I have been putting efforts for many years to stay conscious of the Lord with every activity I perform. While I understood how to offer “results of activities or efforts” in the service of the Lord, I am yet to learn and make it a habit of staying conscious of the Lord while performing material actions.

The temples you have built, the ever-increasing full-time practitioners and congregation are providing the much-needed association, support, and encouragement to stay connected with ISKCON and render service to the Lord. I have struggled from the very beginning of my spiritual journey with ISKCON in following the rules and regulations and I continue to struggle. However the last few years I have been blessed with more association of devotees resulting in continued diety worship at home, able to complete my daily sadhana of 16 rounds of japa and also read your books.

I saw your ship from far that you captain to take the condition souls to cross over this great ocean of material existence. I have now come close but am suffering from self-inflicted wounds from trying to enjoy this material world, not wanting to give up the taste for material objects voluntarily and hence not climbing on to your ship.

Kindly help me and bless me so I engage in activities that help me develop ways to stay conscious of the Lord always, work for the pleasure of devotees and the Lord, so I lose the taste and hankering for so called material enjoyment and bless me to an eternal servant of your disciples and devotees of the Supreme Personality of Godhead Lord Sri Krishna

Your servant,

Bhakta Nanda Kishore.

My dear spiritual master Srila Prabhupada,

Kindly accept my humble obeisances. All glories to Srila Prabhupada.

At first, I am thanking you very much and praying your lotus feet that you have accepted this most fallen soul as your servant.

By your causeless mercy only, I have received very rare Krishna Consciousness in this life. Again by your causeless mercy my whole family members are practising Krishna Consciousness now. You have mercifully given us opportunity of chanting Hare Krishna maha mantra 16 rounds every day, your book reading, deity worship, maha prasadam, association of devotees, practicing KC at home & book distribution service etc. And now you have mercifully given me opportunity to attend Harinam Diksha classes and I whole heartily requesting you, kindly accept me as your servant. I am very fortunate that in this life I have received your causeless mercy, requesting you kindly engage me in your service life after life forever.

Always in the service of your lotus feet,

Bhakta Narahari.

Dear Srila Prabhupada,

Please accept my most humble obeisance at your lotus feet.

All glories to your divine grace.

I am fully indebted to you, Gurudeva, because you have given me so many things: the highest conception of the holy name of Lord Krishna, the transcendental devotional service. Your lectures and books about Lord Krishna inspired me in enhancing my devotion towards Supreme Personality of Godhead. You have shown a direct way to connect the Supreme Lord just by chanting the holy name of Lord.

You went to the western world to preach the glories of the holy names of the Lord, the one who delivered countless fallen conditional souls by imparting upon them the transcendental science of Krishna. It is by your causeless mercy that today numerous devotees are practicing Krishna bhakti all over the world.

On this great occasion I pray to you to please grant me service to your lotus feet, so that by serving you I may be able to make rapid progress in my endeavors in spiritual life.

Your eternal servant,  
Bhakta Narayan Jee.

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet. All glories to you Srila Prabhupada

O my dear spiritual master, savior of the whole world. Please bestow your mercy upon this most fallen soul. By your causeless mercy, I got Krishna consciousness in this life. Without Krishna consciousness I don't know what was happening to me as I was drowning in this material world. By your mercy my whole family is connected to Krishna. Please keep us under your lotus feet and give shelter to our family as they are also practicing Krishna consciousness. Please give me enough strength and courage to practice and to distribute your books and to preach your message.

My dear spiritual master, thank you so much for your matchless gift of Krishna consciousness to this fallen soul and to this whole world.

Dear Srila Prabhupada,

Please accept my humble obeisances.

It's an honor to offer you homage on this auspicious day. You were the Pioneer who revived Sanatana Dharma in West. You had put a dent in the spiritual realm on this earth in the mid-20th century, the wheel you set into motion is still rolling and your teachings have touched millions of lives by the grace of your kind devotees. I thank you for waking me from this deep slumber of material life. It will always be an enchantment seeing you effortlessly play Kartal, mridanga, and sing kirtan.

Therefore, I should always remember and praise the spiritual master. At least three times a day I should offer my respectful obeisances unto the lotus feet of my spiritual master."*

Srila Prabhupada, Lord Krishna is very kind, He gives us facility. Therefore, we have got varieties of bodies to enjoy this material world. So when Lord Krishna sees that a living entity is very anxious to understand Him or to revive his Krishna consciousness, then Lord Krishna gives him all opportunity, especially by manifesting Himself as the spiritual master. Antar bahih. The spiritual master is therefore Krishna's manifestation -- Krishna's mercy manifestation to help a person to develop his Krishna consciousness. From within He's helping. Therefore, He's called caitya-guru, and from without, He sends His representative to help how to become advanced in Krishna consciousness.

Srila Prabhupada, You are the only person who has actually cared for me, the spirit soul, not just the body and mind, and also actually helped me put an end to the path which keeps us shackled in the material world of illusion and suffering known as "Society, friendship and love".

Persons who are conditioned in the society, friendship, and love, this is the attraction for material life. "Society, friendship and love," they think, "divinely bestowed upon man." But that, it is not divinely bestowed upon man. From spiritual point of view, it is the gift of maya. Society, friendship and love is the gift of maya, illusion. (SB 3.25.23, Lecture, Nov 10 1968)

Your care for us is so strong and so great that you are actually sacrificing your very life to show us what the actual standard of care, kindness, inspiration and love is!

In sometime Srila Prabhupada I am trying to get married, you always get your disciples married. This is also unique in the history. As you have got many disciples married, request you to help me to become a perfect grhastha, as you always say, it doesn't matter whether your a grhastha, vanaprastha or sannyasi, but your only business is Krsna.

Just like Chaitanya Mahaprabhu mercifully accepted even fallen living entities like Jagai-Madai, Srila Prabhupada, you have accepted this unqualified disciple. Guru Maharaj, please bless me with a very special blessing on this auspicious day that I always stay in Jaladuta, the ISKCON Bangalore ship. Srila Prabhupada you have been very merciful to me in spite of all my faults and I am such an unfortunate servant I could not justify my existence due to lack of serving attitude. I also have a desire to serve your self through your instructions just like my other sincere god brothers. But I am so shameless that I am still attached to my so-called duties and possessions.

*ekaki amara, nahi paya bala,  
hari-nama-sankirtane  
tumi kripa kori', sraddha-bindu diya,  
deho' krishna-nama-dhane*

Alone, I do not find the strength to chant the holy name of Hari. Please be merciful and, blessing me with a drop of faith, bestow on me the great treasure of the holy name of Lord Krishna.

*krishna se tomara, krishna dite paro,  
tomara sakati ache  
ami to' kangala, 'krishna' 'krishna' boli',  
dhai tava pache pache*

Lord Krishna is yours, and you can give Him to me, for such is your power. This wretch is simply running behind you, crying out, "Krishna! Krishna!"

This is a moment in my life, when I can say: "Srila Prabhupada, I gave up.. Please take control of my life. I'm tired of doing it my way". "On this auspicious day I have come with this offering just to worship you, remembering your lotus feet."

Please kindly forgive for all the offences I have done knowingly or unknowingly.

Your menial servant,  
Bhakta Naveen Krishna B R.

*om ajnana-timirandhasya jnananjana-salakaya

It's been nearly 2 years since I have come in touch with ISKCON. Thank you Srila Prabhupada for giving me a institution like ISKCON where I came to know what is the purpose of life and how we have to be and many other knowledge.

Sorry Srila Prabhupada, I haven't made much progress spiritually and improvement in sadhana. Even though I got full support always from my folk guide but I always give some reasons and be busy in my work. I missed my chanting for many times and from 16 rounds I have fallen to 8 rounds and I have made many mistakes knowingly and unknowingly.

I beg you Srila Prabhupada, please show some mercy on me so that I always hear and chant the holy name of Lord Krishna and do my 16 rounds Chanting regularly and effectively everyday. Please accept me and always allow me to do service Srila Prabhupada, so that I can serve your lotus feet. Please forgive me for all my offences Srila Prabhupada, protect me from maya and bless me with the association of devotees.

Dear Srila Prabhupada,

Please accept my respectful obeisance at your lotus feet.

One day when I was surfing through internet to find some course which related to yoga. Then I got a chance to attend a webinar (Yoga for Happiness) which I thought that it was about some yoga exercises. Then I enrolled and attended that session. But, I was literally confused. I was in huge depression due to loss of job ended up in a critical position and found helpless during that situation. But you had thrown a light on me where I landed upon the right place. You showed me the actual way through your devotees who helped me to achieve the real happiness in my life and true satisfaction and I learnt many things such as the actual purpose of meditation, chanting, waking up early and gaining the true knowledge.

By your mercy shown towards me I was able to be in touch with your teachings through your devotees and got all the solutions for my problems that made me to achieve self realization. Please bless me with devotion, knowledge and realization so that I can carry forward your mission with the capacity to co-operate, despite the difficulties and ironies of Kali-yuga and I place myself at your divine lotus feet today and beg for these mercies. I always pray to please keep me in association of your devotees and under your shelter as just like a new born baby; I have long way to go in spiritual life. I beg to protect and nourish my spiritual health as Maya is ready to sweep me away. Longing to remain attached to the dust of your lotus feet.

Dear Srila Prabhupada,

Please accept my humble obeisances.

It is my fortunate duty to write about your presence on this wonderful occasion of Vyasa Puja. From the day I came under the light of ISKCON, I am feeling and hearing about your glories and mercifulness in this world. When started chanting the holynome and started reading your books, I have felt and experienced tremendous things in my life. When I read "Science of Self Realisation" for the first time, the timeless principles and discipline standards thought in that book are doing great work in daily lives of many people. Chanting of holy name and the way to seek Lord Krishna.

Your literary work has changed the notion about God all over the world. It has changed scepticism into faithism. I am extremely grateful for your presence in lives so many people. And I am fortunate to have guru like you in my life.

Your disciple,

Dear Srila Prabhupada,

Please accept my humble obeisances at the dust of your lotus feet.

You're the spiritual master who has endowed this world with the most intense gift, that is, Krishna consciousness. Recently, I watched your biopic which further increased my interest in Krishna consciousness. I was stunned, pleased, and inspired by your words. Mainly, I was fascinated by your energy at that old age. Many people at your age wouldn't even try to do something good for humanity but you took a huge risk and went to New York to spread Krishna consciousness. You believed that you could change the world and you did change it. You changed the hippies to happiest which is extraordinary.

Despite all your struggles and success life again hits you with a heart attack. But you didn't give up and fought with all your health problems and came back. What inspired me of all was your happiness in life. You were always happy and patient with everyone. Now you've left us but you are still alive in our hearts.

Now because of you and thanks to other devotees, I'm chanting every day and moving forward with happiness. In all these quarrels and strife in the material world, I've found something peaceful thanks to you. I'm indebted to you and can't forget you. It's not been many days since I've been introduced to Krishna consciousness but my interest in it keeps on developing day by day. I hope to progress even more in my spiritual life in the future.

Srila Prabhupada, please empower us, your humble servants, to carry forward this great mission of love and redemption. Let us remain fascinated and inspired by your boundless compassion.

Aspiring to be your humble servant,

Bhakta Nikhil Holla R.

Dearest Srila Prabhupada,

I offer my humble obeisances glorifying unto your lotus feet.

*śrī-rādhikā-mādhavayor apāra  
mādhurya-līlā guṇa-rūpa-nāmnām  
prati-kṣaṇāsvādana-lolupasya

*“The spiritual master is always eager to hear and chant about the unlimited conjugal pastimes of Rādhikā and Mādhava, and Their qualities, names, and forms. The spiritual master aspires to relish these at every moment. I offer my respectful obeisances unto the lotus feet of such a spiritual master.”*

On this auspicious appearance day of our beloved spiritual master, Oh master Oh ocean of mercy your mission on spreading the message of lord Chaitanya Mahaprabhu in many languages all over the world is a matchless gift. “The symptoms of a sādhu are that he is tolerant, merciful and friendly to all living entities. He has no enemies, he is peaceful, he abides by the scriptures, and all his characteristics are sublime.” -- SB. 3.25.21 --

Do you think this was artificial? One of the pastimes of Prabhupada “THE JALADUTTA” This incident suffering a massive heart attack, a vision of Lord Krishna rowing a boat. Declaring that he had passed over a great crisis in the struggle between life and death. This showed me a pure love to the supreme Lord Krishna and carrying the instructions of a bonafide spiritual master awakening the soul to go back to godhead. Krishna Consciousness movement is the actual happiness in this material world where you have built a house to the entire world.

When I came to “ISKCON BANGALORE” was very much attracted temple hall lights were turned off, blowing the conch shells in the alter, opening the doors dhoopa coming out my soul waiting to see the deities. This was the day where I got the causeless mercy by “Sri Sri Radha Krishna Chandra.” This fallen soul was not knowing the way how to proceed the process then had a dream of lord Krishna and Srila Prabhupada giving me the love and mercy and telling me, my dear devotee don't be worried come to Krishna consciousness I will take you back home to the abode of mine where you will stay with me and never return to this world again. Then Srila Prabhupada from sky coming in a spiritual plane and instructed me to chant 16 rounds everyday this order of spiritual master made me to come to Krishna consciousness. Thank you Srila Prabhupada for accepting me as your disciple and blessing me with a lots of devotional service opportunities.

I beg to Your Divine Grace to forgive me for all the offenses that I have committed at Your lotus feet and keep me always in loving service of your devotees in the path of pure devotional service.

Your fallen servant,

Bhakta Nikhil Krishna.

Dear Srila Prabhupada,

Please accept my humble obeisance onto your lotus feet on this auspicious day of your Vyasa puja.

Since the day I have come in touch with your Spiritual Institution ISKCON, my entire view regarding life has changed for the good. I look back and see how careless I was regarding this human form of life. By reading your books my life has come on the right path. The taste has changed from the Gross material subjects to Spiritual. Today when I try to share this knowledge with someone else I only think that how merciful you were upon all us. By spreading this knowledge dear Spiritual master you have saved so many jivas from the fire of material existence.

Through your effort to spread Krishna Consciousness around the world you have brought forth the Summum Bonum of spiritual life, i.e. devotional service to the Supreme Personality of Godhead, Krishna. How all that is material, which impersonalist call illusion, you have taught to your millions of disciples to use in the service of the Supreme Lord.

I pray to you my Spiritual Master to keep me under your shelter as you kept this wretched soul through your Spiritual Institution. May I be able to follow your instructions until the end of life & beyond.

Your humble servant,  
Bhakta Niladri Ghosh.

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet.

All glories to You, Srila Prabhupada, on this most glorious day of Your appearance.

I feel very fortunate to get the constant association from the devotees of Lord Krishna wherever I go during the pursuits of my life. Thank you very much Prabhupada for bestowing mercy on me.

Srila Prabhupada, it is because of your's and Krishna's mercy only, now, I am able to complete my 16 rounds of Hare Krishna Maha-mantra chanting and this is really helping me to spiritualize my daily activities. I feel more confident day by day as the faith is getting stronger and also could rejoice the love of God more deeply. I will pray to you on this auspicious day to constantly shower your mercy and help me to get stronger in terms of Krishna consciousness philosophy and distribute this transcendental knowledge to other needy souls, who could also rejoice the true happiness.

Thank you very much Srila Prabhupada for helping me to come out of the deep sleep, where I was lying on the lap of maya from time immemorial. Thank you so much for reviving my forgotten relationship with Lord Krishna and help me to come out from the world of miseries with the light of transcendental knowledge and more practical medicines – Hare Krishna maha-mantra, soulful kirtans and maha prasadam.

I am very grateful for getting this opportunity to add Krishna Consciousness in my life and wish to share this knowledge and bliss with others. Please, keep bestowing your mercy and bless me to take my sadhana more seriously.

Your Servant,

omajñāna-timirāndhasya, jñānāñjana-śalākayā  
cakṣurunmīlitaṁyena, tasmaiśrī-guravenamaḥ

My dear Srila Prabhupada, I was born in the darkest of ignorance, and you have mercifully opened my eyes with torchlight of knowledge. I offer my respectful obeisance unto you, dear Srila Prabhupada.

I thank you for giving me yet another opportunity to write Sri Vyasa puja homage offering. Although I am not capable enough to glorify you befitting your true exalted position, I beg you to kindly accept my Vyasa puja homage offering.

Srila Prabhupada, this year (2019-2020) I received so many reciprocations from you. It was all just because of your causeless mercy that I could receive so many realizations and so much of sadhusanga. At so many places I felt that Prabhupada, that because of you I was saved from strongest clutches of maya.

Even though I possess lot of anarthas, but still, Gurudeva, you considered me and shown your causeless mercy upon me. Srila Prabhupada your life always keep inspiring me to take all the risks and pain without any hesitation for Chaitanya Mahaprabhu's movement. Srila Prabhupada even though I see so many ups and down in my life while practicing Krishna Consciousness in my life, but still the one statement which always holds me back and keep me engaged in Krishna's service is "Whatever happens, even if you are treated like a dog, never leave ISKCON". Srila Prabhupada this powerful statement of yours which shows that how much you wanted us to be in your movement and how much care and affection you have for us. Srila Prabhupada your deep love and affection for your disciples is immeasurable.

Please bless me Srila Prabhupada so that one day I can also take shelter of your lotus feet by becoming your initiated disciple.

Srila Prabhupada, I beg utter forgiveness from you as I have failed so many times in completing your instructions. But I know very well Srila Prabhupada that, until your mercy is there I could not have even done, whatever I have done till now. I have unflinching faith Srila Prabhupada that just by following your instructions I can get to pure Krishna consciousness. But the strength to execute your orders also comes from you. So please provide me such strength that I can always be engaged in Krishna's service.

Yours aspiring disciple,

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to you.

As you strongly predicted that this materialistic, animalistic civilization will collapse soon, the same is happening as the world is watching helplessly a minute virus wreaking havoc to their gigantic civilization amidst a constant threat of World War 3. The need of the hour is spreading Krishna Consciousness for which you have already lantern an unshakable foundation in the form of Hare Krishna movement. I am so excited to be a humble part of this movement especially at this opportune moment when it is going to spread like a wildfire, burning all the demonic tendencies of the general populace.

Your transcendental books will prove to be the constitution of the world providing directions and guidance to this misdirected civilization. I beg you to keep me engaged in your loving service and provide me more and more opportunities to serve your lotus feet by accepting me as your full-time servant. My respectful obeisances to Srila Prabhupada,

Please continue to shower your blessings on me and help me stay on the spiritual path of Krishna consciousness.

Regular reading of your books, "Bhagvad Gita as it is" and "Srimad Bhagvatam" have kept me encouraged in sticking to Krishna consciousness. With the kind blessings of Lord Krishna and the able guidance of my spiritual master, I've been able to start chanting up to 4 round a day instead of just 1 round of the Hare Krishna maha mantra. There have been instances when I've had some troubles in my life over the last one year which tried to deviate me from the path of Krishna consciousness. Every time I've prayed to Srila Prabhupada to help me out and the prayers have worked miracles. It is said in Srimad Bhagvatam that worshipping a devotee of Lord Krishna is like worshipping Lord Krishna himself. This has been proven time and again in my life because by praying to Srila Prabhupada, I've been able to overcome a lot of obstacles.

I hope that I will be continuously blessed by Srila Prabhupada and Lord Krishna. Hare Krishna.

Your's sincerely,

Dear Srila Prabhupada,

Please accept my most respectful obeisances at your divine lotus feet. All glories to you, and to the entire guru-parampara! On this occasion of Vyasa Puja, I would like to express my heartfelt thanks to you for coming into my life and changing it entirely. However, your real mercy will come to me if I keep your instructions in my heart and genuinely follow them without any deviation.

You have given us a complete system of spiritual practice, which helps us mold our lives in such a perfect way that we can remain Kṛṣṇa conscious twenty-four hours a day. You gave us the association of devotees, in which discussion of the pastimes of the Supreme Personality of Godhead is very pleasing and satisfying to the ears and heart. But still, even though you are present through your instructions, I wish you were personally present with us. I still get so many questions that no one has been able to answer completely. Only someone like you could answer those questions.

Always aspiring for your causeless mercy so that I will become a devotee someday.

Dear Srila Prabhupada,

Hare Krishna. Please accept my humble obeisances to your lotus feet.

Thank you so much for giving me this wonderful knowledge about KRISHNA CONSCIOUSNESS. After completing my higher studies I was thinking, “whether I will get spiritual knowledge now”. But suddenly one day you sent me your disciple to my college to give spiritual knowledge. That time I got what I thought of before. I was so happy at that time. I did not expect that. At that time I don’t know about Krishna. But you gave the knowledge of who is Krishna. I loved it so much. You gave me Hare Krishna mahamantra to chant everyday and gave an opportunity to become the servant of Krishna. What else I need than this Mahamantra, Prabhupad!. Your service-minded thought came before many years is helping me. Prabhupad, you took pain for me and gave me what I need. Thank you very much. I am your servant. I will definitely give the knowledge to the next generation. Once again thank you so much.

Hare Krishna Prabhupada,

Please accept my humble obeisance at your lotus feet.

Since I was a child, we are visiting ISKCON Bangalore and associated with devotees of Krishna. Slowly, I came to know about your achievements and victory through your videos and lectures. Recently, out of curiosity, I started exploring about your travel in “JALADUTA” from India to the USA. Many questions & doubts raised in mind. I clarified all my doubts with help the of my parents, at that time, I felt I was so lucky to be grown in the Culture of Vaishnava. I felt grateful for following your teachings. I was impressed by your preaching in different parts of the world. So, I promise that until my last breath I will follow your instructions. Please bless me Prabhupada to grow with good knowledge and intelligence. One day I will become a nice initiated devotee.

Dear Srila Prabhupada,

All glories to his divine grace Srila Prabhupada,

I pay my humble obeisance unto your lotus feet.

My spiritual father Srila Prabhupada. As I was born in this Bharatvarsha, the land of Krishna and Rama, I had a little amount of devotion for Krishna. I was just believing, but after accepting you as my guru, you showed me the real love for Krishna and the real meaning of devotion for Krishna. I was lost in this material world, but your teachings and the way you showed me was like a source of light sparkling far away from me. Because of your proper guidance and truthful knowledge I got attracted to that source of light. You removed the cataract from my eyes, now I can see and I can feel the love of Krishna and yours. I pray you to bestow your love and blessings so that I can become a pure Krishna conscious person.

Dear Srila Prabhupada,

My humble dandavat pranam at your lotus feet on this most auspicious appearance day of your divine grace.

Srila Prabhupada, you are the beloved spiritual father of millions of souls on this earth now. People all over the world are beneficiaries of your transcendental labor of love, which you undertook when you walked on this earth. There was never and never will be, a personality of your kind to tread the world for the sake of humanity.

As a living Bhagavata, you moved among the fallen and demonstrated the process of ultimate well-being. Thus you demonstrated that the ultimate purpose of an action is the ability to constantly be conscious of Krishna.

Srila Prabhupada, by Your causeless mercy you are ever-present in so many ways. But my unfortunate position is that I have not been always conscious of your presence.

On this day, I beg for your blessings to fully engage me in your divine mission.

Always aspiring to be a servant of yours.

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet on this most auspicious occasion of your appearance day.

All glories to Srila Prabhupada,

By Lord Krishna's and your mercy, I came in touch with your Hare Krishna Movement, Bangalore. Since past three years I am practicing Krishna consciousness by chanting "Hare Krishna Mantra" and clarifying my doubts by reading your books. I am requesting you to guide me and lead me to the spiritual path and bless me in not getting attracted by Maaya by achieving real bhakti and pure Krishna Consciousness. I humbly beg you to shower your blessings on me to follow your path through my complete life sincerely and forgive me for not reaching your expectations as a devotee of Krishna even after all the years passed due to my own issues. But I am hoping that you will accept and bless me in going through this Krishna consciousness.

Material existence is something like a blazing fire in the forest, which can be extinguished by the mercy of the Lord Śrī Kṛṣṇa. The spiritual master is the mercy representative of the Lord. Therefore, a person burning in the flames of material existence may receive the rains of the mercy of the Lord through the transparent medium of the self-realized spiritual master. [SB 1.7.22 Purp.]

The spiritual master is representative of the Lord, Knowledge of the Absolute Truth is not very easily understood by ordinary, less intelligent men; but if the spiritual master is kind enough to the disciple, however unintelligent the disciple maybe, then by the divine grace of the spiritual master everything is revealed. Falling in Kaliyuga makes us fall into the material world which can be protected by chanting "Hare Krishna Mantra". Please use me in service to Krishna. After coming in contact with Krishna Consciousness by you Srila Prabhupada, I've observed the following changes within me

I no longer feel angry towards even small issues

Learning self-control from materialistic activities

Finally, my humble request is to help me to advance further into spiritual realisation and not to be born in the next life. Thank you to Lord Krishna, for giving this opportunity.

Jai Srila Prabhupada.

Your humble servant, Bhakta Oleti Chandra Sai Pavan.

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet. All glories to your divine grace.

I, an insignificant person is making an attempt to glorify you, my dear Srila Prabhupada, please ignore my audacity and mistake in doing the same.

Prabhupada, by your mercy and grace I have come to know about the science of God or Kṛṣṇa, it is by your mercy I have come in touch with such wonderful devotees who always try and help me to be in touch with your teachings, and thus follow Kṛṣṇa Consciousness.

Dear Prabhupad, if you may, please bless this insignificant person with your mercy, such that I could really fix my mind and heart upon your teachings about Lord Krsna and his paraphernalia. I am paying my respects at your lotus feet, my dear Prabhupad, and I know that by your grace only I can advance/practice Krsna consciousness, because by myself I have no power, knowledge, or understanding in doing so.

For the things, I have learned, since the day I have come in touch with the devotees has been extremely transcendental and wonderful in every aspect. And, I would like to *thank you* for setting up such a platform where senseless people like me who didn't have any understanding of life (in real) has started to learn the science of the very life, through your books, instructions. I would be ever and eternally indebted to you, because, for whatever, I have learned even the slightest of the true knowledge in my life is due to you, Prabhupada!

Please forgive me for any mistake I did, and bless me with your grace such that I can have the proper knowledge and power to not commit any mistake in my Krsna consciousness.

Dear Srila Prabhupada, my Spiritual Master,

I did start my spiritual journey with the natural love and devotion for God in early age. I was doing as per many other preachers and scriptures. It was the first time I got to know about you by visiting ISKCON, Bangalore Krishna consciousness center. Your grace's effect was so strong and much immense on me that I was left blissful (I would say infinitely) after reading you and your books compared to my earlier hardship attainments for short duration bliss.

Oh, my dear guru, you and your scriptures are reservoirs of cosmos of bliss! I experienced only after reaching you. By seeing and reading a variety of books translated I felt that I don't have to go in search anywhere for God-related scriptures. That was the immense knowledge I found in your translated literature. Reading your translation is like eating/tasting sweet, so pleasurable, convinced by the mind, sometimes tears flow in devotion and love. Finding you was a great blessing of God unto me!

I am proud to say that I have found you as my deliverer from this material world. By your grace I've had many spiritual experiences of seeing you, seeing Krishna in ISKCON temple, Seeing Laddu Krishna in my home temple, Seeing Krishna in Dwaraka temple etc,. All these blessings are so assuring on the spiritual mind to convince God's presence in life, is all because of your grace on this fallen soul. You're so merciful, beloved to the one who loves God. I sincerely pray and fall at your holy feet on this auspicious day your Vyas Puja. Please accept my prayers and bless me to grow further in my spiritual journey till the end of life.

Your faithful servant,

Hare Krishna!

Dear Srila Prabhupada,

Sri Shrimad AC Bhaktivedanta Swami Prabhupada, my humble obeisances unto your lotus feet.

I request you to please accept my Vyasa Puja offering.

In 2016 I came to ISKCON Temple, Bangalore. One devotee came and asked me whether I liked to hear about Krishna. I said that I have been wanting to hear about Krishna for a long time. After that he explained about 'yoga for happiness' sessions. I expressed my interest in it, and told him that I wanted to collect pass. Next Sunday I attended class. After that every Sunday session kirtan, special day program, chanting, staying in temple, and attending morning Pooja happened. One day my guide called me. I was surprised. He asked me whether I wanted to go for Bhagavad Gita book distribution. Suddenly I said 'yes'. I got very nice opportunity. That day I went to Telangana Ramadasa Temple. I distributed so many Bhagwat Gita books. I am very happy that like this my folks journey started. Now I am chanting six rounds, and reading Prabhupada books for ten minutes. Like this so many opportunity I got. So all this opportunity I got from my Guru Prabhupad. Please accept my thanks Prabhupad.

Your humble servant,

Bhakta Paramananda.

Dear Srila Prabhupada,

Please accept my humble obeisance unto the dust of your lotus feet and all glories to your divine grace.

Srila Prabhupada, it is only because of the purity of your words and lectures the truth of Krishna consciousness reached many jivas all over the world to detach from material affairs and have got attracted to Krishna consciousness

You saved many jivas from the ocean of material birth and death life cycle and gave eternal happiness by awakening the real consciousness position of jivas. Unless one realizes Krishna consciousness human form of life is imperfect. So jivas are entangled in the material world.

Thank you Srila Prabhupada, you gave me shelter on your lotus feet. You gave immense benefits. Most important is the association of devotees. It is so powerful that sinful persons like hunter *mrigari* became the topmost devotee of the Lord by Narada muni. In this way you gave your causeless mercy to many fallen souls like me.

My japa quality has improved a little because of soulful japa sessions by Madhu Pandit Prabhu. Prabhu explained the importance of the holy name in this age of Kali. How to control the mind from thinking. How to do japa based on your teachings.

You took a big step for preaching Krishna consciousness to the whole world. Please give me enthusiasm, intelligence, direction to participate in your mission, and discharging devotional service. Please give remembrance of Krishna and shelter on your lotus feet throughout my whole life.

Your insignificant servant,

Bhakta Pardha.

Dear Srila Prabhupada,

Please accept my humble obeisances, All glories to Srila Prabhupada.

I have read your biography and it contains numerous inspiring and motivational incidents, in which you have actually shown us the best way to handle different situations. I believe that the most heartfelt moment for me is when you boarded the ship to New York. You had an ineradicable belief on your spiritual master, Sri Bhakti Siddhant Saraswati Goswami Maharaj. You kept the message of the spiritual master in your mind always. Despite suffering from several heart attacks, riding through the storms, you did not even think of abandoning the mission to spread Krishna Consciousness in the whole world. Srila Prabhupada, you are an example of a person having extreme patience, good physical and mental health, indestructible discipline, and the knowledge of the two worlds.

I would like to share with everyone the way by which I got introduced to Krishna Consciousness. One of my cousins, who is now an initiated disciple, Sudhir Krishna Prabhu, joined ISKCON in Bangalore. He was a Hotel Management student at that time. Currently, he is managing a restaurant of ISKCON in Melbourne, called "Gopala's". He was the person to introduce almost all of our relatives to Krishna Consciousness. He still insists everyone chant the holy name and be under His Supreme care.

Later on, when I came to Bangalore for Engineering, fortunately, I met Ayush Prabhu and Anadi Krishna Prabhu from Ramaiah Folk Residency, in my college. My parents were very specific about me that now I would stay under good care.

Staying in Folk Residency has meliorated me to a great extent. I can observe myself to have more patience, confidence, a habit of appreciation, and discipline. No doubt, now I can handle day to day problems more comfortably. I'd say that every

single person, regardless of age, profession, and religion, should take up Krishna consciousness seriously in their life and stay happier.

I honestly enjoy the whole of the Sunday program in ISKCON Bangalore. It provides a lot of activities to get yourself indulged the whole day. It genuinely helps me in overall character development.

Your servant,  
Bhakta Parth Priyadarshi.

Dear Srila Prabhupada,

Kindly offer my humble obeisance at your lotus feet.

It's very difficult to describe the change you brought in my life. The spiritual knowledge is available in India since ancient times, nevertheless it's realization is very very difficult. After coming to your shelter only I realize that Krishna Prema is the ultimate aim of life without which all the Vedic knowledge simply creates a false illusion of liberation. However, even after coming to your shelter, I have wasted most of my time in fulfilling the desire of sense gratification. O Srila Prabhupad! I am wicked and cunning by nature. My mind is full of different Anarthas. I have no hope of purification in this life. However, still out of causeless mercy, you have cultivated seed of Krishna Prema in my barren heart. Even though I have not strictly followed your instructions, still you have sheltered me just like a kind father loves even his useless son. I have no qualification to call myself as your disciple, still out of your kindness you have engaged me in your service. O Srila Prabhupad! I kindly pray at your lotus feet to empower me to practice Krishna Consciousness without cunningness and preach Krishna Consciousness to other suffering souls. Kindly detach me from all the mundane relationship which simply drag the soul to take more and more birth. Kindly bestow me to serve your movement more and more by spreading KC to all the suffering souls. I do not ask for Goloka Vrindavan, darshan of Radha-Krishna, blissful spiritual life because I have no qualification at all to even think of these goals. However kindly fulfill my desire that I may cry for Krishna out of helplessness, I may become a useless person for materialist and having no shelter than you, I may able to do significant contribution to spread Sankirtana movement, may the bhoga I offer is relishable by You and Radha-Krishna, may the people of Kali-yuga have an attraction for Sankirtana movement more and more, may I get your personal service. It's very very rare to get association of a Goloka person and you have mercifully appeared to deliver the whole world. O Srila Prabhupad! Let your glories spread across the whole world and let me be the instrument in your hand. Kindly protect me under your shelter.

Your worthless and ungrateful disciple,

Hare Krishna!

Dear Srila Prabhupada,

Please Accept My Most Humble Obeisance's at your Divine Lotus Feet!

On this most auspicious day of your appearance, I humbly request you to accept this piece of writing as Vyasa puja offering from my side and shower your blessings upon this most fallen soul.

I am incredibly grateful that Krishna gives many chances for one to become Krishna conscious. Because of you Srila Prabhupada I know what is right and what is wrong, what is good and what is bad, and more importantly, what is the

process of self-realization in this age. I may struggle with living up to the high standard of truth you have given, but I know it is, in fact, the absolute truth, and that the wanting is with me and not with what you have given.

From those devotees who are close to your heart and who know your heart's desire well, we hear of your great emphasis on the transcendental welfare activity of book distribution. Propelled by their guidance and nourished by your mercy, we distributed copies of Srimad Bhagavad-gita As It Is & Krishna book. By your blessings I got an opportunity to take part in book Marathon & distribute your books. By your causeless mercy Chaitanya Center, got established; and Sri Nitai Gauranga came to stay, to glorify you alone, fulfilling Their promise that Their devotee never perishes. We pray that we can please you in our humble efforts to serve Their Lordships through Deity worship, book distribution, preaching programs, festivals, courses, and much, much more! Thank you, Srila Prabhupāda, for engaging us in the service of your dear Lordships Sri Sri Nitai Gauranga. We know well that we are very weak in book distribution—the service that is most pleasing to you. We need your mercy to devise newer methods by which we can involve the Chaitanya Center congregation in book distribution. We can improve by your mercy. So, on this special day, please bless us to increase our book distribution efforts and thus introduce more and more people to Krishna consciousness, which is the only solace in the blazing fire of material existence.

Srila Prabhupada, by your divine grace causeless mercy, the Supreme Lord, Sri Radha Krishna Chandra, Sri Krishna Balaram & Sri Nitai Gauranga blessed us with a son. As you instructed in BG 7-11 Purport, “The responsibility of parents is then to make their offspring Krishna conscious.” We will be able to perform this duty only by holding your divine lotus feet, as we are incapable to do anything by our self.

I shall try my best of the capability to think of you and meditate more and more on your words and instructions regarding each and every matter. I beg & pray at the lotus feet of Gauranga Maha Prabhu, to give me the ability to understand your teachings from which I can handle my fickle mind. In that way, I will go in the direction shown by you, on the path back home, back to Godhead.

It is my desire that somehow, we may be engaged in your service, either serving you directly or serving your true servants, in whatever state of life we be in. On your appearance day we pray from you that we may be steady in our vows at your lotus feet, especially the chanting of *harinam* & reading your books.

Thank you very much Srila Prabhupada! Please forgive this insignificant soul for all my offenses knowingly or unknowingly committed unto Your Divine Grace's lotus feet.

All glories to Sri Sri Radha Krishna Chandra!

All glories to Sri Sri Krishna Balarama!

All glories to Sri Sri Nitai Gauranga!

All glories to Srila Prabhupada!

Dear Srila Prabhupada,

Please accept my faithful prayers.

You have shown me the path of true happiness by bringing me right next to the temple and not just bringing me closer to ISKCON, but making me associate with devotees and going to spiritual pilgrimages while enjoying kirtans and hearing about Lord Krishna and his pastimes and by thinking of you and Lord Krishna. I have had hope when I felt hopelessness and for that, I am grateful for giving me the opportunity for associating with devotees.

Your devoted servant, Bhakta Pavaman Rao.

My Dear Beloved Spiritual master,

My first visit to the ISKCON temple in Bangalore was when I am 9 years old. Later it has so happened that I shifted from Bangalore for my studies when I was 23. As soon as I remembered Bangalore the only thing that came into my mind was ISKCON. My childhood visits to the temple were deeply engraved in my mind and heart. I was attracted to your VOICE. Later it so happened that I joined folk residency. I feel like there is a relation between us. Till that point, I didn't know what real HAPPINESS is and learn to be happy for no reason (like money, etc) I am deeply connected to you. SIMPLE LIVING HIGH THINKING. I simply accept what you said in your lectures. I want to be chastised by you. You are the only one who can make me think of God. I don't know what would have happened to my life without coming in touch with you. It's all my good fortune. I keep trying to follow your instructions I know I may not do it perfectly still I have your mercy that's why I am in Krishna consciousness right now. Please bless mercy unto ME, You are the center of my spiritual life. Please make me a servant of your mission.

Your's trying to be disciple,

Bhakta Pavan Kumar.

My dear Srila Prabhupada,

Please accept my humble obeisances.

All glories to Srila Prabhupada.

I would like to thank Krishna a lot for getting me in touch with Krishna Conscious and the teachings of Prabhupada. Around two years ago I came in touch with folk residency and that changed my life. Before that, I've had so many questions and doubts about God and the truth. Prabhupada has cleared everything. I'm also thankful for the association of devotees. All the residency members are like family to me. We all glorify the name of Lord and do wonderful kirtans in residency. I'm giving knowledge of Krishna to as many people I meet. I hope I'll be successful in the mission of Prabhupada.

Hare Krishna.

Your servant,

Bhakta Pavan Prakash Mesta.

Dear Srila Prabhupada,

Please accept my humble obeisances, All glories to your Divine Grace.

It is always the most difficult task to describe one's appreciation for all the opportunities that you have presented to us. Before I came in contact with your teachings I was very confused. I had no idea what my life was meant for. I constantly felt like something was missing. Srila Prabhupada, you saved me from a life of misery and ignorance.

Dear Srila Prabhupada, I love to hear your mock debates with your disciples, as they play the devil's advocate, and how you smash their atheistic argument. I love to hear you tell the glories of Lord Sri Krishna in your original dictation tapes of the Krishna books and I love to hear your classic vintage kirtans.

In all circumstances, I always hear your tapes and read your books, and thus I always feel safe and secure in this dangerous material world.

But most of all, by your grace, Srila Prabhupada, you have given us your association, your instructions and your example. Now, by your grace, I humbly request that you so kindly bless me with the desire and ability to share these matchless gifts with each and every single conditioned soul in the material world. Please help me to someday become your real disciple and serve you without reservation according to your desire. May this be my only aspiration, life after life.

Your Servant,  
Bhakta Pawan Kumar Patel.

Prabhupada I strongly believe your golden Vani, which will lead us back home, back to Godhead. You please force me to engage more and more in your loving devotional service, help me to develop sincerity and attachment to the Holy Name, and be away from attachment to sense gratification thoughts and actions. By following in your footsteps, I have become a servant of Krishna.

Srila Prabhupada by your blessing in this pandemic situation. I am able to witness temple darshan every day through online portals. Dear Srila Prabhupada,

I offer my respectful obeisances unto your lotus feet.

By Lord's grace, I happened to somehow come in contact with your mission. And, it is only after associating with Your Divine Grace (by reading your books, and hearing to your lectures), and your sincere devotees that I came to know something about God, religion, and philosophy. The Hare Krishna movement is beyond any religion. In fact, it is the essence

of all religions. That is - Love and Devotion to God. I have been presented with ample opportunities to serve you in my personal capacity, regardless of how sinful I am. What else can be, if not by you, and your sincere disciples' mercy? . Your Divine Grace and your representatives are truly magnanimous indeed! Whatever good values/qualities I may be possessing today must be attributed to your wonderful movement. My Dear Master, please give me the necessary strength to strictly adhere to your regulative principles, and chant regularly and attentively. I beg you to please bless me so that I may engage most of my day in rendering devotional services. Please have mercy on me so that I am not be bereft of your association anytime. Dear Srila Prabhupada (Beloved Spiritual Master of ISKCON),

Kindly accept my humble obeisances unto your lotus feet. All glories to you Srila Prabhupada.

I am very happy to offer Vyasa puja homage unto you on the auspicious occasion of your divine appearance day.

I am very much thankful and indebted to you and your Institution (ISKCON) for everything you have given to me, to your disciples, and the whole world by accepting so many unbearable difficulties in your personal life.

It's only because of you that I came to know who I am, who is Lord Kṛṣṇa and His teachings, what is the real Dharma (Sanatana Dharma), what is real Hinduism, what is real Parampara, the importance of chanting Hare Kṛṣṇa Mahamantra, what is to be done and not to be done from the real spiritual perspective point of view, which is bonafide and which is not and many many more. Most important for me is that I came in touch with your divine Institution ISKCON which is founded by you, that is the greatest thing I achieved in my life and that is the only biggest boon for me.

I beg your forgiveness for all offenses that I made unto you and Vaishnavas. I hope one day I will become your disciple to serve and support your divine mission throughout my life. Once again thank you very much for the innumerable things which you have given to us dear Srila Prabhupada.

Hare Krishna,

Please accept my humble obeisance and deep regards. All glories to You on this holy and pious day of Your Vyasa Puja.

Due to Your blessing, I am able to get the Krishna consciousness in this early stage of life, it really soothes my heart and always gives me inner peace. Due to your mercy I got the opportunity to live in Ramaiah folk Residency, it came out as a saviour for me as I was not allotted hostel in the college. It enlightened my mind and increases my confidence to face challenges in my life.

I am thankful to You for this wonderful opportunity that you have given to me, but one thing that I'm lacking is that I am not able to chant Krishna' mantra each and every day. Please give me your mercy so that I will understand the importance of chanting and reading books in my day to day life. I am very lucky that You have chosen me as your servant.

Kindly always maintain Your blessing upon me and guide me.

Begging to always remain in Your lotus feet and always desired to be Your servant,

My Dear Spiritual Master Srila Prabhupada,

Please accept my humble obeisance. All glories to you on this auspicious day of "VYASAPUJA".

I unable to thank you for your support in my life all the time, and I am not so much intelligent also to express my feelings with suitable words here. Even then, you are so merciful that you have availed all knowledge of Bhakti to me without any partiality.

When you were not in my life or even now also sometimes if I am not remembering you because of my ignorant nature, a lot of problems arises in front of me which look like big mountains to cross. But next second once I turn myself towards you, all problems look like a general routine of life and I finish all difficulties without any pain.

Sometimes I think that had you not have come to my life then what would my situation be. I cannot think to live a single moment of my life without your mercy.

So, please keep me under your shelter always like how you have saved me til now from all kinds of dangers of material existence.

Your humble servant,

Dear Srila Prabhupada,

Please accept my humble obeisances.

All glories to you on this auspicious day of your Vyāsapuja!

No words can suffice to express my gratitude towards you, and the innumerable times that you have guided this wretch away from darkness and into the light, patiently, every-time through the instructions that you have so benevolently bestowed upon us. You have been the guiding light for me in the darkest of times, whether I have had the capacity to realize

it or not. For the longest time, I've never thought life would have any meaning to it, for even though I was frequently in touch with many of those with whom I'm related to by blood, there was always a heavy air of loneliness around me; be it alone in my room or with all 30 of my cousins in a family party. Depression had consumed me inside and out.

It was only during the early days of 2018, that I finally wandered into the warmth of your glory. Through a chance meeting, I came across a devotee that was chanting - my own classmate. Looking at my desperation, he just asked me to try chanting 2 rounds of the Hare Krsna Mahāmantra every day. I had exhausted all means of finding meaning to an otherwise empty life, and hence, with nothing to lose, I started every day. The results were instantaneous! In a matter of weeks, I was experiencing a joy that was alien to me and my 18 years of experience. To say that I was happy all the time would be an understatement. Yet, I didn't know more things were still in store for this poor undeserving soul.

The 13th of August 2019, I went on an unexpected trip to the holy place of Kanchipuram, where the Supreme Personality of Godhead, Lord Varadaraja had awoken from His 40-year-old slumber underwater. That day, after a sweltering 7 hours in the line, I had the most glorious opportunity to see Him for 10 seconds. My life as I knew it changed that day. Never did I expect me to have become the way I am now. After that day, I was much calmer and in a state of peace, I haven't experienced. This prompted me to read the books that you had so mercifully written for the benefit of all living beings in the material world. When I went to the holy land of Purī on the 4th of February, 2019, and gazed upon the lotus face of Jagannath, tears started pouring out my eyes, unprompted. My heartfelt the separation intensely and nothing could comfort me other than thinking of you. That was the first time I felt the connection to the Supreme intensely, and it is only and only due to you, Oh Gurudev!

As I learned more and more from you and started following your instructions, I had finally found meaning in my life. For the first time in years, I knew my purpose in this world. Oh Gurudeva, I now know in my heart that you are more my relative than anyone can ever be. Like my father, you continuously are and shall continue to guide me in every thought, plan, and action in my life via my mind, body, or soul.

Without your mercy, that pervades everything that exists, this world would be in a much darker place, and I would've continued to struggle for all of eternity within that same world. Singlehandedly, Krsna, in His complete manifestation as the sound vibration, echoes from the Deccan Plateaus, to the Swiss Alps, to the Northern Tundra, the widest and most barren of deserts and across massive oceans and in the most advanced metropolitan cities, to the smallest of villages, and in the walls of the place I reside in currently. All this, being a tiny fraction of your Lilas, is all due to your mercy. You unleashed the transcendental love for the Supreme Lord!

If it wasn't for you, I wouldn't have been able to witness my Lordships Sri Sri Radha- Krishnachandra, Krishna-Balarama, and Nitai-Gauranga standing in all their glory, proving to me time and again that They always will be the eternal refuge for my soul, lost and wandering.

It is only because of your mercy, that the same Jagannath, Baladeva, and Subhadra of Purī, have chosen to make this house, the one I reside in, to come and make it Their residence as the Arca-Vigrahas. Every day, as I perform my prayers, I feel you sitting and guiding me. I was a lost soul, wandering in the darkness, crying for his true parents, yearning for something missing; and your lotus feet, Oh dear Gurudeva, are the hope for this worthless being to realize its lost identity. I definitely must have done something to please the Supreme Lord Krsna very much in my previous lives, for He has led me to you!

I stress again that words can't suffice to express my heartfelt outpourings unto your lotus feet, and though I am limited by a word count, my feelings to you can never be contained. Though this servant continues to associate with you and feel your presence in every breathing moment, I shall definitely look forward to next year, so that these fortunate hands have the opportunity to write another letter to you and shall continue to do so forevermore.

Aspiring to be the servant of your servant,

Bhakta Pranaav.

Dear Srila Prabhupada,

Please accept my humble Obeisance.

All glories to you on this auspicious occasion of your appearance day Vyasa Puja.

Srila Prabhupada you have tremendously influenced my life!

I remember I joined the FOLK residency, started reading books written by you, and relished listening to Krishna's past times from the senior devotees in the residency. As I am belonging from a typical Odia Brahmin family, I was happy when I saw people were very disciplined and devoted to the Lord, but for the first time, I was listening to such a great personality - You, Srila Prabhupada, who had complete knowledge about both the Spiritual and material world. Especially the way you explain about Krishna is magnificent and immediately strikes the heart. Hence, I started following the 4 regulative principles and started Hari Nama Japa (Chanting) seriously. Today I can't appeal that I am devotee, but I can say that the way I was feeling, thinking, and representing myself previously has changed because of you Srila Prabhupada.

I pray to the lotus feet of Prabhupada to show me the way to devotional service.

Your aspiring servant,

Bhakta Pranab Mishra.

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet.

I was studying in Amrita school of Engineering, Coimbatore. It was in 4th year, I met Prabhu Karuna Keshava Das ji. I rarely come across people who have a patience level akin to Keshav Das ji's. It just intrigues me, how is he able to tolerate a person like me who is so annoying? How is he not getting angry with my immature behavior? How is he able to maintain his composure? And why is he not giving up on me? He often speaks about you. It made me curious and I started to research and tried to learn more about him. My mind was blown away by the fact that a single person at such a vulnerable age created a humongous positive impact on this world. Those qualities of Keshav Das Ji's were simply the reflection of the teachings of your good self. I only wished if I could be able to meet you when you were personally present. It's a huge loss to us, humanity. Especially the current generation, where the attainment of pleasure is easier than ever. All we see is different types of addicts. One of the most precious gifts that you gave us is the habit of chanting. In this illusionary world, chanting

is a powerful and effective tool to refine our minds and streamline our thoughts. I'm not gonna lie, it was very difficult to maintain consistency in chanting. For me, it was a boring activity. However, Keshav Das Ji did not give upon me. He used to call me quite often, Sometimes we chanted together, he made sure that I was chanting at least frequently. As time passed, I was habituated to it. Chanting has noticeably enhanced my patience levels, it made me calmer. It is like a workout to the brain, results are not instantaneous, but they appear eventually. I chant at least one round a day. I know its less, but I am consistent in my efforts. I'm sure the count is only going to increase as time passes. All in all, I couldn't be any more grateful to be part of such a noble moment and I'm sure it will lay a glorious path towards enlightenment which will transform the entire world into a much better place. Hare Krishna!

Your servant,

Bhakta Praneeth Reddy SVS.

Hare Krishna Prabhupada,

After joining ISKCON and learning about Prabhupada my life has completely changed. He told the importance of spiritual master in our life, advantages of chanting. After learning about Krishna and hearing lectures of devotees I learn so many things. How to not get worried about my life because Krishna is always with me and protecting me. He also told us about spiritual trips and books. I went on a few trips I learned more there and had very nice experience with devotees. I learned HOW TO BE HAPPY. The qualities which I found in all devotees here are patience, knowledge and easy to explain literature with examples. So we finally understood the true meaning and ambitions, goals of our life. I liked the services given to me there. I was always very energetic while doing service because it is on the way to please Krishna.

Thank you for giving me all these Srila Prabhupada. Please bless me eternally. Hare Krishna.

Dear Srila Prabhupada,

I am extremely insignificant. Your glories are beyond my abilities to comprehend, but still I must make some meager attempt to glorify You.

The Divine Grace Srila Abhay Charan Bhaktivedanta Swami Prabhupada, the Evangelic Angel, I was tilted to spirituality because of you and started following ISKCON. Thank you for coming to this world to save us in spite of the tremendous difficulties and obstacles which you had to face alone, depending solely on the mercy of the Supreme Lord Krishna and your eternal spiritual master, Srila Bhaktisiddhanta Sarasvati Thakura

I beg you to not toss me away. I beg you to remember whatever small service I have tried to offer to you, and I beg you to keep me eternally connected with you. Dearest Spiritual Master Srila Prabhupada,

Please accept my prostrated obeisances unto your Lotus feet from the most abominable soul.

It is told in the scriptures that Guru and Krishna are non-different and only by pleasing the Spiritual Master will he be able to please Krishna. Your grace just to follow the instructions of Srila Saraswathi Thakur moved to the west amidst your fraying age to spread the message of Krishna consciousness. Your grit and fervor that you displayed just to satisfy your spiritual master is impeccable and beg your mercy on me to at least follow your instructions for my spiritual perfection. The path of devotional services and regulative principles that you have dictated for the perfection of this human life is so

simple and practical, however, due to the indulgence in the “worldly pleasures and Maya” one is finding it very intricate to tide over and perfect oneself and I am not an exception too.

I am fortunate to have received the seed of Krishna Bhakti after millions of years of struggle in this material existence. It is only by your grace that I will be able to come out of this vicious cycle of birth and death. Srila Prabhupada, you are very tolerant just like a father, holding on to your child and giving enough opportunities for one’s perfection. I am sluggish in following your instructions at all times and request your mercy to overcome it and become devoted to your instructions as the whole and soul of my life.

On this auspicious appearance day of your grace, request you to bestow spiritual strength to follow the regulative principles and chant the Maha Mantra with utmost sincerity. Please use me as a tool in whatever manner possible in preaching the message of Krishna Chaitanya until my last breath. Also, provide enough service opportunities for the pleasure of Your grace and Gauranga.

Your insignificant servitor,

Bhakta Prashanth Kumar M B.

Dear Srila Prabhupada,

Please accept my respectful obeisances unto your lotus feet.

On this auspicious occasion of Vyasa Puja, I would like to express my heartfelt gratitude to you for blessing me with your causeless mercy by bringing me in contact with the movement of Krishna Consciousness.

I have been going through a very difficult phase of life. Most of the time I feel my path is filled with darkness and unable to see the path ahead. Chanting of Hare Krishna Maha-Mantra gives me strength and light to proceed in the right direction. I am able to chant this life-giving Maha-Mantra but not enough number of rounds. Please bless me so that I can do more rounds of chanting.

I would like to thank you for blessing us with the Hare Krishna Maha-mantra, enlightening us with its meaning, and also giving us the initial taste for chanting, so that we could embark on our journey in Krishna consciousness. In my limited journey on this path, I have certainly realized one thing, that the understanding and taste for such spiritual knowledge cannot be achieved by any amount of material efforts unless one has the mercy of the spiritual master.

Words are not enough for us to express the gratitude and reverence for your mercy upon us.

Your aspiring disciple, Bhakta Pratap.

Dear Srila Prabhupada,

This year has been nothing short of havoc in our lives, It makes me ponder however that all the devotees that I’ve spoken to in these difficult times are all as happy and excited as they have been before, which shows how the path of Krishna consciousness is of happiness to the fullest. While the whole world is facing issues with their mental health and peace of mind the devotees are still as happy. I am overwhelmed today for reasons unknown but I feel that your guidance and the path of devotional service that you have shown will forever guide us and us being able to stay happy in times like these is a testament to that.

May you forever be our guiding light and make us fall in love with this phenomenon, that is Krishna consciousness. Your ever aspiring disciple, Bhakta Prateek Ailani.

## Bhakta Praveen

Dear Srila Prabhupada,  
Please accept my humble obeisances.

I am Praveen I came from a small village. I shall tell something about my colorful experience in ISKCON. That day will always remain as a very memorable day of my life. That visit was my first visit to ISKCON which was a wonderful experience. When I reached Iskcon temple, it felt amazing. because I never saw such a beautiful temple before in my whole life. When our program officer introduced the temple and then they took us to the function hall. We went there. I was surprised and the temple looked like miracle to me. I had never seen such a beautifully built temple. It felt superb. Then Mr. Vinay anna started his talk. Vinay anna was a very good speaker. In every talk of his he told us "you are the maker your life and you are the ruler of your life, You may do whatever work, Two people always witness it. one is God, the other being your heart. " Vinay anna also spoke about our aims and goals in our life, he said that our goals should be very big and not small. Then another person, I don't know his name, he spoke about life and success in life. He also spoke about importance of student life. But totally I had a very beautiful experience and it is a very unforgettable day in my life. Thank you for this Srila Prabhupada.

Thank you so much.

Bhakta Praveen.

My dear Spiritual Master, Srila Prabhupada,

On this auspicious day of your appearance, please accept our humble obeisances. All glories unto you. Your mercy is limitless. From the highest to the lowest of souls, all are able to receive it. You are the pure devotee of the Lord who cared to engage such unqualified persons like us in Lord Krishna's service. Our spiritual life completely depends upon your

mercy. Because of your unconditional mercy, we are able to serve Laddu Gopal and Vaishnavas and we beg you to keep inspiring us like this.

Ever since you came to our life, miracles are happening, making us realize that we should completely surrender unto you and Lord Krishna and rest will be taken care off; this constantly encourages us to practice Krishna consciousness more and more. Book marathon 2019-20, would be a memorable event for us as we registered our team for the first time as Chaitanya Family and won third prize. We never imagined that we could distribute 10 lakhs worth of your books in just 60 days. The book marathon has inspired us to look forward for our upcoming New Gunjur Temple Project and we would try to help in whatever possible way we can to kickstart it. With your grace, at the beginning of this year, we started our initiation course, but because of the pandemic it stopped in between, eagerly waiting to complete it and get initiated. Dear Srila Prabhupada, kindly look upon us, the poor conditioned souls. We beg you for your mercy.

Dear Srila Prabhupada,

I render my sincerest gratitude and humble obeisances unto your lotus feet. Kindly accept my offering and bless me. It's now been over 2 years since I have come in association with your divine movement. I regularly chant 8 rounds of the Hare Krishna Maha Mantra which has endowed me with tranquility and Supreme bliss. I have come to realise the importance of human life whose primary objective is God-realization and not to waste it in routine & mundane activities aimed at sense gratification. Enjoyment in the material world is transient and ephemeral. The more we try to enjoy, the more we end up suffering. Having realized the true nature of material life, I am simply endeavoring to transcend its problems by deeply connecting with the philosophy of Krishna Consciousness and practicing it in my daily life. Thanks a lot for gifting humanity with this treasure of knowledge.

I also thank you for making us realize that if Krishna stands with us, it doesn't matter even if the entire world is against us. I now have the strength and resilience to navigate through life effortlessly. The potency of the holy name has gifted me with infinite joy and happiness. My very attitude and perspective towards life have altered due to this miraculous gift of Krishna Consciousness.

I once again thank you for all the mercy and blessings that you have bestowed upon all of us. May your grace continue to purify us and enable us to advance quickly in the divine path of Krishna Consciousness.

Your humble disciple,

Bhakta Praveen P.

Dear Srila Prabhupada,

Please accept my humble homage unto you.

I can't thank you enough or compose better to express my heart felt gratitude. All I would like to say is thank you for all the blessings, for all the guidance and the most important above all which was getting me in touch with hands of the Divine. That phase of my life when I got associated with Krishna consciousness, it was a crucial one, in fact it was as critical as fueling an aero plane in the mid-air. With lot of worries, fears and chaotic situation around me, Krishna consciousness was like a ray of hope that brought me back to life. Krishna is not mere a god to me now, but he is the very source of my existence. Thank you for all the support and guidance. Please forgive me on all my known, unknown mistakes and errors.

Bless me to have the Lord's grace. Bless me that I would never move away from the Lord and always take refuge under His lotus feet.

My heartfelt thanks to my FOLK Guide for giving me an opportunity to express my mustard seed-sized gratitude to you.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to you on this divine day of your appearance.

In Srimad Bhagvatam 07.09.28

*evam janam nipatitam prabhavahi-kūpe  
kāmābhikāmam anu yaḥ prapatan prasaṅgāt  
kṛtvātmāsāt surarṣiṇā*

*bhagavan grhītaḥ so 'haṁ katham nu visṛje tava bhṛtya-sevām*

It is said that "It is a symptom of a pure devotee that one should serve the spiritual master first. It is not that one should bypass the spiritual master and desire to serve the Supreme Lord. This is not the principle of Vaishnava." This one quote of yours inspires me to do devotional service more and more:

"Don't feel yourself to be alone, because god is always with you." And I would also like to recall one of your pastimes. 1901: Childhood Ratha Yatra. While playing, children often mimic their elders, and little Abhay played like other children, but he also had a special activity: organizing a Ratha Yatra ("chariot festival") on the streets near his house. From getting a cart of the right size to leading and guiding the procession while playing the mridanga, he re-enacted with earnest devotion the spectacular chariot festival that annually attracts millions to Jagannatha Puri. His childhood play signified what he would do in future :organize Ratha Yatras all over the world. Spiritual Master Is with You by His Words. Devotee: Sometimes this question comes up, with the devotees especially, that it says the devotee makes advancement when the spiritual master is pleased. Right? So sometimes the spiritual master is far, far away. He may be in Los Angeles. Somebody is coming to Hamburg temple. He thinks, 'How will the spiritual master be pleased?' Prabhupada: "Just follow his order. Spiritual master is along with you by his words. Just like my spiritual master is not physically present, but I am associating with him by his words." Devotee: 'And Krishna knows that; therefore we make advancement. He is sitting in our heart. He knows what we're doing. So He sees, "He's serving My pure devotee," immediately there is advancement. Prabhupada: "Yes. Spiritual master... Krishna is not limited. It is not material. You can associate with Krishna and the spiritual master in any circumstance, provided you want two things. Just like we can associate with Krishna immediately if we take Bhagavad-Gita As It Is. He is not different from Bhagavad-Gita. *Nama-rupe kali-kale krsna-avatara* (CC Adi 17.22). Krishna is incarnated in His name in this age. You associate with Krishna's name, immediately associate with Krishna." Devotee: And his devotees. Prabhupada: "Yes." (Srila Prabhupada Lecture, London, July 7, 1972) At last I request you O My Dear Srila Prabhupada, please bless me to serve you more and more so that serving you be my only desire life after life.

your humble and most fallen servant,

I started chanting one round and slowly increased to 6 rounds now.

I am hearing regularly Srimad Bhagavatam everyday.

After hearing, my attraction to Krishna increased day by day.

Thank you Srila Prabhupada for giving me wonderful temple, prasadam and holy name.

I would improve my chanting and come to the level of 16 rounds.

Please bless me to advance in spiritual life.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to you.

I came across a very beautiful verse that was stated by Lord Brahma to the demigods which is as follows :

*mūkaṁ karoti vācāṁ paṅguṁ laṅghayate girim  
yat-kṛpā tam ahaṁ vande śrī-guruṁ dīna-tāraṇam  
(CC Madhya 17.80)*

By the mercy of the guru, even a dumb man can become the greatest orator, and even a lame man can cross mountains.

I therefore beg at your lotus feet to cast your merciful glance upon this useless soul, for without your mercy, I am nothing but a lump of ignorance. I am eternally indebted to you Srila Prabhupada for bringing me out of ignorance with the Torchlight of knowledge.

I came across a very beautiful pastime of yours with the magician around the year 1976. You threw light on who the real magician is. The magician was performing some tricks with coins, feathers and some blocks. He was making the coins disappear and so on. After the performance was over, you asked, "What about the miseries of life? " "Can you make them disappear? Birth, death, old age and disease? "

The magician replied, "No, I cannot. " Then you said, "But I can make these things disappear. " "That is real magic. " And in another occasion one devotee asks, "Srila Prabhupada, What does it mean to be humble" You replied, "Humility means that you are convinced beyond any doubt that there is nothing in this world, absolutely nothing in this world, not your money, not your family, not your fame, not your gun, not your education, nothing will save you except the mercy of Krishna. When you are convinced like this, you are humble." In another incident, You were traveling with your secretary and servants from Kenya to South Africa on plane. The South African football team that had just played in Kenya was also on the plane. They had won the match and were in a rowdy mood. They started drinking and smoking in the airplane. Your secretary called the stewardess and said, "This is the nonsmoking area, so please ask them to extinguish their cigarettes."

The stewardess asked the football players to extinguish their cigarettes, which they did, and then she left. But, since they were drunk, after a few minutes they lit up again. This time your servant got up to get heavy with these guys. You said, "Where you are going?" The devotee said, "Well, they are smoking, Srila Prabhupada." In a deep voice you said, "Sit down." Then you looked him in the eye and said, "What is the difference between us and them if we cannot tolerate?"

As Sri Caitanya Mahaprabhu in Sri Siksastakam said,

ṛṇād api sunīcena taror api sahiṣṇunā  
amāninā mānadena kīrtanīyaḥ sadā hariḥ

*"One should chant the holy name of the Lord in a humble state of mind, thinking oneself lower than the straw in the street; one should be more tolerant than a tree, devoid of all sense of false prestige and should be ready to offer all respect to others. In such a state of mind one can chant the holy name of the Lord constantly."*

On this auspicious occasion of Vyasa Puja Thithi, I kindly request You to give me the required strength and intelligence to depend on Krishna completely and to always be humble and tolerant as you have exhibited in your various pastimes Srila Prabhupada. Only then will I be able to chant the Holy names of Krishna. Kindly engage me in your humble mission of propagating Krishna Consciousness.

Yours fallen servant,  
Bhakta Ragavendra.

Oh, my spiritual master please accept my humble obeisance unto your lotus feet.

Prabhupada with the mercy of Lord Chaitanya Mahaprabhu and you, I have been in this Hare Krishna Movement for some years. First of all, I thank you for providing such an opportunity with Hare Krishna Movement. We came to know the meaning of this life, purpose of why we are trapped in this material world, our duties, and many more facts which I could not get anywhere... There are many organizations in this material world that are preaching mankind, but ISKCON is different from other organizations, and it is different in its own way by providing the spiritual knowledge for the devotees which is as written in Shastras and Puranas.

By reading your books, the way you have explained the shlokas by giving examples, even a common man can understand. Your books. They reveal many many things which we cannot get anywhere. Your books are filled with interesting facts of the Supreme Lord. This Hare Krishna Movement is clearing the darkness of this material world, and showing the way back to Godhead that is Vaikuntha.

It's the vision of the incarnation of Lord Krishna who came in the form of Chaitanya Mahaprabhu to spread the Sankirtana movement to this material world and it's your mission to spread this Hare Krishna movement. Please bless me so that I can spread your mission, teachings all over the world.

Thanking you.

Dear Srila Prabhupada,

Please accept my humble obeisances at the dust of your Lotus Feet.

Guruji, I offer my greatest thanks to you for having introducing me to Krishna Consciousness, and giving me an opportunity to practice the same.

On this most auspicious day, Guruji, please give me the courage and strength to follow your words to the fullest extent, and help me one to become one of the instruments to become a successful Krishna Consciousness individual, and to preach the same to my immediate society for the better of mankind.

I request Godhead to kindly help me improvise my MAHAMANTRA chanting skills by helping me connect to every vibration created by the words of MAHAMANTRA, and to listen distinctly and connect myself to the lotus feet of Lord Krishna.

Your books and lectures have been a real motivation for me and most of the youngsters, to connect with your movement, understand, appreciate, and to further help the lord ultimately. Dear Guruji, I am thankful for spending valuable time on all these books, and making our path easier to connect to you. As mentioned in one of your books 'SCIENCE OF SELF REALISATION'- "the very importance of this Krishna Consciousness Movement is to save human society from spiritual death". Hence dear guruji, please give me the strength and power in reading and understanding your books as properly as possible, and to deliver the nectar to the human society.

The human-kind is still struggling, unable to distinguish between the material and spiritual happiness. There is a long way to go. I beg for your mercy and guidance to empower us in helping us serve you and the lordship, to help us get relieved of material miseries, to whole-heartedly connect to the lord. Please guide all the Krishna Consciousness devotees to improve themselves and to spread love and continue practicing Krishna Consciousness uninterruptedly for years to come.

your insignificant and unworthy servant,

Bhakta Rahul.

I request you to accept me as a servant to serve your commands.

1) Prabhuji I feel I am very blessed to get to know and practice Hare Krishna Mahamantra, and this is only possible because you have made Hare Krishna Mahamantra reach to lowest man possible.

2) I have never seen anyone with such dedication, hard work, pain bearing, and magnanimity like you Prabhupada, to bring living entities nearer to Krishna Consciousness.

3) Guruji (srila Prabhupada), actually I don't have words to express your perseverance, pain bearing with smile on face, to make others lives blissful. You will forever be my master.

Dear Srila Prabhupada,

I offer my respectful obeisances unto your lotus feet. All glories to your holy grace.

I count myself very fortunate as I am a part of this Krishna Consciousness Movement, and have been in association with your devotees. Before coming to this movement I was simply leading a mundane and mechanical life without dreams and goals, not knowing the joy and pleasure of being part of Krishna Consciousness. I am a fallen and ignorant soul, who understands nothing of your boundless and causeless mercy.

In the process I came in association with your devotees, who taught me about the true purpose of human life. They taught me to be humble and respectful to each and every creature as they are the energy of Krishna. They were always there for me, and inspired and encouraged me in each and every aspect of my life, and helped me in making progress and advancement in Krishna Consciousness. I would like to thank you for giving me all these precious guidelines, and also giving me knowledge and intelligence in following Krishna Consciousness.

I humbly request you to shower me with your causeless mercy. Also pray to your lotus feet to continue giving me knowledge and strength in making progress in Krishna Consciousness and bhakti sadhana.

your humble servant,

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet on the auspicious occasion of the day of your sublime appearance for showing and guiding the civilization for mankind.

I accept you as my spiritual master, and surrender to you whole heartedly. Kindly always keep me in your shelter in your service and service of the Supreme Personality of Godhead. By your mercy Prabhupada, each and every living individual has come to know their ultimate goal. It is the fortune of my life I came to know about you, and your worldwide organization ISKCON, where each and every disciple is constantly working, showing, and guiding, to lead a proper blissful life of being your servant and servant of the Supreme Personality of Godhead.

By your blessing and grace, I got a chance in my life to be attached to your organization and your Hare Krishna movement. I came to know about myself. Why I have been sent to this material world? What is my relation with supreme Lord Krishna? What action I should execute for striving for my ultimate benefit, that is to go back to Godhead. By your appearance and existence in the form of your books and video, you changed my life from mode of ignorance to mode of goodness in reviving my inner spirituality, which was hidden due to being a conditioned soul in contact with matter. By your grace, I could perform my material and spiritual duties. And this I could do by remembering you and holy name of Krishna, and leave the fruits of action in the hands of Krishna.

I am trying day by day to become a better human being by following regulative principles, and performing my spiritual duties by chanting Hare Krishna mantra daily. I am chanting my prescribed rounds which is leading to purity and cleansing of my heart and soul, and I am working toward fulfilling my ultimate goal of going back home, back to Godhead. and not to return to this conditioned life.

By your grace, I have many times experienced pleasure in serving and loving the Supreme Lord Krishna, and have got inner peace. I have realized the inner happiness and joy in performing devotional service. While doing kirtan and dancing with extreme ecstasy in the spiritual Hare Krishna temple, I have experienced bliss which I did not experience anywhere else. I thank you for giving me the chance to experience this life journey in rendering service to the lord. By your grace, I am trying to be in the path of Krishna Consciousness in spite of all difficulties and clutches of Maya. I am realizing the love and relation with you and Supreme Lord by chanting and rendering service.

O spiritual master my only wish is that I beg you always keep me in your shelter, and remind me of always performing and engaging in chanting and Krishna Consciousness activities, and finding daily inner pleasure and happiness in Spirituality. Please never let me forget Krishna. Please remove my hurdles in Krishna Consciousness. Please bless me with more and more seriousness in chanting and performing devotional service, and my increment in faith and trust in the Supreme Lord. Make me free from my worries, from future and material life responsibilities, and give me a strong belief in Krishna that he is there to protect me in my Life. It will never happen without your mercy. Always keep me dedicated in the path of spiritual life, and let it increase my inner transcendental happiness and make me strong day by day in spiritual life.

Help me in tackling life challenges and circumstances that come in my life, to always stay strong and motivated in chanting the holy name of the lord, and make me capable to accomplish my ultimate goal of life.

All Glories to you.

your faithful servant,

Bhakta RAHUL KUMAR SHRIVASTAV.

Dear Srila Prabhupada,

Please bestow your kind mercy on this insignificant soul to express his heart-felt feelings about the greatest gift of Krishna Consciousness he has received from you!

As the scriptures proclaim – “Out of many millions of wandering living entities, one who is very fortunate gets an opportunity to associate with a bona fide spiritual master by the grace of Kṛṣṇa”. I thank you for making me feel special, even though i personally have no qualification.

It is just by your causeless mercy that my life which was without any real goal has turned towards Krishna. It has been four years now for my journey in Krishna Consciousness. When I look back ,I see that I haven't done anything special on my part to earn the mood of love and bhakti for Krsna. It is you only via your books, lectures, instructions, prasadam and chanting-Hare Krsna that has brought all fortune and merits in me to understand Krsna.

Your instructions prove to be a guide at every step of my life to decide the course of my life. They help me to take decisions for the ultimate good. Whenever I see people around me struggling under various gradations of ignorance, my heart gets brimmed with gratitude towards you. I am privileged only due to your causeless mercy that conferred upon me the ability to distinguish between the reality and illusion. You have shown the path of unending happiness, knowledge, eternity, (*Sat-Chit-Ananda*) and the actual purpose of human life.

I take this offering as an opportunity to keep my personal request before you in below points:

Please bless me with the spiritual strength to reach revert back to my 16 rounds of chanting with proper understanding and firm determination.

I may always remember Krsna at any stage of my life – whether good or the most miserable!

I may always be engaged in devotional service in some way or another.

All glories unto you for being instrumental in spreading the holy name, chanting, dancing in the mood of Vrindavan. I indeed feel indebted to you for you have saved me from the greatest loss of wasting the priceless human life, and bestowed Krishna to me.

It's you who is messenger of Krishna, and it's you only who can bestow Him to me. I feel, the success of my life lies in rendering some contribution to your mission, and I pray to you to empower me with true attitude of servitude towards You and all the vaishnavas, for alone I possess no capacity or qualification.

Thank you for the Hare Krishna Mantra, dear Srila Prabhupada

Aspiring to be your servant,

Dear Srila Prabhupada,

Please accept my humble obeisances at your Lotus Feet on this auspicious occasion of your Vyas Puja.

You are a great influence in my life. I started to know Hinduism better, the act of surrendering oneself to god. I understood the feeling of real peace of mind after following the vegetarian way of life as taught by Srila Prabhupada, Mantra chanting is a very powerful tool to help energize mind and soul along with providing meditation effects.

Visiting ISKON temple Bangalore was a very enriching experience. The environment was very calm and composed, the teachings from guru, morning and evening prayers, divine prasadam is beyond words. I felt really positive and full of energy and enthusiasm after returning from the temple, I feel blessed that you are my spiritual master to guide and help me always. So, overall the impact of visiting the temple is very positive and enriching on my mind and soul, which guides me to become a better and improved person.

Dear Srila Prabhupada,

All glories to you.

Please accept my humble obeisances.

The kind of devotion you had towards Krishna, and the amount of Vedic knowledge you possessed is unparalleled and which I love the most.

There are several paragraphs in several books of yours where you mention how a guru should be, and what should be a Guru's mission, to talk about Krishna, and glorify Krishna.

Srila Prabhupada you are the living example of that. That very quality is most inspiring for me. Your only business was to preach, preach, and just preach. You showed through your life that preaching is the essence of Krishna Consciousness.

It is a great fortune to come in touch with a pure devotee spiritual master, and I am humbled to be the fortunate one to come in touch with you Srila Prabhupada So Lucky.

I met many of your pre-1977 disciples in Germany who were blessed with your vani and vapu seva. They explained how energetic you were at that matured age too. How there was an aura around you that made us surrender to you. "It's crazy" they say.

I'm really indebted and fortunate to come in your association by reading vedic scriptures written by a pure devotee spiritual master. That's my greatest fortune.

Jay Srila Prabhupada.

All glories to you. Please accept my humble obeisances.

When I sit down to write about you I have many things to say, but I am not able to stitch the words together and put all of it here. I thank you many times throughout the day for holding my hand and leading me on the path of Krishna Consciousness. I pray to you that you keep guiding me throughout my life in 'satvik marga', and I wanted to gain more knowledge from Bhagavad-Gita this year. I want to attend every day morning mangala arati in temple. But I am not able to go temple this year because of the pandemic situation. Please help me to be in touch with devotees, and dance in front of Krishna's deity. I pray to you that I never forget to chant Hare Krishna Mahamantra.

Jai Srila Prabhupada.

Your humble servant,

Bhakta Rajathkumar.

Hare Krishna,

Dear Srila Prabhupada,

Please accept my humble obeisances.

I have been in touch with the movement for the last 24 years, and since these many years I have been trying to practice Krishna Consciousness. Reading your books has been persistent, and I have always tried to put all the knowledge and learnings in living the way of life.

Last year during Karthik month, I had an opportunity to visit Sri Vrindavan *dham*. This was my first journey to a *dham*. I was also very fortunate to have Darshan of Sri Chaitanya Mahaprabhu's paadukas, which came in from Dhameswar-Mayapur, worshipped by Vishnupriya Devi. I could offer prayers at Sri Radha Damodara mandir where your presence is still felt along with all the Shad-Goswamis. While I was visiting various holy places around Vrindavan, like the Yamuna, Govardhan, Talavan, and other holy places around Mathura, I could see them while the pages of your books were unfolding which I have been reading for several years.

During my last couple of days at Vrindavan, I had a very amazing turn of events in my life. I had an interest to have deities at home. However the stringent rules and regulations required to take care of them, had delayed my intention to get them home. I had been to a shop to buy some articles for Arathi, while I also noticed nice deities in the shop and I was in two minds whether to take them now or later. I informed the shop owner that I have interest in the deities, but I am postponing the purchase due to the quality of worship that needs to be maintained. That very night, I had a dream and a feeling that the deities were asking me to take them home and worship, and that I can maintain them very nicely with the knowledge and skills that I have. I discussed with my family over phone the next day, and to my surprise even they said accepted, though they were not very keen earlier. They also agreed to support in maintaining the deities, and that it should not be a challenge. I happily went to the shop, got the deities Sri Sri Radha Krishna Chandra, Sri Ladoo Gopal, their dresses, jewellery and everything. They came in my special bag, sitting very close to me all through the journey till my home. Installation was done on Nov 1, 2019 with family members and the deity worship started. Haribol!

Every day, I follow *sadhana* practice, starting with Greeting of deities, *achamana* for the deities, offering personal prayers early morning, *Guruvashata* prayers, *Shikashtaka* prayers, *Sandhya vandana*, cleaning altar, offering new flowers, abhishekam to Sri Shaligrama-sila (since I have for 20 years), Sri Krishna Rukmini Satyabhama (3 inch deities which I have since 11 years), *bhoga* offering and then shringar arathi to the deities and Tulasi maharani, chant minimum of 16 rounds, read your books, and hear temple lectures. Along with the above schedule, I also offer *abhishekam* and new *alankar* every week for Sri Sri Ladoo Gopal on Saturdays and Sri Sri Radha Krishna Chandra on Sundays and Sri Lakshmi Ranganatha on Thursdays. I should also reveal to you that due to the COVID pandemic that has now hit the world, has been a blessing in disguise since I am able to stay at home and live like in the temple.

Apart from being fixed in your *sadhana*, I do have to accept some frailties, which I am working to fix. One of them being association with devotees which I would say is not much. Preaching activities has been limited to financial donations to temples, and bit of book distribution at office, limited preaching to family and community. However, I do see a lot of scope for preaching, and will look forward for any upcoming opportunity.

To conclude, since you like children, I would like to share about my twin sons Sankarsh (Sri Balaram) & Srirang (Sri Krishna), have also started singing few Hare Krishna tunes as they play among themselves.

Please accept my humble obeisances, and do bless me with the strength to follow *sadhana bhakti* and inspiration to preach.

Jai Srila Prabhupada.

Your sincere disciple, Bhakta Rajeev.

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet.

Thank you Srila Prabhupada for being my guide and mentor.

It was Saturday, 10th of November 2012, when I met my God brothers That day for the first time I was lost in temple activities. I chanted, I danced, I cried in joy, fully satisfied and then I realized, life is going to change as I have been bought to my real Guru on the same path.

Thank you Srila Prabhupada for being a source of inspiration and awakening my conciousness to the absolute truth of life.

On the very day I came to know about the Supreme Personality of Godhead, Krishna, the saviour of all.

Being omnipresent, you have saved my life by introducing me to Sri Krishna and his Lilas. Your explanations have changed my view of living my life.

Knowing nothing about the Lord, to start practising devotional activities like chanting mantras, singing bhajans, offering bhoga, reciting slokas and many more is just because of you. Dear Prabhupada I thank you for making me a part of your mission to spread and follow Krishna Consciousness.

Being a soul driven by maya, I request you to kindly keep punishing me whenever I go down in my spiritual practices, and please take me to Krishnaloka as soon as I leave my body.

Your Indebted servant,

Bhakta Raj kamal.

Dear Srila Prabhupada,

Please accept my humble respectful obeisances at your most exalted Lotus Feet.

All glories to Srila Prabhupada. It is only causeless mercy I have come to Krishna Consciousness and continuing.

Srila Prabhupada, thank you so much for your kindness shown upon this fallen soul, and engaging me in your service through your authorized disciples. You are the sunshine of my life. It's only because of your simple instructions am able to understand the most difficult concept of Srimad Bhagavad Gita and Srimad Bhagavatam.

It is my fortune that I came in touch with you. As said by your true disciples, only by the causeless mercy of Srila Prabhupada we are in touch with Hare Krishna Movement in Kaliyuga

*Brahmanda bhramite kona bhagyavan jivaa guru-krsna-prasade paya bhakti-lata-bija*

Srila Prabhupada it's only your mercy upon me as said in above sloka that I came in contact with this spiritual oasis in the material world desert.

Srila Prabhupada you are the Vysadev for this this age. You have translated many Sanskrit books into simple English language so that the most fallen souls of this age can understand, and go back to home Back to Godhead.

Srila Prabhupada your glories are unlimited. By hearing those from your sincere disciples we get the highest pleasure, by your vani we are learning how to become a civilized human being, and how to surrender to Spiritual master and Lord Krishna. Otherwise we are worse than the animals in the human form. Thank you Srila Prabhupada for giving me an opportunity to progress in spiritual life once again, and reviving my lost consciousness that I am the part and parcel of Krishna, and only by serving Krishna I can be happy eternally.

Srila Prabhupada, sometimes I do the book distribution. During that time I recall your instructions and guidelines of your true followers to please you, and do one of most important service. I beg you to bless us to do this service forever, and follow your instructions strictly in the family life along with all family members.

Srila Prabhupada please forgive or punish me for my offenses committed at your and your disciple's lotus feet. Some times knowingly I have not followed your instructions for the sense gratifications. But somehow or other by your mercy only I am still in Krishna Consciousness, and in association with your disciples of ISKCON Bangalore as they are engaging in your service.

Srila Prabhupada I am indebted to you eternally. I have firm faith that I will serve you, and surrender my life at your lotus feet by your mercy.

Thank you Srila Prabhupada.

Yours most fallen servant,

Bhakta Rajureddy M.

Dear Srila Prabhupada,

I offer my heartfelt obeisances unto His Divine Grace A.C. Bhaktivedanta Swami Prabhupada, who is very dear to Lord Krishna, and take shelter at his Lotus Feet.

My dear Prabhupada, I do not know where to begin with, yet there are a billion things to say to you, ask you, and know from you. I thank you for giving yourself for the whole of human society, showing the ultimate way to follow the path to the Supreme Personality of Godhead, dear Lord Sri Krishna. I thank you for remaining with us, guiding us with your words always, and so many thousands of years to come. I thank you for the ocean of knowledge, love, humility, kindness and care towards us all. My dear Prabhupada, You're the greatest gift to us humankind, a gift so pure, which has been bestowed upon us at the right time and at the right place, and expect nothing in return, but love for our dear Lord Krishna. I thank you my dear Lord Krishna for giving us your sweet loving representative, Dear Srila Prabhupada. Heartful love and pranamas at the lotus feet of my beloved Srila Prabhupada.

Dear Srila Prabhupada,

I offer my respectful humble obeisance on to your Lotus feet.

By your mercy today I am chanting 16 rounds of Hare Krishna Maha Mantra. My interest has been increased more toward the Philosophy of Krishna consciousness.

Prabhupada, I learned from your teachings and books

- 1) What is God?
- 2) What is Krishna Consciousness?
- 3) What is soul?
- 4) How we will liberated from the material nature.
- 5) What is purpose of Birth?

And many more things.

Chanting Hare Krishna Maha Mantra has become part of my life. Due to some reason, if one-day chanting does not happen, I feel that something is missing.

On this auspicious day, I would like to thank you, Srila Prabhupada for giving us this Hare Krishna Maha Mantra to get free from the cycle of birth and death.

Your Eternal Servant,

Bhakta Rakesh Golhar.

Please accept my humble obeisance's at your lotus feet. It's been more than one and a half year to me on the path of Krishna Consciousness. I have gone through many ups and downs, challenges on this path at initial, but with Krishna's and your blessings, I never lost hope and always remained determined in the path of Krishna Consciousness. I remember the initial days when I was struggling to complete even 1-2 rounds of the Hare Krishna Maha-mantra but surprisingly with your blessings and mercy of dear Lord Krishna, today I do 16 rounds every day from the last 3 months without any gap. I also started reading God's own text, the Bhagwad Gita at least one verse every day. It was nothing but a miracle for me, and I would always be indebted to you and dear Lord Krishna. I believe that I will observe more miracle in upcoming days. I want to share some experience with you. What I observed after chanting 16 rounds daily is that now I feel more conscious of my meditation and other activities. My devotion has been increased. I see everything as Krishna's part and parcel. I feel purer than earlier. I observe my desire and activity more consciously and if I do any mistakes I try to rectify it and all these experiences are possible because of you and Krishna's blessing.

Dear Prabhupada, please help me to be always on the spiritual path of Krishna Consciousness realization. It is not possible without you and Krishna's blessings.

Thank you Srila Prabhupada for accepting me as your servant and showing me the path in the realization of Krishna Consciousness. Please always shower your mercy upon me.

Your Servant, Rakesh Kumar Keshari.

Dear Srila Prabhupada,

Please accept my respectful obeisance onto your lotus feet, all glories to your divine grace.

I would like to wish you a very heartwarming Vyasa Puja on this auspicious day and thank you for giving me an opportunity to write an offering for you. You once told, "If you see somebody suffering because one is trapped in the material body, same as yourself, you feel love and compassion for him and need no other reason". You showed the highest form of love for the living entities of the whole universe by your voyage of compassion to the western world.

Thank you Srila Prabhupada for all the tribulation you have taken to establish ISKCON, a pure and bonafide spiritual system so that a very ignorant person like me is taking advantage of this wonderful movement, inaugurated by none other than Lord himself in form of Golden avatar Sri Krishna Chaitanya. Your written books are the treasury of knowledge that can at once kill all our ignorance and can become a panacea for all the material diseases a person has incurred by travelling through millions of lives one after.

"O Captain, My Captain!", I am lost in this vast ocean of desire, which comes like all devouring forest fire, which keeps spreading with a tinge of material contact, taking me deeper and deeper into ignorance. Please be the torchbearer and steer the rudder of my distressed voyage, towards the path of a Krishna conscious life. Srila Prabhupada, please give strength to give you back even a tiny percentage of what all mercy I am getting from you.

I desire to serve you by contributing by creating a question answering portal of your divine grace's answer to the various question put forwards by the devotees and answer given in the revealed scripture as written by your divine grace so that people can get the benefit of your divine grace's work and teaching. Please guide me to make my humble effort successful, if u so desire.

Please continue guiding me in my darkest time and lead me in our happiest time,

Your aspiring humble servant of the servant, Bhakta Rakesh Kumar Mallik.

I am very thankful to you Srila Prabhupada for your wonderful explanations in Bhagavad Gita purports. These purports and examples are motivating me to read, understand and apply to develop and advance in my spiritual life.

Please bless me and give me the strength to improve my Krishna consciousness activities every day.

Dear Srila Prabhupada,

All glories to Prabhupada and All glories to Krishna!

Please accept my humble obeisances in the dust of your lotus feet for all eternity.

“I offer my respectful obeisances unto my spiritual master, the deliverer of the fallen souls.

His mercy turns dumb into eloquent speakers and enables the lame to cross mountains.”

Please accept my most humble obeisances at your lotus feet, without your shelter my actions are of no value either materially or spiritually.

It is mentioned in the scriptures that without the mercy of the spiritual master there is no hope, absolutely no hope, to attract the mercy of Krishna.

Spiritual master carries the key to the treasure of love of godhead and only by his mercy, anyone can have access to that treasure. And the only qualification to avail that key is the sincerity in following the instructions of Spiritual master.

Even though you are not physically present with us in this material world, your instructions in the form of books and lectures make us feel your presence every moment and inspire us to advance in our spiritual lives.

Please continue to shower your blessings and causeless mercy upon this conditioned fallen soul, for there is nothing other than the shelter of your lotus feet that can help us stay focused and disciplined in our spiritual life. Words are not enough for us to express the gratitude and reverence for your mercy upon us.

Your aspiring disciple,

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories unto your lotus feet on this auspicious day of your appearance.

Lord Krishna states in the Bhagavad Gita that "One must try to learn the truth by approaching a spiritual master, inquire from him submissively and render service unto him. This is because only the self-realized soul can impart knowledge as he has seen the truth." The Spiritual Master is the representative of the Supreme Lord. Therefore by your mercy alone can one learn about his connection with the Lord.

Srila Prabhupada, you are the pure devotee of the Lord who came to this material world in order to enlighten the fallen souls of this world about their constitutional position, i.e. always being with the Supreme Lord and always serving the Lord. You have mercifully distributed the holy name to the whole world. Within a span of 11 years, you had established 108 temples throughout the world which is astonishing. Only the pure devotee of the Lord can achieve such a magnificent task. Through these temples, innumerable people have got Krishna in their lives.

I feel blessed to have got a wonderful opportunity to associate with your movement. It is only by your causeless mercy that I have got the fortune of knowing about my eternal relationship with the Supreme Lord and associating with his devotees. Due to your grace, I have come in touch with the Hare Krishna Maha Mantra which has set me on the path of spirituality. Your books are the gems which make one's life successful. It is only by your grace that I have been able to understand the teachings of the Lord. I beg you to bestow upon me your causeless mercy so that I would be able to progress in the path of Krishna Consciousness.

If I had never got the opportunity to associate with your movement, then today I would have been living an animalistic life. In spite of me not being qualified enough, by your causeless mercy I got Krishna in my life. And for all these precious things I thank you from the bottom of my heart Srila Prabhupada.

Your aspiring servant,

Bhakta Ramakanth.

Dearest Guru Maharaj Srila Prabhupada,

I offer my most respectful and humble dandavat pranams at the dust of your lotus feet. All glories to Jagad-Guru, Srila Prabhupada and all glories to your loving divine grace.

Guru-Maharaj, last year was full of new revelations. Your statements that Lord Gauranga is very merciful and tolerates minor unintended offences has reaffirmed my faith in Krsna Consciousness and make suitable corrections. Your statement that the purpose of reading Vedanta texts or Upanishads is simply to understand Krishna, otherwise its a waste of time has reverberated in my mind throughout the year. Also, little service to Gauranga also heaps huge spiritual benefits makes me highly committed in my endeavour to somehow find time and serve the Lord. In short, your teachings have been again full of new spiritual experiences and the rasa brings tears in my eyes sometimes...All this is, dear Maharaj, is by your sheer blessings.

You have allowed me to keep yourself at the centre of my life each day and with *Harinam Diksha* round the corner (but for the present Pandemic ) I am waiting to receive your kind initiation and also the mala from your golden hands to continue my Japa. I can feel your causeless mercy flowing unconditionally in the upkeep of my devotional service despite me not chanting with concentration and having failed now and then to keep up your instructions.

It's but for your causeless mercy that the present lockdown of almost 4 months has enabled the Temple authorities and various Shiksha Gurus's to stay connected with us throughout the day with online sessions.

This has been a silver lining in the rain-filled dark clouds which was thundering and echoing to pull us down.

The 108 Japa Modules with the importance of Nama Prabhu, your pastimes, pastimes of Lord Chaitanya, Bhagavad Gita sessions etc have been the hallmark of this pandemic lockdown. While non-devotees suffer, the neophyte devotees like me just having that minute taste of the nectar of Krsna are benefited greatly. This could not have happened without the mercy of Guru and Gauranga.

Its now been now 7 years plus since Lord Krishna mercifully got me acquainted with your Grace. Its come to that stage that without association of the mission and other Devotees our life is aimless and we feel like fish struggling out of water .

The ever promising Shiksha Gurus of the Krsna Consciousness movement who have strived so hard in their endeavour to keep us reminded about Krsna ,his pastimes,his glories, his activities etc has made a deep impact in my life as well as family members life .

Guru-Maharaj, you have made all necessary arrangements for fallen souls like us to take shelter and also paved way for many misdirected ,aimless and nonsensical persons like me to pursue other souls to take up to Krsna Consciousness. This has given me such a great delight and now feel that I have done something relishingly good in my life because it was for your pleasure and Lord Krsna... Distributing books ,talking about Gauranga and Krsna to others have never been so Ecstatic

*" Yare dekha tare kahe Krsna upadesha"*

Guru-Maharaj, I am soaking in the immense pleasure obtained by serving Guru and Krsna and this servitor attitude has instilled a great deal of hope and direction in my otherwise aimless life. As I am writing this I am enjoying pure ecstasy as it was for the pure pleasure of Guru and Krishna without any other desire but only association and I can feel my *anarthas* slowly dissipating and real time purification taking place ..

Thank you very much for this great opportunity to write my feelings on your appearance day.

Guru Maharaj ...your statement *that don't try to understand Krsna just love HIM* and "*Don't try to see God but act in such a way that God will notice you*". has guided me so well and inspired tremendous hope for absolute Krsna Prema as I am a dull and unintelligent person.

Your statement that purpose of reading Bhagavad Gita is to understand verse 4.9 *janma karma ca me divyam ,evam yo vetti tattvatah ,tyaktva deham punar janma ,naiti mam eti so 'rjuna* has left a deep impact on me

Please Guru-Maharaj, instruct me, help me to overcome my many offences and guide me to become a better servant to all living entities and take them on path of Krsna Consciousness . Just as Lord Krishna's and Guranga's glories are unlimited, so are your divine glories.

On this auspicious day, I pray to remain a speck of dust at your lotus feet, O my beloved Guru-Maharaj. Wishing that I will always be in your personal association and celebrate your appearance day with great relish and directly get the nectar of your association.

Srila Prabhupada ki jaya!

Srila Guru-Maharaj vyasa-puja Mahotsav ki jaya!

Your most fallen aspiring devotee,

Bhakta Ramakrishnan.

Dear Srila Prabhupada,

Please accept my most humble obeisances unto your lotus feet. All glories to your Divine Grace.

I remember, about six years ago, before coming in touch with Krishna Consciousness movement, I was in a very fallen condition and doing all kinds of abominable activities. But by Your causeless mercy, I came in touch with your Krishna Consciousness mission. I am very thankful to you for showering your causeless mercy on this fallen soul.

It is by your mercy, I have been able to practice and get rid of many *anarthas* in me and progress in devotional service towards Sri Sri Radha Krishna Chandra. I am thankful to you for being very merciful in giving me association with such wonderful devotees in the Bangalore temple and letting me serve them and to serve Sri Sri Radha Krishna Chandra. I beg forgiveness from you for any offences committed unknowingly or knowingly due to my ignorance.

Externally, by your mercy, I have been able to do service unto your lotus feet, but I am still filled with material desires, false ego and many other *anarthas* that still seem to take precedence and at times are an impediment in my devotional service and it is only by your mercy that I can be engaged in more devotional service and be cleared of these kinds of *anarthas*.

By your causeless mercy, I have been able to experience the reciprocation of Your Grace and their Lordships in many aspects in my life which keeps me motivated and enabled me to chant and serve the mission more and more. One such instance I would like to quote is the multiple revelations about the science behind associating with the Nama Prabhu. It is by your mercy and the mercy of the devotees in your mission that I got to taste the nectar of such an association.

On this auspicious day of your Vyasa Puja, I would like to thank you for all the reciprocations I have experienced by your mercy and I pray unto your lotus feet to continue to shower your mercy on this fallen soul and fulfil my desire to increase my devotional service unto your lotus feet and the lotus feet of Sri Sri Radha Krishna Chandra.

Your most fallen servant,

Bhakta Ramanathan Rahul.

Dear Srila Prabhupada,

Please accept my humble obeisance.

Hare Krishna!

All glories to Srila Prabhupada. All glories to you on this auspicious Occasion of your Vyasa Puja.

Hare Krishna Mantra: Last month I chanted 7 rounds per day and now in this month, 8 rounds per day. Actually it is not possible for me but I am increasing one round next month. Chanting changes my life and brought me to the spiritual world treating Lord Krishna like my friend, and everything. Chanting is the only solution to control our senses of the body (indriya nigraha). Actually this year, the whole world faces a lot of problems but I feel good because I have seen Srila Prabhupada's face on this new year day and then Krishna. I am thinking this year is very important in my life and brought a lot of happiness in my life. It's all because of Krishna. The joy is available everywhere but the real happiness exist in spirituality.

Thank you.

Dear Srila Prabhupada,

*Hare Krishna Hare Krishna Krishna Krishna Hare Hare*

*Hare Rama Hare Rama Rama Rama Hare Hare*

All Glories to Srila Prabhupada. All Glories to Vaishnavas, I offer my countless obeisance to my eternal saviour and master who has vanquished the nonsense that I have accumulated by reading, hearing and imagining for the countless amount of time on the Vedic texts and always have made myself bereft of the truth revealed so mercifully to fallen souls by higher authorities to me. Practicing yoga is a fashion in this digital world with poses and acrobatics with imitation of yoga like a chameleon imitates the colour, If it wasn't Srila Prabhupada's mercy I would have been lost in the network of nonsense without the true realization of the goal of the system of yoga. Srila Prabhupada has explained so mercifully in his books on Vedic literature and his lectures which have had a deep impact on the countless souls which are lucky enough to be in association with.

When My Master Srila Prabhupada appeared in the year 1896 which was the same year Srila Bhaktivinod Thakur sent his work-a book in English entitled *Srimad-Gaurangalila-Smaranamangala, or Chaitanya Mahaprabhu, His life and Precepts* to the land of West, the Supreme Lord made it sure the time be quite appropriate and conducive for thee towards the preaching of the Vaishnava Siddhanta. Srila Bhaktisiddhanta Saraswathi Thakur Goswami Prabhupada took to the mission of establishing the perfect mission and way of life of according to Vaishnava Siddhanta and had firmly established the true Vaishnava Siddhanta by giving authorized treatises to various Vaishnava Siddhanta. Your divine grace took shelter at Srila Bhaktisiddhanta Saraswathi's Thakur Goswami Prabhupada and practiced his teachings and spread the teaching with no alteration. Your divine grace spent 12 years of studying the scriptures of Gaudiya Vaishnava Siddhanta and single-handedly published the first three volumes covering 17 chapters of the first book of Srimad Bhagawatam

Your divine grace journey continued to expand and expand with your arrival to the land of America with the spread of sankirtan movement in the west. The sounds of kartals and mridangas were heard in the streets and towns and villages and the lord appeared in his magnanimous merciful sankirtan purifying the fallen souls and fulfilling the statement of Sri Krsna Chaitanya Mahaprabhu. Your Divine grace has destroyed the false ego, false knowledge of crores of people through lectures and books. By fulfilling the desire of Lord Sri Krsna Chaitanya Mahaprabhu and his confidential associates, you became dearer to the supreme lord whom your divine grace is already is.

When I speak of Your pastimes by your immeasurable mercy you have showered by revealing it to me. I remember one pastime in Jhansi shared by Srila Bahushira Dasa prabhuji who remembers Acharya Prabhakara, where during the time of Janmashtami your divine grace chanted and played mridanga and supreme lord appeared and gave his garland of kadamba flowers which was surcharged with the smell of heavenly planets. The more I praise the more ecstatic and enthusiastic I feel to serve your lotus feet.

Maharaj I am an insignificant servant at your feet with no qualification to speak anything be it spiritual or material, the little I have spoken here is because you have so mercifully established this huge community of Vaishnavas who are practicing and preaching what you have established and preaching ever victorious in the internet community. I am indebted to Your Divine Grace's association I experience in the bhajan recordings recorded by your disciples I hear and feel. If I have typed something here it is by the association you have given me through your lectures, books, letters, and memories your loving disciples share and the spiritual knowledge your disciples reveal to this fallen soul.

Your Servant of Servant,

Bhakta Ramasubramanya.

Dear Srila Prabhupada,

I offer my respectful obeisance unto your lotus feet. All glories to you on this auspicious day of your Vyasa Puja!

Today I'm very pleased to express my gratitude towards you, thanks for giving the opportunity first of all.

As you have told in your instructions that any creature cannot escape from birth, old age, disease & death. Now the time has come and people are suffering from disease & death, they are getting the results now. It is very evident that people cannot escape from nature's reaction. For the sinful activities of the people, nature is giving answer & good lesson to people but still they are not realizing their mistakes & not taking shelter of ultimate truth. This will continue because it is their karma. Maya has to act accordingly to balance good & evils effects.

But you are the only hope for devotees you've taught us how to get rid of all these materialistic hurdles. We've taken shelter of you, pls don't leave us,

I always pray to lord to give remembrance of Him and you kindly bless us to achieve your instructions practically in the life and give the knowledge of Krishna conscious to empower the suffering and guide all living beings for liberation.

Thank you very much Srila Prabhupada for all these which you've given to us, you are the exemplary master for me; All glories to your divine lotus feet.

Your humble servant,

Bhakta Ramesha MB.

Dear Srila Prabhupada,

Since my childhood, I have been very inclined towards GOD KRISHNA and RAMA. Srila Prabhupada, you helped me enhance my knowledge and devotion. You found the Hare Krishna movement and wrote commentaries for Srimad Bhagavad Gita for the benefit of the whole humanity. Above all, you found ISKCON (International Society for Krishna Consciousness). I am a great admirer of you.

Thank you.

Your servant,

Bhakta Ramhari.

By your causeless mercy, I came in touch with the Kṛṣṇa consciousness movement.

By your mercy daily I am chanting 16 rounds of japa and following 4 regulative principles. Daily I am reading your books like Kṛṣṇa book, Bhagavad-gītā As It Is and Srimad-Bhāgavatam.

My dear Srila Prabhupada, please give bhakti to my family members. We are all in ignorance but by your causeless mercy, you can give bhakti and spiritual knowledge.

My dear Srila Prabhupada, mercifully you have given shelter to me. I will never leave your shelter in any situation, there is nothing better than to serve a pure devotee like you.

Your lotus feet servant,

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to You on this auspicious day of Your Vyasa-puja. Prabhupada I always use to think about society and was in search to gain knowledge to change society and their thought's in my circumstances. But I was wasting my valuable time in Digital Platform, But one fine day I came to visit the ISKCON temple with my mother and there I attended the Yoga for happiness class there I gained a lot of knowledge and my journey has started there and afterwards, attended so many online sessions from Bhagavad Gita, Mahabharat, and Krishna Glories and I was so much inspired by the Bhagavad-Gita sessions. To control our senses and to go back home where we have come you gave us great "Hare Krishna" Maha-Mantra. By chanting Mantra Meditation my life changed completely. And I have come across so many realizations like Seeing problems in different aspects Like Finding Root cause of a problem, Managing myself, Perceptions, Relations, My Habits, Faith, and Confidence.

I am Begging to remain under the shelter of your lotus feet at all times and aspiring to be your humble servant.

Your Servant,  
Bhakta Ramudu.

Pujya Srila Prabhupada ji,

I pay my humble obeisance to your charan kamal. Prabhupada Ji, once there were times when I really didn't have any idea about Krishna consciousness. I just knew that Krishna is one of the Gods there in the picture. But less did I know that he is the ultimate truth. It was almost 2 years back when I visited the ISKCON for the first time. And the journey of visiting the temple started and I was so fortunate that I got admitted to the college which is near to the temple. This is the akaran kripa of the Lord. Now I was familiar with the temple and it was time for me to know about the founder. The temple had this name 'A.C Bhaktivedanta Srila Prabhupada'. I wanted to know about you and your contribution. less did I know that you were not just a sanyasi who laid the foundation to ISKCON but also was the first person who spread the teachings of Gita and Bhagwatam in western countries. Indeed you are Mahatama. Because sleeping for 2 hours and working for 22 hours can't be done by everybody. Its the same way where Rupa Goswami Ji taking rest for 2 hrs and chanting the holy name of the lord for 22 hours.

You translated different Vedic scriptures into many languages so that the whole of mankind can be benefited. You guided the whole of mankind to come back to godhead. To passed the teachings of Sri Chaitanya Mahaprabhu and showed the light to follow the right path. I again bow to you and also thank you to again start bhakti cult in this era which was then started by Sri Chaitanya Mahaprabhu and other devotees. Hare Krishna.

Your Servant,  
Bhakta Rana Vijay Singh.

Dear Srila Prabhupada,

Please accept my humble obeisance's, All glories to you on this auspicious day of your appearance. I am thankful for you for giving me an opportunity to serve our dear Lordships RadhaKrishna Chandra, Nitai Gouranga, and Krishna Balarama. Without your blessings which is never possible. You guide me through the most difficult times of my life with the help of the association of devotees who are representing a Great spiritual organization ISKCON. Because of your Books, today many people after reading your books a sudden transformation in life has happened.

My humble request to you too always keep me under your Shelter. I pray to you to bestow upon me some drops of mercy to become strong in my Devotional Service. And always chant the holy name of Krishna and become more obedient to your orders. Please guide me in my spiritual life when I go wrong as I am more ignorant of your words. Thanks for providing me with an opportunity to render service onto our dear Lordships. I am very fortunate to have you, Srila Prabhupada, as my Guru!

Dear Srila Prabhupada,

Please accept my humble obeisance at your divine lotus feet. All glories to Guru and Gauranga. On this auspicious day please bless me to become more serious in doing my service and my Sadhana. May the Lord bless me to satisfy you, my spiritual master in my life.

Dear Srila Prabhupada, both in your transcendental writings and lectures and in your glorious life, you have continually demonstrated the highest standard of pure devotional service to Lord Krishna, showing us the perfect example of what a pure devotee is, and how one can follow in your footsteps. By following your example and teachings, we can come to the standard of how one should practice. Following your divine instructions is the most important part of devotional service in one's advancement and especially four rules and regulations, you have very kindly introduced to everyone and I am trying my best to following in regardless of the situation and I'm continuously praying to keep me in a better place to practice devotional life. In these last 3 months, I have seen what is the real relationship and what they look for in me, I am really fed up of these relatives and material friends, my minds are driven very easily uncontrollable when I am having an association with non-devotees.

When I have introduced to Krishna consciousness 4 years ago, I was thinking what is a spiritual life and why the spiritual master is required between me and Lord, sometimes I was thinking that why I should worship the spiritual master when the Lord is there. Then day by day when I started hearing and reading your books, I could understand how important spiritual master is and without surrendering to guru one cannot advance in spiritual life nor go back home, back to Godhead.

Dear Srila Prabhupada, by remembering and chanting pastimes like this, and reading your books, is the only way to destroy the pain of separation from you. Please empower me and all Vaisnavas who are very sincerely practising and to read your books throughout the day, and discuss Prabhupada Katha and Krishna Katha at all times, and then peace and tranquillity will bless our days. Jai, all glories to our divine master, Srila Prabhupada...I have married now and held up with so many responsibilities, most of the times I am very bad at managing my time and not doing my Sadhana properly. Praying for my

wife as well, please bless me and my wife to become more serious in the spiritual life and bless me to settle my family in Vrindavan or Navadvip Dham.

Dear Srila Prabhupada,

Please accept my respectful obeisances unto your lotus feet. On this auspicious occasion of Vyasa Puja, I would like to express my heartfelt gratitude to you for blessing me with your causeless mercy by bringing me in contact with the movement of Krishna Consciousness. I have been going through a very difficult phase of life. Most of the time I feel my path is filled with darkness and unable to see the path ahead. Chanting of Hare Krishna Mahamantra gives me strength and light to proceed in the right direction. I am able to chant this life-giving mantra but not enough. Please bless me so that I can do more rounds of chanting. I would like to thank you for blessing us with the Hare Krishna Maha-mantra, enlightening us with its meaning, and also giving us the initial taste for chanting, so that we could embark on our journey in Krishna consciousness. In my limited journey on this path, I have certainly realized one thing, that the understanding and taste for such spiritual knowledge cannot be achieved by any amount of material efforts unless one has the mercy of the spiritual master. Words are not enough for us to express the gratitude and reverence for your mercy upon us.

Your aspiring disciple,  
Bhakta Ks Rathan.

## Bhakta Ratnadeep Ray

Dear Srila Prabhupada,

Hare Krishna. Please accept my humble obeisance. All glories unto your lotus feet. Today I am remembering the 2-information given by Srila Vishwanatha Chakravarty Thakura as follows:

*samsara-davanala-lidha-lokatranaya karunya-ghanaghanatvam  
praptasya kalyana-gunarnavasya vande guroh sri-charanaravindam  
yasya prasadam bhagavat-prasado,yasyaprasadan na gatih kuto pi*

Therefore, without your causeless mercy, we cannot extinguish the forest fire of material existence and attain the mercy of Lord Krishna. So, I consider myself to be extremely fortunate to taste a drop of the showering mercy from your lotus feet. In my life in the past few years, many ups and downs came but by Krishna's grace, all were cleared. However, without your mercy, Krishna's mercy too wouldn't have come to me. In the last year, I found many reciprocations from the Lord in my life. When I was totally bewildered, confused, pessimistic, I received the positive indications from the Lord in one or the other way which eventually brought positive results in my life. But all these were impossible without your mercy since Lord reciprocates only when there is a recommendation from a pure devotee i.e. guru. Gradually in the course of time, I also started developing some interest to serve Sri Sri Radha Madhava which was totally absent earlier in me. This was impossible without your mercy. Today I reached a scenario where chanting 16 rounds might have been very difficult. But your causeless mercy made that easy. Hence, I am confident that my life is pretty much safe from different types of dangers all thanks to your causeless mercy.

Now after associating with you through your lectures, books, disciples, temples, etc. I started learning the art of spreading the message of Lord Krishna in so many ways like book distribution, spreading Krishna Consciousness related messages via social networking sites, writing posts in the net or directly preaching to my friends and relatives. I am dead sure all these methods can save the people since your mercy is present these methods. However, I feel I should preach more and serve

you and your mission in future. Therefore, please bless me with the proper opportunities to do so. Also, I pray upon your lotus feet to bestow your mercy on all my near and dear ones so that they too realize the real goal of human life and start devoting to Lord Krishna through you. No family can be more auspicious than that comprising of the devotees of Lord Krishna. Hence, please bless me and my family with the devotion towards your lotus feet which would ultimately lead us to Lord Krishna.

Finally, kindly forgive my offences, committed knowingly or unknowingly, to your lotus feet, to Lord Krishna and His associates, His names, His forms, His abode, His message and all other such paraphernalia.

Your Insignificant servant,  
Bhakta Ratnadeep Ray.

Dear Srila Prabhupada,

Please accept my most respectful and humble obeisance on the most auspicious appearance day of your Divine Grace.

Srila Prabhupada, I read your books and I learnt many things there, the holy day when you landed Boston America, you were alone but the grace of Lord Krishna was there always with you. How you spread Krishna consciousness is really a miracle for every devotee. We should learn from your life that despite numerous difficulties you never left spreading Krishna consciousness. You are my spiritual guru and I respect most. Still, many things are required to learn from your life and books. I can feel your presence when I visit ISKON temple I really become mesmerised, lucrative with the atmosphere we get there, Hari Kirtans, prasadam everything is so exciting.

Prabhupada, please bless me with good health to me and my family. The day I started chanting things, my path became easier, I started getting a habit to be happier, the more I chant the more I become happy. This is all because of your Krishna consciousness.

I am deeply respectful of what you did for all of us and the coming generations.

Yours Sincerely,

Hare Krishna! Dear Prabhupada,

It's been a blessing to be introduced to you from the very first day when we got the opportunity from our college to serve the greatest organisation of holiness. For me, the value of Bhagavad-gita is ever priceless. The Lord is so very generous to guide us bypassing his message and teachings through the Bhagavad-gita and also by sending a Guru like you, to help us progress in life hand in hand. The power of Hare Krishna Maha-mantra is miraculous as if the Lord Himself is present in it. Through your guidance, I can feel the lotus feet of the Lord. I have got nothing much to say, as it is something which is inexplicable. Bhagavad-gita should be taught worldwide as it guides the true art of living not only for humankind but for every living entity. Hare Krishna!

Yours sincerely,  
Bhakta Raunak Acharjee.

Dear Srila Prabhupada,

Please accept my humble obeisance unto the dust of your lotus feet. All glories to your Divine Grace. On this auspicious day of your appearance I want to thank you from bottom of my heart for creating ISKCON, I am one of the millions of individual who have benefited from your movement and also an unfortunate soul who still don't understand the seriousness of having gotten human form of life which is primarily to become Krishna Conscious. Without your movement and temple, I cannot imagine where I would have been rotting both materially and spiritually. I know despite great fortune I have got to come in touch with your movement, I am not valuing spiritual life as much as I should, because I am thinking it is easily available and I know I am going to regret. I pray at your lotus feet to kindly give me taste for chanting and reading your books. I am grateful that Lord Krishna has kindly put me in a difficult situation and I can clearly see that it is only to make me more serious about spiritual life, I kindly beg to be in a difficult situation to the extent I can handle and improve my Krishna Consciousness, which clearly has improved when compared to past few years, but still a long way to go.

I pray at your lotus feet to kindly make me improve the quality of chanting 16 rounds and make me follow quality 4 regulative principles for the rest of my life. I beg you to kindly forgive me for all the offences knowingly and unknowing I have committed at your lotus feet. Please engage me in your service and make me remember Krishna at the time of my death and please take me back to godhead.

I will be purified by glorifying you. It is time to absorb oneself in an intense devotional service by remembering the glories of the spiritual master. It gives an opportunity of smaranam of Your Divine Grace.

It is my duty to glorify my spiritual master.

It is a question of gratitude to glorify what all you have given me on this auspicious day of your divine appearance.

O spiritual master, I pay my obeisance from the bottom of my heart. please accept this unqualified person's obeisance. I owe a lot to you in this birth for bringing me in touch with ISKCON and Krishna and also for making this unqualified disciple chant Hare Krishna Maha-Mantra.

Humble offering to My Beloved Spiritual Master,

Again it is a great opportunity for me to offer my humble obeisance's to you on the eve of your 124<sup>th</sup> appearance day. And look into the mirror of Krishna consciousness and see for myself where I stand. It has been a long journey of Krishna consciousness for me Guruji spanning close to 2 decades. You have been showering and blessing countless souls with your ocean of causeless mercy. I bow down to your lotus feet to offer my deepest gratitude to you - Oh Spiritual Master and beg you to continue showering your mercy and blessings to me to enable me to move forward in my journey of Krishna consciousness. Guruji, during the last 1 year, like earlier I am still making lots of mistakes in not chanting at times and also with respect to the quality of chanting. I am unable to manage my sadhana timetable on a daily basis. My sadhana report card I feel is Red. I feel like Maya's stranglehold on me is not getting reduced. I am trying my level best but at the end of the day, it is not sufficient. Getting to feel that because of my karmic reactions, I am where I am in terms of spiritual growth. When I look back on my journey, at times I feel why? Why this slowness and why my spiritual momentum is not picking up. My sincerity is very much there. My integrity to you, my Spiritual Master is very much there. But my repentance is there for not chanting, not reading your books, not hearing your lectures.

My only and only desire in life, Guruji is that I should die doing your service in ISKCON temple. I don't want to retire by next April '21. My service should get extended by your grace and mercy. I beg you to bring about some change in my wife. Happy to note that she has started to chant 1 or 2 rounds, hope its Mahamantra. If my house situation improves, I am sure Prabhupada things will improve more for me. While rendering service to you Guruji, I feel so happy and humbled to identify so many situations where you have always saved me with your love and affection towards me. I don't know why such a fallen rascal like me is selected by you. I beg forgiveness from you for the mistakes and blunders I have done in not doing chanting properly and not reading your books daily. I seek your causeless mercy to do chanting daily and improve my sadhana report card. My desire is to glorify my Spiritual Master sincerely from the bottom of my heart which I am trying to do. One thing with the great feeling I can proclaim to the whole world is you are my Spiritual Master eternally. I beg you Srila Prabhupada to hold my little finger and guide me and my family to be Krishna conscious. And they realize that being Krishna conscious and rendering devotional service to Lord Krishna is the ultimate. Wishing always to be in your service eternally.

Your Servant,  
Bhakta Ravi.

Dear Srila Prabhupada,

Please Accept My humble Obeisance. First of all, I would like to say thank you to Iskcon. It's been about 3 years with the temple and I am inspired by Prabhupada's principles. After being part of the Iskcon I have learnt more things about spiritual and personal for that really am thankful to Srila Prabhupada. I pray you to bestow association with devotees. Without association, my spiritual growth is zero. Please inspire me to do chanting regularly. Thank you so much.

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet.

Let me begin by saying how grateful I am to come in contact with your writings and teachings. Knowing about Krishna has put a lot of things in perspective in my life. I believe it is your causeless mercy that is making such a huge difference in my life. However the past year has not been as fruitful in following my devotional duties. I have tried hard to keep up practicing Krishna consciousnesses, only to be either distracted and giving up at times. I have started reading your books to find strength and direction that has been missing in my life. I place my faith upon you and Krishna to guide me.

Dear Srila Prabhupada,

Please accept my respectful obeisances unto your lotus feet.

All glories to Srila Prabhupada on this auspicious day of your Vyasa Puja.

My Spiritual Master, the commentary given by you in USA on Bhagavad-gita As It Is has inspired me to continue my spiritual journey, and your teachings really opened my eyes. I understand what actually a devotee means and what Krishna Consciousness is.

I learnt two things from your teachings from the first few chapters of Bhagavad-Gita,

What is Krishna Consciousness?

It is any kind of offerings or services offered to Supreme Lord Krishna.

Who is a devotee?

Devotee may not be a Kshatriya like Arjuna or a sannyasi.

We can have any kind of relationship with Godhead like,

Devotee as servant

Devotee as a friend

Devotee as a parent

Devotee as a conjugal lover

I was not focused and consistent in reading Bhagavad-Gita, and chanting the holy name of Supreme Godhead. After continuous hearing of your teachings, I am regularly making time for spiritual activity and developing the taste for spiritual knowledge. I am getting a feeling that I am on the right path.

I would like to start my relationship with Krishna as a servant in the dasya bhava, and that's how I will continue my journey as Bhakta of Sri Krishna.

My Spiritual Master, I am very thankful to you for providing such great teachings. Bhagavad-Gita As It Is has become my life companion, and under your guidance and your great devotees at ISKCON, I want to serve your Lotus Feet and the Lotus Feet of Sri Krishna with all sincerity and earnestness.

Your sincere servant,

Bhakta Ravindra Kulkarni.

Dear Srila Prabhupada,

Please accept my humble obeisances, All glories to you.

It gives me immense pleasure to write you this letter. I feel so glad for being chosen by Lord to follow your divine instructions. Your kind grace always holds me like a father carefully holds his child. Your dedication and the way you have been inspiring is matchless. You are the best gift, mankind has ever received. Every single time I hear the pastimes of Lord, through your Lotus mouth, it goes deep into my heart and helps me to bring transformation. You have been so kind for all the fallen souls. You have personally demonstrated how to lead a perfect Vaishnava life.

All the literary works, lectures, morning walk talks are so enlightening. Blessed are we, who are able to understand all the teachings. ISKCON Bangalore has created very conducive environment to practice Krishna Consciousness, seriously without any deviation.

This is my personal experience. Whenever I have some doubts and even before I ask, I would get them answered, either by your books or by the lectures. I can feel your presence all the time.

Now I understand that I am in total hopeless situation and I am humbly begging you to take complete charge of me and guide me through the spiritual path. Please give the more strength to overcome the obstacles.

Thanks for all the opportunities provided so far. I am aspiring to become small particle in serving your mission to the best of my ability, if you so desire.

Your Humble Servant,

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet. Currently, the whole world is going through a tough situation. In this kind of situation, I am able to realize how important my life is. Srila Prabhupada, I should not waste a single moment of our life as in this life there is a chance to return back to Godhead as you taught. I should always remember Krishna and focus on my work. I also understood that whatever advancement man can make he can't compete nature laws made by God. I thank you, Prabhupada for showing me the aim of life. To understand human life and to know how one can be happy, understand the spiritual world and how it is different from the material world, you have taught us in a simplified way. To think about Krishna should be the only thing in mind. Because of you, I am able to understand the Indian scriptures incorrect way and the wonderful teachings of Bhagavad Gita. With the help of your books, I am able to enhance my spiritual knowledge and to fight with the material thoughts. Your teachings teach me about simple living and high thinking. Also, you told how Krishna possesses all 64 qualities and you have presented Krishna very nicely in Bhagavad Gita and Srimad Bhagavatam. Finally, I thank Krishna to bring you in my life without which whatever knowledge I acquired it would have been worthless. You gave me the reason for living. I thank you a lot, Prabhupada. Your purity and strong will towards this highest welfare have attracted me very much towards you. At last, I would like to pray to you that please help me to return back to Godhead, Krishna.

Your Humble Servant,

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to your Divine Grace. On this special appearance day of yours, I wish to thank you for having given us the sublime formula of Krishna Consciousness. Here is a compassionate statement I would like to recall:-

Prabhupada: So to serve the servant of Krishna is better than to serve directly Krishna, because if the servant of Krishna promises something, if the servant of Krishna says, "I'll take you to Krsnaloka," you must go there. Even Krishna cannot do that. So with this, you have given the formula to go to Krishna and you have promised whoever chants 16 rounds of the Hare Krishna Mahamantra and follows 4 regulative principles, you will take them back to Krishna through the back door entry and the only thing we have to do is catch your dhoti by following these instructions. Srila Prabhupada you are really the ocean of compassion and mercy. This doesn't end the limit to your mercy. "The spiritual master lives forever by His

divine instructions and the disciples live with him." So to give your divine association and instructions for the conditioned souls like us, you have tirelessly written volumes of books which are like bombs to destroy the illusion of conditioned souls.

In this iron age of Kali, the scriptures and Lord Chaitanya Mahaprabhu himself said that the holy name of Krishna is the only way and you mercifully became the brand ambassador of the holy name and took it all over the world to save the whole world from dipping in hell. At the age of 70 travelling by ship to America suffering 3 heart attacks, you showed real compassion to the whole world. Today whatever prosperity is there in the world it's all because of the Sankirtana happening all around the globe and all due credit goes to your divine grace but it's so unfortunate that hardly few have known that. From Vedic tradition actually a person who wants to know about the absolute truth has to search for a guru. But in my case, I was actually approached by your representatives. I didn't come to my own in search of absolute truth. But you are the ocean of mercy who is distributing the highest thing, Krishna Prema to the unqualified conditioned soul like me but my misfortune of covering the vessel and not filling the rain of mercy. So I'm very much indebted to you.

Krishna himself says an acharya is like Lord himself (acaryam mam vijaniyan). So your instructions are Krishna's instructions. In the due course of my journey, I've not followed your instructions properly, failed to serve your mission properly both knowingly and unknowingly and have committed enormous offences at your lotus feet. But you are an ocean of mercy so I beg for forgiveness from your divine grace and promise that I'll try to be more serious and sensitive. I beg for your mercy to chant the holy name with humility and surrender attitude and do my best to gain your causeless mercy.

Aspirant of Your mercy and Your fallen servant,

Bhakta Rayjan Bhattarai.

I was a wanderer with some material aims and perceptions about life. During my journey, I accidentally visited the spiritual institution your disciples have established in Hare Krishna hill. Due to some blessings somehow I came in touch with some wonderful devotees there. The way your disciples behave was just awesome. I quickly started realizing that they all came from different backgrounds and were some common men just like me but came to that exalted position by that point of time just because of the guidance and knowledge you have provided. From that time onwards I think I have become eternally indebted to you for all the spiritual experiences and knowledge revealed to me through your disciples, from your books and classes. From time to time I get septical to certain things and all of a sudden I used to come across incidents which happen to clarify my doubts and bring back to me into the spiritual path. All these appear as magical and are the blessings from you and Krishna. I pray to You to guide me on the way back to Godhead which seems to be a hard path and require a lot of efforts, motivation and dedication.

Your Eternal Servant, Bhakta Reneesh Prabha.

Dear Srila Prabhupada,

I being the most sinful living being of this world, offer my obeisance to you. On this auspicious day, I pray to you to give me the strength to be engaged in the devotional service of the Lord. I am proud to have taken birth in a country where a great spiritual master like you appeared and planted the seed of devotion in many fallen souls. You are a lifesaver to all those souls, who had forgotten the purpose of their existence on earth as human beings. I still remember those days, when

I was completely lost and depressed. I did not know the purpose of my existence on earth. But when I began to read your books, I gradually realized my place in this vast universe and therefore gained spiritual strength to face the adversities of material life. I also remember the time, when you had appeared in my dream during Brahma muhurta and applied tilak on my forehead, soon after I offered my obeisance to you. Your appearance in my dream made me realize how fortunate I am to have received a blessing from you.

You fortified my belief and gave me enough strength to face the obstacles in my journey of material life. You taught me how to have faith in the supreme personality of Godhead, Krishna. Your books helped me talk to you personally, which helped me transform my consciousness.

You changed my life in many ways. Now I believe that there's a reason behind everything that happened in my journey of material life. I realized that everything is happening according to the Lord's will and the lives of all the living beings are being controlled by the Lord himself.

No matter what I go through today, I know the fact that I will always be protected and guided by Krishna until I leave my material body. Your appearance on earth and in my dream have revived the eternal connection that I have with Krishna, the supreme personality of Godhead. I will always be grateful to you, for granting me the opportunity to serve the Lord. Only through your mercy, I gain the strength to serve and please Krishna. I pray to you every day to give me enough strength to remember Krishna till my last breath.

Your faithful servant,  
Bhakta Rishabh Talukdar.

Dear Srila Prabhupada,

I am here to speak my heart and am trying to write it as well. The picture of you in my mind is of a great person with great abilities. Who has come into existence to spread the meaning of full knowledge and explanation of Krishna? While going through your life story one thing stayed in my mind that you cultivate the most unproductive class of people of that time which were hippies. This capability of yours shows that everything is possible it just needs a will to do it. I was mesmerized by the idea of connecting science with god's teaching. I came to know that spirituality is science. I came to know about chanting and its benefits. All thanks to you. ISKCON is a great step towards spreading the knowledge of Gita. I thank you from the bottom of my heart for your work and an everlasting impact on my life through your teaching. I became the folk member of ISKCON and became part of many festivals and learning which ultimately transformed me into a better human being. Because of ISKCON, I m now able to connect to thousands of great minds all across the world.

I developed my habits because of ISKCON. I would like to share my experience with you Prabhupada. I always had this feeling of sadness and helplessness whenever I saw an ambulance. I always think how helpless I m I can't even help that poor person. Then I thought what if I pray to Krishna for that poor person. So I developed this habit of chanting *Hare Krishna Hare Krishna Krishna Krishna Hare Hare Hare Ram Hare Ram Ram Ram Hare Hare*, whenever I see an ambulance. I think prayer can do a lot for others. It's my head on your lotus feet and thank you for giving us ISKCON and your learnings through ISKCON.

Aspiring to be your servant,  
Bhakta Rishabh Hota.

Dear Srila Prabhupada,

Please accept my humble obeisance. Now it's been 2 years that I am following Krishna Consciousness, I remember the day how I came in touch with a Devotee since Bangalore was all new for me that time I was searching for a good place to stay I visited ISKCON temple and I prayed to Krishna to guide me to a place to stay. Very next day I got to know about the Folk residency and a devotee showed me the place. The place was so overwhelming and like a home. In Folk residency, I got introduced with your teachings, started getting to know about who is GOD and with realizations how to lead life. In these 2 years of staying in residency got the golden chance to visit the Holiest place like Vrindavan and Jagannath Puri after visiting I felt so rejuvenated and started getting to know more about Krishna. I got so inspired by the Incident of yours travelling from India to the USA in Jaladuta, how you were fully dependent on Lord Krishna as the odds were more, the storming weather, your health condition, without money and a place to stay in the USA you were doing the journey, I every time takes motivation as well thinking journey of life is very much similar but if Krishna being the centre and a Guide we will reach our destination, that is back to God Head. I need your blessing to get a deeper understanding of Krishna Consciousness and follow this life long.

Your Servant,  
Bhakta Rishi Singh.

Hare Krishna, Dear Srila Prabhupada,

I am prostrating at your lotus feet to offer my utmost respect and prayers. You showed us the path of life long forgotten by us, your words through your books enlighten my mind and I feel nothing in this world is worth consideration except spiritualism, except bhakti of the great Lord Krishna. Your significance is abounding for the changes you have brought in many lives. I pray to you for keeping your blessings on humanity. Sometimes it's difficult to find the right words to express our feelings of love & gratitude to someone who means a lot, but I tried to make a garland of my few insignificant words. Please accept them.

The Revival of Spirituality -Dedicated to my Spiritual Master His Divine Grace A.C. Bhaktivedanta Swami Srila Prabhupada.

Please accept my humble obeisance. All glories to you on this auspicious day of your appearance. I began my spiritual journey when I was in 9th standard. The thought of starting off with spirituality came from the time I started asking myself, some of the real questions on life-like: Who am I? And why have I taken birth in this world?" My father taught me about spirituality, and that he is my first spiritual teacher. Spirituality is the science of knowing the real "you". I have always repeated this with my father: "I am not this body. I am not this mind. I am the soul. And I am free." I started researching further on Spirituality but I always lacked proper direction and guidance. In order to maintain peace and control the mind, I first started implementing many Spiritual concepts like The Yin and Yang, The left-right brain, The Zen mythology and stuff. They helped me to a great extent, undoubtedly, but were unable to answer some of the mysterious questions of life like: I don't want to die, but death will come. I don't want diseases but diseases will come. I don't want sorrow, but it will come. Who is enforcing all these things? What have I done that I am suffering so much? Why did I take birth in this materialistic world?

Finally, in my first year, by God's grace, I came in touch with this wonderful organisation "The ISKCON". All my questions got answered here over the years. The most beautiful thing about the community is the fact that the monks here don't teach anything of their own. They give the teachings of Krishna, The Supreme Personality of Godhead and Srila Prabhupada, the founder acharya of ISKCON. I was born in a Hindu family, by virtue of which, I had a sentimental connection with Lord Krishna. But it's not only important to have a sentimental connection with Him but also following His guidelines and teachings. So, the person who is responsible for teaching the world about Krishna, His teachings, and that who has translated over sixty volumes of classic Vedic scriptures into the English language is none other than Srila Prabhupada. I am so grateful to him. He is the only one responsible for reviving Spirituality in the world in this modern era.

*Hare Kṛṣṇa Hare Kṛṣṇa, Kṛṣṇa Kṛṣṇa Hare Hare  
Hare Rāma Hare Rāma, Rāma Rāma Hare Hare*

The transcendental vibrations of the mantra are the sublime method of regaining our Krishna Consciousness. In this age of Kaliyuga, The Holy names of The Lord, are considered to be an incarnation of The Lord Himself. By the grace of Srila Prabhupada, these transcendental knowledge are with us even today. The books written by him are a perfect source of all Vedic knowledge in a much simple way. The chanting of the above mantra has helped me significantly. There are two kinds of instructing spiritual masters. One is the liberated person fully absorbed in meditation in devotional service, and the other is he who invokes the disciple's spiritual consciousness by means of relevant instructions. The teachings of Srila Prabhupada has tremendously transformed the lives of many across the globe. In the Srimad Bhagavatam, it's written: "...in order to receive the real message of Srimad Bhagavatam, one should approach the current link or spiritual master in the chain of disciple succession." (S.B. 2.9.7)

In 1965, at the age of sixty-nine, Srila Prabhupada travelled to New York City aboard a cargo ship. The journey was full of hard knocks and that he suffered two heart attacks. Arriving in the United States with just seven dollars in Indian rupees and his translations of sacred Sanskrit texts, Srila Prabhupada began to share the timeless wisdom of Krishna consciousness. When His Divine Grace A.C. Bhaktivedanta Swami Srila Prabhupada entered the port of New York City on September 17, 1965, few Americans took notice — but he was not merely another immigrant. He was on a mission to introduce the ancient teachings of Vedic India into mainstream America. Before Srila Prabhupada left his body on November 14, 1977, at the age of 81, his mission proved successful. He had founded the International Society for Krishna Consciousness (ISKCON) and saw it grow into a worldwide confederation of more than 100 temples, ashrams and cultural centres. As Prabhupada has said that he might not be with us physically every time but virtually he would always be present in the form of his books, his teachings. Whenever I read his books, it feels like he is giving me this transcendental knowledge personally.

In the eleven years that followed, Srila Prabhupada travelled across the world 14 times on lecture tours, bringing the teachings of Lord Krishna to thousands of people worldwide. He many times returned back to India, for spreading Krishna

Consciousness at His home. I can't express in words how grateful I am, and fortunate enough to read his books and access Vedic Literatures so easily. His mission of spreading Krishna Consciousness throughout the world has helped millions of conditioned souls like me. There is a verse in Chaitanya Charitamrta:

*mukam karoti vachalam, pangum langhayate girim, yat-kripa tam aham vande sri-gurum dina-taranam.* Which translates to It's by the grace of Guru that we can do what we are doing. By the mercy of Guru, even a dumb man can speak, even a lame man can cross the mountains.

Dear Srila Prabhupada,

Please accept my most humble obeisance's at Your Lotus feet on this most auspicious day of sacred Vyasa Puja. It's my fortune that I got you as my spiritual master in this life. As in this material world maximum, human are not knowing that they are suffering, but in this material world I not only got some spiritual knowledge but I got you, a pure devotee, as my spiritual master. I am not worthy as your disciple but Whenever I required your guidance, you always guided me in different medium. From the past 4 years, I am in Krishna consciousness and in this years so many times I fall down but by your grace, I always got your guidance and I got uplifted. Under your guidance only I got some devotional services even though I was not capable of doing that but you provided the strength to doing the services.

Prabhupada, I am very greedy and I have only one desire that in every life you will be my spiritual master until I attain Krishna. Because of your mercy, I am always getting Krishna mercy. Every day I use to see Krishna involvement in my life. With Krishna magic use to happen in my life. There are so many incidents where I got your guidance. Dear Srila Prabhupada,

Please accept my humble obeisance. The purpose of my head is served by bowing down before your lotus feet which is the shelter of crores and crores of Jivas. Recently I got a realization Prabhupada: Mother and Father give birth, but you my dear Guru maharaja you not only give life to that birth, you give life to my parents too! In fact, you have appeared in the material world to give that thing which even the Supreme among the supreme beings – Lord Sri Krishna cannot give ie. Krishna Prema. My Folk guide used to say: "next and every birth you will get mother and father but you may not get Guru and Krishna." It is said that millions and millions of jivas are in a line waiting eagerly to appear on this earth at this time where just 500 years back Sri Chaitanya Mahaprabhu appeared, so it is definitely risky to not take to Krishna consciousness even after touching your lotus feet. It has been 4 years since I have come to Krishna consciousness my dear Guru Maharaja, during these years I have battled to follow 4 regulative principles and to chant 16 rounds of Hare Krishna maha-mantra which is your primary order. Though there have been many ups and downs during these years, since the past 4 months I have completely left non-veg.

Born in a non-vegetarian family it is difficult to give up non-veg, but as you have said even a monkey is a vegetarian and in another place where you said, "Even, I'm ready to cook and serve meat if they (westerners) chant the Hare Krishna

mantra". This proclaims how important chanting is and also it shows how merciful you are, how amazing you are, how great great great devotee of Krishna you are!! Well, taking the above in a balanced way I'm chanting Dear Srila Prabhupada, but I require your blessings to chant more attentively since it is the only way to reach Krishna. Right now I'm not in a position to ask more and more service of Lord Krishna, but I definitely can beg at your lotus feet to chant 16 rounds of Hare Krishna maha-mantra and follow 4 regulative principles more sincerely.

So, I beg at your lotus feet Prabhupada, to protect me from falling down again. Jai Srila Prabhupada!

Your Aspiring Devotee,  
Bhakta Rohan I R.

Dear Srila Prabhupada,

Please accept my humble obeisances. I got in touch with ISKCON and Your Divine Grace in the year 2011. It so happened that I met a book distributor in the streets of Oxford. I read 2 pages and quickly understood that this book answers most of my questions, very soon I landed up in ISKCON London and I realised that this was what I was searching for a long time. In fact, I took 2 weeks to leave which was pending and read most of your books. It was an amazing experience. Keep me always in the association devotees. Hare Krishna.

Dear Srila Prabhupada,

Please accept my humble obeisance. It is only by your grace that I have understood a small portion of the Absolute Truth. It is only through Your gracious guidance that I have been able to tolerate times of distress and worry. Just as torchlight vanquishes the darkness, You have very kindly vanquished so many forms of illusion in my heart, as you are ever-present in your books. This material world is indeed very bewildering and is bound to hold us to it through the shackles of sense gratification, but I am being continuously saved from those shackles by the unadulterated knowledge of Gita and Srimad Bhagavatam, which your Divine Grace has mercifully passed on to the wretched souls like myself, thus giving us golden chance to associate with Lord Krishna in the form of His holy names. Due to the fallen position of this wretched soul, I unknowingly commit offences unto the Holy Names, and sometimes even feel desisted to chant. And also, I often find that I struggle even with the basics of Krishna Consciousness, due to incomplete and incorrect understanding. I hence beg Your Divine Grace to bless me with the capacity to minimize the offences and to understand Your instructions in the proper manner and thus put an end to my doubts, in order to serve you with more diligence and humility.

Your Fallen Servant,  
Bhakta Rohith G.

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet. I take this opportunity to thank you for your wonderful contribution to my spiritual progress. It's been three years of mine in Krishna Consciousness when by your divine entry into my life has brought a paradigm shift in my life. I really feel you as the messenger of God who has taken immense pain to remove the materialistic problems of the people suffering in this world. It is by your grace that one who comes in Krishna consciousness understands the real purpose of this human life. As you have told that one who sincerely do the chanting of the holy name, this knowledge is automatically revealed to him. I have personally experienced this and felt that Krishna involves personally into the devotee's life. Although initially, these things were not understood by me and there was a lot of resistance from inside me to move on this path, but with the controlled mind when I have traversed this path, I cannot tell you that it has many unpredictable laurels to offer both materially and spiritually.

In fact, in this pandemic situation of Co-Vid 19, when the world is struggling hard for their existence, the chanting of the holy names of the Lord is the only way to remove the negativities, hopelessness and frustration which has crept in every nook and corner of this planet earth.

I once again thank you from the core of my heart that you have chosen me to be a candidate to take this spiritual path and with your divine mercy only it is possible for me to sustain on this path in spite of so many material glitches. I pray you to support me that I could never forget the spiritual blessing given by your divine Holiness and make constant progress daily to love Krishna incessantly.

Your Unworthy Servant, Bhakta Rohit Khandelwal.

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet. You're the path to enlightenment in my life. Forgive me for all my sins or unknown mistakes I have committed in my life. I have been a staunch devotee of yours from the past three years. My attachment to the Lord and the temple has brought me closer to celebrate Krishna consciousness and attain the mercy of the Lord's lotus feet and your blessings. I was instructed to chant the Hare Krishna maha-mantra which has managed to bring wonders in my daily life. I was chanting 1-2 rounds and eventually has been chanting 4-5 rounds nowadays it has gloomed the wave of positivity over my thoughts and soul. I assure you, my dear spiritual master, that I will always be a humble servant of your divine lotus feet and that of Lord Krishna. The lessons from your staunch devotees at ISKCON has brought invaluable changes in my life. Hare Krishna!

My Dear Srila Prabhupada,

Please accept my humble obeisances, All glories to you My Dear Gurudeva I am writing this letter to you on this auspicious occasion of Vyasa puja to thank you for all the spiritual knowledge you gave me and most importantly thank you for introducing me to Krishna consciousness I will always be indebted to you. I remember the first day when I came to Bangalore and I was going to my Massi's place by metro and then after some time I saw a temple in front of me and I was shocked to see a temple this big then I told my Mumma that can we come here after counselling and she said let everything finish nicely and on my counselling was on that day itself we rammmed into so many problems first of it was some draft problem then we were stuck in traffic and finally we reached to the venue and even there, there was soo many problems and fortunately and with your and Krishna's blessings I got the last seat in chemical engineering which I was hoping for and after that, we weren't able to visit a temple. And when I came to Bangalore second time and when I was searching for hostel

and I saw a banner and I dialled the number then for the first time I spoke to few Prabhus offered me to show residency but we were running out of time and we had to back to Whitefield then when I came to surat my mom spoked to one Prabhu constantly if there was a place in residency but after coming back to Bangalore for the third time finally, I got a place in residency I can say I was really fortunate because if I was living in college hostel I would have exposed to the very bad association and then at last Prabhu asked us to go to the temple for an interview, and then, at last, I visited the temple and to be honest I was awestruck with the beauty of the temple and even then my problems didn't solve.

I had some issues with payment but still, I think you wanted me to stay in residency because I don't know how things fell into place because things were not less than a miracle. Prabhu, now I will tell you about my stay in residency as you know I was a meat eater but the day I joined your residency since then I never even touched the meat and now I am very very very careful about even killing an insect but sometimes I kill so very sorry for that coming back to the topic I never felt like I was somewhere else or I am with some other people as you know I am an introvert but I never felt uncomfortable talking with my seniors and talking of seniors, always helped me and taught me so so much about Krishna consciousness and they have played a very big role in becoming Krishna consciousness and always understood me always trusted me always taught me everything whenever I asked, always gave me the opportunity for service even now during lockdown he is guiding me, he introduced me to kirtan world by inviting me to Kartal modules and honestly I failed miserably but slowly I learnt kartals. I simply don't know how to thank everyone and you for giving me so much you are the only one because of whom I have become so conscious of everything I know I am very far from the end goal Infinite thank you will fall short if start thanking you for everything, but apart from thanking you, I would ask for apologies because sometimes I am not able to do my service properly, I miss sadhana sometimes, I miss chanting sometimes, sometimes I fall asleep during Bhagavatam class and sometimes I fail to follow your instructions so dear Prabhupada please help me overcome my shortcomings and please help me to become more spiritually advanced. Please forgive me and please bless me so that I can take Lord Chaitanya's mission on to another level and please help me chant more and more.

Your Servant,  
Bhakta Roushan Nigam Shaw.

You have made the Krishna consciousness such an easy process that even the householder can attain perfection. You have introduced the whole world to higher taste which otherwise was hankering after materialistic possessions. Dear Srila Prabhupada,

Please accept my humble obeisances. With your grace, I have joined the residency which was managed by Iskcon Bangalore. I had a truly amazing experience after being Vaishnava, I had a sight of how big our culture is and how little I knew, My first book was Prabhupada and in that, I got to know what is the power of true devotion, so much difficult you went through but your faith never shook. You have established a vast moment of Krishna consciousness, Let I have some grace from you

so that too get that potency to serve everyone and bring them to Krishna consciousness. I am living in such an environment where there is knowledge, kirtan, and everyday Mangala Arathi. I am sure that none of the organizations has this facility for their community. I was fortunate enough to get in contact with the Folk guide and I am really thankful to you. There are rules and regulations and discipline, but the love which I get from Vaishnava is far more than anything, I have been disciplined, started loving cleanliness, and started loving Krishna more than before. The knowledge in books brings me more towards Krishna. I am so grateful for giving me this opportunity. In the service of Lord Krishna.

Dear Srila Prabhupada,

Please accept my humble obeisance's, all glories to you on this auspicious day of your appearance. I would like to express my heartfelt gratitude to you for bringing me to here in Bangalore and for giving me an opportunity to serve this Krishna consciousness movement. The day I first read the Bhagavath Gita, given me a new vision and that made me eager to know more and more about it. I believe and experience that whatever happening to our life is according to the supreme lord. Those who are following the words of Krishna need not fear anything. The Hare Krishna Maha-Mantra Chanting given me an energy that never felt before and my mind previously like an ocean with scary waves now it is like a silent lake with so much happiness around it. But still, sometimes it becomes like a candle fire moving with the wind. Please guide me with your blessings to complete my journey without any flickering and always to share the happiness around me. I beg for your forgiveness if I have done any offences.

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to Srila Prabhupada.

Today, I would like to share my experiences on this wonderful day of Vyas-puja. Please accept my writing and forgive me if I have written something wrong unknowingly.

Since my childhood, I was an introvert and a down to earth person. I always use to think that if God is there then why he is making good people to suffer, on the other hand, bad people seem to be enjoying enormously. I always use to pray to God for everyone that they stay happy, healthy, and blissful, in my school days after morning prayers. But later, I realized everyone does the same maybe that's why God is not listening to me. In my post-graduation days, I visited ISKCON temple, Akurdi, Pune. There I saw many people singing and dancing in a circle and chanting Hare Krishna Mahamantra. After watching those devotees, I was shocked, my mind could not digest it. I was thinking if they have so much faith and devotion in God then why they are doing these kinds of activities. I ran out of the temple, but my mind could not stop thinking. Later, when I came to Manipal, I met one of your disciples, he was explaining something to a few students on the street. I and my friend thought of maintaining distance from him because we had been watching him for many days. One day he stopped us on our way to mess, he asked our permission for taking our few minutes, we agreed, and he told us about Akshayapatra, ISKCON and a session on his place with the feast. I was not able to understand why he was offering a feast to us; it was very weird to me because an unknown person was inviting us for the feast. Few days passed, but I didn't make myself ready to go and see what it was. But he was constantly sending me messages about the ongoing sessions and I used to tell " I will come for next session" and, so on(it continued for 1 year). After 1 year, I don't know somehow, I thought I should go there and see what's going on and one fine day I decided to go. I went to the centre and met your disciple, he

told that within a few minutes the session will start. Then one Prabhuji came and delivered a session but still, the confusion was not solved. That day I had nice Prasadam, and I continued to come for a few more sessions. I noticed that few people who were listening to the session were going and meeting one Prabhu. I also thought to meet him but could not take the courage to go and talk. One day I was determined and I waited to meet Prabhu. I went and Prabhu said come Sachin, sit, I was surprised by hearing my name, I had never thought that he could remember my name. After talking with Prabhu, I was able to understand slowly, and he told me to chant Hare Krishna Mahamantra. Since, then by your grace Srila Prabhupada, my journey has started in Krishna Consciousness, I started reading your books and my understanding of Krishna Consciousness was becoming better day by day. Listening to pastimes of yours from my guide, made me realize the true understanding of real knowledge. It helped me in my slow and steady journey in Krishna consciousness. Now I can say that I was nothing without this knowledge and would have been entrapped in the material pleasure. Krishna Consciousness opened my eyes and took me away from darkness to light. This much ecstasy and pleasure I never had in anything in my entire life. It is by your mercy Srila Prabhupada, I could understand Krishna Consciousness. I got a chance to know about Krishna and his past times through your books, and I also started offering bhoga to Lord Krishna. All this could happen only because of your grace. I request you to shower your blessings on me to make advancement in my path in Krishna Consciousness.

Your humble servant,

Bhakta Sachin Ashok Thorat.

Dear Spiritual Master,

Please accept my humble obeisance. Your fearless and relentless revolution in starting the Krishna consciousness is impacting millions of lives all around the globe. The maha-mantra, *Hare Krishna Hare Krishna, Krishna Krishna Hare Hare Hare Rama Hare Rama, Rama Rama Hare Hare* has liberated many souls and set them free from the material world. Your simple, humble, and pure character is inspiring others to follow simple life and live an uncomplicated life. You are the rare self-realized soul, with the highest form of realization. Your dedication to serving the instruction of your spiritual master and concern for all living beings of this material world is transforming the consciousness of people. I was a lost soul, felt like the whole world was against me. I was seeking answers, felt like there is no purpose on this planet. But then I found a place for myself here in ISKCON Bengaluru. There is no such thing as coincidence, everything happens for a reason and later I realized it was by your causeless mercy. Thank you Srila Prabhupada, Thank you for everything.

Please accept my humble obeisance at your Lotus feet. All glories to you Srila Prabhupada. You are the confidential servant of Supreme Personality of Godhead, freely bestowing your causeless mercy upon the unqualified and ungrateful souls of kali-yuga. I am amongst the most fallen of living entities and yet, by your unlimited compassion I came in touch with Krishna Consciousness movement. Although I have no qualifications whatsoever, today I come before you with a humble prayer in my heart. Please help me to render more devotional service under your divine lotus feet.

Hare Krishna!!

Dear Srila Prabhupada,

Please accept my sincere humble obeisance.

I cannot thank you for delivering your enormous and incomparable knowledge to this world about Lord Krishna because it is said that "You should never say Thank you and Sorry to friends as it will affect the closeness between them!" Though you are honorable Guru to this world, you have always treated every devotee as your dear friend! I take this wonderful opportunity to offer my humble gratitude to my spiritual master who introduced me to my permanent best friend Lord Krishna.

I knew Krishna since my birth and my parents would take me to get his darshan every year without fail. But there is a huge difference between "we seeing our friends" and "we meeting our friends". It's you who made me realize that there is a difference and helped people like me with simpler ways to "meet our friends" rather than just seeing him. Messages are always incomplete and unknown without a genuine messenger. Even though we have lots of modern technologies, still, a pure trusted messenger like pigeons carry and deliver confidential messages even today. You being the Lord's confidential messenger came into this world from Vaikuntha, to fill the world with colors along with the delivery of beautiful messages from our Supreme Lord Shree Krishna. It's my humble request, on behalf of the entire world to keep us under your shelter and help us with liberation so that we can meet our friends together in the spiritual world and have kirtan every day to the fullest. All glories to you Srila Prabhupada.

Your humble servant,

Bhakta Sachin Raj Balaji K.

Dear Prabhupada,

Kindly accept my humble obeisances under your lotus feet

I am so thankful to you for giving me such a wonderful opportunity to be part of Iskcon Bangalore. My life has changed entirely by taking shelter under Lord Sri Krishna and being always associated with very highly inspiring and motivating devotees. As per your instructions, I am practicing chanting 10 rounds a day, where I came to know actually "Who am I and what my ultimate goal in life is" I always feel too enthusiastic by attending Sunday Kirtan which this transcendental sound is as sweet as nectar.

You have fed thousands of people food for free, who come to the temple due to hunger. Even not knowing who they're. This is most inspiring to me Prabhupada, Please bless me in such a way that I can also give food to the hungry.

Thanking you once again.

Yours sincerely,

Dear Srila Prabhupada,

Please accept my humble obeisance.

I take this opportunity to express my profound gratitude to you for your guidance through teachings, books, lectures, etc. Your contribution to society gave many a direction towards the spiritual goal. The HARE KRISHNA movement, started by you, is doing wonders in terms of preaching all over the world. Your efforts to make people understand their relationship with KRISHNA are invaluable and we will try to not let your efforts go in vain. With a great amount of love and devotion.

With utmost respect,

My dearest spiritual master, Swami Bhaktivedanta Srila Prabhupada,

Please accept my sincere obeisances. I am infinitely fortunate to have you as my Guru, my savior, and my guide in times of my distress and need. It is because of your causeless mercy I am able to know more and more about my sweetest Lord Krishna every day. I am following, with most sincerity the four regulations, which have forever changed my perception of life. This letter from me to you has been possible only by your mercy and by association with devotees who are much more sincere than me. Please bless me, my master, so that I may be more sincere in my devotional service to you and my Lord. I and devotees like me are fortunate to read the Vedic literatures written by you. You are the source of light in the darkness of ignorance.

My dearest master, please bless me so that I will be continuously able to discharge my devotional service to you and Lord Krishna, and also become a better person in every walks of my life. By your mercy, I am very sure that I will be a better devotee and always have an association with devotees.

Thank you so much for everything, my Master.

Dear Srila Prabhupada,

Hare Krishna, Please accept my obeisance. I am thrilled and amazed after reading your biography. The struggles you faced to fulfill your master's command. A single person who had faith in Krishna, guru, and himself and creating this empire of Krishna consciousness is highly incredible. The 'Krishna will help attitude' and doing all the impossible things to actually make it happen is a lesson I am learning. Serving Radha Krishna till your last breath by preaching, dictating, chanting, etc.. learning and following this at least less than a quarter of what you did will make my life live successfully.

I am so proud to have known Iskcon and learning about Krishna is full credit to you, Thank you so much. And I am always indebted to you. I may not be the best servant you are looking for, but I am sure in one of my life you will be proud of me. Thank you once again, Prabhupada.

Dear Prabhupada,

I offer my humble obeisances to you on the 124th Vyasa Puja. Due to Your grace, Krishna Consciousness has spread across the world and inspires each and everyone to engage in Krishna Consciousness. I am very fortunate that I am born in a devotee family and have been engaged in devotional service since my childhood. I pray to your lotus feet to be able to take full advantage of my fortunate chance of being born in a devotee family and use it to serve you and carry out your mission.

On this day I pray to You to give me the encouragement to read more of your books. Pride is a big enemy on the path of devotional service and I pray on this Vyasa Puja day that I can stay away from feeling proud of whatever I have been able to do with your grace.

Help this fallen soul stay away from Maya's trap and allow me to always be under the shelter of Their Lordships Sri Sri Radha Krishnachandra.

The Holy Name of the Lord is the only means of deliverance in this material world and I pray that I may be able to take this name offenseless-ly.

At the age of 69, you crossed the seas just to carry out your spiritual master's orders and get all of us, fallen souls back into Lord Krishna's shelter. Give me the same faith and determination to carry out your instructions too.

On this auspicious day of your Vyasa puja, I once again offer my humble obeisances.

Your Servant,

Bhakta Sahitya.

ॐ अज्ञानतिमिरान्धस्य ज्ञानाञ्जनशालाकया

चक्षुरुन्मीलितं येन तस्मै श्रीगुरवे नमः

Dear Spiritual Father Srila Prabhupada,

Please accept my humble Obeisance at your divine lotus feet. On the occasion of the Vyasa puja- a spiritual master is one who acts as a torchlight for our darkness in our heart. So, finding Spiritual guru is very difficult in the material world but by the God's grace, we will get the spiritual master who opens our heart like a doctor and connect to Krishna (Supreme Personality Godhead).

Getting the spiritual master is very special to one's life, For me, it started from long years, and finally, by a magical incident in life, I got a spiritual connection with the ISKCON and spiritual master His divine grace AC Bhakti Vedanta Swami Srila Prabhupada.

Some incidences where I am inspired and got inner motivation from the lifestyle and vision of Prabhupada are:

1. Firm faith towards your Guru- Bhaktisiddhanta Sarasvati vision to preach the Krishna consciousness all over the world and accomplished the vision of your Guru.
2. At the age of 70, Prabhupada you went to the USA crossing all the struggles in the journey that too with minimum money you travelled.
3. No relatives, no friends, and no family in the USA and single-handedly you started ISKCON (International Society For Krishna Consciousness)

4. You inspired youth and gave them an opportunity to become Krishna Conscious and from there, so many youths became devotees of Krishna.
5. At the age of 70, you slept only 2 hours a day and remaining all day you used to conduct Bhagavat Gita and Bhagavatam sessions and the importance of chanting Hare Krishna Mahamantra and translating the scriptures and writing letters across the world.
6. Within 10 years, you travelled all across the globe for more than 10 times and established 108 temples.
7. You wrote many books on Krishna consciousness, which inspired a lot of youths and gave them a way to understand the Supreme Personality of Godhead, Krishna.
8. You used the best technology and all available resources to build Krishna consciousness all over the world and provided the Krishna Prasadam to the people who visit the temples.
9. Spreading of Hare Krishna mahamantra to every part and all corners of the world.
10. The biggest success among the books written by you is Bhagavat Gita as it is, and it opened the eyes of every individual, about the instructions of the Supreme Personality of Godhead Krishna.

These are some incidences where I am inspired and progressing in Krishna consciousness and especially chanting the holy name, Hare Krishna maha-mantra which changed me and gave an opportunity to know about the Supreme Personality of Godhead Krishna and made me a part of the ISKCON movement in spreading Krishna consciousness. Please give me your mercy and bless me again and again, also help me to fulfil my desires and make me surrender. Make me strong and faithful in the service of the Supreme Lord Krishna.

Your insignificant servant,

Bhakta Sai Goutham A V.

Dear Srila Prabhupada,

Please accept my humble obeisances. All Glories to your Divine Grace.

Thank you for giving me this opportunity to write a letter to a Divine person like you by a most fallen and shameless person like me. I know you are reading my mind while I write a letter to you here.

*saṁsāra-dāvānala-līḍha-loka trāṇāya kārūṇya-ghanāghanatvam  
prāptasya kalyāṇa-guṇārṇavasya vande guroḥ śrī-caraṇāravindam*

"Oh my spiritual master, you are receiving benediction from the ocean of mercy. Just as a cloud pours water on a forest fire to extinguish it, so you are delivering the materially afflicted world by extinguishing the blazing fire of material existence. I offer my respectful obeisances unto your lotus feet, who is an ocean of auspicious qualities."

I was heartbroken by so many factors in this material world. I had so many plans to make my materials life "comfortable" like an animal. You have showered your mercy upon dog personified man like me, who was simply interested in eating, sleeping, mating, and defending. My heart was burning full of material desires especially sexual desire; your devotees are so powerful that they preached your message and quenched almost all my material desires and my desires are purified with spiritual desires.

*cakhu-dān dilo jei, janme janme prabhu sei, divya jṣān hṛde prokāśito  
prema-bhakti jāhā hoite, avidyā vināśa jāte, vede gāy jāhāra carito*

*"You opened my darkened eyes and filled my heart with transcendental knowledge. You are my Lord birth after birth. From your ecstatic Prema emanates; by you, ignorance is destroyed. The Vedic scriptures sing of your character."*

*śrī-guru karuṇā-sindhu, adhama janāra bandhu:*

You are the ocean of mercy, the friend of the poor, and most fallen soul like me. I don't know how many thousand times I have taken birth and come here to suffer thinking as enjoyment; you have slapped me with compassion directing me towards Lord Krishna. I am so fallen and shameless that I have not surrendered to your lotus feet. Please bless me that I will surrender unto your lotus feet soon and serve your devotees who brought your message to my heart and who are unstoppable in preaching the Hare Krishna movement. Oh, Jagad Guru! He Naama Pracharakaacharya! You are representative of Lord Chaitanya. Please engage me in your service by giving sufficient strength and intelligence. I am the worst person. I am always proud, with no humility, full of ego, full of expectations. Please bless me that I can chant the Lord's Holy name "Hare Krishna" Maha-mantra 16 rounds in how it has to be chanted; attentively, blissfully with love, etc.

Your most fallen servant,

Bhakta Sai Kishore.

## **Bhakta Sai Madhav**

Dear Srila Prabhupada,

Please accept my humble obeisances.

Lord Krishna taught us all, that nothing is permanent in life, even difficulties are also not permanent in life. He taught us that we have to face the situation, whatever the result maybe we are winners. If the result is positive we have won, if the result is negative, we have learned something that is much more important than winning, i.e, handling failure. Whatever it may be but we are winners. Srila Prabhupada thanks for giving such and many more insights from your teachings.

Your servant,

Bhakta Sai Madhav.

Dear Srila Prabhupada,

Words cannot do justice to describe the name, form, glories, pastimes, and paraphernalia of a Shakti-Avesha avatar of Bhagavan Sri Krishna such as yourself, oh Srila Prabhupada! You are the commander in chief of Lord Sri Krishna Chaitanya Mahaprabhu's army, I offer my respectful obeisances unto your divine lotus feet.

You are the supremely compassionate spiritual master, Jagat Guru. I bow down to you from the front, the sides and the back, just like Arjuna did to Krishna on the battlefield of Kurukshetra. You have done so much for us, & continuing to do so in the three worlds like none before, to fulfill the wish of your dear Gurudev. Your ocean of magnanimity for the fallen conditioned souls has no boundaries. All the jivas in the entire creation together cannot repay this debt, oh Srila Prabhupada!

Dear Srila Prabhupada, the way you uplifted me, not even the heavenly devas can replicate it. You saved me from my own hands of destruction, gave me a life of hope, and showed me the divine pathway to eternal life, knowledge, and bliss. Thank you Srila Prabhupada for steering me from the darkest of roads to the brightest of highways. All my good qualities, if any, are a fraction of your mercy. I cannot imagine a life without you. My life would be empty without your gracious presence. Being protected by Your Divine Grace, all my Godbrothers and sisters are cheerful and fearless on the path back to our beloved Lord Krishna. Thank you for always being with us Srila Prabhupada.

Your most fallen servant, Bhakta Sai Prakash K.

Dear Srila Prabhupada,

I offer my humble obeisance at your lotus feet. I am overwhelmed with the feeling of gratitude for your divine grace. On this day of Vyasa Puja.

I am very lucky that I have found you in my life. Because of you, I am attaining towards Krishna Consciousness. If you weren't there I think I wouldn't have got Krishna consciousness earlier. Two things I need to specify about you mainly first one is chanting Hare Krishna mantra. This mantra will give us to do serve and remember the Supreme Lord(Krishna). The second one is about hearing Krishna Katha. By hearing one can attain Krishna consciousness easily. If we do these two things we can easily distract negative thoughts that come to our mind. Even though I am not an eligible person to talk about you. But you have given the opportunity to express my feeling and gratitude to you. Please forgive me for any offense and inabilities.

Your servant,

Dear Srila Prabhupada,

Please accept my humble obeisances to your lotus feet.

It has been a year since I came in touch with Krishna consciousness. I could remember that it was the Gokulashtami day. I was going to my institute and while returning back I heard the wonderful kirtans of Krishna. When I looked aside it was a Kalyana mantapa and from ISKCON Bangalore they were celebrating Gokulashtami celebrations there. I wondered and went inside the mantap. It was a glorious thing that I had darshan of Lord Jagannath, Subhadra, and Balaram. That was the moment I came in touch. Srila Prabhupada, I have heard a little about you and how you started ISKCON. It is really amazing and inspiring to me. I chant 2 rounds of Hare Krishna mantra regularly but it is not up to my limit. I will surely increase it gradually. Please bless me so that I understand this knowledge much better and advance in Krishna consciousness.

Your servant,

Dear Srila Prabhupada,

Please accept my humble obeisance. All Glories to you on this auspicious day of your Vyasa-puja.

At the age of 70, you went to America and struggled alone to spread Krishna consciousness which is your causeless mercy and you showed us how we must stick to our spiritual master. For your spiritual master, you struggled a lot and took great pain. I am inspired and amazed by seeing you have 100% faith in your Guru's words and Krishna. Even though in Chippiwada, you were alone, still you would stand and distribute 'Back to Godhead' magazines. Because of you spending sleepless nights for completing Bhagavatam books, now we can find out the real goal of life, Thank you Prabhupada for your causeless mercy.

I am very fortunate to get Guru like you in this Kali-yuga, you changed my entire life Prabhupada, because of your association I am pursuing the real goal of life, I am trying to progress in the spiritual life but the impediments are illusions and mind's games. But as soon as I accept and follow your principles and association, my mind becomes pacified and I'm able to run in spiritual life. Srila Prabhupada, I wish to remain the servant of Vaishnava's serving you. Please engage me in the menial service of your servants as that is the only way to make progress. Please bless me so that I may dedicate my life to

your mission this year and accept the shade of your lotus feet. Please protect me and give me the strength to cross over the hurdles that I may have to face.

Your humble servant,

Dear Srila Prabhupada

I offer my respectful obeisance unto your lotus feet. All glories to you.

Although I have been associated with ISKCON for a short time, I have learnt a lot from Srila Prabhupada's teachings. It has been so good to know and learn about ourselves, and the creator. It has been possible due to the untiring amount of service and teachings his divine Grace A. C. Bhaktivedanta Srila Prabhupada has offered in his lifetime. His understanding about Krishna, and the way to impart it to the disciples has been so amazing that we are getting it unaltered after so many years.

I always try to rationalise whatever I learn, and I have never been disappointed by the teachings as they are so precise and with appropriate reasons and scientifically sound. I extend my sincere thanks to Srila Prabhupada and all his representatives on this occasion.

Dear Srila Prabhupada,

All glories to you. Please accept my humble obeisance unto your lotus feet.

I thank Lord Krishna for the kindness, for showing the path leading to you. Thank you Srila Prabhupad for guiding me in the way to back to the Godhead. I think this is my purva punya to get the guidance, and the remembrance. I realise that when I'm getting low on Krishna Consciousness, my chanting of the prescribed rounds slowly decreases because of the

material commitments. There are many material distractions. I'm getting continuous support through the FOLK guides to be in Krishna Consciousness, and now I'm chanting 8 rounds with all blessings. It's all because of the teachings you gave me for which I'm grateful. I'm feeling blessed to be here in the shade of your lotus feet. Thank you once again, and please continuously guide me towards Krishna. I also thank the devotees who are giving continuous support with lots of love.

Dear Srila Prabhupada,

Please accept my respectful obeisances at your lotus feet. All glories to you on this auspicious day of Vyasa Puja.

As a Software engineer I had a lot of pressure, and because of that I became depressed. At that time I needed someone, who could show the correct path, who could be a parent for me in that critical situation. At that time, the "Srila Prabhupada Vedic science club" played a life-changing role for me.

After coming to the Vedic science club, I learnt chanting Hare Krishna Mahamantra and came to know about the Hare Krishna Movement. This is helping me to concentrate my mind, and getting rid of stresses. I can say that it gives happiness in our lives, and we know that happiness is important for everyone. And a good mind does good work always.

*हरे कृष्ण हरे कृष्ण कृष्ण हरे हरे!*

*हरे राम हरे राम राम हरे हरे॥*

I changed a lot when I came in touch with you. By reading your books I got inspired, and by following the four regulative principles, I changed my desire.

I offer my prayers and request you "Srila Prabhupada" please bless me for growth in Krishna Consciousness and guide me to develop love of Krishna.

Thank you for giving me an opportunity to offer obeisances to Krishna and you.

Dear Srila Prabhupada,

It's a great day for me to glorify you on this auspicious occasion of Vyasa Puja.

I am Sandesh. I came to ISKCON with my mother long back. On that day I got inspired by the culture and the way of doing Aarti to Lord Krishna and I was very much inspired. I was further inspired by way of approaching Bhagvad gita on the very first day. I like the culture being spread by you Srila Prabhupada and I was been guided by many Prabhus in spiritual life. I read a book called Krishna which changed my lifestyle and also my life. Srila Prabhupada, you gave me a wonderful explanation of how to attain Krishna consciousness. ISKCON is a sun that is giving the light of Lord Krishna to the world.

I heartfully thank you Srila Prabhupada for building a huge Empire of Krishna consciousness and helping us gain Krishna in our life. Thank you Srila Prabhupad for all fortune which I got in my life.

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet.

I have always been fascinated by the stories which my father often tells me about Sanatana Dharma. He explains the scientific reasoning behind many cultures and this is the reason for my inherent interest in the Sanatana way of spiritualism. I have always wanted to learn more about my own culture and to learn about the Absolute Truth but often forgot about them due to several distractions. It really must be my destiny/fate that I got in touch with Karuna Keshava Prabhu.

Srila Prabhupad, I am really grateful to you as your presentation of the Vedic scriptures pulled me towards this amazing spiritual system, the Hare Krishna movement. After practicing Krishna consciousness way of life for a few months, I can witness myself to have become a profound thinker, looking at the bigger picture. Even though positive thinking was always

a part of me, I never allowed any new set of ideas into my mind. Now I am able to examine and research on every ideology, belief and philosophy and research on what's best. What I truly seek is enlightenment and thus the ability to perceive and comprehend the complex truths of reality and use that enlightenment to bring about a great mass awakening in the modern days of Kali yuga. I wish to become a global leader who will help millions around the world to find their purpose in life. Although the future is uncertain, I have faith in my ideals strengthened by Krishna consciousness. Lastly I would like to thank you to put me under your disciple Sri Karuna Keshava Dasa. He answers all my queries and I personally believe that you who will guide me achieve the enlightenment that I seek.

Your servant,

Dear Srila Prabhupada,

Please accept my humble obeisance unto your lotus feet.

As it is said, "The spiritual master is the mercy representative of God". It is 101% true in my life. But, all I can do is just pray and thank you and God for making me realize the truth. Now, I'm proud chanter of the Hare Krishna mantra. I am chanting more than 1000 times a day. I feel like God is speaking to me the moment I start chanting. I can feel myself getting detached from Maya and getting in touch with the ultimate truth. I am now able confidently defend my Dharma. I am now having a very good understanding about my Dharma and my relationship with God. I hope you'll shower your blessings and help me progress in this spiritual path, and even to an extent where I can help others to experience the same ecstasy I am feeling right now.

Your servant,

Bhakta Santhosh Karthik A.

Hare Krishna,

Srila Prabhupada, Please accept my most humble obeisances unto Your Divine Lotus Feet.

My dear Master, it's you who has given an unlimited power of Bhakti of Krishna. In this Kali-Yuga, we all fallen souls, not knowing where our objective of life is, have a messenger of Krishna, the Supreme Lord. Srila Prabhupada, I feel very fortunate to have a pure devotee of Krishna like you as my Spiritual master, and this is because of the mercy of Krishna though I was unfortunate from childhood. Somehow Krishna guided me to get you as my Spiritual Master which is a real

fortune for me. You have been teaching me so many lessons Srila Prabhupada, from the past 10 years. The last 5 years of my association with your books, lectures, made me realize so many things about this material world, and I know perfectly that it's just a beginning and there is a long way to go. Please bless me and protect me from Maya.

All glories to Srila Prabhupada.

Dear Srila Prabhupada,

Please accept my humble obeisances at your Lotus feet.

As I am writing this year's Vyasa Puja offering, I feel myself very blessed for this. Before coming to the temple, I had many confusions about my life, the whole world. After coming to your Lotus feet, I have realized that many things are changing in my life. I have realized all the bad things that I have done, and from now on, I am not going to repeat the mistakes again. Here at the temple, I experience happiness, and I believe that the best way to be happy in life is to lay down the whole life at your Lotus feet. I am very thankful for giving me this opportunity, and I will continue to get involved in all the spiritual activities of the temple, and practice the sadhana very sincerely. Please keep your blessings upon me and my family. I also wish to become a particle of dust at your Lotus feet.

Your humble servant,

Bhakta Santhosh S.

Dearr Srila Prabhupada,

All the glories to shrila prabhupada, Thank u for giving me such a wouderful service prabhupada.

Please keep on blessing me so that i can do more and more service towards your mission

when i step into krishna consciousness or iskcon , i have to learn so many things. So many things i have already implemented in my life which is now very happy and blissful.

I have learnt that, there are 84 lakhs species of living entity, which we all need to love , care and respect and show mercy. So by the mercy of srila prabhupad, and by the mercy of sri sri radha krishna chandra, i have left eating non- veg from past two and a half years. Now i'm eating only satvic prasadam and that too preparing on my own and offering to the lord.

I'm very much grateful to our master srila prabhupad for this opportunity in my life

Hare Krishna.

Dear Srila Prabhupada,

Please accept my humble obeisances,

*"Om ajnana- timirandhasya Jnananjana- salakaya*

*Chaksur unmilitam yena Tasmai sri gurave namah*

I was born in the darkest ignorance, and my spiritual master opened my eyes with the torch of knowledge. I offer my respectful obeisance unto Your Divine Grace. All Glories to You.

Words are not enough to glorify you, O Master. Today we have got many ISKCON temples, because of Your Divine Grace who is pure representative of Lord Krishna. You have untiringly worked day and night for Chaitanya Maha Prabhu's movement, written many books for the benefit of devotees. You have revealed the truth that holy names are not different than Lord. As it is said in the scriptures that,

*guru-pādāśrayas tasmāt kṛṣṇa-dīkṣādi-śikṣaṇam*

*viśrambheṇa guroḥ sevā sādhu-vartmānu vartanam*

*sad-dharma-ṛcchā bhogādi- tyāgaḥ kṛṣṇasya hetave*

One's first duty is to accept a bona fide spiritual master. The student or disciple should be very inquisitive; he should be eager to know the complete truth about eternal religion (sanātana-dharma). The words guru-śuśrūṣayā mean that one should personally serve the spiritual master by giving him bodily comforts, helping him in bathing, dressing, sleeping, eating and so on. This is called guru-śuśrūṣaṇam. A disciple should serve the spiritual master as a menial servant, and whatever he has in his possession should be dedicated to the spiritual master. prāṇair arthair dhiyā vācā. Everything that one has. I.e his life, his wealth, his intelligence, and his words, and all of them should be offered to the Supreme Personality of Godhead through the via medium of the spiritual master. Everything should be offered to the spiritual master as a matter of duty, but the offering should be made to the spiritual master with heart and soul, not artificially to gain material prestige. This offering is called arpaṇa. He is always present in his instructions. Please bestow me your mercy to go back home, back to godhead.

*Hare Krishna Hare Krishna Krishna Krishna Hare Hare .*

*Hare Rama Hare Rama Rama Rama Hare Hare*

Thank you Dear Prabhupada for the countless knowledge you have given all of us.

Your humble servant,

Bhakta Santhosh.

All glories to you on this auspicious day of Vyasa Puja. All glories to your divine grace.

Thank you for giving me the opportunity to learn about Krishna. This is an amazing journey of my life after which I came to ISKCON, to change my mind and also my habits of living life. I feel really happy when I read your past times. You are so compassionate and merciful upon all the living entities irrespective of their gender, mentality, intelligence, sincerity. I would like to thank you for bringing me into Krishna Consciousness, and giving me the association of so many devotees through whom I am able to feel the presence of Krishna around me always. Please empower me to serve you and your mission with my potential and faithfulness.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to Srila Prabhupada!!

All glories to you on this auspicious day of your Vyasapuja.

I am so fortunate to have come in touch with your divine grace and your disciples. I now understand how rare and blessed one should be to associate and understand your glorious mission. The reality behind devotee's activities is not easy to comprehend. You have mentioned in Bhagavad Gita 4.19 purport “Only a person in full knowledge can understand the activities of a person in Kṛṣṇa consciousness”. The only thing which made me stick to the movement is a ray of hope, totally driven by a little faith upon your divine grace. And it seems all the circumstances in my life, my parents, friends got tuned to develop this faith.

I could not understand your books for I felt it as an exaggeration. Oversimplification of the toughest problems of life! It was hard for me to take in initially. But I stuck onto it under the guidance of your disciples, being attracted by the purity of mission - amidst many controversies, bothering the polluted mind. The chanting of Hare Krsna mantra seems like a very simple method, but in the long run is the potent way to receive the Supreme Lord's mercy and regain our original state of existence. As it is said, one can attain Lord's mercy only by pleasing His pure devotee.

*yasya prasādād bhagavat-prasādo yasyāprasādān na gatiḥ kuto 'pi*

“By satisfaction of the spiritual master, the Supreme Personality of Godhead becomes satisfied. And by not satisfying the spiritual master, there is no chance of being promoted to the plane of Kṛṣṇa consciousness.”

Initially trying to please you to get Lord's mercy seemed like a business. It seemed as if trying to use Spiritual master for my personal means, which is a big offense. But later I realized how this is not so, as it is the dire necessity for one who desires spiritual knowledge.

*tad-vijñānārtham sa gurum evābhigacchet samit-pāṇiḥ śrotriyaṁ brahma-niṣṭham*

*“In order to learn the transcendental science, one must approach the bona fide spiritual master in disciplic succession, who is fixed in the Absolute Truth.”*

It reminds me of your following divine instruction to a disciple in this connection.

Gargamuni asked the famous question, "If I don't feel like bowing down when the others bow down, should I still do it?" Prabhupada said, "Yes, you should. By bowing down you'll feel like doing it."

I continued serving your mission, even at times unwillingly. Gradually, I once got a flash of how ecstatic it can be to engage in your service. It is by your mercy and kindness of your sincere disciples that I am able to get a slight taste of ultimate mellow hidden in the intricacies of your words. Each statement from your mouth is full of potency. Hearing it - fills my heart with jubilation. Thinking of pleasing you is so purifying, refreshing. Nothing in the world can compare to that feeling when I get eligible to please you.

These years in trying to cultivate Kṛṣṇa consciousness, have taught me that it is not at all boring like mundane things. I witnessed many Kṛṣṇa conscious festivals. Each year, I got new understandings, experiences. There is no limit in Kṛṣṇa consciousness. Either in terms of understanding, service opportunities, and realizations. Lord is unlimited and Lord's pure devotee's mercy is unlimited.

It is hard to realize the Vedic instructions elaborated by you. I keep forgetting their profound gravity. Please help me develop unflinching faith unto you to constantly meditate on your instructions. It is said in Svetasvatara Upanishad,

*yasya deve parā bhaktir yathā deve tathā gurau  
tasyaite kathitā hy arthāḥ prakāśante mahātmanaḥ*

*“Only unto those great souls who simultaneously have implicit faith in both the Lord and the spiritual master are all the imports of Vedic knowledge automatically revealed.”*

Please let me serve you by making your instructions as my life and soul. I beg shelter at your lotus feet.

Your most insignificant follower,

Bhakta Santosh Kumar W,

Ph.D. student, IISc Bengaluru.

*caksur unmilitam yena tasmai sri-gurave namah*

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet. All glories to your divine grace.

It's been almost 3 yrs being touch with ISKCON, Bangalore as a "folk member". As the years are passing in your shelter, my detachment towards this material world is being increased more and more, and simultaneously I am getting attached to devotional service. Before I was chanting 8 rounds and now I am chanting 16 rounds daily. Guru is the one who takes us from the darkness of ignorance and shows the path of real wisdom through the torch of his knowledge and you are a perfect example of that. You are the perfect person for the word "acharya" one who teaches by being an example.

Without guru, till now no one has succeeded in life and you are the guru of all the 3 worlds. Please give me the opportunity to practice devotional service under your guidance through authorities. When I came to know about your past-time from my Folk guide, about how much hard work and dedication you had for your spiritual master at that age, I had tears in my eyes. You had 2 heart attacks on the ship which is very much terrible but then too, you didn't leave your hope and continued your journey. Really like that dedication, I have never seen in any devotees and that's why the whole world accepts you as their spiritual master. Please give me the strength to continue my devotional service.

Qualities of spiritual master: dear guru, you have got all the qualities and you are 100% accurate in all. I still remember one famous dialogue "catch the rhinos" there is no doubt to judge about qualities, all over the world there are about more than 600+ temples and successfully functioning, this is enough to tell about qualities of guru.

There are many small incidences where I have experienced the presence of you and Lord Krishna. And I have got reciprocation also. The recent one when I was coming back to Bangalore from Mumbai, at the time of lockdown when no buses were allowed, somehow the driver reached Karnataka state, but further, the police didn't allow the bus to go front, so all the passengers had to get down and the only option was to take lift by truck and reach home, at that time everyone is asking lift and no one was getting, so I moved little further alone and asked lift then I also no truck person stopped, facing this problem I remembered Krishna and guru and suddenly a truck person himself came and asked me where you want to go.. which was like a miracle for me. And safely I reached home.

Whenever I faced problems I have remembered Krishna and guru and I have got reciprocation.

Thank you, dear Prabhupada, thank you for all you have given. I render humble obeisances on to your lotus feet. And keep me under your shelter always.

Your fallen devotee,

Bhakta Satish Singh J.

Dear Srila Prabhupada,

Please accept my respectful obeisances unto your lotus feet,

Here's a small effort of trying to express my feelings about you, Before starting I want to say sorry if I say something wrong because Guruji I'm very weak in expressing my feelings so. On 2016 first time I went to Mayapur with my family. First time I felt something changed inside me, Mayapur was the first place where I felt peace, it's like why I didn't take birth in this place, There I saw your deity but that time I was not knowing your name, I was not even aware of ISKCON, there I saw our real Sanatan culture after that when I returned back to my home many questions started to roam inside my mind like how the people of Iskcon are so happy, When I attended the aarti why I felt something different, why only that one repeated line of Mahamantra was giving so much calmness to me, why those people's across the world are giving their whole life for serving Krishna, then I started to search on internet about Iskcon that time I got to know your name "Shri Bhaktivedanta Swami Srila Prabhupada" immediately I searched about your biography. Guruji seriously you were extraordinary person, at the age of 70 alone you went to New York, To give the lessons of Bhagvat Gita, you started this from the strongest country. You changed Hippies to Happy like seriously... The more I got to know about you the more I wanted to be like you. At that time when there were no smartphones, you used to talk with your students across the world through letters, sometimes I think what if you were living now, then with the hello of today's technology you could have shown the world that what is the real goal of life, It is very difficult to tell your unimaginable stories in one letter. I had not visited Iskcon but when I came to Bangalore for my higher studies, I visited ISKCON Bangalore many times but one day on Janmashtami I had visited temple just to see my Lord, I remembered I was crying while listening to kirtan after that one boy came near to me and asked me to attend yoga for happiness session, It was like Krishna has given me that gift which I had never thought of that is becoming a part of ISKCON, it's like Krishna Himself came to save me. What to say Guruji, if you would not come here in this material world then many would have destroyed themselves, then many would have spent their whole life like demons, I had never ever thought that I will get one folk guide who will guide me to walk on the right path... all thanks to you Guruji if you were not there then ISKCON would have never existed only... You are the ocean of love... How much I admire you if I need to write a book on this then still that will be nothing to describe you... One day I'll become like you. And this head will, always till the last breath remain bowed in front of your lotus feet.

One of your servants,

Bhakta Satyam Prasad.

Dear Srila Prabhupada,

I already feel blessed to have come in your association, my spiritual master. I always feel your presence in me here in this world with your teachings and constantly seek you in happiness and grief. Today, it gives me immense pleasure to write to you in the occasion of Vyasa Puja. Please accept my humble homage unto your lotus feet.

My Master, I would want to express my gratitude unto you for changing my world and perception of life. There are innumerable blessings which I have been receiving from you and our Lord in this journey. Although a mere thank you would not be enough, I would want to start with this. Thank you for everything you have given us, given me to realize the real meaning of our existence and primary goal of our journey. Thank you for reminding me of our Lord and for showering unbounded mercy unto me.

My Master, your teachings have carved me the path where I, the fallen rotten soul could adhere my trust and faith constantly unto Lord. You have made this soul realize the real happiness we should look for at everything. Your blessings have kept me move ahead with strength even when I deal with massive disturbances from Mayadevi. I see myself as nothing without you my Master.

My Master, what more can I ask for you, you have accepted me with all my flaws just like how a mother would accept a fallen child. Your mercy and blessings have kept me alive from inside all throughout. You and Lord have given me all the love that I strictly doubt to have deserved. I feel complete with you and Lord.

My Master, I would keep following your footsteps to come more closer to you and Lord. I would keep feeling your presence with your teachings as I know I have no other way to seek ultimate happiness and love. I would keep practising Kṛṣṇa Consciousness whatsoever the hurdles I face. As I already know now, you and Lord are always there for me.

Thank you for everything, my Master.

Your servant,

Bhakta Saurav Arjun.

जय श्रील प्रभुपाद,

कितने अनेक हैं इनके नाम, श्री कृष्णा, गोपाल, कहना, माखन चोर, कुछ भी कह लो, पूरे विश्व में चलता है इनका नाम। लीलाएं इन की अनोखी है, पल में रुलाते हैं, पल में हंसाते हैं, अपने भक्तों को जीवन जीने का असली महत्व बताते हैं। इस कलयुग मैं है ना जाने कितने कष्ट, बस श्री कृष्ण का नाम लेने से ही हो जाते है सारे नष्ट। अब श्री कृष्ण जी की बात हुई है, तो हम श्री श्रीला प्रभुपाद जी को कैसे भूल सकते हैं, जिन्होंने सनातन धर्म का विश्व में किया प्रचार। ना जाने कितने ही संत विश्व में हुए विख्यात, पर श्रीला प्रभुपाद जी ने अपना अलग ही किया नाम। आज विश्व का कोई ऐशा कोना नहीं जहां श्री कृष्ण जी का कोई भक्त नहीं, श्रीला प्रभुपाद ने किया है यह चमत्कार, तभी तो सनातन धर्म का पूरे विश्व में हुआ इतना नाम। ना जाने श्रीला प्रभुपाद जी ने कितने कष्ट साहे पर हर वक्त लिया श्री कृष्ण जी का नाम, तभी तो आज विश्व के हर कोने में है श्री कृष्ण मंदिर में श्री कृष्ण जी का वास।

हरे कृष्णा हरे कृष्णा कृष्णा कृष्णा हरे हरे, हरे राम हरे राम, राम राम हरे हरे, जपने से सब के जीवन तर जाते हैं, इस कलयुग में जितने भी पाप है किए सब नष्ट हो जाते हैं। मेरा भी श्री कृष्ण मंदिर में जीवन का था, सबसे अलग एहसास, जीवन की सारी चिंताओं को भूलकर मेरा वहां मन पहली बार हुआ था इतना सन्त। एक बात मैं वहां से जाना, जीवन में शांति, भक्ति, कष्टों से मुक्त, जीवन जीने का महत्व मैं वह से सीखा।

Dear Srila Prabhupada,

Please accept my respectful obeisances unto your lotus,

On the auspicious occasion of Vyasa puja, I would like to express my heartfelt gratitude to you for blessing me with your causeless mercy by bringing me in contact with the movement of Krishna Consciousness. I would like to thank you for blessing us with the Hare Krishna Maha-Mantra. By your divine grace, I am chanting fourteen rounds a day. And I am studying the Bhagavad-Gita and Bhagwatam books.

By reading books I have inspired a lot and my chanting is improving day by day. By your causeless mercy, I have visited Mayapur and Puri. Even though you are not physically present with us in this material world, your instructions in the form of books and lectures make us feel your presence every moment and inspire us to advance in our spiritual lives.

Please continue to shower your blessings and causeless mercy upon this conditioned fallen soul, for there is nothing other than the shelter of your lotus feet that can help us stay focused and disciplined in our spiritual life. Words are not enough for us to express the gratitude and reverence for your mercy upon us.

Dear Srila Prabhupada,  
Hare Krishna,

From childhood I am a devotee, as my family believes in worshiping and I got the habit of doing the same every day. I got introduced to Krishna Consciousness after coming to Bangalore.

In my starting days of Bangalore, when I first visited the temple, I felt alone as no one of my friends was known to me then. In spite of many obstacles, I was able to reach temple on my first day.

Then, when I was exiting the temple, a monk called and introduced me to yoga program which was scheduled on weekend.

Even while registering, faced some issues but payment was done finally. When I started to go to temple next weekend to yoga for happiness program, even then I didn't find the bus for long time, unable to get into the metro due to long queue but reached temple somehow.

Then I attended program of yoga for happiness which I can say one of the changing moment where I was introduced to Krishna. I know that you are the reason for everything whatever happened.

But, It is the time I realized that, even a small desire is enough to make you to grab us and make that desire to a big devotion. It is then I danced like never before in life, which I thought of doing at many stages of my life, when I got good marks in 10,12, when I got seat in Engineering, when I got job in my campus interview.

As it is said that human desires are infinite, I never get feel of joy whenever I achieved something. But the day when I am in front of Sri Krishna and you, I forgot everything and just danced along with the folks around me. Thanks for whatever you have given me so far in life.

I request you to please bless me with:-Concentration while chanting Help me overcoming the stress.

Your Eternal Servant, Bhakta Sethu Pavan.

## **Bhakta Shabhrish**

Dear Guru Srila Prabhupada,

Sashtanga namaskaram unto your feet,

When things are happening very terrible to me in my life, though I tried desperately to overcome my past. But I couldn't able to overcome it, I seriously had no idea whether could I come out from my issues. But very, fortunately, one day I could probably that day on Jan 12th, 2020 when I attended the session at ISKCON yoga for happiness program, my friend helped me out to attend the session.

After attending that session I came to know about you, spiritual master. I was totally amazed after knowing about your journey towards Krishna consciousness. I cannot even express in words about your achievement and your pure love towards the supreme Lord Krishna. The care and love you have shown towards people. Today the whole world celebrates the Krishna Janmashtami and everyone is aware of lord Krishna and ISKCON which is only because of you my Dear Prabhupad.

If I could change myself truly by following your way of living life then definitely I'll change many people around me.

Your unworthy servant, Bhakta Shabhrish.

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to Your Divine Grace!

All glories to you on this auspicious day of your *Vyasapuja*.

Srila Prabhupada, you started ISKCON Hare Krishna movement, which is a boon to present society. In this age of violence, fight, crime, one seeks help or want to take shelter of some divine guidance, which can guide the mind towards the correct direction. Your ISKCON temples are place to meditate and get instructions from God if we are stuck somewhere in our life. Your ISKCON temples have also done social service by providing food (prasadam) to the school students coming from poor family background. Also, to decrease the wrong activities, Your ISKCON temples have promoted cow saving. They have also promoted to live vegetarian lifestyle, which practices non-violence. If we kill animals for some reasons, we will also be killed by them in our next life. This is called "Law of Karma". No one can escape the results of wrong activities. Srila Prabhupada, you have correctly explained the verses of the Bhagavad Gita in the book "Bhagavad-gita – As It Is". I am thankful to you for writing the book. This book gives us guidance in every stage of life. Your book "Krishna" is also wonderful, with complete descriptions of Krishna's pastimes.

I used to attend Gita lectures by a disciple of Srila Prabhupada at IISc Bangalore organised by "Transdimensions club" every Friday at 7:00 PM. It used to last for 1 h followed by 108 times chanting of the Hare Krishna maha mantra "*Hare Krishna Hare Krishna, Krishna Krishna Hare Hare, Hare Rama Hare Rama, Rama Rama Hare Hare*". This used to be followed by delicious *prasadam* acting as dinner. My mind gets peace in this 1.5 h event. When I come back to lab for doing some experiment, I used to do it with more concentration and results were always successful. Before and after every important experiment I used to go to ISKCON temple at Bangalore to pray to Lord Krishna and Srila Prabhupada. It used to be a success story! Once I was doing one experiment late night and electricity was required continuously. I prayed to Lord Krishna and chanted the Hare Krishna mantra. The result was that electrical power went off just after my experiment was over. I have no words to how to say thanks to you, Srila Prabhupada and Lord Krishna. In whatever profession we are, we should pray to Srila Prabhupada and chant the holy name of Lord Krishna for correct guidance in our life. We should also engage ourselves in listening to lectures given by devotees of Lord Krishna and read books written by

Srila Prabhupada.

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet.

I would like to thank you for providing an awesome environment for the sadhana. This environment is there in our country from ancient times in mutts and ashrams but not easily accessible to common people like us. By spreading Krishna consciousness and the culture of living a happier life you made the hidden gems of bramhacharya and tapasya available to all people entangled in material world. Now they can have the glimpse of a life lived by sages that made our country divine. I'm grateful to you for these gems. I pray so that with your blessing Santana dharma should reach it's the highest point and continue changing the world, the upcoming Treta and Satya yuga.

All glories to Srila Prabhupada.

Your humble servant, Bhakta Shankar Narayan Mishra.

My Dear Srila Prabhupada,

Please accept my humble obeisance.

My life took a very important turn after I got admitted to my engineering college. Bengaluru was a new city and in this new city, I got a wonderful place to stay and grow, which was Ramaiah Folk Residency. Where I was introduced to you and to the philosophy. This philosophy and the habits learned during the stay in residency have merged into my lifestyle. And all this is because of your grace. I am now interested in chanting and have some faith in it, and I can surely say that it is because of your hard work, of creating a wonderful community.

You are a very important person in my life and have a great share in changing my life to a better path, that is to the path of devotion. Thank you very much!!

All glories to Srila Prabhupada,

Your sincerely,

Bhakta Shantanu D Datar.

Dear Srila Prabhupada,

Srila Prabhupada, the divine acharya of Iskcon is one of the best examples of the guru in modern times. He is the one who tells us how to get into Krishna consciousness, which helps us in these modern days. My life has been influenced by his teachings and by visiting the temple. His teachings have helped me to keep myself calm, to be concentrated in the work which I am involved and most importantly how to devote my life to Lord Krishna. And by visiting the temple often has thought me to control my anxiety and anger, and due to the peaceful environment of the temple, I feel that my heart and mind are enjoying the time in the temple which helps to remain cool always.

Thank you Srila Prabhupada for everything you have given. Hare Krishna.

Your servant,

Bhakta Sharan.

Oh my Divine Guru Srila Prabhupada, please accept my humble obeisance at your lotus feet,

Let my heart fall at your sacred feet.

On this auspicious occasion, I am fortunate to express my heartfelt gratitude on this Vyasa puja day as a humble offering unto you my Gurudev.

How much ever I can express my gratitude all my lifetime unto you, I consider it as very insignificant for the unlimited boundless causeless mercy you are showering upon me. Srila Prabhupada, I have heard that you are an ocean of mercy and that is very true as I am experiencing your divine causeless mercy every moment in my life from the moment I held your book Bhagavad-gītā as it is for the first time. I am the most fallen soul as I am yet to realize your compassion & holiness, your unlimited love, your struggle to save an unworthy soul like me trapped in this wretched material world from time immemorial. Your patience in all the wrongdoings that I am doing in my life, and yet you are so kind to me that you have a hope on me & waiting when will I listen to your valuable instructions and accept you as my savior.

You have kept me so close to your heart that you engaged me in your mission for the last several years in your transcendental abode ISKCON Bangalore & taking care of my spiritual & material needs but I am unable to serve you with dedication as there is a lot of anarthas, and my list of anarthas are endless. Yet by your love & causeless mercy only I am existing, therefore I am very fortunate to have you as my Guru and there can be nothing more auspicious than this in my life Srila Prabhupada. Indeed I proclaim to the whole world that you are my Guru who can take me back to Godhead and this there is no doubt O Srila Prabhupada. My humble request to you is to kindly keep me engaged in your service at your lotus feet even though I am not worthy of it. Kindly chastise me for all the mistakes I do, as your chastisement will benefit me.

All glories to you Srila Prabhupada, who is loved by their Lordships Sri Sri Radha Krishnachandra, Sri Chaitanya Mahaprabhu, HDG Sri Bhakti Siddhanta Sarasvati Gosvami Maharaja and all the denizens from the three worlds and my unending & unflinching love for you my dear Srila Prabhupada.

Your humble servant of your servant,

Dear Srila Prabhupada,

It's my humble request, Please accept my offering.

I had no goals and directions in my life before I came in touch with you. How I came in touch with you? It's just your causeless mercy I feel. By your mercy, I am able to take sevaka and sadhaka level. And listening to you and reading your books and association of your students has made my life joyful and showed me the ultimate goal of my life, that's to become servants of Krishna and His devotees. And be joyfully eternally.

Thank you, Prabhupada for showing me the path.

Your humble servants of servant, Bhakta Shashidhar.

## Bhakta Shashikiran Dhabole

---

Dear Srila Prabhupada,

Please accept my most respectful and humble obeisance on this most auspicious appearance day of Your Divine Grace.

Hare Krishna, my name is Shashikiran I am writing this to express my gratitude to His divine grace A.C. Bhaktivedanta Swami Shrila Prabhupad, founder Acharya ISKCON and my FOLK guide Sanathana Govinda Dasa Prabhuji on this auspicious occasion of Vyasa Puja.

A few months ago we had a tragedy in our family, my sister met with an accident and is paraplegic now. The accident was just like any other incident but the rehabilitation process has been very stressful and I had too many anxiety attacks because of this incident I did a lot of things to get over it like Yoga, meditation, exercise, even took medication, consulted a psychiatrist and even took psychotherapy sessions. It helped a lot but didn't solve my issues completely or give me peace of mind, normalcy, and the focus to get back to normal life again.

I was recently introduced to Krishna consciousness by my classmate Rama Krishna Dutta who introduced me to FOLK(Friends Of Lord Krishna), a youth empowerment program by ISKCON. All I do is follow simple instructions given to me by FOLK guide like Chanting the Hare Krishna Maha Mantra(which has been a gamechanger), reading books written by Shrila Prabhupad like Bhagavad Gita As It Is and Shrimad Bhagavatam and I regularly attend the FOLK classes online. This has helped me organize my lifestyle in a better way than before and has given me more focus on my work and reduced my anxieties, now I am not taking my anxiety meds for almost a month and I am feeling stress and anxiety-free and even have a better positive and productive approach and relationship with both my family and friends.

In the course of this short journey, I have realized that there is no point worrying about things that are not in my control instead do my Karma with Krishna consciousness, which has taught me that this life is Maya and temporary and the real purpose of this lifetime is to serve the Supreme personality of Godhead Lord Krishna in whatever way possible with devotion and love. Because It is mentioned in the scriptures that Krishna is all doer and not a blade of grass moves without His will. Srila Prabhupada has also said that Jiva-Atma has free will but it is extremely limited. Even flaws are made blunt and the abode of Lord is attained by the mercy of Lord and His bonafide devotee.

So, I have decided to surrender to Krishna's will and follow whatever advice Prabhuji gives me and also follow Krishna's instructions. I have also come to this profound understanding and realization that I am living in Kaliyuga(the age of quarrel) serving only my material interests and the body which just happens to be a vehicle for the eternal soul or Aatma who is accompanying by Paramatma. So instead of serving my body, I have decided to serve the will of Paramatma, i.e, The Supreme Personality of Godhead Prabhu Shri Krishna. Dandavat Pranam.

Your humble servant, Bhakta Shashikiran Dhabole.

Dear Srila Prabhupada,

Please accept my respectful obeisance at your lotus feet. All glories to Your Divine Grace.

I am here in Krishna Consciousness for the last 6 months. Prabhupada you have given very simple methods for reaching to 'Goloka Vrindavana'- eat Krishna Prasadam, Chant 16 rounds daily, follow 4 regulative principles. Initially, it was very difficult to adhere to regulative principles because of too much of material attachment. I still find some difficulty in this matter. But now I have full faith in chanting of holy name, I am sure it will cleanse my heart from this material dirt. You brought whole ancient (Sanatana) civilization again in present life so that people of the present age can live peacefully and they can remember the Supreme Lord each and every moment and can easily attain Supreme abode.

Gurudeva, please make me always remember Krishna and never forget Krishna in any situation. Please guide me in every step of life and bless me not to deviate from this sublime path.

Your servant,  
Bhakta Shekar.

Dear Srila Prabhupada,

Please accept my humble obeisances unto your Lotus Feet.

I am currently working in the private sector. I came in touch with Krishna Consciousness through one of my friend Madhu. My friend had come to know about this movement while he was doing his Internship in HAL. As many of HAL employees are into Krishna Consciousness, my friend was introduced to this by Badrinath Prabhu who is following for more than 10 years now. My friend and I used to visit the Temple and take blessings of Lord every Sunday and attended Bhagavatam classes then on. And also got an opportunity to attend "Yoga for Happiness" session from my College while I was doing MBA, which gave me insights on we are not this body. And also why Human Beings should be vegetarian as stated in scriptures. I Registered myself for youth empowerment club Folk and started attending sessions, witnessed many debates, and got insights on various topics from the viewpoint of Krishna Consciousness and scriptures. I was amazed by the mercy of Srila Prabhupad on mankind and his teachings. Krishna Janmashtami, Vaikunta Ekadashi, Valentine's Day, Sankalp Events where I enjoyed myself and also enjoyed Mahaprasadam feast very much. Devotees are helping to more involve in Krishna Consciousness and sharing bonafide knowledge.

During this lockdown period, it gave me the opportunity to chant 16 rounds of Hare Krishna Maha Mantra. And also to attend various online sessions to know more about Guru Parampara. Got to know more about Prabhupad and his efforts in spreading Krishna Consciousness across the globe by attending Online Trip Sessions.

With the blessings of Srila Prabhupad I got the opportunity to associate with many devotees and hear from them glories of Lord Krishna.

My Oath will be to practise more Krishna Consciousness to the fullest, to read Prabhupad Books and gain knowledge, to associate more with devotees, to worship Lord's deity at Home in a possible way by offering to God and doing pooja. To be under the mercy of Lord Krishna and blessings of spiritual master Srila Prabhupada.

Your Servant,  
Bhakta Shiva Kumar A.

Dear Srila Prabhupada.

I Offer my humble respect on your lotus feet.

I am truly glad to have association with great souls from ISKCON, Who have influenced me a lot in leading simple and Krishna Consciousness life. I had a lot of questions from my childhood days, which were unanswered until 2016 where I attended "Yoga for happiness" program. During my college days itself, I was fortunate to have the association with ISKCON and know more about Krishna consciousness, Birth and death cycle, or mantra meditation. This was not possible unless we have Guru's mercy in our life.

Listening to Bhagavad-Gita, doing consistent Mantra meditation or hearing pastimes of Krishna helped me in my spiritual journey growth and I got to know the purpose of human life.

I am very glad that due to your mercy I had a chance to do service in the temple and on Festivals. Still, I remember when we had been to Rama temple near Ramanagar I had the opportunity to clean the temple and had blissful kirtan it was a beautiful experience, inculcating humble and service attitude in our life. However, I missed the opportunity to visit Dwaraka or Vrindhavan holy place, with your mercy, I will be able to visit the coming years and have a great experience.

To practice Krishna consciousness in our life or fight with Maya we face a lot of challenges, but I am fortunate that I am part of FOLK ISKCON which has helped me to grow in my spiritual path, which is not possible without your grace on me.

My dear master, please give me the required intelligence and opportunity to continue the right spiritual path like the association with spiritual master, service-oriented, reading past times of Krishna, and mantra meditation.

Your humble servant,

Bhakta Shiva Kumar Sharma.

Dear Srila Prabhupada,

I offer my humble obeisance unto your lotus feet.

I wonder Prabhupada if you would have not made this Krishna consciousness movement, then where this world would have been. I can't imagine my life and this world without you. My thinking about my life has totally changed Prabhupada after coming to this Krishna consciousness movement and the way I see the world now is totally changed. You gave me the purpose of life Prabhupada. In my childhood, I really thought why we are here..? why God made this world...? and why we die then again take a birth..? why all this..? No one was there to whom I can ask these questions, but you gave me the perfect and wise answer. Thank you so much Prabhu for writing all books. All these books helped me a lot and made me more clear. You are my great inspiration Prabhupada. What you have done no one can do. You made millions of people's life successful and helped this world. You are a great teacher for me and for this world. You taught us the Real-life lesson. Dear Srila Prabhupada,

I pay my respectable obeisances to Your lotus feet and all the Vaishnavas, I take this opportunity to express my gratitude to You.

Prabhupad, You had given ample opportunity to serve Krishna as a full-time missionary but I couldn't grab it, and I fell in the trap of Maya, came out of the temple and leading a hellish life. Even though I had greatly fallen, Your Divine Grace had given me causeless mercy to keep intact my 16 rounds chanting. I don't know what am I going through right now, so many obligations, so much thought process, unlimited plannings to survive in this material world. Your Divine Grace had quoted

in Bhagavath Gita “Anityam, Asukam lokam”, This world is temporary and full of anxieties, not fit for a sane man. These lines really moves me forward and Your Divine Grace dear Srila Prabhupada had bestowed me a job opportunity in HareKrishna Movement Hyderabad temple to associate again with devotees. I can't repay You anything but at least holding onto chanting. Dear Prabhupada, I'm not finding words to express my feelings, please shower Your blessings on this frustrated devastated insignificant soul. You are my role model, You are my Guru, You are my friend, You are my caretaker. Please accept these offerings from a wicked soul, who always turns away his head from Krishna.

Dear Srila Prabhupada, excerpts from Bhaktivinoda Thakura best suits me and I'm in heinous condition please hear my request. I am a wicked materialist, always addicted to worldly desires, and no good qualities do I possess. You are my only hope, and therefore I have taken shelter at Your lotus feet. I am now Your eternal servant.how will You purify me? I do not know what devotion is, and my materialistic mind is absorbed in fruitive work. I have fallen into this dark and perilous worldly existence. everything here is Your illusory energy. I have no strength or transcendental knowledge, and this body of mine is not independent and free from the control of material nature. This sinner, who is weeping and weeping, begs for an eternal place at Your divine feet. Please give him Your mercy. You are able to do anything, and therefore You have the power to deliver all sinners. Who is there that is more of a sinner than myself? You are the ocean of mercy. Having come into this phenomenal world, You expand Your divine pastimes for the sake of the fallen souls. I am so sinful that although all the demons attained Your lotus feet.

The most fallen insignificant soul,

Bhakta Shravan Kumar B.

My humble request to you, kindly keep guiding me forever. Please give me the strength and determination to follow your instructions. Please give me opportunities to transfer Lakshmi to your mission more and more. Please give me a higher taste for chanting Hare Kṛṣṇa Mahamantra and your vani.

I wish to have your and your representatives association forever. Finally, I wish the shade of your lotus feet.

Dear Srila Prabhupada,

Please accept our humble obeisances unto your lotus feet.

Thank you so much for introducing us to Krishna Consciousness by your causeless mercy. We are at peace, knowing that we are surrounded by a lot of devotees who care for our spiritual well-being and progress; and it is our privilege to be under the protective association of the devotees. All of this has become possible because of your boundless love and affection towards us.

We are not able to practice our daily sadhana of chanting the Hare Krishna maha-mantra perfectly and also we are unable to offer any devotional service properly. But we aspire to do it with increasing sincerity day by day. Our only prayer unto

you is to help us always remember your instructions and do some service unto your lotus feet if you so desire. Kindly, bless us with your merciful glance upon us and our family and friends.

Yours humbly,

Dear Srila Prabhupada,

All glories to you, Please accept my humble obeisance.

*om ajnana-timirandhasya jnananjana-salakaya caksur unmilitam yena tasmai sri-gurave namah  
mūkaṁ karoti vācālarṇapaṅguṁ laṅghayate girim yat-kṛpā tam ahaṁ vandeśrī-guruṁ dīna-tāraṇam*

It is possible if we become an obedient student of guru, then even though we may be dumb, deaf and dumb, still, we can become good lecturer. *Mūkaṁ karoti vācālam*, talk very much about Kṛṣṇa. This is Kṛṣṇa's grace, *mūkaṁ karoti...* *Paṅguṁ laṅghayate girim*, if one is lame man, he is made to cross over the hill, mountain. This is the mercy of guru.

Prabhupada, I had a rebirth when I came in touch with Krishna consciousness and I got a purpose in my life. You revealed real knowledge to me. Prabhupada you have said that "A disciple must follow the rules given by spiritual master" and that for devotees association is very important. The best example is none other than your divine grace. So I humbly ask to give me same faith in your instructions and your divine service. Prabhupada you have always shown how to use your time, thoughts, words, energy in the service of Krishana.

Now when I am away from Association it's your divine instructions which are saving me from unbreakable clutches of Maya. Whenever I go wrong somehow or other you save me, time to time you remind me that our goal is to go back home back to Krishna and serve him. Prabhupada please keep me always under your assistance wherever it may be. Prabhupada your books are nectar for this thirsty soul and how nicely you have presented Krishna consciousness to human society is really wonderful. I don't know whenever I read your books I feel satisfied and happy. I just want to read more and more. There are new conclusion when I read it again and again. Prabhupada you are an awesome storyteller and the way you connect everything to Krishna consciousness is amazing. You have shown us how to relate everything to Krishna. there are loads of stories but one of my favorite among them is,

So the point is that superficially it may appear sometimes against the social and religious rules and regulations, but if it is done for Kṛṣṇa, ānukūlyena... Bhakti means ānukūlyena kṛṣṇānu-śīlanam (CC Madhya 19.167). Kṛṣṇa should be satisfied. That is... It doesn't matter. Kṛṣṇa should be satisfied. Just like Kṛṣṇa pretended that He was sick, and many physicians came. He said, "No physician cured Me. If some devotee gives Me the dust of his feet on My head, then I can be cured." So all devotees were asked, and nobody... "Oh! How can I give? My dust on the head of Kṛṣṇa? How it is possible?" Nobody prepared. Then Kṛṣṇa asked that "Go to Vṛndāvana. Just ask the gopīs if they can give. They are My best friends. If they are prepared? Oh, I am very much suffering from headache." So nobody was prepared to go... As soon as gopīs were approached: "Oh, Kṛṣṇa is sick. They want, oh, dust of...?" Immediately: "Please take. Please take." She did not care that "We are going to hell by offering our dust of feet on the head of Kṛṣṇa. Never mind. We shall go. Kṛṣṇa will be happy. That's all. Kṛṣṇa will be happy." This is gopī. It doesn't matter the whole world is going to hell, but if Kṛṣṇa is satisfied, a devotee's prepared to do that. That is, that is called *uttama bhakti*."

Prabhupada there are lots of ups and downs in the sea but you as a captain of this ship there is nothing to be worried about.

Spiritual master is said to be "mercy Avatar" of Nityananda prabhu, who is shining in this dark material world just like a sun and ready to remove the darkness of ignorance, your causeless mercy has been claiming fallen souls, to such a spiritual master I pay my humble obeisances.

I read, how you would encourage your disciples to spread the movement in the beginning days. You would guide them in almost everything and above all, you know their heart and you have a different connection with each of your disciple.

Prabhupada another thing I like about is, you always talk about Krishna. I have heard hundreds of conversations but you always talk about Krishna. Narottama dasa Thakura says, *chadiya vaisnava-seva nistara payeche keba*: without serving a pure devotee, one cannot advance in spiritual life". When we initially came we had no idea how fortunate we are to serve a pure devotee of Krishna that would be no lie if I say I got to know the concept of a pure devotee after coming in Krishna consciousness.

You taught me how to serve Krishna. It's not individual's own method to please Krishna. You personally know Krishna so you can tell us what he likes and what he doesn't. Because of you, we got to know it's that simple. You always say "" Hold my dhoti and I will take you back means just follow my instructions and with full energy engage in devotional services and you will be freed from this cycle of birth and death."" And I don't know day by day my faith is increasing in your divine words.

I get goosebumps everytime I remember that there were times when Narada Muni would come to see you and I have read a couple of incidents, my favourite one is-During an ecstatic kirtan in Los Angeles temple Srila Prabhupada was laughing. Afterwards a devotee asked why he had been laughing and Prabhupada said, "I was laughing to see Narada Muni."

The devotee said, "Narada Muni?"

"Yes, Narada Muni was there."

What was Narada Muni doing?"

Prabhupada said, "He was laughing."

The devotee said, "Why was he laughing?"

"He was laughing when he saw the mlecchas and chandalas dancing and chanting Hare Krishna."( Dinadayadri devi dasi )

yasya deve parā bhaktir yathā deve tathā gurau  
tasyaite kathitā hy arthāḥ prakāśante mahātmanāḥ

*"Only unto those great souls who have implicit faith in both the Lord and the spiritual master are all the imports of Vedic knowledge automatically revealed." (Śvetāśvatara Upaniṣad 6.23)*

So Prabhupada I beg you to give me that faith in you as well as Krishna and finish my work in this very lifetime and assist you in your mission to serve Krishna.

To glorify you it feels like a kindergarten student is explaining a phenomenon of quantum physics. Again I beg for your mercy to continue my spiritual journey more rigorously.

I beg for forgiveness if I have committed any offence knowingly or unknowingly at your lotus feet.

Trying to be a humble servant of your divine grace,

Bhakta Shree Ram Giridhar.

3. Your teachings are so simple that anyone can understand it

5. You say that anyone can take part in the chanting, even if they don't understand the meaning. You even say that even a dog can take part in the chanting.
6. You are completely sympathetic. You also changed a millionaire and his son to perform devotional service and chanting.
7. You have published various books for the common folks like us to understand the purpose of life and about God.
8. Srila Prabhupada, I chant 16 rounds of holy names and even the Sri Krishna Chaitanya mantra before chanting.
7. Even while reading your books, I take notes and I think how I can use them immediately in action.

Please continue to bless me, Srila Prabhupada!

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet.

I am very much grateful to you Srila Prabhupada for providing us a wonderful platform by which we can progress in our devotional and spiritual life and be closer to Lord Krishna by removing our ignorance from our eyes and heart. I am grateful for being associated with ISKCON and FOLK for helping me to build my spiritual and devotional life and have a greater connection with Lord Krishna. I always had the interest to improve my spiritual and devotional life but there was no consistent effort to maintain the streak of activities. I used to do meditation and listen to devotional songs due to different commitments and procrastination I was not gaining any benefits out of it.

Srila Prabhupada, I can say without a doubt that you are a pure devotee because you are very close to Krishna, this, I can sense when I hear from you and when I read your books. Prabhupada gives me devotion, the direction in my life. I wish that everyone serves you Prabhupada because this is the only way to respectfully thank you. My sincere thanks to Srila Prabhupada for providing me such a platform and inspire me through your teachings.

You are a noble personality and I want to offer my respectful obeisance again and again.

All glories to Srila Prabhupada.

Your humble servant,

Bhakta Shreyas K S.

Dear Srila Prabhupada,

Please accept my humble obeisances. I would like to thank you from the bottom of my heart for establishing ISKCON. Because of which I'm able to progress a lot in my Krishna consciousness. Without Your Divine Grace and your mission, it would have been very difficult for the devotees. When I read or listen to your interviews and the lectures, I can easily understand the import, because you explain the spiritual concepts and inner meanings of the slokas very beautifully. Even a common man or a non-believer of God can understand and accept the Absolute Truth. When I saw a short film about

Your Divine Grace going to America and starting the Krishna consciousness movement there, I was in tears. It is a mission impossible for a single man, but you have shown to the world, the heights of devotional service a devotee can offer to the Supreme Personality of Godhead. Even though I'm a modern materialistic person full of ignorance and improper choices in life, your grace has helped me to slowly move towards Lord Krishna. O spiritual master I sincerely request Your Divine Grace to make me follow Krishna consciousness with your blessings. I hope that one day I can become a pure devotee as Lord Krishna expects ideally to be.

Your Humble Disciple,  
Bhakta Shreyas R.

Dear Srila Prabhupada,

All glories to His Divine Grace AC Bhaktivedanta Swami Srila Prabhupada. I am inspired by Srila Prabhupada as he has spread Krishna Consciousness throughout the world in just a matter of a few years. He's also established 108 temples around the world in just a few years even though his family and own body didn't support him to do so. Srila Prabhupada is one of the world's finest and most disciplined leaders. He always had 100% faith in Lord Krishna in order to obey his spiritual master. He has toured the world a dozen times and has published a million copies of lord's books even at the age of 69.

I consider Srila Prabhupada as my role model. I feel proud to serve him and spread the mission of Krishna Consciousness to everybody. Srila Prabhupada has given me Krishna Consciousness in such a simple and accessible manner to implement in this age of Kali. I am looking forward to improve my Krishna Consciousness to the next level by being more regular to serve my deities at home and also to try increasing the number of rounds I chant daily. Srila Prabhupada sacrificed his bodily comforts like sleep by recording his audio on the dictaphone and also publishing books to guide us even in his absence. As he felt after he leaves this world we should not be left lost and clueless for a lifetime so he has also imparted the valuable lessons of discipline, time management, patience and intelligence to the world. This makes Srila Prabhupada the universe's true spiritual master.

Aspiring to be your servant,

Bhakta Shri Krishna.

Dear Srila Prabhupada,

Please accept my respectful obeisances unto your lotus feet. On this auspicious occasion of Vyasa Puja, I would like to express my heartfelt gratitude to you for blessing me with your causeless mercy by bringing me in contact with the movement of Krishna Consciousness. I would like to thank you for blessing us with the Hare Krishna Maha-mantra, enlightening us with its meaning, and also giving us the initial taste for chanting, so that we could embark on our journey in Krishna consciousness. In my limited journey the true purpose of the human form of life - "To attain love of Godhead". Even though you are not physically present with us in this material world, your instructions in the form of books and lectures make us feel your presence every moment and inspire us to advance in our spiritual lives. For me a lot of things have opened up as I set on this spiritual path, it's great reconnecting with our Vedic literature and ancient scriptures for our problems which we face in day to day lives. Please continue to shower your blessings and causeless mercy upon this conditioned fallen soul, for there is nothing other than the shelter of your lotus feet that can help us stay focused and disciplined in our spiritual life. Words are not enough for us to express the gratitude and reverence for your mercy upon us.

Your Aspiring Disciple,

Dear Srila Prabhupada,

Please accept my humble and hearty obeisance at Your lotus feet. You are the one who is my inspiration for all the best of the emotions (for example, your empathy the result of which Akshaya Patra had served over 7 crore people including me). By your grace, I'm in touch with the Folk club of ISKCON and the devotee care for me in the worst of my times even after my negligence. They are selfless. You are the reason for me being a better person than before, I'm also thankful for your selfless work of Bhakti which showed me the right path to move on giving my meaningless life a purpose greater than myself. It is because of you, I feel the presence of God anywhere and everywhere, whom once I used to condemn earlier when I was an atheist. I believe in your philosophy, Krishna consciousness, but many times I fail to practice your teachings, I also wholeheartedly apologize for that, because of you I want to grow into a better being and go back to Godhead. I also want to thank you for deepening my connection with God Krishna, which indeed created happiness in me and my family.

Your Servant,

Bhakta Shrikant B.

My Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to you, Srila Prabhupada! ISKCON Movement which you have started not only depicts our Santana culture and tradition but it's a scientific movement to uplift the most fallen and ignorant souls. I am eternally very thankful to you that I have understood this message through the very same movement which you intended to spread the Chaitanya Mahaprabhu's message. I am very happy to tell you that each time when I read Bhagavatam feels very blissful, and pay obeisance's to you and Krishna for every sloka.

Thank you very much.

Dear Srila Prabhupada,

I offer my humble obeisances unto your lotus feet.

I simply can't imagine my life without you, because I was in lockdown for many births and now I feel like I am unlocking my life with the keys of your guidance. The books that you have written are like the mask which is protecting me from the pandemic of illusion that is prevailing all across the world. I feel like Harry Potter when I chant the Hare Krishna mahamantra because I see the magic all around. You are the real engineer who has shown us how to make four pillars of life upon which we can build the skyscraper of our life.

Sanjeev Kapoor might have been the greatest cook but he can't cook dishes more delicious than your prasadam which the world is craving for.

Yes, Krishna is the beacon of hope, who is coming on 12- Aug, but you are the great person who is holding that torch of beacon and taking around the world. Reaching Krishna directly is not possible for me. But, now it's possible because of you. Through you, I can approach Radha-Krishna.

Once again I offer my humble obeisances. Dandwat pranam.

Jai Srila Prabhupada. Happy Krishna consciousness birthday Prabhu Ji, And forgive me if I have written something wrong.

Your servant, Bhakta Shubham.

O My Dear Beloved Spiritual Master Srila Prabhupada,

Please accept my humble obeisances at your lotus feet. All glories to you on this auspicious day of your Vyasa-puja. As this life passes by, I can feel more reciprocation in my life. The faith in the holy name is increasing as I progress on the path of Krishna Consciousness. I thank you for guiding me on the path of God-realization. The Krishna Conscious movement which has spread across the whole planet is like one family whereby we associate with devotees, perform sankirtana, hearing transcendental literature, honour prasadam, read your books, distribute books, etc. There is so much to be done in Krishna Conscious Movement. The same has been provided by you Srila Prabhupada in which we can engage ourselves and make this life successful by going back, Back to Godhead. Thank you Srila Prabhupada for showing your causeless mercy to this fallen soul and picking me up to follow Chaitanya Mahaprabhu's mission. As mentioned in SB 1.7.22: "The spiritual master is the mercy representative of the Lord. The spiritual master, by his words, can penetrate into the heart of the suffering person and inject knowledge transcendental, which alone can extinguish the fire of material existence."

I am reading Srimad Bhagavatam now, which gives so much importance to hearing and chanting of the holy name, fame and pastime of the Lord; the importance of devotional service, an association of devotees to understand the transcendental pastimes of Lord Sri Krishna, His energies etc. Thank you Srila Prabhupada for sharing such confidential knowledge with us to practice devotional service and tread the spiritual path to attain Krishna.

Dear Srila Prabhupada kindly accepts this offering on account of your Vyasapuja from this insignificant servant of yours' at your lotus feet.

Your Servant,  
Bhakta Shubham Fitkariwala.

Please accept my humble obeisances unto your lotus feet. I can still remember how I connected to Krishna consciousness and you became my GURU. I accept that I'm Just a beginner in all these procedures to achieve Krishna consciousness. The day I joined Yoga for happiness, I was impressed by you. I'm feeling so grateful to have you in my life. By chanting the Holy Name, I found the inner peace I was looking for. I'm not getting words to describe my gratitude. Prabhupada, now I'm trying to get more serious in Krishna consciousness. I'm grateful to have a GURU like you. All glories to you Srila Prabhupada. Hare Krishna.

Pranams to the guru, Humble Pranams to the satguru Srila Prabhupada Swami,

Pranams to the guru who selflessly has taught me the essence of Vedanta, Pranams to him for I had nothing to offer him in return neither Dakshina nor knowledge, not even physical service yet he gave me his knowledge selflessly. Pranams to that guru who was sought-after by me to attain the very same qualifications required to attain him and the knowledge he possesses.

Pranams to that guru who knew what I didn't know and who has not only analyzed me but also continued a guru parampara to help me hear the knowledge which he took a Sankalpa to teach me.

Pranams to the guru who taught me that this world is Mano Maya and taught me to adjust this lens of Manam so that the way I see the world changes as I tune my focus. Pranams to the guru for teaching me that I am not this body, mind, intellect, ego. I am Atma which is the existence in the existing things, which is the intellectual ability in the intelligence, which is the reservoir of happiness dwelling in all beings.

Pranams to the guru who has given me a ladder of outlooks on God and creation - God as the creator, the world as a manifestation of God, and finally god makes himself appear as this world so that I can stand on the step suitable for my mind's calmness at any point in time.

Pranams to the guru who taught me that moksha is my parama purushartham, and also the Sadhana to walk in that path. Pranams to the guru who has taught me to remove the emptiness in my heart. Pranams to the guru who taught me the secret of object pleasure. Pranams to him for everything.

Pranams to the guru who himself being enlightened by brahman yet served as a proof for the existence of brahman. Saranagadhi to the guru as I seek your blessings, Krupa and sat karma Palam for converting this shabham into gnanam in my intellect and give moksham to my manam for I am unable to stay in jagrat or swapna avastha without me being identifying with him. Guruve saranam.

Dear Srila Prabhupada,

I offer my obeisances unto your lotus feet on this auspicious day of your appearance. The very first line of the Guru Astakam says:

*samsara-davanala-lidha-loka tranaya karunya-ghanaghanatvam  
praptasya kalyana-gunarnavasya vande guroh shri-charanaravindam*

The spiritual master is receiving benediction from the ocean of mercy. Just as a cloud pours water on a forest fire to extinguish it, so the spiritual master delivers the materially afflicted world by extinguishing the blazing fire of material existence. I offer my respectful obeisances unto the lotus feet of such a spiritual master, who is an ocean of auspicious qualities. As the sloka says you have an ocean of auspicious qualities. With those qualities, you again established the Dharma in this kali yuga and you explained the truth so easily that everyone can understand the philosophy of Krishna Consciousness. Srila Prabhupada, I feel overjoyed and happy whenever I read your books and hear lectures or your pastimes. Every time, in every situation your principles remain the same and it talks about one truth that this material world is temporary and full of miseries. But I'm so conditioned that the moment I leave the association, I forget everything. Please give me the strength to constantly remember you and your instructions all time.

I pray at your lotus feet to give me the taste for the holy name, always guide me and keep me under your shelter so I that I can serve you and Krishna always. Please forgive me for my offences committed unto you.

Your Servent,  
Bhakta Sibaram.

Dear Srila Prabhupada,

Kindly accept my humble obeisances under your lotus feet. I am so thankful to you for giving me such a wonderful opportunity to be part of Iskcon Bangalore. My life has changed entirely by taking shelter under lord Sri Krishna and being always associated with very highly inspiring and motivating devotees. As per your instructions, I am attentively chanting 16 rounds and reading Bhagavad-gita every day, where I came to know actually "who am I and what my ultimate goal in life is" I always feel too enthusiastic by attending Sunday Kiran which this transcendental sound is as sweet as nectar. I always give my first priority in attending a session at 8 pm will be conducting on Srimad Bhagavatam or make it or break habit session. Thanking you once more.

My Dear Srila Prabhupada,

All Glories to you on this auspicious day of your Vyasa-puja. You are the Ocean of mercy and all the auspicious qualities. It's your mercy only because of which this insignificant jiva could find the real meaning of life. There was a point in my life when I was in complete darkness. I didn't have any real knowledge, and so, I was suffering. Had I not found you, the present

condition would have been more miserable than ever. I stumbled on to your lotus feet by the Supreme Lord's mercy. And you accepted me with open arms. You gave me real knowledge through your association. And for all of these, I am ever dented and forever grateful to you. In the end, I want to say, there are still many more impurities present inside of me. Please take me towards perfection.

## **Bhakta Siva Krishnan K**

---

My Dear Srila Prabhupada Ji,

I submit my heartiest humble obeisances unto your lotus feet. I am very interested to follow Krishna consciousness and its regulative principles. However, I am sad because I am trying to do so but unable to. In my childhood, I used to follow Krishna consciousness very nicely with my parents and enjoy. But at the age of 18, I am suffering too much from material desires for sense gratification, for example, I want to buy a luxury car and other royalty things like others. The material world is very strong so I am defeated by these things. Sometimes I would like to go away from these things yet again I get attracted to these things. My father always advised me to think about a luxurious car and others but in the service of the Lord. For taking Radha Krishna in the car is acceptable, but for sense gratification enjoyment it is very dangerous. Never plan yourself, Krishna has already planned for you, only go through these steps that are good for yourself as well as Krishna.

Srila Prabhupada, please take over charge of myself and control my senses. I don't know which is right or wrong. Initially, I made a lot of videography for spiritual trips like Bhadrachalam, Hyderabad, Mayapur, and Dwarika. I did many abhishekam programs at home as well as in the temple. Now I am far away from you. Please provide chances for me to serve, so that I will become purified and follow regulative principles and improve my consciousness. Everything on the earth gets purified by the rays of the sun, like that fallen soul like me on earth can come up by your blessings. So please Prabhupada guide me in the right way.

Your servant,  
Bhakta Siva Krishnan K.

## **Bhakta Sivananda Dash**

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to Srila Prabhupada. All glories to you on this auspicious day of your Vyasa-puja. I consider myself very fortunate to have the opportunity to write a few words in Your Glory on this auspicious day. I beg you to kindly accept my words as my service unto You. Being born in India, I accept it as my good fortune to live in the land of the advent of the Supreme Personality of Godhead himself. However, I say it with great pain and anguish that India is not heading along the spiritual path that it used to in the glorious years of the Vedic culture. It has adopted the so-called “advancement” after being influenced by Western countries. Everyone here is under the impression that they are happy in every aspect of life, namely, materially, economically, culturally. One can never understand that all this “advancement” without acknowledging the existence of the Supreme Soul and the soul is nothing but an illusion. Not a single thing is real. However, there is still hope. This darkness of nescience present in our hearts can be lifted and one can become enlightened only if one takes shelter under Your lotus feet. It is only due to Your blessings that one can conquer Maya. Being the external energy of Krishna, the Supreme Personality of Godhead Himself, it is impossible to overcome Maya without the causeless mercy of the spiritual master and Krishna. As Visvanatha Cakravarti Thakura writes in his Stavamrita Lahari,

*yasya prasādād bhagavat-prasādo yasyāprasādān na gatiḥ kuto 'pi  
dhyāyan stuvaṁs tasya yaśas tri-sandhyaṁ vande guroḥ śrī-caraṇāravindam*

*"By the mercy of the spiritual master one receives the benediction of Kṛiṣṇa. Without the grace of the spiritual master, one cannot make any advancement. Therefore, I should always remember and praise the spiritual master. At least three times a day I should offer my respectful obeisances unto the lotus feet of my spiritual master."*

Only by being spiritually advanced, one can attain true and permanent happiness. It is only because of Your causeless mercy that all the conditioned souls in this world are able to relish the nectar of Krishna Consciousness. That the devotion for Krishna has been rekindled within their hearts which is like a ray of sunlight during a thunderstorm. That the only means of everlasting happiness and relief is to be under the service of Your lotus feet. That it is only due to Your recommendation that Krishna may overlook their offences and give the benediction of becoming his devotee. That is why it is my humble request that your causeless Mercy be please extended unto this conditioned soul who has come under your shelter. That the seedling of Krishna Consciousness is kept protected in my heart from the ever-so-strong the influence of Maya.

Your humble servant,  
Bhakta Sivananda Dash.

Dear Srila Prabhupada,

I offer my respectful obeisance on to your lotus feet again and again so that I can get the blessings which are full transcendental. I'm incomplete in this material world without your guidance and you are everything for me because your instructions are just like medicine for a conditioned soul. I can never repay your debt what you gave to me. In this material world, only fortune peoples know what spirituality is and somehow they convinced that they are not this material body and their real identification is spirit soul but with this their knowledge is stopped and I was among them but you gave me the real knowledge that is our real identification is we are part and parcel of Krishna and our constitution position is we are a servant of Krishna and Krishna is our real Master.

Although you have done so many things for me still I am not able to follow your instructions and without your blessings, I can not do my devotional service perfectly so, I need your special mercy always. All Glories to Srila Prabhupada.

Dear Srila Prabhupada,

Please accept my humble obeisances, I am writing to you again and I feel so blessed and fortunate for this opportunity. At the same time, I feel that I am unworthy even to write to you or talk to you but you are so compassionate that you don't even care about my negatives and shortcomings. You are our only hope Prabhupada. You have come and taken all difficulties of the world to bring us closer to GOD. It's you who decided to save me instead of me resisting so much and wanting to enjoy this material world. It's you who decided to impart knowledge of our eternal father onto me instead of me wanting to acquire unnecessary knowledge that will go with my body and that is of no use. I am sorry Prabhupada that I am still unable to follow you and your teachings. I feel so strongly attracted to this world and I might hurt you in many different ways with my deeds. I sometimes get attracted to illusion so much that I forget about you and Krishna. but please don't give up on me and tell him also not to give up on me.

I read and heard about the difficulty that you had gone through for spreading the message of Chaitanya Mahaprabhu to the whole world. I know how badly you want the message to reach every single person in the world, but I am so fallen that even after knowing it I don't get the courage to spread. I feel shy talking about the message and you, I keep myself safe from the embarrassment that I will get from people around me. You know everything but still, I want to tell you. Prabhupada please give me the strength to follow your teachings and spread the message. Please give me and all devotees strength to make you happy and to follow you.

Your unworthy servant, Bhakta Somnath Arjun.

Dear Srila Prabhupada,

Please accept my humble obeisances, all glories to you.

Srila Prabhupada, I can recall the day when I came in touch with you, after spending several years in Krishna consciousness I feel very fortunate thinking what a priceless jewel of Krishna consciousness you have given me despite having no qualification. Before coming to Krishna consciousness, I had an affliction for Krishna but I didn't know how great Krishna was? What is my relationship with Krishna? However, after coming in touch with Krishna consciousness philosophy (ISKCON), reading your books I got all the answers that I had been looking for.

When I feel it is almost impossible to come out of this ignorance, I am also hopeful that somehow or other you will keep me under Your Divine shelter. You give me more and more *Bhakti*- to Krishna, *gnana*- to know Krishna, *vairagya*- to material desire; I want to serve your mission and thankful to you for keeping me in Krishna consciousness and for giving an opportunity to serve you.

Your servant,

Dear Srila Prabhupada,

Please accept my humble obeisances onto your lotus feet and please accept this small offering on the most auspicious day of your Vyasa Puja.

You taught me the real path of devotion. Thank you for showing me the real and practical path of devotion, Krishna consciousness. Before knowing about Krishna and Krishna Consciousness, I was nothing Prabhupada. I lived in the illusion of this material world.

You are my beloved spiritual master, you are my mellow, and you showed me the nectar of Krishna. It's been nice to express my feelings towards you, because you are my spiritual father. Prabhupad, your narrations and practical tips about Krishna and Krishna Consciousness are heart touching.

Finally, I beg you on this auspicious day of your Vyasa Puja. Please show your mercy onto me and please uplift me in Krishna consciousness, provide me service at your Lotus feet.

Thank you, Prabhupada for giving this opportunity to express my gratitude towards your Lotus feet.

At last, I want to share about your mercy:

*ohé! vaishnaba thakura, doyara sagara, e dase koruna kori'*

*diya pada-chaya, sodho he amaya, tomara carana dho*

*"O venerable Vaishnava, O ocean of mercy, be merciful unto your servant. Give me the shade of your lotus feet and purify me. I hold on to your lotus feet."*

Your humble and most fallen servant,

Bhakta Srihari Sandeep.

Hare Krishna.

Dear Srila Prabhupada,

I offer my humble obeisances unto your lotus feet.

For the last several years I have been practicing Krishna consciousness by your causeless mercy. Because of your mercy all over the world people are practicing Krishna consciousness. Please give me your blessings because only then can I survive in this material world. Except you, no one can help me get out of this world. Please bless me so that I can increase the quantity and quality of my chanting and become dedicated to Krishna consciousness. I offer my humble obeisances again and again.

All glories to you Srila Prabhupada.

Your Servant,

Dear Srila Prabhupada,

Please accept my humble respect as a sign of my gratitude.

I aware of this mantra since my childhood, but I never really got to know the power which it carries until I got an opportunity to explore it when I was in ISKCON. This mantra literally changed lot of things within me. It also changed the way I saw my surroundings and my life especially. It threw me a chance to realize what exactly the life means. This mantra gave happiness and peace inside me that I stopped worrying about the future and started to concentrate on my present.

I am so grateful to you to know about Krishna Consciousness and the wonderful opportunity which happened in my life to get to know about it. Though I am kind of struggling to keep in that path from the materialistic life, I am trying really hard to chant more and submit myself to Krishna.

Please bless me to chant more and give me that courage and energy to keep myself in Lord Krishna's path. I am eternally thankful for giving me the chance to associate with other devotees and the opportunity to engage in devotional service.

Your humble follower,

Bhakta Sriram.

Dear Prabhupada,

Kindly accept my humble obeisance at your lotus feet.

Somehow or other, again this poor soul has come back to you. You have so mercifully accept me back dear Prabhupada. I cannot express how grateful I am. Now, that I have got married and am practising Krishna consciousness at home by yours and Tulasi Devi's mercy. I am just holding on to your Lotus feet.

Guru is the one who brings a person from darkness to light and guides him from *asat* to *sat*. He is the representative of the supreme Lord Krishna.

You told the little girl that you are going to throw her inside water and she cried out loud and you said, this is how one has to chant the Maha-mantra. When I read this past time of yours in the book 'Prabhupada', I got inspired and started chanting in the similar way and it had helped me in spiritual progress.

Some of your qualities that inspired me are your boldness to speak the truth, love and compassion for the fallen souls, strong faith in Krishna and too good inspiration to the devotees.

I remember the first time I had come to the temple in Oct, 2016. I purchased a few books and I learnt to chant Maha Mantra on same day in the temple from some devotees. I came back to my home in Jayanagar and kept the books that were packed in clothed cover in a corner of the room. I continued my routine and when I was tired, I came to the same room and sat on the floor. I just looked at the cover and I saw your face with Tilak. I dint even know you at that point of time. When I think of that time, I know deep within that you are there for me and you will take me out of these materials pangs.

I pray to serve your lotus feet forever. Please accept me dear Prabhupada.

Yours humble servant,

Bhakta Srujan Sudani.

Dear Srila Prabhupad,

Just as a cloud pours water on a forest fire to extinguish it, so the spiritual master delivers the materially afflicted world by extinguishing the blazing fire of material existence. I offer my respectful obeisance unto the lotus feet of such a spiritual master, who is an ocean of auspicious qualities.

I am extremely thankful for all that you have done for all of us. In a tearful eye and folded hands I bow down again and again before you to express my gratitude. You have transformed me from a person engrossed in unregulated sense gratification to one with spiritual desire. The books and purports that Lord Krsna has written for all of us through you as an instrument are not informative but transformative.

*kathayantas ca mam nityam  
tusyanti ca ramanti ca*

It's all your mercy that I am able to do chant glories of Sri Radha and Krsna Chandra.

On the last year Vyasa Puja you personally reciprocated me. I was in my Hostel crying at night lying down in bed remembering my helplessness in not being able to preach. I begged forgiveness from you. Next day evening, as I was reading Gita, and lamenting that I am unable to preach to anyone, suddenly one boy came to my room and inquired me about Bhagavad Gita and Krsna. So, I got a wonderful opportunity to preach. Gurudev, with whatever little intelligence I have been allotted please bless me that I may utilize all of that in this mission of Chaitanya Mahaprabhu and may I have your blessings to please you more and more.

Your humble servant,  
Subhrojit Mukherjee.

Dear Śrīla Prabhupāda,

Please accept my humble obeisances unto Your Divine Lotus Feet.

All Glories unto You on the day of appearance of Your Divine Self.

The Glories of Your Divine Self cannot be explained by words. How much more mercy can a personality bestow upon me the fallen soul? how causeless is this mercy!

I do not deserve the least bit of the attention of Yours, but still you have bestowed upon this fallen soul, the priceless and pristine Kṛṣṇa consciousness, and that too insistently , just the way Lord Nityānanda bestowed His mercy upon the miscreants Jagāi and Mādhāi.

But I feel I am even more fallen than Jagāi and Mādhāi themselves. Despite this, You have insistently bestowed Your mercy upon me. As Śrīla Viśvanātha Cakravartī Ṭhākura puts aptly in His Gurvāṣṭakam:

*yasya prasādāt bhagavat prasāda  
yasyāprasādāt na gatiḥ kuto'pi*

By the mercy of the spiritual master one receives the benediction of Krishna. Without the grace of the spiritual master, one cannot make any advancement. Therefore, I should always remember and praise the spiritual master.

I humbly and sincerely plead your mercy upon me to advance in the path to Godhead, even though I am so fallen and unworthy to receive such a benediction.

mo sama patita prabhu nā pāibe āra .

Hence, I aspire to be in Your association through your faithful servants. I also aspire to engage in serving such faithful servants of your grace with a straw in between my teeth, humbly.

Your most fallen servant,

Bhakta Subramanian.

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet. All Glories to you on this auspicious day of your Vyasa puja. Out of many millions of wandering living entities, one who is very fortunate gets an opportunity to associate with a bonafide Spiritual Master by the grace of Kṛṣṇa. By the mercy of both Kṛṣṇa and the Spiritual Master, such a person receives the seed of the creeper of devotional service. My humble request is to shower your mercy to associate with you and your disciples forever.

Your insignificant disciple,

I take this opportunity and beg forgiveness for all the offenses that I have been committing towards your Lotus Feet and your beloved disciples and pray to give me spiritual strength and keep me engaged in your transcendental service.

All glories and glories unto your lotus feet. “*vande guro sri charanaravindam*” Jai Srila Prabhupad.

Dear Srila Prabhupada,

Thank you for everything that you have given to me. Thank you for giving me such an amazing life with Krishna. I know that without you I'm nothing. When I was roaming somewhere without the purpose of life, you are the one who gave me directions. Dear Srila Prabhupad, you held my hands when I was in difficulty, you gave me courage when I was feeling low. You have given each and every direction in your books to achieve the goal of life Krishna. Thank you Prabhupad for Prasadam, Kirtans, Devotees Association, Temples, Dham Yatras, and books. Thank you Prabhupad for changing my entire dimensions of life, whatever new I have become it's only because of you. You have done so much to me that it's impossible for me to return even one percent back to you. Please always keep me under the shelter of your lotus feet.

Dear Srila Prabhupada,

On this auspicious day thank you for giving me the chance to present my gratitude in the humblest way possible by a letter to you.

I have always been inspired by your boldness, when you speak I have felt the presence of Supreme authority and your wisdom about Vedic scriptures meets no bounds. However, these few years I have lost my focus in Krishna consciousness which has bothered me many times yet I have always felt that guidance from you through tough times especially in life situations and it has been there for me no matter how big a fool I act.

Maybe that's a special bond you, me and Krishna share, I will always be ever grateful for your teachings to me personally. I know you have planned what's best for me ahead in life, it is this belief that I even came upon this preparation of UPSC to become an IAS officer. A year back I did not even know this exam or such a field existed through your grace I have been educated rightly. My spiritual master, please guide me through this journey I am eagerly waiting once again for your guidance.

Thank you,

Yours sincerely,

Bhakta Sujith M.

Dear Srila Prabhupada,

I offer my humble obeisances unto your lotus feet.

As spiritual master your teachings always guided me to enhance myself with perfect knowledge to reach Godhead. I can feel your real presence with me by hearing and reading your books. I pray that you will bless me with more desire to chant Hare Krishna Maha Mantra. Your teachings always inspired me to surrender to Lord Krishna. Reading and Hearing your books is represented in a simple, scientific, clear, and convincing manner for the present world. Your kindness, Love, and mercy is always on me. Please forgive me for my mistakes. I am very thankful for having an association with Iskcon and enlightening the greatest knowledge.

Jai Srila Prabhupada! All glories to Jagadguru Srila Prabhupada!

Please accept my humble obeisances unto your lotus feet!

I am grateful to Srila Prabhupada to shower his causeless mercy upon me and give me his association through his books and lectures, though I was not qualified for this mercy.

You made me understand the teachings of Bhagavad-Gita and let us know our true position as mentioned in verse BG 15.7

*mamaivāṁśo jīva-loke  
jīva-bhūtaḥ sanātanaḥ*

That I am eternal, fragmental part of Lord Kṛṣṇa, the Supreme Personality of Godhead - the basis of my existence.

Earlier I used to engage in making lots of material goals to achieve. But you told me the ultimate goal of this human life is to attain love and devotion of Lord Kṛṣṇa. You only taught me the value of human birth and the best utilization of this human life. Please bless me with the strength to follow your teachings and apply them in my life.

I realized through your teachings that how fallen I am & filled with ego, envy, greed, anger etc. and I don't want to waste this life simply in sense gratification, I want to please you and Kṛṣṇa so please give me the strength to do so.

You made me very fortunate by accepting me as your disciple and keep showering your causeless mercy upon this fallen soul.

Thank you Srila Prabhupada for everything you have done for me.

Your weakest student,  
Bhakta Suman Vaishnav.

Hare Krishna,

Respected Srila Prabhupada,

I offer my humble obeisances unto your lotus feet.

Ordinary man would simply waste his time without knowing the purpose of his birth. You not only identified your purpose of birth but served as a teacher or guide for other men to know their birth purpose. This itself signifies that you are not an ordinary person.

You started Krishna Consciousness mission (ISKCON). I feel proud to be part of this mission. Your goals were too big but you took the responsibility to accomplish them. The dedication, courage you showed to reach your destiny was incredible and this serves as an inspiration for all of us to fight for our goals.

I was wondering like the ordinary man, not knowing the purpose of my birth. But after being a part of ISKCON , I atleast feel that I am moving in a right path. Your way of conveying the messages of Lord Krishna is incredible. The examples you gave help ordinary men to understand life in better way

From your mercy. I have been provided with quality food, shelter and all the necessities. Bless me to utilise them properly and achieve my purpose of life.

Your servant,  
Bhakta Sumant K.

Hare Krishna,

Dear Srila Prabhupada, Please accept this unqualified servant's humble obeisances.

Guru Maharaj, By your grace, my life has changed the status of my life from busy & materially frustrated to happy in Krishna's way. Now, my life is beautiful and meaningful.

Gurudev your books are the most beautiful gift to the world. Only they show me to increase my love and devotion towards Krishna.

It's only by your words that I am able to understand that we are all spirit souls and I am trying to respect every living entity.

Praying for your Love.

Dear Srila Prabhupada,

Please accept my humble obeisances,

I came to know about ISKCON through Folk residency. In the beginning, I thought it also to be the same as other residencies. But it was whole like a family.

The way ISKCON thought me about good consciousness was literally too acceptable and the way Srila Prabhupada taught us about Krishna is what I liked. I then started following Bhaktivedanta Swami. I forever want to be in Krishna consciousness.

The motivation for me is how you were fixed even when some drunkards laughed at you. You spent your whole life in preaching Krishna consciousness, your books on which you spent late nights are the true guide to understand God. I feel like these book are like an encyclopedia for going back home, back to Godhead.

Your Servant,

Bhakta Sumanth B.

Prabhupada, you have been very merciful to such a fallen soul like me. When I look back at my life, I see a ship wandering in the ocean without any direction. Only because of your mercy, I have got the direction in my life.

Prabhupada, Please bless me, so that I stick to Krishna Consciousness and be attached to your Lotus feet until my last breath of life. Please forgive me for my sinful activities which I may have committed knowingly or unknowingly. Also, help me to avoid sinful activities, and to stand up against the fight with Maya.

Dear Srila Prabhupada,

Please accept my humble obeisance at Your Lotus Feet. All glories to Your Divine Grace Jagadguru Srila Prabhupada.

Dear Srila Prabhupada! By Your causeless mercy & instruction, I am trying to chant 16 rounds of Hare Krishna Mahamantra daily; it is the only way for making me to lead my life in a right path. I am trying to read your books daily and among all your books "Science of self-realization" book is the most inspired book in my life.

Srila Prabhupada, You, who is incomparable, who is the happiness of the minds of devotees, who is the prime minister of the world, please accept this fallen "Go" dasa as your menial servant.

Srila Prabhupada, through your books still we are learning and enjoying about Lord Krishna and his pastimes, when I read your books it is motivating and teaching me how to lead life spiritually in this materialistic world. Long back I was nothing and struggling, but now you have given me opportunity to move forward, whenever I am stuck with problem I start to hear Bhagavad-Gita and Chanting of Mahamantra through your voice, there is magic in your voice, then I also start to Chant Maha-mantra, it is the only way to convert our life with peace of mind.

Gurudev, please forgive me for the frailty which might be affecting the services of your divine mission. If I do not achieve the shelter of Your Lotus Feet, which is sought after by many exalted devotees, then there will be no value to this valuable human form of life. I submissively pray unto Your Lotus Feet to kindly accept me & bless me to sincerely follow your divine instructions. Bless this fallen soul to value your mercy & benedictions under the guidance of your representatives.

Aspiring to be Your servant.

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet. We are very much thankful to you from the bottom of my heart for giving us Krishna Consciousness.

When we were in the darkness of Maya, you have shown us the light of Bhagavad Gita which has helped us to understand how to cross this material ocean. Even though we are unqualified, you showed mercy upon us and given 'Hare Krishna Maha Mantra' which helps us to face all material problems.

Before coming in touch with Krishna Consciousness, I thought happiness means earn more money and gratify the senses. But after reading your books, understood the importance of human form of life and what is the real goal of life. You have given us real knowledge and made us open our eyes , otherwise we would have been in darkness/illusion. You are so merciful on conditioned souls and showed the path to reach to the spiritual world. Simply by chanting 16 rounds daily, following four regulative principles and reading your books will liberate the conditioned souls from clutches of Maya.

Every syllable from your Lotus mouth,  
Are but scriptural injunction extract;  
To deliver us is your solemn oath,  
To this end, you used your words to attract.  
None yourself took when the world fell at your feet,  
To Guru and Krishna offered your feet.

You lived words of the Spiritual Master,  
To west did you take Krishna's holy name.  
With its mercy did you whole world foster;  
So took Hare Krishna to its full fame.  
Only by the mercy of your divine grace,  
Does fallen today Holy Name embrace.

You are not the body – the first lesson taught,  
Regulative principles made aware,  
Two-legged animals to human brought,  
To unqualified given dearest care.  
Selfless your love taught what is self to each;  
So each self shall other-self, self-same preach.

Lord Krishna said surrender unto Me.  
Surrender to Him all your purports say.  
No difference between you Him can be;  
His associate, the master role does play.  
For the goal of human life to achieve,  
Then one needs only your mercy receive.

Your knowledge, faith, with Krishna is replete;  
To disciplic succession great esteem.  
With these, philosophers you did defeat;  
Bring to conclusion Krishna is Supreme.  
All you convinced for purity is force;

A true tribute to the Guru is your course.

The behaviour of a perfect person

In every step of yours to us, you show.

All who that follow you know for certain,

For perfection, one needs only you know.

It is only by your causeless mercy that today I have got an opportunity to take up to Krishna consciousness, I am not at all qualified and I don't even deserve for what you have given to me, Even life after life I can't pay back to you for what you have given to me, I am always indebted to you my spiritual master.

Now let me utilize this human form of life to serve you and Krishna, please accept me to act as one of the instrument in carrying your mission forward. My Dear Beloved A C Bhakti Vedanta Swamy Srila Prabhupada,

Accept My humble obeisance Unto You.

I still remember the day, when I got in touch with you. That is the most memorable day which changed my life completely. You made my depressed life into Happy Life just by Prasadam and Hare Krishna Mantra.

2 years back I Still remember when I have visited Iskcon Bangalore, there's a person who asked me to attend the yoga for happiness session, from that day onwards I was connected to you, but what made me hold on to you is Prasadam and Mangala Arti Darshan of the deities. During festivals, you gave me service to please Radhakrishna Chandra which gave the lifetime experience.

I want your blessings throughout my life to be in Krishna consciousness and spread it.

Your fallen servant,

Dear Srila Prabhupada,

Please accept my letter as a gift of your birthday with your grace and kindness.

My journey started from listening to your words in the temple of ISKCON and in the temple everyone sitting and watching your speaking about the sun and human "if the sun absorbs all the water from the earth like -Salty, sandy, clean and dirty water, that does not mean the sun will become dirty or get sick if the human does the same practice as the sun then men will become sick and not able to purify that dirty water to clean, but the sun can.

1. You taught us to realize that our soul is created by the God ( Krsna ) to be good and kind to each other.
2. You made people read Bhagavat Gita everywhere in the world.
3. Yoga explained in the best way that each and everyone will experience the power of yoga and Bhakti Yoga
4. Explained better the science of the living things and non living things, like how to live the life of a Human being.
5. Greatly written the 70 books in a short time and for the long time purpose that everyone should read then understand Lord Krsna and his teachings towards living beings

Just the great Vedic Scriptures said about the reading

*Sārgasya Prathisargaśya  
Vāṁsho-manmañtho ranichya  
Vāṁshano charithan chethi purānam panchalakshanam*

“Sargasya - how world is created and formed human life, Prathisargasya - ending of the being and beginning of the end, Vamsham - being born in the great family and conquered, Manmantharanicha - rulers of human being, Puranam - old texts containing new words, Panchalakshaman - five qualities.”

We have to get 5 important knowledge of the veda when we read from any book of the vedic scripture which will give us the understanding of the purpose and the realization of God Created soul, then how it's created and for what's it's created and what is the duty in this material world, what happens at the end of this life the soul leave s and gets another birth and continues to this process, so the soul is eternal and immortal in the mortal material world.

His Divine Grace A.C. Bhaktivedanta Swami Srila Prabhupada: Books you wrote have this 5 quality and after reading we are become qualified to understand "God, Bhagavan, Paramatma", and Krsna Consciousness you spread across the world is helped, everyone. We understand the soul and it's a purpose to live on this material world by chanting:

*Hare Krishna Hare Krishna Krishna Krishna Hare Hare  
Hare Rama Hare Rama Rama Rama Hare Hare*

which is accessible across the world and anyone can Chant and Meditate on their comfort and their pace.

Veda's Mention in the this Kali-yuga it's hard to perform the Vedic Rites and Rituals like before but this chanting is made easy to everyone even anywhere and everywhere we can perform and just like the Vishnu Sahasara namam is 1000 names but if we read and chant the Sloka of Rama:

*Shree Rama Rama Rameti Rame Raama Manorame  
Sahasara Namam Tattulam Rama Namam Varanane*

If we chant this sloka three times then this Sloka is equal to the 1000 names of God Vishnu that you chant, same like that Hare Krsna Mahamantra chanting it's equal to all the veda and Vedic Scriptures

Scientists Research Atomic and the Subatomic particles on this earth and we think scientists discovered the particles existing, what If he didn't discover? that doesn't mean there are no such particles and if it's not found by anyone that

does not mean it's never been or is, if you never ask the question then the answers are never found. Everything is there in this planet or in this Galaxy but there is no one there to ask the question and the Answers is always there even if there are no Questions in the World You made us realize this from your Grace teaching with kind words of God Lord Krshna on this planet or beyond this Planet.

Thank you.

Your Servant,

Bhakta Suresh Babu J B.

Dear Srila Prabhupada,

Please accept My Humble Obeisance. All glories to your divine grace.

After taking shelter at your divine lotus feet, I understood what is the meaning of life. What is Krishna? your lectures made me so strong that I became very confident about my life. Previously before coming to Krishna consciousness, for a small material problem I used to become so worried and tensed that I used to start praying to demigods here and there. But you opened my eyes to the ultimate destination. By your mercy, I am always thinking about Krishna and Hari Nama Sankirtana. I understood what is the ultimate goal of life and fixed it in my mind. Prabhupada by your mercy I also understood what is samsara. And I strongly believe in my mind that except Krishna no one is there for me to save from this ocean of nescience.

At last not the least I always thank Krishna that he is very merciful on me and provided a Guru and spiritual master like you.

And I will always try to engage myself in the devotional service of Lord Krishna under your guidance.

Jai Srila Prabhupada.

Hare Krishna,

Please accept my humble obeisances to your lotus feet, on the auspicious occasion of the appearance day of your divine grace.

*Om ajana timirandhasya jnananjana salakaya*

*Cakshur unmilitam yena tasmai sri guravea namah.*

*"I offer my respectful obeisances unto my spiritual master, who has opened my eyes which were blinded by the darkness of ignorance. with the torchlight of knowledge."*

You have bestowed your causeless mercy upon the unqualified and fallen souls, I am lucky enough to be one amongst them. I sincerely thank you for your causeless mercy upon me by accepting me as a member of the Krishna Consciousness movement.

You went to Western countries to fulfill the desires of your spiritual master Srila Bhakti Siddhanta Saraswati Goswami Thakur Prabhupada, which You took it as a challenge to spread Krishna Consciousness all over the world, at the old age of 67, without sufficient money and manpower, only with determination, traveled to New York in a cargo ship, with health

problems. It was an impossible task but for your determination and mercy of Lord Krishna, you have succeeded in establishing the International Society of Krishna Consciousness. You have converted Hippies to devotees of Lord Krishna. Thus your holy birth has blessed mankind with transcendental and spiritual knowledge. You are always present with us through your books, I have great pleasure in reading your books, your straightforward expressions and comments have touched my heart, which inspired me to read your books regularly, they helped me in advancing in the spiritual path. I am very much grateful to you for the huge knowledge imparted through your books to the entire world.

I have been chanting 16 rounds of Hare Krishna maha-mantra for around 9 months. I have learned from Srimad Bhagavad Gita, I am not this body but I am a spirit soul. But I am engaged in too many material activities like surviving my mind and satisfying my senses like a sense gratification. By these activities, I am forgetting my original position as a servant of Krishna. By the mercy of you and Lord Krishna, I choose the path of devotional service daily 16 rounds chanting and following your instructions like 4 regulating principles and book reading, all those things.

Please bless me to read your books and instructions which will save me from all kinds of Maya in this material world. Please engage me more and more in your missionary activities and give me the opportunity to be part of your mission of Hare Krishna Movement. Please guide me on the spiritual path and give me more and more Lord Krishna devotee's association.

All glories to Srila Prabhupada.

Your Insignificant Servant of your Servant,

Bhakta Suresh Reddy P.

All glories to Srila Prabhupada,

Gurudev, Please accept my humble obeisances.

The most important knowledge for a human being is spiritual knowledge. Because it not only helps one to face the current problems but also

gives him the path for eternal happiness. While there are so many ways to get this god realization, it was impossible for the people in today's world to understand the process of enlightenment and follow it sincerely as it involved too many complications. People go in search of this knowledge to deep forests, himalayas yet don't get successful.

You connected the modern world to the process of Bhakthi Yoga which is a straight forward approach for God realization.

It is a very rare fortune for few souls in the world to get in touch with this Bhakthi Yoga. It is even rarest fortune to get a guru like you Prabhupad, who simplified the Bhakthi process so that unworthy and unfit jivas like me are able to pick it up and try to follow. Prabhupad, there are even more fortunate souls who have dedicated their lives for serving you and Krishna for their lifetime. I am not disappointed that I did not get such fortune, it is clear that you and Krishna have reciprocated according to the wishes and capability that one could withstand in the path of perfection. Please bless me that I never get out of the track of Bhakthi, to never forget Krishna and give me the strength to hold on to you forever, no matter whatever ups and downs comes in my life. Oh Ocean of mercy please forgive me for the mistakes I have committed at your lotus feet. I have failed to fulfill the commitments in the spiritual journey.

Me entering to the Grihastha Life shortly would beg your mercy to be showered on me and my complete family. Give me the strength and right knowledge to serve you and your mission to its best that is possible being a Grihastha. Please shower your blessings for the new member of our family. Give me the strength to continue chanting 16 rounds every day without fail.

Your most unfit and weak servant,

Bhakta Suresh V.

Dear Srila Prabhupada,

Please accept my respectable obeisance unto your lotus feet, all glories to Srila Prabhupada.

I am so grateful to you because nescience is gutted by your boundless mercy and knowledge then I realized what is the ultimate goal of life by reading your books and listening lectures, association with Vaishnava. Your books as time bombs which are down poured from spiritual sky to this material world, to enlighten fallen souls whoever read your books at least one page then their life will be successful. By reading your books such as the Science of Self-Realization, Life Comes From Life, Beyond Birth and Death, Bhagavad -Gita was influenced by life. You presented Vedic knowledge as it is, which impresses me, which the world is looking for, the translation from Sanskrit to English making it available to everyone. You said human beings are thinking that they are enjoying but suffering examples as camel eats thorns by listening to this I became astonished. Everyone is taking care of the body which perishable, and forget the soul. They don't know about the birth cycle, how to avoid it. *janma-mṛtyu-jarā-vyādhī duḥkha-doṣānudarśanam (BG 13.9).*\* One should be intelligent to see the troubles of these four incidences of life. The concept of soul and its transmigration which is explained in Bhagavad Gita is really mesmerizing.

I always indebted to you guru Maharaj Srila Prabhupada.

Yours servant of Servants, Bhakta Suribabu.

*om ajnana-timirandhasya jnananjana-salakaya cakshur unmilitam yena tasmai sri-gurave namah*

Dear Srila Prabhupada,

Please accept my most humble obeisances. All glories unto you!

O Gurudeva, this year I got the opportunity to study Srimad Bhagavad Gita for the second time. I am eternally grateful to you O Gurudeva, for had it not been for your mercy and empowerment I couldn't have understood or relished a bit of the boundless nectar of the Gita. I have understood that no one in this age is anyway close to being eligible to even see, hear or know any tiny bit of Krishna. It is impossible to know Krishna with our senses, mind and intellect even if we try for a million lifetimes for these are materially contaminated. It is only by the mercy of a pure devotee of the Lord can one know the Lord as He is, as revealed by Krishna Himself yielding to the desire of the pure devotee!

In December last year, I learnt the Guruvastakam and couldn't hold the joy within when I realised that this ashtakam perfectly describes you. O dear Gurudeva you live your life in such a flawless way that each line Chakravartipaad has enumerated in his beautiful work describes your transcendental pastimes! O Gurudeva, you are that great Mahabhagavatha who revealed Krishna to all classes of people and thereby gave them the greatest gift of Krishna consciousness! With your immense compassion, genuine love for all living beings and limitless mercy you bestow true knowledge upon us fallen souls.

Your unparalleled determination to serve the mission of Sri Chaitanya Mahaprabhu, compassion and most importantly, your transcendental faith in the Holy name of Krishna - has, is and will always inspire me immensely to take up devotional service to Krishna. During challenging situations your example always guides me to figure out the Krishna conscious solution. You always motivate me to advance further in the path of spiritual realisation and to live such a life which would serve as an inspiration to others to take up this path of Bhakti: the sublime way of living a life of purification for ultimate perfection!

In a Bhagavatam class, I came across this beautiful statement which is as follows - “ That personality, after having heard the Vaani of whom they desire to serve Krishna arises in our heart, *is the spiritual master*”. I repeatedly bow down to you my dear Gurudeva for giving me the goal of my life - *to serve Krishna at all times, in all places and in all circumstances!*

It is only by Krishna’s unconditional mercy that one can come in contact with a pure devotee of His. Pure devotees like yourself reveal Krishna to people and it is Krishna who sends His bonafide devotees to show His anukampa on us.

Getting shelter of a bonafide pure devotee spiritual master like you is the Supreme mercy Krishna has bestowed upon me ,for which I shall remain eternally grateful !!

I may not have seen Krishna but I have seen you Srila Prabhupada and hence I have seen Krishna, Krishna is His entirety!! Krishna’s mercy is non-different from Krishna for both are on the same absolute plane! If Krishna gives me the opportunity to serve only one personality it would doubtlessly be you O Gurudeva for in your heart resides the whole spiritual world - Krishna in all His forms in all His transcendental abodes!

Chaitanya Mahaprabhu bestows Krishna prema: the perfection of bhakti to everyone causelessly and hence His mercy is boundless like an ocean. Even if one is blessed by a fragment of that mercy, he attains the highest bliss. For me, you are the personification of Mahaprabhu’s mercy and hence I would like to give you a name -" *Sri Chaitanya karunaamrita-murti* “, please accept this humble offering of mine, it would mean a lot to me!

In February this year, by your blessings and the will of Prabhu Jagannath, I had the fortunate opportunity to visit Sri Purushottam kshetra, Jagannath Puri, with Pranaav’s family. This was my first Dhama-yatra and it was a spiritually uplifting experience gifted by Jagannath. My heartfelt gratitude to you O Gurudeva for bringing the Deities of Jagannath Baladeva Subhadra Sudarshan from Puri to Pranaav’s place and blessing their family.

By your blessings, I have the association of many young enthusiastic devotees who motivate me and walk along with me in the path of bhakti. You have always engaged me in assisting you to serve my home Deity , Sri Radhikaramana Vasudeva Krishna and have empowered me to do various activities for His pleasure. You have done soo much for me that words can never suffice to express my gratitude to you!

I would like to submit a prayer unto your lotus feet, inspired by the 33rd verse of Mukunda Mala stotra by Sri Kulasekhara azhwar which is one of your favourite verses.

*kṛṣṇa tvadīya-pada-pańkaja-pañjarāntam adyaiva me viśatu mānasa-rāja-hańsaḥ  
prāṇa-prayāṇa-samaye kapha-vāta-pittaiḥ kaṅṭhāvarodhana-vidhau smaraṇam kutas te*

“O Krishna!, Please allow my mind to immediately yield to your lotus flower like feet , just as the flamingo enters into the labyrinth of the lotus flower’s stems. When at the moment of my last breath my throat becomes constricted by the action of the bodily humours air, bile and phlegm, how will I be able to remember You?”

Just like how Sri Kulasekharaazhwar prays here to Krishna, I beg you to accept my surrender at your lotus feet immediately, before my mind which is now conditioned may hinder me from doing so in the future. I beg you to kindly bless me so that I can surrender to you completely and accept and imbibe in the right mood all that you want to teach me. By your grace may I remember my eternal constitutional position as a spirit soul part and parcel of Krishna who is eternally related to Him by eternal devotional service.

In that consciousness (which you have given me) let me always serve you, the Vaishnavas, Mahaprabhu, Srimati Radharani Maiya and Prabhu Sri Krishna. In this way, by my action let me inspire many more to take shelter at your lotus feet , *If you so desire!*

*Vande Guroh Sri Charanaravindam!*

Servant of your servants (trying to be),

Bhakta Suriyanarayanan N.

Dear Srila Prabhupada,

My heartfelt obeisance to your holy feet.

I am really grateful to have found you as my spiritual master. It is only due to your holy grace that I am able to cleanse my mind every day and purify it with the holy maha-mantra. It is by your holy grace that I am still healthy and my day to day activities are moving during this Covid pandemic. It's by your holy grace that all devotees are healthy mentally and physically during this pandemic situation. It is by your grace that I am in the position where I am right now and able to give time for my Lord. I really thank you for the blessings shown to me and would request you to please forgive me for the wrong things done by my foolish mind. I humbly request you to please shower your blessings and make me feel the divine ecstasy of serving the Lord and always keep my mind fixed on Lord Rama and Krishna and make my life successful to reach the Paramdham / Sri Krishna in this life.

Dear Srila Prabhupada,

Please accept my humble obeisance. kindly accept my heartfelt prayers

I would like to present a short letter to you, on your appearance day.

Oh! my dear Master, one should have done great punya for many past lives to be born in a family that is following a divine path that is laid by you called KRISHNA CONSCIOUSNESS, the only path that can make one reach the lotus feet of the Supreme Personality of Godhead, Lord Krishna. Reading your divine books has always helped us all to find solutions in the toughest situations of life. By your mercy, we are always holding onto the lotus feet of merciful Krishna & trying to get into Vrindavan. I'm saying this because we have seen many people consciousness and failed in very early stages, this

shows how much mercy we have been receiving from you that we are still in Krishna consciousness even in this extremely illusionary world. I can't explain how grateful I am for having a great association of devotees at FOLK. It is your causeless mercy that I have started chanting 16 rounds of Hare Krishna maha-mantra every day! I request you to shower your blessings more and more so that I and every devotee can proceed in Krishna consciousness for an eternity. Thank you.

Your humble servant,

Bhakta Swaroop Reddy.

I am very fortunate to be in touch with you & your mission. You have set an example of how a bonafide guru lives in this material world. You have given so many translations of our Vedic scriptures & enlighten this world with your teachings. Your mission has shown a path to the fallen souls to get eternal happiness. By the mercy of Lord Krishna, I am really blessed to have an association with you & your disciples. You have shown this world that any kind of person with demonic mentality can be transformed into a devotee just by chanting Hare Krishna mantra. Association with you is really my fortune & your mercy where I got after many many births. One day for sure, with your instructions & teachings this whole world will be transformed to Vaikuntha. By your mercy, I wish to be a servant of you & your mission birth after birth. Please engage me in the service of the Lord forever.

Dear Srila Prabhupada,

I humbly offer my respectful obeisances to your divine lotus feet.

On this blessed day, I don't have any words from this contaminated mouth with which to glorify your holy name. You have so mercifully delivered me from the wretched sinful life I was engaged in. You have shown me the path to Krishna Consciousness, and help me understand my eternal relationship with Lord Shri Krishna.

Without your blessings, this fallen soul would have always been in the darkness. Forgive me for all my wrongdoings, words won't be sufficient to express my gratitude towards you. I just pray unto the lotus feet of yours and Lord Krishna that I may never give up the shade of his Lotus Feet and may I be able to serve you in the best possible way.

All Glories to my spiritual master Srila Prabhupada.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to Your Divine Grace.

It is stated in the Caitanya-Caritamrta that only one who has Krsna's mercy can spread Krsna consciousness to others. This contribution gives you a unique place in the line of spiritual masters coming down from Krsna Himself.

You have also given us your books, which are the touchstones and beacons of light in this age of Kali. Because they are written from a pure devotee's point of view, they are unlike any other materialistic literature in the world. One who reads these books is truly blessed, because they are getting the association of a pure devotee, and it is said that even by a short duration associated with a pure devotee, all perfection of life is possible.

You have also shown us by example what it means to be a pure devotee of Krsna. This is the most extraordinary thing. Over so many years and being scrutinized by so many disciples in your personal association, you continually impressed them with your integrity, your personal style, and your always perfect instructions to us. Throughout all the stories I have heard about you, there has never been even the slightest tinge of personal motivation on your part. You were interested in pleasing Krsna and your spiritual master always and without deviation. I think this is the key to your success. Your high integrity allowed you to impress upon people that they needed to make changes in their life, and you were successful precisely because everyone knew you had no motivation for personal gain and that what you were giving was authentic and authorized.

Srila Prabhupada please have mercy on me. I am still plagued with materialistic vision and material identification. But I have faith in your books, the Holy Name and your instructions. Please bless me that I will become a proper recipient of your mercy, and engage me in your service.

Your servant,

Bhakta Tarun.

My Dear Spiritual Master, Oh Gurudeva,

Please accept my humble obeisance.

Although I am most fallen, I am full of all the bad qualities like enviousness, lust, etc., even I am not at the level of a human being but you have still accepted me. You have given me the most effective method of chanting to overcome these bad qualities. It is only your mercy that I am able to give time for chanting. The "*Asharya program*", the system of engaging myself with Lord Krishna's service and gradually progressing on this path is a very effective method. I know that it is your direct mercy which helps me to some feel the message of Lord Krishna that we are not this body we are soul. Srila Prabhupad, please bless me with your mercy even though I do not deserve it. Please give me strength so that I can engage myself in your and Lord Krishna's service even with a better consciousness.

Please give me strength so that I can become your initiated disciple.

Thank you.

Yours obediently,

Bhakta Tarun.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to unto your lotus feet.

My metamorphosis from a normal person to a Krishna Consciousness devotee has helped me both in spiritual and material advancements. I am really glad to apprise you that I have advanced a lot in my spiritual life by reaching 16 rounds of chanting Hare Krishna Maha Mantra. All my past good karma combined could not have provided me an opportunity to gain knowledge of Krishna consciousness from a Virtuoso pure devotee like you. Thank you for your mercy. Chanting continuously has made me taste the nectar in it and I want to continue this throughout my life. Being in Krishna Consciousness for more than 3 years, my progress was dilatory but was effective. Krishna consciousness made me realize so many things simply by hearing and reading about Krishna continuously. The effervescence in your books has made me realize the soul by controlling the vacillating mind. I'm blessed to be a part of ISKCON - the real spiritual consecrate of the whole world, The Kirtans and speeches on Krishna are euphonious. Chanting has helped me to mollify my anger and anxiety, in turn transforming my personal life. Prabhupada, I pray to you that all these sadhanas which I have learned should be inured in my life and also use me as an instrument to propagate this great message to other souls who need Krishna Consciousness.

Your humble servant,

Bhakta Tejas S K.

Dear Srila Prabhupada,

My sincere obeisance at your lotus feet. All glories to your divine grace.

On this auspicious day of Vyasa puja, I am humbled to pay homage to you Gurudev.

I feel that I don't deserve to even write about your glories as I am the most fallen soul in the world incapable to describe your divine greatness. You are still driving this hopeless servant towards Lord Krishna through the association of your wonderful disciples. It shows how merciful you are. My koti koti pranams to you.

In this age of Kali and the material world full of miseries, oh my spiritual master! You are the one who has taught practically how to be in constant blissful association with Krishna by chanting the holy name and following practical routines and

regulative principles. I beg your mercy always to survive all the difficulties in this life and to be engaged in Krishna consciousness through the association of devotees.

Dear Srila Prabhupada,

Please accept my respectful obeisances unto Your lotus feet.

On this auspicious occasion of Vyasa Puja, I would like to express my heartfelt gratitude to you for blessing me with your causeless mercy by bringing me in contact with the movement of Krishna Consciousness. When I was suffering from my emotional imbalance, somehow by Krishna's grace, I was introduced to Krishna Consciousness and due to constant chanting, my lifestyle has seen many changes. With your philosophical books, my limited knowledge shattered and drove me to learn the transcendental knowledge of Krishna.

Your humble servant,

Jai Srila Prabhupada,

I always feel the relationship between you and me as a Father and Son, because father is the one who accepts Son's mistakes and keeps trying to teach what is right and wrong, however, If you were not there millions of people like us would have been entangled with Material Maya. You told us in simple words who we are, why we came here, and what are our responsibilities in very simple words which can not be told by the so-called Scientists. Most importantly you made to spread the most important medicine to this Kali yuga called Mahamantra "*Hare Krishna Hare Krishna, Krishna Krishna Hare Hare, Hare Rama Hare Rama, Rama Rama Hare Hare*" which is the essence of all mantras in the Planet.

Once again Thank you for the guidance and opportunity you created for us to attain the Supreme Godhead KRISHNA.

Your Servant,

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories unto you on this special day of your appearance on this planet. You being a pure devotee of the Supreme Lord, are always in Goloka Vrindavan. You came to this planet only to shower mercy and pick up us from the ocean of agnosticism.

At the beginning of my life, I was in the trap of salacious material world, because of that I have suffered a lot. Two years back, Fortunately, I got a chance to attend "one day workshop (Yoga of Happiness)" at ISKCON Bangalore, where I got introduced to Krishna Consciousness and the great Spiritual master Srila Prabhupada.

One can understand the real truth of this universe by reading any book of Srila Prabhupada. (A small book is sufficient). I got a chance to read "Life comes from Life" book, from this I understand the real science of life. Srila Prabhupada not a Ph.D., in any materialistic science (physics, chemistry, biology. Etc., ) Yet he challenged many reputed scientist and

professor in USA. Because, *Yasmin vijnāte sarvam evam vijnātam bhavati* [Mundaka Upanisad 1.3] “If one knows the Absolute truth, all other things become known”. I want to read all Srila Prabhupada’s book to understand the real science and surrender to lotus feet of lord Krishna. Please forgive me Srila Prabhupada, for all the offenses that I have consciously and unconsciously committed against you and allow me to never forget that I am your eternal servant and that my eternal duty is only to please you and the Supreme Lord. Bless me to chant more and read more and serve more. "The spiritual aspirant's only business is to accept a spiritual master, the Guru and through him, we must accept the lotus feet of the Lord" (Srimad-Bhagavatam 5.14.1 purport)

Please use me as a small instrument in your mission.

Your aspirant servant,

Dear Srila Prabhupada,

I offer my dearest and humble obeisance unto you.

I would like thank you for providing me enlightenment in showing that there is a world that is completely different from the material world that we live in right now. I have never thought that this would be so great and beautiful which would give me complete mental peace.

I would thank you for providing me an opportunity to stay in the midst of the Vaishnava’s which I consider to be one of the greatest gifts which you have provided me through the organization that you founded. This gives me a beautiful gateway to practice and experience the Krishna consciousness to the fullest. I feel more gifted for this opportunity. The well-structured preaching programme of yours has enlightened many in the world which has also started influencing me and it has really changed the way I see the world.

The opportunity to do Mangala aarti and chanting holy name daily itself is the biggest gift for me and everything is because of your causeless mercy. By following your teachings I have really seen a lot of ability to overcome the Maya in this material world. I am always grateful to you.

I pray to you for your grace and blessings throughout my journey in following the Krishna consciousness principles.

Dear Srila Prabhupada,

Please accept my humble obeisances.

There was a time in my life, where I dreamt of something, I worked hard at it and achieved it, whether it is academics or sports or relationship goals. I always thought that I will be happy after getting all those things. But even after getting all, I was not happy. I asked friends' parents and many people, but couldn't get a convincing answer. Then I found one book on my bookshelf, KRSNA. On its back cover, I found my question. I read that book, got so many questions that were within me. Got convincing answers.

From then and there, I am in touch with ISKCON. But not actively yet into Krishna consciousness.

But I really enjoy bhajan kirtans. Even I turned to vegetarian. Helped me to get less angry.

Thanks for all such teachings and the culture of association, you gave us.

HARE KRISHNA.

Your servant,

Bhakta Utkarsh Singh.

My Dear Spiritual Master Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet.

I came in touch with you in "Folk Yoga for Happiness".

I enjoyed Kirtan, Krishna Prasadam, elaborate decoration for deities, wonderful festivals in ISKCON.

By participating in festivals, my consciousness was purified.

I should remember Krishna at the time of Death.

My desire is to help people who are in ignorance and darkness to introduced you as spiritual master (spiritual master or pure devotee of the Lord who takes back to Krishna just by following his all instructions), your philosophy and about Krishna Bhakti. Please shower me for your blessing.

Thank you Srila Prabhupada for all your sacrifices to give me Krishna in my life.

Your aspiring servant,

Bhakta Vaibhav.

Dear Srila Prabhupada,

His Divine Grace A.C. Bhaktivedanta Swami.

Prabhupāda (Founder of ISKCON) has been a tremendous source of inspiration and knowledge in my life. 1st thing which attracted me to Prabhupada was that unlike other Hindu Acharyas, Prabhupada always talks about Krishna as the Supreme Personality and asks to surrender unto him and promoted his holy name and never promoted himself as God.

After reading Prabhupada books, seeing Hare Krishna movie & listening from Devotes in the temple, the most inspiring thing is, the way he teaches us how to depend on Krishna in all circumstances and work under his protection while chanting lords holy names.

I wish to inculcate the determination and faith he had in Lord Krishna and sincerity with which he followed his spiritual master's order and surrender to the Lord.

Hare Krishna!!

Your Servant,

Bhakta Vaibhav Chadda.

Dear Eternal Spiritual Master Srila Prabhupada,

Hare Krishna Prabhu.

Please accept my humble obeisances unto your lotus feet. The HKM movement, you started is carried by your disciples all over the world and now I am a part of it. I am happy to be a part of HKM. I have got a personal guide Hemanga Chaitanya Dasa here in ISKCON Bangalore. As a part of FOLK, I have learned a lot from your teachings in the form of books. I came to know who the superior of all gods from Brahma Samhita. I have read Bhagavad Gita as it is, it answered all questions of this material world to elevate myself to the transcendental position, to know the purpose of life (reaching Vaikuntha). Thank you very much, Prabhupada, for making me realize the root cause of all suffering and miseries, and for cleansing my soul from Maya. I agree though Maya is strong, it is defeated by engaging my senses towards Krishna bhakti all these will be grounded and I am working to cultivate it.

*om̐ ajṣāna-timirāndhasya jṣānāṣjana-śalākayā cakṣur*

*unmīlitaṁ yena tasmai śrī-gurave namaḥ*

*“I was born in the darkest ignorance, and my guru, my spiritual master, opened my eyes with the torch of knowledge. I offer my respectful obeisances unto him.”*

Your most important quality of kindness in showing the path to fallen souls as a torch in this darkness. You have educated us by showing how a devotee should be kind to others and help them to release from the clutches of Maya by praying to Lord Krishna. Your kindness paved the way to many to engage themselves in Krishna Consciousness. I am sitting alone in Vrndavana-dhāma.

In this mood, I am getting many realizations.

I have my wife, sons, daughters, grandsons, everything,

But I have no money, so they are a fruitless glory.

Krsna has shown me the naked form of material nature;

By His strength, it has all become tasteless to me today.

*Yasyāham anugrhāmi harisye tad-dhanam śanaih:*

"I gradually take away all the wealth of those upon whom I am merciful."

How was I able to understand this mercy of the all-merciful?

Everyone has abandoned me, seeing me penniless Wife, relatives, friends, brothers, everyone.

This is misery, but it gives me a laugh. I sit alone and laugh. In this *māyā-samsāra*, whom do I really love? Where have my loving father and mother gone now? And where are all my elders, who were my own folk? Who will give me news of them, tell me who? All that is left of this family life is a list of names.

Prabhupada at last I am begging you to guide my soul in the right path to reach the Vaikunta where all the souls can reside in serving Lord Krishna through you. Please help in granting the blessings of Radha Rani and Lord Krishna. Please hold my soul so strong that it will not fall again to this material world or any other planet. Please show mercy on me and elevate my consciousness more towards Krishna.

O Dina Abhaya!! Please award me the fearlessness that is Krishna Consciousness to conquer Maya.

Your disciple,

Bhakta Vamsi Krishna Gollapudi.

Hare Krishna Srila Prabhupada Ji.

Please accept my humble obeisances. Would like to thank you from the very bottom of my heart and mind. It is your organization that you setup single-handedly from the age of 71 and made such nice facilities that people like me are able to access Krishna through various methods and benefit from it.

I am really grateful to you for all the nice things that are happening in my life due to the association with your organization.

Through your books, I'm learning so much about the right way to live and thereby become more pious and peaceful. In fact, my dad and brother too are taking to Krishna Consciousness slowly and it's unbelievable that your organization is having such a vast impact and positive influence on so many lives. We're really fortunate to have such direct access to Krishna through you. Thanks for guiding me and all other people.

I really love your way of talking and convincing. You remind me of my grandfather who too was a very pious man and so I'm able to easily listen to you and get convinced by you.

Thanks for the books, the mala, and the devotional spark you have ignited in me.

You really are a true scholar and saint and I hope and wish all that you have to teach is taken up by everyone and this society is uplifted and guided in the right direction.

Please bless me and enable me to become more pure and devoted to Krishna. Thanks again for all the facility you have provided and access you have given me up Krishna. I hope to continue in this and better my life as per the Vedic ideal.

Thank you and love to you,.

Your servant,

Dear Srila Prabhupada,

Please accept my humble obeisance unto your lotus feet.

Thank you for explaining to us the path given by God to reach him back. You have given us the words of Krishna as it is and helped me to find the true path of this human life. In the modern-day, when everyone is neglecting the path of spirituality, the essence of life and going behind the false concepts of the West, you lit up the light of pure knowledge. Thus enlightening the innocent minds of ours by planting the pure love towards God, you fulfilled the meaning of life. You made me realize that only by chanting the holy names of the Lord, one can find bliss. Thus helping us realize the essence of chanting, you made our lives real sweet. Chanting, a form of meditation had brought many positive changes in my life.

Your servant,

Bhakta K Varun Krishna.

Dear Srila Prabhupada,

Please accept my humble Obeisance.

All glories to Srila Prabhupada. All glories to you on this auspicious Occasion of your Vyasa Puja.

Before coming to KC my life was always the same routine mundane activities of watching movies, PC games, eating anything, studying very seriously for exams without any purpose of my own, etc. Neither did I develop in my material life nor spiritual life simply was wasting time and years passed by. I never had a plan but instead, I was part of others plan. But after following the instructions of Srila Prabhupad, such as Chanting 16 rounds, hearing Bhagavatham, reading Gita, tasting prasadam, seeing Krishna daily, associating with devotees, engaging in services, I quickly in just a few years realized the amount of time and energy I have wasted. I no longer follow my parent's plans or boss plans. I can clearly see everything and make my own decisions. I could easily give up my lower tastes in a short span of time. And in spite of difficult situations due to my past deeds, I am more patient, confident, and peaceful due to KC. I hope soon my heart may be cleansed of all material contaminations and develop devotion towards Lord Krishna.

Just like a beautiful lotus flower rises from the dirt. I have been pulled from hell of ignorance to the platform of highest love, bliss, knowledge, and eternity, just because of your mercy. Please keep me always under your shelter. May you please bless me that your instructions and Vani be eternally carried with me in any life form until I make it to the spiritual world.

Thank you Srila Prabhupada,

Your humble disciple,

Please accept my humble obeisance on this most auspicious day.

With Krishna's mercy, we meet our guru & by guru's mercy, we meet Krishna.

Having a glance over my life journey, I can feel how you directly took charge of my life. It seems as if it was yesterday when I came for your Vyasa Puja celebration in 2019, completely unknown about the authority you possess. By your grace, I started chanting the holy names of Krishna, started reading your books & associating with the devotees, etc. All this was possible within a short span of 1 year.

On this auspicious day, I pray to you & Krishna to keep my family safe & healthy & never leave my hand while I sail through this material world. I pray to you to always keep me in your association so that my life can be properly utilized by offering some service at Your lotus feet.

Dear Srila Prabhupada

So the first time I saw the Prabhupada Bhagavad-Gita book distribution team and came to know Prabhupada Krishna consciousness movement, which helped me to overcome depression and get some decent IT job, which increased faith in the Lord and from that moment every time worshipping Supreme Lord Krishna. And leaving bad habits and material dreams, knowing what is life, and what we need to do in this life, to go back to go ahead. Thanks Prabhupada for your struggle in America to establish temple and from there everywhere around the world and for our platform to just chant and have prasadam and dance and being happy in this life and going back godhead.

Please accept my humble obeisances at your lotus feet. All glories to Srila Prabhupada, who spread this Hare Krishna maha-mantra to all over the world.

In fact, I'm unqualified to glorify your transcendental glories. But I'm trying to speak little things on this auspicious day (Appearance day).

When my initial days of visiting the temple, I think like you're also a normal man why people are giving a lot of respect to this man. After reading your biography every page and every situation how this man struggled to tell this truth all over the world. What is the importance of human life? At that point, I decided you are my grandfather eternally. In some situations, I cried, happy and frustrated myself in some situations why you need to struggle at that age and traveled all over the world 7 times and manifested 108 temples all over the world, so. on...

My dear Grandfather, please give me the chance to take the shelter at your lotus feet and do a lot of services as a servant. For that, I'm begging your mercy to complete all the services and Japa with a devotional manner and strength to execute them properly this year as well.

Always trying to become a devotee with your blessings,

Bhakta Venkatavamsi Ramakrishna Pabbisetty.

Dear Srila Prabhupada,

Please accept my obeisance.

I m in Krishna Consciousness for 4.5 years and been chanting 2 rounds of Hare Krishna every day for around 2 years and the first thing I learned in ISKCON from Bhagavad Gita is I'm not this body and I learned this and realized this by chanting and by my spiritual guide. I understand that in order to stop the cycle of birth and death by surrendering to Krishna through Bonafide spiritual Master. Accepting his words implementing in my body-mind, and intelligence I can realize the truth which is revealed in the scriptures please bless me to follow this words of Krishna and achieve the highest perfection of going back to Godhead in this very life itself

Dear Srila Prabhupada,

All glories unto you at your lotus feet, Please accept my humble obeisances.

This year with your mercy I can see some improvement in me in Krishna Consciousness. It's been one year by now I moved ahead in life because of your mercy I am able to follow the regulative principles of devotional service and I beg for your mercy progress more in devotional service.

Your personal association through books and Vani at each and every stage of my life led me to progress in this devotional life. Without you and your instructions, I can't even imagine about devotion to Krishna.

*chakhu-dan dilo jei  
janme janme prabhu sei*

He opens my darkened eyes and fills my heart with transcendental knowledge. He is my Lord birth after birth.

I beg your mercy and I want you to be my Spiritual master for birth after birth.

Still, there is no much stronger conviction in me and anarthas I am doing in devotional life and service. I beg for your mercy to improve myself and reduce my anarthas as much as possible.

Please give me spiritual strength in my devotional service and enlighten me in Krishna consciousness.

*om ajnana-timirandhasya jnananjana-salakaya

I was born in the darkest ignorance, and my spiritual master opened my eyes with the torch of knowledge. I offer my respectful obeisances unto him.

Dear Srila Prabhupada,

Please accept my humble obeisance to your lotus feet.

It's my pleasure to write the glories and to offer it you, since from the day I started coming to temple I was like just coming to temple for having prasadam and darshan. Later turned to service on weekends then with your mercy I joined folk.

After joining folk group, I understood many things by your mercy and I got my own doubts cleared by your teachings like what should be the goal of the spirit soul. I am thankful to you my dear Srila Prabhupada for having answered my questions. As I was wandering here and there to find out how one can live peacefully.

You gave me the answer that Krishna consciousness is the only way of living peacefully by just following the formula chant, dance, eat prasadam and hear Krishna Katha made me understood there is no other way of enjoyment. Now I am witnessing myself to say that your jagadguru and your teachings are simply wonderful for anyone who is in search of happiness.

I am an unqualified person begging your mercy and trying to understand your teachings dear Prabhupada please bless me so that I can stay in Krishna consciousness always and get advanced in your teachings.

Dear Srila Prabhupada,

Please accept my most humble obeisances at your lotus feet.

All glories to you, Gurudeva!

Before coming in touch with your ISKCON Bangalore temple, I had no idea about the goal of human life. I only aspired for a materially successful life. When I came in touch with your temple, I read some of your books such as Science of self-realization, Beyond birth and death and so on, I also acquired real knowledge through your video lectures and senior devotee associations, and by the mercy of your Divine Grace and Lord Krishna, I understood the basic principles of Krishna consciousness for leading a meaningful life which is necessary for a devotee to come out of the four material miseries - birth, death, old age, disease.

I started to practice Krishna consciousness sincerely by doing chanting, hearing senior devotee lectures, and book reading and honoring Krishna prasadam. Sometimes, due to some circumstances, I am not able to do even simple things as you suggested for a devotee to do in daily life. But you are continuously tracking me and putting me on the right track by guiding from senior devotees. Thus I am able to follow Krishna consciousness.

I am praying to you sincerely that present days everyone is suffering from a lot of fear due to coronavirus misery, as soon possible please relieve them from the fear of death due to this virus. Now I understood this 2020 year practically we experienced how material miseries look like how that creates fear and anxiety in our mind. Now I understand why in your books you stress that we should come out of material miseries as soon as possible by practicing sincerely Krishna consciousness and go back to Godhead.

Srila Prabhupada, Please give me the enthusiasm, knowledge, and intelligence to make progress so that my mind can be fixed upon your divine instructions. Please give me the strength to follow them.

All glories to Sri Guru and Gauranga!

Thank you Srila Prabhupada!!

Your eternal servant,

Bhakta S Venkateswara Rao.

Dear Srila Prabhupada,

I offer my sincere obeisances unto your divine lotus feet on this auspicious Vyasapuja 2020.

I was going through many questions in my life/bodily sufferings and trying many things to overcome those. But, they were not at all working until I came to know about the real science of who I am from your books/your disciples.

When I got to know spiritual science with elaborate explanations by ISKCON devotees, My mind stopped thinking about all unwanted things and started thinking about Lord Krishna. Now I realized, I can not escape from bodily diseases and control my mind, without Lord Krishna's help.

Your instructions work like miracles in life if we follow them with discipline and devotion. I have to mention that I have developed more devotion towards you when compared to last year with daily chanting of Hare Krishna Maha-Mantra and Narasimha pranama ending with remembering you. I felt little incompleteness with Hare Krishna maha-mantra earlier and now It has gone away with your blessings.

I was able to render devotional service on Janmashtami day in 2019 in the main hall of ISKCON temple, Bangalore. All this because of your mercy and your disciples who are treading the difficult path with ease upon following your instructions.

We may miss having darshan and prasada in ISKCON Temple in COVID times. But, Faith upon you and Lord Krishna have become even stronger as tough times make everyone turn to Lord Krishna. Please bless us to remember Lord Sri Sri Radha Krishna Chandra always and chant Hare Krishna Maha-mantra daily with discipline and devotion,

Thank you Srila Prabhupada for being merciful upon us and giving us the most powerful Hare Krishna Maha-mantra. All glories to you !!.

Your's servant,

Bhakta Venkateswarlu Dandu.

My dear Srila Prabhupada,

Please accept my humble obeisances. All glories to you Prabhu.

When I am at 10 years of my childhood I am very much fond of Lord Krishna, at that time by your mercy I got Krishna Consciousness, devotee Association and got an opportunity of painting, Chanting and attending great Bhajans by Your blessings. I got this awesome Mercy of Lord Krishna. Every ending session I was enjoying chanting great mahamantra and having best prasadam Prabhu. This was my best Memorable Childhood day's Prabhu. In 2017, I joined Folk Community got immense knowledge from Yoga for Happiness and workshops which increased my real strengths to achieve real goals of life also inspired by stories of Druva Maharaj, king Ambarisha, And I got the best opportunity of doing Beautiful service (seva) in each festival to Lord Krishna. And we are understanding the "Bava aushadhi" real Medicine for all Human

beings and able to solve every problem of my life from the teachings and books. As You are present in Your books, Learning “Bhagavad Gita” Slokas with its meaning and purport it is the best way of understanding Lord Krishna and also as you said “Whoever reads the “Bhagavad Gita” they are intelligently remembering the Lord Krishna !! I am very much happy to have an association of a devotee of ISKCON as a Spiritual guide. Where I got an opportunity and made the routine of chanting 16 rounds which get to great pleasure. In 2019 July month, I got an opportunity to visit Puri and to have a great darshan of Lord Jagannath and even to pull the Ratha and we visited the places like thotagopinath, Bhaktha Haridas Thakur Samadhi, gambira and also alarnath and its sweet story it was an awesome experience Prabhu. In the year 2020 completely we are stuck in difficult situations Prabhu, even though we are able to attain darshan, great sessions by devotees and special session and personal guide by my folk guide also “Make it and Break It” its a complete key habits to change to actual human form!!! This and all great things happened by your mercy prabhu and I am really blessed to have great folk community and folk guide prabhu.

Thank you so much Prabhupada for giving all these to me, I'm grateful to You!!

Your humble servant,  
Bhakta Venu Kodandaram.

Dear Srila Prabhupada,

Please accept my respectful obeisances unto your lotus feet.

On this auspicious occasion of Vyasa Puja, I would like to express my heartfelt gratitude to you for blessing me with your causeless mercy by bringing me in contact with the movement of Krishna Consciousness. I would like to thank you for blessing us with the Hare Krishna Maha-mantra, enlightening us with its meaning, and also giving us the initial taste for chanting, so that we could embark on our journey in Krishna consciousness. In my limited journey on this path, I have certainly realized one thing, that the understanding and taste for such spiritual knowledge cannot be achieved by any amount of material efforts unless one has the mercy of the spiritual master. I would like to thank you for blessing us with the opportunities to render practical devotional services for the pleasure of the Lord, even though we are not at all qualified for it.

Please continue to shower your blessings and causeless mercy upon this conditioned fallen soul, for there is nothing other than the shelter of your lotus feet that can help us stay focused and disciplined in our spiritual life. Words are not enough for us to express the gratitude and reverence for your mercy upon us.

Dear Srila Prabhupada,

Please accept my humble obeisance. I am feeling myself to be blessed to be associated with ISKCON and its devotees because since my childhood days I was very curious and eager to know more about the Krishna, but I did not know any source from where I could get that knowledge until I came across with your books and your teachings. Your books were truly an eye-opener for me because I learnt many new things in it, like Krishna's teaching, Spiritual life, Vedic scriptures. And the most important thing which I learnt was how to inculcate Krishna teaching in our normal life and lead a good and simple life. I am really thankful to Srila Prabhupada for providing us with such a platform from where we can personally associate with devotees and know more about Krishna and your teachings and your perspective about the spiritual life. These things are really helpful for me in practising spirituality in my life. I am grateful to Srila Prabhupada for providing us with the right direction and right purpose of our life and finally helping us to go back to Godhead.

I pray to you that I always aspire to render service to supreme Godhead Krishna.

Dear Srila Prabhupada,

I would like to express my heartfelt gratitude to Srila Prabhupada for enlightening the human society about god consciousness. I have read your books with great attention and not sparing a single detail, and would listen to your kirtans and speeches with great devotion and would admire your vocabulary consisting of philosophical terms and phrases along with elegant hand gestures and animated facial expressions which is very impactful. Through your books and teachings, it was made clear that spiritual life was a science provable through reason and logic, not a matter of mere sentiment or blind faith, which is very appealing and acceptable by today's youth, like me. I will forever be grateful to you for creating ISKCON, an institution that has a wide outreach in the society and this Krishna Consciousness movement educates the people about the greater and higher purpose in life which is possible through a spiritual life. Thank you.

Your Servant,  
Bhakta Vijay Somusundara.

Dear Srila Prabhupada,

Please accept my humble obeisance unto your lotus feet. I came in touch with Krishna consciousness 1 year ago. After attending YFH I was chanting 1 round of Hare Krishna maha-mantra every day. With Krishna and your mercy I got the opportunity to have darshan of their lordships on Janmashtami (2019). First time I chanted 16 rounds. After that, I kept coming to temple and after visiting 1st trip pandharipura I developed a love for lordships and I stopped taking caffeinated drinks, controlled tongue for abusive and harsh words and so on. I started taking 4 regulative principles seriously. Also, I gradually increased my chanting to 10 rounds and jumped directly to 16 rounds of maha mantra. Since then I am waking up early between 4.30-5.40 am and chanting daily 16 rounds. I am not great in philosophy but it is said that three tattvas namely shiva, guru and Radha tattva can not be understood completely. Because there are endless things to discuss, there is no end. Of all the knowledge following the guru's instruction is the real initiation.

There are numerous past times of Srila Prabhupada when one reads can go in ecstasy or feel great separation from Guru Maharaj. One incident in which Prabhupada used to hold sankirtana for hippies in initial days at the matchless gift shop. One time a drugged addict person appears at the door and shouts, " Hi everyone". He was disturbing during the lecture. So Prabhupada told him to sit down and listen to the lectures and not to make noise. As Prabhupada was explaining. If you do menial service to Krishna, he will take care of everything. This fellow goes to the washroom, comes out and goes out to church. After some time he returns with toilet paper rolls and puts into the washroom. By looking at this Prabhupada laughs out and says " See! This is the reciprocation of Krishna". All of the hippies get surprised by Swamiji's words of wisdom. There are endless qualities of Srila Prabhupada but all the 26 qualities of the pure devotee as mentioned in Chaitanya charitamrita are found in Prabhupada.

Thank you so much Srila Prabhupada for ISKCON, Hare Krishna maha-mantra and your books. Thank you so much Bhaktisiddhanta Saraswati Maharaj for giving us Prabhupada.

Most Insignificant Disciple,  
Bhakta Vijay Soni.

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet.

*om ajnana-timirandhasya jnananjana-salakaya

I am very much thankful to you from the bottom of my heart for giving us Krishna Consciousness. When I was in the darkness of Maya, you have shown me the light of Bhagavat Gita which has helped me to understand how to cross this material ocean. Even though I am unqualified, you showed mercy upon me and given 'Hare Krishna Maha-Mantra' which helped me to face all material problems. Before coming in touch with Krishna Consciousness, I thought happiness means earn more money and gratify the senses. But after reading your books, understood the importance of human form life and what is the real goal of life. You have given us real knowledge and opens our eyes otherwise we would have been in darkness/illusion. You are so merciful on condition souls and showed the path to reach to the spiritual world. Simply by chanting 16 rounds daily, following four regulative principles and reading your books will liberate the conditioned souls from clutches of Maya.

Your Humble Servant,  
Bhakta Vijaya Ramarao.

I do not have enough words to thank you, as thank you is a very insignificant word for all your kind efforts in bringing us closer to the Lotus of Lord Gauranga and Lord Sri Sri Radha Krishnachandra. I am the most fallen soul, I try every day to overcome my laziness. I try to sincerely chant my rounds and to read some of your writings. I am still trying hard, but haven't managed to fully succeed. This year we may not physically attend your Vyasa puja due to this difficult COVID situation, once again I want to dance in main temple hall with my folk mates, want to relish delicious prasadam at English lecture hall, wants to hear my Folk guide's association closely, wants to attend workshops at MVT hall, wants to do some service in the temple during various festivals, finally wants to do Govardhan parikrama in Vrindavan. I pray at your lotus feet for your's and Lord Gauranga's mercy so that this pandemic can end as soon as possible and I cherish some more joyous blissful moments at the temple.

Thank you for the gift of true knowledge. By Your's and Lord Sri Sri Radha Krishnachandra's causeless mercy I'm progressing every day, bit by bit on the path of self-realization. Please bless me O Acarya! Bless me to improve my chanting. Bless me that I may never leave your Lotus feet because you are my only shelter and refuge.

Please accept my humble obeisance unto your lotus feet and I pray for your merciful glance on me, on this auspicious occasion of your 124th appearance day celebrations. Till I came in touch with your disciples from ISKCON Hubli, I was in ignorance of God. Gradually by taking prasadam and hearing yoga for happiness I came to Krishna consciousness. By the mercy of my folk guide, I got a job in ISKCON Bangalore. Now I am able to practice four regulative principles and chanting. Now I am able to lead a sinless and pleasant life. My humble request is to keep me Krishna consciousness and in the service of yours, Dear Prabhupada. I visited the ISKCON temple of Mathura and with your divine grace, I found calmness, Positive attitude, and a broader sense of spirituality in my life. I start chanting Hare Krishna Mahamantra and it works like a medicine for me. I am so happy now in my life and day by day I am coming closer to Lord Krishna. Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet. O Spiritual Master, Saviour of the world and you are the ones who generously distributed the knowledge of the shastra to the common people. It is by your mercy, a person like me is able to utter the names of the Supreme Lord. It's by your mercy and compassion I could do some devotional service. It's by your mercy, O spiritual Master, am able to live with Lord even after kicked by the external energy of the Lord at every time. Your

mercy is unfathomable and can't be counted in material measurements. At the same time, we are unable to see the opportunities given to us with eyes covered by the dust. O Spiritual Master! the opportunities that you have provided me to engage in devotional service can not be forgotten. And I always repent for the time I forget to follow the instructions that you set for us. You have given us all possible methods to reach the ultimate goal of life and you have personally shown us to make it possible but I repent again and again for not catching hold of your instructions and your Lotus Feet.

Dear Prabhupada! I never wish to have anyone to instruct to my spiritual life than your divine grace and followers of your instructions. I may not be in the close association of Vaishnavas but I never feel that am away from you and your Lordship Shri Shri Radha and Krishna. I may not be able to follow your instructions but I do feel the guilt for not to abide by. O Spiritual Master! I pay my respectful Obeisances at your Lotus feet and beg your mercy to adhere to the instructions and I never want to be bereft of your absence.

Begging your mercy for the chanting the Holy Name and service to the Lord and his devotees. Once again paying my obeisances at your lotus feet.

Dear Srila Prabhupada,

"Krishna se tomar Krishna dite paro tomar oi shakti ache. "Krishna is yours, it's you who can give me Krishna! you have that potency!

"Ami to kongal Krishna Krishna bole dai tava pache pache" I am a loser, a pauper who runs behind you crying, Krishna! Krishna!

This verse says it all, all these years you have held my hand tight, taking me ever closer to Krishna. Please never let go. You may be glad to know that, being inspired by your childhood pastimes, I also host a Ratha Yatra at my home under your guidance. Please engage me in your service. Thank you for your Love.

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet. I am deeply inspired by your Bhagavad Gita As It Is. I came to know about life very deeply and how to behave with others. I am presently chanting 4 rounds of Hare Krishna Mahamantra every day. I came to know about the purpose of life and also how to deal with any situation. Self Control is very important in everyone's life and one should get rid of three gates leading to hell which are lust, anger and greed. If someone does this, he will become a perfectly decent human being. It also mentions that we should not cheat others. I agree with this strongly. Thank you so much Prabhupada for giving this wonderful knowledge.

Dear Srila Prabhupada,

Please accept my humble obeisances unto your Lotus Feet. I am a Folk devotee from Iskon Bengaluru, I came into touch with Iskon Folk in 2016 and this introduced Krishna Consciousness in my life. I came to know the purpose of life and the value of chanting Hare Krishna maha-mantra. I learnt the importance of practising the four regulative principles which are a basic foundation for becoming Krishna Conscious. I also learnt the principle of Karma Yoga which made me realise we can still continue to do our daily activities but still remain devoted to Lord Krishna. I am indebted to Jagat Guru Srila Prabhupada for his instructions and guidance given in his books, and I am thankful to you always. Please bless me to advance in Spiritual life and give me little faith in chanting the Hare Krishna Mantra.

Our beloved Srila Prabhupad,

Please accept my humble and respectful obeisances unto your lotus feet.

I am utmost grateful and very happy to be under the shelter of your divine grace and practice Krishna consciousness even after facing so many turbulences and situation changes in my life, especially after my marriage. By your grace, I am able to practice chanting Hare Krishna mantra every day. I am very thankful and indebted to your divine grace for all the association I get in FOLK hostel with all ISKCON Bangalore temple devotees, especially from my FOLK guide Hemanga Chaitanya Prabhu who is very merciful to me.

I am certainly very fallen and don't have much faith or service attitude and I have a lot of material attachments. But still, you have shown your causeless mercy on this useless soul. I once again am very grateful for the mercy you have showered upon me through spiritual realizations especially about death and that life is very short and limited in human form and very valuable.

I got very motivated and very energized in Krishna consciousness because of your instructions, books, lectures, and personal reciprocations.

I don't have the ability to understand your glories, your message, or your compassion. I beg for your causeless mercy to give me strength and devotion to follow your instructions and be attached to your lotus feet which alone can deliver me from the cycle of birth and death in this material world. I bow down to you and surrender my life to you. Please use me as your instrument. Please kindly forgive me for my offenses I committed at your lotus feet just like a father forgives his child and please keep me under your shelter eternally.

I love you so much Srila Prabhupad and please kindly show some minute love upon me and please show some mercy upon this fallen soul.

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet. The New year event which is conducted every year introduced me to the world of ISKCON temple and Krishna consciousness. Krishna consciousness brings me immediate mental stability and peace in my life whenever I chant Hare Krishna mantra on the beads. It was evident to me from the fact that on that day when I chanted the maha-mantra on the beads, I will work efficiently. I will be cool and calm. If I miss chanting, my productivity will be low, lazy and I will get frustrated easily. Usually, I will chant one round every day. My wish is to lead a happy and successful life. Swami Prabhupada, you are my inspiration how you started ISKCON single-handedly and brought a revolution in the world. I will try to practice Krishna consciousness principles in my life to achieve a happy and successful life.

The Guru is my sole refuge. I worship my Guru. I am always with my Guru. Salutations to the Guru. There is none higher than the Guru. I am the child of my Guru. My intellect is firmly fixed on the guru. Oh Guru! Srila Prabhupada! Protect me. Just like there is darkness without the light of the Sun, without the guidance of you, my Guru Srila Prabhupada, Krishna *bhakti* cannot be achieved. You have made your entire life journey a pathway for thousands of devotees to reach Krishna, the Supreme Personality of Godhead.

You have translated the *Bhagavad-gita*, *Bhagavatam* in a very simple understandable language which makes any reader become a devotee of the Lord. You have taught how a man in this *kaliyuga* has to lead a life worthy of devotion and get to the ultimate abode of Lord Krishna very easily. In the world of ignorance, desire, greed, lust, anger you have sowed the seed of devotion. You have guided the way to please Krishna in the best way possible and help us receive his choicest blessings upon us. Thank you for making me a person who can love Krishna and obtain his *krupa kataksha*. Dear Srila Prabhupada,

Thank you for giving me the wonderful opportunity to share my experience with ISKCON Bangalore. earlier I have visited the temple I thought earlier it was a worship place. after joined folk got to know it is spreading Vedic culture to this world. *Bhagavad-gita* for everyone in this living entity to understand what is life. it is a routine way to live life. The grace of Srila Prabhupada blessings. as per our *Karma*, we are on earth. We are here the pure way of life to reach the transcendental world. he taught fundamental things by his heartwarming words. I'm continuously ready to serve Lord Krishna. tremendously getting free from anxiety and anger. hearing and sharing truthfulness of Krishna's glorious very much happy. Ekadashi day is giving twice-monthly aliveness to maintain physical and spiritual integrity.

ISKCON 1st day onwards getting a good knowledge of Vedic culture and attachment with Krishna devotees. Morning *mangala aarti* still memorable. Got opportunity to Service Krishna *Janmashtami* my experience was majestic. Giving temple tour DA/MDA devotees to take *darshana*. Devotees had peaceful *darshana* and they shared their own experience with us in a polite manner. however, it boosts my energy to serve and associate with Devotees. 2020 initially for Vaikuntha Ekadashi day started by lecture part of settle service to Devotees. I was quite happy with taking care of devotees on a totally crowded day. Service ended with counting the number of devotees entering Vaikuntha dwara. Such a good opportunity to learn devotional service.

It is only by Your Grace I have had so many wonderful moments in my spiritual life and I am able to taste some nectar of *bhakti*. Your words, books are the only remedy in this tough pandemic situation where the whole world is facing unrest and uncertainty. I have realized that even one small step that we take towards Krishna, the Lord himself comes many steps forwards to bless and guide us. I have been blessed very much in my personal, material and spiritual life so far, it must all be because of you. Please continue to shower your blessings on me and our family. To His Divine Grace A.C. Bhaktivedanta Swami Srila Prabhupada, Goloka, Vaikuntha Abode of Sri Sri RadhaKrishnaChandra.

My Dearest Guru,

I request you to please do accept my humble obeisance. There is no word available in this world, which can express my gratitude and loving thanks to you. Even if, I try to use any word available in my lexicon that will be insufficient and tiny. However, still, my soul and conscience want to express the gratitude with these available small words, I request you to please do accept and provide your blessings for me to keep motivated and enlighten.

I had lost my real identity since the day I was given a false temporary identity with false consciousness in this material world but, after coming in touch with your spiritual institution (ISKCON Bangalore) which is a source of absolute enlightenment, a house of the beacon, I have regained my real identity. With your benediction, I have come to know myself. I have realized myself with a permanent identity being a part of eternal and absolute identity. I am not this material body rather I am the part of the Supreme Personality, my identity is eternal, imperishable, indestructible. I had a huge treasure of happiness instilled within me but, I was foolishly searching for the temporary and false happiness in this material world. I would like to thank you and all the members of your institution for enlightening me with this real and absolute truth.

Yours always in Service,

Dear Srila Prabhupada,

Please accept my humble obeisance unto Your Lotus Feet.

Srila Prabhupada, as professed by Sri Chaitanya Mahaprabhu, today the Holy name of the Lord is sung in almost every nook and corner of the world. It is all because of your mercy on the fallen conditioned souls. You took the pain to deliver the western countries and now we all are benefiting. It is very difficult to be engaged in the transcendental devotional service of the Lord with the kind of desires we have to enjoy the senses in this material world but showing Your kindness on the fallen souls You have accepted everyone who tried to serve the Lord with whatever capacity one has.

Srila Prabhupada, as a bonafide representative of the Supreme Lord Krishna, you have delivered the unpleasant truth of this material world in Your books and lectures and also shown the path of perfection as enshrined in the Vedic literature. Millions of souls have taken shelter at Your Lotus Feet and You have promised to take them back to their Eternal Home. Your disciples all over the world are helping everyone to come to real consciousness and become free from the entanglement of this material world of action and reaction. I am also one of the beneficiaries and I wish to serve you.

Dear Srila Prabhupada,

According to me, you are the greatest Individual living in the 20th century. You have propagated the message of ancient India across the world, even without the physical presence you have shown me the real purpose of this life and just like me, there are a million more people out there whose lives have been touched by our Guru Srila Prabhupada.

I would have loved to personally thank him for providing us, lives most crucial instructions in this dark age, I can even today feel his presence and glory even after he has left this materialistic world. Only because of him am I able to live today without any substances. It's only because of his work that I have learned the real way of happiness. I have learned a way of life suitable for humans. I have learned the importance of human life is surrendering my self onto Guru and in turn, surrendering to Lord Krsna is the best thing that has happened to me in my life. I would recommend the whole world to follow the teachings and works presented by our beloved Guru Srila Prabhupada and in turn, make the most of this human life. Thanks

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet.

I request you to kindly accept this literary offering from an insignificant soul. In the beautiful world, we all know when Every Soul born is equipped with all material essentials. But only a few understand the true nature of the birth and death cycle. To be frank, after I came in touch with Krishna consciousness and Your Divine Grace, I didn't only question about birth but I realized that I am nothing. I just want to hear your lectures more and more and your sweet words from your books.

It made me realize that life is just a game and I have to play this game with Krishna conscious constructive associations. Karma is the only reason for all the good and wrongs of life and it's the reason for birth. These are the things I realized. Relationship of mother to son or father to mother or between brothers or any material relationships can be literally explained by some poetic drama and words but my spiritual association with the real and true Guru like your good self can't be explained just in words. This relationship is a million times more than compared to the material relationship. I feel like it is a connection from cumulative births.

Medicine can cure anyone's bodily illness but Hare Krishna *mantra* chanting is the remedy for all the diseases be it gross or subtle. I was chanting 3 rounds but due to some commitments, I have somehow missed my chanting. But surely I will chant Hare Krishna *mantra* regularly, Prabhupada.

Your servant,

Bhakta Vivek S P.

Dear Srila Prabhupada,

My dear Spiritual master, I offer my respectful obeisances unto your Lotus feet.

*"sakshad-dharitvena samasta-shastrair  
uktas tatha bhavyata eva sadbhih"*

The spiritual master is to be honored as much as the Supreme Lord

*"kintu prabhor yah priya eva tasya  
vande guroh sri-charanaravindam"*

You are the most confidential servitor of Lord.

By the Lord, even the great sages and demigods are placed into illusory, what to speak of myself. Even though you have given a very easy method to understand the highest philosophy according to the time & circumstances, As instructed the elaboration and exposition on the philosophy taught by Lord Chaitanya Mahaprabhu are in fact most voluminous.

*"Om tad visnoh paramam padam"*

The lotus feet of Vishnu is the supreme devotional platform. One can not understand Krishna without rendering devotional service. I was practicing "*Jnana-yoga-vyavasthitih*" being engaged in the cultivation of knowledge and understanding that, philosophical speculation, meditation, yoga, penances can not give such pleasure as devotional services, attainment of a loving relationship between Supreme Lord and living entities is a function of devotional service.

You have awakened my original consciousness, nevertheless, sometimes I am wasting my time knowingly and not analyzing the mind agitations, My mind is not saturated with full of Krishna consciousness, it is agitating with material senses prescription. it should be controlled as Krishna instructed, by constant practice and detachment One can control the mind, Kindly please give me the intelligence to act and engage in your mission, It's the prime benediction for humanity.

The storm of *Maya* keeps attracting in many ways, still theoretically studied and understood but practically it is very difficult to execute my duties properly. The dualities of human experience disappear when it comes to the spiritual platform due course of time the existing material knowledge implies both inner and outer. As absorbed in the knowledge of spiritual, my future plans are gone somewhere, Instead of finding a cessation of life and material joy, I have observed the realization of the self, it is the highest happiness in himself and knowing the Lord's pastimes and render devotional service is the topmost knowledge.

The Lord has many agencies who are quite competent to vanquish demons, similar way you have appeared here to elevate the living entities to go back to Godhead and protected the devotees by your instruction through your books. By Your own experience, you have preached a lesson to the entire world how to live and do devotional service to the Lord, I am most influenced by you personally and professionally, Soul is naturally eternal, whenever I may take birth I should count as one of your devotees.

I am very much amazed when I was distributing *Bhagavad-gita* in South India, Thirupathi. A young Brahmana/Poojari came to me and asked *Bhagavad-gita* in the Tamil language with great attention and he doesn't have money at the time. He told, you please preserve the book for me I will come back, I do not have a book in Tamil, immediately I called one of the devotees and got the book, I was busy in distribution your books for some hours, later the same person came to me with money and he was took the book and glorified Srila Prabhupada, he told he had *Asharam*, he regularly preaches the Gita to young children, he said finally he was searching Prabhupada book from a very long time, I am very much happy to give him with great affection.

*"Bahunam janmanam ante jnanavan mam prapadyate"*

After many, many births of worshipping *brahmana* and *Paramatma*, one surrenders to Vasudeva as the Supreme master and accepts himself as the eternal servitor of Vasudeva, I got a chance to worship Krishna now, I do not want to lose this opportunity. O Krishna, I am Your eternal servitor, as lord stated,

*nayanam galad-aśru-dhārayā  
vadanam gadgada-ruddhayā girā  
pulkair nicitam vapuḥ kadā,  
tava nāma-grahaṇe bhaviṣyati*

"My dear Lord, when will My eyes be beautified by filling with tears that constantly glide

down as I chant Your holy name? When will My voice falter and all the hairs on My body stand erect in transcendental happiness as I chant Your holy name?

The Vaishnava Acharya's especially Sripad Ramanuja, Madhvacarya, and Sri Chaitanya Mahaprabhu staunchly oppose *Mayavada* using evidence from Sastra and common sense logic. Oh, Prabhupada your instruction is straight forward and feels like striking the mind with stone, systematically you refuted many doubts.

We can remained uncontaminated while in the world if we simply make it our ambition to serve Krishna. The lord sees happiness in devotees, if one offers charity to a Brahmana, who is not a devotee, the lord does not accept but if something is offered to a devotee the lord accepts. I do not have any experience with spiritual energy, please if Offence to pure devotee destroys the entire spiritual path as an example if a mad elephant enters into a garden it causes tremendous damage to the planet & trees, similarly I shouldn't do any mistakes, kindly accept my request. Please give me the remembrance of Krishna at the time of my death, He is the knowers of the field of activities- *ksetrajna*.

Your eternal servant of servant, Bhakta Vivek V.

My Beloved Dear Srila Prabhupada,

In spite of so many imperfections within me, you continue to reciprocate and shower your causeless mercy. I am truly happy to associate with the devotees and am enjoying the blissfulness.

Devotees of the “Hare Krishna Movement” have taught me the values and seriousness of life.

The entire world is shaken due to the current pandemic situation creating fear and anxieties. But, any KC situated person is undisturbed due to their sadhana.

It is very important to associate with devotees and take up KC seriously. Thank you for giving me this realization.

Chanting,

*Hare Krishna Hare Krishna Krishna Krishna Hare Hare*

*Hare Rama Hare Rama Rama Rama Hare Hare*

Is the only hope to cross this material ocean of miseries.

Aspiring Servant,

Bhakta Vivek Viswam.

Dear Srila Prabhupada,

Hare Krishna,

I always feel ISKCON Temple, Bangalore is one of the holy places of Lord Shree Krishna. The famous Hare Krishna *maha-mantra* made me joyful in my life. Iskcon holds Yoga for happiness Camp every week, I too attended this camp, it was a very inspirational camp, it helps every people to come out from the dilemma. Especially, I would like to say a few words about Krishna *Prasadam*. Really it takes us in a devotional way. Also, devotees of ISKCON temple always welcomes those who suffering from problems in their life, they treat people well and give better guidelines, shows one path to them, also very kind, very supportive they are.

Your Servant, Bhakta Yallappa Krishna.

Dear Srila Prabhupada,

I offer my respectful obeisances unto my Spiritual master, the deliverer of the fallen souls. Please accept my humble obeisance unto the lotus feet of one who has opened my eyes, blinded by the darkness of ignorance with the torchlight of knowledge. I pray for your merciful glance onto me on this auspicious occasion of your 124th appearance day celebrations. In your letter to Mahapurusha 12th Feb 1968 you wrote "The spiritual master and Krishna are two parallel lines. The train, on two tracks, moves forward. The Spiritual master and Krishna are like these two tracks, they must be served simultaneously.

Krishna helps one to find bona fide Spiritual Master and bona fide Spiritual Master helps one to understand Krishna. If one does not get a bonafide Spiritual master, then how he can ever understand Krishna? You cannot serve Krishna without Spiritual master, or serve just spiritual master without serving Krishna. They must be served simultaneously". By your grace only I was able to implant Krishna conciseness in my life, although being totally unqualified, I am extremely fortunate to have come in contact with you and your pure devotees. This leads to a paradigm shift in my life.

In Sri *Chaitanya-charitamrita* it's mentioned that "Out of many millions of wandering living entities, one who is very fortunate gets an opportunity to associate with a bonafide Spiritual master by the grace of Krishna. By the mercy of both Krishna and the Spiritual masters, such a person receives the seed of the creeper of devotional service". By your causeless mercy only I was able to render loving service to Krishna. Oh! My Spiritual master you have showered your glance over so many *jivas* and somehow or other I got one drop of your showering glance and that is *satsanga*, associating with your devotees during my tenure in your folk residency and I'm thankful to you to receive your mercy.

Even though I have committed many offenses, you have always been merciful upon me, blessing me with opportunities to serve your movement. I beg you to please keep me under the shelter of your devotional service and empower me with requisite knowledge, determination, and strength to enhance my spiritual life. All glories to you my Spiritual master.

Your worthless aspiring disciple,  
Bhakta Yash Taneja.

Dear Srila Prabhupada,

I Offer my respectful obeisance unto your lotus feet.

Thank you for showering your causeless mercy upon me. It's by your devotees and your institution I am growing into a better person. Without your mercy, my life would have been more miserable. You showed the right path and taught me patiently, tolerated my stupidity, like a father. Thank you Srila Prabhupada.

You taught me the real purpose of human life. Thanks for your lectures, books, kirtan, instructions, the Hare Krishna *Maha-mantra*, temples, and many other Krishna conscious treasures. I can never repay what you for what you have given. Please guide me to follow your instructions, to live a life worthy of remembering Krishna at the time of death. Its only by a Spiritual master one can understand Krishna, please help me to cross this ocean of material suffering by blessing me to serve you better.

Dear Prabhupada,

My humble obeisance to Srila Prabhupada,

One of the most significant parts of my journey in Krishna consciousness is reading your book. I borrowed one of your book 'Perfect Questions and Perfect Answers' from my friend. After I finished reading this book I was fascinated to learn more about you and Krishna consciousness movement. Thus I came to ISKCON Bengaluru and started my journey to become your disciple.

Srila Prabhupada, your love for Krishna is reflected in each and every word in your books. These words persuaded me to continue in Krishna consciousness and chant Hare Krishna *maha-mantra*. Sometimes I feel lazy to chant and read your books. Your dedication to uplift the fallen soul like me to love Krishna motivates me and fill the enthusiasm and love to serve Krishna. Your blessings through your books gave me the strength to overcome all the hurdles in my Krishna conscious journey so far. Without the grace of the Spiritual Master, one cannot make any advancement. So I offer my respectful obeisance unto your lotus feet and request you to give me intelligence to comprehend your teachings and strength to serve Sri Radha Krishna, you and devotees.

I am grateful for all the grace and mercy you have shown me, Srila Prabhupada.

Your humble servant,

Bhakta Yashas Raj N.

My Dear Spiritual Master Srila Prabhupada,

Please accept my humble obeisances unto your Lotus Feet,

I came in touch with you in 2016. I am chanting 16 rounds of Hare Krishna *Mantra*. The most important lesson I have learned from you is you strongly convinced me that I am not this body. I belong to Krishna. I should remember Krishna at the time of death. Thank you, Srila Prabhupada for giving Krishna in my life.

Submissive offerings to my Spiritual Master,

Prabhupada, after I joined ISKCON, a lot of changes occurred in my life. Those changes are that now I follow the four regulative principles, I chant 16 rounds every day regularly. I attend *Bhagavad-gita* classes and through it, I understand Kṛṣṇa and also the purpose of my life. I realized my position and duties. Before I used to get up at 7 am and do *puja* at 9 am but now, before sunrise, I get up and do *puja*. I got associated with devotees and I started to spread this Kṛṣṇa conscious movement and many of my relatives and friends have changed.

For the last 4 years, I have been participating in Bhagavad-gita book distribution and participate in *nagara sankirtan*. In our village, we performed *Damodara arati* with over 300 people. All this was possible only by your grace. I have bought *mridangam* and *kartala* and I am practicing it, I am happy because of that. I fast every *Ekadashi* and do service in the temple. I participate in *ratha-yatra* and other temple festivals.

You spread this Kṛṣṇa consciousness movement all across the world. You are the one who is guiding us and showed us the way to Kṛṣṇa and only because of you, we became Kṛṣṇa conscious. Because of you many people have got rid of their karmic sins. You truly are the savior of the world. We have none but you Prabhupada. We will always be indebted to you. All glories to Srila Prabhupada.

Your servant,  
Bhakta Yuvakumar N K.

Dear Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet.

It is not possible for an insignificant soul like me to describe your glories. You have given us the knowledge about the Absolute Truth. You've made unfortunate souls realize how miserable is a life that is not dedicated to Kṛṣṇa and presented this science of Kṛṣṇa consciousness, which is the only hope for mankind. You taught us what is the real purpose of human life and the way for everlasting happiness.

You have planted the seed of *bhakti* in the hearts of so many devotees and you are still guiding the conditioned souls through your *Vani* association. Srila Prabhupada, as you have taught that devotional service can only be attained by the mercy of a pure devotee, therefore I beg you to bring me to the path of devotional service. I seek your forgiveness for the uncountable sins and offenses that I commit and beg you to please accept my offerings.

Your servant,

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to You on this auspicious day of Your *Vyasa-puja*.

I would like to herein express my utmost gratitude to You for bringing me this far in my spiritual journey. I know there is a long way to go, but, by the fact that You have guided me so far, I am assured You will continue to do so in the future too. Reading Your books and hearing your lectures have given me a new perspective on various aspects of life. It is by Your blessings that I now have a more clear, simple, and yet profound understanding of what is true happiness and how it can be achieved.

While reading your books, I parallelly have so many questions arising in my mind, and by Your Grace, I have received answers to almost all my questions. And that has been a strong source of motivation for me. I must admit, there were times when I did not understand certain things and wasn't sure how much of it to believe. But now, I have come to a stage where I understand that it is only due to my shortcomings that I am unable to understand. If I feel this way, it is because I have to some extent experienced that the happiness we feel by following Your teachings is of a different nature when compared to what we otherwise experience. I pray that You continue to bless me so I can progress further on this path.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to you on this auspicious day of your *Vyasa-puja*.

On this wonderful occasion, I would first like to thank you from the bottom of my heart for being the greatest source of inspiration and guidance. I am truly indebted to you for bringing me in touch with your Krishna consciousness movement. It has completely changed my perspective of looking at life in every single aspect. It is only by Your Grace that I have been able to grasp to some extent the essence of your teachings. I am confident you will guide me further on this path. Your straightforward and simple instructions to the most complicated questions one may have are most appealing and encouraging.

It truly amazes me how I have been able to feel a personal connection with You just by hearing Your transcendental words, in spite of being at a very elementary stage of devotion and surrender unto You and Lord Krishna. I strongly believe it is only the power and sublime nature of Your teachings that have touched so many hearts. You have been extremely kind in giving us opportunities to serve You, although we have so many shortcomings. I beg You to always keep us under your shelter and help us overcome the flaws in Your service. I humbly request you for Your blessings in all my future endeavors and to fulfill my desire to further progress in Krishna consciousness.

Srila Prabhupada you taught us, by honouring Krishna Prasadam how one will be free from all sins and control the tongue and use the tongue in chanting "Hare Krishna Mantra" and gave us wonderful rules and regulations of chanting and following 4 regulative principles to follow in our daily life and keep me and overall family members in Krishna Consciousness.

One who is serious about understanding spiritual life requires a Guru. The Guru is Kṛṣṇa's representative, the former acarya's representative.

Kṛṣṇa consciousness movement has awakened my original consciousness that we are all part and parcel of God. You have taught us to love God, understand our relationship with God. That is self-realization.

You have given us the easiest way to go back to Godhead. Just simply following your instructions (following four regulative principles and chanting the holy name regularly minimum 16 rounds) is my only way to please my Guru Maharaj! In our prayers of praise to the Spiritual Master, we are singing daily, " If the Spiritual Master is satisfied, then God will be satisfied. And if one dissatisfies his Spiritual Master, then there is no way for him to please God."

My humble obeisance to my Spiritual Master,

The Vedas sing the praise of Spiritual Master. What can I write that is not written in Vedas? There are no words to express my gratitude, my Lord. Still, I dare to attempt.

Prabhupada, you have given us the knowledge of Kṛṣṇa consciousness. That knowledge which was available or accessible to only great seers, pandits, and brahmanas. You distributed that knowledge with your causeless mercy. In this age of kali, age of quarrels, age of sins- you came as a saviour for the entire mankind. You taught us to follow the four regulative principles. You taught us chanting. You taught us selflessness and selfless devotion. You brought us closer to Kṛṣṇa. You taught us how to love Him, how to worship Him.

You taught us that our eternal position is that of Kṛṣṇa's servant and our ultimate duty is to serve Him and also that he is the ultimate and supreme enjoyer. You gave us perfect knowledge about Kṛṣṇa through “Bhagavad Gita As it is” and “Śrīmad-Bhāgavatam”. Through your causeless mercy and love, you have lifted many fallen souls and helped us in fulfilling the purpose of our lives.

You purified our souls and have made us better people and have created a better society- A Kṛṣṇa conscious society. You have been the source of immense strength, hope, and wisdom in me. I don't know how much success I would get in this spiritual path. But whatever good I do is all because of you and whatever bad I do is all because of me. I cannot imagine the world without you. Without you, the entire world would have been a dead one. It may be materially progressive, however, but it would be spiritually dead.

We will always be eternally indebted to you Prabhupada. You are the bridge connecting us and the Lord, always guiding and showing us the way back to Godhead. Thank you.

Your eternal servant,

But then, I became attached to you since then seeing the respect everyone was giving you. I also became a devotee. Later Srila Prabhupada became everything to me. I loved him like my

My dear Spiritual master, Srila Prabhupada. Please accept my humble obeisance on your 124<sup>th</sup> birthday. First of all, I would like to thank you for starting this Krishna Conscious movement. I have to be called the most blessed to be born in a Krishna Consciousness family in this Kaliyuga by your mercy. It was your goal to preach the message of Chaitanya Mahaprabhu to all Western countries by the order of your spiritual master Bhakthi Siddhanta Sarasvati Thakur.

You have built 108 temples of Radha Krishna Chandra. You had travelled to New York at the age of 70 despite of having two heart attacks alternately through Jaladutha, a cargo ship for the sake of the fallen conditioned souls. Even though the people there were materialistic, you showered mercy upon them by preaching the holy name of the lord. You even made the most fallen hippies chant the holy name of the Lord without fear. You started the Hare Krishna Movement in a small shop named Matchless Gifts. Each and everyone got attracted to the name of Krishna. You started a magazine named Back To Godhead and slowly these westerners started visiting the temple in which Radha and Krishna were residing.

You translated and published a lot of books like The Bhagavad Gita As It Is, Krsna, Srimad Bhagavatam, Sri Chaitanya Charitamrita, Teachings of Lord Chaitanya and more. You have done a lot more and changed a lot of people from being fallen souls. At present, there is the chanting of the holy name of the Lord at every corner of villages, towns and cities. O my dear spiritual master, Srila Prabhupada I have no words to complete your glories.

Yours most fallen servant of servants,

Bhaktin Haripriya P.

Dear Srila Prabhupada,

All glories to your Divine Grace. Please accept my obeisances unto your lotus feet.

Innumerable lifetimes and countless sins and yet you decided to shower your special mercy on crores of unworthy souls like me all over the world. This is how compassionate and merciful you are. Your strong faith in the holy name of Kṛṣṇa and the determination and perseverance to serve your Spiritual Master at that age is so inspiring! You travelled to an unknown country and lived with unknown people, different cultures and yet you contributed so much for the benefit of humanity. You established ISKCON, a home for all lost souls, and now, a spiritual haven on earth. You wrote and translated innumerable books so that this rare and yet very important spiritual knowledge of Krishna can reach all. You made available the most confidential Knowledge, the cream of the Vedic literature, Bhagavad-gītā As It Is to the common man and many more. Thank you Srila Prabhupada for everything.

Personally, you've showered extra special mercy on me. You gave me a home and family environment suitable for the execution of Kṛṣṇa consciousness, very early in life. You also gave me so many opportunities to serve you and your mission. But I haven't served you to my full capacity. Please forgive me for this and for all the offenses I may have committed at your Lotus feet knowingly or unknowingly. One of them being, inattentive chanting. Although with your blessings, I've been able to continue to chant 16 rounds every day, the quality of my chanting is pretty bad. But look at your mercy, through soulful Japa sessions and guidance from your devotee, you've shown me the path to get better at improving the quality of my chanting.

In this "tech-savvy" world, different kinds of services for sense gratification are available at the tip of our fingers. Let me stay fixed in your teachings and not get carried away with all these. Guide me to utilize all this materialistic knowledge in your service. Please give me spiritual strength, guide me to be humble, free of false ego and pride and not commit offenses unto you or other Vaishnavas. Please engage me always in your service under the shelter of your lotus feet.

Trying to be a servant of your servants,

Bhaktin Harshini N.

*“Nama om visnu-padaya krsna-presthaya bhuta-tale Srimate bhaktivedanta-svamin iti namine”*

All glories to Srila Prabhupada,

The fountainhead of all, who went to the western world to preach the glories of the holy names of the Lord, the one who delivered countless fallen conditioned souls by imparting upon them the transcendental science of Krishna consciousness, and the one who fulfilled the following prophecy of Sri Caitanya Mahaprabhu.

Srila Prabhupada, I feel your guidance in my life every day. The more I dedicate myself to your service and instructions, the closer I feel to you.

On this great occasion, we pray to Srila Prabhupada to please grant us service to his Lotus feet, so that by serving him we may be able to make progress in our endeavours in spiritual life. The devotees of the Lord are very dear to Him and Srila Prabhupada, who spreads the name, fame, qualities, and pastimes of Shyamsundar throughout the world, is especially dear to Him. Grabbing hold of his lotus feet is the best way for us to reach the spiritual world.

I beg to remain as your eternal servant,

Bhaktin Harshitha.

Dear Srila Prabhupāda,

I offer my humble obeisances unto you. I offer obeisances again and again. You have made my life worth living by giving an ideal goal of life. I have got you through books. Before meeting you, I was the body, now I am soul. I understood that by purely chanting the holy name of Lord Sri Krishna within the core of my heart I could get peace. When a person is peaceful goal can be easily achieved. The goal which I ticked before coming to the world was reminded by you.

Your servant,

Bhaktin Jharna Sarkar.

Dear Srila Prabhupada,

Gurubhyo Namaha.

My immense obsession to Lord Krsna in this Spiritual world through my Spiritual master. It laid a new joy of journey in Krsna consciousness. My heartfelt gratitude and salutations on this 124<sup>th</sup> auspicious occasion of Vyasa puja celebration. It's a great opportunity to glorify our spiritual master in this occasion.

Bhagavad-Gita (2.40) "There is no loss or diminution in this endeavour, and even a little advancement on this path protects one from the most fearful type of danger."

We are blessed under the lotus feet of our spiritual master Srila Prabhupada who established the Hare Krishna movement to give us a chance to associate and serving deities, spiritual master and Lord Krishna.

This is the only way to gain faith in devotional services. I offer my respectful obeisance to the spiritual master having taken shelter at his lotus feet.

Your humble devotee,

Bhaktin Joshila Haridas.

*om ajnana-timirandhasya jnananjana-salakaya  
cakshur unmilitam yena tasmai sri-gurave namah*

Dear Srila Prabhupada,

Please accept my humble and respectful obeisances. All glories to Srila Prabhupada.

My dear Srila Prabhupada by your causeless mercy I came in touch with your Kṛṣṇa consciousness movement. My parents introduced me and my sister to the Kṛṣṇa consciousness movement.

By your causeless mercy, daily I am chanting 16 rounds and following 4 regulative principles. Daily I am reading your books like Kṛṣṇa book, Bhagavad-gītā As It Is, etc. When I read your books I always feel like you are sitting beside me and teaching about Kṛṣṇa katha.

In the temple, by your mercy devotees are conducting so many festivals in which my family members take part very happily. We got the spiritual knowledge of the difference between body and soul after coming to Kṛṣṇa consciousness. I am very

thankful to you Srila Prabhupada for what you gave us. By your causeless mercy, my family members came in touch with Kṛṣṇa consciousness.

I am very thankful to your disciples because they are helping me in Kṛṣṇa consciousness.

It's a very great opportunity.

Prabhupada you had said: "I will never die, I am always living in books." When I am reading your books, I always remember you and every time at any work I am always remembering you.

In Guruastaka, Visvanatha Chakravarti Thakura is explaining that

*yasya prasadaḥ Bhagavat-prasado  
yasyaprasadam na gatih kuto pi  
dhyayan stuvams tasya yasaḥ tri-sandhyam  
vande guroh sri-caranaravindam*

By the mercy of the Spiritual Master, one receives the benediction of Kṛṣṇa. Without the grace of the Spiritual Master, one cannot make any advancement. Therefore, I should always remember and praise the Spiritual Master. At least three times a day I should offer my respectful obeisances unto the lotus feet of my Spiritual Master.

Ashraya means to act under the direction and supervision of the Spiritual Master. Srila Prabhupada writes in the introduction to the Bhagavad-gita As It Is:

*tasmāt sarveṣu kāleṣu  
mām anusmara yudhya ca  
mayy arpita-mano-buddhir  
mām evaiśyasy asaṁśayaḥ*

Therefore, Arjuna, you should always think of me in the form of Kṛṣṇa and at the same time continue your prescribed duty of fighting. With your activities dedicated to me and your mind and intelligence fixed on me, you will attain me without a doubt.

Kṛṣṇa is saying that in any situation we should remember Spiritual Master and Kṛṣṇa.

My dear Srila Prabhupada, please bless me for chanting and hearing attentively. In this material world so many people are worrying, please make them Kṛṣṇa conscious.

Srila Prabhupada, please always keep me under your lotus feet and engage me in serving the Supreme Personality of Godhead Kṛṣṇa eternally.

Your servant of servant, Bhaktin Jyotsna K.

Please accept my most humble and respectful obeisance at your lotus feet. All glories to you.

I feel very fortunate to write this letter to you. If unknowingly I have made any mistake please forgive me, as I don't know anything. Whatever you have given to this human life we cannot describe in words but still through this letter, I am trying to say thank you. You have taught us how to serve Guru and what's the importance of Guru in one's life through your example. At the age of 70 and only with some dollars, you went to America to make them understand the importance of human life. Within 12 years you established 108 temples throughout the world, authored more than 80 books, circled the globe 14 times on lecture tours. We are very thankful for all that you have given to make human life successful.

I came in touch with *Kṛṣṇa* consciousness in 2013, but at that time I was not knowing the importance. In the first visit itself, we felt like visiting the temple every day, but due to lack of time, it didn't happen. Whenever we got time, we always went to ISKCON and after 2 to 3 visits I felt something that cannot be described in words. I remember the day when I was in the 4<sup>th</sup> standard and I asked my dad where GOD is and why I can't see Him. My dad replied, "He is present everywhere and to see God we need a different eye" and from that day I started asking many questions but didn't get a satisfying answer. I always wonder that people say this human life is very precious but how I never got a satisfying answer for this and many more questions. However, by reading Bhagavad-gītā and Śrīmad-Bhāgavatam I got answers to many questions. I was not aware of the importance of Ekadashi, but now I am fasting on these days. I am very thankful Prabhupada for your blessing that I got connected with *Kṛṣṇa* consciousness. After getting connected with *Kṛṣṇa* consciousness my life has changed a lot and I got to know the real purpose of human life.

Prabhupada, please bless me, whatever happens in my life that should not bother me. My soul, heart, mind everything should always remember Lotus feet of the Lord and engage in serving *Kṛṣṇa* consciousness movement and always chant.

Earlier I was doing only 4 rounds of chanting but nowadays I am doing 16 rounds of chanting, some extra rounds being done by your blessing only. Also following 4 regulative principles. Always getting up by 4'o clock. Bless us so that we can continue to do service more than earlier and in a better way.

Your servant, Bhaktin Jyoti Verma.

Dear Gurudev,

I am very obliged that you constantly helped me in fulfilling my spiritual goals this year. It is solely because of your mercy that I could be determined in doing my sadhana. In the past few years because of my non-qualitative sadhana, I could not really realize the importance of *Kṛṣṇa* consciousness in one's life. But from the past few months, I feel there is something that was changing in my mind, as I was attracted to read your books and do a better quality Japa. It is purely your causeless mercy Gurudev that even after not following your instructions seriously still, you helped me all my way to do it. I pray to you Gurudev for always guiding me in my spiritual journey. I am indebted for the most valuable crust that you have provided (*Kṛṣṇa* consciousness). I beg forgiveness Gurudev for all my disgraceful acts in the spiritual path and will try not to dishearten you Gurudev.

Aspirant of your mercy, Bhaktin Kalpaja R.

To My Beloved Spiritual Master,  
All glories to your divine grace!

Words fall short, hands go numb while writing this letter expressing my gratitude for You. It was the best day of my life when I came in touch with the Hare Krishna Movement. It is by your causeless mercy that an unqualified person like me has got the matchless gift of Krishna Consciousness, I'm indebted to you eternally. Thank you for showering your unconditional love and mercy. I feel immensely blessed to have your association through your divine instructions but unfortunate enough not to follow them firmly. Please give me the intelligence to choose to follow your instructions over everything.

Please somehow engage me in your service and don't let me go away from this movement,

Please Srila Prabhupada, I beg your mercy.

Your insignificant servant

Dear Prabhupada,

Thanking you for giving me this opportunity. This is the first time I am writing an offering to you. Please bless me to stay in your shelter. Please give me a nice Kṛṣṇa consciousness life. Daily I am enjoying prasadam without wasting and I promised to do chanting daily, which I am following every day. When I saw the movie, Hare Kṛṣṇa, I came to know more about you and I felt so sad, how much you struggled to give us awareness of Kṛṣṇa consciousness. Thank you Prabhupada for giving this knowledge.

Your servant,

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to you!

The International Society for Krishna Consciousness (ISKCON) started because of you, you are the one who spread Krishna Consciousness to every corner of the world, so that we can have the opportunity of chanting the Holy Name of Krishna, eating prasadam and obtain association of devotees. My parents are following Krishna Consciousness for the past 10 years, but I started realising the truth (The Absolute Truth) just now. This realization is due to your mercy my dear Guru, you spent your whole life making people understand that they are living a very fake and miserable life and yet we fallen souls don't make enough time to read your holy books. Your causeless mercy enables me to cross the ocean of material sufferings, go back to my spiritual home and go back to Godhead. Whenever I start reading Bhagavad-gita As It Is, I feel this inner peace which I never got before while doing any material activity. Because of you Prabhu, fallen souls like me are trying to understand that soul and body are two different things. Everyone in this Kaliyuga is in a Maya (Illusion) that they are living and leading a happy life not realizing that going back to Godhead (Goloka) is the eternal happiness. I know nothing about bhakti. It is only through your limitless mercy and sincere help from your disciples, I'm at least trying to understand your transcendental position.

I offer my humble obeisances to your lotus feet, again and again, hoping to remain in Bhakti and serve the Supreme Personality of Godhead, Sri Krishna and the greatest servitor of the Lord, A C Bhaktivedanta Swami Srila Prabhupada forever and ever.

Your humble servant, Bhaktin Maanasa

Dear Srila Prabhupada,

I offer my respectful obeisances to his Divine Grace A C Bhaktivedanta Swami Srila Prabhupada.

First of all, I beg you to forgive all the sinful offences that I have committed knowingly or unknowingly. Thank you for being my constant guide and guiding me in every step in this dangerous kali-yuga. You were a representative of Krishna on earth. Thank you for giving me the best and the simplest way to go "Back to home, back to Godhead." Thank you for giving the best medicine in this kali-yuga "Hare Kṛṣṇa Mahamantra". Give me the blessing to chant more and serve you and the divine couple Radha Krishna. Thank you for giving me the golden opportunity to recite Narasimha Kavacha daily and read the most sacred book on earth "BHAGAVAD GITA AS IT IS". Please help me reach the Lotus feet of the Supreme Personality of Godhead as soon as possible.

Your servant, Bhaktin Maduraa B S.

## Bhaktin Mahima

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet.

Words are not sufficient to describe your divineness. You are the only one who is our true well-wisher and are guiding us towards the actual goal of this human form of life. Your mercy is so limitless that even the most fallen souls like me are also given an opportunity to try and attain the service of Srimati Radharani and Lord Sri Kṛṣṇa. I consider myself the utmost fortunate to have come in touch with your Divine Grace. You have placed me in a family where I am always taught to keep Sri Kṛṣṇa as the center of every activity.

Srila Prabhupada, I have always loved reading your books. On every page, you tell us how to attain our actual goal of going back to Godhead and becoming loving servants of Kṛṣṇa in various different ways. So beautifully, you connect everything to this topic. You have mentioned that even if a person reads one page of your book, he can become Kṛṣṇa conscious. I'm awestruck that is indeed a fact. Every page reminds us of the position we are currently in and which position we need to attain and how to attain it. Your devotees have given an opportunity through the Srila Prabhupada Lila App to know your personal pastimes in short snippets. Reading them has always reminded me of how merciful and divine you are. You are the reason why everything apart from anything related to Kṛṣṇa feels so meaningless in life, although I am still struggling to get out of the clutches of material nature.

I am still struggling to perform my basic sadhana Srila Prabhupada, but my desire is to always be engaged in your service. I beg you Srila Prabhupada to always help me chant my rounds sincerely and perform any kind of devotional service that comes my way with gratitude to you. I also beg you to always keep me in the service of your Divine Grace until the very last breath of my life.

Sincerely aspiring to become your servant,

Bhaktin Mahima.

Hare Krishna! Jai Srila Prabhupada,

I feel your guidance in my day to day life, sometimes I acknowledge it but most of the time I ignore it, please help me to dedicate myself to follow your instructions in a better manner in the coming years. It would be possible only if you show mercy on this fallen soul. My good luck is that you are my spiritual master and by your mercy, I can strive to be a pure devotee of the Lord. I also pray to you to help me chant my rounds with sincerity and dedication. Prabhupada during these troubled times I find myself doubting the presence of the Lord, I hope and pray to you that by reading all your books I will be able to overcome this hurdle and fully understand that Lord Krishna is the only way out for mankind, thanks for picking me up to be your humble servant. Dear Srila Prabhupada, I offer my respectful obeisances at your lotus feet. All glories to you on this most auspicious day of your Vyasa-puja.

Dear Srila Prabhupada, I am so fortunate to have come in touch with your movement and I express my heartfelt gratitude to you for considering me worth it. All glories to you for spreading the message of Sri Chaitanya Mahaprabhu to uplift fallen souls like me. You have given me this gift of chanting the Holy Name to help me overcome this cycle of birth and death.

I remain indebted to you.

Dear Srila Prabhupada, I am a miniscule entity in Krishna's universe, but my mind and ego make me imagine otherwise. Please grant me the chittam to dispel such notions and accept my position as a servitor. I am a lost fallen soul, most sinful having the contamination of thousands of births and I need your mercy to provide me the motivation, courage, and discipline to progress on your prescribed path. Please endow me with the virtue of attention so that I may perform offenceless service to the Lord.

Dear Srila Prabhupada, free me from my fears; free me from the deceptive sense of security that I cling on to; free me from my mind; free me from my false ego and allow me to bask in the safety of your feet. Grant me the wisdom to embrace the eternal truth and build a relationship with the Holy Nama prabhu.

Dear Srila Prabhupada, release me from the entrapments of Maya so that I can welcome Krishna with an undisturbed mind. May my detachment from the worldly life increase and my attachment for Krishna intensify with each passing day. Cleanse me to make me fit for pure devotional service.

Dear Srila Prabhupada, in a world of instant gratification, I hoped to see results of my devotion instantaneously; however, listening to you has made me realise that the process is my yagna and perhaps more important than the results. My journey started with seeking Krishna, but now I only want to serve Him through my chanting. You have taught me that that is enough. I am happy with that.

I leave everything to you dear Srila Prabhupada; without your mercy I will not be able to forge ahead.

I surrender and finally, I ask for forgiveness for the offences that I commit knowingly and unknowingly.

A servant of your servants,

Bhaktin Namita Bhutani.

*Gurudev*, I cannot thank you enough for being in my life and for taking me under your priceless shelter. If I look back at my life I only find those moments of my life worthwhile which I had spent in your association. What all hardships I have to endure in this life seems to be puny compared to the bliss I received in your association. Dear Srila Prabhupada, please bless me with some services at your lotus feet. I have intense desire to serve your Lotus feet, but I am unable to do anything. Srila Prabhupada, please purify my heart so that your Lotus feet can stay there. Please bless me so that I am more consistent with my sadhana day and night. Srila Prabhupada, I keep crying and keep thanking you for accepting a fallen soul like me in your shelter; this is my greatest fortune. Please never leave me alone.

Dear Srila Prabhupada,

Please accept my most humble obeisances and dandavat pranaams to you on the auspicious day of your *Vyasa Puja*.

I feel gratitude to have a spiritual master and Guru in you, to inspire and guide me in my spiritual practices.

I am hopelessly fallen and helpless in this conditioned material world and pray that only your guidance will give me hope.

Dear Srila Prabhupada, by reading and hearing your divine quotes on chanting and hearing the mahamantra during japa, I am able to humbly chant 16 rounds everyday as a devotional service to the Lord.

This is also giving me strength and courage during this current crisis of the corona virus pandemic and face so many challenges in my life.

I endeavor to improve the quality of my chanting to be mindful & soulful to please Nama Prabhu with *sad-bhavanas*. All this is possible only because of your causeless mercy and compassion on me.

By regularly reading your books, “Srimad Bhagavad-gita” and “Krsna” it has increased my understanding and realization about Krishna consciousness and the self. You have made me understand the exalted position of the Supreme Personality of Godhead Lord Krishna, my relationship with God and how fortunate and blessed we are to be in His association.

Srila Prabhupada, by hearing your discourses, being in association with devotees, attending Bhagavad-gita classes, participating in wonderful ISKCON Yatras, offering devotional services in the temple, preparing and distributing Krsna prasadam regularly, it has given a purpose, meaning and direction to my life.

I am always in the mode of surrender, gratefulness for yours and the Lord's mercy and protection.

Please forgive me for my offences as a fallen soul. I offer my most sincere respectful obeisances and dandavat pranaams

Your very humble and grateful servant, Bhaktin Padmini Varanasi.

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet.

One of the Acharya's say, when I see myself I don't find anything good, what I am made up of is your mercy, if you don't shower your mercy I don't have existence, I have nothing of my own but your mercy, if you take mercy away, if you deprive me of that mercy I will just cry, I will not be able to keep my body and soul together.

This verse on reading I felt personally touched. We understand Krishna is merciful, Krishna is like the ocean, and Krishna has lot of water in the form of mercy. Ultimately we know the ocean does not give you water it is the cloud that gives you water, the cloud takes the water from the ocean, showers it on to us.

So we feel like we don't have the qualification to approach the ocean like Krishna, but the cloud of His Divine Grace Srila Prabhupada took the mercy from Karuna Sindhu Sri Krishna as a representative and showered it on all of us.

This is a tribute to Srila Prabhupada most revered Swami, an eminent Soul, a Saint, an erudite Scholar, Philosopher a towering personality, a great orator and above all a missionary of Sanatana Dharma and Humanity. We owe a deep sense of gratitude to missionaries of ISKCON for their great contribution to the world.

Our sole refuge is at the feet of our spiritual master to our Gurudeva, whose grace and boundless love place us at Thy feet.

Your servant,  
Bhaktin Pallavi.

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet. All glories to your Divine Grace!

I seek your blessings to give me full strength to continue practicing Kṛṣṇa consciousness, amidst all disturbing material desires for sense enjoyment.

You have shown me direction and given me a purpose in life.

It is more than 2 years that I am following your instructions and practicing spiritual life regularly. Every day is a challenging day for maintaining the regular sadhana and further making progress in the Kṛṣṇa consciousness in the middle of a busy material schedule. But, when I look into your life, it gives me all inspiration to practice Kṛṣṇa consciousness and motivates me to spread it among youth.

Your books that are an infinite source of knowledge and wisdom, guide me each day to live a better life in the spirit of Kṛṣṇa consciousness.

I feel like having strong determination to follow your words and take Kṛṣṇa consciousness more seriously. I have a strong desire to spread Kṛṣṇa consciousness in the community. I want to preach your divine instructions to the students, youth and everyone, and I need enough strength to do so with your divine blessings.

I pray at your lotus feet to bless me such that at least I can try to put my little effort to please you and Kṛṣṇa by practicing Kṛṣṇa consciousness sincerely and spreading this mission.

Your aspiring servant,  
Bhaktin Priya Prakash.

Oh, my Gurudeva,

All Glories unto your lotus feet,

Prabhupada, you came into my life when I was in the lowest phase. I had no job, no direction in life. You came with the torch of transcendental knowledge and immediately dissipated the darkness within my heart. I have no words to describe you, oh Srila Prabhupada. You have changed the lives of millions like mine. There were hundreds of different communities in the world but there was no community for devotees to associate. You were the first to create a community for devotees from all across the globe to associate and spread Krishna consciousness and create awareness about God. You will forever be my eternal father and eternal Spiritual master. I am eternally indebted to you. Please be merciful unto me and give me the shade and shelter at your lotus feet.

By your mercy, I am getting all the opportunities to follow your instructions, but I am so fallen that I am not able to follow them and procrastinating. Please don't leave me ever. Please help me in getting back to Godhead where I can eternally serve Krishna and his dear devotees like you. I only want to be a servant of the servant of the servant of Krishna's dear devotees. Please help me to cross over this material nescience successfully. I don't want any more birth in this material world because its *dukalayam*, *ashashvatam*, this material world is temporary and full of miseries. Kindly save me and also millions of devotees like me. Words are not enough to describe your glories, oh Prabhupada.

Begging to be your menial servant,

Bhaktin Priyanka Gaitonde.

My humble obeisances unto you, Prabhupadaji.

I've not been a sincere devotee or even a devotee to say for that matter. Just like a father provides for his children, you have provided me with the best gift of my life, your books!

Chanting of the Holy Names and knowledge of Kṛṣṇa completes the purpose of life and makes it feel like a sweet ball.

I've encountered many struggles on this path and have done a lot of Vaishnava aparadh. I beg for your forgiveness.

This material world is like quicksand. The more you try to escape, the deeper it pulls you back.

However, by your mercy one may get the shelter of lotus-feet of Kṛṣṇa and escape this blazing fire. I pray for your mercy so that I may become fearless and happy i.e. Kṛṣṇa conscious. I feel incapable of serving and utilizing this great opportunity of kali-yuga, I'm so fallen. Please provide me some happy solution.

Haribol! Param Vijayate Harinam Sankirtana!

Hare Krishna Dear Srila Prabhupada,

Please accept my humble obeisance unto you and at the feet of all devotees. All glories to his divine grace Srila Prabhupad and Krishna.

Srila Prabhupada you have sacrificed your whole life for Krishna consciousness movement, irrespective of your health, family condition and Personal issues. You did the true sacrifice for the welfare of the whole universe. My whole life as your guru-Dakshina is also not equal to 0.1 % of your sacrifice and selfless contribution.

In 2013 the first time I came to Iskcon Bangalore with my friends. From a long time I wanted to read Bhagavad-gita, even I tried once but I did not understand the deep meaning of Krishna's Teaching, but that day once I saw the deity of the Temple I felt very peaceful and from next time I started reading the Prabhupada's small books and finally after 2-3 visit of the Temple, I got the inspiration to read Bhagavad-gita. Due to Prabhupada's grace and Krishna's mercy I got very much interested in Gita Philosophy. Now I am a servant of Prabhupada from the last several years and I follow the 4 regulate principals with minimum of 4 rounds of chanting every day, I follow Ekadashi fast and like to hear more and more about Krishna 's Lila always.

Gurudeva thank you is not at all enough for your selfless love and preaching but please accept my heartfelt thank you. Please always be with us in our hearts and save us from Maya, this is my sincere request. Please bless us so that we become good devotees day by day by increasing our sincere chanting. Please break our false ego and bless us to get more and more mercy of Lord Krishna and Srimati Radharani, without any material desire or even mukti also.

All glories to the lotus feet of his divine grace Sri Prabhupada. Hare Krishna, Haribol, Jai Gauranga, Jai Vaishnavas, Jai Rdaharani, Jai Narshinmha Dev, Jai Prahlad Maharaj, Jai Srila Prabhupada.

Your Servant, Bhaktin Puja Bharti.

Dear Srila Prabhupada,

Thank you for blessing me in every step I take in my life. Without your mercy, it wouldn't have been possible for me to join your mission.

When the whole world is in fear, here we are thinking it's all Krishna's sweet will. When many people are struggling, we are getting a chance to have prasadam and chant holy names without fear. It is a blessing from your Grace. We can't imagine how our life would have been if we didn't take shelter under your lotus feet.

We are blessed from you to take guidance from ISKCON Bangalore devotees, who always glorify you and tell us always how to surrender to Krishna by practicing what you taught us.

As you always teach that Maya is in our mind and it tells us so many things to take us away from Krishna. I pray to your lotus feet that please bless me to be under your shelter and serve your mission wholeheartedly. Please bless me to get attached to your books because they can only save us from Maya.

My dear Srila Prabhupada,

Please accept my humble obeisance!

Srila Prabhupada, ten years ago I was living a life so blindly that there was no advancement in my spiritual knowledge and then one day I stepped in one of your ISKCON temple since that day my life has really changed spiritually. I am thankful to you for opening up ISKCON temples all over the world. It is because of you I am living a very blissful life today.

My Dear Srila Prabhupada, I know you never left us in this world because I always remember you while chanting , reading and worshipping my dear Lord Shri Krishna at my home. You are there in your books in every word. Whenever I read your books I think of you. I realize what a simple process you have given to all of us in your books and lectures to follow bhakti marg and live happily. I love your kirtans so much that I play them everyday anytime. Please, shower your little more mercy on me for chanting Hare Krishna maha mantra everyday. I really feel very bad if I don't chant. Sometimes I listen to your sincere and spiritually very strong chants and chant along with you which helps me in concentrating more on my chants.

Dear Srila Prabhupada, I find all your images so real that I feel like you are still alive in this world somewhere. Please keep blessing my family always the way you did till now. You have been so merciful on all of us that my words are not getting enough to thank you in anyway I can.

I would have lead to a very ugly life without your involvement in it. You got involved in my life the day I got married with one of your devotee. Thank you so much for giving me devotees association through ISKCON temples and centres all over the world.

Dear Srila Prabhupad, I have never seen such a sincere and dedicated devotee of Lord Krishna like you. I pray to you to please make me also a devotee. Please, please, please bless me to grow even further in my spiritual life.

Your humble servant,

Bhaktin Reena Agarwal.

My Dear Spiritual Master Srila Prabhupada,

Please accept my humble obeisances at your lotus feet. Prabhupada, you are so benevolent on a fallen soul like me. There are so many instances where Your divine grace has given me service opportunities, guided me, fulfilled my desires and always answered my queries.

I bought a flat in a high rise apartment in Gunjur half heartedly, I thought it would have been better to buy a flat in Sri *Vrinavana dhama* instead. But the moment I came to know that Sri Radha Krishna temple is coming in Gunjur, I was extremely joyful and thankful to Their Lordships and to you. Prabhupada, you have mysteriously placed me in Gunjur zone, so that I can get some service where Their Lordships are going to descend soon.

It was a few days after Janmashtami last year that I got a chance to attend Vraja session almost after 1.5 years and devotees gave update on book distribution service which was going to start soon. I also desired to do the book distribution, which is most pleasing to you but was somewhat hesitant to go and distribute in public places. Just after a few days, I got a chance to put up a bookstall in the same new apartment, without any charges, in a prime location, during *navratri* celebration. I did not do anything; I just desired to please you. Book distribution team devotees arranged volunteers along with book stock for 9 days. I am so grateful to you Srila Prabhupada for bringing me this opportunity like a cakewalk and making me miniscule part of your transcendental book distribution. All glories to you Srila Prabhupada. All glories to your transcendental book distribution. All glories to the association of your servants.

Srila Prabhupada I can't forget your reciprocation when during the Vaikuntha Ekadashi Smaranam event all the sponsors had backed out. I felt helpless and we decided to do the event in a simpler manner. Just 4 days prior to the event suddenly out of nowhere I got a call from an unknown contact ready to sponsor and in this way a decent preaching event took place by your mercy.

Prabhupada, I am indebted for your constant reciprocation on this useless soul. This is just your causeless mercy. I am really thankful to you for keeping me in association of your servants. Please keep me engaged in your service and sheltered under your lotus feet.

Your eternal servant,

Bhaktin Ritu.

Dear Srila Prabhupada,

Please accept my humble respectful obeisance unto your lotus feet.

All glories to your Divine Grace. Srila Prabhupada, you have mercifully protected me under your Lotus feet, from this material world which is full of miseries and obstacles. Without your causeless mercy, I cannot imagine in what situation I would have landed in. You brought me into Kṛṣṇa consciousness and changed my life, engaging in loving-service to Their Lordships Sri Radha and Krishna and his devotees.

Your grace taught me the importance of chanting and hearing the Hare Kṛṣṇa mantra, reading your books, taking prasadam, devotees association, following 4 Regulative principles, and many more. I feel so blissful and fortunate to be in this association. I always aspire to be under the shelter of your Lotus feet as it is the sweetest and safest place in this world. Srila Prabhupada, at the age of 70 you went to the Western world on the order of your Spiritual Master to preach Kṛṣṇa consciousness as your mission. You faced many challenges but fought them bravely by depending on Lord Kṛṣṇa, whom the westerners didn't know. Gradually, through your books and lectures, you attracted young Americans to Kṛṣṇa consciousness and turned them into Vaishnavas.

You became successful in accomplishing the mission, by establishing over 108 Kṛṣṇa temples around the world, circling the world 14 times, authoring over 70 books and initiated about 5000 disciples. Srila Prabhupada, listening to all your pastimes by reading your books and listening to the narrations by your devotees, makes me feel joyful and enchanted, wanting to listen further.

Srila Prabhupada, you wrote many books during your life, and always said, "Books are the basis of our movement". "I forever live in my books". But I have become addicted to sense gratification, entangled in Maya and have become a servant

of my mind instead of Kṛṣṇa. I have lost control over my mind, my behavior and I am brimmed in ignorance. I have become worthless and sinful. Therefore, Srila Prabhupada, please look upon this insignificant fool and help me to follow your instructions sincerely and submissively. Please guide me to read your valuable books and practice devotional service to Their Lordships. Without your mercy, I cannot overcome my entanglement. Please help me as I know it is your grace, which can untie me and take me back to Kṛṣṇa.

Your insignificant servant,  
Bhaktin Rukmini S.

Dear Srila Prabhupada,

Please accept my humble obeisance onto Your Lotus feet, on this auspicious moment Vyasa-puja.

I would like to thank you a lot Prabhupad for giving me an opportunity to know about Krishna Consciousness. It has been a year that I came in touch with ISKCON and got introduced to Krishna consciousness. Before coming in touch with ISKCON directly, already I was indirectly connected to your books and magazines. We use to get a monthly magazine to our home, that's how I got connected to the Supreme Personality of Godhead Sri Krishna and Your 'Vani'. And after coming to the temple for doing service, and got an association of devotees I started to Chant Hare Krsna maha-mantra and trying my best to follow your instructions.

Initially, when I started to Chant and do sadhana, it was very difficult for me to do at home, my family members were very against me, but now everything is changed, it is easier now and I am able to do my sadhana in a better way, it's all possible

because of your causeless mercy my dear Spiritual Master. I would like to thank you a lot Prabhupad and if you wish, please accept me at least as an aspiring disciple.

And I humbly request at Your Lotus Feet, please bless me with proper consciousness so that I can put my full endeavor to serve you as a sincere servant.

All Glories To Srila Prabhupad!

Your humble servant,

Bhaktin Sahana R.

My humble obeisances and dandavats at the Lotus feet of my dear Spiritual Master Srila Prabhupad,

I am indebted to my Gurudev, Srila Prabhupad and Hare Krishna Hill for giving the opportunity to share my offerings on this Vyasapuja 2020.

I want to sincerely thank Lord Radha Krishna Chandra and Srila Prabhupad for giving me good health and keeping me and my family safe during this critical pandemic situation. It's one of the worst situation that has hit mankind today.

With our time invested wisely in serving the Lordships at home, chanting soulfully and earnestly associating with temple online classes, I am sure we are increasing the positivity around and hoping for the situations to change soon.

I am very pleased and glad during this critical situation as I am not missing social life much. I hear from my friends and colleagues getting into depression, anxiety and loneliness due to this grieving situation.

However that's not the same in my life as a Krishna devotee and following Srila Prabhupad's instructions for 24 hrs day after day. The schedule Prabhupad has instructed us keeps us so busy and immersed in Krishna Consciousness all 24 hours. Many thanks to senior temple devotees for arranging online classes every morning and evening to have temple association.

This helps neophytes like us to be in Vaishnava association as Srila Prabhupad desires and here our Senior Vaishnavas are not leaving any opportunity in bridging us to Lord Krishna's association. I read in one of our Srila Prabhupad's books as how one should intelligently utilise the latest technology in service of Krishna. With these virtual classes, it's an exemplary attempt for us to take online darshan of temple Lordships.

I realise the great opportunity to polish my self and cleanse my Consciousness by attentive chanting. I had never understood why Srila Prabhupad insisted so much on quality chanting and making it as a priority. Now I am able to connect to the importance of chanting as I am getting more time to read Srila Prabhupad's books. I realise how much I missed out all these years. Sorry Srila Prabhupad that my senses and intelligence chose materialistic pleasures over your instructions.

I sincerely pray to my spiritual master to pave my path and control my life as I surrender completely.

Year on year, I realise that there are more ways to engage ourselves in Srila Prabhupad's mission of spreading Krishna Consciousness. I developed a new service of singing Kirtans to Lordships at home along with my son playing mridangam. I learnt baking a cake for the pleasure of deities at home and my family members. They accept it as Maha Prasadam. If not for the spiritual master's instruction, I would have been a fallen soul serving somebody's senses. My deepest gratitude for awakening me like Bhakti Vinod Thakur penned a song Jiva Jago Jiva Jago...I want to completely wake up from the material world and serve Srila Prabhupad and Lord Radha Krishna Chandra dedicating my life and skills for fulfilling my life.

Your humble servant,

Bhaktin Sandhya H.

Dear Srila Prabhupada,

Please accept my sincere gratitude towards your lotus feet.

Today on this very auspicious day, I would like to take this opportunity to thank you for the unlimited mercy bestowed on me. It is very important for every person to be in the shelter of guru, I am very thankful to you and Lord that you have brought me under the shelter of your divine grace.

Life is a long journey in this material world which is full of Maya and misery and is impossible to traverse without the true knowledge that is obtained only under your shelter.

After reading your books, your quotes and lessons related to spiritual life, it becomes very easy to deal with the material challenges and take proper decisions of life. I came in touch with the ISKCON movement in 2015 with the association of your devotee Shyampriya Mataji who has always focused on your teachings and taught me the values and morality of life, which has changed my life totally and today I am blessed to be the wife of full-time missionary. After associating with ISKCON, I have found the right way to live life and have understood my eternal relationship between me and Lord Krishna.

Your teachings are so simple, effective and powerful which directly touches the heart and mind to follow your instructions without any doubt in the mind.

I am very thankful to you Prabhupada for having taken me under your shelter and showering your blessings on me.

Your fallen servant,

Bhaktin Saraswati Mohan.

All glories to Srila Prabhupada, obeisance to Srila Prabhupada,

Dearest Srila Prabhupada, my most revered and esteemed Guru Maharaj, I thank you for accepting me as your disciple. I am a fallen soul and didn't know how to go back home to Godhead, back to Kṛṣṇa. You are kṛipā personified. A soul in this material world is lost without the compassion of a Guru. You held my hand and placed your powerful hand on my head by way of blessing me by your acceptance. You are my mother, father, and guide all rolled into one. Please give me unlimited Kṛṣṇa prema and unlimited seva bhava. Kindly show compassion to this dasi so that I may be able to serve you and Radha Kṛṣṇa in the most proper loving way.

You have given us so many books and taught us to read, distribute books, chant and to have sadhu sanga. For all of this, I don't have words to express the level of gratitude I feel towards you, my Guru Maharaj. Further, please teach me complete surrender to Kṛṣṇa. I am a surrendered soul fallen at your lotus feet and I pray to Kṛṣṇa to give me the correct bhava to serve you.

Dasanu dasanu dasi, Bhaktin Shanu Singhal.

Dear Spiritual Master, Your Divine Grace Srila Prabhupada,

Please accept my humble obeisances. All glories to you on this auspicious day of your Vyasa puja. I humbly bow before you on being the fortunate recipient of reaping the essence of "Hare Kṛṣṇa Mahamantra" and it has now become an essential need of my day. I was brought to Kṛṣṇa consciousness movement by my friend and well-wisher. I started practicing bhakti-yoga - reciting Mahamantra in repeat mode, on a verge of overcoming routine family issues, and later, with your divine grace, I started looking inwards and gained self-realization to include Krishna consciousness as a prime part of my life. While carrying out household chores - like cleaning dishes, sweeping, mopping, etc., I began listening to Hare Kṛṣṇa Mahamantra from the recorder that aired your divine voice and was able to complete it tirelessly. This captured the minds of my husband & my little 5 year old kid that led them to recite "Hare Kṛṣṇa Mahamantra" alongside the chanting from the recorder.

Last December, my kid completed 5 years, I wanted to celebrate it as a remarkable event and also worthy. Then, it struck my conscience to distribute your holy book on Supreme Godhead Kṛṣṇa- "Bhagavad-gītā As It Is" to devotees as charity. I recited the initial four chapters from Bhagavad-gītā As It Is and then, approached one Prabhu from the temple to buy 50 copies and requested another Prabhu to help it reach the right hands. I was completely satisfied with this activity for my kid's birthday, as it will attract Kṛṣṇa and our family will become very dear to render service to Lotus feet of Kṛṣṇa always. All glories to you, Prabhupada for helping us to become dear to Supreme Godhead as stated in Bhagavad-gītā (18.68& 18.69)

*ya idam paramam guhyam  
mad-bhakteṣv abhidhāsyati  
bhaktim mayi parām kṛtvā  
mām evaiṣyaty asaṁśayaḥ*

Also, with your Divine Grace, I participated in the Panihati festival performed in the temple and was fortunate to offer dahi-chida prasadam to all devotees of the Supreme Lord, as guided by the Spiritual Master - Nityananda Prabhu. All glories to you, Prabhupada. My kid enjoys listening to kirtans and Śrīmad-Bhāgavatam narrated as bedtime stories. Thus, your divine vision to see everyone happy will happen soon in society, Prabhupada. On this most auspicious day, I pray for your blessings to cultivate and distribute the invaluable knowledge of the Bhagavad-gītā As It Is, Śrīmad-Bhāgavatam, and Caitanya Lilamritha. Begging to remain always under the shelter of your lotus feet,

Your humble servant,  
Bhaktin Shree Ramya.

My dearest Srila Prabhupada,

Please accept my most respectful obeisances at your lotus feet .

In Vrindavan it all began,

As you glanced mercifully upon me.

Gazing helplessly at your munificent form,

You gave me an alarm to get away from this worldly illusion form .

I'm captivated to you by your preeminent magnanimity,

watching my blissful Krishna concious life through your transcendent humanity.

Prabhupada you are that person I have waited for through countless births to set me free

from this misery of repeated birth and death , always serving you till my last breath .

You are my spiritual father , gave a broadband access to get Krishna as my spiritual husband.

What more can this poor poet say in a few words about His Divine Grace ?

But you are that personality who bought the greatest treasure of Krishn prem !

You taught that pure love only exist in Krishna lok ,

because it gave you a pain seeing the sufferings of this lusty pig , because your heart is so big

You made a home where the whole world can live !

Srila Prabhupada please take me by holding my hand and make

me understand every word that comes from your lotus lips, so I may walk with you to reach golok.

Begging for your merciful glance,

Bhaktin Shubha G Annigeri Vitthal.

In the dark cave of my heart

In my inner battlefield of Kurukshetra

Where no light dared to dart

Lost between life n deaths, I waited....

Neither for the galaxy of stars nor for the paradise lost

In each halted situation, I awaited that ray of torch  
That pierce thru my layers of dark  
And throw me hopes at large  
When my soul longed to escape,  
The pyre of blunt renunciation  
Shrouded by veils of illusion  
As I wait for my rescue, from this lies of life  
While I weep....while I weep  
A divine voice echoed....."Surrender"!!!  
"And follow my chants"  
As I gazed in awe, what wealth thy Vani to me had brought,  
With glimmering rays of his light, that I may escape this cave of dark  
From invisible to visible,  
From ephemeral to eternal...  
Thank you, dear Guru.  
Thank you Srila Prabhupad!!!

My humble obeisance to Srila Prabhupada,

Dear Prabhupada,

When I first visited ISKCON, I had internal conflicts. One of the Iskcon devote asked me to read Srimad Bhagavad Gita. I started reading Bhagavad Gita and I started attaining the peace I was searching from long time. It's your mercy on us that you translated Srimad Bhagavad Gita and Srimad Bhagavatham and various other vedic literatures to let us experience the real happiness, Krishna Consciousness.

With seven dollars worth Indian currency you set out to America to spread Krishna consciousness around the world. This dedication and compassion for us inspires me to chant and read more and more. It is your blessings that purified my cognition to understand and feel the love of Krishna who is unqualified and have no prerequisite for spiritual life.

I offer my obeisance unto your lotus feet. Please bless me to serve Krishna and your Lotus feet.

I am grateful for your compassion and blessing you have shown.

Yours humble servant,  
Bhaktin Sujatha Nagaraj.

Dearest Spiritual Master Srila Prabhupada,

Hare Krishna!

Please accept my humble obeisances. All glories to your Divine Grace!

Prabhupada, request you to kindly accept the heartfelt dandavats from your undeserving aspiring daughter candidate, on the auspicious occasion of Vyasa puja. It will take me innumerable lifetimes to thank you appropriately for bestowing on this unfit soul, your unconditional and unfathomable grace. The vast ocean of language can do little justice in expressing one's heartfelt gratitude to you, oh loving Spiritual Master.

Dearest Srila Prabhupada, thank you for your countless blessings in keeping me under your blessed glance. My only prayer to you, is to continue to bless me with your remembrance through all circumstances, which I, with my limited intelligence, may otherwise consider as trials and tribulations. Prabhupada, I humbly beg of you to grant me the vision to recognise all adversities that may appear as impediments in my half baked attempt to imbibe your tenets, as disguised blessings being sent by you for my purification. I beg you to grant me the strength of character and dignity to be able to surmount any so-called challenge, by the power of unflinching faith in your unconditional compassion.

Oh Spiritual Master, bless this insignificant soul with the undying determination, patience and humility to follow all your spiritual instructions and those of your blessed representatives with zero deviation. Humbly seek your blessings to ramp up all attempts to be one amongst the innumerable instruments that you so lovingly shape, for execution of your auspicious mission. Prabhupada, I beg of you to bless me with all the abilities and attitude that you mandate in the messengers of your sublime instructions and the tenacity to stay invested in making a difference in the lives of those that surround me whether near or far apart, under the torchlight of your teachings.

Thank you my dearest Spiritual Father for surrounding my life with your love and compassion and treating this long lost child as your very own, despite all disqualifications.

Your undeserving daughter candidate,

Bhaktin Sunita Tripathi.

Dear Srila Prabhupada,

Please accept my humble obeisances.

O Prabhupada, you gave meaning to my life. I was living my life without any goal. You taught me "what is the purpose of human life." That is to go back to Godhead and become fully Kṛṣṇa conscious. There are many ups and downs in my life. Please keep me always under your shelter. Please do not let me go away from your divine Lotus feet and always guide me. Please give me strength, so I can continue my devotional services.

Dear my beloved Spiritual Master - Jagadhguru Śrila Prabhupada

Please accept my humble obeisance.

Also kindly accept this letter of gratitude, which I dedicate at your lotus feet on this auspicious day of Vyāsa Puja.

*hiraṇmayena pātreṇa satyasyāpihitam mukham

“O my Lord, sustainer of all that lives, Your real face is covered by Your dazzling effulgence. Please remove that covering and exhibit Yourself to Your pure devotee (Śrī Īśopaniṣad Verse 15)”

I thank you for giving me the vision to behold the beauty of the Absolute Truth – Lord Krishna, without which I would have been in the darkness eternally.

Although, being born into the womb of material modes of nature I feel very fortunate to know the Lord through Your Divine Grace. Because, You have the unparalleled divine qualities and matchless devotion towards the Lord. Thank you for showing me "Kṛṣṇa as He is" through Śrīmad Bhagavad Gīta As It Is.

The sun rays purify all the contamination it comes in contact with, in the same way your unconditional love for the conditioned souls has purified our whole existence. I believe that one day this whole world will be swept away by the Krishna Bhakthi as per your vision.

With deep respect and gratitude, and out of divine love and devotion, I have developed the faith and determination to chant 16 rounds regularly. I seek your causeless mercy and Krishna's blessings to keep my faith steady so that I can continue to chant till the last moment of my breath to attain the lotus feet of the Lord.

Your humble disciple,

Dear Spiritual Master,

Please accept my humble obeisances, All glories to Srila Prabhupada.

All glories to you on this auspicious day of your Vyasa puja.

By your grace and mercy Prabhupada, my life has changed completely, you have given me a ray of hope and confidence in life with which challenges are easy to face in any form. By your mercy, I got the opportunity to serve in the temple for a year and have Lord Radha Krishna Chandra darshan every day and also honour prasadam everyday, with this pattern and lifestyle of my life changed towards Saatvik Dharma.

With the influential words of spiritual devotees of ISKCON, I started chanting everyday Hare Krishna Maha mantra , initially I couldn't focus chanting even 6 rounds but now with your blessings, I am able to chant 16 rounds every day without fail.

Prabhupada with your teachings, I have learnt and experienced that "the only mantra" is "whatever and where ever there is danger just remember Krishna and He is always there for His devotees, and He is the only saviour in Kali yuga." Prabhupada with your immense blessings my family is protected and saved. When I read your books, I understand the essence of life and the purpose of it, you have set an example to the whole world with your teachings. At the age of 70+ yrs also you have shown us the right path in this Kaliyuga.

KRISHNA NAMA IS THE ONLY MEDICINE to all living entites.

Prabhupada we are very grateful to you for showering us your blessings and showing us the right path to deal with all the materialistic problems.

Your servant, Bhaktin Swathi & Bhakta Anil.

Every day I am chanting 16 rounds without committing the 10 offenses and following the 4 regulative principles. I am unable to read your books but by your causeless mercy if someone teaches me I can listen to your instructions.

By your mercy, I will get Krishna's mercy, otherwise nothing. Please accept my prayers and bless me Prabhupada. I am always seeking the service of your lotus feet. Please help me to chant Hare Krishna Mahamantra mindfully. Please keep me in the association of devotees and give me more energy to serve your mission.

Dear Spiritual Master, Dandavath Pranams !!!

I have been in your mercy for several years now. I was given the privilege of holding Satsang at my apartment, having prasada week after week from the temple, going to all the Dhams, visiting the temple on the days of Krishna Janmashtami, Radha Rani's Appearance, Lord Chaitanya's Appearance, Narasimha Jayanthi, Vaikunta Ekadashi and so on.

Prabhupad, I feel very indebted to you, the senior devotees of ISKCON, and the other devotees with whom I have a regular association. My life has been very mesmerizing forever since my journey with ISKCON began. My mind yearns for more and more darshans of the Lordships, Kirtans, and Yatras to the Dhams.

To be honest this life has given a kind of taste which I relish every day. As a matter of fact, nothing else is more important than being immersed in the thoughts of the Lord. I have noticed that these things happen unconsciously. I do not have to put my mind to do so. So much so, that there is a serene feeling in my heart the whole day. There is not a single day where I feel bored. I feel the clock should have 36 hours as you are lively all day. I wish for the day to be longer so that I can read more books, listen to kirtans and watch the holy Leelas of God.

O Srila Prabhupad, I even wish that my memory was good enough that I could remember and sing the songs of Krishna and his glories.

Sometimes, I feel to be a good flutist, but my mind is clouded with thoughts like, where to start? Do I have the confidence? Who will teach me? How do I go about all this?.... then I remember you Srila Prabhupad, you have done so many miracles and that you could do some miracles in my life too. But Prabhupad, I am sure you would know what my abilities are, what would give me the satisfaction that I could do for making you happy.

I'm good at most things but do not have the conviction that 'if I choose this, I would excel, Would I be part of the team which makes or pleases Lord Krishna".

Other than that, Prabhupad, I am doing my best in cooking and offering to you every day, attend the Online classes, listening to some Krishna songs, Vishnu Sahasranams and Radha Sahasranams.

I have developed the character of sympathy in me. I try to help within my limits and offer prayers for others who are in my mind.

Krishna Conscious has given a very different meaning to life. Life is very tasteful now. I feel pure with my thoughts and actions nowadays. I feel fresh and energetic. I feel the need to learn more and more when it comes to Krishna.

I have set a goal, to complete reading the Bhagavad Gita and Srimad-Bhagavatam. Please help me, Prabhupad, in my endeavour..

Also, I'm very thankful and express my gratitude to you for being my GURU and being with my family and all my fellow devotees always and for blessing us and guiding us all through our lives.

Always in the service of your Lotus Feet, Bhaktin Usha Rontala.

My Dear Spiritual Master,

Please accept my humble and respectful obeisance. All glories to lotus feet of your Divine Grace. Your 124th appearance day is very auspicious and I consider this as my great fortune to write to you and praise you for your various magnificent services to Lord Krishna.

*om̐ ajsāna-timirāndhasya jśānāsjana-sālākayā*

*cakṣur unmīlitaṁ yena tasmai śrī-gurave namaḥ*

I took birth in darkest ignorance. But, you have opened my eyes by a drop of your mercy and shown me that the only true and beautiful path in this life is spiritual path.

Gurudeva, please help me to burn all my sins and increase my pious activities. Help me to be more generous towards this beautiful creation of Lord Krishna and towards all the living entities, help me to be more humble than a blade of grass, and provide me strength so that I can be devoid of all my sinful activities in my past.

Also, give me the strength to face this material world until I live and serve with all my love and respect and be pure devotee of Lord Krishna.

When I was in the institute a few years back I had few dreams and goals in life but due to some faults of mine I was unable to achieve that then I met a wonderful person, my friend Manish from whom I learnt how to overcome various hurdles of life but I know now that was due to mercy of Supreme head of spiritual masters that I met him. I had done many sins in my life knowingly and unknowingly, I used to speak without thinking I have collected so many sins in my life. Please forgive me for all those sins. I want to say sorry to those whoever I gave hurt and disrespect due to my ignorance of Karma yoga. But the knowledge I got from my friend about the importance of spirituality had made me be able to be under your mercy and correct my Karma and get rid of my sins by being at your lotus feet.

It all could happen due to your mercy and blessings.

Gurudeva, please give me strength, knowledge, and help me get rid of my demerits especially my anger, and be humble with the words I speak to everyone and be more dedicated towards Lord Krishna's services. There is one request to your Divine Grace. I am a very lowly person help me to be a dharmic and humble person and marry the person who had introduced me to the spiritual world and towards your service. I want to serve you with him my whole life in your lotus feet.

"Oh Lord Krishna, you are so merciful, forgive me for all my sins and help me to be submissive towards my love Manish. We love each other and want to be in your service together as a married couple. Please, help me achieve that, I need your mercy, support, and blessings for us to have a strong and sweet relation with our family and everyone in this world together.

Please forgive us both for our sins and bless us both with this desire which can only be achieved by your mercy that I can live with Manish as a married couple, so that we can provide service to you together as a couple. "

Gurudeva, I want to be Lord Krishna's friend and serve him by being in his lotus feet with Manish as my husband with all Vaishnava dharma and respect towards all living entities in our heart.

We are surrendered to you and your divine grace. Please bless us with your mercy.

My Dear Lord, please make me as humble as grass, respectful towards everyone, love everything in this world, make me the wife of a wonderful devotee of yours Manish, and always dedicated towards my Karma and services to you.

Dear Srila Prabhupada, your glories and mercies are unlimited. Thank you for changing our lives completely in a positive manner and helping us to be God-conscious. Today, I have been more conscious of submission and love for Lord Krishna by your mercy. Thank you from all my heart and soul. By your *kripa* I got more confidence to be spiritual and submissive towards *dharma*. You showed me the path which goes to Lord Krishna.

Gurudeva, please accept me as your student and forgive me for my sins.

Dear Lord Krishna, please forgive me and my love Manish for all my sins of this life and previous lives and sorry for asking you these, please bless me to come out of the conflicts of this world and follow my duty towards my family, my love Manish and the whole world. Bless me to be fondness wife of Manish and always be in your service at your lotus feet.

Your glories are unlimited and your mercy is always in this world. Thank you Gurudeva. Hare Krishna!

Dear Gurudeva,

I offer my humble obeisance unto your lotus feet Prabhupada.

This is the first time I am writing vyasa puja offering to your divine grace. I don't know how to start, please forgive me if there are any mistakes.

I wanted to know more about your pastimes so I searched for your documentary videos and after seeing them, after going through your divine lila's I am so blessed. Who could have distributed the mercy of Lord Chaitanya and Nithyananda except for you Prabhupada.

Your fatherly smile is always what comes to my mind when I think about you Prabhupada. Though you have faced so many difficulties all I've seen is your smiling face and your kindness towards the young devotees around you. We were all in ignorance before coming to Krishna consciousness. By your blessings we all now know who we really are. What is the goal of our life? What is the purpose of this human life?

Though we know what we have to do, sometimes we are so much bewildered, we need your blessings that we don't fall into the trap of maya again and again.

All the devotees whom I meet are so kind and humble, wherever I go I find these people and I am so blessed to be around them. They guide me how to progress in Krishna consciousness, How to be focused. Thank you Prabhupada for giving us such a big family. You have showed us how to Love Krishna and what else we want in this age of kali, all other things except this gives us grief and nothing else.

Please guide us throughout our life so that this human life of ours never gets wasted. Please bless us that we won't forget Krishna even for a second Srila Prabhupada.

Please engage me in your service and bless us so that The lotus feet of Sri Radha Rani and Sri Krishna Chandra will always be in my mind.

I would like to extend my gratitude and my respects to you, the only thing I remember on this Vyasa puja day is that I am a fallen and most fallen soul, that you have selected me as a disciple and have shown me who is Kṛṣṇa.

I am a student now and I need a blessing from you. Please shower your mercy upon me so that I can be educated and could educate more people towards Kṛṣṇa consciousness, that would be possible only by your mercy.

I hereby say that be always beside me and help me in all circumstances that I pass through.

Thanking you.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to Your Divine Grace.

I am one among the many fortunate persons who have come in contact with your society and teachings well after your physical departure. As it gets longer from the time you wound up your physical presence, it becomes increasingly clear as to what really matters for one's advancement in Krishna Consciousness.

In my understanding, as Vaishnavism means to worship Lord Vishnu or Krishna, ISKCON simply means being conscious about your teachings and following your instructions. Practicing Krishna Consciousness oneself, and influencing others to follow and practice is the crux of devotional service in this day and age.

Recently I came across a passage that revealed your thoughts and feelings upon your mother's passing away around the year 1910, when you were just 14 years old:

*When my mother died, as the devotees of the Lord think, I also thought in that way. What is that? 'Oh, it is a grace of the Lord. My mother is now dead.' Because she is the real cause of my nonfreedom. So she is now dead. Then I am free." It is very contradiction from the materialistic point of view. "As the devotees think, so I also in that way thought." What is that? "I thought it a special grace of the Supreme Personality of Godhead." "And I at once took leave of my so-called home and went away." So that is the difference between the devotees of the Lord and materialistic persons. When their materialistic relationship, comforts, are taken away, they think "Oh, it is all grace." And the materialistic person, when their materialistic comforts are increased, they think, "It is grace. >>> Ref. VedaBase => Room Conversation -- October 27, 1968, Montreal*

Who could think that the loss of one's own mother is mercy of the Lord at the age of 14 other than a pure devotee who's detached from material misconceptions? After learning about your accomplishments in life that rejuvenated the practice of devotional service to Krishna in this world, it is not astonishing to know that you were always a pure devotee even before you met Srila Bhaktisiddhanta Saraswati Thakura in the year 1922.

Due to the influence of time, many practitioners of Krishna consciousness begin identifying themselves with the ideologies of mainstream Hindu political parties to the extent of defending them and getting carried away by the charismatic political leadership. But the following purport of yours makes everything very clear:

*"If one is actually Kṛṣṇa conscious, he cannot have any enemies. Since his only engagement is to induce others to surrender to Kṛṣṇa, or God, how can he have enemies? If one advocates the Hindu religion, the Muslim religion, the Christian religion, this religion or that religion, there will be conflicts. History shows that the followers of religious systems without a clear conception of God have fought with one another. There are many instances of this in human history, but systems of religion that do not concentrate upon service to the Supreme are temporary and cannot last for long because they are full of envy. There are many activities directed against such religious systems, and therefore one must give up the idea of "my belief" and "your belief." Everyone should believe in God and surrender unto Him." That is bhāgavata-dharma." -- Srimad Bhagavatam, 6.16.41 purport.*

It is my understanding that by simply studying the Bhaktivedanta Purports in the company and assembly of like-minded devotees and persons interested in becoming devotees, your Krishna Consciousness movement will keep spreading and increase.

By the mercy of the true followers of your divine grace, I hope to become and remain a practitioner of the principles of devotional service to the Supreme Lord, Sri Krishna.

Your servant,

Guru Chaitanya Dasa.

Oh, Gurudeva,

Please accept my humble obeisances,

*om ajnana-timirandhasya jnananjana-salakaya*

*caksur unmilitam yena tasmai sri-gurave namah*

*I was born in the darkest ignorance, and my spiritual master opened my eyes with the torch of knowledge. I offer my respectful obeisances unto him.*

Dear Srila Prabhupada, thank you very much for always keeping me in your association. It is only because of the wealth of knowledge that you have showered on us through your writing and speech, that we are able to stand firm on the ground even in the midst of so many hurdles.

Though knowing the truth. I am staying away from it. Please give me the strength to adhere to your instructions.

Srila Prabhupada, you clearly know how fallen I am. I have no hope other than you. Even though it's not from my heart, please make the holy names as my life and soul. Please make me remember Krishna at all circumstances.

Thank you Srila Prabhupada.

Your Servant,

Dear Srila Prabhupada,

My humble namaskarams.

My association with ISKCON is now over 15 months and I have had the good fortune of joining the Yatras to Ahobilam and Char Dham conducted by ISKCON. Both of them were once in a life-time experience and will be cherished forever. I have been regularly listening to the Srimad Bhagavatham lectures by CPP and I feel I should have started the process of "looking inwards" much earlier. I have been regularly attending the Daily classes during the lockdown (and now 3 days a week) through Zoom with RKD Prabhu and I am very happy to have been considered to participate.

I sincerely thank you for showing me the right path and pray that you provide me with the strength to read more of Bhagavad Gita and Srimad Bhagavatham and chant more in the coming days and months.

Thank you.

Yours respectfully,

Bhakta Anand Murthy.

After coming in touch with your ISKCON, I am able to understand the science of Krishna. Ever Grateful to Your Divine Grace for mercifully giving us the most powerful Hare Krishna *Maha-mantra* as a means to achieve the perfection of human life by going back to the Spiritual world.

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to Spiritual Master Srila Prabhupada! I got in touch with ISKCON in 2005 in Bangalore ISKCON Sree Radha Krishna temple at Hare Krishna Hill. Then I read about Srila Prabhupada. I was deeply touched by his travel to US in a cargo ship just to preach Krishna bhakti to the western nation, to bring India back to Indian culture, in a time while the elite Indians used to cater to western culture leaving behind our own glorious Indian dharma, pre-independent British India. Back then I learnt that the Indians were even against our own home grown Hindu culture due to the amount of brainwash the western colonials masters have managed to do in India by making the Indians even feel that the western english culture was much better than Indian culture and that we were inferior to them. So to counter this, Prabhupada first spread Krishna conscious to the West, and today many elite Indians in the West have started to pick up Krishna conscious and gradually it spread to India and to whole world and I'm deeply amazed by brilliance of our spiritual master Srila Prabhupada, a blessed devotee of the great god Krishna! the way he helped bring back our glorious Indian philosophy to our Indians.

I started my bhakti under influence of ISKCON Bangalore during my 5 years stay there. It Started with yoga retreat, proceeded with chanting and attending temple arti program, and then it went advanced by attending manglarti, kirthans , then having prasadam in temple during the weekly folk classes etc. Great days!

There were many ups and downs in my spiritual progress so far till now. Somehow or the other I lost touch with temple and somehow I lost touch with chanting and devotional service and finally I know it's due to Prabhupada's mercy, somehow Prabhupada called me up and forced me to come to temple, and then I went there, restarted my devotional service after getting recharged with spiritual zeal! Then again I started to chant. And I know this is all due to mercy of Prabhupada. I know if I drop down my spiritual devotional service then I will be lost somewhere. I have had many good experience due to being in Krishna conscious! I know that it was all due to mercy of Srila Prabhupada, the Spiritual Master.

Henceforth I will restart my devotional service and I promise this again to Spiritual Master that I will actively involve in chanting and all temple programs, provided if I may have the mercy of Srila Prabhupad alone. I wish he protects me like he always does and holds me up every now and then, whenever I fall into the material influence. Please accept my humble obeisance.

ஹரே கிருஷ்ணா!

கடந்த வருடம் வியாச பூஜைக்கு எழுதிய கடிதத்தில் நான் தங்களிடம் வேண்டியது கிருஷ்ண பக்தி இயக்கத்தின் மீதும் கிருஷ்ணர் மீதும் பக்தி வளர வேண்டும் என்பதே. இந்த ஒரு வருடத்தில் பல விதமான பௌதிக மாற்றங்கள் நிகழ்ந்தாலும் ஒவ்வொரு அணுவிலும் தங்கள் கூறிய அறிவுரைகளை காண முடிகிறது. மேலும் ஒரு கடிதத்தில் " எவனொருவன் தினமும் 16 மாலைகள் ஹரே கிருஷ்ணா மஹா மந்திரத்தை உச்சரித்து வருகின்றனரோ அவர்கள் எந்த ஒரு தீய சக்தியும் எதுவும் செய்ய முடியாது என்று அறுதியிட்டு கூறியுள்ளீர்கள் .

அதே போல் தங்களின் புத்தகங்கள் மற்றும் உபன்யாசங்கள் கேட்டால் மட்டுமே எந்த ஒரு மனிதனும் , "தான் ஆத்மா என்றும் ஆத்மா கிருஷ்ணரின் சேவகன் என்றும் கிருஷ்ணர்க்கு சேவை செய்தால் மட்டுமே வாழ்வின் நோக்கம் முற்று பெரும் என்று அறிய முடியும்.

இதை மிகவும் ஆழமாக பதித்து விட்டீர்கள். தாங்கள் எங்களுக்கு அளித்த வாய்ப்புகளையும் அதன் மூலம் நாங்கள் அடைய இருக்கும் பலன் மற்றும் நன்மைகளும் பற்றி நினைக்கும் பொழுது தங்களுக்கு என்ன கைம்மாறு செய்ய முடியும். நிச்சயமாக முடியாது. சில சமயங்களில் தங்களுக்காக வாழ்வை அர்ப்பணித்த பக்தர்கள் எம் போன்றோரிடம் " நீங்கள் கிருஷ்ணரை தேர்வு செய்யவில்லை என்றும் கிருஷ்ணரே உங்களை தேர்வு செய்துள்ளார் என்றும் கூறுவர். எத்தனை உண்மை.

ஏனெனில் நாங்கள் தேர்வு செய்த எதுவும் நிலையானது அல்ல என்று கடந்த காலத்தில் இருந்தே கற்று கொண்டு விட்டோம்.

ஆண்டாள் நாச்சியார் அருளியது போல், ஏற்றைக்கும் ஏழ் ஏழ் பிறவிக்கும் தாங்களே குருவாக இருந்து எங்களை காத்தருள வேண்டும். நன்றி என்ற சொல் கொண்டு நாங்கள் உங்கள் காருண்யத்தை இணையாக்க முடியாது.

நாங்கள் வேண்டுவது,

தாங்கள் எங்களுக்கு அளித்த

4 ஒழுக்க விதிகள், 16 மாலைகள் ஹரே கிருஷ்ணா ஜபம், பகவத் கீதை மற்றும் பாகவத புராணம் பாராயணம் போன்றவற்றை சிரத்தையுடன் பின் பற்ற வேண்டும் என்பதே. அதற்கு தங்களின் ஆசிர்வாதம் வேண்டும். ஹரே கிருஷ்ணா. ஜெய பிரபுபாதா

Dear Srila Prabhupada

Please accept my humble obeisance.

All Glories To Your Divine Grace.

On this day I am remembering the Lord and You with great love, respect and affection.

Whenever I was searching for meaning , direction and whenever I flounder during despair, image of You and the Lord comes to my mind automatically, lips engage in uttering harinama, soul fills up with deep devotion. It gives me courage and confidence to face the situation and deal with it effectively. I must thank you and shall remain with gratitude forever for all the good things happened in my life so far since my association with great organisation like ISKCON.

I am not a perfect soul or disciplined devotee . I am not always successful in applying regulative guidelines. I have not devoted enough time to deepen my spiritual consciousness nor engaged in services to lord and devotees. I wish to rectify these failures in my life, strive to develop myself to get onto the path of perfection and march ahead towards right goal post in this journey of life.

Please bless me and put me in that orbit.

Humble pranams and thanks,

Bhakta Pradeep.

Hare Krishna..

All Glories to Sri Guru and Gauranga.. All Glories to A C Bhaktivedanta Swami Srila Prabhupada..

I am obliged to you, Prabhupada, for giving this opportunity to write this humble offering. I always feel grateful to you and your disciples for giving me the opportunity to understand the knowledge of objective the human form of life.

I happened to associate with one of your devotees during my PG studies and I believe strongly that incident alone was the turning point in my life. Even today, I believe it was Krishna's blessings for me to understand the value of offering service to Him and His devotees through the Spiritual master. One might argue that the life would have still going on in some manner but I am sure that incident transformed me a lot to understand how to utilize this life up to my level best till today.

I strongly accept that I most often fall into the miseries of the clutches of this strong material world, its attractions and by which I could not follow the regulative principles or your instructions properly at times. I really do not know how to beg your pardon for that. As pointed out in Bhagavad Gita that *"it is very difficult to control the mind"*, I experience this too often. Still, I believe your words - Chant, Chant and Chant.

I am eager to deliver service unto you and obey your instructions forever. I beg you to bless me with the ability and intelligence to engage everything in your service day after day and always associate with your blessed devotees. I never wish to be away from the associations of the devotees since it has a strong effect of forgetting everything else to hold the Lotus Feet of Krishna strongly.

Once again, kindly forgive me for my mistakes.

Hare Krishna Hare Krishna Krishna Krishna Hare Hare, Hare Rama Hare Rama Rama Rama Hare Hare

Your obedient servant Bhakta Rajesh.

Dear Srila Prabhupada,

I offer my respectful obeisances at your lotus feet on the auspicious day of your glorious appearance day, Vyasa Puja. One more enlightening and encouraging year has passed in my life after joining the Hare Krishna Movement at Coimbatore.

You have taken me out of the darkness of ignorance with the *Greatest teachings, Preaching and Practice* of thoughts influenced by your divine books. It has changed me more towards the Spiritual path and move towards God. The detachment of my mind, which is influenced by maya of material concepts, is your teaching. I understand God is the source

of everything and everything from Him. You have given us the right feeling to understand God and a path of real life for spiritual advancement . This has awakened me to Krishna Consciousness.

Your grace, because of the purity of your words in your books have changed my life. I have a feeling you are still living in your divine words in your books.

I had taken life for granted but often found it swinging to different directions and made me scared sometimes. I feel I have taken so many unwanted risks in life when I look back just having material concepts in focus and mind. After reading your divine books, the detachment from material mind has made me free having a right atmosphere to face life ahead. I pray to give me strength for the path of progress in spiritual practice and bhakti yoga. I pray for your grace to keep me in association with your devotees and engage me in your service.

With this Vyasa Puja offering to our beloved Spiritual master His Divine Grace AC BhaktiVedanta Swami Srila Prabhupada, I would express my gratitude for the Spiritual knowledge benefited by his teachings and the Hare Krishna Movement.

All Glories to Srila Prabhupada.

Your Insignificant Disciple,

Dear Srila Prabhupada,

Please accept my humble obeisances,

You have been a great inspiring spiritual master for many people around the globe. In the beginning when someone would speak about your sayings I would listen and let it go. Later when I read few of your writings, then I realized the depth of those information and its practical application in today's world. Your writings helped me to handle certain hard situations in my life. When someone would sit to chant regularly I used to think why should we chant as devotion is all about showing love to the Lord. But when I started chanting regularly I found a lot of changes in myself and in my attitude towards others which started benefiting me as if I was doing yoga and meditation. In that sense I am really grateful to thank you. This kind of devotion is much required for the upcoming digital environment. Getting into your path is the best path for everyone and we all must read your books, follow your guidelines and chant regularly...

*"Hare Krishna Hare Krishna Krishna Krishna Hare Hare, Hare Rama Hare Rama Rama Rama Hare Hare"*

Your humble servant,

Bhakta Sujithwin N.

Hare Krishna !!

Glories to Srila.Prabhupad

Dear Srila Prabhupad

I was an oarless boat in the high seas with no navigation and purpose in life. Then one blessed day I attended Iskcon's weekly puja which was held in Coimbatore. I went to the temple with initial hesitation as I knew Iskcon just as another temple or a spiritual centre. But little did I know that Iskcon and Srila Prabhupada's life history will be such an inspiration and motivation in life. The teachings of Srila Prabhupada and his enthusiasm for taking Iskcon to every nook and corner of this world has taught me about untiring effort . One man's mission is feeding lakhs and lakhs of people today which makes him a visionary in spirituality. I am very thankful to Iskcon and Srila Prabhupada for showing me the way during my darkest days

Long live Iskcon

Your humble servant,

Bhakta Tamil Arasu.

Dear srila Prabhupada

Please accept my humble obeisance unto your lotus feet.

I am very fortunate to come touch with the Hare Krishna movement. I learned so many things from Prabhupada and Bhagavad Gita. Those topics were the foundation for human life and the way to Godhead.

Daily chanting Hare Krishna mahamantra has helped me in so many ways.

Thanking you,

Your servant,

All glories to Sri Sri Gaur Nitai! All glories to Srila Prabhupada!

My ever well-wisher Srila Prabhupada,

Please accept my respectful and humble obeisances at the dust of your divine lotus feet on this joyous auspicious occasion of your Vyasa-puja. It is highly impossible for a neophyte like me to understand or glorify the name, fame, qualities, and activities of your divine self. But duty-bound, I seek the mercy of your devotees in this frail attempt.

It is wonderful that such a great devotee, Srila Prabhupada, could be so humble as to ask his disciple "You should pray to Krishna for me." When the disciple stammered "Well, I don't think that would work." Srila Prabhupada replied "Why not? You are a devotee of Krishna." Thus Srila Prabhupada recognized every iota of service rendered by his disciple and also respected every disciple as a devotee. To such an embodiment of humility, my spiritual master Srila Prabhupada, I humbly offer my obeisances.

Prabhupada once noticing his disciple to have some sprouted beans, instructed the disciple to not waste even one grain of the sprouted bean and to offer everything to the Lord. When the disciple further inquired, Prabhupada replied that in each bean there is a soul. Thus Prabhupada had a sharp and spotless vision as to see the spirit in everything and to engage that part too in the service of Lord. To such a visionary, my spiritual master Srila Prabhupada, I offer my respectful humble obeisances.

Srila Prabhupada was completely transcendental. Only he could sit and eat his lunch with legions of ants preparing to attack his remnants. He also graciously and mercifully allowed those ants to feast on his remnants just as much as he allowed an air-hostess to feast on his prasadam of puffed rice and peanuts and thus transformed the air-hostess to a Krishna conscious devotee. To such a mercy personified spiritual master, Srila Prabhupada, I offer my respectful humble obeisances.

Srila Prabhupada as he went on his early morning walks, he commented on everything: the birds, flowers, buildings, ocean, surfers, greets other jaywalkers, crab, etc. Nothing is too insignificant to escape his attention. Srila Prabhupada considered everything as belonging to Krishna and was thus never insignificant and gave its due respect. To such a personality who always saw things in connection with Lord Krishna, my spiritual master Srila Prabhupada, I offer my respectful humble obeisances.

Srila Prabhupada, You as a representative of Chaitanya Mahaprabhu know the heart and mind of not only your disciples but also of all the living entities, thus I beg from You nothing but just your causeless mercy in the form of determination and opportunity to eternally serve You and your devotees for your pleasure. Kindly bestow your causeless mercy to my parents and to my siblings as well. Kindly forgive me for all the offenses I have done knowingly or unknowingly against you, the devotees, and the holy name. My final wish is that You will not forget this fallen soul.

Thanking you.

Your aspiring to be sincere servant, Bhakta Vishal Kumar.

ஹரே கிருஷ்ணா

தற்போது உள்ள என்னுடைய கிருஷ்ண வாழ்க்கை என்பது பிரபுபாதாவின் மிகப்பெரிய ஆசீர்வாதமே என்று அனுதினமும் எண்ணுவது மூலமே அவருக்கு நான் என் முதல் நன்றியை செலுத்துகிறேன் .

பௌதிக வாழ்க்கையின் முற்றிலும் மாறுபட்ட நிலையில் இருந்த எனக்கு நமது குருவின் மூலமே இவ் வாழ்க்கை ஏற்பட்டது நமது ஆச்சாரியாரின் வழிமுறைகளும் நம்மை உயர்விக்க அவர் தனது தளராத வயதில் எடுத்துக்கொண்ட முயற்சிகளும் நம்மை கிருஷ்ண உணர்வில் ஈடுபடுத்த கிடைத்துள்ள விதையாக நான் உணருகிறேன் .

நான் அவருக்கு செலுத்தும் நன்றி ஆனது அவருடைய வழிமுறைகளை கடைப்பிடிப்பதே என உணர்ந்து அவர் நம்மிடையே விதைத்த விதையை விருட்சமாக மாற்ற அவர் அருளை வேண்டுவோம் .

Dear Srila Prabhupada, Please accept my humble respects.

Being a yoga teacher, I have been doing meditation on a regular basis. But after some days I used to chant the Hare Krishna Mahamantra.

This is far more powerful than normal yoga portions. It brings a lot more peaceful mindset as well.

Thank you Srila Prabhupada for this great gift

Dear Srila Prabhupada,

Thank you for allowing me to show my gratitude for your mercy and kindness in forgiving my mistakes and divert towards all your teachings and towards the Supreme Personality of Godhead. It is only because of your mercy I was able to manage all the physical and mental challenges I faced during the past 1 year and work towards my spiritual progress. I started my reading and listening, which increased my concentration towards Spiritual learning that happens every day. I could understand that the vibrations of the Hare Krishna Maha-mantra is not only influencing the people who are born already but also a baby in the womb of the mother. Whenever I chant the maha-mantra 'Hare Krishna Hare Krishna Krishna Krishna Hare Hare | Hare Rama Hare Rama Rama Rama Hare Hare', my daughter in my womb listened very nicely and reacted to the vibrations in the form of movements. I could see the same vibrations in the form of jumping and laughing when the chanting or kirtan happens after she is born. All these happen because of your teachings - Honoring/distributing prasadam, chanting, reading, hearing, kirtans. There is nothing more we as parents need when the baby is inclined naturally towards Srila Prabhupada and Krishna. I am always in ecstasy when my 10-month-old baby turns towards you in our altar whenever I ask her "Where is Srila Prabhupada". I thank you for giving me the knowledge to follow your teachings which eventually made my kids inclined towards Krishna Consciousness. I beg for your blessings to get into Krishna Consciousness more deeply and serve the devotees in one way or the other. Thank you.

Your Servant forever,

Bhakta Dharsini N.

## Bhaktin Gayatri

---

Dear Srila Prabhupada,

Please accept my humble obeisances. I am indebted to you for my entire lifetime. I would like to share this small realization with you for this vyasa puja.

Institutional Consciousness:

There had been an occasion in the temple when we were asked not to dance in the temple hall by our authorities. We are referring to women or matajis in ISKCON terms. Reasons being:

Girls started dancing wildly. It became more like sense gratification.

The Public were getting distracted.

The instruction was women were not supposed to dance in front of the deities in the temple hall. Of course you cant hear music and stand still. But you were allowed to put Swami step.

(Swami refers to Srila Prabhupada. Swami step was advised by Prabhupada himself to all his devotees. The swami step was a choreographed step in which everybody would dance by putting one foot in front of the other while their arms were upraised.)

The instruction came and when it was told by one devotee to other matajis, I was there and I knew very well I have to follow. And I did follow but partially. I was under the impression that they are all young in age- so all are jumping or dancing wildly-but I am old enough and I have better control-so anyways you can do Swami step. So let me dance and do Swami step only.

It so happened that a few obeyed, few disobeyed and few like me partially obeyed or disobeyed thinking of some justification in mind.

Then there had been many occasions- we started with Swami step but will go a little bit with other steps- considered ourselves that's all part of dancing- after all we are serving the lord by our dancing- only in front of the deities etc.

A day came. I saw one devotee (who also know the rule not to dance) was dancing wildly. Then something struck me. Why am I doing this? I should stop rather than comparing myself with others to put a slow step. That day I stopped dancing or obeyed the authorities. Yes of course whenever there was sankirtan I was putting the swami step but not any more step.

Although devotees used to get permission and dance in ratha yatra, it was not of any more interest for me once I realized following the order completely is more important rather than our own partial compromises.

How powerful is maya

I remembered MPP's lecture when he was discussing about stopping intoxicants like coffee and tea.

(There are four regulative principles. No Illicit sex, No Meat Eating, No Gambling, No Intoxicants)

Those people who say "we follow all the four. But we just take coffee or tea."

Those people who say "how can we leave coffee or tea." Such people can never take up austerities completely. Such people can never become God conscious.

I thought I am great at least now following everything. That's when BLM was mentioning even prajalpa (talking unnecessarily, talking gramya katha and not Krishna katha) should be equally considered like a regulative principle. That's when I know there are so many things beyond regulative principles.

These are only beginnings. How can we even grow in our bhakti if we are not even following an order of an authority. Any place where we are working we need to oblige by the rules of the institution. Bhakti is not an exception. There is individual

consciousness and institutional consciousness. How we get along with our fellow devotees and authorities decide our bhakti salary.

I would like to remind Prabhupadas words:

“You'll show your love for me by how you cooperate together”

“Your love for me will be shown by how you cooperate to push on this movement. The success of our mission depends upon it.”

How an institution trains us is amazing! If not for the temple where will we learn of getting disciplined and controlled of our inner anarthas. THANKS for the institution ISKCON. Thank You Srila Prabhupada!

Hare Krishna,

Bhaktin Gayatri.

ஹரே கிருஷ்ணா!

பக்தி என்பது பகவானின் கருணையை எண்ணி எண்ணி உருகுவது அன்றி வேறொன்றும் இல்லை. நமது ஆச்சாரிய பகவானின் கருணைக்கு நம்மால் இந்தப் பிறவியில் நன்றி செலுத்த முடியாது என என்னும்போது மட்டுமே நமது கிருஷ்ண உணர்வு மேம்படுகிறது. முதன் முதலில் நமது ஆச்சாரிய பகவானின் வாழ்கை வரலாறை படித்த பின்புதான் எனக்கு கிருஷ்ண உணர்வில் முழுமையான நம்பிக்கையும் ஈடுபாடும் ஏற்பட்டது.

அதுவரை எனது வழிபாடு என்பதே ஏதாவது ஒன்றை நோக்கி இருந்தது அது கிடைத்த போது ஏற்படும் மகிழ்ச்சியும் கிடைக்காதபோது ஏற்படும் ஏமாற்றமும் ஆன்மீக பயணமாக இல்லாமல் அது முழுமையான பௌதிக வாழ்கைமுறையை சார்ந்து இருந்து வந்தது. ஒவ்வொருவருக்குமே ஆச்சாரிய பகவானின் வரலாறு படித்த பிறகே கிருஷ்ண உணர்வு வாழ்க்கை தொடங்குகிறது. ஆச்சாரியாரின் கருணை இல்லை என்றால் என் வாழ்வு எவ்வளவு வேறுபட்ட திசையில் சென்றிருக்கும் என நினைக்கும்போது ஏற்படும் பயமே அதற்கு சான்று.

கிருஷ்ண உணர்வினாலும் நாம ஜெபத்தினாலும் கிருஷ்ண பிரசாதத்தின் ஆளும் தற்போது கிடைத்துள்ள கிருஷ்ண உணர்வை மேம்படுத்தும் வகுப்புகள் ஆளும் நான் உணர் முடிவது என்னவென்றால் "Really we are picked up by krishna only by the mercy of our beloved acharaya Srila Prabhupada"

जगतगुरु श्रील प्रभुपाद की जय

गुरु गोबिंद दोनो खड़े, काके लागों पाय

बलिहारी गुरु आपने गोबिंद दियो बताय ॥

प्रभुपाद जी की शरण में आने के बाद मेरे जीवन में बहुत कुछ बदल गया। प्रातः गुरुवाष्टक गाने से मेरा दिन शुरू होता है। फिर लड्डु गोपाल जी को भोग लगाकर आरती करती हूँ। जप करते करते दीन बीत जाता है तथा श्याम का समय भगवद गीता और श्रीमद भागवत पढ़ने में। यूँ तो मैं भगवद गीता

छोटी उम्र से ही पढ़ती हूँ पर श्रील प्रभुपाद जी की Bhagavad-gita As It Is के purport पढ़ने और प्रभुजी से सुनने के बाद ही पूरा भाव समझ में आ रहा है।

प्रभुपाद जी की कृपा से ही मैं तीर्थ यात्रा कर रही हूँ और श्री कृष्ण जन्माष्टमी और एकादशी का उपवास कर रही हूँ। यह तो मैं अपना सौभाग्य मानती हूँ। और एक बात, इस Lockdown में ISKCON devotees को बहुत फायदा हुआ। घर बैठे रोज़ श्याम Online पर हम प्रभुजी का डेढ़ घंटा बहुत ही interesting programme सुनते थे। दिन भर मुझे श्याम होने की प्रतीक्षा रहती थी। अब भी सप्ताह में तीन दिन class है जिसमें समय बीतने का पता ही नहीं चलता और बड़ा ही आनन्द आता है।

बस हर समय मुझे इस बात का दुख रहता है कि मैं और कुछ साल पहले ISKCON join करती तो अच्छा होता। बस प्रभुपाद जी की इस प्रकार कृपा बनी रहे, यही नित्य प्रार्थना है।

On this auspicious day of your appearance, I pay my respectful obeisances to the Guru parampara, without whose blessing and guidance mankind would have never found the path back to Godhead. Oh, dear merciful master your perseverance to spread Krishna Consciousness around the world at a withering human age is nothing less than true devotion which one can only imagine. Language can not express enough gratitude and respect I hold for you Srila Prabhupada. The abundant blessing you've showered upon such a lowlife creation, such as myself to take me back to the eternal abode is nothing short of a miracle and sole purpose of my existence.

A true devotee of Krishna such as yourself with indefatigable will and obstinance to spread the holy name of the Lord across the world faced the toughest challenges that Kali wrath upon your journey. Dear Master ! one can only imagine the sufferings you faced. The resoluteness you had for your spiritual master to take his desire as your own and to have struggled immeasurably to fulfill his purpose is a true devotee of the Godhead and Guru which I want to perceive myself for you, my Master! Dear Srila Prabhupada., my gracious master help me to overcome this materialistic mire and extricate me from the prongs of Kali Yuga. With nothing but hope in your words Master! Breaking through the day itself becomes such a task on hand.

Just approach the spiritual master to learn the truth. Inquire from him submissively and render service unto him. The self-realized soul can impart knowledge unto you because he has seen the truth.

Master!! I most humbly fall unto your lotus feet and seek thy blessing to take me on your abode. Admist the darkest ignorance, like a candle that emits its glory and removes the wickedness grant thy light upon my unworthy life and take me back to the paradise of Krsna's goloka. Like a child who lost its way back home, confused and fearful I'm hankering your help to take the soul back to its origin.

Lingering the holy name in my soul,

Hare Krishna!

All glories to Srila Prabhupada !

It gives me immense pleasure to write about gratitude and glorification of acharya Srila Prabhupada who keeps me always engaged in Krishna's service by his mercy.

Just words will not describe the glories of the guru who makes me realize the real goal of my life. My heart filled gratitude to you, my guru, for undergoing a lot of troubles in your life for the whole 69 years just to pull up the soul like me from the ditch just by making me chant maha-mantra instead of undergoing a lot of austerities.

Like Fitbit to the modern world which does a lot of functions like tracking heart rate, sleep pattern, measuring calories burned, the maha-mantra which is a soul Fitbit which helps us burn sins and keep us in the track of devotional service and shows us the real happiness.

Admits of this critical situation which the world faces, you still keep your devotees in congregation more than before. It's your mercy by which I am able to taste the nectar of Gita and Srimad-Bhagavatam through your devotees. It's by your causeless mercy that my life has become meaningful as you said in your books that "a screw which has fallen from a machine has no value".

Only by your mercy and through your books I am able to understand the meaning of each ritual that we follow in devotional service. I didn't realize the awkward position I was in until I read your books. Thanks for teaching me the etiquette of using

things in Krishna's service which actually belongs to him. I am trying my best to glorify you my guru but I know I am not capable of it so forgive me for mistakes I did.

So on this Vyasa Puja occasion, I am bowing down before you for your mercy which helps to increase my taste for devotion and helps me to feel the taste of the Maha-mantra.

Your humble servant,

Bhaktin Mutthulaksmi N.

Hare Krishna. My deep respects and obeisances to my spiritual master Srila Prabhupada.

Dear Guru,

I herewith enclose my written offerings at Your Lotus Feet.

My spiritual master is the friend of the poor, Lord, and master of devotees.

A few days ago I happened to come across this anecdote by one of your ardent devotees who had the great fortune of being directly in touch with you, my Guru. It goes like this,:

Srila Prabhupada's report to the previous acaryas\*

*"Before the operation began, they gave me an anesthetic and said, \*'Count from ten, down.' I got to about seven and that was it. I was meditating on Radha-Rasabihari in the arati, and then I had a very good dream. In my dream Srila Prabhupada had been called by the previous acharyas to make a report on his preaching mission on this planet. The previous acharyas asked Prabhupada, \_'What is your report?'\_ Prabhupada said that he had studied the people of this planet and he had found that they had no capacity for any type of austerity. Nor were they very capable of studying, nor were they very pious. He said the only thing that they were able to do was 'somehow take shelter at my feet.'"*\*

*After the operation, they wheeled me to my assigned room. Prabhupada was sitting there. He said, \*'I came here as fast as I could. I wanted to stop the operation because I think you should have had this operation in America, but anyway it is done now.'"* \* He had come all the way from Juhu in a Jeep in the middle of the rush hour to try to stop the operation. I told Prabhupada about the dream. \*Prabhupada listened very intently and said, "Actually, this is so."\*

Remembering Srila Prabhupada – HH Tamal Krishna Goswami Maharaja

After having read the above, I was so moved. Dear master, I have been working as a professor, I have many students. I understand to a great extent, the attributes, a facilitator expects of his students. In this context, I was virtually taken aback after having deduced the immense compassion you have been showing to fallen souls like me. I have been at fault so many many times. I am overwhelmed, by the fact that You, my master, have been so giving that I have been continuously redeemed from my faults ONLY by Your magnanimous mercy. It struck a chord in me that I have to learn so many valuable lessons from Your example. Please stand by me and my small family Prabhupad, please please guide us in our deeds and words. I beg You to bear with our shortcomings and lead us on Krishna's way through Your exemplary mercy and grace. Please reside in our hearts. Thank you so very much, dear Prabhupad, for not relinquishing us despite our small minds and dark hearts.

My deep obeisances to You dearest Guru and master. I pray that You are my Guru in this birth and in many more when You will always lead us to Krishna, through Your Lotus Feet.

Hare Krishna.

Your humble servant,

Bhaktin Nirmala G.

Hare Krishna

In a very humble way, I would like to express my wholehearted thanks to ISKCON and devotees of ISKCON.

I hope I'll make a collective vibration of happiness during the period of chanting Maha-mantra, it helps me to enhance the higher world in my life only because of Swami Prabhupada. Changing my habits during my chanting continuously and consciously, I have been receiving a lot of changes in my life for few years. I could understand how to live with a secured soul connection with the Supreme Lord when I read Swami's Bhagavat gita As it is. I felt comfortable with my insecure times because of awakening thoughts received from Iskcon devotees. By the right way of correcting regular chanting, spiritual guidance radiates us as to how to live with higher knowledge and unconditional spiritual path. This great Krishna consciousness is changing me to a pure devotee of the Lord and awards what I actually need.

I offer my respectful obeisance to all. Thanks for giving me this greatest opportunity to write about the founder of ISKCON Srila Prabhupada.

A Guru is a constant factor that should be present in everybody's life. We are blessed to be the shishyas of the Guru and receive the Vedic Knowledge from the Guru who is from the parampara himself. Pure and divine Vedic Knowledge was gifted to us by Srila Prabhupada. Srila Prabhupada was the one who simplified the Bhagavad-gita and the Srimad Bhagavatam. According to Srila Prabhupada, A Guru is one who can explain about Sri Krishna whenever and whoever asked for it. He insisted on chanting the Maha-mantra.

*Hare Krishna Hare Krishna Krishna Krishna Hare Hare*

*Hare Rama Hare Rama Rama Rama Hare Hare*

which is Harinam Sankirtana which will elevate us during the Kaliyuga. This is the only way to saranagathi and there is nothing beyond this Maha-mantra.

Hare Krishna

Hare Krishna!!

All glories to Guru Srila Prabhupada!! Please accept my humble and respectful obeisances.

Thank you Prabhupad for leading me all through, ever since I have come into your caring fold by joining Krishna consciousness movement. The last two years had been a testing time for me and with your blessings, I have been able to sail through it with much ease. I draw strength in adverse situations in my life thinking of your courage and belief in Krishna when you faced so many challenges to preach the Supreme Lord's glory. Thank you for accepting me into your fold and showing me the right path each day, each moment.

O Master! Be merciful to this servant of Krishna and fill me with courage and be grateful and lovable to all around me. Once again I hail your glory and glory of the Supreme Lord. Hare Krishna!!

Your humble servant,  
Bhaktin Priya Sarath.

Haribol.

The importance of Maha-mantra, how much ever we talk about it, or try to explain about it, it falls short. We need to experience it. I had the opportunity to participate in an organised tour of Panch Dwaraka yatra. We chanted the Maha-mantra all along and I am continuing till date. Thank you for giving such a wonderful mantra to the world.

Pranams. Haribol!

Your servant,

Bhaktin Purna Nagasubramanian.

Hare Krishna

Oh, my dear spiritual master please accept my humble obeisance.

You have showered a lot of mercy on me by giving me a great chance to engage in Krishna consciousness. You have arranged 'zoom' class to engage in Krishna consciousness during lockdowns where I learned Bhagavad gita, slokas, and stories. My heart is filled with tears and guilt because I am hurting you by bringing you to the material world and I am giving a lot of problems to you by not chanting and following regulative principles regularly but you still push me towards Krishna. Tears flow from my eyes when I read about your pastimes, which made me engage in Krishna consciousness. You are the only soul who has spent the whole life in serving Krishna. I am very safe and happy as my life is in your hands. Master at the age of 70 with a sum of ₹40 in your hand, you landed in an unknown place to make your spiritual master's dream come true. I am jealous of you O' master because at that age you had a strong conviction to make your spiritual master's dream true but I am only 14 but I cannot satisfy your dream. When I compare your dream and your spiritual master's dream yours is small. Your life explains the real purpose of human life. I want your blessings forever and ever. Please bless me, master. Please accept my humble obeisance.

Hare Krishna,

Your servant,

Bhaktin Ragasugirthi.

Dear Srila Prabhupada

Please accept my humble obeisance.

All glories to your divine self.

In Bhagavad-Gita 18 chapter Krishna says,

Chapter 18, Verse 13-14

*O mighty-armed Arjuna, learn from Me of the five factors which bring about the accomplishment of all action. These are declared in sankhya philosophy to be the place of action, the performer, the senses, the endeavor, and ultimately the Supersoul.*

Chapter 18, Verse 15

*Whatever right or wrong action a man performs by body, mind or speech is caused by these five factors.*

Chapter 18, Verse 16

*Therefore one who thinks himself the only doer, not considering the five factors, is certainly not very intelligent and cannot see things as they are.*

In the purport to verse 16 you wrote

*"A foolish person cannot understand that the Supersoul is sitting as a friend within and conducting his actions. Although the material causes are the place, the worker, the endeavor and the senses, the final cause is the Supreme, the Personality of Godhead. Therefore, one should see not only the four material causes, but the supreme efficient cause as well. One who does not see the Supreme thinks himself to be the instrument."*

This instruction has been a saviour often in my life. However, during these lockdown times when its is easy to feel frustrated by external happenings, this understanding that the Supreme Lord has sanctioned these events is soothing to the heart and to the disturbed mind.

Srila Prabhupada, I am amazed at how you have never sent me far away from your service inspite of my own self-inflicted separations due to my bhoga and tyaga attitude. You always pull me back with these sublime instructions.

What do I know about Krishna or about sadhana? If I were to understand and learn everything and then turn to Krishna, thats not going to happen anytime soon.

Somehow by the mercy of devotees I found your lotus feet. Though physically and intellectually I am not capable of appreciating your greatness, I can, for sure, understand one thing. That is, I should never leave your lotus feet. Because your mercy on mankind is immeasurable.

I pray to the Lord within me to kindly sanction my prayer.

My dear Lord, please let me never deviate from my service to Srila Prabhupada.

Your servant,

Bhaktin Renuka Guru.

Dear Spritual Master Srila Prabhupada,

Please accept my humble obeisances at your lotus feet on this most auspicious occasion.

All glories to Srila Prabhupada. You are our spiritual master, philosopher, and scholar. Your accomplishment in spiritual work, speeches, and *kirtans* are gifts to humanity. The way it is explained, all doubts even an ordinary person is able to understand. Srila Prabhupada's simplicity and the kind of affection made thousands and thousands of people follow him and became a disciple of Krishna Consciousness. Your books enlightened us, made us think, understand, and follow the footpath. Like a bee attracted to honey, we are all attracted to his teachings and gained the knowledge of the truth. You have shown us the way to come out of *Maya*, the ocean of miseries.

As an ordinary disciple, my life was wandering, because of material concept haunting me. You have brought me out of darkness by your speeches and teachings. Your books made me understand the difference between the material world and the spiritual world. Spiritual master you are the link between Lord Krishna and a simple person like me. We pray you to show and guide us further to reach the lotus feet of Krishna. It is easy to practice *bhakti* alone at home, but to practice in the association of other *Vaishnava* devotees is a big challenge to our independent mind and false ego. Devotees come from different backgrounds yet all stay together and practice *bhakti*, attend *sadhana*, and render *seva* together. This is amazing given the fact that in the present age it is difficult for even a close family member to follow the same principle. As a result, we find ego in the families around, deprived young generations of receiving care, affection and wisdom from elders in the family. In such a situation your organization provides solutions to younger generations in the form of a big devotee community.

All these teachings become part of our learning in the community, Srila Prabhupada, by making this community living part of the organization you are giving disciples lifetime lessons. Dear Srila Prabhupada, on this auspicious day of your divine appearance, I pray to your lotus feet to give strength for the devotional service to the Supreme Lord Krishna, reveled so mercifully by you.

*Hare Krishna Hare Krishna Krishna Krishna Hare Hare,*

*Hare Rama Hare Rama Rama Hare Hare.*

Your humble disciple.

Bhaktin Renuka Sheshachalam.

Dear Srila Prabhupada,

Please accept my humble pranams.

Thank you showing the path to self realization by following the regulative principles and chanting Hare Krishna Mahamantra daily. I have been chanting the Mantra daily.

I express my sincere gratitude for the Char Dham Yatra last year which was conducted beautifully by the self-less devotees. I am fortunate to be part of the entourage. The Yatra was enlightening and a very spiritually fulfilling experience. Nature is so beautiful and we are just a tiny, tiny speck.

Thanking you once again and my ever grateful respects,

All glories to Guru and Gauranga,

Dear beloved Gurudeva,

*Om ajnana timarandasya nyanaajana shalakaya*

*chaksur un militam yena tasmay Sri gurave namah!!*

This literary offering to you my beloved master, eternal father,.I have been writing this offering for the past 3 years and this time writing this gives me immense pleasure again! You have always been so merciful unto me in every tough situation of my life. In those hardest of time you have been the greatest support and savior of my life. I thank you my Lord for that. You have been instructing me to reach the right destination and right path and ensure I never get in trouble. I have always been pushing and pulling myself in both spiritual and materialistic life and tried almost to balance them both.

Always my highest desire and wish were to worship many beautiful forms of the Supreme and do service unto his lotus feet and you ensured that I regularly get in touch with devotees and do service in those most void times of my life!

There is a phrase that says, " Count your blessings" and yes you have been my great blessing over these years since I started to worship you and accept you as my Spiritual master and an eternal beloved father. There were times in early 2005 and succeeding years, I used to go to the temple every Sunday which was 30 km away in the early morning in that shivering cold weather of Bangalore!! We used to dance, sing bhajans, glorify you which gives me enormous pleasure and energy and that made me come every Sunday!! And then came the golden opportunity of going to Goloka Vrindavan, Mathura, Govardhan for Deity installation of our Iskcon there. That was the greatest day of my life ever !!

Your numerous books are the assets for me to get and earn whatever I want to earn and be eligible to go back to Vaikuntha in this life itself!! Your way of answering to all the atheistical /insulting questions to westerners helped me to understand the ocean of knowledge that you possess and your willingness to share them with sinful fallen souls makes me love you enormously. I want the strength, discipline, consistency, to follow up your instructions my Lord. I am doing my little part but I need to take it as the serious duty of my life's mission of my birth to engage in Krishna service, devotees' service.

You know what, when to give me and fulfill my desired wishes so I never ask materially but always want spiritual strength and progress from your mercy upon me. I promise that I will always be engaged in the service of Lord and never let your name and fame down !! Please shower your causeless mercy upon me !! All glories to you my Lord.

Yours sincerely Bhaktin Sandhya.

Dear Merciful Spiritual Master,

Please accept my humble offerings in your lotus feet.

Lucky am I to have been blessed with your grace to follow Krishna Consciousness in this self-absorbed materialistic world. With everything to regret about this *karmic* life, dear Spiritual master, to be called your servant is all that I look up to.

With the *Kaliyuga* testing my worthiness every now and then and to put up with this never-ending machine life, is the battle to be faced every day. During all the suffering and chaos like the light at the end of the tunnel, the only thing which keeps me going is your true words of wisdom that true happiness can be found when you devote yourself in the name of Krishna.

Dear Spiritual Master, my abode of solace is finding true happiness by taking upon your path. Chanting the holy name of the Lord is the nectarine given by you to this mankind, the only medicine to relieve us from the *karmic* disease. May I use it rightly and do my duties to fulfill your desire of going back to Godhead. Please be my will now and forever.

Dear Gurudeva,

My dear Spiritual master,

My humble obeisances at your lotus feet,

*nama om vishnu padaya krishna preshtaya bhuthale srimathi bhakti vedanta swamin iti namine

*jaya sri krishna chaitanya prabhu nithyananda*

*sri advaita gadhadara srivasadi gaurabhaktha vrinda*

His divine grace AC Bhaktivedanta Swami is a world-renowned saint and savant in the field of Vedic philosophy and it's a practical application in the modern world. I am most grateful that his message of *Bhagavad-gita* is being spread for the benefit of the world by such a qualified personality.

It is amazing to see how Srila Prabhupada succeeded in less than 10 years with his determination and single-minded dedication to the task, untiring energy and efficient direction in organizing the International Society for Krishna Consciousness which has millions of devotees, His establishment of temples all around the world and writing numerous work on the *Bhakti Yoga* taught by Sri Krishna and Sri Chaitanya Mahaprabhu has helped me and other people in the world to study and cultivate spiritual practices for our lives and benefit individually.

Your books and translation of *Bhagavad-gita* (*Bhagavad-gita As It Is*, *Srimad-bhagavatam*, *Chaithanya-charitamrita*, etc ) are significant contributions to the salvation of mankind, It displays on every page an astounding scholarship in the subjects treated and also understanding the ease of exposition of abstruse ideas which are rarest gifts of a man, through which I realized *Bhakti* and the importance of chanting the Hare Krishna *Mahamantra*. Therefore I'm very grateful for the mercy you have bestowed upon me to understand the real worship of Lord Krishna. And has shown the path to all the devotees in the world to the Supreme Personality of Godhead.

I'm very grateful to you have showered your mercy on me. Without your mercy, it would have been impossible for myself and everyone to engage in the devotional service of The Supreme Personality of Godhead.

My sincere prayers to you to always guide and engage me in the service of Krishna and liberate us from the sinful activities, material attachment and imbibe spiritual practices in our lives and remove the darkness of ignorance and enlighten our souls with spiritual knowledge. O my master, like you, once said "I shall never die, I shall live forever in my books", we are very fortunate to have you with us throughout and are very indebted, thankful for living with us forever through books and through your blessings.

My Humble prayer to bless me to be in association with ISKCON.

Yours humbly,

My Humble Pranams to Srila Prabhupada,

The Pandemic wave is causing so much disturbance in everyone's life. Srila Prabhupada you have taught in your books that nothing in this world happens without the sanction of the Supreme Lord and He is in control. Devotees take shelter of the Lord by depending on the Lord more intensely and so are fearless. Devotees feel a sense of protection by repeatedly chanting the Hare Krishna *Maha-mantra* which You have mercifully bestowed upon us. Grateful to Your Divine Grace for showing us the right way to surrender to Lord Krishna in this *Kaliyuga*.

Dear Shila Prabhupāda

Please accept my most humble obeisances at your lotus feet

On this very auspicious day of your appearance, I would like to express my deepest gratitude for your guidance and your blessings upon me. Through your disciples who have visited me in Davanagere and Bengaluru, you have given me your causeless mercy, so that I can build the Krsna Conscious life in ISKCON TEMPLE, Bengaluru. This temple affords the opportunity to worship Their Lordships, put on festivals for Their pleasure, and benefit from Chanting, doing kirtan, hearing your lectures, and reading Bhagavad Gita. These activities give me strength and joy in this miserable material world. Under the guidance of Krishna Madhav Das and Sukumar Krishna Das Prabhus instructions and encouragement, I'm chanting 16 rounds daily. I'm able to read Bhagavad Gita and Perfect Questions and Perfect Answers book, am able to learn to discuss a lot of things about Krsna Consciousness with them, and also I am doing some little service toward Krsna Consciousness during Janmashtami and Vaikuntha Ekadashi. I have been distributing your books, holding regular sessions, and distribution prasādam. In several colleges of Davanagere, I have held seminars to introduce the science of Krsna Consciousness to students and professors. Please protect me in my activities, and bless me with strength and enthusiasm. Srila Prabhupāda, I pray to you to please always keep me under the protection of Your lotus feet. Please guide me so I can always work together in devotional service as your good children, helping your mission. Again I offer my obeisances as your eternal servants.,

Your servant,

Dear Srila Prabhupada,

Please accept my respectful obeisance.

I remember when I was a student, I just focused on enjoyment. At that time due to no guidance, the Spiritual Master, the goal was towards materialistic life. When I came in touch with Krishna consciousness and started reading books and associated with devotees, I turned into spiritual life. And I realized that the human form of life is meant for attaining perfection in Krishna consciousness. The temple devotees, all come from different regions, religions, different cultures, and backgrounds and they stay together and practice Krishna consciousness. That gives me real happiness, 'One who knows the transcendental nature of My appearance and activities does not upon leaving the body, he will go back to Krishna.' Thank you, Srila Prabhupada for giving me the wonderful gift Holy name for chanting.

Yours faithfully,

Bhakta Akash V.

Dear Srila Prabhupada

Please accept my humble obeisances

The World is changing faster than we know, and at the same pace our understanding and knowledge of Holy Scriptures, and the absolute truth is fading away.

I was also heading in the same direction when I was stopped by the Krishna Consciousness Movement. Out of curiosity, I tried to dig deeper and I found about many great souls propagating Krishna Consciousness from decades. One of the names among all was yours Srila Prabhupada, as the Founder-Acharya of ISKCON. You sacrificed so many things in your life to save a million souls, by spreading Krishna Consciousness all over the world. Your books are the treasure of transcendental knowledge which can guide us in the path of perfection.

On this auspicious day of Vyasa-Puja, I beg your mercy so that I also can fathom and taste Krishna Consciousness like others.

Dear Srila Prabhupada, Please accept my humble obeisances unto your lotus feet,

All glories to You on this auspicious day of your appearance.

By chanting the committed rounds of Hare Krishna *Maha-mantra* and reading your books helped me as follows. Before chanting the Hare Krishna *Maha-mantra* and reading books, I was living my life like an ordinary materialistic person, I searched for happiness in the foolish material things and achievements but unfortunately, I did not realize that this wasn't what truly satisfied me until I started to chant and involve me in the spiritual life. After chanting regularly I have started to experience happiness which developed gradually but it kept on increasing day by day because spiritual happiness is different than material happiness, gets less, and less enjoyable over time. But spiritual happiness is the exact opposite thing.

I, besides the spiritual benefits even also got some material benefits such as improved mental capabilities such as more focus, attention, sharpness, better grades, increased self-control, better time management skills, improved efficiency, quality in the task that I perform on daily basis. I was struggling in my early degree years due to a lack of motivation and focus. I had always done well throughout my school but early on in college I lost my motivation and started to make the lesser grades of my life. However, as I started chanting, I gradually acquired greater mental strength, concentration, the focus became more efficient and I am doing things sharp, my time management skills, and developed other qualities that helped me to increase up my grades. This all happened in my life due to the Blessings of Lord Krishna and Srila Prabhupada's Guidance, I thank Srila Prabhupada and Supreme Lord Krishna for everything that I have got up to today. Thank you once again.

Your Humble Servant,

Bhakta Amogh G V.

Dear Srila Prabhupada,

My heartfelt greetings to you Prabhupada.

Before in my life, I was the person without much desire towards spiritual thoughts, and was completely in the illusion. I was full of desires and temporarily satisfying results. But you gave me an amazing and wonderful opportunity to join Krishna Consciousness. With this opportunity, I came to know I'm in illusion and struggling in this material world. Service towards Lord Krishna made me come out of this illusion, and with your blessings Lord Sri Krishna, my life turned out with real happiness and good results. With your blessings of I got the opportunities to attend the amazing and wonderful programs of Lord Sri Krishna which I have never seen before, and those programs created some new colorful world in my life and I came to know the value of Hare Krishna Mantra.

Whenever I chant Hare Krishna Mantra I feel like Lord Krishna is with us in this material world, who gives us hope for the next step with a bright future ahead. And these are only a drop of my views in an ocean of Lord Sri Krishna and your divine qualities. Finally my humble and heartfelt devotional thanks to you Srila Prabhupada for giving me such a grateful life in Krishna Consciousness

Dear Srila Prabhupada

Please accept my humble obeisances

I wrote this homage when I turned twenty. As I got to know your teachings, I understood that there is a lot to explore in this life.

The teachings I have learned from you as follows:

1. Too many people addicted to materialistic life, and fully devastated by similar things. You gave a perfect direction to lead the life happily.
2. You are not only limited to our country. The whole world needs you not as a person, but as a guru. This one made an impact on my life.
3. The third thing I have learned from your teaching is how to form a correct perspective of people and the country.
4. Your teachings gave a perfect direction as to how to become a happy man.
5. By your teachings, one can achieve Mukti in his life.

Please accept my humble obeisances at your lotus feet

Today is the celebration of your appearance within this world, and it is a time of great rejoicing. Your appearance was the most significant day in the history of the human race.

You have faced many problems while you went to Western countries to impart spiritual knowledge such an old age. And You have successfully given the knowledge of Krishna Consciousness Movement to all. You are truly an inspiration to all the human beings living on this planet.

I have watched many conversations, and read books of you in which You have explained about Lord Krishna in such a way that even common people like us can understand about the glories of the lord. We are so fortunate to have a spiritual master like you.

You really are a pure devotee with no desire for name and fame.

It's because of you that many people all over the world have left the material love, and started to become Krishna Conscious.

Thank you Srila Prabhupada for the wonderful gift of devotional service that you have given us.

Please keep me blessed.

Dear Srila Prabhupada,

Prabhupada, please accept my humble obeisances on to your lotus feet

As I am progressing in life, my belief in Krishna strengthens day by day. This is only because of you. Last time when I did Seva for Krishna Janmashtami, I felt very happy after that and I came to know the importance of seva in our life. When we do seva, it directly pleases our soul.

Also, I am very fortunate for being a part of the ISKCON community, as it spreads the holy message of Krishna "Bhagwad Gita" across the world, and the distribution of prasadam to many children. It also undertook so much of services during the COVID-19 crisis.

By your mercy I am becoming aware of my thoughts day by day. Please give me the strength to face the challenges in my life, and bless me for a happy and spiritual life.

Srila Prabhupada ki jai ho

My heart full pranams to Srila Prabhupada- our beloved spiritual master.

My real-life Guru! I am just surrendered unto you. Please accept my obeisances.

Before coming to Krishna Consciousness I was muddled, and I was not aware of who is real guru. I used to accept guru without any knowledge, but when I came into Krishna Consciousness, when I read your books, then I got to know who is actual Guru. Then I understood a real guru is one who teaches how to love God, and give a platform to understand Supreme. Whenever I listen to your speech, I really forget where I am, and I just keep watching. Whenever I read your books, I feel inner peace and unlimited satisfaction. I was a person who was working to have a good future, but because of your blessings I have understood about the material world. I got to know that there is life after death. I just understood spiritual knowledge, and when you said "the materialistic world is dukhaalayam," it really touched me. You are the reason why I am moving in proper direction and this is possible by reading your books.

My only request is that please guide me in all steps of my life, and help me to get m out of this birth and death cycle. At last help me in perfecting this life by defeating MAYA, and bless me that I come to you to be amar devotee of Lord Krishna.

Dear Srila Prabhupada,

Please accept my humble obeisances

All glories unto you

It's been four years since I joined folk Davanagere, and I'm extremely happy with my decision of being part of Krishna Consciousness Movement.

I was always searching for some substance to enjoy happiness, but what real happiness is I learned it here, from your teachings, Srila Prabhupada. Earlier I used to identify myself with this body and was trying to enjoy happiness, but I was wrong. I am trying to progress in this path bit by bit. I got to know that the root cause of all problems is identifying oneself with this body; rather we are souls. Chanting Hare Krishna Mahamantra helped me a lot in concentrating better, and keeping me calm. Thank you Prabhupada for always enlightening us through your books, videos lectures, Mahaprasadam, and beautiful pastimes of Lord Krishna.

Thank you, Prabhupada for showing me the right path. Thank you for giving me guidance, and giving me devotees association through Krishna Madhav Prabhu.

Dear Guru Maharaj

Please accept my humble obeisances

All glories to Srila Prabhupada

All glories to you on this day of your Vyasa-puja. Heartful thanking and gratitude towards my spiritual master Srila Prabhupada

In my childhood I heard one quotation "there should be a goal in front, and a guru should be behind to guide to ", then only one's life becomes successful. But I never completely realized this line anytime and anywhere in my past, until I came in contact with your teachings beyond morality, the teachings of Absolute Truth. Actually it's true for all the time that every one of us are born in darkness and looking for light in our life, but so many times we mislead ourselves with wrong things. When we meet real one, it's like sunshine dispelling darkness. You have dispelled the darkness from my life in a similar fashion. Sun thrashes the darkness by light, but you by your causeless mercy have dispelled the darkness from my life.

I have so much of blazing confusion and mental concoction in my life, but your teachings are clearing away all of those, giving me clarity about life. You taught us Prabhupada; "eating, mating, sleeping, defending" is not a life, you taught us how to become happy; you taught us how to be humbler than the humblest and stronger than the strongest. By your mercy I am always blessed; by your mercy I found Krishna in my life. In this so-called modern world, you taught us what it is real love-the love of God.

Thank you guru Maharaj for all your teachings; for taking all our sufferings, and for all the things you did to us. Lastly, please accept my dandavath pranam unto your lotus feet, and bless me to be a devotee of Krishna in all my births.

*Hare Krishna Hare Krishna, Krishna Krishna Hare Hare, Hare Rama hare Rama, Rama Rama Hare Hare.*

Your humble servant

Hare Krishna.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to you.

As years are passing, I'm going deeper & deeper into the bhakti process. As it's my 4th year in the journey of Krishna Consciousness, I'm nowhere feeling that chanting 16 rounds of Hare Krishna Mahamantra is not a difficult thing for me besides reading Bhagavad Gita. Sometimes I have even chanted 17-18 rounds of Hare Krishna Mahamantra. It's because of your caring guidance on this Bhakta, in the form of your books or from the association of devotees. From your guidance only I overcame my difficulties, and started chanting Mahamantra very easily and flawlessly. And I feel that Mahamantra you have taught us

*HARE KRISHNA HARE KRISHNA KRISHNA KRISHNA HARE HARE*

*HARE RAMA HARE RAMA RAMA RAMA HARE HARE*

It's like a medicine for us which will burn all our sins, and it's a pathway for going back to Godhead without any difficulties.

Your humble servant,

Bhakta Vishwanath.

Dear Prabhupada,

Please accept my heartfelt respect on to Your feet.

I am truly very thankful that I could be aware of Krishna Consciousness, and even more thankful to you for accepting me, an ignorant and lost person into this beautiful way of life. Since I have come across and been taught to chant and read Bhagwat Geeta and practice Krishna Consciousness, I feel much more connected to God Krishna. I feel a considerable growth in my spirituality and now I see the world in a different way. Your teachings have led me to understand the real meaning of life. Last year, I visited Ukraine and I went to ISKCON TEMPLE there and was really astonished and deeply satisfied to see how people across the globe are realizing Krishna Consciousness.

I bow down to you and thank you from the bottom of my heart for directing me on this path and making me conscious of this blessed and beautiful love for Krishna.

Dear Prabhupada,

Namaskaram! Please accept my humble obeisances!

Prabhupada, I haven't seen heaven before but I felt ISKCON Bangalore is the heaven where God lives. All my 5 senses felt positivity when I visited the temple last year. The smell of the fragrance spread there, the sound of the sankirtana of Krishna, the sight of the devotees continuously worshipping Krishna, the chanting of Hare Krishna mantra and the presence of God near me are all unforgettable. This is all due to Your mercy Srila Prabhupada.

Thank you Srila Prabhupada!

Yours sincerely,

Namaskaram Srila Prabhupada,

Please accept our humble obeisances. All glories to Your mercy, and all glories to Your Divine presence, which we experience through your disciples.

It's a blessing for getting an opportunity to express the gratitude on this auspicious Vyasa Puja day.

Srila Prabhupada, you have made millions of people to experience the Bliss of Krishna, ecstasy in devotion, joy in offerings, love in sharing the knowledge, and happiness in showing gratitude. Spending time with the devotees or taking their association is always a pleasure.

Srila Prabhupada, the work done by you is next to impossible for a human being, a few of which are: lecture tours around the globe for fourteen times, making people aware about the nature of human beings, their responsibilities & duties, introducing Vedic-gurukula education to western audience, writing and publishing several books, building ISKCON temples worldwide, translating over sixty volumes of Vedic literature and many more.

Akshaya Patra was an ardent desire of yours that “No one within a 10-mile radius of ISKCON temple should go hungry” has now filled the stomachs of millions of starving and hungry people with Divine Prasadam.

Whatever I know about Your Srila Prabhupada, is minuscule in the ocean of your work done to the world.

Thank you Srila Prabhupad for the Krishna consciousness movement and for making people to experience the sweetness in the words, Rama & Krishna.

*HARE KRISHNA HARE KRISHNA, KRISHNA KRISHNA HARE HARE, HARE RAMA HARE RAMA, RAMA RAMA HARE HARE*

Yours sincerely,

Srila Prabhupada, your appearance was really a big gift by Krishna. The lesson taught by you is really appreciable and overwhelming in nature, which turns our thinking process in the right way. Dear Srila Prabhupada,

You have played a very significant role in inclining me towards spirituality and Krishna Consciousness. I can clearly divide my life into two: Before and After the blessings of Srila Prabhupada.

I was not disciplined, having a frivolous life, feeling hopeless, and useless. No big aim in life before my introduction to ISKCON. I was not even knowing that I was suffering from Lust, Gluttony, Greed, Sloth, Wrath, Envy, Pride, Arrogance and Attachment. At the same time, I use to wonder why, at times, good things happen to bad people and bad things to good people? How do you deal with "Why me?" situations?

Once I'd been to ISKCON Bangalore. I purchased Your book, "*Beyond Illusion & Doubt ~ by His Divine Grace Srila A.C Bhaktivedanta Swami Prabhupada*" It's an extremely interesting series of insights into the ideas of some of the world's eminent philosophers and a concise yet thorough presentation of the basics of bhakti-yoga. Answering the ultimate questions like "What is the meaning of life?" "Does God exist?" "What is the Supreme Good, and how can we achieve it?" I also happened to meet some devotees and Your disciples, after meeting and discussing with them, I got clarity on

How not to get overpowered by emotions & desires

Understanding the principles of mindful service

The Art of Mind Control

Principles of freedom

Afterlife and reincarnation

The realization of one's own potential and

Self-confidence in one's ability

Charity

Discipline

I got introduced to the Hare Krishna mantra by one of your disciples and that gave solace to my mind and soul.

*"Hare Krishna Hare Krishna Krishna Krishna Hare Hare Hare Rama Hare Rama Rama Rama Hare Hare".*

Always in Your Service,

Bhakta Srinivasan V.

Dear Prabhupada!

By your mercy only I came in contact with your devotees & from the last few years I had learned so many things based on your teachings and after trying to implementing these teachings I am feeling so blissful. Although I know that I am not so sincere but having a deep hope that I will correct myself by your mercy.

Prabhupada, it is fact that I am not able to offer you any kind of service properly & seeking your mercy to do service properly. I know that I am not following your instructions properly due to my fallen condition but always a light of hope that you will still show your mercy and guide me to cross this material ocean .Dear Prabhupada, please deliver all of us & please engage me in your service & seek guidance to us.

I am very grateful and blessed to have your spiritual guidance that I am one among the living entities and thus I got the opportunity to execute devotional service.

Dear Srila Prabhupada,

Please accept my unlimited obeisance at your lotus feet.

Although I am unworthy, somehow you have accepted me as your servant. I can only fathom an inkling of your glories with this limited mind and pray to be able to understand more.

As Srila Rupa Goswami understood Lord Chaitanya's Mano-bhista innermost heart's desire, you too understood your Guru, Srila Bhakti Siddantha Saraswati Goswami's heart and went to the west to fulfill Lord Chaitanya's prophecy to spread Krishna's Holy name to every town and village. You did the inconceivable and that too at an advanced age. You had complete faith that Lord Krishna will provide what you lacked and did wonders all over the globe. Praying at your lotus feet, I beg you to help me curb my false ego so that I can develop this quality of full surrender to you and Krishna, then I may be of some small value to you in carrying out your grand mission. I pray for the strength to resist the temptation of trying to enjoy the material energy. This futile desire has kept me here in this material world for time immemorial, but by some great good fortune you came into our life and offered an easy way out of this suffering condition. You taught, Krishna consciousness is actually not giving up pleasure in totality, but it is selective sacrificing of lower perverted pleasure and embracing the highest soul pleasure of love of Godhead. One is like the sun and other like darkness. Both cannot exist together, higher taste of Love of Krishna is like the sun and illusory maya happiness and pleasure as like darkness. You taught us soul's existential purpose is to relish varieties of relationship, rasa of loving devotional service by being in relationship with himself as servant of Krishna as well as with other living entities. Because of your causeless mercy we were able to associate with senior Vaishnavas and improve our quality of chanting the holy nama.

Dear Prabhupada, please bless me so that I could obediently follow your command, chant and exactly the same sound hear,' in order to concurrently chant cum hear every Nama.

Please by all means force me to take advantage of this most valuable opportunity.

Falling at your lotus feet and begging for a drop of your mercy.

Your Servant, Annirudha Krishna Das.

Your sincere disciples are engaged in your service of preaching Krishna consciousness boldly throughout the world. They are really blessed souls and highly fortunate. Dear Gurudev, kindly help me to find the missing links between my present state and the state of perfection, and please guide me to bridge the gap. That force of strong faith, determination, and experience is required to cross the gravity of illusory nature. kindly deliver us from the pangs of bewildering energy and help us to become a pure devotee of Lord.

आदरणीय श्री प्रभुपाद ,

आप को मेरा शत-शत नमन आपके चरण कमल में आपकी कृपा से यह मेरा छठवां वर्ष व्यास पूजा में भाग लेने का सुअवसर मिला है। आप ही हमारे सच्चे मार्ग दशक है आप ही के द्वारा मुझे कृष्ण की भक्ति मार्ग पर चलने की शिक्षा प्राप्त हुआ है, आप ही के द्वारा भगवान श्री कृष्ण के दिव्य स्वरूप को जान सका और आप ही के द्वारा हरे कृष्ण महामंत्र की महिमा को जान पाया हूँ। जप करने से अपने मन को काफी हद तक नियंत्रित करने में, आपके चिंतन और आपके द्वारा बताएँ नियमों का पालन करते हुए मेरे मन को आत्म संतुष्टि का अनुभव हो रहा है। और अब हमें भगवान श्री कृष्ण का प्रचार प्रसार बढ़ते हुए दिखाई पड़ रहे हैं। आपने सच ही कहा है भगवान श्री कृष्ण ही सच्चा व अच्छा मित्र है और कोई नहीं। क्योंकि भौतिक सुख कुछ देर के लिए रहता है उसी में हम भटके हुए थे। सो आपके द्वारा लिखी भगवत गीता और छोटे-छोटे बुक को पढ़कर भगवान कृष्ण को समझने में हमारी मदद के लिए आपको धन्यवाद। मुझे आगे बढ़ने में अभी भी आपकी वाणी और आपके चरणों की कमी महसूस करता हूँ और आशा करता हूँ कि मेरे जीवन में अध्यात्मिक उन्नति में कमी ना होने देना इसी आशा के साथ अपनी वाणी को आराम देता हूँ ।

हरे कृष्णा

श्रील प्रभुपाद के चरणों में सादर दंडवत प्रणाम।

इस व्यास पूजा के पावन अवसर पर श्रील प्रभुपाद मैं आपका आभार प्रकट करता हूँ कि मुझ जैसे बस जीव को आपने अपने उदार हृदय की वजह से ही कृष्ण भावना भावित होने का मौका प्रदान किया। श्रील प्रभुपाद की शिक्षा से मुझे जीवन के यथार्थ सत्य को जानने का शुभ अवसर प्राप्त हुआ प्रभुपाद जी की किताबों को पढ़ने के पूर्व भौतिकता वादी परिवेश को ही सर्वोपरि मानते थे लेकिन गुरुदेव के ज्ञान से ही हमें पता चला है कि यह रास्ता हमें अंधेरे की ओर लेकर जाता

है इस घोर भौतिकता वादी कलयुग में यदि गुरुदेव दिया गया अध्यात्मिक ज्ञान नहीं होता तो कुकरो की भांती इस दुर्लभ मानव जीवन को यूँही नष्ट कर देते और हमें यह पता ही नहीं चलता कि मानव जीवन मिला क्यों था। इस जगत में बहुत से गुरु हैं किसी को भी गुरु बनाया जा सकता है लेकिन श्रील प्रभुपाद एक प्रमाणिक गुरु है वह भगवान श्री कृष्ण के परम भक्त हैं तथा गुरु शिष्य परंपरा से आते हैं। वह विशुद्ध कृष्ण भक्त है इसलिए वह हमारे सबसे प्रिय हैं।

हम सबों को प्रभुपाद के बताए मार्ग पर चलना चाहिए। हमको परम ज्ञान प्राप्त करने के लिए प्रभुपाद जी के चरण कमलों में श्रद्धा की आवश्यकता है। प्रभुपाद जी की कृपा से हमें वैष्णव का संघ मिला जिससे सात्विकता एवं पवित्रता की प्रेरणा मिली। गुरु रूप में श्रील प्रभुपाद हमारे सच्चे पथ प्रदर्शक है। प्रभुपाद जी की वाणी इस जीवन को संसार रूपी सागर से पार लगाने वाली है। अंत में जगतगुरु श्रील प्रभुपाद जी से हमारी विनती है कि वह हमेशा हमें अपने चरण कमलों का दर्शन देते रहे। उनका आशीर्वाद सदैव बना रहे। उनके चरणों में हमारा हजारों बार दंडवत प्रणाम।

प्रिय जगतगुरु श्रील प्रभुपाद आपके श्री चरणों में दंडवत प्रणाम,

आध्यात्मिक जीवन की कल्पना आपके व्यक्तित्व के बिना असंगत बात है। मेरे जीवन में अध्यात्म की पहचान आपकी देवी कृपा का परिणाम है। यदि कोई आध्यात्मिक को पूर्ण रूप से जानना चाहता है तो उसे कृष्ण कृपा मूर्ति श्रील प्रभुपाद के संपर्क में आए बिना संभव नहीं है। वैसे तो अलग-अलग विद्वानों ने आपको अलग-अलग रूप में समझा है कोई दार्शनिक, कोई वैदिक संत तो कोई ईश्वर का दूत, कोई युग दृष्टा, तो कोई आधुनिक क्रांतिकारी वैदिक प्रतिनिधि परंतु समग्र रूप में आपका मूल्यांकन कर पाना संभव नहीं है। परम करुणा अवतार भगवान श्री चैतन्य महाप्रभु की असीम करुणा दृष्टि और आपके प्रचार लीला में यह साक्षात् दृष्टिगोचर होती है। यह कोई अतिशयोक्ति नहीं अपितु प्रत्यक्ष अनुभूति बात है कि अगर आप शक्ति आवेश अवतार नहीं है तो यह कैसे संभव है कि ब्रह्मांड में सर्वाधिक दुर्लभ कृष्ण प्रेम का वितरण आपके प्राकृत से संपूर्ण जगत को सुलभ हो पाया है।

प्रभुपाद श्रीमद्भगवत गीता एवं श्रीमद् भागवतम के भक्ति वेदांत तात्पर्य पृथ्वी पर मनुष्य जाति के उत्थान के लिए अमर वरदान है। आज इस सर्वाधिक पुनीत अवसर पर मैं अपने सनातन गुरु महाराज के दिव्य चरण आश्रय की जन्म जन्मांतर तक कृपा याचना करता हूँ जिससे कि मनुष्य जीवन की सार्थकता सिद्ध हो सके, जैसा कि यह ज्ञान मुझे आपसे ही प्राप्त हुआ है। और यह ज्ञान आप के माध्यम से इस जगत के बद्ध जीवों तक पहुंचा सकूँ यहीं मेरी आशा है।

आपके चरण कमलों का दास,

Dear Srila Prabhupada,

Please accept my humble absences unto your lotus feet on the auspicious occasion of 124th Vyasa Puja.

Srila Prabhupada your causeless Mercy upon me. So so I could able to express my humble gratitude this year. I am not so expert in Krishna consciousness philosophy but I realised through your teaching in so many aspects of Krishna consciousness life. this is a great miracle and I never forget this but how you and Krishna protect in every expect of a dangerous situation in devotees life. I cannot Express but I thank you and your mission your responsibilities. You have to care for me very nicely. I am passing 11 years keep continuing to do service in your mission and some incident came through in my life because of my bad karma but because of your teaching I could manage and understand and I realised "rakhe Hari mare ke mare Hari rakhe ke ", and also how life go through the three kinds of miseries and realised how karma act in the life of a person that.

Srila Prabhupada I am just a dancing girl on the stage could not go back by seeing so many e Street people in order to keep my shame by hearing threatens and comments and laugh if I leave my position then I will be a cowherd. As you told one of your lecture that how Arjuna was ready to fight with the enemy but could not do so there was a special arrangement by Krishna to teach Arjuna what is real fact of life and differences between body and soul. So, dad, it is why Arjun has been encouraged to fight on the basis of Krishna's trance dental word that *hato va prapsyasi svargam jitva va bhoksyase mahim tasmad uttistha kaunteya yuddhaya krta-niscayah*. original if you die in the battlefield by fighting with your enemy on the establishing real religion for you the doors of heaven always be open you get victory over your enemy then you will enjoy the world. Similarly, you have made me a divine arrangement through your responsibility for me to stay forward in Krishna consciousness live so there is no loss if a duty life either live or die. That is why you have declared in the Bhagavad-gita that

*kaunteya pratijanihi na me bhaktah pranasyati*

Ocean of Kunti you know that my duty will never Vanish either in this world or next, he will be engaged in my eternal service.

Srila Prabhupada please keep engage and guide me in the service of your mission and I am a very very insignificant servant. Your divine Grace please forgive me for my mistake has been done. Knowingly or unknowingly unto your lotus feet and also I apologize for my comment mistake and misbehaviour which I have done to your other disciples. Those who are my real sukrti.

Your unintelligent servant,

Ganga Narayan Dasa.

All Glories to Srila Prabhupada!!

Kindly accept my humble obeisance's unto your lotus Feet. On this most auspicious day, I have got one more opportunity to glorify about your divine appearance on this earth.

As you taught us that, *"a disciple should always remember and praise the spiritual master. At least three times a day"*. Due to my conditioned state I could not follow your instruction fully. This is the occasion; by your mercy I am trying to praise your divine grace.

Association of devotees makes us to be Krishna consciousness. Whereas the pure Devotees like yours association is very rare and special mercy that, we will be purely developing stronger desire to be Krishna consciousness life after life.

Recently, due to the pandemic lockdown, we got an opportunity to hear your pastimes from our senior Vaishnava. By hearing your divine qualities I have surcharged to do more devotional service amidst of my shortcomings and inabilities.

We address you as Srila Prabhupada, a post of the Supreme Personality of Godhead or in other words bona fide representative of the supreme Lord Shri Krishna. I could understand this, by your magnanimous behavior and teachings. So patiently, tirelessly and mercifully you brought up us all including other species to become Krishna consciousness. As a genuine, staunch follower of Shri Shrimad Bhakti Siddhanta Saraswati Thakur Goswami Maharaj and Commander in chief of Shri Krishna Caitanya Mahaprabhu, You are kindly saving us from this miserable material world by spreading the Hare Krishna maha-mantra through Hare Krishna Movement for the next ten thousand years. You are eternally our spiritual Master, father, and our ever well-wisher.

As the Yuga-Acharya and a dynamic preacher of Brahma - Madhva Gaudiya Sampradaya, your instructions are valid and sound for generation after generation that, it is absolutely applicable for this modern civilization, where each and everybody can be engaged in the service of Lord Krishna and can become happy. By taking shelter of your lotus feet, the entire world can live peace and prosperity, and then proceed towards the spiritual kingdom, Goloka Vrindavana. My heartfelt thanks to you that; you are always acting and guiding us through sincere and serious Vaishnavas by your institutional authority system.

I beg your mercy to keep me always follow your wish without any personal considerations.

Yours servant, Gaura Gopala Dasa.

Srila Prabhupada.... Please accept my humble obeisances unto your lotus feet.

Dear Srila Prabhupada... millions of life one accumulates the pious credits to get the shelter of your lotus feet. But it is your causeless mercy, that you gave shelter to an unqualified person like me. As I look back on my spiritual journey, I am the trouble maker to you because I am very indisciplined but you never consider all these botherations. As a Mother attend every cry of the little child, you attended, encouraged, guided, instructed me with your divine instructions. Still, I am a little baby in the spiritual journey, but you are only my protector. There are a lot of enemies residing within me like puja, pratishtha and labha because of your shelter they also fear to overpower me.

Your compassion on me I can't pay back a little part of that. I try to execute my service towards your divine mission, but those services also motivated my selfishness. When I will become a true server of your divine grace is unpredictable. But you never consider all my drawbacks and showered your causeless mercy upon me continuously.

'O my savior' I beg unto your lotus feet, please keep me under your shelter birth after birth.

Your servant, Gopa Vrinda Pala Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet.

Prabhupada, although I am not at all eligible to get your mercy, still you accepted me and made me part of your mission. I have only one desire to always remain in your service birth after birth. This year I had many challenges to face, but had faith that you will save me and I successfully crossed over those. Since you have accepted me as your spiritual daughter, you own me just like every father does and I know you will never put me in the place where I don't belong , and I have experienced your personal guidance through your disciples, books and lectures whenever I got stuck in the path of Krishna Consciousness. It's a humble request at your lotus feet, please never allow me to go away from the association of your sincere disciples. Srila Prabhupada, when I see people helplessly engaged in useless and mundane activities, I always wonder if you were not there, what would have happened to me! I would have continued gratifying my senses to their full capacity. But Prabhupada, you saved me and I will remain indebted to you eternally.

Thank you so much Prabhupada.

My Dear Spiritual Master Srila Prabhupada,

Please accept my most humble obeisance at the dust of your Lotus Feet !!!.

All glories and All glories to your Divine Grace !!!

All glories to your devotional service to the Supreme Personality of Godhead Sril Krishna and His internal consort Srimati Radharani.

I came to contact with Hare Krishna Movement Bhilai and temple devotees in the year 2012 and immediately bought some books written by you and after reading your books some revolutionary thinking started in my mind and more curiosity developed to read more and more books. Then from that I decided to attend Sunday and festival programs and from there more curiosity developed in my sub consciousness to make progress in Krishna consciousness and the support of mandir authority towards advancement in Krishna consciousness are unbelievable.

Now I am chanting 16 rounds regularly and following four regulative principles since last seven years and because of your blessings I am able to know exactly the Supreme Personality of Godhead Lord Krishna and Mahaprabhu and I am always indebted to you for your great accomplishment and influence that are helped me to make a purposeful life of spiritualization of Krishna Consciousness.

Srila Prabhupada I sincerely beg to you for your mercy to accept me as a initiated disciple and please help me to serve all humanity to fulfill your desire to spread Krishna Consciousness to every nook and corner of my approach area.

My dear Prabhupada, I am fully indebted to you from my head to toe. So please give me shelter at your transcendental lotus feet !!!

श्रील प्रभुपाद की जय

सादर चरण स्पर्श, प्रभुपाद यह अत्यंत कठिन कार्य लगता है दृष्टि आपके बारे में, आपकी प्रशंसा के बारे में कुछ भी लिखू ऐसे लगता है जैसे किसी अनपढ़ को बहुत बड़ी गढ़ना करने का कार्य दे दिया गया हो, फिर भी माँ-बाप अपने छोटे बच्चों की तुलनाती बोली से प्रसन्न होते हैं, वैसे ही मेरी बातों से प्रसन्न होंगे प्रभुपाद आप समस्त संसार में इस वर्तमान कलिकाल में, जो कल्मष, अज्ञान तथा अंधकार से परिपूर्ण है, उसमें सूर्य की भांति पुरे विश्व में ज्ञान का प्रकाश प्रदान कर रहे हैं। प्रभुपाद जी मैं पिछले 6 द 7 सालों से आपसे जुड़ा हूँ इससे पहले भगवन को सिर्फ जानते थे लेकिन आध्यात्म क्या है? आध्यात्मिक जीवन क्या है? कैसे शुरुवात करते हैं? कुछ भी नहीं मालूम था, आज महसूस होता है कि अत्रंत जन्म के पुण्यो के फलस्वरूप आप मिले हो। प्रभुपाद आप वास्तविक जगद्गुरु हैं जो हमारे जैसे अधम से अधम मनुष्य को माया से मुक्त का आध्यात्मिक बनाने वाला कारखाना (संस्था) पुरे विश्व को प्रदान किया है। आप जानते हैं कैसे जीवों के शरीर, मन, बुद्धि, अंतःकरण तथा आत्मा का परिशोधन किया जाता है, उसके लिए नियमों का पालन तथा शौच, सत्संग, प्रवचन तथा प्रसाद सेवन, शास्त्र अध्ययन, सेवा तथा हरिनाम संकीर्तन से जीवों को शुद्ध करते हैं। प्रभुपाद आप करुणा के सागर हैं और मैं अनंत जन्मों के कुसंस्कारों से ग्रसित अधम हूँ, हमारे अन्दर अध्यात्मिक तत्त्व जल्दी से स्थापित नहीं होते इसलिए हम अध्यात्मिक उन्नति नहीं कर पाते। अतः आप मुझ पर कृपा करेंगे जैसे करोड़ों-करोड़ों लोगों पर किया है।

आपका सेवक

भक्त मानासचंद्र दास.

हरे कृष्ण, प्रभुपाद जी के चरणों में दंडवत प्रणाम।

आपके चरण में विगत 5 वर्षों से रह कर मंदिर के भक्तों का लाभ मिला और धीरे-धीरे कृष्ण भावना अमृत जागृत हुई। गुरु की कृपा से 16 माला का नियमित जप और 4 नियम का पालन तथा उनकी पुस्तक के अध्ययन से जीवन को नई दिशा मिली। मनुष्य जीवन का उद्देश्य है भगवान की भक्ति जोकि बिना गुरु कृपा के संभव नहीं है। प्रभुपाद जी की कृपा से हम भौतिकता वाद को छोड़कर अध्यात्म जीवन की ओर अग्रसर हो रहे हैं।

आपके बताए अनुसार मंदिर में भगवान की सेवा, श्रवण, कीर्तन, दर्शन का सौभाग्य मिल सका। इसी तरह प्रभुपाद जी आपकी हम पर कृपा बनी रहे। प्रभुपाद जी हम आपके सदा आभारी रहेंगे।

आपकी शिष्या,

मनमोहिनी देवी दासी.

Dear Srila Prabhupad,

Please accept my humble obeisance, all glories unto your lotus feet.

Your glories are unlimited, thanks for giving me an opportunity to glorify. Unless one becomes a servant of the spiritual master he won't attain liberation. You are freely distributing Krishna bhakti, Krishna can give liberation very easily, but bhakti very difficult. If he gives means he sold himself to devotees, he acts according to the will of the devotee. You went & distributed Krishna bhakti all over the world without discriminating any class, color & greed. You are equal to everyone.

I can see devotees in a very bad condition (physically not feeling well) they are doing services, preaching, kirtans & following your instructions strictly. Their service is inspiring me, due to my past habits & past karma, the mind is cheating, they are not allowing me to accept the reality, make me feel that I am better than them. Even though I won't find any good qualities in me, there is full of Kāma, krodha, lobha, moha, mada and mātsarya (lust, anger, greediness, illusion, madness & enviousness).

I beg you to forgive me, all that offenses I have committed at your lotus feet, and to my god-brothers. Please forgive and bless me your divine grace so that I can improve & do more service unto you & Krishna.

Trying to be your unworthy servant,

Parama Karuna Dasa.

Our beloved Srila Prabhupāda,

Dearest Srila Prabhupāda, please accept my humble obeisances at your lotus feet. On this auspicious day of your appearance, we simply pray for your causeless mercy so that we may remain at your lotus feet life after life, forever. Your auspicious appearance day is a reminder to all the sincere souls looking for solutions to the sufferings of the fallen human society that there is a Supreme Personality of Godhead, that He cares for us, that He personally comes to deliver us, and that He also sends his dearest devotees to bring us back home, back to Godhead. Your appearance day also reminds us that there is no difference in quality between the Lord's appearance day and that of His pure devotees.

Srila Prabhupāda, you are the only true paramahaṁsa-ṭhākura that I have ever met and seen in my life, and yet you are the most humble person. Even though you are the life and soul of Kṛṣṇa consciousness movement, you never projected yourself in any way. You simply glorified Kṛṣṇa and thus demonstrated to all bhogī yogīs how different you are from them. In fact, you are the only one who had disciples in most countries of the world. By your humble efforts "Hare Kṛṣṇa" became a

household word in the whole world. You are the only one who truly deserves the title Jagad-guru, yet you never encouraged us to use such lofty titles for you. You never felt in your heart that you were the great inaugurator of Lord Caitanya's worldwide sankirtana movement. You were always ready to do even the smallest thing to encourage your young and inexperienced disciples.

We can never repay you for all the matchless gifts you have given us. The only way we can even begin to repay you is to completely dedicate our lives to your mission, without any personal considerations or reservations. Our real offering to you on this day is our insignificant service.

We can never repay the debt we owe you for saving us from a bleak, miserable existence and giving us the opportunity to purify ourselves—in body, mind, and soul. We pray that we may remain forever at the shelter of your lotus feet. Please continue to guide us, and bless us so that we may grow stronger and stronger in Kṛṣṇa consciousness and spread the holy name of Kṛṣṇa further and wider, as you wanted us to.

On this divine day of your appearance, we beg your blessings so we may fulfill your mission successfully. The blessings of the spiritual master cure the disciple of the disease of ignorance and lethargy and empower him to preach. Please bless us so that we can understand your teachings in truth and become useful instruments in your hands to spread the mission of your spiritual master.

These wonderful, transcendental qualities of yours give us hope that if we can somehow remain connected to you and your wonderful devotees, we can survive the cyclonic attacks of māyā. We are spiritually weak and are struggling with anarthas, and we are also driven by our false ego, yet your causeless mercy can take even us, the unqualified souls back home, back to Godhead.

On this auspicious day we all beg for your mercy and pray that you give us the intelligence necessary to execute devotional service purely with mind, body, words & works till last moments of death.

Please continue to shower your divine mercy on us and help us stick to the basic rules and regulations. We want to please you by following these instructions of yours as our life and soul.

Begging to remain forever in your service, Prema Vilasa Krishna Dasa.

Dear Prabhupada,

Please accept my humble obeisance.

On this Vyasa Puja day, I want to offer my sincere gratitude to you for doing so much for the spiritual elevation of innumerable fallen souls like me. Your lectures and books are great motivations in my life. I have been reading your books since my school days and they are so beautifully written that they develop immense feeling of love for Lord Krishna. These are like the food for the soul, by reading them I get lot of peace, happiness and an enthusiasm to elevate myself on spiritual platform.

You perfectly carried out the order of your spiritual master Srila Bhakti Siddhant Saraswati Thakur Prabhupada and did extensive preaching work. It's the result of your great efforts that today Krishna Consciousness has spread in every nook and corner of the world. People are taking it seriously and feeling a tremendous change in their lives by fully relishing the nectar of devotion.

It's my humble request dear Prabhupada, please shower your blessings on me and protect me from the clutches of Maya so that I may elevate myself in KC. There are so many anarthas in me, help me to remove them so that I may develop the right service attitude and lead a grihastha life centered around Krishna.

Your servant, Rupa Manjari Devi Dasi.

My dearmost Srila Prabhupada,

Please accept my most humble obeisance at the dust of your lotus feet !!!.

All glories and All glories to your Divine Grace !!!

That I was totally ignorant the way of life to live and we were living just as animals living before getting introduced to the Hare Krishna Movement Bhilai. Now I am trying to follow the paths and principles given by you and internally feel that real life has started in my life. Because of your and mandir devotees' guidance I am chanting 16 rounds daily, offering foods to Krishna daily and honoring the prasadam , following the 4 principles and attending all programs in mandir.

I am reading your books daily and trying to attend all classes in mandir also. I am also trying to spread Krishna consciousness to whom I know personally and also with unknown people.

My dear Prabhupada I am fully indebted to you from my head to toe for accepting me as an initiated disciple So please give me shelter at your transcendental lotus feet !!!

Your Servant,

Sarveswari Devi Dasi.

Hare krishna! Dandawat pranaam.

Please accept my respectful obeisance in the dust of your lotus feet.

All glories to you.

I sincerely admit that I'm not capable of serving you instead of being an initiated devotee. It is only by your mercy that I can use this life to please you and move closer to Lord Krishna.

What I have received from you is the precious "Hare Krishna" mahamantra and the "Divine Devotee association" all around which acts like a barricade to protect me from Maya.

Reading your quotes daily in WhatsApp group makes me closer to you and give direction for the day.

Please bless and bestow your mercy on me, Prabhupada so that I can read and understand your books and help others too to take your shelter and preach in the mission of Back to Godhead.

Your servant's servant, Shilvati Laxmi Devi Dasi.

*nama om viṣṇu-pādāya kṛṣṇa-preṣṭhāya bhū-tale, śrimate bhaktivedānta-svāmin iti nāmine*

*"I offer my respectful obeisances unto His Divine Grace A.C. Bhaktivedanta Swami, who is very dear to Lord Kṛṣṇa, having taken shelter at His lotus feet."*

*namas te sārāsvate deve gaura-vāṇī-pracāriṇe, nirviṣeṣa-sūnyavādi-pāścātya-deśa-tāriṇe*

*"Our respectful obeisances are unto you, O spiritual master, servant of Sarasvati Gosvami, You are kindly preaching the message of Lord Caitanyadeva and delivering the Western countries, which are filled with impersonalism and voidism."*

Sometimes I really wonder what great fortune could have brought me to your shelter. The safest shelter for the ignorant people like us who were tormented by the material miseries such as Birth, Disease, Old Age & Death. The conditioned souls are in a very long an endless journey in this world (ocean) of duality and continuously getting tossed by the waves of " Raga and Dvesha " and not knowing how to terminate this long Journey.

As a conditioned soul our knowledge is so poor, our senses are so imperfect and our sources are so limited that it is not possible for us to have even the slightest understanding of the purpose of life i.e. going back to Godhead and eternally serving the Supreme Lord there.

Just as Sri Narad ji travels all over the universe with an intention of spreading the glories of the supreme Lord, similarly Your Divine Grace in spite of old age circumambulated the globe 14 times to preach the glories of the Supreme Lord and inspired millions to chant the holy names of Krishna. In the *Srimad Bhagavatam 1.3.10* it is said:-

*"tīrthī-kurvanti tīrthānī svāntaḥ-sthena gadābhṛtā "*

Pure devotees like your good self are verily holy places personified. Since you carry the Personality of Godhead within your heart, you turn all places into places of pilgrimage.

Srila Prabhupada, you are the true representative of Srila Vyasa deva, who is the compiler of the entire Vedic knowledge and by your mercy only we could be able to know the essence of the Vedas. By your causeless mercy, after so many life times we got this opportunity to be engaged in loving devotional service to their Lordships Sri Sri Radha Krishna Chandra & Sri Sri Nitai Gauranga...

Thank you very much for your kind heartedness for keeping me in the mission of Sri Chaitanya Mahaprabhu in spite of so many disqualifications and I humbly beg forgiveness for my offenses committed to you. Please keep showering your mercy to this unworthy soul and help me to overcome my past conditioning and to maintain good & healthy relations with the Vaishnavas. And please help me to make my determination more stronger to be in HARE KRISHNA MOVEMENT for the rest of my life and rigorously preach and connect many more souls to your lotus feet. All glories to Your Divine Grace...

Yours most insignificant servant,

Sumadhura Krishna Das.

Dear Srila Prabhupada,

All glories to Srila Prabhupada.

Please accept my humble obeisance at your divine lotus feet.

Dear Srila Prabhupad

Please accept my humble obeisances unto your lotus feet!

On this most blessed event of Vyas puja, only because of your blessings and divine benediction I am able to write this offering to you. It's a wonder that a person like me without having any qualifications is able to render services unto the lotus feet of the Lord.

It is said that the word Guru prasada indicates that the Spiritual master is very merciful in bestowing the boon of devotional service upon the disciple. That is the best possible gift the spiritual master has for offering. And Srila Rupa Goswami says that Krishna does not agree to award devotional service to merely anyone. Krishna can easily offer a person material happiness or even liberation, but He does not agree very easily to award a person engagement in His devotional service. Devotional service can in fact be attained only through the mercy of a pure devotee.

Every living entity is essentially a servant of the Supreme Personality of Godhead but only a spiritual master like you, a manifestation of the Lord could deliver us. Dear Master, you gave everyone the opportunity to remove the cloud of Maya from their consciousness and resume their natural, blissful life of rendering service to Krishna. You made the process of Krishna consciousness very simple. Everything belongs to Krishna, so our only duty is to give everything for Krishna's service and chant Hare Krishna.

Anyone who follows your instructions seriously can find instant improvement in his life's condition. Exactly that's what happened to me and my family when we came in association with you and your disciples. Heartfelt thanks to you, Prabhupada for saving our life and giving us new realizations of life. With wonder and gratitude I beg you always to keep us under your shelter and keep guiding. Even though the process is simple it's hard to stay determined without your immeasurable mercy upon us.

Begging at your lotus feet again and again to keep me steadfast to you and the mission and never ever go off target at any point of my life.

Your humble servant,

Vraja Nandini Devi Dasi

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet. When I was in the first year of my engineering, I came in touch with your society of the Krishna Consciousness Movement. I enjoyed dancing, eating prasadam with devotees in Radha Krishna Temple. I have started chanting two rounds of Hare Krishna Mahamantra. I observed that my greatest enemy is lust. It is becoming difficult for me to handle the attraction towards the opposite gender. I need your blessings and please forgive me for my mistakes done in past. Please bless me so that I can serve Krishna and his devotees and be regular in sadhu sanga. I am thankful to you for guiding me to this path of the spiritual journey.

Respected Srila Prabhupada,

Since the last 9 years after I was introduced to you I felt tremendous changes in my life with spiritual growth. I daily read literature written by you. In the book Chaitanya Caritamrita there are so many characters and the existence of the Lord shown by Krishna and by that book I came to know the devotion of Radha presented by Lord Krishna which is real love. We all human beings should feel the love of God and shouldn't get engaged in lust. It is very difficult, but through teachings, in your gifted books, we all are talking benefit. It's my humble request to you please show mercy upon us, that we can keep serving your lotus feet and we can preach others.

Dear Srila Prabhupada Ji,

Please accept my humble obeisance unto your lotus feet.

Thank you for your teaching on understanding the purpose of human life. Bhagavad Gita was known to me but the purpose of understanding the teachings of Gita is known through you.

Due to Covid-19 pandemic, a national lockdown was called, it was your teaching which helped me to elevate in the spiritual world. Earlier I was doing 2-6 rounds of mala per day, but was always thinking when I will start 16 rounds of mala. It's Krishna ji and your blessings that today I am able to do 16 mala per day.

In this lockdown time, anybody could have done anything, but it was your blessings that we 7 friends started daily discussions on Bhagavad Gita's teaching.

I request Krishna Ji to keep His blessing on us forever.

Your sincere servant, Bhakta Anand Maru.

Jai Srila Prabhupada

Please accept my humble obeisance's to your lotus feet

It's my honor and a great privilege to have known you and associate with you through your teachings. All my life I always thought transcendental knowledge is something that can be sought and it is entirely an individual's personal endeavor to achieve spiritual wisdom. It took me quite a long time to realize it is purely your blessing and mercy that enlightens the soul and makes us susceptible to understand spiritual knowledge. We do not deserve anything. Everything is a gift and a blessing. I hope you guide us to use these gifts to serve your mission. Thank you so much for all the efforts you put into spreading this knowledge to the world.

Hare Krishna Srila Prabhupada,

I don't know what to write and how to thank the great Prabhupada. Prabhu, with all due respect, I write this letter to you, for your inspiring preaching that helped me through some hard times lately. First and foremost of all, I want to thank you for your intervention in my affairs in life. I cannot thank Krishna enough for your role in my life. I strive to be regenerated as a Krishna conscious human being.

Prabhupad in modern society, we are told to be 'reasonable'. But with the help of your books and video lectures you have taught me the philosophy, 'that we are not a body, we are spirit soul'. Initially to me, happiness comes through material stuff. By reading your books and from your lectures we can easily understand that acquiring more and more material things does not give you genuine happiness. Real happiness we can get only when we take the shelter of God., always told by you, I am regularly chanting Hare Krishna Maha Mantra from the past five years and always feel calm and happy.

Thank you, My Spiritual Guru

Your Servant,

Bhakta Chandan Prasad.

प्रिय श्रील प्रभुपाद जी।

आपके पावन चरणों पर सादर प्रणाम। कृपया आप मेरा प्रस्ताव अपने कर कमलों द्वारा स्वीकार करें। मुझे एक अलग सी जुनून हरे कृष्ण मूवमेंट के भक्तों से मिली। मुझे आपकी आराधना से आभास हुआ कि दर्शनशास्त्र नाम की भी कोई विद्या है। आज भले ही मैं पूर्ण रूप से दर्शन शास्त्र शिक्षा में अपनी उपस्थिति प्रदान नहीं कर पा रहा हूँ, परंतु मैं आपका एवं श्री कृष्ण प्रभु की आराधना कर अपने आत्मा को तृप्त पाया। जब मैंने आपकी लिखी पुस्तकों को पढ़ा, तब मुझे ज्ञात हुआ कि भगवान स्वयं हमारी आत्मा में विराजमान हैं। यह मैंने हरे कृष्ण मंत्र को जपते हुए मैंने अपने अंदर अनेकों अद्भुत शक्तियों को पाया। यहां मुझे एक जरिया मिला भगवान श्री कृष्ण व समस्त देवी देवताओं को पाने का। मेरा जाप भले ही कम है, लेकिन मैं आपके द्वार में आकर पूरी तरह से संतुष्ट समझता हूँ। मैं आपका हृदय से आभार व्यक्त करता हूँ, कि आपने मुझे अपनी शरण में भक्ति लेने हेतु बनाया।

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet.

By your mercy, I joined this movement 3 years ago. Before joining this movement, I usually thought about the purpose of this human life and the life of other living entities. By your grace, I understood the purpose of life or real success of this human life and by the association of devotees, I am trying to progress in Krishna Consciousness. Several times I deviate from this real goal of life but by your mercy, I am again able to resume the process. Various questions come to mind but by reading your books and hearing your lectures, I got the answers to all the questions. I am trying to preach the message of Krishna Consciousness to as much as more people. In this world of miseries, you hold me and give knowledge of the purpose of life and the real position of the human form of life. Without your mercy, it's impossible for me to spread the knowledge of Krishna Consciousness to others and it's very difficult for me to attain the real position without your mercy.

Please Kindly bless me so that I can more engage myself in your service and become more serious in Krishna Consciousness.

Your aspiring servant, Bhakta Dushyant.

Dear Prabhupada,

Hare Krishna

After joining the temple there are many changes that happen in my life which are very good for me and my environment too, like a decrease in distraction towards bad habit. The most important thing, that happens in my daily life is my increase in concentration and an increase in grasping ability. Bhagavad Gita learning and your teachings help me a lot.

Joining the temple as a regular student and devotee change my life completely. Your direction told me my goal and your teachings help me a lot. I don't have words for thanking you.

All Glories to Srila Prabhupada,

Gurudev please accept my humble obeisance at your divine lotus feet which is full of mercy for the most fallen souls like me.

Dear my beloved spiritual master,

You are the ocean of mercy. please forgive me for all the offenses made at your lotus feet. Gurudev this year passed like anything without gaining a single step towards your lotus feet. This year Prabhupada so many things I have survived through and I also losted many spiritual jewels from my heart. But I realized by going through all of the things which was not having any relevance to my spiritual journey that the only thing I didn't lose is the love and affection for you Srila Prabhupada, which was only there because of your grace Gurudev. From the starting of my spiritual journey, I was having far more love and affection for you than the lord. sometimes I thought is this right to be having more love for you than the lord? But whenever this thought came in my mind I only thought of our sastra which says the only thing that

*yasya prasada bhagavat-prasado, yasyaprasadan na gatih kuto 'pi*

*dhyayan stuvams tasya yasas tri-sandhyam, vande guroh sri-caranaravindam*

By the mercy of the spiritual master, one receives the benediction of Krishna. Without the grace of the spiritual master, one cannot make any advancement. Therefore, I should always remember and praise the spiritual master. At least three times a day I should offer my respectful obeisance unto the lotus feet of my spiritual master.

Gurudev I have nothing more important than you in my life. But as the influence of material nature sometimes I give more priority to things which is not a thing to be given as a priority. But by your grace Prabhupada I always get the power to have a decision of right thing. By your grace, I have got so many devotees as my well-wishers and my shiksa guru but Prabhupada sometimes I become very nervous to go in front of them because I feel every time that what I am doing is not right so how I will face them so better not to go in front of them. But as your sincere, they understand that what situation I am going through and they give me the strength to be at the platform what I was having earlier. And to maintain the spiritual life by cooperating in daily non-spiritual activities. Always give me the association of your such sincere disciples which is very important for my spiritual journey.

So only thing I have is Srila Prabhupada your mercy although so many things happened but I never got shackled in the daily regulative principles given by you. So many devotees are there with me but the only person who was always with me like my shadow is you Gurudev. Please Gurudev give me the strength to be stronger in my spiritual life and be always having a

rapid increase of love and affection for your lotus feet Prabhupada. Never leave me Srila Prabhupada and always be with me. Nothing is hidden from you. Whatever things I wrote above are not unknown to you, but as the duty of every disciple to write every year a Vyas puja offering at the appearance day of Gurudev, I have written all this to you. Please be merciful on me Gurudev and never take me away from your lotus feet although I am not having any qualification for that also.

Gurudev please accept me as your most fallen disciple and give me the strength to have a strong commitment towards your instruction and to accept your instructions as my life and soul.

Your most fallen servant,

Bhakta Mohit.

Dear Srila Prabhupada,

I offer my respectful obeisance unto your lotus feet, and unto all the Vaiṣṇava devotees of the Lord.

It has been rightly stated in the scriptures that out of many many births, a jiva finds a bonafide spiritual master and surrenders unto him and thus makes gradual progress in the spiritual life.

With this spirit, I take pleasure to glorify my spiritual master on this auspicious occasion of his appearance Prabhupada, I'm indebted to you for your immense contribution and countless efforts in order to uplift us from this material world, and with the help of your devotees, I came in touch with your movement and soon started my spiritual journey. Indeed it is a matter of wonder how it has changed our lives in the due course of time. Following your prescriptions i.e. chanting 16 rounds, following 4 regulatory principles, reading books, devotees association, and hearing Srimad Bhagavatam and Bhagavad Gita from devotees has brought a lot of changes in the heart which was otherwise impossible and thus I started climbing ahead in this path.

With the emergence of CoronaVirus, which I take as the blessing of the lord since it provided all of us with more time to practice the devotional services and remain in the devotees association. My daily sadhana is improving day by day with the help of the devotees association and thus the faith in the guru, sadhu, and shastra is also increasing. O Spiritual Master, you are the ocean of mercy, and thus, on this occasion, I humbly beg before you to empower me with the strength to perform my sadhana sincerely, seriously, and regularly.

I offer my humble obeisances unto your lotus feet, again and again! All glories to you, Śrīla Prabhupāda!

Your most Insignificant Servant,

Bhakta Naman.

Dear Srila Prabhupada,

Please accept my humble obeisances. All Glories to Your Divine Grace!!!

Before I came into contact with your teachings I was very unhappy, very confused, and I was frightened. I didn't understand why there was so much suffering in the world. Everywhere I turned I saw cruelty and pain, misery, and hopelessness. Nothing made sense to me. Nothing seemed to have any meaning. I had no idea what my life was meant for. Like everyone around me, I tried to find some satisfaction in sense enjoyment but my feeble attempts were always met with frustration. I constantly felt like something was missing. I looked for answers in the writings of mundane philosophers and charlatan gurus. I had found the Absolute Truth. I was immediately convinced that you were the perfect spiritual master and I knew that I had to become your servant of the servant.

Srila Prabhupada, you saved me from a life of misery and ignorance. You gave me hope. By your mercy, the seed of bhakti was planted in my heart and from that moment there was no turning back. I continue to stumble with the illusory energy but by your grace, I have never lost faith and hope and every day of my life I am feeling so much gratitude and appreciation for being delivered by you into the light of Krishna consciousness.

Srila Prabhupada please have mercy on me. I am still plagued with materialistic vision and material identification. But I have faith in your books, the Holy Name, and your instructions. Please bless me that I will become a proper recipient of your abundant mercy, and engage me in your service.

One who reads your books is truly blessed, because they are getting association with a pure devotee, and it is said that even by a short duration association with a pure devotee, all perfection of life is possible.

Your servant of servant,

Bhakta Navneet Sahare.

Thank you for coming to this world and showing us the path of Bhakti. You went through many difficulties and challenges to wake up the sleeping souls like me. You have bestowed your causeless mercy upon the fallen souls like me.

Dear Srila Prabhupada,

Please accept my humble obeisance unto your lotus feet.

Two years ago when I come here. I didn't know that there is a place called HKM. But I was depressed before coming here. but after meeting the devotees here, I loved it. Best of all, I got to know about Prabhupada. But I got a lot of peace in the shelter of Prabhupada I was very upset with my family. After coming to Prabhupada Sharan my trouble diminished and turned in to opportunities. I was very upset with life before. Nobody was going to suggest to me right. Prabhupada is a good devotee of Lord Krishna. He has explained the books like Bhagavad Gita and Bhagavatam in very good language so I feel great to be here.

श्रील प्रभुपाद

श्रील प्रभुपाद की शरण में मुझे 4 वर्ष हो गए इन 4 वर्षों में अपना आकलन करूं तो पहले की अपेक्षा आज शांत और आनंदित महसूस करता हूं। भगवत गीता का प्रचार व श्रील प्रभुपाद के बारे में बताते हुए खुशी मिलती है, अपने परिचित के लोगों को हरे कृष्णा महामंत्र का जप करने के लिए प्रेरित करता हूं। कम शब्दों में थोड़ा लिखूं ज़ तो नए भक्तों के साथ पुराने भक्तों का व्यवहार मृदुभाषी होना चाहिए, वहीं प्रसाद वितरण के समय प्रसाद वितरण करने वाले भक्तों को शालीनता का परिचय देना चाहिए। प्रभुपाद की शरण में और मंदिर में सेवा करते हुए मुझे आज एक अलग ही पहचान मिली है मुझे सेवा करके बहुत आनंद मिलता है। प्रभुपाद जी को कोटि कोटि प्रणाम श्रील प्रभुपाद का आशीर्वाद हमेशा मुझ पर बना रहे ताकि मैं भक्ति व सेवा के मार्ग पर निरंतर आगे बढ़ता रहूंगा।

Jai Srila Prabhupada!

On the occasion of your auspicious appearance day, I beg to say that by your divine grace I am able to understand a little bit about spiritual subject matters. It is not very easy to get a bona fide spiritual master in this age of quarrel and hypocrisy but it is your causeless mercy that today I am able to get your auspicious association through your books, through your Bhagavatam and Bhagavad Gita class recordings and also through your instructions. It is my fortune that today by your divine grace I am able to get the association of your pure devotees and also I am able to chant the holy names of Krishna, but it is my misfortune that after getting all this facility, I am again and again committing so many mistakes and offenses on the path of spiritual progress. I thank you very much unto your lotus feet for being so merciful on me and giving me a matchless gift of practicing Krishna consciousness in my daily life.

Hare Krishna,

By the grace of Srila Prabhupada.

After getting in touch with the temple trust my life is full of positivity and trust in Krishna. Precisely it has helped me to,

1. Develop a relationship with Krishna, I trust him that he stands by me in all of my problems and helps me share happiness with everyone.
2. Find direction in life, I have learned the essence of life is to help others in their tough times and guide them towards their betterment.
3. Understand the lovely nature of Krishna towards all living beings and have a selfless mindset.
4. Have hope in my life and gratitude for everything Krishna has provided to my family.
5. Forgive people, I consider everybody as a part of God's creation, if somebody does something wrong to me, prayers give me the positivity and calmness to forgive everyone as Krishna has also forgiven me a lot of times without any complaint.

Last but not the least, I'm pleased to be in touch with the trust, it has given me some very unforgettable experiences, made me a better human, and brought me closer to Lord Krishna.

My Dear Srila Prabhupad,

Please accept my humble obeisance, All glories to Srila Prabhupad.

I am most fortunate to once again pen down my gratitude towards you through this letter. If 2020 was the year of upheaval, it's also the best year to put your teachings to practice. Mantra meditation has kept us vibrant and happy in your loving memory. Your lotus feet and its shelter have once again kept me free from fears, tribulations of life. As always there were instances where I could have abdicated my duty but somehow your presence in my consciousness has made my resolve even stronger. I thank you for everything the teachings, the temperance, the patience, the resolve that you have bestowed on us. Somehow when I look back at your journey to spread the message of Krishna Consciousness at such advanced age, I feel that even to listen to it I am fortunate enough. The congregation that you founded and nurtured has once again made you proud by supplying millions with food in these uncertain times. The tales of which are even more inspirational once again emphasizing your dictum-- "That only Lord's name is the shelter in the age of kali". Please continue guiding me in the curves and stretches of life and bless me to follow unto your teachings as a shadow follows his master. I am still trying to understand the depth of the teachings that you have given and shower your mercy that I attain excellence with renunciation and reformation Thank You for all the goodness and sweetness in life.

Your Servant,

Bhakta Sarvesh Shukla.

Dear Srila Prabhupad,

A great devotion I got through HKM, the purest way which is given to us by Prabhupad is so auspicious, I'm so fortunate that I got the maha mantra through the association of devotees and blessings of Prabhupad.

Now I know the real meaning of life and it's goal in absolute clarity.

All Glories to Srila Prabhupada!

Dear Srila Prabhupada, Please accept my humble obeisances unto your lotus feet. I know that I am not yet qualified to call myself your disciple but I am trying from my side to follow the path which you laid down for us. I was living in this material world which is full of suffering and ignorance, I had absolutely no idea of good or bad, It was in the year of 2014 first time I came in touch with your Hare Krishna Movement, from that day onward I am continuously enjoying the spiritual life. Then I associated with the activities of Temple. The biggest gift, that you have given me that, 'association of devotees'. By participating in different activities of temple and celebrating festivals, that is purifying me to become your disciple.

Your Servant.

भक्ति वेदांता स्वामी श्रील प्रभुपाद के चरणों में सादर नमन।

मेरा जीवन 65 साल की उम्र तक पूर्णता सांसारिक रहा, लेकिन हमेशा मन में एक उद्विग्नता बनी रहती थी कि मेरे जीवन का मूल उद्देश्य क्या है? जोकि सांसारिक वस्तुओं को प्राप्त करने तथा क्षणिक सुख पाने के उद्देश्यों से परे हो। इसका जवाब मुझे कृष्ण भावना भावित आंदोलन से जुड़ने के बाद मिल गया है। गुरु का ना होना ऐसा ही है जैसा बिना पतवार की नाव। मैं अब श्रील प्रभुपाद को गुरु के रूप में स्वीकार कर अभिभूत अल्हादीत एवं नतमस्तक हूँ। गुरुदेव प्रभुपाद की असीम कृपा के द्वारा अब अध्यात्म के रास्ते पर अपना तन, मन, धन अर्पित कर आगे कृष्ण भक्ति में लीन होना चाहता हूँ।

Jai Srila Prabhupad!

All glories to Srila Prabhupad, Sri Chaitanya Mahaprabhu, Nityanand Prabhu, and all other Vaishnavas devotees

Dear Srila Prabhupad

Hare Krishna

I offer my respectful obeisance unto your lotus feet, please accept.

Srila Prabhupada I want to share my emotions, feelings, and thoughts with a grateful attitude to you, nowadays I am facing so many problems in life. I feel that am not able to follow or serve the instructions, direction, or service directed by your devotees. Or I should say that Am not able to perfect myself. As a part of the machine works properly whole machine works or functions properly, likewise, I feel that am not working or functioning properly as a normal and perfect human being and because of which I feel that I created so many disturbances by not doing the service in a better way or as told or as should have happened. After which I regret a lot and imprecate myself. So please give me your blessings that this would be corrected.

I also want to pray that I would always remain under yours, Krishna's and, others devotee's blessings. May yours and god's divine protection be always there on me so that I would not fall down and May no one had to suffer because of me and my devotion. Please give me your such blessings that people in my connection may not be put in difficulty because of me and I could serve without difficulty. May all the problems of life be solved with your great Krishna Consciousness movement.

Thanking you Very much

A small insignificant Servant, Bhakta Satish Kumar Sahu.

Krishna Krupamurty Dear Srila Prabhupada,

Please accept my humble obeisance unto your lotus feet. All glories to you, devotees of Krishna, your servants, and all the Vaishnavas.

Krishna Krupamurty Srila Prabhupada, Maha Vadanyay Srila Prabhupada, the shade of your Lotus feet gives so much happiness and peace as a cold breeze under a tree in an oasis in a desert. You are so kind that you had given shelter under the shade of your Lotus Feet to everyone who desired irrespective of his/her status/cast/culture etc. You have shown us in a very simple way how to live Krishna conscious life in this yuga along with performing materialistic activities by your own examples. You displayed the highest level of bhakti by remembering Krishna in every breath and dedicating every activity in the service of the Supreme Lord.

Dear Gurudeva, on this the most important day of Guru-Shishya parampara, I am praying unto your lotus feet for your mercy and guidance to practice Krishna consciousness with more involvement, sincerity, and attention. Though I am chanting 16 rounds almost regularly, but due to intricate material attachment, the quality of chanting is very poor and thus my progress is very slow. Prabhupada please forgive my mistakes. Dear Krishna Krupamurty, you are the free distributor of Krishna, you are the ocean of mercy, I am begging you for a drop of your mercy so I can advance in devotional service with more sincerity.

Servant of servants of your servants

Bhakta Shrinivas.

Dear Srila Prabhupad,

Please accept my humble obeisance at your lotus feet. As I am writing these year's Vyasa Puja offering,

I feel myself very for this. Before coming to your Holy spiritual place, I have a lot of confusions about me,

my life and the whole world, but after coming to your lotus feet, I have realized a lot of things to be changing my life. I have realized all the bad things which I have done and from now onwards I am not going to repeat the mistake again. Here at your temple, I feel superior happiness inside me and I believed that the best way to be happy in life is to lay down whole life in your feet. I feel very thank full for giving this opportunity and I will be continuing to join all your holy movements. Please let me keep your blessing on me and my family.

I will also like to join all your activities and become a part in your lotus feet.

Your Servant,

Bhakta Shubham Kumar.

I am not Sudipto but I am a spirit soul.

I can go back to Krishna.

I thank you a lot for all your preaching and also tolerating me.

Dear Srila Prabhupada,

Please accept my humble obeisance unto your lotus feet.

Dear Prabhupada, thank You for guiding the fallen souls like me on the spiritual path. We sing in Mangla Aarti that by the mercy of spiritual master we can get the mercy of Lord otherwise there is no way to attain Krishna Prema, so we should remember the Guru for at least 3 times a day. But by Your mercy, I can remember you most of the time in a day. I can relate any particular situation of my day to day life with your quotes, lectures, conversations, somehow or other your voice is there in my consciousness, in my mind. Please keep your mercy over me so as I can keep myself track of your spiritual guidance and push myself further on to it and remain along with spread Krishna Consciousness nicely.

श्रील प्रभुपाद

हरे कृष्ण गुरुदेव श्रील प्रभुपाद की अदम्य कृपा से मैंने हरे कृष्ण मंदिर आना प्रारंभ किया एवं हरे कृष्ण महामंत्र का जाप प्रारंभ किया लेकिन बहुत प्रयास के बाद भी एक या दो माला से आगे नहीं बढ़ पा रहा था परंतु 3 माह पूर्व अचानक गुरुदेव की अदम्य प्रेरणा से हरे कृष्ण महामंत्र का जाप प्रतिदिन 10 माला संभव हो पा रहा है। यह गुरुदेव कि मेरे ऊपर साक्षात कृपा है। अब आगे महामंत्र को 11 माला जाप करने की प्रबल इच्छा है। गुरुदेव प्रभुपाद की कृपा से जीवन का सार समझ आ चुका है और उद्देश्य पूर्ण जीवन है जीवन का सार्थक गोल निश्चित करता है। इसी प्रार्थना के साथ कि गुरुदेव की साक्षात कृपा मेरे और मेरे परिवार पर सदा बनी रहे।

Dear Srila Prabhupada,

Please accept my humble obeisance at your divine lotus feet. This is my 2nd letter to you. It has been just 5 months since I got connected to Krishna conscious movement. As I am writing this letter, I feel gratitude that a newcomer like me, who considers himself unworthy and unfit to be called a devotee, has been given a chance to share his experience.

When I started reading about you, I was shocked to know that you traveled to New York from India with just 7\$ in your pocket. Also, you suffered two heart attacks during your long month journey to New York. I can't even imagine how much courage it takes to do that. If an ignorant person like me would have been in that situation, either I would have run back to India or at best could have only thought of means to gather food and shelter. But you not only fed thousands of hungry people daily but also brought them in the path of Krishna Consciousness.

Now, I would like to share my own small experience. With your grace, under the shelter of your lotus feet, I have learned one important quality that I clearly lacked, Discipline. I used to wake up late in the afternoon & also felt negative throughout

the remaining day. It was kind of impossible for me to improve my timetable. I am glad to share that now I wake up by 5 am without using any alarm. I consider this a huge improvement for me.

With your blessings, I hope I can improve myself a little bit every day & progress in the path of Krishna consciousness. Your life is a great inspiration for lost souls like me.

Aspiring to be your humble servant,

Bhakta Swapnil Sharma.

Jai Srila Prabhupada!

My savior Srila Prabhupada,

Please accept my humble obedience to the dust of Your Lotus feet. Prabhupada I need your blessing very much. Now I am trying to do devotion but I am not able to do it. I am chanting 16 rounds but I am not reading a book properly.

After some time, I remembered that even the quality is not good, I want to follow Krishna consciousness, but I am not able to do it properly. Some content duties and the problem is not able to do it. Last year my devotion was not good, because I was enjoying so I dropped him further down.

I was not determined for chanting. I don't how will follow Krishna consciousness. but Prabhupada he Carries my hand. Again I came to the temple. Your divine Grace is the most important person in my life I can't imagine life without your Mercy before I was drowned by Maya and covered by her veil a misidentified lost soul roaming aimlessly around. By your sweet mercy, I am Connected to our beloved Prabhupada. I can only try to follow in Krishna consciousness so please grant me more mercy to do the same.

मेरे प्रिय गुरुदेव श्रील प्रभुपाद ।

“ उन गुरुदेव के सवदह नमस्कार करता हूँ जिन्होंने अज्ञान के अंधकार से अंधी हुई मेरी आँखों को ज्ञान के दीपक से खोल दिया है”

आध्यात्मिक जीवन में प्रवेश करने के लिए दो बातों की आवश्यकता होती है। जैसा की श्री चैतन्य महाप्रभु द्वारा प्रतिपादित है, मनुष्य को परमेश्वर तथा गुरु की कृपा चाहिए।

ब्रम्हाण्ड भ्रमिते कोन भाग्यवान जीव ।

गुरु-कृष्ण प्रसादे पाय भक्ति-लता बीज ॥

हे गुरुदेव प्रभुपाद आप के आने से मेरे जीवन का अंधकार धीरे धीरे दूर हो रहा है। आपके द्वारा स्थापित संस्था इस्कॉन भिलाई में जुड़ने के बाद यहाँ के प्रभु लोगो की शिक्षा एवं भगवान् कृष्ण के प्रति समर्पित होकर किस प्रकार भगवान् की सेवा की जाये सीख पा रहा हूँ। प्रभुओ द्वारा अच्छी सीख एवं भक्ति में निरंतर प्रगति हेतु जो उपाय बताये जा रहे हैं उसको अपनाने का प्रयास कर रहा हूँ। एवं धीरे-धीरे श्री चैतन्य महाप्रभु की शिक्षा एवं हरिनाम संकीर्तन से जुड़ पा रहा हूँ। जाप माला भी अब धीरे धीरे बढ़ा रहा हूँ।

Dear Srila Prabhupada

Please accept my humble obeisances,

It's been three years now that I came under the divine shelter of your divine grace, I am grateful to Lord Krishna for activating one of the multi-energy namely Corona Virus that gave me the opportunity to cross over the mental barriers and start chanting 16 rounds which I always used to wonder when will come that day when I will start chanting 16 rounds. Ever since I started chanting and listen to your divine grace nectar like instructions and lectures, I can feel that I am getting rid of a lot of misgivings and coming out of the darkness of ignorance. Your divine grace started the mission and gave us the mission aptly worded as "Back to home back to Godhead".

I will endeavor for my "Dvija" the second birth and put the belt in my neck which is Kanthi Mala which signifies that I am a humble servant of HDG who has held your divine graces dhoti so as to be successful in the divine mission.

Your Sincere follower,

Dear Srila Prabhupada,

Please accept my humble obeisance unto your lotus feet.

Dear Srila Prabhupada, I feel sometimes very fortunate the way I came into the movement, that is when I met one of the devotees in my college annual function with many of my friends and from that it all started and through that, I came to know about the movement that you started in the 1960s alone in the streets of busy New York City. I remember I used to be very much inquisitive about the Epic Mahabharat and its various other characters especially Lord Krishna and the great warrior Arjuna but once I started visiting the temple and attending your discourses on Srimad Bhagavatam and started doing chanting of Mahamantra I started developing a taste for the Lord Krishna's past times with his associates which made me further very much attached to the Lord's Darshan on daily basis and which ultimately given me satisfaction with a proper understanding through scriptures perspective and references.

All this could not be possible without your mercy and blessings Srila Prabhupada, I feel sometimes very fortunate that in those group of my classmates I got the opportunity to develop a little love for the Lord's lotus feet through devotional service before this I was not even knowing what actually the meaning of "Service is" because of you I understood it, Please make me never forgot your Lotus feet because without it I could not have got the opportunity to realize this material suffering and attached illusions which are binding me to the three modes of nature.

At last but not the least people outside are very much dull and having lack of spiritual understanding thinks that the material enjoyment is the topmost level of joy, Please Prabhupada show your causeless mercy on those fallen souls so that they can also have the pleasure to glorify you and achieve the ultimate perfection of life that is Krishna Prema.

JAI SRILA PRABHUPADA,

Your Servant,

Bhakta Vishal Singh.

Dear Srila Prabhupada,

By your mercy, I found my spiritual preacher who took me out of this material morass full of anxiety and distress and guided me the way to advance in the spiritual path. It is said that peace is the biggest wealth and there is guaranteed peace in the temple. Whenever I feel low I visit the temple. By your grace, I could touch the Bhagavad Gita and started reading the message of Lord Krishna. I still need your blessings so that I don't get entangled in this material world again.

Dear Srila Prabhupada,

Please accept my humble obeisances and all glories to your divine grace.

In 2020 We are living under fear spread all over the world due to Corona.

But the devotees of HKM and Akshaya Patra still performed their duties and served thousands of starving labourers. HKM always supports the social cause and that makes it different from all other spiritual organisations.

On a personal level, Krishna consciousnesses have helped me a lot, in overcoming the fear and panic spread all over.

The Bhakti yoga path emphasises love, compassion and devotion, in remembrance of our eternal relationship with the Supreme. And this empowers devotees in adverse situations.

All glories to you Shрила Prabhupada for showing us the path of devotion.

Seeking your divine blessings for my spiritual life.

Yours Sincerely,

Bhaktin Anjali.

मेरे प्रिय गुरु श्रील प्रभुपाद।

आपके आने से मेरे जीवन में खुशी का दिन है आपके बारे में जानने का प्रयास कर रही हूँ। मैंने मैं माला जप करना सिखा एकादशी व्रत का महत्व समझा और अपने घर में स्वयं खाना पका कर भगवान श्री कृष्ण को भोग लगाकर प्रसाद के रूप में भोजन ग्रहण करना सीखा। मैंने एक माला से जप करना प्रारंभ किया फिर दो माला और अब 4 माला निरंतर करती हूँ। अपने बच्चों को भी माला और एकादशी व्रत के बारे में सीखाऊंगी। श्रील प्रभुपाद जी के आने से एवं श्री कृष्ण के चरणों में आने से श्री चैतन्य महाप्रभु के बारे में जाना और आगे भी भक्ति के मार्ग को बढ़ाना है इस पर आप अपनी कृपा करते रहेंगे।

All Glories to Srila Prabhupada.

My great opportunity is that I came in touch with the society of the Krishna Conscious Movement. I am following your instructions and trying to obey your order. Now I am chanting 16 rounds a day. I am so thankful that your grace has accepted a fool like me as your servant. I am taking it very seriously. I have joined this movement 3 years back but in this short span of time with your mercy and by reading various books, I directly feel your association as the words are directly coming from you. These books are an actual guide in understanding and moving in Krishna Consciousness.

You gave the world Krishna in the form of 'Nama Prabhu' – Hare Krishna Hare Krishna Krishna Krishna Hare Hare /Hare Rama Hare Rama Rama Rama Hare Hare and showering the clouds of mercy to the material world which is like burning forest.

I beg to you Srila Prabhupada please continue your blessing upon me so that I can render some meaningful service to you and to your mission. I will try my best to progress in bhakti thus I need your blessings also.

Dear Srila Prabhupad,

Please accept my humble obeisance unto your lotus feet.

There are no words to express my thanks to you. if we want to achieve god, you only could guide us for it. I am trying and always will be trying to follow your instructions you have given. There is too much importance of yours in fulfilling my wishes in my life. You gave the way to reach the understanding of spirituality. You taught that Krishna is pleased only when his devotees are pleased.

There is too much wrong materialistic understanding in the world, but you have given the right, pure, and divine knowledge. You surrendered your life in spreading the message of Krishna Consciousness.

What you have done in your golden times of 12 years was really heartily appreciable and was impossible to do for ordinary people. You appreciated lots of people and given the right path to them.

Today, I am requesting you to give me strength, energy, positivity in my mind, knowledge, the right direction, meaning to my life, and accept me as your servant. I want to reach the ultimate goal of my life and this is only possible with your blessings.

All Glories to Srila Prabhupad.

जय जय श्रील प्रभुपाद

मैं आपको दंडवत प्रणाम करती हूँ मैं अपने आप को बहुत सौभाग्यशाली मानती हूँ कि दुष्क्रियकलापों से कैसे बचा जा सके और मनुष्य जीवन को कैसे वैदिक संस्कृति के बारे और मनुष्य जीवन का उद्देश्य कैसे समझ आया। यह सब आप के माध्यम से पता चला। हे प्रभु पाद आप के संपर्क में आने से पहले मेरे मन में यह सवाल उठते थे कि मानव जीवन का क्या उद्देश्य है, परमात्मा ने हमें मानव शरीर बनाया है यह किस काम के लिए बनाया गया है? बहुत सारी भ्रांतियाँ इस शरीर में फैली हुई हैं जैसे कि ईर्ष्याएँ द्वेषएँ कामवासनाएँ गृहस्थ जीवन की कठिनाइयाँ लोभएँ लालचएँ मतलबी समाज। लेकिन जब आप कि शरणएँ आपके विचारएँ आपके मार्गदर्शन मिला तो इस मानव शरीर को संतुष्टि मिली। आपके विचार और आप की शरण में आने के बाद आध्यात्मिक जीवन का पता चला और स्वयं को इस योग्य बनाने की भरपूर कोशिश कर रही हूँ की आध्यात्मिक जीवन कैसे बनाया जाए। कैसे वैदिक संस्कृति से जुड़ा जाए। यह सब आपकी ही कृपा दृष्टिएँ आपके विचारों का अनुसरण ही मेरे जीवन के बदलाव का प्रमुख कारण है। मैं अपने जीवन में कई संस्थानों और भिन्न-भिन्न उच्चतम श्रेणी के ठयकियों के संपर्क में आयी परंतु आपकी संस्था के संपर्क में आने के बाद ही मैं हमेशा के लिए बदल गई हूँ, हे प्रभु पार भाग्य के कारण मैं कृष्ण भावना अमृत सॉन्ग इतने अच्छे से जुड़ नहीं पा रही हूँ। मैं सच्चे मन से आपको वचन देती हूँ कि मैं ही आपके जीवन में कभी भी कृष्ण भावनामृत संघ को नहीं छोड़ूंगी और ज्यादा से ज्यादा जापएँ भगवत गीता और कृष्ण भावना युक्त किताबे पढ़ूंगी।

Please accept my humble obeisance's unto your lotus feet

Srila Prabhupada spread the bhakti movement worldwide and his mission was to make everyone Krishna Conscious. I joined Gopal Sakha classes and thus I came to know more about Krishna, who is Krishna, His pastimes and importance of Krishna Consciousness and many more things. Gradually I started chanting also. I started chanting from 1 round and now I am doing 16 rounds daily. I and my sister make a regular visit to Gopal Sakha classes every Sunday. I like the atmosphere of the temple and making friends with other students of Sunday club. I am so fortunate that we got such a good association. I pray to Prabhupada that by his grace please help me to control anger, change my bad habits and to keep my mind calm.

हरे कृष्ण।

भगवान श्री कृष्ण ने अपनी साक्षात् उपस्थिति हर जगह हर समय पूरी पृथ्वी पर समान रूप से हर प्राणी, हर जीव को बताने एवं उसकी अलौकिक अनुभव करवाने के लिए जिस संत को जिस व्यक्तित्व को जिस महापुरुष को इस धरती पर भेजा वह कोई साधारण व्यक्तित्व तो नहीं हो सकता था। श्रील प्रभुपादजी ने पूरे विश्व में घूम घूमकर महामंत्र का अलौकिक एहसास बिना किसी भेदभाव के रंग, जाति, वर्ण, स्त्री, पुरुष को देखे बिना जन-जन तक पहुँचाया और महामंत्र की शक्ति से प्राणियों को अवगत कराया। आपके द्वारा चलाया गया इस भौतिक जगत में जीव कल्याण की आध्यात्मिक उन्नति के लिए जो दिव्य अभियान चला वो पूरे विश्व में निरंतर पहुँच रहा है और उसका स्वरूप बढ़ता ही जा रहा है।

Dear Srila Prabhupad Ji,

Please accept my humble obeisances, By Lord Krishna's grace and mercy I could start my spiritual journey. In this journey, you came as a Spiritual Master who taught to attain Krishna Consciousness in true sense. Initially, I used to listen to your Kirtans. Gradually I started reading your books on devotion filled with 'divine mellows', especially Bhakti Rasamrita Sindhu. They are simply mesmerizing. In this dark age of Kali, it is very difficult to have even one time of Satsang but you initiated a whole Bhakti Movement for the welfare of people to bring them into the light of knowledge. You helped thousands of people to become devotees and I am one among them. You are a blessing that Radha Krishna Chandra has showered upon us. You taught us to love Krishna than just acquiring knowledge about him. You awakened us to Krishna Consciousness. This realization that every living being is an eternal servant of Krishna, had added meaning to my life. Seeking your blessings to progress in Spiritual life...

Yours Servant,

Dear Srila Prabhupada,

I offer respectful obeisance unto my spiritual master.

You gave me a lot of divine knowledge and encouraged me to go-ahead. Because of you, the changes happened in my daily lifestyle. You told that if a house has an existence of Lord Krishna then the house converts to Vaikuntha. I had heartily accepted you as my spiritual master in my life. The circumstances of my house changed into a pleasant and favorable condition. What you have done in a golden period of 12 years is impossible to be done by any ordinary people.

I am thankful for what you have given to me and am requesting you to give me more strength to be constant in my life.

आपके चरणों में मेरा सादर प्रणाम! किसी भी मार्ग पर चलने के लिए एक शुद्ध गुरु की आवश्यकता होती है और मैं अपने आप को बहुत भाग्यवान मानती हूं कि मुझे आप जैसा महान गुरु की शरण मिली। आपके चरणों में आने के बाद मुझे भक्ति का ज्ञान मिला तथा जिंदगी जीने के उद्देश्य का ज्ञान हुआ तथा मुझे यह पता चला कि परम परमेश्वर कौन है। मुझे आपके पुस्तकों के द्वारा मेरे सभी प्रश्नों का उत्तर प्राप्त हुआ और मैं आपके 4 नियमों का शुद्ध अंतर करण से पालन करती हूं। मुझे मंदिर में भगवान का दर्शन करना और प्रसाद ग्रहण करना बहुत अच्छा लगता है खासकर त्योहारों के दिनों का प्रसाद तो बहुत ही स्वादिष्ट होता है। प्रभुपाद आपका आशीर्वाद मुझ पर सदा बना रहे और मैं कृष्ण भक्ति के मार्ग पर सदा आगे बढ़ते रहूँ।

Dear Srila Prabhupada,

Please accept my humble obeisance unto your lotus feet, all glories to your divine grace.

I am a fortunate soul; I got a link of your association through devotees and your books. Before joining ISKCON society, I indulged in a false way of bhakti and that was not the proper way to get connected to the Supreme Personality, realized later. Now a time I feel very calm and peaceful in any difficult situations and only by a way shown to me by your association; that is by chanting 16 rounds of hare Krishna Mahamantra daily. Now I am able to practice all the services suggested by you.

Thank you for the transformation of my life. I beg you to always give me a chance to be in your service for the rest of my life.

All Glories to Srila Prabhupada

I have so many pleasant and unique experiences in the last one year, since I started realizing the basic principles of Krsna consciousness, that I can write so many pages, but here I shall try to confine myself to the limited words recommended. I was working for Akshaya Patra, when I came in contact with HG Vyompada Dasa, President Bhilai Temple, & after he started describing about your concepts regarding the purpose of human life in this world, which actually is the material world, I felt as if I am awaking from a deep sleep. I am so thankful to you to shower your mercy and blessing upon an insignificant person like me, fortunate enough to learn about this divine eternal mystery of human life and many many more lives we are subjected to, that we are the soul, we are not this body. The actual charity or philanthropy is to help people understand about the knowledge of serving lotus feet of Lord Krsna as a servant of servant of servants, the constitutional position of each living entity. We finally have to prepare to go back to our original abode, back to Godhead. serving with food or clothing or material things should actually aim at awakening the beneficiaries to realize the misery they are in, sense gratification, they are aiming at, by working 24 x 7. Thank you, Gurudev for revealing this spiritual

world to me. I visited many of your temples this year in the various cities, read many books of yours, and now trying to read Bhagavat Gita.

This new world of consciousness of a Supreme Personality, who is always there, within me as Paramatma to guide me, is very pleasing and instills so much confidence in me. I am a doctor by profession and this support that the Supreme Personality of Godhead can descend onto my tongue as Namaprabhu to bless me as Shaktiaweshnama , by chanting sincerely the simple but most powerful Mahamantra Hare Krsna Hare Krsna Krsna Krsna Hare Hare Hare Rama Hare Rama Rama Rama Hare Hare, has changed my daily routine.

I get up 4 o'clock in the morning, chant mahamantra 16 rds, do arati, listen to your lectures and find yourself so amazing to create a world of devotees, who are selflessly propagating your mission to ignorant people like us, enlightening us to shift from miserable lives to the festivity of service to Lotus Feet of Krsna. Your temples are centers for peace, pleasure, delight, rejoice, worship, surrender, chant, celebrate food as prasadam, & innumerable inspirations.

I shall only be seeking your unlimited blessings, onto me mercifully, to give me the strength and conviction to continue and progress in Krsna Consciousness, to make my life and lives of people around me pleasurable, fearless, stress-free and healthy one.

Your Humble Servant,

Bhaktin Dr Santvana Sharan.

Dear Prabhupada,

Please accept my humble obeisances. Every year we offer our feelings and journey in the form of words to your lotus feet. In which each and every letter is a disguise of our feelings. As I enter this new phase of life where I learn a new thing every single day, where my mind is like a tree full of branches. Each branch represents thoughts, doubt, question, weird uncertainty for future, fear, ambition, etc. Most of them are questions which I ask from my surrounding and it is growing vigorously, leaving me with a question mark. And one day I saw somebody cutting those branches one by one. It was your words, ur instructions giving shape to it and changing it into a beautiful tree with wise, humble and fragrant flowers. I always pray from you to show me the right path and I will follow that path and endure all the difficulties to reach my ultimate goal.

प्रिय श्रील प्रभुपाद जी।

आपके चरणों में शत शत नमन। हे प्रभुपाद मैं बहुत सौभाग्यशाली हूँ कि आप मुझे गुरु के रूप में मिले हैं। भगवान की सेवा मैं शुरू से करती थी लेकिन मुझे उस समय यह नहीं पता था कि भगवान की सेवा और भक्ति करना ही हमारा जीवन का एक लक्ष्य है। मैं बहुत ही सौभाग्यशाली हूँ कि आपने मेरे जैसे मूर्ख को चुना आपकी सेवा के लिए मेरा मन बहुत ही जल्दी विचलित हो जाता है अगर आपने और भगवान श्री कृष्ण ने मुझे अपनी शरण में नहीं लिया होता तो मैं अपनी स्थिति सोच भी नहीं सकती कि क्या होता। जब मैं माला करती हूँ तो मुझे अलग सा ही शांति और आनंद प्राप्त होती है, यह सब आपके और भगवान की कृपा के बिना नहीं हो पाता। मुझ पर ऐसी ही कृपा बनाए रखें ताकि मैं आपकी सेवा और भगवान की भक्ति अच्छे से करती रहूँ।

### Badrinarayana Dasa

Dear Srila Prabhupada,

Please accept my humble obeisances on this most auspicious day of your divine appearance. All Glories to your Divine Grace. Just as to reach any destination one requires a proper understanding of the goal, the means, and the guide to achieve that. However, people generally don't know the goal or bewildered by many goals. Srila Prabhupada you have made it very clear for us to understand what is the ultimate destination, the process of achieving that, acting in that relationship.

Lecture on BG 1.43 -- London, July 30, 1973:

*So anyway, why this living entity is wandering, not fixed up? So there must be some goal. He is hankering after that. There must be some goal of life. To achieve that goal of life that is called sādhya. Why we are struggling here for happiness or something else? We are struggling. So this question was raised by Caitanya Mahāprabhu, that "What is the goal of life?" Unless there is a goal of life, why there is a struggle? Why... There must be some goal of life, sādhya. And sādhana. Sādhana means the means by which we can achieve that goal of life. That is called sādhana.*

*tasya tvarṇ tamaso 'ndhasya duṣpārasyaḍya pāragam  
sac-caḡsur janmanām ante labdhaṁ me tvad-anugrahāt(3.25.8)*

*Your Lordship is my only means of getting out of this darkest region of ignorance because You are my transcendental eye, which, by Your mercy only, I have attained after many, many births.*

This verse is very instructive since it indicates the relationship between the spiritual master and the disciple. The disciple or conditioned soul is put into this darkest region of ignorance and therefore is entangled in the material existence of sense gratification. It is very difficult to get out of this entanglement and attain freedom, but if one is fortunate enough to get the association of a spiritual master like Kapila Muni or His representative, then by his grace one can be delivered from the mire of ignorance. The spiritual master is therefore worshipped as one who delivers the disciple from the mire of ignorance with the light of the torch of knowledge. The word pāragam is very significant. Pāragam refers to one who can take the disciple to the other side. This side is a conditioned life; the other side is the life of freedom. The spiritual master takes the disciple to the other side by opening his eyes with knowledge. We are suffering simply because of ignorance. By the instruction of the spiritual master, the darkness of ignorance is removed, and thus the disciple is enabled to go to the side of freedom. It is stated in Bhagavad-gītā that after many, many births one surrenders to the Supreme Personality of Godhead. Similarly, if after many, many births one is able to find a bona fide spiritual master and surrender to such a bona fide representative of Kṛṣṇa, one can be taken to the side of light.

In a Letter to Sukadeva Calcutta 29 January 1973:

This attitude of serving first the spiritual master is the correct one, for only by the mercy of the Spiritual Master can one obtain the mercy of Krishna. Just as we sing every morning *yasya prasada bhagavad-prasado yasya prasada na gatih kuto 'pi*, in this way the disciple advances more and more in understanding God. So if you simply execute with full faith the instructions that I have already given you, then you will see so many people will be sent by Kṛṣṇa to become devotees because of your sincerity. So as you are my appointed leader, you must also see that the others are following very strictly the regulative principles like chanting 16 rounds, reading my books regularly, rising early for Mangala aratrika, these things will keep us purified for advancing more and more in Kṛṣṇa Consciousness.

Srila Prabhupada you have given us the best process to follow, please always keep under your guidance. I beg to remain under the shelter of your lotus feet forever and go on serving your mission.

Your servant, Badrinarayana Dasa.

## Balarama Anuja Dasa

Dear Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet on this auspicious day of your divine appearance. All glories to your divine grace!

These extraordinary times have brought to fore the flickering nature of life. All over the world, people are suddenly aware of their vulnerability to a force that they evidently cannot control. There are innumerable instances of seemingly healthy individuals suddenly succumbing to the ongoing pandemic, and their family members not even being able to cremate the body.

One may say, “what is so extraordinary about these times?”. After all, you have taught us page after page within your wonderful transcendental Bhaktivedānta purports that this material world is temporary and full of miseries. It is a place full of dangers. It is not a place for the gentleman. It is an embarrassment.

And yet, I have spent my life chasing after flickering happiness, uselessly serving wicked and miserly men. This human life, even though tottering like a drop of water on a lotus petal, is extremely rare. And yet it is simply wasted away in chasing one sense gratification after another. While wandering about in the universe, transmigrating in different species aimlessly, I cannot even express simply how fortunate I have been to receive shelter at your lotus feet.

Your lotus feet are like an oasis in the desert of material existence. In the association of your sincere followers, the full-time missionaries of India Heritage Foundation, ISKCON Bangalore and Hare Krishna Movement I have been offered an opportunity to stop my meaningless pursuits, stop my defeated attempts at sense-gratification, and make proper use of whatever little time I may have left in this lifetime. However, I am so fallen that I have repeatedly failed to make proper use of the opportunity.

The pandemic situation has been seized upon by your enthusiastic missionaries to engage the suburban grhamedhi householders such as myself in the hearing and chanting of transcendental topics concerning the Supreme Lord. In IHF Boston, we have heard the prayers of Queen Kunti, the entire Bhagavad-gītā as chapter summaries (21-day gītā-yajna), and Nectar of Instruction. The classes are being conducted every day in the evenings, and have enhanced our level of devotional service. Out of your causeless mercy, you have thus placed me in circumstances so that my diversions are reduced, and more and more of my time is spent your transcendental service.

*“O Spiritual Master! O Ocean of Mercy! Please be merciful unto me. Give me the shade of your lotus feet. Your fame is spread all over the three worlds.”*

Praying at your lotus feet to kindly allow me to eternally remain in your service,

Your insignificant fallen servant,

Balarama Anuja Dasa.

Dear Srila Prabhupada

Please accept my humble obeisances at your lotus feet on this most auspicious day of Vyasa Puja. All glories to your divine grace.

*nama om vishnu-padaya krishna-preshthaya bhuta-tale srimate bhaktivedanta-svamin iti namine*

*namas te sarasvate deve gaura-vani-pracharine nirvishesha-shunyavadi-pashchatya-desha-tarine*

I consider myself very fortunate that you have accepted me as your disciple and to have taken shelter at your lotus feet. It is purely your causeless mercy that this is possible. I continue to always feel your protection over me.

In the past year, I have learned so many little things from your teachings by reading your books that have helped me take small steps in my spiritual journey. Sometimes, I struggle with knowing if I am making any progress at all spiritually. I was keen to know what I would use to measure my spiritual progress. I was guided to these principles 1. Sadhana 2. Svadhyaya 3. Seva 4. Sanga 5. Sadachar. Every time there is a setback, going back to these measurement tools, gets me back on track.

Krishna consciousness is for all. You say this so many times, even a small child can practice it. Krishna consciousness is not only for the rich or intelligent. Being an accountant as per my material qualifications, I learned a new concept of "spiritual assets" while reading your books in the association of devotees. It struck a nice chord with me and I could relate to it very well. I learned what the spiritual assets are. I could understand that if there are spiritual assets an aspiring devotee should acquire, one should also beware of the "spiritual liabilities" that one can accumulate. I understand that I have to invest time and faith in the process as you have listed as my "capital".

O spiritual master, O ocean of mercy and friend of the fallen! O universal teacher and life of all people! Be merciful unto us, O Master, and give us the shade of your lotus feet. May your glories now be proclaimed throughout the three worlds.

I pray at your lotus feet that you always keep me under your shelter and I am able to render service unto you.

Your humble servant, Palini Devi Dasi.

Dear Srila Prabhupada

Please accept my humble obeisances

All glories to you on this auspicious day of your Vyasa Puja

As another year has passed, I realize myself unqualified in understanding your glories and mercy that you are showering upon the fallen conditions of this world. However, as the duty of a disciple, on this auspicious occasion, I am humbly making an attempt to share a few glories of your unlimited compassion upon all the living entities.

*"I write at the end of my letters to my disciples, 'Your ever well-wisher', and as such, I cannot become otherwise than being ever well-wisher of my disciples, even though he may leave me."* Srila Prabhupada Letter, April 26, 1968

I am always amazed and overwhelmed with joy upon hearing your wonderful compassion. Having heard of a pastime of yours where you demonstrated your unconditional compassion upon a disciple who left the movement only to return later. Upon the return of the disciple, you embraced him and engaged him in the service as if nothing had happened. Your selfless compassion to engage every living entity in the devotional service of Lord Chaitanya's Sankirtana movement in spite of all inconveniences is truly extraordinary. Therefore, I similarly seek forgiveness for my unlimited sins and offences committed and pray for your mercy to always remain at the shelter of your lotus feet.

In another pastime, your disciple Govinda Dasi narrates your compassion for Russians under the communist regime. Unable to see the suffering of the people in general under godless leaders, you desired to deliver the struggling men of Russia and within three days of your visit, you could create a spark by preaching to one Russian (Anantha Shanti Prabhu). And this would eventually become a huge unstoppable fire. You were very pleased with your disciple Mondokini Devi Dasi's sincerity to go to Russia from France to further assist Ananth Shanti Prabhu in preaching. Your desire was very powerful to save the people of Russia and give them a holy name and the disciples who took your desire as theirs were blessed and emerged victorious in preaching the glories of Lord Chaitanya amongst all odds put by the demoniac materialistic leaders. In the same way, I desire to take at least one of your desires as my heart and soul and engage in your service with sincerity and seriousness.

As described in the Srimad Bhagavatam 1.1.10, in this fallen age of kali people are quarrelsome, lazy, misguided, unlucky and, above all, always disturbed. With growing time, the atheistic leaders of the world are creating a chaotic situation all over the world. Today, again after more than 50 years, India and China are loggerheads over inhabitable mountainous territories, and people all over the world are confused as what constitutes the proper action in this case and how to prevent such unwanted quarrels. However, upon reading your brief explanation of a similar conflict in Srimad Bhagavatam 1.5.11, one can clearly understand the root of such problems and the definitive solution to overcome it. This is another perfect example of your wonderful divine instructions which could be used to solve all the problems of the world. Through your life, books, conversations and letters you have given all the required directives for the bewildered souls and nations to come together in peace and prosperity. Therefore, I pray to read, remember and follow your instructions in all circumstances of my life.

In a letter to Niranjana -- Los Angeles 21 May 1972, you mention that "My Guru Maharaja used to say that these literature are the "Brhat Mrdanga," that is to say, the big mridanga, because like the mridanga which can be heard from a long distance, simply a few words can have a tremendous effect on millions of people if they are propagated widely. So it is our duty above all to print these words for the general benefit of mankind. Therefore if you can assist me in this manner then that will be the greatest service."

You must have a purpose in bringing me to a place where I am being trained in the process of understanding literature, however, I must say I am incapable of such a wonderful task and therefore I beg for your forgiveness for committing unlimited mistakes in this journey and seek your guidance and mercy in this path of my current engagement of service. I

am extremely indebted to you, Srila Prabhupada, for your compassion upon this fallen soul for tolerating my various offences and keeping me engaged in service despite causing you various inconveniences.

Your insignificant disciple, Panduranga Gopala Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisance unto the dust of your lotus feet and all glories to Your Divine Grace.

My dear Srila Prabhupada, thank you for continuously showering your mercy and letting me serve your lotus feet for one more year, despite my being so foolish and incompetent.

Throughout my spiritual journey, I have been benefited from the countless selfless gifts of Yours. You had taught us things so essential that I forget that there was a time when I did not know them. You have bestowed gifts so profound—protection, wisdom, love, and life itself—that there is no way to measure their value. You clean up the mistakes, look after me even when I want to avoid you, and speak the truth even when I would rather not hear it.

The best way to repay a teacher is to follow his instructions and utilize the knowledge we have received.

In one of your lectures (SB 6.1.17 on May 17, 1976, at Honolulu ), you have mentioned, “*The behaviour should be so nice. That is the test of how you have become Kṛṣṇa conscious. That is the test. Spotless.*”

Vyāsa-pūjā affords us an opportunity to examine our lives and ask ourselves: Does my behaviour reflect an attitude of gratefulness toward Srila Prabhupāda? Am I living my life in a way that would make Srila Prabhupāda happy? I am proud to call Srila Prabhupāda my master, but would he be willing to call me his servant? Gratitude is the disciple’s most precious quality, and Vyāsa-pūjā is an opportunity to reexamine and renew that attitude.

What exactly is a disciple grateful for? The spiritual master’s gifts are endless, but there is one gift that gives value to all the others, namely, the benediction of unadulterated spiritual knowledge. As Srila Prabhupāda emphatically asserts in his Vyāsa-pūjā address mentioned in Science and Self Realization:

“Gentlemen, our knowledge is so poor, our senses are so imperfect, and our sources are so limited that it is not possible for us to have even the slightest knowledge of the absolute region without surrendering ourselves at the lotus feet of Sri Vyāsadeva or his bona fide representative. Therefore, gentlemen, we should surrender ourselves today at the feet of the representative of Sri Vyāsadeva for the elimination of all our differences bred by our unsubmissive attitude.”

On this most auspicious divine appearance day of yours, I beg to you fervently to bestow me with the right attitude to remain as a humble servant at your lotus feet.

In this most modern extraordinary, unusual time of uncertainty due to the global pandemic when the whole world is feeling anxious and powerless, we are feeling sheltered and blessed because of your grace and mercy. Your instructions in your books, letters, etc. are the source of steady inspiration and protection.

We felt your constant guidance and mercy last year in our journey of struggle and endeavour to secure land to establish a temple here in MA. By your blessings, it looks like IHF Boston has been brought to a point where major expansion is imminent. Even though we are ready to embark on the journey of temple construction, it looks full of challenges and uncertainties. Hence we pray at your lotus feet to remain sincere to follow your instructions as that is the only source of our protection. As you have mentioned in a letter to Michael written from San Francisco, “*You just remain fixed up in devotional service, and all impediments that may come will be vanquished by the unlimited potency of the Lord. We should have faith in His Power, His Grace, and His Causeless Mercy.*”

I pray that I will be able to follow the above instruction to work hard for Krishna under all circumstances and times.

Aspiring to be your servant Sadananda Dasa.

Dear Srila Prabhupada

Please accept my humble obeisance. All Glories to Srila Prabhupada. All glories to you on this auspicious day of your Vyasa puja. On the occasion of the Vyasa puja, I would like to offer my humble offering to my dear spiritual master who has helped me realize how this temporary life is not a place to settle down here.

I am really thankful at least I got a taste of eternal happiness through the association of devotees and understanding the sastras. I had spent this life and many lifetimes according to my own desires and whims. I am so fortunate that in the last five years wherever I went I got the association of devotees so I could continue the journey which began because of your movement which spread every corner of this globe. The transcendental knowledge of Krishna is unlimited and it is very difficult to understand him directly. Without your books and your disciples, it is not possible to get the taste of Krishna consciousness. Whatever small services I started with little faith in Krishna has helped me serve the devotees and the mission. You have helped me develop that faith through the association of your disciples.

I am indebted that the gifts you had given though look very menial but I know it is the most precious of the gifts. I am so fortunate that I got the most powerful mantra of *Hare Krishna Hare Krishna Krishna Krishna Hare Hare, Hare Rama Hare Rama Rama Rama Hare Hare*. This is the only hope I have to overcome all the dualities of life which are constantly bombarding from all the directions. The association of the devotees and following their direction who had full faith in you for delivering each and every soul to liberate from this material world. On my own, I will never be able to develop that strong faith, every morning when I wake up and start the devotional service to the Lord I am eternally grateful that the process you had created is wonderful. I am able to practice Krishna consciousness and perform my material duties, the strength to continue is only possible by faith that the Lord will reciprocate based on the sincere desire to serve your mission.

Please shower your blessing and always protect this fallen conditioned soul please give the directions to make correct choices to make rapid progress in the spiritual life.

Aspiring to be your servant,

Bhakta Arvind Naidu Thatikonda,

Dear Srila Prabhupada,

My beloved spiritual master. Please accept my humble obeisance. All glories to you on this auspicious day of your vyasapuja.

*nama om viṣṇu-pādāya kṛṣṇa-preṣṭhāya bhū-tale śrīmate bhaktivedānta-svāmin iti nāmine*

*namas te sārāsvate deve gaura-vāṇī-pracāriṇe nirviśeṣa-śūnyavādi-pāścātya-deśa-tāriṇe*

*om ajñāna-timirāndhasya jñānāñjana-śalākayā*

*caḥṣur unmīlitam yena tasmai śrī-gurave namaḥ*

As you mentioned in the science of self realization, from Śrīmad-Bhāgavatam [11.17.27]

*ācāryam mām vijānīyān nāvanmanyeta karhicit*

*na martya-buddhyāsūyeta sarva-deva-mayo guruḥ*

“One should understand the spiritual master to be as good as I am,” said the Blessed Lord. “Nobody should be jealous of the spiritual master or think of him as an ordinary man, because the spiritual master is the sum total of all demigods.” That is, the ācārya has been identified with God Himself. He has nothing to do with the affairs of this mundane world. He does not

descend here to meddle with the affairs of temporary necessities, but to deliver the fallen, conditioned souls – the souls, or entities, who have come here to the material world with a motive of enjoyment by the mind and the five organs of sense perception. He appears before us to reveal the light of the Vedas and to bestow upon us the blessings of full-fledged freedom, after which we should hanker at every step of our life's journey. You are the dearest to Krishna and descended to this material world to deliver the fallen souls like me who have forgotten the eternal relationship with Krishna and engrossed in sense enjoyment in this material world. You have shown us the light leading to Krishna to the unfortunate and ignorant jivas in this world by painstakingly translating the ancient Sanskrit texts into simple English language for the benefit of the public at large and enlightened the world. As you mentioned in Bhagavad-gita, by proper knowledge of Lord Krishna and living entities, everyone can go home, back to Godhead. You have traveled around the world at a ripen age and established the temples all around the world to give real knowledge about Krishna to the world for the benefit of everyone. You have distributed the knowledge about Krishna and made disciples all over the world and became a Jagadguru. You have established the process of bhakti in the most authentic way and easy to follow in this Kali Yuga to achieve Krishna Bhakti quickly.

On this most auspicious day, I pray for your blessing to serve your mission. I pray you to give me spiritual strength and determination to cultivate offenseless chanting and book reading regularly.

Begging to remain always under the shelter of your lotus feet,

Your humble servant,

Bhakta Bhargava Raju P.

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet. It is only by your causeless mercy that an ignorant fool and fallen person like me is today chanting the Holy Name of the Lord. Most of the time my mind is wandering after sense gratification due to which I am not able to read your books on a daily basis and unable to chant properly. By Your Grace and devotee's mercy, I am able to do 80% of service during festivals and other special occasions. Please bless me Prabhupada to execute divine services. Because I am not able to follow the given instructions, I am not able to make any spiritual or material progress and falling. Please bless me to chant properly and read your books regularly and understand. O spiritual master of the whole universe, kindly be merciful on this fallen servant of yours and always keep me under the shade of your divine lotus feet. Please bless me with more and more seriousness in executing devotional service. Without you, I have no other hope.

You not only gave god consciousness but also purified my material consciousness. By your association, I have managed to balance this dangerous unpleasant existence. I have benefited in many ways like the use of time, money, knowledge. Whatever the mistakes are done during sadhanas like chanting, following 4 regulative principles forgive me and make me realize the mistakes. I wish to be with your association forever and pray to you to shower your mercy to this fallen soul so that I make progress in your eternal divine movement.

Your Humble Servant,

Dear Srila Prabhupada

Please accept my humble obeisances

All glories to you on this auspicious day of your Vyasa Puja

I was amazed to hear about you Srila Prabhupada in a recent class. You are an extraordinary spiritual teacher and the founder-preceptor of the International Society for Krishna Consciousness, commonly known as the Hare Krishna Movement. Across the globe, you are respected, even from people who have different beliefs than your own. Hinduism, a religion that started in India, mostly bloomed in its origin sub-continent of India. Throughout the many centuries when the religion started till the 1900s, many Hindus were Indians. However, this was before your arrival to the West where you started a new movement to increase awareness of the science of Krishna. You preached Krishna's glories throughout the world and introduced many different aspects of the Hindu religion to Western people. One of these aspects is the festival called Ratha Yatra and the creation of the Hare Krishna worldwide movement. I was grateful for being part of this festival conducted in our neighbourhood. As you clearly delineated, the goal of this movement is to systematically propagate spiritual knowledge to society at large and to educate all people in the techniques of spiritual life in order to check the imbalance of values in life and to achieve real unity and peace in the world. I am a part of this movement and I feel rejuvenated, my confidence in my religion has strengthened. I feel grateful to you, Srila Prabhupada, for introducing me to a whole new world of knowledge. Your translation of the Bhagavat Gita to English is revolutionary and still, millions of copies of the book are being distributed to people all across the globe. I am amazed to imagine your patience in translating word for word of Bhagavad Gita and Srimad Bhagavatam that was written in the language of Sanskrit. Your great contribution of translating over 60 other volumes of classic Vedic literature for the people around the world to truly understand the words of Krishna is a treasure beyond measure. In 1959 you took a vow of renunciation (sannyasa) and started writing commentaries on Vaishnava scriptures. In his later years, as a travelling Vaishnava monk, you became an influential communicator of Gaudiya Vaishnava theology to India and specifically to the West through your leadership ISKCON was founded in 1966. Thank you for your wonderful contributions to help the people of the world. Your aspiring servant,

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to your Divine Grace. I have been a wanderer since my childhood and looking for answers to many questions about life and self-realization like we all have. By the mercy of Krishna, I came into the association of your devotees, who are guiding me to my self-realization to serve the Supreme Personality of Godhead, who is prevailed in the entire universe and every living and non-living entities.

You are a true Spiritual Master, who can transform an ignorant mind to a blissful mind by giving Hare Krishna mantra. Your legacy of spiritual books particularly “Bhagavad Gita As It Is” is a manual for transformation from ignorance to eternal knowledge and blissful. Your divine life is like a message to me to absorb Krishna Consciousness as the goal of this human form of life and the association of your devotees is transformative and helps witness the divinity inside and outside.

Further in the Srimad Bhagavatam, you write: “The less intelligent do not know the real value of the human form of life. The human form is a special gift of material nature . . . . It is a chance to achieve the highest boon of life, namely, to get out of the entanglement of repeated birth and death. The intelligent take care of this important gift by strenuously endeavoring to get out of the entanglement.” Srimad Bhagavatam 1.16.9. Herein, you give us an important instruction Srila Prabhupada: that we need to ‘strenuously endeavor’ in this human form of life to be able to get out of material entanglement and attain the goal of perfection in Krishna consciousness.

All glories to you and bless me with your divine mercy. Thank you, Trying to be your servant,

Hare Krishna Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet.

Today is the most auspicious day as you appeared to help us and show a spiritual path to reach the Supreme Personality of Godhead, Krishna. From your teachings, I understand below aspects of life.

True nature of existence of human form and understand that human is part and parcel of God. Human has all qualities that God has, but the quantity of each of those is infinitely small. Also, understand how a human being by nature is forgetful of Krishna.

The goal of the human form is to go back home back to Godhead with no repeated birth and death.

The more I surrender to Krishna, the more he takes care of me to progress in the spiritual path.

The method to reach Krishna in kali yuga is only by chanting maha-mantra *Hare Krishna Hare Krishna, Krishna Krishna Hare Hare, Hare Rama Hare Rama, Rama Rama Hare Hare*. And the practical method of chanting is to chant and hear.

The primary principles of a devotee to advance spiritually.

No Meat eating, No intoxication, No illicit sex, No Gambling

The most effective method to reach Krishna is Bhakti Yoga. Be humble, show gratitude to the devotees considering the level of spiritual progress.

Assume to be a servant of the servant of the servants to reach Krishna.

Aspiring to be your humble servant Bhakta Jagan C Jala.

My Dear Srila Prabhupada, my Spiritual Master, please accept my humble obeisance.

All glories to you on this auspicious day of Vyasa Puja. I was flying in the darkness of ignorance and false ego and mundane consciousness. I was spending my life like a dog and a cat (eating, sleeping, mating, and defending). There was no realization of self.

It is you who have glanced unto me, shown causeless mercy, and gave me the intelligence for self-realization. You accepted me as a menial servant and gave me a chance to come out of the darkness of this material world's temporary arrangements of sense gratifications. This was my desire to enjoy the material world, so you did not interfere, and I was following the darkness. As soon as you glanced upon me, my mundane mind awakened and understood what am I doing, why am I wasting my time in this filthy place where there is no happiness at all. This is the place of "dukhalayam ashashwatam," and I am seeking for the enjoyment of my senses. This is absolute foolishness.

You have given me the intelligence of hearing, chanting the glories of the Lord as chanting the Hare Krishna Mahamantra. You have given me the intelligence to understand that I am not this body; I am the spirit soul and part and parcel of the Supreme Personality of Godhead Krishna. You have given me the intelligence to understand the Lord Chaitanya Mahaprabhu, Nityananda Prabhu, Advait Prabhu, Gadadhar Pandit, and Srivas Prabhu. You have planted the seed of "bhakti-lata" into my heart and also given me the intelligence on how to water it.

If anyone in this world regardless of caste, creed, color, place, and circumstances follow the hearing and chanting process of *Hare Krishna Hare Krishna Krishna Krishna Hare Hare, Hare Rama Hare Rama Rama Rama Hare Hare*, he can be qualified to get the Love of Krishna. This intelligence is also coming to my heart due to your causeless mercy. Today my progress is based only upon your mercy.

Due to your causeless mercy, so-called my wife, my children, my father, my mother are chanting the Holy Name of the Lord Hare Krishna Mahamantra. My house became temple where we are tasting Krishna Prasadam and glorifying the glories of the Lord by studying Bhagwad Gita, Bhagwatam, and Chaitanya Charitamrita written and translated by you. We are all engaging our senses in the service of the Lord. Please be my Spiritual Master birth after birth.

*sri-guru karuna-sindhu, adhama janara bandhu, lokanath lokera jivana*

*ha ha prabhu koro doya, deho more pada-chaya, ebe jasha ghusuk tribhuvana*

O spiritual master, O ocean of mercy and friend of the fallen! O universal teacher and life of all people! Be merciful unto us, O Master, and give us the shade of your lotus feet. May your glories now be proclaimed throughout the three worlds.

Your menial servant,

Bhakta Jitendra Kumar.

Dear Srila Prabhupada,

Please accept my humble obeisance. All Glories to You on this auspicious day of your Vyasa puja.

I have learnt a lot of things from the Vedic literatures because of your writings. I have learned that every living being is created by the Lord Himself. And the importance to understand who is the primary creator, who is the second of this world. Further, the difference between the material nature and spiritual nature is that spiritual nature is SAT CIT ANANDA while material nature is completely opposite. And a person under material nature is influenced by modes of material nature which act against the original nature of the living entity. There are three different modes of material nature, mode of goodness,

passion and ignorance. These three modes range from the best to the worst, respectively. To go to the best mode, mode of pure goodness, we have to chant the Hare Krishna Mahamantra.

The parampara system is the way that all of the ancient knowledge has been passed to the next generations. Dear Srila Prabhupada, you have received this knowledge in the same way and you have kindly proved to us that the biggest help one can do is to spread Krishna consciousness to others. Today we are reading Bhagavad-gita because your compassion to write this wonderful book in English, which is teaching Krishna consciousness to millions of people all over the world.

I have been having an increased interest in playing the guitar for kirtans during class time, this is also helping me get better at playing the guitar. I have had an opportunity to do all this because of you, Srila Prabhupada, as you created a system of learning and spreading about Krishna consciousness and also gave us an opportunity to participate in this great program. I would like to thank you, Srila Prabhupada, for this knowledge and the opportunity.

Your humble servant,

Bhakta Karthik.

Dear Srila Prabhupāda,

Please accept my humble obeisances at your divine lotus feet on this auspicious day of your divine appearance—all glories to your divine grace.

The transcendental knowledge of the *Vedas* was first uttered by Supreme Lord to Lord Brahmā. From Lord Brahma, the knowledge descended to Nārada muni, from Nārada muni to Vyāsadeva, from Vyāsadeva to Madhvācārya, and in this process of disciplic succession, the transcendental knowledge was transmitted by one disciple to another till A. C. Bhaktivedanta Swami Srila Prabhupāda.

On this auspicious day of Śrī Vyasa puja, I first offer my respectful obeisance at the lotus feet of His Divine Grace A. C. Bhaktivedanta Swami Srila Prabhupada and all the previous Acharyas in the disciplic succession. I offer my humble obeisance to Vyāsadeva, the divine compiler of the *Vedas*, the *Purāṇas*, the *Bhagavad-gita*, the *Mahābhārata*, and the *Śrīmad-Bhagavatam*. Finally, I offer my earnest prayers at the lotus feet of Almighty Absolute Personality of Godhead, Lord Sri Krishna.

Your translations purport in Bhagavad-Gita, Srimad-Bhagavatam, Nectar of Instruction have left a deep impression in my heart. I am fortunate to hear your translations, purports on Bhagavad-Gita, and Nectar of Instruction in the association of devotees in the recent online sessions conducted by the devotees of India Heritage Foundation Boston.

In particular, I found something striking in your lecture on Srimad Bhagavatam 6.1.1-2 on May 22, 1975, in Melbourne. Here are key points from this lecture that impacted my thought process and goal of life.

“We are under nature’s laws; we cannot say that we are independent. In the Bhagavad-Gita(9.10) Lord Sri Krishna told, “Mayadhyaksena Prakriti...”, Under my direction, The Prakriti, nature is working. This human form of the body needs to be properly utilized, Not simply engaged in sense gratification. By progressive knowledge you have to understand God, if we did not understand God, that is imperfect knowledge. The proper utilization of knowledge is Vedanta (“Athato Brahma Jijnasa”). Our process of knowledge is we should take from supreme authorities, then we save time. That is Krishna consciousness movement. We take perfect knowledge from Krishna. I may be imperfect, just like child imperfect, I may be imperfect, you may imperfect, but if you take knowledge from the supreme perfect, then your knowledge is perfect. This is called our open Vedanta, knowledge coming, deductive knowledge coming from supreme.”

Praying at your lotus feet to allow me to hear your transcendental translations and purports,

Your humble servant, Bhakta Lakshmi Narayana Ragipindi.

Dear Srila Prabhupada,

Please accept my humble obeisances. Seeking your blessings on this most auspicious Vyasa Puja day. I am very grateful to you for making my life full of service opportunities. From your books, I read many stories and I am learning morals and lessons from them.

For example, I recently learned this lesson from the tale of Maharaja Anga (Srimad Bhagavatam Canto 4, Chapter 13). Mother nature knows what is best for you. If something comes on its own, then it is good. But if you go against nature and try to acquire something, then it may not be the best for you. It is likely to end in disaster and disappointment in your life.

Dear Srila Prabhupada,

Please, accept my humble obeisances at Your lotus feet. I sincerely thank you for giving me one more opportunity to glorify Your Divine Grace. The mercy of spiritual master one receives the benediction of Krishna. Without the grace of the spiritual master, one cannot make any advancement. Therefore, I should always remember and praise the spiritual master. Your voice, your book, your very example in everything you do, encourage us to not give up, to hang on, to not let go off our desire to surrender to Krishna.

Prabhupada, you who have engaged me in Your book distribution program for making the people Krishna conscious and making them benefited by getting Lord Krishna's mercy. This year I got a golden opportunity to play a skit with the role of Sri Nityananda Prabhu Supreme Personality of Godhead.

It is only by Your grace that I am able to do some devotional service and follow the principles. Srila Prabhupada please give me more strength so that I can strongly follow all the regulative principles and chant the holy name of Krishna with attention and faith.

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet.

Compared to the last year, this year, my faith in Krishna Consciousness has improved, and I can feel it with my heart and soul.

By your mercy alone, you connected me with devotees, and they taught me chanting the holy names & reading your divine books.

Chanting Hare Krishna is a great bliss.

*Hare Krishna Hare Krishna Krishna Krishna Hare Hare*

*Hare Rama Hare Rama Rama Rama Hare Hare*

Reading daily a few verses in 'Bhagavad Gita As it is' is one more milestone in this year of journey.

I am training my mind systematically to follow your instructions as it is.

I am begging for Your mercy so that I can follow your instructions as it is.

With your mercy alone, I can see the things as it is.

Please give me services Prabhupada; I am begging for services to assist you in your mission.

Please keep me under your protection and help me to chant Hare Krishna Maha Mantra 16 Rounds attentively and regularly.

Hare Krishna.

Your aspiring servant, Bhakta Manohar Mandali.

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet.

Another year has passed since my last offering for Vyasa Puja. In this period, I have learned many new things about Krishna Consciousness. I have started attending classes which are taught by one of the devotees who live in our temple. It is a Zoom session with other kids around my age. We learn about many things such as happiness and distress, freedom from anxiety, the story of Narada Muni, the struggle for happiness, etc. I used to think that your books weren't very interesting. However, all of these classes have given me the realization that there is so much interesting knowledge in your books. Also, ever since the Coronavirus lockdown has begun, my family has been going to the temple every day where I go to play mridanga in the kirtan team for about 15 minutes. I have also increased my chanting to 8 rounds this year, going up from six rounds last year. So far, I have been able to maintain my new routine of 8 rounds. I hope that I can successfully succeed going up to ten rounds this year after I turn 14. I hope that I can remain in your service eternally.

Your humble servant,

Bhakta Mukund Balaji.

Dear Srila Prabhupada,

Please accept my humble obeisance.

It has been nearly 4 years since I came in touch with your society. Due to the association of the devotees, reading the books, chanting and maintaining a proper diet, I have developed more depth in my understanding of the Krishna consciousness principles. Krishna mentions in BG 18.58:

*"mac-cittah sarva-durgani mat-prasadat tarisyasi  
atha cet tvam ahankaran na srosyasi vinanksyasi"*

“If you become conscious of Me, you will pass over all the obstacles of conditional life by My grace. If, however, you do not work in such consciousness but act through false ego, not hearing Me, you will be lost.”

This verse motivates me to strive to maintain Krishna consciousness under all circumstances regardless of how hard it might be and so far I have observed that I have been able to overcome some obstacles simply because of persevering to be Krishna conscious. I hope I continue to have the strength and the right association in which my consciousness can continue to develop bringing me from a Kanishtha Adhikari to a Madhyam Adhikari.

Your humble servant, Bhakta Shivam Srivastava.

Dear Srila Prabhupada,

I offer my respectful obeisances unto His Divine Grace AC Bhaktivedanta Swami Prabhupada, who is very dear to Lord Krishna on this earth, having taken shelter at his lotus feet.

My respectful obeisances are unto you, O spiritual master, servant of Sarasvati Goswami. You are kindly preaching the message of Lord CaitanyaDeva and delivering the western countries, which are filled with impersonalism and voidism.

On this auspicious occasion of Vyasa Puja, please accept my humble obeisance's. We are forever indebted to you for showering your blessings not only on devotees but also on insignificant souls like me who aspire to follow your guidance. In this age of Kaliyuga, your teachings and guidance are the only hope that we have. The austerities and difficulties that you had to go through to establish a world-wide Hare Krishna movement always inspire us to strictly follow the process of dharma.

It is very heartening and blissful to get a devotee association here in the United States. Our mind gets attracted to so many things in this material world but your literary contribution in the form of so many books with detailed translations/purports always helps to keep our mind situated on the ultimate goal of life which is Krishna Prema. No matter whatsoever I write today, it will always be insufficient as your glories are endless.

I beg you to please keep me at the dust of your lotus feet and give me the strength to practise Krishna consciousness sincerely.

Your aspiring servant

Bhakta Shray B.

Dear Gurudev - Srila Prabhupada,

Please accept my humble obeisances at the dust of your divine lotus feet. All glories to your divine grace.

Gurudeva, with your causeless mercy and grace, this humble soul has been able to continue and make progress in spiritual journey to find the way back to Godhead. After learning the ABCD of Krishna Consciousness last year, I was able to understand that my soul is bound in this material body. By following the regulative principles and chanting of 16 rounds, I have learned and felt the effects of three modes of material nature by understanding the 3-4-5 formula.

3 - Klesas (adhyatmic, adhiboutic, and adhideivik)

4 – truths/difficulties (Birth, death, Oldage and disease)

5 – Pa Varga (Pa – Parishrama, Pha – Phena, Ba – Bandha, Bha – Bhaya, Ma – Maranam/Mrutyu)

At the end of 2019, with your and Lord Chaitanya's blessing, I was able to make the trip to India a spiritually rejuvenating one with my family. I am humbly excited to tell you about my first visit to Lord Jagannath's Puri Kshetra. I had the honor to get darshan of magnificent Lordships Jagannath, Baladeva, and Subhadramai along with a chance to pay my obeisances at Gaudiya Matt, Gambhira Matt, Siddha Bakula, Thota Gopinath temple and Sakshi Gopal Temple. I was able to participate and spend some great time in ISKCON Bangalore, ISKCON Nellore, Lord Ranganatha Swamy temple in Nellore that you visited during your time here in this world. This journey gave me a jolt of spiritual reality and reminded me of my(soul's) constitutional position as a servant of a servant of a servant of a servant.....and motivated me to action about taking my spiritual journey to next level. This reminds me of what Prahlada Maharaj said in Srimad Bhagavatam (7.5.30)

*matir na kṛṣṇe parataḥ svato vā  
mitho 'bhipadyeta gr̥ha-vratānām*

*adānta-gobhir viśatām tamisraṁ  
punaḥ punaś carvita-carvaṇānām*

“For those who have decided to continue their existence in this material world for the gratification of their senses, there is no chance of becoming Kṛṣṇa conscious, not by personal endeavor, by instruction from others or by joint conferences. They are dragged by the unbridled senses into the darkest region of ignorance, and thus they madly engage in what is called ‘chewing the chewed.’”

It took me(my soul) about 42 years in this life to realize I am lost again in the ocean of the material world and completely surrender to you to seriously learn about Spiritual life, proper action, the Godhead Krishna, and my relationship with Krishna. This year, I had the opportunity to join your Ashraya Program and with your grace, I was able to clear the exam for the Charanashraya level.

O my dear master, as mentioned in my last offering, this humble servant is aspiring to become a brahmana under your guidance through your devotees and continue my devotional service. As Sri Suta Gosvami describes proper human dharma in Srimad Bhagavatam (1.2.9)

*dharmasya hy āpavargyasya  
nārtho ’rthāyopakalpatē  
nārthasya dharmāikāntasya  
kāmo lābhāya hi smṛtaḥ*

“All occupational engagements [dharma] are certainly meant for ultimate liberation. They should never be performed for material gain. Furthermore, one who is engaged in the ultimate occupational service [dharma] should never use material gain to cultivate sense gratification.”

I started to dovetail all my engagements to the service of the Lord and spread your message. With Guru and Gauranga in my heart, I am able to donate some Lakshmi consistently to the temple, continue Book distribution, perform guru puja at home, offer flowers, vegetables, and material possessions in the service of the Lord and the temple. With your blessing, I am utilizing my mind to learn, memorize and recite Shikshastakam, Sri Narsimha Kavacam, Sri Isopanisad, and some Vaishnava songs. Oh Gurudev, with my association of devotees and your approval, my next attempt is to learn Brahma Samhita Prayers.

Srila Prabhupada, O noble one, I feel your presence in your books, in my daily prayers and chanting. On this day, I sincerely pray unto your lotus feet to forgive my shortcomings and mistakes and help this humble servant continue to serve your mission. I am begging you to never let me forget my identity as your servant’s servant and keep me under your shelter always. Finally, please bless this unfortunate soul to continue to embark on a journey to complete Bhakti-Sastri Course to learn, understand, and practice the Bhakti yoga concept of devotional Service.

Your insignificant servant,

Bhakta Subrahmanyam Bulusu.

Dear Srila Prabhupada,

Please accept my humble obeisances on the auspicious day of Vyasa Puja day. There are many things that I am grateful to you for. I will mention a few here.

Thanks for all the books that you have written which teach us that the material world is extremely temporary. Your books teach us how to be humble like the hay of grass or road. Being humble means we learn how to manage our anger, how to be able to live a perfect life in a selfish world by ignoring its negatives, etc.. I have learnt all these things after coming to Krishna consciousness.

Thank you very much for teaching about Sankirtan, the importance of devotee association, keeping Krishna in our heart while doing all the materialistic work, and how our homes can be made a temple by following just some simple principles. Also special thanks to Hare Krishna Mahamantra which I chant all the time in my heart.

Your aspiring servant,

Bhaktin Anjali Bansal.

Dear Srila Prabhupada,

All glories to you on this auspicious day of your Vyasa-Puja. I offer my respectful obeisance unto you my spiritual master, the deliverer of the fallen souls. As the mercy of the spiritual master turns dumb into the eloquent speaker and enables the lame to cross mountains, I have just started my spiritual journey and I have learnt so much about Lord Shri Krishna, thanks to your books and writings. I have learnt so much just by having a couple of lessons. When I chant, I feel very calm and it makes me focused and it makes me feel incredibly happy from inside. I am very thankful to you for introducing me to chanting in the right and proper way. Chanting has made me more content and calm in my life.

I have also learnt the benefits of Sankirtana. It is very melodious and makes me want to dance to its tunes. You have also taught us the meaning of prasadam, that when we cook food – we should first serve it to Lord Krishna before eating. The food should be cooked with a lot of love so that it is very tasty for Lord Krishna. We had no idea about the meanings of the numerous names of Lord Krishna and how they relate to his life.

I have been worshipping the deity of laddu Gopal for the last 30 years. Your teachings have taught me the right way of worshiping and more methods of serving the Lord. You have taught us all the deeds performed by us should be submitted to the Lord's lotus feet. While we have never met, I have been able to visit your Samadhi mandir and your residence at ISKCON Vrindavan. I had heard a lot about Bhagavad Gita but was recently introduced to it. I have been trying to read it and implement it in my life every day.

Thank you for all the knowledge you have given us. We have come so far in learning about Lord Shri Krishna. Hope to advance in this journey with your blessings,

Yours Sincerely,

Bhaktin Anjani Goel.

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to you on this auspicious day of your Vyasa puja.

I am just a worthless servant of you. You are a very divine and a very pure sage and so I am honoured to speak about you. I have heard that you have opened lots of temples and written lots of translations of the Bhagavad Gita. As you travel through the western countries you spread the word about Lord Krsna and when you got to New York after a year of struggling you start creating the Krsna consciousness. Thanks to you there are 108 Krsna temples outside of India. Thanks to you there is also the Krsna consciousness and lots of translated versions of the Bhagavad Gita. Without you, there would be no word about Lord Krsna outside of India and specifically in the western countries. Because of you there is word across the western countries know the Holy Name of Krsna, how we are all servants of the Supreme Lord, how to serve the Supreme Lord and the science of devotional service. I remember it was once you who had said 'For sense gratification, a man in the mode of passion wants some honour in society, or in the nation, and he wants to have a happy family, with nice children, wife, and house. These are the products of the mode of passion. As long as one is hankering after these things, he has to

work very hard. Therefore, it is clearly stated here that he becomes associated with the fruits of his activities and thus becomes bound by such activities. In order to please his wife, children, and society and to keep up his prestige, one has to work. Therefore, the whole material world is more or less in the mode of passion'. Even your quotes help people for instance this quote tells me that the whole material world is more or less illusion.

We are graced by you with your knowledge of devotional service and your knowledge of the Supreme Lord. You have helped hundreds of people achieve spiritual mastery by creating the Krsna Consciousness. Through your knowledge, hundreds of other sages have risen. Through the Krsna consciousness, you have caused hundreds of people to leave their material needs and drive towards their spiritual selves and I am sure that hundreds more will continue to get spiritual mastery. I am sure that hundreds of more sages will rise and I am sure you will help hundreds more connect to their spiritual self. You are a true devotee and sage. You take big risks and make yourself suffer to serve the Supreme Lord. You are truly very brave and are truly a great devotee of the Supreme Lord. Because of you, I know the true meaning and the science of devotional service. Without you, I would not understand how true devotional service must come from the heart and that you should be ready to do anything to serve Lord Krsna. You are a very good example for people my age and are a great example of a true devotee. You have helped several people get through the dark times of Kali Yuga and I am sure you will continue. I am very very thankful to be writing about you actually I am very thankful to even know of you because like I said you give a true example of a great devotee.

As I write I think how did you face the challenges that were put in your life but then I realize that you are a great devotee you can get through anything while chanting the Supreme Lord's Holy Name. So, as I realize this I do the same and think about how you have faced so many challenges by chanting the Lord's Holy Name which starts helping me face day to day challenges. Usually, at first, I would think that does chanting the Lord's Holy Name truly help you but knowing that you have faced many challenges by chanting the Lord's Holy Name makes me much more confident. Because of you I and hundreds of people have had their lives changed whether it getting spiritual mastery or just facing day to day challenges so as I say this again thank you for all you have done.

From your humble servant,

Bhaktin Avani Gajpal, Grade VI, Canada.

Dear Srila Prabhupada,

Please accept my humble obeisances and all glories to Your Divine Grace on this auspicious day of Vyasa-Puja. I bow at your lotus feet and offer my gratitude for awakening the seed of Krishna Consciousness. It is an eye-opener for me to know the importance of guru in this life, and to learn spiritual science, I accept Srila Prabhupada as my spiritual master with all faith and conviction. Srila Prabhupada's teachings, lectures & books have a profound impact on my spiritual journey. Constant hearing the number of sessions by devotees and chanting maha-mantra, a link has been established with the Supreme Personality of God Head, which resonates in Me with great faith, thus clearing my doubts and misconceptions of material bondage. The guidance is helping me in three ways.

1. Spiritual growth
2. Meeting challenges of day to day life
3. Almost following rules & regulations and serving /offering prasadam

During the pandemic period COVID19, I have been blessed to devote much more time ever before in Chanting, reading, discussing, hearing sessions by devotees, and participated in activities for Krishna and offering prasadam. I seek your mercy and bless me to take my journey with more understanding. I seek all of your blessings to further make my bhakti in the mood of "अहेतुकी,अपरिहता,". I quote Sri Bhagavad Gita Verse 22 Chapter 9

अनन्याश्च न्तयन्तो मां ये जनाः पर्युपासते।  
तेषां नित्याभियुक्तानां योगक्षेमं वहाम्यहम्।

"But those who worship me with devotion, meditating on My transcendental form, to them I carry what they lack & preserve what they have."

Sri Sikasastakam verse 3 by Caitanya Mahaprabhu

तृणादपि सुनिचेन तरोरपि सहिष्णुता।  
अमानिना मानदेन कीर्तनीयः सदा हरिः।

Thinking oneself lower than the grass, one should be more tolerant than a tree who gives due honor to others without desiring honor for himself is always qualified to chant the Holy Name of Krishna.

Once again, I offer my homage for awakening the seed of Bhakti with all faith and determination I have an urge to carry forward in the right perspective and mood with your blessings.

Your humbler servant,

Bhaktin Chandra Prabha Chaudhri.

Hare Krishna!!

Please accept my humble obeisance at your lotus feet Srila Prabhupada. Please let me stay at your lotus feet forever.

I would like to thank you Srila Prabhupada for spreading Krishna consciousnesses all over the world. Prabhupada by your grace I was able to attend Bhagavad-gita classes, never realized the importance of having Bhagavad-gita and listening to Bhagavad-gita lectures from Vaishnavas that is (purpose of human life, the importance of Guru, Bhakti yoga, Devotion) is explained beautifully.

Prabhupada thank you for showing us the right method of practicing and remembering Krishna. That is by chanting.

hare kṛṣṇa hare kṛṣṇa kṛṣṇa kṛṣṇa hare hare  
hare rāma hare rāma rāma rāma hare hare

Prabhupada I am chanting 2 rounds every day, chanting really makes me happy, contented and I feel Lord Krishna is close to me and listening to me. Prabhupada, please bless me so that I chant 16 rounds every day with the same level of enthusiasm.

Dear Prabhupada,

Hare Krishna . On this special day of Srila Prabhupada's Vyasa Puja, I want to offer my deepest gratitude at the Lotus feet of Srila Prabhupada. I will make a humble attempt to express my gratitude to you. I am extremely grateful to You to be able to understand the unalloyed message of Krishna consciousness through Your books and the association of devotees (*sadhu-sangha*) over the past few years.

As most of the material things in the world comes with some good and bad effects. Similarly, this world wide Covid19 situation mostly with its dreadful effects also brought in a pause in everyone's life. Wherein, people could meditate on the process of self-realization. Over the last few months by his grace, I was able to associate with devotees and could understand the real meaning of having faith in SPOG, Krsna. By attending the 21 days Gita Yajna arranged by the devotees and by listening to the Nectar of Instruction, I am able to understand that path to reach to Krsna is through pure

unalloyed devotion. I have been enlightened about the regulative principles of *Saravanan-kirtanam visnoh smaranam*. Also could start the deity worship at home following Bhagavad Gita 9.26 verse, which says-

*patraṁ puṣhpam phalaṁ toyam yo me bhaktyā prayachchhati,  
tadaham bhaktyupahṛitam aśhnāmi prayatātmanaḥ.*

*Translation: If one offers to Me with devotion a leaf, a flower, a fruit, or even water, I delightfully partake of that article offered with love by My devotee in pure consciousness.*

I also had the opportunity to listen to the glories of Prahalada Maharaj and pastimes of Lord Jaganatha by attending the Narsimha Jayanti and Ratha Yatra respectively. I believe nothing would have been possible without the mercy of Srila Prabhupada. Through your books, teachings, and daily association of his devotees, I feel your presence in my daily life. And amidst all the adversities surrounding me, I am able to start my inward journey only by your grace.

Dandavat Pranam on your lotus feet,

Your servant,

Bhaktin Sanchita.

Hare Krishna

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to Srila Prabhupada. All glories to you on this auspicious day of Vyasa Puja.

Gurudeva, this is my first literary offering after getting introduced to Krishna Consciousness. I have no words to write how grateful I am for the path you blazed towards the Supreme power of Godhead for the devotees and I cannot imagine/accept anybody else as my Spiritual master.

This humble servant of the Lord was wandering in search of something and was never satisfied with any lecture or preaching. I was so ignorant that I don't know where to search to find answers to my basic questions. My belief in The Lord guided me this far in my life, blessed me with a family, and brought me to the doorstep of Krishna Consciousness. That is when I started my spiritual journey by offering my services to you as my spiritual master.

My spiritual journey started with Bhagavad Gita classes, and the basic questions I had got answered right away and opened a door to make me realize how much I don't know. These sessions also showed me the purpose of life and placed a goal in front of me to "Follow the path you paved to go back home to Godhead". I am indebted to you for your vision and mission. I am forever, at your service for giving me this opportunity to be a part of your mission.

I started my journey by chanting Hare Krishna Maha-Mantra rounds. I am glad to inform you that I achieved the milestone of 16 rounds/day. The feeling of internal cleansing is very real. I completely believe that it is achievable by your mercy and devotees' guidance that I could develop the feeling.

I am also glad to inform you that we have been offering the food to the Lord and enjoying the taste of maha prasadam. I am also reading your wonderful literary offerings.

I traveled in the wrong direction of not understanding/following the Dharma. By your grace and devotee's persistence, I was able to make the right turn in my life and started working on liberating myself from materialistic sense gratification.

Kindly bestow me with intelligence & mind to serve the Lord and your grace to the best of my abilities. Please give me spiritual strength and confidence to overcome the materialistic difficulties and stay on the path to follow your instructions. Please accept me as your humble servant, bless me with constant devotee association and service of Lord.

All glories to Spiritual Master Srila Prabhupada.

Your aspiring yet humble servant,

Bhaktin Sireesha.

Dear Srila Prabhupada,

Please accept my humble offerings on this auspicious day of your Vyasa puja.

I have just started on my spiritual journey and I have learned so much about Vedas and Lord Sri Krishna, thanks to your books and writings. Though you are not here in person to see this, I have learned so much just by having a couple of lessons. When I chant, I feel very calm, it makes me focused and it makes me feel good. I am very thankful to you for introducing me to chanting.

This year, I was also able to attend the Jagannatha Ratha Yatra festival. It was an honor to attend the festival that you started in America, and I felt very happy and excited to see the chariot and the Lord.

While I have not met you, your writings suggest that you are highly spiritual and very smart.

Thank you for all the knowledge you have given us. We have come so far in learning about the Vedic literature and knowledge, thanks to you.

Please accept this offering. Hare Krishna.

Your valuable and unadulterated instructions have illuminated the spark of spirituality in thousands of hearts around the world is incredible. Your instructions are not meant for some mundane activities. By your grace, I am able to understand what is the Absolute truth which Supreme Personality of Lord Shri Krishna himself spoke to Arjuna. This highest knowledge from gurus in disciplic succession is very well distributed to a common man by your books in a very

comprehensible language where you explain the essence of life with perfect examples. Your teachings have helped me to hold back some sense gratification.

I feel blessed and blissful when I read your magnificent and descriptive writings of Krishna's pastimes. Dear Srila Prabhupada, Please accept my heartfelt thanks.

Dear Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet.

All glories to you on this most auspicious appearance day of your divine grace.

Can't believe it's again the day of offering prayers, means unknowingly time just passed by, an year. This shows how precious time is and how it just melts down. Must be mindful of spending time improving spiritual consciousness. In this past year, there are many most amazing things that have happened. Inviting Their Lordships, Jagannath, Baladev and Subhadra, it was such a pleasure serving THEM. Always heard that Jagannath is very merciful, now experiencing it. A new temple is coming very close to us. Having a temple very close by is such a blessing which is possible only by your causeless mercy. Able to take Charanashraya level was again your causeless mercy. They are countless.....

The pandemic has become very insignificant in mind only because of your causeless mercy, through chanting, reading, and through regular sessions by all the devotees, otherwise, it might have not been possible to come out of this in all the ways.

Please bless me not to forget my constitutional position of serving the Lord. As you have mentioned, a pure devotee cannot forget the Supreme Lord for a moment and similarly, the Supreme Lord cannot forget His pure devotee for a moment which is the great blessing of the Krishna conscious process of chanting the maha-mantra. I am very much indebted to you always for giving this opportunity of chanting maha mantra even though I am such an insignificant soul. This shows how merciful you are on your children.

Begging to continue to shower your mercy and let me and my family remain under the shelter of your lotus feet at all times.

Aspiring to be your humble Servant,

Bhaktin Suneetha Pendeti.

Please bless me to understand the science of Krishna Consciousness and practice it in my life.

Dear Gurudev, HDG A.C. Bhaktivedanta Swami Prabhupada, please accept my humble obeisance on this auspicious occasion of your 124th divine appearance day.

From my childhood, I had a desire to become a Sadhu, also I had a positive response towards all the religious activity or religious mission and towards sadhus. Although I had a positive response towards all these things, I was not getting the correct one to accept in my life. And from my beginning days I was observing the material way of life the people are living, nothing but the same thing they are busy doing repeatedly what already their fathers and forefathers had done i.e. eating, sleeping, mating and defending. They don't have any choice except for those four things. I was wondering how to come out of this. In that perfect time by Your causeless mercy and by the mercy of your disciples I came in touch with your ISKCON & Hare Krishna Movement which shows me the absolute perfect path of devotional service to the lotus feet of the supreme personality of Godhead Sri Krishna and his eternal consort Srimati Radharani.

Although I am very insignificant, fallen and unqualified, by the mercy of your divine grace you allowed me to join as a full-time missionary in your Hare Krishna Movement in 2019 and exactly after one year in the very auspicious day of Sri Nityananda trayodasi you accepted me as your disciple and you made me a Sadhu. Although internally I may not be a sadhu since in my mind there are so many anarthas like lust, anger & greedy are there but outwardly you made me a Sadhu.

Dear Srila Prabhupada, I am very grateful to give me initiation and accept me as your disciple. My life is success to be a disciple of a genuine and bonafide spiritual master like you who is always guiding and teaching me non-other than devotional service to the supreme lord.

Even though so many times I have been doing so-many nonsense, you mercifully giving me shelter at your lotus feet as a compassionate father.

Dear Srila Prabhupada, I am begging at your lotus feet please always be merciful upon me by correcting and guiding me through your Vani and through your authority system, so that I may not be a victim of Maya. Please bless me with more sincerity, seriousness and determination so that I can able to serve your disciples and your mission very enthusiastically.

Hare Krishna! Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet. All Glories to your Divine Grace.

I am born in the darkest region of ignorance. Somehow by the causeless mercy of Lord Krishna, residing in everyone's heart as *Paramātmā*, your divine grace entered into my life which was filled with many sinful activities. Dear Srila Prabhupada, your ISKCON or Hare Krishna Movement, which is non-different from all-attractive Lord Sri Krishna, had instilled in me some little attraction towards different aspects of Krishna Conscious activities: beautiful temple, gorgeous deity worship,

blissful *Kirtans* by blissful devotees, delicious *prasadam*. As it is mentioned at the beginning of the 3<sup>rd</sup> Chapter of the book, Nectar Of Devotion, I feel very fortunate for receiving this little bit of attraction by your causeless mercy which made me eligible for accepting the further process of devotional service.

Dear Srila Prabhupada, you are an empowered ambassador from the spiritual world to fulfill the divine mission of Lord Chaitanya in this material world. Your divine grace attracted Lord Krishna's empowerment and magic by your sheer determination and focus to fulfill the order of your Spiritual master by all means: *vyavasāyātmikā buddhir, ekeha kuru-nandana* (Bg 2.41).

Dear Srila Prabhupada, your Bhaktivedanta Purports are like *Kalpa-Vriksas* (desire trees) in the spiritual world. One who comes in touch with these purports, one who meditates on these purports and one who applies these purports in one's spiritual life, all their spiritual desires will be fulfilled. You have entrusted to all your disciples the duty of studying these books and distributing these books. These books are the basis to your ISKCON or Hare Krishna Movement, the saving grace to the whole humanity. In this digital age, May Your Divine Grace bestows the movement with some direction and focus on presenting your books to the digital audience of all age groups.

Dear Srila Prabhupada, your divine qualities as a pure devotee of Lord Sri Krishna are as attractive as Lord Krishna Himself. Simply by carefully studying your divine qualities with faith, it is as good as reading Book-Bhāgavatam because you are the personification of Book- Bhāgavatam. It is simply by your association, Jivas can develop faith that Lord Krishna exists and He is the Absolute Truth. This is my personal realization.

On this auspicious occasion of your divine appearance, please bestow this insignificant soul with determination to follow your instructions and serve your movement with pleasure. Please bestow this fallen soul with attachment to your *Bhaktivedanta* purports. Please bestow this poor soul with some divine qualities so that I can service my godbrothers nicely.

I beg you forgiveness for the offenses that I have committed to your Divine Grace, to my godbrothers, and to any other jivas.

Your servant,

Bindu Madhava Dasa.

Dear Srila Prabhupada,

My humble obeisance unto your divine lotus feet.

You have been the greatest source of inspiration for me since I have received your causeless mercy. You are awakening me from ignorance by showering the nectar of devotional service. I am working hard in spite of the conditioned existence only because of faith in your teachings.

You are the saviour of the whole world. I am blessed to have taken shelter at your divine lotus feet. Kindly please continue showering your mercy upon me so that I could attain perfection in the practice of Krishna Consciousness and chant the holy names of the Lord with unalloyed devotion.

Please benedict me so that the seed of *bhakti-latha-bīja* could fructify and divine pastimes of Sri Radha Krishna manifest within my heart.

May your love for Krishna manifest in the whole of material creation so that all suffering conditioned souls can become the recipients of divine love of Godhead Sri Krishna.

Unlimited Thank You for all that you have graced to me in my life.

Your Servant, Dhruva Maharaja Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisances at your Divine Lotus Feet. All Glories to your Divine Grace !!!

Recently when my father was talking about your Divine Grace's grihastha life and the way you took sannyasa in 1959, we were relishing your sweet quality of renunciation to serve the order of Your Spiritual Master His Divine Grace Bhakthi Siddhanta Saraswati Maharaja. We discussed about this quality that saved us from the gutter of material life. I told my father that, If it was not for you, we would have all been in a gutter rotting in the pangs of material life trying to be rich and famous.

In the ultimate act of sacrifices of leaving Sri Vrindavan Dham and going to the West to preach the glories of Lord Chaitanya, you can be compared to Lord Nityananda Prabhu who is the crest jewel among all the renunciants, "**avadhutha siromanim**". Similarly, your Divine Grace was the crest jewel among all the sadhus of Vrindavan hence your Divine Grace is definitely an expansion of Sri Nityananda Prabhu to preach the glories of Lord Chaitanya all over the world. Just like Lord Nityananda, went all over Bengal to preach Lord Chaitanya's glories and endured all trouble to preach even to the drunkards like Jagai and Madhai, similarly you had the same mission to preach to the drug addicts and drunkards of the Western world so that Lord Chaitanya's glories can reach far off in every continent of the globe.

I sincerely pray at your lotus feet to give a minute fragment of your renunciation so that, I can also preach the glories of Lord Chaitanya and repay the debt for saving us from this miserable material life.

Your Most Fallen Servant,

Hari Bhandhu Dasa.

Jai Srila Prabhupada,

All Glories unto you my dear spiritual master His divine Grace A.C.Bhaktivedanta Swami Prabhupada. What can I offer to you Prabhupada? There is no way I can offer anything greater than what you have given me.

This year has been enlightening. Despite the current pandemic, I consider myself fortunate to have been a recipient of the knowledge of the right way to chant the holy names of the lord. Thank you Srila Prabhupada. You have given some hope now to this fallen soul. As I had said earlier, I am not a qualified disciple of you but somehow or other I have firm faith that you are holding my hand. Please continue to do so Prabhupada. Please guide and inspire me and my family in whatever little way so that we are eligible to preach your glories and the glories of your teachings. I am trying my best to inspire my family and relatives but without your mercy it is impossible. I hope you will bless all of us and inspire us in the service of Mahaprabhu and Krishna.

Your servant,

Krishna Chaitanya Dasa.

Dear Srila Prabhupada,

Please accept my most humble obeisances, All glories to Your Divine Grace.

It is an eye-opener year for me in your house to get proper maturity on how to live in your house. As you are aware I have gone through tough phases for quite some time. Health and Krishna Consciousness have gone down drastically. I have met HG Madhu Pandit Prabhu in the month of February. I have got a life lesson as he shared a lot of things with me. I have felt

that you had spoken to me personally through him. It is a special message for me on how to practice Krishna Consciousness and be in proper consciousness.

I used to wonder many times why only hardships for me and why I am not properly situated. Then when I was reading Srimad Bhagavatam I came across the passage that “A devotee's duty, therefore, is to ungrudgingly accept any tribulations from the Lord as a benediction.” I have heard many times that devotee has to take all the tribulations as a mercy of the Lord but this quote struck me a lot.

By nature, I am a reserved type. Later my mind, as usual, disturbed with whether I am tolerating this just as a will of the Lord or as a foolish person suffering without escalation. A few days later in Srimad Bhagavatam class, I got the answer for that. It is an absolute reciprocation from you for an unintelligent like me. Also, I came across the power of communication. If not done at an appropriate time and at an appropriate place, it brings misconception. Please give me the intelligence to communicate appropriately Prabhupada.

Another quote from Srimad Bhagavatam has inspired me a lot is that “the Supreme Lord, the Absolute Personality of Godhead, Sri Krishna, although equal to everyone, is still more inclined to His unflinching devotee who is completely surrendered and knows no one else as his protector and master. Having unflinching faith in the Supreme Lord as one's protector, friend and master is the natural condition of eternal life. A living entity is so made by the will of the Almighty that he is most happy when placing himself in a condition of absolute dependence. The opposite tendency is the cause of fall-down. The living entity has this tendency of falling down by dint of misidentifying himself as fully independent to lord it over the material world. The root cause of all troubles is there in false egotism. **One must draw towards the Lord in all circumstances.** The appearance of Lord Krishna at the deathbed of Bhishmaji is due to his being an unflinching devotee of the Lord. Arjuna had some bodily relation with Krishna because the Lord happened to be his maternal cousin. But Bhishma had no such bodily relation. Therefore, the cause of attraction was due to the intimate relation of the soul.”

Please shower your causeless mercy upon me to practice Krishna Consciousness like “the attraction should be based on the relationship with soul”. Please don't ever allow me to act by “misidentifying myself as fully independent to lord it over the material resources or other living beings”. Please guide me to always remember my position as an insignificant living entity in the existence which brings humility to chant the holy name of Krishna with utter dependency. Also on chanting the holy name I have got a lot of insights from the session on soulful Japa from HG Madhu Pandit Prabhu.

Prabhupada, Let this state of consciousness not be in theoretical/artificial/superficial platform but be a self-realization in the core of my heart. I beg you to bless me to take this consciousness with great eagerness.

Another quote from Srimad Bhagavatam given me the insight to learn my first duty. “My dear Lord, O Supreme Personality of Godhead, because of my association with material desires, one after another, I was gradually falling into a blind well full of snakes, following the general populace. But Your servant Narada Muni kindly accepted me as his disciple and instructed me how to achieve this transcendental position. Therefore, my first duty is to serve him. How could I leave his service?”

Prabhupada, I don't know who is Krishna. You have shown Him in the form holy name and Deity. So I pray to you rather than praying to Him (since He will listen to whomever you recommend) that please bless me to give enthusiasm, determination, and patience in doing service for your movement without any personal motivation/sense gratification. Let me be truthful, simple, Loyal, and genuine for Your movement. Let me appear publicly or privately the same without duplicitous. As I heard from our senior devotees that by our Achara we should do prachara.

Thank You for giving me the intelligence to write something which may not be scholarly or poetic but this insignificant servant's thoughts on this auspicious appearance day of Srila Prabhupada. Please keep showering your causeless and limitless blessings upon this fallen soul to constantly endeavor to allow myself to be used in the service of Your Divine Grace in a way you wanted. Hare Krishna.

Your Aspiring Servant,

Lakshmisha Dasa.

Dear Srila Prabhupada,

Kindly accept my humble obeisance. I am extremely happy to write this Vyasa Puja offering as it is an opportunity to thank you for giving me the wonderful gift of Krishna consciousness and remember your causeless mercy upon me. I would like to remind myself of the good fortune that has befallen me in the midst of the materially surcharged atmosphere of Kali Yuga.

I would especially like to mention the deep impact your books have had upon my consciousness and have been the strongest inspiration for me to engage in devotional service to the Supreme Lord. Your words are surcharged with the electric current of Krishna consciousness and as per your causeless mercy, living beings get Krishnized with different voltages of the current of Krishna consciousness. Success in the spiritual life, as I heard recently is to become a recipient of your mercy more and more. Your divine words reflect the ecstatic state of consciousness in which you are situated, completely apart from the mundane vibrations of the three modes of material nature. Indeed, by reading your purports, one gets convinced that you are no ordinary person of this world, but you belong that indestructible transcendental abode of Lord Krishna, which goes by the name Goloka Vrindavana. You walked in flesh and blood in the midst of this terrible age of Kali, setting up spiritual institutions where the vibration of the Hare Krishna maha-mantra is being echoed day and night. Innumerable people have benefited and are continuing to receive spiritual happiness and Krishna's divine touch when they associate with these pockets of Goloka in the midst of Kali-yuga. As Krishna held the Govardhana Hill on His little finger to protect the Vraja vasis from the torrential rain of Indra, so do you protect us by this institution of Hare Krishna Movement, in this terrible age of Kali. You fulfilled Lord Caitanya's prediction of the holy name being chanted in every town and village and revealed to the whole world, Lord's most confidential incarnation.

Your purports are not mere words of philosophy. They contain the potency to inspire the conditioned souls, to hear and chant about Krishna, give up sinful habits, and work hard for Krishna's purpose. Indeed, this opportunity to engage in devotional service opens the door of liberation for us. Kindly bless me to engage in Krishna's service more and more deeply and may I be attached to reading your books and also distributing its message to the people who have not yet received it. I humbly beg for forgiveness for the many offenses I have committed, and kindly request for spiritual strength to overcome the weakness of the heart. Thank you, dear Srila Prabhupada, for having picked up this aimless wanderer and be placed in your wonderful institution. I will always remember your eternal causeless mercy on this fallen soul.

Your humble servant,

Mukunda Madhava Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet, Your lotus feet are only the means for the deliverance of fallen soul like me. All glories unto you.

It's been another opportunity to write Vyasa-puja offering and glorify my beloved spiritual master. Srila Prabhupada, let me thank you again for keeping the fallen soul like me in Lord Chaitanya's divine mission. For sake of deliverance of fallen condition soul, you have shown causeless mercy and accepted all difficulties unto yourself, which is the real asset of the

pure devotee which is very difficult to find in the entire universe. I have been blessed to have such a magnanimous and compassionate spiritual master as yourself. I consider this as the causeless mercy of the Supreme Personality of Godhead Krishna Himself that He has guided me to choose yourself as my spiritual master. Every time I hear your transcendental sound from your lotus mouth, I can understand my material contaminations are getting washed off. More I hear your transcendental vibration more I come closer to Lord Krishna.

Srila Prabhupada, kindly bless me and keep me in your service so one day I will become a qualified disciple and assist your divine mission of deliverance of fallen conditioned souls. Your divine grace always stated how it is important to render service unto spiritual master in order to purify one's existence in this material world.

*"One must conquer the modes of passion and ignorance by developing the mode of goodness, and then one must become detached from the mode of goodness by promoting oneself to the platform of śuddha-sattva. All this can be automatically done if one engages in the service of the spiritual master with faith and devotion. In this way, one can conquer the influence of the modes of nature."*  
(SB 7.15.25, Translation)

So by establishing this divine mission of Lord Chaitanya in this universe, you have very kindly given an opportunity to all fallen soul to render service unto you by serving your divine mission. So one can get out of this material existence by Guru and Krishna's Grace.

So I humbly pray to Lord Krishna and Chaitanya Mahaprabhu to keep me in your divine mission and bestow their mercy so I can render service to you and please you at best of my capacity. Consequently, I will be saved from the clutches of Maya and this horrible material existence of Birth and death. Ultimately, by your grace, I can achieve the Supreme Goal of life that is to develop a love for Krishna. Srila Prabhupada, Kindly forgive for my offences which I could have committed knowingly or unknowingly. I seek your mercy and blessing in order to continue serving your divine mission. All Glories to my beloved spiritual master.

Now and forever,

Your Insignificant Servant,

Nareshvara Krishna Dasa.

Our respectful obeisances are unto you, O spiritual master, servant of Bhaktisiddhanta Saraswati Goswami. You are kindly preaching the message of Lord Chaitanyadeva and delivering the Western countries, which are filled with impersonalism and voidism.*

Dear Srila Prabhupada ,

I offer my respectful obeisances at the most exalted lotus feet of Jaya Om viṣṇu-pāda paramahaṁsa parivrājakācārya aṣṭottara-śata Śrī Śrīmad His Divine Grace A C Svāmī Prabhupāda. It is said in Śrī Caitanya-caritāmṛta

*brahmāṇḍa bhramite kona bhāgyavān jīva, guru-kṛṣṇa-prasāde pāya bhakti-latā-bīja*

*Out of many millions of wandering living entities, one who is very fortunate gets an opportunity to associate with a bona fide spiritual master by the grace of Kṛṣṇa. By the mercy of both Kṛṣṇa and the spiritual master, such a person receives the seed of the creeper of devotional service. (CCMadhya Lila 19.151)*

*guru kṛṣṇa-rūpa hana śāstrera pramāṇe  
guru-rūpe kṛṣṇa kṛpā karena bhakta-gaṇe*

According to the deliberate opinion of all revealed scriptures, the spiritual master is non-different from Krishna. Lord Krishna in the form of the spiritual master delivers His devotees. (CC Adi 1.45). Even though I am not qualified to be Your servant, but simply on account of your liberal nature and magnanimity You have accepted and delivered this ingrateful soul.

*jogyatā-vicāre, kichu nāhi pāi, tomāra karuṇā sāra*

If you examine me, you will find no qualities. Your mercy is all that I am made of. You are truly mercy personified of Lord Nityananda Prabhu who was wandering door to door to distribute Krishna Prema bhakti. The presence of Nityananda Prabhu is always felt in the presence of one's own guru, for the guru is considered to be the living manifestation of Nityananda Prabhu's love and mercy, and his shakti (power) is what gives the disciple the ability to perform devotional service. -- Srila Prabhupada's lecture on Sri Nityananda Trayodashi

In the Bhagavad-Gītā, it is said that

*manuṣyāṅgāṃ sahasreṣu, kaścid yatati siddhaye  
yatatām api siddhānām, kaścin mām vetti tattvataḥ*

Out of many thousands among men, one may endeavor for perfection, and of those who have achieved perfection, hardly one knows Me in truth. (B.g 7.3 )

Further, it is mentioned in Bhagavad Gita As It Is, From the beginning of karma-yoga to the end of bhakti-yoga is a long way to self-realization.

If one is fortunate enough to come to the point of bhakti-yoga, it is to be understood that he has surpassed all the other yogas. Therefore, to become Krsna conscious is the highest stage of yoga, just as, when we speak of Himalayan, we refer to the world's highest mountains, of which the highest peak, Mount Everest, is considered to be the culmination. (BG 6.47 Purport)

In this short span of human life, this step by step process is impractical and cumbersome. But by the grace of a Sidha Sattamah ( best of the perfect ), who is executing the mission of the Lord one is directly raised to the platform of bhakti. So ordinary way you have to work very hard day and night to get some money. Suppose if you want one lakh of rupees or one crore of rupees, you have to work for it. But there is another way. Suppose one rich man gives you, that "You haven't got to work. Take this one lakh of rupees or one crore of rupees. You take it." That is another way. Ordinary way to accumulate crores of rupees, it may not be possible in your life. But if some friend or some rich man becomes kind upon you and delivers you, "Take it," you can get it immediately, without any hard labor. (S.B 1.7.26 purport)

Dear Srila Prabhupada, Although a Pure Devotee, an Acharya is guna arnava, ocean of all auspicious qualities(Sri Guruashtakam verse 1), still for my purification I mention some of them as under as an offering to Your Lotus feet :

He is

- 1) The wish-fulfilling tree of Supreme Kalpa vriksha Lord Sri Krishna: Lord seated in the heart of every living entity fulfills everyone's desire but a pure devotee satisfies Lord's innermost desire to reclaim all fallen souls .
- 2) Descends to this material world Like Yamaraja who has accepted residence in patala loka to execute the order of the lord Yamarāja is the officer appointed by the Supreme Personality of Godhead to judge religious and irreligious principles and to punish the sinful. ( A Second chance, CHAPTER 14 Betrayed by Leaders)
- 3) like the sun who rotates in its orbit for benefit of all living entities.

*vitudann aṭate viṅṅām, hitāya jagato 'rkavat*

You are like the sun, which rotates in the universe for the benefit of all living beings.(Dhruva Maharaj to sage Narada- SB - 4.8.38 )

4 )Like a tree whose only business is to give . The spiritual master accepts our sinful reactions and gives us soothing shade of His Lotus feet.

*He reasons ill who tells that Vaisnavas die, When thou art living still in sound!*

*The Vaisnavas die to live, and living try, To spread the holy name around!*

*( By Bhaktivinod Thakur)*

5) an avatara who descends to re-establish religion

Whenever an ācārya comes, following the superior orders of the Supreme Personality of Godhead or His representative, he establishes the principles of religion, as enunciated in Bhagavad-gītā. ( SB 4.28.48 purport )

6)A savior who releases the soul from clutches of Maya

*sādhu-sāstra-kṛpāya yadi kṛṣṇonmukha haya, sei jīva nistare, māyā tāhāre chādaya*

TRANSLATION "If the conditioned soul becomes Kṛṣṇa conscious by the mercy of saintly persons who voluntarily preach scriptural injunctions and help him to become Kṛṣṇa conscious, the conditioned soul is liberated from the clutches of māyā, who gives him up. (CC Madhya-20.120)

7)the eyes for blinded souls like me.

*sac-caṅśur janmanām ante, labdham me tvad-anugrahāt*

Your Lordship is my only means of getting out of this darkest region of ignorance because You are my transcendental eye, which, by Your mercy only, I have attained after many, many births. (SB 3.25.8 )

*om ajñāna-timirāndhasya jñānānjana-śalākayā*

*caṅśur unmīlitaṁ yena tasmai śrī-gurave namaḥ*

I offer my respectful obeisances unto my spiritual master, who has opened my eyes, which were blinded by the darkness of ignorance, with the torchlight of knowledge.

8) the soul of my spiritual life

*ekāki āmāra, nāhi pāya bala, hari-nāma-saṅkīrtane*

I do not find the strength to carry on alone the Sankirtana of the holy name of Hari. (Ohe Vaisnava Thakura by Srila Bhaktivinod Thakura )

9)My only hope

Forgotten Krishna, we fallen souls,

Paying most heavy the illusion's toll.

Darkness around, all untrace.

The only hope, His Divine Grace.

( Adore Adore Ye All)

I fall at Your lotus feet O most benevolent one, please be merciful upon this ignorant soul who cannot give up avidya. If You desire, then only I can pass on your message for the benefit of others for my purification.

Your most fallen Servant,

Parama Purush Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet on this most auspicious day.

The Lord glories are unlimited, similarly, as a pure devotee, your glories are also unlimited. Being so tiny and insignificant neophyte devotee, I may not be able to glorify that befits your divine personality. But being blessed by you, as your disciple, let me offer my sincere feelings on this your auspicious appearance day for your pleasure. You are an eternally liberated and confidential associate of the Supreme Lord Sri Krishna. You take immense pleasure in spreading the glories of the Lord in spite of all inconveniences in this miserable material world. You also expertly induce fallen souls to take up Krishna Consciousness and engage them in serving the Lord.

Srila Prabhupada, I am very thankful to you for the causeless mercy you have bestowed in the recent times in the form of soulful Japa sessions, enlightening teachings of Bhagavad Gita, nectarine Prabhupada stories, Chaitanya Mahaprabhu pastime through your senior disciples HG Madhu Pandita Prabhu, HG Chanchala Pati Prabhu, HH Stoka Krishna Maharaj and HG Vasudeva Keshava Prabhu. My Gurumaharaj Srila Prabhupada, at this point I must mention that soulful Japa sessions given by your disciple HG Madhu Pandita Prabhu brought the revolutionary change by elevating the consciousness of the chanters of Hare Krishna mantra. I also got the advantage of soulful Japa training sessions to uplift myself from thinking Japa to mindful Japa to some extent. Once again I would like to express my deep gratitude to your Divine Grace and to your senior disciples.

Srila Prabhupada in recent times, I have even better realized your statement that “living in a temple of Vishnu is to live in Vaikuntha, spiritual world (where there are no miseries). In the last six months, practically across the world, people have been undergoing great distress and anxiety due to the COVID pandemic. But we, being your disciples having taken shelter at your divine organization Hare Krishna Movement have been living peacefully as the aquatics live in peace and calm took shelter at lake water. As Lord Krishna created Dwaraka city within the sea to protect citizens from the attack of demonic kings, similarly you have established these Hare Krishna movement institutions within the kingdom of Maya to save your disciples from the attack of Maya. Thank you Srila Prabhupada for protecting our devotional services unto you and Lord Krishna and maintaining us by providing all the facilities during critical times also.

Srila Prabhupada, you are a pure devotee, the whole world is indebted to you for your great contribution to humanity. Srila Prabhupada your sweet pastimes are going on this planet. Your being unlimitedly compassionate for suffering conditioned souls have been distributing this Nitai Gauranga mercy, Hare Krishna mantra throughout the whole world without any discrimination. Kindly bless me to be your obedient servants and bestow sufficient strength and intelligence to act as an instrument in your hands.

Thank you once again, Srila Prabhupada, for blessing me with the topmost gift of devotional service which alone gives complete satisfaction to the self, and please bless me to remain as your menial and faithful servant under the guidance of your sincere disciples.

Thank you my beloved spiritual master Srila Prabhupada! Jai Srila Prabhupada!

Your most insignificant servant,

Raghava Sharana Dasa.

Dear Srila Prabhupada,

Hare Krishna! All Glories to Srila Prabhupada. Please accept my humble obeisances at your Lotus Feet. Please accept my humble homage for the 124th Vyasa puja 2020.

Today I would like to express my gratitude towards You Divine Grace A.C. Bhaktivedanta Swami Srila Prabhupada by glorifying one of the qualities that you possess "Faultless".

Prabhupada, You are always surrendered to Lord Krishna in your deeds, words, and mind- *kaya, vacha* and *manasa*, and always executed Lord Krishna's and Guru's desire to the best of your ability. This showed that you were always faultless, no one can find even the slightest tinge of fault in you, as you are a pure devotee of Lord Krishna. You are always in company with the Lord by thinking of Him constantly.

Prabhupada, in one of your lectures on Bhagavad Gita 5.14-22 verses, you mentioned that "One who has cultured himself that these different activities of the material world has nothing to do with him, his only business is to become Kṛṣṇa conscious. Then it is to be understood that he has conquered death even in this present life. This sort of equilibrium in the transcendental stage of Kṛṣṇa consciousness, *nirdoṣam*, faultless, it is called faultless life."

So from this, we can understand that your entire life was dedicated to the service of the Lord, not only that, you made the entire world Krishna conscious by preaching and teaching us by continuously traveling the entire globe 14 times in your old age, saving us from material sufferings and pulling us back to Krishna, a true well-wisher and a dedicated pure devotee of Lord Krishna who leads a selfless and faultless life by giving all of us the gift of Kṛṣṇa-Prema, which is very rare.

In one of the conversations (July 8, 1976, Washington, D.C. :) you mentioned that "Surrender to God, there is no fault. That is the highest faultless action. And so long you do not surrender, anything we do there is a fault." From this, you taught us to keep Kṛṣṇa in the center and perform our daily activities and surrender unto Him, otherwise without Krishna whatever we do we are bound in more and more karmic reactions that pulls us back and entangles us in material sufferings.

In Srimad Bhagavatam 10.32.18, Translation, Lord Krishna says to Gopis that:

*"My dear slender-waisted gopīs, some people are genuinely merciful or, like parents, naturally affectionate. Such persons, who devotedly serve even those who fail to reciprocate with them, are following the true, faultless path of religion, and they are true well-wishers".*

So Prabhupada, you are our true well-wisher, though we cannot repay you for all the mercy you had showered on the entire world, we can only beg from you to bless us with more humble service attitude at your lotus feet.

Thank you for all the mercy and thank you for blessing the entire world with faultless Harinama

*Hare Krishna Hare Krishna Krishna Krishna Hare Hare*

*Hare Rama Hare Rama Rama Rama Hare Hare*

All glories to the Hare Krishna Mahamantra!! All glories to Jagat Guru Srila Prabhupada !! Jai Srila Prabhupada!!

Your insignificant servant,

Ramyarupa Devi Dasi.

Dear Srila Prabhupada !

Please accept my humble respectful obeisances at your lotus feet. It is only by divine grace that a living entity conditioned by material nature comes in contact with a pure devotee of the Lord. Fortunate are those souls who get his association. I am one of those fortunate souls who by divine grace came in contact with you first through your books and then later on with the temple and devotees and joined as a fulltime missionary. In this kali yuga which is the most fallen age, where the duration of life is short and people are always disturbed, your books are the saving grace for all humanity. You once said that my temples may fail, my disciples may fall down but my books will live forever. It is our duty as your disciples to distribute as many books to as many people throughout the world. People are suffering and if they receive the transcendental message through your books they will become eternally happy. You took so much trouble to translate and write so many books only for the benefit of suffering humanity. All the great acharyas in our parampara from Chaitanya Mahaprabhu have written so many books and you have also continued the parampara making available the sublime messages in the English language. Your books are the greatest gift for humanity. The whole world is in need of divya jnana and your books alone can help transform the lives of people.

The result of reading your books is that a person can easily give up bad habits by the simple process of chanting Hare Krishna mantra and following the four regulative principles. You taught us how to live a life of simple living and high spiritualized thinking with minimum needs for the body. The whole world is working hard only for the satisfaction of the body. You taught us that the only thing lacking in this world is Krishna Consciousness.

I pray to you to bestow upon me your blessings to become a pure devotee of the Lord.

Your servant,

Sadachara Dasa,

Hare Krishna Movement Chennai.

Dear Srila Prabhupada,

All Glories to Your Lotus Feet, please accept my unlimited humble obeisances at your merciful lotus feet, I offer all the little devotional service I did by your causeless mercy at your lotus feet on this great auspicious occasion of your appearance day.

Dear Prabhupada, You have yet again displayed two great qualities of Lord Krishna this year in my life as well as in many others life, that is, your unlimited compassion and unconditional love for us through your very dear servant His Grace Madhu Pandit Prabhu by his SOULFUL JAPA sessions. By your grace, I understood little about who is Krishna and His Nama, and many of the other important aspects like, what is Nama Prabhu mind, what is his expectation from me, what is my relationship with Nama Prabhu, how can I approach him, how he sees me when he appears before me, what is his form, how to surrender to Nama Prabhu, what is the meaning of surrender, all this were unknown to me even though many a time you have spoken about this. understanding our limited intelligence, you have mercifully revealed in a way we can understand through your dear servant His Grace Madhu Pandit Prabhu.

Dear Prabhupada, I understood that I am eternally indebted to you and to all my Godbrothers, who are mercifully giving their realization to me, or else many millions of births are not enough to understand this great knowledge on my own speculation. Prabhupada, you have shown your compassion in the past by delivering all the fallen souls when you were physically present in this planet, you are showing your compassion to the fallen souls presently also through your books and through your dear servant like His Grace Madhu Pandit Prabhu, His Holiness Stoka Krishna Maharaj and other senior Vaishnavas and I am very sure that you are going to deliver all the fallen souls in the future by your causeless mercy. I only beg that, please allow this menial servant of your Lotus feet to do whatever service you desire me to do for this great Mission of Sri Krishna Chaitanya Mahaprabhu.

Dear Prabhupada, last year by your mercy, the Bhumi Puja of the Chennai new temple happened, I humbly beg your blessings and mercy to manifest your dream temple in Chennai.

I humbly beg you to forgive me and pardon me for the offences I committed to you, to Nama Prabhu and other Vaishnavas knowingly or unknowingly. I always beg for shelter at your Lotus feet which is the source of deliverance from the threefold miseries of all the fallen souls.

Thanking you,

Your menial servant,

Saranga Thakur Dasa.

Dear Srila Prabhupāda

Please accept my humble obeisances at your divine lotus feet. I am eternally indebted to you.

My guru deva, it is your causeless mercy upon this fallen soul, because of which I am surviving and my life is sustaining.

You are saving me and protecting me from the onslaught of Maya otherwise any time this powerful illusory energy of the Lord may take me from your association. Gurudeva, You are my savior. Kindly keep bestowing your mercy upon me.

You are my source of inspiration in every aspect of life. Every pastime of your life gives me so much enthusiasm and strength to do devotional service. It is your causeless mercy upon me to have the privilege of serving their Lordships Sri Sri Krishna Balaram as a pujari and taking care of the pujari department. Only by Your mercy I am sustaining in spiritual life, otherwise there is no chance. By Your causeless mercy, I am convinced that there is a pleasure in devotional service. And By your causeless mercy, one day I may realize that devotional service is the only process to get pleasure.

Srila Prabhupada, when I read Bhaktivedanta purports, it gives me so much satisfaction and enlightenment, and I get completely convinced about facts in purports. And I love to read it and enjoy it. Your books are a treasure house of knowledge which includes all fields of knowledge from spirituality to economics, to sociology, to political affair, to management. Actually there is no need of reading any other books for gaining material knowledge or spiritual knowledge.

Srila Prabhupada, you are the ocean of mercy. Kindly keep bestowing your causeless mercy on this fallen soul.

Your most fallen Servant,

Satyajit Gauranga Dasa.

*caḅsur unmilitam yena tasmai śrī-gurave namaḥ*

I was born in the darkest ignorance, and my spiritual master opened my eyes with the torch of knowledge. I offer my respectful obeisance unto him.

Dear Srila Prabhupada, Please accept my most humble obeisance unto your divine lotus feet. All glories to you Srila Prabhupada. Let me first admit I am not sufficiently qualified to glorify your divine grace and I beg your divine Grace's mercy for words to sufficiently express my gratitude.

Srila Prabhupada I am really blessed to have access to Soulful Japa sessions by HG Madhu Pandit Prabhu. Inspired by you, Madhu Pandit Prabhu is sharing his realizations on doing Japa soulfully. Because of these sessions, although I am not successful in chanting soulfully, at least I know the standard I should reach. I am also inspired by many devotees perceiving the methodology which MPP has shared and gained immense reciprocations.

During the last few months, the entire world fears pandemic - COVID-19. The whole world is in a traumatic condition fearing for their existence. But by your mercy, I am exempted by this fear and feel safe at your shelter. This lockdown period has become a boon in disguise for devotees. Personally, I could learn Deity services, become somewhat regulated in Reading, Chanting and few spiritual practices you have prescribed for us.

Time and again how you involve mysteriously when some things are not going well in the system you have created is magical and is very cherishing for me. This again re-in force my faith in the system you have created.

I started reading Caitanya Caritamṛta, the postgraduate study of Krishna Consciousness. I am inspired by the humility and attitude of different devotees of Lord Caitanya Mahaprabhu. But off late could not cope up with the pace of my reading because of my unregulated schedule.

I am thanking you crores and crores of times for keeping me in your missionary activities amidst all my shortcomings. On this auspicious day of your appearance, I am begging you to give me sufficient strength to chant soulfully, avoiding all offences. I am not strict in following all the regulated principles you have prescribed. I beg you to give me sufficient strength to fulfil my vows I have taken during the initiation. I also beg to give sufficient strength to understand, assimilate and follow Bhaktivedanta purports which are mines of Pure devotional service. Kindly keep me at your shelter, although I don't deserve such a benediction. Thank you once again Srila Prabhupada.

Your's most fallen servant,

Shyama Kripa Dasa.

Dear Srila Prabhupada,

I am thanking you for giving me an opportunity to glorify something about you and your mission on this most auspicious day of Vyasa puja 2020. In order to fulfil the desire of Sri Chaitanya Mahaprabhu, you have descended to this material world directly from the spiritual world for propagating Krishna Consciousness. You would have been in the spiritual world by rendering devotional service to the Supreme Personality; but, on seeing the fallen situation of the conditioned souls like me, Your Divine Grace has showered your mercy upon us that too even in the age of hypocrisy, in order to take back to our original consciousness. This shows your confidential service nature to the Supreme Lord Sri Krishna. In order to bring back to my real consciousness, you have created a worldwide society of Krishna's devotees and connected me to practice devotional service along with such Vaishnavas. It is difficult even for great personalities to get such association, but by your causeless mercy, you made me utilize such association in order to advance towards my real goal of life.

Srila Prabhupada, as you thought that in this age of hypocrisy, the Supreme Lord Himself has appeared in the sound form to give us an opportunity to serve Him. I 'll utilize the Vaishnava association which is under your expert guidance, to practice devotional service of chanting and hearing the holy name attentively, to make rapid advancement in my Spiritual growth, and attain the ultimate goal of developing pure love of God and thereby make my human life successful.

I am grateful to you for re-establishing my real faith in my heart about the original personality, Sri Krishna. Out of magnanimous quality, even if I deviate from the path of Krishna Consciousness due to illusion, the Vaishnava community established by you guides me to follow the real path of devotional service. All glories to you and your society!

Dear Srila Prabhupada, I am praying you to strengthen my faith deep in my heart, for thoroughly practicing the devotional service for the pleasure of Supreme Lord and to reestablish my real sat cit and ananda hankering in my heart.

Jai Srila Prabhupada!

Your Servant,

Shravana Mangala Dasa.

Dear Srila Prabhupāda

Limitless obeisances at your lotus feet are insufficient in front of the glories of your grace.

Twenty-seven years in life has been a disaster without the knowledge of self. Although no words in my vocabulary can do justice to the glories I have heard about you. Still, I am making a futile attempt to glorify my beloved spiritual master as a service to him.

It is said in the scriptures,

*mukam karoti vachalam pangum langhayate girim*

*yat-kripa tam aham vande sri-gurum dina-taranam*

“Spiritual Master’s mercy turns dumb into eloquent speakers and enables the lame to cross mountains.”

Once, in India, someone asked you “if you performed any miracles”. Pointing to the non-Indian disciples, you said, “This is my miracle.” Surely turning large numbers of culturally disadvantaged (to put it mildly) people all over the world into lovers of Krishna was miraculous. Not just the non-Indians but also the so-called well cultured Indians like me.

In spite of your abundance mercy on me, I am exercising my free will motivated by my evil mind and counting only faults, not the blessings. Bless me to continue my spiritual life without falling prey to my mind.

*jogyatā-vicāre, kichu nāhi pāi, tomāra karuṇā-sāra*

*karuṇā nā hoile, kāndiyā kāndiyā, prāṇa nā rākhibo āra*

Once again thank you for everything you have given me.

Your servant,

Hare Krishna!

All Glories to Srila Prabhupada.

Dear Srila Prabhupada,

Please accept my humble obeisances at Your Lotus Feet. Please accept my homage for the 124<sup>th</sup> Vyasa puja 2020.

Recently I have come across your quote *“Instead of contemplating what will happen to this world—you have got a short duration of life, say fifty, sixty years—you chant Hare Kṛṣṇa and go back to home, back to Godhead”*. Morning Walk -- February 21, 1975.

As all of us are aware that currently, the whole world is gripping under the material nature. What a great fortune blessed upon us by Krishna, we have got a pure devotee like You as a spiritual master to guide and protect us from any difficult time in our life through your divine instruction. We have been given a special vaccine in the form of chanting “Hare Krishna” Maha Mantra to insulate ourselves from any material anxieties.

But common people are perplexed and undergoing huge anxiety due to mental, physical, and financial discomforts. If all people understand and realize the meaning of this one quote, the whole world will come out of this problem and experience the bliss of Krishna consciousness. Immediately all people will be released from the material anxiety and transfer to Vaikunta.

You further stated in the same quote *“Because people will go on with their rascal civilization, natural consequences will be there. \*You better take advantage of whatever time you have got and become fully Kṛṣṇa conscious and go back to home”*. Being a grihastha who is staying outside of the temple and interacting with karmis on a daily basis, sometimes I may get carried away from the real goal of life. But your divine instructions will act as a shower in scorching heat and put me again under the Lotus feet of Lord Gauranga.

Recently I was reading Bhakti rasamrita sindhu composed by Rupa Goswami in which 64 limbs of bhakti mentioned. I wonder how you superbly designed temple program and Vaishnava Etiquettes in such a way that anyone who is associated with the temple and follows your instruction seriously and automatically performing all limbs of Bhakti which is acting as a Kavacha from Maya. You are really a spiritual genius!

Dear Srila Prabhupada, In CC we understand that Nitai is more merciful than Mahaprabhu as he delivered Jagai & Madai. According to me, you are so merciful than Nitai as you have accepted me as your initiated disciple though I am not at all deserved. Thank you very much for showing your mercy on me.

On this auspicious day, I would like to offer my service in the form of last year book marathon sales where we have distributed over 500 worth of big books which includes Bhagavad-Gita As It Is and Krsna book along with other Vaishnavas

This year we have preached to all people who purchased books on chanting Hare Krishna Maha Mantra and given a Japa mala as a gift so that they can start chanting as soon as they get divine mercy from you.

Please bless me to become a sincere and humble devotee, to please your grace and Lord Krsna. Please forgive us for all the offenses we have committed at your Lotus Feet.

Jai Srila Prabhupada!

Your insignificant servant,

Srikanta Govinda Dasa.

Dear Srila Prabhupada,

This has been a year of great distress

Humanity is under grief and stress

But in your pockets of Vaikuntha, we do not fear

Where the problems of this world do not enter

It is so easy to be free of anxiety

When we surrender to the Lord Almighty

But this simple path of surrender taught by you

Not many people have a clue

Materialism, impersonalism, nationalism and altruism

Everyone tries to see reality through some imperfect prism

Only you can correct this distorted vision

Your appearance here is to fulfil the Lord's dear most mission

We are not the body but the soul

We are part and parcel of the Complete Whole

This is not just philosophy but the truth

By studying your life this can be understood

That the Absolute Truth is a person

You have established beyond doubt, with all reason

To convince that spiritual realities are not an exaggeration

You wrote books, which are like time bombs ready for an explosion

We live in an age so fallen

that Krishna the all attractive is also forgotten

In such faithless people, your *Vani* instils faith

Associating with which helps one attain the spiritual state.

We are drowning in Maya, wanting to Lord over

Despite this, we do not want to surrender

But from this ocean of Maya innumerable souls you pick

By using prasadam and kirtan as your transcendental trick

To serve Krishna with love is our aim

To attain this, you gave us the holy name

You taught us to see all living beings as the same  
It is now our duty to spread your fame  
With Lord Chaitanya's mercy, you flooded the entire world  
In every town and village now the holy name is chanted and heard  
You are the true Jagadguru, this none other can claim  
It is now our duty to spread your fame.  
Lust, greed and hatred from many hearts vanished  
What you have done, no other Acharya has accomplished  
To the entire Guru parampara you have brought acclaim  
It is now our duty to spread your fame  
Most unqualified I have been and continue to be  
But your rain of mercy has been pouring upon me  
Only for unworthy souls like me, you came  
Bless me in my duty to spread your fame.

Your unworthy servant,  
Sudama Vipra Dasa.

*om ajñāna-timirāndhasya jñānāñjana-śalākayā  
cakṣur unmīlitaṁ yena tasmai śrī-gurave namaḥ*

*I offer my respectful obeisances unto my spiritual master, who has opened my eyes, which were blinded by the darkness of ignorance, with the torchlight of knowledge.*

My most dearest Srila Prabhupad,

Please accept my humble obeisances on this 124th appearance of Your Divine Grace.

When I was reading your book "Ishopanishad", mantra 3 purport, I came across these sentences which really had an impact on me.

*"The material world is sometimes compared to an ocean, and the human body is compared to a solid boat designed especially to cross this ocean. The Vedic scriptures and the ācāryas, or saintly teachers, are compared to expert boatmen, and the facilities of the human body are compared to favorable breezes that help the boat ply smoothly to its desired destination. If, with all these facilities, a human being does not fully utilize his life for self-realization, he must be considered ātma-hā, a killer of the soul."*

After reading this, I realized that what an "Expert Boatman" your Divine Grace is!!!! You have explained all the difficult Vedanta Sutras and very high philosophical concepts told by Lord Sri Krishna in a very simple but authoritative manner, in a way even a common man can understand. Many great concepts like Realization of The Absolute Truth in 3 forms like Brahman, Paramatma & Bhagawan have been explained by your Divine Grace by examples of Sunshine, Sun Planet and the Sun God. That is really amazing.

But like you have explained, with all these facilities given by the Lord through your Divine Grace, at times, priority for Self Realisation takes a back seat for many souls which I am no exception.

As you had mentioned in the same mantra that- " *human beings we are meant not simply for solving economic problems on a tottering platform but for solving all the problems of the material life into which we have been placed by the laws of nature.*"

Please help me realize this instruction given by you in every step of my life and prevent me from becoming a killer of the soul.

I would like to end my humble offering at your lotus feet with a small prayer from Bhaktivinod Thakur's song "Gurudev" from "Saranagati"

*sakale sammāna korite śakati, deho' nātha! jathājatha  
tabe to' gāibo, hari-nāma-sukhe, aparādha ha 'be hata*

I offer You all respects, for thus I may have the energy to know you correctly. Then, by chanting the holy name in great ecstasy, all my offenses will cease.

*jogyatā-vicāre, kichu nāhi pāi, tomāra karuṇā-sāra  
karuṇā nā hoile, kāndiyā kāndiyā, prāṇa nā rākhibo āra*

If I were to be examined, there are no qualities. Your mercy is all that I am made of. If you are not merciful unto me, I can only weep, and I will not be able to maintain my life.

Your servant,

Sundari Gopi Devi Dasi.

Dear Srila Prabhupada,

I bow at your lotus feet and offer you my eternal gratitude, Please accept my humble obeisances. All glories to you.

Prabhupada, people in general, especially in this age of kali, are enamored by the external energy of Krishna, and they wrongly think that by the advancement of material comforts every man will be happy. This was also my concept of life before coming into Krishna Consciousness. But after reading your Bhagavad Gita, Bhagavatam, listening to your lectures, and associating with devotees, performing devotional service I realized that this is not the goal of life. As you have mentioned the material or external nature is very strong for everyone is strongly bound by the stringent laws of material nature. Prabhupad you are the ocean of mercy; only by your grace I can cross over this material stringent law and blazing fire of material existence. Prabhupada, kindly bless this insignificant soul to get attracted and attached to your lotus feet. Bless me to follow your instruction very rigidly, so that I can make progress in Krishna Consciousness. Give me intelligence so that I can spread your name and fame.

You have so kindly explained the importance of human form life and as human being I have got the special prerogative for searching out the cause of my threefold miseries and to rectify it in this very life without any further loss of time. You urged me to take shelter of the lotus feet of the Supreme Personality of Godhead Krishna.

I am very blessed and grateful to you for training me in the all aspects of devotional service to Krishna. Through the senior vishnavas I am trying to satisfy and fulfil your mission of preaching Krishna Consciousness being in the society of full time missionaries. Actually I am bereft of all good qualities, but by your causeless mercy alone I am able to live in the association of devotees. Daily serving the vaishnavas and by chanting Hare Krishna Mantra, I am learning to experience the spiritual happiness and pleasure.

Kindly continue to guide me for I am weak and fallen conditioned soul. Please bless me with strength, intelligence, and enthusiasm to continue in devotional service, And please kindle the spirit of devotional service in my heart. Kindly forgive my mistakes and offences in my practice of Krishna Conscious life.

I offer my respectful obeisances unto His Divine Grace A.C. Bhaktivedanta Swami Prabhupada, who is very dear to Lord Kṛṣṇa, having surrendered at His lotus feet.

Despite the fact that we have made numerous offenses and mistakes, you have mercifully tolerated us, and you have allowed us to remain within the Organization. What can be said of your causeless mercy upon us?

Śrīla Prabhupāda, you are the most merciful representative of the Supreme Lord. We were simply suffering in the blazing fire of material existence until you so kindly appeared, bringing water from the ocean of mercy. As the confidential servant of Śrī Caitanya Mahāprabhu, you have propagated the sankirtana movement throughout the entire planet, bringing the most valuable gift in all the three worlds, “the holy name of Kṛṣṇa.” Your transcendental position is so exalted that we cannot calculate your greatness. Even though we are sinful and low-born you have made us your menial servants and engaged us in assisting you in your preaching mission. Please give us the strength to carry on your preaching work and to be always fully engaged in the Sankirtana Movement of Śrī Caitanya Mahāprabhu.

It is by your potency alone that this movement is still going on and is gaining popularity, and you have said that nothing can stop this great force. Only by our own fall down it can be checked. Of course, we have no strength on our own, and therefore we pray that you will keep us on the path of purity so that we will not be motivated by false prestige and personal considerations and thereby ruin everything.

I would like to avail all opportunities to be solely in your service, spreading Kṛṣṇa consciousness to all conditioned souls.

Your servant. Venu Gopala Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet. All glories to Your Divine Grace.

Today is 13<sup>th</sup> August 2020, the most auspicious 124<sup>th</sup> Appearance day of Your Divine Grace and it also happens to be the day you embarked on the most auspicious journey to the west in the ship Jaladuta, 55 years back. This Vyasa Puja offering by your mercy, I have tried to compose a small poem of your wonderful journey to the West.

On 13<sup>th</sup> of August 1965, Your Divine Grace started sailing in a ship named Jaladuta,

It was the beginning of a transcendental voyage as the Bhoga-bhumi would soon witness the arrival of Krishnaduta.

With only rupees forty and trunk full of transcendental literature,

Coming were the days when Srila Vyasadeva’s writings would reach world’s nook and corner.

In spite of Your old age, You took an impeccable stance,

Trying to execute the order of Your Spiritual master one more chance.

The voyage was not easy as You had a severe heart attack,

But Your strong compassion for the suffering souls, Your Divine Grace regained back.

Only was this time the Atlantic was so calm,

The omens made it clear that Lord Sri Krishna was personally holding Your palm.

And finally, the wind carrying the rain-bearing clouds reached the New York City pier,

Within no time America got flooded with Krishna Prema and it extinguished the blazing fire of material desire.

Chanting of Hare Krishna Mantra started spreading very fast,

It cleansed the hearts of living entities from millions of lifetimes of accumulated dust.

Within a year, Yourself incorporated society and named it ISKCON,

Lord Chaitanya's prophecy was seen full filled, as the west was witnessing a new dawn.

Then You planted the seed of devotion into Your disciple's heart,

The destination of the devotional creeper that sprouted out was mentioned in Goloka Chart.

The process of self-realization that You gave was very easy,

By chanting 16 rounds Hare Krishna Mantra and following 4 regulative principles one would taste spiritual ecstasy.

So many troubles You had undergone but You were deterred the least,

Always feeling the presence of Your spiritual master, You personally cooked and served the Sunday Love feast.

The next twelve years go down into the pages of spiritual history,

108 temples, books, prasadam, festivals and innumerable things You did, appears to be a transcendental mystery!!

Yourself being a pure devotee of Lord Krishna and coming in the bonafide Parampara,

Taking shelter of Your lotus feet is the only way the conditioned soul can get relieved from the blazing samsara.

By Your causeless mercy, You continue to transform the life of innumerable souls,

Most fortunate I am who came in touch with You and started practising Bhakti – the soul's eternal goal.

My journey has just begun and I want to be an instrument in Your hand,

Kindly bless me on this auspicious day as Your blessings work like a real magic wand.

Your humble Servant, Vidvan Gauranga Dasa.

Dear Srila Prabhupada!

Please accept my humble obeisances. All Glories to your Divine Grace!

On this auspicious occasion of your appearance day, let me thank you for being there to guide me. It is said that the relationships of this world satisfy no more than a drop of water in a blazing desert (Srimad Bhagavatam 5.13.7 Purport). It is said in the Guru Vandana, text 4 that the spiritual master is "*karuna sindhu adhama janara bandhu*" meaning he is an ocean of mercy and friend of the fallen. Despite all my misgivings, weaknesses and failures, your writings and your sincere disciples have always been a guiding light in the dark, blazing world of samsara. It is by your mercy and the mercy of your sincere disciples that I am able to chant 16 rounds now and I beg you to help me chant offensively and attentively, pronouncing every word of the Hare Krishna Maha-mantra with the right feeling. This is the only hope in this hopeless age of Kali where quarrel and hypocrisy hound us relentlessly. I beg you to forgive my offences and help me to become purified by giving up all weaknesses of the uncontrollable mind.

Dear Srila Prabhupada

Please accept my humble obeisances at your lotus feet.

I am a fallen soul, trying hard to elevate myself onto the spiritual platform by doing devotional service at the lotus feet of Krishna. But it was practically difficult to follow what Lord Krishna said in Bhagavad Gita as my mind was entangled in gross sense gratification. Fortunately, by the mercy of Lord, I got the association of some devotees and I came in contact with ISKCON temple and I am trying to follow the principles of Gaudiya Vaishnava Sampradaya. Now I am able to take part in different festivals that are celebrated in the temple and I am able to do some services for the satisfaction of guru and Krishna. I got the taste of chanting the holy name of the Lord and discussing Bhagavad Gita with devotees.

I met a deadly accident in the last week of December 2019 but I survived by mercy of guru and Krishna. I got a severe fracture in my leg and went through three major surgeries one after another. It was practically impossible to hold the sense just after the accident but surprisingly I was awake from the time of accident up to the end of the surgery on the operation table. I didn't lose my sense at all though I was suffering from intense pain and it was possible because of Krishna consciousness. I got the inner strength from the holy name of Lord by chanting Mahamantra Hare Krishna Hare Krishna Krishna Krishna Hare Hare Hare Rama Hare Rama Rama Rama Hare Hare. On the operation table, I used to chant the holy name and I was completely fearless having faith on the Lotus feet of guru and Krishna. The accident seems like suffering for me but God is so merciful that He has arranged everything for the surgery to go smoothly and He provided all sorts of support in every possible way (mentally, physically and monetary) through His devotees. I am sure that He has burnt the effects of my past karma through this accident and taught me many things.

I pray for your mercy in order to get the courage to keep on chanting the holy name all the time and to imbibe Bhagavad Gita into my life through your wonderful lectures and excellent purports given in book Bhagavad Gita- As it is.

Your aspiring servant, Bhakta Abinash Sahu.

அன்புள்ள பிரபுபாத!

பக்திவேதாந்த பிரபுபாத சுவாமிகள் அவர்களுக்கு நமஸ்காரம்... நான் இஸ்கான் அமைப்பில் சந்நியாசியும் அல்ல, அதன் ஊழியனும் அல்ல. ஆனால் அடிக்கடி இஸ்கானுக்கு வருவேன்.

அதற்கு இரண்டு காரணங்கள்!

1. முதலாவது மனதை கொள்ளைகளொன்றும் கிருஷ்ணரின் தரிசனம்.
2. இரண்டாவது இஸ்கான் அமைப்பைச் சேர்ந்த சன்னியாசிகளுடன் நடக்கும் விவாதம்.

ஐயோ... 21ஆம் நூற்றாண்டில் இந்துக்களுக்கு எத்தனை குழப்பம்? இந்து மதம்ன்னா என்னப்பா? என்று கேட்டால் ஒரு இந்துவிற்கே அதற்கான பதில் தெரியாது. இந்து மதத்தின் புனித நூல் என்ன இன்று இந்துக்களிடம் கேட்டால் வெவ்வேறு பதில்கள் கிடைக்கும்.

சிலருக்கு வேதம், சிலருக்கு புராணம், வேறு சிலருக்கு கீதை.

இந்து தர்மத்தின் நூல்கள் உருவ வழிபாட்டையும் ஏற்கிறது, கடவுளுக்கு உருவம் இல்லை என்றும் சொல்கிறது. உலகில் ஒரே ஒரு பரமாத்மாதான் என்று சொல்கிறது. பிரம்மா விஷ்ணு சிவன் ஆகிய மும்மூர்த்திகள் தான் இந்த பிரபஞ்சத்தை படைத்து இயக்கி அளித்து வருவதாகவும் சொல்கிறது.

சைவ உணவை போற்றுகிறது, அசைவ உணவுகளையும் ஆதரிக்கிறது. குணத்தாலும் தொழிலாலும் மட்டுமே வர்ணம் இருப்பதாக இந்து மத நூல்கள் சொல்கிறது. ஆனால் இன்று ஜாதிகள் பிறப்பின் அடிப்படையில் கட்டமைக்கப்பட்டுள்ளது.

இந்தக் குழம்பிய குட்டையில் இந்துக்கள் தவித்துக் கொண்டிருக்க அதில் மீன் பிடிக்க அந்நிய மதங்கள் முயற்சி செய்து வந்தது! குறிப்பாக உருவ வழிபாடு மிகவும் கீழ்மையான ஆன்மீக நம்பிக்கை என்று சொல்லி பிரச்சாரம் செய்து வருகின்றன.

இத்தனைப் பிரச்சனை இருக்கும் போது, 'வெறுமனே கோயில் கட்டிக் கொண்டிருந்தால் என்ன பிரயோஜனம்? களத்தில் இறங்கி வேதங்களை பிரச்சாரம் செய்ய வேண்டாமா? மாற்றுமத தலைவர்களோடு விவாதம் நடத்தி மண்ணைக் கவ்வச் செய்ய வேண்டாமா?

வர்தா புயல் போல சீறி பொங்கி என்னிடமிருந்து கேள்விகள் எழும். ஆனால் எதிரே உட்கார்ந்து இருக்கும் சந்நியாசியிடம் எந்த படபடப்பும் இருக்காது. சாந்தமான புன்னகையோடு 'அதெல்லாம் கிருஷ்ணர் பார்த்துக் கொள்வார்' என்று பதில் சொல்வார்கள்.எனக்கு ஆத்திரம் ஆத்திரமாக வரும். அதை வெளியே காட்டிக்கொள்ளாமல் சென்று விடுவேன்.

ஆனால் விடமாட்டேன். திரும்பத் திரும்ப வருவேன். அதே விவாதங்களை நடத்துவேன்.

அப்படி ஒருநாள் இஸ்கான் வந்தபோது பழைய விவாதம் தொடர்ந்தது. இந்து சமுதாயத்தின் நிலை பற்றி அனல் பறக்கப் பேசி மீண்டும் எனது கேள்விகளை முன்வைத்தேன். வழக்கம்போல புன்னகையோடு வெளிவந்தது அதே பதில்.

இனி பொறுக்க முடியாது!

ஹலோ! பகவத் கீதையில் கிருஷ்ண பரமாத்மாவே கடமையைச் செய் பலனை எதிர்பாராதே என்று சொல்லியிருக்கிறார். கிருஷ்ணர் பார்த்துக்கொள்வார் என்று வெறுமனே சொல்வதால் இந்து சமுதாயத்திற்கு என்ன பலன்?

எனக்கு இஸ்கான் அமைப்பு பற்றி முழுவதுமாக தெரியாது. என்னை பொறுத்தவரை அவர்கள் ஒரு ஊரில் கிருஷ்ணர் கோயில் கட்டுவார்கள். கோயிலுக்கு வரும் பக்தர்களுக்கு பகவத் கீதை சொல்லித் தருவார்கள்.

எனக்கு தெரிந்த இஸ்கான் இதுதான்!

ஆனால் எனது கோபத்தை அவர்கள் பெரிதாக எடுத்துக் கொள்ளவில்லை. மிகுந்த கனிவோடு 'தங்கள் பக்திவேதாந்த பிரப்புாதர் அவர்களைப் பற்றி படித்து உள்ளீர்களா?' என்று கேட்டனர்.

நான் இல்லை என்று பதில் அளித்தேன்.

முதலில் அவரைப்பற்றி படித்துவிட்டு வாருங்கள். பிறகு பேசுவோம் என்றனர்.

உங்களுடைய பெயரை முதல்முதலில் நான் கேள்விப்பட்டது அப்போதுதான். முதல் முறையாக உங்களைப் பற்றி படிக்க தொடங்கியதுமே என் மனதில் ஆச்சரிய மின்னல்!

நான் வருத்தப் படுவது போல இருபத்தி ஓராம் நூற்றாண்டில் மட்டும் இந்துக்களுக்கு குழப்பம் இருந்திருக்கவில்லை. இன்று என்னென்ன குழப்பங்கள் சமுதாயத்தில் இருக்கின்றனவோ அதைவிட எக்கச்சக்கமான குழப்பங்கள் இருபதாம் நூற்றாண்டில் இருந்துள்ளது என்பதை தெரிந்து கொண்டேன்.

1959 ஆம் ஆண்டு, தாங்கள் துறவறப் பாதையை ஏற்றுக் கொண்டீர்கள் என்பதையும் அதன் பிறகு தாங்களால் நிகழ்ந்த அற்புதங்களையும் ஒவ்வொன்றாக தெரிந்து கொள்ளத் தொடங்கினேன். அதுமட்டுமல்ல நான் ஆக்ரோஷமாக வெளியிட்ட அத்தனை கேள்விகளுக்கும் தாங்கள் ஏற்கனவே பதிலளித்துவிட்டதையும் தெரிந்து கொண்டேன்.

ஒவ்வொரு யுகத்திலும் ஒவ்வொரு தர்மம். கலியுகத்தில் இந்துக்கள் பின்பற்ற வேண்டிய ஒரே நியமம் ஹரி நாம சங்கீர்த்தனம் மட்டுமே என்பதை புரிந்து கொண்டேன்.

வேதங்களும் புராணங்களும் திரிக்கப்பட்டு அவற்றைப் பற்றி பொய் பிரச்சாரம் செய்வதை பற்றி கவலைப்பட தேவையில்லை. ஏனென்றால் இது கலியுகத்தின் குணாதிசயம்.

ஆனால் வேதங்களுக்கு சமமாக பகவான் கிருஷ்ணர் கீதையை அருளியிருக்கிறார். எப்பேர்பட்ட மனிதனையும் மோட்சத்திற்கு கொண்டு செல்லும் புனித நூல் அது தான் என்பதை உங்கள் மூலம் அறிந்து கொண்டேன்.

மேலும் கீதையின் சாராம்சத்தை பகவத் கீதை உண்மையுருவில் என்ற புத்தகத்தின் வடிவில் அர்த்தம் மாறாமல் மக்களை சென்று அடைய தாங்கள் உதவி செய்தீர்கள்.

சைவம் பெரிதா அசைவம் பெரிதா என்ற குழப்பத்திற்கு சைவ உணவே சிறந்தது என்று வழிகாட்டினீர்கள்.

ஜாதி ஏற்றத்தாழ்வுகளால் இந்து மதம் அழிந்து கொண்டிருந்த போது, வெளிநாட்டு மக்களையும் கூட பிராமணனாக மாற்றிக் காட்டினீர்கள்.

இந்து மதம் உருவ வழிபாட்டை ஏற்பதா நிராகரிப்பதா என்ற குழப்பத்திற்கு சாஸ்திரங்களின் உதவியோடு தெளிவான பதிவை கொடுத்தீர்கள். அது மட்டுமா? எந்த ஒரு வழிபாட்டை மேற்கத்தியர்கள் தாழ்வாக பேசினார்களோ, அதே உருவ வழிபாட்டை அவர்களுக்கு புரிய வைத்து அதை ஏற்கவும் செய்தீர்கள்.

நீங்கள் தனித்து செய்த ஒரு வேலையை மக்கள் இயக்கமாக மாற்றுவதற்கு இஸ்கான் என்ற அமைப்பை 1966 ஆம் ஆண்டு உருவாக்கினீர்கள். 50 வயதிற்கு மேல்தான் ஆன்மீகம் என்ற வார்த்தைக்கு அர்த்தமே தெரிந்துகொள்ள முயற்சிப்பவர்களுக்கு நடுவே, கிருஷ்ண பக்தியை டீன் ஏஜ் வாலிபர்களிடம் வெற்றிகரமாக இஸ்கான் மூலம் கொண்டு சேர்த்துள்ளீர்கள்.

ஐஐடி, ஐஐஎம் போன்ற கல்லூரி மாணவர்கள் பலரும் இஸ்கான் ஆன்மீக பிணைப்பில் இருந்து வருகின்றனர்.

அன்று நீங்கள் செய்த பணியை இன்றும் இஸ்கான் தொடர்ந்து செய்து வருகிறது. ஹரி நாம சங்கீர்த்தனத்தை உலகம் முழுவதும் பரப்பி வருகிறது. இந்துக்களை தெளிவான பாதைக்கு திரும்பி வருகிறது.

இவை அனைத்தையும் நான் புரிந்து கொண்டேன்.

'எல்லாவற்றையும் கிருஷ்ணர் பார்த்துக் கொள்வார்' என்று சன்னியாசிகள் கூறியதற்கு உண்மையான அர்த்தம் எனக்கு புரிந்தது.

ஆனால் இதனை வாய்கிழிய கேள்வி கேட்ட நான் 'ஹரி நாம சங்கீர்த்தனம் கூட செய்யவில்லை' என்பதையும் நீங்கள் தான் எனக்கு புரிய வைத்தீர்கள்.

உங்களைப் பற்றி படித்த கணமே, தவறு இஸ்கான் இடமல்ல என்று என்னிடம் தான் என்பது புரிந்தது.

தங்களை நேரடியாக காண முடியவில்லை என்றாலும் வெறும் புத்தக வடிவில் எனக்கு குருவாக இருந்து என்னை வழி நடத்தியதற்கு நன்றி.

இப்படிக்கி உங்கள் தாசன்,  
பக்த அபிநவ்

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet

Before coming to the 'Hare Krishna movement' I was leading a very blunt life like any other normal teenager who has got no clue about what is going to happen in the next phase of his life. After coming to the movement and chanting the Krishna Japa mantra daily, I became so involved and I can see this world in a Spiritual manner. I can see a light and experience force pushing me to go towards it. I have learnt purusha sukta and narayana suktam in the course of time. My habit of procrastination is vanishing and I can see much more changes in my character and behaviour. I am not able to express the

happiness what I am feeling in my life through the words alone. All of the credit goes to Krishna and the spiritual master Srila Prabhupada.

Thank you Srila Prabhupada for giving me a powerful mantra and enlightening me.

Your servant,

Bhakta Adithya Suresh.

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to Srila Prabhupada. All glories to you on this auspicious day of your Vyasa Puja.

I was on the path of Spiritual life for nearly 4 years because of my sister and brother-in-law. In the journey of my spiritual life, there few changes gradually happened such as anger control and food diet. As I am lazy on reading nowadays, gradually it is also changing. The changes in me are gradually happening through the chanting of Hare Krishna Maha-mantra where I can feel the change in me. Whenever I feel difficulties or when health is not good, I would recall the Hare Krishna Maha-mantra to move forward.

Thank you, Srila Prabhupada for giving me this Hare Krishna Mantra.

Your humble servant,

Bhakta Allanka Yashwanth.

Dear Srila Prabhupada,

Please accept my humble obeisance at your Lotus Feet. All glories to you.

Just a couple of years ago, I got the offer from two companies to join but I had selected Chennai at that time. I thought that i will join another company but I don't know why I selected this company. One Day evening I thought I am only just doing the work harder and harder and cannot give some time to myself, then I just prayed to Lord Jagannath to save me. After that in the same evening in less than one hour, after that thought came into my mind, I met with one of the temple Devotee. After that my life had changed. Now I can understand that it was you who held my hand and took it to Chennai. The day before writing this offering, I just remembered one incident that I had tried thrice to take the Nama (Diksha) but I have not succeeded. At that time also I am thinking why I am not succeeding but on Dated.02.07.2020 I had realized that it was you who was holding my hand at that time. One thing I heard in the lecture of His Grace Madhu Pandit Prabhuji that there will be no worry for the future if you Hold onto Srila Prabhupada. You shall take care of everything whoever is surrendered to you and whoever is surrendered to you, they are getting your protection. I am surrendering to you.

I don't know whether I am eligible or not to become your servant but I am begging at your lotus feet. Please accept me as your servant and keep your Lotus feet on my head and bless me. If I ever did any mistake or offence knowingly or unknowingly please forgive me.

Your's Servant,

Bhakta Alok Kumar Parida.

Dear Srila Prabhupada,

I offer my humble obeisance onto your lotus feet. I can't write in words how grateful I am to you and also how much inspired I am by your life. Because of you only we have original standard Bhagavad-gita, Srimad Bhagavatam and many more sacred books. Your books are saving us from the incorrect interpretations of these sacred books. I can only imagine how many lives would have been changed by reading your authoritative books. I again offer my obeisance to you and thank you for starting this Krishna Conscious movement which is the most important need of today's society. Because of you only I can know the real meaning of devotional service and that it's the highest and purest form of service. Only because of you the English speaking people can now read the sacred scriptures such as the purest Bhagavad-gita. On this day I pray to you that you bless me with the desire to practice Krishna Consciousness constantly throughout my life.

Hare Krishna.

I offer my humble obeisances at the lotus feet of His Divine Grace Srila A.C. Bhaktivedanta Swami Srila Prabhupada.

As the appearance and disappearance of Lord Krishna is transcendental, the appearance and disappearance of his Pure devotees are also transcendental. On your divine appearance day. I would like to share some words in your glorification which were remembered by your dear godbrother Srila Akinchana Krishna das Babaji Maharaja who once said this to one of the disciples of Srila Prabhupada. He said, "There has never been a greater Acharya than your spiritual master." He paused and then continued " There has never been an Acharya in the history who has performed miracles like your spiritual master" He then said, "Do you know why?" - "Because in history there was never a greater servant of Sri Krishna's holy name than your spiritual master. Because your spiritual master had so much absolute understanding of Sri Krishna's holy name and so much absolute faith in Sri Krishna's holy name that he personally carried Sri Krishna's holy name through the length and the breadth of the world. Therefore he is the greater Acharya who has ever existed." Srila Prabhupada ki Jaya!!

All glories to the Sri Guru and Gauranga. All glories to congregational chanting of the holy name. All glories to swan-like Pure devotees of the Lord.

Your aspiring servant of the servant,

Dear Srila Prabhupada,

Please accept my humble obeisances onto your lotus feet.

A lot of us are facing our reaction of our previous sinful deeds in the form of the Coronavirus Pandemic in this year. This resulted in a lot of disruption in the lives of people. Lives are lost, jobs are lost, People are made to stay in their homes against their will, practically we've witnessed the whole world brought to its knees because of just one organism, which we cannot even see, a Virus. This might probably make people realize, atleast for the time being, that we are not controller of Nature but, we are puppets in Nature's hands. Nature doesn't do our bidding but we should abide by its laws. Krsna has stated in the Bhagavad Gita that "*aham sarvasya prabhavo mattah sarvam pravartate*" – I am the source of all spiritual and material worlds. Everything emanates from Me. This period of our lives clearly prove that we are not the Supreme but only Krsna is and He controls Material Nature.

Srila Prabhupada, you have mentioned in your books again and again that our sufferings in this world is not by chance but is a result of our past sinful activities in this life or previous ones. The mass of people are ignorant of this fact but it is because of your mercy and teachings that a few individuals like us who are connected to your movement, we came to know about such truth. Without your compassion on useless souls like us, we would be just like the masses, mostly in the dark.

Srila Prabhupada, you have constantly argued and stood up against the inhuman activity of animal slaughter which happens all around the world. Animals are kept in cages against their will, unable to interact and move in the open world. Their unforgivable demises are due to our hideous attachment to the tongue. The cries in the slaughter houses echo in its walls and the people, being unreasonably merciless, enjoy that. Now, the tables have turned. Those echoes are now emitted by the walls that belong to the same people who enjoyed the cries of other innocent creatures. Now, people realise what it feels to be locked up in a cage against their will. You have mentioned in the purport to Srimad Bhagavatam 1.7.37 that –“by encouraging animal slaughter the whole atmosphere becomes polluted more and more by war, pestilence, famine and many other unwanted calamities.“ Pestilence means a contagious or infectious epidemic disease that is virulent and devastating. This is exactly what is happening in the world at present. Because of a society of people whose senses are so uncontrolled that they eat anything that runs, crawls, fly, etc., an epidemic has occurred. Your constant rebellion against these practices and how you stood your ground, even in the West, where meat eating is rampant, and you made others to quit meat eating, will be an inspiration for all of us who are trying to follow your footsteps. I pray at your lotus feet that I too be bold enough to stand my ground against the four pillars of sinful life.

Srila Prabhupada, I pray to you that kindly shower your mercy on this useless soul by giving the strength and determination to face challenges in life and not get disturbed by various misgivings. I pray to you to give me strength to tolerate the misgivings and see that as an opportunity to progress in spiritual Life. Right now, the fear of death is in the minds of lot of people because of uncertainty of this Pandemic continues to an unknown duration. I pray to you that kind me merciful on to me the realization that death can come at anytime and we must be prepared for it. I pray that at the time of death, I should remember Krsna and His holy name.

An undeserving soul who begs for your mercy,

Bhakta Anand B.

Dear Srila Prabhupada,

Please accept my humble obeisance unto your lotus feet.

Srila Prabhupada, For the past four years I have been touch with your disciples and practicing Krishna Consciousness under your centre, Hare Krishna Movement, Chennai. I am very much obliged to you for giving me the fortune to associate with your disciple who accepts you as their guru even after you wind up your past time of this bhooloka. So I got the most wonderful opportunity to directly enlighten my heart with your thoughts and past times. Guru Dev, I attracted more to your sincerity in serving your gurus instruction regardless of thinking about your personal comfort and care.

On this aspect, I would like to remember one of your past-time that I heard. Once one of your disciple was more eager to know, where you want to go in your next life (Of course, your appearance and disappearance is part of your lila, not to be compared with a conditioned soul's birth and death). So the disciple asked your secretary and your secretary said, "Prabhupada told that, he want to go to lower planets in his next life to preach Krishna Consciousness". Your this desire is very much enough to prove that you are the embodiment of sincerity in serving guru and Krishna. Srila Prabhupada, My only prayer to Krishna is to strengthen my mind's attraction to you and your instruction, than giving any chance to so called material beauties or relation in the world. In one of your lecture you said that, "To serve the servant of Krishna is better than to serve directly Krishna, because if the servant of Krishna promises something, if the servant of Krishna says, I will take you to Krsnaloka", you must go there. Even Krsna cannot do that.

So Srila Prabhupada, please bless this bewildered soul to become your eternal servant. I want to become part of your lila and to accompany you in your lilas as your servant. So please make me qualify for this by showering your causeless mercy upon me.

All Glories to your Bhooloka Lila!!

Your Aspiring Disciple,

Bhakta Aneesh M.

Dear Jagadguru & My Eternal Spiritual Master Srila Prabhupada,

*Nama om vishnu-padaya krishna-preshthayabhu-tale srimate bhakti vedanta swamin itinamine  
namastesaraswatidevegaura-vani-pracharine nirvishesha-shunyavadi pashchatya-desha-tarine.*

In the system of bhakti-yoga, the first duty is to accept a pure devotee of the supreme lord as a Spiritual master and then to render service unto him. Dear Srila Prabhupada, Please accept my humble obeisances upon your divine lotus feet who is an original spiritual master in disciplic succession, my beloved spiritual master Srila Prabhupada, the representative of Vyasadeva. It is the duty of the disciple to glorify his spiritual master for his own purification and spiritual advancement. This offering is my gratitude towards you on this most auspicious day of your divine appearance.

Out of many millions of wandering living entities, one who is very fortunate gets an opportunity to associate with a bona fide spiritual master by the grace of Krishna. By the causeless mercy of Guru & Krishna, I became very fortunate, one among the fallen soul in this category & budding with your teachings. Kindly give me the required strength to maintain my vows, also guide & direct my freewill properly to make the right choices in which I am very weak, also give me the required strength to give up my pride, to forgive others, to be unaffected by worldly association, discipline to regulate my life & to face the fear of impending death. Srila Prabhupada, I feel your guidance in my life each and every day. The more I dedicate myself to your service and instructions, the closer I feel to you. I am begging unto your lotus feet to give me the required strength to render service unto you. You are my eternal saviour, protector, teacher, father and master. Please allow me to serve your mission eternally.

Srila Prabhupada by the mercy of Sri Krishna I have come in contact with you and I think I have been fortunate enough to make a negligible advancement and for that, I am eternally grateful. My constant prayer is that I will one day realise the blessings I have received and to become eligible to serve Your mission eternally. You gave us the Guru Puja song, with one simple but most powerful instruction "*guru mukha padma vakya cittete koriya aikya aarna koriho mane asa sri guru carane rati ei se uttama gati je prasade pure sarva asha.*"

Thanking you for all the inspiration you have bestowed upon me through your disciples and the love shared by your devotees. I am begging you, Srila Prabhupada, please continue to shower your merciful glance upon me so that I can take proper advantage of your teachings. You have created an army of devotees who continue to hold back the advance of Kali Yuga even now, I feel no lamentation whatsoever in my life. I am thanking you Srila Prabhupada as the time to time you have given many revelations pertaining to material & spiritual world to everyone in this world.

So, I beg mercy on this divine auspicious day from Jagadguru & My Eternal Spiritual Master Srila Prabhupada.

*"Hare Krishna Hare Krishna Krishna Krishna Hare  
Hare Hare Rama Hare Rama Rama Rama Hare Hare".*

Your humble Servant,

Bhakta Anil Kumar.A.

Dear Srila Prabhupada,

Please accept my humble obeisances unto to your lotus feet.

I have been consistently chanting 1 round of Hare Krishna Maha-mantra for a little more than a year now and I seek your blessing and support to chant more rounds. At times, I also get distracted by the material energies because of which I am not able to read more books and focus on the love towards the absolute truth. However, whenever I hear recordings of your's or read your books, it motivates and inspires me to do service to you and the absolute truth. Also, I seek you to shower your mercy and blessings onto me in order to read the books written by you on a regular basis and consistently.

On this auspicious day, I pray unto you to bless me in such a way that I chant, read more. I will also do my bit to spread this movement to my relatives and friends so that everyone can offer service to Krishna and stay happy!

Your aspiring servant,

Dear Srila Prabhupada

Kindly accept my humble obeisances onto your lotus feet on this auspicious day of your appearance. ALL GLORIES TO SRILA PRABHUPADA.

On this day I would like to get your divine blessings so I can practice Krishna consciousness more eagerly and joyfully. It is very difficult to practice Krishna consciousness in this materially contaminated world, but by your causeless mercy, we are able to practice Krishna consciousness very easily and retrieve our lost relationship with the absolute truth. It is not possible without you Srila Prabhupada. I can't just explain your contributions to the entire world in words. The ecstatic taste and essence of your Bhaktivedanta purports are never matched. Whenever my mind is in anxiety, and anger I just turn on your kirtans and listen to your speech about Bhagavad Gita and Srimad Bhagavatam which gives me nectarian pleasures.

With the association of your books, I have understood the real purpose of life and our real goal. It has been more than 4 years associating with the temple and all the years I have been chanting only 1 round or not even that. But now after hearing your quote "Chant 16 rounds every day and no power in all three worlds will make you fall down. Krishna will save you always.". And now I have started chanting 16 rounds for the past 3 months and it has changed the way of my living. I was very much surprised after seeing your faith in Krishna even at your hard-hitting times. Whenever my minds move here and there and whenever I feel disturbed, I just think of your pastimes and my mind becomes free. Srila Prabhupada you have always been my inspiration both materially and spiritually. You have set an example of how to lead a simple life with high thinking keeping Krishna in the centre and how to go back to our home (back to godhead). These are all not possible without your grace and blessings and I need them always.

Please accept this fallen conditioned soul as your eternal servant at your lotus feet. And I have lost interest in reading comics, comedy books why because of the pleasure I derive out of your books. It has been an immense pleasure travelling with you Srila Prabhupada, I always want you to be with me and guide me and take me back to the kingdom of Krishna and bless me always.

Waiting to Serve You,

Bhakta Aravind Krishna S M.

Dear Srila Prabhupada,

Please accept my humble obeisance at Your lotus feet on your divine appearance day. All glories to Your Divine Grace!

It was 6 months ago when I first associated with your disciples from Hare Krishna Movement Chennai. I was hungry but I didn't know what to eat and how I was a blind traveller who wanted to reach somewhere but didn't know where and how. I was not alone, there been many blind travellers, there are and there will be.

But our creator knows about this, every answer is given in the scriptures, I can't understand Sanskrit very well, but It was your blessings which presented the very deep knowledge in an easily accessible and understandable format. You planted and spread the tree of disciple succession whose fruits are enlightening me. By your grace I met your disciple, I started chanting Holy name of God. It was not just spiritual gain but I materially gained things. We, humans, are social creatures, we interact with other humans but it is your Grace that I associated with selfless, enlightened devotees if something has to happen then why not in its purest form.

I pray for your mercy to help me to elevate beyond materialism to a higher spiritual level. Thank you Srila Prabhupada for all your priceless gifts.

Your Servant of Servant,

Dear Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet.

All glories to you on this most auspicious appearance day of your divine grace.

*om ajnana-timirandhasya jnananjana-salakaya*

*caksur unmilitam yena tasmai sri-gurave namah*

*I was born in the darkest ignorance, and my spiritual master opened my eyes with the torch of knowledge. I offer my respectful obeisances unto him.*

*svayam rupah kada mahyam dadati sva-padantikam*

*When will Srila Rupa Gosvami Prabhupada, who has established within this material world the mission to fulfill the desire of Lord Caitanya, give me shelter under his lotus feet?*

As the representative of Srila Vyasadeva, you have lucidly explained the original teachings of Srila Vyasadeva in your Bhaktivedanta purports for the benefit of all conditioned souls. Your purports make the most difficult philosophy easy to understand even for the common man.

Srimad Bhagavatam explains that there are two classes of men in this world – the crow class and the swan class. The crow class of men is attracted to the rubbish

literatures which are filled with topics of material sense enjoyment. The swan class of men takes interest in the nectarine spiritual literature which contains the glories of the Supreme Lord and His pure devotees.

You are everything to us. You have shown the real world. You have shown what is a devotion and who is GOD. This transcendental loving service of Lord is so enjoyable and feeling so grateful to be part of Your Hare Krishna Movement.

Please engage me always in your service and i should not be trapped in Maya's service. I need to serve this mission until I leave this body and continue to serve birth after birth.

Begging to remain under the shelter of your lotus feet at all times and aspiring to be Yours

Servant of Servant of devotees

Dear Srila Prabhupada, Please accept my humble obeisances.

My dear Srila Prabhupada, you've been always bestowing your mercy upon me. Just like Lord Shiva, You've always seen and magnified whatever insignificant goodness I had despite all the badness in me. Srila Prabhupada you've given me the infinitely sweetest Person, Lord Krishna. You've given what Sri Chaitanya Mahāprabhu wanted to give all of us. In fact, you've taken the mercy of Lord Chaitanya all over the world and you are continuing to do so. Srila Prabhupada thank you for being so much compassionate and magnanimous just like Nityananda Prabhu.

Dear Srila Prabhupada, you're a representative of Lord Krishna and You also possess the same qualities of the Lord. Srila Prabhupada thank You for being there for me along with the Supreme Lord. I cannot repay for what You've done to me. In return Srila Prabhupada I could simply fold my hands together and say thank you as just you've directed us in Srimad Bhagavatam for thanking the Lord for what He has done to us.

Dear Srila Prabhupada, Please bless this abominable person to become a Pure Devotee of the Lord and also with Krishna Prema. You are just like Narada Muni whoever you touch they become Pure Devotees of the Lord. Srila Prabhupada please help me, bless me and empower me to chant and serve Nama Prabhu soulfully. Srila Prabhupada please help me, bless me and empower me to please You, the Guru Parampara and the Supreme Lord to the core of your heart. Srila Prabhupada in Bhagavatam 7.2.12 you express your transcendental greediness for books, it is as follows "...the paper mills should manufacture paper only for the publication of ISKCON literature because ISKCON literature is published for the service of Lord Viṣṇu. This literature clarifies our relationship with Lord Viṣṇu, and therefore the publication of ISKCON literature is the performance of yajna." This shows how much you love and want books for the Lord. If you so desire Srila Prabhupada please bless and empower me to be a Nimmita Matra in Your service for the Lord and the Parampara as it would please the Lord and You and all the Vaishnavas. At the same time Srila Prabhupada please protect me and guide me wherever and whenever required. Srila Prabhupada I've to beg from You the Supreme Lord Himself as only you can distribute it to me because You're Parama Karuna and You show causeless mercy for the most fallen soul like me. Srila Prabhupada I'm extraordinarily greedy in the spiritual life and in its various aspects for progressing. Srila Prabhupada please forgive me for my mistakes and offences. If there are any mistakes or offences in this offering or in any place You can always lovingly chastise me and correct me as you always do Srila Prabhupada. Thank You Srila Prabhupada.

Your's ever-loving insignificant disciple,

Bhakta Aswath Narayanan.

Dear Srila Prabhupada,

Kindly accept my humble obeisances unto your lotus feet. By your mercy, I have been chanting Hare Krishna Maha-mantra for the past one year. Srila Prabhupada this chanting made my life blissful. Srila Prabhupada after coming in touch with your disciples, in the Hare Krishna temple my perception about life has completely changed. By reading your divine books, I realized some facts such as I am a spirit soul, different from this material body. The soul is eternal, that means it does not

have birth and death which belong to the only body, the purpose of human life is to understand Lord Krishna from the bonafide spiritual master.

Dear Srila Prabhupada, all Vedic instructions you have given in a nutshell of chanting 16 rounds and following four regulative principles. Srila Prabhupada you made my spiritual life very practical by giving a simple method of chanting Hare Krishna mantra. Srila Prabhupada I am eternally indebted to you. Kindly bless me to chant 16 rounds every day without fail.

My dear spiritual master Srila Prabhupada give me the intelligence to understand your books. Thank you Srila Prabhupada for blessing me with Krishna bhakti.

Your servant,

Bhakta Baireddi Venkata Ramana.

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to Srila Prabhupada. All glories to you on this auspicious day of your Vyasa Puja.

Though I got the association with HKM, Chennai sometime before last Vyasa Puja, I did not write to you last time. When temple devotees informed me to write a letter to you, I was blank on what to write. This time I wanted to write to you and this one page will not be enough to thank you.

om̐ aṣṣāna-timirāndhasya jṣānāṣjana-śalākayā  
cakṣur unmīlitaṁ yena tasmai śrī-gurave namaḥ

*“I was born in the darkest ignorance, and my guru, my spiritual master, opened my eyes with the torch of knowledge. I offer my respectful obeisances unto him.”*

When devotees initially told me to chant, come to the Temple and follow regulative principles, I was thinking in my mind, why should I force myself to do all these? I was challenging myself and thinking why don't all these happen automatically? Today by your mercy and by your mercy alone, I can notice the changes myself and it is astonishing to notice how these happen without any efforts from me. Your periodic instructions are always helpful in almost all situations.

I fully surrender myself to you. Please lead my life and take charge. Bless me to follow your instructions. Though I am not eligible/qualified to ask, please forgive me for my offences.

I am now able to complete 16 rounds in the morning itself and only sometimes I do in the evening due to office work. I am also trying to get up daily at 4:15 am and follow the morning programs. Before next Vyasa Puja, I strongly want to make this a routine. Please bless me.

Hare Krishna. All glories to you. Love you.

Your humble servant,

Bhakta Balaji.

Dear Srila Prabhupada,

Please accept my humble obeisance.

All glories to you on this most auspicious occasion of your Vyasa Puja

In Srimad-Bhagavatam (10.80.43) Lord Krishna states that a person can easily fulfil his or her life's purpose and attain eternal peace by the grace of the spiritual master. All material difficulties are immediately stopped as soon as one follows the instructions of a bona fide spiritual master. Srila Prabhupada, you are the epitome of a bona fide spiritual master. Srimad Bhagavatam (11.26.33–34) further advises that anyone who is fearful of the material energy should immediately take refuge at the lotus feet of the Lord's saintly devotees. Saintly devotees such as yourself are often thought of as akin to the sun. The light of your words shines brightly and opens the eyes of all living entities to real knowledge and happiness, and thus the darkness of ignorance is dispelled. Because of this, the saintly devotees of the Lord are considered the only true friends and family to all. They alone are the suitable recipients of service.

Homage Offerings To Srila Prabhupada (His Divine Grace A.C.Bhaktivedantha Swamy Prabhupada) On His 124<sup>th</sup> Appearance Day

Respected Srila Prabhupada, My spiritual master,

All glories to you on this auspicious day of your Vyasa Pooja.

Prabhupada, I saw your gentle standing posture with a stick in a hand and also your divine walk along the seashore (in a photo). My heart moved and felt like prostrating before you to get kind blessings which will enhance my devotion along with straightforwardness and decision making. When offered flowers to your lotus feet I saw a nice smile emerging from your face, I felt blessed. This has made me fearless and motivates me towards bhakti. When I chant samsara davanala in the early morning I repeatedly sing "*Chaturvidha Sri bhagavath Prasadha, Sadhvan thrupthin haribhaktha sangaan kruthvaiva thrupthim bhajatham sadhaiva vandhe-guro shree charanaravindham*". It inspires me a lot because you are so much pleased in prasadam distribution to Haribhaktha's. You are very eager to give Krishna bhakti to all through prasadam. I highly glorify this act of kindness.

Prabhupada, your valuable books are inspirational to us. When I read Bhagavad-Gita Chapter-2, sloka-2 (KUTHASTVA KASMALAMIDHAM...), your commentary giving Surya Deva (i.e., sunlight, sun shape, sun world) as an example to understand different stages in spiritual growth has manifolded my inquisitiveness to understand Krishna. This helped me in times of desire to understand more about GOD and driven me to high spiritual ecstasy

When I was trying to understand the meaning of Dharma I could get an answer from the book: "teachings of lord Kapila"- the Son of Devahuti, that understanding ones own spiritual identity is called dharma. The ultimate goal of dharma is also explained in your Bhagavad-gita 18.66 '**Sarvadharaman Parithyagista mamekam saranam braja**'

Oh, my master, your greatness in following the guru parampara is laudable. You followed your Guru's (Srila Bhakti sindhantha saraswati Thakur) instructions very sincerely to broadcast Vedic knowledge in English. Your commentary on Bhagavad-gita has become a moral book in everybody's hands know.

Your books, your lectures and your chanting "Hare Krishna MahaMantra" all over the world has given a spiritual impetus to the entire world. Your policy of "One God, One Nation" for the entire world has gained significance and a day is not far

off when the entire world comes under the guidance of Krishna by ISKCON movement. The way in which you reached America shows your determination and steadfastness. You started about 108 temples all over the world and you have travelled all over the world at the old age i.e., 75 years, which can not be imaged by an ordinary person like me. It is very much thrilling to hear.

My lord, we pray to give us strength and determination in serving ISKCON by chanting “Hare Krishna MahaMantra” and propagating the ISKCON movement in the entire world.

With Dhandavath Pranamams to your lotus feet,

Your servant of servant,

Bhakta Bala Subramanium Raju R C.

Dear Srila Prabhupada, Please accept my humble obeisance at Your lotus feet on Your divine appearance day. All glories to Your Divine Grace!

On this auspicious day, I seek your blessings to give me full strength to continue practising Krishna Consciousness, removing all disturbing material desires for sense enjoyment. I was trying to follow your instructions more than 1.5 years, In these periods I have seen many miracles in my life, Before coming to ISKCON temple, I was worked in a small college with low salary (Rs. 10,000) but now I got the chance to study PhD in VIT university with a stipend (Rs. 20,000), before coming to the ISKON temple I did not understand about Krishna, now I can understand that Krishna is the supreme personality of GODHEAD, Krishna is the supreme enjoyer and also entire creation is manipulated and secured by him, Kala is controlled by Krishna. The final aim of the human society is to go back to home, back to Godhead, this understanding very easily got because of your divine grace's mercy.

Thank you Srila Prabhupada.

Your humble servant,

Bhakta Baskaran.

Dear Srila Prabhupada,

Please accept my humble obeisance at Your lotus feet,

All glories to Your Divine Grace,

This is my first Vyasa-Puja offering to you, so please accept it, my beloved spiritual master. In the beginning days of my spiritual journey in Krishna Consciousness, when I started reading Your books, I got attracted to the Supreme Personality of Godhead, Krishna. And when I saw other devotees and they were more affectionate to you, I used to think “Oh, not only with Krishna, devotees are also in love with Spiritual Master too” but I was not able to understand the affection at that time. Days passed, I read several books of Yours and then I realised who You are and what You have done for us. Then later I came to know we can see Krishna in different Bhava and I decided why I should not see you too as my relationship exists with you also and now am seeing and associating with you as my beloved Grandfather. By the mercy of Krishna and You, I am sure that I will reach the perfect stage of devotional service one day. I can't reciprocate the valuable gift you gave to us and all I can do to please you is this chanting of Hare Krishna Hare Krishna Krishna Krishna Hare Hare / Hare Rama Hare Rama Rama Rama Hare Hare.

Yours beloved grandson,

Bhakta Dhivia Prakash K.

Your Divine Grace Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet...

I am one of most fallen souls hankering after material gains such as name, fame, money and materials. My persistent efforts to gains such material gains continuously bewilder my mind and keep me in the darkness of ignorance. Not knowing the path, walking in the darkest region makes me to experience the suffering of anxiety, animosity, dejection, desperation, fear, frustration, hatred, insecurity, lamentation, regret, worry, etc.. Still, I am walking in the darkness to find the path for happiness. I do not know whether I reached near to the horizon of happiness.

Srila Prabhupada, you are a pure devotee of the Supreme Lord Krishna, seen the absolute truth and one of the bonafide representative of the Supreme Lord. I beg your pardon, please show your causeless mercy upon me to come out of the clutches of the existence of this material. I am seeing Your Divine Grace is the only ray of hope to come out from this bondage.

I do not know how far I have progressed in the path of devotional service set by Your Divine Grace. The little progress happened so far in me is the only result of your causeless mercy showed upon me. On my part, I did nothing except trying to follow your divine instructions. Please bless me not to deviate from the path of devotional service due to the influence of modes of material nature.

I am in no way qualified to do devotional service unto the Supreme Personality of God Head Lord Krishna. Because of your causeless mercy, and the path set by Your Divine Grace, the most unqualified person like me come in contact with the Supreme Lord by way of Chanting and Hearing of the Glories of the Supreme Lord.

Srila Prabhupada I am facing a lot of hindrances, while doing devotional services unto Lord Krishna, due to my body, mind, unfavourable situations and the people around me. I humbly pray Lotus Feet of Your Divine Grace please bestow mercy upon me to do my devotional service unto the Supreme Lord without deviation from the path set by Your Grace. Your Servant of the servant

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to Srila Prabhupada . All glories to you on this auspicious day of Vyasapuja.

I belong to Mathura and since childhood I'm visiting Vrindavan. My family used to call ISCKON as Angrezon ka mandir... Almost every year we used to go there and attend kirtan and relish khichdi prasadam and used to see western people following our vedic culture which always fantasized me the most.

After moving to Chennai, I went to ISKCON for the first time and by your grace I got the opportunity to perform Sankirtan for the people along with the temple devotees who are more qualified than me in every aspect. The Aura and bliss I've experienced is inexpressible.

Because of your grace and sincere temple devotees, I learnt many things about you, like how amazing you are. They introduced me to your lectures, your divine books and taught me how to chant the holy name of God. So now I'm Just trying my best to become Servant of your servants and serve every one out there with all I have got from you as blessing. Trying to learn as much as I can. Srila Prabhupada please give me all strength to focus my mind on Krishna's & Radharani's lotus feet and increase my love for Krishna. I am sure that my life will be successful if one dust particle of your lotus feet falls on me.

I'm begging you to keep me under the shelter of your lotus feet at all times and aspiring to be your humble servant of your servants,

Your humble servant,

Dear Srila Prabhupada,

Please accept my humble obeisance unto your lotus feet.

All glories unto your Divine Grace! On this most auspicious appearance day, I would like to express my gratitude to you for all that you have done for me. My Life became so much better after coming to your lotus feet. I feel so blessed to serve Lord Krishna. Like a father, you held my hand and taught me how to walk on the spiritual path of Krishna consciousness. Like a loving mother, you have selflessly taken so much trouble to nourish my soul through divine teachings. Like a true well-wisher, you have guided me in the path of eternal blissful path of Krishna consciousness. Only thing is that I have faith in your divine teachings which give me hope that someday I will practice Krishna consciousness in true sense. You worked day and night for the world. I beg to you that please make me qualified to render little service to your lotus feet in complete surrender, humility, enthusiasm. I wish that in my full capacity I should be able to serve in whatsoever way you may desire.

If I get such good fortune, I will consider my life successful with Krishna consciousness.

Dear Srila Prabhupada,

Please accept my humble obeisance at the dust of your Lotus Feet. All Glories to Srila Prabhupada the saviour of the whole world from darkness. Every passing year at your shelter my desire to go to Godhead Lord Sri Krishna has taken most

top priority. After joining into Sri Krishna Conscious there is a huge difference between previous life and present life. I used to be very materialistic previous to joining Sri Krishna Consciousness. But after joining my desire for going to Lotus Feet of Lord Sri Krishna has increased very much. My ultimate aim and desire is to go Lord Sri Krishna Lotus Feet after this life. This is possible only with the Blessing and guidance of you.

By serving the feet of Spiritual Master one is enabled to develop transcendental ecstasy in the service of the Supreme Personality of God Head.

In your teachings to us, Srila Prabhupada you stressed persistently that our duty is to serve you and in this way, we will be able to approach Srimati Radha Rani and Lord Sri Krishna.

After reading your valuable books I understood that importance of associating with devotees and doing services in the temple and also book distribution. Your Books have touchstone effect. Reading your books allow me with you to connect. Your teachings are therefore for all times to come. Whenever I associate with devotees in the temple I learn so many things and getting inspiration. As per your guidance, I am following Ekadashi Vrtah regularly. For the last one and half years, I am doing Ekadashi Nirjala. I am regularly chanting Hare Krishna Mantra twenty-four rounds every day and reading Bhagavad-gita As It Is Book and Srimad Bhagavatam. I am getting a good opportunity to do services in the temple. In the morning I am performing Tulasi Maharani Puja, Guru Puja and Sri Narasimha Kirtan. Also, I am following four regulative principles

Previously I used to have so many desires which are all of materialistic and slowly all my desires are wading out and my desire for Sri Krishna has increased. I am trying to learn Important Bhagavad-gita Slokas. Till now I learnt 55 slokas. I am also attending, Nagara Sankirtans every month. Also attending all Important Festivals in the temple and doing service.

When we come to our temple and meet the temple devotees and understand so many important things with their discussions.

In case if I am doing any mistakes please forgive me and give me the strength to grow in Sri Krishna Consciousness. Every Day I am reading your books and getting knowledge.

Whenever I come to our temple I feel as if I am coming to Vaikunta. I am so much involved in kirtan and enjoying a lot. It gives me great pleasure.

I request you always keep me at your shelter and guide me. I aspire to serve you. Please bless me that I can conduct my services with great enthusiasm.

Your humble servant,

Bhakta Gattu Nagaraj.

My Dear Srila Prabhupada,

I am so happy & indebted to you for giving me an opportunity to submit my offering on your 124th Divine Appearance Day.

You have blessed me beyond compare by providing more than whatever I need to sustain my family even though I have offered little or no service to you. My dear Prabhupada, you are my Karuna Sindhu!

This year the COVID 19 pandemic has affected everything around us in one way or other. However, we at home have taken COVID19 positively - as it has provided us with an opportunity to slow down & enhance almost all aspects of our Krishna Consciousness. My dear Prabhupada, you are my Adama Janara Bandhu!

We now have time & good fortune to hear many lectures by your dear disciples during this time. While Madhupandit Prabhu's Soulful Japa lectures have made a big impact on my chanting, Chanchalpathi Prabhu's lecture on your stories gives an insight into how things were during your physical presence & how you engaged everything and everyone in setting up ISKCON.

You have said many in many of your lectures that we should follow in the footsteps of great personalities & today I recall Srila Bhaktivinod Thakur Saranagati prayer where he says - "*Chaya bega domi, chaya dosha sodhi, chaya guna deho dase, chaya sat-sanga deho he amare, boshechi sangerase*".

I pray at your lotus feet that " You kindly teach me to control my six passions- rectify my six faults - bestow upon me the six qualities and offer unto me the six kinds of Holy Association. and Bless me so " I can always remember Krishna & Never forget Krishna"

Always in your debt,

Bhakta Giridhari.

Thank you for giving me the opportunity to associate with the divine environment of the temple, the ecstatic kirtans, to relish the tasty Krishna prasadam and participate in folk trips to various holy places. I pray to you to bless me to increase my chanting and overcoming the obstacles to develop my Krishna Consciousness.

All glories to His Divine Grace A.C. Bhaktivedanta Swami Srila Prabhupada.

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet.

I feel immensely blessed by Lord Sri Krishna to thank and glorify you on this auspicious occasion of Vyasa Puja. I still remember the first time I came in touch with your teachings a couple of years ago after which I truly began understanding the purpose of life and the difference between reality and illusion. It's your divine mercy that I got the opportunity to chant the holy names of God and to realize the main problems of life - birth, death, old age, disease and the solution - to become Krishna Conscious.

When I daily see many people around me drowning in ignorance, I realize how much fortunate I am to associate with you and your spiritual movement and get guidance to practice Bhakti yoga through your books and teachings of the humble devotees of your organization. It's because of your iron-like determination to fulfill the order of your Spiritual Master, the fallen people of this world now have the chance to chant the holy name of the Supreme God and get liberated from the miseries of this world. I am ever grateful to you for this causeless mercy you've bestowed upon me.

I pray to you sincerely to shower your blessings upon me to progress in Krishna Consciousness, to overcome all difficulties in executing spiritual practices and to increase my daily chanting rounds so that I may be able to achieve the real goal of life.

Your humble servant, Bhakta Harish K.

*Hare Krsna - Hare Krsna - Krsna Krsna - Hare Hare*

*Hare Rama - Hare Rama - Rama Rama - Hare Hare*

My humble obeisance to my spiritual master, A. C. Bhaktivedanta Swami Srila Prabhupada.

I am currently 25 years old. I hope, I got this opportunity of understanding spiritual knowledge in this age, Only because of your grace. For everyone's life starts from the age of 0, But my real life started at the age of 22. When I visited Hare Krsna temple at the age of 22 for the 1st time, with your grace and Krishna's blessings.

From my heart, I want to share with you that after visiting Hare Krsna temple only my real life started. That day I still remember, my heart was full of bliss and happiness. Then I started coming to the temple regularly and I did service and I was told by devotees in a temple that by doing service we become pure and I never realized this before. My 1st service was cleaning Tulasi stand every day in the morning. I am started doing the service and all my bad habits have vanished step by step. I am not able to express in words. I want to seriously follow your 4 regulative principles, Mostly I am following them, But need to improve with sincerity with your blessings in the coming lifetime. Kindly help me to improve and increase my chanting Srila Prabhupada. Book distribution is another precious gift in my life. I am started reading your books. I am getting purified. I am listening to your lectures, each and every word of your grace and also particular songs you have sung. It has made 100 times greater improvement in my life.

I clearly understand the difference between dharma and adharma because of your blessings, I was able to follow dharma in every situation of my life and the rest of my life also I want to follow dharma with your blessings and always do good to others. But it so happened that I shifted to Bangalore for the job. Again, I realized your blessings were with me, My office is next to Hare Krsna Temple Bangalore. You and Krsna exist everywhere. I want to be under your lotus feet always to render service whole lifetime. Kindly give that opportunity.

From you, I understand the destination of life is "Krsna Loka" and 4 regulative principles should be followed to become happy in this life which are no Intoxication, no Meat eating, no Illicit sex, no Gambling, also I understood that Spiritual practice is the only major difference between animal and a human being. Eating, Mating, Sleeping, Defending is common to all the creatures. I realize the real problems of human beings are birth, Death, Old age, and Disease. The above realization is not possible without your grace. My whole life became calm and peaceful. I am always ready to do service to you. In all the situations of my life. Kindly give that opportunity to do more service to you, Kindly allow me to take shelter unto your lotus feet for the rest of my lifetime.

Your obedient servant, Bhakta Harish Parthasarathy.

Dear Srila Prabhupada,

I would like to offer my humble obeisances unto your lotus feet. I would like to express my gratitude and thank you for Your mercy in this short offering.

As you have stated many times, for one to take a step closer to Krishna, he must go to an exalted Spiritual Master, and I am eternally grateful to the Lord for granting me the fortune of having you as my Spiritual Master. Your Divine Grace has kept my mind and soul interested in the Lord from the early days of my childhood up to my youth. I am thankful for your causeless mercy through which, I have understood the basis of deity worship and experienced the happiness of chanting. I appeal to your Divine Grace to help me keep my senses under control and keep them in the service of the Lord. You have been ever so kind to give us this Maha Mantra and I beg of you to help me serve the Lord through the transcendental process of chanting.

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet. It is more than 1.6 years I am following your instructions and practicing spiritual life regularly. I feel that it is always easy to start something and it is very easy to end it too. But it is always a difficult task to maintain it regularly. From Gita and your teachings I have learnt that I am not this body, I am spirit soul. Currently, I am more engaged in bodily services which bind one to this material world. To escape from this material world and to reach the spiritual world and in order to stop all the reactions of my karma, I learnt from Bhagavad Gita to practice bhakti-yoga. Now I am hearing transcendental activities of the Lord and chanting the holy names. Please give me the opportunity to include these two activities in my life so by performing bhakti-yoga I will be able to remember Krishna at the time of death.

Thank you Srila Prabhupada for giving this matchless gift in my life and I am grateful to you eternally.

Jai Gurudeva. Jai Srila Prabhupada.

Hare Krishna!!

Dear Srila Prabhupada...

Kindly accept my humble obeisances at Your Lotus Feet. All glories to Your Divine Grace!!

Srila Prabhupada, I am under Your shelter from March 2016. You had put unlimited struggle and took so much pain to establish the International Society for Krishna Consciousness for the greatest benefit of humankind on this earth planet to realize their actual identity and relationship with the Supreme Personality of Godhead, Lord Sri Krishna. This unequaled institute on this planet guide Your disciples to go back to the Supreme Abode, Lord Sri Kṛṣṇa, by learning through the Vedic perspective.

I am so fortunate to be in touch with this great and unique institute. After taking Your merciful shelter, I could endeavor Vedic perspective, which is my strong determination from my early age, by chanting Hare Krishna Mahamantra, participating in the regular Temple programs, attending preaching sessions from Your very kind disciples, reading through Your books, and having very nice and tasty Prasadam. Only because of Your very strong endeavor, unlimited mercy and establishment of this greatest institute every nook and corner on this planet, I am able to associate with Your kind disciples everywhere in this world. I am able to associate with Your very merciful and kind disciples every week and attend the Bhagavad-Gita As It Is sessions remotely. At present, I am chanting ten malas of Hare Krishna Mahamantra. My very kind and humble request to Your Grace Srila Prabhupada is to kindly continue showing Your unlimited mercy and bless me to reach to chant the sixteen malas of Hare Krishna Mahamantra as early as possible.

From the day I joined your merciful shelter, I could stop participating in several sinful activities, including eating meat, taking intoxication. This could be possible only because of Your unlimited mercy, associating with Your very kind disciples, and learning the perfect knowledge through Vedic perspective. I am often still taking tea or coffee, which is intoxication. Therefore, I also request You humbly to bless me to stop drinking both tea and coffee.

Here, I am taking this opportunity to sincerely beg You to continue bestowing Your mercy on me to engage in serving Lord Sri Kṛṣṇa for ever.

Your humble and very tiny servant,

Bhakta Raveendrababu Karanam.

Dear Srila Prabhupada,

I visited the ISKCON in Thiruvanmiyur, Chennai in November 2020. I had the darshan and attended one lecture about the Vegetarian Diet. On the first day itself, I understood I don't know much about the things which we take regularly to feed us. I connected myself with all the concepts which were discussed in the class. I enjoyed the prayers and prasadam after class. Afterwards, I used to visit ISKCON more frequently since I feel relaxed while attending classes, prayers etc.,

I am reading your book called Beyond Birth and Death with the help of full-time devotee in ISKCON. I understood the concept of soul and I see the difference in life before and after connecting with you. In this kali yuga world, one has to become close to Krishna and need to understand that we are not these body's but we are spirit souls so that the criminal activities like stealing money, cheating others etc., will be stopped.

I feel relaxed when I think about Krishna and I always admires you for starting this Hare Krishna movement to make people connected to Krishna. Thanks a lot for changing my perception of spirituality.

Your Obedient Servant,

Bhakta Karthik.

My dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet.

In this materialistic world of misery, chaos and confusion I'm really blessed to be a receiver of your boundless mercy. It was few years ago when I was very curious to find out the answers to questions like "Who am I", "Who is GOD", "what is the purpose of Life" etc. I used to listen to many lectures but didn't have anybody to discuss and understand the concepts relating to God. That is when I came in touch with a temple devotee of ISKCON Mysore, which was very close to my house but had been there only once or twice only during Krishna Janmashtami. The temple devotees were very happy to help me clear my doubts and misconceptions regarding shastras.

Afterwards I visited the temple frequently to attend the weekly FOLK classes which were awesome and prasadam was really tasty and wonderful. I was blessed to get services whenever I visited the temple. Later when I moved to Chennai for a job then I got lost in the work forgetting Krishna slowly. But I was fortunate to meet a devotee who invited me to the Hare Krishna temple in Thiruvanmiyur. I felt like as if it was you who guided me to right track again. I'm really thankful to you for correcting me. Your lectures are the ones that I used to listen frequently in order to polish my intellect and stay Krishna Conscious. I bow to Thy feet for providing such authoritative knowledge of God through your lectures. In this world very few would be able to deliver such marvelous lectures with such immense clarity and understanding. If it were not for the Sunday classes, wonderful Divyadesam trips and the tasty Prasadays arranged by the temple Devotees, I'm doubtful if I would be a Krishna Conscious admiring person. Oh great Master it is because of your causeless mercy that I was able to visit the world famous and the most Holy place the PURI (PURUSHOTHAMA KSHETHRA) where I had the chance to have the Darshan of Lord JAGANNATHA.

I'm one of the most fallen soul yet fortunate to have benefited from you. I thank and bow down to you and all the devotees who have selflessly devoted their life to serve the lord through this Hare Krishna Mission in order to enlighten the people from the misery and direct them back to GODHEAD.

Your humble servant,

Bhakta Keerthij K.

Dear Srila Prabhupada

First of all, I would like to express my deep heartily devoted "Sashtanga Namaskaram" to you. It is my great pleasure to express my love and devotion to you.

Srila Prabhupada, by your mercy, I am one of the fortunate recipients to receive your mercy in the form of Krishna prasadam, every day in my schooling of ten years from Akshaya Patra Organization, which is the initiative by your disciples from ISKCON Bangalore. I have a strong faith that all this fortune happened to me with your blessings Srila Prabhupada and the blessings of Supreme Personality of Godhead Sri Krishna.

Oh my beloved spiritual master Srila Prabhupada, I am blessed to read your divine book Srimad Bhagavad Gita as it is, which is the treasure of immense knowledge. Srila Prabhupada, I am very thankful to you and your disciples for giving me the opportunity to render little devotional service on some temple festivals days at Hare Krishna Temple Chennai. Srila Prabhupada, kindly bless me with strength and intelligence to chant regularly 16 rounds, to follow 4 regulative principles and to read your books.

Finally my Shata Shahasra Saashtanga namaskaram to my beloved spiritual master Srila Prabhupada.

Your faithful servant,

Bhakta Krishnamurthi Srinivasachandru.

*Nama Om Vishnu Padaya Krishna Preshthaya Bhutale*

*Srimate Bhakthivedanta Svamin iti namine*

*Namas te Saraswate Deve Gaura Vani Pracarine*

*Nirvishesha Shunyavadi pashchatva desha taine*

Please accept my humble obeisances at your lotus feet. Thank You Srila Prabhupada for everything you have given.

I am so grateful to be blessed under your protection from the very beginning of my life, born out of devotee parents in Vrindavan, perceiving initial years of education in Gurukul, honouring Krsna Prasad, having an association of Devotees, having darshan of the most Beautiful Deities of Radha Shyamasundar, Krishna-Balaram & Gaura-Nitai & so many other things which I am not even aware of. Although I was in Vrindavan for 2 decades, having Darshan of the Deities of Six Goswamis, the real nectar, I got only when I started hearing your VANI & seriously associating with your Devotees who are strictly following you. Despite, I was carried away by Maya amidst unfavourable situation, it is only by Your Mercy that I was recovered & again reinstated in Devotional Service.

It is only by Your Mercy we have access to Krsna & we can know Krsna. In many holy places, people remember temple by the person who has built it or by the name of guru. Although you built worldwide movement You were very careful to glorify only Krsna & Gauranga & never took any credit yourself. Many Sadhus are not ready to leave Vrindavan because of its most congenial atmosphere to do Bhakti, but You left Vrindavan Dham giving up your comfortable life at the advanced age to follow instructions of Your Spiritual Master to Preach. I beg at Your Lotus Feet to give me the same spirit of yours, not to remain in the comfortable zone & to take up devotional service seriously.

The Vaishnavas Saints glorifies : "*Krsna se tomara, Krsna dite pao, Tomaro Sakati ache*"

*(Krsna is yours, You have the power to give him to me)*

I beg you to give me Krishna. Thanks to technology to facilitate our constant touch with you, we can hear Your VANI at the desired time & have Darshan of Your Transcendental Form.

On this most auspicious appearance of yours, I beg You to allow me to always remain at the Lotus feet & always engage me cent percentage in devotional service. I beg you to fill my thoughts with that of KRSNA, engage me in serving the mission. I am not aware of what is best for me, Please bestow your mercy upon this most fallen soul. Please give me the strength to Chant the HOLY NAME attentively avoiding all offences, also give me the strength to follow 4 regulative principles.

Aspiring to be your eternal servant,

Bhakta Krishnandu.

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet on this great occasion of your 124th divine appearance day.

You are so merciful and compassionate to explain the teachings of Krishna in a manner that a common man can understand and practice in daily life. Because of your literary contribution, Vedic knowledge is still reachable to a common man in Kaliyuga. The incident of going by Jaladuta to preach in western countries alone can demonstrate your staunch faith in Krishna and Guru. The hard struggles which you have gone through to establish Krishna consciousness society is a matchless gift to humanity. I have short of words to express your glories. when will the day come, where my mind is full of your glories. When will the day come to make your teachings as my life? When will the day come, where I can become a humble servant of yours. Please bless us with continued and progressive devotional service with enthusiasm under your guidance.

Your humble servant,

Bhakta Lakshmiranjan.

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet. All glories to you!

Today, the entire world is celebrating your divine appearance as 124<sup>th</sup> Vyasa Puja festival. Although I can never repay your debt in any of the ways, still as a token of gratitude for the matchless gift you have presented, I am writing an offering and submitting unto your lotus feet. This offering is based on the lecture SB 01.08.33 given by your divine grace.

There is a general saying that “*Birds of the same feather flock together*” i.e., crows can't mix with swans and vice-versa because of their different mental attitudes. Similarly, in human society, there are crow class men and swan class men. Crow class men are always busy with sense gratification activities to derive happiness. Such men do not know that they are suffering and also, they are unaware of self-interest. A swan has got the ability to draw milk from the milk-water mixture and reject water portion. Similarly, Paramahamsas (Supreme Swans) draw only spiritual pleasure from the material world and rejects material pleasure. Since crow class men (materialists) cannot understand the value of Paramahamsas, they accept only the association of pure devotees and rejects crow-class men.

This material world is a place where swans can be turned into crows and hence Paramahamsas are afraid of this place. But, Prabhupada, you being most compassionate, eternal well-wisher of human society and to fulfil the mission of our grand spiritual master (Srila Bhaktisiddhanta Saraswathi Thakur), you left to America even by risking your life at old age to transform crow class men into swan class men.

Most of the existing population is of crow class type. Even, I am one among them. Though you are not physically present, still you are continuing the transformation process through your teachings, institutions and disciples. This reformation of crow class men is making me recollect your reply to a journalist question that “I shall never die and I shall remain forever from my books and you will utilize them “. In your books, you have been continuously warning about the ill consequences of Godless civilization. The leaders of society being blind are paving many ways for material advancement and facilitating the people to indulge in sinful activities. But, both mass of people and leaders are ignorant that laws of nature are stringent and insurmountable. The current suffering of human society due to Covid-19 pandemic across the globe is one of the ill consequences of Godless civilization. Hence, there is a great urgency for the entire human society to take shelter of your teachings, which is the only way for humankind to live peacefully and happily.

I, being, one of the recipients of your causeless mercy, is very grateful to you for making me realize that I was living a dense dark ignorant life. Also, I request you to provide me with strength and intelligence to follow your instructions and serve your mission. Further, I beg to forgive me for the mistakes and offences that I have committed unto you, your disciples and your mission.

Your humble servant,

Bhakta Madhav.

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet.

Srila Prabhupada, you are an amazing spiritual teacher, who transformed the lives of millions and started a worldwide spiritual revolution in consciousness, which gives us the idea that how incredible your personal character is.

I wanted to be on a Spiritual path, then I found the ISKCON which was founded by you. I got to know about your teachings. Your translation of Bhagavad Gita into different languages and also the meaning of every aspect of life from the books, which really helped to change my life in a certain way.

As I am a logically driven person, I don't usually believe in illogical stuff. But the teachings in ISKCON is logical and can be understood. And certainly, I am getting benefitted by chanting Hare Krishna Mantra. I am glad I am introduced to this non-profit organization which is started by you, Srila Prabhupada.

Dear Srila Prabhupada,

Please accept my humble pranams to your lotus feet.

I don't have great words to express my gratitude unto you. I will try my level best to glorify you to the possible extent.

When I was searching for a spiritual master I got cheated by many people. However, after reading Science Of Self Realization book written by you I came to know that I was a rascal so I got cheated. Thanks for revealing this greater truth. Holding your legs to shower your grace upon me so that I will not become a rascal once again.

You keep on reminding us that we need to end the business of birth, death, old age and disease. I got very much attracted to this instruction. Holding your legs to shower your grace upon me to end this vicious circle of Birth, Death, old age and disease.

I finally thank you for gifting me the Hare Krishna Mahamantra which is imported from Goloka Vrindavan. I have tremendous confidence that this 1 mantra and your grace will connect me to Lord Krishna. Please shower your grace to continue chanting Hare Krishna Mahamantra more and more attentively.

*SAMSARA DAVANALA LIDHA LOKA TRANYA KARUNYA GHANAGHATYAM*

*PRAPTASYA KALYANA GUNARNAVASYA VANDE GUROH SRI-CHARANAVIDAM.*

The spiritual master is receiving benediction from the ocean of mercy. Just as a cloud pours water on a forest fire to extinguish it. The spiritual master delivers the materially afflicted world by extinguishing the blazing fire of material existence. I offer my respectful obeisances unto the lotus feet of such a spiritual master, who is an ocean of auspicious qualities.

I am fully indebted to Srila Gurudeva because He has given me so many things, the highest conception of the holy name of Krsna, the highest form of sound, which contains the highest form of thought, aspiration, ideal, everything.

By the grace of Gurudeva, have revealed the super excellent position of Radha-Kunda, the favourite place of Radha and Govinda for their pastimes and this great Govardhana. Lastly, he has given me the hope that one day I can get the service of Sri Sri Radhika and Madhava. I have been given all these assurances by my Gurudeva, so I bow my head with all my respects to his lotus feet. All glories to Srila Prabhupad, the fountainhead of all those who went to the western world to preach the glories of the holy names of the Lord. The one who delivered countless fallen conditioned souls by imparting upon them the transcendental science of Krishna Consciousness, and the one who fulfilled the following prophecy of Shri Chaitanya Mahaprabhu.

He is none other than the personification of Shri Krishna's mercy, who has come to deliver us from the miseries of this world and take us to the spiritual realm, where we can directly serve the Supreme Personality of Godhead Shyamsundar and his eternal consort Shrimati Radharani. This day is indeed of utmost importance for all the devotees throughout the world, for it was on this day that their good fortune arose in the form of the birth of their future deliverer, Srila Prabhupad, for it is only because of him that today we all are aware of the ultimate goal of life and are working towards achieving it and it is only with his mercy that we shall all one day make it to the spiritual world. It is him only, who has given us the holy names of Shri Krishna, the service of Shriman Mahaprabhu, brought us closer to the associates of Mahaprabhu and has given us the opportunity to go to the holy places, where the Lord performed his pastimes. He has given us everything that we need to progress in our spiritual lives and with his mercy, we are able to engage in the service of the lord.

YASYA DEVA PARA BHAKTIR YATHA DEVA TATHA GURAU.

This is the Vedic process, one should have unflinching faith in God and spiritual master. Don't jump over God, crossing the spiritual master. Then it will be a failure. We are observing Vyasa-puja ceremony, the birth anniversary of our Guru Maharaja. We cannot understand Krishna without spiritual master.

Therefore, Caitanya Mahaprabhu says, GURU KRISHNA KRPYA PAYA BHAKTI LATA BIJA. That is Vedic injunction, TAD VIDDHI PRANI PATENA PARIPRASNENA SEVYA (BG 4.34). Nobody can understand Krishna without going through his most confidential servant. This is the meaning of this Vyasa-puja. We cannot surpass. If you think that you have become very learned and very advanced, now you can avoid the spiritual master and you understand Krishna, that is not possible. That is the meaning of this Vyasa-puja ceremony. Only by the grace of the Spiritual Master, we can achieve the grace or mercy of Krishna. This is the meaning of this Vyasa-puja, offering obeisance's by PARAMPARA system."

PRATI-JANME KORI ASA CARANERA DHULI.

I desire the dust of your holy feet in every birth I may take.

Hare Krishna

My Pranams to Srila Prabhupada before I begin my words I pray to shower me your blessings to end this script completely in the devotion of me surrendering to your divine lotus feet.

Good news for us is with the blessings of supreme power this year as usual Ratha Yatra has happened even though many places have gone into lockdown and I was so happy to see the Ratha Yatra videos where people have enjoyed it through social distancing.

*"Hare Krishna Hare Krishna Krishna Krishna Hare Hare*

*Hare Rama Hare Rama Rama Rama Hare Hare".*

Every day is becoming a true challenge nowadays to mankind in the materialistic world and it is becoming an unpleasant life as it was explained by our Master when people are indulging themselves in senseless matters. The only option given by Supreme God is the powerful tool which is Hare Krishna Mantra. I strongly believe that when someone chants even a single round of 108 times of the powerful mantra every day sparing 10 minutes, his life is safeguarded by Lord Krishna. Before the day begins, I always remember that I should begin my routine with chanting without fail which gives me a lot of confidence during the day to face any of my toughest challenges. I had easily overcome many problems with my colleagues, superiors, and family just by chanting the powerful mantra. When I wrote my offerings last year, I had a thought that I should develop my habit of offering the food before I eat to Lord Krishna. I have not tried anything, just had a thought and I realized today that it has become a practice that whenever I go for my food, I offer it to Lord Krishna and eat as His Prasadam. Unfortunately, we are unable to go to temple during this pandemic, but whereas through the blessings received

in my connection so far with this Hare Krishna Movement, I can recollect and always remembering the Pranams, chantings, pooja, etc. I have also developed the habit of reading Bhagavad Gita and Supreme Power advises through online videos and learnings.

My beloved master Srila Prabhupada with all your blessings, now I am developing my good qualities of work in spirituality and progressing day by day. Am also realizing that your teachings make me and my family strong in all our daily routines. In my family, everyone is progressing on the spiritual reality and I see at times we all are sitting in the temple though we are unable to attend the temple activities. I wish and pray Master Prabhupad to offer his blessings to all of us and the entire world for remembering his toughest journey for launching this great society and developing the spiritual practices for the generations to come. Realizing our mistakes and making a change in life is a transformation, the Supreme Lord gives to everyone who dedicates a small time for chanting His holy name and becoming his devotee. A strong belief that I have, when I walk one foot to the Supreme Power with the guidance of his spiritual followers, I could see somehow or other Lord Krishna is also approaching me in all my difficult times.

I solemnly affirm that until I get the shower of breath in my life, I should be associated with Lord Krishna and his followers to at least live as a human being. Here we are always remembering all the hard work you have put in this soil for making people understand the reality which is realistic and boundary-less for growth. My Pranams for all your contributions to us i.e. knowledge, wisdom, courage, gratitude, bhakti, yatra, sadhu relationship, temple, prasadam, and trueness through this movement. By showing service to Lord and bhakti to Srila Prabhupad, I am sure, we shall attain all happiness forever with thorough enjoyment to reach the destiny.

Life will give you plenty of rejoicing just by thinking of Srila Prabhupada's devotion towards his masters who had shown love towards this country to make the people happy every moment and imparted us to realize to surrender ourselves to the Supreme God.

Your servant,

Bhakta Mohan Saravanan.

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet on the occasion of your appearance day on this bhooloka.

Srila Prabhupada, I want first to share with you my experience in chanting Hare Krishna nama because I know, this will please you more than anything. I am chanting 16 rounds every day and by the mercy of Hare Krishna mantra, I am getting more and more realization on these aspects of life like the purpose of human life, the value of time, glories of Krishna, why to accept miserable material life?

Srila Prabhupada on this occasion, I want to ask you two things. Currently, my life is very dark, so please give me strength and shower your blessing to chant “Hare Krishna” nama until my death. Also, I want to serve your desire to spread this chanting of “Hare Krishna” nama to every nook and corner. Please bless me for this.

Your humble servant,

Dear Srila Prabhupada Dandavat Pranam to Your Holiness ,

Your Holiness are known as “Jagat Guru”, because you have been accepted as Guru by the devotees of entire world.

After my teen age, I started my journey in devotion. I used to go to many temples of Lord Shiva, Ganapathy, Shakthi and many more and I have read some books of different Acharyas. My devotional journey was going on without a goal. By the mercy of Lord Krishna and Your Holiness, a miracle has happened in my life. Once I was having a personal family problem and that disturbed me in my daily life and I did not know how to solve and come out of it. One evening, when I was in distress, one of your followers took me to Lord Krishna’s Temple and I attended the evening *arathi* and lecture programme. I have realized the sanctity and spiritual vibrations inside the temple which I have not come across earlier. Then I was told that so many temples like these have been built all over the world by you (Founder Acharya of ISKCON). I wondered about you. No one will believe, when I came out of Lord Krishna’s temple, I felt full of happiness in my mind and my distress or agony flew away. Only after this incident, I realized that nothing is in our hands. Lord Krishna will take care of every body and why should I worry unnecessarily ?Thereafter, I often wanted to go to Lord Krishna’s temple. All the credit goes to you because you are the base or root cause for all of the great ISKCON temples all over the world. All glories to you Srila Prabhupada.

Slowly, after reading your books, I understood that Lord Krishna is the Supreme Lord and the ultimate goal of human life is to attain the Lotus Feet of Lord Krishna (Back to Godhead). You taught by your books Krishna consciousness, not only to me but also crores of people in this world. I came to know the chanting of the Mahamantra through your followers, which gives ecstasy and moves me towards the Lotus Feet of Supreme Lord Krishna. Srila Prabhupada, you have shown us the system of devotional life which is very easy to follow (i.e., chanting Mahamantra, bhajans, pooja, lectures and prasadam). I came to know about the “Bhagavatam” through your books only.

Srila Prabhupada, you have not disappeared and still you are living in our hearts and your books. My humble prayers to you “Jagat Guru H.H. Srila Prabhupada” are as follows: Oh Jagat Guru ! We know that by the mercy of Sri Sri Radha Krishna, now you are in Goloka Vrindavana. Please save all the people on the earth and bless them to follow the path of Krishna consciousness. Jai Gurudev .

Your servant,

Bhakta Murugaiya Rao.

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet.

I understood what mistake we are doing in the world when I attended the session in your Hare Krishna centre. After that, I felt I am totally coming out from fake happiness and short time happiness. When I chant Hare Krishna mantra I feel free from all stress and negative thoughts. I bought Bhagavad-gita book from your trust. But sometimes I can't read the book. I

don't know why this is happening to me. Anyway happy to join your association in your center. Hope it will continue in the future.

I feel anybody can become civilized and God-conscious by reading the books which you have provided. By reading spiritual books I have gained more knowledge and understanding of what is pure devotional service, thinking positively, understanding about the Supreme Lord. I also liked your views about people's materialistic thoughts. You have given us a very special and one of the best scriptures "Bhagavad-Gita as it is". By reading this we get more pleasure and automatically mind is in control and also a lot of other benefits. Now I am able to chant 16 rounds per day. I will also try to guide others with my experience. I feel very much fortunate that I have come in touch with an Acharya like you; please keep blessing me throughout my entire life to continue in Krishna consciousness.

All glories to Srila Prabhupada, All glories to my spiritual master A.C Bhaktivedanta Swami Srila Prabhupada, All glories to the auspicious appearance day of your divine grace, Please accept my humble obeisance at your divine lotus feet

The most important achievement in my life is to know about the Krishna consciousness. Srila Prabhupada by your merciful glance only I got the answer to all my questions. What is the purpose of my life? Why these human form of life exist? Why there are so much sorrow and trouble in life? What is the basic solution to all problems that arise in this world? Now I got the answer to all questions from the book "Bhagavad Gita as it is" written by you (Srila Prabhupada). Not only the answer but you (Srila Prabhupada) also give us the solution to those all problems. Simply by reading and hearing the words written by you in your books anyone can experience a change of consciousness in his life.

By your merciful grace, I am progressing in my spiritual path, and completed two and half years under your guidance in Krishna consciousness. Your instruction of chanting of maha-mantra Hare Krishna *Hare Krishna Krishna Krishna Hare Hare Hare Rama Hare Rama Rama Rama Hare Hare* changed my life completely. Now I came to know that the holy name of Lord Krishna is non-different from Krishna himself. The supreme personality of Godhead Lord Krishna is omnipotent and all-merciful. He has taken the sound incarnation of "Nama Prabhu" in this age of kali. By simply chanting the holy name and hearing the transcendental sound vibration attentively anyone can have a direct association with supreme Lord Krishna and can achieve the highest perfection in his life. I experience much more happiness in my life than before; such happiness cannot be achieved by any means of material achievements. Whenever I feel any stress or anxiety in my mind I immediately started the chanting of maha-mantra Hare Krishna *Hare Krishna Krishna Krishna Hare Hare Hare Rama Hare Rama Rama Rama Hare Hare*. And suddenly I found an idea for the solution to the problem or I found someone who can help me to come out of my problem.

In Bhagavad Gita, Lord Krishna himself says about the absolute necessity of spiritual master in our life. Srila Prabhupada you are a bona fide spiritual master coming in the line of succession descending from Vyasadeva, the divine compiler of the Vedas and the Vedas originate from supreme Lord Shri Krishna.

On this most auspicious day, I humbly beg you to shower your blessings upon me. Give me the strength to follow your instruction of chanting the holy name of lord off senselessly. Make me an instrument in serving your mission. Please forgive my offences and give me your blessing to carry out your orders under the protection of your divine movement in the association of your sincere devotees. Prabhupada your glories cannot explain in the words.

Begging to remain under the shelter of your lotus feet at all times and aspiring to be your humble servant

Your humble servant,

Bhakta Nilesh Kumar Jha.

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet on your divine appearance day. All Glories to Jagad Guru Srila Prabhupada.

On an auspicious day I would like to thank you because you showered blessing on me. The dust from your lotus feet purified me. I know how I am mad after material things and when I came under your shelter, I am able to know some spiritual knowledge by your mercy. Even though I'm imperfect but by your divine instruction I can do more services to you. I know I have no qualification to be your servant of servant, my dear Gurudev but by your mercy today I am under your shelter. Whenever I get distracted you assist me in the form of devotees for my spiritual path and without your mercy, I can't survive my dear Gurudev. I am ready to accept any form of hardship but always keep me under your shelter, my dear Gurudev. You are present in this era by the form of books and teachings. Many of the times I would like to express my gratitude to you and I'm very grateful to you Srila Prabhupada. Initially, I'm attracted to the divine prasadam and slowly I get attached to your teachings, my dear Gurudev. Whenever I feel alone or depressed I would like to hear your lectures and it boosts my practice of chanting

I pray at your Lotus Feet my dear Gurudev, please always keep me under your shelter and engage me in the services of Lord Chaitanya Mahaprabhu.

Dear Prabhupad,

*Hare Krishna Hare Krishna Krishna Krishna Hare Hare !!  
Hare Rama Hare Rama Rama Rama Rama Hare Hare !!*

Pranams. I want to let you know that your life & teachings have transformed me to a reluctant believer in quick time by my own estimates. Unfortunately I'm still fighting Maya.

I want to tell you how I began. When I started reading your writings and seeing your videos, I got to unlearn and relearn the basics of human condition. I recall after a single video, I was able to snap and it changed my attitude towards life. I have been able to work better and think with clarity, thanks to that one video. I would call you a contentment creator. After that, I felt that Lord Krishna could not have picked a better messenger than you to deal with this generation. It needed an entrepreneur to do it and I feel you are at core one. You built your startup ISKCON to the level of a modern day unicorn of spirituality with a global presence and millions of followers. Your literary works are at the level of another Valmiki. Your persona as a powerful messenger of Lord Krishna eclipsed a great independent literary contributor and author in you. You have lived a life infused with such devotion and dedication to Lord Krishna in all aspects of living, that it's hard to separate you from the identity of Lord Krishna. Your journey to help transform the lives of people by getting them closer to their constitutional position is just so simple and awesome. All with just a Chant ! (I know. I promise to do regularly.)

So long as your legacy is alive, the world is sure to become more Krishna conscious. When people chant, your legacy lives. So, let's all chant ! Hare Krishna ! Jai Prabhupad !

Pranams,

Bhakta Prasanna Natarajan.

Dear Srila Prabhupada,

Please accept my humble obeisances onto your lotus feet. I got another opportunity to glorify you on this auspicious Vyasa-puja day. I am very grateful to you for showering unconditional causeless mercy upon me. You have given me a clear understanding of the purpose of human life through your institution Hare Krishna Movement. Before I come in touch with you, my only goal is sense gratification. Now, I understood who is Bhagavan, and what is our relationship with Him. You have also given us the process to go back to home. I am one of the million most fortunate souls to have you as my spiritual master. I can not thank you enough for your mercy upon me.

The whole world is under full of stress and fearful condition because of Covid-19. But the devotees are happily continuing their service to their Lordships and at the same time enthusiastically coming forward to serve the public with the unlimited flow of physical, mental and spiritual strength. The devotees are becoming more energetic in tough situations. This is a glimpse of Vaikuntha life in the material world and is the simple proof for non-devotees to wake up. Hare Krishna Movement is the number one institute in employing all possible latest technologies in the mission of Your divine grace. There are many initiatives by your disciples; 1. soulful Japa sessions 2. Your Divine Grace Lila 3. Chaitanya Mahaprabhu Lila. 4. Bhagavatham 5. Bhagavad Gita. All these sessions are wonderful and the nectar of Bhakti is flowing throughout the day. It is the fallen soul's free will to dip into the nectar. I can see this pandemic is a blessing instead of calamity. Because of this everyone got the opportunity to receive the blessings of your senior disciples sharing their experiences and help the individual soul to attach to your lotus feet.

Your disciples are simply wonderful and merciful. Your lectures are very explanatory and the Bhashyam to your lectures by your disciples are still more explanatory and help us to adaptable to practical situations. While I am reading Krishna book, I am so joyful by the nectar of Your words. Who else can describe better than a Pure devotee like you?

I don't have any other hope other than Srila Prabhupada. I request you to shower your mercy to realize your instructions. As we sing in our morning sadhana program "*Divya jnan hrde prakasito*" without your mercy it is impossible to realize spiritual knowledge. You mentioned in one of your lectures the story of an illiterate brahmana. The brahmana man does not even know how to read and write but strictly following his guru Maharaj instructions and finally got the mercy of Chaitanya Mahaprabhu. This story is always inspiring to me. I am intellectually dumb and trying to follow your instructions with my heart and soul. Please keep me at Your lotus feet. I always have a great appreciation for your institution, your disciples, and activities, on the other hand, I have a fear of stopping appreciation. Once appreciation stops my spiritual life ends. On this auspicious day, I am praying to you to give me strength and knowledge to follow your instructions very strictly. Please forgive me for any offences against your institution and devotees.

Thank you, Srila Prabhupada, for the wonderful gift of devotional service. Please allow me to remain your servant eternally.

Trying to become Your servant,

Bhakta Purnachandra Rao M.

Dear Srila Prabhupada,

My humble Pranams,

I had first been to the Chennai temple 6 months ago and it has been a wonderful journey ever since. I would firstly like to thank you for the divine gift you have given us in the form of Bhagavad Gita: As it is and the various other books. Every single moment of my reading of this divine book along with your beautiful translations gives me immense pleasure. Thank

you so much for showing me the purpose of this life. I am happy to say that, in a world that is running fast leaving behind time, I can take out a couple of moments in realizing what is the purpose of life.

Thank you so much for showing us the path to Krishna's feet. If the thought of Krishna's feet gives immense joy, then I can't even feel that imagine the bliss of being there which is beyond description. All this is because you have enlightened us on this divine path.

I pray to you to give us the strength to always be focused on our life's goal and come what may, we shouldn't get distracted by the worldly pleasures. Instead, we should, along with ourselves, take all our brothers and sisters upward in their spiritual lives. I am very grateful to you for giving me the priceless treasure of the Bhagavad Gita. As a token of gratitude, please accept this offering of mine.

### **A Humble Offering**

Hare Krishna Hare Krishna Krishna Krishna Hare Hare Hare Rama Hare Rama Rama Rama Hare Hare

Every moment I hear this song

My mind becomes firm and strong

My heart and soul begin to long

For those beautiful feet where I belong

Thank You, Oh Guru! For showing us the way

And bringing us back when we go astray

You've always enlightened our spiritual mind

And the knowledge you give, one of its kind

Oh Guru! I pray to thee

To give us strength, that we can see

Krishna's beautiful form from where we came

And live our lives chanting His name

*Hare Krishna Hare Krishna Krishna Krishna Hare Hare Hare Rama Hare Rama Rama Rama Hare Hare*

Your loving student,

Bhakta Raaghul Krishna.

Dear Srila Prabhupada

Please accept my prostrated humble obeisance.

I have a deep-rooted disease with symptoms of enviousness, jealousy, lust, and arrogance. I have developed this disease for a very long time, probably from my previous birth. And I have been aimlessly carried away in the mortal material pool. At some point in my college days, fortunately, your disciples, your books, and lectures came to my rescue that showed me the right direction in human life. During the last one year, I became more aware that the real purpose of life is to render loving devotional service to the lotus feet of Krishna, the Supreme Personality of Godhead under the guidance of bona fide guru.

By the constant follow-up and encouragement of your disciples, I am daily chanting the minimum prescribed rounds of 16 and regularly reading the literature on the Krishna, written by you. I seek blessings from you that my mind will pursue the prescribed chanting and reading until the end of my human life without fail. I am very much satisfied that your books and lectures taught me the spiritual prescribed duties or Yajna in Kaliyuga for human life, which is Chanting the Hare Krishna Maha Mantra. I am immensely indebted to you for giving this precious jewel to a person like me who is always drowned in anxiety, envy, and lusty mentality. Now I strongly feel that through the association of your disciples, your books, lectures, and by the process of chanting, I can gradually cleanse this deep-rooted disease so that I can chant the holy name with a more pure heart. I seek your blessings that I regularly practice devotional service to get rid of these bad qualities completely. I want to serve you by distributing your books more and by bringing new students to your movement. Please bless me to fulfil this spiritual desire.

Your servant,

Bhakta Rajasekhar.

My dear Srila Prabhupada,

*nama om vishnu padaya krishna preshtaya bhutale srimate bhaktivedanta swamin iti namine*

*namaste sarasvate deve gaura vani pracharine nirvisesa sunya vadi paschatya desa tarine*

Please accept my most humble obeisances. All glories to you, O dear disciple of Sri Srimad Bhaktisiddhanta Saraswati Maharaj. O merciful master please take me in your shelter and give me the shade of Your lotus feet. Your glories are spread across the three worlds.

I have got the topmost benediction of coming in contact with Iskcon. I have no words to describe my good fortune due to which I came to know about you. Your contribution towards the whole mankind is unparalleled. I don't know anyone else who is more merciful than you. You made the most difficult things look so simple that even a fool like me could understand how important is this human life especially when the movement of Sri Chaitanya Mahaprabhu is going on. I beg at your lotus feet to bless me with spiritual strength to really understand your purports. I have been dwindling in my spiritual life and the anarthas, that I have accumulated over several lifetimes are disturbing and not allowing me to progress.

This time has been very precarious and full of dangers everywhere. The whole world is suffering. Now I could really understand what you meant when you mentioned : "This place is not meant for gentleman and everyone must try to go back home back to Godhead". All the so called leaders and scientists of this world are perplexed and don't know what to do. This time has taught everyone a very good lesson that no matter how advanced we think we are, we are always under jurisdiction of the Lord's external energy. One more thing I realized that the devotees are not much concerned about the whole thing and this time is being utilized as an opportunity to do more sadhana and preaching to the nearest ones. By your blessings and as an offering to you I started a small program at my place and a lot of people were interested. I pray to kindly bless them and give them an opportunity to serve Sri Chaitanya Mahaprabhu.

Your humble servant,

Bhakta Raju.

Dear Srila Prabhupada,

My humble obeisances at your divine lotus feet.

When my father passed away two years ago, I was in a confused state regarding various aspects of life and did not have any clarity regarding the bigger purpose of life. That was the time when ISKCON entered my life and after that, it has never been the same. The fact that the soul has no death and we are this eternal soul whose goal is devotional service to Krishna gave me immense solace both in my material life and spiritual life. Also, I noticed a gradual and powerful transformation as I took to the chanting process, eating Krishna prasadam and visiting the temple. I started now waking up at 4 am and have progressed much in conquering my senses and find great confidence to go on with life with your blessings. I am so blessed to be a part of the legacy of ISKCON left by you and will always strive my best to follow the path of bhakti. Even though your physical body and presence is no more in this mortal world, I feel a sense of connection with you through your immortal books which will serve as a guiding light and saving grace to the souls of this fallen age. I have let Krishna and you to take the reins of my life and I am confident that I will progress in my spiritual journey.

Jai Srila Prabhupada

All glories to Srila Prabhupad.

My dear Gurumaharaj,

If I had not come in touch with ISKCON and become your disciple, now my life would have been continuing like other karmis by indulging in four sinful activities like illicit sex, meat eating, gambling and intoxication which are prohibited for devotees in the form of four regulative principles. By your mercy I have realized the value of holy name and Srimad Bhagavatham. We cannot repay you for your efforts in translating and compiling the purports for Bhagavad Gita, Srimad Bhagavatam, Chaitanya Charitamrita and many other small books. All kinds of tremendous struggle and efforts you underwent to take back all fallen conditioned souls like me to Godhead. But in spite of your efforts I am not taking up sadhana seriously to go back to home back to Godhead. Always struggling up with material miseries and trying to come out of them.

My dear guru maharaj, I humbly request you to shower special mercy upon me and bless me to take up sadhana seriously especially rising up early in the morning with out under going any drowsiness . Also bless me to hear attentively Hare Krishna Maha Mantra chanted on each bead and relish the nectar of the holy name so that I can get out of my attraction towards lusty desires.

Yours most fallen disciple.

Dear Srila Prabhupada,

I woke up early every morning with my new plan & passion. And determined about my day, what I have to do today. And every day I am doing yoga & chanting maha mantras. HOW YOGA & MAHA MANTRA AFFECTS THE MIND & BODY. During yoga, your brain releases all sorts of chemicals that not only help you relax but also lower your stress & anxiety levels. IMPACT OF YOGA & CHANTING MAHA MANTRA IN YOUR DAILY LIFE. The things we think and the things we do have a dynamic impact on our brain, our attitudes, and ultimately our reality. My father always reminded me of the power of positive thinking and the philosophy of creating my own reality. He taught me that it all starts with the things we tell ourselves and the way we handle situations. Yoga & Maha-mantra chanting has helped embed this mindset into my daily practice and life.

Chanting of Hare Krishna Mahamantra has helped me a lot to have a calm mind & uplifting thoughts.

Thank you Srila Prabhupada.

Your servant, Bhakta Ritesh Kumar.

Hare Krishna Dear Srila Prabhupada!

Request to accept my humble obeisance at your lotus feet on your appearance day!

Through your blessings, I wish to continue the spiritual path of Krishna Consciousness. Reading Bhagavad Gita and chanting the Hare Krishna Maha-mantra has been my pivotal support and guidance especially in the current situations where the world around has been disturbed by a pandemic.

Living in the life of the material world, there are always desires for sense gratification, so to advance in the practice of Krishna Consciousness becomes a big challenge. Reading your thought-provoking books and association with the devotees have provided me with the inspiration to progress in the divine path amidst all the turbulence and obstacles in the present Kali Yuga. The guidance from the Bhagavad Gita of performing our duties but not being attached to the fruitive results can help overcome the problems that can arise in all the endeavours in the present life. Engaging in activities such as chanting, reading spiritual books, listening to lectures from Bhagavad Gita and other prescribed scriptures, attending sankirtan and taking prasadam helps to control our mind and senses which is the most important step in the art of living. This process of devotional service is the solution to living a fulfilled and happy life.

On this day, I wish to express my gratitude for the invaluable advice you have shared through your books which helps to increase our tolerance to all the miseries in this current age and I seek your mercy and compassion to advance further on the path of Krishna Consciousness.

Thank you,

Your aspiring disciple, Bhakta Rohit Khandelwal.

Pranam Guru Maharaj,

I humbly pray before you and offer my surrender to you for bestowing your grace on me.

By the divine grace of Sri Krishna, I came to know about ISKCON several years ago but I did not give much interest in attaining Consciousness about Lord Krishna. However, I strive hard to maintain Dharmic life as much as I can. I used to make simple prayer to Lord and proceed to office to attend my work and I am not deeply religious. As years roll on, sufferings in my family slowly increased and my children got married. In my career also, I was facing false allegations and suffered financially also. Instead of simple prayer in my pooja room, I used to cry for solace and this was going on for months.

One day a volunteer of ISKCON met me with regard to my official function and he gave me a book Sri Chaitanya Charitamrit and explained to me about Sri Krishna Consciousness. Lord Krishna made me meet the volunteer again and again I enjoyed the way he explains the wonders of Grace of Lord Krishna. One day, hesitantly I expressed the sufferings in my life and asked how I can concentrate on Divine Lord in the midst of my family sufferings. He guided me to chant the Maha Mantra given by your Divine Grace Swami Prabhupada ji always and at least 108 times a day and make it as a practice. I started chanting the Maha Mantra “*Hare Krishna Hare Krishna Krishna Krishna Hare Hare ; Hare Rama Hare Rama Rama Rama Hare Hare*” regularly without fail and with devotion and faith. Like blackish and slushy water in a pond got cleansed by heavy rain waterfall from the sky, my mind slowly cleared and become calm. My lifestyle becomes somewhat orderly and I slowly realized everything happened was divine will to drag me into the path of realization and relish the grace of Lord Krishna. Still, I have to go a long way, now I am brimmed with hope and faithfully feel that Maha Mantra was offered to me to cleanse me of my Karma. Swamiji thank you for your grace for popularizing the Maha Mantra to the masses who are engrossed in the earthly pleasures and ensuing sufferings. When I see the videos of Nama Sankirthan and recital of Maha Mantra by the devotees around the globe irrespective of race or color I am amazed at the devotional service of Swamiji.

Koti Pranams to Swamiji on this auspicious day of Sri Vyasa Puja. I humbly pray that Swamiji's grace shall be upon me forever.

Devotionally Yours,

Bhakta SANKARA NARAYANAN R.

Dear Srila Prabhupada,

Please accept my most respectful obeisances unto your lotus feet.

Your appearance is the most important day of my life. Because of you, I got a nice opportunity to understand the real aim of life. It is a very rare opportunity to get the human form of life and it is much rarer to get the association of the pure devotees of the Lord. I feel blessed because of your association (Temple, Books and Videos). Please keep me always under your shelter and help me to chant 16 rounds attentively and follow the 4 regulative principles. I have only one hope in my life that is Hare Krishna Mantra and You only.

Thanks for giving me this opportunity.

Please bless your humble servant to make spiritual progress.

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet. All glories to Your Divine Grace.

Before coming in contact with you I was quite unaware of the concept of God, and neither I was aware of the darkness of this material world. My perspective about life has totally changed after coming in contact with you. By reading your books I have learned very deeper aspects of spiritual life and also, I have got the association of devotees by your mercy, which I feel is the best thing I have ever got. From your teachings and by the association of devotees I have been able to give up many bad habits which I was addicted to from many years. On this auspicious day of your appearance I seek your blessings to continue practicing Krishna Consciousness amidst all the distractions of this material world. I feel that I was not at all capable of taking to Krishna Consciousness but it is by your causeless mercy that now I am able to follow the rules and regulations of Krishna Consciousness. I pray at your lotus feet to kindly provide me the required intelligence, and enthusiasm to practice Krishna Consciousness with determination. You have given the perfect knowledge to the entire world about God without which the world would have remained Godless.

On this auspicious day of your appearance I pray at your lotus feet to kindly keep me under your shelter and give me the knowledge by which I may continue practicing Krishna Consciousness for my entire life.

குரு மகாராஜாவுக்கு அடியேனின் பணிவான வணக்கங்கள்,

எத்தனையோ சந்தர்ப்பங்களில் வழி தவறி போகவேண்டிய என்னை, தங்களின் கருணையும் ஆசிர்வாதமும் மட்டுமே என்னை காப்பாற்றி இந்த கிருஷ்ண பக்தி இயக்கத்திற்கு கொண்டுவந்துள்ளது. நான் சிறிதளவேனும் ஆன்மீக முன்னேற்றத்திற்கு சில விஷயங்களை செய்துள்ளேன் எனில் அதற்கு முழு காரணம், தங்களின் ஆசிர்வாதம் மட்டுமேயன்றி எனது முயற்சி சிறதளவும் இல்லை.

எங்களை வழிநடத்துவதில் தங்களின் பொறுமையும், என்னை போன்ற பாவப்பட்ட ஆத்மாக்களின் மீது தங்களுக்கு ஏற்பட்ட கருணை என்னை மெய் சிலிர்க்க வைக்கிறது. தங்களின் ஆசிர்வாதமின்றி நான் பூஜ்யம் மட்டுமே.

என்னை அசைவ உணவை நிறுத்தவைத்து, எனது வருமானத்தின் ஒரு பகுதியை கிருஷ்ண பக்திக்கு செலவு செய்ய வைத்து, ஜபம் செய்ய வைத்து, தினம் காலை எழ வைத்து, பாகவதம், பகவத் கீதை படிக்க வைத்து , அடிக்கடி கோவிலுக்கு வர வைத்து என பலவிதங்களில் என்னை வழி நடத்தி கொண்டே இருக்கிறீர்கள். தங்கள் மூலமாகவே பகவான் சைதன்யர் மற்றும் நித்யநாத பிரபுவை வணங்கும் பாக்கியம் கிடைத்துள்ளது. அவர்களின் அடிமையாக ஆக முடியாதோ என்று தவித்து கொண்டிருக்கிறேன்.

இந்த கருணைக்கு கைமாறாக என்னால் என்ன செய்ய முடியும் என்று தெரியவில்லை. ஆனால் தங்களின் பிரச்சாரத்தை பரப்ப தங்களின் கருணையின் பலத்தால் என்னால் என்ன செய்ய முடியுமோ கண்டிப்பாக செய்வேன். தங்களின் ஒவ்வொரு அன்பான கட்டளையையும் நிறைவேற்ற கண்டிப்பாக தங்களின் ஆசிர்வாதத்துடன் முயல்வேன்.

எனவே என்னையும் என் குடும்பத்தினரையும் ஆசிர்வதிக்குமாறு கேட்டுக்கொள்கிறேன்.

அருளை வேண்டும் போது தங்களிடம் தற்காலிகமான பௌதீக நலம் கேட்பது தவறு என்றாலும், தங்களை விட்டால் வேறு வழி இல்லை என்பதால் தங்களிடமே கேட்டுக்கொள்கிறேன். என் மகளின் உடல் நலம் பெற்று அவள் தங்களின் கிருஷ்ண பக்தி பணிக்கு தொண்டு செய்ய தேவையான நலமும், அறிவும் வர ஆசிர்வதிக்குமாறு கேட்டுக்கொள்கிறேன். மேலும் இந்த இக்கட்டான சூழ்நிலையில் இருந்து அனைவரும் மாறி மீண்டும் கோவில்கள் திறக்கப்பட்டு அனைவரும் பக்தி தொண்டு செய்ய அருள் புரியுமாறு கேட்டுக்கொள்கிறேன்.

தங்களுக்கு அனைத்து புகழும் உரித்தாகட்டும்.

தங்களின் அடிமை,

பக்த செந்தில் குமார் மோதீலால்.

Dear Srila Prabhupada,

First of all my humble obeisances to my spiritual master A C Bhaktivedanta Swami Srila Prabhupada Maharaj. Secondly my respect to All the Vaishnava devotees who had surrendered their life to carry forward the mission of Srila Prabhupada Maharaj and Sri Chaitanya Mahaprabhu. It has been almost six years for me in Krishna Consciousness and the spiritual master and Sri Sri Krishna Balaram ji had been very kind to me to personally bless me with blessings. When I look almost

six years back a person like me who was a big drunkard and meat-eater, suddenly comes to ISKCON Bangalore and feels to be in a totally different world. By the grace of Guru Maharaj and Lord Krishna slowly and slowly all those bad habits went away and today I am indebted to them for saving me from those sinful habits which otherwise would not have been possible to quit. But still, there is a long way to go because Krishna Consciousness is a very vast ocean and there is always scope for improvement. May the spiritual master and the Supreme Lord bless all the devotees with maximum devotional service and their personal blessings.

Dear Prabhupada,

Please accept my obeisances!

I don't know how to glorify you, I am such a fallen soul please accept my glorification, first of all I have to say thanks to you for giving such wonderful guiding devotee. I am not even eligible to speak about your disciples also, I am very very fallen soul, I don't even know how to respect, how to glorify, how to offer prayers to my master also, I heard devotees saying that Srila Prabhupada is listening and personally monitoring all the devotees who chant 16 rounds of Hare Krishna.

I don't know I am eligible to chant or not also but still, I am trying my best to chant 16 rounds, all devotees in the temple are saying if you chant 16 rounds, all miseries are vanquished and receive blessings from Krishna, I am not bothering about the result, I am chanting 16 rounds to please you my Gurudeva and get your blessings forever, please help me to chant 16 rounds and engage in service of Krishna.

People can ask like why you want to impress Srila Prabhupada, the answer is I learnt from your life itself, you have travelled all around the world for many times, translated Bhagavad-gita, Srimad Bhagavatam and wrote many many books, made many many people chant around the world and convinced many many people, you did all this to keep up the word that you gave to your guru Maharaj, it is impossible to anyone in this kali yuga, I am not eligible to talk about all those also but, my only humble request to you is please help me not to fall anymore.

Your aspiring servant,

Please accept my humble obeisances unto your lotus feet.

Since last year I am chanting 2 to 3 rounds only but in recent time, from June 2020. by your causeless mercy, I am able to chant 16 rounds of Hare Krishna Mantra. I am very happy. Srila Prabhupada I am bowing down to your lotus feet for giving me the power and strength to regularly chant. Dear Srila Prabhupada by your mercy I could able to read 2 small books written by you. I want to share this memory also. Thank you Srila Prabhupada for giving me the wonderful opportunity to participate in a Spiritual trip organised by Hare Krishna Temple, Thiruvanmiyur, in this spiritual trip to ISKCON temple, during this trip many devotional events such as Mangala Arati, kirtan, delicious Krishna Prasadam, Krishna Katha by senior devotees and many more impressed me a lot.

Srila Prabhupada, kindly bestow your mercy in order to further advance on this spiritual path by devotees' association

In this horrible world, I am serving many false masters, each more degraded than the next, and foolishly I am hoping to gain some insignificant material benefit. There are no secrets I hold which are unknown to you. My innermost desires are laid bare before you, material and spiritual. By your sweet will the seed of devotional service imbued in my heart is still intact, and its growth unaffected despite my gross transgressions of rules and regulations.

All the rules and prohibitions mentioned in the śāstras should be the servants of these two principles.” (Padma Purāṇa || ŚrīBhakti Rasāmṛta Sindhu, 1.2.8 ||ŚrīCaitanya-Caritāmṛta, Madhya-Lilā, 22.113) However, with every step I take, by your divine compassion and the grace of the Lord, I am shown the reality behind the curtain of illusions that are my material aspirations, and one way or another, I become forced to take your shelter. There are no words to express my thankfulness for this blessing.

*cid-dharma-vaśataḥjīvasvatrantraḡhana  
saṅkhyāyanantasukhatāraprayojana*

The jīva, who is controlled by the laws governing consciousness, is counted as an independent being. By definition, his purpose is to enjoy unlimited happiness.” (Śrī-Harināma-Cintāmaṇi, 1.35) This verse immerses me in boundless gratitude every time I read it, and immense pride and entitlement, false though it may be. To simply be given the opportunity to be a living force, to have free will, is the causeless mercy of Krishna. Naturally, my duty is to serve Him, and what a glory it is, to be a servant of the Lord!

(Srimad Bhagavatam 6.14.2-5) says “Demigods situated in the mode of goodness and great saints cleansed of the dirt of material enjoyment hardly ever render pure devotional service at the lotus feet of Mukunda.” “In this material world, there are as many living entities as atoms. Among these living entities, a very few are human beings, and among them, few are interested in following religious principles.” “O best of the brāhmaṇas, Śukadeva Gosvāmī, out of many persons who follow religious principles, only a few desire liberation from the material world. Among many thousands who desire liberation, one may actually achieve liberation, giving up material attachment to society, friendship, love, country, home, wife and children. And among many thousands of such liberated persons, one who can understand the true meaning of liberation is very rare.” “O great sage, among many millions who are liberated and perfect in knowledge of liberation, one may be a devotee of Lord Nārāyaṇa or Kṛṣṇa. Such devotees, who are fully peaceful, are extremely rare.”

However, by my own vaimukhya-doṣa, I have become Kṛṣṇa-bahirmukha. Even upon my childish desire to enjoy independently, He has kindly provided me with the facility to do so and enjoy my madness in this gigantic and incomprehensible material existence in the form of His eka-pād-vibhūti; and yet, being the most benevolent, He has also most kindly provided me with the medicine to cure this madness.

“Having told Me that you will worship Me, you have entered this world, and having forgotten Me, you have remained here in ignorance.” “I have descended just to save you; except for Me, you have no friend in this world.” “I have brought the medicine that will wipe out the disease of illusion from which you are suffering. Ask Me and take the medicine, which is none other than the Hare Kṛṣṇamahā-mantra.” (Gītāvalī, Aruṇodaya Kīrtana 2.2-4) Although He has provided me with me every opportunity for advancement, by my own shortcomings, I’m unable to achieve perfection.

*nāmasūrya-samanāśemāyāandhakāra  
meghakujjhaṭīkānāmeḍhākebārabāra*

“The holy name destroys the darkness of nescience imposed by māyā, just like the sun dissipates the darkness immediately with its presence. However, the ignorance and anartha of the jīva act as clouds and cover the potency of the holy name.” (Śrī-Harināma-Cintāmaṇi, 3.5)

*uttiṣṭhatajāgrata prāpya varān nibodhata kṣurasya  
dhārānīśītāduratyayā durgam̐pathastatkavayovadanti*

“Arise and wake up, having now received the human form of life, seek the Absolute Truth from the learned Vaiṣṇavas. The path to perfection is very difficult and treacherous like a razor’s edge; even expert transcendentalists consider it full of tough challenges.” (Kaṭha Upaniṣad, 1.3.14)

Achieving perfection on one’s own strength, or sādhana-siddhi, is a most difficult endeavour, even for expert devotees, as enumerated in countless examples across ŚrīmadBhāgavatam, such as Bharata Mahārāja and Ajāmila. What to speak of a fallen soul like me.

*jagāimādhāihaitemuṣi se pāpiṣṭha purīṣerakīṭahaitemuṣi se  
laghiṣṭha mora nāmaśuneyeitārapuṇyakṣaya mora nāmalayayeitārapāpahaya*

“I am more sinful than Jagāi and Mādhāi and even lower than the worms in the stool.” “Anyone who hears my name loses the results of his pious activities. Anyone who utters my name becomes sinful.” (ŚrīCaitanya-Caritāmṛta, Ādi-Lilā, 5.205-206) My only hope is kṛpā-siddhi, and your mercy is limitless. However, I am so unfortunate that I cannot even follow your simple instructions, and am willingly drowning in this ocean of darkness, though you are always offering your kind hand to save me. Somehow or the other, you have brought me into Kṛṣṇa consciousness, and I’m confident that by your mercy and thereby the mercy of Lord Caitanya, I will be able to cross over the cycle of birth and death.

*je gaurāṅgeranāmaloytāra hoy premodoy tāremuijāibolihāri  
gaurāṅga-guṇetejhurenitya-līlātāresphure se janabhakati-adhikārī*

“Anyone who simply chants the name of ŚrīKṛṣṇaCaitanya will immediately develop a love of Godhead. I offer him all congratulations by saying, 'Bravo!' If anyone feels ecstasy and cries by simply hearing the transcendental qualities of CaitanyaMahāprabhu, he at once understands the eternal loving affairs between Rādhā and Kṛṣṇa.” (Prārthanā by NarottamādaśaṬhākura, Sāvaraṇa-Śrī-Gaura-Mahimā, Verse 2)

*gaurāṅgaboliyā, du bāhutuliyā, nāciyānāciyābeḍāo re*

“Chanting the name of Gaurāṅga, raising your arms high above, dance and dance and roam everywhere.” (Refrain by Lord Nityānanda)

This continuation of NityānandaPrabhu's refrain is one of the verses which has always captivated my passion. I wish that you bestow this mood of Lord Nityānanda in my heart, the same way Satyavrata Muni requests the Lord to bestow the bāla-gopāla form in his heart, for even a million boons cannot match with this. It refreshes the idea in our mind that our means and goal are non-different. CaitanyaMahāprabhu'sacintya-bhedābheda-tattva has this as one of its core premises, i.e. the name and the person are non-different (abhinnatvātnāma-nāminah). I'm once again reminded of a few beautiful verses from the Harināma Cintāmaṇi.

“The spiritual name, form, qualities and activities are indifferent and arise together at once; however, in contact with matter, there are distinctions observed between the name, form, qualities and activities as being independent of each other for the conditioned soul.” “The name, form, qualities and activities are one and the same for a pure devotee; with intelligence, it can be observed that the distinctions between these four aspects are only visible in a material body.” “In Kṛṣṇa, there is not even a tinge of material contamination. Hence His holy name, form, qualities and pastimes exhibit themselves as one.” “Amongst these four aspects, the holy name of Kṛṣṇa is the root cause of all other aspects (form, qualities and pastimes) and their shelter.” “Therefore, to chant the holy name of Kṛṣṇa is the only business of all Vaiṣṇavas. Indeed, Kṛṣṇa's form, qualities and pastimes are all contained in the holy name.” “Kṛṣṇa's pastimes are all manifest in the holy name; as You (Lord Caitanya) have shown us, the holy name is the topmost substance.” (Śrī-Harināma-Cintāmaṇi, 2.26-31)

I wish to portray my reality using your own composition.

bhakti naibedanaināmekhubdāro “I have no devotion, nor do I have any knowledge, but I have strong faith in the holy name of Kṛṣṇa.” (MarkineBhāgavata-Dharma, Verse 16)

Whereas you had all the devotion and knowledge, being a mahā-bhāgavata; your simplicity and humility are unparalleled in this universe. As you often reminded us that Arjuna was playing like an ignorant man in front of Kṛṣṇa, to educate the whole world, similarly you were setting an example for the mood a devotee should always keep. I have complete faith in your teachings and the holy name, for there cannot be even a hint of imperfection in the words of pure devotees.

*bhrama, pramāda, vipralipsā, karaṇāpāṭava āṛṣa-vijṣa-vākyenāhidoṣaeisaba*

“Mistakes, illusions, cheating and defective perception do not occur in the sayings of the authoritative sages.” (ŚrīCaitanya-Caritāmṛta, Ādi-Lilā, 2.86) By your benediction and the Lord's grace, I'm unmoved in my faith in spite of being surrounded by, and consciously pursuing the dense darkness of this material world. My sincerest hope is that in your endless showers of mercy, someday even if one droplet of that rain should fall on me, my life and existence will be perfected.

“When by service to the holy name and the lotus feet of a Guru, the devotee destroys his anartha, the transcendental form of the holy name dances on his tongue.” “He does not again let go of the holy name, which is an unlimited source of nectar, and he dances incessantly being maddened by the taste of the holy name.” “The holy name, the jīva and the love of Godhead personified dance in joy and they make the whole world dance, and māyā runs far away.” (Śrī-Harināma-Cintāmaṇi, 2.56-58)

I would like to conclude with one of my favourite verses, composed by ŚrīDevakī- nandana- dāsa Ṭhākura. vandanā karite mui kata śakti dhari tamo-buddhi-doṣe mui dambha mātra kari “What power do I have to glorify the Vaiṣṇavas? Out of my ignorance and pride alone, I do so anyway, thinking myself so qualified.” (VaiṣṇavaVandanā, Verse 9)

Your most unfortunate, insignificant servant,

Bhakta Suresh Anand.

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet.

From the last 8 months, I came in contact with ISKCON. By that, I learned how Bhagavat Gita help us to improve our life, our understanding, perspective on life. In short, I can say I am becoming a better human.

Now I am very grateful for life & what I am having. I am feeling fortunate to come in contact with ISKCON.

Thank You, Srila Prabhupada

*Hare Krishna Hare Krishna, Krishna Krishna Hare Hare, Hare Rama, Hare Rama, Rama Rama, Hare Hare!*

All Glories to Srila Prabhupada, I offer by my humble obeisances at your lotus feet.

What can I offer to you oh Gurdev? What can a servant even ask from his guru? You have shown me the greatest path to walk on, the path of bhakti-yoga and therefore everything of this life is surrendered at your lotus feet. Walking the prescribed path made this outcaste servant receive your grace. I bow down to you, to the one who spread the message of devotion all across the globe, the one who spread the sampradaya of Gaudiya Vaishnavism all over the world, a true jnani, a karmi yogi and a raja yogi who surrendered his entire life to Krishna and his work. What can I even desire? I can merely offer by Pranaams to such a pure devotee of Krishna and walk the path of Bhakti Yoga, the path of love and surrender myself totally in service of the Lord. There is nothing to ask or desire materially since the Supersoul which is Krishna and you alone know what is to be given to an aspirant.

This unworthy servant will keep following your prescribed way of offering devotional service. What else can a servant ask from his master, the master gives and the servant will keep receiving it without any questions, without the desire for wanting more. The love you give, the grace you shower is all that which nourishes this servant's soul.

Your most fallen servant, Bhakta Vedant.

Dear Srila prabhupada,

Please accept my humble obeisance at your lotus feet on your divine appearance day.

I want your blessing on this auspicious day. I wish your grace would give me full strength and help me progress in the Krishna consciousness to the next level of practice. It is six months since I came to Krishna consciousness movement. For the past six months, I have learnt the importance of Spiritual life. Before this without my knowing, I was rushing into this material world. By the grace of Krishna, I have come to light.

In order to cure the mind, I began chanting and honouring Krishna prasadam, hearing about transcendental activities of the Lord. I had the biggest expectation to involve my family in Krishna consciousness activities, so by the Grace of Krishna, it became possible. Now in my family, everyone trying do devotional service to Krishna. I pray for your mercy, again and again, to engage me in Krishna's service by chanting the holy names more and more. Please continue to shower your mercy on me.

Your Servant of the Servant, Bhakta Venkatraj.V.

Dear Srila Prabhupada,

Please accept my humble obeisance at Your lotus feet on Your divine appearance day. All glories to Your Divine Grace!

On this auspicious day, I seek your blessings to give me full strength to continue practicing Krishna Consciousness, amidst all disturbing material desires for sense enjoyment. It is more than 3 years that I came in touch with you but I have started following you since nearly 1-1.5 years (I came in touch with you in 11th class). I consider that you are my grandfather and I am enjoying lots of love in that way. I feel that I am close to you when I relate with you as grandfather than guru. Before coming in touch with you I had incomplete knowledge. After coming in contact with you I got complete and clear knowledge due to your blessings. Before coming in touch with you, I knew some aspects about God but I was unable to answer the questions asked by the people like why you are going to temple, why are you doing prayer etc. After coming in touch with you I am capable of answering them and also defeating them with your knowledge and instructions.

At first I got attracted to your transcendental voice. I don't know why but I am unable to hear anyone else's lectures. I have just stopped listening to other lectures, I don't know why I am attracted to your voice only. At first I had many misconceptions about ISKCON, but later I studied your movement thoroughly. So all misconceptions were removed. I heard that many people got attracted towards prasadam and I was no exception to that, but I have more attraction to Krishna, your voice. When I visited HKM Chennai branch, I was rendering paduka service on Janmastami day. While doing so my heart was fully thinking about Krishna. Afterwards I was involved in queue management services in temple. So I could witness Krishna deity in temple and that was my happiest moment in life. I was attracted to you more after watching serial Abhay Charan De. Tears were flowing from my eyes after knowing how you have struggled to make westerners Krishna Conscious. I cannot even imagine how did you accomplish such impossible task. I have accepted you as my role model which inspire me a lot. Not only me but the whole world should take you as their role model rather than accepting some useless people like actors or politicians. If I have done any mistake in typing or anything please forgive me as your grand son.

On this auspicious day, I pray at Your lotus feet to bless me so that at least I can try to put my little effort to please You and Lord Vishnu /Krishna. My aim is to take shelter at the lotus feet of Lakshminarayan, but without you its impossible. Please help me; please bless me to gain full knowledge.

Your aspiring servant, Bhakta Vishnu Satwik.

## Bhakta Vishwa Barathy Gandhi Kalidasan

Dear Srila Prabhupada,

Please accept my humble obeisance at Your Lotus Feet on Your Divine Appearance Day. All glories to Your Divine Grace.

The initial contact, I came in touch with your instruction was when I read Your book - *Science of Self Realisation*. Till that point of time, I believed in God, I constantly visited various temples but I did not know how to serve God and who is God. All I was following was that if I needed something, I will ask God and if God grants me I will do something in return to him like breaking coconuts or going around a temple for a definite number of times. I never understood there is something after this life. I was maintaining a business relationship with God.

But after reading the *Science of Self Realisation*, I understood two main things. First, I understood I have taken birth and faced death many million times before. All of the sufferings that I am facing presently is because of the four miseries of life (birth, death, old age and disease). This understanding made me appreciate the Vaishnavism principle of Going Back to Godhead (Vaikuntam), which is the original constitutional position of all the Jivas or Atmas. Second, I understood who is Krsna and why is he called The Supreme Personality of Godhead. This made me change my attitude towards Krsna whom I always considered previously as a Wishmaster who serves to accomplish my desires, but after reading *Science of Self Realisation*, I understood that I am the forever subservient to Krsna and I should be the one who serves Krsna's desires. With further reading I understood I am highly incompetent to directly serve Krsna and all my devotional service should be directed towards my Spiritual Master.

Therefore being my Spiritual Master, I completely surrender unto Your Lotus Feet. Please forgive me for all the misdeeds I have committed in this life and all my previous lives and please guide me in this life. Being an unqualified person, I might never reach the Vaikuntam with my effort but only by Your Mercy and Grace. Hence I subserviently surrender to You and request Your Mercy to please take me back to Godhead. I also request your grace to be shown towards all the youth of this present world by giving them chance to come in contact with your books.

Aacharayan Tiruvadigale Charanam

Your incompetent servant,

Vishwa Barathy Gandhi Kalidasan.

Respected Srila Prabhupada,

Please accept my humble namaste and all glories to your divine grace!

It has been two years since I started following your teachings. The first time when I visited ISKCON Chennai when one of my roommates told me about the preachings and teachings of your divine grace. After visiting ISKCON I got realise about actual divinity and got the Maha-mantra. After getting the Maha-mantra and also attending the sessions I got the realization about how the world works. In present, I'm chanting Maha-mantra 4 times a day with Guru mantra, 2 times after I wake up and 2 times before sleeping. After chanting I came to realise the true power of the mantras, these mantras started giving positive vibes and decreased my negative thoughts. and not to mention the hospitality of Prabhu and ISKCON after the teachings the thing I like the most is the maha prasadam once my father had mentioned to me about ISKCON its teachings and also about the hospitality of the society in Patna. At last, I would thank you for establishing this wonderful way of life.

With regards;

Bhakta Vishwajeet.

Dear Srila Prabhupada,

Please accept our humble obeisances. All glories to Srila Prabhupada.

After coming into Sri Krishna Consciousness I started learning about Supreme Lord Sri Krishna. I felt so happy by joining the Sri Krishna consciousness. I learnt the difference between material life and spiritual life. It brought me so many changes in my life. I just followed your principles Srila Prabhupada. In the beginning, I felt difficult in chanting Hare Krishna Maha Mantra. Slowly I started with one round. Gradually I increased my rounds. Now I am chanting 16 rounds daily. I learnt the chanting of maha-mantra from temple devotees. And also visiting every Sunday. I am also attending the Bhagavad Gita classes in our temple and participating in kirtans. It gives me so much happiness. I am also doing some services in the temple.

I am regularly reading Bhagavad Gita As it is and Srimad Bhagavatam. Also, I am also reading other books of yours. By reading your books I can understand how to reach the lotus feet of Lord Sri Krishna.

குரு மகாராஜாவுக்கு என்னுடைய வணக்கங்கள்,

நான் கடந்த ஐந்தாண்டு காலமாகத்தான் ஹரே கிருஷ்ணா மகா மந்திரத்தை சொல்ல ஆரம்பித்திருக்கிறேன். ஆரம்பத்தில் மூன்று சுற்று என்று ஆரம்பித்த நான் பின்பு ஆறு சுற்றுகள், இப்போது பத்து சுற்றுகள் என சொல்லிக்கொண்டிருக்கிறேன்.

என்னால் இன்னமும் பக்தியில் கவனம் செலுத்த முழுமையாக இயலவில்லை. காரணம் எனது மகளின் உடல்நலம். அவள் வயதுக்கேற்ற செயல்களை செய்வதில்லை. ஒரு சில நேரங்களில் என்னால் "ஏன் கிருஷ்ணரை வணங்க வேண்டும்? தினமும் ஹரே கிருஷ்ணா சொல்லிக்கொண்டு தானே இருக்கிறேன். அப்படியிருந்தும் என் மகள் விஷயத்தில் என்னால் சந்தோஷம் அடைய முடியவில்லையே" என்ற ஏக்கம் வருகிறது.

சில சமயங்களில் அவள் நன்றாக வேலை செய்வதை எல்லாம் பார்க்கும் போது கிருஷ்ணர் அருளினால் தான் இது எல்லாம் சாத்தியம் என்று நன்கு புரிகிறது. அனால் பல சமயங்களில் நான் கிருஷ்ணரை கும்பிட்டும் எதுவும் நடக்கவில்லை என்று புலம்பி இருக்கிறேன்.

எனது மகள் குணமாகி எல்லாக் குழந்தைகளையும் போல நல்ல உடல் வளர்ச்சி மற்றும் ஆரோக்கியம் பெற்று அவளும் கிருஷ்ண பக்தியோடு வளர உதவி செய்யவும். எனக்கும் எதைப்பற்றியும் சிந்திக்காமல் கிருஷ்ணருடைய சிந்தனை மட்டும் என் மனதில் இருக்க வழிவகை செய்ய வேண்டும் என்றும் வேண்டிக்கொள்கிறேன்.

எனது சகோதரன் திருமணம் தள்ளி போவதால் நான் மிகுந்த மனவேதனையில் உள்ளேன். என் தாயாருக்கும் வயதாகிவிட்டது. என் அண்ணனுக்கும் திருமணம் நடக்கவும், என் மகள் உடல் ஆரோக்கியம் பெறவும் ஏதாவது வழி இருந்தால் அந்த வழியினை காட்டுங்கள். இந்த இரண்டு மட்டும் நடந்தால் போதும். எப்போதும் கிருஷ்ணருக்கு சேவை செய்ய காத்துக்கொண்டிருக்கிறேன்.

ஹரே கிருஷ்ணா.

உங்கள் தாசி,

பக்தின் ஜனனி சென்தில் குமார்

Dear Srila Prabhupada,

My humble obeisances on to you. In 2004, I had your divine darshan at the great ISKCON temple, I was mesmerized after seeing your Divine grace. When I heard the "Hare Krishna Maha Mantra" being chanted at the temple, I was delighted hearing it. I got bhakti and I was very much attracted to the songs of Mangala aarhi *samsara dhavanala....., tulasi matha prayers, Narasimha aarhi* as per the guidelines given by you. my dear master. You are so great master, you have given a systematic way towards Krishna bhakti. You are so great prabhuji, whenever I think of you before doing any work it will be successful always. When I pray to you before chanting Hare Krishna Maha-mantra using beads with all the 16 rounds get over in no time. Your divine image encourages me to understand Krishna and practice Krishna consciousness.

You are so great Prabhu, you had started the magazine, back to Godhead which was later on converted as Bhagavad darshan and distributed. Prabhu, this is a real eye-opener for partly educated people like me. All the stories of Bhagavad Gita and Srimad Bhagavatam are very well explained by studying all these things. I am slowly feeling that I am not this body. I am Atma. This realization is coming because of your kind blessings.

My dear Prabhupada, at the of 65, you went to America as per the orders given by your guru. You are so special in following the guru parampara. You started the Vrindavan in America. You started ISKCON which is expanding and making the entire world to chant Hare Krishna Maha Mantra. I happen to go to the Alachua temple in Florida, America. There I saw many westerners chanting Hare Krishna. This shows, how powerful you are and Jagannatha Ratha-yatra has gained momentum all over the world. This is all because of you prabhu...! My humble obeisances and dandavath pranams. Please accept me as your disciple and take me to Godhead because you only are only authority prabhu.... Please bless me...Please bless me....Please bless me....

*Hare Krishna Hare Krishna Krishna Krishna Hare Hare, Hare Rama Hare Rama Rama Rama Hare Hare*

Your humble servant, Bhaktin Jayapradha R.

My Dear Spiritual Master,

Please accept my humble obeisance. All glories to the divine dust of your lotus feet.

Me, being the most fallen and insignificant soul neither have the eligibility nor the intellect to pen down your boundless glories. I express my sincere apologies for this feeble attempt. My Dear Master I feel very fortunate for being even an insignificant part of this sublime mission. It has dawned upon me at various instances that this golden opportunity has been awarded to a fallen soul like me, solely by your mercy and nothing else. It truly is ineffable to express my heartfelt gratitude.

Being an amateur I frequently get trapped in the abyss of Maya and the previous year has been a challenging one in this regards. I could see myself drifting away from my obligations in following your teachings. Last year we have been blessed with a wonderful baby boy by your causeless mercy. There is a fine line between adjusting our spiritual obligations to discharge duties as a parent and slipping away from our spiritual obligations falsely convincing ourselves with so called parental duties. My Dearest Master it is my greatest fear that I should not fall in the latter zone. It is now, more than ever that I have to austere follow your words. You always say 'Only a father and mother who can elevate their son to the spiritual platform are bonafide parents', on this auspicious occasion of Vyasa Puja, I beg at your lotus feet to keep me sane and enthusiastic in discharging my duties as the most humble servant of your lotus feet. You are my only ray of hope please escort me through this endless abyss of Maya, guide me through all my indecisiveness, pull me out of this bewilderment. I sincerely pray at the dust of your lotus feet to always use me in your service in any way that you desire. Oh my Dear Master I am begging you again and again to guide me each and every moment as you are my one and only refuge.

Your most fallen servant,  
Krishna Premi.

Dear Srila Prabhupada kindly accept my humble obeisance unto your lotus feet

Srila Prabhupada, by Your causeless mercy I have been chanting hare Krishna mantra for the past three years, but not regularly many times I missed out because of surrounding environment. Srila Prabhupada by your grace I have got the opportunity to participate in book marathon to distribute your divine books. This service has given me great satisfaction to me.

Srila Prabhupada kindly bless me and all my family members to become more attached to your lotus feet by following your divine instruction chanting 16 rounds and following four regulative principles.

Srila Prabhupada I am very much attached to Lord Jagannath. Kindly bless me to visit Jagannatha puri to have Darshana of Lord Jagannath and to render some service to him for his pleasure.

Srila Prabhupada I am eternally indebted to you for your causeless mercy. Please give strength every day to chant 16 rounds and to an association of your devotees

Dear Srila Prabhupada,

Please accept my humble obeisance on this auspicious appearance day of your Divine Grace.

Dear Srila Prabhupada, I am not even eligible to glorify you because glorifying a personality like you is not possible for me. Your contribution and bhakthi towards Krishna beyond my imagination. You are like the sun; I am just a fly trying to revolve around you which will never happen. By your mercy I got an opportunity to read your Lilamirta. It was mentioned that how much struggle you have taken while travelling in train to Jhansi to publish the journal "Back to God Head". In that ripe old age, you would skip your breakfast and sit for hours in the printing press to check the first copy. From that incident I learned how to serve the Spiritual Master. Nothing can stand in our way; only real faith in the words of the master is required. You showed me how a disciple must take the order of a Spiritual Master.

Dear Srila Prabhupada, the purports of "Bhagavad Gita" and "Srimad Bhagavatam" are explaining about other philosophies, religion, science, economy, history, management and even parenting. Every single line gives lot of information. Whenever somebody speaks about other philosophies, my mind automatically relates to your books and finds solutions. This is possible only from your lectures and books. So much of knowledge, without discrimination men or women or child who can give? Only a Jagat Guru like you can impart such knowledge who has showered your mercy on all fallen souls like me.

Dear Srila Prabhupada, without your guidance I would never have known the meaning of disciplic succession and the supreme personalities like "LORD CHAITANYA AND LORD NITHYANANDA" and hearing the glories of Goswamis. Thank you for giving me the opportunity of chanting the Holy Name.

Thank you Srila Prabhupada for giving this wonderful gift of devotional service, and always keep me under the shelter of your lotus feet.

Your humble servant,

Bhaktin Nandhinisenthilkumar.

Dear Srila Prabhupada,

Please accept my respectful obeisances in the divine dust of your lotus feet. All glories to Your Divine Grace. All glories to Gauranga, All glories to Radha and Krishna. All glories to Vrindavan dham, All glories to Mayapur dham.

This writing is not just premeditated gratefulness something beyond that which has no limit or boundary. In a nut shell, I would like to thank you and your grace upon us which is unconditional to uplift the fallen souls like me. I heard through sanyasis about how you would always encourage your disciples to increase their services in quantity and quality. And that reminds me there is so much more to be done in spreading this unparalleled Krishna Consciousness Movement. I pray you

to give me more and more opportunities and services so that I engage myself in this spiritual mission and grow more spiritually.

Respected Srila Prabhupada Ji,

Please accept my humble obeisances on the most auspicious day of your divine appearance.

You are one of the treasures of India. You had conceived Iskcon as an organization, under this age of which 108 temples got constructed to help propagate the unique and beautiful "Hare Rama Hare Krishna" movement globally. Your blessings enabled me to join this beautiful movement and be of service to the Lord and our community. Your writings of Bhagavad Gita and other religious manuscripts, in easy to understand language, has not only helped me but also millions of others, to ease into the path of constructive spiritualism.

We have a beautiful Iskcon temple near our home, to which I often go to participate in various Poojas, festivities, and celebrations. I am grateful to join these celebrations and feel truly blessed to receive the prasadam on each occasion, as a blessing from you, for which I am hugely humbled and thankful.

Yours truly,

Dear Srila Prabhupada,

My pranams to His Divine Grace A C Bhaktivedanta Swami Prabhupada.

Guru is someone who leads us to our goal. Srila Prabhupada with your divine presence, guiding all of us to reach our ultimate goal Back to Godhead

My Spiritual Journey

I believed in God but was not into any spiritual practices. Every Sunday, pooja, and classes were conducted in a school by Prabhujis of the Hare Krishna Movement. The first class which I attended was about the pastime of Shri Jagannath Ji's Rath Yatra. Jagannath Ji's and Krishna's divine power attracted me. My spiritual journey started that day with your blessings. I started chanting under your guidance by listening to your divine voice. Now progressing to chant on my own with your guidance. Bhagavad Gita classes are making me realize the real purpose of my life With full consciousness, I am trying to follow the principles of your divine grace. I pray to God that you should always show me the spiritual path and bless me to attain my goal to reach Godhead. Hare Kṛṣṇa, Hare Kṛṣṇa, Kṛṣṇa Kṛṣṇa, Hare Hare/ Hare Rāma, Hare Rāma, Rāma Rāma, Hare Hare.

Dear Srila Prabhupada,

Please accept my humble obeisances at your feet. All glories to His Divine Grace Srila Prabhupada.

I am eternally grateful for the opportunity to learn about you and this great movement that you have established and am humbled to be writing this offering to you.

Your untiring efforts to fulfill the orders of your spiritual master, how you single-handedly soldiered on despite many setbacks and reversals, how you remained uncompromising about the regulative principles while bringing in more people to the movement— all these have filled me with awe and made me long for your darshan.

But, as you have said, you live on in your words. You have worked hard and laid out a beautiful path for us to walk on. By reading your words and following your instructions, we will feel your presence, feel close to you.

I pray at your feet that I may be unswerving, humble, and obedient in your service, that your words would be the light on my path and the sound in my ears, guiding me always.

Dear Srila Prabhupada,

Kindly accept my humble and respectful obeisance at your divine lotus feet.

On this most auspicious occasion of your divine appearance day, I wish to offer my humble homage and gratitude in a few words.

Last year the consciousness had been very fluctuating. There were many ups and downs but your care and protection had always been there in the form of instructions from devotees, different services, etc. then came the time of lockdown due to the CORONA pandemic, which became, by your grace, a benediction in the form of “Hare Krishna Nama Prabhu’s KARUNA”. One of your sincere devotee leaders Sri Madhu Pandit Prabhu started the SOULFUL JAPA sessions. And along with that here also we had a vigorous ‘SHRAVANAM’ schedule, which helped to clean a lot of dirt accumulated on the surface of the heart and showed me the mirror again.

During this period there were many revelations and a few realizations also, which are the moments to be cherished for life.

I was struggling to follow the SOULFUL JAPA instructions and was constantly praying for the clue to understand and apply the instructions and thereby your kind mercy there was a revelation of how to pursue the process. And that was the moment of great thrill and joy which I had never experienced and never had any clue of the unlimited amount of happiness the Hare Krishna Mantra has in it. That day your instruction of “Chant and be Happy...” also made great sense in practical experience.

I am very thankful for this great treasure being revealed to me by your divine grace. For the whole life, I have got this new project to deepen that revelation and make it a strong realization to share with others also who are after happiness but what they get is false hope in this material world.

I wish to become an instrument in spreading the glories of your kind mercy and the glories of Hare Krishna Nama Prabhu.

Kindly bless this unworthy jiva to become eligible to please you, which is the goal of my life.

Your insignificant servant,

Anant Govind Dasa, Hare Krishna Movement Guwahati.

Dear Srila Prabhupada,

Please accept my humble obeisance. You are the mercy representation of Chaitanya Mahaprabhu and freely distributing pure love of Kṛṣṇa to everyone. Again I got the opportunity to glorify you. Srila Prabhupada you are the Personified Mercy of the Supreme Lord and my only hope for achieving the loving devotional service of Lord Krishna. Following in the footsteps of Lord Chaitanya, you have given benediction with the Holy Name of Lord Krishna; and following in the footsteps of Srila Vyasadeva, you are presenting us with the essence of the Vedic literature in the form of your treasured books.

When a person desiring to cultivate Krishna Consciousness accepts initiation from a bonafide Spiritual Master, then the connection between the devotee and Lord Krishna is established. Without such initiation, the actual connection with Krishna Consciousness is never achieved. Again this year I got experience of why the faith and dependence of the devotees increase more and more onto you and Lord Krishna when they face problems because he sees direct hand in that helpless situation through your teachings and guidance through authority. When the difficulties come it looks apparent to me that

I will not be able to crossover but when I wait patiently it looks like the Maya's test only and behind that so many realizations. How you guide it is always a mystery for me, though so many things disturb in mind, what to do what not to do.

When the accident of 11kv current happens to my father but he was saved by your and Lord Krishna's grace. My father also told lord Narayana saved me. But so many times it came in my mind how I will be able to continue my spiritual life? Who will help them? How things will fall in place? But I just wait to hear from everyone still did not take any action and continue with the service and praying for mercy, it was very difficult and painful also, because of attachment to family. But what could I saw was very amazing everything falls in place very efficiently than before, everyone in my relatives helped them so nicely. So finally I could see this incident gave me the strength to continue my devotional life more sincerely and with full enthusiasm. I want to serve your mission as you like, please give me the intelligence to understand the instructions and strength to execute the orders of your representative.

Kṛṣṇa sends His representative, the authorized spiritual master. As it is confirmed in the Chaitanya Charitamrita, "By the grace of guru one gets Lord Krishna, and by the grace of Lord Krishna one gets a bona fide guru." The secret of success in the matter of Krishna Consciousness is devotion to Lord Krishna and the Spiritual Master. In the Vedas the secret of success is described as follows: "Yasya deva para bhakti yatha deve tatha gurou" Only one who has developed unflinching faith in the Lord and the Spiritual Master can understand the revealed scripture unfolded before Him."

You are only my hope for becoming free from the threefold miseries of material existence. By Your Mercy alone, my ignorance and illusion can be dispelled and I can regain my memory as eternal part and parcel loving servitors of the Supreme Person.

So I fall at your lotus feet and pray for your causeless mercy. I offer my obeisance unto you and pray that I may become an instrument in your service if you so desire. You may do with me as you like.

Your fallen servant,

Gajapati Dasa, Hare Krishna Movement Guwahati.

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet. All glories to your divine personality.

Thank you for being merciful towards me by showering your divine grace on me. You have kept me under the shelter of your sincere disciples & this is one of your greatest acts of compassion on me.

I still remember the day when I joined your movement. I always knew that there will be many challenges that I will have to face because of me dedicating my life to your mission. By your divine mercy, I could understand that this material world is full of problems and troubles, *duḥkhālayam aśāsvatam*. These so-called challenges would have been exponentially more if I hadn't been under your caring, loving shelter. I also realized that Lord Krishna has reduced my sufferings, even though I was destined to suffer heavily, so-called sufferings which I am going through can be considered petty & insignificant. Nevertheless, these challenges have made me very strong. In the absence of these challenges, advancement in Krishna Consciousness would have been very slow & stagnant. Hence, I was able to get exposed to so many challenging situations & services in various preaching engagements.

Despite all these turmoil, Thank you Srila Prabhupada for giving me immense faith not only in Your Divine Personality but also in your sincere, faithful disciples.

The year 2020 has brought so much fresh energy and life to our lives by learning concepts of Soulful Japa, as taught by Sri Madhu Pandit Prabhu. Life has become very interesting as there is so much to learn as well as a practice about Hare Krishna Nama Prabhu. Thank you Srila Prabhupada for bringing me to your real ISKCON. The whole world is troubled by COVID-

19, but myself & my other god-brothers are least affected with these so-called viruses. Thank you Srila Prabhupada for creating a place for me to stay & providing all facilities for preaching.

Whenever I touch Your lotus feet I try to remember this wonderful statement: "Touching the lotus feet of a spiritual master means giving up one's false prestige and unnecessarily puffed-up position in the material world."- SB: 4.6.20, please help me give up my so-called puffed-up position in the material world.

One of your conversations makes me very happy to know your divine quality of Humility: Please bless me with the divine quality of humility in living with Vaishnavas.

**Revatīnandana:** Śrīla Prabhupāda, you are like Rādhā-Kṛṣṇa-dūta. You are a devotee of Rādhā-Kṛṣṇa.

**Prabhupāda:** I am not Rādhā-Kṛṣṇa-dūta. My Guru Mahārāja is Rādhā-Kṛṣṇa...

**Revatīnandana:** Well, we would say that you were.

**Prabhupāda:** No, no, no. My Guru Mahārāja is Rādhā-Kṛṣṇa-dūta. I am simply trying to carry his order. That's all. I am not Rādhā-Kṛṣṇa-dūta.

**Revatīnandana:** But we have become your followers.

**Prabhupāda:** That is your duty. Dāsānudāsa. That is the process.

**Revatīnandana:** Somebody else might become a follower of a devotee of Lakṣmī-Nārāyaṇa.

**Prabhupāda:** It is not that I am directly connected with Kṛṣṇa or Viṣṇu. I am directly connected with my spiritual master, and my business is to carry out his order. That's all. If I can do that well, that is my purpose. That's all. (Lecture SB-6.3.16-17, 06-02-1971, Gorakhpur)

Please bless me to strictly follow all your instructions, without watering down any of them.

Thank you for giving me all the services to please you through pleasing your sincere disciples. I just wish to complete my life with a light flashing speed & reach the spiritual sky under Krishna's shelter.

*om krato smara krtam smara, krato smara krtam smara (Iso 17)*

Dear Srila Prabhupada, please remember all my sacrifices, and because You are the ultimate beneficiary, please remember all that I have done for You.

Trying to be a humble servant of your sincere servants,

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet. Srila Prabhupada, it's really amazing how by your mercy I am able to offer my humble offering at your feet this year also.

*kalau doṣa-nidhe rājan asti hy eko mahān guṇaḥ  
kīrtanād eva kṛṣṇasya mukta-saṅgaḥ param vrajet*

[SB 12.3.51]

That is recommended by Sukadeva Gosvami, that “I have described so many faults of this age of Kali, but there is one very biggest gain.” What is that? “That simply by chanting Hare Kṛṣṇa one becomes free from all material bondage.” This material world is a place of sufferings and sufferings only whatever thing you try to be attached to that degree it will cause you suffering because everything is temporary. It keeps bound up a person in this miserable world. There is no hope for conditioned souls to get free from this cycle of bondage. The only hope is taking shelter of the Holy Name of the Lord which your grace has brought in so many jivas life. So you are a real savior of the whole world.

Srila Prabhupada, this year due to lockdown I heard many discourses that fed my consciousness with good and positive qualities and trying to embed in me. By your and Vaishnavas blessings I will improve my consciousness.

I pray at your lotus feet today on this your auspicious appearance day to please bestow some drops of your mercy on this servant who wants to do service of spreading your glories and glories of the Bhagavad Geeta more sincerely without pride and false ego coming in.

O my dear Spiritual Master Srila Prabhupada,

I offer my humble and respectful obeisance unto your lotus feet. My dear Spiritual Master, thank you once again for allowing me to offer my humble homage unto Your Divine Grace. As Krishna incarnates in various forms for specific purposes, your Divine Grace is the incarnation and form of His Divine mercy to turn all bell metal like conditioned souls into gold like shining Vaishnavas.

Srila Sanatana Gosvami says in his Hari Bhakti Vilas –

*yathā kāncanatām yāti kāmasyaṁ rasa-vidhānataḥ  
tathā dīkṣā-vidhānena dvijatvaṁ jāyate nṛṇāṁ*

“As bell metal is turned to gold when mixed with mercury in an alchemical process, so one who is properly trained and initiated by a bona fide spiritual master immediately becomes a brahmana.”

Your instructions and the process of initiation is that very powerful alchemical process that can turn any *duratma* into *mahatma* and the whole worldwide Krishna consciousness Movement is the proof of this. Srila Prabhupada, your teachings are widespread by your faithful disciples and servants all over the world and are transforming the lives of many conditioned souls. As declared by Srila Bhakti Vinod Thakur, the Pioneer of this Krishna consciousness movement, you are that *Senapati* Bhakta of Lord Chaitanya Mahaprabhu's sankirtan army about whom Lord Chaitanya Himself predicted, “My commander-in-chief devotee [mora Senapati bhakta] will spread the chanting of the holy names around the world.” Your humble self His Divine Grace A.C. Bhaktivedanta Swami Prabhupada, the founder-*Acharya* of the International Society for Krishna

Consciousness, fulfilled that prediction. As you have already accomplished your mission by spreading Krishna consciousness across the globe, by revealing the glories of Krishna and His Dham Vrindavana to the whole world, by giving everyone opportunities to associate with Lord Krishna in many ways, especially in the most simplest way that is by taking Krishna Prasadam and by chanting the Hare Krishna Maha-mantra. But the beauty of your Divine Grace is that you have left equal opportunities for your disciples and servants to serve and please Lord Krishna. The flow of your mercy is still continuing by your empowered disciples and one of your empowered servant and disciple Shriman Madhu Pandit Prabhu, who is educating the neophyte like me in the Science of Holy Name by his Soulful Japa sessions. Though all your sincere disciples and servants are taking forward your mission with their full vigor but still there is a lot to contribute to your ever-expanding mission. Srila Prabhupada, as you say “*Lord Krishna is unlimited Personality so His desires are also unlimited, and this Hare Krishna Movement is the desire of Lord Krishna.*” It is really the most fortunate thing to be in the desires of Lord Krishna, not only this, but you also reveal that “*the desires of a person are always lodged his heart*”, so now it is even the most and most fortunate thing to be in the heart of Lord Krishna. Srila Prabhupada, this is possible only by your divine mercy, as you are a very confidential servant and friend of Lord Krishna.

Srila Prabhupada, kindly bless me with all humility and sincerity to serve Hare Krishna Naam Prabhu, to follow your instructions As It Is, to observe regulative principles strictly, to serve Vaishnavas in their services and commitments unto you and to serve your mission in any way in this life. Please make me an insignificant instrument in your hands in the execution of any of your desires, if you so desire.

Jai Srila Prabhupada!

Your fallen servant,

Mahasundar Dasa, Hare Krishna Movement Guwahati.

My dear Spiritual Father Srila Prabhupada,

Please accept my humble and respectful obeisance at your lotus feet. Thank you for giving me one more chance to write to you.

Srila Prabhupada, One day you were talking about your life as a gentleman householder in Calcutta. You described the various types of rice, eaten by different types of people, saying that the aristocratic class preferred the long-grain basmati rice and the servant-class preferred the short-grained cheaper type of rice. You were expressing your appreciation for it. You said: “They like according to their nature. Everyone has taste according to his nature. If you give milk to a tiger he will not take. He desires blood to drink. That is his nature”. You began to talk about your own experiences. When you were a householder you had a few servants, as was the custom in colonial and post-colonial India. You continued: “*Because we were eating a very fine quality Basmati rice, which is long-grained and very flavorful, so I wanted to give the best rice to my servants also. I wanted to offer them the best prasadam and care, as it is said that even though one pays his servants, still one becomes indebted to them as they are rendering so much service*”. “Accepting service is such a serious thing”, you explained, “as it can be very much implicating.”

“So for some time, the servants were eating this very nice Basmati rice.” Then, one day, you described, “One servant came to me very humbly and requested ‘Sir, you are very kind and respectable and I have no complaints in your service. I am very satisfied serving here in your household, but only one thing, sir, this rice which you are giving us to eat, is very difficult for us to eat. We are not accustomed. Is it possible that we get that short-grain variety?’” You burst into smiles, chuckling and shaking your head from side to side, eyebrows raised, your eyes half-closed you said; “*Just see, I am giving him first-class rice, but he is unable to tolerate. He desires third-class rice, cheaper quality because his taste is for that. These are the modes of nature, such a subtle thing. So I gave them as they wanted.*”

Srila Prabhupada, I know that you want to give the best to your servants. You want to offer them the best philosophy, best lifestyle, best prasadam, best care, and everything best. Please bless me acknowledge all your magnanimity and mercy. So that I always remain grounded to go on serve you and your organization for my own privileged purification. And Prabhupada, please do not consider yourself indebted to me. Rather I'm indebted to you. You said: Accepting service is a serious thing. Yes, it is. But you can. Because you are the most beloved servant and representative of the Supreme Personality of godhead Lord Sri Krishna Chaitanya, who is Nirguna, apapavidha, Adi purusa, cause of all causes. And thus you cannot get implicated.

Srila Prabhupada, you are giving us first-class life, but I'm unable to tolerate it. I still desire third class life, cheaper quality, because my taste is for that. But I know, you are the external manifestation of Paramatma, whom from come remembrance, forgetfulness, and knowledge. Srila Prabhupada, please do not give what I want. Please get pleased with me out of your own divine quality and keep me engaged in the service of your lotus feet.

Srila Prabhupada, I like reading your pastimes. In my ups and downs, your transcendental pastimes are my only solace. I enjoy it. It inspires me. Please bless me to chant Hare Krishna and follow four regulative principles. All glories unto you. Thank you.

Your aspiring servant,

Muralilola Dasa, Hare Krishna Movement Guwahati.

I offer my respectful obeisance unto your Lotus Feet, O my Spiritual Master. You have always shown your spellbound mercy unto us from the very beginning, but this year particularly during the lockdown period, we could realize within us your asim Kripa on us. You are present in every walks of our life and we could see the reflection now. Oh, my dear Gurudev, you wake me up early in the morning, help us to do Mangala Aarti, and chant 16 rounds as recommended by you. Your voice “Simply chant Hare Krishna and try to hear attentively” always echoes in my heart while chanting. You have made the situation so palatable for us to progress spiritually in the form of Nityam Bhagawatam Sevaya. You have generated an interest within me to read Bhagawad Gita. The more I am moving from one Chapter to next, my praises and respect for you is growing manifold. Such beautifully you have extracted the Scriptures and converted them in so simple language for all the fallen souls like us. You have held our hands and have shown us the way towards the Devotional service, how to cleans our heart, and churn our anarthas be a better human being and you have taught us the essence of Bhakti Yoga and way to achieve Krishna Prema.

Not only this, but you have also shown your mercy by choosing His Grace Madhupandit Prabhu who has enchanted everyone by his Soulful Japa sessions and helped many individual souls to do sincere Japa. You have enlightened us in the form of hearing regularly to His holiness Stoka Krishna Swami, His Grace Chanchalapati Prabhu, your own classes periodically and most importantly the association of our Vaishnavas under whose Kripa we have got an opportunity to hear Bhagawad Gita and Srimad Bhagawad Katha daily. You are so compassionate to instill in us the love for singing the beautiful Bhajan of Bhakti Vinod Thakur and Narottama Dasa Thakur and many others through which we got to know how humble and grounded they were and helping us to take inspiration from them and great Acharyas.

Prabhupada, thank you so much for all that you have showered on us. I pray to you to please show us the path of how we would serve you and Lord Krishna throughout our lifetime and please help us so that we do not deviate from the path of devotional life. As mentioned in Text 4.34 of Bhagawad Gita

*tad viddhi pranipatena, pariprasnena sevaya  
upadeksyanti te jnanam, jnaninas tattva-darsinah*

Until and unless you show your mercy and kindness towards us, it is impossible for us to know about the Absolute truth and the transcendental knowledge of Lord Sri Krishna. Help us to be always at your lotus feet and serve the servant of the servant of the Vaishnavas and kindly bless me so that I can be a tinge of help in your mission of spreading Krishna consciousness in this world and make my life meaningful by always and always following your footsteps, follow your instruction, do my daily Sadhana, and please bestow on me the strength so that I will be able to preach Krishna Consciousness as much as I can with whatever tiny little brain I have got, thereby making my life successful & leading my life toward spiritual progression. I have firm faith in you, O my spiritual master that if we hold you tight amidst all awkward and tough situations we face, you will definitely rescue us like a father to a child. We may fall down but request you to please lift us up, show us the Marga Darshan, impregnate us with the spirit of Shraddha and Bhakti and thereby help us to please you, my Spiritual Master and Lord Sri Krishna

Hare Krishna!!!

Yours Fallen soul,

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories unto you.

As quoted by Lord Sri Chaitanya Maha Prabhu to Sanatana Gosvami, which is mentioned in Hari Bhakti Sudhodaya,

*“My dear Vaishnava, seeing a person like you is the perfection of one's eyesight, touching your lotus feet is the perfection of the sense of touch, and glorifying your good qualities is the tongue's real activity, for in the material world it is very difficult to find a pure devotee of the Lord.”*

It is our real fortune that Lord Sri Chaitanya Maha Prabhu has sent you for the perfection of our eyesight, sense of touch, and tongue. Now it is our duty by accepting you and working on the path of going back home back to godhead.

Prabhupada, you are so merciful, giving newer and newer options to preach in this material world according to time, place, and circumstance. In the Chaitanya-Charitamrita (Adi 1.88–89)

*“As the sun and moon drive away darkness by their appearance and reveal the nature of everything, these two brothers, Lord Chaitanya and Lord Nityananda dissipate the darkness of the living being's ignorance and enlighten them with knowledge of the Absolute Truth.”*

You have given us so many books with the knowledge of Absolute Truth. If someone merely reads one of these, his life becomes perfect, and his path back to Godhead becomes clear. Your books highlight the importance of the human form of life. Your books reveal the perfect knowledge of the Vedas. Your books explain the difference between the soul and the body. Dear Prabhupada, you are the personification of the teachings of Lord Chaitanya, and as brilliant as the sun.

Persons who have lost their vision due to the dense darkness in this age of Kali get light from your association through your books. By accepting the authority of the father, a small child can understand everything nicely. Similarly, we accept you as our spiritual father for understanding God. Only by following your instructions with full faith can we come to the platform of understanding our eternal relationship with Lord Krishna. I am most fortunate to have come in contact with such a

glorious personality as Srila Prabhupada and I feel very obligated to have eternal service even though I am impurely discharging it. Please forgive the offenses committed at your lotus feet and accept my humble obeisance again and again.

Servant of the servant of your servant,

Narasimha Dasa, Hare Krishna Movement Guwahati.

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet. All glories to you.

Srila Prabhupada, on the arrival at Boston, you wrote a very inspiring poem in your diary. It shows the humbleness of your Humble Self. Every disciple of yours must practice it.

Please make me a good instrument for the youth preaching program in the north-eastern part of India and this is only possible by Your causeless mercy. I would like to glorify some qualities of yours as follows.

Srila Prabhupada, by your great sacrifice you have saved the world from gliding down to hell. By your great determination, you endured a lot of difficulties just to distribute Lord Chaitanya Mahaprabhu's mercy throughout the world. By your great compassion, you have delivered mlecchas, Yavanas, and Rakshasas from birth and death. By your unflinching faith in the words of your Guru Maharaja, you published many transcendental pieces of literature for the benefit of the entire human race. By your deep knowledge of Lord Krishna, you have enriched the world with spiritual knowledge. By your strong preaching, devotional service to Lord Krishna has spread throughout the world. Srila Prabhupada, by your inconceivable mercy, crows transformed into swans fully absorbed in singing the glories of the Supreme Lord Krishna.

Srila Prabhupada, thank you very much for giving us the Hare Krishna Nama Prabhu and giving us the most beautiful Deities of Sri Sri Jagannath Baladev Subhadra and Sri Sri Nitai Gaurasundar at Guwahati.

To be successful in serving the Lord's mission, Lord Chaitanya instructs as

*“tṛṇād api su-nīcena taror iva sahiṣṇunā amāninā māna-dena kīrtanīyaḥ sadā hariḥ”*

*“One who thinks himself lower than the grass, who is more tolerant than a tree, and who does not expect personal honor but is always prepared to give all respect to others can very easily always chant the holy name of the Lord.”*

Srila Prabhupada, to gain these two qualifications it is impossible without your causeless mercy. You have shown these qualities in your life personally. On this auspicious day, I offer my loud crying prayers at your lotus feet, *“please, make me more humble and tolerant, please make me more humble and tolerant, please make more humble and tolerant.”*

Your fallen servant,

Nareshwar Krishna Dasa, Hare Krishna Movement Guwahati.

All glories to Srila Prabhupada.

Please accept my respectful Obeisance's at your lotus feet on the most auspicious occasion of your Vyasa Puja celebration. All glories to your divine grace. I would like to express my deepest gratitude to you for making me a part of this movement despite my disqualifications.

You have dissipated my ignorance and sown the seed of devotional service in my heart. After coming in touch with Hare Krishna movement with your causeless mercy, I am able to appreciate the message of the Lord which comes from Bhagavad Gita and Srimad Bhagavatam, and during the lockdown, we were provided the opportunity by the temple for a discourse of Bhagavatam and Bhagavad Gita morning and evening for 40 days.

This was a period wherein we heard the classes on Gita, Bhagavatam, Ramayana, and Vaishnava Acharya and tasted the Nectar and started to develop affection towards your renowned teaching.

You have always kept guiding us on how to make advancement on this sublime path and have given us a lot of avenues to keep serving the lotus feet of the Lord.

It is said in Srimad Bhagavatam that not only a pure devotee is pure, but whoever becomes his disciple also gets purified and becomes eligible to enter the kingdom of God without any difficulty and can also surpass death and by his grace, even the most difficult things become very easy.

I pray to you to kindly keep me engaged in your service and give me the shelter of your lotus feet.

Servant of the servant of the servant of your servant,

Thank you for shining the light on the path back to Godhead, for giving the holy name to save us from the association of material nature. Thank you for giving us "Srimad Bhagavad Gita As it is", "Srimad-Bhagavatam" and all your books to make us convinced and to free us from lamentation, fear, and illusion and also for giving us opportunities to distribute those timeless books to save others by your mercy.

गुरुदेव के चरण कमलो में मेरा सदर प्रणाम। गुरुदेव आप पतित पावन हैं, जो मुझ जैसे पतित को अपनी शरण दी हैं। प्रिय गुरुदेव, आप दया के सागर हैं और ज्ञान के भंडार।

आप के सानिध्य में मैंने इतना कुछ सिखा है, जैसे की- अपने जीवन को किस प्रकार भगवद प्राप्ति के लिए तैयार करना हैं। आपने छोटी से छोटी बातों को इस तरह हमें सिखाया हैं की हम जीवन भर नहीं भूल सकते। आपने हमारे जीवन को नई दिशा दी हैं वरना तो हम इस भौतिक जगत में भटक रहे होते।

आपकी जीवनी पढ़ते हैं तो लगता हैं की एक-एक शब्द हमें कुछ सीखा रहा हैं। सबसे महत्वपूर्ण बात आप बताते हैं की भगवान की भक्ति के लिए उम्र या स्थान या समय मायने नहीं रखता। किसी भी जगह, किसी भी वक्त और हमारे किसी भी उम्र की पढ़ाव में हम भगवान् की भक्ति कर सकते हैं, सिर्फ हमारे अन्दर दृढ़ चाहत होनी चाहिए। और प्रभुपाद जी, आपने जो हमें यह जीवन शैली दी है की सुबह उठकर ब्रह्ममुहूर्त में स्नान आदि कर 16 माला जप करना, भगवान की आरती एवं श्रृंगार करना, भोग लगाना, आपकी लिखी गयी पुस्तकों का अध्ययन करना, यह अपने आप में अतुलनीय हैं।

आप डूबते हुए को बचाते है यह साबित हुआ जब हम lockdown के समय में आपके भक्तों का संग मिला और तब पता चला की अभी तो हमने अपना भक्ति जीवन पूरी तरह शुरू भी नहीं किया है। आप कितने दयालु है प्रभु मुझे ऐसा लगता है की यह lockdown आपने हमारे भले के लिए ही करवाया है ताकि हम अपने साधना को और बढ़ा सके और मजबूत कर सके।

कभी कभी तो हम जब भागवतम कथा सुन रहे होते हैं तो लगता है कि यह कथा में जो आपके भक्त प्रवचन दे रहे होते हैं, यह सिर्फ मेरे लिए ही बोल रहे हैं। और मुझे इस पर अमल करना चाहिए। आपने हमारा जो मार्गदर्शन किया है ऐसा और कोई कर ही नहीं सकता। आप ही हमें कृष्णा भक्ति दे सकते हैं। और कोई नहीं दे सकता क्योंकि कहते हैं न "कृष्ण से तोमार, कृष्ण दिते पारो तुम्हारे सकती आसे।"

आपका जो प्रसाद वितरण का सपना था, वो आपके भक्त खूब निभा रहे है और कुछ सेवा का अवसर हमें भी दे देते हैं। जिसके तहत हम यहाँ गुवाहाटी में खूब प्रसाद वितरण कर रहे हैं "Pure for Cure" के झण्डे के तले, इससे कितने जीव लाभान्वित हो रहे हैं हम सोच नहीं सकते। हम प्रसाद सभी वर्गों में बाटते हैं, पर उनके लिए ज्यादा जरूरी है जो मृत्यु शैय्या पर पड़े है, जैसे की कैंसर हॉस्पिटल में हमारा रोजाना प्रसाद वितरण होता है और खूब हरे कृष्ण जप कराते है, मंत्र कार्ड बाटते है, वैकुण्ठ दर्शन मैगज़ीन वितरण करते है, यह मैगज़ीन सभी लोग, हिन्दू या मुसलमान, आपने आप आकर खरीदते है।

हरिजन बस्ती में जो हमारा प्रसाद वितरण होता है वहा हम देखते है छोटे नन्हे बच्चे दौडकर आते है हमारी गाड़ी देखकर, जिनके माँ बाप लोगो के घर की गन्दगी साफ़ करने जाते है। मैं समझती हूँ यह उनपर भी आपकी अहैतुकी कृपा है की उनको भी प्रसाद मिल रहा है।

आदरणीय गुरुदेव, आपने जो समाज में हमारी पहचान बनाई है हमें प्रसाद वितरण की सेवा देकर यह मैंने तो कभी सोचा ही नहीं। कोई भी कही भी मुझे देखता है तो कहता है " यह प्रसाद वाली हरे कृष्णा माताजी है। " गुरुदेव जी, आपका जितना वर्णन करूँ, उतना कम लगता है।

आप इतने दृढ़ हैं अपने उसूलो के की कही भी अपने नियमो से सुलह नहीं करते, इसलिए तो पाश्चात्य देश में भी आपने उन हिप्पियों से सारे नियम पालन करवा लिए यह एक अद्भुत तथ्य है। आपका गुणगान जितना करूँ उतना कम है, लिखने बैठने के पहले सोचती हूँ कहा से शुरू करूँ, और शुरू करने के बाद खतम ही नहीं होता।

गुरुदेव में तो पतित हु, आप कृपया मुझे अपने चरणों की धूल में रखकर अपनी दासी के रूप में स्वीकार करे। और मुझे सेवा में लगाए रखे अगर मैं उसके काबिल हूँ तो।

आपकी चरणों की दासी

प्रेममयी राधा देवी दासी

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to your divine lotus feet, all glories to your valuable service and contribution to this world. May your glories spread all over this planet forever.

Prabhupada you always say that 'Krishna's plans are always perfect no matter what they maybe'. I got a little glimpse of this saying during this LOCKDOWN period when the world is under crisis and people are in great anxiety and depression I got an opportunity to have Sadhusanga at home and your personal association by reading your books and recorded lectures daily. Previously these used to be my desire which has turn to reality during this period.

Prabhupada while studying your books specially SRIMAD BHAGWATAM I have found plenty of instructions. I am sharing 2 points from my limited understanding.

*"Anyone who engages in the worship of the Deity, or the form of the Lord in the temple, is understood to be studying all the Vedas twenty-four hours a day. Simply by decorating the Deities of the Lord, Rādhā and Kṛṣṇa, in the temple, one very minutely studies the injunctions of the Vedas." This verse actually brought within me the seriousness of the Deity worship. The purport of SB 4.7.46.*

*"If one wants peace of mind and tranquillity in society, he must accept the fact that the real enjoyer is the Supreme Personality of Godhead. The Lord is the proprietor of everything all over the universe, and He is the supreme friend of all living entities as well. By understanding this, people can become happy and peaceful individually and collectively. Here you have given the solution for today's problem, crisis, and mass killing which is going on around the world." The purport of SB 4.24.66*

I now realize why it has been stated that your books will be the law books for the next ten thousand years.

Lastly, Prabhupada, in this material world I am enjoying material things but trying my hardest to please Guru and Gauranga. Please be merciful unto me so that I can be the servant of the servant your servant. By Your Grace, I am very fortunate to be in Krishna consciousness and so I would like to show my gratitude towards you and thank you because, without you, I would still be lost in this material world. You have given us an opportunity to become a true devotee of Lord Sri Krishna. Without your sacrifice, we would not be here chanting the holy names of Krishna Thank you Srila Prabhupada for always showing me the right path and guiding me to becoming a better devotee.

Your fallen, grateful and hopeful servant,

Dear Srila Prabhupada.

Please accept my humble obeisances at your divine lotus feet.

All glories to you, Srila Prabhupada. And all glories to your Hare Krishna Movement and to your dedicated disciples.

Prabhupada, without your shelter my actions are of no value either materially or spiritually. It is mentioned in the scriptures that without the mercy of the spiritual master there is no hope, absolutely no hope, to attract the mercy of Krishna. Spiritual master carries the key to the treasure of love of godhead and only by his mercy anyone can have access to that treasure. And the only qualification to avail that key is the sincerity in following the instructions of Spiritual master.

Srila Prabhupada you are very compassionately trying to give us access to the treasure of Krishna Prema. You are still standing strong to claim the lost souls like me. Srila Prabhupada, we read about your dealing of love and compassion with your disciples like, cooking for them, taking personal care of them, forgiving them and the list is endless, by association with you through your lectures, Books & your disciples, over the years, I have realized how perfectly you have imbibed the mood to serve the Lord and His mission.

I can only pray and beg that by your mercy one day I can imbibe your mood in the service of devotees. By bestowing upon me the service of the most wonderful Sri Sri Nitai Gaurasundar you have given me a perfect way to develop my relationship with The Lordships. By your mercy, I try to perform the service in the best possible way.

I can assure you that Sri Sri Nitai Gaurasundar has completely taken over my life and I happily want to surrender to Them more and more with your continuous guidance.

Srila Prabhupada you have wrapped me in the blanket of your unconditional love and care. I feel so safe in the warmth of your presence by your Krishna Consciousness movement that I always want to stay around and serve you. Please bless me that I can keep your instructions at the forefront of my consciousness and march ahead in the service of the Hare Krishna Movement which is not different from you.

Aspiring to be your eternal servant,

My dear Srila Prabhupada

On this glorious 124th day of your appearance, I offer my most humble obeisance at your lotus feet again and again. As always, I find myself totally unqualified to glorify your unlimited transcendental qualities and achievements. Still, you are giving me the chance to glorify you.

This year 2020 along with LOCKDOWN is the most significant year for me. By your causeless mercy so many “miracles” are happening in my life. My dream became true on the path of reality. What I was searching is now knocking me at my doorstep.

Prabhupada, at the age of 70, you went to the western country to fulfill the transcendental desire of Lord Sri Chaitanya Mahaprabhu and Your Gurudev Sri Srimad Bhakti Siddhanta Sarasvati Thakur.

Mahaprabhu has told,

*"Prithivite ache yata nagaradi gram. Sarvatra pracar haibe more nama".*

*All over the earth, in every town and village, my name should be preached".*

By the mercy of both of you and Chaitanya Mahaprabhu, I am tasting the Nectar of Sankirtana movement and I always wanted to share this Nectar to everyone whoever comes to my contact especially with my Simple Villagers who are depriving of this Nectar due to their ignorance. This LOCKDOWN has given me the golden opportunities to connect them with your mission. Thank you for engaging me in your Sankirtana movement to preach the message of Lord Chaitanya Mahaprabhu to my villagers. You showed us how to push forward the Lord Chaitanya Mahaprabhu's Sankirtana movement by your own personal example.

In the Bhagavad-Gita Lord Krishna glorifies transcendental knowledge as the boat that can help us cross over the ocean of material miseries. Lord Krishna also says that transcendental knowledge is one of the fruits of pure devotional service. This knowledge is received from Lord Krishna or from his bona fide representatives. To achieve this knowledge, Srila Rupa Gosvami has advised us to use all our resources - body, wealth, intelligence, words, life in glorifying, and the service of Lord Chaitanya Mahaprabhu's Sankirtana movement. When we use all our energies to work cooperatively to preach Krishna consciousness, the Sankirtana movement will spread all over the world and our lives and others' lives will become perfect.

By your mercy, I am seeing more and more how this material world is a place of suffering.

But I am not afraid and disappointing for the present epidemic situation due to having strong faith in you and Krishna Prasadam. Honoring Krishna Prasadam makes us sufficiently resistant to all material infections.

You always taught us the process of chanting, dancing, worshiping the Deities, and taking prasadam in the association of devotees. You established very beautiful temples all over the world. You emphasized the importance of visiting the dhamas by establishing beautiful centers in Mayapur and Vrindavana. You worked hard to translate the Vedic texts for the benefit of humanity. Your books are now available in more than 28 languages all over the world. You stated that these books will give guidance for the next ten thousand years. People's lives changed after reading your books. You wanted us to study your books and also distribute them. You emphasized that book distribution is the highest welfare activity one can engage in. You are continuing to preach through your books, videos, and recorded lectures. You are our eternal father, guide, and well-wisher.

You taught us the real sign of spiritual advancement that is how one becomes humble and tolerant in any situation. Once again I want to beg you to give me the strength for doing offenseless chanting and for engaging me in your Sankirtana movement to preach the message of Lord Chaitanya Mahaprabhu. I did not know that I was wondering in this world for many millions of lives and you came to save me.

Thank you, Srila Prabhupada.

Your servant,

Ratna Malini Devi Dasi, Hare Krishna Movement Guwahati.

Hare Krishna Srila Prabhupada!

Please accept my humble Dandavat Pranam unto your lotus feet.

Thank you so much for keeping me under your protection and shelter for another year in your mission. The entire world is after protection from COVID-19 but they, unfortunately, don't know who you are!?! AND what Your Instruction is!?!? Your **Simple** instruction of 4 regulative principles and chanting 16 mala daily is the only way to come out of **Sinful** life and get protected from suffering due to the Lord's external energy. Please engage me and use me as an instrument to spread this message at this juncture of the world situation.

All glories to Bhaktivedanta PURPORTs, Nowadays I am Started hearing the OTHER SIDE of your purports of Bhagavad Gita and Srimad Bhagavatam. Previously I used to hear the various instructions of Devotional Service which gives restrictions or saying NO to do many things. But nowadays I am realizing why all those instructions said so. This makes me experience directly blossoming in the mind-body system, and often feel directly neurons firing in my brain. It's due to the creation of newer connections inside the brain. For example, following are few statements of your teachings and WHY it's said so.

Statement: Renounce / Give up / Surrender the results of work

Why it's said so: Results of one work actually entangle one in this world

Statement: You are not the body /Detach yourself from body

Why it's said so: The material body is the only cause of one's own suffering.

Statement: Eat moderate / Don't overeat

Why it's said so: suffering follows in the digestive system and excessive and uncontrolled sleep during chanting time and Bhagavatam class.

Statement: Don't find fault unless authorized and thereby committing Vaishnava Aparadh.

Why it's said so: The bad quality observed from others will come to me.

Statement: Self-realization is the real purpose of life and it's no choice

Why it's said so: One tries to satisfy his lust, and when he cannot, anger and greed arise. A sane man who does not want to glide down to the species of demoniac life must try to give up these three enemies, which can kill the self to such an extent that there will be no possibility of liberation from this material entanglement.

And many more above such instruction gives goosebump in my brain. Thank you so much for revealing this kind of connection to me.

Prabhupada! I thank you once again for inspiring Madhu Pandit Prabhu for making the wonderful study and revelation through Soulful video series which is really the SCIENCE OF SOUND! The information he has been sharing in those videos gives me confidence in how much right I progressed in my spiritual understanding. Before this video series, he was giving a new aspect/color/revelation/technique in his Bangalore meetings & symposiums. And those techniques of chanting normally retained and practiced and gave thrill for 1 or 2 weeks maximum. But now this Soulful Japa is like a 16 item feast every day! I am sure will give me perpetual new emotions and inspiration to keep the enthusiasm ON always. Hare Krishna Nama Prabhu ki Jai.

Prabhupada! Please bless me more so that I can take up your mission more seriously by following my authorities without questioning them much. No other purpose in my life is greater than practicing and preaching Krishna Consciousness all town and villages around me.

Prabhupada! You are my ever well-wisher and your books are really Matchless Gifts which contains teachings of Lord Chaitanya, Lord Kapila, Queen Kunti, and Prahlada Maharaja and gives one the nectar of devotion to Krishna the Supreme Personality of Godhead. The world don't know the easy journey to other planets and gets Elevation to Krishna Consciousness through Science of Self Realisation which is filled with Nectar of Instructions. The message of godhead is Krishna Consciousness is the topmost yoga system that takes one beyond birth and death and makes one contact Krishna, the reservoir of pleasure. Prabhupada thank you so much for giving this Raja Vidya – the King of Knowledge on the way to Krishna. Let me utilize this second chance on the journey of self-discovery which is even though governed by laws of Nature. But its Beyond Illusion and doubt one will get perfection of Yoga and get satisfy the Quest of enlightenment. Even though Gita and Bhagavatam repeatedly say Life comes from life but without the Light of Bhagavatam, Civilisation and its transcendence are not possible and to know what is real Dharma: The way of Transcendence.

Hoping to be your sincere servant one day

Sarvajna Chaitanya Dasa, Hare Krishna Movement Guwahati.

His Divine Grace A. C. Bhaktivedanta Swami Prabhupada

Please accept my obeisance unto your lotus feet

This year has been very turbulent for covid-19. On the other hand, all devotees have made this as a blessing for the spiritual progress. In the lockdown period Bhagavatam classes, philosophical talks, Ramayana classes, and Bhagavad Gita classes have really elevated us all. All this has been possible by your mercy.

As there has been progressing on the spiritual side, my family life has also improved. My wife has also been very co-operative now. We both get up early in the morning for Mangala Arati, Chanting, Bhagavatam reading, and in the evening Sandhya Arati. We also discuss these topics with each other.

One of the very important things that have happened is the coming of Lord Sri Gaura Nitai. Saroj was insisting me to bring Gaura Nitai Deities for our home temple but I knew she cannot serve them well. Secondly, I was not very sure where to get them. Therefore I was ignoring her. Then in the class, she even told Prabhu Ji that she wanted Lord Sri Gaura Nitai. Prabhu Ji promised to give them to us after the lockdown. I was very sure that we both are not at all qualified for how to serve them, therefore although Prabhu Ji promised her, he will forget this and the matter will be closed.

But one fine morning there was a call from Prabhu Ji that Gaura Nitai Deities will be given to you on dahi chira festival. It has changed our world. When one of us gets up, he or she runs to the temple to see whether Lord Gaura Nitai is comfortable. Are they happy? Then Prabhu Ji from the temple rang us to give more instructions on Deity services. For me, it is all your grace. Please continue to bless me till I reach back home back to godhead.

Your servant,

Shyamal Krishna Das, Hare Krishna Movement Guwahati.

*Om ajñāna-timirāndhasya jñānāñjana-salākayā  
cakṣur unmilitam yena tasmai śrī-gurave namaḥ*

I offer my respectful obeisances unto my spiritual master, who has opened my eyes, blinded by the darkness of ignorance, with the torchlight of knowledge.

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet. After taking Initiation from you this is my 3<sup>rd</sup> Vyāsa-pūjā offering to you. Thank you for offering me the opportunity for one more time to offer homage to you. This Vyāsa-pūjā as an offering unto you I would like to share my realization of some of your glories from reading your books in my life.

The Modern education system is hiding the matters in regard to God and also about the truth of the object of the existence of the human form of life by belittling the topics of spiritual matters. It is also training people to be insensitive to all these matters of self-realization process and practically people to be in the ignorance of spiritual life. Even one is inquisitive to know and searching after the truth, in this modern age of Kali we see so many explanations on the Supreme truth by so many so-called spiritualists, diverting from the actual truth of the spiritual life, even in reference with the scriptures. So undoubtedly it is very difficult for the ordinary jīvas to ascertain what actual truth is. But Srila Prabhupada, by your extended mercy you have made the way for the ordinary jīvas to ascertain what actual truth is through your preaching movement and institutions. If one, fortunately, comes in touch with you, just by constantly hearing your vāñī one can able to develop the inquisitiveness and eagerness towards Lord Kṛṣṇa within one's heart and can able to understand the Supreme Absolute Truth. In my case, I didn't approach your institution in an inquisitive mood, but still through the association of your institution I developed the inquisitiveness to know the Truth.

Before joining the temple I use to think when I hear that “The Bhakti path is the Highest, and every other yoga system is meant to bring one to Bhakti.” And statements like “Essence of whole Bhagavad-gītā is ultimately to surrender Lord Kṛṣṇa.” I use to have a doubt about how this is. And I use to think in ignorance that we hear that Lord Kṛṣṇa explaining so many subject matters like karma yoga, jñāna yoga, dhyāna yoga and many other aspects of items of knowledge. How come this is the essence of these entire subject matters. But Prabhupada, after joining the temple and reading your purports on Bhagavad-gītā little seriously I could able to see how these statements are exactly true. And I see you without compromising quoting the essence of the verses in a way leading towards devotion unto Lord Kṛṣṇa. Your purports undoubtedly reveal the heart of Lord Kṛṣṇa and the essence of all the Vedic knowledge. Your purports prove that Lord Kṛṣṇa/The Supreme Absolute Truth is a person. It clears once impersonal and void conception of the Supreme Truth.

Lord Kṛṣṇa tells in the Bhagavad-gītā in 2<sup>nd</sup> chapter verse no. 52 and 53

*yadā te moha-kalilam buddhir vyatitariṣyati  
tadā gantāsi nirvedam śrotavyasya śrutasya ca  
śruti-vipratipannā te yadā sthāsyati niścalā  
samādhāv acalā buddhis tadā yogam avāpsyasi*

“When your intelligence has passed out of the dense forest of delusion, you shall become indifferent to all that has been heard and all that is to be heard. When your mind is no longer disturbed by the flowery language of the Vedas, and when it remains fixed in the trance of self-realization, then you will have attained the Divine consciousness.”

Prabhupada the aspects which Lord Kṛṣṇa mention in Bhagavad-gītā, we can able to see it in your purports. Generally, people bring all types of devotional activities under *Catur-vidha puruṣārtha*. Most people cannot ascertain which activities can be seen as activities under karma-kāṇḍa and which activities can be seen as activities on the transcendental platform. Many get bewildered by seeing the pastimes mentioned in the scriptures and hence they won't be able to come to the right

conclusion and bring all the pastimes under their own level of understanding. But in your purports of Bhagavad-gītā and Śrīmad-Bhāgavatam, we can see that without any confusion you explain the pastimes in the scriptures to which level platform those activities belong to. As stated by Lord Kṛṣṇa this can be possible by only those who have attained to Divine consciousness [samādhi]. We see so-called gurus explaining about Samadhi and many other spiritual aspects but not living practically in that consciousness. But you are the person who lived in the state of that supreme consciousness. And you have lived yourself as an example of a person in pure Lord Kṛṣṇa consciousness. Like this your qualities and glories unlimited.

Dear Srila Prabhupada thank you for keeping this underserved disciple of you by giving shelter at your Lotus feet. I request you that please never abandon me from your service even I act foolishly because for this soul there is no other way.

Your insignificant servant,

Venu Madhava Dasa, Hare Krishna Movement Guwahati.

Dear most Srila Prabhupada,

Please accept my humble Obeisance on to your lotus feet. All Glories to You.

Because of my association with you for almost a decade now, you have come to take a position where I feel like addressing you as “My Dear most Spiritual Master”. You have put everything & everyone in my life to the backseat and have become dear most to me.

Prabhupada your contribution in the form of your teachings to the world is immense. You have fantastically presented Krishna Consciousness giving one “Krishna Prema” thus ensuring that one’s life doesn’t become stale and is ever fresh. Having come in touch with you, one’s life becomes meaningful instead of getting wasted.

I cannot help but admire the way you have made the tough Vedic literature comprehensible to the common masses which otherwise was not accessible to them. Your feat of making 10,000 devotees and building 108 temples speaks of the divine power of yours, separating you from the bracket of the ordinary human being.

You are a perfect Guru, a perfect master, and a perfect teacher who shows us the way to the absolute. You are compassionate, dheera, loving, forgiving, and full of mercy and are always there to warn us of the pitfalls we may come across in our spiritual journey. Your teachings always concentrate on one developing Krishna Consciousness and you always condemn scholarly pursuits. You always want us to develop the right consciousness by understanding the message of scriptures in spirit. You always insist on us becoming humble and rise from the level of being selfish to selfless.

You reprimand us the way a father does for the well being of his children making us understand how deeply you love us all. You always remind us of our true identity thus keeping us balanced on our spiritual journey. Though we keep falling down we know we have you, who are showering all mercy love compassion, giving your hand, and always being there in every step and moment of our life. You tell us very minutely what Krishna likes and dislikes thus charting out the course of life we should take. You tell us that the love for Krishna is there in us but that is dormant and needs to be awakened by doing devotional service to him. Your perfection and genius lie in the fact that you always told the truth without mixing it with anything.

It would have been a disaster if you would not have been there because we would have continued to be lost in the material world never waking up to find what the real goal of life is. I offer my respectful obeisance to a perfect guru, a perfect mentor, and a perfect savior.

Your Servant,

Vibhawati Devi Dasi, Hare Krishna Movement Guwahati.

Dear Srila Prabhupada,

Please accept my most respectful obeisance at your holy feet. All glories to you.

Today when I write this we are in the midst of complete lockdown in Guwahati, Assam because of the spread of pandemic "Corona". What surprises me is the fact that when everything has come to a complete halt, the spread of Krishna Consciousness has taken a completely new dimension and has increased many folds. It is reaching too far many people and people are also more receptive to it. It thus reflects that how the prophecy of Chaitanya Mahaprabhu is coming true and at the same time giving joy and reassurance to all followers that we are headed in the right direction and this truth will reveal to all those who have still not realized it.

Prabhupada, I have been following Krishna Consciousness for almost the last ten years. In the initial years when I came to know of this tradition of writing Vyasa puja offering to you on the occasion of your appearance day, I took this to be a very important part of developing an appreciation for you. I realized that this is a time when words were given to our feelings and thus helping us to reinforce our faith in the concrete expression of our feelings, which otherwise remained abstract. I always tried to work towards this exercise with sincerity. In the process, I went past many stages wherein slowly but surely my appreciation for you increased. It is always an occasion where I dive deep into my consciousness to see how your association and teachings have brought a change in me and what is my level of gratitude towards you for bringing about such a change.

Changes are there which are apparent, but I find myself struggling to find out that deep sense of gratitude which should be there. You have so mercifully dedicated your entire journey on this earth and you are still continuing to dedicate yourself to teach us the science of self-realization. You have painstakingly made available all the knowledge that is there in scriptures towards this end. You also left no stone unturned to illustrate us, how this knowledge has to be applied in our day to day life practically, be it in the form of examples from the scriptures or from the conduct of your personal life. Your personal life is a testimony to the fact that how the real purpose of human life is to engage in the loving devotional service of the Lord and how such engagement can free us from the greatest fear of life. But our fear is so deep-rooted that it fails to see such stark example and we continue to grope in the dark alleys of this material life.

But in spite of all these, I will still try to tread the path shown by you till the day that feeling of gratitude doesn't overpower me completely. I, while carrying out your instruction will wait for the day when I will develop that feeling of surrender to you spontaneously, and then maybe I will not find myself struggling to write a tribute which will be heartfelt and will be totally selfless. In the meantime please accept this tribute overlooking all my faults and lustful desires which are there in my heart like venomous serpents ready to go rampage on the slightest of the pretext. I can only pray to you, being fully aware of your mercy, to keep me going on the path of this spiritual progress till the time I may be of any help to carry out your mission further.

Trying to be a servant of your servant,

Vijay Gopal Dasa, Hare Krishna Movement Guwahati.

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to you.

It's very long back when I visited ISKCON Bangalore temple while I was pursuing at IISc Bangalore. The devotees in the temple introduced me to the book titled "The science of self-realization". They said you are a science student and here is the book explains the science of the Soul. Please read it. I have gladly accepted it and after reading this book, I started understanding the purpose of the human form of life. I was introduced to chant Hare Krishna maha-mantra and asked to chant daily. After I came out of Bangalore and I lost touch with the temple and the chanting. After many years again in Guwahati, I got the touch with devotees and revived back my relation with ISKCON. Now I also started reading Bhagavatam and Bhagavad-Gita regularly. This keeps me not worried about material things. I want to thank you Prabhupada for all the wonderful books. Please continue to bless me so that I can continue pursuing a life in this manner. Hare Krishna.

I would like to convey my gratitude on this auspicious day.

Yours sincerely,

Dear Srila Prabhupada,

My dear most merciful Prabhupada. This is the first time I am writing Vyasa puja offering to you. I am not qualified to glorify you and speak about your transcendental qualities.

Please accept my humble obeisance at your divine lotus feet and all glories to Your Divine Grace.

Since 2018, I have been associated with the Hare Krishna Movement and only by your mercy; I have been able to practice Krishna Consciousness.

Before joining the temple, I was not the same person who I am today, my previous understanding of life was to enjoy to the fullest. Now through your teachings, I have understood that human life is meant to do Tapasya, to serve Lord Krishna, and to find real happiness in Krishna Consciousness. You taught what the goal of human life is. In spite of my many

shortcomings and sins, you have given me the opportunities to serve you. Today when I look back in the past, I see that many of my bad habits and bad associations are all left behind for good. And this change is only because of your causeless mercy on this fallen soul. But still, I am an offender and often seek sense gratification. Therefore, I am praying at your lotus feet, please drag me forcibly on the path of devotional service, make me eager and confident and let me taste at least one single drop of pure Bhakti.

By holding your finger in the form of your books and instructions I truly feel safe and fearless. It's a great fortune for me to have a spiritual master like You.

On this auspicious day of your appearance, I want to humbly request you to bestow mercy on this most fallen soul so that I can chant the holy name and listen very carefully and attentively, follow all your instructions, read your books regularly and always associate with pure devotees. I beg you to give me the strength to perform devotional services without offenses.

And also I thank all the Vaishnavas, who have inspired me to take your shelter.

I beg for your mercy to always keep this fallen soul to your lotus feet. I bow down to Your lotus feet again and again. Jai Srila Prabhupada.

Your most fallen servant,

Bhakta Ankur Agarwal, Hare Krishna Movement Guwahati.

Dear Prabhupada,

Hare Krishna! Please accept my humble obeisance.

After joining ICVK (The Indian Culture and Value for Kids), I have learned so many values of Indian culture like Respect, Tolerance, Discipline, Faith, Forgiveness, and Courage. Be a student of ICVK is always very joyous! There I learned how to chant Hare Krishna Maha Mantra and performing Kirtan. Last year during Janmashtami I got the opportunity to perform on a big stage, I performed the slokas chanting as well as participated in the Drama for which I am thankful to ICVK and your Hare Krishna Movement. Thank you Prabhupada for giving all this.

Hare Krishna.

Jai Srila Prabhupada, Hare Krishna,

Dear Srila Prabhupada,

First of all, on this auspicious Appearance Day, I offer my sincere and respectful obeisance unto the lotus feet of His Divine Grace A. C. Bhaktivedanta Swami Prabhupada, founder Acharya of worldwide Hare Krishna Movement.

Srila Prabhupada, you are my source of strength and inspiration. The message of Krishna Consciousness is spread globally with your great efforts. You had been faced to bear great pains, crossing all the hurdles on its way. You have shown the world the light of Bhagavata thereby elevating and changing the lives of many fallen souls. You have stressed upon people's participation in various devotional and spiritual activities and more particularly in the distribution of books amongst masses.

Srila Prabhupada, with your blessings and KRIPA, I have been able to associate myself in temple programs and activities, observing Ekadashi regularly and chanting sixteen rounds of JAPA MANTRA---Hare Krishna Hare Krishna, Krishna Krishna Hare Hare, Hare Rama Hare Rama Rama Rama Hare Hare

My Beloved Gurudev, I further pray to you to bestow your mercy and blessings on me for the continuation of my selfless association with the Hare Krishna Movement for all times to come.

My association with ISKCON has proved to be very rewarding and fruitful during my visit to the US (Newark, California State) for long four months, Feb/20 to June 7th/20. I could easily pass this long period---when there was Lock-Down due to pandemic COVID-19 by chanting Powerful JAPA MANTRA and reading SRIMAD BHAGAVAD GITA AS IT IS. With your mercy and blessings, it was all possible to come back to India safely on 9th June/20. Your prescribed all Powerful medicines of JAPA MANTRA made it possible during Corona Crisis. Please save the World from this dreaded virus.

Dear Srila Prabhupada, you have made available a beautiful plot of land for Temple Project in Guwahati. Now, we the devotees of Hare Krishna Movement sincerely pray to your good self to shower your blessings thereby engaging our devotional services so that this beautiful plot of land is soon converted into a big Radha-Krishna temple complex in this part of the world.

All Glories to Srila Prabhupada.

Your Humble Servant,

Even though you're physically absent however your books and other spiritual works have us feel your presence and fostered our way to Krishna consciousness. By your mercy, I have been able to chant 16 rounds of Hare Krishna maha-mantra regularly and read your books as well. Dear Srila Prabhupada,

Please accept my humble obeisance and all glories to you.

I could write only a small humble offering in a poem format to my spiritual master Prabhupada on his auspicious appearance.

Prabhupada, when I chant, it is only you

Who makes Japa mindful and takes me through

Through the sixteen rounds, even I don't possess any qualification

My hearing is imperfect, still, you bestow reciprocation

If someday during Japa, I get some transcendental delight

Next day I can't chant, because I pursue pleasure like a parasite

My mood is to not render service, my mood is to exploit

Confidential knowledge does not get revealed in heart, reading becomes maladroit

If any doubt is there in my heart if in service I am sincere

You show path by your words, the mental concoction is bound to disappear

Please forgive me for any mistake committed knowingly or unknowingly in my words, actions, or even in my mind. Please bless me that one day I could write a better offering and accept my humble obeisance at your divine feet.

Aspiring to be your servant,

It's a wonderful aspect to understand how is it possible after departing from this mortal world these many people accepting the teachings given by you. That means he is not actually departed. Yes, Prabhupada lives forever in his books. Prabhupada was the faithful, kind, patient, persistent teacher. Through your vast

knowledge in Vedanta, you have given in your books whatever is required for all humanity. Because of your efforts, the people of this world are turning from everything else and are learning to repose their love at the lotus feet of Lord Krishna. Dear Srila Prabhupada,

Kindly accept my humble obeisance unto your lotus feet. I am very much obliged that for the first time I got an opportunity to write your glories on this auspicious day of Vyasa Puja. I have been in the association of the Hare Krishna Movement for the past 1 year. At our Hare Krishna Temple, I still remember the day when for the first time I have taken Japa Mala and chanted Hare Krishna Maha Mantra. At that time, I didn't know much about the Supreme Personality of Godhead and about you. But by your mercy and by the inspiration of other Vaishnavas in the temple, today I am a different person. I can see many positive changes in me after started chanting regularly. Thank god for giving me such a wonderful opportunity to get connected to you.

After hearing many lectures on Bhagavad Gita and Bhagavatam, Now I am able to discriminate between right and wrong. I am very much fortunate to have you as my Spiritual Master.

By reading your books is like divine shelter. Whenever, I am in anxiety, anger, distress I read your books and feel coolness and clam. Your books are like mercy on me. Whenever I have a question in my mind, I search in your books and I always get the answer.

I want to request you please forgive me for my misdeeds and bestow me to continue my chanting daily without missing.

Dear Srila Prabhupada,

It is the Kripa of Srila Prabhupada that somehow I am associated with the Hare Krishna Movement. Now I feel and believe that someone (Lord Krishna) is there behind me to help me to cross the ocean of the material world and move on towards Krishna consciousness. I think on the path of Krishna consciousness I am just a newborn baby and I believe Srila Prabhupada and his followers (all Prabhus) will help me to speak, stand and walk towards the path of Krishna consciousness.

Hare Krishna!

Jai Srila Prabhupada!

Please accept my humble obeisance!

A person who has tasted only bitter-gourd throughout his life may feel like it is the best thing to eat unless someone offers him something sweeter. In a similar way, influenced by the gross material outlook, the society impinges upon the young generation in such a way that the best they could dream of is to work hard in order to get a big house, a luxurious car, a huge bank balance and so on, not to mention of the situation of dreaming to get the same things without working hard! A little intelligence is required to raise the question – “Are those people who have already reached heights in material success really happy in their lives?” There are enough shreds of evidence to show that this is not really the case. Being an embodiment of compassion, you undertook a journey at the age of seventy, risking your life, just to guide the ignorant

world towards the real source of happiness - Lord Krishna. Fortunate are all those who have come in touch with your divine teachings and have situated themselves in the transcendental plane of true happiness - fishes back to the water.

You have sacrificed your nights' sleep just so that I can get the Srimad Bhagavatam to read and understand the topmost literature to attain the love of Lord Krishna. How can I think of leaving a single verse unread! Please bless me so that I can become situated in the right knowledge and aid in fulfilling your mission, which is in full alignment with that of Lord Chaitanya Mahaprabhu. Please bless me so that I don't fall down from the standard of the four regulative principles and chanting the prescribed number of rounds for this lifetime.

Your humble servant,

Bhakta Joy Prakash Das, Hare Krishna Movement Guwahati.

O' great Divine Grace A.C. Bhaktivedanta Swami Prabhupada,

You came to this material world in 1896 in Calcutta (Kolkata presently). After getting in contact with your spiritual master Srila Bhaktisiddhanta Sarasvati Gosvami you took the mission of dedicating your life to teaching Vedic knowledge to the world. After taking sannyasa (renounced order of life) in 1959 you compiled Srimad Bhagavatam and wrote Easy Journey to Other Planets at Radha-Damodara temple in the holy city of Vrindavana. You arrived in the US (United States) in September 1965 for spreading the Vedic knowledge and converting them into Krishna consciousness. You established the ISKCON (International Society for Krishna Consciousness) in July 1966 and Gurukula School in Dallas, Texas in 1972. You also took a lot of initiatives for India by planning a spiritual center at Sridhama Mayapur, in Nadia district of West Bengal, magnificent Krishna- Balarama temple in Vrindavana, international guesthouse, Gurukula School. For spreading the spiritual knowledge to the whole world your writings have been translated into over fifty languages. Also, Bhaktivedanta Book Trust was established in 1972 for publishing your valuable written works and became the world's largest publisher of books in the field of Indian religion and philosophy. Despite being at such old and advanced age you circled the globe fourteen times that took you to six different continents. Finally, you departed from this material world on November 14, 1977, and have made a strong foundation of Krishna consciousness throughout the world in which the world still remembers you in present times in spite of an advancing the Kali Yuga which is a time of quarrel, irreligion, and hypocrisy.

Here is the point, is that you really departed from this world? Otherwise, how is it possible even today there are many people becoming devotees of Lord Sri Krishna from around the world? It is a very wonderful thing to always meditate on. By your mercy, I am chanting Hare Krishna Maha-mantra and trying to understand many aspects of knowledge through your books and through your disciples. Please bless me one day I will reach to a stage I will not have any questions to ask and simply follow the path of Krishna Consciousness by chanting daily and doing service in the temple and participate in the festivals conducted by the temple. Thank you very much for helping me to understand the goal of human life.

Yours sincerely,

Bhakta Kamaljyoti Talukdar, Hare Krishna Movement Guwahati.

My dear Lord and master Srila Prabhupada,

Please accept my most humble obeisance at the dust of your divine lotus feet.

After I had spent my life searching for truth and happiness, Your Divine Grace finally provided us the true love for the Supreme Personality of Godhead, Lord Sri Krishna.

For this, I am eternally indebted to your love for such a fallen soul as I.

I beg your mercy in the form of the association of pure Vaishnavas.

I feel immense pleasure in writing an offering unto your divine lotus feet. This is how one can judge true pleasure—in having distant connection Krishna's pure messenger.

Your servant,

Bhakta Kishan Singh, Hare Krishna Movement Guwahati.

Dear Srila Prabhupada,

All Glories to the Savior of the whole world Jagad guru Srila Prabhupada. I thank you Srila Prabhupada for your causeless mercy upon me, which let me engage in chanting the holy name of the Lord, 'Hare Krishna Hare Krishna Krishna Krishna Hare Hare, Hare Rama Hare Rama Rama Rama Hare Hare'. You saved us from all other indirect ways of realizing the Absolute Truth and directed us to the direct ways of realizing the Absolute Truth via ABCD of bhakti-yoga.

A – Association with Devotees

B – Book (Bhagavad Geeta, Bhagavatam, Chaitanya Charitamrita) Reading

C – Chanting of the holy names (minimum 16 rounds daily)

D – Devotional Service to their Lordships (Narada Pancha ratrayaki vidhi)

O Spiritual Master, you not only shared this knowledge with us; rather you created an ecosystem in the form of ISKCON to facilitate all of these easily. In the ocean of sufferings (material world) and in the age of quarrel and hypocrisy (kali yuga) ISKCON is the only hope for the fallen souls of this age. Thank you, Prabhupada again for connecting my soul to the Nama Prabhu making me participate in the Lord's Leela despite being in such a fallen condition. Please bestow your mercy and enable me to be an instrument to spread your instructions to more and more souls. May your glories be spread all over the three worlds. Jai Srila Prabhupada.

Your servant,

Bhakta Pintu Kumar, Hare Krishna Movement Guwahati.

Dear Srila Prabhupada,

All glories to your divine grace. Please accept my humble obeisance.

I introduced myself to Krishna consciousness when I was studying masters at Guwahati. I visited the temple with my friend, where I got answers to my questions. I realized that the goal of life shouldn't be materialistic. I started to chant and follow four principles of Krishna consciousness. With the time, I felt that nothing is more pleasant than bhakti of lotus feet of Krishna. I need your grace so that I can serve the lotus feet forever.

Thank you for everything you explained for all my understandings.

Yours sincerely,

Bhakta Prashant, Hare Krishna Movement Guwahati.

Dear Srila Prabhupada,

Please accept my humble obeisance.

I am in the regular counsel of your devotee from the Hare Krishna Movement. My life got positive vibes from the day I came in touch with the lotus feet of Sri Krishna under the guidance of your disciples with your blessings Srila Prabhupada. I started to visit the temple which is near my college premises. When I went there, I felt the positive energy around. I started chanting Hare Krishna maha-mantra one mala every day but not 16 malas which Prabhu had told me to do. I have decided to do that from tomorrow at least 2 malas. I'm very thankful to temple devotees for their selfless love over the insignificant person like me and to uplift from the material world which is full of Maya to the lotus feet of Lord Krishna. Dear Prabhupada, please accept my humble obeisance.

Yours Sincerely,

Bhakta Prem Kumar, Hare Krishna Movement Guwahati.

Hare Krishna,

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to you.

It's my privilege to offer my gratitude towards Srila Prabhupada on this day of the Vyasa Puja. Srila Prabhupada made a great impact on my life. Srila Prabhupada, you are the one who traveled the world 14 times and delivered the lectures on Krishna Katha and made thousands of disciples across the world. You also made so many Lord Krishna temples throughout the world. You are the only founder of Hare Krishna Movement and because of you we all are here and if you wouldn't have been there then I would not have been in touch with the devotees of Hare Krishna Movement Guwahati and it is by your grace that all these days of lockdown due to pandemic I got the association at Hare Krishna Movement Guwahati and Prabhu from the temple has instructed me to chant 3 rounds daily though I am aware that your prescription is to chant 16 rounds daily, I am not yet ready now. So please bless me to continue to finish daily 3 rounds of Hare Krishna Maha-mantra and follow the instructions of your disciples so that I can reach you one day.

Thanking you for all the things you have given me to come out of this material existence.

*Hare Krishna Hare Krishna Krishna Krishna Hare Hare, Hare Rama hare Rama Rama Rama Hare Hare*

Yours sincerely,

Bhakta Prosenjit Debnath, Hare Krishna Movement Guwahati.

Dear Srila Prabhupada,

I offer my respectful obeisance to your lotus feet.

I have been following you for the last few months and accordingly, I have understood that how you have always selflessly helped all the devotees of Krishna to attain the blessings of Krishna. Your guidelines are way simpler and clear which helps us to gain spiritual happiness. I am one of the fallen souls who have lost all hopes and motivations in life and have just started to chant the holy mantra and even joined Krishna Consciousness so therefore I kindly and wholeheartedly request you to accept me at your feet and provide me with a direction towards Krishna Bhakti. You have changed the lives of

millions of devotees without asking for anything in return. I also want to be in the list of true Krishna Devotee and free myself from this painful and temporary materialistic world by your grace and blessings.

So I fall at your lotus feet and pray for your causeless mercy. Again I offer all my obeisance at your lotus feet and pray that I may become an instrument in your service if you so desire. Hare Krishna. Hari Bol.

*GURU BRAHMA GURU VISHN, GURU DEVA MAHESHWARA*

*GURU SAAKSHAT PARA BRAHMA, TASMAI SRI GURUVE NAMAHA*

My Dear Guru Maharaja, Please accept my humble obeisance. All glories to you on this auspicious day of your Vyasa Puja.

Vyasa Puja celebration started by Srila Prabhupada our Guru Maharaja. Vyasa Puja is the puja of our Gurudev and also celebrated as Guru Purnima as this day marked the birth anniversary of Gurudev Vyasa, who is generally considered the author of Srimad Bhagavatam is the most complete authoritative exposition of Vedic knowledge.

I am very much blessed because I have the opportunity to join the Hare Krishna Movement, Guwahati since 2012 and realized it is a Great Institute of Vedic knowledge. I found myself changed in my lifestyle after came to the lotus feet of my Guru Maharaja. I learned that what should be eaten and what should not, what to listen to and whatnot, what to speak and what should not be spoken and what I should see and should not be seen. This all I found possible in my life only because of the grace of my Guru Maharaja Srila Prabhupada.

I went to KAILASH MANSORAVAR YATRA (China) selected by MEA in 2010 (7th Batch) and successfully completed the Yatra as DLO and gradually completed all the Five (5) KAILASHES. By the grace of Guru Maharaja Srila Prabhupada, the temple authority called all of us (8 Yatris) who went two (2) KAILASHES in HIMALAYA and blessed us with a Srila Prabhupada special class and Prasadam in 2012. At present out of (8 Yatris) of us, I am only attached to the Temple since 2012 at Guwahati.

Again it is my good luck that last year I have been given shelter under the lotus feet of Guru Srila Prabhupada as "Sevak".

It is my heartiest pray to Srila Prabhupada that always I am blessed so that I could walk strictly on the path shown by him and I blessed to be an obedient Soldier of his Movement.

Jai Gurudev Srila Prabhupada.

Your humble Servant,

Bhakta Sailendra Das, Hare Krishna Movement Guwahati.

Hare Krishna

All Glories to Srila Prabhupada! Please accept my respectful obeisance's at your lotus feet.

There is a great significance of the presence of a teacher in one's life, and especially when it's a spiritual teacher, who guides us on our way towards Spiritual Development, which is the fundamental goal of every human being, and purpose of human life. But due to the lack of a bonafide spiritual teacher or guru, people are ignorant about this and get deflected and diverted to other mundane activities of life, which leads them to distress, dissatisfaction, loneliness, and failure in life.

In this age of kali-yuga, where people are misled by the fake propaganda of this world, misguiding philosophies, and their so-called spiritual interpretation, it is very important that we take shelter of a guru who is above all this and gives us the true and perfect knowledge about the spiritual enlightenment. One, who comes in Parampara, or an authorized succession bringing the knowledge and its essence as it is and presents them in a way that can be understood by everyone, irrespective of their material designation. Srila Prabhupad is one such person who has all these qualities, and even more, a pure devotee of the lord, who for the sake of the fallen people of this world, compromising all his comforts, at the age of 70, went to the west on a cargo ship with just 40 rupees in hand, to preach the true and pure message of Godhead to the entire world and deliver us from the clutches of this material world and its sufferings.

From 1965 till today, there are millions of souls who have been delivered and benefitted with the teachings and blessings of Srila Prabhupad. His worldwide movement has touched many people all around the world including me and my family.

I have been in touch with this movement and Srila Prabhupad, and I know the impact it has made in me. The whole perspective about life has changed and it has given us a clear and better picture of the world. The main qualification of an Acharya is that he always teaches others through his example, and Srila Prabhupad is a perfect example of an Acharya. Every phase of his life is a lesson to be learned and followed. Each and every activity of him, preach us that how we should surrender to Krishna, how we should do Bhakti, how we should serve Krishna, and many more. He explained us who is the Supreme Personality of Godhead, Krishna, who are we, what is our position, how to escape from this world which is temporary and full of suffering, he gave us the essence and conclusion of the entire Vedic Literature summarised in just a few books, which would have been otherwise not possible for anybody to read and understand in one's lifetime. And he has presented us everything in such a simple and palatable manner that anybody and everybody, irrespective of his qualification, can easily understand.

In the scriptures and Bhagawatam, it is mentioned that only a person who has many Punya karma accumulated, who has done many austerities and charities and good deeds in his previous lives, can understand about Krishna and become a devotee. But Srila Prabhupad is so compassionate towards the jivas of this world that only by his causeless mercy; he can give anyone Krishna Bhakti, irrespective of his past deeds. And this shows how pure and elevated Srila Prabhupad is, and the compassion and qualities that he possesses. He was compassionate even towards animals that came in his contact.

Srila Prabhupad has made the process of Bhakti so easy that only by chanting 16 rounds, following four regulative principles, and having association of devotees, we can also get Krishna Bhakti. He gives every soul a chance to do service to Krishna and his devotees in any possible manner, through which we can purify ourselves. Even I have also got so many opportunities to serve him, but we are so unlucky that we are unable to appreciate it and follow it seriously.

From the time I have come in touch with this movement, I have achieved some things, earned few accolades and also got sorted with many other things, which would have been not possible otherwise, thinking from our own perspective, and also experienced many miracles proving that Krishna is always taking care of me, but despite that, I am many times disrespectful and careless towards his instructions, but still, because of his causeless mercy, he has kept me under his shelter, protecting me always.

So Prabhupad, today on this auspicious day of your appearance, please bless me that I always remain under your shelter, keep serving your mission in any possible manner and try to follow your instructions seriously.

All glories to you!!!

Always at your service,

Bhakta Sanskar, Hare Krishna Movement Guwahati.

Dear Srila Prabhupada,

Please accept my humble and respectful obeisance at Your lotus feet.

Srila Prabhupada, You're my spiritual master, my inspiration, the life and soul and you are my role model. I was born in the darkness of ignorance. You have made my eyes opened by the torchlight of knowledge. I offer my obeisance again and again unto you.

Srila Prabhupada, by your mercy through Akshaya Patra I got this wonderful opportunity to serve your servants from the last 7 years in this Sri Sri Nitai Gaurasundar Mandir. They are inspiring me for the last 7 years from all the sides of devotional life. I'm grateful to serve them even though I'm sinful and fallen. Especially by the mercy of authorities, Srila Prabhupada and Srimati Radharani, I had the chance to visit Sri Dham Vrindavan. Without the mercy of Srila Prabhupada, I would have never gotten the opportunity to see the sacred places such as nandagaon, barsana, and do parikrama of Govardhan and Vrindavan.

I consider this year as the turning point of my spiritual life. Because of the Covid-19 pandemic whole world has been locked down. In India also this lock-down started in March month. In that first 21 days, I got the opportunity to practice 16 rounds of chanting daily. And it became a part of my life from then on. Along with that, under the guidance of devotees more or less I could practice mridanga. I have started developing an interest in reading Srimad Bhagavad Gita as it is and other books of Srila Prabhupada. I got the inspiration to know more about Nama Prabhu. It is only by your mercy that I could progress little in these spiritual fields.

At last, I just pray to you that, under your guidance may I become capable to go on serving your servants of the servants of the servants. I have not taken Harinaam diksa yet. I pray that may I get Harinaam diksa and remain in the shelter of the dust of your lotus feet. May I follow the four regulative principles and take only Prasad. This is my humble prayer to you.

At last, I want to beg forgiveness for mistakes done unknowingly at your divine feet.

All glories to Srila Prabhupada. Please accept my obeisance unto you.

Your aspiring servant,

Bhakta Shankar, Hare Krishna Movement Guwahati.

Dear Srila Prabhupada,

Please accept my most humble and respectful obeisance.

*brahmāṇḍa bhramite kona bhāgyavān jīva*

*guru-kṛṣṇa-prasāde pāya bhakti-latā-bīja*

As highlighted in the verse all living entities are wandering throughout the entire universe and need blessings to be associated with Lord Krishna via a bonafide Parampara.

The Brahma Madhva Gaudiya Vaishnava Sampradaya is the disciplic succession (Sampradaya) of gurus starting with Lord Krishna himself.

Association with this bonafide Sampradaya is indeed a blessing and it is due to limitless mercy of Krishna and Guru that one is able to get associated with the Krishna Consciousness.

It is said that even Lord Brahma and the demigods are unable to understand Lord Krishna and what to say of ordinary living mortals in this age of Kali. However, only by His pure devotees, Lord Krishna can be understood and certainly conquer Your Lordship, although you are otherwise unconquerable by anyone within the three worlds.

Lord Chaitanya Maha Prabhu by his immense mercy provided the chanting method for the people in the age of Kali to receive the love of Godhead.

Dear Prabhupada, due to your relentless endeavor due to which Krishna Consciousness has reached throughout the world in the present age an avenue has been created for the deliverance of the souls.

Words would indeed be short to describe the glories of the work being done and of the world-wide Krishna Consciousness Movement.

Soliciting your blessings and mercy,

Bhakta Shekharjyoti Talukdar, Hare Krishna Movement Guwahati.

Dear Srila Prabhupada,

Today is the most significant day in the history of the human race and on this auspicious day of your divine appearance, I feel privileged to offer my humble obeisance's at the dust of your lotus feet. All glories to your divine grace.

Like every year I fall short of words to describe your unlimited glories due to my inability to express my gratitude to you. By your causeless mercy and the regular association of devotees this year I have moved a step further in my devotional life by developing a taste for the regular reading of the divine Vedic literature translated and explained by you. When I go through the purports of the Srimad Bhagavatam I am awestruck by your divine realizations and the depth of your understanding of the supreme Lord Sri Krishna and his activities. This literature takes one to a different world altogether and awakens the soul within which I have been totally oblivious about due to being in ignorance all this while. In recent days I have been blessed to actually experience something you had spoken to one of your disciples about the importance of your books.

*"Do you know that every day even I read my own books? Do you know why I read my books? I read my books every day because even I learn something new when I read my books. These are not my books. I do not write these books. Every morning, when I sit here to write my books, Krishna comes personally and dictates to me what to write. I simply take dictation from Krishna to write these books. Therefore, when I read them, even I learn something."*

Srila Prabhupad how blessed we all are to be a part of this glorious institution and to get such knowledge that comes directly from Krishna. You have exemplified in your own life what it means to be an Acharya and have proved to the world in true sense what exactly it is to be detached. You have always been a humble servant of Krishna be it staying in a modest facility at the Radha Damodar temple and living on madhukari or traveling the whole globe in first-class airline seats and living in the best facilities in the poshest cities of the world. It can be very well learned from your life how Maya can never touch a pure devotee of the Lord for he knows nothing but Krishna.

It has been an amazing experience to learn about your eternal pastimes in this mortal world, how you established the 1st ever Iskcon temple in 26 2nd Avenue New York followed by San Francisco and other cities. How you dealt with the first set of devotees, the first initiation ceremony, the 1st ISKCON marriage ceremony, and how you compassionately distributed Lord Chaitanya's mercy to the most fallen souls making them indeed the most fortunate of all beings on this planet. Gurudev chanting Hare Krishna Maha-mantra is the best gift you have given to humanity and the whole world should be eternally indebted to you. I want to make an honest confession that it is only now that I have understood what this Maha-mantra is, its impact on me even if it was mindless all this while and how the Nama Prabhu and his omnipotent Saktyavesha Nama has protected me always. I am really thankful to you for blessing us with mentors like Sri Madhu Pandit Dasa for doing

deep research on your instructions on chanting and enlightening us with the same through his Soulful Japa sessions. Though the filth in me makes it still a long way to go for me to develop a taste for the holy name but your most important instruction 'chant and hear the very sound' has made a huge impact on the quality of my Japa. Every morning I have been practicing chanting with your recorded audiotapes in the background and every moment I feel your patience and perseverance in pulling me through despite me often being least interested in the activity.

Through your teachings, I have started understanding the importance of this human form of life but due to being a servant of my senses and my sinful past, I am still entangled in the two lower modes of passion and ignorance. Owing to the presence of heaps of pride, arrogance and the hellish qualities of anger, lust, and greed I have been committing offenses at your lotus feet in the past and I still continue to do so but you have been so merciful on to me and have taken the role of a tolerant father by accepting me despite all my shortcomings.

Srila Prabhupada I am eternally indebted to you for making me a part of the Harinama Sankirtana Movement. I sincerely pray to you to please keep this fallen soul under your shelter always and bless me with the taste for the holy name. Kindly enable me to follow your basic instructions of following four regulative principles, chanting 16 rounds, taking only Krishna prasadam, and being in the association of devotees always. I beg for your mercy to engage me always in your service and make me an instrument in your mission of preaching Lord Chaitanya's message to the whole world.

Your unworthy servant,

Bhakta Sumeet, Hare Krishna Movement, Guwahati.

Dear Srila Prabhupada,

Please accept my humble obeisance's in the dust of your lotus feet. All glories to you Divine Grace!!!

First of all, Prabhupada, I am unqualified to even pay homage to you on this auspicious occasion. But I am fortunate enough that I got an association with your teachings even though I am an unqualified soul. So, I will be always thankful to you for your unconditional mercy.

As conceived by me from the scriptures that the significance of guru in one's life is very much important as water is important in one's life to survive. A true spiritual preceptor is one who dispels the darkness of ignorance, a person who awakens our spiritual consciousness and a person who teaches us to differentiate what is right/wrong, etc. There are endless qualities of a spiritual preceptor. Today I can proudly say that I have got the association of a person who possesses cent percent qualities of a guru. In this modern era or say Kali Yuga it is hard or we can say impossible to find a pure devotee like you as in today's era everyone has made a business out of it for the sake of undue gain. I am lucky enough that I haven't become the victim of such false gurus.

Prabhupada, since the last few months I am consistently trying to improve my sadhanas but many times I end up getting trapped into the lap of the illusionary energy around me. I know Prabhupada that in your teachings you have repeatedly told us that it is a slow process and by constant practice and endeavor only we can attain perfection. So I beg to your lotus feet Srila Prabhupada to bestow your mercy unto me because without your mercy it is not possible to get out from the web of this material entanglements and I also request you to always keep me under the shadow of your lotus feet so that I don't get diverted any moment.

Lastly, I express my unbound gratitude to you that at least in this life I got the opportunity to chant the Hare Krishna Mahamantra and serve your mission.

I will be always indebted to you for your special mercy. All Glories to Gurudeva!!!

Your Servant,

Bhakta Yashraj, Hare Krishna Movement Guwahati.

Dear Srila Prabhupada,

Please accept my humble obeisance. Today, I, a petty servant of yours stand before you to glorify you on this auspicious day of your appearance on this Earth. First of all, I thank you from the core of my heart for giving me the best gift of my life that I never received either on my birthday or any day that is your causeless mercy upon me.

Hearing about your pastimes gives me immense pleasure and joy which are like nectar going into my ears. Today I would like to share some pastimes of yours in America.

I heard that in America for Janaki and Mukunda's marriage you prepared 15 different foodstuffs that you had offered to Krishna and also during the earlier days of your visit to America you used to live in a hut and when people used to visit there in your house, you used to feed them with Krishna prasadam. When I heard this, I was overwhelmed with joy and surprise to know about your compassionate nature. I thought you are such a great person, who had gone to America to teach people about their original identity and their eternal relationship with Krishna, and being such a great person you were making them comfortable by providing them with Krishna prasadam. How compassionate you could be? I have seen and heard about many other people who are so-called very great but I couldn't see such compassionate nature in them.

Once when one interviewer asked you "*Are you, God?*"

Your answer: "*No I am the servant of God. And those who say I am God are not G(ge) O(o) D(de) but they are D(de) O(o) G(ge)*".

After hearing this I was astonished to see what confidence you had in your philosophy. Nowadays there are many people who have a strong belief in so many things but they do not have that much confidence that I could see you had in your philosophy. This is an amazing quality that I see in you and no one else.

There were many people I came across who used to regret the new generation forgetting their culture but no one was ready to take a step to make us know about our Vedic culture except you. I see you are the only person who was so compassionate for us and wanted to revive the Vedic culture and original consciousness back, that at the age of 70 years you decided to set up this ISKCON or Krishna Consciousness Movement. People say that heroes should be from real life (eg-Mahatma Gandhi and many more) but you are the greatest of all the heroes who are also rarely found in reel life and it is very difficult to find such hero like you in real life too.

When I hear about your pastimes from HG Chanchalapati Prabhu, I feel like all the pastimes of yours are to be relished and it seems like hearing about your pastimes again and again, and again is just my privilege and your pastimes are always evergreen. When Chanchalapati Prabhu describes your pastimes, I could see how much love he has for you, he becomes fully energetic and happy when he talks about you. I seek your blessings so that I can develop at least some drops of love for you like Chanchalapati Prabhu.

These days I am also trying to hear the Soulful Japa sessions of HG Madhu Pandit Prabhu, and there in those sessions, I feel how much love he has for Nama Prabhu. When I chant, I see I don't have any feelings for Nama Prabhu. Please bestow your mercy upon me so that I can develop at least some feelings like gratitude, shraddha as told by Madhu Pandit Prabhu for Hare Krishna Nama Prabhu.

Also from some days, I was thinking that a devotee should have a mentality of being a fallen soul but I could not understand how fallen I am. Since your instructions are non-different from you as per my understanding, I watched a video of your Srimad Bhagavatam Class where a song was played that was composed by Srila Bhaktivinoda Thakura where he said to Chaitanya Mahaprabhu to bestow His mercy upon a fallen soul like him. From that Bhagavatam class, I could understand that I am the most fallen soul.

Whenever I have any question in my mind, videos in YouTube that contains your instructions answers my question. You are so merciful that you always answer my question through your instructions. You are so compassionate, merciful, and

great that without sleeping nicely you had translated Srimad Bhagavatam and had done so many great works only so that we can revive our original consciousness and can fulfill the purpose of human life. Please bestow your mercy upon me so that I always keep serving you all throughout my life. You were such a sincere disciple of Srila Bhakti Siddhanta Sarasvati Thakura that even after getting a warning from the captain of the cruise before going to America that you may die out of the cold in America, then also you went there to establish the movement. I heard that once you said that you want only one student who follows your instructions. I cannot become such a great disciple like you, actually, it is unimaginable for me. Yet I seek your blessings so that I follow your instructions in every circumstance of my life although there may come any obstacle.

Being a neophyte I did not know much about how to write a letter for this auspicious day to glorify you. But still, I tried my best to make you happy by writing this letter. I hope you accept the humble obeisance and prayers from a worthless servant like me. Your ambition to spread the holy name worldwide is unlimited. I beg you to give me more and more services in the matter of fulfilling your great ambition of spreading the Krishna Conscious movement worldwide. Due to this technology, everything is growing very fast and I wish to see your movement growing the fastest and for this please bestow your mercy upon me so that I can also contribute towards the growth of this movement. Thank you Srila Prabhupada for the causeless mercy you have given me which is making me have faith in Krishna and your philosophy more and more.

Your servant,

Bhaktin Aditi Das, Hare Krishna Movement Guwahati.

Dear Srila Prabhupada,

Please accept my most humble obeisance unto your lotus feet.

I am very much lucky to have you in my life. You gave the real meaning of Bhakti to the whole world. There was darkness in my life and you came in my life as the torch and brightened it. You have changed my life completely.

Before joining the Hare Krishna Movement, I was totally different but today I am blissful because of your mercy which is unlimited. Your mercy turned my life to God-consciousness. Dear Prabhupada, you made my life perfect and blissful. Today I am chanting and serving the supreme lord Krishna, observing Ekadashi fast, reading Bhagavad Gita, and hearing lectures on Bhagavad Gita and Bhagavatam. By your grace, I am able to attend festivals like Janmashtami. Such a way of life is only because of your causeless mercy.

Dear Prabhupada, please give me a chance to always remain under your lotus feet and I always serve Lord Krishna, you, and your pure devotees. I wish to get your causeless mercy and devotional service birth after birth. Please give me the strength to be a servant of your sincere servants till my last breath.

Your fallen and useless beggar,

Dear Srila Prabhupada,

Please accept my humble obeisance unto your lotus feet. All glories to you!

Today is the celebration of your appearance within this world, and it is a time for great rejoicing. We are grateful to Lord Krishna for sending a true messenger like you, who is always guiding us in this spiritual journey. I feel blessed to have your shelter for the past few years and hope to be under your shelter forever.

After practicing Krishna Consciousness for this many years, we have been gifted the deities of Sri Sri Nitai Gaurasundar by your mercy. I am really thankful for it.

You are very important in my life, as by your grace, I have started chanting 16 rounds of Japa, learning slokas, and also started reading Krishna Lila Book every day for the last 3 months.

I pray to your lotus feet that keep on bestowing your causeless mercy on me so that I can continue my sadhana consistently. All glories to you.

Your humble servant,

Bhaktin Krishnavi Agarwalla. Hare Krishna Movement Guwahati.

My dear Srila Prabhupada,

Please accept my humble obeisance unto the dust of your lotus feet. On this auspicious occasion of Vyasa puja, I would like to thank you from the core of my heart for your causeless mercy unto a fallen soul.

Dear Prabhupada, I feel so blessed ever since I have started chanting your prescribed 16 rounds of Hare Krishna Maha-mantra daily. Though the whole world is fighting with the grave pandemic, devotees are situated at your lotus feet, and in Krishna consciousness, we remain undisturbed and totally occupied in the loving service of the Lord with constant Sravanam and Kirtanam.

Ever since I have joined the temple, it was a ritualistic activity happening of mundane self-interest but Lord Krishna and your mercy showed us where we stand and thus you blessed us with this lockdown period, a blessing in disguise which rehooped and reminded us our true position and thus re-establishing our relationship with you and Lord Krishna. It is indeed a new birth I feel in my life where the determination to chant and the firm faith in your writings has deepened my love for you and motivates me to dive deep in the path of this spiritual reality.

If someone would have asked me “what is the greatest thing you could achieve in this life?” probable answers would almost all center around increasing material facilities for the gratification of my families, material senses. In this materialistic, selfish, self-centered world we have come to think a successful life means providing for our personal sense gratification. But only by constant hearing from your pure devotees and have started reading the Nectarian books like Bhagavad Gita and Bhagavatam, we are able to somewhat come to the platform of higher understanding that the truth is this concept of sense gratification is only an illusion. The real pleasure is there in the spiritual world. Although we strive to be the master the reality is we are all eternally servants. We can only be actually happy by serving Krishna.

Krishna says in the Bhagavad-gita (Chapter 8, Text 5):

*“And whoever, at the time of death, quits his body, remembering Me alone, at once attains My nature. Of this, there is no doubt.”*

*Anyone who quits his body in Krishna consciousness is at once transferred to the transcendental abode of the Supreme Lord. Remembrance of Lord Krishna is not possible for the impure soul like me who has not practiced Krishna consciousness in devotional service. To remember Lord Krishna one should chant the maha-mantra, Hare Krishna, Hare Krishna Krishna Krishna Hare Hare/ Hare Rama, Hare Rama, Rama Rama, Hare Hare, incessantly, following in the footsteps of Lord Chaitanya, being more tolerant than the tree, humbler than the grass and offering all respect to others without requiring respect in return.*

Prabhupada I beg your mercy that I will be in this position someday that I chant these Nectarian words without any offense. This art of living for Krishna, working for Krishna, doing everything for Lord Krishna, this is the science of Krishna consciousness and Srila Prabhupada you have given us all the secrets as to how to easily practice Krishna consciousness in your books. So we need to read Your books and put your instructions into practice on our practical day-to-day lives. That will lead to a very blissful and ecstatic existence for us in the material world.

*“In His transcendental names, Krishna the master of all senses, the most attractive have invested all His transcendental energies. O my Lord, out of kindness You enable us to easily approach You by Your holy names, but I am so unfortunate that I have no attraction for them.”*

The potency of this very Holy name made a deep impact in my heart when your true devotee glorified this very Holy name as “soulful Japa” in a manner where we are able to accept and experience its underlying Rasa which we were bereft of all these while with our limited poor knowledge. I bow down with the deepest respect unto the feet of such devotees of yours who are missioned to serving you and your mission with their experience and enlightening ignorant souls like us to develop a taste in chanting 16 rounds of this Maha-mantra without fail. To the extent that when I chant the holy name, sometimes I feel your presence with me holding my hands knowing how much anxiety I am in, and thus you give me that firm affirmation of believing in the holy name and with that confidence, I move forward.

Srila Prabhupada, it is only because of you that today we all are aware of the ultimate goal of life and are working towards achieving it and it is only with your mercy that we shall all one day make it to the spiritual world. It is you only, who has given us the holy names of Sri Krishna, the service of Mahaprabhu, brought us closer to the associates of Mahaprabhu and has given us the opportunity to go to the holy places, where the Lord performed his pastimes. Being part and parcel of the supreme we all are children to Lord Krishna and have His opulence’s in limited quantity within us too, but the very fact that we mistook these as our own and proclaimed proprietorships and that is the cause of our bondage, whereas we learned from your beautiful purports that if we use the same opulence’s and dovetail in the service of Krishna, there won’t be any bondage.

One understanding that I feel is very true that there is no cure for our lamentation except performing devotional service and getting one bit of a drop of mercy from our spiritual master. Prabhupada you have entrusted me with a big responsibility of making a small temple in Guwahati with so much help and technology. But when you went alone to the US, you had no one; you didn’t even have a base temple to start with, but Of course, you were eternally based at Lord Krishna’s lotus feet. How intimate connection you must have with Lord Krishna is, how closely you must have felt His presence, how sweetly must He have reciprocated with your dedication by revealing His all-attractiveness in your heart.

Here I pray “Oh my lord, please put your desires in my heart and bless me with the guidance, knowledge, and potency to execute those desires for your pleasure, if you so desire.” It is Kali Yuga and this age is called the age of quarrel and hypocrisy, we are so incredibly fortunate to have Srila Prabhupada. Srila Prabhupada is 100% certain to be a pure devotee of Krishna and 100% qualified to guide us back home, back to Godhead. Therefore we should take this rare opportunity of associating with a pure devotee of Krishna in this human form of life and make our life a success by surrendering unto him and serving him and his mission.

On this great occasion, I pray to Srila Prabhupada to please grant me service to his lotus feet, so that by serving him I may be able to make rapid progress in my endeavors in Spiritual life. The devotees of the Lord are very dear to him, and Srila Prabhupada, who spread the names, fame, qualities, and pastimes of Shyamasundar throughout the world, is especially dear to him, and grabbing hold of his lotus feet is the best way for us to reach the Spiritual world. Therefore I pray to him with folded hands to always keep me under his shelter and keep engaging me in His devotional service more and more without any desire for any name, fame, and fruitive result but only for KRISHNA PREMA.

Your humble servant,

Bhaktin Mamta, Hare Krishna Movement Guwahati.

All Glories to Srila Prabhupada

I am offering my respectful and humble obeisance to your Lotus feet who have taken the shelter of Lord Sri Krishna.

Dear Prabhupada because of your causeless mercy I found out what is the aim of my life. You have given me the opportunity to purify my heart by serving in your mission in Krishna's service. You have given me knowledge about life, which opened my eyes to see life in the correct way. I know that you will give me much more opportunity to serve in your mission so that it will purify my heart and I can serve Lord Krishna more and more. Please Prabhupada don't leave my hand and take me along with you and give me strength and intelligence to fight against Maya and serve Lord Krishna throughout my life. I pray to you that, let me perform the only activities which are pleasing to you, let that be the only goal of my life, and let me be always attracted to your Lotus feet. Thank you, Gurudev for the wonderful gift of devotional service which you have given me. I am grateful to you for allowing me to be in the association of your devotees on this auspicious day and I am repeatedly praying at your Lotus feet to keep me always in your service and always keep me under the shelter of your Lotus feet.

Dear Srila Prabhupada,

Please accept my humble obeisance unto your divine lotus feet. Prabhupada, I am so grateful and thankful to your grace for giving me the most precious jewel which is "Krishna Consciousness".

Dear Prabhupada, sometimes my mind gets diverted for many day-to-day reasons. So please bless me so that I can follow the principles of Krishna Consciousness without any obstacles that come my way, It's my humble request to you.

Prabhupada, I would like to share one of my experiences with you. Last year, both of my parents were not well. My mother was suffering from cancer and at the same time, my father had critical fracture. At that point in time, I wanted a lot of help financially and needed a lot of patience and courage. I was very much disturbed but that time, I was told by one of our dear Vaishnava to have faith in you and believe in Krishna. So having faith in you, I went forward with their treatment and asked my mother to start chanting continuously. And here you have shown your miracle. How they came out, fit and fine is one of the classic examples of your divine Kripa. Thank you so much for blessing them.

I feel blessed that I am a part of Akshaya Patra and been able to support and help in your mission. Please bless me that I should never lose my taste in chanting Harinaam. Please help me to improve in my Krishna Consciousness and inspire me to go forward.

Thank you very much. Please forgive this insignificant soul for all the offenses committed knowingly or unknowingly

Your Servant,

All Glories to Srila Prabhupada,

I have never met Srila Prabhupada in person—but his teachings and his life have inspired me in every way. He continues to guide me in my daily life through his books.

He showed us all the best service to Krsna—chanting His holy Name.

His clear intellect still brings me out of many confusing situations that I fall into in this material world.

Without his mercy and blessing, it was impossible for me to get even a fraction of knowledge about Lord Krishna. He is and will always be my guru.

All glories to you, Gurudev, for saving me from this material life. I pray to the Lord, in whichever form I may exist in the future, I receive only you as my guru. Jaya Srila Prabhupada.

Your Servant,

My dear Srila Prabhupada,

Please accept my most humble obeisance unto your lotus feet. All glories to you Srila Prabhupada. All glories to you on this auspicious day of your Vyasa Puja.

Today is your birthday. I have been given a chance to speak before you but I am feeling so incapable of writing, falling short of words, and lack of qualification. I have always wondered how all your disciples glorify you so beautifully. Since childhood, I am always mesmerized hearing all your Lila's which give so deep meaning, the urgency to utilize this chance to improve our position and get out of this material entanglement and fix our mind in serving Lord Krishna and attain love for Him. All your actions give us lessons to learn. I am so privileged to be present in this movement and witness the Krishna conscious empire you created for the fallen souls. I wonder and cannot stop thinking how at the age of 65 a man is struggling to publish Back to Godhead magazine every month, traveling to Delhi from Vrindavan and back every day, why? Because his spiritual master instructed him to publish in English. Going across ocean bearing all the pain of heart attacks, cooking for himself in a triple Decker pressure cooker to save time and making hundreds of chapattis, gulab jamuns, and stuff all alone in the west so that those fallen souls can take to Krishna consciousness and be delivered. You utilized every second of your time and every drop of your blood so that you can give Krishna consciousness to as many fallen souls as possible

and a chance to get out of this miserable situation. Prabhupada please bless me with the right consciousness so that I can come out of my material attachments which I am not leaving knowing and seeing everything. How fallen I am, I always think. Please bless me Prabhupada “Krsna se tomara, Krsna dite Paro, tomara sakati ache.”

Relishing your lilas I remember one incident when I was fortunate to accompany my parents while they were bringing Prabhupada deity to be installed in the temple from Vrindavan to Guwahati. We were traveling in train in the first class boogie and as we were four passengers ( me, my father, my mother, and a senior devotee), we had a private compartment with a door. That time there was no Rajdhani or A/C train in this route and it took almost 3 days. Prabhupada was dressed nicely in his saffron robe and we had put a chanting bag in his hand and made Prabhupada sit on the lower berth in the center of the seat. So now came the TT (traveling ticket examiner ). He asked us to show the ticket and papa showed a ticket for four passengers: me, my mother, himself and Prabhu had gone to take shower so it will take him a while. Being initiated Prabhu would take shower in the train also after using the toilet. So the TT asked where Swamiji's (Prabhupada's) ticket is. So for the TT now we were five including Prabhupada. Papa told him to sit and wait as Prabhupada was meditating and we were not allowed to disturb him and he can only answer you where is his ticket. So the TT sat for some time waiting and went saying he will come back later. Now in every station, the train would stop, the people around would gather to seek blessings from the swami, offer him stuffs, ask us when he will talk and we could only tell that he is meditating. The TT returned again, then the next day but always found Prabhupada meditating. He sat for hours in front of Prabhupada talking to us waiting for Swamiji to get up from Samadhi and talk to him. But the second day also he could not realize and his wait continued. Papa added to the story saying Swamiji got up before u came but you missed. Now you come again the next day. It was the last day and he couldn't make out in 3 days that it was a deity nor could the crowd that gathered in various stations make out. This is the effulgence and power of Prabhupada. On the last day, we disclosed the reality and the TT was mesmerized and he cried and cried holding Prabhupada's feet. We reached Guwahati and amidst the roar of kirtan, Sri Prabhupada was welcomed and installed.

All glories to you Srila Prabhupada.

Your insignificant servant,

Bhaktin Pooja Harlalka, Hare Krishna Movement Guwahati.

I pray that you will not give up on me as I struggle to make progress. I pray that you will continue to bless me with desire to chant the Holy Names. I pray that I can have more and more of your association and that I can find some steadiness in my devotional life. Prabhupada you are always my well wisher and I am eternally grateful for your kindness. I will not give up chanting of the holy name of Lord Krishna and promise to try harder to be useful to you in the mission of your devotional service. My Dear Spiritual Master,

Please accept my humble obeisance unto your divine lotus feet. All glories to Jagatguru Srila Prabhupada. All glories to your holiness.

Today is the very auspicious day of your divine appearance. In the life of a disciple, what can be sweeter than the appearance day of his beloved spiritual master who is the life and soul of the disciple? For singing the glories of the spiritual master what can be a better day? Today is the day when a disciple opens her heart and with a great feeling sings the glory of the spiritual master in a loud voice, as Srila Narottama Das Thakur confirmed it, ebe jasa ghusuk tribhuvana. But a fool like me neither has any word nor possesses any feeling in my heart, so how can I glorify your holiness? I am just like the small child who is always busy with her own self and doesn't even try to realize what kind of troubles her father is going through to maintain and protect her. I am always absorbed in the struggle of sustaining in my own spiritual life.

Although I know this clearly that whatever spiritual life I am talking about has no existence without you, still I don't have any such emotions. Then what is my hope? Just like a father never rejects his kid's demands, and grants almost all his wishes similarly, today in this auspicious day I have come to you with some humble selfish demands. Just like a small child doesn't make big materialistic demands from his parents rather small demands little things such as candy or toys, similarly, I have some small prayers which are very insignificant in front of your greatness.

Oh my dear spiritual master, please help me to take your orders as my life and substance. Please help me to serve your instructions wholeheartedly with body, mind, speech, and soul. I may only use them in your service and not for my own self. I don't know when I will get Prema but I pray please help me to be fixed in my Sadhana which is one of your orders. I want to dedicate my life to your mission but please help me to preach myself and protect me so that I never get deviated from this wonderful path of Bhakti to which you have introduced us through your devotees. Finally, as very selfishly I have mentioned in this offering to you only "I". Please make me free from this conception of 'Aham Mameti'. Let me not do what I like but what you like. Let me not go in my way but in your way. I am such an ignorant person that I cannot even understand how great a contribution you have made in my life. O Dear Gurudev, I don't have anything to show my gratitude to you. Please be satisfied with your own mercy. My only aspiration and inspiration are just to serve your instructions.

Please bless me with success in this mission.

Your Insignificant Humble Servant,

Bhaktin Rupa Sharma, Hare Krishna Movement Guwahati.

Dear Srila Prabhupada,

*yat-kripa tam aham vande shri-gurum dina-taranam*

*"I offer my respectful obeisance unto my spiritual master, the deliverer of the fallen souls. His mercy turns the dumb into eloquent speakers and enables the lame to cross mountains."*

Dear Prabhupada, thank you for giving us this Supreme Knowledge of Krishna consciousness. Your glories would not just suffice in a few mere words, yet this fallen soul makes an endeavor to speak a few words.

In this current scenario, amidst this so-called pandemic like situation, you have inspired us so much with your lectures. Every word you say makes a great impact on all of our lives. In the past, my chanting was not so constant. I could not complete 16 rounds daily. But now, with your gracious blessings, I am being able to complete my rounds daily and I promise you to keep it that way.

Thank you, Prabhupada, for helping me in every phase of life, watching over me and making us realize the sole purpose of life. I only wish to surrender completely in the Lotus Feet of the Supreme Lord Krishna and become one of your soldiers to help you to spread the movement by preaching.

So, on this auspicious occasion of Vyasa Puja, I pray to you, to help us serve you and Lord Krishna in the mood of sattva guna, ostracizing the feelings of anger, envy, lust, and any other tamo guni bhava. I also make this humble request to please shower your mercy upon a lowly devotee like me.

कृष्णाकृपामूर्ति श्रीमद् अभयचरणारविंद भक्तिवेदान्त स्वामी प्रभुपाद के चरणों में चरण-वन्दना ।

मुझे अपने गुरु का आश्रय लिये तक्ररीबन सात साल हो गये हैं लेकिन मेरे में यह बदलाव 2-3 महीनो से आने लगा है । सबसे बड़ा बदलाव यह है कि temple devotees ने मुझे इसके capable समझा कि हमें इस बार नितार्ई गौरचंद्र देने की कृपा की । यह हमारे ऊपर सबसे बड़ी प्रभुपाद जी की अनुकम्पा हुई ताकि हम उनकी सेवा में जुटे रहें ।

नितार्ई गौरचंद्र आने के बाद गुरुदेव की कृपा से हमारा पूरा routine change होगया । हम पूरी तरह से devotional service में लग गये हैं । सुबह 3:30 बजे मंगला-आरती के लिए उठना, नहा धोकर तिलक धारण करना, पूजा के लिए फूल इकठा करना, फिर भगवान की मन से पूजा करना, उनका अभिषेकम करना, शिंगार करना, मंदिर के बर्तन धोना, तुलसी पूजा करना आदि आदि । सुबह 5 से 7 chanting करना, वैसे तो काफी देर से मैं chanting कर रही थी पर इतनी soulful व regular japa नहीं करती थी पर मेरे गुरुदेव की कृपा से मेरे japa करने में काफी बदलाव आया है। अभी मैं हरे कृष्णा महामंत्र के एक-एक शब्द को अच्छा से बोलती और सुनती हूँ ।

श्री प्रभुपाद की कृपा से मैंने यह जानने की कोशिश की कि असल में अध्यात्मिक जगत है क्या, इसको जानने और समझने का मतलब क्या है। आज कल मुझे उनकी class सुनने की इच्छा भी रहती है कि वो क्या बताना चाह रहे हैं। प्रभुपाद जी अपनी class में rascal word बहुत use करते हैं तो मुझे यह शब्द सुनके पहले बहुत हँसी आती थी लेकिन आज कल मैं इसका मतलब समझ रही हूँ कि उनको हम लोगों पर दया आती है कि मानव जीवन लेने पर भी हम कुत्ते बिल्लियों की तरह क्यूँ रहना चाहते हैं। परम पूर्ण पुरुषोत्तम भगवान ने हमें बुद्धि और ज्ञान दिया है कि हम उसका use करके आगे क्यूँ नहीं बढ़ते।

हमारे बीच में से चाहे वो अपना वो शरीर छोड़कर चले गये हैं लेकिन उनकी वाणी, किताबें और शास्त्रों के द्वारा हम ज्ञान प्राप्त कर सकते हैं जो कि वो चाहते हैं। वैसे भी अभी तो भगवद गीता और श्रीमद्भागवतम् पढ़ने का एक नशा सा होगया है। अभी खाली बैठना अच्छा नहीं लगता। ऐसे लगता है, हम time waste कर रहे हैं। किसी का फ़ोन आने से भी हम उन्हें बताते हैं हमारी भागवतम् पर online class चल रही है। उनको भी जितना कुछ हम अध्यात्मिक जगत के बारे में समझा सकते हैं preach करना शुरू कर देते हैं। अभी कोई प्रभु के कामों में ज़बरदस्ती वाली बात नहीं रही।

अब मैं HKM के नियमों के अनुसार काम करती हूँ और इसमें मुझे बड़ा आनंद भी आता है। मैं अपने ऐसे spiritual गुरु को शत शत परणाम करती हूँ, जिन्होंने मेरे जीवन की काया कल्प ही करदी।

आपकी अधम शिष्य

Dear Srila Prabhupada,

Please accept my most sincere and revered obeisance on the dust of your Lotus feet.

I do believe that Guru is a form of Krishna in a disciple's life. And the biggest gift that you gave me being my Guru is the sense of Krishna's presence in every aspect and in every moment of my life. You showed me His charisma, His wit, and tricks. You showed me His wisdom, foresight, and gumption. You showed me His love, affection, and care. You made me feel totally enveloped with His gentle support and guidance, which gradually lead me to His Adobe as His eternal servant. You filled my heart with gratitude, with faith and hope. You filled up every single hole in it, making it capable to feel love and give back.

I have neither the words nor the qualification to describe or understand your exalted position. All I know for sure is that you are my only shelter. By your grace only I have the strength to engage in Vaishnava Seva and with your blessings only I can reach my goal.

You are merciful to all without discrimination. Your saintly qualities are rare to find.

Oh Prabhupada, by your grace only I manage to remain on the path of Bhakti. I feel so blessed Sri Krishna reunited us. But the truth is I don't feel I am worthy of being part of such an incredibly divine lineage; I am not steady in anything, my faith is so weak and I am so often lost in what and where I should do and live...

You are the one who keeps my head out of the water. I have full trust in you even if I struggle to follow your instructions.

Please help me be more inclining to Bhakti, I really have the desire to love the Lord but I don't do what it takes to achieve that goal. I need your mercy, I beg for your mercy.

Thank you, again and again, to have accepted me as your disciple. My debt is huge and eternal.

May Srimati Radharani shower flowers on your path with her mercy.

May your glories be spread far and wide.

Your humble servant,

Bhaktin Shruti, Hare Krishna Movement Guwahati.

Dear Srila Prabhupada,

I offer my humble obeisance unto your Lotus Feet. All glories to you.

You have taught me how to love Krishna. You also taught us to do devotional services to please the Lord. You have always been there with us and guided us in our lives as our spiritual master and will continue to do so. Thank you for everything that you did for us. By your grace, I have learned many important things like; Who is Krishna, What is our goal of life? etc., with just Rs 40 in your hand, you went to America and gradually constructed 108 temples throughout the world by the Lord's Grace. You are great. You are a very important person in my life. Without you, I would have missed many things in my life. You have always guided us to practice Krishna Consciousness in the right way. You have taught us to chant the Hare Krishna Maha-mantra correctly. You have taught us how to reach the ultimate goal of life. By your grace, I have learned to do the services of Lord Krishna like offering Bhoga, doing Aarti, doing Abhishekham, etc. I made mistakes frequently and even learned from them. Lastly, I would again like to thank you for your guidance.

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to Your Divine Grace.

It has been my great fortune to accept the shelter of Your Divine Grace as my spiritual preceptor for so many years. I certainly had no qualification to receive this boon; rather, it is due only to your causeless mercy.

On this day I would like to thank you for all that you have done for me and keeping me and my family healthy and safe in such a situation where COVID-19 is spreading drastically. I was a person addicted to meat-eating & many abominable habits. By your mercy, I am able to give up meat-eating & most of my bad habits and engage myself in chanting the holy name. Had not been your mercy, my future and life would have been very dark.

I wish that your divine grace be my guide in Krishna's service for eternity. My prayer to you Srila Prabhupada, please give me the opportunity to serve your lotus feet & also give me more Krishna's service, without any material desire.

Dear Srila Prabhupada,

Please accept my humble obeisance at your divine feet. All glories unto you.

When can I get the opportunity of service at your Lotus feet? I have started seeing the changes that happened in my life and how it was all changed. It's all due to your causeless mercy. I always feel protective when I am under your shelter. Getting the shelter of your lotus feet is a blessing from Lord Sri Krishna. Every time I feel that you are with me now and then. Whenever I need your help with my spiritual desire you always fulfill them for me. Most of my materialistic needs are decreased when I have taken shelter of your Lotus feet. Because of your blessing, I got the opportunity of doing the Seva of Sri Sri Nitai Gaurasundar I really feel fortunate. I have been through tough times in my life and whenever I feel low I just really talked with you and you helped me out by showing the path in which I have to pursue and do the Seva of Lord Krishna. Not everybody gets the opportunity to do the Seva of Lord Krishna because of your mercy I got it. I am fully dependent on you and Lord Krishna that's what we learned from your classes that just don't be tensed and don't take stress just be depended on Lord Krishna and you. Whatever stage I am right now, is just because of you Srila Prabhupada and it's all your mercy. Thank you very much for all you provided and guidance. Please forgive for any offenses committed and accept my humble obeisance again.

Dear Srila Prabhupada,

HARE KRISHNA!

Please accept my humble obeisance unto your lotus feet.

My offerings can fill up an entire book with my experiences after joining the Hare Krishna Movement. I was really amazed to see your confidence and your love for all humanity to take us back to Godhead. Especially during this lockdown period,

you started with such a wonderful program of Srimad Bhagavatam online classes in the morning and evening so that we would be connected with the temple.

I did face some challenges during my practice but by the guidance of the devotees of the temple everything got sorted out. This made me realize how important it is to be associated with the temple devotees.

The most amazing episode was, one morning you woke me up at 3 am on Narasimha Jayanti Day and it was the first time that I did Mangala Aarti at my home and performed the morning Sadhana. I have continued to do the same every single day. All this was possible with your blessings.

All the online classes of Soulful Japa, hearing your pastimes and Chaitanya Mahaprabhu really mesmerized me.

Another amazing experience was the Rath Yatra festival which was canceled due to the lockdown. You fulfilled my desire and I was able to celebrate the Rath Yatra at home. My whole family got involved in decorating the Rath and making the Maha Prasadam. It was a very joyful event. Thank you for this experience.

I am not a person who is very interested in reading, and therefore hearing your classes was always much easier for me, but I am taking a lot of interest in reading the Srimad Bhagavatam and Bhagavad Gita.

I always look forward to doing service to the temple and my whole family supports me in the same. Prabhupada please keep me under the shelter of your lotus feet and engage me with the devotional services. Whatever I am today is all by the grace of Lord Krishna and you.

As I know that Lord Krishna always listens to his pure devotees, therefore, please forward our humble request to have a big temple in Guwahati also very soon.

Another realization which I had recently was when one day I suddenly noticed the following phrases printed in the notebook which I have been using daily to take down the Srimad Bhagavatam notes. The phrases were: "The strength behind every vision", "Strength of material in bags", "Strength of material in technology", "Strength of material in application", "Strength of material in excellence". My realization was that in each of the above phrases I could attach you, the Spiritual Master and Lord Krishna, and apply in my own life. Such as "Lord Krishna- the strength behind every vision", "Strength of prayer in chanting bags", "Strength of devotion through technology (online Bhagavatam classes)", "Strength of spiritual knowledge in the application and daily life", "Strength of the Supreme Lord Krishna in excellence". Hare Krishna.

Your humble servant,

Bhaktin Vandana Goyal, Hare Krishna Movement Guwahati.

All glories to Srila Prabhupada,

Dear Srila Prabhupada,

Please accept my Humble Obeisances at your lotus feet.

Today is the celebration of your appearance within this world. You seem to reclaim the fallen souls who are rotting in this material world and your causeless mercy flows all over the world like an ocean and there is no end to your glorious and merciful nature.

Srila Bhaktivinod Thakura says in his bhajans

*gaṅgāra paraśa hoile paścate pāvan darśane pavitra koro-ei tomāra guṇ*

“After bathing in the waters of the sacred Ganges many times, one becomes purified. But just by the sight of you, the fallen souls are purified. This is your great power”

Even though we are in Kaliyug, we are fortunate enough to take your shelter at ISKCON. You took lots of risk for this movement, to spread Sri Chaitanya Mahaprabhu's glories all over the world. Please give me the strength to spread this movement, if I am worthy of it. And fix me as your eternal servant at your lotus feet.

Your Servant,

Amita Vikrama Dasa.

Dear Srila Prabhupada,

*nama om vishnu-padaya krishna-presthaya bhutale srimate bhaktivedanta- svamin iti namine*

*namas te sarasvate devam gaura-vani-pracharine nirvishesha-shunyavadi-paschatya-desha tarine*

Please accept my most humble obeisances in the sacred dust of your Divine lotus feet on this most auspicious occasion of your Vyasa-puja.

The service you have engaged us in is absolutely amazing. Your divine grace has engaged us in a mission for delivering all the conditioned souls throughout the entire universe.

In this connection, in Srimad-Bhagavatam, one of your many gifts to us, we find this wonderful prayer by Prahlada Maharaja:

*svasty astu viśvasya khalah prasīdatām*

*dhyāyantu bhūtāni śivaṁ mitho dhiyā*

*manaś ca bhadraṁ bhajatād adhokṣaje*

*āveśyatām no matir apy ahaitukī*

“May there be good fortune throughout the universe, and may all envious persons be pacified. May all living entities become calm by practicing bhakti-yoga, for by accepting devotional service they will think of each other’s welfare. Therefore let us all engage in the service of the supreme transcendence, Lord Sri Krishna and always remain absorbed in thought of Him.” (Srimad-Bhagavatam 5.18.9)

How amazing it is that while we have a hard enough time getting our minds out of the filthy place of material sense gratification and fixing them on Krishna, at the same time you are engaging us in a spiritual revolution for Krishnizing the

entire universe. How is this possible? This reminds me of Lord Rama's engaging the monkeys in building a bridge of floating stones across the ocean to Lanka, by the divine potency of Lord Rama, such a miracle was possible.

If I examine my own spiritual potency, I must conclude that I have none. But you, Srila Prabhupada, are a spotlessly pure devotee whom Krishna has invested with the potency to deliver the entire universe. Just as Lord Rama engaged his monkey army to build a bridge over the Indian Ocean so He could enter Lanka, now you have engaged us as monkey servants to build a bridge called ISKCON, by which all the conditioned souls in this universe can cross over the Viraja River and enter into the spiritual world.

Please engage me in assisting your servants who are assisting you in creating this most sublime spiritual revolution in the history of the universe.

Your most fallen servant, Ananta Rupa Dasa.

Dear Srila Prabhupada,

Please accept my Humble Obeisances.

*nama om vishnu-padaya krishna-presthaya bhutale*

*srimate bhaktivedanta- svamin iti namine*

I offer my respectful obeisances unto His Divine Grace A.C. Bhaktivedanta Swami Prabhupāda, who is very dear to Lord Krishna, having taken shelter at His lotus feet.

*namas te sarasvate devam gaura-vani-pracharine*

*nirvishesha-shunyavadi-paschatya-desha tarine*

Our respectful obeisances unto you, O spiritual master, servant of Sarasvatī Goswami. You are kindly preaching the message of Lord Chaitanya and delivering the Western countries, which are filled with impersonalism and voidism.

It is by Lord Krishna's causeless mercy that we have an opportunity to have you as our Spiritual Master. Srila Prabhupada, we do not have the words to appropriately describe your affectionate and loving attitude towards our whole family. As the above prayers testify, it is indeed by Your blessings and guidance that we have any hope of crossing this miserable ocean and mountain of birth and death.

Thanks for accepting us at your lotus feet as your disciples and being available for us anytime and from anywhere in the world as a Guru and Father. Our words cannot thank you enough for your mercy. We beg that you please keep us all under your lotus feet, as without Your mercy, we cannot make any progress in Krishna Consciousness.

Please bless me Srila Prabhupada, so that I can progress my spiritual life and I can serve you more and more. I am missing a lot of devotees association, and Srila Prabhupada, in this Kali Yuga progressing in the spiritual life is very difficult. Only Your blessings and your mercy are required to progress in my spiritual life. You are the rising Sun in my spiritual life. I am only depending on you, you are the hope, you are my gain, You are my hand holding father, without your blessings we can't progress in spiritual life. Srila Prabhupada, your blessings and krupa is always required for us. Now this year coronavirus has come and troubled us, not able to go to the temple to see you, and my beautiful Lord Radha-Krishna, Gaura-Nitai and Narasimha deva. We are missing Lord's darshan, hope this virus will go away from this world and we can chant, dance and do kirtan.

Your servant of the servant of servant,

Chakradhari Dasa.

All glories to unto you, Srila Prabhupada.

Please accept my humble obeisances at your lotus feet

*om ajñāna-timirāndhasya jñānāñjana-śalākayā*

*caḡsur unmīlitaṁ yena tasmai śrī-gurave namaḥ*

I was born in the darkest ignorance, and my spiritual master opened my eyes with the torch of knowledge. I offer my respectful obeisances unto him.

In the Srimad Bhagavatam, Shukadeva Gosvami prays to the Supreme Lord,

*kirāta-hūṇāndhra-pulinda-pulkaśā, ābhīra-śumbhā yavanāḥ khasādayaḥ*

*ye 'nye ca pāpā yad-apāśrayāśrayāḥ, śudhyanti tasmai prabhaviṣṇave namaḥ*

Kirāta, Hūṇa, Āndhra, Pulinda, Pulkaśa, Ābhīra, Śumbha, Yavana, members of the Khasa races and even others addicted to sinful acts can be purified by taking shelter of the devotees of the Lord, due to His being the supreme power. I beg to offer my respectful obeisances unto Him.

It just by taking shelter at your lotus feet, one can become purified and worthy of becoming a devotee. Your mercy is available thought this universe in the form of your books, your Vani, etc. Jivas can get rid of the materialistic way of life by associating with them.

It is said that Sri Krishna, the Supreme Personality of Godhead is very merciful and incarnates himself in the material world to deliver conditioned soul, but He demands them to surrender unto Him. Whereas Yourself is even more merciful than the Lord, you deliver conditioned souls like me without any reservation.

As Srila Bhaktivinoda Thakura says, it is just by a drop of spiritual master's mercy makes the disciple humbler than a blade of grass, gives strength to bear all trials and troubles of this material world.

Your mercy is very essential to me to continue practicing devotional service. I beg you to give a drop of your mercy so that I will be able to serve you, serve devotees, and serve their lordships, Sri Sri Krishna Balarama. I shamelessly beg your pardon for all that offenses I have committed at your lotus feet.

Aspiring to become a servant of your servants,

Garudadhvaja Dasa.

Saviour of the whole world, Srila Prabhupada,

Please accept my Humblest Obeisances at Your Divine Lotus Feet on this holy day of Sri Vyasa Puja. All Glories to Sri Guru and Gauranga !!!

Prabhupada! Due to your causeless mercy, I am continuing devotional service in all circumstances, and from last year I was blessed with few other responsible services, I am trying to fulfill your hope through my sincere services.

Whenever there are disturbances in my mind and services, I am always approaching your books and I was receiving your guidance instantly, but I am unable to follow all these things 100%, but I am trying my level best with sincerity to follow your guidelines. I beg you to give me strength and intelligence.

From the last few years I am in your shelter, every year few changes are coming in mind & intelligence. All these things are happening by your causeless mercy. I am unable to find the suitable words to express my feelings, kindly forgive me for my offenses committed towards you and all the Vaishnavas.

Please give me shelter at your lotus feet...

Dear Srila Prabhupada,

Please accept my humble obeisance, All glories to you.

I was in the darkness of ignorance, you with the torch of knowledge has opened my eyes, I offer my obeisance's to you.

This year there is a lot of new things that happened in my life. The current situation of COVID 19 has given me so much time to read your books, by your mercy I was able to finish the complete Chaitanya Charitamrta. I am very grateful to you that you have introduced me to the most magnanimous incarnation of the Supreme Personality of Godhead. While reading Chaitanya Charitamrita, I was amazed by the pastimes of Sri Chaitanya Mahaprabhu. My devotion to Chaitanya Mahaprabhu has increased manifold after reading Chaitanya Charitamrita. In your Jaladuta dairy, you had mentioned while traveling to America, that you were enjoying the nectar of Chaitanya Charitamrita. And by your grace, you have made this nectar available to millions of souls around the world. People all around the world are coming in contact with Chaitanya Mahaprabhu and his Sankirtan movement.

Another wonderful thing that happened during this lockdown is HG Madhu Pandit Prabhu, who started the japa sessions in You-tube and I had the opportunity to attend all the classes, and by your grace and Madhu Pandit prabhu's grace, my japa has improved a lot. After attending these sessions, so many of your instructions about japa which I knew earlier itself, has become much clearer. My faith in the holy name has increased and I am enjoying doing japa now. Some of the instructions about japa like "chant and try to hear the same sound" have totally changed my perception of japa.

From past few months, I and one of our congregation devotees were trying to get our Temple bookstall in Hubli railway station. By your mercy we have got permission by the Rail authorities to build a bookstall in Hubli railway. This bookstall will help us to distribute your books to a large number of people. In one of your instructions, you have said that you feel happy when you hear that more and more book distribution is happening. I have a great desire to make you happy by distributing more and more books. I know that it can happen only by your mercy.

Ever since I have taken shelter of you, you have guided me as Captain of the Ship guides the ship. I feel protected under the shelter of your Divine lotus feet.

I am fallen. I am unqualified. But I have the greatest fortune of having you as my Spiritual Master.

Your servant,

Mathuresh Dasa.

Dear Srila Prabhupada,

Please accept my most sincere and humble dandavat pranams at the dust of your Divine lotus feet on this most auspicious occasion of your 124th Vyasa Puja.

*a kiṅkaro nāyam ṛṇī ca rājan*

The Srimad Bhagvatam verse says that by surrendering to Lord Krishna one becomes free from all indebtedness to devatas, rishis, forefathers and other living entities but it never says that one can become freed from the indebtedness to GURU.

The favours, love and mercy that I have received from you is immeasurable and so is my indebtedness. Srila Prabhupada I know well that I am totally unqualified and useless but still I have become the recipient of your causeless mercy and love.

Your glory is brighter than millions of suns and I have no words to express them.

You have already given me so much though I am undeserving and have nothing to ask you. Please continue to shower your Blessings and help me understand your teaching thoroughly and preach effectively. Please bless me to dedicate my body, mind, words and everything else I have in your humble services.

Your most fallen grandson,

Servant of all your servants.

My dear beloved spiritual father, Srila Prabhupada,

Please accept my humble obeisances at your lotus feet on the day of your appearance in this material world.

Srila Prabhupada,

You are eternally Krishna's personal associate like Srimati Radharani and Her assistant gopis in Goloka Vrindavan.

We, in the material world, are also eternal servants of Krishna, but because of our tendency to enjoy independently, we have fallen down from the spiritual world to this material world and engrossed in the struggle for material existence. But your's, and Krishna's causeless mercy, has come down to the material world to deliver the fallen souls like us.

By your mercy, you have given the chance to me to connect with you and serve you and make my life perfect in Krishna Consciousness.

Shastras say that through via media of Spiritual Master, one can understand all things about the spiritual life. But my dear Spiritual Master, you came in my life and picked me up from this material ocean of suffering. Not only me, but you are also picking up many fallen souls from this ocean.

O, my dear spiritual father, I am praying to your lotus feet to please engage me in service of your lotus feet and by that, I will be able to understand Krishna, and myself.

I am controlled under material modes and suffering in different ways like lust, anger, greed, false prestige, etc. I will not be able to come out of these sufferings by my endeavors. It will be possible by your causeless mercy. If one follows your vani, your books, lectures, etc. one can come out of it. Even though you are so merciful, I am not having taste in all these things. So please bless me, so that I become strong in Krishna Consciousness.

Because of my conditioned life, I am always committing offenses in my life. Srila Prabhupada, allow me to understand my original position, as an eternal servant of Krishna. Srila Prabhupada, I am begging unto you to bless me, so that I will be able to chant the holy names properly without offenses, read your books, serve Krishna to the best of my capacities.

Srila Prabhupada here is your menial servant always hankering for your mercy.

Your menial servant,

Nandaprana Dasa.

Dear Srila Prabhupada,  
Please accept my Humble Obeisance.

All glories to you eternally and again all glories to you on this auspicious day of Vyasa Puja.

Thank you for giving me an opportunity to glorify you...

I feel fortunate and blessed to serve you under the guidance of your Divine Grace and all our advanced god brothers who always follow your footsteps, considering it as their life and soul. Gradually I am realising how wonderful this Krishna Consciousness is, by your grace. You have showered your mercy on me by your transcendental teachings. Staying in the association of the devotees made me to realise how cruel this world is and the desire to go back to home, back to godhead has become prominent in my heart. Otherwise it was just like leading my life like cats and dogs in the material world, with other cats and dogs.

I am trying to follow whatever you have mentioned in your books, chanting 16 rounds of Hare Krishna Maha mantra every day and following four regulative principles. Past few months I am hearing your morning walk conversations and those conversations really gave me kind of solace and realisations in my life. Some of them are very important concepts that I can apply in my whole life. While hearing conversations, following things struck me with wonder and made me to adhere to the principles of Krishna Consciousness seriously. Being a Bhakti Vedanta, you have explained each and every concept at its perfect absoluteness.

You said,

"One who has a life he will preach, not a dead man will preach"

"four things should not be allowed in our moment. As a devotee, we should be careful not to deal with these things, they are Cheating, duplicity, politics and fraud. If we allow these things in our personal life and in your movement, everything will be spoiled"

"Real science means, that which deals with the existential truth not with the experimental truth. and Vedic science is a real science"

"Real scientists is one who appreciates god's creation. Not that he theorizes something and do experiments, wait for some results and derive conclusion based on that result. That is not science. Science is not meant for childish adventures."

"In spite of differences with your God brothers, please continue devotional service, that's very important, please co-operate, by this, you will please me"

In this way, your transcendental association made me to realise and follow your instructions seriously.

I am very happy to tell you that I am trying to preach the same message whatever I have heard from you. People are also appreciating your transcendental teachings and they are applying it in their life perfectly, and now they are ready to follow your instructions seriously, chanting 16 rounds and follow four regulative principles and they say "Your Divine Grace has become practically their life and soul..."

Thank you for offering this gift of transcendental science in my life and engaging me in transforming lives of so many people by giving this Krishna Consciousness by your grace.

*bhagavad-bhakti-hīnasya, ātiḥ śāstram japas tapaḥ  
aprāṇasyaiva dehasya, maṇḍanam loka-raśjanam*

*"If one is born in a high family like that of a brāhmaṇa, kṣatriya or vaiśya but is not a devotee of the Lord, all his good qualifications as a brāhmaṇa, kṣatriya or vaiśya are null and void. Indeed, they are considered decorations of a dead body."*

Without your grace, I'm nothing. It is just like decoration of a dead body. You are the very life for all of my activities. By showering your grace on this insignificant disciple, you truly fulfilled the purport of Patita Pavana (Srila Prabhupada patita pavana). In your very life, you showed us how to become meek and humble, so that we can attract the mercy of The Supreme Personality of Godhead, Lord Shri Krishna.

Srila Prabhupada, I beg you from the core of my heart, please continue to bless me, so that one day I will be able to please you. Without your grace, it is not possible for me to please you. By pleasing You I can please Krishna. Your Divine words are awakening my Consciousness to come out of this snake pit of Lust, Greed, Anger and Pride and many more things. Thank you for protecting me at your Lotus feet by allowing me to stay in your association...

Your Insignificant Disciple,

My Dear Srila Prabhupada,

Please accept my Humble Obeisance,

Choosing a Bonafide Guru is a must for achieving Bhakti towards Krishna's Blessings. Anyone who takes shelter of His Divine Grace A.C. Bhakti Vedanta Swami Prabhupada is assured of progressing in Krishna Consciousness movement, as Srila Prabhupada is a close associate of Krishna, The Supreme Personality of Godhead and he is a blessed spirit soul. First thing is to accept a bonafide Guru, otherwise there is no devotion to Krishna. Guru-Ashraya means, to act under the direction and Supervision of Spiritual Master.

Srila Prabhupada is the Jagadguru for the whole world. He has written 70 books on Spiritual knowledge. By reading His Books I have understood who is Supreme Lord Krishna, and that, all other Gods are his subordinates to execute the works of maintenance of this universal activities of mankind, trees, fishes, animals and birds. Providing air for breathing, water for drinking, food grains for maintaining body for accommodating spirit soul, etc. Guru Maharaj used to say that my first concern is that my books shall be published and distributed door to door so that everyone shall read at least one of our books and will change his life. If only one per cent become devotee, that will change the world. Our book distribution is most important task. This is my life and soul according to the order of my Guru Maharaj.

One should act according to the order of Krishna that comes through disciplic succession from bonafide Spiritual Master. Therefore, the Spiritual Master's order should be taken as prime duty of life. If one gets a bonafied Spiritual Master and acts according to his directions, then his perfection of life in Krishna Consciousness is guaranteed.

Your Servant,

Pandaveya Dasa.

Srila Prabhupada,

Please accept my humble obeisances at your Divine lotus feet.

The special day of the year has come, giving me an opportunity to remember and reflect on your glories and your magnanimity in delivering fallen souls like me.

Srila Prabhupada, I am trying to follow your instructions in my daily regular activities, trying to apply the philosophy in my personal life. But let me confess before you now, that I am very far from living up to the standards given by you. My forgetfulness, lack of determination, lack of seriousness, and laziness are few of the prominent culprits in me, apart from

other unlimited anarthas (many of which are yet to be known to me) which are making things difficult in my Spiritual advancement.

In this difficult situation, let me accept and follow the below mentioned instruction from the Hari Bhakti Sudhodaya, mentioned in the Chaitanya Charitamrita,

*akṣṇoḥ phalaṁ tvādr̥śa-darśanaṁ hi , tanoḥ phalaṁ tvādr̥śa-gātra-saṅgaḥ  
jihvā-phalaṁ tvādr̥śa-kīrtanaṁ hi , su-durlabhā bhāgavatā hi loka*

*‘My dear Vaiṣṇava, seeing a person like you is the perfection of one’s eyesight, touching your lotus feet is the perfection of the sense of touch, and glorifying your good qualities is the tongue’s real activity, for in the material world it is very difficult to find a pure devotee of the Lord.’*

I do not know whether I will be able to follow all of your instructions properly in this lifetime. I do not have any hope in my ability to accomplish this. If at all, this should happen, it can only come into being by the shower of your causeless mercy upon me, for which I am waiting in anticipation.

Yet, I would like to make myself perfect, by applying the above instruction in my life, by daily taking darshan of you with attention, when I come for offering my regular daily obeisances, by touching your lotus feet and taking dust from it and applying it on my head, and trying to hear and understand more of your qualities, pastimes and instructions and try to broadcast and glorify them whenever I get an opportunity.

Srila Prabhupada, please be pleased with this little service of mine, please give me your association, forgive my offenses and help this weakest and fallen servant of yours, to be established in proper devotional service at your lotus feet, as per your wish. I wish, there be no tinge of material sense gratification desire in my heart. Let all of my body, senses, mind, intelligence, and soul faculties be engaged completely in your service.

*“According to their karma, all living entities are wandering throughout the entire universe. Some of them are being elevated to the upper planetary systems, and some are going down into the lower planetary systems. Out of many millions of wandering living entities, one who is very fortunate gets an opportunity to associate with a bona fide spiritual master by the grace of Kṛṣṇa. By the mercy of both Kṛṣṇa and the spiritual master, such a person receives the seed of the creeper of devotional service.”*

Srila Prabhupada, I am one of those fortunate persons who have received the benediction of the facility to associate with a pure devotee like you. But it is very sad that I have not made the best use of it.

Let me remember my good fortune always, cherish having obtained it, and enthusiastically try to make use of this facility, to purify myself and help others, and make our lives successful by contributing something from our limited capacity to push on the preaching mission of yours.

Praying at your feet, in anticipation of your causeless mercy,

Your fallen servant,

Raghottama Dasa.

My dear eternal father,

I offer my humble obeisances unto your lotus feet.

Srila Prabhupada, I feel like I am degrading every day. I have not made even an iota of advancement. When I look at myself, I do not see any devotee qualities that have developed.

Srila Prabhupada, you are the spiritual sun. The sun in this material world purifies even the worst of the dirt. You being the spiritual sun, can purify this truly most fallen soul.

I always want to remain under your shelter. I clearly know I do not have any qualifications to remain under your shelter. Still, I seek your eternal shelter. Your merciful glances alone can take me back home, back to Godhead.

You are my only hope and my shelter.

Your unworthy son,

Ramgopal Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisances.

Your divine instructions are the guiding light in this dark age. The Hare Krishna Movement, which is the manifestation of your causeless mercy is the only shelter for the suffering soul. Simply by reading your books, an impudent and foolish person like me has got an opportunity to have a glimpse of the transcendental subject matter. The potency in your words surcharges me with confidence and faith to render devotional service to Krishna, the Supreme Personality of Godhead. The subject matter contained in your books is the only solace to the hearts of dissatisfied and confused population who are

chasing after flickering material happiness. By your mercy only one can see how a living entity is engaged by gross and subtle bodies. They directly touch the soul and awaken dormant love for Krishna.

Thank you so much Srila Prabhupada for saving me from the clutches of Maya and provide an opportunity to be with and serve Vaishnavas. By your mercy only it is possible to chant Hare Krishna maha-mantra and have an opportunity to associate with Krishna, the Supreme Personality of Godhead. Distributing the Holy name is indeed the greatest welfare activity and the only welfare activity. You being Lord Chaitanya's representative are equally magnanimous. The amount of benefit obtained by chanting the Holy name is indescribable. By chanting the holy name one experiences "Transcendental Happiness". No other activity can give such benefits. Because chanting gives the highest happiness, it is the Supreme occupation of the living entity. Such an exalted activity or occupation is being gifted to an unqualified person like me. Therefore you are equally magnanimous like Lord Chaitanya and the true representative of Lord Chaitanya.

I feel very fortunate and blessed to receive you as my spiritual master. Because of my conditioning, I am unable to make use of your divine association through your books and lectures. I am ashamed of my behavior and lack of sincerity

Awaiting your mercy so that I can engage in serving Your lotus feet.

Your servant,

Raya Krishna Dasa

Jai Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet, who is an eternal servant of Supreme Personality of Godhead, Sri Krishna.

On this auspicious day, the occasion of the 124<sup>th</sup> Vyasa Puja celebration, I want to glorify you. You have taken so much risk to deliver the whole world and human society. With the intention of following the order of your Spiritual Master and spreading Chaitanya Mahaprabhu's movement, You at your old age went to America, where everyone was engaged in sinful activities. You purified such sinful people. This kind of Spiritual Master is very rare to find in the entire universe. You established 108 ISKCON temples all over the world and initiated more than 10,000 disciples. You trained them on how to worship deity, how to preach, cooking, creating community farm, gurukul, kirtans, etc. Definitely this is all Lord Krishna's plan only. Lord, in order to execute His plan, He has sent his pure devotees like You, Srila Prabhupada, into this material world.

I was such a fallen conditioned soul. It is by your mercy, I am able to serve the Supreme Lord Krishna. Your kind mercy enables any conditioned soul to elevate in Krishna Consciousness. Thank you Srila Prabhupada, you have given me so many opportunities to serve the Supreme Lord, Sri Krishna through your mission from last seven years. Please continue to be merciful upon me, more and more, so that I will be able to serve you and Krishna birth after birth.

Thank you for accepting me as your servant,

Please accept my humble obeisance unto your lotus feet.

On this auspicious occasion, I just want to thank you for all the blessings you have bestowed upon me. By your mercy, I have begun my journey of rendering devotional service to the Lord, in the association of devotees. Just like a touchstone, you have transformed millions of jivas like me. You have planted the seed of bhakti in our hearts, and showed us the path to true unending bliss. How can I ever thank you enough for that, Srila Prabhupada?! Please bless me so that I can serve your divine mission without any personal motives. To be your disciple is no ordinary thing, please bless me so that I can lead my life in a way that is befitting your disciple.

The following verse from Srimad Bhagavatam, very aptly describes your glorious accomplishments and qualities.

*bhavad-vidhā bhāgavatās tīrtha-bhūtāḥ svayam vibho  
tīrthī-kurvanti tīrthāni svāntaḥ-sthena gadābhṛtā*

My Lord, devotees like your good self are verily holy places personified. Because you carry the Personality of Godhead within your heart, you turn all places into places of pilgrimage.

Srila Prabhupada, You have practically demonstrated and fulfilled the meaning of the above verse. I beg you to bless me so that I can chant Hare Krishna maha-mantra offenseless and to develop taste in reading your books. Please make me an instrument in preaching your glorious message, if you so desire, and grant me shelter at your lotus feet eternally.

Aspiring to be a servant of your servants,

It is by your mercy only we can perform devotional service without any difficulties and can be a success also. By your mercy, I have been trying to follow your instruction to the best of my capacity. Srila Prabhupada, as you mention preaching is the

mood of every devotee, I am trying my best to preach every chance I get. I have completely depended on your mercy on this. By your mercy only we can perform devotional service without any difficulties and can be successful also.

Your most valuable guidance has given us great courage and enthusiasm to manage our spiritual life. Your blessing and encouragement have given us great strength to render devotional service and to serve the mission of Sri Chaitanya Mahaprabhu by spreading the Holy name and message of the Supreme Lord. Please accept our hearty gratitude by accepting and guiding us by taking us through the path of divine knowledge, Krishna consciousness.

I pray at Your Divine lotus feet to always give your shelter, despite my entire shortfall. Thank you for being there when I need you. Thank you for always answering questions and clearing my doubts. Thank you for everything you gave me this year. I look forward to serving you more and more. Please bless us so that I can follow your instructions and become a worthy servant of yours.

This fallen soul is so ever thankful Srila Prabhupada, for being obedient to your spiritual master you delivered Krishna consciousness to the western world in the language and way we can begin to understand. Thank you for adopting this method and being patient while we try to learn of a method that is so brand new to this life, where material abundance dominates the culture. I bow to your lotus feet and hope to also be obedient and follow your instructions.

Thank you Srila Prabhupada for your unlimited mercy and understanding.

Dear Srila Prabhupada!!

Always place me in your Divine lotus feet.

There are a lot of things in my mind to speak about you but cannot find the words that can glorify you. It is only your grace that even a fool like me got a chance to chant the name of Hari.

There have been many ups and downs in my life, sometimes I was completely broken. I have left you and chanting many times during these ups and downs. Whenever a problem occurred in my life, then I have left chanting and other spiritual things. But despite all this, how kind you are who never left me.

Prabhupada, still my mind sometimes wanders, goes to the old times trivial fun. I was so deeply involved in something which still distracts me sometimes. I have a small wish, that I reach a high position only for you and then dedicate my whole life to your service and spread this movement if you so desire. All this is possible only by your Grace. Right now I am not very strong, I can ever wander, so I have given up on myself on you.

Make my next life the way you want.

Thank you very much for everything!

Your Humble Servant,

Bhakta Abhay Narayan Sapera.

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet.

I have carried the burden of life, until I met one of the follower of ISKCON. The whole life changed after that, you have thought us the main purpose of life, due to your mercy, things are on right direction, still the struggle is on to perfect the life. Progress is slow, but a sense of satisfaction is there that someday the main goal of life will be achieved.

Thank you for giving us the devotee association, which is like one big family taking care of us. All are serving each other selflessly to help grow together in our self-realization.

I have started taking very small steps in my spiritual journey. I have a long way to go and I am not even qualified to offer my thanks to you, I have not read enough of your writings to be qualified to thank you, but the little that I have read have impacted me positively.

I want to thank you for changing my life. If You were not there, I could not know that, even some better taste is there in life that is Krishna consciousness.

Please excuse all the known/unknown mistakes committed on our spiritual journey with your kindness and mercy. I pray that someday I will become a proper servant of the servant. Thank you for changing our lives.

Srila Prabhupada please allow me to remain eternally at your Lotus feet.

Your insignificant servant.

## Bhakta Akshaya Kumar

Dear Srila Prabhupada,

Please accept the heartfelt respectful obeisance's of your unworthy servant at your Divine lotus feet on this most auspicious day of your Divine Appearance. All glories to your Divine Grace.

Your appearance is your causeless mercy on the conditioned souls who are suffering in this world due to dense darkness of the age of Kali. To smash out the darkness, you have given us the holy name of the Supreme Lord Sri Krishna, as you have mentioned before landing in the United States of America, that you have strong faith in the holy name of Krishna.

A careful reading of the words from Srimad Bhagavatam quoted in the Chaitanya Charitamrita will help us understand about Guru or Acharya, who should be regarded as good as god himself,

*ācāryam mām vijānīyān, nāvamanyeta karhicit  
na martya-buddhyāsūyeta, sarva-deva-mayo guruḥ*

*“One should know the acharya as myself (God himself) and never disrespect him in any way, one should not envy him thinking that he is an ordinary man, for he is the representative of all demigods”*

Even though you were tested in many ways, faced most abominable situations, you were travelling to the other parts of the world.

My dear Srila Prabhupada you have exhibited the super human qualities, that you have traveled to the Western world, where people were completely involved in sense gratification through intoxication, meat eating, gambling and illicit sex. Out of your mercy on such fallen conditioned souls, you stood strong and unlocked the crest of the most valuable divine touch stone, the Holy name of Lord Sri Krishna, in the most simple ways.

Your books are matchless gifts for human society to re-establish the forgotten relationship with the Supreme Lord Sri Krishna and you translated the Srimad Bhagavatam, Bhagavad Gita and Chaitanya Charitamrita and many other books by working day and night at the age above 70's.

Because of your causeless mercy, so many fallen souls are benefited in the perfect type of liberation that is transcendental and loving service to supreme.

I am indebted to you because you have shown us the path back to home back to godhead by transforming the most sinful persons like me into devotee of Lord Sri Krishna. Not considering anyone's caste, background, nation, colour, creed, you have single-handedly travelled to the west to carry out the orders of your spiritual master Srila Bhakti Siddhanta Saraswati Thakur to broadcast message of Lord Chaitanya.

Continuing further on this,

*sākṣād-dharitvena samasta-śāstrair, uktas tathā bhāvyata eva sadbhiḥ*

*kintu prabhor yaḥ priya eva tasya, vande guroḥ śrī-caraṇāravindam*

The spiritual master is to be honoured as much as supreme lord because he is the most confidential servitor of the lord. This is acknowledged in the revealed scriptures, and followed by all the authorities. Therefore I offer my respectful obeisance's unto the lotus feet of such Spiritual Master, who is a bonafide representative of Sri Krishna.

Scriptures also describe the mercy of spiritual master,

*śrī-guru karuṇā-sindhu, adhama janāra bandhu, lokanāth lokera jīvana*

O spiritual master, ocean of mercy and friend of the fallen, universal teacher and life of all people, be merciful unto us.

I will thank you each and every day of my life.

I will try to take responsibilities in the ways that you guide me personally, so that I can make you happy.

My dear Spiritual Master, as you were confirmed you will be alive forever, you will speak through your books, please help me with your mercy that I can complete my everyday Sadhana.

I am so weak that I can't cross this bridge of neiscence by myself, it is only possible through your compassion on this lowly fallen soul. I promise that I will invest myself in the Mission of Lord Chaitanya, so that the conditioned souls shall glorify the Supreme Lord Sri Krishna, and make their life successful, in the most sublime way.

Servant of your Servant,

Bhakta Akshay Kumar B K.

I am very fortunate to write a letter to you, I fell short of words to express my gratitude to you Prabhupada. Thank you, Prabhupada for giving me such a great opportunity to get connected with you and Krishna. Now I have completed 5 years in Krishna consciousness life.

Thank you, Prabhupada for accepting me as your servant. I have seen many people wasting their time in bad activities. I could have easily been one of those fallen conditioned soul but fortunately, you guided me to the Krishna conscious path. Thank you, Prabhupada for giving me this platform (FOLK) to get engaged in the service of Lord.

Thank you, Prabhupada for keeping me in Krishna consciousness. I beg you to please hold my hand always and keep showering your causeless mercy on this fallen soul. Srila Prabhupada, I am dancing in a material world like a puppet as per the dictations of my mind. I beg you to please take this puppet in your lotus hands and make me dance the way you want. In this modern world, everything is an illusion. Partying, beautiful dresses, shoes etc. I know the seriousness of every action we do and where it would lead us if we got distracted by these illusions. I also know that I'm a human being and I make mistakes. Thank you, Srila Prabhupada for always saving me from all these illusions.

Thank you Prabhupada, I am following Krishna consciousness since 5 years is only because your divine instructions, which is guiding me in chanting daily, attending temple programs and festivals, an association of devotees, offering prasadam to deities, rendering service in the Temple.

Thank You Srila Prabhupada for this matchless gift that you have given to me.

All glories to Srila Prabhupada!

I was born in the darkest ignorance, and my spiritual master opened my eyes with the torch of knowledge. I offer my respectful obeisance unto him.

The Guru's form is the best to meditate upon; the Guru's feet are the best for worship; the Guru's word is the mantra; the Guru's Grace is the root of liberation.

You are the one who spread the love of Godhead in this material world. Because of your constant effort and compassion for the fallen condition soul today at least we are chanting the Hare Krishna mantra and because of your preaching spirit. the mission of Chaitanya Mahaprabhu is expanding all over the world, your movement is spreading like a wildfire.

I pray that I can have more and more of your association so that I can find some steadiness in my devotional life. I am eternally grateful for your kindness. We are witnessing your movement is elevating most fallen conditioned souls of this age of kali.

Thanking you dear Srila Prabhupada for giving us this wonderful opportunity of chanting Hare Krishna mantra and help spread this. I am not worthy of even submitting this pitiful offering. Once again accept my humble obeisance at your Lotus feet.

Dear Srila Prabhupada,

Please accept my Humble Obeisance on this auspicious day of your appearance.

Srila Prabhupada, thank you for everything. I could not have asked for a better life. If I look at my life, Srila Prabhupada, I don't see an inch of a pious deed. It's only by Your causeless mercy I have been blessed with Krishna Consciousness life. Thank you for this beautiful gift. I am indebted to you Srila Prabhupada, and I will never be able to pay back for what I have received.

My consciousness and perspective towards life have evolved by reading your books, hearing lectures, associating with devotees and serving them. Now I can at least understand the urgency of Krishna Consciousness even though I am not perfect at executing the orders properly. But I am endeavouring to walk on this path of Bhakti. It is by your mercy Srila Prabhupada and your loving disciple's guidance, my spiritual life has been sustained, else I would have given up long back. Thank you again!

Srila Prabhupada, your love for the whole world is unmatched, you spent sleepless nights and wrote Bhagavad Gita, Srimad Bhagavatam and many other transcendental books for the benefit of humanity. Prabhupada, in your lectures and letters to devotees you have repeatedly instructed to read your books carefully. The more I read your books, my faith in Lord and understanding of the philosophy became stronger. Thank you again for those beautiful Bhaktivedanta purports!

On this auspicious day, I beg for your mercy so that I can chant my rounds sincerely and endeavour on following your instructions. Please bless me so that I remain in the association of devotees and carry out my spiritual and material responsibilities nicely. Srila Prabhupada, I don't know how life's situation will turn out in the future. If you so desire, make me instrumental in contributing to the mission of Sri Chaitanya Mahaprabhu in whatever way possible in the future.

Your fallen servant,

Our respectful obeisances unto you, O spiritual master, servant of Sarasvatī Goswami. On this blessed day, we celebrate your auspicious appearance on this material world. It is with deep gratitude, I offer my humble obeisance at your divine lotus feet.

I was born in this darkest age of kali filled with miseries. Our spiritual master is the ocean of mercy, the lord and master of the devotees, shown mercy on me so fallen soul and uplifted and given me the shade of his lotus feet by allowing me to do service in his temple.

O very merciful Prabhupada you have shown me the path of bhakti-yoga and took me towards Krishna, the Supreme Personality of Godhead, the source of the entire creation. Giving us all so many priceless gifts. From so many of your books, Krishna prasadam to nourish our seed of Krishna consciousness in our heart resulting in Krishna Prema.

You have given more than anyone. You gave a fulfilling meaningful life and a hopeful future. Please continue to keep your mercy upon me.

Dear Srila Prabhupada,

Please accept my Humble Obeisances at your Divine Lotus feet.

I am very fortunate soul to write this letter on the most auspicious occasion of Vyasa Puja.

By Your Divine Mercy, I came in contact with ISKCON. By reading your books, your words in these books made me purified from all contamination. All my doubts about life have been cleared by reading these books. Now I am realizing the value of my life, and developed many spiritual qualities, and practical application of this spiritual knowledge.

The ABC of spiritual knowledge is, I am not this body but spiritual soul, after realizing this statement, the real purpose of human life, and how to engage everything in this material world in the service of the Lord is known to me. You taught us how to engage our mind and senses in the service of the Lord, as we are part and parcel of the Supreme Lord Krishna.

By Your causeless mercy, I am chanting 16 rounds daily and following the rules and regulations as instructed by the higher authorities. I beg you to give this unfortunate, fallen soul, the spiritual strength so that I can continue rendering devotional service in this human form of life.

You took great pain in delivering the fallen conditioned souls of this material world and wrote many books in order to teach us how to worship the Lord and his paraphernalia and to utilize everything in the service of the Lord, the Supreme Absolute Truth. Please always place me at your Divine Lotus feet and always engage me in the service of your lotus feet, life afterlife.

Your Servant,

Dear Beloved Srila Prabhupada,

Please accept my Humble Obeisances again and again.

All glories to your lotus feet.

Before coming in touch with your teachings, I was not even knowing who God is? As an engineering student, I was totally confused and was seeking answers for questions such as, why am I on this particular planet? What is my role which is to be done? Who is the real person who made everything? What are the significances of human beings? If a human being, then why? Why not animals, birds, etc? And finally, where is my destination?

When I came in contact with the devotees of ISKCON by your grace, Srila Prabhupada, they showed me the path of destination to where I belonged to and that is nothing but the spiritual world. By reading your books I got answers for most of my questions, in fact all the questions. Your words, sentences, your melodious songs, lectures inspired me and motivated me to see beyond the so-called material world. You lightened my thoughts from the darkness. You taught me that I am not this body but, the spirit soul. The truth which is eternal, the truth which cannot be defeated and the truth each and everyone should accept i.e material world is nothing but full of miseries and sufferings.

Your teachings inspired me to get to know who I am and who Lord Krishna, Supreme Personality of the Godhead is. Your instructions of chanting have made my mind to concentrate only on the positive perspectives of life. By your grace, Srila Prabhupada, I was able to control my anger and mainly jealousy. Moreover, I was really happy when my friends also got inspired, when I used to talk about your teachings. With the bhakti yoga, I have become very happy. With the bhakti-yoga, I found that I am connected spiritually with Lord Krishna. And my interests were appreciated by many others.

By your grace Srila Prabhupada, many of them want to go back to godhead which is their real home, the eternal abode of the Supreme Lord. Now by your grace, I humbly request you to kindly bless me with the desire and ability to share these matchless gifts with each and every one.

Thank you very much for everything, Srila Prabhupada. All glories to your lotus feet.

Your aspiring servant,

Bhakta Damodhar Pai.

Jai Nitai Gauranga

All glories to Srila Prabhupada. Please accept my Humble Obeisances.

Dear Srila Prabhupada,

On this auspicious day, I am blessed to share about your Divine activities, because of your causeless mercy and compassion, for the suffering people of the world, you have given us the opportunity to experience the power of the Lord's holy name. As conditioned souls, we have many unfulfilled desires, we are constantly struggling to fulfill them since we are under the clutches of Maya. But if we follow the simple but most effective method given by you i.e chanting of Hare Krishna Maha Mantra, we can overcome the struggling.

By your causeless mercy upon me, I came in touch with your disciples and your mission which shown me the real aim of life. Your Divine instructions and teachings made a path for self-realization. But because of my ignorance, still I am in the clutches of Maya. Please Prabhupada, give me the strength and shower your blessings upon this ignorant soul and make me serve you.

Thank you Srila Prabhupada.

Your Servant,

Bhakta Devendra Prasad.

All glories to your Divine Grace!!!

I thank you from the core of my polluted heart for the opportunity to serve your mission of Krishna Consciousness moment and do a little insignificant service to your lotus feet.

To tolerate such a fallen soul as me who is always struggling in the realm of Maya is actually a wonder to me. It's your compassion which makes me active in practising devotional service. I request you to give me more strength to perform sankirtan yagna.

Now by your Grace, I am begging you to always use me in your service in any way you desire. O most merciful! let me never leave your lotus feet, because you are my only shelter and refuge.

ಜಗದ್ಗುರು ಶ್ರೀಲ ಪ್ರಭುಪಾದರ ಚರಣಕಮಲ ಗಳಲ್ಲಿ ವಂದನೆಗಳು

ಈ ಪತ್ರದ ಮೂಲಕ ನಾನು ನಿಮ್ಮಿಂದ ತಿಳಿದುಕೊಂಡಿರುವ ವಿಷಯಗಳ ಬಗ್ಗೆ ಮತ್ತು ಅದರಿಂದ ನನ್ನ ಮನಸ್ಸಿನಲ್ಲಿ ಉಂಟಾದ ಸಂತೋಷವನ್ನು ಹಂಚಿಕೊಳ್ಳುವ ಬಯಕೆ.

ನನ್ನ ಬಾಲ್ಯದಿಂದಲೂ ನಾನು ಏನೋ ಹುಡುಕಾಟದಲ್ಲಿ ಇದ್ದೆ ಆದರೆ ಅದು ಏನು ಎನ್ನುವುದು ನನಗೆ ತಿಳಿದಿರಲಿಲ್ಲ. ಆಧ್ಯಾತ್ಮ ವಿಷಯದಲ್ಲಿ ಅಥವಾ ಈ ಸಂಸಾರದ ಜಂಜಾಟದಲ್ಲಿ ನಾನು ಒಬ್ಬ ಗುರುವನ್ನು ಹುಡುಕುತ್ತಾ ಇದ್ದೆ. ಯಾವುದೇ ಆಧ್ಯಾತ್ಮಿಕ ಚಿಂತನೆ ನಡೆಸಿದಾಗ ಅದರ ಪೂರ್ಣ ಸತ್ಯ ತಿಳಿಯುತ್ತಿರಲಿಲ್ಲ. ಆದರೆ ಒಂದು ದಿನ ತಾವು ಬರೆದ ಭಗವದ್ಗೀತೆ ಯಥಾರೂಪ ಪುಸ್ತಕ ದೊರೆಯಿತು. ಈ

ಪುಸ್ತಕದ ಮುಖಾಂತರ ನನ್ನ ಎಲ್ಲ ಗೊಂದಲಗಳು ಮತ್ತು ಸಮಸ್ಯೆಗಳನ್ನು ತೊಡೆದು ಹಾಕಲು ಸಹಾಯವಾಯಿತು. ಜೀವನದಲ್ಲಿ ಉಂಟಾಗುವ ಎಲ್ಲ ಜಟಿಲ ಪ್ರಶ್ನೆಗಳಿಗೂ ಕೂಡ ನೀವು ಭಗವದ್ಗೀತೆಯ ಮೂಲಕ ತಿಳಿಸಿದ್ದೀರಿ.

ತಮ್ಮ ಕೃಪೆಯಿಂದ ಭಕ್ತಿ ಸೇವೆಯ ಮೂಲಕ ಈ ಜಗತ್ತಿನಲ್ಲಿ ಹೇಗೆ ಸಂತೋಷದಿಂದ ಇರುವುದು ಎಂಬುದನ್ನು ತಿಳಿದುಕೊಂಡಿದ್ದೇನೆ. ತಮ್ಮ ಕೃಪೆ ಇದೇ ರೀತಿ ನನ್ನ ಮೇಲೆ ಸದಾ ಇರಲಿ ಎಂದು ತಮ್ಮಲ್ಲಿ ಬೇಡಿಕೊಳ್ಳುತ್ತೇನೆ. ಭಗವಂತನ ಸೇವೆ ಮತ್ತು ತಮ್ಮ ಕೃಪೆಗೆ ಪಾತ್ರರಾದರು ಸಾಕು ನಾವು ನಮ್ಮ ಜನ್ಮವನ್ನು ಪರಿಪೂರ್ಣ ಗೊಳಿಸಬಹುದು. ನಾನು ತೆಗೆದುಕೊಳ್ಳುವ ಪ್ರತಿಯೊಂದು ಜನ್ಮದಲ್ಲಿ ತಾವೇ ನನ್ನ ಗುರುಗಳು ಆಗಬೇಕೆಂದು ತಮ್ಮಲ್ಲಿ ಕೇಳಿಕೊಳ್ಳುತ್ತೇನೆ. ತಿಳಿದು ಅಥವಾ ತಿಳಿಯದೆಯೇ ಯಾವುದಾದರೂ ತಪ್ಪನ್ನು ಎಸಗಿದ್ದರೆ ದಯವಿಟ್ಟು ನನ್ನನ್ನು ಕ್ಷಮಿಸಿ.

ನಿಮ್ಮ ಕೃಪಾಶೀರ್ವಾದ ವನ್ನು ಬಯಸುವ ಸೇವಕ,  
ಭಕ್ತ ಗಣೇಶ್ ವಡ್ಡರ್.

I offer my respectful obeisance onto my beloved Spiritual Master on the auspicious 124<sup>th</sup> appearance day of His Divine Grace.

All glories to you Srila Prabhupada. I thank ISKCON for giving me an opportunity to write on this auspicious day of your Divine appearance. I am receiving lots of knowledge and guidance from our folk preacher and this is all because of ISKCON started by You. Srila Prabhupad, by Your causeless mercy I came in touch with ISKCON. The most powerful gift I got from ISKCON is "Hare Krishna Hare Krishna, Krishna Krishna Hare Hare, Hare Rama Hare Rama, Rama Rama Hare Hare" maha-mantra. My dear Srila Prabhupada, I need your blessings each and every moment of my life, I also further pray that my mind should always remember Krishna and it should not be deviated by illusory forces of Maya. I wish more spiritual progress in my life which could only be possible by your causeless mercy. Please give me the strength to continue my journey in Krishna Consciousness forever. Give me the strength to control my mind and serve Krishna with full love and devotion.

*dhyana moolam guru murti, puja moolam gurur padam  
mantra moolam gurur vakyam, moksh moolam guru kripa*

The Guru's form is the best to meditate upon,

The Guru's feet are the best for worship,

The Guru's word is the mantra,

The Guru's grace is the root of liberation.

Jai Srila Prabhupada

All Glories to You Srila Prabhupada

Please accept my Humble Obeisances.

Thank You Prabhupada for giving me an opportunity to receive the most important knowledge through your representatives. Your Krishna Consciousness movement is like a torch in the age of Kali. Following four Regulative principles and Chanting of Hare Krishna Mahamantra are the most effective and the easiest methods given by you for uplifting the fallen souls.

Srila Prabhupada, your books are very good even a common man is able to understand them and apply the teachings in his daily life. You have written the most difficult Sanskrit texts in simple English Language, this has been helping a large number of people including me in easier understanding of the text. Your illustrations in the Vedic Literature such as Bhagavad Gita are very helpful in a complete understanding of the verses. Your representatives are so humble and are helping in the proper recitation of the verses and making us understand word by word. Through your mercy the books are being distributed to different parts of the world to help the fallen souls uplift themselves.

Srila Prabhupada your temples are doing an extraordinary service in spreading Krishna Consciousness, guiding the people of a different classes of society to realize the importance of the "Human Form of Life", molding the youths to excel themselves in all circumstances of life.

Srila Prabhupada I am extremely thankful to you for your causeless mercy. Please continue to guide me in all the situations of life. Only your mercy can help us in crossing over this ocean of material life. Please bless me to always sincerely chant the holy name of the lord and spread the holy name to others.

Thank You, Srila Prabhupada

Jai Srila Prabhupad,

Please accept my Humble Obeisance.

*yasya prasādād bhagavat-prasādo, yasyāprasādān na gatiḥ kuto 'pi  
dhyāyan stuvāms tasya yaśas tri-sandhyam, vande guroḥ śrī-caraṇāravindam*

By the mercy of the Spiritual Master one receives the benediction of Krishna. Without the grace of the Spiritual Master, one cannot make any advancement. Therefore, I should always remember and praise the Spiritual Master. At least three times a day I should offer my respectful obeisances unto the lotus feet of my Spiritual Master.

It is only because of your mercy, today I am able to follow the Krishna Consciousness in my life. I will always be indebted to you. Due to COVID-19, I am unable to visit temples and have association of devotees and take darshan of their lordships. But devotees are very merciful that they are giving online association and sending daily darshan of their lordships. So I never felt that I am separated from Radha Krishna and Krishna Balarama even for a single day. Earlier I rarely used to attend Mangala arati, but now with my desire to attend and your mercy, I am regularly attending Mangala arati of Sri Sri Radha Vrindavan Chandra, Vrindavan and Sandhyarti of Sri Sri Radha Madhav, Mayapur, since two months. Also, I am very much aware of the faults and mistakes I am doing and also have regret for them. I sincerely pray to you to help me to overcome the hurdles in the path of Krishna Consciousness.

I am chanting 16 rounds daily for the past 8 years. I am improving my quality of chanting rounds. Attended 'Soulful Japa' sessions by His Grace Madhu Pandit Prabhu during the lockdown period and it helped me very much in improving the quality of my rounds. I am reading your books regularly. It's only because of your mercy, today I am able to read and understand in my capacity, books written by Goswamis. This intense desire to know about the pastimes of Krishna is kindled in my heart by your mercy. I beg your mercy once again to bless me to understand these transcendental literature properly.

In my previous letter, I mentioned searching for a girl for my marriage. Now my marriage is fixed with a girl selected by my family. I don't know about her Krishna Consciousness level. I sincerely beg you to give me strength and intelligence to make her Krishna Conscious.

I repeat this verse by Sri Sanatana Goswami,

*na prema sravanadi-bhaktir api va yogo thava vaisnavo  
jnanam va subha-karma va kiyad aho saj-jatir api astiva  
hin arthadhika-sadhake tvayi tathapy acchedya-mula sati  
he gopijanavallabha vyathayate ha ha madasaiva mam*

*I am poor in love with Godhead, and I have no asset for hearing about devotional service. Nor do I have any understanding of the science of devotional service, nor any cultivation of knowledge, nor any righteous activities to my credit. I am not even born in a*

high family. Nonetheless, O darling of the damsels of Vraja, I still maintain hopes of achieving You, and these hopes are always disturbing me'

Jai Prabhupad! Jai Shri Krishna!

My Dear Srila Prabhupada,

ಜಯ ಶ್ರೀಲ ಪ್ರಭುಪಾದ,

ಪರಮಪೂಜ್ಯ ಶ್ರೀ ಶ್ರೀಮದ್ ಎ ಸಿ ಭಕ್ತಿವೇದಾಂತ ಸ್ವಾಮಿ ಪ್ರಭುಪಾದರ ಪಾದಾರವಿಂದಗಳಲ್ಲಿ ನನ್ನ ಗೌರವಪೂರ್ಣವಾದ ಪ್ರಣಾಮಗಳನ್ನು ಸಲ್ಲಿಸುತ್ತೇನೆ ದಯವಿಟ್ಟು ಸ್ವೀಕರಿಸಿ.

ನಾನು ಇಸ್ಕಾನ್ ದೇವಸ್ಥಾನಕ್ಕೆ ಹೋಗುವುದಕ್ಕೆ ಪ್ರಾರಂಭಿಸಿ ಆರು ವರ್ಷವಾಯಿತು, ನಾನು ಇಲ್ಲಿಗೆ ಬಂದ ಮೇಲೆ ನನ್ನ ಜೀವನದಲ್ಲಿ ಹಲವಾರು ಬದಲಾವಣೆಗಳಾಗಿವೆ. ಮಂದಿರಕ್ಕೆ ಬಂದ ಮೇಲೆ ಮತ್ತು ಭಗವಂತನ ಕೃಪೆಯಿಂದ ನಾನು ತುಂಬಾ ಆಧ್ಯಾತ್ಮಿಕ ವಿಷಯಗಳನ್ನು ಕಲಿತು ಕೊಳ್ಳುತ್ತಿದ್ದೇನೆ. ಗುರುಗಳಾದ ಶ್ರೀಲ ಪ್ರಭುಪಾದರ ಮಾರ್ಗದರ್ಶನದಂತೆ ಭಗವಂತನೊಡನೆ ನಮ್ಮ ಸಂಬಂಧ ಎಂತಹದ್ದು, ನಾವು ಭಗವಂತನ ಸೇವೆಯನ್ನು ಸಲ್ಲಿಸುವುದು ಹೇಗೆ, ಆಧ್ಯಾತ್ಮಿಕ ದೃಷ್ಟಿಯಲ್ಲಿ ಜಗತ್ತನ್ನು ನೋಡುವುದು ಮತ್ತು ಭೌತಿಕ ಜಗತ್ತಿನ ಸಂಗತಿಗಳಾದ ಹುಟ್ಟು-ಸಾವುಗಳ ಚಕ್ರದಿಂದ ತಪ್ಪಿಸಿಕೊಳ್ಳುವುದು ಹೇಗೆ ಎಂಬುದನ್ನು ನಿಮ್ಮ ಪ್ರವಚನದಲ್ಲಿ ಮತ್ತು ಕೃತಿಗಳಲ್ಲಿ ತಿಳಿಸಿಕೊಟ್ಟಿದ್ದೀರಿ ಮತ್ತು ನಮ್ಮನ್ನು ಭೌತಿಕ ಬಂಧನದಿಂದ ಪಾರು ಮಾಡಿದ್ದೀರಿ ಅಥವಾ ರಕ್ಷಿಸಿದ್ದೀರಿ.

ಆದ್ದರಿಂದ ಈ ಸಂದರ್ಭದಲ್ಲಿ ಗುರುವಿನ ಮಹತ್ವ ನೆನಪಿಗೆ ಬರುತ್ತದೆ. ಅದೇನೆಂದರೆ ಇಂದಿನ ದಿನಗಳಲ್ಲಿ ಸೂಕ್ತ ಗುರುಗಳು ಸಿಗುವುದು ತುಂಬಾ ಕಠಿಣ ಒಂದು ವೇಳೆ ಗುರುಗಳು ಸಿಕ್ಕಿದರೆ ಅವರ ಮೇಲೆ ನಿಷ್ಠೆ ಬರುವುದು ಇನ್ನೂ ಕಠಿಣ. ಆ ನಿಷ್ಠೆ ಬಂದರೆ, ಕೊನೆಯತನಕ ಉಳಿಯುವುದು ಇನ್ನೂ ಕಠಿಣ. ಆದ್ದರಿಂದ ಅಂತಹ ನಿಷ್ಠೆ ನನ್ನಲ್ಲಿ ಕೊನೆಯತನಕ ಉಳಿಯಲಿ ಎಂದು ನಿಮ್ಮಲ್ಲಿ ಭಕ್ತಿಪೂರ್ವಕವಾಗಿ ಪ್ರಾರ್ಥಿಸುತ್ತೇನೆ.

ಇದಲ್ಲದೆ ನೀವು ಶ್ರೀಲ ಪ್ರಭುಪಾದರು ಕೃಷ್ಣ ಭಕ್ತಿಯ ವಿಜ್ಞಾನವನ್ನು ಜಗತ್ತಿನಾದ್ಯಂತ ಹರಡಿ ಆಧ್ಯಾತ್ಮಿಕ ಕ್ರಾಂತಿಕಾರರಾಗಿದ್ದೀರಿ. ಸನಾತನ ಧರ್ಮವನ್ನು ಮರೆತು ಬಿಟ್ಟವರಿಗೆ ಅಂತರಾಷ್ಟ್ರೀಯ ಕೃಷ್ಣಪ್ರಜ್ಞೆ ಸಂಘವನ್ನು ಸ್ಥಾಪನೆ ಮಾಡುವ ಮೂಲಕ ಸನಾತನ ಧರ್ಮವನ್ನು ಗಟ್ಟಿಗೊಳಿಸಿದ್ದೀರಿ ಮತ್ತು ಆಧ್ಯಾತ್ಮಿಕ ಲೋಕಕ್ಕೆ ಸುಗಮವಾಗಿ ಹೋಗಲು ಭಕ್ತಿ ಸೇವಾ ಮಾರ್ಗವನ್ನು ತಿಳಿಸಿಕೊಟ್ಟಿದ್ದೀರಿ.

ಹೀಗೆ ಶ್ರೀಲ ಪ್ರಭುಪಾದರು ಜಗತ್ತಿಗೆ ಅನೇಕ ಆಧ್ಯಾತ್ಮಿಕ ಕೊಡುಗೆಗಳನ್ನು ತಿಳಿಸಿಕೊಟ್ಟಿದ್ದಾರೆ. ಈ ಎಲ್ಲ ವಿಷಯಗಳನ್ನು ತಿಳಿಸಿಕೊಟ್ಟು ಗುರುಗಳಾದ, ಶ್ರೀಲ ಪ್ರಭುಪಾದರ ಕೃಪೆ ನನ್ನ ಮೇಲೆ ಇರಲಿ.

ಈ ಶುಭದಿನದಂದು ನಾನು ನಿಮ್ಮಲ್ಲಿ ಹೃದಯಪೂರ್ವಕವಾಗಿ ಪ್ರಾರ್ಥಿಸುವುದೇನೆಂದರೆ. ನಿಮ್ಮ ಅಪೂರ್ವ ಗ್ರಂಥಗಳನ್ನು ಓದಿ ಅದನ್ನು ಅರಿತು ಅನುಷ್ಠಾನ ಮಾಡಿಕೊಳ್ಳಲು ಬೇಕಾದ ಅರ್ಹತೆಯನ್ನು ನೀಡಿ, ಆಶೀರ್ವದಿಸಬೇಕಾಗಿ ತಮ್ಮ ಚರಣಕಮಲಗಳಲ್ಲಿ ಪ್ರಾರ್ಥಿಸುತ್ತೇನೆ.

ಶ್ರೀಲ ಪ್ರಭುಪಾದರು ನನಗೆ ಇನ್ನೂ ಅಧಿಕವಾಗಿ ಶ್ರೀಕೃಷ್ಣನ ಸೇವೆಯಲ್ಲಿ ತನ್ನನ್ನು ತೊಡಗಿಸಿಕೊಳ್ಳಲು ನನ್ನ ಮೇಲೆ ಕೃಪೆ ತೋರಬೇಕೆಂದು ಪರಮ ಗುರುಗಳಾದ ನಿಮ್ಮ ಚರಣ ಕಮಲ ಗಳಲ್ಲಿ ಭಕ್ತಿಪೂರ್ವಕವಾಗಿ ಬೇಡಿಕೊಳ್ಳುತ್ತೇನೆ.

ನಾನು ಚಿಕ್ಕ ಊರಿನಲ್ಲಿ ಹುಟ್ಟಿ ಬೆಳೆದು ನಿಮ್ಮ ಅತಿದೊಡ್ಡ ಆಶೀರ್ವಾದದಿಂದ, ಕೃಪೆಯಿಂದ, ಅನುಗ್ರಹದಿಂದ ನಾನು ಮುಂಬೈ ಇನ್ಸಾನ್ ನಿಂದ ಕೃಷ್ಣಪ್ರಜ್ಞೆಯನ್ನು ತಿಳಿದುಕೊಂಡೆ. ನನ್ನ ಜೀವನದಲ್ಲಿ ಕೃಷ್ಣ ಪ್ರಜ್ಞೆ ಅತಿ ಮುಖ್ಯವಾಗಿದೆ. ನಿಮ್ಮ ಕೃಪೆಯಿಂದ ನನ್ನ ಜೀವನ ಆನಂದಮಯವಾಗಿದೆ. ಕೃಷ್ಣನನ್ನು ಅರಿಯಲು ನಿಮ್ಮ ಇನ್ಸಾನ್ ಸಂಸ್ಥೆಯಿಂದ ಸಹಕಾರ ವಾಗಿದೆ. ನಾನು ನಿಮ್ಮ ದರ್ಶನವನ್ನು ನೀವು ಬರೆದಿಟ್ಟ ನಿಮ್ಮ ಪುಸ್ತಕದಲ್ಲಿ ಕಾಣುತ್ತೇನೆ. ನೀವು ಬರೆದಿಟ್ಟ ಪುಸ್ತಕಗಳು, ಕೃಷ್ಣಪ್ರಜ್ಞೆಯ ಆಧ್ಯಾತ್ಮಿಕ ಪುಸ್ತಕಗಳು ಅತಿ ಸಹಾಯಕವಾಗಿವೆ.

ಈ ನನ್ನ ಬದ್ಧ ಆತ್ಮಕ್ಕೆ ಕೃಷ್ಣಪ್ರಜ್ಞೆ ತರಲಿಕ್ಕೆ ಅತಿಸರಳವಾದ ನಿಮ್ಮ ಮಂದಿರದಲ್ಲಿ ಭಕ್ತರ ಸಂಘ ಹಾಗೂ ಸ್ಮರಣೆ, ಕೀರ್ತನ, ಪುವಚನ, ಮಹಾಪ್ರಸಾದದಿಂದ ಈ ನನ್ನ ಆತ್ಮವು ಆಧ್ಯಾತ್ಮಿಕ ಜೀವನದ ಬಗ್ಗೆ ತಿಳಿಯಲಿಕ್ಕೆ ಸಾಧ್ಯವಾಗಿದೆ. ಇದರಿಂದ ಜೀವನಕ್ಕೆ ಪ್ರೇರಣೆ ಸಿಕ್ಕಿದೆ. ಈಗಿನ ಪರಿಸ್ಥಿತಿಯಲ್ಲಿ ಈ ಭೌತಿಕ ಜೀವನ ತುಂಬಾ ಆಘಾತ ವಾಗಿದೆ. ಚೈತನ್ಯ ಮಹಾಪ್ರಭುಗಳಿಂದ ಹಾಗೂ ನಿಮ್ಮ ಆಶೀರ್ವಾದದಿಂದ ಈ ಭೌತಿಕ ಜೀವನ ದಾಟಲಿಕ್ಕೆ ನಿಮ್ಮ ಸಂಸ್ಥೆಯಿಂದ ತುಂಬಾ ಸಹಕಾರ ವಾಗುತ್ತಿದೆ.

ನಾನು ಕಳಕಳಿಯಿಂದ ಬೇಡಿಕೊಳ್ಳುತ್ತೇನೆ ಎಷ್ಟೇ ಜನ್ಮವಾದರೂ ಸಹ ನಿಮ್ಮ ಇನ್ಸಾನ್ ಸಂಸ್ಥೆಯಲ್ಲಿ ಸೇವಕನಾಗಲು ಇಚ್ಛಿಸುತ್ತೇನೆ. ನಾನು ಈ ಮಾತನ್ನು ಹೃದಯಪೂರ್ವಕವಾಗಿ ಬರೆದಿರುತ್ತೇನೆ.

ಜಗದ್ಗುರು ಶ್ರೀಲ ಪ್ರಭುಪಾದ ಕಿ ಜೈ...!

Dear Srila Prabhupada,

Please accept my Humble Obeisances at your Divine lotus feet.

I am very fortunate to serve your lotus feet and write this letter on this most auspicious occasion of your 124th Vyasa Puja.

You came from spiritual world to this material world for distributing the science of Krishna Consciousness to fallen conditioned souls like me. You started this Krishna Consciousness movement, ISKCON at the age of 70 for delivering the whole word for satisfying the desire of Lord Sri Caitanya Mahaprabhu. By Your causeless mercy, I came in contact with this Krishna consciousness movement. You taught us how to engage our mind and senses in Krishna Consciousness activities and we are part and parcel of Supreme Personality of Godhead, Sri Krishna. Srila Prabhupada, You give us the easy way of practicing the devotional service for Krishna and You taught that, if anyone does follow the four regulative principles, chanting daily 16 rounds, follows the instructions of earlier Vaishnava Acharya, one can achieve the prema bhakti for Krishna. We can easily go back to Godhead by your causeless mercy. I am chanting 16 rounds daily and following the four regulative principles and following temple authority rules and regulations.

My dear Srila Prabhupada, I beg you to give to me the spiritual strength, so that I continue rendering devotional service. Please always place me at your lotus feet and always engage me in the service of your lotus feet for life after life.

Your Servant,

Bhakta Sachin Balaraddy.

Jai Srila Prabhupada,

All glories to Srila Prabhupada. Please accept my humble obeisance.

Srila Prabhupada, first of all please forgive me, that I am still not able to follow your instructions perfectly. But I am still trying to follow your orders. The only thing that I need is your mercy, without that I may not be able to understand who I am? and who is Krishna? and what is my relationship with Him?

I was rotting in this material world without knowing the value of the human form of life. But by reading your books and coming in contact with your Hare Krishna Movement, ISKCON, I have understood what is my real nature and my constitutional position. That, I am a part and parcel of Krishna and my constitutional position is to serve Him.

Now, my only request to you is to help me to progress in devotional service more and more, always engage me in serving the lotus feet of Krishna and His devotees, and help me to become a disciple of yours, and help me to become a pure devotee of Sri Krishna.

Your Servant,

Bhakta Sachin Kumar S.

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to you on this auspicious day of Vyasa Puja.

I am very happy and proud today to remember you as my Spiritual Master. You removed the cover of attachment from my eyes and showed me the true consciousness. You brought me in the association of devotees and taught me the correct meaning of existence. You taught me to discriminate between right and wrong. You taught me how the world is full of Maya. You also taught me how to overcome Maya. And you ordered me to surrender to Krishna. My Spiritual Master, I am trying my best. And I will definitely succeed one day if I continue to follow your path.

Thank you so much for everything. At every moment of my spiritual and material life, I am feeling the difference now. This all is just because of your mercy. I know that you are watching me from Vaikuntha, I shall act as per your teachings and shall preach your message wherever I can. My only desire is to be guided by you in the form of words of the devotees and your books. As my experience in this movement is increasing, I am understanding why you are the "True Acharya."

Now the ambition is to follow your footsteps. Guide me in this work.

My Thousands of Obeisance to my Spiritual Master.

Trying to become your Servant,

Bhakta Sarang Dev.

ಶ್ರೀ ಶ್ರೀ ಗುರು ಗೌರಾಂಗ ||

ಪರಮಪೂಜ್ಯ ಗುರುಗಳಾದ ಶ್ರೀ ಶ್ರೀಮದ್ ಎ. ಸಿ. ಭಕ್ತಿವೇದಾಂತ ಸ್ವಾಮಿ ಪ್ರಭುಪಾದರಿಗೆ, ನಿಮ್ಮ ಅನಂತ ಚರಣಗಳಿಗೆ ನಿಮ್ಮ ಸೇವಕ ಮಾಡುವ ಕೋಟಿ ಕೋಟಿ ವಂದನೆಗಳು.

ಇಂದಿನ ಆಧುನಿಕ ಯುಗದಲ್ಲಿ ವಿಜ್ಞಾನ, ತಂತ್ರಜ್ಞಾನ ಎಷ್ಟೇ ಮುಂದುವರಿದಿದ್ದರೂ ಮನುಷ್ಯನು ಬರೀ ದೇವರಿಲ್ಲದೆ, ಭಗವಂತನಿಲ್ಲದೆ ಪ್ರಕೃತಿಯನ್ನು ತನ್ನ ಹತೋಟಿಯಲ್ಲಿದ್ದಲು ಪ್ರಯತ್ನಿಸುತ್ತಿದ್ದಾನೆ. ಆದರೆ ಪ್ರಕೃತಿಯು ಮನುಷ್ಯನಿಗೆ ತಕ್ಕ ಪಾಠ ಕಲಿಸುತ್ತಾ ಬಂದಿದೆ. ಎಷ್ಟೇ ಆಧುನಿಕ ವಿಜ್ಞಾನ ಮುಂದುವರಿದರೂ ಮೂರು ತರಹದ ದುಃಖಗಳಿಂದ ಪಾರಾಗಲು ಸಾಧ್ಯವಿಲ್ಲ ಎಂಬುದು ಮತ್ತೆ ನಿಮ್ಮ ಆದೇಶಗಳಿಂದ ಮತ್ತು ನಿಮ್ಮ ಆಧ್ಯಾತ್ಮಿಕ ಪುಸ್ತಕಗಳಿಂದ ನಿಮ್ಮ ಉಪದೇಶಗಳಿಂದ ಪುನಃ ಪುನಃ ಸ್ಮರಣೆಯಾಗುತ್ತದೆ. ಆಧುನಿಕ ಜೀವನದಲ್ಲಿದ್ದುಕೊಂಡು ಸಹ ಕೃಷ್ಣ ಪ್ರಜ್ಞೆಯನ್ನು ಹೇಗೆ ಜೀವನದಲ್ಲಿ ಅಳವಡಿಸಿಕೊಂಡು ಸರಳವಾಗಿ ಬದುಕಬಹುದು. ನಿಮ್ಮ ಆದೇಶದಂತೆ ಆಧ್ಯಾತ್ಮಿಕ ಜೀವನವನ್ನು ಆಚರಿಸುತ್ತಾ ಬದುಕಬಹುದು. ನಿಮ್ಮ ಉಪದೇಶದಂತೆ ಕೇವಲ ಕಲಿಯುಗದಲ್ಲಿ "ಹರೇ ನಾಮೈವ ಕೇವಲಂ" ಎಂಬಂತೆ ಯಾವಾಗಲೂ ಜೀವನದ ಎಂತಹ ಸಂದಿಗ್ಧ ಪರಿಸ್ಥಿತಿಯಲ್ಲೂ ಭಗವಂತನ ನಾಮಸ್ಮರಣೆ "ಹರೇ ಕೃಷ್ಣ" ಮಂತ್ರವನ್ನು ಜಪಿಸುತ್ತಾ ಭೌತಿಕ ದಣಿವನ್ನು ನೀಗಿಸಿಕೊಳ್ಳಬಹುದು, ಮತ್ತು ಆತ್ಮ ದ ಹಸಿವನ್ನು ನೀಗಿಸಿಕೊಳ್ಳಬಹುದು.

ನನ್ನ ಜೀವನದಲ್ಲಿ ನಿಮ್ಮ ಉಪದೇಶಗಳನ್ನು ಅಳವಡಿಸಿಕೊಂಡು ನಿಮ್ಮ ಸೇವಕನಾದ ಮೇಲೆ ಅದರಲ್ಲೂ ದೇವಸ್ಥಾನದಲ್ಲಿ ಭಕ್ತರ ಸಂಘ, ಭಗವಂತನ ದರ್ಶನ, ಭಗವಂತನ ಸೇವೆ, ಭಗವದ್ಗೀತೆ ಮತ್ತು ಶ್ರೀಮದ್ ಭಾಗವತದಂತಹ ಶ್ರೇಷ್ಠ ಆಧ್ಯಾತ್ಮಿಕ ತತ್ವಶಾಸ್ತ್ರಗಳನ್ನು ಓದಲು ನಿಮ್ಮಿಂದ ಅನುಕೂಲವಾಯಿತು.

ನೀವು ಉಪದೇಶಿಸಿದ ನಿಮ್ಮ ಎಲ್ಲಾ ಪುಸ್ತಕಗಳ ಸಂದೇಶವನ್ನು ಒಬ್ಬನು ತನ್ನ ಜೀವನದಲ್ಲಿ ಅಳವಡಿಸಿಕೊಂಡಿದ್ದಾದರೆ ಭಗವಂತನೊಂದಿಗೆ ನೇರ ಸಂಪರ್ಕ ಭಗವಂತನ ಸಾಮ್ರಾಜ್ಯ, ಕೃಷ್ಣಲೋಕವನ್ನು ಪಡೆಯಬಹುದು.

ನಿಮ್ಮ ಆಧ್ಯಾತ್ಮಿಕ ಆದೇಶಗಳನ್ನು ಆಚರಿಸುತ್ತಾ, ಭಗವದ್ವಾಮದ ಕಡೆ ನನ್ನ ಪಯಣವನ್ನು ಬೆಳೆಸಬಹುದು.

ಕೊನೆಯದಾಗಿ ನಿಮ್ಮ ಚರಣಾರವಿಂದಗಳಿಗೆ ಕೋಟಿ ಕೋಟಿ ನಮಸ್ಕಾರಗಳು.

ಇಂತಿ ನಿಮ್ಮ ಸೇವಕ

ಭಕ್ತ ಸಿದ್ದೇಶ್ ಕುಮಾರ್.

ಪ್ರಿಯ ಗುರುಗಳಾದ ಶ್ರೀಲ ಪ್ರಭುಪಾದರಿಗೆ,

ಆಧ್ಯಾತ್ಮಿಕ ಜ್ಞಾನವೆಂಬ ಮಹಾಸಾಗರದಲ್ಲಿ ಈಜುವುದು ಹೇಗೆ ಎಂದು ಯೋಚಿಸುತ್ತಿರಲು, ತಮ್ಮ ದಿವ್ಯಜ್ಞಾನದ ದೋಣಿಯಿಂದ ನನ್ನಂತಹ ಅಸಂಖ್ಯಾತ ಮನುಜರನ್ನು ದಡ ಸೇರಿಸುತ್ತಿರುವ ಆಚಾರ್ಯ ಶ್ರೇಷ್ಠ ಶ್ರೀಲ ಪ್ರಭುಪಾದರ ಚರಣ ಕಮಲಗಳಿಗೆ ನನ್ನ ನಮನಗಳನ್ನು ಸಲ್ಲಿಸುತ್ತೇನೆ.

ಅಜ್ಞಾನದ ಅಂಧಕಾರದಲ್ಲಿ ಸಿಲುಕಿರುವ ಆತ್ಮಗಳಿಗೆ ಕೃಷ್ಣ ಪ್ರಜ್ಞೆಯ ಬೆಳಕು ಚೆಲ್ಲಿ, ಸರಿ ದಾರಿಯಲ್ಲಿ ನಡೆಸುತ್ತಿರುವ ಅಂತರಾಷ್ಟ್ರೀಯ ಕೃಷ್ಣ ಪ್ರಜ್ಞಾಸಂಸ್ಥೆಯ ಸಂಸ್ಥಾಪಕರಾಗಿರುವ ಶ್ರೀಲ ಪ್ರಭುಪಾದರಿಗೆ ಜನ್ಮ ದಿನದ ಶುಭಾಶಯಗಳನ್ನು ಕೋರುತ್ತಾ, ಈ ವಿಶೇಷ ದಿನದಂದು ಅವರ ಕುರಿತಾಗಿ ಬರೆಯಲು ಅವಕಾಶ ಸಿಕ್ಕಿರುವುದು ನನ್ನ ಸೌಭಾಗ್ಯವೆಂದು ಭಾವಿಸುತ್ತೇನೆ.

ಫೋಕ್ ವಿದ್ಯಾರ್ಥಿಯಾಗಿರುವ ನಾನು, ಪ್ರಭುಪಾದರ ಜೀವನ ಸಾಧನೆಗಳನ್ನು ಮೊದಲ ಬಾರಿ ಕೇಳಿದಾಗ, ಇವರು ಖಂಡಿತವಾಗಿಯೂ ಕಲಿಯುಗದ ಯುಗಪುರುಷರೆಂದೇ ಭಾಸವಾಯಿತು. ತಮ್ಮ 70ನೇ ವಯಸ್ಸಿನಲ್ಲಿ ಅಮೇರಿಕಾದಂತಹ ತಂತ್ರಜ್ಞಾನ ಆಧಾರಿತ ದೇಶದಲ್ಲಿ ಕೃಷ್ಣಪ್ರಜ್ಞೆಯನ್ನು ಸಾರಿ, ದುಶ್ಚಟಿ ವ್ಯಸನಿಗಳ ಮನ ಪರಿವರ್ತಿಸಿ ಕೃಷ್ಣಭಕ್ತರನ್ನಾಗಿ ಮಾಡಿದ್ದನ್ನು ಕೇಳಿದಾಗ ಇದೇ ನಿಜವಾದ ಚಮತ್ಕಾರ ಎಂದೆನಿಸಿತು. ಅವರ ಪುಸ್ತಕಗಳಲ್ಲಿರುವ ಆಳವಾದ ಜ್ಞಾನವು ಮುಂದಿನ ತಲೆಮಾರುಗಳಿಗೆ ಪ್ರೇರಣೆಯಾಗಿ ಭಗವಂತನ ಅನುಯಾಯಿಗಳನ್ನಾಗಿ ಮಾಡುತ್ತದೆ.

ಇಷ್ಟೆಲ್ಲ ಸಾಧನೆಗಳನ್ನು ಮಾಡಿದ್ದರೂ ಸಹ ತಾವು ಕೇವಲ ಭಗವಂತನ ಸೇವೆಯಲ್ಲಿ ತೊಡಗಿದ್ದೇನೆಂದು ಹಾಗೂ ಸೇವಕನಾಗಲು ಪ್ರಯತ್ನಿಸುತ್ತಿದ್ದೇನೆಂದು ಹೇಳಿದ್ದನ್ನು ಕೇಳಿದಾಗ ಅವರ ಶ್ರೇಷ್ಠತೆ ದುಪ್ಪಟ್ಟಾಯಿತು. ಈ ಚಮತ್ಕಾರಗಳು ನಮ್ಮೆಲ್ಲರಿಗೆ ಆತ್ಮ ಸಾಕ್ಷಾತ್ಕಾರ ಮಾಡಿಕೊಳ್ಳಲು ಸ್ಪೂರ್ತಿಸ್ಪೂರ್ತಿದಾಯಕವಾಗಿವೆ. ಭೌತಿಕ ಜಗತ್ತಿನ ಮಾಯೆಯ ಬಂಧನದಿಂದ ಮುಕ್ತಿ ಹೊಂದಲು ಹೆಣಗಾಡುತ್ತಿರುವ ಆತ್ಮಗಳಿಗೆ ಪ್ರಭುಪಾದರ ಮಾರ್ಗದರ್ಶನಗಳು ಅತ್ಯವಶ್ಯಕ. ಅವರ ಜೀವನ ಶೈಲಿಯಂತೂ ಎಂತಹ ಯುವಕರನ್ನೂ ನಾಚಿಸುವಂತಿದೆ. ಶ್ರದ್ಧೆ, ಭಕ್ತಿ, ದೃಢ ನಿರ್ಣಯಗಳಿಂದ ಅಸಾಧ್ಯವಾದ ಕಾರ್ಯಗಳನ್ನು ಸಾಧಿಸುವುದು ಹೇಗೆಂದು ಪ್ರಭುಪಾದರು ನಮಗೆ ತೋರಿಸಿ ಕೊಟ್ಟಿದ್ದಾರೆ. ಕೃಷ್ಣಪ್ರಜ್ಞೆಯನ್ನು ಮೈಗೂಡಿಸಿಕೊಂಡು, ಕೃಷ್ಣ ಪ್ರೇಮವನ್ನು ಬೆಳೆಸಿಕೊಂಡು, ಸದಾ ಕೃಷ್ಣನ ಅನುಯಾಯಿಗಳಾಗಿರಲು ನಮಗೆ ರೂಪುರೇಷೆ ಹಾಕಿ ಕೊಟ್ಟು ನಮ್ಮೆಲ್ಲರಿಗೂ ದಾರಿ ದೀಪವಾಗಿದ್ದಾರೆ. ಪ್ರಭುಪಾದರು ಬರೆದಿರುವ ಪುಸ್ತಕಗಳಿಗಂತೂ ಹೋಲಿಕೆಯೇ ಇಲ್ಲ. ಅವರು ತೋರಿಸಿರುವ ಮಾರ್ಗದಲ್ಲಿ ನಡೆದು, ಅವರು ನಮಗಾಗಿ ಕೊಟ್ಟಿರುವ ಜ್ಞಾನವನ್ನು ಎಲ್ಲೆಡೆ ಪಸರಿಸುತ್ತಾ, ಕೃಷ್ಣ ಪ್ರಜ್ಞೆಯ ಮಹತ್ವವನ್ನು ಮನುಕುಲಕ್ಕೆ ತಿಳಿಸುವುದು ನಮ್ಮ ಕರ್ತವ್ಯವಾಗಿದೆ. ಈ ಕರ್ತವ್ಯವನ್ನು ನಿರ್ವಹಿಸಲು ನಮ್ಮೆಲ್ಲರನ್ನು ಆಶೀರ್ವದಿಸುವಂತೆ ನಿಮ್ಮ ಚರಣ ಕಮಲಗಳಿಗೆ ನಮಸ್ಕರಿಸುತ್ತೇನೆ.

ಇಂತಿ ನಿಮ್ಮ ಅನುಯಾಯಿ,

ಭಕ್ತ ಸಿದ್ಧಾರ್ಥ ಹೆಚ್ ಎಸ್.

All glories to Srila Prabhupada.

Please accept my humble obeisances at your lotus feet.

Thank you Prabhupada for giving such a wonderful life. You have given some instructions on what Krishna told to Arjuna. The main business of human society is to think of the Supreme Lord Krishna at all times, to worship Him, to become His devotee, and how to bow down before Him. You are Krishna's representative and established the principles of Krishna Consciousness.

You have established Lord Chaitanya's army and trained all your disciples to fight against Maya. Without your mercy, there is no hope for me to fight against Maya.

*mūkaṁ karoti vācālaṁ, paṅguṁ laṅghayate girim*

*yat-kṛpā tam ahaṁ vande, śrī-guruṁ dīna-tāraṇam*

By the mercy of the guru, even a dumb man can become the greatest orator, and even a lame man can cross mountains. As advised by Lord Brahmā, one should remember this śāstric injunction if one desires success in his life.

You have given the highest perfection of human life that is Krishna Prema. Your lotus feet are the shelter for the whole world, so please accept this most fallen soul as your servant's servant.

श्रील प्रभुपाद की जय,

अंतरराष्ट्रीय कृष्ण भावना मृतके संस्थापक आचार्य जी श्रीला प्रभुपाद को हमारा भक्ति पूर्वक प्रणाम. श्री लक्ष गोपाल आपकी कृपा असीम है. इसलिए ही आप 1966 में अमेरिका जैसी देश को जाकर आप कृष्णा भावना मृदा का प्रचार किया. जो ज्ञान को, जो संस्कृति को अन्य देशों ने लूट नहीं पाया उस भव्य ज्ञान को, कृष्ण भावना मृतक के ज्ञान को अपने सारे देशों में बांट दिया. इसी से हमको पता लगता है कि आपकी कृपा अपरंपार है. आपने कहा है कि आपके गुरुदेव के उपदेश को संपूर्ण करने के लिए संपूर्ण विश्व में इस भावना मृतक को प्रचार किया. अपने भक्तों जीवन को कृष्ण भावना मृतक की हरे कृष्ण महामंत्र जाप कीर्तन तथा महाप्रसाद का सेवन में लगाकर उन सबको मुक्ति का पथ दिखा दिया. भौतिक जीव इस सरल तरीका को अपनाकर अपने इस मनुष्य जन्म को परिपूर्ण कर सकते हैं. इस अवसर प्रदान करने के लिए आपको बहुत धन्यवाद.

All glories to Sri Guru and Gauranga,

Dear Srila Prabhupada, my Spiritual Master.

Please accept my humble obeisance unto your lotus feet. All glories to Srila Prabhupada, all glories to you on this auspicious day of your Vyasa Puja.

His Divine Grace A.C. Bhaktivedanta Swami Prabhupada has given us a very great and auspicious opportunity of glorifying a guru, which is very rarely obtained. Thank you for this my dear Gurudev.

Srila Prabhupada since ever I came in touch with you through ISKCON, you have shown me the right face of life in every moment of life, it may be spiritual and material. It fears me a lot when I just imagine that what could have been to my life if I had not got the mercy of your lotus feet. I surely say that I would have been in the list of 3rd class men of the society, fit to be no where. Today I am not a first class man or not so well advanced in Krishna consciousness also. But I am happy that by your mercy and teachings Gurudev, I am not also in the list of 3rd class.

I being a small creature, am incapable of glorifying you. But Srila Prabhupada, you are the only one by whose mercy of the dust of the lotus feet can save me.

So, I beg at your lotus feet my Dear Gurudev, please, please show some mercy on this fallen soul, so that I can get a pinch of Krishna Bhakti and lead a grihastha life and not a grihamedhi life, help me to follow rules and regulations which is not possible for me to follow without your mercy.

I beg at your lotus feet Guru Maharaj, please, please help me to do your specified numbers of rounds daily, which I am not able to do.

Thank you Srila Prabhupada!

Trying to be your obedient, faithful servant,

Bhakta Veepin Solankiy.

Dear Srila Prabhupada,

Please accept my Humble obeisances on to the dust of your lotus feet.

All glories to you on this most auspicious day of your appearance.

I would like to thank you for accepting this insignificant soul under the shelter of your lotus feet.

The verdict of all revealed scriptures is that by even a moment's association with a pure devotee, one can attain all success.

This is absolutely true and realized in my own life. I feel fortunate to have your most valuable association and because of that association, we can see that all success is coming in our way. Your powerful instructions had changed our material circumstances.

On this great occasion I pray to Srila Prabhupada, to please grant us service to his lotus feet, so that by serving him, we may be able to make rapid progress in our endeavors in Spiritual life. The devotees of the Lord are very dear to the Lord. And Srila Prabhupada, who spread the name, fame, qualities, and pastimes of Krishna throughout the world, is especially dear

to him. And grabbing hold of his lotus feet is the best way for us to reach the Spiritual world. Therefore I pray to him with folded hands.

Aspiring to be your Humble Servant,

ಚಕ್ಷುರುನ್ಮೀಲಿತಂ ಏನ ತಸ್ಮೈ ಶ್ರೀ ಗುರವೇ ನಮಃ

ಅಜ್ಞಾನವೆಂಬ ಅಂಧಕಾರದಲ್ಲಿ ನನ್ನನ್ನು ಜ್ಞಾನವೆಂಬ ದೀವಟಿಗೆ ಯಿಂದ ನನ್ನ ಕಣ್ಣು ತೆರೆಸಿದ ಶ್ರೀ ಶ್ರೀಮದ್ ಎ ಸಿ ಭಕ್ತಿವೇದಾಂತ ಸ್ವಾಮಿ ಪ್ರಭುಪಾದರ ಚರಣಕಮಲ ಗಳಲ್ಲಿ ನನ್ನ ಭಕ್ತಿಪೂರ್ವಕ ಅನಂತ ಕೋಟಿ ನಮಸ್ಕಾರಗಳು

ದೂರದ ಪಶ್ಚಿಮ ಬಂಗಾಳದಲ್ಲಿ ಜನಿಸಿ ವಿಶ್ವದೆಲ್ಲಡೆ ಕೃಷ್ಣಭಕ್ತಿ, ಕೃಷ್ಣ ಪ್ರೇಮದ ಕಂಪನ್ನು ಹರಡಿದ ವಿಶ್ವ ಗುರುಗಳೇ ಯಾವತ್ತೂ ತಮ್ಮ ಪಾದಕಮಲಗಳಲ್ಲಿ ಆಶ್ರಯವನ್ನು ನೀಡಬೇಕೆಂದು ತಮ್ಮಲ್ಲಿ ಪ್ರಾರ್ಥಿಸುತ್ತೇನೆ.

5000 ವರ್ಷಗಳ ಹಿಂದೆ ಭಗವಂತ ಶ್ರೀಕೃಷ್ಣನು ಭಗವದ್ಗೀತೆಯಲ್ಲಿ ಉಪದೇಶ ನೀಡಿದ್ದನ್ನು ವೇದವ್ಯಾಸರು ಗ್ರಂಥರೂಪದಲ್ಲಿ ಬರೆದರು. ಅದನ್ನೇ ಇಂದು ತಾವು ಗುರುಪರಂಪರೆಯ ಮೂಲಕ, ತಮ್ಮ ಕೃತಿಗಳ ಮೂಲಕ ಜೀವಿಗಳ ಉದ್ಧಾರಕ್ಕಾಗಿ ತಿಳಿಸುತ್ತಿರುವುದು. ತಾವು ಬರೆದ ಅಪಾರ ಭಕ್ತಿ ಸಾಹಿತ್ಯವನ್ನು ನನ್ನಂತಹ ಮೂಢರು ಒಂದು ಜನ್ಮದಲ್ಲಿ ಓದಿ ಅರ್ಥಮಾಡಿಕೊಳ್ಳುವುದು ಸಾಧ್ಯವಿಲ್ಲವೇನೋ ಅನ್ನುವುದು ನನ್ನ ಅನಿಸಿಕೆ.

ಗುರುಗಳ ಕೃಪೆಯಿಂದಲೇ ವ್ಯಕ್ತಿಗೆ ಕೃಷ್ಣನ ಕೃಪೆ ಸಾಧ್ಯವೆಂಬುದನ್ನು ತಾವು ತಮ್ಮ ಬದುಕಿನ ಮೂಲಕ ತೋರಿಸಿದ್ದೀರಿ. ಕೃಷ್ಣನು ಭಗವದ್ಗೀತೆಯಲ್ಲಿ ಶರಣಾಗತಿಯ ಬಗ್ಗೆ ಹೇಳಿದ್ದರೂ ಅದು ಸಾಧ್ಯವಾಗುವುದು ಕೃಪೆಯ ಮೂಲಕವೇ. ಈ ಕಾರಣಕ್ಕಾಗಿಯೇ ಶಾಸ್ತ್ರದಲ್ಲಿ ಗುರುವನ್ನು ಭಗವಂತನ ಪ್ರತಿನಿಧಿಯೆಂದು ತಿಳಿಸಲಾಗಿದೆ. ಅಷ್ಟೇ ಅಲ್ಲದೆ ಗುರುವಿಗೆ ಭಗವಂತನ ಸಮಾನ ರೀತಿಯಲ್ಲಿ ಕಾಣಬೇಕೆಂದು ಹೇಳುತ್ತದೆ.

ಭಗವಂತನ ಪಾದಕಮಲಗಳಲ್ಲಿ ಆಶ್ರಯ ಪಡೆದು ನೀವು ಪಡೆದ ಕೃಷ್ಣ ಪ್ರೇಮ ಅಪಾರಜ್ಞಾನ ಅಸಮಾನ ಭಕ್ತಿಯಲ್ಲಿ ಸಾಸಿವೆಕಾಳು ಅಷ್ಟಾದರೂ ಜ್ಞಾನವನ್ನು ಭಕ್ತಿಯನ್ನು ನಾನು ಪಡೆದರೆ ನನ್ನ ಜನ್ಮ ಸಾರ್ಥಕ ಎಂದು ಭಾವಿಸಿದ್ದೇನೆ.

ಮೂಢ ನಾಗಿ ಹುಟ್ಟಿ, ಪರಮಪಾಪಿ ಯಾಗಿ ಪ್ರಾಣಿಗಳಂತೆ ಬದುಕುತ್ತಿದ್ದ ನಾನು ಸ್ವಲ್ಪಮಟ್ಟಿಗಾದರೂ ಮನುಷ್ಯರ ರೀತಿಯಲ್ಲಿ ಬದುಕಲು ಸಾಧ್ಯವಾಗಿದ್ದು ತಮ್ಮ ಕರುಣೆಯಿಂದ. ಕಿಂಚಿತ್ತಾದರೂ ಕೃಷ್ಣನ ಬಗ್ಗೆ, ಕೃಷ್ಣ ಪ್ರೇಮದ ಬಗ್ಗೆ ಅರಿತು ಭಕ್ತಿಯ ಮಾರ್ಗವನ್ನು ಅನುಸರಿಸುತ್ತಾ ಸಂತೋಷದಿಂದ, ನೆಮ್ಮದಿಯಿಂದ ಬದುಕುತ್ತಿರುವುದು ಸಾಧ್ಯವಾಗಿದ್ದು ತಮ್ಮ ನಿಷ್ಕಾರಣ ಕೃಪೆಯಿಂದ. ತಾವು ರಚಿಸಿದ ಅನೇಕ ಭಕ್ತಿಸಾಹಿತ್ಯದ ಗ್ರಂಥಗಳನ್ನು ಓದಿ ಅರ್ಥಮಾಡಿಕೊಂಡು ಜೀವನದಲ್ಲಿ ಅಳವಡಿಸಿಕೊಳ್ಳಬೇಕಾದ ಬುದ್ಧಿವಂತಿಕೆಯನ್ನು ದಯಪಾಲಿಸಬೇಕೆಂದು ತಮ್ಮಲ್ಲಿ ವಿನಂತಿ.

ತಮಗೆ ಇರುವ ಅಪಾರಜ್ಞಾನ,ಭಕ್ತಿ, ಕೃಷ್ಣ ಪ್ರೇಮವನ್ನು ಅರಿತುಕೊಳ್ಳಲು, ಹೊಗಳಲು ನಾನು ಅಸಮರ್ಥನಾಗಿದ್ದೇನೆ. ಆದರೂ ಕೂಡ ನಾನು ತಮ್ಮ ಶಿಷ್ಯವೃಂದದಲ್ಲಿ ಇದ್ದೇನೆ ಎಂಬುದೇ ಅತ್ಯಂತ ಸಂತೋಷದ ವಿಷಯ. ಇನ್ನು ಹೀಗೆಯೇ ಅನೇಕ ಕಾಲ ಮನುಜ ಕುಲವನ್ನು ಉದ್ಧರಿಸುತ್ತಾ ಕೃಷ್ಣ ಭಕ್ತಿಯನ್ನು ಎಲ್ಲ ಲೋಕಗಳಲ್ಲಿ ಹೊರಡಬೇಕೆಂದು ಅತ್ಯಂತ ವಿನಮ್ರವಾಗಿ ತಮ್ಮಲ್ಲಿ ಬೇಡಿಕೊಳ್ಳುತ್ತೇನೆ.

ಅನಂತ ಧನ್ಯವಾದಗಳೊಂದಿಗೆ.

ಶ್ರೀಲ ಪ್ರಭುಪಾದರ ಪಾದರವಿಂದಗಳಿಗೆ ಶತ ಶತ ನಮನಗಳು.

ಶ್ರೀಲಪ್ರಭುಪಾದರ ಪುಣ್ಯತಿಥಿಯಂದು ವೃಂದಾವನದಲ್ಲಿ ಪ್ರಸಾದ ಸ್ವೀಕರಿಸಿದಾಗಿನಿಂದ ನನ್ನ ಜೀವನದಲ್ಲಿ ಕೃಷ್ಣಭಕ್ತಿಯ ಸಂಚಾರವಾಯಿತು. ಕೃಷ್ಣಧ್ಯಾನದಲ್ಲಿ, ಅವನ ನಾಮಸ್ಮರಣೆಯಲ್ಲಿ ಎಂಥದೋ ಸುಖ ಅದು ನನ್ನ ಪೂರ್ವಜನ್ಮದ ಪುಣ್ಯವಿರಬೇಕು. ಪ್ರಭುಪಾದರ ಪುಸ್ತಕಗಳನ್ನು ಓದಿದಾಗ ಹರೇ ಕೃಷ್ಣ ಆಂದೋಲನದ ಅರಿವು ಉಂಟಾಯಿತು. ಇವುಗಳಿಂದ ಪಾಪಪ್ರಜ್ಞೆ ಕಳೆದು ಮನಸ್ಸು ಶುಚಿಭೂತವಾಗುತ್ತದೆ. ಪಾಪವೆಲ್ಲಾ ತೊಳೆದುಹೋಗಿ ಮನಸ್ಸು ನಿರಾಳವಾಗುತ್ತದೆ. ಈ ನಂಬಿಕೆ ನನಗೆ ಬಂದಿದೆ. ಕೃಷ್ಣ ನಾಮಸ್ಮರಣೆಯು ಪವಿತ್ರಗಂಗಾ ಪವಾಹವಿದ್ದಂತೆ, ಗಂಗಾಪವಾಹದಲ್ಲಿ ಮಿಂದರೆ ಪಾಪವಿಮೋಚನೆ ನಿಶ್ಚಿತ. ಅದರಲ್ಲಿ ಅನುಮಾನವಿಲ್ಲ. ಅಂತೆಯೇ ಹರೇ

ಕೃಷ್ಣ ಮಹಾಮಂತ್ರದ ಸಂಕೀರ್ತನೆ. ಅದರಿಂದ ಮನಸ್ಸು ಪರಿಶುದ್ಧಗೊಂಡು ಪರಮಾನಂದ ಸ್ಥಿತಿಗೆ ಸೋಪಾನವಾಗುತ್ತದೆ. ನಮಗೆ ಇದಕ್ಕೆ ಮಾರ್ಗದರ್ಶಕರೇ ಪ್ರಭುಪಾದರು.

ವೇದಕಾಲದಿಂದಲೇ ಗೋ ಮಾತೆಯಂದರೆ ಭಾರತೀಯರಿಗೆ ಒಂದು ಪ್ರಾಣಿಯಲ್ಲ ಅದೆಂದು ಮೂವತ್ತು ಕೋಟಿ ದೇವತೆಗಳ ವಾಸಸ್ಥಾನ. ಗೋವು ಕಾಮಧೇನು, ಬಯಸಿದ್ದನ್ನು ದಯಪಾಲಿಸುವ ಗೋಮಾತೆ. ಗೋ ಸಂಪತ್ತಿದ್ದ ಕಡೆ ಸಮೃದ್ಧಿ, ಗೋ ಸಂಪತ್ತನ್ನು ನಿರ್ಲಕ್ಷಿಸಿದರೆ ದಾರಿದ್ರ್ಯ ಆವರಿಸುತ್ತದೆ. ಗೋವು ಮನುಕುಲದ ಪಾಲಕ, ಪ್ರೋಷಕ. ಗೋವನ್ನು ನಿರ್ಲಕ್ಷಿಸಿ ಭಾರತ ಅಧಃಪತನಕ್ಕೆ ಒಳಗಾಯಿತು. ಗೋವನ್ನು ನಾವು ರಕ್ಷಿಸಿದರೆ ಗೋವು ನಮ್ಮನ್ನು ರಕ್ಷಿಸುವುದೆಂದು ಶಾಸ್ತ್ರಗಳು ಹೇಳುತ್ತದೆ ಮತ್ತು ಅದನ್ನು ಕಾರ್ಯರೂಪಗೊಳಿಸಲು ಪ್ರಭುಪಾದರು ಅಮೆರಿಕದಲ್ಲಿ ನ್ಯೂ ವ್ಯಂದಾವನದಲ್ಲಿ ಗೋಪಾಲನೆ ಮಾಡುವ ಗೋಶಾಲೆ ಸ್ಥಾಪಿಸಿದರು ಮತ್ತು ಅವರ ಶಿಷ್ಯಂದಿರು ಯಶಸ್ವಿಯಾಗಿ ಗೋಮಾಳ ಸ್ಥಾಪಿಸಿ ಎಲ್ಲರಿಗೂ ಆದರ್ಶಪ್ರಾಯರಾದರು. ಶ್ರೀಲ ಪ್ರಭುಪಾದರು ಪಾಶ್ಚಾತ್ಯ ದೇಶಗಳಲ್ಲಿ 108 ದೇವಸ್ಥಾನಗಳನ್ನು ನಿರ್ಮಿಸಿ, ಕೃಷ್ಣಪ್ರಜ್ಞಾ ಆಂದೋಲನವನ್ನು ವಿದೇಶಿಯರಿಂದ ಭಾರತೀಯರಿಗೆ ಪರಿಚಯಿಸಿದರು.

My dearest Srila Prabhupada,

Please accept my most respectful obeisance at your lotus feet.

*om ajñāna-timirāndhasya jñānāñjana-śalākayā*

*cakṣur unmīlitam yena tasmai śrī-gurave namaḥ*

I was born in the darkest ignorance and my spiritual master, His Dive Grace A.C. Bhaktivedanta Swami Srila Prabhupada opened my eyes with the torch of knowledge.

In Vrindavan, it all began, As you glanced mercifully upon me.

Gazing helplessly at your munificent form, You gave me an alarm to get away from this worldly illusion form.

I'm captivated to you by your preeminent magnanimity, watching my blissful Krishna conscious life through your transcendent humanity. Prabhupada you are that person I have waited for through countless births to set me free from this misery of repeated birth and death, always serving you till my last breath.

You are my spiritual father, gave broadband access to get Krishna as my spiritual husband. What more can this poor poet say in a few words about His Divine Grace?

But you are that personality who bought the greatest treasure of Krishna Prema!

You taught that pure love only exists in Krishna Loka, because it gave You a pain seeing the sufferings of this lusty pig because your heart is so big You made a home where the whole world can live!

Srila Prabhupada please take me by holding my hand and make me understand, every word that comes from your lotus lips, so I may walk with you to reach Goloka.

Begging for your merciful glance,

Bhaktin Shubha Annigeri G.

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to you on this auspicious day of your 124<sup>th</sup> Vyasapuja

It's your Vyasa Puja celebrations, one of the biggest and most important days in my life. Not being a worthy servant, by bestowing your causeless mercy, you have allowed me to glorify you.

*kṛpā-bindu diyā, koro' ei dāse, tṛṇāpekḥā ati hīna,  
sakala-sahane, bolo diyā koro nija māne sprhā-hīna!*

*"By a drop of your mercy, make this servant of yours humbler than a blade of grass. Giving me strength to bear all trials and troubles, make me devoid of all desires for personal honor."*

A child has no knowledge of anything, but being guided by his father, is able to achieve the things in any aspect. Similarly, only by your guidance I am able to render service unto the lordships in every possible aspect.

Teacher knows the heart of the student and reciprocates according to the student understanding. Similarly, knowing my heart you have taken me through the path I wished.

But, by showering your causeless mercy, you have created the path in the service of the Supreme Lord. This one incident is the clear example of your causeless mercy upon this soul, and without wasting this opportunity I have completely dedicated my life and soul at your divine Lotus feet. This could be the biggest miracle you made in my life. To perform miracles in the life of a conditioned soul is only possible by the Bonafide Spiritual Master.

Today you made me a tool in the part of your worldwide movement and every activity I perform is only by your guidance.

*namnam akari bahudha nija-sarva-shaktis*

*"In these transcendental names, Krishna has invested all Your transcendental energies. Please bestow me your causeless mercy to properly chant and at the same time to hear Holy name of Lord Krishna."*

*jogyatā-vicāre, kichu nāhi pāi, tomāra karuṇā sāra*

Upon examining my value, I find that I have none; your mercy is essential to me.

Thank you for everything Srila Prabhupada.

Your fallen servant,

Achyuta Gopala Dasa.

*"I am offering my respectful obeisances unto my Spiritual Master- Srila Prabhupada- by whose mercy a dumb man can become a great speaker and a lame man can cross over a mountain, and who thus delivers all fallen souls."*

My beloved Spiritual Master Srila Prabhupada, Out of compassion, you came to this material world to rescue us from a degraded life. I didn't know that I am part and parcel of Lord Krishna and therefore his eternal servant. I was in illusion, Maya, thinking many ways of enjoying in this material world by indulging in sinful activities which leads me to Hell. But

in 2009, Because of your causeless mercy upon me, I came in contact with you through your organization ISKCON Bangalore. From that time onwards my destiny had changed from Hell towards Backhome Back to Godhead. Thus Srila Prabhupada, I am eternally indebted and grateful to you for bestowing your causeless mercy and rescuing me from hellish suffering.

My beloved Spiritual Master Srila Prabhupada, I am very happy to inform you that Anvi(Duggu) has started doing her kirtan and she is liking it very much, I am always endeavoring and thinking of her advancements in spiritual and material knowledge. I beg Your blessings at your lotus feet to make her Krishna conscious would also like to inform You that I am daily performing sankirtan in my house.

My beloved Spiritual Master Srila Prabhupada, I realized that Maya is very powerful and I don't have any strength to face her. She is always trying to take me away from the service and shelter of your lotus feet by alluring me with her different weapons. Moreover I am such a fool that many times who knowingly embrace her sharp weapons and getting injured severely and thus I take many days to recover. But if you protect me then all the alluring weapons of Maya cannot divert my attention from the loving service of your lotus feet. Thus Srila Prabhupada, I beg your mercy and protection so that I will not be carried away by allurements of Maya. Moreover I pray at your lotus feet, please don't kick me away into the mire of nescience from which you dragged me out. I pray to You to remove all my doubts and make me anxiety free.

Your servant,

Akshar Murari Dasa.

My dear Srila Prabhupada,

Please accept my humble obeisances, All glories to you.

On this auspicious occasion of your 124<sup>th</sup> appearance day I express my deep gratitude for guiding me to this Krishna Consciousness movement.

There are many reasons to thank you Srila prabhupada,

1. The first and foremost transcendental thing your divine grace have given us is your wonderful purports for Srimad Bhagavatham and Bhagavath Gita, your divine grace has followed the instructions of Maha Janas and you have exemplified those great personalities of Srimad Bhagavatha purana and preached the same. Without this knowledge through your purports we would be lost. We are slowly hearing day by day from Srimad Bhagavatham classes that the principles your divine grace carried through purports are in line with the teachings of all the great personalities in this sampradaya, which Krishna has also instructed same principle to be followed in BG 16.24.

The following conversation also confirms that the very same books can guide whole devotees even in your physical absence too.

Paramahaṁsa: Śrīla Prabhupāda, when you are not present with us, how is it possible to receive instructions, for example, on questions that may arise?

Prabhupāda: Well, the questions... Answers are there in my books.

Paramahaṁsa: Other than that, for example, that we would ask you in...

Prabhupāda: Yes.

Paramahaṁsa: Do you direct us also through the heart? Besides the Paramātmā?

Prabhupāda: If your heart is pure. Everything depends on purity. Whether there. What is this? Sacrificial arena? (laughter)

(Morning Walk At Cheviot Hills Golf Course May 13, 1973, Los Angeles)

2. Guiding like father at every juncture, whereas scriptures are our mother. Like we see a child will be lost if he is not guided by father while he is being brought up. You are truly an incarnation of super soul externally. The kind of care and affection that you have showed upon your devotees is most heart touching. For example, in one of the memories of your divine graces disciple by name Kishori Dasi, the care you have shown in the matter of dealing with the disturbance she has felt, when she was agitated in the issue of her 3 year old child sent for Gurukul, is one such heart touching way you have dealt with it, and it's the same feeling which I'm experiencing by your guidance.

3. I thank you whole heartedly for the exciting services you have given to me Srila prabhupad i.e. to be part of your powerful preaching mission. By your causeless mercy, I happened to meet many good souls and encouraging them to follow your instructions of pure devotional service. I beg you humbly to give me strength to preach this most valuable and joyful knowledge to masses, as Chaitanya Charitamrita says there will be no change without Krishna shakti and it is only through Nama Sankirtan, transformation can be possible.

4. By your causeless mercy, I'm also getting guidance through devotee's association. As Prahlad maharaj says that there is always combination and separation of ideas in our mind and this scenario is common for all the living entities from earthly planet to heavenly planets, where there are also fights happening between demons and demigods due to differences in opinions, in comparison to with this example, similar situation going in my mind, in such cases I'm getting good guidance from devotees. Although we get seed of our devotional service by mercy of Krishna and by your divine grace, but to water it and nurture and grow it, I have been blessed by your divine grace to stay with sincere devotees, I beg your divine grace to guide me to please my god brothers and serve them in best capacity.

5. The simple way of developing taste to serve Krishna is made possible by your divine grace, that is by sadhana, that which your divine grace has recommended based on Shastra and allowing us to render services to mission of Sri Chaitanya Mahaprabhu. It is also an experience that when we follow 4 rules and regulative principles and when we develop serving nature by doing so, it will be a Vaikuntha atmosphere as you have said in one of the conversations, even while living in this world.

6. Even after all the above wonderful things that I'm having by your divine grace causeless mercy, most of the times due to whatever reason, unable to maintain the mood of sincere servant and not getting engaged sincerely in prescribed duty, I humbly beg your divine grace to forgive for all the blunders I have committed to your sincere disciples and make me develop that sincere attitude of serving devotees and also serving people with your message of Krishna Consciousness.

7. There are certain weeds that are peeping in with my inattentive practice of Krishna Consciousness, which are hampering the basic sadhana now and then. I beg your divine grace intervention in this too and please be merciful to me to be an insignificant servant, serving your divine grace sincerely. Please shower your mercy on this fool, such that I will never leave your lotus feet.

Your aspiring servant,

Balagopala Dasa.

Oh My Dear Spiritual Master,

All glories to You !! All glories to Your lotus feet!! All glories to Your wonderful pastimes!!

Please accept my humble obeisance at Your lotus feet on this wonderful occasion of Vyasa Puja !!

This insignificant and most fallen soul does not have enough words or enough intelligence to write down the offerings to You.

I sincerely pray at Your lotus feet to shower Your mercy on me with a pinch of intelligence to complete this endeavor, if You feel, this fallen soul had tried to please You in anyway.

My sincere apologies to Your lotus feet for all the mistakes that I have committed knowingly or unknowingly. It is only by Your causeless mercy, I have got a chance in this lifetime to chant and hear the glories of Supreme Lord and trying to live a Krishna Conscious life. Without Your presence and association in my life, I would have not even understood the goal of this life. It is even a nightmare to think of running a life without Your presence and grace. I am much obliged and my heartfelt gratitude for saving this most fallen soul from such an abominable state of life. Though I feel constantly being attacked by Maya, it is the shelter at Your lotus feet, which gives me immense strength and faith towards Lord Krishna and making me fight constantly with Maya. Though sometimes, I feel I am being trapped, I constantly take shelter at the shade of Your lotus feet and that very attempt to seek Your shelter at difficult times, in my perception, is itself Your causeless mercy upon this fallen soul. The transcendental messages that You left behind through Your books and lectures are the torches in my journey towards spiritual life.

I totally admire and bow down at Your lotus feet again and again, for the tremendous effort, meticulous planning, incomparable energy, great enthusiasm, unalloyed devotional service that You had exhibited through Your Lilas in this world.

Oh my Gurudev, all I beg at Your lotus feet is, to be a humble servant of Your servant always. I am a lazy, ignorant, unfortunate fool who couldn't use all that I have physically or mentally, in the devotional service. Though I am trying to put my effort, it is as just as a drop of water in the mighty ocean. Please bless me with the energy and intelligence to render devotional service that comes in any form and in any way. Please make that 'desire to do service' as so strong, so that I am always protected under the shade of Your lotus feet.

Trying to be a humble servant of Your servants,  
Bhagyavathi Devi Dasi.

Dear Srila Prabhupada,

Please accept my humble obeisance unto your divine lotus feet which is as soothing as the moon.

Again this year, I got a chance to offer my gratitude about the realizations that you gave throughout this year. Once you said, "Krishna Consciousness can be practiced at any stage of life". Even during the COVID pandemic, we were happily able to continue our sadhana and service without any hindrances. "Although, the methods got changed, still the principles remained the same" It's during this pandemic, that I factually realized how tightly one should catch hold of the Spiritual Masters Divine Lotus feet.

Although the Covid brought us to lockdown Lord even had a higher plan to UNLOCK down many secrets through sincere devotees Association. Isn't it so amazing that we really got a chance to get the association of HG Madhu Pandit Prabhu for continuous 70 days through Soulful Japa sessions. Who would be so fortunate than getting even one to one Personal association with his grace which helped me to understand some of the most intimate teaching in our lives. Through these modules, I have understood a very important aspect that you wanted all your devotees to know about i.e Concurrent Chanting cum Hearing. For me, it's a life changer word.

Soulful japa has really gone so high that I wonder how Lord's merciful presence is available to all jivas today. Although none can come to see the Lord's archa vigraha in the temple, still there is a possibility to experience the Lord just by chanting he is present on our tongue.

Today, dear Srila Prabhupada, I beg your mercy that please don't let the taste of holy name go out of my life. The holy name also known as *nama prabhu* is discharging his spiritual energies into me and helping me discover newer and newer aspects of discovering hidden secrets in your books where you are personally present.

This year also, I have continued reading your pastimes shared by all your initiated devotees. I could see how compassionate you were that you understood our fallen position and gave us the best facilities understanding the demands of Kaliyuga people.

My dear most Prabhupada, as long as I stay in this material world, please keep continuing your benedictions and mercy upon me.

Your's humble servant,

Bhanu Nitai Dasa.

Dear Srila Prabhupada,

All glories to you. Please accept my humble obeisance at your lotus feet.

*mukam karoti vacalam pangum langhayate girim*

"I offer my respectful obeisance unto my spiritual master, the deliverer of the fallen souls. His mercy turns dumb into eloquent speakers and enables the lame to cross mountains."

Srila Prabhupada! It's a great opportunity to write homage offering to your divine grace. Whatever be the program that you have given, it is your mercy upon us. That is possible only by you. You say material problems- spiritual solutions. Now the whole world is getting to know they are suffering but unable to accept things. The material world means problems. But we are at your divine grace, you are always guiding us. "It is just like being on a boat. When you're on the boat, no one can say you're not on the boat. You are on the boat. But sometimes big waves will come and rock that boat, so your position on the boat may not be steady. Those waves are the modes of material nature, and the boat is the transcendental platform. You're on the transcendental platform, but sometimes the waves of material nature rock the boat, and therefore your position is not steady." Then he asked, "How will you become steady? For that you have to learn from the captain of the boat, the spiritual master, how to steer the boat. If you learn expertly, then your position in the boat will be steady even in the greatest storm.

Similarly, on the transcendental platform, if you learn from the spiritual master how to steer the boat of transcendence through the ocean of material life, then you will become steady even in the greatest storm of the modes of material nature." In our journey, we may get some challenges, you are always guiding us. Everywhere it is a learning to become an expert in this journey. Unless we are in your association, we can't see the things as they are. If we are under your guidelines, we are protected. Thank you Srila Prabhupada for giving us this opportunity to render service at your lotus feet.

Your aspiring servant, Bhargava Rama Dasa.

Srila Prabhupada, while the whole planet is suffering due to Covid-19, this year has been very auspicious for the Devotees because this is the Milk-thickening time for us.

We have received the biggest treasure of Krishna Consciousness by the Grace of Senior Devotees – The Soulful Japa. It also entails Soulful Deity Worship, Soulful Harinam Kirtan, Soulful Prasadam Honouring , many aspects of Soulful practice of Krishna Consciousness. By this, we are clearly able to see the presence of Lord Krishna in all aspect of Krishna Consciousness.

Srila Prabhupada, by Your mercy and Senior devotee's grace I was part of the Bhakti Shastri Course and I could understand that I have to study Your books very scrutinizingly.

Srila Prabhupada, in the last 5.25 you have engaged me in various services and allowed me to remain in the Association of Devotees.

I'm indebted to you, Srila Prabhupada. Please guide me to remain as Your eternal servant.

Your fallen servant, Braja Bandhu Dasa.

Dear Srila Prabhupada

Please accept my humble obeisance. All glories to Srila Prabhupada. All glories to you on this auspicious day of your Vyasa-puja.

You are the only one reason for my life transformation from

1. Karma to devotion
2. Mayavadi to Krishna vaadi
3. Ignorance to intelligence
4. Material nescience to devotional and practical science.

Your purports on Bhagavad-gita makes me strong in daily activities life applications

And the way you attack the scientists' baseless theories and so-called modern thinker, it was really eye-opening for me, and after reading this type of conversations I realized that devotional service is completely scientific and practical transcendental love exchange between jiva and Krishna

Dear Srila Prabhupada thank you for accepting me in your army, up to my last breath I will work for your mission which is the mission of Lord Chaitanya Mahaprabhu to preach in every town and village.

Only by your mercy, I'm spreading Lord Chaitanya's teachings in social media platform in the name of JIVJAAGO both in Telugu and English language. Finally, Jivjaago touches 200 million peoples in social media insights. The main aim of Jivjaago is to present the Krishna consciousness in a scientific manner by taking reference of your conversations, letters, books.

And in the book marathon 2019, I realized your causeless mercy on me, and in this marathon, I distributed 600 Bhagavad-gitas.

And right now, the whole world is in panic condition...but for me and by your mercy, You have arranged the devotee association and saved me from this type of corona pandemics

This is your unconditional love and protection towards your army warriors.

Jay śrīla Prabhupāda! You are the only one hope and you are maintainer, protector. Your lotus feet is my only shelter and the source of the ocean of mercy and knowledge.

Your servant of servants, Chaitanya Krsna Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to you on this auspicious occasion of Vyasa-puja.

I humbly pray to you, Srila Prabhupada, to give me blessings to understand the purpose behind the miseries in life. Even though nature is giving the threefold miseries so that we are surrendering to Lord Krishna, but instead we are surrendering to Maya.

The only way to save ourselves from these miseries is associating with the real devotees, who have surrendered their lives to you, Srila Prabhupada. I beg you to please keep me in the association of devotees.

Thank you, my spiritual master. Thank you so much for giving me the opportunity to show my gratitude on this special occasion.

Jai Srila Prabhupada! Hare Krishna!!

Your humble servant,  
Chiranjeevi Dasa.

Hare Krishna dear Srila Prabhupada,

Please accept my humble obeisances. All glories to Your Divine Grace.

Srila Prabhupada, this year has been an amazing and equally challenging year, where I and Gandharvi Radhika Devi Dasi have been blessed with a great opportunity to put a step forward in serving your mission, by taking up services of the organization on full-time basis. I am ever grateful and indebted to you Srila Prabhupada for bringing us close to the dust of your lotus feet.

I had many apprehensions of various difficulties that we would face in closely working with devotees such as developing familiarity, finding faults with devotees, committing Vaishnava offenses, difficulties in managing personal sadhana / direct services and official services. Further managing our attention-seeking children, amidst all these challenges, has been another demanding assignment.

However, with your causeless mercy and the blessings & support of the devotees, many of the apprehensions blew away. I could not have got a better congenial environment than working with enthusiastic and empathetic devotees of HKM-Hyderabad, in particular- HG Satya Gaura Chandra Prabhu, HG Kaunteya Prabhu and HG Ravi Lochana Prabhu.

The challenge of managing time for many things - taking care of personal sadhana, children, official service responsibilities, still appears to be herculean and strenuous. The only inspiration for us to move on with these challenges is the hope of your mercy and your mercy is being felt by us, amongst many other things, through the soulful japa sessions being rendered by HG Madhu Pandit Prabhu. I strongly feel that the Soulful Japa sessions is your divine and personal intervention, like that of Nama Prabhu.

Of course, the greater source of inspiration for us has always been your life story itself, where we learn about the amount of struggles that you have voluntarily undertaken to please Srila Bhakti Siddhanta Saraswati Maharaja. Who can be more inspiring, like Your Divine Grace. Our struggles and challenges look so trivial when we see what you have gone through for serving your beloved spiritual master.

Srila Prabhupada, I wish to make the following prayers at your lotus feet

Kindly keep me at lotus feet always, no matter what my mind deceitfully says.

I beg for your mercy and blessings so that my desire to serve your mission and your sincere disciples grow much stronger and I shall never think of forsaking the association of devotees and my services at HKM-Hyderabad at any cost.

Kindly grant me more intelligence, strength, and patience to lead my dependant family members and community members on the path of Krishna consciousness. Only with your causeless mercy, they could be lead efficiently on this path. I have no other hope, Srila Prabhupada.

Kindly be a little more lenient towards me and shower your mercy (that otherwise, I don't deserve) on me, so that I could follow all your instructions in letter and spirit and become a useful instrument in your mission.

Lastly, I beg for your mercy and forgiveness for all kinds of offenses that I might have committed at your lotus feet, to your disciples and followers. Kindly bless me with much more humility, enthusiasm, and intelligence required in dealing with the devotees and in rendering my services efficiently.

Thank you, Hare Krishna!

All glories to you, Srila Prabhupada, the most compassionate father, and master!

Aspiring to remain a humble servant of your servants,

Dhananjaya Dasa.

My dearest Srila Prabhupada,

Please accept my humble obeisances at your lotus feet. All glories to you Srila Prabhupada.

When I started to write an offering to your divine grace, I was really thinking how to write as I have fallen short of words, I am dim-witted. With your causeless mercy and Vaishnava's mercy, I got many wonderful opportunities to serve you, my Lord. How can a dumb and incompetent person like me understand your causeless mercy?

You are the one who is giving us opportunities and also giving the strength to render these services. Last year has really been a tough year for me and I don't know how I could cross over all those seemingly unfathomable challenges. You have blessed me with the services which I could not even think of and gave me the strength to render it nicely. I am eternally indebted to you, Srila Prabhupada.

Whenever I am low on motivation and stressed out, your golden words and your pastimes give me strength and hope. My mind tries to get attracted to Maya, I beg for your mercy to control my mind. You are our eternal father and the only hope, please help me to get more attached to your lotus feet and the Lord.

When I heard about your pastimes I felt that there is no one equal to you in your purity and determination to serve the Lord. While reading / hearing those pastimes, I get amazed to see how patient you were to teach Krishna consciousness from scratch. It was wonderful to hear how much you loved your disciples, you always guided them to be in Krishna consciousness. I remember you saying that you never get angry with anyone, but you show anger only to correct them. You exemplify what you taught. You practiced what you preach. My life is in your hands, please guide me throughout my life. How can I thank Lord for directing me to the world's compassionate father?

*yasya prasādād bhagavat-prasāday asyāprasādān na gatiḥ kuto 'pi dhyāyan stuvaṁs tasya yaśas tri-sandhyāṁv ande guroḥ  
śrī-caraṇāravindam ( Sri Gurvastakam)*

*“By the mercy of the spiritual master one receives the benediction of Kṛṣṇa. Without the grace of the spiritual master, one cannot make any advancement. Therefore, I should always remember and praise the spiritual master. At least three times a day I should offer my respectful obeisances unto the lotus feet of my spiritual master.”*

Without your mercy, I cannot do anything. You are sincere, lovable, most humble, exhibited true love towards humanity, following the instructions of your spiritual master with manasa, vacha, karmana, and the list is endless. My humble request is to help me to be humble, sincere, honest and consistent in my services.

My sincere request is to keep me at Your lotus feet and in the association of Vaishnavas. You are the true inspiration behind the Soulful Japa. I am indebted to you and HG Madhu Pandit Prabhu for helping me to know about chanting. My Lord even though you are showing causeless mercy, I am still not able to feel the taste in chanting and having the right mood in serving and understanding the true spirit behind your instructions. Please be more merciful on this most fallen and dumb soul and make me understand.

I would have committed countless offenses at your lotus feet and other Vaishnavas. I beg your forgiveness. Please be merciful unto me and forgive me as the father forgives the helpless child. Please don't leave me, my lord, even if I deviate and try to come out of the Krishna consciousness please don't leave me.

Always aspiring to be at your lotus feet.

Your most fallen soul and aspiring servant of your servants,

Gandharvi Radhika Devi Dasi.

Dear Srila Prabhupada,

*nama om viṣṇu-pādāya kṛṣṇa-preṣṭhāyabhūtale śrīmate bhaktivedānta-svāmin iti nāmine.*

*namas te sārāsvate deve gaura-vāṇī-pracāriṇe nirviśeṣa-śūnyavādi-pāścātya-deśa-tāriṇe*

O my beloved glorious master, Srila Prabhupada! The very purport of your name 'Bhaktivedanta' declares the preaching objective of your appearance in the dark age of Kaliyuga. The dark clouds of ignorance surrounded the consciousness of people in general and then you came and dissipated them, Srila Prabhupada.

I can't even imagine when I hear your zeal-filled activities. Since, I can not glorify you, my master, I choose the words of the devotees, who were there with you to experience this energy.

Living for preaching,

Joshomatinandan: In Mayapur, 1977, Prabhupada had a fever so somebody was with him constantly. I was gently massaging him at about two o'clock in the morning when he woke up and said, "*These rascal scientists do not accept this. Go and preach to them, tell them that you are not the body, that you are a spirit soul, and the proof is that in this life the soul is transmigrating from childhood to youth to old age.*" Prabhupada spoke philosophy at two thirty in the morning in the middle of a heavy fever, and after ten or fifteen minutes went back to sleep. He was dreaming about preaching and living for preaching.

Place my tomb on the top of the 55th Street temple.

In his last days, Prabhupada talked about going on parikrama around Govardhan, but he wasn't focused only on Govardhan. When news and letters arrived about the preaching and the book distribution that was going on, Prabhupada became inspired and once he said, "*I should give up lying here in Vrindavan and go out and preach. You should take me to the New York temple. And if I die, put my tomb on top of the Radha-Govinda temple on 55th Street. I want to die preaching with my New York preachers.*" So we know how important that temple was to Prabhupada and what a catastrophe it was to have lost that temple. Prabhupada said, "*Place my tomb on the top of the 55th Street temple.*"

Reference: Memories Anecdotes of a Modern Day Saint - Volume 3 by Siddhanta Dasa

Prabhupada immediately began preaching enthusiastically after Sleep

Rajendranandana : One morning when Srila Prabhupada woke up, Tamal Krishna Maharaj helped him rise and Prabhupada immediately began preaching enthusiastically. With a loud voice he said, "I want you to go to the West and preach." Ask people, 'Do you want to grow old?' No. You are forced to grow old. Do you think I want to get old? Nobody wants to grow old, but this is the law of nature. You are forced. You must surrender to Krishna if you want to become free of birth, death, disease and old age. For Srila Prabhupada to wake up and in one moment preach on the transcendental platform, it would seem that during his sleep he was meditating on how he wanted his disciples to carry on.

Your business is preaching

Harivilas : I said, "Prabhupada, I think that our temple can be maintained by doing a little business." Immediately he said, "You should not do." I said, "Why not?" He said, "Because your business is preaching. You are a brahmachari. If there is grihastha . . ." I said, "Yes, Lochanananda." He said, "Yes. Lochanananda can do. He is a grihastha. He can do business. But you are brahmachari. Your business is preaching." Prabhupada was very firm on that point, and he gave me an important instruction that I followed. Lochanananda started the business, and it helped the temple a lot.

You told in one ceremony, "Leave immediately for somewhere?anywhere?and preach. When there is a fire, if you don't know the language, somehow you communicate and the message gets through. Even if you cannot speak the language properly it doesn't matter. Preaching must be done."

[Reference: Transcendental Diary Volume 1 by Hari Sauri Dasa]

O my master, O Srila Prabhupada! I beg at your divine lotus feet to enthuse me with your divine energy so that I keep on preaching until my last breath. This is my innermost desire and without your direction, it would not be possible, my glorious master...

Your humble servant,  
Gokulesh Dasa.

Dear Srila Prabhupada,

All glories unto your lotus feet. Please accept my humble obeisance

*nama om viṣṇu-pādāya kṛṣṇa-preṣṭhāyabhūtale*

You appeared to remove all the sufferings of the people in this mortal world. Every living entity is a natural seeker of happiness. "Anandamayo 'bhyasat" (Vedanta Sutra 1.1.12). Everyone wants to celebrate happiness.

People celebrate many days like birthday, wedding anniversary etc, People don't know that when they are celebrating, say 25th birthday / anniversary, the person already is past 25 years, and he has come closer to death by 1 year. Every one year we live, time takes us one year closer to death. So, actually birthday is not a celebration. So, all these small celebrations are not milestones of our journey to unlimited happiness, but are steps leading to our death bed. Every celebration in this world leads to suffering. So, all the celebrations in this world are also sufferings. So, in ignorance we are celebrating our suffering.

To this suffering world you reminded that we, the spirit souls are beyond birth and death, and eternal parts and parcels of Supreme Lord Krishna. You came to remind us that we are beyond the dualities of this material world. You came to remind us and revive our eternal relationship with Lord Krishna. You came to enlighten us about the cause of sufferings which is forgetfulness of our eternal blissful relationship with the Supreme Lord Krishna. You came to make us realize that our thirst for unlimited happiness can be fulfilled, by remaining in our constitutional position as a servant of Lord Krishna.

Every moment of engagement in the service of Lord Krishna as source of happiness, opens the gates of more and more unlimited happiness. Therefore, your prescribed process of waking up early and attending mangal arati, chanting Hare Krishna Mahamantra, kirtans, deity worship, Bhagavatam classes, nagara sankirtans, reading your transcendental literature, book distribution, other devotional services are all sources of real happiness. You gave us many festivals to celebrate. In one instance, you even told that you can give one festival everyday. So, you gave us a life of uninterrupted celebration.

In Srimad Bhagavatam, SB 3.19.31, Maiterya Rsi describes the Lord's abode as "Akhanditotsavam" and your divine grace translated it as "Uninterrupted Festival". So, Lord Krishna's abode is with uninterrupted festival.

Your Divine Grace gave us everything to make this world with uninterrupted festivals. So actually, Your Divine Grace came to this world to make it a Vaikuntha. This is the real celebration. Your divine appearance is the real celebration for the suffering mankind. Your divine appearance is the cause of our life of celebration. I'm happy to be part of your 124th Vyasa Puja Celebrations.

I beg your mercy so that I remain serving your mission eternally in the association of devotees, which is the only hope I have in this material world.

Your fallen servant,  
Hari Medhasa Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories unto your lotus feet.

It gives me immense pleasure to present my offering on this special occasion of Vyasa Puja. Thank you for having mercy on me, in spite of me being so unworthy and fallen. I am able to keep up my Sadhana by your grace. Your lectures and letters are so deep, enlightening, and captivating. It's purely your compassion that you are holding me in your association, else I will not be able to associate with you so deeply. I am helpless without your guidance. Please help me as I am totally dependent on you.

Krishna Conscious philosophy is incredibly meaningful hence it has kept me moving in this path. This path is full of hurdles so please help me to cross the hurdles, and serve you with my best capacity. Kindly give me submissive nature to accept the words of authorities, and follow their instructions.

Kindly bless me, and make me an instrument to execute your services to the best of my possibility.

*nama om visnu-padaya krsna-presthaya bhutale srimate bhaktivedant-svaminn iti namine

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet. All glories to you

What I've received from you is the most precious gem "Hare Krishna Mahamantra"

By taking YOUR SHELTER dear Prabhupada, the various aspects I understood:

Benefits of Book Distribution

Pleasing Spiritual Master and Krishna

Immensely beneficial to the receivers and the whole world.

Bringing unity among the devotees

How to Free ourselves from absorption in material thoughts

Awakening the mood of humility and tolerance

Realizations of the philosophy and the self

Compassion for others

Quality sadhana since it instills a taste for hearing and chanting. Only by You Prabhupada, and the senior Vaishnava devotees association, I am getting energy and taste towards Hare Krishna Mahamantra.

By reading Bhagavad-Gita, Srimad Bhagavatam, Bhakti Rasamrta Sindhu, I could understand how rigorously Krishna Consciousness is spreading all over the world. This can be understood by stating a few facts like:

Sri Chaitanya Mahaprabhu accepted Sannyasa to preach Krishna Consciousness

Rupa Goswami & Sanatana Goswami excavated lost place Vrndavan where Lord Krishna performed his pastimes.

Srila Rupa Goswami compiled "Bhakti Rasamrta Sindhu" and Krishnadasa Kaviraja composed "Sri Chaitanya Caritamrta"

Jiva Goswami delegated one book distribution troop consisting of Narottama Dasa Thakur, Srinivasa Acharya & Syamananda pandit.

Bhakti Vinod Thakur sent the book "Lord Chaitanya - His Life & Precepts" to many universities in the world.

Bhakti Siddhanta Saraswati Thakur made Brhad Mrdanga pump out books and magazines on Lord Sri Krishna.

It's only because of your efforts, Harinaam sankirtan has become so popular that knowingly or unknowingly so many souls all around the world are getting benefitted. You have also created a wonderful devotee association all around, which acts as a barricade to protect us from Maya. Without devotee association, Maya creeps in some or the other way and tries to pull us away from Krishna on the pretext of being "practical".

When I read your Lilamrita, I was in tears reading the troubles you went through. And also when you were in the ship Jaladhutta, you had a severe heart attack. You prayed to Lord. You were a stranger in the western country. You knew no one there. When you landed there, there was no one to welcome you, and no one to take care of you. It was entirely a new place for you. You prayed to the Lord and also wrote prayers. You were very confident of Krishna's protection.

Srila Prabhupada you have taken your spiritual master's instruction as your life and soul.

Please bless this fallen soul to be an instrument in your movement. I want to give Lord Krishna to others and preach. But I am not confident about my self. Please bestow your causeless mercy on me so that I can boldly preach.

If asked personally, " who would you like to spend a day with " my answer would be' you, Srila Prabhupada.' We have grown up listening to your classic Hare Krishna kirtan, Hare Krishna Japa, and the quotes on chanting, seeing children waiting in a long queue after school to have typically transcendental Krishna Prasadam.

Reading your quotes in everyday calendars in WhatsApp groups makes us closer and closer to you, and give us direction for the day.

You are with us every moment whether we sit in front of our home altar, constantly guiding us, scolding us, asking us to sit properly and chant: How do you manage. You slept only for two hours a day, and spent most of your time writing books for us. But I am so lazy that I find it difficult to read them regularly.

Prabhupada, I sincerely admit that I'm not capable of serving you in any way. It's only by your mercy that I can use this human life to please you, and move closer to Lord Krishna, at least by a few steps.

As a family, we want to practice and spread Krishna Consciousness to people. Bless me, Dear Srila Prabhupada. Shower your causeless mercy upon us. I want to overcome all obstacles in devotional service, and want to serve my Guru and Guru parampara.

*Sri Guru Karuna Sindhu*

I bow down again and again at your lotus feet to express my gratitude, and beg for your mercy so that I can follow some of your teachings and spread your words.

Please bless me Prabhupada, that I can read and understand your books, and help others too in utilizing this knowledge for the ultimate benefit.

Please make me qualified to take shelter at your lotus feet, and serve you in every possible way.

Your humble servant,

Kalavathi Radha Devi Dasi.

Hare Krishna.

Jaya Srila Prabhupada.

My Dear Srila Prabhupada,

I submit my humble obeisances at your lotus feet.

Dear Prabhupada, I always remember your endless services to Lord Krishna. At the age of 75, you established Krishna Conscious Movement through out the world. I knew you are not an ordinary soul. We are very healthy by the grace of Lord Krishna, but on the account of our laziness, not able to do little bit work for Him. I am always eagerly expecting blessings to do service for Lord Krishna. Only such a Guru like you can bring me out from material attachments. I tried many times to come out from the material attachments. Its My misfortune. I am unknowingly falling down again and suffering.

My dear Srila Prabhupada, I think my desire to surrender to Lord Krishna is not strong. That is why I am working like a donkey in the material world for sense gratification. Whenever I listen to your lectures, immediately my spirit soars in the sky but again diminishes after some time, due to association with material world. I am afraid of many things like losing my job and so on. I'm serving Para Military as a Sub Inspector, and I would like to do full time devotion to Lord Krishna. Sometimes I am trying to motivate my wife and children to do Lord Krishna's services .

I am not leaving the job, but actually fear is in my heart. Once I am disturbed economically, everybody will blame Hare Krishna Movement. So I retained the job, as well as I opened a Goshala in the name Goloka Dham, and serving cows and also distributing prasadam. I am always thinking how Prabhupada served Lord Krishna at the very old age, and within short period how he constructed 108 temples for Lord Krishna. We also tell the devotees to take nice prasadam in the temple. Lord Krishna provided wealth to me, even though I did not do any service for Lord Krishna. I Take a pledge that in my whole life I will try to construct atleast a temple for Lord Krishna, then I can declare that I am a disciple of Srila Prabhupada.

My dear Prabhupada, I don't want anything from you; only give knowledge to construct a great temple for Lord Krishna where many devotees can live. I feel your presence in me. Srila Prabhupada please help me in making me a disciple of Lord Krishna, and fulfill your under your shelter so they will grow spiritually. Never forget this fallen soul, and give me place at your lotus feet. Forgive me if have done any mistakes unknowingly.

The most fallen soul,Your humble servant,  
Karuna Krishna Dasa.

Dear Srila Prabhupada,

Please accept my most humble and respectful obeisance.

All glories to Your Divine Grace.

“He built a house in which the whole world could live”. This is not just any statement, and there is not any tinge of exaggeration in this for sure. You actually built a house in which the whole world can live. If I can live, then anyone can. I sincerely thank you for allowing me to be part of your amazing and wonderful house.

By your special mercy, there are many wonderful projects going on, and many will manifest soon. Last year, a major prasadam distribution project was discontinued by the Govt. It appeared to be a massive setback, and we were not sure if we would be able to come out of this setback and if did come out how much time it will take. Many painful decisions had to be taken then. It had a little demoralizing effect on me (and I guess even my team). We learnt many things, although I do not still have realization. 3 important things are

1: not to be attached to any project and do service as a matter of duty

2: Krishna has a plan for everything

3: most important that the project was not running because of our intelligence and efficiency.

By your mercy, we came out of the situation, and we came out stronger. Very soon to encourage us you gave several important opportunities for expansion in other places, and some new projects.

Dear Srila Prabhupada, you are the dear most servitor of Lord Krishna, and have come to this material world only to deliver us. It is so amazing to understand and realize this. How will a prisoner who is sentenced to be hanged feel, if the President of India comes to prison and tell him that he has come to free prisoner from the prison. How indebted the prisoner will feel. Similarly, you have come here to take us back to Godhead, and how much we should feel indebted to your Divine Grace.

Dear Srila Prabhupada, please keep me under your shelter eternally. Please bless me with good health, so that I can render uninterrupted services. Please bless me so that I can become your sincere disciple. Please bless me that I never leave this glorious movement. Please forgive me for all my offences.

Your aspiring servant,

Kaunteya Dasa.

Dear Srila Prabhupada,

Throughout the year, while rendering service to yourself and Krishna, there are various occasions/opportunities to glorify you. However, Vyasapuja day is a very special day where we get the opportunity to pen down your glories.

Your contribution to the living entities is unlimited and unfathomable. Among all, your books are something, devotees always yearn to distribute and people, in general, get the opportunity to read and change their consciousness.

The only objective of translating volumes after volumes, with a word to word meaning, translation, and purport along with Sanskrit sloka is to revive our original consciousness.

My only request on this auspicious occasion is, please engage me in reading and distributing your books. As a master rewards a dog, I am sure, one day, you will reward me suitably.

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet. The scriptures say about the guru.

*om ajsāna-timirāndhasyajśānāśjana-śalākayā*

*caḡsur unmīlitaṁ yenatasmai śrī-gurave namaḥ*

*“I was born in the darkest ignorance, and my spiritual master opened my eyes with the torch of knowledge. I offer my respectful obeisances unto him.”*

The duty of a disciple is to spread the glories of his Spiritual Master, but my mind shows interest only in material activities. When will my mind surrender at your lotus feet, when will I spread your glories!

Because of your Divine Grace, I am able to understand, this body is only made with flesh, urine, blood, mucus and stool, and we are spirit soul beyond this body. But my mind is telling to enjoy with this body, when will my mind surrender at your lotus feet, when will I realize your teachings!

By your teachings, you have explained the importance of Holy Name and stressed chanting and hearing is the only way for self-realization in Kaliyuga. But the mind is not interested to hear, when will my mind surrender at your lotus feet! when will I understand the essence of these words!

All the scriptures say this material world is full of miseries and temporary. But my mind wants to settle in this material world eternally. When will my mind surrender at your lotus feet! when will transcendental knowledge reveal in my heart?!

The words emanating from the lotus mouth of the Spiritual Master is as good as Vedas and it is the medicine for the material disease. Presently my mind is not taking interest in your words. When will my mind surrender at your lotus feet! when will I relish your vani?!

In conclusion, the mind is the origin of all speculations, my mind is not yet surrendered at your lotus feet. When will my mind surrender at your lotus feet! When will my mind surrender at your lotus feet! When will my mind surrender at your lotus feet?!

Your fallen servant, Krishna Prema Dasa.

Dear Srila Prabhupada,

My only shelter and refuge.

I offer my most humble obeisances on the divine dust of the lotus feet of my most exalted spiritual master, his divine grace A C Bhaktivedanta Swami Srila Prabhupada.

Your transcendental Vaishnava gift to the fallen souls of this planet is continuing in the ways that this fallen soul can not even comprehend. I may never ever serve your divine grace in the correct way.

You asked me to follow four regulative principles and to chant 16 rounds a day, I vowed to your lotus feet that I would do so, but I'm not doing properly some times. Your divine grace asked me to not to find fault, but still, I found fault. Not a day goes by when I do not remember your lotus feet when I do not try to engage in some tiny services for the propagation of your Sankirtana movement, in the midst of life not unlike the one I would have continued, had your mercy not picked me up.

Srila Prabhupada, to say I'm sorry for leaving your sound lame and shallow. To ask you to forgive me. When I'm not willing to become the disciple I promised to be, seems equally so. I do ask your divine grace to forgive all my terrible faults. Please see only that pure soul, part and parcel of Krishna, who will one day revive the constitutional Krsna consciousness, only by your causeless mercy.

Your fallen disciple, mentally falling in prostration at your lotus feet,  
Krishna Priya Devi Dasi.

Dear GURUDEV Srila Prabhupada,

Kindly accept my humble obeisances at the dust of your lotus feet, all glories, all glories, all glories to your divine grace. On this auspicious day of your appearance in this mortal world, on your Vyasa Puja ceremony, a few of your pastimes:

1. FOR THE SAKE OF PREACHING, I'LL TAKE TOO MANY DISCIPLES!

Brahmatirtha: Prabhupada was discussing how we suffer because of our karma. I didn't want to challenge Prabhupada so I said, "Prabhupada, I ask you this very humbly. Do you get sick?" I thought that if he got sick it was from his karma. Prabhupada said, "Oh yes, I get sick." I said, "But you're a pure devotee, and pure devotees shouldn't have karma. If a devotee claps his hands in front of the Deities, his karma is gone, and he's not accumulating more karma, so why is it you're getting sick?" Prabhupada humbly said, "I'm not a pure devotee."

I pursued it a little further. I said, "Why is it you suffer? Is it the way Christ suffered?" He said, "The reason I suffer is because I have done one sinful thing. I have taken too many disciples. When the spiritual master takes too many disciples then he must suffer the sins of his disciples." That was a very heavy thing. The devotees present at the time were awestruck thinking that, "My sins are affecting Prabhupada." Every one of them had total affection for Prabhupada, and to think, "My sins will affect him," was painful.

Prabhupada said, "My sinful activities are taking too many disciples, but for preaching purposes I am willing to take that suffering. For the sake of preaching, I'll take too many disciples."

2. IT'S YOUR OLD HAYAGRIVA, PRABHUPADA,

There was an emotional reunion this afternoon between Srila Prabhupada and Hayagriva prabhu. Although he was one of Srila Prabhupada's first disciples, he has been away from devotional service for some years. He has come now to finish the philosophy book project and to be with Prabhupada for some time. He walked slowly into Prabhupada's room, his face flushed and his deep voice trembling. "It's your old Hayagriva, Prabhupada," he choked out, and fell sobbing to the floor in full length dandavats. Prabhupada sat behind his desk, silent, but clearly moved by the sight of his sometimes wayward son. When Hayagriva got up Prabhupada gave him a garland, and remarked to Radhaballabha dasa and me how Hayagriva had been sent by Krishna to help him spread Krishna consciousness all over the world. In reply, Hayagriva said that he had never forgotten Prabhupada, not even for a day. Prabhupada was deeply affected by this and said that he also had never

forgotten Hayagriva. "I was thinking, has Hayagriva gone away? I was thinking like that." His voice broke and he was unable to speak for a few seconds. Although he tried to check his tears, still some trickled from the corners of his eyes. Then he tipped his head from side to side. "All right," he said, and we all left. Prabhupada has so much affection for his disciples?no one can estimate how much. It was very apparent that he never forgets any devotional service that has been rendered to him.

You by your extreme causeless Mercy, accepted me as your disciple almost three years ago and I had displeased you, I'm very very sorry for that.

This year it had been highly reformative especially during the strict lock-down due to Coronavirus. I'm very thankful to you for your guidance & help through different ways & means especially through the heart & my authority, soulful japa sessions, Krishna consciousness: happiness & pleasure sessions, they are giving me strength & desire to follow the same.

Still I'm trying (things haven't changed completely), Prabhupada so that I can please you, please bestow your divine grace.

*mukam karoti vachalam pangum langhayate*

*girim yat-kripa tam aham vande shri-gurum dina-taranam*

I always beg forgiveness for the offenses been done to you & my godbrothers & sisters.

I also feel my current time, place & circumstance isn't very much favorable & thought a lot about it but don't know what decision pleases & what decision displeases you, ultimately I leave it to your divine grace, just let me hold your finger & walk through my most affectionate father & mother - my dear spiritual master.

Please bestow your extreme causeless mercy Prabhupada so that at the time of death I can remember your lotus feet & your lotus face. You are my lord birth after birth.

Your fallen aspiring servant, Mahakrama Dasa.

Dear Srila Prabhupada,

Kindly accept my humble obeisances at your lotus feet. All glories to your divine grace.

*nama om vishnu-padaya krishna-preshtaya bhuta-tale

I offer my respectful obeisances unto His Divine Grace A.C. Bhaktivedanta Swami Prabhupada, who is very dear to Lord Krishna on this earth, having taken shelter at His lotus feet.

*namas te sarasvate deve gaura-vani-pracharine

Our respectful obeisances are unto you, O spiritual master, servant of Sarasvati Gosvami. You are kindly preaching the message of Lord Chaitanya deva and delivering the Western countries, which are filled with impersonalism and voidism.

I feel very grateful to take initiation from you and to serve in your Divine mission. By your causeless mercy, I have been in the association of Vaishnava's and serving Radha Govinda in the temple.

You have bestowed the highest thing which is Krishna bhakti or devotional service to Krsna to the fallen souls.

Your pastimes are so wonderful that you have kindly tolerated all the offenses of your disciple to shower them good fortune.

Please accept my humble obeisances unlimited times.

Kindly forgive me for my knowingly or unknowingly committed offenses at your lotus feet.

Your fallen servant, Manorama Murari Dasa.

## Mohana Vamsi Vihari Dasa

Dear Srila Prabhupada,

I offer my humble obeisances at the dust of your lotus feet. All glories to you.

I recognize your constant guidance while reading your books, when you clear my confusion, immediately after it is created, just in the following lines. I acknowledge it is only because of you that I receive any reciprocation from Krishna; when He arranged my favorite prasadam when I desired; when he mysteriously gave darshan in the dress I desired to see Him in and many other which I did not even recognize. I realize Your statement that “Spiritual Master being pleased with disciple reveals divya jnana in his heart, otherwise it is not possible to get it by personal endeavor” when you give me realizations. My power of speech in convincing someone about Krishna comes from you.

You have created a Vaishnava community in a very practical way that devotees from different backgrounds miraculously stay in unity together. You have carved out a very powerful sadhana program that aides this. You created a system in which a devotee can imperceptibly progress by just being present in it. It appears that Lord is partial to devotees as His mercy is not taken by non-devotees although available. But it can be seen in Your transcendental pastimes that, by your mercy, even rock hearted atheists become eligible to receive Lord’s mercy, and that the highest mercy of devotional service is freely accessible even to the most fallen.

If you did not expound on the acts of Lord, we would have dared to judge His actions with our paltry intelligence and would have mistaken Him as just a great person. It appears that you have covered all angles of understanding in your numerous books, conversations, talks, interviews that a person with any level of understanding or background can get convinced about the statements in scriptures.

Each instruction of Yours is extremely powerful that it stays relevant and can engage generations in service. Ex: Akshaya Patra. One can attach to any 'one' instruction of yours, implement it strictly, and use it as a ladder to reach Krishna.

When You explain how we are rascals, it becomes very clear how we are rascals. Just as a soul gets situated in satisfaction being a servant of Krishna, I feel fulfilled when you make me understand I am a rascal.

Thanks for making me realize that a devotee is fully satisfied because he knows all his endeavors are going towards the ultimate cause unlike the ones of mundane people who are in the oblivion of what their actions are ultimately leading to.

Just like a sunflower follows the path of Sun, fully bloomed, energized, and focused, let me follow your instructions, mission without distraction and with enthusiasm.

Your aspiring servant, Mohana Vamsi Vihari Dasa.

## Mohini Devi Dasi

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet. Thank you so much for accepting me as your servant.

Your books are my only shelter, and with each day, my realization that only mangala aarati, chanting and reading your books can protect us, give us intelligence, guide us from inside is increasing.

The holy name that you gave us, is the only means to get out of this material world, during this pandemic, we cannot go to the temple, cannot visit holy places, cannot congregate, but can chant peacefully at home. Now we understand why chanting is the yuga dharma? Now we can see the effect of Kali-yuga, whatever you have mentioned in Srimad Bhagavatam can be related and realized.

I pray to your lotus feet, give me intelligence, patience, endurance, and opportunity to serve you.

Your worthless servant, Mohini Devi Dasi.

Dear Srila Prabhupada,

*mukam karoti vaachalam panghum langhayate girim,  
yat-krpaa tam aham vande sri-gurum dina taaranam*

By the mercy of the guru, even a dumb man can become the greatest orator, and even a lame man can cross mountains.  
Please accept my humble obeisances unto to the dust of your lotus feet.

All glories unto You on this auspicious day of your Vyasa-Puja.

You are the Commander-in-chief, Senapathi Bhakta of Lord Chaitanya's Sankirtan army. Just like Supreme Lord's glories are anantha-unlimited, similarly your accomplishments are great, unlimited, amazing, and awe inspiring and Your books are translated into more than 80 languages of this world.

You traveled around the world 14 times at the age of 70, covering 6 out 7 continents, visiting more than 108 different cities and towns. You recorded more than twenty albums of devotional music. Beside this, You changed lives of at least 10,000 people who became Your initiated disciples. And all of this Srila Prabhupada, You did in ONLY 11 years, in the age between 70-80.

The Encyclopedia Britannica proclaimed that "your voluminous translations from the original Sanskrit and your lucid commentaries "have astounded literary and academic communities worldwide." This feat is even more astonishing considering the translations and commentaries were in English, which was a second language to you.

You founded the Bhaktivedanta Book Trust (BBT) in 1972, to produce your books.

Dear Prabhupada, you stressed on "Surrendering ourselves to Supreme Lord Krishna" so that we make best use of this human form of life. Srila Prabhupada, You gave many important Principles like:

Preaching is the essence.

Books are the basis.

Utility is the principle.

Purity is the force.

Do the needful.

First deserve than desire.

Work now samadhi later,

Love and trust.

Acar-Pracar.

Vaisnava is a perfect gentlemen.

First dress then address and many more.

In your Letter to Krsna Dasa, Boston 25 December, 1969 you gave the essence of Hare Krishna Movement – "Simply propagate this chanting, dancing, feasting, and following the regulative principles. These are the four pillars of our success."

Please forgive me for all my offenses and give me all the required qualities to follow your instructions. Trying to become your sincere servant.

Your fallen disciple,

Mukunda Charana Dasa.

By Your mercy, my wife, my son, my daughter, and four Grandchildren are following your Instructions and chanting nicely and honoring Prasadam. This is not possible without your blessings. We are highly thankful for your kindness.

Dear Srila Prabhupada,

Please accept my humble obeisance unto your Lotus Feet.

All Glories on to you!

When I think of writing to you, the first aspect that comes up in my mind is your magnanimity, compassion, and the causeless mercy you have shown on me.

I am very thankful to your Divine Grace for placing me in the association of your devotees; in the institute that you created for everybody to take advantage and review one's Krishna consciousness, more often perceiving your hand in your glorious movement.

I am forever indebted to your Divine grace, for blessing me with nice prasadam every day, witnessing the gorgeous alankaras of Sri Radha Govinda and other Lordships along with sankirtans, enlightenment with your lectures and purports, and also other services especially the most exciting Srila Prabhupada Book distribution marathon participation, and preaching opportunity to encourage people to take up Krishna consciousness and many more!

I sincerely pray for your guidance, to get rid of my anarthas that sometimes overcome the true interest of reviewing Krishna consciousness. I beg forgiveness for the offenses that I have done at your Lotus Feet and all the Vaishnavas.

Last few months there has been a lot of anxiety across the world by nature's fury, but it has helped me to introspect and contemplate, and focus on reviewing Krishna consciousness, and pleased with few preaching opportunities that came along.

Srila Prabhupada, please continue to shower your blessings, so that I continue to serve you in the way you want. Always praying for your mercy.

Srila Prabhupada ki Jai!

Your aspiring servant,

Dear Srila Prabhupada,

Please accept my humble obeisance.

You established the worldwide Hare Krishna movement to systematically propagate spiritual knowledge to society at large and to educate all people in the techniques of spiritual life in order to check the imbalance of values in life and to achieve real unity and peace in the world. By your mercy, lakhs of devotees are trying to serve you and Chaitanya Mahaprabhu's Sankirtana movement.

By your causeless mercy, I got an opportunity to serve you, Sri Chaitanya Mahaprabhu and Sri Sri Radha Govinda. Actually I don't have the qualification to serve you still you are giving a serving opportunity to this fallen soul.

Thank you very much Srila Prabhupada for your guidance and causeless mercy.

All glories to Srila Prabhupada.

Dear Srila Prabhupada,

O my dear servant of Lord Krishna!

Please accept my humble obeisances at your lotus feet. All glories unto your Divine Grace.

*om ajnana-timirandhasya jnananjana-salakaya  
caksur unmilitam yena tasmai sri-gurave namah*

I was born in the darkest ignorance, and your divine grace has opened my eyes with the torch of knowledge. I offer my respectful obeisances unto you.

*tvaṁ naḥ sandarśito dhātrā dustaraṁ nistitīṣatām  
kalim sattva-haraṁ puṁsām karṇa-dhāra ivārṇavam*

We think that we have met Your Goodness by the will of providence, just so that we may accept you as captain of the ship for those who desire to cross the difficult ocean of Kali, which deteriorates all the good qualities of a human being. (SB 1.1.22)

O' my dear Jagat Nama Prachara Acharyadeva, it is by your mercy and struggle that the whole world is chanting the names of Lord Krishna. It is you, who has made the holy name easily available even to the fallen souls like me, which is otherwise very difficult to be obtainable even to great demigods.

O' my dear external Paramatma, you are always present with your disciples and guide them. It is only by your protection that I have not fallen prey to Maya. It is by your mercy only, that I am able to get good guidance from your senior disciples. You are a great magician, else who can make me give up the sinful activities.

O' my dear Om Vishnupada Paramahansa Parivrajakacharya, you are true to the word 'Acharya.' You acted in the same way you taught to your disciples. There is no gap between what you say and what you do.

O' my dear ocean of mercy and compassion, you have tolerated your disciples who tried to usurp your position and gave them the post of 'Ritvik.' You never cursed them. Instead, you prayed for their well-being befitting your position as their true father.

O' my dear servant of Lord Jagannatha, it is by your efforts only that Lord Jagannatha's Ratha Yatra is celebrated all over the world.

O' my dear Saktyavesa avatara of Lord Krishna, what is the need of my glorification. It is just for my purification. Lord Krishna Himself has glorified you.

*ācāryaṁ mām vijānīyān navamanyeta karhicit  
na martya-buddhyāsūyeta sarva-deva-mayo guruḥ*

One should know the ācārya as Myself and never disrespect him in any way. One should not envy him, thinking him an ordinary man, for he is the representative of all the demigods. (SB 11.17.27)

O' Lord, I pray that you may always bless me with strength and intelligence to serve your servants who are trying to carrying out your mission. You are my ever well-wisher. Thank you Prabhupada.

Your insignificant servant,

Nitya Nayana Tara Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet.

All glories to you on this auspicious day of Your Vyasa Puja.

You are not just another teacher, but a *tattva-darśī*, one who has seen the truth. Bhagavad-gita 4.34 says a *tattva-darśī* can impart knowledge.

You gave a very simple way to realize the Supreme which is the most confidential knowledge in shastras but inaccessible even to the famous scholars.

I did mistakes mainly because of lack of knowledge. Srila Prabhupada, You gave me that divine knowledge and stopped me doing great sins.

Because of your mercy, I try myself and also try to inspire others to hear your lectures and read your divine books regularly in this pandemic lockdown for many hours in a day.

Your mercy has helped me in associating with senior Vaishnavas through on-line from morning to the evening not only in hearing but also group chanting and this has enlightened a lot in my spiritual journey.

I am able to chant the whole day with the encouragement of senior devotees, especially on Ekadashi days. All this strength I received by your ocean of mercy.

I promise to continue my spiritual journey by holding Your lotus feet for which I beg to shower your mercy upon me. I remember you have promised to take your devotees back to home, back to Godhead in one of your correspondences to your devotees.

Thank you Prabhupada, I surrender to your lotus feet.

Your fallen servant,

Dear Srila Prabhupada,

Please accept my humble obeisances at Your divine lotus feet.

All glories to you, on this auspicious appearance day of your's.

Srila Prabhupada, I would like to thank You from the bottom of my heart for accepting me as your disciple and enlightening my mind with spirituality. You are always guiding me with your lectures, books, and especially through your followers ( Devotees association ).

Many of your quotes and conversations motivated and helped me to go in the right path. Many times I could see myself fall in MAYA, but still, with your causeless mercy, I am able to try hard to follow your instructions at my level best. Always, your words, through quotes, books, etc. are boosting me to go forward, and especially your dedication to serve Lord Krishna made me wonder and is giving me the energy to go ahead in my spiritual journey.

I like the way you love Lord Krishna, argue for Lord Krishna, and take up challenges for Lord Krishna. You inspired me to serve Nitai Gauranga. I am literally enjoying and feeling very fortunate while serving their Lordships, thank you so much for providing easy process and many service opportunities. My special thanks to you for providing the process of chanting Holy names of the Lord, Hare Krishna Mahamantra which makes me peaceful and happy.

All your activities truly inspired me to step forward in spirituality.

Srila P – Passionate about Lord Krishna

R – Radiant smile when find Disciples working for Lord Krishna

A - Admirable person to follow instructions of Lord Krishna

B- Brilliant in executing the orders of Spiritual master

H- Humble

U- Unconditional love for Lord Krishna

P- Powerful statements to enlighten the disciple's mind

A- Adventurous challenges taking up for Lord Krishna

D- Delightful to work for Lord Krishna

A- Amazing festivals and services for the pleasure of Lord Krishna

Whole dictionary words are not enough to describe you.

The quote given by you “Think of lord Krishna always and try to work sincerely, everything will come automatically “inspired me a lot.

In this age of Kali, many have not known what is the value and importance of human life, But I am very fortunate that I took shelter at your lotus feet which helps and guides me to know the importance and to reach the goal of my life.

On this auspicious day, I beg to keep me at your lotus feet and keep guiding me. You are my only hope who helps to pull me out of this material sufferings. One can make progress in spiritual life only with the grace of Spiritual master. So please please please forgive all my offenses and strengthen my mind to manage the obstacles, to follow your instructions in the association of devotees.

Jai Srila Prabhupada...!

Dear Srila Prabhupada,

Please accept my humble obeisances.

On this auspicious occasion of your appearance day, I am very much happy to express my gratitude to you.

After realizing my few years of completion of rendering devotional service in the ashram, I had felt like the years passed away within a span of an eye blink. But when I recalled the past days which I have spent with circumstances of pains and pleasures undergone, it is very less felt now. As the past is past and forgotten very easily, but always the present creates some kind of excitement, fear, and challenge from Maya.

Your life of Krishna Consciousness is an inspiration and learning for me and for everyone. Your strong faith on the instruction of your Guru and with the empowerment of Lord Krishna you have tried executing the orders, despite many disturbances and insults, it is not an easy journey that you have undergone to propagate the Lord Chaitanya Mission.

Your Divine Grace's presence through your sound teachings and books taught me the importance of Krishna Consciousness and it has all along kept me intact with services in your movement of ashram life along with the Vaisnavas.

By the worldwide Vaisnava community you have established, I got a chance to understand the principles of Krishna Consciousness and practice it. Srila Prabhupada as you gave innumerable instructions on every subject matter, it will take a lifetime or more to follow even a few of them, but I am trying to follow the things to the best of my capabilities and rendering the services to your institution given by authorities without any expectation. It's all because of your mercy and also by the guidance of your softhearted disciples.

Your society and your books have changed so many people, brought into the light of devotion across the world from 60's to till now, nowadays in the present competitive world the expectations and the struggle for survival to serve your movement in their role plays are becoming prominent.

I beg pardon for the offenses that I knowingly and unknowingly committed at your lotus feet and I pray for your mercy, and I try to continue my services for Their Lordships Sri Sri Radha Govinda and Swayambhu Sri Lakshmi Narasimha swamy, Sri Nitai Gauranga.

Thanking you.

Your servant,  
Pavanasuta Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet.

All Glories to you on this Most Auspicious Occasion of Vyasa Puja.

Today is the transcendental appearance day of Your Divine Grace which made the whole universe a place of Pilgrimage. As stated in Srimad Bhagavatam.

*Tirtham kurvanti tirthani*

*"A pure devotee can turn a filthy place also into a Tirtha."*

You are like a touchstone, who can turn a rusted Iron into Gold. You have turned the lives of millions of useless rusted living entities into shining gold. It is possible only by unflinching faith in your instructions.

*yasya deve parā bhaktir  
yathā deve tathā gurau  
tasyaite kathitā hy arthāḥ  
prakāśante mahātmanah*

*"If one has unflinching faith in the Supreme Lord and the spiritual master, the essence of all Vedic knowledge is revealed to him."*

Srila Prabhupada, let me always desire the association of devotees, and serve them as a menial servant as serving Vaishnavas is the way to success.

*chāḍiyā vaiṣṇava-sevā nistāra pāyeche kebā*

"Without serving the lotus feet of a Vaisṇava or spiritual master, no one has ever attained perfect liberation from material bondage."

Whenever I think of my spiritual life, I always remember the song,

*Kabe habe bolo, se dina amar...*

When will that day be mine.....??? When will I achieve perfection in rendering services in the mission of Gauranga....?

I desire to be a puppet in your hand.....O my Lord, please make me dance, make me dance, make me dance as you like...

Always aspiring for your mercy to follow your instructions as my life and soul. Please bless me with more and more services in your movement, and also bless me with such capabilities and strength.

Your unworthy servant,  
Pradyumna Krishna Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisance unto your lotus feet. All glories to you on this auspicious day of your divine appearance.

Prabhupada, words are not enough to describe your glories that you have done and doing in this world. And it is my duty to glorify my spiritual master's glories with little intelligence that you have given to me.

There are many things that happened in all your organizations by your grace. Remembering some of those on this divine day

"ISKCON is a trademark exclusively for International Society for Krishna Consciousness: Bombay High Court", this is the brand you created in the society with your never-ending teachings and fame

The Most Auspicious Grand Opening of the TOVP Pujari Floor – February 13, 2020, Mayapur

As a COVID relief program almost 5,69,53,828+ cumulative meals served by Akshaya Patra foundation and other supporting organizations

And many others

These activities will continue if you want them to happen. Yes, I'm ready to do anything for you although I'm incapable to do so.

Prabhupada, there are two things which keep me alive in Krishna Consciousness

One is the faith upon you & Krishna

And the other one is your abhaya (Your merciful and fearlessness instructions)

Some of the statements by you regarding the above two things

Faith,

Disciple: So, knowledge is not necessary for faith, but faith is necessary for knowledge.

Srila Prabhupada: Yes. Therefore, a devotee, without any knowledge he becomes a devotee. That faith, only faith. The devotee advances. Later on, they become automatically full of knowledge because they have strong faith.

This statement will give me a boost because I don't know philosophy but still have hope on becoming a servant.

Abhaya

“You mentioned that your pathway has become filled with stumbling blocks, but there are no stumbling blocks, I can kick out all those stumbling blocks immediately, provided you accept my guidance. With one stroke of my kick I can kick out all stumbling blocks” - Letter to Krsna das, September 9, 1972

This assurance is helping me out in both personal spiritual path and in doing services (8 months back I got new service (Youth peaching) although I don't know what to do). Thank you so much for your kindness.

One more important thing that you gave to all of us is the association of devotees. This is very important for me to progress in my spiritual life. But recently, out of my ignorance, I did some offenses to the devotees here, they are so merciful that, they tolerated my mis-behavior and helped me in improving my behavior.

Thank you so much for giving a wonderful opportunity to stay in association of devotees and serving you and your movement.

Your insignificant servant,

Prahlada Narasimha Dasa.

*cakshur unmilitam yena tasmai sri-gurave namah*

Dear Srila Prabhupada,  
kindly accept my respectful obeisances.

Gratitude is the best attitude and what can be the better day than your appearance day to show my gratitude for all the mercy you have been showering upon me. Ocean of words is also less to glorify you. You are the saviour, embodiment of Krishna Consciousness, your instructions are treasure, I keep in my heart. Today whatever I am it's because of your causeless mercy.

Your kindness has no limits because of your affection that we got place to live near the temple so I can serve you without much hurdles . Even my family has been touched by the presence of the temple, therefore growing in Krishna conscious way. I am indebted for all the services my family and I are able to get and serve you and purify ourselves in return. Thank You so much Prabhupada for being kind to this insignificant servant of Yours.

It's been many years living under your instructions, I have tried my best in these years to follow all the rules set by you. At times it's challenging, sometimes discouraging, I have failed many times but I know this is the best way to live, holding on to your instruction, keeping higher purpose in mind. Your lectures have always motivated me in difficult times.

I need your compassion to continue with my sadhana, it's only by your mercy I can cross this ocean of misery, dear Prabhupada kindly continue to have mercy on me, provide me more opportunity to serve you, help me come out of my bodily concept of life and live beyond material struggle.

Your servant,

Premrup Dasa.

My Dearest Srila Prabhupada,

Please accept my most humble obeisance unto the dust of your divine lotus feet on this most auspicious day of your divine appearance.

Some times I think why am I simply wasting my life in search of so-called material success and prosperity?! , not knowing that actually that is the way towards hellish life. Even after I came in touch with your movement I am hankering about this so-called material world.

Srila Prabhupada...! who can measure the limits of your love? Once again you showed your mercy, I got the opportunity to serve the Lord in this Lockdown Period (COVID-Time) I am sincerely praying to you and Krishna kindly deliver me from this so-called material world dukhalayam.

Srila Prabhupada, give me your merciful glance and take away my anger, greed, envy, and illusion. My heart is full, one side with material desires and one side with spiritual desires because of these desires I am still confused about choosing the right path, with family affections on one side and at the same time spiritual life on the other side, there is only one remedy to get cured of this disease, that is your mercy.

You tricked millions of souls from their degraded ways of lives and you saved from the quicksand of material life by your merciful glance.

Oh, universal spiritual master....! you are the only hope of rope in my life to come to the spiritual world otherwise I shall be simply hanging in this material world. Really! I am so fortunate because, even though I went back to material world, again you brought Krishna Consciousness into me.

Oh...! Spiritual Master the dust of your lotus feet is the one and the only medicine for this material conditioned souls.

Srila Prabhupada please give your shelter, because I am suffering from this Maya's allurements, I am your eternal servant failing, again and again, praying to you to kindly give the strength to progress in Krishna Consciousness more and more and to serve Radha Govinda and Lakshmi Narasimha and your disciples.

Your aspiring servant, Punya Sloka Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to Srila Prabhupada. All glories to you on this auspicious day of your Vyasa-puja.

For the benefit of all the fallen condition souls in this world, you in your purports have very clearly explained in a very understandable way the original teachings directly spoken by the Supreme Personality of God Himself. I do not find words to thank you for all the struggle you have faced in your life at an age we generally think about retiring, i.e to go to the west and keep the promise you have given to your guru to spread Krishna consciousness and by starting this movement to save this world. You have single-handedly taken this movement to such heights and all that was possible because you are the pure direct representative of Krishna Himself.

I feel very fortunate to have come across your books and to realize the true purpose of my life is to be able to develop unflinching love for Krishna and to render devotional service to Krishna.

Dear Srila Prabhupada, I would like to thank you for giving me this opportunity as a preacher to spread the message of Krishna. I know that I do not deserve this as I am still a very fallen soul in this material world and that looks a big task for me trying to maintain a balance between these requirements for the material world and at the same time growing spiritually. I still have big challenges myself in improving my sadhana, like getting up early and getting my senses under control, and I am thinking of - given this task of improving others, looks funny. You have said in BG that unless we are able to taste a bigger thing it is very difficult to give up taste of these smaller things. I hope by your grace, time shall come when I get to experience this bigger taste in the form of Lord's nama, form, and past-times and your service. As you have rightly said a devotee is a "*para duka dhuki*"... the material world is full of fallen souls and it lies on our shoulders to help the society from falling further. If I look back in the last 1 year, we have been very successful in being able to take the moment in Patancheru, from 0 to about 150 or more devotees some times in the weekly Sankirtan. Also, we have been able to do Hari Nama Sankirthan in a number of surrounding villages. I hope this has at least introduced back the Nama Sanirthan they were used to earlier. The present Carona scare has halted this to some extent, but I hope Krishna has a bigger plan in that, as can be seen, that there is an increasing number of devotees who have started taking up chanting. Also by your grace, we have been able to take some initial steps in doing Go-Seva. A lot needs to be done in terms of being able to take care of them properly in terms of providing better services and facilities to them. I hope we can provide Go Mata with better place, with nice water, grass, and medication in the coming days.

I humbly beg you to continue to shower your blessings on me to make me an instrument in serving your mission. I beg you to give me the inner strength to take all austerities in serving your mission. Please forgive my offenses and give me the intelligence to carry out your orders under the protection of your divine movement in the association of your sincere devotees.

Your humble servant,  
Rama Narayana Dasa.

Dear Srila Prabhupada, I am always indebted to you in my life, your causeless mercy has completely changed my insignificant life from the platform of material sense gratification to Krishna Conscious life. Dear Srila Prabhupada,

Please accept my obeisances at the dust of your lotus feet.

I am really happy and rather astonished by observing that I am fortunate enough to write this year Vyasa Puja offering. The flow of events from last year and the blows of Maya should have landed me at a very far shore where I could have only dreamt of such a blessing but as an expert shepherd brings his lost ones back to the herd and under his safety, Srila Prabhupada, you have caught me by ear and brought back to my Alma mater. It's really beyond my understanding and imagination, how much you love me and care about me so as to bring me back and reinstate me in my services.

I am still comprehending your ocean of mercy on a fallen soul like me. I fail to sufficiently thank you for your kind intervention in my life for want of no proper words available in my vocabulary.

I can only say a big thank you for keeping an eye on me and holding me by hand and guiding me in the right direction always.

In the current situation where the whole world is facing the world's biggest pandemic of recent times Covid 19, I only pray to you to make me an instrument in being of some help for the devotees and our Hare Krishna Golden Temple at Hyderabad.

I humbly pray to forgive my offences and keep blessing me always as ever.

Your Fallen Servant,

Dear Srila Prabhupada,

Please accept my humble obeisances at Your divine lotus feet.

All glories to you on this most auspicious appearance day of Your divine grace.

Prabhupada by your merciful glance this insignificant soul has got a chance to begin its spiritual life and every day experiencing new realization in spirituality. In these eight years, of my Krishna Consciousness life, I have learned a lot in the spiritual world by your mercy. The most important one in my life so far is, taking initiation from you. All the auspicious moments what has come into my life, have come by your causeless mercy.

You are the ideal Acharya because you teach us everything about spiritual life by your personal example. Even though you have been empowered by Lord Chaitanya to spread the holy name of Lord Krishna throughout the world, You perform your devotional service strictly following the instructions of your spiritual master. By your personal example You teach us to accept all austerities to carry out the order of the Spiritual master. By your tapasya you have given the wonderful gift of this Krishna consciousness - Hare Krishna Movement to the whole world.

Please help me and guide me in removing impurities from my heart and fill it with love for you and Lord Krishna.

On this most auspicious day, I humbly beg you to continue to shower your blessings upon me to make me an instrument in serving your mission. I beg you to give me the inner strength to take all austerities in serving Your mission. Dear Srila Prabhupada,

Dandavat pranams,

Please accept my humble obeisances at your lotus feet,

On this auspicious occasion of your appearance day, I take the privilege to acknowledge some of your unending transcendental pastimes on this earthly planet.

*mukam karoti vachalam, pangum langhayate girim,  
yat-kripa tam aham vande, shri-gurum dina-taranam*

The above shloka, which I had recently come across had this realization.

Srila Prabhupada, you are just like a touchstone, whatever comes in touch with it, it becomes gold.

One day while your grace was passing through a street with your disciples, suddenly a strange person immediately bounced upon the devotees and touched your lotus feet and doesn't want leave.

Then your disciples had forced him out of your reach. Meanwhile, your grace touched his head and agreed to for him to stay in the temple. Then the devotees took him and shaved his head, gave him a good dress, and Prasadam. After some days he wanted to go along with the "Book Distribution team" outside but the other devotees refused him to take him along with them due to their knowledge of him as a mad person. Somehow he could manage to go along with them. Surprisingly he was the only person who was distributing more books one after the other. Devotees got shocked to see this and when they went to see how he was distributing. He was simply saying "Prabhupada saved my life, please take this book". And they were purchasing the books. That's all. The same person, later on, became the topmost book distributor in ISKCON. This is simply wonderful.

Your appearance was predicted by all the previous Acharya's. That, sooner this cult of "Bhakti" would spread all over the world and you have made it practical. This is simply wonderful.

Being on the topmost transcendental platform of "a paramahansa", your grace had enacted as "Madhyamadhikari" to preach this Krishna conscious to the fallen souls. This is simply wonderful.

Your determination towards your Spiritual Masters' instruction to preach Krishna Bhakti to English speaking country. It is simply wonderful.

Your devotion to Lord Krishna is simply wonderful.

Your words like "the perfection of human life are to understand who I am, and who is God, and what is my relationship with him, and how to love him" are just like we have never heard of these statements ever before. It's Simply wonderful.

Writing more than 80 volumes of books on philosophy of Krishna Consciousness in the midst of establishing Worldwide Krishna Conscious Movement (ISKCON) is Simply wonderful.

Writing letters to each one of your disciples for their individual concerns is simply wonderful.

Like that there are innumerable achievements are there of which I am recollecting as per my insignificant knowledge.

At last Dear Srila Prabhupada, inspite of all these glorious achievements you remained unknown to the public sight, and you placed Lord Krishna in the front, being a humble servant of Lord Krishna. This is the most wonderful thing.

Srila Prabhupada, thank you for accepting me as your disciple.

Anticipating your forgiveness for my ignorantly committed offenses at the feet of Vaishnava's.

Kindly shower your causeless mercy upon this soul for tolerating all the impediments on the path of devotional service to Krishna.

Bless me so that I can honor all the Vaishnava's respectfully without expecting any respect, as a servant and always keep me in your divine shelter.

All glories to you.

Your fallen servant,

Rupa Vilasa Dasa.

## Sadguna Bhakta Dasa

---

Dear Srila Prabhupada,

I offer my respectable obeisance to you, who is an ocean of mercy and friend of the poor. This is Sadguna Bhakta Dasa from HKM-Hyderabad. On this occasion of the Vyasa puja ceremony, I would like to offer my humble service to you in the form of glorification. As you have explained in the Shrimad Bhagavatam, "When we offer respect to the spiritual master or anyone, we glorify his transcendental quality. That is glorification. Just like we offer respect to Krishna, glorify Him. So, this is a very important process, to glorify the spiritual master by his activities, what he is actually doing. That is glorification."

In this past year, I heard so many things about you and your glorious lilas, which is unimaginable to the common man. By the mercy of you, I am able to continue my devotional service in various ways to the devotees and learning so many aspects of devotional service. Please bless me to render more and more unalloyed devotional service for the Vaishnavas who are contributing to your mission. Just by your causeless mercy, I am continuing my service which is the only path in Kali yuga to reach home which is the spiritual world.

The struggle you faced to start the movement is glorious, of-course the spiritual master is Daksha (who is expert in everything) actually this is not a struggle, this is your lila.

As Prahalad Maharaj says, we can't serve the Lord directly without serving the spiritual master. Krishna gets pleased when I serve the servant of the servant of the servant. You gave me such a nice opportunity to serve Vaishnavas.

There is no end to stop glorifying the spiritual master who gave unlimited happiness and joy to my life, who showed me the path to go back home "back to god head"

I would like to conclude my offering, thanks for giving me this opportunity to serve you .

Your servant,

Sadguna Bhakta Dasa.

## Sahadeva Sakha Dasa

---

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to Srila Prabhupada!

All glories to you on this auspicious day of your Vyasa-puja.

*nama om viṣṇu-pādāya kṛṣṇa-preṣṭhāyabhūtaḥ śrīmate bhaktivedānta-svāmin iti nāmine.*

*namas te sārasvate deve gaura-vāṇī-pracāriṇe nirviśeṣa-śūnyavādi-pāścātya-deśa-tāriṇe*

When I was living just like a useless person without knowing the purpose of life and wasting time with people whose only purpose is material enjoyment, with your causeless mercy you brought the light of Krishna Consciousness into my life and gave meaning and purpose to it. I don't know why you chose me; even though I don't have any good capabilities or devotion. That's why you are the real well-wisher for me. After that, inspired by your teachings and association of your disciples, I joined the temple, even though I am not qualified for it. Even after joining, you are giving me guidance from time to time to serve you sincerely to my best capacity. Thank you very much for this great opportunity.

Now I am mainly taking care of youth preaching, in Hyderabad. By your mercy, we have started new trials in Folk preaching i.e, online courses like Journey of Self Discovery Course and Bhagavad-gita Course, which is very new for most of us, during this COVID time. Many souls are participating and getting enlightened by the knowledge given by you. It's a big surprise for all of us, as more number of devotees are participating in it than before. It's all your mercy.

One of your quotes, that inspires me very much is....

*“At least, ten percent of the population become Krishna consciousness—there is guarantee, peace in the world.” -Lecture Sri Caitanya-caritamrita, Madhya-lila 20.124-125, New York, November 26, 1966*

In this regard, I am trying my best to take Krishna consciousness to more people. As part of this, we started a club on your name “Prabhupada Club”, to inspire existing boys to become preachers and to preach more, surprisingly it's going well. Again it's by your mercy alone.

Finally, we could start AIKYA program in hyd, thousands of volunteers have participated in COVID relief works and we could start two AIKYA Gurukuls also, by your mercy.

Give me more opportunity to take Krishna consciousness to more souls. This is possible only when your mercy flows unto me. Give me the strength to follow sadhana, austerities. I sincerely beg to give me the consciousness that whatever I may do, will be just for your satisfaction and no personal motives. Finally, I request you to give me the opportunity to chant the holy name and serve you under all circumstances in the association of your pure devotees.

*mūkaṁ karoti vācālaṁ paṅguṁ laṅghayate girim*

*yat-kṛpā tam ahaṁ vande paramānanda-mādhavam*

I offer my respectful obeisances unto my spiritual master, the deliverer of the fallen souls. His mercy turns dumb into eloquent speakers and enables the lame to cross mountains.

By your mercy anything is possible, please give me the opportunity to please you.

Finally, I sincerely beg your Divine Grace to forgive me for all the offenses that I have committed at your lotus feet

Your Humble & Eternal Servant,

Sahadeva Sakha Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to Srila Prabhupada.

Thank you for giving me one more opportunity to glorify your wonderful lilas on this auspicious 124th appearance day.

There are no words to glorify you Prabhupada, but by the mercy of Vaishnavas I can try a little on this day. Vyasa Puja is one of the most important occasions for a disciple to glorify his spiritual master, and to receive his immense blessings and inspiration for one's Krishna conscious life.

First of all, I thank you for keeping me under your shelter for these many years, and providing me the energy to serve Sri Sri Radha Govinda and Sri Sri Nitai Gauranga and Sri Sri Lakshmi Narasimha with utmost capacity. Just by remembering your words and Lilas you performed, we get so much enthusiasm and spiritual energy flows within and service happens the way it has to happen.

By your causeless mercy I have got the opportunity to render services in youth preaching. Even though I am not a worthy person to render those services, my mind was not stable. still because of your mercy I have survived. As long as your Divine Grace blessings are there, I will continue my devotional services without any hindrances. Slowly I am learning to improve in my services with guidance of your disciples.

When we read your books or listen to your lectures, I feel so happy. You have done so much for us Prabhupada. But I am not able to do anything significant for you. My only request to you is to keep me always in the association of devotees, and let me render my devotional service to the best of my ability without any expectation of name, fame, etc. I beg your causeless mercy to improve my chanting quality also.

It is said in the Shastras that without the sanction of the Lord, not even a blade of grass moves. In the same way without your causeless mercy, we can't progress in spiritual life.

*"brahmānda bhramite kona bhāgyavan jiva,  
guru-kṛṣṇa-prasāde paya bhakti-lata-bija"*

*"Out of many millions of wandering living entities, one who is very fortunate gets an opportunity to associate with a bonafide spiritual master by the grace of Krishna. By the mercy of both Krishna and the spiritual master, such a person receives the seed of the creeper of devotional service."*

Please shower your mercy on this soul so that I can remain forever under your shelter, and serve Sri Sri Radha Govinda with full energy. Just being under the shelter of your movement, we are immune to the effects of kali. Just by association with your movement, I got to know a lot. As it is stated in Chaitanya Charitamrita

Srila Prabhupada, you are the beloved spiritual father of millions of souls on this earth now.

Prabhupada because of you, I understood the value of human life. Foolish people do not know, why we came here and why we have to struggle here? How will they understand the mellows of devotional service? I am simply praying for Your mercy so that I will be able to convince them about your message.

Prabhupada, you have given initiation to my family, because of your causeless mercy, we are serving your mission as a full time devotee. Prabhupada bless my son to become a devotee and serve you and Gauranga. Please, make me humble and tolerant in any situation.

Your eternal servant,

Dear Srila Prabhupada,

Please accept my most humble obeisance at your lotus feet. It's only by your causeless mercy that an insignificant fallen soul like me got the opportunity to write this offering.

Dear Srila Prabhupada, Its been almost 11 years since I have come in touch with your divine grace, and I am very much indebted to your divine grace for the transformation you brought in me all these years. I have seen many ups and downs spiritually all these years, and your divine grace is merciful enough to guide me on each of those occasions. It's my fortune that I have got associated with your movement directly / indirectly.

Srila Prabhupada I am very grateful to you for allowing me to be in the organization, which is serving your divine cause of distributing Prasadam, I beg you to give strength and intelligence to contribute to the cause efficiently.

Srila Prabhupada I beg your forgiveness for whatever mistakes I have committed knowingly or unknowingly either by the mind, word, or actions during all these years. Kindly show your causeless mercy on this insignificant fallen soul so that I can cross over the difficulties that we are facing in executing the devotional services and follow my sadhana strictly. I will endeavor sincerely to follow your instructions and improve my sadhana.

Your most fallen servant,

Sharangi Krishna Dasa.

*"I was born in the darkest ignorance, and my spiritual master opened my eyes with the torch of knowledge. I offer my respectful obeisances unto him"*

Please accept this humble offering of gratitude, I may not be able to list out all that I am grateful for you as the list is endless.

Without your mercy, there is no hope for me to save myself from the material world of misery.

Without your mercy, I wouldn't have connected to Lord Chaitanya's movement and His mercy.

Without your compassionate nurturing, I wouldn't have been able to surpass the hurdles of my mind and take up Hare Krishna mahamantra chanting.

Without your inspiration, which I draw by reading your transcendental treasure of books, I would have got lost in the miseries of this world.

Srimad Bhāgavatam says that *labdhvā su-durlabham idaṁ bahu-sambhavānte* [SB 11.9.29]: "My dear human being, you have got this body after many many evolutionary changes, from aquatics up to this civilized form of body." *Labdhvā su-durlabham idaṁ bahu-sambhavānte*. "After many, many births you have got this valuable body, human form of body." *Mānuṣyam artha-dam*: this body, human body, can give you the highest profit. Highest. In other body you cannot have, but in this body you can profit very highly."

Srila Prabhupada, thank you for being so kind and merciful on this undeserving disciple of yours. I pray at your lotus feet for giving me the strength, intelligence, knowledge, and all that is required in serving you, following your instructions sincerely with enthusiasm, eagerness, and determination in the association of devotees making the best use of bad bargain, this human form of life.

At times of struggle, you show me the ray of hope through your reciprocation and guidance in various ways. I find my answers through your books, lectures, and at times through intuition while chanting .

*cetasa sarva-karmani mayi sannyasya mat-parah*

*buddhi-yogam upasritya mac-cittah satatam bhava*

"In all activities just depend upon Me and work always under My protection. In such devotional service, be fully conscious of Me."  
*Bhagavad-gita 18.57*

Due to some circumstances, I have been struggling in chanting for several months, you have blessed us with Soulful Japa modules, association with senior Vaishnavas, with their endeavours and efforts, my mindless japa has transformed to mindful Japa, now progressing to spiritful Japa. All this could manifest with your kind mercy on us during this peculiar situation we are going through which indeed is a blessing in disguise. Over the last 4 months, as the whole world is rappelling with COVID, we were blessed with so many opportunities in Krishna Consciousness to learn, chant the holy names of the Lord, develop a relationship with *nama prabhu*, by understanding, association with senior Vaishnavas daily, reading your books, preaching opportunity through Japa yagna. Now, our homes have become centers of imparting knowledge, when we didn't have the physical access to temples.

Most exciting experience in this situation was conducting of Jagannatha Ratha Yatra, due to the reading of Chaitanya Caritamrta, and by the inspiration of Sri Chaitanya Mahaprabhu's participation in Ratha Yatra and by his ecstatic dancing and by encouraging all the devotees in taking part in Ratha Yatra, I was able to offer this Seva for the Lordships Jagganath, Baladeva, and Subhadramayi at home. Also, I drew inspiration from the first Ratha Yatra you conducted in SanFrancisco, where the Yatra was conducted on a flatbed truck, I was guided through the inception of ideas and it's execution for the pleasure of their Lordships and the devotees. This was the most beautiful and relishing experience for all who could take part.

Last year has been a beautiful year of Yatras organized by HKM-Hyd. It's always been a most memorable experience being part of yatras, Kumbh Mela in Prayag, Ayodhya Dham, Muktinath Yatra, and Chardham Yatra, the most spectacular ones and immense learning in the association of devotees.

Book distribution, Book marathon service, by your mercy so many of us could engage in the service and connect many souls with your books. I am ever indebted to you for inspiring us in rendering the service, which we could take part enthusiastically.

Heartfelt gratitude to you, Srila Prabhupada for your kindness, for your compassion, for all the care you took of us. Thankful to all the devotees for their association and grateful to Hare Krishna Golden Temple for all the opportunities to learn, for all the services, and for the most beautiful yatras and delicious Mahaprasadam.

Your insignificant servant,

Shobha Radhika Devi Dasi.

*om ajñāna-timirāndhasya jñānāṣjana-śalākayā  
cakṣur unmīlitam yena tasmai śrī-gurave namaḥ*

Dear Srila Prabhupada,

Please accept my humble obeisances unto your most revered lotus feet on the occasion of your divine 124<sup>th</sup> appearance day. You are a true and glorious representative of Srila Vyasadeva.

When Sun raises all the living entities benefit and they become active. Similarly, when you appeared in this age, you have awakened our dormant Krishna Consciousness and made our lives meaningful. One simple analogy you give very nicely is that, when you write any number of zeros, it does not make any difference until we add one before the zeros. Through this you are indicating that, however advanced we are in terms of technology, research etc, without Krishna all our endeavors are waste of time, *srama eva hi kevalam*.

Recently, in Bhagavatam classes two words glorifying your transcendental activities took my attention.

One is, *U ha vava* (SB 5.1.24) - expressing wonder. All your activities like voyage onboard Jaladuta, staying in very humble conditions in the early years, taking care of hippies like your own children, training them up in Vedic culture, establishing centers one after another, dropping the bombs of books everywhere, and many other such activities are greatly astonishing – *u ha vava*.

Another word of glorification is *arbha-bhāvāt*, (SB 5.1.26) which means “from very childhood.” Another meaning is “from being very affectionate to children.” In other words, paramahansa life is dedicated for the benefit of others. Your uncompromised sacrifices at your advanced age, only for the benefit of others shows your immense compassion and determination.

In Caitanya Cartitamrita, which is marvel workpiece of your literatures, Chaitanya Mahaprabhu demonstrated His most ecstatic loving feelings during Ratha Yatra and touring of various places of India. In the same mood, your Divine Grace also traveled the entire world to fill up the deserted hearts of conditioned souls with the nectar of the Lord’s pure love. You made many millions of people pull the Lord Jagannath into their hearts.

By your special mercy, some senior Vaishnavas are guiding us on how to serve *nama prabhu* and *archavatar* soulfully. You have given us a huge treasure of spiritual assets, but only through the guidance of sincere senior Vaishnavas, I am able to access those and implement.

I am very fortunate to come under your infinite shelter and render a very insignificant service to your mission. My only prayer at your lotus feet is that, please allow me to serve you, life after life in the good association of devotees.

Your most fallen servant,

Shruthidhara Dasa.

Dear Srila Prabhupada,

All glories to my spiritual master A C Bhakti Vedanta Swami Prabhupada,

I pay my obeisance unto your lotus feet.

Hare Krishna, I'm Sita Sevaki Devi Dasi, your humble servant. By the mercy of guru and Lord Krishna and devotees I came in Krishna consciousness and chanting the holy names of Lord Krishna and reading the books like Bhagavad-gita, Srimad Bhagavatam etc. I'm doing 16 rounds of chanting a day from past 8 years and also a few services.

I pray to you and Lord Krishna please give me more strength to do chanting and service.

I'm very thankful to you because you are teaching me everything.

Dear Srila Prabhupada,

Kindly accept my humble obeisances to your lotus feet. All glories to you on this day of your Vyasa puja.

In this Kaliyuga there is much confusion on the name of God. So many Babas and so many bogus gurus are there. O Spiritual Master, you are the one, who showed the path for the fallen souls to advance from this material platform to the spiritual platform and made us realise the importance of Krishna consciousness. Your preaching clearly states that Lord Krishna is the Supreme Personality of Godhead and perfect knowledge is achieved when one surrenders unto Lord Krishna.

In Bhagavad Gita, Chapter 7 .19th verse ,

*bahunam janmanam ante jnanavan mam prapadyate*

*Vasudevah sarvam iti sa mahatma su-durlabah*

After many many births and deaths, he who is actually in knowledge surrenders unto Me...

I am grateful to you for giving us the valuable gift of chanting and devotional services and made us realize the importance of association of devotees to render services.

O Srila Prabhupada, you spent sleepless nights to give us wonderful translation to Bhagavad-gita, Srimad Bhagavatam, and many other books and showed us the path to reach the Godhead, if one always remains in Krishna consciousness and surrenders to Lord Krishna.

I am very fortunate to be your disciple. This year even though Covid pandemic is there, and I am unable to visit temples, I am staying at home and with the help of senior devotees able to participate in many Krishna consciousness activities and able to encourage friends to chant Hare Krishna Mahamantra as part of *Japa yagna*.

O Spiritual Master please give me your blessings to participate more enthusiastically in your mission of Krishna consciousness.

Your humble servant,

Sri Lalitha Devi Dasi.

## Sridhamasakha Dasa

Dear Srila Prabhupada,

Please accept my humble obeisances unto your divine lotus feet. All glories to you on this most auspicious day of your Vyasa-Puja.

It is your causeless mercy that still this fallen soul is able to render some service in Lord Sri Chaitanya Mahaprabhu's Sankirtana Movement. Where is the Spiritual world and where is the Material world?! We, fallen souls belong to superior nature supposed to be in the spiritual world and enjoy with Krishna by giving enjoyment to Him. Because of your causeless mercy that fortunate souls in this material world know this most confidential information which is not revealed to many great personalities of this material world. But I am so fallen that my mind is still attracting to this temporary world. Please shower your mercy upon me.

Srila Prabhupada! you taught us to live a life of dedication to Lord Sri Chaitanya Mahaprabhu's Sankirtana movement, with full faith in Krishna and His holy name. Life is so uncertain, so insecure, that every moment, every day we must place our faith and trust in the one who has everything under His control. That person is Krishna, our master and a real friend. You have given us this secret to always depend on Supreme Lord Sri Krishna. With you as our true guide and shelter, we can trust that, in the long run, everything will be all right. We should always have faith in the love and wisdom he is giving us.

Srila Prabhupada! you came down from Goloka Vrindavan out of compassion for us fallen souls sent by Lord Sri Krishna. He rescued us from the bad association of the materialists and taught us how to fly back home, back to Godhead. But we need to be strong and accept his teachings in toto and give up any attachment for life here; otherwise, we'll be left behind.

Once you wrote in a letter to one disciple that,

Our relationship is eternal. But if somebody lags behind, in spite of our eternal relationship he may not meet the others at the destination. Just like a flock of birds—although very intimately related, every one of them has to fly in the sky by individual strength. If one is less strong, the others cannot keep him in the sky. That is the law of nature. So as long as every one of us is strong in Krishna Consciousness, there is no doubt that you can fly to the spiritual sky and we can meet together without failure. Therefore, individual strength is most important. And that individual strength is achieved in the association of devotees.

Srila Prabhupada, you have created this devotees association by establishing this International Society for Krishna Consciousness. We all are indebted to you my dear spiritual master. With your blessings and mercy, I will be able to continue my spiritual journey and progress further in my Krishna Conscious life, which is eternal.

I sincerely thank you for showing me the path for eternal happiness which is Krishna Consciousness. Please forgive my numerous shortcomings and allow me to engage in your devotional service life after life. May your glories spread far and

wide, as more and more conditioned souls get an opportunity to read your transcendental books and begin to engage in Lord Sri Chaitanya Mahaprabhu's Sankirtana Movement.

Your fallen servant,

Sridhamasakha Dasa.

*caḥsur unmīlitam yena tasmai śrī-gurave namaḥ*

*"I offer my respectful obeisances unto my spiritual master, who has opened my eyes, blinded by the darkness of ignorance, with the torchlight of knowledge."*

Dear Srila Prabhupada,

On this auspicious occasion, I feel greatly humbled by recollecting all the wonderful and all auspicious boons you have bestowed to the entire world.

You SAVED us all from the dangerous pit fall of material illusion, by mentioning over a thousand times in your books & teachings—"You are not this body; you are a spirit soul". Yes, you know that we, the conditioned souls are so engrossed, captivated, and mesmerized by the allurements of external energy. So in order to awaken us from such a deep slumber, for sure you had to repeat the truth persistently. THANK YOU Srila Prabhupada, for your perseverance in bringing LIGHT into the lives of the souls suffering from the darkness of ignorance.

You SAVED us all from the distress of hankering for pleasures – by providing us the divine higher pleasures of Harinama Sankirtan and sanctified and delicious Mahaprasadam. These two missiles pierced through the strong colossal mountains of material dust, and relieved the pleasure craving soul. Delighted with pleasure from the divine sankirtan, and sanctified prasadam—all the senses (ears, tongue, eyes, hands, legs, stomach, mind...) actively participated and quenched their perennial thirst. THANK YOU Srila Prabhupada for your electrified and enthused energy in giving us these higher tastes.

You SAVED us all, from the entanglements of karmic reactions, by providing us the spiritual seva of the Supreme Lord Sri Krishna, and engaging us in diverse sevas. Quoting: *"Even though a devotee may engage in apparently materialistic activities, he knows his position very well. Nirbandhaḥ kṛṣṇa-sambandhe yuktaṁ vairāgyam ucyate. If one engages all material things in relation with the loving service of the Lord, one is situated in yukta-vairāgya, proper renunciation."* THANK YOU Srila Prabhupada, you have engaged us fully and protected us completely from material entanglements.

You SAVED us all from yearning for material relationships, by providing us sadhu-sanga, the saintly association of pious and sincere devotees. You established and taught us COMMUNITY LIVING, devotees living together and cooperating in various services of Sri Vighraha Aradana, Tulasi Seva, Bhagavatam Seva, Vaishnava Seva and many such sevas. Thus moving forward towards the Ultimate GOAL of Human Life, going Back To Godhead. THANK YOU Srila Prabhupada, for blessing us with these Goloka Embassies.

You SAVED us all, by providing SOULFUL JAPA. Sincere and disciplined practice of this establishes the relationship with the Lord in His Sweetest and most Compassionate form of NAMA Avatara. Imbued with your Golden & Diamond instructions, Soulful Japa dips one into the deepest mellows of pleasure of enjoying the association with NAMA PRABHU. THANK YOU Srila Prabhupada, for this shower of causeless compassion on all of us.

Srila Prabhupada—you have saved many souls. As a diamond enhances the splendor of the golden ring; in this Golden Era of Sankirtan started by Sri Chaitanya Mahaprabhu, you are the Diamond enhancing the sublime preaching spirit for this Age.

In 1980's, Thomas Hopkins makes an insightful observation, and concludes that "Bhaktivedanta Swami's achievement must be seen as unique."

The strong foothold of this movement which you thoroughly anchored with solid discipline and highly valued principles is now expanding boundlessly in all directions. Srila Prabhupada looking forward to the resurgence of your divine magic again.

With wholehearted LOVE & DEVOTION aspiring to be your sincere and humble servant.

Your aspiring devotee,

Srivasa Pandit Dasa.

Dear Srila Prabhupada, My beloved Spiritual master,

Hare Krishna.

Please accept my humble obeisances. All glories to you on this auspicious day of Vyasa-puja.

Many thanks to you for accepting me as your disciple.

*अज्ञानतिमिरान्धस्य ज्ञानाञ्जनशालाकया चक्षुरुन्मीलितं येन तस्मै श्रीगुरवे नमः*

After my association with your mission, the view of life has changed entirely. My life changed from the ignorant and anxious life to live with proper vision, peace, and true confidence, like the student in the great university who has great sufficient guidance. Also, the opportunity to serve your mission with you & your devotee's mercy is a great honor that I got in this life which I am understanding day by day.

This year I started understanding & learning Bhagavad-gita in a more detailed way with the help of Bhakti Sastri classes, the way of chanting and reading Bhagavatham and other books written by you through Soulful Japa & Sadhana Bhakti sessions. With the devotional processes introduced to us by you like giving Mangala Arathi and Deity worship, gives a lot of satisfaction in the heart every day which is impossible for the people in this present age of quarrel and hypocrisy.

Along with me, my parents, my wife & children and most of the family members also have got the opportunity to enjoy the devotional path of life at the early stages of their life along with your association. Now the purpose of my life is understood, but I beg you to please show me extra mercy for getting more strength to go forward in this path so that I can serve you, my spiritual master, with my maximum capacity. By serving you, I feel my life purpose is fulfilled. Along with you, my special thanks to our beloved Vaishnava devotees mentioned below, my parents and my wife (Pushpa Lochana Radhika Devi your disciple supporting me at home) and request you to bless them all: HG Madhu Pandit Prabhu, HH Stoka Krishna Maharaj, HG Chanchala Pathi Prabhu, HG Satya Gaura Chandra Prabhu, HG Maha Vishnu Prabhu, HG Ravi Lochana Prabhu and all our *anantha koti vaishnava vrinda* devotees who are guiding me personally and inspiring me in this path.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to Your Lotus Feet.

Lord Bharata, ruled the world when Lord Rama was in exile by meditating continuously on His lotus feet. Similarly you have conquered the entire world by preaching Krishna Consciousness by continuously meditating upon your guru's lotus feet. I am very happy and fortunate enough to serve your mission and your servant - HG Madhu Pandita Prabhu and his

servant - HG Satya Gaura Prabhu to whatever extent my mind, intelligence, and senses support. Thank you very much for giving me this opportunity.

“*krsna se tomara, krsna dite paro*” - Krsna is yours. You have the power to give Him to the entire world. You have given Krishna to lakhs of *jivas* starting from *Kirāta, Hūṇa, Āndhra, Pulinda, Pulkaśa, Ābhīra, Śumbha, Yavana, Khasa* races and even others addicted to sinful acts across the world without any distinction. All stalwart acharyas spread the Krishna consciousness across India and more or fewer people in those days were having some level of devotion. They can be followers of *Karma kandiya, Jnana marga* or some level of *bhakti*. But no acharya preached to the *mlechhas* and *yavanas* except your divine grace and gave nectarian love of Sri Radha Krishna. When I joined your movement, I was thinking that I would fit into at least one of the above categories. But over a period of time, I understood that I am not even worth fitting among them.

“*Hrudayam Kama Rogam*” - I realised that my heart is the abode of lust and sense gratification is my best friend. My consciousness keeps weaving from doggish to pig to donkey to snake to even demon. Practically I realized that I don't have any credits to serve the Lord. “*tathā paramahaṁsānām munīnām amalātmanām*” - Lord is meant for transcendentalists. He takes their service only. “*e-vishaya-halahale, diva-nisi hiya jwale, mana kabhu sukha nahi pay*” - Day and night my heart burns from the vicious poison of these worldly activities, and due to this my mind never finds any real happiness. “*krsna-nama-sudha, bhalo nahi lage, visaya-sukhate bhora*” - I cannot relish the nectar of Lord's holy name, and I have become addicted to the taste of worldly pleasures. I am like a crow among your sincere disciples and devotees. Except for your mercy and your lotus feet practically I don't have any other source of pleasure or dependency.

Demon Ravana has got some powers by performing tapasya to fight (or attempt to fight) with Lord Rama, but a tiny insignificant jiva like me having nothing but wants to lord it over the material nature and on Lord Himself. Tons of false ego with mountains of arrogance! How can I cross over the *bhava sagara* and how can I surrender to the Lord. It's highly impossible for me to think even in this direction. I am unable to find this kind of personality in the past, to learn something from them to cross over. How can *mala* be purified and become *amala*? I don't know. Until unless you show your extreme focus on this fallen (I don't find a lower word to express) soul, it's impossible to render pure devotional service to your lotus feet and Their Lordships' lotus feet and utter *suddha nama*. “*mahat-pada-rajo-bhisekam*” - Please bestow the dust of your lotus feet and uplift this wretched suffering soul and engage in Their Lordships' service eternally.

I remember how you have protected me from the Mayavada conceptions and practically dragged me to the Lotus feet Sri Radha Govinda. I was thinking initiation means it is only about a *homa*. But later on by your blessing, I realised that you are practically knotting the jiva with the lotus feet of the lord. A neophyte person like me is able to see your presence in our temple, how come great *Sannyasis* from the opposite guru camp are unable to see you and your presence after your so-called material demise. It's really surprising to me.

I would like to render more services to you and your mission, but my mind is full of speculations and senses with full of lust and dull intelligence are not at all supporting. Neither I have the capacity to fight with them. Emotions are overpowering me. If you don't give me protection, who else can give to me? Please crush and blast my false ego and make me your puppet and make me servant of servant of servant of all of your sincere devotees. And make me to get the mercy of guru parampara and Lord Guara Hari the most magnanimous and compassionate *avatara* for uplifting suffering souls of this world and bestower of divine love of mother Srimati Radharani and Supreme father of all the living entities Lord Sri Krishna. I want to render pure devotional service to Their Lordships and chant *suddha nama* at least once in my life. That is possible only by your divine mercy.

In many lectures, you said that “read my books again and again” to clarify your doubts. I am having a lot of questions while reading Srimad Bhagavad-gita and not getting appropriate answers. Without surrendering to Krishna fully, no one can understand His knowledge also. “*siddhānta baliyā citte nā kara alasa ihā ha-ite kṛṣṇe lāge sudṛḍha mānasa*” - A sincere student should not neglect the discussion of such conclusions, considering them controversial, for such discussions strengthen the mind. Thus one's mind becomes attached to Śrī Kṛṣṇa. In the current age full of atheism, Mayavada

understanding, it is very difficult to convince the jiva to surrender. On this auspicious occasion of your divine appearance day please bestow me the divine knowledge, realization, and spiritual strength to spread your glorious moment and render pure devotional service to your lotus feet, Vaishnavas and to Their Lordships Sri Sri Radha Govinda, Sri Sri Lakshmi Narsimha, Sri Sri Nitai Gauranga. Please forgive me if I have committed any offenses to the Vaishnavas and my godbrothers either knowingly or unknowingly. Thank you very much for keeping me and bearing me in your movement for these many years and I request you to extend this till my last breath.

Your fallen servant,

Sudarshana Narasimha Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisance.

All glories to you on this auspicious day of your Vyasa-puja.

I fall upon our Lotus feet. Please help me so that I never ever forget to serve Your lotus feet birth after birth. Dear Prabhupada many times You said that Sri Radha Damodara temple is the spiritual hub for this Krishna Consciousness Movement, so I always dreamed to step inside the temple at least once in this lifetime. you full-filled my dream this year that you took us to both Mayapura and Vrindavana. It was a very emotional moment for me to step inside your room in Radha Damodara Temple. I felt like finally, I am entering into my father's room. Thanks for taking us to your birthplace in Calcutta. I felt how fortunate we are to touch the place you lived in.

Dear Prabhupada this year by your blessing and mercy you admitted our little Ram in your Basil Woods School. Prabhupada many times in your letter to women disciples You have said training the child in Krishna conscious education is the most important preaching work. Please give me the intelligence to raise up this little devotee child of your's to become perfectly Krishna conscious and serve your mission.

Prabhupada it is 4 years since I took initiation from you without even knowing what initiation is. In Srimad Bhagavatam (4.28.50) purport, you said that it is the duty of the disciples to take charge of the mission of the Spiritual Master and execute it properly. Otherwise, the disciple should decide to die along with the Spiritual Master. I meditate on this verse every day and yet in another class, you said initiation is the beginning of spiritual life and it starts with chanting and serving the Spiritual Master. I am not serving You or chanting properly. All I do is auto chanting and improper hearing. Please help to chant and serve you nicely and please you.

Dear Prabhupada, You showed us by example how to give up everything to preach the message of Lord Sri Chaitanya Mahaprabhu. I am so dull headed that I can't understand even small instructions that you say "Chant and hear". I am so dumb that I don't have an attraction for Lord's holy name. Dear Prabhupada, please help me to distribute all Your books. Please keep me engaged in Your service all the time. I would like to thank HG Chanchalapati Dasa Prabhu for narrating wonderful pastimes about you every week. I am so grateful to HG Madhu Pandita Prabhu for the soulful japa sessions which are helping me understand how to do chanting properly.

Dear Prabhupada if at all I am still surviving in Krishna consciousness it is simply because of Your mercy. Without Your mercy, I would be fallen into the lowest of animal lives even in this very birth. I feel unworthy to be your student when I see your other disciples who are always thinking about how to serve you nicely.

Dear Prabhupada on this divine appearance day of yours, please bless me with *shuddha nama* on my tongue. Please help me to read your books sincerely although I won't be able to understand anything in this birth. Please help to distribute all your books on all platforms.

Your most fallen disciple,

Suguna Radha Devi Dasi.

Please accept my humble obeisance.

*namaste saraswathe deve gauravani pracharine nirvishesa shunyavadi paschatya desatarine*

All glories to Srila Prabhupada. All glories to you on this auspicious day of your Vyasa-puja.

I need to glorify the role that you are playing in my life, as well as I want to express my indebtedness to you.

You are very concerned that your students should not struggle from *Maya*, hence you faced so many difficulties,

writing books in the night time

performing nice Vaishnava bhajans without disturbance

doing book publishing and distribution from untrained devotees.

Ultimately I am so fortunate to get your voice and photo, through your voice association. Sometimes even without parents' knowledge.

Through your instructions your disciples are continuously observing and guiding me and are nicely facilitating me to do more and more services.

By your mercy, daily I am associating with you, all great acharyas, even Supreme personality of Godhead through your instructions, pastimes, and Deity services.

Had you not been there in my life I would never engage in Lord's service, my body would simply be a burden to this earth, and nothing else.

Thanking you Srila Prabhupada for saving from the dark well of ignorance.

Dear Srila Prabhupada,

Please accept my humble obeisances unto you. You made so many disciples among which I am also one. You are very kind, compassionate, and merciful to this fallen soul. You are my master, 'life after life'.

*chakhu-dan dilo jei, janme janme prabhu se,*

*divya jnan hride prokashito*

*prema-bhakti jaha hoite, avidya vinasha jate,*

*vede gay jahara charito*

Today, I am serving Sri Sri Radha Govinda and Sri Sri Lakshmi Narasimha Swamy through your guidelines. I passed so many lifetimes, by your causeless mercy, this life I surrender unto you. Only you can liberate me from the cycle of birth

and death. Without your blessings, I can't serve Deities and Devotees. I am serving your mission heartfully by your mercy. I am so happy at your lotus feet.

You guide my life through your books, instructions, and through your disciples. Now I am getting how to chant Hare Krishna mantra through your instructions. I am learning about mindful and soulful japa from your disciples. You are my eternal Guru. Make me as you wish, I am ready to do anything. Please forgive me for my offenses at your lotus feet. Your disciples are very enthusiastically serving your mission. I am very astonished to see them. I am so fortunate to associate with them. You went to America at the age of 70 years, spread Krishna consciousness all over the world. Please make me your puppet, then I can also serve your mission.

By your mercy, I can do everything, otherwise, I have no hope. I am fool number one. Please guide me on how to serve your mission. I experience pleasure when you are pleased. Thanking you for giving the opportunity to write this Vyasa puja offering.

Your servant of servant,

Suvrata Dhruva Dasa.

*nama om vishnu-padaya krishna-preshtaya bhuta-tale*

*srimate bhaktivedanta-svamin iti namine*

I offer my respectful obeisances unto His Divine Grace A.C. Bhaktivedanta Swami Prabhupada, who is very dear to Lord Krishna on this earth, having taken shelter at His lotus feet.

*namas te sarasvate deve gaura-vani-pracharine*

*nirvishesha-shunyavadi-pashchatya-desha-tarine*

Our respectful obeisances are unto you, O spiritual master, servant of Sarasvati Gosvami. You are kindly preaching the message of Lord Chaitanya deva and delivering the Western countries, which are filled with impersonalism and voidism.

Dear Srila Prabhupada, as per my observation, some practice Krishna consciousness very well, but don't preach Krishna consciousness, some other people don't preach well but practice Krishna consciousness. But your practicing and preaching of this philosophy have proven that you are an *acharya* who shows by example. Seeing an *acharya* like you is a great enthusiasm for a beginner like me to advance in this movement. From this observation, we can know that you are a bonafide Guru, who is empowered by the Supreme Personality of Godhead to spread the glories of the holy name and there is no advanced devotee after you.

After seeing your magnanimous *lila* in this material world, some think that you are like any normal spiritual practitioner, but they don't know that the desire of Sri Chaitanya Mahaprabhu to preach the glories of holy name into nook and corner of this world was executed by you.

So the deep intention of Sri Chaitanya Mahaprabhu was executed with your hands, so there will be no great Guru who is also our current link to the Gaudiya Vaishnava parampara.

Personally, I don't have any good qualities, but sure I have all bad qualities, but I thank you very much for considering my services and guiding me to a proper *siksha Guru*.

On this auspicious occasion, I thank you very much for your great compassion to go to the west and preach the glories to the western people and making so many Vaishnavas in the west and also making Hare Krishna popular. So, now, only by your endeavor of making Hare Krishna popular, we are able to feed Krishna's prasadam to lakhs, Krishna's Holy name to thousands, Krishna's Deities to Hundreds.

Finally, your Grace manifested at Hare Krishna Golden Temple.

Thanking you.

Your unworthy servant,

Syamakunda Dasa.

Dear Srila Prabhupada,

Please accept my respectful obeisances.

I do not have any good quality or capability in me. Whatever little I have learnt or got, is all but of your kind mercy.

I am actually a dumb person and an introvert. But now by your mercy, you gave me the capability to speak and convince few people to take up the process that you have given us.

I am spiritually a lame person. I was living like a dog or cat without any purpose of life. It is you who are directing my life through your amazing books and enlightening lectures. Otherwise what hope have I got to cross over this mountain of material existence which is absolutely impossible! By your mercy, I am confidently trying to cross this mountain.

Srila Prabhupada, your conviction in the words of your Spiritual Master; your strong faith in the teachings of Bhagavad-gita, Srimad Bhagavatam and the holy name of Lord Krishna are all revealed in your lectures and teachings. You are the ray of hope in my life. I am simply trying to become a devotee .

Srila Prabhupada, I wish to take this opportunity to thank you for the amazing books you have given us, taking so much of hardship. You have taught with your personal example to the whole world how a devotee should live, remembering and serving for the pleasure of Guru and Lord Krishna.

Srila Prabhupada, I wish to become a devotee as you prescribed. I want to correct myself, to change myself for your pleasure. But I need your help. You are my hope. I wish not to leave your connection eternally. The only desire is to be in the association of your sincere followers. Please bless me to please you by spreading Your message. Please bless me that I will be able to render service to H G Satya Gaura Chandra Prabhu who is Your representative.

Thank You Srila Prabhupada!

Your servant,

Vaikunthanath Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisance at your lotus feet on this most auspicious occasion of Your Divine Grace's Appearance.

At first, I would like to express my deepest heartfelt thanks for allowing me to be in the association of devotees in serving their Lordships Sri Lakshmi Narasimha Swamy and Sri Radha Govinda ji.

Srila Prabhupada, with your love and devotion you have invited Sri Radha Govinda Ji to Hare Krishna Golden Temple. I heard in the Srimad Bhagavtam class that in Goloka Vrindavan, all devotees are always busy by keeping Krishna in the centre and in serving Him. I could see perfectly that you have created that same environment in this material world in the form of Hare Krishna Movement. By your mercy and guidance, every day, I am taking part in serving Their Lordships along with all other devotees.

Serving the Supreme Personality of Godhead Sri Krishna in association with devotees is not at all possible for anybody in the entire material universe without the pure devotee's mercy. Because of your causeless mercy, today I am engaging in serving Krishna along with devotees under your directions. Thank you Prabhupada.

Thank you Srila Prabhupada by your mercy the Holy Name has appeared in my life and I beg you to continue your mercy so that I can serve *nama prabhu* without offences.

I always feel your active presence in the mission of Sri Chaitanya Mahaprabhu in spreading the Holy Name to all the towns and villages by empowering your sincere disciples. Currently, we all are hearing SOULFUL Japa from H G Madhu Pandita Prabhu and all other senior Vaishnavas are pushing this movement for the pleasure of your divine grace. These things can happen only by your mercy and it is completely wrong that your physical presence is essential to receive your instructions. Your guidance and help is always available for each and every devotee who wants to serve you..

Thank you Prabhupada for your love and affection and allowing me take part in your Divine Mission. Always, please keep me at the shelter of your lotus feet.

Aspiring to be servant of your servants, Venkatadri Govinda Dasa.

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to Srila Prabhupada.

Lord Chaitanya's movement is to save the most fallen people of this age. My dear spiritual master, you are truly making this happen by giving a chance of practicing the highest form of devotional service and making this most valuable gift available to each and everyone.

By your mercy, we got chance to understand Krishna and His unlimited compassion for His part and parcel and understanding that by serving Krishna and Krishna's devotees alone one can achieve the real *sat cit ananda* nature of *jiva*.

By your mercy, we are able to associate directly with *nama prabhu* who has descended in this fallen age just to give His association to each and everyone without discrimination. By your mercy, we are able to get transcendental literature which purifies one's existence and makes one free from mundane topics of this mortal world.

By your mercy, we got chance to live with your devotees who are fully dedicated to serve your mission of spreading Lord Chaitanya's mission.

Please give me strength to stick to your instructions. Thank you for giving chance to this fallen soul.

Trying to be Your Humble Servant, Vibhu Chaitanya Dasa.

## Vishnu Dasa

Dear Srila Prabhupada,

*mukam karoti vachalam pangum langhayate girim  
yat-kripa tam aham vande shri-gurum dina-taranam*

"I offer my respectful obeisances unto my Spiritual Master, the deliverer of the fallen souls. His mercy turns the dumb into eloquent speakers and enables the lame to cross mountains."

O my merciful Spiritual Master because of You, today I am here, in Krishna consciousness. Because of You, I know Sri Sri Krishna, Srimati Radharani and Lord Chaitanya. You are the most merciful. You have taught me how to get freed from *bhavasagar*.

O my Gurudeva Prabhupada, initially I joined this movement only for food, only for tasty food, sweet and gulab jamun. I like all these items and I used to wait for weekly programs, for *sandhya arati* and the lecture to finish when finally we get mahaprasadam. I don't know what special mercy is there in *Krishna prasadam*! Its a miracle that a *bhogi* got converted into bhakti yogi. This magic was done by this only person, A C Bhaktivedanta Swami Srila Prabhupada. After which I continued the long journey of around 15 years in this movement. Thank you Srila Prabhupada for freeing me, the most fallen soul, from *bhavasagara* by your causeless mercy.

*chakhu-dan dilo jei, janme janme prabhu sei divya-jnan hride prokashito  
prema-bhakti jaha hoite, avidya vinasha jate vede gay jahara charito*

He opens my darkened eyes and fills my heart with transcendental knowledge. He is my Lord birth after birth. From him ecstatic prema emanates, by him ignorance is destroyed. The Vedic scriptures sing of his character.

Your fallen soul,

Vishnu Dasa.

Dear Srila Prabhupada,

I was in the deep slumber of ignorance, but you kindly awakened me by the torchlight of knowledge. I do remember the day when I, fortunately, received *Bhagavad-gita As It Is* authored by your Divine Grace from one of your disciples and that turned my life; your instruction is so sublime and powerful that it can ignite the spark of devotion to the Lord even to an atheist.

You have taught us, "Godhead is light. Nescience is darkness. Where there is Godhead there is no nescience." The only way to avoid the influence of ignorance is to always associate with Godhead by the sublime transcendental process of chanting:

*Hare Krsna Hare Krsna Krsna Krsna Hare Hare  
Hare Rama Hare Rama Rama Rama Hare Hare*

You are the greatest ambassador of Lord Krsna the Supreme Personality of Godhead, who kindly broadcasted the message of Lord Krsna on every surface of the globe. In fact, this is the prediction of Lord Chaitanya and conceptualized by His Divine Grace Bhakti Vinod Thakur and Bhakti Siddhanta Saraswati Goswami Srila Prabhupada, eventually executed by your Divine Grace on the order of your Spiritual Master, His Divine Grace Bhakti Siddhanta Saraswati Goswami Srila Prabhupada.

You have taught us that every living entity is spirit soul and constitutionally a subordinate part and parcel of Lord, but on account of his forgetfulness of the Lord, he dressed differently and engaged in the service of the external energy of the Lord called Maya and misidentified himself as the material elementary body. Under this adulterated consciousness, one is falsely trying to be master or lord over the material energy, which is the source of all miseries.

If living entities revive the original consciousness, i.e. understands the Lord and his relationship with Him and executes activities in that relation, then only one can liberate himself from these miseries and be eligible to attain love of Godhead which is the prime duty of the human being and the highest perfection of life. In a nutshell, the essence of your teaching is how to become the lover of God or technically become Krsna Conscious.

Your tremendous contribution to the world cannot be repaid and particularly your books are eternal. You are the great spiritual ambassador to the human society who has a mission of uplifting the modern human society from degradation by bringing them nearer to God.

I would like to offer my infinite obeisances to you and earnestly pray to Lord Krsna on this holy and auspicious appearance day to bestow your blessings, so that with the association of devotees, I can wholeheartedly follow the divine instructions of your grace, without fail.

Your most fallen and insignificant disciple,

Your humble servant,

Yagneshwara Dasa.

Dear Gurudeva,

Please accept my humble obeisances. All glories to the most merciful Guru and Gauranga. Vyasapuja mahotsav ki jai.

I was happy, going places

I was happy, exploring materials

I was happy, learning fascinating things

I was happy, dreaming fancy inventions

I was happy, experimenting my fancy dreams

I was happy, drawing conclusions to the world around

Then you've entered my life.

You gave me the Holy Name

You gave me the darshan of Shri Radha Madanmohan

You gave me the divine remnants of Lord

You gave me the most confidential eternal knowledge of Vedas

You gave me the opportunity to serve Shri Jagannath for his Ratha Yatra

You gave me the facility to be in your company in your beloved dham, Vrindavan

Then I realised.

That I was not happy.

The source of my happiness is at Shri Harinama Sankirtana.

The source of my happiness is at the temple hall of Shri Radha Madanmohan.

The source of my happiness is at the prasadam of Shri Govardhana Giridhari.

The source of my happiness is between the pages of Shrimad Bhagavad Gita.

The source of my happiness is at the dust of the feet of the Vaishnavas.

The source of my happiness is at the eternal abode Shri Vrindavan Dham.

I have asked nothing but you gave me all these out of your compassion. Thank you for being so merciful on this insignificant person.

I have been attending your Vyasapuja Mahotsava for last 10 years but you've given me this opportunity first time to write down my offerings. I'm grateful to the temple administration of Shri Hare Krishna Golden Temple.

Please guide me on my spiritual journey and put me in the eternal service of devotees.

Your aspiring humble servant,

Bhakta Abhishek Basheerabadkar.

My Dear Srila Prabhupada,

Please accept my humble obeisances.

Your philosophy is crystal clear and evident in the teachings and thoughts. You cautioned people of today's world against indulging in too much materialistic pleasure and spending time for acquiring physical things because they don't last forever and have to end. You rather preached to have the joy of spirituality which is itself a sustainable way of living. This is absolutely necessary in today's world where people are heading towards the uncharted territory, a place full of uncertainty.

Your Hare Krishna Movement is proactively working towards guiding millions to the path of spirituality and this is all because of Your Divine Grace vision.

Yours faithfully,

Bhakta Abhishek Gannu.

Dear Srila Prabhupada,

All glories to you on this auspicious day of your Vyasa Puja.

*nama om viṣṇu-pādāya kṛṣṇa-preṣṭhāyabhūtaḥ śrīmate bhaktivedānta-svāmin itī nāmine.*

*namas te sārāsvate deve gaura-vāṇī-pracāriṇe nirviśeṣa-śūnyavādi-pāścātya-deśa-tāriṇe*

I offer my sincere obeisances unto your feet. You magnanimously bestowed on us Krishna consciousness with a 'lifetime warranty.' Just as during your manifest presence on earth, so now after your external disappearance, you continue to make Krishna consciousness work for a burgeoning global community of Vaishnavas.

You are the perpetual reference point of purity, determination, fearlessness, and devotion to Krishna. History will inevitably throw up varieties of lesser persons claiming to know and embody 'the way.' It is you Prabhupada that save the innocent from such lesser leaders, As Krishna says in the Gita 3.21, people, in general, follow 'srestha', the best, most excellent, most distinguished person among them. Had Krishna not sent and revealed you as truly the best person, many one-eyed gurus would have ruled the blind valley of the modern world.

We continue our lifelong task of finding the most appropriate balance between the twin historical imperatives of preservation and adaptation. We must preserve intact all that is essential in our supreme tradition. Yet a movement may lose itself not only through deviation but also through fatal attrition, caused by a failure to include relevance among the items to be preserved.

Only you, Prabhupada, can bless us with the keen intelligence to properly balance preservation and adaptation. Only you can perfectly teach us to correctly discern the basic, the fundamental, the unchangeable, from the variable, protean, adaptable detail. We must earn your blessings by our genuine, earnest dedication to our own emancipation, and to that of the world. We must also balance attention to self, with attention to other souls. As Krishna teaches us in the Gita, and the Bhagavatam, in a world full of tensions, paradoxes, and competing just claims, we must find a reasonable balance in all things.

On the holy day of your divine appearance, along with our expressions of gratitude, we congratulate you on your sublime descent to this world, your inimitable glorious deeds, and your immaculate departure. Kindly empower us more than ever to do your work in this baffling world.

Your eternal servant,  
Bhakta Abhishek Krishna.

Dear Srila Prabhupada,

Please accept my humble obeisances at your Divine Lotus feet.

All glories to you on this most auspicious appearance day of your Vyasa Puja.

Dear glorious Gurudev, you have initiated me into understanding the nature of material existence. Through your divine blessings, I have gained the minimal ability to start reading Bhagavad Gita, that has helped me to be able to do activities being always aware of engaging myself in Krishna Consciousness.

I know, I am far away from the perfection of my material existence where I would be able to perform my duties and roles with full perfection in Krishna consciousness. I am lying on your lotus feet to help me to be able to become a perfect yogi. Ohh! the enlightened one, hold my hand and help me to be in equanimity at all levels of my existence and guide me

to become a perfect Bhakti yogi so that I can use my material existence for the contribution to this world. Guide me the way Lord Krishna helped Arjuna. I cry at Your lotus feet.

I beg to help me overcome the subtle enemies of my false ego and settle in perfect yoga with the oneness of Mann and buddhi focused on your lotus feet.

Dear Srila Prabhupada,

Please accept my humble obeisance.

All glories to Srila Prabhupada. All glories to you on this auspicious day of your Vyasa Puja.

I remembered that during my B-tech period I used to live in a rented room in Berhampur and there is someone who came to stay just beside my room, his behaviour looks strange to us (to me and my roommates) at that time as he sleeps before 9 pm and wakes up before 4.30 am and we sleep after 1.00 am, he wears a dhoti kurta and tilaka. I am a non-vegetarian at that time and we used have feast 2 to 3 times a week and whenever we start cooking he closes his door and light an incense stick, we used to wonder. But as time passes, he used to call us and tell about the sins we are committing by showing some illustration of next life from Bhagavad-gita and then a curiosity burnt in my heart to know more and more. After coming from college I used to sit with him and listen about Bhagavad-gita and some stories from scriptures. Then he invited

me to a Sunday class held in Sri Sri Radha Radhakant Mahaprabhu Temple, I was feeling very good on that day, not only for the class but also for nice prasadam and kirtan. At the time of kirtan, everyone started dancing but I felt a little shy but then he held my hand and encouraged me to dance (what a blissful moment that was).

After somedays, he advised me to take Japa mala and do chanting with him but being a lazy stupid fool, it was difficult for me to chant one round, then every Sunday I used to go with him for classes and association with devotees made it easy for me to chant and follow your instructions. But as soon as I left the devotees association again I got trapped by Maya. Some of my friends criticized me, But as the days passed by I visited the temple more and more and started engaging myself in different services of the lord.

That time I loved a girl, and whatever feeling I have for that girl I used to share with him, he used to listen and tell me that you are under Maya. On her birthday, I planned to give her a gift, by knowing this he said that you should give a Bhagavad-gita to her. As per his suggestion, I gifted her Bhagavad-gita along with some material things. Later I realized that why he told me so (you are under Maya), as she fell for another boy and I got emotionally unstable. But dear Srila Prabhupada, the association of devotees saved me from that condition of my life. My love increased for Krishana and his devotees.

I turned into a vegetarian by eating Krishan prasadam, then I have taken part in book distribution conducted every Sunday by the temple and do Ekadashi Vrata. But I was not free from intoxication whenever I associate with some friends who take toxins, I will lose my self-control and take toxins along with them, but now my dear Srila Prabhupada by Krishna's and your mercy I am completely freed from that. From then I realized how beneficial it is to completely open oneself in front of a devotee or guru.

I am very much thankful to you Srila Prabhupada, your teachings and instructions saved my life from misery, as you sent your beloved disciples to me to give a chance to this poor soul to save myself from this miserable condition. Again before I fall down completely you saved me by providing devotees association and fulfil one of my desire to worship Krishna (in the FOLK hostel). Thanks to Krishna and you for giving me the intelligence to change my outside hostel to FOLK (HYD). There I realized "wherever you go you will find the same love, same belongingness if Krishna is the centre for all" I found that love, that delicious Krishna Prasadam, the association of devotees and same mellows of kirtan there. Again my life comes to the track.

My dear Srila Prabhupada, I am feeling fortunate enough because I get a chance to write this. Please guide me to become a pure devotee of Krishna and give me strength and bless me so that I can chant 16 rounds daily and take your movement further by spreading Krishna consciousness to everyone I meet throughout my life.

Your humble servant,

Bhakta Alok Nayak.

Respected Srila Prabhupada,

Sadar Charan Sparsh,

*om ajnana-timirandhasya jnananjana-salakaya*

*cakshur unmilitam yena tasmai sri-gurave namah*

Last year in September 2019, I started reading Bhagavad Gita and got a privilege to be part of a group where I chant Hare Krishna Mantra and read Bhagavad Gita. When I started on this journey, I was really not sure that what is going on but as they say that we should start something with faith and things will fall in place so I started this journey and continued the same. After many months, I was amazed to see the ocean of knowledge that is there in Bhagavad Gita and that transformed my life. I got a lot of clarity in life, reduced my anxiety, able to control my sense a bit, control my urges, increased my focus, concentration improved, and experienced many attributes that are beyond words. This life transformation came because of the details that I have gone through in the purport which is enlightened by you in the devotional service of the lord.

So actually, I was really living in dark and my life transformation happened because of your teachings, guidance along with the causeless mercy of Supreme Personality of Godhead Sri Krishna.

All glories to you Srila Prabhupada and I offer my humble obeisance to you for presenting such an invaluable gift to humanity and mankind.

I am still on the same journey and the process of purifying the mind and heart is on through the process of chanting, readings and practising the teaching. I beg Lord Krishna to keep me always under the shelter of your divine lotus feet at all times.

Trying to be your servant, Bhakta Amit Kumar Gupta.

Dear Srila Prabhupada,

Please accept my humble obeisances unto the dust of your lotus feet and all glories to your Divine Grace. I am happy to submit to you that all the members of my family are Lord Krishna's devotees. My daughter Smt Thatikonda Pranavalatha got initiated as Champakalatha Devi Dasi. My wife Smt Gourisetty Varalaxmi, daughter-in-law, Haritha Venugopal and son Gourisetty Venugopal are actively participating in chanting and reading Krishna conscious books written by you. Since the last two months, I am chanting nine rounds and enjoying. I will concentrate and do sixteen rounds from coming to Ganesh Chaturthi, on my 80th birthday. I am feeling very happy as I am away from worldly things. "Akshaya Patra" is a stupendous job being implemented by ISKCON meticulously and it is a boon to the poor and needy. They get exposed to Krishna consciousness movement by honouring Prasadam. It is a golden opportunity for us to visit the Golden temple and worship Lord Krishna.

First of all, I pay my obeisance to Guru Srila Prabhupada, because of his mercy we follow the path of spirituality and know the absolute truth.

Guru is the only person who enlightens us from the darkness. Because of his mercy, we get to know about the real knowledge.

I have read the books of Prabhupada and his philosophy, it's very practical and very relatable to life. He explains every point with the proper analogy makes us analyze it more. Prabhupada's philosophy is so practical and realistic that even a common man like me can accept that and apply it to real life.

Because of his mercy, I took up Krishna Consciousness seriously and able to chant the holy name. Because of his mercy I able to know the importance of human life. Because of his mercy, I'm able to distinguish between good and bad.

With the association of devotees, I get the nectar of Bhagavad Gita knowledge. I always remain indebted to your endeavor of delivering the knowledge for mankind and for the betterment of society.

Before I came in contact with Hare Krishna movement, I was very much interest in Jnana, Karma and Raja yogas but once started reading Your books, I started realizing the power of Bhakti Yoga and could understand all other 3 Yogas will eventually lead us to Bhakti yoga, which is the best and easiest path in this age of Kali.

I don't remember how many times I thought of while chanting that if You would have not established the Hare Krishna Movement, how could I find the path of going Back to Godhead.

I offer my respectful obeisances unto Your Lotus Feet to guide and bless me to progress in Krishna Consciousness.

Let me always be grateful to Your Divine Grace and eternally remember Your instructions.

Dear Gurudeva,

Please accept my humble obeisance,

All glories to Srila Prabhupada, on this auspicious day of your appearance.

I immediately remember your chastising words rascal and fool, whenever I see your picture or hear your voice. For the first time in my life, I felt so accepting when someone scolded me and obviously it's you. The power in your voice has put a deep impact on my ears and heart to such an extent that my ears have been reserved only for your preaching and audio recordings.

You are the only person in my life whom I respect the most and it can never be replaced. The qualities you exhibited are always amazing to me. I have never encountered a person who has strictly followed on whatever he spoke. 'Walk the Talk' is the first quote that attracted me towards you and 'Choose your spiritual Master with your ears, not with your eyes' will be remembered by me always. The very thought that what if I fall down and forget you will send shivers in my spine.

I always feel very emotional whenever I hear your voice. There are many instances where I felt like, 'let me leave this body simply by hearing Prabhupada's voice'. Your position in my heart is irreplaceable and I always pray to Krishna on giving chance to associate with you, serve your lotus feet eternally.

Please accept me as your disciple and excuse my offenses committed.

All glories to you Gurudeva!

Aspiring to be your servant,

When Sri Prahlada Maharaja was asked to pacify the Lord Narasimha deva by the all-powerful demigods then Prahlada Maharaja replied as "If the all qualified demigods could not pacify the all-powerful Lord by the extraordinary prayers offered by them". Then what to speak of me? I am not at all qualified. I am an insignificant wretched soul loitering in this material world simply for the sake of gratifying the senses, body and which are related to it since they are all temporary consequently they are all illusion and surely destined to be eaten by the street dogs.

Dear Prabhupada, it is because only out of your causeless mercy you have chosen me as your disciple, I am eternally obliged to you what I can give you except to follow in your instructions. Prabhupada, just like the fire in the forest can not be distinguished by any amount of human efforts (artificial) whereas it can be distinguished by the mercy of the almighty in the form of clouds. Similarly, the blazing fire in the heart that arises due to the friction of lust, greed can not be distinguished by the karmakanda(ritualistic activities), jnanakanda(mental speculation).

My heart can be freed of anarthas(material desires) only through the causeless mercy of the Lord in the form of a pure devotee like yourself. Since a pure devotee like you give a glimpse of bhakti-yoga i.e devotional service. I am offering a respectful obeisance to you. Dear Srila Prabhupada please be merciful upon me and place me as one of the atoms in the dust of your lotus feet so that I may not fall down to the darkest region of this material world.

Dear Srila Prabhupada.

Please accept my humble obeisances at Your Divine lotus feet.

All glories to you on this most auspicious appearance day of your Vyasa-puja.

I would like to thank You from the bottom of my heart for accepting a fallen soul like me as your servant and giving me the shelter of your lotus feet. Please be with me and show me the right direction. Please forgive the mistakes that I have made so far.

I am very fortunate to touch some of your books, which is giving us a direction towards the ultimate goal of our life by using this simple formula "HARE KRISHNA HARE KRISHNA KRISHNA KRISHNA HARE HARE HARE RAMA HARE RAMA RAMA RAMA HARE HARE" in this Kaliyuga to teach us to be in Vaikuntha. I was very fortunate to get this spiritual knowledge by your disciples through ISKCON.

Chanting Hare Krishna Mahamantra, reading Bhagavad-Gita, having Prasadam, and attending Mangal-Aarti is the way to purify us in this Maya world. I am requesting you to please give me the strength to continue this in my life along with my family.

Please show your mercy on me so that I can indulge in service and magnificent knowledge.

With Your blessings, I would like to continue my spiritual life.

Thank You so much Srila Prabhupada, for your appearance in our life.

Dear Srila Prabhupada,

Please accept my humble obeisances, All glories to Srila Prabhupada, All glories to you on this auspicious day of your Vyasapuja. On the 124th appearance day of Most Venerable Srila Prabhupada, I offer my humble obeisances. It is famously stated, 'My Life is My Message', in accordance with this, I personally see a congeniality between Your life and Your message...As a student of Political Science, I consider you and your approach as the most pertinent form of deterrence in the Modern era. I am particularly inspired by your work in the whole world especially in the Soviet Union. You espoused and brought to the fore the ancient Indian wisdom and message of spirituality in a world that was Polarized on ideological lines. Both ideologies were contestation of materialism, Srila Prabhupad you brought to the fore a mediation between this contestation through offering the most important alternative of spiritualism, which appropriated freedom, happiness, liberty, discipline, consciousness, order and renunciation. These values truly represent a confluence of two polarized ideologies of the time. Gandhiji also espoused the same through Swaraj, but I would say you helped us attain the real Swaraj in Krishna Consciousness.

Moreover, we have notions of Globalization, your movement truly testifies a wave of globalization, like the Chakra of Vishnu, encircling the world and bringing the world together through Krishna Consciousness. You taught a generation of Indians and continues to inspire the same, to dream and to dream beyond the boundaries of imagination. You epitomised the true spirit of transcendentalism. In a world that is today facing one of the grimmest crisis, the Hare Krishna Mantra has served as a reliever from the consequential suffering, I have to confess that at the peak of the Covid Lockdown, I felt better chanting the Hare Krishna Mantra. May I also highlight that your ideas inspired a set of collectives globally, which have been embarking on the idea of Fraternity and Tolerance. In a world today which finds itself in strife, the Hare Krishna movement truly is a way forward for establishing a true fraternity of universal compassion, kindness and service. I also thank your organization and the devotees for the opportunity to offer my humble obeisances. Begging to remain under the shelter of your lotus feet at all times.

Your Humble Servant,  
Bhakta Dr. Arnav Keyur Anjaria.

Dear prabhupada,

Please accept my humble obeisances. All glories on your vyasa-puja.

All glories to the great spirit soul and dearest master his divine grace a.c bhakti vedanta swami srila prabhupada ji, respectful obeisances unto your lotus feet.

Your movement of iskcon is all wonderful and joyful. Every aspect of our movement is providing easy routes to the spiritual world. I, before coming to our movement was thinking “spirituality means accepting the god as supreme and offering prayers, *prasadam* and gifts to him just to fulfill our material desires and needs, even may be forcefully.” But when I started my journey in this movement, I actually could know the real meaning of spirituality. I understand spirituality as “loving the supreme soul and to be contact with him, to be happy always”.

Your movement of chanting lord’s names, taking *prasadam*, performing bhajans and attending aarathi is all easy to follow and helpful to reach back to godhead which is the ultimate purpose of the life.

I am fortunate to find the association of our sincere devotees and to progress in spirituality day by day. I seek your golden blessings upon me to progress more and more in krishna consciousness so that maya won't work on me. Thank you so much prabhupada. Hare krishna. ,

हरे कृष्णा श्रील प्रभुपाद जी,

आपके श्री चरणों में सादर प्रणाम करता हूँ, कृपया आप मेरा प्रणाम स्वीकार करें। प्रभु आपका जीवन एवं भगवान श्री कृष्ण के प्रति आपकी भक्ति सदैव वंदनीय, प्रेरणादायक एवं इस भयंकर कलि काल में भवसागर में फँसे हुए बद्ध जीवों के लिए नौका के समान है भगवान श्री कृष्ण ने आप ही के निमित्त इस जन्म-मरण के चक्र से मुक्त करने वाले कृष्ण नाम को जन-जन तक पहुँचाया है, आपके द्वारा कृत श्रीमद्भागवतगीता एवं श्रीमद् भागवत् के अनुवाद से भगवान श्री कृष्ण की लीलाओं को समझना तो जैसे गाय के खुर के गड्ढे को पार करने जैसा सरल हो गया है। जिस प्रकार मरूभूमि में कृषि कर अन्न उत्पन्न करना असम्भव दिखाई पड़ता है ठीक वैसे ही वैदिक संस्कृति से विहीन पश्चिमी देशों में जाकर आपने हरि नाम रूपी प्रसाद को बाँटने जैसे असम्भव दिख रहे कार्य को नाम प्रभु (हरे कृष्ण महामंत्र) के साथ बहुत ही सरलता से कर दिया। हे गुरुदेव, हे श्री कृष्ण के कमलरूपी चरणों के नित्य सेवक आपको बारम्बार नमस्कार है।

हे प्रभु, आपको मैं भला दे ही क्या सकता हूँ, भगवान श्री कृष्ण की कृपा से आप सर्वसमर्थ जान पड़ते हैं, आपके लिए कुछ भी असाध्य नहीं है, क्योंकि जिसने श्री कृष्ण को पा लिया हो उसने सब कुछ पा लिया, उसके आगे पाने को और कुछ रह ही क्या जाता है। आपकी मानव जाति पर कृपा की महिमा थोड़े शब्दों में पूर्ण नहीं हो सकती फिर भी आपकी और भगवान श्री कृष्ण की कृपा से, मैं अपनी इस अशुद्ध जिह्वा और मंद बुद्धि से आपकी थोड़ी महिमा कहने का कुछ प्रयास कर पाया हूँ इसे कृपा कर स्वीकार करें हे गुरुदेव, आशीर्वाद दें की भगवान श्रीकृष्ण के कमल चरणों में मेरा मन सदा लगा रहे। खाते-पीते, घूमते तथा अन्य कोई भी कार्य करते हुए मेरा मन सदैव भगवत् नाम स्मरण में लगा रहे। आप मुझे भगवान श्रीकृष्ण की अविचल भक्ति एवं वैष्णव सेवा कर सकूँ ऐसा आशीर्वाद प्रदान करें।

*Om ajnana timirandasya jnananjala shalakaya

Dear Srila Prabhupada,

I offer my respectful obeisances unto your lotus feet

All glories to srilaPrabhupada.

You are the ocean of mercy who has also bestowed mercy on a sin personified creature like me.

You created the temples i.e. “the spiritual institutions” which are like the Sun and Moon simultaneously. They are like the sun because, they keep the Jiva close to Krishna (i.e. the sun) and drives away from Maya (i.e. darkness ), and drive them from darkness of ignorance to the light of knowledge

They are like the moon because they give light to a jiva in this dark material world so that they can move on the correct path they give soothing experience to a devotee where he can perform spiritual activities viz. Attending Mangala arati, take Krishna Prasadam, Chant Hare Krishna, attend kirtan, hear Bhagavatam class. All these “angas’ of devotional service are like nectar to the soul.

Temples provide the most important thing to soul i.e. Sadhu Sanga which is the essence of the shastra –“sadhu sanga sadhu sanga sarva shastra kohe , lav matra sadhu sanga sarva siddhhi hoye”

By your mercy, I'm chanting hare Krishna maha-mantra and reading books. By worshiping you I'm able to chant holy name and get the love for Sri Sri Radha Krishna Chandra. This is my practical experience. I pray at your lotus feet to become your humble servant and devotee of Radhakrishna.

Your humble servant,

Bhakta Ashok.

Dear Srila Prabhupada,

Please accept my humble obeisances.

In my spiritual journey, I was connected with many groups like Art of Living, Sadhguru, Sivananda Paramahansa and etc. But everybody asks to find peace inside. The first time when I read Your Self Realization Book, you said as this world is Dhukalaya. So I understood we can't find inner peace in this world. And as per You, the only solution for real happiness is, we should try to escape from this world. All other movements are teaching to find peace for this life only. But You introduced a concept of eternal peace. So I thought, why I am trying to find peace for this one life instead of eternal. Also, the things You are offering are incomparable with others, which is bliss and liberation, which is no other gurus thought of. Those gurus are teaching a way of relaxing mind is the topmost target of life, thus we achieve mental and physical health. I understood from you that this is not the target of life. Then I stopped all my search then decided to start Krishna Consciousness. Comparing other gurus with You is like comparing ant and elephant.

In older years, kings of big kingdoms will spend a lot of money to build a temple. If they are God-consciousness they will build one temple in their lifetime. But You built 108 temples in just 10 years, not only in India but also in other countries. This is a record-breaking of all previous yugas. Also, 108 Lord Krishna's incarnations descended to the vigraha's of 108 temples by the mercy of Lord Krishna to You.

In the last 1000 years of history, so many countries like Mughals, Sultans, and English peoples tried to capture India, thus they first targeted to destroy our Spiritual systems. You also mentioned this. There is history that those peoples destroyed

our big and famous Hindu temples and our acharyas of those times lived a hidden life to survive from them. But in just 10 years, You traveled to all countries in the entire world as a single person, preached about Lord Krishna Consciousness and built Krishna temples all over the world. This is a good answer from you to the world that the Indian Spiritual system is Eternal and it cannot be destroyed since it is created by Krishna himself.

In this kali yuga, peoples have misconceptions about Spirituality and trying to grow their religion by using weapons as money and terrorism. One religion is paying money if one is converting to their religion. But You took books as a weapon and speaking Eternal Truth through Your books to lakhs and lakhs of peoples in the world to preach Krishna Consciousness. People's minds are changing automatically without any force by your words.

I am very happy and humbly thank You for keeping myself as a member of the Hare Krishna Movement. The struggles you took to make this movement, I pray to Lord Krishna, at least 0.1% to 1% of your struggle I should take to grow this movement. I put all my efforts to learn Krishna Consciousness in all aspects, by reading all Scriptures and Your books. Then, I would like to become a good preacher of Krishna Consciousness to change peoples from misery to bliss. Also, I would like to live my life as an example Vaishnava by following all principles. At most, I will try to reach a pure devotee position in this very life by mercy of Lord Krishna and Your Divine Grace. Jai Prabhupada, Jai Krishna.

Your humble servant,  
Bhakta Ashok Kumar.

Dear Srila Prabhupada,

Please accept my most humble obeisances unto your divine lotus feet.

First of all, I am a very junior and one of your new disciples. I was introduced to you, the ISKCON, and the Krishna consciousness by my teacher, G. Sahith. Before this, I had heard of many spiritual masters. But when I was introduced to Krishna consciousness, I realized that gaining spiritual knowledge and coming close to the Supreme Personality of Godhead can only be done by surrendering oneself to a spiritual master from one of the four sampradayas. All other spiritual masters outside the sampradayas are not authorized since they do not have any idea what the Supreme Personality of the Godhead himself spoke while giving spiritual knowledge.

Sampradayas are the only authentic institutions through which we can learn the actual knowledge that was spoken by the Supreme Personality of the Godhead. Therefore, I am very grateful to you for working so hard, to spread Krishna consciousness across the world. Your Divine Grace, you are the only reason that the whole world now knows how great is Lord Krishna, and what is Krishna consciousness. I am thankful to you that I have started my journey on the spiritual path. Since I have started chanting the Hare Krishna maha-mantra, I have seen changes happening within me, both in my mind

and my soul. I have surrendered all my miseries and happiness to Lord Sri Krishna. I have only one humble request to you, please keep me under your shelter and not let me move an inch away.

Thanking you.

Your servant,

Bhakta Ashutosh Mishra.

Dear Srila Prabhupada,

*om ajnana-timirandhasya jnananjana-salakaya  
cakshur unmilitam yena tasmai sri-gurave namah*

*“I offer my respectful obeisances unto my spiritual master, who has opened my eyes, which were blinded by the darkness of ignorance, with the torchlight of knowledge.”*

Please accept my humble obeisances!

All unlimited glories to you!!

You are the true dispeller of darkness even to lowest fools like me and Your Patita Pavana causeless mercy is absolutely glorious in all worlds as there is no one in this world who is more fallen and needs more mercy than me. You gave mercy of your association in various ways.

The world is now witnessing Coronavirus Pandemic and it is continuing its spread across the *world*, with more than 11 million confirmed cases. But you proved by your transcendental actions that the Hare Krishna Movement is a bigger epidemic. “Our movement is an epidemic. It will devour the whole of Europe and America “- (Srila Prabhupada Letter to Harikesa, Bhubaneswar, 1 February 1977).

You already predicted all these which are happening now and guided us to become self-sufficient with lands, cows, and farm communities, please make me in that part of the transformation. Every day, people are losing jobs and income, with no way of knowing when normality will return. This defenestration seems necessary for the golden age to begin full force even though it's getting tough to survive for many and we are waiting for that period where preaching would be very good as people become humble when they lose everything. Please give your blessing, causeless mercy more and more, and make me fortunate to receive that downpour and be part of your legacy which will be carried on after this with much better circumstances where Hare Krishna movement is the only authentic succession that remains after this.

My sincere gratitude to the benediction of all the Soulful Japa sessions from your disciple HG Madhu Pandit Prabhu for giving us the valuable treasure of Japa guidance and it the only solace that has provided me the strength in these critical times at home struggling without the association of devotees and I'm very grateful to all the online associations organized by your disciples and their sincere efforts in your service of digital preaching guided by you, are highly laudable and commendable. They are like an Oasis of Hope for me who is in the desert of desperation. Your books are only torchbearers for me now and I'm more dependent on that for your association, I hanker after preaching the glories of the lord that broadcasted through your books which were dictated by Krishna personally to you, I beseech you, dear Srila Prabhupada, to please bless me to become your favorite preacher and satisfy you. Also please get me out of the health issues so that I can progress in executing your instructions sincerely and efficiently. I'm still in the tribulation of being racked with pain with no clarity of vision and goal of my future, please resolve, release the knots of materials attachments and entanglements, help me in transfer the same attachment to serve you and all devotees which opens the door of liberation. Give me the hope of light & strength to always serve your mission and associate with devotees. I sincerely regret for not able to satisfy the devotees guiding me and forgive me for the offenses towards them. Aspiring for that day where your transcendental services

are my life and soul and I beg for your mercy by which all my thoughts, speech, and the actions are completely dedicated to you and Krishna alone!!!

Your most fallen servant,

Bhakta Bala Ganesh.

Dear Srila Prabhupada!

Please accept my humble obeisances.

The first time in 2018 the festival of "SREE RAMA NAVAMI" with my family we went to your temple at Banjara hills. Attended pooja, there were 'Sri Seetha Rama' kirtans going on so nicely and we also took part, they did beautiful decorations and Prasadam was very tasty. We were coming to the temple for most of the festivals, events, etc. Really, they celebrate so grandly with beautiful decorations with flowers, fruits, etc.

I really love the temple, because I and my family like "His Grace Satya Gaura Chandra Prabhu" pravachan, we also like Hare Krishna Hare Rama bhajans and dance so much. "Sri Sri Laxmi Narasimha Swamy" darshanam, pooja, and songs are amazing. The Lordships Sri Sri Radha Krishna decoration is very beautiful. On my 2nd daughter Shravani's birthday we got special darshanam, we were so happy on that day. In, 2019 "Krishna Janmashtami" my both daughters Shruthi and Shravani dressed up as Radha Krishna and acted on stage, they received the best prize from His grace Satya Gaura Chandra Prabhu. Whenever we go to the temple our mind gets relax. When we went to the temple it was so beautiful with gardens, trees, hills, rocks, waterfall very beautiful.

When we started coming to the temple we learned many things like chanting HARE KRISHNA maha-mantra, discipline and systematic lifestyle. This is a Golden opportunity in my life. I and my family are very grateful to your disciples. Because of your mercy, we are able to take Lord Krishna's Nama, Lord Krishna's Prasadam, and Lord Krishna's pastimes. Please make me chant 16 rounds daily and engage our entire family in the Lordship's service eternally under your direction and shelter.

Your Servant, Bhakta Basava Raju Silamgari.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to you on this most auspicious appearance day of Your Divine Grace.

Prabhupad, I am very thankful to you for your hard work to spread Krishna Consciousness all over the World. At the age of 70, following the principles of your spiritual master, with a renounced order of life, you started the Movement in the hippy culture of western countries is not at all a small thing. And you worked day and night relentlessly to awake the people from the misery and illusion by writing Bhagavad-Gita, Srimad Bhagavatam, and other related books in various languages, constructing 108 auspicious temples all over the World, reviving our Sanatana Dharma through gurukuls, and the list is endless.

I am very happy to say that I came in touch with the great kingdom - ISKCON you have created. I joined FOLK(Friends of Lord Krishna) by hearing the spiritual classes where I had a good experience in following the devotional life i.e. early morning Mangala aarti, chanting Hari Nama, listening to your lectures, honouring prasadam and so many. I saw many many changes in my life by attending the festivals in the temple and participating in devotional trips and listening to lectures.

I humbly beg you to shower your blessings on me to make me an instrument in serving your mission and also to follow the regulative principles throughout my life. And please forgive my offenses and give me the intelligence to carry out your orders under the protection of your divine movement in the association of your sincere devotees.

Your humble servant,

Bhakta Bharath Sai Ram Kumar K.

Dear Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet. All glories to you on this most auspicious appearance day of your divine grace.

As the representative of Srila Vyasadeva, you have lucidly explained the original teachings of Srila Vyasadeva in your Bhaktivedanta purports for the benefit of all conditioned souls. Your purports make the most difficult philosophy easy to understand even for the common man.

Prabhupada due to your lectures on Bhagavad Gita and Srimad Bhagavatam, this poor soul has traveled from darkness to light. By Your Mercy I got to know about the Supreme Personality of Godhead KRISHNA and what is my relationship with him. Especially at this critical time of Kaliyuga, you are really my savior. Though I approached many spiritual persons previously, you have shown the path of Sri Chaitanya Mahaprabhu Sankirtana Yagna, which will remove all kinds of contaminations by your mercy. I'm reading Bhagavad Gita and listening about the glories of the Lord. By your mercy, I've got the various service activities, especially the book distribution program, Sankirtana, preaching, Prasadam distribution, etc. though I'm facing some difficulties in engaging in your service due to the Maya effect, still please show upon me Mercy and give me the strength in doing service of Lord Gauranga.

Begging to remain under the shelter of your lotus feet at all times and aspiring to be a servant.

Your Eternal Servant,

Bhakta Bhaskar.

Dear Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet.

All glories to Srila Prabhupada.

All glories to you on this auspicious day of your Vyasa-puja.

By your kind mercy and blessings, I got a chance to start my spiritual life. Because of you, I got to know the real goal of our life. You enlightened our life that we have to work for Krishna consciousness rather than satisfying our material desires and senses. Initially, I was confused and couldn't relate and make difference between the material world and spiritual world but I used to feel very good every time I visit ISKCON Bangalore temple and by constant Hare Krishna mantra chanting and service, I came out of confusion and realized that our life goal is self-realization and that is Krishna consciousness. Prabhupada you have done unlimited hard work selflessly that we can't even imagine, only for the welfare of all fallen souls in this world and built 108 ISKCON temples and gradually it increasing by your disciples and we will be always thankful to you. As I am a less intelligent person, please always forgive me if I have done any mistake and now I have to go long way and to do a lot of things in my spiritual journey of Krishna consciousness, kindly always keep your blessings on me. I feel a lot of positive change in my personality by constant chanting of hare Krishna mantra.

When I was in Bangalore, my health got ruined I thought I will die and at that time I narrated my story to my Folk Guides of ISKCON Bangalore and they told me that proverb I still remember *rākhe kṛṣṇa māre ke, māre kṛṣṇa rākhe ke*. They guided me to do chanting nicely and because of chanting and Lord Krishna's kind mercy I somehow came in contact with a person who heals this problem and then I cured and now I am healthy. After that incident, my chanting and faith in God increased. So now I am chanting 16 rounds per day. Now I shifted to my hometown Hyderabad. Now everything is going well.

I'm begging you to always keep your blessing upon me and to stay under your lotus feet so that I can always follow and stay in your spiritual steps and directions.

Your Eternal Servant,  
Bhakta Biswajit Sarkar.

Dear Srila Prabhupada,

Please accept my humble obeisances.

Oh, Prabhupada! Divine Grace, ocean of good qualities, You are the great devotee of Supreme Lord Krishna. You translated Bhagavad-gita book for the people who are filled with the darkness of ignorance, like us. Through your divine books, you gave us the light of knowledge. One of the great quality which inspired me the most, is your confidence. You went to western countries for preaching Krishna Consciousness, without having enough money in your hand. And you made them chant Hare Krishna mahamantra. And in those days people in western countries are suffering from drug addiction, drinking alcohol, etc. You made them very nice devotees of Lord Krishna.

Good Learnings,

I learned good things from you Prabhupada like punctuality, dedication etc...Ex: The way you pray to Lord Krishna to spread his instructions without any self motives.

Realization,

I want to join in your mission to preach this Krishna Consciousness and distribute Hare Krishna Maha Mantra. I can feel energized, while chanting maha mantra. And now onwards I request all people to chant Hare Krishna maha mantra.

Please shower your mercy and keep me at Your lotus feet.

## Bhakta Chiluveru Kalyana Chakravarthy

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to your Divine Grace. I learned in my childhood that, the duty of parents is to "help his children find a Guru. And the duty of Guru is to help his disciples find God". Our modern education system failed in doing so. The so-called Gurus have engaged students to struggle in a materialistic world. It is gift from Lord Krishna himself for the world. Acharya Srila Prabhupada, you are a torchbearer and a true Spiritual Master. Following your preaching and experiences are surely the way to the Supreme Personality of Godhead and is the only way to heal the suffering from endless birth and death circles.

Your Servant,

Bhakta Chiluveru Kalyana chakravarthy.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to you. I am always very thankful to you and your mission. I got too much benefit from you and your mission, Hare Krishna movement, Hyderabad. I always wondered how you have written so many books and preaching. It is an extraordinary thing, some magic you have, I believe you are Lord Krishna's empowered incarnation as a great devotee. I got inspired by your determination towards Lord Krishna's service in critical situations like 2 times you suffered a heart attack on the ship while travelling to western countries to spread Krishna consciousness. You haven't received any help in our own country from either government or public, the wife also not supported but you never lost your confidence. You are a very very great Prabhupada. I never fear about future or death, having peace of mind only because of you, and always getting the motivation to grow in spirituality with your association and your disciples. I am unable to follow sincerely the rules and regulations. Some days I am not able to chant 16 rounds Hare Krishna maha-mantra, and not able to do Mindful Japa. Many unnecessary thoughts coming while chanting, I know it is not good chanting but I am unable to control my thoughts. Please forgive me and requesting you to please give me the strength to do consistently distinct chanting and hearing and participate in your mission, in services and to reach Soulful Japa to experience the taste of the holy name.

Every day after your darshan, I get the motivation to do something, improvement in my sadhana, but last year I didn't progress in sadhana much. My goal is to strictly chant 16 rounds regularly in the morning before 7 AM but I am not reaching my goal. I will strictly follow this year. I believe chanting helps in advancing in our spiritual practices. I can definitely reach by your uncountable mercy, please help me in my spiritual progress. I am unable to pay attention always towards Lord Krishna's save. Please give me that taste to make strong faith in Lord Krishna as you can only give this. Please forgive me if I did any wrong. My humble Dandavath pranamas. Thank you very much, Prabhupada.

Your Servant,

Bhakta Damodara Rao.

నా జీవితంలో భగవద్ధర్మము మాసపత్రిక ప్రభావము,

1975లో నేను పనిమీద ఒంగోలు పట్టణమునకు వెళ్ళితిని అక్కడ ఒక విదేశీ భక్తుడు భగవద్ధర్మన్ మాసపత్రికను అమ్ముచూ శ్రీకృష్ణ భక్తిని ప్రచారం చేయుచుండెను. నేను ఒక పత్రికను తెలుగులో ముద్రించినది మూడు రూపాయలకు కొని ఇంటికి తీసుకువచ్చాను.

అంతవరకు నాకు శ్రీ చైతన్య మహా ప్రభువు గురించి తెలియదు. నేను అసలు ఆ పేరును కూడా వినియుండలేదు. ఆ రాత్రి మాసపత్రికను చూచుచుండగా మధ్య పేజీలో శ్రీ కృష్ణ చైతన్య మహా ప్రభువు తనచేతులు పైకి ఎత్తి నృత్యము చేయుచున్న ఫోటో కనబడెను, ఫోటో క్రింద భజన వ్రాయబడి ఉంది ఆ ఫోటో మరియు ఆ శ్లోకం నా మనసులో ఒక విధమైన భక్తి భావమును కలుగజేసెను.

Dear Srila Prabhupada,

All Glories to Jagad Guru His Divine Grace Srila Prabhupada. Hare Krishna!

On this Holiest day, I miss you my Spiritual Master a lot because my detachment to your Lotus Feet has made me suffer in every possible way by Maya Devi. I can never forget the day when you mercifully picked me up from the rotting hellish material world to provide me shelter at your all-powerful Lotus feet and Shelter to provide the most powerful tool Hare Krishna Mahamantra and also introduced me to all-merciful and nectarine Krishna Prema Pradayaka - Sri Sri Chaitanya Mahaprabhu and his dear most Brother Lord Sri Nityananda Prabhu. As time passed I have engaged myself in the family making, doing daily duty like Karmis and eventually forgot my eternal duty to serve The Lotus Feet of Your Divine Grace, Hare Krishna Maha-Mantra, Sri Sri Nitai Gouranga and Their Lordships Sri Sri Radha Govindadevji. Now, I still feel lucky and that I am still in Lord Sri Krishna's Protection as Vaishnavas, your disciples are still taking nice care of me by providing me daily guidance and guidance for chanting the Holy names.

Today, I beg Srila Prabhupada to again bring me back to your Lotus Feet and engage me in your service and keep me under the able guidance of your disciples to chant the Holy names nicely as Lord Sri Sri Chaitanya Mahaprabhu has recommended and engaged me in their Lordships Sri Sri Radha Govindadevji and their Lordships Sri Sri Lakshmi Narasimha Ji.

*Nama om Visnu-padaya krsna-presthaya

You are very dear to Lord Krishna on this earth, having taken shelter of the lotus feet of that ever-youthful, beautiful, transcendental Lord. You carried the glorious message of the munificent Lord Caitanya Mahaprabhu to a nation plagued with the leprosy of voidism and impersonalism, who brought an ageless message of the love of Godhead, He is the Founder-Acharya for Hare Krishna Movement. He is the only reason for everyone, to know the words "Hare Krishna" in mainstream culture. He produced more literature books, conversations, letters, records, and lectures. You opened more than one hundred temples all over the world. You went around the world 16 times. You created a monthly magazine, "Back to Godhead," which at one point was distributed in excess of one million copies per month. You gave lectures on Srimad-Bhagavatam and Bhagavad-gita As It Is, compiled into 18 volumes of books. All in the matter of 11 years' time. You began

at the age of 69, slept less than 4 hours a day. You were the only one ever recorded fainting while distributing His "Back To Godhead Magazine" before He came to America. Your writings are absolutely perfect in every way and do not need any adjustments whatsoever.

You constantly worked day and night in spreading Krishna consciousness and often moved His disciples around the world, managing everything perfectly. You always offer bhoga to Krishna and who derives great satisfaction in seeing his disciples eat Bhagavat-prasadam, the delicious mercy of the Lord. Before coming to Krishna consciousness my life is as a general living entity like eating, working, sleeping. Even I don't know what is the purpose of life, who am I, what is the purpose of life. I did so many bad things before coming to Krishna consciousness. But after joining Krishna consciousness I really feel what changed in my life, I left drinking, smoking, and meat-eating. After reading Prabhupada books I know who am I and what is the purpose of life. Daily I attended morning prayer and chanting and eating nice offered prasadam.

Bhakta Deepak Kumar.

All glories to my spiritual master, A.C. Bhaktivedanta Swami Srila Prabhupada,

Please accept my humble obeisance at Your Divine lotus feet. Srila Prabhupada, by your merciful glance, this insignificant soul has got a chance to begin the spiritual life and every day experiencing new realization in spirituality. By your mercy, I got to know that we didn't need this material happiness, life goes very fast. The duration of animation is countable (one year have only 52 weeks), even if we live 100-years, life goes very fast. Everybody in this material world is dying; an older woman is dying, a young man is dying. Everyone is approaching death. However, the devotees are approaching to one

destination called Krishna, whereas Karma is approaching to end. Devotees know that everything belongs to Krishna; everything is a play on which we are changing one character to another character. I came to see the difference between matter and spirit. In Bhagavad Gita, Lord Krishna says you cannot kill the soul; the soul is eternal and unchangeable. The soul has some purpose in this body; the use of soul is to reach Krishna. After understanding these things, I start involving in devotional activities.

In the initial phases of my devotional journey, most of the time, I feel very insecure about things.

But that time by Your mercy, I remembered that Lord Krishna says in the Bhagavad Gita that "*mokshaishyami ma shuchah*" means don't worry. Then rest all the thoughts goes away in my mind. Srila Prabhupada, by Your mercy and devotees association, there are many places where we can worship and practice Krishna consciousness like ISKCON temples and FOLK hostels (a place where we can balance the material duties and practice Krishna consciousness). I request You Prabhupada, please forgive my offences and give me the intelligence to carry out your orders under the protection of your divine movement in the association of your sincere devotees.

Aapka Charan Sewak,

Bhakta Dinesh Buswala.

Dear Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet. All glories to you on this most auspicious appearance day of your divine grace. Thank you so much dear Srila Prabhupada for coming down to earth to teach us the actual purpose of life, to go back to godhead. You have taught us about the importance of chanting the name of god and given us the Hare Krishna maha-mantra to chant which is the only means to reach Lord Krishna's lotus feet in this age of Kali. You have clearly simplified the teachings of Sanatana dharma and given the essence of all the ancient scriptures to the present generation which would not have been possible except for you. You have taught us the importance of a guru in a person's life. You have taught us how to control our senses and lead a life to please Krishna.

Dear Srila Prabhupada, please give me a drop of your love for Lord Krishna so that I can develop more taste for chanting and always think of Lord Krishna.

Begging to remain under the shelter of your lotus feet at all times and aspiring to be Servant.

Your Humble Servant,

Dear Srila Prabhupada,

Please accept my humble obeisances, All glories to Srila Prabhupada. All glories to you on this auspicious day of your Vyasa-puja. I came to the Hare Krishna Movement through a small card that was left on my bed. Although at that time I was not much interested but gradually I started coming every weekend and felt it is wonderful. I was deeply immersed in this material world and through your teachings, I came to know that if we turn our lives towards Krishna, we can come out of the sufferings of this material world and stay happy eternally in his Association. Although there are ups and downs in life still I have full faith in your instructions, we don't lose anything by taking up Krishna Consciousness because in this world we came empty hand and will also leave empty hand. Begging to remain under the shelter of your lotus feet at all times.

Your Servant,

Dear Srila Prabhupada My Guru Maharaj My Spiritual Master,

Please accept my humble obeisance. All glories to Srila Prabhupada. All glories to You on this auspicious day of Your Vyasa-puja." I was a normal human being deeply immersed in the material world. One day I came to know about Srila Prabhupada through a friend. From then I changed my perception about life and soul. Without teachings of Srila Prabhupada:- I could never know what is the material world and the spiritual world.

I could never know the why we offered human life and what is the purpose and what one can do to make our soul go Back to Godhead.

I was less anxious about material things than before as I came to know things are temporary here. This is a shortlist as Srila Prabhupada you have done tremendous things in a simple way which we can observe in a daily basis.

Your Humble Servant,

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet.

Blessed to say that it's been nearly 4 years that I have connected with ISKCON and Akshaya Patra. I am inspired by the motto of Akshayapatra that, 'No Child should stop studying because of hunger.' I remember the preachings from one of the ISKCON Gurus that when stomach bothers us, we can't focus on anything with our mind. That's the reason they serve meals to many schools. Really fortunate and blessed to be part of Akshaya Patra. Coming to my spiritual practice, right from my childhood I am asked to tell the mantra "*Krishna Na Bharamantha Needhey Hrudaya Nilaya Krishnarpanam*" while praying to Sun god by my maternal uncle. As many years passed, again I am reconnected to spiritual life by hearing from one of my family friends. This time I came to know many answers to very important questions within me like why to read *Bhagavad-gita* and chant regularly.

Once I started to read *Bhagavad-gita*, I came to know what is temporary and what is permanent in our lives and came to the conclusion that there are many demigods and only one Supreme Personality of Godhead i.e., *Krishna Paramatma*. The other most important thing is chanting Hare Krishna *Mantra*. Initially, I have thought of how it can change one's life. Once I started to chant seriously then I came to know the power and beauty of chanting Hare Krishna *Maha-mantra*. It has done miracles both in my personal and professional life.

*Hare Krishna Hare Krishna, Krishna Krishna Hare Hare, Hare Rama Hare Rama, Rama Rama Hare Hare*

Please accept my humble obeisances. All glories to Srila Prabhupada. All glories to you on this auspicious day of your Vyasa-puja. Prabhupada after your touch, I have got to know the real purpose and goal of my life. In this duration of Krishna consciousness life, I have gained a lot of knowledge it is because of your causeless mercy. With your touch, even the hippies are transformed into devotees and also they are spreading the Krishna consciousness movement with Hari Nama Sankirtana Yajna. Because of your causeless mercy, most of the fallen souls have got an opportunity to take Krishna consciousness and you are helping them to deliver from the most miserable condition of material life. Simply by following your instructions one can go back to godhead. By your personal life, you have shown and set an example to the whole world how to follow the guru's order even with great difficulties. By your causeless Mercy, Austerity, and Tapasya the whole world got the most valuable gift of Krishna consciousness. On this very auspicious day, I am begging to continue your causeless mercy on me and make me an instrument in your mission. My only desire is that I should not be deviated from Krishna consciousness because of Maya. please forgive my offences and provide me shelter under your lotus feet.

Dear Spiritual Master Srila Prabhupada,

Please accept my humble obeisances on the occasion of your 124th Vyasa-puja. All glories to Your Divine Grace. Gurudeva, you are such a humble master, who has accepted the fallen soul like me. Despite my struggle for material desires, you kept me intact in Krishna Consciousness. Srila Prabhupada, I am your aspiring disciple. You have opened my eyes with spiritual knowledge which I am sincerely trying to follow. I, therefore, pray for you to give me shelter at your lotus feet and facilitate me to serve the Supreme Personality Of Godhead, Lord Sri Krishna. Srila Prabhupada, I'm very weak in concentration, I want to overcome this, please give me the strength to overcome this. Srila Prabhupada, I need your mercy always upon me. I want to be in Krishna Consciousness. Please bless me. Parents gave us birth in this material world and we entrapped by Maya which only brings suffering.

Prabhupada, you gave us a real vision to differentiate between what is real and what is imaginary. Gurudeva, you gave us real purpose and hence saved us from sufferings. You are the real Guru who has given a pathway to the entire human race and given permanent armour to safeguard from Maya. You are a real mentor, who brings back our real identity. And you not only saved Indians from the course of material nature but also saved the entire world through your teachings. Srila Prabhupada, you are a great guru of this kali yuga and you are the one who can show the path for survival in the age of Kaliyuga. Srila Prabhupada, I pray to Your Divine Grace on this auspicious occasion of your appearance day to give me the required strength to preach Krishna Consciousness to more and more people. I want to humbly submit a request to bestow mercy on this fallen soul so that I can follow your preliminary instructions of chanting 16 rounds attentively, follow the four regulative principles, take association of devotees and regularly read your books. I beg for your mercy to always keep this fallen soul at your lotus feet because I do not have any other shelter.

Dear Srila Prabhupada,

Please accept my humble obeisances! It appears to me that it has been a very short time, that I came across your glory, where I found my true self and understanding of eternal God, which I felt earlier as blind faith. The vibrance which you manifested through chanting, temple, service, scriptures, speeches, etc are the torch bearers to show us light, to walk towards perfection by holding your hand. I can literally feel the emotional attachment with the life you gave us through folk hostels, loving parental care from Prabhus and fellow folk boys. It is the love you showered on us to improve ourselves at every point of our life. I have learned many things through the service activities and sessions at temple and hostel which enhanced my thought process with more purity that I ever had. You showed me the way of living a higher life with simple adoptions like prasadam where I found a difference in myself after changing my food habits. I am deeply indebted to you for the affectionate association you created for us where I hardly find anyone on this material world to show the human concern

on me without any expectations, unlike our loving Prabhus who are your followers, guide us and fellow folk boys on bringing Krishna Consciousness in every aspect of our lives.

You pointed out many mistakes that I have been doing in my life and gave many solutions to revive myself with your continuous teachings with the help of classes, association, and spiritual practices. I wish and pray to be your instrument, help me grow in Krishna Consciousness with your continuous blessings.

Your Servant,

Please accept my humble obeisance. All Glories to You on this auspicious day of your Vyasa-puja,

*Om ajnana timirandhasya jnanaanjana shalaakaaya*

*Chakshurun militam yena tasmai sri gurave namaha*

He who removes the darkness of ignorance of the blinded (un-enlightened) by applying the ointment (medicine) of (Spiritual) knowledge. He who opens the eyes, salutations unto that holy Guru. I have learned a lot of things from your teachings. How to lead a life, who is a God, who is devotee, the purpose of life, what to eat, etc. In this lockdown, I attended 21 days of lockdown challenge and Journey of Discovery course. Now I am continuing the *Bhagavad-gita* course in 21 days. I learned a few basic things in the first level, of course, the tasks given in 21 days challenge is very attractive. In the JSD course, I came to know the importance of the Lord's names and associations.

By this knowledge of *Bhagavad-gita* and *Bhagavatam*, one can easily handle life and cross over *bhavasagara*. Prabhupada, you have given a very easy way of chanting Hare Krishan *Maha-mantra*. By doing *japa*, *kirtana*, and eating *prasadam*. We can clean our hearts and get purified. Finally, I request you to always be in our Heart and give me the energy to follow 4 Regulative Principles, Nigraha shakti, Love towards Gods, and good association. Please protect from *Maya*.

Now I usually read Prabhupada's books, try to understand *Bhagavad-gita*, chanting, knowing about Krishna and his devotees and feel really that I am using my life properly. Dear Srila Prabhupada,

Please accept my humble obeisance's at your lotus feet. All glories to Srila Prabhupada, All glories to you on this auspicious day of your *Vyasa-puja*,

Today is a very auspicious day not only me but for the whole of humanity. The appearance of a pure devotee is a special gift descending from the Spiritual world. Before I came to touch with Krishna consciousness, there was some kind of depression or it's filled with darkness. But now it's totally changed, now life has become like before and after. Actually, I have to thank you Srila Prabhupada because you have started a movement like ISKCON. Prabhupada, you have come over here in the material world to show your causeless mercy upon the fallen souls.

My life in FOLK has been very much joyful. I thank you for everything that has happened so far. I find it really impressive about the changes that have come inside me in the past 3 years. Jaya Srila Prabhupada. Thank you.

Your Servant, Bhakta Gowtham Nani.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories and glories unto your Lotus feet.

I am thankful that I have you in my life. You have always been guiding me so that I progress in the path of self-realization little by little every day. By your mercy, in the last few months, I got a very favorable condition where I could chant 16 rounds and do around 45 min of book reading most of the days. Prabhupada, because of my inability, I could not do the

service. I am extremely sorry for that. I promise you that I will do the service once I get the required strength. That day is not very far. By your causeless mercy, life is going very smoothly. The ups and downs that I go through in my life are because of my inability to follow your instructions.

Please bless me Prabhupada, so that I can contribute very significantly to your movement and please yourself and senior devotees. Thank you for giving us so many books Prabhupada. When I read them, my heart fills with peace and enthusiasm. Ignorance in heart and mind is driven away. Life becomes easy and smooth. I never feel alone, even in the most difficult situation in my life. I always feel the presence of yourself and Lord in my life. I am deeply indebted to you, for the knowledge, intelligence, food, love, and care. Thank you, Prabhupada.

Your servant,

Bhakta Gurunath Reddy.

Dear Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet. All glories to Srila Prabhupada. All glories to you on this most auspicious appearance day of Your Divine Grace.

You took special care and made our life better. You made our sleeping soul into a great soul. You are our real Spiritual Guru and ever well-wisher. Whenever we are in trouble, we used to find solutions in *Bhagavad-gita*. You showed me the correct way and the spiritual path. I visited Mathura, Vrindavana, Pancha Dwaraka, and Somanath along with our Hare Krishna devotees and Prabhujis. I felt immense bliss and mercy. Please show me your mercy further so that we shall take Hare Krishna Movement forward worldwide. Always at Your service.

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet. All glories to your divine appearance day. I am fortunate to get in association with your teachings as you presented the sum and substance of Vedic teachings in your books through the disciplic succession. I had many questions in my life and search to get answers by reading many materialistic and so-called spiritual books. I read some of your books through the help of your devotees who took the pain and pleasure to travel all over from the temple to the Vedic science club - centre (Hyderabad). I was able to get most of the answers to the questions I had. So, your books had so much impact on my life. Because of your grace now I am able to chant 16 rounds daily and I beg you to pour your mercy on me to continue chanting throughout my life with love and devotion.

One more important aspect that drives towards the goal of love of Krishna is the devotee association. Because we are nothing as senses are always uncontrollable. By your devotee's association, we are able to get the tinge of the devotion of Krishna. Many times in my life I was able to feel the reciprocation of God by your mercy. Please bless me to remember you and Lord Krishna throughout my life to reach perfection. I thank you for continuously encouraging me to be a part of your Krishna conscious movement. Please shower your blessing on me to make my life perfect.

Your Humble Servant,

Bhakta Hanu Phani Ram.

Dear Srila Prabhupada,

All glories to you. Please accept my humble obeisance.

By your grace, this most fallen soul is able to continue his services under you and your sincere disciples this year. Guru Maharaja, please forgive this fallen soul for committing so many offenses at your lotus feet. I know, because of my deeds you're suffering a lot. My sincere apologies please forgive me. I know I'm not eligible to do your even very menial services. I know my chanting and other services that I am trying to do they will not take me to back to Godhead. Only your mercy can show me the way to Godhead. My sincere request is please show me your mercy just keeping me with you. Wherever you stay, even as your shoes no problem. Due to material diseases, I'm committing so many offenses and unable to follow your instructions. You can kick me, slap me, beat me with your stick whatever punishment you want to give I'm ready to accept but please don't throw me away, don't reject me.

This fallen rascal will become more and more crooked and core to material things, please help me to overcome this material disease. Recently, I heard so many pastimes related to my godbrothers who are your favorite disciples. I was enchanted by listening to them but at the same time, I felt jealousy. That I never got the opportunity to serve you personally. I remember your instructions regarding *Vani seva*. It convinces me somehow.

I never understand the relation between the Guru and disciple. But by seeing your constant care and guidance sometimes I'm unable to stop my tears. You know I'm out of the temple due to some reason. I know there is a mistake of mine but at the same time, there is the opposite side also. Whatever happened it was not intentional but its all plan of the *Maya*. Because of their activities Now I got punishment. I'm suffering a lot not due to lack of food and other basic needs but due to the separation of our Lord and my Godbrothers. When I am in the temple I feel so much protected very happy and very blissful. Now I was thrown out of the home. I sincerely beg you by holding your lotus feet please forgive me. Please accept me as your servant and please give me some opportunity to render service to your lotus feet and engage me under Lord services.

Among all the struggles I feel happier and that struggles are not effecting me mentally or emotionally. You know why because you're caring on me very nicely like caring for a newly born child. I'm so happy about it. All I want is you Prabhupada, not anything else. So many people around me are proud of their properties and even in our devotee community also there are many people who are looking for lakhs salary and other luxurious life. But I always hanker only for you and your matchless gifts. I feel very much proud in my heart that yes I had you in my heart along with your books. They are the priceless properties I use to feel that.

I'll beg you please uplift me from the current situation. I never want to cheat anyone, please help me solve the current problems. Give me one more chance to serve you again and again. That's only wishing which I'm begging for.

I never forget the moments of Sri Nityananda trayodashee where I never stopped my tears. Because the services I'm doing in front you was taken away and now I became a stranger to see the celebrations of the Lordships. Why you left me like this Prabhupada, why you left me like this on those days. Still, when I remember those situations I feel tears in my eyes. Why? Whatever services are assigned to me. I am trying to execute them sincerely, you threw me away from the temple. By your will only I came into the temple and render my services that moment I never asked you why me? now I am out of temple now I don't have right to ask again why? Cos I am a puppet in your hands. If you want me to face more problems I'll face, it's all your wish. I think you want to teach something very valuable. I ready to learn anything whatever you wish.

But, my only concern is please accept me as your disciple I'm begging, not because everyone is asking when is your initiation. seriously not for that purpose. But in this duration I am out of the temple from the past 8 months I can feel the illusionary energy on the outside. I am seriously scared and I am unable to withstand for sure. I want strong commitment through inside and outside in officially also. Please bless me with initiation I want to start spiritual life very strongly that might possible when you remove my past *vasanas* and other bad *karmas* them I can be stable in *bhakti*. Now it's like kite flying in the sky without thread. I'm afraid of the outside people like *mayavadis* and *sunyavadis* philosophy. I need a strong

base and authentication of yours. So that I can be able to withhold with our *parampara* more strongly. I want a tag on my neck as a dog has. I want to be your servant under your shelter which is like moon rays. Please kindly accept me as your disciple. I want to render services constantly and want to surrender to you fully. Please Prabhupada shows mercy on me. Please accept me as your disciple. Please. Hare Krishna.

Your ever most fallen servant,

Bhakta Harjun.

Dear Prabhupada, you have shown me direction and given me a purpose in life. Your books have shown me the right path in my spiritual life and helped me to understand the purpose of my life from which I was completely unaware. Your simple living, high thinking life has given me the way to lead my life in the right way and to do something highly meaningful in my life. I just need your blessings and shelter of your lotus feet to serve my life as a servant of Lord Krishna and Srimati Radharani. Dear Srila Prabhupada,

I offer my respectful obeisances onto your lotus feet.

Kindly forgive this conditioned soul if anything wrong in my *Vyasa-puja* offerings to you. I'm fortunate by the mercy of Lord Jagannath, I came across ISKCON when I was pursuing my BCA in 2007. That time I was not much aware of this organization and especially about You (Srila Prabhupada). From 2007 to 2012, I could not properly practice Spiritual life due to a lack of devotees' association and determination. But Later in 2013, when I came in touch with Hare Krishna Movement Hyderabad and few temple devotees who were taking charge of FOLK, since that time onwards I never stepped back in the practice of Krishna consciousness in my life.

By yours and Lord Jagannath's mercy and blessings I could chant every day 8 rounds, read *Srimad Bhagavad-gita*, *Bhagavatam* as of now, and other small books of yours. Kindly keep bestowing your blessing onto this soul and my family not to deviate from practicing Krishna conscious life ahead so that, till my last breath I can remember my dear Guru Maharaj and Lord Jagannath.

Your Servant,

Bhakta Hemanta Kumar Dora.

Dear Gurudev Srila Prabhupada,

Please accept my humble and respected obeisances on to your lotus feet. All glories to Srila Prabhupada.

If else I'm chanting today it's your causeless mercy. I have started to chant for about 1 month yet I am not getting the taste while chanting. The target prescribed by you is 16 rounds but I want to chant more and more and break this target by your mercy. Please shower some mercy upon me so that I could increase my chanting and progress spiritually. Please give more strength so that I could practice Krishna consciousness sincerely.

Please accept me as one of your disciples. I'm always thankful and lucky that you are my Spiritual master. I am very fortunate to take your lotus feet as shelter. I beg you that I will be your servant till my last breath and serve you. All glories to Srila Prabhupada.

I always seek to have the shelter of devotees and talk to them about Krishna's pastimes and gain the knowledge of *Bhagavad-gita*. But nowadays I'm not getting the chance to do all these spiritual activities.

Prabhupada, please shower your mercy unto this fallen conditioned soul. Krishna is the Supreme Personality of Godhead and you are the pure devotee of Krishna and in this spiritual platform without a Guru, it is impossible to get spiritual knowledge and practices of devotional service. Dear Srila Prabhupada,

Please accept my humble obeisance unto Your lotus feet. On the auspicious day of Vyasa puja, I offer my dandavat pranam to You, my Spiritual father.

I am unable to find any way in this material world. Where you show me the path of self-realization. Thank you so much for Your causeless mercy upon this unworthy person. You make a tiny servant of Lord Chaitanya Mahaprabhu's mission.

This is my first offering to You under the shelter of Your lotus feet after joining the ashram. Although I am unworthy to glorify You. Please accept my glorification unto Your lotus feet.

Because of Your causeless mercy, I got to know that I am the servant of Lord Sri Krishna. Because of Your causeless mercy, I got to know that Harinam *sankirtana* is the only way to cross the ocean of miseries in this age of *Kaliyuga*. Because of Your causeless mercy, I can able to chant 16 rounds regularly. Because of Your causeless mercy, I can able to attend Mangal *arti* regularly. O, Master! Your glories are unlimited. Without Your mercy I am nothing. Thank You so much for Your spiritual gifts which are the best. Please give me the strength to progress in spiritual life. Please give me forgiveness if I did any mistake. I offer my humble obeisance unto Your lotus feet again and again.

'O Spiritual master, O ocean of mercy and friend of the fallen! O universal teacher and life of all people! Be merciful unto us, O Master, and give us the shade of your lotus feet. May your glories now be proclaimed throughout the three worlds.'

Your worldwide Hare Krishna Movement has helped this society understand the real meaning of God and has set an example of how unalloyed devotional service is performed. It has helped me get the realization that the effort to gather more and more is futile and never satisfies oneself completely and gives temporary and incomplete happiness. Your teachings have taught me on how devotees should perceive and worship God. Now, there is a stark diversion from approaching God for getting something to worshipping him truly without expectations, irrespective of our situation. How can one thank you enough for your endeavor, efforts, and dedication to develop this society with a robust system? As Srila Narottama Dasa Thakura says, 'Please let me stay in the shade of your lotus feet and continue in Krishna consciousness eternally.'

Aspiring to be your eternal servant,

Dear Srila prabhupada,

You are a great devotee of Lord Krishna. The founder of ISKCON, you have constructed 108 temples all over the world. You have good devotion to Lord Krishna. You went to America by ship to inspire the people towards Lord Krishna. While travelling in a ship even though you have got two heart attacks, you inspired people around you. When you went to America, everyone in that country was searching for peace. You have written translation and purports to the holy books Bhagavad Gita and Srimad Bhagavatham to give them. Prabhupada, I am showing great gratitude to you. You have travelled all over the world in twelve years and inspired all the people towards Lord Krishna by chanting the holy names of the lord and by reading Bhagavad Gita. I have learnt so many good things by reading holy books what you have written. Prabhupada, you have changed us from darkness to knowledge. By reading and chanting the Hare Krishna maha-mantra you changed us to not to do any bad things.

Dear Srila Prabhupada, thanks for giving me the association through your books. Your instructions changed my life. Thank you for giving the knowledge.

Dear Srila Prabhupada,

All Glories to Srila Prabhupada, All Glories to you on this auspicious day of your Vyasapuja, I offer my respectful obeisances to your Lotus Feet,

When I look into the past I can see how I used to be. It was Harinaam Sankirtan which brought interest in me towards Krishna Consciousness, thanks to Lord Chaitanya and Jagadguru A.C. Bhakti Vedanta Swami Srila Prabhupada. It all started when I visited the ISKCON Bangalore temple for the first time. Mesmerizing Kirtan which was going on in the temple hall touched me instantly. It was real ecstasy and also the delicious prasadam. These two things kept me tied with Krishna Consciousness initially.

After a year and a half from then, I had moved to FOLK Residency in Hyderabad. I can say my spiritual journey has actually begun from that moment. My habits got changed, able to follow four regulative principles, started chanting daily, was reading Prabhupada books, rendering service to the Lord be it in the temple or in the FOLK Residency or volunteering during festivals, started participating in Nagar Sankirtan and also in book distribution. Association with the like-minded people helped me in becoming a better conscious person.

Now because of the job I had to move to another city, staying away from association and also the insane workload which is keeping me away from chanting as many rounds I used to do before with continuity. As always O Spiritual Master please provide me the strength and your guidance. I need your mercy and blessings so that I can fight with all odds in my day to day life to successfully achieve the highest desire of everyone's life which is Krishna Prema.

Dear Srila Prabhupada,

Please accept my humble obeisance onto your Lotus Feet. All Glories to You. It is said that in order to get in touch with a Pure Devotee, one has to take bath in all the holy rivers and visited all pilgrimages in the universe then only one becomes eligible to get the association of pure devotee but I haven't done any such Tapasya, still you showed Your causeless mercy and accepted this fallen, degraded soul as Your Disciple.

Srila Prabhupada, you brought light and happiness in my life, which was full of anxiety and darkness. Though, am not qualified to be your disciple because of my innumerable anarthas and continuous offenses towards my Godbrothers and other Vaishnavas, you are showering your unlimited compassion and allowing me to stay in their association. Due to my independent nature, am unable to build a strong relationship with you and to the authority structure, that you have defined. This independent nature is stopping me to become a servant of your disciples. Despite my independent nature, still you are showing your causeless mercy upon me from time to time to pull me out of this material entanglement. Prabhupada, if I had not come in touch with you, I would have definitely led a deadly life.

Srila Prabhupada, I beg at your Lotus Feet to give me the strength and faith in Krishna to give up my independent nature and come out of the false ego so that I become your faithful and humble servant. Only by Your Divine Grace, I have started transforming myself from materially diseased state and trying towards progressing in Krishna Consciousness. Prabhupada, Oh Ocean of Mercy, I beg at Your Lotus Feet to keep me always under Your shelter.

Your Humble Servant, Karthik Kukatla.

Hare Krishna.

Sri Abhay Charan Bhaktivedanta Swami Prabhupada, your depth, clarity, and faithfulness towards the tradition is enormous and highly appreciable.

It was on 11th Nov 1972 that I had an opportunity to touch miraculously your lotus feet when you visited Hyderabad. I still remember the fact that it rained heavily a few days after your visit to overcome severe drought that prevailed in the area for an inordinate time.

I read one of your books titled "Beyond birth and death" which changed me a lot in many ways. I like very much what you envisioned about "leading a simple life with high thinking". Dear Srila Prabhupada, your books, preaching, lectures on Bhagavadgita and Srimad Bhagavatam, conversations, teachings on Lord Krishna have impacted and transformed people of all ages in the world. Of course western countries in particular.

You became a top Spiritual leader because you were a genuinely Holy person of a high order. I consider myself lucky to have born in India where you were also born.

Your servant,  
Bhakta Kashinatham Ch.

Dear Srila Prabhupada,

Hare Krishna. My humble obeisances unto you. Wish You A Very Happy Birthday.

I was a wandering soul just going about my life until I had an awakening, a sort of second chance at life and that is when I realized there is more to life's purpose and then I discovered Lord Krishna. It is all thanks to you because, had it not been for the Akshaya Patra foundation, I do not know how much later I would have met Lord Krishna.

Having gotten acquainted with ISKCON, I have discovered how Lord Krishna is the cause and solution for everything. It is because of your untiring efforts of translating the Srimad Bhagavatam and for assimilating the knowledge, that today we have access to your books and through them heading on a path that hopefully will bring me to the Lotus Feet of Lord

Krishna. I have discovered through your books, the causeless mercy of Lord Krishna upon me, and the blessings that he keeps showering upon me.

I have taken up chanting of the Holy Name, Hare Krishna Mahamantra. It is tough to concentrate and keep the mind away from distractions, but I am practicing it and have come to know of doing attention and knowing attention and it seems to help me keep my mind on the mantra. It gives me immense peace and satisfaction. I have started to walk and run diligently along with my Japa Mala and also taken up a moniker of The Chanting Runner. It is helping me being healthy also. This servant of Lord Krishna bows down and offers deep respect unto You. Hare Krishna!

Your Servant,

Bhakta Kaushik Gelli.

Also the association of the devotees, their love, and concern for the spiritual well being moved me over the past few years. I would like to thank the ISKCON family for teaching us real knowledge.

Dear Srila Prabhupada,

Please accept my humble obeisance. All Glories to Srila Prabhupada.

I am very grateful that I am getting a chance to glorify you every year. Though my material senses and words are not capable enough to glorify the pure devotee of the Lord like you, I also know that you are so much merciful and will accept my humble offering.

The whole human generation will be indebted forever for your teachings. You are the one who has provided us with the real meaning of life, which is to go back to Godhead. You are the one, who taught us that we are the part and parcel of Lord Krishna and because of our eagerness to enjoy separately, God sent us to this material world. You are the one who taught us how can a living entity remain happy in this material life with four principles: No meat-eating, No gambling, No intoxication, no illicit sex.

You are the one who has provided and established the real process of bhakti with simple ABCD: Association of a pure devotee, Book reading, Chanting the holy name of the lord, Diet (taking Krishna prasadam). You are the one who brought the Indian Vedic culture (Bhartiya Sanskriti) to the international platform. Oh founder of ISKON! You are the one who established 108 temples within no time. You are the one who has translated the Vedic literature in the English language to make it available for the whole human society. You are the one who said “No one should sleep hungry within 10 miles of radius of any Hare Krishna temple” and which is now emerged as AKASHYA PATRA FOUNDATION, the world’s biggest food chain. So many things you did are now helping everyone to live a better life but I am not capable enough. I will shut up now, my words are not enough to glorify you. With this, I just want to say that you can’t be an ordinary man. You are certainly a pure devotee of the Lord who came in this world to gives us a real purpose of life.

The only request I have is please bestow your mercy upon me. Please give me the strength to always engage in Krishna's service.

Your insignificant and most fallen servant,

Bhakta Kishor Ghatode.

Dear Srila Prabhupada,

Please accept my humble obeisance unto the dust of your lotus feet and All Glories to Your Divine Grace.

*mūkaṁ karoti vācālaṁ paṅguṁ laṅghayate girim*

*yat-kṛpā tam ahaṁ vande śrī-guruṁ dīna-tāraṇam*

“By the mercy of the guru, even a dumb man can become the greatest orator, and even a lame man can cross mountains. My respectful obeisances to such a spiritual master.”

I feel proud to take shelter at your Lotus feet which is my real treasure and there are so many conditioned souls who have not got this opportunity but I got due to your sweet causeless mercy on me.

You have sacrificed so many things and suffered from so many problems to shower your causeless mercy on these fallen conditioned souls out of your unbounded compassion and I don't know where I would be without you and bless me to be strong to contribute in your mission. These are some of your pastimes which are like eye-opening and soothing to the heart.....

Till 1966, you tried to spread this message in India but people didn't appreciate.

At the age of 69, you left Vrindavan and went to America to spread messages with just 40 rupees in hand even after suffering from two heart attacks and you were not confident about where to go and how to get food.

You compromised with your own sannyasa rules and regulations for the sake of spreading the message and objected by your own Godbrothers and so many caste Brahmans.

Again you suffered from health issues in one year and went to Vrindavan with no further hope to spread the message but due to Krishna's grace you could come back to normal condition and again you started preaching in New York.

Even on the verge of death, you were trying to write Bhagavatam for the welfare of human society.

But, even you showered your mercy on me, I am not able to utilize this opportunity and I don't have even a tinge of gratitude for the sacrifice you made. Now my goal of life is to serve your Lotus feet and make me qualified and worthy to be part of your mission.

I am surprised at the thought that I am your disciple for life after life (Janme Janme Prabuse) and you will appear in this material world for the sake of fallen souls till they go back to Godhead. But I am very fallen, I don't have any strength and I may not be able to perfect myself in this lifetime unless you shower your causeless mercy unto me.

I have done so many offenses to Vaishnavas and you, please forgive me and I will try my best to correct myself.

Your unworthy servant,

Bhakta Kishore.

My Humble Obeisance to the lotus feet of my spiritual master, Srila Prabhupada,

I know that I can't thank you enough by trying all the means possible, that much I am indebted to you. O, my Master! I know that I am already dead spiritually, but because of your causeless mercy and your great efforts put in translating all the Vedic literature and starting the Krishna Conscious Movement and spreading across the world helped me get in touch of the devotees and take rebirth in Spiritual life otherwise it will never be possible for so many lifetimes.

This year is very special as I got engaged greatly in the Krishna conscious movement by rendering the following services like:

Participating in book distribution.

Reached chanting 16 rounds daily.

Engaged in Krishna consciousness preaching service in GIFTS Mayapur.

Got blessed with Nithai Gauranga deities in our home.

I have committed some offenses by knowingly and unknowingly in this year. I also beg your pardon to give me the spiritual strength to overcome those this year and purify my soul completely and try making progress in attaining lord Krishna's love and devotional service.

Please accept Your Insignificant Servant's Obeisance,

Bhakta Kishore B N V S.

When I came to VSC IIT Hyderabad, I came to know about you. I got surprised on knowing many things about you. As the way, you started to Western countries with blessings of your Guru and another thing how did you complete these many books just in 11 years. You did this just because of Krishna. You never said Glorify Me and always keep saying that Glorify Krishna. You have given the path to glorify Krishna and said reach the Supreme Lord by chanting his Holy Name.

With the help of your devotee, I also start a little bit on this path. Oh my dear Prabhupad, on this auspicious day of the Vyasa-puja, bless me to get advancement in this life.

Dear Srila Prabhupada,

*om ajšana-timirāndhasyajšanaśalākayā cakṣur unmlitaṁ yena tasmai śrī-gurave namah*

I pray at your lotus feet. Please accept my humble obeisances. I owe you for protecting me during this epidemic time. I could get a lot of free time but unable to engage in your service. By your grace, I am able to do some sankirtan in my village every weekend but I know that is not enough. By your grace, I am in touch with devotees even after our folk hostel is closed. Your mercy is an ocean because I could sense that you are still caring and protecting me though I am not following your instructions. I am guilty of not recognizing your greatness. I am unable to surrender onto you, though I am completely convinced of your authentication and qualification for being a Spiritual Master.

Prabhupada, I am completely degrading these days. I am unable to chant because I don't feel like chanting, I am doing so many abominable activities. I am getting attracted to Maya Devi. These things are happening because I am not following your instructions. Though I am completely aloof from your Lotus Feet, I still got a chance to express my grief to You.

Please inject that rasa to me which can evaporate the ill things in my mind and bestow me that knowledge by which I can renounce and completely surrender onto you. I have done so many offenses at your lotus feet. Prabhupada, please forgive me or punish me but help me not repeat these mistakes. Please give me the strength to understand the greatness of you and Lord Krishna.

At last, I want to be in that list on whom your causeless mercy is bestowed. Thank You for giving this opportunity to this unqualified bug to show some gratitude at your lotus feet.

Your unqualified servant,

Bhakta Krishna Chaitanya.

Srila Prabhupadaji, you are the beloved Acharya (Guru or Spiritual Master) of millions of people on this Earth. Dear Guruji, you succeeded in spreading the glories of Hare Krishna Mantra and Bhagavat Dharma all over the world in a short span of 12 years.

O Guru , Today your Leela with the holy name is continuing even more intensely all over the earth. Transforming the hearts of millions through the chanting of Hare Krishna. When one observes one can clearly understand, how your transcendental will is still acting in the lives of those who read your transcendental Books. This is the original fact alone proof that you never die. You live in your transcendental Books, your conversations, your lectures, your Glorious Deity, your preaching visions, and ambitions. Even more intensely than when you lived physically on this earth.

In this present world, no one can find a spiritual master like you. In Svetasvatara Upanishad it says that "Assets, money, success, material qualification, love, and followers are nothing in front of Spiritual master. Yes! This is true.

Assets, money, success, material qualification, love, followers all this are nothing in front of my Spiritual master's (Srila Prabhupada's) love and compassion. O Guruji, we always remember a conversation, you had with a reporter:

Reporter: What will happen to the movement in the United States when you die?

Srila prabhupada: I will never die!

Devotees: Jaya! Haribol! (Laughter)

Srila Prabhupada: I will live forever from my Books. And you will utilize it.

(Srila Prabhupada interview, Berkeley 17/5/1975)

You have brought and demonstrated to the world, through the life of transformation in thousands of devotees that if the Hare Krishna Nama Shaktyavesha avatar is pleased by sincere devotional service of attentive chanting hearing. He enlightens them with pure self-knowledge with a very short time. You made our life so simple by giving us the Shaktyavesha avatar through our daily service of chanting and hearing. We promise you that we always serve your movement and we spread Krishna Consciousness in this world.

Thank you Srila Prabhupadaji, for giving us the Hare Krishna Nama and giving us the most beautiful Deities of Sri Sri Radha Govinda Ji at HKM, Hyderabad.

Srila Prabhupadaji, I offer my laud crying prayers at your kamal Charana (lotus feet), "Please, make me more humble and tolerant.

Jaya Sri Nama Prachara Acharya - His Divine Grace Abhay Charanaravinda Bhaktivedanta Swami Srila Prabhupada.

Dear Srila Prabhupada,

Kindly accept my humble obeisances at your divine lotus feet. All Glories to you on this most auspicious appearance day of your Vyasa-puja.

I feel very much proud of having got an invitation for offering, my best-felt feelings on the speeches of great Acharya Prabhupada, on this auspicious day-the appearance day of yours.

The teachings that we received from you are not different from what imparted by Lord Krishna to his devotee Arjuna. We adore this auspicious day as "VYASA PUJA" tithi because the Acharya is the living representative of VYASA DEVA, the Divine compiler of the VEDAS, Puranas, Bhagavad Gita, Mahabharata, and Srimad Bhagavatam.

Your Majesty Srila Prabhupada, I hereby express my gratitude from the depth of my heart for I could enroll myself in the Harinama Japa Yagna sponsored under the Flagship of "Hare Krishna Gnana Yagna" which is being spontaneously organized in the divinity of yours based on Lord Krishna's prabhodhakalu.

You are the ideal Acharya because you have taught us everything about spiritual life comparing the materialistic life over spiritual life because this life is paving the way to reach Lord Krishna. The examples narrated in your speeches are very much heart touching and encounters for the adoption of Spiritual life.

Yours sincerely,

Bhakta Krishnamurthy Mankala.

Oh my, Gurudev Srila Prabhupada, forgive my mistakes and give your shelter to reside under Krishna consciousness. You have dedicated your life to propagate this mission to spared Krishna consciousness. I am the most fallen soul who needs more and more help from your words. Your books are the real truth and have immense spiritual vibration. Please give me the strength to pursue them and to follow them. Though we are in this material world seeing others in suffering and also suffering personally, it is very difficult to sow Krishna consciousness in my life nowadays. So it's my humble request to you, please give the shelter of your lotus feet, I may not be the right person, but still out of your kindness, please.

I accepted you as a Spiritual master and father, though my father passed away for since long. Please forgive my all mistakes like a revered son, and guide me in Krishna consciousness. On your appearance day, this would be very small gratitude from a fallen soul like me. Thank you for giving me this opportunity to you and to all the Vaishnava devotees.

The activities of a pure devotee cannot be understood even by Lord Brahma. So, how can we understand your activities, which are transcendental to the three modes of material nature? One can enter into devotional service only after getting the dust of lotus-feet of a pure devotee and this is the statement of Prahalad Maharaj. By your mercy, I and many others are entering into pure devotional service. The Krishna consciousness movement, which you propagated all over the world is the only solace for suffering conditional souls. This is very practical in my life that even small kids are feeling happy by chanting hare Krishna *maha-mantra*, *sankirtana*, dancing, and taking *prasadam*. Your teachings are very nice that even a common man can implement it.

Let me pray unto your dust of lotus feet so that I will be able to sincerely chant 16 rounds regularly, follow four regulative principles strictly, serve your transcendental instructions, serve devotees, and some way or other I may able to please you.

Your humble Servant,

Bhakta Krushna Yelasaju.

Srila Prabhupada, you are a direct manifestation of the mercy of Sri Caitanya Mahaprabhu upon the fallen souls. It is only by your mercy that our meager efforts get color in existence in glorifying the holy name through Harinam Sankirtana. By your mercy and divine instructions, we keep firm faith in the path of devotional service.

Srila Prabhupada, This divine flow of Harinaam Sankirtana will keep ongoing. Srila Prabhupada, I beg you to bless me so that I become qualified and become instruments in your hands for spreading the Harinaam. Observing daily improved lifestyle after I started a spiritually inclined journey with Krishna consciousness by accepting Krishna as lord, Supreme Godhead, and making a goal to reach the happiest place in the spiritual world. Dear Srila Prabhupada,

Please accept my humble obeisances, All glories to Srila Prabhupada, All glories to you on this auspicious day of your Vyasa-puja.

I want to take a minute to explain my background in how you entered my life. I was very much depressed and frustrated with my life after some bad events which happened followed by even more bad incidents. At one point I wanted to give up, was deeply in debt and adversity situation. Feeling helpless and hopeless. I had no energy was in chronic fatigue. I had several failures and rejections in my career and personal life. I was not able to handle cope with my emotions, lost mental balance stability. Lost peace of mind, Sleepless nights, having too much pressure to perform, and tension. At that point, I wanted to go to a place where people can help me and listen to me to help. It so happened to me that I went to ISKCON, credit to my aunt because she took me to ISKCON once when I was young... I felt good at that time after chanting the Mantra. So I wanted to try it again now. I saw yoga for happiness program I enrolled for the course. The course gave me much needed strength to hope courage in life... It changed my perspective on life. Prabhus who taught the course gave multiple examples for a better understanding of the topic and I started connecting with it. I started feeling better from bitter. I enjoyed every minute of my time spent at the course it gave me valuable insights about life situations and how to deal handle and manage self.

Chanting the Hare Krishna Mantra calms my mind emotions chattering noise. Stabilizes my mind. I practised mantra meditation. I participated in the Vanabojanam event. I liked the teachings of Mahabharatam's life lessons. I got the mental-emotional psychological strength by applying the teachings. Yoga for happiness is a life transformational program. Also, I enjoy the Prasadam every time I visit ISKCON. Now there is harmony in my family as well. Before there was a lot of friction. My parents now understand me better. Thanks to Srila Prabhupada and Iskcon and all the Vaishnavas who rendering their relentless and selfless service. I'm fortunate to be associated with ISCKON and be part of the Hare Krishna family. Thank you for giving me this opportunity to share my experiences with Srila Prabhupada's teachings and ISKCON.

*Hare Krishna Hare Krishna Krishna Krishna Hare Hare

I have completed seven years of my journey in ISKCON. I am very grateful for your mercy. I am very much happy following the Vaishnava Sampradaya. I am chanting 16 rounds of Hare Krishna Maha-mantra and daily worshipping Nitai Gauranga as per the guidance of senior devotees as well as service of Supreme Personality of Godhead. Just shower your grace so that I can also increase my spiritual growth. I have also started reading Bhagavad-gita As It Is. I follow the Bhagavatam classes and I have learned so many things from classes about you and your glories.

All glories to Srila Prahupada.

Dear Srila Prabhupada,

Please accept my humble obeisance, All glories to Srila Prabhupada. All glories to you on this auspicious day of your Vyasa-puja.

Srila Prabhupada you are my only Vedic Teacher, the only Spiritual Master. I learned from your books how to do our duties in Krishna consciousness. Now I regularly chant 7 rounds of Hare Krishna Mahamantra. I learned from you that the real Dharma means to serve God unconditionally, when we do our duties in Krishna consciousness then Krishna is always there with us... He is our real protector. Begging to remain under the shelter of your lotus feet at all times and aspiring to be Your humble Servant.

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to Srila Prabhupada All glories to you on this auspicious day of your Vyasa-puja.

On this day I'm missing you deeply and I'm remembering you with love and affection and a heart full of appreciation. When I was searching for meaning, for direction, and floundering on the brink of despair, you caught hold of me and turned my life around, by ringing the message of transcendence, opening up the path of bhakti. Today I'm feeling immense gratitude to you. I know you did this at tremendous personal sacrifice, and when I see how hard it is for me to make similar sacrifices this makes me appreciate you even more. I want to thank you for setting such a high and consistent example of personal integrity for me, for your consistent example of concentrated focus on your service and your steady example of a sober mind and caring heart without being mushy and sentimental. I will be striving for all of my days to follow in your footsteps. Also, thank you for freeing my mind. By this I have learned to accept responsibility for making my own judgments and decisions, applying the guidelines of Krishna Consciousness to my best ability, and not relying on the various crutches that are strewn all over the path of devotional service, some of them seeming to be authentic parts of the process.

Srila Prabhupada, I cannot deny that I'm not always successful in applying these guidelines, but I consider that I'm successful in that I have the courage to try; and I have the courage to accept both my failures and my successes. This I learned from your teachings and your example, and I'm grateful to you for that. It is a very tough lesson. It is so much easier to find reasons not to accept responsibility, sometimes even in the name of surrender, or love, or harmony, or cooperation, or humility. By your kind grace, I have learned to eschew all these rationalizations and do not depend on others to do for me what I need to do for myself. Thank you for teaching me this toughest of all lessons.

Your Eternal servant, Bhakta Maheshwar.

Dear Srila Prabhupada,

Please accept my humble obeisances.

*Om ajnana-timirandhasya jnananjan- salakaya*

*Caksur unmilitam yena tasmai sri-gurave namah*

All glories to Srila Prabhupada. All glories to your divine grace". My journey is with a lot of ups and downs in adopting spirituality before and after coming under well-qualified spiritual guidance through your disciples. In a helpless situation,

an unexpected invitation to attend Yoga for happiness classes made a significant change to my life. Since that time, have been withholding the practice of sadhana to transcend my conscious because of your grace and blessings. The passing of each year makes me older and mature to comprehend your tangible presence in your writings and lectures by hearing repeatedly. This material body is subjected to all sufferings (Birth, death, disease and old age) and which covers the heart with dust of false ego under an illusion so-called Maya.

As mentioned in Sri Siksastakam :

*cheto-darpana-marjanam bhava-maha--davagni-nirvapanam  
shreyah-kairava-chandrika-vitaranam vidya-vadhu-jivanam*

Sri Krishna sankirtana through your established centres, cleansing the all accumulated dust from the heart to bring us onto the platform of bhakti and it is an incomparable benefit to all conditioned souls. Your contribution with a well-determined heart to Lord Chaitanya Mahaprabhu's mission transformed many ignorant souls (highly including me) from meat-eaters, gamblers to Hare Krishna mantra chanters. Your books with elaborated purports are undoubtedly striking and great boon to us. Your life from childhood to the day you left this world is heartening.

Vyasa pooja is a very special and important day for each student to pay the gratitude and get inspirations from the guru's teachings and his life. On the advent of His divine grace Bhakti Vinod Thakur, you used to pay the homage with worldwide followers to be motivated to propagate Lord Chaitanya's mission. Now It is our turn to continue the same tradition to offer our humble obeisance to crave your merciful glance in energizing our activities to speak about Krishna consciousness with the outsiders of your mission. Because it says *hā hā prabhu koro doyā, deho more pada-chāyā, ebe jaśa ghuṣuk tribhuvana*. Please excuse me on my unknowing mistakes which were unthought and Oh dear Srila Prabhupada!! remain your merciful glance on me in all time.

Please accept "my genuine thanks" at lotus feet and make me strong to carry out this human life in the perfect path.

Your Servant,  
Bhakta Mahesh.

Dear Srila Prabhupada,

Please accept my humble obeisances. Due to Lord Krishna's causeless mercy, I have got a chance to become an employee in your Organization HKM Charitable Foundation. Before I Joined in your organization I am not able to understand spirituality. When I started serving in your organization, my spiritual life is started. Every day in our office, we start our day by chanting Hare Krishna Maha Mantra 108 times. We are having Bhagavad Gita session, hearing Krishna Katha and we celebrate almost all festivals here, same as in a temple. I feel blessed to participate in all. By your lectures and with the help of your disciples I came to know "I am not this body I am the Spirit soul" and I understand the real goal of life is "Go back to Godhead". By your mercy, I have started chanting and reading of your books. Your disciples helped me to understand the great work you have done for enlightening the whole world. Hearing your pastimes further helped me to take up Krishna consciousness seriously. Kindly accept me as your disciple, bless me to follow your instructions. Please give me the strength to do your service perfectly through this organization.

Please accept my humble obeisance. All glories to Srila Prabhupada,

All glories to you on this auspicious day of your *Vyasa-puja*.

By your grace, this most fallen soul is able to continue his services under you and your sincere disciples. Guru Maharaja, please forgive this fallen soul for committing so many offenses at your lotus feet. Especially I have violated one of the regulative principles. But still, it is your mercy that I'm able to come back again to higher taste i.e your devotional Service.

I never understood the relation between the Guru and disciple. But by seeing your constant care and guidance sometimes I'm unable to stop my tears. Even though your mercy and love on me is like an ocean but I'm able to perceive a drop. I cannot understand your intention but I'm sure, I'm unfit. I beg you to utilize this mentally and physically limited person to constantly engage in your service. I beg your pardon please don't be angry on me due to my offenses and my offensive mentality. Shower your mercy continuously on me to do chanting purely, execute the services efficiently and with proper consciousness. Please bless me so that in the future I can do something that will make you much more proud of the Hare Krishna Movement. Thank you very much for your love and for showing me the path back to Godhead. Thank you very much.

Dear Srila Prabhupada, because I am ignorant and foolish I never really appreciated what you gave me. I want to thank you so much for being so poise.

Dear Srila Prabhupada, I remember before coming to Krishna Consciousness I purchased your book "Bhagavat Gita As It Is" when I was in deep stress of my life and it is your mercy that you grabbed me from that mire. I have no qualification instead of that also you gave me so many gracious blessings that I got a chance to render devotional service to the Supreme Personality of Godhead Krsna. Because of your grace, I got a chance to associate with your dearest Devotees. You always tell us if we have to increase our spirituality we have to seek the association of Sadhus. *sadhu-sanga, sadhu-sanga lava-matra sadhu-sanga*. Your lectures always remind us of your existence and it always touches our heart. By simply listening to your lectures I can feel the warmth of your Pure Devotion for Krsna. I know i have no qualification to be the servant of your servants but with your grace, I can do anything I believe.

Please help me so that one day I will make you proud of your Grace for me. Again thank you so much for what you gave to this Human Civilization. Bless us! Please allow me to remain as a particle of dust at your lotus feet and never push me away.

Your lowly and insignificant servant of Servants,

Dear Srila Prabhupada,

Please accept my humble obeisance unto your lotus feet. All glories to you on this auspicious day of your 124th Vyasa-puja. My Dear Srila Prabhupada, thank you very much for giving us Krishna, Krishna temples, Maha Prasadam, Devotees association, and most importantly your divine books and many more. I have been struggling millions of life afterlife in this material world and unqualified to recite the names of Hari but it is only by your divine grace I am able to chant the names of Lord even though still I am most unqualified for it and you have gracefully showered your mercy on me even though I am not capable to receive it. My only sincere prayers at your lotus feet are to always keep me under the association of devotees, chant 16 rounds, follow 4 regulative principles through thick and thin of life, and always continue to take shelter of your lotus feet life afterlife. My life is an utter waste if I don't follow your instructions sincerely.

On this glorious day of your Vyasa-puja, I offer my most humble obeisance unto your lotus feet and all Vaisnava's to forgive me for all the offences I have committed. I plead for your mercy and always keep me under the shelter of your lotus feet.

Dear My spiritual Master,

Please accept my humble obeisances. The word 'Guru' indicates 'Removal of darkness and ignorance. All glories to Srila Prabhupada. All glories to you on this auspicious day of your Vyasa puja.

Our scriptures say that Spirituality is of highest light and all others are nothing but darkness. The material world is just temporary. In today's society, temporary is more learned and originality is kept aside. I'm no exception. I used to have all the material ideals all the time. My goals were to earn a big, live a rich life with all luxuries and comforts. I wanted to Lord over the material life. As soon as I started a Yoga practice, my mindset kept changing. I started Yogasanas, pranayamas, meditation for health purposes. What actually turned me is my visits to ISKCON temples and reading Srila Prabhupada books. Those books made me know the value of God-Consciousness. I realized my end goal. Self surrendered to God can relieve all tensions and make life peaceful. This is the core concept I grabbed from your teachings. Today I possess this spiritual nature, only because of your mercy and teachings Srila Prabhupada. Heartful Thanks to you my Gururji.

Dear Srila Prabhupada,

Please accept my humble obeisances, All glories to Srila Prabhupada, All glories to you on this auspicious day of your Vyasapuja, please accept my saashataanga danda pranaamams. I got introduced to the teachings and bhakti movement almost 20 years ago. I had visited various temples installed by your Divine Grace and slowly began my journey into the Bhakti movement by the chanting and Satsang in those temples. I bow at your lotus feet who have accelerated the influence of devotional spirit in my life. Especially the concept of chanting, singing the glories of the Lord and the simple way of life propounded by you have a great effect on me. I specifically like Lord Narasimha's bhajan sung by you. Later I met many other gurus & scholars but I will always remember the initial years when I realized that Bhakti and Sarvasya Saranaagati propounded by you is key to reaching the Lord. Your way of explaining Bhagavadgita and Bhagavatam makes it easy for me as I am the most Jada and paapi. Only the real Guru like you can cleanse my sins. I pray you to guide me throughout my life with your teachings and enable me to practice the path of Bhakti.

Dear Srila Prabhupada,

All glories to Lord Krishna!!! Please accept my heartfelt obeisance on the occasion of Vyasa Puja. It has been a great pleasure and honour to be guided and blessed by your association and be part of an institution that you founded to spread Krishna Consciousness which brought an unlimited spiritual contribution to this world. Your mere thought in my mind is enough to strengthen my will to be Krishna Conscious every second, every minute. Even though I am a Madhwa Brahmin by birth but due to the materialistic world, my connection with my own spiritual side was almost lost but thanks to some strange twist of situations in my life that I came in touch with ISKCON which you founded many years ago, and ever since, my spiritual advancement started bit by bit, and you, my spiritual master, I will always be thankful to you for this. Without ISKCON, today I could have been leading a life devoid of sense and purpose but because of you, my goal is set and the purpose is clear. Now I am following all the regulative principles as well as 16 rounds of Hare Krishna Japa each and every day as well as do a little bit of service in HG AC Bhaktivedanta Srila Prabhupada's mission, but I do not want to stop here and I won't stop here. Without your mercy, this would never be possible ever. All of us at ISKCON are very blessed indeed to be in such a good association of yours and the atmosphere you have created across the world with Krishna Consciousness guides us every step in our life.

Your contribution to this universe is immense. Despite obtaining sannyasa at such an age, Your tremendous contribution to spreading of Krishna consciousness is unmatched and unprecedented, given the fact it all started in the Western countries as per your master's instruction. From 100s of temples to rath yatras, to farm communes, to elaborate festivities, to Lord Krishna prasadam, to the masses all in Lord Krishna's service, your contribution is and will remain unparalleled. Your voice and tone reverberates even today and triggers a wave of devotion and spirituality in mankind which otherwise has been so deeply entrenched in Maya. Every minute aspect of the ISKCON movement is so carefully and meticulously taken care of and executed, all due to your mercy. By your mercy and guidance, I did some preaching service, particularly to the youth and also participated in book distribution whenever I got a chance, this is not a big service or even something that can be called a service but I definitely, with your mercy do more and better, all upon your mercy and grace of Lord Krishna.

Your Humble Servant Forever,  
Bhakta Mukund Srinivas.

Dear Srila Prabhupada,

My faithful obeisances to your lotus feet. I am thankful for giving this wonderful opportunity to know about spiritual knowledge. It is the only way to attract Lord Krishna, you are the only Guru to spread Krishna consciousness throughout all the world. I am very happy to capture the knowledge of Lord Krishna because some rare people will get this chance to serve Lord Krishna in this material world. Many people submerged in Maya they didn't have scope to come back. Actually I am also not a pure devotee, sometimes I can get attracted by Maya but I will try as much as possible to come back from it. So I need your mercy to concentrate more on devotional service. Because of you and Lord Krishna mercy, I got a chance to visit the Vrindavana Dham. It is one of the most beautiful devotional places in this World so I am very happy to see that place. without your mercy, it is impossible for me. Lastly, I am glad that you, Srila Prabhupada for creating all these opportunities. " Let no man in the world live in Maya, without a Guru, no one cross over".

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to Srila Prabhupada. All glories to you on this auspicious day of your Vyasa-puja.

As the representative of Srila Prabhupada, I feel you as a Kaliyuga Narada Maharshi. This is the best opportunity to chant Hare Krishna Maha Mantra as humans but so many people are wasting their life with temporary happiness or material happiness. Once a person gets involved in Hare chanting Hare Krishna Maha Mantra then the person gets complete happiness that is spiritual happiness. It takes care of our day to day life's problems. I was facing so many academic problems now I am successfully taking up challenges. Prabhupada, kindly bless me that I do chanting of Hare Krishna Maha Mantra till the end of my life.

Starting to remain under the shelter of your lotus feet at all days.

Your humble servant, Bhakta Nagender, IIT Hyderabad.

Dear Srila Prabhupada,

Please accept my humble obeisances at Your lotus feet. Since I am in touch with Krishna Consciousness I am blindly sticking on to your lotus feet in any circumstances. With Your blessings only I am still chanting Hare Krishna maha-mantra. In future also I will follow your footsteps. Whenever I am attacked by Maya from all directions, your blessings only helped me to come out of Maya in course of time. I am weak in book reading. So please bless me to read your books to progress in my Krishna consciousness.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to your lotus feet. First of all, I would like to thank you for giving me the opportunity to write an offering. Thanks for joining me in your mission and using me to serve it. Guru or Acharya is one who teaches by personal example and you are the one who did it perfectly. You are the epitome of the definition of Guru. You are the one who not only say it but practically show, explain and follows for the benefit of others. Where can we get such unconditional love and care in this Universe? Thanks for your guidance, love, and care, dear Prabhupada. The purity and knowledge you gave us are spreading like a wildfire. You gave us the holy name to meditate upon and the books to read, deities to worship, prasadam to honour and devotees to associate what not everything, just like a father tried to give his children all the necessary things to survive in the most comfortable way you gave us all the valuables required. It is just by your mercy we are able to use these divine things you gave us.

As you said the symptoms of life, such as desire, anger, hankerings, and feelings of attraction, cannot be annihilated. Only the objective has to be changed. Desire cannot be negated, but in devotional service, the desire is changed only for the service of the Lord in place of desire for sense gratification. Let me not desire these things and kindly involve me in your service wherever possible. Thanking you

Yours most fallen soul, Bhakta Narendra Kumar K.

Dear Srila Prabhupada,

All glories to you on this auspicious day of Vyasa Puja. You bring The Bhagavad-gita as it is into my life as a guide and you translated into so many languages so that the entire world is able to feel the transcendental knowledge which is sung by Lord Krishna himself. I wondered when I know about your journey from Bombay to Boston in Jaladuta ship at the age of 60 and how you did initiate of Krishna consciousness in western countries. And I felt very happy by knowing the story behind the starting of Akshaya Patra foundation "it is all started from one window". You are the reason for poor children having nutritious food along with their schooling. And you gave us Hare Krishna maha-mantra which reduces our anxiety and increases our focus. I am thanking you for that in this modern age also you made chanting possible. Now chanting Hare Krishna Maha Mantra became part of my life. The most merciful thing you gave us the pleasure of Sankirhana Yagna which makes us very dear to god. The sankirtana yajna in your time has a very great past time like " after two tough drought years. it brings rain to Hyderabad after sankirtana yajna ". Because of your mercy, I felt many times Krishna's mercy in my life which gave me more relaxation. Thank you very much for everything that you gave us.

All glories to Srila Prabhupada,

*om ajṣāna-timirāndhasya jṣānāṣjana-śalākayā  
cakṣur unmīlitaṁ yena tasmai śrī-gurave namaḥ*

I was born in the darkest ignorance, and my Spiritual Master opened my eyes with the torch of knowledge. I offer my respectful obeisances unto him. Kindly accept my humble obeisances, By your we causeless mercy and Vaishnavas mercy, I came in touch with the sankirtan movement. I am so fallen soul, by serving your movement day by day I am able to understand the importance of the human form of life. Before I came in touch with your movement I don't know how the living entities are acting, whether I am acting independently or dependently, after listening to your lectures, I understood that Lord Krishna is the cause of all causes. There are three primary energies of Lord Krishna those are internal energy, external energy, and marginal energy. As the marginal energy of Lord Krishna, I am acting in this world through his external energy. External energy consists of three modes. I also understood your movement is beyond these three modes, like chanting the holy names of the lord, reading your books, performing sankirtan, preaching all are transcendental activities which purify the conditioned soul and to go back home back to Godhead.

There is no pure sattva guna in this material world (14 planets). Mercifully, you descended for us from the Goloka. You're the personification of the Paramatma, by serving your instructions, we can be completely purified and get detached from this material entanglement (three modes) because you are the pure devotee and eternal servant of the supreme personality Lord Krishna. Because of your causeless mercy, I am able to glorify the holy names of the Lord by playing transcendental sankirtan instruments like mrudangam, kartaal. Every day I am trying to chant with concentration, but my mind is diverting and committing mistakes, please bless me to chant the holy names of the Lord without committing offences. Give me the strength to follow your instructions till the end of my life with unflinching faith to please you. Make me a small dust particle at your lotus feet forever. *yasya prasādād bhagavat-prasādo yasyāprasādān na gatiḥ kuto 'pi*. I beg sincerely to give me a lot of patience and enthusiasm to serve your divine grace movement as per your desire.

On this most blessed event, Sri Vyasa-Puja, the appearance day of my beloved Spiritual master, I am filled with a sense of gratitude and wonder, On this special occasion, I would like to thank you for spreading Krishna consciousness. I have learned more about Lord Krishna, there would have been no ISKCON nor the wonderful translations of the *Bhagavad-gita* and the *Srimad-bhagavatam* without you.

Your braveness gives us the confidence to achieve anything in our lives. Because of your words, I understood what is the spiritual world and its importance. I understood how the material world is causing problems in our lives. I need your blessing to reach Lord Krishna and his glories. I had been thinking about the meaning of God, Now I am trying to understand, this is all because of your mercy. Thank you, Srila Prabhupada.

Respectable Srila Prabhupada,

Please accept my humble obeisances. All glories to you on this auspicious day of Vyasa-puja. Thank you so much for making me an employee in your organization. Only after coming here, I came to know what actually the soul is. With your help, I came to know that body is non-permanent whereas the soul transmigrates from one body to another just like we change our clothes. I could understand this analogy only with your mercy. You explained to us how to choose a prominent guru who is coming in the parampara system. I am very fortunate that I am in the right shelter for your divine grace.

I was born in the darkest ignorance, and my spiritual master opened my eyes with the torch of knowledge. I offer my respectful obeisances unto him.

My Dear Srila Prabhupada, you have undergone many struggles and given us nice books and "Hare Krishna Maha Mantra". By chanting this Mantra "Hare Krishna Hare Krishna Krishna Krishna Hare Hare Hare Rama Hare Rama Rama Rama Hare Hare" I am hoping I can reach the Godhead. Fortunately, I came under your shelter and started practising this Mantra and I am feeling so happy. I want to leave my anger, lust, ego and understand the real fact of life to attain the real goal of life. Kindly bless me to attain so. Thanking you for giving me this opportunity.

Dear Srila Prabhupada,

Please accept my humble obeisances at your divine lotus feet.

All glories to you on this most auspicious appearance day of Your Divine Grace.

Those who love God and are ready to sacrifice everything for God, Lord will guide them to a bonafide Guru. That Guru should be respected as equal to God. That is why the saying that Guru is Brahma, Vishnu, and Siva. As in Shankaracharya's Gurushtakam also says ' what is the use of so successful, if you do not bow at Guru's feet.' A Guru is the one, who shows you the path of your destination. You are true Guru, looks for those souls who long for God primarily and everything else is secondary. You showed a new path to modern citizens in a righteous way following the same disciplic succession with the Holy name -

*Hare Krishna Hare Krishna Krishna Krishna Hare Hare!*

*Hare Rama Hare Rama, Rama Rama Hare Hare!.*

Your Krishna conscious movement has spread to every corner of the world, and even foreigners are enjoying the bliss of harinaam *maha-mantra*. You translated *Bhagavad-gita*, *Bhagavatam*, and many books to us for our enforcement in spiritual life. You gave it to us to avoid misinterpretations of some false Guru. We should be glad about your vision for the next generations. As Vrindavanvasi's are protected by Govardhadhaari, even we are protected by the Harinam. We are always ready to render service in our Divine Grace Srila Prabhupada Mission.

Please accept my most humble homage at your divine lotus feet on this most auspicious occasion of 124<sup>th</sup> *Vyasa-puja*.

Oh, Gurudeva! You are an oasis in the desert, you have shown your mercy on mankind by establishing ISKCON, Akshaya Patra, various books and Teachings, etc., at your advanced age you have shown us how to reach the Supreme Lord Sri Krishna. Within a short span of time after my interaction with ISKCON, participation in Harinam, *Nagara Sankirtan* and chanting of Hare Krishna *Maha-mantra* drastic changes have started coming into my life with Your Divine Grace e.g.

- a) I completely vanished my anger for silly reasons (things).
- b) Happiness and peace have come into my life in pursuance of Krishna consciousness.
- c) I started looking at all the souls in a positive way.

At present I am a layman just recently joined into your mission not even qualified to glorify you. I beg your mercy, blessings, and energy to engage myself more effectively in the divine service by my thoughts, words, and deeds, etc., (Manasa, Vacha, and Karmana) and bless me in balancing my professional and spiritual sadhana simultaneously.

Hence with my *dandavat pranam* at your lotus feet, I beg your mercy and blessings on this soul so that I can follow your four (4) primary instructions i.e. A, B, C and D,

- (i) Association with senior devotees (Satsang)
- (ii) Book reading regularly
- (iii) Chanting 16 rounds of “Hare Krishna Maha Mantra” every day and
- (iv) Engage myself in Devotional service.

Your humble servant,

Dear Srila Prabhupada,

I offer my respectful obeisances unto you, who is very dear to Lord Krishna, having taken shelter at His lotus feet. O Spiritual master, servant of Sarasvati Goswami. you are preaching the message of Lord Sri Chaitanya, delivering the western countries, which were filled with impersonalism and voidism.

Srila Prabhupada, you are the living representation of Vyasadeva, literary incarnation of Lord Krishna. You are coming exactly in that line of disciplic succession. Your position is just like that of Lord Hari and one should worship you exactly in the same way that one worships the Supreme Lord, as it is revealed in the *Vedas* and accepted by all authorities. Your position is very high and thus you can be addressed as Guru. A disciple can never pay you back. For, by accepting you, one can very easily cross over the ocean of material nescience and attain Lord Krishna at once, for sure. It is very difficult for one to come to the point of rendering devotional service unto Lord Krishna, but, by Your causeless mercy, one can, such as the position of yours. Even one be born in a family that of *brahmanas*, but not a devotee of the lord then what's the use. Since they don't know the secret of surrendering unto the pure devotee like you, who can deliver one Lord Krishna, don't know the purpose of the *Vedas*.

On this auspicious day of Sri *Vyasa-puja* tithi, I obliged to express my gratitude towards your divine grace, as every student does. You have established the Krishna consciousness movement, the desire to serve your Spiritual master, in the western countries, which follows the footprints of Lord Chaitanya. Since your glories are unlimited, I'm unworthy to glorify you. For, you are directly glorified even by the Lord Himself. Who you are the confidential servant of the Lord, spreading the Holy name. Srila Prabhupada, you have appeared just to preach the Krishna consciousness, which is dormant in everyone's heart. One has simply to revive it, it is not an artificial imposition on the mind. So, the Hare Krishna *Maha-mantra*, that one should chant. Since this chanting of Hare Krishna is the *yuga dharma*, one should accept it as their Life and Soul.

Srila Prabhupada, you are always eager to serve the Gopi's by assisting them, who are always anxiously serving for the perfection of the conjugal pastimes of Radha and Krishna. You are always engaged in the *sankirtana* Movement of Lord Chaitanya, Dancing, Chanting, Playing musical instruments, etc.. and thus spreading It in all the towns and villages of the world. Srila Prabhupada, in this way, your glories are unlimited as of the Supreme Lords. Your glories may now be proclaimed all over the three worlds. Lord Chaitanya wants to give credit to you in the matters of spreading the Holy Names of Lord, He's obliged. Let me offer my respects unto Your Divine Grace once again; Jaya Om Vishupada Paramahansa Parivrajaka ACHARYA 108 Sri Srimad A.C.Bhaktivedanta Swami Srila Prabhupad Ki -Jaya. Srila Prabhupada, Guru maharaja, may I be engaged in the service of your eternally. For, you are the only, my eternal father.

Your unworthy servant,

The most respected Spiritual master, my dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet. All glories to you on this auspicious day of your *Vyasa-puja*.

You are my teacher, spiritual guide, motivator, role model, and an ocean of inspiration. I don't have any capacity to understand spiritual knowledge. But by your causeless mercy, through your books, your lectures, and by the guidance of your disciples, I am slowly trying to understand the complex knowledge. By your mercy, we are experiencing a golden era of flourishing Krishna consciousness through the Hare Krishna Movement. You have given me the association of devotees otherwise I would have been lost in the material world. You have given us wonderful temples, institutions, and trusts through which I am able to render some services.

Due to your causeless mercy, I got a rare opportunity to serve your vision by being a minute part in HKMCF. The capacity to which I am rendering services is only by your guidance and motivation. I feel like you are actually handling and taking care of every aspect through your dedicated disciples. I am witnessing many miracles happening with your mercy. You are so merciful that you have given me a chance to chant, sing, dance, partake *prasadam*, and preach in office. Please accept me as your humble disciple and allow me to serve you throughout my life.

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to Srila Prabhupada

All glories to You on this auspicious day of Your Vyasa-puja.

First of all *dandavat pranam* to You, my Acharya. I'm from Nagpur, Maharastra used to leave at SPN Nivas S.R. Nagar. I'm blessed with your *ashirwaad* and *prasad* you offered me. Thanks for all your blessing and love. I realized that I'm always a loser. My father used to scold me that I'm not able to complete one work also. It is not that I'm desperate or sad about losing, I have accepted my loss as an experience before the winner's face happiness of victory. These things I learned from Lord Rama - Maryada Purushottam Rama, my Lord.

But the things I liked from all my heart and it is necessary for me, I will get that. I have all the materialistic things like home, car, money, etc. But I don't have someone who can guide me spiritually. Now by the mercy of Lord Krishna, You are there for me to guide. I would like to follow Your instructions like chanting, four regulative principles, and service, etc sincerely so that I will go back to Godhead. Pls guide this fallen soul and don't neglect.

Your Eternal Servant, Bhakta Nikhil Sahu.

Dear Srila Prabhupada,

Please accept my respectful obeisances at Your lotus feet.

On this auspicious day, here I must say no one knows in which form the God will come or send his messenger like You. I am one of the fortunate soul who has received the Hare Krishna *maha-mantra* transcendently from You. It is you who has given the detailed knowledge of the Supreme Personality of Godhead Sri Krishna, who is omnipotent and omniscient.

Your initiation is not based on birth as in the rigid Hindu caste system but based on qualification and sincerity. I convey my gratitude to all disciples who have joined the Hare Krishna Movement worldwide. I was not knowing that by a regular visit to ISKCON or only coming to touch of devotees like You, my meaningless life will turn into meaningful without any cause. I am thankful to you as your teaching and instructions enlightened me out of ignorance. Now I have strong faith in the Holy name of Krishna. With your association, I am living with compassion, sharing, loving, and living joyfully toward all creatures.

Following your instructions, I can feel *atma-shakti*, *atma-jnana* and *atma sukha* in my soul. As self-realization, I can perceive that by chanting of the Hare Krishna *mantra* a cruel person can also transform into a great *Vaishnava* and achieve his final destination. Oh Prabhupada, you are the one-man army in the spiritual tradition. Your life teaches us, how someone should follow the order of their Spiritual master. Please give me the strength to survive in this materialistic society and succeed in my spiritual life. You will remain forever in this world with us in the form of your teaching and instructions.

Your humble servant,

Dear Prabhupada,

Please accept my humble obeisances.

I often wonder while listening to descriptions of lives and uncommon transcendental activities and pastimes of some of the remarkable devotees in *Bhagavatam*. In such times I also feel they are not so different from amazing feats you exhibited while you are physically manifest on the surface of this globe. I have this strong feeling that in some universe your qualities and your devotion will also be recorded in scriptures like *Srimad-bhagavatam*, which only can save us from this blazing material nescience.

As I take a careful look into my past non-KC life and reflect on how I happened to fall under your shelter, many times I feel extremely grateful for the compassion and magnanimity you have showered on this undeserving and wretched soul. I have filled myself with lust, greed, envy and all entangling desires made foolish plans and hell-bent on squeezing happiness and satisfaction out of frustrating relationships, flickering sense pleasures, and temporary and useless achievements. If your grace has not thrown your merciful glance upon me, I would be slowly but surely paving my way to degrade myself into the most abominable species of life oblivious to the value of human life by indulging in animalistic propensities. I would have surely posed myself as a learned person but in fact, I could not even know what is the actual and ultimate benefit for me.

Now, every morning I try to remember that the devotee association I am enjoying now is the most valuable asset I might have in life and feel grateful to you and the society of devotees you carefully nurtured. In this regard, I especially seek your blessings to guide me more than ever and help me to increase the quality of my *japa*. It has been a few years since I started practicing KC, but in the depths of my heart still, many contaminated desires are sprouting like a festering wound. Without your protection, I cannot triumph over the irresistible urges offered by *Maya*.

Your books are my best friends, your words of direction are the stepping stones to the spiritual world, your life is my inspiration and your assurance is my strength. Please forgive me if I could not follow your instructions at times or acted in ways that displeased you. Please benedict me with strength, courage, intelligence, sincerity, truthfulness, patience so that I can execute loving devotional service to you and our dear Lordships Sri Nitai-Gauranga and Sri Radha-Govinda. Jay Srila Prabhupada!

An unworthy servant,

Bhakta Phaneendra Babu.

My Dear Spiritual Master Srila Prabhupada,

All glories to your kindness upon this insignificant disciple. All glories to you on this most auspicious day of *Vyasa-puja*.

From the past 3 years, I have been associated with the Hare Krishna Movement, since then I understood all about prayer, the power of chanting, and real service to God and mankind. Before association, I use to be unhappy and greedy but now with the association with this movement and chanting, I'm so happy and spending more time reading your books, also making my mother and family members associate in this movement. Now I'm doing service to this association with my skills. I beg your kind mercy on whatever mistakes I have done in my past and present knowingly and unknowingly to forgive. Dear Spiritual Master, I sincerely request you to hold my hands and guide me towards the right path.

Your Sincere Servant,

Bhakta Phani Srinivas K.

I came into Krishna consciousness in 2011, from then daily I am chanting 3-5 rounds. A few days back I did 108 rounds in one day. As per Folk Guide instruction, I started Prabhupada Club with five members, they are also chanting regularly. By chanting regularly, my mind has come in control and I am able to control my anger. You help me to keep me spiritually secure through your morning program in this world of *Maya*. Thank you for making me a servant of the Lord. Because of you, I have understood the purpose of my life. I thank you for giving us ISKCON, such a genuine worldwide spiritual organization. I am greatly indebted to you, as by your mercy I got chanting and the knowledge of *Bhagavad-gita*. I am very much grateful to you and other devotees of the Krishna consciousness society. It gives me great pride that Krishna has given me the association of devotees. My obeisances to all your disciples.

## Bhakta Prabhakar Mourya

---

My dear Spiritual Master Srila Prabhupada,

Please accept my humble obeisances at your lotus feet on this most auspicious occasion.

I am blessed that my family already had a Spiritual master and we used to offer our prayers. When I was at a young age, I used to sing prayers and used to go to the *Satsang* every week. As I was growing older, it became so mechanical, that I completely lost interest in God and became agnostic. I stopped visiting temples going to *Satsang*. My mother used to ask me to come along with her for *Satsang*, but I used to drop her and wait outside for the completion of the *Satsang*. By God blessings, I got success in my education and in my profession as well. Still, I never bothered to think about where I am heading towards. My goals were focusing on the heights of material achievements. One day, almost 5 years back, my elder brother Divakar Mourya, shared with me the audio of the book 'The Science Of Self Realisation.' This was shared with him by one of his friends who is associated with ISKCON. I have heard it n number of times since then. It changed my total thought process. Even today, when I listen to it, every time it gives me a lot of clarity by answering the daily problems of life. I learned what is *dharma*, *Yoga*, the purpose behind the problems of life, what is life, and its purpose. I also learned about *karma*, *danam* and death, and so forth.

I got to know that without *dharma*, this life is equivalent to animals. I got to know that *bhakti* is the easiest way to reach the abode of Krishna. I got to know that the real problems of life should satisfy 3 things, 1. It should be common to all, 2. No one wants it and 3. And No one can avoid it. That's fantastic!. I got to know that I have to do all the things which are in line with *dharma*. I understood *daanam* is something to be given based on the person, location, and time, without any expectation. I realized that life is preparation and death is an examination, that's an awesome truth. I got to know that all powers are in me, I just need to activate my subtle soul. Now, whenever any problem in life comes, God is testing me and trying to give me a message. There are many endless realizations that changed my life.

My entire perspective changed and one thing I observed is that whenever I am in need of help, I get it even though I never seek it. I am sure that it's Lord Krishna and Your mercy, who is helping me all the time. I started doing *puja* at home every day and started sharing all the knowledge I received from that audiobook whomever I met. I am very thankful to You, Srila

Prabhupada for creating a platform where those who are under ignorance can get enlightened with the divine knowledge of Lord Krishna and move towards the actual goal of life.

Your Servant,

Bhakta Prabhakar Mourya.

Please accept my humble obeisance. All glories to Srila Prabhupada. All glories to you on this auspicious day of your Vyasa-puja.

There is development in the spiritual growth in my life and I will keep developing it in the future as well. I have increased chanting the hare Krishna *maha-mantra* from the earlier years. Started reading books also and it has become interested as well. Challenges in terms of controlling senses are very difficult but, I'm trying to control it and I will control it. Dear Srila Prabhupada,

Please accept my humble obeisances,

All glories to Srila Prabhupada, All glories to you on this auspicious day of your *Vyasa-puja*.

I came to know about ISKCON in late 2018 through a roommate who is a devotee and who brought me to ISKCON saying that it serves great food as *prasadam*. I went there only for the food and then one thing led to another. My love for good food suddenly turned into a love for Krishna. I started to know more and more about the ISKCON movement and The Hare Krishna Golden temple. I came to know that all this was done by a single person and not too long ago.

That great person was none other than yourself, Srila Prabhupada. I was mesmerized as to how could one do such great things. I understood that it's by being Krishna conscious one can achieve such milestones. I am thankful for your teachings and for the amazing foundation that you have led in building such a great atmosphere for everyone.

Your servant,

Bhakta Prasanna Hirlekar.

My Dear Spiritual Master Srila Prabhupada,

I offer my respectful obeisances unto you.

It has been more than 8 years that I keep visiting the ISKCON temple. Whenever I had visited the temple I found an immense peace there. I love to sing and hence I had taken an utter bliss and divine grace by chanting the Holy Name Hare Krishna *Maha-mantra*. Honoring the *prasadam* itself is the greatest opportunities one can ever have, and I could, fortunately, have it on every day when I was in a FOLK Residency in Bangalore. All the good habits which I do have I believe is because of the association which I had maintained with the like-minded people and devotees.

I am grateful to you for many reasons, one of them is You had been the reason for establishing such beautiful temples not just in our country India, but also across the world. These temples are the foundation of humanity I believe. Thank you, Prabhupada, for bestowing and showering the blessings unto us. My prayer is, Please help me to surrender my life towards betterment of the society and humanity.

Your humble servant,

Bhakta Prashant Hanmanlu Mangalpawar.

Dear Srila Prabhupada,

You are the ladder between Lord Sri Krishna and us. You are inspiring millions of devotees by your lectures, prasadam, Bhagavad Gita. Even though we are failing to follow your instruction some times. But, by chanting Hare Krishna Mahamantra my life has become very peaceful. First time, when I went to Hare Krishna golden temple for new year celebrations, I enjoyed a lot in kirtan. There I heard about you that you are the great devotee of Lord Krishna. I was inspired, by your services. I also started reading Bhagavad Gita and chanting Mahamantra every day.

Kindly bless me. If I have your blessings upon me I can reach Lord Sri Krishna very easily. I am trying to get some intelligence through your books and by touching your lotus feet. Kindly bless me to progress in Krishna Consciousness.

Your servant,

Dear Srila Prabhupada,

Please accept my humble obeisance, All glories to you on this auspicious day of your *Vyasa-puja*,

I passed all these years since childhood with the knowledge taught and given by my parents, teachers, and society. I thought that's life and the only purpose of human life. The day I came under your shelter, I realized that what I lived all these years was just a blind run behind illusions, insecure, and wrong aspirations. You gave the knowledge and empowered me to think beyond, with your teachings. So I have been exploring life in boundless ways to think and explore, the way I could remain Krishna conscious and make me live with spiritual aspirations. You are my first Guru and I have been indebted to you throughout my life.

Thank You very much for saving me from the worldly association making me the most fortunate by giving devotee as my life partner. I am very grateful to You for keeping me in good devotees association.

My Mother started chanting 16 rounds from a few months. Please bless my mother to improve her faith and devotion towards Lord Krishna. You mentioned in a lecture "As fire is kindled from wood by another fire, The Divine conscious of man can similarly be kindled by another Divine Grace." Please give me the strength to inspire my father and in-laws to start their chanting and making them devotees of Lord Krishna.

Because of devotees association, I came in touch with prayers such as Narasimha Kavacha with meaning and worshipping Lord Narasimha for protection in this crisis time. During lock-down, I utilized my time in an efficient manner for chanting more than 16 rounds and hearing online senior devotee association classes. I beg Your mercy to develop my urge and inquisitiveness towards hearing more lectures, Vaishnava songs, and reading your books in a scrutinizing manner.

O Krishna Prestaya, I am feeling very much fortunate to get in touch with You. It is a very rare opportunity to get in touch with a Pure devotee of Lord Krishna in this iron age of Kaliyuga.

O Vishnupada, I had a very good time in the association of devotees such as Holy Dham yatra, Spiritual trips, Maha prasadam feasts and association of like-minded people in the community. This is all because of Your ocean of Mercy.

Srila Prabhupada, You are very great. Your sacrifice and compassion for enlightening people about the rarity and importance of human life is limitless. Thank You so much Srila Prabhupada for enlightening me. Please bestow the power to remember Lord Krishna more and more throughout my life. Your excerpt lectures are eye-opening and mind-boggling. This has helped in improving my chanting quality, inspires me to chant daily and seriously practice towards Krishna consciousness philosophy. All over the world, Ratha-yatra is happening today. Please empower me to wake up early and shower Your blessings to perform Soulful Japa.

I beg for Your causeless mercy, Please guide me in devotional service. Give me the intelligence to make my mind always favorably disposed towards devotional service and to distribute Your books.

O Gurudeva, I beg you to bestow Your benediction unto this insignificant soul and recommend to Lord Krishna and Srimati Radharani to engage in direct loving devotional service at the end of this life. I beg You the strength to remember Lord Krishna at the time of death.

Dear Srila Prabhupada,

Please accept my humble obeisances. All glories to Srila Prabhupada. All glories to you on this auspicious day of your Vyasa-puja.

*nama om viṣṇu-pādāya kṛṣṇa-preṣṭhāyabhūtaḥ śrīmate bhaktivedānta-svāmin itī nāmine.*

*namas te sārāsvate deve gaura-vāṇī-pracāriṇe nirviśeṣa-śūnyavādi-pāścātya-deśa-tāriṇe*

You are such a great personality bringing immensely ignorant souls towards bliss. Srila Prabhupada, thank you for showing me the ways to achieve Krishna consciousness and to discover myself. Because of Krishna consciousness, I have come to know the purpose of the soul (serve Lord Krishna). It all started with "Gaur aarti" at ISKCON Chandigarh, beautifully put together and pleasing to the mind and senses, which upon hearing for the first time I felt a sense of great achievement in life. At that moment I started reading 'Bhagavad-gita, As it is', initially difficult to understand but eventually became the food for the soul.

The Bhagavad-gita classes at BITS Hyderabad added toppings to that. I became associated with a bunch of great friends whom I believe are friends for life. One thing I truly understood, Lord Krishna will help a devotee with pure love for Him to get back to Godhead from ignorance. My Krishna conscious friends have always helped me find Lord Krishna, have unwavering faith and love for Him. This made me spread the message of Krishna consciousness to my other friends, thus increasing the association. The visits to Akshayapatra Kitchen and Hare Krishna Golden Temple (both at Hyderabad) have helped in doing the same. I cannot describe the happiness in words when you see your friends enjoy the essence of Krishna consciousness. Further, the love with which the prasadam is served made me feel closer to Lord Krishna. Finally, my deepest obeisances to Srila Prabhupada for helping me initiate my journey towards Krishna consciousness, rest assured Lord Krishna will help me find him in this journey.

Your Eternal Servant, Bhakta Purbali Chakraborty.

Dear Srila Prabhupada,

Please accept my humble obeisances,

All glories to Srila Prabhupada, All glories to you on this auspicious day of your Vyasapuja,

Please accept my obeisance to thank you for the wonderful achievements you had in a shorter time and created a movement to spread the message of Lord Krishna. You taught us the importance of Spirituality and the path of enlightenment. You have insisted on the guru-disciple system which is the starting point to go back to Godhead. Thanks for your service to bring us the original version of Bhagavad Gita, when the world is totally confused with the plenty of versions.

I stayed in Folk Residency for a while and learned the Vedic lifestyle to lead as per scriptures. The time I spent there taught me how to live with discipline. There are great books like Bhagavatam and Chaitanya Charitamrita, to provide us answers to the greatest questions of human life. The clarity and message coming from lord directly is a guide book for us in our present life.

I take this wonderful opportunity to thank you for the great achievements of constructing 108 temples, translated Bhagavatam, Chaitanya Charitamrita to the human society, chanting of Mahamantra protects us from material sufferings and lead us towards the path of Bhakti yoga.

I have no words to express my love for you and Lord Krishna. I will follow the philosophy you provided to go back to Godhead.

Your Servant,

Bhakta Purushothaman Narasimhulu.

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to Srila Prabhupada.

All glories to you on this auspicious day of your Vyasa-puja

You wrote so many books to reach to Lord Krishna and instructed us to follow 4 regulated principles to improve our Krishna consciousness.

When I am chanting this holy name of the Lord my mind is clear and I try to think almost near God and felt that God is near to me. Please bless me to continue this whole life with chanting this Mantra - Hare Krishna Hare Krishna Krishna Krishna Hare Hare Hare Rama Hare Rama Rama Rama Hare Hare.

You are representative of Vyasdeva and you personally wrote so many days without sleep Shrimad Bhagwatam, Bhagavad Geeta as it is. The books are very important to know about Krishna and better our devotional life and where it will benefit all the conditional souls and also that is easy to understand to a very common man.

Please bless me to serve your mission for the rest of my life. I beg you to give me permission to utilize my strengths and skills for the service of the lord.

Please forgive my offenses and give me the intelligence to carry your orders under the protection of your divine movement and association of your sincere devotees.

Srila Prabhupada you are so merciful and you bless people of kali yuga and we have done so many sinful activities but just by touching of hare Krishna mantra you are taking care of my life, it is nothing but your causeless mercy.

You only came and reduced the distance between God and me. You have given us daily Sadhana to follow and always shown me our mercy.

You gave the great opportunity to do prasadam service and you gave the best opportunity to my whole life to serve the Krishna and his devotees.

If I done any mistakes please forgive me and bless me entire my life to continue Krishna consciousness

Your Eternal Servant,

My Guru, Acharya Bhaktivedanta Swami Prabhupada. An epitome of love,

Please accept my humble obeisances!

Saint Kabirdas Ji said

*Guru Govind Dou Khade, Kaake Laagu Paaye!*

*Balihaari Guru Aapne, Govind Diyo Dikhaaye!!*

So true, it's the Guru who deserves salutations even before the Lord himself, for the Guru shows the path, he is the only way to God. Srila Prabhupada, you have been that Guru for millions of devotees like me. You are an embodiment of love and bhakti personified. You have been the spiritual beacon for those who have been thirsty for knowledge, a ray of hope for those seeking the divine light.

My journey with ISKCON and Yourself started as casual interaction with the Swamijis at the center. What started as a playful conversation went on to become a revelation, something that changed my life forever. The Prasad cleansed my body and soul. My chaotic life started settling, my mind became calmer, thoughts composed. I started having better control over myself. My craving for non-vegetarian food vanished without any effort, and even without my notice.

The Hare Krishna Mahamantra became a part of my life, everyday chanting made me feel blissful and also added harmony into my day to day activities. Explanation and renditions by yourself on The Bhagavatam and The Bhagavad Gita gave answers to both mundane issues as well as the bigger purpose of life. Your teachings have initiated me to the real path of Lord Krishna, the pure form of love.

Dear Srila Prabhupada, your teachings have made me realize the importance of temple culture, the need to continue the legacy of Bhakti, the only way to achieve everything in life. You highlighted the richness of traditions and the Guru Sishya parampara along with the relationship of one with oneself and Lord Krishna, eternal love. You made me understand the virtue of devotion, the right way to live life and to make each and every being a part of our brotherhood.

Swami Prabhupada, thank You for coming here to purify us, to ignite the bliss of sharing and caring, and to make us all fit to receive the divine love. I owe my life to Your Divine Grace.

*Guru Govind Tho Ek Hain, Duja Yeh Aakaar!*

*Aapa Mein Jeevat Mare, Maare Tho Paave Kartaar!! ( Kabir das)*

It's said that Guru and God are one, the moment we drop our ego we realize God. Hey Prabhuji, Guide us so that we lose our ego and pride, may we see you, may we see Lord Krishna and be washed away in love. Thank You for making this life a celebration!

Your's sincerely servant,

Bhakta Raghavendar Kaparti.

At the age of seventy years, you went to foreign to deliver the fallen souls. Within a short period of time, you made thousands of devotees and 108 Krishna temples across the globe. You translated the Vedic literature into English, just by sleeping two hours a day. Such a type of austerity, hard work, and mercy are not possible for an ordinary man. You have created an International society for Krishna consciousness, many people are taking shelter in this society. All this is only because of your causeless mercy on fallen souls.

Dear Srila Prabhupada, I don't have any qualifications to praise you, but you made a difference in my life. Because of you, I understood the difference between animal life and human life. Still, I am not able to follow your instructions. Kindly forgive me and kindly show your mercy to follow your instructions.

My Guru Maharaj,

Please accept my humble obeisances. All glories to Srila Prabhupada. All glories to you, on this auspicious day of your Vyasa-puja.

My heartfelt gratitude for your teachings to embrace Hare Krishna Mahamantra in our daily life.

In the initial days of my association with HARE KRISHNA Mahamantra, I used to chant Mahamantra at times of difficulties but now I realized the power of Mahamantra giving a lot of hopes, directions to live simpler and now chanting at least 3 rounds a day.

I am extremely fortunate for being part of our Hare Krishna Associations and indebted to offer my services for your mission to propagate the consciousness of Lord Krishna as it is revealed in the *Bhagavad-gita* and *Srimad Bhagavatam*.

With Heartfelt Gratitude,

Your humble servant,

As the mantra says you are the remover of the darkness in my life. I strongly believe that you are the savior of the whole world. Your firm determination in carrying out the order of your spiritual master ( Bhakti Siddhantha Saraswathi Thakura), your compassion towards the fallen souls, your books prove that you are the true spiritual master of this age. A wonderful movement started by you moving the hearts of people and also it is an edge to the people who are on the verge of turning themselves into demons. The movement is being recognized and hailed all over the world through the activities performed by your disciples.

Srila Prabhupada I can see a major change in myself after reading most of your books, I bloomed into a devotee of Lord Krishna and I realized that this human form of life is not meant for sense gratification but to serve lord Krishna and his devotees. I chant a minimum of 16 rounds the maha-mantra, read Bhagavad Gita also and your purports are so amazing that it broadened my understanding, cleared speculations that were in my mind. most importantly I engage myself in the service of Lord Krishna and associating with the devotees.

Srila Prabhupada, Your blessings and teachings help me in carrying out your orders amid any material miseries.

I didn't do any good deeds to understand Krishna consciousness. It is only your causeless mercy we are understanding Krishna consciousness. I'm realizing all these when I'm living far from HKM. I'm begging you Srila Prabhupada somehow or other please request lord Krishna to give permission to enter into Krishna Loka in this life only. If it is not possible please bless me to become your sincere disciple in my next life. Even most materially qualified persons like PM may don't know this knowledge of Krishna consciousness. It is only your divine grace lectures I find depth, strength, and taste of Krishna consciousness. I feel very happy to be one of the members of HKM. I'm doing some mistakes in material life and completely immersed in this material contamination. so please bless me Srila Prabhupada then I will be free from all unwanted things and completely surrender to Krishna. Now I'm seeing this world differently after coming to Krishna consciousness. By your causeless mercy please make me remember Krishna always even though I'm working in

material life. I'm unable to chant hare Krishna maha-mantra prescribed number of rounds. So, please show your mercy upon me I will be able to chant sincerely and regularly. All glories to Srila Prabhupada, All glories to you on this auspicious day of your Vyasapuja,

cakshur unmilitam yena, tasmai sri-gurave namah  
sri-chaitanya-mano-'bhishtam, sthapitam yena bhutale

A wonderful sloka from kevalashtakam describes yourself and the community you built.

*sa guruḥ sa pitā cāpi  
sā mātā bandhavo 'pi saḥ  
śikṣayec cet sadā smartuḥ  
harer nāmaiva kevalam*

This verse says that the REAL GURU is the one who teaches the people to chant the name of Lord Hari alone. Srila Prabhupada, You did this to such a large extent that many people from various parts of the world are under the hood of this holy name. And this verse speaks about the real father, mother and relatives are those who teach us in chanting the holy names of the lord.

You have established a community exactly like the above verse where all his associates/followers do the chanting of the holy name of Lord Hari.

And one more sloka from the kevalashtakam describes where lord hari resides.

*hariḥ sadā vaset tatra  
yatra bhāgavatā janāḥ  
gāyanti bhakti-bhāvena  
harer nāmaiva kevalam*

Lord Hari/Krishna eternally dwells in the place where the Bhagavata sing with pure devotion. The sankirtan movement spread by you does the same thing all over the world. Especially it turned the HIPPIES to HAPPIES.

There is a famous saying "FAMILY ISN'T ABOUT WHOSE BLOOD YOU CARRY. IT'S ABOUT WHO YOU LOVE AND WHO LOVED YOU". In fact, you have built such a big community which is based on the love where people live together in harmony like a family. All the community does is to love LORD SRI KRISHNA and engage themselves in the service of KRISHNA as much as possible. My heartfelt gratitude and tonnes of thanks to you Srila Prabhupada for giving me an opportunity to be part of such a wonderful family and allowing me to serve the great Vaishnavas.

You showed the way how to lead our life. By chanting I felt better every day. Because of you, I understood one thing that, wherever we go we should talk about Lord Krishna and ask them to chant Lord Krishna's holy name. Dear Srila Prabhupada,

All glories to you, I pay my humble respect onto your divine lotus feet.

Srila Prabhupada Since I was a child, I used to have all kinds of strange emotions and wondered about the things which are happening in society. In my life, I have so many doubts about life and searching out to find solutions. One day my brother taught me about you and your words, writings, preaching's about Lord Krishna which created a huge impact on me. I became more curious and read your writings. After reading your works & knowing your preaching's.

I Realised The difference between material and spiritual world.

I realized the original meaning of ethics and dharma and how came to know how to practice it perfectly.

I realized the Lord Krsna is the Supreme Lord.

I realized all these things just because of you. You are like a shining light for service and love to all.

You gave us all the reasons to live in spirituality with mutual cooperation for society. I'm most fortunate to have you as my spiritual master. Thank you so much for everything and I'm forever grateful to you.

Dear Srila Prabhupada, Please accept my humble obeisance,

All glories to Srila Prabhupada. All glories to you on this auspicious day of your *Vyasa-puja*.

I'm attracted to the culture of ISKCON and I use to visit temples like Annavaram, Simhachalam, and Pitapuram during my job days in the hetero plant. But I don't know the real purpose of spiritual life at that time. While doing some sort of activities in Ramakrishna math in Rajahmundry, I came in touch with ISKCON there in 2013 December. Again in 2014 October, I visited the ISKCON temple in Rajahmundry. I don't know the goal of life during job days.

In 2016, while doing a job in the MSN lab I used to visit FOLK KPHB. From that day onwards I used to cultivate Krishna consciousness. Now I understand my goal of life is to go back to Godhead. I'm chanting daily 16 rounds and reading books. Thank you Srila Prabhupada.

*namas te sārāsvate deve gaura-vāṇī-pracāriṇe nirviśeṣa-śūnyavādi-pāścātya-deśa-tāriṇe*

I offer my respectful obeisances unto my Spiritual master, who has opened my eyes, which were blinded by the darkness of ignorance, with the torchlight of knowledge. I offer my respectful obeisances unto His Divine Grace A. C. Bhaktivedanta Swami Prabhupada, who is very dear to Lord Krishna, having taken shelter at His lotus feet. Please accept our humblest and most respectful obeisances. All glories to your lotus feet. On this day we gather together to try to express the feelings of gratitude we have toward you. There is no one in the three worlds who can give somebody something more valuable than what you gave to us. In the present degraded age, when we are threatened from every side when even the concept of spirituality is most often corrupted, what would have been our fate without the blessings you gave us? If we could truly understand the magnitude of your blessings, we would know that there is nothing else for us to do but distribute your books or in some way help your book distribution. Thank you, Prabhupada

Actually I am not grateful enough for what you have done for me and all of us in this world. All the sacrifices you have made you have gone through so much of pain, I mean traveling at the age of 70, no money, two back to back heart attacks why Prabhupada? just make us realize our real identity and connection to back to Krishna. You really taught me how to live the life of a human being. You have taught us how to be compassionate, you have made us realize the higher taste, the real essence of life. So today I would like to make a promise, no matter how difficult it would be to chant to read your books, follow four regulative principles. I will do it for you. You live in your books, your lectures, your conversations, your deity, your preaching visions, and ambitions, even more intensely than when you lived physically on this earth. Just like Krishna is guiding us, similarly spiritual master will guide.

You taught that the sound vibration of Hare Krishna maha-mantra is Chaitanya *rasa vighraha*. He is a self-effulgent, unlimitedly loving, self-intelligent person, fully pure (*purna shudda*), eternally liberated (*nitya mukta*) and who is Krishna Himself appearing before us in that vibrational form of His name sound. You have taught and demonstrated to the world, through the life transformations in thousands of devotees. Srila Prabhupada, you have created an exciting opportunity for everyone to participate in this Krishna nama's mission on earth. This is an eternal privilege. It is a mission, even larger than that which Krishna performed 5000 years ago. It is a mission on earth with God as Krishna Nama and Your Divine Grace and Lord Chaitanya as our leader. You are actively involved in inspiring your visions into your followers to distribute the mercy of the Holy Name.

We were entangled in so many sinful deeds and were misled souls of the modern world. We were greedy and mad after sense gratification and wealth. You have blessed us fallen souls exactly like Haridas Thakur blessed the prostitute and situated her in the highest spiritual status of perfection. By your causeless mercy alone was it possible for such a transformation. O most merciful Vaishnava where would we be without you? If not for you, how could it ever have been possible for us to become free from the hellish life of this material world? Please be merciful to us and give us the shelter of your lotus feet. Without your mercy, we are lost and completely unable to obtain the mercy of Krishna. You once said that it is impossible for a disciple to repay the debt to his Spiritual master. We, therefore, beg at your lotus feet that you will demand from us that we eternally make payments on this unpayable debt. We know that you have given us the best and that our only weakness of heart, so please, beloved Srila Prabhupada, keep us with you always in our hearts and minds so we can penetrate the ignorance of our own hearts and the hearts of others.

On this auspicious day, I offer my loud crying prayers at your lotus feet, Please, make me more humble and tolerant, please make me more humble and tolerant, please make more humble and tolerant. Nama Prachar Acharya – His Divine Grace AC Bhaktivedanta Swami Srila Prabhupada ki Jaya. Happy *Vyasa-puja* day to you my Gurudeva.

Your insignificant and eternal servant, aspiring to be always at Your lotus feet,  
Bhakta Ramesh chandaka.

Dear Srila Prabhupada,

Kindly accept my humble obeisances unto your lotus feet.

The entire world is trying to solve the Coronavirus as they are facing the issue in the present moment, but no one is thinking about their lifestyle and how they quarantine from the past so many years in this material world, for this material disease. You already found the medicine as Krishna consciousness, now it's all in our hands how we are going to use medicine and solve all our problems and change our lifestyle and go back to godhead.

Dear Srila Prabhupada, you already put the nectar in front of me but due to my sinful activities, I am not able to take it up. Please please kindly bless me to advance in devotional service.

All glories to you, Srila Prabhupada!

Your Servant, Bhakta Ramesh Kunche.

I was born in the darkest ignorance, and my spiritual master opened my eyes with the torch of knowledge. I offer my respectful obeisances unto him.

Thank you for the encouragement; encouragement to fail and try again, be myself, accept me always try to better myself, and practice Krsna consciousness.

Highly Gratitude for creating a safe space like ISKCON to learn and practice Krsna consciousness, union with devotees, and to serve God.

The task of becoming a successful servant is a journey, and not always easy. Thank you for letting me try to serve you with many difficulties and pushing me forward at all times and yet I feel I always fail.

You've given me a better understanding of my inner essence and faith towards Krsna. From reading ancient texts to studying anatomy and proper movements and descriptions of how to live a simple life with high thinking, I give thanks!

Thank you for challenging me to chant more, practice Sadhana, and open my life to different perspectives.

Thank you for being my role model, and lifelong Guru.

Awaiting to be blessed by you Prabhupada.

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to Srila Prabhupada. All glories to you on this auspicious day of your Vyasa-puja.

You have introduced spirituality in my life. It's a totally different world where I can get the relaxed listening to Bhagavad Gita, chanting the Hare Krishna Maha-mantra and melodious Sankirtans followed by delicious prasadam. When I first joined your shelter, I just believed that I can change some of my characters but you have changed my whole way of thinking and the way I see things. It's all Lord Sri Krishna's grace upon me that I came to your shelter. Due to my involvement in spiritual activity, people changed the way they look at me, their respect for me has increased. Actually, I don't appreciate their material respect but they are listening to me, and hence I can tell them something about you and Krishna Consciousness, so for this thing, I feel good.

But if I speak about my practice, I am not able to do regularly, because I was detached by your shelter such that I can't have the things those are at the shelter and I was feeling really bad about that shelters admin decision, which is actually throwing us into the darkness. But Prabhupada I can improve my practice. Anyway, I am blessed to have your teachings Prabhupada. Hare Krishna!

Your Servant,

Bhakta Rashmith Reddy Arra.

Dear spiritual father,

Please accept my humble obeisances. All glories to Srila Prabhupada,

All glories to you on this auspicious day of your Vyasa-puja,

Like parents who take care of kids well being, you have taken care of all of us by teaching us the essence of Hare Krishna maha-mantra, the purpose of human life, the purpose of one's existence. You have paved us a path for reaching the ultimate Supreme soul. Your teachings, your writing your associations awakened many stubborn souls, many illiterate souls. Because of Krishna's blessing we were very fortunate and lucky to get your teachings and preachings. By the touch of your glorious feet, by chanting Hare Krishna maha-mantra, by honoring Krishna prasadam by following these simple regulative principles you have shown us a path of perfection. Apart from Krishna Consciousness your teachings also taught me to lead a successful & meaningful life. One such incident to share of was I used to boast about my college degree, current job I am holding, but I met many devotees in my path of Krishna Consciousness who was more qualified and more talented than me, later I realized from your teachings we were quantified by how much are we serving the Lord rather than our money/college degree or job, etc...

Your teachings and associations with devotees made me realize the false ego I am carrying for years is meant for nothing other than satisfying my material senses. Thank you Prabhupada for creating this world of Krishna Consciousness, without this many souls like me would have lost in this material world.

Your humble servant, Bhakta Ravi Teja V N S.

All Glories to You, Srila Prabhupada, on this auspicious day of Vyasa Puja. Please accept my humble obeisances.

Due to your causeless mercy, I have become an employee in your Organization ( HKM Charitable Foundation ) and started to chant and read your books. Your disciples and various forums helped me to understand the great work you have done for enlightening all of us. Hearing your pastimes further helped me to take up Krishna consciousness seriously.

It is very true You said that, once one has taken up the chanting and commit a number of rounds, the Hari Nama would be so enchanting that the committed rounds would only go up, over a period of time. I have personally experienced it. For a few days, if I was not able to complete my committed 16 rounds of chanting, I would feel very bad with myself. I request Your blessings to keep up the committed 16 rounds every day. This Hari Nama Sankirtan and the chanting of Hare Krishna Maha Mantra is definitely simple, but a very powerful key that You have left with mankind to open the Spiritual Door.

I was really amazed by Your teachings and the efforts of Yours to establish an Institution and a Temples in the Western Countries, mainly in the United States, to start with. Through Your simple living and with Your knowledge, You were able to impress upon so many to join the movement. You have led by an example. You have engaged so many people from different walks of life, by just not talking, but by Your sheer actions.

You have spent so many hours in presenting The Greatest Knowledge by Vyasa Bhagavan, to mankind – Srimad Bhagavatam and Srimad Bhagavad Gita, in a very simple format with lots and lots of analogies, with easily relatable examples, to captivate the attention of the readers. Such kind of work, only with the sole purpose of making people read and follow, is highly commendable.

You have set up a massive Organisation – ISKCON, with the sole aim of spreading Krishna Consciousness and for serving people.

We all are eternally thankful to you, Srila Prabhupada, for all the works done by You, for our enlightenment.

Your Humble Servant, Bhakta Ravi Venkatraman.

*nama om vishnupadaya krishna prestaya bhutale srimathe bhakti vedantha swaminithi namine*

*namasthe saaraswathe deve gauravani pracharine nirvishesha shunyavadi pascyatya desha tarine*

It was by your mercy, I was practicing Krishna consciousness for the past 4 years. I came to know the real purpose of human life by your mercy. As once you said, "You will find mother and father in every life but getting a Guru and Krishna is very rare". I always remember this and trying to satisfy Guru and Krishna by which I will be perfect.

I was doing regular chanting, book reading, attending classes, and also going on trips. But for the past two months due to a lack of association of devotees, I was not feeling the devotional experience. This is due to coronavirus, every one is locked in their homes.

Usually, as per custom, there will be a Mayapur trip during Dussehra, but if the present situation continues there will be no trip. My humble request is to send a vaccine so that we all devotees can go on trips and will be in the association of devotees.

Your Servant,

Bhakta Raviteja V.

My dear Srila Prabhupada,

Please accept my humble and respectful obeisance at your divine lotus feet.

This is my first Vyas puja offering to you. I am very happy to write this letter. Before coming to the Krishna Consciousness, I was very much confused as regards whom should I worship? After coming to Krishna consciousness, I got to know that Krishna himself says, "Aham sarvasya prabhavo" which means 'everything emanates from me and I am the source of everything'. I got to know that this World is full of miseries and everything is temporary whether it's 'sukh' or 'dukh'. The major problems of the material form of life are 'janma', 'mritu', 'jara' and 'vyadi' (birth, death, old age, and disease,) I got the real knowledge that I am not this body but I am a spirit soul... It is because of Your Mercy that we can perform 'mangal aarti'. A great spiritual morning makes our day very good. Chanting and association with the devotees help us to advance in our Spiritual Life.

Your humble servant,

Bhakta Rohit Y V S.

Dear Srila Prabhupada,

Please accept my most humble obeisances at your lotus feet.

It has been almost six years since I first heard about "Bhagavad Gita as It is". I still remember the book distribution festival at Vaikuntapuram on Vaikunta Ekadashi. To understand the process of bhakti-yoga is the way to experience a real pleasure, I have joined "FOLK" during new-year celebrations and was blessed to listen to various devotional kirtans, presentations. The presentation on that day left me captivated and eager to delve deeper into this Supreme science.

Srila Prabhupada, You are such an expert preacher, each time I read your books I am amazed at how you can say exactly what I needed the most at that time. Although to the unenlightened you may have appeared to exhibit common place characteristics, it is evident through the careful study of your life, activities, teachings that one who has possessed such qualities is necessarily free from material bondage, and enjoys an eternal position in the intimate association with the Supreme Lord. Your divine teachings are unlimited, thought-provoking and every part are just like honey, flowing like endless river forever and ever.

You are so merciful that you have given me this opportunity to express the impeccable respect and devotion that I have developed over the years towards you. Your preachings have always had the utmost important role to play in taking major decisions in my life and career. Thank you, Prabhupada for picking me up and showing me there is something higher than temporary material pleasure. I am forever indebted to you.

Krsna says in Bhagavad Gita (4.35):

*yaj jnatva na punar moham  
evam yasyasi pandava  
yena bhutany asesani  
draksyasy atmany atho mayi*

*“And when you have thus learned the truth, you will know that all living beings are but part of Me—and that they are in Me, and are Mine”.*

Prabhupada, perhaps Krsna in your disguise has come to earth just to save the human race and enlighten the lesser mortals like us to understand the purpose of this life and save from getting succumbed to this material world.

I can never actually express to you how much the chapter “Karma yoga” in “Bhagavad Gita As It Is” has changed me as a person. Please allow me to stay close to your feet and never deviate from the Krsna Consciousness.

Your Humble servant,  
Bhakta Rohith Banka.

My dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet. Thank you very much for giving me the gift of Krishna Consciousness.

I want to express a few incidents which happened in my life just because of your mercy.

Incident-1:

In BG 3.14 Krishna says. " All living bodies subsist on food grains, which are produced from rains. Rains are produced by performance of yajna and yajna is born of prescribed duties." Here, it's said that "rains are produced by performance of yajna." I have experienced this in my life Prabhupada. During this rainy season, I was doing my 16 rounds for 3 days. On these 3 days either it rained or temperature cooled down in our village. On the next day, I didn't chant due to some distractions, there were no rains. But on the next day on which I chanted my rounds, there was some rain in our village. I'm not only glad but also very much excited about this experience Prabhupada.

Incident-2:

Prabhupada in one of your books you have mentioned that a sincere person who wants to learn KC and he doesn't have a spiritual master is taken to a spiritual master by Krishna himself and the spiritual master teaches him how to approach Krishna.

Before coming in touch with your movement I heard pravachan by Chaganti Koteswara Rao on Ramayan and felt like I must see Lord Ramachandra and it was my ultimate goal. After that, I came in touch with you and now I'm very happy with this Prabhupada. Thank you, Prabhupada because of your mercy these incidents happened in my life.

Prabhupada in BG 11.52 purports you have written that " Still, beyond the universal form, the form of Krishna as a two-handed man is still more difficult to see, even for demigods like Brahma and Lord Shiva." But you have given me the opportunity to see the two-handed form of Krishna in the Archa Vighraha form which great demigods can't see.

Sometimes I feel like I may leave KC. Whatever might be the situation in my life, please help me not leave the lotus feet of Krishna.

Prabhupada please help me become your honest disciple.

Thank you very much for all blessings which you have showered on me.

Your most fallen disciple and servant,

Bhakta Rohith B.

Dear Srila Prabhupada,

Please accept my humble and respectful obeisances, The first time I heard about Your Divine Grace was when I went to Mayapur ISKCON temple when I was a small kid. I don't have any particular memory about the temple now, but I still remember I felt very peaceful and filled with joy when I visited there. We stayed there just for a day. I also remember many Bhaktas chanting the 'Hare Krishna Mahamantra'. We had tasty prasadam from the temple in our lunch.

Again, after so many years, I got this golden opportunity to know more about the worldwide 'Krishna Consciousness Movement' and got to stay in the FOLK Residency, while working in Hyderabad. It is only by Your Divine Grace that I am seeing so many positive changes occurring in my life.

I visited the ISKCON temple in Hyderabad and sang and danced in the Kirtanas and felt an immense joy. Now, I am studying the books which were written and translated by You and can understand in full depth, the meaning of Krishna Consciousness. The book 'Bhagavad Gita As It Is' has provided so many motivations to proceed in my life in a proper manner. Whenever I feel any confusion or depression or negative thoughts in my head, I study the Bhagavad Gita As It Is. The book 'Krishna' is also a source of immense knowledge about the past times of Lord Krishna in this World. All these books have created a great impact on my understanding of religion.

I was immensely surprised when I came to know how You faced so many difficulties and obstacles while trying to share the knowledge of Krishna all over the world. But still, because of You, the name of the Supreme Lord has spread throughout the world and so many people are able to see the correct direction in their lives. I am truly indebted to the teaching You have given and promise to take it further.

Your Humble Servant,

Bhakta Rudranil Gupta.

Dear Srila Prabhupada,

Please accept my humble obeisances in the dust of your lotus feet

All glories to Your Divine Grace

Before coming in touch with Krishna consciousness movement I have gone through different preachers advising on human life but it has not touched the deeper sense of understanding to me. But after coming to Krishna conscious movement by the mercy of the lord and devotees and by their teachings with scientifically and scripture viewpoint they have given satisfaction to my quest of knowing the purpose of life.

Prabhupad you have given nice explanations on Bhagavad Gita and remaining scriptures that even the not known people in spirituality can understand easily. I came to Krishna consciousness at starting only for prasadam, it has given me an opportunity to attend the teachings of Bhagavad Gita. They have driven me to understand Krishna consciousness.

Prabhupad you followed your spiritual master order and distributed the holy name of the lord according to the teachings of Chaitanya Mahaprabhu to the world, it is the mercy of the lord to this material world.

At starting I struggled to understand the teachings of yours but the service of you and by doing harinama sankirtana, book distribution, chanting the holy name of the lord like you have given good instruction to us which I am able to follow in this kali yuga, they can surely cleanse the hearts of the people.

Although I have no qualifications whatsoever, I came before you with a humble prayer from my heart at your lotus feet please give us your service and protect us with your remembrance and the mission of Lord Chaitanya Mahaprabhu to do our purpose of life back to godhead.

Thank you very much, Srila Prabhupada. All glories to your divine lotus feet.

Your Eternal Servant,

Bhakta Sagar Kontu.

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to Srila Prabhupada. All glories to you on this auspicious day of your Vyasa-puja. I am deeply indebted to you for giving me an opportunity to associate with you through your invaluable books and disciples. I thank you for giving me an opportunity to serve the Hare Krishna Movement in my limited capacity. Had you not revealed about the confidential matters spoken by Supreme Personality of Godhead Krishna I wouldn't have realized an inch of it. This very sentence "You are not the body but Soul" has cleared many of my misconceptions about the Material World. And yet another statement is everyone has to serve someone and "Why don't you serve Krishna in that case and go back home?" is always vibrating in my mind. Actually these two statements help me to get away from many unwanted desires and the result of which is Joyful life.

Prabhupada, every doubt that arose in my heart you had given me an instant answer either through your books or disciples. The practical way of inculcating Krishna Consciousness is a true gift for a fallen soul like me. Very tough aspects are made simple because of simple devotional service in Krishna Consciousness Movement. Many people have picturized Srimad Bhagavad Gita as a mere Motivational book which is not true. Only after reading Srimad Bhagavad Gita As it is I understood that to realize Krishna is the ultimate purpose of my life. By becoming a true devotee we can have the opportunity to have a glance at Lotus Feet of Krishna, which is highly motivational. Till one point for me, Krishna was another god but because of you, I understood Krishna is the Supreme Personality of Godhead. I have taken part in the Book Distribution program

for the first time this year which is very dear to you. Prabhupada, often I feel Book Distribution in itself is a learning process and a practical application of Krishna Consciousness. Thank you for making me part of Sri Chaitanya Mahaprabhu's mission of spreading glories of Krishna.

Wishlist:

1) I beg for your mercy to provide me with many opportunities to serve you.

2) I beg you to make our home given by Krishna as a place to carry out many spiritual activities (Abhishekam to Sri Sri Nitai Gauranga, Pallaki Seva, Satsangs, inspiring people to chant Hare Krishna Mahamantra) which is the actual service to humankind so that my parents can also involve in Devotional Service.

Promise:

I would like to increase my chanting rounds.

I would like to invite many others to take up Krishna Consciousness in the next few months.

I would like to understand every detail of Srimad Bhagavad Gita thoroughly in the next six months.

Prabhupada, Although I am a very insignificant soul thank you so much for accepting my service. Please help me not to fall into the clutches of Maya.

Your Eternal Servant,  
Bhakta Sahith G.

Dear Srila Prabhupada,

I solely offer my respectful obeisances unto you, my spiritual master.

All glories to you, Srila Prabhupada.

I got to know about you through book distribution. You opened my eyes, blinded by the darkness of ignorance, with the torchlight of knowledge.

Srila Prabhupada, please forgive my offenses & give me unflinching determination to continue serving you in all ways. Determination, of which you are the ultimate example. Like a cātaka bird that drinks water only from clouds, I can depend only on your grace. There is no other way forward.

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to Srila Prabhupada. All glories to you on this auspicious day of your Vyasa-puja. This is the first time in my life that I am writing a letter for the sake of my spiritual growth I would like to thank from the core of my heart for giving a very rare opportunity to a fallen soul like me who do not follow even 4 regulative principles correctly. Thank you so much Prabhupada for giving a devotee as a friend to me because of him I got to know who is Prabhupada, what is ISKCON, who is Krishna, who is Chaitanya Mahaprabhu, what is Krishna consciousness, what are 4 regulative principles and etc. I even visited the Vrindavan with your divine grace Srila Prabhupada which is a very wonderful Dham. I was born in the darkest ignorance and this Krishna consciousness opened my mind by knowing about what is a spiritual life and material life. Even though I know about all these things I am not able to follow them. I want to follow at least 4 regulative principles in my life but I am not able to do. So, kindly bless me and keep your mercy upon me on giving

me the strength to follow 4 regulative principles and please make me visit all the spiritual places in this world especially Mayapur, Puri Jagannath, Udupi and all Spiritual Dhams.

Your Eternal servant,  
Bhakta Sai Harshith CH.

Dear Guru Maharaj Srila Prabhupada,

Please accept my humble obeisance. All glories to Srila Prabhupada. All glories to You on this auspicious day of Your Vyasa-puja.

Srila Prabhupada, I have started chanting Hare Krishna Mantra and reading Your books daily. All this because of Your mercy.

Before I came in touch with Krishna Consciousness, I was much attracted to materialistic things/world. And also I used to be worried too much for all my problems/little failures. Now I'm completely changed and I have understood these all materialistic things not permanent and we should not have much love towards them.

Please provide strength to me involve much more into Krishna Consciousness. Please accept my respectful obeisance unto Your Divine Grace for all Your Preachings and everything.

Your Humble Servant,

Bhakta Sai Kumar S.

Dear Srila Prabhupada,

Please accept my humble obeisance.

All glories to Srila Prabhupada. All glories to you on this auspicious day of your Vyasa-puja.

*mukam karoti vachalam*

*yat-kripa tam aham vande*

*shri-gurum dina-taranam*

*"I offer my respectful obeisances unto my spiritual master, the deliverer of the fallen souls. His mercy turns dumb into eloquent speakers and enables the lame to cross mountains."*

I take this opportunity on this special & auspicious day to thank the almighty Lord Shree Radha Govinda to have blessed me with Krishna consciousness and the teachings of Jagatguru his divine grace A.C Bhaktivedanta Srila Prabhupada.

I wouldn't have been what I am today if it is not for the teachings of my guru. His reluctance strive to eradicate 'Adharma' at the time when the entire world was taken away with alcohol, drugs, and racism. Srila Prabhupada you were and is the greatest intellectual I have heard and seen to date. Regardless of his physical stamina at the age of 71, he has managed and succeeded in his goal to bring Krishna consciousness in the western culture and sowed the immortal seed of "Hare Krishna Maha Mantra" inside the minds and hearts of crooked, the addicted, the junkies and hobos.

It was this unprecedented and immeasurable perseverance attitude in you that has awakened my innate light of 'Gyan' which led me to ISKCON and your divine feet.

At times of my struggles and obstacles, I remind myself of your unwillingness to give up, and that gives me the extra boost of confidence that I could get over any sort of obstacle. After all, we have seen miracles of Lord Krishna on how all the great disasters and disappointments were erased completely when you are devoted to his lotus feet.

Thank you Srila Prabhupada, Thank you to be my mentor, Thank you for all the 'Real Gnyanodayam' which will help me in this life and beyond.

I seek your forgiveness in case of any misinterpretation. After all, I'm just a juvenile in front of your active minds.

Your Servant,

Bhakta Sai Sumanth Kondam.

My Dearest Spiritual Master,

First of all, I would like to say my thanks to the Hyderabad Hare Krishna community, and the Devotee who has been continuously making me to reach the understanding of God.

Before my joining in Krishna Consciousness I was so miserable, self doubted, less motivated. I joined in this wonderful journey 3 months back, I thoroughly enjoyed, and I will be.

I started learning about A C Bhaktivedanta Srila Prabhupada, I would say that He is my forever Guru. After watching His videos, I began to think positively.

Before joining in this Krishna Consciousness I used to pass the time hopelessly. Now I am doing every day chanting, listening to the Prabhupada podcasts. I started reading a book LIFE COMES FROM LIFE, which I am about to complete.

I have understood that many things are beyond my imagination. I would like to express my gratitude to Srila Prabhupada. His wisdom can be shared to all Devotees.

If any good thing happens to me that would be because of your Divine Srila Prabhupada.

Thank You.

Your Servant,

All Glories to Srila Prabhupada. Please accept my humble obeisances.

Your mercy filled all our hearts with the love of Godhead. Your astounding expertise effectively spread Krsna consciousness. Your words are like a river of nectar flowing mercifully into the hearts of all our lives. Your compassion upon fallen souls conveyed the message of godhead all over the world. Your books bring back the true understanding of the Supreme Personality of Godhead in the dormant conditioned souls. Your respect for all living entities exhibits the sublime characteristic of a pure devotee.

Your teachings made me understand the purpose of life. I sincerely express my humble gratitude for Your intense personal love, causeless mercy, unlimited grace, and compassionate affection.

O` Ocean of mercy, kindly permit me to be your eternal servant and take shelter of your lotus feet. As you are well aware, currently, I am in great trouble bound to all kinds of material propensities. Please firmly detach me from the clutches of Maya. Hare Krishna.

Sri Gurubhyo namah!

I offer my obeisances to HG A C Bhaktivendanta Swami Prabhupada.

I am deeply indebted to guru for his mercy in showing the path for real happiness in the form of chanting the holynome. As said, the devotional path is highly challenging and even a person who reached a higher understanding of the Lord's activities and leela's can fall down when there is no proper endeavor from the self.

An undeviated goal with the right consciousness is imparted to self by Guru's mercy who forms the torchbearer in the life of sadhana.

I Sairam by the mercy of guru am able to chant 4 rounds every day and get the association of devotees. I had experienced a lot of fall downs in chanting and only by the mercy of guru was able to associate with *nama prabhu*.

As Prabhupada says " Chant and hear the same sound, that's all, you will progress spiritually " is highly motivating and always reminds the promise of Krsna " Surrender to me and engage in my activities without deviation, you will surely attain me at the end of life ".

A simple but highly powerful process of changing the holy name of Lord as given by Sri Chaitanya Mahaprabhu is by itself a hidden treasure to sadhaka which purifies his consciousness and at the end of life helps in attaining the Supreme Lord Krishna. Finally,

I offer my humble obeisances unto all *acharyas* in the parampara and in particular to Prabhupada for showing the path to endeavor for satisfaction in this life.

Hare Krishna.  
Your servant of servants,  
Bhakta Sairam.

Dear Srila Prabhupada,

My most respectful obeisances to His Divine Grace A C Bhaktivedanta Swami Prabhupada,

You are the personality who always helped his or her student at their difficult times. Whenever I get stuck in a problem, I remember Lord Krishna and You, a miracle happens and I get a solution to come out of that problem in less time.

In one of the lecture, I heard Prabhu saying "Once there was a writer who wrote books on other people's lives and their difficulties. So once the writer had a neighbor who was a silversmith, one day the writer went to his home and asked him

the process of making silver. So the silversmith said that first, they take raw silver and then they have a place where there is a fire burning, then they take the raw silver in a container and then put it in the burning fire and they cannot leave it just like that, they need to hold it with so much concentration because if they do any slight movement then the silver goes waste. So it is said that the person who is holding the rod is the Supreme Personality of Godhead Sri Krishna, the rod is the Guru and we are the raw silver and when we take the guidance from our Guru we become pure silver.” With Your blessings, we are getting the association of Vaishnavas and getting a chance to learn many beautiful things and opportunities for small services.

From your books and lectures, I am getting divine guidance. By your blessings, I am learning how to do Deity service, chanting slokas, kirtan, chanting, and preparing prasadam. You are doing so much hard work to keep us on the right pathway. Without you, it is difficult to get attached to Lord. By Lord’s Grace, thank you very much for being my Guru and guiding me in the most precious pathway, spiritual pathway.

Your eternal servant,

Bhakta Samihan Preyas Nayak, 6th standard.

Dear My Guru Maharaj,

I offer my respectful obeisances unto the lotus feet of you.

All glories to Srila Prabhupada. All glories to you on this auspicious day of your Vyasa-puja.

I, an insignificant person, shameless beggar, and a worthless servant trying to express my gratitude and the mercy you bestowed upon me.

I am currently reading the books - A Second Chance and Teachings of Lord Chaitanya and they are very thought-provoking Inferences on the Second Chance book:

I got surprised especially about how human beings will get attracted by illusory Maya even they are following the regulative principles and at the time of death just by uttering the name of the lord only once attains salvation. Also about the conversations between you and the disciples is an eye-opener. Answers provided by you for the questions put forward by your servants are really an eye-opener. I still remember the video that you cried when praising about the services made by your servants and it really touched my heart, it made me cry as well.

Inferences on the Teachings of Lord Chaitanya: I just started this book and was surprised by the way that lord Sri Chaitanya took the birth, childhood times, and as a teenager how he made everyone realize about the Krishna Consciousness. His teachings to Rupa Goswami

Thank you, Guru Maharaj, it's because of your writings only I came to know all these things

Please please Guru Maharaj, please always bless me to remember the pastimes of Lord Sri Krishna by reading your books, listening to your lectures, and always be in the association with the devotees.

Thank you.

Dear Srila Prabhupada,

Please accept my humble obeisances at Your divine lotus feet.

*brahmanda bhramite kona bhagyavan jiva guru-krsna-prasade paya bhakti-lata-bija*

It is my greatest fortune that I came across your teachings. I am eternally indebted to you for bringing me to the path of Krishna Consciousness.

You have made me realize that Krishna Consciousness is the greatest gift to human society. We can go on making arrangements for being happy in this material world but all those efforts are futile. It is because of you I have the understanding that only by serving Lord Krishna one can achieve the goal of life.

*(miche) mayar bose, jaccho bhese, khaccho habudubu, bhai (jiv) krishna-das, e biswas, korle to ar dukkho nai*

Your contribution to human society is immense. Through this offering, I want to glorify you in my small capacity.

Srila Bhaktivinoda Thakura had made three predictions.

His first prediction:

“A personality will soon appear,” wrote Bhaktivinoda Thakura, “and he will travel all over the world to spread the teachings of Lord Chaitanya.”

His second prediction:

“Very soon the chanting of ‘Harinama sankirtana will be spread all over the world. Oh, when will that day come when people from America, England, France, Germany, Russia will take up karatals and mrdangas and chant Hare Krishna in their towns?”

The third prediction:

“When will that day come when the fair-skinned foreigners will come to Sri Mayapur-dhama and join with the Bengali Vaisnavas to chant, Jaya Sacinandana, Jaya Sacinandana. When will that day be? ”

Srila Prabhupada, you have fulfilled all these three predictions. This itself proves that you are no ordinary being. You are very very special. You are the messenger of the Supreme Lord. To come in touch with your teachings through any medium is the greatest thing that can happen to any human being. I am really fortunate in this regard.

You are the purest devotee and the most realized soul ever. Just to make the foreigners realize about Lord Krishna, you have done the unthinkable and the unfathomable, speaks volumes about your devotion to Lord Krishna.

It is because of you we have so many devotees all over the world. You have the greatest positive influence on my life and I am really grateful to you.

Being the pure devotee of the Lord, you created Vrindavan outside of Vrindavan at so many places. At the advanced age of 70, you started your journey and established 108 temples all over the world. This proves that Lord Krishna was always with you.

*nāhaṁ tiṣṭhāmi vaikuṅṭhe yoginām hṛdayeṣu vā tatra tiṣṭhāmi nārada yatra gāyanti mad-bhaktāḥ*

Srila Prabhupada You have showered Your mercy on me even though I still have so many negative qualities within me. Please don't let me and my family deviate from this path of Krishna Consciousness and this is my only request at your transcendental lotus feet.

*ohe! vaishnaba thakura, doyara sagara, e dase koruna kori' diya pada-chaya, sodho he amaya, tomara carana dhor*

All Glories to YOU!

Your fallen servant,

Dear Srila Prabhupada,

All glories to Srila Prabhupada, On this auspicious occasion of Vyasa puja, I offer my obeisances unto your Divine Grace.

I offer my obeisances to Lord Krishna & all his incarnations ( from Matsya to Chaitanya Mahaprabhu).

I offer my obeisances to all Vaishnavas (devotees of Lord Krishna).

In this material world, if any human wants to feel good, as a human being and follower of Krishna consciousness I strongly recommend only The "Hare Krishna Mantra" Chanting ( *Hare Krishna Hare Krishna Krishna Krishna Hare Hare Rama Hare Rama Rama Rama Hare Hare* ), as you recommended to me and all. The vibrations of the mantra, change, or trains one with all modern leadership skills and swipe away one's sins and sinful activities.

Srila Prabhupada, like you, always say, it is true Krishna consciousness is already there in the core of everyone's heart, due to our material conditional life we have forgotten, that's it, it is not new to us, we just need little spiritual touch, which I'm experiencing now through you.

Finally, I thank you very much for opening my eyes with the torchlight of knowledge.

Srila Prabhupada your guidance is the only hope for me, I want to take shelter at "Gopinath's Lotus feet". So please purify me to take shelter at his lotus feet.

Your Humble Servant, Bhakta Santhosh.

Dear Srila Prabhupada,

Please accept my humble obeisances. I have been associated with Iskcon since 2001. And my friend who is a full-time devotee in Iskcon Hyderabad is the one who has given me some books written by you. I feel I am fortunate to get these instructions. The book "Science of Self-realization" is very unique as it offers a more practical answer to the most difficult questions.

Chanting is a great way to keep ourselves connected and as well as it helps to face the difficult times in our lives. I lost my dear brother in 2019, I was just chanting all that time even though I was so sad, and if I look back now, I think chanting the Mahamantra gave a lot of strength, if not I would have completely broken down. And just months after my brother's demise, we are now expecting a baby boy, all because of blessings of Lord Krsna.

Srila Prabhupada, you have given a great tool for us to be in touch with the supreme and I regularly listen to your voice and chanting as it is divine. I feel fortunate that I was introduced to your movement.

Your Servant,

Dear Srila Prabhupada,

Please accept my humble obeisances, All glories to Srila Prabhupada, All glories to you on this auspicious day of your Vyasapuja.

The guru is considered sinless because he is obedient to the will of God through scripture; following the instructions of his own spiritual master. Thus, there is a living chain of saints and spiritual teachers who take on disciples and guide them towards maturity in their relationship with God.

Through a guru, one receives God's directions on a deeper, more personal level than one receives through scripture itself. Moreover, it is taught in scripture that the only way to know God personally and intimately is through those souls whose relationship with Him is already established. No one comes to God except through a spiritual master.

From 1966 to 1977, you worked hard and established more than 108 spiritual centers, temples, rural communities, schools, publishing firms, and institutes. You circled the globe 14 times on lecture tours on six continents, and still found time to write prolifically. You wrote books, constituting a comprehensive library of Vedic philosophy, religion, literature, and culture.

Srila Prabhupada, You taught nonviolence towards animals as well as human beings. In the course of your lectures, essays, and commentary on scripture, you also expressed moral opposition to sport hunting and experimentation on animals

Some people ask me what convinced me about the spiritual path. I have to say, the philosophy made sense, the people were nice, spiritual life seemed exciting – all of this helped, but it was something else that really touched my heart. Reading your books will literally bring tears into my eyes with love towards Lord Krishna. How much could I know of God and the spiritual reality from my limited vantage point? However, in your books, I found incredible spiritual depth and devotion that I could relate to. Then I realized this was the life of an incredible person. Please show your Mercy on me...

Your Servant,

Bhakta Sathya Kasibhotla.

Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet.

"I was born in the darkest ignorance, and my spiritual master opened my eyes with the torch of knowledge. I offer my respectful obeisances unto him".

Kindly accept my humble obeisances once again,

Before coming to the Krishna Consciousness movement, even though I was enjoying material things happily, still I felt something is lacking.

Because of the Krishna Movement, I am able to understand real happiness in my life, also the difference between material miseries and spiritual happiness.

Learnt so many things from you.

Kindly bless me to chant, to read your books, to hear lectures all the time.

Also remove the obstacles in my sadhana bhakti like angry, etc...

Hare Krishna.

Dear Srila Prabhupada,

Please accept my sincere obeisances and respect to your lotus feet even though I am not eligible to do.

I am very thankful to you and showing gratitude towards your causeless mercy in spreading Krishna Consciousness throughout the world with your disciples. You elevated many souls to the higher platform from the contaminated condition. I have been trying to follow your instructions, four regulative principles and somehow forgetting them many times due to forgetting the true relationship with Lord Krishna. I am trying to understand the philosophy given by you in all your books about Lord Krishna and the purpose of human life.

I have been doing 16 rounds and sometimes more than 16 rounds chanting without fail from the beginning of 2020. I need Your blessing to chant 16 rounds constantly without any fail by overcoming the obstacles encountered in my regular life. Your brief explanations of the teaching of Lord Krishna to Arjuna made me understand clearly the highest philosophy given by Lord. I am a dumb soul and forgetting the philosophy given by Lord Krishna to Arjuna every time. I need your blessings to get more strength on special days like Ekadashi to glorify the Lord by doing more chanting. I need your mercy and blessings to remember it and apply it in my regular life to enhance my qualities and to preach your teachings to others with my capabilities.

I need your blessings to serve you, Hare Krishna Movement and Supreme Lord even though I am not qualified.

All glories unto You, A C Bhaktivedanta Swami Prabhupada,

Hare Krishna..!

Dear Srila Prabhupada,

Please accept my humble obeisances,

All glories to Srila Prabhupada, All glories to you on this auspicious day of your Vyasapuja,

I am in Krishna consciousness for the past one year. Once, one devotee preached to me about Krishna and your mission. And on that, I bought two books called SSR and Bhagavad Gita. From the next day onwards, I was started to read those books and I inspired by those valuable books. And also that the devotee preached about Hare Krishna maha-mantra. But I didn't focus on the initial day on chanting. Slowly I improved to 16 rounds. Now daily I am chanting 16 rounds. After that by your mercy Srila Prabhupada, I got an opportunity to stay in FOLK, where I got full knowledge and happy with nice association and healthy food (prasadam). In this FOLK daily, I am attending "Mangala Arathi (first darshan of the day)" and also I got a real experience from Prasadam, it will purify our minds and can able to remove from all our past sinful activities.

I went to book distribution on Sunday's and holiday's e, daily on Prabhupada book marathon and remained free time I spent for Seva and services in the temple along with FOLK devotees.

I participated in Janmashtami Celebration & Ratha Yatra services.

I am ready to do any service for Lord Krishna and your movement. Now I can able to chant 16 rounds daily. The only person behind all this is Your Divine Grace. If you would not have introduced this Krishna consciousness, the entire world would have faced so many problems and I would also be a materialistic and ignored person. So I am very much thankful to you. For my all activities Hare Krishna movement Hyderabad devotees helped a lot. Thanks to all Hyderabad Hare Krishna movement devotees. Now I am requesting You and Lord Krishna to give more faith and strength to do more services in your movement and provide good circumstances to chant 16 rounds daily and read your Books.

All Glories to Srila Prabhupada,

Hare Krishna Maha Mantra ki Jai,

Prabhupada movement ki Jai.

Sri Sri Nitai Guaranga ki Jai.

Your Servant,

All glories to You on this most auspicious appearance day of Your Divine Grace.

My lovely, wonderful, fabulous Prabhupada, I'm loving you lot and it's increasing day by day, I don't know why it is, maybe I'm missing You more and more I'm not coming to Temple these days because my profession wise I'm traveling continuously but luckily you shared The Hare Krishna Maha Mantra, that's helping me lot. But irritatingly some situations I'm not chanting, and doing wrong things, I'm going in the wrong direction because of industry pressure, I'm in the Film industry, and completed the 1.5-year journey.

Prabhupada please bless me, I want a good position in the Film industry and, at that same time I want to do good service in our Temple, till that give me Powerful Mercy of Your's and give me the strength to do Chanting every day without fail. Always in your Service.

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to Srila Prabhupada. All glories to you on this auspicious day of Your Vyasa-puja.

Your Divine Knowledge has opened my eyes, and has given a very good understanding of basic yet most important questions like - Who am I?, Who is the only source of energy and controller of this whole creation? What are the major problems in this material world? etc. I greatly enjoyed honoring prasadam, dancing, and singing the prayers and kirtans of Lord Sri Krishna, due to which I made a good amount of progress in Krishna Consciousness. It is all because of Your Kind Mercy.

In the coming days ahead please bless me to progress more in Krishna Consciousness and engage me in Devotional Services with Love and Devotion. Also, help me in managing my material responsibilities to give sufficient time for Krishna Conscious activities. I am very fortunate to get to know about this movement and to join FOLK Nivas. Please shower Your Mercy upon me to utilize this opportunity in a proper way to go back to Godhead at the end of this life itself.

Dear Spiritual Master (Srila Prabhupada),

Please accept my humble obeisances on the occasion of your Appearance Day!!

I am introduced to "Krishna consciousness" and the corresponding activities which are based on your teachings since the past 5 years. The contents of Bhagavad Gita and Bhagavatham were enlightened to me by devotees (disciples) hailing from the parampara started by you.

I will reflect on the past one year of my "Krishna Consciousness" journey. In the latter half of 2019, I was involved with the organization of Bhagavad Gita classes as well as book distribution on Sundays in the nearby temple. I even got the

opportunity to celebrate Vaishnava festivals, in the company of devotees. Starting this year 2020, the first couple of months were moving in a routine manner before "COVID 19" pandemic struck the world. Thereafter, our movement was faced with this enormous challenge caused by this pandemic, thereby constraining all the devotees to their homes and ashrams. But thanks to the technology, the preaching as well as Gita, Chaitanya Charanmrita and Bhagavatham classes are conducted these days in the online mode. These days I am so happy to part of these courses and actually heartening to see so many of them participating in the online classes. I am a firm believer that, in the teachings of Bhakti yoga and by performing the daily sadhana (Chanting the holy names); there exists a viable way to prevent anyone from the attack of this COVID pandemic.

I must admit I really miss going to temple and spiritual trips. But I think Lord Krishna will soon bring things normal in the world we live, and so that devotees like me become privileged again to perform Kirtans and celebrate temple festivals like before.

Bless me with the strength to serve Lord Krishna more, by always engaging myself in some seva or the other. Also give me the self-realization needed to boost my advancement, spiritually. I assure you I will make the best use of this human form by serving in your mission.

Humbly, With gratitude and love.

Your eternal servant.

*sri-advaita gadadhara srivasadi-gaura-bhakta-vrinda

*Hare Hare Hare Rama, Hare Rama, Rama Rama, Hare Hare*

Dear Srila Prabhupada,

I am Shashikanth Sahoo, when I entered to this Krishna Consciousness I felt very happy. I saw all devotees were doing Sankirtan and some devotees were dancing. Then I met one of your disciple, he told me all about this, I felt very happy. Then that Prabhu told me to do JAPA. I did the Hare Krishna Mahamantra Japa and I felt very relaxed. First I started with one round then two then four ... now I came to 16 rounds. Then I started practicing kartal. So, I did this at least one month. Then I perfectly did it, I was so happy. Then in the temple all devotees are dancing so I thought should I also try this. So, I went dancing, and it was magic. On the first day itself, I have done it. I attended all festivals. Really, I felt very happy doing services, kirtan, and dancing. I feel very nice. On another day I came to know about Bhagavad Gita class, then I started listening to these classes. So I now know about many things.

Then Prabhu asked me to take "NITAI GAURANGA" to my house; but I always said - "afterwards I will take". Lastly, "NITAI GAURANGA" came to my house this Gaura Purnima. Now, my home only became one temple. After we bringing Nitai Gauranga to our home - me and my family are very happy. But I was not knowing how to take care of Nitai Gauranga, then that problem also solved. One devotee nicely explained to me all things for taking care of Nitai Gauranga.

Then I started doing services like distributing books, prasadam to devotees and so many other services. I do not feel sad while doing these services. I feel very happy because you give me chance to do services to you, so how can I miss that chance. Once I wanted to do Abhishek services, but I can't ask to Prabhu for doing this because I am not great for

doing this service. Then its a magic in temple so many children came forward but one devotee called me to do the Abhishek services for Nitai Gauranga. I thank you, Prabhupada for giving me these services.

Thank You Prabhupada for giving so many blessings to me and my family. Its only because of you, I have changed my self. Jaya Srila Prabhupada.

Your servant,  
Bhakta Shashikanth Sahoo.

My Dear Srila Prabhupada,  
Please accept my humble obeisance and All glories to You!

It gives me immense pleasure to write about our Spiritual Master Sri A.C. Bhaktivedanta Swami Srila Prabhupada on this divine occasion of Vyasa Puja Day. All Glories to You. On this auspicious day, I have come with this offering just to worship You, remembering Your lotus feet.

*“om ajñāna-timirāndhasya jñānāñjana-salākayā  
cakṣur unmīlitam yena tasmai śrī-gurave namaḥ”*

The beginner in devotional service has no ability to solve the dilemma, but You are a pure devotee You have given us direction.

You gave me a chance to associate with Krishna’s devotee. You gave me a chance to serve his devotee. And also, You made my life successful by serving directly Krishna only by chanting of Mahamanthra.

*“HARE KRISHNA HARE KRISHNA KRISHNA KRISHNA HARE HARE  
HARE RAMA HARE RAMA RAMA RAMA HARE HARE”*

To see a sense enjoyer is just like drinking poison, but You, O my master, go far and near, even abroad, to give them Your darshana.

Hindus are not allowed to cross the ocean, but You have sent Your devotees overseas to preach.

In the cities of Kaliyuga, the instructions of the bona fide spiritual preceptors are forbidden. Still, You remained here in any way possible.

Whenever there is an increase in population, there in that place preaching is to be found.

In London, You want a student hostel. You explain that it must be first-class.

In the land of barbarians a student hostel for preaching Hari-Katha! Who can understand the significance of these things? The same inspiring practice from You our devotees coming forward to the Universities and Educational Institutes to spread the divine message of Lord Krishna. With utmost sincerity towards Guru's instructions carrying by the devotees and working hard day in and day out, it all about Your mercy which energizing us Prabhupada.

But simply a festival of flowers and fruits does not constitute worship. The one who serves the message of the guru really worships him.

The Vaisnavas are famous as “para dukha dukhi.” This fame will increase as the preaching increases.

My spiritual master is the best of the Vaisnavas, para dukha dukhi. He knows that there is no real happiness in gratifying the senses.

The mercy of the Vaisnavas is scientific and authorized, without their mercy this world is simply insurmountable maya. Today my brother devotees get to this task. Save the battered souls by Your preaching. “O swan gliding in the lakes of the

Vraja-vasis' love, I wish that I may wander everywhere always chanting and drinking the nectar of Your names. Those most sweetest names arise from the ocean of Gokula and spread the glories of Your infinitely varied dress and ways of acting. As I wander, behaving like a madman, may I distribute joy to everyone in all the worlds." [ Narada Muni, Brhat Bhagavatamrta 1.7.143 ]

"I have been immersed for many lives in this ocean of birth and death. Oh Lord Gauracandra! Oh, golden moon-like master! If You bestow upon me continuous service to Your brilliant lotus feet, I shall chant and describe to others the glories of Sri Hari forever." I'm extremely fortunate to come in contact with Krishna Conscious Movement; this has brought about a great change in my life although. I'm so fallen but Your causeless mercy that I'm in Your movement

Please forgive me for all offenses knowingly and unknowingly that I've committed at Your lotus feet by not sincerely following Your instructions.

Please forgive me for my countless offenses and give me the strength of not committing the same at Your Lotus feet. Please guide me and accept me to the service of "holy-name ".

Srila Prabhupada, please be merciful towards me. Please show compassion and bless me with Your divine blessings to lead this bhava sagara. And fulfill the aim and objects before me, during this tough time of pandemic Your mercy through Mahamantra is protecting every time, You engaged us in such a way can easily please Guru and Gauranga, Prabhupada please consider my any mistakes, ignorance take out of maya or kali which I may be influenced, so please excuse me with Your kind heart and sincerely beg for Your mercy every time, Prabhupada kindly show Your compassionate mercy on this poor devotee, to uplift and provide more abilities, enthusiasm and fulfill the requirements immediately which can surcharge and boost more confidence in me to influence more souls to Your wonderful mission. Thank You so much to our dear most Guru Srila Prabhupada, Hare Krishna.

Your humble servant,

In these five years of my Krishna conscious life. I have achieved a lot, it affects me that non-vegetarian to vegetarian, from darkness to light and from illusion to reality. All the auspicious moments that have come to my life is by Your causeless mercy. Srila Prabhupada, your glories enlighten me and my surroundings until my last breath of this material body. Jagad Guru Srila Prabhupada you have told all of us, our true nature. By achieving that one can become free from repeated cycles of birth and death thus showing us true eternal happiness. The process you showed is also very simple following regulative principles, chanting *maha-mantra*, reading your books. Without you, we would have wasted this human form like cats and dogs, you are the captain of our boats leading to Krishna.

You have written and translated many books, established 108 temples, spread Krishna consciousness all over the world just to benefit humanity. You have shown all of us the way to Krishna. It is our responsibility to take your mission and spread it as possible. On this auspicious day, I humbly beg you to continue to shower your blessings and to guide and assist us in your mission with your mercy becoming devotees and progressing in Krishna consciousness. You taught just by chanting we can connect with Krishna. By your mercy only I'm able to chant 1 round daily. Especially whenever I'm feeling low or worried about my future I chant and remember the Lord. Chanting makes me calm and relax. All glories to you.

Dear Srila Prabhupada by Your Divine Grace I am able to follow your footsteps in my life. I am totally convinced of the "Achintya bedha abedha" philosophy of Lord Sri Krishna Chaitanya Mahaprabhu by reading your books.

Whenever I feel stressed and my head pain's unbearable, I used to take tea, but now I am chanting the Hare Krishna maha-mantra, and after one or two rounds my headache and stress have completely vanished.

After participating in transcendental book distribution I felt Your Divine Grace in my life which made me chant more rounds of hare Krishna maha-mantra with faith and devotion.

Thanking you.

Dear Srila Prabhupada,

Please accept my humble obeisances,

All glories to the savior of my life, His Divine Grace A.C. Bhaktivedanta Swami Srila Prabhupada.

How flower has no value, actually it blooms and dries on the same plant but nobody cares a lot unless it is so attractive flower. But once it is offered to the Lotus feet of the Lord it becomes a precious treasure. Now everyone wants to pay their obeisances and wants to store as a precious thing. In the same way, there was no value of mine unless I got your Lotus feet, Srila Prabhupada. This useless fellow who can't even clear his board exams and was just like the punching bag hanging in the center of the room where anybody comes and hit once before leaving. Not only professionally but also personally scattered in the same way. But how the situation of the flower got changed by coming in touch with the Lotus feet of the lord in the same way my state got changed after coming in touch with your Lotus feet, Srila Prabhupada.

Thank you so much for being merciful and compassionate on this fallen soul. Thank you so much for changing not only personal and professional but also the Spiritual condition and for making me realize that actually who I am, what is my state of existence, where is my home, who is my actual father. Thank you for all. It seems like you are figuring out my life from the very initial days of my life. How you changed my plans with your mastermind plans. How a destined doctor

changes to engineering and engineer change to a businessman. It's all your plan Prabhupada. How a person who never visit the Temple which used to be just beside his house but he walked 7 KM all alone to have *darshana* of Lord Krishna and Balarama. Who didn't even like to read a small *mantra*, now want to read all scriptures? How these changes came all of a sudden, just because of your blessing and compassion on this fallen soul. Even after that, there was no possibility to make it possible but with your blessing and Mystic power you made it possible. The person who used to hesitate to talk to the friend sitting beside on the same desk, now he became the professional speaker. How is it possible, only because of you, Srila Prabhupada.

Thank you for personally mentoring and guiding me, even after knowing me as a fallen soul. I made a number of plans but you always changed my plans and sanctioned whatever will be the best for me. A number of times I planned my business but I failed, Prabhupada. Maybe because you want to teach me some more lessons before I start any business. A number of times I packed my bag go to the home and start my business over there. But I think you have some different plans, Prabhupada. Recently in December 2019, I went home not to come back again but you made me come back again and start all over again in Hyderabad. But I failed again Prabhupada, of course, because of COVID-19 but I think this is not the exact reason, maybe because you have some different plans. Maybe because you have some lesson(spirituality) to teach me, and even to fulfill my dad's old desire to stay in the *Gurukula* and render some services and learn scriptures. Thank you for saving me in this crucial situation. When all the peoples are suffering due to this miserable condition but I enjoyed and still enjoying along with god-brothers by learning scriptures and rendering services.

Thank you so much, hope for turning waste into a useful tool. Now it's my turn to serve you Prabhupada, Enlighten me with that knowledge and guide my path so I can please Krishna and then I can go home, back to Godhead. So Prabhupada just gives me a little space in your Lotus feet and let me render services. I always wanted to be a business tycoon. Initially, I was willing to be a businessman for myself then as per little knowledge planed to do business in partnership with Krishna. But now I don't have any desire like that, just want to get employed in the Krishna business and it takes up to that level which nobody could imagine. But Prabhupada's fact is that being a fallen soul, I don't have any idea how I am going to do. So please guide me, my master. One more request Prabhupada, I want to quit this family life at mid of my forties and want to spend my remaining life in rendering services of yours and Krishna in Vrindavana.

Your Eternal Servant, Bhakta Siddharth Tagore.

Please accept my most humble obeisances at your divine lotus feet on this most auspicious day of your divine appearance.

All glories to Your Divine Grace.

I find myself so fortunate to be the recipient of your causeless mercy as you have allowed me your devotional service. The pure devotee of the Lord is the personification of mercy and compassion in this material world. Indeed, without his causeless mercy, none can attain the shelter of Krishna's lotus feet. By his mere presence, the entire world becomes illumined and full of all good fortune. And by his absence, the whole world becomes bereft of all auspiciousness.

Thank you, Srila Prabhupada, for having come into my life, for I was simply groping in the darkness of ignorance and illusion until I met your surrendered and dedicated devotees. I remain eternally indebted to you and to your devotees. It's very difficult to surrender to Krishna, but one can surrender to Krishna by surrendering to the Spiritual master. Though surrendering to the Spiritual master is even more difficult, it can be easily achieved by surrendering to *Vaishnavas*, his devotees. And this is what you gifted me, an opportunity to surrender and serve *Vaishnavas* so that I can be more surrender to you and finally to Krishna. By arranging such experience, You drove me towards better realizing the fact that how one can serve the spiritual master by serving his devotees.

What capability or qualification I have to do any service to anyone? A heart pouring of envy, bedecked with lust, greed, and anger is only fit for committing an offense. But beyond all such impurities and imperfection, your merciful glance only sees the besieged soul. Not only did you accept my service but also provided more and more such opportunities. Now please let me reveal the truth, your real agenda behind giving me this chance of service. Actually, to feed my ego I'm repeatedly calling these opportunities as 'Service.'. In reality, what Your Divine Grace has endowed upon me is not service, but a treasured chance to associate with your sincere devotees.

On this most auspicious day, I beg your mercy so that I can also chant and listen very carefully and attentively. Thank you Srila Prabhupada, for the wonderful gift of devotional service that you have given me. Thank you for giving us the gift of the Holy name. Please allow me to remain your servant eternally.

Your humble servant, Bhakta Sisir.

Dear Srila Prabhupada,

*nama om visnu-pādāya kṛṇa-presthāya bhū-tale srimate bhaktivedānta-svāmīnī itī nāmīnī*

*namas te sārāsvate deve gaura-vānī-pracārīnī nīrvīśesa-sūnyavādī-pāścātya-desa-tārīnī*

Please accept my humble obeisances. All glories to You on this most auspicious appearance day of Your Divine Grace.

Prabhupada, by your merciful glance, got an opportunity to begin my spiritual journey to know what is the purpose of life. In these five years of my Krishna Consciousness life, I have learned a lot of things (but still it is few) and have overcome personal problems all because of Your causeless mercy. Because of the Krishna Consciousness movement, I am living a spiritual and peaceful life, otherwise, I will not get an opportunity to write this.

You taught us what is the ultimate goal of life, in this *Kaliyuga*, is to follow four regulative principles, every day 16 rounds chanting, and reading books written by Prabhupada, eat *prasadam* as much we can. Give this one life to Krishna, I am ready to join *ashram* as a full-time devotee to serve more and more in Krishna consciousness. Please provide me an opportunity to fulfill the purpose of my life is only in serving Krishna. By the Mercy of Sri Radha-Govinda, I will get an opportunity to join in this movement as a full-time devotee by this year-end. Hope this year also by the mercy of Sri Radha-Govinda everything will be running smoother in the spiritual life and the material world(to be Krishna Consciousness every time).

Always in your service, Bhakta Sitaram Prabhu.

My dear Srila Prabhupada,

I submit my heartiest humble obeisances unto your lotus feet.

I am very very interested to follow Krishna consciousness and its regulative principles. On the other hand I am very sad because I am unable to do it. In my mind, I am feeling that in childhood I very nicely followed Krishna consciousness along with my parents and was enjoying. Now at the age of 18, I am suffering too much with material sense gratification. For example, I want to buy a luxury car and other royalty things as others. Material world very strong and I am getting defeated with these things.

Sometimes, I would like to move away from these things but again somehow getting attracted by allurements of material nature. My father always advised me to think of luxurious cars and others but everything as a requirement for Lord's services. For taking Sri Radha-Krishna in the car is acceptable, but if that is for sense gratification/enjoyment purpose then the same car is very dangerous for our spiritual life.

Father always says - 'Never plan for yourself, Lord Krishna has already planned for you. Just follow these steps that are good for yourself and your connection to Lord Krishna.'

Srila Prabhupada please take charge of me and control my senses and I don't know which is right or wrong. Initially, I made many videos for a spiritual trips like Bhadrachalam, Hyderabad, Mayapur, and Dwaraka. I did many Abhishekams at home as well as in temples. I am far away from you and lost the connection with you. Srila Prabhupada, please don't neglect me. Please provide more chances for me to render services, thus I can become purified and follow regulative principles and grow forward in Krishna consciousness. Everything on earth is getting purified by the rays of the sun, in a similar way fallen souls like me on this Earth get purified by the blessings of you, pure devotees of the Lord. So please, Prabhupada guide me in the right way.

Your humble servant, Bhakta Siva Krishnan K.

Dear Srila Gurudeva,

Please accept my humble obeisances. All glories to you, Gauranga and Lord Sri Krishna.

Prabhupada, in my last year offering to Your Divine Grace, I wrote a few lines about how you have influenced my life and how Krishna has attracted me. This year I want to write about how my spiritual life rises and falls from 2019 to 2020. By the grace of your sincere HKM Banjara Hills disciples, I got the inspiration to intensify my spiritual life. I installed the Srila Prabhupada Lila App on my phone and every day, as soon as I woke up from bed I am regularly reading your past times which are illustrated by your direct disciples. Sometimes, I really feel jealous of them. They got your direct association and guidance. But that is momentary. Because of their selfless sharing of even single moment of their association with you, I am feeling as if you are among us.

Srila Prabhupada, as promised to one of the temples Prabhu's, I started reading *Srimad-bhagavatam*. When I started reading each sloka, their meaning and Your Divine Grace's purport, I understand more about Krishna's position and also the demigod's position. Born in a Saivite family, I have a doubt about the position of Lord Siva and Lord Krishna/Vishnu. But after going through *Srimad-bhagavatam*, all my doubts are clarified. It's because of Your Divine Grace's transcendental purports, my respect for *Srimad-bhagavatam*, *Bhagavad-gita*, and other *shastras* increased exponentially. Sometimes, I feel happier to read your purports than to *Srimad-bhagavatam slokas*. If one reads purport to even one sloka in *Srimad Bhagavatam* or *Bhagavad Gita* and follows it religiously, I feel his life will be sublime.

Due to the COVID-19 pandemic outbreak globally, this year I got a chance to hear *Srimad-bhagavatam* through your sincere disciples. After hearing the meaning of each *sloka* and your Divine Grace's purport, I felt how much strain you have taken to complete the herculean task of translating *Srimad-bhagavatam*, *Bhagavad-gita*...etc into English providing us unadulterated Krishna's message. Srila Prabhupada, this year I have attended almost all the festivals celebrated at Hare Krishna Movement, Banjara Hills.

As far as the rise and fall of my devotion, I started chanting 16 rounds/day from 02.04.2020, continued till 15.05.2020, and fell down to 1-2 rounds per day due to severe unhealthiness. My blood sugar levels have gone tremendously high which greatly affected my spiritual life. However, my love for you and Krishna are still in my every breath. Although by devotion and service I am not spiritually advancing, by Your Divine Grace's disciples are sharing the glorious Lord Radha-Govinda, Swayambhu Lakshmi Narasimha Swamy, Gaura-Nitai daily *darshans* as well as Your Divine Grace's daily thoughts and other spiritual information, which I am reading daily without fail and advancing at snail's pace. My only wish is I should always connect with your sincere devotees and always remember you, Krishna and Gaura-Nitai. I beg your kind mercy.

Your insignificant servant,

Bhakta Siva Prasad A.

Lacs of people found their real association with the Supreme Personality of Godhead Lord Sri Krishna. Please accept my prayers to the guru *parampara*. Vande guru *parampara*. With Your Divine Grace, the conditioned souls like me who were searching for *yoga* are blessed to learn the real *yoga*. (Connection with supreme God) and Hare Krishna *Maha-mantra*. With the rightful programs under ISKCON helped me to understand the real problems of life (*janma, mrutyu, Jara, vyadhi*) and the goal of life. With your grace, the nectar of knowledge is available to me in simple words and vanishing my ignorance with this light of knowledge. The regular practice of Hare Krishna *Maha-mantra* is building my confidence and increasing the joy in my life. I am able to understand the importance of self-realization and methods to improve unconditional love towards Lord Sri Krishna through devotional service. This has changed my view and perception towards my every action and situation in my daily life. The materialistic desires and pressures are showing less impact on my happiness and improving the taste of higher purpose.

On this auspicious day, please accept my prayers and obeisance to your lotus feet for your unlimited love and grace on me to drive through ISKCON programs. Dear Srila Prabhupada,

Please accept my humble obeisances unto your lotus feet.

You are the most confidential servitor of Lord Krishna. You are the personal associate of Sri Radha and Lord Krishna. You, out of your causeless mercy, incarnated on this planet earth to deliver the fallen conditioned souls like me, and you are distributing the pure devotional service of Lord Krishna without reservation. You are the representative of Sri Nityananda Prabhu, and you are bringing the mercy from the ocean of mercy, Sri Chaitanya Mahaprabhu who freely distributed Krishna *prema*, just as the clouds distribute the water from the oceans. Without you, there is no possibility of any conditioned soul to even think of a life beyond, let alone go back to Godhead, or even understand Lord Krishna for that matter.

All glories unto you dear Srila Prabhupada. You made me understand the goal of human life. By your mercy, I came in touch with the Holy name. And by your mercy only I'm able to make a struggle towards Krishna consciousness. I pay my most respectful and humble obeisances unto your lotus feet again and again. My last year has been relatively better in terms of

self-motivation than the prior two years. I was able to practice the principles of Krishna consciousness more consistently. This happened because I started working for a private company resulting in more time on hands. By your grace only, I could do that with minimal devotee association, things were not very favorable for me for practicing Krishna consciousness. But you constantly guided me through your *Vani* from the scriptures like Bhagavad Gita & Srimad Bhagavatam, and your lectures.

I am forever indebted to you, yet I am such a fallen soul that I still don't follow your instructions. I don't know if I would be able to go back home, back to Godhead. One cannot go back to Godhead unless one becomes a pure devotee, and one cannot become a pure devotee unless one practice devotional service all his life. When I'm not even practicing it, how can I possibly dare dream of it? In other words, I am not even qualified to have the desire of going back to Godhead like you used to say, "First deserve, then desire." And even if I have that desire, I am incompetent for such a gigantic feat.

Still Srila Prabhupada I believe that never mind how difficult, you alone can make it happen for me. Against all odds, only you can bless me to become a pure devotee of Krishna. And although I'm incapable and undeserving, by Your causeless mercy alone can I engage in pure devotional service unto Lord Krishna. I will pray to Lord Krishna to empower me to please you so much that I may become your favorite disciple. All glories to You, Srila Prabhupada. May your glories be proclaimed throughout the three worlds. Aspiring to be one of the atoms of the dust of your lotus feet,

Your servant's servant,

Bhakta Siva Y.

You are the only one who enlightened my path by removing the darkness of my ignorance. Whatever good exists in me is very much because of you. Thank you for making me look forward to visiting the temple often. These are my holydays to practice *mantra* meditation in my silliest and most spiritual ways. Thank you for rubbing off in me the teachings and empowering me to never give up my authentic self.

Thank you for the encouragement, encouragement to fail, and try again, be me, having faith in Krishna, and motivate myself to do conscious *bhakti* and purify mind and soul with *Nama japa* of Hare Krishna *Maha-mantra*. Thank you for the gift of spirituality and faith in Madhava, the essence of our rich tradition of Seva to Krishna. Gratitude for creating a safe space to learn and practice union with the Supreme. Dear Srila Prabhupada,

Please accept my humble obeisance at Your divine lotus feet. All glories to You on this auspicious day of Your *Vyasa-puja*.

The platform to practice Krishna consciousness is great and it helped me a lot. I am in contact with ISKCON temple and devotees for 2 years. In this period I learned a lot about *Bhagavad-gita* from Your disciples. It helped me to develop my knowledge, lifestyle, and most importantly it taught me the actual goal of life which is going back to God or Supreme Lord Krishna. Your teachings enlightened me to see life differently.

I am trying to follow your process of practicing Krishna consciousness which is chanting 16 rounds of Hare Krishna *maha-mantra* and following 4 regulating principles. At present, I am chanting 2 rounds every day and sometimes 4 rounds. I am following 3 regulating principles. On this auspicious day, I pray to You to bless me the strength with which I can reach to 16 rounds of chanting and be able to follow 4 regulative principles.

Your Humble Servant,

Finally, thanks for spreading Krishna consciousness in this world, and I, a part of the upcoming generation will support and spread Krishna consciousness to the unknown and will perform a selfless act.

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to Srila Prabhupada. All glories to you on this auspicious day of your *Vyasa-puja*.

Srila Prabhupada, you are the light in my life which is entrapped in the darkest tunnel called the material world. Just because of your blessings, I got to know that I am not a physical body but a greater part which is part of an omnipresent and omnipotent Lord Krishna, and understood whatever I do should pave a way for me to reach the abode of Lord Krishna. I am deeply connected with the spiritual knowledge and the wisdom our devotees are offering day-in and day-out. I always try to make my daily routine start with a Krishna consciousness mindset to make it fool-proof and meaningful at the same time.

I am very blessed to have come under your service and seek your lessons daily. As a matter of fact, I am dreadfully connected in this material world, which is making me not to completely focus on spirituality every time. So, I started practicing the principles of *karma yoga* and trying to offer whatever my after-work results to the Supreme Lord. I will always be a servant of my Lord Krishna and to you, Prabhupada. Under your guidance, I've come this far in my life and I will surely meet you in the Krishna *Loka* once I make it there and be your eternal servant. All glories to Srila Prabhupada. Hare Krishna.

My Dear Spiritual Master,

Please accept my humble obeisances. All glories to You, Srila Prabhupada.

O My Master, by Your mercy in Your shelter I got an opportunity to come to Hare Krishna Golden temple. By the association of devotees, I could follow the four regulative principles, chanting Hare Krishna *Maha-mantra*, a daily minimum of 16 rounds, and reading books like *Beyond Birth And Death*, *Bhagavad-gita As It Is*, *Srimad-bhagavatam*, etc. After connecting to Krishna consciousness I'm so delighted to render the *sevas* like *kirtans*, festivals, special programs, *Nagar sankirtans*, distributing *Maha-prasadam*, and many more.

In the book *Bhagavad-gita As It Is*, the purport as written by You for the sloka, 5.26

*kama-krodha-vimuktanam yatinam yata-cetasam abhito brahma-nirvanam vartate viditatmanam*

This sloka always enlightens me in the Krishna consciousness. O My Master by Your Divine Grace, now I'm in this spiritual path of Krishna consciousness. By hearing your spiritual preaching I came to know that I'm not this body, I'm the soul, I'm the part and parcel of Godhead Lord Krishna. I have full faith in You my master and I know that You are only the Spiritual Master who is more dear to Lord Krishna and who can take me to Godhead after this life. O My Spiritual Master Srila Prabhupada, this is my request to You to help me to progress on the way to reach Lord Sri Krishna.

Dear Srila Prabhupada,

Please accept my most humble obeisances at your lotus feet. All glories unto Your Divine Grace.

In BG 3.12 Purport, it is mentioned - "For ordinary men, at least five *yajnas* known as *Pancha Maha yagna* are necessary". When I approached devotees, what are these five *yajnas*? I came to know that they are five *yajnas*, namely *yajnas* to Devatas, *yajnas* to Rsis, *yajnas* to general living beings, *yajnas* to forefathers, *yajnas* to general human beings. Simply by chanting Hare Krsna *maha-mantra*, one is directly serving Supreme Lord Krishna and indirectly serving Devatas, Rsis, general living beings, forefathers, general human beings. Just like feeding the stomach will nourish the entire body. You made the process easy, you are the greatest facilitator I know.

Your books are a constant source of inspiration, intelligence, determination, and strength. Even though I am most unqualified - just by reading your messages sent by devotees on Whatsapp, I am able to chant sixteen rounds. You made chanting easy with your books, you are the greatest facilitator I know. Your disciples are completely pure, a ray of hope in the material ocean of birth and death. Just by associating with them, I can get devotional service to the Lord. I know, Just to create an opportunity of association, you have created a brilliant organization ISKCON. You are the cause for HKM, GIFTS and FOLK. You made things easy, you are the greatest facilitator I know. By your grace and your devotee's grace, I am able to distribute few books and be able to attend Soulful Japa sessions and Sadhana Bhakti sessions. Please bless me, may your instructions become my desires.

Trying to be your servant,

Dear Srila Prabhupada,

Please accept my humble obeisance. All glories to Srila Prabhupada.

All glories to you on this auspicious day of your *Vyasa-puja*.

Whenever I remember your name, two things will get stuck in my mind. The first one is "ISKCON" and the second one is "THE AKSHAYA PATRA FOUNDATION". Through ISKCON many young students are moving into the path of spirituality and this is happening only because of your valuable teachings. I am grateful that I am one of those young students who are guided in the path of spirituality through ISKCON.

Because of THE AKSHAYA PATRA FOUNDATION, many children who are coming from very poor backgrounds are enjoying eating these delicious meals. This shows how much disciplined your disciples are and also shows the dedication level they have in providing nutritious meals to the children. I would like to say that because of your valuable teachings only I got inspired and started chanting Hare Krishna *maha-mantra* daily. Because of this *mantra* meditation only I am feeling very much relaxed and my mind is eventually getting purified. Please bless me more & more.

Your humble servant,

All glories to Srila Prabhupada. All glories to you on this auspicious day of your *Vyasa-puja*.

I'm feeling very happy that I was in the Hare Krishna movement for the past 4 years. association with the devotees, chanting, Krishna *prasadam* attending festival services all these will progress our Krishna consciousness very fast. As the representative of Srila Vyasadeva, you have lucidly explained the original teachings of Srila Vyasadeva in your Bhaktivedanta purports for the benefit of all conditioned souls. Your purports make the most difficult philosophy easy to understand even for the common man.

Unfortunately, the world is filled with the crow class men who are badly entangled in sense gratification and are destined to suffer perpetually with no hope of liberation. You have very kindly appeared to deliver all such suffering souls. Your

Krishna consciousness movement is meant to convert the crow class men into swan class. Begging to remain under the shelter of your lotus feet at all times.

Dear Srila Prabhupada,

Please accept my respectful obeisances at your lotus feet. All Glories to Srila Prabhupada. All Glories to you on this auspicious day of your Vyasa-puja...

*om ajnana-timirandhasya jnananjana-salakaya caksur unmilitam, yena tasmai sri-gurave namah*

*"I offer my respectful obeisance unto my spiritual master, who has opened my eyes, which were blinded by the darkness of ignorance, with the light of knowledge."*

*nama om vishnu-padaya krishna-preshthaya bhutale srimate bhaktivedanta-swamin iti namine*

*namas te sarasvate deve gaura-vani-pracharine nirvishesha-shunyavadi-pashchatya-desha-tarine*

I offer my respectful obeisance unto His Divine Grace A. C. Bhakti Vedanta Swami Prabhupada, who is very dear to Lord Krishna, having taken shelter at His lotus feet.

I would like to say heartfelt thanks to you for giving this great opportunity. Also to your disciples, because of who I am associated with Krishna Consciousness and Gifts Srinagar Team for giving this opportunity. I am not at all qualified to serve Lord Krishna but I got it because of Lord Krishna's mercy and your blessing.

Since last year with your disciple's help, I am able to improve and perform kirtans, reading and understanding Bhagavad Gita, still, there are a lot of things to be learned like learning to play instruments like mrudangam, now I am concentrating

on these things. Hope by next Vyasa puja I will be able to play an instrument. I am very fortunate to be associated with your Hare Krishna Satsang groups like Gifts Srinagar Colony.

I am chanting regularly, now I am able to chant 16 rounds, but not up to the mark, trying to improve daily.

I am following and listening to lectures and kirtan on weekdays.

From this year I got the opportunity to perform kirtans, I am attending the Bhagavad-Gita class in the temple every Saturday, now online.

Trying to read Bhagavad-Gita every day.

Sincerely trying to follow your instructions under the guidance of our center preacher

Thank you so much for giving me this opportunity and looking forward to doing more devotional services. I also request You (my Gurudev) to shower your blessings on the entire Vaishnava community.

Your Servant,

Bhakta Lakka Srinivas.

Dear Srila Prabhupada,

Please accept my humble obeisances at your lotus feet.

All glories to Your Divine Grace A.C.Bhaktivedanta Swami on the auspicious day of *Vyasa-Puja*.

A line in your miraculous piece of purports stated that 'The greatness of a man depends on the amount of his tolerance. After so many years of reading, partially trying to understand and humbly trying to apply the knowledge you have given I began to understand how great you are. I believe your mercy is the only reason I am still here trying to understand the science of god, for I have no qualification nor significance to even think of doing or understanding the science of God on my own.

Beginning with the most logical pieces of writing I ever came across from the book 'Easy Journey to Other planets' you described that the efforts of any devotee are no less than any scientist as we are also trying to go to other planets but we just choose the right way to do it. That was the time I decided to be a Junior scientist under the Vedic Space Administration you have set up and named Krishna consciousness.

Referring to the writings you have made in your diary during your transcendental travel in the Jaladuta where you wrote to Krishna " O Lord, I am just like a puppet in your hands. So if you have brought me here to dance, then make me dance, make me dance. O Lord, make me dance as You like. " I understood what you meant by the word 'Surrender' in your transcendental translations.

The main reason for all the glories that you are bestowed upon is the sole fact that there has not been a better example for us than you to understand the phrase 'Practice what you Preach.' In conclusion, my Krishna conscious friend once said 'Once there was no Krishna consciousness in my life, but now without Krishna Consciousness I don't have a life.' Such is the strength of your devotional endeavor. Begging to remain under the shelter of your lotus feet and in the association of your devotional army.

Your Humble Servant,

Bhakta Srinivas Mohan.

Dear Srila Prabhupada,

Please accept my humble obeisance at the dust of your lotus feet. All glories to you on this auspicious day of *Vyasa-puja*.

First of all, I need to thank you very much for starting this Krishna consciousness movement, because this is the platform for knowing the absolute truth of life and the process of eternal happiness for mankind. One day I read a book of your life and I was very fascinated that at the age of 70s in the 1960s you traveled to western countries for spreading the Krishna consciousness movement. I salute your determination and patience for starting and succeeding in your master's mission in those unfavorable conditions.

By reading your books and listening to your lectures I get a lot of inspiration. I heartily thank you for translating the Vedic knowledge into a very simple language and helping the younger generations understand this great knowledge. Before coming to Krishna consciousness, I don't know the reason for human desires but you told us that senses are the reason for all miseries and you have given a solution to control our mind and senses.

I love attending the *satsang* classes and this has given me the confidence to face the problems of life and really changed my thinking and adding values to life. I am fasting from grains on *Ekadashi* days and understood the reason behind these rituals. I love the association of devotees and I believe that nowhere else in this world I can feel this enthusiasm, bliss, and ecstasy. I love the delicious *prasadam* and it's priceless to value it. I enjoyed all the trips with folk and no guide would have told the pastimes and divinity of Lord's abode as our Prabhus has told us. I think that yours is the only organization that is doing huge service to society through spiritual, cultural, moral, social transformation. If you have not started this movement the whole world would have been in misery. I am very glad that I am a part of this great movement.

I thank you for providing me with such a nice platform for my spiritual growth and attaining the highest form of human life and absolute truth. Please bless this fallen soul as your servant and give shelter at your lotus feet to continue spiritual life and service to the society and service to the Lord. Hare Krishna.

Your humble servant,

Bhakta Srinivas Nigam.
