ನಿಮ್ಮ ಕರುಣೆಯಿಂದಲೇ ನಾನು ಮತ್ತು ನಮ್ಮ ಕುಟುಂಬದವರು ಪರಮ ಪುರುಷೋತ್ತಮ ಶ್ರೀ ಕೃಷ್ಣನ ಭಕ್ತಿ ಸೇವೆಯಲ್ಲಿ ತೊಡಗಿದ್ದೇವೆ. ನಿಮ್ಮ ಬೋಧನೆಗಳನ್ನು ನಮ್ಮ ಬದುಕಿನಲ್ಲಿ ಅಳವಡಿಸಿಕೊಂಡಿರುವುದರಿಂದ ನಮ್ಮ ಬದುಕಿನಲ್ಲಿ ಎಷ್ಟೇ ಸಂಕಟಗಳು ಬಂದರೂ ಅದನ್ನು ಭಗವಂತ ಶ್ರೀ ಕೃಷ್ಣನ ಕೃಪೆಯಿಂದ ಸುಲಭವಾಗಿ ಪಾರುಮಾಡಲಾಗುತ್ತಿದೆ. ನೀವು ನಿಮ್ಮ ಪುಸ್ತಕಗಳಲ್ಲಿ ಹಲವಾರು ಕಡೆ "ಪ್ರಾಮಾಣಿಕವಾಗಿ ಬದುಕಬೇಕು, ಆದರೆ ನಮ್ಮ ಚಿಂತನೆಗಳು ಬಹಳ ಎತ್ತರದ್ದಾಗಿರಬೇಕು" ಎಂದು ಹೇಳುತ್ತಾ, ವ್ಯವಸಾಯ ಮತ್ತು ಗೋಸೇವೆಗೆ ಬಹಳ ಪ್ರಾಮುಖ್ಯತೆಯನ್ನು ಕೊಡುತ್ತೀರ. ಮೂಲಭೂತವಾಗಿ ಎಲ್ಲಾ ಭಕ್ತರು ವ್ಯವಸಾಯ ಮತ್ತು ಗೋಸೇವೆಯನ್ನು ತಮ್ಮ ತಮ್ಮ ಬದುಕಿನಲ್ಲಿ ಅಳವಡಿಸಿಕೊಂಡು ಬದುಕಬೇಕು ಎಂದು ಬೋಧಿಸುತ್ತೀರ. ನಮ್ಮ ಈ ಮಹದೇವಪುರ ಫಾರ್ಮ್‌ನಲ್ಲಿ ಇಂಥ ಒಂದು ಜೀವನವನ್ನು ಪಾಲಿಸಲು ಒಳ್ಳೆಯ ಅವಕಾಶವನ್ನು ನಮ್ಮೆಲ್ಲರಿಗೂ ನೀವು ನಿಮ್ಮ ಕರುಣೆಯಿಂದ ಒದಗಿಸಿದ್ದೀರ.

ಹಚ್ಚು ಹಸಿರು ವಾತಾವರಣದಲ್ಲಿ ವ್ಯವಸಾಯ ಮತ್ತು ಗೋಸೇವೆಯನ್ನು ಮಾಡುತ್ತಾ, ಶ್ರೀ ಶ್ರೀ ಕೃಷ್ಣ ಬಲರಾಮರ ಸೇವೆ ಮಾಡುವುದು ಬಹಳ ಆನಂದವನ್ನು ನೀಡುತ್ತದೆ. ಇಂಥಾ ಸುವರ್ಣಾವಕಾಶವನ್ನು ನಮ್ಮೆಲ್ಲರಿಗೂ ಒದಗಿಸಿಕೊಟ್ಟು, ನಿಮ್ಮ ಬೋಧನೆಗಳಿಂದ ನಮ್ಮನ್ನೆಲ್ಲ ಪಾವನರಾಗಿಸುತ್ತಿರುವ ನಿಮಗೆ ನನ್ನ ಮತ್ತು ನಮ್ಮ ಕುಟುಂಬದವರ ಕೋಟಿ ಕೋಟಿ ನಮನಗಳನ್ನು ನಿಮ್ಮ ಪಾದ ಕಮಲಗಳಲ್ಲಿ ಅರ್ಪಿಸುತ್ತೇನೆ ಗುರುದೇವ!

ಹೀಗೇ ನಿಮ್ಮ ಕೃಪೆಯನ್ನು ಸದಾ ಈ ಫಾರ್ಮ್‌ನಲ್ಲಿ ಸೇವೆ ಮಾಡುವವರೆಲ್ಲರ ಮೇಲೂ ಕಾಯ್ದಿರಿಸಿ ನಮ್ಮನ್ನೆಲ್ಲ ಭವಸಾಗರದಿಂದ ರಕ್ಷಿಸಿ. ಏಕಾಗ್ರತೆಯಿಂದ ಜಪವನ್ನು ಮಾಡುವ ಮನ ಸ್ಥೈರ್ಯವನ್ನು ದಯಮಾಡಿ ಕರುಣಿಸಬೇಕು.

ಮತ್ತೊಮ್ಮೆ ನಿಮ್ಮ ಚರಣ ಕಮಲದಲ್ಲಿ ನನ್ನ ಧನ್ಯವಾದಗಳನ್ನೂ ಮತ್ತು ಶಿರಸಾಷ್ಟಾಂಗ ನಮಸ್ಕಾರಗಳನ್ನು ನಿವೇದಿಸುತ್ತಿದ್ದೇನೆ. ದಯವಿಟ್ಟು ಸ್ವೀಕರಿಸಿ.

ಶ್ರೀಲ ಪ್ರಭುಪಾದರಿಗೆ ಜಯವಾಗಲಿ!

ಇಂತಿ ನಿಮ್ಮ ವಿಧೇಯ, ಭಕ್ತ ಪುಟ್ಟಸ್ವಾಮಿ.

### Gita Gyaneswari Devi Dasi

Dear Srila Prabhupad,

Please accept my humble obeisance at your lots feet. All glories to your Divine Grace.

Words are inadequate to describe the kindness you showed to mankind by writing so many books which surely leads one to the right path of Krishna consciousness. You gave us the joy of chanting the mahamantra, worshipping the deities, attending mangala arathi, cooking and offering bhog for the Lord, conducting satsang, singing kirtans, dancing, reading scriptures, honouring prasadam etc...

Srila Prabhupad, it is because of your causeless mercy that we don't feel any tension even in the time of COVID 19 virus because you have given us a tight schedule of Krishna conscious life so that we can please Krishna. Actually we have no time to think of anything else.

So please shower your mercy on me so that I obtain strength and ability to discharge all the services entrusted to me, even be they insignificant, till my last breath.

Please keep me under the shelter of your lotus feet.

Your fallen servant,

Gita Gyaneswari Devi Dasi.

ശ്രീല പ്രഭുപാദർ കീ ജയ്

ശ്രീല പ്രഭുപാദർ എന്ന അഭയചർൺ ഡേ 1896 സെപ്റ്റംബർ 1-ാം തിയതി കൽക്കത്തയിൽ ജനിച്ചു. അദ്ദേഹത്തിന്റെ പിതാവ് വസ്ത്രവ്യാപാരിയായ ഗൗർമോഹൻഡേയും, മാതാവ് ശ്രീമതി രജനിയും ആയിരുന്നു.

ശ്രീലപ്രഭുപാദർ ലോകത്തിനു നൽകിയ സംഭാവനകൾ വിശകലനം ചെയ്യുമ്പോൾ അദ്ദേഹത്തിന്റെ ജീവിതത്തിലെ അവസാന ഘട്ടങ്ങളിൽ സംഭവിക്കാനിടയായ വിപ്ലവകരമായ ആദ്ധ്യാത്മിക നേട്ട്സ്ഹോണിതെല്ലാം എന്ന പ്രതീതി ഉളവാകുന്നു.

അച്ഛന്റെ ഭഗവത് ഭക്തിയുടേയും പുജയുടേയുമെല്ലാം ഓർമ്മകൾ ശ്രീലപ്രഭുപാദരിൽ എന്നും സജീവമായിരുന്നു. രാത്രി കടപുട്ടിയശേഷം വീട്ടിലെത്തുന്ന അച്ഛൻ എത്ര വൈകിയാലും ശരി, ഭഗവാൻ കൃഷ്ണനെ ഭക്തിപൂർവ്വം ആരാധിക്കുമായിരുന്നു. പ്രസ്തുത രംഗത്തെക്കുറിച്ച് പ്രബുപാദം ഇങ്ങനെ അനുസ്മരിക്കുകയായി ഞങ്ങൾ ആ സമയം ഉറങ്ങുകയായിരിക്കും എന്നാൽ അച്ഛൻ മണി കിലുക്കിക്കൊ് ആരതി ചെയ്യുമ്പോൾ ആ മണി നാദം കേട്ട് ഞങ്ങൾ ഉണരും അപ്പോൾ അച്ഛൻ കൃഷ്ണനു മുഖിൽ നമസ്കരിക്കുന്നത് കാണാം.

ശ്രീല പ്രഭുപാദരുടെ ജീവിതലക്ഷ്യം രാധാരാസവിഹാരിയേയും തന്റെ കൃഷ്ണമാവബോധ പ്രസ്ഥാനത്തേയും സംരക്ഷിക്കുക എന്നതായിരുന്നു.

എനിക്കു ഭക്തിയില്ല, ഒരു രീതിയിലുള്ള അറിവുമില്ല. കൃഷ്ണന്റെ ദിവ്യനാമത്തിൽ അടിയുറച്ച വിശ്വാസം മാത്രമു്. എനിക്ക് ഭക്തിവേദാന്ത എന്ന നാമകരണം നൽകപ്പെട്ടിരിക്കുന്നു. ഇപ്പോൾ അങ്ങേയ്ക്കിഷ്ടമെങ്കിൽ ഭക്തിവേദാന്ത എന്ന വാക്കിന്റെ അർത്ഥത്തെ സാക്ഷാത്കരിക്കുമാറ് എന്നെ പ്രാപ്തനാക്കിയാലും.

സെപ്റ്റംബർ 8, ജന്മാഷ്ടമി, ശ്രീകൃഷ്ണ ഭഗവാന്റെ തിരു അവതാരദിനം, ഒരു വർഷത്തിനു മുമ്പ് കൊളംബോയിൽ നിന്ന് യാത്ര തിരികുമ്പോൾ തീരത്ത് ജലഭൃതയിൽ വെച്ചായിരുന്നു. ഭക്തിവേദാന്ത സ്വാമി കൃഷ്ണന്റെ അവതാരദിനം അവസാനമായി ആഘോഷിച്ചത്.

കൃഷ്ണാവബോധ പ്രചാരണത്തിന് പ്രധാനമായി ശ്രീല പ്രഭുപാദർ ആധാരമായി സ്വീകരിച്ചത് ശ്രീമദ്ഭാഗവദ്ഗീത, ശ്രീമദ്ഭാഗവതം, ശ്രീചൈതന്യചരിതാമൃതം, നിരസാമൃതസിന്ധു, ശ്രീ ഈശോപനിഷത്ത്, ബ്രഹ്മസംഹിത തുടങ്ങിയ ഗ്രന്ഥരത്നങ്ങളെയാണ്.

വൃന്ദാവന മഹത്വങ്ങൾ ലോകത്തെ ബോധ്യപ്പെടുത്തുവാനുള്ള ആവേശത്തിൽ അദ്ദേഹം തന്റെ കൊച്ചു മുറിയിലിരുന്ന് വിശ്രമമില്ലാതെ എഴുതുകയായി അങ്ങനെ ഭഗവദ്സന്നിധിയിലേക്ക് എന്ന മാസിക മുടങ്ങാതെ പുറത്തിറക്കിക്കൊടുത്തു.

ഒരു ദിവസം ത്യാഗമനോഭാവത്തോടെ ഏകാന്തതയിൽ ഇരുന്നുകൊണ്ട് അദ്ദേഹം വൃന്ദാവന ഭജന എന്ന ബംഗാളി കവിത രചിച്ചു. ഇതിന്റെ പ്രാരംഭഭാഗങ്ങൾ പ്രത്യേകിച്ചു. വ്യക്തിത്വവും സ്വന്തം നിലയെ വിവരിക്കുന്നതുമായിരുന്നു.

തക്കതായ കാരണമില്ലാതെ തപസ്വകൾ അനുഷ്ഠിക്കാൻ ഞങ്ങൾ തയ്യാറല്ല അതുകൊണ്ട് താങ്കളെപ്പോലെ ശാസ്ത്രീയവും ദാർശനികവുമായ മനസ്സുള്ള ഒരാൾ ആദ്യമായി അതീന്ദ്രിയജ്ഞാനമെന്നൊന്നാണ് തീർച്ചയായും അറിയണം. അറിവു നേടിയാൽ തപസ്വ സ്വഭാവികമായും വന്നുകൊള്ളും.

കുലമോ പദവിയോ പൂർവ്വകാലത്തെ സ്വഭാവമോ പരിഗണിക്കാതെ ലോകമൊട്ടുക്കുമുള്ള എല്ലാ രാജ്യങ്ങളിലേയും ജനങ്ങൾക്ക് കൃഷ്ണാവബോധസാഹിത്യം ലഭ്യമാക്കിയ ആദ്യത്തെ മഹാനായ ആചാര്യൻ ശ്രീലപ്രഭുപാദർ ആയിരുന്നു.

പ്രഭുപാദരുടെ പുസ്തകങ്ങളിൽ ഒരു നായയുടേയും ഒരു പശുവിന്റെയും ഒരു മനുഷ്യന്റെയും ഒക്കെ ഉള്ളിൽ കുടികൊള്ളുന്ന പരമപുരുഷനായ ഭഗവാനെ പ്രദർശിപ്പിക്കുന്ന ചിത്രങ്ങൾ സർവ്വത്ര ഈശ്വരസാന്നിധ്യമുണ്ട് മനസ്സിലാക്കുവാൻ നമ്മെ സഹായിക്കുന്നു.

12 വർഷത്തെ വിദേശവാസത്തിനിടയിൽ വാർദ്ധക്യം വകവയ്ക്കാതെ ശ്രീലപ്രഭുപാദർ 14 പ്രാവശ്യം ആഗോളപര്യടനം നടത്തി. പ്രഭാഷണങ്ങൾ വഴിയായും റേഡിയോവിൽകൂടിയും വീഡിയോയിൽകൂടിയും അഭിമുഖസംഭാഷണങ്ങൾ വഴിയായും കൃഷ്ണാവബോധം ലോകമെമ്പാടും പ്രചരിപ്പിക്കുന്നതിൽ വിജയിച്ചു.

സ്വന്തം ജീവിതം കൃഷ്ണാവബോധ പ്രചാരണത്തിനുവേണ്ടി ഉഴിഞ്ഞുവെച്ച ഈ പരമഭാഗവതൻ 1979 നവംബർ 14-ാം തീയതി ഇഹലീല അവസാനിപ്പിച്ചു.

### Satyavrta Maharaja Dasa

A humble offering at the Lotus feet of Srila Prabhupad.

Although we are not qualified to glorify you adequately, we nonetheless have transcendental taste to glorify your activities. We shall try to glorify your activities according to the instructions received from authoritative sages & scholars. Whatever we speak, however, is always inadequate and insignificant. (SB.4.16.3 Praise of King Prthu by professional reciters.)

Dear Srila Prabhupada,

When I address you as Prabhupada, I remember your nice pastime on how you became Prabhupada. It was only after two years of establishing ISKCON that you agreed to be addressed as Prabhupada instead of Swamiji. You had given a nice definition of the word *Prabhupad* in the first volume of Srimad Bhagavatam. "*The pure devotees whose only business is serving are honored by the names Prabhupada and Vishnupada, which indicates such devotees to be representatives of the lotus feet of the Lord.*"

One devotee on hearing your new name couldn't accept it without hearing from you. On the next morning walk, he inquired

"Swamiji?"

"yes," You said

"I understand you prefer to be called Prabhupad"

You turned quickly, "*Where did you hear this? Who told you this?*" You appeared to be annoyed and became silent. But after a few moments, you spoke again, "*Actually I do not 'prefer'. But it is better.*"

Bhakti Rasamrta sindhu states 64 limbs of devotional service. Out of this five are most important. Caitanya Caritamrta Madhya 22.128-129 says

*sadhu-sanga,nama-kirtana,bhagavata- sravana, mathura-vasa,sri-murtira sraddhaya- sevana sakala-sadhana-shreshta ei panca- anga, Krsna-prema janmaya ei pancera alpa sanga*

"One should associate with pure devotees, chant the Holy names of the Lord, hear Srimad-Bhagavatam, reside at Mathura, and worship the Deity with faith and veneration. These five limbs of devotional service are the best of all. Even a slight performance of these five awakens the love for Krishna."

Dear Prabhupad one can never adequately appreciate how vigorously and completely you have established these five limbs of devotional service in ISKCON. Still please allow me to make a humble attempt to appreciate your wonderful accomplishment.

**sadhu-sanga:**

How emphatically you have underlined the unimaginable benefits one can derive from the association of devotees. Whole Srimad-Bhagavatam and Caitanya Caritamrtam are resplendent with verses describing the importance of devotee association with the sweetness of which you had very nicely detailed in your purports. In so many places you had stated that Srimad-Bhagavatam and Bhagavad Gita should be heard in the association of devotees. In fact, the primary reason for establishing ISKCON itself was that the devotees could peacefully practice devotional service in association with one another.

**nama-kirtana:**

Our whole movement centers around this most powerful devotional service namely chanting the Holy names of the Lord. In your prolific writings you have emphasized the urgent and indescribable need to purify our consciousness by chanting the Holy names of the Lord. You had unequivocally stated that in this age of kali no other process is as effective and beneficial than chanting. And you led a massive sankirtan movement all over the world as the commander-in-chief of Sri Caitanya Mahaprabhu's army. You told your disciples that the best seva one could render to one's spiritual master is to chant the prescribed minimum of sixteen rounds.

**Bhagavata-sravana:**

Srila Prabhupada, how meticulously you had written purports for Srimad-Bhagavatam and Bhagavad Gita. It was only after you had written purports for Bhagavatam and Bhagavad Gita with crystal clear clarity that people all over the world could understand these great scriptures and mould their lives as per the teachings of these scriptures. You ensured that in every ISKCON temple Srimad Bhagavatam and Bhagavad Gita were recited every day in association with devotees. In fact, you have stated that it is not a temple where Srimad-Bhagavatam is not recited every day but a tomb. You established the Bhakti Vedanta Book Trust just for publishing and printing scores of books in many languages and you started a massive book distribution movement all over the world in which thousands of enthusiastic and fired up devotees are taking part. More than fifty crores of your books have been distributed, Srila Prabhupad, all by your mercy.

**Mathura-vasa:**

Within a few years of setting up ISKCON, Srila Prabhupad you started bringing hundreds of devotees to India to let them have the taste of the dhams. In fact, you chartered a super jet to bring devotees to these dhams. Later you constructed temples in major dhams and inaugurated the dham parikrama which brings such immense transcendental joy to the devotees. And now every year thousands and thousands of ISKCON devotees from all over the world are regularly visiting these dhams and taking part in the parikrama.

**Sri Murti-seva:**

Srila Prabhupad, just to facilitate the worship of the beautiful forms of their Lordships Sri Sri Radha-Shyam Sunder, you had constructed an incredible one hundred and ten temples in just a very short span of ten years. We can never really ever fathom this phenomenal feat unparalleled in the history of the world. We all know the personal interest you took in completing all these temples and the anguish you underwent in acquiring the temple property in Mumbai. Not only you constructed these temples but you also taught the detailed deity service starting from mangala arathi at 4.30 A.M. to Shayanarathy at 8.30 P.M. You very systematically infused all the limbs of deity service to your disciples focussing on cleanliness and punctuality.

Srila Prabhupad, I am keenly aware whatever I have stated about you is very insignificant and is only for the purpose of my purification. Taking mercy on me please allow me the shelter of your lotus feet which are my only hope to protect me from my most fallen state of consciousness.

Your struggling disciple, Satyavrtta Maharaja Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisances at Your Lotus Feet. All glories to you, Your Divine Grace.

All glories to Sri Nitai Gaurasundara. All glories to Sri Sri Radha Madan Mohan.

Srila Prabhupad, you embarked upon the journey to the west to spread Krishna Consciousness. You did that to fulfil the desire of your Spiritual Master. In 1965 you left for the US from Calcutta. You had no money, no friends or acquaintances in the US. You were given a free ticket on a cargo ship M. V. Jaladuta. During the voyage, you suffered from two heart attacks. When you reached Boston you had another heart attack which left you slightly paralysed. But you had a burning passion for Krishna and an intense desire for obedience to your Spiritual Master.

In 1966 you registered the International Society for Krishna Consciousness (ISKCON). In the next 12 years, you travelled the globe many times and established 108 temples. You started the Sankirtana Movement world over as predicted by Sri Chaitanya Mahaprabhu that Krishna's glories will be sung in every village and every town in the world.

Srila Prabhupad, because of your mercy

I know the value of human life.

I know that God is Krishna.

I know the scientific basis of Krishna Consciousness.

I know the power of Krishna's Holy Name.

I learnt the Mahamantra the great mantra for deliverance.

I learnt how to worship Krishna.

I learnt to wear Krishna's Lotus Feet and Tulasi on my forehead.

I learnt how to honour Krishna's Mahaprasadam.

I learnt the treasure of Bhagavad Gita.

I tasted the nectar of Srimad Bhagavatam.

I know the process to escape birth, old age, disease and death.

Bad qualities in me are being killed.

Srila Prabhupada, I pray to you - please never to let go the hand of this fallen soul so that I can always remain in devotional service. Please help me in my endeavour to serve you and your mission through the chain of your servants. Please bless me so that I remain a simple and sincere servant. Srila Prabhupada, Thank you from the bottom of my heart for allowing such a fallen soul like myself to take shelter at Your Lotus Feet.

Srila Prabhupad ki Jai.

Your struggling servant,

Sita Thakurani Devi Dasi.

Hare Krishna!!!!All Glories to Srila Prabhupada!

Swami Prabhupad, founder-acharya of ISKCON, was born on 1st Sept 1896, a day after Janmashtami. His childhood name was Abhay Charan. He was also called Nandulal as he was born on that day. He got his graduation from Scottish College, situated at North Calcutta, which was very near to Prabhupad's Home. His proficiency in English and Sanskrit helped him a lot in following the instructions of his spiritual master. Later he rejected his degree in response to Mahatma Gandhi's Independence Movement.

When he was 22 years old, he married Radharani 11-year-old girl. This was an arranged marriage. Though he was Grihastha, he left his family for spreading the message of the Supreme Personality of Godhead.

In 1922 he met his spiritual master Bhakti Vedanta Saraswathi Maharaj. Actually this was a turning point in his life. In between, he started the publication called Back to Godhead.

Later he proceeded to the USA in a cargo ship. Though he faced many struggles in the beginning, in 1966 ISKCON (International Society for Krishna Consciousness) was formed in New York City.

All of us have to praise Srila Prabhupad because

1. His Determination and steady will
2. He made many disciples and Krishna devotees in all the places wherever he visited.
3. More than 108 Krishna Temples, all over the world.
4. Educated the Importance of Dhams like Jagannath Puri Temple (Orissa), Mayapur (W.Bengal) and Vrindavan (UP).
5. Promulgated Jagannath Ratha yatra in many cities of the world which clearly shows his capabilities in organizing huge programmes.
6. At last the importance of Hare Krishna Maha Mantra to get free from the influence of Kali.

Praising of Srila Prabhupada is a never-ending process.

*Hare Krishna Hare Krishna Krishna Krishna Hare Hare , Hare Rama Hare Rama Rama rama Hare Hare*

Hare Krishna Mahamanta ki jai. Swami Prabhupad ki jai.

A fallen servant of Srila Prabhupad,

Bhakta Ajithkumar, HKM Thrissur.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to Your Divine Grace.

When I was in Estonia and in USA, I have visited Iskcon temples. I have participated in Ratha Yatra in Tallinn. I was really overwhelmed with joy to see Krishna consciousness is being followed rigorously. Its all due to your mercy Prabhupada. It is only by your mercy, I have come to Iskcon. I am reading many of your books. I have participated in pilgrimages to Vrindavan, Dwaraka, Mayapur.

The message is very clear and strong. By following 4 regulative principles and chanting 16 rounds, we get the mercy of Lord. I have started practicing it. I am putting all efforts to become and more responsible and serious in this endeavor. I am sure that you will lead me to Godhead.

My humble Pranamam to you

Yours sincerely, Bhakta Alagappan Narayanan.

ശ്രീ. ഏ.സി. ഭക്തിവേദാന്തസ്വാമി പ്രഭുപാദർ

ഹരേകൃഷ്ണ!

പ്രഭുപാദർ എന്ന് കേൾക്കുമ്പോൾ ഉടനെ ഒരു വാക്ക്കൂടി ഏവരുടേയും ഓർമ്മയിൽ വരുന്നു “ഇസ്കോൺ”.

ലോകത്തിൽ എത്രയോ മഹാത്മാക്കൾ അവതാരം ചെയ്തിട്ടുണ്ട്. ഭാരതവർഷത്തിലും തമിഴ്നാട്. എ.ഡി. 1896ൽ ഭൂജാതനായി 1977ൽ ഇഹലീല അവസാനിപ്പിച്ച ശ്രീ. പ്രഭു പാദർക്ക് ശേഷം ലോകത്തിൽ തന്നെ മറ്റൊരു മഹാത്മാവ് അവതരിച്ചിട്ടില്ല. മഹാത്മാഗാന്ധിപോലും 1977 വരെ ഉായിരുന്നില്ലല്ലോ.

ആരാണ് പ്രഭുപാദർ/ എന്താണ് അദ്ദേഹത്തിന്റെ സന്ദേശം? ഭാരതീയ ഭക്തി മാർഗ്ഗത്തിനും ഭക്തിസാഹിത്യത്തിനും ആധുനികകാലത്ത് അത്യുല്യമായ സംഭാവന നൽകിയിട്ടുള്ള മഹാനാണ് ശ്രീ പ്രഭുപാദർ. മാധ്യം ഗൗഡീയ വൈഷ്ണവപരമ്പരയിലെ ഏറ്റവും ഒടുവിലത്തെ ശിഷ്യനും ആചാര്യനും അദ്ദേഹം തന്നെ. ഭാഷാസ്വാധീനത്തിലും സംഘടനാ പാടവത്തിലും അദ്ദേഹത്തിന്റെ നൈപുണ്യം കഠിന ഗുരു. ശ്രീ. ഭക്തിസിദ്ധാന്തസരസ്വതി പാശ്ചാത്യദേശങ്ങളിൽ കൃഷ്ണാനുബോധ പ്രവർത്തനങ്ങൾ ചെയ്യുവാനായി ശിഷ്യനെ നിയോഗിച്ചു. 1965ൽ ഗുരുവിന്റെ ഈ നിയോഗം ശിരസാവഹിച്ച് ശ്രീ പ്രഭുപാദർ യാത്രയായത് അമേരിക്കൻ ഐക്യനാടുകളിലേക്കാണ്. വൈഷ്ണവൻ പരദുഃഖ ദുഃഖിയാണ്. ഈ ദുഃഖം താല്ക്കാലികമായ ശരീരത്തെ സംബന്ധിച്ചതല്ല; ആത്മാവിന്റെ ശാശ്വതമായ സുഖമാണ് വൈഷ്ണവന്റെ ലക്ഷ്യം. ആത്മാവിന്റെ ദുഃഖം വൈഷ്ണവൻ മനസ്സിലാക്കുന്നു. ഭഗവാൻ കൃഷ്ണനിൽ നിന്ന് അകന്ന് പോയതും ‘മായാ’യുടെ വലയിൽ കുടുങ്ങിപ്പോയതുമാണ് ആത്മാവിന്റെ യഥാർത്ഥദുഃഖമെന്ന് വൈഷ്ണവൻ അറിയുന്നു. “പൂർണ്ണമായ ഭഗവാനിൽനിന്ന് വേർപെട്ട്” അംശരൂപമായ ആത്മാവ് പൂർണ്ണതയിൽ എത്തിച്ചേരുന്നതുവരെ വൈഷ്ണവാചാര്യന്മാർ ശിഷ്യഗണങ്ങളെ പ്രത്യക്ഷമായും പരോക്ഷമായും സഹായിച്ചുകൊരിയ്ക്കുന്നു. കൃഷ്ണാവബോധത്തിന്റെ ഇഹലോകത്തിലെ പ്രാതിനിധ്യം ശ്രീ പ്രഭു പാദർക്ക് മാത്രമാകയാൽ ആചാര്യന്മാർ ദുഃഖിതരായ ശിഷ്യഗണങ്ങളുടെ മനോ മാലിന്യങ്ങൾ കഴുകി നീക്കി. പ്രഭു പാദരിലേക്ക് അവരെ എത്തി നിലക്കുന്നു. പ്രഭു പാദർ അവരെ ഭഗവാനിലേക്ക് അടുപ്പിക്കുന്നു. ഇതാണ് വൈഷ്ണവ ആചാര്യ സമ്പ്രദായം. ഇതിനായി പ്രഭുപാദർ ഉതിർന്നുകൊടുത്ത നിയോഗിച്ചിട്ടുണ്ട്. ശ്രീല പ്രഭു പാദരുടെ ഭൗതിക ദേഹം ഇപ്പോൾ ഇല്ല എങ്കിലും അദ്ദേഹം ആചാര്യന്മാരുടെ ഹൃദയങ്ങളിൽ പ്രകാശിച്ചു കൊരിയ്ക്കുന്നു. അദ്ദേഹം എഴുതി വെച്ച അനേകം ഗ്രന്ഥങ്ങളിലൂടെ ശ്രീ പ്രഭു പാദരുടെ സന്ദേശം ഇപ്പോഴും വൈഷ്ണവഭക്തർക്ക് മാർഗ്ഗദീപമായി തെളിഞ്ഞുകൊരിയ്ക്കുന്നു.

ശ്രീല പ്രഭുപാദർ സമുന്നതനായ വേദപണ്ഡിതനും വൈദിക വിജ്ഞാന പ്രചാരകനും വൈഷ്ണവ ശിഷ്യപരമ്പരയിലെ 31-ാമത്തെ ആചാര്യഗണത്തിൽ ഉള്ള ആളുമായ ശ്രീല ഭക്തി സിദ്ധാന്തസരസ്വതി ഗോസ്വാമി അവർകളെ ആദ്യമായി കുമ്പട്ടിയത് 1922ൽ ആയിരുന്നു. കുമ്പട്ടിയ അന്നു തന്നെ പ്രഭുപാദർ അദ്ദേഹത്തിന്റെ വിദ്യാർത്ഥി ആയി. പിന്നീട് അലഹബാദിൽ വെച്ച് 1933 ൽ വിധിപ്രകാരമുള്ള ശിഷ്യത്വം സ്വീകരിച്ചു. ഗുരു നിർദ്ദേശപ്രകാരം ഭഗവദ്ഗീതയ്ക്ക് ഇംഗ്ലീഷിൽ വ്യാഖ്യാനം എഴുതി. 1947 ൽ ഗൗഡീയ വൈഷ്ണവ സംഘടന ‘ഭക്തി വേദാന്ത’ എന്ന ബിരുദം നൽകി അദ്ദേഹത്തെ ബഹുമാനിച്ചു. ശ്രീല പ്രഭു പാദർ തന്റെ 54-ാം വയസ്സിൽ ഗൃഹസ്ഥാശ്രമത്തിൽ നിന്ന് വിരമിയ്ക്കുകയും 1959 ൽ സന്യാസം സ്വീകരിക്കുകയും ചെയ്തു. അവിടെനിന്നു അടുത്തുള്ള അദ്ദേഹത്തിന്റെ ആദ്ധ്യക്ഷാനായിട്ടുള്ള ജൈത്രയാത്ര വർണ്ണനാതീതം തന്നെ.

ഗുരുനിർദ്ദേശം ശിരസാവഹിച്ച് പാശ്ചാത്യദേശങ്ങളിൽ കൃഷ്ണാവബോധ പ്രവർത്തനങ്ങൾക്കായി ശ്രീലപ്രഭു പാദർ അമേരിക്കൻ ഐക്യനാടുകളിലേക്ക് യാത്ര തിരിച്ചതും 1966 ൽ അമേരിക്കയിൽ “അന്തരാഷ്ട്ര കൃഷ്ണാവബോധ സമിതി സ്ഥാപിയ്ക്കാൻ കഴിഞ്ഞതും തുടർന്നുള്ള പ്രവർത്തനങ്ങളും അത്യുത്സാഹത്തിൽ അത്യുത്സാഹമായിരുന്നു.

ഏകദേശം 500 വർഷം മുമ്പ് ഭഗവാൻ കൃഷ്ണന്റെ തന്നെ അവതാര രൂപിയായ ശ്രീ “ചൈതന്യമഹാപ്രഭു” പ്രചരിപ്പിച്ച് നിർത്തിയിരുന്ന കൃഷ്ണാവബോധ സിദ്ധാന്തങ്ങളെ കൂടുതൽ നിറം കൊടുത്ത് അജ്ഞാനികളായ ആത്മാക്കളെ ഭഗവാനിലേക്ക് അടുപ്പിച്ച് നിർത്തുന്ന മഹായജ്ഞമായിരുന്നു പ്രഭു പാദർ ചെയ്തത്. ഭഗവദ്ഗീതയിൽ മഹദ്യജ്ഞമായി കൃഷ്ണൻ പ്രഖ്യാപിച്ചിട്ടുള്ള “ജപ” യജ്ഞത്തെ ലളിതങ്ങളിൽ ലളിതമായ രീതിയിൽ ചിട്ടപ്പെടുത്തി സാധാരണക്കാരിൽ എത്തിച്ച മഹാനാണ് ശ്രീല പ്രഭുപാദർ.

അനായാസമായ ഭക്തിമാർഗ്ഗമാണ് നാമജപം; ഭഗവാൻ കൃഷ്ണൻ ഏറ്റവും ഇഷ്ടമുള്ളതും തന്നെ. ദിവസേന 16 മണിക്കൂർ വീതമെങ്കിലും സമയമെടുത്ത് നാമജപമാലയിൽ കുറഞ്ഞത് 16 മാലവീതം “ ഹരേകൃഷ്ണ ഹരേകൃഷ്ണ, കൃഷ്ണ കൃഷ്ണ ഹരേ ഹരേ, ഹരേരാമ ഹരേരാമ രാമരാമഹരേഹരേ” എന്ന മാഹാമന്ത്രം ഉറക്കഴിയ്ക്കുവാനും പ്രഭു പാദർ ഉപദേശിച്ചു; പഠിപ്പിച്ചു. “ സർവേഷ്കാലേഷ്കാലമനുസ്മര” എന്ന ഭഗവദ്ഗീതാസനം ദിവസത്തിലെ 24 മണിക്കൂറും ഇടവിടാതെ എങ്ങനെ പ്രായോഗികമാക്കാം എന്നതിന് ചിട്ടപ്പെടുത്തിയ ജീവിതക്രമം അദ്ദേഹം നമുക്ക് കാണിച്ചു തന്നിട്ടുണ്ട്.

ശ്രീലപ്രഭു പാദരുടെ ത്യാഗപൂർണ്ണമായ പ്രവർത്തനങ്ങളെയും സംഭാവനകളെയും ഈ ചുരുങ്ങിയവാക്കുകളിൽ ഒതുക്കുവാൻ കഴിഞ്ഞിട്ടില്ല, കഴിയുകയുമില്ല.

ശ്രീലപ്രഭുപാദരുടെ കാൽപാടുകളെ പിൻതുടരുക.അദ്ദേഹത്തെ നമസ്കരിക്കുക. അത്രയെങ്കിലും ചെയ്യുവാൻ ഈ പതിതാത്മക്കളെ സഹായിയ്ക്കുവാൻ

ഭഗവാൻ കടാക്ഷിയ്ക്കേണമേ എന്ന് പ്രാർത്ഥിയ്ക്കുന്നു.

ഭക്തിവേദാന്തസ്വാമി പ്രഭുപാദ് മഹാരാജ്

ലോകർക്കെല്ലാം ഏകഭവനം പണിത യുഗപുരുഷൻ!

അങ്ങേക്ക് എന്റെ സാഷ്ടാംഗപ്രണാമം!

1896 സെപ്തംബർ ഒന്നാം തീയതി കൽക്കത്തയിൽ ഒരു കുലീനകുടുംബത്തിൽ പിതാവ് ശ്രീ. ഗൗർ മോഹൻഡേയുടെയും മാതാവ് ശ്രീമതി രജനിയുടെയും പുത്രനായ 'അഭയ്ചരൺഡേ' എന്ന ശ്രീലപ്രഭുപാദ് മഹാരാജ് ജനിച്ചു. മാതാപിതാക്കൾ തികഞ്ഞ നല്ലൊരു കൃഷ്ണഭക്തരായി രുന്നതിനാൽ മകനേയും നല്ലൊരു കൃഷ്ണഭക്തനായി വളർത്തി.

അവരുടെ പ്രോത്സാഹനത്തിൽ കൂടി വളർന്ന മകന്റെ അതിയായ ആഗ്രഹപ്രകാരം ഒരു കൃഷ്ണവിഗ്രഹം പിതാവ് വാങ്ങി സമ്മാനിച്ചു. വിഗ്രഹത്തെ എന്നും പൂജിച്ച് നെയ്‌വിളക്കുകൊണ്ട് ആരതി ചെയ്യുകയും മുറപോലെ ഭോഗ് (ഭക്ഷണം) സമർപ്പിക്കുകയും അഭയ് നടത്തിപ്പോന്നു.

വിവാഹപ്രായമായപ്പോൾ നല്ലൊരു കുലീനകുടുംബത്തിൽനിന്ന് 'രാധാറാണി ദത്ത' എന്ന ഒരു പെൺകുട്ടിയെ വിവാഹം കഴിച്ചു.

മാതാപിതാക്കളുടെ ആഗ്രഹപോലെ കൃഷ്ണാവബോധം തുടങ്ങി വെച്ചത് മനുഷ്യഹൃദയങ്ങളിലേക്ക് പകർത്താൻ ജീവിതത്തിന്റെ അവസാനംവരെ അദ്ദേഹം പ്രവർത്തിച്ചു എന്നത് എത്ര വിവരിച്ചാലും മതിയാവില്ല ഈ സംരംഭത്തിൽ എത്ര, എത്ര കഷ്ടപ്പാട് അദ്ദേഹം അനുഭവിച്ചത് ഈ ചെറുലിഖിതത്തിൽ ഒതുക്കാൻ സാധ്യമല്ല.

അദ്ദേഹത്തിന്റെ ഉദ്യമം വിജനപ്രദമാക്കാൻ നല്ലൊരു ഗുരുവിന്റെ ശിഷ്യത്വം വളരെ ആവശ്യമാണെന്ന് മനസ്സിലാക്കി അതിനുവേണ്ടി അന്വേഷിച്ചുനടക്കുമ്പോഴാണ് 'ശ്രീമദ് ഭക്തിസിദ്ധാന്ത സരസ്വതി ഗോസ്വാമി എന്ന തക്കതായ ഗുരുവിനെ കുമ്പട്ടിയത്ത്. അദ്ദേഹത്തിന്റെ മഹനീയ ശിക്ഷണത്തിൻകീഴിൽ ഉള്ള പ്രവർത്തനത്തിലൂടെ മാർഗ്ഗനിർദ്ദേശവും ധൈര്യവും ലഭിച്ചു. 1922-ൽ ഈ മഹാഭാഗ്യം അനുഭവിച്ചുകൊണ്ടിരുന്നു.

64 ഗൗഡീയ മഠങ്ങൾ സ്ഥാപിച്ച് സമൂഹനതനായ, വേദപണ്ഡിതനായ ഗുരു അഭ്യസ്ഥവിദ്യാനും യുവാവുമായ പ്രഭുപാദരെ വളരെയധികം ഇഷ്ടപ്പെടുകയും വൈദികവിജ്ഞാനം പ്രചരിപ്പിക്കുന്നത് ജീവിതലക്ഷ്യമാക്കാൻ പ്രോത്സാഹിച്ചുകൊടുത്ത ഗുരുവിന്റെ ശിഷ്യത്വം 1933-ൽ സ്വീകരിച്ചു.

അങ്ങിനെ വൈദികവിജ്ഞാനം ലഭിച്ചശേഷം ഗുരുവിന്റെ ഉപദേശമനുസരിച്ച് ഇംഗ്ലീഷ്ഭാഷയിൽ ഭഗവദ്ഗീത വ്യാഖ്യാനമെഴുതി. ശേഷം പതിവായി ഒരു ദൈവാരാധനാ സ്ഥിരമായി പ്രസിദ്ധീകരിച്ചുതുടങ്ങിയത് അദ്ദേഹത്തിന്റെ നല്ലൊരു കാൽവെപ്പായിരുന്നു.

1947-ൽ അദ്ദേഹത്തിന്റെ ഭക്തിപൂർണ്ണമായ പ്രവർത്തനത്തെ വിലയിരുത്തി 'ഭക്തിവേദാന്ത' എന്ന ബിരുദം നൽകി ബഹുമാനിച്ചു.

പത്നിയുമായി 1950ൽ 54-ാമത്തെ വയസ്സിൽ ഒരു പിണക്കത്തിൽ അദ്ദേഹത്തിന്റെ മനസ്സ് വളരെയധികം വിഷമിച്ച് സ്വന്തം വീടുവിട്ട് ഗൃഹസ്ഥാശ്രമത്തിൽ നിന്ന് വിരമിച്ച് പഠനത്തിനും എഴുത്തിനും കൂടുതൽ സമയം കണ്ടെത്തി വൃന്ദാവനത്തിലെ 'രാധാദാമോദർ'ക്ഷേത്രത്തിൽ താമസം തുടങ്ങി. 1959-ൽ സന്യാസം സ്വീകരിച്ചു. ഇവിടെവെച്ച് 18,000 ശ്ലോകങ്ങളുള്ള ഭാഗവതത്തിന് പരിഭാഷയും വ്യാഖ്യാനവും രചിക്കാൻ ആരംഭിച്ചു. 'അന്യഗ്രഹത്തിലേക്കുള്ള സുഗമയാത്ര എന്ന ഗ്രന്ഥവും ഇവിടെവെച്ചാണ് രചിച്ചത്.

1965-ൽ അദ്ധ്യാത്മികഗുരുവിന്റെ നിയോഗമനുസരിച്ച് അദ്ദേഹത്തിന്റെ ഇച്ഛ പൂർത്തീകരിക്കാനായി പാശ്ചാത്യരാജ്യങ്ങളിൽ പ്രധാനപ്പെട്ട അമേരിക്കയിലേക്ക് പോകാൻ ആദ്യമായി നിശ്ചയിച്ചു. ഗുരുവിന്റെ ഇച്ഛയും ഉപദേശവും അനുസരിച്ച് ഏതാ 43 വർഷം മുൻ പറഞ്ഞത് നിറവേറ്റാൻ അദ്ദേഹത്തിന് ഇപ്പോഴാണ് അവസരം കിട്ടിയത്. പക്ഷേ ആ പ്രിയപ്പെട്ട ഗുരുവര്യൻ അപ്പോഴേക്കും സമാധിയായിരുന്നു. ആ വിശ്വസ്ത ശിഷ്യൻ വളരെ വിഷമം പിടിച്ച കാര്യമാണെന്നറിഞ്ഞിട്ടുകൂടി ആ വാഗ്ദാനം നിറവേറ്റാൻ നിശ്ചയിച്ചു.

വർണ്ണിക്കാൻ കൂടി കഴിയാത്ത അദ്ദേഹത്തിന്റെ ഉറച്ച തീരുമാനം 'ഈ കഷ്ടപ്പാട് ആർക്കുവേണ്ടി' എന്ന് തോന്നിയേക്കാം. ഇതിനുത്തരം ലോകത്തിലെ മനുഷ്യരാശിക്ക് കൃഷ്ണാവബോധം വളർത്താനുള്ള അതിരറ്റ മോഹവും പരിശ്രമവുമാണ്.

വെറും 40 രൂപ കീഴയിൽവെച്ച് ഒരു ചരക്കുകപ്പലുടമ (ബു. ബി. മ്യൂഷൻ)യുടെ സഹായത്തോടുകൂടിയും ഔദാര്യത്തോടുകൂടിയും യാത്ര ചെയ്യുന്നതിനിടയിൽ രൂപ്രാവശ്യം ഹാർട്ട് അറ്റാക്ക് വന്നിട്ടും പിന്നോട്ടുപോകാതെ മനോധൈര്യത്തോടുകൂടി അമേരിക്കയിൽ എത്തി.

ഈ പുതിയ രാജ്യത്ത് ആരോരുമില്ലാതെ, ഉപജീവനത്തിനുവേണ്ടി മാർഗ്ഗം കാണാതെ അവിടുത്തെ ജനങ്ങൾക്ക് കൃഷ്ണാവബോധവും ആത്മീയജ്ഞാനവും എന്തെന്ന് പഠിപ്പിക്കാൻ കച്ചകെട്ടിയിറങ്ങിയ അദ്ദേഹത്തിന്റെ ത്യാഗവും ദുഃഖനീശ്ചയവും സമ്മതിച്ചുകൊടുക്കണം.

ഒരു ലക്ഷ്യവുമില്ലാതെയും ദൈവഭക്തിയെന്തെന്ന് അറിഞ്ഞുകൂടാത്തവരും, രാവു പകലും കഞ്ചാവു മധുരാക്ഷിയുമായി ജീവിക്കുന്ന ഒരു കൂട്ടം ജനസമൂഹത്തെ അവിടെ കാണാനിടയായി. ശരിക്കുള്ള കുടുംബജീവിതമില്ലാതെ നിയമവിരുദ്ധമായ ലൈംഗികവേഴ്ചയിൽ ജീവിതം നയിക്കുന്ന 'ഹിപ്പി

Dear Srila Prabhupada, All Glories to You.

I offer my humble obeisances to our beloved spiritual master. I am very fortunate that I got Srila Prabhupada as my eternal, spiritual master. I received genuine spiritual knowledge coming down in an authorized disciplic succession. After reading your precious priceless books, and listening to your nostalgic, informative videos, I was able to understand the glories of the Supreme Personality of Godhead, Shree Krishna. It gives me immense joy to speak of the glories of your Divine Grace which are vast as the ocean. I believe that you are The Shakti Aveshya Avataar, For who can achieve so much in a short span of 10 years, Spreading Krishna -Consciousness in the west and transforming many people into devotees and opening many, many temples. I remain baffled when I understand about the translations of all the Divine books in a few years. Nobody can achieve so much expertness as you Srila Prabhupada, the eternal servant of The Supreme Lord, Shree Krishna.

Gurudev you made me understand that this human form of life is for achieving higher goals and not for taking away this precious life like the animals. You made us understand that we are not this body, but a spiritual soul. (Aham Brahamasmi), part and parcel of the Divine Lord, and have to go back home, back to God Head at Parama Dhama. Gurudev you have answered all my queries which I was having throughout my life. Through your books and lectures, regarding the Cosmic - Manifestation and its working. Your books are very special, I read that once you told your disciples that every day even you read your own written books, because every time when you read the same book, you understand it in a different but better way. And that when you sit to write, Krishna comes personally and dictates to you, what to write. No wonder after reading your priceless books, so many people have changed, and become devotees, and following the path that you have shown.

Thank You Srila Prabhupada for the wonderful gift of devotional service that you have given me, Thank you for giving us the gift of Holy Name,"Nama Avatara"

Your Servant,

Bhaktin Kailash Shah.

സദാ കൃഷ്ണനെ സ്മരിക്കുന്ന വ്യക്തി ഒരിക്കലും അശുദ്ധനാകില്ല എന്നു പറയുന്നതിലൂടെ പ്രഭുപാദ്, ഭഗവാനെ എപ്പോഴും സ്മരിക്കുന്നതിന് ഞങ്ങൾക്ക് പ്രേരണ നൽകുന്നു.

ലോകത്ത് ആകമാനം കൊറോണ എന്ന മഹാമാരി വ്യാപിച്ചിരിക്കുന്ന ഈ അവസരത്തിൽ അങ്ങയുടെ ഒരു സംഭാഷണം വായിച്ചത് എനിക്കോർമ്മ വരുന്നു.

പ്രേമ ഭക്തിയോടെ എന്നെ സദാ ആരാധിക്കുന്നവർക്ക് എന്നെ മനസിലാക്കാനുള്ള ബുദ്ധിവിശേഷം ഞാൻ നൽകും എന്ന് ഈ ശ്ലോകത്തിന്റെ വിവർത്തനം ഭാവാർത്ഥം ഇവയിലൂടെ അങ്ങ് വ്യക്തമാക്കിത്തന്നു.

On this auspicious occasion of GURU POOJA, I feel very happy to offer my humble obeisances with few words. We should call you JAGAD GURU rather than simple GURU because you are a blessed soul who could lead the people around the whole world to the blissful path of Krishna Bhakti. You are the one and only Master who could attract people of different cultures to Sri Krishna and teach them that Sri Krishna is the Supreme Personality of Godhead. He helped the Krishna devotees to lead peaceful congregational life by establishing ISKCON.

Srila Prabhupada, by establishing ISKCON, you united the people around the world by a single but powerful string called the Hare Krishna Maha Mantra.

By these sixteen Namas of Krishna, you could direct and lead the whole world back to Godhead.

Srila Prabhupada, you were able to fulfill the orders of your spiritual Master Sri. Bhakti Siddhantha Saraswathi Gosvami within a short period of 10-12 yrs. Within this period you have revealed to mankind, the ocean of knowledge in Vedic literature through his several books.

The most precious among your contributions are “Bhagavad Gita, As It Is”, which has been translated to more than 80 languages and is being read by ISKCON devotees around the world. This book is unique and the explanations given by you are very simple but totally retain the depth of knowledge and spirituality contained in the words of Sri Krishna who narrates it to Arjuna. One will be able to get an answer to any of their queries in spiritual knowledge, by reading the purports given by You, Srila Prabhupada, in this book.

We should think that the Corona Virus has come as a blessing in disguise to ISKCON devotees. Because of lockdown, we, ISKCON devotees of Thrissur center could get Srimad Bhagavatham and Bhagavad Gita classes daily. Fortunately, I could attend these classes daily and so I could utilize my lockdown days in a scheduled manner.

By regularly attending the SB and BG lectures I could have a chance to know a little bit of Krishna and to see the tip of the iceberg of His glories. This was made possible by the clarity of purports given by You, Srila Prabhupada.

Now I want to know and hear more and more of Sri Krishna, because

Know Krishna - Know Happiness

No Krishna - No Happiness

I am sure that by the mercy of you, I will get Krishna and Sachidanandam by chanting Hare Krishna Maha Mantra and reading/ hearing Srimad Bhagavatham and Bhagavad Gita.

On this occasion, I should also extend my humble obeisance to two devotees who have helped me in knowing Krishna.

Firstly I should remember Sri Gopa Vrindesha Prabhu of ISKCON, Melbourne, who gave me the first opportunity to know about Jagad Guru Srila Prabhupad and become a part of this universal society of ISKCON.

Then I offer my gratitude and humble obeisance to our Siksha Guru, Sri Sathyvrtha Maharaja Prabhu who made the spiritual pathway kept open for me at Thrissur, guides, and leads our team to Goloka Vrindavan.

*Hare Kṛṣṇa Hare Hṛṣṇa Kṛṣṇa Kṛṣṇa Hare Hare*

*Hare Rāma Hare Rāma Rāma Rāma Hare Hare*

SRI BHAKTI VEDANTHA SWAMI SRILA PRABHUPADA KI JAI HO.

Your Servant,

Bhaktin Dr Ramani KC.

Dear Srila Prabhupada,

Please accept my most humble obeisances at your lotus feet. As the years go by, I gain more appreciation of what it means that you are the empowered representative of Chaitanya Mahaprabhu and the founder-acharya of Hare Krishna Movement. You are the actual deliverer of the fallen souls like me and others for the next few thousand years. By your transcendental literature, you are powerfully preaching to the conditioned souls & guiding them.

I am writing in amidst the time when and where the whole world is engulfed with different kinds of calamities and suffering within and out. The year 2020 has been quite arduous and agonizing. Often during this time, the general mass of people question their faith and belief in God. Why God is allowing so much of suffering? Doesn't he love us, we're his children, isn't it? How can the supreme father be so cruel? Others may see it as an opportunity to criticize and challenge, but I see a grand scheme of things through the vision from your divine instruction and books.

As we Lord Brahma, the first living entity in this Universe appeared in a lotus flower that sprouted from the navel of Garbhodakashayi Vishnu. The Lord entered Brahma's heart and invoked his intelligence to create the Universe as it was before the annihilation. Brahma created the five types of ignorance (tāmisra, andha-tāmisra, tamas, moha, and mahā-moha), the rakshasas, yakshas, and the devatas. After that, he created the demons that were too lustful and very fond of sex. They started attacking Brahma. Out of fear, Lord Brahma ran in great haste and approached the Lord for protection.

Lord Brahma then prayed to Supreme Lord

*My Lord, please protect me from these sinful demons, who were created by me under Your order. They are infuriated by an appetite for sex and have come to attack me. [SB 3.20.26]*

It is interesting to observe and takeaway that Brahma created them under the order of the Lord, but still, he had to suffer the consequence. When there is some danger, the general tendency is to think that it is due to our own action, or our past karma. But here, Brahma started the creation as ordered by the Supreme Lord, under His directions. But still, he was distressed by the attack of sinful demons. Often, we see that the devotees, who are very dear to the Lord, are also put into distressful situations.

The Paṇḍavas were virtuous in nature and fortunate to have Supreme Lord Krishna as their friend. The Lord personally became the charioteer of Arjuna; He went to the assembly of Kauravas as a messenger of the Paṇḍavas. But still, the Pandavas had to suffer a lot. Bhima was administered poison; they were put in a house made of inflammable materials which were set afire; their wife Draupadi was insulted in the vicious assembly of Kauravas; they were defeated in the gambling match and were exiled to the forest; they had to fight the man-eating demons, Hiḍimba and Bakasura; they had to live incognito for a year; and then there was a great battle – the battle of Kurukṣetra. Even after the war, Asvattama, the son of Droṇacarya, released the brahmastra to kill the child in the womb of Uttarā, the only surviving descendent of the Kurus. When the Paṇḍavas visited Bhisma, who was on the death bed, Bhisma cried, thinking of all the tribulations that the Paṇḍavas had to undergo in spite of having Lord Krishna as their friend. But, however, in the end, the victory is always with the sons of Pandu because Lord Krishna was associated with them.

Devotees are always in the mood of seeking protection from the Lord. When there are difficulties, which may not always be due to one's own sinful activities, devotees depend on the Lord. They understand that the nature of the material world is like that, and no one is spared here; and that they are fortunate to relish the protection of the Lord. **For devotees, the calamities are opportunities to see the Lord; to enjoy His protection.** And especially during time fallen soul like us get a chance to understand the mercy of Supreme Lord by your grace through your Immortal Vani. I pray to you, my dear master, please give me strength and more determination to serve you and Radha Gopinath. There are many interesting things and

achievements meant to happen for the pleasure of Sri Radha Gopinath past year & now, but I can definitely understand that you are waiting for the perfect time & circumstances to reciprocate it. I hope in a matter of time you will reveal ideas and instructions on how to execute it.

My dear lord, my heart is as black as a lump of coal. Guru also means "heavy," so only under the mighty pressure of your lotus feet can my heart be squeezed into a diamond of unbreakable determination to serve the Lord of the senses, Hrishikesh. Otherwise, how will this fallen soul like Anadavardhana Dasa attain any success in Krishna Consciousness? My life is merely hopeless without you. Though I am so lost, so incapable, so ungrateful for all you've given me, you have not rejected me. With a mixture of astonishment at the oceanic kindness of Your Divine Grace and bitter self-reproach, I prostrate myself at your lotus feet, the refuge of the three worlds. Dear Srila Prabhupada, let me surrender to you. I know I am baggage of countless anarthas, but still, if you find even tinge of worthiness on me, please engage my body, mind, intelligence for your service as you please. Let this lump of flesh become instruments on serving and pleasing devotees. My body doesn't belong to me since I have already surrendered to you. You may mould me, cut me, squeeze me, trample me, and anything as you please, but no one is dear to me than you, my beloved father.

Srila Prabhupada, I pray in the dust of your lotus feet that I may come to the standard of pure devotional service approved by you, even if it takes me years & obstacles to attain it.

Your Most Fallen Servant,

Anadavardhana Dasa.

Dear Srila Prabhupada,

Please accept my humble Obeisances at your Lotus feet. All glories to you Srila Prabhupada.

You have bestowed your causeless mercy upon an insignificant fallen soul like me by providing an environment where I can progress in Krishna Conscious. Your exalted position can never be estimated.

Recently I came across some Jewish, Mohammedan and Christian Literatures and in all of them your divine appearance had been predicted. Learning this information my joy knew no bound. All the messengers in other faiths confessed that "the knowledge they are preaching is not complete and a messenger of GOD will come and personally propagate the literature about God in its complete and true understanding all over the world". This is none other than Your Divine Grace Srila Prabhupad.

Although I do not have a chance of Vapu Seva I feel so blessed to be in an era where your Lectures, Letters, Instructions, publications and recordings etc. are all still available in its true form along with an institution to get trained in devotional service and most importantly to be initiated by you Srila Prabhupada, though I have no qualification. I can never be grateful enough for the benedictions you have showered on this world. I'm always indebted you Srila Prabhupada.

In Spite of being blessed with your causeless mercy, I'm struggling to read your books scrutinizingly on a daily basis. Sometimes I lose enthusiasm, however, the Vaishnava community created as part of your Hare Krishna Movement establishment gives great inspiration to continue in devotional service. I'm also lagging inattentive chanting, Deity cooking, Deity worship, and Sadhana.

I beg at your lotus feet to bless me with spiritual strength, enthusiasm, intelligence and devotional service to overcome my weaknesses and advance in Krishna Consciousness life. Kindly keep me at your Lotus feet always.

Thank You, Dear Srila Prabhupada

Your Aspiring Servant,

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories unto you on this auspicious day of your Vyasa Puja.

You are most merciful and benevolent and it is only because of your mercy that the science of Krishna is propagated all over the entire world. The holy name of the Lord, which you mercifully distributed is sanctifying the whole world. If there is any auspiciousness in this dark age of Kali, it is only because of your divine grace's preaching. The revealed scriptures say that by even a moment's association with a pure devotee such as yourself, one can attain all spiritual perfection. And as such, the living entities who come in touch with you through your books or hear your pastimes have begun their spiritual journey and will attain all spiritual perfection.

It is my greatest fortune to have come in touch with your divine grace. All the other events in my life are more or less insignificant. Your words are just like shining beacon in thick fog and give a deep sense of purpose and meaning to my life. By your causeless mercy, you introduced me to the holy name of Lord, Nama Prabhu, who is non-different from the Supreme Personality of Godhead Krishna himself. By your causeless mercy, you had allowed me to have darshan of the most beautiful deities of Sri Sri Radha Gopinath. By your causeless mercy, I have the association of senior devotees who set a great example. The current world situation, even though disastrous, is like a boon for me as I get to spend more time on my spiritual sadhana and association with Vaishnavas.

You always stressed on the importance of concurrent chanting and hearing the holy name with great attention. You mentioned that chanting with devotion and attention is the highest form of yoga. Just practising this by abhyasa, we can make spiritual advancement rapidly. This has been emphasized by senior devotees also as the most important process to tap into the sat-chit-ananda potency of the Lord and get spiritualized. So, I beg you on this Vyasa puja day to kindly bless and enable me to give full attention during Japa.

Your Insignificant Servant, Dwarakadhisha Dasa.

O revered Vaishnava Srila Prabhupada! O ocean of mercy!

Please be merciful to me, your insignificant servant by giving the shade of your lotus feet which I desire to hold tightly. Please accept my humble obeisances. Times like these I realize why *Vaishnavas* like you are called *patita pavana* because I am the greatest example of being a *patita*. Except for continuously asking for your mercy on me a wretched fool who continues to be in the clutches of *Maya* in spite of taking the shelter of your lotus feet.

Please help me to control the six urges, purify me of the six faults and please tarin me to imbibe good qualities. Although I have no chance of chanting the holy name of Krishna it is You your divine grace that your mercy that led me and motivated me to chant the holy name of Hare Krishna maha-mantra.

*yasya prasādād bhagavat-prasādo*

*yasyāprasādān na gatiḥ kuto 'pi*

*“By satisfaction of the spiritual master, the Supreme Personality of Godhead becomes satisfied. And by not satisfying the spiritual master, there is no chance of being promoted to the plane of Kṛṣṇa consciousness.”*

This year I really wanted to confess my sins and beg for your benediction to plant the devotional seed in me. Although you gave me the shelter by accepting me as your disciple, I have failed to understand the truth, and by associating with non-devotees either knowingly or unknowingly I have fallen and almost became a materialist. But my only hope to revive is your forgiveness Your divine Grace.

Although you gave me an opportunity to preach, I am not utilizing it properly, although you gave me a chance to worship the Supreme Personality of Godhead, I am neglecting it. I for recently am realizing how far away you have gone from my heart because of the filth accumulated by bad association.

I want to cleanse it and make a place for you again with purity so that I can make you a humble abode in my heart so that you can dwell in it and guide me always. I do not have anyone other than you whom I could ask for this benediction to forgive me and charge me with your potency. I realized one thing O Srila Prabhupada your life story, your journey, your books, all have these potencies which I need to tap and absorb the power.

I am a fool who is looking for external things to revive me, but it is always there right in front of me your life journey and your philosophy through lectures and books. Srila Prabhupada I am falling at your feet to beg you to please make me your loyal pet dog for which I desire to have the leash in your hand to guide me.

So please cast your divine glance upon me and protect me from these vilest abominable propensities I at times experience and train this soldier who will always be aspiring to serve your divine mission.

Your Most Fallen Servant, Kalyana Keerthi Dasa.

My Dear Srila Prabhupada,

Please accept my loving humble obeisances on this most auspicious occasion of your appearance day. I consider myself most fortunate to be given this opportunity to express my gratitude today.

It's been six years now from when you mysteriously saved me from a near-death fire accident, wherein my lower limbs were burnt and greatest surgeons of the best hospital in the world were doubtful that I would be able to walk again.

Only by your causeless mercy, I am alive today and was given another chance to perfect myself, I am able to walk, run, and even dance and also able to stand long shifts at work. It is your causeless mercy only, that my previous place of job just mystically closed for business and I was left with no options to stay back in Maryland. And it was by your guidance and help only, that I found a new job last Janamashtami, at a place that is only eight minutes away, from Radha Gopinath temple in Edison, New Jersey. I know that it was you who wanted me to be so closer to the temple so I can serve Radha Gopinath Ji every day, instead of driving 3 hours to serve once a month.

Furthermore, I am so thankful that by your mercy, my three months- vacation was approved during this COVID pandemic so I could serve Radha Gopinath Ji without any worries of having to work on front lines in pharmacy.

Dear Prabhupada, today I cannot think of anything else to ask for except that I pray you to please always keep me connected to your lotus feet and allow me to do more and more services.

Yours sincerely,  
Kanchana Rupa Devi Dasi.

Dear Srila Prabhupada ,

Please accept my humble obeisances at your Lotus feet.

All glories to you Srila Prabhupada .

On the same day 124 years ago was a great time in the history of this present age after when the collective consciousness of this planet earth was to change for the next 9,500 years by the Divine arrangement of the appearance of one of the most confidential associates of Srimati Radharani and it was none other than You Srila Prabhupada who appeared on this Earth from the dancing party of SRI SRI Radha Krishna in Goloka Vrindavan. It is our unfathomable Fortune that we are commemorating this great festival here at Radha Gopinath Mandir, United States, the place where you have sown the seed of ISKCON which would grow into a tree to give cooling shade to all humanity and fulfilling the prophecy to create a house where the whole world can live.

Whenever it comes to glorify your unlimited Divine qualities, I always feel so insignificant as if to contribute a drop in the ocean. Although for the ocean it doesn't matter but the drop of water get sheltered. Similarly, by trying to glorify and peeping into your transcendental qualities, we get purified. I seek the mercy of SRI SRI Radha Gopinath to properly glorify Your Divine Grace personality and beg for forgiveness at your lotus feet if there are any frailties in doing so.

During the churning of the ocean for the nectar of immortality for demigods, Lord Shri Krishna was present in many features, but when it came to handling poison before the nectar could come out It was Lord Shiva who agreed to hold poison in his throat and therefore called as Neelkantha. Similarly, before we start enjoying the nectar of pure Krishna Consciousness by touching Krishna in many features during sadhana bhakti It is your divine grace who tolerates and handles our poison like anarthas in the form of arrogance, Doubt, self-glorification, desire for name and fame to name a few. To preach to the lowest of mankind, ghosts, and spirits, Lord Shiva takes up similar attire and lives amongst them so that all these degraded creatures can have an opportunity to associate with him and get purified. Similarly, you came down from the Divine Association of Lord and lived amongst the most degraded souls in the most degraded place so that we can get an opportunity to associate with you and get purified. Such is your compassion for you are the personification of Krishna's compassion. Lord shiva remains with his ghastly and most inauspicious associates but SHIVA word itself means auspiciousness. Similarly, although you came to this mortal world which is to be feared at all points of time. But you were ABHAY as you are completely sheltered at Lotus feet of Krsna, which is the source of all fearlessness. In one of your purport to one verse in Srimad Bhagavatam, you explain that Lord Siva became very happy when he was ostracized by the curse of the Daksha in taking participation as a beneficiary of sacrifices along with all materialistic minded Demigods but you came to this place of where Maya has invested all her potency to create an ocean of materialism just to save jivas who are drowning in this ocean.

Wherever Ganges flow, it becomes a place of pilgrimage. Similarly, Wherever your Lotus feet were placed on this earth, it became a place of pilgrimage. Mother Ganges limits herself to only one geographical location of Bharatvarsha: But you have made the entire earth as the place of Pilgrimage by Your potency for all being of this world which fulfils the true essence of JAGAD GURU. It's said any expert sinner becomes purified of his by taking a bath in the Ganges, but anybody who bathes his Consciousness in words coming from your Lotus mouth his tendency to commit sin itself goes away such is your Divine MERCY.

On the devotional power of Advaita Acharya, Lord Chaitanya appeared to distribute Nama Prabhu on this earth, but he limited himself to bharatkhanda alone. But it is the power of your Love for Lord Chaitanya that Nama Prabhu has been freely distributed all over the world. We ourselves don't have any qualification to touch Nama Prabhu but it is your determination to serve your spiritual master and Lord Chaitanya that Nama Prabhu has entered in our life, and we are becoming recipients of the result of your service to them. I feel very incapable and weak to serve Nama Prabhu in my own personal life and waves of materialism are always ready to swallow this already fallen soul, so where is hope for me to serve

your Divine mission to distribute Holy name in others' lives. But I have faith that one day you will bless me with the power to serve Nama Prabhu with proper mood and consciousness, and Nama Prabhu will inspire my heart to assist you in your loving service to Lord Chaitanya.

In this hope, I am coming behind you trying to hold onto your instruction. So please, Srila Prabhupada, don't kick me from your shelter because of the unlimited offences I am committing at your Lotus feet every day. Please make me detach from the impermanent relationships of this world. Please make me a sincere follower of your instructions. Please do not let me again fall into the trap of the illusory energy, for I am the most vulnerable to it. Please do not lose hope on me, although I am the most hopeless and unworthy disciple. My only hope is your divine grace, compassion, magnanimity, and purifying potency.

Your aspiring servant,  
Nitya Gopal Dasa.

There's a saying that gurus form is the best to meditate upon; the Guru's feet are the best for worship; the Guru's word is the mantra; the Guru's Grace is the root of liberation. I don't know if I will be able to reach back to Krishna Loka in this birth but I would like to request you to keep me in your lotus feet shelter birth after birth no matter how insignificant I am.

I will surely try to reach to your expectations by trying to chant 16 round as well as read your books more efficiently day after day. Kindly bestow me with the divine love of Radha Gopinath all my life.

My Dear Guru Maharaja,

Dandavats Pranaam.

Please accept my humble Obeisances at your divine lotus feet.

*“om ajnana-timirandhasya jnananjana-salakaya*

*caksur unmilitam yena tasmai sri-gurave namah”*

*I was born in the darkest ignorance, and my spiritual master opened my eyes with the torch of knowledge. I offer my respectful obeisances unto him.*

There are no words to express and no way we can re-pay you for back to god ahead i.e. Krishna Loka. Maximum I could say from the bottom of the heart Thank you Prabhupada for giving shelter in Krishna Consciousness, undoubtedly without your mercy, it's not possible to get KRSNA Prema.

Whenever I read your books, quotes, instructions I feel I'm so fortunate that now I know what the purpose of human life meant for. Even I'm some time I feel the luckiest person in the world to get in touch with you. Otherwise, I could not imagine my life with Maya Loka.

Your only the acharya came out of comfortable life in Vrindavan to the Western world to give this Krishna Prema at the age of 70. it's unbelievable. it's all your biksha\mercy to Western world about KRSNA. we never going to re-pay whatever struggle you have undergone to establish Krishna Consciousness whole world. Thank you, Prabhupada for everything.

Please bless all the devotees who have worked very hard to serve Sri Radha Gopinath Ji in Edison, New Jersey. I beg for your mercy to make our mission to preach in NJ/NY most successful through Sri Radha Gopinath Ji.

Sometimes I'm getting anxiety, anger & I'm lacking enthusiasm in doing services. Please give me the strength to overcome my weakness. Please give me the strength to follow Krishna Consciousness more seriously and sincerely. It is my sincere request at your lotus feet Srila Prabhupada, to give me the intelligence and strength to understand your instructions more clearly and remember those instructions every day so that I can follow these instructions at every step and at every single moment of my life.

Your humble servant,

Satvata Smitha Dasa.

My dear Srila Guru Maharaja,

Please accept my humble Obeisances! All Glories to you!

You are a divine personality who has appeared on this planet to deliver the most sinful souls. You are the Personified mercy of the entire Parampara starting from Lord Sri Krishna to Lord Chaitanya to Srila Bhaktisiddhanta Saraswati Swami Maharaj. Entire human society should be ever indebted to you as you have mercifully spread the glories of the holy name in the entire world. Generally, the Acharya's or great devotees have come to this material world performed their Lila's, show their mercy, and left the material world. Their Lila's were performed when they were physically present in this world or their mercy was extensively available till their physical presence. You as an Archarya have not limited your compassion and kindness to physical presence. You are not physically available still you are bestowing your mercy on all the jivas. Your Lila's are still going on and is increasing multi-folds by your blessings. You are extending your mercy including all the Acharya's mercy in the parampara in this Kali-yuga.

It is inconceivable for the people who are materially conditioned to understand your position. We are just like frogs in a well who cannot understand the ocean on mercy. Our view is very blocked with material desires and bondage, with which we are not able to understand your position. When a person wearing coloured eye-glass he sees the world with the same colour similarly we are materially contaminated souls see everything with the same material vision. The only hope to have a clear vision is to have removed this material vision which can only be done by you.

*cakhu-dan dilo jei, janme janme prabhu sei -*

He who has given me the gift of transcendental vision is my lord, birth after birth. The knowledge received from you is the only key that can unlock the doors of this material world and we can escape from this material world which is a place of misery.

When I was small I had learned a doha in school but never understood the real essence but after coming in touch with you. This doha is making more and more sense.

*Guru Govind dou khade, kake lagoon pay, Balihari Guru aapno, Govind diyo batay*

Spiritual Master and Govind both are standing in front of me, who should I pay obeisances. I will firstly Bow down to the Spiritual master because he is the one who has informed me about Govinda.

Here in this Kali-yuga, the most precious thing any jiva can receive is your mercy. By your mercy, a person can chant the holy name of the Lord and participate in the Lila of Holy name. Somehow your mercy has fallen on me and I am able to chant Hare Krishna mantra. The mercy of yours had made me fortunate to chant Hare Krishna Mantra. But my strength is limited and I am not able to sincerely chant the Shudh-Nama. Please provide me with enough strength so that I may chant Hare Krishna Mantra with sincerity and humility. This is only possible only by your mercy and Guru Bala. If you desire this life should be the last in this material world, but till the time I am in this material life I would like to serve you and your mission. I want to dedicate my life to you but there is a lot of strength required this can only be provided by you. I need your help and assistance so can the vision can be cleared.

*kārṇya-doṣopahata-svabhāvaḥ pṛcchāmi tvām dharma-sammūḍha-cetāḥ*

"I am confused about my duty and have lost all composure because of weakness. In this condition, I am asking You to tell me clearly what is best for me."

Please help me, dear Srila Prabhupada I have a lot of weakness in my heart and this can be dissipated by you only. You are the only hope for me.

Please forgive me for all the mistakes and offences I have committed against you and your servants. I am a big fool who wants to show off his abilities even though I do not have any abilities and qualities. Please never reject me from your association and have compassion for this fallen condition soul. Begging for your mercy.

Your fallen servant,  
ShudhSattva Dasa.

My Dear Guru Maharaj,

Dandavat Pranams at your divine lotus feet.

Jai Nitai Gauranga!

On this auspicious day of your appearance, I request you to continue your mercy on the fallen soul like me to overcome all obstacles in the Spiritual life, there will be so many challenges to overcome in the Spiritual life, but by your mercy, it is possible, you give us strength and determination to overcome all obstacles in Krishna consciousness. You are always helping and encouraging me to progress in my devotional life. I will never be able to repay you for the blessing you have bestowed upon me

My Dear Guru Maharaj, We had a little fortune in our previous life and took birth in the holy land of India and later I had to move to the U.S.A. for my job duties, even though we are far away from India, we can continue our devotional life without disturbances. I recently saw a couple of videos of Jaganatha Rath Yatra celebration in Germany and other countries,

then I felt, all these festivals happening all over the worldwide because of your hard work, dedication and cause less mercy on mankind to spread Krishna consciousness. Thank you so much for your immense mercy and you are always inspiring me.

My dear Prabhupada, as you know how we are living far away from our Sri Sri Radha Gopinath Mandir, New Jersey and missing association of the devotees and our temple services, but I am trying to join services when I get some time, my only wish I could come back to New Jersey and be part of the temple services. This year I am planning to start searching for a new job, this will not happen without your mercy upon me. This is my humble request to help me to archive this. Once again thanks a ton for your causeless mercy upon me to continue the Krishna consciousness life.

Your insignificant servant,

I was born in the darkest ignorance, and my spiritual master opened my eyes with the torch of knowledge. I offer my respectful obeisances unto him.

Dear Srila Prabhupada,

Please accept my humble obeisances of this insignificant servant at your lotus feet. I still wonder how you have changed all the westerners who are modern mrigaris, hippies into perfect Vaishnava's and Sanyasis, for a pure devotee like you nothing is impossible. I'm fortunate enough to be your disciple these many years, without your causeless mercy this would not have been possible. I know you can transform anyone in this world with your spiritual touch, thanks for choosing this insignificant servant at your lotus feet. Your lotus feet are the only destination & shelter in this world for me.

My dear spiritual father you are the only strength to perform any spiritual activity without your mercy nothing is possible for me, please forgive me if I have done any anarthas knowingly or unknowingly. Please hold my hands & guide me to get out of this material world which is full of Maya & ignorance. Please give the taste in chanting the holy name, even after reading your books & getting guidance from the senior devotees I'm still not getting the taste to chant the holy name & doing a lot of offences while chanting, please give the will power to chant the holy name with concurrent chanting & hearing with all the sadhbhavana's.

My dear spiritual master your books and lectures are the only source in my life to be into this spiritual path and keep away from Maya, without this medicine I would have been drowned into this material world. Please give your mercy to read your books regularly and follow your instructions & engage in your service.

Your insignificant servant, Vidvan Chaitanya Dasa, Chicago.

Dear Srila Prabhupada,

Dandavat pranam at your lotus feet. Please accept my humble obeisances. You are truly merciful upon this fallen soul, due to your mercy I'm still in the association of devotees at IHF NJ NY temple. Your Divine Grace has blessed me with unlimited mercy to be in continued association with senior disciple Vaishnavas of Iskcon Bangalore and it's a group of temples. As of Oct 2019, we have started to have called daily to read your transcendental literature, we read twice a day. Through the association of Iskcon Bangalore, we have read through His Grace Madhu Pandit Prabhu's Soulful Japa Modules several times and are trying to do more attentive Japa. We started reading daily Srimad Bhagavatam and have paused it in June to start and complete reading of Krishna book before Janmashtami 2020. Through your mercy, my Japa attention has improved. Please continue to shower mercy on this useless soul and hold my hand in my spiritual journey and with your mercy hope I can contribute to your Spiritual movement through Iskcon Bangalore and it's a group of temples. Lastly, I beg for your mercy and your guidance to continue my current Sadhana and also look to improve my devotional service. I'm sure I might have committed offences at your Lotus Feet and my God Brothers and Sisters, please forgive my offences. Dear Srila Prabhupada

Please accept my humble obeisances, Krishna is so merciful that I got a chance to write this offering. I don't know how to write in words my feelings as I had been such a wonderful experience in the Radha Gopinath temples by all of the devotees. When I joined the temple in 2017, it was just a cultural event for me and I was not sure about your and Krishna's plan. Today it's so hard not remembering you. Not sure why always there are tears in my eyes when I think about you and Chant Hare Krishna Mahamantra. You are so merciful, that even with my so much little devotion, you pull in every service and I feel so satisfied after doing those. Prabhu, my humble and sincere request, please give me Krishna Bhakti, give me an association of devotees, please give me services. Please give me pure heart, remove material impurities from my mind, give me your blessings. Last but not the least, Prabhu please comes on this world one more time and give that pleasure to all of us.

Your Sincere Servant,  
Bhakta Deepak Agrawal.

I hope this fallen soul can get one drop of your mercy so that I can hopefully go back home back to godhead. I know I am worse than a dog and a dog eater, always forgetting Krishna, but I hope you can please look after this soul as you're the only one who can take care of me and you are the only one I trust. Thank you, Prabhupada for everything. Please give me the mercy to remember Krishna and follow your instructions without falling. A fallen soul and a trying to be a humble servant of your lotus feet.

Dear Srila Prabhupada,

Please accept my humble offerings. All Glories to Srila Prabhupada. I am not an initiated devotee but feel lucky to come across your mission in 1998 when I was given the Bhagwat Gita book by a colleague while just out of college in Bombay. I never read the Bhagwat Gita then and when I came to the US in early 1999 somehow BHAGWAT GITA AS IS was one of the books which ended up in my handbag and still exists with me. This is magic because I was not associated on a regular basis to any temple or full-time missionary but there was some attachment and that would not have been possible without your causeless mercy. For the years 2003 to 2009, I somehow came in touch with the Share Your Care a program for Barsana Eye Camp and the Bhaktivedanta Hospital associated with your mission and again it was your mercy that I could learn a little bit about the mission. From 2009 onwards I came across devotees who had impacted my day to day and put me somehow in your service and service for Lord Krishna to you. All I can say is I have a long long way to go but feel lucky to have learned little over the last few years and could contribute a small service towards your mission including the Tirupati temple, the Sunnyvale temple, and the beautiful Radha Gopinath temple in Edison NJ. My only humble request is to give me the strength to get better on this path you have laid and help me improve my service, chanting, and most importantly cleansing my heart of all unwanted elements so I can be a small servant of your mission. I would like by saying that in these so-called unprecedented times that we see in the material world the mission you started for the fallen souls like us will hopefully put us all on the right path and take us away from the circle of life and death and make us surrender ourselves to the Lord. Hopefully, I could call myself your servant one day as I haven't earned that right yet but am positive with your mercy and Lord Sri Krishna's blessings it may happen in this life

Your Servant of servants,

Bhakta Ketan.

My Dear Srila Prabhupada,

Dandavat Pranams at your divine lotus feet. Jaya Nitai Gauranga! On This Auspicious day of your appearance, I wanted to thank you for the knowledge you gave us. Thank you for being my guru through your books. I have learned thousands of new things I didn't know. Thank you for introducing Krishna consciousness to America. If you hadn't spread it in America I would not know Krishna Consciousness and not have become a devotee of Krishna. I enjoy Krishna's consciousness a lot! I relish the Sankirtans. I love it when I read about Krishna or his devotees. When we went to distribute Bhagavad Gita and other books you made I was very happy to spread it to other people. Additionally, I read your books for about 15-20 minutes every single day. I have read the whole Bhagavad Gita, Science of Self-realization, and An Easy Journey to Another Planet. They are very interesting and they are so interesting that I want to keep on reading it over and over. I read them over to understand it more and more. You gave me so much more strength to do Krishna consciousness. Even during these times of Covid-19, you have let me continue Krishna Consciousness and have given me a daily Krishna Book-A-Thon call. You are a very great guru for me and you make it really easy for me. You are a very awesome guru.

Your truthful servant,

Bhakta Likhith Karri.

Dear Srila Prabhupada,

It was a divine moment to get in touch with you about 25 years back through a disciple of yours. Over the years I can know the principles that you have taught. More recently I started spending more time with yourself through various means. It has been a transformative journey with many ups and downs. In a life full of upheavals it acts as a tonic to calm you down and give the strength to continue doing your karma. I hope I will continue on this path under your kind guidance ultimately reaching eternal happiness.

Dear Srila Prabhupada,

Please accept my humble obeisances.

It has been about two years since I got Associated with Krishna Consciousness.

Even though Krishna is in my life from childhood, I did not know the proper way of devotion before I was in touch with "Krishna Consciousness." I feel better day by day in my thoughts and actions after my association with Krishna Consciousness. And also, I am lucky to be associated with Krishna Consciousness. Doing little services and doing kirtan gives relaxation to my mind and body. I seek your mercy in following the upcoming days.

Please give me strength and guidance to follow Krishna Consciousness in critical times too.

Your servant,

## Bhakta Manish Chauhan

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to Srila Prabhupada. All glories to you on this auspicious day of your Vyasa puja. As my eternal Guru, you know everything about me Srila Prabhupada. I still remember the first day when I came in front of your Deity at the ISKCON Bangalore temple in 2005. I was totally shaken up from inside and I felt that I found my spiritual master, for whom I was searching all my life. And when I stood in front of the temple Deity, I cried like I had found the lap of my father. Dear Srila Prabhupada, I never believed in this show of emotions and always considered such crying as some kind of drama. But I have to admit that your mere glimpse had genuinely made me a desire for serving Lord Krishna and made me cry. Prabhupada, thank you so much for always being with me and guiding me from an amateur, novice young boy of 2005 to the man I am today in 2020. I see myself growing spiritually from a boy who could hardly chant 2 rounds to a man who is chanting 16 rounds today. All this is possible because of your divine protection and spiritual guidance all these years. I can remember innumerable incidents in my life when you guided my intelligence in the right direction. One such incident happened in IIT Delhi (2011) when few devotees from ISKCON Bangalore had come for a lecture and I expressed my dissatisfaction foolishly to them on the poor motivation of research. I expressed that whatever scientific projects we do are all useless as they hardly benefit anyone.

Despite my foolish display of such emotion, devotees were so kind to say that they would pray to Guru and Krishna for guiding in me in the right direction. To my surprise, today I am doing something which is a peak of the research activity in medical robotics until now in my career. Srila Prabhupada, I must say; I had never dreamed of this even in the wildest of

my dreams because I never considered myself fit enough for all this. And it is true that I am not a suitable candidate at all, but whatever growth I went through was only your mercy. Also, pure mercy of pure devotees who prayed for me to you and Krishna. From that day, my faith became stronger in the verse:

*vancha-kalpatarubhyash cha kripa-sindhubhya eva cha  
patitanam pavanebhyo vaishnavebhyo namo namaha*

It is true if Guru desires, a foolish person can also become learned. So what to speak of me, all I pray to your lotus feet is a small chance to serve. As Chaitya Guru, you are my life and soul and only hope to make my life successful by serving Lord Krishna. Today, I pray to you that please save me from the ocean of material desires and help me spread the message of Krishna Consciousness to the best of my ability.

Your humble servant,  
Bhakta Manish Chauhan.

## **Bhakta Naman Pal**

My Humble obeisances unto the Lotus feet of Radharani and Shri Krishna.

My Humble and sincere obeisance unto your Lotus feet without the mercy of whom, I would still be scratching the walls of the bottomless pit of darkness, ignorance, and forgetfulness. Your advent on this planet was like that rope; I can only hope to cling onto.

I consider myself to be as insignificant as a fraction of a droplet in front of you, who is the vast ocean of love, courage, and mercy; to be able to even begin commenting on you, let alone daring an attempt to glorify you. I am not worthy of it, nor I possess the minimum qualification to do so. Therefore, I beg you to provide me with a chance to express whatever little gratitude I can, with utmost caution.

*“My mission is to preach the philosophy of chanting the Hare Krishna Maha-mantra. This transcendental vibration is equally appealing to everyone, without any question of language, nation, nationality, creed, or caste; because it is coming from the depth of the soul.”*

One can hardly forget the imagery; Mind one-pointed, fixated on the request of your Guru Maharaj, eyes barely open to form contact with anyone around and cheeks sagging down. The pressure of physical and mental upkeep in an alien land weighed heavily on you; But the spirit remains unchallenged; focus, as sharp as a razor and faith unyielding like a mountain. These words just flow naturally out of you without any effort to tailor them to appease the audience or to suit their expectations. Your sincerity preceded your words. The people who might not be able to grasp the philosophy were attracted by your austerity and the reverence with which you followed your own teachings.

Such was your quality ...

To teach the delusion Jiva of Kaliyuga the philosophy of Krishna, only by the mercy of whom one can cross the endless ocean of birth and rebirth; was not an easy task. Shankaracharya whom people claim to be the pioneer of the Advaita philosophy; in his famous Bhaja Govindam Strotra mentioned :

*bhaja-govindaṁ bhaja-govindaṁ govindaṁ bhaja-mūḍhamate |  
nāma-smaraṇādanyamupāyaṁ nahi paśyāmo bhavataṛaṇe || 33||*

Coming from a strict line of disciplic succession, you knew very well that only this supreme knowledge which is bonafide and devoid of all kinds of materialism, will be able to truly help the masses to leap over this cycle of suffering and induce Krishna Prema. Hence you never diluted the original message or teachings and presented them as it is, brimming with your love for Krishna!

Such was your mission ...

In Bhagavatam 1.1.6 it is mentioned that :

*tvayā khalu purāṇāni setihāsāni cānagha  
ākhyātāny apy adhītāni dharmā-sāstrāṇi yāny uta*

This means that a person to be able to sit on Vyasasana, should not only be completely free from all vice but also must be well versed in all the scriptures famous for religious life, in the Purāṇas and the histories as well.

Except for the fact that you translated multiple scriptures from Sanskrit to English while keeping the original message intact; which in itself is an unprecedented act; your literary genius was matched by very few for that time. In one incident you asked one of your senior disciples to take the position of a Mayavadi and challenge him. As expected, you went on effortlessly to shatter the arguments presented by him. Then you asked that disciple to switch sides, and now yourself took the position of a Mayavadi and demolished the arguments presented against it; obviously not because you were against it but just because of your sheer command on the subject matter. You were so well versed in the Shastras that you used to quote a selection of words from a verse, which would explain something or merely to make your point; in the flow of his speech! Such was your knowledge ...

In one of the chilliest of winters of that time; 1965 Newyork.

In a ruthless and mercilessly cold environment; a degree enough to break down even the most determined of a rebel, a man walks alone.

A 70-year-old who already suffered two Cardiac arrests, walks alone.

With an old Humble suitcase, an umbrella, a few warm clothes, and meager means. You walked alone. In a monstrous industrial city, with absolutely no clue as to where to go, whom to ask for help .. You walked alone. With no plan for tomorrow, no plans for sustaining hunger and absolutely no one to watch your back except Krishna. You walked alone.

Sitting within the comforts of four walls, it's a tad hard to imagine for us; I know. You even went to a dockyard clerk and asked him three times for the ships leaving for India, but never boarded once. Such was your resolve.

*guru-mukha-padma-vakya, cittete koriya aikya*

The lengths of material suffering you went through to honor the request of your Guru cannot be overstated. Such was your determination to preach the holy name and rescue the dull-minded Jiva of Kaliyuga, by whom you were even offended oftentimes; and such was your love and bond with Krishna which is needless to describe.

*āniyācho jadi prabhu āmāre nācāte nācāo nācāo prabhu*

*nācāo s e-m ate kāṣṭhera puttali jathā n ācāo se- mate*

*bhakti nāi b eda nāi nāme khub daro "bhaktivedānta" nām ebe sārthak kor*

[ O Lord, I am just like a puppet in Your hands. So if You have brought me here to dance, then make me dance, make me dance, O Lord, make me dance as You like. I have no devotion, nor do I have any knowledge, but I have strong faith in the holy name of Kṛṣṇa. I have been designated as Bhaktivedānta, and now, if You like, You can fulfill the real purport of Bhaktivedānta. ]

No matter how hard I try, I will never be able to scribe a piece of text that could truly reflect your worth and service to all of us.

Yours forever indebted,

Bhakta Naman Pal.

My humble obeisances to Srila Prabhupad.

It had been a long desire of mine to read and understand the Bhagwad Gita. My desire is slowly being fulfilled due to the good works of your devotees. Every time I do the *Japa* meditation, I feel a flash of inspiration rush through me. It is giving my life a new direction. Due to the association of like-minded people at the *Aarti* and *Satsang*, my family is benefited. I feel blessed to be given the opportunity to perform *Seva* due to the good works of your devotees. Before I finish my offering to you, I wish to finish with the sentence that we use at the end of every *Aarti* in the temple: "All glories to Srila Prabhupad!" "Hare Krishna! Hare Krishna! Krishna Krishna Hare Hare! Hare Rama! Hare Rama! Rama Rama Hare Hare!"

Dear Srila Prabhupada,

Please accept my respectful obeisance. I always wonder your supremacy on Western souls in the Krishna consciousness movement. Even today, I feel it's a great miracle. This Western land jubilant with the touch of Your lotus feet. We are so fortunate to hear your lectures and read your books. Your pragmatic approach to preaching is phenomenal. I can't even imagine anyone can achieve this for the next 100 years unless someone gets Your Divine Grace.

Though I was engaged in different services since the manifestation of Sri Radha Gopinath Mandir, this year is remarkable in my spiritual journey. I am one of the fortunate souls who got your blessings to serve at your lotus feet. Dear Guru Maharaj, please infuse more spiritual strength and physical energy into me to serve at your lotus feet, forever. Jai Srila Prabhupada!!

Your insignificant servant,

I offer my respectful obeisances unto my spiritual master, who has opened my eyes, which were blinded by the darkness of ignorance, with the torchlight of knowledge.

Oh Srila Prabhupada, you have opened my eyes to see through this illusion and know that it is not permanent. At a time where I was very attached to this material world, you gave me some way to come back to my senses and know who I truly am as a soul. I now realize that by yours and Krsna's mercy, you were always with me, and were trying to get me, the most fallen soul, to ascend back into the highest realm of Goloka.

At a time where I was very lost and sad in life, I pulled through somehow, and if I had not gone through that, I would not have met my best who had first taken me Iskcon, the place where I had regained my Krishna Consciousness through the grace of Srimati Radharani on the auspicious occasion of her birthday in this material world.

I cannot thank you enough for ridding me from this horrible illusion of Maya which has kept me from the Lord for such a long period of time. By your mercy, I have a chance of escaping this endless cycle of birth and death and degradation. I offer my highest respectful obeisances onto the lotus dust of your feet.

Hare Krishna

Your Servant,

Dear Srila Prabhupada,

All glories to you on this auspicious day.

*na hi prapasyami mamapanudyad yac chokam ucchosanam indriyanam  
avapya bhumav asapatnam rddham rajyam suranam api cadhipatyam*

*The conclusion is that a spiritual master who is one hundred per cent Krishna conscious is a bona fide spiritual master, for he can solve the problems of life. Lord Caitanya said that one who is a master in the science of Kṛṣṇa consciousness, regardless of his social position, is the real spiritual master. - Bhagavad Gita 2.8.*

We need to find a suitable spiritual master for us, just like how Arjuna found Krishna. The spiritual master that we are going to find should be able to solve all our problems and guide us deeper into Krishna consciousness. He should also be a complete master in the subject of Krishna. He can be from a lower family, but that does not matter if he is a complete master in Krishna consciousness. Please accept my humble obeisances. All glories to you on this auspicious day of Vyasa Puja. I am glad to get an opportunity to share my experiences that taught me to live a peaceful and devoted life. One of the main things that you have taught me is that we are the soul and not the body. This is the most important step taken by me to move slowly towards Krishna. This is also an important step for self-realization. It motivated me to chant and reach Krishna as fast as possible to get out of this material suffering. Another thing that I learned from your teachings that changed my life is that we should engage in devotional service. By rendering devotional service to the supreme personality of godhead, Krishna, we can acquire knowledge and detachment from the material world. It makes it easier to reach the godhead if you are detached from the material world. The last thing that I'm going to talk about is how we can reach Krishna. You have taught us that if we want to easily reach Krishna, the only way is to chant the Hare Krishna Mahamantra. You also taught me how to chant and what to do while chanting. This stuff actually helped me out a lot while chanting to focus on the lotus

feet of the lord and listen to the words of the Maha-mantra. In conclusion, These are the things you taught me and I will try to learn more from reading your books. I will engage in Krishna consciousness and chant my way to Krishna. Thank you so much for all you've done to take us forgotten souls back to Krishna.

Jai Srila Prabhupad

Hare Krishna!

Your humble servant,

Bhakta Sumanth.

Dear Srila Prabhupada,

Please accept my most humble obeisances and dandavat pranams.

Srila Prabhupada, your infinite, causeless mercy and divine teachings are exalted on every continent of this planet. Having even Lord Krsna's adulations, you have attracted millions to Krishna's invitation to return home. While many were fortunate to have your personal initiation while you were visible to us, I am not among them. But so perfect is your mercy that it traverses not only the physical dimensions of this Brahmanda but its temporal ones as well. In the first days of my journey, I began voraciously absorbing your literature and written messages. As I progressed, I began observing the 4 regulative principles and chanting my 16 rounds (minimum) daily, while attending the temple nearly every day. But throughout my process, my mind was disturbed by the absence of Diksha initiations from you in ISKCON (the temple I attended). My mental equilibrium was forlorn and distraught, thinking I'd never have Diksha from you, my eternal spiritual master. But as you have many times since, you revealed your message to me once more through a divine Lila of yours.

Occurring at the site of Srila Rupa Gosvami's samadhi, you revealed this specific Lila to me the day after tears of despair poured down my face, mourning what I thought was the lost opportunity to formally take Diksha from you as my Guru. You revealed a conversation with your disciple wherein he questioned the misfortune of all the souls, like myself, who may read your literature, but can never take Diksha from you, and thus, they'll never formally link to this most divine parampara system, and can never go back home, back to Godhead. In response, not only to your disciple in 1972 but to your hopeless and despondent disciple in 2019, you revealed the ocean of infinite mercy in your heart once more and said: "*Just by reading my books they are initiated.*" Such is the benevolent and divine mercy you display in each of your Lila's that I was immediately comforted and have since learned to value your Vani over the absence of your vapu. That day you saved me and I became your servant.

I was raised by a bhakta since birth and was taught the knowledge of Lord Krsna. Unfortunately, I lost touch with Krishna Consciousness as I tried to "fit in" amongst the western and materialistic ideals of this degraded society. But by Lord Krishna's mercy, I was placed in distress last year, bringing me back to your temple, bhaktas, and your lotus feet. I knew it was your voice calling me back home, and at that moment I knew the truth of Lord Krsna's words in the Bhagavad Gita. Under the shield of your Vani, Lord Krsna delivered to me the spiritual knowledge of my previous births. Guided by your instructions, your bhaktas, and your books, I have immersed my heart in the unadulterated prosecution of my charge to dovetail my daily duties with, and engage in, transcendental loving devotional service to Lord Krishna. Through your instruction, I have reformed my behaviour, following the 4 regulative principles, and through your inspiration, I have begun distributing books. Even in your physical absence, your incredible, eternal mercy can salvage the most fallen souls like me.

Srila Prabhupada, I sincerely and wholly offer myself at your divine lotus feet with nothing worthy of gifting to you on this holy day of your Vyaspuja. But I humbly, and with trembling in my heart, surrender at your lotus feet and lodge my unworthy prayer to you for your constant guidance, protection, and instruction, birth after birth, as my eternal spiritual master. Please accept me as your most unworthy and fallen disciple, and lovingly guide me to achieve the perfection of

Krishna Consciousness, engaging me in always chanting and hearing Lord Krishna's holy names and glories and keep me at your divine lotus feet always. I pray you to keep me in the association with devotees, your instructions, your teachings, and engage me in your service. I pray you to give me the guidance and strength to observe a Vedic life of the 4 regulative principles, chant my 16 rounds (minimum) daily, and always take shelter of your lotus feet, so that I may serve you and Lord Sri Krishna, however, He may desire.

Your most fallen servant,

Bhakta Suneal Guptaa.

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to Srila Prabhupada. All glories to you on this auspicious day of your Vyasa-puja. I am forever indebted to you because of all of your astonishing efforts towards enhancing our spiritual lives. It's incredible to visualize the amount of spiritual knowledge that I've attained as a result of all of your tremendous work with translating the spiritual pastimes into comprehensible language. I wouldn't be where I am in my spiritual journey if it wasn't for you. All glories to Srila Prabhupada!

Before I embarked on my path of spiritual realization, I didn't even chant at all. In addition, I had minuscule amounts of knowledge of all the pastimes of Lord Krsna. Honestly, I was clueless about the real purpose of life, and I would've stayed that way if I hadn't come into contact with your literature, lessons, and spiritual light. But now, as a result of interacting with your books and the life-changing realizations that I've obtained from those divine sources of instruction, I'm chanting 16 rounds, and I have an immensely greater knowledge about spiritual history! The progress that I've seen in my self is truly staggering and once again, it's all because of you and your invaluable dedication towards enlightening this world. I've become so inspired by you and your works that I'll continue to preach to as many people as possible about you and your priceless education. In fact, I've even introduced chanting to one of my friends, and he's consistently doing 1 or 2 rounds every day. The very next day from when he started, he texted me saying that it's one of the most peaceful activities that he's indulged in and he's desiring to keep continuing that unrivaled spiritual undertaking.

I'm extremely glad and fortunate that I've gotten exposure and association with you at such an early age because I'm highly motivated to keep passing along all of your valuable teachings for many generations to come. I cannot stress how advantageous you are in my life as every day, I'm improving myself spiritually and embracing divine realizations, such as how the body is completely different from the soul and how we are actually not this body, and we need to strive exceptionally hard to perform auspicious spiritual activities every single day so that we can reach Godhead as soon as possible. Due to your grace, I've realized how fortunate I am to have attained this human form of life, and as a result, with the apprehensions that I've gained from you, I'm taking advantage of this human form to utilize it as significantly as possible solely for the purposes of serving Krsna. I love watching your short stories on YouTube and out of everything that I've watched, those videos are the most engaging and enlightening. I will never ever let go of my efforts to progress in my spiritual advancement not only to honor you but also as important to obtain a greater likelihood of elevating to the platform of Krsna consciousness and attaining liberation.

Two words of thank you are never enough to express my gratitude towards an authoritative, superior, eminent personality like you, but it just wouldn't be wholesome to end my appreciation without those words. Therefore, for everything that you have done in my life so far and for everything that is sure to come, all because of your distinguished grace, I'm profoundly thankful and extremely grateful for you and your awe-inspiring impact.

Your humble servant, Bhakta Vedvignesh Gorjala V.G.

Dearest Bhaktivedanta Srila Prabhupada,

Please accept my humble obeisances. All glories onto you. Srila Prabhupada, you have given this ghastly world a magnanimous gift. The gift which heaves your heart, the gift which uplifts your soul, and finally the gift that unites those of different backgrounds to join this movement and cherish it lifelong. What you have done throughout your journey has been exceptionally remarkable. You have started this Hare Krishna Movement in great difficulty and attracted many outsiders to this just as a man welcomes their guest into their home, you have accepted every single fallen soul into your home of Krishna Consciousness. No matter how many times people offend you, you are still willing to go to them and bring them back home to the eternal life of unlimited bliss. That is the epitome of kindness. You made yourself available in many ways to your disciples and taught them 24/7. Bhaktivedanta Swami Srila Prabhupada, if it weren't for you I would have never been able to learn the true definition of kindness and mercy. You have directed many living entities and showed them their home. Despite that, they take advantage of you and just let it go. But each and every day I am willing to take the risk and slowly surrender my life unto Lord Sri Krishna. The slightest illusions (Maya) can set you off track in your devotional life. Srila Prabhupada, I am currently on a bridge of intoxication, illusion, and harrowing traps and I am working my way to get to the other side of the bridge, the side of peace, loving service to Krishna, and enlightenment.

In the year 2019, you have given a wonderful opportunity to preach about the holy names of the lord and your books by sankirtan. I even received a parijata flower right from the feet of Chaitanya Mahaprabhu by your mercy. Srila Prabhupada, there maybe be many foolish entities in this world that think to be in Krishna consciousness and chanting the names of Hari constantly seems paranoid but I promise you that I will try my level to make sure that such demoralizing comments won't let me or my love for Krishna decelerate. Prabhupada, I am very grateful for you that even in the most subjugated time in this world of the deadly 2019 Pandemic, you have helped me stay dynamic in practising Krishna Consciousness. I have been constantly attending calls conducted by the temple president of Sri Radha Gopinath Mandir (H.G Sukhlambara Dasa) and am gaining knowledge by the spec of the minute. I have also been teaching and slightly collaborating with young kids, ages between 6-9 about the advent of Lord Shri Krishna. Even in the most difficult times of my life I have never given up on you and have been constantly engaged in your service. Even after the demise of one of our precious family members, instead of feeling depressed, I left it unto you, please see that his soul connects to the Supreme Lord and Rests in Peace.

Someone once told me a wise adage, "If we just remain faithful to the right person, everything becomes supremely auspicious" in this case it was you and people say that you have glorified millions of times more within the core of our hearts in all times to come because of the difficulties you underwent for us. Srila Prabhupada, you prove to each and every living entity that we cannot afford any turbulences in our spiritual lives. You have been struck by a heart attack but that never stopped you from believing in Krishna and that never got in the way of your spiritual life. Dear Prabhupada, that is the difference between fallen souls and you(a pure devotee) we don't have a sharp focus on Krishna consciousness. You are committed to the mission of Establishing Krishna's name. You can never get out of the thought of Krishna, and that is what makes you strong in that field. You have that state of will where you can sacrifice your life to Krishna and in this material, no one has the power to interfere with such great sacrifice. Krishna revealed it through you by the difficulties you went through and all that you have preserved for us. You have taught us all the basic principles and wrote books on Krishna for us to read and amplify our KNOWLEDGE on The Supreme Personality of Godhead. Receiving such a great, merciful, and divine Spiritual master who is instructing us to surrender our heart onto Krishna and practice devotional life so the soul to return back home back to Godhead is a lifetime opportunity that we should be able to perceive.

Prabhupada, I know that we shouldn't be asking for material desires but I just want to achieve one thing and I need your blessing. I would like to study at Princeton University. While you are at it please try to convince Krishna as well. By going to Princeton University I will try to preach your mission there too. Please protect me and help me awaken my soul Prabhupada.

Your Most Fallen and Insignificant Servant Bhakta Bhuvana Sana.

Please accept my humble obeisance and all glories to Srila Prabhupada. All glories to you on this special day of your *Vyasa-puja*. I have been forever indebted to you because if it wasn't for your grace, I wouldn't be at the level of Krishna consciousness I am at right now. I have been given so many opportunities to connect and get closer to Krishna and gain more knowledge on Krishna consciousness overall. Also, I've gotten the chance to listen to very special lessons and talks

from devotees, and that is all thanks to you. Furthermore, it is only because of your wonderful teachings and lessons that I have been able to chant the number of Hare Krishna rounds I do currently, and your lessons have been very important in my life and have given me so much guidance. I still have a very long path to cover in my journey of Krishna consciousness, but I have confidence in knowing that your books and lessons will aid me through my journey and motivate me to become a better form of myself spiritually, every single day. Thank you so much for everything you've done, as if it wasn't for your grace, I would be nowhere as knowledgeable about Krishna consciousness and chanting as I am right now. All glories to Srila Prabhupada.

I offer my respectful obeisances unto you, please accept it. All glories to you. I am really grateful to be on this path of Krishna consciousness and having you as my spiritual master to guide me at every step, through your teachings & books. I am a fallen soul, and only your mercy can save me from the clutches of Maya which always try to pull me away in different directions. I pray unto you sincerely to please give me good intelligence & spiritual strength to help me go ahead on this path of Krishna Consciousness. I have started with a very basic sadhana of chanting 16 rounds, but I need your blessings to help my sadhana get better, to chant without offenses, intelligence to read and understand your holy books, overcome any obstacles on this path and not to go astray in any way. Please forgive me for any mistakes/offenses that I have committed at your feet knowingly or unknowingly and please bless me to get me better at my spiritual sadhana each passing day & let me always stay meek & humble. Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to you on this auspicious day of Vyasa Puja. As I stand here, as your humble servant, I think back to the days where I did not know what Krishna Consciousness was, the days where I was praying demigods and living a normal, materialistic life. I remember the first day I entered the ISKCON temple. I did not know anything about you except that you were the founder of this organization. From that day onwards, with your causeless mercy, I got deeper into Krishna Consciousness through the association of you and your respectful devotees.

Thank you so much for giving me this opportunity of associating with you in this life. I do not know how to reciprocate my gratefulness to you. Your association has given many benefits in my life. Because of you, I have learned the purpose of my life. I am so lucky to have a human form of life, and with your teachings, I now know that the purpose of my life is to go back to the Supreme Personality of Godhead, Krishna. Not only have you explained what needs to be done, but you have also given the easiest way possible to achieve it. You have given me ways to improve myself spiritually by chanting every day, following the four regulative principles, and read/listen/think about Krishna's transcendental pastimes. I would also like to thank you for sharing your extraordinary knowledge with a foolish person like me through your books. Your books give me so much transcendental knowledge about Krishna. You have spent days and nights writing many books just so we also know the knowledge you carried with you. I do not have the chance to associate with you directly, but instead, you have given me the association of Your pure devotees. Through them, I have gained a lot of knowledge too. They have taught me about all your teachings. Their association is very beneficial because even though you have shown me the right path and you are guiding me through every step of it, your pure devotees' association helps me with answering all my questions.

Associating with you through your devotees gives my soul pleasure, but I really wish I had the chance to associate with you directly and personally. Through your devotees, I have also learned about all the struggles you have faced to construct this worldwide Iskcon organization in order to change us, ignorant souls, into Krishna Consciousness souls. You have faced poverty, hunger, physical pain, and many unimaginable struggles just for the benefit of us. Thank you so much Srila Prabhupad, for undergoing all this.

My wish to you is to make me advance in Krishna Consciousness, where I would be free from this material world and understand the pure knowledge about Krishna. Where I would be able to chant 16 rounds every day without fail, follow the four regulative principles you have given and always spare time in my life to read more and more of your books to acquire more knowledge about you and Krishna. Where I would come back to the eternal abode and serve my spiritual master and the Lord. Jai Srila Prabhupad. Hare Krishna.

Your Sercant,

Bhaktin Kanya.

Dear Srila Prabhupada,

Please accept my humble obeisances. There are no words to express my thanks to you for your mercy upon me. Beginning of the year I took an oath to do four rounds of chanting for this year. Just because of your mercy I am able to do 16 rounds every day. Now I can't imagine my day to end without 16 rounds of chanting. I am sure I am not doing mindful Japa. Kindly help me to improve from mindless Japa to mindful Japa then to soulful Japa, Srila Prabhupada. Still, I am attached to materialistic activities. Kindly bless me to focus more on spiritual activities. Kindly pour your mercy on my family to continuously chant and do the service to you and Krishna. Always I want to have an association with your devotees. Thank you very much Srila Prabhupada.

Your Servant,

Bhaktin Latha Gali.

Dear Srila Prabhupada,

First & foremost I would like to offer my humble obeisances unto you & all the Acharyas in the parampara.

I am thankful & grateful to have gotten the association of few of your disciples through whom I got a chance to know & learn about your greatness & feats as a spiritual master & guide. I am a neophyte to Krishna Consciousness but whatever little knowledge I have gained in this short time frame about the Supreme Personality of Godhead is all due to the tireless efforts that you put to not only translate the spiritual books containing ocean of knowledge about Lord Sri Krishna, Srimati Radharani and the teachings of Lord Chaitanya Mahāprabhu in a language understood by a mass population, English but also for the lectures and letters that you wrote to your disciples to uplift the mankind from their miserable life. For which I will ever be thankful to You.

I hope that one day I will have Your as well as Lord Krishna & Srimati Radharani's mercy to become a pure/unalloyed devotee of the Supreme Personality of Godhead. Please forgive me for any mistakes I may have committed to writing this offering.

All glories to you on this auspicious day of your Vyasa Puja.

Your's Sincerely,

Bhaktin Latha S.

Dear Srila Prabhupada,

Please accept my humble obeisances, all glories to you!

I got introduced to ISKCON around 1.5 yrs back and to date when I see the changes in me related to Krishna is all because of your mercy and association with devotees. Hardly I know about you or Chaitanya Mahaprabhu, but the mercy you are showering on me is tremendously getting me advanced in spirituality. I like Krishna from my young age ...but I do not know the importance of supreme personality of the godhead and how he controls everything ...only after reading Bhagavad Gita and contemplating on the concepts I understand about Krishna and how powerful, and merciful he is and that is all because of your purports. The service you did to this society in your lifetime through preaching, writing books, and creating this organization has helped fallen souls like me to understand who is the ultimate in this world and how we should be living our life which brought a change in my everyday life. I am chanting HARE KRISHNA maha-mantra everyday with sincerity and devotion only after attending so many classes conducted by your devotees and I am sure you will be pleased with my efforts. Please shower your blessings on me always and never allow me to deviate away from Krishna in this lifetime. Please save me from Maya and make Krishna as my center always! Eating Krishna Prasadam every day gives such a divine feeling and I can see the transformation happening and it is all because of your lectures where you insisted so much about eating Prasadam every day. In Fact, my lifestyle has changed a lot after eating Prasadam. I wish I can continue on this path in this lifetime forever only with your blessings and mercy. Please forgive my offenses and kindly guide me in every aspect of life so I can reach Krishna in this lifetime to serve his lotus feet. Jai Srila Prabhupada! Thank you for Everything you gave to change my life!

Your Humble Servant,

Bhaktin Maheswari.

Dear Srila Prabhupada,

Please accept my humble obeisance onto your lotus feet and make me your eternal servitor. On this auspicious occasion of your Vyas Puja, I am fortunate to express your glory and write a few words about you, my spiritual master.

I am such an inefficient devotee who wants your association 24 x 7. I beg you to show your mercy through your grace on me. All glories to his divine grace, for it, is he who has out of his unceasing flow of mercy stirred up within me such a movement of eternal existence. I am very fortunate to have come across your vast knowledge of books that you have so lovingly written for ignorant and illiterate like me so we can go back home back to godhead.

Prabhupada I liked your lecture on whom to accept as our Guru (*Srila Prabhupada Lecture, August 22, 1973*)

*"Who needs a guru? A third-class, fourth-class man, ordinary man, doesn't require a guru. Guru, to keep a guru or to have a guru, is not a fashion. One who is very serious to understand spiritual life requires a guru. Otherwise, there is no need for a Guru. Just like you keep a dog as a fashion, don't keep a guru. Guru means..., is a question of necessity. One must be very serious to understand what is spiritual life, what is God, what is my relation with God, how to act. When we are very much serious about this subject matter, then we require a guru. Don't go to a guru as a matter of fashion. That is useless. That is useless. Therefore sastra says, tasmad gurum prapadyeta. Because we have to go to Guru and surrender there. Without surrendering, you cannot learn anything. If you want to challenge Guru, it is not possible. Then you'll learn nothing."*

The children of a wealthy man are to be considered very fortunate. While the father is living they are well taken care of and when the father passes on they inherit all his wealth. They may inherit great estates and vast sums of money. Srila Prabhupada, as your spiritual sons and daughters we have also received from you a great inheritance -- greater than all the material wealth imaginable. You have given us eternal life, knowledge of the absolute, happiness, and hope. You have bestowed upon us the most valuable treasure, Krishna consciousness. You put us on the path back home, back to Godhead, and in your absence, you continue to teach and guide us through your instructions. We continue to reap the benefits of being your spiritual children because you remain with us in your books, letters, and in your recorded classes, lectures, and conversations. We can even still listen to you chanting Japa, singing bhajans, and leading kirtans. By spreading your legacy of love and mercy to others we can attempt to express our appreciation but in actuality, there is no way we can ever repay your kindness and generosity. On this auspicious occasion celebrating your Vyasa Puja we thank you for adopting us, accepting us as your disciples, and bringing us into the eternal family. Srila Prabhupada I am indebted to you and I am in no position to repay your debt which you have given us through your Vani. I am thankful to all devotees who have been guiding me. Prabhupada like an ocean of mercy that you are please help me become more devotional towards you and Krishna and to understand you better and give me many more opportunities to serve you and your disciples. Thank you Prabhupada for your help in my spiritual journey without your mercy I wouldn't be here learning and knowing so much about Krishna. Dear devotees His divine grace AC Bhaktivedanta Swami Srila Prabhupada is our eye-opener, our eternal father, our eternal preceptor, and our eternal guide. Let us, therefore, bow down at his lotus feet on this auspicious day. Srila Prabhupada ki Jai.

Your eternal servant,  
Bhaktin Meghana.

Dear Srila Prabhupada,

Please accept my most humble obeisances at your divine lotus feet on this most auspicious day of your divine appearance.

All glories to your divine grace.

My Dear Srila Prabhupada, My Eternal Spiritual Master, My Eternal Spiritual father once again I offer my humble obeisance at your divine lotus feet. My Dear Srila Prabhupada,

You are the Ocean of mercy

Savior of all the Living Entities

The Real Hero.

One should be Really very fortunate to get the association of pure devotee- Srila Prabhupada, who else can teach us this greatest treasure of life-Krishna Bhakti.

Śrī Caitanya Mahāprabhu therefore says:

*brahmāṇḍa bhramite kona bhāgyavān jīva*

*guru-kṛṣṇa-prasāde pāya bhakti-latā-bīja*

Harassed life afterlife by the laws of nature, the living entity wanders throughout the entire universe in different planets and different species of life. Somehow or other, if he is fortunate enough, he comes in touch with a devotee who reforms his entire life. Then the living entity goes back home, back to Godhead.

Therefore it is said:

*janame janame sabe pitā mātā pāya kṛṣṇa guru nahi mile baja hari ei*

In the transmigration of the soul through different bodies, everyone, in every form of life—be it human, animal, tree or demigod—gets a father and mother. This is not very difficult. The difficulty is to obtain a bona fide spiritual master and Kṛṣṇa. Therefore the duty of a human being is to capture the opportunity to come in touch with Kṛṣṇa's representative, the bona fide spiritual master. Under the guidance of the spiritual master, the spiritual father, one can return home, back to Godhead.

My Dear Srila Prabhupada, the mercy you are showering at me—a most undeserved and fallen soul, shows your ultimate compassion.

Every day you are guiding me like a most affectionate father and reforming my life to attain the greatest treasure of life—Krishna Prema.

My Dear Guru Maharaja, please kindly shower your mercy on me continuously, and please engage me in your service. Please give me the knowledge to understand Krishna and your divine grace and strength to follow your instructions as my heart and soul. Please bless me to practice the Vaishnava characteristics—tolerance, patience, and compassion.

My Dear Spiritual father, it's just because of your causeless mercy, I have been able to chant and relish this topmost Krishna Consciousness. I am nothing without you, my dear Srila Prabhupada. I am ever indebted to you my dear Srila Prabhupada. Loads and Loads of Love to you my dear Spiritual father.

My only Prayer is the love and faith in your divine grace should increase day by day and wish to be your humble and dear most disciple.

Your insignificant servant,

Bhaktin Nagalakshmi.

All Glories to you on this auspicious day of your Vyasa Puja.

In my very short period of devotion, I have learned that Srila Prabhupada you are the most qualified devotee of Supreme.

Despite knowing that I am so unqualified to even glorify you I have dared to write about you. Srila Prabhupada you have stunningly changed my life with your devotion towards Krishna. Just your dedication and devotion towards Lord Krishna is a constant motivation for me to do better in my devotional attempt. You have never failed to amaze me. Every time I hear your lecture I always find something new in your speech even though I have heard it many times.

I am eternally thankful to Krishna for sending us You Srila Prabhupada to our world to guide us and elevate us to be able to think of achieving our true goal in our life which is to devote ourselves to the Supreme Lord.

## Bhaktin Payal Madan

---

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet. All glories to you Srila Prabhupada. I am your unqualified and insignificant disciple (yes Prabhupada I am your disciple and you are my only spiritual master life afterlife).

After searching for almost half of my life for a spiritual master, Krishna made this arrangement and bestowed me this mercy of your shelter Srila Prabhupada and my search for Guru ended at your lotus feet. It's your causeless mercy only otherwise I don't have any spiritual credit in my account. Srila Prabhupada your glories are countless, and I am so insignificant how I can glorify you. You are Jagad Guru, you are the deliverer of so many souls. It's your causeless mercy you accepted me though I don't have any qualifications.

Srila Prabhupada, you are the only one who made Krishna and his abode a reality otherwise how could people like me who are so fallen dream about going back home back to Godhead. You gave us the goal of this human life, you sacrificed and struggled for us, fallen souls.

Srila Prabhupada with every passing day in Krishna consciousness in the association of devotees, my learning about the same concepts is improving. Though from the last 6 months it is epidemic for the whole world and we devotees are away from temple, service and Gopinath ji but in another way, this time proved to be boon for a devotee like me. I learned so much at this time.

The first thing which I learned

*bhārata-bhūmite haila manuṣya janma yāra*

*janma sārthaka kari' kara para-upakāra*

*First, make your life perfect and then try to make others (Ref talk with Bob Cohen : 27 February 1972 Mayapur)*

Srila Prabhupada, I want to make my foundation strong so that I will serve in your mission.

Another thing which I learned from your teachings, there is only one way (janam sarthak) that is quality of chanting, and by your causeless mercy, soulful Japa group started by HG Madhu Pandit Prabhu ji is the way for quality Japa. It is your blessing. Srila Prabhupada you are so merciful that I am not able to hold all this knowledge (Gyan Ganga) which is flowing through your books and through senior devotees.

The most important thing which I learn is about Service. Gross service is important but more important is consciousness with which we are doing service and if by doing service our heart is not cleansed than that service is only at a gross level.

Thank you Srila Prabhupada for the Temple and association of senior devotees.

I pray to you please give me the proper intelligence and guidance while doing my service so that I don't become proud and always remain your humble servant of servants. My humble request is that I develop taste for chanting Hare Krishna Mahamantra and always be able to serve your lotus feet.

My last request is Srila Prabhupada, I know I am not qualified but Srila Prabhupada please accept me as your disciple.

Your most fallen servant,

Bhaktin Payal Saluja.

Dear Srila Prabhupada,

Please accept my humble obeisance's! All Glories to Srila Prabhupada!

All Glories to you on this auspicious day of your Vyasa Puja!

We think life is so beautiful and we can enjoy it as much as we can. But we forget the real purpose of life. It is due to your mercy that we came to know what the purpose of this human form of life is. There are so many scriptures and so many people are telling about this Brahma jignayasa. But it is due to your mercy we understand it. Even if we read Srimad Bhagwad Gita and Shrimad Bhagavatam we just recite it and cannot understand It. The way you translated these books in simple form makes this Guhya Knowledge so simple and easily understandable.

It is Krishna's unlimited mercy that we got in touch with you and your books. Especially Sri Radha Gopinath Temple in New Jersey where our lives changed the way we looked at it. Often I get entangled in the worldly matters and get carried away with emotions. That time I always remember Gokula Mataji's explanations and then get back to the stream of Bhakti.

As said in Bhaja Govindam prayers

*Satsangatve nissangatvam nissangatve nirmohatvam, Nirmohatve Niscalatattvam niscalatattve jivanamuktih*

*“Guru charanambuja nirbharabhaktah samsarad-archirad bhava mukta, sendiya manasa niyamadevam drakshyasi nija hrdayastham devam”*

Prabhupada we surrender to your lotus feet, whatever be the situations in our life please don't leave our hands. We are agnani's, please pick us up from this samsara Maya jaalam. I don't know how I paid my obeisance in this prayer to guru. How much ever I wrote is less but please accept my humble Namaskaram.

Hare Krishna.

Your Servant,

Bhaktin Radha.

My Dear Srila Prabhupada,

Dandavat Pranams at your divine lotus feet.

Jaya Nitai Gauranga!

On This Auspicious day of your appearance, I wanted to thank you for enlightening us through your books and instructions. You introduced me to Krishna bhakti which is very rare, I have a very great fortune to get this. Thank you for engaging me in Krishna's service. Dear Prabhupada even though we are in a foreign land (USA) we can continue our devotional life without any obstacles, all this credit goes to you. We all our family members wishing to go back to New Jersey to get more association with the devotees and temple services to hope this will come true with your causeless mercy. Once again thank you so much for accepting me as your disciple and engaging me in your mission. Thank you.

Your truthful servant, Bhaktin Rajita Karri.

Your appearance is your causeless mercy on the conditioned souls who are suffering in this world due to the dense darkness of this age of kali. To dispel this darkness, you have given us the holy name of the Supreme Lord Sri Krishna.

Shrila Prabhupada thank you for giving the whole world this very valuable and very rare gift of Krishna Consciousness. My humble prayers at your lotus feet today is that please bestow this most precious gift of chanting the “Hare Krishna Maha Mantra” so that I may attain the most valuable goal in life-. i.e. attaining Krishna Consciousness.

Dear Srila Prabhupada,

Please accept my humble obeisances. Oh! Savior of the whole world please accept my offering with utmost gratitude to whatever you have done to me in my life.

This is my humble offering to my spiritual master on this auspicious day of his holy appearance.

Dear Gurudeva, by your blessings I could transform my life into something meaningful by following your instructions. Under the shelter of Shri Radha Gopinath Mandir (Edison), I was able to do service to you and the devotees.

You gave me a life in the form of Vaishnava association which is so rare to find and I would like to make the utmost use of it in order to elevate myself as a good human being and as a good servant for authorities working for your mission. I never thought I would be able to do turban and garlands for Shri Radha Gopinath. It is by your grace that I worship and feel extremely honoured to have this service, you are so merciful that you have given me this opportunity of devotional service.

Although I have no qualification, today I am able to Bhattis, learn and recite Bhagavad-gita slokas under the guidance of our temple president HG Shulkambara prabhuji. He has also given me the opportunity to cook for the devotees which give me great pleasure. Please continue to shower your blessings on me to improve my skills and art to serve your mission. Please forgive my offences and bless me that I may serve you.

Your humble & insignificant servant,

Bhaktin Sai Deepthi.

Dear Srila Prabhupada,

Please accept my most humble obeisances at your lotus feet on this most auspicious appearance day anniversary of Your Divine Grace.

I don't have any words to express my gratitude for all that you have done to mankind by bringing the Hare Krishna movement to the western world which has sown the seeds of Krishna consciousness in many barren hearts like mine. Far from our motherland, it is through your established ISKCON centres that our kids are getting values and ideas about Indian culture and Ethics and thus laying the foundation for the spiritual knowledge at their very early childhood age. This year onwards Kids at Gurukul are memorizing the verses from Bhagavad Gita and Srimad Bhagavatam. They are also learning stories from our Vedic scriptures that you have translated to English and thus making it accessible to the kids and also to everyone to read and understand the language which is mostly used on a daily basis.

Personally, my Krishna consciousness journey began in April 2018 when I visited Radha Gopinath temple, NJ when my twins turned 5. Then when they attended Gurukul, I had an opportunity to listen to lectures on various spiritual topics and also got to eat sumptuous Prashadam. Gradually I got associated with various activities and events organized at the temple.

Eventually, I started attending the Bhagavad Gita conference calls discussing the texts and purports from your book Bhagavad -Gita As It Is and Krishna book which you have translated to English stories to be able to read and understand easily. Knowing the pastimes of Krishna is helping me to learn more about the Lord and thus it is encouraging me to read your other books like Krishna the reservoir of pleasure, Beyond Birth and death, The science of Self Realization and currently reading Life comes from life. It has definitely opened a door to the ocean of spiritual knowledge which I didn't know existed till then. Learning the Brahma Samhita, Govinda Prayers, I have got another opportunity to understand the Lord's opulence and praise him. Thus engaging the tongue and ears in devotional services even during the mundane activities. Through the Bhagavad Gita recitation group, I am learning to recite the slokas properly and Gita Yagna is helping me to hear the verses regularly.

During the Japa, I used to record my chanting where I got inspired to chant from 1 round to at least 4 -8 rounds within a few weeks last year to 16 rounds this year. I will resume reading the messages of the Soulful Japa telegram group which will help me with tips on how to chant attentively. From an ordinary person with some devotion to God, You through your disciples, have awakened the spirit of Krishna consciousness in me

Kindly always keep me at Your lotus feet and bless me with opportunities to serve you forever.

Your Humble servant,

Bhaktin Shilpa.

Dear Srila Prabhupada,

Please accept my humble obeisance's! All Glories to Srila Prabhupada!

All Glories to you on this auspicious day of your Vyasa Puja.

I learned in my school the words Information, knowledge, and Wisdom. I would take this opportunity to say: the real meaning I learned only after joining with your Krishna Consciousness movement.

In this day and age, Google, Wikipedia, and the internet are full of information, There are even audiobooks available, but the real meaning of life, the real wisdom of how to live life, I understood by going through Prabhupada's Purports in Bhagavad Gita As It Is. Rest all is just information or worldly knowledge.

We forget in our day-to-day life activities, what the real meaning of being here is. And being in a foreign country, USA, away from home, and the spiritual atmosphere and environment of the home. Here, we no longer hear temple bells of Arati in evenings and mornings from our house, it is your books Prabhupada, which again and again makes me remember - the importance of our Sanatan Dharma. That I don't have to be the bird on the tree, just eating the fruit, and not realizing that the fruit is poisonous Maya, and I need to fly away liberate myself from the Sweet but really bitter clutches of Maya.

The Devi Durga is actually the Jailor of the world, in order to be out of the circle of life and death, we need to liberate ourselves from this world-first but still do our Karma, and dedicate it all to the feet of the Lordship. I got the opportunity to give Seva and understood the real pleasure in Seva. I understood that no Sewa is good or bad; no task is menial if it is helping in the propagation of Krishna Consciousness. Chanting takes away all stresses, and cleans and washes up the mind, which is full of worldly things - Thank you so much for encouraging and showing me the importance of Chanting, It helped me to cope up a lot. I will be forever thankful to the Lord, to make it possible for me to be connected with your message and your books respected A.C. Bhakti Vedanta Srila Prabhupada.

Many Thanks and Dandwat Pranam again.

Your humble servant,

Bhaktin Shivali.

Dear Srila Prabhupada,

Please accept my humble obeisance's! All Glories to Srila Prabhupada! All Glories to you on this auspicious day of your Vyasa Puja

Srila Prabhupada you were born on the day after Janmashtami (Lord Krishna's Appearance Day) in 1896 in Calcutta, India. Srila Prabhupada you displayed great devotion to Lord Sri Krishna from a very early age. From such humble beginnings Srila Prabhupada, you made Hare Krishna a household word by the 1970s. You established over one hundred temples around the world. You wrote scores of books and initiated thousands of disciples.

Dear Srila Prabhupada, Please accept my most humble obeisances at your divine lotus feet. Please bless me so that I follow what you instruct. The lotus feet of our spiritual master is the only way by which we can attain pure devotional service. I bow to your lotus feet with great awe and reverence. By your Grace, one can cross the ocean of material suffering and obtain the mercy of Krishna.

Dear Srila Prabhupada,

Please accept my humble obeisance's! All Glories to Srila Prabhupada!

All Glories to you on this auspicious day of your Vyasa Puja.

So many things are running in my mind I am so confused about what to write about you because I feel so small to write or say anything about you. I only want to share little of my thoughts with you that since so many years it was in my mind that I want to understand Bhagavad Gita as I know it is so difficult to understand because I read it twice but nothing I understand but somehow coincidentally I started going to temple last year but not aware that it was ISKCON. I started attending the Sunday lecture, kirtan n Prasadam than in only a few days I started realizing that I got attached too much with the temple and I didn't want to miss any Sunday visit to the temple . Then one day I brought Bhagavad Gita as it is from the Temple and started reading than the first time I realized after reading few pages only that lord Krishna had fulfilled a bigger wish of my life because first time at least something I started understanding from this holy book, so since 9 -10 months every day I read Bhagavad-gita as it is and recently I started reading it the second time. Now I feel so glad and also thankful to you Srila Prabhupada that because of your n Krishna's mercy that I started to understand this holy book. And also I want to thank your kind disciples in the temple who every day help new devotees like me through their lectures and calls in understanding more about Bhagavad-gita, Lord Krishna, about you and about chanting. Now I feel so proud that due to some of my past good karma I got such a nice association and also got the opportunity to start blissful spiritual life. So many hurdles are there in this path in my life but I always have full faith in you and lord Krishna that it will be solved out soon and my Krishna consciousness way will become easier one day. Srila Prabhupada please keep showering your unalloyed mercy onto me.

Your servant,

Bhaktin Swati Sinha.

Dear Srila Prabhupada,

Hare Krishna.

Thank you, Prabhupada for making me realize that the ultimate goal of my life should be to love God and go back to Godhead. Because I have started reading your books I have come to know the reason behind various rituals I have questioned before. This association with you was a great eye-opener. I bow down to your selfless love and mercy towards entire living souls and your ceaseless efforts to make Krishna part of everyone's life.

I have committed many mistakes to date both knowingly and unknowingly. Please forgive me for the sinful acts. Please hold my hand and take me to Godhead. Please help me to chant regularly and qualitatively. Please give me the intelligence to know and understand Krishna and thus not get distracted by Maya. I shall remain indebted to you always.

Hare Krishna. Jai Srila Prabhupada.

Bhaktin Vani.

Hare Krishna Srila Prabhupada!

Please accept my humble obeisances! All glories unto your Divine Grace!

Dear Srila Prabhupada, by your grace I got this opportunity to write an offering unto your lotus feet. Begging for your forgiveness and mercy so that this insignificant namesake disciple of yours may one day become a true disciple of yours.

Srila Prabhupada at this Vyasa Pooja offering I am reminded of your blessings that you showered upon us during our London stay and the little Vyasa Pooja celebration that you blessed us to be part of in association of your aspiring disciples. This year I am truly blessed to be in close association of your disciples and hope to serve the temple with utmost sincerity as you have guided to do.

In this one-year Srila Prabhupada, You have given me enormous responsibilities, preaching, assisting video making and translation services. I humbly beg at your lotus feet that I may fulfil all my spiritual duties for these are my primary duties even as a householder.

Prabhupada, as you mentioned in the purport of SB 10.2.18 (*We should note carefully that the Lord was transferred to Devakī, not by the ordinary way for a human being, but by dīkṣā, initiation. Thus the importance of initiation is mentioned here.*) I wish to thank you for its only by your mercy that firstly you accepted this fallen soul as your disciple and then you blessed Deepak and myself to fulfil my little material desire of having a child. Prabhupada you blessed Deepak and myself with baby Krishna and gave us a responsibility to fulfil as a householder.

Prabhupada, you explained the duty of parenting in SB 5.5.18 (*One who cannot deliver his dependents from the path of repeated birth and death should never become a spiritual master, a father, a husband, a mother or a worshipable demigod.*) Further, you explained in detail in the purport the importance of the same. (*First the father, spiritual master or husband must be able to release the dependent from repeated birth and death. If he cannot do this, he plunges himself into the ocean of reproachment for his unlawful activities. Everyone should be very responsible and take charge of his dependents just as a spiritual master takes charge of his disciple or a father takes charge of his son. All these responsibilities cannot be discharged*

*honestly unless one can save the dependent from repeated birth and death.)* Prabhupada, please bless Deepak, baby Krishna and myself to become your worthy disciples and take up Krishna Consciousness with utmost sincerity. We have realized that it is only you who is the most merciful Guru, you are Jagat Guru and you have been blessing the whole world with your Vani for your Vani is non-different from you. May all the people in this world take up to your countless blessings and mercy in the form of Krishna Consciousness that you have showered causelessly upon the world in the form of temples, books, lectures, devotees, Prasadam, deity worship, services and many more.

Prabhupada, please bless us with more and more association of the devotees for only this process can help everyone progress in Krishna Consciousness. You described this most easiest process for householders in Srimad Bhagavatam as Narada Muni replied to Maharaja Yudhistira's enquiry in (SB 7.14.2-4: Nārada Muni replied: *My dear King, those who stay at home as householders must act to earn their livelihood, and instead of trying to enjoy the results of their work themselves, they should offer these results to Kṛṣṇa, Vāsudeva. How to satisfy Vāsudeva in this life can be perfectly understood through the association of great devotees of the Lord. A gr̥hastha must associate again and again with saintly persons, and with great respect, he must hear the nectar of the activities of the Supreme Lord and His incarnations as these activities are described in Śrīmad-Bhāgavatam and other Purāṇas. Thus one should gradually become detached from affection for his wife and children, exactly like a man awakening from a dream.*)

Prabhupada as you explained to us unlimited times in all the scriptures very kindly given by You that it's only by serving, associating and by the mercy of Vaishnavs that we can progress in our Krishna Consciousness. So Prabhupada please keep us always in the association of devotees so that we may come out of our material consciousness and become Krishnaized in this lifetime. Begging for your mercy to become a true disciple of yours.

Your unworthy servants,

Devaki Devi Dasi, Deepak and Baby Krishna.

Dear Srila Prabhupada,

I offer my respectful obeisances unto your Lotus Feet.

I'm very happy to get an opportunity to write on this auspicious occasion of your Divine Appearance day! This is my 5th Vyasa Puja offering. Srila Prabhupada, I think myself to be a very fortunate soul because I got initiated by you. O Spiritual Master, I always felt close to you by reading your books, hearing your lectures, and selling your books. You are always available to guide sincere disciples in various ways.

O Spiritual master, please make me materially desire less so that I completely depend on your mercy. I chant 16 rounds but don't have any attachment to holy name. Please shower your mercy and please give some taste towards the holy name. Please forgive me for any kind of offenses that I have done unto your Lotus Feet.

All glories to you Srila Prabhupada.

Your fallen servant, Haladhara Dasa.

## Kamalakantha Dasa

All glories to Srila AC Bhaktivedanta Swami Srila Prabhupada.

On this very special and auspicious occasion, with your appearance came a ray of hope for all the unfortunate jivas like myself, struggling hopelessly in the vicelike grip of Maya, of continuous pain and suffering and repeated birth and death.

As said when the pupil is ready, the teacher will appear: you showed me the way to serving at the lotus feet of Sri Sri Radhakrishna and for that, I'm eternally grateful to you.

May you continue to spread the message of Mahaprabhu: the only way in this age of Kali is the chanting of the holy name

*Hare Krishna Hare Krishna Krishna Krishna Hare Hare, Hare Rama Hare Rama Rama Rama Hare Hare*

Jai Srila Prabhupada!

Your forever grateful disciple, Kamalakanta Dasa.

In *Srimad-Bhāgavatam* (3.25.8) Devahūti says to Lord Kapila, “Your Lordship is my only means of getting out of this darkest region of ignorance because You are my transcendental eye, which, by Your mercy only, I have attained after many, many births.” In your purport to this verse you write, “If one is fortunate enough to get the association of a spiritual master like Kapila Muni or His representative, then by his grace one can be delivered from the mire of ignorance.”

Dear Srila Prabhupāda,

You have given yourself to everyone on this planet. Simply by reading your books, anyone can have your association. As long as your transcendental books are available, conditioned souls are going to be delivered from the mire of ignorance. “Your life and teachings have definitely affected and touched my heart in so many ways. I feel your presence. Srila Prabhupāda, you are the most compassionate, truly the epitome of Guru.”

By your mercy, wherever we go we associate with Vaishnavas. What would be the fate of any of us, had you not delivered the messages of Mahāprabhu? By the grace of Lord Krishna transcendental books are vigorously distributed to the general public, by distributing your books relishing Krishna's holy names and Krishna consciousness philosophy.

I sincerely pray that all the preaching programs and exhibits always make your teachings available to the mass public. Please bless me that, I can conduct my services with pure enthusiasm.

Srila Prabhupāda Ki Jai! May I aspire to serve you.

Your humble servant, Kirtiraja Dasa.

On this 124th Vyasa Puja of yours, I would like to thank you for all the support which you have given me through your books and video classes. It is through your guidance that I am able to execute my devotional service nicely and attentively. I hope that I will always serve you sincerely in my devotional life.

I sincerely pray unto your lotus feet to forgive all my shortcomings and the mistakes I committed and help me to become an instrument in your mission. Though unworthy and incapable, still my wish is to contribute in some way or the other to spread the glories of the movement you started. Kepada Srila Prabhupada,

Saya banyak mengucapkan terima kasih kepada Srila Prabhupada kerana kamulah yang mengajari saya mengenai ajaran-ajaran Krsna dan Bhakti. Saya telah mengucapkan nama mahamantra setiap hari sebanyak 16 putaran. Selain itu, saya juga membuat 'seva' yang lain-lain. Saya juga banyak mengetahui tentang ajaran Krsna seperti menjadi 'vegetarian', tidak berjudi, tidak mengambil alkohol dan mengadakan hubungan lain.

Saya berharap agar Srila Prabhupada dapat memberi saya lebih semangat dalam menjalani kehidupan bhakti ini. Saya juga ingin meminta ampun sekiranya saya ada membuat kesalahan semasa melakukan 'seva' setiap hari. Saya juga ingin meminta belas kasihan Srila Prabhupada dan

Tuhan Krsna supaya saya akan terus membuat 'seva' selama-lamanya.

Hambamu yang setia,

Raseshwari Devi Dasi.

Dear Srila Prabhupada,

Please accept my humble obeisances and all glories to your transcendental pastimes. By your divine lilas you have challenged and defeated external energy's mission. I have obtained your mercy through your sincere devotees. By your mercy, we have taken the path which is full of nectarean happiness. My only prayer is that to always serve your lotus feet, your sincere devotees, and your mission without any deviation. I always seek your protection unto your lotus feet because there is no other way other than surrendering to your nitya vani(instruction). Please give us your mercy to always steadily engage in Krishna seva and push on your mission in Malaysia.

By your divine intervention and unmanifested lila, the constructional work of Sri Sri Radha Krsna Diamond Temple is going on. We know you have a great plan to transform millions of lives into Krsna consciousness in Malaysia. Therefore, we beg for your mercy to accomplish this project soon to make this temple a devotional hub for the bhaktas.

Furthermore, I sincerely beg for your mercy, devotees' mercy, to properly serve your vani rupa. My only desire is to have my consciousness purified by practicing the words emanating from your lotus mouth. Jai Srila Prabhupada!!!

Yours insignificant fallen servant,

Dear Gurudeva,

Thank you for directing me into transcendence and opening the path of Bhakti for me. You are the ultimate light of hope for our Krsna Consciousness. Through your instructions, I'm not only fulfilling my duty as a mother to my children but also, I'm dedicating myself and my kids to be engaged with your devotional service.

Please shed us with your blessings, guidance, and engage us in devotional service as we wish to only humbly serve at your lotus feet and continuously be attached to Krsna Bhakti no matter how tough the condition is in this material world.

Your servant,  
Shaila Vashini Devi Dasi.

## Subha Devi Dasi

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet. On this special day of yours, I take this opportunity to thank you for taking so much effort and struggle to distribute Krsna Consciousness throughout the whole world. I cannot imagine how my life would have been without being in touch with your Divine Grace and Lord Krishna. Your Divine Grace has opened my eyes with pure transcendental knowledge and has made me realize the ultimate purpose of life which is to realize the Supreme Person and render devotional service unto the Lord. I hope that I will continue to take shelter at your lotus feet for the rest of my life.

My dear spiritual master, you are the only person who can bestow your causeless mercy upon us for our spiritual growth. I am not at all qualified to serve the Lord but it is only through your grace that I have been able to do so. I thank you again for giving me this blessing to serve the Lord.

I hope that in my devotional life, I will be able to preach more effectively and convey your message to people to make them understand Krsna Consciousness. Many people are still lost and are working very hard to achieve temporary achievements such as money, position, and family. They are so much attached to their family and are making so much effort to live more pleasantly. They are unaware of the ultimate purpose of life and are simply wasting their time on temporary matters. The most magnificent incarnation, Lord Sri Chaitanya Mahaprabhu descended in the age of Kali to deliver all fallen souls through the sound vibration of Hare Krishna Maha-mantra. The sound of this mantra is non- different from the Lord himself and we are so fortunate that your Divine Grace has given this mantra to us for our benefit.

Once again, I thank you for all the causeless mercy you have given me throughout my life. I consider myself very fortunate to receive this devotional life and to serve you attentively. Please forgive me if I have unconsciously offended you in any way. I hope that I will always increase my love and devotion to your Divine Grace and Lord Krishna.

Your humble servant,  
Subha Devi Dasi.

## Sura Krishna Dasa

Jai Jagad Guru Srila Prabhupada ki Jai.

The only Saviour of the world.

Via Your Vani rupa, I am enlivened every moment without any regretful feeling that You are physically not around to lead & guide. Your precious gifts to the world are ticking time bombs awakening dormant Krishna consciousness in every soul.

Your Gifts envelop us in various types of Prasadam;

Prasadam in the form of Maha Mantra

Prasadam in the form of Literatures

Prasadam in the form of Feast

Prasadam in the form of Dancing

Every living being is chanting some Mantras, reading books, eating & enjoying either in the material consciousness or in the Spiritual consciousness. Your Gifts are the norm to live, for everyone, be it knowing KRSNA or without knowing. One day for sure this norm will lead us to KRSNA.

The greatest Gift that I'm cherishing always is that, by your Grace You have reduced the material requirements by the chanting Maha mantra which greatly benefits us who are always busy for materialistic needs. To date I am still trying to chant properly, imagining what would the consequence of offensive chanting be, without Your mercy!

The Greatest hero of my life, Srila Prabhupada, not a Legend but a Living Hero who made His life available for every fallen soul to grab his/her seat for the journey Back To Godhead.

Jai Jagad Guru Srila Prabhupada ki Jai...

Your eternal servant,

Dearest Srila Prabhupada,

Please accept my humble obeisances. All glories to you!

Another year has passed in my Krishna Conscious life. When I think of my old days and ways without Krishna in my life, I realize how fortunate I'm to be a part of Krishna Consciousness. Srila Prabhupada this is all because of your divine guidance and association and concern you showered have on me. It is said in Sastras, a minute association with divine souls can purify anyone, this happened exactly in my life.

I would like to take this opportunity to express my gratitude and for the fortune to be able to do devotional service in this very lifetime. Association with advanced devotees, chanting the holy names of Krishna, hearing Srimad Bhagavatam from higher authorities will awaken love for Krishna. Thank you for your constant endeavors to teach me about the purpose and meaning in life in relation to the Love the Supreme Lord Krishna.

Srila Prabhupada, on this special occasion of your appearance day I personally have nothing to give you because what can a servant offer her Master apart from her services, but instead I have a very deep desire to get this benediction that I may serve all devotees for the rest of my life. In this bewildering world, I pray to be able to take shelter of your intelligence by taking your instructions deeper into my heart and making them my guiding principles.

Your servant,

Hare Krishna

All glories to Sri Guru Srila Prabhupada.

Thank you Srila Prabhupad for translating the most important scriptures Bhagavad Gita and Srimad Bhagavatam for fallen souls like me.

Otherwise a person like me would not have known that there is an option besides meditation known as Bhakti Yoga to practice to know the Supreme Lord.

A little knowledgeable person like me who is unable to do full bhakti also given guidance to chant and just surrender to the Lotus feet of Lord Krishna.

Thanking you always throughout my life for the guidance to surrender unto HIM and I find the option of "Saranagati" is the most simplified method in this current era.

Jaya Gurudeva!

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet.

All Glories to Srila Prabhupada. You are the only person who has actually cared for me, the spirit soul. Your care for us is so strong and so great that you are actually sacrificing your very life to show us what the actual standard of care, kindness, inspiration, and love is!

As Srila Prabhupada taught us,

*"you can't love others properly until you love Krsna. Think about that. You have to connect with the source of everything in order to properly relate to everything else." (Blinded by love, lecture 2006)*

This is your real care for all of us; that we truly experience the amazing nature of whom we are as pure servants of Lord Caitanya. I hope and pray that Sri Radha Krishna will keep me as your servant forever. I owe my life and every single good thing that comes to me. I would like to express my sincere thanks for taking me out of the material world, and placing me at the lotus feet of Radha Krishna.

Please accept my humble obeisance as the dust of your lotus feet. By your pure teachings, please help to purify this fallen soul. I beg for your blessings and causeless mercy to achieve spirituality and devotion through Kṛṣṇa Bhakti without fail, even though I'm engaged with material studies. Please be pleased with my service to keep me eternally connected with you, birth after birth.

Your humble servant,

Hare Krishna!

All glories to Srila Prabhupada!

Firstly, I would like to express my humble gratitude to the brilliant Spiritual Master Srila Prabhupada by saying 'Thank you so much' for introducing KRISHNA the almighty God and Krishna Consciousness, to the world and to an ordinary person like me.

Thank you for translating so many valuable scriptures which were given by Krishna Himself and also scriptures about Krishna, such as Bhagavad Gita AS IT IS, Srimad Bhagavatham, Chaitanya Caritamṛta and more, so that even an ordinary person like me could get to know more about the Lord and practice myself to go to the Godhead by surrendering and serving Him.

I would also like to Thank you for teaching and guiding me on how to accept and adapt to Krishna Consciousness and also on ways to surrender to Krishna (the father of this universe) by following a few simple rules.

Finally, Thank you so much, my master, for telling the actual truth about this material world and guiding your servant (me) to reach the lotus feet of Lord Krishna.

Jai Srila Prabhupada!

Your humble servant,

Bhaktin Tharanni Manikam.

Dear Srila Gurudeva,

Please accept my most respectful obeisances at your divine lotus feet.

You are the rare treasure of Srīman Caitanya Mahāprabhu who spread the vital message of Krishna consciousness to the world. There is no words to describe how you struggled to change the materialistic mind of the fallen souls to become absorbed in Krishna consciousness. I pray that you kindly always protect me from the obstacles that I may face in the course of fulfilling and following your instructions. Kindly keep blessing me with unalloyed devotion to You through your books, lectures, and instructions. No matter how much I suffer due to my karmic reactions, kindly bless me so that I can continuously serve your lotus feet without any obstacles.

First of all, I must say I am not qualified to be Srila Prabhupada's disciple, but he is so merciful that he accepted this fallen soul to be his disciple. I bow down to his lotus feet with great awe and reverence. My spiritual master opened my darkened eyes. By my guru's mercy, I learned the importance of devotional service, the little service that I do is what is helping me to progress spiritually, by becoming close to my guru and to Kṛṣṇa. I pray to my spiritual master to have mercy on me so that I will do more devotional service till my last breath. I offer my respectful obeisances unto my spiritual master.

Dear Srila Prabhupada,

Please accept the humble obeisances of this unworthy servant at your lotus feet. Thank you for your unconditional mercy which is showering in the form of the Devotees, Association, Books, Prasadam and the not the least the Holy Name, Nama Prabhu. You have given the greatest gift that was not possible for anyone. In this age of quarrel, there is no hope to live peacefully and happily. But you have taught and shown us the path and lead us the way to reach Krishna. When it comes to writing about Vyasa Puja, it's like you are everything for me, life, beginning, current and the end of destiny. What can I write about you to show my gratitude? You are everything about my life, you know everything about my life and you will be everything in my life. The more we pass the day it creates the memory of how nicely you are protecting, taking care and leading. When we think of the future, you are just ahead and leading. Nothing is small and nothing is big in devotional service, I am not a big devotee nor have I done something great with which you can recognize me as a servant. But I am trying my best to serve little by little every day. Wish I could chant the holy name without offence every day and every time as you have instructed. Wish I could hold your lotus feet and serve you personally. The real soldiers of your army are serving and I am fortunate that you have kept me under the same army.

But in the suit of the Vaishnava, we have many pseudo-Vaishnava who take your organization as owners and become envious. I do not have any enmity for them but please guide them not to be envy and treat everyone in Vaishnava attitude. You appear in my life as the only Sun and I feel no night is ever going to come and take me down. I wish that I should get more opportunity to do devotional service and serve you better in the coming years. In the journey of this spiritual life, we face many obstacles but when we follow your instructions it passed & flew like a straw. Your instructions are the only guidance on which we have faith to show the right path in the darkest life. You have given the hope by the opportunity to serve a little to Sri Sri Radha Gopinatha. But I do not have a qualification and bhakti in the heart. Please forgive me and give the Krishna bhakti in my heart to serve the Vaishnavas. Give me the strength to chant the holy name without offence. My only desire is to get your shelter always. Please lift me from this material nuisance.

Thank you, Gurudev, for giving me shelter and giving a drop of Kripa from your Kripa Sindhu.

Your Unworthy Servant of your Servant

Dear Śrīla Prabhupāda,

First, let me thank you for giving me one more opportunity to offer your glories.

Your credit to the world is in establishing 'Krishna is the supreme personality of godhead' and 'He is a person' and His features are sat-cit-ānanda—eternity, knowledge and bliss and He is never nirviśeṣa or śūnya, without variety, or zero. Kṛṣṇa is full of variety.

Now the whole world is in distress and unhappy due to COVID 19, they were thinking about staying in moon and now they fear to come out of their homes. You are a pure devotee and Trikāla-jña. You revealed this crisis in 1973 and now all the scientists are helpless in dealing with this situation.

In your conversation,

**Prabhupāda:** *The earth was flat. They believed that the world is flat. So how much imperfect knowledge they have got. So imperfect knowledge, how long it can go? Just like we are going to challenge all these rascals that life is grown out of matter. We are going to challenge. It is not a fact. So how long you can cheat people? For hundred, two hundred, thousand years, but you cannot cheat for all the time.*

**Umāpati:** *It has been going on from time immemorial. I guess they figure they can just keep going on for time immemorial.*

**Prabhupāda:** *No time immemorial. You are being cheated for two hundred, three hundred years, that's all. Not before that. All these scientists, rascals, have come out within two hundred years. That's all. So you are being cheated for the last two hundred years, not for thousands of years. So it will be finished. Within another fifty years, everything will be finished.*

I used to wonder, why you call scientists as cheaters. With this COVID situation I am fully convinced, how they are cheating common people in the name of science, technology and economic development etc. Due to this COVID, many agriculturists incurred heavy losses and have faced many problems in transporting their crop yields to the far distance places and many failed also. For this, you have given solution 50 years ago.

Prabhupada, while walking down a rough dirt track in the open country said that the entire district was flat, fertile, and green. Unfortunately almost every field for miles around was dedicated to growing tobacco. He expressed his amazement at the **foolishness of modern economic systems**. He explained that people can easily grow whatever they need in their own district, but instead they grow a product they can't eat. Then they ship it somewhere else at great expense. With the money they receive they buy the very food they could have grown themselves. This system does nothing but make their lives more complicated. And by becoming dependent on just one crop, livelihood is jeopardized because of the fluctuations of world markets which they have no power to influence.

During this morning walk conversation, Prabhupada again criticized the local farmers for growing tobacco rather than grains, cotton, and other necessities. He said it was a symptom of degradation to grow cash crops instead of food. Solution to the above crisis is: *Simply increasing artificial life, even for shaving, a big machine is required. What is this? Simply wasting time. Devil's workshop. Make life very simple. And simple living, high thinking, and always conscious to go back to home, back to Kṛṣṇa. Our motto is simple living, high thinking; This modern civilization is always artificial. You are actually learning in New Vrindaban the self-sufficient mode of living, simple living, high thinking, that is our policy.*

Please give me proper and required intelligence to serve you, sādhu and śāstra.

Thank you so much Śrīla Prabhupāda,

Trying to be servant of your Servant,

Chinmaya Krishna Dasa, Jagannath Puri.

All glories to you on this auspicious occasion of your Vyasa puja.

*ācāryaṁ mām vijānīyān nāvamanyeta karhicit

O my Guru Maharaj I bow down unto your lotus feet whose glorification Krishna Himself canvasses in Srimad Bhagavatam "One should know the ācārya as Myself and never disrespect him in any way. One should not envy him, thinking him an ordinary man, for he is the representative of all the demigods." You are deliverer and friend of fallen souls and you have spread Krishna consciousness in this world being compassionate to the suffering humanity. Without caring for your personal comfort, you travelled all over the globe and preached even to the lowest class of society and turned hippies into happiest. As you told in your lectures that history will remember this movement, we are seeing that this is becoming true day by day. As you gave your mercy to these people, you have given your mercy to an unworthy person like me also by allowing me to serve this great movement and also gave responsible services. As told in the Vedic literature, one cannot repay back to the spiritual master. So I cannot repay back to your lordship and will be indebted to you, life afterlife but I will put my full effort to serve you.

My only request to you is to keep me always in the association of your beloved disciples.

Dear Srila Prabhupada,

Please accept my humble obeisance unto your lotus feet. I am obliged unto your lotus feet. You have created transcendental fortune in my life. I was in the gutter of material struggle for existence and Your Divine Grace has picked me up and mercifully given shelter at your lotus feet. I am very grateful towards Your Transcendental Personality for showering Your special causeless mercy upon me.

Srila Prabhupada, from one of pure servant, I heard about how you started preaching in America with great difficulties. How You started a center in San-Francisco. From this pastime, I was amazed and got inspired by Your dealings towards the fallen conditioned souls. O Gurudev! You are highly compassionate and taken lot of hardships to spread Krishna consciousness all over the world and You are continuously delivering the fallen conditioned souls. You are so great.

Srila Prabhupada, I am the embodiment of all sinful tendencies and offensive natures. I have no qualification, but You have showered Your special causeless mercy upon me and allowed me to stay in Your Vaikuntha family. All the Vaishnavas in our family, they are so wonderful, that they never allow me to be in Maya even for a moment, even in my dream. You are always showering Your love and care by correcting me through these Vaishnavas at the right time. Please bless me O Gurudev, so that I will successfully go through the training of our noble ashram throughout my life under the guidance of Your representatives. Please bless me O Gurudev to become spiritually strong and greatly mature in my dealings with my God brothers, Your Divine Grace and Krishna.

Srila Prabhupada, also I was reading a Vyasa puja offering of a vaishnava, in that I find a phrase, Tamal Krishna Maharaja said, "Prabhupada, once you said that you were like a cow and wherever your devotees led you, you would go there and give milk. But there's one thing I don't understand. Somehow or other you never dry up, you are always giving." You smiled and said, "Yes, that is because I am a surabhi cow."

On this auspicious day of Your divine grace appearance day, I ask you some benedictions and if you so desire please fulfill my desires:

Please bless all the devotees in our group including me, so that we do 16 rounds of soulful japa everyday by following four regulative principles very strictly. Please teach us the art of receiving Nama Prabhu delightfully at every chant and to please Him Eternally.

Please help us to distribute Your books profusely. My desire is that every individual in this world should have all Your books and read them scrutinizingly and I desire to see them becoming your disciples.

Please uproot all the material contamination and demoniac mentalities from the core of my heart and teach me the art of being myself in favorable Krishna consciousness at every moment.

Please make me strong in our Krishna conscious philosophy and help me to understand the spirit behind it and help me to follow all rules and regulations of vaidhi bhakti very strictly. Please give me refined intelligence, by that I will see Krishna's hand in every situation and help me to deal everything in a Krishna conscious way.

Please help Your pure servants in their attempts to establish you as the soul diksha Guru of ISKCON. Please recommend Lord Sudarshana, Narasimha deva to kill all demons who are obstructing Your mission.

Please bless me to have strong faith, love, attitude of spiritual servitude and devotion towards sadhu, Your Divine Grace Lotus feet, Sastra and Krishna.

Please Deliver all of us to Goloka Vrindavana within this lifetime.

Please bless me so that I will be eternally successful in executing Your orders for the pleasure of Vaishnavas, Your Divine Grace and Krishna.

I want to be always "Yes man" to do all services ordered by You.

I beg Your Divine Grace to forgive me for all the offenses that I have committed at your lotus feet and to keep me always in your service. I also beg all my god-brothers to forgive me for any offenses that I have committed to them so that I can improve my services to you.

Your unworthy servant,

jaya om viṣṇu-pāda paramahaṁsa parivrājakācārya aṣṭottara-śata śrī śrīmad A. C. Bhaktivedānta svāmi Srīla prabhupadad

*cakhu-dān dilo jei, janme janme prabhu sei, divya-jñān hṛde prokaśita*

He who has given us the gift of transcendental vision is our lord, birth after birth. It is by his mercy that the divine knowledge is revealed within our hearts.

Dear Srīla prabhupada,

Let me bow down at Your lotus feet with all the humility at my command. Human life is meant for realizing the Supreme Absolute Truth. Instead of inquiring about this, human beings are interested in inquiring about this body. Even animals also think like this "I am a cat", "I am a dog etc"., and if human beings also think like that I am Indian, I am American then what is the difference between human beings and animal? This is bodily concept of life .

Human being must be intelligent and that intelligence is –he is not this body but a pure spirit soul and this intelligence becomes more deeper and deeper when one chants lord's name (Hare Kṛṣṇa), glories, pastimes, etc. tesam satat-yuktanam, bhajatam priti-purvakam, dadami buddhi-yogam tam, yena man upayanti te. "To those who are constantly devoted and worship Me with love, I give the understanding by which they can come to Me". [Bg. 10.10]

Dear srila prabhupada, because of Your Divine Grace, today I have an opportunity to sing guru astaka in early morning and begin a new day in service of Krsna.

Because of Your Divine Grace, today I have an opportunity to hear daily Bhagavatam discussion .

Because of Your Divine Grace, today I have an opportunity to read the books which you wrote for us to read and understand about Krsna and His energies .

Because of Your Divine Grace, I got an opportunity to stay in a dham to practice krsna consciousness.

Because of Your Divine Grace, now I am gradually learning deity services to Their Lordships.

Dear Srila Prabhupada, please forgive me for all the offenses which I committed knowingly and unknowingly unto your lotus feet and I also beg you to please give me complete shelter at your lotus feet and please bless me to chant with unflinching faith in you and Krsna.

Your insignificant servant,

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet.

Srila Prabhupada, you are the savior of the whole world. By your causeless mercy, we have been saved from drowning in material nescience. The knowledge emanating from your lotus mouth has destroyed our illusory mind and sense gratification thoughts. You have taught us to gratify the senses of Krishna. By gratifying senses of Krishna, we have become sublime and blissful. You are the most confidential servant of Krishna. Although you are eternally situated in the spiritual realm rendering transcendental loving service to Their Lordships Sri Sri Radha & Krishna, by Your causeless mercy, you have mercifully descended into this material world to save fallen souls like us, who are drowning in the ocean of material nescience. We are afflicted with a very dangerous virus called Maya and have been rotting in this material world from time immemorial. We always think that material pleasure is the highest source of enjoyment. Just like fishes take pleasure swimming in the water, we have been swimming in this material ocean of Maya, thinking good bank balance, nice home, family members & relatives will save us, not noticing that at any time the shark of death can kill us. Despite your advanced age, you painstakingly traveled all over the world, wrote volumes of books, and delivered lectures. Every moment of your life had been engaged in serving and thinking of Their Lordships. As predicted by Lord Chaitanya and Bhaktivinoda Thakur, you have spread the holy name of Krishna in every city, town, and village of the world and made every one chant and dance in ecstasy. I humbly beg to be your eternal servant and sincerely serve you life after life. I humbly request you to forgive me for all the offenses I have committed unto your lotus feet, knowingly or unknowingly. Please help me to progress in my spiritual life and give me spiritual strength and intelligence to serve you.

Trying to be your servant,

Niranjana Bhakta Dasa.

## **Pancharatna Dasa**

Dear Srila Prabhupada,

Please accept my humble obeisances. I learned that we should serve Krishna not because He is God, rather we should voluntarily serve Him without any expectations or conditions as He has to fulfill or meet with, He is supreme God. Please help me to climb the ladder towards this goal of desire. May my mind and intelligence be refined, hacked, regulated, and controlled to think, feel, and will as per your wish and will to serve your mission. Let my faith in you and Krishna win or

at least increase while I am facing examination from Maya rather than leaving the battle in mere fear factor. My prayer to you to bless me to be a sincere pujari to keep the temple of heart clean so that I can always be dependent and feel your presence. I strongly desire and pray to help me to improve my quality of Japa which will help me to feel your manifestation within my heart always, whereby I may imbibe or internalize the good qualities required for devotees as directed in Bhagavad Gita, without any separate endeavor, struggle or speculation. I feel fortunate that only due to your personal care and mercy to the Vaishnavas who are living with us, you are working even enroute our contaminated intelligence just like a president of nation visiting or walking even through a slum to serve the people. Please bless me to always serve or assist all the devotees of your mission. Always guide me to count and have the highest regards or value system for any blessings I have got by being part of your Divine organization.

Your Servant,

Pancharatna Dasa, Jagannath Puri.

Dear Srila Prabhupada,

Please accept my most humble obeisances at your divine lotus feet on this most auspicious day of your divine appearance. All glories to Your Divine Grace.

Srila Prabhupada, please bless me to serve your mission whole heartedly without any personal motive. Srila Prabhupada, you are my beloved spiritual master. Without your causeless mercy, my life is like a hell. Srila Prabhupada, please guide me to deal with Vaishnavas properly without offences. Please bless me because I am so fallen soul that not able to deal with my anarthas properly which is due to my past life.

Srila Prabhupada, you are so compassionate on ignorant souls like me to give the most auspicious gift to me, Krishna Prema, even without my qualification. Your compassion is as vast as ocean that was spread all over world even in those country where there was not any dint of knowledge about God or were most ignorant. Srila Prabhupada, what you did for us is not payable by any means because you gave Krishna consciousness to everyone without seeing their qualification or anything in exchange. That is your compassion. Srila Prabhupada, you struggled at the age of seventy, that is miraculously done due to your determination and full faith on the instructions of your beloved Spiritual master Srila Bhaktisiddhanta Sarasvati Thakura. So Srila Prabhupada, please bless me that determination and full faith to serve your instruction and serve your mission nicely and be able to follow four regulative principles strictly and chant attentively sixteen rounds till death without fail. My only wish to serve your lotus feet eternally and always please you in all circumstances without getting affected by the three-fold miseries of this material world.

Srila Prabhupada, you are not an ordinary spiritual master. You are the representative of Krishna and Vyasadeva that I understood and even mentioned in *Bhagavad-gita*:

*vyasa-prasadac chrutavan etad guhyam aham param*

*yogam yogesvarat krsnat saksat kathayatah svayam*

“By the mercy of Vyasa. I have heard these most confidential talks directly from the master of all mysticism Krishna who was speaking personally to Arjuna.” This means that one has to understand Krishna not directly but through via medium of the bona fide Spiritual master.

Thank you very much my beloved Spiritual master to accept me as your disciple and giving me the chance of eternal employment to serve you directly and through your mission. That is my great fortune. Please Prabhupada, never leave me alone even if I want to leave you because I am the most fallible or degraded soul in this material world. Jaya Srila Prabhupada. All glories unto you on this most auspicious day of your 124th Vyasa puja.

Your faithful servant, Sunanda Gopala Dasa,

Dear Srila Prabhupada,

Please accept my humble obeisances.

All glories to you Srila Prabhupada on your appearance & Vyasa Puja day.

In Srimad Bhagavatam 6.7.23 purport, you mentioned that: *Lord Brahma wanted to point out to the demigods that by the strength of the Guru one can become most powerful within this world, and by the displeasure of the guru one can lose everything. This is confirmed by the song of Visvanatha Cakravarthi Thakura:*

*yasya prasādād bhagavat-prasādo*

*yasyāprasādān na gatiḥ kuto 'pi*

*"By the mercy of the spiritual master one is benedicted by the mercy of Krishna. Without the grace of the spiritual master, one cannot make any advancement." We, therefore, pray to the spiritual master:*

*mūkaṁ karoti vācālaṁpaṅguṁ laṅghayate girim*

*yat-kṛpā tam ahaṁ vandeśī-gurum dīna-tāranam*

*By the mercy of the guru, even a dumb man can become the greatest orator, and even a lame man can cross mountains. As advised by Lord Brahma, one should remember this sastric injunction if one desires success in his life.*

It is only by the blessings of Guru, can one do things that are impossible to do, otherwise, as per his karma.

I came to your shelter 15 years back. You kindly showered mercy upon me and made me part of your organization. But because of my ignorance, insincerity, offenses & anarthas, I could not serve you even a little.

I have read & heard about Prahlada Maharaja praying to Lord Narasimha, to deliver his father despite his demoniac nature. He also asked, out of compassion, for a solution to deliver all the conditioned souls, who are in ignorance, suffering in the material world. Here in my case, despite all my repeated mistakes, offenses towards devotees, Guru & Krishna Himself, my authorities, devotees have been tolerant towards this fallen soul and have been compassionate time & again in helping me always, correcting me & engaging me in devotional service, to purify me & help me progress in Krishna Consciousness. I would never be able to repay you Srila Prabhupada & all your sincere disciples for their love & care.

*tvayi me 'nanya-viṣayāmatir madhu-pate 'sakṛt*

Please guide me, engage me always in the service of Hrisikesa, the real proprietor & master of everyone's senses. I beg you Srila Prabhupada to kindly bless me to always keep me in knowledge & never be in ignorance of the real goal of human life – to achieve Love of God.

I beg forgiveness from you, all your disciples for all the offenses I did knowingly and unknowingly.

I promise you Srila Prabhupada, with your blessings, I will try to put my full endeavor to serve you & Krishna by assisting all devotees in devotional service sincerely, keeping aside lust, false ego & envy.

Trying to become your sincere servant,

Vasudeva Datta Dasa.

My Guru Maharaj Srila Prabhupada,

*gurur brahma, gurur vishnu, gurur devo, maheshvarah gurur shakshat parabrahma, tashmai sri guruve namah*

Please accept my humble obeisances for letting my bewildered soul have a little taste of Krishna consciousness. It is because of your divine grace, I became aware of this transcendental knowledge and have tasted tiny nectar of holy name and am able to chant Hare Krishna Maha-mantra. All glories to you.

You have influenced many values in my life and are totally inexpressible. Your instructions are very simple and yet very hard to follow but by your divine grace, it became easy to follow. I always wonder about the things you did, which are always motivational and inspirational that always bring my soul to illumination and bliss and peace.

Among all the things you guided us all, chanting Hare Krishna Maha-mantra and eating Maha prasadam will always be my favourite, for which I am eternally thankful to your lotus feet.

Srimad Bhagavad Gita is the ultimate gift from you, for which I am very thankful. In these tough times, this awesome verse from Gita gives me hope and peace and makes me believe that everything will be fine :

*yada yada hi dharmasya, glanir bhavati bharata  
abhiyuthanam adharmasya, tadatmanam srijamyaham  
paritranaaya sadhu naam, vinashaya ca dushkritam  
dharma sansathapnarthaya, sambhavami yuge yuge*

I pray that may your divine grace help me to move on the path you showed and give me the strength to continue to move on to the path of Krishna consciousness.

All glories to Srila Prabhupada. All glories to Krishna.

Your humble servant,

Bhakta Abhijeet Mallik,

Dear Srila Prabhupada,

Please accept my humble obeisances at Your lotus feet on your divine appearance day.

All glories to Your Divine Grace!

It was 4 years ago when I first associated with your disciples. I was hungry but I didn't know what to eat and how I was a blind traveler who wanted to reach somewhere but didn't know where and how. I was not alone, there are many blind travelers, there are and there will be. I had deep philosophical questions regarding the purpose of life which got solved because of your mercy in the form of your books.

But our creator knows about this, every answer is given in the scriptures, I can't understand Sanskrit very well, but It was your blessings who presented the very deep knowledge in easily accessible and understandable format. You planted and spread the tree of disciple succession whose fruits are enlightening me. By your grace I met with you, my spiritual master. I started chanting Holy name of Godhead. It was not just spiritual gain but I gained materially also. We humans are social creatures, we interact with other humans but by it's your Grace that I associated with selfless, enlightened devotees, if something has to happen then why not in its purest form.

I pray for your mercy to help me to elevate beyond materialism to higher spiritual level. Thank you Srila Prabhupada for all your priceless gifts. I am deeply grateful for your mercy that you have already given me in the form of devotee association and holy name.

Your Servant of Servant,

Bhakta Abhinav Mishra, Jagannath Puri.

Dear Gurudeva,

From the deep bottom of my heart, "shata koti pranam". I still remember the very first day I came for your blessings and after chanting session, I felt like all the chaos inside me has been vanished.

I learned from you to forgive the people and accept things and all this caused a great impact on my view of seeing the world. I am so grateful to have a teacher like you, deep love and respect to you. You really have taught the spiritual world very well. The Bhagavad Gita gives a very vivid description of the present scenario and gives the best possible answers, the reasons behind our sufferings. You are always with us to guide in the right direction. Krishna, the Supreme Lord is always kind to his devotees, May His blessings always be with us and under your guidance we are getting very close to the Supreme Lord day after day.

We will always remember you in our ups and downs and you please always be with us. While I thank you again for your causeless mercy, I seek your blessings for my spiritual life.

I first came in touch with your book "Bhagavad-gita: As it is". This book literally fulfilled what I was searching for. At the stage of student life, this book is helping me to guide my life force in the desired direction by correctly identifying the hindrances and the desired response to attain a goal. This book helped me in understanding the real meaning of human life and progressive ways to lead to the perfect spiritual advancement towards "Krishna Consciousness."

I am deeply grateful to you for recreating the absolute gem by Krishna.

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet. All Glories to you Srila Prabhupada.

I feel fortunate to get in touch with your movement and your teachings. It has been around 18 months in association with your devotees and your movement. There have been drastic changes in me after associating with the movement. But still, I have a lot of Lust, Anger and Greed in me. Please shower your blessings so that I can progress well in spirituality and help in spreading movement. Please engage me in the service Krishna and Lord Jagannath.

Prabhupada, I am bad in chanting, Please bestow your mercy so that I can increase the quality of chanting. I have full belief on you, O spiritual master please never leave me alone in this material world, and tightly hold my hand as a father and also forgive my sins.

I humbly beg at your lotus feet to bestow your mercy on us.

Dear Srila Prabhupada,

You are the divine spiritual master, the divine messenger of Lord Chaitanya Mahaprabhu. Like me, many, who somehow or other came in contact with your mission. That is the best spiritual blessings in our life. Even though I have no spiritual standing in terms of practising sadhana or rendering service as other sincere devotees have, still my heart fills with joy when I think about your mission and how people are working for it. Day by day I am becoming more grateful to the institution, which you established to give shelter and mercy to the fallen souls. As you taught us, that this world is a place of misery, and the worst miserable thing is propaganda that never allowed us to surrender as devotees. It's your causeless mercy, dear Srila Prabhupada, that you shared us the most authentic version of spiritual knowledge, which is very very rare in today's situation. I believe just a thank giving/gratitude is not enough in terms of what we are benedict but still, I just want to say thank you for everything.

My humble obeisances to you and all the devotees who are endeavouring to serve your mission. I accept my insincerity and lack of commitment. I desire somehow or other one day I will become a sincere devotee, and Your mercy is the only hope for me to progress spiritually.

Your Servant,

Bhakta Asish Kumar Nahak.

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet.

Obviously, you have been with all of us all the time. However, you have guided in my life at critical times in my life during which I was unfocused. The manner in which evening Bhagavad Gita classes, chanting and kirtan gave me vitality with which I could not only do my studies properly but devotional service. With your genuine teachings, I am able to understand the nature of the material world, how to manage, choose between important and trivial, what is good for my future.

The relationship with you so far helped in my life go smooth and whenever I felt diverted, I read your books and I feel inspired. Please guide me all the times to progress spiritually.

Dear Srila Prabhupada,

Please accept my humble obeisances to you Srila Prabhupada,

I request you to kindly accept my offerings at your lotus feet.

I fell short of words that may be sufficient to express my desires as to how much I need you in my life. It has been almost a year since I am away from the holy land of Lord Jagannatha, sitting here in the other part of the world and appreciating the fact that my life would not have been better without your support and affection, despite that I have been ever failing to discharge my duties of chanting the holy names and observing the basic recommendations.

Being seated in my heart, it is not hidden from your Lord for what I have been going through all along and that if I don't try to keep you close to me, I am sure I may get lost into oblivion and left isolated without you. And honestly, I must confess, there is no peace and joy without having your shelter over my head, albeit fallen I am. I would need you to hold me like a father even if I may have been getting driven away from you due to my deeds. I need your love and care and support to become strong in the heart in all circumstances. Please never let me go away from your shelter.

With love and all glories to you, I beseech you may please let me be your humble servant,

Bhakta Balmiki Kumar, Jagannath Puri.

Dear Srila Prabhupada,

Please accept my humble obeisances.

All glories to your divine grace! When I came in contact with you, I was astonished of the fact that how could a person be so selfless and devoted to the Supreme! Then I started trying to follow your instructions. I was so much sure that I won't let this rare opportunity go away from me. But by the will of the Lord or my karma, I have got stuck in the whirlpool of Maya. I am degrading day by day. I am not able to get that eagerness to have darshan of lotus feet of the Lord nor to hear about Him inquisitively. This journey of three years was wonderful with you and Krishna. Please bless me with your mercy so that I can follow Krishna and your teachings in the future. I beg you to kindly forgive my offences and continue to bless me so that I can overcome all the obstacles which may come in my path. Jai Srila Prabhupada!

Dear Srila Prabhupada,

All glories to you, Srila Prabhupada. Please accept my humble obeisances unto your lotus feet and please bless me to always become Krishna consciousness. Srila Prabhupada, O spotless spiritual master, you are the pure devotee of Lord Krishna. By your presence, I am able to feel Krishna's causeless mercy, but my own effort I can not become Krishna consciousness. By the presence of Hare Krishna maha-mantra, please give me the strength to be always chanting Hare Krishna maha-mantra without fail. After coming in touch with your movement, I started chanting and reading books, which cleared my doubts regarding Krishna and spirituality. I get more focus and good strength in my work life and personal life.

Srila Prabhupada, due to your association and devotees' association, I am able to know you and your greatest quality. Please accept me as your servant and give me pure devotional service unto your lotus feet. By devotional service, I will be able to be free from the material world and go back to my real home and associate with Lord Krishna. You are more compassionate on the ignorant souls like me. Prabhupada, you started the bhakti movement in the Western World and spread Hare Krishna maha-mantra and fulfilled the long time mission to introduce Chaitanya Mahaprabhu's teachings to the world. Srila Prabhupada, you represented the ancient Vedic tradition and trained young Americans who came to you. You have incorporated the world wide society. You said if you cannot give the Bhagavad Gita message to Americans, then you want to go back to India. You have taken so hardship in giving Americans the Krishna Consciousness knowledge, that you even personally cooked 120 chapatis and served them prasadam. In this way you made them become devotees and made them not only vegetarians, but prasadarrians and made them become free from alcohol and drugs. Please forgive me for the sins I had committed and help me to stick to your movement and always keep your blessings on us.

Your Faithful Servant,  
Bhakta Bhagat Dehury.

Dear Srila Prabhupada,

Please accept my humble obeisances. Everyone is looking for happiness in their life. Most people are trying to find happiness in material things and the same thing has happened to me. I found that my whole belief was wrong when I came to know about the Hare Krishna movement, a movement started by you to help people like me. The Hare Krishna movement is where I found real happiness. You told us happiness is not with material things, it will only come with Krishna consciousness. You gave a simple path of Krishna devotion i.e. chanting Hare Krishna Maha-mantra and reading your holy books. I am very fortunate to be a part of the Hare Krishna movement with your blessings. I always wish for your blessings. Your Servant,

Dear Srila Prabhupada,

I came to the journey of Krishna Consciousness in the year of 2018, when I attended the grand event of Janmastami in our college NIT campus. Then I started attending various classes, seminars and different sessions on Bhagavad Gita, Bhagavatam, etc. I got to know about the great revolutionary steps initiated by you to give everyone vedic knowledge. I learnt about your contribution to this society by teaching people about the gist of "Purpose & Truth of Human Life". How the life can be enlightened simply by the chanting of Lord Krishna's name. I strongly believe that your conclusions are bringing this disturbed society into a streamlined path.

Your devoted servant, Bhakta Durgasankar Pati.

SRI GURUBHYO NAMA!!

Pujya Guru Ji and My Spiritual Master, Srila Prabhupada, All glories to Srila Prabhupada. All glories to you on this auspicious day of Vyasa Puja. Please accept my humble obeisances. On this auspicious day of Vyasa Puja, this disciple prostrate in front of guru Srila Prabhupada and offers my humble loyalty to your lotus feet. The role of the guru in one's life is inexpressible and indescribable, so does in my life. In this materialistic world, where almost every visual entity lures you for sensual enjoyment, it is only the guru and his association that could transcend me towards the path of spirituality. In this vicious materialistic life, the guru is only the supreme person who could walk hand-in-hand and lead me towards supreme godhead.

Although, I have been provoked towards God and devotion ever since awareness has arisen during adolescence, got enlightened with true spirituality only when I started an association with the lineage of Pujya Guru ji, Srila Prabhupada. Without his kindness and mercy, this disciple would have tangled in this vicious material life with undergoing perhaps countless births. Oh my pujya guru ji, you have given me a great opportunity to know Krishna consciousness and be always in the services of Lord Krishna. As a Grihasta, happiness, agony, sadness, disappointment, etc., are quite common for me. Your teachings and discourse are superior sources for me to deal with material possessions, dispel distractions, lead a spiritual life, and relish unlimited happiness. It is your kindness and mercy, my daughters-Samskruthi and Ramyasree Indhrani-also in the service of Lord Krishna through singing and dancing. I pray you to bless them so that they can even start chanting HARE KRISHNA Mahamantra and do more services to Lord. Oh! My spiritual master, I pray you to bless me and my family members to be in the services of you and Lord Krishna.

Your servant, Bhakta Hanumantha Rao.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to you, Srila Prabhupada.

All glories to you on this auspicious day of your Vyasapuja.

Prabhupada, you are complete as you are a pure devotee of Lord Krishna. I know you don't want anything in this world as you have got the eternal abode of Krishna.

On this day, please be merciful on all of us. One can't walk through a dark forest until there is a glimpse of light visible to the walker. So please be merciful on us and allow that transcendental light flow for us through you in the form of spiritual knowledge, in this material world. For you have the supreme light Sri Krishna. So please be merciful on us so that we will be able to know Krishna and have infinite devotion towards Him.

Dear A. C. Bhaktivedanta Swami Srila Prabhupada,

Please accept my humble obeisance at your lotus feet.

I take this opportunity to thank you, His Divine Grace Abhay Charanaravinda Bhaktivedanta Swami Srila Prabhupada.

Words would fall short to describe you but I would definitely highlight some of the learning that you have offered to your devotees and helped us grow.

Starting with, I would begin with a quote to describe your humbleness to your Guru Srimad Bhaktisiddhanta Saraswati Goswami in spreading the knowledge all over the world from SB 4.29.68 -

*"guru-mukha-padma-vākya, cittete kariyā aikya"*

which means to stick to the principle of carrying out the orders of the spiritual master.

Not only can we learn spirituality from you but also you are the best example of leadership and management in such a big organisation Hare Krishna Movement. You taught us to have a belief of spirituality and behaviour like professional.

At a time when there was no venture capital, angel funds, private equity or IPO, Bank Loan, with your excellent leadership skills completely bootstrapped the Hare Krishna Movement by building more than 150 temples all over the world. You had no money to give salary but still inspired many devotees to dedicate their lives for Krishna. At that time communication being weak, you wrote more than 10,000 letters in response to the devotees all over the world guiding related to all types of issues and solutions.

With this, I sincerely thank you for spreading this knowledge of Krishna Consciousness to all the devotees like me. Please forgive me for all the sins I had committed and help me to continue to be connected with this movement and always keep showering your blessings to all your devotees.

All Glories to you, Srila Prabhupada.

Your servant,

Bhakta Kiran Patro, Jagannath Puri.

Thank you, Srila Prabhupada from you I understood that, this material world is full of envy and unhappiness and by chanting the holy name of Lord Krishna, one can go back to Godhead. Srila Prabhupada, I sincerely pray Lord Krishna to enlighten me in the path of Krishna Consciousness and be a true servant of your Divine Grace.

Dear Srila Prabhupada,

Please accept my humble obeisances offered to your divine lotus feet.

Please accept my insignificant offerings in words.

Dormant devotional service to Krishna is there in everyone. Simply by associating with you and your devotees, hearing Satsang and chanting the Hare Krishna maha-mantra, dormant love for Krishna is awakened. In this way, one can achieve the nectar of devotional service. Benevolently, shower your mercy on me for chanting the maha-mantra. I am in the budding stage in the process of progressing in the spiritual path of life. I deeply pray to give me the power to fight against not only the deadly coronavirus but Maya virus.

Thank you very much, your grace.

Dear My Spiritual Master,

All glories to you Srila Prabhupada,

I feel privileged and blessed to be associated with the devotees of the Hare Krishna movement. The year 2018 was the worst year of my life. End of that year, I was going through a huge depression. But on one Sunday, 27th of January 2019, early morning I was roaming in college. I came to know through one of my classmates about Sunday Bhagavad Gita classes and I started attending them. I got the association of devotees. I loved the activities such as chanting, bhajans, kirtans, reading shloka from Bhagavad Gita, etc. and I felt quite relaxed. I continued attending the Sunday classes then onwards. Sometimes I spend time reading your Bhagavad Gita. I feel I have improved myself a lot as a person after the association with devotees. My thought process, my behaviour towards others, the way I speak, I feel the change.

I seek your blessings, guidance, and enough strength to follow the path of spirituality and to progress in Krishna Consciousness.

Your servant,

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet.

With your mercy, I am blessed to be one among the devotees of Lord Krishna. I feel blessed to be part of preaching program of Hare Krishna Movement, where I came to know about Krishna consciousness, chanting Hare Krishna Maha Mantra and reading Bhagavad-Gita as it is. I have been attending preaching classes for the past six months which provided me with a foundation in spiritual progress. Here I got clarified many doubts regarding the way of living and the final goal of life. By practising Krishna consciousness, I have reduced negative thinking. I am always thankful to you, who is teaching me Krishna consciousness. Please kindly provide me with your blessings to progress spiritually.

Yours sincerely,

मेरे प्रभुपाद जी!

आपके चरण कमलों में सादर वंदन! मेरे जैसे तुच्छ सेवक पर अपनी कृपा बनाये रखने के लिए आपका सादर अभिनन्दन. सर्वप्रथम आपको मैं ये बताना चाहता हूँ की आपकी कृपा से मेरे शोधकार्य का पत्र प्रकाशित हो गया है जैसा कि मैंने आपसे प्रार्थना की थी. मेरी इस भौतिक प्रार्थना को स्वीकार करने और उसका एक पुरस्कार देने के लिए आपके चरणों में कोटि कोटि प्रणाम. मुझे नहीं पता कि मेरे पिछले जन्म के क्या पुण्य रहे होंगे. किन्तु इतना अवश्य कह सकता हूँ कि इस जन्म में आपका सान्निध्य पाकर मेरा जीवन सफल हो गया. फिर भी कुछ कमियां मेरे भक्ति में हमेशा से रही है और मुझे हमेशा ग्लानि महसूस होता है कि मैं समय में अपनी साधना पूरी नहीं कर पाता हूँ. मैं क्या करूँ ; इच्छाशक्ति कभी कभी कम हो जाती है! मुझे हमेशा से यही लगता है कि मेरे जीवन का उद्देश्य कृष्ण भक्ति में अपना पुरुषार्थ देना कि कैसे मैं आपके आदेश पूरा करने के योग्य भी बन पाऊं. मेरी योग्यता आपसे छिपी हुई नहीं है. किन्तु आप तो मेरे गुरु है, मुझ जैसे कोयले से भी आप हीरे का काम ले सकते है! मुझे अपने चरणों में स्थान देकर वैसे भी मुझे किसी बहुमूल्य रत्न से भी बड़ा बना दिया है! मुझे कृष्णभक्ति का रस देकर आपने सारे भौतिक रस छीन लिए है ! मुझ अज्ञानी को आपने भक्ति का ज्ञान दिया है! किन्तु वो भी साधने में मैं असफल रह जाता हु. कभी आपकी कृपा होती है तो मैं 30 माला भी जप लेता हूँ. और कभी मुझसे 4 माला भी जप नहीं हो पाता है. मेरी कोशिश हमेशा आपके आदेशों का पालन करने की रही है! किन्तु जब मैं इसमें असफल हो जाता हूँ तो ग्लानि महसूस करता हूँ. अपने इस तुच्छ सेवक पर कृपा बनाये रखे

Dear Srila Prabhupada,

Please accept my heart-felt obeisances at your lotus feet.

My journey with your movement started from B.Tech 2nd semester through one of my seniors. By your mercy my every Sunday is utilized in devotee association and honoring very delicious and tasty prasadam. I thank you for giving prasadam to the millions of children who don't get primary needs. After coming in touch with your movement and listening Bhagavad Gita, the way of seeing the life has changed and all the problems related to the life are solved by just reading the Bhagavad Gita. I came in touch with your movement very recently, but changes happened in my daily life rapidly. I am just a beginner in the spiritual life. I thank you for giving me an astounding idea how to do my work in a proper way and according to the great holy book, Bhagavad Gita.

Trying to be one of your followers,

Bhakta Pradeep Samantaray, Jagannath Puri.

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet. All glories to you. On this divine day of Vyasa Puja, I feel privileged to write this offering to you, a bona fide spiritual master. It is your blessings that came through your speeches, writings which made me Krishna Conscious. As advised by you, I will always focus on chanting Hare Krishna Maha Mantra and spread the same to others. Please bless me so that I will always keep my mind on the lotus feet of Lord Krishna and always be Krishna Conscious. I am grateful to you for giving me and every one the understanding that the real truth of human life is to become Krishna Conscious. I beg you to kindly bestow your blessings on my family also, so that they too can become Krishna Conscious.

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet.

I have been in Krishna consciousness movement from my B.Tech onwards, but I got the completeness in understanding when I came in touch with your organisation referred by my friend. I felt very fortunate for this opportunity to serve you Srila Prabhupada and Lord Krishna. After my M.Tech, I came to IIT Bombay for PhD and in Bombay also I am connected with your organization by your mercy. I can truly say that I reduced most of my bad habits, turned them to good ones and trying to be in the mode of goodness through bhakti-yoga. I plead you to make me serve the Lord.

Yours Sincerely,

Dear A C Bhaktivedanta Swami Srila Prabhupada,

Kindly accept my respectful obeisances at your lotus feet.

First of all, I would like to thank you for the movement you have created. I came in touch with the Hare Krishna Movement in the month of January 2020 on the occasion of the festival. It was a very enthusiastic festival with Lord Krishna kirtans and I got an opportunity to serve the Lord. Since then I have been chanting and reading Bhagavad Gita regularly.

I am glad to associate with the devotees and spread the Krishna consciousness to the people like me.

Please pardon me for sinful activities that I did in the past and show mercy. Bless me to do more real service to everyone.

Your faithful servant,

Bhakta Rongali Mahesh, Jagannath Puri.

Dear Srila Prabhupada,

Please enlighten me. I will learn from you and your disciples. Please bless me for my spiritual progress.

Thank you, Srila Prabhupada for giving me your shelter.

Dear Srila Prabhupada,

Please accept my humble obeisances unto the dust of your lotus feet and all glories to Your Divine Grace. All glories to our most loving and aspiring Spiritual Master on His divine appearance day - "Vyasa Puja", which I would like to sincerely devote as follows.

Srila Prabhupada, you have showered your kind blessings on me because of which my family got introduced to your devotees & also got bestowed the best gifts to human kind, the Hare Krishna Maha Mantra. Chanting and hearing helps attain purification of my own soul and existence.

Immersing my mind, body and soul in the eternal music of transcendental Harinama Sankirtana of Lord Chaitanya with your devotees, on the banks of holy Ganga in Mayapur Dham, in various mathas of Navadvipa, in Mathura Vrindaban Dham, on the roads to Banke Bihari Mandir, in the halls/fields of Lord Krishna festivals, on the mountain top of Barsana Shri Radha Rani Temple, and many such places, has a unique way of connecting to the Supreme Power and liberating ourselves from all illusions and material filth.

The blissful experience of honoring the delicious Maha Prasadam at Hare Krishna Movement and at the various festivals of Lord Krishna was only possible since my fortunate soul was blessed by you and I cannot express enough gratitude to you. Also I will be eternally indebted to you for giving me a chance through your disciples to engage myself in any kind of devotional service or seva towards the Supreme Power, Lord Krishna. Taking up any form of Seva for Lord Krishna, whether it is book/pamphlet distribution or preparing juice and malas for events like Janmashtami are much more joyful than achieving any material goal.

And above all, in Krishna Consciousness movement that you established (according to the teachings of Sri Chaitanya Mahaprabhu and previous acharyas), not only correlates the unexplained connection between the imperfections of human form and the Śrīmad-Bhāgavatam but also rekindles the love for Lord Krishna in the hearts of people and presents the unparalleled pinnacle of spiritual advancement ever revealed to humanity. So it is a true blessing to receive the ultimate manual guide, like a switch to a light inside a dark room, when turned ON and absorbed, gives directions and meaning to all wandering souls.

We humbly beg at your lotus feet to shower abundant blessings to all the fallen servants to proliferate the messages of Their Lordship.

Thank you very much, Your grace.

Bhakta Samir Kant Sahu, Jagannath Puri.

## Bhakta Sasanka Sekhar Acharya

Dear Srila Prabhupada,

In the auspicious occasion of 124th Vyasa puja, I want to explain how I and my family got inspired by you, A.C Bhaktivedanta Srila Prabhupada. Before Prabhupada Vani entered our life we all used to think that we know Bhagavad Gita very well and it is a spiritual book to worship but it is not possible to implement in our day to day lives but after meeting you, your institution, your disciples and after knowing their daily routine work, we feel that words of Bhagavad Gita can be implemented in day to day life that too without any compromise (not even .001%).

The true disciples of Srila Prabhupada should get a doctorate (although in the material world it's a top degree it has no value if it is not made to serve mankind). A person needs to pass in both theory and practical. By reading Bhagavad Gita, our theoretical work may be complete but by doing it practically means by implementing its words in our day to day life, we can get a degree i.e we can please Supreme Personality of Godhead Krishna. This should be every human being's only

motto. Somebody can feel the truth that at the beginning of the Universe when Krishna told this to Brahmaji, Surya Narayan and 5000 years back Lord Krishna again told Arjuna and at last your Guru, Divine Grace Srila Bhaktisiddhanta Saraswati Thakur Ji Maharaj told it to you in a guru parampara system.

One can see the real power of guru and belief by just reading about your biography that how at the age of above 60 when people of the material world get retired, you started a career in a new manner with joyful enthusiasm. Just on a belief that your guru instructed to take Krishna consciousness outside of India i.e., all over the world. When at age above 70, everyone wants security, safety in life, staying home, want to stay with own people, how a Vaishnava (believing in guru's word, believing in Krishna Consciousness) can single-handedly without money in hand, cooking food on his own (giving food to others while crossing world's largest sea in Scindia ship) reached a country (USA) of mlecchas (meat-eaters, drunkards), changing them to devotees without any compromise. When no sadhu wants to even talk to mlecchas, your divine grace Srila Prabhupada made them Vaishnavas. It takes millions of births to get salvation. But when Srila Prabhupada, you, the liberator, yourself wandered around the Indian streets. While no parent was ready to volunteer/donate their child to become your disciple, even though they were not even able to feed their children. It was the misfortune of Indians and simultaneously fortune for English people. This is Krishna Leela. Justice for all. All world follows you but you follow only your guru's word of loving and believing Krishna.

When we do something for mankind with belief in Krishna Consciousness, the entire universe will be in your favour to fulfill our desire (same as Lord's), where age and time will not be a factor at all. In the material world, the richest person always worries about his business/ property, who will succeed him further, he has no clear vision as he walks in a deep dark jungle, always in fear but in the spiritual world, there is no worries/ doubt.

Srila Prabhupada, you were always clear in your vision of Krishna Consciousness like a man walking in clear sunlight with peace and full of joy. So this is confirmed by Krishna in Bhagavad Gita to Brahma Ji in Guru Parampara and it had come to you, Srila Prabhupada.

I always used to ask myself why I had lost so many years without chanting. If that day when for the first time I saw your disciple and if I would not have spoken to him, maybe I still would have walked in a deep dark jungle without any motive. Chaitanya Mahaprabhu says "My Dear Lord, you are so kind to me that you are always prepared to give me your association. but I am so unfortunate that I do not take advantage of this opportunity. "chanting converted this unfortunate creature to fortunate." Your Mission is clear to all of your disciples. Therefore, they go into the streets and chant, although we people say "can't," they go on chanting. That is their duty, duty of Vaishnav. We people focus on taking bath in the river Ganga. Ganges water clean body but chanting cleanses heart where Krishna lives. Krishna wants to continue living within the heart and the Lord also wants to give directions, but one has to keep his heart as clean as Lord Chaitanya Mahāprabhu kept the Guṇḍichā temple. In this way, one can be pacified and enriched in devotional service.

Vaishnava philosophy does not change with time but peoples' minds changed from time to time but Vaishnava never changed till the end of life. In the material world, people think why Vaishnavas are missing material happiness but Vaishnavas are feeling pity of thinking material people why they are following Maya and why they are losing real happiness. At death bed, some materially immersed person know the reality that Vaishnavas are on the right path. So Vaishnavas help people with their love, dedication, and enthusiasm. Krishna says a Vaishnava darshan is more beneficial for a materialistic person than His own darshan as Vaishnava means unconditional love to Krishna.

If I would have taken birth before your demise (from this world) and able to touch your feet for a single moment or take a single glance of you, my birth would have been meaningful.

I request Divine Grace Srila Prabhupada to recover all world from this global epidemic Covid-19 and your Lord's Janmashtami Mahotsav should be celebrated in a joyous and fervent way as always.

Please allow us, to engage as your insignificant servitors.

Bhakta Sasanka Sekhar Acharya, Bhaktin Srimati Sangita Acharya, Bhaktin Kumari Snigdharani.

Dear Srila Prabhupada,

O Spiritual Master!

Kindly accept my humble obeisances at your lotus feet. I am the most fallen soul, still I have a great hope by hearing your sweet words from your lotus mouth, by your merciful glance I am still sticking to your lotus feet.

You helped me to know my identity, who am I? Due to your mercy I found myself in always association with Vaishnavas. I am very fortunate to have got you and deeply indebted for your causeless mercy on me. I am associated with movement since 2014. Although I know Maha mantra “HARE KRISHNA” is for Kali-Yuga but you made me realize its importance in my life, how this Maha mantra is a protector for me in this life, through chanting and reading Srimad Bhagvatam and Bhagavad Gita.

My guru Prabhupada, please forgive me for all my offences which I have committed.

Yours Servant of Servants,

Dear Srila Prabhupada,

I pay my humble obeisances to you, Jagat guru. Being a great carrier of the Vedic life system, you have trained us on the same. You have super zeal to teach everyone Krishna consciousness. Your teachings are intact even after more than 50 years, as you worked hard to spread the Vedic knowledge. Being a pure devotee of Lord Krishna, You have the unmatched capacity and used techniques to give Lord's blessings to people in different places of the world. You are a bonafide spiritual master, by whose blessings, will every living entity be blessed to lead a true life. I always desire to follow your movement. Please give me your blessings to follow your instructions.

## Bhakta Shubham Bishnoi

---

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories unto you.

Before I met you, my life was abnormal but I always felt like something was missing. At each moment I felt like I was missing a purpose but once I met you, I came to know about the biggest purpose of life.

Srila Prabhupada, recently during this COVID-19 epidemic I realized that how fragile and uncertain one's life is. One keeps on planning for their future steps and with those future steps, comes the attached expectations but one doesn't realize that the only thing one can control is one's own actions but the result is dependent on things which are way beyond our comprehension, leave alone the control. So inevitably their expectations are neither met nor not even nearer to reality. If the expectations are met then the person sets higher expectations and if they are not met he feels pain. Srila Prabhupada, I realized how tiring life is without any purpose. People are just running a race without any finish line. I have read these great philosophies many times but just now I am realizing just a tiny fraction of it.

People do something when they feel a need for it and without that need you can only force it. There needs to be a proper balance of everything in life. I try to balance my life with work, entertainment, family time, friends time, etc but I have realized just while writing this offering as I spelled it out that my balance is missing one main ingredient and that's Krishna.

Without Krishna my life will always be lacking. Whatever balance I create will be unstable due to all the above mentioned ingredients of Maya and for a stable equilibrium I need to cancel out that Maya's force with equal amount of Krishna for true happiness, satisfaction and peace.

Please help me to bring my understanding into practical action. I am eternally grateful to you.

Yours faithfully,

Bhakta Shubham Bishnoi, Jagannath Puri.

Respected Srila Prabhupada,

Please accept my Respectful Obeisances unto Your Lotus Feet,

Being a fallen neophyte, I haven't read any Sastras nor I have any reference, still, I will try my best to talk sensibly.

It was unfortunate I was going to some other religion manufacturer. It's Your causeless mercy & Your Young disciples who brought me to the right path.

The activities throughout not only brought my ego in control but also engaged my energy in the right ways, otherwise, I would have spoiled it.

You made me realize the right use of the time, the energy I have, distinguish different tastes, live a meaningful life, learn from the failures.

I loved Your morning walk conversations, SB lectures, Your letters, and conversations, still, I never chanted 16 rounds (tamo guna). That's my fault.

I am happy that I have preached to at least 2 people, by Your mercy, to get connect them to you, but first I need to be.

Thanks for giving Your valuable time. Your disciples too are very enthusiastic, they come from "long miles away, only to save us."

I respect Your prediction of the civilization crash & I am now not interested in the Ugra Karma

Just like Chaitanya Mahaprabhu left the credit for You I believe You left the Varnasrama Project for Us.

Although Krsna has planned Kali-yuga, the age of quarrel & disagreement, the mission of Chaitanya Mahaprabhu, has lots of Jagai & Madai still left there to be liberated.

I made a lot of offenses, I do not want to commit now anymore. I understand that pleasure & Your disciples have made that easier for us to Understand through online association, live lectures, and interactions.

Your mission is a life goal for many of us. You are to be in Goloka or other Loka preaching.

Being Indian it's my duty to make life successful & preach others too, without seeking any benefit.

Your words "*the more we become Conscious of Ourselves, the more we'll become independent.*" You've made your disciples Fearless.

All glories to Sri Guru & Sri Gauranga. All Glories to Saviour of the whole World Jagadguru Srila Prabhupada ki Jaya.

Your Servant,

Bhakta Shubham Singh Chouhan,

Jagannath Puri.

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet. Om Guru Govindaya Namah. Respected Prabhupada, My life has been blessed by your blessings and I am trying to understand Lord Krishna and His teachings by your mercy. Some years back, I was in the grasp of material contamination. By Krishna's mercy, I got the path that led me to Krishna Consciousness. One day, I was in a bad state of mind and was searching about Gita on the internet and I found your, A.C.BhaktiVedanta Swami Prabhupada, videos on YouTube and I started watching each video from then onwards. I finished all the videos of series which brought some changes in me and I have gone to a hostel nearby where your followers were staying and got a book "*science of self-realization*" which totally changed my mind and from that time I am trying to be fully under your control which I liked very much compared to all controls I have had with material desires in my past life.

Today I can say I am still imperfect and fallen but still I have you, Prabhupada, in my life which always gets me out from bad thinking and bad phases of life. I also feel continuous blessings from you & Lord Krishna always on my head even though I am most ineligible and stupid.

Your Servant,  
Bhakta Sibani Prasad.

Dear Srila Prabhupada,

I offer my reverence at your glorious feet on this propitious occasion of Vyasa puja. I am hereby sharing the feelings and experiences I got through your enlightenment.

Whenever I sit calm, I always realize that the biggest achievement in life is becoming the part of the Hare Krishna Movement. It definitely cleansed my heart and made my thoughts cleared and controlled; the past memories did not affect me at all anymore.

If it would not be for your guidance towards indescribable spirituality, I would not have reached the current and future state of peaceful mind ever due to the absence of knowledge of the path inside the ultimate realization. At all times, I had any problem, I always got it solved by the devotees and by hearing your vani, regular chanting and the feeling from it helped me a lot in all type of situations.

Due to your blessings, at each knock of the problem, I always become calm and solve it with possible solutions. By chanting and listening to your teachings, I simply always feel an inexplicable feeling; it's as if simply being dipped inside the creator forever. So, I promise to myself that I'll chant the Maha mantra regularly and follow the teachings, which is in fact a complete bliss by itself.

Your forever disciple,  
Bhakta Silvash Prasad Mishra, Jagannath Puri.

Please accept my humble obeisances at your divine lotus feet. All glories to you.

Srila Prabhupada, by your mercy I got wonderful things in my life like the Hare Krishna Mantra. Still I am not regular in chanting but the day on which I chant, day goes much better than the usual days. I feel much positive throughout the day and automatically at the end of the day, I feel that today I have done something productive. This association has brought

an unbelievable change in my life and to come across more changes like these I will try and make chanting as a daily habit. Please bestow your mercy so that I can chant Hare Krishna mantra regularly. Thanks you very much Prabhupada.

Dear Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet. All glories to you.

On the auspicious occasion of vyasa puja I want to offer some words unto your lotus feet.

Servitude undeniably accused

For the truth faced & revealed

The Lord had his will through this insignificant soul

I clasp my hands to the loving God

Into his purity I dissolve

Brain, heart ego completely shattered

Into the heralding of a new dawn

Questionably asked the primordial origin

I break into thousand tiny bits

Krishna the lord and goddess Radha

Has streamed into my Oblivion a Divine saga

I remorsefully could cry the pain

Love is just the Lord's name

Put me into your service, I cry

Hare Krishna, Hare Krishna name I pray.

Srila Prabhupada, please bless me so that I can chant Hare Krishna mantra throughout my life. Thank you very much for giving me your shelter and devotees association.

## Bhakta Sumanta Patro

Dearest Srila Prabhupada,

Please accept humble obeisances from this Dasanudasa at your divine lotus feet.

All glories to the most caring and compassionate spiritual master on his divine appearance day "Vyasa Puja" !

You have appeared on this auspicious day as Sri Vyasa Avatara, the literary incarnation of Lord in this Kali yuga.

Lord has portrayed the whole world the adhi daivik klesha through Corona Pandemic to teach the human being that only through the shelter at the divine lotus feet of bonafide spiritual master can one be saved from the cycle of birth and death. Also, this pandemic demonstrated that Krishna is Bhagavan and maintainer of this universe, as You have referred many times in your transcendental books and lectures.

You have exhibited grand Ratha Yatra in the whole world, wherein Lord Jagannath, Lord Balabhadra, Subhadra devi and Sudarsana are enthroned in a grand Ratha for bestowing Their special mercy to the most fallen souls in the world. This year, by the mercy of you and Krishna, Ratha Yatra happened in Puri without difficulty despite pandemic.

As per the holy scriptures, in the path of unalloyed devotion, it is believed that when a fortunate devotee who beholds the Lord on the chariot, he/she is liberated from the vicious cycle of birth and death.

As per Padma Purana:

*“dole cha dola govindam, chape cha madhusudanam  
rathe tu vamanam drustwa punar janma na vidyate”*

An ardent seeker, who has the fortune to behold Lord Jagannatha, in form of Lord Govinda in the festival of Dola Purnima, Lord Madhusudan in Chandan Yatra and a glimpse of the Vamana, the dwarf form on the chariot is liberated from the bondage of birth and death.

By your grace, you have compiled Srimad Bhagavatam as recited by Srila Sukadeva Goswami and enumerated ten important subjects as Sarga (primary creation), Visarga (secondary creation), Sthanam (maintenance), Posana (nourishment), Uti (material desires), Manvantara (reign of a Manu), Isanukatha (activities of Lord and His devotees), Nirodha (annihilation), Mukti (liberation) and Asraya (supreme shelter).

By your causeless mercy, we are able to chant the maha mantra. However, everyone is trying to chant the perfect stage of Nama that is Suddha Nama of the holy-name. Please shower Your special mercy and benediction for achieving this through Nama Prabhu.

Please give us the proper intelligence and energy to read and understand your transcendental books and implement in our life.

We beg at Your lotus feet to bestow your blessings to all the fallen servants to propagate and proliferate the messages of Their Lordships.

Jaya nitya lila pravishta Om Vishnu pada paramahansa parivrajakacharya ashtottara shata Shri Srimad His Divine Grace Srila Abhay Charanaravinda Bhaktivedanta Swami Maharaja Prabhupada ki jaya.

Thank you very much. Om Tat Sat.

Your most fallen and dis-obedient servant,

Bhakta Sumanta Patro, Jagannath Puri.

Dear Srila Prabhupada, Please accept my respectful obeisances unto your lotus feet.

*om ajnana-timirandhasya jnananjana-salakaya*

*caksur unmilitam yena tasmai sri-gurave namah*

I was born in the darkest ignorance, and my spiritual master opened my eyes with the torch of knowledge. I offer my respectful obeisances unto him. Today, on the auspicious day of Vyasa Puja, I got an opportunity to share my heartfelt feelings with you. You are the most merciful spiritual master who took the message of Lord Krishna all over the world for the deliverance of most fallen souls like us. You made the whole world chant Hare Krishna Maha Mantra and develop love for Krishna. I will be forever indebted for your causeless mercy. Your books and lectures changed me and my life. Whatever doubt I got, it got immediately resolved by listening to your lectures or reading your books. You are so merciful that you have been pardoning my offences which I'm committing knowingly. I beg forgiveness for all my offences and will always try to minimise them. Please don't reject me at any circumstances. I'm a most fallen soul surrendered unto your lotus feet. Only you can help me for improving in my bhakti towards Krishna. Please always keep bestowing your mercy upon this most fallen soul.

*I offer my respectful obeisances unto His Divine Grace A.C. Bhaktivedanta Swami Prabhupada, who is very dear to Lord Krishna, having taken shelter at His lotus feet.*

Our respectful obeisances are unto you, O spiritual master, servant of Bhaktisiddhanta Saraswati Goswami. You are kindly preaching the message of Lord Chaitanyadeva and delivering the Western countries, which are filled with impersonalism and voidism.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to Srila Prabhupada.

All glories to you on this auspicious day of your Vyasa-Puja.

You established the organisation ISKCON (International Society for Krishna Consciousness), known colloquially as the Hare Krishna movement or Hare Krishnas, is Gaudiya Vaishnavas which was founded on July 13th, 1966. This ISKCON you formed to spread the practice of Bhakti Yoga, the practice of Love of God in which those involved (bhaktas) dedicate their thoughts and actions towards pleasing Lord Krishna, the Supreme Lord. Today, it has around a million congregational members worldwide.

I am fortunate to have such a well-established system which trains one to go home, to the Supreme Personality of the Godhead. Thank you so much for the principles set up to follow them and a lot of books, lectures and instructions to guide, which will help a fallen soul like me to go to Goloka.

Please guide and help me to aim to reach Goloka, I beg for your blessings and mercy on me. Thank you for being my spiritual master Srila Prabhupada.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to Srila Prabhupada. All glories to you on the special day of your appearance.

His divine grace A.C.Bhaktivedanta Swami Srila Prabhupada was a nitya-siddha maha-bhagavata sent by Krishna from the spiritual world to save us all. He was so bold and convinced that he took on the whole world for Krishna. He is always dependent on the mercy of his spiritual master.

Srila Prabhupada wrote in the purport SB 4.24.15:

*“The order of the spiritual master is the life substance of the disciple. The disciple should not consider whether he is going back home, back to Godhead; his first business should be to execute the order of his spiritual master.”*

One devotee asked Srila Prabhupada how he can repay the debt.

**Devotee:**How can we repay you?

**Srila Prabhupada:** *You don't require to repay. (Chuckles) I am not giving you anything. It is Krishna's property. You repay Krishna. Chant Hare Krishna and He will be repaid. Nobody can repay. Therefore it is better to always remain obliged. That's all. That's alright? Chant Hare Krishna.*

A devotee always feels incapable to repay his debt to his spiritual master and without mercy of spiritual master, one cannot please his Guru.

One can please spiritual master by always following 4 principles, take prasadam, and above all chant sixteen rounds a day, and thus make steady advancement in devotional service.

We, therefore, don't need to add anything, subtract anything, or change anything. We need only faithfully serve Srila Prabhupada's orders, and everything will be revealed

The real ocean of mercy is Krishna, and it is because of Guru only we come to the ocean and be happy. Bhaktivinod Thakura has sung,

*krsna se tomara, krsna dite paro,tomara sakati ache  
ami to' kaṅgala, 'krsna' 'krsna' boli',dhai tava pache pache*

Krsna is yours. You have the power to give Him to me. I am simply your servant running behind you shouting, "Krsna! Krsna!"

*Janme janme prabhu sei-* this is our greatest hope, to obtain that shelter birth after birth. Thank you very much, Srila Prabhupada. May your glories be proclaimed throughout the three worlds. Srila Prabhupada-ki jaya!!

Your servant,

Anandlila Devi Dasi.

Dear Srila Prabhupada (My eternal father),

I thank you immensely for giving me one more opportunity to write to you on a very auspicious day of your appearance. As the Lord descends from time to time to Protect the devotees and annihilate the demons, your grace descended from the Goloka Vrindavan just to uplift a demon like me. I am no less than demons like Kamsa, Hiranya Kasipu, Duryodhana, etc. They are called Mudha, Nara Dhama etc., in Bhagavad Gita as they did not understand and identify the Supreme Lord when

he was performing His Leela in the material world, similarly a foolish rascal like me unable to feel the presence of the Lord in the Holy name.

The present situation COVID came as a blessing in disguise in our lives. It is by your causeless mercy your empowered soldier his grace Sri Madhu Pandit Prabhu is pouring ocean of information about “Soulful Japa”. JAPA is not just doing, Japa is a relationship with the Nama Prabhu. The Sachidananda Lord descends on our tongue from Goloka when we chant *Hare Krishna Hare Krishna, Krishna Krishna Hare Hare, Hare Rama Hare Rama, Rama Rama Hare Hare* by your mercy this stool like jiva is been awarded to be part of Nama Prabhus Leela.

Srila Prabhupada though I know that we are all part of Nama Prabhu Leela, Though I know that Lord is non – different from his sound, Though I know if we take one step towards Krishna, Krishna will take 100 steps towards us, Though I know that the Lord eternally loves me, I am unable to do mindful, Spiritful Japa. All the thoughts in the world start coming during chanting. I know the secret to link with the Lord without interruption is attention. Srila Prabhupada please please help me to do uninterrupted chanting. Please help me to develop *nama ruci*. Please help me to serve the Lord with immense attention.

The consequences of offensive Japa which I have been doing all these years is the cause of inattentive Japa. I am repeatedly committing the offences. Srila Prabhupada its *ONLY YOU, ONLY YOU, ONLY YOU* who can help me to develop the Love for Nama Prabhu. I always remember the promise that you have made to your disciples that if we sincerely try to follow all the guidelines given by you, even though there are 100 and 1000's of offenses by your causeless mercy just by holding the tip of your dhoti we can attain to Krishna Prema. I will put my full heart and soul to follow everything that u want from a disciple. Please help me Srila Prabhupada.

Please help me to develop a taste for reading your books more and more. Please help me to develop Love for my deities Sri Radha Manmohan, Please help me to become a good mother and a wife so we can progress as a family in Krishna consciousness. Please shower your immense blessings on Omkaar and Nivrti to achieve their goal of chanting 16 and 4 rounds this year. Please help them to develop shraddha, bhakti and preethi in you. Please help me not to commit any Vaisnava Aparadha. Please help me develop respect towards all the Vaishnava's and save me from falling into the stool pit of envy, pride and ego.

Your eternal servant,  
Deepa Dhatri Devi Dasi.

Dear Srila Prabhupada,

Please accept my most humble obeisance unto your divine lotus feet. All glories to your divine grace.

Srila Prabhupada, it has been 20 years since you have allowed me to serve your mission. Thank you very much for your guidance throughout my journey. Please bless me so that I will continue my services with love, passion and diligence.

Srila Prabhupada, please bless me that I should never desire for what you have not planned for me. Every movement thought actions in my life should be your choice. I know you are my eternal well-wisher and you are with me to give me the strength to overcome all the obstacles which I face daily. Please guide me so that I will remain steadfast in my sadhana and continue to make progress in Krishna consciousness.

Dear Srila Prabhupada,

Please accept my humble obeisances unto your Lotus feet million thousand times again and again.

It is a rare and great opportunity for me to glorify you on this occasion of your appearance day; VYASA PUJA

You are a pure devotee of Lord Sri Krishna, and you came to deliver us from Maya with your kind Mercy upon the fallen souls like me. I am greatly indebted to you life after life for your causeless mercy. I really can't understand your qualities with my tiny mind. But you saved my life, and I want to be servant life after life. Without you giving Krishna Consciousness, I really can't understand how I could have a peaceful mind.

I still remember days when I don't know anything how to behave with others like a frog in a well. You showed me the way of Krishna Consciousness where everything has a purpose for Lord Krishna, and started trying to respect everyone's desires. All these days I was attached to bodily relationships which were causing severe pain. I am still attached to children; not able to respect their independent desires away from Lord Krishna.

I beg you that I want always devotee association. Many thanks to you that I understood, and implementing concurrent chanting cum hearing of Japa with the causeless mercy of Sri Madhu Pandit Prabhu's japa training sessions. Now I feel guilty that although I chanted for so many years, but never had any even mindfulness on the Nama during Japa. You know every desire of mine. Please rectify all my desires which are not in line with Lord Krishna. Thank you for everything.

Your servant,

Gopika Gita Devi Dasi.

*I offer my respectful obeisances unto His Divine Grace A.C. Bhaktivedanta Swami Prabhupada, who is very dear to Lord Krishna on this earth, having taken shelter at His lotus feet.*

*Our respectful obeisances are unto you, O spiritual master, servant of Sarasvati Gosvami. You are kindly preaching the message of Lord Chaitanya deva and delivering the Western countries, which are filled with impersonalism and voidism.*

Dear Srila Prabhupada

Please accept my humble obeisances unto your lotus feet.

On this most auspicious day of your divine appearance, along with remembering your glories, I always try cherishing about how I got introduced into Krishna Consciousness too. To me, it's simply a miracle that has happened by your mercy. These miracles that each of your followers will know how wonderful they are. Thus, I am very thankful for how you have created a lot of opportunities for my gradual spiritual progress. This day is also a great opportunity for me to retrospect on my shortcomings with my Sadhana, so that I can plan again in a better way to overcome those with your mercy.

Currently, the whole world has started to embrace themselves in fear-filled living, and we all devotees are also thinking what if we are infected with it? be it a materialistic person or a spiritual person, we all fear death. As you already stated in many of your purports of Bhagavad Gita that we are in this material body; we are already infected with the three modes of

material nature, and we simply need to serve the Lord with pure love and devotion. So, to achieve that please shower your mercy upon me, as I think that as a practising devotee I have to take all necessary precautions to avoid catching the infection, so that I can serve you more and more while I progress in the spiritual path.

Due to this pandemic, there are a lot of service interruptions happening within the temple too. So kindly bestow your causeless mercy upon us, so that we can overcome these impediments soon.

The words and teachings that you have given us are perfect and giving solace to us, not just in this current situation but also in all situations.

You said this in one of your lectures (SB 6.2.1-5 Calcutta January 1971 )

" So we have to be very careful. The age is very bad, the Kali-yuga. You are experiencing. We have to simply take shelter of Krishna and always cry,

*kṛṣṇa! kṛṣṇa! kṛṣṇa! kṛṣṇa! kṛṣṇa! kṛṣṇa! kṛṣṇa! he!  
kṛṣṇa! kṛṣṇa! kṛṣṇa! kṛṣṇa! kṛṣṇa! kṛṣṇa! kṛṣṇa! he!  
kṛṣṇa! kṛṣṇa! kṛṣṇa! kṛṣṇa! kṛṣṇa! kṛṣṇa! rakṣā mām!  
kṛṣṇa! kṛṣṇa! kṛṣṇa! kṛṣṇa! kṛṣṇa! kṛṣṇa! kṛṣṇa! pāhi mām!  
rāma! rāghava! rāma! rāghava! rāma! rāghava! rakṣā mām!  
kṛṣṇa! keśava! kṛṣṇa! keśava kṛṣṇa! keśava! pāhi mām!*

Like that, as Caitanya Mahāprabhu taught us. The time is very dangerous. And still, in this dangerous time. Just like in epidemic condition where many people are being contaminated and dying, still, the doctors appointed by the government, they have to go into the epidemic area and try to treat the person and save them. Our duty is like that. The whole atmosphere is a epidemic, the whole atmosphere, this Kali-yuga. And still, by the superior orders, we have to preach this Kṛṣṇa Consciousness. Therefore our only shelter is kṛṣṇa! kṛṣṇa! kṛṣṇa! kṛṣṇa! kṛṣṇa! kṛṣṇa! rakṣā mām! Very dangerous position. The foolish people, they are thinking that "We are very happy, and we are very safe." But nobody is safe. Nobody is safe. So we have to deal with persons very carefully, and at the same time, we have to push our missionary activities. *aho kaṣṭam dharma-dṛśām.*"

In one of your morning conversations of January 22-23, 1976, Mayapura you said these words :

"The disease is there; the medicine is there. So intelligent man should take the medicine, precaution, and then he'll be saved."

And the below excerpt is a perfect solution that you have given us already long back for the current situation : (Taken from Lectures: Śrīmad-Bhāgavatam 1.10.5 Māyāpura, June 20, 1973 )

" How nature can be controlled? Mām eva ye prapadyante māyām etām taranti te [Bg. 7.14]. This is the law of nature. If you become disobedient to God, then prakṛti or nature will give you trouble in so many ways. And as soon as you become submissive, surrender to Kṛṣṇa, the Supreme Personality of Godhead, there will be no more natural disturbances. I have heard in 1900, 1898— I was born in 1896—so I have heard, I have seen also, I remember, in Calcutta, there was a very virulent type of plague epidemic in 1898. So Calcutta became devastated. All people practically left Calcutta. Daily hundreds and hundreds of people were dying. I was one year old or one and a half year old. I have seen what was happening, but there was a plague epidemic. That I did not know. I, later on, I heard from my parents. So one bābājī, he organized saṅkīrtana, Hare Kṛṣṇa saṅkīrtana. When there was no other way, so he organized saṅkīrtana all over Calcutta. And in the, in saṅkīrtana, all people, Hindu, Muslim, Christian, Parsi, everyone joined. And they were coming, they were going road to road, street to street, entering in every house. So that Mahatma Gandhi Road, 151, you have seen. The saṅkīrtana party we received very nicely. There was light, and I was very small, I was also dancing, I can remember. Just like our small children sometimes dances. I remember. I could see only up to the knees of the persons who were joined. So the plague subsided. This is a fact. Everyone who knows the history of Calcutta, the plague was subsided by saṅkīrtana movement. "

Please bless me so that I can read more and more of your books, and attain right understanding to make progress in devotional service.

I once again thank you for providing all kinds of answers through your books to us, and I also thank you from my bottom of my heart for engaging my whole family in your service. But for sure I beg your forgiveness if I have committed any kinds of offenses so far.

Thank you very much for everything, Prabhupada!

yours very insignificant servant

Dearest Srila Prabhupada,  
Please accept my humble obeisance at Your Lotus Feet

I want to take this moment to express my gratitude for you unconditional mercy you showed on me. In every moment you saved me, when I was falling down into danger/darkness. Every moment you guided me when I was lost. Every moment you were with me to pull me up from my ignorance.

This year, I am fortunate to be staying safe and healthy just because of your mercy. Due to the pandemic situation, I am not able to perform services at the temple. For me connection between Supreme, You and I are services.

Please keep me up always in your mission and devotional service, so that I won't degrade further.

I'll take this moment to convey my gratitude from the bottom of heart to your lotus feet.

All Glories to Srila Prabhupada.

I meditate on your Lotus feet and offer all obeisances to you. You are the most compassionate representative of Lord Sri Chaitanya Mahaprabhu. You are the ocean of pure devotion to Sri Krishna, simply by having Darshan of you, hearing you, hearing about you, remembering your pastimes one becomes Krishna Conscious.

Thank you very much Srila Prabhupad for accepting me as a fallen disciple. My heart becomes full of gratitude to you when I hear your early ISKCON pastimes from advanced senior Vaishnava's, how you inspired youngsters and taught them the very basic spiritual life by showing a practical example, how much pain you took to start this movement to deliver fallen soul like me.

Srila Prabhupad since last two years by the order of authorities I was assigned goshala services but out of circumstances, unfortunately, I could not get your association by hearing you or reading your books and also I could not get Vaishnava association, one point of time I felt that I am lost in the material world and soon my spiritual life is going to end but you saved me, today when I look back on my last two years I see that I was always surrounded by Maya. I was and I am always protected by you, I did not feel any maya's attack even though there was Maya's attack. Please always keep me under your shelter and engage me in fulfilling your desire.

Srila Prabhupad, even though I did not get your association but by your mercy only I developed the taste in reading your books and hearing from senior Vaishnava's. Since the last three months, I am feeling that I am coming out of contaminated material consciousness and moving towards Krishna Consciousness by regularly hearing and reading books. By your grace we got spiritual authority like His Grace Madhu Pandit Prabhu, under his able guidance and hearing Soulful Japa sessions, my chanting has improved a lot, I learned the right way of chanting by following your golden and diamond commands and as a result of this , I feel energetic and enthusiastic whole day.

Srila Prabhupad, still my heart is full of anarthas and still, I have many material desires. Please do not fulfil my material desires. Please always keep me under your shelter in association with devotees, do not let me go in Maya.

Your fallen disciple,  
Madan Gopal Dasa.

Dear Srila Prabhupada, my dear eternal father,

Please accept my humble obisances at your Lotus Feet on this auspicious occasion of Vyasa Puja.

I came in contact with your teachings at the age of 13 through a book my mother gave me. As we practised pustimargya , my mom was least interested in reading it. She asked me if I wanted, or else I can discard it. It was on chanting the holy name of the Lord, the mahamantra. After reading it I was so fascinated that I preserved the book, but neglected the teaching in it. It was because I was a mudha , but you are so merciful that you accepted this Rascal as your disciple. Forgetting the book which remained untouched for 20 years I tried my feeble attempts to find some satisfaction in sense enjoyment, but I became more confused, unhappy, and extremely frightened. It was then when I started looking for answers. It was by your mercy that once again I remembered that book which I had for some reason still preserved. Another year has gone by, and I still lack the taste in chanting, I still continue to struggle to be your worthy disciple. Today on your appearance day, I beg you to always use me in your service in any way you desire. I fall at the dust of your lotus feet to give me the strength to serve you, to please you. In any case, I will never ever be able to repay you Srila Prabhupada.

Your unworthy disciple,  
Malati Devi Dasi.

*"I offer my obeisances unto the spiritual master of the entire world, A.C. Bhaktivedanta Swami Prabhupāda, whose glances are full of mercy and who is the bestower of transcendental bliss. O renowned lord, protect me and kindly shower your compassion on me again and again."*

Śrīla Rṣabhadeva advised His sons, *gurur na sa syāt. .. na mocayed yaḥ samupeta-mṛtyum: "One should not take up the post of spiritual master unless he is able to lead his disciple from the cycle of birth and death."* (SB 5.5.18) Material existence is actually a chain of action and reaction brought about by different types of fruitive activities. This is the cause of birth and death. One can stop this process only by engaging oneself in the service of Vāsudeva.

Purpose of ISKCON : *The purport is that one cannot live outside the society of devotees; one must live in the association of devotees, where there is constant chanting and hearing of the glories of the Lord. The Kṛṣṇa consciousness movement is started for this purpose, so that hundreds of ISKCON centers may give people a chance to hear and chant, to accept the spiritual master and to disassociate themselves from persons who are materially interested, for in this way one can make solid advancement in going back home, back to Godhead.* (SB 4.22.23 purport )

Priceless Gift: Bhakti-Yoga

*When a devotee takes shelter at the lotus feet of the Supreme Personality of Godhead, he is completely cleansed of all misunderstanding or mental speculation, and he manifests renunciation. This is possible only when one is strengthened by practicing bhakti-yoga.* (SB 4.21.32)

Topmost status of human life which is given by you as prithu maharaj said,

*mā jātu tejaḥ prabhaven maharddhibhis titikṣayā tapasā vidyayā ca |  
dedīpyamāne 'jita-devatānām kule svayaṁ rāja-kulād dvijānām ||*

*The brāhmaṇas and Vaiṣṇavas are personally glorified by their characteristic powers of tolerance, penance, knowledge and education. By dint of all these spiritual assets, Vaiṣṇavas are more powerful than royalty. It is therefore advised that the princely order not exhibit its material prowess before these two communities and should avoid offending them. (4.22.37)*

*nidrayā hriyate naktam ,vyavāyena ca vā vayah |  
divā cārthehayā rājan ,kuṭumba-bharaṇena vā|| (2.1.3)*

*The lifetime of such an envious householder is passed at night either in sleeping or in sex indulgence, and in the daytime either in making money or maintaining family members.*

Prabhupada you saved me from all this dangerous path and given me shelter at your lotus feet. Prabhupada after knowing all this now i can understand what you have given me. And in Srimad-Bhagavatm explained that " The secret of success in the cultivation of Krishna consciousness is hearing from the right person." and prabhupada you are the only one right person which is sent by lord krishna to me. Prabhupada i know that i can not repay even my thousand of levies and i am your eternal debtor.

Thank you prabhupada for accepted me as your disciple and actually I wasn't eligible for that.

Your fallen servant,

Manojava Das.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories unto you!

Lord Krishna tells Uddhava in Srimad Bhagavatam 11.14.16:

*nirapekṣam munim śāntam, nirvairam sama-darśanam  
anuvrajāmy aham nityam, pūyetye aṅghri-reṇubhiḥ*

*"With the dust of My devotees' Lotus feet, I desire to purify the material worlds, which are situated within Me. Thus, I always follow the footsteps of My pure devotees, who are free from all personal desire, rapt in the thought of My pastimes, peaceful, without any feelings of enmity, and of equal disposition everywhere."*

This is the glorious position of a pure devotee of the Lord like you. The pure devotee always follows in the footsteps of the Lord and the Lord Himself takes pleasure in following the footsteps of His pure devotee. The dust of the Lotus feet of a pure devotee is so glorious that the Lord says here that He desires to purify the entire material world with it. As Prahlada Maharaja says, *mahīyasām pāda-rajo-'bhīṣekam, niṣkiṣcanānām na vṛṇīta yāvat* (SB 7.5.32). Krishna consciousness does not arouse unless and until one bathes in the dust of the lotus feet of a pure devotee of the Lord. I pray to the Lord to always give me the opportunity to bathe in the dust of your Lotus feet!

When you set out to travel to the west in the Jaladuta, carrying the order of Srila Bhaktisiddhanta Sarasvati Thakura in your heart with great determination, you faced life-threatening obstacles. You wrote in your diary:

*"Passed over a great crisis on the struggle for life and death... I am struggling and the nectarine of life is Sri Chaitanya Charitamrita, the source of my all vitality... Today the ship is plying very smoothly. I feel today better. But I am feeling separation from Sri Vrindaban and my Lords Sri Govinda, Gopinath, Radha Damodar. The only solace is Sri Chaitanya Charitamrita in which I am tasting the nectarine of Lord Chaitanya's Leela. I have left Bharat Bhumi just to execute the order of Sri Bhakti*

*Siddhanta Saraswati in pursuance of Lord Chaitanya's order. I have no qualification, but I have taken up the risk just to carry out the order of His Divine Grace. I depend fully on Their mercy so far away from Vrindaban."*

It is heart-wrenching to read the struggles you had to go through to fulfil the mission of your spiritual master. Whenever I read this, my heart becomes filled with inspiration, love and gratitude. When will I get the same determination and inspiration to serve your mission despite all mundane difficulties? May I always continue to be inspired by your dedication and unwavering determination in serving the mission of your spiritual master.

While speaking about the mercy of your spiritual master in a lecture, you said: "What he desired, I am trying a little bit, and you are all helping me. So I have to thank you more. You are actually representative of my Guru Mahārāja because you are helping me in executing the order of my Guru Mahārāja." As you said this, you wept and your voice choked. Your humility, simplicity and pure heart transform the hearts of anyone who comes in touch with you. The gratitude and love you have for your Spiritual master are unparalleled. I pray for the day when I can also become filled with gratitude and love for you just like you have for your spiritual master.

When you faced severe reversals in your life, you recognized it as the mercy of the Lord and considered it your spiritual master's great favor. This is a great example and instruction of how one should consider even the most tiring situation as the mercy of the Lord and the favour of one's spiritual master. However, I am far far away from this state of mind. I pray to you to give me strength and enable me to see your mercy and favour in all situations of life, especially the most trying ones.

Your eternal servant life after life,

Nanda Kishore Das.

Dear Srila Prabhupada,

Dandavat Pranam.

Please accept my most humble obeisances at your divine lotus feet on this most auspicious day of your divine appearance

All glories to your divine grace

You continue to live and inspire through your books, speeches and memories.

*tad viddhi praṇipātena paripraśnena sevayā*

*upadekṣhyanti te jṣānam jṣāninas tattva-darśinaḥ*

Learn the truth by approaching a spiritual master. Inquire from him with reverence and render service unto him. Such an enlightened saint can impart knowledge unto you because he has seen the truth. The path of spiritual realization is

undoubtedly difficult. The Lord told us to approach a bonafide spiritual master in the line of disciplic succession. You can convey the message of the lord to us and to my family. You continue to live and inspire through your books, speeches and memories.

As the Bhagavatam says *dharmam tu sākṣād bhagavat-praṇītam* The path of religion is directly enunciated by the lord.

You are very kind to guide me and my family time and time and again. I beg for your forgiveness for any mistakes I may have committed knowingly or unknowingly.

I beg for your guidance. Please show me the correct path, and bring me back to the right path even if I foolishly make any wrong decisions unknowingly, because with your guidance I will slowly but surely reach my goal.

I want to continue to acquire knowledge through your teachings. Please give me the strength to understand spirituality through your texts.

Please guide my children to a lasting spiritual path throughout their lives, Please bless them to be devotees of the lord, and please bless them to strengthen their bond with the lord. We as a family bow down at your lotus feet.

Prabhupada please guide me to serve you in a better way. Still I am not satisfied with my service as an initiated disciple. Kindly guide me to strive for higher positions of understanding in spirituality. Please continue to engage me in your service.

Without your help, I doubt that I could take even one step further in my spiritual life. I constantly beg for your mercy and blessings.

Please always keep me in association with your devotees, and engage me in your service. I am very thankful to you for all you have done in my life which is just immeasurable, and I can't repay you with anything.

I always want to be in the shelter of your lotus feet.

You have taught us the real strength of spiritual life.

Prabhupada please bless me so that I can chant perfectly, read daily, and engage in devotee association.

Forgive me at times if I am not doing attentive chanting.

Please always shower your mercy upon me.

I whole-heartedly thank you for everything

Your obedient disciple,

Bhaktin Nishta Devi Dasi.

Please accept the humblest obeisances of this most fallen soul. I cannot express my gratitude in any number of words for the causeless mercy you have been showering on me. All I can do is offer these prayers at your lotus feet: "Kindly use me

as a humble instrument in your mission, your service and Krishna's service - use me in a way that pleases you and Krishna and that is favorable to you and Krishna!" Let me never ever forget this gift of Krishna Consciousness. Even if I forget, you please remind me by slapping me tight, right away!

*ayi nanda-tanuja kiñkaram patitarñ mām viṣame bhavāmbudhau

O son of Maharaja Nanda, Krsna, I am Your eternal servitor, yet somehow or other I have fallen into this ocean of birth and death. Please pick me up from this ocean of death and place me as one of the atoms at Your lotus feet.

A zillion dandavats for making me part of your merciful devotee family. Please continue to bless me to be in the association of Vaishnavas always and never go away from it, even if Maya entices in any crazy way.

As you very well know, this year Maya or karmic reactions have been attacking me in many ways and forms - health, work, family issues, guilt etc. I strongly believe that you have a plan for me for my spiritual progress. Through these incidents, you are only giving me an opportunity to purify my existence. Only because of your mercy I am able to withstand all these seemingly impossible material attacks and still be in your service. Thank you, Prabhupada for holding my hand and being with me always! All glories to you! Please give me the strength to be malleable to your Supreme Will - *Karishye vachanam tava* - Let me dovetail my freewill completely with your Supreme Will. Please always keep me under the influence of the divine Yogamaya internal potency and not under Mahamaya. Please help me do everything as an offering to Krishna to please you and Krishna.

Please bless me to improve the quality of my Japa - you very well know due to all these material disturbances, my Japa quality went down recently. I'm completely surrendering at Your lotus feet for your causeless mercy for improvement in my Japa for your pleasure and Krishna's pleasure. If you so desire, please bless me to continue serving and reading Srimad Bhagavatam like earlier.

On this most auspicious day of Your Divine Grace's appearance, I beg forgiveness for the countless offenses and Vaishnava aparadhas I committed birth after birth and in this life too. Let me not have a lording-over nature but only an attitude of servitude towards you, Krishna, your devotees and everything in this world. Prabhupada, only you can deliver me from the clutches of forgetfulness of Krishna. Please remove the illusory curtain that is blocking my vision of you and Krishna. Please engage me in your service in my eternal constitutional position. Please liberate me from this conditional life. I beg at your lotus feet that you please continue to hold me tight and shower more and more mercy on me because I'm feeling so entangled and bewildered and alone I am not able to deal with this attack of Maya anymore.

*"cakṣu-dān dilo jei, janme janme prabhu sei, divya jñān hṛde prokāṣito"*

I do not deserve to receive such mercy but I know that without your mercy there is no other way to get rid of this material contamination and purify myself of all my accumulated anarthas.

Please give this fallen soul an opportunity to continue serving you.

With satakoti dandavat pranams,

Your most humble servant,  
Padmakshi Devi Dasi.

*Om ajnana-thimirandasya jnananjana salakaya*

*Cakshur unmilitam yena tasmai sri-gurave namah!*

Dear Srila Prabhupada!

Please Accept my Humble obeisances, all glories to Srila Prabhupada,

You have dedicated your entire life to helping re-awaken the Krishna consciousness of millions of Jivas like me who without your instructions would wander around in this world without knowing the answer for many profound questions in life.

You have taken the most uncomfortable situations as Krishna's blessings and built a worldwide organization to spread the Sankirtana movement of Sri Chaitanya Mahaprabhu around the globe.

You yourself lived the life of your teachings and helping every Jiva come in contact with you by elevating their consciousness so they can advance in their spiritual life and serve the Supreme Personality of Godhead Krishna!

I am glad that I got in contact with you, feeling very much blessed, and transformed from the time I started chanting the holy name of the Lord, please engage me to be part of your mission and be a menial instrument in your mission until my last breath.

Please help me by providing the intelligence to always be engaged in your mission and be always in devotees association, please be my constant companion and provide instructions through the authorities and the devotees so I get purified from all the anarthas and progress in my spiritual life. Please help me get rid of duplicities that arise from within my heart.

Please help me by immediately pointing out my mistakes and ask for forgiveness always from the bottom of my heart very sincerely and do not expect any kind of respect from anyone but always be ready to give utmost respect to everyone around me.

With your grace and the senior devotees' advice I am able to chant with determination and intention but help me to not become complacent. Help me to chant and hear the very chant as you have commanded and offer my atma cesta to concurrently chant and hear and be in the association of Nama Prabhu all the time and please him with full attention.

Every time I deviate please help me realize quickly as you always do with your wonderful, mystical and revealing purports,

*bhogaiśvarya-prasaktānām, tayāpahṛta-cetasām  
vyavasāyātmikā buddhiḥ, samādhau na vidhīyate*

*“In the minds of those who are too attached to sense enjoyment and material opulence, and who are bewildered by such things, the resolute determination for devotional service to the Supreme Lord does not take place.”* Those who are attached to material enjoyment cannot be fixed in devotional service to the Lord. They cannot understand Bhagavān, Kṛṣṇa, or His instruction, Bhagavad-gītā. *Adānta-gobhir viśatām tamisram:* their path actually leads toward hellish life.

Please help me build strong faith, get away from mere sense enjoyment, and be fixed in my devotional service to the Supreme Personality of Godhead, Sri Krishna and not lead to the path of a hellish life.

There is no word in the dictionary that can express the gratitude for all the wonderful things you provided in my life, I pray sincerely to direct me in my life by taking complete charge.

Jai Srila Prabhupada!

Your humble menial servant,  
Pandu Putra Dasa.

Dear most Spiritual father,

Dandavat Pranam! Please accept my humble obeisances!

Thanks for being so merciful on this most fallen soul for bestowing Krishna consciousness and accepting me as your disciple. Thanks for giving this most undeserving soul the greatest fortune of serving you. Many thanks for engaging me in the service of the Lordships.

Many thanks for blessing me with the enthusiasm to do book distribution service more frequently. From monthly book distribution, we started doing weekly book distributions since the last Vyasa puja offering. We were able to exceed both book distribution goals and Lakshmi goals for 2019 because of your mercy. Unfortunately because of the COVID situation, we have not been able to do book distributions from the past few months. If you desire so, please help to reinstate your dear most service as quickly as possible. Also, my preaching service has taken a back seat this year because of obstacles best known to you. Kindly help to come out of this situation soon.

Thank you for helping us to improve the quality of chanting through "Soulful Japa" sessions of MPP. Wish we had got this wonderful knowledge when we started Krishna Consciousness, but it is better late than never. Please help to practice the instructions sincerely and experience soulful Japa. Your causeless blessings are the only hope for doing mindful soulful Japa.

I am planning to learn Mridanga and Kartal by next Vyasa puja. Please bless me to practise regularly and learn the musical instruments for the pleasure of Guru and Krishna.

I am so much fallen that I don't have an intense taste for devotional service, please give me a drop of your mercy to develop intense Love and attachment for You and Krishna. Please help always keep up the burning fire to serve You. Please help cleanse my heart from deep-rooted anarthas that are preventing me to experience higher states of Krishna consciousness. Please bless me to always remain strong in loving devotional service without getting influenced by external situations. Kindly make me your instrument to propagate much needed Krishna consciousness to people.

Your eternal servant,

Prema Rasa Dasa.

*sri-caitanya-mano-'bhistam sthapitam yena bhu-tale*

*svayam rupah kada mahyam dadati sva-padantikam*

I was born in the darkest ignorance, and my spiritual master opened my eyes with the torch of knowledge. I offer my respectful obeisances unto him.

Dear Srila Prabhupada,

As always I thank you for accepting me as your disciple. I am very much aware that I am not worthy of such mercy. If not for your causeless mercy, I would be wandering in this material world aimlessly. I wish to always remain at your feet life after life wherever I may be.

In the current situation when the whole world is in anxiety, it is only due to your teachings and instructions that your disciples can keep oneself calm and continue their devotional services as usual. It is only due to your teachings that we are not victimized by the panic all around and have faith in the Supreme Lord Sri Krishna that he is our protector and he is in control of every situation. Thank you Srila Prabhupada for all the knowledge imparted to us through your books, lectures, letters, conversations etc.

As a blessing in disguise, this year due to the lockdown, I have been able to use the extra time in my hands to read and hear more. Also due to the special mercy from the senior disciples of your Hare Krishna Movement, I was able to hear more and more topics on the glories of the Supreme Lord. I have been able to catch up on my reading that has not been very consistent.

I am still struggling to get that real taste for chanting. I beg you Srila Prabhupada to give me that taste for chanting the Holy Names of the Lord attentively.

Also by your mercy, I have been able to do a little bit of preaching to my mother. I am gaining a little confidence that I should be able to preach to newer devotees. I understand that the whole mood of Sri Chaitanya Mahaprabhu and His followers is to spread this Krishna Consciousness movement all over the world. I offer myself to you Srila Prabhupada for using me in this preaching activity. I will put my best effort into wherever I am engaged by my authorities. I would like to be an instrument in your hands in doing my little bit in this big mission of yours.

Your eternal servant,  
Premadhatri Devi Dasi.

Dear Srila Prabhupada

Please accept my humble obeisances. All glories to your Divine Grace!

Due to your causeless mercy, I got the opportunity to associate with you through your books and organization. Your books are the basis and foundation to understand the goal of life. The books help fallen souls like me to always be connected with you and Lord. As mentioned in the purport of SB 1.19.36 "to get the assistance and help of a bona fide spiritual master means to receive the direct help of the Lord Himself". Even though I am most unqualified you showered your mercy on me. I sincerely beg you to bestow your mercy, so I can become sincere in serving your mission to my best capabilities.

*anyathā te 'vyakta-gater, darśanaṁ naḥ kathaṁ nṛṇāṁ  
nitarāṁ mriyamāṇānām, saṁsiddhasya vanīyasaḥ [ŚB 1.19.36]*

*“One can achieve the nucleus of the devotional service of the Lord by the mercy of the spiritual master and the Personality of Godhead. The spiritual master is the manifested representative of the Lord to help one achieve ultimate success. One who is not authorized by the Lord cannot become a spiritual master. Śrīla Śukadeva Gosvāmī is an authorized spiritual master, and thus he was inspired by the Lord to appear before Mahārāja Parīkṣit and instruct him in the teachings of Śrīmad-Bhāgavatam. One can achieve the ultimate success of going back to Godhead if he is favored by the Lord's sending His true representative. As soon as a true representative of the Lord is met by a devotee of the Lord, the devotee has a assured guarantee for going back to Godhead just after leaving the present body. This, however, depends on the sincerity of the devotee himself. The Lord is seated in the heart of all living beings, and thus he knows very well the movements of all individual persons. As soon as the Lord finds that a particular soul is very eager to go back to Godhead, the Lord at once sends His bona fide representative. The sincere devotee is thus assured by the Lord of going back to Godhead. The conclusion is that to get the assistance and help of a bona fide spiritual master means to receive the direct help of the Lord Himself.”*

You have built a BIG house of Krishna Conscious Movement (Organization), where everyone could live happily and peacefully without any difficulty. Wherever you go in this world, we could see your presence through your books and organizations.

You mentioned that Sravanam and Kirtanam are the most important activities that need to be performed constantly, but I need your special mercy to improve my quality of Japa and improve my reading by relishing your purports. I kindly beg you to make me an instrument in serving the devotees engaged in your mission.

Your most fallen servant,  
Priya Sakhi Devi Dasi.

I offer my respectful obeisances unto His Divine Grace A.C. Bhaktivedanta Swami Prabhupada, who is very dear to Lord Krishna on this earth, having taken shelter at His lotus feet.

*namas te sarasvate deve gaura-vani-pracharine  
nirvishesha-shunyavadi-pashchatya-desha-tarine*

Our respectful obeisances are unto you, O spiritual master, servant of Sarasvati Goswami. You are kindly preaching the message of Lord Chaitanya Deva and delivering the Western countries, which are filled with impersonalism and voidism.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to you.

On this special occasion of your Vyasa Puja today, I thank you once again from the bottom of my heart for blessing me and adding one more year of Krishna Consciousness to this life of whom you are the spiritual master, father, guide and everything.

Whenever I was going with ups and downs in my spiritual progress due to some material impediments, you have always showered that special mercy and made me more tolerant, stronger and fixed up more and more so I can serve Lord Krishna and your mission of going back home, back to Godhead.

While I was still waiting for your mercy on reading your books and I wished that my world of daily mechanical routine should stop functioning for a while so I can buy some time to read and it had come true when not just my world but the whole world came to a hard stop because of the pandemic - COVID 19. Although its an unfortunate situation for everyone, I considered it as your special mercy upon me and took as an opportunity to read your books.

In the current situation, I have seen people with 2 extremities. People who are living every moment in fear of the disease and others, who are taking it as nothing thinking that they are brave etc. but actually they are being very irresponsible, careless and more importantly acting in ignorance just because they are totally into sense gratification and cannot confine themselves to one place for a very long time. I can only wish if all these souls can take up Krishna consciousness, read your books and gain the knowledge and realize that not only during this pandemic but there is danger at every step of our lives “*padam padam yad vipadam*” and the only solution to this is that we establish the loving relationship with the Lord and enter into his kingdom and never return. I wish they all should feel restless to go back to their Supreme father, Lord Sri Krishna and not to rot in this material world as they are feeling restless to stay at home for a few months. I wonder how we are able to live in this miserable temporary material world “*dukhalayam asashvatam*” for so many lifetimes. And there is 3rd category of people, precisely the devotees who have surrendered unto you and taken shelter of your lotus feet who are in between these 2 extremities. I see that many devotee families are able to face this situation a lot more different than the

karmis, being cautious and careful as a matter of duty but with less anxiety and it is only because of the knowledge that you have imparted to all of us through your books.

One more thing that was evident from this pandemic situation is your emphasis on many of your lectures and purports on living a very simple life and high thinking. It is so true that we are living with all bare necessities of life and not the unwanted things or the comforts. We are foolishly thinking that we are advancing merely by acquiring so many unwanted material things which are temporary by exploiting the mother nature and doing so many sinful activities like the killing of cows and other living entities. But the mother nature on the order of Lord Krishna is now reacting and indicating that we have to stop this cruelty towards her and be satisfied with the bare necessities of life like food, cloth and shelter. The following are some excerpt out of so many references that you have given on simple living and high thinking.

“(Sri Prabhupada Conversation, London, July 23, 1973)

"What is this nonsense life, big, big cities and always people busy? If he wants to see one friend, he has to go thirty miles. If he has to see a physician, he has to go fifty miles. If he has to go to work, another hundred miles. So what is this life? This is not life. Be satisfied.

The devotee's life should be *yāvād artha-prajñanam*. We require material necessities as much as it is required, no artificial life. That is spiritual life. Simply increasing artificial life, even for shaving, a big machine is required. What is this? Simply wasting time. Devil's workshop. Make life very simple. And simple living, high thinking, and always conscious to go back to home, back to Kṛṣṇa. That is life. Not this life, that simply machine, machine, machine, machine. So if you show a practical example that how you are living a simple life and how you are advanced in Kṛṣṇa consciousness, then people will learn from you. You American people, if you show an example, people will try to follow you, and they will be happy."

(Sri Prabhupada Lecture, New Orleans, August 1, 1975)

"So if you want to be peaceful, happy, you have to again bring in the Vedic culture—simple life and high thinking. That is wanted. If you introduce more and more anarthas only, unwanted things, how you can be happy? We have to minimize even whatever we absolutely require. Absolutely we require *āhāra-nidrā-bhaya-maithunam* ca. It has to be curtailed. That is civilization, not that increasing. This is a misleading civilization. *Andhā yathāndhair upanīyamānāḥ* (SB 7.5.31). This is a civilization where a blind man is guiding a few others or many other blind men. So what is this civilization? The leader, he is a rascal. He does not know what is the aim of life, and he has become leader. So many talking."

Thank you for taking us into your shelter and making us devotees and making our life simple, without hankering for material things that are limited and temporary and rather find the solution for the real problems of life, “*janma mrtyu, jara vyadi*”, that is the problems of birth, death, old age and disease as it is mentioned in Bhagavad Gita. I personally felt that it was a break from the daily mechanical life and took this as an opportunity to read your books, which are abundant in knowledge and tells about our very goal of life, chant the holy names of Krishna, to serve Krishna and go back home. I am also trying my best to improve my chanting by not thinking of anything else but to hear the Holy names, with rapt attention. In the current situation, reading your books, chanting, doing kirtans and other services gives me solace and strength to go through this unfortunate situation.

With your causeless mercy only, I have been accepted and taken into your shelter. So, please make me a valuable instrument so I can take part in serving your mission to the best of my abilities by following your instructions thoroughly, in the association of all other Vaishnavas. Please forgive me for all the mistakes I have committed so far and give me the strength to face the challenges, overcome all the difficulties and progress gradually with everlasting enthusiasm, love and devotion.

Also, please do shower your blessings on kids and other members of my family too so they can engage themselves in the service of Sri Krishna.

Your insignificant servant,  
Radha Shakti Devi Dasi.

Dear Srila Prabhupada,

Please accept my humble obeisances!!

All glories to your Divine Grace!!

On this day while writing Vyasa pooja offerings to you, I am remembering you with a heartfelt of love and affection.

It's very hard to put a continuous and concentrated focus on Lord Krishna and carry Krishna consciousness all the time, I want to thank you for being such a great, high and consistent example of personal integrity for me, for your continuous and fully focused service to Lord Krishna all the time without any deviation at a tremendous personal sacrifice; and when I see how hard it is for me to make similar sacrifices this makes me appreciate you even more.

Today I feel immense gratitude to you for freeing up my mind, opening the path of bhakti in my life and for the spiritual knowledge that you gave us through your divine books.

Thank you so much for your books Srila Prabhupada.

- They have given me life.

- They have given me hope.

- They have given me a purpose.

- They have been providing answers for so many questions of mine related not only to spiritual but also to material life.

- They are truly the gems of literature.

Nothing else in this whole world is even close to your books.

On this day of your appearance, I am reminded of the truly great gift you have given to the world. I am always in your debt, and will always try to in turn help others become Krsna conscious with your blessing and Krishna's mercy.

Your servant,

Rasarani Devi Dasi.

Dear Srila Prabhupāda,

*om ajṣāna-timirāndhasya jṣānāsjana-śalākayā cakṣur unmīlitaṁ yena tasmai śrī-gurave namaḥ*

*nama om viṣṇu-pādāya kṛṣṇa-preṣṭhāyabhūtale śrimate bhaktivedānta-svāmin iti nāmine.*

*namas te sārasvate deve gaura-vāṇī-pracāriṇe nirviśeṣa-śūnyavādi-pāścātya-deśa-tāriṇe*

Please Accept my Most humble Obeisance's at your Lotus Feet. All Glories to your Divine Grace.

Prabhupada as I hear and read and contemplate more about your life, your determination to serve the instruction of your spiritual master, how you went through so much of hardships, facing all kinds of challenges, the sacrifices you made. You(a mahabhagvata) lived among hippies where crime was rampant, were sharing the room with hippies(most unclean people), selflessly only for their welfare and in turn, you were attacked by the same people who seemed to have the potential to be your disciple, how much disappointing and disheartening it would have been but you didn't give up. This is just a small example out of many such incidents.

Your perseverance, your strong determination makes me think of your devotion to your guru maharaja. the sheer amount of dedication, the strength of purpose is incredible. Nothing can discourage you, nothing could pull you down and this is because of your love and dedication for your spiritual master.

More I meditate on your devotion for your Guru Maharaja more I realize how little devotion I have for you. How little I have developed an attachment for you. The secret of success in the spiritual life, according to experienced ācāryas, is to develop a very strong attachment to pure devotees

*prasaṅgam ajarāṁ pāśam ātmanaḥ kavayo viduḥ  
sa eva sādhuṣu kṛto mokṣa-dvāram apāvṛtam*

Every learned man knows very well that attachment for the material is the greatest entanglement of the spirit soul. But that same attachment, when applied to the self-realized devotees, opens the door of liberation.

So my only hope is to try very hard to develop some little attachment to Your Lotus feet and serve your instruction faithfully to please You.

I piteously cry to you, Srila Prabhupāda, for your mercy—the mercy Kṛṣṇa bestowed on the Kāliya serpent, kicking out with His Lotus feet all the poisons, to the point of surrender. Please kick me with your merciful Lotus feet. May they smash the mountain of sin in my heart. I need that kick of mercy.

One of the great poets of the Sri-sampradāya, Vedānta-desika, expressed the idea using the very apt analogy of a leaping lion:

When a lion leaps from one hill to another, the little ants on its body are transported with him. Similarly, when Rāmānujācārya leapt over this world of repeated birth and death, we were saved because of our connection with him.

Dear Srila Prabhupāda, for me, you are that leaping lion who picked me up from the material world and placed me on your Body which is this institution created by you. On your auspicious appearance day, I ant like disciple desperately pray for your mercy to always remain stuck to your Lotus feet in the association of devotees.

Srila Prabhupada presently the whole world is going through this Pandemic that definitely brings one realization that how insignificant and tiny we are that just a small microscopic entity can put us on knees. The whole world is panicking, everyone is impacted including your temples but devotees understand that Krishna might be definitely having some higher plan for everyone behind this but we with our limited intelligence and senses cant comprehend. Just as a defective eye cannot see without the via medium of spectacles, so one cannot approach the Supreme Lord and understand his plans without the transparent via medium of the Spiritual master.

I pray at your lotus feet to guide me to continue to serve you enthusiastically irrespective of any situation and continue to reach out to many many souls who are waiting to receive your mercy. If I can become an able instrument in your hands I will consider it the perfection of my Spiritual journey.

Kindly bless me to overcome my limitation and the innumerable shortcomings I am herewith confessing.

Whatever years or days I have left in this body, I beg that my sensitivity to your words and desires increases daily and reflect in my actions.

Trying to be your humble servant,  
Sanatana Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet. All glories to your divine grace.

Srila Prabhupada, you made such an incredible sacrifice of travelling by steamship across the Atlantic ocean at the advanced age of 69 suffering two heart attacks in the process and arriving in America to awaken people to Krishna Consciousness.

By your grace, Srila Prabhupada, so many people around the world have been transformed into Vaishnavas. They have given up all sinful activities and are now blissfully following the rules and regulations under your expert guidance. They are now regularly travelling to holy places such as Vrindavan, Mayapur, Radha-Kunda, Shyama-Kunda although previously hardly anyone of them heard about the glories of these sacred places. They are now rendering direct personal service to the Supreme Personality of Godhead in His archa-vigraha form. By following your instructions and your grace, Srila Prabhupada, so many previously lost souls are now going back home, back to Godhead, the eternal abode of the Supreme Lord.

Srila Prabhupada, I am eternally indebted to you for offering me the opportunity of devotional service and hope that my service is pleasing you in some way. I humbly request you to kindly bless and guide me with the desire and ability to serve your mission. Please guide me so that I can follow the principles of Krishna consciousness laid by you without any obstacles.

Aspiring to be a servant of your servant.

Shrihari Dasa.

Words cannot say enough for the gratitude and appreciation I feel towards You.

Your endless love and devotion to Krishna and the previous Acharyas makes me feel all the more determined and devoted towards pleasing You.

Thank you, my eternal spiritual father, for keeping me under your shelter in your beloved movement. All glories to you on your auspicious Vyasa-puja.

I bow down at your lotus feet spiritual master, by whose causeless mercy have received the supreme holy name, the divine mantra, the service of Lord Chaitanya, an association of Gosvamis and knowledge of Supreme abode Goloka of the Supreme Personality of Godhead the blissful abode of Vrindavana. Day by day the desire within my heart growing for the loving service of Srimati Radharani and Sri Krishna.

The verdict of all revealed scriptures is that by even a moment's association with a pure devotee, one can attain all success. Please kindly keep me in the association with pure devotees to attain my spiritual goals.

Your books are priceless gem containing a wealth of transcendental knowledge for sincere seekers to realize human life is durlaba, and it should be used for realizing God and knowing our relationship with him. The only source of purifying one's birth and to return back to Godhead.

I pray on this most glorious day of your appearance that I remain ever fixed in your loving service, keeping a humble and submissive attitude, fully surrendering mind, body and words unto you. I beg to put my unworthy self under your divine protection as your eternal servitor.

I eternally glorify you by my mind, words and action, with great delight. Let my heart remain always filled with gratitude and love for you.

May this World be ever blessed with Love and Mercy and hope every living entity sings and glorify the Nama Sankirtana.

My dear Srila Prabhupada,

Please accept my humblest and most respectful obeisances unto Your Divine Lotus Feet on this holy day of Sri Vyasa Puja. All glories to your Divine Grace.

First and foremost, I want to thank you, my dear father, for taking us under Your shelter where the fear and miseries (*padam padam yad vipadam*) of this material world ends. I am very fortunate to have a spiritual father like Yourself. I keep thanking Yourself every day but even more especially in this pandemic situation. You have given us such a wonderful way to lead our life with chanting the Maha-mantra, transcendental knowledge through Your books, devotees to associate with etc. You have made us realize the value of life and time. If I was not under Your care, then I would have wasted so much of my time and life by watching television, movies or associating with worldly-minded people. You are the shelter for everything, hence, You can bless us to love You and Krishna more and more. Please bless us to serve Your mission. Please excuse all my mistakes which I have done knowingly or unknowingly.

All glories to you. Dandavat Pranam

This whole year I have just admired what all you have done for us devotees.

First, you have given so much material, that we can read and apply to our life that is endless.

Secondly, you have given such a way to live a life, that one can simply just follow senior devotees, chant and live happily.

Finally, you have taken care of us all in such a way, that we can go to vacations but still, we have place meaning temple somewhere there that keeps us grounded and take care of Krishna prasadam. You can't imagine how this has helped us.

Thank you so much Srila Prabhupada for all you have done for us!

Dear Srila Prabhupada ,

Please accept my humble obeisances at your divine lotus feet.

Only by your mercy, I can attain mercy of Maha Prabhu, Service to your lotus feet is the only way to attain the mercy of Krishna the supreme personality of Godhead. You came to this material world to save Jivas like me, who is attached to the material body.

My understanding about the world and Supreme Lord Sri Krishna was close to misconceptions until I got a chance to submit unto your lotus feet. Now, with your causeless mercy, I could have the privilege of Understanding and Reviving my relationship with Krishna to a little extent.

I am in association with the movement of Srila Prabhupada from almost 7 to 8 years through IHF-USA.

We (I and my family) are grateful and indebted to Srila Prabhupada for creating and showing us the path to reach the ultimate goal by devoting our life in the service of Lord Krishna.

Srila Prabhupada, Please make me fully attached to your lotus feet and empower me so that I Can remain strong and be fixed in Krishna Consciousness and serve your mission and Krishna Balarama in our new Vaikunta hill temple.

All glories to Srila Prabhupada!

Begging to remain Dasadasanudasa!

Sri Rama Raghava Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisances, All glories to Your Divine Grace.

Thank you so much for teaching us about Krishna, Without you, I would have never understood Krishna's supreme qualities, his opulence, his servants & His teachings.

Thank you for giving us these temples, through which we are learning and associating with devotees.

There are so many ways in which I can glorify you, so many ways that you have bathed me in the ecstasy of your mercy:

Chanting the Holy Name and dancing.

Performing devotional service for the pleasure of Lord Krsna and His devotees.

Preparing nice foodstuff for the Lord and then honouring them.

But most of all you are glorious for your books in which you have revealed the whole spiritual world.

We can attempt to express our appreciation but in actuality, there is no way we can ever repay your kindness and generosity. On this auspicious occasion celebrating your Vyasa Puja, we thank you for adopting us, accepting us as your disciples and bringing us into the eternal family of Gaudiya Vaisnavism.

Your Servant,

Srigopika Devi Dasi.

Dear Srila Prabhupada,

*om̐ aṣṣāna-timirāndhasya jṣānāṣjana-śalākayā  
cakṣur unmīlitaṁ yena tasmai śrī-gurave namaḥ*

I was born in the darkest ignorance, and my spiritual master opened my eyes with the torch of knowledge. I offer my respectful obeisances unto him. Please accept my infinite obeisance's.

I have no words to say as I myself feeling very shameful as I was not so serious this year in reading Your books and did not try much to progress in my sadhana due to work pressure, health issues etc. But I did attend the zoom calls with the devotees, listening to lectures. I am feeling so bad to work in the outside world where there is no Krishna, Prabhupada and please guide/bless me to make right choices which will help me further progress in Krishna's devotional service. Kindly shower Your mercy to control the 6 vegas which are very difficult to control without a pure devotee's shelter and mercy. I feel this year I have not made any progress and in fact, I feel I reduced. My attention is completely captured by Maya and hence easily fall prey for her attention diversion. I am very spoiled in sense gratification and feel I am no good. Beg You to please hold me tight in this difficult situation to give me the seriousness and guide me through to make correct decisions which will please You and Krishna.

Dear Master, I would love to follow every single instruction that came from Your lotus lips but due to my conditioned nature, I am seeing I am unable to follow. Give me the strength and intelligence to follow every single instruction of Yours with great tolerance and faith. When I see other devotees do nice service I feel very good about them and at the same time tend to criticize when they do bad. Please bless me with a drop of Your mercy to not criticize anyone for any reason and ignore what is not in my control. Take the right actions for those I have to take action as per You and Lord Krishna. I just want to please You and Lord Krishna and I am sure I have not pleased this year dear Srila Prabhupada. I am getting tears for not being able to kindly forgive me. You are my life and soul, cannot imagine a life without You. In my lifetime I want to see Your lotus face in person at least during my last breath and I will not stop until I see You. So kindly sanction this dear Gurudev.

I want to do soulful Japa of the Hare Krishna maha-mantra but due to my conditioned nature and situations, I am unable to. Consider me as a beggar and please somehow make me chant nicely. I want to experience a moment as a yuga without Krishna and a yuga as a moment with Krishna, this can happen only if You shower Your causeless mercy. I do not have any value and have nothing to give in return, as everything I have is Yours. I am Your slave and surrendered soul, kindly guide me oh dear Lord.

Thank You for making me Your disciple, showing me the taste of devotee association, showing me our eternal father Sri Krishna. Thank You for everything that You have been doing for me without even me knowing it. Thank You for everything. Bless me to please You and Lord Sri Krishna at least coming year.

Your servant,

Subhadra Sundari Devi Dasi.

*I was born in the darkest ignorance, and my spiritual master opened my eyes with the torch of knowledge. I offer my respectful obeisances unto him.*

Please accept my humble obeisances at your lotus feet. All glories to your Divine Grace!

On this auspicious day of your appearance, I would like to take the opportunity to express my gratitude towards you. Actually your appearance day is the most auspicious day for me because if you had not appeared, there would be no auspicious days in my life at all. All the auspicious days corresponding to Lord's appearance and His pastimes were just mere mythological days for me until I came in touch with your teachings.

Srila Prabhupada, this year is very unique where the world is facing the COVID pandemic. Such pandemic wasn't experienced earlier either by the current generation or the earlier generation. The world is in a state of panic and confusion. Everyone is worried and concerned as the fear of death has become very apparent. But one thing I have noticed is that only people who have taken shelter of your Lotus feet are the ones who are not panicked and fearful. In all your teachings you have boldly and repeatedly explained the absolute truth and teachings of Lord Krishna with respect to the temporary nature of this world and how to face it. This year is an opportunity for all your followers and disciples to practically apply your teachings by being calm, equipoised and continue performing unconditional devotional service. I would like to thank you from the bottom of my heart for everything you have given us without which I too would be one of the panicked, fearful, confused and lost person in this world.

The current situation has made us realize how much the world is badly in need of this transcendental knowledge. I am convinced beyond doubt that by following your teachings all the problems in the world can be solved and everyone can live peacefully and at last perfect their lives by going back to Godhead. For this reason out of compassion for all living entities, you had established your preaching mission. You had personally set an example by preaching tirelessly in an elderly age all over the world, writing volumes of books, giving hundreds of hours of lectures, establishing hundreds of centres etc. You had requested your followers to continue this preaching mission. There is so much to be done to fulfil your desire and help everyone in this world. But I feel very unfortunate that I am not able to make a tangible contribution to your mission. I have realized that on my own I can't really accomplish anything. I really need your mercy and blessings. I beg at your lotus feet to give me the inspiration, knowledge, strength and ability to serve your mission. My life is successful only when I can please you. Please help me serve you.

Your most fallen servant,

Sukhada Govinda Dasa.

Dear Srila Prabhupada

All glories, all glories, all glories to you.

Please accept my humble obeisances at your lotus feet.

*nama om vishnu-padaya krishna-preshthaya bhu-tale*

*srimate bhaktivedanta-svamin iti namine*

*I offer my respectful obeisances unto His Divine Grace A. C. Bhaktivedanta Swami Prabhupada, who is very dear to Lord Krishna, having taken shelter at His lotus feet.*

*tvaṁ naḥ sandarśito dhātrā dustaraṁ nistīrṣatām*

*kalim sattva-haraṁ puṁsām kaṇa-dhāra ivārṇavam*

*We think that we have met your Grace by the will of providence, just so that we may accept you as captain of the ship for those who desire to cross the difficult ocean of Kali, which deteriorates all the good qualities of a human being.*

Srila Prabhupada once again I want to thank you for accepting the most fallen soul as your disciple. Thank you for everything so far you have done for us, and please see that we are always under your shelter. I totally understand thank you is not the right word or very minute thing to say. Just like Arjuna was comparing effulgence of Krishna with hundreds of suns. Again there is no way to repay guru and Gauranga even if I take birth after birth.

Under the guidance of Sri Madhu Pandit Prabhu, we are getting your instructions on chanting. I feel your guidance while chanting with your recorded voice chanting Japa. This looks like personal guidance. Srila Prabhupada this year due to a pandemic situation I was not able to render many services to Krishna Balaram. I have done little seva whatever I can do online.

As each year passes and we get older, we better understand what you repeated thousands of times in your lectures: This material body, which covers our true self, is subject to birth, old age, illness, and death. During this pandemic time, we feel it's only your mercy which keeps us going through difficult times without any hassles, only the mercy of pure devotees can save one from a forest fire.

By establishing and spearheading this glorious Krishna Consciousness Movement, you have given us the unique opportunity of detaching ourselves from the modes of material energy, and witnessing this material world from the position of neutral observers. This is your unique gift to this world, and especially to your dedicated followers.

To write a Vyasa-Puja homage is indeed a most daunting task. It calls to mind the analogy of trying to illuminate the sun by holding up a candle. But you are most merciful, dear Srila Prabhupāda, and so we pray that you will accept this humble attempt from those of us in a faraway part of the world who have been touched by your infinite compassion. In Bhagavad-gita 4.34 Lord Krishna states: "Just try to learn the truth by approaching a spiritual master. Inquire from him submissively and render service unto him. The self-realized soul can impart knowledge unto you because he has seen the truth." In the same way the small word "try", I too do render service to you and seek your mercy to gain a drop of knowledge. Once a person gets your mercy, this transcendental knowledge can be achieved easily. However if you don't get guru's mercy, you cannot get this knowledge even though one takes birth after birth. The only qualification is your mercy and our unalloyed devotion to you.

I have been making progress in reading Srimad Bhagavatam and totally rely on your mercy, without which life is miserable. Dear Śrila Prabhupāda, you saw us suffering intensely in the deep, dark well of illusion. You threw us the rope of Krishna Consciousness. All we have to do is hang on to the rope by following strictly. Let us hang on tightly through all our many trials and tribulations. May we try to do so, to please you. Srila Prabhupāda, as a true follower of the previous acharyas, you

extracted the essence of the most important scriptures so as to present the truth in an easily understandable manner for the Kali-yuga living entities, at least for the next ten thousand years.

In the daily guru-pūjā we sing:

*sri-guru-carane rati, ei se uttama-gati, je prasade pūre sarva asa*

*Attachment to the lotus feet of the spiritual master is the best way to make spiritual advancement. His mercy fulfils all desires for spiritual perfection. Srila Prabhupāda, you have given us the easiest path for success: constant engagement in your service. Please give us the intelligence and ability to follow that path.*

In every way we get benefited with your association, and my impure tongue gets purified every time I glorify you.  
Your most fallen and most undeserving servant,

Supriya Radha Devi Dasi.

Hare Krishna Prabhupad

Dearest Srila Prabhupada

Please accept my Humble Obeisances

Thank you so much for coming in my life, and transforming my life so beautifully. For helping me to understand the importance of human life, and service to Krishna as the topmost priority of my life. Living in a foreign country I had lost all-purpose to my life, and felt like I was tied to a chain. But you changed my mindset and guided me to use my life in the service of Krishna. I am greatly indebted to you and your mercy which keeps showering on me. Until last year I was able to read 4 cantos of Srimad Bhagavatam and had requested you to help me read two more this year. Your blessings helped me to read the 5th canto up till the 10th one. Who could ever imagine that in an American High School, you would choose to give me a position where I had so much time that I could read Srimad Bhagavatam for 3-4 hours daily among all the students and teachers. It was only by your blessings that I could do that. When I see the pain and suffering of so many young children from broken families in schools, I feel how important Krishna Consciousness is for everyone more so in this age of Kali. Please send many more empowered devotees so that we can have more IHF centres in the US and all over the world; so that everyone can get this knowledge without any limitations of time and place.

I have so many desires to serve you and Lord Krishna, but this ageing material body and mind is acting as a hindrance in its path. Dear Srila Prabhupada, please bless me to always stay in devotee association, and try my best to serve in your mission in my small ways. Please take charge of Tanishtha and Piya's lives as they are growing older and need your strong guidance and support so that they can become nice devotees and serve in your mission of preaching and spreading Krishna Consciousness all around the world.

Krishna Consciousness has brought so much joy in my life, chanting, singing, dancing, eating prasadam and associating with devotees is like a festival going on forever, But this COVID-19 pandemic has restricted us from physically serving the Lord and associating with devotees. Praying to you that more and more people are awakened by this life-threatening situation and understand the importance of human life and take up Krishna Consciousness.

This year please help me to finish reading the rest of the cantos of Bhagavatam, and memorize the important shlokas of Bhagavad Gita. Please forgive me for any of my offences towards Vaishnavas, and keep me in devotee association forever so that I can Always love Krishna, Never forget Lord Krishna.

Your fallen servant

Writing this offering to tell you that my every day starts with your darshan and ends with your darshan.

I am not sure if I am improving on your instructions, but the desire is to at least improve a bit every day.

I can feel your reciprocation every moment. You spent a tremendous amount of time in writing all the books but I am not doing justice. Please give me more taste in your books.

While chanting I get distracted doing offence to Nama Prabhu. Please forgive me, and help to create concentration and love for the Harinaama.

This year I couldn't visit any of the Dhams. Please bless me with motivation so I can visit Sridham Mayapur and Vrindavan, and get some glimpses of Krishna's transcendental presence.

My only desire is to serve you and be with you. Please keep guiding me. Because of your causeless mercy, I am able to understand little about who Krishna is. Listening to your lectures is what I am doing most.

You have also guided my parents to develop love for Krishna. They have started chanting and following your principles. This is amazing to see that you indirectly fulfill the desires of your devotees. I have no qualification to understand Krishna, but you opened the door via your heart and showed how Krishna is, by showing your own Lila's.

Please accept me as dust in your lotus feet. Keep me in your service, and keep guiding the way you have done till now and empower me to serve your mission.

Your dasanu dasa , Most fallen and unqualified servant

Dear Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet, on this most auspicious appearance day of Your Divine Grace.

I offer this prayer to you because you are the torchlight of knowledge, forcibly destroying the darkness of ignorance.

Though the entire world is panicking of the current COVID situation, it is ONLY with the power of your transcendental knowledge & guidance of senior devotees, we are trying to make the best use of the situation to progress spiritually. Else even I would have got lost in the darkness of illusion during these challenging times. You have showered your causeless mercy upon our family and have given us the chance to progress in the path of Krishna Consciousness. Let me not waste this valuable opportunity and fall down back into this material pool because of my anarthas.

If you so desire:

Please guide me so that I may be able to cross all the hurdles (mental & physical) and continue to serve your mission.

Please keep guiding me for how to effectively preach Krishna Consciousness to whoever I meet.

Please help me to effectively teach our Sunday school kids, for they are going to be the torchbearers of this movement in the coming generations.

Please give me the spiritual strength to follow morning sadhana strictly, follow four regulative principles and chant Hare Krishna Maha-mantra offenselessly & improve my Japa quality.

Please continue to guide our temple congregation to spread Krishna Prema to the millions of people in and around Silicon Valley.

I beg Your Divine Grace to forgive me for all the offences that I have committed at your lotus feet. I also beg all my God Brothers & Sisters to forgive me for any offences that I have committed to them so that I can improve my services for the pleasure of you & Sri Krishna Balarama. Also, praying for the well being of all the Krishna Balaram Mandir devotees so that we can serve you together unitedly.

Praying to be your eternal servant,

Uttara Devi Dasi.

I offer my respectful obeisances unto my spiritual master Srila Prabhupada on this occasion of Vyasa-puja.

I joined Krishna Consciousness in the year 2004. Since then I am following the instructions given by my spiritual master. I am very grateful to my spiritual master to give a chance to serve the mission. If I had not joined Krishna Consciousness my life would be spoiled.

I am learning day to day knowledge by reading Srila Prabhupada books like BHAGAVAD-GITA and BHAGAVATAM, and hearing lectures from senior devotees. This helps to improve my level of knowledge, and preach to devotees and learners. Every devotee must always be ready to carry out the orders of the spiritual master to become competent in Krishna Consciousness Cc ad 7.72 purport

A disciple should always remain as a fool before the spiritual master. If you take Chaitanya Mahaprabhu life; oh! he was a vast learned scholar, but he said that his spiritual master found him useless. So therefore however you may be a great scholar, if your spiritual master finds you a fool you must accept that you are a fool. You don't say Oh, I am such a great scholar, and unjustly my spiritual master labelled me a fool. Then you lose the connection at once. You will understand yes just like Chaitanya Mahaprabhu discipline. lecture cc Adi 7.76.81 San Francisco

Once again I humbly request to my spiritual master to give proper guidance to spend my remaining life in Krishna Consciousness happily.

Your humble servant,

Bhakta Vrishni Vamsa Das.

Dear Srila Prabhupada

Please accept my humble obeisances unto your divine lotus feet. Jai Srila Prabhupada.

Srila Prabhupada, It is impossible to describe your causeless mercy on the fallen souls of this world in mere words. Every time I hear about your pastimes and the struggles you went through, I become awestruck( and bit emotional) realizing how merciful and compassionate you are to fallen souls like me. There are so many pastimes of yours where you although being such an exalted pure devotee of Lord Krishna, accepted material difficulties and did not care for honour and position you deserve, just to save the fallen souls of this world. Your books, your lectures, and your letters to the devotees are filled with mercy and compassion you have for us. They contain everything we need to live a perfect life, and go back to our original home. We just need to follow your instructions. Thank you Srila Prabhupada for providing such a wonderful pure real

knowledge and philosophy, knowing which all other knowledge becomes unreal and all other philosophies become insignificant.

Srila Prabhupada, this last year, because of your mercy, I had the opportunity to associate with wonderful devotees and it turned out to be a wonderful learning experience in the spiritual path. It allowed me to clearly experience and feel the anarthas I have. This realization would not have been possible if you would have not put me in these circumstances. Srila Prabhupada, please give me the strength to fight these anarthas. Srila Prabhupada, I recently read one of your SB translation where you said – “unsteady intelligence of every living entity is like a prostitute who changes dresses just to attract one’s attention”. Srila Prabhupada please give me the strength to fight this unsteadiness and occasional doubts which creep in my mind. Srila Prabhupada, I beg you to provide me with the strength to fight the material attractions I have acquired, looseness of my tongue and tendency to waste time. Srila Prabhupada, please help me get rid of stubbornness of my mind, hesitations and shyness in my nature, so that I can have good relations with fellow devotees and can reveal my mind and seek help from senior devotees. Srila Prabhupada, thank you for Madhava Murari. Srila Prabhupada, please help me raise my family in Krishna Consciousness so that we can become a sincere devotee and can together sincerely and enthusiastically serve you and your mission.

your eternal humble servant

Bhakta Abhishek.

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to Your Divine Grace.

Thank you, Prabhupad, for giving shelter in your institution. Please help me to follow your instruction, in the path of Krishna consciousness. You have saved us by giving Hare Krishna Maha-mantra in this dark age of Kali. Fortunately, It is the Yuga Dharma, and the only way to save us from the onslaught of Kali. I want to increase my attachment to the Harinam. Please give me the strength to follow your instructions without fail. Through your teaching, you have given a purpose for life, which lasts beyond this lifetime. It is just beautiful to see how various people from different walks of life have taken your instruction as their life and soul. It is also wonderful to see how your teachings have changed their life goals for good. I want to thank you for creating this international institution where we can serve the Lord in various capacities and make our life purifying. You are very direct in explaining which has made many people misunderstand you, but you are chastising people so that they realize what they are doing wrong like a caring father towards their children.

I seek your blessing to follow your instruction without deviation and develop the Love of Godhead.

Your insignificant servant,

You suffered for us to free us from this drastic worldly pleasure. Your wisdom through your writing guides us. Our obeisances through you to Lord Shri Krishna we pray.

Please make me, my family members and children Krishna Conscious devotees. Please give us a devotee association. Help us to utilize this human form of life in Lord Krishna's service by reading your books, listening to lectures and chanting Hare Krishna maha-mantra.

[Guru Dhyanam]

*Chaitanya Shaswatah: Santo*

*Vyomatito Nirnjana: |*

*Vindu- Nada Kalatita:*

*Tasmai Shri Gurave Namah: ||*

Salutation to the Guru, who is always aware, changeless (beyond the time factor), who is peaceful, who is beyond the space, free from material likes and dislikes, and also who is beyond the manifest (Nada) and unmanifest (Bindu).

Dear Srila Prabhupada,

The savior of mankind, the manifestation of devotion, the Spiritual Master of the World, the kind and generous maha Vaishnav, I offer my respectful obeisance unto your lotus feet.

On this auspicious occasion, I remember your struggle to save mankind from the clutches of the material contamination. There is always a sense of gratitude towards you as we move forward in devotional journey, unfurling your personal sacrifice for our liberation. You are the most benevolent spiritual master who was always endeavouring to liberate poor living souls like us. Your consciousness is pure and uncontaminated, which could create the Vaishnav revolution in this iron age of Kali.

You defied the laws of nature by your relentless service at very old age, and produced marvellous manuscripts of Shrimad Bhagavatam and Bhagavad Gita along with many other scriptures which are the source of light in this age of darkness (Tamasa). Krishna has gracefully sent you to revive our consciousness and direct us towards the Godhead. On this occasion, I remember how you have started this Krishna Consciousness Movement against all odds defying blunt nature of winter cold and hot summer in New York. You remain inspiration forever in my mind, and I beg your mercy to march forward in my transcendental journey of purification.

Although my association with you started 6 years back, I really understood your mission from last 2 years. I felt your grace every day in my life from the time I came in contact with you. Because of you, I got Vaishnav association in USA, a far land from India where such things are quite rare. Because of your mercy, I am able to see Lord Krishna Balaram in their most beautiful form. By your mercy only, I am able to relish the most tasteful nectar of Vedic scriptures like Bhagavatam and

Bhagavat Gita. Because of your guidance and mercy, we got the opportunity to perform Go Seva and Vaishnav Seva. For hearing, we have so many wonderful lectures and stories which reflects your unfathomable Vedic knowledge. By your grace only, we are getting opportunities to participate in heart throbbing and divine Kirtan. In this regard I remember a verse from Srimad Bhagavatam:

*naṣṭa-prāyeṣv abhadreṣu  
nityam bhāgavata-sevayā  
bhagavaty uttama-śloke  
bhaktir bhavati naiṣṭhikī |SB: 1.2.18|*

*By regular rendering services to devotees, all the inauspicious contamination is being destroyed, and transcendental loving service is established unto the Supreme Personality of Godhead who is glorified by the transcendental songs.*

I can realize this verse under your divine shelter and guidance. Just because of your mercy only, we are able to advance in the journey of divinity. Unfortunate people get fortunate when they come in contact with devotees of lord. Although we are unfortunate living beings without any sense of discipline, by associating with a Maha-Vaishnav of your class, we are blissful. This is only possible because of your causeless mercy (Ahaituki Kṛpa). You are the exemplary personification of a true Maha Vaishnav. Hence with all my gratitude, I pray at your lotus feet to guide us in the rest of the spiritual journey, to serve Lord Ramachandra without deviation. With that, I remain grateful and surrender at your lotus feet for the guidance.

Yours fallen servant,

Bhakta Bijan Kumar.

Dear Srila Prabhupad,

Please accept my humble obeisances. All Glories to you.

Thank you for giving us the valuable teachings of scriptures in a very easy and understandable language. This is my 3rd listening of BG and every time I hear I realize there is more to learn, and I understand it better. I hope it strengthens my beliefs and helps in advancing in Krishna Consciousness. I feel happy and blessed to attend the morning Gita calls. I feel sorry that I do not make enough effort to read other books, however, I am able to force myself to take the Gita tests. I started reading Nectar of Devotion, however, couldn't go past 60 pages. I am very sorry for keeping it incomplete. I hope I can complete the book soon.

My progression though slow, I hope is steady, I hope I become the tortoise from the story that I now tell my young daughter. I had wished that my daughter be a good devotee, please help in this effort. I am thankful that I can influence my daughter to follow the path of Krishna Consciousness. However, I have a long way to go in making that happen, please guide.

I am pleased to see that I am now chanting 11 rounds daily. This all happens with your mercy. Thank you again for the mercy.

Please shower your blessings on my family. Please guide me so that I can be a better Vaishnava and practice Krishna consciousness.

Your Servant,

Bhakta Gandhar Dighe.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to Srila Prabhupada.

All glories to you on this auspicious day of your Vyasa-Puja.

I am very happy to be part of the movement started by you. Being part of this movement has given me the opportunity to serve the devotees and associate with them which helps me keep connected to Krishna. Due to your work in translating the transcendental knowledge, we gained a lot of knowledge to practice Krishna consciousness. Your teachings have sowed the seed of Krishna bhakti in our hearts. I beg for your mercy to be upon me to continue my journey of Krishna Consciousness and never get deviated from this path and serve all the Vaishnava's.

I will try to do more.

I was going to the temple but stopped going regularly due to the COVID situation.

I am again very thankful to you.

“The spiritual master is to be honored as much as the Supreme Lord because he is the most confidential servitor of the Lord. This is acknowledged in all revealed scriptures and followed by all authorities. Therefore, I offer my respectful obeisances unto the lotus feet of such a spiritual master, who is a bona fide representative of Sri Hari [Kṛṣṇa].”

My Dear Srila Prabhupada,

Please accept my Prostrated Obeisances. All glories to Your Divine Grace. All glories to you on this auspicious day of your Vyasa Puja. Today I want to take this opportunity to thank you for the inspiration and transformation that has come about in myself and several people because of your teachings and the way you have led your life by which you have proven the proverb 'Walk the Talk'. You are an inspiration to all age groups and I am witnessing firsthand how people of different age groups get transformed once they get the association of devotees and hear about your pastimes which are as sweet as nectar.

A Sincere Vaishnava devotee I know shared an essay of a young girl (don't remember her age correctly) from my hometown Mysore who was asked to write an essay about who her inspiration and role model was? and she goes on to write that (I am paraphrasing here) '*Srila Prabhupada, you were her greatest inspiration and role model and she continued talking about your journey to the United States of America in the Jaladuta ship at the age of 69 with only a few dollars, had no friends or acquaintances in the ship, carrying only a small suitcase, an umbrella, and a bag of dry cereal, hardships faced with sea sickness and a massive heart attack and all this trouble you took for what? You were just following your Guru's instruction and a selfless act to preach Krishna Consciousness to the westerners, and you were more than successful with this mission, and the rest was history*' For such a young girl, you had captured her mind and soul (rightly so) and I could see the great respect she had for you from just reading her essay. I was sitting and contemplating your greatness, for you had created an impact and impression on this young girl and in turn reading her essay it created an impression on me and yet all 3 of us have never met in person, This in itself was a transcendental experience and your divine presence known even after years of your disappearance from the earth. Furthermore, I see a lot of changes with my own Mother and my Aunt (both of them are in their mid-50s) who took up KC in recent years and they are enjoying the chanting of Hare Krishna Maha Mantra, following Ekadashi, doing whatever little services available at any given point in time and travelling to holy places along with other devotees. I have a 2-year-old daughter Abhidheya, whenever we play the video song *Gurudev* sung by the *Madhava's Rock Band*, there is a short clip which shows you dancing with your hands up in the air in front of a Ratha and when my daughter sees this clips, she also throws her hand up in the air and says Hari Bol with joy. She also stretches her hand out to get some Maha Prasadam from you when a clip appears to show that you are distributing some sweets to young kids of her age. When I see all these people with different ages filled with joy and getting satisfaction by doing spiritual activities, all this is because of the beautiful institution you have founded and a plethora of devotee network that has come of it, so we thank you for this matchless gift, blessings and your mercy. You are really a great person because you are able to transcend among people of all ages and create such an impact on the Jivas and change our lives forever.

I have also increased my minimum rounds of chanting to 8 per day. However, my mind always wanders during chanting and attentiveness is lost. As per the advice from all the senior devotees I push myself to make sure I never stop chanting even if it means it is not attentive for now. I want to thank you for giving me the strength through these devotees and I now beg for your mercy to give me that taste and attachment for *Nama* so that I can chant more rounds and stay attentive. I am also thankful to you because of your blessings I am surrounded by family members who are willing to accept KC as a way of life. I have tried to do some minor services in the temple whenever I got a chance and I would like to thank you for giving me this opportunity. I understand that my journey has only begun and I have a long journey ahead (my short term goals are 16 rounds of chanting, serving more Vaishnav devotees, doing more temple service etc.). Please give me some shelter in the dust of your lotus feet and help me become a better Vaishnava devotee so that I can continue to chant, serve and make spiritual progress. I offer my respectful homage unto all the Acharyas and devotees in the lineage of Brahma-Madhva-Gaudiya Vaisnava Sampradaya.

Hare Krishna! Hari Bol!

Your Humble Servant,

Bhakta Santosh Ballal.

Dear Spiritual Master Srila Prabhupada,

Please accept my humble obeisance. All glories to Srila Prabhupada. All glories to you on this the auspicious day of your Vyasa puja.

As Krishna mentioned in Bhagavad Gita 4.34

*tad viddhi pranipatena  
pariprasnena sevaya  
upadeksyanti te jnanam  
jnaninas tattva-darsinah*

Just try to learn the truth by approaching a spiritual master. The path of spiritual realization is undoubtedly difficult.

I'm very glad to have a bonafide spiritual master like you. Because of your mercy still, I am able to continue in the path of spiritual realization. I always feel surprised how you spread the Krishna consciousness through the world at this age of Kali. As personally I am not able to change myself as a real devotee, struggling to chant more than 3 rounds of chanting per day. You are my inspiration to keep trying to progress in Krishna consciousness. Reading your translation to Bhagavad Gita verses, I gained so much knowledge and realized Krishna the Supreme Personality of Godhead and that he is the doer. With this understanding, I stopped worrying about my future and surrendered everything to Krishna. With this understanding, I am able to lead life peacefully. By next Vyasa Puja, I would like to read more books written by you..

Your Humble servant,  
Bhakta Suresh Suggula.

Dear Srila Prabhupada

Please accept my humble obeisances. All glories to you

Scriptures say that the material world is like a blazing forest fire, and the spiritual master is like a rain-pouring cloud. Having your presence in our life makes us feel the truth of these statements. Just remembering you, your pastimes, your instructions gives us so much joy, courage, and clarity in life. In the modern world of duplicity where relations are full of envious feelings, you have given us the understanding, and also shown it by your example that a Vaishanava is a well-wisher of everyone. He takes so much personal inconvenience to give genuine happiness to others. You have taught us how we should have a giving and blessing heart towards everyone, and should not exploit anyone for our own sense-gratification.

Without you, we did not have any access to Vedic knowledge even though it was available in our scriptures. We had known about the concepts of next life/rebirth from childhood. We even saw our relatives dying, but none of this led to any knowledge. We read about the problems of life (birth, death, old age, disease), and even talked about the importance of human life, but all this was merely a cliché for us without having any practical relevance to our life. But when we heard it from you in your forceful voice, it finally sunk into our heart as a matter of fact. You repeatedly stressed that the failure of modern society/education has lost the focus on the goal of life, that we could actually see its shortcomings.

Spiritual life has never been that simple. We do not realize the great fortune we have, that we are able to practice spirituality in our modern-day busy lives. You have given us the supreme truth in the form of the hearing and chanting process that we can practice joyfully even while living a Grihastha life. All this has become possible due to the painstaking effort you put in spreading Krishna Consciousness all over the world, writing books all night, training disciples with meticulous care etc. You took so much hardships, and attempted the almost impossible task when you stepped out of the country. You struggled alone, but you never compromised on the purity of your teachings in any circumstance.

I want to take this opportunity of Vyasa puja offering to remind myself of the immense sacrifices you made to give all of us a Krishna Conscious life. Today even decades later, we are still reaping the benefits of your sacrifices. You actually have served all of us but we are hardly able to offer anything back to you. With the pride and envy I carry in my heart I am unworthy of serving you, but you have always uplifted the degraded and given your mercy to the undeserving. So on this auspicious day, I seek your blessings to work on my internal purity to be able to become a dedicated servant of yours.

Your aspiring servant,  
Bhakta Vishal.

Dear Srila Prabhupada

I offer my humble obeisances onto your lotus feet

I thank you so much for all the hard work you have put in, in order to spread Krishna Consciousness. If it weren't for you, I would have had to stay in this material world and suffer. You came with very little money but with a treasure chest full of scriptures. Yet you didn't give up, and still continued with your spread of Krishna Consciousness. It is impossible for a normal man to do such things. By your books, you have simply given a way to go back to the Godhead. Please enable me to thoroughly understand your books, and quickly go back to the spiritual world. The Mahamantra is so powerful that we can go back to the Godhead by simply chanting it. Please give me your blessings so I can progress in Krishna Consciousness.

Your humble servant, Bhakta, Vishwa Anand.

Dear Guru Srila Prabhupada,

Please accept my most humble obeisances at your divine lotus feet. All glories to you.

Hare Krishna to you Srila Prabhupada! On this auspicious day of your appearance, I would like to once again take an opportunity to thank you from the bottom of my heart for your causeless mercy upon me and my family. Though I fell many times with Maya surrounded, You have always pulled me out and given me an opportunity to progress in the path of Krishna Consciousness.

I always get distracted by every problem that I face in my life, but because of Vaishnavas associations, Nama Japa, reading your books brings me back to the real goal of this human life.

Thanks for giving such a wonderful devotee association to Sri Krishna Balarama's Family.

Please bless me to progress in the Krishna Consciousness. Bless me to read and learn Vedic scriptures through your books. Bless me to always have Vaishnava's associations and engage in the service of Your lotus feet.

Your Servant,

Bhaktin Anitha Mullakuru.

Dear Srila Prabhupada,

I offer my respectful obeisances unto the lotus feet of Srila Prabhupada, All glories to Srila Prabhupada on this auspicious day of your Vyasa puja.

Thank you for your hard effort to bring Krishna consciousness to the western states. You didn't even care about what happened but you just kept trying till you succeeded in what your Spiritual master had instructed you. Without you, Krishna consciousness would not be alive in these western states. I first chanted the maha-mantra 5 - 10 times but now due to how you have worked so hard to bring Krishna consciousness my parents joined me to an online class that Sanatana Prabhu takes, he encouraged me to start chanting one round then two and now even three! Thank you once again, Srila Prabhupada.

Your servant,  
Bhaktin Anshika.

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to your Divine Grace. All glories to you on this auspicious day of your Vyasa Puja. Being an introvert, I was slow at getting associated with our Krishna Balaram devotee family in Sunnyvale temple, now that I got some association, I have experienced the way a true devotee shows love and care for a fallen soul like myself to such a great extent. I have heard that Krishna continues to expand within a pure devotee's heart and increases their capacity to love and care for fallen Jivas and help them stay away from material attachments, this is true because of the way temple devotees took me under their wing and provided guidance for me and my family. Prabhupada you are a Paragon and you have led by example for showing how to serve fallen souls no matter what situation or who it is you are serving and I would like to thank you for showing us a way of pleasing Krishna by service to others. Give me the strength and opportunity to continue doing service to others.

I have a great passion for art, dīcor, and baking. Working in the corporate world, I seldom get an opportunity to work on things of my passion which was always bothering me. However, by following your teachings (*Work for Krishna, Add Krishna into the equation and any activity will become spiritual*) and by the Mercy of you, temple devotees and Krishna I have got several opportunities to use my passion towards temple activities (like decoration, painting, cake frosting, etc.). I would like to talk about one incident where I have tasked to frost a cake and I did not have extensive experience doing this work nor did I have any support on that particular day. I prayed to Krishna and Narasimha and started frosting the cake, the theme was to make a Lion's face, and eventually, the work ended up looking like a professional job. This happened because of your teaching to believe in Krishna no matter what, so I would like to thank you for giving me the remembrance to pray to Krishna in such situations and I learned that if I take one step towards Krishna, he will take 10 steps towards us. All this knowledge you have made it available to us through your books and teachings and I would like to thank you for that.

I have started to chant 8 round per day and follow Ekadashi Vrat, I have now experienced some detachment from material things, it happened very easily in a natural way and I have no regrets for the things that I have already given up. I want to thank you for your mercy that you have showered upon me, without it this was not possible, please give me the strength to continue doing this and more. I also want to take this opportunity to talk about my daughter, her name is Abhidheya. Please accept her Obeisances and Pranams in Hari Bol style. She is a 2-year-old kid and she loves Narasimha. Whatever the gifts or toys she gets, she thinks Narasimha is providing her (in actuality, this is true). When she sees someone is hurt, she prays to Narasimha and seeks to reduce their pain. Seeing her pray like this gives us immense pleasure. This is all because of the temple nurture she has got and blessing received from yourself and Krishna. I want to thank Krishna Balaram family in

Sunnyvale for all the help, service opportunity and beautiful association I and my family have got and I want to thank you for providing us such a spiritual environment.

Hare Krishna!

Your Servant,

Bhaktin Ashwini Sawanth.

Dear Srila Prabhupada

Please accept my humble obeisances. All glories to you

Prabhupad, our eternal father, you removed my darkest ignorance with the torch of knowledge. I was wandering like an uncivilized animal without any purpose in life. By your mercy, I got an opportunity to know about Krishna. Only by your mercy, I was able to understand the position of Krishna. I don't know how many births I took before to come to this stage of Krishna Consciousness. This time, I am not going to leave your lotus feet. I don't want to fall again into this material ocean. Please guide me, and help me to progress in my spiritual life and go back to godhead and serve Krishna and all Vaishnavas. Please give me the strength to follow your instructions sincerely. You said just chant and hear the same sound. But, I'm not able to focus on my chanting. I feel guilty that I'm not able to follow your instructions. Maya is so strong. My attention is pulling towards material needs. I want to give my full focus on Krishna while chanting. Please shower your mercy on me for chanting the holy name mindfully. I want to get rid of all my unwanted qualities. Because of your mercy, day by day I'm seeing some tiny bit of improvement in cleansing my heart. Please help me to serve the Vaishnavas. I should not make any offenses at their feet. Please shower your mercy to progress in Krishna Consciousness.

I beg your mercy on the departed soul. Please direct the soul in her spiritual journey. Only the torch of your causeless mercy can help her see the path of Krishna Consciousness. In this difficult situation please make our determination stronger and stronger so we can continue on the path of Krishna Consciousness.

## Bhaktin Gayatri Papadkar

Dear Swami Srila Prabhupāda,

Please accept my humble Obeisances

Your founding international society for Krishna Consciousness is celebrated all over the world. As I am write this offering your grace is on me, your teachings are in my mind, even though you are not here. I feel you are everywhere... Also accept my offering and bless me.

In 1922 when Prabhupāda first met his guru maharaj Bhaktisiddhanta Sarasvati Thakura, his guru maharaj told him that the greatest need in the world is Krishna Consciousness, and source of all problems and sufferings in this world is due to forgetfulness of our relationship with Lord Krishna. Therefore Prabhupāda came to revive original Krishna Consciousness in everyone our of complete faith in the order of his guru maharaj.

Guru instruction was his life and soul.

Spreading the holy name was his only goal.

Therefore it's our first priority to spread the name of Lord Krishna as much as possible. We can serve Lord Krishna by sharing the love of Lord Krishna that one could experience in his heart and soul. By chanting name of Lord, Krishna gives rise to transcendental vibration within us which leads to spiritual awakening and one can experience it in the inner self. Also, Prabhupāda's books taught me chanting the Hare Krishna Maha-mantra and this leads to happiness, joyfulness, and can understand Krishna more. Shri Chaitanya Mahaprabhu who is Lord Krishna himself came in this world of the devotee. Through his teachings and example, he showed everyone in this kali yuga, how one can achieve the perfection of prem bhakti, of ecstatic love for Lord Krishna.

Prabhupada did a lot more than anyone could even think. He built for a whole world a peaceful house( temple). He tolerated intense pain. He taught the REAL thing is BHAKTI, "what you are offering Lord Krishna, everything belongs to Lord Krishna. Value of our things is nothing. The real thing is our bhakti, our feelings: Krishna kindly takes it" For taking God's name no qualification is needed; any religion doesn't matter, no matter we are fit or unfit, even the most fallen, rotten can develop Krishna prema by chanting.

Prabhupāda removed misconception about materialism and Impersonalism..

Swami I would say

If Krishna consciousness is my way You are torch to it

Thank you so much for showing the way with compassion and love and for guiding us with the torchlight of knowledge to all bhaktas.

Your aspiring devotee,

Bhaktin Gayatri Papadkar.

In this age of Kālī, chanting of the holy name of the lord is the only way for spiritual progress. The lotus feet of our spiritual master is the only way by which we can attain pure devotional service. O, master! Please be merciful unto me. Give me the shade of your lotus feet. Always engage me in the service of your lotus feet.

Thank you for walking with me in my difficult situations, and guiding me on what to do. I humbly beg you to increase my faith, and engage me in your mission. I am chanting 16 rounds. Please bless me to continue chanting 16 rounds without fail. I am reading your books almost every day. I will try to follow your instructions. Please bless me to memorize as many Gita slokas as possible. Please bless me with spiritual knowledge. I am very lazy at times when I have the opportunity to serve Krishna. Please shower your mercy upon me to improve my Krishna Consciousness and Sadhana. I have learnt how to play basic mrdanga. Dear Srila Prabhupada,

Please accept my most humble obeisances at the dust of your lotus feet.

Its been more than 50 yrs now that you have established this Krishna Conciousness Movement, but the values, rules, knowledge, science, which you have established has not changed a bit. I am really stunned, inspired by your establishment of this wonderful movement which gave shelter to many ignorant fools like me. Be it any place in the world, with travel no more than a few minutes we can find an Iskcon temple for our rescue. Last time when we went to Hawaii, it was Ekadashi. Just because of the Iskcon temple in Hawaii, I was blessed to have Darshan of Deities and take Ekadashi Prasadam. My husband was also surprised to see all this arrangement.

Krishna Conciousness Movement which you established is so healthy and strong and it is just because of You giving this knowledge as it is without alterations, and also because of your staunch devotion to your Guru Maharaj. Coming to the jewel of Krishna Conciousness is Your Books, Mataji in temple says even if anyone touches Your books, he will become pious and she is so right. A few years ago when I went for book distribution, I rang the bell of one of the

apartments and a Chinese Man opened the door. He seemed to be very serious and completely engrossed in his work. I greeted him and started telling about the books etc, and since he had his headphones I am sure he did not even hear me. So I went through the pictures in the book, and just by seeing all the pictures in the middle of the book he said, 'I want this book.' I felt the books and pictures had vibrations, which made him take the books. These books are like encyclopedias/dictionary which has all solutions to all the questions/problems we have. The foundation you laid is so strong that we can see so many devotees, temples, Ratha Yatras, multiplying day by day. I feel so blessed to be part of this great movement. Not just today, but I thank you each and every day for bringing me in touch with your books and this movement itself. A big thank you to bless my brother. He started chanting 16 rounds. My parents started chanting a few rounds, reading books, and following Ekadashis. Thank you for blessing all of us to be part of Krishna Consciousness.

I am able to chant 16 rounds regularly, and sometimes when I fail to do I am compensating the other days, and I am reading Srimad Bhagavatam regularly. Feel sad to offer a very small offering this year.

Kindly shower your blessings on me so that I will be stronger in my Sadhana, read regularly, remember and explain it to others. Also please bring my family, husband, and kids into Krishna Consciousness. Help them understand this great science, and go back to Godhead.

I sincerely pray to you to always keep me engaged in Krishna Consciousness, and in devotee association. Hare Krishna.

It has been 6 years since I know about you. From that time every year by Your mercy, I am learning new things from your wonderful preaching and lectures. Because of your mercy in the form of scriptures, I am able to follow the wonderful sublime texts about lord in the form of Shrimad Bhagavatam and Bhagavad Gita As it is. Because of your mercy, I am getting an association of Vaishnavas, and having darshan of Lord every day. How much I will write about you will be always less. I am so fortunate that I came in contact with your mission, and now understand how valuable this human life is. Thank you, Prabhupada for all your efforts to make me understand about this dangerous material world, and how to overcome by doing unalloyed devotional service to the Lord. Thank you for everything. Please accept my humble obeisances. All glories to Srila Prabhupada. All glories to you on this auspicious day of your Vyasa-puja.

The days I get up in the morning and observe the morning Arathi along with the Pooja performed to all deities along with you Guru Maharaj, my days will be awesome.

Whenever I feel worried about the health of my family members, I am able to get up at that time and seems exactly it is morning Aarathi time. Now since it is live-streamed due to COVID, it is so nice to see all the poojas. Guru Maharaj, your devotees and the temple that your sincere disciples are maintaining are so divine, and the priests and the temple devotees are very divine and do selfless service.

I am fortunate to associate with such devotees. Please forgive if I have done any mistakes, and lead me to the right path.

I hope to be more attentive from now on. I am having much interest in the classes that Sanatana Prabhu is currently taking during the mornings of the weekdays. Jay Srila Prabhupada

Please accept my humble obeisances at your Lotus Feet on the auspicious occasion of Vyasa Puja

Hare Krishna. Thank you for everything you made me succeed in this year. It's all because of you that I am happy. I am very glad that I came to Krishna Consciousness because I feel like Krishna Balarama Mandir ( temple ) is my real home. When I first came to this temple I was about 2-3 years old.

Now I am 11, and I am very happy that I have been in Krishna Consciousness till now. Without you, this would probably never even happen. So thank you so much Srila Prabhupada.

Another thing I want to tell you about is that I am trying to improve on my chanting from 2 rounds to 4 rounds. I am trying very hard to do it, but I am still stuck in 2 rounds. From when I was 5 years old I was chanting 2 rounds and till now I am still stuck in doing 2 rounds. I got so used to doing 2 rounds, that I am not able to increase it. But I am trying my best. Please help me increase my rounds so then I can improve.

One last final thing, remember in my last Vyasa puja I told you if you can help me to stop eating chocolate. Well, thank you so much I stopped eating chocolate, because my mom found out that chocolate has cockroaches. So from that moment I stopped eating chocolate. You found out a way to help me Srila Prabhupada. Thank you so much. I don't know how many times I should say that but thank you.

Dear Srila Prabhupada,

Please accept my most humble obeisances at your Lotus Feet. All Glories to your Divine Grace.

I have many things I should thank you for. One being you coming to the US in this condition being very old and you only had \$7 dollars with you when you arrived. This makes it very special because you never had to come to the USA you could've stayed in India, but you decided to come in such an old age for this I want to thank you very much because without you coming to the USA I would've never known about anything. I want you to know that I'm very thankful for all the great thing you've done like being the founder of ISKCON and you have made 108 temples around this whole world. Please help me to chant more and more. Thank You for also writing all the Bhagavad Gita translations, for this reason, I can read the Bhagavad Gita verses and also their translation. I can understand the knowledge of what Krishna has spoken on the battlefield because of you. Every day and night you spend your time in translating each book into the English language. For this reason, now all of us get to know the Bhagavad Gita. Thank you very much.

Your aspiring devotee

Dear Srila Prabhupada

Please accept my humble obeisances with utmost love and devotion.

I bow down at your lotus feet. All glories to your Divine Grace.

In this vast sea of humanity, it is becoming difficult for a small droplet like me to stay strong and fight the tsunami of Maya that is devouring the sea. As I sit, contemplating to find the "perfect" words to express my gratitude, I realize that I've

written to you, expressing my gratitude, every year. Your guidance is something that I am indebted to. This year too, like the others, I would like to thank you this time for saving my life, for protecting me through countless disasters.

Dreamers dream dreams; dreams become a reality because of achievers. I am a dreamer and achiever, but thank you for teaching me to dedicate those dreams to the Supreme Lord. You have given meaning to my dreams and achievements.

Before coming into Krishna Consciousness, I was unaware of the role a spiritual master plays in an individual's life. Learning about you has just left me awestruck. The more I read, listen, sing, the more inspired I am by the world's most accomplished and selfless dreamers and achievers.

The past two years have been the most chaotic years of my life. The roller coaster of anxiety and depression would've consumed my patience and resilience, if it wasn't for your guidance under the protection of the Supreme Lord. You are the reason I can hear the voice that guides me through life. The assurance, direction, and your teachings have been the epitome of knowledge in my life.

You have managed to answer all the questions, no matter how absurd they may be at times. Your knowledge inspires me to gain an understanding of the ultimate truth, of one's destiny, and the meaning of one's journey in this material world.

You have taught basic common sense in life. You taught me to be selflessly happy and selflessly selfish. You have been my motivation and energy and constant inspiration. You are the reason I push myself beyond limitations. You have taught me to be brave; you have made me a fighter. You are the reason I stay true to you, the Supreme Lord, which allows me to be true to myself.

In this chaotic sea, you have always guided me through the pressure that exists in this life to turn this coal into a diamond.

I am shamelessly begging for constant guidance from you. Without your guidance, I will be lost in this vast sea. I kindly request you to forgive me for any mistakes I have committed, knowingly or unknowingly. Please save my family and me from this world that is filled with Maya. We are forever indebted to you. You have showered nothing but mercy; in return, we strive to pay you with our pure devotion and love. I thank you from the bottom of my heart for being the saviour, dreamer, and rescuer.

Your humble servant,

Bhaktin Pranali Kasturi.

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet

As I was thinking about what to write in this offering letter, so many of your recorded lectures and so many things that senior devotees have said about you rushed through my mind, and my eyes filled with tears and my throat began to choke. You kept saying and telling and pleading people to chant the Mahamantra, and be happy and prepare to go back home, back to Godhead. I find myself stuck in the clutches of Maya, where my heart keeps pulling me out and telling me to chant. My heart cries for your mercy, Srila Prabhupada. My heart cries to have a peaceful mind to chant peacefully and attentively. The more I listen to your lectures, the more I come to know that I am so fallen and so insignificant. Reading your books and listening to your lectures is like looking in the mirror and knowing my true worth, which is nothing! By your grace, Srila Prabhupada, I am able to chant 16 rounds daily. I know I struggled, I cried, I begged for your mercy, to please help me at least chant the 16 rounds.

I aspire to read and understand the complete Bhagavad Gita and Srimad Bhagavatam and all other books that you have written by sacrificing your night's sleep. In your later days too you were translating, and explaining the meaning for fallen souls like me.

It's my heart's desire to contribute to your mission, and spread Krishna Consciousness to lift this world out of Maya. This is the need of the hour to awaken our souls and make people aware. So many things are going on in this world; so many diseases and natural calamities and people dying untimely. I don't know when my time comes. I want to be prepared for that time, and die like a true Vaishnava taking the name of Krishna, chanting and remembering only Krishna when my time comes to leave this planet. Srila Prabhupada, I fall on your lotus feet, and cry for your mercy to always keep Krishna in my heart and thoughts,; to give me devotee association in every walk of my life; to make my family Krishna Conscious so that we can all chant together, pray together and have melodious Kirtan together.

Please give me your mercy, and help me progress in Krishna Consciousness. Please remove ignorance from my mind and bless me with the intelligence to understand your books, to memorize the shlokas, to chant the holy name, and to preach the name of Krishna.

May you hold my hand like a mother, and teach me to walk in Krishna Consciousness. May you always guide me like a father and protect me from Maya.

May I always serve your lotus feet, and follow your instructions throughout my life.

Your humble servant,

Bhaktin Preeti Bhadane.

Dear Srila Prabhupad

Dandavat Pranams. Please accept my Humble Obeisance. Hare Krishna.

Another year has passed by so quick, and its Vyasa Pooja offering time. Since I have your teachings in my mind, I now have the realization that one year of my human life is reduced. But this year, I have one good thing to relish for my whole life and life afterlife. It is the benefit or joy of being part of soulful Japa class, and your special blessings on me for me to be one of the 2000+ participants in these crores of people in the world. Unparalleled causeless mercy on me Prabhupad! Thank you so much! It's by your causeless grace and mercy, the meaning of your words in MPP Prabhu's class has struck me. "You chant Hare Krishna and exactly the same sound you hear". Chanting which is the most important service in Krishna Consciousness is becoming relishable. I know still a long way to go Prabhupad, but I have the confidence in you (not on me) that you will guide me as you have guided me patiently these many years.

From the pastime of Purnamasi Mataji (Russian devotee in Jail), you have kindly given me the realization that chanting your pranama mantra, you are really accepting it, and you are present right there to receive it. You take charge and you are the direct protector of your disciples. From soulful Japa class also, I had got the deeper realization on this point on how you can be present in your unmanifest form when your disciple needs you, and how you live through your books. Thank you for giving inspiration to MPP Prabhu; am able to learn so many things through soulful Japa classes. Again, your teachings on the principle of Yukta-vairagya, i.e. using the things for devotional service is again coming into play. Even though I am not able to attend live classes, am able to get benefitted through recordings available. Technology is getting used in the right way. Whichever aspect of life we consider, we have your teachings in that. What an awesome guru you are! Who will teach His disciples like this? Again and again, you are proving to be a Goloka man. I am admiring you for all these qualities. Thank you Prabhupad, I really don't know what I did in past that I came in touch with you. Only maybe your causeless mercy might be the qualification that I possess, which I yearn for more and more and more.

As I learn, I get the understanding that there is lots more to learn, and practically able to see that only by your causeless mercy everything is possible. Only I (we) can desire and attempt to do anything, but its only will of Lord and you (guru) everything is getting done. May my faith on you increase constantly, and let me not leave your lotus feet at any challenging situation that may come at any time due to my karma.

I can realize little now, howmuch of patience you had when you started the movement, and how patiently you have answered all the silly questions. you have kind of literally guided me as a mother holds the child and teaches the baby to walk. Being a Goloka man, you were so kind to be in midst of all humans, and as an acharya you have taught us everything step by step. No other word other than Thank you Prabhupad to express my gratitude. Bless me that let me love you both by words and action, and be always a dust at your lotus feet. I know it is not so easy but your causeless mercy can make that happen.

May your glories be proclaimed throughout the three worlds! Thank you Srila Prabhupad! Hare Krishna!

Your undeserving servant,

Bhaktin Priyadharshini N.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to my spiritual master Jagadguru Srila Prabhupada

I would like to express my sincere offerings to Guru Maharaj on this auspicious occasion of Vyasa Puja. Gurudev, I am fortunate to get in touch with your books and teachings regarding devotional service and the Supreme Personality of Godhead Shri Krishna. You are a ray of sunshine with golden effulgence to show us the path to reach Lord Krishna crossing this materialistic ocean filled with desires and grievances. After reading your books and instructions, I learnt how to be deterministic in devotional service and how to overcome daily challenges being a grihastha, with all your mercy. You taught us how to chant holy names, how to perform devotional service, the importance of devotee association and Prasadam. Your

own life is an example of dedication and commitment to spreading Krishna Consciousness across the world irrespective of materialistic challenges. All your actions and teachings are truly like nectar of Krishna Prema. I beg you, dear Srila Prabhupada to continue to bless me more to engage in devotional service and may with your mercy, I get the mercy of servants of Lord Chaitanya, Nityananda, Sri Krishna Balaram and Smt Radharani.

Jai Srila Prabhupada!

*Om ajnana timirandhasya*

*Jnananjan salakaya |*

*Chaksur unmilitam yena,*

*tasmai shri gurave namaha||*

I offer my respectful obeisances unto You who has shined my way to Krishna Consciousness.

On this auspicious appearance day of yours, I am very grateful as you appeared in this world the day after Krishna Janmashtami. You have brought all the people away from Maya, and saved them. You have also saved me from that same

darkness. So I pay all my respects unto Your lotus feet. You have given me the Hare Krishna Mahamantra to chant, and Bhagavad Gita to read. You gave prasadam to satisfy my mouth and tongue. You have shown us that deity form to satisfy our eyes. You have shown us to do kirtan to satisfy our ears and give pleasure to the deities. You have told us to do temple service to benefit our legs and hands. I pray to You to give me shelter under your lotus feet. I fall on your feet for all you have done for us. Thank you for all you did. In your purports you have given an explanation of what is going to help us in life which is as below:

The transcendental vibration established by the chanting of the Mahamantra

*HARE KRISHNA HARE KRISHNA KRISHNA KRISHNA HARE HARE*

*HARE RAMA HARE RAMA RAMA RAMA HARE HARE*

is the sublime method of reviving our Krishna Consciousness. As living spiritual souls we are all originally Krishna Conscious entities, but due to our association with matter from time immemorial, our consciousness is now polluted by the material atmosphere. The material atmosphere, in which we are now living, is called Maya, or illusion. Maya means "that which is not." And what is this illusion? The illusion is that we are all trying to be lords of material nature, while actually we are under the grip of her stringent laws. When a servant artificially tries to imitate the all-powerful master, this is called illusion. In this polluted concept of life, we are all trying to exploit the resources of material nature, but actually we are becoming more and more entangled in her complexities. Therefore, although we are engaged in a hard struggle to conquer nature, we are ever more dependent on her. This illusory struggle against material nature can be stopped at once by revival of our Krishna Consciousness."

I have learned so much about Krishna Consciousness by your grace. I beg for your mercy to protect me under the shelter of your lotus feet. I am waiting to get liberated, and go back to godhead. Also, I have started my regular chanting by your causeless mercy.

Your humbel servant,

Bhaktin Ripun.

## **Bhaktin Riya HS**

Dear Srila Prabhupada,

Please accept my humble obeisances.

Please bless me so that I will always remember Krishna. When I play my games, I wish to remember Krishna. When I am eating, sleeping, and at school, I wish to remember Krishna. By remembering Krishna and thinking of him at the end I wish to go back to Godhead.

*Sarva Dharmam Parithyajya, Mam Ekam Saranam Vraja*

Krishna says "give up all kinds of religion and just surrender unto me". I want to surrender my life unto your Lotus Feet O spiritual master and serve your mission. Please give me the intelligence and strength to tread on this spiritual path, and make my life sublime and happy. In today's world of Kali yuga, it is a big challenge to practice spirituality. For this I need you guidance and mercy. Please shower your unlimited mercy on this fallen, conditioned soul.

Dear Srila Prabhupad

Please accept my humble obeisances.

You have spread Krishna Consciousness all over the world, and taught us the Hare Krishna Mahamantra; that's the only way to go back to godhead. You built so many temples so we can worship Lord Krishna. We were all going in the wrong path, but by your grace you brought us to the right path. You wrote many books like Bhagavad-Gita, Srimad Bhagavatam etc, so we can learn about Lord Krishna. I want to learn an instrument to satisfy Lord Krishna. So please give me the knowledge to play the instrument. Please guide us to perform our devotion nicely, and go back to Godhead.

This is acknowledged in all revealed scriptures and followed by all authorities. Therefore I offer my respectful obeisances unto the lotus feet of such a spiritual master, who is a bona fide representative of Sri Hari [Krishna].”*

I am so fortunate to have received your causeless mercy to be introduced to Krishna Consciousness regardless of being such a fallen soul in this material world. Kindly forgive me for all the mistakes I keep making in this process of devotional service and give me the opportunity to be your servant. You are such a great soul filled with mercy and compassion for all the devotees and I cannot be more grateful to be in your shelter and guidance. Please bless me to always be in Krishna consciousness and keep Krishna in the centre of my material existence. Last year was the first year I started taking Krishna consciousness seriously on my own and developed my own faith which, until then, was mostly because of my parents. I'm so grateful to you for making my parents instruments of Krishna consciousness for my sister and myself. I hope and pray to you that I should remain in the service of You and Krishna during this entire birth and return to Goloka as soon as possible so I can get your association, for You are my dearest spiritual master.

About six years ago, I took a vow to chant every day but never ended up keeping that vow, so, I am extremely sorry and thank you for giving me that opportunity again. I have taken a vow this year to increase my rounds every two months and that has been very successful. Thank you for showing me the rasa of chanting the holy name and for giving me the opportunity to be in service of Krishna, the supreme personality of Godhead.

Last year, I asked for your blessings to be able to pursue reading your books and understand the content, here I am, this year again asking you for some more blessings. I truly cherish your writing and it has helped deepen my Love for Krishna. Thank you for all that you've given me and my family and please please please forgive me for all the mistakes I commit/keep committing as a fallen soul. Thank you for sheltering me through all times. You are so merciful and I am eternally grateful to you, oh spiritual master!

*Our respectful obeisances are unto you, O spiritual master, servant of Sarasvati Goswami. You are kindly preaching the message of Lord Chaitanya Deva and delivering the Western countries, which are filled with impersonalism and voidism.*

Jai Srila Prabhupada.

Dear Srila Prabhupada,

I offer my respectful and humble obeisances unto you.

Thank you so much for showering all your love and blessings on me. You have taught me so much, and guided me throughout.

I have learnt so much from you in this one year, and that is with your guidance.

In the current covid situation, by your mercy I got an opportunity to actually spend more time in chanting as well as reading, which was not possible otherwise with the regular school.

You gave the whole world so much knowledge about Krishna Consciousness, and I know that was a hard task. But you still had faith in Krishna, and achieved it with patience and tolerance. I want you to bless me with at least some of that patience and tolerance and engage in the service of Krishna.

I have been reading your purports and translations, and have gained all the knowledge that I have now. I want to improve the most I can with your guidance, and want to chant with focus by following your instructions.

I have been reading and attending classes from temple, and the favorite thing I had in the classes is the Siksastakam by Lord Chaitanya Mahaprabhu, who is Krishna Himself. I liked it because it had so much value in it like being humble, tolerant, performing sankirtana, and cleansing your heart by chanting the holy name of the Lord

*Hare Krishna Hare Krishna Krishna Krishna Hare Hare*

*Hare Rama Hare Rama Rama Rama Hare Hare*

This is the sloka from the book "Teachings of Queen Kunti ", and I was able to understand it well only after reading your Purport, otherwise it would have been difficult.

*vipadaḥ santu tāḥ śāsvat  
tatra tatra jagad-guro  
bhavato darśanaṁ yat syād  
apunar bhava-darśanam*

My favorite lines from your purport: " I wish that all those calamities would happen again and again so that we could see You again and again, for seeing You means that we will no longer see repeated births and deaths. Generally, the distressed, the needy, the intelligent, and the inquisitive who have performed some pious activities worship or begin to worship the Lord. Others, who are thriving on misdeeds only, regardless of status, cannot approach the Supreme due to being misled by the illusory energy. Therefore, for a pious person, if there is some calamity there is no other alternative than to take shelter of the lotus feet of the Lord. Constantly remembering the lotus feet of the Lord means preparing for liberation from birth and death. Therefore, even though there are so-called calamities, they are welcome because they give us an opportunity to remember the Lord, which means liberation". I loved reading this book very much, and want to read more and more.

I am so thankful and grateful to you. Please forgive me for all the bad things that I have done till now, and also for not following all your instructions. I am learning singing, mridangam, drawing etc., and able to chant up to 8 rounds with your mercy. I wish you continue to guide me in keeping up these, and also do not let me do any bad things or mistakes.

You are my dearest spiritual master in the world. Again, and again I bow down to your lotus feet, and offer my respectful obeisances unto you. Please shower your mercy on me.

Your little humble servant,

Bhaktin Sridha.

You made me realize what is mankind and his purpose. My humble request is keep me under your shelter, and shower mercy on me. Help me in progressing in this Krishna Consciousness Path.

Help me to be good Krishna Conscious Parent, and raise my kids in this path. Give me the energy to correct my mistakes, and follow the correct path. I am still in dark. I can feel your light...help me to reach it. Kindly continue to keep me under your shelter, shower mercy, and engage me in your mission. Just a Thank You is not enough, but this poor soul is ending with a "Thank You for showing me this path"

Your sincere servant,

Dear Srila Prabhupad,

Please accept my humble obeisances.

This year has been hard due to Corona virus pandemic, but happy at the same time because we are in Krishna Consciousness. Being engaged in Krishna consciousness I was able to overcome all these difficulties (Corona Virus). I was also able to start chanting 2 rounds. I would not be able to do it without your help. I kept hearing your voice telling me to start chanting 2 rounds, and that really motivated me. Reading your books also soothes me. My mom tells me that you are in all your books, and that is completely true. I can feel you every time I read your books. I know that many people just like me have been inspired by you and want to help people understand Krishna. I hope that even I can make at least a little difference, as well.

I genuinely give you all my thanks for helping me understand Krishna Consciousness. Your books have helped me so much in understanding Krishna, and I have gotten more and more deeper into it. Your teachings of Krishna and spiritual knowledge have not only helped us, but many other people in the world. At the ripe old age of 70, you set foot on a foreign land for the first time on the order of your spiritual master. You went with just forty rupees, but with the treasure of the scriptures like Bhagavatam and Bhagavad-Gita. Going through so many trials and tribulations, you established ISKCON. Today it is a household name, thanks to you. Please shower your mercy on this fallen soul so that I can pursue this path with all earnestness.

I will continue in the spiritual path by continuing to read the Bhagavad Gita and eventually memorising all 700 Shlokas. Thank you for kindly showing me the path that I will continue, due to your mercy. Everything changed in my life the moment I came in contact with your Krishna Consciousness Movement, your books, your lectures, sankirtan and last but not the least prasadam. You taught me the importance of the morning programme and deity darshan. I am trying to sincerely follow all your instructions, and progress on the spiritual path. I need your kind blessings and shower of your mercy dear Prabhupad.

You sincere servant

Dear Gurudev Srila Prabhupad,

Please accept my humble obeisances.

We as a family are indebted to you for your immense and causeless mercy on us.

Thank you Prabhupad for constantly guiding me about activities of maya and keeping us under your shelter. Everyday is a challenge to do sadhana, but praying to you every night makes my next day less challenging and blissful with the great feeling of you being by my side and hearing me and helping me do my sadhaana. Thank you.

Dear Srila Prabhupada,

I offer my respectful obeisances unto the lotus feet of Srila Prabhupada, All glories to Srila Prabhupada on this auspicious day of your Vyasa puja.

You are the most compassionate person in this world. You did lots of work for us and Your main concern was how to save us from this material world. You give us everything in your writing that is practical to apply in our day to day life. Whatever you have written in your books, we can feel in our realizations. I want to serve you. I want to serve your servants. Please give us your blessing, because without your blessing we are not able to do anything. You changed the lives of so many people. You give us the Holy name, which is nectar but we don't have any taste for it. Please give me a service attitude towards you, your servants and Lord Krishna.

You are so wonderful. I don't know much about Your grace, but I want to understand your feelings. You did lots of hard work in writing books. you didn't properly sleep. You always feel, how to please Lord Krishna and Spiritual master. You repeat so many things again and again, in that way something will go in our mind. You gave the ISKCON society, where people can practice their sadhana life, associate with each other and honour prasadam. My intelligence is so limited that I can't appreciate your work properly. Please give me your blessings, whatever you instruct us, we will follow it and make you happy by our endeavour.

Your aspiring servant  
Bhaktin Swati Gupta.

Dearest Srila Prabhupada,

Please accept my humble Obeisances.

During the age of Kaliyuga, where nothing is auspicious, we have the opportunity to know the most auspicious personality, Srila Prabhupada. Srila Prabhupada appeared for all the devotees to experience the most efficient and simple ways of bhakti, one of those ways was by his books. Bhagavad gita is one of the most eye opening books about how Krishna addresses the struggles that Arjuna faces, and from his efficient explanations we are able to realize the true meaning of the purpose in life, who we really are, and what being Krishna Conscious really means. He has multiple other astounding books such as Teachings of Queen Kuntī which assisted us to understand the devotion that she exuded for Lord Krishna, which will set an example and guide us to our path of devotion. In the Srimad Bhagavatam ,Sukadeva Goswami has a seven day long conversation with Parikshit Maharaj, and he covers the greatness of Narayana, various avatars of the Lord, and finally the entire life history of Lord Krishna. The Bhagavatam which further deeply expands on the philosophy of Krishna Consciousness while telling the tales of Lord Krishna, have been made available thanks to Prabhupada. All of these books are available because he came to the west and spread his message all around the world. He has brought a pivotal impact to the society through Krishna Consciousness and Iskcon. We are also especially blessed to be able to chant the holy names of Krishna by the Mahamantra that Srila Prabhupada has taught us. It also tells us how to further our progress in devotional service. He has brought the holy process of kirtan, which allows us a way to connect with Krishna, and to communicate through music and dance to express our love for him. Even though we may not hear directly from Prabhupāda, we still have the opportunity to learn from his disciples, what the experience was like with Prabhupāda , and what valuable knowledge they have learned from him. From their stories we are able to understand Prabhupāda slightly more, as well as listening to his lectures and kirtans. Thank you Prabhupāda for being such an influential person in my life and life of many others. I hope that I will be able to gain mercy from Prabhupada to further continue my devotion by completing my endeavours in life, to make my bhakti to Krishna more efficient, so I can reach the final destination, Back to Godhead .

Your aspiring devotee,

Bhaktin Tanishtha Papadkar.

Dear Srila Prabhupada

I am truly thankful to you for all the books you have written, especially the First Canto of Bhagavatam which helped me increase my knowledge of Arjuna and his personality. My fondness for Arjuna has been growing eternally since I was three, and it is all possible due to your books. The first book I ever read was Illustrated Bhagavatam Stories, and now I am reading Mahabharat. Both of these works are written by your disciples using all the knowledge you have provided them.

Your eternal servitor

Dear Srila Prabhupada

Hare Krishna

Please accept my humble obeisances

I am immersed into Krishna Consciousness and spirituality. I wanted to make spiritual progress for a long time, but was looking for a Guru's teachings.

Through this Hare Krishna movement I serve the feet of lordship every day, and I am the luckiest person to do that for which I should thank you a lot.

Through your teachings, I traverse my spiritual path and my life has taken shape under your guidance and instructions. I am trying to follow the four regulative principles and chant 16 round of the Mahamantra. I make a sincere effort to read books written by your divine grace. Some of the books like Perfect Questions Perfect Answers, Life comes from Life inspired me a lot to take up the devotional path more sincerely and seriously. I beg for your mercy Srila Prabhupad to help me progress in this path.

Your humble servant,

Bhakta Vijayalakshmi Narayanan.

Dear Srila Prabhupada,

Please accept my humble obeisances on the occasion of the 124<sup>th</sup> Vyasa puja ceremony. You are the saviour of the whole world. The nectar of Harinama Sankirtana that you launched continues to expand worldwide; I was blessed to take that nectar, the power of Harinama. When each year passes, you have saved my life nicely every time in this material world. We are chanting 16 rounds, following the rules, but I am not satisfied, because of not being able to do proper service to Radha Krishna. Service changes our life, bodily desires and controls our senses. Recently I entered Grihastha life by your mercy, Prabhupada. I don't know the reason behind that, why you sent me to that place. So kindly give me the intelligence to take forward our Harinama Sankirtana Movement. Please accept my apologies to my any unknown mistakes, Prabhupada.

Dear Srila Prabhupada,

Please accept my humble obeisances on the auspicious occasion of 124<sup>th</sup> vyasa Puja ceremony.

Gurudeva! You are always been more merciful to me and kindly kept me under your shelter for one more year. Please bless this fallen rascal so that I will not be attracted by the hallucination of Maya and leave your soothing shelter. Please bless me that I should be serving you till my last breath. You have done so many miraculous things during your physical presence and many more now. Because of your causeless mercy whole world is chanting Hare Krishna. We feel very proud of being a part of such a big movement. You have presented Krishna conscious philosophy in such a way that we get more and more clearer as we read more and more number of times. You have created and guided this great institution so that so many souls can come and take shelter in it.

Gurudeva! the whole world is in the panic situation but we got a very nice association from your senior disciples and I felt a lot of change in my consciousness and especially chanting after going through this association. From initial days you have protected me and brought me to the guidance of your sincere disciples who have been helping me a lot to progress in Krishna consciousness and serve your mission. I am very much thankful to you for giving such noble leaders you have been presenting your books more clear for us to practice and progress. Next year we will be celebrating 125<sup>th</sup> year of your holy appearance in this world. On this auspicious occasion please bless us to offer you. Prabhupada! please bless me so that I can present the philosophy in the right way and at right time. Please send some helping hands for me so that I can nicely maintain the deity worship standards as set by you. Please bless me to please Their Lordships Sri Sri Radha Shyamasundara.

Please bless me to nicely chant Hare Krishna soulfully without offences.

## Raghu Rama Dasa

---

Dear Srila Prabhupada,

Please accept my humble obeisances on the occasion of the 124<sup>th</sup> Vyasa puja ceremony.

Your Divine Grace taught me convincingly from all perspectives that Krishna is the Supreme Personality of Godhead, while many other sampradayas either holds up Vedic statements to claim that God has no form or fails to reveal Krishna as the true Supreme Absolute Personality of Godhead. The shastras explain that a devotee of Supreme Lord Vishnu is more potent than the sacred Ganges water that flows from the shelter of the Supreme Lord Vishnu's lotus feet, in purifying the fallen conditioned souls. But Your Divine Grace has proved that you are equally merciful to the less fortunate souls like me by sheltering me from illusion, just like the sun not only absorbs the sacred Ganges water but also the murky waters on earth. It is not in my power to serve Your Divine Grace but please kindly do accept my actions with sincerity, even if not glorious, in assisting my authorities in your service, as my devotional service to the Lord and kindly make me also cross this impossible material ocean, if you so choose. Kindly forgive all my offences at your lotus feet and please guide me in the way back to home, back to Godhead.

Your Aspiring Servant, Raghu Rama Dasa.

నేను ఈ కృష్ణ చైతన్య మార్గములో వున్నానంటే ఇది మీ యొక్క కృప కటాక్షలే గురుదేవ. మీరు సాక్షాత్తు భగవత్ స్వరూపులు లేనిచో ఎవ్వరికీ సాధ్యం కానీ అసాధారణ కార్యాలను మీరు చేశారు. ఉదాహరణకు కృష్ణుడంటే ఎవరో తెలియని పాశ్చాత్యులను కృష్ణ భక్తులుగ మార్చారు. అంతేకాదు భగవద్గీత , భాగవతములను ఇంగ్లీష్ భాష లోనికి అనువదించి వాటిని ప్రపంచవ్యాప్తంగా అందరు చదివి అర్థం చేసుకొనేలా చేశారు.

## Vishwatma Dasa

Dear Srila Prabhupada,

Please accept my humble obeisances on the occasion of the 124<sup>th</sup> Vyasa puja ceremony. People, in general, will get retired from their work usually at the age of 60, but in contrast, you have travelled all alone to the United States at the age of 65 in a cargo ship. You have suffered from seasickness and cardiac problems during your journey. You have given so much importance to your spiritual master's instructions to preach the cult of Srimad Bhagavatham and Bhagavad Gita to the people in western countries. You have stayed in most dangerous places in the U.S such as Bowery where drug addicts used to dwell and started Krishna consciousness alone which shows your firm conviction and faith on Lord Krishna. You are so humble and meek and used to cook and distribute prasadam for the western people during the initial days of your preaching. Dear Gurudeva, you used to sleep only 2-3 hours per day and used to chant 64 rounds of chanting and write translations of Srimad Bhagavatham from Sanskrit to English. You have written nearly 80 books for our benefit. You have travelled all over the world for 14 times to spread this Krishna Consciousness and faced so many troubles and challenges in building 108 temples in a span of 10 years which is an exemplary work. You have started the Back to Godhead magazine

by writing, doing proofreading, printing and even distributing. You have walked in the hot summer in Chippiwada, Delhi for this purpose. All these difficulties you faced just to elevate us from material to spiritual consciousness. We, the conditioned souls are always busy in eating, sleeping, mating and defending were transformed by your teachings and engaged us in chanting the Hare Krishna Maha mantra which made a path for us going back to Goloka. This is all because of your special mercy on us who are suffering in this material world with threefold miseries.

I am so fallen that I am unable to chant 16 rounds of Hare Krishna Mahamanthra with utmost concentration and not able to spend quality time in reading your books. Please shower your blessings on me to follow your instructions and advance in Krishna consciousness. I am so lucky to be initiated as your disciple. By your teachings, you have explained the Past times of Lord Krishna in a simple way otherwise it would be very difficult for us to understand the Greatness of the Lord. Kindly shower your blessings on me to chant Hare Krishna Maha-mantra offenseless and participate in temple service often and taking association of the temple devotees for advancing in Krishna consciousness. Please give me the strength to take part in the mission of spreading this Krishna Consciousness to the people in general.

Yours Servant,  
Viswathma Dasa.

Dear Srila Prabhupada,

I offer my humble obeisances at your lotus feet. You came to this world to rescue the fallen souls who forgot the actual goal of their lives and give them eternal happiness and deliver these souls back to Godhead. You travelled across the world to preach Krishna consciousness all over the world. You travelled to America at the age of 69 in a cargo ship just because you were fixed to the word, your spiritual master told you. You travelled around the world 14 times, built 108 temples, made thousands of devotees and wrote 80 books in a span of 12 years between the age of 69 to 81 years.

Prabhupada, you faced many obstacles while spreading Krishna consciousness. But you never felt disappointed and kept faith in Krishna. You are so humble that after achieving this success in spreading Krishna consciousness throughout the world, you never took the credit to yourself and always praised your Guru Maharaj and the disciples behind the success. You are so merciful as you have taught people to love Krishna so easily compared to the previous ages.

Prabhupada I started doing 6 rounds of Hare Krishna Mantra daily. Please bestow your mercy upon me to improve the quality and quantity of chanting with utmost sincerity and regularity.

Your humble servant,  
Bhakta Achyutha.

Dear Srila Prabhupada,

please accept my humble obeisances. I came to Krishna Consciousness before 3 years. At that time I was chanting 1 to 2 rounds only. By going to ISKCON, I came to know the rules and regulations of life. By chanting and doing kirtans, now I am good at Krishna Consciousness. Now, I am doing 16 rounds of chanting daily. I pray to you that you continue to bless me with the desire to chant the holy names. I pray that I can have more and more of your association and that I can find some steadiness in my devotional life. I pray to remain your servant.

Your Servant,  
Bhakta Chetan.

Dear Srila Prabhupada,

Please accept my humble obeisances on the occasion of the 124<sup>th</sup> Vyasa puja ceremony. 10 years back once I have visited Chilkuru Balaji temple, After darshan, I am planning to return to my home it was 1hr journey to my home by bus, At that time I bought your book beyond birth and death in the temple. On my return journey, I read most of the pages of that book. It has changed my life to spirituality. It is like sowing seed in my life towards spirituality, before that I had no idea about spirituality. After 2 years I started chanting Hare Krishna maha-mantra, I stayed near to Lord Krishna ashram, used to attend festivals, used to have Prasadam, and visit ashram for listening lectures by Prabhu's. I heard Your audio & video lectures it was a very nice explanation and motivated me towards spirituality. Most of my questions were answered in Your lectures.

In 2016 I read Bhagavad Gita As it is and got inspired it was really nice. You have clearly explained each verse in detail with examples, so in the same year I read one more time the same book, Bhagavad Gita, I am very lucky to read your books. Many questions I got answers from Bhagavad Gita, Before reading this book I did not have any goal in my life just leading my life as usual. After reading Bhagavad-Gita and listening to your lectures, I had goals in my life. A few of my goals after reading your books are I should complete reading Srimad Bhagavatham .chant 16 rounds of Hare Lord Krishna Maha Mantra Every day, complete Chaitanya Charitamrita books, and follow 4 regulative principles. In 2017 I started reading Srimad Bhagavatham. Presently I am reading Srimad Bhagavatham 4canto 1 part. Reading Srimad Bhagavatham is a very nice experience. I am trying to read 20pages per day. Practically Srimad Bhagavatham is helping me in day to day activities and I am trying to implement it into my day to day activities. While reading Srimad Bhagavatham I am feeling like drinking amrita.

One of the best books which I read in my life was the only book Srimad Bhagavatham written by Your Divine Grace. I am very lucky to read Srimad Bhagavatham. Srimad Bhagavatham helps in real life how to live life in society and how to behave and how to practice devotional service and how to follow principles not blindly but with a purpose. You taught us vigraha aradhana, Hare Krishna temple gave us Nitai Gauranga deities, by serving deities love & affection towards Nitai Gauranga is increasing. Really I want to present 1000's of "Paadaabi vandanaalu" to Your Divine Grace for giving wonderful gifts to mankind in the form of lectures and books. Your books and lectures help us in progressing devotional service to Lord Krishna and increase love and affection towards Lord Krishna, the supreme personality of godhead, and help us not to fall down and continue in spirituality & how to lead spiritual life very easily. I am very much indebted to you and I can't repay myself to Your causeless Mercy.

Your servant,

Bhakta Gopi chander reddy.

Dear Srila Prabhupada,

Please accept my humble obeisances on the occasion of the 124<sup>th</sup> Vyasa puja ceremony. I bow at Your Lotus feet. You are the deliverer of the fallen souls like me. Oh my Gurudev, by your mercy, knowingly or unknowingly I entered into the service in Krishna Consciousness and slowly started Hari Nama, from 1 to 16 rounds ( having association around 12 years ) by the causeless mercy of Guru and Vaishnavas. I entered the 2nd stage of Varnashrama Dharma (Grihastha). I got a Krishna Conscious life partner by the grace of Guru and Gauranga. So kindly bless us that our life will go on, nicely engaging in the service of Vaishnavas and in their association. Please give me spiritual knowledge and strength to spread Hari Nama in my village at least and also give me intelligence and service attitude to grow further in the Krishna Consciousness life.

Yours most fallen soul,

Bhakta Guru Swamy.

Dear Srila Prabhupada,

Please accept my humble obeisances on the occasion of the 124<sup>th</sup> Vyasa puja ceremony.

O Gurudeva! you opened my eyes blinded by the darkness of ignorance with the torchlight of knowledge. After spending one year under your shelter I am feeling as a calf is living under the shelter of her mother. In this one year, I was facing problems with my parents, relatives, friends telling me to do the job outside and they don't like me practicing Krishna consciousness and working in the temple. I was always in a dilemma whenever I hear from them. But by your causeless mercy upon me, and Vaishnava association, Hare Krishna maha-mantra, Srimad Bhagavatam classes, Book reading are helping me to stay in the temple. I know how powerful Maya is and how weak I am so please protect this tiny jiva from clutches of Maya. Please help me Prabhu pada in attending Mangala arati, Gurupuja, Srimad Bhagavatam classes every day, and serving your lotus feet.

Dear Spiritual Master,

Please accept my humble obeisance. All glories to Srila Prabhupada. All glories to you on this auspicious day of your Vyasa-puja.

I am very fortunate to have the opportunity to write to you on the auspicious day of your appearance. You are the person who changed my life from harshness to peace. This is the 11th month in my Krishna consciousness. Since then to this date, there is no way for any misery or greediness about material things. All the changes that are happening are possible only by keeping your instructions in my heart and following them.

When I started practicing Krishna consciousness I doubted a lot that I have to face so many difficulties. Greed, miseries have been vanished by following Your teachings. Life has changed from dry tree to blossomed flowering and fruitful plant. Day to day your teachings have influenced me a lot and made me change.

Those changes made me a soul happy person. In that old age, you went to western countries and changed many into Krishna's way and started ISKCON and did great activities to make the bhakti movement great. All those great things attracted me and made me self realized and taught me what life is and how to lead a soul happy life and what is the essence of life. All these things happened only because of your instructions. In the past, present, and future, only you will be my role model for your dedication and bhakti. I sincerely pray in my heart to keep me in the right way always.

I know my spiritual master will never leave disciplined devotees. Thanks for changing my life from zero (miseries, lust, greedy, material happiness) to INFINITY (Soulful happiness, Krishna consciousness).

Your aspiring fallen servant,

Bhakta Venkat Bhuvan Krishna.

గురుదేవ ! ప్రస్తుత పరిస్థితిలో నాకు చాలా భయం వేస్తుంది ఎందుకనగా నాకు మృత్యువు వస్తే నేను ఎలా భగవంతుని చేరేది ఎందుకనగా నాకు ఇంకనూ హరి నామ దీక్ష దొరక లేదు. గత 9 సంవత్సరముల నేను మీ కృప వలన రాధా కృష్ణులు సేవ చేసుకుంటున్నాను. కానీ నేను నాకు తెలియ కుండ ఏ వైష్ణవ అపరాధము చేశానో, ఇంకా మీ దయ హరినామ దీక్ష రూపములో నా పై ప్రసరించలేదు. నా అపరాధములను క్షమించమని కోరుచున్నాను.

## Bhakta Vijay Kumar M

Dear Srila Prabhupada,

Please accept my humble obeisances on the occasion of the 124th Vyasa puja ceremony. Thank you for showering so much mercy on this fool number one who has been trying to serve you and your mission. This year because of your divine grace, I am habituated to chant 16 rounds of Hare Krishna maha-mantra at one go regularly. Also, I have picked up the habit of reading Bhagavad-Gita as it is regularly and Bhagavatam occasionally. By your kindness, I am also able to attend classes on Bhagavatam conducted by your disciples. Whenever I hear your lectures or your talks that are well preserved and documented by your devotees my understanding of Krishna the supreme personality of the godhead is becoming more and more clear. You presented the knowledge of Krishna in a very simple easily understandable way that even a fool like me is able to get the knowledge. When I hear you I am feeling that you are instructing and guiding me directly in Krishna consciousness. Thank you for your kind mercy.

I have not seriously followed and practiced religious instructions that have been coming in my family traditions but I have taken up the chanting of maha-mantra regularly with all sincerity since 2012. In a matter of 8 years, I feel a great change in me. I am able to understand and experience your blessings and mercy. Today whatever small progress that I have made is all because of your mercy. I am starting to feel that there is nothing more full filling than chanting Hare Krishna maha-mantra. By chanting I am experiencing that I am instantly charged up and feeling state of utmost happiness. Please accept me as your disciple in this life and if I have to still get born into this material world again please permit me to serve you so that I have a chance of going back to Godhead KRISHNA.

Your servant

Vijayakumar M.

Dear Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet. All glories to you on this auspicious appearance day of yours. Today I am sitting here to pen a few words for you. Your qualities and activities are so vast that they cannot be put into words. However, I am trying to put across my thoughts about you through a few words. Please forgive me if have not described you fully. You are a true acharya, who fulfilled the order of your spiritual master by spreading the message of Sri Chaitanya Mahaprabhu in spiritually dark societies, among completely different background people, with different belief systems, faiths, lifestyles, and with no material resources at your disposal. You are a marvellous leader who inspired and motivated lacs of people to take Krishna consciousness, changing them and their lives permanently. You presented Bhagavadgita as it is, Srimad Bhagavatam, Chaitanya Charitamrita and many other spiritual literatures preserving the originally intended messages of parampara spiritual masters in easily understandable modern-day language. You explained the sublime knowledge of Vedas (about god) in a very simplified manner and helped many people to realise the absolute truth and finally helped them to establish a relationship with the supreme, helping them to go back home, back to Godhead.

You established 108 temples across the world for future generations so that they can understand the science of the absolute truth, practice Krishna consciousness and distribute this knowledge to others. You introduced Rathyatras for the lord outside India, helping people to participate and experience the bliss of pulling the chariots amidst chanting of the Maha-

mantra. You translated the confidential Vedic knowledge in easily understandable English language and made sure that they are translated into other languages of the world so that people can understand the Supreme Personality of Godhead easily. Your literature is now accepted into academic curriculum in many colleges and universities across the globe helping students in understanding spiritual science. You established farm communities, gurukuls, ashrams, making people self-sufficient. Life has changed after coming in contact with your temples, literature, videos, audios, conversations, letters that you wrote to your devotees and devotees. Specifically, your 'actions' and your 'interactions' with people of different social, political, cultural backgrounds. Every 'action' is a 'lesson', be it cooking, preaching, singing, sankirtan, dancing, worshipping, feasting, large tasks like the constructions of huge temples, spreading of the Krishna consciousness to every corner of the world, etc. Every word you wrote or spoke is a message from Krishna. The more we read, the more we understand how to serve Krishna. You simplified the process of approaching Krishna. You showed how to be a true Vaishnava, how to serve the Lord in the simplest ways.

You helped people to take up the chanting of maha-mantra developing the love of godhead. Your transcendental qualities are countless. You are so merciful that you helped many fallen souls, absolving them of all sins. In this connection, when someone asked you as to why you suffer, you said "I have done one sinful thing. I have taken too many disciples. When the spiritual master takes too many disciples, then he must suffer the sins of his disciples". Further, you said ..." for the preaching purposes I am willing to take that suffering". You said for the sake of preaching, I will take too many disciples"(ref, Srila Prabhupada remembrances, yadubara dasa) With your blessings, I have taken up the chanting of 16 rounds of maha-mantra and am following all regulative principles prescribed by you. Still, I must improve a lot. I need your guidance and mercy to improve myself to the standards that you wanted in your disciples. Please give me strength and blessings so that I can understand Krishna still better; do my chanting of 16 rounds in one go, offence less, with loving devotion; taste the nectar of the holy names; do morning sadhana without deviation, and other services meticulously as per the requirements. I request you to use me in your and Krishna's service always, helping me to understand you and serve your mission.

Lastly, forgive me for all the offences that I have done at your lotus feet.

Aspiring to be Your Humble Servant,

Bhaktin Ramalakshmi.

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet.

It is because of your mercy that I am in Krishna consciousness from a very young age. You have shown the most supreme path for going back to Godhead.

You are so compassionate upon the fallen souls, who are suffering in this material world. The example for this is when you have established ISKCON temples throughout the world, your deities were installed in many temples when you were alive. Once when you were sick, a devotee came to you and suggested removing your deities but you replied that you came to this world to accept all the sins and deliver the fallen souls from this material world.

You have made many wonders in this world such as making devotees in atheistic and communist countries like Russia. You faced so many troubles and worked so hard by sleeping just a few hours a day to spread this Krishna consciousness all over the world. At present, I am chanting 6 rounds every day and I request you to kindly shower your blessings on me to improve my sadhana and permit me to be a part of this mission.

Thanking you,

Your humble servant, Bhaktin Siddeshwari.

Dear Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet. All glories to you on this most auspicious appearance day of your divine grace. Prabhupada really you are not a normal ordinary person, otherwise how could this be possible to spread Krishna consciousness in all over the world and established 100's of temples within 10 years of the time period in this generation where people believe in science more than god. Nowadays so many Sadhus are there to entrap in their own statements and philosophy. Really people are suffering which one have they have to follow to reach peace and permanent happiness but they won't get that. But Dear Prabhupada you are the only person to give practical examples of everything which anyone can understand your philosophy and importance of human life. Particularly one example that is "when you are walking besides grass lawn with your disciples, where the lawn is mixed with yellow and green grass. You asked one devotee why some grass is green and fresh, other yellow and dry. They told some answers it may due to heavy rain or improper nutrition something like that. You told that it is because of yellow one is detached from their own roots and green grass is still attached to their own roots and getting proper nutrition which helps for looking healthy and beautiful. Similarly, People are suffering more and more by detaching from our eternal place where we can get permanent happiness. Like that you gave so many practical evidence for any question which have raised by any intelligent person on this earth. Now in this age period [ kali yuga] we can't understand Vedic knowledge by our limited knowledge and can't follow the principles which are in Vedas. That's why You gave solution also for how to reach our eternal place to get permanent happiness and escape from this birth and death cycle. And that solution is chanting of this maha-mantra " HARE KRISHNA HARE KRISHNA KRISHNA KRISHNA HARE HARE, HARE RAMA HARE RAMA RAMA RAMA HARE HARE. This is a sublime method in arriving our Krishna Consciousness. You told that anyone can take part in this transcendental sound vibration. Even child can take part and dog can take part in this. There is no understanding of language of this maha-mantra. Really I was so fortunate to take part in this method by your causeless mercy. On this most auspicious day, I am humbly begging you that now I could able to chant 16 rounds and read your books. Now I wanted to attend Mangala arati and Bhagavatham class every day at any circumstances. Please give me the capability to attain this and progress spiritually, let me serve more and more, You and Your movement.

Your Servant, Bhaktin Susheela A.D.

## Hare Krishna Movement – Vijayawada, Andhra Pradesh

### Govinda Gopala Dasa

---

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet.

All glories to your kindness upon this insignificant disciple. All glories to you on this most auspicious day of your 124<sup>th</sup> Vyasa Puja.

*mukamkaroti vachalam pangum langhayate girim yat-kripa tam ahamvande shri-gurumdina-taranam*

*"I offer my respectful obeisance unto my spiritual master, the deliverer of the fallen souls. His mercy turns dumb into eloquent speakers and enables the lame to cross mountains."*

It's been almost 3 years that I had taken shelter at your lotus feet. Last year on Balarama Jayanti day I got 2<sup>nd</sup> initiation from you. As a full-time Missionary from HKM Hyderabad I came back to HKM Vijayawada to serve your mission with great faith and determination with the help of your beloved disciples. This year is the most unique year that our authorities took it as a challenge to preach your message to all the communities in Vijayawada through web resource mobility, Book Distribution, Youth Preaching and food distribution programs. By your mercy, I also want to help our senior devotees and try to expand this movement through all over Andhra Pradesh.

Last year 2<sup>nd</sup> November 2019 I came back to Vijayawada and by the guidance of my authorities, I am preaching for young students to enrich their lives also towards Krishna consciousness. I want definitely your causeless mercy on me, as it is stated in CC Madhya 19.151:

*brahmāṇḍa bhramite kona bhāgyavānjīva guru-kṛṣṇa-prasādepāya bhakti-latā-bīja*

*"When one receives the seed of devotional service by the mercy of guru and Kṛṣṇa, the Supreme Personality of Godhead, one's real-life begins. If one abides by the orders of the spiritual master, by the grace of Kṛṣṇa he is freed from service to the mind."*

As we are worshipping Sri Sri Nitai Gauranga by your mercy I am getting day by day attached to their lotus feet to worship them nicely and as you said we started improving the deity standards also. As you stated in Letter to Dinatarini -- Los Angeles April 25, 1973:

*"I am in due receipt of your letter dated March 29, 1973, and I have noted the contents. I have received also the photograph of Radha-Kalachandji and they are looking transcendently beautiful. Always keep to this high standard of deity worship, never become neglectful. Everything must be done very timely, and the temple must be immaculately cleansed daily. These things, cleanliness and promptness, are the most important points for deity worship, so be very vigilant in this way."*

So we want to follow your instruction strictly, and abide by your rules and be determined to reach the unique Goal (Krishna Prema) by your mercy. Once I have heard "A devotee life should always be with some discomforts". I want your glance on this quality which I would like to implement within me. Srila Prabhupada,

The glimpses of my previous anarthas are still visible in me and my behaviour, but I have firm faith in your teachings that they will vanish soon. The devotee's association and their external leadership qualities (internally they are humble) have given me exposure for all-round development in all directions.

Please bless me to develop a value for this form in the core of my heart. Please guide me and protect me Prabhupada. Life after life also kindly be my eternal spiritual master. Always aspiring to be like a lamb amid of your devotees and serve you with full surrender.

Yours most trivial servant, Govinda Gopala Dasa.

Dear Srila Prabhupada,

All Glories unto the divine lotus feet of my beloved spiritual Master saviour of the slaves of Maya.

I am one among them to whom you have given your divine shelter, showed the path and life of divine personalities. I thank you for your causeless mercy Oh!! Divine Grace and hope so in future too.

I thank you Srila Prabhupada from my deepest of heart for conducive habitat where I can engage myself in the service for your Divine grace that is nothing but my deliverance and reformation to the original constitutional position of servitude to the almighty father of all creatures.

Thank you Srila Prabhupada for allowing me to be with great Vaishnavas who are realized in themselves and walk on talk as per your guidelines and instructions. The most startle thing for me I came to know that I have already boarded the flight which goes Back to my original family and in that Nama Prabhu who is a son of Sacidananda plays a very important role and hope I may progress in that by your grace.

There are enemies(Anger, self-praise) might be hurdles on the journey but your first-rate empyrean pastimes with hippies to happies of the beginning days(specially Jayananda Prabhu, Brahmananda Prabhu) and their back down to your lotus feet without a tinge of self-aggrandizement inspire always to be at your lotus feet than mental to behavioural disturbances and agonies out of these enemies. It is just because your thread of compassion and love, keep hold fallen jivas like me who do not have even fraction of love to Lord Krishna or most munificent Mahaprabhu or deliverer of fallen Nityananda Prabhu or most merciful Nama Prabhu as well, but the ray of awakening love for them is in your divine mercy only if that bestowed all would be sown in the heart automatically.

If one wants to experience real pleasure and happiness, he has to cross the insurmountable ocean of mundane life, that is possible by seeking a bonafide spiritual master and get initiated from him (SB 11.3.21) but I could get a spiritual master who is the embodiment of all divine qualities without any endeavour that is out of your generosity and kindness for the depraved jiva.

If I look within, hardly I could find any divine qualities needed to serve a bonafide starling spiritual master(SB 11.3.24) who made us sit in the plane BTG. But all in all mundane wrangler attitude only of demoniac nature(BG16.4). As a most compassionate personality, you engaged me in some services so I seek your blessings to do them without engaging in gossiping and blarney stumbling activities which are of worldly category out of tedious mind. I hope the qualities that has to be developed after accepting a bonafide spiritual master (SB 11.3.23) could be developed by your grace and further act as per your outlined instructions.

In the last more than four and a half year, I could see many changes and reciprocation during services and my personal rejuvenation and progress in the spirituality by sadhana. I seek your blessings so that I can connect people with divine Nama Prabhu More and More and connect with your Divine Grace. I may hope the development of respect for Vaishnavas and their values in my life. In the Seeking of blessings from your Divine Grace to fulfil the greed of highest real self and its destination for me and others too.

Trying to be a menial servant of servant,

Maha Kratu Dasa.

*tasya tvam tamaso 'ndhasya duṣpārasyaḍya pāragam*

*sac-cakṣur janmanām ante labdham me tvad-anugrahāt*

“Your Lordship is my only means of getting out of this darkest region of ignorance because you are my transcendental eye, which, by Your mercy only, I have attained after many, many births.”

All glories to your lotus feet !!

My dear beloved spiritual master

Please accept my humble respectful obeisances at your divine lotus feet on this auspicious occasion of your 124<sup>th</sup> divine appearance.

Thank you, Prabhupada for giving me one more opportunity to glorify you and for giving me the best chance to associate with your senior disciples. Your glories are unlimited, it is impossible to describe all of them. You are very merciful and compassionate towards the most fallen souls like me who are rotting in this material world life afterlife in search of real happiness. But they do not know what is real happiness and what is the ultimate benefit for them. You are freely teaching them due to compassion.

You are so humble that even though you have the power to deliver all the fallen soul of three worlds still due to your humbleness you are mentioning in one of the purport “I think that even though I am crippled in many ways, if one of my disciples becomes as strong as Dhruva Mahārāja, then he will be able to carry me with him to Vaikuṅṭhaloka.”

Please forgive me for committing any offences at your lotus feet and your beloved disciples knowingly or unknowingly due to my anartas. Please bless me so that I can respect all the Vaishnavas.

O! My divine father, by your mercy everything is going well, But I am not able to put faith on your authorities. Sometimes I am not willing to accept their decision.

So Oh! My divine master, please bless me with all these qualities on this divine occasion

Prabhupada please give strength so that I can develop faith on authorities.

Prabhupada I am very egoistic please make me humble and meek just like Chaitanya Mahaprabhu says

*ṭṛṇād api su-nīcena taror iva sahiṣṇunā*

*amāninā māna-dena kīrtanīyaḥ sadā hariḥ*

Without your mercy, it is not possible. Please Gurudeva give me strength so that I can follow four regulative principles strictly. Please improve my Japa quality.

Please always engage me in service and give me knowledge and strength so that I am able to do that service because I am not qualified to do any services.

Please keep me always in an association of devotees and please don't allow me to go away from you and devotees.

Your most Fallen and struggling to become sincere disciple,

Raktaka Keshava Dasa.

All glories to my eternal spiritual master Om Vishnupada Paramahansa Parivrajakacarya Ashtottara Sri Srimad His Divine Grace Abhaya Charanaravinda Bhaktivedanta Swami Srila Prabhupada.

Please accept the humble obeisance of this most fallen servant at your divine lotus feet.

Srila Prabhupada, the divine system that you have established is so wonderful that if somehow or other anyone just sticks on it, he gets all perfections in spiritual life. But, being the most fallen, I occasionally become familiar to your divine system and commit so many offences towards the Vaishnavas, the deities and even towards your divine self. Oh the most merciful master, your divine self is the ocean of mercy. I beg you to pardon me for my countless offences, considering me the most insignificant beggar of your mercy. Oh patita-pavana Srila Prabhupada, you have come to this world to save all the fallen souls and I am the most fallen than all others, then how you may leave me alone suffering in this world without showing your mercy. Krishna is your property if your divine self once glances upon this fallen soul, It is quite possible to reach Krishna. As His Divine Grace Bhaktivinoda Thakura says in his Saranagati -

*kr̥ṣṇa se tomāra, kr̥ṣṇa dite pāro, tomāra śakati ache*

"Krsna is yours. You have the power to give Him to me." And also, It is said that-

*गुरू पारस को अन्तरो, जानत हैं सब संत। वह लोहा कंचन करे, ये करि लेय महंत।।*

All the great personalities know that "*As touchstone can transform iron into gold*", in the same way, the Spiritual Master can transform even the most fallen soul to a mahatma.

As nothing is unknown to your divine self, I am struggling a lot in the fight against the insatiable enemy known as lust. This enemy of mine is not letting me becoming steady in my spiritual life. Sometimes I feel enthusiastic and energetic in the spiritual life and sometimes very much nervous. I know it is due to lack of my seriousness to your instructions. So I beg you to take me serious in service and sadhana. Srila Prabhupada, without your divine guidance and your mercy I am nothing. As time is passing by, your divine mercy in the form of many new services is being bestowed upon me although I don't have the required qualifications. But with your divine guidance and your mercy, I can come out successfully even in the most difficult situations. As it is said-

*मूकं करोति वाचालं पङ्गुं लङ्घयते गिरिं । यत्कृपा तमहं वन्दे श्री गुरुन् दीन तारिणे ॥*

So, Srila Prabhupada, I being the most fallen, So I am qualified beggar to receive your mercy forever.

Yours most fallen servant,

Shyamrupa Dasa.

All glories to Srila Prabhupada.....

I offer my humble obeisances at the lotus feet of our spiritual master His Divine Grace A C Bhaktivedanta Swami Prabhupada. This is the day when we get the opportunity to offer our heart full feelings of gratitude in the form of words to our spiritual master. Although we know that we can never repay the debt of spiritual master.

You are the most compassionate person and direct representative of supreme Lord Sri Krishna. as Lord Krishna is unlimited, the glories of pure devotees like you also become unlimited. it is not possible to describe it fully in some of these pages or even volumes of books.

You have accepted persons like me under your shelter and trying to save me from the ocean of grief. you are the one who so nicely shown the path of perfection and made compatible to preach the same to others, that even materially affected person like me bitten by the snake of so-called modern materialism and their elements also got attracted to you and started

following your basic commands in the hope to progress to the path of eternity and joy, way beyond even reach and thought of great thoughtful people of this material world.

You saved me and continuously saving me. you are the one who became the cause of my slackening of the ropes binding to material instant enjoyment and taking into another world altogether which is alien to materialistic people and home to the spirit soul.

Your blessings upon me are uncountable. it matters a lot to me, although I can never repay for it. There is one nice small story in connection to this. Once a father and his son walking through the bank of a big water body and his father sees small fish on the bank and throws it back into water. then the son asks what is the benefit of this when thousands of fishes are lying on the bank dying? his father replied- yes! this does not matter to the thousands of other fishes but this matters a lot to this particular fish.

Similarly, this matters a lot for me that among millions and trillions of living entities you poured your mercy upon me and showed the path of real life. At this auspicious day of your appearance, as a beggar asks from a rich person for money, i would like to ask following things thinking that you will give it most mercifully from your treasure. -

Kindly always keep me under your shelter and reform me day by day.

Kindly bless me get power to follow the basic promise given to you on the day of initiation regularly throughout my life.

chanting minimum 16 rounds of Hare Krishna Mahamantra every day ( striving to do it soulfully)

no meat-eating, no intoxication, no gambling , and no illicit sex.

Kindly bless me to go beyond rituals and understand the mindset and desires of yours behind your instructions.

Kindly bless me to develop nature of prakruti and nullify the nature of false Purusha.

May I be able to remember Krishna as maximum as possible. etc..

Aspiring to be your better disciple, Subala Prana Dasa.

Dear Srila Prabhupada,

Please accept my most humble obeisances at your divine lotus feet. On this most auspicious day marking your divine appearance, I beg you to kindly allow me to become a speck of dust at your lotus feet. I am a very insignificant soul who joined your Hare Krishna Movement ten years ago and have been serving you ever since.

Your lotus feet are the refuge of all the conditioned souls in all the material universes. As each year passes and we get older, we better understand what you repeated thousands of times in your lectures: this material body, which covers our true self, is subject to birth, old age, disease, and death.

A very recent practical example for this: how, in the current so-called highly sophisticated and technologically advanced modern society, a very small bacteria named - corona virus- causing many disturbances in over the world. Even though death, which is the eternal reality of this material world. Because of your mercy, we are chanting Hare Krishna Mahamantra, the antidote that ensures that we don't have to return to this material world, again suffer threefold misery.

Srila Prabhupada, we will never be able to repay you for the blessing you have bestowed upon us to get us out of this material body and obtain Sri Caitanya Mahaprabhu's mercy. We prostrate ourselves at your lotus feet. May you continue to bless us so that we won't forget the goal of human life which is self-realization and Krishna consciousness.

Your most fallen and aspiring servant,

Vaikunta Narayana Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet.

We are happy to celebrate your 124<sup>th</sup> divine appearance day. Sometimes I feel if you have not entered into my life, it would have been pale and useless. Even though 10 years passed in the moment I still feel fresh and would like to serve your divine lotus feet without missing for a moment. Such kind of unlimited and unparalleled joy we get by serving your lotus feet. By adding Krishna into my life you made our life simply joyful. No one expects in the world that one can attain spiritual realization just by chanting, dancing and honouring prasadam. It is all because of your sacrifices and hard work.

By your mercy, our preaching programs are increasing exponentially. Now we expanded our services to 2 more locations Guntur and Eluru. In a short time, we have seen a very good response. All of them chanting seriously and curious about Krishna conscious philosophy.

This year we had a Vrindavan trip with a huge group and we had spiritually blissful and wonderful experiences with the sincere boys that you have sent. They are all chanted minimum 16 rounds and were eager to know Krishna's pastimes and joined in all Kirtans. First time when I have taken some boys to Vrindavan, I felt a little sad that they are not so much interested. But this time I felt like I am with my family members.

Last year in Vyasapuja celebrations I have asked you to give some soldiers to handle various services. You are so merciful that you have given not only just volunteers but even above that. Because you are adding sincere soldiers to your mission now I feel a little relieved and now some responsibilities are shared to new devotees also. It's all because of your mercy.

Srila Prabhupada, Even though I am unqualified you bestowed me with so many services.

Please bestow me the strength to handle your services more and more.

Please give me the intelligence to spread your mission of Krishna Consciousness.

Please give me the strength to balance service and sadhana.

Please guide me to come out of my anartas which are accumulated from time immemorial.

Please sanction us a temple project to expand our services and more and to reach to more no. of people.

Your eternal servant,

Vilasa Vighraha Dasa.

Srila Prabhupada,

Please accept my humble and respectable obeisances.

Thanks for giving us senior devotees like HG Madhupandith Prabhu, HG Chanchalapati Prabhu, HH Stoka Maharaj, HG Amitasana Prabhu, HG Satya Gaura Prabhu and many other senior devotees who are sincerely serving your mission and helping, guiding, inspiring and teaching us every day through their valuable lectures and association. Without out them, we are helpless to understand the philosophy in the right spirit and understand the intricacies to practice the most exalted path which is Krishna consciousness. Your teachings and by your mercy in the form of senior devotees who are pouring their understanding and realizations in an easy manner we are able to preach Krishna consciousness to the outside world.

I am trying hard to improve in so many aspects so that I can do more service to your mission, improving quality of Japa according to the instructions given by HG Madhupandit Prabhu in soulful Japa sessions, amend myself but I am utterly failing Prabhupad due to lack of commitment and lack of seriousness. Please give me your little mercy so that I will get the

strength to follow all these and not fall for any reputation, recognition and become puffed by pride and envy. I am ready to mould to in order become a proper Vaishnava but my only request is please bless me with the necessary strength.

Please “put me under the vigilance of your sincere and senior devotees who gives right guidance, who are caring and serving your mission seriously”, so that i can also imbibe those qualities and follow in their footsteps and become a good instrument in your hand and your created system and give my best service in order to spread your mission, this is my only request.

Thank you, Prabhupada for saving me from the last year incident. I was about to lose my right eye but due to Krishna's mercy and by your divine compassionate nature I was out of danger. According to my karma I should have experienced more suffering but actually what I received was a token of punishment, it is exactly proved in my life.

Thanks for giving us Soulful Japa sessions through HG Madhupandit Prabhu. We came to know many things, but still, there is a lot to practice, implement and follow, please bless me so that I can practice and implement at all those instructions

Please continue to bless me by engaging me in the glories mission of Sri Chaitanya Mahaprabhu, I wholeheartedly praying you for this.

Thank You Srila Prabhupada

Aspiring to be your disciple,

Dear Srila Prabhupada,

Please accept my humble obeisance unto your divine lotus feet. All glories unto you on this most auspicious appearance day of Your Divine Grace.

You have given me a way to reach Krishna through your valuable books and you are making our direction towards Krishna as a father, who helps his child to walk with his own hands. By your mercy, I was able to increase my chanting rounds and reached 16 rounds every day. But I was not able to keep it consistent. Please help me to be always attached to you and your servants, as a servant, and allow me to participate in the Krishna consciousness movement. I beg you to give me the strength to take all austerities in serving your mission. Please forgive my offenses, and give me the intelligence to carry out your orders under the shelter of your divine movement in the association of your sincere devotees.

Dear Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet. All glories to you on this most auspicious appearance day of Your Divine Grace.

When I heard about Personality Development classes at the Hare Krishna Movement, I had some curiosity that I would be going to learn something. At first, I thought that it was, as usual, a personality development where we learn soft skills. But my assumption was wrong after attending some classes. It was totally interesting and helpful. It changed my thought process, I wanted to know about the spirituality So, I attended events conducted by HKM which were very helpful to me. Chanting Hare Krishna mantra gives mental relaxation it is an awesome experience, I am going to attend all future events conducted by HKM.

On this most auspicious day, I humbly beg you to continue to shower your blessings on me to make me an instrument in serving your mission. Prabhupada, your glories cannot have a full stop, just putting comma to continue further. Begging to remain under the shelter of your lotus feet at all times.

Aspiring to be Your humble Servant,

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet.

I have been chanting 2 rounds of Hare Krishna *mantra* for the past three months. From this year onwards I will be chanting at least 4 rounds of Hare Krishna *mantra* regularly. Thank you Srila Prabhupada for giving me the Holy name to descend on my tongue. I learned from *Bhagavad-gita* that I'm not the body, I'm spirit soul. Please give me to understand and realize this knowledge. Please engage me more and more in devotional service. Thank you Srila Prabhupada for accepting me as your disciple.

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet.

Prabhupada, I don't know anything about Krishna consciousness before I came to HKM. I am staying in folk Nivas from the past one year. Because of staying in folk Nivas, I learned many things in both spiritual and professional life. In the last one year, I faced so many ups and down's but didn't miss in *sadhana* by your mercy. Please keep me under your protection and empower me to chant attentively and follow regulative principles more strictly. Srila Prabhupada, keep guiding me so that I don't go astray from your instructions and your divine plan. I have no doubt that you have been guiding me and will continue to guide me. My only fear is I should not miss to recognize that and be grateful to you at last. My dear Spiritual master, kindly give me more strength to remember and to improve my Krishna consciousness. I am begging you forgiveness for my mistakes, and be merciful on me.

Your servant,

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet.

I have been chanting Hare Krishna *mantra* from the last 2 months. After chanting Hare Krishna *mantra*, my mind is being away from all the distractions. Because of your hard work, I got Hare Krishna *mantra*. So, you left all the comforts at the age of 70 and went to the US to spread the message of Krishna. Because you performed this hard work at the age of 70, I am receiving the benefit of Hare Krishna *mantra*. From the *Bhagavad-gita*, I learned to come out of all the problems of life through Supreme master. Thank you Srila Prabhupada for accepting me as your disciple.

Your Servant,

Bhakta Bhargav.

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet.

All glories to you on this auspicious day of *Vyasa-puja*. It is just because of your causeless mercy Prabhupada that I came in touch with this Hare Krishna Movement one year back. Association of devotees is the most wonderful thing I never had in my life. Even though I haven't seen you physically in this world but your presence is strongly felt through your books and teachings about Krishna consciousness activities wherever happening. You are the only one who made us understand that we are suffering.

You not only show us the goal but also have shown us the path to achieve it. Only because of your mercy that I was able to follow some of the instructions and this is the best thing I have received in my life. I will try to follow the 4 regulative principles and chant Hare Krishna. I thank you, Prabhupada, and all devotees for helping us in trying to reach out to the lotus feet of Krishna which is easy if we totally surrender to Krishna.

Your Eternal servant, Bhakta Bhargav.

All glories to my Spiritual master, A.C Bhaktivedanta Swami Srila Prabhupada,

I pay my humble obeisances unto your lotus feet. Upon paying obeisances to you I feel like paying obeisances to Lord Krishna because you are Prabhupada means who attained Lord Krishna's lotus feet.

Prabhupada, by your merciful glance this insignificant soul has got a chance to begin his spiritual life and every day experiencing new realization in spirituality. In this one year of my Krishna consciousness life, I have achieved a lot. All the auspicious moment what came to my life because of your causeless mercy. Whatever time I got in service of the Lordships

of Krishna and you, came by your blessings. As the representative of Srila Vyasadeva, you have lucidly explained the original teachings of Srila Vyasadeva in your Bhaktivedanta purports for the benefit of all conditioned souls. Your purports make the most difficult philosophy easy to understand even for the common man.

The *Srimad-bhagavatam* explains that there are two classes of men in this world – the Crow class and the Swan class. The Crow class of men is attracted to the rubbish literature which is filled with topics of material sense enjoyment. The Swan class of men takes interest in the nectarine spiritual literature which contains the glories of the Supreme Lord and His pure devotees. Your actions of following your Spiritual master's ideas by spreading Krishna's mercy to people of all parts of the world through incorporating ISKCON temples and mixing up western culture so that western people can better understand not only western people but also the great culture of *Sanatana dharma* is amazing.

Probably, I could never understand how Spiritual master favors his sincere disciple, but I could see the strong impact on me and everyone's life that has transformed them into better human beings and started their real journey towards their ultimate goal. Now, my only desire is that no forces in this world should shake my determination and take me away from serving you. O Prabhupada, please accept my sincere and respectful obeisances again and again.

Your servant,

Bhakta Bhavani Sankar.

My dear Srila Prabhupada,

Please accept my respectful and humble obeisances unto your divine lotus feet.

First of all, I thank you Srila Prabhupada for showing me the actual path, the real goal of life, and for making me a servant of the servants of the Lord. I thank you Srila Prabhupada for helping me in finding the thief who has stolen my heart. I thank you Srila Prabhupada for giving me good association with the devotees which made my life complete. You have shown me what is good and what is bad, what is the actual *bhakti*, and how to serve the Supreme Personality of Godhead. I have even learned how to glorify the Lord by *kirtanas* with your blessings. My mind is like a monkey, Srila Prabhupada, it is jumping here and there. I thank you for always holding my hand and giving me a very good slap every time it gets diverted into the wrong path.

I sincerely request you Prabhupada, not to leave my hand in any situation. The only thing I can give you in return is by doing nice *japa*, follow all the rules and regulations which you have instructed, and continue to serve Lord and His devotees. Prabhupada, you are not only like my *adhyatmika* Guru but also like my *adhyatmika* father. Please forgive me If I have done any mistakes. oh, Srila Prabhupada! oh, Guru! oh, the savior from the birth and death cycle. Oh the dearest of Lord Krishna, please make me much more sincere in the service of the Lord and his devotees by next *Vyasa-puja*. Dear Srila Prabhupada,

All glories to my spiritual guru Srila Paramapujya Bhaktivedanta Swami Prabhupada,

Please accept my humble obeisances unto your lotus feet.

Being a materialistic demeanor, I use to assess my life success only in the direction of professional achievements. The word 'transcendental' is a real game-changer in my life. ISKCON made me realize the transcendental importance of the 'soul'. A

few months back I started chanting of Hare Krishna Maha-mantra. I was continuing with 4 malas but after having the good opportunity in COVID lockdown I increased chanting to 16 malas. Surely, It has become possible by your divine blessings.

First, let me thank you for pulling me out from the ocean of materialistic happiness with your graceful arms and allowing me to sail in your boat of 'Krishna consciousness.' You made me realize the importance of doing japa, attending Mangala aarti reading Vedic Scriptures, and above all the importance of Vaishnavas and cows. Oh, my eternal Guru kindly forgive my mistakes and guide me towards the path of bhakti in the association of Vaishnavas, with your grace let me sail with your devotees.

Your humble servant,

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet.

Actually I have a typical mentality, unstable mind, can't stand on my own decisions. Because of such a mentality, I faced so many problems with myself. But after association with devotees (your disciples) I learned how to have a stable mind and how to stand on a particular thought. And after I started chanting Hare Krishna *Maha-mantra* my whole lifestyle changed, I overcame all of my bad habits (Drinking, Meat eating and arrogant behavior).

From childhood itself, I have so many doubts about the existence of God, His form, and all creation. I always wanted to find answers for these questions, because I'm a science student sometimes my subject convinced me that creation is just an unfortunate chemical reaction. But how far you may study this material science it ends at a point (Big bang theory) and I wanted to know beyond that. I strongly believed and felt so many times that God was there, but how to find Him??? How to prove Him???

In this *Kaliyuga*, so many fraud theories, duplicate Babajis and finally no. of Demigods, Whom to believe? Who to follow? These are the doubts that arises in my mind and my friends. But you are our hero, you have shown the ultimate path to follow and to approach the Supreme Personality of Godhead. By your mercy, now I am chanting 16 rounds daily and my parents are very happy because of me, they too started chanting recently and the main thing is after coming to your association I became very healthy (previously I was suffered from many health problems). Now I am very happy this is all because of you.

But still, I did not have 100% control over my mind when it comes to lustful things, and I promise from now on I will keep my full concentration on chanting and book reading. Please accept me as your disciple, I want to serve You and Lord Krishna. Jaya Gurudev, Jaya Srila Prabhupada.

Aspiring to be your servant,

Bhakta Chandra Sekhar A.

Please accept my humble obeisance at your divine lotus feet.

All glories to you on this most auspicious occasion of the appearance day of Your Divine Grace.

Prabhupada, by your merciful glance this insignificant soul has got a chance to begin his spiritual life and every day experiencing new realizations in spirituality. It's been one year to me after joining the Krishna consciousness life, this is because of your causeless mercy. You had given so many simple ways and secrets to us to enter into the spiritual world. We realized that soul is the dear servant of Lord Krishna. You have given so many books of spiritual truth about the Supreme Lord which we can understand in a simple language. You have given us *kirtana*, *prasadam*, teachings of *Bhagavad-gita* by that we can make ourselves pure, and help us to go back to Godhead.

I had learned so many good things by joining in the Krishna consciousness movement. In the future also please give me the opportunity to serve you. And provide services to me to serve Lord Radha-Krishna Chandra. Please forgive me for my offenses and give me good intelligence to carry out your orders under the shelter of your divine movement in the association of your sincere devotees. I have started taking very small baby steps in my spiritual journey. Till the end of 2019, I didn't know about your Divine self. The day when I met the first time with one of your representatives at our college, conducting spiritual sessions, I came to know about the glories and sacrifices that you have done to build the ISKCON Society – an ocean with beautiful fish like devotees all over the world. I am very fortunate to be a part of the activities of ISKCON like one among the fishes in the ocean. Srila Prabhupada, I beg for your mercy to progress in my spiritual life.

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet.

I associated with the Hare Krishna Movement full of joy and more enthusiasm by the invitation of your representatives. Before Joining Folk, I was a little bit worried about my future, Family, and studies. But after associating with your mission I am not at all looking at it. My behavior, respect, and everything changed and I am respecting all human beings as you said. My life turned by reading your books. In *Bhagavat-gita* it is mentioned as "Having knowledge is different than using the knowledge," and I completely understand it now. I am using my knowledge in your way only.

Early days I used to chant irregularly then I attended an event in HKM Vijayawada because I got more enthusiasm by associating with your disciples. In that event, a drama was played. That is Ajamila Story. I liked it and from that time I got more faith in Holy name. Then I started chanting nicely. Your representatives regularly motivated me to do chanting and read some of your books. So slowly I started doing 2 rounds of Hare Krishna Maha-mantra and now I am chanting 4 rounds of Hare Krishna Maha-mantra regularly. I am always willing to know to Supreme Lord's creations and magics from your books daily. My sincere gratitude to you, Srila Prabhupada. A Guru is "Only those who aspire to the delight in the truth can function as a true Guru for us and we make our ignorance to a more enlightened understanding." Thank you Srila Prabhupada for helping me in knowing the truth.

My dear Srila Prabhupada,

Please accept my humble obeisances, all glories to your lotus feet.

Thank you for your appearance in my life. Thank you for your folk Nivas where my regular *sadhana* happens. I don't know anything about Supreme Personality of Godhead before coming in touch with Hare Krishna temple (HKM). After your

divine presence in my life by folk and Sri sri Nitai-Gauranga mandir, I realized about human form is meant for service to Krishna and to go back to Godhead. After coming into folk Nivas gradually my materialistic desires are reduced by attending classes (regular association) of *Vaishnava* devotees and morning *sadhana* including your *Bhagavatam* classes. I realized my self by chanting Holy name of Hare Krishna *Maha-mantra*. Initially, I was unable to do my chanting due to my regular busy schedule of the job, but only because of your presence (mercy) now I am able to maintain my *sadhana* and work without any disturbance. I am improved my *sadhana* level like chanting from one round to 4 / 5 rounds regularly without deviation. Because of the regular association of devotees and their classes, I am inspired well and those are the powerful spiritual boosting, which helped me a lot to achieve and maintain my life in the right path. Please forgive me if I committed any mistake /sin in doing my *sadhana* and services to Lord and devotees. Please be my savior and guide me to Lord's service.

Oh! A pure and lovable devotee of Krishna. Thank you very much for providing this spiritual path to me in this life. Due to your Divine grace, I can be able to know who I am and what is the purpose of my life. After come in touch with your association I learned so many things related to spirituality. When I joined folk, authorities told some rules and regulations. At that time I was not able to follow it perfectly. But when I started doing services and taking Krishna *prasadam*, it has become simple to me. After that, I am very happy to participate in festival programs and *sankirtana* events. I am very much pleased to do book distribution. I am indebted to you forever for providing this opportunity. Many teachers came in my life, you are very special to me among them, Because 'No gain is better than Spiritual master's grace.' Your words, your actions, and your thoughts shall always remain with me. May your fame spread all the three worlds. Dear acharya Srila Prabhupada,

Please accept my crores and crores of obeisances unto your lotus feet.

Initially, I don't know much about you. Later when I was watching youtube videos about ISKCON, unexpectedly I have got an opportunity to joined a trip to Simhachalam organized by Hare Krishna Movement Vijayawada. I have taken my parent's permission for this trip. The morning bhajans which are conducted on the train gave an unparalleled experience and happiness to me. Games we played and the pastimes we heard gave me so much happiness.

My guru used to say one thing it is very difficult to get an association of great sages. You gave such kind of great association to me with Hare Krishna Movement. When I see many of my same age friends not worried about God Conscious then I used to doubt either am I going on the right path? Or it's my weakness. But Hare Krishna Movement has cleared such kinds of doubts by showing people who have dedicated their life for God Consciousness and gave unparalleled happiness to me.

As Shankaracharya appeared while the religious principles are declined, in the same way, Sri Paramahansa Bhaktivedanta Swami Srila Prabhupada also appeared. For him my respectable obeisances unto his lotus feet.

Your servant,

Bhakta Harsha.

Please empower me for doing more service to your mission and devotees wholeheartedly without offenses. I am very happy to write this offering on the account of the 124th *Vyasa-puja* ceremony. This is one of the important years in the journey of my Krishna conscious life. By your mercy, I have got an opportunity to visit Vrindavana *dhama*. The experience was wonderful. Thank you for your causeless mercy on this most fallen *jiva*. By your mercy, I again got an opportunity to have *darshana* in so many temples( Simhachalam yatra, Chennai Ratha yatra, Hyderabad yatra, Vrindavana yatra). The happiness that I got during the book distribution is unforgettable. The association with the devotees made to increase my faith in Krishna and you. Kindly shower your causeless mercy on this most fallen and rotten soul so that I will be protected from the effects of *Maya*. Since this world belongs to *Maya*, effects are also more. But due to your mercy, I am still in the movement. Kindly pick this fallen soul and always keep at your lotus feet which is the safest place in all the three worlds. Kindly empower me to follow your instructions strongly and protect me from all the evil effects of *Kali* and make me steady in Krishna consciousness. Dear Guru Maharaja Srila Prabhupada,

Please accept my humble obeisance. All glories to Srila Prabhupada. All glories to you on this auspicious day of your *Vyasa-puja*.

I don't know how to offer and how to show my heart's feelings, but you have given me the enlightenment over Dark. 'Guru' the most beautiful and respectable word that comes from anyone's mind. Your little smile removes the shades of Ignorance and *Maya* and filled up with generous and kind. There are none and nothing in the universe that equals to Guru and his deep blessings. All crests and troughs are shown on us to make us brighten and strengthen to bare any circumstances.

You have chosen me and made me the best. The beautiful gift that I have and I had is your blessings. With your support, I created a small spiritual world and chant Hare Krishna. The word 'Krishna' made me brave and face the hard situations. I have learned many things with your grace. I have no words and sentences to explain your kind-hearted wishes towards me. You have given me the best path to succeed in the spiritual world with an unbeatable word 'Krishna'. Things may change, Places may change but your unshakable blessings won't change. I would like to be with you, my dear Spiritual master. If there is a loss of my physical contact, my soul will be with you and will serve you. I concluded my words with a pen, not with a soul.

Dear honorable Srila Prabhupada,

All glories to you. Please accept my humble pranam at your lotus feet.

Thank you so much for giving me this nice opportunity to write something for you on the most auspicious occasion of the appearance of Your Divine self. I am very happy to tell you that I had gone to so many so-called spiritual institutions for so many years, in want of real peace and to know about the real goal of my life. I have seen their false adorations and false promises. But none of them could give me real peace and nor I could understand what is the real goal of human life, nor that how to live in family life with God consciousness. Before 7th June , 2020 my all doubts were unanswered. By the divine Grace of Lord Sri Krishna and your mercy, On 7th June,2020, I spoke to one of your representatives about my doubts and asked him some guidance. He explained about the authoritativeness of your institution and unauthorized so-called spiritual societies. It sounded good for me. I thought that this is the place where I can get all my doubts cleared and also can know how to lead a perfect household life according to Vedic principles. Since then I am trying to follow your divine instructions along with my family and two young sons. I and my sons chant Hare Krishna *Maha-mantra* every day. Srila Prabhupada, we need your blessings to improve our spiritual practices in our lives. Please be merciful to these fallen souls. It is Guru only from whom one gets the knowledge about Lord Sri Govinda. May Lord Sri Krishna grant me a place at the lotus feet of His Divine Grace A.C Bhaktivedanta Swami Srila Prabhupada.

Prabhupada, You are so merciful that you have left your home (Goloka Vrindavan) and came to this material world to take us (fallen souls) back to our original and permanent home. You gave us a luxurious ship to cross this material ocean(Chanting of HARE KRISHNA Mahamantra) and you also explained about the difficulties that we may face (MAYA) in your books, and this book resembles your presence in this world. Like a small child catching his mother's little finger we fallen souls of this world catching your dhoti(lotus feet) will reach Goloka Vrindavan. You have given us Sankirtan which gives the feeling of Lord Krishna present in front of us. I think I am very much lucky to find a genuine spiritual master like you in this material world which is fully contaminated and filled with fake personalities. By your mercy even small devotional services I feel like a big change happens in my life. But sometimes I will be severely attacked by Maya, by doing some wrong speculations. Please don't leave this most fallen soul in this material world. Please help me to cross this material ocean full of miseries in this very life itself and also keep me in your mission to serve you.

Dear Srila Prabhupada,

My greetings to the most merciful, thoughtful, gracious, and loving Spiritual teacher.

It is indeed my fortune to be born and be blessed as your disciple. For you, I am ready to untie all worldly pleasures. There is nothing as great as to be united with you, at your lotus feet, and engage in your service. With great firmness of devotion and love which I have towards you, I hope you accept my loyalty. I am indebted to the faith, love, and devotion that you have installed in my heart and soul. I pray to you with great sensibility to guide me through the dark shadows of the mysterious riddle called life. My life is always obligated to you and to your devotion. Allow my service at Your lotus feet. Allow me to reconcile with you to be able to pay back the debt I have at my doings and sins. The fact it is that it is impossible to pay you back but I will not hesitate to make an effort, even though I don't possess the caliber. I will consider myself blessed to have a tiny place at Your lotus feet, in order to permit my service. I surrender my heart, my faith, my love, and my soul at your lotus feet, they tend to reach transcendence when they are at your lotus feet. This life that I have been gifted with, is yours. O Lord, you have supreme power over me. You take it or let me have it as per your rules. No joy is greater than reconciling with Lord Sri Krishna.

Dear Gurudeva, When I surrender to you: my mind is reliable, my thoughts are direct, my accomplishments are worthy, my sacrifices are notable, my behavior is flawless, my ego is lessened, my love is selfless my body is fit and my judgment is prudent. These qualities that I possess from your guidance helped me to withstand the darkest days of my life and break free from the antagonist in my way. Clearly the knowledge you have passed on, are worth learning and implementing, to reach the highest standards of living. Dear Srila Prabhupada, please give me the strength to be firm at my decisions and help me act wisely.

Protect me from worldly evils and desires that might prove to be catastrophic to the devotee relation I have with you. Ashes to ashes, we are born from dust and thus return to dust, in this period of life span, I beg you to shower your blessings upon me, I beg you to show mercy and forgive the sins which I have done knowingly or unknowingly, I beg you to accept my service, faith, and love, for me to be strong and solid, provide me the strength to assist the needy and help me to spread your greatness or preachings or kindness to others in order to convey what happiness and peace they are missing in their life by ignoring Krishna's graceful presence.

Please accept my humble obeisances at your divine lotus feet. All glories to you on this most auspicious appearance day of Your Divine Grace.

By your merciful glance, this insignificant soul has got a chance to begin his spiritual life. I am attending *mangala aarti* daily. In this one year of Krishna consciousness, I achieved and improved a lot like chanting, book distribution, and *prasadam*, etc. Within 8 months I reached chanting of 16 rounds daily. By chanting Hare Krishna *mantra*, we can clean the heart and mind. Simply by reading or hearing one line of your quote can change the heart and the mind. You are the Ideal Acharya because you explain everything about spiritual life. It is very beautiful about how a materialistic person can transform into spiritual life. It is very absolute. In the last 2 years, my life is too sad, boring. After coming to Hare Krishna movement my life is so happy and peaceful. On the various auspicious and important occasions like Krishna *Janmastami*, Gaura Purnima I served as an instrument in serving your movement. Please give me blessings to take all austerities in your movement and also give me the intelligence to carry out your orders. I am always in the service at your Lotus feet.

Your servant,

Bhakta Manoj .

Dear Srila Prabhupada,

Please accept my humble obeisances.

In this age of *Kaliyuga*, everyone is under ignorance (*Maya*). You came in my life as divine light, At once I realized that my ultimate happiness resides only to progress on the spiritual path by following the spiritual principles. I somehow started my journey with the association of devotees but again and again, difficulties are coming into my path because of *prarabdha* (past *sanskaras*). I want to make a strong desire for spiritual growth. I experienced that I am running on a treadmill by fulfilling the material desires. Please bless me so that I can get enough strength to follow strictly the 4 regulative principles and do chanting nicely, always be merciful unto me, and guide me so that I can serve you with my best possibilities.

Your insincere servant,

Bhakta Mohit Soni.

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to Srila Prabhupada. All glories to you on this auspicious day of *Vyasa-puja*.

I'm one of your humble countless Servants. Please accept my gratitude for your words through your books which enlightened me into Absolute Truth. My understanding of the world and Supreme Lord Sri Krishna was utter misconceptions until I got a chance to surrender unto your lotus feet. Now, with your causeless mercy, I could have the privilege of understanding and reviving my relationship with Krishna to a little extent. Without transcendental knowledge you blessed us with, we could never understand that we are not this body. We could never be fully convinced of the existence of God ( although we may have blind faith). We could never understand what should be our goal, and why we came here and suffering. In fact, we would never have understood that we are actually suffering and rotting in this world ( Just like a goat never bothers that it gets slaughtered). We could have never come to understand that Krishna is the original source, without your help we were sure to be misguided amid so many (ir)religions. We could never have a house in which, Krishna is center and we are sure to honor *prasadam* all the time (FOLK). We could never have a chance to perform loving service to Sri sri Radha-Govinda.

We could never even perceive happiness in jumping and dancing before Sri sri Radha-Govinda. We might almost miss the chance to understand *Bhagavad-gita* as it is. We might never understand glorious *Srimad-bhagavatam*. We could never have stopped believing modern science blindly. Without your firm instructions, it's almost impossible for us to wake from the lap of *Maya* so that we can engage in loving service to Krishna. Your contribution to the human race is *Na Bhutho Na Bhavishyati*. O, Master! I'm the most fallen conditioned soul rotting in this material world searching for peace and happiness in the material world like a blind man. You gave sight of knowledge to me with which I can see this world is full of misery. I've been betting on my mental concatenations to attain perfection. You have shown me the authentic instructions of Krishna! That saved me millions of birth-death cycles that I might need to go through to come to perfection. You are the ray of hope for us to come out of this mist of material nescience. You are the guiding captain to sail us out of this turbulent material ocean. With your causeless mercy, I'm now enabled to render loving service to Sri Sri Radha-Govinda, although I'm fool number one.

Yes, there is a lot more to learn about Krishna, there is a lot more *sadhana* I should do to attain Krishna. For sure, I do not believe in my strength for my growth spiritually as they are material and non-stable. I solely depend on your Mercy for my advancement. I beg your pardon for the mistakes/offenses I've committed during my *sadhana*. Please help me achieve the goal of my life: Krishna Prema.

Your humble servant,

Bhakta Nagendra.

Dear Prabhupada,

I pay my humble obeisance unto your lotus feet.

By your benevolent grace, my tongue is enjoying the sweetest taste of Harinam. You made me realize how great is the *Mahamantra* in removing all my sins and making me closer to the Supreme Personality of Godhead. You have shown how good is chanting the name of Lord for being repelled by all negative thoughts of this material world and get attract continuously towards Krishna. I am so grateful that you have enlightened my ignorant mind with your books. I am able to rectify myself in every aspect through your writings. Every time I read any of your books, I could grab many statements that could make my life more blissful. You gave me the courage to face all difficulties on my path to reach Krishna through your lectures and classes. I understood the Nectar of devotion and serving the Lord from your words. You made me learn how to defend myself from the clutches of *Maya* in order to balance my spiritual life. You made my life fill with Krishna consciousness which lasts forever. Moreover, I am thankful to you for turning yourself into a bridge connecting me to the Lord. I offer my respectful obeisance to you for being a great Guru and making me plight from the darkest ignorance of this material world.

Dear Prabhupada,

My obeisance at your lotus feet.

Srila Prabhupada, by reading your books I could know more about Lord Sri Krishna and engage myself more in devotional service. I often do services in the temple, that gives me peace and happiness. I read your biography and by that, I could realize you are a great personality and pure devotee of the Lord. I often meet devotees who encourage me to do more devotional service and Chant 16 rounds of *japa* every day. Discussions with devotees increase my faith more and more in your teachings. I am convinced about going to Goloka Vrindavana after doing services in the temple and following your teachings. It is your mercy only I could come to know about Lord Sri Chaitanya Mahaprabhu who is none other than Krishna Himself who appeared in the form of a devotee. It is your blessings only by that I am able to chant every day 16 rounds of *japa*, follow four regulative principles, and take *prasadam* every day.

Your Servant,

I pay my pure heartly pranams to Bhaktivedanta Swami Srila Prabhupada,

The globally wide spread Krishna Consciousness movement what we and others are experiencing right now is nothing but the result of the seeds sown by you, which was the main intention of your spiritual master (Bhaktisiddhanta Sarasvati Goswami Maharaj). Specifically your efforts made in western countries to realize about self, truth of the life, and eternity are great.

The real concept of Bhagavad Gita was revised in such wonderful way to feed the ignorant people in getting pure/true essence of the life.

Your proposal of chanting Mahamantra "HARE KRISHNA HARE KRISHNA KRISHNA KRISHNA HARE HARE, HARE RAMA HARE RAMA RAMA RAMA HARE HARE" brings a great progress in our lives, cleanses our minds and transformation from temporary recognitions like race/religion/nationality to understand ones true identity as a pure/eternal living being. It also frees us from the cycle of birth and death, the ultimate goal of the human race/life.

The concept of nagara sankirtan makes all the other people joyful who are away from Krishna and transcend their lives by knowing the eternal truth of the life.

It is an endless topic to describe the greatness of you and very difficult to mention in few hundreds of lines. I always need your blessings and shower your blessings always on all the people nearer and also far away from Krishna to progress their lives.

Your servant,  
Bhakta Omkar A.

Please forgive my offences and give me the intelligence to carry out your orders under the protection of your divine movement in the association of your sincere devotees.

Begging to remain under the shelter of your lotus feet at all times and aspiring to be Your humble servant.

*girim yat-krpā tam ahamvande śrī-gurum dīna-tāranam*

*“By the mercy of the Guru, even a dumb man can become the greatest orator, and even a lame man can cross mountains.”*

I am very happy that we are celebrating your 124th appearance day. By your mercy I got an opportunity to serve at HKM Vijayawada, please give me strong determination and potency to stay back in the Krishna consciousness. This year I am

very happy because I got the Flower Decoration service to Sri sri Nitai-Gauranga every week. I am able to take *darshana* of Lord regularly and get the devotees association. Prahlada Maharaja is recommending the following process to his friends:

*“One must accept the bonafide Spiritual master and render service unto him with great devotion and faith. Whatever one has in one's possession should be offered to the Spiritual master. In the association of saintly persons and devotees, one should worship the Lord, hear the glories of the Lord with faith, glorify the transcendental qualities and activities of the Lord, always meditate on the Lord's lotus feet, and worship the Deity of the Lord strictly according to the injunctions of the sāstra and Guru.” (SB 7.7.30-31)*

I pray to you to always give me the proper intelligence and guidance while doing my services. Please protect me I do not become proud and I always remain your humble servant of all the *Vaishnavas*. Unless you bless and train me to slap my brain with a big shoe when it is going attracted to *Maya*, I am hopeless. Please give me the strength to do devotional service and *sadhana*. Please bless me to read and understand the knowledge given by you through your books. Prabhupada, please bless us to get a grand temple for Sri Radha-Krishna Chandra and Prahalada Narasimha very soon in Vijayawada and bless me to serve at their lotus feet daily and achieve my real goal.

Your most fallen and insignificant servant,

Dear Srila Prabhupada,

Please accept my humble obeisances

Being a student I am very enthusiastic to learn things. When I started to attend sessions I acquired knowledge on spirituality and how important to chant. Chanting changed the way I think. I also got a way to reduce my anger and began to be calm and present. And the tours to various "Dhams" especially Simhachalam yatra made a great change in me. I used to enjoy all kirtans and prasadam. I am very lucky to be part of 'HARE KRISHNA MOVEMENT'.

All Glories to my dear Guru Maharaja. Please accept my Pranam.

Dear Srila Prabhupada, I have no words to praise your lotus feet. You have always protected me when I stepped out from my regular *japa*. I could see your encouragement in my regular *japa* and by your grace, I could do it on a regular basis. I am very grateful to you because by your grace I could reach 16 rounds chanting every day. I wish to have more support from the temple for people like me who are beginners in their spiritual journey, and regular touch from devotees which I lost this year. Dear Srila Prabhupada,

Please accept my humble obeisances at your Divine Lotus feet. All glories you on the most auspicious appearance of Your Divine Grace.

It's a privilege for me to be part of your Hare Krishna movement. You have presented the philosophy of Krishna consciousness in a very nice, clear manner. I am very moved by *Srimad-bhagavatam* lecturers. I came to this heaven with the help of my friend. After coming to this heaven I feel that this is one of the best steps that I have taken in my life. Your books teach me how to follow four regulative principles and how to stay away from the materialistic negative people in life and how to overcome unwanted desires and enter into the spiritual world.

You also teach the power of chanting Hare Krishna *mantra*. I am very fortunate by your mercy that I have come in touch with this beautiful movement. Please bless me that I can daily chant Hare Krishna *mantra* 16 rounds and follow four regulative principles life long. I beg your forgiveness for my offenses at your divine lotus feet. Thank you for all you have given me. May your blessings always shower on me it's my gratitude towards you. Please always keep me under the shelter of your lotus feet. Dear Srila Prabhupada,

My pranam unto you.

My dear Srila Prabhupada, I am going to Sri sri Nitai-Gauranga Mandir regularly to attend the *satsang* classes. Those classes are very nice and I am getting interested more and more to attend them. I have learned many things out of it and it is a good experience for me. I have learned the preciousness and importance of human life from your teachings.

I learned how to develop a full devotional mood towards Lord Sri Krishna from your teachings. By associating with your disciple I learned how to greet every person in the society and develop love and devotion to Lord Krishna. By associating with him I have learned some knowledge that was given by you. Not only me, but my family also is learning those teachings. To improve more *bhakti* I should chant Lord Krishna's Holy name with full love and devotion. So Prabhupada, we need your mercy to practice Hare Krishna *Maha-mantra* regularly in our life. We need Lord Krishna's blessings also on us. Thank you Srila Prabhupada.

Dear Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet. All glories to you on this most auspicious appearance day of Your Divine Grace.

Only your divine teachings could inspire me to the greater heights in my spiritual life. Because of that, I developed a strong bond with Krishna. Nowadays I am chanting 4 *malas* daily. I am doing Deity worship also at my home. I am trying to cultivate the Krishna consciousness among my family members. Very often, I always used to discuss among them the importance of *bhakti*, which always fills my heart with great satisfaction. Even some of my family members got truly inspired by your divine teachings, especially my maternal grandfather he is daily chanting and gets fully absorbed in Krishna consciousness by reading your books *Bhagavad-gita As-It-Is* and *Srimad-bhagavatam* (First Canto). This is possible because of you being a bonafide Spiritual master who imparted the real knowledge.

But my dear master, as you know that I want to chant 16 *malas* of Hare Krishna *Maha-mantra*, but due to the busyness of new works in the office, I am not able to give enough time to chanting and reading. Oh merciful one, please bless me so that I can chant 16 *malas* daily and can read your books. Please forgive my offenses which I have committed knowingly or unknowingly towards Krishna, His Holy Name, Your Divine self, and *Vaishnavas*. Please give me the required strength to get firm faith in Krishna consciousness and to have continuous association of your devotees.

Yours humble and insignificant servant,

Bhakta Satya Ramakrishna K.

Dear Srila Prabhupada,

Please accept my humble obeisance unto your lotus feet. Srila Prabhupada you know everything about me, by your kind mercy I am still able to remain in the Krishna conscious journey even after repeated mistakes. Please give more strength to face all tests in sadhana and service.

After three years of this Krishna consciousness journey, I have learned so many things, and I have realized that the way of life you have shown is very perfect. I am also ready to change my life according to your guidelines So please guide me through your books and save me from this materialistic way of life. It is very difficult to come out from this stage without your guidance. Please hold my hand and guide me towards Krishna Prema and never neglect me because if I hold your hand I may leave yours under the influence of Maya. Maya's influence is increasing on me day by day. I am not able to face Maya and stand in front of it. So please give me energy and knowledge to fight with Maya.

I felt this year is the testing time for all of us who are connected with HKM Vijayawada. Unfortunately due to some political issues, our HKM Vijayawada and Akshaya Patra foundation gone through some financial crisis and public harassments. I felt little shame and guilt towards the government and some people and their way of treating such a great organization. All the devotees in our Hare Krishna movement sacrificed everything and came up without any selfish motives to serve the Lord, Nation and for the entire humanity. But the way Government and people behaviour is not proper and it burns my hearts, but still in that great difficult situation also your devotees never lost their faith and determination. In this kind of situations, any other organizations or any NGO's may run away but your organization is strongly standing and fighting. The interesting thing is that devotees of the Temple are doing service more enthusiastically than earlier. Through this situation, I realized that there is divine protection of Krishna and your causeless mercy.

Please make my parents and my family members also Krishna consciousness and make them stop eating meat. Oh, spiritual master please be kind upon me and my family. By knowingly or unknowingly if I have done any Vaishnava aparada please forgive my mistakes and give me shelter under your lotus feet. At last, it will be a great fortune for us to be leading a life according to your direction. I would like to beg from you on this auspicious day the following:

- Please give me the strength to chanting Hare Krishna Mahamantra at least 16 rounds per day life long.
- Please give me the strength to follow 4 regulative principles.
- Please give me the strength to read your books.
- Please bless me to always engage in the service of Lord without seeking fruits. Etc.

All glories to my glorious Spiritual Master Srila Prabhupada. Thank you so much.

Your most fallen servant,

First of all, I would like to say thanks to you for showing your mercy upon me by which I am able to come in touch with your teachings. *HARE RAMA HARE RAMA RAMA RAMA HARE HARE"*

I am experiencing a bliss.

Please help me in sorting out my negativity at every stage of my life .

All glories to Srila Prabhupada!

I offer my respectful obeisances unto my spiritual master, who has opened my eyes, which were blinded by the darkness of ignorance, with the torchlight of knowledge.

Dear Prabhupada, first I want to thank you for causeless mercy on this fallen soul like me, really I don't think so, I will come to you in this life because I'm born sudra that I am not eligible even to see the Lord. But you have lifted me with tons of mercy on me. My spiritual master, I have never forgotten my first interaction with you. Prabhupada really I'm so happy and lucky because I've got an opportunity to serve you in 800 crores people on this earth. But I'm 50 years late, I always felt my- self sad that I've not physically associated with you. A lot of western people (born Christians) got the opportunity to see you live and touch you. That is your Divya-Lila and wonderful mercy. But at least, now I'm associating with your disciples. I've seen your life history by the movie "Hare Krishna!" one of a devotee filmed the movie. In that I understood in your entire life you never forgot Krishna. If anybody understood this basic principle they never felt alone here on this earth. I follow this principle, I never forgot Krishna at any movement of my life.

Oh, my Spiritual Master, Mother and father love their children with affection and they expect the same at the end of their life. But only a guru does not expect anything expects only his student to grow to higher levels. And spiritually you made me advance that understanding Krishna in a better way and teaching me like your son. Really I missed the opportunity to serve you, a lifetime without any bondage. Now I'm serving you, with some family bondages. Because of that my family is also will get your service. But I will wait till your orders for complete service without any bondages and attachments expect Krishna and you. Now I'm out of fear and I'm feeling LORD is with me always. I can do anything with LORD's help. At the same way, I'm nothing to do anything without LORD's mercy.

My dear Prabhupada, There is no difference between your words and how you lived. May be not possible even for all gurus who are now. You know that you are representative of Lord, but without any ego, how simply you have lived. A lot of Guru's are there in the world but nobody matches with your love and care and mercy.

O Karunasagara, kindly don't leave my hand here, take me to Krishna. That I never thought about this, you have sanctioned me deities (Sri Sri Nitai Gauranga ) to my home. This is all your mercy and love. I promise you, I will follow your regulative principles till my last breath.

Kindly teach my children about Krishna and make them your servants and guide them all the way Prabhupada. Always one last wish, take us back to Lord and don't leave us here. Without your mercy it was not possible, you are our only hope, kindly guide us and take back to the Lord and ultimately remove us from this birth cycle. You are the ray of hope.

Your servant,

Bhakta Ravi Teja Anisetty.

First of all, I am very grateful to Lord Jagannatha, who made me a resident of His eternal *dhama* on this earth, Jagannatha Puri, Orisa. Above this, he has blessed me with divine association of yours, Srila Prabhupada. I am very thankful to you for setting a nice atmosphere of Krishna consciousness all over the world. I am blessed with the association of your devotees in Vijayawada. As of now, I am chanting Hare Krishna *Maha-mantra* regularly. Chanting and devotee association have transformed my consciousness so much. By following your instructions, I could see the success of this human life. I feel so blessed having you as my spiritual guide and I pray Lord Jagannatha and you to give me more opportunity to serve *Vaishnavas*, and achieve the highest goal of my life which is Krishna *prema*.

Dear Srila Prabhupada..!!

Please accept my humble obeisances.

All glories to Srila Prabhupada. All glories unto your Lotus feet

All glories to you on this auspicious day of your Vyasa Puja.

God is also ultimately the basis of ethics. We can learn about what is acceptable through the laws given by God. You have laid down the wonderful path for spiritual practices for every mankind which shows the real value of life and provide a chance to purify themselves in the present time. The transcendental sound vibration from your lectures and by some of your follower devotees made my consciousness good and has the power to liberate even a casual bystander who hears only one word.

Either understanding or not understanding the purport of the Krishna consciousness emanating from your lectures, every listener, whether casual or attentive, all are purified by knowingly or unknowingly. Even if we do not pay our attention to the words and lectures, of your tapes and your followers' context, still they purify our minds and the atmosphere around

us. Even if we are spacing out and thinking about something else, still the transcendental words are purifying our ideologies and helping us a lot to live a meaning-full life in this materialistic world.

Your purports make the most difficult philosophy Bhagavad Gita becomes easy to understand even for the common man.

I can never actually express, how much I appreciate you for all that you have given me and how much efforts you give to teach me. I can only try to serve you, and I sincerely pray that one day I will have no desire other than your service.

Aspiring to be Your humble Servant

Always in your Service.

Dear Sila Prabhupada

Please accept my humble obeisance,

All glories to Srila Prabhupada. All glories to you on this auspicious day of your vyasapuja.

This year I have attended “Krishnastami”, event that was most wonderful day in my life. The moments of Abishekam was the most beautiful time for me, I can't even express those moments by my words. In new year event our folk mates had played “Ajamila skit” by that skit I could understand karma plays a key role in our life, good akarma is the only way to reach Krishna. It will come by doing service to the Lord Krishna. I am feeling very peace & calm after increasing the rounds of chanting. Chanting is the easiest way to do serve Krishna and to increase our good akarma. I came to know chanting, service, kirtan, Reading Books, Reading quotes which are the simple things to reach Krishna. Thank you Srila Prabhupada for giving me this opportunity to know more about Krishna.

Thank you Srila Prabhupada

Your Servant,

Bhakta Sai Lokesh.

Dear Srila prabhupada.

Please accept my humble obeisances. All glories to you! I am very happy to celebrate your 124th divine appearance day.

This year is very special for me in the journey of HKM Vijayawada. From my childhood onwards I never received any gifts or prizes in my life. But last year itself I had received so many prizes from HKM for best sadhana awards in folk, inviting so many people for our programs and for chanting more no of rounds etc... I was so happy after taking Radha Krishna Frame from temple authorities on new year eve 2020.

I never worked continuously for 3 days time in my life except for Krishnasthmi. I worked continuously but I never felt tired moreover I felt enthusiastic to do more services. This year with my folk mates travelled so many places like Vrindavan, Hyderabad, Vizag etc.. Those journeys were wonderful. The book distribution service at Mangalagiri on Vaikunta Ekadasi was especially special.

I started chanting 16 rounds this year but failed in reading books. While leaving from Vrindavana I had promised Radharani, I will chant 16 rounds, read books and will maintain good sadhana daily but failed to do all those promises. I believe in the statement that “Unless We have the blessing of the spiritual master we can't do anything”. But during this Lockdown time

with your mercy, I started reading Krishna book. When I start reading your books my mind starts picturizing, as it was happening in front of me. I start involving in the stories of Lord Krishna.

Prabhupada I was lacking in both spiritual and material immunity to fight with diseases and Maya. So, please protect me from diseases and Maya by providing good immunity power spiritually and materially. And make me stronger to spread Krishna consciousness and engage in book distribution services.

Prabhupada knowingly or unknowingly If I had made any Vaishnava aparadha, please forgive me. I was a little bit envious of my folk mates in sadhana, so please forgive me and make me strong enough to stop making those mistakes again and again. Finally, I want to say “whatever way I choose, I desire - the problems and hurdles must be obviated from my journey and I must reach the destination on time without any delay”.

Your humble servant,

Bhakta Sai Teja (SHYAM).

Dear Srila Prabhupada,

Please accept my humble obeisance at your divine lotus feet.

All glories to you on this most auspicious appearance day of your divine grace.

Oh the great devotee of Lord Krishna and guru for the karmic people in this Kaliyuga. I have been in the path of Krishna consciousness since a half year. This bud, me flourished under your teachings, methods, process and by your books. I have been in the cycle of birth and death, but you have brought me above it by giving this valuable knowledge and provided the shelter under the Krishna consciousness movement. I got the ultimate taste of the creation above all the lusts and miseries in the material nature. You taught me what to think, of whom to think, what is the real essence of life, what is the real goal of life.

While chanting, every mantra that I utter made me to flourish and purify. I could feel the energy possessed by me after every round of chanting. Bhagavad Gita, the teachings of the lord Krishna, the real knowledge through your explanation gave me the wisdom. It opened the doors to the solution to every problem in my life. Earlier, I am struggling with miseries and imprisonment in this material world but now I am out of that. When I worried about something, I simply remember “*Why worry chant Hari*”.

O guru of this material world, Srila Prabhupad all it happened because of blessings. Please let me serve you like this and let me reach to the lotus of Lord Krishna. Jai Gurudev.

Begging to remain under the shelter of your lotus feet at all times.

Aspiring to be Your humble Servant, Bhakta Sainadh Gadde.

Dear Srila Prabhupada,

Please accept my humble obeisance at your divine lotus feet. All glories to you on this most auspicious appearance day of your divine grace.

BHAGAVAD GITA (2.6) mentions

na caitad vidmah kataran no gariyo yad va jayema yadi va no jayeyuh,  
yan eva hatva na jijivisamas te 'vasthitah pramukhe dhartarastrah

*"Nor do we know which is better—conquering them or being conquered by them. The sons of Dhrtarastra, whom if we killed we should not care to live, are now standing before us on this battlefield."*

I have an insight into his letter to Satsvarupa, 14th September 1969 *"We have to work sincerely because Krishna is in everyone's heart, there will be no difficulty to have necessary facilities"*

I pursue Prabhupada preach and I get the outcome. This helps me to survive simply by reading or hearing even one line of your purport and any person can experience a change of heart.

On this most auspicious day, I humbly beg you to continue to shower your blessings on me.

Begging to remain under the shelter of your lotus feet at all times.

Dear Srila Prabhupada ,

Please accept my humble obeisance unto you and your lotus feet. All glories to you Srila Prabhupada.

You are so merciful because you are enlightening Lakhs and Crores of people about what is real devotion towards the Lord. You are also helping us to get out of the prison of the Maya. By associating with you (i.e. by reading your books) I have changed all my thinking ways towards this creation and towards GOD. I think that you are the eternal spiritual master for Lakhs and Crores of souls. You are so merciful also given the back-door entry to the Goloka Vrindavan. After reading your books I can somewhat able to overcome the Maya by the blessings of Lord. For the betterment of human society, you have taken so many pains to spread Krishna Consciousness.

I am so lucky and blessed to be on the path of your footsteps. I am such a fool and sinner, I do not know how and why I received the blessing and warmth of your disciples. I know that I am the most undeserving one but you still bestow your mercy upon me. I beg for your mercy and forgiveness because knowingly or unknowingly I might have offended the Mahamantra and devotees at various occasions. I will try to rectify my mistakes. My only wish is to engage me in your service. I know that I am very insignificant and I cannot do anything without your mercy. so please bless me.

Please accept my humble obeisances at your divine lotus feet.

All glories to you on this most auspicious appearance day of your divine grace.

You played an important role in my life. With the blessings given by Prabhupada, I am able to motivate myself when I was facing any problem. Chanting Hare Krishna mantra gives immense pleasure and helps me to clear my mind. Most of the people are engaged in body consciousness and completely neglecting spiritual consciousness. With the help of your speeches, I am able to obtain a way to attain spiritual consciousness. Bhagavad Gita not only gives spiritual pleasure but also suggest the way of living which are explained by you.

Begging to remain under the shelter of your lotus feet at all times.

Dear Srila Prabhupada,

You slept only two hours in a day and the rest of the time spent to write so many transcendental literatures and bestowed us with so much of knowledge.

No one in this world can just take rest for two hours and rendered so much of service to Lord Krishna with devotion, full faith, purity and selflessness. I feel it is simply an extraordinary work you have done.

You have set an example that, everything is possible for with blessings of Krishna by writing books and also showed the path to the whole world to drench our self in the Krishna consciousness activities. I feel I am insignificant when compared to the service that you have rendered to Lord Krishna.

Thank you Srila Prabhupada.

*om ajñāna-timirāndhasya jñānāñjana-śalākayā*

Srila Prabhupada, when I am introduced with the Chanting of Hare Krishna Maha-mantra by one of your representatives in my college. From that day I am chanting this Mahamantra every day. By chanting I have got so many changes in my behaviour and dealing with different situations in different circumstances. This Chanting gives me some kind of positive energy and relieves all kinds of stresses. Even my neighbours have observed these changes in me. So, I consider the chanting as the most wonderful gift by you in my life.

Srila Prabhupada, as you have asked all of your followers to maintain the four regulative principles. After hearing about those principles, I have started following them. I have stopped Non-veg, Intoxication any other bad habits. And whatever bad habits are remaining, I want to stop all of them in the very near future. For this Srila Prabhupada, I need your blessings and divine guidance.

I wish to follow your instructions until the end of my life.

Your sincere follower,

Dear Srila Prabhupada,

Please accept my humble obeisance at your divine lotus feet.

I was very happy with the days I spent in the folk Nivas. In those days I have learnt a lot about you and your great teachings. I also learned how one should lead one's life in a perfect manner. Those teachings are playing a very important role in my life while deciding what best to do in a stressful situation. After hearing those words from various videos and recordings they made some sense into my way of thinking. I understand and overthink for some petty things, but then I understood I am fighting over for nothing. Gladly I got saved from those misleading habits because of reading your great and wonderful books.

Trying to be your faithful student,

Bhakta Sravan Kumar.

This Hare Krishna Mahamantra is so wonderful that I am feeling a kind of bliss simply by chanting it. my mind becomes very peaceful by chanting it. I am very much relieved from depression and anxiety of study, job and future and all.

At last, I say that in Kaliyuga the human society, which does not have any hope of liberation, is blessed simply by this Hare Krishna Mahamantra given by your good self. Srila Prabhupada, I pray to you to guide me in my rest of life.

Prabhupada, I am very grateful and happy to be a part of Hare Krishna Moment. I would like to offer my hearty thanks to you with lots of love. Thank you, Prabhupada for guiding in the journey of my spiritual life.

I have observed a lot of changes in my life after attending the sessions of Bhagavad-gita. I never thought that I would live like a vegan in this life. I completely attached to this material life before started reading Holy book Bhagavad-gita. Later on, by chanting and practising the Mahamantra "HARE KRISHNA HARE KRISHNA KRISHNA KRISHNA HARE HARE HARE RAMA HARE RAM A RAMA RAMA HARE HARE" and listening to the divine names I started my spiritual journey towards the Supreme Personality of Godhead Lord Krishna. I am feeling easy to follow four major principles. In this journey, I started enjoying the peacefulness and joy of Krishna consciousness. Kindness occupied more space in me.

You showed us the ultimate goal of life and helps us to reach our destination. Your foundations Hare Krishna temples and Folk Nivas are the best platforms to explore and give our best services to the Lord. Thank you for making our journey easy.

I know this is the mercy of you and Sri Nityananda Prabhu. So on the occasion of your appearance day, I'm showing my gratitude towards my spiritual master. By your grace I hope there is a huge spiritual transformation in me by the next KRISHNA JANMASHTAMI as I'm new to Hare Krishna moment, it's a great platform to learn the way for getting Moksha.

Always in your Service,

As per Bhagavad Gita which is the holy book of followers of Sanatana Dharma, Everyone in the world is part and parcel of Lord Sri Krishna. But in this age, we are forgetting what we are and involving in all material nonsense. At these difficult times at old age, you started spreading the spiritual knowledge and enlightened many people with your knowledge. You are well known to the world as Abhay Charanaravinda Bhaktivedanta Swami Srila Prabhupada.

You started enlightening us and made us to realize the true purpose of life and spread Maha-mantra not only in India but throughout the world. This year is so horrible Prabhupada, nothing seems to be right. At some point of time I felt so low, nothing good is happening in my life. Everything is messed up, and I've seen myself slowly drifting apart from my spiritual life. Unfortunately, we have lost the Vaishnava association too, but from the past few months I and my family started reading Srimad Bhagavatam every day and I feel this is the only good thing happened in this lockdown period. I need you my dearest merciful guru, only you can help me and help this world which is dying day by day. Let them know the real goal of life, shower your mercy on us.

All glories to Srila Prabhupada,

Hare Krishna,

After coming to HKM Vijayawada my life is entirely changed. Previously I don't know anything about Vedic scriptures and spiritual knowledge but after coming here I learnt a lot. I was very much inspired about the classes conducted in the temple and after coming from classes on Sunday I will explain that class to my friends and relatives and I will eagerly wait for the next class on Sunday from the Monday itself.

When I went to Vrindavan first time my legs were heavily paining but devotees told Lord Krishna will help in the parikrama of Govardhan. It happened the same when I chanted hare Krishna mantra, I lost my pain little and able to walk and completed my parikrama.

Only Hare Krishna movement can change the youth nowadays because youth is spoiling a lot, and you people guide very nicely and make them move in a good path. I really appreciate the devotees for doing nicely in youth programs and festivals.

Your servant,

Bhaktin Kanchana Valluru.

So today, on this most auspicious occasion of the divine appearance of my spiritual master His Divine Grace AC Bhaktivedanta Swami Srila Prabhupada, I am writing a few words in your glorification. Srila Prabhupada, You have given vast information of Vedic scriptures in your books. By reading those and by hearing your explanations, one can easily cross the ocean of material existence. And ultimately reach to Lord Sri Krishna. I am also reading your books regularly, which helps me to face so many difficulties in my life. Since the last six months I am chanting my minimum two malas and in the very near future, want to increase it. Dear Srila Prabhupada,

Please accept my shatakoti pranams at your divine lotus feet.

I am conscious of Krishna bhakti only because of you. I learnt the science of Bhakti yoga through your literature. I thank the Lord for introducing me such a wonderful Guru who made me what I am today. I realized the success in life really mean, who can be real Vaishnava and the concept of self-realization only through your teachings.

I wonder always how you have done so much to the world at that age. You are the greatest gift given by Lord Krishna to the mankind of this world. Lord Krishna wanted everyone to come back to Him so He sent you to show the path to the conditioned souls of this world by which they can reach Him easily.

My lifestyle has been changed because of your teachings. Still, I try my level best to become a pure devotee of Lord Krishna as early as possible in this life only and go “Back to Godhead” by following your guidelines and teachings.

I beg forever for your causeless mercy ...

It is all your mercy that I am reading Srimad Bhagavatam for the second time. I am glad that now my husband and children are also reading Bhagavatam. they are currently in 10th canto. They are even chanting daily and following Ekadashi. It is all because of your mercy. Now I have no fear for this material world anymore because I know you will take care of us. You said If parents are unable to give spiritual knowledge to their children they have no right to give birth. Now I can strongly say that I am successful, Its all your mercy that my husband and children have taken shelter near your lotus feet. Even my mother, both sisters and their respective families are reading your books, chanting and following your instructions. This is nothing but your mercy upon me. I still remember the night when you came in a dream, you are sitting in a preaching van, wearing blue coloured shawl then when I saw and come to you. You stopped your van and stepped down with a smile on your face then I hugged your lotus feet tightly. You are smiling and with your hand touched on my head but I don't remember your words clearly but you are talking to someone. This is all my fortune, Srila Prabhupada my eternal guru please shower your mercy upon me and your followers. I'm so grateful to you.

Your servant of servants,

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet. All glories to Your Divine Grace Srila Prabhupada.

Srila Prabhupada, this is my 10th year under your divine protection. Prabhupada, whenever I read any instance of a pure devotee, I correlate with your life to present that you're a pure devotee and performing pure devotional services. Here I would like to narrate one similar instance from *Srimad-bhagavatam* which gives us the understand that you're in Krishna's heart and Krishna is in your heart.

Once Prahlāda Mahārāja, the dearest servitor of the Supreme Personality of Godhead, went out touring the universe with some of his confidential associates just to study the nature of saintly persons. Thus he arrived at the bank of the Kāverī, where there was a mountain known as Sahya. There he found a great saintly person who was lying on the ground, covered with dirt and dust, but who was deeply spiritually advanced but was externally appearing as a madman for the general public.

When Prahlāda Mahārāja approached him and offered respects to him, saintly person recited one *sloka*, which gives us the understanding of Spiritual position of Prahlāda Mahārāja.

*yasya nārāyaṇo devo bhagavān hṛd-gataḥ sadā*

*bhaktyā kevalayājñānam dhunoti dhvāntam arkavat*

'Nārāyaṇa, the Supreme Personality of Godhead, who is full of all opulence, is predominant within the core of your heart because of your being a pure devotee. He always drives away all the darkness of ignorance, as the sun drives away the darkness of the universe.'

In the purport:-The pure devotee is described by the words *bhaktyā kevalayā*. Śrīla Viśvanātha Cakravartī Ṭhākura explains that *bhaktyā kevalayā* means *jñāna-karmādy-amīśrayā*, "unmixed with fruitive activities or speculative knowledge. When a devotee performs *bhaktyā kevalayā* at the lotus feet of the Supreme Personality of Godhead, The Supreme Lord will become predominant within the core of the heart, he always drives away all the darkness of ignorance, as the sun drives away the darkness of the universe. The transcendental knowledge given by you in the form of books, lectures, letters, audiotapes is self-evident that the Supreme Personality of Godhead is predominant within the core of your heart. Your Grace has attained this highest stage. Because of your pure devotion, you have got a place in the core of Krishna's heart as stated by Krishna himself.

*sādhavo hṛdayaṁ mahyaṁ sādḥūnām hṛdayaṁ tv aham  
mad-anyaṭ te na jānanti nāhaṁ tebhyo manāg api*

The pure devotee is always within the core of My heart, and I am always in the heart of the pure devotee. My devotees do not know anything else but Me, and I do not know anyone else but them. By this, we can understand that you're in Krishna's heart and Krishna is in your heart. O Your Divine Grace! on this day of your appearance, I humbly ask from the Supreme Lord Śrī Kṛṣṇa the benediction of having enough intelligence to remain always under your care. Prabhupāda, please forgive me for the offenses that I have committed at your lotus feet and those committed against your devotees.

Your aspiring servant,

Ambarisha Dasa.

My Dear Spiritual father, Srila Prabhupada,

Please accept my humble obeisances. All glories to Your Divine Grace Abhay Charanaravinda Bhaktivedanta Swami Srila Prabhupada. Srila Prabhupada, your divine 124<sup>th</sup> appearance is the most prominent and important celebration in this age of darkness. It is indeed the most auspicious day for the entire planet. Srila Prabhupada, your desire to please your spiritual master (Om Vishnupada Paramahasa Parivrajakācārya 108 Sri Srimad Bhaktisiddhānta Sarasvati Gosvāmi Mahārāja Prabhupāda) to spread this Krishna Consciousness to entire world is made possible by such a pure devotee like you. You made your spiritual master so happy, being a sanyasi at the age of 70 you have fought like a frontline soldier against Maya, even though there are three major heart attacks in this fight you did not give up, you are my true warrior and inspiration, helping me to fight against Maya in all circumstances. Please accept my humble obeisances to You, Dear Spiritual Master!

I can witness how Lord Sri Krishna directed the ship of your compassion (voyage) journey and marked your footprint to establish ISKCON (The Supreme shelter for all condition souls), likewise how in the Kurukshetra war where lord acting like a chariot driver for a devotee Arjuna to establish Dharma. In the establishment of both ISKCON and Dharma, I could able to understand what is your position with Lord Sri Krishna, you are so close to dear Sri Krishna from Goloka Vrindavana Dham, thank you very much for your gracious presence in this planet earth during Kali Yuga, I am so fortunate to come in touch with such a pure devotee of Lord Sri Krishna. Please accept my humble obeisances to You, Dear Spiritual Master! I am really very happy to see such a compassionate acharya travelling like a messenger through Ocean waters' (JALA DHUTA) and representing Narada Muni to save the suffering souls rotting in this mortal world. I am indebted to your causeless mercy. Srila Prabhupada, after knowing this, Sri Krishna Chaitanya Mahaprabhu's prediction 500 years back that one of his pure devotee from disciplic succession will descend and spread this Krishna Conscious to all over the towns, villages, and in all nook and corner in the entire world, I am really happy and felt secure that one Krishna's pure devotee can liberate this entire planet. I am desiring to be one of them by following your instructions without fail. Please accept my humble obeisances to You, Dear Spiritual Master!

Srila Prabhupada your powerful consciousness to fight constantly against Maya, and establishing sankirtana movement which is the desire of Sri Krishna Chaitanya Mahaprabhu is fulfilled by you, it is a real victory you scored against Maya. This victory was not easy. You had to face great hardships and discouraging circumstances to build up this movement. Srila Prabhupada, your transcendental teachings personally helped us to lead a Krishna conscious life and come out from this sinful world. You have not saved one soul, rather entire humanity irrespective of the caste, creed, colour, and religion. You have showered your grace on these suffering souls. You took all pain and love to write 80 volumes of transcendental books to benefit these conditioned souls. I am one of such fallen condition soul picked-up by your compassion. Prabhupada this year (2019) with your causeless mercy we could able to distribute (4500 Bhagawat Gita and Krsna Books @Book Marathon). Thank you very much for sending such sincere souls to help us to offer such achievements. Thank you very much for your blessings and for inspiring us through your dedication, determination, patience, perseverance, compassion and enlightenment through your realized purports.

During Lockdown period, we came in touch with many new devotees through online and helping them to do regular chanting, and conducting live sessions to various FOLK groups in batches. With this spirit, all devotees in Vishakhapatnam took a vow to complete 125 crore holy names by August 2020 and offer to Nama Prabhu. All glories to Nama Prabhu. Hare Krishna Maha Mantra ke Jai!

*Hare Krsna Hare Krsna Krsna Krsna Hare Hare Hare Rama Hare Rama Rama Rama Hare Hare*

Dear Srila Prabhupada, a wonderful thing I have to share during this lockdown period, our beloved Vaishnava His Grace. Madhu Pandit Prabhu, Chairman TAPF and HKM, ISKCON Bangalore has really helped a lot in understanding the greatness of Nama Prabhu (the sound incarnation) in the form of modules to all Vaishnava community. I was blessed to know the science of the nama and the differences among mindless, mindful, and soulful japa. Now, I came to know how to interact with nama prabhu. This is all your inspiration to do research on Nama Prabhu. All glories to Vaishnavas and my dear

spiritual master. Srila Prabhupada, from your lilamrita His Grace Chanchalpathi Prabhu has narrated wonderful pastimes with your devotees who are new and innocent. The way in which you tolerated their mistakes and keep on working with a lot of patience and determination made me inspired to start practising in my life too. With the blessings of our temple president Dr Niskinchana Bhakta Prabhu I was blessed to bath your transcendental vigraha, I am so happy to touch Goloka Manjari of Sri Sri Radha Krishna. The golden pastimes of Sri Chaitanya Mahaprabhu narrated by His Grace Vasudeva Keshav Prabhu put me in bliss to hear the nectarine pastimes of Lord Gaura Sundar during His childhood pastimes which are resembling the pastimes of the Lord Sri Krishna during Dwapara Yuga. I am so fortunate enough to hear the pastimes of Lord Krishna in Kali Yuga through Sri Chaitanya Mahaprabhu. All glories to Vaisnavas, Srila Prabhupada, Sri Chaitanya Mahaprabhu, Sri Krishna.

Srila Prabhupada in one of your quote you mentioned “disturbances will be there, please tolerate it, Krishna gives strength just keep chanting holy names, please keep forgiving minor offences, do not leave the supreme shelter of Krishna”, I can see how much you are concerned about fallen condition souls like me. I vow that I will not leave the supreme shelter dear Prabhupada!. I pay my sincere obeisances to you, my dear spiritual father. Srila Prabhupada! I am so thankful for your compassion, by carefully studying the purports of Mangala arati song I was so moved with the way how a spiritual master is pleased when his devotee honours prasadam of Sri Sri Radha-Krishna. I have no words to express my gratitude to my dear most loving father, Srila Prabhupada! Srila Prabhupada with all your blessings and senior devotees guidance this year few sincere souls ready to take part in this journey of back to godhead. Please shower your grace upon these fortunate souls. Please bless us to build a gorgeous temple for our supreme parents Sri Sri Radha-Govind in our own place Gambhiram. I am longing for the day when our Krishna Conscious Movement will be flourished with full of Krishna devotees? I sincerely beg all the Vaisnavas to pardon me for the offences committed knowingly and unknowingly at your lotus feet. Jai Srila Prabhupada!

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to you on this auspicious day of your Vyasa-puja.

Srila Prabhupada, Thank you very much for keeping me in your divine mission for one more year in the association of devotees. You have provided me preaching opportunity in the form of FOLK and allowed me to have experience of many Krishna Conscious projects like Heritage Fest, Vanabhojanam, Bhagavad Gita Quiz, Sankirtan Fest, Jigyasa Sessions. I relished each of these Projects as an opportunity given to me by you and learnt a lot, which will help in preaching the divine message of Krishna Consciousness to more and more people in the future. Without your mercy, I could have never got this opportunity of learning and involving in these Krishna Conscious activities.

Srila Prabhupada, kindly bless me further on this auspicious day of Your divine appearance, so that I can further continue to have these kinds of opportunities more and more. Also, may I continue to maintain proper consciousness throughout my execution of devotional service and should not develop any pride but can act as an instrument.

Srila Prabhupada, Thank you very much for the divine instructions given by you in the form of your Books, Letters, Lectures, and conversations; which are like torchlight for us to move further in this Dark Material Existence. I always feel glad by remembering the following prayer in connection to your Divine Instructions,

*“om ajñāna-timirāndhasya jñānāñjana-śalākayā cakṣur unmilitam yena tasmai śrī-gurave namaḥ”.*

*"I was born in the darkest ignorance, and my spiritual master opened my eyes with the torch of knowledge. I offer my respectful obeisance unto him."*

You have worked very hard and took a lot of pain to write your books to help the people in general and today ignorant people like me are able to get enlightened by reading these books. Whenever I remember about it, it moves me emotionally for the Great sacrifice you did for the ignorant and suffering humanity. Srila Prabhupada, hearing Your struggle to preach the message of Krishna Consciousness in the western world, inspires us very much and it will develop the fire in us to preach more and more. You lived your life completely dedicated to the suffering of humanity. You have done so much for humanity that it is impossible to narrate your unlimited glories in this small letter. I am very thankful to you that you have shown your causeless mercy upon me by giving chance to this ignorant soul to practice devotional service in the association of your disciples.

Srila Prabhupada May I always remember your causeless mercy upon me and serve you faithfully with proper consciousness in the association of devotees. May I never get deviated from the execution of devotional service.

Srila Prabhupada, kindly forgive me for the offences I have committed unto your Lotus feet and toward your disciples knowingly or unknowingly.

Your humble servant, Keshav Kripa Dasa.

తమరి దయ వలన సుమారు 8 సంవత్సరముల క్రితము హరే కృష్ణ మూవ్మెంట్ వైజాగ్ లెంపుల్ కి రావడము జరిగినది. అప్పటి నుండి లెంపుల్ లో చిన్న చిన్న సర్వీస్ లు చేస్తూ శ్రీమద్ భగవద్ గీత క్లాసులు హాజరు అవ్వడము జరుగుతుంది. అందువలన అనవసర విషయములలో ఆసక్తి పెంచుకోకుండా కృష్ణ చైతన్యములో వుంటూ జీవించడము ఎలాగో తెలిసినది. మరియు కృష్ణ ప్రసాదము సేవించడము, నాలుగు నియమములు పాటించడము 16 మాలలు హరే కృష్ణ మహా మంత్ర జపము చేయడము కూడా తమరి కృప వలన మాత్రమే సాధ్యము అవుతున్నవి. తమరి దయ మరియు కృప లేకుంటే నేను కృష్ణ చైతన్యము లో కాకుండా వేరే ఎక్కడో చిక్కుకొని వుండే వాడిని. అది తలచు కొంటే చాల భయము గ ఉంటుంది.

జగన్నాథ స్వామి అంటే నాకు చాల ఇష్టం. చాల కాలము నుండి జగన్నాథ, బలభద్ర, సుభద్రమయ్యా విగ్రహాలు ఇంట్లో ఉంటే బాగుండును అని అనుకుంటున్నాము. కానీ అనుకోకుండా తమ దయ వలన లెంపుల్ ప్రభు జగన్నాథ, బలభద్ర, సుభద్రమయ్యా విగ్రహాలను ఇవ్వడము జరిగింది. చాల సంతోషము గ వున్నది.

గత రెండు నెలలుగా తమ ప్రియా శిష్యుడు His grace మధుపండిట్ దాస ప్రభు soulful జప classes వినడము వలన జపము యొక్క ప్రాముఖ్యత గురించి తెలిసినది. అందువలన మునుపటి వాలే కాకుండా జప క్వాలిటీ కొంచము improve అయినది.

అక్షయ పాత్ర ఫౌండేషన్ ఒక అద్భుతమైన సంస్థ. ఈ సంస్థ ఇంతగా అభివృద్ధి కావడానికి కారణము కేవలము మహా మంత్రం జపము మాత్రమే కారణము అని తెలిసినప్పటి నుండి చాల ఆశ్చర్యము గ వున్నది. ఇదే విధముగ వైజాగ్ లో శ్రీ శ్రీ రాధా గోవింద మందిరము కూడా రావాలని ఆశిస్తున్నాను. రెండు నెలల క్రితము చైతన్య చరితామృతము చదవడము మొదలుపెట్టాను. కానీ రెగ్యులర్ గ చదవలేక పోతున్నాను. ఇక నుండి రెగ్యులర్ గ చదవాలని అనుకొంటున్నాను.

శ్రీల ప్రభుపాద శ్రద్ధ, ఆసక్తి, నిశ్చయములతో కూడిన 16 మాలలు హరే కృష్ణ మహామంత్ర జపము చేస్తూ నాలుగు నియమములు పాటిస్తూ చైతన్య చరితామృతము పూర్తి చేసే శక్తిని ప్రసాదించమని మరియు ఎప్పటికీ కృష్ణ చైతన్యము లో వుంటూ జీవితాన్ని సాగించే భాగ్యాన్ని శక్తిని ప్రసాదించమని తమరిని మనస్ఫూర్తి గ వేడుకొంటున్నాను.

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet. All Glories to Your Divine Grace.

*om̐ ajṣāna-timirāndhasya jṣānāṣjana-salākayā*

*caḡsur unmīlitaṁ yenatasmai śrī-gurave namaḥ*

"I offer my respectful obeisance unto my spiritual master, who with the torchlight of knowledge has opened my eyes, which were blinded by the darkness of ignorance."

It's been a great pleasure Prabhupada after taking initiation. The time has passed so fast and become busy in services. I am happy that I am engaged in devotional service with the Hare Krishna Movement. I faced difficulties in managing both spiritual and personal life especially when I am getting more services. I used to get distracted in my Sadhana initially when this happened, I got help from temple authorities, they guided me in those situations so that I can manage all together.

When these things happen devotee will be tested how much he understood the Krishna Consciousness. I remember my initial days of my Krishna consciousness, I got in touch with you and your teachings in a surprising way, I am able to connect the never-ending questions of life like the difference between body and soul, the purpose of life, the regulative principles, honour Krishna Prasadam, associating with devotees. Somehow you made everything so clear with proper

guidance from your teachings and your devotees, the knowledge is so pure even though I will be getting so many impediments but the roots are so strong that spirituality is a part of my life and never saw it as an extra burden.

When things are not in line I used to remind your voice saying chant Hare Krishna Hare Krishna Krishna Krishna Hare Hare Hare Rama Hare Rama Rama Rama Hare Hare and be Happy... Kindly forgive my offenses unto your lotus feet. Please give me strength and intelligence to follow your instructions strictly and serve you under the guidance of your devotees.

Servant of your devotees,

Prabha Vishnu Dasa.

Hare Krishna. Jai Srila Prabhupada.

Oh my dear spiritual master and eternal father, please accept my humble obeisances unto your Divine Grace Lotus Feet. Prabhupada, I sincerely thank you and life long obliged for giving me one more opportunity to glorify Your Divine Grace Lotus Feet in this most auspicious day of your divine grace appearance day, that is in this Vyaspuja festival day.

By time passes, by your divine grace causeless mercy, it is been one year back your divine grace appeared in our HKM-Vizag center as a deity form and hence forward, your divine grace's disciples have taken very great care and enthusiasm worshipping your divine grace lotus feet daily. So fortunate we have received this great boon of worshipping a pure Devotee and representative of the Supreme Lord. Thank you very much, Prabhupada, your are always very kind upon us. Similarly, if you kindly grace upon us, we may go for construction of a new temple for their Lordship's Sri Sri Radha Govindaji and your Divine Grace very soon. Somehow due to some natural calamities, it may be the divine will of their Lordship's, this year we are not able to go ahead with the new project. Please bestow upon us your causeless mercy so that we may render the best service to your Divine Grace by building nice and palatial Mandir for their Lordship's Sri Sri Radha Govindaji and your Divine Grace Lotus Feet. So that people of Vizag may get unlimited blessings. By your divine grace mercy, everything is possible and it was the past history of the world.

Srila Prabhupada, it is your causeless mercy upon us, we are worshipping their Lordship's Sri Sri Nitai Gauranga, it is your causeless mercy we are getting devotee association, it is your causeless mercy we are honoring Maha Prasadam, it is your causeless mercy that we could able to chant Hare Krishna Maha-mantra daily, it is your causeless mercy we could able to participate sankirthan, it is your causeless mercy we could able to hear and read most valuable Vedic literature like Srimad Bagavatham and Bhagavad Gita and Chaitanya Charitamrutha, etc., and it is your causeless mercy only we could render little service to your divine grace lotus feet, finally it is your causeless mercy only we can go back to home, back to Godhead, Krishna Loka, Goloka Vrindavan.

I am very thankful and grateful forever unto your Divine Grace Lotus Feet Srila Prabhupada for keeping this insignificant soul like me under your divine grace Lotus Feet shelter. Please pardon me for my offences committed knowingly or unknowingly at Your Lotus feet and Your devotee's lotus feet. Please bestow your causeless mercy upon this insignificant Jiva, so that I could able to continue in this miserable material world as your insignificant servant.

Your eternal Servant.

Dear Srila Prabhupada.

Please accept my humble obeisances. All Glories to you Srila Prabhupada.

I am very thankful to you for giving me an opportunity to chant Hare Krishna Maha Mantra daily. I have been in the path of devotional service for the past several years and this is possible only due to your association with devotees in the temple and reading your transcendental books. With your blessings, my family is engaged in the service of Sri Sri Nitai Gauranga by doing arati, kirtan, and offering bhoga to their Lordships and honoring Maha prasadam. I am happy for my mother is also doing service by collecting different flowers and making garlands for Sri Sri Nitai Gauranga daily. Srila Prabhupada due to the current situation of Covid Pandemic I have got some free time to be in-home and all our temple devotees have taken online sessions which helped me a lot of progress in devotional life. Especially Sri Madhupandit Prabhu's Soulful Japa sessions helped me lot to do actual Japa.

This year also I could not do good service in book distribution. Please forgive me for not able to render service perfectly because of my so-called material duties which shackled me Prabhupada.

Still, I am finding some difficulty to manage both works, material, and spiritual. Under the guidance of senior devotees somehow I am managing my sadhana, but some problems will challenge me and disturb my concentration on the spiritual life. I think such disturbances are arising due to many anarthas and past bad karma is coming back as it is part of purification. Prabhupada by your mercy I am trying to overcome out of such accumulated dust in me. I am praying to you Prabhupada, to please bless our family to continue devotional service in all circumstances and give strength to manage both works in my life.

Your Humble Servant,

Radha Madhava Dasa.

భక్తి వేదాంత స్వామి శ్రీల ప్రభుపాదుల వారి పాద పద్మములకు నమస్కరించి మీ శిష్యురాలు వ్రాయునది.

ప్రభు ఈ సంవత్సరం నాలో ఆధ్యాత్మికంగా ఎంతో మార్పు వచ్చింది ,ముఖ్యంగా chanting ఈ విషయంలో (soul ful japa classes వలన).నేను తెలుగులో చదువుకోవడం వలన ఇంగ్లీష్ లెక్చర్స్ విన్న కొంత మాత్రమే అర్థమయ్యేది, soulful japa classes నాలుగు మాత్రమే విని ఆపేశాను, అనుకోకుండా ఫోన్ ద్వారా మా టెంపుల్ పెద్ద ప్రభు తో ఒకసారి మాట్లాడటం జరిగింది. పెద్ద ప్రభు soulful japa వింటున్నారా అని అడిగారు ,నాకు అర్థం కావటం లేదు అని చెప్పాను . అప్పుడు పెద్ద ప్రభు మీకు అర్థం కాకపోయినా వినండి , body language బట్టి అర్థమవుతుంది అన్నారు, భగవంతుని దయ వలన ప్రభు చెప్పింది ఫాలో అయ్యాను . ఇప్పుడు నేను 58session లో ఉన్నాను నాకు ఇప్పుడు క్లాస్ అర్థమవుతుంది . ఇది నా లైఫ్ లో ఒక పెద్ద అద్భుతం, భగవంతుడు తలుచుకుంటే ఏమైనా చేయగలడు .ఈ classes వలన మహా మంత్రం వినటం అంటే ఏమిటో తెలుసుకున్నాను . ఇన్నాళ్లు thinking japa నే కరెక్ట్ అనుకున్నాను , నామ ప్రభు అనే పదం కూడా ప్రభు నోటి నుండి విన్నప్పుడల్లా ఎంతో బాగుంటుంది.

నేను దీక్ష తీసుకొని నాలుగు సంవత్సరములు అయింది. కానీ ప్రభు క్లాస్ లో చెప్పినట్లు the day we hear the nama initiation begins అన్నారు .కొన్ని వాఖ్యాలు మనసుకి ఎంతో హత్తుకున్నాయి. Faith, respect, relation, Shraddha, love, surrender, వీటి నిజమైన అర్థం ఈ క్లాస్ వలన తెలిసింది, భగవంతునితో మన రిలేషన్ ఏ విధంగా పెంచుకోవా లో తెలిసింది . ఒక తల్లి తన చిన్న పాప ని ఏ విధంగా చూసుకుంటుం దో, ఆవిధంగా జప త్రైనింగ్ క్లాస్ ఉంది,. నాకు వచ్చిన ప్రశ్నలకు ఆ క్లాసులో జవాబు దొరికింది, ఇదంతా మీ దయ వలన మాత్రమే జరిగింది. ఎన్ని జన్మలు తీసుకున్న మీ రుణం తీర్చుకోలేనిది ప్రభుపాద. నేను చేసిన జపం నేను వినటం వలన ఎంతో సంతోషంగా ఉన్నాను . హరి నామ జపంలో ఇంత శక్తి వుందా అని ఆశ్చర్యంగా వుంది. ప్రతి విషయాన్ని positive గా ఆలోచించటం అలవాటు చేసుకుంటున్నాను. అనవసర విషయాలు మాట్లాడకుండా వుండటం కూడా క్లాస్ లు వినటం వలన నేర్చుకున్నాను.

చైతన్య చరితామృతం పుస్తకం మధ్య లీల భాగం చదువుతున్నాను. ఇది చదివినప్పుడు మహాప్రభూ లీలలు కంటి ముందు జరుగుతున్నట్లు ఉంది , మహాప్రభు సాత్ ఇండియా టూర్ కి వెళ్తే నేను కూడా సాత్ ఇండియా టూర్ కి వెళ్ళిన అనుభూతి కలిగింది . ఈ సంవత్సరం కోవిడ్ మూలంగా పూరి ,బృందావన్ వెళ్ళలేక పోయానని బాధ భగవంతుడు ఈ విధంగా తీర్చారు.

ఈ సంవత్సరం పూరి వెళ్ళినప్పుడు jagannath విగ్రహాలు తీసుకుందామని అనుకున్నాము , కానీ కోవిడ్ మూలంగా వెళ్ళ లేక పోయాము . అనుకోకుండా ఒక అద్భుతం జరిగింది , మా temple ప్రభు జగన్నాథ బలదేవ్ సుభద్రదేవి విగ్రహాలను మాకు ఇవ్వటం జరిగింది .ఈ సంఘటన నా లైఫ్ లో ఎప్పటికీ మరువలేను ఇది మీ దయవల్ల మాత్రమే జరిగింది

ఇట్లు.

## Shravanananda Dasa

*om ajñāna-timirāndhasya jñānāñjana-śalākayā*

*caḥsur unmīlitam yena tasmai śrī-gurave namaḥ*

Dear Srila Prabhupada,

Please accept my humble obeisances o your Lotus Feet. On this auspicious day of your Glorious Vyasa Puja, I stand before you, I don't have a strong devotion to Krishna nor sincere desire to go back to Godhead, it is only causeless mercy on the take me towards all the destinations.

Lord Krishna descends to this world to protect his devotees and establish the dharma .A Nitya-Siddha devotee comes from Vaikuṅṭha upon the order of the Supreme Personality of Godhead and shows by his example how to become a pure devotee (*anyābhlāṣitā-sūnyam [Bhakti-rasāmṛta-sindhu 1.1.11]*). By hearing you glories our hearts will be purified and awakens dormant love of Krishna. All glories to “wonderful pastimes “all glories to your glories.

And in the auspicious day of your appearance I would like to remind your appearance and your transcendental nature in this world that are predicted long ago.

We find the narration of the departure of Lord Krishna from this world and how all the holy rivers headed by the personified Ganges approached Him: The Supreme Personality of Godhead said: "*Sinful people will come to you and upon bathing will give you their sins. You must remain like this on earth for 5,000 years of the age of Kali.*"

*O Ganga, then there will be many devotees worshiping Me by My mantra, and merely by their touch, glance and bathing all those sins will be immediately burnt. Thus, Sri Krishna informed the appearance of a powerful devotee who would spread the chanting of His names worldwide.* Reference: *Brahma-Vaivarta Purana. (Krishna-janma-khanda, Chapter 129, 49-51*

The mlecchas who are born from mixed countries ruled by descendants of Kasyapa (demons) and the Sudras will become Brahmanas by initiation. They will wear sikhas and brahmana threads and will become well versed in the uncontaminated fruit of the Vedas (Srimad Bhagavatam). They will worship Me by the Yajna prescribed by the Lord of Lords, the protector of Sacidevi, Sri Chaitanya Mahaprabhu. *Bhavisya Purana, Pratisarga Chapter 20 verses 71-73*

Lord Caitanya foretold the coming of an empowered devotee who would take the sankirtana process everywhere: "I want to flood the whole world with the chanting of the holy names. I will personally preach and flood India with harinama sankirtana, chanting of the holy names. And My Senapati Bhakta (great devotee commander) will come, preach in different countries and flood the world with the chanting of Hare Krishna. Reference: *Sri Caitanya Bhagavata , Antya 4.126*

Srila Bhaktivinod Thakur

A personality will soon appear to preach the teachings of Lord Chaitanya and move unrestrictedly over the whole world with his message

--- *Sajjana Tosani – Nityadharmas Suryodoy*".

Srila Bhaktisiddhanta Saraswati Thakur

However long in the future, it may be, one of my disciple will cross the ocean. That devotee will bring back the whole world Reference: *Navadvip parikrama*

Sripada Ramanuja (Shri Sampradaya) predicted :

"The pure devotion to Sri Hari devoid karma and jnana will grow and grow like a banyan tree covering the whole world, teaching everyone who takes shelter." [Prapannamrta Tarpana - last chapter]

Sripada Madhavacaryar (Brahma Sampradaya) predicted :

"The real knowledge of the difference between jiva and Sri Hari and the service of Sri Hari will spread all over the world very shortly." [Anu Madhva Vijaya - last chapter]

Vishnuchitta Predicted :

"There will come a race which will tread the earth with raised hands and vertical tilaka mark on their foreheads, who will chant the names of Hari; this will destroy the influence of Kali." [Divyaprabhanda]

In the Holy Bible Predicted by Jesus

Lord Jesus speaks of "another counsellor" that God, the Father would send to Earth to "remind you of everything" the Lord Jesus has spoken about.

These scriptural evidence witness that your appearance and activities are absolutely under the sweet will of the Supreme Lord, we are so fortunate to hear your glories, may my attention completely observed in your glories

Last year I got an opportunity to witness the "Chaitanya Padukotsava and Swarna Ratha Yatra in Vrindavan" many devotees got the opportunity to serve the lotus feet of Lord Chaitanya in the holy land of Vrindavan. This is only by the mercy of

your Divine Grace. And witnessed the new project in Sri Radha Damodar temple ( Panchatattava Temple ) in the courtyard of Srila Rupa Goswami Samadi.

All the manifesting things are living proof for your ever ending lilas in this world and continuously reciprocating from your sincere disciples. All glories to your Transcendental Pastimes.

Whenever I am reading the Krishna book able to perceive your intense desire to express the mission of Krishna for the living entities and it increases my surrender to the Lord, All glories to your writings.

You see everything in relation to the Lord, Sometimes I was always in deep state of confusion that how to perceive the lord ..... and searching in many books and words and lectures.

You have mentioned in Sri Isopanishad that

“Learned devotees accept even conditions of distress as representing the presence of the Supreme Lord. When a devotee is in distress, he sees that the Lord has appeared as distress just to relieve or purify the devotee from the contamination of the material world. While one is within this material world, one is in various conditions, and therefore a devotee sees a condition of distress as but another feature of the Lord. *Tat te'nukampām susamīkṣamāṇaḥ* (SB 10.14.8). A devotee, therefore, regards distress as a great favor of the Lord because he understands that he is being cleansed of contamination. *Teṣām ahaṁ samuddhartā mṛtyu-saṁsāra-sāgarāt* (Bg. 12.7). The appearance of distress is a negative process intended to give the devotee relief from this material world, which is called mṛtyu-saṁsāra, or the constant repetition of birth and death. To save a surrendered soul from repeated birth and death, the Lord purifies him of contamination by offering him a little distress. This cannot be understood by a non-devotee, but a devotee can see this because he is vipaścīt, or learned. A non-devotee, therefore, is perturbed in distress, but a devotee welcomes distress as another feature of the Lord. *Sarvaṁ khalv idaṁ brahma*. A devotee can actually see that there is only the Supreme Personality of Godhead and no second entity. *Ekam evādvitīyam*. There is only the Lord, who presents Himself in different energies.”

A sincere devotee earnestly desires to go back to the Lord's abode. Therefore he willingly accepts the Lord's merciful punishment and continues offering respects and obeisances to the Lord with his heart, words, and body. Such a bona fide servant of the Lord, considering all hardship a small price to pay for gaining the personal association of the Lord, certainly becomes a legitimate son of God, as indicated here by the words dāya-bhāk. Just as one cannot approach the sun without becoming fire, one cannot approach the supreme pure, Lord Kṛṣṇa, without undergoing a rigid purificatory process, which may appear like suffering but which is in fact a curative treatment administered by the personal hand of the Lord.

When I was reading the Letter to Tejiyas Bombay 19 December 1972

Don't get disturb Krishna does not like to see His sincere devotee suffer or become frustrated or depressed. He will not stand idle by in any such case, so do not fear on that account. Krishna has got some plan for you, always think in that way, and very soon He will provide everything to your heart's desire.

You have revived the Lord in your words, you have reviled the Purpose of existence

All glories to your Vani which conquer my intelligence. Your words reveal the secrets of devotion and protect us from the clutches of Maya.

May your words spread to all the hearts.

Increased faith in Lord, Understanding of Lord, and feel his protection in life.

In this auspicious occasion, I beg forgiveness for my offenses committed at your lotus feet and to Your disciples of your divine grace.

Please place me in your divine service at Your lotus feet.

Thank you Srila Prabhupada for your causeless mercy.

Your Servant, Shraavananda Dasa,

## Shyama Madhava Dasa

---

Dear Srila Prabhupada,

Please accept my humble obeisances unto your Lotus Feet. I am feeling very glad to pay this respectful homage on this auspicious occasion. In this homage, I want to take a privilege to glorify my Spiritual Master, Srila Prabhupada's mercy on the conditioned soul like me.

In one of the sessions on "Pastimes of Golden Avatara ", HG Vasudeva Kesava Prabhu narrated a beautiful analogy on Supreme Lord Chaitanya Mahaprabhu's mercy. It was learned that a drop from the ocean of Sri Chaitanya Mahaprabhu's mercy can inundate the sinful tendencies in a human being which are even more than mountains like Mandara and Sumeru, whose heights are in Lakhs of miles. Then, all of sudden a thought came to my mind. If the Lord is showering such huge mercy, what could be the mercy of my spiritual master, which reformed innumerable ordinary souls into dedicated devotees of Supreme Lord Krishna. That is the grandeur of my spiritual master, A.C Bhaktivedanta Swami Srila Prabhupada.... Srila Prabhupada, with your kind permission, I want to share an instance that made me realize that your mercy is always upon me in all conditions of life.

From the beginning of my Krishna Conscious life, I was grown amidst of devotees with utmost spiritual protection, just like a little sapling taken care of by a gardener. But in due course of time, weeds started growing around me. Due to developed familiarity and boosted false ego, started committing Vaishnava offenses and unable to judge where my spiritual journey is leading to..... At that moment of bewilderment, your golden merciful instructions delivered by our temple president Sriman Niskinchana Prabhu made me understand that these tribulations are all happening as a part of the mercy of spiritual master to get me purified in this material world. It gave me great solace and thus an understanding of your All-merciful nature one more time.

Recently, I went through a daily quote of your divine grace, extracted from your letter to Brahmananda Prabhu on 3rd May 1968. You were writing in it as follows.....

"One the day of our departure, I was expecting you in the airport, but I think as you are young man, you were tired on the last night, on 30th April on account of late arriving from the long Island meeting, and you couldn't get up earlier from your bed. In that sense, I am more active than you because on that night also, I got from my bed 4:00 AM, instead of 2:00 AM as usual, and I worked on my usual duties. So, young men should not simply eulogize my hard-working capacity, but I wish that you should follow the example." This gives me a lot of inspiration to work hard for your glorious movement.

But, Srila Prabhupada, due to laziness and weakness, I am unable to serve you nicely with full capacity. Please, bestow me your mercy to overcome this.

Your aspiring servant,

Shyama Madhava Dasa.

Dear Srila Prabhupada,

All Glories to You. Please accept my humble obeisances unto You.

*vancha-kalpatarubhyas cha kripa-sindhubhya eva cha  
patitanam pavanebhyo vaishnavebhyo namo namaha*

I offer my respectful obeisances unto the Vaishnava devotees of the Lord. They are just like desire trees and can fulfill the desires of everyone, and they are full of compassion for the fallen conditioned souls. Srila Prabhupada You are the real inspiration to me in doing devotional Service to Krishna. Please bless me so that I will be able to maintain an insignificant portion from your ocean of Spirit in Doing Devotional Service to Krishna. Especially when you are sick or in ill condition

you never came out of Krishna Consciousness and always think how to expand this HKM. All glories to you and your Spirit. Sometimes I commit mistakes and regrets, during that time, I will get a solution to rectify my mistakes either from your books/lectures/devotee's association/quotes, with this my faith in you increased because you are the outside manifestation of Paramatma. Thank you for your guidance. All glories to you.

Srila Prabhupada you stayed 6 years in Radha Damodar temple and got the personal Darshan of Srila Rupa and Sanatana Goswami. You are empowered by the Lord Chaitanya and these Goswamis to spread the Holy Name of Krishna entire world. Once a reporter asked you why Lord Chaitanya didn't go to the western world to preach? for that, you gave a reply that Mahaprabhu left that task to me in order to give credit to me. In recent SB class, I heard your Lila that one hippie from the nude club by hearing your kirtan and instruction that you all degraded stood up and inquired what is the graded life? Then with that inquisitiveness, he came along with you and later you transformed him as a sanyasi who later became a very great responsible devotee for ISKCON.

HG MPP started soulful Japa sessions with that I can able to improve my quality of Japa that may help me to please Nama Prabhu purely without any offenses. HG CPP is started explaining about your pastimes in America in the beginning days of ISKCON especially Mukunda Prabhu and their friends and how they came in touch with the movement and taken initiation and by your mercy, one car driver became a temple president of San Francisco. HG VAKP started classes about the Glories of Golden avatar- pastimes of Lord Chaitanya.

Factually outside people are suffering because of pandemic diseases but as your disciples, we are hearing the glories of Nama Prabhu, Golden avatar and your glories its all because of Your Mercy. All Glories to You Srila Prabhupada. Please shower your mercy upon this fallen conditioned soul to progress in the devotional service as well as chanting Suddha Nama.

Hare Krishna! Srila Prabhupada ki Jai! Nama Prabhu ki Jai!

Your insignificant beggar,

Sitanatha Dasa,

HKM – Visakhapatnam.

Dear Srila Prabhupada,

Please accept my humble obeisance unto your divine lotus feet. It gives me immense pleasure in trying to glorify the most merciful spiritual master of the modern world, your glorious pastimes are breath-taking and awe-inspiring. My heart gets filled with love and respect whenever I try to remember the struggle you have taken to follow the order of your spiritual master to spread the message of your beloved lord to the western world.

At an advanced age of 70 years, you have alone without any followers travelled to the west, in the boat for 40 days, suffering two cardiac arrests for awakening the sleeping souls. You used to sleep only for 2 hours at night and the rest of the time you were translating the transcendental literature. You always work for the benefit of mankind. Prabhupada how much you were dedicated to the Lord.

You are the greatest fortune for the people of today's world. You made the process of bhakti very simple to practice. You have taken great pains to gift the generations the message of the Lord through your books. But unfortunately, I have taken it for granted and have no proper enthusiasm for hearing your books. Oh! My dear Srila Prabhupada kindly bless me so that I can gain the required determination and strength to thoroughly read and understand your transcendental literatures.

It has more than one month that I came in touch with your teachings, your institution Hare Krishna Movement, Vishakapatnam, and wonderful disciples. Only by your unconditional mercy and guidance of your representatives, I have reached the level of chanting 16 rounds Hare Krishna Maha Mantra daily. But sometimes I am truly amazed by your causeless mercy for still allowing me to be engaged in your service overlooking at my faults. You can kick me but always

keep in the association of devotees. Please forgive me for the offenses that I may have committed knowingly or unknowingly unto the lotus feet of your divine grace or any other Vaishnava for that matter. Kindly give me proper intelligence to become humble and meek. Provide me the strength and determination to fully follow the instructions of my spiritual authorities. Bless me so that I can become part of Lord Chaitanya's mission.

Your aspiring servant,

Dear Srila Prabhupada,

Please accept my most humble obeisance at your lotus feet.

I am unqualified and unfit disciple for not able to perform the prescribed duties up to the expectations, hence I beg for your mercy so that I can render service which is pleasing to you. Please bless me that I can successfully discipline my thoughts, words, and deeds at all times, places, and circumstances so that I can engage more in your mission. Srila Prabhupada in the Chaitanya Charitamrta Madhya Lila one of the purport you gave a reference to how Lord Chaitanya Mahaprabhu personally showed by his own example of receiving supreme lord. In order to invite Lord Jagannatha the entire Gundicha temple was cleaned very nicely. Similarly one should keep his heart always clean and pure to invite Lord in his heart. Generally, consciousness is polluted with fruitive mentality. The greatest obstacle in the progress of spiritual life is fault-finding. Simply by hearing about Lord from a pure devotee one is fortunate to get rid of anarthas. I am very fortunate to have your Divine shelter.

Srila Prabhupada on this auspicious occasion I offer my gratitude for giving me more and more opportunities to serve the Lord in spite of my shortcomings. Srila Prabhupada, the modern world has never seen a spiritual master like you. You have

single-handedly launched a powerful spiritual movement that is revolutionising the entire universe. There are no more fortunate persons than those who have dedicated their lives to assisting you in your mission. In spite of their conditioned state, the devotees, who received your special mercy, are able to transmit the parampara knowledge to one and all. In this ocean of Kali-yuga madness, your kindness is daily being revealed more and more. It was you who taught us that life comes from life and that this life means preaching. The debt we owe you can never be repaid, but at least we can try by tolerating our conditioning and dedicating our lives to your preaching mission. This mission is simple for the simple and complicated for the complicated. Chanting Hare Krishna and introducing people to your books and to prasadam is simple and sublime. Thank you, Srila Prabhupada, for this simple, blissful and sublime life you gave us.

Thank you for offering us the possibility of going back home, back to Godhead, and never returning to this material world. We want to show our gratitude for empowering many of your sincere disciples to continue your mission even after so much of chaos in the movement immediately after your physical departure. Wherever you are, Lord Krishna is also present, and wherever Lord Krishna is, there is certainly a victory. Srila Prabhupada, my chanting quality also improved after attending soulful Japa sessions. I am obligated to HG Madhupandit Prabhu and all authorities for making such a nice facility. All Glories to Jagad Guru Srila Prabhupada and his beloved disciples.

Your servant,

Respected Srila Prabhupada,

Please accept my humble obeisance's unto your lotus feet on your 124th divine appearance day. Prabhupada by your causeless mercy I am able to continue in your movement. One more year completed in Krishna Consciousness movement under your divine shelter Prabhupada. Prabhupada I heard from senior devotees that to render service to Krishna is not an ordinary thing. Only by the grace of the Spiritual master we will get the opportunity to do service. Today because of your

mercy Prabhupada I am able to do few services. Even though the services are small you are kindly accepting even though they are faulty Prabhupada.

Just like when Lord Ramachandra was to construct a bridge to Lanka, great Hanuman and other monkeys were picking big stones and helping Lord Ramachandra but at the same time small squirrels also helping the Lord in picking small stones for the construction of the bridge and the Lord accepted their service.

In a similar way, Prabhupada so many senior devotees in our movement are doing many responsible services, working hard day and night only for your pleasure Prabhupada, myself doing a very small service but I want to please you with that service Srila Prabhupada. Kindly bless me Prabhupada for whatever service I may do let me give my 100% life and soul for that service for your pleasure Prabhupada.

Prabhupada in the association of devotees, reading your books, and attending SB classes I understood the true importance and glories of Spiritual master. A few months back when I was reading I came across the sloka Prabhupada.

In the Eleventh Canto of the Srimad-Bhagavatam (11.17.27), Lord Krishna tells Uddhava:

*acaryam mam vijaniyan navamanyeta karhicit  
na martya buddyasuyeta sarva deva mayo guruh*

*"One should know the Acarya as Myself and never disrespect him in any way. One should not envy him, thinking him an ordinary man, for he is the representative of the demigods."*

After reading this statement I understood how fortunate am I being your disciple in this movement Prabhupada.

Prabhupada from March 24, 2020, entire India is in lockdown because of Corona Virus and standstill. This affected students, professionals, business community, small scale industries, etc... Everyone was affected badly Prabhupada. But many good things happened to devotees in this lockdown period Prabhupada. By the guidance of senior devotees, we took this as an opportunity to grow spiritually. I want to highlight a few things.

Japa Yagna program – Prabhupada, this is such a nice initiative by your devotees wherein we made our congregation, donors, folk boys to participate in this and chant the Holy Names of the Lord on a daily basis even though they are at their places. We encouraged our people to chant more rounds in this hour of crisis which the world is facing. Many people responded to this Prabhupada and so many new congregations we got by this program where they are now chanting regularly. Initially, the new members started with few rounds and many of the new members are chanting now 16 rounds. This is just a magic Prabhupada. Those people whom we never met and are very new to this Krishna Consciousness movement took this Japa Yagna program and are chanting sincerely. Not only they but they are engaging their family members also to chant. When asked about the experience of chanting they said they don't have words as they are enjoying doing Japa and want to continue further even after lockdown. This all made possible only by your Divine Grace Prabhupada. Prabhupada I humbly request you to kindly shower your blessings to the souls who are chanting regularly and make their faith strong in chanting.

Soulful Japa Sessions – Prabhupada I don't have words to express how immensely we got benefited from this "Soulful Japa Sessions". Thanks is a small word Prabhupada but I want to thank His Grace Madhupandit Prabhu from the bottom of my heart for spending so much time to us. Daily 2 hours Prabhu is spending and educating us and inspiring us very much about how to do "Soulful Japa" for the pleasure of the Lord. Because of the lockdown period, Prabhu has taken 81 sessions till now on "Soulful Japa", daily one session Prabhu is taking and has given so many tips on "Mindful Japa" and "Soulful Japa". This is really a great bonus for us Prabhupada in this lockdown period. Frankly admitting Prabhupada that I have not attended some sessions in between because of services but these lectures again I will hear one by one carefully and try to follow those instructions for my better chanting which is the purpose of this workshop. Because Prabhu has taken so many pains and taught us on this "Japa Modules" I want to carefully follow the instructions given by Prabhu on chanting Prabhupada. Prabhupada please bless me to chant clearly and attentively Hare Krishna Maha-mantra for the pleasure of the Lord.

Prasadam distribution to needy and Kits distribution – Prabhupada, your favorite program which is prasadam distribution went on very nicely during the lockdown period. We served prasadam to many government officials, Police officials, Stranded people, Patients and patient attendants in KGH Hospital, all the shelters in Visakhapatnam run by the local municipal corporations, and many other places. So much prasadam was distributed and our volunteers and staff worked hard to achieve this Prabhupada. Almost 3.5 lakh meals were distributed during this lockdown period Prabhupada.

Also Prabhupada, we distributed more than 30,000 kits (essential grocery items) for the needy people. Almost more than 1.5 months and 250 volunteers participated in this service Prabhupada. So many challenges and issues were there but at the end of the day by your mercy everything went on nicely Prabhupada.

During the prasadam distribution program, we got new donors also and they expressed happiness for this program being done by us.

Jigyasa sessions for FOLK – Prabhupada by the guidance of Prabhu we started Jigyasa sessions for building FOLK during this lockdown period. Till now we conduct 4 series of Jigyasa sessions where students are attending sessions online and to tell you Prabhupada 95% are new students. Among that 50% retained and are moving to the next level Prabhupada. Among that few souls are regularly attending Japa session and are chanting. We want to continue more of these sessions so that students will get immensely benefitted and their response is also good Prabhupada. Those who have never done chanting are doing now and some are doing 16 rounds. This is a big miracle Prabhupada.

Prabhupada like this many miracles happened during this lockdown period and all the devotees are extremely benefitted and making the best use of this time. Personally I am very grateful and thankful to you Prabhupada for making me a small instrument in this movement by giving me an opportunity to execute services for your pleasure.

*mukam karoti vachalam pangum langhayate girim  
yat-kripa tam aham vande shri-gurum dina-taranam*

*"I offer my respectful obeisances unto my spiritual master, the deliverer of the fallen souls. His mercy turns dumb into eloquent speakers and enables the lame to cross mountains."*

Prabhupada on your divine appearance day please accept this insignificant devotee offering unto your lotus feet. I am expressing my words to you through a song Prabhupada. It's a very small offering but hope you accept Prabhupada. There may be many grammatical mistakes, the presentation may be wrong but I making a humble attempt to offer you with my limited knowledge. Kindly accept this insignificant devotee prayer Prabhupada.

Dear Srila Prabhupada,

I bow down to the divine lotus feet of my Guru Maharaj, who descended from Krishna's world to deliver the fallen souls. I worship lotus feet of my Gurudeva, who compassionately distributed Krishna Prem to this entire world.

The whole world is in the dark well of illusion. But by your total dependence on Krishna, you were able to enlighten the entire world you have delivered the message of Sri Chaitanya Mahaprabhu. And you have established International Society of Krishna Consciousness (ISKCON) all over the world to help living entities to cultivate Krishna consciousness, by associating with your disciples.

I was amazed by your life journey . How you started the ISCKON temple was really inspiring. Your devotion towards supreme Lord Krishna was an inspiration for endless number of people.

I came to know about ISCKON through one of my friend. He introduced me to devotees of ISCKON. Now today we are chanting Krishna mahamantra which is truly peace giving.

I wish whole world gets attached with your learning and bring love and happiness .

All glories to Srila Prabhupada

Srila Prabhupada ki Jai

My dear Spiritual father, Srila Prabhupada,

I offer my prostrated humble obeisances unto the dust of your lotus feet on this most auspicious occasion of Your Divine appearance day. All glories unto Your Divine Grace. Dear Prabhupada, to say that your activities and pastimes of spreading Krishna Consciousness are miraculous would be an understatement. No other magnanimous activity could ever be

comparable to your divine act of preaching the message of Lord Sri Chaitanya Mahaprabhu mercifully throughout the whole world. On reading Lilamrita and noting the kind of hardships that you have willingly gone through, at such an elderly age, in starting ISKCON and in guiding the western disciples who are from a contrast upbringing to become Vaishnavas and then in dexterously managing it to see to it that it grows into a worldwide confederation of 108 temples - all this while translating and writing relentlessly the transcendental literature of Krishna Consciousness, is simply unfathomable!!!

As I was listening to Your Divine Grace lecture today, I've realized what a major contribution you have done to this otherwise spiritually ignorant world. People suffer on account of sinful reaction, ignorance. Out of ignorance, they commit sinful action, and sinful action reacts. Just like a child, ignorant, he touches blazing fire, and it burns the hand, and he suffers. You cannot say that "Child is innocent, and the fire has burned." No. This is nature's law. Ignorance. So sinful activities are done out of ignorance. Therefore, the greatest contribution to human society is knowledge. And that knowledge, the supreme knowledge, is there in the Vedas. They are busy in temporary things for sense gratification, but they are not aware what is actual goal of knowledge. Nateviduḥ svārtha-gatiṁ hi viṣṇum: The goal of knowledge is to know Viṣṇu, God. That is goal of knowledge. (Lecture on SB 6.1.17 in Denver June 30,1975)

We are now reaping the fruits of your causeless mercy and compassion in establishing society and passing on this knowledge and teachings of Lord Sri Chaitanya Mahaprabhu for all the future generations to come, me being a lucky part of one of such generation to be over-flooded with your mercy in the form of dragging me out of the strong clutches of maya. Dear Prabhupada, because of my past sinful life and my deep desire to enjoy independent of Krishna, I have been born in this lifetime - into this world - at such a time - wherein, the society is constructed and maintained on the pillars of sense gratifications - where a child is taught and made to believe that sense gratification should be made the goal of life, by every single person he/she know, viz. parents, teachers, friends, relatives, so-called leaders and - wherein a person's success is measured by how good a sense gratifier he is. To put it accurately and concisely in Your Divine Grace words.... Into A Rascal Civilization. Myself, being a bigger rascal, have blended seamlessly into this construct of life because - after all - my inner desire due to my sinful life has matched with what the world has to offer me i.e., enjoy sense gratification. I started making plans for a life of higher education, social prestige, a well-to-do job and so many other things which ultimately will give me a cushioning ground to enjoy my senses uninterruptedly. Again to put it accurately and concisely in Your Divine Grace words.... I'm on Royal road to hell

Now for no apparent rational reasoning, I can make to explain why, but for Your Divine Grace Causeless mercy, there comes the divine intervention in the form of your teachings. You have opened my darkened eyes of ignorance through the torchlight of your most nectarean Bhaktivedanta purports. You've revealed to this sinful person through the medium of your most merciful devotees, that life of sense gratification is nothing compared to the life of serving Their Divine Lordships Sri Sri Radha Krishna. But, instead of utilizing your transcendental intervention, I think I've constantly fed my sinful tendencies more rather than the Bhakti-lata bija that you have planted, for if not why would I glide down from that most blissful life you've mercifully given me a chance to experience, back to the sense gratification world.

Yet, in spite of my short-comings, you are very merciful to still keep me under the shelter of devotees so that I won't glide back to my royal road of hell again. I'm eternally indebted to you, Srila Prabhupada and I beg for your mercy to give me the strength required to stop serving this rascal mind-ego-senses and utilize my prana fully to serve your instructions as my only life and soul. My humble prayer unto Your Lotus feet is to bless me that I'll remain always in the association of devotees as a humble servant of your servants. I beg forgiveness for all the offenses that I've committed knowingly or unknowingly at Your Lotus feet and also all the devotees. Aspiring to be at the dust of Your Lotus feet eternally.

Your most fallen servant,  
Bhakta Avinash.

Dear Srila Prabhupada,

Please accept my humble obeisance's. All glories to His Divine Grace A.C. Bhaktivedanta Swami Prabhupada, who successfully distributed the message of Lord Krishna throughout the world. His unparalleled purity and exalted status, is worshipable by the entire world. Hence he is the Jagad Guru of past, current and future generations to come. He is the ultimate expression of mercy i.e., the personality of mercy incarnation, to freely afford everyone with the opportunity to develop pure love of Godhead (Krishna Prema). He is the fountain head of Sri Chaitanya Maha Prabhu's mission

*prthivite ache yata nagaradi-grama ; sarvatra pracara haibe mora nama.*

["In every town and village, the chanting of My name will be heard."]

This was the mission of Sri Chaitanya Mahaprabhu, Srila Rupa Goswami, Srila Bhaktivinoda Thakura, Srila Bhaktisiddhanta Sarasvati Thakura Prabhupada and in fact of all our great Acharyas. Because of His grace, Srila Prabhupada, his selfless endeavour, the entire universe is now awakening from an age-old sleep of godless ignorance to the joyous and eternal sound of Lord Caitanya's harer-nama sankirtana.

Here we see that Srila Prabhupada was sent to save our planet, as Lord Chaitanya's *senapati* the great general.

By your grace, HDG Srila Prabhupada, so many persons once attached to grossly sinful activities such as meat-eating, intoxication, gambling and illicit sex life are now blissfully following the rules and regulations of *vaidhi-bhakti* under your expert guidance.

By your grace, HDG Srila Prabhupada, so many previously lost souls are now going back home, back to Godhead, the eternal abode of the Supreme Lord.

But most importantly, by your grace, HDG Srila Prabhupada, you have given us your association, your books, your instructions and your example. Now, by your grace, I humbly request that you so kindly bless me with the desire and ability to share these matchless gifts with each and every single conditioned soul in the material world, whom ever I meet. Please help me so that someday become your *real* disciple and serve you without reservation according to your desire. May this be my only wish / aspiration, life after life.

My only wish is for you to accept this poor fallen servant's offering at your lotus feet on this auspicious day celebrating your appearance in this world.

Your servant,

Bhakta Balarama Krishna.

Dear srila Prabhupada,

Please accept my humble obeisances. All glories to Your Divine Grace. Today is the most auspicious day for me. Since my mind is like a monkey always flickering here and there sometimes I do service to the Lord and sometimes I take nice association with Maya this duality was always running in my mind

Like all jivas I also promised to Lord that even after coming to this *mrutyu loka* I will worship Him (Lord). But I have forgotten all my promises and running like a mad man for happiness in this *dhukalaya*.

So Lord Gauranga also came and say *jiva jagho jiva jagho* even I don't woke up for his call too but you are *parma krupalu* even I catch the legs of maya tightly you will grab and pull me towards Krishna.

To stop this all flickering in my mind I need a master to control it. I saw so many so called spiritualists, they cannot control others mind they are not able to control there own monkey mind . But I heard you came from vraj dham, abode of Krishna, so please tie this monkey mind at lotus feet of Keshava.

O my spiritual father please be my master not only this life, "janme janme prabhu sei" life after life I want be your disciple. Since you are the only one person gave me hope I promise that I will follow your divine instructions so that you will take me back to Krishnaloka.

O my spiritual father please accept me as your disciple.

Your most fallen servant, Bhakta Bavan.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to Srila Prabhupada.

*he guro jnana-da dina-bandho svananda-datah karunaika-sindho  
vrindavanasina hitavatara prasida radha-pranaya-prachara*

*"O spiritual master, O giver of divine wisdom, O friend of the fallen, you are the giver of your own bliss and you are the only ocean of mercy. Although dwelling in Vrindavana, you have descended for the welfare of fallen souls like myself and you are preaching the divine love of Radha for Krishna. Please be kind upon me."*

I am very happy to offer Vyasa puja letter because it gives a connection with your Divine Grace and your Divine Hare Krishna Movement. It is because of chanting Hare Krishna maha-mantra, reading your books, constant guidance of devotees and engagement in devotional service, I am able to understand the transcendental knowledge. It is a boon and the opportunity which gets after several lifetimes to be in connection with Lord Krishna and his pure devotees. Fortunately I got opportunity to serve a little in your mission. It is because of your divine grace I got opportunity to visit Holy Dhams and keep me engage in visiting dhams and spreading krishna consciousness. The devotees are very affectionate towards me even though I am grossly engaged in materialistic life. It is the Spiritual Master who shows the way to serve Krishna and to get the love of the Lord. In material life one cannot guide others. As the Bhagavatam (7.5.31) says " andha yathandhair upaniyamanah ". As blind men guided by another blind man miss the right path and fall into a ditch. We are fortunate to come under your shelter and I beg you to keep me engage to serve your mission throughout my lifetime. All Glories to Sri Guru and Gauranga, Thanking you Prabhupada.

Your servant, Bhakta Bhanumurthy.

నేను గత సంవత్సరము నుండి హరేకృష్ణ మహామంత్రాన్ని జపిస్తున్నాను. జపం చేసిన దగ్గర నుండి ఏమైనా ఇబ్బంది వచ్చినా ఒకసారి స్వామిని తలుచుకుంటే ధైర్యం వస్తుంది. హరినామం జపం చేయటం వల్ల నాకు ఎన్ని సమస్యలు వచ్చిన, ఎక్కువ కాలం ఉండటం లేదనే భావన కలుగుతోంది. నాకు ఈ హరేకృష్ణ మహామంత్రం మీ శిష్యుల ద్వారాగా అందించినందుకు మీకు చాలా ధన్యవాదములు గురుదేవా.

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet. All glories to you Prabhupada. You came here to enlighten us and take us back home, back to godhead through the instructions of Krishna. On coming to the material world you lived life of how a devotee should work for Krishna's service and please Krishna through the propagation of His teachings throughout the world. You are the commander in chief of Sri Chaitanya Mahaprabhu army and engaging us in the service of Krishna.

You gave chanting of 16 rounds and chanting is such a mantra that is like a medicine which helps us to grow spiritually and also it helps to get us mental peace. It is the mantra which makes our consciousness pure and our mood will be in service attitude and also becomes humble. We will be very grateful for all those things you have done to us. You wrote books and those books are like speaking to us directly, that is the magic of your books Prabhupada, Thank you Prabhupada for all those books which you gave us. Those are the eternal gifts you gave to the world in the present age of Kaliyuga.

Recently Prabhupada I wrote Gate exam and secured a good rank and it is entirely because of mercy showered on me by you and Sri Sri Radha Krishna Chandra. Thanks for guiding me in every step. Prabhupada, now my father is chanting and my mother is also chanting a few rounds because of your teachings.

Dear Srila Prabhupad, please forgive me if I have done any Vaishnava aparadha. Thank you Prabhupada for everything you gave to us and forgive us if any mistakes.

Dear beloved Srila Prabhupada,

Please accept my humble obeisance's in the dust of your Lotus feet. All glories to your divine grace Prabhupada thanks for coming to this material world to save from this "dukhalaya". Prabhupada because of your support and Mercy of "Lord Krishna" i am chanting 5 rounds of Hare Krishna Mahamantra, due to your support I am able to read at least few slokas of Bhagavad Gita.

When I get distressed I use to quote a sloka in Bhagavad-gita that is

*"yatra yogeshvaraḥ kṛṣṇo yatra pārtho dhanur-dharaḥ tatra śhrīr vijayo bhūtir dhruvā nītir matir mama"*

a great Saint "Sanjaya" says to "Dhritarashtra" that wherever Krishna that means Vishnu resides and wherever Arjuna that is a great devotee resides there will be great opulence and victory.

Prabhupada now onwards I will try to increase my rounds of chanting and also I will try to read Bhagavad Gita at least half an hour Prabhupada. Please give me some strength to worship Lord Krishna and also to propagate your message of Krishna consciousness.

Thank you, Prabhupada.

Your beloved servant,

Dear Prabhupada,

Please accept my humble obisences. All glories to srila Prabhupada.

I am very happy to know about the real knowledge of Krishna through your lectures and books. I came into touch with the Hare Krishna movement through a devotee and came to know more about Krishna consciousness by Hare Krishna Movement Vizag.

Many times I used to fall under maya, thinking of unnecessary tensions at that time I used to remember your words that "Everything is temporary" and our real aim is to go back to our Supreme abode of Lord Krishna, that makes me to come back to real track. Now also I am in touch with Hare Krishna Movement, Vizag. I am getting continuous guidance and your quotes which is helping a lot for me in any situation.

Many thanks Prabhupada for your mercy upon me and please guide me to the right directions and give me more Krishna bhakti.

Your humble servant,

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet. All glories to His Divine Grace Srila Prabhupada. Prabhupada, by Your causeless mercy upon this fallen conditioned soul, I received the teachings and pastimes of Lord Sri Krishna through your Lectures and Literature. To save the conditioned souls from this suffering world, with an ocean of mercy you gave the Hare Krishna Maha Mantra

HARE KRISHNA HARE KRISHNA KRISHNA KRISHNA HARE HARE

HARE RAMA HARE RAMA RAMA RAMA HARE HARE

By chanting these Holy names of Lord, I experienced the process of purification within the heart and developed the service attitude towards the lotus feet of Guru and Krishna. Through your movement, I got the opportunity to render services to you (my spiritual master) and Lord Sri Krishna. I'm very thankful to you and devotees of this movement for your kind hearts upon this fallen soul. I offer my prayers at the lotus feet of Srila Prabhupada for giving me a proper understanding of his divine instructions and to render services always in Krishna Consciousness. Dear Srila Prabhupada,

Please accept my humble obediences. All glories to Your Divine Grace.

On the occasion of your divine appearance day, I am very blessed to write this letter of offering to the universal guru. With Your Divine Grace I came in touch with Hare Krishna Movement, the movement which will enable us to understand the transcendental knowledge. It is because of this movement I am able to chant the Hare Krishna Mahamantra, read your books and spend some valuable time in devotional service.

Today the whole world is facing a severe crisis and is in even danger of its own existence due to a small invisible virus. If the science and technology was not able to find cure from a small virus how can it understand even smaller and complex material called "atma". It is only because of your preaching and books I came to know the real existence of me. Even if the whole world is in a panicked state, we all devotees of Krishna are in strong determination that Lord Krishna will take care of everything.

It is because of your holy blessings I am very fortunate to visit holy Dhamas like Vrindavan, Jagannath puri, Mangalagiri r etc., and enjoyed pastimes of the places.

Please excuse me for all mistakes which I had done knowingly or unknowingly and help me to keep engaging in your mission.

Thanking you,  
Bhakta giridhar.

Dear Srila Prabhu Padha,

Please accept my humble obeisances. All glories to Your Divine Grace.

On this occasion of Vyasa Puja 2020 I would like to thank you Prabhupada for including me also in Krishna's consciousness. Because until my completion of intermediate, I didn't know the importance of Krishna's consciousness and also about Bhagavad-Gita. But once I came to know about the Hare Krishna Movement during Janmaastami 2019, I really enjoyed by doing service and praying to lord Krishna. Those three days are memorable days in my life.

From that day I started practicing chanting Hare Krishna maha manthra and also started reading Bhagavad-Gita, at least one sloka every day. I enjoyed the sankeerthans and teachings whenever I visited the temple run by your disciples and their love and affection with us. And I also want to continue to attend the classes about KRISHNA CONSCIOUSNESS...

I am really thanful to you....

Hare Krishna.

Your humble servant, Bhakta Giridhar.

Respected Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet. All glories to you Prabhupada.

You are giving association with your disciples, you are giving spiritual knowledge, you showed the path of perfection, you gave the information about me(soul), you told the relationship between Krishna and me, you gave the devotional service and importance. Even though I didn't ask, you gave all those without any qualification. Without you I am useless soul. You are the Ocean of mercy. Please enlighten me, I am in ignorance and have attachments. Please forgive me for my offences. You said that if we give with two hands then Krishna gives with unlimited hands. In my life I faced some difficulties but by your support I do not get any sorrow like normal people. Now Krishna and you are giving so much and helping in all sides but I am unable use this opportunity. Please guide me Prabhupada. Finally I want to surrender unto Krishna. Please accept me and remove obstacles in my devotional service and be with me.

ప్రభుపాద మీ కృప వలన ఈ హరే కృష్ణ మూవ్మెంట్ లోకి వచ్చాను. మళ్ళీ నన్ను భగవంతుడు యొక్క పాదపద్మాలకు సేవ చేసే భాగ్యాన్ని కల్పించారు. ఆ దేవాదిదేవుడు శ్రీ కృష్ణ భగవానుని లీలలను, శ్రీశ్రీ నితాయి గౌరంగ యొక్క లీలలను, కీర్తనలను విని కీర్తించే భాగ్యాన్ని కలిగించారు. శ్రీ కృష్ణ భగవానుడి యొక్క నామ, రూప గుణగణాలను తెలుసుకొనే అవకాశం కలిగించారు. ఎలా అయితే ఒక తల్లి తన పుత్రునిపై కరుణ, కృప, ప్రేమానురాగాలను చూపుతుందో, మీరు కూడ పూర్తి కరుణ, కృపలతో ఆ భగవంతుడితో సంబంధాన్ని ఏర్పరిచి, అయన నామాన్ని ప్రతి నిత్యం జపించి, కీర్తించే అదృష్టాన్ని కలిగించిన గురుదేవులకు నా యొక్క గౌరవపూర్వక ప్రణామాలను అర్పిస్తున్నాను. ప్రభుపాద మీ కృప వలన నేను కృష్ణుని జన్మస్థలం మధుర, వృందావనం వెళ్లి దర్శనం చేసుకున్నాను. అక్కడ కృష్ణుని లీలలు, గోవర్ధనగిరి, రాధాకుండ , శ్యామాకుండ తీర్థ స్థలాలను దర్శించి ఆ యొక్క లీలలు గురించి తెలుసుకున్నాను. మీ దయవలన ఇప్పటికీ ఆ లీలలను గుర్తుపెట్టుకున్నాను. ఇదే కాకుండా జగన్నాథ రథ యాత్రకు కూడ వెళ్ళాను. అక్కడ జగన్నాథుడు, బలదేవ, సుభద్రలను దర్శనం చేసుకున్నాను. దేవాది దేవుడైన శ్రీ కృష్ణ భగవానుడు స్వయంగా తానే భక్తుడు రూపం లో అవతరించి ఎలా ఐతే కృష్ణ ప్రేమను అందరికీ పంచిపెట్టారో అలాగే ప్రభుపాద మీరు కూడ ఈ భౌతిక ప్రపంచంలో అజ్ఞాన అంధకారంలో వున్న మాలాంటి ఎంతో మందికి కృష్ణ భక్తిని అందించారు. దానికి మీకు సర్వదా కృతజ్ఞతలు. ప్రభుపాద మీ భక్తుల సాంగత్యంలో వెళ్లిన యాత్రలు అన్నిటికీ ముఖ్య కారణం కృష్ణ భక్తి పెంచుకోవాలి అనే ఆసక్తితో వెళ్ళాను. యాత్రకు వెళ్లిన ప్రతిసారి జపం చేయడం, శ్రద్ధగా వినడం, సంకీర్తనలో పాల్గొనటం మొదలైనవి కృష్ణ భక్తిని పెంచుకోవటం అని అర్థం అయింది. కాని నాకు ఇంకా భక్తి రాలేదు ప్రభుపాద. కాబట్టి నేను మీ భక్తుల సాంగత్యంలో ఉండే అవకాశాన్ని కలిగించండి ప్రభుపాద. మీ దయ వలన శ్రీశ్రీ నితాయి గౌరంగ లకి కొంత సేవ చేసే అదృష్టం కలిగింది. మరింత సేవ చేసేలా మరియు కృష్ణ భక్తిలో పురోగమం చెందేలా నన్ను ఆశీర్వదించండి ప్రభుపాద.

ఇట్లు మీ సేవకుడు, భక్త హరి.

My dear Spiritual Master, Srila Prabhupada ,

Please accept my humble obeisances unto your lotus feet ,

*Ananta-samsāra-samudra-tāra- naukāyitabhyām' guru bhaktithabhyam,*

*Viragya samrajyadha poojanabhyam namo namha Sri Guru padkukabhyam.*

*The crossing of this endless ocean of samsara (this mundane world) is enabled, by the boat that is sincere devotion to the Guru, showing me the way to the valuable dominion of renunciation, O dear Guru, I bow to the holy sandals*

"O spiritual master, O giver of divine wisdom, O friend of the fallen souls, you are the giver of your own bliss and you are the only ocean of mercy. Although dwelling in Vrindavana, you have descended for the welfare of fallen souls like myself and you are preaching the divine love of Radha for Krishna." The words are limited and not do enough to describe your ocean of mercy, to the whole world. Because of your causeless mercy, you gifted ISKCON to all of us, I called it as nothing but an earthly Vaikunta, where the devotees get trained to go back to godhead. When I was in full of worries, you inspired me to chant Hari's name, which makes immersive pleasure within myself and I made a friendship with Krishna, who is the Supreme Personality of Godhead himself.

Based on your teachings, I'm writing articles. While reading your books I came to know that 'Even computer doesn't work without RAM then how could my life work without Lord Sri Ram? Whatever good things which I have done and now I'm doing is because you only Prabhupad, all credits to you only! One of your quote i.e., " One's Goodness without God consciousness is Useless" inspired me a lot! Nothing I want in my life rather than shelter under your lotus feet.! Oh Master of the Universe, Kindly bless me to progress my activities in Krishna consciousness. Thank You so much Srila Prabhupada.

Your eternal humble servant,  
Bhakta Jeevan A J.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to you Prabhupada. Prabhupada as I chant Hare Krishna mantra, I realize that this was your gift to me. I am very fortunate to have a spiritual master like you. Prabhupada, I have read your life history in one book and the struggles you have faced and how you overcome those depending on Krishna really inspired me. You have spread Krishna consciousness through Hare Krishna Movement. Prabhupada I like the activities of the Akshaya Patra Foundation very much. I am very happy to say that this organization is providing food for millions of people all over India. Distribution of Prasadam to a huge number of people is a great idea and it is also a very difficult task. By associating with Hare Krishna Movement and the devotees here I disciplined my life Prabhupada.

Prabhupada I am attending the Bhagavad Gita classes conducted by your devotees. By these sessions and bhajans, I understood how to be near to Krishna. And the most important part of our sessions is Prasadam. I am staying in your hostel maintained by your devotees and a lot of things I learned Prabhupada and you also taught me how to grow in life. I also felt happy the way your devotees are preaching to make people Krishna Consciousness. I am very thankful to you Prabhupada for making me associated with this movement which helped me to grow spiritually. Once again I am very thankful to you Prabhupada for giving me such a nice life as your servant. Thank you, Prabhupada.

Your servant,  
Bhakta Karthikeyaraju vysyaraju.

Dear Srila Prabhupada,

Please accept the humble obeisances of this most fallen servant at the dust of your lotus feet. All glories to you! All glories to your Divine Grace! Prabhupada, by your Divine grace I got the seed of bhakti in my childhood. But due to ignorance, I didn't water it nicely, which let me deeper into material existence. Again by your Divine grace at the age of early '20s, I came to the association of devotees & desired to achieve eternal happiness, which is only possible with Krishna consciousness. Then started chanting on the beads, attending the Aaratis & the devotional service which brings eternal peace to the human race. These are the most invaluable gifts given by you to the conditioned souls like me. Your wisdom bites are the snake bites to the six enemies which are the impediments to the one who wants to be serious in Krishna consciousness. Srila

Prabhupada, I am continuously getting bites from those enemies. But due to lack of sincerity, I am constantly degrading in spirituality and increasing the material propensity that decreasing my capability to attain the goal of Krishna consciousness. Prabhupada, please chastise me continuously and constantly engage me in your devotional service, the only means by which one can absorb the essence of KRISNA's pastimes which delivers the fallen souls and reach Supreme abode.

Your unworthy servant,  
Bhakta Krishna Chaitanya.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to you Srila Prabhupada. I am writing this offering with gratitude and humbleness to your glory of transforming people to Krishna Consciousness. I was first given the Hare Krishna Mahamantra by Sri Amberish Prabhu on an auspicious day and made me know the glory of yours. From then onwards I'm trying to follow the path shown by chanting Hare Krishna Mahamantra to reach the eternal self. I felt really blessed when Sri Yaduraj Prabhu has given us the opportunity to go to Sri Brindavan Dham in the year 2017 which was a very blissful experience of Sri Radha Krishna and while doing Govardhana Giri pradakshan and while going to Barasana has increased my devotion even more towards Sri Radha Krishna and from then on I started to chant the whole 16 rounds of Hare Krishna Mahamantra as much as I can and would miss my chanting only under utmost urgency. I'm very much glad and honored to respect your Lotus feet by considering my life journey being headed this way. Thanking you.

Your servant,

Bhakta Lakshmana Rao.

Hare Krishna, Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to you. Prabhupad, I have been following the principles as told by you and senior devotees from the past 5 years. I am chanting 6 rounds (but not regularly), listening to lecture of senior devotees, Reading Bhagavadgita, Listening to kirtans, offering to Lord Krishna. Though I am not following them regularly I can observe a lot of change in me. Prabhupad you have given me the opportunity many times to serve you and Krishna by alter cleaning service, kitchen maintenance, Deepotsav service, prasadam distribution service, and Abhisekham service and many other services which are really beautiful and inexpressible in words. Chanting and dancing during the tour to Vrindavan and many nearby temples is really beautiful. But I further need to improve to follow instructions as told by you with more understanding. Please show more mercy on me. Please give more strength to my mind to follow the prescribed duties without deviation. Thank you Prabhupada for giving me this opportunity.

Your servant,

Bhakta Lakshmi Narayana M.

Hare Krishna Prabhupada,

Please accept my humble obeisances. All glories to you Prabhupada.

I am very glad to offer homage unto your lotus feet. After coming under your shelter my thoughts and activities changed a lot, I mean centralising Krishna all the time. I'm doing 16 rounds of chanting regularly, few times I missed it due to unsupported circumstances, kindly forgive me for this mistake. Prabhupad ji as I promised last year that I'll read Srimad Baghawad Gita as it is completely, with your grace I fulfilled this promise. Guruji frankly telling it is the first book in my life I read completely. my confidence in Krishna consciousness increased hugely after reading Srimad Baghawad Gita. Thank you so much for your explanations. One more important thing prabhupad ji, from last December 2019 onwards we started deity worshipping of Sri Sri Nitai Gaurang. Initially we struggled to do the deity worship where as after seeing Sri Satya Gaura Chandra prabu video we got proper guidance in this matter now worship is going fine and well. It is really astonishing that deities are reciprocating and making us to understand the importance of their presence, now we could allow to feel deities as part of family. My wife is new to Krishna consciousness but your mercy and Jagannath blessings she started journey Krishna consciousness, now chanting 4 rounds supporting me in all Krishna conscious activities. Kindly shower your mercy on us to become perfect in Krishna consciousness. Jai Prabhupada.

Your servant,

Bhakta Mahesh.

*"I offer my respectful obeisances unto my spiritual master, the deliverer of the fallen souls. His mercy turns the dumb into eloquent speakers and enables the lame to cross mountains."*

I remembered that in my childhood, one day me and my father were walking on road and passing through Hare Krishna Movement. At that time my father explained to me it is a very big organisation and called Akshay patra foundation, their main motto is not to see anyone hungry. I listened to my father words and it took time to understand. And again four years

ago one of your devotees came to Gayatri college to explain briefly what is life, what is the purpose of God's creation. I heard that words and started following Prabhuh. From starting day to till today I never disobeyed the regulations and the instructions given by your devotees. Daily I see and remember your teachings, instructions and sankirtan. Some days I may delay due to material deviations, but not totally forget Prabhupada. To overcome all the problems Your Grace said ultimate solution is to chant Hare Krishna maha Mantra. I am learning all your teachings and explaining to others. Your grace has taught us to remember Krishna always and chant the Holy names of the Lord.

Prabhupada, I learnt what is Krishna consciousness and actual meaning of human life. By your teachings I entered into Krishna consciousness movement. Without your teachings I am helpless Prabhupada.

Please bless me to continue my devotional service and whole of my life is to surrender to Krishna.

Please put me in divine path and bless me to practice Krishna consciousness.

Your servant,

Bhakta Mani Sai Manohar.

Dear Srila Prabhupada,

Please accept my humble and respectful obeisances. All glories to you Srila Prabhupad and all glories to all Vaishnavas. All glories to the Hare Krishna Movement established by Your Holiness all over the world. All glories to the Transcendental shelter ISKCON established for Fallen Souls like me. All glories to all your Transcendental literature works for benefiting the entire mankind. All Glories to the Saviour of the whole of mankind. As usual this year, with your divine grace and kind blessings, managing my book distribution project mostly by donating. This year I have faced strange situations from neighbours who are obviously enviously polluting the mind of my Sahadharmacharini (my wife) , faced from gruelling situations. But, with Your mercy, I have managed to cling on to the lifeline Japa 16 rounds and situations rapidly changed into my favour. Now everyone at my home is reading your books and chanting the holy name. This year I have been twice to Mayapur and Ekachakra Dham, this time Your divine grace favoured me by gifting me with your intimate and confidential Disciple's Holy Chakra Paduka's. Things have become favourable to my Krishna conscious endeavours after Holy Padukas arrived home. I should say some miracles happened this year, I was almost missing my assignment, but due to the intervention of your mercy, I was protected. Otherwise, I would have ended up in huge financial loss due to Lockdown imposed worldwide. Also due to Present workload, I am missing my studies of Bhagavad Gita /Srimad Bhagavatam/Chaitanya Charitamrita. Kindly shower me more mercy to overcome this hurdle. Without your divine grace sanction, Lord will not sanction anything. When there is no sanction of the Lord nothing happens. I am thoroughly convinced through your teachings my past sins are troubling me and pious activities are protecting & favouring me. But these are all temporary. Your divine grace is distributing Supreme nectar through Your teachings and books, but due to some of my past sins, I have been satisfied by taking only Stool and developed arrogance over the years. Kindly protect me Gurudev. Dear Gurudev, kindly allow me to beg your loving service at Your lotus feet and unlimited Blessings to continue my services uninterrupted. Dear Gurudev, please give me strength, courage and intelligence to perform my Sadhana (16 rounds Japa, BG and SB reading every day, practising 4 regulative principles, Ekadashi fasting). Please Protect me from any kind of bad association and attraction towards Women. Always in your service.

Your's humble servant of your servant's Servants,

Bhakta Manikyala Srinivas.

Dear Srila Prabhupada,

Please accept my Humble Obeisance's unto your lotus feet. Firstly I am very thankful to you Prabhupada for giving me this opportunity to know about Lord Krishna. With your help we will Know about the Lord by reading your books. As you know that at the present time the whole world is fighting with the Coronavirus. All the temples and centers are closed due to the effect of this virus and as a result, there is no association with the devotees. But they are doing more hard work to spread this Krishna consciousness movement by taking to Jigyasa sessions, conducting Bhagwat Gita classes online. So I am very thankful to you and all the devotees for this association. So by this affect of this virus, we are not celebrating any festival in a grand manner. Prabhupada please give your mercy so that in short while we will be visiting temples and take darshan of the Lord. By your mercy, I am doing service to Krishna and I want to do more and more service to Lord this year also. As I do many offenses in the service of the Lord either knowingly or Unowingly, So please give me strength that I don't commit offenses in the service of the Lord

Your Servant,  
Bhakta Mayank.

Dear Srila Prabhupada ,

Please accept my humble obeisances, all glories to you. Before coming to ISKCON I didn't know about Your Divine Grace. When I came to ISKCON fortunately, I think its decision of Krishna to come to the temple and after coming to ISKCON I found a little changes my self and I got opportunity to connect to spiritual persons and when I was chanting Hare Krishna mantra gives spiritual connection, feeling good. By devotees I came to know a few stories about Krishna and Srila Prabhupada. Before coming in contact with you I was living as an ordinary person with no strong faith on God and ignoring myself, but coming in contact with your teachings through your books, quotes, letters and by the preaching through your disciples that "I'm not this body I'm spirit soul", that this human form of life is meant to serve the Supreme Lord Sri Krishna, and my suffering is due to not accepting the God and His teachings, I felt happy. I'm knowing about Lord, chanting Hare Krishna mahamatra, taking nice delicious Krishna prasadam, serving lord, reading Bhagavad-Gita, travelling to many beautiful places of Lord like Vrindavan, Jagannath Puri, Simhachalam, Tirupati, and many more. But still there are many unwanted waves of dualities in my mind disturbing me by false thinking of my ignorance. Please give me strength to overcome Maya and make me pure disciple of yours. I heartfully want to serve you and Krishna forever and ever. Prabhupada give me strong faith and determination to be always in Krishna consciousness and serve you and Krishna

Your humble servant,  
Bhakta Mohan Rao.

Dear Srila Prabhupada,

*om ajsāna-timirāndhasya jśānāsjana-śalākayā  
cakṣur unmīlitaṁ yena tasmai srī-gurave namah*

I offer my humble obeisance's at your lotus feet. My dear spiritual master, I am very indebted to your causeless mercy which you are showering upon a fallen soul like me. I am very thankful for being attached to your Krishna consciousness movement.

It is because of you that I have come to know who is Krishna and the purpose of this materialistic life. All humans think that we are this body which is nothing but just flesh and bones. We didn't come to know how much this materialistic body is being controlled by the five elements of nature until the entire world has been attacked by the Coronavirus pandemic. I have been badly affected by the Maya that I am not able to follow Krishna's consciousness strictly as earlier. Sometimes I even feel very bad about me due to my materialistic bodily disturbances, as I am not able to render my service in our temple events and activities. I am unable to dance and enjoy during the kirtans. This shows how much I am being controlled by Maya. Only because of your great disciples, I am still connected to Krishna consciousness. My dear Srila Prabhupada, only with your causeless mercy, I can get out of the clutches of the Maya.

Dear Srila Prabhupada, I beg unto your lotus feet to bestow me with your blessings and guide me towards spiritual progress. Because without your help I would remain on this material world like an unconditioned fallen soul.

I request you to fulfill the following wishes,

Give me the power to chant 'HARE KRISHNA MAHA MANTRA' very attentively.

Give me the strength to my body to do active service in our temple events and activities.

Always protect me from the bad association.

Prabhupada, please help me to advance in Krishna consciousness and to remain as a beloved servant of Lord Sri Krishna.

Your servant,

Bhakta Nanda Kishore M.

Respected and Dear His Divine Grace Srila Prabhupada,

Dandavat Pranamams unto your lotus feet. It's been 7 years under your shelter. I am writing this letter by comparing my life before 7years with the present day. Because of your association, I got the clarity that I am not this body and I have

Struck in this cage because I was not willing to do service to the lotus feet of Lord Sri Krishna. Yes Prabhupada, service must be the ultimate goal of everyone. Luckily, whenever there is a possibility I am doing it. Following 4 regulative principles and chanting 16 rounds turned my mind more comfortable. Especially during this pandemic days of Covid -19 with the innovative support of HKM VIZAG many of my family members were participated in Hari Naama Sankirtan through online. Mostly no one of my family members, relatives, friends, and students are not affected by COVID-19. Dear Prabhupada, somehow or other we are extending our life span but only some people who came in contact with you were able to get the knowledge of the ultimate goal of life. I am very much thankful for your caring and concern about my personal life. I am very much fortune by having this knowledge but my mind is sometimes out of my control. Hence, I am pleading you to give me more strength to be in Krishna consciousness. I'm literally begging you to be with me every day and every minute as my guru until I cross this ocean. Always desiring your service...

Your servant,

Dear srila Prabhupada

Please accept my humble obeisances All glories to you on this auspicious day of your appearance. A Bonafide spiritual master is like a light one should take guidance from him to get out of this dark material world. Today's date misleaders are everywhere, to get a real Guru is very difficult unless one has good karma account from past life and mercy of Krishna it is very hard to get a Real transcendental spiritual master. I was a confused soul who was seeking for absolute knowledge asking questions about everything around me sincerely since I was 17years old. By the arrangement of Lord, I got in touch with your divine books 2.5years back through one of your merciful disciples. I had never got a clear explanation about spirituality before reading your books, through your instructions my spiritual journey began. I can able to experience that your every instruction destroyed all my ignorance. Everyday morning we sing Guruvastaka, there one of the Verse is "*Saksad dharitvena samasta sastrair Uktas tatha bhavyata eva sadbhih.*" A spiritual master is representative of God Krishna that is the injunction of all Vedic scriptures. Similarly, I found your guidance in the form of your books, lectures always whenever I needed help to get out of a bewildering situation. That proves you're trikaladarshi who can see the past present and future. Whatever changes I have found in my self that maybe reduction of the test in sense enjoyment to improve in realizing test of harinaam is all because of your blessings. I have been praying and will be praying for your mercy so that I can render my insignificant service to Your lotus feet by spreading teachings of Lord Chaitanya to convert sense enjoy conscious fallen souls into Krishna conscious souls. Please accept me as your servant Prabhupada & allow me to be a part of Krishna's divine mission.

Yours sincerely,

Bhakta Raghunath Chakraborty.

I am doing 4 rounds of chanting Hare Krishna Mantra at present. I am not reading your transcendental literature daily. Sometimes only I am reading not daily. Prabhupada please give me your blessings to me to read your divine books daily without fail. I am not able to attend Saturday Bhagavad Gita classes which are happening in our temple. So please help and bless me Prabhupada to attend these classes regularly. Thank you.

Dear Acharya Bhaktivedanta Swami Srila Prabhupada,

Please accept my obeisance at your lotus feet and all glories to you Srila Prabhupada. I'm blessed to have the most valuable time to know about Aarati, Sankirtan, Chanting, Bhagavad Gita teaching, Prasadam, and many more. With all your teachings I came to know how important this human form of life. My single thanks will not be enough for the things which you made me know about Krishna Consciousness. By doing chanting day by day I came to notice the change in my life. Prabhupada please bless me to grow spiritually and chant more rounds.

Dear Srila Prabhupada,

I Offer my respectful obeisance's unto you Srila Prabhupada for giving me this opportunity to express my gratitude to you. This year, I heartfully want to say to you that because of your blessings, I have improved in my practice of Krishna consciousness. While hearing your lectures you would always stress on the importance of chanting, which keeps us strong in Krishna consciousness and you would also say that just by chanting Hare Krishna maha-mantra, Krishna will take care of us completely. From the Last two months I'm very happy because of the devotee association, Mangala arati, Bhagavatam class chanting in Folk Nivas.

*“sarva-dharmān parityajya mām ekaṁ śharaṇam vraja  
ahaṁ tvām sarva-pāpebhyo mokṣhayiṣhyāmi mā śhuchaḥ” (BG 18.66)*

*“Abandon all varieties of dharmas and simply surrender unto me alone. I shall liberate you from all sinful reactions; do not fear”.*

Srila Prabhupada I learned Krishna consciousness by your mercy. I learned the whole of my life surrender unto Krishna (Supreme Personality of Godhead). Please bless me to continue my devotional service and practice Krishna consciousness. Please put me in divine path Prabhupada.

Your Servant,  
Bhakta Sai Kumar Kanuri.

Please accept my humble obeisance's. All glories to Srila Prabhupada. Prabhupada, I still remember my first ever visit to ISKCON BANGALORE, in 2005. I couldn't believe my eyes, the way KRISHNA was being pampered was completely out of my understanding. After a few years in 2012, my association with HARE KRISHNA MOVEMENT VISAKHAPATNAM, made me understand our real position as the eternal servitor of the supreme lord. It is then when I understood why KRISHNA was pampered in such a pompous and splendid manner at ISKCON BANGALORE and any other VAISHNAVITE SHRINES. I can never forget the divine bhajans, Satsang with reason and logic, glorious festivities, selfless nature of temple inmates and evotees, lifetime of memories at FOLK Nivas, delicious prasadam at HKM VISAKHAPATNAM.

Thank you PRABHUPADA for guiding us in the process of devotional service and teaching the real way of human life.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to Srila Prabhupada. It's a really amazing time I had to spend in the last year at the folk hostel. We used to have a special event for every fifteen days in the folk hostels. I learned a lot while organizing the event. We also used to have a special spiritual trip in and around the city of Visakhapatnam and also sometimes we used to go for long trips. These trips have helped me to know the importance of visiting the temples and prabhuji's used to explain the past times of the temples visited in a great way. This year I had learned how to do various services in the temple and also participated in deity service to the lord during the eve of Gaura Purnima. All these are possible only due to the blessing of his divine grace Sri A.C. Bhakti Vedanta Swamy Srila Prabhupada. I am always ready to render my services to the temple whenever possible and will always be the humble servant to the spiritual guru Srila Prabhupada.

Hare Krishna dear Srila Prabhupada,

Please accept my humble obeisances. All glories to you Prabhupada.

This fallen soul is really fortunate to be associated with the Hare Krishna Movement for quite a few years. Due to your mercy, all our family members together used to attend Sunday "Bhagavad-Gita As it is" classes conducted in the temple regularly. I feel blessed to be able to do prasadam distribution service during festivals to devotees of the Lord Sri Krishna. I cherish the memories of being a part of many tips organized by HKM, VIZAG. Over the years I had been able to visit many holy places like Mathura, Vrindavan, Puri, Mayapur, Ahobhila, etc. I was able to understand the importance of these places via the pastimes explained very clearly and elaborately by the temple devotees.

I think I am blessed to be a part of the Akshaya-Patra Foundation for the past few years, which provides hot and nutritious meals to the poor and underprivileged.

All these are only possible by the Divine grace of Srila Prabhupada. Gurudeva, I am an irregular chanter of the holy name, Hare Krishna Mahamantra. I hope by your mercy, I will be able to chant seriously, regularly and to do more service of the Lord.

Your servant,  
Bhakta Sai Ram P.

Hare Krishna,

Dear Srila Prabhupada, Please accept my humble obeisances onto your lotus feet.

Thank you Srila Prabhupada! When there are many fake gurus outside, by whom people are being misguided, I got an opportunity to come in touch with Hare Krishna Movement established by you. For letting me into Krishna Consciousness. By your Grace I got an opportunity to visit many Holy Dhams. By your Grace, I got an opportunity to honor Krishna Prasadam. By your grace, I got a wonderful opportunity of association of Vaishnavas. By your, Bhaktivedanta purports even a dull brain like me was able to understand the complex subject matters in easy ways. In Bhagavad Gita 18.66: *sarva-dharmān parityajya mām ekaṁ śaraṇam vraja ahaṁ tvām sarva-pāpēbhyo mokṣayiṣyāmi mā śucaḥ* "Abandon all varieties of religion and just surrender unto Me. I shall deliver you from all sinful reactions. Do not fear."

By the above *Sloka*, I understood that only Lord Krishna can save us from this material ocean and repeated cycle of birth and death. But the only way to reach Krishna is to satisfy our spiritual master. In Guruvastaka Śrīla Viśvanātha Cakravartī Ṭhākura instructs us, in his famous prayers for the spiritual master, as follows: *yasya prasādād bhagavat-prasādo* "By satisfaction of the spiritual master, the Supreme Personality of Godhead becomes satisfied." Srila Prabhupada! By your causeless mercy upon us, an unfortunate soul like me was able to understand the importance of a spiritual master in one's life. At the age of 69 years, You've boarded Jaladuta carrying the orders of Srila Bhakti Siddhantha Saraswathi Thakur to preach this Krishna Consciousness and to distribute the mercy of Lord Chaitanya Mahaprabhu in the form of Hare Krishna Maha Mantra. In such a short span of 11 years, You have circled the globe fourteen times and established 108 temples. By your Divine Grace's, divine mercy, people from the whole world were able to experience the magnificent Lord Jagannath's Chariot Festival. There are many achievements by Your Grace where this conditioned soul cannot even describe.

Srila Prabhupada! If not your grace, I would have been chewing the chewed for many millions of lifes. Because of Your unconditional love, I have got an opportunity to reach Krishna's Lotus Feet. By Your Grace, I have got any hope of ending this repeated cycle of birth and death. Even though you have been showering your unconditioned love on me, still I was attached to this false enjoyment and material pleasures. Srila Prabhupada! I'm begging you, Please make me chant 16 rounds of Hare Krishna Maha Mantra daily. Please allow me to follow the four regulative principles. Please bless me to honor the Maha Prasadam. Please make me dance as you want and don't allow me to fall into the clutches of Maya. Please engage me eternally in your service. Please keep me under the divine shelter of your lotus feet.

Your most fallen servant, Bhakta Sandeep.

## Bhakta Santhan

Dear Srila Prabhupāda,

Please accept my humble obeisance unto your lotus feet. It is only by your causeless mercy we are able to chant the holy names of Lord Chaitanya Mahaprabhu and Nityananda Prabhu. You have taught us by example and guided us at every step through your valuable instructions on how to love Krishna.

Last year during Chaitanya Padukotsava when lords lotus feet which are nondifferent from the Lord himself have come to Vrindavan Chandrodaya mandir I developed impeccable faith in the Ritvik system and really how you have designed a system which was solely operating only on your Vani. After the lockdown, I was afraid of how I would get the association of your devotees as without association we will lose the strength to perform devotional activities especially the quality of chanting. But fortunately, by Your causeless mercy, I was able to digitally associate with your disciples, especially the soulful Japa sessions have improved the quality of the chanting.

You have given us so much opportunity to serve and become closer to Radha Krishna Chandra but unfortunately, I have been not using it sincerely. Prabhupāda I beg you to please give me a proper sense to chant the holy names of the lord and understand its importance. Please give me the spiritual strength in understanding your philosophy and attachment to lotus feet of your lordships Sri Sri Gaura Nitai. Please provide me with some seriousness to your service. It is by only your blessings that I can advance in Krishna consciousness. Please keep me detached from false prestige and bad association. Due to my ill desires and attachments, I'm unable to follow the promise I made to you Please give me the intelligence to disassociate myself from these material attachments and dedicate myself fully to your service.

Your most fallen servant,

Bhakta Santhan.

Dear Srila Prabhupada,

*namas te sarasvate deve gaura-vani-pracharine nirvishesha-shunyavadi-pashchatya-desh-tarine*

Please accept my humble obeisances. All glories to you Srila Prabhupada.

If there are a meaning and purpose to my life, the only thing which fulfills the purpose of my life is coming in touch with you and knowing about you. You had a great impact on my life that I would never forget you in my entire life.

I would like to thank you to bring me in contact with you by your mercy by sending devotees to our college for preaching sessions. Later I joined the folk hostel where I learned many things like chanting, doing arathi, playing Kartal, singing kirtans, reciting Bhagavad Gita slokas, knowing and following proper etiquette, organizing festivals, book distribution, visiting trips which I never thought of going, eating prasadam, attending Bhagavatam classes, and many more and most importantly receiving the Transcendental knowledge. I owe you for giving me so much that I cannot repay you with anything which I have. I still know and memorize many miracles which had been done in my life by your mercy like removing away obstacles when I do anything for devotional service and many more.

I feel very sad to see my friends who haven't got this knowledge and who commit many mistakes in ignorance even after say them many times that it is not correct. I myself have committed innumerable mistakes knowingly or unknowingly in front of you. I being an introvert has created a large scale of misunderstanding among devotees and me by which I hurt many of your devotees. Though I always confessed my self of not satisfying your disciples I have offended your disciples for which I always am in the mood of atonement. I beg your mercy to forgive me or rather punish me for the mistakes which I have committed by my false ego so that I could make progress on the path of devotional service.

I have got a lot of opportunities for service during festivals and never missed a chance of serving Krishna during festivals. Also, I had missed the service opportunities many times due to my college schedule and other commitments, I now am realizing what I had missed by giving importance to temporary over permanent. Your books, lectures, and conversations have such a power that whenever I feel low or insecure or wanted to achieve anything I just hear your lectures which will take away all my temporary feelings of depression, etc, and always stay high. I also feel sorry for many people in the modern

society who haven't got in touch with you and are simply wasting their very valuable opportunity of going back to home by committing suicide for very silly reasons.

Please keep me always in your service and bestow your mercy to be always in Krishna consciousness by protecting me against the attack of Maya.

Trying to be your servant,

Bhakta Sitaram.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories unto you.

I take this opportunity of offering a letter on Vyasa Puja as a blessing.

Prabhupada, it is the greatest benefit of this era that we can have the shelter of your lotus feet which is the best way to revive our lost connection to the Supreme Lord. The efforts you have taken to save the fallen souls of this Kali-yuga are ever debted. The spiritual assets like your books, lectures, and Krishna consciousness movement and parampara procedures are your presence and are blessings upon us and those are very meant to realize absolute truth. The simplified bhakti process of kali-yuga, Hare Krishna Mahamantra is boon to living entities and I am practicing it two rounds daily. The true Guru is one who lights up one's life with ultimate knowledge of life and you have torched our life with the same.

Kindly, bless me Prabhupada to become a servant of your devotee of devotee of (many numbers in down the line)God.

Dear Srila Prabhupada,

Please Accept My Humble obeisances unto your divine lotus feet. All glories to Your Divine Grace.

On this occasion of the 123 rd anniversary of your appearance, I would like to submit my offerings to your lotus feet. I am very fortunate to get in touch with *maha-mantra* and mission. I in the mode of ignorance and darkness tumbled in this world with a lot of miseries and dissatisfaction. After getting in contact with the mission and your books, all my ignorance overcame. Now in the path of spirituality. Until I came in touch with Krishna conscious I felt that life is meant for only sense gratification. But after listening to your lectures, from books and lectures from devotees, we came to realize what life is, why we took birth here, and whats our main goal in this lifetime. Through your teachings and instructions, we are able to know our own selves and relationship with Supreme Lord Sri Krishna.

After started chanting of *Maha-manta* which is the most powerful weapon which destroyed our obstacles in day to day life and we being enhancing into spiritual consciousness. By taking Krishna consciousness into my life it got more blissful and happy. Nothing in this universe can satisfy us except Hare Krishna *Maha-mantra*. Taste of *maha-mantra* is unmatched anything We got to know the importance of temples and Deity worship all by your teachings. The way we need to pay obeisance, behavior before Deities, the way we need to cook *prasadam* for the Lord, and the way honor *prasadam*. Each and everything was learned from your books and teachings.

I beg to show your causeless mercy towards my spiritual advancement in my life and make more souls follow the spiritual path. I used to chant only 8 rounds for a long time. I use to feel it's taking more time to finish 8 rounds and got the perception that I can't finish 16 rounds in a day. But after hearing the words from my guide, I started doing 16 rounds, now

I feel 16 rounds are easier and faster than 8 rounds. Prabhupada you are still with us in the form of books and lectures. Please help me to progress in Krishna consciousness more and more and more, protect me from clutches of Maya. Prabhu, I am very thankful for our Hare Krishna Movement which was started by Your Divine Grace many years ago. Thanking You Prabhupada.

Your Servant, Bhakta Siva Laxmana Kumar.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to you Srila Prabhupada.

Daily I'm chanting 16 rounds, chanting helps me to perfect in Krishna consciousness. Chanting Hare Krishna maha-mantra gives the internal peace to our heart and it gives the confidence to reach goals in our life. As I started chanting regularly I've experienced from the chanting.

I was struggling in college in my early semester due to a lack of motivation and focus. However, I started chanting. I gradually develop great mental focus and clarity. Became more efficient at doing things and sharpened my time management skills.

Before chanting I was living my life like and seeking happiness from temporary things but I really unhappy with this kind of lifestyle.

After I chanted regularly I've been incredibly happy ever since. Prabhupada, Hare Krishna Movement totally changed my lifestyle.

Your humble servant, Bhakta somasekhar.

Respected Prabhupad Ji,

Please accept my humble obeisances. All glories to your divine grace.

I would like to thank you for accepting me as your disciple and thank you for everything which has transformed my life by making me understand about Krishna Consciousness. I could understand the best way of utilizing this human life and its purpose. Concept of Bhakti Yoga and Devotional Services that you have made to understand everyone through your books and discourses is the path towards Krishna Consciousness which every individual will be God Consciousness,

Following your 4 regulatory Principles has made me more disciplined. I could realize by your grace that Supreme Personality of Godhead has given me this life to reach him and why I am wasting my life and why am I running around material pleasures.

By reading books written by you like Bhagavad Gita and Srimad Bhagavatam, it is an eye-opener about understanding the purpose of this human life and how to make the best use of it to go Back to Godhead. Your blessings may be bestowed upon me. Also, I could understand about sense gratification. It resembles Einstein's theory of Energy neither could be created nor destroyed but converted from one form to another form. Similarly, our Sense Gratification should be diverted to Krishna Consciousness.

Thank you again for everything and for making me to understand the real purpose of human life – BACK TO GODHEAD - - KRISHNA PRAPTI HOY JAHAN HOTE.

Thank you again for everything prabhupada.

Your Eternal Servant, Bhakta Somkumar P.

*namas te sarasvate deve gaura-vani-pracharine nirvishesha-shunyavadi-pashchatya-desha-tarine*

Please accept my humble obeisances unto your lotus feet. All glories to you Prabhupada. Prabhupada when I was new to ISKCON, every time when I think about you, hear about your past times, your sufferings during your old age, I used to think what is the necessity for this old man to suffer in that foreign land even though he is successful, he cannot fully see the fruits of his movement. Then after listening to some lectures and reading some books, I understood that it is your love towards Krsna and your Guru Maharaj, that thought just eluded me that is it really possible one can have so much love towards his guru than I heard from another pastime that you said: "Who told you Krishna and my guru are away from me they are with me in each and every step of my path". Then I understood that it is possible to achieve anything with the blessings of the guru. Prabhupada please bless your servant that I do the same as you instructed and bless me to be qualified to do your service.

Prabhupada, thank you for showing mercy on me because without you I can never realize the self and I don't know the truth of this world. Oh, spiritual master, there are so many living organisms in this world and human have the intelligence to know the truth and to know the self as said in Bhagavad Gita 7.3 *manuṣhyāṇāṁ sahasreṣu kaśchid yatati siddhaye yatatām api siddhānām kaśchin mām vetti tattvataḥ*

You have awakened the soul who are sleeping in the lap of maya as said in bhajan by HG. Bhakthi Vinod Thakur "jīv jāgo, jīv jāgo, gauracānda bole kota nidrā jāo māyā-piśācīra kole". It's impossible to thank one who has shown the true house of their father but I, this mundane soul is not even qualified to do your service properly and also to follow your instructions. Oh, spiritual master please show your mercy on this soul.

Oh, spiritual master give me the strength to chant the holy name, and please help to serve and be part of this mission of Lord Chaitanya. Give me the strength to serve the Vaishnavas and give me the knowledge to read your books and understand the scriptures. Bless me that I never lose the association of devotees and give me the interest in the devotees as Bali Maharaj and Prahalad Maharaj asked the association of devotees.

At last please accept my humble obeisances.

Respected Srila Prabhupada,

Please accept my humble obeisances. All glories to you Prabhupada. All glories to you on this auspicious day of your Vyasa-puja.Guru Maharaj, who descend from Goloka Dham to deliver the fallen souls and compassionately distributed Krishna to this entire world. Established international society of Krishna consciousness all over the world to help living entities to cultivate Krishna consciousness, by associating with your disciplines. During the pandemic, we are able to interact with temple devotees through online classes like chanting clubs and sessions on Bhagavad-Gita. As it is your vision to make every house a temple where the lord resides and an opportunity for householders to render personal seva to the lord by which consciousness is purified. I feel very strongly to know about Krishna consciousness only with your mercy I can practice Krishna consciousness. Please have mercy on me and to others who are trying to practice Krishna consciousness.

Trying to become a humble servant of your servants,

Dear Srila Prabhupada,

Please accept my humble and respectful obeisances unto your lotus feet. All glories to you Srila Prabhupada.

First of all, I should be very much thankful to you Prabhupada for giving the opportunity of writing a Vyasa-puja offering to you on your divine appearance day.

By your causeless mercy, I got the opportunity of chanting hare Krishna mantra which is like a savior to get out from the sufferings of this material world and this cycle of birth and death. Prabhupada all this year-long so many times I left the chanting of hare Krishna mantra and even then you gave me opportunities and reminded me to chant hare Krishna mantra. But whenever I chant hare Krishna mantra with the faith given by you Prabhupada I feel like very relaxing and I was thankful for all things you have done Prabhupada.

Recently many strong and controversial situations have happened which made me felt very low then and there I kept faith in you Prabhupada and Sri Sri Radha Krishna Chandra and chanted hare Krishna mantra which made me feel like strong and accepted the situation. Thank you, Prabhupada for guiding me in every step.

Please forgive me Prabhupada if I have done any Vaishnava apradha to the devotees and please forgive me for all the offenses I have done. Please increase my faith Prabhupada and please give me the strength to chant attentively and thank you for all your causeless mercy

Your servant ,

Bhakta Surya.

Dear Srila Prabhupada,

Kindly accept my humble obeisances. All glories to you Srila Prabhupada.

I feel to write this small Vyasa puja offering to praise and glorify the Spiritual Master Prabhupada. I believe this is a great fortune to write about such a Godly person & his sympathy to give us the blessing of Lord Krishna. So I would like to share the way he blessed me and hold me with His mercy.

In the early stages of my life as a teenager, I saw his idol on the Jagannath Ratham(Chariot), while Ratham was passing in front of my home. Even after seeing the massive structure my eyes only felt on Prabhupada(I didn't even have any knowledge about him). I would like to mention this state of mine because it was only my innocence I haven't put any efforts to reach The Divine Grace. But I think he never left me behind in keeping his blessing on me the second time when I got a chance to know about him was at Secundrabad Railway Station while an ISKCON devotee was selling the books written by him. So I opted to look for all the books, trust me I had no idea which book to pick, so instead I took the help of the devotee on which one to pick, so he suggested me to pick "The Science of Self Realization". Yes, I would like to say again that was only his message I received, unfortunately, to which I didn't reply him which this time is not my innocence but rather the laziness which I have of postponing the things, due to which I left the book half unread. So again not paying the attention to the blessing he gave me. So, later I went to Bangalore there I saw the ISKCON temple which moved me with its architectural appearance not exactly knowing what's inside it. One Sunday I made my first visit to the temple there I had the blessings of Lord Krishna and then saw the Spiritual Master sitting on the side. Yes, this Godly appearance has never left me even though I was not noticing his Grace. I felt good then I started to attend one Programme conducted by ISKCON Prabhus and Devotees's so I registered myself to attend the session called " The Yoga for Life". There I got good communication with them and then I was introduced to the "Hare Krishna Maha mantra" and its importance of chanting in this Yuga the lord's name. So I felt good "Something to add more the food(Prasadam) is very tasty". Later I started to move away from

Bangalore to pursue my Masters in Vizag. I felt like attaining only a half Knowledge I am moving away into an undecided path. But yes “The divine Grace is with me” is not what I noticed again, after a few months Akshayapatra foundation vizag conducted the session on “Bhagawath Gita” which I attended in my college. So with this, I feel like I am continuing in the journey with the spiritual master Srila Prabhupada. All my prayers to him and to his mercy on me in the way he kept me holding all till my life, I would be blessed in his teachings.

Your Devotee,

Bhakta Swaminath.

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet. All glories to your Divine Grace.

To glorify you i am not qualified but still you have given me the opportunity to glorify you. It is very difficult to glorify your unlimited glories Prabhupada. You are the only one person in entire world travelled 7 continents 14 times for preaching Krishna consciousness at the old age, no one else dared like you Prabhupada. You have changed many hippies to devotees by your compassion and transcendental knowledge. Your compassion is unlimited to fallen condition souls like me and without your causeless mercy i am nothing. From my beginning of Krishna consciousness life till now my consciousness is improving, i am able to engage in devotional service and able to complete my chanting as early as possible. I realised that there is no difference between your instructions and Krishna instructions. You are always guiding me through your Divine instructions Prabhupada. In one letter I have read you have told to us whatever I have to do that I did and rest is in your hands and Lord Chaitanya Maha Prabhu mission is in your hands. I take this opportunity and serve Chaitanya Mahaprabhu mission. Prabhupada, please bless me to please you. Please bless my sisters, brothers, friends, relatives who have already taken to Krishna consciousness and increase their faith in you Prabhupada.

Please forgive me Prabhupada for committing offences to you and Vaishnavas either knowingly or unknowingly or by ignorance and bless me to grow in spiritual life.

Thank you Prabhupada.

Your most fallen servant.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to Srila Prabhupada.

I bow down to the divine lotus feet of my Guru Maharaj, who descended from Krishna’s world to deliver the fallen souls. I worship lotus feet of my Gurudeva, who compassionately distributed Krishna Prema to this entire world.

The whole world is in the dark well of illusion. But by your total dependence on Krishna, you were able to enlighten the entire world. you have delivered the message of Sri Chaitanya Mahaprabhu. And you have established International Society of Krishna Consciousness (ISKCON) all over the world to help living entities to cultivate Krishna consciousness, by associating with your disciples.

During the pandemic, we are able to interact with temple devotees through online classes like chanting club and sessions on Bhagavad Gita and everyday evening we are doing deity worship for their Lordships Sri Sri Nitai Gauranga, Laddu Gopal and Narasimha Swami by performing Aarati daily, offering Bhoga and offering new dresses to the deities and performing

sankirtana with our family members daily As it is your vision to make every house a temple where the Lord resides and an opportunity for householders to render personal seva to the lord by which our consciousness is purified.

I feel very fortunate to know about Krishna consciousness. Only by your mercy I can be able to practice Krishna consciousness. Please have mercy on me and to others who are trying to practice Krishna Consciousness Prabhupada.

Trying to become a humble servant of your servants. All glories to Srila Prabhupada.

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet. All glories to you Prabhupada.

It's my great fortune to be a follower of your Hare Krishna Movement. You are like a sun which drives away the darkness of ignorance, your work is such an amazing, extraordinary that it's impossible for a normal person to do that even in his youth. By your restless hard work today crores of people are able to come out of illusion and able to get Krishna's love and mercy and are able to be eternally blissful in this life and forever. At your old age you traveled world wide more than 10 times just to protect people from Maya, you distributed the nectar of the holy name of Krishna to the whole world. By you only I came to know that this place is temporary and full of miseries and we are eternal servants of Krishna. It is said in the Bhagavad gita that one among the thousands of men will be able to get Krishna, by your mercy I feel that i am one among the thousands.

Thank you Srila Prabhupad for giving me such a great knowledge of Krishna. Kindly forgive me for my sins and keep me at your lotus feet and direct me to reach Krishna. Prabhupada also please bless me to progress more and more in my spiritual life and to attach to your lotus feet just like a speck of dust.

Dear Srila Prabhupada,

Please accept my humble obeisances at Your most holy lotus feet on this exalted occasion of Your 124th divine appearance on this planet.

As Sunrise dispels all darkness, the appearance of a pure devotee dispels all material darkness. Your divine birth and activities are predicted by many great personalities like Lord Sri Krishna(Bramha Vaivarta Purana), Lord Chaitanya(Sri Chaitanya Mangala, Sri Caitanya-Bhagavata), Nammalvar(Tiruvaymoli), Bhakti Vinoda Thakur(Sajjana-toshani), Bhakti Siddhantha Saraswati Thakur among many others. In order to fulfil Your spiritual master's instruction, You have crossed the oceans all alone(physically) and ventured into the western jungles covered in material darkness. You have mercifully cast the floodlights of knowledge and mercy upon the fallen conditioned souls and delivered them from the pangs of material life. Your all-powerful mercy bestows upon conditioned souls knowledge, truth and eternal happiness.

O Parivrajaka Acharya! Who has circled the globe 14 times preaching Gaura Vani

O Commander! On Whose command the Sankirtana movement spreads like a forest fire

O Paramahansa! Who magnanimously distributed the Holy name which is the crown jewel of the natural commentary(Srimad Bhagavatam) on the cream(Vedanta Sutras) of all the Vedas  
O Supreme Shelter! Who causelessly showered mercy and delivered even the hippies by proving Your shelter  
O Mahabhagavatava! Who has given mankind the Amala Purana along with Your unparalleled Bhaktivedanta Purports  
O Brave one! Who mercifully engaged even foreign women in deity worship and fire sacrifices  
O Bhakti Vedanta! Who presented the "Personal" Vaishnava tradition of Vedanta authoritatively  
O Savior! dust of Whose lotus feet can save one from greatest of dangers  
O my dear Master! Who is Lord Krishna's dearest servant  
This fallen conditioned soul begs in his life - Your divine mercy's advent

In ŚB 10.88.8 purport, You mention the following - "It is at night that the sunrise becomes attractive[...].Lamplight appears attractive in darkness, not in the glaring light of day, and when one is distressed by hunger, food tastes especially good." My life and consciousness are in extreme darkness now and I'm fully distressed by my spiritual hunger. Please, dear Prabhupada, shine upon me Your compassionate glance and revive me from this spiritual unconsciousness by opening my eyes with the torchlight of knowledge. Please mercifully dawn upon me Your Sunshine and dispel the darkness in my heart just as the sun immediately dissipates fog by its rays.

Please be kind upon me and forgive the offences that I've committed knowingly or unknowingly.

Begging to remain serving at Your Lotus feet.

Your insignificant servant,  
Bhakta Yasaswi.

Dear Srila Prabhupada,

I offer my humble obeisance unto your lotus feet. I feel that i am very fortunate to be in Hare Krishna Movement Folk hostel (SRI VENKATESWARA HOSTEL). Because, as I came here to complete my Btech and learn some technical skills, but fortunately i also became a member of Krishna consciousness movement and learned many spiritual lessons and learned what is human life and what we have to do as a human. As I joined in this hostel, I got many opportunities to serve the Supreme God "LORD KRISHNA" and engaged in many devotional services. I have also learned that how to behave in this material world. By this, I have improved my communication skills and my character. All these became possible only with the mercy shown by your Divine Grace Prabhupada on me, by giving shelter in folk hostel and providing LORD KRISHNA'S MAHA PRASADAM. Daily I used to do 2 rounds of chanting and in my free time I try to complete 4 rounds of chanting. HARE KRISHNA.

Yours kindly,  
Bhakta Yeswanth Reddy VLV.

My Dear spiritual master Srila Prabhupada

*Om ajnana-timirandhasya jnananjana-salakaya  
cakshur-unmilitam-yena tasmai-sri-gurave-namah*

Please accept my humble obeisances at your lotus feet, All glories to you on your Auspicious day of Vysapuja offering...I am so fortunate to get this chance to glorify you on this day.

*Sri Radhika madhavayor Aparna Madhurya Lila Guna Rupa namanam*

*Prati ksanasvadana lolupasya vande guroh sri caranaravindam*

The spiritual master is always eager to hear and chant about the unlimited conjugal pastimes of Radhika and Madhava and their qualities names & forms. The spiritual master aspires to relish these at every moment I offer my respectful obeisances to such a spiritual master.

My dear spiritual master, I have come across some of your nectarean pastimes of Vrindavan as a simple saint accepting Madhukari from Vaishnavas, offering & honoring mahaprasadam impressed me.

Your memory with Sriman Gopal Chandra gosh.....

“He always told me, ‘Depend on Lord Kṛṣṇa. Love Lord Kṛṣṇa, your iṣṭadeva. Chant the mahā-mantra-kīrtana at all times. Even when you go to sleep, chant Hari-nāma kīrtana, and when you arise you keep offering prayers. Take shelter of Nāma Prabhu, then all evil things will run away and you will get peace in your mind.’ Now since that time, when I take rest, the Hare Kṛṣṇa nāma is written in candana on a leaf under my pillow. I remember how he instructed me this way and Nāma Prabhu has always saved me.

All your efforts starting from back to godhead magazine to spreading of Krishna consciousness to the world, teaching the devotees how to live & lead a life, your vision is spellbound, which no other Guru has done & will do.

One of my most favorite sloka from BG .9.22

*ananyas cintayanto mam ye janah paryupasate*

*tesam nityabhiyuktanam yoga-ksemam vahamy aham*

But those who worship Me with devotion, meditating on My transcendental form-to them I carry what they lack and preserve what they have.

Whenever I feel down in life just memorize your pastimes starting from you cooking to devotees, struggling all alone to fulfill your spiritual master wish that itself boosts my energy.

Being the most fallen & sinful soul by your causeless mercy I have got the opportunity for highest seva-deity worship, worship of thier Lordships Nitai Gauranga.

Under all circumstances, you have saved me, during critical times in my life this year you just showered your blessings & ease my pain. My dear Guru, I have reached 16 rounds of chanting just by your mercy which else is impossible for me this year...please shower your blessings on our family to always chant the holy name, get associated with devotees & Worship their lordships under any circumstance.

I am really thankful to you my dear spiritual master for protecting me all the time by your causeless mercy without which I can't survive, only you can ease our pain.

Yours humble servant,

Bhaktin Anusha.

Dear Srila Prabhupada,

Please accept my humble obeisances at Your lotus feet. All glories to Your Divine Grace.

It is very astonishing and motivating that at the age of 69, you crossed the country (India) and faced many struggles in order to carry out Your Spiritual master's order and to deliver the fallen souls. You have explained very patiently to your disciples everything like cooking, cleanliness, deity worship, etc, and even basic things. It is because of You, now in every country, Hari Naam is being chanted. The greatest gifts you have given us are Your books, temples, Hari Naam. Because of Your mercy, now in many countries, Jagannath Ratha Yatra is being conducted every year.

Due to Your mercy only, I have come in contact with the Hare Krishna movement and received the Hare Krishna mantra from your disciples. I am chanting 16 rounds daily. By reading your books, and hearing from your disciples, I came to know the ultimate goal of life is to develop a love for Lord Krishna. It is only when I came in touch with the Hare Krishna movement, I got to know about Lord Chaithanya Maha Prabhu, Lord Nityananda Prabhu, the most merciful incarnations. Especially in festival times, while participating in abhisheka to Sri Nitai - Gauranga, and in sankirtan, I feel so much bliss. This blissful experience is because of You and Your disciples who are following in Your footsteps.

Thank you so much, Gurudeva, for giving us many opportunities to engage and grow in Krishna Consciousness.

Gurudeva, Please help me to chant the Hare Krishna mantra attentively and without offenses Please bless me to be in the devotee association. Please give me the strength to continue in Krishna Consciousness in whatever situation I may be, and to obey Your orders. Please forgive me for the offenses I have committed. Once again thank You so much for everything you have given us.

Your Servant,

Bhaktin Anusha K.

Please accept my humble obeisances.,All glories to Srila Prabhupada.

As we all know we are parts and parcel of Lord Krishna and have forgotten our eternal relationship with Krishna. It is only the Spiritual Guru who enlighten shows us the path to go back to Godhead. I will be blessed by the mercy of Lord Krishna, even in this *Kali-yuga* surrounded by *Yogamaya*.i am blessed to be knowing of Krishna consciousness which is brought to all of us by Prabhupada and his disciples. I should thank all the souls who helped in knowing and tasting the fruit called Krishna consciousness. I would like to thank Vasanta Patnana (aunt) and Ravi soma Patanana(uncle) who helped me in knowing about *bhakti-yoga*.

After reading the Science of self-realization, *Bhagavad-gita* I am able to improve my life in perceiving things than before. Krishna consciousness helped my mind and thinking process and in making decisions, and in building confidence in me and has avoided my loneliness. As it is said once you are Krishna devotees, Krishna will protect his devotees in all situations and he is our best and purest friend. After reading books of Srila Prabhupada, I came to the conclusion that real happiness can be found only when one's sense gratification is used for satisfying Lord Krishna's senses. That is the ultimate happiness and it will release one from the material entanglement. Thank you, Prabhupada for giving us the most precious books of real knowledge. Please bless us in reaching the highest goal of Krishna consciousness. Hare Krishna.

Your servant,

Dear Srila Prabhupada,

I bow wholeheartedly at your Lotus Feet and thank you for giving me this opportunity to express my gratitude in words. Please accept my humble obeisances at your Lotus Feet on this auspicious day of appearance of your Divine Grace.

Prabhupada Ji thank you for coming to this world and save us from this material world's difficulties in spite of the tremendous difficulties and obstacles which you had to face alone depending solely on the mercy of the Supreme Lord Krishna and your eternal Spiritual Master Srila Bhakti Siddantha Saraswati Thakur.

His Divine Grace you are the Supreme Guru who bestowed your causeless mercy upon the unqualified and ungrateful souls of Kaliyuga. I am amongst the most fallen of living entities and yet by your unlimited compassion you have glanced in my direction by which now my life has become easier and peaceful.

5 years have passed since the day I walked into the temple of Hare Krishna Movement, Visakhapatnam, and was so mercifully blessed by your loving disciples which changed my life. Prabhupada Ji, I am so thankful and indebted to you. Prabhupada, I follow your 4 instructions and do 16 rounds of Hare Krishna Mahamantra every day. And now this year from 23 March 2020 there came a new virus Covid-19 which made people fear like anything. So our Prabhu's of Hare Krishna Movement started "Harinama Japa Yagna Congregation" from 31 March 2020 till August 2020 for the well being of the entire world in which I too participated and doing as many more as possible. Prabhupad Ji, bless to do this Japa Yagna with full determination and get rid of this virus disaster.

Prabhuji as per your instruction I take part in satsangas, attend festivals and try my level best to do spiritual service. At home, I serve Lord Balarama and Lord Krishna by doing archana and keerthana every day. On ekadashi I do abhisekam, do fasting, chanting more than 16 rounds, reading 2-3 slokas from Bhagavad-Gita As it is and some books written by you. We in our family are very happy with whatever we have by your blessings and by the Grace of Lord Krishna.

Prabhupada Ji, once again I bow at your Lotus Feet for blessing me with such happiness. Prabhupada Ji showers your blessings to be at your Lotus Feet and serve the Supreme God Head and guide us towards the path of devotion, spiritual knowledge, and spiritual service.

Hope your divine mercy and blessings will always be with us. Praying to be an unconditional servant of yours.

All Glories to your Divine Grace.

Your humble servant, Bhaktin Aruna L.

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet. All Glories to you Srila Prabhupada.

My Divine Spiritual master, my only hope in this material world, Gurudeva Prabhupada, you have given me the love for *Srimad-bhagavatam* and *Sankirtana*. Thank you for the mercy on this fallen soul. I beg you to shower your mercy on me with the same love and attachment for Lord's Holy name. Help me with mindful chanting. My visit to the temple was only for begging the material boons, but your teachings through your books and association of your pure devotees have transformed my Krishna consciousness to a whole new level.

I am so fallen that the *tamo guna* is running in my veins as blood and illusion have totally covered my mind. But it was your mercy that you bestowed me with the service of Lord. Though I am very insignificant and not at all fit for any service, you still bestowed me with Your Divine Grace by giving me an opportunity of rendering service to Nitai-Gauranga Deities at my home. I am grateful for your mercy, please give me the strength to serve the Lord offencelessly.

Please forgive me for all my mistakes/offenses and give me more strength to advance spiritually, so that I can be engaged in your service always. Srila Prabhupada, thank you for giving the shelter under your lotus feet and under lotus feet of Nitai and Gauranga. I thank you for your guidance through your pure devotees. Please make me humble and punctual so that I can get the blessings of *Vaishnavas* more and more which will help me progress in Krishna consciousness.

Servant of your servant, Bhaktin Bharati Bidikar.

Dear Srila Prabhupada,

Please accept my respectful obeisances unto your lotus feet. All glories to you Prabhupada.

On the auspicious occasion of *Vyasa-puja*, I would like to express my heartfelt gratitude to you for blessing me with your causeless mercy by bringing me in contact with the movement of Krishna consciousness. I would like to thank you for blessing us with the Hare Krishna *Maha-mantra*. In my limited journey on this path, I have certainly realized one thing, that the understanding and taste for such spiritual knowledge cannot be achieved by any amount of material efforts unless one has the mercy of the Spiritual master. I would like to thank you for blessing us with the opportunities to render practical devotional services for the pleasure of the Lord, even though we are not at all qualified for it.

By your mercy, I am chanting 16 rounds a day. And I am studying the Krishna and *Bhagavad-gita* books. And just I have started to listen to soulful *japa* sessions. By listening to the soulful *japa* sessions I am inspired a lot and my chanting quality is improved. By your grace, I have visited Vrindavana, Mayapur, and Puri. And I am also doing fasting for *ekadasi*. Even though you are not physically present with us in this material world, your instructions in the form of books and lectures make us feel your presence every moment and inspire us to advance in our spiritual life. Please continue to shower your blessings and causeless mercy upon this conditioned fallen soul, for there is nothing other than the shelter of your lotus that can help us stay focused and disciplined in our spiritual life. Words are not enough for us to express the gratitude and reverence for your mercy upon us.

Your aspiring disciple,

Bhaktin Chaitanya Lasya V.

Hare Krishna,

Please accept my humble obeisance. All glories to Srila Prabhupada.

I know that I am not yet qualified but I am trying from my side to follow the path which you laid down for us. I am living in this material world which is full of suffering and ignorance. I am trying to focus on my *sadhana* as much as possible; chanting 16 rounds every day, doing the morning and evening *sadhana*, and trying to serve other *Vaishnavas* as per my

capacity. Whenever a devotee gives a lecture or I get a chance to honor *prasadam* or any other, a spiritual ray of hope I see, I move in that direction and try to get the mercy of Guru and Gauranga. I pray to the dust of your lotus feet, Srila Prabhupada that I always get a chance of serving your lotus feet and get the association of other devotees so that I can do my *sadhana* properly. Hare Krishna!

Dear Srila Prabhupada,

Please accept my humble obeisances. All Glories to Srila Prabhupada!

First of all, I offer my respectful obeisances unto your lotus feet. Gurudeva, I started doing this chanting Hare Krishna Maha-mantra from the last three months on the advice of your disciples. The first time, I chant 2 to 3 rounds in a day, then gradually increase my japa rounds, now I am doing 4 to 5 rounds. I feel immense happiness to keep chanting daily. Chanting Harinama is very peaceful to me. I want to continue to do this my whole life and be free from negative thoughts. With your blessings only it is possible for me. Please kindly bless me, Gurudeva. I am grateful to you Prabhupada. Thank you very much for giving me a wonderful opportunity. Hare Krishna.

Your servant,

## Bhaktin Lalitha

Oh Gurudeva, I offer my respectful obeisances unto your lotus feet.

I am thankful to you Prabhupada, through your disciples I have been practicing Japa of Hare Krishna Maha-mantra for the last 3 months. First thing is that we feel secured after doing the Harinam japa. We are in the safe hands of Lord, we need not worry but at the same time perform our duties and take care against the pandemic now we are going through. The other thing is that now I am in such a position that without japa my prayer is incomplete. I may experience many more instances in the future. Prabhupada, as you said, If we surrender ourselves to God he will certainly take care of us, it is very inspiring to me. Thank you, Prabhupada for giving the opportunity to chant Hare Krishna Maha-mantra. Hare Krishna!

Your servant,

Bhaktin Lalitha.

---

To my beloved dear eternal Spiritual father Srila Prabhupada,

The stock of words to glorify our eternal spiritual father are really less. The more I think about my eternal Spiritual father I wonder the precious gift which he has given to us through Krishna consciousness movement can't be replaced by any other gifts. My eternal Spiritual father has taught us how to reach the Supreme Lord in a very disciplined way. His mission of propagating the Krishna conscious movement at a later age of his life really leaves a remarkable footprint for me. I got so much attracted that I can't reveal it through mere words. When I hear the speeches of my eternal Spiritual father I feel that I am sitting below his feet and relishing the speech. In this *Kaliyuga* where there always quarrels and disagreement prevails. our eternal Spiritual father through the Krishna conscious movement made the Hindu religion simplification in such an easier way that today irrespective of our caste, creed, and sex the whole world came into the same roof that is ISKCON. The chanting of the *Maha-mantra*, Hare Krishna *mantra* always gives a trigger to me that I am only a soul whose goal is to only reach the Godhead. It helps us to build up our character in a disciplined way. The more I chant Hare Krishna I feel that my eternal Spiritual father is making me stronger and dedicated to reaching our Supreme Lord. Glorification about our eternal Spiritual father is never-ending. The more we read his books the more we get immersed in the sea of nectar and my thirst for gaining the knowledge becomes more intense. I love you a lot, my dear eternal Spiritual father. At last *koti koti pranam* to your feet.

Your eternal servant, Bhaktin Moumita Hazra.

శ్రీల ప్రభుపాద పాద పద్మములకు నా వందనములు.

నేను గత మూడు నెలల నుండి మీ శిష్యుల ద్వారాగా అందిన ఈ హరేకృష్ణ మహా మంత్రం జపించే యోగం కలిగింది. నేను ప్రతీరోజు 3 మాలలు జపం చేస్తున్నాను. జపం చెయ్యడం వల్ల నాకు ఎంతో మంచి అనుభూతి కలిగింది. నా మనుసులో ఉన్న భయాలు అన్ని పోయాయి.

ముఖ్యంగా ఈ కరోనా సమయంలో నేను ఈ జపం చెయ్యడం వల్ల నాకు చాలా ఆనందంగా ఉంది, ఇంకా ఇది నాకు ఎంతో ధైర్యాన్ని ఇచ్చింది. స్వామీజీలు చెప్పిన భగవద్గీత, భాగవత ప్రవచనాలు వినడం వలన ఎంతో జ్ఞానాన్ని పొంది ఆచరణలో పెట్టడానికి ప్రయత్నిస్తున్నాను.

గురుదేవా! నాకు ఇంత చక్కటి అవకాశం కల్పించినందుకు మీకు చాలా కృతజ్ఞతలు. నేను ఇంకా హరినామం శ్రద్ధగా చేసేలాగా ఆశీర్వాదించండి.

Dear Srila Prabhupada,

Hare Krishna! I offer my respectful obeisances unto your lotus feet. By your blessings only, through your disciples, I got an opportunity to recite the Maha-mantra:

*Hare Krishna Hare Krishna Krishna Krishna Hare Hare*

*Hare Rama Hare Rama Rama Rama Hare Hare*

Initially, our feeling is very nice to chant Hare Krishna *mantra*. Then gradually I and my mother-in-law started chanting without looking back. On the first day we did 41 *malas*. We never understood from where that motivation came from, I don't know, and from that moment we started, it has become an integral part of our lives. I can say it is your blessings only Gurudeva. You are omniscient. The feelings are inexplicable, Prabhupada. I heartily thank you very much Prabhupada for giving this opportunity to do something to enrich my soul. Eagerly waiting for participation in future programs for the benefits of the human race and bless me Prabhupada. Hare Krishna!

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to you, Srila Prabhupada.

I, Roopa from Sheelanagar, Visakhapatnam is writing this letter with gratitude and humbleness to your glory of transforming people to Krishna consciousness. I was first given the Hare Krishna Maha-mantra by Sri Amberish Prabhu on an auspicious day and made me know the glory of yours. From then onwards I'm trying to follow the path shown by chanting Hare Krishna *Maha-mantra* to reach the eternal self. I felt really blessed when Sri Yaduraj Prabhu has given us the opportunity to go to Sri Vrindavana dhama in the year 2017 which was a very blissful experience of Sri Radha-Krishna and while doing Govardhana Giri *pradakshan* and while going to Barasana has increased my devotion even more towards Sri Radha-Krishna and from then on I started to chant the whole 16 rounds of Hare Krishna *Maha-mantra* as much as I can and would miss my chanting only under utmost urgency. I'm very much glad and honored to respect your Lotus feet by considering my life journey being headed this way. Thanking you,

Your servant,

## Bhaktin Swarna Sri

Dear Srila Prabhupada,

My all respects unto your lotus feet. Prabhupada I don't know about you properly at starting, I know about Krishna basically from my childhood. I just do some puja to Lord that's it. But when my son started going to the temple I started explaining about the tradition of hare Krishna movement and all slowly one day he started following regulative principles and doing japa, so I also started doing japa with him but at that time also I don't know about you Prabhupada. One day we installed Sri Sri Nitai Gauranga in our house and I took a promise that I will chant today on words 16 rounds. Oh! Divine Grace, unknowingly I started following your instructions. Actually, without knowing to me you started changing me, you are so merciful, Prabhupada. One fine day I got a dream that you are giving initiation to me. O Gurudev, please accept me as your disciple and give me shelter under your lotus feet.

Your servant,

You have shown us the way to reach our goal i.e the Goloka *dhama*, which is the ultimate goal of life. Thank you, Prabhupada for giving the Hare Krishna *maha-mantra*, the simplest way to reach Krishna-The Supreme Personality of Godhead. I believe it is the Krishna consciousness movement that is helping us to survive in this corona pandemic through Harinama *Japa yagna* whereas the whole world is suffering. Thank you, Prabhupada.

పూజ్యులైన స్వామి ప్రభుపాదుల వారి పాదపద్మములకు ప్రణామములు.

ప్రభుపాద మీ శిష్యుల ద్వారా నేను ఈ కృష్ణచైతన్య సంస్థలోకి వచ్చాను. ప్రభువుల ఆదేశం మేరకు మా కుటుంబ సభ్యులమంతా హరే కృష్ణ మహామంత్రాన్ని జపిస్తున్నాము. నేను ప్రతీరోజు 6 మాలలు హరేకృష్ణ మహామంత్రాన్ని జపిస్తున్నాను. ఆ శ్రీకృష్ణ నామ స్మరణ నిత్యం చేయడం వల్ల నా జీవితంలో ఎన్నో మార్పులు కలిగాయి. ఆత్మ విశ్వాసం పెరిగింది. సమస్యలు అంటే భయ్యం పోయింది .

మీ శిష్యులు ఉపదేశించడంతో నేను మా ఇంట్లో సత్సంగం ఏర్పాటు చేసుకున్నాను. ఆ రోజు మా ఇంటికి ఎంతో మంది భక్తులు విచ్చేసారు, చాల భక్తిశ్రద్ధలతో ఆ కార్యక్రమం జరిగింది. ఆ కార్యక్రమం చెయ్యడం వలన మాకు ఎంతో ఆనందం కలిగింది .

ఆ సత్సంగంలో ఎంతో మంది భక్తులకి భగవద్గీత పుస్తకాలను అందజేశాము. ఇచ్చిన వాళ్ళు ఎంతో ఆనందం పొందారు. అడగకుండానే పుస్తకాలు కావాలి అంటూ తీసుకొని వెళ్లారు. ఇది మా పూర్వ జన్మ సుకృతం. మీ భక్తుల సాంగత్యాన్ని ప్రసాదించినందుకు ధన్యవాదములు ప్రభుపాద. ఇంత చక్కటి అవకాశం ఇచ్చిన స్వామీజీలకు నేను కృతజ్ఞతలు తెలియజేసుకుంటున్నాను. ప్రభుపాదగారికి నా హృదయపూర్వక కృతజ్ఞతలు. మీ దయ మాపై ఎల్లప్పుడు ఉండాలి అని కోరుకుంటున్నాను.

హరే కృష్ణ.

## Bhaktin Vaishnavi P B

My dear Srila Prabhupada,

Please accept my most humble obeisances in the dust of your lotus feet. All glories to Your Divine Grace.

I feel so fortunate to take birth in a family that has shown me, your direction to engage with the Supreme Lord and know the absolute truth of life. We all are suffering in this materialistic world, you gave a chance to free us from this dilemma and given us a path. Now, I'm able to be myself and not indulging in the material activities which satisfy the senses. With your blessings, I've been able to complete *sevaka* and entered the *sadhaka* level.

I've started my journey with 1 round of chanting when I was in my 9th class and now I'm able to do 8 rounds of chanting, a little service now and then. Please bless me to engage myself in Lord's service most of the time. I've read your book " THE SCIENCE OF SELF REALIZATION" it really gave answers to a lot of my questions I'm able to tell my friends about a lot of

things that I was not able to before. It's all because of you. Now I started reading 'Bhagavad-gita As It Is' I'm still in the fourth chapter, hope I will complete it as soon as possible and read the remaining books of yours.

Please help me in not getting distracted in these material / temporary activities. Another most important phase of my life is my mother. Without her, I would never know about this place. I wouldn't be what I am today. She is a beautiful soul who craves to do service to the lord and wants to spend most of her time with the lord. Please give her good health, I can only ask you because we have dedicated our lives to be in your path.

Right now, in the present situation, we all, in fact, the whole world is facing a pandemic situation (coronavirus) where lakhs of people are being killed due to this virus. There was a time we could see the symptoms of a person and find that he/she is infected. Now, the situation has got worse that the symptoms are not being seen but the person is infected. People who are dead by this virus are being thrown away as if we throw waste in the dumping yard. The funeral rituals or nothing will be done to these poor souls in this kind of situation. Hope these souls rest in peace. This is the kind of situation that we all are living in for the past 3 months. The only good news to us can be that we are alive and our family is safe. Please help us in surviving in this situation. I and my mother became more close than before and understanding each other. It's all because of your mercy. We still miss my grandmother and her love for us.

Hope she took a birth somewhere in a good family and in service of the lord. Because I still remember her last breath, she went with Tulasi in her mouth and hearing Hare Krishna in her last moment. I strongly believe that she is leading a good life, unlike the life which has been filled with sacrifices and pain. Please take care of her. I love her so much and failed to express it when she was around. To be honest, I have lost trust in people and strongly started believing that there will be no humanity left anymore. After her death, things in our family changed in a fraction of seconds. People we trust the most just disappeared. I stopped wondering about all these things when I finally came back again on the right path. I realized how strong Maya Devi could be pulling me into her trap and testing me again and again. I started believing that these are the lessons that she is teaching me all this while. Please help me, oh Guru, whenever I fall down. Please help me, Oh Guru, whenever I dwell in the non-sense material activities. Please, bless me to read more books of yours mainly in this quarantine and progress. Please help me in putting my almost concentration while chanting the Holy Name of the lord. Help me in listening to the HARE KRISHNA maha-mantra every time I chant. Please always stay beside me and help me in my every path of my life leading towards Krishna.

Your Servant,

Bhaktin Vaishnavi P B.

## **Bhaktin Venkata Dheydheepya**

---

Respected Srila Prabhupada,

Please accept my humble obeisances. All glories to you Prabhupada.

My heart is pondering to write this letter. I am R. Venkata Dheydheepya. I am 16 years old. In my life, I faced many problems and obstacles. There are many queries inside me, unsolved. To get through the situations and tackle them, I wanted a solution to it. Then one day, I got finally the answer. The chanting of maha-mantra, the divine power. Gurudeva, your attitude of preaching this wonderful *maha-mantra* to this world and awakening the people from the unconsciousness, giving them the meaning of true life is speechless, sublime, and magnificent. No words are enough to the thought of enlightening the people. I am really happy after chanting the *maha-mantra*. The transformation which I had gone through is really unexpected. I found all my happiness and my path is beautifully carved with a lot of experiences, which made me realize my mistakes. Now I am able to even take the pain as happiness.

Not only me, but my family went through a marvelous experience. Everybody has changed their perception of life. All misunderstandings and problems are nowhere now. We started a pleasant life now. A new life with pure hearts made my family together and even stronger. Gurudeva, now I realized the fact that whatever God gave us. it's only for our good Sake.

If we held the hands of Krishna he will never leave us. He will grip our hands and take us to the right destination (in the hands of God). I will never forget this change in me and I suggest this *maha-mantra* to everybody. If I want to gift anything then I will give this *maha-mantra* to chant. Because that is the best thing I can give them. I firmly believe that this *mantra* could change many lives.

Gurudeva, I want to express my gratitude to God in you for everything that you have helped me to achieve in my life. I support your 'Hare Krishna Movement' wholeheartedly and it should reach many people to experience this awesome spiritual experience. My sincere thanks to you, Prabhupada.

Your servant,

Bhakta Venkata Dheydheepya.

Prabhupada, thank you for creating such a wonderful institution (ISKCON) because of which I am able to understand various situations in life and dealing with them effectively. You have given me a procedure for deity worship, offering food to God, understanding the actual meaning of Bhagvat Gita. I understand that my skills are gifts from the Lord and that I have to use them at his service. Thank you for choosing a soul like me for Krishna's service though I'm fallen. Prabhupada by your mercy I am chanting 16 rounds regularly. Please give me the strength to chant 16 rounds nicely and attentively.

Dearest Srila Prabhupada,

Please accept my humble obeisance. All glories to you!

Today we are celebrating my favorite day of the year: the day of your advent within this material world. In a moment of intimacy, you once shared with one of devotee the reason for your appearance. You were sitting in the quarantine hall at Bombay airport after arriving from Africa. Immigration officials had denied you entry because your servant had forgotten your yellow fever vaccination card.

*"I did not want to come to this nasty place,"* you commented. Your servant fervently apologized for his mistake, but you clarified your meaning, *"I do not mean Bombay. I mean this material world. I did not want to come to this place. It is a horrible place"*. When Krsna asked me to come I said, *"I do not want to go."* But Krsna said, *"No, please. Don't worry. You go down and write books. I will take care of everything!"*

And so on his order and with his assurance of protection, you came and expanded his name and fame throughout this planet. Having accomplished this feat which is unparalleled in the history of Gaudiya Vaisnavism, Lord Krsna made you famous throughout the three worlds.

*ebe jasa ghusuk tribhuvana - 'Your fame is spread all over the three worlds'*

Srila Prabhupada, I am always in awe that somehow or other I was swept up in the great tidal wave of mercy you created in your preaching. Srila Prabhupada, I feel your guidance in my life every day. You instructed, “*Preach boldly and have faith in the holy names.*”

Srila Prabhupada, I know it would please you if I also developed pure and unalloyed love for the divine couple. It wasn't that you only wanted us to spread the teachings of pure devotional service, but you desired that we, as your disciples and followers, also achieve that esteemed goal. In a lecture in San Francisco in 1975, you said, “*My position is that I want to see that at least one disciple has become a pure devotee. Of course, I have got many sincere and pure devotees. That is my good luck.*”

And my good luck, Srila Prabhupada, is that you are my Spiritual master and that by your mercy I can become a pure devotee of the Lord. It is in that mood that I happily chant my rounds, follow the principles.

Your eternal servant,

Adi Purusha Dasa.

My dear Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet!

All glories to Your Divine Grace!

Dear Śrīla Prabhupāda, “How fortunate—another chance to remember you, to glorify you, to all our moments in relationship with you.” Thank you, Śrīla Prabhupāda, for this opportunity.

While reading a verse from the *Srīmad Bhāgavatam* 3.13.1, from your wonderful translation and purport we learn about great devotee Vidura's taste for hearing.

*Śrī Śukadeva Gosvāmī said: O King, after hearing all these most virtuous topics from the sage Maitreya, Vidura inquired further on the topics of the Supreme Personality of Godhead, which he adored hearing.*

[Purport:] *The word ādṛtaḥ is significant because it indicates that Vidura had a natural inclination for hearing the transcendental message of the Supreme Personality of Godhead, and he was never fully satisfied though continuing to hear those topics. He wanted to hear more and more so that he could be more and more blessed by the transcendental message.*

Śrīla Prabhupāda please bless me in the same way so that I may eagerly hear the glories of Sri Radha-Krishna from your transcendental mouth.

“*guru-mukha-padma-vākya, cittete kariyā aikya, āra nā kariha mane āsā*”

Your words alone will purify our hearts and minds and take us to the abode of Golok Vrindavan-Dham. That is my determination. No other process is necessary. All glories to you, Śrīla Prabhupāda! It's my eternal wish that I should only serve you, pleasing you, and hearing from you. And by your mercy alone I will be allowed to experience the transcendental message of the Supreme Personality of Godhead.

I remain eternally indebted to you, Śrīla Prabhupāda, for all that you have given us—the holy names, Prasādam, your books, instructions, temples, the association of your dedicated followers, the list is unending. One of the senior dear most disciples in our group is guiding many of us in Daily-JAPA based on your teaching that shows is none other than your causeless mercy. I should develop an obsession for improving my Japa mantra after mantra i.e *Hare Krishna, Hare Krishna, Krishna Krishna, Hare Hare. Hare Rama, Hare Rama, Rama Rama, Hare Hare!!*

Give me all help for not consuming social respect. Give me strength to handle disrespect. My devotion to you should be socially independent.

Your Servant! Anant Virya Dasa.

*nama om viṣṇu-pādāya kṛṣṇa-preṣṭhāya bhū-tale śrīmate bhaktivedānta-svāmin iti nāmine  
namas te sārāsvate deve gaura-vāṇī-pracāriṇe nirviṣeṣa-śūnyavādī-pāścātya-deśa-tāriṇe*

Dear Srila Prabhupada,

It is with great difficulty that we try to compose some words in glorification of our spiritual master, His Divine Grace A. C. Bhaktivedanta Swami Prabhupāda. This age of Kali is described in the scriptures as being like an ocean of faults, and the Kali-yuga man is described there also as being very poorly endowed with the necessary facilities for spiritual progress, such as memory, intelligence, bodily strength, longevity, etc. Yet somehow or other we are being delivered by the causeless mercy of His Divine Grace, and thereby we can offer some words of gratitude by his mercy.

Srila Prabhupada, its universal fact that you are always with us. I personally felt it many times. Its truly said, "*kṛṣṇa-prāpti hoy jāhā ha'te*". By seeing deity of yours we feel the real presence of you and inspired to do devotion service. By hearing the recording of your Japa we get the enthusiasm to chant Hare Krishna Mahamantra. when I feel little lacking Japa I just play your Japa and I feel so much energy to chant the holy name..This is what I have felt and do whenever I lack in any aspect of Krishna consciousness in my life. It is ill to say pure devotee of Lord Krishna dies. By seeing, by touching your lotus feet, by hearing your Vani and Japa we fell more and more presence of you. Srila Prabhupada, I beg you again to help me to get rid of all anathra. As it is said in Bhagavad-gita 7.28

*yeṣāṃ tv anta-gataṃ pāpaṃ janānāṃ puṇya-karmaṇām  
te dvandva-moha-nirmuktā bhajante mām dṛḍha-vratāḥ*

Translation -Persons who have acted piously in previous lives and in this life and whose sinful actions are completely eradicated are freed from the dualities of delusion, and they engage themselves in My service with determination.

Srila Prabhupada, I do not know about my previous life, somehow other I have got your shelter by your causeless mercy. But at least in this life, I can get rid of all bad habits. Please give me the strength to come out of all bad thing as soon as possible. Really I don't want anything in life, just little spark of your mercy is enough for me. Give me strength so that, as soon as the option of enjoying independent of Krishna comes, I can reject it immediately and engage in service of lord 24 hours a day and chant the holy name of the Lord without fail and break.

*guru-mukha-padma-vākya, cittete koriyā aikya, ār nā koriho mane āśā  
śrī-guru-carāṇe rati, ei se uttama-gati, je prasāde pūre sarva-āśā*

My only wish is to have my consciousness purified by the words emanating from his lotus mouth. Attachment to his lotus feet is the perfection that fulfils all desires.

Let me byheart and remember this above prayer and make it whole and sole of my life, which will give me clear vision of why I am here and how to stick to the order of my spiritual master.

Your humble Servant,

Angada Dasa.

All glories to Srila Prabhupada.

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet on this auspicious occasion of your 124th divine appearance day.

In a letter to Arundhati Mataji 30.07.1972, you had written, "*I am simply surprised that you want to give up your child to some other persons, even they are also devotees. For you, child-worship is more important than Deity-worship. If you cannot spend time with him, then stop the duties of pujari. At least you must take good care of your son until he is four years old, and if after that time you are unable any more to take care of him then I shall take care. These children are given to us by Krishna, they are Vaisnavas and we must be very careful to protect them. These are not ordinary children, they are Vaikuntha children, and we are very fortunate we can give them a chance to advance further in Krishna Consciousness. That is a very great responsibility, do not neglect it or be confused. Your duty is very clear.*"

This year was very special for me as by the mercy of Sri Guru and Sri Gauranga I am blessed with a child. Thank you Srila Prabhupada for having faith in me and giving me this responsibility. This letter of yours is very instructive for me as I was also thinking that doing service in the temple for the Deities is only considered as service in Krishna consciousness. It is actually an eye-opener for me as doing service to my child is also service in Krishna consciousness. Also, I came to understand how important responsibility is to bring up a child in Krishna consciousness. Srila Prabhupada, please always instruct and guide me with your divine words in doing this service.

In Chapter 6 of your book, The Topmost Yoga System it is stated, "*The chanting is a spiritual call for the Lord and His energy, to give protection to the conditioned soul. This chanting is exactly like the genuine cry of a child for its mother's presence. Mother Harā helps the devotee achieve the Lord Father's grace, and the Lord reveals Himself to the devotee who chants this mantra sincerely.*" Srila Prabhupada, as you have mentioned here how one should call Lord's names like the genuine cry of a child, this I am able to understand now when I hear my child cry and see how eager and desperate she is for me.

Srila Prabhupada thank you for making me understand this, but there is actually a long way to go to realize and follow it. Please Srila Prabhupada, shower your mercy on me to realize and follow this. Srila Prabhupada, through your books and letters you are guiding and instructing me how to raise my child in Krishna consciousness. Please Srila Prabhupada, always bestow your divine causeless showers of mercy on this fallen soul and guide me on the path of Krishna consciousness.

Yours unworthy and fallen servant,

Bhavatarini Devi Dasi.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to your Divine Grace.

Srila Prabhupada, your *lila* on earth is really transcendental and sometimes bewildering to common men. Someone has made the statement Srila Prabhupada that, 'If we close our eyes and imagine what you have done, it looks impossible to believe,' so it is true. Whenever I hear your pastimes from the senior devotees, they are so attractive and soothing to the heart. At times even if I am inattentive while hearing, while the narration of Your transcendental pastimes, my attention gets locked at that moment and I feel that they are happening in front of my eyes. Srila Prabhupada, your *lilas* are no less than miracles, otherwise how it is possible to chant the Holy name of Lord Krishna in this age of *Kali* for such a fallen soul like me. I have no interest in serving Lord Krishna, my mind is full of material desires, still, I am able to render some service to Lord Krishna, just because of you, Srila Prabhupada.

Srila Prabhupada, in every step I am realizing the verse from *Srimad-bhagvatam*:

*mūkam karoti vācālam, paṅgum laṅghayate girim  
yat kṛpā tam aham vande, śrī gurum dīna-tāraṇam*

By the mercy of the guru, even a dumb man can become the greatest orator, and even a lame man can cross-mountains. When I came to Krishna Consciousness, I did not have any skills and talent, even I was hesitant to speak to people, what to speak of preaching to them. I never sang any song in my life but, now I am able to sing *Kirtanas*. All these talents are bestowed upon me by you so that somehow I will be engaged in the service of Lord Krishna. I may do know the value of this gift, which you have given to me, but it is true and I can understand that you have saved me from the clutches of material anxieties. You have corrected me through so many ways, and several times my false ego became an obstacle for self-correction.

I am the most fortunate soul, who has such a glorious and most merciful Spiritual master, who is very compassionate towards me. I beg to be your servant's servant, Srila Prabhupada. I beg forgiveness for all my offenses, which I have committed at your lotus feet.

Your most fallen disciple,  
Bhurijana Dasa.

Dear Srila Prabhupada,

Please accept My Fallen Obeisances at your lotus feet...

All glories to Sri Sri Guru and Gauranga.

Offering respects to Spiritual Master means to remember some of His Pastimes.

August 13, 2020, is the divine 124th appearance day of Your Grace.

You are the one who implanted and nurtured the seeds of Krishna consciousness in everyone's heart.

You gradually transformed me into the servant of Lord Krishna. You did not bring in any designation of caste, creed, religion, sex or faith but said that Krishna consciousness is universal. Thus you formed ISKCON during the July of 1966.

You are Unmoved, Unchangeable, undefeated Conqueror and Champion in saving souls.

You are a Healer in this Kali Yuga.

You are the First and Last, the Beginning and the End, the Creator and Keeper of all fallen soul!

Armies can't defeat you, science can't explain your thoughts, leaders can't ignore You!

New Age religion can't replace You, and no one can ever explain You! So, All honours to You Dear Father Srila Prabhupada, I was born in the darkest ignorance & You opened my eyes with the torch of Knowledge. By Your Presence the whole world is Glorified & all conditioned Souls due to Your transcendental presence are also glorified. The entire world is Purified simply by the appearance of such a Great Devotee.

You are very, very & very tolerant to the utmost. You are Ocean of Mercy.

Let me kneel before you with folded Hands

Thank You for allowing such an Offensive person as

Myself to Glorify God-like YOU.

Your most fallen servant,

Bilvamanagala Dasa.

My Dear Srila Prabhupada,

Please accept my respectful and humble obeisance at your lotus feet on this most auspicious appearance day of your Divine Grace...

Srila Prabhupada, your merciful appearance is the most prominent and important event in this age of Kali-yuga. Srila Prabhupada, only you can save us from these clutches of Maya because we are so degraded and entangle fallen souls in this material world. SB 4.29.36 states the importance of the spiritual master in one's life:

*athātmano 'rtha-bhūtasya yato 'nartha-paramparā, sāṁsṛtis tad-vyavacchedo bhaktyā paramayā gurau*

The real interest of the living entity is to get out of the nescience that causes him to endure repeated birth and death. The only remedy is to surrender unto the Supreme Lord through His representative. Srila Prabhupada, I am so unfortunate soul that after understanding so many instructions on this subject matter still, I have committed offenses at your lotus feet knowingly and unknowingly, although I know that without pleasing Spiritual master, I can't get the love of Godhead.

It's clearly stated in Śrī Śrī Gurv-aṣṭaka that,

*yasya prasada bhagavat-prasado, yasyaprasadan na gatih kuto 'pi  
dhyayan stuvams tasya yashas trisandhyam, vande guroh sri-charanaravindam*

By the mercy of the Spiritual master, one receives the benediction of Kṛṣṇa. Without the grace of the Spiritual master, one cannot make any advancement. Therefore, I should always remember and praise the Spiritual master. At least three times a day I should offer my respectful obeisances unto the lotus feet of my Spiritual master.

And in Lord Caitanya's teachings to Srila Sanatana Goswami, He has said:

*mahat kṛpa vina karme "bhakti naya, kṛṣṇa-bhakti dure rahu, samsare nahre ksaya*

'Unless one is favoured by a pure devotee, one cannot attain the platform of devotional service. To say nothing of Kṛṣṇa-bhakti, one cannot be relieved from the bondage of material existence' CC Madhya 22.51). Gurudeva, please give me plenty of strength and intelligence that I can adhere to your instruction properly which is very important for my spiritual progress. Gurudeva, the very wonderful quality of this institution is an association of the great Vaishnavas, I am really happy to have such a nice devotees association who are always guiding me.

It's stated in Sri Caitanya-Caritamṛta 22.54.

*sadhu-sanga, sadhu-sanga — sarva-sastre kaya, lava-matra sadhu-sange sarva-siddhi haya*

'The verdict of all revealed scriptures is that by even a moment's association with a pure devotee, one can attain all success.' Srila Prabhupada, give me a good sense that I never commit any offense at the lotus feet of dear most devotees and I always respect them in all manner...

Srila Prabhupada, I am always thankful to you that I got such a nice kind-hearted authorities who always motivate me, help me, guide me and keep engaging me in many responsible services although I don't have any basic quality and knowledge for that. Gurudeva, give me good sense and intelligent that I always keep satisfying them which is a direct method to serve His Divine Grace,

Always in your service, most fallen soul,

Chandra Bhanu Das.

Beloved and most revered Srila Prabhupada,

Please accept my humble obeisances on this glorious day of your appearance.

People in material relationships love generally in the beginning and later familiarity breeds contempt. But in a spiritual relationship like with yours, I am grateful to Lord Krishna that it increases every moment.

Srila Prabhupada, you have worked so hard for serving your spiritual master that it brought tears in my eyes while reading each page of your biography. While reading your biography my only feelings were that I wanted to live and die for you. And now that you are not physically present I want to live and die for your organisation.

Please help me to serve you with all my energy, enthusiasm, dedication and love and above all the most important ingredient with all humility.

Lord Krishna is the cause of all causes. But there is definitely something that we insignificant creatures can do and that is an offence. Please help me that I do not offend you, Holy Name, Deities, Vrindavan Dham, Tulasi Maharani and other devotees.

Please help me to read your divine books very scrutinizingly, understand, follow and also preach to others.

Oh! Srila Prabhupada your visions and teachings are our lives only guided missions. Please help incapable of people like us to achieve our goals. Please help as Garuda helped the sparrow. Without your help, I am not even a sparrow. With you, the rest of my life is surely going to be a success forever. I have absolutely nothing to fear.

Life would be nothing without you and life gave me all blessings because I have you. Now it's my turn to show my surrender and dedication.

Forever your servant,

Chitra Devi Dasi.

*namas te sārāsvate deve gaura-vāṇī-pracāriṇe nirviṣeṣa-śūnyavādi-pāścātya-deśa-tāriṇe*

Dear Srila Prabhupada,

I want to bring to people's notice that not only the parents but if children who have received the Prabhupada's mercy should bring their parents, relatives and friends into Krishna Consciousness. My daughter Shyamapriya Devi Dasi who is not present on this earth did exactly the same thing and that's how she brought me into Krishna Consciousness and asked me to read your books and finally, she only brought me at your Lotus Feet. And you are so merciful Prabhupada that you gave me shelter.

Although the entire world has come down to its knees due to this Pandemic situation, I am so fortunate and blessed to be able to be on my toes in executing your loving devotional service by utilizing every moment in chanting, reading and hearing to the wonderful association of senior Vaishnavas and trying to apply those techniques in trying to improve my chanting. Sometimes I feel that 24 hours is not enough.

Although the overall situation of the world is gloomy, still I have been blessed with the great fortune to reside in Vrindavan which is surcharged with Krishna Conscious atmosphere and be able to engage in transcendental loving service to you Srila Prabhupada by reading and hearing.

By your causeless mercy, I am able to utilize the available lock downtime by reading and relishing your transcendental books. Also, I am trying my best to inculcate those teachings in my day to day life.

Srila Prabhupada, please give me the necessary strength so that I should be able to sincerely and genuinely follow your teachings in thought, words and deeds and not deviate from the same.

Sometimes I regret that I should have come to Krishna Consciousness much earlier so that I would have got more time to practice. Anyways better late than never.

Your eternal servant,  
Gaurangi Devi Dasi.

Śrī Guru Gaurāṅga Jayataḥ

My worshipable Srila Prabhupada, Kindly accept my unworthy obeisance's at Your lotus feet, the dust of which can purify the entire world.

It has been 14 years that Your Divine Grace had taken charge of this fallen soul. Ascriptions which time penned in my consciousness throughout these years, talk to me that "*Srila Prabhupada is my only saviour*".

Still, the rebelling 'false me' in me always claim that "*I can take care myself, I am capable enough & whatever good I am enjoying now in life is due to 'my' past pious activities*".

My polluted consciousness is my real enemy who sabotages Your Divine Graces spiritual mission for saving me. This mission of saving me was conceived, inaugurated & getting implemented by Your Divine Grace, only out of your causeless compassion upon me. I or my karma has not got any credit on this greatest fortune bestowed upon me. Rather I am saved from horrifying karmic reactions by your intervention in my life.

Truly you Srila Prabhupada, are my only saviour. During this Vyasapuja, I thank you for the following special mercies you bestowed upon me –

For keeping me and Nandapriya under the shade of your Lotus feet, despite of our disqualifications & offences.

For awarding me the greatest gift a Jiva can get in this Golden age – Your Divine Graces discipleship.

Forgiving me and Nandapriya, service in Sri Vrindavan Chandrodaya Mandir where you are worshipped as the '*Sole Diksha Guru of ISKCON*'.

Forgiving me and Nandapriya a residence in Sri Vrindavan Dham.

For helping my authorities in safeguarding your Vyasasana on Hare Krishna Hill and its group of temples.

For bestowing service opportunities on me and Nandapriya even though we are completely unqualified.

For personally protecting my spiritual life, despite of my innumerable mistakes, laziness, material ambitions & endless other anarthas.

I can't express my gratitude towards Your Divine grace, even if Krishna provides me with thousands of mouths & millions of year's lifespan.

I have the following prayers at your lotus feet –

Kindly continue to reside as the '*sole Diksha Guru of ISKCON*' on Hare Krishna Hill & all its affiliated centres. The future of ISKCON & millions of soles who will join it depends on that.

Please give Madhu Pandit Prabhu & other sincere servants of yours, sufficient strength in defeating the attempts of bogus self-made gurus in usurping your position in ISKCON.

Please forgive our offences & mercifully empower us in spreading the mission of Sriman Mahaprabhu, which is your own mission, for the benefit of innumerable suffering Jivas.

Please protect us from the six enemies & the Mahamaya.

Please give us utter faith in you & the Lord.

Make us committed, focused, sincere, strong & industrious in serving your mission. Kindly impart intense desire in me to hear your vaani, for that vaani is the only panacea for my bhava-roga. Let my mind be always fixed at your lotus feet, I take shelter of your Lotus feet.

Your fallen servant, Govinda Datta Dasa.

Вся Слава Шри Брахма Мадхава Гаудия Вайшнава Сампрадае!

По милости Шрилы

Бхактисиддхантa Сарасвати Тхакура и Гуру Парампары в 1995 году я обрела ваши лотосные стопы. С тех пор Ваша безграничная милость присутствует в моей грешной жизни. Вы терпеливо ведёте меня обратно домой, к Кришне. Ваша глупая ученица, привязанная к иллюзорным наслаждениям, не может в полной мере осознать всё Ваше величие и милосердие. Простите меня, пожалуйста, и за эту ошибку. Мой дорогой Шрила Прабхупада, я в неоплатном долгу перед Вами. Я бессильна что - либо сделать для Вас. К сожалению, Ваша никчёмная дочь Гуру Сева, не оправдала своего имени, данного Вами во время инициации в 2009 году. Простите, пожалуйста, меня. Но, у меня есть свет в моей бессмысленной жизни - это Вы, Ваши наставления и мои духовные братья и сестры. Это ценности, которые я пытаюсь беречь в своём каменном сердце. Мой дорогой Шрила Прабхупада, пожалуйста, сохраните во мне память о Вас и Ваших наставлениях. И пусть Ваша милость ведёт меня и моих духовных братьев и сестёр обратно к Кришне.

All Glories to my beloved Spiritual Master, His Divine Grace A. C. Bhaktivedanta Swami Srila Prabhupada.

Srila Prabhupada, O my merciful Spiritual master, I’m a spiritual illiterate so please bless me that I can glorify You in a manner befitting Your transcendental glories. Only by Your blessings, I will be able to do so. I beg, please accept this humble offering in Your glorification on the occasion of Your Vyasa Puja 2020.

You are the desire tree who benedicts “*Radha-Krishna Prema*” unto those who seek Your shelter. Your manifest pastimes in this world are Glorious. With ever effulgent moonshine of transcendental knowledge and Your personal actions, Your Divine Grace destroys the deep darkness of ignorance in the heart of those who seek Your shelter. There is nothing more powerful than the water that has washed Your lotus feet. There is no ornament more precious than the dust of Your lotus feet. There is nothing sweeter than the words emanating from Your lotus mouth. Please bless me that I can make attaining the shelter of Your lotus feet and following Your instructions as my only goal, life after life, eternally.

Seeing a person as fallen as me, Your Divine Grace by Your causeless mercy, accepted me as Your disciple. All glories unto You, who is my Saviour. I did not (& even today do not) possess even a single drop of devotional merit and yet You continue to give shelter to me & my family with guided engagements in Your movement and Your personal benevolence. Thank You for manifesting in our lives, becoming our Spiritual master & accepting us fallen souls as Your Disciples. Thank You for engaging me and my family in Your services & the services of Your Lordships. Thank You for blessing us & permitting us to reside in Vrindavan Dham.

O Gurudeva, by Your causeless mercy, please make us, Your servants, humbler than a blade of grass. Give us the strength to tolerate everything for our spiritual progress and make us free from my vanity. Due to my own conditioned fallen nature,

I keep placing hurdles & obstacles in my own devotional path. It is said that one with whom the Spiritual Master is pleased does not become wearied by any obstacles whatsoever in his spiritual endeavours. So it speaks volumes about my inability to have been able to please You due to my abominable thoughts and antics. Despite Your magnanimous 'forgiving & loving' nature, I, being Your most-fallen disciple often manage to disgrace myself, and have not been able to gain attraction to Your lotus feet or for serving You with all my resources, faculties, heart, body, mind, intelligence, ego & my very soul itself and whatever that is given as mine. Please forgive me for this & bless me that I will be able to gain ever-flowing attraction to Your lotus feet & to devotional service unto Your Divine Grace, Your pure servants and Your Lordships as per Your instructions and as You may so desire.

Srila Prabhupada, I beg You to Kindly keep bestowing Your causeless mercy on me & my family. Please keep us engaged in Your transcendental loving devotional service & keep us engaged in Your movement as You may so desire for the transcendental pleasure & satisfaction of Yourself, Your dear associates, Your pure servants & Your Lordships eternally. Please give us shelter, eternally, at Your Lotus Feet which is a goldmine of all auspiciousness.

*"Namaste Gurudevaya, Sarva Siddhi Pradayine; Sarva Mangala Rupaya, Sarva Ananda Vidhayine"*

Dear Srila Prabhupada

Please accept my humble obeisance unto your lotus feet, All glories to your divine grace.

It's a blissful spiritual journey that you have blessed upon this unworthy soul. It's not just a repetition of one more year in the spiritual journey. It's a very different year for each & everyone around the world, especially for the devotees. The whole world is suffering from Corona pandemic. As you revealed, the nature of the material world, this calamity didn't spare anyone, either rich or poor. People were restless during the lockdown. Everyone is suffering to different degrees. But by your causeless mercy, we were engaged in different services. Maybe better engaged in devotional service than in a normal situation.

Around 6 months ago we had a Vrindavan Chandrodaya Mandir project meeting. There was no clue how to restart the project? The situation was totally unfavourable both on financial & legal point of view. There was a deep contemplation on the project, how to take it forward? I was just watching at my authorities. I was very curious, looking forward to the breakthroughs. I could see that the authorities had an unflinching faith on your divine words, your direction, your mission, holy name & Sri Chaitanya Mahaprabhu's sankirtan movement. In spite of all the challenges, authorities didn't give up the hope, they were just meditating on your mission. It was a great enlightenment for me to develop faith in your words. Srila Prabhupada, thank you for giving me an opportunity to associate with your faithful disciples.

After a long struggle, around a couple of month before the lockdown, funds have been arranged to start the South Block of Vrindavan Chandrodaya Mandir. But by then we were not ready with the execution team & plan. His Grace Madhu Pandit Prabhu appointed an architect & briefed on the execution plan. Fortunately, we had only one project meeting in Vrindavan. In between the meeting he met the contractor & few others working in the nearby site, then he was confident to start the project. We have paid little advance to the contractor & we have decided to start the project. But within a couple of weeks, the whole country was under lockdown. Practically there was no work progress on the site. After the initial 3 weeks of lockdown, all of a sudden VCM temple construction work is rejuvenated on the site. This is a big miracle. I could remember your words.

*"Similarly, we should try our best to our best capacity, and victory will come from Krishna. We should never sit idly and ask Krishna to do everything. That is the teachings of the Bhagavad-Gita. It is clearly said in the Gita: "Yuddhasya ca mam anusmara [Bg. 8.7]." So ordinarily, we have to try our best to our best capacity to achieve something, and by Krishna's Grace, all of a sudden we shall see everything is there. This sort of help from Krishna is transcendental happiness. Our principle should be, therefore, that we should work for the mission with great enthusiasm, with certainty for its success, and patiently follow the regulative*

*principles, and associate ourselves with pure devotees, and work being completed in Krishna Consciousness, that will make us happy and successful." Letter to Brahmananda - Los Angeles 20 February 1968*

Srila Prabhupada you have empowered few staff working on the site who were eagerly waiting for the temple construction. And now we have almost completed the foundation & columns are coming above the ground. This VCM work progress is simply a miracle. Sitting on the site I was watching this miracle. All devotees are happy to see the progress on the site. In the so-called favourable situation, there was no progress but by your special mercy, we could see the VCM construction progress in this unfavourable situation. Srila Prabhupada, there's no way I can take false credit for this miracle. Srila Prabhupada, thank you for engaging us in your service, in your mission & keeping us in Sri Vrindavan Dham. Srila Prabhupada thank you for helping me in each and every aspect of devotional service. Thank you for helping me in developing transcendental faith. Srila Prabhupada, thank you for revealing secrets of soulful Japa through the authorities.

All the devotees are putting their best efforts to complete the Vrindavan Chandrodaya Mandir project. We are happy to see new devotees joining the ashram. Srila Prabhupada, kindly bless us & engage us more and more in this dream project if you desire so.

Knowingly or unknowingly I would have committed a lot of offences, Srila Prabhupada please forgive me. Give me the required Gyana, Bala & Kriya to follow your instructions & serve you better. Once again I beg you for your mercy for performing soulful Japa as you desire.

Your most fallen servant,

Madhuvrata Dasa.

*caḥsur unmīlitaṁ yena tasmai śrī-gurave namaḥ*

I offer my respectful obeisances unto my spiritual master, who has opened my eyes, which were blinded by the darkness of ignorance, with the torchlight of knowledge.

Dear Srila Prabhupada,

Please accept my humble obeisances unto the dust of your lotus feet. All glories unto you.

How can a fallen soul like me ever understand your glory to be able to glorify a personality like you, who's especially sent by the Lord to fulfil His mission and prophecy? You're a pure devotee, a Maha-Bhagavata, a perfect example of a devotee full in all good qualities by which you've purchased Srimati Radharani and Lord Krishna, Lord's mercy and compassion personified. You're the one that many purva - acharyas and pure devotees have eagerly awaited to incarnate. You were not only prophesied by purva – acharyas of our Brahma – Madhava – Gaudiya Sampradaya but by many others like the Alwars. Srila Prabhupada, when I see your greatness I find myself really small and unworthy to write about you. The more I read, hear and understand about you the more I wonder at my great fortune and your causeless mercy and also my unworthiness and minuteness to glorify you. Your glories are unfathomable, inexpressible, great and limitless. No prayers are good enough and no words are worthy enough to really give the slightest idea of your glory. By just knowing a speck of dust of your greatness, I feel awed and amazed and wonder if it can ever be possible for me to know the greatness of the Supreme Lord Sri Krishna. I think it's impossible. Therefore, my only prayer and aspiration is to understand your greatness and the greatness of Vaishnavas in this life at least.

Srila Prabhupada, as you're well aware of my material conditioning and offensive mentality. I pray at your lotus feet to somehow protect me and help me to come out of my deep-rooted anarthas of pride, envy, false ego, arrogance and many more that I'm not even aware of. But I know you're aware of everything and cognizant of my shortcomings. Just make me humble enough and worthy enough to not hurt any fellow devotees and be able to render service as per the expectation and pleasure of senior devotees who are your representatives. Please give me the maturity to understand that I'm too small and insignificant and to accept things that happen as the plan and will of the Lord.

Recently, I've been very offensive towards other devotees due to my material vision and expectations based on my material understanding, judgement and vision. Please help me to get their forgiveness and blessings to progress and succeed in my spiritual endeavours.

*yat-kripa tam aham vande sri-gurum dina-taranam*

*"I offer my respectful obeisances unto my spiritual master, the deliverer of the fallen souls. His mercy turns dumb into eloquent speakers and enables the lame to cross mountains."*

Last but not the least, my dear Srila Prabhupada, I can never be sufficiently grateful for whatever you've given me and still I'm so ungrateful. Please allow me to serve you and please you in some way.

Your Most Fallen Servant,

Nandapriya Devi Dasi.

This glorious day of your appearance on this planet, to save humanity from spiritual peril is the real festival. If not, for you and the institution (which is non-different from you) you've created, where is the hope? I would've wandered in this dark dry desert of material existence, running after illusory mirages. The end result would've been a miserable life and a painful death. But my story changed when I found your sweet shelter. The glory of devotional service enlivened my dead heart. It's exactly been 2 decades that I've come under your safe wings. 20 years have passed just like a wink of eyes.

Humanity today is facing one of the worst crisis-the pandemics. There's no doubt that everyone's in fear. In these troubled times, our only shelter and solace is your teachings. Make me an instrument in your preaching mission, which is passing out this message of hope to society. I'm sinking in umpteen anxieties- aging body, fragile relations, insecurities, etc. But I'm still hopeful of your mercy. *Maya* is tightening its noose around my neck, but following your teachings gives me hope.

Last but not the least, I'm so grateful for Soulful *japa* Modules and sessions. They're game-changers. By power and grace of Nama Prabhu, one can remove all obstacles. I used to wonder about concepts of *Nama aparadha*, *Nama abhasa* & *Shuddha Nama*. After exposure to Soulful *Japa*, these things make sense. To conclude, I fall at your lotus feet & beg for your causeless mercy. Your mercy will only save this moron.

Я заблудшая душа, стала удачливой, когда коснулась Ваших стоп, поэтому хочу выразить Вам свою безграничную и бесконечную благодарность. Однажды Вы пришли ко мне во сне и сказали "держись моих стоп". И я хочу всегда держаться за Ваши стопы и не забывать о них. Прошу Вас, не оставляйте меня, дайте возможность всегда прибывать у Ваших лотосных стоп, которые меня приведут к Господу Кришне. Please accept my most humble obeisances at your divine lotus feet, which are only the hope and shelter for this fallen soul.

I know Srila Prabhupada that I am not a worthy disciple of yours and not an expert like other disciples of yours, but being so merciful and compassionate, you are tolerating me and keeping me at your service.

Srila Prabhupada, I beg to your lotus feet to guide me and keep in your service whole life.

I know Srila Prabhupada, you are the only guide of this movement.

But by seeing several instances, somewhere my faith is shaking.

I sincerely beg to you to maintain unflinching faith on you as the ultimate protector of your disciples.

Please empower me and use me in your service to become your instrument to spread the mercy of the Holy Name of the Lord, otherwise, my life is simply useless and waste.

My beloved spiritual master, again I am very thankful to you to give me one more chance to write this insignificant offering at your lotus feet.

Thank You to those Divine Lotus feet of Your Grace for,

Giving Certainty in a world of uncertainties

Giving hope in the world of absolute hopelessness

Giving that protection in the world filled with danger at every step (padam padam yat vipadam)

Being the only permanent shelter in an absolutely temporary world

Giving a never-ending eternal bond/relation, in a world full of fake relations

Bestowing immense love and affection, in a world full of hatred and jealousy

Accepting all fallen souls, who are otherwise rejected in this world and have no other shelter

Being the most merciful compassionate shelter in a merciless world

In a world where everyone is busy snatching from others in the name of power, the all-powerful Your Grace is just giving and giving and giving mercy, for no rhyme or reason, absolutely "CAUSELESS"

Where every single thing in this world is counted, measured, limited, Your lotus feet is showering unlimited compassion on unlimited souls

In a world full of dissatisfaction, serving Your lotus feet gives the ultimate satisfaction

In a world of giving and take culture, Your Divine Grace gifted the greatest gift "The holy name – Nama Prabhu"

Giving a life full of bliss by engaging in the service of the Lord, in an otherwise unmeaningful life

позволь предложить тебе мои смиренные поклоны.

Вся Слава Шри Брахма Мадхава Гаудия Вайшнава Сампрадае!

По милости Шри Чайтаньи Махапрабху Ты пришел в этот век раздоров, чтобы исполнить Его волю! Распространив сознание Кришны по всему миру, Ты пролил океан милости на всех и каждого, не взирая насколько мы не достойны этого. Следуя желанию и воли Бхактисиддханты Сарасвати Тхакура, ты распространил этот трансцендентный звук с помощью своих великолепных книг! В этих удивительных книгах проявлен аспект двух Бхагават, как книга Бхагавата, так и личность Бхагавата! Ты сам сказал: «Всё, что я должен был сказать, я уже сказал в своих книгах» . Просто смиренно читая и изучая эти книги, самый падший и никчемный грешник получает трансцендентное посвящение в сознание Кришны! Следуя твоим совершенным наставлениям , любой искренний преданный может избавиться от всей материальной скверны, возродив таким образом чистую любовь к Богу , и в итоге достичь лотосных стоп Шри Кришны! Иллюзорная энергия Бога столь могущественна, что заставляет падшее живое существо миллионы жизней тратить на бессмысленные цели, забывая о своем истинном предназначении. Я ,твой самый отвратительный слуга, не исключение . Прожигая очередную свою жизнь, я обрел неслыханную удачу, встретив твои Книги, их мне представили твои любимые ученики. Через эти книги я получил от Тебя трансцендентные наставления, которые изменили мое сердце , направив мой ум в поисках высшего блага! Я вновь и вновь с бесконечной благодарностью приношу тебе свои поклоны в надежде обрести крупицы разума и стойкости в служении твоим совершенным, трансцендентным указаниям!

Dear Śrīla Prabhupāda,

Please accept my humble obeisances at your divine lotus feet,

*om ajñāna-timirāndhasya jñānāñjana-śalākayā*

*caḅsur unmīlitam yena tasmai śrī-gurave namaḥ*

Seeing the present situation of the world, I often recollect your explanations from various lectures. 'Bhagavad-gītā 1.36 - London, July 26, 1973- "These people, they do not know. Because they are asuras, they do not know what to do in this human form of life and what not to do. They are killing animals without any hesitation. They do not know these rascals. And still, they are Spiritual leaders. How horrible condition is this, in this Kali-yuga. Just imagine. Without any restriction, without any hindrance, they are committing sinful life." I just feel so much scared for the people of Kali-yuga whose level and variety of sins see no bounds.

Others apart, I myself have not given up the tendency to enjoy independent of Lord Krishna and remain sinful. Further, there are so many points to realize about myself, which make me feel sad and but fortunate at the same time. Firstly, how unlimitedly fortunate I am to finally understand my degraded condition (due to your causeless mercy). Although I still don't realize the depth to which I am degraded. That only you can see. Secondly, the process of revealing of anartha and accepting it, becomes so much difficult for me being such a rebellious soul. But, you make sure that I see it as my fault by banging again and again on the same point in some or other ways. Again your mercy is the only reason.

I wish I get good strength from you to even do away with the anarthas and not just keep dragging them like a foolish man who unnecessarily keeps the old garbage in the house making himself sick. Actually, this all is the gift of following your instructions and devotional service (which we don't realize). And this process is not very palatable for sinful people like me, but the end result is eternal and blissful. This is for sure not a small task (like ruling entire Earth or becoming the richest man on Earth), but a lifetime or lifetimes project, to bring a fallen soul back to Lord Krishna. And when there is not one but, millions of souls like me for correction and rescuing, it is actually impossible to even imagine.

Foolish people uselessly glorify the tiny material achievements of some so-called big people on this planet. It is like the material skill of ants in making anthill, being glorified before a sage who can travel to different universes. It is true and very sad that so many souls have been deeply entangled and are lost in the darkness of ignorance. Your presence on this planet is like the sunshine of purity and rain of nectarean true love of Lord Krishna for His lost children.

There can be no sufficient explanation of this glorious episode of Kali-yuga which is being played by Lord Chaitanya and His associates. But, in simple words I would just say, your patience, tolerance, and love is beyond my imagination. I don't know if I will ever realize what you have done for me and the entire humanity. But, I will remain in debt to you forever.

Your unworthy servant,

Satya Vrata Das, VRINDAVANA.

## Shukadeva Dasa

---

Dear Srila Prabhupada,

Please accept my humble obeisances on this most auspicious occasion of your divine appearance.

You are a dear devotee of Lord Krishna. You appeared in this material world to extinguish the blazing fire of our material existence and enlighten us about the real nature of the self as an eternal part and parcel of the Supreme Lord Sri Krishna. You have taught us that our real happiness is in being always engaged in pure devotion to Lord Krishna. You have set up International Society for Krishna Consciousness and have made it open to all sincere souls to take shelter of it and go back home back to Lord Krishna.

You have tried in various ways and means to teach mankind its important duty of making progress in spiritual life by accepting the Supreme Lord Sri Krishna as our Supreme Father and live happily.

Lord Krishna says in the Bhagavad Gita:

*sarva-yoniṣu kaunteya mūrtayaḥ sambhavanti yāḥ tāsāṃ brahma mahad yonir ahaṁ bija-pradaḥ pitā*

*"It should be understood that all species of life, O son of Kuntī, are made possible by birth in this material nature and that I am the seed-giving father." BG 14.4*

In your innumerable lectures, books and conversations you have stressed this point and has urged mankind to give up all bodily designations and become united on this spiritual platform that we are all eternal parts and parcels of Lord Krishna, so we have to give up all bodily designations and cooperate with the Supreme Lord's arrangement to live happily in Krishna consciousness. To teach this, you have translated various Vedic scriptures like Srimad Bhagavad Gita, Srimad Bhagavatam, Sri Chaitanya Charitamrta, Sri Ishopanisha, Bhaktirasamrta Sindhu, Upadeshamrta Sindhu etc. into English and various other languages. You went all around the world all alone taking all risks and induced people to take up to Krishna consciousness and be happy. You showed the real way of living happily by establishing farm communities and gurukulas, temples. You organized travelling Sankirtana parties to go all over the world and preach the universal message of Lord Krishna and Sri Chaitanya Mahaprabhu. You also implemented prasadam distribution in large scale to reach out the mercy of the Lord to the masses.

Your intense desire to serve Krishna in all possible ways and means impresses a sincere seeker of the Absolute Truth to associate with you and get a complete understanding. Your dedication and devotion to fulfil the orders of your spiritual master is exemplary. You dedicated your body, mind, intelligence and everything you had in the service of the Supreme Lord Sri Krishna. You are a *nitya-siddha-ātma*, an eternally liberated associate of Lord Krishna. You came to show us what is the real-life of a living being. You have awakened us from the deep slumber of ignorance and have illuminated our lives by showering the light of Krishna Consciousness.

In Srimad Bhagavatam the importance of taking shelter of a spiritual master is given as follows:

*guru-śuśrūṣayā bhaktyā sarva-labdhārpaṇena ca saṅgena sādhu-bhaktānām īśvarārādhanaena ca  
śraddhayā tat-kathāyām ca kīrtanair guṇa-karmaṇām tat-pādāmburuha-dhyānāt tal-liṅgeṣārhaṇādibhiḥ*

“One must accept the bona fide spiritual master and render service unto him with great devotion and faith. Whatever one has in one's possession should be offered to the spiritual master, and in the association of saintly persons and devotees one should worship the Lord, hear the glories of the Lord with faith, glorify the transcendental qualities and activities of the Lord, always meditate on the Lord's lotus feet, and worship the Deity of the Lord strictly according to the injunctions of the śāstra and guru.” SB 7.7.30-31

In the purport for the same verse you have explained:

“To practice bhakti-yoga, one must first accept a bona fide spiritual master. Śrīla Rūpa Gosvāmī, in his *Bhakti-rasāmṛta-sindhu* (1.2.74-75), advises:

*guru-pādāśrayas tasmāt kṛṣṇa-dīkṣādi-sikṣaṇam viśrambheṇa guroḥ sevā sādhu-vartmānuvartanam  
sad-dharma-prcchā bhogādi-tyāgaḥ kṛṣṇasya hetave*

One's first duty is to accept a bona fide spiritual master. The student or disciple should be very inquisitive; he should be eager to know the complete truth about eternal religion (sanātana-dharma). The words *guru-śuśrūṣayā* mean that one should personally serve the spiritual master by giving him bodily comforts, helping him in bathing, dressing, sleeping, eating and so on. This is called *guru-śuśrūṣaṇam*. A disciple should serve the spiritual master as a menial servant, and whatever he has in his possession should be dedicated to the spiritual master. *prāṇair arthair dhiyā vācā*. Everyone has his life, his wealth, his intelligence and his words, and all of them should be offered to the Supreme Personality of Godhead through the via the medium of the spiritual master. Everything should be offered to the spiritual master as a matter of duty, but the offering should be made to the spiritual master with heart and soul, not artificially to gain material prestige. This offering is called *arpaṇa*. Moreover, one should live among devotees, saintly persons, to learn the etiquette and proper behaviour of devotional service. Śrīla Viśvanātha Cakravartī Ṭhākura remarks in this connection that whatever is offered to the spiritual master should be offered with love and affection, not for material adoration. Similarly, it is recommended that one associate with devotees, but there must be some discrimination. Actually, a sādhu, a saintly person, must be saintly in his behaviour (*sādhavaḥ sad-ācārāḥ*). Unless one adheres to the standard behaviour, one's position as a sādhu, a saintly person, is not complete. Therefore a Vaiṣṇava, a sādhu, must completely adhere to the standard of behaviour. Śrīla Viśvanātha Cakravartī Ṭhākura says that a Vaiṣṇava, a person initiated into the Vaiṣṇava cult, should be offered the respect befitting a Vaiṣṇava, which means that he should be offered service and prayers. However, one should not associate with him if he is not a fit person with whom to associate.”

You have further stressed the importance of serving in the association of the devotees in Sri Chaitanya Charitamṛta Madhya 4.79 Purport as follows:

“As Narottama dāsa Ṭhākura has stated: *tāndera caraṇa sevi bhakta-sane vāsa, janame janame haya ei abhilāṣa*. The Kṛṣṇa consciousness devotees must always desire to remain in the society of devotees. *Bhakta-sane vāsa*: they cannot go outside the Kṛṣṇa consciousness society or movement. Within the society, we must try to serve the predecessors by preaching Caitanya Mahāprabhu's cult and spreading His name and fame all over the world. If we attempt this seriously within society, it will be successfully done. There is no question of estimating how this will happen in the mundane sense. But without a doubt, it happens by the grace of Kṛṣṇa.”

You have built this organization to give all sincere souls an opportunity to stay in the association of devotees and make progress in Krishna consciousness. I am eternally indebted to you for giving me shelter at your lotus feet. Due to some unimaginable good fortune, Lord Krishna has shown His causeless mercy on me and has made me take shelter at your lotus feet as my eternal spiritual master. I will work sincerely to purify myself and offer my body, mind, words and everything I possess to serve your mission. You have given us everything needed to become pure devotees and preach Krishna consciousness. I will always cooperate with the devotees who are serving your mission and will do my best to preach Krishna consciousness.

I am filled with innumerable *anarthas*. Please bestow your causeless mercy and blessing on me so that I may become a pure devotee of the Lord.

I apologize for all the offences that I might have committed knowingly or unknowingly.

Please bless this insignificant servant of yours.

Your Servant,

Shukadeva Dasa.

Dear Srila Prabhupada,

My Spiritual Master, please accept my humble obeisances unto your lotus feet!

Dear Prabhupada, I don't know what would have been happened to me if I would not have got shelter unto your lotus feet!

I am the mad fallen soul, don't know what to do what not to do, but I seek your blessings. Please bless me so that I can progress on this spiritual journey. You have taught us how to live, how to do every small and big thing in life. You have touched almost all the sectors, all the fields, given all the knowledge about life. One can lead a very good life by following your instructions, even I want to follow I seek your blessings please bless me.

Dear Srila Prabhupada,

In a letter to His Holiness Jayapataka Swami on July 11, 1969, you had mentioned:

You have asked if it is true that the Spiritual Master remains in the material universe until all of His disciples are transferred to the Spiritual Sky.

The answer is yes, this is the rule.

Therefore, every student should be very much careful not to commit any offence which will be detrimental to this promotion to the Spiritual Kingdom, and thereby the Spiritual Master has to incarnate again to deliver him.

This sort of mentality will be a kind of offence to the Spiritual Master.

In another letter to His Holiness Tamal Krishna Maharaj on July 19, 1977, you had mentioned:

*Our first and actual business is to get free from the material energy and to engage in the transcendental service of Krishna, going back home, back to Godhead. Within this lifetime, according to one's varna and ashram, he may be engaged in different ways.*

In a Letter to Kritika Mataji on May 21, 1971, you had mentioned:

*So that is perfection in Krishna Consciousness; to be so much engaged in Krishna's loving service that you cannot bear the separation from that service, not even for a moment.*

*So somehow or other always be engaged. And if there is nothing else, you can always sit down and chant Hare Krishna Mantra. 16 rounds daily is the minimal requirement, but you should chant Hare Krishna as much as possible.*

*And follow all the regulative principles strictly. Read all our books, attend classes and go for street Sankirtana.*

*In this way be engaged in Krishna's business 24 hours and you will be happy and in the end, you will go back home, back to Godhead.*

In a Letter to Rishabhadeva on June 27, 1975

*Please see that they are all chanting 16 rounds on their beads and following the rules and regulations. We have to become very strict in this matter.*

*To go back home, back to Godhead is not an easy thing. It requires great discipline of body and mind, and performance of pure devotional service.*

In a Letter to Bhavananda, Aug 28, 1972, you had mentioned:

*"My special blessings for Palika and Kausalya Prabhu who are doing so much for our Lord and they must be specifically blessed to go back home, back to Godhead without any delay for waiting for the next life. Thank them very much on my behalf."*

Srila Prabhupada, you know very well what an nth rated rascal I am.

Therefore, kindly place me as a particle of dust at your Lotus Feet and please bless me with your causeless mercy to introduce me to Krishna's face to face in the Spiritual World at the end of this very life.

Your daughter and eternal servant,

Sulochana Devi Dasi.

Dear Srila Prabhupada,

*om ajñāna-timirāndhasya jñānāñjana-śalākayā, cakṣur unmīlitaṁ yena tasmai śrī-gurave namaḥ*

Everyone is blind, in the darkness of ignorance. And it is the Guru's business to open their eyes, to help them see things as they are. That is the Guru's business. Srila Prabhupada, your qualities are transcendental and innumerable, I do not have sufficient strength to describe even a drop of it. Those devotees who have substantial realization from serving your instructions may be able to glorify you properly. When you see that a fallen conditioned *jiva* is progressing in Krishna Consciousness, that pleases you. the most, exactly in the same way as Lord Krishna is pleased. That's why, although You were settled in the spiritual abode Vrindavana, you accepted the challenge and a bold step even when Your body was aging, to please your Guru Maharaja, and to give the nectar of Krishna consciousness to all the souls of this world. This is nothing

but your causeless mercy. By your example, you just showed us a glimpse of what is the position of a pure devotee – a *Mahabhagavata*, who is empowered by Lord Sri Krishna and the entire disciplic succession.

As the world is completely shaken by the Covid-19 crisis, it has triggered, rather amplified, even more, the immediate requirement for preaching your message to the whole world. Now by your grace, VCM Project construction also has started. But still, how will such a massive project manifest, remains an esoteric mystery for all of us. Although I am not in the service of raising funds for it, nor in making devotees join this mission, still my prayer is that, please allow me to play an insignificant role in fulfilling this desire of yours, in whatever way possible, if you so desire. Please give me sufficient intelligence and strength, so that I may be able to carry out your order throughout my life.

*ācāryera mata yei, sei mata sāra, tānra ājñā laṅghi' cale, sei ta' asāra*

*'The order of the Spiritual master is the active principle in spiritual life. Anyone who disobeys the order of the Spiritual master immediately becomes useless.'*

Your unqualified servant,

Sundar Nimai Das.

Jaya Śrīla Prabhupāda. All Glories to Śrīla Prabhupāda,

Dear Śrīla Prabhupāda, please accept my humble obeisance at your divine lotus feet.

*om ajñāna-timirāndhasya jñānānjana-śalākayā, cakṣur unmilitam yena tasmai śrī-gurave namaḥ*

*nama om viṣṇu-pādāya kṛṣṇa-preṣṭhāya bhū-tale, śrīmate bhaktivedānta-svāmin iti nāmine*

*namas te sārāsvate deve gaura-vāṇī-pracāriṇe, nirviṣeṣa-sūnyavādi-pāścātya-deśa-tāriṇe*

Personally, I have no qualification to offer devotional writings in praise of Your Divine Grace. Please bestow your causeless mercy upon this fallen soul so that this body may become an instrument in the service of your mission. I beg for the Vaiṣṇavas' mercy that I may be able to describe an insignificant drop of your uncommon glories. It is stated in the Padma Purāṇa that of all types of worship, the worship of the Supreme Person (Lord Vishnu) is the highest, but still higher is the worship of the Lord's devotees. Lord Śrī Caitanya Mahāprabhu says in the Chaitanya-charitāmṛta that 'The living entities are wandering throughout the universe; some are being elevated to the upper planets and some are going down in the lower planetary systems. Out of many millions of wandering living entities, one who is very fortunate gets an opportunity to associate with a bona fide Spiritual master by the grace of Kṛṣṇa.' (Cc. Madhya 19.151)

Dear Srila Prabhupada, I was wandering in illusion and ignorance not knowing the importance of this human form of life, simply attached to the family. You mercifully made me fortunate, so how fortunate I am to have become your disciple. Where would I have been now, if you had not appeared in this material world, what would have happened to me if I had not come in touch with you? What would have happened to me, if I had not taken to Kṛṣṇa consciousness? What would have happened to me, if I had not seen your books and heard your lecture? Without you I will be in māyā, covered hopelessly by the waves of the modes of nature, drowning in the ocean of material desires. Without you, there is no meaning in life? Without you, I would have been useless, timeless existence devoid of ātma-tattva? Your mercy is all that I am made of, Śrīla Prabhupāda. Because of your mercy, I came to Vrindavana and am able to serve Sri Sri Radha-Vrindavana Chandra.

Śrīla Narottama dāsa Ṭhākura sings:

*dīna-hīna jata chilo, hari-nāme uddhārilo, tāra śākṣi jagāi mādhai*

Lord Caitanya and Lord Nityānanda were so kind that They delivered all the lowly and wretched people, and Śrīla Narottama dāsa Ṭhākura says the evidence of this is that They delivered Jagāi and Mādhai, who seemed impossible cases, so bad that

even the devotees did not think it was possible to help them. Ultimately, even Lord Caitanya was not prepared to deliver Jagāi and Mādhāi, but when Lord Nityānanda appealed to Him, the Lord agreed, and He accepted them as His associates.

In the Chaitanya-charitāmṛta, Lord Caitanya Mahāprabhu says to Lord Nityānanda:

*tāhān siddhi kare—hena anye nā dekhiye āmāra ‘duṣkara’ karma, tomā haite haye*

*'You can perform a task that even I cannot do. But for You, I cannot find anyone in Gauḍa-deśa who can fulfill My mission there.'* (Caitanya-caritāmṛta, Madhya 16.65)

In the case of Jagāi and Mādhāi, Śrī Caitanya Mahāprabhu was so angry that He would have immediately killed them, but Nityānanda Prabhu was so kind that He not only saved them from death but elevated them to the transcendental position. Thus what was not possible for Śrī Caitanya Mahāprabhu was carried out by Nityānanda Prabhu. Dear Śrīla Prabhupāda, you are carrying on that tradition of Lord Nityānanda, and you have delivered so many Jagāis and Mādhāis and others.

Śrīla Bhaktivinoda Ṭhākura sings about Lord Nityānanda:

*den śuddha kṛṣṇa-śikṣā jāti, dhana, vidyā, bala nā kore apekṣā*

*'Lord Nityānanda gave everyone the pure teachings of Lord Kṛṣṇa, not caring for their birth, wealth, education, or strength. Indeed, he did not even see these things.'* Similarly, you, Śrīla Prabhupāda, overlooked the fallen conditions of everyone you preached to and gave them pure Kṛṣṇa consciousness, without reservation. In this way, you have delivered the whole world, Śrīla Prabhupāda, I am unqualified. I am totally unable to do anything by myself, But, somehow or other, due to my inconceivable good fortune, I have offered myself to you. Therefore, please reclaim what really belongs to you. Please use me in whichever way you want. Please destroy all the anarthas that I have accumulated since time immemorial. Please, never ever allow me to forget that I am your disciple. Please give me the strength to follow the four regulative principles strictly, sincerely, seriously. Chant my sixteen rounds of japa with humility and attention, and to hear Srimad-bhāgavatam attentively and to live a life of purity without material attachment and without attachment to the family members.

Your insignificant eternal servant,

Vasudeva Suta Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to you. All glories to this auspicious day of your appearance!

*samsāra-dāvānala-liḍha-loka-trāṇāya kārūṇya-ghanāghanatvam,*

*prāptasya kalyāṇa-guṇāṇavasya vande guroḥ śrī-caraṇāravindam*

O! Srila Prabhupada, Your Divine appearance on this very day is the favor of Lord Krishna on the fallen souls of Kali-yuga, which is the age of quarrel and hypocrisy. Yet your divine appearance marks the golden period of this age which is so glorified that even demigods want to take part in the activities of pure devotees of Lord appearing in the line of Sri Chaitanya Mahaprabhu. O! Srila Prabhupada, it is the unlimited fortune of those who got shelter of your lotus feet, which are like desire trees. By your causeless mercy, I have become a part of your mission as a fully dedicated soul. As you wish to see the prophecy of Lord Chaitanya Mahaprabhu to spread the Holy name of Krishna, in every nook and corner of the world, by your unlimited mercy, is happening through your sincere disciples. The ignorant world is now coming to its senses due to being harassed by the Coronavirus pandemic, and now they can only be relieved by the showers of your causeless mercy.

With unconditional love and devotion for Lord Krishna and instruction of your Guru Maharaja, you took all the inconveniences to deliver the fallen souls from the darkness of the material world. By your own example, you showed how a disciple should take the instruction of his spiritual master as life and soul. Even though you established Hare Krishna movement worldwide, you never failed to give personal attention to your devotees, who always hanker for your merciful glance. O! Srila Prabhupada, by your mercy, millions of tongues chant Hare Krishna every day, participate in Harinam sankirtana, which is ever-increasing ocean of spiritual bliss.

O! Srila Prabhupada, you are the commander in chief of the army of Sri Chaitanya Mahaprabhu, taking the weapon of Hare Krishna Maha-mantra, relieving the conditioned soul from the miseries given by Maya. O! His Divine Grace, I humbly pray to you, to give me shelter at your lotus feet, which are the cooling shade for those burning by the contamination of the material world. I am begging for your causeless mercy to give me faith in your instructions and strength to follow them. Let me always sing your glories as the most confidential servant of the Holy Name. O! Spiritual Master, you are our only maintainer, the reservoir of all good qualities, please accept this fallen soul as your servant.

*yasya prasādād bhagavat-prasādo, yasyāprasādānna-gatiḥ kuto 'pi*

Let my life be only to please you which will please Lord Krishna, making my life successful. We are simply repeating your instructions again and again and trying to serve the Hare Krishna Nama Prabhu, expecting for His causeless mercy which is flowing down through you inundating the whole world with the love of Lord Krishna.

Your fallen servant, Bhakta Arun Singhal.

Dear Srila Prabhupada,

Please accept my humble obeisances

I remember the first time when I connected with you and my bond with you started growing, even more, this is when I was in Bangalore when the Darshan Aarti was going on, I usually used to be a regular Kartal player as you will already know, but on that day I wasn't able to play the Kartal because the kirtan team was full, so I first went to my mother and told her

that I was feeling bad that I wasn't able to play the Kartal, she then suggested to me that I must go to Your Deity and pray and she also told that I must not feel bad because it is the Lord's will whether he wants me to play Kartal or not. I did what my mother told me, I came to your deity and I started praying that I really want to play Kartal in the kirtan team and it is your will whether to let me be a part of the kirtan or not, it was very shocking for me because this was the first time I really recognized your reciprocation because as I was praying before your deity, a devotee came and handed me a pair of kartals. This was one of the happiest moments of my life then. This is when I really started to understand your presence and started understanding that you are always around with us because You have and will always be like the bright light who will guide us in every situation of our lives. If you were not here for us, our lives would be no less than the lives of animals, only eating, sleeping, mating, and defending ourselves, we would never know the real purpose and meaning behind this human form of life which is so precious that we have to go through 8,400,000 species to get it.

Prabhupada, you will always be a mentor to us because you will be here for all of us no matter what, either it is a good situation or a bad one, you will guide us through them. You will teach us not to get overly excited and carried away in our good times so that we won't harm ourselves due to overconfidence or over excitement and You will help us go through bad times because You are the only person who can relieve us of any pain or agony.

Prabhupada, please help me become a sincere and humble devotee of Krishna and a very humble and sincere disciple of Your Grace. I am nothing without You because I am a worthless piece of human flesh and bones, only You can give value to this worthless creature by enlightening him with firm faith in the Supreme Personality of Godhead and by giving him the shelter of Your Lotus Feet, only by this will my life be worth living because if I am not under the shelter of You and Their Lordships Sri Sri Radha Krishna Chandra, Sri Sri Radha Vrindavan Chandra, Sri Radha Damodar, I will be wasting my life under the influence of Maya Devi.

Your Most Fallen Servant,

Bhakta Krishna Jagadeesh.

Дорогой Гуру Махарадж, ШрилаПрабхупада.

Пожалуйста, примите мои смиренные поклоны в пыли Ваших лотосных стоп.

Вся слава священному дню Вашей Вьяса-пуджи. Вся слава Вам, Шрила Прабхупада.

Мои глаза покрыты иллюзией, а мое сердце полно материальных желаний. Однако я всё равно стараюсь идти по сложному пути духовности, дабы обрести освобождение, и Ваши наставления ведут меня по нему. Вы всегда готовы проповедовать о милости Шри Кришны каждой душе, у которой есть хотя бы малейшее желание слушать.

Я, ваш никчёмный слуга, очень удачлив, потому что в 2012 году я обрёл ваши лотосные стопы. За это я хочу выразить вам свою бесконечную благодарность.

Шрила Прабхупада сказал: "Повторяйте мантру и будьте счастливы". Я пытаюсь воплотить в жизнь эту простую формулу счастья. Иногда это просто, иногда нет, но при любых обстоятельствах моей жизни, я знаю, что Вы - мой духовный учитель и Вы не позволите мне погибнуть в таком неестественном месте, как материальный мир. Единственное, чего я действительно хочу - всегда оставаться под сенью Ваших лотосных стоп.

Пожалуйста, просите мои ошибки и всегда ведите меня к Господу Кришне.

Hare Krishna Srila Prabhupada Ji,

I offer my humble obeisance unto your lotus feet.

I can never ever be grateful enough to thank the mercy you have laid upon me by saving my soul from ignorance, illusion and wasting my life. You picked me up from the gutter and brought to Krishna. You have always been with me and guided me in all problems of life, shared my happiness and distress. Had it not been your completely causeless mercy I would have doomed and devastated but you never let me go, you have always been protecting me. Many times, I feel that I am not at all worthy of your mercy but if you won't give me your mercy I will doom. Whenever I need guidance or am in confusion, you have always somehow clarified it. I am not even fit to ask anything yet you keep giving me so great opportunities to serve Sri Radha Madhav. It is my sincere request to you Srila Prabhupad ji, from the very core of my heart, that please bless me to spread Krishna Consciousness all across the globe and to be a very sincere disciple of you. I will consider my life to be successful only if I am able to spread your message everywhere. I wish that by your mercy, one day this entire world would become Krishna Conscious. Please always keep guiding me and help me to become a sincere devotee and serve you and Sri Radha Madhav more and more with utmost sincerity.

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet.

Thank you Srila Prabhupada for accepting me in your movement as a full-time missionary. I was uncertain that I will be able to join your divine movement but you made me realize that this world is *duḥkhālayam aśāśvatam*, place of miseries and you made every circumstance favorable for me, to join your mission. Because of your divine help, I am having a life of temple devotee. During my journey of Krishna consciousness, I have felt a lot of help from Your Divine Grace. In spite of me being an unworthy candidate for spiritual life with slackened sadhana and not following four regulative principles strictly, you have always helped me through your disciples, your organization, your words, and through your books. You inspire each disciple for becoming Krishna conscious.

You have shown a lot of mercy upon me in various ways. A few decades back nobody would have ever imagined that Chaitanya Mahaprabhu's mission will become so big, but it has happened by your relentless effort, purity, and your causeless mercy that, so many Jagai's and Madhai's are turning into Vaishnavas. Please always keep me in the association of devotees, help me to chant attentively, and following four regulative principles strictly.

Your aspiring servant,

*“I am offering my respectful obeisances unto the spiritual master by whose mercy a dumb man can become a great speaker and a lame man can cross over a mountain, and whose thus delivers all fallen souls.”*

This is the glory of Our Spiritual Master Srila Prabhupada who can make an insignificant person, significant. Dear Srila Prabhupada! I offer my respectful obeisance unto your lotus feet. I am trying to glorify you with my insignificant words, please accept these. Every Jiva is struggling in this material world due to his so-called good and bad karmas. But by chance, if they get the glimpse of the mercy of a spiritual master like you, they have 100% chance to free themselves from the repeated cycle of birth, death, old age and disease, if they simply follow the instructions of their bonafide spiritual master. As you told that if we chant 16 rounds, follow 4 regulative principles and read your books, you will take us back home back to godhead. I am trying to follow these, so please give me more strength to follow these instructions. Because of your causeless mercy, I am living in a favorable environment to practice devotional service. Firstly, my parents are good vaisnavas who are continuously putting effort to also make me Vaisnavas. Secondly, I am living in Vrindavan which is the most auspicious and purest place in whole cosmic manifestation. Third, I am living in Radha Vrindavan Chandra temple which is the best place for practising devotional service. Because of you, I am living under the direct shelter of Sri Radha Vrindavan Chandra, Who is witnessing my activities directly. I am reading your books which is one of the most precious things given by you. Please give me more intelligence so that I can understand your philosophy given in your books more deeply so that I can convince more people that, Krishna is the supreme personality of the godhead and our eternal situation is to serve him, as who preach about the lord is dear most to you and Lord Krishna. Thank you Srila Prabhupada for giving all this. Please give me blessings that I can please you and Lord Krishna more and more. Thank you Srila Prabhupada for giving me one more opportunity to glorify you, moreover I will only be cleansed by glorifying you. You are my ever eternal saviour.

Jai Srila Prabhupada!

Dear Srila Prabhupada,

Hare Krishna

Please accept my humble obeisances at your Lotus Feet. All glories be to Your Divine Grace.

*Bhakti means to purify the desire (SP Lecture, Hawaii, 8 Feb 1975).* With a full understanding of this, I have just started to lead a carefully scheduled life that would gradually take me towards the purification of mind, heart and desires. Such a life seems easily livable when I have regular access to the Darshans in the temple, services in Temple and have the association of devotees. I am also able to bring out the sincerity in me for doing services, by the Grace of the Lord. But all these and so

much more were not being possible when the sudden jolt of lockdown forcefully descended on all of us and put a halt to my scheduled life.

*You have to remain uncontaminated (SP Lecture on SB 2.13.15, ISKCON Los Angeles, 1 June 1973).* Lockdown was not the same for everyone. With too much idle time, I could feel Maya's hold was becoming strong. I couldn't cope up with this terrible phase with so much contamination settling in on me. The fire in me was so weak that the fire around me burnt bright. I felt great misery being away from the temple, the services and association of devotees. I was slipping away.

But in time you rescued me, Oh Prabhupada. Lockdown continued but by Your Grace, I could unlock consciousness towards my spiritual duties. You are *Adhama Janara Bandhu, rescuer of fallen souls*. You have given me a fresh lease of life in spite of the offences-filled life that I was leading, my Spiritual Father. My deepest gratitude to my biggest Savior, my eternal Well-Wisher.

I stand before Your Divine Grace as an errant child, with folded hands seeking forgiveness from Your Divine Grace. I plead at Your Lotus feet to not give up on this deeply fallen soul, O most reverent master, for I am working towards reforming myself as per your instructions. My only hope for this reformation is by serving Your mission sincerely. By serving the servants of the Lord, one gradually gets the quality of such servants.

Only with Your mercy can I hope to become less proud, less selfish and less materialistic in my thoughts, words and actions.

Only with Your mercy can I develop an ardent desire to follow your instructions with care and attention.

Only with Your mercy can I hope to please you one day as a nice devotee, dear Prabhupad

Your aspiring servant,

Bhaktin Basanthi.

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet. All glories to you on this auspicious occasion of *Vyasa-puja*,

*om ajñāna-timirāndhasya jñānāñjana-śalākayā*

*caḥsur unmīlitam yena tasmai śrī-gurave namaḥ*

Although I am not your initiated disciple, yet with firm conviction, I may say that we have been sharing a *Guru-Shishya* (Spiritual Master - Disciple) relationship eternally because you have mercifully chosen me to nurture the seed of Devotional Service –

*brahmāṇḍa bhramite kona bhāgyavān jīva, guru-kṛṣṇa-prasāde pāya bhakti-latā-bīja*

*(Chaitanya Caritamrita Madhya 19.151)*

It means, 'Out of many millions of wandering living entities, one who is very fortunate gets an opportunity to associate with a bona fide Spiritual master by the grace of Lord Kṛṣṇa. By the mercy of both Lord Kṛṣṇa and the Spiritual master, such a person receives the seed of the creeper of devotional service.' O, my Spiritual master, I desired to obtain Lord Krishna's mercy and You fulfilled it by being my guiding lamp to take me back to Godhead.

O! Ocean of Mercy, your glories are unfathomable. You tirelessly worked day and night, just to deliver millions of fallen conditioned souls worldwide by generously distributing the highest transcendental sound vibration of the 'Hare Krishna *Maha-mantra*' as desired by Lord Sri Chaitanya Mahaprabhu. O! Divine Master, you taught us how to be obedient, sincere, and faithful to the orders of the Spiritual Master by traveling to many distant lands to preach Krishna consciousness as desired by your Gurudeva Srila Bhaktisiddhanta Saraswati Thakur. Without thinking twice, you traveled to the west at the age of 70 years, almost penniless, and without anyone to help you. You are magnanimous, Srila Prabhupada. Your simplicity, dedication, and love for your Gurudeva, and Lord Krishna is unparalleled.

O! The most highly revered master, you sacrificed your life not only for your Gurudeva and Lord Krishna but also for numerous insignificant conditioned souls to liberate them from the miseries of material life (Birth, Death, Old age and Diseases). By Your causeless mercy, today many conditioned souls are getting the opportunity to practice Krishna consciousness by visiting your beautiful ISKCON temples world-wide, reading your translated transcendental books (*Bhagavad-gita* as it is, *Srimad-bhagavatam*, *Chaitanya-charitamrita*....) and by hearing your transcendental lectures. You are the epitome of Purity, Peacefulness, Self- Control, Austerity, Tolerance, Honesty, Wisdom, Knowledge and Religiousness ;

*jśānam vijśānam āstikyam, brahma-karma svabhāva-jam - ( BG 18.42)*

On this auspicious occasion, please bestow Your mercy upon me, O! my Spiritual Master, so that I may be able to render my services at your lotus feet and progress in Krishna consciousness in order to go back to Godhead as desired by You.

Obeisances from your most fallen servant,

Bhaktin Rakhi Das.

O saviour of the whole universe, our dearest Srila Prabhupada,

Please accept my humble obeisance's at your divine lotus feet on this holy day of Sri Vyasa Puja. All Glories to Śrī Guru and Gauranga!

124 years back, on this very day a rainbow of true knowledge formed on the cloudy sky of Kali-yuga. It gave us a cool relief as the deliverer of all the fallen souls appeared as the ray of hope.

O Srila Prabhupada, just like the ocean which gives shelter to both - the harmless and harmful creatures, your ocean of mercy has given shelter to both the pious and impious living entities. Your mercy is so powerful that it has transformed this world into a pilgrim spot. In this world where the darkness of the three modes of material nature is predominant, you became the eternal light for the fallen. At the time of old age in which the body crumbles down and gets ready to die, you gave life air to the whole world for which we, again and again, bow down to you. Your words are not ordinary but are magical which can uplift the most fallen to the stage of devotional service. For us, nothing is more treasurable than your divine books which only fortunate people get. Oh! what deeds did we do to encounter you? Your mercy is like the thunderbolt which has struck our mind and senses and has awakened our soul who just wants to follow you. Unfortunately, words fail when we try to glorify you. So at last I pray that may everyone in the world get your mercy, may everyone be blessed with Krishna Consciousness.

Your servant,

Bhaktin Ujjvala Bharath.

Dear Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet. Last year has been a series of wonderful reciprocation from your divine grace, which can be felt as your causeless mercy for devotees of Vrindavan. 1<sup>st</sup> Grand inauguration of your kitchen - The Akshaya Patra Foundation is the National Capital of India, leading to a landmark entry into the limelight of the people of Delhi. It all came about as your reciprocation seeing the hard work of your disciples. 2<sup>nd</sup> By the expert guidance of senior devotees your dream project in Vrindavan - The Vrindavan Chandrodaya Mandir has gained momentum. Devotees had been working very hard to get resources for making your dream project, but by your causeless mercy, progressive steps are clicking one by one which we always want to anticipate throughout our spiritual journey. 3<sup>rd</sup> Nityananda Trayodashi festival celebration at VCM Gurugram temple site - invoking auspiciousness for coming up of a wonderful time in the millennium city of Gurugram. We pray for your mercy more & more, so that we can overcome all challenges for creating this landmark temple.

In your one letter, you mentioned: - *'Please go on cooperating between your godbrothers. I'm always with you never mind if I am physically absent.'* (Srila Prabhupada Letter, September 16, 1967). In another letter, you mentioned - *'So far I am concerned, I do not factually feel any separation from my Spiritual master because I am trying to serve Him according to His desire. That should be our motto.'* ( Srila Prabhupada Letter to Hamsadutta - Los Angeles June 22, 1970).

Please Prabhupada please bestow your mercy upon us so that we can follow your desire as expressed fifty years ago to your disciples. You are present in your divine books, please bestow your special blessings so that we can understand them & carry on our devotional duties. Please bestow sincerity, obedience & all necessary qualifications upon us so that we can execute your orders the way you wanted.

With the ever-increasing influence of Kali Yuga, the current day society is becoming more materialistic & degraded, please shower more & more mercy upon us so that we can execute your orders in every such situation which arises.

As an insignificant servant, I pray that this Krishna Conscious society of your disciples be full of variegatedness of devotional service in the field of arts, music, science, philosophy, education, etc, so that any amount of Maya's allurements may not touch the sanctity of your divine movement any time and all sincere souls get attracted to it to render service unto you.

Trying to be your sincere servant,

Amrita Govinda Dasa.

मेरे प्रभुपाद जी,

अज्ञानरूपी अंधकार को ज्ञान रूपी शलाका से खोलने वाले श्रीगुरुदेव जी के चरणों में अनंत कोटी प्रणाम। प्रभुपाद जी भक्ति जगत में एक सूर्य की तरह प्रकाशमान हैं, श्री गुरुदेव जी के सनिग्ध में करोड़ों चंद्रमाओं की शीतलता का आभास होता है, स्वयं माँ सरस्वती उनके कंठ में विद्यमान हैं। प्रभुपाद जी

की अपने गुरुदेव के प्रति अगाध श्रद्धा थी उसी से प्रेरित होकर, केवल अपने जीवन में ३ बार गुरुदेव प्रत्यक्ष मिले और अपने गुरुदेव जी के आदेश को मानकर उस उम्र में भक्ति का प्रचार बहार विदेशों में किया जिस उम्र में एक सामान्य व्यक्ति विश्राम की सोचता है। इस देश से बहार और भारतवर्ष में कृष्णा प्रेम की एक अविरोध धारा बहाती शायद ही ऐसा कोई अन्य व्यक्ति कर सकेगा।

कृष्णा तत्व पर इतना साहित्य वे हमारे लिए लिख गए हैं जिसे यदि हम आत्मसात् कर ले तो हम सभी का उद्धार हो जाये। जो महामंत्र, हरे कृष्ण हरे कृष्ण कृष्ण कृष्ण हरे हरे हरे राम हरे राम राम राम हरे हरे " हमें उन्होंने दिया है वही साक्षात् गुरुदेव हैं और वेही श्रीहरि के समान पूजनीय हैं। श्रीगुरुदेव जिनके प्रति प्रसन्न रहते हैं, श्री भागवान भी उनके प्रति प्रसन्न हो जाते हैं। श्री हरी के रूठ जाने पर गुरुदेव रक्षा कर सकते हैं किंतु श्रीगुरुदेव के रूठ जाने पर कोई भी रक्षा नहीं कर सकता। अतः आइए हम सब प्रभुपाद जी के शरणागत हो जाएँ और उनकी कृपा प्राप्त करें।

आपकी सेवा में

Dear most worshipping Srila Prabhupada,

Please accept my humble obeisances at your lotus feet.

Recently I read one of your pastimes. Devotees in a temple had prepared nice *Vyasaasana* for you. You appreciated that and also instructed them to prepare a couple of smaller size (but similar to yours) *asanas* and place them on the altar next to the Deities since Lord Brahma and Srila Narada Muni used to come every evening to attend Arti in the temple. When will I get blessed with a similar vision to witness your pastimes with the divine couple? That is my fervent prayer to you.

I am so fortunate to be in the association with senior devotees in our movement who are attached to your lotus feet. They want only one fan club in our movement – Srila Prabhupada's fan club. I am yet an outsider to this club but would like to join this distinguished club someday by your grace.

My problems are minuscule compared to the ones faced by you in spreading Krishna-consciousness, but I don't even have the patience and strength to face these minor challenges.

I am yet to succeed in following your most basic instructions on Chanting: Chant distinctly and hear sharply. Trying, trying, and still trying and not planning to leave trying till I succeed hopefully very near in future and all by Your causeless mercy on this wayward soul.

The world is in the tight grip of once in a century kind of problem faced by mankind, Coronavirus pandemic – everywhere there is hunger, fear, and uncertainty about what lies ahead. Varieties of suffering. In this situation, I am in Vrindavan Dham at the lotus feet of Sri-Sri Radha-Vrindavanchandra – the most secure place anywhere. That is your gift bestowed on me, but due to my anarthas, I am not able to utilize properly this golden opportunity for advancement in Krishna-consciousness.

In your recorded Bhagavatam class I heard today, you mentioned that Six Goswamis are merged in the thoughts of waves of loving affairs of Gopis with Krishna. *Kabe habe bolo e dina amar*. When will that day come for me too?

Despite all my offenses, please keep me in your movement and take me back home back to Godhead and award the eternal loving service to your beloved Lord Krishna. Praying to you for revealing the true meaning of Sikshashtaka verse 3: *Trinad Api Sunichena, Taror Api Sahishnuna, Amani Na Mana Dena*, so that I can also relish the sweetness of the Holy Name and loving feelings towards the divine couple while chanting Hare Krishna. I am struggling in tongue control – both in *prajalpa* and eating. This tongue of mine is very skilled in criticizing and finding fault with others. Please help me.

I wish to participate in describing and listening to the narrations of pastimes of our wonderful Lord in the association of your disciples and continue to live in this way till I reach your lotus feet in the spiritual world. For useless disciples like me, your mercy is my only hope for success on this path. Awaiting your mercy.

Your Most Fallen Servant, Anupama Krishna Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisances.

Thanks for giving us the morning sadhana program and the Guruvasthaka prayers in your glorification. Srila Vishvanath Chakravarti Thakur says- *“One who, with great care and attention, loudly recites this beautiful prayer to the spiritual master during the Brahma- muhurta obtains direct service to Krishna, the Lord of Vrindavan, at the time of death.”*

Just by meditating on the meaning of Guruvasthaka during the mangal aarti program, one can find himself in bliss. This composition describes these qualities of yours.

**1. Most compassionate** - We are living in this blazing forest fire of material existence, this dark world of ignorance. It is designed to trap us permanently in its shackles. There is no way to get off here. You appear like a powerful cloud and extinguish the blazing fire burning our very self. You appear like a powerful sun and dissipate the darkness which is covering our chittam and show us the path ahead, leading to Krishna. Who else has this power to create this oasis in the midst of the desert of the material world?

**2. Lover of God** - Because he is a lover of Krishna, a pure devotee, a confidential servant of the Lord, so he enjoys His company in various elements of devotional service and it gladdens him and makes him ecstatic. Our spiritual master is not like many professional Bhagavata speakers, who speak eloquently but the heart is empty of Krishna Prema. Our spiritual master is a genuine master who enjoys every bit of Krishna consciousness at every moment.

**3. A perfect teacher - Achar and prachar.**

He engages in Deity worship of Radha and Krishna, not of demigods, strictly as mentioned in the scriptures. He also engages his disciples in the same worship. He teaches that service to Deities is the direct service to the Supreme Lord. Deity is not a representation of the Supreme Lord but They are Their Lordships receiving our services in the forms accessible by our material senses. Just serving the Deities with faith and devotion will purify us and one day reveal to us Their true identity.

**4. Liberation by eating** - Unlike other schools of thought, ours has a process by which one can go back to Godhead just by eating. You relish mahaprasad of Lord and are satisfied by devotees honoring it. You also supervise it and personally serve devotees. We can satisfy you just by relishing a plateful of maha prasad. Can there be any other process of understanding the Supreme and going back to Him? You teach that the prasad we are honoring is mixed with the saliva of Lord Krishna and is the most purifying edible. Just by developing faith in this process one can advance rapidly in Krishna Consciousness.

**5. Merged in Krishna Consciousness** - Every moment he is absorbed in remembering the pastimes of Radha and Krishna and with this background, he is engaged in devotional service. He has introduced the process of Japa which connects the chanter directly to the supreme Lord and introduces him to the Lord's name, form, qualities, and pastimes in the course of his progress. He wants all of his disciples to become pure devotees and enjoy the bliss which he is enjoying.

**6. Confidential servitor** - He is in the topmost position of assisting the Gopis in the Rasa lila pastime in Goloka Vrindavan. This exalted gopis also take guidance from him. He is directly in touch with Lord Krishna and His close associates. He presents these secrets in his books for his disciples to understand. He presents the truth as it is. His purports are Krishna's purports and so they are very appealing. With these writings, he infuses Krishna consciousness in the hearts of conditioned souls and makes them forget the material illusion. Such is the potency of a man who is directly in touch with the Supreme Lord.

**7. Second Lord** - He is nondifferent from Lord Krishna. He is the only medium to realize the supreme Lord. It is through him that we can access Lord Krishna. Because of his conviction, we believe in the supremacy of the Lord. He will reveal the identity of the supreme Lord to his sincere disciples one day. Lord has given him this prerogative because he is so dear to the Lord.

8. **The only hope** - We can't see the Lord nor can we touch His holy name. It is not possible just by our sincere endeavor. He has to be pleased with us and bless us with this reward. Pleasing him is pleasing Krishna. We can't sideline him and attempt to directly contact Krishna. We must go through him. There is no hope for us if we have displeased him, but he is so compassionate that he will not leave us even if we are going astray and bring us back to the Lotus Feet of Lord Krishna. This is his magnanimity.

I just pray to Srila Prabhupad to bless all his disciples and make them instruments to execute his will.

Your fallen servant,

Arjunnath Dasa.

मेरे प्रिय श्रील प्रभुपाद,

प्रभुपाद आपका गुणगान करना उसीप्रकार है जैसे कि एक चिड़िया अपनी शक्ति से समुंदर को नापना चाहती है, आपके हर गुण एक समुंद्र की तरह है, जिसका कोई अंत नहीं है। आपने दुनिया के कितने ही भक्तों को उद्धार किया है और उद्धार कर रहे हैं। आपने कितने ही अधम प्राणी को क्षमा किया है और मेरे जैसे बहुत अधम प्राणी को भी क्षमा दिखा रहे हैं पर मुझे अपने आप पर ग्लानि होती है क्योंकि आप हमेशा मेरे पापों को क्षमा कर देते हो। जब एक शिष्य अपने गुरु की आज्ञा का पालन नहीं करता है और उनके द्वारा दिए गए नियमों का पालन नहीं करता तब उसके द्वारा किए गए पापों का परिणाम गुरु को लगता है पर फिर भी मैं हमेशा पाप कर रहा हूं और आप हमेशा मुझे क्षमा कर रहे हैं, पता-नहीं, कब मैं आपका एक सच्चा शिष्य बन पाऊंगा और आपके निर्देशों का पालन कर पायुगा। आपने हमें गाइड करने के लिए एक बहुत ही सुंदर संस्था दी है और उसके साथ बहुत अच्छे मार्गदर्शन करने वाले लीडर दिए हैं जो कि आप की शिक्षाओं को एक सुसज्जित तरीके से लोगों तक पहुंचा रहे हैं और हमें भी गाइड कर रहे हैं। प्रभुपाद जैसे कि भगवान कृष्णा absolute है उसी प्रकार आप के निर्देश भी absolute है, आप के निर्देश आज से 50 वर्ष पूर्व में उपयुक्त थे और आज भी वैसे ही उपयुक्त है और आगे भी ऐसे ही उपयुक्त रहेंगे। आज पूरी दुनिया चिंतित है, उनको पता नहीं है जिंदगी में क्या करना है और क्या नहीं करना है, आगे भविष्य में क्या होगा, पर प्रभुपाद आपने ना केवल हमारे जीवन का उद्धार किया है बल्कि प्रतिदिन हमें क्या करना है और क्या नहीं करना है ये भी बताया है। आज पूरी दुनिया को निर्देश देने वाला कोई नहीं है हर आदमी अपने अपने हिसाब से सोचता है पर आपने हमें इतनी सुंदर दिनचर्या दी है, हम उसका पालन करें तो हम बहुत खुश रहते हैं इस पूरी दुनिया में हर चीज की कमी हो रही है पर हम भक्त लोग आज भी वैसे ही जिंदगी जीते हैं जैसे पहले जी रहे थे। आज हर कोई मनुष्य कुंठा में है पर आपने अपनी पुस्तकों में, अपने निर्देशों में बताया है कि अगर इस दुनिया में कोई भी आदमी कुंठा से मुक्त होना चाहता है तो वह हमारे द्वारा किए गए नियमों का पालन करें और हमारी तरह बैकुंठा लाइफ जी सकता है।

प्रभुपाद आखरी में बस इतना ही निवेदन करता हूं कि आप मुझे शक्ति दे, मुझे मार्गदर्शन दें, अपनी कृपा दें, जिससे कि आपने मेरे लाइफ में जो कल्याण, उद्धार किया है मैं उस ऋण के कुछ भाग को चुकाने का प्रयास कर सकूं, आपके द्वारा बनाए गए संस्था में कुछ उसका योगदान कर सकूं सबसे महत्वपूर्ण आपके द्वारा बनाए गए नेतृत्व कर्ता का सम्मान कर सकूं और किसी भी भक्तों का अपमान ना करूं।

आपका तुच्छ सेवक

भक्त चैतन्य शरण दास

All glories to Srila Prabhupad

Please accept my humble obeisances at your most merciful Lotus feet.

I am eternally grateful to you for accepting me as your disciple. Thank you Srila Prabhupada Thank you.

Srila Prabhupada, I heard in a Srimad Bhagavatam class that Krishna is Tirtha pada at his lotus feet all tirthas are there and you are carrying that Krishna in your heart. Your pastime at Kumbh Mela of you even purifying the Ganges, the Ganges who purifies everyone, so what to speak of Wherever you walked, you sat down, you rested, etc. everything got purified and become a Tirtha a place of Pilgrimage.

Srila Prabhupad in last one year I have deeply realized that You are like a very kind and affectionate father who cares and love at most his children when he is there physically with them, and once he leaves them he arranged so much for his children's that they don't have to struggle for necessities of life.

I feel the same and want to thank you for the care and facilities you are providing us and this realization of your mercy became more intense when this Corona Pandemic started, we are under your divine umbrella feeling safe and happy but outsiders are struggling like anything. I pray to Lord Krishna so that one day everyone accepts you as a Spiritual father and takes shelter at your Lotus feet.

On this auspicious day of your Divine appearance, I would like to remember this bhajan for expressing my feelings to you

*Gurudev bado kripa Kori...  
kintu kabe prabhu, yogyatā arpibe, e dāsere doyā kori'  
citta sthira habe, sakala sohibo,  
ekānte bhajibo hari*

*But when, O master, out of your great mercy, will you bestow upon this servant of yours the spiritual competence to fulfill that order? When will my mind become tranquil and fixed? When will I endure all hardships and serve Lord Hari without distractions?*

*śaiśava-yauvane, jaḍa-sukha-saṅge, abhyāsa hoilo manda  
nija-karma-doṣe, e deho hoilo, bhajanera pratibandha*

*Due to attachment to worldly pleasures in childhood and youth, I have developed bad habits. Because of these sinful acts, my body has become an impediment to the service of the Supreme Lord.*

Ohh Spiritual Master please be mercy full on this fallen soul.

Srila Prabhupada your disciples who are very senior to me are doing great service to you and holy name. Soulful Japa Sessions have changed Chanting of many Devotees and it will change mine also. I have chanted for ten years but I came to know where I got the solution just by chanting for six months mindful, it will change the whole life.

Srila Prabhupada your stories by His Grace Chanchalapati Prabhu and His Grace Yudhisthir Krishna Prabhu are very inspiring, every time I listen to them I realize you are not from this world and it gives me newer realizations.

Thank you Srila Prabhupada for your causeless compassion and mercy upon me, I pray to you for continuing your mercy. Your unworthy most fallen servant,

Harinam dasa.

Dear Srila Prabhupada,

Please accept my humble obeisances on this auspicious occasion of your Vyasa Puja celebrations.

You are the personification of all the teachings of the Vedas. All the descriptions given in Bhagavad Gita about a completely self-realized person can be seen in you. I am highly benefited this year by different sessions like Soulful Japa sessions and BG scrutinizing sessions conducted by our authorities. I completed reading Krishna book and Lilamrita books. All answers to my questions are there in your books, I could personally realize that. I am thankful to you for blessing me with good consciousness during the time of sickness on multiple occasions this year. I found solace in one of your instructions that I read in Lilamrita - "So face things as they are, and depend on Krishna. That is our duty. Don't expect any ash, miracle, magic."

Also, I got the opportunity to go on pilgrimage to Chitrakoot and Naimisharanya Dham along with all temple devotees. It was a memorable experience.

You have given us transcendental books, holy name, deity worship, devotee association, and many more things. You have given us the gift of engagement in devotional service. You taught us by your life, by your books and at the end- by your dying. When I remember the hardships undertaken by you to start this Krishna consciousness movement. I am filled with a deeper and deeper appreciation for you. You have changed the destiny of millions of people in this world. While looking at my life in your mission as a full-time devotee, I feel fortunate that all that is required to go back to Godhead is actually

available here. Srila Prabhupada, I consider myself very fortunate to have received your causeless mercy, by which I have got shelter in your movement.

Please help me to overcome my *anarthas* like lusty desires, self-importance, and many more. I don't want to serve fly by night operators rather I want to serve the Lord who is permanently sitting in my heart by following your instructions. Another good quality that I admire in you is that whenever the mistake was rectified, you seemed to immediately forget the wrong done by devotees. Prabhupada, I too have done many mistakes and offenses. Please pardon me for all that and bless me that may I not repeat the wrongdoings.

Aspiring to always remain in the service of your lotus feet.

Your humble servant, Madhura Murali Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet on the most auspicious day of your divine appearance.

It is very rare when a truly great soul descends to this world to reclaim the fallen conditioned souls. That Personality would need to be especially empowered by the Supreme Personality of Godhead. Srila Prabhupada, you are truly this amazing personality, empowered by the Supreme Lord Krishna, coming directly from the spiritual world Goloka Vrindavana. Your appearance is your causeless mercy to the conditioned soul who is suffering in this world due to the age of *Kali*. Your fearless attitude, complete surrender to Lord Krishna and going to an unknown country without any facilities at the age of 70 years, show that you are the reflection of Krishna, which came to guide us in this age of darkness. I am feeling unworthy to thank you because the gift which you gave to us is priceless. The world knows *Bhagavad-gita* and Krishna because of you, which is real knowledge for the welfare of **humanity**. Rest all are fake knowledge, which is of no use in our life. You are the only true spiritual master for me always.

I still remember that, when I was 4yrs old, my father used to take me to Mayapur Chandrodaya Mandir. We used to cross the *Jalangi* river. I could hear enchanting *kirtanas* sung by you, that used to be coming from the top of your Pushpa Samadhi Mandir. Those *kirtanas* and your voice touched my heart every time I heard. The atmosphere was so mesmerizing especially when some *kirtanas* like *GAY GORA MADHUR SWARE, NARAD MUNI BAJAY BINA, AMAR JIBAN SADA PAPE RATA, NITAI PADA KAMALA*, etc used to be played. From that time only I was decided to learn singing *kirtanas* along with *kartala* and *mridanga*.

We have read your struggles to make the Radha-Rasbihari temple in Juhu. Incidentally, project VCM is also going through a lot of hurdles. As because temple construction got stopped in between. some of the donors started asking back for their money given towards the construction of the temple. I felt very sorry to hear all this. Later I realized that you want me to go through this anxiety. You are taking us this way so that we could purify ourselves by rendering services for the Lord. However, in the current scenario, temple construction is going on a full swing. I am very much jubilant to see the progress of the project now. On the other hand very much disturbed also because if this current pandemic problem, unable to go out and meet people and asking for a donation. But I have complete faith in you to provide us a way out to raise donations again.

Srila Prabhupada, as you told us that we have got a very short duration of life and we should utilize this time by chanting the holy name and understand Krishna by reading *Bhagavad-gita* and your prescribed books. Unfortunately, I know all of this but still unable to cope up with all these instructions. I should be very proactive throughout my day and should plan in such a way that I takeout sometime to read the books which you have written for our deliverance. Prabhupada, please give me the strength to overcome my weaknesses and follow your instructions. I will read books daily as much as possible. I will remain humble and will not get angry during bad situations and will always be peaceful for rendering Your Services.

Your humble Servant, Parabrahma Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisances at your Lotus feet. Every year you give us this wonderful opportunity to think about you deeply and write this *Vyasa-puja* offering. Krishna is unlimited and his qualities are also unlimited. Similarly, you are his representative and your qualities are also unlimited. I am very insignificant to write about you. As you have spoken in 1973 in one of your lectures that after 50 years this current civilization will collapse and from 2019 onwards we are living under this current distress situation of COVID-19 and we are now able to realize what you meant by your words. In this current scenario, all devotees' preaching model has changed, and now we all are trying to reach online and it has been a great success. In this lockdown situation, I started reading your books, listening to your lectures very attentively. I have realized and understood your mind towards the living entities is so much merciful.

You want to take us out of this material miseries and send us to Goloka Vrindavana *dhama*. Your each and every writing and lectures shows us the part of pure devotional service but we are fallen souls in this material world and are very miser and dirty that's why do not want to follow your instruction 100%. You have taken great hardship to spread the mission of Sri Chaitanya Mahaprabhu on this earth planet. Your empowered devotee His Grace Madhu Pandit Prabhu is guiding us on

this path very extensively. He has developed great affection to *Nama* Prabhu and he is taking great hardship to train us in this soulful *japa*. He has understood your's and Chaitanya Mahaprabhu's mission correctly.

Your mercy is flowing like a river, we just need to take a dip in it, I am so fallen and miser still not able to dip in it please bless me and empower me to preach your teachings and help me to develop my consciousness to follow Chaitanya Mahaprabhu's principal:

*trinad api sunichena, taror api sahisnuna

On this great occasion, we pray to you to please grant us service's to your lotus feet, so that by serving you we may be able to make progress in our endeavors in Spiritual life. The devotees of the Lord are very dear to Krishna, and you, who spread the names, fame, qualities, and pastimes of KRISHNA throughout the world, is especially dear to him, and grabbing hold of your lotus feet is the best way for us to reach the Spiritual world. Dear Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet on this most auspicious day.

Prabhupada you are so glorious, even though I am so unqualified and I do not know how to glorify you, still you have given me an opportunity to glorify you.

In this fallen age your appearance and spreading of the message of Lord Sri Krishna in the form of Bhagavad Gita and Mahaprabhu's message, that is Hare Krishna Maha-Mantra is glories & no ordinary man could do it. You are the chosen one by Krishna and Mahaprabhu.

And due to your causeless mercy, I got the chance to receive the valuable message, there is no other reason but only your causeless mercy.

This Hare Krishna Movement is one of your glorious services through which so many people in the age of Kali are taking benefit by chanting the holy name and honouring Mahaprasadam.

Prabhupada, the upcoming Vrindavan Chandrodaya Mandir will become one of your glorious centres through which the message of Mahaprabhu can be spread all over the world and the fallen people can get the spiritual benefits. So, Oh master, be merciful to me, give me the shelter unto your lotus feet, so that I can render devotional service to your glorious movement.

Jaya Srila Prabhupada. All glories to you,

I pay my respectful obeisance unto you on your Divine appearance day,

Dear Srila Prabhupada, great respect to you that you brought this transcendental knowledge amongst us. This knowledge has got the power to mitigate all the sufferings of the living entity and can provide them all the solutions for their problems. Sometimes people think that spirituality is a part of life but you gave the correct understanding that it's not the part of life but it's life. People affected by *Maya* are in illusion and they do austerity to gratify their senses and it's very painful and like that, throughout their material life, they go through many difficult situations. You as a most merciful Guru want to enlighten them with real knowledge and the perfect way to live. You are putting so much effort to help us. And I was very fortunate to have your mercy and understand something about my real life that I need to follow the authority of Krishna to make my life full of knowledge and bliss and at the end go back to Krishna.

During this procedure of changing consciousness, I felt and still have a lot of difficulties to overcome with my previous conviction to enjoy the world. Now my only prayer to Your Divine Grace that despite having a lot of *anarthas* desiring to take the wrong path, you kindly don't let me go out from the shade of your lotus feet, because I know this is the only safest position for me all the time. Ending with these words I will pray that please help me to improve my quality of service unto you and my dealing with all the *Vaishnavas*.

Your fallen servant,  
Sandipani Krishna Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisance unto your lotus feet.

Thank you for giving me one more opportunity to glorify you on this appearance day. Without your causeless mercy, without your transcendental books, without the association of devotees, definitely I would have been lost in this ocean of material world for millions and trillions of lives with no hope for your divine service. On this auspicious day, I beg your mercy to strengthen my spiritual health, to become more humble, give me the strength to free from *kama, krodha, lobha, moha, mada, matsara* in this very life, keep me in your shelter, although I don't deserve such a benediction.

I sincerely apologize and beg your forgiveness for all the mistakes and offenses I have committed at your lotus feet.

My Dear Spiritual Master, Srila Prabhupada!

Kindly accept my humble obeisances unto your divine lotus feet.

This is my great fortune to get one more opportunity to present my offering to Your Divine Grace on this auspicious occasion of your divine appearance. Pure devotee like Your Divine Grace is the only hope for the suffering living entities like me in this material world, where ignorance of self-identity is prominent. It's by your causeless mercy that I have understood and realized this fact to some degree. Your Divine Grace as a true representative of Supreme Lord Krishna carries the power of attorney to deliver the condition souls.

You are the embodiment of the Lord's mercy who carries infinite compassion. As soon one understands this aspect of Your Divine appearance, immediately such pious/intelligent soul starts following your divine instructions seriously. Such a sincere soul has already received a ticket for the journey back to home, back to Godhead. Srila Prabhupada although your mercy is widely available still I am so degraded that I am not able to utilize this rare opportunity of pure devotion. It's exactly like a diamond being given in the hand of a monkey. Still, I have full faith that one day I will achieve my goal by your mercy. I also promise you on this day that I will continue my efforts to come out from anarthas.

Kindly excuse me for my offenses by considering me a foolish child. I don't have sufficient intellect to describe your unlimited glories. I am eternally indebted and thankful to you for your compassion on this wretched soul. Thanks a lot again for giving me the holy name, Vaishnava's association, etc. May I appreciate these all gifts given by you and continue my devotional service as your insignificant servant eternally.

All glories to His divine grace, All glories to Srila Prabhupada!

Your humble Servant, Srinidhi Govind Dasa.

Dear Srila Prabhupada,

In *Mukta charita* Srila Raghunath Das Goswami writes about the glorification of Spiritual master as

*nama-shreshtham manum api shachi-putram atra svarupam,  
rupam tasyagrajam uru-purim mathurim goshtavatim  
radha-kundam giri-varam aho radhika-madhavasham  
prapto yasya prathita-kripaya shri-gurum tam nato 'smi*

*"I bow down to the beautiful lotus feet of my spiritual master, by whose causeless mercy I have obtained the supreme holy name, the divine mantra, the service of the son of Shachimata [Lord Caitanya], the association of Shrila Svarupa Damodara, Rupa Goswami, and his older brother Sanatana Goswami, the supreme abode of Mathura, the blissful abode of Vrindavana, the divine Radha Kunda and Govardhana Hill, and the desire within my heart for the loving service of Sri Radhika and Madhava [Krishna] in Vrindavana."*

On this auspicious day of Nandotsav, in the year 1896, the same year when Shrila Bhaktivinod Thakur sent out the first book 'Chaitanya Mahaprabhu, His Life and Precepts' to the western world about the glories of Shri Chaitanya Mahaprabhu, Srila Prabhupad, you appeared in this world for the deliverance of all the conditioned souls like us. Srila Prabhupada, you went to the western world to inundate the entire universe with the chanting of the holy names of Lord Shri Krishna. You are none other than the personification of Shri Krishna's mercy, who has come to deliver us from the miseries of this world and take us to the spiritual realm, where we can directly serve the Supreme Personality of Godhead Sri Vrindavanchandra and His eternal consort Shrimati Radharani.

This day is very important for all the devotees of the Hare Krishna Movement throughout the world, for it was on this day that their good fortune arose in the form of the birth of their deliverer, Srila Prabhupad, for it is only because of you today we all are aware of the ultimate goal of life and are working towards achieving it and it is only by your mercy that one day we all can attain the spiritual world. Srila Prabhupada, you have given us everything that we need to progress in our spiritual lives and engage us in the service of their Lordship Sri Sri Radha Vrindavanchandra eternally.

Srila Prabhupada, on this auspicious day I remember one anecdote told by Gargmuni Prabhu which reflects your quality of mercy on the conditioned soul like us. Prabhupada, you encouraged everybody to be perfect, you knew very well that devotees were going to make mistakes. So everybody made mistakes and you expected it. You once told that if someone acts perfectly then that person should be suspect, that why is he acting so perfect. That means he's ambitious. He's coming to Krishna for ambitious purposes if he acts so perfect. Practically you expected mistakes from us and devotees were making offenses. But you never rejected devotees. Even though they committed so many offenses at your lotus feet.

Once a crazy man came to the temple, somehow he got initiated in San Francisco. He used to dance crazily and bump into people and people became disturbed, devotees asked you, " Srila Prabhupada, what should we do with this person?" You told, "Our process is to reform, not to reject. So it's your duty to reform him. You must teach him to chant and reform."

There is one more incident that happens in Los Angeles when HH Jayatirtha Maharaj first joined. He had taken some kind of drug which made him destroy his personality. When he came to the temple, he would come up to you and in front of you start talking nonsense. Then used to go to another person and talk nonsense, disturbing everyone. People would be chanting and he would just come up and talk nonsense in here. He was on some kind of drug for a few days. He became a great disturbance to the devotees within the temple. At that time Gargmuni Prabhu asked you "What should I do?" and You replied, "You put him in a room and have him chant non-stop the mantra and give him lots of prasadam. He shouldn't go with the other devotees on sankirtana. Just let him sit down and chant over and over, and you watch him and make sure." So Gargmuni Prabhu made him sit by in a room near the kitchen because outside the kitchen he was making the incense. So he can keep an eye, he kept the door open so he could see him. Prabhu made him pack incense and chanting

over and over. If chanting stopped Prabhu would say, "Hey, don't stop. Prabhupada said just keep going." Then he would start chanting over and over. And after some time Gargmuni Prabhu asked, "Are you hungry?" He said, "Oh yeah," and he gave him a big plate of prasadam all the time. So it took two or three days but then he got cured and he became sane. He was insane before and he became sane just by Prabhupada's formula.

It shows that the Hare Krishna mantra can work, it may take two-three days but it worked. So our process is to reform, not to reject. So Prabhupada, you never rejected anybody, even if devotees did some terrible things. So no one should expect that any of us should be perfect. Even in this day and age, nobody is perfect. We all have faults because it's the material world. We're in a prison. In the prison house, we try to become reformed. But it may take slower for some people and faster for others. So we should be aware of this in Krishna consciousness.

Our endeavors can succeed only by your causeless mercy, by your teachings, by your books, and by the efforts of your dedicated senior disciples. Thus we would like to render our service and our life to your mission and to help others change their lives and become Krishna conscious. We pray to you that we can serve you by making this effort a success by following your divine teachings.

Srila Prabhupada kindly accept this piece of writing as Vyasa puja offering from my side and shower your mercy upon this fallen conditioned soul, I just beg your mercy and aspire to be a faithful disciple.

Aspiring to be your servant –

Sundar Gopal das.

Dear most Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet on this most auspicious day of your appearance here on this planet from Goloka Vrindavan.

Today 13th July, with Your Grace I am able to write this Vyasa Puja offering again on a very much auspicious day when Your Divine grace founded this great worldwide movement - International Society for Krishna Consciousness on 13th July 1966 in New York after a great struggle of hardships & austerities in the west.

Srila Prabhupada – when you reached west you were carrying only two things

- 1) Faith in the holy name of the Lord.
- 2) Faith in the words of your spiritual master

and with these two things, you have created this sublime organization and built a house where the whole world can live.

Srila Prabhupada, as I heard from you many times that this world in *dukhalayam ashvasatam* (miserable & non-permanent). I am getting realization by experiencing this current pandemic atmosphere around the world. People (devoid of Krishna consciousness) have become fearful, frustrated, depressed with full of anxiety as they are losing jobs, no work, no engagement & they are asking only one thing that when this virus is going to end. I can see practically how the law of karma is acting very rigidly on these people who have nothing to do with Bhakti whereas devotees are always looking for various Krishna Conscious opportunities, with Your Inspiration His grace Madhu Pandit Prabhu has started online soulful Japa sessions in this lockdown period which has played a significant role in enriching the consciousness of devotees.

You say chanting is our life & soul, I like to share some of Your important quotes on Japa :

- 1) Very quickly you will come to the transcendental platform & when you hear the chanting.

Letter Northeastern University, April 30, 1969, Boston.

- 2) You simply hear “Krishna” & you become uncontaminated immediately.

Bhagavad Gita Lecture 6.35-45, Feb 20, 1969, Los Angeles.

3) There is a constant struggle & Maya is very strong. She will entice other paths. Simply improve your chanting and you will be the conqueror.

Bhagavad Gita Lecture 3.6.10, Los Angeles, 1968.

4) So we should be attentive because its Krishna, the Supreme Person we are addressing, no one less. So we should be conscious of that holy name on our lips & hear as carefully as we can.

Lecture New York, July 27, 1971.

Srila Prabhupada in all these quotes, you are stressing on hearing our sound of Hare Krishna Chanting which will minimize the offenses & over a while with the full degree of surrender, one can reach to the stage of offenseless chanting. Srila Prabhupada (representative of Krishna & Naam Prabhu) please bless me to hear each & every bead of Hare Krishna Mahamantra.

Srila Prabhupada, construction work of dream project Vrindavan Chandrodaya Mandir has restarted, please bless me with intense devotional service so that I can offer my best services for this great & magnificent project.

Please bless me to serve all of my spiritual authorities in a pure & transparent way without any duplicity and make me capable to read & study your transcendental vani every day and not to fall down in the traps of Maya again & again.

Your most fallen servant,

Vishnu Bhakta Dasa.

Dear Srila Prabhupada,

Please accept my humble obedience and Prayer to Your Divine holy feet.

I am very small to write anything about you. I had very ignorant and seeking an answer about God and self-realization many of times. It was that period when I visited Iskcon Temple Bangalore a few times during 2012. One fine day we came in touch with one of the very humble devotees who spends his precious time briefing your magnificent work on this planet. He also briefed us about your Journey and how in a short span of time you created the culture of 'Krishna Consciousness on this beautiful planet. We also heard a lot of good stories about during various lectures of *Bhagavad-gita*. In spite of having so many challenges how you are able to win the hearts of millions of people on this planet with love and compassion is a great example of 'God Consciousness' to humanity. Your Divine presence and holiness can be seen in the ISKCON temples everywhere. Your guidance is being followed religiously in Temple that is the beauty and Grace we see whenever we visit the temple. We have never experienced and seen such kindness and discipline on each of the devotees in the temple that clearly reflects the kind of guidance and blessings you bestowed on all of us. Your books, lectures & audios are a source of great knowledge and guidance in this *Kaliyuga*.

I pray to your louts Feet.please accept my prayer and provide us guidance. I am very ignorant, please help to shed your blessings on us.

With Prayers and Kind Regards, Your Servant,

Dear Srila Prabhupada

I offer my obeisance to His Divine Grace Abhaya Charnaravinda Bhaktivedanta Swami Prabhupada, the Founder Acarya of ISKCON Spiritual Master. If you were not in my life, then maybe I would have not known about the cycle of birth and death, and as usual, people do drinking, meat-eating, gambling, and sex and I would have also been involved in all these things. At first, I did not believe in God, but my elder brother was pleased, when I got associated with ISKCON, I got the knowledge that what is the reason of my birth and who am I, why am I here or who is God, in this world, I also came to know that we are breathing due to the grace of God, when I was not connected with ISKCON, I did not know anything, then slowly I started to understand why I got this body. I'm really thankful to our spiritual master Srila Prabhupada for saving me many millions of lives. Thank You So Much

Your Servant,  
Bhakta Ankit Sethi.

Dear Srila Prabhupada,

Please accept my humble homage to you Srila Prabhupadji on Vyasa Puja. You being the head of our ISKCON family will always guide and inspire us all forever. We will always continue to feel your presence due to association with ISKCON and through your teaching and books, which are a treasure of knowledge. Your teachings made us understand the difference between the approach of a Krishna conscious person and a Mayavadi is that while the former continuously strive his specified duty keeping Krishna as a focal point at all times and surrenders to the Supreme Godhead with pure devotion, without having the aim to enjoy the fruit of the result, whereas the latter with his interpretation, strive for greed for the

outcome of the result for self-enjoyment and self-gratification purely for his selfish gain. A Krishna conscious person always centres all his activities with complete faith and devotion and surrenders to Supreme Godhead and works as an instrument to achieve a goal in the path of activities which he dedicates for Krishna Consciousness. The purpose and goal make all the difference for any activity. If one is selfish, he will strive only for his greed, since his only aim will be to achieve results and hence irrespective of achieving the same by right or wrong means, the sole purpose is to get results to come what way. A wrong-way is always simpler and easier to get results and hence it is mostly adopted. Such activities only lead to irreligion and irregularities in a society that is prevailing today. A Krishna Conscious devotee has a completely different approach for doing any activity since he is free from the greed of fruit of result any hence takes a righteous path, thus benefits the entire society.

We could also understand that there is a limit to enjoyment for the fruit of results though greed has no limit. For example, if we consider the fruit of the result as sweet candy or rasagulla, one can enjoy a few pieces and further one can enjoy by distributing to others. If one tries to eat all sweets, he will surely fall sick or his regular habit of eating more sweets will result in getting diabetic. If one is not attached to the fruit of the result, he is not attached to the same and gets more joy and satisfaction by distributing the same to others. He continuously strives to work and benefits others since service to others has no limit. Krishna also mercifully bestows to such devotees with limitless fruits of results with ultimately passes to others through such persons. One has to be free from greed and attachments to fruits of results at all times since such persons are only via media to benefit others by distributing the mercy of Krishna. Your life and works are the best examples to understand this fact Prabhupada. Krishna has bestowed you with limitless fruits of your works which your Divine Grace has entirely utilized for benefit of others. You have only treated yourself as a medium to transfer the mercy of Krishna to all. Prabhupada you have lived the simplest life with bare necessities at all times even though you had access to all means to your disposal, which you have entirely utilized for Krishna Consciousness for the benefit of society.

Prabhupadaji your life and your work is the best example to explain the above verses. You have faced the worst of adversities in the path of Krishna Consciousness but never gave up. Your complete faith and surrender to Krishna was the driving force to work relentlessly in your path to spread Krishna Consciousness. You were not all attached to success or failure or fruit of the result but have worked continuously till the last moment of your life. Though you achieved major success for your works, the fruits of work did not affect you. All fruits of your works through ISKCON are benefitting the society even today and will continue to benefit all in the future also.

Your Humble Servant,  
Bhakta Arvind Sahu.

All Glories to Srila Prabhupada,

Dandavat Pranam to All devotees.

I offer my obeisances to Srila Prabhupada to be able to get the association of devotees.

Here is a very small offering & may be full of errors & omissions :

All glories to Srila Prabhupada,

Dandvat Pranam to Madhu Pandit Dasa Prabhu Ji, Yudhisthir Krishna Dasa Prabhu Ji & all other devotees

I am fortunate to be in the association of the devotees. I am also blessed to the fact that I am getting regular guidance for the progress in Krishna Consciousness.

This year has been very fortunate for me for the following addition to my devotional service:

1. Yudhisthir Krishna Dasa Prabhu has been kind to the group for taking the daily Bhagavad Gita classes for more than 3 months. This has been a great source of learning for me. It was an inspiration to learn more & more. I will like to express

my gratitude to Yudhisthir Krishna Dasa Prabhu for the guidance & make me understand that self-reading, contemplating is as important as the teaching by him. By the grace of Krishna, I have also started reading & a bit better understanding of Bhagavad Gita.

2. Yudhisthir Krishna Dasa Prabhu, the teaching of "Nectar of Instructions" has been of immense importance in my personal life. Understanding of "Nectar of Instructions" with the Bhajans of Acharaya has been of a great source of an application of the knowledge of "Nectar of Instructions" in our daily life. Examples of the parampara Acharyas have been of great value to me. How to apply humility, dedication, sincerity, etc in my day to day life.

3. I will like to express my sincere thanks to Madhu Pandit Dasa Prabhu Ji for helping me to understand the importance of Mindful Japa, Spritful Japa & Soulful Japa. He has been teaching with a deep feeling & that has helped me in understanding the importance of Mindful Japa, Spritful Japa & Soulful Japa.

4. My sincere Thanks to Madhu Pandit Dasa Prabhu Ji for helping me to get the taste of Japa. He has been a great inspiration for me to start reading the different modules of Soulful Japa. Soulful Japa modules give an in-depth understanding of the different aspects of devotional service. The unimaginable spiritual value of the Mindful Japa, Spritful Japa, Soulful Japa. I can not express in words the learnings of the Japa sessions & the benefits I am getting.

5. I pray to the Lord to give me knowledge & wisdom so that I can contribute some way to help the living entity in Krishna Consciousness.

Hare Krishna

Your servant,

Bhakta Bansal K C.

Dear Srila Prabhupada ji,

Please accept my humble obeisances unto Your lotus feet. By Your grace and benevolence, changes have started to come into my life. My life came into the world of spirituality. I came in contact with Krishna Consciousness Movement in April 2020. Then I started following the instructions of Krishna Consciousness Movement like reading books, chanting Hare Krishna Maha-mantra. Your godsend presence in my life and your preaching created the practical and complete process of developing love to Lord Krishna in my heart and I have begun to understand absolute true life and absolute personality Lord Krishna. That all really came from You Srila Prabhupada. Also, the Krishna Consciousness Movement provides very unique knowledge of material and spiritual worlds.

मैं श्री श्री राधा गोपीनाथ मंदिर चौपाटी मुंबई हरे कृष्णा मंदिर से जुड़ा हूँ। पहले से ही हम लोग घर में पूजा पाठ करते थे और अपने अपने काम में जुड़े रहते थे। एक बार गोपीनाथ मंदिर के वरिष्ठ प्रभु जी हमें मिले और वह कहने लगे मंदिर में पुष्पाभिषेक है आप आ जाइए। हम लोग मंदिर गए तो हमें इतना अच्छा लगा मानो मैं एकदम चिंता मुक्त हो गया और मन शांति आनंद से भर गया। मैं सोचने लगा कि यह भक्त कितने खुश हैं कीर्तन कर रहे हैं, अपनी धुन में नाच रहे हैं, एक दूसरे को आलिंगन दे रहे हैं। पुष्पाभिषेक होने के बाद कोमल कोमल फूल एक दूसरे के ऊपर डाल रहे थे। वहां अलग-अलग देशों के लोग आए थे और आनंद लूट रहे थे। उस समय से हम उत्सव में जाते रहे हैं। मेरे दोस्त ने मुझे २००१ में मभगवत गीता दी। मैंने २००६ में वृंदावन यात्रा की और कंठी माला पहनी। १६ माला का जाप शुरू किया। श्रील प्रभुपाद जी कलयुग में कई चीजें हमारे लिए छोड़ गए। पहला उनकी इतनी सारी किताबें और दूसरी उनकी वाणी। बहुत कष्ट करके उन्होंने अनेक किताबें लिखीं। श्रील प्रभुपाद जी अपने गुरु के निष्ठावान शिष्य थे। उन्होंने हजारों लाखों लोगों को हरी नाम के माध्यम से भगवत धाम जाने का एक रास्ता प्रदान किया। श्रील प्रभुपाद जी 70 साल के आयु में भारत को छोड़कर भारत की वैदिक संस्कृति और ज्ञान का प्रचार करने के लिए जल दूत जहां से विदेश गए। सद्गुरु ने हमें ज्ञान दिया हम पर अपनी कृपा करुणा की बारिश बरसाई और भगवत प्राप्ति, कृष्ण प्रेम भगवत धाम को प्राप्त करने का पथ बताया। कृष्ण को शुद्ध प्रेम करने का सुगम अवसर हमें प्राप्त किया। लिखने में कुछ त्रुटि हुई हो तो अपना समझकर क्षमा करिए। धन्यवाद।

Dear Bhakti Vedanta Swami Srila Prabhupada,

Spiritual master (Guru) who comes in Vedic Parampara (disciple succession). By the instructions of his guru at the age of 70, he went to America to spread the message of Shri Bhagavad Gita and Krishna consciousness. After a lot of struggle and very little financial help, he was able to establish 108 ISKCON temples in just 11 yrs. He was a very simple person and always put ISKCON before him unlike what we see nowadays where spiritual gurus put their motives first. His entire life was dedicated to serving Krishna and always explained 5 simple ways for devotional elevation and liberation.

- 1) Chanting of Hare Krishna mahamantra
- 2) Reading Bhagavad Gita daily
- 3) Spreading the message of Bhagavad Gita to family and friends
- 4) Offer food to Krishna and consume only prasadam
- 5) Serve Krishna by simple worship

Dear Srila Prabhupada,

Please accept my humble obeisances.

All glories to you at your divine lotus feet.

Krishna says in Bhagavad Gita that as soon as you are born, you're indebted to everybody - the demigods, our parents, family members, nature everything but I think I'm most indebted towards you. Even acknowledging the fact that I'm indebted to so many things and people,

I got that knowledge through your books. ISKCON and your disciples have pulled me out of darkness, they have changed my lifestyle. They have made it much better and easier.

Living as a grihastha is not easy because of so many distractions but the guidance of your disciples has made it easy for me. Today if I enjoy listening to kirtans and lectures it's only because of you.

Even if I have 1% of wisdom it's because of you, as you are the epitome of wisdom. I humbly pray to you.

I have no attraction for the holy name. I have no attraction to the all-attractive please help me. Human life is compared to fire covered with smoke but to me, it feels like an embryo covered by the womb, I'm helpless and ignorant.

Only by your causeless mercy I can be delivered and act as an eternal servant of the Supreme Lord. I pray for attraction towards the all attractive Radha Madan Mohan.

I beg you to help me follow the instructions of pure devotees and help me take shelter at your lotus feet.

Your humble servant,

Bhakta Madhu Yadav.

Respected Srila Prabhupad Ji,

I offer my respectful obeisance unto the lotus feet of Jagat Guru of the Universe.

I am an ardent devotee of Lord Krishna right from my childhood. I always considered Him as my savior whenever, in difficult times. About three years back I got connected with ISKCON-Bangalore and understood the real meaning of "Hare Krishna Mantra", a wonderful gift to the whole world by your Grace.

Thanks to my neighbor, Mr. Tribhuvan, and Prabhu Raghunandan for organizing kirtan every Saturday where we also read Bhagavad Gita As It Is. There is so much to learn about the meaning of each Shlokas as translated by yourself, Prabhu. It becomes very easy to understand and assimilate.

These days, during lockdown we are attending online lessons on Gita conducted by Prabhu Harinam Das from Vrindavan. It is so fascinating that we look forward to attending the everyday session.

I read a book written on your journey around the world to spread the message of Supreme Godhead. Prabhu, you were specially chosen by Lord Krishna to take his message to the west. What you have achieved, is simply amazing, unbelievable, and adoring. Your Gift of "Hare Krishna Mantra" to the world will always be remembered by one and all till eternity. It is truly inspiring for generations to come. The world is awakened to the Path of Spirituality. Books written by you are another source of inspiration and guidance.

Akshay Patra, an idea initiated by you has benefitted lakhs of children daily. So many Temples are still coming up in various parts of the world. Visited Mayapur, recently. Amazing deities of Radha Madhava and Chaitanya Mahaprabhu. By and large,

the biggest Temple in the country, once completed. Prabhupada, You will also be remembered for creating 108 temples around the world. A tremendous feat.

Prabhupada, Your teachings and guidance will show me the right path in all spheres of life. I request you to shower your blessings on me being my Spiritual Guru.

Your humble devotee,

Bhakta Malhotra V K.

व्यास पूजा के पवित्र अवसर पर कोटि कोटि नमन, हे गुरुदेव, इस पतित जीव को आपका आश्रय मिला इसके लिए मैं आपका अनंत बार आभार प्रकट करता हूँ. मेरा परम आध्यात्मिक लक्ष्य की खोज कई वर्षों से चल रही थी, मैं मंदिर मंदिर भटकता रहा ,किन्तु मुझे कहीं शांति नहीं मिलती थी, एक दिन लखनऊ में आदरणीय अनिल प्रभु जी मिले और पूजनीय सुकदेव दास प्रभु जी के पास ले आये और आपने हमारा मार्गदर्शन किया. मैं आपकी पहली पुस्तक जीवन से जीवन की उत्पत्ति पढ़ी और श्रीमद्भगवतगीता का निरन्तर अध्ययन कर रहा हूँ, पुस्तक पढ़ते समय ऐसा प्रतीत होता है आप बोल कर मुझे ज्ञान दे रहे हैं उसी समय आप मन और हृदय में आप प्रकट हो जाते हैं. हम आपके बनाये नियमों का पालन भी कर रहा हूँ. आपके सानिध्य में रहकर मन, वचन, और कर्मों से उस परम ईश्वर भगवान राधेकृष्ण की सेवा लगा रहना चाहता हूँ ऐसी आपसे कृपा और निवेदन है. है दया के सागर, कृपा निधान हमें अपने चरण कमलों के छाया प्रदान करें, मुझ अज्ञानी को ज्ञान रूपी प्रकाश प्रदान करें. हम आपकी सेवा में निरंतर कार्यरत रहे. जय गुरुदेव

Hare Krishna Dear Srila Prabhupada,

I am thankful to Srila Prabhupada for starting the Hare Krishna movement. I came in touch with VCM, almost 6-7 years back and since then, I have been inclined more towards Lord Krishna and spirituality. All my family members have started chanting Hare Krishna Mahamantra and it has helped us in maintaining inner peace and gaining strength. I have started to keep the Ekadashi fast regularly and I have also started to visit Vrindavan more often now. I also regularly attend the spiritual programs organized by Vrindavan Chandrodaya Mandir.

All this has benefitted me immensely.

Dear Srila Prabhupada,

On the occasion of Birth Anniversary, I offer respect with all my heart to His Divine Grace Abhaya Charnaravinda Bhaktivedanta Swami Prabhupada, the Founder Acarya of ISKCON, who came to this world to give us the message of Godhead and invite us to come back home - back to Godhead. I have gained a lot of knowledge from the books and lectures as written by our Spiritual master which has helped me in the movement towards Krishna consciousness. First thing, as I get up and the last thing before going to sleep has now become a norm for me to recite Hare Krishna *Maha-mantra* and thank Lord Krishna for all his blessings. Through his teachings he has taught us that Krishna consciousness is not just a part-time religion; it is a way of life. Even though he is not present physically, he helps us to get advancement in Krishna Consciousness.

Whenever I pray to him in a difficult situation, he always helps. When I feel I cannot do this for Krishna and I remember Prabhupada's faith and determination towards Krishna and just pray to him to help me and I get a spiritual power and joy to do the impossible task for Krishna. Prabhupada is always merciful. He is the inspiration for thousands of devotees to follow Krishna consciousness and the science of self-realization. By the mercy of Prabhupada and the simple way in which he makes us understand the teachings of *Bhagavad-gita* and *Srimad-bhagavatam*, it becomes very easy to relate with everyday life. His books helped me a lot to understand the spiritual path, and cleared all my doubts. He is my Spiritual Master and friend who always helps me whenever I am in any problem, he brings me out from it. His teachings show me the perfect path and aim of life.

Your humble servant,

Bhakta Manish Katyal.

All Glories to You,

Srila Prabhupada,

It has been a decade long experience under your shelter, with passing by time, my challenging mind could not find any philosophy better than Krishna Consciousness.

I am indebted to you, for giving me access to the wisdom which can help anyone in any condition of life. Before being in touch with you, I had no idea of what religious texts would be like. So-called swamis portray themselves as Godman or try to paint a rosy picture of this world. A Guru who is *Stotriyam Brahma Nistham* alone could speak Truth, which is 'at every stage of life there is Danger'.

The suffering of living entities is on account of this body which is undergoing painful changes i.e. death, old-age, disease, and rebirth. It is painful to see someone experiencing such change, indeed what pain it is to oneself who undergoes such change. Not all will get intelligence enough to realize the pain. Self-realization is not achieved by our own endeavor. It is by your mercy alone that I have been given access to it. Now it is my duty to respect this gift.

Over the period, I have realized that not consistently endeavoring to show gratitude for the mercy, makes us susceptible to be captured by Maya. Association of your Vani and personal association of your devotees is the only insurance for a devotional practitioner.

Past years had brought both good and bad experiences. Bad, when I have not cared for your instructions, to enjoy temporary pleasure. Knowing that I will suffer later. Captivated by Maya chewed the chewed again but the agony of burning desire never got satiated.

Life becomes simple when we practice your instructions. Maya, on the other hand, tries to make things difficult to not allow us to practice. Association of The Holy Name and Your Mercy alone, to somehow or the other hook on to the process, is my only hope.

Life throws different experiences, now experiencing a Grahastha phase. Beg your mercy to become serious from here on, in years to come. I am very hopeful about my spiritual life. All great things happen when our Teacher is impressed upon us.

Srila Prabhupada, please forgive my offenses unto your Lotus feet.

This year I shall endeavor to improve my Sadhana bhakti, better than the last year.

Beg your mercy. Your servant,

Bhakta Mayank Saini,

Gurugram Temple.

As Srila Prabhupada came to know that on the instructions of his Guru, at the age of 70 Srila Prabhupada went to America to spread the message of Sri *Bhagavad-gita* and Krishna consciousness. After a lot of struggle and very little financial help, he was able to establish 108 ISKCON temples in just 11 yes. Respected Srila Prabhupada, my spiritual master,

Please accept my humble obeisance. All glories to you on this auspicious day of your Vyasa Puja.

I still remember coming in touch with ISKCON way back in 2003 while I was in Bangalore. I can truthfully and sincerely say that it was the biggest turning point in my life as it changed everything for me. I found the real meaning of who I am and understood the real purpose of life. You have provided so clear guidance to numerous devotees through your lectures and books, that the path which is most difficult in today's world seemed so comfortable.

I started to develop a taste of it. But being the most fallen soul even after knowing all of it, I had to drop my plan of joining and shifted to Bangalore. Maya is strong and once I lost the association, I gradually got dragged into all the material pleasures. Still with the strong support of the scriptures and your mercy I somehow continued to chant, follow the regulative principles with occasional glitches.

Today life is a much different hectic schedule, family responsibilities have made things worse. I know I being a fallen soul, I am taking the help of these excuses for not following your guidance. Even though I am not sincere, I still have the taste, I still know what is right and what is wrong, and it is only your mercy I am still chanting. Somehow one or the other devotee has been in touch with me always to guide me and prevent me from falling further down, it's all because of your mercy who still wants me to open my eyes and start to follow your path with sincerity.

I will try to improve on myself and try to be sincere in all the regulative principles.

Your most fallen servant,

Bhakta Nishant Bansal.

## **Bhakta Pareekshith**

Dear Srila Prabhupada,

I thank Your Divine Grace for giving this conditioned soul a chance to go back to Godhead. It is purely because of your unconditional mercy I am utilizing this human form of life properly.

Because of your mercy, I have the opportunity to have the transcendental sound vibrations on my tongue. With your mercy, I am doing six rounds of chanting every day and take active participation in Guru Puja and kirtans. I am also able to read your books which I find very interesting.

You faced so many trials and tribulations to fulfill the order of your spiritual master. I apologize I could not fulfill your order in the same way. But I do hope that with your mercy I might gradually elevate in my spiritual life and try to fulfill your order of preaching and book distribution.

Therefore, I kindly ask for mercy for it is the only way I can advance in the process of serving Krishna. I thank you, Srila Prabhupada for all that you have done in my life.

Your most insignificant servant,

Bhakta Pareekshith.

My Dearest Spiritual Master Sri Srimad A.C Bhaktivedanta Swami Prabhupada,

Please accept my humble obeisances at your lotus feet on the most auspicious occasion of *Vyasa-puja*.

I am extremely grateful that for us you have disseminated the transcendental knowledge of *Bhagavad-gita* As it is and providing us the Hare Krishna *Maha-mantra*. Whenever I chant this Hare Krishna *Maha-mantra* I feel overwhelmed and complete also, I feel incomplete without chanting. Every time I offer the food to God and it becomes ambrosia. Since 10th January 2020, I have been in the association of your devotees and I feel heartfelt gratitude for them as well. Only by devoting myself in the service of Lord Krishna, I feel satisfied.

Your insignificant and most fallen servant,

Hare Krishna,

I offer my most humble obeisances to our guru Srila Prabhupada and all the gurus in the tradition. I feel blessed and very grateful to come in contact with the Hare Krishna movement in early 2016. I always try to associate with devotees, but many transferable jobs makes it hard to be in physical association. Therefore, I try to associate using WhatsApp and Youtube. Even though I am just a sophomore in devotional services and traveling outside the Bharatvarsh makes it harder, I always pray to the Lord and Srila Prabhupada to offer their guidance and causeless mercy on me. Based on my life experiences so far, seeing and working with different peoples with other nationalities and cultures, I must say that in this Kalyuga Harinam is the only shelter, which has been true for me time and again.

*"Harer nama harer nama harer namaiva kevalam*

*kalau nasty eva nasty eva nasty eva gatih anyatha"*

I always pray to all the senior devotees, Srila Prabhupada and Lord Krishna for their guidance and mercy on me, so that we can also cross this ocean of samsara smoothly.

*"sarva-dharman parityajya mam ekam saranam vraja  
aham tvam sarva-papebhyo moksayisyami ma sucah"*

Our spiritual master is best in among in all other spiritual masters I have seen yet. His books, clarity of concepts, scriptures, language and lectures are increasing the flame of bhakti in our heart. Life is always challenging for me but after reading and studying the books I am able to deal with the day-to-day situation of our life and the most difficult situation can be handled easily. Now after three years, I am able to see and understand the clearly in things which I was not able to understand before. Our life goal is now clear and we are on the way, which is suggested by our spiritual master, his preaching makes us motivated day-by-day to go back to godhead. On the day of Vyasa Pooja of Prabhupada, I servant of the great devotee giving my obeisance and Dandwat pranam to the grate disciple of Krishna and Paramhansa Srila Prabhupada and pray him to keep guide us and forgive us for our sinful activities, so that we can achieve the ultimate goal of life, on this auspicious day I remember a verse and dedicate from the bottom of my heart to Prabhupada.

परम पूजनीय ISKCON फॉउंडराचार्य

श्रील प्रभुपाद जी,

व्यास पूजा के इस पवित्र पर्व के अवसर पर आपके चरणों में कोटि कोटि नमन,

(गुरु),

सनातन संस्कृति में गुरु को भगवान का दर्जा दिया जाता है और कलयुग जैसे युग में श्रील प्रभुपाद जी जैसे गुरु मिलना साक्षात् भगवान मिलना है। मैं अपने आपको बहुत सौभाग्यशाली मानता हूँ कि मुझे इस कलयुग काल में श्रील प्रभुपाद जी की संस्था में जुड़ने का ये सुगम अवसर प्राप्त हुआ और गुरु कृपा से ही मैं अपने जीवन को जान पाया हूँ। उस सत्य को जान पाया जो मुझे इस जन्म मृत्यु के भवसागर को पर करने में बहुत सहायक है। जीवन को कैसे जीना है, किन कर्तव्य का निर्वहन किस दृष्टिकोण में किसे समर्पित कर के करना है, ये जीवन किसके लिए समर्पित और क्यों करना है ये मुझे जानने का ये सुगम अवसर गुरु कृपा से उनकी संस्था से प्राप्त हुआ जिसके लिए मैं अपनी हृदये भाव से अपने गुरु श्रील प्रभुपाद जी का आभारी हूँ क्योंकि वो गुरु ही है जिनसे मुझे सच्चा ज्ञान, भगवान कृष्ण की भक्ति और उनपे पार्षदों और भक्तों की सेवा का अवसर प्राप्त हुआ जो कि मेरे जीवन को एक नए आयाम और सही मार्ग पर ले जा रहा है और इसकी अनुभूति मुझे खुद होती है गुरु द्वारा बताये महामंत्र से जो हृदये में आनंद की प्राप्ति होती है उसे मैं शब्दों द्वारा बया नहीं कर सकता। वैसे गुरु के वर्णन के लिए मेरे पास शब्द नहीं है इस लिए मैं गुरु को केवल एक शब्द (भगवान) जीतता तुल्य समझता हूँ। अपने लिए आपकी यही असीम कृपा मुझ पर ऐसे ही बनी रहे इसकी कामना करता हूँ।

आपका कृपापात्र दास,

भक्त रोहन जायसवाल, लखनऊ

Oh My Dearest Spiritual Master, Jagatguru Srila Prabhupada,

Kindly accept our humble obeisance unto Your divine lotus feet,

It's my great pleasure and good fortune to write an offering in the glorification of Your Divine Grace. Myself along with my whole family ( my wife, my 02 daughters, and 01 sons) are in your association through your disciple, books, lectures, audio, and video since 2013. During this past 07 years of period, we all are realizing that we have been transformed fully by the level of our body and mind. Now I am able to understand the difference between body and soul. My wife Babita, she drinks your purport of Shrimad *Bhagavad-gita* and *Bhagavatam* just like daily water. She can not live without it and she spreads it in a group of more than 500 devotees on a daily basis each morning in Brahma Muhurt at 3.30 am.

07 years before, when I was not in your association, I was thinking for fulfilling the material desire for the comfort of my body and fulfillment of sense gratification but now my material desires have been converted into a spiritual desire, to satisfy the desire of Guru and Gauranga by my sincere serving. It is happened because of your teachings, reading of books, and association of your disciples. I am surprised how it happens, but really it is because of your blessings and guidance. I love each word, I feed you each word in my mind, think how powerful these words are. I feel these words are growing in my mind and changing continuously just like a chain reaction. I enjoy with each word. I have no words to express the feeling through my words. Its effect is limitless

Truly speaking, you are really the divine power of Lord Krishna. Your Glory is limitless. On this auspicious day, I pray to you kindly bless such strength so that my whole family could be able to fulfill your message by sincere and quality serving. Thanks a lot for your causeless mercy for my whole family.

All glory to His Divine Grace! All Glory to Srila Prabhupada!

Your Insignificant Servant,

Bhakta Sanjay Kumar Pandey, Bhaktin Babita Pandey, and my Daughters and Son.

It is my privilege to glorify our dear Spiritual Master Srila Prabhupada on the glorious day of Sri Vyasa Puja (13th August 2020), which is the 124th appearance day of Srila Prabhupada. By following your directives, I felt a lot of changes in my life and acquired new confidence, patience, calmness, joyful, learned to rise early in the morning. By the mercy of yours, we are getting an online daily sessions of Bhagavad Gita from your learned disciples during the Covid-19 period and our devotional services are progressing gradually. I endeavor to improve my consciousness every day, so please bless me to continue.

You have given us the real path of devotional service. By your elegance, we are doing daily Mangala arati, sixteen rounds Chanting the Holy name, reading Bhagvat Gita and offering food to Lord and taking Prasadam, and also following four regulative principles. We need your special blessings for understanding Bhagavad Gita and to chant Hare Krishna mindfully.

I am trying to save other souls from the clutches of Maya and involve more common people in the mission of ISKCON and hope that I will get success by your benediction.

My heart is filled with gratitude and devotion for you, for taking me under your aegis and guiding me. Please bless me that I will remain your menial servant forever and not leave you even for a moment.

Dear Srila Prabhupada!

Kindly accept my humble obeisance and prostration to Your Lotus Feet!

O Commander-In-Chief of Mahaprabhu's Sankirtana movement, the Yuga Dharma for this age of Kali; You are the Apostle for taking the chanting of Lord's names beyond Indian shores to every town and village in the world. *How can this debt of gratitude be ever repaid?*

In order to offer spiritual solutions to complex problems faced by humanity, You started 'Back to Godhead' magazine - managing the writing, editing, publishing, and selling the magazine single-handedly. You translated the magnum opus Srimad Bhagavatam painstakingly, which in your own words is the 'cultural presentation for the re-spiritualization of the entire human society'. *How can this debt of gratitude be ever repaid?*

Your first journey to the US in 'Jaladuta' is folklore. In spite of seasickness and surviving two heart attacks, you held on for fulfilling the instructions of your spiritual master. You landed in the US, during a 'decade of discontent', a time where 'counter-culture' was taking over the nation's 'family tradition', and established ISKCON delivering thousands of souls. *How can this debt of gratitude be ever repaid?*

You introduced Jagannath Rath Yatra, thousands of kilometers away from Puri, in the major cities of the world and thus popularised Mahaprabhu's Nagara Sankirtana movement. In this age of hypocrisy where the emphasis is laid on 'Birth', You initiated Your disciples based on their 'Qualification' & 'Sincerity'. Following Mahaprabhu, You freely distributed the Holy name of the Lord and liberated souls who came in touch with You through Your causeless mercy. *How can this debt of gratitude be ever repaid?*

In this world of pomp and show, You demonstrated the principle of 'Plain living and High thinking'. You lived through Your life and taught us, that the only aim of human life is to always remember Krishna and never forget Him at any time (*smartavyaḥ satataṁ viṣṇur vismartavyo na jātucit-* CC Madhya 22.113). All other rules and regulations are subservient to these two principles. *How can this debt of gratitude be ever repaid?*

How rightly you have captured the imbalance in the show-bottle spiritualism of modern-day society when you beautifully said 'Religion without philosophy is sentiment or sometimes fanaticism, while philosophy without religion is mental

speculation'! As an alternative, You demonstrated that Krishna Consciousness is not an 'arm-chair philosophy' or a part-time religion; it is a 'way of life'. *How can this debt of gratitude be ever repaid?*

Over the past year, through Your mercy and devotee association, I am able to chant 16 rounds every day, read Your books and listen to Your Vani regularly. Because of this, I am becoming more conscious of the various anarthas present within me and the different material attachments that are entangling me. Neither do I have the fortune nor the ability to overcome these by myself, but I know that this would happen in some lifetime by just clinging to Your lotus feet. *How can this debt of gratitude be ever repaid?*

No one can ever repay all these enormous debts of gratitude, I will be indebted to You forever! Make me Your disciple 'birth after birth', so that I can serve Your Lotus feet and Your mission without any hindrance. Make me a 'tiny instrument' to spread Your glories far & wide and to bring more souls into Krishna Consciousness so that they can be delivered from the darkest ignorance through the torch of Your knowledge.

Your humble foot soldier,

Bhakta Srinivasan M.

Dear Srila Prabhupada,

Please accept my humble obeisance unto your lotus feet. All glories to you on the auspicious day of your divine appearance, My first experience of your divinity was when I procured the first-ever copy of the Holy *Bhagavad-gita* As it is when I was in my mid-thirties. Destiny brought me closer to your divinity when I joined the Iskcon at Gurgaon two years back. Joining in the *Bhagavad-gita* discourse since last year has been a spiritually rewarding experience. Your explanation of the Holy

*Gita* and interpretation of it for us, has had a profound impact on the way we lead our lives. We are moving away from ignorance and closer to Krishna consciousness. Your teachings have made me understand the value of leading a life of truthfulness, simplicity, compassion, and consideration to others. The requirement of shedding bad habits and vices and imbibing good habits and noble deeds is one significant lesson I have learned. Consequently, I have turned a pure vegetarian and developed a desire to focus on all other forms of life with due compassion.

The need to shed ego, anger, and envy and serve the Divine Lord Krishna is my current concern and occupation in my mind. The understanding of the body, soul, and Supersoul makes me a better person today than I was yesterday. The journey of understanding your teachings which commenced last year has been an eye-opener. It has been and continues to be enriching for the body, mind, and soul. I wish to continue this spiritual journey of removal of ignorance and revival of Krishna consciousness with your guidance and benign blessings.

A humble devotee of Lord Krishna and a student of your Divine Teachings,

Bhakta Surendra Tanwar.

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet.

I am so very thankful that you have bestowed your mercy on me, it took my three decades of this lifetime to realize the true purpose of my existence as a human. I am thankful to you for helping me get out of the darkness of material enjoyments that I had assumed were the ways of living. There are many many imperfections in me and as a student, my constant endeavor is to perfect myself as per your guidance. I request you to constantly shower your mercy on me in my journey and always keep me engaged in the service of Krishna.

Dear Prabhupada, please accept my humble obeisance. All glories to you. All glories to you on this auspicious day of *Vyasa-puja*. Thank you for constantly holding my hand in this journey of going back to Godhead. No matter how many times I lost my path, my heart covered with materialistic desires but you always accepted me back. No matter where ever life takes me whether it is Mysuru or Delhi you always made sure that I remain constantly under Krishna's mercy, have his delicious *prasadam*, chant his Holy name. I am fortunate enough to get the shelter at your lotus feet. Many in this material world are not so fortunate. Thank you for accepting me as your servant and disciple.

I realized the true essence of your teaching when my father left me and my family. It took him around 4 hours to leave his body. The only thing which helped me pass through these tough times was your mercy bestowed upon me through your teaching of *Bhagavad-gita*. It was your mercy which gave me strength and I was able to support my family through those tough times. Thank you for being so merciful. I apologize to you for not being as ardent as you want your disciples to be. But, I request you to forgive me and never leave my hand. Please always keep me at Your lotus feet.

Dear Srila Prabhupada,

I offer my obeisance to His Divine Grace Abhaya Charnaravinda Bhaktivedanta Swami Prabhupada, the Founder Acarya of ISKCON.

I am new to ISKCON...I am introduced to this renowned organization by some devotees. He as a guide helped me a lot. Whenever I have questions he is always there and listens to my idiotic questions & answers them faithfully. He never ditches my question.

He gives me mala in February. I never did Japa after that since lockdown. But once the lockdown was enforced, I thought; why don't I give a try. I started for 1 round. Then within a month, I joined Harinaam ji's Bhagavad Gita class session. In April I was doing 4 rounds. Then comes the unlock (lifting of Lockdown) I was doing 8 rounds by then. I was thinking when I will go to my job I have to leave chanting. But I don't want to give up So I started to wake up at 6 am. Now I am doing 10 rounds. I enjoy every moment of chanting. I feel the whole day refreshed...

Our spiritual master is always there with us through his book and lectures. Even though he is not present physically, he helps his disciples to get advancement in Krishna Consciousness. Whenever one prays to him in a difficult situation, he always helps. When I feel, I cannot do this for Krishna and I remember Prabhupada's faith and determination towards Krishna and just pray to him to help me and I get a spiritual power and joy to do any impossible task for Krishna. Prabhupada is always merciful. He is the inspiration for thousands of devotees to follow Krishna consciousness.

By the mercy of Prabhupada, I can understand the teachings of Bhagavad Gita and Srimad Bhagavatam. His books helped me a lot to understand the spiritual path, and cleared all my doubts. He is my master and friend who always helps me whenever I am in any problem, he brings me out from it. His teachings show me the perfect path and aim of life.

Your humble servant, Bhakta Tej Pratap Singh Solanki.

I offer my humble obeisance to His Divine Grace Abhaya Charnaravinda Bhaktivedanta Swami Prabhupada.

O brilliant sun who has dispelled the darkness of my ignorance, O my spiritual master, I can ever feel your presence with me in your invaluable lessons and instructions. I need to only hear your voice to feel your strength and develop the conviction and determination to take the steps to advance in Krishna Consciousness.

I was lost and unhappy in material pursuits, and ignorant of the joy of Krishna Consciousness.

Then you came into my life and drew me into the blissful world of Krishna.

You have inspired me and empowered me, and it only by your mercy that I find the desire and strength to serve Krishna, irrespective of the many problems that material life keeps throwing at me. It is only your blessing on this fallen soul that I am chanting 24 rounds daily, whether I am sick in hospital or in normal health.

Your books have made the complex subject of Krishna Consciousness so clear and easy to understand. Your instructions are simple, straightforward, and lucid. Never before have I come across anyone who could generate such clarity and conviction in me and guide me so well on the spiritual path.

I was weak and utterly incapable of walking the path back home to Godhead on my own. But, under your guidance, I have begun to comprehend the teachings of Bhagwad Gita and Srimad Bhagavatam, and have begun to envision, and take baby steps towards, the true goal of my life. How can I ever repay you for your infinite mercy and kindness on this useless soul?

I pray to the Lord that I always have you as my master, guide, and friend forever.

Your humble servant, Kanishta Bhakta Tribhuvan.

Hare Krishna

I, Vamshi Krishna Rao, am an aspiring devotee. Being 17 years old, I have various responsibilities - towards my family, towards my studies, and also towards myself. With the help of your books, I have been able to increase my bhakti towards Krishna and will continue doing so in the future. Your very logical arguments make me ponder on them thus increasing my thinking capabilities and also affirming that Krishna is 'Bhagawan'. This has vastly helped me in my studies and has improved my decision making. I have managed to climb over the boulders of many difficulties and with your blessings will continue doing so. With the help of chanting and harinam sankirtan, I am trying and to some little extent have managed to attain control over my mind. I now remember the beautiful deities of Sri Radha Vrindavan Chandra and Sri Krishna Balarama while doing Hare Krishna Japa. Doing Japa with focus has helped me remember Krishna's form whenever I am in a difficult or uncomfortable situation and empowered me to push through giving me vital experiences that will help shape me into a better man and most importantly, a better devotee. With Your blessings, I hope to achieve that stage as a successful human and a successful devotee someday in the near future.

I have only one request, bless me with the ability to have more focus, not be prone to distraction. Bless me to push through to the next stage of devotional service. Bless me to take strides forward, both in my material and spiritual life. And please keep an eye over me, reprimanding me for my mistakes and showing me the way forward following the right decision.

Yours sincerely, Vamshi Krishna Rao.

Dear Srila Prabhupada,

My humble obeisance to His Divine Grace Srila Prabhupad.

Understanding Prabhupad Ji, what he has done, and how he spent his life has made a deep impression on me. What I am supposed to do as a human has only been awakened by hearing him. Fortunately, I was visited by a devotee who in a very subtle manner developed my devotion to Lord Krishna. As a commoner, my whole time occupation was to work and remain consistent in honesty. This was imparted from an early age. So essentially I was unaware of the balanced way of living. True learning of the purpose of life was missing. The division of time for work and devotion to God-realization was missing. After some temple visits, and participating in the festivals the desire to understand has increased, the commitment grew, the teaching and guidance by His Divine Grace Prabhupad Ji became a frequent reminder. Practicing Krishna consciousness and following the instructions of Prabhupad Ji became a growing interest. He has generated the desire to understand Krishna and be devoted to Krishna. The most meaningful change that I have developed by following Krishna consciousness is chanting. Prabhupad Ji invariably mentioned 16 rounds of Japa each day and 16 rounds have become my daily achievement. It has now become an automatic mental engagement to chant more whenever there is an opportunity. I feel greatly indebted to Prabhupad Ji to give the English translation and purports of the Bhagavad Gita. The import and direction of Bhagavad Gita could not have been otherwise comprehended. Living life with a purpose is vividly explained by Prabhupad Ji in his recordings. It has become convenient to hear his teaching repeatedly and imbibe the message. By establishing ISKCON Prabhupad Ji led people worldwide to worship Krishna with passion and sincere devotion. By his relentless effort, people over the world got attached to his mission and he established temples in many countries. People follow his instructions and there is a desire to spread Krishna consciousness by many high qualified devotees. Krishna consciousness is the only hope for the present and future and Prabhupad Ji has enumerated a discipline for loving God, Sri Krishna, and understanding oneself. My humble obeisance to His Divine Grace Srila Prabhupad seeking his benedictions to passionately remain Krishna conscious. Jai Srila Prabhupad Ji !!

Your servant, Bhakta Verender Chawla.

Dear Guru Srila Prabhupada,

Please accept my humble obeisances. All glories to you on this auspicious day of your appearance,

The meaning of human life is to realize the self. To get Krishna there is some medium that is called Guru, without Guru it is like searching your path without eyes and light. You are a bona fide Spiritual Master. Hare Krishna *Maha-Mantra*, which is the only way possible in this age to escape from the boundless birth and death cycle, is freely distributed by you. In this *Kaliyuga* only *Maha-mantra* can help us. You are so merciful that, we have got the knowledge through your books and lectures on different aspects of life. This bitterness, but true knowledge guides us in this age. We all should take advantage of it and follow Krishna Consciousness in our day to day life while performing our regular duties for survival. Iskcon movement helps us to Get Gurudeva like you, and with your mercy, we try to get Krishna.

We all so indebted for his services towards the fallen souls like us. Your blessing always be with us Gurudeva.

Your humble Devotee,

Srila Prabhupada Ki Jai

Hare Krishna Prabhupada. This year, I have started to chant rounds regularly and I am trying to increase it year by year. Last year on the Gita Jayanti I took an oath in front of Nitai- Gauranga to chant regularly and attentively. By your grace, I have got the strength and determination to fulfill this oath and to increase my bhakti day by day. It is only by your mercy that now I am able to understand the truth that I am the soul and not the body. I have been able to contemplate the essence of the Gita and have been successful in preaching it to some friends in school and in my locality. Now as a young sadhaka, I have started to attend classes on books other than Bhagavad Gita, like the Nectar of Instruction, etc. I request you to please help me increase my bhakti by many folds and help to chant with my full potential so as to have a mind diverted to bhakti and not think about mundane unnecessary activities

Your sincere devotee,

Bhakta Viraaj.

परम पूजनीय श्रील प्रभुपाद जी,

आपके चरण कमलों में कोटि कोटि वंदन।

इस व्यास पूजा के शुभ अवसर पर मुझे ये परम सौभाग्य प्राप्त हुआ है कि मैं अपनी भौतिक बुद्धि से आपके चरणों के प्रति कुछ शब्द कह सकूँ। आपकी कृपा अनिर्वचनीय है, आपका यशोगान शब्दों के परे है जैसा कि सभी शास्त्रों का मत है कि गुरु की महिमा शब्दों से व्यक्त नहीं की जा सकती है।

हे गुरु देव, मुझ पतित जीव को जो आध्यात्मिक पथ प्राप्त हुआ है वह आपकी असीम अनुकम्पा ही है अन्यथा अनंत जन्मों के संचित पुण्य कर्म से भी यह ज्ञान पाना संभव न हो पाता।

सभी शास्त्रों तथा महान संतों का मत है कि गुरु जो हमें पथ प्रदर्शित करते हैं उस पर प्रगति करना हमारा परम कर्तव्य है परंतु इस अज्ञानी, कुटिल हृदय के द्वारा और अंधकारमय परिवेश में इस मार्ग पर निरन्तरता बनाए रखना असम्भव सा प्रतीत होता है एवं असफलता का भय बना रहता है।

अतः हे स्वामी, हे कृपानिधान इस पतित जीव को कृपया आध्यात्मिक बल प्रदान करें ताकि इस मनुष्य जीवन को सफल बनाते हुए कृष्ण प्रेम प्राप्त कर सकूँ।

हे गुरु देव, आप परम दयालु हैं इस मोहित बुद्धि वाले जीव पर अपनी अहैतुकी कृपा बनाए रखिये।

आपका दास,

भक्त योगेश कुमार।

All glories to Srila Prabhupada!

Dear Srila Prabhupada,

I offer my humble obeisance at your Lotus feet. I feel immense gratitude towards you, beloved Srila Prabhupada, for you have showered your unlimited compassion upon me when I was so lost in the materialistic way of life. Now my only hope is to fully take shelter at your Lotus feet by sincerely following your teachings and instructions, which can ignite the spark of devotion in everyone's heart.

I get struck with wonder whenever I hear about how in spite of the tremendous difficulties and obstacles which you had to face, you traveled to the west and established ISKCON to preach Lord Chaitanya's teachings and save us from the clutches of Maya. Also by your example, you have taught us how to be fixed in the service of guru, by following his instructions, at all circumstances.

Your books have constantly been a source of strength and inspiration to me. Each book is a priceless treasure to understand KC philosophy and increase our love for Godhead. Whenever there is a doubt in my mind, without even putting the question out, you give me the answers through your books. Thank you, Prabhupada for writing these many volumes of books through sleepless nights and widely distributing them so that we, the fallen souls, can take advantage of them and uplift our life from this material nescience.

Every day through your books, lectures, japa, and kirtan, you guide me to perform devotional service to the Lord with enthusiasm, patience, and confidence. Through your instructions and the association of your disciples, I understood the importance of chanting the Holy names of Lord, performing devotional service for Lord's pleasure, preparing nice foodstuffs for Lord honoring prasadam, reading Bhagavad Gita and Srimad Bhagavatam, doing arati for Lord and so on. You have given us such wonderful practices to be followed through the day, that entire day our thoughts, words, and deeds are all engaged in Krishna Consciousness. Though it is a gradual process, it is heartening that you are always there with us to take us through this bhakti path.

I cannot repay the debt of gratitude but kindly accept my meager effort to serve your Lotus feet and the mission. I pray earnestly that I will become a proper recipient of your guidance and abundant mercy, to get out of the contaminations and degradations of my own mind and senses and firmly fix them in chanting the Holy names of the Lord.

I continue to pray that both during happiness and distress, I never leave your Lotus feet and obediently follow your instructions and serve you to the best of my ability.

Thank you, Prabhupada for your unlimited compassion and mercy.

Your humble servant,

Bhaktin Aarthi.

Respected Srila Prabhupada,

Please accept my obeisances. All glories to you.

*Hare Krishna Hare Krishna, Krishna Krishna Hare Hare*

*Hare Rama Hare Rama Rama Rama Hare Hare*

Thank you for this soul enchanting mantra, a gateway to the spiritual world. It brings in ecstasy where the soul seems to dance with joy and results in eternal peace. The importance of chanting Hare Krishna mantra 16 rounds has left an imprint on my heart and it automatically starts in wee hours of the morning. No alarm clocks required to wake me up. This soul is awakened as tears well up while chanting. I feel much more positivity around now.

Though spiritually oriented and always feeling connected to God I probably did not give quality time to prayers due to hustle and bustle of life. Also, the medical profession to cope with, which has kept me on toes all these years. Now with pandemic and lockdown, I finally got the time to enroll for Bhagavad Gita online classes. I had read it myself probably ten

years back but now under the guidance of a spiritual master, I realize what all I missed. I have begun to understand the purpose of life and it is crystal clear.

This is all because of Bhagavad Gita, as you pen it, showing me the way for moving forward in life. You have very ably simplified the concept of Karma yoga and Bhakti yoga which baffled us. I have realized that work has to be done for Krishna's satisfaction and has to be devoid of attachment to the fruits of activities. You have well explained how we can convert or spiritualize our weaknesses like wrath and lust when we give into Krishna consciousness. When we fix our mind, intelligence, faith, and refuge in the Lord, we will be cleansed of misgivings and we can progress on the path of liberation with this transcendental knowledge. I also learned that we have to control our mind which always flickers. The mind should not control us and this can be achieved by engaging in services to Krishna. You have simplified the Bhakti process by teaching us four steps that can easily be practiced by everyone. Chanting, reading Bhagavad Gita, taking Prasadam, worshipping Deity of Lord Krishna will help us to achieve the highest perfection of life.

"Bhagavad Gita As It Is " is all soulful and mesmerizing. One can read again and again. There is an abundance of knowledge to be retrieved, each shloka and purport to be dwelled and reflected upon. There is a plethora of food for thought sprinkled with divinity. You have opened the floodgates to the spiritual abode. It is indeed a benediction for all devotees. It has become nimita matram for my spiritual progress. I bow my head at your lotus feet for enlightening me on this road to spirituality. I dedicate this shloka to you.

*teṣām evānukampārtham aham ajñāna-jam tamah  
nāśayāmy ātma-bhāva-stho jñāna-dīpena bhāsvatā*

(To show them special mercy, I dwelling in their hearts, destroy with the shining lamp of knowledge the darkness born of ignorance)

You have showered this knowledge on us and awakened the soul which was in slumber and ignorance. You are the true guiding force on my pathway to the spiritual journey. Please bless me so that I may follow the path of Krishna consciousness shown by you with full devotion and determination.

Your humble devotee,

Bhaktin Anu Arora.

Jai Srila Prabhupada,

I am Apoorva Vaidyanathan [12 years old].

I attend Culture Camps conducted by 'HARE KRISHNA MOVEMENT' every year. I came to know about Srila Prabhupada through this Culture Camp. This year also I attended and I could learn many slokas including Guru Pranama, Sri Chaitanya Pranama, Sri Krishna Pranama, Srimati Radharani Pranama, Sri Krishna Balarama Pranama, and many more. I could also learn the Dashavatar Stotram and heard the stories of Dashavatar. I also learned many values which helped in making a better person.

Every day, we would start with the Pranama Mantras, listen to the stories of Dashavatar, learning 1 sloka of the Dashavatar Stotram, chanting 1 round of Hare Krishna Mahamantra, learning a value, doing interesting Art & Craft of the Dashavatar and end the day with a quiz on the Dashavatar. These all were only possible by the grace and blessings of Guru Srila Prabhupada.

Respected Srila Prabhupada,

Please accept my most humble obeisance unto your lotus feet on the auspicious day of your Divine appearance.

My first encounter with Krishna consciousness was in 1975 when I was privileged to be present for the inauguration of the ISKCON temple in Vrindavana. It was an overwhelming experience to be there in my teenage. I paid my obeisance at the temple several times before my parents and I moved out of Mathura. Joining the *Bhagavad-gita* classes last year has been an eye-opener for me. I have begun to understand the true meaning of life. Every discourse has been an education by itself. The concept of the body, soul, and Supersoul is getting clearer day by day. I have well understood that one can continue to discharge one's normal responsibilities and yet devote time to Krishna consciousness as guided by you.

Your divine teachings have ignited the desire in me to be a better person by shedding anger, ego, and envy and developing calmness, consideration, compassion, and being helpful towards the people around me. I know this shall take time, but the process has begun. Chanting Hare Krishna *mantra* gives me immense enjoyment, ecstasy, peace, and solace. I enjoy chanting with every bead, which gives me a feeling of getting closer to Lord Krishna. Srila Prabhupada, you have given a new meaning and purpose to my life. I will seek your blessing and guidance to continue this spiritual journey to come closer to Lord Krishna.

Your ardent devotee,

Bhaktin Beenu Tanwar.

My dearest Spiritual master Srila Prabhupada,

Please accept my humble obeisances at your lotus feet on this most auspicious occasion.

It is your *Vyasa-puja* celebration, one of the biggest and most important days in the life of the disciple. I find myself so fortunate to be a recipient of your causeless mercy as you have allowed me to be part of your glorious movement. I wonder if there is any other place in the world that can teach a person as many things as this community of devotees in your movement teaches each of the disciples. All this arrangement you have made to teach your disciples how to live happily in the association of Krishna's devotees is wonderful. Krishna is not alone in Goloka Vrindavan, he is always surrounded by millions of devotees. If we are serious about going back to Godhead, we need to understand and learn the art of living, sharing our life with other devotees. This is possible only when we live in the devotee community. It is easy to practice *bhakti* alone at home, but to practice in the association of other *Vaishnavas* is a big challenge to - Our independent mind, and false ego.

Devotees all come from different regions, different backgrounds, and different cultures yet hundreds of them stay together and practice *bhakti*, attend *sadhana* and render *seva* together. This is amazing given a fact that in the present world even close family members can't stay together. As a result, we find many broken, micro families around, depriving young generations of receiving care, affection, wisdom from elders in the family. In such situations, your organization provides all these to the wandering children, youth in the form of a big devotee. All these most invaluable teachings become part of our learnings in the community. Srila Prabhupada, by making this community living part of the organization you are imparting life lessons to your disciples.

Your servant, Bhaktin Dr. Gunjan Bhola, Faridabad.

Dear Srila Prabhupada. My eternal Saviour,

Please accept my humble obeisances unto your most merciful lotus feet. All glories unto you, my Gurudev, on the auspicious occasion of *Vyasa-puja*!

'The devotees of the Lord are more kind than the Lord because they understand the purpose of the Lord. Consequently, they undertake all kinds of risks, even to the point of approaching ignorant men to try to engage them in the acts of Krishna consciousness, which are absolutely necessary for the human being.' (Bhagavad-gita As It Is, 3.29 purport).

Srila Prabhupada, Your glorious life is a testimony to the above statement. At the advanced age of 69 years, you took the risk of going alone to America, undertook extreme hardships, to single-handedly establish the great institution of ISKCON, for preaching Krishna consciousness. Your causeless mercy has transformed and saved the lives of hundreds of thousands of *jivas*, entrapped in the three modes of *Maya*. O, Divine Grace! Your qualities are transcendental, your demeanor august, your mercy unlimited, your compassion matchless, your eloquence powerful, your *parampara* glorious!!! No words are adequate to describe your divine personality, Srila Prabhupada!!

Your Divine Grace can turn any adversity into opportunity! During the past few months of lockdown, I have been immensely benefitting from the enlightening lectures of your disciples on topics like Soulful Japa, Bhagavad Gita, Who is Krishna, and the past times of Your Divine Grace. O Spiritual Master! You are an ocean of mercy and the savior of the fallen! I am the most fallen of all and therefore kindly shower your mercy on me. Kindly bless me that I may be purified of my *anarthas* and engage in sincerely serving you and the Supreme Lord. Kindly engage me in your blessed mission of preaching the message of Lord Chaitanya Mahaprabhu to the whole world.

Forever Your humble servant,

Bhaktin Hema Venkatesan.

गुरुर्ब्रह्मा गुरुर्विष्णुः गुरुर्देवो महेश्वरः । गुरुः साक्षात् परं ब्रह्म तस्मै श्री गुरवे नमः ॥

हे गुरु देव

गृहस्थ जीवन का पालन करते हुए, मेरी हमेशा यही चेष्टा रही कि मैं धर्म के पथ पर चलूँ और श्री कृष्ण की भक्ति में रहूँ। मैं २५ सालों से भगवत गीता का निरंतर अध्ययन करती हूँ और उतने ही वर्षों से मैंने लहसून प्याँज जैसे तामसी भोजन का भी त्याग किया हुआ है। एकादसी का पालन भी मैं छोटी उम्र से ही कर रही हूँ। ५ साल पहले मेरी बेटी ने मुझे कृष्ण आश्रय से जोड़ा तब मुझे लगा कि मेरे उपर श्री कृष्ण की कृपा हो गई और मुझे आप के चरणों में आने का अवसर मिला। तब से मैं निरंतर १६ माला का जाप करती हूँ और घर के बच्चों को भी करवाने की कोशिश करती हूँ। हे गुरु देव मुझे अपने चरण कमलों में स्थान पराप्त करें और मुझे अपनी शिष्या के रूप में स्वीकार करने की कृपा करें। सदैव आपकी चरण कमलों में।

अभयचरणारविंद भक्तिवेदांत श्रील प्रभुपाद की जय,

दयालु व कृपालु समस्त जगत को सुख शांति की राह दिखाने वाले गरुड देव को मेरा कोटि कोटि दंडवत प्रणाम। मैंने कभी सोचा भी नहीं था की मुझ पर कभी गरुड कृपा होगी, क्योंकि मुझे इस बात का ज्ञान नहीं था की जीवन में आध्यात्मिक प्रगति सबसे महत्वपूर्ण है और इसके लिए एक गरुड की परम आवश्यकता होती है। मैं तो बस अपना जीवन जिए जा रही थी, परन्तु प्रभु जबसे आपने मुझे शरण दी है, मुझे पूर्णता और जीवन की सार्थकता का अनुभव हो रहा है। सन २०१२ में, इस्कान के अनन्य भक्तों के द्वारा आयोजित अक्षय तृतीय के समारोह में मैंने आपके बारे में जाना और फिर इंटरनेट पर आपकी कुछ वीडियो देखीं तो मुझे पहली बार आपसे एक अटूट संबंध का अनुभव हुआ। मैं पिछले कई वर्षों से श्री विष्णु भगवान के व्रत रखती थी और मझे नहीं

पता था की भगवान श्री विष्णु जी मझु पर कुछ इस तरह से कृपा करेंगे की मुझे मेरे जीवन भर की पूंजी दे देंगे। आपको गरु रूप मे पाकर मैं कृतज्ञ हो गयी।

प्रभु आठ वर्ष बीत गए हैं, पर मैं अभी भी मैं संसार के कामों में व्यस्त रहती हूँ, बच्चों के लालन पालन में ही सारा समय व्यतीत हो जाता है। मैं न तो अधिक सेवा कर पाती हूँ और न ही जप कर पाती हूँ, पर लगता है मेरा मन शुद्ध है और भावकु भी क्योंकि जब भी मैं आपके और भगवान के प्रति अपने प्रेम और संबंध के बारे में सोचती हूँ तो मुझे रोना आ जाता है। कृपा कर मेरे जीवन की इन दुविधाओं को दूर करने में सहायता करें और मैं कम से कम प्रतिदिन १६ माला जप कर सकूँ ऐसा आशीर्वाद प्रदान करें। प्रभु मैं और मेरे पति आपके बहुमंजिला मंदिर के सपने को साकार करना चाहते हैं और उसके लिए प्रयासरत भी हैं। हम तन मन और धन से सेवा कर कृष्णभावनामत् का प्रचार व प्रसार भी करना चाहते हैं परन्तु आपकी कृपा बिना ये संभव भी नहीं है। आप मेरे समस्त सांसारिक परिवार, भक्ति परिवार व समस्त प्राणियों पर अपनी दया दृष्टि बनाये रखें। ज्ञान, भक्ती, शक्ति, सामर्थ्य दें और सदैव आपके और श्री राधा वृन्दावनचंद्र भगवान के चरणों में ध्यान रहने का आशीर्वाद दें ताकि हम सभी इस बहुमंजिला मंदिर बनवाने के महान कार्य में भागीदार बन इस जीवन को भक्तिमय कर सकें।

*गुरु ब्रह्मा गुरुर विष्णु, गुरुर देवो महेश्वरा । गुरु साक्षात् परब्रह्मा, तस्मै श्री गुरवे नमः ॥*

इस श्लोक के द्वारा गुरु श्रील प्रभुपाद जी को मेरा सादर प्रणाम।

मैं बंगालियों के संपर्क मे रही। मैने श्री रामकृष्ण परमहंस और स्वामी विवेकानंद के बारे मे ही सुना था लेकिन गुरु श्रील प्रभुपाद के बारे में नहीं सुना। गली गली में महाकाली के दर्शन और पूजा होती है। इस्काँन के बारे में सुना था। ऐसी धारणा थी कि वह हिप्पियों को ' हरे राम हरे कृष्ण ' बोलकर आनंदित होने का स्थान था। दिल्ली में कई साल रही। कहीं भी हम भारत में मंदिर जाते थे तो इस्काँन मंदिर में कृष्ण के दर्शन करते थे। इस्काँन द्वारा श्रील प्रभुपाद से जुड़ने का संयोग मिला। जब मैं ओकूड छोड़ने लगी तब मुक्ता जी ने मुझे घर पर बुलाया भजन के लिए। मैं गई और उसके बाद व्हाट्सैप के द्वारा इससे जुड़ने का अवसर मिला। श्रील प्रभुपाद द्वारा लिखा गया भगवद्गीता मुझे पढने को मिला। मैने पहले भी गीता का पाठ पड़ा है मगर कुछ समझ नहीं आ रहा था। लेकिन श्रील प्रभुपाद द्वारा लिखी गई गीता की भाषा सरल है और किसी को भी समझ आ सकती है। इतने सरल शब्दों में गीता समझाने के लिए श्रील प्रभुपाद जी को कोटी कोटी प्रणाम। यह श्लोक श्रील प्रभुपाद जी को समर्पित,

Dear Spiritual master,

On this specious occasion, it's an honor to share my experience. When we listen to the word 'Guru' what is the first thing that comes in our mind? Shri Prabhupada. Relation builder with God, right! A Guru helps in building a special and strong bond between us and God. This is actually what Prabhupada did. He made all of us to understand that we are the children of God. And, Lord Krishna blessings are always with us to help us out in each and every situation of life. Krishna has given us everything that we want and makes us smile with our inner peace by devoting ourselves fully to him. Prabhupada provided us a way to listen to our own inner self and making us realize what we are blessed with. Last but not least I want to thank Prabhupada for letting us know the biggest truth of life. Hare Krishna!

I offer my obeisance to His Divine Grace Abhaya Charnaravinda Bhaktivedanta Swami Prabhupada, the Founder Acarya of ISKCON.

O Divine Spiritual Master, I first saw your shining 'murti' at Iskcon Juhu during a dance program at Mumbai, in 1979. I was touched by your divinity but I was then totally ignorant of your teachings.

Later, in 2004, when I settled in Bangalore, I visited the HK Hill temple and came to know of Akshay Patra, which had its birth in your concern that children should never go hungry and your determination that anybody in the vicinity of an

ISKCON temple should have access to unlimited Prasad. I was inspired and felt blessed to become a life-member of that program.

From that moment I was drawn into the happy association of devotees and joyful attendance of programs at various temples of ISKCON. I got a taste of your teachings and I was completely addicted to the pursuit of Krishna Consciousness.

I have yet to understand a lot and a long way to go. But, constant imbibing of your videos, lectures, and books have become an important part of my life. Your utter commitment to serving Krishna and spreading Krishna Consciousness and the way you have faced extreme hardships and unselfishly toiled after the age of 70, single-handedly making and distributing Prasad for hundreds of devotees touched me so deeply that I feel I can see Krishna through you.

Your books are so clear and concise and make it so easy for an ignorant neophyte like me to understand. Your four principles of life always remain in my heart. Please shower your mercy and blessings on me and help me follow your teachings well so that I can progress on the path of Krishna Consciousness.

I will ever endeavor to please you by following your instructions. With your blessings, I happily attend Bhagavad Gita classes, perform puja, cook, offer and consume Prasad, and chant 8 rounds every day.

Your humble servant,

Bhaktin Dasi Latha.

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet. On this auspicious Vyasa Puja day, I would like to express my heartfelt gratitude.

I am really fascinated that how you have spread Krishna Consciousness to the western world. Your advise " OFFER THIS ONE LIFE TO KRISHNA" makes me feel very good and willingness to do it.

I feel just "Miraculous". Thank you for bringing Krishna into my life. Krishna has been very dear to me since my childhood. With your mercy,

I am able to chant 16 rounds of Hare Krishna Maha Mantra daily and for that matter my family members have also started the same. At my home, we eat food by offering it first to God by your mercy. This Lock down has become a blessing in disguise for me.

Dear Prabhupada, I pray at your lotus feet to please bless me, my family, friends and relatives to grow in bhakti yoga, able to chant effectively, keep away from materialistic thoughts and spread Krishna consciousness in the society and always be happy and healthy.

So, I just wanted to say, Dear Prabhupada without your causeless mercy I could never imagine to have come to the stage where I am now in.

With this beautiful Hare Krishna Maha Mantra, one can receive the blessings of God and positivity all around.

हरे कृष्ण हरे कृष्ण, कृष्ण कृष्ण हरे हरे, हरे राम हरे राम, राम राम हरे हरे ॥

*श्रील प्रभुपाद जी के चरणों में सादर नमन।*

गुरुवर आपकी और श्री कृष्ण जी की कृपा से हमें आपकी शरण मिली , वरना हम इस सांसारिक सुख -दुःख मोहमाया , छल -कपट में ही उलझे रहते। आपने हमें कृष्ण भक्ति के लिए प्रेरित किया। इस महामंत्र और कृष्ण भक्ति ने हमें बहुत ज्यादा मानसिक शान्ति प्रदान की। आपके द्वारा लिखी हुई पुस्तकें और श्रीमद भगवद गीता , हमें इस संसार रुपी मायाजाल को समझने में बहुत मदद करती हैं। मैं हृदय से आपका धन्यवाद करती हूँ।

Dear Srila Prabhupada,

I really don't know where do I start? Since childhood, we are in an environment where we saw our mother reciting the *Bhagavad-gita*. We are really connected with Krishna since childhood. After joining Sri Krishna Ashraya, we got an opportunity to understand every aspect of Sri Krishna. We found a better way to live life, leaving behind this illusion. Thank you for sheltering me at your lotus feet.

Dear Srila Prabhupada,

My humble obeisance to your lotus feet.

They always say change is little steps towards something new one wants to adopt in life. Change is difficult and slow. I came across my childhood friend who offered me to listen to understanding The Bhagavad Gita.

I being the person full of flaws and mind full of clamor, though I may not be able to hold that long. But who knew life was directing me towards so much blissfulness.

The first lesson I heard change was abrupt. I slept peacefully. My mind that reverberated events, sadness, old memories every night, went quiet. Everything seemed so meaningless. It is like soul shifting to someplace.

Many times I pondered about how this surrender, this unconditional love is what our core wants. My understanding of your teaching may be limited. But this change was sudden and abrupt. No long difficult process. I went to my daughter and explained to her how this would have saved me from a lot of unwanted baggage and thoughts. We read about this we want to improve, we work on it but I never felt it happen so easily.

I am new. It's all-new. And I know with your teaching and chanting of Holy Name, I will be safe.

Your servant,

Bhaktin Meenakshi Kapil.

Dear Gurudeva,

I offer my obeisance unto the lotus feet of my spiritual master and unto the feet of all *Vaisnavas*. I offer my respectful obeisances on His Divine Grace Abhaya Charnaravinda Bhaktivedanta Swami Prabhupada. A fully self-realized devotee - Swami Prabhupada is the blessings of Lord Krishna and Radha Rani. Godsend Guru for all human beings, who can help us in all ways and show the right path towards up and downs of life - our Spiritual master. As it very well explained about *Karma Yoga* and *Bhakti Yoga* in *Shri Bhagavad-gita As It Is*, by Swami Prabhupada about the practical duties and take the right decision at the right time. And *Bhakti yoga* helps us to reach our final goal of life. Like; Arjuna was one of the best devotees of Krishna as a friend. Same Prabhupada was also a friend to us who helped in understanding the high version of *Vedas* and principles in simple language to practice Krishna Consciousness. Without Prabhupada and his blessings through the chanting, literature, and books, it was just too impossible to understand all misery of life, which is temporary. There is only one truth on the planet – Lord Krishna.

Krishna Consciousness is the only path in *Kaliyuga* and Prabhupada is the only right Spiritual master to follow and express love towards Krishna. Existence, Truth, Consciousness, Ultimate change all can happen through a Guru who is our Swami Prabhupada. we can think to leave Guru but once we are in duty of Krishna, Prabhupada will always be with us in any situation. With this trust and respect, I offer my services to Srila Prabhupada and Krsna with chanting of *Maha-mantra*:

*Hare Krishna Hare Krishna Krishna Krishna Hare Hare Hare Rama Hare Rama Rama Rama Hare Hare*

Your Servant,

Bhaktin Meenakshi Kaushik.

There are lots of things to learn and we are more enjoying our lives. Many Many thanks.

The Dearest spiritual master, I have only one request to you that please give me some more favor so that my whole family serve you and the holy name of Lord Krishna and some little favor for our reading habits also.

My dear spiritual master, I am always thankful for giving me a chance to associate with the holy name of Lord Krishna and serve the lotus feet.

Dear Srila Prabhupada,  
Our Gurudev Srila Prabhupada was a great charismatic spiritual leader who founded ISKCON and brought light and wisdom in the lives of millions of people around the world. It is my heart's desire to write about his glorious work.  
I came to know about his noble thoughts and spiritual principles after joining ISKCON and they have guided me through the ups & downs of life. Reading his books and listening to his lectures has helped me to move higher in "Krishna Consciousness". I feel that he is always there to support me and show me the right path to achieve my goals. When I lack clarity of thoughts, I pray to him and ask for his spiritual guidance and I receive higher inner strength and concentration to complete that difficult task.  
He enlightened the world with principles of Gaudiya Vaishnavism (Vaishnavite Hinduism) and influenced many western spiritual leaders. He was a great believer of the Shrimad Bhagavad Gita and the evolution of spirit (Atma) rather than that of the physical body. By his books, I could understand the real and deep meaning of the teaching of Bhagavad Gita.  
I see him as an enlightened soul and a true guide who has helped me in my tough times and guides me to be the best vision of myself.  
Your servant,

Dear Srila Prabhupada,

All glories to Srila Prabhupada. Please accept my humble obeisances,

All the praising words and glorifying lines fall short when it comes to glorifying you, your causeless mercy, and your sacrifices for this world. Only a pure devotee can be so compassionate for all the fallen souls, who saw people's actual sufferings and gave permanent solution to come out. What you have done can never be repaid, but by chanting the Holy Name of Lord only. My prayers to you- a *Vaishnava* song which is translated in English as follows- O venerable *Vaisnava*, a devotee of Krsna! O ocean of mercy, be merciful unto your servant. Give me the shade of your lotus feet and purify me. I hold on to your lotus feet. Krsna is yours. You have the power to give him to me. I am simply your servant running behind you shouting, "Krsna! Krsna!"

परम वंदनीय श्रील प्रभुपाद जी,

आदरणीय विश्व शिरोमणि प्रभुपाद जी, व्यास पूजा के इस पावन अवसर पर आपके चरण कमलों को मैं नमन करती हूँ। आपने कृष्ण भक्ति का जो अनमोल और सरल उपाय इस विश्व को बताया है, उसके लिए मैं और यह संपूर्ण विश्व आपका कृत्रिम रहेगा। आपने बताया कि श्री कृष्ण भक्ति का अत्यंत सरल उपाय है - उसके महामंत्र *हरे कृष्ण हरे कृष्ण कृष्ण कृष्ण हरे हरे हरे राम हरे राम राम राम हरे हरे* का जप करना, जो कोई भी मुझ जैसे ही अज्ञानी भी कर सकती है। आपने यह भी बताया कि भगवान और भगवान का नाम दोनों समान है, और दोनों में कोई अंतर नहीं है। आप की असीम अनुकंपा के कारण ही मुझे कृष्ण भक्ति का प्रसाद मिला है आपसे एक ही प्रार्थना है कि आप अपनी कृपा दृष्टि मुझ पर और मेरे परिवार पर बनाए रखें ताकि हम सभी इस मायाजाल से निकल पाएं और कृष्ण के भक्ति में अपना मन लगाए रखें, आपका कोटि-कोटि धन्यवाद।

There are pains and sorrows and fights I know.

The journey of life roves in a quest,

Unheard, Unanswered is a soul at the crest.

Seeking the essence of life as it wanders,

The soul discerns an adept as its spiritual master.

He is a servant of God, a staunch Yogi,

An astounding leader, an ardent devotee.

He gave the soul Divine inception,

Rendering the path towards Supreme's perception.

Reviving the consciousness polluted since time immemorial,

Transforming beings from material to transcendental.

Subliming the heart through reverberation of chanting,

He uplifted the soul at the service of KRISHNA so enchanting.

His glories will be crooned till time eternal,

He continues to serve the lotus feet of the Lord supernal.

Dear Srila Prabhupada,

I offer my humble obeisance to His Divine Grace Abhaya Charnaravindra Bhaktivedanta Swami Prabhupada, the Founder Acarya of ISKCON,

I cannot talk about Srila Prabhupada but I will take this opportunity to express my thoughts and feelings. From childhood, I was always thought to fear God but through Prabhupad's books, I have learned to love God. The first time I met a devotee

was during Damodar month when my mother had organized Damodar *aarti* at home. *Damodar Astakam* was very ecstatic, I was very attracted by the Hare Krishna *Maha-mantra* and I even started chanting during the same month. My mother who is also a devotee, at the age of 56 she is learning to read and write for the love of Krishna. Her desire in life is to read *Bhagavad-gita* on her own. This is the kind of mercy received from Srila Prabhupada. He had given a purpose for our aimless life. He has saved us from wasting this human form of life. He is always present with us in the form of his books, lectures, and quotes.

Thank you, Prabhupada for influencing our lives and touching our souls. All glories to Srila Prabhupada. All glories to Guru and Gauranga.

Your Humble Servant,

Bhaktin Rekha Gehlot.

Dear Srila Prabhupadaji,

I cannot express enough gratitude for your presence in this world. You created a most unique organization, in a place filled with obstacles. You displayed your love and faith in Lord Krishna to succeed.

Your precious energy and time were given to write life-changing books, filled with the deepest knowledge, love, and devotion, creating a calm, peaceful, soothing, empowering atmosphere within, drawing me into a deeper understanding of Krishna Consciousness.

You have awakened me, opened my eyes. I will be forever indebted to you for teaching me how to live on earth, how to direct the consciousness towards Lord Krishna, and how to work towards life's purpose.

You are the dispeller of confusion, ignorance, and doubt regarding the true meaning of life. You have clearly laid down the path to follow.

May you forever guide and educate me in the same manner. May you be there for me when I falter.

May your blessings keep me on track.

My heartfelt gratitude to you dear Prabhupadaji.

Thank you

Most Revered Srila Prabhupada,

On the occasion of Vyasa Puja 2020, we pay our respect and reverence to you. We are ever indebted to you for enlightening us and guiding us towards Krishna consciousness. Though very minuscule and nonexistent in the service of the God Krishna yet we have taken the first step to tread this path with your blessings.

Without a spiritual master like you, this journey could not have begun. Your monumental efforts in writing the Bhagavad Gita and enabling us to understand the verses so easily to millions of devotees are admirable. The interpretation and meaning of life have completely changed after listening to the discourses of the devotees of this organization, imbibed

and cherished by teachings of Srila Prabhupadaji. The self-created stresses and strains of life vanish instantaneously when we read and understand your teachings. We pay our humble respect and gratitude at your feet and beg you to bestow your blessings on us so that we can indulge in the bhakti and service of Supreme God Krishna.

" *Asato Ma Sadgamaya, Tamaso ma jyotir gamaya*".

Dear Srila Prabhupada,

I offer my obeisance to His Divine Grace Abhaya Charanaravinda Bhaktivedanta Swami Prabhupada, the Founder Acarya of ISKCON.

Our spiritual master is always there with us through his book and lectures. Even though he is not present physically, he helps his disciples to get advanced in Krishna Consciousness. Any prayer made to him during difficult situations is never ignored. Although, I may never know, how to please and get the mercy of Sri Sri Radha Madhava completely, still his books are a great source of making advancement in this path of Bhakti. Not only we can learn from his books but also the life he lived and the struggle he underwent for spreading Krishna Consciousness. It was with your determination only, that the Holy Name of Krishna is equally spread in western countries. Many people have obtained the mercy of Krishna because of you. I too beg your mercy to make advancement in this Krishna Conscious path.

Although, still miles to go to reach Krishna, I have started reading Shrimad Bhagavad Gita and started understanding a little. May your books and teachings keep enlightening us till eternity and I keep making progress in Krishna Conscious path the way you showed us.

Your humble servant, Bhaktin Sangeeta.

Oh, my eternal Gurudeva,

*Jaya Shri Krishna Chaitanaya Prabhu Nityanada*

*Shri Advaita Gadadhara Srivasadi Gaura Bhakta Vrinda,*

This is my first letter to Srila Prabhupada, If I have done any mistake then please forgive me Srila Prabhupada. The first time in my life I got to know about Srila Prabhupada from my brother. He showed me some video's where Srila Prabhupada is giving a lecture to his foreigner disciples, who are listening to his lecture very seriously. They were wearing Indian traditional cloths which were really surprising for me. That lecture was heart touching for me. Seriously Srila Prabhupada has changed my life completely, whatever desires I had in my mind, no doubt now also it is there but there is a lot of difference between the previous ones and the present ones. My desire change from material to spiritual. The first Iskcon temple I visited was Iskcon Mayapur, it felt that here I am feeling so much divinity how it will feel in *Bhagavad Dham*.

Initially when I used to visit the temple obviously pay obeisance but used to think it is just a beautiful Deity. But now when I have *darshana* I feel someone very close to my life who is very attached to me. Sometimes while telling my feeling to the lord automatically tears start coming from my eyes. Srila Prabhupada choose my brother as full-time devotee and now I have got so many *bramhachari* brothers who keep guiding me from time to time.

Thank you Prabhupada for all of these that he saved my life, otherwise, I would have lost somewhere in *Maya*.

Your Servant, Bhaktin Shanu Singh.

Dear Srila Prabhupada,

I offer my obeisances to His Divine Grace Abhaya Charanaravinda Bhaktivedanta Swami Prabhupada, the Founder-Acharya of ISKCON.

You may not be physically present, but with the help of your lectures and books, you are always with us. You are the inspiration for thousands of devotees to follow Krishna's Path. You teach us to attain "MOKSHA" in this life only through the chanting of "Hare Krishna Mahamantra" & "Group Chanting". Prabhupadaji you are always merciful. You help your disciples to achieve advancement in Krishna Consciousness. By your mercy, I started going to the Iskcon temple kirtan, every Monday, in my colony a few months back, and later joined the online classes of Bhagavad Gita due to Corona, which was a blessing for me. Now, I can understand the teachings of Bhagavad Gita and Srimad Bhagavatam. I have started reading it for the first time. Now, I feel I have wasted so many years of my life. Your books helped me a lot to understand the spiritual path in a better way. Earlier, I used to feel so restless but after chanting, I feel so relaxed and calm. This spiritual path is a must for every soul in this 'KALIYUGA'. Prabhupadaji, you are our Master, Guru and your teachings show us the perfect path and aim of life.

Your humble servant,

प्रिय श्रीला प्रभुपाद

भगवान श्री चैतन्य महाप्रभु ने कलयुग की प्रतीत होती हुई मानव संखला के उद्धार के लिए हरे कृष्णा महामंत्र "हरे कृष्णा हरे कृष्णा कृष्णा कृष्णा हरे हरे हरे राम हरे राम राम राम हरे हरे" प्रदान किया। यहां महामंत्र मन की दुष्ट कृतियों को साफ करने की क्षमता है। इसके शब्द से हम धीरे-धीरे कृष्ण धाम भावना मृत को अंदर जागृत करने लगते हैं। गुरु प्रसाद से ही सर्व पुराणों का नारा और भगवान नाम में मनलीन हो होने लगता है। श्री गुरु श्री प्रभुपाद ने इस महामंत्र को अपने गुरुदेव के आदेश का पालन करने के लिए सितंबर 1965 में अमेरिका में इसका प्रचार प्रसार व भगवत गीता के सार को भी विस्तार से फैलाया इस मार्ग पर चलने के लिए उन्हें अनेकों अनेक बाधाओं व कधी कठिनाइयों का सामना करना पड़ा किंतु कठिनाइयों से भरे इस मार्ग पर चलते हुए जुलाई 1967 में उन्होंने अंतरराष्ट्रीय कृष्णा भावना मृत संघ की स्थापना की। वास्तव में गुरु सुख के सागर हैं प्रेम का भंडार है। गुरु शौर्य के पहाड़ है जो किसी भी अवस्था में डगमग अता नहीं है जैसा कि श्रील प्रभुपाद जी ने भी मार्ग में आने वाले हर संकट का सामना करते हुए उन्हें पीछे छोड़ दिया। ऐसे गुरु का सम्मान श्रीहरि का सम्मान है

इसी के साथ मैं अपनी लेख लेखनी को विश्राम देती हू।

"स्मरण करते हुए" करोड़ों तीर्थ करने से भी ब्रह्म ज्ञानी गुरु का सत्संग सानिध्य ज्यादा श्रेष्ठ है। सत्संग की पावन जलधारा निश्चित मन का त्रास हरेगी, निर उत्साहित मन में यह उत्साह कि सुभाष भरेगी दुनिया के कच्चे रंग है यह भक्ति रंग भरने में सक्षम

Jai Srila Prabhupada.....

The wonderful association with Krishna Consciousness started almost 6 years ago with Bhagavad Gita's discussion on daily basis in our society. It gave the opportunity to understand the Supreme Lord as He is. I cannot claim that I understood everything but whatever little I could understand was simply because of Prabhupada books, lectures, discussions with devotees, etc. and a lot to go ahead. All glories to Srila Prabhupada. His books explained in simple language take us much closer to God. Guru's simple explanations give the confidence to understand that spirituality is not something which is to get afraid of but it is the most valuable, simple way to go back to Godhead. Prabhupada's KRISHNA book is the best ever book which can be read on Lord Krishna. When we read each pastime we feel that it is happening in front of us LIVE. I

humbly offer my obeisances at the lotus feet of Guru and pray for his mercy to guide me to progress further in the adorable, blessed journey towards Lord.

All glories to Gauranga .... All glories to Tulsi Maharani..... All glories to SRILA PRABHUPADA.....

Your servant,

आदरणीय प्रभुपाद जी

पूजनीय प्रभुपाद जी के चरणों में शत-शत नमन आपकी कृपा से इस भवर रूपी जीवन में शांति की प्राप्ति हुई है। कुछ समय पूर्व वृंदावन से प्रभु जी सहगल साहब को मिले। उनके प्रवचनों से पल-पल भटकते हुए मन को कुछ किनारा मिला। वे समय-समय पर परिवार से मिलते और रास्ता दिखाते। संसार की भीड़ भाड़ की गति व उतार-चढ़ाव मानव को डगमगा देती है। क्रोध लोभ मोह में बंधा हुआ व्यक्ति दिन-रात किसी ना किसी दुविधा में उलझा रहता है और जीवन की मुश्किलों से निकलता है। ऐसे में हमें आपके शिष्यों का मार्गदर्शन मिला। गीता जिसमें जीवन का सार और जीवन जीने की कला है। गीता के हर सुख में शिक्षा है, गहराई है, जिसमें गुरु के बिना समझना कठिन था। परंतु आपके शिष्यों और हमारे गुरु जी द्वारा यह संभव हो पाया। हर मनुष्य को जीवन जीने के लिए एक गुरु की आवश्यकता होती है, और इस भवर रूपी जीवन में हमारी नाव को लहर दिखाने वाले आप हैं, मैं हृदय की गहराइयों से आपको धन्यवाद देती हूँ। जीवन तो सभी जीते हैं किंतु आप जैसे महामानव करोड़ों को मार्गदर्शन करते हैं और जीने की कला सिखाते हैं। एक नहीं करोड़ों जीवन की दुविधा दूर करते हैं। सहस्र शब्दों में भी आपके गुणों का वर्णन नहीं किया जा सकता। आप को मेरा शत-शत नमन। आपके मार्गदर्शन से ही मेरा जीवन सरल हुआ है।

Dear Srila Prabhupada,

My name is Vandana Ohri. My family is Krishna conscious as told to me from my grandparents that my great grandfather & Great grandmother were Krishna devotees. My grandfather & grandmother were also Krishna's devotees. My mother was also Krishna devotee and she used to regularly cook prasadam for Krishna and we all brothers and sisters relished eating the Krishna Prasadam every day from childhood days. I use to eat prasadam from my childhood until I got married.

My husband & his sister also were Krishna devotees & his sister's family use to eat cook and Krishna prasadam every day. Now my husband's sister's kids are following Krishna Consciousness, cooking and honoring Krishna Prasadam every day. I have been reading Bhagavad Gita every day since my marriage ( 52 years on 28 September 2020 ) Now I have also started honoring Krishna prasadam of fruits with my son Pankaj every day.

I am attending and liking all Zoom Bhagavad Gita session classes and also doing chanting of Hare Krishna since October 2019. My younger sister is also attending and liking zoom Gita sessions. I am really liking zoom Gita sessions from Prabhujis and we do one Mala of Hare Krishna every day. I have started fasting on Ekadashi since March 2020. My daughter in law and her parents are also Krishna devotees.

Thank you Srila Prabhupada, for your blessings on me and my entire family.

Your servant,  
Bhaktin Vandana Ohri.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to you on the auspicious day of your Vyasa puja. I am very grateful to you for giving me the precious gift of Krishna Consciousness. Prabhupada you are always there to rescue in every situation of life through your books, lectures, your teachings through your devotees. You have helped in easing the pains of material miseries. No words can be enough to Thank You Prabhupada for everything you have done and are doing for me. But I am so unfortunate that I am not able to follow your teachings properly. Prabhupada please I beg to your mercy to come out of the ignorance. Please give me the wisdom to raise my kids in Krishna Consciousness please bless them to serve you. Please forgive my offenses and make me qualified to take shelter at your lotus feet and serve you in every possible way.

Your humble servant,

Respected Srila Prabhupadaji,

Please accept my respectful and sincere regards

I am really glad to glorify you because it gives me spiritual and religious satisfaction in Krishna's consciousness. It gives me inspiration for doing more and more bhakti. Everybody says that you live only in books. Then please tell me, who was that person who protected me in Tirupati Balaji? Who was that who came and saved me in Jagannath Puri in Rath Yatra when I fell while I was pulling the string? Puri is one place where no one can get up if fallen in the crowd of thousands of devotees. Who was the one in Dwarkadhish temple telling me to come and can see me here....here....and here. So how can I believe that you are only in books? So, Sri Krishna and you protected me more times than I can count. So, I can only imagine the times I have been rescued that I don't even know about. Thank you for always being there, even when I don't know it.

Thank you for choosing me even though I am not capable of this mercy

Your insignificant servant,

Bhaktin Veena Gajral.

Hare Krishna Srila Prabhupada,

I was eagerly waiting for my 11th Vyasa Puja offering. After such long years, I am sincerely able to chant 16 rounds every day from the last few months. So please help me to continue this spiritual endeavor. In the Bhagavad Gita, Krishna has told how, where, and when a problem occurs. But by your purports, I am able to understand how to find solutions to these problems and increase my bhakti towards Krishna. You helped me understand that the mind is a very powerful tool that can either be our friend or our foe depending on how we use it. By your grace, I have learned that one should leave selfishness, anger, attachment, and should go and surrender unto the supreme personality of godhead, Krishna. Please help me in sincerely chanting and hearing it attentively so as to invoke the mercy of Namaprabhu on this fallen soul.

Your sincere devotee,

Bhaktin Vidya.

Dear Srila Prabhupāda,

Please accept my humble obeisances. All glories unto you.

This auspicious day of your divine appearance is a great opportunity for me to recognise your causeless mercy and continuous rain of your blessings upon me. This has caused me to be always strong and steady while rendering my devotional services, even in midst of all kinds of challenges brought by my own *anarthas* and my sinful deeds. Don't know where I would have been if your lotus eyes would not have glanced upon me, where I would go in my next life. You have shown me the harsh reality of this world, which (now I find) is full of faults, quarrel and hypocrisy and a place of miseries (*duḥkhālayam aśāsvatām*) and also the transcendental way to come out of it i.e. by chanting *Hare Krishna Hare Krishna Krishna Krishna Hare Hare Hare Rama Rama Rama Rama Hare Hare Hare*.

Thank you Srila Prabhupāda for taking charge to take me back to Godhead.

My dear spiritual master, you have brought me this long, I beg you that, please bless me so that I can stay put in this process and thus bring fulfillment to your efforts. Please bless me so that I can follow all the principles of *Sadhana bhakti* with the right feelings. Please bless me so that I can hear your messages with utmost respect and rapt attention. I would implement them in every moment of life and preach them as it is to people.

Thank you for inspiring me to be a part of your transcendental mission.

Krishna says in the Bhagavad Gita – *kaunteya pratijānīhi, na me bhaktaḥ praṇaśyati*

*“O son of Kuntī, declare it boldly that My devotee never perishes.”*

*suhṛdaṁ sarva-bhūtānāṁ, jñātvā mām śāntim ṛcchati*

*“A person knowing Me to be the Supreme benefactor and well-wisher, of all living entities, attains peace from the pangs of material miseries.”*

And finally, *ahaṁ tvām sarva-pāpebhyo, mokṣayiṣyāmi mā śucaḥ*

*“I shall deliver you from all sinful reactions. Do not fear.”*

Thank you Srila Prabhupāda, for giving me the ultimate shelter, ultimate protection of the Supreme Lord Sri Krishna. This has made me fearless from the material conditions of life. In the kingdom of Maya which is mud of miseries you have grown a divine lotus flower of eternal bliss and happiness i.e. ISKCON Temple, and pulled many of us with the rope of transcendental knowledge in that lotus. Thank you for building this transcendental home where we can peacefully practice Krishna Consciousness. My dear lord, you are a person, whose guidance and instructions we can even close our eyes and follow. Thank you for accepting me as your disciple.

Your aspiring Servant, Achintya Gauranga Dasa.

Dear Srila Prabhupada,

Please accept my humble obiesances at your Lotus Feet.

All Glories to your Divine Grace on this auspicious occassion of Vyasa Puja.

I am a conditioned soul deep down in the water of material existence, seeking for material sense enjoyment in a place which gives false hope for happiness. Everybody in this material world is being swept away by three currents of material waves except those who are above these waves or who are firmly situated on the boat of instructions made by spiritual master. Srila Prabhupada please bless me so that i can realize the temporary nature of this material enjoyment.

Srila Prabhupada you appeared on this planet to save the eternally conditioned souls from the struggle for existence in this ocean of nescienc. This material world is considered as a blazing forest fire. How you saved us and what is the real meaning of the saviour? Is it giving relief from some disease or from hunger or from some discomforts or it is some philanthropy work, altruism, nationalism, humanitarianism, etc... All of these will be finished along with the end of life of this body. But genuine meaning of the word saviour you explained in one of the conversation - Prabhupāda: *“Saviour means who saves you from this material existence. He is called saviour. Because the living entity, being entangled in this material existence, he is suffering. So saviour means one who saves from this material entanglement, and gets him back to God, back to Godhead.”* (RC-5th June, 1974).

The scriptural injunction is that one should humbly approach a spiritual master to understand the transcendental science. Also Narottama Dāsa Thākura advises everyone to stick to the principle of carrying out the orders of the spiritual master. One should not desire anything else. If the regulative principles ordered by the spiritual master are followed rigidly, the mind will gradually be trained to desire nothing but the service of Krishna. Such training is the perfection of life. You kindly provided us this training. So I offer all my respects unto Your lotus feet.

In the end i just want to pray to your lotus feet that please allow me to be situated in your glorious movement for rest of my life.

Your humble servant,

Achintya Govind Dasa.

My Beloved Spiritual Master Srila Prabhupada,

Please accept my humble obeisances, All glories unto you.

Srila Prabhupada, this year 2020 has been eventful in terms of youth preaching. The year began with introduction of a new food distribution program GRATEFULL, through which we were able to reach out Krishna prasadam to many youth and that definitely helped in planting seeds of Krishna consciousness in them. Weekend programs were abuzz with many enthusiastic youths participating in Krishna conscious discussions, chanting, singing and dancing on kirtans. Monthly events have been livelier than ever and have helped in presenting the joyous nature of this movement to the promising youth. Inspite of some tough challenges presented by COVID19, the youth preaching activities have only seen an upward trend. I remember very vividly, in one of his lectures Madhupandit prabhu said, that all this technological advancement is bringing the world closer and towards the fulfilment of the prophecy of Lord Chaitanya, “My name will be chanted in every town and village”. Madhupandit prabhu had mentioned that the technology will help even a small Krishna conscious activity in any corner of the world, to be instantly broadcasted all over the world. I could see that coming true with all the online sessions happening all over the world and it seems that endless opportunities have opened up for Krishna consciousness preaching, even in midst of the COVID19, which brought the entire world to a grinding halt. Introduction

of the FOLK app has definitely revolutionised the entire preaching activity. In midst of all the digital disturbance, FOLK app has been the lifebuoy for the youths. All the youth all over India are able to get the association of your senior disciples right at their home. This is going to help them advance faster in their Krishna conscious journey.

During these times, we had to consolidate some of the activities and some preaching centres had to be closed, but all the FOLK guides have practically displayed, how even in adversity a sincere devotee can continue his services at the Lotus feet of the Lord. The determination, zeal & perseverance demonstrated by the FOLK guides is a great inspiration for me. Their wilful and open minded obedience to the guidance from authorities has given me new goals for advancement. The way they are all putting their great endeavour, stretching themselves to limits for spreading Krishna consciousness has raised the bar quiet high for me to perform my services. Your mercy, your reciprocation to their efforts has been a great encouragement for the entire team and that keeps the team going. I pray to you Srila Prabhupada, to keep showering your mercy on all of us and keep correcting our course by your expert guidance.

This year Srila Prabhupada has been a year of great learning for me. I have realized, that my purification is your sole purpose, in bringing forth certain situations, circumstances, and services for me. Rather than complaining or whining, I am practicing to contemplate the lesson you want to teach me, by putting me into particular circumstances.

The transcendental mood of preaching, the mood which you inherit from Lord Krishna, from all the acharyas in the parampara, from Lord Chaitanya & Lord Nityananda, from Srila Rupa & Sanatana goswamis and from Bhaktisiddhanta Saraswati Prabhupada, is grand and most magnanimous. Although I am struggling to assimilate this mood, in the association with all your senior disciples, who are well situated in that mood, I am able to grasp some bits and pieces of it. I beg you Srila Prabhupada to mercifully instill the very same mood in me so that I will at least not cause any problems to this mission, nothing to talk about doing any valuable service to it.

With all my limitations and my wilful defaults on my promises to you, I humbly resubmit at your Lotus feet, hoping to receive your unlimited mercy, without which there is no hope for me to even take one step in Krishna consciousness. I am fully aware of your supremely merciful disposition and hence I am assured of your support, guidance, and handholding at every moment, but I pray at your lotus feet, to bestow sufficient intelligence to me, to not take any undue advantage of this merciful nature of yours and to not commit any offenses at your lotus feet or towards any other Vaishnavas.

I would like to end my offering with a small poem, which is an attempt to describe this mercy personified feature of yours;

Upon Lord Krishna's order, you descended to world  
albeit a great devotee, unpretentiously you strolled  
your devotee father gave you the flair of devotion  
Srila Prabhupada, you are the mercy personification (1)

First instruction of your spiritual guide  
distribute Lord Chaitanyas teachings far & wide  
colossal efforts brought this dream to fruition  
Srila Prabhupada, you are the mercy personification (2)

Bhagavad Gita, Bhagavatam & Back to godhead  
Among your Godbrothers you were "literally" ahead  
to Vedic literatures you gave authentic English translation  
Srila Prabhupada, you are the mercy personification (3)

You left from Vrindavan dham at the age of seventy  
To distribute to whole world, the holy name bounty  
Seeing this courage, we too get motivation  
Srila Prabhupada, you are the mercy personification. (4)

Sticking to the essence, you never compromised  
You touched the hippies and they krishnized  
Gifted them Krishna, Holy name and true devotion  
Srila Prabhupada, you are the mercy personification (5)

108 temples in 11 years was extraordinary activity  
Gaura Nitai, Jagannath & Radha Krishna divinity  
To peacefully practice bhakti, you made all the provision  
Srila Prabhupada you are mercy personification (6)

Some ask what is Prabhupadas miracle  
O ignorant souls, I am the living example  
His association caused a complete transformation  
Srila Prabhupada, you are mercy personification. 7)  
Aspiring to be your sincere disciple,  
Akrura Krishna Dasa.

I beg to give me, to wash your gentle feet

Bless me, bless me, bless me. Bless me with your Lotus feet.

I am dumb, I am a top-class fool, Only you can weave me, like silken wool.

I desire to be, a small particle of your tender feet

Bless me, bless me, bless me. Bless me with your Lotus feet.

Your heart is an ocean, full of compassion

For you have taught me the right spiritual lesson.

There's no one in this world who can take the most elevated seat,

Bless me, bless me, bless me. Bless me with your Lotus feet.

You are the force that makes me chant, and you are the force that makes me dance.

I enjoy being a puppet at your holy feet,

Bless me, bless me, bless me. Bless me with your Lotus feet.

You took the pain, for our spiritual gain and still you say it's all your master's fame.

You have the credentials, that no one can beat,

Bless me, bless me, bless me. Bless me with your Lotus feet.

Hold me high, Hold me tight, for I don't get lost in the midst of the fight. Show me the direction to come out neat,

Bless me, bless me, bless me. Bless me with your Lotus feet.

BLESS ME, BLESS ME, BLESS ME. BLESS ME WITH YOUR LOTUS FEET.

All glories to Srila Prabhupada. Jai Prabhupada.

Your Most Insignificant Servant, Ashraya Tattva Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet. I am eternally indebted to Your Divine Grace to accept me as your disciple though I am totally unworthy and undeserving of it. The glories of Your Divine Grace are infinite like the ocean and can't be described in words appropriately with the help of my limited and conditioned intelligence.

The more I hear your divine pastimes, the more I feel connected with you. The austerities undertaken by Your Divine Grace to start and push on this movement are a constant source of inspiration for every sincere practitioner. There is no comparison to the lifestyle given by Your Divine Grace that too in this fallen age of Kali. Anyone from whatsoever background takes to the process of Krishna consciousness under the guidance of your institution can derive the complete benefit whether living at home or in the temple. In recent years, my faith in this process has increased by your causeless mercy and I am very thankful to you for it.

Many times I feel very painful when I see any deviation from your teachings either personally by myself or institutionally and it becomes even more painful when such things are justified philosophically. I am a rank and file member of your institution, so can't take any significant action to correct the things, but sincerely pray to Your Divine Grace to bring the things always on the right path as witnessed in the past also.

This institution is wholly and solely Yours, so everything should be performed according to your orders and instructions without any addition or adulteration. This is my only desire. At last, I wish to remain instrumental in your hands till the last breath of my life by following your orders very ardently though I am far away from this lofty aim at the moment.

Aspiring to become your sincere servant, Brajendra Nandana Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet. Dear Gurudev, being outside the temple it is extremely difficult to practice Krishna Consciousness. I have been trying and failing incessantly in my endeavour in following your instructions. I have been the worst of your disciples but as always, you have been there with me all the time. At times I feel bewildered and in every such situation, I have always witnessed your merciful guidance. Dear Prabhupada kindly bless me with the strength to follow your instructions and Krishna Consciousness.

Dear Srila Prabhupada,

All Glories unto you. Please accept my humble obeisance unto your divine lotus feet.

It is told in Bhagavata Gita (7.19)

*bahunam janmanam ante jnanavan mam prapadyate*

*vasudevah sarvam iti sa mahatma su-durlabhah*

After searching for many many lifetimes about the absolute truth, one comes to the understanding that Krishna is the Supreme Personality of Godhead, but O Gurudeva! just by your divine touch you make a fallen soul realize that within no time. On this auspicious day of your divine appearance, I want to thank from bottom of my heart, although such thanksgiving is simply like a drop in front of your ocean of mercy which you bestow upon your disciple.

Even after so many irregularities and faults in me, you have accepted me and continuously tried to engage me somehow in yours and Krishna's service, even after my stubbornness to always looking for sense gratification, for that, I am eternally indebted to you.

O Gurudeva! please don't reject me at any point because if you reject me who will accept me? where will I go? my life will be useless. I am your eternal servant.

O GuruDeva

It's unending unnecessary labour in Maya's race one gets liberated by your divine grace

Fallen that are struggling in this complex Maya's maze get a chance to engage in bhakti simply by your gaze.

The highest perfection which one can get, you bestow to a soul completely in a state of neglect.

Finally can see Krishna face to face it all takes place by your divine grace.

By satisfying you Krishna is pleased and by dissatisfying you there is no chance to satisfy Krishna which is the only aim of every soul.

I humbly request unto you again and again, please engage me in your service, the mission to spread lord Chaitanya's word, because then only my life would be meaningful.

Begging to be Your eternal servant,

Dharadhara Dasa.

Dearest Srila Prabhupada,

Please accept my humble obeisance unto the dust of your lotus feet and all glories to Your Divine Grace.

Thank you Srila Prabhupada for allowing me to serve you one more year & allowing me to glorify you on this most auspicious occasion of Vyasa-Puja.

One gets the same result by glorifying the spiritual master as he gets by glorifying the Supreme Lord Himself. This is confirmed in Vedic Scriptures. Just like the Sun is equally disposed & does not discriminate between a reservoir of water or a filthy place, Similarly, Srila Prabhupada you also exhibited the same quality by seeing everyone as a soul with the Super soul & respecting every living entity in each body.

Brahmananda Swami: "Preaching in Africa seems to be a waste of time," said Prabhupada's disciple, Gargamuni. Gargamuni wanted to convince Prabhupada that his brother, Brahmananda Swami, should come and join them in India. "Prabhupada, what is Brahmananda doing there? He could be here in India. I don't really think the people there can become Krishna

conscious because they're so backward." "You are thinking that the Negroes cannot become Krishna conscious," said Prabhupada, "because you are in a different body. You are in a white body. This is your body prejudice. You are thinking like that. But from my point of view, I am seeing you as a white Negro."

Prabhupada I got an opportunity to serve you at a place where you lay the foundation of Krishna Consciousness Movement, but I am so useless & feel guilty that I couldn't spread your msg to anyone. Still Ignoring all my shortcomings, you mercifully protected me & allowed serving you again.

Although there is no end to my faults. It seems to be like an endless ocean, but I have absolute confidence in your mercy. With full faith, I come before you today & beg for a drop of your very special mercy & protect me from falling in the lap of the witch called Maya.

Your unworthy aspiring servant, Hiranmaya Chaitanya Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to your lotus feet. On this most sacred occasion of your divine appearance day in this world, I fall in the dust of your lotus feet and beg for the ability to properly glorify your divine and magnanimous character.

*yan-nathyamano natanatha-natho su-mangalam pascima-jangaleshu  
gaurangacandras caranam dadhati namami tam sri-prabhupadadevam*

I offer my respectful obeisances to His Divine Grace A. C. Bhaktivedanta Swami Prabhupada. Because of his prayers, Lord Gaurangacandra, the king of dancers, has placed His auspicious lotus feet in the jungle of the Western countries. I offer my respectful obeisances to His Divine Grace A. C. Bhaktivedanta Swami Prabhupada. By speaking the message of Lord Caitanya Mahaprabhu, he fills this lifeless and inert universe with Krishna consciousness. Thank you Srila Prabhupada for allowing me to complete yet another year of Practicing Krishna Consciousness in the association of your Dear Devotees. Your Causeless Mercy brought me back to the House You built, in which the whole world can live. The Coronavirus Pandemic has brought the routine life of many to a standstill but for preaching your message, it was a blessing in disguise. We are able to touch more souls and preach them Krishna Consciousness. You gave the most precious Soulful japa to intensely repair my inattentive and offensive Japa. You also gave us the new FOLK App to attract the attention of Young Students. I implore your Divine grace to bestow upon me necessary spiritual Strength to keep at bay my unlimited anarthas and to Please your dear Disciples. I humbly entreat your divine grace to enable me to serve your mission in a way that pleases you the most. If you so Desire, please always allow me to remember your instructions and to follow the four regulative principles to the best of my limited abilities. I continue to stumble and succumb to the illusory energy but by your grace I have never lost faith and hope and every day of my life I am feeling so much gratitude and appreciation for being delivered by you into the light of Krishna consciousness.

In the Hari-bhakti-sudhodaya (13.2) there is the following verse:

*aksnoh phalam tvadrsa-darsanam hi tanoh phalam tvadrsa-gatra-sangah  
jihva-phalam tvadrsa-kirtanam hi sudurlabha bhagavata hi loke*

“O devotee of the Lord, the purpose of the visual sense is fulfilled simply by seeing you, and to touch your body is the fulfillment of bodily touch. The tongue is meant for fulfilled by glorifying your qualities because in this world a pure devotee of the Lord is difficult to find.”

The App Srila Prabhupada Lila is Treasure-house of Nectar like Pastimes of your divine Grace. By Churning them, I found out something that mesmerized me and that is your Heroic Quality- Complete Fearlessness! Who else but Your Divine Grace can go to the shores of hell to preach the Holy Names? Who else but You went to the apathetic ghettos, where others

are weary to set the foot? And Who else but Your Divine Grace walked into the Avalon Ballroom and commanded the respect of the Hell's Angels? And Who else approached governments single-handedly and requested them to serve Lord Krishna? And Who else sat peacefully under a tree in the slums of New York, and Who also preaches in the snow, speaks to confused youth, and Who else rides on heroically in the transcendental chariot of the Holy Name, and Who but You sat calmly on stage at Calcutta's Chowringhee "Bhagwat Dharma Discourses," as angry communists came in numbers and yelled and pushed? And You sat, even though some demon wrote a note "fly or die" telling your disciples to stop your program there. But You sang "Govindam adi Purusham Tamaham bajami", and everyone was quiet. You are so brave and bold and true. Never was there anyone more heroic, certainly not King Arthur, nor Alexander, nor Caesar, not even Karna. Tributes unto you on this most auspicious day, A Vyasa Puja homage is just a small way For devotees, your children, in this forsaken place To say "Thank you. All glories to Your Divine Grace."

O Srila Prabhupada, our constant well-wisher, we thank you for your matchless gifts and pray that our meager efforts to repay your infinite kindness may give you some pleasure and thus attract your loving smile, which is our lives' greatest solace. The secret of success in spiritual advancement is the satisfaction of the self-realized spiritual master. Without your satisfaction, nobody can ultimately make any progress. After hearing of your glories, whoever fails to offer you proper honor, loses whatever spiritual potency he may have. On the other hand, those who consider your spiritual greatness and accordingly offer respect will certainly advance in Krishna Consciousness. I pray to Lord Chaitanya that I will never ever leave the shelter of your Lotus Feet to come what may. It is customary for the disciple to express his appreciation for his guru on Vyasa-Puja day and my only wish is for you to accept this poor fallen beggar's offering at your lotus feet on this auspicious day celebrating your appearance in this world. By Your Mercy, I have just begun Preaching Services. I humbly beg your divine grace to please empower me to attract and bring more souls to your lotus feet. If You so desire, please make a good preacher of your Gospel and engage me in a way that pleases you the most.

By Your mercy, I am also able to raise funds from various sections of people. If You So desire, please allow me to raise more and more funds for your Mission. Your mercy alone kept me in Krishna Consciousness. By Your Mercy alone, I could somehow attend all aspects of Morning Sadhana without fail. I am sincerely hoping that this really pleases your divine grace. By Your Mercy alone, I am able to read Srimad Bhagavatam for the second time. On this Most Auspicious Day, I humbly beg you to please forgive me for all the offenses I Committed at the feet of your dear Disciples knowingly or unknowingly. I also Beg you to please allow me to chant the prescribed 16 rounds attentively for your pleasure.

Your Servant, Karnamrta Krishna Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisance at your divine lotus feet on this auspicious occasion of your 124th appearance day.

Recently I came across some verses from your books especially Bhagavad Gita and Srimad Bhagavatam after a senior devotee highlighted a very mystical process called as Tahinking of Lord. I am quoting here a few of those verses.

Lord Kapila's instructions to mother Devahuti,

*"Thus consciously engaged in devotional service in the association of devotees, a person gains distaste for sense gratification, both in this world and in the next, by constantly thinking about the activities of the Lord. This process of Krishna consciousness is the easiest process of mystic power; when one is actually situated on that path of devotional service, he is able to control the mind."*  
SB 3.25.26

*"Thus by not engaging in the service of the modes of material nature but by developing Krishna consciousness, knowledge in renunciation, and by practicing yoga, in which the mind is always fixed in devotional service unto the Supreme Personality of Godhead, one achieves My association in this very life, for I am the Supreme Personality, the Absolute Truth."* SB 3.25.27

*“Thus because he is completely absorbed in thought of Me, the devotee does not desire even the highest benediction obtainable in the upper planetary systems, including Satyaloka. He does not desire the eight material perfections obtained from mystic yoga, nor does he desire to be elevated to the kingdom of God. Yet even without desiring them, the devotee enjoys, even in this life, all the offered benedictions.” SB 3.25.37*

*“Devotees who receive such transcendental opulence are never bereft of them; neither weapons nor the change of time can destroy such opulence. Because the devotees accept Me as their friend, their relative, their son, preceptor, benefactor, and Supreme Deity, they cannot be deprived of their possessions at any time.” SB 3.25.38*

Lord Krishna in Bhagavad Gita

*“Arjuna, you should always think of Me in the form of Kṛṣṇa and at the same time carry out your prescribed duty of fighting. With your activities dedicated to Me and your mind and intelligence fixed on Me, you will attain Me without doubt.” BG 8.7*

In the words of Srila Prabhupada

*“As stated in the Bhagavad-gītā, one has to think of Kṛṣṇa always, one has to render loving service to Kṛṣṇa always, and one always has to worship and bow down before Kṛṣṇa. By this process only can one enter into the kingdom of God, without any doubt.” Krsna Book, 87*

*“A devotee should expertly manage to think always of the Supreme Lord so that the reactions of suffering cannot touch him. This is the expert management of pāpa-punya-pious and impious activities.” SB 7.10.13 Purport*

*“The Padma Purāṇa recommends: somehow or other, always think of Viṣṇu without forgetting Him under any circumstances. Actually, this is the most basic of all regulative principles.” Nectar of Devotion, 2*

It is the duty of the spiritual master to engage his disciple's talent in the service of the Lord so that constantly he can think of the Lord. The Nectar of Devotion -- Vrindavana, November 13, 1972

*“One who thinks of the Supreme Lord always is the greatest yogī, the supermost jñānī, and the greatest devotee at the same time. The Lord further tells Arjuna that as a kṣatriya he cannot give up his fighting, but if Arjuna fights remembering Kṛṣṇa, then he will be able to remember Kṛṣṇa at the time of death.” BG Introduction*

*“I am very glad to read in your letter a nice line, "My main concern is seeing Him constantly in my daily life, that is, to constantly remember Him and not to forget Him." This is actually Krishna Consciousness.” Letter to Hayagriva -- Los Angeles 15 January, 1968*

Thank you Srila Prabhupada for giving me a wonderful opportunity to always think of Krishna in the form of FOLK service which currently I am doing for the pleasure of Sri Sri Radha Vrindavana Chandra, Sri Chaitanya Mahaprabhu, and your divine lotus feet.

One more year has passed in service of your lotus feet. Recently I was able to realize that whatever preaching success I am getting, it's only because of following your instructions, by following the authorities sanctioned by you and a sincere desire and commitment to serve your divine mission. It has not much to do with my own material capabilities.

As stated in Srimad Bhagavatam 3.25.20:

*“Every learned man knows very well that attachment for the material is the greatest entanglement of the spirit soul. But that same attachment, when applied to the self-realized devotees, opens the door of liberation.”*

Despite my inability to follow your instructions because of my own anarthas, today I have some spiritual standing, its only because of your mercy Srila Prabhupada. Please continue bestowing your causeless mercy on this most fallen disciple of yours so that I can successfully execute Krishna Consciousness.

Your aspiring servant,

Pandava Sakha Dasa.

On the auspicious occasion of your 124<sup>th</sup> divine appearance on this earthly planet, I am offering this homage at your divine lotus feet.

The world is full of calamities and chaos, People's lives are filled with anxiety, frustration, pain but in the midst of all these, people of this age have one great fortune. That is your divine shelter. When Lord Narasimha dev asks for the benediction Prahald Maharaj asks for the divine shelter of his spiritual master.

*“My dear Lord, now I have complete experience concerning the worldly opulence, mystic power, longevity, and other material pleasures enjoyed by all living entities, from Lord Brahmā down to the ant. As a powerful time, you destroy them all. Therefore, because of my experience, I do not wish to possess them. My dear Lord, I request You to place me in touch with Your pure devotee and let me serve him as a sincere servant.”(7.9.23 Translation)*

O, My master how Magnanimous are you, you have given your shelter to the fallen souls of kali yuga, your temples are the only fortune in this world of misfortune.

Lord Narasimha deva appeared to deliver Prahald Maharaj, Lord Hayagriva appeared to protect Lord Brahma, Srila Prabhupada you appeared to deliver these fallen souls of Kaliyuga like me.

Further continuing Prahald Maharaj explains why serving spiritual master is the primary duty

My dear Lord, O Supreme Personality of Godhead, because of my association with material desires, one after another, I was gradually falling into a blind well full of snakes, following the general populace. But your servant Nārada Muni kindly accepted me as his disciple and instructed me how to achieve this transcendental position. Therefore, my first duty is to serve him. How could I leave his service?

Great liberated souls aspire to offer a service to your lotus feet, Srila Prabhupada such a great opportunity you have mercifully distributed to a person like me. Even though in this year 2020 entire world is burning in series of kleshas one after another, Australia forest fire, Covid-19, Border issues, Floods In the midst of all this chaos entire world is suffering but your divine mission of spreading Lord Chaitanya's divine message is uninterrupted by any of these calamities,

This itself establishes the transcendental nature of your divine mission. Moreover, in the midst of all these disturbing things to humanity, the only solace for both the listener and the speaker is your instructions or Preaching activities.

In one of the verses, Sri Prahald Maharaj explains why he has come to this material world.

*“O my worshipable Lord, because the seed of lusty desires, which is the root cause of material existence, is within the core of everyone's heart, You have sent me to this material world to exhibit the symptoms of a pure devotee”(SB 7.10.3Pur)*

So Srila Prabhupada you have descended to this world and showed, the highest degree of pure devotional service by your own example and you are guiding all of us in this path, to execute pure devotional service.

It is very important to practice attentive chanting to attain pure devotional service. In this year you have revealed through your sincere disciples, the greatest treasure which was hidden in your divine instructions, in the form of Soulful Japa. Even though I have practised very little but I am able to see a great difference in my Japa.

Srila Prabhupada, bestow me with strength and intelligence to remain steady in all the circumstances and execute your instructions to the fullest extent.

Aspiring to become your sincere disciple. Pitavarna Chaitanya Dasa.

My humble obeisance unto the lotus feet of my spiritual master, HIS DIVINE GRACE, A.C. BHAKTIVEDANTA SWAMI SRILA PRABHUPADA and My humble obeisance unto the lotus feet of all the Vaishnavas.

My Dear Srila Prabhupada,

As you are aware of the current pandemic situation where every human being is suffering. In spite of this, due to your causeless mercy I have been receiving inspiration and motivation from your disciples to continue walking on Spiritual Path. I pray to your lotus feet, kindly keep showering your blessing upon fallen soul like me.

Although I am living a life based on bodily concept. Upon this, I am wearing many external mask (like being happy, showcasing power, intelligence, bravery, etc.) and I am trying to maintain these masks to be permanent. In this way I am developing and maintaining multiple false egos.

During my schooling my father used to say, always see people who are poorer than you, we will thank god, always be with people who are intelligent than you, we will get to learn many things. Same way, Madhu pandit prabhu in one of his lectures told this statement in Krishna conscious way, “Be with devotees who are more serious in spiritual life, we will get inspiration to grow. Always be like a fresher to Spiritual life so that we stay humble”.

I never think to seek expert guidance, I always think I am the doer and enjoyer. Although I have lots of eye-opening situations around, I still look to find how to enjoy and be happy virtually. I simply want to focus on sense enjoyment. I never want to come to reality. Always want to be in virtual world and get virtual happiness.

In today's world there are lots of things, which can put us in virtual world. There are all kinds of gadgets, advanced technology, virtual games, etc., but no one thinks that these are not real happiness. Even after these kinds of mis-happening takes place people start reacting virtually, they don't even want to analyze. If one analyzes, one strong question comes to mind, are we really advancing? We really thank you and beg your mercy, so that we can be under your shelter.

Dear Srila Prabhupada, please keep showering your ecstatic prema upon us, so that our ignorance is destroyed, and please give us all strength to fulfil your dream, of building Skyscraper temple to Krishna, our Vrindavan Chandrodaya Mandir in Vrindavan.

Your insignificant, inefficient, menial servant and menial servant of your servants,

Sevanishta Dasa.

Dear Respected Srila Prabhupada,

Please accept my humble respects at your Lotus feet. Here comes another Vyasa Puja of our dear most Gurudev. Every year, I try to find words that can express my feelings from my heart that can properly glorify you O' Divine Grace. But I know, I am a very insignificant soul and not at all worthy to glorify you because your glories are infinite and beyond any words to express. You are the ocean of mercy and strength of all fallen souls. Your tireless preaching, your hard work, your books which are available in every house has inspired thousands and thousands of fallen souls like me to follow the teachings of Sri Chaitanya Mahaprabhu, to chant the Holy Name and to perform Harinaam sankirtan 24 hours.

In these difficult times, when the world is reeling under Coronavirus, there could not be a formal Jagannath Ratha yatra this year, however, due to your mercy Srila Prabhupada, Jagannath Rath Yatra was celebrated in every home gloriously and every house member participated in the festival enthusiastically. The whole world today knows Lord Jagannath because it is you who have brought the Lord in every house, in every street and in every town world over. You are our true Inspiration Srila Prabhupada.

I pray today wholeheartedly that please make me more strong spiritually, as I struggle daily to make progress. I pray that you will continue to bless me with the desire to sincerely chant the Holy names offenseless. I pray that you will bless me with more steadiness in devotional life. I know you are always my well-wisher and I am eternally your servant. I am always grateful to you for your kindness and compassion towards me.

Dear Prabhupada, I also know from the bottom of my heart that you are my only source of liberation from this miserable life. My humble prayer unto your lotus feet is that despite my so many offenses & mistakes that I commit daily, please don't leave my hand and kindly don't give up on me, as some devotees develop quickly and some develop slowly. Please shower your unlimited mercy upon this fallen soul and help me progress more and more every day.

Please allow me to be your insignificant servant life afterlife. I bow down at Your lotus feet.

Your insignificant servant.

Dear Respected Srila Prabhupada,

Jai Prabhupada. I bow down and pray to you to kindly accept my humble respects at your Lotus feet. I consider myself very fortunate that you have given shelter to a fallen soul like me at your lotus feet. A disciple can only be delivered by holding his spiritual master's feet. Dear Prabhupada, you are so kind and merciful that I have no words to express your kindness. It is because of your causeless mercy only that we got your shelter and came in touch with Krishna consciousness. By listening to your divine vaani, I could understand that what is material world and what is spiritual world and what is my relationship with Krishna. You have explained the spiritual knowledge in very simple words and guided me to realize that I am eternal servant of Krishna.

You are the spiritual master of the whole world. You are a pure devotee of the Lord. You have shown us a very easy way how to leave material world and how to reach the spiritual world and serve Krishna, just by chanting *Hare Krishna Hare Krishna, Krishna Krishna Hare Hare... Hare Rama Hare Rama Rama Rama Hare Hare* and by serving Krishna daily.

Dear Gurudev, you have spread the Holy name of Krishna in the entire world and I feel very lucky that I have come under your shelter. You have taught me the mission of Chaitanya Mahaprabhu that simply by chanting Hare Krishna mahamantra I can be delivered in this kaliyuga. Only this mahamantra can save the soul from taking any more births in this material world. I cannot explain how much I have gained by hearing your lectures and by reading your books.

I request you Srila Prabhupada that please do not look at my mistakes and kindly always keep me under the shade of your lotus feet so that I can be saved from the repetition of birth & death. I pray to you Srila Prabhupada that always shower your mercy on this fallen soul so that I can make my life successful in this birth itself.

All glories to you Srila Prabhupada. Jai Prabhupada.

Yours insignificant servant,

Sudharma Devi Dasi.

Dear Srila Prabhupada,

Please accept our humblest obeisances under the dust of your lotus feet, which are the refuge of all the conditioned souls in all the material universes.

As each year passes and we get older, we better understand what you repeated thousands of times in your books and lectures: *"this material body, which covers our true self, is subject to birth, old age, illness, and death"*. During these years, many of us are suffering, and soon death will come. Because of your mercy, we are chanting the Hare Krishna maha-mantra, the antidote that ensures that we won't have to return to this material world and again suffer that fourfold misery or, worse, have to repeat it a million times more.

Srila Prabhupada, we will never be able to repay you for the blessing you have bestowed upon us to get us out of this material body and obtain Sri Caitanya Mahāprabhu's mercy. We prostrate ourselves at your lotus feet. May you continue to bless us so that we won't forget the goal of human life—self-realization and Kṛṣṇa consciousness.

Your most fallen and aspiring servant,

Vira Govinda Dasa.

Dear Srila Prabhupada,

Please accept my most respectful humble obeisances at your lotus feet. All glories to your Divine Grace.

Prabhupada, it has been a most adventurous & memorable experience in serving your great mission. My attempt to glorify our transcendental qualities is like showing a torch to an effulgent sun, which is very limited and insignificant.

Your sincere disciples (1970's) have written 100's of books to glorify your transcendental qualities and pastimes. Because of the COVID-19 lockdown, I could read a few of them. It is amazing to see how you initiated simple hippies to Vaishnavism and empowered them to catch "Rhinoceros" around the world and established Krishna Consciousness. In a similar way, you are empowering leaders of the Hare Krishna Movement to strengthen the Krishna Consciousness around the world. I'm eternally grateful to you for choosing me, a worthless soul, to be a part of this movement.

From the last 6 years, I am engaged in FOLK-Youth preaching service in VCM. Even though I could not offer any tangible results at your lotus feet, still you are encouraging me to continue this service through your sincere disciples. Advanced science & technology and COVID-19 lockdown has completely shifted our preaching to the online platform. This method of preaching helping us to reach out to many youth all over the world but it has its own limitations because we are not able to perform kirtan, distribute love feasts, and conduct trips. Please reveal your transcendental plans to increase our FOLK preaching through the authoritative system setup by you.

My determination to follow your divine instructions is very slackened. On this auspicious day, I beg Your Divine Grace to forgive me for all the offenses that I have committed at Your lotus feet and to keep me always in your service. I also beg all my godbrothers to forgive me for any offenses that I have committed to them so that I can improve in my services to you.

Your aspiring disciple and fallen servant,

Vrajeshwara Dasa.

All Glories to Srila Prabhupada,

Srila Prabhupada my eternal spiritual master, please accept my humble obeisance.

I want to thank you on the occasion of your Vyasa Puja for your MERCY on this most fallen soul. Srila Prabhupada I was in the darkest region of ignorance. I know God, I heard about God but I didn't know the real meaning of that. It is only by your mercy that I am trying to understand KRISHNA who is ubiquitous and Supreme and come out of this darkness and ignorance. Without you and your mercy, it is not possible for me to come out of this Maya (materialistic world). Due to this, I am unable to serve you with full capacity, this material attachments bind me not to do so. Be merciful unto me and give me more strength and knowledge to serve you and Lord Krishna with pure love and affinity. It is not possible for me to pay the debts which I've received from both of you, as I'm the most fallen soul. My prayer at your lotus feet is to accept this most fallen soul as your disciple and give me a chance to serve you. Million thanks for being my Spiritual Master.

Dear beloved Srila Prabhupada,

A few years ago it was me Srila Prabhupada, though it is my fortune but it is your causeless mercy that you bestowed the supreme fortune on the undeserved soul like me.

Although your gifts to the world are unlimited and inconceivable because you distributed the most precious object of the spiritual world, love for Krishna- there are several contributions you made that are particularly significant. One is ISKCON is the perfect manifestation of your mercy Srila Prabhupada. Srila Prabhupada you gave ISKCON- a family and Holy name which is like a ship that is helping to pass through the ocean of material nature.

On your auspicious Vyasapuja, I pray that I always remain your servant. Please save me from various anartas, desire for sense gratification.

I was a fallen soul. With your mercy, I am moving towards spirituality now. Please keep me in your protection. Help me to be in association of devotees and grant me the intelligence to increase my remembrance unto lord Krishna. Accept my prayers at your lotus feet, give me a chance to serve you. My beloved spiritual master Srila Prabhupada.

Please accept my humble and respectful obeisances unto your lotus feet.

All glories to you on this auspicious day of your Vyasa-puja.

Srila Prabhupada, I feel extremely fortunate as I got this opportunity to serve you in this life as a servant, what else we fallen souls have in this life except you, and your guidance. You have shown us our true path towards our ultimate goal that is "Krishna Prema".

Whenever this Maya chases and attacks us with its powerful tricks I just remember you as a savior and everything gets okay and we are easily able to practice meditating on Krishna's lotus feet.

You started such a movement of Krishna consciousness, whoever comes in touch with it gets the fruit of serving Krishna. Keep holding my finger as a father holds the finger of his son and allow me to serve you and Krishna's lotus feet.

Dear Srila Prabhupada,

I pay my humble obeisance at your divine lotus feet.

All glories to Jagat Guru Srila Prabhupada on this auspicious day of Vyasa Puja. Oh my master I do not have any desire to get liberated but I pray to Lord Krishna to bestow mercy that in every life I only find you as my spiritual master. You taught the relevance of devotional service and how it is greatest among all the eightfold yoga systems. You are so merciful that you accepted me and held my hand just like a father holds the hand of a baby and teaches him to walk. You are the bonafide Spiritual Master and without you it was impossible to get this transcendental knowledge. You gave us wonderful books, audio lectures and the vision of "Simple Living High Thinking". You helped me to understand the fact that "I am the spirit soul and not this body", you gave us the simple analogy and the purport that a lay man can understand. You taught me the ultimate goal of life and you are the real well wisher of suffering and ignorant souls like me.

I was baffled in this material world and my situation was like a crow and after coming in contact with the Lord Chaitanya's Movement I got the real goal of life. Oh my master I pray to you that please bestow your mercy so that I can know more about the Supreme father, master of all the masters and the cause of all causes. Please engage me in your service and by your service I would be able to reestablish the lost relationship with the Supreme Personality of the Godhead and my life will be successful. Please give me strength that I always remain as your servant and my faith in this movement deepens by experiencing the science of the Krishna Consciousness.

All glories to you on this auspicious day of your Vyasa-puja.

Prabhupada out of your causeless mercy I came in touch with you. Before coming in your association I was in deep ignorance, I didn't know Krishna is the Supreme Personality of Godhead. I used to get frustrated over small material things. But now due to your mercy, I don't get carried away by my mind easily. Now I know whatever is happening with me is

good as Krishna has already arranged everything. I feel that slowly and steadily I am progressing in Krishna Consciousness, I do 8 round chanting daily, I have read Bhagavad Gita till 13 chapters and very soon I'll complete it, I observe Ekadashi fast too, whenever it's possible I try to seek the association of Krishna devotees. I also try to convince my friends and relatives to take shelter of Krishna's lotus feet.

Thank you Srila Prabhupada for having shown me the Goal of this human life. Everyday I'm suffering here, but because of ignorance I used to neglect. You enlightened me, how to come out of ignorance. Thank you Srila Prabhupada for blessing me to progress in Spiritual life and give the Bhakti of Lord Krishna. Without your mercy, I'm nothing. To approach God, You have given us Books, thousands of lectures and so on. I have read that You have translated books day and night only for deliverance of fallen soul like me. I'm trying to uplift my Spritual progress by daily Sadhna. So, Please give me the shelter of your lotus feet.

My Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet.

Prabhupada thanks a lot for your causeless mercy, because of your causeless mercy I have come to KRISHNA CONSCIOUSNESS and now I am under care and direction of your mercy and senior devotees. Dear Srila Prabhupada,

Please accept my respectful and humble obeisance at your divine lotus feet.

Please accept my Vyasa Puja Offerings. I am regularly doing 16 rounds every day. Now I have progressed well. However, I can improve a lot like not worrying for material miseries and progress on my spiritual field. I am also following HG MPP on YouTube for Soulful Japa Modules, to inculcate understandings and progress further with Japa.

Instead of born in a pious family, I led a shallow life deluded with ocean of miseries and illusions, just as a weak stem of lotus inside water lost by different doctrine beliefs. Like a ferocious warrior you came, with your illuminating directions, instructive talks, viable directives and strong and rich standards. You addressed every one of those with mysterious inquiries that had frequented me perpetually and even responded to those inquiries which I would never comprehend. Each one of those intense explanations of yours expressing the matchless eminence of Lord Krishna, one's real identity, one's real obligation and genuine reason forever are simply immediate and striking. On the off-chance that it were not for your basic analogies, this is absolutely impossible for one to have understood each one of those unpredictable beliefs.

This past one year has gone like lightning. I had lots of experience which began with trip to Jagannath Puri to witness the most awaited Ratha Yatra. Learned from various devotees about the significance of the places around temple and had the tastiest prasadam of my life. That point has made changes in my false beliefs and I then craved to learn more about Krishna Consciousness and to start to develop serving attitude. My constant effort brought me association of dear devotees AKKP, PVCPC, PDSP, HRCD, ACGD, AGUD and many more. Their nature and firm faith with KC has power to solve unresolvable queries from my life. In their association, learning to play Kartals, Mridanga, perform Guru puja and understand the correct way to address lordships.

In my preaching attempt, I am not doing great. People are not accepting Krishna consciousness philosophy when I preach. With your generous compassion, provide me with sufficient Krishna consciousness knowledge and intelligence, so that people get aware about the wonderful Krishna consciousness philosophy and return to Godhead. There are millions of devotees out there offering marvellous glorifications, singing and applauding your divinity, yet here I am, who has neither the worth nor gauge to praise you. If you please to otherwise, excuse and acknowledge my stumbling attempt.

In spite of all your empathetic efforts to deliver us from material miseries, with Maya strong influence I tend to fall down again and again. I am nothing without You, hence on this auspicious occasion, I beg at your lotus feet to help me to advance further in KC, help me develop true taste for chanting, help me render sincere devotional service, help me serve Vaishnava's to the best of my abilities, help me remain faithful to your instructions, help me develop true love for Krishna and help me become the most humble servant at your lotus feet. I would like to quote the following verse from CC Adi Lila 12.10.

*ācāryera mata yei, sei mata sāra, tānra ājñā laṅghi' cale, sei ta' asāra*

*“The order of the spiritual master is the active principle in human life. Anyone who disobeys the order of the spiritual master immediately becomes useless.”*

Your aspiring servant,

Bhakta Animesh Upadhyay.

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories unto you on this auspicious day of your Vyasapuja.

Srila Prabhupada by your merciful glance this insignificant soul has got a chance to begin his spiritual life and everyday experiencing new realization in spirituality. In the recent years of my Krishna Consciousness life, I have achieved a lot. All the auspicious moment what has come to my life it has come by your causeless mercy. Visited auspicious places and understood the greatness of Lord Sri Krishna through those temples. It made my faith more firm.

The most important one is my decision to devote my time with devotees, attend sessions and try to render service to Krishna by any means I can, which has come true by your blessings. Probably, I could never understand how spiritual master favors his sincere disciple, but I could see the strong impact how my life has been changing into better human being and starting of real journey towards ultimate goal.

Still lot of hurdles are on the way, please provide me strength and determination so that I will not be shaken by this path I've taken for life.

Dear Srila Prabhupada,

My humble obeisance to your lotus feet.

No matter how we are expert to solve life's problems, but somehow or other it comes back with a new face. With your Divine Grace I could understand that problems are by nature in this material world, they cannot be solved at any point of time with material solutions, but if we take shelter at lotus feet of Krishna, then we can save ourselves from the heat of miseries. I soon will be able to dedicate myself to accept you as my Spiritual Master and may be able to take initiation under your lotus feet. Please be merciful to me.

Your lucid purports, we could understand more clearly about the creation, and its purpose, otherwise we could be in the whirlpool of nescience, which is tossing every day here and there.

Thank you, Prabhupada to give the right direction to my life.

anādir ādir govindaḥ sarva-kāraṇa-kāraṇam

namo brahmaṇya-devāya go-brāhmaṇa-hitāya ca, jagad-dhitāya kṛṣṇāya govindāya namo namaḥ

All Glories to His Divine Grace A.C. Bhaktivedanta Swami Prabhupada! Please accept my humble obeisances and respect as I offer them unto your Lotus Feet.

saṁsāra-dāvānala-līḍha-loka-, trāṇāya kārūṇya-ghanāghanatvam

prāptasya kalyāṇa-guṇārṇavasya, vande guroḥ śrī-caraṇāravindam

The glories of Srila Prabhupada are immeasurable & endless for all the devotees, who have been rescued by Him from the ocean of nescience (darkness) and have been given an opportunity to make their human forms of lives successful by taking up the process of Krishna consciousness (bhakti yoga). It is by His causeless mercy that today, numerous devotees are practicing Krishna bhakti all over the world in temples opened by Him and His followers. Indeed, generations upon generations shall remain forever indebted to Srila Prabhupada for having bestowed upon them the glorious possibility of going back home, back to Godhead, by simply reading His transcendental books, following his instructions & regulative principles and by simply chanting Hare Krishna Maha Mantra.

Swami Prabhupada appeared in this world for the deliverance of all the conditioned souls like us. He has given us everything that we need to progress in our spiritual lives and with his mercy, we are able to engage in the service of the lord. He is none other than the personification of Shri Krishna's mercy, who has come to deliver us from the miseries of this world and take us to the spiritual realm, where we can directly serve the Supreme Personality of Godhead and his eternal consort Srimati Radharani. It is only because of Him that today, we all are aware of the ultimate goal of life and are working towards achieving it.

There is umpteen number of benefits one gets by understanding or reading Prabhupada Ji's books and can apply in all spheres of life. Similarly, in my case His books helped me get rid of ignorance through knowledge, build Inner strength, leading a spiritual balanced life, Importance of selfless action & control the mind through Meditation and yoga, Importance of a Guru, rejoicing in the power of pure devotion, etc. His books are user manuals for life and it helped me to cultivate profound devotional knowledge and Love for Shri Krishna and how I can make my life sublime and happy without anxiety and desires. His books and the knowledge on science of God have been life altering for me and I can't thank Him enough for His causeless Mercy on me.

Srila Prabhupada teaches us that everyone in this world is wanting to experience true selfless love which can only be found in its perfection only in relationship with the Supreme Lord. The Vedic texts are showing us a way to help each of us to revive that relationship within this life through sadhana (spiritual practices), sadachara (Character), Seva (Service) , Devotion (bhakti), Chanting & Singing Lord's glories and bhajans. A Vaishnava always considers himself insignificant. Humility and pridelessness are the great qualities needed to progress in bhakti-yoga and one must learn these qualities to be able to chant the holy name in a humble, pure & blissful state of mind.

He also reminds us that our goal of life is to serve krsna, surrender to Krsna, always remember Krsna & never forget Krsna. At the present moment we are forgetful of our eternal relationship with Kṛṣṇa. Then, by good association, by constant chanting, hearing, remembering, we again revoke our old consciousness. That is called Kṛṣṇa consciousness. So forgetfulness is natural, but if we keep constant touch, we will not forget. Since this temporary material world is full of the miseries of birth, old age, disease and death. One who knows Krishna Consciousness, is blessed and those who don't, remain in illusion & suffer the miseries of the material world. So, knowledge for Krishna is liberation and ignorance for HIM is bondage. So, in the end I'll simply say - *UNLESS WE CONQUER OUR REPEATED CYCLE OF BIRTH AND DEATH, AND REESTABLISH OUR FORGOTTEN RELATIONSHIP WITH KRISHNA, WE SIMPLY WASTE OUR LIVES LIKE ANIMALS.*

Therefore, one must keep performing their #KARMA as yaḡṡa & surrender it to Shri Hari to avoid any further reactions from one's deeds and thus setting oneself free from all Karmic actions & by dedicating one's life in the devotional service of God as "Pure devotional service is the only means to attract Kṛṡṇa."

Lastly, On this great occasion, I pray to Srila Prabhupada to please grant me the service unto his lotus feet, so that by serving him, I will be able to make rapid progress in my endeavors in spiritual life. The devotees of the Lord are very dear to Him, and Srila Prabhupada, who spreads the name, fame, qualities and pastimes of "Shyamsundar" throughout the world, is even more dear to Shri Hari, & getting to touch his lotus feet would be the best way for me to get the transcendental ecstasy of love, devotion & nectar of Mukunda. Therefore, I pray to him with folded hands and recite:-

prati-janme kori āśā charaṇera dhūli

I desire the dust of your holy feet in every birth I may take.

Jagat Guru Srila Prabhupada Ki Jay.

With eternal gratitude, Your servant,

Bhakta Anurag Chakraborty.

All glories to you Srila Prabhupada,

My spiritual master, the ocean of mercy, the friend of the poor, the Lord and master of the devotees. O, master! Be merciful on me. Give me the shade of your lotus feet. O, master! Please accept my offering. I will be highly obliged to take the opportunity of Vyasa-puja 2020 to thank you for your mercy. Dear Srila Prabhupāda,

Please accept my respectful obeisances at your divine lotus feet. All Glories to you and your divine appearance day.

Through your hard work and selfless austerities, you were able to spread the pure message of Lord Chaitanya and the solution for the suffering soul that is Chanting of Mahamantra.

I feel very fortunate that I got your spiritual shelter to understand lord because in kali yuga it is very hard to find self-realized bona fide Vaiṡṇava.

yāha, bhāgavata paḡa vaiṡṇavera sthāne, ekānta āśraya kara caitanya-carāṇe

(CC Antya 5.131)

“If you want to understand Śrīmad-Bhāgavatam,” he said, “you must approach a self-realized Vaiṣṇava and hear from him. You can do this when you have completely taken shelter of the lotus feet of Śrī Caitanya Mahāprabhu.”

And your presence in the form of text and audio is helping many souls in kali yuga. And this is only because you are pure devotees of the Lord who want to pull us from the cycle of birth and death.

yat-pāda-saṁśrayāḥ sūta, munayaḥ praśamāyanāḥ  
sadyaḥ punanty upaspr̥ṣṭāḥ, svardhuny-āpo 'nusevayā

(ŚB 1.1.15)

“O Sūta, those great sages who have completely taken shelter of the lotus feet of the Lord can at once sanctify those who come in touch with them, whereas the waters of the Ganges can sanctify only after prolonged use.”

Before it was very difficult to understand our relationship with the lord and our devotional duty including the mood of service. You explained to us again and again that our real father is Lord Krishna who takes care of every individual soul and we should depend only on him for our necessity.

yac cāpi sarva-bhūtānām, bijaṁ tad aham arjuna  
na tad asti vinā yat syān, mayā bhūtaṁ carācaram

(Bg. 10.39)

“Furthermore, O Arjuna, I am the generating seed of all existences. There is no being – moving or nonmoving – that can exist without Me.”

I personally try to depend only on Krishna for both material and spiritual desire. And whatever little understanding I have is just because of you and Lord.

Prabhupada, I desire to have a small and beautiful altar in my home where I with my full family can offer prayer and do Seva as per our capacity. Please help us with this.

In this pandemic situation, we got to know the value of life and freedom in this material world provided by Krishna. We never valued that and today we are in lockdown for several months. If the world had adopted a satvik way of life then there would not have been such a problem.

Wish we overcome this situation soon so that we can celebrate Janmashtami and your Vyasa-puja with many other devotees in Sri Dham Vrindavan.

I again beg you to always keep me in your shelter.

Your Servant,

Bhakta Ashwini Singh.

Dear Srila Prabhupada,

Please accept my respectful obeisance.

I remember those days of 2013 since when I joined Krishna conscious movement, I got the most precious gift of my life Hare Krishna mahamantra & of course the supreme knowledge of Bhagwat Gita. It was due to your grace that I became aware of the knowledge which not only can improve my existing life but also can help me reach back to home back to Godhead. In my real life situations also when I have asked for your help you have been there for me, even if I have failed to chant some day or the other due to any reason. You have a great importance in my life. I heartily request you to hold my

hand till the end of this material life so that by your mercy I can reach the ultimate goal of back to Godhead. As you know, I start my day taking your name followed by Krishna's name so that both of you can save me from Maya that has distracted me multiple times and may also distract me in future. I have so much to express in your gratitude but have no words to convey them. Kindly keep me under the mercy of your lotus feet and help me remember the name of Krishna and your name while I leave my body. This is all I want to say.

Thank you Guru dev.

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to Srila Prabhupada. All glories to you on this auspicious day of your Vyasa-puja.

I want to thank Lord Krishna for sending Prabhupada on this earth. Prabhupada, because of your causeless mercy I came to know about Krishna consciousness during my college. I feel lucky that I am the part of Krishna consciousness. Thank you, Prabhupada for bringing such nice devotees to my life to whom I can share my feeling and are always there to help me in any situation. Thank you, Prabhupada for showing a path of light to this modern youth who are walking to the path of ignorance. Because of your mercy, I was able to read Bhagavad Gita and it changed my intelligence. My dear spiritual master, I am not perfect in Krishna Consciousness. I still lack consistency in doing the chanting. Be merciful and give me strength, will power that I become more disciplined in life. My prayer at your lotus feet is that I may never forget you and Lord Krishna in my life.

Dear Srila Prabhupada,

Please accept my most humble obeisances unto your divine lotus feet.

Your appearance in this world may be compared to the lotus blooming in the mud. The actual science of the self, material nature (prakriti) and God has been circulated all over the world. The fallen souls are facilitated to learn and practice this great science substantially. All because of your causeless mercy.

You have gracefully set forth an ideal example of compassion by conscientiously guiding us to revive our forgotten relationship with the Supreme Lord and our eternal Supreme Father - Sri Krishna. Your perfect personality as a pure devotee of the Lord will ever be remembered and followed in the footsteps for the sake of mankind. All glories unto you.

Your qualities comprised in your glorious pastimes continue to charm me. Your words and instructions prescribed in your great transcendental literature both oral and written repeatedly strike my mind, enlightening and cleansing away all the ignorant and unwanted things that accumulate from time to time due to the material conditioning.

On the auspicious day of your appearance, I beg you to keep continue your transcendental touch upon me for there is no other better shelter for this most fallen and undeserving soul.

All glories of Srila Prabhupada,

Please accept our humble obeisances in the dust of your lotus feet for all eternity.

Today we are celebrating one of the most important days of the year: the day of your advent within this material world 124 years ago.

mukham karoti vācālam paṅgum, laṅghayate girim ya kṛpas

*"I pay my respects to my spiritual master, the savior of fallen souls. Their kindness turns into energetic speakers and enables the lame to cross the mountains. " When a pure devotee or spiritual master speaks, what he says must be accepted directly by the Supreme Personality of Godhead as the Supreme Order. - [Sri Chaitanya Charitamrutha, Antya Leela, 05:11]*

According to me, the spiritual teacher is very important in our life because he leads us from the darkness. Shrimad Bhagavatam also says that the "Mercy is representative of the spiritual guru Lord." [Srimad Bhagavatam 1.ad.22] My actual experience is that I have completely left many bad things in my life such as bad habits like meat-eating and have pledged to give up some bad habits in a committed way.

*Jasa ghasuk tribhuvan - "Your fame is spread in all three worlds" [ Sri Guru Vandana]*

Srila Prabhupada, I am praying that with such service and fellowship I will truly become your worthy disciple and in some distant lifetime, I will be with you again. It will be especially sweet next time, as I will serve you in a world where every step is a dance, every word is a song, every day is a festival and the flute is a constant companion. My dear Master, I cannot wait! Please tell me that divine abode.!

Dear Srila Prabhupada,

I offer my humble and sincere obeisance at your divine lotus feet.

I have been blessed by your divine grace to have you as my beloved spiritual master. your teachings about Krishna and his activities in both material and spiritual world has made me convinced that I am always your eternal servant.

You are dearly called as Srila Prabhupada by your disciples because you have taken shelter of Lotus feet of all Powerful Lord Sri Krishna. By taking your shelter, anyone who comes in contact with your teachings, institutions, disciples, and Books surely realizes the eternal servant attitude towards Supreme person Lord Sri Krishna. This is possible because you are a pure devotee of the Lord who is constantly looking for the welfare of all living entities. I would like to take this opportunity to say that I am one of many who came in touch with your teachings and have taken to worship Lord Sri Krishna by chanting His holy name in this fallen age of Kali-yuga. It was not possible to know the secrets of Vedas and read or understand them by me in whole life, but because you are a true commander of Lord Sri Chaitanya Mahaprabhu who has incarnated to distribute the Love of Krishna to one and all, we are getting all the highest understanding of Vedas and its purpose simply by following your instruction. When I first came to know Bhagavad Gita as a book of knowledge that has answers to all questions, I was not sure whether it is true or not. But when I read " *Bhagavad Gita As It Is* " I was convinced by your explanation that if we know Krishna that means we know everything. Quoting BG 15-15 as Krishna says" I am seated in everyone's heart, and from Me comes remembrance, knowledge, and forgetfulness. By all the Vedas, I am to be known.

Indeed, I am the compiler of Vedanta, and I am the knower of the Vedas."I always have been a constant recipient of your reciprocation in my personal life as a child gets all guidance and protection from his parents.

It has been eight years now since I have come in your contact, I am still a neophyte at this stage. I really don't know How to engage my self in your humble service. Although, I have utilized many such opportunities of taking personal association of devotees and trying to help them in my own capacity. I am looking forward to giving every cent of effort to your mission. Your mission to distribute the holy name to one and all is a divine mission. I also wish to be a soldier in your mission. I seek more and more opportunity to engage in the service of your sincere disciples who already have realized your mood of service towards Krishna the supreme personality of godhead. Dear Prabhupada, as a child feels obliged to his parents by getting the right guidance in this material world, similarly, I seek protection and guidance from you as my spiritual father in a matter of serving your mission of Lord Chaitanya Mahaprabhu.

Seeking your mercy and protection I offer my humble obeisance at your lotus feet again and again.

Your servant,

Dear Srila Prabhupada,

Please accept my humble obeisance unto your lotus feet.

My Dear Prabhupada, it is your mercy unto me which brought this baffled and profane material soul into Krishna consciousness and allowed this conditioned entity to render services unto you and Krishna. I was nowhere before I got the taste of Krishna Consciousness and Krishna *prasadam*. I am very grateful to you that you are taking care of me and my family very well during this pandemic situation and crisis. Krishna Consciousness helped oceans of people to elevate them on spiritual platforms and get them to know their real identity as a part and parcel of Krishna- The Supreme Personality of Godhead. Material life is full of challenges and miseries and Krishna Consciousness is the only way to turn down all these unwanted events of life.

Dear Prabhupada, my burning desire from you is to treat me as your special child, give me the strength to fight every stressful and tough situation, and practice Krishna consciousness nicely without any hindrance. Please help me purify all my impious senses. I can never pay your debts in a million years and births. I want to thank you for getting down on this earth from the spiritual abode for us (impious souls) and giving this Krishna Consciousness.

Your most impious and fallen servant,

On this special occasion of Vyasa puja, I humbly want to thank you for your causeless mercy on to this fallen soul. You are the only cause for my being into this hare Krishna movement. Before coming to this movement I was unknown to the fact who am I?, why I m born?, who is God?, What is my relationship with God, etc. after being blessed by your causeless mercy I have been directed to the ultimate goal of life. You are the reason for my strength to progress in Krishna consciousness. I still may have some drawbacks that are hindrances for my progress in cultivating Krishna consciousness but I have faith that simply by following your instructions I will overcome all those stumbling blocks.

Remembering Lord Krishna has helped me to be calm, composed, and improve my soulful thinking about the Lord. Dear Srila Prabhupada, Please accept my humble obeisances at your lotus feet. All glories to you on this occasion of Vyasa Puja.

I am very much fortunate to have Krishna Consciousness in my life, although not perfectly, but it is great and effective nonetheless. Following verse is a testimony of this feeling (BG 2.40):

*nehābhikrama-nāśo 'sti pratyavāyo na vidyate  
sv-alpam apy asya dharmasya trāyate mahato bhayāt*

*“In this endeavor, there is no loss or diminution, and a little advancement on this path can protect one from the most dangerous type of fear.”*

In this world full of superficial ideals and thoughts, you gave me the crest jewel of knowledge which helped me in every walk of life. I was ignorantly drowning in rajo – tamoguna and you placed me in the highest category of human life. Also, as I am a little inclined towards philosophy, many potential deep wells of mundane thinking were seemed attractive. But your books and lectures handheld me in the direction of pure love, satisfaction, and knowledge. It transformed me from *adhīra* to firm devotee.

You are the sole role model of my life, ultimate guide, and director. I feel empowered by following your instructions and they add values in my life. You gave me the ultimate lovable object which quenches the thirst of relationship. Your words give joy and clarity about this material as well as spiritual life, in fact, it turns material life into spiritual. I try to follow your instructions in every field of life, and also want others also to be benefited by it. You have given me practical activities which rises me to sattva guna and beyond, which was impossible by my own mental concoction. I am supremely obliged to my Guru Maharaj for whatever improvement I achieved in my life. I owe him all my fortunate events and takes everything as his blessings.

O Master, kindly keep me under your shelter and always bless me with your services.

A humble insignificant servant,

Bhakta Durgesh Singh.

O Merciful Master Srila Prabhupada,

I bow down to your lotus feet and beg for forgiveness.

I feel blessed, to be given a chance, to share my extent of struggle in itself puts me above so many jivas. I would like to take this opportunity to thank each and every devotee who still wants to help to minimize my sufferings although I have no qualifications to be in such an elite position.

It has been nearly eight years since I first got in touch with your mission, I still have reminiscence of getting in touch with a pure devotee. Those interactions and guidance still fresh in my memory and gave a new dimension to my life. Those foundations still help me keep going in spite of numerous fall downs mostly because of my laziness and infirmity.

Midst of all these, your voice coming from chanting box and fragrances from the flowers offered to you rejuvenates me and gives me the strength to pick up my beads and chant the holy name of Lord. On a few occasions, I have personally felt the pouring of the Lord's mercy when I start to experience the rasa in chanting the Lord's holy name. And these motivations keep inspiring me to keep trying harder in spite of vagaries of the mind.

I beg for your mercy Prabhupada and pray that your voice never goes silent from my home and my ears, my heart keeps relishing it more and more.

Your Most fallen servant, Bhakta Gaurav Maan.

Please accept my humble obeisance. All glories to Srila Prabhupada. All glories to you on this auspicious day of your Vyasapuja.

I find myself very fortunate that many good people and things are around me. Maya constantly pulls me, it plays with me and I find it quite interesting but that's not the thing for which I have taken the birth. Sometimes I feel that I am growing spiritually while there is a diminished interests in material life. Still, I am trying. Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to Srila Prabhupada. All glories to you on this auspicious day of your Vyasa-puja.

A very few people get Krishna consciousness and I am very fortunate to get Krishna consciousness by the mercy of you and Sri Lord Krishna.

At the age of 75, you went to western countries for spreading Krishna consciousness. An ordinary man at the age of 75, even can't think to go anywhere. you gave the proper path to get liberation from this material world. Sometimes I think if your direction would not have been present, today's generation would have faced too much depression, anxiety, suicide, etc. But by the mercy of Lord Krishna, you saved so many lives of human beings and teach us what is the actual goal of our life.

By the mercy of you, I am doing 4 round chanting of Hare Krishna Mantra and also doing aarti in the day and night. Whenever I am frustrated I would read your books. Your books give me new energy and enthusiasm.

Two lines I want to dedicate you.

*GYAN K BINA INSAAN ADHURA HAI  
OR GURU K BINA GYAN ADHURA HAI.*

Thank you Srila Prabhupada for coming in my life.

Your humble servant,

Dear Srila Prabhupada,

All glories to Srila Prabhupada. Please accept my sastanga namaskara at your Lotus feet.

Even though I'm born as a human in this material world, I have spent so much of my time in serving this world, the people of this world, serving my family, serving my senses, and trying our best to make my life perfect, despite knowing that more I try to fulfill my needs and wants, more I became anxious and depressed. What's the solution? What's the path which leads to the ending of all these sufferings? That path which leads to perfection and enlightenment is shown by your divine self, my dear Srila Prabhupad. You taught us the purpose for which we are here on this planet in human form, and as a guru, as a savior, and as a pure devotee of Krishna, Prabhupada you showered your mercy on me. You gave me a chance to end all my suffering. I'm really one of those lucky souls who got such an opportunity to call Prabhupad as my Spiritual Guru, and I'll always serve my guru and Lord Krishna till my last breath.

I'm thankful to you and Lord Krishna for showing mercy on this poor soul. I'll always pray that my entire life, I get the opportunity to serve you, and progress in my spiritual life under your guidance.

Your humble servant,

Bhakta Hritik Giri Gosvami.

Dear Srila Prabhupada,  
Please accept my humble obeisances.

On this auspicious occasion of Vyasa-Puja, I want to thank you for creating a platform like the Hare Krishna Movement. Associating to which we can understand the actual meaning and purpose of our life.

O Spiritual Master, your movement is not only spreading the spiritual knowledge and Krishna Consciousness, but also works for the social and economical upliftment of humanity. In Vedic text it is said for kaliyuga people even understanding god would be very difficult, reaching him is far beyond. In the same Vedic literature remedy for this is mentioned as Chanting Hare Krishna Mahamantra.

HARE KRISHNA HARE KRISHNA KRISHNA KRISHNA HARE HARE

HARE RAMA HARE RAMA RAMA RAMA HARE HARE

Besides the Vedic information is said to be the most beneficial and mysterious information for living beings. In today's world where people can't find time to read a newspaper for 5 minutes, we can't expect them to read the Vedic text. And even if they try to, their understanding will not be so good. O Spiritual master, we are very thankful to you as you invested your entire life in reading all these texts, and translating them to as simple language as even a small child can understand them. The society you have established is really creating transformation.

Your humble disciple,

Bhakta Ishan Kansal.

Dear Srila Prabhupada,

Please accept my humble obeisance to your lotus feet, All glories to Sri Sri Radha Vrindavan Chandra.

It is a very difficult task to describe, what you did for humankind and for me because you have given the wonderful gift of Krishna consciousness to me and humanity. I'm thinking that if I did not get Krishna consciousness on time than how I would survive in this age of *Kali* which is full of anxiety and miseries. Srila Prabhupada, in the beginning, it is a very difficult task for me to accept that devotee says that you are personally present in your books, *Vani*, and instructions and you are present in your *murtis* and pictures, and you also present in your sincere devotees' hearts. Now by following your instructions through your disciples, now I feel your presence in your books your *Vani* and your instructions.

Dear Prabhupada, you are giving me unlimited mercy from the very beginning of my life, even though a lot of challenges which I faced from friends, relatives, and family members I was able to overcome by your mercy only. Prabhupada, you gave me everything in my life after coming in Krishna consciousness.

As Krishna says in Bhagavad-gita n Prabhupada you write in the purport also that (BG-9.22)

अनन्याश्चिन्तयन्तो मां ये जनाः पर्युपासते ।

तेषां नित्याभियुक्तानां योगक्षेमं वहाम्यहम्

ananyāśh chintayanto mām ye janāḥ paryupāsate

teṣhām nityābhiyuktānām yoga-kṣhemam vahāmyaham

There are those who always think of Me and engage in exclusive devotion to Me. To them, whose minds are always absorbed in Me, I provide what they lack and preserve what they already possess. So by worshipping Krishna, I got everything in my life like good food, good career, good lifestyle, but that is not enough to Go back home, back to Godhead. That will not give me real bhakti, that will not develop real love to Krishna and you. Prabhupada, I want the highest things in my life for

that I m praying to you every day so that I can achieve that topmost thing that is love to Krishna, this can be delivered by only you.

Prabhupada nowadays I m disturbed by one question that is, 'What to do next? what should I do?' Please guide me for that so I can see the clear path please show me the clear path. Prabhupada, I may leave you but please don't leave me because there are no meanings to live without Krishna consciousness. Prabhupada, the fact is that you have always resided in our heart and you are my real well-wisher even without your physical presence proves our eternal relationship with you. So many family members, friends have come and gone from this world but you have remained in my life as the one constant. So, eternally I am indebted to you.

On this auspicious day, I have come with this offering just to worship you, remember your lotus feet

Thank you Srila Prabhupada for your unlimited mercy

Your menial servant,

Bhakta Kanhaiya awasya.

Dear Srila Prabhupada,

All glories to Srila Prabhupada. Srila Prabhupada, my eternal spiritual master, please accept the sastanga namaskara of this most fallen soul.

I want to take this opportunity of Vyasa Puja to thank you for your MERCY on this most fallen soul. Srila Prabhupada, I was in the darkest region of ignorance. It is only by your mercy that I am trying to understand KRISHNA, and come out of this ignorance. Before I came to Krishna Consciousness, my life was full of anxiety and depression, but after taking shelter under the lotus feet of your Divine Grace, my happiness and joy were increased. Even though I am in your association from the last 3 years, I am unable to come out of this MAYA. I am unable to serve you with full capacity due to my material attachments. Be merciful unto me, and give me more strength and knowledge to serve you and Lord Krishna with pure love. It is not possible for me to pay the debts which I've received from you, as I'm the most fallen soul. My prayer at your lotus feet is to accept this most fallen soul as your disciple, and give me a chance to serve you. Million thanks for being my Spiritual Master.

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet.

The guru-disciple relationship is the highest expression of parental love. The foundation of this beautiful relationship lies in unconditional love, care, compassion, and divine wisdom. Thank you for your mercy on this most degraded soul. I was moving blindly through the mountains of life, stumbling in grief, pain, and darkness all along the path. I am still trapped by the forces of Maya, and unable to serve you fully. This lockdown period was of utmost difficulty for me, but I found a friend through eternity, who is helping me to come on the highest plane of spiritual wisdom. Be merciful unto me, and give me the strength to always abide by the childlike trust you have posed in me. Like the lord himself, your generosity knows no boundaries. Million thanks for being my spiritual master.

Dear Srila Prabhupada,

Please accept my most humble obeisances unto your lotus feet. All glories to Your Divine Grace. On the auspicious occasion of your divine appearance, please accept this humble offering.

If not for you Srila Prabhupada, I would not have been exposed to the Krishna Conscious side of existence. Today, in the times of COVID-19, where the focus has shifted back on existence rather than comfort and luxurious living, your causeless mercy acts as a buffer to anything fatal. In these times, when the economic activity has taken a hit affecting the livelihood of millions, the lifestyle propagated by Your Divine Grace seems to be the need of the hour.

If climate change, global poverty, trade protectionism, environmental pollution were not enough, COVID-19 has entered the scene and has been declared the new normal. In these times, the self-sustainable Sattvic lifestyle propagated by Your Divine Grace is the vaccine that the world actually needs. When countries talk about achieving Sustainable Development Goals through practices and efforts that seem to take forever to implement and change the ground reality, we need to seriously ponder over the concept of moving to simpler than complex solutions. The Krishna Conscious Way of Living is an existential miracle in itself. It solves all the problems; material and spiritual.

From poverty to pollution and inner peace to liberation, nothing is outside the ambit of Krishna Consciousness. It is a mix of everything potent and essential. From Gross Domestic Product to Gross National Happiness, there is no parameter that cannot be improved by following the very effective teachings of your Divine Grace. The solution is simple and easily available through your teachings.

If not for you Srila Prabhupada, I would not have had access to this mega relief package of Krishna Consciousness. Your relief package comes packed in your books and chanting beads. It is available for everyone with no geographical, financial, or caste-based eligibility criteria. This relief package transcends lifetimes.

Krishna Consciousness is the scientific discovery that solves the complex equation of existence. You, Srila Prabhupada, are the greatest scientist. I thank you for propagating the message of Caitanya Mahaprabhu to the masses. I thank You for Your causeless mercy. I pray to you that if you so desire, kindly grant me the will and determination to continue forward and improve in my attempt to follow your instructions. If you so desire, be my guide and take me wherever you deem fit.

Thank You,

Your unworthy servant,

Bhakta Karan.

Dear Srila Prabhupada,

All glories to you.

In USA, on seeing so many motor cars speeding in opposite directions on highways, you said why don't they settle their business over the phone. 50 years later the world has started following the same. The business is being done over the phone and the Internet. Hari Bol.

Few of the many qualities of a true Krishna devotee that they are always happy, enthusiastic, determined and having patience. You proved this to the world. At the age of 70 when people retire from the professional and public life, you went alone to America on a mission to spread Krishna consciousness Movement message of your guru Maharaj.

In one of the lectures on the topic The nectar of devotion in Vrindavana, you said, so I have got very good difficulties. Prabhupada, who other than you can say the difficulties as very good. You said it when Mayawadis in India and Christians

in the western world, both were criticizing you while you were engaged in performing your duties as per instructions of your guru Maharaj.

Srila Prabhupada, with your blessings and assistance of your disciples, I am progressing slowly and steadily towards self-realization. I am such a fallen soul born in a Brahmin family and have been acting as Shudra whole life. My mind and karmas were contaminated like an animal always thinking of eating, sleeping, mating, and defending.

In the year 2009, I came in touch with a very senior devotee for professional assignment of designing of electrical systems of Akshaypatra Kitchen coming up in the VCM compound in Vrindavana. It was our first meeting and we discussed only about electrical systems, I was impressed with his technical knowledge, simplicity, positivity, and determination. A few years later I met him again in VCM Vrindavana. It was Janmashtami, I had gone with my family just for entertainment. I saw him busy in deity service in Alter. The temple hall was crowded, to get his attention, I had to call him by name. He immediately responded and welcomed me. I was taken to the hall where the Janmashtmi celebration was about to start. We enjoyed kirtan, abhishekam, and prasadam. We liked it so much, that we started going every year on Janmashtmi. And that is how my journey started in association with your other disciples also in the temple. Initially, it was about the chanting of Hare Krishna Maha Mantra. On the advice of devotees I tried to read and understand your books but was not able to understand the meaning of even the simple words like the material world, Kurmi, Back to godhead, Life after death, etc. Two years back VCM Ashram was opened in Noida and I started attending Sunday lectures and feast. Prabhupada, by your mercy, now I find your books and audio lectures so simple to understand. I have reached to the level of chanting 4 rounds of Japa. Pollution in mind has also gone down. With your blessings, I will at least attain the position of Dasa of Devotee.

Srila Prabhupada, please pardon me if you find any error or mistake in my offering to you. I am illiterate, trying to start my journey in Bhakti Marg, do not know how to glorify you. Please give me shelter under your lotus feet.

Your humble servant,

Bhakta Keshav Sharma.

Dear Srila Prabhupada,

Please accept my humble obeisances.

Hare Krishna,

Prabhupada, my journey with you and all into Krishna consciousness began in my college 1st year itself in the month of September, So I wanted to share a little part of my story. So in the month of September-October, all my new friends were exploring new clubs, events, activities which they can associate. I was also looking forward to something that was of my interest. Prabhupada I consider you as my friend so I am sharing this, to be honest. Me and my other 3 close friends were looking to go somewhere after our midsems were over as all were very enthusiastic and excited about what happens, it happened for a reason. Fortunately I got to know that some devotees from KC were in our college. They were our seniors and they told us about a trip to Ahmedabad that is basically on Dussehra .So we thought this was a fun event. Me and my friends registered in hope of traveling, enjoying, etc. Fortunately, it was the best experience I have ever had. Prabhupada your senior disciples were so kind and gentle, they make us feel at home was the best part the journey going and then at , there was a list of events we enjoyed from chanting ,and dancing on krishna's name was the best part and the prasadam too was very delicious every time, especially the sweets. I got to make new friends from this trip and know more about their life's , our senior devotees were from Noida -Vrindavan family , I was grateful to enjoy with them basically after this trip I came and attended many spiritual sessions in college itself and many future trips. Now it's been almost 2 years I'm still enjoying the journey with you friends. With your blessings, I'm able to chant 2-4 rounds everyday and able to understand more. At last, I know this has been more but I have many words to write and express my journey.

Thank you Srila Prabhupada and senior devotees with which I'm presently associated for their blessings and help me in every tough situation of my life.

Once again thank you Gurudev.

I pray for your blessings and you're with me always eternally and your senior disciples are also there with their blessings.

Pranam.Hare Krishna.

Your servant,

Bhakta Kshitiz Sindhwani.

Dear Srila Prabhupada,

Please accept my humble obeisance.

All Glories to you on this auspicious day of your Vyasa puja.

My life was scattered,until I read your books by which all doubts shattered.

You carrying the age-old knowledge so sublime,

That is enough to clear one's heart of all grime.

To make our life better,

You took to so many fretters.

The divine knowledge you gave to humanity,

Is all that we need to cure our insanity.

Without your intervention,

There is no possibility of anyone's transformation.

We were screaming in dark,

You made us lark.

When there was no confidence level,

You came to make our lives revel.

With our insignificant mind,

There is no possibility to apply effort of any kind.

But by your mercy,

Everything is happening graciously.

With you as our spiritual master, even if one is in well of doubts,

Simply by the remembrance of your sight everyone devouts.

As your humble servant,

Will follow your instructions as an incumbent.

Let this insignificant being to always serve your lotus feet birth after birth.

Aspiring to be your sincere disciple,

Dear Srila Prabhupada,

All glories to you, Please accept my humble obeisance, On the auspicious day of your divine advent in this world.

*śarīram surūpam tathā vā kalatram, yaśāścāru citram dhanam merutulyam  
guroraṅghripadme mānaścenna lagnaṁ, tataḥ kiṁ tataḥ kiṁ tataḥ kiṁ tataḥ kiṁ*

One's vesture may be superb, one's consort likewise, one's reputation resplendent and renowned, and one's riches like unto Mount Meru; but if one's mind be not centred upon the lotus feet of the Guru, what then, what then, what then?

Srila Prabhupada, I am desperately trying to fix my heart on your transcendental lotus feet, but miserably failing. Please help me in my endeavour.

It has been two years now being part of your wonderful movement. This journey comprises many troughs and crests, but always your holding hand made me come out of every miserable situation. Your divine intervention always resolved situations, if not had dealt would have created havoc.

Months back, I was in the same situation where my spiritual life turned upside down and many times thoughts to discontinue my spiritual life surrounded my mind. Though being aware of the trap I was caught in it, but how mercifully his divine grace became a bolster in my life and provided me a helping hand. How Gajendra was saved from the claws of the crocodile in Ritumat forest, similarly by your mercy I was out of that situation.

When I introspect my spiritual progress over these years, sometimes I also wonder if I am the same person which was introduced to Krishna Consciousness two years back. It was never known to me that your divine spiritual potency can make such drastic changes in a person like me. The reciprocations you made whether it be material or spiritual, I am in debt to all of them.

Truly expressing, I have felt your presence in all these years always guiding me. Last time when you made your divine presence in my dream, clear indications were given by you to fully surrender unto you and Lord Krishna. I being foolish even after understanding your instructions committed such a mistake of not completely surrendering unto you. I don't want to commit any such mistake now.

Indeed, after realizing this material world is a blazing forest fire, I desire to fully surrender to you being aware of all my anarthas. Please vanish all my Anarthas by your mercy and the process of Bhakti. If you so desire please give me a chance to serve you and your mission up to my full strength.

Your Aspiring Servant,

Bhakta Kushagra Sharma.

## Bhakta Lovish Bathla

My dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet.

Prabhupada, I completed 1.5 years in your Krishna Consciousness Movement , because of your causeless mercy . I was the fallen soul full in ignorance; came out of nowhere. You allowed me to your temple . Fallen soul , ignorance are words whose actual importance you told to me . I opposed in the beginning , but you never left me . You guided me through your humble devotees . My amazement has no end when I realize that you allowed me to relish the real nectar of life i.e. Krsna . I started with 2 rounds that too just for name sake , but you gave me the strength to increase it to 8 rounds then to 16 rounds . You gave me strength by your lectures , books , prasadam . So that I continue chanting , understand the philosophy.

Prabhupada , your lecture , books are a treasure for me which explain each and every small thing in details about Krsna , our relationship with him , who we are , what is our ultimate goal . I also went to spiritual trips , attending festivals . After that I understood why I am not able to relish the previous material trips even by my endeavours, and continue to think there is something that is missing which is actually the main part ie Krsna .

Prabhupada , You not only told me about Krsna but also how to love him . When I started to understand some part of the unlimited, you gave me the opportunity to do SEVA- I started sharing this knowledge to others step by step , fallen sometimes but tried . I got the opportunity to go and preach , distribute books. Also I helped them to relish the mellows of pastimes of Krsna , eating prasadam , chanting , sankirtana , dancing . I also got the opportunity of being the part of GRATEFULL program , to distribute the prasadam to the fallen souls like me .We see many faces , sometimes many came, sometimes very less came . When more came , I will be happy . But when less came I become sad . But you told that In Krsna Consciousness , result doesn't matter. What matters is your SINCERE ENDEAVOUR . Now in this pandemic time, you gave me many more opportunities . My anarthas block my progress. You gave me the strength.

I remember once instance : “ One time one devotee was crying and he held your dhoti, and you told me never leave this Krishna Consciousness Movement , whatever happens . Hold unto my dhoti always ”. This instance always give me the strength at my difficult times . Aham Brahmasmi , I am not this body I am spirit soul . The first paragraph of my first book read of yours ie Beyond Birth and Death . Where you again and again told only cramming this will not help, the more you understand this the more problem it solves. It is the source of all our problems. You told we need to understand. In due course, I am understanding our talents of which we pride ourselves, our shortcomings for which we cry will all end with this body . We have to use this body, this life for Krsna Consciousness. Nothing matters, except your surrender to Krsna. He will take care of anarthas. Give what you lack and preserve what you have. Simply surrender to Krsna which is your main motto for every individual entity. I am beginning to understand. We are limited but Krsna is unlimited. Whatever we try to materially settle in our life by our insignificant endeavours, is waste. If we simply surrender to Krsna , He will take care of all of our material duties and I am experiencing this. Prabhupada, please engage me in your service always, and give me the strength to do it. Without you I am nothing, my endeavours are simply waste. I am trying to follow the four regulative principles by your mercy, but lust , greed, anger is what is bewildering me. Please help this soul Prabhupada. Prabhupada, your causeless mercy is endless. Please take me unto your lotus feet. Hare Krishn . Jai Prabhupada.

Begging to remain under the shelter of your lotus feet at all times and aspiring to be

Your humble servant,

Bhakta Lovish Bathla.

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to you on this auspicious day of your vyasapuja.

I was lost and you showed me the light. I want to please you , as by pleasing you , Supreme Personality of Godhead Krishna, Lord Chaitanya and his followers are pleased automatically.

I keep wondering how I found you, I am so lucky to have come in touch with your energy , your followers , whom you taught the science of Krishna consciousness. In comparison I am so small and weak in front of such bright souls. To me they are the bhagavatas , they are Garudas , Pandavas and Hanuman , and this is all because of your mercy I have their association.

You are divine and sent by the Lord to release us from the shackles of Maya. Since you are the acharya, you gave your life as an example of how a devotee should behave. You made it so easy for us by giving your books and lectures. You came at the right time, just before the technology was going to come in it's peak, when books could be published, audio could be recorded and video could be recorded. Everything could be mass produced but not manipulated. Just after 2 decades of

your disappearance suddenly there was a burst of information technology and now everything is so fast, on search engines, on the internet. Even though there are too many information and books in this world, your vani is so pure that it cannot be adulterated or contaminated.

You have given us so much to read and listen, that the Vani is always fresh and never ending. You have in this way thrown us a rope from the spiritual world, which we have to just hold onto and the rest you will take care of.

So merciful Srila Prabhupada you are, I want to meet you and see you and be at your lotus feet. I want to be a servant of you and your followers, seeing you laughing and dancing in sankirtan, I want to serve you and make you happy.

Please keep me under the shade of your lotus feet, I am your servant with many imperfections, but you are so merciful that you do not make any distinction among humans who are fallen whether they are keen to follow Krishna or not. Your mercy is always available.

Your mercy is like the Sunlight , equally distributed to all.

Very Humbly.

Your servant forever,

Bhakta Mahesh Agarwal.

I have come to Krishna Consciousness and able to follow your instructions only by your mercy. you dedicated every second of your life preaching Krishna Consciousness, and you have left no stone unturned to tell us about our real identity. Also, you made me understand the ultimate goal of our life to awaken our dormant love for Krishna.

Srila Prabhupada, I being the most fallen soul, need your causeless mercy and guidance so that I can continue executing my devotional service to Krishna and also serve your mission. Please help me to increase my remembrance of Krishna.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to Srila Prabhupada. All glories to you on this auspicious day of your Vyasa Puja. I pray for your mercy.

I offer my respectful obeisances unto you. I am very thankful to Srila Prabhupada for giving me transcendental knowledge that “ I am a soul and not this body”. We all are about this body, but nobody has concerns about our self which is soul. Due to the mercy of Srila Prabhupada, I got a chance to live in Jijnasa residency with very beautiful like- minded people who care about each other and help each other to practice spirituality. Through the teachings of Srila Prabhupada, I learned the purpose of my life and that is to serve Krishna and go back to godhead. Whenever I think about Krishna, my all problems and negative thoughts vanish. The best moment of my life was last year when I got connected with krishna Consciousness. I toured Vrindavan temple and Jaipur temple and so many other places where we did kirtan and so many spiritual activities. Due to the grace of Srila Prabhupada I got a chance to eat the best transcendental meal of the world (prasadam).

I always want to be a part of this transcendental family.

Please accept my obeisance to your grace, Srila Prabhupada.

your aspiring servant,

Bhakta Manish Devkota.

My dear Srila Prabhupada,

Please accept my respectful obeisances unto you.

I had been wandering around, here and there without knowing the destination of life, not even knowing what to do in life, just blindly leading life like other cats and dogs. It's because of your mercy and Iskcon motive that I came into the track of knowing Krsna and being in Krsna Consciousness which is the nectar and boon to human life.

It's because of your mercy and your pure devotees that this fallen soul is being picked again and again to serve Krsna, The Supreme Personality of Godhead in each and every festival and celebrations. Without your bestowed mercy I'm sure I had no opportunities of getting to know about the proper utilisation of this human form of life. Coming to Krsna Consciousness, the way to see the life and its consequences has been changed. I have been made to know that these material consequences are just temporary and the concentration has to be focused on something else which is bonafide and eternal. Good things happen to protect you and bad things happen to cleanse you from previous karma.

With this learnings I fall on to your lotus feet and I kindly request you to keep bestowing your mercy and kindly engage me in your service and Krsna. I will keep up to myself so that I can engage in this bhakti yoga as much as I can. A very happy Krsna Consciousness birthday to you.

Jai Srila Prabhupada.

Your Servant,

Bhakta Manjunath.

My Dear Srila Prabhupada,

Please accept my most humble obeisances.

Please forgive me for being so ungrateful to offer you my offerings for the first time in writing, although you have tried your best since so long to cure my innate diseases. Such an ungrateful disciple does not deserve any iota of mercy from any spiritual master but you are so so kind that I have not lost hope for your causeless mercy.

I am not only ungrateful, but also dank illiterate to gauge the changes you brought single handedly, not only in me but whole gamut of the world so that this human civilization becomes Krishna Conscious and becomes peaceful.

When I say myself illiterate, it's because I didn't know the proper meaning of obeisances, which by your causeless mercy you taught me. So how difficult it is to offer you my true obeisances when I have learnt its meaning itself by your unending mercy!

It is extremely difficult for me to count the instances for which I wanted to let you know that I am simply overwhelmed to receive your mercy, through innumerable books only few of which I could read till today, countless divine messages through innumerable letters you have written to your god brothers, Your Bhagvatam classes, your Gita classes, your conversations, Addresses during walks, interviews and what not. I am purposefully keeping out your lectures on Caitanya

Chartamrita, Nectar of Devotion, Sri Isopanisad, Brahma Samhita etc as I do not consider myself eligible yet to drink this nectar.

Prabhupada, how hard you have tried to give your mercy to this fallen soul is unraveling before me. I first came into your contact in 1999 through his grace Prof. P.V.Krishnan, IIT Delhi and started attending mangla arti along with 4 rounds of Japa. But soon fell through. Reason being as you have told so many times association. I lost sadhu sanga and embraced demon sanga. I lost all hope and even started eating meat. But you are so merciful. I again got access to you and you started showering your mercy forgetting my ungratefulness and heinous karmas.

As a toddler, I have again started to learn how to stand up and walk with only your protection to look for in this vicious world of Maya. As it is sung in guru puja..” aar na kariho mane asha”. I do not have any hope left except for your mercy. It is put to your lotus feet prabhupada that even a fallen soul like me has the fortune of feeling your reciprocation at times.

Prabhupada I really gets perturbed by hearing about your abnormal disappearance but again gets solace not only in your words but also your deeds by which you have presented an ideal to look upto in this world.

Prabhupada please keep protection of your lotus feet unto this fallen soul because I have no one else to look to.

Jay Srila Prabhupada.

Your most fallen servant,

Bhakta Manoj Kumar Jha.

All glories to Srila Prabhupada,

Srila Prabhupad my eternal spiritual master, please accept humble obeisance of this fallen soul.

DearPrabhupada, due to your causeless mercy came to know the world of Krishna Consciousness where real happiness exists. It is your blessing which provided me a nice association in my life in order to explore the real journey of this beautiful world full of eternal truths. After joining the path of these spiritual sparks I became able to feel the real beauty sitting inside my heart. The feel of the presence of this eternal thing in the depth of my heart does not let me realize alone anytime. Inner voice helps me a lot Whenever I have to face difficulties and this is your mercy, my dear spiritual master. Still, I'm not able to render my maximum time in the service of Lord Krishna because we are bonded in material attachments.

My master, I am a student, I want to stand on my feet by becoming an independent person. Time is tougher for me and my family during this period, I need your special blessings so that we can face the challenges happening in our life.

Your most fallen soul and humble servant,

Bhakta Manoj Kumar Verma.

Dear Srila Prabhupada,

Please accept my humble obeisances, All glories to your Divine Grace.

I remember it was the days of my class 12th when I saw my teacher doing some kind of japa and read some Spiritual books and after some days one announcement was on board that Daily Bhagavad Gita class from 7:00 to 8:00 pm. Seeing that me and my friend were really inquisitive and showed interest in coming to sessions. And there I come across nice aarti " Narsimha aarti " which I heard, I could not understand what exactly they sang but it was so melodious and pleasing I liked the most and then we chanted guru pranam Mantra and have Bhagavad Gita class, some shlokas are studied. Gradually day

by day, it was in a flow that my inclination developed more for attending Bhagavad Gita sessions and later I was introduced to the chanting maha mantra on mala."

*Hare Krishna Hare Krishna Krishna Krishna Hare Hare*

*Hare Ram Hare Ram Ram Ram Hare Hare*

Our teacher suggested it is good to chant softly and hear nicely and I liked the chanting process and after some months I raised it to 16 rounds. And one day we had a discussion that our Spiritual master His divine grace Swami Srila Prabhupada, it is because of him and Lord Krishna's mercy that we have come to this nice platform to understand about Krishna who is Supreme Personality of Godhead.

*īśvaraḥ paramaḥ kṛṣṇaḥ, sac-cid-ānanda-vigrahaḥ*

*anādir ādir govindaḥ, sarva-kāraṇa-kāraṇam*

Krsna who is known as Govinda is the Supreme Godhead. He has an eternal blissful spiritual body. He is the origin of all. He has no other origin and He is the prime cause of all causes. Then I understood that my real hero is Srila Prabhupada. I went through some of his books like- Science of Self Realisation). It is awesome ! In this prabhupada calls scientists as rascals, that natural things and universals law and vedic maths all our given in shastras but they claims this is my theory, that is my theory and later I came to know across a fact that in the age of 70yrs Srila Prabhupada travelled to west to please his spiritual master and fulfil his orders. Then I was shocked how he can? but because he had blessings of his spiritual master His Divine Grace Bhaktisiddhanta Sarasvati Thakura Maharaja, so with full determination he preached the whole world and established 108 temples across the world.

In this material world we are hankering towards this thing, that thing but our spiritual master gave us a fixed goal or real goal in life to "go back to home back to godhead" Krishna dham Goloka Vrindavan.

And lectures of Srila Prabhupada are so striking and pleasing with lots of understanding about atma, paramatma and ultimately, bhagawan. Prabhupada explains how to engage our all senses in satisfying the Lord, not ours. He gave an example of Ambarish Maharaj who is a great devotee of lord.

*sa vai manah krsna-padaaravindayor, vacamsi vaikuntha-gunaanuvarnane*

He always engaged his mind in meditating upon the lotus feet of Krishna, his words in describing the glories of the Lord, his hands in cleansing the Lord's temple, and his ears in hearing the words spoken by Krishna or about Krishna. He engaged his eyes in seeing the Deity of Krishna, Krishna's temples and Krishna's places like Mathura and Vrindavan, he engaged his sense of touch in touching the bodies of the Lord's devotees, he engaged his sense of smell in smelling the fragrance of tulsi offered to the Lord, and he engaged his tongue in tasting the Lord's prasada. He engaged his legs in walking to the holy places and temples of the Lord, his head in bowing down before the Lord, and all his desires in serving the Lord, twenty-four hours a day. So just like him we have to engage in Krishna consciousness with full faith, determination and enthusiasm.

By instructions of Srila Prabhupada my life changed completely and became disciplined and academics improved. My mind is always disturbed but due to Prabhupada books and devotee's association it will become all good and runs smoothly and even some types of problems are there but all handled quite easily. And when I seriously pray to Prabhupada all my problems solved always. I'm very thankful to Prabhupada and Krishna that you sowed a seed of bhakti in my early stage of life.

*brahmanda bhramite kona bhagyavan jiva, guru krishna prasade paya bhakti-lata-bija*

Now I am able to know what the ultimate goal of life is. So many people are wandering here there to know what is ultimate, but they have no guru and krishna mercy. So I'm very fortunate to have associated with you at right time. As Prabhupada quoted material life is dukhalayam asasvatam full of miseries but people are searching for happiness in this condition so how they will get? Even if they get it but for temporary period not permanent as in spiritual world.

One day I came across a Bhagavad Gita verse:

*dehino 'smin yatha dehe, kaumaram yauvanam jara  
tatha dehantara-praptir, dhiras tatra na muhyati*

“As the embodied soul continually passes, in this body, from boyhood to youth to old age, the soul similarly passes into another body at death. The self-realized soul is not bewildered by such a change.”

And I understood how all miseries happen to the body which is temporary not for the soul which is eternal and then my faith towards lord and Prabhupada increases more and more as we are associated by books and devotees and realised how bhakti is necessary and leading part of life.

One of the most beautiful instructions of prabhupada I always remember that Prabhupada letter to a devotee Bhargava swami.

He mentioned “I am requesting all of my students to read my books very seriously every day without fail. In this way, if your mind becomes absorbed at least one or two hours daily...” This is the most lovable incident for me to remember my spiritual master Srila Prabhupada and his teachings.

*yasya prasada bhagavat-prasado, Yasyaprasadan na gatih kuto 'pi  
dhyayan stuvams tasya yasas tri-sandhyam, vande guroh sri-caranaravindam*

By the mercy of the spiritual master one receives the benediction of Krishna. Without the grace of the spiritual master, one cannot make any advancement. Therefore, I should always remember and praise the spiritual master. At least three times a day I should offer my respectful obeisances unto the lotus feet of my spiritual master

So I'm very glad to have spiritual master like you Prabhupada with in disciplic succession of Brahma Madhva Gaudiya sampradaya in which great devotee are there Brahma, Narada, Chaitanya Mahaprabhu, Six Goswamis, and our Acharyas.

As guru is a representative of lord so I pray at your lotus feet please be merciful on me so that I can follow your rules and regulations nicely and with full of determination and enthusiasm as you showed for Krishna and your guru's order so please Prabhupada give me blessings so I can do for you to spread Krishna Consciousness movement as your servant. .And please protect me from all dangers in a path of my bhakti and give me blessings and shelter at your lotus feet which helps me to raise my Krishna consciousness nicely and dutifully.

Srila Prabhupada, thanks for precious gifts of books, lectures, temples all around the world and also most important things for all devotees and for me which is mahaprasadam so even most fallen like me can easily understand about Krishna and achieve the real goal Krishna consciousness which leads to Krishna's dham Goloka Vrindavan

Thank you.

Trying to be Your servant,

Bhakta Mayank Gautam.

Prabhupada, because of your causeless mercy I have come to Krishna Consciousness, joined FOLK residency, and got an opportunity to serve Lord Krishna.

परम पूज्य गुरुदेव,

श्रील प्रभुपाद के चरणों में मेरा दंडवत प्रणाम.

प्रिय प्रभुपाद आज से लगभग 9 वर्ष पूर्व अक्षयपात्र परिसर के श्री श्री कृष्ण बलराम मंदिर में जाने का सौभाग्य प्राप्त हुआ था। उस समय प्रथम बार आपके और श्री श्री कृष्ण बलराम के दर्शन करने को मिले लेकिन कुछ समझ नहीं आया। उस दिन के पश्चात मैं प्रतिदिन संध्या के समय मंदिर जाने लगा। एक दिन आपके एक शिष्य से मुलाकात हुई तो उन्होंने मुझे मंदिर के प्रातःकाल के कार्यक्रम की जानकारी दी। मैं अगले दिन से ही मंदिर से प्रातःकाल के कार्यक्रम में जाने लगा। मंदिर में भक्त जिस विधि से पूजा अर्चना कर रहे थे वो मेरे लिए एकदम नया था क्योंकि ना तो मैंने ऐसा कभी देखा था और ना ही मैं जानता था। भगवान श्री कृष्ण भगवद्गीता में कहते हैं कि " मन्मना भव मद्भक्तो मद्गाजी माम् नमस्कुरुम्" अर्थात् मुझमें मन लगाओ , मेरे भक्त बनो, मेरी पूजा करो और मुझे नमस्कार करो, परन्तु यह सब कार्य किस विधि से करना है इससे मैं अनभिज्ञ था। आपके द्वारा बताई गई पूजा अर्चना की विधि इतनी प्रामाणिक , आकर्षक , श्रेष्ठ एवं आनंद देने वाली है कि इस कलियुग में भी आप पर आश्रित मेरे जैसे ना जाने कितने ही भक्तों के मन में भगवान श्री कृष्ण के प्रति आसक्ति बढ़ती ही जा रही है। यह सब आपके मार्गदर्शन का ही परिणाम है। आपके ही मार्गदर्शन से मैं अपने घर के वातावरण को बदल पाया, परिवार के सदस्यों को श्री भगवान की सेवा में लगा पाया। आपकी ही शिक्षाओं से प्रभावित होकर परिवार के सभी सदस्य हरे कृष्ण महामन्त्र का जप करने लगे। मैंने अपने जीवन में ऐसा कोई भी कार्य नहीं किया था जिससे कि मैं आपकी कृपा का पात्र बन सकूँ। हे ! गुरुवर श्रील प्रभुपाद आप इतने दयालु हैं कि बिना कोई कारण के अपनी कृपा मुझ पर बनाये रखी है। अंत में मैं आपसे यही प्रार्थना करना चाहूँगा कि मैं आपकी इस हरे कृष्ण आंदोलन में अपनी सेवा प्रदान करता रहूँ। मुझ पर अपनी कृपा बनाये रखे एवं मेरा मार्गदर्शन करते रहे।

आपका तुच्छ सेवक,

I want to take this opportunity to thank you for all the spiritual knowledge that I came to know because of you. Through your knowledge I understood that I am not this material body but a spirit soul, and my relationship with God and the right way to serve Him.

I was living in ignorance, and through the association and guidance of your disciples I understood that this material world is full of miseries and hypocrisies and our purpose should be to go back to godhead.

I thank you very much to enlighten this world with this knowledge of Krishna Consciousness. I'm trying to make more people aware of this.

Dear Srila Prabhupada.

Please accept my humble obeisance. All glories to Srila Prabhupada. All glories to you on this auspicious day of your Vyasa-puja.

*“GU” MEANS DARKNESS AND “RU” MEANS THE ONE WHO DISPELS THEM, THE ONE WHO IS CAPABLE OF DISPELLING DARKNESS IS A GURU.*

My First day in Krishna consciousness is 29 Aug 2017, when I came to Vrindavan Chandrodaya Mandir, Noida center. Before that, I only knew the name Krishna called (MAKHAN CHOR) who lives in Mathura and plays with His friends and I was very much connected with this material world and take lots of tensions of this material world, friends, and family.

On 29th Aug 2017, a devotee called me and said please come with me to attend Radha Ashtmi program in Vrindavan Chandrodaya Mandir, Noida center. I said 'no, I am not interested'. They said 'please come, you will feel very good', then I said 'ok sir'. And when I went to the center, I felt very positive and the environment was very spiritual just like heaven. Then the Kirtan started “Hare Krishna Hare Krishna Krishna Krishna Hare Hare Hare Ram Hare Ram Ram Ram Hare Hare” I didn't know where all my tension had gone when I started singing the “Hare Krishna Hare Krishna Krishna Krishna Hare Hare Hare Ram Hare Ram Ram Ram Hare Hare”.

From 29th Aug 2017, day by day my life went on changing and I wanted to know more about Krishna. Why Krishna comes to this world. Every day many questions came into my mind so I started reading 'Bhagavad Gita As it is' and I found my all answers. Why are we born? what is our main goal? How can we use our body and mind to become Krishan Bhakta? Because in every heart there is Krishna but after birth, we connect with this material world and we forget Krishna who stays in our heart. In Krishna Consciousness, I know that Krishna is not only Makhan Chor, but He is The Supreme Lord of this Universe and controls the entire world. I can say that on 29th Aug 2017 was my new birth because my life has totally changed. This is the Lila of Lord Krishna who appeared as a child.

Thanks To Krishna for giving us Spiritual Master, GURU like you, Srila Prabhupada.

Hare Krishna.

*om ajnana-timirandhasya jnananjana-salakaya*

*caksur unmilitam yena tasmai sri-gurave namah*

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet on this auspicious day of your divine appearance.

Words are always less to glorify your presence in my life. Without you I was a fallen soul but your touch made all the difference in my life. Here is one humble attempt to glorify you. Please accept this Prabhupada.

Deep inside the ocean, somewhere in the blue high

Moving from this to that life, with no consciousness inside

Your eyes caught my suffering,

Prabhupada, you gave me human life.

The life to serve, to know my eternal position

With causeless mercy, to save me, you took this decision.

You worked day and night to enlighten

But see my ignorance, I sleep even with my eyes open

The sleep of entanglement,

The sleep of sense enjoyment,

The sleep of false identity is binding me!

Please Prabhupada, never leave my hand in this process of finding, “me”.

There is one song written by Bhaktivinoda Thakur named “Amar Jivana”. Every time when I read the meaning of this song, each word shows me mirror to my existence. I am the human with the consciousness of animal inside. The desires to enjoy my senses is always at peak. My hands resist to worship Krishna; my eyes want to see movies; my legs want to dance on dance floor; my ears want to listen sensuous music; my tongue demands bhoga; my mind never thinks of Krishna. The pride, false ego, envy, lust is sitting in my chittam. I don't find attraction towards Krishna, his nama, and doing his service. But Prabhupada, I never want to leave the position near to your lotus feet which you have given me out of your love and compassion towards me.

You came to this world from spiritual world, and suffered so many distress and pains of this material world just to heal our sufferings. You translated the compiled vedic knowledge into simple words for us, that every human can get its benefit. You slept just for few hours a day to awake us from the sleep of ignorance. You gave us the nectar of devotional service so that we again go back to Godhead. The endeavours of your life are the precious gifts in our lives.

Last year, 2019, Kartik month, call came to me for the services to Mahapabhu's padukas. I just went to Vrindavan and started the allotted services. On the day of arrival of Padukas I was just doing services from morning without taking lunch or even drop of water into my mouth. The energy giver was none else but you Prabhupada. You gave me opportunity to serve those divine paraphernalia of Lord Chaitanya. Thank you is not enough for that Prabhupada. I got service in Radha Damodar temple where you always resided. The dust of Srila Rupa Goswami Paduka and of Srila Sanatan Goswami Paduka over my head was like the crown on my head. The Raj Bhog plate I arranged for Lord that day. The uncovering of Padukas from the silver cover, I witnessed. The Charan Padukas, I personally touched them. It was over my head, but I felt nothing that moment. I think it is to be like this way only, the eternal experience with Lord and his devotees. Every day, every hour, every minute, every second, every moment was eternal those days. The association of devotees, services, and prasadam was all unforgettable. What all I got and getting today, I am not worthy of it, but it is your mercy Prabhupada which you are showering on me.

I thank you for all this mercy Prabhupada, I wish the day would come when I join your movement, and help you as you helped your guru maharaj by obeying his orders. The beggar has tendency to beg, so I do. Today, I also beg you; please give me strength to follow your words into my life. Please protect my bhakti by removing the weeds in it, be with me, and guide me with your words.

Beggar at your door for your mercy.

Your fallen servant,

Bhakta Mumuksha Porwal.

Dear Srila Prabhupada.

Please accept my humble obeisances, All glories to you on this auspicious day of your Vyasapuja.

I want to take this opportunity of Vyasa Puja 2020 to thank you for your MERCY on this most fallen soul. Srila Prabhupada I came to know about the Krishna Consciousness in Noida, Sector 126. At that time, I met one devotee. He was distributing Prasadam to the students, and he explained about Akshaya Patra Foundation with collaboration of ISKCON Temple which serves healthy and hygienic meals to lakhs of school children. I was really wonderstruck and enthused after hearing these words from him.

Then I was invited to visit temple during the weekend. By following this invitation I visited the temple, and observed many of the young devotees are highly knowledgeable. And first time I danced with Hare Krishna Mahamantra before Lord Krishna with huge enthusiasm, and really enjoyed all the moments at that time. And mostly from the Bhagavat Geeta teachings, I learnt many things and got many of my doubts clarified in Hinduism or culture which I had during my childhood. I came to know that the person who follows all the principles taught by Bhagavat Geeta can achieve all his goals.

From that day I started Chanting the Mahamantra for 108 times daily. And observed lots of difference within me.

*Hare Krishna Hare Krishna Krishna Krishna Hare Hare*

*Hare Rama Hare Rama Rama Rama Hare Hare*

Moreover, I got new job which is near to my hometown with fifty percent hike during this lockdown period. I felt that this happened because of chanting the Hare Krishna Mahamantra daily. And observed lots of inner peace and happiness after I started chanting.

Srila Prabhupada all these things are happening because of you. and you are the originator for all our wellness/goodness. We always remember your great services.

Thank you so much Srila Prabhupada for great services, and being responsible for all our inner peace and happiness.

Begging to remain under the shelter of your lotus feet at all the times, and aspiring to be your humble servant.

Your humble servant,

Bhakta Murali R.

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet. All glories unto you on this most auspicious day of your appearance.

It's your greatest mercy because of which I was able to come in contact with your message of Krishna Consciousness through Prasadam (GrateFULL Program). I will always remain indebted to you for being so merciful, and giving such a beautiful and easy process to go back to Godhead.

I was a child with so many questions about life and its purpose. This inquisitive spirit made me more and more curious about Krishna, after I came across this movement. Most of the questions have been answered by you through your book, 'Science of Self Realization'. This book has also revealed the greatest understanding of life and its purpose.

Most interestingly just as I came in association of devotees, situations changed throughout the world, and it became most favorable for me to give time and practice spiritual life. I started with 4 rounds when I came, and now I am chanting 16 rounds and spending quality time in devotional services in the temple.

Although you have given such an easy and simple process with lots of prasadam, dancing and kirtan, I am failing to relish them fully.

I wish to always remain under your shelter not only in this life, but also many lives to come. Bless me so that I will never forget Krishna, and chant His holy name.

Your Insignificant Servant,

Bhakta Navakanth Vijay Challagulla.

My dear eternal spiritual master, Srila Prabhupada, Please accept my humble obeisance at your lotus feet.

On this auspicious day of Vyasa Puja 2020, I am reminded of your immense mercy towards fallen souls like me and for the same, I would like to extend my thanks to you. You have taken the mission of Lord Chaitanya Mahaprabhu, pure Krishna consciousness movement for delivering all the sinful souls. It was due to your causeless blessing upon me, I got the chance to associate myself in this movement.

Srimad Bhagavatam 10.87.33 says,

*vijita-hṛṣīka-vāyubhir adānta-manas tura-gaṁ  
ya iha yatanti yantum ati-lolam upāya-khidaḥ  
vyasana-śātānvitāḥ samavahāya guroś caraṇam  
vañija ivāja santy akṛta-karṇa-dharā jaladhau*

*“The mind is like an impetuous horse that even persons who have regulated their senses and breath cannot control. Those in this world who try to tame the uncontrolled mind, but who abandon the feet of their spiritual master, encounter hundreds of obstacles in their cultivation of various distressful practices. O unborn Lord, they are like merchants on a boat in the ocean who have failed to employ a helmsman.”*

Similarly, I was unknown to Krishna, his power, and love, but it is due to your causeless blessing I have started getting attracted to Krishna. Still, in this path, I find many hurdle due to material nature, you kindly help me to continue on this and destroy the darkness within me.

Your humble servant,

My Dear Srila Prabhupada,

Please accept my humble obeisance to your lotus feet.

Prabhupada because of your mercy, I have come to Krishna consciousness and now I'm under the care of Sri Radha Vrindavan Chandra and Lord Chaitanya Mahaprabhu and going in their direction. The moment you came to my life, you enlightened me about the service to Lord Krishna. I'm so blessed to have an opportunity like this where I can serve Lord Krishna and that too under your guidance.

It would be my pleasure and blessing of lord if you always keep me under your guidance, protection, and bestow upon me your mercy. So please help me to increase my remembrance of Lord Krishna always. Also, I would like to thank you for because of your mercy, today this fallen soul becomes capable of understanding this Maya. Though it's happening slowly I am sure that under your guidance, soon I'll be completely able to understand with all my heart and sou, the plans of Lord Krishna. I thank you for being my spiritual Master. Lastly, I pray that I always remain under the shelter of your lotus feet at all times and aspiring to be your humble follower.

Since I came into Krishna consciousness every day is like a celebration to me because I never experienced such an amazing happiness ever in my lifetime and I would like to thank you, Srila Prabhupada, every single moment to be the source of this happiness. Today is the day to acknowledge a few incredible changes which I have experienced in my life. If I compare myself what I was earlier and what I am today after coming to Krishna consciousness, I am entirely a new person now and have experienced a lot of changes as an individual, as a personality, the Aura I carry, the thought process I have now, the perspective of seeing life, the purpose of taking birth in the human body, the importance of spirituality and on top, to have blessings/guidance of a BONAFIED SPIRITUAL MASTER in one's life.

I would like to thank you Srila Prabhupada from the bottom of my heart to put such a fallen soul, like me on the path of Krishna Consciousness. This would not have been possible without your teachings Srila Prabhupada. Your powerful words in the form of your books & lectures are like pure water which is appropriate to quench the thirst of a disgruntled soul, wandering for hundreds and thousands of years in absence of absolute guidance. We all follow your guidance and instructions which helps us immensely in this material world to maintain our focus towards bhakti, else it would have been so difficult in the presence of Maya Devi. Your teachings are eternal and manual for us to implement in our day to day life. Being a part of Grihastha ashram we also experience challenges; however, the way we have been following your teachings we are able to safeguard our spiritual life along with fulfilling other responsibilities towards our family and society. Your devotion, determination and selfless service towards Krishna and your spiritual master that too at the age of 69 is a perfect example how a devotee/disciple should be, what are the characteristics of a pure devotee. This brings a lot of motivation for me to serve, contribute, and expand the Hare Krishna Movement!!!. I feel blessed to be a minute part of this movement.

I am seeking your blessings Srila Prabhupada in the upcoming years as well so that I can contribute more and more towards this eternal movement. No matter what I say, what I write, everything would be less in comparison to your glories and mercy you have bestowed us with. Your mercy is flooding every corner of this world and giving peace, direction, motive, satisfaction to all bewildered souls on this earth in the form of human beings.

At last but not the least, I would like to thank you once again, My Dear Srila Prabhupada, for being with me and accepting me as your disciple. I cannot imagine my life without your guidance. This reminds me of a very nice and appropriate line of a Bengali bhajan and the wordings are -

(yadi) *prabhupada na haita tabe ki haita jivana bahita kise*

Meaning is - If you Srila Prabhupada had not come, what would have happened? How could we have passed our lives? Which is absolutely true.

It's an honour for me and I proudly say that my spiritual master is Srila Prabhupada. Srila Prabhupada ki Jai.

Your aspiring disciple,

Bhakta Nilabh.

Dear Srila Prabhupada,

I offer my respectful obeisances unto my spiritual master, the deliverer of the fallen souls. your mercy turns dumb into eloquent speakers and enables the lame to cross mountains.

Srila Prabhupada, you distributed the message of Lord Krishna throughout the world, you are a pure devotee of Lord Krishna. Srila Prabhupada, you are free from material bondage and enjoy an eternal position in the intimate association of the Supreme Lord, and worshipable by the complete world. Such a great devotee and soul is very unusually found within this material world.

I am very privileged to acknowledge a few of Srila Prabhupada's qualities, which helps me to elevate my spiritual advancement the most in my life.

Merciful:- The most merciful act can be identified to distribute pure love of Lord Krishna to the world and Srila Prabhupada has done this very patiently in his whole life. Prabhupada's mercy is unlimited towards whole humanity, explained as a chilled glass of water or rain after so much heat in summer. This mercy cleans our hearts and guides us towards true knowledge of Krishna consciousness and develops the attitude of serving others. In his whole life, Srila Prabhupada gives Krishna *prema* freely to everyone as a commander of Lord Krishna he took the responsibility of his devotees to go back to Godhead.

Equality:- Srila Prabhupada is a pure devotee of Lord Krishna and observes all souls are qualitatively equal, although their individual, spiritual personalities remain distinctly unique. Srila Prabhupada told a quote in one of his lectures, "There is no discrimination or requirement or qualification to chant hare Krishna *Maha-mantra*, it is equal to every living entity." Prabhupada has a unique relationship with every devotee but regulations and goals always remain the same for all. Prabhupada also told there is no discrimination in Krishna consciousness related to color, nationality, rich-poor, etc.

Faith in Lord Krishna:- Srila Prabhupada completely surrendered to Lord Krishna with constant engagement in service of Lord Krishna with body, mind, and words. He has a great attitude toward the servant of Lord Krishna. With his compassion and faith in Krishna, Srila Prabhupada has planted the seed of devotional service in the hearts of millions of fallen souls.

It's my privilege to serve representative of Lord Krishna, a pure devotee. Prabhupada you have developed service attitude within me, make me more polite, and teach me *Vaishnava* etiquette. Please always keep me in your service and hold my hand towards spiritual advancement.

Your servant,

Bhakta Nilesh.

Dear Srila Prabhupada,

All glories to Srila Prabhupada, my eternal spiritual master, please accept my humble obeisance at your lotus feet.

I have always requested the Lord to show me how to live a happy life and that prayer has been heard by the Lord and that is the reason, Prabhupada, you have come to help this fallen soul, all glories to you. Your teaching has helped me to understand how to approach Lord Krishna, please continue your mercy upon me so that I will continue this journey and reach the ultimate goal of life that i.e. Back to home back to godhead.

By your mercy Prabhupada, I have been increasing the number of rounds daily and I request you to help me increase it even more, and please help me to come out of this Maya. Prabhupada, please provide more and more opportunity to serve you and the Lord, as this fallen soul has forgotten the glory of the Lord. You have given me the opportunity to get the association of the devotee and I request you to keep me under your lotus feet so that I keep on having the association of devotees.

I thank you very much Srila Prabhupada for giving me Krishna Consciousness at this stage of my life. By your mercy let me complete my education successfully and serve your mission.

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet. All Glories to your divine grace.

*āti-puruṣa-prabhāvaḥ.*

The superhuman influence is the extraordinary character which manifested from you, from all your efforts, all instructions of yours and all your pastimes for saving us the fallen souls, for reviving our Kṛṣṇa consciousness and to take us back to godhead. Srila Bhakti Siddhanta Saraswati Thakur Prabhupada opened 64 centers in just 18 years, including international centers. It is simply inconceivable that around the year 1918, with no proper technology, facilities, extreme hardships for even communicating distantly, what it would have taken to open a center. It was *āti-puruṣa-prabhāvaḥ*. Opening 108 temples in just 12 years, that too with hardly a few Indian followers, rest all unknown westerners. Traveling around the globe 14 times at the age of 71 years. Today, by your mercy when we see the advancement of technology, on just one touch we can contact from one end of the globe to another, traveling, advertisement, any sort of information, etc have all become so easy at fingertips. And when we compare the time of 1965, the hardships it would have taken to establish everything is all your *āti-puruṣa-prabhāvaḥ*. Even your discussions with devotees for full of instructions only. At this age, you personally have taught many many devotees from extreme basic, be it from cooking and dressing to regulate deity worship and preaching amidst all circumstances.

The last four months were your extreme special mercy in disguise, Prabhupada. The pandemic lockdown period has proved to be a special blessing. While the whole world was battling with the economic crisis, fear, depression, anxiety, etc. Your sincere disciples were day and night simply trying to follow your instructions and preach to the best. When I came in touch with your movement, the very first year I was just trying to chant 1 round and only one book I used to read. Next year I got associated with devotees, attended trips, festivals. A little bit of enthusiasm increased. Slowly I started hearing devotees lectures one by one and got more interested, became bit inquisitive. Tried to hear more and read more and finally started chanting 16 rounds by your grace but unfortunately, it went up and down. The third-year and fourth-year, I was doing morning sadhana and the actual schedule which is being followed in temple and following regulative principles, no onion

garlic. One day I was realizing and trying to contemplate, that I was such a rascal and a fallen person. Every progress these years happened was only and only by your mercy and I was thinking that it is because of my efforts. Only sentimentally I gave credits to you and your magnanimous efforts for me and all of us. I couldn't develop any strong attachment for you, even your lectures I could not appreciate, instead, I kept on hearing devotees lectures only and skipping yours. Such a fallen soul I am. This truth I am writing in this offering to you because first of all, I want to beg infinite times at your lotus feet to forgive. And finally thank you for giving me that little realization of the taste of your causeless mercy, your love, efforts everything you have done, Prabhupada. Thank you for giving that sweet taste, now when I hear your lectures, love for your vaani gets initiated, trying to please you, trying to serve you, sometimes tears come out when I hear your extraordinary pastimes. You never leave the hand of your disciple. In one of the pastimes, when one devotee asked: Prabhupada will you be our spiritual master eternally?. You replied: Yes. *Janme janme "Pita" sei*. That moment when I read I felt so wonderful and sorry at the same time for my mistakes as I had already taken a long long time to realize this even be it infinitesimally. Please keep your blessing always upon this fallen soul. My indebtedness to you is constantly increasing. The special gift of soulful japa that you have provided to all of us through your sincere disciple HG Madhu Pandit Prabhu, I can feel a bit what milestones it will mark to your movement and to all the devotee's lives. One of which is upcoming Vrindavan Chandrodaya Mandir in another 2.5 years by soulful japa. I am eagerly waiting to hear this message about the temple project. All of us have now started loving japa, we have started feeling bliss in Japa. Every single word of a spiritual master is extremely important, we should be very sincere while reading or hearing them that's what I learned from this, Prabhupada. It is not just about Japa, this Japa course is a set of complete instructions again to practice Krsna consciousness. Shraddha, Preeti, Gratitude, humility, sincerity, and everything are there to learn. I beg you to keep this special mercy on me forever. Recently one incident happened. I use to get a headache once in a month or two due to some or the other reason, and I am not able to complete even 4 rounds. It happened once again a couple of months back, and by your special mercy, that day I firmly tried to stick to your instructions and thought whatever happens today I will complete my rounds, and I was able to chant 16 rounds mindfully. I didn't felt any pain during those 2 hours. Thank you Prabhupada for providing that wonderful reciprocation of nama Prabhu. That has increased my determination. For the first time by your grace, there hasn't been a single day in the last 4 months that I have missed a single round. Every night when I go to sleep, I sleep with a thought-feeling that tomorrow morning I will wake up and sing Guruvastaka for you, trying to glorify you and the 8 gifts you have given to us.

*sakshad-dharitvena samasta-shastrair, uktas tatha bhavyata eva sadbhihi*

Thank you Prabhupada, I could even realize, that Guru is not as good as, but is God for a disciple. Your unlimited mercy fell on me, last year in Kartik month by requesting Shri Chaitanya Mahaprabhu to give me a chance of not just seeing but touching his divine Paduka, on my head. Not just this, you allowed this mlechha to clean Shrila Rupa Goswami's Bhajan Kutir at Radha Damodar temple. What wonderful opportunity that had been. Prabhupada, by your grace I am a little bit able to contemplate on my daily Japa, Krsna conscious activities, daily praying to their lordships, seeking more and more servitude, love, and devotional service. Thinking about all your reciprocation and mercy, I found that I am basically just enjoying the fruits of your movement and the efforts all the devotees are putting in. Other than following simple basic instructions for being a devotee, I am doing nothing else. I desire to serve your mission, Prabhupada.

I wish to feel the bliss to be the instruments to serve you and Krishna and in reality, try to be a part of your movement and not just simply enjoying the fruits. Please keep and use me as a sharpened instrument for your able usage eternally.

Trying to be Your Servant,

Bhakta Nitin Bangar.

His Divine Grace,

Please accept my humble obeisance on this auspicious day of your Vyasa-puja.

His Divine Grace, I am one of the many ignorant people who, after taking birth in this material world, have forgotten their roots. I am neither eligible nor knowledgeable enough to write something ostentatious for your glorification. But I thank your endeavours in establishing the seed of Krishna consciousness in the hearts of millions. It is the result of your efforts that I got to meet and be friends with many wonderful devotees at FOLK Homes.

I vividly remember the time of my stay there days with mangala-arati, chanting timings, Bhagavad sessions, and a perfect routine. I thank you for making it possible for every ignorant soul to get in touch with Krishna consciousness by merely following your instructions. Though it becomes difficult for me to abide by all the guidelines especially when I am away from FOLK Residency, I am thankful for people staying under your shelter who continuously try to instill and inspire me to take on the path of Krishna consciousness.

Dear Prabhupada, help me to increase my remembrance unto Lord Krishna always and bless me with the purity of heart, and courage to subjugate the material desires which hold one from progressing in spirituality. Bestow your blessing for me to complete my education and become stable enough to contribute in your mission.

Yours sincerely,  
Bhakta Nitin.

Dear Srila Prabhupada,

All glories to Srila Prabhupada.

Srila Prabhupada O, my eternal spiritual master please accept the homage and Sashtanga namaskar of this most fallen soul.

Srila Prabhupada because of you and your organization Hare Krishna Movement, fallen souls like me got a wonderful opportunity to make our life successful with the gift of Krishna consciousness and your causeless mercy always help me to keep follow Krishna consciousness in my life.

You practically showed the process to get the most secret knowledge or Param Satya to the world in a very simple manner that helps the society and me to get Krishna Consciousness. You are my Guru Maharaj and you show me the path to reach Krishna and Radharani which is the main purpose of human life. I am a big fool, unable to understand the spirituality and Krishna but you make me understand Krishna very well, so I want to express my feeling of your mercy through below sloka,

*om ajñāna-timirāndhasya, jñānāñjana-śalākayā*

*caksur unmīlitam yena, tasmai śrī-gurave namaḥ*

I always overcome ups and downs in my spiritual life because of your instructions and guidelines through your books and your mercy. Daily Chanting process gives me strength and enthusiasm to serve Krishna and you. Because of your kindness, I always get the opportunity to preach others and get a response from you. I pray to you, please keep your grace upon me, so I can progress in the spiritual life and give me always the opportunity to serve you and your mission so that this unworthy soul can contribute very little in your mission. Thanks to Prabhupada to make me a tiny part of your organization.

Begging to remain under the shelter of your lotus feet at all times.

Aspiring to be Your humble Servant, Bhakta Paras Soni.

Dear Srila Prabhupada,

Please accept my most humble obeisance at your lotus feet on this most auspicious appearance day of Your Divine Grace. All glories to You.

A great devotee of the Lord, Srila Rupa Gosvami desired to have “millions of ears to hear the glorification of the lord and millions of tongues to chant Hari Nama Mantra”. Likewise, I humbly desire to have Your causeless mercy so that I may utilize, at least these two ears properly to hear the glorifications of the Lord and a tongue to chant Hari Nama Mantra and preach the vital message of Krishna Consciousness throughout my remaining life.

I really don't know about what pious activities I have done in my previous lives that I have been able to associate with you through your lectures and books. I have seen people in this material world who are living with lot of anxiety, fear, jealousy, lust, greed, attachment, ego, and so on... without having any proper understanding of what is the real purpose of their life. But I consider myself to be very fortunate and blessed that I have been able to understand the Krishna Consciousness philosophy through Your devotees.

Even though the circumstances of my life has totally changed (from single to married, from self-sustaining to taking care of the entire family, from 24-hour devotees association in the FOLK hostel to no association at all), I have managed to chant 16-rounds (though still working on quality chanting), read your books, and perform devotional services to a possible extent on a daily basis.

I just pray to you O my real father Srila Prabhupada, to never forget this undeserving child. Please hold my hand (whatever circumstances may come) and provide me the strength to do devotional service to Your lotus feet forever. Please give me the strength to awaken real love for the Lordships. Please give me the strength to attentively chant the Holy Name of the Lord forever. Please give me the strength to preach everyone about this vital message given by Mahaprabhu. Please give me the strength to never forget You and Krishna. Please give me the strength so that I may get a chance to do direct service to You and Your Lordships. I sincerely and humbly pray for Your causeless mercy Srila Prabhupada.

Your humble servant,  
Bhakta Peeyush Middha.

Dear Srila Prabhupada,

All Glories unto your Lotus Feet.

I offer my respectful obeisances to Your Divine Grace A. C. Bhaktivedanta Swami Srila Prabhupada, who is very dear to Lord Krishna, having taken shelter at his lotus feet.

I am eternally indebted to Your Divine Grace for the mercy you have shown to an adhama like me, you are truly Patita Pavana and deliverer of this world. I am the most fortunate jiva as I have received seeds of Krishna- Bhakti from you, which is cherished by all great personalities of all material and spiritual universes.

Holding onto your lotus feet is my only hope of deliverance and param- gati, as I am the most fallen soul and cannot even execute your instructions properly, it is beyond my capabilities to even try to practice sadhana bhakti properly.

But I still hope to be an unalloyed servant of servant of servant of your lotus feet, only because I bank on and have taken shelter of your unlimited mercy.

Your humble Nitya Dasa,

Piyush Kant Singh.

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to Srila Prabhupad. All glories to our beloved spiritual master on this auspicious day of Vyaspuja.

As I start writing my Vyasa puja offering to you, I feel fully indebted to our beloved spiritual master for providing us so many precious things. You have given us the highest form of sound in the form of holy-name. You have provided us, the service of worshipping Sri Chaitanya Mahaprabhu and Radha-Krishna. Because of Maya, I am not able to recognize your causeless mercy, but it's a fact that inspite of me not being a sincere servant of you, you have always held my hand like a caring father. Last year, there were many instances when I felt down and whenever I prayed to you sincerely I definitely got reciprocation.

You have given so many instructions to make our life sublime and meaningful. However, I have no taste for those instructions and still, I struggle to follow your simple instructions. Although there are many contaminated material desires, I am hopeful that by your mercy, my desires will be purified and I will be engaged fully in your service. I want to accept you as my spiritual master formally but somehow that desire is not so intense. Please bless me Srila Prabhupad and grant me to serve at your lotus feet.

*Prati-janme kori aasa caranera dhuli*

I desire the dust of your holy feet in every birth I may take.

Your fallen servant,

Bhakta Prabhat.

Respected Srila Prabhupada, my spiritual master,

Please accept my humble obeisance. All glories to Srila Prabhupada. All glories to you on this auspicious day of your Vyaspuja.

*hato va prapsyasi svargam, jitva va bhoksyase mahim*

*tasmad uttistha kaunteya, yuddhaya krta-niscayah*

*“If you fight, you will either be slain on the battlefield and go to the celestial abodes, or you will gain victory and enjoy the kingdom on earth. Therefore arise with determination, O son of Kunti, and be prepared to fight. BG 2.3.”*

As in the above verse, Krishna gives the message to Arjuna to do his duty with its results. Similarly, I am also following Krishna Consciousness by knowing that either I live this material life happily by chanting the holy name or will achieve the great knowledge to easily depart from this material world to reach Vaikuntha Dham. This message I have learnt by the grace of Srila Prabhupada. I was living without knowing the purpose of life. By your grace and your efforts, I have books on Krishna. I have started chanting the holy name and it really helps me to get peace of mind. I have learnt the art to forgive others and accept the truth. It helped me to control my anger by chanting the holy name and remembering you Guru Maharaj. I feel so thankful to you for this opportunity of Krishna Consciousness. Please keep your blessings on me and my family to attain pure divine love for Lord Shri Krishna.

Your humble servant,

Dearest Srila Prabhupada,

Please accept my humble obeisances. All glories to you.

Today we are celebrating my favorite day of the year: the day of your advent within this material world. In a lecture, once you had told that you did not want to come to this horrible material world but Lord Krishna assured you and asked you and said No, please. Don't worry. You go down and write books. I will take care of everything.

And so on His order and with His assurance of protection, you came and expanded His name and fame throughout this planet. Having accomplished this feat which is unparalleled in the history of Gaudiya Vaisnavism, Lord Krsna made you become famous throughout the three worlds.

*ebe jasa ghusuk tribhuvana "Your fame is spread all over the three worlds" [Narottam das Thakur, Sri Guru Vandana]*

I have been immersed for many lives in this ocean of birth and death but in this life suddenly out of my past birth karma and by your mercy, I got the sublime message of the real purpose of my existence and the cause of my sufferings, you revealed everything directly to my heart and Lord Krishna made my faith strong on those words.

I was feeling like now I am safe and I had no fear of anything as now I have my Lord Krishna and my spiritual master with me always, who will save me if I follow their instructions. Everything was running smoothly but as we are in this material nature which acts so harshly towards us made situation like that I got away from devotee association and from there, chanting reduced, and slowly all anarthas came to me while I was engaged in material world activity.

You made some arrangements again to save me and I again got engaged in your service and follow sadhana and having prasadam but it did not last for long and again I came back to my old position. But I sincerely desire to be your good disciple by following four regulative principles strictly and chant 16 rounds without offense and have prasadam only. I am trapped in the clutches of Maya in the form of family attachment.

I know that you know everything because you don't forget your disciple even if they forget you. I know you are aware of all my wishes that I am not interested in these worldly affairs of getting married and grow my own family, I really don't want to get married, this world and it's affairs are so temporary and simply miserable, death can come at any time and will take away everything. I wanted to live like your sincere disciple and situated in my real position as servant and lover of Lord Krishna so that some of the portions of my life get utilized for an eternal cause and my birth become successful but I could not do this out of my attachment to my parents and responsibilities.

Oh, my master! please bestow your mercy upon me. Please make arrangements in such a way that I don't get married and can fulfill my responsibilities towards my parents and I can live the rest of life as your disciple with the association of devotees, our brilliant lotus feet. I have no hope other than you and your devotees in this material world who can help me. Please vanquish all false ego in me and bless me that I can chant the holy name of Lord Krishna and can remember you forever.

I am now and forever.

Your eternal servant,

Bhakta Prashant.

Dear Srila Prabhupada, My Spiritual Master,

Please accept my humble obeisance unto your lotus feet.

*nama om vishnu-padaya krishna-preshthaya bhuta-tale srimate bhaktivedanta-svamin iti namine  
namas te saraswate deve gaura-vani-pracarine nirvishesha-shunyavadi-pashchatya-desha-tarine*

There is your unconditional mercy on me that I've been exposed to Krishna Consciousness but at the same time I'm unfortunate enough that I've chosen Maya over Krishna. I'm acting like Duryodhana who had asked for Krishna's Narayani Sena when Krishna was offering his association. Due to a lot of exposure to this material world, I've lost the determination to follow the spiritual life. Somehow, I'm dragging myself to chant a few rounds daily. I don't know what is going to happen to my spiritual progress. At the same time, I'm able to see your arrangements through which I'm being dragged back to Krishna Consciousness but I'm acting like a naughty child who is running away from the protection of his mother and troubling her unnecessarily.

Dear Srila Prabhupada, I don't know when shall I be able to come out of ignorance and darkness offered by Maya? When shall I be able to follow your simple instructions? When shall I be fortunate enough to accept your freely distributed mercy? I've been just like a piece of cloud lost in a storm. I request you to take charge of me although I'm a useless creature and please engage me in whatever way you feel is appropriate.

Trying to be Your insignificant servant,

My dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet.

O my glorious master, by your teaching I came to know about spirituality and Krishna Consciousness. Before your teachings, I didn't know what is real consciousness. I had lot of misconception. But after reading your books "Beyond Birth and Death" and "The science of self-realization", I came to know the real purpose of life. O my spiritual Master, I have also visited your samadhi at Vrindavan three times. Every time I have realized that place is full of purity and spiritual feeling. My master to get your mercy, I want to dip myself in the well of those spiritual feelings and Krishna Consciousness.

O my spiritual master Srila Prabhupada, I express my gratitude to you for giving me such teachings. I want to follow the path which you has shown us. Srila Prabhupada, please shower your mercy upon me so that I can render service to Lord Krishna as you desired.

Dear Prabhupada,

Please accept my humble obeisances. All glories to Srila Prabhupada.

You gave me a path to go back to Godhead. Krishna Consciousness is the best gift which you provided for me. I'm a fallen soul and have forgotten the relationship with the Supreme Personality of Godhead KRISHNA. You gave me the simplest way for self realization.

After I started chanting the Hare Krishna Mantra, I observed a lot of change happened in my life. I am more happy now.

I am under shelter of your lotus feet and now I feel protected from maya. With your association, I got more confidence in Krishna Consciousness. By your grace I got an opportunity to engage in Krishna Consciousness.

By reading your books I feel that you're continuously guiding me to achieve more spiritual knowledge.

I am short of words to express my indebtedness to you. Through your teachings my life has totally changed. By joining the path guided by you I am trying to become a devotee.

I once again express gratitude to you for providing prasadam to us. I like prasadam very much.

*mukam karoti vachalam, pangum langhayate girim*

*yat-krpa tam aham vande, sri gurum dina-taranam (CC Madhya 17.80)*

By the mercy of the guru, even a dumb man can become the greatest orator, and even a lame man can cross mountains.

Gurudev, I am not qualified to be your student but still, you accepted me and guiding me in every situation of my life through your lectures, books, and sometimes through authorities. The system, the Institution you have given us, is literally very wonderful. People who are born in the Kaliyuga are totally unfortunate, less intelligent, misguided and there is no scope for Self-Realisation but it is possible through the institution that you gave us. Your Institutions are boon for the whole world, either humans or animals. Gurudev I feel very blessed to come in touch with this authentic parampara. Last year I was completely broken after the Jaipur Incidence, that time I realised the importance of your words, the importance of your Institutions and devotees' association. I realised that you are always with your student despite his qualification.

On this occasion of Vyasa Puja, I am seeking for your blessings so that I am able to serve your movement with my best capability. Give me the spiritual strength to follow your instructions in a proper way. I want to serve your movement as a full-time devotee. I request you to keep me engaged in transcendental service of your lotus feet and forgive all offenses that I have committed knowingly or unknowingly.

Your insignificant fallen servant,

Dear Srila Prabhupada,

Please accept my humble obeisance. All Glories to Srila Prabhupada,

Dear Srila Prabhupad, I am very much grateful to have a spiritual master like you in my life. Because of your unconditional mercy I am living and doing service in Vrindavan Dham and here I can practice Krishna consciousness. By your mercy only I can have Darshan of Lordships daily. Dear Srila Prabhupad, as in this material world there is so much frustration and anxiety but being in your mission by chanting, dancing and feasting we can enjoy each moment and we are out of this frustration and anxiety. You have given us a priceless gift, your books and by reading them we are able to know who I am, what is the purpose of this life, what is our relationship with God, etc.

Dear Srila Prabhupad, you have given us a way of life to live happily and joyfully. By your mercy, I got married to such a wife who is inclined towards spirituality and she is following Krishna Consciousness very nicely. Now my home is becoming a temple where we are following the daily Sadhana Program and able to cook food for the lordships.

Dear Srila Prabhupad, please bless us more and more so that we can always remain under your shelter and practice Krishna consciousness seriously and sincerely.

Jai Srila Prabhupada.

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to Srila Prabhupada. All glories to you on this auspicious day of your Vyasa-puja.

In the words of Lord Shiva: "Hearing the Glorification of a pure devotee has the same effect as hearing the glorification of the Supreme Lord." And it's my good luck that for the last 3 years I am being preached under the guidance of a Pure Devotee which tells the exact word as told by Lord Krishna without any modification. In the initial days, I was not able to consider you as my spiritual master. I was completely bewildered at that time. But after reading and hearing the difficulties suffered by you in the initial days of your preaching, I changed my mind. I was completely shocked to know how much sacrifice you had faced for us in your old age without having any personal desire. I was fascinated by your act of accepting the challenge of Arya Samaj Leader to preach in a Muslim country, Pakistan in 1971 when the India-Pak war was going on. Your journey on cargo Jaladuta ship is too much inspiring for youth like me. O Prabhupada, I thank you for being a spiritual master in my life. You are the only reason for being a change in me to practice spiritualism.

I thank you for giving this Hare Krishna Movement Association which always helps me to get out of this Maya and walk one more step towards the path of Back to Godhead. I thank you for providing us The Akshaya Patra Foundation which continuously feeds the needy. It's by your mercy only Akshay Patra has been able to serve more than 27 million meals till now, and continuously serving more in the COVID-19 pandemic. You are a source of positive energy. Whenever in my lifestyle some negativity comes, your method of simply chanting Hare Krishna Mantra proves to be a boon for me. I thank you for filling my heart with the transcendental knowledge

*Yasya prasāda bhagavat-prasādo*

Without your mercy, there is no chance of being promoted to the plane of Krishna Consciousness. O master! Please be always merciful on me. Please help me out to make my soul pure, full of bliss and eternal knowledge.

Your aspiring servant,

Bhakta Pushpendra Verma.

Dear Srila Prabhupada,

I offer my respectful obeisances unto your lotus feet. All glories to you on the occasion of your appearance.

It is to be understood that great devotees of Lord Krishna like you only appear to deliver fallen souls like me. Words are not enough to express my heartfelt gratitude to you on how my life has changed after associating with the devotees of your movement. I was amidst ignorance and darkness bereft of Krishna Consciousness, but through your mercy I was introduced to this knowledge by the association of your devotees. Even though my endeavours to advance in spirituality are very

infinitesimal, you still have provided me with the shade of your lotus feet. You are referred to as 'The Great Senapati Bhakta of Sri Chaitanya Mahaprabhu' as you fulfilled his prophecy of spreading this Sankirtana movement all over the world. It will be a great offense unto your lotus feet to consider you as a normal human being, because the pastimes you displayed are still inconceivable for neophytes like me. I ask for forgiveness that I have not done sincere service towards carrying your orders, but I hope that by your mercy I will continue advancing in Krishna Consciousness.

I pray that you will keep me engaged in your service.

Your humbl servant, Bhakta Raagvendra Singh.

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to you on this auspicious day of your Vyaspuja.

I am very grateful to you for giving me the precious gift of Krishna consciousness at an early stage of my life. With your mercy, I was able to witness the grand Maha abhishekam of Panchtattva deities in Mayapur in 2019. This year has brought new experiences in my spiritual life. With your mercy, I got the opportunity to render personal service to the deities of Sri Radha-Vrindavanchandra and Sri Nitai-Gauranga. I am highly indebted to you for providing me shelter at your lotus feet even after knowing how worthless I am.

I don't think myself to be worthy enough to receive your causeless mercy, but you have never left my hand in tough times and constantly guiding me through various means. I also regret that even after getting your association, I am unable to get out of the clutches of Maya as I am still trapped in the web of sense gratification. The global pandemic of COVID-19 has made me realize the importance of your instruction that spiritual life is not dependent on external circumstances. Your instructions inspire me to continue my service to Lord Krishna even if external circumstances are unfavorable. Please provide me the strength to tolerate the attacks of Maya and bless me with the enthusiasm and patience to serve the mission of Lord Krishna and Sri Chaitanya Mahaprabhu till the end of my life.

Your most fallen servant,

Bhakta Rachit Srivastava, Noida.

Dear Srila Prabhupada,

When I first came to Delhi I had no friends, no people around me to guide me, but I came in touch with one of your devotees who asked me to come to ISKCON Temple. And I found you. All glories unto you. Please accept my humble obeisances.

I was reading a book and I got to know the meaning of Guru is GU (Darkness) RU (Remover). You as my spiritual master removed all the darkness around and within me. I don't have any spiritual knowledge, but I am learning each and every day. I need your blessings, and give me energy to focus on my goals so that I can practice Krishna Consciousness forever as your full time sevak.

I want to thank you for introducing Krishna Consciousness to the whole world and the joy from within as a blessing. I love to listen to bhajans and I myself want to sing bhajans now. HARIBOL !

Trying to be one percent like you, but I can't as I will be your follower forever. Please accept my humble gratitude at your lotus feet, and help me reach a higher state of Krishna Consciousness with your grace and mercy.

Your servant, Bhakta Raghav.

Dear Srila Prabhupada,

Please accept my humble obeisances at your Lotus feet,

All Glories to your Divine Grace.

Prabhupada by your causeless mercy I have completed two years in Krishna Consciousness. This past year in Krishna Consciousness was full of ups and downs. But when I reflect on the assurance you gave and in Srimad Bhagavatam also I found the same thing,

*naṣṭa-prāyeṣv abhadreṣu, nityam bhāgavata-sevayā*

*bhagavaty uttama-śloke, bhaktir bhavati naiṣṭhikī*

*“By regular attendance in classes on the Bhāgavatam and by rendering of service to the pure devotee, all that is troublesome to the heart is almost completely destroyed, and loving service unto the Personality of Godhead, who is praised with transcendental songs, is established as an irrevocable fact.” (SB1.2.18)*

Here you have mentioned the remedies of all uncertainty within our heart which are an obstacle in the path of self-realization: “Nityam Bhagavata Sevaya”, I realized that just by hanging on to this instruction of yours which is a constant source of inspiration to me, every difficulty can be surpassed. I even experienced that we can overcome all the difficulties just by attending the Sadhana program that you have designed, which truly saves us from all kinds of dangers of this material existence.

Once you also mentioned, *“Chanting Japa should be done early in the morning with full consciousness preferably during the Brahma-Muhurta time. Concentrate fully on the sound vibration of the mantra, pronouncing each name distinctly, and gradually your speed in chanting will increase naturally. Do not worry so much about chanting fast. Most important is the hearing.” (Letter to: Radhavallabha - Bombay 6 January, 1972)*

On this auspicious day, I beg your mercy so that I can chant in Brahma-Muhurta, and concentrate fully on this transcendental vibration of the Mantra.

Once you stated about laziness *“If during maṅgala-ārati we feel laziness, which means I'm not yet spiritually advanced. And if one feels enthused, "Now it is time for maṅgala-ārati let me stand up, let me do this," then it is spiritual.” (BG 2.21-22 - London 26 August, 1973)*

Therefore if you desire so, kindly bestow your mercy upon me so that I can come out of this situation.

Thank You Srila Prabhupada, for your mercy, and please bestow your blessings so that I can follow your instruction as my life and soul. I beg you to forgive me for all the offenses that I have committed at your lotus feet, and also beg all the Vaishnavas to forgive me for the offenses that I have committed to them, so that I can serve the transcendental mission of Chaitanya Mahaprabhu sincerely.

Aspiring to be your eternal Servant,

Bhakta Raghav Goel.

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet.

Your life always inspires us to increase our faith in Krishna.

When I think of my life I feel that I am not eligible to be your aspiring disciple. Just because of your causeless mercy I am taking baby steps in Krishna consciousness.

As it is rightly said in Bhagwat Geeta 9.27

*“Whatever you do, whatever you eat, whatever you offer or give away, and whatever austerities you perform – do that, O son of Kuntī, as an offering to Me.”*

When I read or hear about your life all your activities seem to be in perfect harmony of the above verse. Your life is a living example of this verse. You took hardships, austerities all your life especially after taking sannyasa order for the pleasure of Gauranga, thereby you offered Krishna Prema to the whole world.

You have taken immense efforts to write books as I was reading in your biography that you used to hardly have any sleep as you would be writing books. You have always shown me the path through books, quotes whenever I am in dilemma.

Krishna conscious life is very dynamic we meditate, eat wonderful prasadam enjoy transcendental pastimes of Krishna read philosophical books like intelligentsia class of people.

Thanks, Prabhupada for showing me the blissful life of Krishna conscious Family.

Your servant,

Bhakta B Raghavendra.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to Srila Prabhupada on this auspicious day of your Vyasapuja.

The world today is full of sense gratification, and the living entities are entangled in material activities forgetting the real purpose of why we came into this material world. Through the divine mercy of The Supreme Personality of Godhead, Lord Krishna, and your blessings, I came under the shelter of your lotus feet. Till today you are guiding me on the path of spiritual life, and how to render devotional service to The Supreme Lord. You are guiding me every day in my daily life on how to tackle material activities, and transform every work into devotional activities of Lord Krishna, and keep the Supreme Lord as the centre of each activity.

I am just an infinitely minute living entity trying to carry out your order on how to practice devotional service to the Lord. Though I am facing multiple challenges to practice devotional service, I keep my upmost faith in you and beg you to guide me back on the path every time I get entangled.

Begging to remain under the shelter of your lotus feet all the time.

Your humble servant,

Dear Srila Prabhupada,

*om ajnana-timirandhasya jnananjana-salakaya  
caksur unmilitam yena tasmai sri-gurave namah*

I was born in the darkest ignorance, and my spiritual master opened my eyes with the torch of knowledge. I offer my respectful obeisances unto him.

Jai Srila Prabhupada, ever since I have come into your contact through bonafide devotees, my life has started to transform. I am so grateful to you Srila Prabhupada that I am unable to explain your mercies showered upon a person like me who has no qualification to deserve such mercies due to my paap karma.

It was in the year 2010 when I visited Jaipur ISKCON temple on the invitation of a devotee. My new life has started and I begin to understand what is true devotion. Thereafter, a visit to Vrindaban dham with devotees has reconfirmed my need to take up the path of devotion to all sincerity. I am failing continuously but Srila Prabhupada you are still showing your true love & affection. And always inspiring me through your transcendental bliss.

My regular visit to ISKCON Jaipur and darshan of Krishna–Balram and Srila Prabhupad has started to transform me like a small seedling, cared by the gardener. My official Transfer to Bangalore was truly godsent by Krishna through Srila Prabhupada in the year 2014. Going to Vaikuntha Hill & Harekrishna Hill had introduced me to another abode of Krishna build by true devotees of your Srila Prabhupada. Attending weekly Mangal Arati, Darshan Arati, Bhagavatam classes has started purifying me. Your causeless mercy, Srila Prabhupada through another devotee were truly transcendental and I felt a sense of devoting more time to understand things from the spiritual perspective.

As Krishna says in chapter 9.10 in Bhagwat Geeta :

*mayādhyakṣeṇa prakṛtiḥsūyate sa-carācaram  
hetunānena kaunteya jagad viparivartate*

*“This material nature, which is one of My energies, is working under My direction, O son of Kunti, producing all moving and non-moving beings. Under its rule, this manifestation is created and annihilated again and again.”*

My belief in your teachings, Srila Prabhupada, has started growing up and come to a conclusion, this is the only way for a better life when we have to face the world which is Volatile, Uncertain, Complex & ambiguous (VUCA ) around us.

In the year 2019, Krishna desired to move me to DELHI–NCR (close to Vrindaban and Noida Chapter of VCM). Frequent visits to Vrindaban and NOIDA temple helped in continuing the spiritual journey of a neophyte like me. Visit to various ISKCON temple along with pure devotees in India & abroad has been not only inspiring in devotion but also an eye-opener to realize. How you have transformed several lives Srila Prabhupada through your causeless mercy. Whatever I am today, It's all because of your causeless mercy.

*Yasya prasādād bhagavat-prasādo yasyāprasādān na gatiḥ kuto 'pi  
dhyāyan stuvaṁs tasya yaśas tri-sandhyam vande guroḥ śrī-caraṇāravindam*

*"By satisfaction of the spiritual master, the Supreme Personality of Godhead becomes satisfied. And by not satisfying the spiritual master, there is no chance of being promoted to the plane of Kṛṣṇa consciousness. I should, therefore, meditate and pray for his mercy three times a day, and offer my respectful obeisances unto him, my spiritual master."*

From my above Journey, I truly, truly believe that you Srila Prabhupada have some plans for me and one day I would transform the way you desire me to be, through your advanced disciples.

Kindly keep blessing me Srila Prabhupada & show me the right path if you so desire.

Selfish Servant of the Servant, Bhakta Rajesh Pant.

My dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet.

Prabhupada because of your causeless mercy I have come to Krishna Consciousness, and now I am under care and direction of your devotees. Srila Prabhupada you came into my life and lit the lamp of loving devotional service to Lord Krishna. Srila Prabhupada, because of your causeless mercy this fallen soul is under your protection. Srila Prabhupada please bestow your mercy upon me so I can know more and more about Lord Krishna and always help me in progress towards Krishna Consciousness. Please always connect me to the association of your devotees. Prabhupada I am very much fallen into material life, and I do not have much intelligence to serve Lord Krishna. Please help me to increase my spiritual knowledge towards Supreme Lord Krishna.

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to Srila Prabhupada. All glories to you on this auspicious day of your Vyasa-puja.

My master, I am proud to be in the association of yours, and at the same time, ashamed of being a poor example of a servant. I still remember the day when I came in the association of devotees-and was doing chanting, listening to kirtans, attending festivals by your and lord's mercy. Later I am following four regulative principles, advancing in my spiritual life and am involved in various sevas. In all means, O master, you are teaching us how to be a devotee and to serve our eternal beautiful Sri Sri Radha Vrindavan Chandra. Unfortunately, this was not the case in recent years because of my ignorance I could not follow your instructions.

With your instructions and teachings and reading the books written by you I could notice how my life has changed, the approach towards other souls, patience, and compassion and to see everything in a positive way.

Hey Prabhupada, I know I don't deserve but I tried to make a pitiful offering for you. My humble request is that do not give up on me and have patience on me as due to lack of my sukriti I am progressing very slowly.

Your humble servant,

Raman Sharma.

Dearest Srila Prabhupada,

Please accept our obeisances.

*om ajnana timirandhasya jnananjana-salakaya*

*caksur unmilitam yena tasmai sri-gurave namah*

It is always the most difficult task to describe your mercy for all the opportunities that you have presented to us. The first problem is to understand the unlimited kindness and mercy that you have bestowed. Unlimited because you have provided one and all the opportunity to serve the Supreme Personality of Godhead, Lord Sri Krishna.

You have taught us, Godhead is light. Nescience is darkness. Where there is Godhead there is no nescience.

The only way to avoid the influence of ignorance is to always associate with Godhead by the sublime transcendental process of chanting

*Hare Krishna Hare Krishna Krishna Krishna Hare Hare*

*Hare Rama Hare Rama Rama Rama Hare Hare*

I sincerely await the day of my initiation when I will have been blessed by you and the Lordships and also provide me the knowledge so that I may make it a priority to read your books. Please direct me with your kind mercy so that I may achieve the goal of this human life!

All glories unto your lotus feet. Jagadguru Srila Prabhupada ki Jai.

Dear Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet on this most auspicious day of your divine appearance. All glories to your Divine grace.

I request you to pour mercy upon us, most fallen souls else we could not be able to survive in this world. I am also requesting you to take care of my father, who recently passed away in March. Because of your mercy, I came in contact with devotees and am still continuing Krishna consciousness. I do not know whether I deserve to be in touch with devotees, who guide me spiritually. I am not able to chant Maha-mantra nowadays. I don't know what has happened to me Prabhupada, nothing can be hidden from you, you know the reasons. Please make me chant again with the serious hearing of words of the mantra.

I am reading SSR and going to complete it. I will start reading other spiritual books as per the devotee's recommendation.

Hare Krishna.

Most fallen soul,

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to you.

I was lost in the ocean of the material world searching for name, fame, happiness, settlement, and wealth. Your Divine Grace you have opened my eyes with the torch of spiritual knowledge. Your Bhaktivedanta purports have helped me to advance in spiritual life. Your purports have revealed to me that I am part and parcel of Krishna and my existence is eternal as a servant of Krishna. This has given me a lot of happiness in spiritual life. By reading your books I have understood that life is temporary in this material world but spirit soul is eternal. This was a paradigm shift in my life. I have no qualification to understand spiritual life but by your mercy, it is possible in this age of kali.

Srila Prabhupada your mission is crystal clear, taking all the conditional souls back to Godhead. You have given me the strength to follow 4 regulative principles and chanting 16 rounds. It's your mercy that I have got devotees' association and practicing Krishna consciousness in a more regulated manner.

I am eager to serve this movement with my knowledge and intelligence and want to join as a full-time volunteer in this mission of Srila Prabhupada.

I need your blessing to preach Krishna consciousness among people and your mercy can help the world to reach the lotus feet of the Supreme God Krishna.

Your fallen servant,

All glories to Srila Prabhupada,

Please accept my humble obeisance.

I want to take this opportunity of Vyasa-puja 2020 to thank you for your mercy on this most fallen soul. I am really very grateful to such a soul like you who devoted his whole life to show the brightness of spiritual life and tried to fill everyone's life with happiness by sharing Lord Krishna's thoughts. I am also one of the lucky people who got your ideas by connecting with jijnasa and really it is showing a good impact in my life. It's all because of you, Prabhupada. For this, I want to thank you for the mental peace I got. It is not possible for me to pay the debts which I've received from you, as I'm the most fallen soul.

My prayer at your lotus feet is to accept this most fallen soul as your disciple and give me a chance to serve you. Million thanks for being my Spiritual Master.

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet.

*व्यासाय विष्णुरूपाय व्यासरूपाय विष्णवे। नमो वै ब्रह्मनिधये वासिष्ठाय नमो नमः॥*

*व्यास जी को नमन है जो वास्तव में विष्णु जी हैं.. और श्री विष्णु जी को नमन है जो वास्तव में व्यास जी ही हैं.. जो ब्रह्म ज्ञान की निधि हैं और महाऋषि वशिष्ठ जी के वंशज हैं*

With my limited information and knowledge, I think it is an opportunity for everyone to express our gratitude towards you, dear Prabhupada. I hope to get luckier by having the blessing of Lord Krishna as he loves you immensely.

It surely is not ordinary, the preaching that you have established. You have completed the order of your Guru which was the future prediction of Lord Chaitanya Mahaprabhu. Certainly, by the will of the Supreme Lord and His mercy, you have achieved this success and blessed us all. From this, it is understood that you couldn't be an ordinary person like us but a very dear devotee to Lord Krishna.

With the will of Krishna, you have blessed us all to understand and know Him, by your writings. You have translated Bhagavad Gita & Bhagavatam and numerous other scriptures for us to easily understand them. You would have taken a lot of effort and now we are easily sitting and trying to understand them through the senior devotees. Even your disciples are so powerful in transmitting your knowledge to us. That is the blessing you are showering on us. You took so much effort only for the welfare of us all.

In this world of Kaliyuga, where we are constantly losing our heritage and practices to worship the Lord, you are giving us the direction to move with the setout process to advance in Bhakti. By your preaching, people come to know about Vrindavan and Mathura and have developed faith among all people.

Indirectly, you have approached many more devotees at their home, through TV serials like "Krishna" which is getting re-telecasted again in television during the COVID pandemic, the serial has taken contents from your writings as well. Even the director/ producer has acknowledged your contribution in propagating the Bhakti movement.

ISKCON is also so rightly and powerfully named, that we have to have a consciousness molded with Krishna's thoughts always. From the name of the organization ISKCON, one can understand the aim of our life.

I am so lucky to come in contact with this society through one of your followers. It is only a short duration of mine to have an association with ISCKON devotees. I did Govardhan parikrama with them and found the Bhakti imbibed by them. That night after returning from parikrama to my home, I was feeling a newer kind of euphoria. After the association and specifically with some chanting, I feel that I'm little away from my not so nice thoughts, I also feel that due to this I'm offered more opportunities and recognition in my work in material front.

I'm also attending some regular classes on Bhagavad Gita by a senior devotee and now my parents have also started reading Bhagavad Gita.

I've been trying to offer food to the Lord and it has now become a regular practice at my home. With your mercy only, it can be a culture in my family and we can progress in the path of bhakti.

I'm fortunate to be associated with the society started by you. May I be able to surrender unto you fully and become a suitable vessel to receive your blessings and further my spiritual journey.

Your novice disciple,

Bhakta Rohit Seth.

Dear Srila Prabhupada,

Please accept my humble obeisance from the most unworthy servant of yours.

I have no words to express my gratitude, my gratefulness, to you, to your kindness, and to your unending causeless mercy. I was nowhere close to becoming your servant, your disciple, or a devotee of Krishna but you, out of compassion kindly accepted me as your servant and bestowed with the topmost boon, Krishna consciousness in my life. Still, I was again going too lost into the depths of material illusions and sufferings but you again pulled me out from drowning again in this material pool. I fall again and again at your lotus feet for the immeasurable kindness and mercy that you showered, and every day showering on this unworthy fallen soul.

You came in this world on the words of Krishna and spread the words of Krishna on the entire planet at the age of seventies and eighties, a thing which seems an impossible dream to believe. But when I go through your books and your lectures and little ponder your words, your feelings, and your love for Krishna, then my tiny intelligence tells me that it was just a teaser, you can do miracles which hardly any of us can dream of.

The astonishment of this world will continue for eternity, whenever they will hear your name, your past times, and your glories. And I will always remain in wonder, how I got the catch of your mercy. Maybe my immense sufferings turned your attention towards me?

And I plea, again and again, Oh! Ocean of mercy! Friend of poor, and master of devotees, please keep me as a humble servant of yours, I beg at your lotus feet.

Your most unworthy servant,

Bhakta Roushan Vrshni.

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet.

Prabhupada, people are suffering so much in this miserable material world due to unawareness about Krishna consciousness.

Because of your causeless mercy, a highly fallen soul like me came to Krishna consciousness movement and trying to follow the principle of bhakti. You gave us the greatest gift of Krishna consciousness in this human form of life without any previous qualification.

Before coming to Krishna consciousness I had so many misconceptions about spirituality and I had no idea of bhakti.

Dear Prabhupada Ji, you taught us everything about spirituality, like who we are, who is god, and how to serve guru and Krishna through your book and lectures.

Glories of your books cannot be described in words. Many times you answered my question through your book and lecture and clarified my doubts.

In my spiritual life, I committed so many mistakes and offence, you are so merciful that you are forgiving everything and guided me. Prabhupada please keep guiding me always.

Dear Prabhupada Ji, by your causeless mercy and blessing we are able to practice some standard of bhakti. Without your mercy, it is not possible for me to practice the principles of bhakti. Prabhupada I am so much fallen that it is not possible for me to properly glorify you.

Dear Prabhupada Ji, it is very difficult to practice bhakti in this age. Please be merciful on me and give me strength so that I can follow your instructions very sincerely and seriously without failure.

Please keep me in your shelter.

Your most Fallen servant, Bhakta Rupesh Kumar.

Dear Srila Prabhupada,

O my spiritual master, because of your causeless mercy I came into Krishna Consciousness, and now I am under care and direction of Sri Radha Vrindavan Chandra. Srila Prabhupada, please always keep me under your protection and bless me so that I progress in Krishna Consciousness.

Please always help me to associate with devotees. I also sometimes make mistakes in spirituality such as no regular chanting. So please give me blessings that I get the taste and mercy of chanting every day. Also please bless me to be on the path of Krishna Consciousness if I deviate due to material attraction.

I thank you very much Srila Prabhupada for giving Krishna Consciousness at a very early stage. By your mercy let me get a job so that I will serve the mission.

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet, which are as potent as the lotus feet of the Supreme Lord. Having taken shelter of your lotus feet, even the most fallen souls of the Kaliyuga attain the highest perfection and are able to cross over the ocean of material existence.

Srila Prabhupada, you are the most merciful spiritual master. You have taken all kinds of troubles and discomforts only for the benefit of the fallen souls like me.

In spite of this, I have been so fallen and wrapped in lust and greed that I have been failing to execute your instructions, which are so simple, sublime, and clear.

Srila Prabhupada, I carry in my heart a sincere desire to become one of the initiated disciples of yours. But I see neither any ability nor any qualifications in me to become one of your disciples. I see no hope that I will ever achieve this dream of my existence because I have no spiritual strength. Throughout my life so far, any devotional achievement I have ever made is entirely on your strength.

So, on this occasion, I have just one thing to pray for. And that is the service of your mission, of your lotus feet and of your servants.

O Master, please bless me with just one benediction, that is, that I be able to execute your instructions and one day be qualified to become an initiated disciple of yours.

No one in the entire creation can save a fallen soul like me. Only you can, Srila Prabhupada.

Please save me. Please accept me.

An aspiring servant of yours, Bhakta Sachin Tripathi.

Hare Krishna,

Dear Srila Prabhupada,

I have been worshipping God since my childhood and made it a practice even when I moved out of my city. However, I was not sure about the purpose of worshipping, and was easily influenced by the people about the purpose and whom to worship. Different people had different reasons to worship and so they have chosen different Gods as per their wishes, convenience and knowledge. So, I was not sure whom to choose, and what can be my ultimate path.

4 years back, I was unconsciously searching for an ultimate purpose and reason to go ahead in spiritual awakening, And I found Hare Krishna Movement by Srila Prabhupada in Powai, Mumbai where I met one of the devotee Gaur Mandal Das. And slowly I started finding answer to my anxiety, Moreover, a place of faith.

I started attending Sunday programs, and it started feeling good as well. Later they started an evening program. Although I was tired from the long day at office, still I chose not to miss evening programs and prasadam every night. I left afresh and charged after the ecstatic kirtan, and then it started feeling more positive and struck me that this indeed is the way to go.

Since then, I have started chanting rounds and increasing gradually, read Srila Prabhupada's book. I left Mumbai and came to Delhi, and after a while I started joining sessions in Noida and Gurgaon as well. I must say that I am fortunate to be part of your direction, and trying to spread your message.

I am thankful to you Srila Prabhupada for struggling for a bigger and higher purpose and not for yourself, but for the whole world. Had it not been a mission from Krishna himself, it wouldn't have been loved and respected so much throughout the world, that this movement is the most respected and followed movement on the Planet.

Hare Krishna,

Jai Srila Prabhupada.

Trying to be Your servant,

Bhakta Sahil Sharma,

As I am most unwillingly getting into the dangerous contact of material life due to the forces of livelihood and necessities, I need your guidance and blessing even more so as not to fall in the traps of Maya. To try and remain steadfast in the eternal service despite all oddities of life is a great lesson taught by you. Srila Prabhupada I have faith your divine instructions which are so potent. The greatest turmoil arising in this life can be easily subsided by following your instructions. I want your blessings so I can follow your instructions in this toughest situations.

Dear Srila Prabhupada,

Please accept my humble obeisance under your divine lotus feet.

I feel the presence of you when I chant Hare Krishna mantra. I feel it is you who are delivering knowledge while reading your books, listening to your words. Gradually as I went on reading and listening to Srimad Bhagavatam lectures I understood the purpose of life, the meaning of life, and how can I best utilize this life. And I think it became possible only because of your mercy. I got my answers to all question in Bhagwat Gita. No need to worry if Krishna is with us. Prabhupada, I'll try to continue reading books and chanting the holy name of Krishna. Please give the right intelligence to carry out your orders and please keep me under the shade of your lotus feet so that I can improve further.

Last but not the least I thank you very much for making me chant the Maha Mantra-

*“Hare Krishna Hare Krishna, Krishna Krishna Hare Hare*

*Hare Rama Hare Rama, Rama Rama Hare Hare”*

With your blessings I like to continue back with my volunteer service at the JIJNASA Residency in Noida.

Your aspiring devotee,

Bhakta Sanket Gupta.

Dear spiritual master Srila Prabhupada,

Please accept my obeisances.

I am writing this offering as a sincere devotee of the supreme Lord. My hearty wishes on the special occasion of Vyasa Puja.

You are the ray of hope in this harsh society. You have saved me countless times from getting conquered by ego and selfishness, which is dominating in the present society. Your books and your principles are an inspiration to one who seeks spirituality. You gave us the Divine knowledge of getting immersed in Krishna. You helped me really understand the greatness of Krishna, and the purpose of one's life. True happiness lies in the service of nature and the supreme Lord. I have been in touch with the disciples from the past four years, but failed to make much progress. Please give the strength to gain more knowledge and achieve a higher state.

Your Servant,

Bhakta Santhosh Neti, Vrindavan.

Dear Srila Prabhupada

I offer my humble obeisances unto you who is very dear to Lord Krishna.

I heartily thank you Srila Prabhupada. It is because of you we can render service to Lord Sri Krishna and Sri Chaitanya Mahaprabhu and all other acharyas in our small different ways.

Because of your mercy Srila Prabhupada we got the chance to understand the true meaning of Bhagavad Gita and purports in other scriptures which you have written. Because of your mercy, we can chant Krishna's name which is non-different from Krishna. You made clear what actually should be the goal of a person in this materialistic world-that is to go back

home, back to Godhead. You made us realize the actual value of devotees and Guru and Gauranga, and how their mercy plays a vital role in advancing in Krishna Consciousness and without which we can't progress in our spiritual path. You told us the importance of all Dhams. You made Krishna Consciousness so easy but still I am fallen soul not taking it seriously.

Please Prabhupada, I beg at your lotus feet to shower your mercy on me so that I follow your instructions seriously, and make an endeavour to serve Krishna in best possible ways I can.

Please always keep me in the association of devotees so that I may always continue to serve you and Lord Krishna sincerely birth after birth.

Your humble servant,  
Bhakta Satyam Shukla.

Oh my eternal Gurudeva,

Dandvat Pranam to you,

Prabhupada, due to your mercy I came to Krishna consciousness at a very early stage of my life. I was very depressed with my life and started smoking as well as other bad things. But one day one of my friends who is already a devotee of ISKCON shared an online class link, so I attended those classes. During those classes I found myself getting inside Krishna consciousness and then I started listening to preaching online Iskcon devotees and now I have changed so differently from past time. It was only by your grace.

By Lord Krishna and your grace, I will follow Krishna consciousness, and please help me to complete my Krishna consciousness.

Your most fallen servant,

Bhakta Shanu Tyagi.

Dear Srila Prabhupada,

Please accept my humble obeisances at your Lotus feet.

You are very dear to the Supreme Personality of Godhead as you are executing his desire of claiming all the fallen souls like me who came under the influence of Maya and get puffed up thinking of Lord and enjoyer of everything I survey. I have fallen to such an extent the even though I came in touch with devotees, practice Krishna Consciousness, but still engaged in sinful activities repeatedly. I am trying to enjoy to my fullest although Krishna has made it clear in Bhagavad Gita as this world Dukhalayam Ashasvatam.

You are so merciful that even though I have engaged in sinful activities being inflicted by all kind of doshas and it so happened my times that I have forgotten Krsna Consciousness practices, you have never forgotten me and continuously you are giving me chances to revive my love for Krishna.

Oh mercy incarnation of Krishna, please bestow your blessings so that I may be able to get rid of all anarthas which are stumbling blocks in my progress. Help me to focus on the actual aim of life that is to revive actual love for Krishna and be engaged eternally in service of devotees of Shri Krishna.

An unworthy servant at your Lotus Feet,

Bhakta Shashikant Pathak.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to Lord Krishna. All glories to you.

Dear Srila Prabhupad, I am writing this letter to express my gratitude and love towards you. I consider myself fortunate enough to have your guidance as my spiritual master. Your compassion and benevolence towards the humanity is the source of my motivation, and it fills me with even more joy while working as Lord Krishna and your eternal servitor. I thank you for initiating me into Krishna Consciousness four years back in 2016. You have been extremely merciful towards me and given me uncountable chances to improve myself in the Krishna Consciousness.

From 2016 till date, on numerous occasions you have given me chance to serve Lord Krishna. I am extremely grateful for that. Your greatness is immeasurable, and no one can fathom your love towards the Lord and his devotees. You have made the whole process so much easier with your words and writings. In my earlier days of Krishna Consciousness I had doubts in my mind, but you cleared them all. You have quenched my thirst of curiosity. The knowledge that I am getting by the medium of Bhagavad-Gita As It Is, is the absolute and purest form of knowledge. I humbly request you to kindly help me in advancing in Krishna Consciousness, and understand the true purpose of life. I request you to kindly grant me the strength to differentiate between true knowledge and the material knowledge.

Only by your grace I am able to keep myself away from things that bring me down in Krishna Consciousness. Despite living in the society full of material modes of passion and ignorance, you have given me chance to associate myself with Lord Krishna. It is only by your grace that I am able to chant daily, listen to Bhagwat-Gita lectures and remember Lord.

You have made it so easier to follow Krishna Consciousness. When I visit Vrindavan, I try to serve more and try to indulge myself more and more in the Krishna Conscious activities. I can't miss mentioning the prasadam. After having it, one could simply know about the taste of spirituality. I thank you for bringing me closer towards the taste of spirituality. Prabhupad with each day passing I could feel myself getting closer to Krishna, but sometimes maya acts very intensely and it is at that time I remember the shlokas of Bhagwat Gita and try to refrain myself from coming under Maya's influence. I wish I could have met you in person and expressed my gratitude towards you, or could have participated in your kirtans.

Your Love for lord makes me emotional, and your determination makes me more firm in following Krishna Consciousness. I request you to always keep me under your supreme guidance, and always provide me with chances to serve the Lotus Feet of Krishna.

Your eternal servant,

Bhakta Shrrayan Goel.

Dear Gurudeva,

Please accept my humble obeisance unto your lotus feet,

Srila Prabhupada when I heard from you “Rascal, I have created that piety for you” That statement very 1st time, it was enough to burst the pomp and gaiety of self-created sense of past karma or fortune. (I have done some pious act in a previous life) *guru krsna prasade paye bhakti lata bija*. What is needed for all of us is to get bhakti and the bhakti is received by the mercy of the Guru and we get the Guru by the mercy of Krsna. And we all are very fortunate that we find a Guru like Your Divine Grace.

The word guru-prasada indicates that the spiritual master is very merciful in bestowing the boon of devotional service upon the disciple. Thus the spiritual master trains his disciples to render devotional service unto the Supreme Personality of Godhead. This is called guru-krpa. It is krsna-prasada, Krsna's mercy, that He sends a bona fide Spiritual master to the deserving disciple. This bhakti-lata-bija is received from the Spiritual master by the grace of Krsna.

This causeless mercy of Your Divine Grace kept me going this year as well - It was wonderful, it was blissful and yes, full of a new aspect of Krishna Consciousness, Association of Devotees, and most important Mahaprasadam.

New responsibilities taught me the value of devotees, respect of devotees, and the importance of association of devotees. It was great learning that Inconvenience and struggle are part of purification. I got the chance to serve the devotees at such a bargained price - sufficient to prove your impactful role in every individual's life. I have no qualification nor do I have words to express the gratitude towards your divine grace, still please accept this homage on this auspicious day of your Divine appearance. Seeking your mercy forever. Insignificant seeker of shelter unto your Lotus feet.

Yours sincerely,

Bhakta Shubham sharma.

All glories to Srila Prabhupada.

O my dear lord, my spiritual master please accept my humble obeisances unto your lotus feet.

My dear beloved spritual master how can this insignificant fallen soul glorify you?

You have been glorified by Narada muni, the foremost of all sages. You are the ultimate gift given by krishna to all living entities suffering in ocean of material world .

This fallen soul offered you service which is full of faults but my most compassionate lord you accepted me and my service without distinction. You by your causeless mercy have given me the Holi name of the lord to chant and clean my heart from material contamination. Before coming to Krishna Consciousness my life was in very poor condition. There was no light of hope to come out from that miserable condition. Every moment I was in great stress and pain, my senses were driving me to death but my master you gave me the shelter of your lotus feet which are residence of thousands of self-realised soul and are full of transcendental happiness. You are Goloka resident and assisting Gopis to take part in conjugal loving affair of Radha-Krishna.

From where can I bring those words to glorify you, O my master!

As there in this world no word can be fitted for the glorification of my spiritual father His Divine Grace A.C. Bhaktivedanta Swami Srila Prabhupada.

I thank you again and again for giving me Krishna Consciousness and providing me the shelter of your lotus feet.

Begging to remain under the shade of your lotus feet and benediction from you such that after completing my education I can take part in serving your order.

Your fallen servant,

Bhakta Shubham Tripathi.

Dear Srila Prabhupada Ji,

Please accept my humble obeisance. All glories to you on this auspicious day of your vyasapuja.

I am thankful to srila Prabhupada Ji for all the blessings he left for humanity in form of knowledge. His teachings are like nectar taken out from ocean. Whoever will follow his teaching can one day be able to reach back to Krishna.

I am very fortunate to have the opportunity to write to you on the auspicious day of your appearance. First of all I am very fortunate you entered my life and heart. Often, I think of where would I be without you, your disciples and your preaching centers. It is never a pleasant thought, not even for a slight moment. In your enlightening association is hope for everyone and with all your travelling you bestow the ultimate benefit upon people in general.

Please keep mercy on me so that I will be able to help other devotee as well.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to Srila Prabhupada. All glories to you on this auspicious day of your Vyasapuja.

As we know that to reach God one needs to be guided by a bonafide Guru. Prabhupada carried on the legacy of disclipic succession and spread the word of Sri Chaitanya Mahaprabhu throughout the world.

I have read Perfect Question & Perfect Answer book by Srila Prabhupada. The reading of this book has broadened my view about Krishna consciousness and spirituality.

All the Krishna conscious literature that Srila Prabhupada had compiled today is like words commandments that could help you sail through the material worldly life. All his quotes are very inspiring and serve as guiding light in state of confusion. His grace took the tradition of Rath Yatra to USA and later in other countries which was called 'Juggernaut' initially. By establishing ISKCON he revived the declining quality of life world over. Many eminent people like the Beatles(band) and Apple founder Steve Jobs mention how ISKCON renewed their interest in spirituality and help them sail through tough times. Due to gurus like Prabhupada, people never saw India in the same way which has now become the spiritual centre of the world.

The devotees are always there to help the people. The life of Prabhupada itself is a motivation as to how a person into family life can also take to Krishna Consciousness or God Consciousness to make their life perfect. On a personal note, I got acquainted with Prabhupada, when I visited Vrindavan Chandrodaya Mandir and Akshaya Patra during the 3 billionth meal celebration . Since then I have been part of Jijnasa society in DTU and into Krishna Consciousness. He has made the religion very scientific for us. Each line or verse of Sri Sri Guru Ashtaka and Aartis is very meaningful. Now it very clear to us that Krishna is the Supreme personality and chanting is our Yuga dharma . Srila Prabhupada promised to take everybody back to Godhead so we should engage ourselves in remembering Krishna and spreading Prabhupada's message .

In the words of Saint Kabir,

“Guru Gobind dou khade kake lagu paye, balihari guru apne Gobind diyo bataye”

Your humble follower,

Bhakta Siddharth Dhawan.

My dear Srila Prabhupada,

All glories to you ! Srila Prabhupada, my eternal spiritual master, please accept the sashtanga namaskara of this most fallen soul.

It's been almost two and half years trying to serve unto your lotus feet by following your instructions. Before coming under your shelter I was a fallen soul conquered by the power of Maya, living under mode of ignorance. Drugs and lust were my friends, and my life was full of sorrow and miseries. But after getting in touch with your devotees, knowing about your regulative principles, I came to know that these anarthas are my enemy not my friends. Serving you under the guidance of your devotees transformed my life; helped me come out from a depressed illicit life to a better one.

Even though I have been in your association, still I am unable to follow your regulative principles with my full endeavor. I am requesting you, my master and my spiritual father, to be merciful unto me and provide me more strength and knowledge to serve you and Lord Krishna. I want to serve you and Lord Krishna till the day my consciousness remains in my body. Be kind to me, and help me in progressing towards Krishna consciousness, the foremost goal of my life.

Your most fallen servant,

Bhakta Sumit.

All glories to Srila Prabhupada,

Please accept my humble obeisance at your lotus feet.

There are no enough words that can glorify your importance in my life, even though I try to glorify your importance. I was totally unaware of the real purpose of human life but through your teachings, I could know it. Earlier I used to consider myself as a body but after going through your teachings I found myself as a soul I came across one video in which you are defining the real meaning of enjoyment and that helped me to encourage my curiosity for many spiritual questions. I started self-realization which helped me to understand that we are servants of the Supreme Personality, Lord Krishna. Begging to remain under the shelter of your lotus feet at all times and aspiring to be.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to your divine grace.

Thank you very much for giving me the opportunity to be engaged in your Hare Krishna Movement.

With your blessings I am going to graduate this year and while we keep coming across multiple cross roads in life where it is easy to get carried away towards a materialistic comfort zone, Lord Krishna's and your blessings as well as a continuous engagement with temple devotees, ensures that the focus gets re-aligned to making a steady progress on the path of Krishna Consciousness with the ultimate goal being getting a place in the lotus feet of Krishna.

My family members have also started chanting the holy names and started Mangala Aarti at our home for last few years, please help us to continue practicing. It has been your blessings and the intelligence given by you that I have been able to do this.

One more year has just passed on and has made me able to continue practicing Krishna Consciousness the reason being is only and only your mercy. I feel very fortune to be connected to your lotus feet. With your mercy our whole family is now practicing Krishna Consciousness. The books written by you are so powerful that its helps me in gaining spiritual as well as mental intelligence. I can see the unbelievable change like improved concentration in myself. I bow unto you lotus feet to help me in reading more books.

Please continue to bestow your mercy on this insignificant servant of servant of yours,

Dear Srila Prabhupada,

My spiritual master, all glories to you, on this auspicious day of your Vyasa-puja, accept my humble obeisance. I was in darkness, and then with your grace, I had an opportunity to read the book "The Science of Self Realization". It was the first time, when I got to know, through this book that Lord Shri Krishna is the Supreme Personality of Godhead, and we are his servant. Whenever I read this book, it was like I am interacting with you, my master. It was indeed a thrilling and thought-provoking experience.

The literal meaning of Guru is 'the absence of darkness'. I realized that your each and every word is like sunlight, causing the end of darkness from the mind and soul. I read Shrimad Bhagwat Gita and it enlightens the mind. I am a fallen soul,

trying to practice Krishna Consciousness at Akshay Patra, wherewith your grace my master and with the mercy of Lord Krishna, I am trying to practice Bhakti Yoga with the devotees and in the guidance of Prabhujis. Bhakti Yoga is the only method, in the Kali-yuga to achieve Krishna Consciousness. And I am fortunate enough to know it, because of your bestowed mercy upon me.

Your humble servant,

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet. All glories to you Srila Prabhupada on this auspicious day of your Vyas puja.

Srila Prabhupada, because of your causeless mercy, I came to know about Krishna consciousness. I came to know that I am a spirit soul, part and parcel of the Supreme Lord Krishna. My Guru-Maharaja, I am chanting "eight rounds" and trying to read your books regularly. Because of the blessing of Sri Radha Vrindavan Chandra, I am trying to do my all duties like study and other duties being in Krishna Conscious mood. Now I have completed my graduation with your blessing. Because of your causeless mercy, I have got the opportunity to serve you and Radha Vrindavan Chandra as well.

Srila Prabhupada, I wanted to tell you that during my college life I have faced many problems easily with your blessings and also felt that when I was in need then Lord Krishna guided me and took me to the right path, and that was only possible because of your causeless mercy upon this most fallen soul. Because of your loving affection toward this fallen soul, I am getting the opportunity to do loving service of Supreme Lord and I also wish to do it in future while doing job and other preparation as well. Dear Guru Maharaja, I also like to add one more thing that I have completed "Bhagvat Gita As It Is" once (not very perfectly) as per my capacity and by reading this Holy book I came to know many important things and solutions of many problems of day to day life and again this is only possible because of causeless mercy upon me.

I humbly thank you very much Srila Prabhupada for giving me Krishna Consciousness at this early stage of my life and I request you to provide your causeless mercy upon this fallen soul always.

Your most fallen soul and humble servant,

Dear Srila Prabhupada,

Please accept my humble obeisances, All glories unto your lotus feet.

Disease, war, famine and much social unrest are currently biting this world. The collective karma of these atheistic civilizations is getting back at them.

We are very fortunate that your divine grace has most mercifully descended on this planet to relieve us from the fire of the material world. It is extremely exceptionally rare for fallen souls like us to come in touch with souls as merciful as you are. It is most unfortunate that out of billions of jivas, only a handful has gotten to receive your mercy.

Lord Gauranga laments "How can I act alone? How can I alone pick the fruit and distribute it all over the world? I am the only gardener. If I do not distribute these fruits, what shall I do with them? How many fruits can I alone eat?"

By much pain and hardships, you distributed these fruits still there is so much more to be distributed by your holy self. You have made me realize this is where you want my service to spread the holy name further and further into every nook and corner of this world. But I cannot do it without your mercy all that I have achieved so far is only by your mercy.

Once again, I have come to your doorstep begging enlightenment and empowerment to fulfill your desires and usher in the golden age of sankirtana.

Your Servant,

Bhakta Thaisnang Rean.

Dear Srila Prabhupada,

Kindly accept my humble obeisances.

Ever since I became associated with the Hare Krishna Movement and took the association of the Holy Name under the guidance of your Divine Grace, I have experienced many positive changes. Some of the practices like hearing your blissful kirtans have been steadier, while some other practices have not been as steady as one would wish them to be. Needless to say, the nectar of your kirtans has always had a positive impact on my psyche, and chanting of the Holy Name too brings about a sense of satisfaction. These are some of the many wonderful ways in which the Hare Krishna Movement impacted my life. Also, I would like to confess that in spite of repeated interventions of the merciful devotees my chanting habits have somehow not been as expected. I would like to beg your pardon on that front. I will make chanting more regular. Kindly accept my Vyasa Puja offerings Prabhupada. I shall remain your humble servant

Aspiring to become your servant,

Dear Spiritual Master,

Adulations at your lotus feet. All praises to your Godly Grace.

I am blessed and grateful for the compassion you have poured in for me to be free from the grabs of MAYA. With your blessings; my imperfect senses, tangled in gratifying the material cravings are now being engaged for the understanding of unbounded happiness. My Soul which is infinite (realization after reading your books) and different from this material body, was dispossessed of the transcendental nourishment. Association with ISKCON, has considerably increased my

spiritual quotient and aided me to realize that all my energies to chase material contentment were pointless. O empathetic mystical master, please provide me with a prospect to someday repay this debt by engaging me as your menial servant. Please bless me that I may certainly not fall away from your lotus feet and be always free from the influence of the material energy. Please bless me to develop Krishna Consciousness that remembers Lord Krishna at the time of the real examination of human life- Death.

Your humble follower,

Aspiring to be your humble servant,

Dear Srila Prabhupada,

Please accept my humble obeisance.

All glories to Srila Prabhupada. All glories to you on this auspicious day of your Vyasa Puja.

It gives me immense pleasure to express gratitude towards the contributions made by you in the form of your teachings, books, lectures and kirtans. You've given this world an immortal nectar in the form of the Hare Krishna Movement. Every single pastime of yours is transcendental in nature, and it guides me. I always feel indebted for showering these blessings on me. It is because of your causeless mercy that I got an opportunity to understand the science of spirituality, and under your direction only I've been able to serve Sri Sri Radha Vrindavan Chandra and Chaitanya Mahaprabhu.

From the time I have started attending the FOLK sessions in my college to the date chanting 16 rounds daily and following the regulative principles, it's been almost six years. This journey is full of enjoyment and an immense amount of happiness. Only your blessings can guide such a fallen soul to continue practicing undisturbed. Chanting and reading has become an indispensable part of my life. Your books are like an immortal nectar that keeps on grinding my inner self every time I read those. By reading your books such as The Science of Self-realization, Beyond Birth and Death, Perfect Questions and Perfect Answers, the Nectar of Devotion, Life Comes From life, I've been able to understand the actual meaning of this materialistic life which is far beyond eating, mating and sleeping. With time I'm able to understand that it is the fire of knowledge that burns all the doubts and fruitive activities to ashes (BG 4.35- 4.37). Increased faith, ability to chant more attentively, association of great devotees have made me realize that from a sinful microbe to Lord Indra, we all are bound by Karma. We all have to enjoy the reactions of our work, be they good or bad. As long as we have to suffer or enjoy these reactions, we're bound to these material bodies.

Everyone is recklessly busy in taking care of this body which is perishable and full of miseries and they forget about the soul which is immortal. As mentioned by you in BG 13.9, one should be intelligent to see the troubles of these four stages of life. This has changed my approach of living as these problems are inevitable and no one can escape from these.

*Janma-mrityu-jara-vyadhi duhkha doshanudarsanam*

*"The concept of soul and it's transmigration from one body to another is very well explained in Bhagavad-Gita and is really mesmerizing."*

Apart from that I've successfully completed two years in serving your mission of eliminating classroom hunger and aid in education of children. By your mercy recently I've stepped into the Grihastha Ashram.

I thank you very much for giving me the knowledge of Krishna Consciousness. By your mercy let me be focused always so that I can serve your mission successfully and keep on advancing in Krishna Consciousness.

Begging to remain under the shelter of your lotus feet all the time.

Aspiring to be your humble servant, Bhakta Vinay Arora.

My Dear Srila Prabhupada,

Kindly accept my humble obeisance at your lotus feet.

Prabhupada when I came to Krishna consciousness in February 2020, I was ignorant. I have argued on various matters related to Sanatana Dharna but my FOLK guide always supported me to ask such questions as the more I will ask, the more I will become enlightened in Krishna Consciousness. After getting the association of devotees under the Hare Krishna movement, I developed the taste of devotion. I attended online Geeta sessions and Bhagwatam sessions during lockdown which made me curious to know more about Lord Krishna and become a pure devotee of Him. I started chanting 5 rounds. It is all because of your mercy. Thank you for bringing all this knowledge to the whole world. All glories to Srila Prabhupada.

Your humble servant,  
Bhakta Vinay Kumar Pandey.

Dear Gurudeva,

Please accept my prostrated obeisances in the dust of your lotus feet. All glories to your Divine Grace.

Firstly, I would like to say that I can't thank you enough for what you have provided me with the most confidential and timeless wisdom of spirituality.

Without any dilution in philosophy, you imparted the most authentic and authorised version of philosophy in a very cogent way so that even the most fallen souls like me could comprehend the incomprehensible and implement the teachings to lead a happy Krishna Conscious life.

Secondly, I want to seek forgiveness for all the offences that I've committed, and I also want to ask for your help so that I can reduce the mistakes in my sadhana process and can follow the four regulative principles without fail.

I've learnt a lot from your books and desire to learn even more. So, please give me the right intelligence with which I can proceed in the right direction with the right spirit and carry out your orders and preach more.

Lastly, I would just ask you to shower some mercy on me by always keeping me under the shade of your lotus feet so that I can become strong enough to follow the principles staunchly and get enough knowledge to disseminate the teachings of Bhagavad-Gīta even to the atheists and impersonalists.

Always in your service.

Your humble servant,  
Bhakta Vinay Yadav.

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet. All glories to you.

On this auspicious day of Vyasa puja, I want to express my gratitude towards you. It's been almost two years that I have been practicing Krishna Consciousness. My faith and dependency on Krishna have increased by time. By your teachings, I got to know the real purpose of this human form. Whenever I feel low or in distress, I just read any of your books or hear any lectures. It gives me immense satisfaction that I have faith in Krishna and he will take care of everything.

In this ongoing pandemic situation, I am one of the fortunate souls who got stuck in Shri Shri Krishna Balaram temple Jaipur and rendering service unto the supreme lord by your causeless mercy. And I want to thank you for always keeping me under your shelter. You have always taught us how to be tolerant and humble. Because of you, I distributed so many of your books during the book marathon last year and tried to contribute to your movement.

Please keep bestowing your causeless mercy upon me so that I could contribute something valuable to your great movement.

Your humble servant,

Bhakta Vipul Agarwal.

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet.

I am very lucky and blessed by Lord Sri Krishna to have a pure Vaishnava spiritual master like you and being a part of ISKCON. Before coming to Krishna consciousness my life was very randomized, whatever I was doing it was without any cause. I believed in god since my childhood but not following Krishna much as I don't know much about Krishna and also whatever I was doing was in very unorganized manner.

Once I went to ISKCON Bangalore, only by Krishna and your mercy, I came in contact with the devotees of Lord Krishna and same happened with me in Noida, i.e. Vrindavan Chandrodaya Mandir, where I came again in contact with many devotees who guided me in every possible way towards the path of Krishna consciousness.

And now I learnt, that Krishna consciousness means how to act in harmony with ultimate reality. Krishna consciousness means becoming free from that illusion, and experiencing our true blissful, eternal nature. It's a process that works. Anyone can do it.

Krishna consciousness is both a "practice" and the goal of the practice. The goal is to be Krishna conscious. The practice is to always stay conscious of Krishna.

I heard a lot about you, whatever I heard is still very small and it keeps on increasing, what I thought is you must have a very special mercy of The Supreme Lord Sri Krishna due to which you taught Krishna Consciousness to western world also.

We are very thankful to you that you showed us the path of Krishna Consciousness.

*Hare Krishna Hare Krishna Krishna Krishna Hare Hare*

*Hare Rama Hare Rama Rama Rama Hare Hare*

Your servant,

Bhakta Vishal Yadav.

I offer my obeisances unto the spiritual master of the entire world, A. C. Bhaktivedanta Swami Prabhupada.

I do believe that Guru is a form of Krishna in a disciple's life. My dear Guru Maharaj, you are the one who guided me towards the true path meant for human form of life, the path of God realization, the path that leads to Krishna. The spiritual master leads one from darkness towards light. You illuminated the entire world that is so filled with the darkness of Kali-Yuga with your brilliant effulgence in the form of your teachings. Guru Maharaj, your causeless mercy knows no bounds

and your mercy is like rain for the ever-burning forest fire of the material world. Your patience and tolerance know no limits and you are always patient with the fallen souls of the material world. Therefore, I offer my respectful obeisances unto you. I know that you appeared in this material world only because you were carrying out the will of Krishna. You carried out the will of Krishna at an advanced age with an unshakable faith in Krishna and purity in your heart for delivering the fallen souls of this age. I hope that you bestow on me the same faith in Krishna and purity to advance your mission as well as to lead my life. I firmly believe that I can face any adversity in life with my Guru Maharaj by my side and this faith is unshakable. You are the one that made me aware of Krishna's hand in my life, and this has increased my love and dependence on Him. I hope that you will continue to shower your causeless mercy and love, my obeisances unto you.

With lots of love and gratitude.

Your humble servant,

Bhakta Yash Kaushik.

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to you on this auspicious day of Vyasapuja.

This is my very first offering to the spiritual master as I am new to the spiritual path. Please forgive me for my mistakes that I have made till now. I have just started my spiritual journey. I still have a very long journey ahead. We all have come to this material world, and gained material knowledge. We don't know what does spirituality actually mean, but because of your guidance we get to know the taste of spirituality, even if it's a drop. The meaning of that drop cannot be understood without the Guru. Very few humans get the opportunity of getting the taste of the drop from the ocean of spirituality, and the ones who get this opportunity is just because of the mercy of the spiritual master. Without the mercy of the Guru, we, conditioned souls, can never understand the purpose of our life and The Supreme Personality of Godhead, Lord Krsna.

I am grateful for getting the opportunity of submitting my humble offering to the spiritual master on this auspicious day of Vyasapuja. Kindly, forgive me for my mistakes while making this offering, and please be merciful for my spiritual journey ahead.

Your humble servant,

Bhaktin Anasuya Sonowal.

Dear Srila Prabhupada,

Please accept my respectful obeisances. All glories to you.

I want to express my sincere gratitude for all the efforts you have done for us. Actually I don't have words to express thank you to you. When I started my spiritual journey I don't know the path, but when I read your books, I understand the ways how to live life. What I have received from you is the most precious of all that I have got life after life. Once again Thank you for coming into this world and showing us path of Bhakti.

I know I am not able to offer my writings but still my love and affection towards Lord Krishna made me write somehow. Please excuse me if I make any mistake.

Dear Srila Prabhupada,

Please accept my most humble obeisance at your lotus feet. All glories to you on this auspicious day of your Vyas puja.

It is a time to rejoice and also to express my deepest gratitude to you Gurudev to have showered your causeless mercy upon me.

Gurudev you have timeless knowledge that other realised teachers had spoken for millennia knowledge that opens up the secret of self within us, nature and the universe, and supreme self within and without but it was you who have turned this into a gigantic awakening movement worldwide.

In this age of kaliyuga, Gurudev, you are a truly holy man of deep intellect and spiritual sensitivity and deep concern and compassion for a society which to a large extent lacks spiritual dimension.

Prabhupada, by your mercy, in the time of lockdown 2020 due to covid 19, I got a chance to read your books. In the book "The science of self-realisation" you have said in PLATE NINE, Spiritual life means human life and material life means animal life. Gurudev, I want to advance in spiritual life to make my human form of life successful as you have said material life is equivalent to animal life.

In Bhagavad Gita As It Is 11.55

*mat-karma-kṛṇ mat-paramo mad-bhaktāḥ saṅga-varjitāḥ  
nirvairāḥ sarva-bhūteṣu yaḥ sa mām eti pāṇḍava*

*"My dear Arjuna, he who engages in My pure devotional service, free from the contaminations of fruitive activities and mental speculation, he who works for Me, who makes Me the supreme goal of his life, and who is friendly to every living being – he certainly comes to Me."*

In this sloka Prabhupada, you have clearly explained that the process by which one can attain success in the spiritual life is only through Devotional service i.e through Bhakti yoga.

Bhagavad Gita As It Is 12.9

*atha cittam samādhātuṁ na śaknoṣi mayi sthiram  
abhyāsa-yogena tato mām ic chāptuṁ dhanasjaya*

*"My dear Arjuna, O winner of wealth, if you cannot fix your mind upon Me without deviation, then follow the regulative principles of bhakti-yoga. In this way develop a desire to attain Me."*

Prabhupada, how lucidly u have explained to practice Bhakti yoga in simplest form! that is one should follow certain rule and regulations under the guidance of an expert spiritual master and one should hear Bhagavad Gita and Srimad Bhagavatam from pure devotee and read your books. This practise of Bhakti yoga, under the rules and regulations, with the direction of a spiritual master, will surely bring one to the stage of love of God.

Prabhupada, I beg your mercy for strength to perform devotional service and for the knowledge so that I can read and understand the books written by you and absorb my mind in transcendental subject matter and advance in Krishna Consciousness.

I am very much grateful to you Prabhupada for your causeless mercy upon me. I have got invaluable association of your sincere disciples. Prabhupad please guide me in the path that I have chosen for myself. Begging for your mercy to serve your lotus feet .

Yours insignificant servant,

Bhaktin Arti Rani.

Dearest Srila Prabhupada,

I offer my humble obeisance unto the lotus feet of His Holiness AC Bhaktivedanta Srila Swami Prabhupada. All glories unto your Divine Grace!

On this auspicious appearance day I would like to express my gratitude to you for all the divine knowledge that you passed to us through your divine books. Your books can even convert an atheist to a devotee.

You had made our lives better through your books and lectures. I feel so blessed to serve Radha Vrindavan Chandra, Gaura Nitai in the holy land of Vrindavan. In developing my spiritual life you had played the role of a father holding my finger and guiding to walk on the path of Krishna Consciousness.

Just like a mother you have accepted deep troubles for us to nourish our souls with your divine teachings. Even in your old age where general people accept rest and retirement, you committed your life in establishment of Krishna Consciousness through ISKCON temples thus opening a path of blissful eternity for future generations like us.

I always feel myself lacking of the good qualities as tolerance, humility, self-control etc. It is the faith only that I have on your divine teachings that have kept the hope alive in my heart that someday I will be able to practice Krishna Consciousness in its real sense. You have worked hard day and night for the world.

I beg to you that please make me eligible to render a little service to your lotus feet in complete surrender, humility, enthusiasm. Although being a neophyte into this I still hope to get some service someday.

I always feel that it would be my good fortune if I would be able to serve in your mission in whatever way you desire with my full ability and devotion, which will make my life successful ultimately. It's your hard work only that we are able to understand the Bhagwat Geeta As it is, otherwise in this era of fakeness it is hard to find a genuine guru who can translate the original meaning of Geeta to people and the same applies to other divine holy books translated by you.

You have very clearly explained the science of devotional service in The Nectar of Devotion

(1.4.15-16):

*ādau śraddhā tataḥ sādhu-saṅgo 'tha bhajana-kriyā  
tato 'nartha-nivṛttiḥ syāt tato niṣṭhā rucis tataḥ  
athāsaktis tato bhāvas tataḥ premābhyudaṣcati  
sādhakānām ayaṁ premṇaḥ prādurbhāve bhavet kramaḥ*

The one who will follow this quote will ultimately reach back to godhead.

Your Servant,

Bhaktin Arushi Srivastava,

Dear Srila Prabhupada / My Guru Maharaj / My Spiritual Master.

Please accept my humble obeisance. All glories to Srila Prabhupada. All glories to you on this auspicious day of your Vyasapuja.

It is rightly said:

*गुरुब्रह्मा गुरुर्विष्णु गुरुर्देवो महेश्वर , गुरुसंक्षिप्त परब्रह्मा तस्मै श्री गुरुवे नमः॥*

It means creator, destroyer & lord of this mortal world is Param Guru only. He is the true form of God. So we should take shelter at His lotus feet.

The most important role in making us humans aware of the mighty creations and thought processes of the almighty is that of the guru. Simultaneously, it is only the guru who helps us in attaining the connection of God, whose numerous direct evidence is contained in the Vedas - Upanishads.

Whenever we are in a crisis and call on the Guru with a sincere heart, he will be there with a solution. Problem will be solved at the blink of an eye and vanishes in thin air . In fact, to guide us to move forward on the path of attainment, the pioneers are also gurus. That is why it has been rightly said that

*गुरु गोबिंद दोऊ खड़े, काके लागों पाएँ। बलिहारी गुरु आपने जिन गोबिंद दियो बताये॥*

It is only the Guru with whose blessings we can attain God .

As we all know that the main reason for Arjun's disillusionment was his faith and dedication towards Shri Krishna, who was not only his charioteer but was more like his friend, philosopher & most importantly his Guru. Actually, Guru is like a beacon who removes the darkness of ignorance in a moment.

Srila Prabhupada is the most prominent example of the above statement. He is the only one who took away the darkness of negativity and filled our lives with happy enchantments of Krishna. His Holiness is actually like a charioteer who takes hold of our chariot and leads it on the path of liberation. Truth has been said about Guru-Mahima:

*गुरवे सर्वलोकानां भिषजे भवरोगिनाम्।*

*निधये सर्व विद्यानां दक्षिणामूर्तये नमः॥*

Guru Mahima is like immeasurable ocean of nectar with no end.

In the end, I would like to conclude that without the Srila Prabhupada's Mahamantra, it would not have been possible. Only by the grace of Srila Prabhupada, we get the shelter of the Divine Being. Therefore to make life successful and meaningful, one should go to Srila Prabhupada's shelter. Hari bol!

*Hare Krishna Hare Krishna, Krishna Krishna Hare Hare,*

*Hare Rama Hare Rama , Rama Rama Hare Hare*

Dear Srila Prabhupada,

Jai Prabhupada.. I bow down and pray to you to kindly accept my humble respects at your Lotus feet.

This is yet another offering from a servant who seeks to find devotion in Krishna Consciousness, and the ability to spread this Krishna Consciousness in this material world, to become liberated from this material body, and to find a place under yours and Krishna's Lotus feet, a place as small as particle of soil.

Dear Prabhupada, I have committed crimes, including killing mosquitoes and accidentally stepping on a baby lizard but I have also learned to feel the guilt of doing so, even though it was by accident. I have learned to chant for myself and for the

baby lizard I accidentally stepped on, so that the lizard can also get the benefit of chanting and I get a piece of affirmation that I might go back to Godhead.

Dear Srila Prabhupada, you have always stood with me, as solid as a rock, through my hurricanes, through all the ups and downs, my highs and lowest lows. I know when I can't count on anybody, I can count on you because you are present everywhere, guiding me to walk on the right path. Be it my brain speaking to myself or my father putting some sense into me. You are there in him, and in every being who brings peace into my life and helps me a step closer to my spiritual goals.

Dear Gurudev, I request you to be with me always, as you have been all along and keep guiding me on the right path to achieve that place under the Lotus feet of Krishna. Please always continue to shower your unlimited mercy on this fallen soul.

All glories to you Srila Prabhupada.

Dear Srila Prabhupada,

My humble obeisance at your lotus feet!

As whole life people are aimlessly wandering to search for happiness, I was also looking for someone who could solve life's mysteries. I tried so many ways and entreated family, friends, and others unsolved questions can be asked? Being a sentient I was looking for real affection from people, but realized nobody loves anyone with no reason in this material world. This is self-centric world, where everybody is busy satisfying oneself. Due to your grace I could understand the love we're seeking which can be satisfied by KRISHNA only. He is reservoir of love.

So, with your's and Krishna's mercy, I could use my emotions to serve Krishna nicely. I know it will be direct head to head battle with Maya, but somehow or other I'll cross over this ocean of nescience. I cannot be easily detached from material world, but with your divine grace I'll be successful one day.

Thank you Prabhupada to give the right direction to my life

Your sincere follower,

Bhaktin Kalpana Pachori.

Dearest beloved Srila Prabhupada,

Please accept my humble obeisances at the dust of your lotus feet. All glories to Your Divine Grace.

Thank you for coming to this world. You had to face tremendous difficulties alone while establishing ISCKON. It was through the legacy of your spiritually charged books that I was persuaded to chant the Maha-Mantra, meditate on Lord Krishna, believe myself to be the soul and not the body and develop love of God. This is what I find unique in your message. Your books are always available for me to give me peace at times of distress.

Srila Prabhupada, I cannot deny that I'm not always successful in applying these guidelines, but I consider that I'm successful in that I have the courage to try; and I have the courage to accept both my failures and my successes. This I learned from your teachings and your example, and I'm grateful to you for that.

I beg you to remember whatever small service I have tried to offer to you, and I beg you to keep me eternally connected with you birth after birth.

With love and respect,

From your servant,

Hare Krishna,

My humble obeisances at your lotus feet dear Srila Prabhupada,

I got to know about Hare Krishna movement from my husband 2 years ago. When I started to attend sessions on Sunday with him, I had no faith. But gradually I started having faith. I might not be a complete believer of pure spirituality, but this path gave me some peace of mind for sure. I want to thank devotees who take all queries asked by many beginners like me out of curiosity related to God or any spiritual relation. I am still trying to follow this path, which Jagatguru Srila Prabhupada showed us. Sometimes, chanting discontinues but I try to do it regularly. I started to attend Bhagwat Gita session with family daily in the evening and listen Ramayana daily in the morning. So far, I have learned many good things which will help me to lead less miserable materialistic life.

Hare Krishna.

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet. All glories to your divine grace!!

I started practicing Krishna Consciousness when I got married two years back. I started doing 2 rounds and am now chanting four rounds of japa. By your mercy, I am preparing and offering food to the lord daily. In this context, I heard that once you rejected food because it was not made by a devotee and it was not offered to Lord. You made it clear that whether the food is tasty or not, it does not matter. The main thing is that it should be prepared by a devotee with devotion and it must be offered to the Lord so that we all may honor Maha Prasadam. By hearing this I decided that I will try my very best to not have something if it is not first offered to the Lord and also I came to know that while preparing bhoga we should think about Lord or do kirtan in mind.

You were so hardworking and your love towards the Lord and your spiritual master was so intense that it gave you the strength to make prasadam for hundreds of devotees at an age of 71. By hearing about you and your love towards the Lord we feel motivated. Kindly help me to become hardworking and dedicated to my duties both spiritual and material.

Kindly help me Prabhupada to control my senses because sometimes I have cravings of food that can't be offered to Lord such as Onion-Garlic or chocolates. Please help me to progress in bhakti and in making my determination strong. Help me in progressing in Krishna Consciousness and serve the Lord and his devotees.

Aspiring to become your disciple.

Your humble servant, Bhaktin Vasudha Bangar.

ಪರಮಪೂಜ್ಯ ಭಕ್ತಿ ವೇದಾಂತ ಪ್ರಭುಪಾದರಿಗೆ ಭಾರ್ಗವ ಶರ್ಮ ಹಾಗು ಕುಟುಂಬದವರು ತಮ್ಮ ಪಾದಕಮಲಕ್ಕೆ ಮಾಡುವ ಶಿರಸಾಷ್ಟಾಂಗ ನಮಸ್ಕಾರಗಳು.

ನೀವು ಇಸ್ಕಾನ್ ಎಂಬ ಮರವನ್ನು ಹುಟ್ಟು ಹಾಕಿ ಅದರ ನೆರಳಿನಲ್ಲಿ ಸಾವಿರಾರು ಭಕ್ತಾದಿಗಳಿಗೆ ಆಧ್ಯಾತ್ಮಿಕ ಹಾಗು ಭಕ್ತಿ ಮಾರ್ಗಗಳನ್ನು ನೀವು ತಿಳಿಸುತ್ತಿದ್ದೀರಾ. ಅದೊಂದು ಅದ್ಭುತವೇ ಹೌದು, ನಿಮ್ಮ ಪರಿಶ್ರಮದಿಂದ ಇಂದು ಇಸ್ಕಾನ್ ಸಂಸ್ಥೆ ಶ್ರೀ ಕೃಷ್ಣನ ಆಶೀರ್ವಾದದ ಸಂಕೇತವಾಗಿದೆ.

ವೈಯಕ್ತಿಕವಾಗಿ ಹೇಳಬೇಕಾದರೆ ಇಸ್ಕಾನ್ ಸಂಸ್ಥೆಯಿಂದ ನಮ್ಮ ಹಿಂದುತ್ವ ಸಂರಕ್ಷಣೆಯಾಗುತ್ತಿದೆ, ಹಾಗು ಸಾರ್ವಜನಿಕರಲ್ಲಿ ಹೆಚ್ಚಾಗಿ ಆಧ್ಯಾತ್ಮಿಕದ ಬಗ್ಗೆ ತಿಳಿಸಿ ಆಧ್ಯಾತ್ಮಿಕದತ್ತ ಒಲವು ನೀಡಲು ಅವಿರತ ಪ್ರಯತ್ನವಾಗುತ್ತಿದೆ.. ನಮ್ಮ ಮುಂದಿನ ಪೀಳಿಗೆಗೆ ಪುರಾತನ ಹಾಗು ಹಿಂದು ಸಂಸ್ಕೃತಿಯ ಬಗ್ಗೆ ಈಡೀ ಪ್ರಪಂಚಕ್ಕೆ ಇಸ್ಕಾನ್ ಸಂಸ್ಥೆ ಹಾಗು ಶ್ರೀಲ ಪ್ರಭುಪಾದರು ತಿಳಿಸಿದ್ದಾರೆ. ನಮ್ಮ ಹಿಂದೂ ಸಂಸ್ಕೃತಿ, ಭಗವದ್ಗೀತೆ, ಭಾಗವತ, ಸಾತ್ವಿಕ ಚಿಂತನೆಗಳು, ಕೃಷ್ಣ ಜಪ, ಕೀರ್ತನೆಗಳು ಇಸ್ಕಾನ್ ಸಂಸ್ಥೆಯ ದೃಢವಾದ ಸಂಕಲ್ಪದಿಂದ ಪ್ರಪಂಚದ ತುಟ್ಟ ತುದಿಗೂ ತಲುಪುತ್ತಿವೆ.

ಕೃಷ್ಣನ ಪ್ರಜ್ಞೆಯನ್ನು ಈಡೀ ಪ್ರಪಂಚಕ್ಕೆ ವಿಸ್ತರಣೆ ಮಾಡಲು ನಿಮ್ಮ ಶ್ರಮ ಅವಿರತವಾದದ್ದು. ಇಳಿ ವಯಸ್ಸಿನಲ್ಲಿ ಗೃಹಿಣಿ ಪ್ರಪಂಚವನ್ನು ಸುತ್ತಿ ಪ್ರಚಾರ ಕಾರ್ಯಗಳನ್ನು ಮಾಡಿರುವುದರಿಂದ ಕೋಟ್ಯಾಂತರ ಜನ ಇಸ್ಕಾನ್ ಸಂಸ್ಥೆಯ ಜೊತೆಗೂಡಿ ಹರೇ ಕೃಷ್ಣ ಮಂತ್ರದ ಜಪ ಮಾಡಿ, ಭಾಗವತ ಪಾರಾಯಣ ಮಾಡಿ ಹಾಗು ಸಾತ್ವಿಕವಾದ ಜೀವನಶೈಲಿಯಿಂದ ಜನರ ಮನಸ್ಸಿನಲ್ಲಿ ಆಧ್ಯಾತ್ಮಿಕದತ್ತ ಒಲವು ಹೆಚ್ಚಾಗುತ್ತಿದೆ.

ಬಹಳಷ್ಟು ವಿರಳವಾಗಿ ಹೇಳಬೇಕಾದರೆ ನಾನು ಆಧ್ಯಾತ್ಮಿಕರ ಪರವೂ ಮಾತನಾಡುತ್ತೇನೆ ಹಾಗು ಮಾಯೆಯ ಹಿಂದೆ ಬಿದ್ದಿರುವಂತಹ ಜನರ ಬಗ್ಗೆಯೂಕೂಡ ಮಾತನಾಡುತ್ತೇನೆ. ಈ ಇಸ್ಕಾನ್ ಸಂಸ್ಥೆ ಹೇಗೆಂದರೆ ಒಬ್ಬ ವ್ಯಕ್ತಿ ಸಾಮಾನ್ಯವಾದ ಜೀವನ ನಡೆಸುತ್ತಿರುತ್ತಾನೆ. ಇಸ್ಕಾನ್ ಸಂಸ್ಥೆಗೆ ಬಂದಾಗ ಅವರ ಚಿಂತನೆಗಳು ಬದಲಾಗುತ್ತದೆ.

ಅವರು ಬಂದ ಕೂಡಲೇ ತಾವು ಹೇಳುವುದಿಷ್ಟೇ ಮೊದಲು ಹರೇ ಕೃಷ್ಣ ಜಪನ್ನು (೨೧ ಬಾರಿ ೧೦೮ಬಾರಿ) ಅಥವಾ ಇಚ್ಛಾನುಸಾರ ರ ಜಪ ಮಾಡಲು ತಿಳಿಸುತ್ತಾರೆ. . ಜಪ ಮಾಡುವುದರಿಂದ ಆ ಏಕಾಗ್ರತೆಯಲ್ಲಿ ಎಷ್ಟು ಶಕ್ತಿ ಇದೆ ಎಂದರೆ. ಮನಸ್ಸಿನಲ್ಲಿ ಇರುವ ಕೆಟ್ಟ ಆಲೋಚನೆಗಳು, ಕೆಟ್ಟ ಚಿಂತನೆಗಳನ್ನು ಹೋಗಲಾಡಿಸಬಹುದು. ಜಪ ಮಾಡುವುದು ಬಿಟ್ಟು ಬೇರೆ ಇನ್ಯಾವುದರಿಂದಲೂ ಸಾಧ್ಯವಿಲ್ಲ. ಅದೊಂದು ಮೊದಲ ಹೆಜ್ಜೆಯಾಗಿದೆ. ಆ ಹೆಜ್ಜೆಯಲ್ಲಿ ಭಗವಾನ್ ಶ್ರೀ ಕೃಷ್ಣನು ನಮ್ಮನ್ನೇ ಆವರಿಸಿಕೊಂಡಿರುತ್ತಾನೆ. ನಮ್ಮನ್ನು ಆವರಿಸಿಕೊಂಡಾಗ ನಮ್ಮ ಚಿಂತನೆಗಳು, ಯೋಚನೆಗಳು ಹಾಗು ನಿರ್ಧಾರಗಳು ಸಾತ್ವಿಕವಾಗುತ್ತದೆ. ಆಗ ಜೀವನವು ಕೃಷ್ಣ ಮಾಯೆಯಾಗಿರುತ್ತದೆ. ನಾವು ಮಾಡುವ ಪ್ರತಿಯೊಂದು ಕೆಲಸಗಳು ಆ ಕೃಷ್ಣನ ಅನುಗ್ರಹಕ್ಕೆ ಒಳಪಡುತ್ತದೆ.

ಇದನ್ನು ನಾನು ಕೇವಲ ಭಕ್ತಿ ಎಂದು ಹೇಳುವುದಿಲ್ಲ. ಇದೊಂದು ರೀತಿಯ ತಂತ್ರಜ್ಞಾನ ಎಂದು ಸಹ ಹೇಳುತ್ತೇನೆ.. ಯಾಕೆ ಎಂದರೆ ತಾವು ಹೇಳುವಂತಹ ವಿಚಾರ ಧಾರೆಗಳನ್ನು ಪಾಲಿಸಿದಾಗ ನಮ್ಮಲ್ಲೇ ಒಂದು ಶಾಂತಿ, ನೆಮ್ಮದಿ, ಹಾಗು ತಾಳ್ಮೆ ಪ್ರತಿಯೊಂದು ಬರುತ್ತದೆ.

ಉದಾಹರಣೆಗೆ ನಾನು ಇರುವುದು ಯು.ಎ.ಇ ಯ ದುಬೈ ನಗರದಲ್ಲಿ. ಬೆಂಗಳೂರು ಇಸ್ಕಾನ್ ಭಕ್ತರು ಕಠಿಣ ಪರಿಶ್ರಮದಿಂದ ಪ್ರತಿ ವರ್ಷ ಹಾಗು ಪ್ರತಿ ಎರಡು ತಿಂಗಳಿಗೊಮ್ಮೆ ಬಂದು ನಮಗೆ ಕೃಷ್ಣನ ಆರತಿ ಹಾಗು ನಮ್ಮ ಭಾರತೀಯ ಸಂಪ್ರದಾಯಿಕ ಹಬ್ಬಗಳನ್ನು ಮಾಡಿಸಿ ನಮ್ಮನ್ನು ಕೃಪಾರ್ಥರನ್ನಾಗಿಸುತ್ತಾರೆ. ನನಗೆ ಇಸ್ಕಾನ್‌ನಲ್ಲಿ ನಡೆಯುವ ಕಾರ್ಯಕ್ರಮಗಳಿಗೆ ಭಕ್ತಾದಿಗಳನ್ನು ಕರೆಯಲು ಹಾಗು ನನ್ನನ್ನು ನಾನು ಸಮರ್ಥಿಸಿಕೊಳ್ಳಲು ತುಂಬಾ ಸಂತೋಷವಾಗುತ್ತದೆ. ನಮ್ಮ ಮನೆಯಲ್ಲೆಯೇ ನಡೆಯುತ್ತಿರುವ ಕಾರ್ಯಕ್ರಮಕ್ಕೆ ಭಕ್ತಾದಿಗಳನ್ನು ಕರೆಯುತ್ತಿರುವ ಭಾವನೆ ಉಂಟಾಗುತ್ತದೆ.. ಮಾನಸಿಕವಾಗಿ ತೃಪ್ತಿ ಹಾಗು ನೆಮ್ಮದಿ ಉಂಟಾಗುತ್ತದೆ.

ಇಸ್ಕಾನ್ ಸಂಸ್ಥೆಯಿಂದ ನಮ್ಮ ಕುಟುಂಬದಲ್ಲೂ ಸಾಕಷ್ಟು ಬದಲಾವಣೆಗಳಾಗಿದೆ. ಕಿರಿಯ ವಯಸ್ಸಿನಲ್ಲಿ ಮಕ್ಕಳು ಹರೇ ಕೃಷ್ಣನ ಜಪ ಮಾಡುವುದರಿಂದ ಹಾಗು ಕೃಷ್ಣನ ಬಗ್ಗೆ ತಿಳಿದುಕೊಳ್ಳುವುದಿರಬಹುದು, ಜಪ ಭಾಗವತ, ಭಗವದ್ಗೀತೆಗಳನ್ನು ಪಠಣ ಮಾಡುವುದರಿಂದ ಹಾಗು ನಿಮ್ಮ ಪ್ರವಚನ ಕೇಳುವುದರಿಂದ ನಮ್ಮ ದೈನಂದಿನ ಹಾಗು ವ್ಯಾಪಾರಿಕ ಜೀವನದಲ್ಲೂ ಸಮತೋಲನ ಮನಸ್ಥಿತಿಯನ್ನು ಹೊಂದುವ ಅದ್ಭುತ ಶಕ್ತಿಯು ನಮಗೆ ದೊರೆಯುತ್ತಿದೆ.

ಈ ಸಂಸ್ಥೆಯು ಕೇವಲ ಸಾಂಪ್ರದಾಯಿಕವಾಗಿರದೆ, ಹಲವಾರು ವಿದ್ಯಾವಂತರು ತಮ್ಮ ಕುಟುಂಬ ಹಾಗು ವೈಭೋಗಜೀವನವನ್ನು ತ್ಯಾಗ ಮಾಡಿ. ಕೃಷ್ಣನಿಗೆ ಅರ್ಪಿಸಿಕೊಳ್ಳುತ್ತಿದ್ದು. ಅವರು ಕೇವಲ ಕೃಷ್ಣನ ಭಕ್ತಿಯೊಂದಿಗೆ. ಸನಾತನ ಸಂಸ್ಕೃತಿಗಾಗಿ, ಹಾಗು ಹಿಂದುತ್ವದ ಉಳಿವಿಗಾಗಿ ಎಲ್ಲವನ್ನು ತ್ಯಾಗ ಮಾಡಿರುವ ಕೃಷ್ಣನ ಸೈನಿಕರೆಂದರೆ ಅತಿಶಯವಾಗುವುದಿಲ್ಲ.. ಅವರಿಂದ ಒಳ್ಳೆಯ ವಿಚಾರಗಳು ಸಮಾಜಕ್ಕೆ ತಲುಪುತ್ತಿದೆ. ಸಂಸ್ಥೆಯ ಪ್ರಚಾರಕ್ಕಾಗಿ ಹಲವಾರು ರಾಷ್ಟ್ರಗಳಿಗೆ ತೆರಳುತ್ತೀರಾ. ಹಾಗು ಭಾರತದಲ್ಲರುವ ಗ್ರಾಮಾಂತರ ಪ್ರದೇಶಗಳಿಗೂ ತೆರಳಿ ಶ್ರೀಲ ಪ್ರಭು ಪಾದರ ಕನಸಿನ ಕೂಸಾದ ಇಸ್ಕಾನ್ ಸಂಸ್ಥೆಯನ್ನು ಬೃಹದಾಕಾರವಾಗಿ ಬೆಳೆಯಲು ನಿಮ್ಮೆಲ್ಲರ ಅವಿರತಶ್ರಮ ಅವಿಸ್ಮರಣೀಯ.

My Sashatanga Namaskaram to Srila Prabhupada,

Due to your selfless efforts of spreading Hare Krishna movement to the entire world, we are blessed to know more about Lord Krishna and His leelas.

Last year, we had the opportunity to visit Mayapur and saw places where Lord Chaitanya Mahaprabhu performed His leelas. It was blissful days along with brahmacharis from Mysore and Bangalore temple.

Hope all these experiences will give your blessings to know the inner truth.

Sasneham,

Dear Srila Prabhupada,

All glories to Lord Sri Radha Krishna Chandra, Lord Balaram, Lord Nitai & Lord Gauranga!

At the outset please accept our most humble obeisances at your lotus feet. Glories to Your Divine Grace!

As we recall our moments that led to us taking shelter at the lotus feet of Lord Sri Radha Krishna Chandra with your guidance through the devotees, we keep engaging during each of our trips to Hare Krishna Hill temple over the years since 2003 has only encouraged us to deepen our connection with ISKCON. The years have flown by and every visit of ours have only further enhanced our conviction in the movement and engaged us to follow your teachings and service to the Lord of this Universe.

The first visit we clearly remember was on Krishna Janmashtami day in 2003 that gave us an opportunity to be of service through the Akshayapatra program which we very strongly believe in. This particular first step and a deep sense of purpose with satisfaction led us to start a journey with ISKCON that has led us to many precious moments through the last 17 years.

One of those moments is when we received a copy of Bhagavad Gita on a disk that got us engaged to listen during our drive to the temple and understand the Gita As It Is. This got us to listen for a couple of minutes to start with and watch the programs available on various media and led to hours progressing to every day since then. That spiritual sound vibration was so powerful that it was enchanting, touched our heart and felt that it is the only way to free ourselves from a lifetime of ignorance. It continues to be a very purifying experience.

We still cannot call ourselves devotees, but privileged to be learning from your trusted full-time devotees as what it means to be in the service of Lord Sri Radha Krishna Chandra. We will keep always looking for opportunities to be at your service with your guidance & mercy.

Hare Krishna, Haribol!!

Always at your service,

Bhakta Grandhe Srivats, Sudha & Subhika.

Dear Srila Prabhupada,

Hare Krishna.

We are very grateful to you for having established ISKCON temples all over the world.

We had the opportunity of being introduced to ISKCON Bangalore group of devotees, through a family friend in Dubai who help organise spiritual gatherings for ISKCON in Dubai. Through this group, my family had an opportunity to attend a holy tour to India which we will cherish for a lifetime.

Seeking your blessings,

Dear Srila Prabhupada,

Hare Krishna,

I am happy to share that we had a wonderful opportunity to visit the holy places like Vrindavan, Haridwar, Jagannath Puri, Bhuvaneshwar, Mayapur and many more of Krishna's great pastime and worshipful places through ISKCON Bangalore group.

It was an enlightening experience in the presence of all Prabhujis, who guided us through the entire trip along with their great overwhelming hospitality.

We also got to meet other devotees who made the trip more memorable with their company.

We look forward to attending more such trips in the future.

Thankful to you for establishing ISKCON which is giving such opportunities to develop Krishna consciousness in one's life.

Seeking your blessings,

Dear Srila Prabhupada,

Hare Krishna,

I would like to pay my homage to you and deeply thank you for founding ISKCON and giving us the Hare Krishna mahamantra which makes us feel that Krishna is around us all the time.

In these times of pandemic when the future seems dark, Krishna Himself comes to us and reminds us that we have nothing to worry about if we surrender ourselves to Him and keep chanting His name.

Very grateful to you for saving us.

Thanking you,

Bhakta Kshitij.

Dear Srila Prabhupada,

We take this opportunity to describe our spiritual journey through your glorious Krishna consciousness movement.

It was a pleasant morning of Krishna Janmashtami. This was the first time we visited the ISKCON temple in Bangalore. The moment we walked into the temple we instantly felt the positive energy of the place flowing into us. We saw a few devotees of the temple walking around the premises. We were welcomed as we entered the temple hall. Our family was guided through the temple and we witnessed the majestic deities worshiped by devotees with great awe and reverence. We were blessed to witness the Arathi on the sacred day which was a blissful experience for us. After the Arathi, we took a walk around the temple experiencing the glory the temple beholds. This is where we had the wonderful opportunity to have a conversation with one of the Prabhuji, who shared with us the knowledge of how the ISKCON Temple was founded and also how they provided prasada for hundreds and thousands of devotees who visited the temple from all across the country. He also shared with us the different kinds of rituals performed in the temple. We decided to take up the Gomatha pooja.

The next day when we revisited the temple to perform the ritual. It was yet another blissful experience. The Go Matas shelter was splendid clean and well maintained. All the Go Matas were healthy and were well maintained. We also had the chance to feed all of them. The pooja was again a wonderful experience wherein all the rituals were performed in an orderly fashion. Through the blessings of Lord Krishna and yours, we were able to start this spiritual journey.

Your mercy continued even though we went back to Bahrain. The devotee whom we met in the temple was explaining the glory of Vrindavan a ham, and was insisting us to visit once. The following year we were blessed to visit the sacred and holy land of Vrindavan. The prabhuji extended complete hospitality by wholeheartedly welcoming us to Vrindavan and took complete care of our necessities with providing accommodation in the Vrindavan Chandrodaya temple. Later that evening we witnessed the Aarthi and also experienced how the devotees sang praises to Lord Krishna. Here we again got the opportunity to meet and interact with a lot of Prabhuji's which was again a very beautiful experience. Later that day when we had to depart from Vrindavan with a heavy heart but a lot to take away with us, the golden moments we cherished in the holy land of Vrindavana.

A few months passed. Your mercy followed us again. We got a call from one of the Prabhuji Ji saying that they were visiting Bahrain. We were thrilled to receive 4 prabhujis and wholeheartedly made arrangements, the best way possible with the blessings of Lord Krishna. The experience of being with the prabhujis was pleasing, pleasant and very soulful experience. They had carried a lot of knowledge with them which they shared with us. We felt very blessed by performing Damodar pooja which many people were a part of.

The most memorable part of their visit is when we had come across the movie about your life in establishing ISKCON temples and making thousands as devotees of Lord Krishna. You are counted among the most prominent Vedic scholars, translators and teachers of the modern era. We understood that your exemplary life showed us loving compassion to humanity, a labor of love, and self-sacrifice. Thank you, Srila Prabhupada, for leaving behind an invaluable legacy on earth for the world to cling on to. Of the one thing that stood out for us was how calm, relaxed and organized their state of mind was, the best part about the prabhujis was how they respected one another and how they treated everyone around them equally with equal opportunities. All glories unto you for teaching such qualities.

We are being invited to visit ISKCON at Mysore. We are eagerly looking for this opportunity to have yet another blissful and spiritual experience that ISKCON has always provided us with.

We as a family of devotees will always look forward to contributing in all ways possible to the enlightenment and positivity that ISKCON beholds.

Thank you Srila Prabhupada for making us to be a part of your transcendental movement.

Bhakta Murali, Vijayalakshmi, Devika and Dhanush.

My dear Srila Prabhupada,

Please accept my humble obeisances. All glories to you, the savior of the fallen.

The eternal knowledge which comes through your teachings, the sense of knowing God, and falling in love with Him has been possible for us because of you.

We were like a baby bird fallen from the nest unaware of the world and Supreme Personality. But your teachings have brought us very near to the spiritual world. Yet more to learn in this life which has been blessed by Krishna.

I pray to you that please give me the strength so that I can follow all your instructions nicely.

Your eternal servant,

Dear Srila Prabhupada,

Hare Krishna!

Please accept our humble obeisances at your lotus feet.

We have had the good fortune of being associated with ISKCON for over a decade now. Words cannot do justice to explain this experience, which has been blissful and enriching every single day. Our lives have been seamlessly integrated with the Lord's service at every stage of the day.

Thanks to ISKCON Mysore, we are able to partake in cultural activities even in the UAE. My children have been learning and chanting the Bhagavad Gita for several years now. Moreover, we were blessed to receive the Srimad Bhagavatam from ISKCON, a treasure to possess and an eye-opener to read.

Over the past few years, we were fortunate to take part in several events conducted by ISKCON in Dubai and Mysore. In the month of Karthika, we always look forward to Damodara Arathi, sankirtanam, and Tulasi Pooja. The Narasimha Homam and Krishna Janmashtami celebrations in Dubai were unforgettable events that we feel extremely blessed and honored to have taken part in. With Lord Krishna's blessings, my children were given the golden opportunity to chant Bhagavad Gita and sing for the Lord. Moreover, partaking in the Abhishekam and Homam was an ethereal feeling.

Our heartfelt gratitude to ISKCON, Mysore, for propagating and sustaining our rich culture and heritage in the United Arab Emirates. With Lord Sri Krishna's divine grace, I wish that ISKCON continues to spread Krishna consciousness to enrich millions like us.

Seeking your blessings,

Radhe Krishna!

Bhakta Raghavan and Family, Dubai.

Dear Srila Prabhupada, Hare Krishna,

Our treading into the world of Krishna consciousness is penned down here with your grace.

During a vacation in 2015, we visited Bangalore ISKCON temple as my elder sister who was then living in Bangalore was all praise about the temple and told us that we must pay a visit. Little did we know that the visit to the temple was a call from the Divine. Our meeting with Prabhuji Raghukula was an instant communion than a meet. Prabhuji gave us an introduction about your life, ISKCON and its services to the public. We decided to become a life member there itself. Our spiritual journey to seek Lord Krishna in your footsteps started there.

For a couple of years, apart from daily messages, there was no interaction with ISKCON. A phone call on a lazy Friday morning turned into a sweet surprise as it was Raghukula Prabhuji on the other end. Devotees from ISKCON were on a visit to Dubai and were kind enough to visit our home. Jai Chaitanya Prabhu, Rasika Shekar Prabhu, Gunarnava Prabhu and Raghukula Prabhu by their grace blessed our home. Later that evening we attended our first Satsang. Thereafter, we were eagerly looking forward to their regular visits to Dubai and to the Satsangs, Janmashtami and Narasimha Poojas conducted by ISKCON.

One of the crowns of our association with ISKCON happened in 2018 when we were a part of the pilgrimage to Sri Krishna's birthplace. The pilgrimage lasted little more than a week and we started our holy trip by visiting Sri Radha Vrindavan Chandra temple in Vrindavan and went on to visit Shri Krishna's birthplace, Vishram Ghat, Gokul, Raman Reti, Damodar Leela, Bramaanda ghat, Raval Dham, Govardhana, Manasi Ganga, Kusuma Sarovara, Srinathji, Khaliya ghat, Imlitala, Radha Damodar, Nidhivan, Banke Bihari, all in and around Mathura in a span of three days. Our journey continued into the fourth day to Haridwar where a visit to Hilltop Chandi temple, Gangasnan and splendid Ganga aarthi were the highlights. On the fifth day, we went to the serene Rishikesh, where we visited Ram Lakshman temples, Ram Jhula, Swargashram and Lakshman Jhula. Our pilgrimage ended in Bangalore ISKCON where we spent the next two days bringing our weeklong pilgrimage to a glorious end. In Bangalore, we stayed at ISKCON temple quarters for two days and enjoyed all the poojas and darshans. We didn't miss the opportunity to visit the new ISKCON temple that was under construction and the massive Akshaya Patra kitchens. All through the journey, we were nestled by the care provided by the Prabhuji's who accompanied us. The entire pilgrimage felt like a breeze. Thanks to the flawless efforts by ISKCON. We could only yearn for yet another trip of equal bliss.

There will be countless devotees who have been touched by the services of ISKCON and the subtle-to-significant changes in their life and their thoughts must be fulfilling; but all these became possible because of the hardship endured by one man – It is you, Srila Prabhupada. Our first visit to the life-size statue of yours in ISKCON and the glimpse into your life as narrated by Raghukula Prabhu stays afresh in our memories. For all the peace and tranquillity that embraced us from our association with ISKCON words are not enough to express our gratitude to you, Srila Prabhupada - our Guruji.

Deeply indebted to you for all the matchless gifts you have given to us through ISKCON.

Your humble servants,

Bhakta Shibu Sukumaran, Bhaktin Bindu Shibu, Bhakta Kailas Shibu and Bhakta Karthik Shibu.

Dear Srila Prabhupada,

*om ajṣāna-timirāndhasyajṣānāṣjana-śalākayā  
cakṣur unmīlitaṁ yenatasmai śrī-gurave namaḥ*

I offer my respectful obeisance unto my spiritual master, who has opened my eyes, which were blinded by the darkness of ignorance, with the torchlight of knowledge.

Everyone in this material world is born with ignorance only, no matter how much one is qualified materially. I am no exception to this rule. I was suffering from the pangs of ignorance very severely. It is you Srila Prabhupada, whose divine mercy was showered upon this fallen soul and bestowed me to get the transcendental path of Krishna Consciousness.

There is a saying, “truth to be told”. If at all I have to tell the truth about myself, it goes like this. I was inclined towards Astronomy since since childhood and I had been doing the sky-watch regularly with manual & apparatus. I had learnt one good thing by modern science that question everything in a scientific way and observe what’s going on around us in an inquisitive manner. But, just by questioning nothing will happen, inquisitive brains will always need a satisfactory and convincing answer. Since modern science couldn’t answer many things like after death, ultimate cause of creation, actual conception of God etc., there are many questions left behind unanswered. I was consciously searching answers for those questions. At that time, I was fortunate enough to come across your transcendental book, “Easy Journey to Other Planets”, which indeed CHANGED MY LIFE itself. I am eternally indebted to you, Srila Prabhupada, for delivering me from the materialistic lifestyle.

I had consulted many so-called spiritual books before reading your books. But unfortunately, none of them could give any good spiritual insight. Srila Prabhupada, you said many times “Krishna consciousness is a science, not a sentiment”. This has come to a practical standpoint when I started practicing Krishna consciousness. The most significant thing is after reading your transcendental books and following your instructions very seriously, I got answers to those questions for which I was searching answers.

I request you very humbly, Srila Prabhupada, that you kindly eliminate all the obstacles and anarthas in the path of my devotional service. I want to very seriously practice Krishna consciousness like eating only prasadam, strictly chanting minimum 16 rounds daily, reading your books regularly & thoughtfully in whichever the ashram I would be in. Srila Prabhupada, your mercy is like Cintamani which will eliminate all the darkness caused out of our bad karmas. Kindly be merciful on me forever.

Your eternal servant,

Bhakta Sriganesh S.

Dear Srila Prabhupada,

I offer my faith to your lotus feet. Whatever in me today are blessings given by you.

I humbly fall down before you for your blessings always. My life has been given a meaning when I surrendered to you years back. You have given me strength and love so that I can wholeheartedly offer all my words, acts and thoughts to serve and reach Lord.

Thank you so much to your ISKCON Centers where I have transformed myself and understood the meaning of life. I was going through a tough phase and you made me realize the true meaning of my existence.

Srila Prabhupada, we know you are well aware of that. We started chanting because of you. Our success lies in simply remaining faithful to you and never giving up the prayers. You have given me and family so many blessings to make the life meaningful.

It may take us many lifetimes, yet there is no more struggle than the one to attain one's real self with your blessings.

Dear Srila Prabhupada,

Please accept our respectful obeisances.

When we started our family in Dubai, we thought that it's a Middle Eastern country, association of devotees or satsangs or weekly counselling classes won't be possible as we were used to avail back in India.

But with the grace and mercy of yours, Srila Prabhupada, in just a few months after coming to Dubai, we found His dear devotees right in our tower. (This can't be a mere coincidence. I have no idea how all this fortune has come to me to be part of this glorious wonderful family.) Since then, it's now 4 years and we are so indebted to you, Srila Prabhupada, for this movement.

In this Kaliyuga, it is so easy to get engrossed in mundane activities and forget about our spiritual activities. But, when one has the association of devotees and weekly satsangs, it becomes easier to be on a spiritual path despite being far from our country.

Please bless us that we can properly follow your footsteps and can also teach our children the right path.

Your eternal servant,

Bhakta Yashraj Sagar and family Dubai, UAE.

Revered His Divine Grace Abhaya Charanaravinda Bhaktivedanta Swami Prabhupada,

You are a charismatic leader who was successful in acquiring followers in many countries around the world including the United States, Europe, and India.

Born in Kolkata, you were educated at the Scottish Church College. Before accepting vanaprastha in 1950, you were married, had children, and owned a small pharmaceutical business. In 1959, you took Sannyasa and started writing commentaries on Vaishnava scriptures. In your later years, as a traveling Vaishnava monk, you became an influential communicator of Gaudiya Vaishnava theology to India and specifically to the West through your leadership of ISKCON, founded in 1966. As a founder-acharya of ISKCON, you emerged as a major figure of the Western counter culture initiating thousands of young Americans. You were criticized by anti-cult groups but were well regarded by religious scholars. Your mission was to propagate throughout the world Gaudiya Vaishnavism, a school of Vaishnavite Hinduism that had been taught to you by your guru, Bhaktisiddhanta Sarasvati Thakura.

Dear Prabhupada, With your divine blessings, I got introduced to ISKCON Bangalore group and have been in touch with all the programs and gatherings even though I am in Dubai, UAE. My father was introduced to ISKCON during his college days which brought him to put me into a regular Gita class from the time I was 3 years old in 2010. Our neighbor was the devotee who held the classes and now the classes are held at our house. The ISKCON Bangalore group of devotees comes every 2 months once to our house. We help organize public aratis and offer our seva in all gatherings. You have done all feats to make a Krishna conscious world and this shows that you are continuing to succeed in that goal as ISKCON is widely expanding and all are becoming aware of its services to humanity.

All the Dubai devotees had 2 wonderful trips to almost all the holy places we could imagine of and we had a travel of knowledge, fun, stories, shlokas, kirtans and friendly competitions to engage in Krishna consciousness at all times in enjoyment and wholeheartedly cherish our learnings on you, Srila Prabhupada. I feel highly and happily nostalgic to say that I was drowning in the love towards the Supreme Lord and I am becoming aware of how Paramatma is behind all our doings. Lord is the only Truth. I know that Krishna is pleased when one just thinks about Him or at least spends time with a true devotee by taking his association. I have learned of the Navavidha Bhakti, the Dashavatara, the Vedic heroes, devotional practices and so much more which have made me feel purified even in the Kali-yuga.

I am thankful and I show respect towards you as you are the reason this world is not becoming a ball of doom too quickly and I hope that your grace is always upon us, throughout this journey of attaining moksha.

Spiritually,

Bhaktin Harini Sankhavaram. (Grade 8 student).

Dear Prabhupada,

Dandavats. Pranams to your lotus feet. All glories unto you.

On this auspicious appearance day of yours, I want to share my experience of a journey in Krishna conscious life.

When I heard the first time about you in Bhakti Vriksha class, I was amazed to know your great deed in establishing a worldwide Krishna conscious movement. Moreover, you did this at a very elderly age taking all the hardships and set an example for the whole world that age doesn't bar anyone to accomplish something extraordinary if one has a true devotion to Krishna. This truly inspired me and developed a great respect for you in my heart. The troubles you went through in preaching and guiding your disciples are inconceivable. You always had immense faith in the words of your spiritual master and in the potency of chanting the holy names of Lord Krishna.

I understand from your life the importance of following the instructions of the spiritual master and having firm faith in spiritual master's words. I am also understanding the power of chanting Hare Krishna maha-mantra, especially if chanted without offenses, can be a saving grace in this age of Kali

My utmost gratitude to you for having established a transcendental ISKCON movement which is giving opportunities for many people like me to associate with devotees, learn the importance of Krishna consciousness, and be engaged in devotional service rather than wasting time in mundane material activities.

Prabhupada, I had to go through a lot of challenges in my life. But, due to your mercy and the guidance received through Bhakti Vriksha classes, helped me to overcome these challenges in a spiritual way which led me to develop an attachment to Lord Krishna. Although surrounded by so many difficult situations in my life, today I feel inner peace and calmness through devotional service of worshipping Krishna, devotees association, and chanting.

Recently, with your mercy, we got the opportunity to visit Mayapur & Puri Dham. Jay Srila Prabhupada. Punya Bhumi Yatra 2019 organized by ISKCON Bangalore was a fantastic & unique trip. Only ISKCON Bangalore can design and draft such pilgrimage trips. Jagannath Puri and Mayapur were places full of benedictions. Thoroughly enjoyed visiting the temples, learning the religious value, and spiritual significance.

Sincere and heartfelt thanks to all the Prabhujs. Without their efforts, this trip wouldn't have been such a memorable experience.

Special thanks to you, Prabhupada, for giving me this wonderful experience of Krishna conscious life.

Your servant,

Bhaktin Kiran Krishnaraj.

Dear Srila Prabhupada,

Hare Krishna,

I offer my respectful and sincere obeisances unto your divine lotus feet.

My life was in turmoil before I visited ISKCON temple. A divine arrangement made me meet one of the prabhuji there who guided me into the practices of Krishna consciousness. He told me one of your instructions that "the best means of spiritual realization is chanting the holy name of the Lord". As per your instruction, I started initially with chanting of one round and slowly increasing it to 2 to 4 and eventually 16 rounds which brought tremendous changes within me.

By chanting the Hare Krishna Maha-mantra one can reap the benefits of becoming free from stress, anxiety, depression, mode of ignorance, negative emotions, and inner fears. The most significant benefit of chanting is one can be elevated to the spiritual platform and thereby enjoy a life of peace and happiness. The chanting also helps one to get relieved from miseries, gives detachment from sense objects, and purifies one's existence.

You also mentioned that "Knowledge is the cause of liberation and ignorance is the cause of bondage". The Hare Krishna maha-mantra bestows transcendental knowledge whereby one directly travels into the path of liberation by developing pure love of Godhead and return to a life of eternity, bliss, and knowledge in the spiritual world. This is the greatest mercy you have bestowed upon us, Srila Prabhupada. It is like "pleasing rain upon the burning heart".

You said, "Distribution of books is our most important activity". You even stressed that "if we simply rely on book distribution, all our needs will be met". Somehow by the mercy of Lord Krishna and yours, I was fortunate to distribute a few copies of Bhagavad-gita As It Is in different languages to some of my contacts here in Dubai. By reading this one book of yours, one can develop true love & devotion to Lord Krishna and will be blessed to relish immense pleasure in spiritual life. You too said that "One who seeks pleasure externally is materialistic and one who seeks pleasure internally is spiritualistic".

All glories to you Srila Prabhupada for having successfully distributed the message of Lord Krishna and also for propagating the powerful chanting of Hare Krishna mantra worldwide.

Praying for your mercy to continue and grow in my Krishna conscious practice.

Your servant,

Bhaktin Kusuma Anand.

Dear Srila Prabhupada,

My holy respects unto your lotus feet.

The process of chanting the holy names of Krishna is the best process of self-realization. We are all naturally Krishna conscious. In the illusion, we think that we are the center of the Universe and our bodies are our real selves. Krishna consciousness means becoming free from that illusion and experiencing our true blissful, eternal nature. The whole process of chanting is to open up the true emotions of the soul. It is the purest form of a love of God. The beautiful process of chanting fixes the mind and through this meditation, puts in direct contact with God. I have personally experienced immense change. It takes me to a totally different world where everything is of pure love. Since it is the purest form of meditation, it is liberating the soul from its entanglement in the material world.

2 years back, when I visited Lord Krishna's temple in the holy land of Vrindavan, I waited almost the whole day to have darshan of Lord Krishna outside the temple. Finally, during the special "Arati" in the night, I entered the temple and was

fortunate to be standing in the first row itself waiting to have a soul-fulfilling darshan. I was overwhelmed by the reciprocation of Lord Krishna, yet mesmerised. I wanted to capture every second of that beautiful moment in my heart to cherish the rest of my life. When the curtains opened, my eyes became stunned by seeing the beautiful form of Lord Krishna and tears flowed out of love and immense happiness. This soul-enriching experience changed in my life forever.

By chanting Maha Mantra every day, I am gaining a stronghold on my mind and heart. I am also developing transcendental knowledge and detachment at the same time from the material world and making peace with every situation that comes my way. The mantra is a purely spiritual sound vibration and it has helped me develop the consciousness to understand my "self". I have redeveloped and strengthen my relationship with God which is the most beautiful gift of my Life. Chanting has helped me to conquer the mind. It is the most beautiful journey for me. This is not material happiness, but instead, it is transcendental happiness.

Thank you very much for showering your mercy on all of us to practice Krishna consciousness.

Your humble follower,

Bhaktin Neha Sharma.

My humble obeisances to His Divine Grace Srila Prabhupada,

All glories unto you.

My connection to ISKCON started 20 years back. Soon after marriage, I came to Sharjah and in my building, I met a Mataji from ISKCON taking Gita classes for ladies. I too joined. Till that time, I was unaware of ISKCON and the founder of it. I started reading Bhagavad-gita As It Is written by you, Srila Prabhupada, and continuing to read it till today.

I feel my children are more blessed to have the Lord's mercy that they started to hear about the Supreme Personality of Godhead right from the time they were formed in my womb. Now our twin daughters are 15 years old and they have been attending Bal Utsav Gita classes from 5 years till date.

Lord is so merciful that He arranges the association with devotees where ever we keep shifting. All glories to Dear Srila Prabhupad.

Life doesn't go smoothly at all times. Sometimes we get lost in this material world and Lord Krishna makes us understand by giving another opportunity. We too had to face a big challenge in our life when my Prabhu was interrogated in his office 4 years back by CID and was in their custody for almost 45 days for no fault of his. Later on, we came to know that there was some problem with his local partner. But he had to undergo the sufferings which are karma, as it is said in Gita. Those 45 days were like hell for our family. He was in some unknown place and we were at home without any knowledge of what was wrong and when he would be back.

But things transformed our lives. My Prabhu started chanting the powerful Hare Krishna Maha Mantra many rounds from his private room and we were doing the same from our home. We started chanting Sri Narasimha Kavacham daily under the advice of a senior devotee Revathi mathaji. Though we used to be very worried about our future, we never lost hope in Krishna. We made a strong bond with Krishna thereafter. After 45 days my Prabhu finally came home with a clean record.

Had it not been your Divine Grace's initiative to spread Krishna consciousness throughout the world, we would have been living the same materialistic life.

My humble obeisances to Your Divine Grace Prabhupada, for giving an opportunity to share my thoughts with you.

Seeking your blessings upon me and my family to grow in Krishna consciousness.

Your humble servant, Bhaktin Rekha Ramu.

Dear Srila Prabhupada,

Hare Krishna,

*nama om viṣṇu-pādāya kṛṣṇa-preṣṭhāyabhūtale*

*namas te sārāsvate deve gaura-vāṇī-pracāriṇe*

*hare kṛṣṇa hare kṛṣṇa kṛṣṇa kṛṣṇa hare hare, hare rāma hare rāma rāma rāma hare hare*

Our connection with ISKCON started 10 years back. We joined the Bal Utsav classes in Ghusais, Dubai having no idea about who Lord Krishna was and who was the founder of ISKCON. But we soon started showing great interest in learning about the Lord and His pastimes in many creative and fun ways. And now, we just can't stop thinking about the Lord. All thanks to you, Swami Srila Prabhupada, for having started ISKCON and because of which we got a chance to taste the bliss of Krishna consciousness in this Kali Yuga.

Once we tasted the happiness and bliss that comes with Krishna Consciousness at a young age, it is impossible to give up the true happiness we got by engaging in devotional service. It was because of ISKCON that we came to know our relationship with the Lord and our status of being servants of the Supreme.

We started connecting every activity in our daily lives to The Lord now. We are also reading Bhagavad Gita daily, started chanting 10 - 16 rounds on a regular basis, and even tried fasting during Ekadashis. Without ISKCON, we would have been lost in this world amidst the material things.

All glories to dear Srila Prabhupada. You will always be an inspiration to us. We hope to get more and more attached to the Lord as every year passes.

Lord is so merciful that each time we shift our house we find an ISKCON class in our own building. We hope to keep learning more about the Lord and expand our knowledge about the Supreme. Thanks to your Divine Grace Swami Srila Prabhupada for the initiative of ISKCON without which, all of us would have been helpless beings struggling to survive in this material world. No words can express our gratitude.

Our humble obeisances to Your Divine Grace Srila Prabhupada for giving us an opportunity to share our thoughts with you.

Your humble servants,

Bhaktin Shreya and Shravya Ramu

(15 years old).

Dear Srila Prabhupada,

Please accept my respectful obeisances. All glories unto you.

I am seeking yours and Lord Krishna's mercy to write a few words of your glorification for the transformation you have brought in my life. The Hare Krishna maha mantra which changed my life is like a matchless boon and mercy showered on me by Krishna through you, Srila Prabhupada.

Thank you Srila Prabhupada for providing the knowledge of Bhagavad-gita, Bhagavatam – describing the enchanting pastimes of Lord Krishna and many more enlightening books which have made me understand about myself. These transcendental literature are also helping me to transfer the same knowledge to my family through your mercy.

I am a small ant to describe the ocean of Bhakti marga knowledge you have gifted us. Reading one verse with purport every day will take years to complete. Yet every single line of your teachings can transform my life and can make me more inclined towards reaching Lord Krishna.

Srila Prabhupada, you established 108 temples around the globe within a span of just 10 years. Today, these temples are acting as an oasis in the desert of the material world and helping millions of lame persons like me to understand and surrender unto Lord Krishna. Your lectures compiled in 7 volumes of books helps us to understand how one can go back to Godhead. The 70 volumes of books written by you in an elderly age is a superhuman task. If one starts reading even a few pages a day it takes more than 20 years to complete.

You traveled around the world 14 times to spread Krishna consciousness to innumerable fallen souls who are suffering in Maya. Though physically not present, you are mystically helping us through your instructions to elevate our lives and guiding us to become a devotee of Lord Krishna.

Having come in contact with ISKCON through you is the most precious and meaningful part of my life. I humbly seek your blessings always and pray to you to shower your endless mercy upon me to escape from this world of Maya and join with Lord Krishna eternally in the spiritual world.

Words definitely fail short to thank you - Our revered spiritual master Srila Prabhupada.

Jai Srila Prabhupada

Bhaktin Shruthi Sandeep.

Srila Prabhupada, you follow the instructions of your spiritual master to spread Krishna consciousness in every village in the world. By chance and luck, I met devotees of Krsna consciousness. Thereby, I tried to chant Hare Krsna Maha-mantra, to glorify Prasadam, to read classics and to associate with devotees. In this way, I embarked on a spiritual journey. Over time, we have increasingly recognized your greatness and your transcendent status. Only by your kindness can we gain the mercy of Lord Krsna. Without your kindness, our spiritual path will not move forward even one small step.

Pray for your causeless kindness, so that I can follow your instructions and chant Hare Krsna Maha-mantra steadily; I can participate in the movement of Harinama of Lord Caitanya, and spread the glory of the holy name.

Please put me like a tiny atom under your lotus feet, so that I can have the opportunity to serve you forever.

All the glory goes to you, the very dear devotee of Lord Krsna!

Srila Prabhupada, 您按照您的灵性导师的训令，将Krsna知觉传遍世界的每个村落。我在一个偶然的的机会，认识了Krsna知觉的奉献者，尝试念颂Hare Krsna mahamantra，荣耀Prasadam，阅读经典，与奉献者联谊，从此踏上了灵修之途。随着时间的推移，我们越来越认识到您的伟大，明白您超然的地位，只有籍着您的恩慈，我们才能获得主Krsna的垂怜，没有您的恩慈，灵修路途寸步不前。

祈求籍着您无缘的仁慈，让我能追随您的训示，让我能恒常地唱颂Hare Krsna Maha-mantra，参与主Caitanya的齐颂圣名运动，传播圣名的荣耀。

请将我如一颗原子放在您的莲花足下，让我有机会一世复一世为您作无缘的奉献服务。

所有的荣耀归于您-主Krsna亲切的奉献者！

Dear Srila Prabhupada:

I am a devotee from Guangzhou, China. I first met the devotees when they chanted Harinam in a park. Thanks to the benevolence of these devotees, I had the opportunity to read many of your booklets and purports of sastras.

After reading your book, I felt that a force was urging me and leading me to work hard towards the spiritual path.

With the help of devotees, I followed the four principals, got rid of worldly burdens, and learned to chant the holy name. Step by step, I practice devotional services: learned to serve the Lord Gaura Nitai deities, learned to make sacrifices, learned to serve devotees and other living entities. More importantly, I learned to spread the knowledge of Kṛṣṇa consciousness, to distribute the books you wrote and to distribute prasadam.

All these bits and pieces of progress come from reading your books and the guidance of devotees!

Dear Prabhupada, if you had not established the spiritual methods and teachings, my ignorant and fallen soul would be still wandering in the foolish ocean, climbing up the sinful mountains, and lost in the ignorant forest.

You gave me the direction to move forward, and you gave me the messages to know Kṛṣṇa, the Supreme Personality of Godhead. You let me get the favor of Kṛṣṇa in a world where impersonal is rampant.

In the coming days, I will cherish your precious teachings more, work harder to implement the rules and regulations you stipulate, and exercise stricter self-discipline, so that I can race against time on the path of devotion.

Dear Guru, Lord Krishna will always be with you, and you will always be in my heart.

Please bless me and let me cross all obstacles on the path of spiritual devotion.

Please accept my prayers to you thousands of times.

Your fallen disciples, Labanga Devi Dasi.

亲爱的圣帕布帕德:

我是一位来自中国广州的奉献者，在一次公园的唱颂圣名活动中，认识了奉献者，籍着奉献者的仁慈，我有机会阅读了许多您撰写的文章和经典的要旨。

读您的书，我感到有一股强大的力量在催湧我，让我努力的向灵性的道路迈进。

在奉献者的帮助下，我遵守了四个规范守则，摆脱世俗的杂务，学会念颂圣名。一步一步的学习奉爱服务:学会了做主哥拉尼泰神像服务，学会做祭余，学会了服务奉献者和众生。更重要的是学会了传播奎师那知觉，派发你撰写的书籍和派发祭余。

这些所有的点滴进步都来自于阅读了您的书籍和奉献者手把手的指导。

亲爱的帕布帕德，如果没有了您所建立的灵修方法，没有您的谆谆教诲，我这个无知堕落的灵魂，现在还在愚昧的汪洋中漂泊，还在罪恶的大山中攀爬，在无知的森林中找不到方向。

是您给我指明了前进的方向，是您给了我获知至尊人格首神圣主奎师那的信息。让我能在非人格神主义泛滥的地方得到圣主奎师那的眷顾。

接来的日子里，我要更珍惜来之不易的您的教导，更加努力的执行您所规定的规范准则，严格律己。在灵修的道路上争分夺秒的前行。

亲爱的灵性导师，您永远活在我的心中，而圣主奎师那则永恒的伴随着您。请您赐福于我，让我在灵修的路途上跨越所有的障碍。

请接受我对您千百次的虔诚顶拜。

Hare Krishna

Please accept my humble obeisances!

All glory to Srila Prabhupada!

My name is Syma Lila, and I have been to Bangalore Temple, the holy place, three times with the leader of Guangzhou devotees, Lubanga. I have been very encouraged to be there. It is really lucky to be taught and preached by the temple president and his wife, and to see the temple devotees dedicated to devotional services with high enthusiasm. Distributing the prasadam to hundreds and thousands of students every day is especially a great service to the Lord. That's so impressive!

In contrast with the devotees in Bangalore, I am deeply ashamed of myself. In serving prasadam, I am always afraid of troubles, therefore, I made only very simple dishes. I did not realize that prasadam is a major devotional service to the Lord.

Besides, I am not fully concentrated in chanting. My mind was mostly controlled by my false ego. For this reason, I pray to the Supreme Personality of Godhead and to my spiritual master Srila Prabhupada as the following: My dear spiritual master, I bow down to you with reverence! Please grant this fallen soul your mercy. Please give me, your humble servant, a drop of your mercy, So that I could grow spiritually in Krishna consciousness and devotional service for the Lord and yourself. Please help me, give me strength. Let me have no desire like you, be humble like the grass, Oh, my spiritual master! Without

your mercy I am nothing, and I surrender myself to you! You are the Ocean of Mercy, the master of devotees!! Take pity on me, cover me and protect me with your lotus feet.

哈瑞奎师那！请接受我谦卑的顶拜！所有荣耀归于圣帕布帕德！亲爱的班加罗尔庙宇的奉献者们，您们好！我是中国的奉献者夏玛里拉，我跟随广州的奉献者拉邦嘎庙长去圣地班加罗尔庙宇三次了，去到那里我受到很大的鼓舞！**很幸运的受到庙长和庙长夫人的亲自教导和传教，真是三生有幸啊！并且看到此庙的奉献者们为主做奉爱服务的热情高涨，每天给学生们派发上万份的帕萨达姆，派发主的灵粮，使得上万人每天都能得到主的仁慈！真是太棒了！**

相比之下，我深感自愧不如，就说做帕萨达姆一事吧，怕麻烦，做的很简单，懒省事，没认识到这是为主做奉爱服务的一项大事。

还有就是念诵时不专心，控制不住我的心意。为此，我要虔诚向至尊主祷告！**向我们的灵性导师圣帕布帕德虔诚的祷告：灵性导师啊！我虔诚地跪拜您！请给我这个堕落的灵魂仁慈吧，只求您给我——您的仆人一滴仁慈，使我灵性增长永处奎师那知觉中，很好地为主做奉爱服务，为您老人家做奉爱服务。请完全助我，给我力量，让我像您一样，无欲无求，我要像小草一样谦卑，灵性导师啊！如果没有您的仁慈我啥也不是，我完全拜倒在您之下，灵性导师啊！您是仁慈之洋，奉献者之主！主人啊！请怜悯我以您的莲花足庇我，护我。**

Srila Prabhupada is the pre-eminent acharya of the Gaudiya Vaishnava sampradaya of our time. His voyage on the Jaladuta fifty years ago marked the beginning of a spiritual revival, and the twelve years after his arrival in America saw the Hare Krishna movement spread to major cities worldwide. For millennia, the Vedic tradition had been hidden behind the boundaries of India and within Sanskrit and the vernacular languages. To a world immersed in a materialistic ethos, Srila Prabhupada revealed the wisdom of this timeless philosophy.

The Vyasa-puja offering is a literary submission of praise and gratitude from the disciple unto the pure Vaishnava spiritual master. Devotees express their affectionate glorification of Srila Prabhupada, in writing, and offer them on the auspicious occasion of his appearance day, celebrated as Vyasa-puja.
