conflict with you in my mind for 4 days if a person doesn't obey your most basic order continually what is the point in asking apologizing. I have mistaken your instructions with the habituated material mind as I am still not that matured to understand your lilas with your disciples. Please ignore them and treat me as a child who does mistakes not knowing you fully. I was always guilty that I never did much missionary activities to please you and Krishna. But I was wrong. Pleasing Krishna and Guru should be the first aim. I did all these years personal service of chanting of Hare Krishna Maha Mantra to the supreme personality. Service cannot be rendered to impersonal . Chanting and Hearing 16 rounds is the highest personal service which anyone can do to please you and holynome and all other services in Kali Yuga are byproducts because of chanting until they come to the point of pure chanting and hearing. I beg you to shower your causeless mercy on me to chant and hear concurrently 16 rounds to please Krishna.

Your's faithful servant,

Gopika Gita Devi Dasi.

Kapiladeva Dasa

Dear Srila Prabhupada,

Please accept my humble obeisance's at your lotus feet. All glories to you!

Every year, on your auspicious appearance day, it is a great pleasure to remember about all the wonderful things you have done to the mankind in this time and age and also how splendidly you opened temples all over the world and given us the greatest gift of doing Sankirtan to help ourselves from getting out of this material world. Apart from remembering about your wonderful pastimes, it's also great opportunity for me to retrospect on my progress of being in Krishna Consciousness. I am really glad to see myself on how i am being transformed from a regular person to a Krishna Consciousness practicing person day after a day. Although, I call myself a devotee of Lord Krishna the true meaning of being a devotee is to be understood from your teachings and that understanding has to come only through your mercy as I sincerely strive to understand and try becoming a devotee.

My heart is unclean, my knowledge is poor and very limited due to my minds flickering nature. You said that "*If a devotee at all wants to cleanse his heart he must chant and hear the glories of the Lord, Sri Krishna (śṛṇvatām sva-kathāḥ kṛṣṇaḥ)*" - SB 1.2.17)

I am hoping I will improve my chanting, reading abilities so that reading your books & hearing Krishna Katha will help cleanse myself and also improve my understanding about being in Krishna Consciousness. I beg you to create opportunities so that I can read your books with rapt attention.

I know that it is not simply being Krishna Conscious but also to spread it and make other Krishna Conscious too and that will surely please you a lot. I keep trying in that area too with my own possible ways. However, as I work in this material world performing my regular daily duties I need mercy and more opportunities to help me advance so that I can keep on

increasing my understanding about Krishna, purify myself, improve my serving capabilities for you and for that I beg you to constantly push me in these efforts and stay with me to pull me up when I go down.

Lastly on this auspicious occasion I want to thank you more and more for being with me all along guiding me and millions of others in this time and age I request you to forgive me for any offenses I may have committed so far and bless me more and more for my spiritual progress.

Thank you very much,

Yours very insignificant servant,

Kapiladeva Dasa.

Krishna Sharana Dasa

Dear Srila Prabhupada,

Please accept my humble obeisance at Your lotus feet. I want to take this moment to express my gratitude for you unconditional mercy you showed on me. In every moment you saved me when I am falling down into danger/darkness.

Every moment you guided me when I am lost. Every moment you are with me to pull me up from my ignorance.

Since my last Vyasa Puja offering, this fallen soul got initiated. Even though I am not at all qualified to be your disciple its just because of your causeless mercy, you accepted me as your disciple. I am fallen/failed in all aspects of principles. Still you tried to guide me and given me lot of chances to correct myself. Please give me strength to keep up my sadana, reading and take me back to God head.

Ill take this moment to convey my gratitude from bottom of the heart to your lotus feet.

Yours servant,

Krishna Sharana Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisance's at your divine lotus feet. On this glorious day of Sri Vyasa Puja, your appearance day, I get the opportunity to glorify you and your causeless mercy that has been bestowed on this world.

Another one more wonderful year has passed by. Thank you Srila Prabhupada for giving me an opportunity to serve your lotus feet having firm faith and conviction in your transcendental vani and holy name.

I was suffering in the material world due to ignorance and was considering suffering as enjoyment. By your causeless mercy, you have opened my eyes to show the reality of this world, that all these friends, relatives, family members are not actually permanent. Only my relationship with Your Divine Grace and Lord Krishna is eternal.

Whenever I hear your transcendental lectures again and again, new realizations dawn upon me, which make my determination to achieve the goal of going back to Godhead steady. I am so foolish that again and again I close my eyes to the spiritual realities, but you are so determined to make me realize that these material relationships are not permanent.

I am really convinced that by following your instructions and system set by Your Divine grace, mystically success will come. Simply I have to remain obedient to your system and my spiritual authorities. Please let me not misuse your special mercy given in my services and instead of using it in your services.

I want to humbly submit a request, to bestow mercy on this unfaithful soul so that I can follow your preliminary instructions of chanting 16 rounds attentively, follow four regulative principles strictly, seriously, sincerely, reading your books regularly, render practical devotional service with full enthusiasm under the guidance and directions of devotees.

Trying to be a humble servant and a sincere disciple,

Madan Gopal Das.

Malati Devi Dasi

Dear Srila Prabhupada,

Please accept my humble obeisances in the dust at your lotus feet.

Its very challenging for me to write an offering to you because I am unworthy of receiving your causeless mercy. At some point of my life , I had no goal in my life, But now because of you I understand it very well.

Looking back,I am trying to evaluate how fortunate I am ,to be a part of Iskcon Bangalore under the guidance of Madhu Pandit Prabhu ,Your true representative

Please bless me to increase my taste in chanting the holy name of the Lord and reading your books and hear your lectures.

Recently I visited New Vrindavan in West Virginia. 600 devotees worked day and night to built the gorgeous palace of gold and the main temple. This shows the dedication and love they had for an eternally liberated soul like you who has nothing to gain and loose in this mad world.

Please bless me to be always in the service of Vaishnavas.

I remain indebted to you forever for your mercy and tolerance, Where would I be without you.

Your Servant,

Malati Devi Dasi.

Nanda Kishore Dasa

I offer my respectful obeisances unto His Divine Grace A. C. Bhaktivedanta Swami Prabhupāda, who is very dear to Lord Kṛṣṇa, having taken shelter at His lotus feet. Our respectful obeisances are unto you, O spiritual master, servant of Sarasvatī Gosvāmī. You are kindly preaching the message of Lord Caitanyadeva and delivering the Western countries, which are filled with impersonalism and voidism.

Dear Srila Prabhupada,

Please accept my most humble obeisances. All glories to your lotus feet!

Your mercy is unfathomable. Without you, the whole world would be suffering for want of real goal of life (na te viduh svartha gatim hi visnum). Your life is a constant source of inspiration for me. Your enthusiasm, energy, dedication, sincerity to serve your spiritual master is a wonderful lesson for all of us to follow. Only if we can adopt a pinch of your qualities, we could have achieved a lot more in our Krishna conscious endeavors.

I feel that you have always guided me personally, you have a plan for my Krishna conscious future. But I need your mercy to be able to recognize your plan and walk your plan. I seem to be unable to do it by my strength. Therefore I am begging you for your causeless mercy (ekaki amara na hi paya bala hari nama sankirtane, tumi krpa kori sraddha bindu diya deho krsna nama dhane). I had no qualification to receive or appreciate the value of Krishna consciousness and the holy name. But, just like the pancha tattva, and just like how you have delivered many fallen souls, you have similarly bestowed the highest benediction of Krishna consciousness to an unqualified soul like me. Just like a beggar who has not seen gold can not appreciate it upon receiving it from a donor, I am like that beggar who is unable to appreciate the value of Krishna consciousness. I need your constant guidance to make me put steps in the right direction so I can come to a stage of truly recognizing the importance of Krishna consciousness and the holy name.

One striking feature in your life is your focus on the mission of your spiritual master (writing and distributing books) in spite of so many disturbances. Similarly, in spite of so many agitations and constant disturbances, please guide us so we don't lose focus on the foundational tasks of hearing, chanting, reading your books, distributing your books, preaching to eager souls, building loving communities. Please correct us from time to time to bring us back to these primary tasks of Krishna conscious life.

Your unqualified servant,

Nanda Kishore Das.

Nanda Tanuja Dasa

Dear Srila Prabhupada,

I am very Greatful to our beloved Spiritual master Srila Prabhupada who is a ocean of mercy for allowing me a fallen soul to be his disciple. I want pray to him to always guide me in spiritual path to achieve the final goal of Krishna prema.

Om ajnana timirandhasya jnananjana salakaya, cakshur unmilitam yena tasmai sri gurave namah

Dearest Srila Prabhupada,

Please accept the most humble obeisances of this most fallen soul. I cannot express my gratitude in any number of words for the causeless mercy you have been showering on me. Because of the transcendental knowledge you showered on me, I realized that I'm eternally a part and parcel of Krishna, that I belong to Krishna, and that I'm expected to act for His pleasure. It is impossible to repay this great gift of Krishna Consciousness you blessed me with. All I can do is offer these prayers at your lotus feet: "Kindly use me as a humble instrument in your mission, your service and Krishna's service - use me in a way that pleases you and Krishna and that is favorable to you and Krishna!" That can be the only Guru Dakshina I can offer to you. And, let me never ever forget this gift of Krishna Consciousness. Even if I forget, you please remind me by slapping me right away!

Prabhupada! tvadeeya pada pankaja panjarantah, Adyaiva visatu me manasa raja hamsa

O son of Maharaja Nanda, Kṛṣṇa, I am Your eternal servitor, yet somehow or other I have fallen into this ocean of birth and death. Please pick me up from this ocean of death and place me as one of the atoms at Your lotus feet.

A zillion dandavats for making me part of your merciful devotee family. Please continue to bless me to be in the association of Vaishnavas always and never go away from it, even if Maya entices in any way.

As you very well know, this year Maya has been attacking in many ways and forms - health, work, family, financial etc - but only because of your mercy I have been able to withstand all those attacks and still be in your service. Thank you Prabhupada for holding my hand and being with me always! All glories to you!

Please let me prioritize your service and Krishna's service over everything and anything else. Please let me be malleable to your Supreme Will - Karishye vachanam tava - Let me dovetail my freewill completely with your Supreme Will. Please always keep me under the influence of the divine Yogamaya internal potency and not under Mahamaya.

Please bless me with good health and favorable circumstances to read your books consistently with eagerness and dedication. If you so desire, please bless me to relish Srimad Bhagavatam completely.

On this most auspicious day of Your Divine Grace's appearance, I beg forgiveness for the countless offenses I committed birth after birth. I beg forgiveness for any Vaishnava aparadha I may have committed in this life. Let me not have a lording-over nature but only an attitude of servitude towards you, Krishna, your devotees and everything in this world. Prabhupada, only you can deliver me from the clutches of forgetfulness of Krishna. Please remove my illusory curtain that is blocking my vision of you and Krishna. Please engage me in your service in my eternal constitutional position. Please liberate me from this conditional life. I beg at your lotus feet that you please continue to hold me tight and shower more and more mercy on me because I'm feeling so entangled and bewildered and alone I am not able to deal with this attack of Maya anymore.

"cakṣu-dān dilo jei, janme janme prabhu sei, divya jñān hṛde prokāśito"

I do not deserve to receive such mercy but I know that without your mercy there is no other way to get rid of this material contamination and purify myself of all my accumulated anarthas.

Please give this fallen soul an opportunity to continue serving you.

With satakoti dandavat pranams,

Your most humble servant,

Padmakshi Devi Dasi.

Hare Krishna to your Srila Prabhupad!

Om ajnana thimirandasya jnananjana salakaya!

caksur unmilitam yena tasmai sri gurave namaha!!

Please accept My Humble Obeicences, All glories to Srila Prabhupada!

Thank you so much for not giving up on me, I was not very receptive in the beginning but you gave me many chances and gave me wonderful association of Sri Krishna Balaram's family. You thought me lessons to correct my views and my life, opened my darkened eyes, unable to find words to express my gratitude I bow down to you and crying for your mercy to keep me in Krishna's and Vaishnava's service.

When life brings in challenging situation to handle, I get completely distracted, I lose track and derail from the ultimate goal and every time I see you are sending either a message or a messenger to help and keep me in the Lord's service. Please give me good association with which I gain strength, determination and enthusiasm to serve your mission of spreading Krishna Consciousness and ultimately spread Love of God!.

You gave me opportunity to do direct devotional service to the Lordship Sri Sri Krishna Balarama and Gaura Nithai and yourself, but all these comes along with weeds like Puja, Laba, Prathishta. I sincerely pray to please give me intelligence and knowledge to understand and identify the weeds of devotional service and give me the strength to uproot them in the beginning.

Your Servant,

Pandu Putra Dasa.

Prananatha Gopala Dasa

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet. All Glories to your Divine Grace.

One may achieve great things in his life by his karma or by blessings of ancestors and pure brahmanas but one cannot achieve the ultimate goal and the highest fulfillment of human form of life without the mercy of the spiritual master from a bonafide parampara. By the mercy of the supreme Lord one gets the association of the spiritual master and by the mercy of the spiritual master one gets eternal service to the Supreme Lord Sri Krishna.

All of us are in search of freedom and in modern lifestyle millenials like me tend to feel choice is freedom. But the reality is freedom = choice + exclusivity. Choice is the freedom to do what you want to do while exclusivity is the freedom to stay away from things you do not wish to do. Though some of us manage to choose to do Krishna conscious activities the harder part is to stay away from the activities which take us away from Krishna consciousness. In modern sophisticated lifestyle it is sometimes very hard to decipher what is right and what is wrong. Guidance of senior experienced devotees is very crucial in this scenario. I humbly beg you to provide me association of sincere devotees who would guide in my journey of life.

Also, this year I am going through a major change in my life. I am entering Grihastha ashrama with a girl who is new to Krishna Consciousness but yet who is very intelligent and considerate enough to support me in my endeavors. By your mercy she gave up onion and garlic upon just one request as if it meant nothing to her. I was pleasantly surprised. Especially for a girl who has studied and worked in America this is a big change in my opinion. But by your mercy things seem to be going in the right direction. She is very family oriented and seems to stand by me in any endeavor as long as we are together. I believe she will support me in my aspirations to serve you. She has time and again surprised me with her attitude of self-sacrifice and ability to understand my deepest thoughts and feelings. Since, I chose to change my ashrama I chose a girl who is conducive to my spiritual as well as material life. Please guide me to take care of her and be a good Krishna conscious husband. I would like to see this as an opportunity to serve you with more strength and confidence. I kindly beg your mercy to guide us to serve you in all menial ways for your pleasure. Though spiritual life is a major part of my life and thought process I do have material dreams and I believe I would be able to use my accomplishments in your service. Cloud is dark for the one who is under it, they say, and I wish to stay above it. Please guide me so that I may not be enamoured by the ways of sybarites of modern civilization and provide me the friendship of sober and intelligent ones. Physically and emotionally I have been challenged last year with many struggles and pains. As per an astrologer from my family side it was a miracle that I did not suffer as much as I was supposed to during this period. I believe it was by your mercy that Krishna only gave me a token punishment out of the pain I was due because of my karma. Please guide me through this difficult phase so that I may never sway away from the shelter of your lotus feet.

Since childhood I have always struggled with relationships. My introverted nature pushes me to spend more time with my thoughts than people around me. By your blessings I have been able to meet some amazing people who have changed the

course of my life. Though I may not realize it, I know that after initiation it is you who scripts my life, ambitions and its very direction. I recently realized something interesting in terms of relationships. There are 2 kinds of relationships. The relationship of purpose and the relationship of presence. Though there is no clear line in between them both of them are essential during our brief stay in this material world. At times they support each other and at times they threaten each other. One has to balance these well in order to achieve the ultimate goal of life. Though society, friendship and love is what we seek materially depending on how we handle it they may become our strength or weakness. Since, I would be entering Grihastha way of life I would like to see them as strength which will help me to contribute to your divine mission.

Please help me so that I may never forget that you are my Lord and master who is my captain as I try to board the ship to Vaikuntha loka. Ever grateful to you.

Your servant,

Prananatha Gopala Dasa.

Dear most eternal father,

Dandavat Pranam! Please accept my humble obeisances!

Thanks for being so merciful on this most fallen soul for bestowing Krishna consciousness and accepting me as your disciple. Thanks for giving this most undeserving soul the greatest fortune of serving you. Many thanks for engaging me in the service of the lordships.

Dear father, I have become stagnant in Krishna consciousness because of complacency. Zeal in me as taken a downward turn this year, please help always keep up the burning fire to serve you. Please help cleanse my heart from deep rooted anarthas that are preventing me to experience higher states of Krishna consciousness. Please bless me to always remain strong in Krishna consciousness without getting influenced by external situations. Kindly make me your instrument to propagate much needed Krishna consciousness to people.

I was born in the darkest ignorance, and my spiritual master opened my eyes with the torch of knowledge.

I offer respectful obeisances unto him.

I offer my respectful obeisances unto His Divine Grace A.C. Bhaktivedanta Swami Prabhupada, who is very dear to Lord Krishna, having taken shelter at His lotus feet. Our respectful obeisances are unto you, O spiritual master, servant of Bhaktisiddhanta Saraswati Goswami. You are kindly preaching the message of Lord Chaitanyadeva and delivering the Western countries, which are filled with impersonalism and voidism.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to your divine grace.

I sincerely thank you from the bottom of my heart for constantly guiding me throughout the years although you very well know that I am very unqualified of such mercy.

As the years pass by I understand more and more that we are very vulnerable and can be a victim in the hands of Maya Devi at any moment. I understand that although we have been chanting, reading and doing services for years, if our intent to advance in our spiritual life is not serious and sincere, there is always a risk of falling down from our path back to Godhead. I thank you Srila Prabhupada for giving us this tremendous amount of knowledge about the Supreme Lord Sri Krishna through your books, lectures and conversations. I am trying to do my best but still have a long way to go. I beg you to please continue to show your mercy upon me and keep me under the shade of your lotus feet so that I can get that taste for chanting the holy name.

I sincerely pray to you Srila Prabhupad to always keep me in the association of devotees. Please help us to build the new temple at Vaikuntha Hill. The new temple will give us a lot of opportunities to spread the teachings Lord Gauranga to the masses of people. But I understand that we need to make ourselves eligible to run the big place. Please bless us to purify ourselves and make ourselves eligible to become instruments in your hand and to execute your orders in spreading Krishna Consciousness to all the people of the Bay Area.

Thank you Srila Prabhupad for always being there for us, guiding us and maneuvering our lives in the path of spiritual progress.

Your always indebted servant,

Premadhatri Devi Dasi.

Priya Sakhi Devi Dasi

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to your Divine Grace

With your causeless mercy, I got the opportunity to associate with you through your books and organization. Without your instructions, its impossible to understand the purpose of life.

Viśvanātha Cakravartī Ṭhākura has stated that the order of the spiritual master is the life and soul of the disciples. As a man cannot separate his life from his body, a disciple cannot separate the order of the spiritual master from his life. If a disciple follows the instruction of the spiritual master in that way, he is sure to become perfect. This is confirmed in the Upaniṣads: the import of Vedic instruction is revealed automatically only to one who has implicit faith in the Supreme Personality of Godhead and in his spiritual master. One may be materially considered an illiterate man, but if he has faith in the spiritual master as well as in the Supreme Personality of Godhead, then the meaning of scriptural revelation is immediately manifested before him.

*yasya deve parā bhaktir, yathā deve tathā gurau
tasyaite kathitā hy arthāḥ, prakāśante mahātmanah*

(ŚU 6.23)

One who has unflinching devotion for the Supreme Lord and is directed by the spiritual master, in whom he has similar unflinching faith, can see the Supreme Personality of Godhead by revelation. One cannot understand Kṛṣṇa by mental speculation. For one who does not take personal training under the guidance of a bona fide spiritual master, it is impossible to even begin to understand Kṛṣṇa. The word tu is specifically used here to indicate that no other process can be used, can be recommended, or can be successful in understanding Kṛṣṇa.

You have built a BIG house of Krishna Conscious movement (Organization) where everyone could live happy and peacefully without any difficulty. Wherever you go in this world, we could see your presence through your books and organizations.

You mentioned that Sravanam and Kirtanam are the most important activities that needs to be performed constantly (Satatam Kirtayanto mam) but I need your special mercy to improve my quality of chanting and improve my reading by relishing your purports.

Though I am most insignificant soul you are giving us opportunities to serve your mission by preaching this science of Krishna consciousness through your books and temples. I sincerely beg for your mercy on this most auspicious day to shower your blessings on to push on this movement more and more and get an opportunity to serve your mission life after life.

Your most fallen servant,

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to you.

On this special occasion of your Vyasa Puja today, I thank you from the bottom of my heart for bringing me into Krishna Consciousness and making this very life so valuable and meaningful with a goal/purpose, which otherwise would have been rotting in this material world forever. And this is only and only because of you, showering your causeless mercy on this most fallen soul.

Thank you so much for your divine mercy and being my Spiritual Master, my life and soul. You are the only Spiritual master who can be compassionate and bestow such mercy on all the fallen conditioned souls, bless them with all the aspects of devotional service like chanting the Maha Mantra, Reading books, Hearing Lectures, Deity worship and honoring Prasadam, the four regulative principles and various other services which helps us in surrendering, cleansing our hearts so we can go back home, back to godhead. I cannot even imagine how my life would have been without your divine Grace. Thank you for giving shelter at your Lotus feet.

It gives us an immense pleasure to recollect each year and feel indebted to you for establishing temples and institutions all over the world from where we are getting an opportunity to serve the Supreme Lord, Krishna and thereby your mission of spreading Krishna Consciousness. I am very grateful to you for giving me so many opportunities to serve you with various services at the temple. It is through these services and through the association of all the Vaishnavas, I have been realizing many things and trying to improve myself in every way. I am constantly trying to learn, gain more knowledge from your books as well as hearing your amazing lectures but I am not able to do so with so many material impediments and duties towards the family. Hence, I am begging you and still waiting for your special mercy in this regard. One thing I have realized very well as its stated in Chaitanya Charitamrta that our constitutional position is to serve. “jīvera ‘svarūpa’ haya-kṛṣṇera ‘nitya-dāsa’, As you have explained, there are two things. Krishna and Maya are like the light and the shadow. If we don't serve Krishna then we have to serve Maya and its so true. So, Please bless me to be engaged in your service always so I can be in the service of Krishna only. Please bless me to take up reading and hearing lectures very seriously as they are the only source of increasing my knowledge, realize more and more to purify myself and also make others Krishna Conscious.

I cannot thank you enough for everything that you have blessed me with and I wish and pray that I take part in serving your mission to the best of my abilities by following your instructions thoroughly. Please forgive me for all the mistakes I have committed so far and give me the strength to face the challenges ,overcome all the difficulties and progress spiritually.

Always longing for your blessings and mercy on me and my family,

Your most insignificant servant, Radha Shakti Devi Dasi.

Rasarani Devi Dasi

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to Your Divine Grace.

On this auspicious day of your Vyas Puja celebration, I offer my dandavats to the dust of your lotus feet. Lord Krishna says that one should approach a bonafide Spiritual Master for becoming self-realized. But you approached me in my life while I was struggling for real goal/meaning of life. It is all because of the unlimited compassion that you had over a fallen conditioned soul like me. I would like to Thank you from my bottom of the heart for accepting me as your disciple even though I am the most fallen soul and not at all eligible for getting initiation. I just tried to take one step towards you and you took 100 steps towards me and helped me in understanding the real purpose of life. Sometimes I feel, "I don't really deserve this special mercy".

By your mercy, recently I visited Jagannath Puri, Mayapur and Vrindavan, there I observed that all the devotees are absorbed in serving you and your mission with lots of dedication which shows the pure and selfless Love you showered upon devotees.

So, on the most auspicious day of Your appearance

I beg You to accept this offering as a humble attempt to somehow or other reciprocate with Your causeless mercy.

I beg You to kindly remove ignorance that is presently covering me so that I can properly receive and follow Your instructions; try and serve Your lotus feet with ever-increasing purity, love and devotion.

Furthermore, I beg You to forgive me for all anarthas that I have done and give me enough strength to not do anymore anarthas.

Thank you very much for everything Prabhupada,

Your aspiring servant,

Rasarani Devi Dasi.

Dear Srila Prabhupāda,

Please Accept my Most humble Obeisances at your Lotus Feet. All Glories to your Divine Grace

Srila Prabhupāda, you in your Vyāsa-pūjā offering to your own spiritual master in 1936 spoke of its internal meaning:

“Herein lies the secret of Śrī Vyāsa-pūjā. When we meditate on the transcendental pastimes of the Absolute Godhead, we are proud to feel that we are His eternal servitors, and we become jubilant and dance with joy. All glory to my divine master,

for it is he who has out of his unceasing flow of mercy stirred up within us such a movement of eternal existence. Let us bow down at his lotus feet.”

Thus for all of us the special, or esoteric, meaning of Vyāsa-pūjā is “a celebration of the ‘unceasing flow of mercy’ from our divine master, Śrīla Prabhupāda.” every one of us experience & witness to the fact that the mercy of Śrīla Prabhupāda continues to flow freely, vitalizing each of us and, collectively – the whole Kṛṣṇa consciousness movement – and, indeed, the people of the whole world. your unceasing mercy makes us “become jubilant and dance with joy,” a joy of gratitude as well as confidence that your mercy will continue to flow to us and through us, as long as we faithfully follow your exacting and sometimes demanding instructions.

When Lord Caitanya Mahāprabhu accepted sannyāsa and went to Nīlācala He was concerned about the spiritual welfare of the conditioned souls left behind in Bengal. Already the brāhmaṇas and elite of society had gotten the causeless mercy, but Lord Caitanya Mahāprabhu was concerned about the others, the less fortunate, more grossly and materially entangled persons. Therefore, Lord Gaurāṅga requested Lord Nityānanda Prabhu to go to Bengal to benedict the remaining souls with love of Kṛṣṇa. Thereafter Lord Nityānanda Prabhu proceeded to flood Bengal with the hari-nāma saṅkīrtana!

Similarly, Lord Caitanya Mahāprabhu desired that all the conditioned souls of the world be delivered. He didn't personally complete that service, but rather left it for Your Divine Grace to do. Just as Lord Nityānanda left the nectarean association of Lord Caitanya Mahāprabhu to carry out His order, Your Divine Grace physically left Vṛndāvana (while carrying the dhāma in your heart) and carried out the instructions of your spiritual master. You were so kind to consider how all the remaining fallen souls in distant places(western world) who were deprived of Lord Caitanya Mahāprabhu's mercy would be delivered. Hence you opened the centers all around the world , center for distribution of Chaitanya's mercy through book distribution, prasadam distribution, Naam Sankirtan by engaging the most unqualified & wretched souls like me and i always wondered why you choose unqualified people like me for the most urgent and important task unless i came across this:

Devotee Mataji : *Srila prabhupada why did you choose us for such an important task , we are all mlechhas,third class, fourth class people?*

Srila Prabhupada : *In his own Humorous way, "I didnt have the better choice".*

But my understanding is, prabhupada you are like touchstone, whatever you touches turns into gold, you can turn the sand into gold, you can turn a mlechha, a third class, uncivilized, unqualified into first class devotee provided we agree to follow all your instruction in Toto and this is the demonstration of your unlimited compassion & causeless mercy & quality "panditah sama darshinah".

Kindly bless me to follow your instructions the same way an obedient animal follows his master's commands. Real surrender is but a state of utter helplessness and dependence on you.

Prabhupāda, you are the best at spreading Lord Caitanya's mission! As Sanātana Gosvāmī glorified Haridāsa Ṭhākura, I want to honor you:

avatāra-kārya prabhura – nāma-pracāre

sei nija-kārya prabhu karena tomāra dvāre

“The mission of Śrī Caitanya Mahāprabhu, for which He has descended as an incarnation, is to spread the importance of chanting the holy name of the Lord. Now instead of personally doing so, He is spreading it through you.” (Cc. Antya 4.100)

In several instances you have declared that one who does not follow your instructions is not a disciple because “He is against the principle.”

So, I should recognize that to have the right to call myself your disciple, I should be willing to follow all of your instructions, not only the major ones, but the minor ones as well. Being your actual disciple is not an ordinary thing, but the most extraordinary thing. I aspire to one day be your disciple, Śrīla Prabhupāda. Please grant me the strength to accomplish this.

While offering this humble prayer, may I please seek your blessing;

My innumerable shortcomings I am herewith confessing.

May I remain exclusively in your service until I draw my last breath.

May I finally surrender everything, not waiting until my death.

”Gurudeva, give to this servant one drop of mercy so that I will be lower than a blade of grass and give me all help. Give me strength, so that I will be able to tolerate everything (that may be very intolerable) and I will not desire any respect from anybody.”

Your Servant, Sanatana Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisances in the dust of your lotus feet. All glories to Your Divine Grace.

I have received your books (Bhagavad-Gita As It Is and Prabhupad biography) thru a senior devotee of you. I have read your 2 books and changed my existing habits and came to know importance Guru and Supreme Personality God Head Lord Krishna. Thank you for your books Srila Prabhupada.

On this day of your appearance I am reminded of the truly great gift you have given to the world.

Srila Prabhupada is my source of light or inspiration. He stands forever in the glory of pure devotional service to Krsna. Thank you so much for giving me such a great opportunity to serve the mission of spreading the holy name.

Only an empowered personality can distribute the holy name of the Lord and enjoin all fallen souls to worship Krsna. By distributing the holy name of the Lord, he cleanses the hearts of the most fallen people; therefore, he extinguishes the blazing fire of the material world. Not only that, he broadcasts the shining brightness of Krsna's effulgence throughout the world. Such an acarya, or spiritual master, should be considered nondifferent from Krsna -- that is, he should be considered the incarnation of Lord Krsna's potency. Such a personality is krsnalingita-vigraha -- that is, he is always embraced by the Supreme Personality of Godhead, Krsna.

O Gurudeva, please give me shade Beneath your lotus feet.

This is the ray of hope that I have in life that you will never leave my hand. I sincerely request and pray to you to just be with me.

Your Servant, Satavata Das.

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet. All glories to your divine grace.

By your causeless mercy, you have taught all of us the purpose of this very rare human life – utilizing this life to go back to godhead. Srila Prabhupada, you have not only given us the purpose but also the process for achieving this purpose. I simply marvel at the arrangement you have made for all of us by creating this worldwide movement. I have no words to express your mercy. Srila Prabhupada, out of your compassion you have come to deliver us as we are suffering in the burning fire

of material existence and saved us from hellish life. You traveled all over the world with the mission of bringing souls back to godhead, back home.

Srila Prabhupada, it is my great fortune that you have casted your causeless mercy upon me. Please bless me to serve your mission. Please guide me to take decisions in all aspects which are conducive to Krishna consciousness. Srila Prabhupada, you saved me from a life of misery and ignorance. You gave me hope and have touched us all so deeply.

I sincerely thank you for all the blessing that you have bestowed upon me. On this holy day of Vyasa Puja I beg you to guide me and bestow your mercy on me so that I will be steadfast in my sadhana every day. Please help me in overcoming my weakness and make me strong in Krishna Consciousness.

Aspiring to be a servant of your servant,

Dear srila Prabhupada,

Please accept my humble obeisances at your lotus feet.

What a year it has been with so many ups and downs in life. This has shaken up a lot in my life. But only one thing that is still igniting me is "I want to serve you". You are my lord birth after birth. Without you, my life can't even be imagined. What will I do in my life without serving you? Ever since I have taken shelter under your lotus feet, my only wish is to serve you. But often this desire gets smudged by the Maya. Please continue to hold me and continue to pull me out of this maya. My only wish is to serve you life after life. I am such a fool that although you extend your warmth towards me, I am unable embrace your shelter. Give me enough strength and knowledge and continue to protect me. I have no other way, no other way, no other way other than serving you. I humbly request do not leave me in this darkest ignorant world. Else, I will be drowned. Please protect me.

It is only Yourself and nobody else can help me advance in spiritual path. I thank You for coming into my life. It's only Your causeless mercy that I am in touch with Krishna consciousness. I often think that my whole life would have got wasted if not in contact with Krishna consciousness through Yourself. Please bless me to be a bridge to bring more and more souls under your shelter. Thank you again dear spiritual master for everything. Thank you again for the mercy that you have been showering upon me dear father.

Dear Srila Prabhupada!

All glories to you and Sri Krishna Balarama!

Please accept my humble obeisance!

I thank you so much for everything you have done in this world! See for living in this material world being a grihastha, we must fulfill our family obligation. Doing that we have to travel to places and take those essential vacations for the kids. With your hard work and number of temples that you have built. We are so fortunate to travel in so many places where temple is just 2 to 30 minute walk or drive. This helps in so many ways for us the fallen souls. As soon as we find temple, we plan vacation around it. So, we can be grounded with Krishna consciousness and fulfill the obligation of material life and Krishna parasadam is enjoyed by the entire family. Even though it's a vacation for kids it comes out a treat for entire family.

We are so fortunate to live in the current world that has your blessings like these.

Thank you Srila Prabhupada!

Dear Srila Prabhupada,

Please accept my humble obeisance unto your divine lotus feet.

Srila Prabhupada today is the most auspicious day to celebrate your divine appearance in this material world to eradicate all the Mayavada and Sunyavada and deliver all conditioned souls.

I pray at your lotus feet humbly to make me and my family as a part of your mission in constructing a beautiful temple in Vaikunta hills , to serve Lord Krishna and Lord Balarama because it is possible only by your mercy and make me servant of the servant of your servant. I thank you for accepting me and my family as a tool for your mission.

Your Servant,

Sri Rama Raghava Dasa.

Srigopika Devi Dasi

Dear Srila Prabhupada,

I offer my respectful obeisances unto my Spiritual Master who has opened my eyes, blinded by the darkness of ignorance, with the torchlight of knowledge.

No material enjoyments, captured my very soul than those I'd experienced by just dancing, singing, and chanting before the Deities in the temple.

I've now learnt how to free myself from all my entanglements by developing unshakable faith towards Krishna.

Earlier days materially I used to compare myself with others and felt sometimes proud and sometimes jealous, but now when I compare with others I count my blessings. How fortunate I am to get such wonderful association. As I chant my rounds, read your books, listen to your lectures, I am slowly cleansing my heart of accumulated clutter.

As proof of how fallen I actually am, it has taken me years of many trials and errors to get to a place where I am now able to practise Krishna Consciousness to some degree. I now realize my only hope is to take shelter of the Lotus Feet of Krishna.

I bow to your lotus feet and seeking your mercy to engage me and my children in Krishna's service always. Even if we fall please pull us back. please don't let us disappear in this material madness. there should never be a moment that we had to live without devotee association.

And still longing and waiting for Lord's call to enter Shrishetra. Please grant me this wish Prabhupada.

Your lotus feet are the only way by which we can attain the pure devotional service. I bow to your lotus feet with great awe and reverence. By Your grace one can cross the ocean of material suffering and obtain the mercy of Krishna.

My only wish is to have my consciousness purified from the words emanating from Your lotus mouth. Attachment to your lotus feet is the perfection that fulfills all desires. You opened my darkened eyes and fills my heart with transcendental knowledge.

You are my Lord birth after birth. From You ecstatic prema emanates and ignorance is destroyed. Vedic scriptures sing of Your character. Dear Gurudev, You are the ocean of mercy, friend of the fallen/poor, Lord and master of the devotees.

Oh Master, Please be merciful unto me and keep me at Your lotus feet eternally engaging in the service of Your lotus feet.

Even though I am a fallen, undeserved soul, wandering in the material world life after life rotting in sense gratification, You picked me up with great care and provided me with the knowledge of who I am, who our Father is and how to attain the greatest treasure of Krishna prema. Thank you very much and I am Your slave eternally.

Also you were holding my hand which made me feel very easy and now You want me to walk on my own, unfortunately I am spiritually handicapped as I have so many anarthas. It is impossible for me to move an inch without Your mercy. I gently and firmly hold your lotus feet to help me make progress in my Krishna Consciousness without offending any vaishnavas. It is very scary to even think of how I will be overcoming my anarthas, to join you in Your pastimes. Please give me the focus of Krishna Consciousness without deviating in any gramya katha.

Humbly beg at Your lotus feet with a (mental offering) garland of kadamba flowers, kachoris, rasgullas and kindly

- Bless me to increase my gratitude towards all that I am receiving in Krishna consciousness because of Yours, Krishna's and Vaishnava's mercy
- Bless me to increase my respect towards all the Vaishnavas
- Bless me to increase my determination to go back to Godhead by the end of this lifetime itself
- Bless me to increase my appreciation to other Vaishnava's services
- Bless me to increase my enthusiasm to serve You and meet You in person

- Bless me to increase my services at Your lotus feet
- Bless me to increase my patience and tolerance before I meet You in person
- Bless me to increase my faith in devotional processes Please shower Your mercy to remove
- The six weeds in my heart that is checking my progress in Krishna consciousness,
- The six passions pertaining to words, the mind, anger, the tongue, the stomach and the genitals
- The six faults of overeating, attachment to material things, inability to follow regulative principles, sense gratification, useless idle talk, and impure habits

Thank you very much dear Srila Prabhupada, I cannot thank enough to what You have given me.

Please use me as instrument in Your mission so that I can become meaningful.

Dear Srila Prabhupada,

Please accept my most humble obeisances at your divine lotus feet. All glories to you.

On this auspicious day of your appearance, I would like to once again take an opportunity to thank you from the bottom of my heart. I can't imagine my great fortune to be one of the persons whose life has completely changed due to your divine intervention. I personally very well know that I have no qualification whatsoever. Your causeless mercy is the only reason I have received your association. I was on a royal road to hell but you have gracefully picked me up and put on a road which will take one back to Godhead. You are a pure devotee of Lord Krishna coming in disciplic succession from Lord Krishna Himself. You are spreading the teachings of Lord Krishna to fulfill His mission which is to deliver the entire mankind from the clutches of material existence.

From your teachings we come to know that the secret for spiritual success is association with pure devotees. You had many times quoted the following verse from Caitanya-caritamṛta Madhya-līla 22.054:

*'sādhu-saṅga', 'sādhu-saṅga'—sarva-śāstre kaya
lava-mātra sādhu-saṅge sarva-siddhi haya*

“The verdict of all revealed scriptures is that by even a moment's association with a pure devotee, one can attain all success.”

Of the nine progressive stages of spiritual advancement that are mentioned in Sri Bhakti-rasamṛta-sindhu, “sādhu-saṅga”, associating with a pure devotee is one of the preliminary and prominent stages. One would wonder how to find and associate with a pure devotee. You have solved this problem for good by your visionary and wonderful arrangement where everyone can get your personal association for the foreseeable future. You made yourself personally available and accessible through your books, lectures, letters, conversations and videos. By your association, one first understands clearly that they are not the body but the spirit soul. They also understand that they are part and parcel of the Supreme Lord Krishna and their duty is to serve Him unconditionally. By following your instructions, one gives up the four pillars of sinful life and takes up chanting of Hare Krishna Maha Mantra which ultimately leads to perfection of life. By your association, one finally revives their dormant love of God and goes back to Godhead. Unfortunately there are so many impostor spiritual leaders today misleading the common people which makes it difficult for them to take advantage of your association. Now it is the

responsibility of all of your followers to help everyone to take advantage of your association by introducing you, starting with your books. The purpose of you creating spiritual organizations of which Sri Krishna Balaram Mandir is one of them is to give an opportunity to everyone to associate with you and others who are following your teachings.

I would like to take this opportunity to beg at your lotus feet to help me serve your mission by introducing to your Divine Grace to as many people as possible and help them perfect their lives.

Your eternal servant,

Sukhada Govinda Dasa.

Dearest Father Srila Prabhupada,

Please accept our obeisances at your lotus feet. We pray that you please accept our small offering describing a drop of your glorious qualities:

Soul dedicated to Srimati Radharani
Rare pure devotee of Lord Krishna
Unconditional lover of Krishnas
Preacher above all
Savior of the world

A complete surrendered disciple to your guru

I always start my day with your lectures or kirtans. Thank you, Srila Prabhupāda, for all the instructions you have given us through your books, lectures, letters, and conversations, and the institution you established. Your temples in every corner of the world are like oases in the desert of this material world, and we always feel secure and blissful when we are in a temple and among devotees.

We are enlightened and realised that how are we under Maya only by your lectures.

Since last year I have spent much time in Gopuja rather than book distribution. Srila Prabhupada I have done this as per instructions from authority as per your instructions. Please always keep us in service of your mission. I am getting opportunity only by your mercy who myself is fallen. Because of you I am getting deity worship opportunity which I never dreamt. Please help in contributing in increasing our congregation.

Kindly excuse me from all the aparadhas that I have done. I know if you ask Krishna will surely accept it.

You are the captain of the ship that can cross this dangerous ocean of Kali. ISKCON is the oasis in the desert of this Kali-yuga, and you are the commander of Lord Caitanya's army that will defeat the dacoitarmy of Kali-yuga. Though we are in material world, ISKCON is the organtioan which will make your stay as in Vaikunta with kirtans and harinama sankirtana.

We are glad to inform you that our Goshala family is increasing rapidly. Our devotees are preaching in colleges. I am also getting an opportunity to preach matajis at noon which is again your blessing which I never dreamt.

I feel blessed that my son is learnign Gita and that is agian your causeless mercy. Those of us who are latecomers, i.e., who joined the movement after your departure, can still feel the sweet, loving kindness you are bestowing upon us through your ISKCON, your disciples, and your books. And we thank you unlimitedly for that.

We have the description by Locana Dasa Thakura in his Sri Caitanya-maṅgala of how Narada Muni, while visiting the spiritual world, came upon Lord Gaurāṅga. The Lord told him of His mission to destroy the sinful activities of the Age of Kali. *“With the powerful chopper of nāma-saṅkīrtana,”* He said, *“I’ll cut the hard knots of demoniac desires from the hearts of everyone. Even if the sinners reject religion or flee to foreign countries, still they will get My mercy. I will send mora senā-pati bhakta to go there and deliver them.”* Mora sena-pati bhakta refers to that devotee who will lead Lord Caitanya’s sankirtana army, or in other words that devotee whom Lord Caitanya would empower to spread Krishna consciousness around the world. That commander of the sankirtana army is you, Srila Prabhupada.

By your mercy, Srila Prabhupāda, although we are living in the Kali-yuga we are experiencing it as the Satya-yuga, because numerous souls throughout the world are becoming advanced in Krishna consciousness. There are many ISKCON temples around the world, and their numbers will increase with time.

Thank you for your massive literary exposition—the amazing transliterations, the thoughtprovoking translations, and the lucid purports. They have taught many, especially me, the value of human life and given me the desire to live. You gave humanity the secret of success.

At Bhagavad-gita 18.66 Lord Krishan says:

*sarva-dharmān parityajya mām ekaṁ śaraṇaṁ vraja
ahaṁ tvām sarva-pāpebhyo mokṣayiṣyāmi mā śucaḥ*

“Abandon all varieties of religion and just surrender unto Me. I shall deliver you from all sinful reactions. Do not fear.” If you had not come, Srila Prabhupāda, how could I have ever known this ultimate will of God?

I have undergone a lot and my only hope during tough times is only you. If lord Krishna grants me a boon then I will ask him to grant me strenth and intelligence in helping you in succeeding your mission.

Your aspring eternal servant,

Supriya Radha Devi Dasi.

Dearest Srila Prabhupada,

Please accept my humble obeisances at your lotus feet. Thank you Srila Prabhupada for coming to the western world and spreading Krishna Consciousness everywhere. Only by your mercy we can find Iskcon temples and devotees all over the world. Only by the mercy of devotees I have been able to come to Krishna Consciousness and able to see this world as a travel lodge knowing my final destination to be in your lotus feet and serving your mission of spreading Krishna Consciousness in whatever ways I can.

Please help me to perfect my sadhana goals and read at-least two cantos of Srimad Bhagvatam this year. Please give me the energy and enthusiasm to fulfill my sadhana goals and preach everyone and tell everyone about Krishna Consciousness. Please bless me to serve the devotees and make me more humble and meek. Please bless me and my family to always live in the association of devotees wherever I am so that I can Always Love Krishna, Never Forget Krishna.

“By the mercy of the spiritual master one is benedicted by the mercy of Krishna. Without the grace of the spiritual master, one cannot make any advancement.”

Dear Srila Prabhupada,

In spite of me being such a fallen and sinful soul, you have showered your causeless mercy upon me and have given me a chance to progress in the path of Krishna Consciousness. Thank you for blessing me such a nice spiritual family at KB Mandir who never let me down and are always there to motivate and help me to progress in this path.

During the retreat this summer, our family was fortunate to travel with exalted senior devotees to various holy places in US. In every place we visited, the Hare Krishna devotees took care of us like own family members.

I was remembering you a lot at that time. Because of your single handed hard work, we are able to visit any place in the world safely and relish the past times of the Lord. Though this material world is a place of misery, you have blessed us to live in peace through Vaishnava Association.

Now, all I have to do is to carry Krishna in my heart and spread your mission throughout the world. Please give me that strength Srila Prabhupada!!!! Help me to do attentive chanting with utmost sincerity and serve all the Vaishnavas - which is the only means to purify my existence.

My humble gritudes to all the senior devotees of Krishna Balaram Mandir who have helped me to understand the real meaning of a Guru and help me understand your instructions as it is. Please bless all the devotees of KB Mandir with good health and strength.

As we continue to face several challenges and obstacles in our new temple projects, please guide us so that we may be able cross all the huddles and continue to serve your mission. Help us to spread Krishna prema to the millions of people in and around Silicon Valley .Because of my anarthas, I end up doing services sometimes imperfectly. Help me to do the services with utmost sincerity and always keep me under your shelter. Please keep guiding me for how to preach & teach our Sunday school kids for they are going to be the torch bearers of this movement in the coming generations.

Praying to be your eternal servant,

Uttara Devi Dasi.

Dear Srila Prabhupada

When I was enquiring about the nature of this material world and the nature of supreme person responsible for whole universe and living entities, I came across your teachings and I found initially there is some honesty in his teachings. Then as I heard more and more on this teachings, I found some of the answers to the questions that were not answered before by any of other spiritual teachers. you try to uncover the unadulterated truth from Bhagavad Gita and Srimad Bhagavatam writings with his mission of spreading Sri Krishna and his name. His main purpose is how to make the conditioned souls to train in Bhakti and thereby helping the humanity to go to God's Kingdom. He succeeds in his mission driven by the fact that there several Bhakthi centres to spread the name of Krishna and his teachings. The moment he came to NewYork with bare hands and sitting in the park with no body behind him SHOWS his immense faith in himself and his teachings. His trust in Krishna definitely makes him the highly qualified person and his knowledge in various sastras and his skills in singing, playing musical instruments, translating sanskrit literature to english makes him multi-skilled person apart from his dedication to Krishna. As I heard and learnt lot from his teachings, I found lot of times relieved from distress through chanting the Lord's holy name, 'Hare Krishna' maha mantra. This not only relieves the distress, but also purifies you from sinful reactions. This maha mantra also gives the courage and removes the fear, that will give joy and pleasure/happiness surpassing your lamentation. Srila Prabhupada is definitely highly intelligent person, because he explains the science of

God logically, and he has lot of control over lot of verses from various scriptures. All of his disciples are also intelligent because they can understand his teachings in logical way, and I see in ISKCON centers people are motivated just by themselves by discipline and their actions are centered around Krishna and his associates/devotees.

I really THANK you for his dedication and immense hard work in spreading Krishna and his name all over the world and I really bow down before him for his self-less service..

THANK YOU,

All Glories to Srila Prabhuda,

Your Servant

Dear Srila Prabhupada,

Please accept my humble obeisances. It is truly your causeless mercy that you have allowed and accepted a fallen soul like me in a pure spiritual movement of yours. Knowingly and unknowingly, I have committed many offenses but It is your causeless mercy that you kept giving me chance again and again, and kept connecting me to your pure spiritual movement. It is because of your causeless mercy that I could understand the real purpose of human life and differentiate it with animal equivalent life of ahaara nidra bhaya maithun. Thank you for saving me from bogus philosophy of materialistic life, which at one point I was inspired with, by presenting a pure spiritual philosophy in simple language. Without your books and teachings, there is no possibility to come near to real spiritual knowledge.

Please shower your mercy on this fallen soul so that I can become sincere in reading your books and follow your teachings. I beg you to provide me strength to fight against material attractions I have acquired, my weakness of heart and tendency to waste time. Srila Prabhupada, Please provide me continuous remembrance of the struggle and the hardship you went through to establish this organization with a sole purpose of saving fallen souls like me, so that I can be more inspired to serve you. Srila Prabhupada, you and Krishna have done this in the past and I humbly beg you to continue putting me in a situation, with or without my desire, where I always remain part of your movement and allow me to serve you as you desire. Srila Prabhupada, Please forgive me for my foolishness of not understanding the importance of Guru in the path of spirituality in my initial days. Thank you for showing me the lowest of degree to which I am fallen and thus making me understand and realize that causeless mercy of Guru is the only savior on this path. I have heard senior devotees talk about the importance of pada raj of pure devotee and for materialistic person to take bath in it to save himself from materialistic life. This is so befitting for a pure devotee like you.

Thank you Srila Prabhupada for providing meaning and motive to my life which is absolute pure. I humbly beg you to accept me in your service and provide me strength to follow this path with sincerity and enthusiasm.

Dear Srila Prabhupada,

Please accept my sincere gratitude on your divine appearance day. All glories to you.

Before coming to know about the philosophy of Krishna consciousness I was living almost atheistic way of life, which only lead me to run after immediate goals of life. It was only after I came in connect with Krishna conscious devotees and your book "Science of self-realization" Which helped me to know the true purpose of human life and lead a Krishna conscious life. All these factors facilitated me to understand proper way of dealing with the materialistic problems of the today's world. The process of chanting helped me to remain focused in my academics and in obtaining a much needed internship experience in USA.

Thank you for showing me the correct way of living this modern age's miserable life and in getting me associated with devotees and good friends. Please bless me to live more dedicated Krishna conscious life.

Dear Srila Prabhupada,

My respectful humble obeisance unto your lotus feet. I beg your mercy, to offer my humble prayer unto your lotus feet, on the auspicious occasion of your appearance day. You are always been an inspiration for me through your devotional service

to lord Krishna. Your lordship is been very kind to shower mercy on the fallen souls like me, who is always engaged in the sense gratification. Your guidance to go back to godhead is the only way how I see to achieve the constitutional position. I feel very blessed every evening when I see you after spending a hectic day in my workplace. I feel blissful and I immediately connect back to my motto of life.

When I was associated with Krishna Balaram temple, Sunnyvale in 2014, my perception about you that you are founder acharya to guided people to adopt Krishna Consciousness. At that time I did not even know that you have taken so much pain for the fallen souls to show them the path, back to godhead. My perception kept changing day by day when our temple senior devotee cite examples of your past times, where you have exhibited unflinching devotion towards the supreme personality of godhead in each of your activity. You are truly a top class devotee and reserve the rights to take us back to Krishnaloka. This summer by your grace, we went for an extended trip to east coast of USA. We saw the Krishna tree (in Tompkin Square Park) and then visited to matchless gift in (26 2nd Ave), it was a real eye opener for me. I was amazed how at the age of 65+ , a person can take so much endurance to preach Krishna Katha to people, only for others benefit. It was truly a transformational realization. I felt ecstatic remembering and visualizing your past time around those holy places. My perception about you gradually changed, from you as Founder Acharya to Patita-pavan Acharya.

By your mercy only, I started reading Bhagavatam every evening. I offer prayer through your Bhagavatam, for pleasure of the lordship. I have been very thoroughly impressed by your literary intellect. Although we are educated we feel insufficient in understanding some of your translations and for that I have to refer to the dictionary. I often think, how so amazingly you have translated deep philosophy in English words to provide the taste of the nectar to devotees across world who do not understand Sanskrit. You have been so kind to us that we are indebted towards you life after life. Your devotion is exemplary and will help us in setting up the standard of our devotional practice.

Dear Srila Prabhupada, I read your letters in the morning when other devotes share with me through electronic media. I was thinking your super natural power in crafting personal letter to each of the devotees who sought spiritual and material solution from you. You efficiently managed many Krishna temples across world, you managed many disciples who are neophytes, you managed to respond to each letters, you managed to preach Krishna Consciousness without influence of time and place, you managed to provide protection to the disciples who were seeking your shelter, you managed to publish devotional magazines and books, and above all you have translated the vast ocean of Vedic scriptures (E.g. Bhagavad Gita and Bhagavatam etc.) which is beyond comprehension. If I look at all these activities, I have only one sentence to say “*You are the true representative of Supreme Lord in form of Mercy and Intellect*”

With all this, Srila Prabhupada, please accept me as your fallen servitor. I have many short comings, and filled with ignorance. But I have full faith on you that you will deliver me, as I know you are a merciful spiritual master. By your blessings, my heart will always attached to Lord Ramachandra and his mission. Hence, please accept my prayer and shower your mercy of devotion to me.

Yours Fallen Servant

mūkaṁ karoti vācālaṁ paṅguṁ laṅghayate girim yat-kṛpā tam ahaṁ vande śrī guruṁ dina-tāraṇam

My dear lord and master Srila Prabhupāda,

Please accept my most humble obeisances at your lotus feet. All glories to you, the savior of the fallen souls. We are eternally indebted to Your Divine Grace for giving us your eternal shelter in this material existence, where every conditioned soul is obsessed by the desire for self-satisfaction. You came to this world with only one desire: to eternally benefit us all. I would

like to be a Prabhupāda man. I am convinced it is the right thing to be. I would like to be known as a Prabhupāda man, at least if it will inspire some others to also be Prabhupāda people.

Srila Prabhupāda, you are an incarnation of mercy (kṛpā-avatāra). And in distributing mercy you did not consider who was good or bad (uttama, adhama), high or low. You saved all who fall down before you. And thus, you expanded the merciful mission of Gaura-Nitāi. As stated in Śrī Caitanya-caritāmṛta (Antya 7.11): kali-kālera dharma— *“The fundamental religious system in the Age of Kali is the chanting of the holy name of Kṛṣṇa. Unless empowered by Kṛṣṇa, one cannot propagate the saṅkīrtana movement.”* No one in history had ever spread the saṅkīrtana movement like you did. You spread it all over the world, which no one else had ever done, to the highest and to the lowest. Thus, we conclude that you were empowered, a śaktyāveśa-avatāra. And if we consider further, we may conclude, as one of your godbrothers suggested, that you were empowered specifically by Nityānanda Prabhu—to deliver the durācāra, the sinful and fallen. And you did that. You were an incarnation of mercy, and you offered kṛṣṇa-nāma to everyone, without discrimination, and you inspired, or induced, people to take it. *“He delivers all those who fall down before Him. Therefore, He has delivered such a sinful and fallen person as me.”*

You told us that this was the secret of your success in expanding the Kṛṣṇa consciousness movement. In a Srimad-Bhāgavatam class you once said: *“Yes. This is the order. Guru-mukha-padma-vākya, cittete koriyā aikya. Now citta means consciousness or heart. “I shall do this only, bas. My Guru Mahārāja told me; I shall do this.” Cittete koriyā aikya, ān nā koriho mane āśā. So, it is not my pride, but I can say, for your instruction, I did it. Therefore, whatever little success you see than all my Godbrothers, it is due to this. I have no capacity, but I took it, the words of my guru, as life and soul. So, this is fact. Guru-mukha-padma-vākya, cittete koriyā aikya. Everyone should do that. But if he makes addition, alteration, then he is finished. No addition, alteration. You have to approach guru—guru means the faithful servant of God, Krishna—and take his word how to serve Him. Then you are successful. If you concoct, “I am very intelligent than my guru, and I can make addition or alteration,” then you are finished. So that is the only”.*

So, on this day I am praying that I can follow in your footsteps, Srila Prabhupāda, and not become deviated from your lotus feet. And then when this body is finished I hope that when the devotees talk of me they will say, “Yes, he was a Prabhupāda man.”

Your most fallen servant

Bhakta Gandhar Dighe

Dear Srila Prabhupad,

Please accept my obeisance's.

I feel pleased and blessed to write my third Vyasa puja offering to you. In this third year of chanting the Hara Krishna Maha Mantra, I am happy that I am able to chant eight rounds daily. I wish to gradually increase this. Chanting and hearing the Gita lectures every morning has made my spiritual journey better and easy, it has made me more humble and calm. I am

no longer anxious about few things in life (I wasn't such few years back). Many times I say to myself that things move as per the wish of Lord Krishna. In the past many months I have also said that "If Krishna so desires, so be it". There were instances when things went as I wished and sometimes didn't. So, I personally experienced and still kept calm.

One very pleasing experience was on Ekadashi (on 28Jun2018). I didn't have fasting food (Quinoa) prepared as I wished to (accidentally there were ingredients not meant to be consumed on Ekadashi) and was very reluctant to eat what I had during lunch. I visited the temple on this day (it was Friday and kept my Friday temple visit routine) and was hoping that someone at the temple ask if I need fasting prasadam to eat. I couldn't ask anyone at the temple myself because I knew that there were limitations at the temple and temple had stopped offering afternoon prasadam to visitors/devotees. On last many Fridays when I visited no one asked me to have prasadam. On this Ekadashi day, after the afternoon aarti, one regular temple devotee asked me to have Ekadashi prasadam. For a moment I didn't know what was happening, I was completely lost and was spellbound. When I was having this prasadam I told this devotee about my thoughts and I couldn't control my tears. I was sincerely crying in joy for someone had read my mind and favored me. This devotee instantly said "There is Krishna is everyone's heart, he knows everything". I shall never forget this experience.

Please guide me so I can progress in my spiritual journey and influence others in the family to follow the path. Please shower your blessings on all of us. Sometimes I feel that I should be on the fast track in this journey, however, Krishna has plans for everyone and hope you and He would guide me and help me.

Please help me be a good Vaishnava!

Jai Srila Prabhupad!

Your Servant,

Bhakta Gandhar Dighe.

Bhakta Gautham Narayanan

Dear Srila Prabhupada,

Please accept my humble obeisances.

Happy moments passing as years keep moving. It is my pleasure to keep in touch with the Hare Krishna Movement which you had made it as simple as possible for this generation devotees. It is so simple in such a way that requires your efforts to keep your sadhana moving. But most importantly association is the key to succeed this simple process, as it our driving force in Hare Krishna Movement.

My level of happiness has increased a step high than last year and would desire to keep increasing in the upcoming years. My association with devotees is slowly developing and hope will increase even more in the following years. Apart from that I have some key moments to share about with regards to my sadhana growth. I've improved my level of chanting all

my dedicated rounds in one shot and also during 6:00am average which I feel needs to be improved. Then followed by association with brahma Chari devotees.

I've been keeping my sadhana in constant touch by approaching brahmachari devotees whenever I have leisure time from college. I end up sitting with a devotee raj bhog and spend some time on talking about some Krishna Katha and how it applies to our day to day life. Adding more on this I took some inspiration from your centers that was opened during your days of introducing Hare Krishna Movement. It all began in the holy place of Vrindaban, but in the US. Due to unavoidable circumstances for next couple of years I couldn't move to India even to visit holy places. But you fulfilled my desire by taking me to Vrindaban in the US which was so pleasant.

The moment I took a step to this place, I was like let me retire now and spend time here. But as a devotee it isn't the right etiquette as I'm giving a bad excuse to skip my education. This place is so vibrant and peaceful with limited access to technology which is once again good. The temple is so pleasant for which I am wondering if I could chant extra rounds and indeed did that out of temptation. But even most important inspiration was from the house in bahulavan where deities were made. It is so inspiring to see your devotees took every step by shedding their blood to make deities with limited access to necessities. Also, the way they raised their funds during those days was something that I cannot imagine in today's world. But when I happen to hear that the temple and the golden palace was completely built by the devotees and not any contractors, that's when it put me into a shame for not taking Krishna conscious sincerely. Even today your disciple is building a temple under your instructions without showing any signs of age, bodily pain. This indeed shows how happy and powerful is Hare Krishna.

From this I learnt that Krishna conscious will make you happy, powerful, and very conservative in using material resources for personal purpose. I feel that there is topsy turvy between some Indians and the westerners. happening around after looking at holy places in the US. Just as how you brought white elephants to attract Krishna consciousness for people in India, I happen to get inspired by looking at white elephants.

Also, I'm happy to say that I've been living away from my family and with devotees here in the ashram. I feel happy about it as I am going to elevate my Krishna consciousness under your guidance. From here on I want to elevate my sadhana and make strong association with devotees. Most importantly support your movement skillfully and financially (hopefully will get some internship to share the fruitive results of it). I need your blessings to get this force going in a balanced way between college and temple. Will strive for this life. I would like to conclude this by having one desire apart from my own sadhana. First thing is to get my family into Krishna consciousness, most importantly my sister who are in isolated location where there is limited access to association.

Under your blessing I wish they come back in a so that they can get more association and render their service to the lord as much as possible. I wish they come back in a year. I thank you for giving me the opportunity to visit holy places despite having limited access to visit them in India. I wish I could repeatedly visit these places to get some energy level upgraded.

Your Humble Servant,

Bhakta Gautham Narayanan.

Ever since I read Bhagavad Gita As It Is, I knew I had found the Truth and that I had a debt to Guruji that could never be repaid. Srila Prabhupada revealed the Lord to me and is teaching me to know Him. I will gladly spend the rest of eternity repaying that debt because I cannot help but love Guruji and abide him.

Bhakta Kishore Kumar

Dear Srila Prabhupada,

The past year was life changing because I finished college and started working as a Software Engineer. This life is completely different than how it was before.

I had to work with a lot of people who are from different backgrounds, have different habits, etc but due to Lord Krishna's grace I did not get diverted with egative thoughts and stayed loyal and true to what was right.

Believing in the Master Supreme has brought me to the stage I am currently in and I have no regrets, everything has gone well and I have been constantly improving and getting better at what I do and did not lose myself.

I want to thank Srila Prabhupada for being with me and guiding me in the right direction always and hope to continue the same. The only wish I have right now is to study abroad and get a better job, being really good at that, I hope lord Krishna will help me do that in the near future.

Your Servant, Bhakta Kishore.

Bhakta Omkaar

Dear Srila Prabhupada,

Please accept my humble obeisances. This year you have showed me many things that I didn't know before. Going to the basics, I am not yet touched by your mercy to chant sincerely and read your books with more interest. Please give me the mercy to chant and read your books with full attention. The main reason I fail to experience the true essence of chanting is because of my lack of attention.

I have so many thoughts in my mind running like a movie and I can't stop it and focus. You have also given me the strength to not get badly influenced by many people in my school. This year everyone changes, so it has been a very challenging year for me. I had to take many decisions that were very hard. For example, some of my closest friends started showing inappropriate behavior in school. Knowing I will get influenced, I had to leave them behind and move on. One other thing I really need your help on is not eating chocolate. It's very hard for me to give it up because of a constant habit since childhood. With your mercy, I hope I slowly change and give up chocolate once in for all.

Yours Sincerely,

Bhakta Omkaar.

Bhakta Parag Agarwal

Dear Guru,

My humble obeisances to your feet Jai Srila Prabhupada.

I firstly thank you for giving me this Opportunity to write you and also I'm not good at this so please forgive me for any mistakes in this letter.

At first I entered Krishna Balaram temple on 2015 Sunnyvale, CA. Getting faith in your movement was difficult at beginning and took 2 years to understand because this generation has led my life to modern age. But for my long time questions that was dwelling in my mind, I received proper answers through the books and your classes of Krishna consciousness.

I'm still trying to follow them to my best also took vow to chant at least one time the HARE KRISHNA MAHA MANTRA. Please help me and bless me to continue the chanting.

Your Humble Servant,

Bhakta Parag Agarwal.

Bhakta Santosh Ballal

My Dear Srila Prabhupada,

Please accept my humble obeisances, all glories to your lotus feet!

I want to take this opportunity to thank you very very much for the wonderful society that you have created and for the plethora of books that you have written, because of this network of devotees and your books a fallen soul like mine got in touch with Krishna Consciousness. It only took one book of yours (COMING BACK) that I read and got convincing answers to so many questions that I had developed over the years and were unanswered previously. By reading more of your books and hearing to your lectures it has helped me a lot with giving up and following the 4 regulative principles.

This was the beginning of my journey and I was fortunate enough to find wonderful network of devotees and temples across different countries that I had to travel for work and these devotees kept me in check with my progression within the Bhakti Marg that you have shown us. The chanting of the Maha Mantra has definitely helped me with the spiritual progression, I can only tell that my journey has only just begun, and I have a lot more to do and serve the Vaishnava devotees for I have only taken from them and not given anything back.

I am also trying my best to get my family into Krishna Consciousness and it is working out so far by your mercy. All your instructions are clear without ambiguity, now we must only follow. Please give us some shelter under a dust of your lotus feet and help us to become a Vaishnava. I offer my respectful homage onto all the Acharyas and devotees in the lineage of Brahma-Madhva-Gaudiya Vaisnava Sampradaya.

Hare Krishna.

Trying to become your humble servant,

Bhakta Santosh Ballal.

Bhakta Suresh Suggula

Dear Srila Prabhupada,

In my initial days of Krishna Consciousness, I used to ask you please provide the strength to continue in the Krishna Consciousness. You heard my prayers and gave the strength to overcome the maya, due to your blessings today I got the chance to know more about Supreme God Krishna. Everyday I'm reading Bhagavad-Gita and trying to chant Hare Krishna Mantra atleast one round per day. I want to chant atleast 8 rounds per day by next Vyasa Puja. Good thing I'm showing good progress towards reading Bhagavad-Gita and finished around 12 chapters. I am astonished with the Purport you gave for each Sloka. It's giving me vast knowledge and excitement to read more and more books of you. Apart from Sravanam and Kirtanam, I am trying to spread the Krishna Consciousness.

Before I came to Krishna Consciousness movement, I used to have more fear about my future. As you stated in Bhagavad-Gita 10.11 'The pure devotee does not have to worry about the necessities of life; he need not be anxious because when he removes the darkness from his heart, everything is provided automatically by the Supreme Lord' now I am confident about my future. I am ready to accept anything it comes in my way.

Your Servant,

Bhakta Suresh Suggula.

Bhakta Vishal

Dear Srila Prabhupada,

Please accept my most humble obeisances. All glories to you!

It is said in the scriptures that the secrets of pure and genuine devotional service are hidden in the hearts of pure devotees. It is easy to misunderstand bhakti with sentiments, voluminous work, or many other things. Only by your mercy, the finer truths of devotion to the Supreme Lord have become known to undeserving people like us. Instead of becoming lost in the externalities, you taught us to focus on internal purity. You not only gave us the path of perfection with the highest standards but also a viable approach for everyone to move forward within our current lifestyle.

We would have never known what spiritual master means if we had not come under your shelter. While we have not personally met you but reading your books, hearing your classes, or reading your pastimes makes us realize the sublime position of the spiritual master. Everything you spoke or did was related to Krishna. Anything you preached, you exemplified it by your own example. What makes you stand apart from any acharya in the history is your ability to have transformed the degraded western people with no background of Vedic culture into such dedicated Vaishnavas. That speaks volumes of your internal purity and genuity.

You had such strong conviction in the words of your spiritual master that you took biggest risks to follow his words. You struggled so so much to fulfill the desire of your spiritual master and spread the teachings of Lord Chaitanya all over the world. You worked tirelessly on translating the Vedic literature so it could become accessible to us. You walked the streets of Delhi in heat, traveled to the West in old age, personally served others just to give the message of love of God to everyone. You were alone initially, no one paid attention to you but you still had a clear vision, you never compromised your message to attract anyone.

Prabhupada, we are eternally indebt to you for what you have done for our sake taking enormous personal inconvenience. Getting a human birth is considered rare, getting a birth in India is considered ever more fortunate. We had these opportunities but we were simply wasting them without you. You have done everything for us to perfect our lives. I feel I have wasted enough of my life running after so many materialistic things. Now I want to dedicate myself to your lotus feet.

I pray to you to give me your blessings and guidance so I get the inner strength to rise above my weaknesses and clarity in mind to move forward on the path you have shown us.

Your aspiring servant,

Bhakta Vishal.

Bhaktin Aishwaroopa Narayanan

Dear Srila Prabhupada,

Happy to be a part of this mission. This year has been special for me in as I just started making friends from my Sunday gurukul. From there on I slowly started engaging in group activities with respect to the sadhana. This way my spiritual growth had an elevation However suddenly due to my dad's job location change I had to move out of the community and live in a place where I could not find any devotees association here. I miss my community badly there as I was always engaged in some service of the lord, followed by nice association with devotee. Currently I live in a remote location with limited access to the temple association as it quite far away from my place. I need your blessings and guidance to get me back to the community I've been serving throughout and build a even strong spiritual knowledge with association. I need your help with the power of association. Please help me get back spiritual master.

Will continue wait until you give green signal.

Yours Humble Servant,

Bhaktin Aishwaroopa Narayanan.

Dear Srila Prabhupada,

Thank you for showing us what life is. At one point of time I thought having money, good job, etc means life is settled but it's other way round. Life is full of misery and suffering its never ending, but you showed us a way, by chanting we are able to end all of this one day. Thank you for your kind words and guidance.

Dear Srila Prabhupada,

I offer my humble obeisances on to your lotus feet. All glories to Srila Prabhupada.

By your causeless mercy the whole world is being saved. You came to save us from this material ocean of birth and death. Without your mercy we don't know anything about Krishna. With your mercy this fallen person came to know about the absolute truth. Thank you for picking this unqualified person for Krishna consciousness.

I humbly offer my respect to your lotus feet which showed me the right path and right way to live. Everyday I am struggling to overcome the unwanted qualities to follow your instructions. All the time my mind battles with maya. As you say maya is very powerful if you don't have any knowledge of Krishna. By your mercy I am able to get the highest form of instruction in this human form. I have learned how to lead a peaceful life even in this material world. I have never thought that you and Krishna are different.

I humbly beg you to increase my faith and help me to do my sadhana well. Please help not to fall into this material ocean again which is full of miseries. Only by your mercy I am chanting 16 rounds. I beg you to keep me at your lotus feet always.

Oh Prabhupada, please forgive me for all my mistakes and change my behavior and take me back home back to godhead. Your instructions help me day by day to get rid of all my anarthas. I'm very grateful to you and I want to serve you birth after birth.

Your servant,

Bhaktin Divya Vignesh

Dearest Srila Prabhupada,

I offer my respectful obeisance at your lotus feet.

Srila Prabhupada September 2018 I came to the US. After coming here my realization of what you would have been through has increased. There is no doubt that His Divine Grace is none other than the soldier of Sri Chaitanya Mahaprabhu. Through your mercy I can associate with your direct disciples and other wonderful devotees and learn more about you. Truly those classes and association bring me closer to you, dear Srila Prabhupada. No matter how much one thanks you for the efforts you have done, is eternally less, since we are enjoying the fruit of the tree which you had sown. After coming to the this place I practically didn't know anyone, but your Divine Grace is the only medium by which I have a big family now. I bow to your lotus feet again and again and again.

In the past few years so many things have changed, literally nothing is same. At times I feel low, morose that's proves the point that I am not doing my sadhana properly. Srila Prabhupada please help me overcome that, until you are merciful I will not be able to continue so. My mind has started raising the same question which I had before joining the movement. Please help me answer those questions, I feel disturbed a lot.

In the end I would thank you for the spiritual guide or in other words the spiritual partner which you have sent. We have successfully completed 1 year together. Please bless us that we be together till the end of this lifetime and please Krishna together and serve you.

Dear Shrla Prabhupada,

Thank you for blessing our family. We humbly offer obeisances to your feet.

You showed your grace when one of your devotees met us at Edison, New Jersey 19 years back and gave us the Krishna books and Bhagavad Gita. We were having lot of struggles at that time and these books were timely for us to relieve us of the material sufferings.

After reading the books slowly , my health improved and life got better. We continued seeking your blessings as we moved to Toronto to start a new life with our first kid. We were able to participate in Rath Yatra in Toronto and when we purchased a Book of Krishna Paintings, my daughter was deeply influenced by the paintings and this has instilled love for Krishna. We moved to California when my second kid was born. We continued participating in Krishna activities and Rath Yatra in Golden Gate Park. My second daughter reads Krishna stories during Bed time and makes sure she distributes the Hare

Krishna beads to us as a daily reminder to chant. Thanks to your grace both our kids are growing up with Devotion to Krishna. This New year our family distributed Bhagavad Gita on the occasion of Gita Jayanthi. My mother's devotion also encouraged to me read Bhagavatam and she completely read Srila Prabhupada's Translation of Bhagavatam.

Thank you for your continued blessings to continue our Krishna devotion. We humbly offer obeisances to your feet.

Srila Prabhupada ki Jai!

Bhaktin Harika Pavan

Dear Prabhupada,

My humble obeisances unto your Lotus feet.

Thank you so much Prabhupada you are the one who made everyone's life happy with Krishna consciousness. Little things I know about Krishna made my mind more curious and i started knowing about Krishna. But still lot to know about Krishna. Your books and lectures got me the knowledge Prabhupada.

My life was distrubed and there was no alignment. Started chanting Maha Mantra - Hare Krishna Hare Krishna Krishna Krishna Hare Hare! Hare Rama Hare Rama Rama Rama Hare Hare! and reading Bhagavad Geetha which made changes in my whole life. Its not just saying the Mahamantra but chanting with whole heartedly.

I have seen great change in my life.

I can compare the KC with a baby who is in mothers womb. Only mother knows the kicks and movements of baby in womb and enjoy every moment similarly Only a devotee in Krishna Consciousness know about Krishna, how he feels, how it changes the life and enjoy the every moment. I wish everyone should feel the same.

Hare Krishna Thanks again Prabhupada for everything. Haribol!!!!!!!

Your Servent,

Bhaktin Harika Pavan.

I was born in the darkest ignorance, and my spiritual master opened my eyes with the torch of knowledge. I offer my respectful obeisances unto you.

One suffering from jaundice is reluctant to take sugar candy, although one knows that is the only medicine to cure the disease. There is a cure for the bodily disease which is available, but for the internal disease you gave us the benediction of the Hare Krishna maha mantra which is not easily available. Thank you for giving us the mercy. The Hare Krishna maha mantra you gave us will act like sugar candy for the jaundice like condition of sense gratification. One who develops a taste for the holy name will reduce sense gratification eventually. Thank you for your instructions. Although I know that the Hare Krishna maha mantra is the only medicine, the mind wanders away when I chant and I have a hard time to bring it back. After the retreat, I realized that chanting is doing and hearing is knowing. For effective chanting, chanting should be done in one stretch, without any distractions. Thank you for walking with me in my difficult situations and guiding me what to do. I humbly beg you to increase my faith and engage me in your mission. I am chanting 10 rounds, please bless me to increase this without reducing any. I will try to follow your instructions of chanting 16 rounds everyday. I finally memorized the siksastakam, and I want to memorize as much as Gita slokas as possible. Please bless me with spiritual knowledge. Please shower your mercy upon me to improve my Krishna consciousness and sadhana.

Dear SrilaPrabhupada, if you so desire please empower and guide me to become your able instrument to overcome my limitations to built a magnificent temple in and around silicon valley from where we can propagate your holy names. Thank you for providing us a temple in Sunnyvale.

My dear Srila Prabhupada,

You are a real Jagath Guru who came to this world to save the fallen souls like me. You have set an perfect example from your childhood itself by doing Rath Yatra for the Lordships at a young age. Your lectures, bhajans most importantly the books are truly guiding force for all of us in leading a KC life. The depth of the philosophy which is provided in your books and lectures is the real jewel which attracts the fallen souls and provides a medium to understand Lord Krishna.

I am sure the amount of effort, time and hardwork which you put cannot be explained in words, it shows your dedication to your Guru Maharaj and the compassion you had for the fallen souls to bring them back to Krishna Consciousness.

Its been more than 50 years that you established this institution and the standards you have set is being followed by so many thousands of people and hundreds of temples. I feel so proud to be part of this KC family and am very grateful to You for providing all this for us to take advantage to understand this philosophy and follow KC. By your blessings i am somehow able to chant 16 rounds daily and read Srimad Bhagavatam. Kindly shower your blessings so that i can be more strong in my sadhana and also please give me good memory to remember whatever i read in your books so that i can present this philosophy to others. Also please bring my family into Krishna consciousness so that they can understand the importance of KC as well.

Jai Srila Prabhupada!!!

Dear Srila Prabhupada,

I love you because you are so nice and cute. Every time I come to temple, I like seeing you and touching your cool lotus feet and putting flowers on it. I love service and I like cleaning your altar. I'm telling some friends at school about blue Krishna, One day, I took Krishna soft toy for show and tell and everyone liked Krishna. Elle, my friend who is Chinese liked Krishna and his flute a lot. She keeps asking me about Krishna.

I love Krishna, Radharani, Balaram and all their friends too. I love Vrindavan and little Krishna. Thank you for taking us to Vrindavan last year. We want to go again to Vrindavan, please bless us. Akka and amma are helping me in being Krishna conscious.

I like singing "Ha ha Prabhu koro daya, deho more pada chaya". When I see videos where you look very old, I cry. I feel so bad for you. But amma told me that you are always there in your books. Then I become happy. Thank you for being in your books.

Please help me with this Prabhupad - I'm watching a lot of videos on the laptop. I dont want to watch so much. Help me to start chanting. Also, if you so desire please make nanna a devotee and be Krishna conscious.

I'm your devotee and Krishna's devotee,

Bhaktin Krishna Mayukha (5 year old).

Dear Srila Prabhupada,

Please accept my humble obeisance's at your lotus feet. All glories to you on your all-auspicious Vyasapuja day.

On the occasion of your divine appearance day, I would like to offer you a few words of gratitude, although I am unfit. The appearance and disappearance of transcendental personalities are actually aspects of their mercy upon their disciples and followers. On these days, we have the special opportunity to remember you, your instructions and the profound effect you have had on our lives. According to our degree of service and genuine love for our guru, we may have greater or lesser feelings and realizations of your real identity and the extent of the immeasurable gift that you have bestowed upon us.

You saved my life and I am very grateful to you. You have saved the lives of thousands of persons and you continue to do so through the missionary work of your followers. You teach the way to escape reincarnation, coming back to another material life for birth, death, disease, and old age. You are the greatest teacher in the world. You also teach that more important than liberation is serving Krishna and pleasing Him. I am trying to learn this lesson. With your help I can make advancement in this goal. You are not just the best teacher but the best friend. Please bring me to you to learn more about serving Krishna and inspire me to work in your mission. Now whatever happens in my life, please keep giving me more and more service, as menial as it could be so that I can improve the quality and quantity of chanting.

Aspiring to be your sincere servant,

Bhaktin Latha Kollu.

Bhaktin Madhuri

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet.

Thank you Prabhupada for coming into our lives. I am lost in the material world and you are showing me the way to the world of real happiness which I am yet to take. My ignorance made me blind , but I still have a hope that one day I can see the light of Truth, which is only Krishna.

Dear Prabhupada,I was living life of an animal and you have shown me the way of living which is meaningful and destined. Through your books you are guiding us in each and every step towards reaching Krishna.

Through your movement you have given us beautiful temples to pray and the most merciful deities.

Dear Prabhupada, you have given us everything. We just have to learn how to use it correctly . After coming to temple my life has changed a lot. I can't imagine my life without temple now. I am really scared to miss the association of Vaishnavas. The maya will again push me into dark ignorance if I am not in your service.

Dear Prabhupada, please show your mercy upon me and make me chant regularly without fail.

Hare Krishna Maha Mantra has become my only strength. Krishna is my only hope. Reaching Krishna's Lotus feet is my only goal. In every situation happiness or sorrow or fear, I can't remember anything other than Krishna. Knowingly or unknowingly the Matra is coming to my mind. But still the material thoughts are pulling me away sometimes. Dear Prabhupada, please guide me to overcome Maya.

Dear Prabhupada, we can't thank you enough for what you have done for us through your movement.

I feel myself very fortunate to be part of your movement. Through your books you have given us clear instructions from birth to death which are the guidelines for our lives. Thank you Prabhupada for the most valuable treasure you have given us.

All glories to Srila Prabhupada!

Your Servant,

Bhaktin Madhuri.

Bhaktin Madhuri Parashar

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet.

Hare Krishna!

The day of your divine appearance is a joyous occasion for all of us. It is also an opportunity to express our gratitude and, perhaps most importantly, to ask for your powerful blessings. Srila Prabhupada, you have given us the most sublime gift—the opportunity to revive our original spiritual consciousness, the opportunity for transcendental devotional service to Lord. You have done this in countless ways, above all by instructing us to chant Hare Krishna, by leaving behind our potent transcendental literature, and by sending out your dear servants to reclaim the fallen conditioned souls. Although necessary and most appropriate, words of praise can never be enough to repay the debt we owe you. The best way to express our gratitude is to take your gifts seriously in our own lives and engage in practical activity that helps others develop their Krishna consciousness.

How fortunate we are! How indebted we are to you! Although we were most unfortunate and unqualified for such a sublime benediction of ecstatic loving devotional service to Lord Krishna, by your grace and compassion we are now the recipients of the Lord's boundless and inconceivable mercy. This debt can never be repaid, not even in a million lifetimes. Our religion, therefore, is simply to try to please you, Srila Prabhupada, and somehow try to repay our debt by serving your mission.

Kindly continue showering your mercy so that we may be able to serve your mission to our best capacity.

Your aspiring servant,

Bhaktin Madhuri Parashar.

Bhaktin Mahathi

Dear Srila Prabhupada,

I really like you because you are the best writer of Krishna books.

I like to read them and see the Krishna pictures. I like to offer flowers to you and Krishna. Krishna books are the best!!!

Little Servant,

Bhaktin Mahathi.

Bhaktin Mamta

Jai Gurudev!

Dear Gurudev! Thanks for showing light in the world full of ignorance and darkness. With your invaluable teachings and simple methods, you have made our goal and true purpose of our life crystal clear. You have made easy for us to understand Gita, otherwise, our whole life is not enough to understand 1% of it. A lot of times we wondered without you what happened to the Guru Parampara but now I know you are still very much present with us in the form of Guru Vani/Shabd. Perhaps, you never left us and been always there for us, with us. Now, we realized that we must have done many Kalpa's worths of good karmas to found you. Thanks for showing us the right meaning of life and path to attain The Supreme of Supreme. Please be with us always in this life and upcoming lives and hold our hands so we will be able to cross this materialistic ocean (Bhavasagar) and reach our ultimate abode of Krishna (Vrindavan).

From the bottom of our heart,

Your Servant,

Bhakta Sumit and Bhaktin Mamta.

Please accept my humble obeisances. Thank you for preaching Krishna Consciousness to the whole world. Without you I wouldn't have been Krishna Conscious. I am very grateful to you because you have been so kind to us by letting us know about the Supreme Personality of Godhead. You have founded 108 temples around the whole world in the time span of only 12 years. You have taught us about the Hare Krishna Mahamantra which is the only way of attaining Lord Krishna's spiritual abode. Because of you, I like doing kirtan and I like going to book distribution. Thank you for guiding all of us with your lectures and books. All glories to your divine grace!

Dear Guru,

My humble obeisances to your feet Jai Srila Prabhupada.

I firstly thank you for giving me this Opportunity to write you and also I'm not good at this so please forgive me for any mistakes in this letter.

At first I entered Krishna Balaram temple on 2014 Sunnyvale, CA.

Getting faith in your movement was difficult at beginning and took a year to understand because this generation has led my life to modern age. But for my long time questions that was dwelling in my mind, I received proper answers through the books and your classes of Krishna consciousness.

I'm still trying to follow them to my best also took vow to chant at least one time the HARE KRISHNA MAHA MANTRA. Now I'm back to India June-2010(Chennai- Avadi). I'm still having the thirst to find your temple to continue with your following. I really miss the Bhagavad Gita discourse classes.

Please help me and bless me to reach a proper place, until then help me to continue the chanting.

Dear Srila Prabhupada,

Thank you for everything you did for us. Without you, I would have been lost.

Bhaktin Nivriti

Dear Srila Prabhupada,

Please accept my humble obeisances. Remember that last vyasapuja I said that I will try to stop eating chocolate? Well now I actually stopped eating chocolate! I stopped eating chocolate because one day my family and I were discussing about chocolate. Well my mom showed me a video about chocolate having cockroach. From then on I felt like throwing up if I eat chocolate, because I feel like I am eating a bar full of cockroach. Well now let's talk about something else like my chanting. Chanting is one thing I need to improve on. I am having difficulty to focus on chanting and doing it properly.

Even other times when I chant I get disturbed by something else like television.

Chanting is one thing I need to improve well I have way more things to improve maybe my association with certain people. My association is getting harder and harder to deal with because even in school it's hard to find good friends. Because I don't want my friends to talk about inappropriate things. So my association is very important. After association I need to work on my attitude or my behavior. I only feel like improving on my behavior because I think I am doing wrong things sometimes. Well I feel like fixing these problems. But it is a little hard to fix these problems because I keep repeating the silly mistakes over and over again. One thing that I really want you to fulfil is that I can continue serving you and Krishna.

Your servant,

Bhaktin Nivriti Chennagiri.

Bhaktin Pavitra Mavuru

Dear Srila Prabhupada,

My humble obeisances to your lotus feet.

You were the one who inspired me to be Krishna Conscious. When I first came to temple everything was new and I never knew about you, but then I learnt about Krishna about Krishna consciousness. A long time ago you were the one who brought the memories of Krishna to New York city and all around the world. You helped every single devotee I have met to be who they are. When you travelled first to America you have to go through a lot of obstacles to reach your goal to spread Hare Krishna Maha Mantra and it helped all of us to be who we are now. Because of your mercy we love Krishna so much.

My goal is to be just to be your servant and spread Krishna consciousness around. Prabhupada please help me to reach my goal to become a good devotee of Krishna. Dear Prabhupada, please help me fulfill my other dream of having my own Laddu Gopal. I feel so affectionate towards him when I am dressing him and giving him abhishekam. I feel good when I am serving him everyday. I thank you for everything you have done for the world and I hope the world does too.

Hare Krishna Prabhupada,

Please bless me to reach my goals..

Your humble devotee,

Bhaktin Pavitra Mavuru.

Bhaktin Pranali Kasturi

Jai Srila Prabhupada,

Thank you for watching over us for the past year when we were continually being tested by vigorous obstacles life decided to through at us. At times when those problem clouded or hindered my consciousness you have been the light who made sure that I am not thrown into the dark. Although the words “thank you” do not return the favor in any way I just hope to convey my feelings through those words. Through all the difficulties I faced and all the people that are not part of my anymore life it has been quiet hard. I beg you to shower your mercy and continue to help me through my Krishna conscious journey. As I mentioned many times it’s been hard but your guidance and Krishna’s mercy has made me a strong warrior to battle the obstacles from the past and you continue to make me strong for the future by strengthening my consciousness as days progress. Thank you for helping me with achieving my dreams while strengthening my mental,physical and spiritual health. And thank you for helping me fight the fights. Jai Srila Pranbhupada.

Dear Srila Prabhupad,

Dandavat Pranams!! Please accept my Humble Obeisance!!

Year after year, you are kindly giving me the realization on how great you are, how great Krishna is and how great Krishna consciousness is as I understand life as the days pass, am getting to know how true your teachings are in all respect of life. I have no words to glorify you Prabhupad, you are simply great and awesome, it is purely your causeless mercy that I have come under your shelter. Have heard from your teachings that for one to get devotional service, it is not their qualification but it is causeless mercy of guru. Guru gets the service from Krishna on disciple’s behalf and gives it to his disciples. It is so much true which I would practically realize by again your causeless mercy.

What an important role the causeless mercy of guru and Krishna plays in one’s life is inexpressible. Awaiting with eagerness to receive more and more of your causeless mercy may your glories be proclaimed throughout the three worlds!

Thank you Srila Prabhupad! Hare Krishna!

Please accept my humble obeisances.

My dear spiritual master , you have taught me the real purpose of human life when I am engaged in achieving material comforts fully forgetful of Krishna. You are so kind and merciful on fallen people like me to cultivate Krishna consciousness and freeing us from material bondage. From cooking prasadam to chanting, you gave us guidance on simple things and huge treasure of Bhagavatam and many more vedic literature which we wouldn't have even known about. You are so perfect and pure devotee. Please show your mercy to follow your instructions to progress in my spiritual journey going back to Godhead Krishna. My Dearest father,

You have been so merciful unto to me and to my family even though we are so fallen in our consciousness! Your invaluable association has given us so many incredible things in life which we would not have experienced otherwise. "Thank you" seems such a meager word to express. You have given me courage when I needed to pull myself from a difficult situation. You have guided me from within to chose the right things. You have given the purpose of life and the means to achieve it. I beg you to keep us under the shelter of your lotus feet every moment. Please bless us with intelligence and courage so we are always devoted to your mission whole heartedly until our last breath and beyond!

Dear Srila Prabhupada,

To begin with I want to pay my obeisance unto the lotus feet of Lord Krishna and Srila Prabhupad. Glorifying Srila Prabhupad is like offering lamp to the light of sun but still I would like to say the kindness that Srila Prabhupad has shown for the welfare of mankind is beyond the words. He introduced Krishna Consciousness Movement for the world which was like He has given the life to the dead bodies it was the greatest mercy of His divine Grace Srila Prabhupad indeed. He has given us nectar in the form of Bhagwat Gita and Srimad Bhagwatam. Even I feel like I got a new life full of real happiness after coming into Krishna consciousness movement.

He has taught us how even a fallen soul like us can go back to Godhead by chanting Hare Krishna Mahamantra and enlightened the path of right meaning and process of worship. He embraced everyone whole heartily and dedicated His whole life for our welfare. He is really an Angel for all mankind who inspires us in every aspect of spiritual life. Due to His guidance we realize that We can get the love of God which is not inaccessible.

Dear Srila Prabhupada,

||Om ajnan timirandhasya jnananjana salakaya

Caksur unmilitam yena tasmai sri-gurave namah||

I offer my obeisance onto your lotus feet.

Because of your mercy, I am more blissful than ever before. When I first came to Krishna Consciousness, I first saw you. I did not know you then, but I felt you are the acharya who made Krishna Consciousness. After a few weeks, my parents put me to Sunday school and I saw you. I wish that to serve you until my last moments. Please help me to go back to godhead because I am a fallen soul.

Dear Srila Prabhupada,

All the musical instrument that you played, the harmonium, kartal, mrdangam, and bumpers inspired me to do Kirtan. I play harmonium just for the pleasure of Krishna Balaram, and for you. I try to wake up early but I struggle with it. Please guide me in every step of my life, so that I could go back to godhead without any delay. Without your mercy my life won't succeed.

Your Fallen Servant, Bhaktin Ripun.

Translation: The Guru's form is the best to meditate upon; the Guru's feet are the best for worship; the Guru's word is the mantra; the Guru's Grace is the root of liberation.

Dear Srila Prabhupada,

Please accept my humble obeisance.

All glories to you on this auspicious day of your "Vyasapuja."

Words are not sufficient to express my heartfelt gratitude to your divine presence and for the abounding compassion and love you have been expressing to me and to one and all on this Earthly planet.

Millions of fallen souls are completely bewildered and suffering endless untold misery as I am offering my obeisances to you at this moment. No one else can see this better than you Guru Maharaj. The bewildered masses do not know where to go but you continue to reach out to them in every nook and corner of the world through the "International Society for Krishna Consciousness," that you have set up all over the world. You also have made the process of being Krishna Conscious so simple, so accessible and yet so sublime. You have given us the method of chanting, having Mahaprasadam and reading books.

I consider myself so blessed to have somehow chanced upon the transcendental vibration of chanting of the MahaMantra- "Hare Krishna Hare Krishna Krishna Krishna Hare Hare. Hare Rama Hare Rama Rama Rama Hare Hare," at a devotee's home and it captured my heart. I was even more fortunate to listen to the reading of the Srimad Bhagavatham and Bhagavad Gita. I am also involved in the Bhaktivriksha programs and temple activities in Phoenix, Arizona. By attending conference calls, discussion of scriptures, devotee association I am being constantly guided slowly and surely to understand the real purpose of a living entity. Each day is a new awakening into the real purpose of our existence.

Dearest Gurumaharaj you have shown us by example how to detach from material life and engage in Krishna consciousness all the time. I am a fallen soul and I seem to be still caught in the material world. I beg you to guide me in every step and bless me to receive the right knowledge and apply it toward my self realization. Kindly bestow your causeless mercy on a fallen soul like me to grow further into realizing the true self and furthering your cause of helping your mission of "Back Home, Back to Godhead."

Your servant,

Bhaktin Roopa Raghunandan.

Dear Prabhupada,

My humble obeisance into your lotus feet. You are the abode of all the mercy in this entire world. Please forgive us for all our mistakes and continue to show us your mercy without which it is just futile to having taken birth as a human in this world.

In this Kali yuga, it is very easy to get distracted, all thanks to Maya devi. But I know if there's is a will there's a way. But there's no way without your blessings. It is impossible to get out of the clutches of Maya without your blessings. Please help us from maya so that we can remember the Lord every single second of our life.

'harer nama harer nama,harer namaiva kevalam kalau nasty eva nasty eva,nasty eva gatih anyatha.' There is no way other than chanting the mahamantra in this Kali yuga. Dear Prabhupada, please bless us so that we get more and more interested in chanting. Bless us so that there comes a time when with every breath, we would be chanting the holy name of the Lord.

Without your mercy and blessings we are just going to go through the cycle of birth and death without serving our main purpose which is to please the Lord. Please bestow your blessings on all of us and help us please the Lord. Please shower your mercy on this unrighteous, disgusting, despicable sunken soul.

Dear Srila Prabhupad,

Dandavat Pranams,

First off, I just want to say that there's nothing I can do to really express my gratitude for bringing knowledge of the Supreme Personality of Godhead to this Earth and for a Krishna Conscious family. Obviously, I've sort of gone off tracks here and there and tried to really explore what KC means to me. I've never really understood it's importance because of how easily I could access it and to be honest, I am still learning. Please bless me to become fully Krishna Conscious and dovetail my life to the service of Krishna. Thank you for being so patient with me and guiding me even though I've slipped off track here and there. I am so grateful to you and to Krishna for giving me literally the best association of devotees who have taught me the real meaning of Krishna Prema. You have indirectly given me answers to my questions and made me brave enough to seek it for myself which I'm really thankful for. I have just now started reading your books seriously, so, please bless me to advance successfully. I know you have and will always take care of all of our devotion, so, thank you. Thank you a lot for everything! Finally, please forgive me for all the offenses I may have committed in ignorance.

Bhaktin Vidhi Kadakia

Dear Srila Prabhupada,

Vyasa Puja is a truly propitious and unforgettable day for all the devotees. Next year, I will be attending college Srila Prabhupada, please bestow your mercy on me for staying focused spiritual excellence and help me in overcoming the vibes of the nondevotees by whom I will always be surrounded. I beg you to guide me in doing my sadhana every day, especially chanting. Sometimes I don't like to chant, but I know that it is a medicine for my soul which is someday going to prove beneficial for me. Please help me in developing my interest in chanting the holy names of the lord the way Madhu Pandit Prabhu has asked. I need your blessings to hold my momentum keep going. Recently, I had the opportunity to visit a few of the ISKCON centers while traveling this year. I realized that not only have you imparted your spiritual wisdom to us through your books and lectures but also given us an enormous family of devotees all over the world. While visiting these centers, I also visited your Gold Palace, which is the most beautiful thing I have ever seen in my life. The love of those 600 devotees who built it for you and your presence has made that Gold Palace is even most attractive than the other famous places.

I found this poem very interesting and captivating and wanted to offer it to you on your appearance day.

On this day it is so very important to reflect

How your arrival in 1896 had such a profound effect.

When we think of you, our hearts tremor with emotion;

You have brought into our lives the true aim of devotion.

We are living in times where the material world is getting tougher;
We are conditioned to think that this mundane world will give us pleasure.
But you explained that our existence here is temporary;
Living in Krishna consciousness is a life more exemplary.
You gave us a spiritual universe in which we can all live;
Dovetailing activities for Krishna makes everything more attractive.
While others listen to the top hits on radio stations,
You provide the nectar of kirtan vibrations.
While others watch mindless television,
You give us the beauty of Deities to satiate our vision.
While others read novels of falsities and fiction,
You provide pages and pages of Vedic wisdom.
While others verily eat sin by consuming as gluttons,
Devotees are able to relish sumptuous prasādam.
While others blaspheme and spend time in prajalpa,
Vaiṣṇavas listen to kṛṣṇa-kathā and chant japa.
While others need to get drunk to celebrate holidays that have no meaning,
You introduced so many festivals to glorify the Lord that are so appealing.
You have given something so immeasurably valuable to society;
You have compassionately revealed what is the real purpose of humanity.
You wanted to save us from the cycle of 8,400,000 species of life,
Pulling us out of the sludge of suffering and strife.
You have gifted us the essence of realization—Srimad-Bhāgavatam;
You have kept us engaged through harināma- sankirtan
.Everyone is in a rat race, working 24/7, but to what end?
Simple living and high thinking is what you recommend
.People are realizing that they are not getting satisfaction;
They want to find answers, and those are available in your ISKCON
.Because of you there is the possibility of taking advantage of this real knowledge;
Lord Caitanya's message is now available in every country, town and village.
Many are seeking fame and recognition,
Not realizing they are really unknown beyond the realm of their own notion.
Some are trying to impress and be VIPs and chiefs,
But like innumerable grains of sand, they will soon blow away like fallen leaves.

Srila Prabhupada, you always knew what to say and how to answer,

Providing practical, balanced, Vedic instructions and candor.

There should be no doubt

That your vāni holds ultimate clout.

Srila Prabhupāda, it is you who hold all devotees within ISKCON together;

Despite differences and disagreements, devotion to you remains at the center.

You are a pure devotee and have led by example,

Showing that being equipoised in dealings is fundamental.

You emphasized that in devotional service pleasing Krishna should be the only motivation,

And that there is no benefit if material profit is one's aspiration.

All of your instructions are so very important;

As time passes by they should certainly not be forgotten.

Providing cures for our bodies is a doctor's goal,

But you provided true relief—medicine for our soul.

More and more devotees are learning of your glories

Through association, stories, and your transcendental diaries.

You are an absolutely pure and genuine guru;

You are the epitome of flawlessness and virtue.

Because of you, we are witnessing the growth of ISKCON;

All this is because you established a solid foundation.

Srila Prabhupāda, “Your ever well-wisher” is what you would sign;

Bringing neophytes back to Godhead would absorb all your time.

Srila Prabhupāda, you brought us the Supreme Lord Krishna so sublime;

For everything you have done we cannot repay you, even lifetime after lifetime.

Please continue to shower your mercy upon us;

We wish to not waste this human life so precious.

Thank you, thank you, thank you!

Because of you we are some of the fortunate few

Your aspiring Servant,

Bhaktin Vidhi Kadakia.

I thank you so much for being merciful to me! I want to follow your footsteps in devotional service. It is only by your grace that I am able to improve in Krishna Consciousness. Please help me improve in my quality of chanting and doing greater amounts of service for the temple. I like dancing and playing the Harmonium for Krishna Balaram a lot. Please accept my humble obeisance. All glories to Srila Prabhupada.

Srila Prabhupad Ki Jai.

Narada Muni travels all over the universe for the sole purpose of performing the best welfare activity for the entire universe by teaching everyone how to become a devotee of the Lord. Srila Prabhupada was also doing the same duty in this material world, teaching everyone how to become Krishna conscious.

He was completely empowered so that he could fulfill the desire of Chaitanya Mahaprabhu. His life has been dedicated to spreading the holy name to every town and village.

*prithvite ache yata nagaradigrama
sarvatra prachara haibe more nama
(Chaitanya Bhagavata)*

'In every town and village on this earth the glories of my name will be chanted.'

The sun is so kind that he distributes his sunshine everywhere without consideration. Likewise Srila Prabhupada was showing his mercy irrespective of caste, creed and gender.

Even though Srila Prabhupada was a Mahabhagavata or Bhagavotottama. He desired to come down from the first class platform just to take up the most compassionate service of preaching Krishna consciousness.

Only because of Srila Prabhupada's and Krishna's mercy a fallen soul like me could attain Krishna consciousness. To get guru means to receive the mercy of Krishna. Srila Prabhupada taught us how to walk on the path of devotion and made nice arrangements to follow this path easily which leads to Vaikuntha. If we simply follow his footsteps all success is guaranteed.

Let us pray to Srila Prabhupada for the intelligence to serve him properly. All inspiration, guidance and blessings come from him.

ലക്ഷക്കണക്കിന് കൃഷ്ണഭക്തന്മാർക്ക് ഒന്നിച്ച് വസിക്കുവാൻ ഒരു തറവാടൊരുക്കുകയായിരുന്നു ശ്രീല പ്രഭുപാദർ.

ശ്രീല പ്രഭുപാദർ ലോകത്തിന് നൽകിയ സംഭാവനകൾ വിശകലനം ചെയ്യുമ്പോൾ അദ്ദേഹത്തിന്റെ ജീവിതത്തിലെ അവസാന ഘട്ടങ്ങളിൽ സംഭവിക്കാനിടയായ വിപ്ലവകരമായ ആദ്ധ്യാത്മിക നേട്ടങ്ങളാണിതെല്ലാം എന്ന പ്രതീതി ഉളവാകുന്നു.

ശ്രീല പ്രഭുപാദർ ആസ്ത്രേലിയയിൽ വെച്ച് തന്റെ ആഗമനോദ്ദേശ്യം വ്യക്തമാക്കുന്നതിപ്രകാരമാണ്. വില്പനക്കാരൻ എല്ലായിടത്തും സഞ്ചരിക്കുന്നതുപോലെ താനും എല്ലായിടത്തും സഞ്ചരിക്കുന്നു. ഒരു വില്പനക്കാരൻ എവിടെയൊക്കെ ഇടപാടുകാരെ കിട്ടുന്നോ അവിടെയൊക്കെ അവരെ തിരഞ്ഞെത്തുന്നു. പ്രഭുപാദർ തന്റെ സന്ദേശം സ്വീകരിക്കുവാൻ വേത്ര ബുദ്ധിയുള്ളവരെ തേടി യാത്ര ചെയ്യുന്നു. അതിനപ്പുറം ആസ്ത്രേലിയയിൽ വരുന്നതിൽ വിശേഷവിധിയായി ഒന്നുമില്ല.

സ്വന്തം ജീവിതം കൃഷ്ണാവബോധ പ്രചാരണത്തിന് വേി ഉഴിഞ്ഞുവെച്ച ഒരു പരമഭക്തൻ ആണ് ശ്രീല പ്രഭുപാദർ.

ഭഗവദ്ഗീത ഉപേദശിച്ച ഭഗവാൻ ശ്രീകൃഷ്ണന്റെയും ഭാഗവതം രചിച്ച മഹർഷി വേദവ്യാസന്റേയും ആശയങ്ങൾ അതേപടി കലർപ്പില്ലാതെ മനസ്സിലാക്കണമെങ്കിൽ ശ്രീല പ്രഭുപാദരുടെ ഗ്രന്ഥങ്ങൾ വായിക്കണം.

ഒരു ദിവസം പ്രഭുപാദർ തന്റെ മുറിയുടെ പുറത്തുള്ള വരാന്തയിലെ കൈവരിയിൽ പിടിച്ചു നിന്നുകൊണ്ട് താഴെയുള്ള പുൽത്തകിടിയിലേക്ക് നോക്കി. അവിടെ ഒരു സ്ത്രീ അർച്ചനയ്ക്കുവേി പൂക്കൾ പഠിച്ച് നിൽക്കുകയായിരുന്നു. പ്രഭുപാദർ പറഞ്ഞു. ഇതാണ് ക്ഷേത്രം. എപ്പോഴും എന്തെങ്കിലും സേവനങ്ങൾ നടന്നുകൊണ്ടിരിക്കും. ഓരോ പൂവും അടർത്തിയെടുക്കുന്നതോടെ അവർ ആദ്ധ്യാത്മിക ജീവിതത്തിൽ അല്പാല്പം മുന്നേറുന്നു. വരാന്തയിൽ നിന്ന് പുറത്തേക്കുനോക്കി അതിഥികൾ വരുന്നതും, ഭക്തന്മാർ വിവിധ ജോലികളിലേർപ്പെടുന്നതും പുതിയ പദ്ധതികൾ രൂപം കൊള്ളുന്നതും കാണുന്നതിൽ പ്രഭുപാദർ അത്യധികം സന്തുഷ്ടനായിരുന്നു.

പ്രഭുപാദരെപ്പറ്റി പറയുകയാണെങ്കിൽ പ്രഭുപാദർ ഈ ലോകം വിട്ട് പോയിട്ടും നമ്മൾ കൃഷ്ണാവബോധം ഉള്ള ആളുകൾ പ്രഭുപാദരുടെ ബുക്കുകൾ വായിക്കുകയും പ്രഭുപാദർ പറഞ്ഞിട്ടുള്ളതായ രീതിയിൽ കൂടി സഞ്ചരിക്കുകയും ചെയ്യണം. അദ്ദേഹം പോയിക്കഴിഞ്ഞാലും അദ്ദേഹത്തിന്റെ സാന്നിദ്ധ്യം ശക്തമായി അനുഭവപ്പെടുന്നു. കൃഷ്ണാവബോധം പ്രചരിപ്പിക്കലാണ് പ്രഭുപാദരുടെ ഏറ്റവും വലിയ ലക്ഷ്യം.

ശ്രീല പ്രഭുപാദ സ്വയം ഭഗവാന്റെ തിരുനാമകീർത്തനം ചെയ്തുകൊണ്ടും തിരുനാമസങ്കീർത്തനം കേട്ടുകൊണ്ടും പരമ പദം പ്രാപിച്ചു. ശ്രീല പ്രഭുപാദരുടെ അന്ത്യനിമിഷത്തിലും ഭഗവത്സാന്നിദ്ധ്യം ഉായിരുന്നു. ഏറ്റവും പരിപാവനമായ വൃന്ദാവനത്തിൽ വെച്ച് തിരുനാമ സങ്കീർത്തനം കേട്ടുകൊണ്ട് ശ്രീല പ്രഭുപാദർ ദേഹം വെടിഞ്ഞത്.

ഓരോ നഗരത്തിലും ഗ്രാമത്തിലും ഭഗവാന്റെ തിരുനാമം പ്രചരിപ്പിക്കുവാൻ ഉഴിഞ്ഞുവയ്ക്കപ്പെട്ടതായിരുന്നു ശ്രീല പ്രഭുപാദിന്റെ ജീവിതം.

ശ്രീല പ്രഭുപാദർക്ക് പാശ്ചാത്യദേശത്തേക്ക് പോകാനുള്ള ആഗ്രഹം ശക്തി പ്രാപിക്കുകയായിരുന്നു. “എനിക്ക് അല്പം കൂടി പ്രവർത്തിക്കാൻ കഴിഞ്ഞാൽ കൃഷ്ണാവബോധസമിതി വളരെ ശക്തിമത്താകും. ഞാൻ സ്ഥാപിച്ചത് ഇനിയും കൂടുതൽ ശക്തമായി കാണാൻ ഞാൻ ആഗ്രഹിക്കുന്നു”. എന്നാൽ പ്രഭുപാദരുടെ യാത്രയെക്കുറിച്ചുള്ള പരാമർശം ഉായതോടൊപ്പം അദ്ദേഹത്തിന്റെ ക്ഷീണം വർദ്ധിക്കുകയും ചെയ്തു.

ഭഗവദ്ഗീത പ്രഭാഷണങ്ങളിലൂടെയും ഹരേകൃഷ്ണ മഹാമന്ത്ര സങ്കീർത്തനങ്ങളിലൂടെയും ശ്രീല പ്രഭുപാദർ കൃഷ്ണാവബോധത്തിന്റെ ആദ്യക്ഷരങ്ങൾ നൽകുകയായിരുന്നു.

ശ്രീല പ്രഭുപാദർ 54-ാമത്തെ വയസ്സിൽ (1950) ഗൃഹസ്ഥാശ്രമത്തിൽ നിന്ന് വിരമിക്കുകയും നാലു വർഷങ്ങൾക്കുശേഷം പഠനത്തിനും എഴുത്തിനും സമയം കണ്ടെത്തുന്നതിനു വേി വാനപ്രസ്ഥം സ്വീകരിച്ച് വൃന്ദാവനത്തിലെ രാധാദാമോദര ക്ഷേത്രത്തിൽ താമസം തുടങ്ങുകയും തുടർന്ന് 1959-ൽ സന്യാസം സ്വീകരിക്കുകയും ചെയ്തു.

12 വർഷത്തെ വിദേശ വാസത്തിനിടയിൽ വാർദ്ധക്യം വകവയ്ക്കാതെ ശ്രീല പ്രഭുപാദർ 12 പ്രാവശ്യം ആഗോളപര്യടനം നടത്തി. പ്രഭാഷണങ്ങൾ വഴിയായും റേഡിയോവിൽ കൂടിയും ടെലിവിഷനിൽ കൂടിയും അഭിമുഖ സംഭാഷണങ്ങൾ വഴിയായും കൃഷ്ണാവബോധം ലോകമെമ്പാടും പ്രചരിപ്പിക്കുന്നതിൽ വിജയിച്ചു.

സ്വന്തം ജീവിതം കൃഷ്ണാവബോധ പ്രചാരണത്തിന് വേി ഉഴിഞ്ഞുവെച്ച ഈ പരമഭാഗവതർ 1977 നവംബർ 14-ാം തീയതി ഇഹലീല അവസാനിപ്പിച്ചു. അവിടുത്തെ തൃപാദങ്ങളിൽ എന്റെ വിനീത പ്രണാമങ്ങൾ.

പ്രഭുപാദ ലോകത്തിന്റെ ഗുരുവാണ്. ആദ്ധ്യാത്മിക ഗുരു. ഭഗവദ് ഗീത, ഭാഗവതം എന്നീ ശാസ്ത്രങ്ങൾ അദ്ദേഹം പ്രചരിപ്പിച്ചു. ഭക്തിയുത സേവനത്താൽ പക്ഷതയാർജിക്കാൻ കഴിയുന്നത് ഭഗവദ് ഭക്തരുടെ സംസർഗത്താൽ മാത്രമാണ്. ഭക്തിയുക്ത സേവനത്താൽ ഒരാൾ ദിവ്യലോകമായ ഗോലോകവൃന്ദാവനത്തിലേക്ക് ഉദ്ധരിക്കപ്പെടുന്നു. ആദ്ധ്യാത്മിക ഗുരുവിൽ നിന്ന് വിനയത്തോടെ സംശയനിവൃത്തി വരുത്തുകയും അദ്ദേഹത്തെ സേവനം അനുഷ്ഠിക്കുകയും വേണം. ആദ്ധ്യാത്മിക ഉന്നതിയുടെ രഹസ്യം സമർപ്പണ മനോഭാവം ആകുന്നു. സമർപ്പണബോധവും സേവന മനഃസ്ഥിതിയുമില്ലാത്തതിടത്തോളം ആത്മജ്ഞാനിയായ ആദ്ധ്യാത്മികഗുരുവിൽ നിന്നുമുള്ള സംശയ നിവാരണം ഫലപ്രദമാകുന്നതല്ല. സർവാത്മനാ ആദ്ധ്യാത്മിക ഗുരുവിനെ സേവിക്കുന്നതു വഴി ശിഷ്യന് ഭഗവാന്റെയും ആദ്ധ്യാത്മികഗുരുവിന്റെയും എല്ലാവിധ കാരുണ്യവും ലഭിക്കുന്നു. കർദമുമുനിയുടെ കൃപയാൽ അദ്ദേഹത്തെ സേവിക്കുക വഴിയായി ദേവഹ്യുതിക്ക് ആത്മീയമായ ഉന്നമനം ലഭിച്ചു. പൂർവ്വ ജന്മത്തിൽ നാരദമുനി ഒരു പരിചാരകയുടെ പുത്രനായിരുന്നു. അദ്ദേഹത്തിന്റെ മാതാവ് മഹാത്മാരായ ഭഗവദ്ഭക്തന്മാരുടെ സേവയിൽ നിമഗ്നയായിരുന്നു. അദ്ദേഹത്തിന് ആ മഹാത്മാക്കളെ സേവിക്കുന്നതിന് അവസരം ലഭിച്ചു. അവരുടെ ഭക്ഷണാവശിഷ്ടം

ഭുജിക്കുന്നതിലൂടെയും അവരെ സേവിക്കുന്നതിലൂടെയും അദ്ദേഹം മഹാത്മാവായ നാരദമുനിയായി തീർന്നു. ആദ്ധ്യാത്മിക നേട്ടത്തിനായി എളുപ്പമാർഗ്ഗം ഒരു ഉത്തമ ഗുരുവിൽ അഭയം പ്രാപിക്കുകയും അദ്ദേഹത്തെ സേവിക്കുകയുമാണ്. ഒരു ശിഷ്യൻ ആദ്ധ്യാത്മിക ഗുരുവിനെ ഒരു എളിയ ഭൃത്യനെ പോലെ സേവിക്കണം. ഗുരു പരമ്പര വഴി ശ്രവണം ചെയ്യണം. അനു എന്നാൽ എല്ലായ്പ്പോഴും ഗുരുപരമ്പരയെ പിൻതുടരുക എന്നർത്ഥം. ആധികാരിതരിൽ നിന്ന് ശ്രവണം ചെയ്യണം. ശ്രീകൃഷ്ണനാണ് സർവ്വകാരണങ്ങൾക്ക് കാരണഭൂതനായിട്ടുള്ളത്. ആദ്ധ്യാത്മിക ഗുരുവിന്റെ ഉത്തമമായ നിർദ്ദേശങ്ങൾ പാലിക്കേണ്ടത്. ആദ്ധ്യാത്മിക ഗുരുവിന്റെ സംതൃപ്തിയാൽ പരമപുരുഷൻ ഭഗവാൻ സംതൃപ്തനായിത്തീരുന്നു. (യസ്യ പ്രസാദാദ് ഭഗവദ്പ്രസാദോ) ചരണാരവിന്ദങ്ങളിൽ എന്റെ ഭവ്യപ്രണാമങ്ങൾ അർപ്പിക്കുന്നു. ആദ്ധ്യാത്മഗുരുവിന്റെ ആജ്ഞകൾ നടപ്പിലാക്കുക എന്നതാണ് ഇന്ദ്രിയനിയന്ത്രണം. മായ മഹാസമുദ്രം മറികടക്കാനുള്ള മനുഷ്യരൂപത്തിലുള്ള കപ്പലിന്റെ കപ്പിത്താനായ ആദ്ധ്യാത്മിക ഗുരുവിനെ സേവിക്കണം. ഓരോ ജീവിയും ശാശ്വതമായി കൃഷ്ണന്റെ സേവകനാണ് എന്നുള്ളത് വസ്തുതയാണ്. ഈ വസ്തുത വിസ്മരിക്കപ്പെട്ടിരിക്കുന്നത് ഒരാളെ ലൗകിക സുഖഭോഗങ്ങളിൽ മുഴുകിയിരിക്കുവാനായി പ്രചോദനമേകുന്നതായ മായയുടെ സ്വാധീനം മൂലമാണ്. ഈ ഭൗതിക അവബോധം ഉള്ളിടത്തോളം കാലം അയാൾക്ക് മായയുടെ പിടിയിൽ നിന്ന് പുറത്ത് കടക്കാനും അസാധ്യമാണ്. പ്രഭുപാദർക്ക് ഭഗവദ്ഗീത ആത്മതുല്യമാണ്. ഒരു ക്രിസ്തുമസ് രാത്രിയിൽ 70 കൃഷ്ണയും 150 ഗീതയും വിറ്റഴിച്ചു. അത് കേട്ട് പ്രഭുപാദർ എണീറ്റ് തുള്ളിച്ചാടി. പ്രഭുപാദർക്ക് പുസ്തകം കൊടുക്കുന്നത് വലിയ സന്തോഷം ആണ്. ഗുരുവിന്റെ ആജ്ഞകൾ പാലിക്കുന്നതിലൂടെ ശിഷ്യൻ ഗുരുവിനെ സന്തുഷ്ടനാക്കുന്നു. ഭഗവാന്റെ പ്രതിനിധി ഗുരുവാണ്. ഭഗവാൻ ശ്രീകൃഷ്ണന്റെ ആജ്ഞ ആദ്ധ്യാത്മിക ഗുരുവിലൂടെ വരുന്നു. അതിനാൽ ഗുരുവിന്റെ ആജ്ഞാപാലനം ജീവിതത്തിലെ പ്രഥമകർത്തവ്യമെന്ന നിലയിൽ എടുക്കേണ്ടതാണ്. ആദ്ധ്യാത്മിക ഗുരുവിന്റെ ഉപദേശങ്ങളുടെ അനുഷ്ഠാനം തന്റെ സർവ്വസ്വമായി ശിഷ്യൻ കരുതണം. ആദ്ധ്യാത്മിക ജീവിതത്തിന്റെ വിജയരഹസ്യം ഭഗവാൻ ശ്രീകൃഷ്ണനിലും ചൈതന്യമഹാപ്രഭുവിലും, ആത്മീയ ഗുരുവായ ശ്രീലാ പ്രഭുപാദരിലും ഉള്ള അചഞ്ചലമായ വിശ്വാസം ഒന്നു തന്നെയാണ്. അതിനായി ശ്രീ പ്രഭുപാദരുടെ ചരണകമലങ്ങളിൽ ഞാൻ വീണപേക്ഷിക്കുന്നു.

ഭാഗവതോത്തമനും ലോകാചാര്യനുമായ ദിവ്യപുജ്യ എ.സി ഭക്തിവേദാന്തസ്വാമിയുടെ പ്രശസ്തി ലോകമെമ്പാടും വ്യാപിച്ചുകൊണ്ടിരിക്കുകയാണ്. അദ്ദേഹത്തെ പ്രഭുപാദർ എന്നപേരിൽ ഇന്ന് ലക്ഷോപക്ഷം പേർ അറിയുന്നു. എന്നാൽ അദ്ദേഹം ലോകപ്രശസ്തൻ ആകുന്നത് 1965 ൽ അമേരിക്കയിൽ എത്തിച്ചേർന്നതിനു ശേഷമാണ്. ഇന്ത്യയിൽ നിന്ന് യാത്രതിരിക്കുന്നതിനുമുമ്പ് അദ്ദേഹം മൂന്ന് ഗ്രന്ഥങ്ങൾ രചിക്കുകയായി. എന്നാൽ അടുത്ത പന്ത്രണ്ടു വർഷങ്ങൾക്കുള്ളിൽ അദ്ദേഹം അറുപതിലധികം വൈദിക ഗ്രന്ഥങ്ങൾ രചിക്കുകയും 4000ത്തിലധികം പേർക്ക് ദീക്ഷ നൽകുകയും ചെയ്തു. ഇന്ത്യയിൽ നിന്ന് പുറപ്പെടുന്നതിന് മുൻപ് അദ്ദേഹത്തിന്റെ ചിരകാല സ്വപ്നമായ കൃഷ്ണ ഭക്തൻമാരുടെ ഒരു ലോകസമൂഹത്തെ സൃഷ്ടിക്കാൻ അദ്ദേഹത്തിനു സാധിക്കുമെന്ന് ഒരാൾപോലും വിചാരിച്ചിരുന്നില്ല. എന്നാൽ 1966ൽ അദ്ദേഹം അന്താരാഷ്ട്ര കൃഷ്ണാവബോധ സമിതി (കടഗഇഹരച) രൂപീകരിക്കുന്നതും അതിനെ നിലനിർത്തുന്നതും കൂടാതെ നൂറിലധികം സെന്ററുകളായി വികസിപ്പിക്കുന്നതുമെല്ലാം ലോകം കാണാനിടയായി. അമേരിക്കയിലേക്ക് പോകും മുമ്പ് അദ്ദേഹം ഒരിക്കലും ഭാരതത്തിനു പുറത്തുപോയിരുന്നില്ല. എന്നാൽ അടുത്ത പന്ത്രണ്ടുവർഷങ്ങൾക്കുള്ളിൽ അദ്ദേഹത്തിന് പല തവണ ലോകം മുഴുവൻ സഞ്ചരിച്ച് കൃഷ്ണാവബോധം തത്ത്വങ്ങൾ പ്രചരിപ്പിക്കുവാൻ കഴിഞ്ഞു.

ശ്രീല പ്രഭുപാദർ ലോകത്തിനു നൽകിയ സംഭാവനകൾ വിശകലനം ചെയ്യുമ്പോൾ അദ്ദേഹത്തിന്റെ ജീവിതത്തിലെ അവസാന ഘട്ടങ്ങളിൽ സംഭവിക്കാനിടയായ വിപ്ലവകരമായ ആദ്ധ്യാത്മിക നേട്ടങ്ങളാണിതെല്ലാം എന്ന പ്രതീതി ഉളവാകുന്നു. എന്നാൽ ഇതിനു മുമ്പുള്ള നീ 69 വർഷങ്ങൾ ഈ ആദ്ധ്യാത്മിക വിസ്ഫോടനം സാധ്യമാക്കുവാൻ വേിയുള്ള തപസ്യയായിരുന്നുവെന്ന് പ്രത്യേകം ശ്രദ്ധയാകർഷിക്കുന്നു. അമേരിക്കകാരുടെ ദൃഷ്ടിയിലാകട്ടെ ശ്രീല പ്രഭുപാദും അദ്ദേഹം തുറന്നുകൊടുത്ത വിജ്ഞാനത്തിന്റെ കലവറയും പെട്ടെന്നവിടുണോ പ്രത്യക്ഷമായതുപോലെ അനുഭവപ്പെടുകയായിരുന്നു. അലാവുദ്ദീന്റെ അത്ഭുത വിളക്കിൽ നിന്നും പുറത്തുവന്ന ഭൂതത്തെ പോലെ അദ്ദേഹം ജനത്തെ വിസ്മയിപ്പിച്ചു.

ശ്രീല പ്രഭുപാദ് എന്ന അഭയ ചരൺഡേ 1896ൽ സെപ്റ്റംബർ 1-ാം തിയ്യതി കൽക്കത്തയിൽ ജനിച്ചു. അദ്ദേഹത്തിന്റെ പിതാവ് വസ്ത്ര വ്യാപാരിയായ ഗൗർ മോഹൻ ഡേയും മാതാവ് ശ്രീമതി രജനിയുമായിരുന്നു. അന്നത്തെ ബംഗാളിലെ പതിവനുസരിച്ച് മാതാപിതാക്കൾ ഒരു ജോത്സ്യനെക്കൊണ്ട് കുട്ടിയുടെ ജാതകം എഴുതിച്ചു. ജ്യോതിഷിയുടെ വാക്കുകൾ ആ മാതാപിതാക്കളെ വളരെയധികം സന്തോഷിപ്പിച്ചു. അദ്ദേഹം വിശേഷപ്പെട്ട ഒരു പ്രവചനം നൽകുകയായി. ഈ കുട്ടി എഴുപത് വയസ്സാകുമ്പോൾ ഒരു വലിയ മതാചാര്യനായി തീരും പിന്നീട് കടൽ കടന്ന് സഞ്ചരിക്കുകയും 108 ക്ഷേത്രങ്ങൾ സ്ഥാപിക്കുകയും ചെയ്യും. ഈ പ്രവചനങ്ങൾ ആ മാതാപിതാക്കളെ ആനന്ദത്തിൽ ആരാദിച്ചു. ഈ പ്രവചനങ്ങൾ പിന്നീട് ലോകമെമ്പാടും അറിയപ്പെടുന്ന ചരിത്രമായി തീർന്നു. പ്രഭുപാദ് ഒരുലോകഗുരുവാണെന്ന കാര്യത്തിൽ ഒരു സംശയത്തിനും ഇടയില്ലാത്തവിധം ഗാംഭീര്യമുള്ളതാണ് അദ്ദേഹത്തിന്റെ ജ്ഞാനം. അദ്ദേഹത്തിന്റെ കാൽക്കൽ എന്റെ ദണ്ഡനമസ്കാരം അർപ്പിക്കുന്നു. പ്രഭുപാദിന്റെ വാക്കുകൾ അതേപടി നമ്മൾ സ്വീകരിക്കണം. എല്ലാവർക്കും അതിനുള്ള വിവേചന ബുദ്ധിയുവാൻ പ്രഭുപാദിനോടും ഭഗവാനോടും പ്രാർത്ഥിക്കുന്നു.

Satyavarta Maharaja Dasa

Dear Srila Prabhupada,

Let me offer my most humble obeisance at your lotus feet, Saviour of the entire world and Acharya and sole initiator of ISKCON, on the auspicious day of your vyasa puja. But for you Srila Prabhupada I would have been in the abyss of impersonal existence having followed a mayavadi philosopher, J. Krishnamoorthi. By Krishna's mercy I visited ISKCON Bangalore and purchased a few of your books. The very first book I read "Beyond Birth and Death" in which you had kindly distinguished ascending and descending processes, shattered my illusion that I was treading the path of truth. Your unique and penetrating language was so overwhelming that I could finish half of your small and medium books within a couple of years. The sublime vedic truths so arcane even to very saintly persons were revealed in a very lucid manner by you. Such is the clarity of your books.

Your teachings spread over from 1944 - 1977 through your books, lectures, letters to devotees and room conversations were always very consistent. The transcendental knowledge you have received from the parampara was taught by you unchanged and it was always the same. Your teachings centered around Krishna, the Supreme Personal aspect of absolute truth. You never said, "I have taught you all about Krishna now I shall teach you something higher - the impersonal Brahman". No, because Krishna is supreme and not impersonal Brahman. you never tried to adjust your teachings to the prevailing mentality of the people present before you. As one of your illustrious disciples, George Harrison wrote, "Prabhupada only talked about Krishna. It was always the same. It was only co-incidental who was present."

Srila Prabhupada, you never taught any concocted philosophy. When one gentleman asked you, "Is not your translation of Bhagavad Gita your comments?" And you replied, "Yes, they are my comments. Comments means explaining the verse" (and not explaining something in your mind) You are always "prasantha - nihshesa - mano - rathanthara" one who has surpassed the stage of mental speculations and has come to the conclusion that Lord Krishna is always everything.

Srila Prabhupada, one of the most amazing aspect of your teachings is how nicely you have presented bhakti as science. How strongly you have expressed this in text three of NOI. "Devotional service is not a matter of sentimental speculation or imaginative ecstasy. Its substance is practical activity. It is a sort of cultivation and cultivation refers to activity". For this one needs 'utsaha' - enthusiasm which you so beautifully explained as "Endeavour executed with intelligence in Krishna consciousness". You did not merely say devotion but always 'loving devotional service' and very convincingly established that these activities were beyond the realm of material modes ther by defeating the mayavadis who were falsely trying to establish that bhakti is a product of material mode. (As according to them Jiva is desireless and immobile hence all activities including bhakti are instigated by the gunas.) You ridiculed their vain attempts to understand Prabrahman so full of rasas

as rasa-less and compared it to licking the honey bottle. But, Srila Prabhupada, I feel that though I have some idea of the sweetness of KC due to my unwillingness to give up material consciousness, I am also in the same category.

Srila Prabhupada, because of my good fortune I could come to contact with you at Bangalore and that destroyed my impersonal leanings. Sixteen years later when I again visited ISKCON Bangalore the truth of your Final Order was revealed to me and because of your causeless mercy our centre is now a part of the HKM which is unflinching in its determination to serve you as per your Final Order. My fondest desire is to see you assume your original position as the sole initiator of ISKCON during my lifetime. Words are simply insufficient to express my profound gratitude for giving me shelter of your lotus feet. So let me end this humble offering with a verse from Srimad Bhagavatam

*janasya krsnad vimukhasya daivad adharma - silasya sudukkhitasya
anugrahayeha caranti nunam bhutani bhavyani janardanasya (SB.3.5.3)*

To such a great philanthropic soul, I expressed my eternal gratitude.

Your humble servant,

Satyavarta Maharaja Dasa.

Sita Thakurani Devi Dasi

Dear Srila Prabhupada,

Please accept my humble obeisances at Your Lotus Feet.

All glories to Your Divine Grace. All Glories to Sri Sri Nitai Gaurahari. All glories to Sri- Sri Radha Madan Mohan.

Srila Prabhupada, whenever I sit down to chant my rounds or prepare for Mangala Arati or do other devotional services I am filled with gratitude especially when I think what my life had been before coming to your family. Had you not embarked upon your journey to the West and started the Hare Krishna Movement sinners like myself would have had no opportunity to become part of this wonderful family ; would have never known that the purpose of human life is to be Krishna Conscious ; would have continued leading the life of dogs and hogs. And for that Your Divine Grace I am eternally indebted to you. We have to be grateful because we are the beneficiaries of your sacrifices You who begged for the mercy of Srila Rupa Goswami to embark into the region of nescience.

Dear Srila Prabhupada I beg for your mercy to remain your servant life after life. I beg to remain grateful to you for all that you have given for people like me. And to remember Krishna every moment life after life.

Thank you. All glories to Srila Prabhupada.

Your struggling servant,

Sita Thakurani Devi Dasi.

Bhakta Abhilash Nair

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet in this auspicious occasion of anniversary of appearance day of Your Divine Grace.

I think I am so blessed by your lotus feet as I get this most auspicious opportunity to offer few words as flowers at your lotus feet. I am aware that my words and emotions of my gratitude will always fall short at your lotus feet. It was absolutely fortuitous that I came across the Bhagavad-gita as it is, a little more than 10 years ago. I found a new space and dimension of life beyond the science of matter. In fact, you kindly showed me an absolute path of eternal reality and inspiration to walk through. You taught me the ultimate meaning of human form of life, that is go back to Godhead, the eternal abode of Lord

Sri Krishna and His eternal associates. The understanding of one's constitutional position as an eternal servant of the Lord is the most fundamental principle of the very existence of a living being. You instructed me this very confidential knowledge. You taught me to remember the Lord always by chanting the Holy Name, Hare Krishna Hare Krishna Krishna Krishna Hare Hare Hare Rama Hare Rama Rama Rama Hare Hare. You taught me to do kirtan and dance. You taught me to honour prasadm. In this way you showed me how to remember Lord Sri Krishna every moment. If I was unfortunate, how would I have read your transcendental books, how would I have heard your nectarine speech, how would I have known the most merciful Lord Sri Chaitanya Mahaprabhu Who is None Other than Lord Sri Krishna?. Yes, I am fortunate, by your own mercy I met you as your instructions you left in this world for the benefit of millions of living entities.

Dear Srila Prabhupada, I have a very long way to go through the path you have kindly shown me. My only prayer to you is that please bless me with your lotus feet that I shall never forget the ultimate purpose of the life, going back to Godhead and engage me always in the service of your lotus feet.

Your servant aspirant,
Bhakta Abhilash Nair.

ഭഗവാൻ ശ്രീകൃഷ്ണനിൽ നിന്ന് ആരംഭിച്ച് ശ്രീ. എ. സി. ഭക്തിവേദാന്തസ്വാമി പ്രഭുപാദർ വരെ എത്തി നിൽക്കുന്നു വൈഷ്ണവ പരമ്പര. ഈ ആത്മീയ ഗുരുക്കന്മാരുടെ ചൈതന്യ പ്രകാശം, പാപകലുഷിതമായ ബാഹ്യപ്രപഞ്ചത്തിന്റെ കണ്ണുകൾ

തുറപ്പിച്ച് ആത്മീയ പ്രപഞ്ചത്തിലേക്ക് നയിക്കപ്പെടുവാൻ ഇടയാക്കാതിരിക്കുകയില്ല.

ബാഹ്യപ്രപഞ്ചത്തിലെ കലിയുഗ കൽമഷങ്ങളിൽ ഇഴുകിയമർന്ന് നട്ടം തിരിയുന്ന ജീവാത്മാക്കളിൽ വിശിഷ്ടതയിൽ എത്തിച്ചേർന്നിട്ടുള്ള മാനവ സമൂഹത്തിന് ഭൗതിക ലോകം വിട്ട് ഗോലോകവൃന്ദാവനത്തിൽ എത്തിച്ചേരുവാൻ, മോക്ഷപ്രാപ്തി കൈവരിക്കുവാൻ, എളുപ്പമാർഗ്ഗം കാണിച്ചു തന്ന ശ്രീ ഭക്തി വേദാന്തസ്വാമി പ്രഭുപാദരുടെ കാര്യബുദ്ധി എന്തുമെന്നും നിലനിൽക്കുന്നതാകുന്നു. അതെ, ഹരേകൃഷ്ണ മന്ത്രം ഓരോ നിമിഷവും മനസ്സിൽ സൂക്ഷിക്കുക. 108 കണ്ണികളുള്ള തുളസീ ജപമാലയിൽ കുറഞ്ഞത് ദിവസത്തിൽ 16 മാല (കൂടുതൽ എത്രയുമാകാം). ഹരേ കൃഷ്ണമന്ത്രജപം ചെയ്യുക - ഭക്തിയോടെ, ഭഗവത് പാദാരവ്യന്ദങ്ങളിൽ ഏകാഗ്രചിത്തനായി. ഭക്തിയോടൊപ്പം ജ്ഞാനം കൂടി ആയാൽ അത്യുത്തമമായി.

ജ്ഞാനം എവിടെനിന്ന് ഉാകുന്നു? ശൂന്യവാദം എവിടെയും എത്തുകയില്ല. ജ്ഞാനപ്രകാശത്തിനായി ഭഗവദ്ഗീത പഠിയ്ക്കുക, ശ്രീമദ് ഭാഗവതം പഠിയ്ക്കുക. പ്രഭുപാദർ നിർദ്ദേശിക്കുന്ന സരളവഴികൾ ഇതൊക്കെയാണ്.

ഈ പ്രാമാണിക വഴിയുടെ പ്രാധാന്യവും പ്രായോഗികതയും എന്താണ്? പതിതാത്മാക്കൾക്കായി ഭഗവാൻ പ്രപഞ്ചസൃഷ്ടി ചെയ്തു. സൃഷ്ടിയോടൊപ്പം വേദങ്ങളും യജ്ഞങ്ങളും സൃഷ്ടിച്ചു. വീണ്ണുപോയ ആത്മാക്കൾക്ക് അവയുടെ പടവുകൾ കയറി തന്റെ അടുത്ത് തിരിച്ചെത്താമെന്ന് ഭഗവാൻ അരുളി ചെയ്തു. വർണ്ണാശ്രമങ്ങളും വർണ്ണാശ്രമ ധർമ്മങ്ങളും ഭഗവത് സൃഷ്ടമാണ്. അവയിലെ നിർദ്ദിഷ്ടകർമ്മങ്ങൾ യഥാവിധി അനുഷ്ഠിച്ചും ഭഗവദ്ഭക്തി ചെയ്തും എല്ലാം വർണ്ണാശ്രമികൾക്കും നേരെ ഭഗവദ്ലോകത്തിൽ തിരിച്ചെത്താവുന്നതാണെന്നും ഭഗവാൻ ഉറപ്പു നൽകുന്നു.

എന്നാൽ, ഈ കലിയുഗത്തിൽ, വേദങ്ങൾ എവിടെ? യജ്ഞങ്ങൾ എവിടെ? വർണ്ണാശ്രമധർമ്മങ്ങൾ എവിടെ? ഇത് കലിയുഗം! മനുഷ്യന് ഒന്നിനും സമയമില്ല!

പ്രഭുപാദർ വ്യക്തമായി പറയുന്നു, മനുഷ്യാ, ഓട്ടത്തിനിടയിലും ഹരേകൃഷ്ണമന്ത്രം മനസ്സിൽ സൂക്ഷിക്കുക, ഭക്ഷണ, വ്യായാമ സൂക്ഷ്മതകൾക്ക് സമയം കണ്ടുനന്നുപോലെ മന്ത്രജപത്തിനും സമയം കണ്ടുനന്നു. ഇതിലൂടെ മനസ്സിനെ ശുദ്ധീകരിക്കാം. എളുപ്പമേറിയ ഭഗവദ്സേവയാണിത്. സേവയിലൂടെ ഭഗവാൻ പ്രസാദിയ്ക്കുന്നു. കല്മഷമോചനം സാധ്യമാകുന്നു. അന്തർദേശീയ കൃഷ്ണാവബോധസമിതി സ്ഥാപിച്ച് അതിലൂടെ ശ്രീ പ്രഭുപാദർ തന്റെ ഭക്തി മാർഗ്ഗം ജനങ്ങളെ ബോധ്യപ്പെടുത്തി. ബഹുജനങ്ങൾ ആകൃഷ്ടരായി. ഇസ്കോൺ എന്ന മധുവിന്റെ രൂചി നൂണഞ്ഞറിഞ്ഞ് കലിയുഗാത്മാക്കൾ കൂട്ടമായി ഒത്ത് കൂടുന്നു. ഹരേകൃഷ്ണ മന്ത്രം അന്തരീക്ഷത്തിൽ പ്രതിധ്വനിക്കുന്നു. ഗോലോകത്തിരിക്കുന്ന ഭഗവാൻ കൃഷ്ണൻ പതിതാത്മാക്കളിൽ പ്രസന്നചിത്തനാകുന്നു. അദ്ദേഹം ഭഗവദ്മന്ത്രങ്ങളാൽ ശുദ്ധീകൃതരായി ആത്മാക്കളെ പുനർജന്മമില്ലാത്ത ഭഗവദ്ധാമത്തിലേക്ക് തിരിച്ചെത്തിയ്ക്കുന്നു.

പരദുഃഖ മോചന ദാർശനികനായ ശ്രീ. എ. സി. ഭക്തിവേദാന്ത സ്വാമി പ്രഭുപാദർക്ക് നമോവാകം. അദ്ദേഹത്തിന്റെ ഭക്തി ജ്യോതിസ്സ് യുഗാന്തരങ്ങളോളം നിലനില്ക്കും.

Dear Srila Prabhupada,
Please accept my humble obeisance's.

His Divine Grace A.C Bhaktivedanta Swami Prabhupada, the founder acharya of ISKCON - mercifully appeared in this world on Nandotsava, the day after Janmastami on September 1, 1896 in Calcutta.

This material life is a great ocean and this human body is a good boat for crossing this ocean and the spiritual master is a good captain. Srila Prabhupada established Hare Krishna Mahamantra throughout the world and is bringing many souls to his Divine Grace's shelter. Srila Prabhupada had the mission to spread Krishna consciousness to the whole world. And he was totally successful in that. No one can serve Krishna without spiritual master or just serve spiritual master without serving Krishna. They must be served simultaneously.

Though our spiritual master is not present physically in this material world with us, he has clearly said that in my books the philosophy of Krishna consciousness is explained and if you do not understand, then you simply have to read them again and again. By reading daily the knowledge will be revealed to you and by this process your spiritual life will develop.

Srila Prabhupada's most significant contribution is therefore his books. So as a servant of Srila Prabhupada its my duty to spread Krishna Consciousness through book distribution. Srila Prabhupada had several times said that, "If you want to please me, distribute my books".

By your pastime of passing away from this world you taught us how to leave the material body which profoundly awakened Krishna consciousness in the innocent public and purified the whole atmosphere which had polluted due to sinful activity.

Jai Srila Prabhupada

Your fallen servant, Bhaktin Anuradha N A.

I am very blessed to have Srila Prabhupada, as my eternal spiritual master, as he has helped me make spiritual advancement through his priceless books and videos . It is by your mercy only ,Srila Prabhupada, that I got opportunity to engage in service of devotees and Krishna.

After reading Bhagavad Gita as it is, I came to know about Lord Krishna that He is the Supreme Personality of Godhead and we have to try to achieve liberation and go back to Him, to our eternal father.

After reading your books, Srila Prabhupada, I got the understanding that this material existence is not meant for us and that we are servant of Krishna. Our duty to give to loving devotional service to Krishna.

Dear Srila Prabhupada,

Please accept my humble obeisance.

I came in touch with Krishna consciousness, When I was in my B.Tech, 3rd year through a guest lecture on Krishna consciousness. It changed my life totally. Krishna really helps I got to know after that program. Whenever I feel I'm not giving time for Krishna or I had stopped chanting or listening about him then he arranged someone to teach me again that take U turn. Today, I chant, remember him daily and a great thanks to you Srila Prabhupada that Krishna has sent to me.

Your Servant,

Dear Srila Prabhupada,

Please accept my heartfelt respect on to your feet.

I am truly very thankful that I could be aware of Krishna Consciousness; and even more thankful to you for accepting me, an ignorant and lost person into this beautiful way of life. Since I have come across and been taught to chant and read Bhagwat Gita and practice Krishna Consciousness, I feel much more connected to God Krishna. I feel a considerable growth in my spirituality and now I see the world in a different way. Your teachings have led me to understand the real meaning of life. Recently, I visited Ukraine and I went to ISKCON TEMPLE there and was really astonished and deeply satisfied to see how people across the globe are realizing Krishna Consciousness.

I bow down to you and thank you from the bottom of my heart for directing me on this path and making me conscious of this blessed and beautiful love for Krishna.

Your Servant,

Bhaktha Ashish.

Bhakta Dev Shah

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet.

You have helped me to connect to the lord Sri Krishna through your teachings. By reading your books, I am able to look life through a different and a better view. Your representative has encouraged me to start reading spiritual books and chanting regularly. It keeps me engaged and thus away from bad things.

Thank you Prabhupada.

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to on to you.

I thank you from deep inside my heart because you have shown me true meaning of my life through your disciples and books. I do not know how to thank you for great contribution to people at large. Thankfully, I can also thank you by serving your instructions and his devotees who are very dear to you.

I am not a very great person. I am not a very pure even.

But still Prabhupada out of your kind mercy you have invested your time and energy in translating books, travelling countries especially your first travel, Jaladuta Ship travel. You did all this in old age in spite of struggles just so that crores of souls like me can benefit.

Your Servant,

Bhaktha Murari.

Bhakta Naveen

Dear Srila Prabhupada

Please accept my humble obeisance

Finding happiness in this world is rare and it is through the mercy of the Lord that I have an opportunity to experience different things in my life. I had no direction until I got in touch through the wonderful organization established by his divine grace. I had done things I wanted and thought it was happiness but everything was small and temporary. I didn't know what was happiness until I attended Aarathi and started to chant. In this era of education, there is no importance given to spiritual teachings but through the initiatives of his divine grace, I had every opportunity to gain exposure.

Oh dear Prabhupada, I can't thank you enough for your efforts. Living in a foreign nation there is a strong tendency to impress others and compromise on one's values. But it is through your books, I could understand what I should stand up for. The four principles of religion emphasized through your teachings No meat-eating, no illicit relations, no intoxication and No gambling have helped me a lot in analyzing different situations and importance of religion. I am now able to imagine the amount of efforts you have put up coming to America alone, and establishing this giant organization. It is hard to understand people but through example you emphasized the strength of religion and how one's heart can be changed. If you wouldn't have done this, I cannot imagine how confused I would have been. Your simple instructions inspire me constantly but my lame limitations always distract me off the process. I beg you for mercy Prabhupada, I want to chant regularly, read scripture, dance on Sankirtan and shout the names of the Lord.

Loneliness is a terrible illness one can have and it is through your teachings I am able to take the medicine of companionship of devotees and Lord. My parents have given me life to live and you have given me a life of principle. On this day, I want to thank you heart-fully as my heart breaks through tears in my eyes for everything you have done. Your divine presence is constantly being felt by me and I beg you for mercy again and again.

Your Servant,

Bhaktha Naveen.

Bhakta Nishit Mangal

Dear Srila Prabhupada

Please accept my humble obeisance.

All glories to you on this auspicious day of your Vyas puja.

My visit at ISKCON Bangalore few months back was by your grace. Through your teachings got to know about life & God.

I got to know that Krishna is the supreme lord and about hare Krishna mantra. Challenges in life is not new but tackling them happily was possible by chanting hare Krishna mantra which also increased tolerance knowing that Krishna is taking care of us.

Your instructions to follow four regulative principles are carried successfully by your grace.

Please bestow your blessings execute them lifelong.

Your humble servant,

Dear Srila Prabhupada,

Please accept my humble obeisance.

Firstly I offer my respectful and humble obeisances unto the lotus feet to you my spiritual master His Divine grace A. C. Bhaktivedanta Swami Srila Prabhupada.

Prabhupada, I thank millions of times for keeping me under the shelter of your lotus feet, because I know that how fallen I am and not at all eligible to become your disciple. But still you out of causeless mercy upon me and making me move in my devotional service.

This I can never ever forget that it is just your causeless mercy alone that I am in Krishna consciousness and able to do little of my devotional service. Actually speaking I am fit for nothing that's what I commit so many mistakes, as most of the times I deviate from your instructions.

Last few months there were some problems with me alone, the problems with my mind, lust Etc., See how bad I am! But Prabhupada you are so good you kept intact with you by helping so much through your devotees and personally through your guidelines. I will assure you Prabhupada I will never misuse your mercy any more but very strictly and sincerely follow your instructions, especially my sadhana and reading.

Please continue your support and guide me so that I can render very small but best service unto your lotus feet. Please use me in service to Krishna.

Jai Srila Prabhupada.

Your humble servant,

Bhaktha Pavan.

Dear Srila Prabhupad,

Sri Krishna Chaitanya - Prabhu nityananda - Sri Advaita Gadadhara - Srivasadi Gaura Bhakta Vrnda

I being an introvert and pure vegetarian working in Goa, never cope up with the climate and environment there and also I had a poor association with my colleagues and friends. In this situation, one day my door was knocked by a Krishna devotee in spreading the Krishna Consciousness – I spoke with him for a span of 10 minutes and he suggested me to read "Bhagavad Gita As it Is" by Srila Prabhupad, from then I have been regularly attended the ISKCON association meetings in Tilak Maidan of Vasco-Da-Gama. After a few months, I left that place and joined NIT Trichy (Tiruchirapalli). I had continued my association with Prabhu, he suggested me to visit ISKCON in Tiruchirapalli and then I continued my association with your representative. I was glad for being a part of Krishna Consciousness and loved my association with your representatives and I always loved having the sumptuous Prasadam from Krishna and the stories which make life more beautiful and reasonable. The heart inside me always chants "*Hare Krishna Hare Krishna Krishna Krishna Hare Hare – Hare Rama Hare Rama Rama Rama Hare Hare*"

Thank you, Lord Krishna, for giving this opportunity to be the part of you.

Your Servant,

Bhaktha Pradeep.

Bhakta Sanjay

Dear Srila Prabhupada

Please accept my most humble obeisances onto your lotus feet.

By grace of my ishtadevta Sri Krishna, Srila Prabhupada, I have changed a lot. Although I haven't achieved perfection yet, I'm still on the path of achieving it.

Before getting introduced to this great experience of Krishna consciousness, I was just an average man in Kali Yuga, always answering to my senses, and thus, becoming a slave of my senses. It was all so temporary, yet I couldn't realize this. I just wanted to enjoy my life thinking these activities will provide permanent happiness. Oh, how ignorant of me!

It was then, by Krishna's grace, that I had met your representative who propagated the teachings of Krishna consciousness taught by Srila Prabhupada.

There was a spark in the devotees' face, which made me to attend his sessions over and over again. The satsangs brought about a sense of manas shuddhi.

Srila Prabhupada, it was because of you that I realized that all these feelings of pleasure and pain are so transient that it isn't worthy of our time.

It was because of you, I realized that continuous bhakti and love towards Krishna will remove all effects of bad karma

Srila Prabhupada, it was because of you, I realized that we have to be servants of Krishna, and not our senses. Although my realization is but a drop, in the ocean of Self Realization set up by you Srila Prabhupada, I'm making a gradual progress towards it.

After coming in contact with Krishna Consciousness set up by you Srila Prabhupada, I've observed the following changes within me

1. I no longer feel anger towards small issues and I'm slowly learning to tackle bigger challenges.

2. I am learning the art of self-control, to control myself from the reactions towards opposite pairs like pleasure and pain, treating happiness and despair as the same.

3. Learning the art of satisfaction and compassion

Srila Prabhupada, I have always followed your instructions and as said in our scriptures, received so much Ananda.

I chant the names of Krishna daily, along with chanting of our holy book, the Bhagavad Gita as a spiritual sadhana. I offer Tulsi, water in copper vessel, and food as Prasad whenever possible, if not I offer in my mind before having my food. I chant verses from the Bhagavad Gita before having my food.

Finally, it is my most humble request from Srila Prabhupada, that I can further advance into my spiritual realization and achieve true mukti soon enough in my life, hence giving eternal happiness.

Your Servant,

Bhaktha Sanjay.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories on to you.

I came to know about hare Krishna mantra through your teaching during my education at NIT Trichy. Being a lone student my only friend was lord Krishna, with whose blessings I'm able to make through chanting. Even in my professional or personal life whenever I feel anxious or tensed the only mantra or stress buster for me is Hare Krishna mantra. I'm always be indebted to you & your representatives for making me to realize the universal truth of this mantra - Hare Krishna

Deenanatha Krishna Dasa

Dear Srila Prabhupada,

Kindly accept my humble obeisances unto your lotus feet.

On this auspicious day of Vyasa Puja, I would like to thank you for the mercy that you have showered unto me and all other living entities. I am indebted to your causeless mercy. Although it is beyond my capacity to repay your blessings.

It is by your grace and mercy that I have started my journey towards spirituality, without which it was almost impossible for me to understand the true facts of spirituality and the importance of Guru and Gauranga.

For a fallen soul like me, the meaning of life was something else, but after coming in touch with you and the Krishna Conscious movement I started realizing the importance of life and how to utilize this life in the service of Lord Krishna and Guru. I request you to kindly help me so that I can engage myself in the service of your lotus feet and in the service of Sri Sri Radha Krishna Chandra.

I request you to kindly give me strength so that I can continue to follow your instructions properly without any offense.

Thank you for everything that you have given me.

Your Servant,

Deenanatha Krishna Dasa.

Kishori Gopika Devi Dasi

Dear Srila Prabhupada,

Please accept my humble obeisances on the occasion of 123rd vyasa Puja Ceremony.

You are always giving happiness by spiritual activities. But I can't understand, because my mind is not in my control, because that's controlled by lord Govinda only. Daily I see Govinda's head form at seshachala hills named as Tirumala. Really I don't know how is lord's form in Vaikunta, but after listening Brahma Samhitha and reading brahma samhitha shlokas as explained by Srila Bhaktisiddhanta saraswathi maharaja, clearly explained about goloka dham. After reading that book my desire to go to back to godhead has increased. In SB 4th canto Naradamuni explained to Prachinabarhi about Puranjana story. You clearly explained in that chapter comparison between soul and body. How soul enters into body? How living entity gets attracted to senses with so many lusty desires? I learned by reading that story 'Life is one day & night dream'. Really that story applies to every living entity. That is called real realization. That credit goes to you only. But after reading spiritual books we get inspired, but practical implementation in the life is too difficult in the age of kali. I'm very happy and thanks to lord for atleast giving good parents, good association, understanding the knowledge of lord's spiritual books. I am trying to engage in your devotional service by chanting, reading books but true realisations can be revealed only by your causeless mercy.

After Sri Radha Gopinath deities are shifted from Chandragiri to Hyderabad kandhi kitchen we felt very bad and were missing daily darshan, flower service, cooking, stitching dresses to lord, alankara service. But thank you for giving opportunity as a Akshayapatra employee. The destiny of my life is in your hands. "God will make a way, where there seems to be no way ". Because you are my spiritual master, that's my faith. I am the most fallen servant of yours. Please be kind upon me.

Your fallen servant,

Dear Srila Prabhupada,

Please accept my humble obeisances on the occasion of 123rd Vyasa Puja ceremony.

Prabhupada by your causeless mercy I am trying to progress in my spiritual journey. You have taken all the hardships throughout your life, so that many souls like me have got a ray of hope in this darkest material world. You have planned, established this society with all the instructions to run it properly, so that thousands and thousands of living entities will be benefited by getting shelter at the Lotus feet of Sri Chaitanya Mahaprabhu.

You gave us all which is required for us to go back to godhead in your society, especially since I came to tirupati ,I could understand know the importance and more significance and speciality of worship of your deity form in your temples. There

is one deity of Ramanujacharya in Tirumala which has been given by acharya himself to His dearest disciple during his life time. Only few rare souls got that opportunity. But you are so liberal that you allowed your deities to be worshipped all over the world even by the lowest of mankind. Jada Bharatha in his instructions to King Rahugana says that just by smearing the dust of Lotus feet of pure devotee one can easily go back to Godhead. You are so merciful that you gave us the opportunity of giving the dust of Your lotus feet.

Prabhupada you are so merciful that you converted mlechha like me to brahmanas, Please give me the ability to develop all the qualities of Brahmana. Please give me the strength to understand the philosophy in your books and thus preach nicely. As you always said "Preaching is essence,Purity is Force". Please bestow both upon me so that I can become useful instrument in your mission. We are so fortunate that your instructions are so easily accessible to us by the help of technology. You have presented the greatest philosophy of Krishna consciousness in so simple and understandable way.

Desiring to become a pebble in the great Palace of Your's Hare Krishna Movement.

Dear Srila Prabhupada,

Please accept my most humble obeisances at your lotus feet. It's only by your causeless mercy that an insignificant fallen soul like me got opportunity to write this offering.

Srila prabhupada, First I beg your Divine Grace's forgiveness for all the mistakes I have done in the recent years by not following your instructions and acting with my own freewill.

But Whenever I contemplate on the series of events that happened in my life from past 4 years, I can see your causeless mercy on me, whenever I have misused my freewill and fallen in to the materialistic life you have always guided me in one or other form. Whenever I have been influenced by outside world I have been cautioned indirectly this shows your unlimited mercy on fallen souls like me.

I can see my decline in these recent years from a Brahmachari devotee to a Karmi and a Gruhamedhi for this I held myself responsible. Srila prabhupada I request your mercy so that this fallen soul can at least become a Gruhastha Devotee.

Away from Ashram and mixing with the outside world have taught many new lessons, whatever small association I had in asharam with devotees and reading your books are showing me the difference clearly, the priorities which we give, the time we spend everything is a revelation for me. Irony is in spite of knowing all this I helplessly dragged into the worldly things.

Most funny thing is I myself was struggling to get your causeless mercy before and now there are few more people in my life to whom I have introduced and guide them in the path which will only be possible with your causeless mercy. Srila Prabhupada thanks to your Divine Grace and the devotees who have accepted to engage this fallen soul in your service in

spite of my unpardonable behavior which I don't deserve. I will put my full efforts in the services which are allocated to me with a hope that at least this will make your Divine Grace and the devotees happy and forgive me for my fallen deeds.

Srila Prabhupada in past 3 years few occasions in temple hall after paying obeisance and touching your lotus feet, I was not able to see into your eyes directly because of my guilt inside at least this year I like to overcome this, Srila Prabhupada I will cautiously endeavor from now on to improve myself in my sadhana aspects and follow your instructions kindly empower me to cross over the difficulties that we are facing in executing the devotional services.

Back to Godhead పత్రికను ప్రచురించారు . తరువాత డిల్లీ లోని మండువేసవిలోకూడ స్వయంగా జన సంచారము వున్న ప్రదేశాలలో పత్రికను వితరణ చేసేవారు. ఇన్ని కష్టనష్టాలను ఓర్చుకొని కృష్ణ చైతన్యాన్ని ప్రచారము చేశారు . ఆ తరువాత 65 యేండ్ల వయసులో సన్యాసాశ్రమము

మీ జీవిత చరమాంకములో మీరు 108 మందిరములను స్థాపించి, 14సార్లు ప్రపంచాన్ని చుట్టి కృష్ణ చైతన్యాన్ని ప్రచారము చేశారు. మీరు సాక్షాత్తు భగవంతుని యొక్క ప్రతినిధులు కావున ఇలాంటి మహాత్కార్యలను చేయగలిగారు .మీరు భౌతిక ప్రపంచాన్ని విడిచి వెళ్ళినను మీ పుస్తకముల ద్వారా ఎల్లప్పుడు మాకు మార్గదర్శనము చేయుచున్నారు. మా సంధోహాలను మీ పుస్తకముల ద్వారా నివృత్తి చేసి మా జీవిత గమ్యము వైపు సాగేలా నిర్దేశిస్తున్నారు.

మీ కృపకు పాత్రులైన భక్తుల సాంగత్యము నాకు దొరకడం నా అదృష్టముగా భావిస్తున్నాను .మీ కృప నా యందు ఎల్లప్పుడు ఉండునట్లు దీవించి ఈ కృష్ణ చైతన్య ఉధ్యమములో నా వంతు సేవను శ్రద్ధగ చేసే భాగ్యాన్ని నాకు ప్రసాదించలని వేరార్చిస్తూ

Vishwatma Dasa

Dear Srila prabhupada,

I offer my respectful obeisances unto your lotus feet. You are an ocean and treasure of auspicious qualities. I am so much thankful for accepting me as your initiated disciple.

You have faced so many hard ships in spreading this Krishna consciousness world wide. Dear Gurudeva, you have obliged the words of your spiritual master HDG Sri Bhakthi Siddhantha saraswathi Maharaj and travelled to the western countries at the age of 65 with just Rs.40 and set of Srimad Bhagavatham books. You have travelled in a cargo ship and tolerated sea sickness and Cardiac problem during the journey and successfully reached United States to satisfy your spiritual master. You have stayed in very dangerous places such as Bowery in U.S where lot of criminals and drug addicts used to stay. You personally engaged in cooking, taken classes and distributed Hari naama to the people of the western countries who are fully engaged in sense gratification and know nothing about spiritual life and convinced them to take Krishna consciousness in their life.

During the eleven years of your preaching in the West, you have traveled around the world for 14 times which is really amazing.

When one of the sri vaishnava preist said that you are suffering lot of health problems just because your deities are being placed and prayed by your disciples in many temples, you stated that you came to this world for receiving the sufferings of the people in general. You are so merciful Gurudeva ,just like a cloud which can cause rainfall to wipe away the blazing forest fire.

You have received your power from the Supreme personality of God head through disciplic succession which emphasizes the importance of Guru parampara system. You always remembered your Guru Maharaj's words that "there is no scarcity of anything in this world except Krishna Consciousness". Hence, you have given up all the luxuries for the sake of delivering so many fallen souls in this material world.

The four days visit of you to Moscow in 1971 has planted the seed of Krishna Consciousness on the Russian soil.

Prabhupada , you have always emphasized that everything will be alright, if one develops positive attitude and good faith in the words of Guru and Krishna.

You have got so many good qualities of a pure devotee such as peaceful, fearless, kind hearted, simple, charitable, clean, self controlled, respectful, poetic, compassionate, always fixed in the Absolute truth, equal to everyone without any material desires.

You never desired name and fame and simply engaged in the service of the supremely rich, powerful, famous Personality of Godhead, hence these material opulences were also at your disposal. You have never taken advantage of these opulences for your own sake , but used everything for the service of the Lord.

Krishna consciousness is completely spiritual; therefore nothing material can check the process of devotional service. Hence, I request you to shower your blessings upon me to engage in your service and spread this Krishna Consciousness with sincerity.

Finally, I thank you very much and indebted unto you for accepting me as your disciple .

Yours humble servant,

Viswathma dasa.

Bhakta Achyutha

Dear Srila Prabhupada,

Please accept my respectful obeisances on this auspicious day of your vyasa puja.

I am proud to be your disciple. I am very glad to work in your foot steps to reach the most essential goal of every living entity. You are saving us, whom we are sinking in the bhavasamudra or samsara sagara. Thank you prabhupada for your mercy on this ignorant person. I came to Hyderabad for my higher studies. I am chanting 1 or 2 round daily, but sometimes I am not able to do even that task which I have to do. The japa is the most valuable thing you gave us. But I cannot do it properly, please show your mercy upon me to do my level best. This human life is very difficult to get. So I shouldn't waste it. For the word you have given to your guru you crossed the seas and oceans to spread this Krishna consciousness all over the world. I should keep my word to my guru, that I serve Krishna, I do japa daily. For the association of devotees I go to the temple here for some festivals. I don't want to leave this golden path. Prabhupada thank you for giving this for me. I am your servant and give me the chance to serve you throughout my whole life. Jay Srila Prabhupada.

Your fallen servant,

Bhakta Achyuth Reddy.

Bhakta Manikanta

Dear Srila Prabhupada,

Please accept my humble obeisances on the occasion of 123 Vyasa Puja.

It is said the test of a man's greatness is to measure the long-term impact of his life and teachings—to see if his legacy continues to inspire and guide others after his passing from the world. It has been more than forty years since you have physically left this world, Srila Prabhupada, and fifty-plus years since you established ISKCON. But as time passes, your glory is not fading. Instead, time itself is revealing your place in history. Your impact has been momentous, and it continues to grow year by year. Unless one is empowered by the Supreme Personality of Godhead, Sri Caitanya Mahāprabhu, one cannot spread the Hare Krishna mahā-mantra throughout the world. Persons who do so are empowered. Therefore, they are sometimes called avesa-avatāras, or empowered incarnations, for they are endowed with the power of Sri Caitanya Mahāprabhu. I am very much thankful to you, my Beloved Spiritual Master, Jagath Guru Srila Prabhupada for giving association through your empowered ISKCON Bangalore Devotees. Srila Prabhupada, you had built a palace in which entire world can accommodate. Please kindly grant me your permission to take your shelter by getting Initiation. I am waiting for this opportunity from so many years. Trying to Become your Servant,

Your servant,

నేను భౌతిక బంధనాలలో ఉంటూ అనేక కష్టాలను అనుభవిస్తున్నాను. మీ గురువు గారి ఆదేశం ప్రకారంగా విదేశాలకు వెళ్లి చాల కష్టపడి గ్రంథాలను రాసి , హరినామమును ప్రచారం చేసి ఎంతో మంది శుద్ధభక్తులను చేశారు . మాలాంటి ఎంతో మంది మలిన పద్ధ మనస్సులను పవిత్రం చేసుకునే హరినామాన్ని ఇచ్చారు.

ప్రపంచమంతటా జగన్నాథుని రథయాత్రను పరిచయం చేసిన ఘనత మీకే లభిస్తుంది. నేడు ఆ ఫలితంగా రథయాత్ర లో పాల్గొని స్వామి సేవ చేసుకొని భాగ్యాన్ని పొందుతున్నాము. ఇలాగే మీ సేవలో ఇంకా ఎన్నో ఆధ్యాత్మిక కార్యక్రమాలలో పాల్గొనాలని ఆశిస్తూ, మానవ జన్మను ఉద్ధరించుకోవాలని ఎల్లవేళలా మీ దయ ఉంటుందని కోరుకుంటూ,

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet on this auspicious day of 123rd vyasapuja.

Prabhupada, your merciful bliss upon me helped me to get into Krishna Consciousness life. You did many sacrifices and faced many risks and troubles for the sake of insignificant souls which even includes hippies and mlechas. This is only possible because you are a pure devotee of the Lord.

You are completely surrendered to Krishna and your Guru Maharaj and did herculean tasks for successfully spreading this Krishna Consciousness worldwide.

Oh! Gurudeva, you gave us a very easy and perfect method to go back to Godhead just by chanting and hearing Hare Krishna maha mantra .You eternally live in our hearts and in your teachings in your books.

When you were a small kid of 5 years, you have conducted Jagannatha ratha yathra at your home. At present these Ratha yatras are being conducted through out the world and bestowing the Lord Krishna's causeless mercy on all the people. This is only possible because you are a pure devotee of the Lord.

Finally, I am thankful to you for accepting me as your disciple. And I request you that I should always be engaged in serving your mission.

Yours humble servant,

I heartly begging you prabhupada to please bless me so that I should always be engaged in the service of lotus feet of Krishna. Dear Srila Prabhupada,

Please accept my humble obeisances at Your lotus feet

Sādhu-saṅga', 'sādhu-saṅga'--sarva-śāstre kaya lava-mātra sādhu-saṅge sarva-siddhi haya

The verdict of all revealed scriptures is that by even a moment's association with a pure devotee, one can attain all success. (CC Madhya 22.54)

Thanks Prabhupada for giving us Your valuable association.

Somewhere I feel while preaching if You would have not been here, what would have happen to this many fallen souls (Jaghai-Madhai)? I found You are merciful like Chaitnya Mahaprabhu, because of You today so many Jaghai- Madhai are getting purified.

When I am going or preaching to people, I don't understand why these people, don't want to understand the real truth and want to live with these complexities always. While preaching to them sometimes I lose my patience. I am not that much determined. Somewhere we preach to get glorification. I don't have even little percentage of compassion towards them.

Your determination to preach this perfect knowledge to all ignorant people, Your compassion towards all living entities and no compromise with philosophy and full faith in the words of Your Guru and Krishna, is the secret of success of this movement. Some days before, I was reading one of Your conversations which increased my faith:

'Once, during a morning lecture on Srimad Bhagavatam, a guest asked Srila Prabhupada - "Swami Ji, please tell me something about the last incarnation of the Lord, the 'Kalki' avatar. What's the message of Kalki avatar?"

Your Divine Grace replied - "Kalki avatar, no message only killing"

Guest - "So what about You, will any of You or Your ISKCON devotees be there to see Kalki?"

Your Divine Grace - "By the time Kalki comes, all the devotees of ISKCON will be gone back home, back to Godhead. Yes, if you don't take this Krishna Consciousness seriously, you still might be there to experience Kalki"

Like this, Your firm faith always enthuses us to do more and more devotional service.

Srila Prabhupada You were an absolutely perfect judge of time and circumstance. You always had exactly the right thing to say at the right time for the right person. Which we can see in Your talks and books. I also want to be well versed in Your books so I can preach as it is, in Your words.

We also have so many anarthas we are so much conditioned, many times because of anarthas, I am not able to follow what is told by You . You say Krishna Consciousness is simple but not easy, somewhere I found it is really true.

O venerable Vaishnava, O ocean of mercy, be merciful unto Your servant. Give me the shade of Your lotus feet and purify me. I hold on to Your lotus feet.

Teach me to control my six passions; rectify my six faults, bestow upon me the six qualities, and offer unto me the six kinds of holy association.

*ekaki amara, nahi paya bala, hari-nama-sankirtane
tumi kripa kori', sraddha-bindu diya, deho' Krishna-nama-dhane*

*Krishna se tomara, Krishna dite paro, tomara sakati ache
ami to' kangala, 'Krishna' 'Krishna' boli', dhai tava pache pache*

I do not find the strength to carry on alone the sankirtana of the Holy Name of Hari. Please bless me by giving me just one drop of faith with which to obtain the great treasure of the holy name of Krishna.

Krishna is Yours; You have the power to give Him to me. I am simply running behind You shouting, "Krishna! Krishna!"

O my master , I am a beggar in front of You, shower Your mercy so I can chant nicely, follow 4 regulative principle strictly and thoroughly understand Your books and preach them.

Please bless me that I can get more and more devotee association and kindly cut the knots of my material attachment.

Your most fallen servant,

Maitreya Dasa.

Dear Srila Prabhupada,

Please accept my humble gratitude to Your divine lotus feet.

As the representative of Srila Vyasaveda, You have lucidly explained the purport of bhagwatam for the benefit of all common souls. Your philosophy has made it understand in an easy way to any common people.

You have explained in SRIMAD BHAGAVATAM that there are 2 classes of men- one crow & other swan. The first group of men people are indulged in various kinds of nonsense activities, while the people from swan group are engaged in spiritual activities.

I as a practitioner of Krishna Consciousness had gained some of the spiritual knowledge from the ocean of Krishna Consciousness after joining HARE KRISHNA MOVEMENT. You have opened our eyes, Your contribution to world for Krishna Copnsciousness preaching has made it common to citizens of every country. By starting this movement its a great way to remember KRISHNA, by chanting HARE KRISHNA HARE KRISHNA, KRISHNA KRISHNA HARE HARE, HARE RAMA HARE RAMA, RAMA RAMA HARE HARE.

By sharing Your personal experience You have shown us how to carry responsibility & order of spiritual master. By Your divine knowledge You have given a wonderful gift to this world .

Currently my biggest challenge in the path of spiritual knowledge is that my brain gets distracted to nonsense activity sometimes. For improving my spirituality I will chant Hare Krishna mantra regularly, will always serve lord, will always donate something to the Hare Krishna Movement for the welfare of general mass of people.

Begging to remain under the shelter of Your lotus feet I will always remain humble for Your service.

Dear Srila Prabhupada,

Please accept my most humble obeisance at Your lotus feet on this most auspicious appearance day anniversary of Your Divine Grace.

Below verse are from a devotee's prayer which melts my heart,

If Srila Prabhupada had not come, what would have happened? How could we have passed our lives?

Who else would have distributed the unlimited mercy of Lord Nityananda and Lord Gauranga all over the world?

Which other compassionate person would have endeavoured to deliver the miscreants , sinful, impersonalistic and voidistic people in the West?

Who else would have come to distribute Harinama to them? Who else would have come forward to transform them into civilized beings?

Who else would have taught them how to worship the Deity form of Lord Hari day and night with arati-kirtana, and how to conduct the Ratha-yatra and other grand festivals?

Bhagavad-gita, Srimad-Bhagavatam and Caitanya-caritamrta contain the essence of the nectarean mellows of love of Godhead.

Who else would have explained these scriptures so clearly and beautifully?

Who else would have tolerated all difficulties, and distributed Harinama with a pleasant heart?

Who would have given us the dhamas such as Mayapur, Vrindavan and Jagannatha Puri?

The teachings of Sri Caitanya Mahaprabhu constitute the greatest and most auspicious treasure.

Who else would have engaged us in constantly practicing and preaching it?

Sri Sri Nitai Gaura are desire trees of love of Godhead. Desiring a drop of Their mercy, our heart incessantly takes shelter of Your Divine grace.

Please Prabhupada give some drop of Your mercy so I can properly follow Krishna consciousness, and save myself from attacks of Maya.

Aspiring to be Your servant, Bhakta Bharat.

Bhakta Chirag Nandwana

हमारे प्रिय गुरुमहाराज

श्रील प्रभुपाद जी

कृपा कर मेरा दंडवत प्रणाम स्वीकार करे।

सबसे पहले तो मैं आपसे क्षमा याचना करता हु क्योंकि पिछली बार मे आपके जन्मदिवस पर आपकी और अन्य भक्तो की सेवा में उपस्थित नही हो पाया था, क्योंकि हमारे परिवार में एक नन्ही सी राधा-दासी के आगमन की तैयारी चल रही थी।

आपके जन्मदिवस के 3 दिन बाद ही उसका जन्म हुआ - आप कृपा कर उसे आशीर्वाद दे और अपनी शुद्ध शिष्या बनाये, यही मेरी विनम्र विनती है।

मैं हृदय से आज भी आपकी सेवा में 24 घंटे लगना चाहता हु लेकिन मैं कोशिस करने के बाद भी नही लग पा रहा हु, मैं पूरी कोशिस करता हु की आपको में as it is follow करू पर मैं उतनी क्षमता के साथ नही कर पा रहा हु, मेरी क्षमता आपसे अनभिज्ञ नही है मुझ पर कृपा करे प्रभुपाद जी , मैं बोहोत परेशान हु मुझमें अवगुणों का भंडार है, मुझमे बोहोत अहंकार आ गया है। मैं खुद के लिए सोच में पड़ जाता हूं कि मुझमे इतना अहंकार क्यो आ गया है, ये अहंकार सिर्फ आपकी चरण-रज से ही विलुप्त होगा, इसे समाप्त करे प्रभुपाद जी, इससे मेरी भक्ति विचलित हो रही है। मैं आपका शुद्ध शिष्य बनना चाहता हु मुझ पर कृपा करिये।

मैं यहा भक्तो का दास बनने के लिए आया था और सिर्फ आपकी सेवा के लिए ही आज भी आता हूं, मेरे लिए आपसे ज्यादा कुछ मायने नही रखता है, मुझमे आपके आशीर्वाद से ऐसी क्षमता उत्पन्न करिये की मैं आपका शुद्ध दास बन जाऊं लेकिन मुझमे रंज मात्र भी अहंकार न हो, मैं किसी भी आत्मा के प्रति अपराध ना करू, ये सिर्फ आप ही के आशीर्वाद से संभव है।

एक बार मुझे एक भक्त ने संकोच वश कहा था कि "मैं ऐसा क्या करूँ की आप इस संस्थान को कभी न छोड़े और जीवन-पर्यंत प्रभुपाद जी की सेवा में रहे" (छोटा सा था तब से मेरी दादी, नानाजी और मेरी माता के प्रभाव से मैं हमेशा एक व्यक्ति की खोज में था जो सत्य की तरफ ले जाये, उस वक्त तो मुझमे इतना समझने की बुद्धि तक नही थी कि मुझे जो कमी महसूस हो रही है वो कमी क्या है, वो कमी थी एक शुद्ध भक्त के आदेशों की, एक ऐसे व्यक्तित्व की जो मुझे सही मायनों और पैमानों पर वास्तविकता को समझाये) तब मैंने उन्हें एक ही उत्तर दिया था कि "मैं यहा कैसे आया हु वो मैं ही जानता हूं, आप निश्चित रहिये मैं यहा से मैं कभी नही जाने वाला।"

बिना आपकी इच्छा के कोई व्यक्ति आपकी शरण मे नही आ सकता, हर व्यक्ति जो आपसे जुड़ा हुआ है वो सिर्फ आपकी योजना का हिस्सा है, मैं किसी को भी नही समझा सकता कि आपके आशीर्वाद ने मुझे क्या दिया है, मुझ पर आप कृपा करिये प्रभुपाद जी, मुझे अपना शुद्ध शिष्य बना लीजिए, आप मुझे अपना ऐसा शिष्य बनाइये जो आपके कार्यों में आ रही किसी भी बाधा से लड़ सके, हर उस सोच से लड़ सके जो कान जी की सेवा में और आपके कार्यों में बाधा हो, आपकी सेवा में अपना सर्वस्व न्योछावर कर सकता हु, मुझमे बुद्धि की कमी है, मुझे बुद्धि दीजिये की मैं आपकी सेवा कर सकु, और जो भी व्यक्ति मेरे संपर्क में भी आये तो मैं उस व्यक्ति को आपकी और कान जी की सेवा में लगा सकू।

मैं आज भी उस दिन की सारी घटनाओ को जानता हु जब मैं आपके एक सेवक से सही मायनों में मिला था, मैं उस दिन नही आना चाहता था वहा जहां आपके सेवक उपस्थित थे, लेकिन मेरी बहन ने मुझसे से कहा "भैया तू मंदिर क्यो नही जा रहा है, जब तुझे खुद तेरा फ्रेंड बोल रहा है तो तू मना क्यो कर रहा है, इतनी सेवा में रहता है तू, तुझे वहा जरूर जाना चाहिए, तेरे लिए वहा कुछ अच्छा होगा" वहा आने के बाद भी मैं वहां आपके सेवक से दूरी बनाकर रख रहा था क्योंकि मेरा आपकी खोज में दूसरी संस्थाओं से जुड़ने का अनुभव बोहोत खराब था, इसलिए मैं किसी संस्था के व्यक्ति से बात करना नही चाहता था, फिर भी अपने हृदय के एक कोने में बस वास्तविकता को जानने की दृढ़ इच्छा थी, लेकिन मेरे साथ जो मित्र थे वो मुझे एक ही बात बोल रहे थे कि "ये सब एक जैसे है तू क्यो फिर फसना चाहता है कही नही जाना यही रह," लेकिन मेरी दृढ़ इच्छा बार बार उनकी तरफ नजर लेकर जा रही थी, फिर वहां से एक सेवक मेरी तरफ आया और उन्होंने मेरा दाया हाथ पकड़ा और मुझे खींच कर ले कर गए और पूरे

मार्ग में वो एक ही विनती करते गए कि "ये सिर्फ आपके लिए है," वो प्रभुजी जो आपके आशीर्वाद के रूप में मेरे जीवन में आये, मेरा हाथ पकड़कर आपकी सेवा में लेकर आये आज भी आपकी सेवा में रत है और मैं उनके लिए यही प्रार्थना करूँगा की वे ऐसे ही अनवरत आपकी सेवा में रहे।

मैं आज भी उस वक्त को याद करता हू तो मुझे ये समझ में आता है कि मैं क्या था और आज क्या हू।

श्रील प्रभुपाद जी मुझमें बोहोत अहंकार आ गया है, विनम्रता नहीं है मुझमें, ये मेरी भक्ति का विनाश कर देगा, आप कृपा करिये और समाप्त करिये, आप कृपा करिये मुझ पर की मेरी वाणी आपकी वाणी हो जाये, मेरा सारा अहंकार क्षीण हो जाये, मुझे कुछ नहीं चाहिए मुझे सिर्फ आपका आशीर्वाद चाहिए सिर्फ आपका आशीर्वाद, मुझे सिर्फ अपना शुद्ध शिष्य बना दीजिये मैं अपना सर्वस्व आपकी सेवा में न्योछावर कर दूँगा।

बस मुझ पर सिर्फ एक नजर डालिए और कृपा करिये

आपका एक क्षुद्र सेवक,

भक्त चिराग नंदवाना, राजसमंद.

प्रिय प्रभुपाद

सादर प्रणाम मैं जब पहली बार अक्षय पात्र गया वहा पहली बार मैंने आपके बारे में जाना। वहा मैंने जाना कि कैसे आप विदेश गए जिसके लिए आपने कई मुश्किल सही। आपने देश-विदेश में कृष्णा के बारे में बताया और लोगों को अध्यात्म के बारे में बताया। आपने बताया कि हमें सइस कलयुग में हरे कृष्णा महामंत्र ही सांसारिक दुखों से बचा सकता है। हरे कृष्णा महामंत्र मेरे जीवन को बेहतर बनाने में मदद की। इस महामंत्र को बोलने से एक अलग ही ऊर्जा का प्रवाह होता है। प्रभुपाद आप बहुत ऊर्जावान महापुरुष थे जो 2-3 घंटे ही सोकर भी दिनभर ऊर्जा से कार्य करते थे।

प्रभुपाद मुझे शक्ति दे कि मेरे अपने अंदर की ऊर्जा को सही कार्य में लगाऊँ। हरे कृष्ण।

आपका दास,

भक्त दीपक शर्मा।

Just because of mercy of You I chant hare Krishna mahamantra every day. I am fortunate that Prabhupada do mercy to me and give opportunity to live in akshaypatra jaipur near to devotees and near to Prabhupada's lotus feet and near to the supreme lord Krishna. मेरे प्रिय श्रील गुरुदेव

कृपया आप के कमल के चरणों में मेरी विनम्र वंदन

हरे कृष्णा प्रभु जी!

मैं शनिवारीय कक्षाओं के द्वारा हरे कृष्णा मूवमेन्ट में जुड़ा । उस समय सभी भक्तों के साथ आपके सेवक की बातों का श्रवण किया । मनुष्य के जीवन का लक्ष्य क्या है और जीवन को जीने के दिशा निर्देश लेता रहा ।

फिर कृष्ण जन्माष्टमी के दिन प्रथम भक्ति भ्रमण पर जयपुर पहुंचा और जाना कि इतने श्रद्धालुओं का जन सेलाब यहां कृष्ण जन्माष्टमी उत्सव मना रहा है । मैंने भी मंदिर में सेवा की कुछ समय पश्चात कार्तिक वृंदावन धाम की आध्यात्मिक यात्रा की जहां वृंदावन में देश- विदेश के भक्त इस्कॉन मंदिर में गुरुदेव के भक्त बनकर रहे हैं । मैं भी भक्तों के संग वृंदावन की महिमा को जाना ।

मैंने श्रील गुरुदेव के पुस्तकों और मंदिर को जाना और जानने के साथ समझा भी उनके नियमों की पालना की और कर रहा हूं।

10 फरवरी 2019 को जयपुर हरे कृष्णा मूवमेन्ट में माला जप का आश्रय लिया । इस जीवन के प्रभुपाद की वाणी और उनकी पुस्तके ही मेरे गुरु हैं बस प्रभु आपका आशीर्वाद हम नादान बालक पर बना रहे । नियमित जप करने कि शक्ति देते रहे ।

हरे कृष्ण

आपका शाश्वत शिष्य,

भक्त दिलीप पंवार.

Dear Srila Prabhupada,

Please accept my humble obeisances at Your divine lotus feet. All glories to You on this most auspicious appearance day of Your divine grace.

Prabhupada You are very merciful. When I heard about Your struggle for us I was deeply inspired. You took many pains and troubles just so that we will know about Krishna and we will all go back to Godhead.

One day I heard about You that, in summer heat You distributed Back to Godhead magazine at the age of 70. When a person only thinks about his own comfort, at that time You have taken troubles for us.

You strictly followed Your Guru Srila Bhakti Sidhanta Saraswati Thakur Maharaj order and You spread Krishna Consciousness in whole world. Due to You today, we know about Krishna. I'm very fortunate that because of Your mercy, I understood what is the goal of life.

I follow Your instructions and also follow 4 regulative principles and daily chant 8 rounds. In future I will improve my chanting. For Your mercy to we take the love of Krishna, Begging to remain under the shelter of Your lotus feet at all times and aspiring to be Your humble Servant,

Bhakta Hrithik Arya.

Dear Srila Prabhupada,

Please accept my heartfelt and respectful obeisance unto Your lotus feet.

I came in contact of FOLK by seeing a poster in my Engineering College building and it was related to celebration on the occasion of Krishna Janmastmi in year 2018. In that they told how students are enjoying the Kirtans and some of them playing instrument and rest of them dancing. The important thing I liked the most is Prasadam. After that I started coming on every Saturday only for Prasadam and Kirtan, but day by day, I started listening to discourses given by Devotees, I feel real happiness in my life and changes in my life which have never happened before.

I started chanting one round every morning and started reading Bhagavad-gita and holy books.

My first trip with devotees was for the South where I found the real joy of my life and real motive of my life & why we have taken birth on this beautiful land. I found the actual meaning of life and the difference between spiritual life and material life and how to manage with both the lives.

Now I remember Krishna in both conditions happiness and sadness. I leave my life to Krishna.

Srila Prabhupada, please bless me to follow Your instructions and shower Your blessings upon us so that I can progress in Krishna Consciousness. I beg You to bless me more and more.

Thank You,

Your servant,

Bhakta Jeevan Kumawat.

Dear Srila Prabhupada,

Please accept my humble obeisances at Your lotus feet. On this occasion of Your appearance day I wish to thank You for the many gifts You have showered on me and all Your followers. Thank You for giving me the Hare Krishna maha mantra,. I receive great solace by chanting Japa of the holy mantra. And thank You for creating the International Society for Krishna Conciousness, ISKCON. When You legally incorporated the movement in 1966 we could not comprehend Your vast vision. Now ISKCON has expanded so greatly, it is fulfilling Lord Chaitanyas prediction that his name would name be known in every town and village of the world . Srila Prabhupada, You are the merciful Vaishnava who left Vrindavan in Your old age to execute the mission given by Your spiritual master. And at last I say to You that You are the Vaishnava of the highest order.

Thank You Prabhupada,

Your servant,

जय प्रभुपाद ।

जब कभी भी यह नाम सुनाई देता है शरीर रोमांचित हो उठता है और जीवन मे एक नई ऊर्जा का संचार होता है । जो यह बात मैने लिखी है , यह पढ़ने और लिखने से कही ज्यादा अनुभव करने की बात है, प्रभुपाद जी ऊर्जा के संचार है, प्रभुपाद जी का हर एक पल केवल भगवान श्रीकृष्ण को समर्पित था ।

प्रभुपाद जी । मेरे आदर्श मेरे गुरुदेव, Role-model है जिन्होंने पूरे Western world को Krishna Consciousness का एक अनुपम उपहार दिया, प्रभुपाद जी ने कभी अपनी शिक्षाओं के साथ Compromise नहीं किया वो हमेसा बोलते थे I want moon not stars और ये आज मैं अनुभव कर सकता हूँ की प्रभुपाद के प्रत्येक Disciple Is Moon

मेरा Krishna Consciousness से जुड़ना एंव परिवर्तन -

मैं पहली बार Udaipur में आज से तीन वर्ष पहले अखिलेश्वर प्रभु के Touch में आया जब प्रभु जी Book Distribution कर रहे थे। लेकिन मैं Continue Assosiation नहीं ले पाया और एक साल के लिए मेरा Assosiation छूट गया । लेकिन गुरु और कृष्ण कृपा इतनी प्रबल है कि मुझे एक बार फिर से हरे कृष्ण मूवमेंट उदयपुर जाने का मौका मिला और वहाँ मेरी मुलाकात जिनसे हुई जिनके Assosiation में रह कर सीख पाया कि प्रभुपाद, हरे कृष्ण महामन्त्र की महिमा क्या है, और यही दिन मेरे जीवन के सर्वश्रेष्ठ दिन थे ।

भगवान भगवद्गीता में कहते हैं -

"जो प्रेमपूर्वक मेरी सेवा में लगे रहते हैं, उन्हें मैं ज्ञान प्रदान करता हूँ, जिसके द्वारा वे मुझ तक आ सकते हैं" (BG 10.10)

यहाँ भगवान ज्ञान प्रदान करते हैं। और वही ज्ञान और प्रेमपूर्वक सेवा कैसे प्राप्त की जाए ये आज के आधुनिक युग को प्रभुपाद ने सिखाया की बिना Mental Speculation के गीता को कैसे As IT Is समझा जाए ।

"Religion without philosophy is sentiment, while philosophy without religion is mental speculation" (A C Bhaktivedanta Swami Prabhupada)

"प्रभुपाद के कारण आज मेरे जीवन में परिवर्तन है। पैसा, पद न होकर के भक्ति प्राप्त करना तथा हरे कृष्णा मूवमेंट में सेवा देना है ।"

"और मैं अनुभव करता हूँ कि कोई कैसे 70 वर्ष की उम्र में इतनी अच्छी Books लिख सकते हैं जिनका प्रत्येक शब्द प्रत्येक पंक्ति महत्वपूर्ण है । और यहाँ से प्रभुपाद के प्रति मेरा आदर हमेशा बढ़ता जाता है ।"

" जब कभी भी मेरे मन में किसी बात को लेकर कोई Confusion आया तो वो केवल और केवल प्रभुपाद की Books पढ़ के गया। मुझे तो कभी कभी अनुभव होता है प्रभुपाद की Books स्वयं heart change कर देती है, क्योंकि कोई भी confusion

आये उसका जवाब तुरन्त प्रभुपाद की Books में मिल जाता है , और यही से पता चलता है कि आज भी श्रील प्रभुपाद उनकी वाणी एवं Book's की सहायता से वे हमेशा हमारे साथ हैं "

प्रभुपाद कहते हैं "Read my books, if have any confusion then ask me what is this Prabhupada? what is this Prabhupada?"

Thank You प्रभुपाद हमें यह Realize करवाने के लिए की आप हमेशा वाणी और ग्रन्थों के जरिये साथ हैं

आपका दास,

भक्त किशन शर्मा.

Dear Srila Prabhupada,

Please accept my humble obeisances at Your lotus feet.

Thank You so much for guiding this lost soul , again and again. I feel very difficult to maintain my sadhna due to my business issues. Please guide me to have firm determination just like You guided me to have firm faith in Krishna. I am feeling like an unfortunate devotee whose full day is entangled in completing his material desires and no time for bhakti. I want to set aside all the material desires and focus on my spiritual growth from the core of my heart. Please Prabhupada guide me as I am a very fallen soul and You are my only savior. All Glories to Srila Prabhupada. All Glories to You on this auspicious day of Vyasa Puja.

I want to express my sincere gratitude for awakening me to the spiritual world which I was never aware of until I surrendered to Your teachings about the eternal world. I feel very blessed and fortunate to be in touch with Your movement and teachings. Before that I was finding love in people and non-living things and expecting others to make me happy which will never be. Because of You, I could understand the goal of my life and how we can live in this world with love and care.

After I joined the Krishna Movement I understood who is God why we pray to Him. I am able to see every problem with a learning attitude and to handle it consciously. I develop the habit of chanting the holy mantra “ Hare Krishna Hare Krishna Krishna Krishna Hare Hare, Hare Ram Hare Ram Ram Ram Hare Hare” and saw the positive changes to my life.

I really thank You from the bottom of my soul for spreading this Krishna Consciousness all over the globe and enlightening people by Your blessings.

Yours faithful servant,

Bhakta Partha Pratim Boruah.

I am very fortunate by Your mercy that I have come in touch with this beautiful movement.

Please bless me that I can daily chant 16 rounds of Hare Krishna mantra and follow four regulative principles lifelong. I beg Your forgiveness for my offenses at Your divine lotus feet.

आदरणीय श्री गुरुदेव श्रील प्रभुपाद जी आपके चरण कमलों में मेरा दंडवत प्रणाम आप स्वीकार करना।

गुरु हमेशा अपने शिष्यो को सही रास्ता बताता है। लेकिन प्रभुपाद आपने हमे वो रास्ता दिखाया है जो शरीर व आत्मा के बीच अंतर कर सके, और परमधाम को प्राप्त कर सके हरे कृष्णा महामन्त्र के जरिये। यह कृष्णा आंदोलन की गुरु परंपरा से संभव हुआ है। हरे कृष्णा हरे राम!!

मेने यह आंदोलन 15 फरवरी 2014 को आपकी कृपा से प्राप्त किया। मेरी पहली मुलाकात अंशेष दास प्रभु से उदयपुर में हुई थी, और उन्होंने मुझे हरे कृष्णा महामन्त्र के बारे में बताया उसके बाद मेने एक माला जप करना शुरू किया, फिर आठ माला जप करना शुरू किया। इससे मेरी आध्यात्मिक समझ अच्छी बनी। मेने भागवत गीता दो बार पढ़ी हैं और आपकी किताबे भी और हरे कृष्णा कीर्तन में भी आता हूं। कृष्ण भक्तो के साथ कृष्णा के पवित्र स्थानों पर भी गया हूं। आपकी किताबो से शरीर एवं आत्मा के बारे में अच्छा समझ में आया है। हमारा ये मनुष्य शरीर किस काम के लिए है। कृष्ण भक्तो का आश्रय मिला जिससे मेने चार माला का आश्रय लिया है लेकिन मुझे चार से सोलह माला तक जाना है, और भागवतम पढ़ना है। बस आपकी कृपा हमेशा रहे और कृष्णा भावमृत में ये जीवन समर्पित हो जाए ताकि आपकी ओर कृष्णा की दिव्य सेवा का लाभ मिल सके। ये जीवन हमेशा आपका और कृष्णा का दास बन कर रहे।

आपका हमेशा आभारी रहूंगा इस अमूल्य आंदोलन का हिस्सा बन कर। हरे कृष्णा दंडवत प्रणाम !

आपका भक्त और दास

भक्त रमेश चंद्र दवे

Bhakta Rishabh Doshi

Dear Srila Prabhupada,

I was attracted by prashadam of FOLK on weekend classes. Every time it is very delicious and full of nutrition (healthy satwik food).

Before prasadam there were a lecture on Your teachings delivered by Krishna Conscious devotees. I attended the classes on 'Science of Self Realization , Positive Transformation' and different past times of God, great devotees and Achrayas.

It helps me to know 'What is the main purpose of human life?', how to get and remain elevated in life?' and many other stress related questions are answered.

After joining this movement, I feel free from mental stress, anxiety, enviousness and negative thoughts. I am very blessed to be here. This is a fabulous movement and it will never get down from its ambitious for any reason.

Your Servant,

Bhakta Rishabh Doshi, FOLK Udaipur.

Bhakta Rohit Gupta

Dear Srila Prabhupada,

Please accept my humble obeisances. All Glories to Your Divine Grace.

I have known the Hare Krishna Movement since 10 months ago. Back then I didn't know the meaning of it. I simply visited the Mandir just to have feasting , which the devotees organize. But when I started to attend the Srimad Bhagavad-gita lectures by the regional devotees then I understood the difference between material happiness and real happiness which is in Krishna Consciousness.

Earlier I sometimes used to ask God for some material enjoyment in my life , but with the help of Your blessings I understood the goal of my life.

A spiritual master is a person who shows right path to the fallen soul. Thanks to You, Srila Prabhupada for coming in this material world being compassionate upon the fallen souls like us who are wandering from one body to another unaware of the truth.

Through Your teachings and instructions we are able to know about our own selves and our relationship with Krishna, which was hidden due to our ignorance. You have shown compassion towards us by teaching us the real purpose of this precious human life for advancing in spiritual path and to establish the forgotten relationship with Supreme Absolute Truth.

By Your teachings I became inspired me to practice Krishna Consciousness. By Your teachings I got inspired to chant Hare Krishna Mahamantra. By Your teachings I am inspired to regularly visit temple and attend classes. By taking to Krishna Consciousness my life has become filled with bliss and enjoyment. By reading Your books we are blessed to know the real truth of all the lilas performed by “ The Supreme Personality of Godhead – Krishna”.

Your humble servant,

Bhakta Rohit Gupta.

Dear Prabhupada,

My humble obeisances to You.

Due to You, I am having some idea about concept of levels of understanding as body,mind, intelligence,ego, understanding God and love of God.

Also due to Your mercy, I am chanting chanting and reading Your books and learning great things.

As You ordered about four regulative principles but without devotee association it's very hard. But I m trying. I tried to be in association and to join Your mission but due to family problems I couldn't.

Please take me towards Your service, so that I can remember Krishna every moment of life and at the time of leaving this body and go back to Goloka Vrindavan.

Bhakta Rohit Soni.

Dear Sirla Prabhupada,

Firstly,

Hare Krishna Hare Krishna , Krishna Krishna Hare Hare,

Hare Ram Hare Ram, Ram Ram Hare Hare.

It's an privilege for me to be a part of Your Hare Krishna Movement.

I came to this heaven with the help of my friend. After coming to this heaven I feel that this is one of the best step that I had taken in my life.

Your books teaches me how to avoid the four things and how to stay away from the materialistic negative people in the life and how to overcome from the unwanted desires and enter into a spiritual world.

You also teaches us the power of chanting Hare Krishna Mantra.

Thank You for all You have given me. May Your blessings always shower on me. It's my gratitude towards You.

Your aspiring disciple,

Bhakta Sandeep Nimawat.

My life was like a boat struggling in material ocean, but by Your compassion I got real knowledge that I am not body, I am soul and my real position is to serve Krishna. Although I have no qualification for spiritual understanding but due to Your causeless mercy I am able to do chanting and reading.

Your fallen servant, Bhakta Saurabh Panwar.

Dear Srila Prabhupada,

All Glories to Srila Prabhupada.

I didn't know that the life I am living is worth full or not. I was living life like machine. I was not having any clear objective of what is my destiny. But as I came contact with Hare Krishna Movement I connected with such environment that I have never seen before. I started reading Your books and my concept is start clearing. I came to know what is God and how he connected with our life. After chanting Hare Krishna Mantra I feel more energetic and at peace. My consciousness towards supreme Lord Krishna increased.

Your books teaches me basic but conceptual knowledge of life. In Your books every concept is explained in such way that I am able to understand ancient Vedic knowledge.

Thanks master to make me understand the real secret of life. You are the only one who can show me path towards Krishna.

Yours in the service of Krishna,

गुरु श्री चरण में कोटि कोटि वंदन

भौतिक सुख सुविधा को अर्जित करने में भागदौड़ भरी जिंदगी में भी, हर इंसान को एहसास होता है कि कहीं कोई ना कोई जीवन का पहलू है जो इन सब से सर्वोपरि है।

जिसे समझने की महती आवश्यकता है, वह है आध्यात्मिक जीवन.. जो है भौतिकता से भी ज्यादा महत्वपूर्ण ... जिसे हमें अपने भौतिक जीवन से भी श्रेष्ठ बनाना है।

प्रिय गुरु प्रभुपाद, आपके माध्यम से बहुत से लोग अपने जीवन के भौतिक और आध्यात्मिक पहलू को समझने में सफल रहे है और जीवन के उच्च तम सुख, आध्यात्मिक सुख का अनुभव कर पाए हैं। मेरा जीवन भी अच्छा से बहुत अच्छा होने के पथ पर है,

आपका आशीर्वाद बना रहें..

आपका शिष्य..

भक्त श्रीकान्त

Bhakta Shubham Sharma

Dear Srila Prabhupada,

परम पूज्य गुरुदेव श्रील प्रभुपाद गुरुदेव आपके चरण में मेरा कोटि-

कोटि दंडवत प्रणाम। गुरुदेव जी आपके गुणगान में कैसे कर सकता हूँ मैं आपका दासनु दास हूँ। आप की महिमा का गुणगान करने के लिए मेरे अंदर इतना ज्ञान नहीं है कि आपकी महानता के बारे में बताऊं। जब से आपने मुझे अपने शिष्य रूप में चुन लिया है तब से मैं आपका कृतज्ञ हूँ।

आपका कर्ज मैं कैसे चुका सकता हूँ। मेरा हृदय बहुत मलीन है और इतना ज्ञान भी नहीं है कि मेरा भला क्या है नहीं जानता। इस संसार में काम, क्रोध, लोभ में गिरा हूँ। अंततः मैं इस संसार रूपी सागर में पड़ गया हूँ। जीने के लिए कठोर परिश्रम कर रहा हूँ, कि सुख कैसे मिल सके फिर भी मेरे हृदय में आनंद नहीं है। मैं इतना अज्ञानी हूँ कि मैं नहीं जानता मनुष्य का जीवन क्यों मिला है, यहां पर मेरा अस्सल काम क्या है और भगवान की सेवा किये बिना मेरा जीवनबीता जा रहा है। दिन व्यर्थ कार्य और रात नींद में बीत रहे है। गधे की तरह रात दिन मेहनत कर रहा हूँ। और पेट भरने में लगा हूँ। गुरु जी आपकी कृपा से श्री कृष्ण की सेवा करने में मन लग गया है और भगवान के नाम जाप से मन कोशान्ति और कृष्ण की और मन लगता जा रहा है। आप की कृपा से मानव जीवन का उद्धार किया जा सकता है तो फिर इतना पाप में क्यों लगा रहूँ। यह मनुष्य जीवन बार-

बार नहीं मिलता है जब से आप के चरण में आत्मसमर्पण किया है तब से मेरा जीवन धन्य हो गया है।

आप के द्वारा दिए गए चार निर्देशों मांसाहार, मादक द्रव्य/ पदार्थ का सेवन, जुआ तथा परस्त्री गमन नहीं करना, का पालन करता हूँ और आठ माला जाप करता हूँ।

इस विश्व में सभी लोगों को केवल एक हरे कृष्ण महामंत्र से इस कल्युग के भव सागर से पार लगाया जा सकता है!

हरे कृष्ण हरे कृष्ण कृष्ण हरे हरे। हरे राम हरे राम राम राम हरे हरे।।

जब से आपकी कृपा और आशीर्वाद मिला है तब से मेरा भगवान की ओर मन लगता जा रहा है। आपने ही मुझे गोलोक वृंदावन जाने का रास्ता दिखाया है। अब इस जीवन में अन्य और कोई अभिलाषा नहीं रही है, भगवान की सेवा करनेके अतिरिक्त मेरा मन कहीं नहीं लगता है। प्रभु जी मेरे ऊपर आपका आशीर्वाद बनाए रखना, ताकि मैं आपके सारे निर्देशों का पालन कर सकूँ, ताकि मेरा पुरा जीवन भगवान की सेवा में बीत जाए। मैं आपका बहुत ही आभारी हूँ।

आपके श्रीचरणों का हमेशा आश्रय पाने का इच्छुक-

भक्त शुभम शर्मा (उदयपुर, राजस्थान)।

Dear Srila Prabhupada,

Please accept my humble obeisances at Your Divine lotus feet.

All Glories to You on this most auspicious appearance day of Your Divine Grace.

I attended 5 day festival in Akshay Patra Temple, Jaipur and had a nice darshan of Krishna Balaram Diety and visited Hingonia Goshala and further activity and I got so much enthusiasm and I started chanting Hare Krishna Mahamantra 16 rounds and reading Your books.

I am feeling great, better than living outside the FOLK program.

With the help of Your lectures I could understand about spiritual advancement. I also feel better than my past.

Although I have only known You for a short time in this life time, You have done a great deal for me.

Simply by following Your instructions I have been making my life closer to the path of perfection.

I wish that Your Divine Grace be my guide in Krishna's service for eternity.

Please bestow Your blessings upon me.

Your servant,

आपके आविर्भाव दिवस पर कुछ पंक्तियाँ गुरु चरणों में समर्पित...

भौतिक संसार देखने काम आया eye vision

भगवान देखने काम आया devotee association,

भक्ति करने का नहीं होता कोई season

क्योंकि ये मानव जीवन है, नहीं कोई speculation.

माला की शक्ति, जीवन में भक्ति, इसी से मिलेगी हमें मुक्ति।

रे मनुष्य, कृष्ण सेवा की सोच कोई युक्ति, नहीं तो अगले जन्म में फिर यही होगी नियुक्ति।

कलह के इस युग में मनुष्यों को उद्धार-मार्ग बताने के लिए,

मेरे अधूरे मानस पटल पर आध्यात्मिक ज्ञान को रेखांकित करने के लिये,
सम्पूर्ण विश्व में कृष्ण-प्रेम प्रचार प्रसार करने के लिए,

Dear most Srila Prabhupada,

Please accept my humble obeisances unto Your lotus feet. All glories to You.

Queen Kunti prayed, *"I wish that all those calamities would happen again and again so that we could see You again and again, for seeing You means that we will no longer see repeated births and deaths."* (Srimad Bhagavatam 1.8.25).]

I am not exalted enough to be seeking calamities in the course of my service, but when miseries do befall me I think of the intense struggles You faced as You preached and of how You overcame them, and in this way I receive the strength to push on. O spiritual master, please shower Your mercy unto me, so that I can chant 16 attentive rounds with quality, study Your books scrutinizingly, daily listen to Srimad Bhagavatam lectures and doing most loving service- "Book distribution". Please bless me so that I must follow these principles with sincerity, dedication, devotion and determination.

O Spritual Master- Srila Prabhupada, You are eternally at the side of Nityananda Prabhu. Therefore we know how much the previous acaryas are also offering their innumerable obeisances unto You as well. You are His general who has conquered over every last obstacle of maya to become the most glorious preacher of modern times. And You are leading an army of dedicated followers who will never cease to struggle on Your behalf. I am very proud to be an insignificant member of this army and pray that I can eternally march on in both victory and defeat, happiness and distress, pleasure and pain, honor and dishonor, by allowing myself to be sustained wholly and solely by the dust of Your divine lotus feet.

It has been accepted among the body of Vaisnavas that You have accomplished in this world what only a sakti avesa avatara could accomplish. Indeed, millions of people know of Your unparalleled preaching and writing, and even those who are not Krishna Conscious are appreciating all that You have done. However, when Your followers meditate on Your glories, it is often not these great accomplishments that come to mind, but Your simple lovable qualities and intimate pastimes that most fascinate and endeavor us to You.

Material entanglement is there but, by hearing from Your lectures that, 'engage 24 hours in Krishna's service, Your life will be successful'. By following Your instructions sincerely, surely I will develop a taste of Krishna's service!

Please forgive me for any offenses against the vaishnavas Guru sastra and unto You.

Thank You Srila Prabhupada for each & everything that You had given us.

Your's insignificant unworthy servant,

Bhakta Vatsal Joshi.

Bhakta Vijay

Dear Srila Prabhupada,

Please accept my humble obeisance.

When I didn't know about bhakti, dharma etc. then I came to touch with Your devotees, they gave the reason.

Srila Prabhupada, because of You I am able to maintain myself in the crucial moment of my life. Nowadays I am living a happy life in FOLK hostel and want to do proper bhakti.

Thank You Srila Prabhupada, Your Servant,

Bhakta Vijay.

Bhakta Vijay Katariya

Dear Srila Prabhupada,

Please accept my most respectful obeisance at Your lotus feet.

All glories to Your Divine Grace.

I am an engineering student. I started my engineering in year 2018. I came in contact with Your Krishna Consciousness Movement in my first semester by the festival. Now regularly, I am in touch with this Movement. This changed my whole life and gave me a new direction. I am involved into materialistic life please save me and guide me. And thankful for every thing which You gave me in my life, I do not deserve them. Especially Your causeless mercy & Krishna Consciousness. I am not happy even if the whole world is with me. I am very happy with You and Your devotee associations.

When I came in touch with Prabhu and with regular discussions I got rid of most of my bad habits like intoxication, meat eating etc. I have realized who is God, who am I and what is my relation with God is and what is my relation with devotees. After joining the Movement, I have realized about a change in my life. And all this is just because of my association with the devotees.

Now I came into FOLK hostel. Its only because of You I got this great standard of living.

Thanks a lot Gurudev for giving me such a nice family; here one devotee is acting as father, one as a mother, one as a friend, one as a brother. It is a complete family. However, I am not having that much value for them please correct me. One after one my every demands has been fulfilled by Your lovable disciples. I have committed no of offense to them, still You all have kept me in world's best home along with Sri Sri Krishna and Balarama. Please forgive me.

Your most fallen servant,

Bhakta Vijay Katariya.

Bhakta Vishal Sharma

Dear Srila Prabhupada,

Please accept my humble obeisance unto Your lotus feet. All glories to my spiritual master- Sri Srimad A.C. Bhaktivedanta Swami Prabhupada. All glories to You on this auspicious appearance day as the day of Your Vyasa Puja.

Hare Krishna! O true spiritual master, You are so merciful on us. At the age of 70 You had the energy to go outside India and apart from other various duties, You engaged Yourself in writing books even at night without sleep. You delivered bhakti-yoga to western culture. Your translation of Vedic knowledge is very accurate to understand. The ultimate expression of mercy is to freely afford everyone with the opportunity to develop pure love of Godhead. Your preaching

work clearly fits this description. This is Your mercy only that Your powerful lectures and association of Your disciples guide me to attain spiritual growth and to be spiritually advanced. By Your mercy, we could understand the pure love of Lord Sri Krishna.

Life has got many challenges and without being depressed, I try to face them easily because material things are temporary. I try to follow four regulative principles strictly. Because of Your shelter only, I am less indulged in sense gratification & always try to reduce this sense enjoyment and this can be possible if we utilize our senses in Krishna's service. I could increase the number of rounds of my chanting, I read Your books on regular basis. I try to visit temple twice in a week and do service also. I participate in Sankirtan Movement- the congregational chanting of the Holy Names of Krishna which was established & started by Lord Caitanya Mahaprabhu.

You are the real 'Acharya', come in guru-shishya tradition or parampara who teaches us everything best in spiritual life. The spiritual life You lived is the best example for us to live however we, the 'Nitya baddha jiva' cannot touch that height of greatness.

On this most auspicious appearance day, I humbly beg You to shower Your blessings and mercy on me to be more advanced in Krishna Consciousness. Please forgive my offenses and give me the strength to carry out Your orders in the association of Your sincere disciples. I request You to please keep blessing me with more seriousness in Krishna Consciousness so that I can be engaged in the service of the Supreme Personality of Godhead- Lord Sri Krishna and spread the Hare Krishna Maha-Mantra to many people.

Begging to have Your mercy at all times and aspiring to be Your humble Servant,

Bhakta Vishal Sharma, Udaipur (Rajasthan).

Repairer of my abandoned life!

With all due respects to Srila Prabhupadaji....!

With the feelings of sincerity and gratitude, I hereby pay my all the regards unto the feet of His Divine Grace Srila Prabhupadji. It was very kind enough of him that he bestowed his kind blessings upon me, which transcendently changed the entire scenario of my materially rusted life into the spiritual life by inspiring me from inside to get away from the sense gratification. It is because of his kindness only, that I started realizing my forgotten relationship with the Supreme Personality of Godhead Lord Krishna. Now as per Srila Prabhupadji's directions that how to lead this material life, I am virtually trying to become perfect in the spiritual way of life. Really, it was not possible for me to be 'Vasudev parayan ', but it all happened because of Srila Prabhupadji's blessed mercy, that now I'm moving on the path of devotional service to satisfy his greatness and Lord Krishna, regularly by doing 'Mangal arti' , reading Srimad-Bhagavatam, Bhagwad-gita and his articles and books, listening to his speeches everyday for two to three hours and chanting of sixteen rounds on Tulsi mala of Hare Krishna Mahamantra. And by his mercy only I opened a WhatsApp Club, 'Krishna Ashraya ' in which almost daily, I'm writing his articles in the App, to reach to the fruitful nexus and there are one hundred and eleven members who are the beneficiaries of Srila Prabhupadji's blessings around the world. Along with this, I am trying to motivate the people to become Krishna Conscious, so that they will properly utilize the resources of the mother earth and provoking them to do devotional service by doing chanting of Mahamantra, so that they can easily solve their material problems of life and after this life they can go to their original forgotten home, back to Godhead.

By intensive reading of Srila Prabhupadji's different articles and different books simultaneously, the material concepts are becoming clear in my mind that the we, the living entity, works in this material world just as the office worker works at his job and then a service record is kept of his performances and actions with the Super Soul, Lord Krishna and accordingly we move towards liberation or a downfall.

Lastly, I am really thankful for the humble greatness of the real messenger of Lord Krishna, Srila Prabhupadji for his entire blessings which he showered upon me and taught me to walk swiftly on the spiritual way and gradually getting away from the material mire.

Thanking You Srila Prabhupadaji,

Your Servant,

Bhakta Vivek Pandit

My dearmost Srila Prabhupada

कृपया अपने दिव्य कमल के चरणों में मेरी सबसे विनम्र आज्ञाओं को स्वीकार करें। आपकी व्यास पूजा के इस सबसे शुभ दिन पर आप सभी को शुभकामनाएँ।

अर्जुन द्वारा भगवद गीता को सुनने के बाद, उन्होंने भगवान कृष्ण को प्रसन्न करने के लिए पूरी तरह से कुरुक्षेत्र की लड़ाई लड़ी और खुद को अपने मिशन में एक उपकरण के रूप में शामिल किया।

मुझे अपनी इच्छा पूरी करने के लिए अपने आध्यात्मिक गुरु और अन्य भक्तों की सेवा करने की अनुमति दें। कृपया अपने शिष्यों को इस ग्रह पर बने रहने दें और आने वाले कई वर्षों तक हमारा मार्गदर्शन करें।

श्रील प्रभुपाद, उन्हें सभी बाधाओं को दूर करने और जितनी जल्दी हो सके इसे करने के लिए आपकी विशेष दया की आवश्यकता है।

"जन्म के बाद जन्म एक माँ और पिता को प्राप्त होता है, लेकिन जो गुरु और कृष्ण का सानिध्य प्राप्त करता है वह भौतिक ऊर्जा पर विजय प्राप्त करता है और भगवान की पूजा करके वापस भगवान के पास लौट जाता है।"

श्रील प्रभुपाद, आपने हमारी जैसी अनेक पतित आत्माओं का उद्धार किया है। आपके कारण हम जान पाए की हम आत्मा है। आपने हमें बताया की भगवान किसे कहते, भगवान दिखते कैसे है, भगवान की शक्ति क्या है, भगवान कैसे अवतार लेते है। आपने जो बुक लिखी है वो हमारे हार्ट को बदल देती है। आपके द्वारा हम जान पाए की कलयुग में केवल हरि संकीर्तन करना है। आपके कारण हमें हरे कृष्णा महामन्त्र के बारे में जाने का मौका मिला।

आपके कारण मे हरे कृष्णा महामन्त्र जप करने लगा और इस हरे कृष्णा महामन्त्र ने तो मेरे जीवन को एक नई दिशा की तरफ मोड़ दिया। इस हरे कृष्णा महामन्त्र के कारण मेरा जीवन ओर सरल हो गया और हम महसूस कर पा रहे है की कृष्णा हमारे वास्तविक पिता है किस तरह हमें उनकी सेवा करनी है। आपके कारण अनेक लोगो का जीवन बदला है और हमें पता चल गया की हमारे जीवन का लक्ष्य क्या है।

मुझे एक पास्ट टाइम याद आ रहा है कि एक चोर को आपकी घड़ी चुरानी थी ओर घड़ी चुराने के लिए पास में आना जरूरी था। इसीलिए उसने आपकी 7 दिन श्रीमतभगवतं क्लास ली, ओर हम देखते है की वो कृष्णा चेतना को फॉलो करने लगा । आपकी वाणी में वो पावर है जो किसी के दिल को परिवर्तन कर सकता है।

एक ओर पास्ट टाइम है जिसमें है की आप जब सुबह टहलने जाते थे तो एक पागल व्यक्ति ने आपका रास्ता रोका ओर आगे चल कर वो आपकी कृपा से वो आपका शिष्य बना।

आपने इस पूरे संसार को कृष्णा के बारे में बताया क्योंकि आपके गुरु का आदेश था की पूरा संसार कृष्णा को जाने, ओर हरे कृष्णा महामन्त्र का प्रचार पूरे संसार में हो।

आपका विनम्र सेवक

आदरणीय,

कृष्णकृपामूर्ति श्री श्रीमद् ऐ सी भक्तिवेदांत स्वामी प्रभुपाद जी के चरणों में मेरा सादर नमन।

इस व्यास पूजा के पावन अवसर पर मैं आपके चरण कमलों में अपनी भावनाएं प्रकट करना चाहती हूँ।

श्रील प्रभुपाद वैदिक ज्ञान और अपनी शिक्षाओं के द्वारा कई मानव जीवों का कल्याण करते आ रहे हैं, और जो भी इस वैदिक ज्ञान से लाभान्वित हुए उन जीवों का जीवन धन्य हो गया क्योंकि जीवन का असली मकसद श्री कृष्ण के चरणोंकी सेवा करना तथा उनके भगवत धाम को जाना है। आपने कई जगह विश्व के हर देश में भी श्रीकृष्ण का प्रचार करके लोगों को भगवान कृष्ण के बारे में बताया और आप जगतगुरु भी कहलाये।

आज के मानवों की इस तरह बुद्धि भ्रष्ट है कि उन्हें पैसा, मोह, माया, द्वेष, स्त्री, बुराइयों आदि कुरीतियों ने घेरा हुआ है, जिससे इंसान इन बुराइयों में ही फसा रहकर जीवन के असली उद्देश्य को समझ ही नहीं पाता है। परम पूज्य प्रभुपादजी ने हमें इन कुरीतियों से ऊपर उठकर कृष्णधाम-गोलोक वृंदावन जाने का स्वर्णिम अवसर दिया है तथा हमारे मनुष्य जीवन को धन्य बना दिया है।

मैं इतनी सौभाग्यशाली हूँ कि आप जैसे आध्यात्मिक गुरु का आश्रय और आपका आशीर्वाद हमेशा हमारे साथ होता है। मैं आपका आश्रय पाकर शारीरिक और मानसिक तरीके से हमेशा स्वस्थ रहती हूँ और श्री कृष्ण की पूजा करती हूँ, ऐसा लगता है श्री कृष्ण और आपकी हम पर विशेष कृपा है अतएव मेरा जीवन सफल सा लगने लगा है। आपने हें बताया कि हरे कृष्ण महामंत्र कलयुग के कल्मष का नाश करने वाला है जो कि सोलह नामों का महामंत्र है-

“हरे कृष्ण हरे कृष्ण कृष्ण कृष्ण हरे हरे, हरे राम हरे राम राम राम हरे हरे।”

मैं खुशकिस्मत हूँ कि मैं भी आप के आश्रय में एक भक्त बनकर श्री कृष्ण की भक्ति करती हूँ, आपने कलियुग के पापों से वंचित रहने के लिए हमें हरे कृष्ण महामंत्र दिया जिसे जपने से मन प्रफुल्लित हो उठता है।

आपकी कृपा और आपके शिष्यों के सानिध्य से मैं इस हरे कृष्ण संस्था से जुड़ी और अब मैं सोलह माला का निरंतर जप करती हूँ और आपकी पुस्तकें पढ़ने का समय भी नि कालती हूँ। हरे कृष्ण मंदिर में जब भी सेवा का अवसर मिलता है उसे संपन्न करने का प्रयास करती हूँ और आगे भी करती रहूंगी।

आपके श्रीचरणों का हमेशा आश्रय पाने की इच्छुक-

भक्तिन लीला शर्मा (उदयपुर, राजस्थान) ।

Dear Srila Prabhupada,

Please accept my humble obeisance unto Your divine lotus feet on this very auspicious occasion of "Vyasa Puja". All Glories to Radha Krishna.

Thankful gratitude unto the feet of Lord Chaitanya that he bestows mercy upon me, by sending You to make me come to You & come out of the ocean of this material world and primarily to give direction to my life.

Eternally You are with us every time by Your vani but for a fallen soul like me these offerings are the only way, where I can feel Your personal presence, where I can tell You what I have done in this year, where I can accept my mistakes and sins, where I can make apology unto Your lotus feet, where I can receive Your bliss not to commit them again, where I find hope for solutions that give me directions of spiritual world from the ocean of material desires.

This year, I experienced too much downfall in doing my duties towards my family and towards Krishna. I even committed the greatest sins (committed Vaisnava aparadh) and biggest of those, I just stopped all the services to Krishna, stopped chanting, due to some wrong mental speculations under the influence of maya. But at that time also, I felt like You and Krishna were there with me. Continuous preaching by devotees didn't let me go and made me stuck on the platform of prayers. Your vani within them, always guides me "not to loose hope, & just pray to Krishna. This phase will pass."

This time again I started with 2 rounds of chanting but will progress with stronger realization than before. Now I understand this phase is important to teach me lessons and I am feeling blessed that my Gurudeva and Krishna was there personally and teaching me the lessons of life and will always be there to slap me whenever I go wrong and to appreciate and love me in my progress.

Gurudeva, You have always saved me from going into the dark hole. Please always be there and never let me go even I commit mistakes. Take lessons as You took this time but never let me go away from Krishna's feet and give me blessings that no wrong will happen to others by me and I can uplift others in spiritual and moral path of life. I pray that Your divine self and Your simple truth, "just chant, dance, eat prasadam and be happy" will remain forever foremost in my heart so that I can protect myself from bad association and live my life fully.

Praying to remain Your humble servant always,

Bhaktin Neha Sharma.

Dear Gurudev

All glories to Srila Prabhupada

यह मेरी आपके अवतरण दिवस पर सविनय ऑफरिंग है। मैं श्री कृष्ण भगवान और राधारानी को धन्यवाद देना चाहती हूँ। कि उन्होंने आपको इस धरती पर हम सब बद्ध जीवों को वापस गोलोक धाम ले जाने के लिए जन्म दिया। मैं आपका धन्यवाद इसलिए भी करती हूँ कि आपने मुझे जैसी एक मूर्ख एवं पापी को अपने शिष्य एवं पुत्री के रूप में स्वीकार किया। मैं अपने आप को भाग्यशाली समझती हूँ कि आप मेरे आध्यात्मिक पिता व गुरु हैं। आप हमारे बहुत ही प्यारे पिता एवं गुरु हैं जो अपने बच्चों के कुछ भी चाहने पर उन्हें दे देते हैं। मैं अपने आप को पूर्ण रूप से आपके श्रीचरणों में समर्पित करती हूँ।

जब मैं पहली बार आपके सम्पर्क में आई तब मेरी ज़िन्दगी पूरी तरह से बदल गई। उस वक्त मैं अपने रिश्तों को लेकर बहुत ही परेशान थी। मैंने इस ज़िन्दगी को बहुत बार खत्म करने की भी कोशिश की। पर आपकी कृपा से मुझे सही मार्गदर्शन मिला। मेरे पति मुझे पहली बार हरे कृष्ण मूवमेन्ट लेकर आए। वहाँ हमने श्रीमद्भगवद् गीता की कक्षा सुनी। मुझे बहुत अच्छा लगा। मुझे लगा कि इतने समय से जो मैं ढूँढ रही वो मिल गया उसके बाद हम मुकुन्द कृष्ण दास प्रभु जी से मिलें उन्होंने हमें आपके और श्रीकृष्ण के बारे में बताया हमारे जीवन का उद्देश्य समझाया और हरे कृष्ण महामंत्र – "हरे कृष्ण हरे कृष्ण कृष्ण कृष्ण हरे हरे, हरे राम हरे राम राम राम हरे हरे" का जप करने को कहा। शुरूआत में मैं एक या दो माला जप करती थीं। धीरे धीरे माला की संख्या बढ़ गई और मैं 16 माला जप करने लगी। मुझे इस मूवमेन्ट से जुड़े चार साल हो गए हैं, लेकिन बीच में माया के जाल में फंस गई और माला छूट गई और मैं इस संसार के मोह माया में फंस गई। पर आपने मुझे वापिस श्री कृष्ण की तरफ बढ़ाया और फिर से खुद से जोड़कर भक्ति में आगे बढ़ाया।

आपकी कृपा से इस साल 9 जून को हमें कृष्ण जी की सेवा करने का अवसर मिला। हमारे घर में लड्डू गोपाल जी आए। उनका नाम हमने मुकुन्द कृष्ण रखा। हम उनकी सेवा करने का प्रयास कर रहे हैं। हमें भगवान की सेवा करने में बहुत आनंद आ रहा है। धीरे धीरे भौतिक सुख की कामना कम हो रही है। और आपकी और भगवान श्री कृष्ण की कृपा से बहुत सी परेशानियाँ अपने आप सुलझ जाती है। भक्ति करने में बहुत सी अड़चने आती है। घरवाले रोकते है, लोग पागल कहते हैं। पर आपकी कृपा से सब हमें सहयोग करने लगे हैं। जो लोग हमें रोकते थे वही लो आज हमारे साथ मन्दिर भी आते हैं।

हम आपसे यही प्रार्थना करते है कि आप हम सब पर आपकी कृपा दृष्टि बनाएं रखे और भक्ति में आगे बढ़ने में सहयोग करे, और जो लोग भक्ति में आना चाहते है उन पर भी कृपा करे।

अगर हमसे कोई भूल या कोई गलती हो तो आप हमारी गलतियों को सुधारे व हमें मार्गदर्शन प्रदान करे। श्रील प्रभुपाद की जय! हरे कृष्ण। धन्यवाद।

आपकी सेविका ,

भक्तिन निकिता अग्रवाल

Dear Srila Prabhupada,

Please accept my humble obeisances at Your lotus feet. All Glories to You, and to Your Divine Appearance in this world to save all fallen souls. It is not possible to glorify You, who are the most confidential devotee & representative of Lord Krishna.

I try everyday to overcome my laziness and at least constantly chant my rounds. I have been trying so hard to make it a part of my life to at least do some reading of Your books. Please bestow Your mercy to achieve this.

I request Krishna and Your mercy to give such a surrounding atmosphere in my life so that I can execute Your instructions and please You in all respects as Your humble servant.

Yours humble servant,

Dear Srila Prabhupada,

I offer my humble obeisance unto your lotus feet, which are shelter for hundreds and thousands fallen souls.

Chaitanya bhagavat says :

“Iswarer janma tithi je hena pavitra Vainabera sei mata tithira charitra”

As all auspiciousness that comes on the Lord appearance day and Lord devotee’s are same.

So in this auspicious day I want to express you from core of my heart.

Due to your mercy I chant 16 rounds daily and trying to render services as prescribed by temple authorities.

I am a person who is serving as a devotee and taking maintenance for livelihood but practically I have no taste in chanting of the holy names and executing temple services, even though my devotional life started in the very beginning of my life.

Your Divine Grace always instruct to abide the ten offences while chanting and it reminds everyday by morning sadana. But I am knowingly or unknowingly unable to follow the first offense among the ten offences because lack of my seriousness.

I found a similar verse from cc 1.8.16

“bahu janma kare yadi śravaṇa, kīrtana tabu ta’ nā pāya kṛṣṇa-pade prema-dhana”

“If one is infested with the ten offenses in the chanting of the Hare Kṛṣṇa mahā-mantra, despite his endeavor to chant the holy name for many births, he will not get the love of Godhead that is the ultimate goal of this chanting”.

And in this purport you said, *“One must come to the understanding that the holy name of the Lord and the Supreme Personality of Godhead Himself are identical. One cannot reach this conclusion unless one is offense less in chanting the holy name”*. So my request to you please be merciful upon me so that I may get strong faith on guru and Vaishnava and may not commit vaishnava aparadha.

And I am sure by pure devotee’s mercy at once I will surely attain the merciful glance of insurmountable Supreme Lord Krishna.

Jai Srila Prabhupada!

All glories unto your lotus feet!

If a jiva falls in an ocean the only way he can survive by having help from a capable source, who has ability to bring him out and give him relief. Kaliyuga - the ocean of faults and miseries, if one entangles in it (grham anda-kūpaṁ) there is no way to get out of it other than accepting your divine shelter.

There are lot of moments in my life stroke to my speculative mind about the anxiety and hankerings for happiness and satisfaction, for which one is always anxious “like a deer in desert for short of water”. But the teachings of yours and

scriptures are such as “*tr̥pyanti tat-skandha-bhujopaśākhāḥ*”. One can have satisfaction and happiness by satisfying ultimate master - The Lord of the universe.

The present age Kaliyuga is full of distractions and objects of allurements, which can allure a jiva even though he has inclination for real self interest. The perfection of life is ultimately to revive once real position as jīvera 'svarūpa' haya-kr̥ṣṇera 'nitya-dāsa'. To revive that real position one has to purify oneself from the anartas. To purify from the anartas services will be assigned to us. So first we can purify ourselves and then could participate in the mission of the Lord, which already predicted pṛthivīte āche yata nagarādi grāma. But we try to get our own reorganization on various instances instead of dedicating unto you and to the Lord. The tendency of exploitation which may be parallel sign of contaminated lording mind is one of the biggest drawbacks to progress further in reviving once real relationship.

Being followers of Rupanuga, the instructions which are delineated by Lord Himself as Chaitanya Mahaprabhu and taught personally to fallen jivas like me, how to revive that real relationship and specifically attain to the Love of Godhead. This Love of Godhead has not been touched by any other sect and Acharyas of other sampradayas. This was taught by our Acharyas in a very simple sublime way just by chanting Nama Prabhu (Hare Krishna Hare Krishna Krishna Krishna Hare Hare Hare Rama Hare Rama Rama Rama Hare Hare) provided we could chant it without any offenses.

So, the object of all sadana and services is to chant the holy name on suddanama stage and be in touch with Lord always. That is possible if we could give respect to every jiva, especially vaishnavas and by pleasing them, who has dedicated for Lord's divine mission.

My only seeking is to become a humble vaishnava, respectful to others and have control over mischievous mind including lust and anger. And that is possible by your and Lord chaitanya's divine mercy only. So, my humble request is please be kind to this fallen jiva. Thank you Srila Prabhupada.

Dear Srila Prabhupada,

All glories to the savior of the whole world Jagathguru Srila Prabhupada.

Please accept my humble obeisances onto your lotus feet. Even though I am not qualified to write anything about your ocean like glories still I am trying to glorify you.

There is a nice poem in Hindi,

सारी धरती कागज़ करूँ लिखनी सब वनराय।

सात समुंद्र की मसि करूँ गुरू गुन लिखे न जाय।।

“If one uses entire earth as a paper, all forests as a pen and all oceans as an ink then also one cannot write the glories of his spiritual master.” Please forgive me for my childish writing.

After spending three years under your shelter I am feeling as a calf is living under the shelter of her mother. I am learning many things about vaisnava etiquettes and public relations and still I have to improve my ocean like weaknesses. I seek your causeless mercy upon me for this. Because I know that.....

mūkam karoti vācālam pangum langhayate girim

yat-krpā tam aham vande śrī-gurum dīna-tāranam

“By the mercy of the guru, even a dumb man can become the greatest orator, and even a lame man can cross mountains.”

As you know, so many changes are happening in our HKM vijayawada center from last 6 months. We are very happy to receive HG Satya Gaura Chandra prabhu to HKM vijayawada. By your mercy only we have been being blessed by his association regularly.

Regarding my consciousness, I am struggling lot to improve it on daily basis. You have given us such a wonderful system in which anyone can get rid of his anarthas. I, your insignificant servant beg for your merciful glance. O my lord, please be merciful onto this fallen conditioned soul. Always seeking your causeless mercy.

Yours unqualified and insignificant fallen servant,

Shyamrupa Dasa.

Subala Prana Dasa

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet Srila Prabhupada.

I am the most fallen person among your glorious disciples. But still I feel grateful to be your disciple. It is my privilege to write and speak about you personally although your association we feel regularly either by your instructions or by your personal presence.

You are the most exalted devotee of Lord Krishna easily available to us. Your way of living, your way of walking, your way of presentation of Krishna Consciousness etc, are all attractive to us. I want to be your disciple always.

You are the person who has seen the sufferings of this world and compassionately has come here to deliver the fallen soul like us. You are the captain of the ship which is crossing over this miserable material existence and mercifully you have allowed me also to board on that ship. This is you greatness.

You want to engage your disciple in Krishna Consciousness 24 hrs a day. I am also struggling hard to keep up to the point and always engaged in Krishna's service according to your desire. There is a lot to describe about your glorious qualities but I feel myself impure and incompetent to do that. May your glories spread all over the universe.

At last, it will be great fortune for us to be leading a life according to your direction. I would like to beg from you on this auspicious day the following:

- Ø Please keep on giving me strength for chanting Hare Krishna Maha Mantra at least 16 round a day life long.
- Ø Please give me strength to follow 4 regulative principles.
- Ø Please give me knowledge, intelligence, wisdom to remove false pride, ego and offences towards vaishnavas.
- Ø Please bless me to always engage in service of Lord without seeking fruits. Etc..

All glories to my glorious Spiritual Master Srila Prabhupada. Thank you so much.

Aspiring to be your humble servant,

Subala Prana Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet on this most auspicious appearance day of Your Divine Grace.

Although I am an unqualified, out of your unlimited causeless mercy, you have accepted me as your servant and guiding me towards perfection of life - Krishna consciousness. I am an insignificant jiva struggling to become free from Maya's

influence. Any advancement that I have made is all due to your mercy. I am simply praying that I may continue to try to serve you as an instrument in your organization. Although you have disappeared from our physical vision, you live forever in your instructions. Please give me strength to follow all your instructions and continue to bless me so that I may become attached to serving your mission.

Your aspiring servant,

Vaikunta Narayana Dasa.

Vilasa Vighraha Dasa

Dear Srila Prabhupada,

Please accept my humble obeisances, All glories to you!

We are very happy to celebrate your 123rd divine appearance day.

This year is very special for me in our journey in HKM Vijayawada. You really arranged my heartfelt prayers of last year vyasapuja about the short of soldiers to spread this Krishna consciousness movement. Miraculously in very short time I am seeing lot of young people around us who are ready to serve Krishna sincerely. Some of them are very serious even about preaching your mission. Please continue to shower your mercy up on us to have more no.of serious disciples at your lotus feet.

Thank you for giving me opportunity to have regular association of senior devotees and getting opportunity to serve them. By seeing my authorities care on my sadana and services I am developing more faith on your system. Thank you for such a wonderful house of Hare Krishna Movement.

Outside world when we are overloaded with work we feel frustrated and disgusted, but here in Krishna consciousness when we overloaded with Krishna's service we feel more excited. This made me to realize of how Yashoda mayya and Gopi's anxiety to serve Krishna is also a great happiness.

While reading your purports of Sri Chaitanya Charitamruta, I could realize there are unknown transformations takes place at core of our heart. How these good qualities started coming into our real life is simply a miracle.

Even though people are interested to take up Krishna Consciousness, due to maya's influence they could not able to practice seriously. They are getting into more and more tamasic life. So, to expand this movement exponentially and give vibrant experience to people please grant us a grand temple.

In a recent lecture you are stressing "unless people know the science of Krishna they cannot be happy and peaceful. You said "If at all if someone thinks about other's happiness one should distribute Krishna consciousness rather than making some external adjustments (material arrangement)." These statements penetrated core into my heart and I assure you Prabhupada that I will be working very seriously and sincerely to teach science of Krishna.

Srila Prabhupada few of my sincere prayers to you to improve my consciousness:

Ø Please give me strength to balance between sadana and service.

Ø Please forgive me if I would have behaved improperly with other vaishnava devotees because of my disqualifications.

Ø Bestow your mercy upon me to improve my chanting quality.

Ø Knowingly or unknowingly if I would have handle your services improperly please forgive me.

Your eternal servant,

Vilasa Vighraha Dasa.

Yashoda Nandana Das

Dear Srila Prabhupada,

Kindly accept my humble obeisance unto your lotus feet.

In Kaliyuga everyone is spiritually blinded, considering this body as self, they are simply thinking this body as self. They are suffering from intolerable miseries, though constitutionally none of us can be subjected to material miseries. All of us are so much engrossed within bodily concept that we are mad after sense gratification without considering its results. To achieve this all of us are working very hard like beast of burden. Thus suffocating under the pressure of self-created responsibilities, we lost our inquisitiveness in the fog of false hope of being happy in material world, through some material engagement, or earning great amount of money. Most of us being over excessively engrossed in the quest of gathering material resources practically become blind towards the knowledge of self. Excessive attachment for body results in enviousness, and false attachment toward those who are related to body. A believe sprouts in heart that my bodily relative will protect me from all dangers, and drown one in the world of his concocted believes, far away from reality of life.

Out of your causeless mercy over the condemned Jivas, you wrote so many books, which are like rays of sun, which can immediately dissipate all ignorance and future plans in our hearts. Like some infallible weapons, it destroys the false mental concoction of jiva and blesses him by showing a new way of life, a complete new understanding of his own self. Reading your books simplifies complicated understanding of modern society. I beg you, for your causeless mercy, so that I can understand your books and practice them in my life. Bless me so that I can properly glorify your books and induce more people to read them. Kindly forgive me for my irregular reading habit. When I meet outside people during book distribution, I feel myself most fortunate because you pulled me out of that frustrated confused state. By your grace I come to know in a simple way about myself, as being different from body and about science of Krishna. You gave me courage to follow right path and installed fearlessness to defend right. If you wouldn't have caught me on right time, I would have lost myself completely, believing something terribly false as truth.

Thank you Prabhupada! for accepting me and allowing me to render service unto your lotus feet. Please bless me so that I give up my whimsical ways and become serious and regular in following sadhana and to be constantly engaged in service of Lord as your servant as per your instructions.

Please forgive me for all whimsical actions and offences at your lotus feet.

Yours Servant,

Yashoda Nandana Das.

Bhakta Achyuth Kumar

Dear Srila Prabhupada,

All glories to you!

When I heard about your Life journey, the most interesting part which made me attached to you was traveling from India to America, Specially travelling alone all over the world only keeping faith on Lord Krishna and His mercy. You brought the whole world under one shelter called ISKCON for the likeminded people to worship Krishna. That made me realize if we completely depend on Lord Krishna he will provide the required shelter and needs. He will be with us in all situations as support and gives encouragement to achieve life goals.

Thank you Srila Prabhupada for giving me shelter under your lotus feet.

Yours servent,

Bhakta Achyuth Kumar.

I have even learnt how to glorify Lord with Kirtan just because of your blessings. My mind is like a monkey Srila Prabhupada, it is jumping here and there. I thank you for holding my hand and giving a very good slap every time it divert to the wrong way. You are not only my adhyamika Guru but also my adhyamika father.

I sincerely request you Srila Prabhupada not to leave my hand. Only thing I can give in return is to do nice japa, follow all rules and regulations which you have instructed and continue to serve Lord and His devotees.

My Dear Srila Prabhupada,

Please accept my respectful and humble obeisances unto your divine lotus feet.

Thank you dear Srila Prabhupada for giving me this opportunity to glorify you. I'm very happy to write this letter to you. I don't know about the Hare Krishna Movement one year before. But after coming to know about the Hare Krishna Movement I felt very much as why don't I have relationship with HKM earlier. Anyway now I am happy with at least now in this life I am getting an opportunity to take shelter under your lotus feet. For this I am very grateful to you many lives.

My life changed better after joining in your association and completed one task. That credit belongs to you only. I am proud to have you as my spiritual master and be part in your mission. Please bless me to achieve my small goal expeditiously in order to serve the Supreme Lord effectively.

My dear spiritual master kindly give me strength, remembrance and guidance to improve my Krishna consciousness. I'm begging you forgive my mistakes and be merciful on me.

Your servant,

Bhakta Harish Reddy.

Bhakta Hrushikesh P S S

Dear Srila Prabhupada,

Hare Krishna! My humble and respectful obeisances to your lotus feet, who is the most dearest person to Krishna. By your ocean of mercy and unconditional love I came in touch with the most auspicious Yajna in the Kaliyuga which is Krishna consciousness. I am very thankful by showering your mercy in taking part of this great movement in the right time.

By practicing Krishna consciousness I benefited in so many ways. First and foremost I understood "I am not this body I am spirit soul" and later I came to know my constitutional position is as the servant of Lord Krishna. By knowing this I am able to differentiate the material happiness and the actual & true spiritual happiness. Dancing and participating in the kirtan makes me more and more joyful and energetic and sometimes even I went to ecstasy which I never expected in my life. Another important way of my spiritual advancement is by participating in Holy pilgrimage with the devotees is a very rare opportunity which I never found before. Because the entire trip is full of meditating on the Lord in the form of chanting, kirtan, Darshan of the Lord, hearing the pastimes of the Lord and taking very special mahaprasadam which would never possible by going with some other people.

Another important aspect is by your mercy I celebrated my birthday with Krishna starting from morning 4:30 Mangala arati till night by special kirtan by the devotees which I felt very very happy because in my life time till now I did not celebrated in that way. I am very much thankful to all your disciples because they teach me many many things which I could not be taught by any other people. I see you in their teachings and I have a great respect on them.

My dear Gurudev I urge you and beg you to bestow your mercy to come out of sense enjoyment and six enemies (Arisadvargas). Even though I am trying very much sometimes it is dominating actual self. Due to material contamination my mind is fluctuating so much I beg you please make my mind stable and make me think all the time of you and Krishna, so that i will be very peaceful and happy. Please bestow your mercy with the good association because this material contamination Maya trying to make me more troublesome.

As I understood everyone is part and parcel of the Krishna Himself, because He is resting in the every one heart in the form of Supersoul. Please make me love each and every living entity and appreciate the good things that are done by them rather than finding faults as being a conditional soul committing mistakes is its nature.

yasya prasādād bhagavat-prasādo yasyāprasādān na gatih kuto 'pi

"By mercy of spiritual master one receives the benediction of Krishna. Without the grace one cannot make any advancement. Therefore I should always remember and praise spiritual master".

So I request you to please bestow your mercy for more attentive chanting and hearing which is very important to reach back to Godhead (Goloka) and forgive me for the wrong things I might have done in performing the spiritual activities and make me travel in the path of perfection.

Your servant,

Bhakata P.S.S.Hrushikesh.

Bhakta Jagadeesh Pesala

Dear Srila Prabhupada,

Please accept my humble obiesances, All glories to your lotus feet.

As the days passed on, Krishna penetrated into my heart and controlling me with His glorious feet. This is given by you, my guru Srila Prabhupada. I don't know, how a guru glorified by his disciples without your biography. My heart was completely stands at the lotus feet of Krishna because of your lessons and speeches. My heart dumped into the ocean of

Krishna nama japa. Krishna, the supreme Lord- who gave the life to serve. You are next to Krishna for me and who made me more confident in my life to dare many circumstances.

The word Guru really taken birth in my life from you Srila prabhupada. I want to show my sincere gratitude towards you because you gave me a great opportunity to get closer to Krishna. When I started reading your books I realised that “Krishna is with me to take care and never leaves me alone”. This confidence was boosted by your lecture.

While reading your biography I felt that I am fortunate to have a great guru like you. Krishna, the magical word which mesmerised me. All my activeness is because of your glories. Hare Krishna kirtan made me purified which is because of your generous heart.

I may not know how Krishna prayed his guru sandipani, without you. I thought that you are the one word substitute for generous kind hearted person who never thought himself as first. I wanted to be one of your soldiers to protect the Krishna consciousness culture and to protest the ego of Mr. Bad, who build his kingdom with ego and all kind of impurities.

Hare Krishna Hare Krishna, Krishna Krishna Hare Hare

This was one of my questions, how Krishna cares each and every one, then your biography solved my puzzle instantly. I got my answer as “if you ask the help of Krishna as Hare Krishna then Krishna responds spontaneously as shown in Gajendra moksham”, saved His devotee by remembering Him as Hare Krishna. You made the life easier to reach Krishna with whole heartedly as Rukmini devi get back Krishna from Narada muni with single Tulasi dala.

I think that you are answer book for every question to reach Krishna.

Thanking you Srila Prabhupada for showing your mercy towards me.

Yours loving servant,

Bhakta Jagadeesh Pesala.

Dear Srila Prabhupada,

Please accept my humble obeisances, All glories to your lotus feet!

Thank you for giving this fallen soul an opportunity to write this offering letter. I don't know how my life would have been without knowing you -my beloved Guru. The association with you and (my god brothers) devotees of Lord Krishna and the beautiful journey of folk nivas were the golden days of my life.

Thanks, is a small word, for choosing me. I know I am not eligible, in a desert like Maya you have been the ocean of mercy for me. Please be the captain of my ship to escape from this desert and come to the main land (Vaikunta). Always please be my adviser, guide me and be the ray of hope. Now I feel happy that at last I got the chance of understanding Lord Krishna through you my beloved guru, please bless me to understand Krishna consciousness more deeply and serve you where ever I am. After your disappearance a lot has taken place in our organization I know, you also know it. But as a devotee it is very hard to see all these things. Please shower your blessings of knowledge on us and please guide me through this and give me all the knowledge. This time I will not waste my time in this materialistic world but try to reach the ultimate goal of life through your blessings. I always thank you again and again for getting me in touch with vilas prabhu in Lord Srinivas Govinda temple at Vadeswaram. Thank you for making me go to the temple on that day, which has got me this opportunity to serve you and know about Lord and His Love. please provide all ignorant fallen souls the same chance to come closer to you.

Oh my spiritual master I know that you are always with me and you do hear me.

Ø Please shower your ocean of mercy on me and to our Hare Krishna Movement Vijayawada to finish the spiritual projects.

Ø Please allow us to build a majestic, beautiful temple for Sri Sri Radha Krishna in Amaravati.

Ø Please give us strength for Amarati project, so that fallen souls like me can enjoy the association of Lord Krishna and get liberated from this materialistic world.

Ø Be my guide and saviour.

All I need is your blessings and ocean of your mercy on me .

The way you designed the things and the path you showed to lead the life were not merely in the books or scriptures you presented to us. We are also able to see it through your devotees who are now showing the path to me and taking me towards the highest cliff of the life.

Respected A.C. BHAKTIVEDANTA SWAMI SRILA PRABHUPADA

I am staying in folk nivas since one year. Staying in folk nivas of Hare Krishna movement made an overall development in my life. Before joining Krishna consciousness I don't know about the ultimate aim of life, which is confusing all the time. In this material world everyone is trying to become master, but they don't know who the real master is. Every one are working for there own sense gratification and temporary enjoyment. But by the teachings of my guru Srila Prabhupada I found a way to enjoy permanently with God. After joining Hare Krishna movement my life changed completely. And now most of problems are getting cleared in very less time. So all these glories goes to my spiritual master and savior of the whole world Srila Prabhupada. And now I also want to spread this real happiness to the society.

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet.

I am chanting Hare Krishna mantra and learning more knowledge of Krishna. I am in this movement from past 2 months and serving your lotus feet.

I am fortunate to get an opportunity to associate with bonafide spiritual master by grace of Krishna. I am very thankful for giving me this Krishna consciousness. I don't want to miss this opportunity and I am trying continuously to progress in spiritual life. Today my life is so better compare to my past. It is very happy, peaceful and pleasant to me.

Dear Srila Prabhupada,

Please accept my humble obeisances and thank you for showering your unconditional mercy on to me.

Last year was the most challenging year to me with respect to my spiritual advancement and also my professional advancement. This was may be due to my first year of my career. Though I went through many ups and downs in this year but I didn't missed my sadana of chanting and reading your books daily, which kept my mind peaceful and I got intelligence to tackle the glitches by the mercy of Lord Krishna.

Many things transformed with your association, and my life became blissful no matter where I live. Things get arranged by themselves when you are in Krishna Consciousness, I personally experience this in my professional life and personal life. Even though some problem arises I know that you put me in that situation so that I get purified and learn a lesson from that.

The pilgrimage to the vrindavan was one of the best time I have ever in the whole year. Even though I was sick during the pilgrimage, I didn't felt low and able to have darshan of Lord because of you bestowed your mercy on to me. This experience made me to realize that the external conditions do not affect oneself if one chants sincerely and his desires are directed towards the supreme Lord Krishna.

I would thank you for making me an instrument in Prasadam distribution service through the Akshaya patra foundation. I personally experience how people change their behavior and understanding of your philosophy simply be honoring the prasadam every day.

Thank you for giving me a family of devotees who guide me to advance spiritually and professionally to become a man of values and ethics. I know you will be with me always in your instructions and books.

I want to thank you for showering mercy on me and directing me into a right direction to lead a meaningful and blissful life.

Your sincere servant, Bhakta Manoj Kumar.

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet. All glories to you.

Srila Prabhupada as a spiritual master you taught us the actual purpose of human life is to serve the Lotus feet of Supreme personality of Godhead Sri Krishna. By serving Him only we will be saved from the miseries of birth, death, old age and disease that is only possible under your shelter Srila Prabhupada.

From my birth I did so many sinful activities knowingly or unknowingly. please forgive me and show mercy Srila Prabhupada. And I know you are the only Spiritual master connect again our relation with our real father Krishna.

Srila Prabhupada please convey my words to Krishna, I am very sorry for forgetting Him and that is the reason I am fallen like a conditioned soul, and really suffering in this material life, please forgive me and take me back to Godhead.

Bhakta Nagendra

Dear Srila Prabhupada,

Please accept my humble obeisance.

All glories to Srila Prabhupada. All glories to you on this auspicious day of your appearance.

I'm Nagendra, one of your humble servants who are spread all over the world. Please accept my gratitude. Your words in your books enlightened me about Absolute Truth. My understanding about the world and Supreme Lord Sri Krishna was close to misconceptions until I got a chance to submit unto your lotus feet. Now, with your cause less mercy, I could have privilege of understanding and reviving my relationship with Krishna to a little extent.

Yes, there is lot more to learn about Krishna and there is lot more do about sadhana. I am sure, I do not believe in my will/strength for my growth spiritually, as they are material and non-stable. I solely depend on your mercy for my advancement.

I beg your pardon for the mistakes/offences I have committed during my sadhana. Please bless me to achieve goal of my life which is Krishna Prema.

Your humble servant,

Bhakta Nagendra.

Prabhupada I don't know about Krishna Consciousness before I came to Hare Krishna Movement.

There are so many differences I experienced before and after coming to Hare Krishna Movement. Before I came in touch with HKM I was in anxiety about my future but after I came in touch with HKM I am experiencing peaceful mind, Relax, fearlessness about my future.

Prabhupada Thank you giving an opportunity to serve in temple.

I am spreading Krishna Consciousness to my friends also.

"I offer my respectful obeisances unto my spiritual master, who has opened my eyes, blinded by the darkness of ignorance, with the torchlight of knowledge."

You encouraged me to remain fixed up in devotional service and remain faithful to the Lord throughout the turbulence:

"You just remain fixed up in devotional service, and all impediments that may come will be vanquished by the unlimited potency of the Lord. We should have faith in His Power, His Grace, and His Causeless Mercy." (Letter to Michael written from San Francisco)

Thank you Srila Prabhupada, you have taught us faith in the Lord's power, grace and mercy.

Nowadays many of my friends are hankering for jobs and other material pleasures and they are not concentrating on Krishna. But they don't know that if they hanker for Krishna they will automatically get the rest of the things by His mercy. I am very glad that I am not in that path but please give me the capacity to teach them about the Supreme Personality of Godhead so that they will also chant and relish the Holy name of the Lord.

When we start chanting and following Krishna consciousness Maya Devi is pushing back to make us fall back into this kunda where all the miseries are there. She tries to bring back to the materialistic life style. But please give us strong determination and potency to stay back in the Krishna consciousness. When we are under shelter of your lotus feet it says that we are trying to reserve a ticket to Goloka which will be confirmed by your mercy. Unless you bless and train me to slap my mind with a big shoe when it is going attracted to maya I am hopeless.

Fortunately we got a land for Folk Nivas at Vaddeswaram. If you desire please make it as a awesome folk nivas with the strength of minimum 50 people who are very sincere and they should be able to move their friends and family towards KRISHNA.

Prabhupada please bless us that we should get very grand temple to their Lord ships Sri Sri Nitai Gauranga and Prahalada Narasimha in Vijayawada and make me to serve their lotus feet daily. This is my biggest ambition.

To my fortune I am under your shelter now. Prabhupada really, I beg you please keep me under your shelter until the end of my life if you desire. I cannot do anything more rather than glorifying you and following your instructions and 16 rounds of chanting.

Although dwelling in vrindavana, you descended for the welfare of fallen souls like my-self and you are preaching the love of Radha for Krishna. Please be kind upon me.”

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet. All glories to you on this auspicious occasion of your 123th divine appearance day. Today is the most auspicious and important day in disciple's life because it is the appearance day of his beloved spiritual master who is representative of Vyasadeva.

Yet one year has passed but still I am searching and wandering to write, just like a small child is trying to speak in broken words and glorifying his father. Similarly I am trying to write something in your glorification. Actually your glories are unlimited. It is not possible to describe all of them.

Prabhupada you are so merciful that you are giving chance to every fallen soul without any discrimination to make human life successful. You are causelessly distributing most valuable things to the people especially devotional service to Radha-Krishna which is very rare.

As Krishna says In BG 7.19

bahūnām janmanām ante jñānavān mām prapadyate

vāsudevaḥ sarvam iti sa mahātmā su-durlabhaḥ

“After many birth and death ,he who is actually in knowledge surrender unto me , knowing me to be the cause of all causes and that is such a great soul is very rare.”

But by your causeless mercy fallen souls like me are trying to engage in service of the Lord which is very rare even for great sages. Prabhupada, I am very sinful, always thinks about the sense gratification. I sometimes feel very enthusiastic and sometimes dull. I try to follow your principles but due to my past habits I sometimes fail to do that.

O beloved master, my only wish is to always engage in the service of your lotus feet with humble attitude. Please don't allow me to leave your movement. Please always protect me and bless me so that I can strictly follow your rules and regulation without fail.

Your most fallen insignificant servant,

Bhakth Raghunatha.

Pranams to lotus feet of my Guru Maharaj;

Guru Maharaj this year I am doing japa eight rounds daily. This is possible with me because of your blessings. I am far from tea and coffee. Only your lotus feet can clear my path to reach japa to sixteen rounds daily. There are no words to express my feeling that you helped me in the way of my spiritual progress.

Dear Srila Prabhupada,

Please accept my humble obeisance unto your lotus feet.

Srila Prabupad you know everything about me and it is your kind mercy that still I am able to remain in the movement even after repeated mistakes. Please give more strength to face all the tastes in sadana and service. Please take care of me like how mother monkey saves her child monkey. After my two years of this Krishna consciousness journey, I have learned so many things, but unfortunately now I become little familiar to this movement. Due to this I am feeling that I know everything and I am developing my false ego. So please guide me through your books and save me from this false ego. It is very difficult to come out from this stage without your guidance. Please hold my hand and guide me towards Krishna Prema and never neglect me because if I hold your hand I may leave yours under the influence of Maya. Maya's influence is increasing on me day by day. I am not able to face Maya and stand in front of it. So please give me energy and knowledge to fight with Maya. Please make my parents and my family members also Krishna consciousness and make them to stop eating meat. O spiritual master please be kind upon me and my family. By knowingly or unknowingly if I have done any vishnava aparadha please forgive my mistakes and give me shelter under your lotus feet.

Your most fallen servant,

“I offer my respectful obeisance’s unto my spiritual master, who has opened my eyes, which were blinded by the darkness of ignorance, with the torchlight of knowledge”.

Dear Srila Prabhupada,

I have never forgotten my first interaction with you. Prabhupada really I’m so happy and lucky because I’m your follower. I’m saved from this material world thank you so much for finding me and giving me Lord’s service and a chance to go back to Lord. As you now, last letter I’ve asked you for initiation if I’m eligible, you have sanctioned me that and you have blessed me with VANDANA level , thank you so much Pabhupada, this is the most important step in my life. That I never thought about this, you have sanctioned me deities (Sri Sri Nitai Gauranga) to my home and gave me opportunity to serve the Lord and you sanctioned me initiation. Really this is great advancement and important step in my life. This is all your mercy and love. Saying thanks with tears in my eyes because I’m normal ordinary person (like us people don’t think in their dream also to touch lord), but you have given me opportunity to do abhishekam to Him. This is all your mercy on me and Krishna’s love on me.

Prabhupada I’m happy to say, last year we have done big ANNA DANA programme named “ANNA Canteens” really huge success and happy to serve Krishna Prasadam daily more than 2 lacks people. And you have given me opportunity to lead a zone. This is the greatest opportunity for me in my career, all the team worked so hard, thank you so much for your blessings. I’ve seen miracles in this programme, Lord guided me and all of us, all the way and experienced the Lord presence throughout this programme. Lord Narsimha protected us from all issues. With your guidance all this programme till now it was successful. Thank you so much for making me part of this. In the beginning of this project Krishna saved me from big accident and given me 2nd life to serve him. In this entire process if any mistakes done by me knowingly or unknowing please forgive me Prabhupada.

This year I’m planning to start Bhagavatam, kindly guide me and mould me to become your Charanasraya this year, make me eligible to that level. Prabhupada I’ve prayed you and explained you about my dream project “Feeding Orphan” kindly guide me to complete this. This will be possible with your mercy only. This year I’m little advanced in Krishna Consciousness with your love and mercy. I’m following all regulative principles and doing chanting as you mentioned daily and I’m enjoying the mercy of Krishna. Last year I’ve asked you to improve my family in Krishna consciousness, really happy to say that they are doing chanting and following all 4 regulative principles. Thank you somuch fulfilling my request Prabhupada and you made my home little Vrindavan. Everybody is thinking about Krishna only including my children. Make them your servants and guide them all the way Prabhupada.

One last wish, take us back to Lord and don’t leave us here. Without your mercy it will not be possible, you are our only hope, kindly guide us and take back to Lord and ultimately remove us from this birth cycle.

Your servant,

Bhakta Ravi Teja Anisetty.

Dear Srila Prabhupada,

After joining in the Folk Nivas I observed that there are lot of changes in my life. Before joining in the Folk I just know KRISHNA only as Lord, but after joining in folk I came to know the mayas of Krishna and His love towards his devotees.

After joining Folk Nivas I visited so many temples which I never gone. After listening PRABHUPADA's life history I came to know age is just a number if we have strong will power to do that and we can achieve anything with the help of LORD KRISHNA . At first I wonder how all the prabhus are so calm but after associating with them I came to know that is the greatness of KRISHNA consciousness. And after seeing all the foundations that PRABHUPADA had started I understood that serving the people out of love give pleasure to Lord. And after practicing chanting HARE KRISHNA MAHAMANTRA I feel great relief. By joining here I had made a lot of good friends to guide me. This is all because of you PRABHUPADA. Thank you for providing this facilities and combing all of us under one umbrella called KRISHNA CONCIIOUSNESS.

JAI SRILA PRABHUPADA !

Please accept my humble obeisances unto your lotus feet.

On the occasion of Vyasapuja, I want to share my changes that occur in my life after coming in to contact with Krishna consciousness.

I came to Folk Nivas because of Ravi prabhu, he is senior in our college. I was very much thankful to Krishna and Ravi brother for providing me opportunity to stay in Folk Nivas. Before coming into Krishna consciousness I don't know who am I? Why I am struggling? What is my ultimate goal? Etc... but after studying Prabhupada books I am able to find solutions for all such questions in my life.

Before joining in folk nivas I was very moody I even don't talk more with my friends in our class. They did not know whether I was present or not. But after chanting and reading Srila Prabhupada books, I became more and more energetic. Just like Arjuna became ready to fight in kurukshetra after listening to Krishna.

Sometimes my whole day I spent with some devotees like (Venkata Sai prabhu one of our folk inmates and other prabhu's of our ashram) to know more about Krishna and His Lilas.

Now I got perfection in my life what to do and what not to do. Now I am able to differentiate what is good and bad for me. I am very much thankful to Srila Prabhupada for providing me this knowledge through books.

Thank you Srila Prabhupada!

Chant Hare Krishna and be happy!

Your servant, Bhakta Sai teja.

Jai Srila Prabhupada !

Please accept my humble obeisances!

Before Joining folk nivas I used to be lazy, feel tensed, feeling fear. But after started chanting I lost all such things. By listening to Srila Prabhupada's lectures I came to know about our karma and chanting is only way to burn it. We should first become devotee of devotee of Krishna to become the devotee of Krishna. Your video lectures are very helpful in advancing Krishna consciousness.

Your servant,

Bhakta Sailokesh.

Jai Srila Prabhupada! Jai Sri Krishna!

I used believe that a supreme power is behind this creation and continuously running this vast universe, but I was not sure about who it is. But after listening to the teachings of Srila Prabhupada, I am very much convinced that it is Sri Krishna behind all this creation . By praying Krishna we can escape all the miseries of this material world and could enter the world which is filled with never ending happiness and joy. I learnt many things by the teachings of Srila Prabhupada like how to lead our life in this material world, so that we become eligible to the afterworld and I am also eager to know many other things which enable me to reach Krishna.

Your servant, Bhakta Sandeep.

Bhakta Satish

Dear Srila Prabhupada,

Please accept my respectable obeisance to your lotus feet. All glories to your Divine Grace!

I am one of the spirit soul that which is separated from the supreme and fallen to this conditioned material world from GOLOKA, here this material world named me as satish by giving this human body. I am attending BHAGAVAD-GITA classes in HKM Vijayawada which is a branch of ISKCON Bangalore from past one and half year.

When I was going to attend my first class, while I was on my way to HKM, I thought that it would be just like as personality development class which were going on that time in the society. But after attending three to four classes then I understood that it is ultimately different from all others. This is that which more than our expectations. ISKCON/HKM which were established by you helps all the humans of all the age to enhance their real happiness in them that is also which is not temporary. One of the most important things is that it helps all us to rebuild our relationship with Supreme.

During this one and half year time I have experienced so many changes in my thinking and as well as in my behavior. Mainly I am able to learn the most confidential knowledge that which is unchangeable or un-destroyable by this material nature. Before this one and half years I don't even believe in God or existence of God. During this one and half year I have attended so many GITA classes and I also have gone through few of your books and I am also habituated to chant HARE KRISHNA MAHA MANTRA every day. By this time I came to know, who am i? Why i am here? Who is the controller of all and who is supreme? What is the differenc between the all living entities and humans? What is the purpose of this human form of life? What are the real problems of every living entity? And where we will get the real and permenent happiness?

I also learned many other things after attending classes then rebuilt all my thoughts and thinking as I am a spirit soul not as this body. I also learned things like

- ☐ How to be cool all the time without any anxiety.
- ☐ How to respect the spiritual master and all the devotees.
- ☐ In which way we have to do devotional service to Lord.

I also gave up many of my unnecessary things in me such as

- I had detached from the most of my material things but still a few attachments are there.
- I had cope up with my duality mentality (i.e. like and dislike).

Pradhupada as you are my spiritual master you know what thing to give and what not to your disciple. You also know at what time that shall be given. But due to some curiosity in my heart forced me to ask you some of my desires. So please see list of my desires and give your authoritative permission to those when I needed them.

- ❖ Srila Prabhupad, still there are some attachments remained in me so help to remove those.
- ❖ Srila Prabhupad, help me to get the knowledge and remembering power of all Vedas as it is.
- ❖ Srila Prabhupad, give me strength to preach about the God and his instructions, to all living entities.
- ❖ Srila Prabhupad, please ignite a thought in my parents mind to give their son as a full time servant to this great mission of LORD.

And kindly accept me as your full time servant as early as possible.

Yours sincere servant,

Bhakta Satish

Dear Srila Prabhupada,

My humble obeisances to your lotus feet. You are the best well-wisher for guiding us to spiritual path. You provided me the solution to get out of the cycle of birth and death. Before joining to this movement, I was always enthusiastic to know about the Absolute Truth. After listening your lectures on Bhagavad Gita and Srimad Bhagavatham I understood that Sri Krishna is the Absolute Truth. A strong connection has developed with me and the Supreme Lord.

You designed such a beautiful system during the morning i.e, attending Mangal arati, Darshana arati and Bhagavatham class. Sometimes my tears rolled-out while singing Govinda-Adi purusha song and dancing before Nitai-Gauranga. This Krishna Consciousness movement transformed me a lot. It gave me very big family, always associating with devotees I felt immense pleasure. I am always thankful to you for giving me the best-ever gift.

I would like to join this movement on March 9, 2020 and want to serve your mission till end of my life. Please shower your mercy upon me. This is my humble request. Thank you Srila Prabhupada!

Srila Prabhupada, by your causeless mercy I received Krishna conscious from you which made me happy and peaceful everyday. To please Krishna means, one has to please you first, because you are very dear and pure devotee of Krishna.

Pure followers of you like Madhupandit prabhu, Mahavishnu prabhu, Vamsidara prabhu, Vilasa vighraha prabhu and all ISKCON Bangalore devotees are sincerely endeavouring to preach Krishna conscious to whole world.

Thank you Srila Prabhupad for giving such pure followers of you and Krishna.

Dear Srila Prabhupada ,

Please accept my humble obeisances!

It's been 10 days since I joined the folk nivas. At first I felt everyone here is so obsessed with Lord Krishna and Srila Prabhupada. Later slowly within just 10 days I felt so much connected to Lord. I enjoyed every activity in the folk nivas. I read some books written by Srila Prabhupada. Then I discovered something no other person can explain.

I understood what is the meaning of life and how one should live in his life. I can understand his greatness in just 10 days. First I thought how a person can live without pleasures, later from Srila Prabhupada I discovered that spiritual life gives even more happiness than pleasures we experience in the material world.

First time in my life I walked for such a long distance of 26km to do pradakshan around Govardhana giri without any exhaustion. It was an unforgettable memory by simply chanting and diverting our attention to Surpre Lord I could able to do it.

Because of you I came to know how much Krishna loves me and wants me to come back home. With your mercy I am chanting and taking Krishna Prasadam (Mahaprasadam ki Jai). With your blessing I am well known as Sudama (Krishna's friend) that to at Sri Sri Nitai Gauranga temple. I am very happy with this Prabhupada.

Your journey to Newyork at the age of 70 to spread Krishna Consciousness inspired me a lot. Please bless me to be completely merged in Krishna's service. O Gurudeva! Srila Prabhupada, I offer my humble pranams from my inner heart.

Dear Srila Prabhupada,

After touching your lotus feet I understood the main aim of life. I stayed one year in Folk Nivas and enjoyed attending Mangala arati, Srimad Bhagavatam class, chanting and all. I am so much attached to kirtan and services on special occasions (festivals). Recently my studies got completed. For the job purpose I went to another place where there is no possibility of attending Mangalarati, Bhagvatam class and eating prasadam. So I am requesting you Srila Prabhupada, I want to continue my daily sadana, following regulative principles and want to make my life successful. Please show your mercy on me and give a chance to serve you and book distribution program services. And please recommend me to Krishna to get His mercy.

Dear Srila Prabhupada,

After joining folk nivas, I came to know about Sri Sadh guru, Spritual Master A.C.Bhaktivendhata Swami Prabhupada's great history and his gestures.

Earlier I really don't know about what are spiritual activities and materialistic activities but after I came to folk nivas I understood that there is a real satisfaction in serving Lord Sri Krishna. When we performed arati in the morning I felt like something new, felt like I achieved something in my life I also felt fresh and cool. That day really I felt like my mind is very pleasant and I can do anything in the world. Not only by performing or attending arati I also came to know about the advantages of doing chanting. I feel like infinity energy in the universe is flowing in me and can do wonders in this spiritual world created by Lord Sri Krishna and enhances our body in different way. I am also doing the services related to God. By performing the service I really feel like I am not only cleaning my surroundings but also cleaning my internal spiritual body. This also reduced my health related issues of various types.

I also went to various temples with the help of my devotees and together we went to trips and came to know about the history of the temples and also by eating the delicious Krishna prasadam I felt like whether It was made my Bheema who is famous for nala Bheema paakam or temple devotees.

Finally I really thought that I did some sublime activities in my previous Janma. So now I really thankful to Lord Sri Krishna, Swami Prabhupada and my temple devotees for this wonderful gift.

Your servant,

Bhakta Venkata Madhav.

Jai Srila Prabhupada !

All glories to my spiritual master who had changed the atheistic western world into Krishna Consciousness!

Jai Srila Prabhupada, Jai Sri Radha Krishna Chandraki Jai!

In my student life, I happened to be in so many private hostels. But the main thing that was missing there was a peaceful environment. Life in those hostels was so miserable that we always used to run before sense gratification and not anything other than that. After hearing some spiritual lectures in my mother tongue, I got attracted to the supreme personality of Godhead and eagerly wanted to know more and more about Him. I always dreamt of being in a place where there will be satvik environment and a place where people very frequently discuss about God and His pastimes.

I hope my silent prayers were heard by Krishna. In a very short time I came to know about the existence of Hare Krishna Movement and Srila Prabhupada. I was first invited by my friend (Hrushikesh) to attend classes on Bhagavadgita that were being conducted on folk satvik nivas. This sounded very much new to me that HKM also maintains a hostel for college going students. I attended weekend classes on Bhagavadgita. As I observed the environment of FOLK NIVAS, I got more attracted to it and I decided that this is the place I always dreamt of staying .The taste of Mahaprasadam was very satisfying to me and it convinced me to stay here.

Taking prasadam daily, attending mangala arati in the morning, reading books, hearing lectures of Srila Prabhupada, most importantly chanting Hare Krishna Mahamantra etc... Every single activity we perform here is an action that takes us one small step closer to God. Now I don't like to describe this place as a hostel anymore, It's more of a temple than hostel. I consider that staying here is definitely my fortune and it must be fruit of some pious activity that I had performed earlier knowingly or unknowingly.

Your Servant, Bhakta Vijaya Adithya.

Dear Srila Prabhupada,

You at the age of 60s started to conquer and save the world by giving lectures about BhagavataGita , to spread the Hare Krishna mantra (Which can purify our self) and distributed the books which has all the answer to show the right path to move in spirituality.

Thank you Srila Prabhupada, for giving a path to attain perfection in life and giving an opportunity to know about morning sadana to follow regularly.

I feel obliged for an opportunity to know about folknivas and blessed to stay here.

I bow down to you for letting me know, about the importance of chanting Hare Krishna mantra.

I also would like to show gratitude to all Hari Krishna followers.

Pujya Guruji, Hare Krishna!

My sincere pranam to your lotus feet!

I feel very fortunate to know how much important is to be Krishna Conscious for a person which is the basic purpose of life. Only because of your preachings I am able to correctly go into the divine path to attain the Supreme Lord.

I have included Krishna alankara seva, Chanting, reading your books including Bhagavad Gita and taking prasadam after offering it to Lord in my daily routine. There is lot of impact on me after doing so now I am able to clearly distinguish things which are really useful in my journey towards Krishna.

I am enjoying the real pleasure of Krishna Consciousness nothing can beat this. I am trying to fully transform myself and go back to Godhead by sincerely following your instructions. I am very grateful to you for sharing such a wonderful knowledge for the upliftment of mankind.

Dear Srila Prabhupada,

My respectful and humble obeisances to your lotus feet. During my childhood, my grandfather used to make each and every person of our joint family to spend some time on Bhagavad-gita and also by gaining some knowledge about Ramayana and Mahabharata because of that I became a devotional person.

By your mercy one day my brother met his friend who is a devotee and told about Hare Krishna Movement. Then my brother got attracted to the principles of this movement and also joined in it. Then, he made our family to realize the magic in chanting Hare Krishna Mahamantra and also he made us to chant each and every day. When I attended Gaura purnima festival, my heart filled with lots and lots of joy while listening to the pastimes of you (Srila Prabhupada), pastimes of Sri Sri Nitai Gauranga, by listening melodious kirtans and also by having wonderful prasadam. Those kirtans were really in my mind for next three days even after the completion of the festival. I wish, we girls, should also have a folk nivas and become much more connected to Krishna Consciousness.

By becoming a very small part of your glorious Hare Krishna movement, I'm now able to control some amount of anger in me and also I'm realizing the way to treat others with kind and respect.

Thank you Srila Prabhupada, for all your blessings that you've showered on me and on all your devotees. I wish to participate in much more activities that are going on in Hare Krishna Movement and may you bless me with that opportunity.

Your servant,

Bhaktin P.S.Vyshnavi Gayathri.

Dear Srila Prabhupada,

Please accept my humble obeisance's unto your lotus feet.

All glories to your Divine Grace Srila prabhupada. Srila prabhupada, this is my 9th year under your divine protection.

Prabhupada , While I was reading Conversation between Vidura and Uddhava, Uddhava uses two striking words 1. “most unfortunate”, 2. Even more unfortunate, while describing the Mind set of members of the Yadu dynasty about krishna's Position as Supreme Personality of God Head. In the following statement .

“This universe with all its planets is most unfortunate. And even more unfortunate are the members of the Yadu dynasty because they could not identify Lord Hari as the Personality of Godhead, any more than the fish could identify the moon.”

This we can correlate to your glories pastime in this world. During your physically present in this world, none of your family members nor the Society identified you as pure devotee of the Lord. They thought you to be one among them. Just Like Fish in the ocean of Milk thought about the Moon ,who took birth in the same Milky Ocean.

From this same ocean of milk the moon was also born, but the fish in the milky ocean could not recognize that the position of moon. Fish never thought that moon is different from them. The fish took the moon to be one of them or maybe something illuminating, but nothing more. The unfortunate persons who do not recognize Lord Kṛṣṇa or his pure devotees like you, are like such fish. They thought “you” to be one among them, The Bhagavad-gītā (9.11) confirms such foolish persons to be most unfortunate: avajānanti mām mūḍhā mānuṣīm tanum āśritam.

There are innumerable instances in your life, which are in line with the life's of pure devotees of the Lord. These instances clearly give us evident that you're not a ordinary person.

Once such instance which struck my mind, while I was hear Śrīmad-Bhāgavatam class is given below.

When King Parikṣit was about to be killed by brahma astra released by Aśvatthāmā lord personally entered in the womb of his mother and protected him from brahma astra. But in your case, it is even more glories “Lord along with his 10 incarnations appeared and Protected you while travelling in Jaladhuta ship” there is no instance in the history of the creation, where all incarnations of lord came together and give protection to one devotee like you. Which is in itself is very unique to your Life alone. This show how much affection and care lord has got towards you, because of your transcendental position as pure devotee of the Lord.

Thank you for giving me such wonderful understanding and realization about your glories life and Position as “Pure Devotee of the Lord” AND Making me to come out of the both Group of “most unfortunate” and “even more unfortunate “. Please accept this offering at your lotus feet.

O Your Divine Grace! on this day of your appearance, I humbly ask from the Supreme Lord Śrī Kṛṣṇa the benediction of having enough intelligence to remain always under your care

Prabhupāda, please forgive me for the offences that I have committed at your lotus feet and those committed against your devotees.

Your aspiring servant,

Ambarisha Dasa.

Jitmitra Dasa

My Dear spiritual father, Srila Prabhupada,

Please accept my obesciances from the most fallen condition soul. Prabhupada, your divine appearance on this mortal world to rescue, is a great boon to all the suffering souls.

Srila Prabhupada, though you are blessing, with lot of Krishna prema (services). I am not paying cent percent attention. My consciousness is getting attached to some material desires still, please help me to come out of that illusion and get attached to my supreme father Sri Krishna.

The showering of your blessings in Andhra Pradesh to feed food for all school children 30 Lakhs is a magical one. I strongly feel your presence in showering your cause less mercy in making things easy for us to execute.

Actually you and Lord Sri Krishna are doing everything, we are simply enjoying. Let me desire to bring more and more soldiers (souls) closure to this wonderful and joyful movement. Currently, to preach to youngsters has become a big challenge prabhupada please guide me I want to accept this challenge and win over it with your kind blessings. Please bless me prabhupada and help me to strategize. Let me completely dependent upon your mercy, please make me progress in devotional path like a servant dog to serve Vaisnavas. Thank you very much for considering me as your son (disciple) by giving second birth. Srila Prabhupada, thank you very much for taking care of my family members.

Slowly, I am coming out from false bodily attractions. Subtle lusty desires are still haunting me. I need to follow strictly the rules and regulations to get free from false illusions. I am still entertaining my free will for the sense enjoyment. I am not attending mangala arati in time regularly, sometimes I am becoming lazy prabhupada but, the desire to render service unto your lotus feet and lord Krishna till my last breath I don't want to give it up. I beg your pardon not to forgive me for the committed mistakes. Let me face the consequences in this life time itself. Please bless me to face any odd situations.

With your kind blessings, I am able to meet many fortunate souls who are eagerly waiting for the mercy of the lord. Thank you for making me an instrument to render service to you, dear father. Through college preaching some of the sincere souls came in touch with our movement Prabhupada. Please shower your grace upon these fortunate souls. Please bless us to build a nice gorgeous temple for our supreme parents Sri Sri Radha-Krishna Chandra in our own place Gambhiram.

I sincerely beg all the Vaisnavas to pardon me for the offences committed at your lotus feet. Jai Srila Prabhupada!

Your fallen condition soul,

Jitaamitra Dasa.

Keshav Kripa Dasa

Dear Srila Prabhupada,

Please accept my humble Obeisance's, All glories to you on this auspicious day of your appearance.

Srila prabhupada, it is result of your hard work to spread Krishna consciousness through out the world that even today after 50 years also thousands of people are able to practice Krishna Consciousness throughout the world.

I feel great joy when I hear your statement that one can associate with you by reading your books. This motivates me to read your books. These books you have written by taking lot of hardships by waking up in midnights and translating all prominent books like Bhagavad-Gita, Srimad Bhagavatam, Chaitanya Charitramita, etc into English language and explaining them in an easy way through bhaktivedanta purports. The Purport in the books seems to be very practical, easy to understand with full of basic truths of life and are motivational to practice Krishna Consciousness more seriously. May I continue to read them and associate with you on daily basis.

When I read your biography, especially the struggle you have undergone to preach Krishna Consciousness first in India than in first few years in western countries. It really touches my heart. You are so compassionate, selfless to the suffering human society that you have undergone through so many inconveniences, sufferings, hardships to benefit suffering humanity bereft of Krishna Consciousness. You are freely providing them the chance to practice Krishna Consciousness through this Sankirtan Movement. May I also become an instrument in Spreading this Krishna Conscious movement all over the world.

I heartily say thanks to you that you have given me a new and better life of Krishna Consciousness. It is only by your causeless mercy, that I am able to practice Krishna Consciousness continuously from the last few years. I find myself unqualified to receive and practice this Krishna Consciousness, which is highest form of devotional Service. But because you are very compassionate towards fallen souls and mercifully giving chance to millions of conditioned souls to practice Krishna Conscious, today conditioned soul like me can also practice it.

By your causeless mercy I am able to live in the association of devotees and practice Sadhana bhakti in the form of chanting 16 rounds daily and have your association by reading your books. You have provided me every necessary facility to practice Krishna Consciousness. May I properly Utilise it and achieve perfection in this life only.

I humbly request you to continue bestow your causeless mercy over me. May I always remain thankful to you and never deviate or fall down from this sublime path of Krishna Consciousness. May I develop Tolerance, Humility and continue to Practice Krishna Consciousness seriously in the association of devotees. May I able to chant offenceless and achieve pour devotional service in this life only.

At Last I beg forgiveness for the offences I have committed knowingly and unknowingly unto you and your disciples.

Your humble servant,

Keshav Kripa Dasa.

గురుదేవ,

నేను గత 5 సం " నుండి మీ శిష్యులచే నడపబడుచున్న హరేకృష్ణ మూమెంట్ నకు వచ్చుచున్నాను. గురుదేవ మీరు నాపై చూపిన కరుణా కృప వలన ఈ జన్మలో దీక్ష ఇచ్చి నాపేరు మోహినీరాధాదేవిదాసి గా మార్చినారు. ఈ దీక్ష కోసం ఎన్ని జన్మల నుండి నేను వేచి ఉంటినో కదా గురుదేవ. కాని నేను మరల భౌతిక బంధాలలో చిక్కుకొని పోయి దుఃఖాన్ని కొని తెచ్చుకున్నాను. 16మాలలు చేస్తానని ప్రమాణం చేసి శ్రద్ధగా చేయలేకపోతిని. నా జీవితంలో ఎదురుదెబ్బలు తగిలిన తరువాత నాకు బుద్ధి వచ్చింది. నన్ను పరేమగా చూచే అమ్మను కోల్పోయాను. నా అనుకున్న వాళ్ళు నాకు దూరమైనారు. నేను వంటరిగా నిలబడినప్పుడు మీరు మాత్రమే నన్ను కరుణించారు. ఇప్పుడు నాకు సోదరుడు లేరు, తోడబుట్టిన అక్కలు నాకు తోడు లేరు. తల్లి తండ్రీ లేరు. గురుదేవ ఎన్ని కష్టాలు వచ్చి నేను పడిపోయిన ప్రతిసారి మరల నిలబడి ఈ జీవితాన్ని కొనసాగిస్తున్నానంటే ఆ ధైర్యం ఒక్క మీ నుండి మాత్రమే నేను పొందగలుగుతున్నాను. ఇక నేను వెనుతిరగను. మళ్లీ నా ప్రయాణం మొదలుపెట్టాను. సదా మీ సేవలో ఆ రాధ కృష్ణ సేవకు అంకితం అవ్వాలని కోరుతూ నేను ఎవరి తోడు వల్ల నేను అంతా సాధించగలను అని అనుకొన్నానో ఆ తోడు పోయింది. ఇప్పుడు నేను వంటరిని. మీరు కరుణ చూపకపోతే నేను జీవించలేను గురుదేవ. నా అపరాధములను మన్నించండి. నా కన్నీటితో మీ పాదములను కడగనివ్వండి. నేను మరల ఆ రాధాకృష్ణల సేవలో అమృతాన్ని పొందే భాగాన్ని నాకు మీరు తప్ప మరీ ఇంకా ఎవ్వరు ఇవ్వలేరు. గురుదేవ మోహినీరాధాదేవిదాసి అని మీరు ఇచ్చిన ఈ నామాన్ని సార్లకం చేసుకొని కృష్ణ సేవలో నా జన్మ ధన్యం అయ్యే విధంగా నన్ను ఆశీర్వదించండి గురుదేవ. ఈ దీనురాలిపై మీ చల్లని కరుణను కురిపించండి.

శ్రీల ప్రభుపాద! ఈ ప్రపంచంలో అందరూ హరికృష్ణ మహా మంత్రం, సంకీర్తనం చేస్తూ కృష్ణ భక్తులై ఆ గోవిందా భవనాన్ని చేరుకోవాలని తమ ఆకాంక్ష వలన ఈ రోజు ప్రపంచమంతటా తమరి ఆశయాలకు అనుగుణముగా కృష్ణ మందిరము స్థాపించుట ద్వారా మరియు శ్రీమత్ భాగవతం కృష్ణ భగవానుడు బోధించిన ఆధ్యాత్మికత జ్ఞానమును ప్రజలందరూ అనుసరిస్తూ అందరూ కృష్ణ లోకాన్ని చేరుకునే అదృష్టం అవకాశము కలుగుతున్నది.

కృష్ణ మందిరమునకు 10 మైళ్ల దూరం వరకు ముఖ్యముగా పిల్లలు ఎవరు ఆకలితో ఉండకూడదనే ఉద్దేశముతో తమరు ఆదేశించిన విధముగా అక్షయ పాత్ర ద్వారా కృష్ణ ప్రసాదము రూపములో లక్షలాది మందికి అన్నదానము జరుగుచున్నది. ఈ సందర్భముగా తమరు

తెలిపిన విధముగా ప్రభుత్వాలు సహకరిస్తే ప్రపంచంలో అందరికీ వండి వడ్డించి గలము అనే తమరి మాటలు నాకు తరచూ గుర్తుకు వస్తుంటాయి

ఈ విధముగా ప్రపంచములో ప్రజలందరూ కూడా కృష్ణా చైతన్యము లో ఉంటూ కృష్ణ ప్రసాదం స్వీకరిస్తూ శాంతితో సుఖ సంతోషాలతో ఉండాలని ఆశిస్తున్నాను.

శ్రీల ప్రభుపాద!

ఇకముందు కూడా నిజాయితీ గా ప్రతిరోజు 16 మాలలు జపం చేస్తూ నాలుగు నియమాలు పాటిస్తూ వైష్ణవ అపరాధము నామ అపరాధము చేయకుండా మంచి బుద్ధిని మనస్సును ప్రసాదించమని కృష్ణ భక్తిని మరియు ఇంకా ఎక్కువగా కృష్ణుని సేవ చేయాలని కోరికను శక్తిని ప్రసాదించమని మరొక్కసారి తమకు విన్నవించుకుంటున్నాను.

Jai Srila Prabhupada,

Oh my beloved spiritual master and eternal father, please accept my sincere and humble obeisances unto Your Divine Grace in this most auspicious of Your Divine Grace 123rd appearance day occasion.

Thank you very much for giving me one more opportunity to glorify Your Divine Grace. Actually, I start my day first having darshan of Your Divine Grace Lotus Feet, somehow by Your causeless mercy I am practicing it last one year onwards, now it is a habit for me having first remember and having darshan of Your Divine Grace Lotus Feet and then after reciting Pranam mantra of your divine grace then will have Darshana of my beloved beautiful Lordship's Sri Sri Nithyananda Prabhu, and without this I am not feeling satisfaction in my early morning of the day. Thank you Srila Prabhupada for this great blessing in my life.

Dear Srila Prabhupada, this year just completed 10 yrs in your shelter by your Divine Grace causeless mercy. If I look back at my last 10 yrs of life in movement, although I am happy by daily attending Krishna kirtan, sadana and other services which I am able to render little bit to your divine grace Lotus Feet. But we are put in to such a world that people always try to satisfy someone who is called master but not to my Spiritual master or supreme Lord and finally which turns into a unhappy moments and sprouts material desire's like name and fame and it makes whole system disturbance. Somehow I am put in to such a situation where ambitions and achievements are more and I am not into it. You have to direct me and save me from Maya's tactical situations.

Dear Srila Prabhupada, one thing I am begging at this auspicious occasion from Your Divine Grace Lotus Feet, please give me strength to practice sadana Bhakti and render little bit more services and by which their lordship's may please with me and continue further. I am humbly begging you to save me from Maya's tactical situations so that I will continue as your one of the eternal servant among many millions of your servants. Thank you my beloved Eternal father and spiritual master. Your humble servant,

Prananath Dasa.

Radha Madhav Dasa

Our beloved Spiritual Father Srila Prabhupada,

Please accept my humble obeisances. All Glories to you.

I am very happy that Lordship Nitai Gauranga have been receiving services in my house also.

it is really due to your mercy and temple devotees mercy as I am unqualified to do direct service to Lord but we are doing very limited service to Lordship by doing daily two times Arathi, offering flower garlands, prasadam, kirtan(few minutes) and Abhisekham monthly twice.

You have given us boon of Hare Krishna Movement message through your writings but I am very unfortunate person as like I could not follow path of perfection i.e. living like full time devotee in ashramam.

Any how I am in your organization as servant by mercy of Sri Nitai Gauranga and Vizag temple management. Even I am practicing Krishna Bhakti from last 7 years, still my mind remains in material platform I could not find reason for not progressing in Krihsna Bahkti. As mentioned SB 2.3.24 blocks of progress of devotional service are offense towards holy name, and not following Guru (Acharya) properly. Then I was put into very distress for not followed authority instructions and fallen into maya life. But still I am having hopes on your words Prabhupada, someday or other my so called material responsibilities will be reduced by mercy of Lord Krishna then Lord will give me second chance to follow path of devotional life under guidance Guru in this life only.

Reality every moment of my life is known to eternal spiritual father, Lord Krishna hence I am seeking your blessing for continue in Krishna Bhakthi path.

Your Humble servant,

Radha Madhava Dasa.

పరమ పూజ్యశ్రీ పరివరాజకాచార్య అష్టోత్తర శ్రీమత్ ఏ సి భక్తి వేదాంత స్వామి ప్రభుపాదు పాదపద్మములకు ప్రణామములు సమర్పిస్తూ వీరాస్తున్న వినయపూర్వక ఉత్తరము.

గురుజీ,

నేను రాజ్యలక్ష్మీ దేవీదాసి గత 8 సం "ల నుండి మీ శిష్యుల ద్వారా నుడువుతున్న హరేకృష్ణ మూమెంట్ కృష్ణ చైతన్యంలో క్లాసులు తీసుకొంటున్నాను. మీ కృప వల్ల ఈ సంవత్సరము హరినామ దీక్షను స్వీకరించాను. మీరు ప్రతిపాదించిన 16 మాలలు హరినామ జపం, 4 నియమాలు పాటిస్తున్నాను. జపం చేసేటప్పుడు స్మరణం శ్రవణం శ్రద్ధగా జరగడం లేదు. దయచేసి హరేకృష్ణ నామము శ్రద్ధ భక్తులతో పలికే శక్తిని నా ఇంద్రియాలకు ప్రసాదించమని మిమ్మల్ని వేడుకొంటున్నాను.

శ్రీ శ్రీ నితాయి గౌరంగా విగ్రహాలకు అభిషేకం చేయడంలో ఆనందం, నైవేద్యం సమర్పించి ప్రసాదంగా తీసుకోవడం వలన ఇంట్లో అందరం ఆరోగ్యముగా ఉన్నాము. స్వామికి వస్త్రాలు కుట్టడంలో ఉన్న తృప్తి, పుష్పాలు అలంకరించి శ్రీ శ్రీ నితాయి గౌరంగా విగ్రహాలను చూచినపుడు చెప్పలేని ఆనందానుభూతికి లోనవుతున్నాము. కార్తీక మాసంలో కార్తీక దామోదర వ్రతం ప్రతి ఇంట్లో చేసినపుడు హరేకృష్ణ కీర్తన, దామోదర అష్టకం చదివి జై జై లు పలుకుతూ అందరం ఆధ్యాత్మిక తన్మయిత్వమునకు లోనవుతున్నాము. ఎప్పుడప్పుడు కార్తీకమాసం వస్తుందో అని ఎదురు చూస్తున్నాము.

గురుజీ, కృష్ణ చైతన్యంలోనికి వచ్చిన తరువాతే శ్రీజగన్నాథా రథయాత్రలో పాల్గొనడం, రథం లాగడం మరియు అక్షయ తృతీయ రోజు శ్రీశ్రీ ప్రహ్లాద నరసింహస్వామి నిజరూపదర్శనం చేసుకొంటున్నాము. ఇంత మంచి చక్కటి అవకాశాలు మరియు భగవంతుని గురించి భక్తులు ఎలా స్వామి సేవలో తరించాలో తెలియజేస్తున్న మీకు, మీ శిష్యులకు కృతజ్ఞత పూర్వక నమస్కరములు. మీ శిష్యుల ద్వారా నడపబడుతున్న హరేకృష్ణ వాణి ద్వారా సైన్సుపరంగా, శాస్త్రపరంగా మీరు ఎందరికో వివరించి చెపుతున్న నిరాకారవాదాన్ని ఖండిస్తూ, సాకారవాదం ద్వారా సాక్షాత్తు శ్రీకృష్ణుడు దేవాదిదేవుడు ఆయన్ని ఆశ్రయస్తే దుఃఖాలయం ఐన ఈ భౌతిక ప్రపంచం, తీరిగుణాలనుండి, సంసార బంధనాలు నుండి బయటపడి భగవద్దామం (BACK TO GOD HEAD) చేరుకోవచ్చో అన్న విషయం అత్యద్భుతం.

గురుజీ, నాలో చాలా లోపాలున్నాయి. అందులో భాగంగా ఆధ్యాత్మయికంగా ఎదగడానికి శరీరం, ఇంద్రియాలు, మనస్సు,బుద్ధి సహకరించడం లేదు. మీరు దయచేసి నాకు ఎల్లప్పుడూ కృష్ణచైతన్యములో ఉండేటట్లు, భక్తియుత సేవ చేసే శక్తిని మరియు జపం శ్రద్ధతో చేసేటట్లు ఆశీర్వదించండి.

గురుజీ, నాలో ఉన్న లోపాలను తొలగించి ఆధ్యాత్మిక అభివృద్ధిని ప్రసాదించమని మీ పాదపద్మములు పట్టుకొని వేడుకొంటున్నాను. కృష్ణచైతన్యంలో దేవాది దేవుడైన శ్రీకృష్ణభగవానుని గురించి కొద్దిగా ఐన తెలుసుకొంటున్నాము. అంటే మీరు పరారంభించిన మిషన్ లో మీ శిష్యులు త్యాగ ఫలితంగా మాలాంటి ఎందరికో ఆధ్యాత్మిక విషయాలు తెలియడం ఎంతో హర్షణీయం. మీకు మీ శిష్యులకు కృతజ్ఞతా పూర్వక ప్రణామములు.

గురుజీ, హరేకృష్ణ మూమెంట్ విశాఖపట్నంనకు శ్రీశ్రీ రాధాకృష్ణ మరియు శ్రీశ్రీ నితాయి గౌరంగా మందిరం కట్టడానికి మీ శిష్యులు స్వీకారం చుట్టారు. ఆ మందిరమునకు మీ ఆశీస్సులు మరియు శ్రీశ్రీ రాధా కృష్ణల ఆశీస్సులను ప్రసాదించి మందిరమునకు ఎటువంటి ఆర్థిక ఇబ్బందులు ఇంకా అనేకరకమైన సమస్యలు లేకుండా నిర్విగ్నముగా పూర్తి అయ్యేటట్లు ఆశీర్వదించి అనుగ్రహించండి.

అనేకానేక వందనాలు, నమస్కారములు తెలియజేస్తూ.

మీపాదదాసి,

రాజ్యలక్ష్మీ దేవీదాసి.

అజ్ఞానాంధకారంలో ఉన్న నాకు జ్ఞానదీపంతో కళ్ళు తెరిపించిన శ్రీ గురుదేవులకు నా గౌరవపూర్వక ప్రణామములు.

ప్రభుపాద ఈ సంవత్సరంలో పూరి జగన్నాథుని యాత్ర కి వెళ్ళాము. నా లైఫ్ లో ఈ టీరిప్ మరువలేను. అక్కడ జగన్నాథుడి కళ్ళు ఎవరు దర్శించుకున్న మన లైఫ్ లో చివరి నిమిషం వరకు గుర్తుంటాయి. అక్కడ మీ శిష్యుల యొక్క సత్సంగం కూడా అలాగే ఉంటుంది.

నేను ఈ కృష్ణ చైతన్యంలో ప్రతి నిమిషం ఎంజాయ్ చేయగలుగుతున్నాను. రేపు ఎలా ఉంటామో తెలియదు, బాగున్నప్పుడే వీలైనంత సేవ చేయాలని అనుకుంటున్నాను. ప్రభు జపం రోజు 16 రౌండ్లు చేస్తున్నాను. కానీ ప్రతి నామాన్ని వినలేకపోతున్నాను. ఈ విషయంలోనే నాలో నేను ఎంతో ఫైటింగ్ చేయవలసి ఉంది వస్తోంది. నా చంచలమైన మనస్సుని నిలకడగా నామం మీదనే ఉండేటట్లు సహాయం చేయండి స్వామి.

నా మాటల ద్వారా కానీ చేతుల ద్వారా కానీ ఇతరులను బాధపెట్టకుండా ఉండేటట్లు నన్ను ఆశీర్వదించామని పేరార్చిస్తున్నాను.

నా ఇంకొక ముఖ్య ప్రయత్నం చైతన్య మహా ప్రభు చెప్పినట్లు

" గౌరవ్య కథ న సునియే గౌరవ్య కథ న కహియే "

దీన్ని అమలు చేయడానికి ప్రతి నిమిషం ప్రయత్నిస్తున్నాను. నా ఈ ప్రయత్నం లో మీ ఆశీర్వాదం ఇవ్వగలరని ఆశిస్తూ

మీ శిష్యురాలు,

*om ajṣāna-timirāndhasya jṣānāṣjana-śalākayā
cakṣur unmīlitaṁ yena tasmai śrī-gurave namaḥ*

I was born in the darkest ignorance, and my spiritual master opened my eyes with the torch of knowledge. I offer my respectful obeisance unto him.

Dear srila prabhupada ,

Please accept my humble obeisance on to your louts feet , all glories to you , the saviour of the whole world .

On this auspicious occasion of your appearance day , i take the opportunity to reflect on your main contribution to the world , your literature especially Sri Bhagavad gita, wonderful gift for the humanity by the supreme lord Sri Krishna .

When i am reading the Bhagavad - Gita , it seems that your divine grace translated it with the same intention when Krishna explained to this arjuna.

All the materialistic people in this world are suffering due to the qualities of sense gratification, affected by the self centred civilization, but you have taken a great challenging task to explain the instructions and qualities of supreme lord which is transcendental to the material world for the welfare of the humanity.

In 1st chapter of Bhagavad-gita you mentioned the words Hrisikeas, acyuta what a wonderful explanation it struck our heart, and makes our minds closer to the lord.

You have explain that “lord is always seeking opportunity to serve his devotee” & “ Krishna never brings misfortune to any one ,to say nothing of his devotees”.

The detailed explanation for the verse BG : - 1.29 what is the material conception of life, Without your merciful teachings how we can understand the goal ultimate goal of life, “ work for the supreme self “ interest .

Like a dear person can understand the mood and qualities of beloved, you’re so dear to Krishna that your explaining his qualities to the whole world. Just by hearing your words we are experiencing the mercy of the lord.

Your words and actions in this world increases our faith in the devotional path, giving inspiration to face the challenges in the life. How his world repay your great labour, this is the real love for humanity to bring god civilization.

Prabhupada really

Your thinking is pure

Your Attempts are absolute

Your mercy is causeless

Your explanation is perfect

Your distributing compassion

Your endeavour is ultimate

Your literature is transcendental

Your words are mantras

Your presence is auspicious

Your distributing the ultimate gift of human life i.e Krishna prema (love of god)

Thank you, srila prabhupada, for wonderful gift of devotional service. Please allow me to remain your servant eternally.

Aspiring to be your servant,

Shravananada dasa.

Shyama Madhava Dasa

Dear Srila Prabhupada,

All glories to you!!!!

Please accept my humble homages on this very auspicious 123rd divine appearance day and 50th Vyasa Puja offerings. First of all, I thank you for your mercy on this fallen soul. You had been bearing me all the days, since I had taken your shelter accepted you as my spiritual master and father. I had been committing all kinds of offences namely nama-aparadha, seva-aparadha and vaishnava aparadha. My glorious spiritual master’s mercy acting through his ardent disciples to correct and rectify myself from time to time through his divine instructions. But, my kripa buddhi disable me to utilise those opportunities and again and again committing same mistakes.

Even though, I am not qualified enough to glorify your all-powerful and all-merciful personality, here I am making a humble attempt.

In our daily guru vandana prayers, we sing “vede gaay jahaaraa charito “the Vedas, emerged from supreme lord himself, are glorifying my spiritual master’s character. My spiritual master, who is Saktyaavesha avataara of supreme lord in this material world, made an unimaginable adventure through his undeviated determination in the words of his spiritual master, by

converting innumerable demonic mentalities to divine personalities. This glorious contribution to the human race can be termed under “na bhuto na bhavishyati”, it hadn't been achieved by anyone either in the past or can't be possible in future.

Another evidence for being Saktyaavesa avataara is, my spiritual master can give his personal association to all the surrendered and wandering souls through his valuable words in the form of his lectures and literatures and they are the source for dedicated missionaries to get continuous guidance at every step in daily services and practices.

Finally srila prabhupad , my humble begging is to give me spiritual, mental and physical strengths to execute my services up to the mark and satisfy my authorities, who are trying hard to fulfil your desire here in Visakhapatnam by bringing a beautiful monument for Sri Sri Radha Govinda sameta sri sri Nitai Gauranga.....

Jai srila prabhupada,

Aspiring to be your eternal servant,

Shyama Madhava Dasa.

Sitanatha Dasa

Dear Srila Prabhupada,

Please accept my humble obeisances.

All glories to You Prabhupada.

Srila prabhupada You helped me and guided me in many ways in my Spiritual Life. I am not qualified to do service to Krishna with my contaminated consciousness but You made me to initiate in the process of Devotional Service. i can never repay You Prabhupada.iam not even qualifeied to glorify You Prabhupada because after reading the prayers offered to Spiritual Master by the great devotees like Narada muni,Dhruva Maharaj,Yudhistara Maharaj,Pruthu Maharaj,Viswanatha Chakravarthi Thakur, Narottama Dasa Thakur in Your Spiritual Transcendental literatures i understood the position of Spiritual Master.

You made us to know the importance of role of a spiritual master in the disciple's spiritual life by giving references in

In Bhagavad Gita - tad viddhi praṇipātena paripraśnena sevayā

IN manduka - Upanishad Tad-vijñānārtham SA gurum evābhigacchet: (MU 1.2.12)

IN GURU ASTAKA- yasya prasādād bhagavat-prasādo yasyāprasādān na gatiḥ kuto 'pi

So i understood that in order to please the Supreme Lord we need to please the Spiritual Master.

Srila Prabhupada whenever i read Your bio-graphy or books like “what is the difficulty&the Messenger” etc., i always got inspiration from You the way You preach to scientists impersonalists,atheists&shunyavadis etc., and You also made your Disciples to Preach this Gospel Of Chaitanya Mahaprabhu Anywhere Everywhere in the world with anyone.

The quality i got more attracted in You that You are very Mercifully accepting my Service, providing guidance from Authorities by Your Transcendental Books &by Your Yectures. Even though iam the most fallen conditioned soul could not able to follow the Regulative Principles sincerely but still You are kindly considering my service & giving me more responsibilities in order to purify me & progress in the Spiritual Life.

Kindly bless me and empower me Prabhupada to be always be in Krishna Consciousness, Association with Devotees, Suddha Nama (Chanting Without Offences), Reading Your Transcendental Books daily, Attend Morning Sadhana,Prasadam, Preach the Gospel Of Chaitanya Mahaprabhu.

Thanking you Prabhupada,

Your's most fallen servant, Sita natha dasa.

Sri Govinda Dasa

Dear Srila Prabhupada,

Please accept my humble obeisances on the auspicious day of your appearance. I am in touch with Hare Krishna Movement for almost 9 years as by your mercy initiation also given to me. As per your instruction, I'm following the four regulative principles, chanting 16 rounds, book reading, etc. Daily performing arati in our house and spending some time for deity dress stitching. These services are being executed only with your mercy Prabhupada. In 2018-19, Vrindavan and Puri temples we have visited. These trips are very essential for progress in spiritual life. Please be always merciful for any kind of Vaisnava aparadha. Please give me strength for more advance in spiritual services and chanting the holy name attentively. Prabhupada please remove dirty things from my heart so we can progress in spiritual life. I am very much thankful, for the change you have brought away from the sinful life.

Very much thanks Prabhupada.

Yours servant, Sri Govinda Dasa.

Sruti Sagar Dasa

Dear Srila Prabhupada,

I prostrate unto the dust of your lotus feet on the most auspicious appearance day of your divine appearance.

You are spreading the benedicting rays of Lord Caitanya's sañkirtana movement to every nook and corner of this fallen planet and thus instilling transcendental bliss in the lowest and most wretched of mankind.

Srila Prabhupada, you have installed the name of Krishna in every continent, and to all nations you are bringing peace, and your formula is, "Simply chant Hare Krishna and your life will be sublime." You are requesting the youth of all nations to take Krishna consciousness very seriously, and the result will be the perfection of this human form of life. And they are taking to this process very readily without any previous qualifications, and they, in turn, are spreading the universal message of love of Godhead, and all the world is vibrating with the holy names of Lord Krishna, thus purifying the hearts of all living beings.

I offer my most humble obeisances a thousand times at the lotus feet of my spiritual master, Srila Prabhupada, who is so merciful as to have simply glanced over my wretched self and rekindled the spark of loving devotional service which had been dormant for many millions of lifetimes.

Kindly bless me and give the strength to execute the services which you have given to me and bless me with more and more services unto your divine lotus feet.

Kindly pardon me for my innumerable mistakes which I committed knowingly and unknowingly in my services.

Your servant, Sruti Sagar Das.

Dear Srila Prabhupada,

Please Accept My Humble Obesiences Unto your Lotus Feet.

According to the Nector of devotion 'A person Who is unable to bear anothers distress is called compassionate'Where as general people are focused on their own to concerns, the devotee is focused on Krishnas interests. Because Krishna desires that the condition souls be delivered,the devotee dedicates his life to fulfilling that desire.therefore the devotees are generally known as compassionate.

Srila Prabhupada seeing the suffering of the conditioned souls Lord Krishna inspired you to come to this mortal world and take back the suffering souls.You Have humbly accepted his order.After coming here when you went to the western countries on the order of your spiritual master to broadcast the message of Krishna consciousness to the English speaking people.You personally saw how these westerners were fully engrossed in maya not knowing the real goal of human life.Being compassionate over them you desired to free them maya to and elevate them to Krishna service.

Compassoin is one of the quality of spiritual Master who sees the sufferings of the condition souls and deliver them from their current miseries.You have very nicely taught and depicted by your personal example of compassion that on whom it has to applied and under which condition.

Srila Prabhupada you also said if one wants to forget personal tension he should take to Krishna's tension, that is preaching Krishna Conscuiosness. You also said that the desciple can never be able to pay the debts to spiritual master . You said if at all we want to satisfy you, we should preach rigourously like you.

Although I have got ample oppurtunities for preaching, I am setteled with comfort Zone. On this occasion of this holy Vyasa Puja ceremony I beg to your Divine Grace kindly give me intelligence to go back to basics of spiritual instructions and align my self with authorities to satisfy you and rigiorusly preach like you. I am happy that you and devotees have given me opportunity to participate in Bhakti sastri course. It is very helpful. Now I understood how foolish I am not taking to serious reading of your books.

Thank you srila Prabhupada.

Your Disciple,

Vaikundeswara Dasa.

Respected Srila Prabhupada,

Please accept my humble obeisance's unto your lotus feet on your divine appearance day. Prabhupada 12 years completed in Krishna Consciousness movement by the mercy of your Divine Grace. Once I look back I was wondering how these many years passed by. Prabhupada even though I am not qualified, somehow by your Grace you are keeping me intact in this movement. This is your compassion up on this fallen soul. Many times I felt how fortunate am I to be in this movement under your divine shelter. As you told Prabhupada

brahmāṇḍa bhramite kona bhāgyavān jīva

guru-kṛṣṇa-prasāde pāya bhakti-latā-bīja

“According to their karma, all living entities are wandering throughout the entire universe. Some of them are being elevated to the upper planetary systems, and some are going down into the lower planetary systems. Out of many millions of wandering living entities, one who is very fortunate gets an opportunity to associate with a bona fide spiritual master by the grace of Kṛṣṇa. By the mercy of both Kṛṣṇa and the spiritual master, such a person receives the seed of the creeper of devotional service”.

From the above sloka Prabhupada, I understood how fortunate am I to associate with your Divine Grace. This is all by your causeless mercy Prabhupada. As you told prabhupada according to Karma we the living entities wandering throughout various universes and taking birth in various species life after life but Prabhupada your Divine Grace comes here to the material world not by Karma but by the order of Supreme Personality of Godhead.

A devotee who comes here in accordance with the order of the Supreme Lord shows by his personal behavior how to become a pure devotee. A pure devotee, therefore, is a practical example for all living entities, including Lord Brahma. (SB 7.10.3)

The entire world is purified simply by the appearance of such a great devotee. By his presence the whole world is glorified, and all conditioned souls due to his transcendental presence are also glorified.

Prabhupada you are Nitya-siddha devotee. Nitya-siddha devotees come from Vaikuṅṭha to this material world to teach, by their personal example, how to become a devotee. The living entities in this material world can take lessons from such nitya-siddha devotees and thus become inclined to return home, back to Godhead. A nitya-siddha devotee comes from Vaikuṅṭha upon the order of the Supreme Personality of Godhead and shows by his example how to become a pure devotee. When the Lord Himself appears as an incarnation within this material world, He is not allured by the material atmosphere, and He has nothing to do with material activity, yet by His example He teaches the common man how to become a devotee. Similarly, a devotee who comes here in accordance with the order of the Supreme Lord shows by his personal behavior how to become a pure devotee by executing the mission of the Lord.

Prabhupada on your divine appearance day I humbly beg to be merciful and guide me in executing my services with lot of enthusiasm, determination and perseverance for your pleasure. Because Prabhupada if you are pleased then Krishna is easily pleased.

ei-baro karuna koro vaishnava gosai patita-pavana toma bine keho nai

O Vaishnava Gosvami, please be merciful to me now. There is no one except you who can purify the fallen souls.

gangara parasa hoile pascate pavan darsane pavitra koro—ei tomara gun

After bathing in the waters of the sacred Ganges many times, one becomes purified, but just by the sight of you, the fallen souls are purified. This is your great power.

Prabhupada in one of your letter you had mentioned that one can never repay a spiritual master. A Vaisnava always feels himself incapable to repay his debt to his spiritual master therefore he works very hard in order to try and repay that debt.

He knows that without the mercy of the spiritual master one cannot preach this Krsna consciousness and therefore he always tries to act in such a way that he may please his guru.

Prabhupada your entire life was dedicated to Krishna. So rigorously you preached the message of Krishna Consciousness to every nook and corner of the world. As part of preaching generally I used to meet donors and they will say swamiji we went to ISKCON in Atlanta, Melbourne, San Francisco, Detroit. In fact donors feel very happy to say that they had visited our temples in foreign countries and they will tell that how nice the atmosphere was in the temple and I take the opportunity to glorify your Divine Grace. At present prabhupada there are more than 600 Hare Krishna Movement centres across the world and thousands of full time devotees are taking shelter under your Divine Grace and Lakhs of devotees who are staying outside are following our Hare Krishna culture, following the 4 regulative principles, doing worship to Nitai Gauranga dieties, Offering bhoga to their Lordships, accepting prasadam, participating in Sankirtan etc.. All this became possible because of one and only you prabhupada.

Prabhupada last 30 years of your life (1945 – 1977) you struggled very hard to preach this message of Bhagavad gita to the suffering humanity and especially in the last 11 years (1966 – 1977) you have doubled rather I would say you have tripled it prabhupada. At the age of 70 years you travelled alone to America in Cargo ship to spread the message of Krishna Consciousness on the instructions of your spiritual master HDG Srila Bhaktisiddhanta Saraswati Goswami Prabhupada. I understood one thing prabhupada that how much faith and conviction you had in the words of your Spiritual master. Despite of your health problems you have gone to America, done extensive preaching and created Hare Krishna revolution across the world and benefited the entire humanity with your teachings, transcendental literature, Lectures and prasadam. How glorious is this prabhupada? What an achievement? Humanly impossible to repeat this by anyone.

Prabhupada in the last 12 years you have given invaluable things to the humanity at large.

Morning walk conversations – 490, Almost 2000 lectures, 907 conversations, 69 interviews, Almost 7000 letters to devotees in 30 years, 85 volumes of books, 130 Back to Godhead magazines published in the last 30 years, 108 temples, farm communities, Gurukuls across the globe and thousands of full time disciples and more.

Till now there is no one in this history who has created such impact up on the people in General. But it is only you Prabhupada who has created the magic by transforming the consciousness of the individual living entity with your teachings and prasadam. Until I come to this Krishna Consciousness I was not knowing what is my goal of life, what is the purpose I am here. After reading your transcendental literatures and associating with devotees I came to know that “I am not this body but spirit soul and must serve the Supreme Personality of Godhead Sri Krishna.”

Prabhupada you have taken a humongous task to preach in the WEST on the order of your spiritual master despite of your health problems. Similarly prabhupada I also want to please you with my services given to me by my authorities. Prabhupada on this auspicious occasion I beg at your lotus feet to kindly give me enough strength (physically and mentally) to follow the sadhana program given by you 100% without fail --- Attending Mangala Arati, Chanting 16 rounds nicely, Attending Srimad Bhagavatam classes, Reading your transcendental books. This is first and foremost request prabhupada of mine that I have to attend nice sadhana program and execute and fulfill the services given by authorities for your pleasure. Prabhupada at the age of 70 you have done a lot with great enthusiasm and determination for the pleasure of your guru and similarly I want to execute my services also prabhupada with great enthusiasm and determination for your pleasure. Prabhupada, if you are pleased Krishna will be pleased, otherwise we don't have any hope.

Yasya prasada bhagavat prasada yasya aprasada na gati kuto pi

Prabhupada on your auspicious appearance day humbly I am requesting you to kindly give me the intelligence, strength and conviction to execute the following services for the pleasure of their Lordships.

1) Sadhana - Attending Mangala Arati, Chanting 16 rounds nicely, Attending Srimad Bhagavatam classes, Reading your transcendental books

2) FOLK – Prabhupada give me the strength to systematically preach and convince the boys to follow the process of Krishna Consciousness. I am taking this program very serious prabhupada. Kindly bless me Prabhupada to see that I will be successful in this most important program

3) Radha Govinda Temple:- Prabhupada by your mercy this year December 6th we are going to do Bhoomi Pooja for grand iconic new temple in Visakhapatnam. Long cherished desire about to come true prabhupada. I am very happy prabhupada and all the devotees are also happy with this project and are struggling hard to make it come true. Individually I want to strive and work very hard to be part of this great temple to come up. Please make me an instrument prabhupada in achieving this. Prabhupada please bless all the devotees of Hare Krishna Movement, Visakhapatnam and give us enough strength to build the great iconic temple in Visakhapatnam for your pleasure and for the pleasure of their Lordships.

Prabhupada you told on temple construction in one of the lecture

"This is Krishna conscious vision: 'Oh, there are so many skyscrapers. Why not construct a nice skyscraper temple of Krishna?' This is Krishna consciousness."

Finally prabhupada kindly forgive me for the offenses committed at your lotus feet either knowingly or unknowingly.

hari-sthane aparadhe tare hari-nam toma sthane aparadhe nahi paritran

"The holy name delivers one who has committed an offense to Lord Hari, but if one commits an offense to you, there is no means of deliverance. "

So Prabhupada kindly bless me on this auspicious occasion to see that I won't commit any offenses unto your lotus feet. This is my humble request prabhupada.

Thank you prabhupada for giving me an opportunity on this special occasion to glorify you with my limited knowledge and words.

Aspiring to be your servant,

Yaduraja dasa.

My dear Spiritual father, Srila Prabhupada,

Please accept my humble obeisance unto the dust of your divine lotus feet on this most auspicious day. All glories unto Your Divine Grace.

Dear Srila Prabhupada, how can I ever thank you enough for showering your causeless mercy upon this most fallen conditioned soul. Any kind of attempt on my side to express my gratitude towards Your Divine Grace would fall short by a

million times because how can a fallen illusioned soul like me who hasn't even got the slightest idea of what spiritual life is, would be able to comprehend the value of the eternal spiritual gifts that you have so mercifully provided us with.

You've given us the most valuable gift in the form of Hare Krishna Maha Mantra; the most delicious gift in the form of Maha Prasadam; the most munificent gift in the form of Association of Vaisnavas; and the most beautiful gift in the form of Bhaktivedanta Purports of very complex subject matters in such a lucid manner that even a dull brain like me could understand. Dear Srila Prabhupada, I haven't got the slightest idea of why I've been bestowed upon with these wonderful gifts, unasked for. Thank you Srila Prabhupada, for making me a recipient of these wonderful gifts of yours.

Srila Prabhupada, if not for Your Divine Grace's, divine mercy upon this most insignificant, illusioned soul, I would have been chewing the same things that I've been chewing since millions of lives, in this life and also for the further countless lives that I would be staying in this material world. It's only because of your merciful intervention in my life, that I have got any hope of getting out of this endless loop of birth and death in which I'm stuck up. You've distributed your mercy causelessly unto this fallen conditioned soul who is shackled down strongly in this prison of material world. Thank you Srila Prabhupada, for giving me a key by which to open this chains of material existence.

Srila Prabhupada! You are the glorious Commander-in chief of Lord Chaitanya's army waging an incessant war against Maya. Back in 1965, you went all alone to a place which is Maya's stronghold; at such a time, when all the conditioned souls are tightly under her grip and under such circumstances which are in total favourance of her. During those days, embarking on a journey to foreign land alone is a big deal, in itself and you've not only gone there alone but when I further go into the details of your Voyage, I am simply swept away by your magnanimous compassion and your unshakable passion to preach the message of Krishna Consciousness.

You've boarded Jaladuta at an elderly age of 69 years, an age at which people generally retire, with a grand vision of establishing a world-wide institution and distributing the mercy of Lord Chaitanya Mahaprabhu to all the conditioned souls. The word Jaladuta sounded fancy for me when I've first heard it, but later on I've come to know that it's neither a Luxury ocean liner, nor even an ordinary passenger ship but a Cargo ship which hardly had any facilities for a journey as long as 37 days. You've suffered two heart attacks on-board the ship but you have tolerated the intense pain with meditation on the purpose of your mission. Finally, you've landed in a foreign soil with practically no money, contacts, friends or followers. Despite all these, you are fearless & determined and fought valiantly against Maya by preaching the message of Krishna Consciousness very boldly so much so that in just a short span of 11 years, you have established 108 temples and initiated over 10,000 disciples all over the world. The fact that you've voluntarily gone through such intense bodily discomfort at such an elderly age just for the sake of delivering the living entities from the clutches of Maya is a symbol of your unlimited compassion.

I feel eternally indebted to you, when I further ponder over the statement I've read elsewhere, that you need not even have to do all these things. You are very comfortably situated at Sri Radha Damodar temple in Sri Vrindavan Dham which is a perfect place for a pure devotee like you to immerse yourself in the association of Krishna. But, you've decided to leave that most sacred place and instead go to the most materialistic place for spreading the glories of Your Lord, Sri Krishna and deliver the illusioned souls like me from this materialistic madness. Thank you Srila Prabhupada, for starting this Krishna Consciousness movement, against all the odds, as the very thought of what would have happened to me with your movement is horrible even to think.

Srila Prabhupada, just like water falling on stones cannot be absorbed by it and will hence flow away, similarly despite your showering so much mercy, me being a stone-hearted person, attached to false, transient pleasures in this material world, am unable to absorb your wonderful instructions and am instead being lenient about them. Even after reading and hearing so many instructions on the nature of this material so-called happiness, still my mind being a rascal is continuously hankering after these things and me being a bigger rascal am allowing it to do so. Dear Prabhupada, please give me the strength to tie this foolish mind with your instructions and engage myself fully in the unlimited transcendental pastimes of yours by being an insignificant part of your mission in spreading the glories of Lord Sri Chaitanya Mahaprabhu.

My only desire, Srila Prabhupada, should be to eternally be engaged in your service. Let me not be deviated even by any slightest means of this Prabhupada.

Begging to keep me always under the shelter of your Lotus feet.

Your most fallen servant,

Bhakta Avinash.

Bhakta Bhanumurthy

Dear Srila Prabhupada,

Please accept my humble obeisances. I am so much pleased to express my gratitude to you on this occasion of Vyasa Puja. From the past two years I could not able to write letter because there was no seriousness with in me. You have given me real life and made me understood the only one aim of life which is even so difficult to understand by reciting scriptures. You have been showering your love and affection towards me even though I am not at all qualified to receive it. It is with the association of devotees I understood how to enjoy the life. The devotees are showing care towards me even though I am deeply engrossed in material life. Please don't make me fall into the trap of Maya. Give me opportunity to serve Guru and Gauranga life after life.

Your eternal servant,

Bhakta Bhanumurthy.

His Divine Grace Abhay Charanaravinda Bhaktivedanta Swami Srila Prabhupada,

Respected Srila Prabhupada,

I came to this Krishna Chaitanya Moment by listening your classes from devotees. There after I regularly attended and practice with the words you told in your books and chanted the Hare Krishna Maha Mantra. Prabhupada your teachings are like " as the hand is part and parcel of body and work for satisfaction of body" likewise "soul is part and parcel of paramatma and serve for satisfaction of Krishna" is very much informative and easily understandable.

But unfortunately recently I am not reading the books regularly. Please give me the determination and strength to read your books and chant 16 rounds of chanting Hare Krishna Maha mantra.

Your servant,

Bhakta Charan.

Dear Srila Prabhupada,

Please accept my humble obeisance's at your divine lotus feet.

By now I am crossed 4 years of humble service with Hare Krishna movement. I am following 4 regulative principles for the past 4 years and participating service activities, book distribution. Studying all your books. But I am not happy, because 100% perfection is not there. Sometimes missing the system.

So now I need your blessings to continue all activities with 100% perfection.

For last 3 years I was in Hyderabad and associated with GIFTS Banjara Hyderabad, as the team is very dynamic and committed. With their association I could able to continue my best services. Even in book distribution we wear able to sell more than 7 lakhs worth of books.

But now shifted to vizag due to my job. Guruji please bless me to continue my services and I need more strength to support for new temple in Gambhiram, Visakhapatnam.

I have only one dream that need your blessings to give me strength to continue in Krishna consciousness for ever.

Your obedient servant,

Bhakta K.V.W. Chowdary.

Dear beloved Srila Prabhupada,

Please accept my humble obeisances in the dust of your Lotus feet .All glories to your divine grace Abhay charanaravindha Bhaktivedanta Swami Srila Prabhupada .

Thanks for coming to this material world to save me from this dukhalaya. Prabhupada because of your support and mercy of Krishna I am chanting 4 rounds of hare Krishna Mahamantra. Due to your continuous support I am able to read few slokas in Bhagavad Gita.

Yatra Yogeshwar Krishna Yatra Partho dhanur Dharah Tatra Sri Vijayo bhutir Dhruva nitir matir mama

That means a great person Sanjay says that wherever Lord Krishna and Arjuna presents there will be always victory there is no question of distress. So, Prabhupada please help me to come out from this distress.

Prabhupada from now onwards I will chant 8 rounds of Hare Krishna Maha Mantra and also I will spend half an hour time to read your divine books everyday. This is my commitment to you prabhupada.

I will continue doing services in the temple and folk hostel everyday. I will only take the transcendental thing called Krishna prasadam everyday. I enjoy the transcendental nature of that higher taste always.

I will always remember the quote by Lord caitanya Mahaprabhu in Chaitanya charitamrita

*Harer nama harer nama harer namevakevalam
Kalonasteva nasteva nasteva gathiranyatha*

Thank you.

Dear Srila Prabhupada,

Please accept my humble obeisances in the dust of your lotus feet. All glories to your divine grace.

Thank you for coming to this material world to save this fallen souls. Sastras are explaining that this material world is "dukhalaya ashasvatham". You gave a path to escape from this dukhalaya and go back to godhead. The path which is given by Sri Chaitanya Mahaprabhu and the same path you have given to this unqualified soul by your unlimited causeless mercy. Because of your causeless mercy I am able to listen Bhagavad Gita, Bhagavatam classes in our folk hostel. At present, I am chanting 7 rounds and reading your books like Raja-Vidya. Please give me the strength to increase chanting up to 16 rounds, reading your divine books and also rendering services in the temple on regular basis.

Thank you Srila Prabhupada.

Your Humble Servant,

Bhakta Dharmateja.

Bhakta Durga Sai Sankar Kumar

Dear Srila Prabhupada,

Please accept my humble obisences. All glories to srila Prabhupada.

I am very happy to know about the spiritual science and real knowledge of Krishna through your lectures and books. I came in touch with Hare Krishna movement through Dheera Govindh prabhu and came to know more about Krishna consciousness by hare Krishna movement Vizag.

Many times I used to fall under maya, thinking of unnecessary tensions at that time I used to remember your words that " Everything is temperory " and our real aim is to go back to Godhead Krishna that makes me to come back to real track. Now also I am in touch with hkm Vizag, I am getting continuous guidance and your quotes which is helping a lot for me in any situation.

Many thanks Prabhupada for your mercy upon me and please guide me to the right directions and give me more Krishna Bhakthi.

Your Servant,

Bhakta Durga Sai Sanker Kumar.

Hare Krishna!

Please accept my humble obeisance at your beautiful lotus feet, on this most auspicious day of Vyasa puja.

Before introducing to Krishna Consciousness Movement which was established by you, I used to live in bodily concept and not knowing of any spiritual concepts. When I took your shelter through FOLK hostel, attending Bhagavat Gita classes and chanting Hare Krishna maha mantra, my spiritual realization started and understood the importance of human life.

My consciousness improved because of your great mercy onto me. I am very thankful to you for enlighten my life and removing darkness through your spiritual lectures.

Please accept me as your disciple and bless me to continue my rest of life in Krishna Consciousness as your servant.

Dear Srila Prabhupada,

On the occasion of Vyasa Puja , the appearance day of srila prabhupad, I am feeling happy to say that I started listening lectures about Srila Prabhupad and started reading Srila Prabhupad's glorious books.

Dear master, at present I am chanting 2 rounds of Hare Krishna maha mantra, with your blessings. Please give me strength to chant more no. of rounds. We are very fortunate souls because you had told all the Krishna conscious principles and delivered the knowledge of Srimad Bhagavad Gita, Srimad Bhagavatam and many other scriptures.

Your disciple,

Bhakta Goverdhan.

Bhakta Gowri Shankar

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet and show me the mercy onto this fully materially contaminated soul.

Prabhupad, I don't know who am I, before coming in touch with Hare Krishna Movement. You gave me knowledge about Krishna and direction to go Back to Godhead. You gave me shelter and shown your mercy onto this useless soul wearing material body. I have seen so many people are suffering and scolding Krishna, along with them I also scolded Krishna. Because, i don't know who is supreme lord and what is the reason behind sufferings at that time. After getting in touch with you divine grace, I have learnt and heard reasons from your lotus mouth.

So, Kindly I request you to please be with me, otherwise i will be forgetting my father's home or way back to godhead.

Yours servant,

Bhakta Gowri Shankar.

Dear Srila Prabhupada,

Please accept my humble obeisances unto your divine lotus feet.

Due to your divine blessings, I got an opportunity to join in this esteemed organization as an employee in December 2008. The Mid-day meal program taken up by our organization is highly appreciable. I was associated with Akshaya Patra Foundation since its inception in Visakhapatnam.

Because of you, ISKCON Temples were established across the world and gave me a golden opportunity to visit the beautiful ISKCON Temple of Lord Sri Krishna at Bangalore during Brahmotsav festival in 2012. It was a spell bound experience for me in getting Lord's Darshan in ISKCON temple, at Bangalore.

During 5 days of my stay at Bangalore, I could complete chanting 16 rounds of Hari nama japa.

Presently, I am able to chant one round. I am trying to increase the chanting rounds. Please bless me for this which I can achieve and chant 16 rounds minimum.

I am rendering services in donation counter for all the festivals being conducted by Hare Krishna Movement.

Few years back I read the book "Introduction to Bhagavad gita". After that I have not read any of your books Prabhupada. Here by Prabhupada please give me enough strength and blessings to read your books.

I request Srila Prabhupada to give me more strength to increase chanting rounds, to read and understand books written by you.

Yours Servant,

Bhakta Harikrishna.

Bhakta Harshavardhan

Dear srila prabhupada,

My humble Obescense to your lotus feet.

Oh my father, i really didn't have any qualification to speak about you. But i really wondered how you spread this movement though out the world. Not in one country, even the people from different countries through out the world were being in a part of spreading krishna Consciousness.

When I was in my fifth standard, we went to Chandanotsav of narshima dev, I saw my friend wearing a dhoti with a thilak on his face and a bag containing a beads thread.... I really wonderd that how my friend is in such a traditional way. After getting the details from him, I heard a name ISKCON. That was the first time heard the name. I'm really interested in doing such an activities. But it takes 8 years for me to enter into this wonderful organization. When I was in GITAM, I get to know that we can be a part of this by attending gita class and from the next Sunda, I started visiting temple, when ever it is possible to me.

Before coming to Hare krishna movement, I'm a selfish, anger, and i used to be emotional really even if I work hard... The results were bad..at that time when listening to the classes I get to know and I realized that without mercy of krishna nothing is possible... And I really believed in krishna. I went to puri, vrindavan, mathura.. I don't believe that without associating with this organization and devotees I cannot put my leg in that holy places...Really from my bottom of my heart I strongly believe that many miracles happens in my life because of krishna... Even I'm facing some depression I can able to handle it with a simple name krishna and by having belief on him...i controlled my lust, anger, sex desire by simply chanting hare krishna maha mantra.

I really try to improve my chanting and I will make habit of reading your books and visiting temple Regularl and be in touch with devotees. I pray to you prabhupada . Please give me shelter at your lotus feet and make me free from the material world and take me into spiritual world. Bless me to improve my krishna Concinciness.

My Dear Spiritual Master Srila Prabhupada,

Please accept my humble obeisances.

Prabhupada, you have created vast and glorious society and gigantic spiritual body which lives and breathes the life which you have given it, and all of different facets are manifestation of your own personality.

As I chant hare krishna mantra, i realize that this was your gift to me. I am very fortunate to have guru like you.

I have read your life history in one book. And the struggles you have faced and how you overcome and attained the krishna conscious, I liked the most. you have spread krishna conscious through hare krishna movement. And I liked the thought of AKSHAYA PATRA very much. I am very happy to say that this organization is feeding food for million's of children which you have created. And you have thought me how to maintain discipline through Hare Krishna movement.

I have learnt many things from you. I can read and learn my subject without any distraction by your grace.

I am feeling proud to be in such a beautiful movement. I am very thankful to you Prabhupada, for giving guidance through your disciples and good thoughts from you. Once again I am very thankful to you for giving me such a nice life as your sincere servant.

Your servant,

Bhakta Karthikeya Raju Vyayaraju.

Bhakta Kasi

Dear Srila Prabhupada,

Please accept my humble and respectful obeisances onto your lotus feet.

Due to your causeless mercy I did services to Krishna through you and enjoyed the spiritual ecstasy. You have given me everything which I desired for spiritual growth need less to say you have given me materially also. But due to my ignorance I misused the desire principle of Krishna and enjoyed it whimsically. Now due to my negligence and carelessness to my life and inattentivity I did many mistakes and hurt so many good people and bad people. Due to that actions I think now I am getting the reactions for that one by one.

Due to my ignorance and by staying in the mood of enjoyment mood and not able to think properly I revolted against the devotees and left the association. Please forgive me Prabhupad for what I did.

You have given us FOLK hostel, I managed the hostel for sometime but later on I am unable to handle it and finally ended up in mess. Eventhough you given us a good opportunity we are such an idiots that we are unable to use.

Eventhough I did all these, You helped me in every aspect and gave your helping hand.

On this auspicious day of your divine appearance I request you to please forgive me as I did so many Vaishnava aparadhās and with that I cannot even progress even a single bit also. Please help me prabhupad for getting back to you. please give me strength to chant attentively.

Yours servant,

గురుదేవా,

ఆధ్యాత్మిక పరముగా ఎటువంటి అవగాహన లేని నేను శ్రీకృష్ణచైతన్యము గురించి భక్తుల ద్వారా తెలుసుకొని శ్రీకృష్ణ మందిరమునకు ఆరు సంవత్సరములుగా వస్తున్నాను. గురుదేవా, తమరు విశిష్యముగా వ్రాసిన " భగవద్గీత యథాతథము" గ్రంథము చదివిన తరువాత నాకు మానవజన్మ యొక్క సార్థకత తెలిసినది. భగవద్గీత పదునెనిమిది అధ్యాయములో అరువదిఆరవ శ్లోకములో తెలిపినట్లు " సర్వ ధర్మన్ పరిత్యజ్య మామేకం శరణం వ్రజ, అహం తాం సర్వ పాపేభ్య మోక్ష యిష్యామిమాశుచ"

అనగా వివిధ ధర్మములను విడిచి శ్రీకృష్ణభగవానుని శరణు పొందిన వారిని అన్ని పాప ఫలితములనుండి విడిపింతునని భయపడువలదని భగవంతుడు చెప్పియున్నాడు.

శ్రీకృష్ణభగవానుడు చెప్పిన విధముగా భౌతిక విషయములను వీలైనంతవరకు త్యజించి మనస్సును నియత్తరించుటకు ప్రయత్నించుచున్నాను. నా ఈ ప్రయత్నములో పురోగమించుటకు తమ ఆశీస్సులు అందించి నన్ను కరుణించవలసినదిగా వ్రాస్తున్నాను.

శ్రీకృష్ణభగవానుని సేవ చేయుటలో తమరి ఆదేశములను ఆచరించే అవకాశం నాకు దయతో కల్పించినందుకు గురుదేవుల వారికి మనస్ఫూర్తిగా వందనములు అర్పిస్తూ,

Dear Srila prabhupada,

I offer my respectable obeisances unto your lotus feet. By your mercy I successfully completed my 4 years in the Krishna consciousness movement. Thank you Srila Prabhupada for establishing of this huge movement by your guru's order and your love towards Lord Krishna. By this movement and by reading your books and association of devotees I learned a lot of things for the correct way of living in this material world which are now a days lack in everyone's life style. Before I am chanting 16 rounds but now a days I am not able to chant 16 rounds and reading books due to I am not able to manage time and due to some other works. Srila Prabhupada give me strength and your blessings to me to continue in Krishna consciousness. Srila Prabhupada your my spiritual master. Even though I am engaging in the service to the Lord and doing chanting I am not able to get out of my family attachment I want to continue Krishna consciousness parallelly with my family life.

Please show me the right path in my life. Srila Prabhupada show me your mercy and blessings upon me for leading my life in a better way.

Dear Srila Prabhupada,

Please accept my humble obeisances.

All glories to your lotus feet.

Dear Prabhupada. First of all, I would like to thank you for giving me the opportunity to write an offering. Thanks for joining me in your mission and using me to serve it. Guru or Acharya is one who teaches by personal example and you are the one who did it perfectly. You are the epitome of the definition of Guru. You are the one who not only say it but practically show, explain and follow for the benefit of others. Where can we get such unconditional love and care in this Universe. Thanks for your guidance, love and care dear Prabhupada. The purity and knowledge you gave us are spreading like a wildfire.

You gave us the holy name to meditate upon and the books to read, deities to worship, prasadam to honour and devotees to associate what not everything, just like a father tried to give his children all the necessary things to survive in the most comfortable way you gave us all the valuables required. It is just by your mercy we are able to use these divine things you gave us.

As you said the symptoms of life, such as desire, anger, hankerings, and feelings of attraction, cannot be annihilated. Only the objective has to be changed. Desire cannot be negated, but in devotional service, the desire is changed only for the service of the Lord in place of desire for sense gratification. Let me not desire these things and kindly involve me in your service wherever possible. Thanking you

Yours most fallen soul,

Bhakta K.Narendra Kumar.

Hare Krishna Dear Srila Prabhupada, (My beloved spiritual master)

Please Accept My Humble Obeisances, All glories to Srila Prabhupada,

*om̐ ajṣāna-timirāndhasya jṣānāṣjana-sālākayā
cakṣur unmīlitaṁ yena tasmai śrī-gurave namaḥ*

Dear Srila Prabhupada, It is because of your mercy & blessings I am able to understand & analyse every situation (good or bad) of my life peacefully. It is with the basis of your most precious spiritual knowledge gifted to us.

I am in contact with ISKCON Bangalore Temple since 2004. I have attended & did voluntary service in all the festivals organized at the temple. And I have continued till 2017.

It is because of Your mercy again I got a chance to render & continue by devotional service in Hare Krishna Movement, Visakhapatnam since August 2017 till date. By this you have fulfilled my desire to stay near to my hometown and still render my devotional service.

Though facing lot of challenges here at HKM Vizag in performing my services am able to tolerate & continue my devotional services. This improvement of patience and tolerance I have achieved again because of your gift of "Hare Krishna Mahamantra" chanting 16 rounds to the entire mankind.

I have read completely "Science of Self Realisation" which enlightened me & this spiritual knowledge is helping me to and it is like a guide & master & best advisor guiding me in each & every step of my life.

Everytime I faced difficulties I have begged for your mercy my dear spiritual master for help and I got solution immediately. These realizations are acting like steps to advance further in Krishna consciousness.

Finally, I conclude, my beloved spiritual master please let me hold your lotus feet very tight and continue my rendering devotional service at the Temple till the end of my material life.

Hare Krishna.

Your Humble Servant,

Dear Srila Prabhupada,

Please accept my humble obeisances, All glories to you on this auspicious day of your appearance.

Guru the word means the person who bring out his disciples from darkness of ignorance to light of knowledge. In this temporary world every conditional soul is suffering, that was also the case of myself too. Striving to know the purpose of my existence, who is operating this cosmic manifestation and many more questions. Fortunately, by the mercy of Krishna, Guru and all Vaisnavas, all doubts got cleared through association from your endless knowledge through your Books , Lectures , Sankirtans. You realize me who actually I am what is the cause of my suffering and what every living being is missing.

Material objects can give solace which is drama of mind and exists for a span of time. Actual enjoyment of every living being is lies with the Creator i.e. KRISHNA's enjoyment. Whenever I had doubt in philosophy I found your guidance in the form of your lectures that reminds me that my guru may not physically present but he is guiding me in several ways. After nearly one year of association I found change in my consciousness, my prospective in everything around me. I found the taste of sankirtans that dissolves a devotee in Krishna Prema and by which one can reach transcendental state from materialistic condition. Prabhupada please bestow your mercy unto me and give me strength to face this material world. Bless me to be a soldier who can participate in fulfilling your mission to serve Krishna and spread Krishna Prema.

Yours humble servant,

My dear spiritual master...

Association with lord SRI KRISHNA is the most beautiful thing that happened in my life.Untill now if I divide my life, there are two parts . Before krishna association and after krishna association.If i would have not come in touch with krishna, i would have drowned in the material world.After coming to your association,I learned

Δ..what is jevathma?

Δ..who is paramathma?

Δ..The main purpose of human life.

Δ..How to reach LORD KRISHNA?

Δ..How to do service to the lord?

Δ.. what is mayaa?

Δ..How mayaa pulled us into this material world.

Δ..How our life style should be and how our life style is?

Δ.. What kind of food we should eat?...and many more....

Slowly slowly my life style,my way of thinking and my way of looking is changing.These all are due to you my dear master...
I am so much thank full to you Prabhupada.

Hare Krishna Srila Prabhupada,

All glories to A.C. Bhaktivedanta Swami Srila Prabhupada,

Srila Prabhupada, I truly believe that it is just because of your causeless mercy that this fallen soul is given a chance to get a glimpse of spirituality by regularly visiting temple and having darshan of the all-attractive deities, listening to Gita classes, and eating prasadam regularly.

I feel that because of your endless blessings, I had a chance to visit holy places like Vrindavan, Mathura, Barsana, Nandhagav, Puri, Mayapur, Srirangham, and many other holy places and shrines.

I am thankful to you for allowing me to do some service in the form of prasadam distribution in some of the temple festivals.

I would like to take this opportunity to thank you for allowing me to be a part of The Akshaya Patra Foundation which is always relentlessly struggling to fulfill your dream of feeding the needy.

I have taken oath in front of you that I would chant and read your books regularly, which I am not able to follow. Kindly give me the power to overcome the Maya and be able keep the oath by chanting and reading your books regularly.

Prabhupada, if possible, kindly forgive my mistakes done knowingly or unknowingly.

Kindly bless me so that I can do more spiritual activities by doing chanting regularly.

Your fallen soul, Bhakta Sairam. P.

Please accept my humble and respectful obeisance at your lotus feet. All glories to you who is so merciful up on the fallen and conditioned soul like me. You have given us the very definition of a pure devotee by helping us understand the process of bakhti-loving devotional service and guiding us at every step of the way through your books and lectures

I always wondered what dose a spiritual master means to a disciple. Fortunately, I got a chance to understand this when some time back, I got an opportunity to hear the personal experience of two of your disciples and their unflinching faith on your words. And only by this faith and your causeless mercy one can really understand and realize the message of Sri Chaitanya Mahaprabhu

This year has been very different to me. I have realized many different things which are keeping me away from your service. I thought there wee many external factors that influence a person from performing devotional service but I am coming to realize that it is me who has thrown myself into this pit of suffering and misunderstandings, even after repeated warnings from your disciples who are always guiding and are my well-wishers. I must have realized and understood that mahamaya is very powerful and have never taken it lightly, but due to my false ego and overconfidence I have done the same and suffering as a consequence of that. Please give me the strength and your blessings to overcome my unnecessary and insignificant attachments and join along with others who are serving you and your lordships Sri Sri Nitai Gauranga, with their heart and soul. I have realized that I am becoming lazy day by day and am not participating in the distribution of your holy books. Please give me intelligence and strength to distribute your transcendental books and help myself and other in understanding your message.

Dear Prabhupada, I feel completely depressed and helpless. It is only by your mercy I can start to understand and realize your instructions carefully and follow them. Prabhupāda I beg to you, to please give me a proper sense and sincerity to chant the Hare Krishna Mahamantra attentively and understand importance and glories of the holy name. Please give me the spiritual strength in understanding your philosophy and attachment to lotus feet of your lordships Sri Sri Gaura Nitai. Please provide me with some seriousness to perform your service.

It is by only your blessings that I can advance in Krishna consciousness. Please keep me detached from false prestige and bad association. Please give me strength to follow your teachings and not involve in sense gratification.

Trying to be Your servant,

Bhakta Santhan.

Dear Srila Prabhupada Ji,

Please accept my humble grateful to your divine grace to show me the way to “Lord Krsna”. I am completely spellbound after reading “Bhagvat Gita”, was translated by our spiritual master, which was transformed my thinking and way to lead a life.

His explanation has helped me a lot to work in a right track without fluctuation of mind, chanting “ “Hare Krishna” Maha Mantra itself has an enormous powers to purify our soul and show us a way to live in this material world spiritually.

Once again, I would like to bow my head to his “Divine Grace Srila Prabhu Pada’s” lotus feet for giving me this wonderful opportunity to be a part of “Krsna Consciousness”.

Dear Srila Prabhupada,

Please accept my humble Obeisances,

First of all I thank you so much for all which you gave to me. You gave me shelter, wonderful prasadam, nice association and many. By your mercy I am staying in folk hostel which helped me practicing Krishna consciousness and I also visited Mathura-Vrindavan dham, Mayapur dham, puri kshetra which I never thought that there is a place like this. You gave me opportunity to do service to the Lord and take prasadam daily. It is all because of you and your mercy.

You are very inspiring that no one would have done the work you did. Sleeping only three hours for translating Srimad Bhagavatam for the modern society in that age. No person would even imagine of doing that. Any person who has done at least 1% of what you have done would be successful. You have written many books for us. But I am a very big rascal that I am not making use of your books. Please give me strength and favorable circumstances for reading your books. I would have committed many offenses knowingly or unknowingly at your lotus feet. Kindly give me strength not to commit further mistakes and give me strength to overcome them. Always keep me in krishna consciousness by guiding me.

Thank you my dear Srila prabhupada,

Your humble servant,

Bhakta Sitaram.

My humble obeisance to lotus feet of my spiritual master,savior,founder Acharya of international society for Krishna consciousness H.G. A.C.Bhakti Vedanta Swami Prabhupada,

Prabhupada, how can I thank you for the platform you have created which joins all the world under one roof, how can I thank you for teaching us the right and easy path to attain liberation in this evil age of kali, how can we thank you for feeding 1.8 million people daily, how can I thank you for receiving association anywhere in this globe, how can I thank you for relating us to our eternal Father.

I am such a crooked soul that I have been thinking about the greatness of man and dominance of human intelligence over the living and forgot about the true creator until you have entered my life, just like when sun rises all the darkness in the world vanishes similarly after you entering into my life I was enlightened to the righteous path.

Oh! Prabhupada, please help me in further enlightenment of my life and help me in crossing each and every hurdle in this divine path shown by you... help me to develop interest in such things which helps for the growth of the bhakti which was sowed by you. Give me the power to do your and Krishna's service for eternity. Purify my soul and make me eligible for the liberation.

Thank you for showing your mercy on this jiva.

Your eternal servant,

Bhakta Sri Sravisht Kancherla.

Bhakta Sridhara

Dear Srila Prabhupada,

Please accept my humble offerings on to thee. I would like to express my gratefulness onto thee, for teaching the world during this Kali-yuga about Krishna Consciousness. It is only due to thee that we are able to be blessed with the mercy of Krishna. You have blessed me with knowledge so powerful, that it liberates oneself from this Kali-yuga if one practices devotional service sincerely. I shall forever be grateful to you for being the Lord's servant which has made me a servant of the servant of your lotus feet at very young age.

The lotus like feet of my master is the only way I would achieve the mercy of Krishna. You have shown me how to escape from the clutches of the maya in this Kali-yuga by chanting and offering service onto the Lord.

Your servant,

Bhakta Shridhara.

Bhakta Srikanth K

Dear Srila Prabhupada,

Please accept my humble obeisances.

All glories to you on this auspicious appearance day.

This is very powerful mantra in this kaliyuga which vanishes all sinful reactions of many many lifetimes. I am practicing this mantra every day with all activeness.

Everyone will come to know that they had wasted their life without Krishna consciousness, but here we will definitely get MUKTHI, the liberation.

To spread this message, at the age of 70, you have undergone so many troubles and preached all over the world. I am very much motivated through this every day. I started reading srimad Bhagavad gita, one sloka each day. It is helping me to maintain my spiritual strength all the day.

Yours servant, Bhakta Srikanth K.

Dear Srila prabhupada ,

Please accept my humble and respectful obeisances onto your lotus feet .

I would like to express my gratitude of getting this opportunity of writing an vysapuja offering on your divine appearance day.

The three things which are Contamination , disassociation , falling down hit like anything to me throughout the year prabhupada against which my faith drastically dropped down prabhupada ,but your causeless mercy helped me a lot in that hard times and and made me recognised where I am going and what I am doing ? Then I continued the process with the strength given by you Prabhupada and again I deviated and again you helped like this I bombarded throughout the year

and ended up in a position which is very far from you. But I am continuing the process of which I can do with the strength given by you and the faith you gave.

By your causeless mercy I got opportunities of rendering service to the lord and because of the strength given by you I did those services with great enthusiasm and felt spiritual ecstasy.

Please forgive me prabhupada for all the mistakes I did and for all the offenses I did which doesn't help me in reaching your way . So please give me strength to do chant nicely prabhupada and please increase my faith prabhupada and please give me strength of following 4 regulative principles.

Dear srila prabhupada,

Please accept my humble obeisance at your lotus feet on this auspicious day of your divine appearance.

Prabhupada I would like to thank you for starting this wonderful movement. After I come in touch with this movement I came to know the difference between material and spiritual world. You also made me to realize 'who is krishna', 'who am I' and "what is my relationship with the lord krishna". Prabhupada, Because of your causeless mercy I am taking shelter in your folk hostel from past 2 years. Prabhupada in your shelter every day I am attending for mangala Aarti, practicing sadana, taking nice prasadam and taking good association with devotees. These all are happening because of your causeless mercy.

Prabhupada, kindly bless me to progress in krishna consciousness

Your servant, Bhakta Tarun.

Bhakta Tharak Ram

Dear Srila prabhupada.

Please accept my humble obesiance unto your lotus feet on this auspicious day. By your causeless mercy i am able to inculcate good habits. I am such an atheist minded person but you have changed my consciousness by your mercy. The points that had striked in my mind is what we are doing just eating, sleeping, mating, mating whereas animals also doing

where is the difference? I understood we are not this body, we are spirit souls. I understood main concept in spiritual life is devotional service to guru and Nitai-Gauranga, by doing devotional service my heart get cleansed which is accumulated with full of dirt by your causeless mercy we are gifted with nice Rajbhoga prasadam, classes and nice hostel.

you had given rich culture to us and happiness, you are such a great person at the age of 69 went to western countries to preach Krishna consciousness with so many difficulties sometimes I heard that you had faced many difficulties in western countries. Even though we are having good facilities we are not able to use properly. You are always showing compassion to fallen souls and helping them to cross material existence. The knowledge you have given is very powerful you have saved me from material enjoyment which is full of sufferings.

Please bless me with your divine power. Please forgive me of all my countless offences committed knowingly or unknowingly to the Vaisnavas so that I can quickly progress in my spiritual life

Your most fallen servant,

Dear Srila Prabhupada,

Firstly' I am blessed beacause you are allowing me to speak so-called glorificatory words which loses its power when spoken by me on the occasion of your 123rd vyasa puja (appearance day). Whatever I say about you it can't be a glorification because, there is so much you contributed towards this world. Your divine grace made whole world swin in harinama sankirtana. Travelling whole globe 12 times in span of last ten ripen years of age is not possible for a sane man unless he is representative of the supreme personality of godhead. There are pepole who became devotees by just your darshana. You made the world of hippes into world of happies. Inspite of all this suyou only says that your contribution is nothing and everything is done by your guru's mercy. Lord Chaitanya delivered Jagai-Madai like that he empowered you to deliver so many such natured pepole who appeares gentlemen externally.

Please bless me such that I would connected to your divine grace and your true representatives, so that I can get my life successfull and to attain the devotional service without offenses comitted by this soul at your lotus feet in so-called glorification.

Thank you Srila Prabhupada.

Dear Srila prabhupada,

I offer my humble obeisance unto your lotus feet. I feel that i am very fortunate to be in Hare Krishna folk hostel. (Sri Venkateswara Hostel). Because as I came here to complete my b.tech life and learn some technical skills, but fortunately i also became a member of krishna consciousness and learned many spiritual lessons and learned what is human life and what we have to do as a human. As I joined in this hostel, I got many opportunities to serve the Supreme god "LORD KRISHNA" and engaged in many devotional services. I have also learned that how to be a man should behave in this materialistic society. By this, I have improved my communication skills and my character. This had all be done by only with the mercy shown by his divine grace Ac Bakthi Vedantha Swamy Srila Prabhupada on me, by giving shelter in folk hostel and honoring Lord Krishna's Maha Prasadham.

I am very glad to be part of this moment.

The Bhagavad gita classes learnt me a lot.

How to be in society.

The Akshaya patra organization created by you, feeding many people. Today it is serving millions of people, this idea of feeding by Akshaya patra is excellent.

I am very fortunate to have guru like you prabhupada.

Daily I am doing two rounds of chanting and in my free time I try to complete 4 rounds of chanting.

Your Servant,

Bhakta Yashwanth.

Bhakta Yeswanth

Dear Acharya Srila Prabhupada,

Please accept my humble obeisances and kindly forgive my offences on this most blessed event of Sri Vyasa-puja. All glories to Srila Prabhupada.

I am filled with a sense of gratitude and wonder. I cannot even imagine where my life would be today, if you had not appeared and blessed us all with your divine benediction.

By your grace, Srila Prabhupada, thousands of people are transformed to devotees and Vaishnavas. Now they are serving and praying Lord Krishna.

I am one of the spiritual soul getting liberated by following your instructions. Now I'm chanting 16 rounds of Hare Krishna Maha mantra by your blessings. The peacefulness and happiness I experienced after chanting is worthless.

By serving lord or doing a devotional service in temple and by taking prasadhham after service that gives a feeling of achieving your blessings.

By taking shelter of your's and by the actions of keerthana, dance, praying God, Maha prasadhham , following your books gives us a golden path towards Lord.

By the blessings of lord Jagannatha swamy and grace of yours I had visited the Puri Jagannatha dham with our devotees. I had a great experience and the visiting of temple along with past times and prasadhham all over the trip gave me a great devotional happiness.

Now by your grace, I humbly request that you so kindly bless me with the desire and ability to share these matchless gifts with each and every single conditioned soul in the material world. Please bless me on someday to become your real disciple and serve you without reservation according to your desire. May this be my only aspiration, life after life.

Thank you very much for everything, Acharya Srila Prabhupada. All glories to your lotus feet.

Your aspiring servant,

Bhakta Yeshwanth.

His Divine Grace A.C. Bhakti Vedanta Swami Prabhupadaji (founder Acharya International Society for Krishna consciousness)

Dear Srila Prabhupadaji,

Please accept my humble obeisance's at your lotus feet on this auspicious appearance day of your divine grace.

Thank you for coming to this world to save us inspite of tremendous difficulties and obstacles which you had to face alone depending solely on the mercy of the supreme lord Krishna and your eternal spiritual master Srila Bhakti Siddanta Saraswati Thakur.

You are the supreme master who bestowed your causeless mercy upon the unqualified and ungrateful souls of kaliyuga. Me amongst the most fallen of living entities and yet by your unlimited compassion. Now my life has become happy and peaceful.

Four years passed since the day I walked into the temple and was so mercifully blessed by your disciples and allowed me to join your loving devotees and it changed my life. Prabhupadaji I am thankful and indebted to you.

Prabhupadaji I follow your four instructions and chant Hare Krishna Maha Mantra 16 rounds every day. But sometimes due to some reasons I am unable to do and feel very bad.

We have taken Nitai-Gouranga dieties home in 2016 and serving them as your disciples have instructed. We do karthik Damodar deepostavam at home and also in each every members home in Madhrawada. We feel very happy all the 30 days of festival. I do Ekadashi vrata and try to read your books after finishing my homely deeds. I learned a lot about spiritual service and how it helps us to come out of this material world. I try my best to do spiritual service given by temple authorities during festivals.

Prabhupadaji don't let me fall in the trap of Maya. Bless me to be at your lotus feet and more and more service to the supreme God Head.

By the grace of Lord Krishna Hare Krishna Movement, Akshay Patra foundation, Vishakapatnam is going to construct a temple in Gambiram. By your blessings and God's grace me too want to contribute my best and be a part of it.

So Prabhupadaji bless us to have the temple as soon as possible.

Hope you will always shower your mercy and blessings on us.

Praying to be an unconditional servant.

All glories to your divine grace.

Your humble servant,

Bhaktin L. Aruna.

Respected Srila Prabhupada,

Please accept my obeisances at your lotus feet. And I also pay my obeisances to Vaishnav Vrinda for accepting a fallen soul like me and guiding me to Krishna Consciousness.

It is because of your mercy that I am able to get the guidance from your obedient disciple and humble servant of Radha Vrindavanchandra. I thank you and your disciple for awakening me from the darkness of Maya. Thank you Gurudeva for assigning this neophyte to a great devotee of yours.

I am indebted to your lotus feet for all the causeless mercy which is blessed upon me through practical examples. I am so fallen that, I doubt whether I am even eligible to be part of Sadhu Sanga. Your instructions through your books and your devotees are like a torch light that drives away the illusion created by my ignorance. Thank you for your grace which made me conscious of my real identity.

Gurudeva I request you to forgive me for my offences and bear with me. Please help me to develop the attachment to the holy name of the Lord and chant attentively.

To His Divine Grace Parama Pujya Sri Srila Prabhupada, Hare Krishna,

I offer my Obeisances to the lotus feet of Radha Krishna and His Divine grace Srila Prabhupada. Prabhupada, with the mercy of Lord Krishna and your divine blessings, I got an opportunity to learn about the Hare Krishna movement. With the help of my parents, who are already a part of this great movement, I am beginning to learn and take part in the satsang and sankirtan. I like the way to take part in singing and dancing to the kirtans along with devotees. I feel lucky to be born into a family with spiritual interest and I am grateful to my grandmother and parents, who from our childhood, imparted the knowledge of Krishna and Rama by narrating the epic stories of Ramayana and Mahabharata. Those morals have helped me to maintain a good behaviour in daily life but what I know is negligible.

I heard how you travelled the world multiple times to impart the knowledge of Krishna, explain the meaning of this human life and how to utilize this in the service of Krishna. How you established such a big organisation and set up many temples, turned the drug addicts into great devotees with your simple yet great teachings, the vast number of books you wrote, all within a short span of time, wonders me. How you turned the western citizens, who are totally unaware of this culture, into great believers and devotees, just through your selfless service is beyond my imagination. Grant me the chance to know more about your teachings and Krishna's and associate with devotees.

Recently, I, along with my family, had the opportunity to witness the Puri Ratha yatra through a trip conducted by the devotees of Hare Krishna movement. I had the chance to visit the great places and temples treaded by Lord Chaitanya Mahaprabhu and listen to his great pastimes from the devotees. It was a great pleasure. I have started to chant the Hare Krishna maha mantra. Give me the strength and determination to chant more and move forward in this spiritual journey. With the help of your divine grace, I would like to take a step up into Krishna consciousness. Please stand by me and guide me into this path where I can realise the Krishna-filled world.

Pleading your mercy and divine blessings.

Your Servant,

Bhaktin Pratyusha.

Dear Srila Prabhupada,

Please accept my most humble obeisance's at your divine lotus feet.

With your mercy and Krishna's blessings I visited the very popular pilgrimages Puri ratha yatra with Hare Krishna movement Akshay Patra foundation.

I got really a wonderful chance to clean Gundicha Mandir where lord Jagannath, Balarama and Subhadra are taken. It was very over-whelming for me.

I thought I will be very tired that night but strangely I forgot all the pain and I was very eagerly waiting for the next day to have the darshan of Jagannath swami, Balarama and Subhadra.

The very next day I got a really good chance to pull the Ratha with my own hands. I heard that the one who sees Jagannath Swami on his chariot and pulls the rope he / she will not have another birth. The lord gave me this wonderful chance and I can't explain how blessed I feel. This pilgrimage trip taught a lot about myself, the relation with Krishna. I have and how well I am attached to Krishna.

There are many ups and downs going in life and I sometimes understand when you hit me with a problem and remind me how cruel and bad this world is and bring me back to your lotus feet.

I don't even know how many births this poor soul went through to hold on to your lotus feet.

And now after discovering a lot about me and the relationship I have with the Supreme Personality of Godhead. I would just wish one thing from the bottom of my heart and that is to give me liberation from this world full of Maya. I have been

chanting 6 rounds of Japamala. Please bless me to do 16 rounds I started reading Science of self-realization and Bhagwat Gita. Please bless me to read more and more book of yours and serve the lord as much as possible.

Dear Srila Prabhupada,

Please accept my humble obeisance unto your lotus feet.

All glories unto your Divine Grace!

On this most auspicious appearance day I would like to express my gratitude to you for all that you have done for me. Life became so much better after coming to your lotus feet. I feel so blessed to serve Radha Vrindavan Chandra, Gaura Nitai in the holy land of Vrindavan. Like a father you held my hand and taught me how to walk on the spiritual path of Krishna consciousness. Like a loving mother you have selflessly taken so much trouble to nourish my soul through divine teachings. Like a true well-wisher you have guided me in the path of eternal blissful path of Krishna consciousness.

I have no realization and no devotion. Nor do I have any good quality, whatsoever, humility, tolerance, self-control, are all known to me. Only thing is that I have faith in your divine teachings which give me hope that some day I will practice Krishna consciousness in true sense. You worked day and night for the world. I beg to you that please make me qualified to render little service to your lotus feet in complete surrender, humility, enthusiasm. I wish that in my full capacity I should be able to serve in whatsoever way you may desire. If I get such good fortune, I will consider my life successful.

Aspiring to serve your mission.

Your servant,

My Dear Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet!

All glories to Your Divine Grace!

Dear Śrīla Prabhupāda, “How fortunat, yet another chance to remember you, to glorify you, to remember all our moments in relationship with you.” Thank you, Śrīla Prabhupāda, for this opportunity.

While reading a verse from the Srimad Bhāgavatam 3.13.1, from your wonderful translation and purport we learn of great devotees, Vidura was hearing,

Śrī Śukadeva Gosvāmī said: O King, after hearing all these most virtuous topics from the sage Maitreya, Vidura inquired further on the topics of the Supreme Personality of Godhead, which he adored to hear.

[Purport:] *The word ādṛtaḥ is significant because it indicates that Vidura had a natural inclination for hearing the transcendental message of the Supreme Personality of Godhead, and he was never fully satisfied though continuing to hear those topics. He wanted to hear more and more so that he could be more and more blessed by the transcendental message.*

Śrīla Prabhupāda please bless me in the same way so that I may eagerly hear the glories of Sri Radha-Krishna from your transcendental mouth.

“guru-mukha-padma-vākya, cittete kariyā aikya, āra nā kariha mane āsā”

Your words alone will purify our hearts and minds and take us to abode of Goloka Vrindavan Dhama. That is my determination. No other process is necessary. All glories to you, Śrīla Prabhupāda! It's my eternal wish that I should be only serving you, pleasing you, and hearing from you. And by your mercy alone, I will be allowed to experience transcendental message of the Supreme Personality of Godhead.

I remain eternally indebted to you, Śrīla Prabhupāda, for all that you have given us—the holy names, Prasādam, your books, instructions, temples, the association of your dedicated followers, the list is unending. One of the senior dear most disciple in our group is guiding many of us in daily japa based on your teachings, which shows that it is nothing but your causeless mercy. I should develop obsession for improving my japa, mantra after mantra i.e *Hare Krishna, Hare Krishna, Krishna Krishna, Hare Hare. Hare Rama, Hare Rama, Rama Rama, Hare Hare!!*

Give me all help for not consuming social respect. Give me strength to handle disrespect. My devotion to you should be socially independent.

Your Servant!

Anant Virya Dasa.

Angada Dasa

Srila Prabhupada, its a great opportunity for the disciple to get purified by glorifying spiritual master. And it is true that everyone doesn't get the opportunity. Every year we hear about Guru Purnima, one day in the whole year, different disciples of different organizations go to their spiritual master, glorify him and forget him. But you made system which is totally opposite of that, why just one day? Every day, every second, a disciple should remember his spiritual master because the relationship between spiritual master and disciple is eternal. That's why in Guru Vandana its mentioned that, " you are my lord birth after birth". To worship guru is not one day or one-time business, it's duty of disciple to do it every day and every second, then only he can progress in spiritual life, as same thing its mentioned in Srimad Bhagavatam,

naṣṭa-prāyeṣv abhadreṣu, nityam bhāgavata-sevayā

bhagavaty uttama-śloke

By regular attendance in classes on the Bhāgavatam and by rendering of service to the pure devotee, all that is troublesome to the heart is almost completely destroyed, and loving service unto the Personality of Godhead, who is praised with transcendental songs, is established as an irrevocable fact. There are two types of Bhagavata. One is book Bhagavata and the other is devotee. Bhagavatam is spiritual master and to glorify spiritual master is one of the service of a disciple. In your organization we need not do anything, just come for daily program and everything is done.

One of the qualification of spiritual master is he is an expert. Simply if we see the way you have arranged our morning program, there is better expert than you. It's just one example. If we start each and every activity, there is no limit of your glorification. How fortunate are we that we got a pure devotee as our spiritual master. Prabhupada, I always pray to your lotus feet that please always keep me under shelter of your lotus feet. I know I have committed so many offenses at your lotus feet. Please forgive me again, I promise you I will never repeat it in my life. Please help me overcome all my shortcomings so that I can progress in my spiritual life. Once again I repeat the prayer which we read after guru puja, "oh, master! Be merciful unto me. Give me the shade of your lotus feet and may your fame be spread all over the worlds."

Your servant,

Angada Dasa.

Chitra Devi Dasi

Respected Srila Prabhupada,

Please accept my most humble obeisances.

Here arrives another Vyasa puja and another good opportunity to offer my heartfelt thanks at your lotus feet.

Prabhupada, a bonafide spiritual master like you is Lord's most precious blessing, of all times. So I keep thanking you and want to serve you and Lord, more and more.

Sri Chaitanya Mahaprabhu and you are pleased when the teachings of Lord Krsna are spread in every town and village. Sri Caitanya Mahaprabhu preached that: *yāre dekha, tāre kaha kṛṣṇa-upadesa*: everyone you see or meet, tell him about Krsna; *āmāra ājñāya guru hañā tāra ei deśa*: and by My command you become a guru and save this land. This was also the mission of your Guru Mahārāja.

By your mercy Srila Prabhupada I have received the good opportunity of writing articles for the blog and college preaching. The college staff confirmed that since the chanting of the maha mantra was introduced, there is no case of road accidents which was otherwise very common. And after witnessing many such good effects the college and students are very supportive. Vrindavana, the holy town of Lord Krsna, is surprisingly filled with many innocent people who know nothing about Krsna. Please give me the required strength and intelligence to preach Krsna consciousness and purify myself and others through this service.

The most blissful moments of my life are those while I am reading and preaching from your books. In fact I joined ISKCON to have more and more of the marvellous Bhagavatam classes. Please bless me to read more and more, understand more and more, follow all your instructions and philosophy from the bottom of my heart and soul. And preach to more and more the exact message taught by you.

Always keep me in your divine shelter.

Your servant,

Chitra Devi Dasi.

Govinda Datta Dasa

Śrī Guru Gaurāṅga Jayataḥ

My worshipable Srila Prabhupada,

Kindly accept my unworthy obeisance's at your lotus feet, the dust of which can purify the entire world.

It has been 14 years that Your Divine Grace had taken charge of this fallen soul. Ascriptions which time penned in my consciousness throughout these years, talk to me that "Srila Prabhupada is my only savior".

Still the rebelling 'false me' in me always claim that "I can take care myself, I am capable enough & whatever good I am enjoying now in life is due to 'my' past pious activities.

My polluted consciousness is my real enemy who sabotages Your Divine Grace's spiritual mission for saving me. This mission of saving me was conceived, inaugurated & getting implemented by Your Divine Grace, only out of your causeless compassion upon me. I or my karma has not got any credit on this greatest fortune bestowed upon me. Rather I am saved from horrifying karmic reactions by your intervention in my life.

I just remember the lines sang by the Rishi's of Naimisharanya in glorification of Sri Suta Gosvami -

“tvam naḥ sandarśito dhātrā, dustaram nistitīṣatām

kalim sattva-haram pumsām, karṇadhāram ivārṇavam”

“We think that we’ve met Your Goodness by the will of Providence, and thus we accept you as captain of the ship for those who desire to cross the ocean of Kali, which destroys the good qualities of the human being”.

Truly you Srila Prabhupada are my only savior. During this Vyasapuja, I thank you for the following special mercies you bestowed upon me –

- For keeping me and Nandapriya under the shade of your Lotus feet, despite of our disqualifications & offenses.
- For awarding me the greatest gift a Jiva can get in this Golden age – Your Divine Graces discipleship.
- For giving me and Nandapriya, service in Sri Vrindavan Chandrodaya Mandir where you are worshiped as the ‘Sole Diksha Guru of ISKCON’.
- For giving me and Nandapriya a residence in Sri Vrindavan Dham.
- For helping my authorities in safeguarding your Vyasaana on Hare Krishna Hill and its group of temples.
- For bestowing enormous service responsibilities on me and Nandapriya even though we are completely unqualified.
- For personally protecting my spiritual life, despite of my innumerable mistakes, laziness, material ambitions & endless other anarthas.

I can’t express my gratitude towards Your Divine grace, even if Krishna provides me with thousands of mouths & millions of year’s lifespan.

I have the following prayers at your lotus feet –

- Kindly continue to reside as the ‘sole Diksha Guru of ISKCON’ on Hare Krishna Hill & all its affiliated centers. The future of ISKCON & millions of souls who will join it depends on that.
- Please give Madhu Pandit Prabhu & other sincere servants of yours, sufficient strength in defeating the attempts of bogus self-made gurus in usurping your position in ISKCON.
- Please forgive our offenses & mercifully empower us in spreading the mission of Sriman Mahaprabhu, which is your own mission, for the benefit of innumerable suffering Jivas.
- Please protect us from the six enemies & the Mahamaya.
- Please give us utter faith in you & the Lord.
- Make us committed, focused, sincere, strong & industrious in serving your mission.
- Kindly impart intense desire in me to hear your vaani, for that vaani is the only panacea for my ‘bhava roga.’

Let my mind be always fixed at your lotus feet, I take shelter of your Lotus feet.

Your fallen servant,

Govinda Datta Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisances at the dust of your Lotus feet. All glories to you on on this most auspicious day of your divine appearance, which is always very emotional and enlightening. There is is no end to your glorious achievements. I fall at your lotus feet and beg for the ability to properly glorify your divine and magnanimous character.

Dear Srila Prabhupada I am very thankful to you for all the instructions you have given us through your books, lectures, letters, conversations and the institution you established. You established temples around the world in every country in every city, hence it is now very easy to have darshan of deities, honour prasadam and associate with devotees.

As a mother I personally feel myself and my daughters are very fortunate and over loaded with your mercy because since they took birth I'm trying my best to give them the proper knowledge of Krishna consciousness and this is only possible because of the instructions you have given, that we are following.

yam yam vāpi smaram tyajaty ante kalevaram,

tam tam evaiti kaunteya sadā tad-bhāva-bhavitah

Whatever state of being one remembers when he quit his body, O son of Kunti, that state he will attain without fail. (BG 8.6). Therefore as we look back on this day we feel ourself to be very fortunate and blessed because from birth to death you have given us instructions for all aspects of our life.

O Srila Prabhupada, saviour of the whole world, please have mercy on us. Without your mercy we will continue to suffer in our deep sleep on the lap of the witch Maya. I beg you to bless us so we can remain in the service of their Lordships and association of your sincere servants.

Your servant,

Lavanga Latika Devi Dasi.

Madhavendra Puri Dasa

My Dear Most Srila Prabhupada,

Please accept my humble obeisances at the dust of your divine lotus feet.

I am like a foolish crow, taking pleasure only in garbage. But you are like a transcendental swan, taking pleasure in the beautiful lakes of divine lotuses. I am a perpetual sinner, please forgive my offences at the dust of your lotus feet and all the Vaishnavas.

*vāñchā-kalpa-tarubhyaś ca, kṛpā-sindhubhya eva ca
patitānām pāvanebhyo, vaiṣṇavebhyo namo namaḥ*

This earth saw great auspiciousness 123 years ago on this very same tithi, when your lotus feet compassionately descended on her surface to create "Tirthas", all over the place wherever you would walk on.

Hence, today is a great day of jubilation and celebration for all!

"Srila Bhaktivinod Thakur wrote, "He reasons ill who says that Vaishnavas die, when Vaishnavas are living still in sound. Vaishnavas die to live and live to spread the holy name around." So, through the sound vibration of their beautiful prayers, instructions, they live forever in the hearts of fortunate souls who receive their mercy." – Srila Prabhupada.

O Gurudeva, Srila Prabhupada! You are doing the greatest welfare activity by liberating the conditioned souls like me from the strong clutches of maya.

I am slowly realizing that unless one takes shelter of a pure devotee spiritual master like you, one can never understand anything about himself, let alone God and His magnificent creation.

It is to your credit only that the world today knows something about the Absolute Truth, Lord Sri Krishna, through the "Bhaktivedanta Purports" of the most authorized revealed scriptures like Srimad Bhagavad-gita and Srimad Bhagavatam.

Only when one touches the dust of your lotus feet somehow or other, can one understand the five features of the Absolute Truth, the Pancha Tattva.

*śrī-kṛṣṇa-caitanya prabhu-nityānanda
śrī-advaita gadādhara śrīvāsādi-gaura-bhakta-vṛnda*

You are the commander-in-chief of Lord Chaitanya Mahaprabhu's army, who have come to fulfil His prophecy of spreading His Holy Name, *hare kṛṣṇa hare kṛṣṇa kṛṣṇa kṛṣṇa hare hare, hare rāma hare rāma rāma rāma hare hare* in every town and village of this Earth. And you doing this in a 'Grand Style'! i.e., by engaging every modern technology in the service of the Lord.

*anāsaktasya viṣayān, yathārham upayujjataḥ
nirbandhe kṛṣṇa-sambandhe, yukta-vairāgyam ucyate*

Indeed, your gift of "Krishna Consciousness" to this world is the most invaluable and sublime.

You are directly coming from the transcendental world of Gokula, otherwise, in this world of Maya who can build a house, where, everyone can live in transcendence?!

Your life is exemplary in all respects and for everyone to follow. You are a true "Acharya", one who teaches by example.

You are a sadhu, a true Vaishnava, para dukha dukhi.

How can a conditioned soul like me understand the mind and unlimited glorious activities of a pure devotee of the Lord, like you...?

So, someway or the other, kindly engage this stubborn rascal loitering in the filth of so called mundane rasas, in the offense less service of your lotus feet 24hrs a day. I see only service to your divine lotus feet to be the truth of my existence. Let me be of some service in your service to your own spiritual master, Om Viṣṇupāda 108 Śrī Śrīmad Bhaktisiddhānta Sarasvatī Gosvāmī Mahārāja Prabhupāda, eternally.

Once again seeking forgiveness at the dust of your lotus feet and of all the Vaishnavas.

Thank you Srila Prabhupada, again and again, for giving me life!

Trying to be a disciple.

Respectfully yours with sincere gratitude,

Madhavendra Puri Dasa.

Hare Krishna Srila Prabhupada,

Please accept my humble obeisance unto your lotus feet, All glories to your divine grace.

It's a wonderful spiritual journey that you have blessed upon this unworthy soul. Srila Prabhupada, I've not seen a person more compassionate than your kind self. Deep in my heart I always feel that you have blessed me so much. You have given me a very very rare opportunity of devotional service. Especially you gave me the serving opportunity in Sri Vrindavan Dham & in Sri Radha Damodar Mandir. There's lot of expectations from the authority but I'm unqualified to meet those expectations. I've neither spiritual qualification nor material qualification but my only hope is your mercy. As a sadhaka many times it so happened that I was blank. No idea how to respond or react to the given situation. But your remembrance and chanting Hare Krishna maha mantra helped me.

Time and again maya will arrange higher level tests. I've realized that we can pass these tests only by trying our best to remember your supreme instructions & consciously follow them. In other words it's a vani seva - we need to surrender & follow your instructions. Remembering the right instruction for the given situation is not in our control. This is only possible by your causeless mercy. Like infant, we are helpless. We need your eternal shelter

In the initial stage of my Krishna consciousness practice I came across the following verse which helped me swiftly develop the faith in the process.

*vāsudeva-parā vedā, vāsudeva-parā makhāḥ
vāsudeva-parā yoga, vāsudeva-parāḥ kriyāḥ
vāsudeva-param jṣānam, vāsudeva-param tapaḥ
vāsudeva-paro dharmo, vāsudeva-parā gatīḥ*

“In the revealed scriptures, the ultimate object of knowledge is Śrī Kṛiṣṇa, the Personality of Godhead. The purpose of performing sacrifice is to please Him. Yoga is for realizing Him. All fruitive activities are ultimately rewarded by Him only. He is supreme knowledge, and all severe austerities are performed to know Him. Religion [dharma] is rendering loving service unto Him. He is the supreme goal of life.”

Very beautiful verses & wonderful translation and purport by your Divine Grace. Like Krishna is unlimited, his energies are unlimited and like wise his services are unlimited. Devotional service is an ocean. Srila Prabhupada you have created unlimited service opportunities for the most fallen souls of Kali yuga. From the ocean I'm trying to taste the drop. We are blessed & fortunate to have senior devotee's association & guidance. Recently HG Madhupandit Prabhu started a new group called "Soulful Japa" for helping us to do better Japa.

All the devotees are putting their best efforts to complete the Vrindavan Chandrodaya Mandir project. Srila Prabhupada kindly bless us & engage us in this dream project if you desire so.

Knowingly or unknowingly I've committed lot of offenses, Srila Prabhupada please forgive me. Give me the required gyana, bala & kriya to follow your instructions & serve you better.

Your most fallen servant,

Madhu Vrata Dasa.

Nandapriya Devi Dasi

Dear Srila Prabhupada,

Please accept my humble obeisances at the dust of your lotus feet, which carry the dust of all the places of pilgrimages.

Looking back at the time since I took shelter of your divine lotus feet, my spiritual journey has been an ever learning experience. All the layers of misconceptions and false ego are staring at me all the time showing me my true face and removing so many misconceptions about myself.

I would like to thank you at every step of my life, though I'm not doing so. Your recent causeless mercy of transporting me to Krishna's abode in this material world has made me increasingly conscious of your mercy and your ways of helping devotees in their spiritual life and aspirations. By your mercy I'm residing in a place which is the final destination that every devotee aspires for. I have very undeservingly reached this holy land of Vrindavan by your mercy.

After coming to Vrindavan I was getting disturbed by my own false ego and perfection syndrome. However, ever since this realization has come to me I am feeling very happy in rendering my services and being able to see your mercy in them, as I can see change in my approach and attitude. By your mercy I have good amount of engagement and services which do not allow me to think negative. I pray that I can contribute nicely for the cause of the organization and please my authorities in order to please you.

Thank you so much Srila Prabhupada.

However, I am still struggling with my sadhana and am hopeful of your mercy in this direction soon, as you know how helpless I am and you also know that without your mercy and help I'm nothing. Please also help me stay grounded and humble.

Your fallen eternal servant,

Nandapriya Devi Dasi.

Nitya Tripta Dasa

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet.

As I'm trying to put pen on paper & my thoughts are cluttered & distracted. How can such a fool glorify a glorious Acharya like you?

Has my devotion to your feet become feeble & weak? Over the past few months my sravanam of scriptures has become weak.. My chanting has become inattentive..

With the digital age of connectivity, smart phones etc.. distractions are aplenty. This powerful network is so strong that small foolish jiva like me can easily get disconnected from Krishna, if I'm not wary.

I'm especially thankful to you, for the Japa improvement sessions by Madhu Pandit Prabhu. My japa had become a literally dry 16 rounds quantity based & quality-less ritual. It's these sessions which has exposed my utter ignorance(on science of Japa) & offensive chanting. I'm thankful to my kind god brother's who repeatedly pinpoint my wrong chanting technique.

Srila Prabhupada please beat this wayward buffalo of your's so that I may fall into your line.

I thank you for lifting the veil of household life & exposing the labyrinth. Apparently the bedding is covered with rose petals, I jumped into it, to only find that it's a royal mattress made of sharp thorns. Now I'm just bleeding to death. I've found household is a graceless desert & only oasis is your program of devotional service.

In conclusion, please forgive my unpardonable offenses & kindly engage this picture perfect fool in your humble service.

Your fallen servant,

Nitya Tripta Dasa.

Dear Srila Prabhupada,

Please accept my humble obicences unto your Lotus feet!

Another year has passed that you kept me under your shelter and engaged me in devotional service. I learnt and experienced new things in this year . There were many ups and down which came due to myanartha, but you have taken me away like a father helps his little child. From your divine instructions, I came to know about many things like purpose of human life, value of service, value of prasadam, value of devotee association, effect of maha mantra chanting, value of Guru and many more.

Srila Prabhupad, you are an ocean of kindness. With your mercy and compassion, I have been very much enthusiastic in Sankirtan and FR services. By your mercy I got the opportunity to lead many members in a spiritual trip. It was amazing experiences of melodious kirtans, pastimes of Lord and delicious prasadam. Members were fully jubilant. Although most of them were senior citizens but, by your mercy they were fully enthusiastic those days.

About VCM project, it's very hard time to tell, but we have full faith that you will soon bestow a shower of your mercy. There are many positive responses. Please give me enough strength, that my mind should get completely distracted from material opulence. On other hand, and should more and more increase the taste of holy name chanting. My mind should always absorb itself in thinking of magnificent VCM project fund raising.

Please excuse my offenses committed at your lotus feet.

Your most fallen servant, Para Brahma Dasa.

जय श्रील प्रभुपाद!!

ॐ अज्ञान तिमिरान्धस्य ज्ञानाञ्जन शलाकया । चक्षुरुन्मीलितं येन तस्मै श्री गुरवे नमः ॥

मैं घोर अज्ञान के अंधकार में उत्पन्न हुआ था और मेरे गुरु ने अपने ज्ञान रूप प्रकाश से मेरी आँखें खोल दीं। मैं उन्हें नमस्कार करता हूँ।

श्रील प्रभुपाद ! आपके चरण कमल में कोटि कोटि प्रणाम्!

श्रील प्रभुपाद ! आपका सबसे महान गुण -करुणा तथा दया है! आप हम जैसे बद्ध जीवों को करुणा की दृष्टि से देखते हैं और दया दिखाते हैं क्योंकि हम इस संसार में जन्म एवं मृत्यु के घोर चक्र में फसे हुए हैं। हमारे उद्धार के विषय में हमेशा प्रयास करते हैं क्योंकि आपका मिशन ही बद्ध प्राणियों को भगवद्धाम ले जाना है।

श्रील प्रभुपाद ! आप इस संसार में बद्ध जीवों की तरह जन्म नहीं लेते हैं, आप तो भगवान के दूत हैं और भगवान् श्रीकृष्ण के कार्यों में सहयोग प्रदान करते हैं “ सर्वधर्मान्परित्यज्य मामेकं शरणं व्रज। “ भगवान् चैतन्य महाप्रभु जो कि स्वयं भगवान् हैं का एक मात्र कार्य बद्ध जीवों को भगवद्धाम भोजना है।

श्रील प्रभुपाद ! आपने हमें हरे कृष्णा महामंत्र की दीक्षा दिया, जिससे हमारी कलुषित चेतना की मलीनता दूर हो और भगवत् प्रेम का विकास हो सके।

श्रील प्रभुपाद ! आपने हमारे लिए “भक्ति वेदांत तात्पर्य “ दिया जिसके द्वारा शास्त्रों का यथा रूप उद्देश्य समझ सकें और भगवत् प्रेम विकसित हो सके।

श्रील प्रभुपाद ! आपने हमें श्री विग्रह तथा मंदिर प्रदान किया, हमें श्रृंगार विधि, अर्चन विधि प्रदान किया जिससे हम भोग लगा सकें और महाप्रसाद का सम्मान कर सकें।

श्रील प्रभुपाद ! आपने हमें अनंत शुद्ध भक्तों का संग दिया जिससे उनकी सत् संगति प्राप्त हो सके और हमारी भ्रमित अवस्था को एक दिशा मिल सके तथा आपके प्रति सच्ची श्रद्धा और विश्वास उत्पन्न हो सके। आपकी करुणामयी दया की आशा में.

आपका अभागा

All Glories to Srila Prabhupada!

Please accept my humble obeisances unto your Lotus feet.

Dear Prabhupada please give to this servant just one drop of mercy. I am lower than a blade of grass. Give me all help. Give me strength. Let me be as you are, without desires or aspirations.

I offer you all respects, for thus I may have the energy to know you correctly. Then, by chanting the holy name in great ecstasy, all my offenses will cease.

When will such mercy fall to this one, who is weak and devoid of intelligence? Allow me to be with you. If you examine me, you will find no qualities. Your mercy is all that I am made of. If you are not merciful unto me, I can only weep, and I will not be able to maintain my life.

Dear Śrīla Prabhupāda,

Please accept my humble obeisances at your lotus feet.

Past year has seen so many dynamics with respect to the Vrindavan Yatra. Looking back sometimes is little tough.

In the midst of all the fast changes that happen and quick decisions that are made, there is always a fear about losing the Krishna touch.

No doubt when we act within scope of your services, there is no danger. But, at times I am afraid of my acting in unjustified way. It is true that due to my past wrong tendencies and false ego, I fail to stand up to your expectations. But, you being the most merciful personality, absorb everything just for the sake of welfare of fallen souls.

I pray to you to make me more serious about sticking to the devotional principles which keep us undisturbed with the actions and reactions occurring under the 3 modes of material nature, which make us free from the ownership tendency and lamenting consequence, unnecessarily.

By your mercy I may understand and follow the principle of attachment and renunciation properly, while in whatever position and service. Your life is a perfect example of same. You accepted everything for Krishna and kept everything only for Krishna. I may similarly accept everything for you and keep everything, only for you.

Your unworthy servant. Satya Vrata Dasa.

Dear most Srila Prabhupada,

Please accept our most humble obeisances unto the dust of your divine lotus feet.

All glories to Your Divine Grace.

Srila Prabhupada, in many of your lectures you explain that the appearance of a bona fide guru in the life of a conditioned soul is solely to manifest the greatest fortune for that soul. It is through the mercy of Lord Krishna that one gets a bona fide guru, and by following the guru's instructions and serving him sincerely one gets Lord Krishna and thus attains the perfection of life.

With the passage of time we are seeing that in this Age of Kali there are so many agents of Kali who come in the garb of pseudo gurus and then cheat their so-called disciples. By seeing this pitiful situation, we consider ourselves so fortunate that, the most merciful Acarya appeared in our lives to purify our vision and enlighten us with the torchlight of knowledge.

On the occasion of your divine appearance, I remember one incident shared by HG Atma Tattva Prabhu that once he met a South Indian Astrologer and by seeing your photo on book cover, Astrologer told that, " You are sum total incarnation of all 4 Acaryas of different Sampradaya and you represent them as well".

Srila Prabhupada, you came to us in the form of your books and your divine instructions. This is our great fortune. We can read the books you wrote, we can hear your conversations, read your letters, watch the rare videos with scenes from your life of preaching, and in this way we can be inspired to surrender our lives to your lotus feet. Thus maintaining the principle of guru-parampara, which you stress so much throughout all your books. In this way we can be in touch with you forever.

We worship you, Srila Prabhupada, because like children walking hand in hand with their father, we walk in this world in complete trust of your teachings, which you imparted only to help us go back home to Krishna.

We worship you, Srila Prabhupada, because every day when we receive your teachings, the real meaning of life becomes clear, and therefore every day we see more clearly that we should glorify you as our eternal guru, life after life Srila Prabhupada, all glories to your divine lotus feet!

Aspiring to become your sincere disciple,

Sundar Gopala Dasa.

My most beloved Srila Prabhupada,

Please accept my humble obeisance.

All glories to Your Divine Grace on this most auspicious day to all the fallen souls on this planet.

On this all auspicious tithi 123 years down the path of time planet Earth, with all its movable and non-movables had become fortunate because of the divine appearance of a pure devotee of The Supreme Person Lord Shri Krishna. After 69 long years of exemplary preparations you embarked on a journey to awaken the world in deep deep slumber. Being blessed by your presence the city of New York became the hub of the Sankirtan tree.

The transcendental literature which you called “Brihad Mridanga” that drilled holes through the miles of ice covering the fertile ground of soul proper and sowed the seed of ‘Krishna Prema’ and with sparks of blessing made it sprout for the fortunate one. Those books shone like thousand suns combined and cut the densely dark forest of desires and accumulated reactions and showed the path of truth to this fallen one. As Prahlad Maharaj says:

naiṣāṁ matis tāvad urukramāṅghriṁ; spr̥ṣaty anarthāpagamo yad-arthaḥ

mahīyasām pāda-rajo-'bhiṣekam; niṣkiñcanānām na vṛñīta yāvat

In this unlimitedly engrossing material world all the living beings are bound-up by unlimited ideas of personal enjoyment. To bring such a soul to desire to please Krishna is no ordinary magic. Such magical phenomena in human proportions happened and have been happening all over the world ever since you had blessed the lands of this planet with the dust of Your Lotus feet.

I am one such fallen one struggling hard to remain in this ocean of misery and ignorance though you have hooked me to your transcendental fishing hook.

On this auspicious day I fall at your feet and beg your mercy so that I may always desire to chant and meditate your unlimited glories at all time. So that I may only desire to be a servant of the servant of servantof your beloved servants eternally. So that I may constantly endeavor to be ever increasingly humble. So that I may aspire life after life to see the glance of satisfaction on your lotus face.

Eternally servant of your eternal servants

हरे कृष्णा प्यारे श्रीला प्रभुपाद जी,

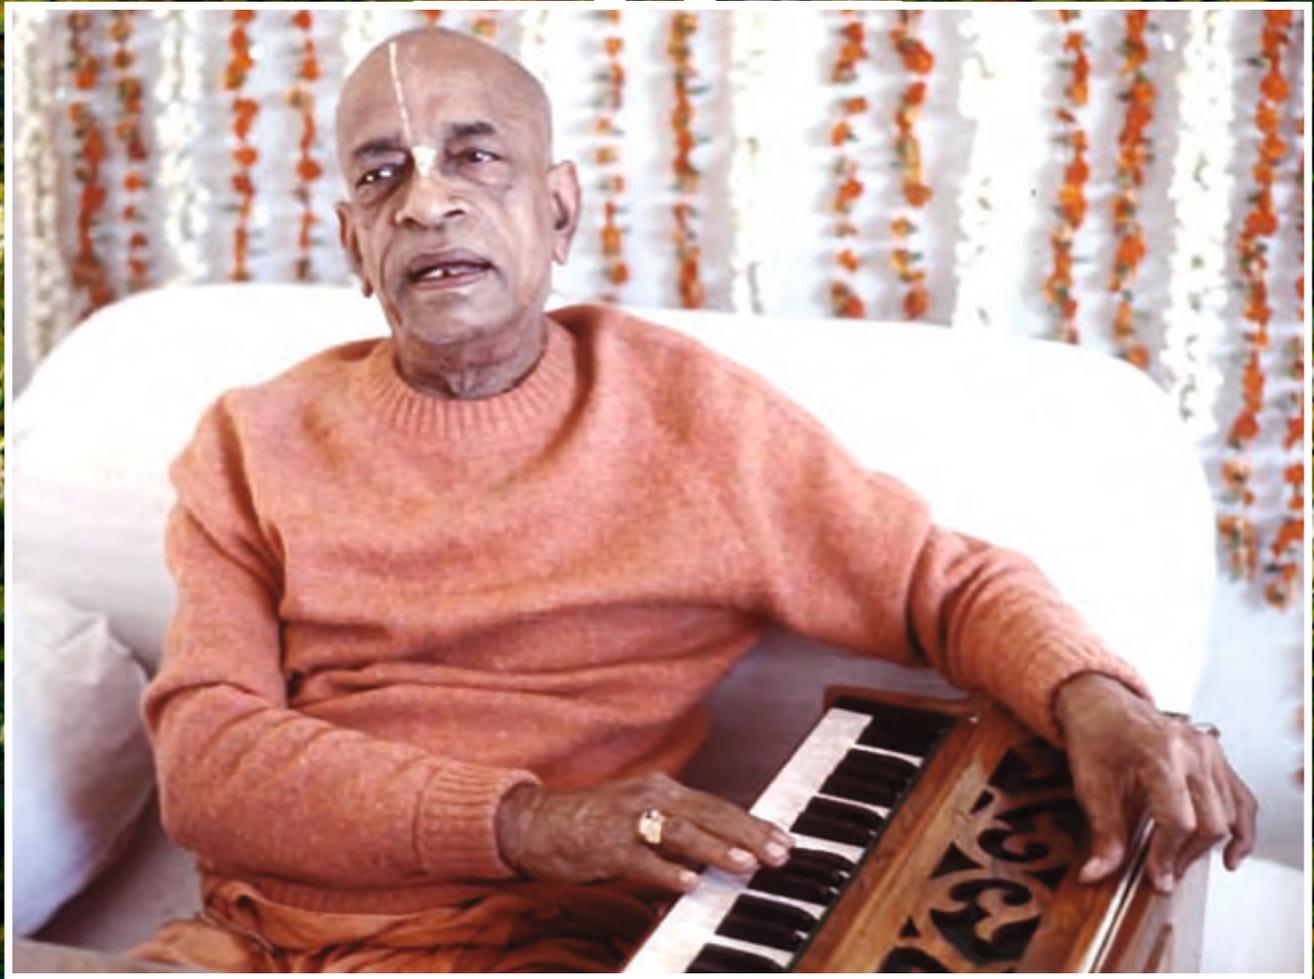

सबसे पहले तो आपके आविर्भाव दिवस पर आपको मेरा प्रणाम है।स्वीकार करें। आपकी जय हो।

प्रभुपाद, कहने को तो बहुत कुछ है। मैं यह संस्था में सेवा करते करते 5 साल हो गए हैं। शुरुवात में तो भक्ति के बारे में ज्यादा कुछ पता नहीं था, पर भक्तोंके संग पाके मुझे बहुत कुछ सीखने को मिला। मैं भक्ति करने का सही तरीका जान लिया।मैंने सही ढंग से ठाकुर का सेवा करना सीखा है।और कृष्ण का अलग अलग सेवा करने का अवसर मिला। धीरे धीरे मैंने माला जाप करना चालू किया।इससे पहले एक माला जप करता था, पर अब मैं 3-4 माला तक जप करता हूँ। लेकिन कभी कभी छूट जाता हूँ। आपसे मेरा करबद्ध निवेदन है कि आप अपने दया मुझ पर करें ताकि मैं कृष्ण भजन और कृष्ण सेवा में ज्यादा से ज्यादा ध्यान लगा सकूँ। मेरा मन बहुत चंचल है। हे प्रभुपाद, आप मेरे बंधन से बाहर आने का मार्ग प्रशस्त करे, क्यूंकी माया देवी अपने प्रभाव को किसीना किसी तरह से हम पर डाल देती है, उसकी वजह से मैं अपने मार्ग से भटक जाता हूँ। हे प्रभुपाद अपनी कृपा झुठी मेरे ऊपर बनाए रखो, ताकि मैं अपनी भक्ति मार्ग पर आगे जा सकूँ।

आपके सेवक, कृष्ण सेवा मे,

भक्त आमोल सिंह

Srila Prabhupada is the pre-eminent acharya of the Gaudiya Vaishnava sampradaya of our time. His voyage on the Jaladuta fifty years ago marked the beginning of a spiritual revival, and the twelve years after his arrival in America saw the Hare Krishna movement spread to major cities worldwide. For millennia, the Vedic tradition had been hidden behind the boundaries of India and within Sanskrit and the vernacular languages. To a world immersed in a materialistic ethos, Srila Prabhupada revealed the wisdom of this timeless philosophy.

The Vyasa-puja offering is a literary submission of praise and gratitude from the disciple unto the pure Vaishnava spiritual master. Devotees express their affectionate glorification of Srila Prabhupada, in writing, and offer them on the auspicious occasion of his appearance day, celebrated as Vyasa-puja.
